

TRUTH SEEKERS

Thanks for joining us...

1
00:02:55,190 --> 00:01:35,200

[Music]

2
00:02:58,149 --> 00:02:55,509

well

3
00:02:58,949 --> 00:02:58,159

greetings and salutations friends and

4
00:03:02,229 --> 00:02:58,959

welcome

5
00:03:02,949 --> 00:03:02,239

to truth seekers uh i hope that we're

6
00:03:06,229 --> 00:03:02,959

welcoming

7
00:03:06,710 --> 00:03:06,239

some old friends and hopefully some new

8
00:03:09,990 --> 00:03:06,720

friends

9
00:03:12,509 --> 00:03:10,000

as well tonight we're gonna be

10
00:03:13,750 --> 00:03:12,519

uh trying something new which is a

11
00:03:16,790 --> 00:03:13,760

multi-story

12
00:03:18,790 --> 00:03:16,800

format which i've never done so please

13
00:03:20,949 --> 00:03:18,800

bear with me if there's any

14

00:03:23,509 --> 00:03:20,959

technical issues as i'm sure there's

15

00:03:26,470 --> 00:03:23,519

bound to be

16

00:03:28,630 --> 00:03:26,480

we've just come to expect uh some things

17

00:03:32,309 --> 00:03:28,640

may not go according to plan

18

00:03:36,070 --> 00:03:32,319

i like to say that you get the show uh

19

00:03:38,550 --> 00:03:36,080

warts and all um

20

00:03:39,509 --> 00:03:38,560

and so uh yeah i'm gonna have to do it

21

00:03:43,190 --> 00:03:39,519

with divorce

22

00:03:47,030 --> 00:03:43,200

friends so in our new multi uh

23

00:03:49,270 --> 00:03:47,040

story format uh you know basically

24

00:03:51,190 --> 00:03:49,280

there's certain stories that uh people

25

00:03:54,309 --> 00:03:51,200

send me or give me

26
00:03:55,589 --> 00:03:54,319
or come across my desk or i find and i

27
00:03:58,309 --> 00:03:55,599
say

28
00:04:00,470 --> 00:03:58,319
wow um this is something i'd like to

29
00:04:01,910 --> 00:04:00,480
cover but it's not really

30
00:04:04,630 --> 00:04:01,920
it's not really a show that you could do

31
00:04:07,830 --> 00:04:04,640
a two-hour two-hour

32
00:04:09,670 --> 00:04:07,840
you know broadcast on one story but i've

33
00:04:11,750 --> 00:04:09,680
collected up some of these stories over

34
00:04:12,630 --> 00:04:11,760
time now since we began our show and i

35
00:04:14,470 --> 00:04:12,640
think

36
00:04:17,349 --> 00:04:14,480
putting them together and sort of

37
00:04:18,390 --> 00:04:17,359
multi-format is a good idea

38
00:04:20,550 --> 00:04:18,400

some of these things are things i've

39

00:04:23,510 --> 00:04:20,560

wanted to cover for quite some time

40

00:04:26,390 --> 00:04:23,520

so uh we're going to get into it friends

41

00:04:32,629 --> 00:04:29,590

our first segment

42

00:04:35,749 --> 00:04:32,639

uh you see here

43

00:04:38,390 --> 00:04:35,759

our first segment here is called crime

44

00:04:39,830 --> 00:04:38,400

pays for those that don't know maybe

45

00:04:40,950 --> 00:04:39,840

you've heard that expression crime

46

00:04:45,110 --> 00:04:40,960

doesn't pay

47

00:04:46,150 --> 00:04:45,120

if you're a member of the rich ruling

48

00:04:48,629 --> 00:04:46,160

class

49

00:04:49,909 --> 00:04:48,639

sure thing crime pays and i'm going to

50

00:04:52,790 --> 00:04:49,919

show you

51
00:04:54,550 --> 00:04:52,800
uh one of my favorite of the rich and

52
00:04:57,990 --> 00:04:54,560
powerful and elite

53
00:05:00,710 --> 00:04:58,000
who somehow managed to make

54
00:05:03,110 --> 00:05:00,720
crime pay to the tune of i don't know

55
00:05:06,790 --> 00:05:03,120
something like 185 million dollars

56
00:05:09,430 --> 00:05:06,800
we're gonna get into it and i am talking

57
00:05:14,629 --> 00:05:09,440
about wells fargo ceo

58
00:05:20,469 --> 00:05:18,310
for those unaware wells fargo got caught

59
00:05:22,310 --> 00:05:20,479
fraudulently signing up hundreds of

60
00:05:25,510 --> 00:05:22,320
thousands of uh

61
00:05:26,629 --> 00:05:25,520
you know of their customers for accounts

62
00:05:31,510 --> 00:05:26,639
they never asked for

63
00:05:32,790 --> 00:05:31,520

and boy did that stock price shoot up

64

00:05:36,710 --> 00:05:32,800

when they did that

65

00:05:39,590 --> 00:05:36,720

right the ceo

66

00:05:40,790 --> 00:05:39,600

had millions of shares of wells fargo

67

00:05:44,629 --> 00:05:40,800

stock

68

00:05:48,469 --> 00:05:47,430

creation of profit that wasn't really

69

00:05:50,390 --> 00:05:48,479

profit

70

00:05:51,990 --> 00:05:50,400

you know it always comes out in the wise

71

00:05:54,390 --> 00:05:52,000

friends i worked in accounting for a

72

00:05:58,469 --> 00:05:54,400

long time and one thing i learned is

73

00:06:00,150 --> 00:05:58,479

that you can only put things into the

74

00:06:01,990 --> 00:06:00,160

other ledger for so long

75

00:06:03,830 --> 00:06:02,000

and eventually it's all going to come

76

00:06:07,110 --> 00:06:03,840

out so eventually

77

00:06:08,710 --> 00:06:07,120

the i'm just gonna call it a scam the

78

00:06:12,550 --> 00:06:08,720

scam that wells fargo ran

79

00:06:15,430 --> 00:06:12,560

on all those customers came out and

80

00:06:16,309 --> 00:06:15,440

there was investigation and even senate

81

00:06:18,950 --> 00:06:16,319

hearings

82

00:06:20,790 --> 00:06:18,960

and boy i gotta say i love nothing

83

00:06:22,070 --> 00:06:20,800

better than to watch a senate hearing of

84

00:06:24,070 --> 00:06:22,080

some rich powerful

85

00:06:26,309 --> 00:06:24,080

elite person who thinks they're above

86

00:06:29,909 --> 00:06:26,319

the law suddenly have to answer

87

00:06:32,550 --> 00:06:29,919

to somebody and most of the time i'm not

88

00:06:34,469 --> 00:06:32,560

very impressed with the questions or the

89

00:06:36,550 --> 00:06:34,479

line of questioning that these senators

90

00:06:41,990 --> 00:06:36,560

go after these guys with

91

00:06:47,749 --> 00:06:45,510

mic issues again

92

00:06:48,710 --> 00:06:47,759

you know i i don't know hold on one

93

00:06:55,189 --> 00:06:48,720

second

94

00:06:55,199 --> 00:07:07,589

just bear with me friends

95

00:07:07,599 --> 00:07:14,070

yeah again with the choppy

96

00:07:23,749 --> 00:07:17,110

all right i have a mic

97

00:07:27,270 --> 00:07:25,510

we'll see if this doesn't improve in a

98

00:07:41,270 --> 00:07:27,280

moment otherwise i'll flip to the mic

99

00:07:57,110 --> 00:07:45,510

yeah i think that

100

00:07:57,120 --> 00:08:02,150

one second friends

101

00:08:08,309 --> 00:08:05,189

check one check two

102

00:08:11,270 --> 00:08:08,319

i think that'll do it okay

103

00:08:12,309 --> 00:08:11,280

so i was talking of course about uh john

104

00:08:15,350 --> 00:08:12,319

stumpf

105

00:08:16,469 --> 00:08:15,360

at the banking committee hearing being

106

00:08:20,390 --> 00:08:16,479

questioned by

107

00:08:22,869 --> 00:08:20,400

senator elizabeth warren and uh

108

00:08:24,150 --> 00:08:22,879

and once again this is our a new segment

109

00:08:25,029 --> 00:08:24,160

on our show that we're going to be

110

00:08:28,150 --> 00:08:25,039

called

111

00:08:30,869 --> 00:08:28,160

calling crime pace

112

00:08:34,310 --> 00:08:30,879

uh one second let me just check in with

113

00:08:38,870 --> 00:08:36,870

oh man everybody's an audio file i'm

114

00:08:40,310 --> 00:08:38,880

doing a live show right at the moment

115

00:08:41,990 --> 00:08:40,320

i'm not going to start messing with

116

00:08:45,910 --> 00:08:42,000

noise gates

117

00:08:49,590 --> 00:08:45,920

right and there is no noise gate

118

00:08:52,550 --> 00:08:49,600

but there is a new usb interface

119

00:08:53,509 --> 00:08:52,560

and uh yeah i'm not sure what the issue

120

00:08:56,949 --> 00:08:53,519

is

121

00:08:59,990 --> 00:08:56,959

if i record the stream and test the mic

122

00:09:02,790 --> 00:09:00,000

sounds fine no choppiness if not here we

123

00:09:06,070 --> 00:09:04,630

yeah it does sound fine now so we're

124

00:09:06,470 --> 00:09:06,080

just going to continue and i'm going to

125

00:09:07,750 --> 00:09:06,480

stop

126

00:09:09,430 --> 00:09:07,760

worrying about you know what all this

127

00:09:10,150 --> 00:09:09,440

stuff because people just constantly

128

00:09:12,710 --> 00:09:10,160

complain

129

00:09:14,470 --> 00:09:12,720

i've got five different mics here and

130

00:09:16,230 --> 00:09:14,480

when i use one somebody will say

131

00:09:18,150 --> 00:09:16,240

your like sounds really tinny you need

132

00:09:20,150 --> 00:09:18,160

to use a different mic so then i get

133

00:09:21,509 --> 00:09:20,160

a different mic right i get a different

134

00:09:23,910 --> 00:09:21,519

mic that's bottomy

135

00:09:26,070 --> 00:09:23,920

and then somebody doesn't like that one

136

00:09:28,870 --> 00:09:26,080

you know it's just like

137

00:09:31,829 --> 00:09:28,880

i i give up it sounds fine with the one

138

00:09:34,070 --> 00:09:31,839

that i prefer to use which is this one

139

00:09:35,670 --> 00:09:34,080

but that's not you know it's not good

140

00:09:38,230 --> 00:09:35,680

enough for you audio

141

00:09:39,910 --> 00:09:38,240

out there with your you know i'm sure

142

00:09:41,750 --> 00:09:39,920

there's just so many people listening to

143

00:09:44,630 --> 00:09:41,760

my show tonight on an 80 000

144

00:09:46,150 --> 00:09:44,640

stereo system you know and the fan noise

145

00:09:49,269 --> 00:09:46,160

from this tiny mac

146

00:09:50,630 --> 00:09:49,279

uh you know bothers them somehow but it

147

00:09:52,310 --> 00:09:50,640

is what it is friends like i said

148

00:09:53,910 --> 00:09:52,320

warts and all we're going to forget

149

00:09:55,990 --> 00:09:53,920

about the audio issues and we're going

150

00:10:04,180 --> 00:09:56,000

to move forward with the show

151
00:10:15,930 --> 00:10:04,190
this is our new segment crime peace

152
00:10:24,920 --> 00:10:23,670
[Music]

153
00:10:29,990 --> 00:10:24,930
[Applause]

