

1
00:01:52,830 --> 00:01:41,610

[Music]

2
00:01:52,840 --> 00:01:56,540

so

3
00:03:28,710 --> 00:02:02,900

[Music]

4
00:03:35,110 --> 00:03:32,070
greetings and salutations old friends

5
00:03:38,869 --> 00:03:35,120
and hopefully some new friends tonight

6
00:03:41,750 --> 00:03:38,879
um i had not planned on doing a second

7
00:03:48,789 --> 00:03:44,789
but some issues happened with the show

8
00:03:55,830 --> 00:03:52,630
means i have to uh

9
00:03:56,869 --> 00:03:55,840
do another show and that is a technical

10
00:03:59,589 --> 00:03:56,879
thing really

11
00:04:00,149 --> 00:03:59,599
we had these technical issues where the

12
00:04:03,750 --> 00:04:00,159
stream

13
00:04:09,990 --> 00:04:07,030

already and strange and weird in places

14

00:04:11,270 --> 00:04:10,000

i don't believe this is an issue with my

15

00:04:13,830 --> 00:04:11,280

side of things

16

00:04:16,710 --> 00:04:13,840

i believe is an issue with our cloud

17

00:04:18,870 --> 00:04:16,720

services provider

18

00:04:20,150 --> 00:04:18,880

but in an effort to eliminate the

19

00:04:23,430 --> 00:04:20,160

possibilities

20

00:04:27,030 --> 00:04:23,440

uh here we are and i'm

21

00:04:30,310 --> 00:04:27,040

checking in with the stream and it looks

22

00:04:31,110 --> 00:04:30,320

as it's supposed to not sure why it had

23

00:04:34,870 --> 00:04:31,120

such a problem

24

00:04:35,430 --> 00:04:34,880

earlier uh but i thought i would come

25

00:04:37,670 --> 00:04:35,440

back

26

00:04:39,909 --> 00:04:37,680

and maybe we'll just have a chat session

27

00:04:40,230 --> 00:04:39,919

while we test these things and make sure

28

00:04:44,390 --> 00:04:40,240

that

29

00:04:46,150 --> 00:04:44,400

all is well in streamland

30

00:04:47,510 --> 00:04:46,160

these things are very frustrating to me

31

00:04:49,909 --> 00:04:47,520

because

32

00:04:51,350 --> 00:04:49,919

i worked so hard on that show that we

33

00:04:55,270 --> 00:04:51,360

did previously

34

00:04:55,990 --> 00:04:55,280

i mean a long story but i worked really

35

00:04:57,830 --> 00:04:56,000

hard on that

36

00:04:59,350 --> 00:04:57,840

like getting the videos working the

37

00:05:02,870 --> 00:04:59,360

graphics all working

38

00:05:04,629 --> 00:05:02,880

right and then we go to stream it and it

39

00:05:07,270 --> 00:05:04,639

just looked

40

00:05:08,629 --> 00:05:07,280

terrible and it's all three locations it

41

00:05:11,990 --> 00:05:08,639

looked terrible at so

42

00:05:14,310 --> 00:05:12,000

there's some problem between me

43

00:05:15,590 --> 00:05:14,320

and the cloud services provider who is

44

00:05:19,270 --> 00:05:15,600

supposed to

45

00:05:21,270 --> 00:05:19,280

distribute our stream that's their only

46

00:05:22,390 --> 00:05:21,280

responsibility and it's a service that i

47

00:05:25,430 --> 00:05:22,400

pay for

48

00:05:28,150 --> 00:05:25,440

so when i think it's their problem

49

00:05:30,070 --> 00:05:28,160

you know this is upsetting um but it is

50

00:05:31,909 --> 00:05:30,080

what it is and we roll with the punches

51
00:05:33,350 --> 00:05:31,919
here i like to say that you get this

52
00:05:37,110 --> 00:05:33,360
show warts and all

53
00:05:39,830 --> 00:05:37,120
and sometimes this magic technology

54
00:05:41,590 --> 00:05:39,840
is not going to work so magically you

55
00:05:45,510 --> 00:05:41,600
know i had a bunch of people

56
00:05:48,310 --> 00:05:45,520
message me about the stream quality

57
00:05:50,070 --> 00:05:48,320
i'm sorry you know and this is another

58
00:05:52,390 --> 00:05:50,080
problem or an issue

59
00:05:54,469 --> 00:05:52,400
with being like your own producer right

60
00:05:56,790 --> 00:05:54,479
i have to solve these technical problems

61
00:05:57,990 --> 00:05:56,800
other guys just host the show that's all

62
00:06:00,150 --> 00:05:58,000
they do and then they got

63
00:06:01,350 --> 00:06:00,160

people to do that we don't have any i

64

00:06:04,629 --> 00:06:01,360

don't have any people

65

00:06:07,110 --> 00:06:04,639

okay so uh

66

00:06:08,790 --> 00:06:07,120

you know i'm just we're here doing the

67

00:06:10,710 --> 00:06:08,800

best that we can

68

00:06:14,309 --> 00:06:10,720

i hope people recognize and understand

69

00:06:17,990 --> 00:06:16,710

we had a very nice comment right in the

70

00:06:21,110 --> 00:06:18,000

beginning of the show

71

00:06:23,590 --> 00:06:21,120

really start things off uh

72

00:06:25,270 --> 00:06:23,600

and put me in a better mood already so

73

00:06:27,270 --> 00:06:25,280

thanks monet beck who says

74

00:06:28,790 --> 00:06:27,280

congratulations on all the new followers

75

00:06:30,710 --> 00:06:28,800

and great podcast

76
00:06:31,909 --> 00:06:30,720
you've come a long way i remember when

77
00:06:35,990 --> 00:06:31,919
it

78
00:06:39,189 --> 00:06:36,000
of reflecting back

79
00:06:39,749 --> 00:06:39,199
on this show and like it's been quite a

80
00:06:43,350 --> 00:06:39,759
journey

81
00:06:46,469 --> 00:06:43,360
to get here right here

82
00:06:48,870 --> 00:06:46,479
in this place in this time

83
00:06:51,670 --> 00:06:48,880
uh but i feel like we're basically right

84
00:06:53,510 --> 00:06:51,680
where we're supposed to be right now

85
00:06:56,150 --> 00:06:53,520
uh there's always things that can be

86
00:07:00,150 --> 00:06:56,160
improved and worked on i suppose

87
00:07:01,990 --> 00:07:00,160
um yeah and uh you know volgano says

88
00:07:04,309 --> 00:07:02,000

over a thousand yeah we hit that like

89

00:07:05,430 --> 00:07:04,319

five weeks ago and we've been waiting

90

00:07:08,790 --> 00:07:05,440

five weeks for

91

00:07:11,189 --> 00:07:08,800

uh youtube to turn on the monetization

92

00:07:11,990 --> 00:07:11,199

and the super chats that would be great

93

00:07:14,309 --> 00:07:12,000

if they could

94

00:07:15,510 --> 00:07:14,319

you know do that it's supposed to take a

95

00:07:18,790 --> 00:07:15,520

month

96

00:07:20,070 --> 00:07:18,800

um it's been five weeks so

97

00:07:22,150 --> 00:07:20,080

everybody's asking me when are you going

98

00:07:24,790 --> 00:07:22,160

to put on super chat as

99

00:07:26,870 --> 00:07:24,800

as soon as possible ufo gandalf and you

100

00:07:29,270 --> 00:07:26,880

better throw some money at me

101
00:07:30,710 --> 00:07:29,280
right all of you people that keep asking

102
00:07:33,909 --> 00:07:30,720
about the super chats

103
00:07:37,670 --> 00:07:33,919
i appreciate it and uh trust me

104
00:07:40,070 --> 00:07:37,680
uh as soon as i uh

105
00:07:41,909 --> 00:07:40,080
as soon as i was you know as soon as we

106
00:07:44,070 --> 00:07:41,919
were able to take them

107
00:07:46,550 --> 00:07:44,080
of course you know why would i not want

108
00:07:50,869 --> 00:07:49,510
money thrown at me from the live chat of

109
00:07:54,309 --> 00:07:50,879
course we want to do that

110
00:07:56,790 --> 00:07:54,319
we're just waiting on youtube now

111
00:07:57,510 --> 00:07:56,800
prophetic yeah somebody has sent me some

112
00:07:59,830 --> 00:07:57,520
stuff uh

113
00:08:01,430 --> 00:07:59,840

john warner jr i saw project unity do

114

00:08:02,070 --> 00:08:01,440

some videos about his work to me he

115

00:08:05,270 --> 00:08:02,080

sounded like

116

00:08:06,710 --> 00:08:05,280

a laura eisenhower 2.0 uh somebody sent

117

00:08:09,430 --> 00:08:06,720

me some of that material i'm not sure if

118

00:08:12,070 --> 00:08:09,440

it was you or another user

119

00:08:13,430 --> 00:08:12,080

maybe it was all around arbiter sent me

120

00:08:14,869 --> 00:08:13,440

um

121

00:08:17,270 --> 00:08:14,879

i believe it might have been all around

122

00:08:19,749 --> 00:08:17,280

arbiter sent me some of that

123

00:08:22,230 --> 00:08:19,759

but i haven't looked into it uh very

124

00:08:24,869 --> 00:08:22,240

much yet

125

00:08:25,350 --> 00:08:24,879

what's the pay pal again okay uh here we

126

00:08:28,469 --> 00:08:25,360

go

127

00:08:32,149 --> 00:08:28,479

let me uh let me get my banner

128

00:08:34,070 --> 00:08:32,159

my all you do

129

00:08:36,310 --> 00:08:34,080

is there's two ways to do a paypal

130

00:08:37,829 --> 00:08:36,320

donation you can go to the about section

131

00:08:39,269 --> 00:08:37,839

of the channel here and there's a paypal

132

00:08:41,509 --> 00:08:39,279

donate button

133

00:08:42,310 --> 00:08:41,519

or you could just go to your own paypal

134

00:08:46,710 --> 00:08:42,320

and send

135

00:08:49,829 --> 00:08:46,720

a paypal to truthseekershell gmail.com

136

00:08:53,110 --> 00:08:49,839

and i will get that

137

00:08:54,550 --> 00:08:53,120

and i'll monitor the paypal while we're

138

00:08:58,389 --> 00:08:54,560

on here and

139

00:09:00,470 --> 00:08:58,399

uh if you

140

00:09:01,509 --> 00:09:00,480

are feeling generous you can throw a

141

00:09:03,590 --> 00:09:01,519

paypal

142

00:09:05,350 --> 00:09:03,600

brother can you spare a dollar yeah you

143

00:09:08,389 --> 00:09:05,360

can throw me

144

00:09:12,389 --> 00:09:08,399

you can throw money at me via paypal

145

00:09:15,670 --> 00:09:12,399

and i will express my sincere gratitude

146

00:09:20,150 --> 00:09:15,680

and thank you profusely for helping us

147

00:09:20,160 --> 00:09:23,910

one second friends

148

00:09:30,870 --> 00:09:28,230

yeah so uh that's how you could help uh

149

00:09:31,829 --> 00:09:30,880

if you're feeling generous if not the

150

00:09:34,870 --> 00:09:31,839

best way to

151
00:09:38,310 --> 00:09:34,880
help is to like comment and uh

152
00:09:38,710 --> 00:09:38,320
subscribe and send our channel address

153
00:09:42,790 --> 00:09:38,720
here

154
00:09:49,190 --> 00:09:46,150
okay so questions or comments for me

155
00:09:49,590 --> 00:09:49,200
uh anybody in the live chat please put

156
00:09:52,710 --> 00:09:49,600
them in

157
00:09:54,710 --> 00:09:52,720
all caps and

158
00:09:56,389 --> 00:09:54,720
once again i'm while i'm sort of

159
00:09:57,750 --> 00:09:56,399
multitasking friends so forgive me if

160
00:10:00,070 --> 00:09:57,760
there's dead air

161
00:10:02,310 --> 00:10:00,080
because i keep looking at and checking

162
00:10:05,750 --> 00:10:02,320
in on the stream quality

163
00:10:08,949 --> 00:10:05,760

on youtube um i have that in a big

164

00:10:09,590 --> 00:10:08,959

separate screen here and it looks fine

165

00:10:12,310 --> 00:10:09,600

now so

166

00:10:13,030 --> 00:10:12,320

i'm not sure what the issue was earlier

167

00:10:16,389 --> 00:10:13,040

but

168

00:10:19,670 --> 00:10:16,399

this of course this is my luck right

169

00:10:22,230 --> 00:10:19,680

this this not planned

170

00:10:24,389 --> 00:10:22,240

last minute thrown together let's just

171

00:10:26,790 --> 00:10:24,399

click live and see what happens

172

00:10:28,389 --> 00:10:26,800

and the stream looks beautiful the the

173

00:10:28,790 --> 00:10:28,399

video quality looks beautiful everything

174

00:10:31,590 --> 00:10:28,800

looks

175

00:10:32,949 --> 00:10:31,600

crisp and clear the way it's supposed to

176

00:10:35,829 --> 00:10:32,959

right

177

00:10:36,790 --> 00:10:35,839

but a show that i worked on for days to

178

00:10:39,670 --> 00:10:36,800

put together

179

00:10:40,790 --> 00:10:39,680

we do that everything planned perfectly

180

00:10:47,269 --> 00:10:40,800

you know

181

00:10:48,310 --> 00:10:47,279

like a storyboard thing the way the

182

00:10:49,590 --> 00:10:48,320

whole thing was supposed to come

183

00:10:51,590 --> 00:10:49,600

together

184

00:10:53,590 --> 00:10:51,600

worked so hard on that and this stream

185

00:10:56,630 --> 00:10:53,600

looked horrible

186

00:10:58,069 --> 00:10:56,640

through half of it so uh

187

00:11:00,069 --> 00:10:58,079

that's just the way the world works for

188

00:11:00,870 --> 00:11:00,079

me right but we roll with the punches

189

00:11:03,110 --> 00:11:00,880

here

190

00:11:08,470 --> 00:11:03,120

i keep saying this you get this warts

191

00:11:13,110 --> 00:11:10,630

okay yeah did you read stephen greer

192

00:11:14,870 --> 00:11:13,120

dead man's trigger file it's hilarious

193

00:11:16,470 --> 00:11:14,880

he tells him where it happened with his

194

00:11:17,750 --> 00:11:16,480

charity was supposed to make zero point

195

00:11:20,870 --> 00:11:17,760

energy devices yes

196

00:11:22,069 --> 00:11:20,880

we have covered uh lots of stephen greer

197

00:11:23,910 --> 00:11:22,079

stuff before

198

00:11:25,829 --> 00:11:23,920

he was collecting donations for a very

199

00:11:28,630 --> 00:11:25,839

long time to make a free energy device

200

00:11:29,670 --> 00:11:28,640

never made one then he collected a whole

201

00:11:32,790 --> 00:11:29,680

bunch of money

202

00:11:34,630 --> 00:11:32,800

to make uh a documentary and then he

203

00:11:36,389 --> 00:11:34,640

collected a whole bunch more money like

204

00:11:38,870 --> 00:11:36,399

we're talking in the millions

205

00:11:41,269 --> 00:11:38,880

as the amount of money that uh mr greer

206

00:11:44,310 --> 00:11:41,279

has collected from the public

207

00:11:47,910 --> 00:11:44,320

um and you know part of me thinks

208

00:11:49,829 --> 00:11:47,920

more power to him because it's not easy

209

00:11:52,230 --> 00:11:49,839

trying to make a living selling ufo

210

00:11:54,550 --> 00:11:52,240

stuff right there's just not enough

211

00:11:56,230 --> 00:11:54,560

real good cases there's not i don't

212

00:11:57,910 --> 00:11:56,240

understand how guys make it their

213

00:12:01,430 --> 00:11:57,920

full-time job

214

00:12:05,030 --> 00:12:01,440

um which probably would explain

