

1
00:00:36,060 --> 00:00:34,070
[Music]

2
00:00:44,000 --> 00:00:36,070
[Applause]

3
00:02:03,910 --> 00:00:44,010
[Music]

4
00:02:09,669 --> 00:02:04,709
greetings

5
00:02:11,910 --> 00:02:09,679
and salutations friends and welcome back

6
00:02:13,430 --> 00:02:11,920
i hope that we're welcoming some new

7
00:02:16,710 --> 00:02:13,440
friends as well as

8
00:02:18,229 --> 00:02:16,720
old friends um

9
00:02:20,390 --> 00:02:18,239
boy i don't know what to say about this

10
00:02:23,670 --> 00:02:20,400
one a bunch of people sent me

11
00:02:29,030 --> 00:02:23,680
this gentleman's information and uh some

12
00:02:36,470 --> 00:02:32,550
i i don't even know what to say okay uh

13
00:02:38,949 --> 00:02:36,480

he's in contact with aliens

14

00:02:41,350 --> 00:02:38,959

and that's could be the best starting

15

00:02:44,150 --> 00:02:41,360

point of any interview i've ever had

16

00:02:45,910 --> 00:02:44,160

i suppose and also it's important that

17

00:02:49,430 --> 00:02:45,920

uh

18

00:02:51,509 --> 00:02:49,440

you know i gotta say this right here

19

00:02:52,550 --> 00:02:51,519

some of you are very very skeptical and

20

00:02:54,550 --> 00:02:52,560

so am i

21

00:02:56,150 --> 00:02:54,560

and some of you have encouraged me to be

22

00:02:57,910 --> 00:02:56,160

more open-minded

23

00:02:59,270 --> 00:02:57,920

and to explore some of the strange

24

00:03:01,190 --> 00:02:59,280

experiences and

25

00:03:05,509 --> 00:03:01,200

people that have these strange

26

00:03:08,869 --> 00:03:05,519

experiences and i thought uh

27

00:03:13,030 --> 00:03:08,879

i thought this could be a good

28

00:03:17,990 --> 00:03:16,149

mic issues see what happens when you try

29

00:03:20,149 --> 00:03:18,000

to do something different

30

00:03:30,390 --> 00:03:20,159

i try to use a new mic today hold on

31

00:03:30,400 --> 00:03:39,830

worked fine in testing of course

32

00:03:43,589 --> 00:03:41,910

check one all right we're gonna have to

33

00:03:46,630 --> 00:03:43,599

go with that one

34

00:03:48,470 --> 00:03:46,640

again i suppose

35

00:03:50,949 --> 00:03:48,480

and i'll have to do more testing i hope

36

00:03:56,470 --> 00:03:50,959

that's better

37

00:04:00,390 --> 00:03:58,830

we're going to have to go with the the

38

00:04:02,390 --> 00:04:00,400

uh other mic

39

00:04:03,670 --> 00:04:02,400

so i apologize for the audio issues see

40

00:04:04,710 --> 00:04:03,680

what happens when i try to make

41

00:04:07,429 --> 00:04:04,720

improvements

42

00:04:07,990 --> 00:04:07,439

worked in testing uh it is what it is

43

00:04:11,910 --> 00:04:08,000

friends

44

00:04:14,229 --> 00:04:11,920

so uh richard mcgill

45

00:04:16,189 --> 00:04:14,239

is our subject tonight a person who

46

00:04:19,189 --> 00:04:16,199

claims to be in contact with

47

00:04:22,390 --> 00:04:19,199

extraterrestrial aliens and

48

00:04:23,510 --> 00:04:22,400

uh doing this project with this group of

49

00:04:26,790 --> 00:04:23,520

extraterrestrial

50

00:04:29,030 --> 00:04:26,800

aliens and like i said i'm not sure what

51
00:04:31,350 --> 00:04:29,040
to think about this but instead of uh

52
00:04:33,110 --> 00:04:31,360
doing a whole lot you know i listened to

53
00:04:35,350 --> 00:04:33,120
some of the podcasts and heard

54
00:04:37,990 --> 00:04:35,360
the basis of his story we're going to

55
00:04:39,350 --> 00:04:38,000
bring him in and uh

56
00:04:41,270 --> 00:04:39,360
well we're not going to grill him too

57
00:04:42,629 --> 00:04:41,280
much but we're going to try to uh get to

58
00:04:45,749 --> 00:04:42,639
the bottom of

59
00:04:50,790 --> 00:04:45,759
some of his fantastic claims

60
00:04:55,189 --> 00:04:50,800
okay let's see where's buttercup

61
00:04:56,909 --> 00:04:55,199
richard miguel hello

62
00:04:59,670 --> 00:04:56,919
so you're in contact with

63
00:05:03,110 --> 00:04:59,680

extraterrestrial

64

00:05:07,029 --> 00:05:03,120

beings pretty much that's the way i

65

00:05:09,670 --> 00:05:07,039

like to think of things yes and

66

00:05:11,830 --> 00:05:09,680

do you want to for the benefit of our

67

00:05:13,189 --> 00:05:11,840

viewers tell us how these contacts with

68

00:05:16,870 --> 00:05:13,199

these alien beings

69

00:05:18,870 --> 00:05:16,880

began absolutely so i thirty i've never

70

00:05:20,469 --> 00:05:18,880

been to science fiction at all

71

00:05:22,950 --> 00:05:20,479

i've never even seen the original star

72

00:05:25,189 --> 00:05:22,960

wars but my 31st birthday

73

00:05:26,950 --> 00:05:25,199

i saw a light flash in the sky and that

74

00:05:28,390 --> 00:05:26,960

got me interested in the subject of

75

00:05:30,469 --> 00:05:28,400

extraterrestrials

76

00:05:31,749 --> 00:05:30,479

so i watched a lot of youtube videos on

77

00:05:33,830 --> 00:05:31,759

how to contact aliens

78

00:05:36,310 --> 00:05:33,840

i saw one video it said just go out and

79

00:05:38,710 --> 00:05:36,320

pray to aliens and ask them to

80

00:05:40,310 --> 00:05:38,720

come down like basically like steven

81

00:05:41,590 --> 00:05:40,320

grier's made a whole career out of it

82

00:05:44,710 --> 00:05:41,600

basically right

83

00:05:47,029 --> 00:05:44,720

so i i was a forklift driver

84

00:05:48,390 --> 00:05:47,039

i worked afternoons so i'm up one two

85

00:05:52,469 --> 00:05:48,400

three in the morning

86

00:05:55,350 --> 00:05:52,479

i and i tried to contact uh aliens

87

00:05:56,070 --> 00:05:55,360

okay i'm just so i'm in a uh garage with

88

00:05:58,150 --> 00:05:56,080

my buddy so if

89

00:06:01,510 --> 00:05:58,160

you hear me whispering no it's quite all

90

00:06:04,950 --> 00:06:01,520

right you know i understand i'm busy

91

00:06:05,990 --> 00:06:04,960

yeah 15 minutes in of praying to the

92

00:06:07,749 --> 00:06:06,000

universe

93

00:06:09,830 --> 00:06:07,759

i see a light skip across the sky for

94

00:06:12,150 --> 00:06:09,840

two seconds i was so excited

95

00:06:14,550 --> 00:06:12,160

i continued trying to interact with him

96

00:06:16,870 --> 00:06:14,560

in them for every day

97

00:06:18,550 --> 00:06:16,880

uh for a couple weeks and basically long

98

00:06:19,590 --> 00:06:18,560

story short i invited aliens into my

99

00:06:21,110 --> 00:06:19,600

house to party

100

00:06:23,029 --> 00:06:21,120

ask them to make me a smiley face in the

101
00:06:25,110 --> 00:06:23,039
sky and

102
00:06:26,550 --> 00:06:25,120
a couple weeks of interacting with the

103
00:06:30,390 --> 00:06:26,560
stars and the moon which are

104
00:06:33,430 --> 00:06:30,400
most likely ufos or sentient individuals

105
00:06:35,590 --> 00:06:33,440
i was filming a star 4 30 in the morning

106
00:06:37,430 --> 00:06:35,600
and it locked onto my cell phone

107
00:06:40,950 --> 00:06:37,440
basically let me show you

108
00:06:42,629 --> 00:06:40,960
okay this is so from then on i've been

109
00:06:44,309 --> 00:06:42,639
like the i'm like dr doolittle with

110
00:06:47,430 --> 00:06:44,319
invisible ufo energy

111
00:06:49,350 --> 00:06:47,440
this is this is the canvas i made i made

112
00:06:52,629 --> 00:06:49,360
this little picture

113
00:06:55,909 --> 00:06:52,639

um it's uh marker and

114

00:06:57,909 --> 00:06:55,919

paint oh

115

00:06:59,990 --> 00:06:57,919

no i put it for you put it on the way to

116

00:07:01,350 --> 00:07:00,000

see now but just just to be clear

117

00:07:02,710 --> 00:07:01,360

because some people aren't familiar with

118

00:07:04,629 --> 00:07:02,720

the other parts of your story

119

00:07:06,790 --> 00:07:04,639

so you're saying that aliens made that

120

00:07:10,070 --> 00:07:06,800

artwork and you don't know i mean it

121

00:07:10,790 --> 00:07:10,080

but we'll watch as invisible crop

122

00:07:12,150 --> 00:07:10,800

circles

123

00:07:14,150 --> 00:07:12,160

basically what we all know is crop

124

00:07:15,430 --> 00:07:14,160

circles is like their form of guerrilla

125

00:07:17,350 --> 00:07:15,440

marketing

126
00:07:18,710 --> 00:07:17,360
but why we don't there's only a couple

127
00:07:21,589 --> 00:07:18,720
videos that you see like

128
00:07:23,430 --> 00:07:21,599
uh ufos making the crop circles for me

129
00:07:25,909 --> 00:07:23,440
it's either microscopic

130
00:07:27,110 --> 00:07:25,919
or a little insect size or mainly it's

131
00:07:30,230 --> 00:07:27,120
it's invisible

132
00:07:30,870 --> 00:07:30,240
so this is i made this i put it but it

133
00:07:33,589 --> 00:07:30,880
will watch

134
00:07:33,909 --> 00:07:33,599
watch for 30 seconds and it's and you'll

135
00:07:36,790 --> 00:07:33,919
see

136
00:07:38,309 --> 00:07:36,800
invisible ufo energy it's all around us

137
00:07:39,430 --> 00:07:38,319
i'm probably not the only one that this

138
00:07:42,469 --> 00:07:39,440

is happening to

139

00:07:44,469 --> 00:07:42,479

but possibly yeah it is so just let's

140

00:07:46,390 --> 00:07:44,479

just watch it for 30 seconds

141

00:07:48,469 --> 00:07:46,400

and it'll be hard you know it's

142

00:07:50,469 --> 00:07:48,479

continuously moving

143

00:07:51,830 --> 00:07:50,479

and i've spent the past three years

144

00:07:54,710 --> 00:07:51,840

doing this

145

00:07:56,710 --> 00:07:54,720

basically well here let me uh uh let me

146

00:07:58,469 --> 00:07:56,720

solo you then and everybody can

147

00:07:59,909 --> 00:07:58,479

look at your you so we're supposed to

148

00:08:00,309 --> 00:07:59,919

look at this for 30 seconds and we're

149

00:08:08,710 --> 00:08:00,319

all

150

00:08:10,869 --> 00:08:08,720

that's the thing like most people are

151
00:08:13,350 --> 00:08:10,879
oblivious they look at it for one second

152
00:08:14,710 --> 00:08:13,360
and they turn their heads and give me a

153
00:08:17,510 --> 00:08:14,720
logical explanation

154
00:08:18,150 --> 00:08:17,520
oh well you know if you start anything

155
00:08:19,909 --> 00:08:18,160
for

156
00:08:21,909 --> 00:08:19,919
if you stare intently at anything

157
00:08:22,469 --> 00:08:21,919
sometimes you'll get spots in front of

158
00:08:25,510 --> 00:08:22,479
your eyes

159
00:08:28,070 --> 00:08:25,520
couldn't this be explained as that

160
00:08:29,670 --> 00:08:28,080
this uh possibly but just to play the

161
00:08:32,230 --> 00:08:29,680
devil's advocate and one more

162
00:08:33,909 --> 00:08:32,240
question and this is important in all

163
00:08:35,589 --> 00:08:33,919

your contacts with aliens

164

00:08:37,589 --> 00:08:35,599

and again i don't mean this in a

165

00:08:39,990 --> 00:08:37,599

derogatory way but when you have

166

00:08:41,509 --> 00:08:40,000

all these contacts with aliens is there

167

00:08:44,870 --> 00:08:41,519

drugs involved at all

168

00:08:47,350 --> 00:08:44,880

or of course of course buddy oh okay

169

00:08:49,350 --> 00:08:47,360

so this could explain some of this

170

00:08:49,750 --> 00:08:49,360

aliens party i got picture this is my

171

00:08:51,430 --> 00:08:49,760

book

172

00:08:55,269 --> 00:08:51,440

i've got pictures they make pictures and

173

00:09:03,110 --> 00:08:59,350

i'm just by myself sprinkling substances

174

00:09:05,269 --> 00:09:03,120

and but the way this is all uh

175

00:09:06,310 --> 00:09:05,279

happened that there's no question in my

176

00:09:09,269 --> 00:09:06,320

mind i've got

177

00:09:11,030 --> 00:09:09,279

the amount of evidence i have is besides

178

00:09:12,710 --> 00:09:11,040

invisible ufo energy making

179

00:09:14,230 --> 00:09:12,720

okay but let's let's move on with the

180

00:09:15,750 --> 00:09:14,240

story so first you just start having

181

00:09:18,790 --> 00:09:15,760

these little contacts

182

00:09:19,910 --> 00:09:18,800

or seeing things how do we get how do we

183

00:09:21,269 --> 00:09:19,920

get from there to

184

00:09:23,030 --> 00:09:21,279

you're going to be the personal

185

00:09:27,190 --> 00:09:23,040

photographer for aliens

186

00:09:29,110 --> 00:09:27,200

i got a little confused on that jump

187

00:09:31,269 --> 00:09:29,120

so i see a light skipper across the sky

188

00:09:33,590 --> 00:09:31,279

for two seconds i was so excited i

189

00:09:36,389 --> 00:09:33,600

continued interacting them

190

00:09:36,949 --> 00:09:36,399

interacting with the stars basically you

191

00:09:39,670 --> 00:09:36,959

just

192

00:09:41,670 --> 00:09:39,680

a move left moved right in your mind and

193

00:09:45,030 --> 00:09:41,680

slowly move a little bit

194

00:09:46,630 --> 00:09:45,040

and continuously persistence um

195

00:09:48,230 --> 00:09:46,640

for a couple weeks of doing this every

196

00:09:51,190 --> 00:09:48,240

night after work

197

00:09:51,990 --> 00:09:51,200

and then 4 30 in the morning i'm filming

198

00:09:54,870 --> 00:09:52,000

a star

199

00:09:56,230 --> 00:09:54,880

and uh for literally from space it

200

00:09:58,630 --> 00:09:56,240

locked onto my cell phone

201
00:09:59,350 --> 00:09:58,640
and a half a blue circle in the with the

202
00:10:01,509 --> 00:09:59,360
lenses

203
00:10:03,030 --> 00:10:01,519
it they created a half moon half a blue

204
00:10:04,870 --> 00:10:03,040
circle and moving the

205
00:10:07,110 --> 00:10:04,880
the cell phone around i have that video

206
00:10:10,630 --> 00:10:07,120
still it's on an old cell phone i will

207
00:10:13,829 --> 00:10:10,640
try and regurgitate it revive it and uh

208
00:10:15,269 --> 00:10:13,839
put that up but from space a star locked

209
00:10:16,949 --> 00:10:15,279
into my cell phone and i'm moving it

210
00:10:19,670 --> 00:10:16,959
around and the light

211
00:10:21,430 --> 00:10:19,680
was was continuously moving and then i

212
00:10:22,710 --> 00:10:21,440
was so like what's going on have i lost

213
00:10:25,030 --> 00:10:22,720

my mind

214

00:10:26,550 --> 00:10:25,040

and then uh just be the effects of the

215

00:10:27,590 --> 00:10:26,560

drugs that you were on during this

216

00:10:29,350 --> 00:10:27,600

experiment well

217

00:10:32,630 --> 00:10:29,360

you can see the vena i sent you a

218

00:10:35,670 --> 00:10:32,640

picture there's a video

219

00:10:35,990 --> 00:10:35,680

that was before i even did any drugs i

220

00:10:39,350 --> 00:10:36,000

was

221

00:10:40,710 --> 00:10:39,360

venezuela so you have had some

222

00:10:42,870 --> 00:10:40,720

experiences like this

223

00:10:44,389 --> 00:10:42,880

without the drugs no i didn't even know

224

00:10:47,670 --> 00:10:44,399

that they were there that's the thing

225

00:10:49,110 --> 00:10:47,680

but um yeah i've smoked weed for since i

226

00:10:52,310 --> 00:10:49,120

was 15 so i'm not gonna

227

00:10:53,590 --> 00:10:52,320