154
00:10:34,630 --> 00:10:33,110
okay so uh i'm gonna put up our fair use

155
00:10:39,990 --> 00:10:34,640
banner here

156
00:10:43,670 --> 00:10:41,590
because we're gonna be sharing a video

157
00:10:45,110 --> 00:10:43,680
uh from a senate hearing but this is a

158
00:10:46,069 --> 00:10:45,120
transformative work we're educating the

159
00:10:47,350 --> 00:10:46,079
public

160
00:10:49,269 --> 00:10:47,360
and we're going to be critiquing the

161
00:11:07,269 --> 00:10:49,279
video that we're sharing and this

162
00:11:17,990 --> 00:11:15,350
one second friends

163
00:11:18,470 --> 00:11:18,000

we're going to begin at about here

164

00:11:20,470 --> 00:11:18,480

because

165

00:11:22,470 --> 00:11:20,480

uh this is where it gets good and i

166

00:11:24,389 --> 00:11:22,480

gotta say uh

167

00:11:26,069 --> 00:11:24,399

not a huge fan of elizabeth warren but i

168

00:11:26,710 --> 00:11:26,079

am a huge fan of the way she questioned

169

00:11:29,829 --> 00:11:26,720

this guy

170

00:11:31,829 --> 00:11:29,839

on television to blame thousands of

171

00:11:34,470 --> 00:11:31,839

twelve dollar an hour employees who were

172

00:11:37,509 --> 00:11:34,480

just trying to meet cross-sell quotas

173

00:11:39,750 --> 00:11:37,519

that made you rich this

174

00:11:40,550 --> 00:11:39,760

is about accountability you should

175

00:11:42,710 --> 00:11:40,560

resign

176
00:11:45,190 --> 00:11:42,720
you should give back the money that you

177
00:11:46,949 --> 00:11:45,200
took while this scam was going on

178
00:11:49,110 --> 00:11:46,959
and you should be criminally

179
00:11:51,430 --> 00:11:49,120
investigated by both the department of

180
00:11:53,190 --> 00:11:51,440
justice and the securities and exchange

181
00:11:56,310 --> 00:11:53,200
commission

182
00:11:58,150 --> 00:11:56,320
this just isn't right a cashier who

183
00:12:00,710 --> 00:11:58,160
steals a handful of 20s

184
00:12:02,230 --> 00:12:00,720
is held accountable but wall street

185
00:12:05,350 --> 00:12:02,240
executives who almost

186
00:12:05,829 --> 00:12:05,360
never hold themselves accountable not

187
00:12:09,269 --> 00:12:05,839
now

188
00:12:12,629 --> 00:12:09,279

and not in 2008 when they crushed

189

00:12:14,550 --> 00:12:12,639

the worldwide economy the only way

190

00:12:15,829 --> 00:12:14,560

that wall street will change is if

191

00:12:19,190 --> 00:12:15,839

executives face

192

00:12:20,069 --> 00:12:19,200

jail time when they preside over massive

193

00:12:22,949 --> 00:12:20,079

frauds

194

00:12:23,670 --> 00:12:22,959

we need tough new laws to hold corporate

195

00:12:26,550 --> 00:12:23,680

executives

196

00:12:28,870 --> 00:12:26,560

personally accountable and we need tough

197

00:12:32,069 --> 00:12:28,880

prosecutors who have the courage

198

00:12:35,190 --> 00:12:32,079

to go after people at the top until then

199

00:12:36,790 --> 00:12:35,200

it will be business as usual and i just

200

00:12:38,069 --> 00:12:36,800

want to stop the video for a moment to

201
00:12:40,230 --> 00:12:38,079
interject that this is several

202
00:12:41,190 --> 00:12:40,240
years ago and so far there hasn't been

203
00:12:43,990 --> 00:12:41,200
any new laws

204
00:12:45,030 --> 00:12:44,000
to stop these fraudsters and no there

205
00:12:47,269 --> 00:12:45,040
hasn't been any

206
00:12:48,069 --> 00:12:47,279
tough prosecutors criminally prosecuting

207
00:12:50,389 --> 00:12:48,079
any of them

208
00:12:51,350 --> 00:12:50,399
and at giant banks like wells fargo that

209
00:12:54,550 --> 00:12:51,360
seems to mean

210
00:12:57,269 --> 00:12:54,560
cheating as many customers investors and

211
00:12:59,430 --> 00:12:57,279
employees as they possibly can

212
00:13:01,110 --> 00:12:59,440
thank you mr chair mr strumpf as you

213
00:13:02,949 --> 00:13:01,120

know some of my colleagues and i sent

214

00:13:05,110 --> 00:13:02,959

you a letter last week about the board's

215

00:13:06,550 --> 00:13:05,120

plans to claw back compensation from

216

00:13:08,710 --> 00:13:06,560

senior executives

217

00:13:09,670 --> 00:13:08,720

who were responsible for overseeing this

218

00:13:12,150 --> 00:13:09,680

scam

219

00:13:13,670 --> 00:13:12,160

wells fargo provided us with a response

220

00:13:15,430 --> 00:13:13,680

yesterday i noticed that although we

221

00:13:18,310 --> 00:13:15,440

sent the letter to you

222

00:13:19,190 --> 00:13:18,320

that uh the response actually came from

223

00:13:20,949 --> 00:13:19,200

somebody else

224

00:13:23,430 --> 00:13:20,959

in the company which i guess is another

225

00:13:26,230 --> 00:13:23,440

example of holding yourself accountable

226

00:13:27,350 --> 00:13:26,240

i want to focus now on the mysterious

227

00:13:30,470 --> 00:13:27,360

circumstances

228

00:13:33,110 --> 00:13:30,480

surrounding kerry tolsted's

229

00:13:34,790 --> 00:13:33,120

retirement in july as you know miss

230

00:13:36,710 --> 00:13:34,800

tolstead ran the community banking

231

00:13:39,269 --> 00:13:36,720

division the division where this scam

232

00:13:40,629 --> 00:13:39,279

occurred for the entire time that the

233

00:13:44,150 --> 00:13:40,639

scam took place

234

00:13:45,750 --> 00:13:44,160

she was in charge of all of the 5 300

235

00:13:48,310 --> 00:13:45,760

employees who were fired

236

00:13:50,069 --> 00:13:48,320

and she oversaw the creation of two

237

00:13:52,310 --> 00:13:50,079

million fake accounts

238

00:13:54,150 --> 00:13:52,320

now in july of this year just two months

239

00:13:56,790 --> 00:13:54,160

before the settlement was announced

240

00:13:58,470 --> 00:13:56,800

and before those facts became public ms

241

00:14:02,790 --> 00:13:58,480

tollstep retired at

242

00:14:05,110 --> 00:14:02,800

age 56. you indicated in the letter

243

00:14:07,590 --> 00:14:05,120

responding to our letter that she walks

244

00:14:08,550 --> 00:14:07,600

away with over 90 million dollars in

245

00:14:11,509 --> 00:14:08,560

stock stock

246

00:14:14,470 --> 00:14:11,519

options and awards fortune magazine says

247

00:14:17,750 --> 00:14:14,480

it's actually about 125 million

248

00:14:18,790 --> 00:14:17,760

but and here's the key part according to

249

00:14:22,069 --> 00:14:18,800

fortune

250

00:14:24,710 --> 00:14:22,079

if ms tolstedt had been fired

251
00:14:25,590 --> 00:14:24,720
instead of retiring she would have had

252
00:14:28,870 --> 00:14:25,600
to forfeit

253
00:14:30,470 --> 00:14:28,880
as much as 45 million dollars of that

254
00:14:33,189 --> 00:14:30,480
award

255
00:14:34,310 --> 00:14:33,199
mr stumpf the response to our letter

256
00:14:37,509 --> 00:14:34,320
confirms that you

257
00:14:40,470 --> 00:14:37,519
knew of this scandal before

258
00:14:42,470 --> 00:14:40,480
ms tolsted retired it said and this is

259
00:14:43,430 --> 00:14:42,480
from your letter quote senior management

260
00:14:46,069 --> 00:14:43,440
and the board

261
00:14:48,550 --> 00:14:46,079
were aware of the pending litigation

262
00:14:49,670 --> 00:14:48,560
investigation and discussions with our

263
00:14:52,230 --> 00:14:49,680

regulators

264

00:14:53,030 --> 00:14:52,240

relating to sales practices when ms

265

00:14:55,990 --> 00:14:53,040

tolstedt

266

00:14:57,430 --> 00:14:56,000

indicated her decision to retire is that

267

00:14:59,590 --> 00:14:57,440

accurate mr stump

268

00:15:01,829 --> 00:14:59,600

what this letter says were you

269

00:15:02,870 --> 00:15:01,839

personally aware of the massive problem

270

00:15:05,189 --> 00:15:02,880

that occurred

271

00:15:07,269 --> 00:15:05,199

under miss tolsted's watch in july when

272

00:15:09,430 --> 00:15:07,279

she announced her retirement

273

00:15:11,590 --> 00:15:09,440

i was aware of that we were involved in

274

00:15:12,310 --> 00:15:11,600

discussions with the city attorney the

275

00:15:14,550 --> 00:15:12,320

occ

276

00:15:15,990 --> 00:15:14,560

and the cfpb yes so you had some

277

00:15:18,550 --> 00:15:16,000

indication there was a

278

00:15:19,750 --> 00:15:18,560

massive problem we had some indication

279

00:15:21,030 --> 00:15:19,760

that we had

280

00:15:23,030 --> 00:15:21,040

one percent of our people who are doing

281

00:15:24,310 --> 00:15:23,040

the wrong also known as a massive

282

00:15:26,310 --> 00:15:24,320

problem well

283

00:15:28,230 --> 00:15:26,320

only one percent of his people did the

284

00:15:30,470 --> 00:15:28,240

wrong thing and defraud it over

285

00:15:31,990 --> 00:15:30,480

what is it two million customers out of

286

00:15:35,269 --> 00:15:32,000

monies

287

00:15:37,910 --> 00:15:35,279

only one percent of the people under his

288

00:15:39,670 --> 00:15:37,920

you know command did anything wrong it

289

00:15:42,710 --> 00:15:39,680

wasn't him

290

00:15:45,749 --> 00:15:42,720

if you knew this did you consider

291

00:15:47,829 --> 00:15:45,759

firing ms tolsted before she retired

292

00:15:48,550 --> 00:15:47,839

well at the time she was reporting to

293

00:15:51,590 --> 00:15:48,560

our

294

00:15:53,030 --> 00:15:51,600

officer

295

00:15:54,949 --> 00:15:53,040

it's a simple question you knew there

296

00:15:55,269 --> 00:15:54,959

was a problem did you consider firing

297

00:15:59,990 --> 00:15:55,279

her

298

00:16:01,430 --> 00:16:00,000

out that one of your divisions had

299

00:16:04,550 --> 00:16:01,440

created two million

300

00:16:07,110 --> 00:16:04,560

fake accounts had fired thousands of

301
00:16:08,150 --> 00:16:07,120
employees for improper behavior and had

302
00:16:10,470 --> 00:16:08,160
cheated

303
00:16:11,350 --> 00:16:10,480
thousands of your own customers and you

304
00:16:14,230 --> 00:16:11,360
didn't even

305
00:16:15,829 --> 00:16:14,240
once consider firing her ahead of her

306
00:16:18,230 --> 00:16:15,839
retirement

307
00:16:21,110 --> 00:16:18,240
in fact when i look at her full body of

308
00:16:25,430 --> 00:16:23,350
no before she started frauding everybody

309
00:16:25,749 --> 00:16:25,440
she was a great employee we didn't want

310
00:16:27,910 --> 00:16:25,759
to

311
00:16:30,069 --> 00:16:27,920
fire we let her retire with a 100

312
00:16:32,150 --> 00:16:30,079
million dollar golden parachute

313
00:16:33,189 --> 00:16:32,160

come on loyalty improvement and the

314

00:16:35,110 --> 00:16:33,199

customer service

315

00:16:37,430 --> 00:16:35,120

are you sure that those were not fake

316

00:16:39,110 --> 00:16:37,440

all all the work that was done

317

00:16:40,389 --> 00:16:39,120

uh she chose retired and i'd also like

318

00:16:41,030 --> 00:16:40,399

to make one of their comment because you

319

00:16:44,069 --> 00:16:41,040

made them so

320

00:16:47,030 --> 00:16:44,079

so you no i'm just on this you never

321

00:16:47,749 --> 00:16:47,040

considered firing her so now miss

322

00:16:51,430 --> 00:16:47,759

tolsted

323

00:16:54,310 --> 00:16:51,440

has apparently retired but is also

324

00:16:55,350 --> 00:16:54,320

staying with the firm through the end of

325

00:16:58,150 --> 00:16:55,360

the year

326

00:17:00,629 --> 00:16:58,160

and in the response to our letter you

327

00:17:03,749 --> 00:17:00,639

state or the person writing it states

328

00:17:04,949 --> 00:17:03,759

quote ms tolsted is eligible to be

329

00:17:09,189 --> 00:17:04,959

considered

330

00:17:12,390 --> 00:17:09,199

for a 2016 annual incentive

331

00:17:14,470 --> 00:17:12,400

award an incentive award for doing a

332

00:17:16,470 --> 00:17:14,480

great job

333

00:17:18,069 --> 00:17:16,480

she's getting an incentive award she did

334

00:17:21,429 --> 00:17:18,079

a great job running all those

335

00:17:24,230 --> 00:17:21,439

customers out of money 16.