215

00:12:09,110 --> 00:12:05,040

some my friends some of why

216

00:12:13,269 --> 00:12:09,120

we're trying to go into other areas

217

00:12:15,030 --> 00:12:13,279

i mean uh ufos and that sort of stuff

218

00:12:16,710 --> 00:12:15,040

is probably always going to be in my

219

00:12:19,750 --> 00:12:16,720

area of interest but

220

00:12:21,190 --> 00:12:19,760

i don't know how guys just do ufos right

221

00:12:24,790 --> 00:12:21,200

there's just not enough stuff

222

00:12:26,870 --> 00:12:24,800

to talk about um i mean there's a volume

223

00:12:27,910 --> 00:12:26,880

of cases but most of them are not very

224

00:12:31,190 --> 00:12:27,920

credible

225

00:12:33,509 --> 00:12:31,200

and uh most uh most

226

00:12:34,949 --> 00:12:33,519

or a lot of the stories just fall apart

227

00:12:39,190 --> 00:12:34,959

under scrutiny or

228

00:12:44,389 --> 00:12:39,200

were under requests for any kind of real

229

00:12:46,150 --> 00:12:44,399

evidentiary support right

230

00:12:47,750 --> 00:12:46,160

so you know i don't understand how

231

00:12:49,110 --> 00:12:47,760

people like richard dublin or stephen

232

00:12:51,670 --> 00:12:49,120

greer continue

233

00:12:53,430 --> 00:12:51,680

to make a living at that it doesn't make

234

00:12:57,350 --> 00:12:53,440

sense to me like

235

00:13:04,470 --> 00:13:01,350

malia heiner is hi

236

00:13:06,470 --> 00:13:04,480

he her malaya

237

00:13:07,509 --> 00:13:06,480

he her i think that's how you say that

238

00:13:10,949 --> 00:13:07,519

if i'm

239

00:13:15,750 --> 00:13:10,959
ruining that then i apologize uh

240

00:13:19,190 --> 00:13:15,760
malia welcome welcome to our

241

00:13:21,030 --> 00:13:19,200
place on the internet today

242

00:13:23,269 --> 00:13:21,040
so again checking in with the live

243

00:13:27,670 --> 00:13:23,279
stream uh

244

00:13:30,150 --> 00:13:27,680
on youtube and it looks great and i'm

245

00:13:32,310 --> 00:13:30,160
checked on the uh i'm going to take a

246

00:13:34,870 --> 00:13:32,320
moment to check on the facebook

247

00:13:36,069 --> 00:13:34,880
live broadcast we are simultaneously

248

00:13:38,389 --> 00:13:36,079
broadcasting on

249

00:13:40,949 --> 00:13:38,399
twitch if you're not already it's

250

00:13:41,590 --> 00:13:40,959
twitch.tv backslash truthseeker show

251
00:13:44,230 --> 00:13:41,600
please do

252
00:13:46,069 --> 00:13:44,240
follow us on twitch twitch seems to be

253
00:13:49,110 --> 00:13:46,079
hit or miss like there's no

254
00:13:51,910 --> 00:13:49,120
there's not a lot of people like

255
00:13:53,829 --> 00:13:51,920
from twitch finding us and uh well a few

256
00:13:57,030 --> 00:13:53,839
but not many

257
00:14:00,310 --> 00:13:57,040
i don't know that they have a very

258
00:14:05,030 --> 00:14:00,320
they have a very basic search

259
00:14:08,629 --> 00:14:06,310
you know i'm not sure that we're even

260
00:14:09,430 --> 00:14:08,639
going to continue i might forget about

261
00:14:13,189 --> 00:14:09,440
twitch and

262
00:14:16,550 --> 00:14:13,199
uh do another streaming location

263
00:14:18,150 --> 00:14:16,560

because uh

264

00:14:19,590 --> 00:14:18,160

i don't know i don't know what's gonna

265

00:14:21,269 --> 00:14:19,600

work as far as uh

266

00:14:23,990 --> 00:14:21,279

trying to expand the show but twitch has

267

00:14:25,910 --> 00:14:24,000

been you know hit or miss it's like

268

00:14:27,910 --> 00:14:25,920

a lot of sometimes we do a show and

269

00:14:29,269 --> 00:14:27,920

nobody is watching it on twitch while

270

00:14:31,350 --> 00:14:29,279

it's live but then we get some views

271

00:14:33,670 --> 00:14:31,360

later so

272

00:14:35,750 --> 00:14:33,680

and we also have a rumble channel now

273

00:14:39,269 --> 00:14:35,760

you can check my twitter feed for that

274

00:14:41,269 --> 00:14:39,279

i don't know that it's a it's not a very

275

00:14:43,189 --> 00:14:41,279

easy to remember uh

276
00:14:44,310 --> 00:14:43,199
address for that but you can check out

277
00:14:47,590 --> 00:14:44,320
we're putting our

278
00:14:50,550 --> 00:14:47,600
some select shows we are putting on

279
00:14:51,750 --> 00:14:50,560
uh rumble mail and again rumble is

280
00:14:56,710 --> 00:14:51,760
another one of those

281
00:14:59,910 --> 00:14:58,310
first few videos that i posted got a

282
00:15:01,590 --> 00:14:59,920
whole bunch of uh

283
00:15:03,269 --> 00:15:01,600
views but i think those were people that

284
00:15:04,069 --> 00:15:03,279
were already show viewers that just

285
00:15:06,870 --> 00:15:04,079
happened to

286
00:15:08,790 --> 00:15:06,880
see that i posted a show on rumble and

287
00:15:11,990 --> 00:15:08,800
went and checked it out

288
00:15:15,750 --> 00:15:12,000

um when i'm not constantly advertising

289

00:15:16,470 --> 00:15:15,760

the views on rumble we get no views on

290

00:15:18,570 --> 00:15:16,480

rumble

291

00:15:23,430 --> 00:15:18,580

so

292

00:15:25,430 --> 00:15:23,440

[Music]

293

00:15:27,030 --> 00:15:25,440

jj yes hi stephen i asked you on twitter

294

00:15:27,910 --> 00:15:27,040

if you could get daryl sims the alien

295

00:15:30,389 --> 00:15:27,920

hunter on

296

00:15:31,269 --> 00:15:30,399

did you get a hold of him no uh i have

297

00:15:35,509 --> 00:15:31,279

it on my list

298

00:15:38,629 --> 00:15:35,519

jj i apologize i usually spend one day

299

00:15:39,110 --> 00:15:38,639

in a week and he mentioned him to me

300

00:15:42,949 --> 00:15:39,120

maybe

301

00:15:45,350 --> 00:15:42,959

ago so i apologize

302

00:15:46,150 --> 00:15:45,360

generally what i do is i set aside one

303

00:15:48,629 --> 00:15:46,160

afternoon

304

00:15:49,990 --> 00:15:48,639

to just email people begging them to be

305

00:15:52,710 --> 00:15:50,000

a guest

306

00:15:53,670 --> 00:15:52,720

we really need guests here friends

307

00:15:56,230 --> 00:15:53,680

that's another thing

308

00:15:57,269 --> 00:15:56,240

so there's my email address right for

309

00:16:00,150 --> 00:15:57,279

the show

310

00:16:00,949 --> 00:16:00,160

if any of you have experience or friends

311

00:16:04,470 --> 00:16:00,959

right

312

00:16:06,069 --> 00:16:04,480

or if you have uh any friend that would

313

00:16:07,990 --> 00:16:06,079

make a good guess that has a compelling

314

00:16:11,509 --> 00:16:08,000

story about something mysterious

315

00:16:13,269 --> 00:16:11,519

or paranormal or strange right

316

00:16:15,590 --> 00:16:13,279

please do have them email me at

317

00:16:18,230 --> 00:16:15,600

truthseekershow gmail.com

318

00:16:20,150 --> 00:16:18,240

always looking for new guests and new

319

00:16:22,870 --> 00:16:20,160

stories to share

320

00:16:24,790 --> 00:16:22,880

so so if you know someone who has a

321

00:16:27,990 --> 00:16:24,800

really good story to share please do

322

00:16:31,189 --> 00:16:29,749

i can't believe that a thrown together

323

00:16:34,470 --> 00:16:31,199

show everything is

324

00:16:37,829 --> 00:16:34,480

looking great right and the show earlier

325

00:16:40,310 --> 00:16:37,839

i'm just kind of pissed about that like

326

00:16:41,990 --> 00:16:40,320

why did that one look shitty and this

327

00:16:44,800 --> 00:16:42,000

one looks great

328

00:16:47,829 --> 00:16:44,810

this is the way my life goes friends

329

00:16:50,310 --> 00:16:47,839

[Music]

330

00:16:50,949 --> 00:16:50,320

prophetic did you watch the joe roger

331

00:16:54,470 --> 00:16:50,959

podcast

332

00:16:56,550 --> 00:16:54,480

robert bigelow so boring yeah i have

333

00:16:57,590 --> 00:16:56,560

watched the clip of when somebody posted

334

00:17:00,150 --> 00:16:57,600

a clip of him

335

00:17:01,269 --> 00:17:00,160

tom bob lazar story or joe rogan did in

336

00:17:03,509 --> 00:17:01,279

the clips

337

00:17:04,870 --> 00:17:03,519

uh i haven't watched the two hour or

338

00:17:09,110 --> 00:17:04,880

three-hour

339

00:17:12,949 --> 00:17:10,870

and you know what i don't i don't think

340

00:17:13,909 --> 00:17:12,959

i even want to there's some things i

341

00:17:16,789 --> 00:17:13,919

just go

342

00:17:17,990 --> 00:17:16,799

i don't care right and if he says

343

00:17:21,189 --> 00:17:18,000

something like

344

00:17:21,590 --> 00:17:21,199

really new or big or important somebody

345

00:17:24,710 --> 00:17:21,600

else

346

00:17:25,429 --> 00:17:24,720

will cover it and then i'll know and i

347

00:17:28,309 --> 00:17:25,439

didn't have to

348

00:17:29,909 --> 00:17:28,319

spend three hours sitting through him

349

00:17:30,870 --> 00:17:29,919

the sense that i get from bigelow is

350

00:17:33,590 --> 00:17:30,880

that he's a guy with

351

00:17:35,990 --> 00:17:33,600

billion dollars who's really kind of a

352

00:17:39,350 --> 00:17:36,000

little out there and into ufos and

353

00:17:42,630 --> 00:17:39,360

strange topics and he buys his way

354

00:17:48,950 --> 00:17:42,640

into access to the

355

00:17:53,190 --> 00:17:50,950

so and marshall congratulations on the

356

00:17:55,110 --> 00:17:53,200

new show

357

00:17:57,510 --> 00:17:55,120

uh i'm not sure what you mean do you

358

00:17:59,990 --> 00:17:57,520

need new

359

00:18:00,630 --> 00:18:00,000

virtual sets and stuff it's not really a

360

00:18:04,630 --> 00:18:00,640

new show

361

00:18:06,789 --> 00:18:04,640

same show uh but

362

00:18:07,750 --> 00:18:06,799

we've had some upgrades right well

363

00:18:10,630 --> 00:18:07,760

actually i don't

364

00:18:11,669 --> 00:18:10,640

listen i still haven't decided if this

365

00:18:12,870 --> 00:18:11,679

is better

366

00:18:15,430 --> 00:18:12,880

a lot of people seem to think it's

367

00:18:19,029 --> 00:18:15,440

better it's much crisper and cleaner

368

00:18:19,750 --> 00:18:19,039

and it's well lit i'm not a big fan of

369

00:18:23,029 --> 00:18:19,760

well lit

370

00:18:26,230 --> 00:18:23,039

right i'm not that handsome right

371

00:18:26,950 --> 00:18:26,240

and uh you know this is funny somebody

372

00:18:29,750 --> 00:18:26,960

else

373

00:18:31,909 --> 00:18:29,760

that does a stream a much more popular

374

00:18:34,310 --> 00:18:31,919

mind like a real

375

00:18:36,390 --> 00:18:34,320

talking head kind of stream right it's

376

00:18:39,270 --> 00:18:36,400

like a news stream

377

00:18:41,190 --> 00:18:39,280

sort of news and politics stream but

378

00:18:42,150 --> 00:18:41,200

he's very very successful he told me

379

00:18:44,549 --> 00:18:42,160

he's like well

380

00:18:45,590 --> 00:18:44,559

what kind of makeup do you have and i'm

381

00:18:48,870 --> 00:18:45,600

like makeup

382

00:18:51,830 --> 00:18:48,880

i'm not going to do that right but

383

00:18:55,190 --> 00:18:51,840

when room i don't know i do got some

384

00:18:58,630 --> 00:18:56,640

these uh

385

00:19:01,430 --> 00:18:58,640

[Music]

386

00:19:02,150 --> 00:19:01,440

you know these super bright lit scenes

387

00:19:06,150 --> 00:19:02,160

it's like

388

00:19:08,549 --> 00:19:06,160

every freckle like you know

389

00:19:10,630 --> 00:19:08,559

i don't like it so bright i'm adjusting

390

00:19:11,110 --> 00:19:10,640

to this i'm adjusting to the brightness

391

00:19:14,630 --> 00:19:11,120

level

392

00:19:17,029 --> 00:19:14,640

and also uh

393

00:19:17,909 --> 00:19:17,039

it's an adjustment that it's so bright

394

00:19:19,190 --> 00:19:17,919

in here

395

00:19:21,110 --> 00:19:19,200

because of the lights for the

396

00:19:21,990 --> 00:19:21,120

backgrounds and stuff to get this to

397

00:19:25,029 --> 00:19:22,000

work

398

00:19:26,789 --> 00:19:25,039

and i'm not used to sitting here like in

399

00:19:30,070 --> 00:19:26,799

a super bright room

400

00:19:31,350 --> 00:19:30,080

and that's a little you know try to do

401
00:19:34,310 --> 00:19:31,360
the show and relax

402
00:19:36,470 --> 00:19:34,320
right i try to relax when i do the show

403
00:19:39,270 --> 00:19:36,480
and this is not relaxing right i feel

404
00:19:41,909 --> 00:19:39,280
like i'm in a tanning booth

405
00:19:43,430 --> 00:19:41,919
like it's that bright every i've only

406
00:19:44,390 --> 00:19:43,440
ever been in a tanning booth one time

407
00:19:47,830 --> 00:19:44,400
friends

408
00:19:50,870 --> 00:19:47,840
i'm half irish so i don't tan i turn red

409
00:19:53,190 --> 00:19:50,880
as a lobster look i look red now and

410
00:19:56,870 --> 00:19:53,200
i've gotten no son

411
00:19:56,880 --> 00:20:04,070
six weeks

412
00:20:08,950 --> 00:20:06,950
prophetic please please send that to me

413
00:20:10,630 --> 00:20:08,960

on twitter or facebook right

414

00:20:13,110 --> 00:20:10,640

or you can email it to me at

415

00:20:14,310 --> 00:20:13,120

truthseekershow gmail.com i would love

416

00:20:17,990 --> 00:20:14,320

to see that

417

00:20:21,110 --> 00:20:18,000

i don't i heard him do this riff

418

00:20:21,990 --> 00:20:21,120

in some show or documentary about having

419

00:20:25,029 --> 00:20:22,000

a dead man's

420

00:20:28,310 --> 00:20:25,039

trigger file right

421

00:20:30,390 --> 00:20:28,320

i heard him tell the story right like oh

422

00:20:32,230 --> 00:20:30,400

just in case anything ever happens to me

423

00:20:34,390 --> 00:20:32,240

if anybody should that's why i'm not

424

00:20:38,390 --> 00:20:34,400

getting murdered for all these

425

00:20:40,149 --> 00:20:38,400

disclosure revelations that i have right

426
00:20:41,830 --> 00:20:40,159
because i have a dead man's trigger and

427
00:20:45,430 --> 00:20:41,840
they know it's it's a

428
00:20:47,590 --> 00:20:45,440
james bond story it's [h__\h]