lie to you but uh so then well i'm just

228

00:10:55,430 --> 00:10:53,600

playing the devil's advocate because a

229

00:10:57,910 --> 00:10:55,440

lot of times when people say they see

230

00:10:59,030 --> 00:10:57,920

things this is like could this be a dmt

231

00:11:02,150 --> 00:10:59,040

trip could this be

232

00:11:05,670 --> 00:11:02,160

lsd and you're you know uh

233

00:11:08,470 --> 00:11:05,680

seeing seeing your you're hallucinating

234

00:11:08,949 --> 00:11:08,480

these these events and these things the

235

00:11:12,550 --> 00:11:08,959

um

236

00:11:15,430 --> 00:11:12,560

the the ogre rock that i i sent you

237

00:11:17,110 --> 00:11:15,440

when i was i took a hit of acid maybe uh

238

00:11:19,269 --> 00:11:17,120

maybe a year ago

239

00:11:20,550 --> 00:11:19,279

i looked into the mirror and i kid you i

240

00:11:23,750 --> 00:11:20,560

looked like that

241

00:11:26,790 --> 00:11:23,760

the picture on the rock so

242

00:11:28,630 --> 00:11:26,800

which came first the halluci drugs okay

243

00:11:31,190 --> 00:11:28,640

that's that's the thing actually

244

00:11:32,870 --> 00:11:31,200

when i was in venezuela i i bought a

245

00:11:34,630 --> 00:11:32,880

joint off a hit i was 19

246

00:11:36,389 --> 00:11:34,640

after one year of university i was sick

247

00:11:37,990 --> 00:11:36,399

and tired of it i wanted to get into

248

00:11:40,630 --> 00:11:38,000

advertising i would try to

249

00:11:41,509 --> 00:11:40,640

choice between uh being a lawyer

250

00:11:45,509 --> 00:11:41,519

advertising

251

00:11:47,750 --> 00:11:45,519

first year i didn't like the course and

252

00:11:50,230 --> 00:11:47,760

i went to traveling to venezuela

253

00:11:51,590 --> 00:11:50,240

just 19 years old without speaking

254

00:11:53,670 --> 00:11:51,600

spanish or knowing

255

00:11:55,430 --> 00:11:53,680

the murder rate in venezuela but i just

256

00:11:58,710 --> 00:11:55,440

38 days traveling around

257

00:12:02,470 --> 00:11:58,720

paradise there regardless of what

258

00:12:03,269 --> 00:12:02,480

trump says um hey i agree with you all

259

00:12:04,790 --> 00:12:03,279

the all the

260

00:12:06,790 --> 00:12:04,800

all the south american countries are

261

00:12:08,470 --> 00:12:06,800

beautiful in their own way regardless of

262

00:12:10,629 --> 00:12:08,480

this

263

00:12:12,230 --> 00:12:10,639

there's no beautiful places beautiful

264

00:12:14,470 --> 00:12:12,240

places exactly

265

00:12:16,230 --> 00:12:14,480

so i was in uh the capital of the amazon

266

00:12:18,550 --> 00:12:16,240

jungle called puerto ricuccio

267

00:12:21,110 --> 00:12:18,560

and i bought a joint off some hippies

268

00:12:23,990 --> 00:12:21,120

and i'm like it went down

269

00:12:25,990 --> 00:12:24,000

went to with some kids to uh like a day

270

00:12:28,470 --> 00:12:26,000

trip to a natural waterfall

271

00:12:30,230 --> 00:12:28,480

and i was smoking it and you're in the

272

00:12:32,150 --> 00:12:30,240

just at the start of the

273

00:12:33,670 --> 00:12:32,160

amazon jungle and everything started

274

00:12:36,389 --> 00:12:33,680

moving like vibrating

275

00:12:37,590 --> 00:12:36,399

and i used that feeling to get to make

276

00:12:40,870 --> 00:12:37,600

contact with aliens

277

00:12:42,790 --> 00:12:40,880

that's so okay but then

278

00:12:44,870 --> 00:12:42,800

you know you you're saying now though

279

00:12:47,670 --> 00:12:44,880

that you're like their photographer

280

00:12:49,269 --> 00:12:47,680

or you know yeah so listen i have a very

281

00:12:50,069 --> 00:12:49,279

obvious question that's got to be on

282

00:12:52,470 --> 00:12:50,079

everybody's minds

283

00:12:54,870 --> 00:12:52,480

if you're the personal photographer to a

284

00:12:57,190 --> 00:12:54,880

group of extraterrestrial aliens

285

00:12:59,670 --> 00:12:57,200

why don't you have like a clear picture

286

00:13:01,430 --> 00:12:59,680

of the aliens themselves

287

00:13:02,870 --> 00:13:01,440

because we can show some of the stuff

288

00:13:03,590 --> 00:13:02,880

we'll we'll show some of the stuff that

289

00:13:07,750 --> 00:13:03,600

you do have

290

00:13:10,470 --> 00:13:07,760

but yeah well the one picture

291

00:13:12,310 --> 00:13:10,480

because there are other dimensions or

292

00:13:15,670 --> 00:13:12,320

interdimensional aliens

293

00:13:18,230 --> 00:13:15,680

most likely yes but that's why

294

00:13:19,670 --> 00:13:18,240

they we can't really see them just using

295

00:13:19,990 --> 00:13:19,680

your third eye and how do you take a

296

00:13:21,509 --> 00:13:20,000

picture

297

00:13:23,269 --> 00:13:21,519

with using your third eye it's like

298

00:13:25,910 --> 00:13:23,279

impossible right so we've

299

00:13:26,790 --> 00:13:25,920

advised the way that documenting their

300

00:13:29,030 --> 00:13:26,800

art

301
00:13:30,310 --> 00:13:29,040
that it's like um the game system and

302
00:13:31,110 --> 00:13:30,320
that's that's something i want to get

303
00:13:33,350 --> 00:13:31,120
into so

304
00:13:34,310 --> 00:13:33,360
these extraterrestrials are artists and

305
00:13:37,030 --> 00:13:34,320
they make art

306
00:13:38,629 --> 00:13:37,040
and then you have documented the art of

307
00:13:40,230 --> 00:13:38,639
the extraterrestrials that you

308
00:13:42,629 --> 00:13:40,240
show you let me show you a quick thing

309
00:13:45,189 --> 00:13:42,639
are you talking please be quiet

310
00:13:46,550 --> 00:13:45,199
let me show you a quick thing there's

311
00:13:48,949 --> 00:13:46,560
two two shots of a nice

312
00:13:49,829 --> 00:13:48,959
guy in my backyard nothing i adjust the

313
00:13:52,949 --> 00:13:49,839

settings

314

00:13:55,750 --> 00:13:52,959

and then this big thing

315

00:13:56,389 --> 00:13:55,760

nothing and this so what was your

316

00:14:04,230 --> 00:13:56,399

question

317

00:14:06,230 --> 00:14:04,240

i was saying so

318

00:14:07,350 --> 00:14:06,240

so these extraterrestrials are making

319

00:14:09,269 --> 00:14:07,360

art and you're

320

00:14:12,629 --> 00:14:09,279

you've got a whole book full of the

321

00:14:15,750 --> 00:14:12,639

extraterrestrials artwork

322

00:14:15,990 --> 00:14:15,760

correct and you're giving half the money

323

00:14:18,230 --> 00:14:16,000

to

324

00:14:19,990 --> 00:14:18,240

like charity for that yeah basically

325

00:14:21,990 --> 00:14:20,000

it's just very altruistic

326

00:14:24,230 --> 00:14:22,000

but i'm still really not really i have

327

00:14:26,069 --> 00:14:24,240

to aliens understand the concept of

328

00:14:28,949 --> 00:14:26,079

monopoly and they play for keeps

329

00:14:29,430 --> 00:14:28,959

they found someone who had a financially

330

00:14:33,030 --> 00:14:29,440

i

331

00:14:36,870 --> 00:14:33,040

of a

332

00:14:39,990 --> 00:14:36,880

major uh pharmacy

333

00:14:44,550 --> 00:14:40,000

i can't sorry my buddy is

334

00:14:46,870 --> 00:14:44,560

coaching me on camera is his

335

00:14:48,470 --> 00:14:46,880

this is his work he's an artist this is

336

00:14:50,389 --> 00:14:48,480

his brand 777

337

00:14:51,750 --> 00:14:50,399

please tell me your uncle yeah i'm

338

00:14:55,030 --> 00:14:51,760

trying to daniel

339

00:15:02,470 --> 00:14:55,040

please okay relax daniel

340

00:15:06,150 --> 00:15:04,629

we try to get back to the topic though

341

00:15:09,110 --> 00:15:06,160

is like so

342

00:15:10,230 --> 00:15:09,120

so the aliens make art and then you take

343

00:15:12,470 --> 00:15:10,240

pictures of it

344

00:15:14,470 --> 00:15:12,480

it's like crops what we know is crop

345

00:15:15,990 --> 00:15:14,480

circles is kindergarten level compared

346

00:15:18,310 --> 00:15:16,000

to what they make

347

00:15:20,150 --> 00:15:18,320

it's like but it's very hard to see

348

00:15:22,670 --> 00:15:20,160

there is one video

349

00:15:23,910 --> 00:15:22,680

uh on my youtube channel richard mcgill

350

00:15:27,430 --> 00:15:23,920

m-a-g-i-l-l

351
00:15:29,509 --> 00:15:27,440
that has um basically

352
00:15:32,389 --> 00:15:29,519
what stephen greer has said has a whole

353
00:15:35,829 --> 00:15:32,399
mile wide ufo can shrink down into a

354
00:15:37,829 --> 00:15:35,839
basketball size ufo so i have a video in

355
00:15:40,389 --> 00:15:37,839
which an instax size ufo

356
00:15:40,949 --> 00:15:40,399
floats onto the screen when i when i

357
00:15:43,350 --> 00:15:40,959
basically

358
00:15:45,990 --> 00:15:43,360
started me stepping in into my dirty

359
00:15:49,350 --> 00:15:46,000
shower my tennis was a pigsty

360
00:15:51,350 --> 00:15:49,360
and i noticed uh rudimentary alien faces

361
00:15:53,269 --> 00:15:51,360
on the scum of the bathroom of the

362
00:15:55,749 --> 00:15:53,279
bathtub and i'm like what's going on

363
00:15:57,030 --> 00:15:55,759

and you see it moving moving moving a

364

00:16:00,470 --> 00:15:57,040

mist

365

00:16:03,189 --> 00:16:00,480

and then uh from that moment on i

366

00:16:04,150 --> 00:16:03,199

i quit my forklift job and made the

367

00:16:06,629 --> 00:16:04,160

pictures

368

00:16:08,790 --> 00:16:06,639

but the but it's it's invisible

369

00:16:11,189 --> 00:16:08,800

invisible ufos but

370

00:16:12,230 --> 00:16:11,199

this one video a little insect size ufo

371

00:16:14,550 --> 00:16:12,240

wobbles onto this

372

00:16:15,670 --> 00:16:14,560

or floats onto the screen wobbles back

373

00:16:18,790 --> 00:16:15,680

and forth

374

00:16:20,949 --> 00:16:18,800

and then makes a slow motion uh

375

00:16:23,030 --> 00:16:20,959

backwards and listen i don't want to

376

00:16:25,990 --> 00:16:23,040

interrupt you but i've seen this video

377

00:16:27,430 --> 00:16:26,000

and listen again playing the devil's

378

00:16:29,430 --> 00:16:27,440

advocate here yeah

379

00:16:31,110 --> 00:16:29,440

i'm not being we're not judging you i

380

00:16:32,629 --> 00:16:31,120

hope we could talk like friends and just

381

00:16:35,590 --> 00:16:32,639

disagree

382

00:16:36,230 --> 00:16:35,600

but when i saw that video and yeah it

383

00:16:38,790 --> 00:16:36,240

could be

384

00:16:40,470 --> 00:16:38,800

an extraterrestrial insect-sized alien

385

00:16:43,670 --> 00:16:40,480

flopped around there

386

00:16:46,949 --> 00:16:43,680

or it could be a ordinary earth

387

00:16:48,550 --> 00:16:46,959

fly or mosquito but then at the

388

00:16:50,790 --> 00:16:48,560

five minutes later it goes to the other

389

00:16:55,030 --> 00:16:50,800

end of the edge of the paper

390

00:16:56,790 --> 00:16:55,040

and it it pops out of our dimension

391

00:16:59,350 --> 00:16:56,800

i thought people flies around the

392

00:17:02,310 --> 00:16:59,360

surface you know

393

00:17:03,990 --> 00:17:02,320

you don't see it again what's that i

394

00:17:06,470 --> 00:17:04,000

just got the impression that it just

395

00:17:07,669 --> 00:17:06,480

flew up around the thing or you know

396

00:17:08,949 --> 00:17:07,679

like it looked like a bug

397

00:17:10,870 --> 00:17:08,959

to me that's all i'm saying does it look

398

00:17:12,230 --> 00:17:10,880

like a book well i know that the video

399

00:17:13,829 --> 00:17:12,240

is not the greatest quality it was a

400

00:17:15,750 --> 00:17:13,839

shitty uh tablet yeah and

401
00:17:17,590 --> 00:17:15,760
we'll share some of this artwork stuff

402
00:17:19,270 --> 00:17:17,600
that you've got on your uh

403
00:17:21,110 --> 00:17:19,280
on your twitter you've got a bunch of

404
00:17:23,669 --> 00:17:21,120
different stuff and then

405
00:17:25,110 --> 00:17:23,679
uh but when you go back sorry going back

406
00:17:26,390 --> 00:17:25,120
to your question about why don't you

407
00:17:29,110 --> 00:17:26,400
don't have a picture

408
00:17:30,150 --> 00:17:29,120
of them they actually took a picture on

409
00:17:32,710 --> 00:17:30,160
my cell phone

410
00:17:33,830 --> 00:17:32,720
which i consider the first alien ufo

411
00:17:37,029 --> 00:17:33,840
selfie

412
00:17:38,549 --> 00:17:37,039
so that's that's the one time

413
00:17:40,549 --> 00:17:38,559

they actually i'm i say i'm a

414

00:17:43,190 --> 00:17:40,559

photographer but they took that picture

415

00:17:43,990 --> 00:17:43,200

so the story that goes with that is i'm

416

00:17:46,070 --> 00:17:44,000

by myself

417

00:17:49,029 --> 00:17:46,080

taking pictures i sprinkle substance

418

00:17:52,150 --> 00:17:49,039

down and invisible ufo whip it up

419

00:17:54,470 --> 00:17:52,160

ufos whip it up into art but

420

00:17:56,230 --> 00:17:54,480

um yeah you want to tell me about this

421

00:17:57,430 --> 00:17:56,240

because this is another one that i kind

422

00:18:00,870 --> 00:17:57,440

of went well

423

00:18:03,029 --> 00:18:00,880

it looks like graphene or sand on white

424

00:18:05,190 --> 00:18:03,039

graphite yeah graphite or sand a lot of

425

00:18:06,549 --> 00:18:05,200

paper yeah you know i am somewhat

426

00:18:10,470 --> 00:18:06,559

cultured and familiar with

427

00:18:13,190 --> 00:18:10,480

art projects and to me i remember

428

00:18:15,350 --> 00:18:13,200

an art teacher of mine making us do this

429

00:18:15,750 --> 00:18:15,360

sort of project where it's like sand or

430

00:18:17,750 --> 00:18:15,760

grass

431

00:18:19,270 --> 00:18:17,760

like something down that's all i do is

432

00:18:20,390 --> 00:18:19,280

sprinkle it down i don't do anything i

433

00:18:22,390 --> 00:18:20,400

don't make anything with that

434

00:18:23,909 --> 00:18:22,400

well you're saying that the aliens made

435

00:18:25,830 --> 00:18:23,919

this they

436

00:18:27,350 --> 00:18:25,840

modify it after you throw this stuff

437

00:18:27,990 --> 00:18:27,360

down they start working on it right

438

00:18:30,150 --> 00:18:28,000

right

439

00:18:32,870 --> 00:18:30,160

you have to keep moving this it's like

440

00:18:33,430 --> 00:18:32,880

how crop circles are visible from far

441

00:18:35,430 --> 00:18:33,440

away

442

00:18:36,789 --> 00:18:35,440

so the scaling they do is so

443

00:18:39,350 --> 00:18:36,799

preposterous

444

00:18:41,350 --> 00:18:39,360

you have to keep moving uh the screen or

445

00:18:43,190 --> 00:18:41,360

you yourself back from it

446

00:18:44,789 --> 00:18:43,200

and then it'll come into focus but

447

00:18:45,990 --> 00:18:44,799

usually it's so far away

448

00:18:48,150 --> 00:18:46,000

you can't really see what the heck's

449

00:18:48,549 --> 00:18:48,160

going on you have to take i'm trying to

450

00:18:50,789 --> 00:18:48,559

find

451
00:18:52,470 --> 00:18:50,799
you know like i don't know it's like

452