336

00:17:26,949 --> 00:17:24,240

mr stumpf that is unbelievable you are

337

00:17:29,110 --> 00:17:26,959

the chairman of the board and the ceo

338

00:17:31,430 --> 00:17:29,120

in those roles do you think it would be

339

00:17:32,230 --> 00:17:31,440

appropriate for ms tolsted to get

340

00:17:34,950 --> 00:17:32,240

another

341

00:17:36,549 --> 00:17:34,960

bonus on top of the millions that she

342

00:17:39,750 --> 00:17:36,559

has already gotten

343

00:17:40,470 --> 00:17:39,760

as a reward for her role in this type of

344

00:17:42,630 --> 00:17:40,480

scam

345

00:17:44,230 --> 00:17:42,640

the board will consider that i don't

346

00:17:45,990 --> 00:17:44,240

want to prejudice the board but i also

347

00:17:48,070 --> 00:17:46,000

want to make one i don't know

348

00:17:49,830 --> 00:17:48,080

he doesn't want a prejudiced support you

349

00:17:51,990 --> 00:17:49,840

know you and your board

350

00:17:54,470 --> 00:17:52,000

have already made changes you've made

351
00:17:56,630 --> 00:17:54,480
changes to the compensation scheme

352
00:17:59,110 --> 00:17:56,640
for thousands of employees you've sat

353
00:18:01,270 --> 00:17:59,120
here today and talked about that

354
00:18:03,990 --> 00:18:01,280
you've removed sales quotas i think you

355
00:18:06,950 --> 00:18:04,000
told us you reformed incentives

356
00:18:07,590 --> 00:18:06,960
why can that be done quick as a wink

357
00:18:10,950 --> 00:18:07,600
across

358
00:18:14,150 --> 00:18:10,960
the entire bank but a question about

359
00:18:17,669 --> 00:18:14,160
cutting compensation for a highly placed

360
00:18:21,029 --> 00:18:17,679
executive who oversaw a massive fraud

361
00:18:22,710 --> 00:18:21,039
takes long deliberation why is that

362
00:18:24,549 --> 00:18:22,720
because there's a board governance

363
00:18:28,390 --> 00:18:24,559

process and we want that

364

00:18:30,789 --> 00:18:28,400

the board was retired or she was fired

365

00:18:32,310 --> 00:18:30,799

there'd be no difference with respect to

366

00:18:35,750 --> 00:18:32,320

how the board can deal with that

367

00:18:39,110 --> 00:18:35,760

i i'm sorry if she was fired it is my

368

00:18:40,950 --> 00:18:39,120

understanding she would not be entitled

369

00:18:42,549 --> 00:18:40,960

to large parts of her compensations not

370

00:18:44,470 --> 00:18:42,559

just a clawback issue we're talking

371

00:18:46,310 --> 00:18:44,480

about she doesn't get them to begin with

372

00:18:47,990 --> 00:18:46,320

if she gets fired but you let her walk

373

00:18:51,029 --> 00:18:48,000

out of the door with a retirement

374

00:18:54,950 --> 00:18:51,039

i i don't quite understand how do you

375

00:18:57,350 --> 00:18:54,960

explain this to your own shareholders

376

00:18:58,710 --> 00:18:57,360

that there is a process that the board

377

00:19:00,470 --> 00:18:58,720

goes through

378

00:19:02,630 --> 00:19:00,480

and they will do that they've already

379

00:19:03,350 --> 00:19:02,640

bent and and mister said we want to give

380

00:19:04,549 --> 00:19:03,360

that

381

00:19:06,310 --> 00:19:04,559

i don't understand you keep saying

382

00:19:08,470 --> 00:19:06,320

there's you know the board the board as

383

00:19:11,590 --> 00:19:08,480

if these are strangers that you met

384

00:19:13,190 --> 00:19:11,600

in a dark under the by-laws of wells

385

00:19:15,750 --> 00:19:13,200

fargo and i'm quoting here

386

00:19:17,430 --> 00:19:15,760

the chairman shall preside at all

387

00:19:19,830 --> 00:19:17,440

meetings of the board

388

00:19:21,750 --> 00:19:19,840

you were able to make changes why can

389

00:19:23,830 --> 00:19:21,760

you not make a change here

390

00:19:25,029 --> 00:19:23,840

i'm i'm not on the human resources

391

00:19:26,950 --> 00:19:25,039

committee of the board

392

00:19:29,270 --> 00:19:26,960

they have their own governance and

393

00:19:31,750 --> 00:19:29,280

structure we want that to proceed

394

00:19:32,390 --> 00:19:31,760

in in the process in which we have all

395

00:19:34,549 --> 00:19:32,400

right

396

00:19:36,470 --> 00:19:34,559

so so we'll do this your way our letter

397

00:19:39,190 --> 00:19:36,480

asked a number of questions about

398

00:19:40,950 --> 00:19:39,200

clawbacks of miss tolstads and other

399

00:19:43,350 --> 00:19:40,960

executives pay including

400

00:19:44,789 --> 00:19:43,360

now she's not just going after the other

401
00:19:45,990 --> 00:19:44,799
high ranking office she's going to go

402
00:19:48,870 --> 00:19:46,000
after his

403
00:19:51,110 --> 00:19:48,880
take on this which my friends was

404
00:19:53,590 --> 00:19:51,120
several hundred million dollars

405
00:19:54,789 --> 00:19:53,600
this ceo benefited several hundred

406
00:19:57,830 --> 00:19:54,799
million dollars

407
00:20:00,630 --> 00:19:57,840
directly as a result of this

408
00:20:02,630 --> 00:20:00,640
total scan that was run on the customers

409
00:20:04,789 --> 00:20:02,640
opening accounts without their knowledge

410
00:20:06,630 --> 00:20:04,799
adding accounts without their knowledge

411
00:20:08,549 --> 00:20:06,640
giving them credit card accounts without

412
00:20:11,110 --> 00:20:08,559
their knowledge or consent

413
00:20:13,029 --> 00:20:11,120

he benefited to the tune of several

414

00:20:14,390 --> 00:20:13,039

hundred million dollars because he owned

415

00:20:16,789 --> 00:20:14,400

so much stock

416

00:20:17,750 --> 00:20:16,799

and because of artificially inflating

417

00:20:21,190 --> 00:20:17,760

false profits

418

00:20:23,909 --> 00:20:21,200

the stock value went up including yours

419

00:20:25,590 --> 00:20:23,919

wells fargo's answer to our letter was

420

00:20:27,029 --> 00:20:25,600

just basically you punted

421

00:20:29,430 --> 00:20:27,039

that the decision would be up to the

422

00:20:31,270 --> 00:20:29,440

board the same punt you've given here

423

00:20:33,590 --> 00:20:31,280

so you're the chairman of the board let

424

00:20:34,390 --> 00:20:33,600

me ask it this way will you personally

425

00:20:37,350 --> 00:20:34,400

support

426

00:20:39,590 --> 00:20:37,360

falling back all or part of miss

427

00:20:42,950 --> 00:20:39,600

tolstoy's pay

428

00:20:45,190 --> 00:20:42,960

i'm not going to in any way

429

00:20:47,029 --> 00:20:45,200

try to influence or prejudice the board

430

00:20:49,510 --> 00:20:47,039

as they would do

431

00:20:51,430 --> 00:20:49,520

you their absolutely no opinion on this

432

00:20:52,710 --> 00:20:51,440

i'm i'm not going to opine on that

433

00:20:53,350 --> 00:20:52,720

you're not going to a pineal you're

434

00:20:56,230 --> 00:20:53,360

going to say

435

00:20:57,990 --> 00:20:56,240

get out there defraud cheat lie steal

436

00:20:59,029 --> 00:20:58,000

and i have nothing to say about whether

437

00:20:59,669 --> 00:20:59,039

or not you ought to still be getting

438

00:21:01,909 --> 00:20:59,679

your bones

439

00:21:03,510 --> 00:21:01,919

i've never said and i would we never say

440

00:21:04,789 --> 00:21:03,520

as our company go out there and do any

441

00:21:06,630 --> 00:21:04,799

of those things we try to do the right

442

00:21:09,270 --> 00:21:06,640

thing but you say if you do them you can

443

00:21:11,270 --> 00:21:09,280

count on chairman stump

444

00:21:12,470 --> 00:21:11,280

not to stand up and say you shouldn't

445

00:21:15,190 --> 00:21:12,480

get your incentive bonus

446

00:21:16,870 --> 00:21:15,200

i the board has a process i think you

447

00:21:18,470 --> 00:21:16,880

started this whole thing by saying

448

00:21:20,470 --> 00:21:18,480

don't tell me what you say tell me what

449

00:21:21,990 --> 00:21:20,480

your actions are i mean your actions

450

00:21:24,710 --> 00:21:22,000

are people do this and you're not going

451
00:21:26,870 --> 00:21:24,720
to take a single step to shut it down

452
00:21:29,430 --> 00:21:26,880
so i guess i can ask this question again

453
00:21:31,990 --> 00:21:29,440
will you personally support clawing back

454
00:21:34,070 --> 00:21:32,000
any or all of the pay for the person in

455
00:21:35,590 --> 00:21:34,080
charge of compliance someone we haven't

456
00:21:37,270 --> 00:21:35,600
talked about much today

457
00:21:39,909 --> 00:21:37,280
the person who is supposed to be

458
00:21:42,549 --> 00:21:39,919
responsible to make sure

459
00:21:44,149 --> 00:21:42,559
that the bank is following the law will

460
00:21:44,710 --> 00:21:44,159
you have any recommendation about that

461
00:21:46,630 --> 00:21:44,720
person

462
00:21:47,909 --> 00:21:46,640
i'm going to have the board do their

463
00:21:50,310 --> 00:21:47,919

problem you are going to have no

464

00:21:52,549 --> 00:21:50,320

recommendation at all

465

00:21:55,110 --> 00:21:52,559

in this process whatever the board

466

00:21:58,310 --> 00:21:55,120

accepts whatever they do i will accept

467

00:22:00,230 --> 00:21:58,320

and i will support you are not passive

468

00:22:01,750 --> 00:22:00,240

here if you have nothing to do that what

469

00:22:02,549 --> 00:22:01,760

are you doing serving as chairman of the

470

00:22:04,630 --> 00:22:02,559

board

471

00:22:06,310 --> 00:22:04,640

if you have no opinions on the most

472

00:22:07,270 --> 00:22:06,320

massive fraud that has hit this bank

473

00:22:09,990 --> 00:22:07,280

since the beginning

474

00:22:11,590 --> 00:22:10,000

of time how can it be that you actually

475

00:22:12,950 --> 00:22:11,600

get to continue to collect a paycheck

476
00:22:13,590 --> 00:22:12,960
for being chairman of the board well

477
00:22:15,190 --> 00:22:13,600
first of all

478
00:22:16,870 --> 00:22:15,200
i disagree with the fact this is a

479
00:22:19,750 --> 00:22:16,880
massive fraud but

480
00:22:21,190 --> 00:22:19,760
secondly the board will do their work

481
00:22:21,830 --> 00:22:21,200
and i'm not going to prejudice their

482
00:22:23,430 --> 00:22:21,840
work

483
00:22:25,270 --> 00:22:23,440
and i will be and i'll accept whatever

484
00:22:26,149 --> 00:22:25,280
they come up with and and i will be

485
00:22:29,669 --> 00:22:26,159
supportive

486
00:22:32,470 --> 00:22:29,679
you know i i you accepted

487
00:22:34,070 --> 00:22:32,480
all along as this fraud built up this

488
00:22:36,390 --> 00:22:34,080

massive fraud

489

00:22:37,190 --> 00:22:36,400

you accepted all of the performance

490

00:22:39,590 --> 00:22:37,200

bonuses

491

00:22:40,710 --> 00:22:39,600

based on the cross-selling that is at

492

00:22:43,669 --> 00:22:40,720

the heart of this

493

00:22:44,110 --> 00:22:43,679

you watched your own stock go up by more

494

00:22:47,830 --> 00:22:44,120

than

495

00:22:48,950 --> 00:22:47,840

200 million dollars based in part on

496

00:22:50,549 --> 00:22:48,960

exactly this

497

00:22:52,149 --> 00:22:50,559

massive fraud you got out of that's a

498

00:22:55,270 --> 00:22:52,159

lot of cheddar wall street

499

00:22:57,669 --> 00:22:55,280

and you said to wall street hey we

500

00:22:59,510 --> 00:22:57,679

are doing such a great job cross-selling

501
00:23:02,549 --> 00:22:59,520
here at wells fargo you should tell

502
00:23:03,190 --> 00:23:02,559
everybody to buy our stock and now you

503
00:23:06,470 --> 00:23:03,200
turn around

504
00:23:08,710 --> 00:23:06,480
and say i shall remain passive

505
00:23:09,990 --> 00:23:08,720
and simply accept what wells fargo wants

506
00:23:13,510 --> 00:23:10,000
to do you know

507
00:23:16,549 --> 00:23:13,520
in 2008 wall street promised

508
00:23:17,669 --> 00:23:16,559
change but it looks like it is business

509
00:23:20,789 --> 00:23:17,679
as usual

510
00:23:22,950 --> 00:23:20,799
a giant bank cheats the little guys

511
00:23:23,990 --> 00:23:22,960
and the executives line their own

512
00:23:26,070 --> 00:23:24,000
pockets

513
00:23:27,190 --> 00:23:26,080

mr stumpf you make it clear that wall

514

00:23:31,750 --> 00:23:27,200

street won't change

515

00:23:35,430 --> 00:23:34,870

well that's it and in in a separate area

516

00:23:42,870 --> 00:23:35,440

of this

517

00:23:45,590 --> 00:23:42,880

miss warren senator warren uh

518

00:23:47,830 --> 00:23:45,600

she details how he had x number of

519

00:23:50,310 --> 00:23:47,840

stocks and how his

520

00:23:53,990 --> 00:23:50,320

the the value of the stock that he owned

521

00:23:57,830 --> 00:23:54,000

increased by some 200 million dollars

522

00:23:58,470 --> 00:23:57,840

uh which is quite a lot of money and

523

00:24:01,029 --> 00:23:58,480

actually

524

00:24:02,630 --> 00:24:01,039

other outlets uh like fortune magazine

525

00:24:04,710 --> 00:24:02,640

estimated that mr stumpf

526

00:24:07,830 --> 00:24:04,720

actually made more in the neighborhood

527

00:24:11,830 --> 00:24:07,840

of 235 million dollars

528

00:24:15,269 --> 00:24:11,840

off of this fraud uh

529

00:24:17,029 --> 00:24:15,279

and it's very interesting so i'll ask

530

00:24:20,070 --> 00:24:17,039

the members of the live chat

531

00:24:23,830 --> 00:24:20,080

was he prosecuted for this did he give

532

00:24:25,190 --> 00:24:23,840

back the 200 or 235 million dollars that

533

00:24:30,070 --> 00:24:25,200

he gained from a

534

00:24:32,310 --> 00:24:30,080

scam um

535

00:24:33,830 --> 00:24:32,320

no no friends he was not prosecuted

536

00:24:37,110 --> 00:24:33,840

criminally

537

00:24:41,269 --> 00:24:37,120

okay so what did happen

538

00:24:44,830 --> 00:24:41,279

okay so uh stumpf stepped down as ceo

539

00:24:49,430 --> 00:24:44,840

and chairman of the board on october 12

540

00:24:55,190 --> 00:24:52,789

in february 2018 janet yellen you might

541

00:24:56,310 --> 00:24:55,200

recognize that name on her first on her

542

00:24:57,590 --> 00:24:56,320

last day as

543

00:24:59,350 --> 00:24:57,600

chair of the board of governors the

544

00:25:01,430 --> 00:24:59,360

federal reserve system approved a

545

00:25:04,070 --> 00:25:01,440

strongly worded critical letter to stump

546

00:25:06,549 --> 00:25:04,080

to emphasize his failures as a co-chair

547

00:25:08,950 --> 00:25:06,559

of wells fargo board of directors the

548

00:25:09,350 --> 00:25:08,960

letter signed by michael gibson director

549

00:25:11,510 --> 00:25:09,360

of

550

00:25:13,830 --> 00:25:11,520

supervision and regulation cited stump's

551
00:25:15,830 --> 00:25:13,840
complicity in ignoring the bank's poor

552
00:25:18,230 --> 00:25:15,840
risk management programs

553
00:25:19,190 --> 00:25:18,240
and failure to initiate any serious

554
00:25:22,390 --> 00:25:19,200
investigation

555
00:25:26,870 --> 00:25:22,400
into its sales practices

556
00:25:29,350 --> 00:25:26,880
so great uh as far as other consequences

557
00:25:31,110 --> 00:25:29,360
in september of 2016 wells fargo was

558
00:25:33,669 --> 00:25:31,120
fined 100 million dollars

559
00:25:35,750 --> 00:25:33,679
by the consumer financial protection

560
00:25:38,149 --> 00:25:35,760
bureau

561
00:25:40,230 --> 00:25:38,159
50 million now by the comptroller of

562
00:25:42,310 --> 00:25:40,240
currency and 35 million by the city and

563
00:25:43,909 --> 00:25:42,320

county of los angeles for opening two

564

00:25:45,350 --> 00:25:43,919

million checking and credit card bank

565

00:25:46,950 --> 00:25:45,360

accounts without the consent of its

566

00:25:49,110 --> 00:25:46,960

customers

567

00:25:49,990 --> 00:25:49,120

he was grilled by angry lawmakers we saw

568

00:25:51,750 --> 00:25:50,000

a portion of that

569

00:25:54,149 --> 00:25:51,760

in capitol hill hearings before the u.s

570

00:25:57,350 --> 00:25:54,159

senate banking committee as well as

571

00:25:58,870 --> 00:25:57,360

house financial services committee

572

00:26:00,710 --> 00:25:58,880

sump was accused of cross-selling

573

00:26:01,909 --> 00:26:00,720

customers multiple accounts fraudulently

574

00:26:03,830 --> 00:26:01,919

when they did not need them

575

00:26:05,909 --> 00:26:03,840

and using those results on quarterly

576
00:26:07,830 --> 00:26:05,919
reports for larger returns on wells

577
00:26:10,789 --> 00:26:07,840
fargo stock holdings

578
00:26:12,789 --> 00:26:10,799
on september 27 the wall street journal

579
00:26:14,390 --> 00:26:12,799
reported that the board

580
00:26:16,149 --> 00:26:14,400
was considering cutting back on

581
00:26:18,470 --> 00:26:16,159
compensation for stumpf

582
00:26:19,669 --> 00:26:18,480
and former retail banking head carrie

583
00:26:21,350 --> 00:26:19,679
tolsted

584
00:26:23,510 --> 00:26:21,360
two days later stealth again appeared

585
00:26:26,470 --> 00:26:23,520
before congress declaring his

586
00:26:27,990 --> 00:26:26,480
intent to forfeit at least 41 million

587
00:26:29,909 --> 00:26:28,000
dollars in pay

588
00:26:32,149 --> 00:26:29,919

he also testified that wells fargo will

589

00:26:35,750 --> 00:26:32,159

drop its sales incentive program

590

00:26:38,870 --> 00:26:35,760

by the end of the week january 23

591

00:26:40,870 --> 00:26:38,880

2020 stump agreed to a lifetime ban from

592

00:26:44,230 --> 00:26:40,880

the banking industry

593

00:26:44,710 --> 00:26:44,240

and a 17.5 million dollar fine for his

594

00:26:47,830 --> 00:26:44,720

role

595

00:26:50,630 --> 00:26:47,840

in the fake account scandal

596

00:26:53,110 --> 00:26:50,640

so if we just do a little math uh he

597

00:26:54,149 --> 00:26:53,120

somehow forfeited 41 million dollars in

598

00:26:57,269 --> 00:26:54,159

pay

599

00:27:03,510 --> 00:26:57,279

million

600

00:27:04,789 --> 00:27:03,520

off of the scam so what do we learn here

601
00:27:07,909 --> 00:27:04,799
we learned that

602
00:27:09,750 --> 00:27:07,919
you can scan millions of people

603
00:27:12,230 --> 00:27:09,760
right as long as you wear the right

604
00:27:15,750 --> 00:27:12,240
shirt and tie you can scan

605
00:27:17,990 --> 00:27:15,760
millions of people and make

606
00:27:19,110 --> 00:27:18,000
200 million dollars and all you lose is

607
00:27:22,310 --> 00:27:19,120
about 60

608
00:27:24,549 --> 00:27:22,320
really 57 or so you know 57.5

609
00:27:26,470 --> 00:27:24,559
you're gonna walk away with over 140

610
00:27:27,430 --> 00:27:26,480
million dollars from running a scam of

611
00:27:32,190 --> 00:27:27,440
this type

612
00:27:34,789 --> 00:27:32,200
i just want to say really

613
00:27:38,149 --> 00:27:34,799

congratulations to john stumpf

614

00:27:41,510 --> 00:27:38,159

he's our first award winner on our new

615

00:27:42,389 --> 00:27:41,520

uh segment here crime pace because for

616

00:27:45,590 --> 00:27:42,399

john stumpf

617

00:27:46,710 --> 00:27:45,600

crime really did pay very impressed with

618

00:27:49,590 --> 00:27:46,720

how he was able

619

00:27:51,430 --> 00:27:49,600

to scan millions of people with his

620

00:27:54,310 --> 00:27:51,440

company he was in charge

621

00:27:55,669 --> 00:27:54,320

no consequences no jail time bro good

622

00:27:57,190 --> 00:27:55,679

for you no jail time

623

00:27:59,029 --> 00:27:57,200

but hey he had to pay a 15 million

624

00:27:59,669 --> 00:27:59,039

dollar fine out of that 200 million he

625

00:28:01,430 --> 00:27:59,679

made

626
00:28:03,190 --> 00:28:01,440
he might have lost some other money you

627
00:28:05,350 --> 00:28:03,200
know poor guy

628
00:28:07,590 --> 00:28:05,360
but he still walked with 140 million so

629
00:28:10,950 --> 00:28:07,600
he's worthy of note here

630
00:28:13,430 --> 00:28:10,960
okay friends let me uh

631
00:28:15,750 --> 00:28:13,440
let me do some house cleaning here and

632
00:28:18,630 --> 00:28:15,760
get rid of that

633
00:28:21,350 --> 00:28:18,640
so yeah that's kind of how our crime

634
00:28:24,630 --> 00:28:21,360
pays segment is gonna go

635
00:28:27,909 --> 00:28:24,640
uh but my friends

636
00:28:30,870 --> 00:28:27,919
uh we're gonna go we're gonna go on with

637
00:28:34,389 --> 00:28:30,880
our show here

638
00:28:38,789 --> 00:28:36,630

okay our next segment is on the dark

639

00:28:39,430 --> 00:28:38,799

side every once in a while i come across

640

00:28:42,549 --> 00:28:39,440

a really

641

00:28:44,389 --> 00:28:42,559

crazy dark story

642

00:28:46,149 --> 00:28:44,399

and we'd like to cover it here but again

643

00:28:47,750 --> 00:28:46,159

maybe not enough to do a full show on

644

00:28:48,789 --> 00:28:47,760

but we're going to try it in this new

645

00:28:51,190 --> 00:28:48,799

format

646

00:28:53,190 --> 00:28:51,200

so friends uh you're watching truth

647

00:28:58,690 --> 00:28:53,200

seekers i'm stephen campion

648

00:29:24,830 --> 00:28:58,700

welcome to the dark side

649

00:29:26,230 --> 00:29:24,840

[Music]

650

00:29:30,070 --> 00:29:26,240

so

651
00:29:33,110 --> 00:29:30,080
and uh

652
00:29:34,950 --> 00:29:33,120
this is a crazy story i call it the

653
00:29:39,269 --> 00:29:34,960
strange case of the human

654
00:29:42,950 --> 00:29:39,279
z human z you say what's a human see

655
00:29:46,230 --> 00:29:42,960
well uh friends it would appear

656
00:29:50,149 --> 00:29:46,240
that there has been

657
00:29:54,149 --> 00:29:50,159
actual experiments into creating

658
00:29:58,549 --> 00:29:54,159
uh a human chimpanzee

659
00:30:01,990 --> 00:30:01,110
that's right somebody's trying to make a

660
00:30:05,110 --> 00:30:02,000
half a

661
00:30:07,750 --> 00:30:05,120
half man creature not

662
00:30:10,630 --> 00:30:07,760
somebody multiple people in fact there

663
00:30:14,070 --> 00:30:10,640

are multiple stories

664

00:30:16,070 --> 00:30:14,080

of various people who have experimented

665

00:30:19,990 --> 00:30:16,080

with trying to create

666

00:30:23,510 --> 00:30:20,000

something called a human z

667

00:30:25,669 --> 00:30:23,520

half human half chimpanzee

668

00:30:27,350 --> 00:30:25,679

now when i first came across this story

669

00:30:29,029 --> 00:30:27,360

i just thought this is a crazy story

670

00:30:32,710 --> 00:30:29,039

this can't be real

671

00:30:34,389 --> 00:30:32,720

uh but it appears that there is

672

00:30:37,110 --> 00:30:34,399

substantial and supportive

673

00:30:37,990 --> 00:30:37,120

evidentiary support that parts of the of

674

00:30:42,149 --> 00:30:38,000

this story

675

00:30:47,430 --> 00:30:42,159

is true and for those of you who are

676
00:30:49,750 --> 00:30:47,440
wondering right what is it exactly that

677
00:30:51,990 --> 00:30:49,760
human z looks like i'm going to show you

678
00:30:53,990 --> 00:30:52,000
some artist depictions

679
00:30:55,590 --> 00:30:54,000
that i have previously shared on twitter

680
00:31:00,389 --> 00:30:55,600
here

681
00:31:04,070 --> 00:31:03,190
it's a humanzee friends it's half human

682
00:31:07,350 --> 00:31:04,080
and half

683
00:31:09,750 --> 00:31:07,360
chimpanzee now

684
00:31:11,750 --> 00:31:09,760
there's a lot of uh there's a lot of

685
00:31:12,389 --> 00:31:11,760
research materials about this believe it

686
00:31:15,990 --> 00:31:12,399
or not

687
00:31:18,950 --> 00:31:16,000
in 2006 in his 2006 book next

688
00:31:20,630 --> 00:31:18,960

uh the late author michael crichton

689

00:31:22,230 --> 00:31:20,640

tells the story of a scientist who

690

00:31:24,870 --> 00:31:22,240

crosses his own genes with the

691

00:31:27,990 --> 00:31:24,880

chimpanzee to create a human ape hybrid

692

00:31:29,029 --> 00:31:28,000

a human z but it's such a thing really

693

00:31:32,470 --> 00:31:29,039

possible

694

00:31:33,830 --> 00:31:32,480

and if so has it already been done

695

00:31:35,909 --> 00:31:33,840

the truth is that man has been

696

00:31:37,590 --> 00:31:35,919

crossbreeding animals for longer than

697

00:31:41,830 --> 00:31:37,600

recorded history

698

00:31:42,870 --> 00:31:41,840

but one of his greatest accomplishments

699

00:31:47,430 --> 00:31:42,880

may be creating

700

00:31:50,230 --> 00:31:47,440

what 100 150 different species of dogs

701
00:31:51,909 --> 00:31:50,240
and those species can vary in appearance

702
00:31:53,990 --> 00:31:51,919
greatly from something like a tiny

703
00:31:57,669 --> 00:31:54,000
chihuahua to something like uh

704
00:32:00,710 --> 00:31:57,679
you know an immense

705
00:32:02,470 --> 00:32:00,720
i don't know great dane right but

706
00:32:05,590 --> 00:32:02,480
despite their differing sizes and shapes

707
00:32:08,630 --> 00:32:05,600
however all dogs are only one species

708
00:32:11,110 --> 00:32:08,640
uh which of course is canis lupus

709
00:32:13,110 --> 00:32:11,120
the common dog related to the gray wolf

710
00:32:14,389 --> 00:32:13,120
over the centuries man has manipulated

711
00:32:16,710 --> 00:32:14,399
dogs by mating them

712
00:32:18,470 --> 00:32:16,720
in such a way as to give them whatever

713
00:32:21,590 --> 00:32:18,480

shapes sizes and temperaments

714

00:32:23,590 --> 00:32:21,600

we found useful or at least pleasing to

715

00:32:25,190 --> 00:32:23,600

people right

716

00:32:27,350 --> 00:32:25,200

and while dog breeding takes place

717

00:32:28,470 --> 00:32:27,360

inside a single species it's also

718

00:32:30,070 --> 00:32:28,480

possible to cross

719

00:32:32,070 --> 00:32:30,080

two closely related animals from

720

00:32:32,389 --> 00:32:32,080

different species and we as humans have

721

00:32:35,350 --> 00:32:32,399

done

722

00:32:36,870 --> 00:32:35,360

that the resulting creature is known as

723

00:32:38,549 --> 00:32:36,880

a hybrid

724

00:32:40,630 --> 00:32:38,559

the most familiar of these would be a

725

00:32:42,870 --> 00:32:40,640

mule the mule is real

726

00:32:45,110 --> 00:32:42,880

is comes from crossing a male donkey and

727

00:32:46,470 --> 00:32:45,120

a female horse

728

00:32:47,669 --> 00:32:46,480

and of course the combination gives a

729

00:32:49,750 --> 00:32:47,679

hybrid of some of the best

730

00:32:52,070 --> 00:32:49,760

characteristics of both parents

731

00:32:54,630 --> 00:32:52,080

right you get the best of both of those

732

00:32:58,470 --> 00:32:54,640

species this is why cross breeding

733

00:33:02,070 --> 00:33:00,710

uh one of my favorite hybrids is the lie

734

00:33:03,909 --> 00:33:02,080

uh the liger

735

00:33:05,909 --> 00:33:03,919

which is the hugest cat ever it's a

736

00:33:08,070 --> 00:33:05,919

cross between a lion and a tiger

737

00:33:08,950 --> 00:33:08,080

right you gotta love that napoleon

738

00:33:12,389 --> 00:33:08,960

bonaparte

739

00:33:16,710 --> 00:33:15,269

but a human z is that even possible in

740

00:33:18,470 --> 00:33:16,720

order to create a hybrid between two

741

00:33:20,870 --> 00:33:18,480

species these species of course have to

742

00:33:22,870 --> 00:33:20,880

be closely related and

743

00:33:24,070 --> 00:33:22,880

like horses and donkeys or lions and

744

00:33:26,710 --> 00:33:24,080

tigers

745

00:33:28,389 --> 00:33:26,720

the closest thing uh the closest living

746

00:33:31,669 --> 00:33:28,399

animal to homo sapiens

747

00:33:34,230 --> 00:33:31,679

is of course the chimpanzee according to

748

00:33:35,750 --> 00:33:34,240

recent studies 99.4 percent of the

749

00:33:37,110 --> 00:33:35,760

functional parts of the human and

750

00:33:40,230 --> 00:33:37,120

chimpanzees dna

751
00:33:41,750 --> 00:33:40,240
is exactly the same this is so

752
00:33:43,669 --> 00:33:41,760
close that some scientists are

753
00:33:44,789 --> 00:33:43,679
suggesting that the common chimpanzee

754
00:33:48,149 --> 00:33:44,799
and another

755
00:33:49,990 --> 00:33:48,159
close uh relative which is the bonobo

756
00:33:51,990 --> 00:33:50,000
i always thought they looked the same to

757
00:33:55,190 --> 00:33:52,000
me but their separate species

758
00:33:58,230 --> 00:33:55,200
should be reclassified along with humans

759
00:34:00,630 --> 00:33:58,240
uh with the rest of the great apes

760
00:34:02,149 --> 00:34:00,640
so humans and chimps are very close dna

761
00:34:04,149 --> 00:34:02,159
sequences but the dna

762
00:34:06,310 --> 00:34:04,159
is arranged differently and there's some

763
00:34:09,190 --> 00:34:06,320

other problems for example humans have

764

00:34:10,869 --> 00:34:09,200

46 chromosomes and chimps only have 48

765

00:34:13,909 --> 00:34:10,879

chromosomes

766

00:34:14,710 --> 00:34:13,919

but this is not necessarily uh a deal

767

00:34:16,790 --> 00:34:14,720

breaker

768

00:34:19,109 --> 00:34:16,800

uh you know because horses have 64

769

00:34:21,030 --> 00:34:19,119

chromosomes and donkeys have 62 but can

770

00:34:25,030 --> 00:34:21,040

still be crossed to create a mule

771

00:34:26,710 --> 00:34:25,040

so in fact several scientists

772

00:34:30,149 --> 00:34:26,720

a few of whom i talked to and said don't

773

00:34:35,030 --> 00:34:32,629

said that they believe it may be

774

00:34:37,430 --> 00:34:35,040

entirely possible to cross a human with

775

00:34:41,030 --> 00:34:37,440

the chimpanzee

776

00:34:45,589 --> 00:34:43,349

scientists have also found evidence that

777

00:34:46,950 --> 00:34:45,599

in our dna that human ancestors and chip

778

00:34:50,310 --> 00:34:46,960

ancestors interbred

779

00:34:52,710 --> 00:34:50,320

as recently as 1.2 million years ago

780

00:34:54,629 --> 00:34:52,720

how's that 1.2 million years ago

781

00:34:56,710 --> 00:34:54,639

chimpanzees ancestors and our human

782

00:35:00,230 --> 00:34:56,720

ancestors were getting it all

783

00:35:03,349 --> 00:35:00,240

and that may have created hybrid

784

00:35:05,270 --> 00:35:03,359

human ape creatures so it may be

785

00:35:07,030 --> 00:35:05,280

possible that humans are actually

786

00:35:09,030 --> 00:35:07,040

the descendants of the hybrid of a chimp

787

00:35:09,750 --> 00:35:09,040

ancestor that crossed with another human

788

00:35:12,310 --> 00:35:09,760

line

789

00:35:14,150 --> 00:35:12,320

that has since died out but where this

790

00:35:17,990 --> 00:35:14,160

story gets really crazy

791

00:35:21,670 --> 00:35:20,950

because despite these problems of

792

00:35:23,670 --> 00:35:21,680

combining

793

00:35:25,349 --> 00:35:23,680

humans and chimpanzees at least one

794

00:35:26,069 --> 00:35:25,359

scientist tried to create such a

795

00:35:28,390 --> 00:35:26,079

creature

796

00:35:29,109 --> 00:35:28,400

and this is on record as a historical

797

00:35:30,710 --> 00:35:29,119

fact

798

00:35:32,150 --> 00:35:30,720

this was the controversial russian

799

00:35:35,670 --> 00:35:32,160

biologist ilya

800

00:35:37,349 --> 00:35:35,680

ivanovic uh ivanov was

801
00:35:39,109 --> 00:35:37,359
a 20th century researcher that

802
00:35:40,230 --> 00:35:39,119
specializes in creating and studying

803
00:35:43,829 --> 00:35:40,240
hybrid creatures

804
00:35:45,430 --> 00:35:43,839
in fact he's the person responsible for

805
00:35:47,030 --> 00:35:45,440
all but inventing artificial

806
00:35:51,190 --> 00:35:47,040
insemination

807
00:35:53,030 --> 00:35:51,200
create hybrid animals

808
00:35:55,030 --> 00:35:53,040
eventually he decided that he wanted to

809
00:35:58,550 --> 00:35:55,040
try to create a hybrid human

810
00:36:00,710 --> 00:35:58,560
chimpanzee like i said this is where the

811
00:36:02,550 --> 00:36:00,720
story gets crazy

812
00:36:03,990 --> 00:36:02,560
uh one second we're going to show some

813
00:36:06,390 --> 00:36:04,000

other uh

814

00:36:07,430 --> 00:36:06,400

other possible artist interpretations

815

00:36:10,310 --> 00:36:07,440

here

816

00:36:10,790 --> 00:36:10,320

so this is a graphic of combining a

817

00:36:12,950 --> 00:36:10,800

human

818

00:36:14,310 --> 00:36:12,960

and a chimpanzee something that this

819

00:36:17,750 --> 00:36:14,320

russian scientist was

820

00:36:18,150 --> 00:36:17,760

keen and very determined from what i've

821

00:36:22,069 --> 00:36:18,160

read

822

00:36:25,270 --> 00:36:22,079

to try to make a reality

823

00:36:32,550 --> 00:36:29,589

yeah friends so uh

824

00:36:34,470 --> 00:36:32,560

basically this russian scientist uh

825

00:36:39,109 --> 00:36:34,480

while working at the pastor

826

00:36:42,950 --> 00:36:39,119

institute in paris excuse me

827

00:36:47,270 --> 00:36:42,960

in paris he got his chance

828

00:36:52,870 --> 00:36:51,030

to use the primate research uh facility

829

00:36:55,190 --> 00:36:52,880

in french guinea as the laboratory for

830

00:36:57,190 --> 00:36:55,200

his experiments and got some money

831

00:37:00,150 --> 00:36:57,200

from the russian academy of sciences to

832

00:37:05,030 --> 00:37:02,950

so ivanov uh arrived only to find it had

833

00:37:06,470 --> 00:37:05,040

no sexually mature chimpanzees to work

834

00:37:08,550 --> 00:37:06,480

with so in november

835

00:37:09,510 --> 00:37:08,560

1926 he traveled to the botanical

836

00:37:11,910 --> 00:37:09,520

gardens in

837

00:37:13,430 --> 00:37:11,920

french new guinea and set up shop there

838

00:37:15,589 --> 00:37:13,440

several adult chimpanzees from the

839

00:37:18,710 --> 00:37:15,599

interior of the country were brought to

840

00:37:19,589 --> 00:37:18,720

him and arno and he artificially

841

00:37:22,069 --> 00:37:19,599

inseminated

842

00:37:23,270 --> 00:37:22,079

three female chimpanzees with human

843

00:37:26,710 --> 00:37:23,280

sperm

844

00:37:28,150 --> 00:37:26,720

though none it appears became pregnant

845

00:37:30,310 --> 00:37:28,160

he was also interested in trying to

846

00:37:32,069 --> 00:37:30,320

impregnate human females with chimp

847

00:37:33,829 --> 00:37:32,079

sperm

848

00:37:35,750 --> 00:37:33,839

but officials in new guinea balked at

849

00:37:38,310 --> 00:37:35,760

this idea when he turned to russia in

850

00:37:38,950 --> 00:37:38,320

1927 he designed an experiment to try to

851
00:37:42,230 --> 00:37:38,960
impregnate

852
00:37:44,470 --> 00:37:42,240
five female human volunteers

853
00:37:46,069 --> 00:37:44,480
but was hampered by the lack of a male

854
00:37:49,430 --> 00:37:46,079
chimp to provide the sperm

855
00:37:49,990 --> 00:37:49,440
in 1930 ivanov fell out of favor with

856
00:37:51,589 --> 00:37:50,000
the government

857
00:37:53,829 --> 00:37:51,599
was arrested and spent the rest of his

858
00:37:57,270 --> 00:37:53,839
life in exile

859
00:38:00,310 --> 00:37:57,280
now along with this story also

860
00:38:00,790 --> 00:38:00,320
comes the strange case of oliver the

861
00:38:02,470 --> 00:38:00,800
chimp

862
00:38:04,230 --> 00:38:02,480
some of you may have heard this story

863
00:38:05,589 --> 00:38:04,240

this is a chimp that walked upright he

864

00:38:08,630 --> 00:38:05,599

had a hairless face

865

00:38:11,430 --> 00:38:08,640

really was a crazy crazy

866

00:38:12,310 --> 00:38:11,440

thing and uh sort of a circus attraction

867

00:38:14,150 --> 00:38:12,320

but he was

868

00:38:15,430 --> 00:38:14,160

oliver the chimp was dna tested and

869

00:38:18,710 --> 00:38:15,440

found to be

870

00:38:20,710 --> 00:38:18,720

a hundred percent chimpanzee

871

00:38:23,030 --> 00:38:20,720

so friends i don't know what to think of

872

00:38:26,230 --> 00:38:23,040

this one but

873

00:38:29,670 --> 00:38:26,240

this is the story from the dark side of

874

00:38:32,870 --> 00:38:29,680

the human z

875

00:38:34,790 --> 00:38:32,880

i have found additional sourcing where

876

00:38:36,310 --> 00:38:34,800

other people claim that other people

877

00:38:39,990 --> 00:38:36,320

have done experiments

878

00:38:44,069 --> 00:38:40,000

and actually created and brought a human

879

00:38:46,710 --> 00:38:44,079

chimpanzee hybrid to full term and birth

880

00:38:48,230 --> 00:38:46,720

and we're going to cover that on a

881

00:38:51,990 --> 00:38:48,240

future segment here

882

00:38:55,109 --> 00:38:52,000

uh on the dark side so friends

883

00:38:58,829 --> 00:38:55,119

moving right along to the next uh the

884

00:39:01,910 --> 00:38:58,839

next segment of our show here

885

00:39:04,950 --> 00:39:01,920

okay i don't know about you

886

00:39:07,990 --> 00:39:04,960

uh but i find myself trying really hard

887

00:39:10,150 --> 00:39:08,000

to not see signs of the apocalypse

888

00:39:12,069 --> 00:39:10,160

around me

889

00:39:14,310 --> 00:39:12,079

funny i should have to say that but if

890

00:39:15,990 --> 00:39:14,320

you look at the news

891

00:39:17,990 --> 00:39:16,000

you look at enough stuff on the internet

892

00:39:20,310 --> 00:39:18,000

you begin to see signs

893

00:39:22,310 --> 00:39:20,320

that the apocalypse just may be imminent

894

00:39:23,109 --> 00:39:22,320

i'm trying not to i'm really trying not

895

00:39:27,109 --> 00:39:23,119

to

896

00:39:46,320 --> 00:39:27,119

but while i still do sometimes

897

00:40:01,750 --> 00:39:55,280

[Music]