429
00:20:49,190 --> 00:20:47,600
but if he actually wrote something out

430
00:20:52,070 --> 00:20:49,200
about this oh i want it

431
00:20:52,620 --> 00:20:52,080
oh prophetic i want it we will cover

432
00:21:07,110 --> 00:20:52,630
that

433
00:21:11,029 --> 00:21:09,510
well i'm afraid you're gonna have to be

434
00:21:15,029 --> 00:21:11,039
a little more specific

435
00:21:16,789 --> 00:21:15,039
uh malia i i think we've had

436
00:21:18,310 --> 00:21:16,799
i don't know how many crazy girls we've

437
00:21:21,830 --> 00:21:18,320
had or covered

438
00:21:24,470 --> 00:21:21,840

right oh crazy carrie cassidy

439

00:21:25,110 --> 00:21:24,480

uh yeah she may be back shortly we'll

440

00:21:33,909 --> 00:21:25,120

see

441

00:21:37,190 --> 00:21:33,919

solar marshals steven greer also claims

442

00:21:40,230 --> 00:21:37,200

he was offered 26 billion to keep quiet

443

00:21:42,549 --> 00:21:40,240

yeah right sure

444

00:21:44,870 --> 00:21:42,559

sure you were sure you were i think it

445

00:21:47,029 --> 00:21:44,880

was 25 million

446

00:21:51,510 --> 00:21:47,039

seller marshall in fairness i think he

447

00:21:55,350 --> 00:21:53,510

prophetic says they'll send me that file

448

00:21:57,909 --> 00:21:55,360

that will be entertaining

449

00:22:00,590 --> 00:21:57,919

is it yeah and prophetic is it real long

450

00:22:01,909 --> 00:22:00,600

or can we read it in a short time here

451
00:22:04,149 --> 00:22:01,919

[Music]

452
00:22:05,110 --> 00:22:04,159
not million billion uh you're gonna have

453
00:22:06,549 --> 00:22:05,120
to find me that's

454
00:22:08,630 --> 00:22:06,559
you're gonna have to find me the source

455
00:22:10,149 --> 00:22:08,640
of that i don't believe he said billion

456
00:22:11,669 --> 00:22:10,159
did he say that they offered him

457
00:22:13,750 --> 00:22:11,679
billions of dollars

458
00:22:15,909 --> 00:22:13,760
to keep his mouth quiet about the truth

459
00:22:17,909 --> 00:22:15,919
about aliens bro

460
00:22:19,350 --> 00:22:17,919
that's my new thing the truth about

461
00:22:21,350 --> 00:22:19,360
aliens bro

462
00:22:22,630 --> 00:22:21,360
i'm gonna give you the truth about

463
00:22:25,029 --> 00:22:22,640

aliens that's what these

464

00:22:27,350 --> 00:22:25,039

most of these ufco guys are running

465

00:22:29,909 --> 00:22:27,360

around promising people

466

00:22:31,830 --> 00:22:29,919

and uh which is another reason that i'm

467

00:22:32,470 --> 00:22:31,840

very glad that i'm pivoting away to

468

00:22:35,029 --> 00:22:32,480

different

469

00:22:35,590 --> 00:22:35,039

subjects because i don't want to be that

470

00:22:39,510 --> 00:22:35,600

guy

471

00:22:41,990 --> 00:22:39,520

bring you the truth about aliens bro

472

00:22:44,230 --> 00:22:42,000

no i'm not the guy if that's what you're

473

00:22:47,750 --> 00:22:44,240

looking for here i'm not the guy

474

00:22:52,390 --> 00:22:47,760

because i don't know

475

00:22:54,950 --> 00:22:52,400

there's just no good credible real

476

00:22:55,990 --> 00:22:54,960

evidence for most of this it's all

477

00:22:58,950 --> 00:22:56,000

mythology

478

00:23:01,190 --> 00:22:58,960

and lure and made-up stories and tact on

479

00:23:02,390 --> 00:23:01,200

stories on top of other stories that

480

00:23:06,789 --> 00:23:02,400

came before it

481

00:23:08,870 --> 00:23:06,799

and this is not to say that i don't

482

00:23:09,990 --> 00:23:08,880

believe in life on other planets and

483

00:23:13,110 --> 00:23:10,000

that there may

484

00:23:16,149 --> 00:23:13,120

have been some visitation

485

00:23:18,230 --> 00:23:16,159

from others right i

486

00:23:19,510 --> 00:23:18,240

truly believe that could be possible but

487

00:23:21,350 --> 00:23:19,520

just

488

00:23:23,750 --> 00:23:21,360

there's too many clowns running around

489

00:23:26,149 --> 00:23:23,760

trying to prove that aliens are real

490

00:23:26,950 --> 00:23:26,159

that have nothing they got nothing they

491

00:23:30,549 --> 00:23:26,960

don't have

492

00:23:32,470 --> 00:23:30,559

any really good solid evidence right

493

00:23:36,390 --> 00:23:32,480

it's all smoke and mirrors

494

00:23:39,510 --> 00:23:36,400

and speculation and i'm annoyed with it

495

00:23:42,549 --> 00:23:39,520

i'm once again i took a break

496

00:23:44,310 --> 00:23:42,559

for a long time right from ufo stuff

497

00:23:45,830 --> 00:23:44,320

when we first started this show because

498

00:23:48,789 --> 00:23:45,840

honestly i was i was

499

00:23:51,029 --> 00:23:48,799

sick of that rabbit hole where you never

500

00:23:52,310 --> 00:23:51,039

get to the end of it you never get to

501
00:23:54,630 --> 00:23:52,320
the good stuff

502
00:23:56,149 --> 00:23:54,640
you never get to see the bodies or the

503
00:23:59,190 --> 00:23:56,159
material or the

504
00:24:02,630 --> 00:23:59,200
recovered ufo that they have

505
00:24:03,990 --> 00:24:02,640
in some secret vault somewhere it just

506
00:24:06,549 --> 00:24:04,000
never comes

507
00:24:07,110 --> 00:24:06,559
you never get to the good stuff right

508
00:24:09,110 --> 00:24:07,120
it's just

509
00:24:10,630 --> 00:24:09,120
here's a tantalizing thing to keep you

510
00:24:17,590 --> 00:24:10,640
interested until the next

511
00:24:17,600 --> 00:24:22,310
okay prophetic says i just said it

512
00:24:25,830 --> 00:24:24,470
oh an infinite bank they offered him an

513
00:24:27,909 --> 00:24:25,840

infinite bank account

514

00:24:30,830 --> 00:24:27,919

boy i'd like to have one of them an

515

00:24:33,510 --> 00:24:30,840

infinite bank account that sounds really

516

00:24:41,029 --> 00:24:33,520

good

517

00:24:45,909 --> 00:24:44,230

uh well unfortunately i

518

00:24:49,990 --> 00:24:45,919

appreciate you sending me this prophetic

519

00:24:54,549 --> 00:24:52,870

well maybe wait wait a second uh let's

520

00:25:00,310 --> 00:24:54,559

see if i can

521

00:25:04,789 --> 00:25:00,320

magnify it because i can't

522

00:25:08,390 --> 00:25:07,830

oh this is 33 pages of gold it looks

523

00:25:10,149 --> 00:25:08,400

like

524

00:25:14,070 --> 00:25:10,159

so i appreciate you sending me this but

525

00:25:16,710 --> 00:25:14,080

this is its own show

526

00:25:19,029 --> 00:25:16,720

yeah i do remember seeing some somebody

527

00:25:21,029 --> 00:25:19,039

sent me something like this

528

00:25:22,070 --> 00:25:21,039

but isn't this like a transcript from

529

00:25:28,789 --> 00:25:22,080

something

530

00:25:34,230 --> 00:25:28,799

like a talk that he gave

531

00:25:38,710 --> 00:25:36,630

yeah he talks about electronic mind

532

00:25:46,549 --> 00:25:38,720

control going on with somebody

533

00:25:50,149 --> 00:25:48,470

he's getting threats about the criminal

534

00:25:51,669 --> 00:25:50,159

investigative division of the army

535

00:25:55,190 --> 00:25:51,679

moving in

536

00:25:57,990 --> 00:25:55,200

he's going to share death threats

537

00:25:59,669 --> 00:25:58,000

oh friends this is gold yeah we're gonna

538

00:26:07,029 --> 00:25:59,679

do a whole show on that drop

539

00:26:10,710 --> 00:26:09,830

okay let me take this let me take this

540

00:26:14,070 --> 00:26:10,720

banner

541

00:26:17,110 --> 00:26:15,350

yeah that could be its own show

542

00:26:20,710 --> 00:26:17,120

prophetic that's uh that's

543

00:26:22,149 --> 00:26:20,720

kind of it's 33 pages of of pure gold

544

00:26:23,029 --> 00:26:22,159

because he's talking about death threats

545

00:26:25,029 --> 00:26:23,039

and people

546

00:26:26,630 --> 00:26:25,039

being cia mind controlled with

547

00:26:29,830 --> 00:26:26,640

electronic devices

548

00:26:32,310 --> 00:26:29,840

and oh and you see here's one of the

549

00:26:34,549 --> 00:26:32,320

things like these grifters forget

550

00:26:36,149 --> 00:26:34,559

that the internet never forgets their

551

00:26:38,070 --> 00:26:36,159

[h__h] you know they

552

00:26:40,230 --> 00:26:38,080

pile [h__h] on top of [h__h] and

553

00:26:41,750 --> 00:26:40,240

hope you forget about the previous

554

00:26:44,789 --> 00:26:41,760

[h__h]

555

00:26:48,230 --> 00:26:46,549

i don't know i kind of believe in that

556

00:26:51,269 --> 00:26:48,240

uh in that

557

00:26:57,190 --> 00:26:51,279

anonymous saying right we do not forgive

558

00:27:00,630 --> 00:26:59,430

prophetic says and the mormon spies

559

00:27:04,149 --> 00:27:00,640

mormon spies

560

00:27:06,470 --> 00:27:04,159

steve yeah it's just like you can't even

561

00:27:09,669 --> 00:27:06,480

make this [h__h] up it's so ridiculous

562

00:27:12,070 --> 00:27:09,679

right it's like it's like a bad spy

563

00:27:14,630 --> 00:27:12,080

novel it's like a spy novel

564

00:27:15,830 --> 00:27:14,640

story written by an idiot that doesn't

565

00:27:19,110 --> 00:27:15,840

know anything about

566

00:27:20,950 --> 00:27:19,120

real spies and real government agents

567

00:27:23,510 --> 00:27:20,960

right they just

568

00:27:25,350 --> 00:27:23,520

there was mormon spies maybe there was

569

00:27:27,510 --> 00:27:25,360

jehovah witness spies too and they

570

00:27:29,510 --> 00:27:27,520

knocked on the doors of people

571

00:27:30,710 --> 00:27:29,520

right just to check in their look in

572

00:27:31,669 --> 00:27:30,720

their house and make sure there was no

573

00:27:33,669 --> 00:27:31,679

aliens in there

574

00:27:46,230 --> 00:27:33,679

is that what it is they're checking out

575

00:27:52,870 --> 00:27:49,830

oh how you doing ronald penton is here

576

00:27:54,950 --> 00:27:52,880

and found us through ryan ryan gable's

577

00:27:56,630 --> 00:27:54,960

show the secret teachings uh digging the

578

00:27:57,909 --> 00:27:56,640

show thanks that's very nice of you i

579

00:28:02,470 --> 00:27:57,919

appreciate that

580

00:28:04,870 --> 00:28:02,480

uh yeah he and i uh think a lot alike

581

00:28:05,750 --> 00:28:04,880

he covers a lot of these clowns making

582

00:28:12,389 --> 00:28:05,760

up [ʌh__ʌh]

583

00:28:16,630 --> 00:28:14,630

i had not heard this one bob lazar was

584

00:28:18,230 --> 00:28:16,640

electronically mind controlled on rogan

585

00:28:21,750 --> 00:28:18,240

hence's migraine

586

00:28:23,110 --> 00:28:21,760

according to lazar's cave cater of

587

00:28:25,830 --> 00:28:23,120

supporters

588

00:28:27,190 --> 00:28:25,840

no i didn't i've never heard that i

589

00:28:29,350 --> 00:28:27,200

gotta hang out where the

590

00:28:30,389 --> 00:28:29,360

bob of czar supporters hang out i guess

591

00:28:32,710 --> 00:28:30,399

because i don't

592

00:28:35,110 --> 00:28:32,720

and i don't really know what they're

593

00:28:35,669 --> 00:28:35,120

using to justify bob lazar's [h__h]