00:18:54,470 --> 00:18:52,480
it's like i'm just trying to see

453
00:18:57,669 --> 00:18:54,480
like do i see anything in there other

454
00:19:00,710 --> 00:18:57,679
than like blotches of graphite and

455
00:19:03,190 --> 00:19:00,720
i don't maybe i'm not very involved

456
00:19:03,750 --> 00:19:03,200
yeah yeah no but you have to keep moving

457
00:19:06,230 --> 00:19:03,760
back and

458
00:19:07,669 --> 00:19:06,240
it gets a certain point where it comes

459
00:19:09,669 --> 00:19:07,679
into focus

460
00:19:10,870 --> 00:19:09,679
but yeah i know trust me i've taken

461
00:19:12,950 --> 00:19:10,880
twenty thousand pictures

462
00:19:13,990 --> 00:19:12,960
and stuff some of this has got to be a

463
00:19:16,789 --> 00:19:14,000

lot like that

464

00:19:18,150 --> 00:19:16,799

uh oh geez there's a word for it where

465

00:19:20,390 --> 00:19:18,160

you know like you see

466

00:19:22,870 --> 00:19:20,400

a lion in a cloud because your mind

467

00:19:25,909 --> 00:19:22,880

starts making patterns out of chaos

468

00:19:27,990 --> 00:19:25,919

we're designed to do that so exactly

469

00:19:29,510 --> 00:19:28,000

for perhaps yes but then that's where i

470

00:19:31,029 --> 00:19:29,520

could make something like this that

471

00:19:32,150 --> 00:19:31,039

people could see all kinds of different

472

00:19:33,909 --> 00:19:32,160

stuff in

473

00:19:35,590 --> 00:19:33,919

you know that's why i showed you the

474

00:19:37,270 --> 00:19:35,600

picture the ufo

475

00:19:39,350 --> 00:19:37,280

picture case this is the skipping one

476

00:19:41,669 --> 00:19:39,360

this is the the the black

477

00:19:43,350 --> 00:19:41,679

black and then the seven object ufo this

478

00:19:44,870 --> 00:19:43,360

is yeah we can we can look at what is

479

00:19:47,750 --> 00:19:44,880

what is this looks like a

480

00:19:49,350 --> 00:19:47,760

rock a painted rock to me no not painted

481

00:19:49,830 --> 00:19:49,360

that's the ogre rock i was telling you

482

00:19:51,430 --> 00:19:49,840

about

483

00:19:53,830 --> 00:19:51,440

that it looks like uh when i did the

484

00:19:55,990 --> 00:19:53,840

hidden acid i looked in the mirror and i

485

00:19:57,909 --> 00:19:56,000

was like i look like that kind of like

486

00:20:00,549 --> 00:19:57,919

an ogre or a shrek

487

00:20:02,149 --> 00:20:00,559

a little bit okay but if you i thought i

488

00:20:02,470 --> 00:20:02,159

thought though that the aliens gave you

489

00:20:06,230 --> 00:20:02,480

this

490

00:20:08,630 --> 00:20:06,240

rock i just found it somewhere i think

491

00:20:09,270 --> 00:20:08,640

give me it like uh it's like every day

492

00:20:11,590 --> 00:20:09,280

is uh

493

00:20:12,470 --> 00:20:11,600

a treasure hunt when you go when i walk

494

00:20:15,350 --> 00:20:12,480

my dog

495

00:20:16,549 --> 00:20:15,360

i would find certain uh things so i

496

00:20:17,669 --> 00:20:16,559

probably picked up a couple hundred

497

00:20:20,310 --> 00:20:17,679

rocks over a two

498

00:20:21,990 --> 00:20:20,320

three year period and i found that rock

499

00:20:23,750 --> 00:20:22,000

but if you flip it around in

500

00:20:25,029 --> 00:20:23,760

four different ways there's lots of

501
00:20:28,390 --> 00:20:25,039
different pictures

502
00:20:32,870 --> 00:20:29,990
yeah i can sort of see like it looks

503
00:20:34,549 --> 00:20:32,880
like a female alien face

504
00:20:36,950 --> 00:20:34,559
sorry was that kind of it looks like a

505
00:20:40,870 --> 00:20:36,960
female alien face right here

506
00:20:43,350 --> 00:20:40,880
i guess i don't know no no there's like

507
00:20:45,270 --> 00:20:43,360
like those two white thing like the the

508
00:20:48,390 --> 00:20:45,280
fence latisse things

509
00:20:50,870 --> 00:20:48,400
kind of looks like uh

510
00:20:52,549 --> 00:20:50,880
aliens but if you flip it around there's

511
00:20:55,350 --> 00:20:52,559
lots of other aliens

512
00:20:56,470 --> 00:20:55,360
you want to tell us about this art piece

513
00:21:01,430 --> 00:20:56,480

that is just uh

514

00:21:06,710 --> 00:21:04,710

okay so i apologize i

515

00:21:08,549 --> 00:21:06,720

i thought i thought that this all this

516

00:21:09,110 --> 00:21:08,559

art was from the aliens though so you're

517

00:21:11,750 --> 00:21:09,120

not

518

00:21:13,510 --> 00:21:11,760

also making some of this stuff that was

519

00:21:15,510 --> 00:21:13,520

more me

520

00:21:17,750 --> 00:21:15,520

see those that rock that rock right

521

00:21:20,149 --> 00:21:17,760

there that's my birthday rock

522

00:21:22,070 --> 00:21:20,159

so it's for you to say oh that's just

523

00:21:24,470 --> 00:21:22,080

your imagination

524

00:21:26,310 --> 00:21:24,480

this rock you cannot i've asked the

525

00:21:28,710 --> 00:21:26,320

person that bought my town house

526

00:21:30,310 --> 00:21:28,720

did um flooring and i showed him the

527

00:21:33,029 --> 00:21:30,320

rockies like that's very

528

00:21:33,350 --> 00:21:33,039

difficult if not impossible to do i

529

00:21:35,110 --> 00:21:33,360

would

530

00:21:36,950 --> 00:21:35,120

you know that whole the whole monolith

531

00:21:38,789 --> 00:21:36,960

thing uh popping up

532

00:21:41,110 --> 00:21:38,799

right i'm a little lost what what's

533

00:21:43,909 --> 00:21:41,120

difficult to do drill a hole in a rock

534

00:21:44,950 --> 00:21:43,919

correctly like that specifically and i

535

00:21:47,190 --> 00:21:44,960

just felt i just

536

00:21:48,789 --> 00:21:47,200

i was i got a bench drill in my garage i

537

00:21:52,149 --> 00:21:48,799

could do that

538

00:21:54,789 --> 00:21:52,159

really all right okay but i

539

00:21:55,270 --> 00:21:54,799

i didn't i don't have a bench y'all okay

540

00:21:58,230 --> 00:21:55,280

so when

541

00:21:59,430 --> 00:21:58,240

so aliens gave this to you though i

542

00:22:02,470 --> 00:21:59,440

cannot i cannot say

543

00:22:04,390 --> 00:22:02,480

definitively these things are 100

544

00:22:05,669 --> 00:22:04,400

aliens i just have lots of i cannot tell

545

00:22:07,830 --> 00:22:05,679

you where they come from

546

00:22:09,350 --> 00:22:07,840

or anything like that it's just i found

547

00:22:12,630 --> 00:22:09,360

that on my birthday

548

00:22:15,430 --> 00:22:12,640

perhaps aliens drilled the rock where

549

00:22:17,110 --> 00:22:15,440

everyone made a huge hubbub over the um

550

00:22:18,149 --> 00:22:17,120

the panelists appearing all over the

551
00:22:20,230 --> 00:22:18,159
world

552
00:22:21,430 --> 00:22:20,240
now this one i gotta get to because this

553
00:22:24,390 --> 00:22:21,440
is supposed to be

554
00:22:24,870 --> 00:22:24,400
an alien shrimp that aliens gave you

555
00:22:27,590 --> 00:22:24,880
well

556
00:22:28,230 --> 00:22:27,600
or fish or brain parasite i don't i

557
00:22:30,710 --> 00:22:28,240
haven't

558
00:22:32,789 --> 00:22:30,720
had any marine biologists uh answer my

559
00:22:34,549 --> 00:22:32,799
that is bizarre

560
00:22:36,710 --> 00:22:34,559
yeah so the story with that is i was

561
00:22:38,630 --> 00:22:36,720
just one day just

562
00:22:40,950 --> 00:22:38,640
out of the blue asking hey let me try

563
00:22:43,029 --> 00:22:40,960

some of your food and i found it outside

564

00:22:45,270 --> 00:22:43,039

my bedroom door soon afterwards after

565

00:22:46,070 --> 00:22:45,280

just like thinking aloud i don't really

566

00:22:49,029 --> 00:22:46,080

spend this

567

00:22:50,710 --> 00:22:49,039

year or you just kept it no of course i

568

00:22:53,830 --> 00:22:50,720

have it for science it's still

569

00:22:56,710 --> 00:22:53,840

i still have it they gave you one

570

00:22:57,430 --> 00:22:56,720

i don't know like stingy aliens to me

571

00:23:00,549 --> 00:22:57,440

you can't

572

00:23:02,230 --> 00:23:00,559

just eat one shrimp that's like eating

573

00:23:05,590 --> 00:23:02,240

one potato chip bro

574

00:23:06,310 --> 00:23:05,600

i don't like these aliens already with a

575

00:23:09,510 --> 00:23:06,320

basket

576

00:23:11,669 --> 00:23:09,520

of alien shrimp you know

577

00:23:12,710 --> 00:23:11,679

maybe some alien french fries to go with

578

00:23:16,070 --> 00:23:12,720

the alien shrimp

579

00:23:17,669 --> 00:23:16,080

so listen if this is some kind of alien

580

00:23:19,669 --> 00:23:17,679

species of something aren't you

581

00:23:21,750 --> 00:23:19,679

concerned that could turn into like

582

00:23:23,029 --> 00:23:21,760

you know the movie species and kill you

583

00:23:25,590 --> 00:23:23,039

or something or like

584

00:23:27,110 --> 00:23:25,600

metamorph or something see that's the

585

00:23:28,549 --> 00:23:27,120

thing that's why they that's probably

586

00:23:31,029 --> 00:23:28,559

why they picked me i haven't seen

587

00:23:34,549 --> 00:23:31,039

species i haven't seen

588

00:23:36,789 --> 00:23:34,559

uh a a movie alien i've seen like little

589

00:23:38,470 --> 00:23:36,799

bits and pieces of it but no it's super

590

00:23:38,710 --> 00:23:38,480

tight you're not concerned with having

591

00:23:40,710 --> 00:23:38,720

an

592

00:23:42,310 --> 00:23:40,720

alien life form just chilling in your

593

00:23:45,110 --> 00:23:42,320

apartment or your house

594

00:23:45,909 --> 00:23:45,120

you just think no i can't go wrong here

595

00:23:49,350 --> 00:23:45,919

right

596

00:23:52,070 --> 00:23:49,360

this is the start of every bad alien

597

00:23:52,470 --> 00:23:52,080

movie bro yeah i guess you're right well

598

00:23:55,830 --> 00:23:52,480

that's

599

00:23:59,110 --> 00:23:55,840

record straight

600

00:24:01,669 --> 00:23:59,120

that aliens are not nefarious have you

601
00:24:02,230 --> 00:24:01,679
taken this thing to any like biologists

602
00:24:04,630 --> 00:24:02,240
or any

603
00:24:06,870 --> 00:24:04,640
men of science that would know what it

604
00:24:07,750 --> 00:24:06,880
is nobody has answered if anybody is

605
00:24:11,750 --> 00:24:07,760
listening to this

606
00:24:13,350 --> 00:24:11,760
and you have a marine biology or uh dna

607
00:24:15,669 --> 00:24:13,360
this is another one of those things like

608
00:24:17,510 --> 00:24:15,679
yeah this could be an alien fish or an

609
00:24:19,510 --> 00:24:17,520
alien shrimp that aliens gave you

610
00:24:21,430 --> 00:24:19,520
or it could be a piece of shrimp that

611
00:24:23,190 --> 00:24:21,440
somebody took some green

612
00:24:25,669 --> 00:24:23,200
food coloring or paint too well i

613
00:24:27,430 --> 00:24:25,679

promise you know i i thought i've

614

00:24:29,269 --> 00:24:27,440

found another one where did you get the

615

00:24:31,430 --> 00:24:29,279

brain parasite from

616

00:24:33,269 --> 00:24:31,440

it's on your brain no because there's

617

00:24:35,110 --> 00:24:33,279

only one there's only one eye to it so i

618

00:24:36,630 --> 00:24:35,120

thought maybe it like attaches to you or

619

00:24:39,110 --> 00:24:36,640

something

620

00:24:40,789 --> 00:24:39,120

only one eye right little you can if you

621

00:24:41,669 --> 00:24:40,799

zoom in you can see a little translucent

622

00:24:44,870 --> 00:24:41,679

eye

623

00:24:46,950 --> 00:24:44,880

and it does have a shell of like kind of

624

00:24:49,110 --> 00:24:46,960

like a shrimp like thing but it's

625

00:24:50,149 --> 00:24:49,120

it's small and green it fits inside of a

626

00:24:53,110 --> 00:24:50,159

memory card case

627

00:24:55,350 --> 00:24:53,120

like really really tiny it's super tiny

628

00:24:58,390 --> 00:24:55,360

and only one-eyed

629

00:25:00,789 --> 00:24:58,400

but uh i did think i saw i i was

630

00:25:01,909 --> 00:25:00,799

like you said i was so pissed i felt so

631

00:25:05,750 --> 00:25:01,919

good

632

00:25:07,990 --> 00:25:05,760

audience do you have a family and what

633

00:25:12,830 --> 00:25:08,000

does your family think of your alien

634

00:25:17,510 --> 00:25:14,070

extraterrestrials

635

00:25:20,870 --> 00:25:17,520

uh my sister

636

00:25:24,470 --> 00:25:20,880

moved to st lucia my mom passed away my

637

00:25:27,669 --> 00:25:24,480

my stepdad so it's just me

638

00:25:28,789 --> 00:25:27,679

and uh my my cousins and aunts and

639

00:25:30,390 --> 00:25:28,799

uncles

640

00:25:32,470 --> 00:25:30,400

there was mental illness that runs in my

641

00:25:34,630 --> 00:25:32,480

family so when i told

642

00:25:37,110 --> 00:25:34,640

after a month of interacting with them

643

00:25:40,230 --> 00:25:37,120

and i told my family

644

00:25:42,950 --> 00:25:40,240

as i'm interacting with aliens they

645

00:25:43,909 --> 00:25:42,960

obviously thought i was crazy but my

646

00:25:45,909 --> 00:25:43,919

cousin

647

00:25:47,110 --> 00:25:45,919

her daughter and her grandmother on

648

00:25:50,390 --> 00:25:47,120

their side they're all

649

00:25:52,710 --> 00:25:50,400

psychic so they say being psychic that's

650

00:25:54,070 --> 00:25:52,720

okay that's fine no problem but me

651
00:25:57,430 --> 00:25:54,080
interacting with aliens

652
00:25:59,350 --> 00:25:57,440
oh my goodness so it's like a case of of

653
00:26:01,830 --> 00:25:59,360
elitism i guess or you're they're

654
00:26:04,870 --> 00:26:01,840
allowed to be psychic but i can't have

655
00:26:08,149 --> 00:26:04,880
alien business partners yeah

656
00:26:10,549 --> 00:26:08,159
and uh do these

657
00:26:12,310 --> 00:26:10,559
aliens talk to you or they're just

658
00:26:16,310 --> 00:26:12,320
leaving rocks and

659
00:26:18,870 --> 00:26:16,320
alien fish for you and things uh

660
00:26:19,430 --> 00:26:18,880
kind it's it's it's that's that's the

661
00:26:21,110 --> 00:26:19,440
hardest

662
00:26:22,630 --> 00:26:21,120
thing i can't like because of the mental

663
00:26:25,269 --> 00:26:22,640

illness in my family

664

00:26:27,350 --> 00:26:25,279

i guess they were really careful not to

665

00:26:29,029 --> 00:26:27,360

to talk to me too much

666

00:26:30,630 --> 00:26:29,039

it's not like i have voices in my head

667

00:26:33,669 --> 00:26:30,640

or anything nothing like that

668

00:26:37,110 --> 00:26:33,679

but the one time they

669

00:26:40,710 --> 00:26:37,120

put a word in my head um i saw i was

670

00:26:42,710 --> 00:26:40,720

i was um i was about to go on an errand

671

00:26:43,830 --> 00:26:42,720

and i'm just mumbling to myself talking

672

00:26:46,789 --> 00:26:43,840

whatever and i

673

00:26:47,590 --> 00:26:46,799

i blurred out the word horse horseshit

674

00:26:49,750 --> 00:26:47,600

horseshits

675

00:26:50,630 --> 00:26:49,760

and i repeat i corrected myself horse

676

00:26:52,149 --> 00:26:50,640

[h__\h]