898

00:40:06,230 --> 00:40:04,550

okay friends so notes from the

899

00:40:11,190 --> 00:40:06,240

apocalypse

900

00:40:14,470 --> 00:40:11,200

never like zombie movies

901
00:40:15,910 --> 00:40:14,480
okay so uh i i found something that i

902
00:40:19,349 --> 00:40:15,920
wanted to share

903
00:40:21,030 --> 00:40:19,359
and uh it's gonna come as bad news for

904
00:40:22,630 --> 00:40:21,040
some people especially people who are

905
00:40:25,190 --> 00:40:22,640
fans of uh

906
00:40:25,750 --> 00:40:25,200
prophetic psychics as i know some of you

907
00:40:31,270 --> 00:40:25,760
actually

908
00:40:37,430 --> 00:40:34,309
what did nostradamus have to say about

909
00:40:37,990 --> 00:40:37,440
2021 do we really want to know i didn't

910
00:40:39,750 --> 00:40:38,000
want to know

911
00:40:43,670 --> 00:40:39,760
but i had to read it and now i have to

912
00:40:46,950 --> 00:40:45,510
so friends in our notes from the

913
00:40:49,430 --> 00:40:46,960

apocalypse series

914

00:40:51,750 --> 00:40:49,440

uh here we're sharing uh and this is

915

00:40:53,829 --> 00:40:51,760

fair use from news18.com zombie

916

00:40:55,589 --> 00:40:53,839

apocalypse famines and asteroids these

917

00:40:58,390 --> 00:40:55,599

are nostradamus's

918

00:40:59,670 --> 00:40:58,400

scary predictions for 2021 just when you

919

00:41:01,349 --> 00:40:59,680

thought it couldn't get any worse than

920

00:41:03,510 --> 00:41:01,359

it already is in 2020 a french

921

00:41:06,390 --> 00:41:03,520

philosopher has predicted zombies famine

922

00:41:09,430 --> 00:41:06,400

and asteroids for the year 2021

923

00:41:11,990 --> 00:41:09,440

michelle de nostradamus french physician

924

00:41:14,790 --> 00:41:12,000

pharmacist and philosopher's predictions

925

00:41:16,710 --> 00:41:14,800

have been known to come true in the past

926

00:41:19,030 --> 00:41:16,720

he's widely known for his book

927

00:41:20,790 --> 00:41:19,040

lay prophecies which contains his

928

00:41:22,390 --> 00:41:20,800

predictions expressed in verses called

929

00:41:24,710 --> 00:41:22,400

quatrains

930

00:41:25,910 --> 00:41:24,720

nostradamus has talked about prophecies

931

00:41:27,510 --> 00:41:25,920

that could have been fulfilled in the

932

00:41:30,950 --> 00:41:27,520

past and continue to shock the world

933

00:41:32,950 --> 00:41:30,960

despite being written five centuries ago

934

00:41:34,069 --> 00:41:32,960

so here we go the zombie apocalypse in

935

00:41:36,150 --> 00:41:34,079

the book he writes about

936

00:41:38,150 --> 00:41:36,160

a few young people would be half dead to

937

00:41:39,349 --> 00:41:38,160

give a start yearly horoscope states

938

00:41:41,030 --> 00:41:39,359

that

939

00:41:42,550 --> 00:41:41,040

this indicates a possible zombie

940

00:41:44,390 --> 00:41:42,560

apocalypse is in the cards and a

941

00:41:46,470 --> 00:41:44,400

biological weapon will be created by a

942

00:41:47,270 --> 00:41:46,480

russian scientist which would extinct us

943

00:41:49,030 --> 00:41:47,280

all

944

00:41:50,630 --> 00:41:49,040

sounds like a script right out of a

945

00:41:53,270 --> 00:41:50,640

sci-fi movie right

946

00:41:55,270 --> 00:41:53,280

biblical famine he also talks about how

947

00:41:57,190 --> 00:41:55,280

after the great trouble for humanity

948

00:41:58,390 --> 00:41:57,200

a greater one is prepared which will be

949

00:42:01,510 --> 00:41:58,400

of rain blood

950

00:42:03,030 --> 00:42:01,520

milk famine steel and plague

951
00:42:04,630 --> 00:42:03,040
this suggests that the early signs of

952
00:42:08,150 --> 00:42:04,640
the apocalypse would be

953
00:42:10,230 --> 00:42:08,160
epidemics famine and earthquake

954
00:42:12,710 --> 00:42:10,240
it also warns us that the ill that

955
00:42:16,710 --> 00:42:12,720
illnesses more dreadful than coronavirus

956
00:42:19,349 --> 00:42:16,720
will take place next year so friends

957
00:42:21,109 --> 00:42:19,359
uh i don't know i would have liked to

958
00:42:23,670 --> 00:42:21,119
give you some good news but it's not

959
00:42:26,150 --> 00:42:23,680
looking good for 2021 according to

960
00:42:27,750 --> 00:42:26,160
nostradamus if you believe that sort of

961
00:42:30,390 --> 00:42:27,760
thing

962
00:42:31,910 --> 00:42:30,400
and we're just going to leave it at that

963
00:42:33,750 --> 00:42:31,920

i don't want to think about a giant

964

00:42:34,790 --> 00:42:33,760

asteroid impacting earth i think we have

965

00:42:41,030 --> 00:42:34,800

enough things

966

00:42:44,150 --> 00:42:43,510

so friends in uh the next part of our

967

00:42:46,550 --> 00:42:44,160

series

968

00:42:48,150 --> 00:42:46,560

is power and privilege and this is

969

00:42:51,109 --> 00:42:48,160

something i noticed

970

00:42:52,230 --> 00:42:51,119

yesterday uh which is a great story

971

00:42:54,710 --> 00:42:52,240

about how much

972

00:42:55,990 --> 00:42:54,720

our leaders our senators really care

973

00:42:58,069 --> 00:42:56,000

about us

974

00:42:59,030 --> 00:42:58,079

really it really tugged at my heart

975

00:43:03,109 --> 00:42:59,040

strings

976

00:43:06,630 --> 00:43:03,119

our senators

977

00:43:09,670 --> 00:43:06,640

and uh and leadership

978

00:43:11,990 --> 00:43:09,680

you know those rich elite people

979

00:43:12,710 --> 00:43:12,000

that are our leaders in washington it's

980

00:43:15,190 --> 00:43:12,720

just

981

00:43:17,270 --> 00:43:15,200

it's beautiful how much those guys

982

00:43:20,630 --> 00:43:17,280

really care about us

983

00:43:21,349 --> 00:43:20,640

really really so this is our new series

984

00:43:24,829 --> 00:43:21,359

new segment

985

00:43:25,840 --> 00:43:24,839

friends and it's called power and

986

00:43:54,230 --> 00:43:25,850

privilege

987

00:43:57,670 --> 00:43:55,589

okay and we're going to be sharing an

988

00:43:59,270 --> 00:43:57,680

article so this is fair use this is the

989

00:44:00,470 --> 00:43:59,280

transformative work and we're educating

990

00:44:02,710 --> 00:44:00,480

the public

991

00:44:03,990 --> 00:44:02,720

and critiquing the news article we're

992

00:44:06,069 --> 00:44:04,000

sharing that video

993

00:44:08,790 --> 00:44:06,079

and this of course is covered under fair

994

00:44:13,190 --> 00:44:08,800

use friends

995

00:44:16,950 --> 00:44:15,670

so here we are friends ted cruz faces

996

00:44:20,069 --> 00:44:16,960

backlash after

997

00:44:20,790 --> 00:44:20,079

photos reportedly showing him flying to

998

00:44:25,829 --> 00:44:20,800

cancun

999

00:44:29,910 --> 00:44:27,750

and by the way he's facing criticism

1000

00:44:31,270 --> 00:44:29,920

after unverified images suggesting he

1001
00:44:34,470 --> 00:44:31,280
left texas on wednesday

1002
00:44:38,309 --> 00:44:34,480
it's since been admitted by mr

1003
00:44:41,670 --> 00:44:38,319
cruz that he did indeed

1004
00:44:42,710 --> 00:44:41,680
go to cancun now for those of you

1005
00:44:46,309 --> 00:44:42,720
begrudging

1006
00:44:49,990 --> 00:44:46,319
uh you know a rich overworked senator

1007
00:44:51,990 --> 00:44:50,000
right a vacation in cancun

1008
00:44:53,829 --> 00:44:52,000
it's really about optics isn't it

1009
00:44:56,470 --> 00:44:53,839
because right now in texas

1010
00:44:56,950 --> 00:44:56,480
uh i believe it's still millions of

1011
00:45:00,150 --> 00:44:56,960
people

1012
00:45:01,990 --> 00:45:00,160
realize

1013
00:45:03,190 --> 00:45:02,000

is when you don't have power you don't

1014

00:45:05,670 --> 00:45:03,200

have heat

1015

00:45:07,109 --> 00:45:05,680

it's electric ignition even on gas

1016

00:45:09,430 --> 00:45:07,119

heaters oil heaters

1017

00:45:11,030 --> 00:45:09,440

right electric heaters are going to work

1018

00:45:13,030 --> 00:45:11,040

if there's no power

1019

00:45:14,150 --> 00:45:13,040

so while millions potentially millions

1020

00:45:17,510 --> 00:45:14,160

of people

1021

00:45:19,829 --> 00:45:17,520

are freezing in their homes in texas

1022

00:45:20,710 --> 00:45:19,839

their senator hopped on a plane to

1023

00:45:25,750 --> 00:45:20,720

cancun

1024

00:45:30,069 --> 00:45:27,510

uh and again this is an older article it

1025

00:45:32,470 --> 00:45:30,079

says cruz hasn't commented yes he did

1026
00:45:34,470 --> 00:45:32,480
so he faced a barrage of criticism as un

1027
00:45:36,550 --> 00:45:34,480
uh verified images said to show him

1028
00:45:37,750 --> 00:45:36,560
taking a flight out of the storm ravages

1029
00:45:39,510 --> 00:45:37,760
state circulated

1030
00:45:41,510 --> 00:45:39,520
on twitter on wednesday and as i said

1031
00:45:42,470 --> 00:45:41,520
those photos has since been verified as

1032
00:45:46,390 --> 00:45:42,480
being

1033
00:45:49,510 --> 00:45:46,400
absolutely true and here we see

1034
00:45:51,829 --> 00:45:49,520
and twitter erupted on him

1035
00:45:52,870 --> 00:45:51,839
senator cruz is flying to cancun while

1036
00:45:55,349 --> 00:45:52,880
millions of

1037
00:45:57,270 --> 00:45:55,359
texans do not have electricity like i

1038
00:46:01,990 --> 00:45:57,280

said i'm just blown away by how much he

1039

00:46:05,829 --> 00:46:04,150

david schuster just confirmed senator

1040

00:46:07,589 --> 00:46:05,839

ted cruz and his family flew cancun

1041

00:46:08,950 --> 00:46:07,599

tonight for a few days at a resort they

1042

00:46:10,550 --> 00:46:08,960

visited before

1043

00:46:12,309 --> 00:46:10,560

cruz seems to believe there isn't much

1044

00:46:13,990 --> 00:46:12,319

for him to do in texas for the millions

1045

00:46:15,589 --> 00:46:14,000

of fellow texans who remain without

1046

00:46:18,150 --> 00:46:15,599

electricity and water

1047

00:46:19,589 --> 00:46:18,160

and are literally freezing but listen

1048

00:46:22,390 --> 00:46:19,599

david schuster it's okay

1049

00:46:24,550 --> 00:46:22,400

because those people have been told

1050

00:46:25,670 --> 00:46:24,560

build a campfire in your backyard melt

1051
00:46:27,750 --> 00:46:25,680
some snow

1052
00:46:29,670 --> 00:46:27,760
get yourself a tent some sleeping bags

1053
00:46:31,510 --> 00:46:29,680
for inside your house you'll be fine the

1054
00:46:32,470 --> 00:46:31,520
power will be back on a few weeks i

1055
00:46:36,069 --> 00:46:32,480
guess

1056
00:46:41,589 --> 00:46:39,670
and more people

1057
00:46:43,589 --> 00:46:41,599
showed photos of him sitting on the

1058
00:46:46,630 --> 00:46:43,599
plane it has since been verified

1059
00:46:49,910 --> 00:46:46,640
that he yes indeed

1060
00:46:50,470 --> 00:46:49,920
flew to cancun now he just released a

1061
00:46:52,870 --> 00:46:50,480
statement

1062
00:46:54,870 --> 00:46:52,880
earlier today claiming that his

1063
00:46:56,470 --> 00:46:54,880

daughters wanted to go on vacation

1064

00:46:58,150 --> 00:46:56,480

with their friends and he was just being

1065

00:47:00,230 --> 00:46:58,160

a good father flying him down there and

1066

00:47:04,230 --> 00:47:00,240

he was coming right back

1067

00:47:06,390 --> 00:47:04,240

[h__\h] i'm sorry uh no

1068

00:47:07,270 --> 00:47:06,400

he was going on vacation with his family

1069

00:47:10,630 --> 00:47:07,280

right

1070

00:47:13,109 --> 00:47:10,640

why stay in freezing cold texas with all

1071

00:47:15,430 --> 00:47:13,119

that suffering and no heat in your house

1072

00:47:16,390 --> 00:47:15,440

you can just go to cancun because you

1073

00:47:19,589 --> 00:47:16,400

have the power

1074

00:47:22,470 --> 00:47:19,599

and the privilege to do that

1075

00:47:24,710 --> 00:47:22,480

what worries me most about this story is

1076

00:47:27,510 --> 00:47:24,720

not the sudden realization

1077

00:47:28,549 --> 00:47:27,520

that this is how much our leaders think

1078

00:47:31,750 --> 00:47:28,559

of us

1079

00:47:34,309 --> 00:47:31,760

right what really bothers me

1080

00:47:35,270 --> 00:47:34,319

is that this clown didn't even consider

1081

00:47:38,150 --> 00:47:35,280

the optics

1082

00:47:39,109 --> 00:47:38,160

of how bad it would look for him to go

1083

00:47:41,589 --> 00:47:39,119

on vacation

1084

00:47:43,589 --> 00:47:41,599

in sunny Cancun while all his

1085

00:47:47,190 --> 00:47:43,599

constituents were suffering

1086

00:47:49,589 --> 00:47:47,200

with no power and no water

1087

00:47:51,589 --> 00:47:49,599

but this is the world that we live in

1088

00:47:55,030 --> 00:47:51,599

and these are the clowns

1089

00:47:57,750 --> 00:47:55,040

that we hire to be our leaders

1090

00:48:00,549 --> 00:47:57,760

and friends if there is any justice in

1091

00:48:02,390 --> 00:48:00,559

the world if there is really karma

1092

00:48:03,750 --> 00:48:02,400

somebody's got to run against him in the

1093

00:48:06,870 --> 00:48:03,760

next election

1094

00:48:10,069 --> 00:48:06,880

that he's up for and make this the sole

1095

00:48:12,309 --> 00:48:10,079

issue of the campaign you flew to Cancun

1096

00:48:15,430 --> 00:48:12,319

bro when everybody was freezing

1097

00:48:18,230 --> 00:48:15,440

and suffering you went on vacation

1098

00:48:20,309 --> 00:48:18,240

to Cancun Mexico with your family and

1099

00:48:23,190 --> 00:48:20,319

then he got caught see

1100

00:48:24,790 --> 00:48:23,200

here's the problem Mr. Ted Cruz has a lot

1101

00:48:27,430 --> 00:48:24,800

of power and a lot of

1102

00:48:29,109 --> 00:48:27,440

press you know privilege but he hasn't

1103

00:48:30,870 --> 00:48:29,119

figured out that when he does [h__h] like

1104

00:48:32,470 --> 00:48:30,880

this he needs a private plane

1105

00:48:34,630 --> 00:48:32,480

so that people can't take pictures of

1106

00:48:36,549 --> 00:48:34,640

him and bust him doing stupid things

1107

00:48:38,549 --> 00:48:36,559

like this

1108

00:48:40,309 --> 00:48:38,559

so my advice for ted cruz is buy a

1109

00:48:42,069 --> 00:48:40,319

private plane that and

1110

00:48:43,349 --> 00:48:42,079

consider the private sector bro because

1111

00:48:45,510 --> 00:48:43,359

i have a feeling that you're going to be

1112

00:48:47,030 --> 00:48:45,520

facing quite a challenge in your next

1113

00:48:48,950 --> 00:48:47,040

election

1114

00:48:50,630 --> 00:48:48,960

what are you gonna do friends this is

1115

00:48:54,150 --> 00:48:50,640

how much our leadership

1116

00:48:57,430 --> 00:48:54,160

cares about us the few

1117

00:49:01,030 --> 00:48:57,440

the privileged the powerful don't

1118

00:49:05,990 --> 00:49:01,040

care about us and maybe

1119

00:49:09,430 --> 00:49:08,230

okay but along with all this bad news

1120

00:49:11,270 --> 00:49:09,440

friends i don't want to just bring you

1121

00:49:13,589 --> 00:49:11,280

bad news so we have one final segment

1122

00:49:16,549 --> 00:49:13,599

left in our series here

1123

00:49:18,870 --> 00:49:16,559

um unless i'm wrong let me go through my

1124

00:49:22,630 --> 00:49:18,880

checklist

1125

00:49:26,230 --> 00:49:22,640

yeah oh we made it through we've got one

1126

00:49:29,430 --> 00:49:26,240

one final one final segment

1127

00:49:33,910 --> 00:49:29,440

that i'm calling the good news

1128

00:49:39,589 --> 00:49:36,870

i get enough bad news right every once

1129

00:49:44,069 --> 00:49:43,270

i'm reminded every so often i'm reminded

1130

00:49:46,950 --> 00:49:44,079

that i still

1131

00:49:47,750 --> 00:49:46,960

have a little bit of faith just a little

1132

00:49:51,190 --> 00:49:47,760

bit of faith

1133

00:49:55,430 --> 00:49:51,200

left in humanity and that my friends

1134

00:49:59,750 --> 00:49:55,440

is the good news if you look hard enough

1135

00:50:01,990 --> 00:49:59,760

you will sometimes you gotta look hard

1136

00:50:03,270 --> 00:50:02,000

but if you look hard enough my friends

1137

00:50:06,069 --> 00:50:03,280

you will find

1138

00:50:07,910 --> 00:50:06,079

the good news you're watching truth

1139

00:50:18,020 --> 00:50:07,920

seekers i'm stephen campion

1140

00:50:31,910 --> 00:50:28,950

[Music]