594

00:28:38,710 --> 00:28:35,679

lately

595

00:28:43,029 --> 00:28:38,720

you know i checked out of that story too

596

00:28:47,029 --> 00:28:44,870

i was interested enough to hear what

597

00:28:50,549 --> 00:28:47,039

bigelow said in that clip like

598

00:28:52,789 --> 00:28:50,559

tells bob lazar stories but

599

00:28:53,669 --> 00:28:52,799

wasn't anything exciting it was like oh

600

00:28:55,190 --> 00:28:53,679

he once uh

601
00:28:56,710 --> 00:28:55,200
blew up a balloon and was going to

602
00:28:59,430 --> 00:28:56,720
launch it towards the base but the wind

603
00:29:01,430 --> 00:28:59,440
took it the other way

604
00:29:03,110 --> 00:29:01,440
and i believe him because george knapp's

605
00:29:10,950 --> 00:29:03,120
an investigative journalist and he

606
00:29:17,029 --> 00:29:12,950
i'm sorry about that ufo gandalf i don't

607
00:29:23,669 --> 00:29:20,470
yes and i wanted to also check in

608
00:29:25,350 --> 00:29:23,679
i've checked in with the youtube uh live

609
00:29:27,430 --> 00:29:25,360
stream that looks great

610
00:29:29,990 --> 00:29:27,440
i've checked in with the facebook stream

611
00:29:32,149 --> 00:29:30,000
that looks great

612
00:29:33,430 --> 00:29:32,159
so what does this mean does this mean i

613
00:29:35,029 --> 00:29:33,440

have to do shows at three o'clock in the

614

00:29:37,590 --> 00:29:35,039

morning so

615

00:29:41,830 --> 00:29:37,600

that stream yard servers are not so

616

00:29:45,909 --> 00:29:41,840

overloaded that they work better

617

00:29:47,909 --> 00:29:45,919

you know given that i pay

618

00:29:48,950 --> 00:29:47,919

money for a service i don't want to be

619

00:29:55,110 --> 00:29:48,960

forced to use it

620

00:29:56,549 --> 00:29:55,120

only at certain times right

621

00:29:59,110 --> 00:29:56,559

so i just checked in and the twitch

622

00:30:00,710 --> 00:29:59,120

stream looks great the the uh

623

00:30:02,470 --> 00:30:00,720

facebook stream looks great and the

624

00:30:04,310 --> 00:30:02,480

youtube stream looks great

625

00:30:07,590 --> 00:30:04,320

thank you guys for coming here and

626
00:30:11,350 --> 00:30:09,830
technical stuff i mean i don't know what

627
00:30:12,470 --> 00:30:11,360
else to say about it it's technical

628
00:30:14,950 --> 00:30:12,480
stuff

629
00:30:17,350 --> 00:30:14,960
you know because i'm doing this other

630
00:30:18,470 --> 00:30:17,360
stream just so that i have more things

631
00:30:22,070 --> 00:30:18,480
to talk about with

632
00:30:25,110 --> 00:30:22,080
our cloud service provider who basically

633
00:30:27,510 --> 00:30:25,120
when i have an issue blame it on me

634
00:30:28,470 --> 00:30:27,520
you know so here's the thing the stream

635
00:30:31,029 --> 00:30:28,480
looks great

636
00:30:32,310 --> 00:30:31,039
if i don't broadcast it if i just record

637
00:30:34,230 --> 00:30:32,320
it locally

638
00:30:36,149 --> 00:30:34,240

it looks great it looks just like this

639

00:30:39,269 --> 00:30:36,159

crisp clear well lit

640

00:30:41,269 --> 00:30:39,279

high quality it looks great uh

641

00:30:42,870 --> 00:30:41,279

so there's something going on with

642

00:30:46,310 --> 00:30:42,880

stream yard and i suspect

643

00:30:46,950 --> 00:30:46,320

it is and i've charted this the streams

644

00:30:51,350 --> 00:30:46,960

don't work

645

00:30:53,990 --> 00:30:51,360

very well uh

646

00:30:55,669 --> 00:30:54,000

at night at certain times i should say

647

00:30:57,110 --> 00:30:55,679

so in other words

648

00:30:59,669 --> 00:30:57,120

if i do a stream at three o'clock in the

649

00:31:04,070 --> 00:30:59,679

morning uh like we're doing right now

650

00:31:05,190 --> 00:31:04,080

the quality is great if i do it at uh 8

651
00:31:09,110 --> 00:31:05,200
pm 9 pm

652
00:31:13,269 --> 00:31:09,120
10 pm not so great if i do it

653
00:31:14,870 --> 00:31:13,279
uh early morning not so great

654
00:31:17,190 --> 00:31:14,880
i don't know i'm trying to chart this

655
00:31:20,789 --> 00:31:17,200
and figure out what the issue is

656
00:31:22,470 --> 00:31:20,799
but i suspect that it is an issue

657
00:31:23,909 --> 00:31:22,480
with the cloud service provider not

658
00:31:27,590 --> 00:31:23,919
having enough

659
00:31:29,990 --> 00:31:27,600
cpu power to handle the processing tasks

660
00:31:32,549 --> 00:31:30,000
that the users are flooding it with

661
00:31:34,389 --> 00:31:32,559
at times where many many shows are

662
00:31:37,269 --> 00:31:34,399
running at once

663
00:31:40,870 --> 00:31:37,279

um i'm going to try to work with them to

664

00:31:45,110 --> 00:31:43,990

jj says it's only 7 p.m here yeah and i

665

00:31:47,029 --> 00:31:45,120

guess

666

00:31:49,590 --> 00:31:47,039

i'm not sure where stream yard servers

667

00:31:52,630 --> 00:31:49,600

are but probably california

668

00:31:57,509 --> 00:31:55,669

it's midnight there uh i suppose where

669

00:31:59,509 --> 00:31:57,519

their servers are

670

00:32:01,350 --> 00:31:59,519

and i'm guessing california that's where

671

00:32:11,830 --> 00:32:01,360

most cloud servers are

672

00:32:19,990 --> 00:32:16,149

yes you can go on the about tab

673

00:32:21,830 --> 00:32:20,000

on the main screen oh and i i forgot

674

00:32:22,470 --> 00:32:21,840

something else i can actually share the

675

00:32:28,710 --> 00:32:22,480

live

676

00:32:30,230 --> 00:32:28,720

kind of changed the

677

00:32:31,669 --> 00:32:30,240

i'm just gonna change the background

678

00:32:35,669 --> 00:32:31,679

there for a moment because it doesn't

679

00:32:52,149 --> 00:32:39,110

with the other screen oh

680

00:32:59,830 --> 00:32:55,669

there we go oh no no this is the way i

681

00:33:06,630 --> 00:33:03,509

this way there now i can uh

682

00:33:18,230 --> 00:33:06,640

definitely we can monitor the live chat

683

00:33:21,750 --> 00:33:19,990

louis says from some of his supporters

684

00:33:23,269 --> 00:33:21,760

on youtube in response to his migraine

685

00:33:25,350 --> 00:33:23,279

they actually believe the migraine is

686

00:33:26,230 --> 00:33:25,360

real and that the cia has some microwave

687

00:33:31,269 --> 00:33:26,240

machine

688

00:33:34,789 --> 00:33:33,430

i'm so sick of bob lazor it's unreal me

689

00:33:36,230 --> 00:33:34,799

and the alien scientists were talking

690

00:33:37,669 --> 00:33:36,240

about anymore earlier and i had enough

691

00:33:41,110 --> 00:33:37,679

and we both did

692

00:33:42,870 --> 00:33:41,120

yeah i'm i checked out solar marshall i

693

00:33:45,830 --> 00:33:42,880

just don't care

694

00:33:46,710 --> 00:33:45,840

you know it's like they want you to keep

695

00:33:53,110 --> 00:33:46,720

on

696

00:33:55,430 --> 00:33:53,120

like keeping up with the garbage

697

00:33:57,110 --> 00:33:55,440

louis says lazar is a slytherin troll

698

00:34:01,509 --> 00:33:57,120

kind of hilarious in a way but in a

699

00:34:08,069 --> 00:34:06,470

yeah yeah absolutely

700

00:34:10,389 --> 00:34:08,079

yeah i'm sorry if anybody's having

701
00:34:11,909 --> 00:34:10,399
trouble hitting that paypal donate

702
00:34:14,310 --> 00:34:11,919
that's another thing i don't want to see

703
00:34:15,510 --> 00:34:14,320
right that's a technical problem i don't

704
00:34:17,589 --> 00:34:15,520
want to have

705
00:34:19,190 --> 00:34:17,599
should be as easy as possible for people

706
00:34:20,310 --> 00:34:19,200
to throw money at me which is why we

707
00:34:22,629 --> 00:34:20,320
need the super chats

708
00:34:28,149 --> 00:34:22,639
a lot of people are used to that already

709
00:34:31,270 --> 00:34:29,589
yeah and how could he have a migraine

710
00:34:37,030 --> 00:34:31,280
when rogan didn't impress him for real

711
00:34:40,790 --> 00:34:40,310
the prophetic you with your logic how

712
00:34:42,629 --> 00:34:40,800
could we

713
00:34:44,069 --> 00:34:42,639

i give bob lazar a migraine when i could

714

00:34:45,589 --> 00:34:44,079

give him a heart attack or just whack

715

00:34:47,270 --> 00:34:45,599

him in the street just like

716

00:34:49,750 --> 00:34:47,280

he said already happened when dennis

717

00:34:52,790 --> 00:34:49,760

said his goons

718

00:34:53,829 --> 00:34:52,800

but they missed them okay al corpus here

719

00:34:57,190 --> 00:34:53,839

hi cal court

720

00:35:00,950 --> 00:34:57,200

uh commenting from the facebook

721

00:35:04,230 --> 00:35:00,960

feed uh yeah um

722

00:35:07,109 --> 00:35:04,240

we're just testing this new virtual sets

723

00:35:08,310 --> 00:35:07,119

and the stream quality because earlier

724

00:35:10,630 --> 00:35:08,320

it was terrible

725

00:35:12,230 --> 00:35:10,640

and i want to have uh plenty of

726

00:35:13,750 --> 00:35:12,240

information to share with our cloud

727

00:35:16,069 --> 00:35:13,760

service provider

728

00:35:17,829 --> 00:35:16,079

and maybe they can explain to me why at

729

00:35:21,190 --> 00:35:17,839

three o'clock in the morning

730

00:35:23,190 --> 00:35:21,200

i never have problems with the

731

00:35:24,870 --> 00:35:23,200

visual feed looking bad with the video

732

00:35:27,990 --> 00:35:24,880

feed looking bad

733

00:35:28,870 --> 00:35:28,000

but at busy times for their servers

734

00:35:31,349 --> 00:35:28,880

apparently

735

00:35:32,790 --> 00:35:31,359

i have all kinds of problems and it goes

736

00:35:35,349 --> 00:35:32,800

wonky on us

737

00:35:37,109 --> 00:35:35,359

right it looks terrible sometimes and

738

00:35:40,069 --> 00:35:37,119

that's the times when

739

00:35:41,109 --> 00:35:40,079

most of the shows are going right 8

740

00:35:46,870 --> 00:35:41,119

o'clock

741

00:35:47,910 --> 00:35:46,880

i guess there's not as much going on on

742

00:35:51,430 --> 00:35:47,920

their servers

743

00:35:55,670 --> 00:35:51,440

this is why i don't like the cloud

744

00:35:59,190 --> 00:35:57,670

i don't like depending on somebody else

745

00:36:01,510 --> 00:35:59,200

to do something for me

746

00:36:03,190 --> 00:36:01,520

because if they don't do it right i

747

00:36:05,990 --> 00:36:03,200

can't fix it for them you know

748

00:36:10,470 --> 00:36:06,000

i can't fix this they have to fix this

749

00:36:13,910 --> 00:36:12,069

okay alcor says because most people are

750

00:36:14,870 --> 00:36:13,920

not using the internet at 3am had the

751

00:36:18,069 --> 00:36:14,880

same problem in

752

00:36:18,550 --> 00:36:18,079

india yeah now cal i'm so frustrated

753

00:36:22,069 --> 00:36:18,560

with this

754

00:36:24,870 --> 00:36:22,079

these uh these quality

755

00:36:26,870 --> 00:36:24,880

issues that i am like charting and

756

00:36:29,430 --> 00:36:26,880

graphing stuff trying to figure out

757

00:36:30,630 --> 00:36:29,440

why is it doesn't work at this time and

758

00:36:32,230 --> 00:36:30,640

then it's working at this time and then

759

00:36:33,910 --> 00:36:32,240

i start thinking

760

00:36:36,150 --> 00:36:33,920

i shouldn't have to do any of this i'm

761

00:36:37,990 --> 00:36:36,160

paying a company for a service

762

00:36:39,670 --> 00:36:38,000

they're not adequately providing the

763

00:36:41,109 --> 00:36:39,680

service right but then it's gonna be a

764

00:36:43,109 --> 00:36:41,119

nightmare like what do i do

765

00:36:44,390 --> 00:36:43,119

change to obs or some other streaming

766

00:36:46,310 --> 00:36:44,400

platform i just

767

00:36:48,069 --> 00:36:46,320

now i figured out how to work all this

768

00:36:50,150 --> 00:36:48,079

crap

769

00:36:52,790 --> 00:36:50,160

i don't wanna switch i'm gonna try we're

770

00:36:59,270 --> 00:36:52,800

gonna try to stick it through and uh

771

00:37:03,270 --> 00:37:01,190

when i have bg says when i have a

772

00:37:04,790 --> 00:37:03,280

migraine i can't function no way i'd be

773

00:37:09,910 --> 00:37:04,800

doing an interview

774

00:37:13,270 --> 00:37:11,670

kalkorf says he used to have to stay up

775

00:37:18,150 --> 00:37:13,280

all night in india to get good speed to

776

00:37:24,630 --> 00:37:21,510

yeah i know a guy in india

777

00:37:27,030 --> 00:37:24,640

a few actually and uh

778

00:37:29,510 --> 00:37:27,040

yeah they have kind of wonky internet

779

00:37:34,829 --> 00:37:32,150

i can imagine it's like it's not quite

780

00:37:36,230 --> 00:37:34,839

dial-up but it's not quite high speed

781

00:37:38,870 --> 00:37:36,240

right

782

00:37:40,630 --> 00:37:38,880

and they have what how many what is the

783

00:37:42,069 --> 00:37:40,640

population of india like calculus

784

00:37:45,109 --> 00:37:42,079

there's like a billion people trying to

785

00:37:48,829 --> 00:37:45,119

use the internet at once

786

00:37:55,270 --> 00:37:48,839

that's got to be taxing right i don't

787

00:37:58,870 --> 00:37:57,589

galiboz says i really hope i don't have

788

00:38:00,310 --> 00:37:58,880

issues with the video while streaming

789

00:38:01,270 --> 00:38:00,320

with the telescope that's definitely not

790

00:38:04,470 --> 00:38:01,280

a good thing

791

00:38:08,069 --> 00:38:04,480

dealing with gathering evidence

792

00:38:11,349 --> 00:38:08,079

yeah yeah i mean i don't know

793

00:38:13,190 --> 00:38:11,359

i don't know i would not use i was just

794

00:38:14,630 --> 00:38:13,200

about to say i would not use stream yard

795

00:38:17,190 --> 00:38:14,640

for something

796

00:38:19,109 --> 00:38:17,200

mission critical but then again my show

797

00:38:22,230 --> 00:38:19,119

to me is mission critical

798

00:38:26,470 --> 00:38:22,240

right it's kind of annoying to me

799

00:38:28,150 --> 00:38:26,480

um it's kind of annoying to me

800

00:38:30,829 --> 00:38:28,160

it's mission critical to me that the

801
00:38:35,109 --> 00:38:30,839
show goes well

802
00:38:39,510 --> 00:38:36,790
maybe i should follow my own advice i

803
00:38:43,510 --> 00:38:42,790
i uh i just hope it resolves itself you

804
00:38:46,550 --> 00:38:43,520
know what this

805
00:38:49,030 --> 00:38:46,560
this thing was happening before um

806
00:38:50,630 --> 00:38:49,040
but they blamed my lighting so i got

807
00:38:52,230 --> 00:38:50,640
better lighting

808
00:38:54,550 --> 00:38:52,240
and i don't know if they're going to

809
00:38:57,109 --> 00:38:54,560
blame something else next

810
00:38:58,630 --> 00:38:57,119
you know and again this is why i don't

811
00:39:02,550 --> 00:38:58,640
like cloud computing

812
00:39:04,550 --> 00:39:02,560
i hate it because it's great if it works

813
00:39:06,150 --> 00:39:04,560

right like i pay them to do this thing

814

00:39:08,550 --> 00:39:06,160

for us take this

815

00:39:10,470 --> 00:39:08,560

stream and the quality of the stream

816

00:39:12,310 --> 00:39:10,480

that i'm doing and the quality of the

817

00:39:15,270 --> 00:39:12,320

cameras is good and the quality of the

818

00:39:17,990 --> 00:39:15,280

lighting is good so it's not

819

00:39:19,030 --> 00:39:18,000

it's not my fault whatever's going on is

820

00:39:22,550 --> 00:39:19,040

it's their fault

821

00:39:23,990 --> 00:39:22,560

and um i'm not even sure that they will

822

00:39:27,109 --> 00:39:24,000

acknowledge the problem

823

00:39:31,270 --> 00:39:27,119

is is in their court and that's

824

00:39:33,720 --> 00:39:31,280

frustrating um

825

00:39:37,910 --> 00:39:33,730

but again it is what it is right

826
00:39:41,109 --> 00:39:40,310
lewis says mumbai internet sucks but so

827
00:39:43,990 --> 00:39:41,119
does

828
00:39:45,720 --> 00:39:44,000
optus internet in sydney i'm not i don't

829
00:39:47,190 --> 00:39:45,730
think i'm familiar with

830
00:39:51,750 --> 00:39:47,200
[Music]