677

00:26:54,070 --> 00:26:52,159

don't think anything of it maybe that's

678

00:26:55,750 --> 00:26:54,080

just my own

679

00:26:58,310 --> 00:26:55,760

didn't really think of anything of it

680

00:27:01,669 --> 00:26:58,320

but then about 15 20 minutes later i'm

681

00:27:03,510 --> 00:27:01,679

driving stopped at a red light and the

682

00:27:07,029 --> 00:27:03,520

license plate in front of me says heffa

683

00:27:09,350 --> 00:27:07,039

lump h-e-f-a-l-u

684

00:27:10,070 --> 00:27:09,360

so that means like stuff like they do

685

00:27:11,669 --> 00:27:10,080

like something

686

00:27:13,430 --> 00:27:11,679

put a word in your head put a word in

687

00:27:15,350 --> 00:27:13,440

your head just

688

00:27:16,710 --> 00:27:15,360

i don't know predict the future or

689

00:27:19,269 --> 00:27:16,720

something like that another

690

00:27:20,070 --> 00:27:19,279

one of the ways i try to like want to

691

00:27:22,230 --> 00:27:20,080

have a conversation

692

00:27:23,669 --> 00:27:22,240

with them but you can't really everyone

693

00:27:25,669 --> 00:27:23,679

talks to themself

694

00:27:27,830 --> 00:27:25,679

you know but maybe somebody's listening

695

00:27:29,510 --> 00:27:27,840

you never know your space family

696

00:27:31,990 --> 00:27:29,520

i don't i don't have all the answers i

697

00:27:33,669 --> 00:27:32,000

just have like that

698

00:27:35,029 --> 00:27:33,679

i i do want to say something to you

699

00:27:36,070 --> 00:27:35,039

richard and i don't want this to come

700

00:27:38,070 --> 00:27:36,080

off the wrong way

701
00:27:39,510 --> 00:27:38,080
because i think you really believe all

702
00:27:41,669 --> 00:27:39,520
of this and yeah

703
00:27:43,110 --> 00:27:41,679
for all i know you're absolutely right i

704
00:27:44,549 --> 00:27:43,120
don't know but

705
00:27:47,110 --> 00:27:44,559
i grew up with a mother that was

706
00:27:50,389 --> 00:27:47,120
schizophrenic or really

707
00:27:52,870 --> 00:27:50,399
yeah and that was very difficult and uh

708
00:27:54,789 --> 00:27:52,880
the one thing that i will ask that i i

709
00:27:58,310 --> 00:27:54,799
hope that you really do this

710
00:28:01,190 --> 00:27:58,320
is that you go to a qualified

711
00:28:03,430 --> 00:28:01,200
mental health person just to rule out if

712
00:28:06,149 --> 00:28:03,440
for no other reason just like

713
00:28:07,190 --> 00:28:06,159

it'd go a long time ago and you could

714

00:28:09,029 --> 00:28:07,200

you could fool you could

715

00:28:11,510 --> 00:28:09,039

fool your way through that it's not like

716

00:28:12,710 --> 00:28:11,520

also if you i don't have any negative

717

00:28:18,870 --> 00:28:12,720

family

718

00:28:21,669 --> 00:28:18,880

predisposition to mental illness

719

00:28:23,750 --> 00:28:21,679

it's a really bad idea to take

720

00:28:26,950 --> 00:28:23,760

hallucinogenic drugs

721

00:28:28,630 --> 00:28:26,960

oh yeah well too late he's been taking a

722

00:28:30,950 --> 00:28:28,640

lot of pollution

723

00:28:31,669 --> 00:28:30,960

right no not that much no honestly not

724

00:28:36,789 --> 00:28:31,679

that much

725

00:28:40,149 --> 00:28:36,799

times a month do you take a hallucinogen

726

00:28:43,110 --> 00:28:40,159

zero i think like once a year

727

00:28:43,990 --> 00:28:43,120

maybe like three times a year okay this

728

00:28:45,669 --> 00:28:44,000

is still dangerous

729

00:28:47,350 --> 00:28:45,679

if you have a predisposition mental

730

00:28:48,950 --> 00:28:47,360

illness that's what causes

731

00:28:50,470 --> 00:28:48,960

schizoid breakdowns in some

732

00:28:53,029 --> 00:28:50,480

schizophrenics

733

00:28:54,630 --> 00:28:53,039

well is the is the induction you know

734

00:28:56,710 --> 00:28:54,640

the introduction of

735

00:28:57,990 --> 00:28:56,720

you know because already schizophrenics

736

00:29:00,950 --> 00:28:58,000

are already have

737

00:29:01,750 --> 00:29:00,960

like a frayed sense of reality in some

738

00:29:03,510 --> 00:29:01,760

ways

739

00:29:05,350 --> 00:29:03,520

so when you take this hallucinogenic

740

00:29:08,870 --> 00:29:05,360

drug on top of that

741

00:29:12,710 --> 00:29:08,880

it really will tend to uh

742

00:29:14,149 --> 00:29:12,720

cause issues problems illusions

743

00:29:16,070 --> 00:29:14,159

and i'm not saying that's what's going

744

00:29:17,510 --> 00:29:16,080

on here i'm just saying that you gotta

745

00:29:19,110 --> 00:29:17,520

be sure to take care of your mental

746

00:29:19,990 --> 00:29:19,120

health with all this because this is

747

00:29:22,070 --> 00:29:20,000

kind of crazy

748

00:29:25,029 --> 00:29:22,080

right richard this is a little crazy for

749

00:29:27,750 --> 00:29:25,039

anybody the safest person to handle

750

00:29:28,149 --> 00:29:27,760

so maybe but no but babe i saw i saw

751
00:29:31,350 --> 00:29:28,159
what

752
00:29:32,950 --> 00:29:31,360
the drugs did to my mom they they they

753
00:29:35,029 --> 00:29:32,960
she was like a maraca with all the drugs

754
00:29:36,389 --> 00:29:35,039
she would take so maybe they they picked

755
00:29:38,630 --> 00:29:36,399
me because they knew

756
00:29:40,789 --> 00:29:38,640
that i'm not gonna go along that path

757
00:29:43,269 --> 00:29:40,799
and i could handle this honestly

758
00:29:44,630 --> 00:29:43,279
the way this is all folded out i'm 100

759
00:29:46,549 --> 00:29:44,640
convinced this has happened

760
00:29:48,230 --> 00:29:46,559
that this is real and it's not that big

761
00:29:49,750 --> 00:29:48,240
of a deal people interact with aliens

762
00:29:53,110 --> 00:29:49,760
all the time

763
00:29:54,389 --> 00:29:53,120

but going back like my grand my grandma

764

00:29:56,710 --> 00:29:54,399

there were stories of my grandma

765

00:29:59,029 --> 00:29:56,720

throwing lamps at my at my grandpa

766

00:30:00,389 --> 00:29:59,039

and him walking out of the house but but

767

00:30:02,470 --> 00:30:00,399

that was stories i

768

00:30:04,470 --> 00:30:02,480

remember my grandma they were married

769

00:30:07,110 --> 00:30:04,480

for over 50 years

770

00:30:09,110 --> 00:30:07,120

that i remember her uh having uh

771

00:30:11,510 --> 00:30:09,120

happening

772

00:30:13,750 --> 00:30:11,520

married man i have fantasized about

773

00:30:17,190 --> 00:30:13,760

throwing a layup at my wife every day

774

00:30:17,590 --> 00:30:17,200

my life bro it's not a bad you know so

775

00:30:19,590 --> 00:30:17,600

once

776

00:30:21,590 --> 00:30:19,600

well maybe one time grandma snapped and

777

00:30:22,549 --> 00:30:21,600

just did it she didn't think about it

778

00:30:25,590 --> 00:30:22,559

right it's like

779

00:30:26,470 --> 00:30:25,600

thinking about that is like valium for a

780

00:30:28,630 --> 00:30:26,480

man like i

781

00:30:33,029 --> 00:30:28,640

would just like to smack this but you

782

00:30:36,789 --> 00:30:35,269

so back to the back to the aliens i'm

783

00:30:38,870 --> 00:30:36,799

gonna try to find some other stuff here

784

00:30:41,190 --> 00:30:38,880

to share from your twitter where you're

785

00:30:43,110 --> 00:30:41,200

sharing a lot of this stuff we've seen

786

00:30:46,389 --> 00:30:43,120

the rock we've seen this

787

00:30:47,909 --> 00:30:46,399

uh and this is a this is uh

788

00:30:49,909 --> 00:30:47,919

from your book so your book is just

789

00:30:50,630 --> 00:30:49,919

filled with art but is it is every

790

00:30:53,350 --> 00:30:50,640

picture

791

00:30:55,669 --> 00:30:53,360

in the book from the aliens or

792

00:30:59,669 --> 00:30:55,679

manipulated by aliens somehow or

793

00:31:02,710 --> 00:30:59,679

helps them by aliens no i'm okay

794

00:31:04,870 --> 00:31:02,720

i'll admit that every picture is staged

795

00:31:06,230 --> 00:31:04,880

i on the stage crew for aliens i

796

00:31:09,430 --> 00:31:06,240

sprinkle something down

797

00:31:10,549 --> 00:31:09,440

or i make a hodgepodge of artistic uh

798

00:31:13,590 --> 00:31:10,559

like

799

00:31:17,029 --> 00:31:13,600

rocks uh things i found outside

800

00:31:19,750 --> 00:31:17,039

and then that's just potpourri and

801
00:31:21,909 --> 00:31:19,760
i wait and i'm a little confused though

802
00:31:23,909 --> 00:31:21,919
how is the tray of dried flowers

803
00:31:24,789 --> 00:31:23,919
transformed into a virtual reality

804
00:31:26,870 --> 00:31:24,799
wonderland

805
00:31:28,789 --> 00:31:26,880
i asked i asked for a smiley face in the

806
00:31:31,269 --> 00:31:28,799
sky so it's

807
00:31:32,710 --> 00:31:31,279
you have to look for smiley faces but

808
00:31:35,830 --> 00:31:32,720
you have to keep moving

809
00:31:37,669 --> 00:31:35,840
moving uh the image back

810
00:31:39,110 --> 00:31:37,679
and there's a third point where it turns

811
00:31:40,310 --> 00:31:39,120
into a picture

812
00:31:42,950 --> 00:31:40,320
yeah maybe you have to use your

813
00:31:46,870 --> 00:31:42,960

imagination maybe you i don't know

814

00:31:50,070 --> 00:31:48,549

don't you think that everybody is going

815

00:31:51,750 --> 00:31:50,080

to find some kind of patterns in the

816

00:31:53,830 --> 00:31:51,760

chaos that you're

817

00:31:55,509 --> 00:31:53,840

you know it's like i said we our minds

818

00:31:58,830 --> 00:31:55,519

are designed to find

819

00:32:00,950 --> 00:31:58,840

patterns in chaos that's why we look

820

00:32:04,789 --> 00:32:00,960

clouds that looks like a

821

00:32:09,430 --> 00:32:04,799

uh lion or that looks like a

822

00:32:11,669 --> 00:32:09,440

airplane i don't know yeah

823

00:32:13,509 --> 00:32:11,679

i agree with you but that that's just

824

00:32:15,269 --> 00:32:13,519

the way it is like

825

00:32:17,509 --> 00:32:15,279

the world is a lot more complicated than

826

00:32:20,149 --> 00:32:17,519

we think it is

827

00:32:21,669 --> 00:32:20,159

honestly yeah and i guess i had some

828

00:32:23,830 --> 00:32:21,679

misunderstanding because i didn't know

829

00:32:25,509 --> 00:32:23,840

that you yourself was an artist before

830

00:32:28,470 --> 00:32:25,519

this i thought that you had said that

831

00:32:29,350 --> 00:32:28,480

you can't wear this i was not an artist

832

00:32:32,389 --> 00:32:29,360

at all

833

00:32:34,870 --> 00:32:32,399

but after interacting with them for oh

834

00:32:37,830 --> 00:32:34,880

it's going to go on to four years now

835

00:32:39,350 --> 00:32:37,840

um i started making music if you go to

836

00:32:41,190 --> 00:32:39,360

my youtube channel richard mcgill

837

00:32:43,750 --> 00:32:41,200

there's lots of different music i would

838

00:32:45,430 --> 00:32:43,760

think there i'm a conduit for aliens

839

00:32:47,110 --> 00:32:45,440

because i just i'm like a one-man led

840

00:32:49,509 --> 00:32:47,120

zeppelin band maybe you

841

00:32:51,269 --> 00:32:49,519

won't don't like it would i make all

842

00:32:54,310 --> 00:32:51,279

right that's you're fine

843

00:32:54,950 --> 00:32:54,320

but yeah i didn't make any paintings

844

00:32:57,830 --> 00:32:54,960

before

845

00:32:59,430 --> 00:32:57,840

i started interacting with aliens but

846

00:33:01,269 --> 00:32:59,440

the paintings so you think that the

847

00:33:03,430 --> 00:33:01,279

interaction with the aliens was the

848

00:33:05,110 --> 00:33:03,440

trigger for some kind of artistic talent

849

00:33:06,549 --> 00:33:05,120

that you never had before

850

00:33:08,389 --> 00:33:06,559

that the title of my book what do you

851
00:33:09,990 --> 00:33:08,399
mean aliens aren't real i don't know how

852
00:33:14,470 --> 00:33:10,000
to make virtual reality art i'm just

853
00:33:19,190 --> 00:33:16,789
richard there have been documented cases

854
00:33:21,990 --> 00:33:19,200
of people having abduction experiences

855
00:33:23,750 --> 00:33:22,000
and then suddenly gaining savant-like

856
00:33:24,710 --> 00:33:23,760
abilities i've read this in several

857
00:33:26,789 --> 00:33:24,720
different

858
00:33:28,630 --> 00:33:26,799
books i can't recall off the top of my

859
00:33:31,509 --> 00:33:28,640
head but i'm sure that i have heard

860
00:33:32,630 --> 00:33:31,519
well i don't think after an abduction i

861
00:33:34,710 --> 00:33:32,640
read of one

862
00:33:35,990 --> 00:33:34,720
girl who after an abduction came back

863
00:33:38,310 --> 00:33:36,000

from the abduction

864

00:33:40,470 --> 00:33:38,320

she always wanted to play piano and

865

00:33:42,389 --> 00:33:40,480

somehow she told the aliens that

866

00:33:44,149 --> 00:33:42,399

she never learned piano she couldn't

867

00:33:45,909 --> 00:33:44,159

play the piano to save her life she gets

868

00:33:47,990 --> 00:33:45,919

back from the experience and she's like

869

00:33:51,350 --> 00:33:48,000

a concert level

870

00:33:53,110 --> 00:33:51,360

gifted pianist really

871

00:33:55,190 --> 00:33:53,120

yeah so maybe there is a larger

872

00:33:56,870 --> 00:33:55,200

phenomenon where people

873

00:33:58,230 --> 00:33:56,880

when they have interactions with these

874

00:34:01,430 --> 00:33:58,240

beings can somehow

875

00:34:05,029 --> 00:34:01,440

gain new i don't know

876

00:34:07,029 --> 00:34:05,039

skills exactly probably because if you

877

00:34:09,909 --> 00:34:07,039

if you offered me a million dollars and

878

00:34:12,389 --> 00:34:09,919

said reproduce that music like that song

879

00:34:13,270 --> 00:34:12,399

no for note i would not be able to do it

880

00:34:15,109 --> 00:34:13,280

at all

881

00:34:16,550 --> 00:34:15,119

that's when i first the music on my

882

00:34:20,230 --> 00:34:16,560

youtube channel that

883

00:34:21,430 --> 00:34:20,240

um i didn't even i just started learning

884

00:34:24,629 --> 00:34:21,440

a few chords

885

00:34:25,270 --> 00:34:24,639

just just jamming away so hopefully you

886

00:34:27,829 --> 00:34:25,280

enjoy that

887

00:34:29,669 --> 00:34:27,839

hopefully i'm most likely if it's good

888

00:34:32,829 --> 00:34:29,679

it's aliens tell me if it's not good

889

00:34:36,790 --> 00:34:35,990

but well yeah and that's what i have to

890

00:34:39,190 --> 00:34:36,800

ask you about

891

00:34:40,710 --> 00:34:39,200

because i i don't understand you you

892

00:34:42,869 --> 00:34:40,720

tweet this i need everyone's help my

893

00:34:44,550 --> 00:34:42,879

business partners are extraterrestrials

894

00:34:46,550 --> 00:34:44,560

they won't finish making our company

895

00:34:47,750 --> 00:34:46,560

logo until i get on the joe rogan

896

00:34:50,869 --> 00:34:47,760

podcast

897

00:34:53,990 --> 00:34:50,879

yes check out invisible ufos making art

898

00:34:57,109 --> 00:34:54,000

on the back of this cross stitch picture

899

00:35:00,950 --> 00:34:57,119

