1
00:00:03,350 --> 00:00:01,750
i'm not going back to sitting in a

2
00:00:03,750 --> 00:00:03,360
cubicle and wanting to blow my brains

3
00:00:06,869 --> 00:00:03,760
out

4
00:00:07,349 --> 00:00:06,879
uh 12-hour day uh anymore i'd rather be

5
00:00:10,950 --> 00:00:07,359
poor

6
00:00:16,710 --> 00:00:10,960
uh

7
00:00:17,990 --> 00:00:16,720
when we were talking ryan and i was kind

8
00:00:18,870 --> 00:00:18,000
of like we both agree on the same thing

9
00:00:22,310 --> 00:00:18,880
like

10
00:00:26,070 --> 00:00:22,320
you don't need that much money to live

11
00:00:28,230 --> 00:00:26,080
and be happy right if you want you know

12
00:00:30,230 --> 00:00:28,240
million dollar homes and stuff then sure

13
00:00:33,990 --> 00:00:30,240

you've got a problem

14

00:00:36,950 --> 00:00:34,000

but i want to live simple and cheap uh

15

00:00:38,389 --> 00:00:36,960

as much as i can right and i don't need

16

00:00:40,389 --> 00:00:38,399

that much

17

00:00:41,590 --> 00:00:40,399

uh so i'm not looking for millions of

18

00:00:45,270 --> 00:00:41,600

dollars here but

19

00:00:47,590 --> 00:00:45,280

uh i would like to make you know if this

20

00:00:50,389 --> 00:00:47,600

will be a part-time job for me

21

00:00:51,350 --> 00:00:50,399

and take 20 hours a week to do it or

22

00:00:53,110 --> 00:00:51,360

more

23

00:00:54,790 --> 00:00:53,120

then i would like to make the equivalent

24

00:00:56,950 --> 00:00:54,800

of working at taco bell