1141

00:50:32,790 --> 00:50:31,920

okay friends so as i mentioned i want to

1142

00:50:37,109 --> 00:50:32,800

share some good

1143

00:50:40,150 --> 00:50:37,119

news we need we all need some good news

1144

00:50:41,109 --> 00:50:40,160

um and every once in a while i do find a

1145

00:50:44,630 --> 00:50:41,119

story

1146

00:50:47,430 --> 00:50:44,640

that restores a little bit of my faith

1147

00:50:49,589 --> 00:50:47,440

a little bit of my faith in humanity and

1148

00:50:51,670 --> 00:50:49,599

again this is fair use we're going to be

1149

00:50:53,750 --> 00:50:51,680

discussing and critiquing this video we

1150

00:50:55,349 --> 00:50:53,760

are sharing now

1151
00:50:57,430 --> 00:50:55,359
we're using this for educational

1152
00:50:59,349 --> 00:50:57,440
purposes to let people know that not all

1153
00:51:01,190 --> 00:50:59,359
humans are scumbags there's

1154
00:51:02,549 --> 00:51:01,200
actually still some good people left and

1155
00:51:05,589 --> 00:51:02,559
i'm happy to see that

1156
00:51:07,510 --> 00:51:05,599
so this my friends is the good news i'm

1157
00:51:10,390 --> 00:51:07,520
going to be sharing this

1158
00:51:12,309 --> 00:51:10,400
and this is from spectrum news one and

1159
00:51:16,870 --> 00:51:12,319
it's a really good story

1160
00:51:20,390 --> 00:51:16,880
about how sometimes if you

1161
00:51:22,870 --> 00:51:20,400
if you humbly ask for help you just may

1162
00:51:26,549 --> 00:51:22,880
get it

1163
00:51:29,510 --> 00:51:26,559

let me do this one more time friends

1164

00:51:32,309 --> 00:51:29,520

that share audio button still still

1165

00:51:32,319 --> 00:51:40,309

okay now we got it

1166

00:51:44,790 --> 00:51:42,549

on a cold day in lincoln county bubba

1167

00:51:46,870 --> 00:51:44,800

martin is grateful

1168

00:51:47,990 --> 00:51:46,880

it was a cold day just like this one in

1169

00:51:49,910 --> 00:51:48,000

2019

1170

00:51:51,190 --> 00:51:49,920

when martin was working for a roofing

1171

00:51:53,589 --> 00:51:51,200

company

1172

00:51:54,390 --> 00:51:53,599

but he had no work because it had rained

1173

00:51:56,870 --> 00:51:54,400

all week

1174

00:51:58,069 --> 00:51:56,880

and i walked down the lows because

1175

00:51:59,510 --> 00:51:58,079

that's why the contractors meet and i

1176

00:52:02,950 --> 00:51:59,520

said well i'll find me some work day

1177

00:52:03,990 --> 00:52:02,960

wearing his work belt he ran into vernon

1178

00:52:05,349 --> 00:52:04,000

browning

1179

00:52:07,109 --> 00:52:05,359

run on the other side of the building i

1180

00:52:10,230 --> 00:52:07,119

said is there any way you can

1181

00:52:11,510 --> 00:52:10,240

help a man out with a day's wage said

1182

00:52:12,150 --> 00:52:11,520

well i said i really don't need anybody

1183

00:52:15,109 --> 00:52:12,160

right now

1184

00:52:16,230 --> 00:52:15,119

and uh as i started walking away uh i

1185

00:52:17,510 --> 00:52:16,240

turned around and said you know what a

1186

00:52:19,349 --> 00:52:17,520

man's gonna stand out here with his tool

1187

00:52:20,470 --> 00:52:19,359

belt and ask for work uh he's not

1188

00:52:21,750 --> 00:52:20,480

begging for money or nothing like i said

1189

00:52:24,150 --> 00:52:21,760

i'm gonna give him a shot i said

1190

00:52:25,109 --> 00:52:24,160

come on with me i got too much of

1191

00:52:27,750 --> 00:52:25,119

everything i think

1192

00:52:28,390 --> 00:52:27,760

as browning gave him a ride home martin

1193

00:52:30,309 --> 00:52:28,400

threw him

1194

00:52:31,670 --> 00:52:30,319

a warning he said mr brownie said don't

1195

00:52:35,829 --> 00:52:31,680

judge me before i'm staying

1196

00:52:37,030 --> 00:52:35,839

109 hover street martin was homeless

1197

00:52:38,230 --> 00:52:37,040

at least we weren't staying in the tent

1198

00:52:40,230 --> 00:52:38,240

somewhere out in the cold he was

1199

00:52:40,870 --> 00:52:40,240

spending his nights in this abandoned

1200

00:52:44,790 --> 00:52:40,880

home

1201
00:52:48,069 --> 00:52:44,800
he's a very hard worker he's never late

1202
00:52:49,430 --> 00:52:48,079
a holiday and i said uh mr martin on the

1203
00:52:51,109 --> 00:52:49,440
other side i needed to cut this for me

1204
00:52:52,309 --> 00:52:51,119
and as i looked down

1205
00:52:54,630 --> 00:52:52,319
i seen that he was reading his tape

1206
00:52:57,430 --> 00:52:54,640
measure but he was like this

1207
00:52:58,069 --> 00:52:57,440
martin was blind in one eye and could

1208
00:53:00,470 --> 00:52:58,079
hardly

1209
00:53:03,190 --> 00:53:00,480
see out of his left one he'd see how bad

1210
00:53:04,390 --> 00:53:03,200
my eyes was he said can you see it all

1211
00:53:05,510 --> 00:53:04,400
and i said mr brown i didn't want to

1212
00:53:06,950 --> 00:53:05,520
tell you i can't see you i said cause

1213
00:53:09,349 --> 00:53:06,960

most people won't work you like it

1214

00:53:09,990 --> 00:53:09,359

browning continue to give him work just

1215

00:53:11,190 --> 00:53:10,000

pick up

1216

00:53:13,430 --> 00:53:11,200

don't get on ladder and don't use no

1217

00:53:14,390 --> 00:53:13,440

tools even with all this bad stuff going

1218

00:53:15,670 --> 00:53:14,400

on

1219

00:53:19,349 --> 00:53:15,680

in the world late you know saying that

1220

00:53:25,190 --> 00:53:19,359

still people like that man right there

1221

00:53:28,790 --> 00:53:26,829

and just took time out of this busy

1222

00:53:32,710 --> 00:53:28,800

schedule

1223

00:53:36,309 --> 00:53:34,150

and that would be the friendship

1224

00:53:38,150 --> 00:53:36,319

browning and his family helped him find

1225

00:53:41,829 --> 00:53:38,160

a doctor to fix his sight

1226

00:53:46,470 --> 00:53:41,839

i mean i can see now he took me my pumps

1227

00:53:50,549 --> 00:53:49,030

browning said he's not sure what made

1228

00:53:55,430 --> 00:53:50,559

him change his mind

1229

00:53:59,670 --> 00:53:57,750

remember lowe's i really uh i don't know

1230

00:54:00,790 --> 00:53:59,680

i don't i guess the man above uh had

1231

00:54:02,150 --> 00:54:00,800

told me to turn around because i turned

1232

00:54:04,309 --> 00:54:02,160

around and uh you know

1233

00:54:07,270 --> 00:54:04,319

he's standing out there with his belt so

1234

00:54:09,990 --> 00:54:07,280

that told me that he was willing to work

1235

00:54:13,190 --> 00:54:10,000

martin has also found a place to live

1236

00:54:14,710 --> 00:54:13,200

and browning is helping him fix it up

1237

00:54:16,390 --> 00:54:14,720

i do anything for that man that's how

1238

00:54:17,829 --> 00:54:16,400

much you mean to me

1239

00:54:19,510 --> 00:54:17,839

all my life i've tried to help out

1240

00:54:21,510 --> 00:54:19,520

people that's just my nature and

1241

00:54:35,430 --> 00:54:21,520

i've had help myself so i believe

1242

00:54:38,870 --> 00:54:37,430

there we are friends sorry about that

1243

00:54:42,470 --> 00:54:38,880

there's still some good news

1244

00:54:43,270 --> 00:54:42,480

left in the world i'm uh always glad

1245

00:54:45,430 --> 00:54:43,280

when i see

1246

00:54:47,670 --> 00:54:45,440

there's at least a few decent humans

1247

00:54:52,950 --> 00:54:47,680

left on planet earth right

1248

00:54:55,589 --> 00:54:52,960

that's think about the loyalty that that

1249

00:54:56,870 --> 00:54:55,599

once homeless man is gonna show to his

1250

00:54:59,589 --> 00:54:56,880

new employer

1251
00:55:00,230 --> 00:54:59,599
going forward i hope he stays with him

1252
00:55:02,390 --> 00:55:00,240
uh

1253
00:55:03,270 --> 00:55:02,400
i hope he starts his own business you

1254
00:55:07,430 --> 00:55:03,280
know

1255
00:55:10,390 --> 00:55:07,440
but oh it's it's very often

1256
00:55:11,030 --> 00:55:10,400
that people well you know i grew up in

1257
00:55:13,430 --> 00:55:11,040
the city

1258
00:55:15,510 --> 00:55:13,440
everybody asks you for money nobody asks

1259
00:55:17,349 --> 00:55:15,520
you for a day's wage

1260
00:55:19,030 --> 00:55:17,359
and uh i've been in a position to be

1261
00:55:21,510 --> 00:55:19,040
able to give people a day's wage and i

1262
00:55:22,390 --> 00:55:21,520
gotta say a lot of times it doesn't work

1263
00:55:25,750 --> 00:55:22,400

out too good

1264

00:55:28,230 --> 00:55:25,760

for me right uh

1265

00:55:28,789 --> 00:55:28,240

but sometimes you have to take that

1266

00:55:31,190 --> 00:55:28,799

chance

1267

00:55:32,630 --> 00:55:31,200

in order to help somebody you know i

1268

00:55:35,270 --> 00:55:32,640

used to have a friend and every

1269

00:55:35,829 --> 00:55:35,280

we would do things in center city and he

1270

00:55:37,510 --> 00:55:35,839

would give

1271

00:55:39,109 --> 00:55:37,520

money to every homeless person that

1272

00:55:41,030 --> 00:55:39,119

asked them you know

1273

00:55:42,390 --> 00:55:41,040

and and sometimes i would say you know

1274

00:55:42,789 --> 00:55:42,400

they're just going to buy drugs with

1275

00:55:45,270 --> 00:55:42,799

that

1276

00:55:47,109 --> 00:55:45,280

and he would say well well what if they

1277

00:55:47,750 --> 00:55:47,119

really are hungry and they need to buy a

1278

00:55:52,549 --> 00:55:47,760

sandwich

1279

00:55:55,829 --> 00:55:52,559

or you know so there are times when

1280

00:55:57,670 --> 00:55:55,839

it it really does we really i don't know

1281

00:55:59,990 --> 00:55:57,680

me i'm hardened by the city

1282

00:56:01,190 --> 00:56:00,000

for so many scammers and so many people

1283

00:56:04,150 --> 00:56:01,200

are out there

1284

00:56:04,870 --> 00:56:04,160

begging for money to get high it makes

1285

00:56:06,870 --> 00:56:04,880

you cynical

1286

00:56:08,549 --> 00:56:06,880

and it makes you better right and you

1287

00:56:09,190 --> 00:56:08,559

and you get to a point where you don't

1288

00:56:11,990 --> 00:56:09,200

want to help

1289

00:56:13,270 --> 00:56:12,000

anybody i can't tell you how many times

1290

00:56:15,270 --> 00:56:13,280

i heard somebody say

1291

00:56:16,470 --> 00:56:15,280

oh my car ran out of gas can you give me

1292

00:56:18,309 --> 00:56:16,480

some money for the

1293

00:56:20,870 --> 00:56:18,319

you know and in my younger years i gave

1294

00:56:23,910 --> 00:56:20,880

the guy five bucks and then

1295

00:56:26,549 --> 00:56:23,920

no car no gas tank right you know but

1296

00:56:28,309 --> 00:56:26,559

sometimes it does really help to listen

1297

00:56:29,589 --> 00:56:28,319

if somebody is going to humbly ask you

1298

00:56:32,390 --> 00:56:29,599

for your assistance

1299

00:56:33,430 --> 00:56:32,400

and not just be begging for money to get

1300

00:56:36,789 --> 00:56:33,440

high

1301
00:56:38,069 --> 00:56:36,799
right i wish the best for uh all those

1302
00:56:40,150 --> 00:56:38,079
people

1303
00:56:41,510 --> 00:56:40,160
and i yeah i heard brandon young say

1304
00:56:43,750 --> 00:56:41,520
this i always buy

1305
00:56:47,589 --> 00:56:43,760
food yeah i do that like if there's a

1306
00:56:52,230 --> 00:56:50,549
uh if there's a guy standing outside of

1307
00:56:53,670 --> 00:56:52,240
wawa

1308
00:56:55,589 --> 00:56:53,680
and he asked me for money to get

1309
00:56:56,950 --> 00:56:55,599
something to eat then i go in and buy

1310
00:56:58,230 --> 00:56:56,960
i say what kind of sandwiches do you

1311
00:56:59,670 --> 00:56:58,240
like and then i go in and buy him a

1312
00:57:01,670 --> 00:56:59,680
sandwich and i give him the sandwich

1313
00:57:06,549 --> 00:57:01,680

then at least i know

1314

00:57:06,559 --> 00:57:14,390

i'm not sure who hank mcgurk

1315

00:57:17,750 --> 00:57:16,309

not sure who you're talking about hank

1316

00:57:21,030 --> 00:57:17,760

mcgurk

1317

00:57:22,230 --> 00:57:21,040

what is this i don't want her and she

1318

00:57:25,349 --> 00:57:22,240

doesn't want you

1319

00:57:28,549 --> 00:57:25,359

uh okay okay

1320

00:57:31,589 --> 00:57:28,559

so uh this is uh an experiment in a new

1321

00:57:34,870 --> 00:57:33,349

yeah victor sergey could be right who

1322

00:57:36,069 --> 00:57:34,880

are we to judge or despair of someone

1323

00:57:38,710 --> 00:57:36,079

who lives on the street

1324

00:57:42,309 --> 00:57:38,720

uh i was homeless literally slept on

1325

00:57:47,910 --> 00:57:45,829

so i know a little something about uh

1326

00:57:49,589 --> 00:57:47,920

you know the plight of the homeless i

1327

00:57:51,829 --> 00:57:49,599

always try to help them

1328

00:57:53,349 --> 00:57:51,839

but i don't like to give people just

1329

00:57:54,470 --> 00:57:53,359

cash and hope that they're not going to

1330

00:57:56,870 --> 00:57:54,480

buy drugs with it

1331

00:58:01,430 --> 00:57:56,880

because unfortunately a lot of them will

1332

00:58:05,270 --> 00:58:03,349

yeah i give money even to the homeless

1333

00:58:07,109 --> 00:58:05,280

alcoholic if the spirit moves me who am

1334

00:58:13,589 --> 00:58:07,119

i to judge

1335

00:58:18,950 --> 00:58:16,789

okay gave a dude twenty dollars for

1336

00:58:21,349 --> 00:58:18,960

chicken once i was like yeah

1337

00:58:22,549 --> 00:58:21,359

right crack incoming nope i saw him

1338

00:58:23,829 --> 00:58:22,559

walking down the street with a huge

1339

00:58:25,829 --> 00:58:23,839

bucket of kfc

1340

00:58:33,910 --> 00:58:25,839

well see there you go there's more good

1341

00:58:37,990 --> 00:58:35,910

i'm not sure what that's about either

1342

00:58:48,309 --> 00:58:38,000

thanks for the share stephen

1343

00:58:53,030 --> 00:58:50,870

so i'm not sure you know there's a lot

1344

00:58:54,950 --> 00:58:53,040

of twitter nonsense dramarama that i

1345

00:58:57,430 --> 00:58:54,960

could talk about but i'm gonna

1346

00:58:59,430 --> 00:58:57,440

i'm gonna do my best not to talk about

1347

00:59:02,710 --> 00:58:59,440

that kind of stuff but uh

1348

00:59:05,829 --> 00:59:02,720

with dramarama i got informed today

1349

00:59:07,030 --> 00:59:05,839

uh every one of my guests on the roswell

1350

00:59:09,030 --> 00:59:07,040

revisited series

1351
00:59:10,390 --> 00:59:09,040
is a paid government disinformation

1352
00:59:13,430 --> 00:59:10,400
agent

1353
00:59:16,950 --> 00:59:13,440
and i should be ashamed of myself

1354
00:59:18,950 --> 00:59:16,960
uh for platforming known disinformation

1355
00:59:23,030 --> 00:59:18,960
agents and i kept asking for proof

1356
00:59:27,109 --> 00:59:26,390
i'm a keyboard warrior [h__\h] you steve

1357
00:59:30,870 --> 00:59:27,119
campion

1358
00:59:33,990 --> 00:59:30,880
you know okay okay okay

1359
00:59:35,990 --> 00:59:34,000
an alien scientist is here uh and says i

1360
00:59:37,589 --> 00:59:36,000
need more subscribers yeah i agree with

1361
00:59:39,430 --> 00:59:37,599
you absolutely

1362
00:59:41,349 --> 00:59:39,440
uh according to that person you're a

1363
00:59:43,510 --> 00:59:41,359

government disinformation agent

1364

00:59:45,589 --> 00:59:43,520

alien scientist so i don't think that we

1365

00:59:47,270 --> 00:59:45,599

should trust anything you say

1366

00:59:49,030 --> 00:59:47,280

and by the way this is going to be a

1367

00:59:50,950 --> 00:59:49,040

short show because at 9 00 pm

1368

00:59:52,549 --> 00:59:50,960

tonight i'm gonna i'm moving up in the

1369

00:59:55,430 --> 00:59:52,559

world friends i'm moving up

1370

00:59:56,789 --> 00:59:55,440

forget this [h__\h] show that i run here

1371

00:59:59,510 --> 00:59:56,799

right

1372

00:59:59,990 --> 00:59:59,520

i'm gonna be on uh alien scientist

1373

01:00:03,109 --> 01:00:00,000

stream

1374

01:00:03,510 --> 01:00:03,119

tonight so uh one second i'm gonna find

1375

01:00:08,789 --> 01:00:03,520

the

1376

01:00:11,270 --> 01:00:08,799

youtube channel real quickly and i'm

1377

01:00:13,589 --> 01:00:11,280

gonna copy it into the live chat

1378

01:00:15,750 --> 01:00:13,599

so you can all come at 9 pm eastern

1379

01:00:19,430 --> 01:00:15,760

standard time

1380

01:00:20,950 --> 01:00:19,440

uh and check out what we'll be talking

1381

01:00:22,230 --> 01:00:20,960

about tonight i think we're going to be

1382

01:00:23,910 --> 01:00:22,240

talking about

1383

01:00:25,510 --> 01:00:23,920

roswell and some of the guests that we

1384

01:00:27,190 --> 01:00:25,520

have had on but

1385

01:00:30,710 --> 01:00:27,200

uh also i hope that we're going to be

1386

01:00:33,750 --> 01:00:30,720

getting into some of these recent

1387

01:00:36,069 --> 01:00:33,760

recent documents for your documents

1388

01:00:37,349 --> 01:00:36,079

uh provided by anthony bergelia because

1389

01:00:38,950 --> 01:00:37,359

i'm still trying to make sense of some

1390

01:00:41,109 --> 01:00:38,960

of that and i think

1391

01:00:44,069 --> 01:00:41,119

mr jeremy rise has gotten deeper down

1392

01:00:47,349 --> 01:00:44,079

that rabbit hole than i have so far

1393

01:00:50,710 --> 01:00:47,359

uh yeah so i've put the uh

1394

01:00:52,309 --> 01:00:50,720

alien scientists youtube channel

1395

01:00:54,069 --> 01:00:52,319

you're probably already subscribed to

1396

01:00:56,390 --> 01:00:54,079

him everybody is

1397

01:00:57,109 --> 01:00:56,400

but if not go subscribe to him and and

1398

01:00:59,670 --> 01:00:57,119

be sure to

1399

01:01:00,870 --> 01:00:59,680

check out his channel 9 p.m eastern time

1400

01:01:03,990 --> 01:01:00,880

tonight

1401

01:01:08,069 --> 01:01:04,000

uh and also another announcement

1402

01:01:10,950 --> 01:01:08,079

speaking of uh speaking of roswell

1403

01:01:14,230 --> 01:01:10,960

revisited right

1404

01:01:17,030 --> 01:01:14,240

this sunday night at 9 00 pm

1405

01:01:18,470 --> 01:01:17,040

we're going to continue our series we

1406

01:01:21,589 --> 01:01:18,480

will have

1407

01:01:24,630 --> 01:01:21,599

mr don schmidt who is the author of

1408

01:01:27,190 --> 01:01:24,640

witness to roswell children of roswell

1409

01:01:29,190 --> 01:01:27,200

and countless other books uh many of

1410

01:01:29,829 --> 01:01:29,200

which are surrounding roswell he has

1411

01:01:33,270 --> 01:01:29,839

been

1412

01:01:34,950 --> 01:01:33,280

really uh deep diving into the roswell

1413

01:01:38,710 --> 01:01:34,960

event

1414

01:01:42,630 --> 01:01:38,720

almost longer than i've been alive

1415

01:01:45,510 --> 01:01:42,640

but you know if you listen to uh

1416

01:01:50,309 --> 01:01:45,520

stupid people on twitter all i have is

1417

01:01:56,150 --> 01:01:54,069

so this sunday night friends uh

1418

01:01:57,750 --> 01:01:56,160