see that's that's uh it's it's evolved

900

00:35:02,630 --> 00:35:00,960

from um uh

901
00:35:04,230 --> 00:35:02,640
me just sprinkling a substance whether

902
00:35:07,109 --> 00:35:04,240
it be flour or

903
00:35:07,750 --> 00:35:07,119
charcoal ground powdered charcoal to

904
00:35:11,190 --> 00:35:07,760
that

905
00:35:14,710 --> 00:35:11,200
picture about 10-15 years ago

906
00:35:16,630 --> 00:35:14,720
i uh was walking my dog and uh

907
00:35:17,589 --> 00:35:16,640
i you want to put that picture on the

908
00:35:19,190 --> 00:35:17,599
screen so everyone knows what we're

909
00:35:21,910 --> 00:35:19,200
talking about that might help

910
00:35:23,109 --> 00:35:21,920
no i'm sorry there's the crackers right

911
00:35:25,589 --> 00:35:23,119
the cats

912
00:35:27,750 --> 00:35:25,599
the tiger yeah yeah yeah correct so i'm

913
00:35:29,990 --> 00:35:27,760

walking my dog and i found it

914

00:35:30,950 --> 00:35:30,000

that uh a cross stitch picture someone

915

00:35:34,069 --> 00:35:30,960

spent

916

00:35:38,390 --> 00:35:34,079

10 15 hours i don't know how many hours

917

00:35:41,829 --> 00:35:38,400

making a picture of big cats

918

00:35:44,470 --> 00:35:41,839

and uh it was complete 100 complete

919

00:35:46,069 --> 00:35:44,480

so i don't know after experimenting with

920

00:35:49,670 --> 00:35:46,079

hundreds of different substances

921

00:35:50,310 --> 00:35:49,680

not drug substances uh substances of

922

00:35:52,150 --> 00:35:50,320

arts

923

00:35:53,990 --> 00:35:52,160

for some reason i thought hey let me

924

00:35:57,589 --> 00:35:54,000

watch this picture

925

00:36:00,550 --> 00:35:57,599

and lo and behold they somehow

926
00:36:00,870 --> 00:36:00,560
fastidiously how they make when you

927
00:36:04,230 --> 00:36:00,880
think

928
00:36:04,470 --> 00:36:04,240
the crop circles they they uh intertwine

929
00:36:08,470 --> 00:36:04,480
it

930
00:36:12,150 --> 00:36:08,480
the the the the the the crop

931
00:36:15,589 --> 00:36:12,160
so i think the alien was it bro by me

932
00:36:18,870 --> 00:36:15,599
no my buddy

933
00:36:20,790 --> 00:36:18,880
okay aliens aren't here live a live

934
00:36:23,750 --> 00:36:20,800
abduction

935
00:36:27,109 --> 00:36:23,760
no so i apologize yeah that'd be good

936
00:36:28,630 --> 00:36:27,119
for ratings though part two

937
00:36:30,390 --> 00:36:28,640
hopefully people are seeing that it's

938
00:36:33,750 --> 00:36:30,400

continuously moving it's

939

00:36:35,589 --> 00:36:33,760

if you honestly i can see it

940

00:36:36,790 --> 00:36:35,599

it takes a while and if we don't pay

941

00:36:38,829 --> 00:36:36,800

atten aliens like

942

00:36:40,470 --> 00:36:38,839

like an audience if you don't pay

943

00:36:44,390 --> 00:36:40,480

attention

944

00:36:47,510 --> 00:36:44,400

daniel please come on sorry

945

00:36:50,870 --> 00:36:47,520

i'm in his garage because i stole my

946

00:36:54,390 --> 00:36:50,880

laptop i've invested

947

00:36:56,390 --> 00:36:54,400

so i'm using i'm using his laptop

948

00:36:58,069 --> 00:36:56,400

it's okay bro i've done it i've had it

949

00:37:00,870 --> 00:36:58,079

yet

950

00:37:03,430 --> 00:37:00,880

no not really okay so getting i can't

951
00:37:07,030 --> 00:37:03,440
find the picture

952
00:37:11,109 --> 00:37:07,040
the um all i did is flip the

953
00:37:14,550 --> 00:37:11,119
the the picture

954
00:37:17,910 --> 00:37:14,560
watch pic aliens hours and hours

955
00:37:19,589 --> 00:37:17,920
moving moving it and if you look at the

956
00:37:21,670 --> 00:37:19,599
the actual cat's picture all there's

957
00:37:23,829 --> 00:37:21,680
black in the face so you still it's just

958
00:37:24,310 --> 00:37:23,839
my imagination oh it's just no it's just

959
00:37:26,230 --> 00:37:24,320
light

960
00:37:27,670 --> 00:37:26,240
reflected often this is the thing where

961
00:37:30,069 --> 00:37:27,680
it's they actually

962
00:37:31,349 --> 00:37:30,079
move the strings i probably i don't i

963
00:37:33,589 --> 00:37:31,359

didn't have picture of it completed

964

00:37:36,310 --> 00:37:33,599

unfortunately i had to

965

00:37:38,470 --> 00:37:36,320

do that so but if you put up the picture

966

00:37:39,510 --> 00:37:38,480

of the taxi so you're saying that aliens

967

00:37:42,470 --> 00:37:39,520

made the cats

968

00:37:42,950 --> 00:37:42,480

by what manipulating the material on top

969

00:37:46,390 --> 00:37:42,960

of this

970

00:37:47,510 --> 00:37:46,400

black sheet or so no i said they didn't

971

00:37:49,270 --> 00:37:47,520

make i don't know if they made

972

00:37:52,230 --> 00:37:49,280

the actual picture but they made a

973

00:37:53,510 --> 00:37:52,240

picture on the opposite side

974

00:37:55,510 --> 00:37:53,520

i didn't realize that i stopped the

975

00:37:55,750 --> 00:37:55,520

share screen so let me get back to that

976

00:38:00,230 --> 00:37:55,760

i

977

00:38:02,790 --> 00:38:00,240

the screen yeah so

978

00:38:04,069 --> 00:38:02,800

there you go that that was complete if

979

00:38:06,790 --> 00:38:04,079

you zoom into the

980

00:38:09,349 --> 00:38:06,800

zoom into it and you can see if you can

981

00:38:12,310 --> 00:38:09,359

i don't know if you can

982

00:38:13,109 --> 00:38:12,320

no someone take a screenshot of it and

983

00:38:15,270 --> 00:38:13,119

zoom in later

984

00:38:18,390 --> 00:38:15,280

or go to my twitter account you'll see

985

00:38:20,870 --> 00:38:18,400

it richard mcgill number two

986

00:38:22,230 --> 00:38:20,880

um sure so all the black all black and

987

00:38:25,109 --> 00:38:22,240

the fate all the black

988

00:38:26,710 --> 00:38:25,119

space in the faces was not there it was

989

00:38:28,870 --> 00:38:26,720

a hundred percent complete

990

00:38:30,390 --> 00:38:28,880

and just somehow after experimenting

991

00:38:32,470 --> 00:38:30,400

with hundreds of different substances

992

00:38:33,430 --> 00:38:32,480

i thought hey let me flip it around and

993

00:38:36,069 --> 00:38:33,440

watch

994

00:38:37,910 --> 00:38:36,079

and most likely they're waiting for me

995

00:38:40,550 --> 00:38:37,920

to go on the joe rogan podcast

996

00:38:42,470 --> 00:38:40,560

i'll just bring the t-shirt that i i got

997

00:38:44,390 --> 00:38:42,480

it sewn onto

998

00:38:46,470 --> 00:38:44,400

put it out and hopefully it'll be a

999

00:38:47,829 --> 00:38:46,480

better demonstration than this

1000

00:38:49,510 --> 00:38:47,839

but yeah that's the t that's the

1001

00:38:51,030 --> 00:38:49,520

opposite side that

1002

00:38:52,790 --> 00:38:51,040

they started to make a picture i've

1003

00:38:53,910 --> 00:38:52,800

watched hours with hours but it's not

1004

00:38:55,349 --> 00:38:53,920

complete

1005

00:38:57,349 --> 00:38:55,359

most likely i'll go on the joe rogan

1006

00:39:00,550 --> 00:38:57,359

podcast you'll see a little

1007

00:39:02,790 --> 00:39:00,560

uh fog or mist that it's not

1008

00:39:05,030 --> 00:39:02,800

the marijuana smoke and they'll finish

1009

00:39:07,670 --> 00:39:05,040

it and then okay aliens are real

1010

00:39:08,310 --> 00:39:07,680

problem solved let's move on this this

1011

00:39:10,790 --> 00:39:08,320

that's

1012

00:39:12,550 --> 00:39:10,800

not to keep debating with aliens they're

1013

00:39:14,069 --> 00:39:12,560

real or not like it's not it's well

1014

00:39:16,550 --> 00:39:14,079

you know here's what i'll say on that

1015

00:39:18,069 --> 00:39:16,560

issue i don't have any doubt in my mind

1016

00:39:18,550 --> 00:39:18,079

that there's intelligent species

1017

00:39:21,190 --> 00:39:18,560

somewhere

1018

00:39:21,910 --> 00:39:21,200

else out there in the universe the

1019

00:39:25,270 --> 00:39:21,920

problem

1020

00:39:27,270 --> 00:39:25,280

for me is bridging that belief which is

1021

00:39:29,829 --> 00:39:27,280

a very rational belief

1022

00:39:30,390 --> 00:39:29,839

just considering the space issue why

1023

00:39:33,190 --> 00:39:30,400

would

1024

00:39:34,790 --> 00:39:33,200

there be just us in this huge vast

1025

00:39:37,510 --> 00:39:34,800

expanse of space that's

1026
00:39:39,109 --> 00:39:37,520
endless or seemingly endless there's got

1027
00:39:40,310 --> 00:39:39,119
to be another involved species

1028
00:39:43,589 --> 00:39:40,320
especially when we see how

1029
00:39:45,510 --> 00:39:43,599
life fights to survive in the craziest

1030
00:39:47,670 --> 00:39:45,520
conditions hundreds of feet under ice

1031
00:39:49,670 --> 00:39:47,680
glaciers whatever

1032
00:39:50,870 --> 00:39:49,680
life finds a way so i believe there's

1033
00:39:53,990 --> 00:39:50,880
intelligent life but

1034
00:39:57,190 --> 00:39:54,000
i'm not so sure that they're here

1035
00:40:01,030 --> 00:39:57,200
or visiting or interacting or i'd like

1036
00:40:02,710 --> 00:40:01,040
i'd like to think they are but uh

1037
00:40:05,430 --> 00:40:02,720
it seems to me that the proof of these

1038
00:40:07,349 --> 00:40:05,440

things always seems to be

1039

00:40:12,390 --> 00:40:07,359

it's hard it's hard to get there yeah

1040

00:40:17,190 --> 00:40:14,470

i spent three years trying to get all

1041

00:40:20,710 --> 00:40:17,200

the proof there's 1400 pictures

1042

00:40:24,309 --> 00:40:20,720

in this book so um

1043

00:40:26,630 --> 00:40:24,319

the again the

1044

00:40:27,349 --> 00:40:26,640

so again let me go back to this one

1045

00:40:29,750 --> 00:40:27,359

nothing and

1046

00:40:30,390 --> 00:40:29,760

i took in the night sky in my backyard i

1047

00:40:32,069 --> 00:40:30,400

took a sh

1048

00:40:34,069 --> 00:40:32,079

when i the very first when you do

1049

00:40:37,510 --> 00:40:34,079

something nice for them they reciprocate

1050

00:40:39,589 --> 00:40:37,520

so i bought um like nice aliens then

1051

00:40:41,750 --> 00:40:39,599

absolutely they didn't try to like

1052

00:40:42,390 --> 00:40:41,760

anally probe you or [h__h] you or anything

1053

00:40:43,910 --> 00:40:42,400

ever

1054

00:40:46,150 --> 00:40:43,920

i knew you're gonna ask that because

1055

00:40:47,589 --> 00:40:46,160

there's other aliens out there bro

1056

00:40:49,109 --> 00:40:47,599

and they want to [h__h] us and eat us

1057

00:40:50,870 --> 00:40:49,119

according to some people and i'm very

1058

00:40:53,990 --> 00:40:50,880

i'm certain

1059

00:40:56,390 --> 00:40:54,000

or eaten by aliens bro i saw your

1060

00:40:58,309 --> 00:40:56,400

your last video so obviously he's going

1061

00:41:01,270 --> 00:40:58,319

to ask me that

1062

00:41:03,030 --> 00:41:01,280

the i [h__h] an alien do you think yes i

1063

00:41:07,750 --> 00:41:03,040

like it

1064

00:41:10,309 --> 00:41:07,760

um i'll admit okay one time

1065

00:41:11,430 --> 00:41:10,319

one time i did ask hey let me i wouldn't

1066

00:41:13,430 --> 00:41:11,440

like a bigger dick

1067

00:41:15,990 --> 00:41:13,440

you know and as soon as i thought that

1068

00:41:19,990 --> 00:41:16,000

or said that i felt like a sharp

1069

00:41:22,230 --> 00:41:20,000

prick not like underneath my balls get

1070

00:41:23,670 --> 00:41:22,240

it out get it out

1071

00:41:25,670 --> 00:41:23,680

but uh yeah you could have you could

1072

00:41:28,550 --> 00:41:25,680

have like sex with him too but it's

1073

00:41:29,270 --> 00:41:28,560

it's not like what the i watched that

1074

00:41:30,790 --> 00:41:29,280

movie

1075

00:41:32,950 --> 00:41:30,800

are you talking about the love loving

1076

00:41:34,710 --> 00:41:32,960

saucers david higgins

1077

00:41:36,390 --> 00:41:34,720

i watched i bought that whole i bought

1078

00:41:38,150 --> 00:41:36,400

it i've read six books on this subject

1079

00:41:39,349 --> 00:41:38,160

and i've watched a couple documentaries

1080

00:41:41,670 --> 00:41:39,359

trying to figure things out so i've

1081

00:41:44,069 --> 00:41:41,680

watched him that thing and

1082

00:41:45,270 --> 00:41:44,079

clinical psych psychiatrist or

1083

00:41:47,030 --> 00:41:45,280

psychologist said

1084

00:41:49,190 --> 00:41:47,040

oh i've actually had an experience like

1085

00:41:52,630 --> 00:41:49,200

that too he's got hundreds of

1086

00:41:53,109 --> 00:41:52,640

of uh videos about aliens he's reading a

1087

00:41:55,670 --> 00:41:53,119

book

1088

00:41:56,390 --> 00:41:55,680

saying oh you know some thing this has

1089

00:41:58,069 --> 00:41:56,400

happened

1090

00:42:00,309 --> 00:41:58,079

why do you think that david oh god i

1091

00:42:01,750 --> 00:42:00,319

just read it in a book but this clinical

1092

00:42:04,309 --> 00:42:01,760

psychologist says oh

1093

00:42:06,630 --> 00:42:04,319

it's um he's he's reading all these

1094

00:42:09,589 --> 00:42:06,640

books because of that so it's actually

1095

00:42:10,230 --> 00:42:09,599

truthful but he has no proof to back it

1096

00:42:13,510 --> 00:42:10,240

up

1097

00:42:15,109 --> 00:42:13,520

i have a simple uh

1098

00:42:17,670 --> 00:42:15,119

again i want to show you this one

1099

00:42:21,589 --> 00:42:17,680

because it's so uh blatant

1100

00:42:23,589 --> 00:42:21,599

of uh so nothing i i just

1101
00:42:24,630 --> 00:42:23,599
filming and shooting in the back in my

1102
00:42:27,589 --> 00:42:24,640
backyard when i got

1103
00:42:29,030 --> 00:42:27,599
a zoom lens with my camera nothing i

1104
00:42:32,470 --> 00:42:29,040
adjust the settings

1105
00:42:33,990 --> 00:42:32,480
and then this this thing

1106
00:42:36,790 --> 00:42:34,000
like i don't know to me that could be

1107
00:42:39,109 --> 00:42:36,800
like a laser pointer or it could be

1108
00:42:40,550 --> 00:42:39,119
there's seven specific objects seven

1109
00:42:41,190 --> 00:42:40,560
distinct objects okay so it's hard to

1110
00:42:43,030 --> 00:42:41,200
see from the

1111
00:42:44,309 --> 00:42:43,040
from the book you're holding up i sent

1112
00:42:46,550 --> 00:42:44,319
you that picture too

1113
00:42:48,309 --> 00:42:46,560

okay i sent you that picture but i i

1114

00:42:51,750 --> 00:42:48,319

talked it to i've talked to

1115

00:42:53,349 --> 00:42:51,760

um an astro photographer and he says he

1116

00:42:53,829 --> 00:42:53,359

can't figure out what what that is

1117

00:42:56,790 --> 00:42:53,839

either

1118

00:42:58,069 --> 00:42:56,800

it's a uap so if they're

1119

00:43:01,030 --> 00:42:58,079

interdimensional it's hard

1120

00:43:01,910 --> 00:43:01,040

to find yeah that's that's the venezuela

1121

00:43:04,950 --> 00:43:01,920

there you go

1122

00:43:07,270 --> 00:43:04,960

right there yep nope just pass it

1123

00:43:09,109 --> 00:43:07,280

yeah that one that one's that's the

1124

00:43:11,349 --> 00:43:09,119

seven object one i just showed you

1125

00:43:13,030 --> 00:43:11,359