831
00:39:56,310 --> 00:39:53,670
prague magic is here oh and that reminds

832
00:39:58,550 --> 00:39:56,320
me here we go

833
00:39:59,589 --> 00:39:58,560
along with the live chat we can have a

834
00:40:02,710 --> 00:39:59,599
live panel

835
00:40:07,109 --> 00:40:02,720
if anybody would like to do that um

836
00:40:13,349 --> 00:40:11,589
invitation here somewhere

837
00:40:15,589 --> 00:40:13,359
all right i'm going to send this show

838
00:40:16,950 --> 00:40:15,599

invitation out to a few of you that are

839

00:40:22,630 --> 00:40:16,960

in the live chat

840

00:40:32,390 --> 00:40:25,560

let's see i'm gonna send it to uh

841

00:40:37,750 --> 00:40:34,710

[Music]

842

00:40:41,430 --> 00:40:37,760

i saw pragmatic is here

843

00:40:44,870 --> 00:40:41,440

and he's always up to get on

844

00:40:50,950 --> 00:40:44,880

i would hope i don't know we'll see

845

00:40:54,630 --> 00:40:52,790

yeah and again this is last minute but

846

00:40:56,410 --> 00:40:54,640

if you would like to come on the show

847

00:40:59,349 --> 00:40:56,420

here live with us

848

00:41:01,829 --> 00:40:59,359

[Music]

849

00:41:03,349 --> 00:41:01,839

you are most welcome everybody in the

850

00:41:06,710 --> 00:41:03,359

live chat is most welcome

851
00:41:09,190 --> 00:41:06,720
if you um

852
00:41:09,750 --> 00:41:09,200
follow me on twitter you can send me a

853
00:41:12,950 --> 00:41:09,760
dm

854
00:41:16,550 --> 00:41:12,960
and ask for the um ask

855
00:41:17,910 --> 00:41:16,560
for the channel invitation

856
00:41:20,309 --> 00:41:17,920
[Music]

857
00:41:22,710 --> 00:41:20,319
or i can send it to you on facebook i

858
00:41:25,349 --> 00:41:22,720
will go monitor my facebook messages

859
00:41:26,150 --> 00:41:25,359
if you'd like to come on the show please

860
00:41:29,510 --> 00:41:26,160
just

861
00:41:33,349 --> 00:41:29,520
send me a a message on facebook and i

862
00:41:35,670 --> 00:41:33,359
will send you the chat invitation

863
00:41:36,390 --> 00:41:35,680

let's see here i'm checking with my

864

00:41:49,460 --> 00:41:36,400

messenger

865

00:41:52,309 --> 00:41:49,470

friends please stand by here

866

00:41:54,870 --> 00:41:52,319

[Music]

867

00:41:55,910 --> 00:41:54,880

i'm not sure spooky's around but i just

868

00:41:59,190 --> 00:41:55,920

sent spooky

869

00:42:08,309 --> 00:41:59,200

uh an invitation

870

00:42:08,319 --> 00:42:12,150

anybody else any takers

871

00:42:18,950 --> 00:42:16,860

you're happy to uh

872

00:42:22,309 --> 00:42:18,960

[Music]

873

00:42:24,630 --> 00:42:22,319

wait uh calabash says

874

00:42:25,910 --> 00:42:24,640

i'm too boring and ripped beyond all

875

00:42:27,430 --> 00:42:25,920

recognition

876

00:42:29,430 --> 00:42:27,440

well that would make for a good show

877

00:42:33,030 --> 00:42:29,440

though that would be awesome

878

00:42:39,910 --> 00:42:36,069

don't you know uh

879

00:42:43,030 --> 00:42:39,920

don't hold back michael don't hold back

880

00:42:44,710 --> 00:42:43,040

it's it's all for the greater good

881

00:42:46,309 --> 00:42:44,720

cal korff says by the way to help you

882

00:42:47,510 --> 00:42:46,319

rent out your roswell series i would

883

00:42:48,150 --> 00:42:47,520

recommend you have an investigative

884

00:42:50,150 --> 00:42:48,160

journey with

885

00:42:51,910 --> 00:42:50,160

art lavino and he investigated kaufman

886

00:42:53,510 --> 00:42:51,920

and knows about the roswell researchers

887

00:42:55,510 --> 00:42:53,520

he watches your show and i think

888

00:42:57,190 --> 00:42:55,520

offered to come on just an idea yeah get

889

00:42:58,069 --> 00:42:57,200

him in touch with me calculate i'll do

890

00:42:59,750 --> 00:42:58,079

that absolutely

891

00:43:01,990 --> 00:42:59,760

we can do it saturday as soon as

892

00:43:05,829 --> 00:43:02,000

saturday

893

00:43:09,109 --> 00:43:05,839

[Music]

894

00:43:10,870 --> 00:43:09,119

jay roach says i'm getting a little sick

895

00:43:14,550 --> 00:43:10,880

and tired of hearing third phase of moon

896

00:43:17,750 --> 00:43:14,560

trying to claim false disclosure geez

897

00:43:20,150 --> 00:43:17,760

yeah um somebody else we did this thing

898

00:43:23,510 --> 00:43:20,160

called the ufo report earlier

899

00:43:25,190 --> 00:43:23,520

and uh somebody wanted me to cover this

900

00:43:28,790 --> 00:43:25,200

black triangle story

901
00:43:30,790 --> 00:43:28,800
over la highway that they had but

902
00:43:31,829 --> 00:43:30,800
i just looked into that story quickly

903
00:43:33,750 --> 00:43:31,839
and they

904
00:43:35,430 --> 00:43:33,760
the only source that i was able to find

905
00:43:36,470 --> 00:43:35,440
that had that video was third phase of

906
00:43:38,870 --> 00:43:36,480
moon

907
00:43:40,790 --> 00:43:38,880
so i quickly went yeah that probably

908
00:43:42,390 --> 00:43:40,800
means it's fake and you know what

909
00:43:43,910 --> 00:43:42,400
it's like the boy who cried wolf you

910
00:43:46,390 --> 00:43:43,920
know people are trying to say oh they

911
00:43:47,510 --> 00:43:46,400
they haven't hoaxed anything in a while

912
00:43:50,710 --> 00:43:47,520
but they did

913
00:43:51,430 --> 00:43:50,720

in the past and all the cgi videos that

914

00:43:53,349 --> 00:43:51,440

were proven

915

00:43:55,510 --> 00:43:53,359

fakes that they posted and now that

916

00:43:58,150 --> 00:43:55,520

we're supposed to trust them

917

00:43:59,750 --> 00:43:58,160

countdown to disclosure we'll count down

918

00:44:01,589 --> 00:43:59,760

the [h__\h] bro

919

00:44:08,820 --> 00:44:01,599

it's countdown to [h__\h] that's what

920

00:44:11,750 --> 00:44:08,830

it is

921

00:44:14,150 --> 00:44:11,760

[Music]

922

00:44:20,230 --> 00:44:14,160

i can't do third phase moon i leave that

923

00:44:26,630 --> 00:44:24,150

okay so prank magic is uh blowing me off

924

00:44:27,190 --> 00:44:26,640

and uh nobody else wants to come on our

925

00:44:30,470 --> 00:44:27,200

show

926

00:44:32,470 --> 00:44:30,480

so see i told you how hard it is getting

927

00:44:34,470 --> 00:44:32,480

guests we can't even get

928

00:44:37,270 --> 00:44:34,480

can we get my friends to come on here

929

00:44:39,270 --> 00:44:37,280

it's great

930

00:44:40,950 --> 00:44:39,280

but that is the hallmark of a high

931

00:44:43,750 --> 00:44:40,960

quality show

932

00:44:45,910 --> 00:44:43,760

but in their defense it's not like i

933

00:44:48,230 --> 00:44:45,920

it's not like i gave anybody any notice

934

00:44:49,670 --> 00:44:48,240

i just thought oh well if anybody wants

935

00:44:53,670 --> 00:44:49,680

to since we're having this

936

00:44:54,470 --> 00:44:53,680

you know all these people in the live

937

00:44:56,050 --> 00:44:54,480

chat

938

00:44:58,630 --> 00:44:56,060

uh you know

939

00:45:03,349 --> 00:44:58,640

[Music]

940

00:45:05,270 --> 00:45:03,359

well checking in once again with the

941

00:45:06,630 --> 00:45:05,280

with the streams and everything looks

942

00:45:10,950 --> 00:45:06,640

great so

943

00:45:13,829 --> 00:45:10,960

i am uh fairly certain that the issue is

944

00:45:15,270 --> 00:45:13,839

stream yards overloaded servers during

945

00:45:18,550 --> 00:45:15,280

busy times for

946

00:45:21,990 --> 00:45:18,560

everybody doing shows uh seems to be

947

00:45:26,710 --> 00:45:22,000

eight to midnight blur

948

00:45:29,270 --> 00:45:26,720

rezzy land if you try to stream um

949

00:45:32,550 --> 00:45:29,280

super early in the morning you're okay

950

00:45:36,390 --> 00:45:32,560

10 am to

951
00:45:39,829 --> 00:45:36,400
5 p.m again problems

952
00:45:43,190 --> 00:45:39,839
resin uh low quality

953
00:45:47,109 --> 00:45:45,589
i'm fairly certain that we've isolated

954
00:45:49,990 --> 00:45:47,119
the problem as being their

955
00:45:50,950 --> 00:45:50,000
servers they don't have enough maybe

956
00:45:52,230 --> 00:45:50,960
that's the issue

957
00:45:54,710 --> 00:45:52,240
they don't have enough but they don't

958
00:45:56,230 --> 00:45:54,720
have enough processing power

959
00:45:58,230 --> 00:45:56,240
and i've talked to many other people who

960
00:46:01,349 --> 00:45:58,240
had a similar views

961
00:46:04,630 --> 00:46:01,359
on the on this software and this cloud

962
00:46:09,430 --> 00:46:07,990
yeah pixie pixy 2400 did you catch

963
00:46:11,750 --> 00:46:09,440

bigelow on jra

964

00:46:13,190 --> 00:46:11,760

jerry jeez what a car crash no i didn't

965

00:46:15,349 --> 00:46:13,200

catch the whole thing i just

966

00:46:18,550 --> 00:46:15,359

i mentioned earlier i just caught the 15

967

00:46:20,710 --> 00:46:18,560

minute clip or something that uh

968

00:46:23,430 --> 00:46:20,720

joe rogan posted with bob bigelow

969

00:46:27,030 --> 00:46:23,440

telling bob lazar stories

970

00:46:30,790 --> 00:46:27,040

and uh okay

971

00:46:32,950 --> 00:46:30,800

you know there was no

972

00:46:34,470 --> 00:46:32,960

there's just no there there bob bigelow

973

00:46:35,750 --> 00:46:34,480

doesn't have the goods if he did he

974

00:46:36,790 --> 00:46:35,760

would have dropped them so all this

975

00:46:41,190 --> 00:46:36,800

stuff about

976

00:46:44,710 --> 00:46:43,510

he just kind of buys his way into his

977

00:46:46,870 --> 00:46:44,720

interests right

978

00:46:47,990 --> 00:46:46,880

he's interested in ufos so he bought the

979

00:46:51,750 --> 00:46:48,000

skinwalker ranch

980

00:46:54,390 --> 00:46:51,760

right then he sold it and uh

981

00:46:55,349 --> 00:46:54,400

he started a business with bob lazar and

982

00:46:58,309 --> 00:46:55,359

i suspect

983

00:47:00,950 --> 00:46:58,319

that was just to get to meet him and and

984

00:47:07,750 --> 00:47:00,960

get in with him right

985

00:47:16,790 --> 00:47:12,550

yeah so i'm gonna

986

00:47:22,870 --> 00:47:19,990

so uh looks like the technical issues

987

00:47:24,549 --> 00:47:22,880

have worked themselves out and uh i

988

00:47:25,430 --> 00:47:24,559

guess i gotta do a show at three o'clock

989

00:47:27,349 --> 00:47:25,440

in the morning

990

00:47:28,470 --> 00:47:27,359

from now on that's when i have to do my

991

00:47:31,430 --> 00:47:28,480

show because my

992

00:47:33,270 --> 00:47:31,440

cloud service provider cannot provide

993

00:47:35,829 --> 00:47:33,280

the services that i'm paying for

994

00:47:37,190 --> 00:47:35,839

at hours when i want to actually use the

995

00:47:41,109 --> 00:47:37,200

service

996

00:47:45,349 --> 00:47:43,829

and you know my other option is you know

997

00:47:47,670 --> 00:47:45,359

well i could pre-record and

998

00:47:50,710 --> 00:47:47,680

upload but no i can't not with the live

999

00:47:57,750 --> 00:47:54,790

no so a big portion of our show

1000

00:47:59,829 --> 00:47:57,760

is audience interaction and if if i just

1001
00:48:04,829 --> 00:47:59,839
pre-record

1002
00:48:12,950 --> 00:48:09,030
show

1003
00:48:16,309 --> 00:48:12,960
viewers

1004
00:48:16,950 --> 00:48:16,319
yeah i don't think so we've got 25

1005
00:48:18,870 --> 00:48:16,960
people

1006
00:48:20,549 --> 00:48:18,880
watching right now prank magic and we

1007
00:48:23,990 --> 00:48:20,559
average

1008
00:48:28,230 --> 00:48:24,000
50 to 60 in a you know

1009
00:48:30,950 --> 00:48:28,240
or 40 to 60 in it at an earlier time

1010
00:48:34,470 --> 00:48:30,960
yeah bgs this one's just for you guys

1011
00:48:38,710 --> 00:48:34,480
perfect time for aussies

1012
00:48:41,630 --> 00:48:38,720
yeah i don't even know

1013
00:48:41,640 --> 00:48:47,270

[Music]

1014

00:48:52,790 --> 00:48:50,870

it's 7 25 p.m in sydney australia right

1015

00:48:54,309 --> 00:48:52,800

now bg's right

1016

00:48:58,230 --> 00:48:54,319

yeah so i guess that would be a good

1017

00:49:02,230 --> 00:48:58,240

time piggy 2400 says it's 8 a.m here

1018

00:49:02,710 --> 00:49:02,240

in the uk yeah see this time zone thing

1019

00:49:04,710 --> 00:49:02,720

is

1020

00:49:05,980 --> 00:49:04,720

difficult for me to just even wrap my

1021

00:49:12,470 --> 00:49:05,990

brain around right

1022

00:49:16,710 --> 00:49:14,950

so i suppose anytime there's a good time

1023

00:49:17,430 --> 00:49:16,720

for a show if you have an international

1024

00:49:21,109 --> 00:49:17,440

audience

1025

00:49:22,470 --> 00:49:21,119

and we're very blessed that we do

1026
00:49:24,390 --> 00:49:22,480
here and that's one of the things that

1027
00:49:25,190 --> 00:49:24,400
amazes me like i can't believe it right

1028
00:49:29,109 --> 00:49:25,200
now

1029
00:49:32,710 --> 00:49:29,119
the united kingdom in england

1030
00:49:35,069 --> 00:49:32,720
we have a few people from australia

1031
00:49:36,230 --> 00:49:35,079
i believe there's somebody that's in

1032
00:49:40,069 --> 00:49:36,240
tasmania

1033
00:49:43,510 --> 00:49:40,079
of all places right a few in europe

1034
00:49:46,780 --> 00:49:43,520
and the united states and canada

1035
00:49:51,910 --> 00:49:48,870
[Music]