breaking news this sunday february 21st

1419

01:01:59,670 --> 01:01:57,760

9 p.m eastern standard time another

1420

01:02:01,589 --> 01:01:59,680

truth seeker special event

1421

01:02:03,349 --> 01:02:01,599

this time revisiting roswell with don

1422

01:02:10,069 --> 01:02:03,359

schmidt

1423

01:02:12,309 --> 01:02:10,079

book witness to roswell the roswell dig

1424

01:02:15,829 --> 01:02:12,319

diaries which is a lesser known

1425

01:02:17,750 --> 01:02:15,839

uh book this is all about that

1426

01:02:20,710 --> 01:02:17,760

archaeological digs that they've done at

1427

01:02:23,349 --> 01:02:20,720

the roswell crash site

1428

01:02:25,029 --> 01:02:23,359

and again uh mr don schmidt has authored

1429

01:02:27,270 --> 01:02:25,039

books both with kevin randle

1430

01:02:28,870 --> 01:02:27,280

and with our previous guest thomas

1431

01:02:30,390 --> 01:02:28,880

carrie

1432

01:02:32,470 --> 01:02:30,400

and you may be familiar with some of

1433

01:02:35,109 --> 01:02:32,480

those books

1434

01:02:36,309 --> 01:02:35,119

and uh just a note i said i wasn't going

1435

01:02:39,430 --> 01:02:36,319

to talk about this twitter

1436

01:02:42,630 --> 01:02:39,440

drama rama too much but i will say this

1437

01:02:46,309 --> 01:02:42,640

we are welcoming all of the

1438

01:02:48,069 --> 01:02:46,319

world's still all the world's experts

1439

01:02:51,349 --> 01:02:48,079

researchers and authors

1440

01:02:52,789 --> 01:02:51,359

on the roswell event onto this series

1441

01:02:55,349 --> 01:02:52,799

and if people are going to be critical

1442

01:02:57,190 --> 01:02:55,359

or not like this guest or that guest

1443

01:02:59,750 --> 01:02:57,200

there's nothing that i can do for you go

1444

01:03:01,670 --> 01:02:59,760

do your own that's my advice

1445

01:03:03,750 --> 01:03:01,680

if you don't like my show you don't need

1446

01:03:07,670 --> 01:03:03,760

to spend three hours on twitter

1447

01:03:10,390 --> 01:03:07,680

you know swagging me go do your own

1448

01:03:11,670 --> 01:03:10,400

go it's simple you get a webcam right

1449

01:03:13,349 --> 01:03:11,680

you just get a webcam

1450

01:03:15,029 --> 01:03:13,359

you start a youtube channel start your

1451

01:03:17,510 --> 01:03:15,039

own show right

1452

01:03:19,190 --> 01:03:17,520

and we'll see the quality of your show

1453

01:03:22,309 --> 01:03:19,200

against mine

1454

01:03:25,670 --> 01:03:22,319

i don't really i i

1455

01:03:26,630 --> 01:03:25,680

do have a thick skin really i do but at

1456

01:03:28,950 --> 01:03:26,640

some point

1457

01:03:30,309 --> 01:03:28,960

i i just can't argue with idiots and

1458

01:03:33,349 --> 01:03:30,319

stupid people

1459

01:03:36,470 --> 01:03:33,359

we've had what

1460

01:03:37,109 --> 01:03:36,480

most people that are familiar with this

1461

01:03:39,430 --> 01:03:37,119

field

1462

01:03:41,829 --> 01:03:39,440

would describe as some of the world's

1463

01:03:43,349 --> 01:03:41,839

leading authors researchers and experts

1464

01:03:45,589 --> 01:03:43,359

on the roswell event

1465

01:03:48,150 --> 01:03:45,599

what what more am i supposed to do

1466

01:03:51,109 --> 01:03:48,160

covering that

1467

01:03:52,710 --> 01:03:51,119

how can i do that better if some clown

1468

01:03:53,910 --> 01:03:52,720

on twitter is just going to say well all

1469

01:03:56,069 --> 01:03:53,920

of your guests were

1470

01:03:57,270 --> 01:03:56,079

government disinformation we that's

1471

01:03:59,670 --> 01:03:57,280

ridiculous

1472

01:04:00,309 --> 01:03:59,680

first of all i said show us some pay

1473

01:04:02,069 --> 01:04:00,319

stubs

1474

01:04:03,589 --> 01:04:02,079

prove what you're saying is true of

1475

01:04:06,230 --> 01:04:03,599

course they're not gonna do that

1476

01:04:07,990 --> 01:04:06,240

of course they're not gonna prove the

1477

01:04:08,870 --> 01:04:08,000

[h__\h] that they're shoveling on

1478

01:04:12,710 --> 01:04:08,880

twitter

1479

01:04:14,390 --> 01:04:12,720

and by the way uh i got several messages

1480

01:04:16,789 --> 01:04:14,400

today i want to say several i got two

1481

01:04:18,230 --> 01:04:16,799

i got two messages today that told me

1482

01:04:20,630 --> 01:04:18,240

that another show host

1483

01:04:22,069 --> 01:04:20,640

wound up that clown and set him out to

1484

01:04:24,950 --> 01:04:22,079

mess with me on twitter so

1485

01:04:27,430 --> 01:04:24,960

congratulations to that show host clown

1486

01:04:29,270 --> 01:04:27,440

right and to the clown on twitter you

1487

01:04:30,390 --> 01:04:29,280

know you did you did you did good you

1488

01:04:33,430 --> 01:04:30,400

got a rise out of me

1489

01:04:36,710 --> 01:04:33,440

right because i work pretty hard at this

1490

01:04:38,470 --> 01:04:36,720

and i don't really care if you like it

1491

01:04:40,950 --> 01:04:38,480

or dislike it that's fine

1492

01:04:42,150 --> 01:04:40,960

and you can have dialogue with me but

1493

01:04:45,190 --> 01:04:42,160

when you start

1494

01:04:47,510 --> 01:04:45,200

making ridiculous baseless slander

1495

01:04:49,510 --> 01:04:47,520

really and accusations against my guests

1496

01:04:52,549 --> 01:04:49,520

with no proof no evidence

1497

01:04:54,870 --> 01:04:52,559

come on friends let's let's let's just

1498

01:04:56,950 --> 01:04:54,880

unpack this just a little bit

1499

01:04:57,990 --> 01:04:56,960

according to this person kalkwarf is a

1500

01:05:04,470 --> 01:04:58,000

known

1501
01:05:05,510 --> 01:05:04,480
government disinformation agent right

1502
01:05:08,549 --> 01:05:05,520
number two

1503
01:05:11,510 --> 01:05:08,559
kevin randle is a known paid

1504
01:05:13,750 --> 01:05:11,520
government disinformation agent okay

1505
01:05:18,150 --> 01:05:13,760
alien scientist jeremy rise

1506
01:05:20,549 --> 01:05:18,160
is a known paid disinformation agent

1507
01:05:22,069 --> 01:05:20,559
okay what is your what is your evidence

1508
01:05:24,150 --> 01:05:22,079
for these allegations

1509
01:05:25,910 --> 01:05:24,160
well i don't have any but i listen to

1510
01:05:29,910 --> 01:05:25,920
some

1511
01:05:31,990 --> 01:05:29,920
absolutely known proven known

1512
01:05:33,270 --> 01:05:32,000
government disinformation agent on this

1513
01:05:34,950 --> 01:05:33,280

other guy's show

1514

01:05:36,630 --> 01:05:34,960

that said that your guys are all

1515

01:05:39,990 --> 01:05:36,640

disinformation agents

1516

01:05:41,109 --> 01:05:40,000

okay this is the lunacy that we've

1517

01:05:43,750 --> 01:05:41,119

devolved into

1518

01:05:44,630 --> 01:05:43,760

and i'm supposed to debate with some

1519

01:05:47,270 --> 01:05:44,640

jerk off

1520

01:05:48,950 --> 01:05:47,280

who listened to some other show that had

1521

01:05:52,390 --> 01:05:48,960

an absolutely

1522

01:05:53,349 --> 01:05:52,400

positively known paid disinformation

1523

01:05:56,710 --> 01:05:53,359

agent

1524

01:05:59,029 --> 01:05:56,720

in ufology

1525

01:05:59,910 --> 01:05:59,039

and suddenly my show has all of them

1526

01:06:02,309 --> 01:05:59,920

right

1527

01:06:03,029 --> 01:06:02,319

it's not it doesn't matter that i got

1528

01:06:05,670 --> 01:06:03,039

those shows

1529

01:06:07,109 --> 01:06:05,680

booked right i got those guests and that

1530

01:06:09,510 --> 01:06:07,119

other show host hasn't

1531

01:06:10,309 --> 01:06:09,520

had those guests in a long time right so

1532

01:06:13,349 --> 01:06:10,319

this isn't

1533

01:06:15,670 --> 01:06:13,359

jealousy or

1534

01:06:16,950 --> 01:06:15,680

or bitter thing right they have real and

1535

01:06:18,870 --> 01:06:16,960

actionable

1536

01:06:20,549 --> 01:06:18,880

evidence and intelligence for these

1537

01:06:23,589 --> 01:06:20,559

allegations that they're making

1538

01:06:26,390 --> 01:06:23,599

disparaging me my guests

1539

01:06:28,870 --> 01:06:26,400

my show of course they don't they got

1540

01:06:31,430 --> 01:06:28,880

nothing

1541

01:06:31,990 --> 01:06:31,440

they got some guy who lives in his mom's

1542

01:06:34,789 --> 01:06:32,000

basement

1543

01:06:35,990 --> 01:06:34,799

who smells like b.o at every ufo

1544

01:06:39,109 --> 01:06:36,000

conference

1545

01:06:42,950 --> 01:06:39,119

saying that i am some sort of uh

1546

01:06:45,670 --> 01:06:42,960

cia chill now okay listen

1547

01:06:47,750 --> 01:06:45,680

i guess i missed the paychecks i haven't

1548

01:06:50,789 --> 01:06:47,760

been getting them so somebody call

1549

01:06:54,309 --> 01:06:50,799

the cia and get my paychecks sent

1550

01:06:56,230 --> 01:06:54,319

here right now if i'm it's

1551

01:06:59,029 --> 01:06:56,240

so ridiculous that i even have to talk

1552

01:07:01,190 --> 01:06:59,039

about this and you know what

1553

01:07:02,470 --> 01:07:01,200

i don't block people but that guy i

1554

01:07:05,670 --> 01:07:02,480

blocked because he's getting

1555

01:07:07,670 --> 01:07:05,680

nasty argumentative abusive

1556

01:07:09,430 --> 01:07:07,680

slandering people making all these

1557

01:07:10,390 --> 01:07:09,440

allegations and i asked him 10 times

1558

01:07:11,750 --> 01:07:10,400

where's the proof

1559

01:07:15,750 --> 01:07:11,760

show us the proof of this stuff you're

1560

01:07:18,870 --> 01:07:15,760

saying well some guy on another show

1561

01:07:20,710 --> 01:07:18,880

who worked for the air force and

1562

01:07:22,309 --> 01:07:20,720

oh i forgot to mention he was a

1563

01:07:25,430 --> 01:07:22,319

disinformation agent for

1564

01:07:27,829 --> 01:07:25,440

real uh verified disinformation

1565

01:07:28,470 --> 01:07:27,839

oh by the way walter bosley he's also a

1566

01:07:30,789 --> 01:07:28,480

paid

1567

01:07:31,750 --> 01:07:30,799

government disinformation agent coming

1568

01:07:36,470 --> 01:07:31,760

on my show

1569

01:07:42,230 --> 01:07:39,510

the ridiculousness of these allegations

1570

01:07:43,670 --> 01:07:42,240

speak for themselves am i really

1571

01:07:45,829 --> 01:07:43,680

actually maybe they give me too much

1572

01:07:48,390 --> 01:07:45,839

credit because apparently

1573

01:07:50,390 --> 01:07:48,400

i'm not just some loser right running a

1574

01:07:53,589 --> 01:07:50,400

show that barely anybody watches

1575

01:07:55,109 --> 01:07:53,599

right i'm i'm a big deal now i'm a cia

1576

01:07:57,430 --> 01:07:55,119

mastermind

1577

01:07:58,789 --> 01:07:57,440

and i'm the guy that's bringing in all

1578

01:08:01,349 --> 01:07:58,799

these cia

1579

01:08:02,950 --> 01:08:01,359

mastermind disinformation agents right

1580

01:08:04,870 --> 01:08:02,960

to muddy the waters

1581

01:08:07,270 --> 01:08:04,880

and throw people off about the truth

1582

01:08:09,349 --> 01:08:07,280

about aliens bro i'm the mastermind

1583

01:08:12,150 --> 01:08:09,359

thank you i'm the new mastermind

1584

01:08:14,630 --> 01:08:12,160

the disinformation mastermind and let's

1585

01:08:16,309 --> 01:08:14,640

add this to the ridiculousness

1586

01:08:19,030 --> 01:08:16,319

there have been people on the roswell

1587

01:08:21,669 --> 01:08:19,040

series who absolutely positively

1588

01:08:23,590 --> 01:08:21,679

are convinced and support the theory

1589

01:08:27,829 --> 01:08:23,600

that what crashed at roswell was

1590

01:08:29,590 --> 01:08:27,839

aliens right that we recovered bodies we

1591

01:08:33,749 --> 01:08:29,600

recovered wreckage it went to

1592

01:08:35,749 --> 01:08:33,759

wright patterson right we've had

1593

01:08:37,510 --> 01:08:35,759

alien scientists who's much more

1594

01:08:38,070 --> 01:08:37,520

interested in just the science and

1595

01:08:40,390 --> 01:08:38,080

getting

1596

01:08:41,269 --> 01:08:40,400

hold of these materials we've had

1597

01:08:44,470 --> 01:08:41,279

kalkwarf

1598

01:08:46,630 --> 01:08:44,480

who is an absolutely staunch

1599

01:08:48,229 --> 01:08:46,640

skeptic and says none of this happened

1600

01:08:50,070 --> 01:08:48,239

there's no aliens there's no alien

1601
01:08:51,349 --> 01:08:50,080
bodies there's no alien spaceships it

1602
01:08:53,110 --> 01:08:51,359
was a weather balloon

1603
01:08:55,269 --> 01:08:53,120
right and then we've even had walter

1604
01:08:55,910 --> 01:08:55,279
bosley who has his own theories that is

1605
01:08:59,030 --> 01:08:55,920
neither

1606
01:09:01,030 --> 01:08:59,040
alien hypothesis or

1607
01:09:04,149 --> 01:09:01,040
it was just a weather balloon right he's

1608
01:09:06,709 --> 01:09:04,159
got his own ideas and his own theories

1609
01:09:08,070 --> 01:09:06,719
what what disinformation agent would

1610
01:09:13,669 --> 01:09:08,080
present

1611
01:09:14,709 --> 01:09:13,679
all of those perspectives all of those

1612
01:09:16,630 --> 01:09:14,719
opinions

1613
01:09:19,269 --> 01:09:16,640

from different researchers with

1614

01:09:21,189 --> 01:09:19,279

differing opinions and different

1615

01:09:23,030 --> 01:09:21,199

levels of knowledge of the event why

1616

01:09:24,550 --> 01:09:23,040

would anybody no

1617

01:09:26,070 --> 01:09:24,560

if you were a disinformation agent

1618

01:09:28,309 --> 01:09:26,080

working for the government i guess

1619

01:09:29,990 --> 01:09:28,319

and if the alien hypothesis was real you

1620

01:09:30,950 --> 01:09:30,000

would just present all the skeptics

1621

01:09:33,269 --> 01:09:30,960

right

1622

01:09:35,189 --> 01:09:33,279

and you wouldn't you wouldn't let the

1623

01:09:37,430 --> 01:09:35,199

people supporting the alien hypothesis

1624

01:09:39,669 --> 01:09:37,440

thing on the series or the show if you

1625

01:09:42,309 --> 01:09:39,679

were trying to disinform people

1626

01:09:45,189 --> 01:09:42,319

it makes no sense but this is where

1627

01:09:49,510 --> 01:09:47,269

yeah next i'll be accused of being a

1628

01:09:52,149 --> 01:09:49,520

handler

1629

01:09:53,990 --> 01:09:52,159

yes i'm somebody's i'm i'm all their

1630

01:09:59,350 --> 01:09:54,000

handlers

1631

01:10:06,070 --> 01:09:59,360

those guys i'm the mastermind here

1632

01:10:09,270 --> 01:10:07,590

alien scientists if you work for

1633

01:10:11,110 --> 01:10:09,280

government this info why haven't they

1634

01:10:13,350 --> 01:10:11,120

invited you to alien con

1635

01:10:14,149 --> 01:10:13,360

i know right i could be a good alien

1636

01:10:16,630 --> 01:10:14,159

connor

1637

01:10:17,910 --> 01:10:16,640

come on alien scientists give me a gig

1638

01:10:20,630 --> 01:10:17,920

we should both get a gig

1639

01:10:24,229 --> 01:10:20,640

bro next year we deserve a gig right

1640

01:10:29,669 --> 01:10:27,669

i just you know i got i was pissed off

1641

01:10:30,709 --> 01:10:29,679

earlier i really was i worked real hard

1642

01:10:32,630 --> 01:10:30,719

at this

1643

01:10:34,310 --> 01:10:32,640

and you know i try to be rational with

1644

01:10:36,070 --> 01:10:34,320

this person and say like look i'm

1645

01:10:37,830 --> 01:10:36,080

inviting all these different

1646

01:10:39,510 --> 01:10:37,840

world-renowned experts authors

1647

01:10:40,950 --> 01:10:39,520

researchers on my show

1648

01:10:43,590 --> 01:10:40,960

thank god some of them are actually

1649

01:10:46,149 --> 01:10:43,600

showing up right and we're going to do

1650

01:10:47,910 --> 01:10:46,159

this deep dive into roswell i want to

1651

01:10:50,070 --> 01:10:47,920

get to the truth of what really

1652

01:10:52,630 --> 01:10:50,080

happened at roswell no matter what that

1653

01:10:55,590 --> 01:10:52,640

truth is if it's aliens great

1654

01:10:56,950 --> 01:10:55,600

if it's uh secret space flights early

1655

01:10:59,270 --> 01:10:56,960

space flights great

1656

01:11:00,550 --> 01:10:59,280

you know if it's a weather balloon great

1657

01:11:02,470 --> 01:11:00,560

but i want to get

1658

01:11:03,990 --> 01:11:02,480

to the truth of the mystery and that's

1659

01:11:07,750 --> 01:11:04,000

what we're trying to do here

1660

01:11:15,030 --> 01:11:12,550

we oh man

1661

01:11:17,030 --> 01:11:15,040

these says can being sucked as as my

1662

01:11:18,310 --> 01:11:17,040

handler yeah i was terrible i tried to

1663

01:11:20,630 --> 01:11:18,320

get you some gigs v

1664

01:11:21,430 --> 01:11:20,640

tell everybody about your grandpop the

1665

01:11:23,990 --> 01:11:21,440

alien

1666

01:11:25,510 --> 01:11:24,000

you know valiant thor it just didn't

1667

01:11:29,590 --> 01:11:25,520

work out for us

1668

01:11:34,630 --> 01:11:32,630

yeah friends so you know uh and

1669

01:11:36,470 --> 01:11:34,640

listen as far as this new show format

1670

01:11:37,830 --> 01:11:36,480

this is not gonna be every show but once

1671

01:11:39,110 --> 01:11:37,840

in a while we're gonna do a show with

1672

01:11:41,990 --> 01:11:39,120

these different

1673

01:11:43,350 --> 01:11:42,000

sort of segments so that we can sort of

1674

01:11:45,350 --> 01:11:43,360

plug different stories

1675

01:11:47,110 --> 01:11:45,360

and give people a little bit more of a

1676
01:11:49,510 --> 01:11:47,120
buffet of

1677
01:11:50,630 --> 01:11:49,520
interesting stories to talk about to

1678
01:11:55,430 --> 01:11:50,640
think about

1679
01:11:57,270 --> 01:11:55,440
to experience just an idea that i had

1680
01:11:59,430 --> 01:11:57,280
we will still be doing a long format

1681
01:12:00,790 --> 01:11:59,440
show and we'll still of course be doing

1682
01:12:04,310 --> 01:12:00,800
interview shows when i'm

1683
01:12:06,550 --> 01:12:04,320
kind enough to uh when i'm uh

1684
01:12:07,590 --> 01:12:06,560
lucky enough to get some kind guests

1685
01:12:12,709 --> 01:12:07,600
that will come on

1686
01:12:16,229 --> 01:12:14,470
spooky says format really worked yeah

1687
01:12:18,149 --> 01:12:16,239
good i worked pretty hard on this

1688
01:12:19,430 --> 01:12:18,159

i had no idea how to do this when i

1689

01:12:21,750 --> 01:12:19,440

started and then i

1690

01:12:23,990 --> 01:12:21,760

i went well i guess i need some bumpers

1691

01:12:25,669 --> 01:12:24,000

spooky i need some bumpers and then i

1692

01:12:27,750 --> 01:12:25,679

can put the bumper and then do the story

1693

01:12:37,990 --> 01:12:27,760

and put the bumper and do the story so

1694

01:12:42,630 --> 01:12:40,550

a buffet of i don't what did i say about

1695

01:12:47,590 --> 01:12:42,640

the buzz i didn't say anything about

1696

01:12:52,790 --> 01:12:50,790

i uh yeah i forgot i got a i got a

1697

01:12:54,790 --> 01:12:52,800