the original the original that the one

1126
00:43:15,670 --> 00:43:13,040
in the book to adjust

1127
00:43:17,109 --> 00:43:15,680
all right so we just need to get better

1128
00:43:17,750 --> 00:43:17,119
quality pictures there because maybe i'm

1129
00:43:20,550 --> 00:43:17,760
not seeing

1130
00:43:21,589 --> 00:43:20,560
exactly what's going on and yeah i'm

1131
00:43:23,589 --> 00:43:21,599
sorry but i have my

1132
00:43:24,870 --> 00:43:23,599
messages all on the side there and i

1133
00:43:33,910 --> 00:43:24,880
want to share so

1134
00:43:38,829 --> 00:43:36,710
with your sunglasses yeah grab my eyes

1135
00:43:39,990 --> 00:43:38,839
for a reason because i have reptilian

1136
00:43:41,589 --> 00:43:40,000
eyes

1137
00:43:43,109 --> 00:43:41,599
those contacts are too uncomfortable i'd

1138
00:43:45,990 --> 00:43:43,119

rather just wear that

1139

00:43:47,109 --> 00:43:46,000

yeah well i do i do wear contacts so

1140

00:43:50,150 --> 00:43:47,119

yeah

1141

00:43:52,550 --> 00:43:50,160

so i'm i'm still a little unclear then

1142

00:43:54,550 --> 00:43:52,560

so people are asking in a live chat how

1143

00:43:56,710 --> 00:43:54,560

do you expect to get on the joe rogan

1144

00:43:57,990 --> 00:43:56,720

show do you have like aliens intervening

1145

00:43:59,829 --> 00:43:58,000

on your behalf because that's pretty

1146

00:44:01,270 --> 00:43:59,839

hard to get booked on

1147

00:44:03,430 --> 00:44:01,280

i know tell me about to go from a

1148

00:44:06,470 --> 00:44:03,440

forklift driver to uh to joe

1149

00:44:07,990 --> 00:44:06,480

that's why i appreciate this you uh

1150

00:44:09,750 --> 00:44:08,000

having well you're starting right at the

1151

00:44:11,750 --> 00:44:09,760

[h__\h] bottom bro that's your

1152

00:44:14,950 --> 00:44:11,760

aspiration

1153

00:44:17,109 --> 00:44:14,960

[h__\h] bottom of podcast really

1154

00:44:17,990 --> 00:44:17,119

[h__\h] hell right here bro thank you i

1155

00:44:20,630 --> 00:44:18,000

have nowhere to go

1156

00:44:21,589 --> 00:44:20,640

but here's the good news there's nowhere

1157

00:44:25,430 --> 00:44:21,599

to go

1158

00:44:27,109 --> 00:44:25,440

after this but up for you

1159

00:44:28,630 --> 00:44:27,119

everything you do after this is going to

1160

00:44:30,390 --> 00:44:28,640

be a big step up or

1161

00:44:31,910 --> 00:44:30,400

people think about the stepping stone

1162

00:44:34,630 --> 00:44:31,920

stepping right on my head

1163

00:44:36,950 --> 00:44:34,640

you've got to you know ladder up get to

1164

00:44:37,589 --> 00:44:36,960

the bigger shows and then eventually joe

1165

00:44:39,670 --> 00:44:37,599

rogan

1166

00:44:40,950 --> 00:44:39,680

i'm making my bones right here buddy no

1167

00:44:42,950 --> 00:44:40,960

but

1168

00:44:45,030 --> 00:44:42,960

this is actually my fifth podcast i've

1169

00:44:48,309 --> 00:44:45,040

done you had me at bigfoot's

1170

00:44:50,870 --> 00:44:48,319

paranormal heart with cat ward podcasts

1171

00:44:52,390 --> 00:44:50,880

mystery i've even done an australian one

1172

00:44:54,230 --> 00:44:52,400

with oddball ozzy

1173

00:44:56,550 --> 00:44:54,240

so this you're my fit you're my first

1174

00:44:59,190 --> 00:44:56,560

video other four are just audio

1175

00:44:59,589 --> 00:44:59,200

so i was hoping that we could show this

1176

00:45:02,710 --> 00:44:59,599

and

1177

00:45:05,349 --> 00:45:02,720

everyone's

1178

00:45:07,430 --> 00:45:05,359

not paying attention or it takes a long

1179

00:45:09,589 --> 00:45:07,440

time maybe i gotta rewind and keep

1180

00:45:11,430 --> 00:45:09,599

watching it or something right no but

1181

00:45:12,870 --> 00:45:11,440

but at the same time there's a light so

1182

00:45:15,270 --> 00:45:12,880

me moving it's gonna seem

1183

00:45:17,430 --> 00:45:15,280

it's it's hard to see that's why the joe

1184

00:45:19,190 --> 00:45:17,440

rogan picture

1185

00:45:20,950 --> 00:45:19,200

let's take some let's take some

1186

00:45:22,630 --> 00:45:20,960

questions from the live audience right

1187

00:45:24,470 --> 00:45:22,640

if you don't mind before you become a

1188

00:45:25,510 --> 00:45:24,480

huge star that people want to ask you

1189

00:45:28,150 --> 00:45:25,520

questions directly

1190

00:45:28,950 --> 00:45:28,160

right before you become too big to

1191

00:45:31,190 --> 00:45:28,960

richer

1192

00:45:33,109 --> 00:45:31,200

which earth artist is most respected in

1193

00:45:34,309 --> 00:45:33,119

the alien federation i figured either

1194

00:45:37,190 --> 00:45:34,319

salvador dali

1195

00:45:37,750 --> 00:45:37,200

mc escher or david bowie i vote david

1196

00:45:40,470 --> 00:45:37,760

bowie

1197

00:45:41,030 --> 00:45:40,480

but i'm biased i'm glad that they

1198

00:45:44,230 --> 00:45:41,040

actually

1199

00:45:46,710 --> 00:45:44,240

asked that i described the art as a

1200

00:45:47,430 --> 00:45:46,720

mixture of uh salvador dali and walt

1201
00:45:51,670 --> 00:45:47,440
disney

1202
00:45:54,230 --> 00:45:51,680
so that's that's why uh the uh

1203
00:45:55,829 --> 00:45:54,240
if you ever if you ever seen the um i

1204
00:45:56,470 --> 00:45:55,839
was gonna read a quote from salvador

1205
00:46:00,230 --> 00:45:56,480
dali

1206
00:46:02,790 --> 00:46:00,240
but um uh that's tesla

1207
00:46:05,190 --> 00:46:02,800
um i i believe that the moment is near

1208
00:46:06,950 --> 00:46:05,200
when by a procedure of active paranoia

1209
00:46:08,630 --> 00:46:06,960
thought it will be possible to

1210
00:46:10,550 --> 00:46:08,640
systematize confusion

1211
00:46:12,710 --> 00:46:10,560
and contribute to the total dis

1212
00:46:15,510 --> 00:46:12,720
discrediting of the world of reality

1213
00:46:16,950 --> 00:46:15,520

salvador dali i do have a lot of people

1214

00:46:17,750 --> 00:46:16,960

yeah exactly i have a whole bunch of

1215

00:46:19,829 --> 00:46:17,760

quotes

1216

00:46:21,589 --> 00:46:19,839

from all over okay another question i

1217

00:46:24,710 --> 00:46:21,599

think this is a good question

1218

00:46:26,829 --> 00:46:24,720

oh i'm sorry uh the

1219

00:46:29,589 --> 00:46:26,839

the the selfie we never finished the

1220

00:46:32,790 --> 00:46:29,599

selfie i can't find in here

1221

00:46:34,309 --> 00:46:32,800

um if you if you people know there's a

1222

00:46:36,470 --> 00:46:34,319

famous picture of

1223

00:46:37,589 --> 00:46:36,480

um salvador dali it's called dolly

1224

00:46:40,230 --> 00:46:37,599

atomicus

1225

00:46:41,910 --> 00:46:40,240

it's him with like throwing cats around

1226

00:46:43,829 --> 00:46:41,920

it's a crazy picture

1227

00:46:45,430 --> 00:46:43,839

look it up if you don't know what it is

1228

00:46:48,470 --> 00:46:45,440

but the selfie i think

1229

00:46:51,510 --> 00:46:48,480

i can't find it now is kind of like an

1230

00:46:53,510 --> 00:46:51,520

homage to them i i believe i would say

1231

00:46:54,950 --> 00:46:53,520

i can't find when you need it you can't

1232

00:46:57,589 --> 00:46:54,960

find it right

1233

00:46:58,870 --> 00:46:57,599

yeah that's quite right the next

1234

00:46:59,990 --> 00:46:58,880

question was how does he get the

1235

00:47:04,069 --> 00:47:00,000

confirmation

1236

00:47:05,270 --> 00:47:04,079

his art is e.t and not just psychedelia

1237

00:47:06,870 --> 00:47:05,280

influenced

1238

00:47:08,630 --> 00:47:06,880

so how do you know this is aliens and

1239

00:47:10,790 --> 00:47:08,640

it's not just all coming from you taking

1240

00:47:12,069 --> 00:47:10,800

hallucinogenic drugs or other drugs or

1241

00:47:15,750 --> 00:47:12,079

alcohol

1242

00:47:20,069 --> 00:47:15,760

related stuff is this

1243

00:47:21,910 --> 00:47:20,079

two moons i don't know i've

1244

00:47:23,589 --> 00:47:21,920

feel free to reproduce this picture

1245

00:47:26,069 --> 00:47:23,599

because i maybe there's a

1246

00:47:28,150 --> 00:47:26,079

a logical way to do this honestly i'm

1247

00:47:31,510 --> 00:47:28,160

just experimenting with things

1248

00:47:34,069 --> 00:47:31,520

so on the bigfoot podcast the guy's like

1249

00:47:35,750 --> 00:47:34,079

uh what do you have to show us pictures

1250

00:47:36,870 --> 00:47:35,760

i'm like i got really pissed off like

1251

00:47:38,309 --> 00:47:36,880

yeah i'm the

1252

00:47:41,030 --> 00:47:38,319

photographer next dress reel i have

1253

00:47:43,750 --> 00:47:41,040

pictures so it's hard to

1254

00:47:45,109 --> 00:47:43,760

maybe sure maybe somebody asked what

1255

00:47:49,109 --> 00:47:45,119

what your first

1256

00:47:51,349 --> 00:47:49,119

alien or et contact what was your first

1257

00:47:52,309 --> 00:47:51,359

i already mentioned that yeah you did

1258

00:47:53,750 --> 00:47:52,319

she should be

1259

00:47:55,510 --> 00:47:53,760

he mentioned it in the beginning of the

1260

00:47:59,190 --> 00:47:55,520

show

1261

00:48:02,230 --> 00:48:00,710

i didn't even know that they that

1262

00:48:05,270 --> 00:48:02,240

venezuela picture

1263

00:48:07,349 --> 00:48:05,280

it it looks like um the dark knight

1264

00:48:09,109 --> 00:48:07,359

dark knight black knight uh dark knight

1265

00:48:12,470 --> 00:48:09,119

no black knight satellites

1266

00:48:15,510 --> 00:48:12,480

you familiar with that that that

1267

00:48:19,349 --> 00:48:15,520

show on it oh yeah yeah

1268

00:48:20,549 --> 00:48:19,359

satellite sure um the obazi guy was

1269

00:48:23,109 --> 00:48:20,559

saying that

1270

00:48:24,549 --> 00:48:23,119

they it it's never come down that close

1271

00:48:25,030 --> 00:48:24,559

so if you want to show the venezuela

1272

00:48:27,910 --> 00:48:25,040

picture

1273

00:48:28,870 --> 00:48:27,920

you scroll past it quickly i think it

1274

00:48:32,150 --> 00:48:28,880

kind of looks like that

1275

00:48:35,750 --> 00:48:32,160

like that but it's big and

1276

00:48:36,950 --> 00:48:35,760

down close on earth so that but i didn't

1277

00:48:38,710 --> 00:48:36,960

even know that they were so they had

1278

00:48:39,670 --> 00:48:38,720

their eye on me for at least 15 years

1279

00:48:45,750 --> 00:48:39,680

most likely

1280

00:48:49,990 --> 00:48:47,910

and yeah somebody said you didn't

1281

00:48:53,589 --> 00:48:50,000

mention a conversation with aliens or

1282

00:48:56,630 --> 00:48:53,599

why aliens are working through you

1283

00:48:59,430 --> 00:48:56,640

uh uh

1284

00:48:59,829 --> 00:48:59,440

why me that's the i do have a team yeah

1285

00:49:03,430 --> 00:48:59,839

listen

1286

00:49:05,510 --> 00:49:03,440

i'll say is that like

1287

00:49:07,109 --> 00:49:05,520

most people in this game doing what

1288

00:49:09,510 --> 00:49:07,119

you're uh doing or

1289

00:49:11,589 --> 00:49:09,520

the things going forward they they're

1290

00:49:14,309 --> 00:49:11,599

always special like they

1291

00:49:16,549 --> 00:49:14,319

other people on planet earth to be the

1292

00:49:19,589 --> 00:49:16,559

the conduit for aliens

1293

00:49:21,990 --> 00:49:19,599

yeah exactly it's them so i do

1294

00:49:22,790 --> 00:49:22,000

wonder like that too like why you and

1295

00:49:26,150 --> 00:49:22,800

not

1296

00:49:29,349 --> 00:49:27,829

well i was the winning sperm remember

1297

00:49:32,309 --> 00:49:29,359

that you know i met i'm like

1298

00:49:38,150 --> 00:49:32,319

cherry-picked i don't know

1299

00:49:42,829 --> 00:49:40,790

i could read you a top ten list of why i

1300

00:49:44,069 --> 00:49:42,839

put reasons in but they're all mainly

1301

00:49:47,270 --> 00:49:44,079

jokingly

1302

00:49:49,670 --> 00:49:47,280

why me because um maybe

1303

00:49:51,589 --> 00:49:49,680

partially my family maybe my mother when

1304

00:49:54,790 --> 00:49:51,599

she passed away she forced

1305

00:49:56,230 --> 00:49:54,800

maybe she's an alien now it's her spirit

1306

00:49:58,549 --> 00:49:56,240

you know i think it's like they're

1307

00:50:01,270 --> 00:49:58,559

mainly come down as uh light energy

1308

00:50:03,190 --> 00:50:01,280

into like aliens so it's not like skin

1309

00:50:06,390 --> 00:50:03,200

and bones

1310

00:50:09,829 --> 00:50:06,400

uh aliens so perhaps that my uncle

1311

00:50:11,829 --> 00:50:09,839

or my grandpa when he used to fly um

1312

00:50:13,829 --> 00:50:11,839

uh paratroopers over enemy lines in

1313

00:50:15,990 --> 00:50:13,839

world war ii and he was asked to fly

1314

00:50:17,270 --> 00:50:16,000

winston churchill to meet with roosevelt

1315

00:50:19,990 --> 00:50:17,280

and stalin

1316

00:50:20,790 --> 00:50:20,000

in a place called yalta but he had his

1317

00:50:22,950 --> 00:50:20,800

he had a

1318

00:50:23,829 --> 00:50:22,960

son that he never seen for two years he

1319

00:50:26,069 --> 00:50:23,839

asked his wife

1320

00:50:27,190 --> 00:50:26,079

and she said you go fly churchill don't

1321

00:50:30,470 --> 00:50:27,200

bother coming back

1322

00:50:33,589 --> 00:50:30,480

so he never did so maybe

1323

00:50:36,069 --> 00:50:33,599

my past my i'm a creative person that i

1324

00:50:38,470 --> 00:50:36,079

was able to do this

1325

00:50:40,630 --> 00:50:38,480

it's like a dream job of i want

1326
00:50:42,309 --> 00:50:40,640
advertising and being a lawyer so this

1327
00:50:44,549 --> 00:50:42,319
is like i have a dream job

1328
00:50:46,150 --> 00:50:44,559
a mixture of both of those aliens are my

1329
00:50:47,109 --> 00:50:46,160
one client and i have to prove that

1330
00:50:49,430 --> 00:50:47,119
they're real

1331
00:50:50,870 --> 00:50:49,440
which is obviously no one has

1332
00:50:52,390 --> 00:50:50,880
definitively done that

1333
00:50:54,710 --> 00:50:52,400
and i probably haven't done that either

1334
00:50:58,230 --> 00:50:54,720
but hopefully it's

1335
00:51:00,309 --> 00:50:58,240
a start well at least

1336
00:51:02,630 --> 00:51:00,319
open to other possibilities because some

1337
00:51:04,230 --> 00:51:02,640
people in this game are like no no it's

1338
00:51:07,030 --> 00:51:04,240

aliens bro

1339

00:51:08,150 --> 00:51:07,040

and uh if you just believe them or ask

1340

00:51:10,309 --> 00:51:08,160

questions they don't

1341

00:51:11,670 --> 00:51:10,319

at least you're open to get through them

1342

00:51:14,790 --> 00:51:11,680

questioning these things

1343

00:51:17,030 --> 00:51:14,800

absolutely this because it's a pretty

1344

00:51:17,510 --> 00:51:17,040

crazy story there richard just so you

1345

00:51:22,630 --> 00:51:17,520

know

1346

00:51:24,790 --> 00:51:22,640

everything i'm crazy like uh

1347

00:51:26,470 --> 00:51:24,800

you know but on the believability scale

1348

00:51:28,230 --> 00:51:26,480

i don't know you know

1349

00:51:30,710 --> 00:51:28,240