1036
00:49:52,549 --> 00:49:51,920
and of course michael is in california i

1037
00:49:56,390 --> 00:49:52,559
believe

1038
00:49:59,430 --> 00:49:56,400

right so yeah

1039

00:50:06,790 --> 00:49:59,440

you're uh awful lot of miles for me

1040

00:50:12,870 --> 00:50:09,109

oh ufo gandalf thank you so much i'm

1041

00:50:16,870 --> 00:50:12,880

gonna check that right now

1042

00:50:24,069 --> 00:50:21,589

whoa ufo gandalf that is

1043

00:50:25,750 --> 00:50:24,079

incredibly generous of you and i

1044

00:50:29,990 --> 00:50:25,760

appreciate it immensely

1045

00:50:38,309 --> 00:50:34,069

oh wow what a great comment too

1046

00:50:41,670 --> 00:50:41,030

actually i wanna i wanna i wanna do this

1047

00:50:54,840 --> 00:50:41,680

right so

1048

00:51:10,950 --> 00:50:54,850

just bear with me a little bit friends

1049

00:51:14,549 --> 00:51:13,670

okay so again if you'd like if you're

1050

00:51:16,870 --> 00:51:14,559

feeling generous

1051

00:51:17,589 --> 00:51:16,880

and you want to support our show there's

1052

00:51:20,230 --> 00:51:17,599

a paypal

1053

00:51:21,589 --> 00:51:20,240

donate button and uh everybody that

1054

00:51:24,790 --> 00:51:21,599

donates we shout out

1055

00:51:26,309 --> 00:51:24,800

if they add a note and we tonight got a

1056

00:51:29,030 --> 00:51:26,319

kind and generous 50

1057

00:51:30,790 --> 00:51:29,040

donation from ufo gandalf and i want to

1058

00:51:31,750 --> 00:51:30,800

thank you sincerely for supporting the

1059

00:51:34,710 --> 00:51:31,760

show

1060

00:51:35,990 --> 00:51:34,720

that's a big couple of bucks bro and i

1061

00:51:39,349 --> 00:51:36,000

sincerely appreciate

1062

00:51:42,790 --> 00:51:39,359

it uh and he writes

1063

00:51:44,950 --> 00:51:42,800

happy 1000 subs from ufo gandalf

1064

00:51:46,150 --> 00:51:44,960

yeah and you were here at the start of

1065

00:51:49,349 --> 00:51:46,160

this thing

1066

00:51:51,109 --> 00:51:49,359

so thank you immensely for your kindness

1067

00:51:52,710 --> 00:51:51,119

your generosity and your continued

1068

00:51:55,750 --> 00:51:52,720

support of the show

1069

00:51:58,630 --> 00:51:55,760

this is viewer supported show

1070

00:51:59,829 --> 00:51:58,640

which means that you the viewers help

1071

00:52:02,829 --> 00:51:59,839

keep this show

1072

00:52:04,230 --> 00:52:02,839

going i can't thank you enough ufo

1073

00:52:05,670 --> 00:52:04,240

gandalf

1074

00:52:07,080 --> 00:52:05,680

you know i feel like i should do a dance

1075

00:52:08,390 --> 00:52:07,090

for you or something right like

1076

00:52:11,030 --> 00:52:08,400

[Music]

1077

00:52:12,870 --> 00:52:11,040

i'm gonna get a dancing monkey i promise

1078

00:52:14,790 --> 00:52:12,880

right it's all my list of things to do

1079

00:52:16,069 --> 00:52:14,800

i'm gonna get a dancing monkey right and

1080

00:52:17,990 --> 00:52:16,079

i'm gonna keep it here

1081

00:52:20,230 --> 00:52:18,000

and every time somebody donates money

1082

00:52:23,349 --> 00:52:20,240

i'm gonna let the dancing monkey dance

1083

00:52:30,950 --> 00:52:26,630

ufo gandalf says you're welcome mate

1084

00:52:33,829 --> 00:52:30,960

nice yeah prank magic what a good

1085

00:52:35,109 --> 00:52:33,839

what a big that's a big chunk right

1086

00:52:43,910 --> 00:52:35,119

that's a

1087

00:52:48,870 --> 00:52:47,030

barrio heat says put the strippers up i

1088

00:52:51,109 --> 00:52:48,880

don't really have strippers uh

1089

00:52:53,430 --> 00:52:51,119

solo like that i can just pull in right

1090

00:52:57,030 --> 00:52:53,440

now we could share it from

1091

00:52:59,190 --> 00:52:57,040

uh from youtube or some other source but

1092

00:53:02,950 --> 00:52:59,200

the last time i did that they age

1093

00:53:04,230 --> 00:53:02,960

they like made it inappropriate and then

1094

00:53:06,870 --> 00:53:04,240

you had to be signed in

1095

00:53:07,910 --> 00:53:06,880

and that really cuts down on uh the

1096

00:53:10,309 --> 00:53:07,920

number of views

1097

00:53:11,270 --> 00:53:10,319

that the show gets so i'm trying to not

1098

00:53:14,470 --> 00:53:11,280

do that

1099

00:53:15,030 --> 00:53:14,480

for some reason if i make an overlay

1100

00:53:17,829 --> 00:53:15,040

video

1101

00:53:18,470 --> 00:53:17,839

with with hot girls dancing that's okay

1102

00:53:20,150 --> 00:53:18,480

but

1103

00:53:24,150 --> 00:53:20,160

taking it from youtube it's

1104

00:53:27,510 --> 00:53:26,870

ufo gandalf i approve we need a monkey

1105

00:53:29,430 --> 00:53:27,520

yeah

1106

00:53:31,190 --> 00:53:29,440

now i gotta figure out a dancing monkey

1107

00:53:33,990 --> 00:53:31,200

see this is what happens

1108

00:53:34,950 --> 00:53:34,000

this is the carnival that we're becoming

1109

00:53:37,910 --> 00:53:34,960

but

1110

00:53:38,630 --> 00:53:37,920

if that'll keep people sending donations

1111

00:53:42,230 --> 00:53:38,640

i'm gonna be like

1112

00:53:44,309 --> 00:53:42,240

dance monkey dance right praise the cash

1113

00:53:47,270 --> 00:53:44,319

praise the cash praise the cash and by

1114

00:53:49,910 --> 00:53:47,280

the way i'm gonna say my praise to cash

1115

00:53:51,270 --> 00:53:49,920

prayer uh and once again recognize

1116

00:53:54,790 --> 00:53:51,280

tonight's generous

1117

00:53:57,990 --> 00:53:54,800

kind benefactor and donator ufo gandalf

1118

00:54:00,390 --> 00:53:58,000

uh really that is an amazing thing that

1119

00:54:02,630 --> 00:54:00,400

you did tonight and really does help

1120

00:54:04,069 --> 00:54:02,640

so we'll say it once again praise the

1121

00:54:07,109 --> 00:54:04,079

cash praise the cash

1122

00:54:10,309 --> 00:54:07,119

praise the cash thank god almighty

1123

00:54:12,069 --> 00:54:10,319

and ufo get off praise the cash

1124

00:54:13,510 --> 00:54:12,079

and we're also going to say our daily

1125

00:54:16,630 --> 00:54:13,520

prayer to the youtube

1126

00:54:20,390 --> 00:54:16,640

algorithm uh please

1127

00:54:22,150 --> 00:54:20,400

youtube algorithms you hold my future in

1128

00:54:25,589 --> 00:54:22,160

your balance

1129

00:54:28,340 --> 00:54:25,599

in your hands please raise us in

1130

00:54:31,430 --> 00:54:28,350

search engines kind and

1131

00:54:34,309 --> 00:54:31,440

[Music]

1132

00:54:35,430 --> 00:54:34,319

he's a kind ai god right these ai gods

1133

00:54:38,470 --> 00:54:35,440

we serve these ai

1134

00:54:40,069 --> 00:54:38,480

algorithms please hear our prayer raise

1135

00:54:42,950 --> 00:54:40,079

us in the search engine

1136

00:54:45,030 --> 00:54:42,960

let more people find our show and do not

1137

00:54:46,510 --> 00:54:45,040

copyright strike us for anything

1138

00:54:49,190 --> 00:54:46,520

because we are fair use

1139

00:54:53,349 --> 00:54:49,200

[Music]

1140

00:54:56,470 --> 00:54:53,359

in google's name we pray amen

1141

00:54:57,829 --> 00:54:56,480

all i can do is say a prayer my life is

1142

00:55:01,750 --> 00:54:57,839

in the hands of an

1143

00:55:07,270 --> 00:55:04,829

and by the way i have a feeling that no

1144

00:55:09,190 --> 00:55:07,280

human

1145

00:55:10,710 --> 00:55:09,200

reviews the show and turns the

1146

00:55:14,150 --> 00:55:10,720

monetization on

1147

00:55:16,069 --> 00:55:14,160

i think that is more than likely an ai

1148

00:55:18,829 --> 00:55:16,079

algorithm that we're waiting on to turn

1149

00:55:21,829 --> 00:55:18,839

our super chat donations

1150

00:55:24,630 --> 00:55:21,839

so uh yeah pragmatic no

1151

00:55:25,349 --> 00:55:24,640

it's not monetized yet it's supposed to

1152

00:55:32,309 --> 00:55:25,359

be

1153

00:55:34,630 --> 00:55:32,319

five or six weeks ago um or more

1154

00:55:36,309 --> 00:55:34,640

i think more like seven weeks ago but

1155

00:55:37,910 --> 00:55:36,319

then i waited two extra weeks to make

1156

00:55:39,910 --> 00:55:37,920

sure that we had enough of a buffer on

1157

00:55:41,670 --> 00:55:39,920

the subscribers that

1158

00:55:43,270 --> 00:55:41,680

it wasn't gonna drop below their

1159

00:55:45,270 --> 00:55:43,280

threshold uh

1160

00:55:47,349 --> 00:55:45,280

and then i did all the paperwork and

1161

00:55:48,069 --> 00:55:47,359

whatever and now we're waiting five

1162

00:55:50,630 --> 00:55:48,079

weeks

1163

00:55:52,549 --> 00:55:50,640

for them to review the channel and turn

1164

00:55:55,750 --> 00:55:52,559

on the super chats

1165

00:55:58,390 --> 00:55:55,760

yes it is annoying uh because i

1166

00:56:00,150 --> 00:55:58,400

i know in five weeks i've lost a lot of

1167

00:56:02,069 --> 00:56:00,160

super chat donations people are very

1168

00:56:03,510 --> 00:56:02,079

generous and super chats are the easiest

1169

00:56:05,030 --> 00:56:03,520

way for people to throw a couple of

1170

00:56:07,349 --> 00:56:05,040

dollars your way

1171

00:56:09,030 --> 00:56:07,359

to make them go over to paypal and this

1172

00:56:10,150 --> 00:56:09,040

and that it's just extra steps and then

1173

00:56:11,349 --> 00:56:10,160

they got to leave the chat

1174

00:56:12,710 --> 00:56:11,359

sometimes to do it and people are

1175

00:56:13,670 --> 00:56:12,720

watching this show and they don't want

1176
00:56:16,549 --> 00:56:13,680
to miss

1177
00:56:18,789 --> 00:56:16,559
the show so they don't want to you know

1178
00:56:19,300 --> 00:56:18,799
i just hopefully it'll get turned on

1179
00:56:21,910 --> 00:56:19,310
uh

1180
00:56:24,390 --> 00:56:21,920
[Music]

1181
00:56:25,430 --> 00:56:24,400
lewis says samyazi is an internet god

1182
00:56:30,170 --> 00:56:25,440
just ask meyer

1183
00:56:31,829 --> 00:56:30,180
yeah or michael horn right

1184
00:56:33,990 --> 00:56:31,839
[Music]

1185
00:56:35,910 --> 00:56:34,000
wow beautiful gandolf you're earning

1186
00:56:39,030 --> 00:56:35,920
good money picking fruit

1187
00:56:40,470 --> 00:56:39,040
good for you that's gotta be a hard job

1188
00:56:43,510 --> 00:56:40,480

though right

1189

00:56:47,030 --> 00:56:43,520

i don't know i worked on a farm with uh

1190

00:56:49,109 --> 00:56:47,040

for like a very very short time uh

1191

00:56:50,870 --> 00:56:49,119

[Music]