message everybody that has been in the

1698

01:12:56,310 --> 01:12:54,800

roswell revisited series and let them

1699

01:12:57,990 --> 01:12:56,320

know that they should expect a check

1700

01:13:01,030 --> 01:12:58,000

from the government for being

1701

01:13:05,830 --> 01:13:01,040

paid disinformation agents and you know

1702

01:13:08,070 --> 01:13:05,840

what's great is that that dude is always

1703

01:13:09,189 --> 01:13:08,080

how do i say this politely he's always

1704

01:13:10,950 --> 01:13:09,199

just on the jock

1705

01:13:12,709 --> 01:13:10,960

of this other show host that winds him

1706

01:13:15,750 --> 01:13:12,719

up right

1707

01:13:18,070 --> 01:13:15,760

so that guy can have anybody on you know

1708

01:13:19,830 --> 01:13:18,080

corey good david wilcock and that guy's

1709

01:13:22,870 --> 01:13:19,840

oh that guy's totally great

1710

01:13:23,669 --> 01:13:22,880

right but i have respected authors and

1711

01:13:25,430 --> 01:13:23,679

researchers

1712

01:13:26,709 --> 01:13:25,440

and some of those guys in that series

1713

01:13:28,709 --> 01:13:26,719

wrote 30 books

1714

01:13:30,229 --> 01:13:28,719

50 books no i think kevin randle wrote

1715

01:13:31,830 --> 01:13:30,239

over 100 books

1716

01:13:34,149 --> 01:13:31,840

but he's a slouch guest at a

1717

01:13:37,510 --> 01:13:34,159

disinformation agent

1718

01:13:39,030 --> 01:13:37,520

just just you know and oh also

1719

01:13:41,110 --> 01:13:39,040

listen i want to make a very important

1720

01:13:43,750 --> 01:13:41,120

point somewhere in this twitter beef

1721

01:13:45,430 --> 01:13:43,760

dramarama i said

1722

01:13:47,270 --> 01:13:45,440

i'm not taking complaints unless you

1723

01:13:49,830 --> 01:13:47,280

join my patreon at least give me a

1724

01:13:51,270 --> 01:13:49,840

dollar before you complain at me all day

1725

01:13:52,870 --> 01:13:51,280

because i have things to do i don't have

1726

01:13:54,709 --> 01:13:52,880

time right

1727

01:13:56,709 --> 01:13:54,719

and then he starts sending me receipts

1728

01:13:58,950 --> 01:13:56,719

of like people he claims other shows

1729

01:14:00,550 --> 01:13:58,960

that he claims he sent money to

1730

01:14:02,950 --> 01:14:00,560

but the truth is that he's been

1731

01:14:05,669 --> 01:14:02,960

complaining to me about my show

1732

01:14:07,110 --> 01:14:05,679

for literally years he complained about

1733

01:14:08,870 --> 01:14:07,120

my radio show

1734

01:14:11,189 --> 01:14:08,880

every so often now he's complaining

1735

01:14:14,470 --> 01:14:11,199

about this show and my point is

1736

01:14:16,870 --> 01:14:14,480

you watch every show right but

1737

01:14:18,630 --> 01:14:16,880

apparently all i do is create hundreds

1738

01:14:21,910 --> 01:14:18,640

of hours of content

1739

01:14:24,149 --> 01:14:21,920

for that guy to complain to me about so

1740

01:14:25,910 --> 01:14:24,159

i said something like give me a dollar

1741

01:14:28,310 --> 01:14:25,920

on patreon or i'm not listening to your

1742

01:14:30,470 --> 01:14:28,320

complaints and then he turned it into

1743

01:14:31,669 --> 01:14:30,480

i'm a money hungry grubber or so you

1744

01:14:33,270 --> 01:14:31,679

know like okay

1745

01:14:35,590 --> 01:14:33,280

because i get a whole hundred dollars on

1746

01:14:37,110 --> 01:14:35,600

patreon every month yeah

1747

01:14:39,350 --> 01:14:37,120

if i'm a money grubber i'm doing it

1748

01:14:41,350 --> 01:14:39,360

wrong because i'm doing all this for 25

1749

01:14:43,270 --> 01:14:41,360

bucks a week bro and it ain't even that

1750

01:14:47,110 --> 01:14:43,280

because that hundred bucks goes to

1751

01:14:50,870 --> 01:14:47,120

whatever microphones stuff i don't know

1752

01:14:53,910 --> 01:14:50,880

you know i don't really get that money

1753

01:14:55,430 --> 01:14:53,920

so but my point is i i don't care about

1754

01:14:58,149 --> 01:14:55,440

the money what i care about

1755

01:14:59,750 --> 01:14:58,159

is that this guy has complained to me

1756

01:15:01,910 --> 01:14:59,760

about my show

1757

01:15:03,510 --> 01:15:01,920

on many many different occasions for

1758

01:15:05,350 --> 01:15:03,520

literally years

1759

01:15:07,430 --> 01:15:05,360

and he has never cared enough about my

1760

01:15:08,630 --> 01:15:07,440

show even after watching every single

1761

01:15:09,910 --> 01:15:08,640

episode i produced

1762

01:15:12,550 --> 01:15:09,920

and then telling me everything i did

1763

01:15:14,390 --> 01:15:12,560

wrong right he has not cared enough to

1764

01:15:16,790 --> 01:15:14,400

give me a single dollar

1765

01:15:17,669 --> 01:15:16,800

towards making the show better but he's

1766

01:15:19,990 --> 01:15:17,679

gonna complain

1767

01:15:21,669 --> 01:15:20,000

every time he doesn't like something so

1768

01:15:23,030 --> 01:15:21,679

for me it's not about the money it's

1769

01:15:26,229 --> 01:15:23,040

about the

1770

01:15:28,470 --> 01:15:26,239

you know just the ridiculousness of some

1771

01:15:30,149 --> 01:15:28,480

guy who's constantly watching hours and

1772

01:15:32,470 --> 01:15:30,159

hours of your material

1773

01:15:33,189 --> 01:15:32,480

and then being a big huge critic right

1774

01:15:35,430 --> 01:15:33,199

and then

1775

01:15:36,550 --> 01:15:35,440

again telling me everything that he

1776

01:15:38,950 --> 01:15:36,560

could do great

1777

01:15:39,830 --> 01:15:38,960

and and i'm not a good researcher and he

1778

01:15:43,110 --> 01:15:39,840

is

1779

01:15:45,750 --> 01:15:43,120

okay then do your own show bro go ahead

1780

01:15:47,189 --> 01:15:45,760

good luck come back to me in 12 shows

1781

01:15:49,590 --> 01:15:47,199

and tell me how shitty i am

1782

01:15:51,669 --> 01:15:49,600

right you might learn some [h__\h] bro go

1783

01:15:54,790 --> 01:15:51,679

do 12 of your own shows

1784

01:15:56,630 --> 01:15:54,800

right we'll see how you do right

1785

01:15:59,590 --> 01:15:56,640

you know we'll see the quality of guests

1786

01:16:01,270 --> 01:15:59,600

you get right

1787

01:16:03,030 --> 01:16:01,280

we'll see how you do and then you can

1788

01:16:03,590 --> 01:16:03,040

come back to me and tell me after you've

1789

01:16:07,830 --> 01:16:03,600

done

1790

01:16:12,630 --> 01:16:07,840

accomplished how shitty i'm doing

1791

01:16:15,910 --> 01:16:12,640

right friends it is always the guy

1792

01:16:16,709 --> 01:16:15,920

who is too afraid to have the balls that

1793

01:16:20,470 --> 01:16:16,719

you have

1794

01:16:22,310 --> 01:16:20,480

to do the things that you're doing right

1795

01:16:23,510 --> 01:16:22,320

that is going to be critical right

1796

01:16:24,870 --> 01:16:23,520

that's going to tell you everything

1797

01:16:27,510 --> 01:16:24,880

you're doing wrong

1798

01:16:29,110 --> 01:16:27,520

and i'm i'm look i'm fine with criticism

1799

01:16:30,550 --> 01:16:29,120

ask some people close to me

1800

01:16:31,990 --> 01:16:30,560

some people say you ought to do this you

1801
01:16:34,390 --> 01:16:32,000
want to try this you know you ought to

1802
01:16:34,950 --> 01:16:34,400
do this better and i work on it i really

1803
01:16:40,070 --> 01:16:34,960
do

1804
01:16:41,350 --> 01:16:40,080
right but if you're just some slob on

1805
01:16:44,709 --> 01:16:41,360
twitter you know

1806
01:16:46,149 --> 01:16:44,719
keep warring it up right in mom's

1807
01:16:49,669 --> 01:16:46,159
basement then i don't

1808
01:16:52,229 --> 01:16:49,679
give a [h__h] about you i don't

1809
01:16:54,149 --> 01:16:52,239
i said something and then somebody else

1810
01:16:55,590 --> 01:16:54,159
said i was nasty because i said i'm

1811
01:16:57,110 --> 01:16:55,600
going to block this guy because i'm not

1812
01:16:58,950 --> 01:16:57,120
going to argue with a guy that i won't

1813
01:17:00,790 --> 01:16:58,960

even piss on if he was on fire

1814

01:17:03,189 --> 01:17:00,800

like literally that's how little i care

1815

01:17:05,830 --> 01:17:03,199

about this guy why am i going to spend

1816

01:17:07,750 --> 01:17:05,840

you know three hours back and forth with

1817

01:17:08,470 --> 01:17:07,760

the troll defending my show and my

1818

01:17:09,990 --> 01:17:08,480

guests

1819

01:17:11,910 --> 01:17:10,000

just not gonna do it that's what the

1820

01:17:18,229 --> 01:17:11,920

block button's for

1821

01:17:21,350 --> 01:17:20,070

yes alien scientist this is what the

1822

01:17:23,110 --> 01:17:21,360

point i'm trying to make i have

1823

01:17:25,270 --> 01:17:23,120

successful people i can rely on for

1824

01:17:27,510 --> 01:17:25,280

constructive criticism i don't need

1825

01:17:30,950 --> 01:17:27,520

advice from some slob fanboy yeah and

1826

01:17:33,189 --> 01:17:30,960

that's it

1827

01:17:34,870 --> 01:17:33,199

this info nuts get the best weed you may

1828

01:17:45,110 --> 01:17:34,880

be right preg magic

1829

01:17:46,950 --> 01:17:45,120

in fact i'm sure you're right

1830

01:17:51,590 --> 01:17:46,960

wasn't he blocked by church i don't know

1831

01:17:54,790 --> 01:17:53,590

i definitely was and by the way he

1832

01:17:56,630 --> 01:17:54,800

chimed in on that draw

1833

01:18:03,350 --> 01:17:56,640

all that dramaa brandy young it's all

1834

01:18:07,030 --> 01:18:06,149

uh karen rocha welcome welcome to the

1835

01:18:09,189 --> 01:18:07,040

live chat

1836

01:18:10,950 --> 01:18:09,199

karen rocha hey steven did sarah adams

1837

01:18:11,590 --> 01:18:10,960

ever message you after your series on

1838

01:18:14,310 --> 01:18:11,600

her no

1839

01:18:16,630 --> 01:18:14,320

and uh yeah i just got blocked by her

1840

01:18:20,630 --> 01:18:16,640

and i think her manager guy

1841

01:18:22,709 --> 01:18:20,640

so the context says i only take

1842

01:18:25,990 --> 01:18:22,719

criticism from davey clowncock

1843

01:18:28,149 --> 01:18:26,000

yeah yeah and you know listen daniel you

1844

01:18:29,750 --> 01:18:28,159

do a show so you know how hard it is

1845

01:18:32,229 --> 01:18:29,760

i've never had

1846

01:18:33,030 --> 01:18:32,239

somebody that tried to do their own show

1847

01:18:35,910 --> 01:18:33,040

be

1848

01:18:37,430 --> 01:18:35,920

that nasty to me right it's always the

1849

01:18:39,110 --> 01:18:37,440

guy that's never done it that's going to

1850

01:18:40,310 --> 01:18:39,120

tell you everything you're doing wrong

1851

01:18:41,910 --> 01:18:40,320

i'm going to tell you how they would do

1852

01:18:42,390 --> 01:18:41,920

it better they're better at research

1853

01:18:46,070 --> 01:18:42,400

than you

1854

01:18:48,149 --> 01:18:46,080

and this okay you know my point is go

1855

01:18:50,070 --> 01:18:48,159

do your own let's see how good you do

1856

01:18:52,390 --> 01:18:50,080

bro i hope you do better than me

1857

01:18:53,350 --> 01:18:52,400

good luck let's see how good you do

1858

01:18:56,070 --> 01:18:53,360

right

1859

01:18:57,750 --> 01:18:56,080

because it's just i've i've guess i've

1860

01:18:59,430 --> 01:18:57,760

experienced this my whole life it's

1861

01:19:00,630 --> 01:18:59,440

always the guy that can't do what you do

1862

01:19:01,750 --> 01:19:00,640

that's going to tell you that you're in

1863

01:19:04,310 --> 01:19:01,760

it you know

1864

01:19:06,790 --> 01:19:04,320

you're not good enough at it okay but

1865

01:19:08,870 --> 01:19:06,800

i'm doing it i'm here every day

1866

01:19:10,470 --> 01:19:08,880

every day i show up and i work on this

1867

01:19:13,669 --> 01:19:10,480

thing right

1868

01:19:15,350 --> 01:19:13,679

and you know it may not be good but i

1869

01:19:17,510 --> 01:19:15,360

show up every day and i work on it so

1870

01:19:20,550 --> 01:19:17,520

that's more than i could save that slob

1871

01:19:21,910 --> 01:19:20,560

right i think somebody

1872

01:19:23,590 --> 01:19:21,920

i really think somebody pissed in that

1873

01:19:25,350 --> 01:19:23,600

guy's cheerios because it was just like

1874

01:19:27,110 --> 01:19:25,360

i woke up today and somewhere around

1875

01:19:29,189 --> 01:19:27,120

lunch time he starts going off on me

1876

01:19:31,189 --> 01:19:29,199

about all kinds of nonsense

1877

01:19:33,110 --> 01:19:31,199

and then you know you feel the need you

1878

01:19:33,750 --> 01:19:33,120

do feel the need like i gotta defend

1879

01:19:35,430 --> 01:19:33,760

myself

1880

01:19:37,350 --> 01:19:35,440

i gotta defend my guests because he's

1881

01:19:40,149 --> 01:19:37,360

basically slandering my guests

1882

01:19:41,910 --> 01:19:40,159

and oh by the way clown you know great

1883

01:19:45,350 --> 01:19:41,920

thanks that's a great way to help me

1884

01:19:46,070 --> 01:19:45,360

get better guests just to just [h__\h] all

1885

01:19:47,830 --> 01:19:46,080

over

1886

01:19:49,910 --> 01:19:47,840

the last bunch of guests that i've had

1887

01:19:51,430 --> 01:19:49,920

that's great because that's what guests

1888

01:19:52,870 --> 01:19:51,440

coming on my show want to see after

1889

01:19:54,310 --> 01:19:52,880

they've given me their time and their

1890

01:19:55,270 --> 01:19:54,320

experience and their knowledge and their

1891

01:19:57,430 --> 01:19:55,280

expertise

1892

01:19:58,870 --> 01:19:57,440

they want to see some clown all over my

1893

01:20:00,709 --> 01:19:58,880

twitter

1894

01:20:02,470 --> 01:20:00,719

slandering them and calling them

1895

01:20:03,189 --> 01:20:02,480

government disinformation agents because

1896

01:20:05,270 --> 01:20:03,199

that won't

1897

01:20:11,189 --> 01:20:05,280

negatively impact their reputation or

1898

01:20:14,709 --> 01:20:12,629

i have a feeling that the person making

1899

01:20:17,270 --> 01:20:14,719

these comments owns nothing

1900

01:20:18,470 --> 01:20:17,280

right and has nothing to lose so like he

1901

01:20:20,950 --> 01:20:18,480

doesn't care he's

1902

01:20:21,590 --> 01:20:20,960

slander you all day with no proof no you

1903

01:20:35,590 --> 01:20:21,600

know

1904

01:20:38,870 --> 01:20:37,189

thank you for your warm welcome i love

1905

01:20:40,149 --> 01:20:38,880

the show well we're glad to see you here

1906

01:20:42,470 --> 01:20:40,159

i think this is the first time i've seen

1907

01:20:44,149 --> 01:20:42,480

you in our live chat and if so welcome

1908

01:20:47,510 --> 01:20:44,159

thank you very much oh and by the way

1909

01:20:49,350 --> 01:20:47,520

we'll just attend to some business here

1910

01:20:51,669 --> 01:20:49,360

there's a few ways to support our show

1911

01:20:52,390 --> 01:20:51,679

here uh at the risk of being a money

1912

01:20:56,070 --> 01:20:52,400

grubber

1913

01:20:57,590 --> 01:20:56,080

right so we do we would appreciate your

1914

01:20:59,350 --> 01:20:57,600

financial support to continue the show

1915

01:21:01,510 --> 01:20:59,360

there's two ways that you can help us

1916

01:21:03,669 --> 01:21:01,520

with a couple of bucks one is to make a

1917

01:21:05,910 --> 01:21:03,679

one-time paypal donation

1918

01:21:07,750 --> 01:21:05,920

uh and the links to do that are in the

1919

01:21:09,990 --> 01:21:07,760

about section but please please please

1920

01:21:10,950 --> 01:21:10,000

if you do send a paypal donation add a

1921

01:21:14,470 --> 01:21:10,960

note

1922

01:21:17,990 --> 01:21:14,480

and give me your chat room user id

1923

01:21:20,390 --> 01:21:18,000

and i will give you a shout out live on

1924

01:21:21,990 --> 01:21:20,400

air it's the least i could do i

1925

01:21:23,669 --> 01:21:22,000

appreciate your generosity and support

1926

01:21:26,629 --> 01:21:23,679

very much the other way of course

1927

01:21:28,070 --> 01:21:26,639

is to and i just checked in with the

1928

01:21:29,750 --> 01:21:28,080

paypal we don't have any new paypal

1929

01:21:32,070 --> 01:21:29,760

donations to shout out

1930

01:21:33,030 --> 01:21:32,080

but our last one was a kind generation

1931

01:21:37,030 --> 01:21:33,040

uh from

1932

01:21:39,910 --> 01:21:37,040

jonathan ledford uh genocide

1933

01:21:42,390 --> 01:21:39,920

i'm sorry sorry not paying attention to

1934

01:21:45,510 --> 01:21:42,400

your side i apologize all right

1935

01:21:47,270 --> 01:21:45,520

and uh patreon will check if you become

1936

01:21:48,629 --> 01:21:47,280

a patreon supporter and that's as little

1937

01:21:51,750 --> 01:21:48,639

as a dollar a month

1938

01:21:53,030 --> 01:21:51,760

then we shout you out live on air but it

1939

01:21:57,270 --> 01:21:53,040

looks like we have no

1940

01:22:00,790 --> 01:21:57,280

new uh patreon supporters for

1941

01:22:03,910 --> 01:22:02,550

but if you do become a patreon supporter

1942

01:22:05,430 --> 01:22:03,920

for as little as a dollar a month we

1943

01:22:09,030 --> 01:22:05,440

shout you out

1944

01:22:12,149 --> 01:22:09,040

on uh live on air here

1945

01:22:15,189 --> 01:22:12,159

so that's my uh

1946

01:22:17,830 --> 01:22:15,199

get over that and uh

1947

01:22:18,310 --> 01:22:17,840

one more way one more way that you can

1948

01:22:20,709 --> 01:22:18,320

really

1949

01:22:22,229 --> 01:22:20,719

help and support the show everybody says

1950

01:22:24,149 --> 01:22:22,239

it because it works

1951

01:22:25,590 --> 01:22:24,159

please be sure to like comment and

1952

01:22:28,629 --> 01:22:25,600

subscribe

1953

01:22:30,149 --> 01:22:28,639

uh and please also consider sending our

1954

01:22:31,830 --> 01:22:30,159

channel address to some friends because

1955

01:22:33,669 --> 01:22:31,840

if you enjoy this content some of your

1956

01:22:36,470 --> 01:22:33,679

friends might enjoy it as well

1957

01:22:38,870 --> 01:22:36,480

and that could help us grow uh much

1958

01:22:41,430 --> 01:22:38,880

faster than we have been

1959

01:22:43,750 --> 01:22:41,440

just copy the channel link address and

1960

01:22:45,270 --> 01:22:43,760

send it to some friends dm pm whatever

1961

01:22:49,270 --> 01:22:45,280

it takes

1962

01:22:56,790 --> 01:22:52,470

one second friend

1963

01:22:58,950 --> 01:22:56,800

yeah so that's my speech for for that

1964

01:23:03,110 --> 01:22:58,960

and there we have it now dedicated i'll

1965

01:23:06,709 --> 01:23:04,870

brandon young says the good news was a

1966

01:23:08,550 --> 01:23:06,719

great segment yeah thanks i thought

1967

01:23:10,790 --> 01:23:08,560

see i tried to think into these segments

1968

01:23:12,390 --> 01:23:10,800

that we could always plug stories into