these things are weird and one of the

1350

00:51:33,030 --> 00:51:30,720

things about experiencers that i find

1351

00:51:35,829 --> 00:51:33,040

interesting is that sometimes

1352

00:51:37,349 --> 00:51:35,839

uh they can't prove that they're talking

1353

00:51:40,150 --> 00:51:37,359

to aliens but

1354

00:51:41,109 --> 00:51:40,160

i can't disprove that they're talking to

1355

00:51:44,309 --> 00:51:41,119

aliens

1356

00:51:47,190 --> 00:51:44,319

right so you reach this sort of gray

1357

00:51:49,190 --> 00:51:47,200

basket in between and you go is richard

1358

00:51:50,230 --> 00:51:49,200

the trigger man mcgill really talking to

1359

00:51:52,390 --> 00:51:50,240

aliens

1360

00:51:54,069 --> 00:51:52,400

okay so tonight i don't know tonight go

1361

00:51:57,030 --> 00:51:54,079

home and try and drill a rock

1362

00:51:57,910 --> 00:51:57,040

in the corner of a little rock first off

1363

00:52:00,069 --> 00:51:57,920

go out and pick

1364

00:52:01,510 --> 00:52:00,079

five random rocks and if one of those

1365

00:52:04,230 --> 00:52:01,520

rocks

1366

00:52:05,589 --> 00:52:04,240

has a drill hole in it then it's just a

1367

00:52:09,109 --> 00:52:05,599

coincidence it's not

1368

00:52:10,710 --> 00:52:09,119

anything or trying to take a picture

1369

00:52:12,230 --> 00:52:10,720

with two moons like that maybe there's

1370

00:52:16,470 --> 00:52:12,240

camera settings

1371

00:52:19,030 --> 00:52:16,480

the reflection or something but you know

1372

00:52:21,270 --> 00:52:19,040

if somebody asks spooky asks how do we

1373

00:52:24,790 --> 00:52:21,280

know that it's not paranormal and not

1374

00:52:26,710 --> 00:52:24,800

e t well that's a little confusing

1375

00:52:28,549 --> 00:52:26,720

question maybe it's paranormal and

1376

00:52:30,069 --> 00:52:28,559

i i think she means maybe it's

1377

00:52:32,710 --> 00:52:30,079

paranormal

1378

00:52:35,990 --> 00:52:32,720

like this could be demons instead of

1379

00:52:38,710 --> 00:52:36,000

aliens for all you know right

1380

00:52:40,549 --> 00:52:38,720

perhaps maybe it's the same thing like i

1381

00:52:43,510 --> 00:52:40,559

honestly think

1382

00:52:44,790 --> 00:52:43,520

angels when people say angels or or

1383

00:52:47,109 --> 00:52:44,800

somebody else is saying why

1384

00:52:48,790 --> 00:52:47,119

why the denomination of aliens and not

1385

00:52:50,790 --> 00:52:48,800

just say spirits

1386

00:52:52,950 --> 00:52:50,800

because because of how it all started of

1387

00:52:55,990 --> 00:52:52,960

me trying to interact with the stars

1388

00:52:56,549 --> 00:52:56,000

right they also little floaters you

1389

00:52:58,069 --> 00:52:56,559

assume

1390

00:53:00,069 --> 00:52:58,079

that because it came from the stars that

1391

00:53:02,549 --> 00:53:00,079

it's got to be aliens and not spirits

1392

00:53:03,510 --> 00:53:02,559

correct that's correct i guess that's a

1393

00:53:06,950 --> 00:53:03,520

fair assumption

1394

00:53:09,030 --> 00:53:06,960

right so

1395

00:53:11,589 --> 00:53:09,040

how how often are you in contact with

1396

00:53:14,150 --> 00:53:11,599

these aliens is this daily is this

1397

00:53:14,790 --> 00:53:14,160

you know do you get it yeah it's you can

1398

00:53:16,870 --> 00:53:14,800

think of

1399

00:53:17,910 --> 00:53:16,880

think and just talk to them all the time

1400

00:53:20,710 --> 00:53:17,920

i could just

1401
00:53:21,349 --> 00:53:20,720
make art with them anytime i want but

1402
00:53:23,430 --> 00:53:21,359
it's

1403
00:53:25,430 --> 00:53:23,440
not like oh i have to sit and put up

1404
00:53:26,870 --> 00:53:25,440
some candles and

1405
00:53:28,710 --> 00:53:26,880
pray or anything it's nothing like that

1406
00:53:31,190 --> 00:53:28,720
anymore it's just like

1407
00:53:33,190 --> 00:53:31,200
all the time basically but but if you

1408
00:53:34,710 --> 00:53:33,200
don't pay attention to them

1409
00:53:36,309 --> 00:53:34,720
they you don't they don't pay attention

1410
00:53:38,309 --> 00:53:36,319
to you really so it's like

1411
00:53:39,510 --> 00:53:38,319
my sister when she was when i started

1412
00:53:41,349 --> 00:53:39,520
interacting with them

1413
00:53:43,109 --> 00:53:41,359

and i say oh i'm doing this this and she

1414

00:53:43,829 --> 00:53:43,119

was completely oblivious to it so she

1415

00:53:46,870 --> 00:53:43,839

didn't believe it

1416

00:53:48,309 --> 00:53:46,880

and nothing happened to her okay but i'm

1417

00:53:51,030 --> 00:53:48,319

also a question from spooky

1418

00:53:51,670 --> 00:53:51,040

have you ever painted on or after a dmt

1419

00:53:54,790 --> 00:53:51,680

trip

1420

00:53:56,630 --> 00:53:54,800

never done dmt no what have you gents

1421

00:54:00,790 --> 00:53:56,640

have you done though

1422

00:54:04,790 --> 00:54:00,800

mushrooms and uh acid like lsd for

1423

00:54:07,190 --> 00:54:04,800

yeah under your tongue uh yeah yeah

1424

00:54:08,150 --> 00:54:07,200

you can take one or more than one just

1425

00:54:11,510 --> 00:54:08,160

one

1426

00:54:13,829 --> 00:54:11,520

two

1427

00:54:15,349 --> 00:54:13,839

maybe once but yeah no i'm not another

1428

00:54:18,150 --> 00:54:15,359

times one is enough for the cat

1429

00:54:18,710 --> 00:54:18,160

i remember how long of a of a trip do

1430

00:54:21,349 --> 00:54:18,720

you have

1431

00:54:22,230 --> 00:54:21,359

in your recollection for the lsd that

1432

00:54:24,549 --> 00:54:22,240

you're taking

1433

00:54:25,349 --> 00:54:24,559

four to six hours maybe four to six

1434

00:54:27,910 --> 00:54:25,359

hours yeah

1435

00:54:28,549 --> 00:54:27,920

i think it hurts shorter now and when i

1436

00:54:31,349 --> 00:54:28,559

was

1437

00:54:32,549 --> 00:54:31,359

coming up that you're in it for a day

1438

00:54:36,470 --> 00:54:32,559

dude

1439

00:54:40,390 --> 00:54:36,480

24 hours you're get ready

1440

00:54:42,150 --> 00:54:40,400

yeah i hear it's a little less now

1441

00:54:44,470 --> 00:54:42,160

perfected to formula because nobody

1442

00:54:45,109 --> 00:54:44,480

wants to do that [\h__\h] for 24 hours

1443

00:54:48,390 --> 00:54:45,119

straight

1444

00:54:50,950 --> 00:54:48,400

it's not fun after the first five hours

1445

00:54:52,150 --> 00:54:50,960

yeah now i remember when i first started

1446

00:54:54,630 --> 00:54:52,160

i took uh

1447

00:54:55,670 --> 00:54:54,640

you take a small amount of shrooms it's

1448

00:54:59,270 --> 00:54:55,680

nice but you do

1449

00:55:03,030 --> 00:54:59,280

like a couple i remember i was working

1450

00:55:05,190 --> 00:55:03,040

at a pizza place running a pizza place

1451
00:55:06,230 --> 00:55:05,200
and i took i took some put some shrooms

1452
00:55:09,270 --> 00:55:06,240
on the pizza

1453
00:55:12,230 --> 00:55:09,280
and that was not a good idea

1454
00:55:15,109 --> 00:55:12,240
people like a homeless guy comes in and

1455
00:55:16,870 --> 00:55:15,119
gives me candy and i'm like

1456
00:55:18,309 --> 00:55:16,880
and then a person's like doing ballerina

1457
00:55:19,510 --> 00:55:18,319
dancing out there i couldn't do the

1458
00:55:23,430 --> 00:55:19,520
paperwork

1459
00:55:26,470 --> 00:55:23,440
do not drive on shrooms somebody asked

1460
00:55:27,829 --> 00:55:26,480
what happened five minutes live home but

1461
00:55:30,390 --> 00:55:27,839
it was like a video game

1462
00:55:31,030 --> 00:55:30,400
i couldn't do the paperwork put them off

1463
00:55:32,710 --> 00:55:31,040

the floor

1464

00:55:34,230 --> 00:55:32,720

i came back the next day and the boss

1465

00:55:35,190 --> 00:55:34,240

the real boss comes in and she's like

1466

00:55:37,349 --> 00:55:35,200

i'm mopping the floor

1467

00:55:38,470 --> 00:55:37,359

what are you doing here it was not a

1468

00:55:40,309 --> 00:55:38,480

good good experience

1469

00:55:42,390 --> 00:55:40,319

somebody asked what i think about your

1470

00:55:45,030 --> 00:55:42,400

accent where are you from originally

1471

00:55:47,990 --> 00:55:45,040

i'm jewish i'm canadian i'm from my

1472

00:55:50,309 --> 00:55:48,000

mother's vagina

1473

00:55:52,230 --> 00:55:50,319

no i just mean originally so yeah you do

1474

00:55:54,150 --> 00:55:52,240

have a little bit of a strange accent so

1475

00:55:56,150 --> 00:55:54,160

that's probably why you're like i'm

1476

00:55:57,670 --> 00:55:56,160

canadian i got a p

1477

00:55:59,589 --> 00:55:57,680

i gotta pee really bad so that might

1478

00:56:02,870 --> 00:55:59,599

help the

1479

00:56:04,630 --> 00:56:02,880

just so you okay

1480

00:56:05,990 --> 00:56:04,640

well actually we're gonna probably wrap

1481

00:56:07,670 --> 00:56:06,000

this up here uh

1482

00:56:09,510 --> 00:56:07,680

you know i i guess i wish you're the

1483

00:56:11,990 --> 00:56:09,520

best to walk out on joe rogan and

1484

00:56:13,510 --> 00:56:12,000

uh thank you so much furthering the

1485

00:56:16,309 --> 00:56:13,520

aliens agenda

1486

00:56:18,069 --> 00:56:16,319

but i hope they're good aliens well they

1487

00:56:19,109 --> 00:56:18,079

picked me because they found someone

1488

00:56:22,069 --> 00:56:19,119

who's willing to give

1489

00:56:23,430 --> 00:56:22,079

50 of the profits to charity does steven

1490

00:56:26,710 --> 00:56:23,440

grier talks a good game

1491

00:56:29,349 --> 00:56:26,720

he's oh help humanity but for all his uh

1492

00:56:29,990 --> 00:56:29,359

field trips to joshua tree or whatever

1493

00:56:31,270 --> 00:56:30,000

he goes

1494

00:56:33,030 --> 00:56:31,280

does he give him fifty percent of the

1495

00:56:35,190 --> 00:56:33,040

profits of charity i

1496

00:56:36,470 --> 00:56:35,200

i haven't looked i don't think so i

1497

00:56:38,390 --> 00:56:36,480

don't think he gives anything

1498

00:56:39,750 --> 00:56:38,400

yeah all right you're right well that's

1499

00:56:43,670 --> 00:56:39,760

very uh

1500

00:56:45,270 --> 00:56:43,680

i've got 4 800 books available

1501
00:56:46,710 --> 00:56:45,280
they're not available on amazon they're

1502
00:56:49,750 --> 00:56:46,720
not available on

1503
00:56:53,910 --> 00:56:49,760
uh walmart's you go to my twitter page

1504
00:56:55,910 --> 00:56:53,920
50 us dollars shipping um

1505
00:56:57,589 --> 00:56:55,920
tax everything included i've only

1506
00:57:00,390 --> 00:56:57,599
shipped one to internationally

1507
00:57:01,589 --> 00:57:00,400
shout outs to at rock hawk he he

1508
00:57:04,390 --> 00:57:01,599
realized

1509
00:57:04,870 --> 00:57:04,400
that uh he wanted a copy of the book and

1510
00:57:07,589 --> 00:57:04,880
he

1511
00:57:09,030 --> 00:57:07,599
trusted me to paypal me 50 bucks and i

1512
00:57:10,630 --> 00:57:09,040
sent him a book

1513
00:57:12,870 --> 00:57:10,640

is that what the book cost is 50 bucks

1514

00:57:15,589 --> 00:57:12,880

and this is your book full of alien

1515

00:57:17,829 --> 00:57:15,599

stuff crap all about the aliens and

1516

00:57:20,309 --> 00:57:17,839

paintings and artworks of the aliens

1517

00:57:21,190 --> 00:57:20,319

i do have one page of um this is me in

1518

00:57:23,510 --> 00:57:21,200

venezuela

1519

00:57:24,630 --> 00:57:23,520

when i was 19. i do have one ancient

1520

00:57:27,430 --> 00:57:24,640

alien uh

1521

00:57:29,030 --> 00:57:27,440

on a picture from the kama sutra if you

1522

00:57:33,030 --> 00:57:29,040

look in

1523

00:57:35,670 --> 00:57:33,040

uh the the um the mirror or

1524

00:57:37,510 --> 00:57:35,680

i'm guessing uh tablet or something it's

1525

00:57:38,630 --> 00:57:37,520

a different person than she's having sex

1526

00:57:40,870 --> 00:57:38,640

with

1527

00:57:41,750 --> 00:57:40,880

okay i'm gonna put your uh your twitter

1528

00:57:45,910 --> 00:57:41,760

uh link

1529

00:57:53,190 --> 00:57:49,109

have uh do drug joe rogan podcast in

1530

00:57:56,870 --> 00:57:55,510

so you got 4 800 books left how many

1531

00:57:59,910 --> 00:57:56,880

have you sold a few hundred

1532

00:58:03,190 --> 00:57:59,920

200 i bought five thousand

1533

00:58:04,549 --> 00:58:03,200

the next next uh if you don't when once

1534

00:58:05,910 --> 00:58:04,559

these are sold out then i'm going to

1535

00:58:08,710 --> 00:58:05,920

revise it a little bit

1536

00:58:09,589 --> 00:58:08,720

and use at least 30 recycled paper you

1537

00:58:11,349 --> 00:58:09,599

know

1538

00:58:13,190 --> 00:58:11,359

the first order of business is cleaning

1539

00:58:15,030 --> 00:58:13,200

up the plastics in the ocean

1540

00:58:16,470 --> 00:58:15,040

and how do and how do i bolster my claim

1541

00:58:18,390 --> 00:58:16,480

that aliens are my

1542

00:58:20,710 --> 00:58:18,400

business partner is oh i have a little

1543

00:58:23,510 --> 00:58:20,720

alien fish most likely

1544

00:58:25,270 --> 00:58:23,520

so if anyone is a marine biologist

1545

00:58:26,950 --> 00:58:25,280

contact me please

1546

00:58:28,470 --> 00:58:26,960

yeah i'd like to see further study of

1547

00:58:30,789 --> 00:58:28,480

the alien shrimp thing

1548

00:58:34,470 --> 00:58:30,799

i do have yeah and that's something i

1549

00:58:37,750 --> 00:58:36,069

all right well listen richard i wish you

1550

00:58:39,510 --> 00:58:37,760

the best in your future endeavors this

1551
00:58:41,109 --> 00:58:39,520
has been an interesting conversation but

1552
00:58:44,150 --> 00:58:41,119
i do want to encourage you to

1553
00:58:47,750 --> 00:58:44,160
uh get us you got your help yeah

1554
00:58:49,270 --> 00:58:47,760
just to check make sure bro you know

1555
00:58:50,870 --> 00:58:49,280
i don't know i'm sensitive to these

1556
00:58:52,549 --> 00:58:50,880
things because my family

1557
00:58:54,470 --> 00:58:52,559
on the other side of my family has a

1558
00:58:56,789 --> 00:58:54,480
propensity towards schizophrenia and

1559
00:58:58,309 --> 00:58:56,799
mental illness and things like that so

1560
00:59:00,230 --> 00:58:58,319
somebody in our family starts talking

1561
00:59:03,190 --> 00:59:00,240
about aliens or whatever we

1562
00:59:04,630 --> 00:59:03,200
we try to just make sure they're seeing

1563
00:59:06,710 --> 00:59:04,640

somebody just in case

1564

00:59:07,910 --> 00:59:06,720

and yeah your whole your whole show is

1565

00:59:11,109 --> 00:59:07,920

on

1566

00:59:13,109 --> 00:59:11,119

that subject so perhaps why did that get

1567

00:59:14,870 --> 00:59:13,119

you interested in that

1568

00:59:16,549 --> 00:59:14,880

well i had my own experience when i was

1569

00:59:17,990 --> 00:59:16,559

younger yeah i saw something like a

1570

00:59:20,230 --> 00:59:18,000

flying saucer so that

1571

00:59:22,069 --> 00:59:20,240

ignited my curiosity and i started

1572

00:59:23,030 --> 00:59:22,079