1192

00:56:52,870 --> 00:56:50,880

but it was more just like a friend and a

1193

00:56:53,349 --> 00:56:52,880

neighbor needed help getting a harvest

1194

00:56:54,950 --> 00:56:53,359

in

1195

00:56:58,950 --> 00:56:54,960

and asked me to help them and then they

1196

00:57:00,950 --> 00:56:58,960

gave me a small amount of money but uh

1197

00:57:02,230 --> 00:57:00,960

that was hard work out there in the hot

1198

00:57:04,309 --> 00:57:02,240

sun right

1199

00:57:05,589 --> 00:57:04,319

and i was picking blueberries that's not

1200

00:57:09,109 --> 00:57:05,599

easy

1201
00:57:11,349 --> 00:57:09,119
hand picking i would never forget like

1202
00:57:12,870 --> 00:57:11,359
you go out there it's just like oh my

1203
00:57:15,349 --> 00:57:12,880
god there's blueberry bushes

1204
00:57:15,910 --> 00:57:15,359
as far as the eye could see right it was

1205
00:57:17,670 --> 00:57:15,920
this big

1206
00:57:19,750 --> 00:57:17,680
meadow and then woods at the end of the

1207
00:57:22,549 --> 00:57:19,760
meadow but this huge meadow just

1208
00:57:24,230 --> 00:57:22,559
filled with blueberry bushes and we have

1209
00:57:25,109 --> 00:57:24,240
these five gallon buckets and you just

1210
00:57:28,309 --> 00:57:25,119
run around

1211
00:57:31,190 --> 00:57:28,319
and go down the line you know

1212
00:57:32,710 --> 00:57:31,200
yeah that's a very hard job so god bless

1213
00:57:36,390 --> 00:57:32,720

anybody that's out there

1214

00:57:37,670 --> 00:57:36,400

working outside or doing a hard physical

1215

00:57:40,470 --> 00:57:37,680

labor job

1216

00:57:42,870 --> 00:57:40,480

you know i feel for you i've had some

1217

00:57:44,309 --> 00:57:42,880

crazy jobs like i was a roofer for like

1218

00:57:46,309 --> 00:57:44,319

a day

1219

00:57:47,910 --> 00:57:46,319

i couldn't do it you know guys like all

1220

00:57:50,230 --> 00:57:47,920

right uh

1221

00:57:52,230 --> 00:57:50,240

uh set up that ladder and uh i need you

1222

00:57:55,990 --> 00:57:52,240

to carry these

1223

00:57:58,630 --> 00:57:56,000

you know 100 pound things

1224

00:58:00,549 --> 00:57:58,640

shingles up that ladder and like don't

1225

00:58:04,789 --> 00:58:00,559

you got like a crane or like

1226

00:58:06,390 --> 00:58:04,799

you know like a pulley and a rope

1227

00:58:08,710 --> 00:58:06,400

no that's not how we do it just put on

1228

00:58:11,670 --> 00:58:08,720

your back and walk it up

1229

00:58:12,230 --> 00:58:11,680

like this is not fun not in 100 degree

1230

00:58:15,750 --> 00:58:12,240

weather

1231

00:58:19,190 --> 00:58:15,760

right no yeah so i only i lasted one day

1232

00:58:23,030 --> 00:58:21,349

ah laquifa pimp what's your thoughts on

1233

00:58:24,870 --> 00:58:23,040

corey good and steven greer by the way i

1234

00:58:27,910 --> 00:58:24,880

watch your videos every night and we'll

1235

00:58:29,750 --> 00:58:27,920

be literally dying of laughter yeah you

1236

00:58:31,349 --> 00:58:29,760

know i haven't uh

1237

00:58:33,670 --> 00:58:31,359

we haven't had a funny show i'm gonna

1238

00:58:35,910 --> 00:58:33,680

try to get a funny show together

1239

00:58:37,030 --> 00:58:35,920

and my views on corey good is that he's

1240

00:58:40,069 --> 00:58:37,040

not to be trusted

1241

00:58:42,230 --> 00:58:40,079

nothing he says has ever been proven

1242

00:58:43,109 --> 00:58:42,240

proven to be factually accurate or

1243

00:58:45,430 --> 00:58:43,119

correct he has

1244

00:58:46,309 --> 00:58:45,440

zero evidence after five years of

1245

00:58:49,510 --> 00:58:46,319

telling

1246

00:58:50,789 --> 00:58:49,520

um you know his space stories he's got

1247

00:58:53,670 --> 00:58:50,799

nothing

1248

00:58:55,670 --> 00:58:53,680

and i as far as steven greer i think

1249

00:58:58,549 --> 00:58:55,680

he's another ufo profiteer

1250

00:58:59,270 --> 00:58:58,559

who has no real evidence no real proof

1251
00:59:00,950 --> 00:58:59,280
if he had

1252
00:59:02,630 --> 00:59:00,960
it's been 30 years bro he would have

1253
00:59:05,990 --> 00:59:02,640
dropped it by now

1254
00:59:07,589 --> 00:59:06,000
and he hasn't um which tells me that he

1255
00:59:11,109 --> 00:59:07,599
never will

1256
00:59:14,630 --> 00:59:11,119
if history is any indicator

1257
00:59:17,750 --> 00:59:14,640
right yeah i i just

1258
00:59:19,190 --> 00:59:17,760
i don't get it i just i don't get it

1259
00:59:21,190 --> 00:59:19,200
i don't get how that guy can collect

1260
00:59:23,990 --> 00:59:21,200
millions of dollars and never provide

1261
00:59:27,750 --> 00:59:24,000
any solid tangible evidence or proof

1262
00:59:30,870 --> 00:59:27,760
of 30 years of fantastical claims

1263
00:59:33,430 --> 00:59:30,880

and stories none of which can be proven

1264

00:59:35,270 --> 00:59:33,440

or verified and he's been caught lying

1265

00:59:37,670 --> 00:59:35,280

and saying things

1266

00:59:39,430 --> 00:59:37,680

uh that nope that he says people told

1267

00:59:41,270 --> 00:59:39,440

them and that never happened

1268

00:59:43,829 --> 00:59:41,280

or briefing people that he says he

1269

00:59:46,230 --> 00:59:43,839

briefed like woolsey the cia

1270

00:59:47,910 --> 00:59:46,240

one time caa had turns out he didn't do

1271

00:59:51,750 --> 00:59:47,920

that

1272

00:59:58,630 --> 00:59:55,349

wow callie boss i've met

1273

01:00:00,230 --> 00:59:58,640

breer he's a p.o.s

1274

01:00:01,829 --> 01:00:00,240

we're trying not to curse here too

1275

01:00:02,950 --> 01:00:01,839

because apparently the algorithm doesn't

1276

01:00:04,789 --> 01:00:02,960

like that

1277

01:00:06,150 --> 01:00:04,799

you know how hard it is for me to not

1278

01:00:10,630 --> 01:00:06,160

curse it's

1279

01:00:15,589 --> 01:00:12,630

and i wanted to mention we're also

1280

01:00:17,030 --> 01:00:15,599

trying to go back to

1281

01:00:24,069 --> 01:00:17,040

go back to playing music in the

1282

01:00:28,549 --> 01:00:26,470

the software was just sort of upgraded

1283

01:00:31,670 --> 01:00:28,559

to allow

1284

01:00:33,670 --> 01:00:31,680

um stereo

1285

01:00:38,150 --> 01:00:33,680

which means it doesn't sound terrible as

1286

01:00:42,309 --> 01:00:40,829

i kind of like that background ambiance

1287

01:00:44,150 --> 01:00:42,319

right

1288

01:00:46,450 --> 01:00:44,160

especially if it matches the subject

1289

01:00:47,910 --> 01:00:46,460

that we are discussing or talking about

1290

01:00:50,470 --> 01:00:47,920

[Music]

1291

01:00:51,829 --> 01:00:50,480

lewis yes but what about zach jacques

1292

01:00:53,990 --> 01:00:51,839

fellais

1293

01:00:56,710 --> 01:00:54,000

again jack filet has made a lot of

1294

01:00:59,349 --> 01:00:56,720

there's a lot of talk about possible

1295

01:00:59,990 --> 01:00:59,359

ufo debris that they've gotten their

1296

01:01:02,549 --> 01:01:00,000

possession

1297

01:01:03,030 --> 01:01:02,559

and they're gonna test and things like

1298

01:01:06,150 --> 01:01:03,040

that

1299

01:01:08,150 --> 01:01:06,160

and i just i don't think we ever get to

1300

01:01:10,150 --> 01:01:08,160

the definitive proof of the lab report

1301

01:01:12,150 --> 01:01:10,160

and again he's been talking about

1302

01:01:13,910 --> 01:01:12,160

these materials that that he's testing

1303

01:01:16,309 --> 01:01:13,920

in laboratories

1304

01:01:17,270 --> 01:01:16,319

for what 10 years now and we still

1305

01:01:20,390 --> 01:01:17,280

haven't gotten a

1306

01:01:21,510 --> 01:01:20,400

can i see a lab report you know you can

1307

01:01:23,990 --> 01:01:21,520

put any material

1308

01:01:24,710 --> 01:01:24,000

in a machine that will tell you what the

1309

01:01:31,750 --> 01:01:24,720

material

1310

01:01:38,820 --> 01:01:31,760

for sure we never get that

1311

01:01:43,990 --> 01:01:38,830

lab report why is that

1312

01:01:47,349 --> 01:01:44,000

[Music]

1313

01:01:47,990 --> 01:01:47,359

oh that's funny uh bg says well jiggy's

1314

01:01:50,950 --> 01:01:48,000

stream is

1315

01:01:52,390 --> 01:01:50,960

f then yeah i don't know i'm trying i'm

1316

01:01:55,270 --> 01:01:52,400

going to try to not curse

1317

01:01:56,630 --> 01:01:55,280

right if i can get through a show

1318

01:01:58,390 --> 01:01:56,640

without cursing i'm going to try to do

1319

01:01:59,990 --> 01:01:58,400

it

1320

01:02:02,870 --> 01:02:00,000

that was a big challenge when i was

1321

01:02:06,470 --> 01:02:02,880

doing a podcast on the fringe fm

1322

01:02:08,710 --> 01:02:06,480

because uh he didn't tell me

1323

01:02:10,630 --> 01:02:08,720

when i started my show there that i i

1324

01:02:13,510 --> 01:02:10,640

wasn't supposed to curse

1325

01:02:15,829 --> 01:02:13,520

so and i can't remember was talking

1326

01:02:21,670 --> 01:02:18,950

oral sex but using the uh you know

1327

01:02:24,470 --> 01:02:21,680

i was telling people to give me oral sex

1328

01:02:26,390 --> 01:02:24,480

but i was using the

1329

01:02:28,549 --> 01:02:26,400

more colorful way that people usually

1330

01:02:32,069 --> 01:02:28,559

say it like you can

1331

01:02:33,910 --> 01:02:32,079

yeah and uh

1332

01:02:36,390 --> 01:02:33,920

the guy that ran the distribution

1333

01:02:38,390 --> 01:02:36,400

network like tuned into the show and

1334

01:02:41,190 --> 01:02:38,400

he was like horrified that i was saying

1335

01:02:43,349 --> 01:02:41,200

that kind of stuff on his network

1336

01:02:45,670 --> 01:02:43,359

because they were professionals right

1337

01:02:48,710 --> 01:02:45,680

they're professional broadcasters

1338

01:02:51,349 --> 01:02:48,720

right and here's this guy uh

1339

01:02:54,710 --> 01:02:51,359

talk about this stuff on the first show

1340

01:02:56,630 --> 01:02:54,720

that was on the network right

1341

01:02:59,029 --> 01:02:56,640

and then he had to talk to me and

1342

01:03:03,510 --> 01:02:59,039

convince me that i should never curse on

1343

01:03:05,589 --> 01:03:03,520

his network

1344

01:03:07,840 --> 01:03:05,599

and then i'd forget and i'd have to edit

1345

01:03:13,670 --> 01:03:07,850

stuff it was terrible

1346

01:03:16,069 --> 01:03:13,680

[Music]

1347

01:03:17,349 --> 01:03:16,079

what about cliff high i think a lot of

1348

01:03:20,789 --> 01:03:17,359

what cliff high talks about

1349

01:03:21,829 --> 01:03:20,799

is nonsense uh nice guy right i

1350

01:03:25,349 --> 01:03:21,839

interviewed him once

1351

01:03:26,950 --> 01:03:25,359

on my podcast audio show really nice guy

1352

01:03:28,549 --> 01:03:26,960

and you know what i like him because

1353

01:03:31,990 --> 01:03:28,559

we're both into a lot of the same stuff

1354

01:03:33,349 --> 01:03:32,000

computers conspiracy theories ufos right

1355

01:03:34,120 --> 01:03:33,359

but a lot of the stuff that he talks

1356

01:03:36,470 --> 01:03:34,130

about is uh

1357

01:03:40,309 --> 01:03:36,480

[Music]

1358

01:03:44,870 --> 01:03:40,319

it's just wacky it's just

1359

01:03:47,190 --> 01:03:44,880

you know like it's the

1360

01:03:49,029 --> 01:03:47,200

it's the inmates running the asylum when

1361

01:03:52,789 --> 01:03:49,039

you start listening to cliff high

1362

01:03:55,270 --> 01:03:52,799

you know and

1363

01:03:56,870 --> 01:03:55,280

i don't believe that his web bot

1364

01:03:59,750 --> 01:03:56,880

actually predicts anything

1365

01:04:00,549 --> 01:03:59,760

i think it gets lucky sometimes i'm

1366

01:04:02,630 --> 01:04:00,559

trying to

1367

01:04:05,589 --> 01:04:02,640

try to program my own sort of web bot

1368

01:04:07,589 --> 01:04:05,599

and it seemed to me like

1369

01:04:08,789 --> 01:04:07,599

is it really predicting anything or is

1370

01:04:10,470 --> 01:04:08,799

it just getting lucky

1371

01:04:11,990 --> 01:04:10,480

and are you seeing what you want to see

1372

01:04:14,230 --> 01:04:12,000

or hearing what you want to hear come

1373

01:04:17,490 --> 01:04:14,240

out of the other end of this

1374

01:04:22,150 --> 01:04:17,500

basically data collection program right

1375

01:04:24,390 --> 01:04:22,160

[Music]

1376

01:04:28,870 --> 01:04:24,400

cliff high gets high on his own supply

1377

01:04:33,109 --> 01:04:31,829

digital communist says say it brother

1378

01:04:36,390 --> 01:04:33,119

it's a scam

1379

01:04:38,950 --> 01:04:36,400

yeah maybe i i don't know i don't want

1380

01:04:41,510 --> 01:04:38,960

to make any allegations without any

1381

01:04:43,029 --> 01:04:41,520

solid evidence or proof but i think

1382

01:04:46,470 --> 01:04:43,039

selling a report

1383

01:04:50,390 --> 01:04:46,480

by some that's supposed to give you

1384

01:04:53,190 --> 01:04:50,400

like predictions of the future by some

1385

01:04:54,710 --> 01:04:53,200

data collecting program and analysis

1386

01:04:58,789 --> 01:04:54,720

program

1387

01:05:00,390 --> 01:04:58,799

is not very credible or reputable thing

1388

01:05:02,390 --> 01:05:00,400

to be doing because i

1389

01:05:03,430 --> 01:05:02,400

think it's an art and definitely not a

1390

01:05:04,950 --> 01:05:03,440

science

1391

01:05:07,910 --> 01:05:04,960

he i don't believe that he can prove

1392

01:05:10,870 --> 01:05:07,920

that his web bot predicts anything

1393

01:05:11,349 --> 01:05:10,880

i believe that he shoots a lot of data

1394

01:05:13,029 --> 01:05:11,359

in

1395

01:05:14,710 --> 01:05:13,039

and he gets some data out and then he

1396

01:05:16,789 --> 01:05:14,720

cherry picks the data that would support

1397

01:05:18,230 --> 01:05:16,799

his hypothesis that it's predicting the

1398

01:05:20,710 --> 01:05:18,240

future

1399

01:05:21,829 --> 01:05:20,720

but i don't believe that it does just my

1400

01:05:24,950 --> 01:05:21,839

opinion

1401

01:05:25,910 --> 01:05:24,960

uh nice guy i i like him you know he's

1402

01:05:36,710 --> 01:05:25,920

very likable guy

1403

01:05:38,710 --> 01:05:36,720

smart guy

1404

01:05:40,390 --> 01:05:38,720

the queef of pimp says the guy would

1405

01:05:43,109 --> 01:05:40,400

what a user iv

1406

01:05:44,549 --> 01:05:43,119

laquifa pimp the guy on career show had

1407

01:05:46,069 --> 01:05:44,559

a whistleblower on his channel for an

1408

01:05:47,829 --> 01:05:46,079

interview and a guy who was talking

1409

01:05:50,710 --> 01:05:47,839

could barely answer any questions

1410

01:05:53,029 --> 01:05:50,720

i'm like now stephen reptilian greer you

1411

01:05:56,150 --> 01:05:53,039

know he's full of

1412

01:05:59,190 --> 01:05:56,160

yes j roach

1413

01:06:02,710 --> 01:05:59,200

it's all crap yeah it could be

1414

01:06:04,390 --> 01:06:02,720

i mean just a lot of these

1415

01:06:06,789 --> 01:06:04,400

a lot of these characters and a lot of

1416

01:06:10,069 --> 01:06:06,799

these stories are just

1417

01:06:11,430 --> 01:06:10,079

not at all very credible and they

1418

01:06:14,789 --> 01:06:11,440

most of them don't have evidence to

1419

01:06:17,510 --> 01:06:14,799

support any of their outrageous claims

1420

01:06:18,309 --> 01:06:17,520

you know we say this time and time again

1421

01:06:21,990 --> 01:06:18,319

extraordinary

1422

01:06:23,510 --> 01:06:22,000

most of the time

1423

01:06:24,710 --> 01:06:23,520

not only do these people making

1424

01:06:26,069 --> 01:06:24,720

extraordinary claims not have

1425

01:06:37,510 --> 01:06:26,079

extraordinary proof

1426

01:06:41,430 --> 01:06:39,430

ask him to let you buy that report named

1427

01:06:44,710 --> 01:06:41,440

roaring20s at a discount

1428

01:06:46,710 --> 01:06:44,720

and then read it online to entertain us

1429

01:06:48,309 --> 01:06:46,720

i would if i could get a hold of it and

1430

01:06:50,789 --> 01:06:48,319

yes i do not want to pay a hundred

1431

01:06:53,990 --> 01:06:50,799

dollars to debunk cliff high's

1432

01:06:56,710 --> 01:06:54,000

reports if i've got reports

1433

01:06:58,230 --> 01:06:56,720

okay i'm gonna start writing reports and

1434

01:07:03,029 --> 01:06:58,240

i'm gonna sell mine for 10 bucks

1435

01:07:03,039 --> 01:07:06,789

which kind of reminds me

1436

01:07:14,150 --> 01:07:10,069

i have uh new

1437

01:07:15,190 --> 01:07:14,160

tracks for the uh mine hack project

1438

01:07:16,789 --> 01:07:15,200

for those that don't know if you're

1439

01:07:18,870 --> 01:07:16,799

doing patreon you get the mind hack

1440

01:07:21,349 --> 01:07:18,880

project for free

1441

01:07:23,029 --> 01:07:21,359

and it is a personal development course

1442

01:07:26,150 --> 01:07:23,039

speaking of selling stuff

1443

01:07:31,190 --> 01:07:28,470

the mind hack course combines binaural

1444

01:07:33,750 --> 01:07:31,200

beats uh motivational speaking

1445

01:07:34,789 --> 01:07:33,760

subliminal messages um guided

1446

01:07:38,390 --> 01:07:34,799

meditations

1447

01:07:40,950 --> 01:07:38,400

uh and hypnotic inductions

1448

01:07:42,549 --> 01:07:40,960

to help you achieve some of your goals a

1449

01:07:45,430 --> 01:07:42,559

lot of people have found it very

1450

01:07:46,630 --> 01:07:45,440

very helpful and we've gotten a lot of

1451

01:07:48,789 --> 01:07:46,640

positive feedback

1452

01:07:51,510 --> 01:07:48,799

and remember that some people are

1453

01:07:52,630 --> 01:07:51,520

selling courses out there for 333

1454

01:07:56,069 --> 01:07:52,640

dollars

1455

01:07:58,470 --> 01:07:56,079

some people are selling courses for 777.