1969

01:23:14,070 --> 01:23:12,400

we're always going to find stories about

1970

01:23:16,149 --> 01:23:14,080

power and privilege we're always going

1971

01:23:19,030 --> 01:23:16,159

to find stories about how crime pays

1972

01:23:19,590 --> 01:23:19,040

but only for the rich and we're always

1973

01:23:21,030 --> 01:23:19,600

gonna find

1974

01:23:22,629 --> 01:23:21,040

a little bit of good news we're gonna

1975

01:23:26,390 --> 01:23:22,639

find some apocalypse news

1976

01:23:27,990 --> 01:23:26,400

too and i have a few others uh i have

1977

01:23:31,110 --> 01:23:28,000

one called the riot report

1978

01:23:33,350 --> 01:23:31,120

right uh karen wrote to it's in

1979

01:23:34,629 --> 01:23:33,360

you just go to the about section of our

1980

01:23:38,470 --> 01:23:34,639

uh

1981

01:23:42,149 --> 01:23:38,480

of our channel here or

1982

01:23:45,030 --> 01:23:42,159

the the uh let me see the

1983

01:23:47,189 --> 01:23:45,040

the paypal donate is uh if you send a

1984

01:23:49,030 --> 01:23:47,199

paypal it goes right to truthseeker show

1985

01:23:53,030 --> 01:23:49,040

at gmail.com

1986

01:23:54,470 --> 01:23:53,040

and that'll make its way to me yeah so

1987

01:23:56,229 --> 01:23:54,480

i don't know i like the idea of these

1988

01:23:58,790 --> 01:23:56,239

segments though because it's a shorter

1989

01:24:00,550 --> 01:23:58,800

it's just it's a little more a little

1990

01:24:02,310 --> 01:24:00,560

more it gives us a chance to add a

1991

01:24:03,590 --> 01:24:02,320

little more production i'm struggling to

1992

01:24:05,110 --> 01:24:03,600

try to figure out what else to do to

1993

01:24:07,110 --> 01:24:05,120

improve the show

1994

01:24:09,750 --> 01:24:07,120

but one of the things that i thought was

1995

01:24:14,470 --> 01:24:13,030

maybe i could add more production value

1996

01:24:15,990 --> 01:24:14,480

to the show by playing more video

1997

01:24:18,390 --> 01:24:16,000

bumpers after all it's a video

1998

01:24:19,990 --> 01:24:18,400

show you've gotta forgive me guys coming

1999

01:24:21,910 --> 01:24:20,000

from the background doing a radio show

2000

01:24:25,350 --> 01:24:21,920

for so long

2001

01:24:27,910 --> 01:24:25,360

you go oh it's video we should have nice

2002

01:24:28,870 --> 01:24:27,920

video bumpers and intros and outros and

2003

01:24:31,750 --> 01:24:28,880

exits and

2004

01:24:33,110 --> 01:24:31,760

things like that right yes and i agree

2005

01:24:36,390 --> 01:24:33,120

somebody said we should have dan

2006

01:24:37,910 --> 01:24:36,400

on the show i have had dana on the show

2007

01:24:40,470 --> 01:24:37,920

and you missed it prank magic because

2008

01:24:41,830 --> 01:24:40,480

you're a slacker you're a slacker prank

2009

01:24:43,669 --> 01:24:41,840

magic and you didn't even know that

2010

01:24:45,189 --> 01:24:43,679

we've already had dan on i think

2011

01:24:46,790 --> 01:24:45,199

a few times he was on the midnight hour

2012

01:24:50,390 --> 01:24:46,800

show too i think

2013

01:24:52,390 --> 01:24:50,400

and maybe he was on uh

2014

01:24:54,550 --> 01:24:52,400

two stickers once or maybe twice already

2015

01:24:57,590 --> 01:24:54,560

now i think twice he was on

2016

01:24:59,350 --> 01:24:57,600

and you missed it craig magic dan says

2017

01:25:01,830 --> 01:24:59,360

he's working on a more important project

2018

01:25:03,669 --> 01:25:01,840

at the moment we'll get you old guys

2019

01:25:05,669 --> 01:25:03,679

yeah it's got to be more important than

2020

01:25:09,430 --> 01:25:05,679

being on this show the content

2021

01:25:14,550 --> 01:25:10,950

yeah i think everyone needed a little

2022

01:25:18,629 --> 01:25:16,950

uh no uh somebody asked about super

2023

01:25:20,870 --> 01:25:18,639

chats

2024

01:25:23,430 --> 01:25:20,880

we hit the monetization numbers a month

2025

01:25:24,709 --> 01:25:23,440

ago and we're waiting for youtube to

2026

01:25:26,709 --> 01:25:24,719

review the

2027

01:25:28,870 --> 01:25:26,719

something and turn the super chats on

2028

01:25:33,590 --> 01:25:28,880

which i can't tell you

2029

01:25:41,910 --> 01:25:39,990

yeah that's exactly what happened mario

2030

01:25:43,430 --> 01:25:41,920

oh thanks that's very nice of you see

2031

01:25:45,189 --> 01:25:43,440

the best part about your show steven is

2032

01:25:47,270 --> 01:25:45,199

your personality injected into all the

2033

01:25:49,669 --> 01:25:47,280

artistic elements

2034

01:25:50,790 --> 01:25:49,679

yeah now i see that a lot with you i'm

2035

01:25:52,629 --> 01:25:50,800

jealous this

2036

01:25:54,550 --> 01:25:52,639

daniel's much better at a lot of this

2037

01:25:56,310 --> 01:25:54,560

video editing to me but uh what you saw

2038

01:25:58,070 --> 01:25:56,320

tonight daniel is just

2039

01:25:59,270 --> 01:25:58,080

me playing around with his video editors

2040

01:25:59,990 --> 01:25:59,280

trying to figure out how to do some of

2041

01:26:03,110 --> 01:26:00,000

this stuff

2042

01:26:05,189 --> 01:26:03,120

i mean i've done i've done like

2043

01:26:06,950 --> 01:26:05,199

short film projects way back in the day

2044

01:26:09,510 --> 01:26:06,960

when you had to like

2045

01:26:10,629 --> 01:26:09,520

film stuff with a vhs and then digitize

2046

01:26:12,870 --> 01:26:10,639

it and then

2047

01:26:13,990 --> 01:26:12,880

get it on a cd and upload it to the

2048

01:26:17,110 --> 01:26:14,000

computer and it took

2049

01:26:20,550 --> 01:26:17,120

ages and it was like 144 p

2050

01:26:22,709 --> 01:26:20,560

and then later i did like 720p uh

2051

01:26:24,229 --> 01:26:22,719

music videos a lot of but this is a

2052

01:26:25,110 --> 01:26:24,239

different thing trying to make this kind

2053

01:26:29,830 --> 01:26:25,120

of stuff so

2054

01:26:35,189 --> 01:26:32,709

when is the next mask show yeah i don't

2055

01:26:37,030 --> 01:26:35,199

know and i i saw that thing you guys did

2056

01:26:40,550 --> 01:26:37,040

uh spooky i want you to

2057

01:26:42,149 --> 01:26:40,560

mess pm me on facebook or hit me up on

2058

01:26:43,669 --> 01:26:42,159

twitter and tell me what software you're

2059

01:26:44,310 --> 01:26:43,679

using to do that please tell me that

2060

01:26:47,830 --> 01:26:44,320

it's on a

2061

01:26:49,910 --> 01:26:47,840

computer and not phone the uh

2062

01:26:51,110 --> 01:26:49,920

the filters that you and uh keats were

2063

01:26:53,750 --> 01:26:51,120

using i want

2064

01:26:55,669 --> 01:26:53,760

some of that and i have uh some more

2065

01:26:59,590 --> 01:26:55,679

good news actually

2066

01:27:04,149 --> 01:26:59,600

um originally i have graphics too

2067

01:27:06,790 --> 01:27:04,159

that like go behind me um

2068

01:27:08,550 --> 01:27:06,800

for the segments the different segments

2069

01:27:10,470 --> 01:27:08,560

of the show like this

2070

01:27:11,910 --> 01:27:10,480

and i tried to get this green screen i

2071

01:27:13,270 --> 01:27:11,920

have a green screen that goes in front

2072

01:27:15,669 --> 01:27:13,280

of this working

2073

01:27:17,590 --> 01:27:15,679

but uh the lighting in here is terrible

2074

01:27:19,110 --> 01:27:17,600

so i but i did order some lights i think

2075

01:27:20,790 --> 01:27:19,120

that we'll have the green screen going

2076

01:27:27,189 --> 01:27:20,800

the next time

2077

01:27:28,790 --> 01:27:27,199

a variety show like this customize

2078

01:27:30,709 --> 01:27:28,800

everything yeah that's what i'm trying

2079

01:27:32,629 --> 01:27:30,719

to do somebody asked again about the

2080

01:27:33,270 --> 01:27:32,639

super chat thing nope still no super

2081

01:27:35,189 --> 01:27:33,280

chat thing

2082

01:27:37,750 --> 01:27:35,199

i did everything i could do melisa i'm

2083

01:27:39,669 --> 01:27:37,760

just waiting for youtube to turn it on

2084

01:27:41,270 --> 01:27:39,679

and i can't tell you how much i hope

2085

01:27:42,870 --> 01:27:41,280

they turned it on fast because we're

2086

01:27:44,390 --> 01:27:42,880

going on more than a month here and they

2087

01:27:45,430 --> 01:27:44,400

say it takes about a month for them to

2088

01:27:51,590 --> 01:27:45,440

review

2089

01:27:56,149 --> 01:27:54,070

mario heath don't be so mean he's like

2090

01:28:02,070 --> 01:27:56,159

no melisa are you not paying attention

2091

01:28:08,870 --> 01:28:06,229

this the alien opera was pure

2092

01:28:14,310 --> 01:28:08,880

snap camera app all right i don't know

2093

01:28:16,310 --> 01:28:14,320

what that is but i'm gonna

2094

01:28:18,390 --> 01:28:16,320

the snap camera app is going to ruin all

2095

01:28:20,229 --> 01:28:18,400

of our shows mark my words

2096

01:28:21,669 --> 01:28:20,239

yeah i agree with you though craig magic

2097

01:28:22,149 --> 01:28:21,679

like some of those filters look like

2098

01:28:24,629 --> 01:28:22,159

they would

2099

01:28:26,550 --> 01:28:24,639

almost work for me but not quite and you

2100

01:28:29,590 --> 01:28:26,560

can't customize them so

2101

01:28:30,149 --> 01:28:29,600

like they i don't think they look that

2102

01:28:33,830 --> 01:28:30,159

good

2103

01:28:35,990 --> 01:28:33,840

you know what i mean it's like oh

2104

01:28:37,750 --> 01:28:36,000

it looks pretty good but you know i

2105

01:28:38,629 --> 01:28:37,760

think like that maybe that's alpha or

2106

01:28:41,669 --> 01:28:38,639

it's like

2107

01:28:44,629 --> 01:28:41,679

1.0 it's it's not really there yet it's

2108

01:28:46,870 --> 01:28:44,639

really not there yet

2109

01:28:48,550 --> 01:28:46,880

well that reminds me uh so tonight i'm

2110

01:28:51,350 --> 01:28:48,560

going to be on alien scientist

2111

01:28:52,950 --> 01:28:51,360

show at 9 00 p.m just 30 minutes from

2112

01:28:55,110 --> 01:28:52,960

now so if you didn't get enough of me on

2113

01:28:55,430 --> 01:28:55,120

my show you come over alien scientist

2114

01:28:57,669 --> 01:28:55,440

show

2115

01:28:59,830 --> 01:28:57,679

he should have a much bigger crowd i'm

2116

01:29:02,070 --> 01:28:59,840

really looking forward to that

2117

01:29:05,510 --> 01:29:02,080

and we're gonna be discussing roswell

2118

01:29:07,990 --> 01:29:05,520

and i hope these anthony regalia

2119

01:29:09,110 --> 01:29:08,000

foia releases and a few other things

2120

01:29:12,310 --> 01:29:09,120

right

2121

01:29:13,750 --> 01:29:12,320

um always fun to talk to jeremy

2122

01:29:15,590 --> 01:29:13,760

but he does make me feel like a dumb

2123

01:29:17,510 --> 01:29:15,600

monkey right

2124

01:29:18,870 --> 01:29:17,520

he's always talking about protons and

2125

01:29:21,669 --> 01:29:18,880

things and like

2126

01:29:22,310 --> 01:29:21,679

like we're not all physicists jeremy

2127

01:29:24,229 --> 01:29:22,320

right

2128

01:29:25,350 --> 01:29:24,239

but he does what a lot of my sciency

2129

01:29:29,110 --> 01:29:25,360

friends do

2130

01:29:31,350 --> 01:29:29,120

he talks to me as if i know all about

2131

01:29:32,229 --> 01:29:31,360

like the higgs boson particles that he

2132

01:29:35,750 --> 01:29:32,239

talks about

2133

01:29:39,830 --> 01:29:35,760

and i'm just like uh-huh uh-huh

2134

01:29:40,470 --> 01:29:39,840

you know i really am a dumb monkey

2135

01:29:43,110 --> 01:29:40,480

jeremy

2136

01:29:44,149 --> 01:29:43,120

you gotta slow down for the dumb monkey

2137

01:29:47,189 --> 01:29:44,159

i do not have an

2138

01:29:57,830 --> 01:29:47,199

einstein brain like you okay

2139

01:30:01,030 --> 01:29:59,430

yeah i don't know preg magic i'll have

2140

01:30:02,709 --> 01:30:01,040

to play with that like if i find one

2141

01:30:03,990 --> 01:30:02,719

that would be cool for a certain thing

2142

01:30:05,350 --> 01:30:04,000

or effect

2143

01:30:09,590 --> 01:30:05,360

but i think that's a little too much

2144

01:30:13,830 --> 01:30:11,270

and jeremy is laughing at me with his

2145

01:30:16,070 --> 01:30:13,840

big einstein brain i mean it bro you

2146

01:30:17,750 --> 01:30:16,080

just you know and he means well he's

2147

01:30:20,070 --> 01:30:17,760

trying to educate me he's like

2148

01:30:22,229 --> 01:30:20,080

well stephen he's all sciency and stuff

2149

01:30:25,590 --> 01:30:22,239

all the time he's like well stephen

2150

01:30:27,430 --> 01:30:25,600

uh are you familiar with the higgs boson

2151
01:30:28,390 --> 01:30:27,440
particle and the discoveries made at the

2152
01:30:31,830 --> 01:30:28,400
certain lab

2153
01:30:33,750 --> 01:30:31,840
on this date and time no not really

2154
01:30:35,910 --> 01:30:33,760
yeah i don't sit around reading physics

2155
01:30:37,750 --> 01:30:35,920
papers all day like some people

2156
01:30:39,110 --> 01:30:37,760
but i'm glad that he does because you

2157
01:30:41,189 --> 01:30:39,120
know uh

2158
01:30:43,590 --> 01:30:41,199
somebody's gotta look into this physics

2159
01:30:48,709 --> 01:30:43,600
side of flying saucers and

2160
01:30:50,709 --> 01:30:48,719
ufos and all this stuff right

2161
01:30:52,229 --> 01:30:50,719
yes the materials declassified document

2162
01:30:53,990 --> 01:30:52,239
which to my reading of them

2163
01:30:56,229 --> 01:30:54,000

maybe we'll talk about it i hope i hope

2164

01:30:58,550 --> 01:30:56,239

we will talk about it uh with jeremy

2165

01:30:59,590 --> 01:30:58,560

alien scientist tonight but my reading

2166

01:31:02,950 --> 01:30:59,600

of the of them

2167

01:31:04,470 --> 01:31:02,960

is that the the foia that this guy got

2168

01:31:05,350 --> 01:31:04,480

back just said yeah we might have

2169

01:31:08,629 --> 01:31:05,360

recovered some

2170

01:31:11,910 --> 01:31:08,639

uh recover you know uh

2171

01:31:12,709 --> 01:31:11,920

ufo or uap debris that was tested but

2172

01:31:16,070 --> 01:31:12,719

most of it was

2173

01:31:18,390 --> 01:31:16,080

just stuff about aircraft manufacturing

2174

01:31:20,310 --> 01:31:18,400

and materials it had nothing to do with

2175

01:31:21,350 --> 01:31:20,320

aliens or anything like that and he went

2176

01:31:23,910 --> 01:31:21,360

running with the

2177

01:31:25,990 --> 01:31:23,920

headline that basically said that the

2178

01:31:29,590 --> 01:31:26,000

pentagon admits they have alien

2179

01:31:31,270 --> 01:31:29,600

material or ufo material i don't know

2180

01:31:40,950 --> 01:31:31,280

we got it's it's one of those rabbit

2181

01:31:45,430 --> 01:31:43,830

oh yeah the comments concerning my intro

2182

01:31:47,030 --> 01:31:45,440

were gold i have to see them i don't

2183

01:31:49,510 --> 01:31:47,040

know what people said but i did

2184

01:31:50,950 --> 01:31:49,520

hear that a lot of people are like yeah

2185

01:31:51,830 --> 01:31:50,960

that's another thing that was funny on

2186

01:31:54,149 --> 01:31:51,840

jeremy's channel

2187

01:31:55,270 --> 01:31:54,159

this is what i hear a couple people told

2188

01:31:57,270 --> 01:31:55,280

me this you're like yeah

2189

01:31:59,590 --> 01:31:57,280

jeremy replayed that guest appearance he

2190

01:32:02,550 --> 01:31:59,600

did on his channel and it got like

2191

01:32:03,830 --> 01:32:02,560

2 000 or more views and a lot of people

2192

01:32:05,590 --> 01:32:03,840

saw it and thought

2193

01:32:07,750 --> 01:32:05,600

yeah maybe steven's not such a big

2194

01:32:11,030 --> 01:32:07,760

[h__\h] maybe he's okay

2195

01:32:13,510 --> 01:32:11,040

so okay good you know good good

2196

01:32:15,350 --> 01:32:13,520

and by the way folks i gotta get out of

2197

01:32:19,030 --> 01:32:15,360

here because i really gotta

2198

01:32:20,629 --> 01:32:19,040

uh you know uh i gotta caffeinate myself

2199

01:32:23,189 --> 01:32:20,639

and get ready for jeremy's stream which

2200

01:32:26,390 --> 01:32:23,199

is probably gonna be a long one

2201
01:32:29,510 --> 01:32:26,400
uh yeah

2202
01:32:35,350 --> 01:32:29,520
we so we'll be wrapping stuff up here

2203
01:32:39,110 --> 01:32:37,030
yeah i love the folks who don't know

2204
01:32:40,149 --> 01:32:39,120
steve saw dancing girls and fire as

2205
01:32:42,310 --> 01:32:40,159
their introduction

2206
01:32:43,430 --> 01:32:42,320
yeah i know there's a bunch of ufo nerds

2207
01:32:44,629 --> 01:32:43,440
sitting around going

2208
01:32:46,310 --> 01:32:44,639
okay there's going to be a show about

2209
01:32:48,470 --> 01:32:46,320
roswell and all of a sudden they see hot

2210
01:32:50,550 --> 01:32:48,480
dancing chicks and they get confused

2211
01:32:52,950 --> 01:32:50,560
that's kind of the point okay i'm an

2212
01:32:56,950 --> 01:32:52,960
artist preg magic i'm an artist

2213
01:33:00,149 --> 01:32:58,550

all right yeah see you soon alien

2214

01:33:02,390 --> 01:33:00,159

scientist i'm going to get caffeinated

2215

01:33:04,870 --> 01:33:02,400

up here and uh get ready for your show

2216

01:33:06,070 --> 01:33:04,880

so friends uh please i i want to thank

2217

01:33:08,390 --> 01:33:06,080

everybody for coming to

2218

01:33:09,350 --> 01:33:08,400

the debut of our new variety show format

2219

01:33:11,830 --> 01:33:09,360

which we'll be doing

2220

01:33:13,189 --> 01:33:11,840

every so often i don't know how this

2221

01:33:14,629 --> 01:33:13,199

works i'm still

2222

01:33:17,030 --> 01:33:14,639

trying to figure out how to be a show

2223

01:33:17,910 --> 01:33:17,040

host what best way to present shows to

2224

01:33:19,430 --> 01:33:17,920

people so

2225

01:33:21,110 --> 01:33:19,440

everything is an experiment at this

2226

01:33:23,030 --> 01:33:21,120

point i'm always

2227

01:33:24,310 --> 01:33:23,040

so happy when there's an audience i was

2228

01:33:25,030 --> 01:33:24,320

really nervous tonight with this new

2229

01:33:27,430 --> 01:33:25,040

format

2230

01:33:28,070 --> 01:33:27,440

i felt good seeing some familiar faces

2231

01:33:29,910 --> 01:33:28,080

and hey

2232

01:33:33,189 --> 01:33:29,920

we had some brand new faces in the live

2233

01:33:35,669 --> 01:33:33,199

chat tonight which always makes me smile

2234

01:33:37,430 --> 01:33:35,679

uh i'm always happy friends when there

2235

01:33:39,669 --> 01:33:37,440

is an audience

2236

01:33:42,709 --> 01:33:39,679

thank you really sincerely for being a

2237

01:33:48,070 --> 01:33:45,910

so until next time friends my name is

2238

01:33:53,670 --> 01:33:48,080

stephen campion

2239

01:33:53,680 --> 01:34:30,830

[Music]

2240

01:34:30,840 --> 01:34:44,650

so

2241

01:35:23,850 --> 01:34:52,240

[Music]
