

*"Its nothing personal,
Its just business"*

1
00:00:01,170 --> 00:00:13,509
[Music]

2
00:00:13,519 --> 00:00:25,750
but i now know

3
00:00:25,760 --> 00:00:32,679
[h__\h] blah

4
00:00:32,689 --> 00:00:42,830
[Music]

5
00:00:56,630 --> 00:00:45,500
huh

6
00:01:03,590 --> 00:01:00,709
blah blah mysterious message blah blah

7
00:01:05,350 --> 00:01:03,600
gobbled speech blah blah deep and

8
00:01:07,750 --> 00:01:05,360
meaningful

9
00:01:09,750 --> 00:01:07,760
while trying to freak stephen and his

10
00:01:10,310 --> 00:01:09,760
family out by sending a couple of

11
00:01:13,830 --> 00:01:10,320
pictures

12
00:01:16,310 --> 00:01:13,840
of his cabin and his house lifted from

13
00:01:18,789 --> 00:01:16,320

public property surveying websites that

14

00:01:21,590 --> 00:01:18,799

have to be there for legal reasons

15

00:01:22,789 --> 00:01:21,600

and anyone can get hold of that's the

16

00:01:25,990 --> 00:01:22,799

game is it

17

00:01:27,670 --> 00:01:26,000

right oh and don't bother

18

00:01:29,990 --> 00:01:27,680

trying to figure out what they're saying

19

00:01:30,630 --> 00:01:30,000

i've cleaned it up and all he's doing is

20

00:01:33,749 --> 00:01:30,640

quoting

21

00:01:35,270 --> 00:01:33,759

article three four one two four of the

22

00:01:37,910 --> 00:01:35,280

space core

23

00:01:38,789 --> 00:01:37,920

quote no officer with false teeth should

24

00:01:41,830 --> 00:01:38,799

attempt all

25

00:01:45,270 --> 00:01:41,840

six in zero gravity especially when

26

00:01:47,510 --> 00:01:45,280

wearing a ginger toupee

27

00:01:50,870 --> 00:01:47,520

well uh thanks for that but i'm not sure

28

00:01:54,389 --> 00:01:50,880

how it applies to disclosure though

29

00:02:01,190 --> 00:01:54,399

what next jimmy the fish ah we all know

30

00:02:09,910 --> 00:02:05,270

now you listen here sunny jim

31

00:02:13,030 --> 00:02:09,920

stephen is my asset

32

00:02:16,070 --> 00:02:13,040

and that makes it personal

33

00:02:17,990 --> 00:02:16,080

and charles he don't take things

34

00:02:24,949 --> 00:02:18,000

personal

35

00:02:28,630 --> 00:02:24,959

i'm always lying down when i do it

36

00:02:33,190 --> 00:02:32,309

i'm charles the world's deadliest super

37

00:02:36,710 --> 00:02:33,200

soldier

38

00:02:39,910 --> 00:02:36,720

and nobody reaches in my pockets

39

00:02:45,030 --> 00:02:39,920

and starts diddling with my assets

40

00:02:49,990 --> 00:02:48,070

and moreover stephen still owes me a

41

00:02:52,630 --> 00:02:50,000

dildo so he can't go to ground

42

00:02:54,630 --> 00:02:52,640

joshua can he yeah but that's beside the

43

00:02:58,229 --> 00:02:54,640

point

44

00:03:01,350 --> 00:02:58,239

listen mate i've got a whole fleet

45

00:03:04,630 --> 00:03:01,360

of reptile aliens that will

46

00:03:07,910 --> 00:03:04,640

[h__h] you and eat you

47

00:03:11,190 --> 00:03:07,920

what you don't believe me

48

00:03:15,830 --> 00:03:11,200

job done kissinger

49

00:03:17,190 --> 00:03:15,840

roll it i'm told that charles had no

50

00:03:18,869 --> 00:03:17,200

knowledge of the attack

51
00:03:20,869 --> 00:03:18,879
until my orders are to report our

52
00:03:22,550 --> 00:03:20,879
progress to charles

53
00:03:24,149 --> 00:03:22,560
but charles has bigger things on his

54
00:03:26,869 --> 00:03:24,159
mind in los angeles

55
00:03:27,750 --> 00:03:26,879
don't be so sure even charles should be

56
00:03:30,710 --> 00:03:27,760
able to appreciate

57
00:03:31,430 --> 00:03:30,720
victory now why didn't you take charge

58
00:03:33,670 --> 00:03:31,440
at the bridge

59
00:03:36,309 --> 00:03:33,680
only following charles's orders i can

60
00:03:38,630 --> 00:03:36,319
understand why charles is so

61
00:03:40,630 --> 00:03:38,640
passionate about making you his bride

62
00:03:42,630 --> 00:03:40,640
charles is a lucky man

63
00:03:44,830 --> 00:03:42,640

entire fleet knows how you feel about

64

00:03:47,830 --> 00:03:44,840

chops

65

00:03:51,589 --> 00:03:47,840

charles do you promise to be

66

00:03:54,949 --> 00:03:51,599

the stone that crushes the leader's

67

00:04:00,390 --> 00:03:54,959

enemies and i did

68

00:04:03,030 --> 00:04:00,400

i kept my oath to the reptiles

69

00:04:04,309 --> 00:04:03,040

yeah that's right that's who you're

70

00:04:07,589 --> 00:04:04,319

dealing with

71

00:04:12,630 --> 00:04:10,229

i'll tell you something else if you've

72

00:04:15,350 --> 00:04:12,640

done this to bill ryan

73

00:04:16,069 --> 00:04:15,360

right now you'll be at the bottom of a

74

00:04:19,749 --> 00:04:16,079

[h__\h]

75

00:04:23,510 --> 00:04:19,759

swamp in concrete galoshes

76

00:04:26,710 --> 00:04:23,520

uh i mean uh cement overshoes

77

00:04:31,749 --> 00:04:30,629

so take your obscure jigsaw type

78

00:04:34,950 --> 00:04:31,759

messages

79

00:04:37,749 --> 00:04:34,960

that don't mean anything really

80

00:04:39,110 --> 00:04:37,759

and you public domain photos of his

81

00:04:42,790 --> 00:04:39,120

house

82

00:04:47,510 --> 00:04:42,800

and next time you ask my