reading books documentaries and things

1573

00:59:26,390 --> 00:59:23,040

like that

1574

00:59:28,069 --> 00:59:26,400

and here we are and now i want to

1575

00:59:29,750 --> 00:59:28,079

still want to know what it is that i saw

1576

00:59:34,549 --> 00:59:29,760

so

1577

00:59:36,549 --> 00:59:34,559

yeah exploring this area i suppose

1578

00:59:38,150 --> 00:59:36,559

but i hope you get i hope you do get on

1579

00:59:39,510 --> 00:59:38,160

joe rogan that would be awesome

1580

00:59:41,750 --> 00:59:39,520

that's the thing though like they talk

1581

00:59:46,230 --> 00:59:41,760

to you telepathically so any

1582

00:59:48,150 --> 00:59:46,240

it's how do we uh juggle between

1583

00:59:50,390 --> 00:59:48,160

uh telepathic communication between

1584

00:59:51,030 --> 00:59:50,400

aliens and schizophrenic you hearing

1585

00:59:53,030 --> 00:59:51,040

voices

1586

00:59:54,710 --> 00:59:53,040

if they're if they're negative telling

1587

00:59:57,750 --> 00:59:54,720

you to do bad things

1588

00:59:58,230 --> 00:59:57,760

schizophrenic if they're playing jovial

1589

01:00:01,670 --> 00:59:58,240

games

1590

01:00:05,589 --> 01:00:01,680

your head like

1591

01:00:07,190 --> 01:00:05,599

uh one of the ways i um try to try to

1592

01:00:09,829 --> 01:00:07,200

figure out whether it's communicating

1593

01:00:12,870 --> 01:00:09,839

with uh aliens or

1594

01:00:14,069 --> 01:00:12,880

uh just my imagination is to open up ask

1595

01:00:16,630 --> 01:00:14,079

them to give me a word

1596

01:00:17,349 --> 01:00:16,640

before i open a fortune cookie right so

1597

01:00:20,870 --> 01:00:17,359

one of the

1598

01:00:22,789 --> 01:00:20,880

best thing was um hiccups all right

1599

01:00:24,870 --> 01:00:22,799

and i open the take off the wrapper open

1600

01:00:26,309 --> 01:00:24,880

the fortune cookie the fortune says be

1601
01:00:29,910 --> 01:00:26,319
prepared for a sudden and

1602
01:00:31,750 --> 01:00:29,920
unexpected change of events hiccups

1603
01:00:33,190 --> 01:00:31,760
they're not evil they're not out to get

1604
01:00:34,789 --> 01:00:33,200
you okay

1605
01:00:36,789 --> 01:00:34,799
could be a coincidence again it could be

1606
01:00:38,150 --> 01:00:36,799
a coincidence but it could be i don't

1607
01:00:40,069 --> 01:00:38,160
know

1608
01:00:42,150 --> 01:00:40,079
well listen i i really did enjoy our

1609
01:00:43,670 --> 01:00:42,160
talk so i i want to uh

1610
01:00:45,030 --> 01:00:43,680
wish you the best of luck i'm going to

1611
01:00:45,589 --> 01:00:45,040
throw you out here and do a quick

1612
01:00:47,270 --> 01:00:45,599
wrap-up

1613
01:00:48,789 --> 01:00:47,280

maybe we'll do it again sometime if you

1614

01:00:51,109 --> 01:00:48,799

for sure

1615

01:00:53,030 --> 01:00:51,119

thank you stephen all right thank you

1616

01:00:54,630 --> 01:00:53,040

richard the trigger man mcgill and you

1617

01:00:56,230 --> 01:00:54,640

can find him on twitter friends i put

1618

01:00:59,030 --> 01:00:56,240

his twitter address in the

1619

01:01:01,750 --> 01:00:59,040

in the live chat uh check out his book

1620

01:01:05,750 --> 01:01:01,760

you have a good night richard

1621

01:01:08,150 --> 01:01:05,760

okay friends so look i went into this

1622

01:01:10,950 --> 01:01:08,160

like i don't know too much about this

1623

01:01:13,030 --> 01:01:10,960

and i i don't know what to think

1624

01:01:14,950 --> 01:01:13,040

i'd love to believe that he's talking to

1625

01:01:16,470 --> 01:01:14,960

aliens and the aliens are helping him

1626

01:01:20,230 --> 01:01:16,480

with his artwork or

1627

01:01:23,430 --> 01:01:20,240

creating artwork or it's interesting

1628

01:01:25,349 --> 01:01:23,440

to think that could be true uh certainly

1629

01:01:26,230 --> 01:01:25,359

a lot of other possibilities that make

1630

01:01:29,750 --> 01:01:26,240

me wonder

1631

01:01:34,230 --> 01:01:29,760

though and uh

1632

01:01:34,870 --> 01:01:34,240

yeah i i know that was something that's

1633

01:01:37,829 --> 01:01:34,880

all i'll say

1634

01:01:39,349 --> 01:01:37,839

i didn't know whether this was gonna it

1635

01:01:41,270 --> 01:01:39,359

i don't know

1636

01:01:42,870 --> 01:01:41,280

i just said book it we'll just talk to

1637

01:01:44,710 --> 01:01:42,880

him on air i'm not gonna

1638

01:01:46,630 --> 01:01:44,720

you know i didn't look too deeply into

1639

01:01:50,069 --> 01:01:46,640

his claims just sort of

1640

01:01:51,109 --> 01:01:50,079

yeah interesting guy i like artistic

1641

01:01:54,309 --> 01:01:51,119

creative people

1642

01:01:56,390 --> 01:01:54,319

too and uh yeah so

1643

01:01:58,470 --> 01:01:56,400

it is what it is friends and i guess i'm

1644

01:01:59,750 --> 01:01:58,480

gonna use that thing that all show hosts

1645

01:02:02,390 --> 01:01:59,760

use and say

1646

01:02:03,829 --> 01:02:02,400

use your discernment we heard about his

1647

01:02:05,430 --> 01:02:03,839

experiences

1648

01:02:07,349 --> 01:02:05,440

i tried to play the devil's advocate i

1649

01:02:10,230 --> 01:02:07,359

didn't want to hammer him too much

1650

01:02:11,589 --> 01:02:10,240

uh that these things could be aliens or

1651
01:02:15,510 --> 01:02:11,599
these things could be

1652
01:02:18,710 --> 01:02:15,520
something a little more mundane or

1653
01:02:19,510 --> 01:02:18,720
not so extraordinary right i guess it's

1654
01:02:23,349 --> 01:02:19,520
all about your

1655
01:02:26,309 --> 01:02:23,359
perceptions um

1656
01:02:28,710 --> 01:02:26,319
and how you interpret things as well

1657
01:02:33,349 --> 01:02:28,720
like i said uh

1658
01:02:37,430 --> 01:02:36,470
step back and stare at it at a picture

1659
01:02:41,750 --> 01:02:37,440
for

1660
01:02:43,750 --> 01:02:41,760
30 seconds you your eyes might begin to

1661
01:02:45,430 --> 01:02:43,760
see things in that picture or the

1662
01:02:48,630 --> 01:02:45,440
picture may begin to move

1663
01:02:50,230 --> 01:02:48,640

right you know that sensation of staring

1664

01:02:53,430 --> 01:02:50,240

off into space

1665

01:02:57,750 --> 01:02:53,440

so intently that the things blur

1666

01:02:59,990 --> 01:02:57,760

you know or double vision begins

1667

01:03:01,349 --> 01:03:00,000

you know there's a lot of explanations

1668

01:03:02,630 --> 01:03:01,359

for some of these things and i'm not

1669

01:03:05,910 --> 01:03:02,640

sure

1670

01:03:07,270 --> 01:03:05,920

that richard jumping to it must be

1671

01:03:10,230 --> 01:03:07,280

aliens is

1672

01:03:14,150 --> 01:03:10,240

either appropriate or warranted given

1673

01:03:18,549 --> 01:03:17,190

evidentiary support for his claims but

1674

01:03:22,470 --> 01:03:18,559

he's an experimenter

1675

01:03:24,390 --> 01:03:22,480

i have respect that he uh you know

1676
01:03:25,990 --> 01:03:24,400
let me ask any questions that i wanted

1677
01:03:29,430 --> 01:03:26,000
to right

1678
01:03:32,069 --> 01:03:29,440
so uh friends it is what it is

1679
01:03:34,150 --> 01:03:32,079
uh trying to bring interesting people

1680
01:03:37,190 --> 01:03:34,160
here to interview

1681
01:03:38,710 --> 01:03:37,200
um yeah and uh lordo says fantastic

1682
01:03:39,670 --> 01:03:38,720
interview more of these types on please

1683
01:03:43,109 --> 01:03:39,680
i had a great time

1684
01:03:44,710 --> 01:03:43,119
good uh i'm glad uh

1685
01:03:46,710 --> 01:03:44,720
i wasn't sure how this was going to go

1686
01:03:48,549 --> 01:03:46,720
over but i'm looking for more

1687
01:03:49,670 --> 01:03:48,559
experiencers if anybody knows any

1688
01:03:52,309 --> 01:03:49,680

experiencers

1689

01:03:53,750 --> 01:03:52,319

anyone having experiences with aliens

1690

01:03:56,069 --> 01:03:53,760

demons

1691

01:03:58,390 --> 01:03:56,079

bigfoot i don't care if they've had

1692

01:03:59,270 --> 01:03:58,400

these kind of experiences send them to

1693

01:04:02,670 --> 01:03:59,280

me

1694

01:04:06,230 --> 01:04:02,680

truthseekershow

1695

01:04:06,789 --> 01:04:06,240

gmail.com so we'll be looking for future

1696

01:04:10,470 --> 01:04:06,799

guests

1697

01:04:12,789 --> 01:04:10,480

for shows a lot like this

1698

01:04:15,270 --> 01:04:12,799

that would be very helpful uh i want to

1699

01:04:19,190 --> 01:04:15,280

just remind everybody that we do have

1700

01:04:19,670 --> 01:04:19,200

both uh patreon and uh paypal donate

1701
01:04:22,710 --> 01:04:19,680
button

1702
01:04:24,710 --> 01:04:22,720
in the about section so please

1703
01:04:26,390 --> 01:04:24,720
if you're feeling generous to help us

1704
01:04:29,270 --> 01:04:26,400
out with a couple of bucks

1705
01:04:31,109 --> 01:04:29,280
uh and if not or sign up for our patreon

1706
01:04:33,589 --> 01:04:31,119
that really does help

1707
01:04:34,549 --> 01:04:33,599
um but the other way to help me of

1708
01:04:37,670 --> 01:04:34,559
course is to like

1709
01:04:38,630 --> 01:04:37,680
comment and share these videos subscribe

1710
01:04:40,710 --> 01:04:38,640
if you have not

1711
01:04:42,789 --> 01:04:40,720
already send our channel address to some

1712
01:04:45,270 --> 01:04:42,799
friends that would really

1713
01:04:46,630 --> 01:04:45,280

uh would really help please be sure to

1714

01:04:48,630 --> 01:04:46,640

like comment and subscribe

1715

01:04:51,670 --> 01:04:48,640

and send the channel address to some

1716

01:04:54,789 --> 01:04:51,680

friends this my friends is how we may

1717

01:04:56,710 --> 01:04:54,799

get continue to grow kind of struggling

1718

01:04:58,549 --> 01:04:56,720

with the growth thing here lately

1719

01:04:59,990 --> 01:04:58,559

i started rumble channel i thought it

1720

01:05:01,670 --> 01:05:00,000

was going pretty good like the first

1721

01:05:03,670 --> 01:05:01,680

video i uploaded got 40

1722

01:05:05,190 --> 01:05:03,680

views and then the rest got like six

1723

01:05:06,630 --> 01:05:05,200

views so

1724

01:05:08,710 --> 01:05:06,640

i don't know that it's worth the time to

1725

01:05:11,750 --> 01:05:08,720

continue doing that

1726

01:05:13,510 --> 01:05:11,760

uh yeah

1727

01:05:14,950 --> 01:05:13,520

and as far as the super chat donations

1728

01:05:16,549 --> 01:05:14,960

people are asking about that i'm still

1729

01:05:18,470 --> 01:05:16,559

waiting for youtube

1730

01:05:20,470 --> 01:05:18,480

they take a month before they approve

1731

01:05:21,750 --> 01:05:20,480

you for that and uh

1732

01:05:22,789 --> 01:05:21,760

i gotta tell you i'm a little wary that

1733

01:05:23,670 --> 01:05:22,799

they're gonna take a look at some of

1734

01:05:26,950 --> 01:05:23,680

these videos and go

1735

01:05:28,150 --> 01:05:26,960

no well i don't think so but it is what

1736

01:05:31,190 --> 01:05:28,160

it is

1737

01:05:35,990 --> 01:05:31,200

uh i'm gonna just

1738

01:05:38,870 --> 01:05:36,000

remain positive you know and hopeful uh

1739

01:05:40,630 --> 01:05:38,880

so it is what it is friends uh this is

1740

01:05:42,470 --> 01:05:40,640

where we find ourselves there will be a

1741

01:05:44,150 --> 01:05:42,480

show once again tomorrow

1742

01:05:45,990 --> 01:05:44,160

uh something that i've been looking into

1743

01:05:47,109 --> 01:05:46,000

that i just wanted to share that i think

1744

01:05:49,349 --> 01:05:47,119

is uh

1745

01:05:50,710 --> 01:05:49,359

a little disturbing even more so than

1746

01:05:53,670 --> 01:05:50,720

tonight's content

1747

01:05:54,710 --> 01:05:53,680

uh i don't want to spill the beans so

1748

01:05:57,589 --> 01:05:54,720

tomorrow

1749

01:05:59,589 --> 01:05:57,599

please join me at 9pm eastern standard

1750

01:06:02,309 --> 01:05:59,599

time for

1751

01:06:02,789 --> 01:06:02,319

what i hope to be a sort of new series

1752

01:06:06,870 --> 01:06:02,799

on

1753

01:06:13,270 --> 01:06:06,880

the dark side of

1754

01:06:14,789 --> 01:06:13,280

some of these strange stories out there

1755

01:06:18,069 --> 01:06:14,799

on the internet

1756

01:06:20,950 --> 01:06:18,079

that are true crazy

1757

01:06:23,190 --> 01:06:20,960

but true i don't know we've got to come

1758

01:06:26,470 --> 01:06:23,200

up with a title for the new series

1759

01:06:30,549 --> 01:06:26,480

uh i

1760

01:06:33,109 --> 01:06:30,559

want to have uh also i'm working on

1761

01:06:34,789 --> 01:06:33,119

a new sort of show format where i'm

1762

01:06:37,829 --> 01:06:34,799

going to try to do a show

1763

01:06:38,870 --> 01:06:37,839

one show where we pivot from different

1764

01:06:41,510 --> 01:06:38,880

stories

1765

01:06:43,430 --> 01:06:41,520

so that you can get not you know we're

1766

01:06:46,870 --> 01:06:43,440

not going to focus on one story for two

1767

01:06:49,029 --> 01:06:46,880

hours we're going to maybe do

1768

01:06:50,710 --> 01:06:49,039

each story for 20 minutes and present a

1769

01:06:53,829 --> 01:06:50,720

bunch of cool stories

1770

01:06:57,109 --> 01:06:53,839

that we can all learn about and discuss

1771

01:06:59,430 --> 01:06:57,119

i think that would be a good idea

1772

01:07:01,589 --> 01:06:59,440

yeah friends so uh i always you always

1773

01:07:05,029 --> 01:07:01,599

hear me say this i'm always happy

1774

01:07:06,630 --> 01:07:05,039

when there is a a live audience

1775

01:07:08,230 --> 01:07:06,640

and i want to thank you very much

1776

01:07:08,870 --> 01:07:08,240

tonight for being a part of mine i want

1777

01:07:11,029 --> 01:07:08,880

to uh

1778

01:07:12,870 --> 01:07:11,039

thank richard for being our guest again

1779

01:07:16,630 --> 01:07:12,880

you can find him on twitter

1780

01:07:18,789 --> 01:07:16,640

really do hey uh creative artistic guy

1781

01:07:21,270 --> 01:07:18,799

check out his book full of art he

1782

01:07:25,109 --> 01:07:21,280

obviously believes in what he's doing

1783

01:07:26,789 --> 01:07:25,119

and uh god bless

1784

01:07:28,390 --> 01:07:26,799

people that really believe what they're

1785

01:07:29,910 --> 01:07:28,400

doing and what they're doing you know i

1786

01:07:32,069 --> 01:07:29,920

hope that he raises a lot of money and

1787

01:07:34,470 --> 01:07:32,079

gives some of this money to charity

1788

01:07:36,470 --> 01:07:34,480

uh maybe he truly can help the world

1789

01:07:39,910 --> 01:07:36,480

with his uh

1790

01:07:43,109 --> 01:07:39,920

alien friends if they're real you know

1791

01:07:44,870 --> 01:07:43,119

uh yeah that's where we're at friends

1792

01:07:46,549 --> 01:07:44,880

so until next time friends my name is

1793

01:08:01,830 --> 01:07:46,559

stephen cambion good night

1794

01:08:01,840 --> 01:08:08,829

[Music]

1795

01:08:12,240 --> 01:08:11,190

so

1796

01:09:12,200 --> 01:08:12,250

[Music]

1797

01:09:37,230 --> 01:09:12,210

[Applause]