1456

01:07:59,589 --> 01:07:58,480

i know what's with the numerology stuff

1457

01:08:01,990 --> 01:07:59,599

right

1458

01:08:03,589 --> 01:08:02,000

um but it is what it is and some people

1459

01:08:05,510 --> 01:08:03,599

are selling courses for literally

1460

01:08:08,069 --> 01:08:05,520

hundreds of dollars

1461

01:08:10,309 --> 01:08:08,079

there is four hours of materials

1462

01:08:13,270 --> 01:08:10,319

currently in the mine heck project and

1463

01:08:15,349 --> 01:08:13,280

you get it all for joining patreon for

1464

01:08:17,430 --> 01:08:15,359

as little as a dollar a month

1465

01:08:19,590 --> 01:08:17,440

um for those unfamiliar with the mine

1466

01:08:21,030 --> 01:08:19,600

hack project here is a little more

1467

01:08:24,149 --> 01:08:21,040

information

1468

01:08:24,630 --> 01:08:24,159

about that what if it was possible to

1469

01:08:28,470 --> 01:08:24,640

learn

1470

01:08:30,709 --> 01:08:28,480

how to hack or program your own mind

1471

01:08:32,229 --> 01:08:30,719

the truth is your mind has already been

1472

01:08:35,349 --> 01:08:32,239

programmed and controlled by

1473

01:08:37,030 --> 01:08:35,359

others for years but this this is how

1474

01:08:38,950 --> 01:08:37,040

you break free

1475

01:08:40,470 --> 01:08:38,960

this is how you learn to program your

1476

01:08:43,590 --> 01:08:40,480

own mind and finally

1477

01:08:44,630 --> 01:08:43,600

take control of your destiny this is how

1478

01:08:47,590 --> 01:08:44,640

you break

1479

01:08:49,189 --> 01:08:47,600

that bondage this is how you learn to

1480

01:08:53,430 --> 01:08:49,199

hack your own mind

1481

01:08:57,910 --> 01:08:53,440

and learn to finally be free welcome

1482

01:09:01,269 --> 01:08:57,920

to mind hack the mind hack system

1483

01:09:03,590 --> 01:09:01,279

includes guided meditations final role

1484

01:09:06,309 --> 01:09:03,600

beats for each brain state

1485

01:09:07,349 --> 01:09:06,319

motivational speaking hypnotic

1486

01:09:10,390 --> 01:09:07,359

inductions

1487

01:09:12,550 --> 01:09:10,400

and much much more

1488

01:09:13,910 --> 01:09:12,560

the mind hex system puts you back in

1489

01:09:16,070 --> 01:09:13,920

control

1490

01:09:17,590 --> 01:09:16,080

the mind hack system helps you reach

1491

01:09:20,550 --> 01:09:17,600

your goals

1492

01:09:23,430 --> 01:09:20,560

the mindtech system helps you manifest

1493

01:09:25,669 --> 01:09:23,440

your dreams into reality

1494

01:09:27,910 --> 01:09:25,679

by finally taking control of your own

1495

01:09:30,390 --> 01:09:27,920

mind you will learn to focus

1496

01:09:33,030 --> 01:09:30,400

and take control of your own infinite

1497

01:09:39,910 --> 01:09:33,040

potential

1498

01:09:43,510 --> 01:09:41,349

and there we have it friends a little

1499

01:09:44,950 --> 01:09:43,520

bit more information about my mind hack

1500

01:09:48,470 --> 01:09:44,960

project that comes

1501

01:09:50,229 --> 01:09:48,480

included with patreon

1502

01:09:52,229 --> 01:09:50,239

so friends i guess we're winding down

1503

01:09:55,030 --> 01:09:52,239

here uh

1504

01:09:55,990 --> 01:09:55,040

i did not plan on doing a second show

1505

01:09:59,510 --> 01:09:56,000

today

1506

01:10:02,470 --> 01:09:59,520

not in at all so i guess we'll

1507

01:10:04,870 --> 01:10:02,480

just consider today a bonus stream a

1508

01:10:07,669 --> 01:10:04,880

double shot of our show here

1509

01:10:08,950 --> 01:10:07,679

um and i gotta say for just off the cuff

1510

01:10:11,270 --> 01:10:08,960

last minute

1511

01:10:13,110 --> 01:10:11,280

except for nobody wanting to be a panel

1512

01:10:16,229 --> 01:10:13,120

guest

1513

01:10:20,149 --> 01:10:16,239

not one tanker this went

1514

01:10:20,550 --> 01:10:20,159

extremely well and again i'm looking in

1515

01:10:23,189 --> 01:10:20,560

again

1516

01:10:24,709 --> 01:10:23,199

at the at the quality of the stream to

1517

01:10:28,310 --> 01:10:24,719

all three streaming locations

1518

01:10:31,189 --> 01:10:28,320

looks great so i am going to

1519

01:10:33,510 --> 01:10:31,199

tomorrow try to work on some of these

1520

01:10:36,630 --> 01:10:33,520

quality issues with our cloud

1521

01:10:38,470 --> 01:10:36,640

services provider and

1522

01:10:40,790 --> 01:10:38,480

hopefully they'll have some answers for

1523

01:10:44,390 --> 01:10:40,800

me other than it's your fault

1524

01:10:47,430 --> 01:10:44,400

not us i think we've nailed them

1525

01:10:47,910 --> 01:10:47,440

like they can't they can't say that it's

1526

01:10:51,270 --> 01:10:47,920

not

1527

01:10:54,950 --> 01:10:51,280

their issue um

1528

01:10:56,870 --> 01:10:54,960

yeah bg says sorry steve i'm too

1529

01:10:58,550 --> 01:10:56,880

buggered yeah apparently everybody's too

1530

01:11:01,990 --> 01:10:58,560

buggered

1531

01:11:05,750 --> 01:11:02,000

prank magic was like yeah i'm i

1532

01:11:09,189 --> 01:11:05,760

i snorted this eight ball earlier today

1533

01:11:13,030 --> 01:11:09,199

and then i just uh yeah

1534

01:11:16,470 --> 01:11:13,040

i drank two fifths of vodka and i'm like

1535

01:11:20,310 --> 01:11:16,480

kind of just chilling okay

1536

01:11:27,910 --> 01:11:20,320

bro he was coming down you know

1537

01:11:33,270 --> 01:11:29,590

kelly boss says have a good night

1538

01:11:35,189 --> 01:11:33,280

everyone good job on the show stephen

1539

01:11:37,189 --> 01:11:35,199

yeah jay roach that is a great story the

1540

01:11:38,870 --> 01:11:37,199

aerial school to this day

1541

01:11:40,310 --> 01:11:38,880

made me a believer and for those who

1542

01:11:41,910 --> 01:11:40,320

don't know that's a group of school

1543

01:11:45,110 --> 01:11:41,920

children that saw

1544

01:11:47,430 --> 01:11:45,120

a flying saucer land and aliens and all

1545

01:11:48,070 --> 01:11:47,440

manner of things and even 20 years later

1546

01:11:50,550 --> 01:11:48,080

they still

1547

01:11:51,910 --> 01:11:50,560

all stand by their stories of what it is

1548

01:11:54,229 --> 01:11:51,920

that they saw

1549

01:12:00,630 --> 01:11:54,239

felt and experienced it's an amazing

1550

01:12:04,229 --> 01:12:02,630

we have not covered that story actually

1551

01:12:07,990 --> 01:12:04,239
and we're probably going to do

1552

01:12:11,270 --> 01:12:08,000
so in the future

1553

01:12:16,070 --> 01:12:11,280
mh my sleeping pregnant wife would kill

1554

01:12:16,080 --> 01:12:19,189
uh

1555

01:12:19,199 --> 01:12:26,630
i understand that

1556

01:12:29,990 --> 01:12:28,310
digital communist by the way when is the

1557

01:12:31,910 --> 01:12:30,000
second part about good old

1558

01:12:33,910 --> 01:12:31,920
richard dolan coming out come on man you

1559

01:12:35,990 --> 01:12:33,920
know i still have notes

1560

01:12:37,830 --> 01:12:36,000
i listened to five hours of him trying

1561

01:12:38,390 --> 01:12:37,840
to prove that wilson documents were real

1562

01:12:40,149 --> 01:12:38,400
or him

1563

01:12:42,070 --> 01:12:40,159

have a she'll come on to try to prove

1564

01:12:44,070 --> 01:12:42,080

that the wilson documents were real

1565

01:12:45,270 --> 01:12:44,080

i made all these notes maybe we will get

1566

01:12:47,110 --> 01:12:45,280

back to that

1567

01:12:48,830 --> 01:12:47,120

but it's kind of like kicking a dead

1568

01:12:52,790 --> 01:12:48,840

horse to me

1569

01:12:53,189 --> 01:12:52,800

uh yeah keep the streams coming j roach

1570

01:12:54,950 --> 01:12:53,199

very

1571

01:12:56,470 --> 01:12:54,960

kind comment thank you for your kindness

1572

01:12:58,630 --> 01:12:56,480

and uh your support says keep the

1573

01:13:00,470 --> 01:12:58,640

streams coming stephen good work

1574

01:13:02,470 --> 01:13:00,480

yeah well the purpose of today's show

1575

01:13:04,870 --> 01:13:02,480

was really to just first of all

1576

01:13:07,270 --> 01:13:04,880

run a show real late at night so we can

1577

01:13:08,950 --> 01:13:07,280

test their server loads

1578

01:13:10,310 --> 01:13:08,960

and see if that has something to do with

1579

01:13:14,470 --> 01:13:10,320

the quality issue or not

1580

01:13:26,630 --> 01:13:14,480

as i suspected and uh turns out

1581

01:13:33,430 --> 01:13:32,149

so friends uh

1582

01:13:35,110 --> 01:13:33,440

yeah that's another thing i'm trying to

1583

01:13:38,550 --> 01:13:35,120

get used to running this additional

1584

01:13:43,830 --> 01:13:41,510

i really need a producer somebody that

1585

01:13:47,590 --> 01:13:43,840

knows what they're doing

1586

01:13:48,709 --> 01:13:47,600

this is you know it's amazing anything

1587

01:13:57,189 --> 01:13:48,719

works here

1588

01:14:00,790 --> 01:13:58,709

so friends i guess we're gonna wind

1589

01:14:02,790 --> 01:14:00,800

things down here it's always weird to me

1590

01:14:07,350 --> 01:14:02,800

to find like that jumping

1591

01:14:15,350 --> 01:14:11,590

sometimes it just has to do with uh

1592

01:14:18,310 --> 01:14:15,360

finding the sweet spot

1593

01:14:20,709 --> 01:14:18,320

oh here's another thing you hear that

1594

01:14:22,709 --> 01:14:20,719

that's me clicking a mouse

1595

01:14:24,870 --> 01:14:22,719

i was joking before about people

1596

01:14:26,630 --> 01:14:24,880

complaining about every little thing

1597

01:14:28,390 --> 01:14:26,640

somebody sent me an email telling me to

1598

01:14:31,910 --> 01:14:28,400

get a quieter mouse or a noise

1599

01:14:34,070 --> 01:14:31,920

cancelling microphone because that

1600

01:14:39,350 --> 01:14:34,080

clicking microphone sound is very

1601
01:14:45,350 --> 01:14:42,550
and uh

1602
01:14:47,669 --> 01:14:45,360
yeah this isn't this if you're looking

1603
01:14:49,270 --> 01:14:47,679
for a professional show go elsewhere

1604
01:14:50,870 --> 01:14:49,280
yeah but this is just my point it's like

1605
01:14:53,669 --> 01:14:50,880
every little thing somebody's

1606
01:14:55,990 --> 01:14:53,679
complaining about the mouse clicking is

1607
01:14:58,790 --> 01:14:56,000
come on man i have to work the show

1608
01:15:02,149 --> 01:14:58,800
myself therefore i have to click a mouse

1609
01:15:03,590 --> 01:15:02,159
and uh this i was thinking like this

1610
01:15:04,149 --> 01:15:03,600
means that i'm going to spend all day

1611
01:15:06,149 --> 01:15:04,159
tomorrow

1612
01:15:07,669 --> 01:15:06,159
going through a box of mice that i have

1613
01:15:09,590 --> 01:15:07,679

in the garage trying to find the

1614

01:15:13,189 --> 01:15:09,600

quietest clicking mouse

1615

01:15:16,070 --> 01:15:13,199

so that people don't complain anymore

1616

01:15:16,630 --> 01:15:16,080

jay roach why can't i super chat you bro

1617

01:15:19,270 --> 01:15:16,640

uh

1618

01:15:20,229 --> 01:15:19,280

i because we've been waiting people keep

1619

01:15:24,070 --> 01:15:20,239

asking and i'm

1620

01:15:25,590 --> 01:15:24,080

this annoys me to no end j roach

1621

01:15:27,430 --> 01:15:25,600

seven or so weeks ago we hit the

1622

01:15:29,350 --> 01:15:27,440

threshold for monetization the numbers

1623

01:15:31,350 --> 01:15:29,360

that youtube requires right

1624

01:15:32,790 --> 01:15:31,360

i waited an additional two weeks just to

1625

01:15:34,229 --> 01:15:32,800

make sure that we would get even more

1626

01:15:36,550 --> 01:15:34,239

subscribers so that it wouldn't

1627

01:15:38,470 --> 01:15:36,560

dip below their requirements by the time

1628

01:15:42,149 --> 01:15:38,480

they reviewed the channel

1629

01:15:43,910 --> 01:15:42,159

um so we've been waiting five weeks

1630

01:15:46,630 --> 01:15:43,920

i believe right now for them to turn on

1631

01:15:48,229 --> 01:15:46,640

the super chat donations in the meantime

1632

01:15:50,070 --> 01:15:48,239

uh we have something called the not so

1633

01:15:53,430 --> 01:15:50,080

super chat donations in which

1634

01:15:56,229 --> 01:15:53,440

you can just

1635

01:15:58,750 --> 01:15:56,239

you can send a paypal donation with a

1636

01:16:01,669 --> 01:15:58,760

note to truthseeker's show

1637

01:16:03,510 --> 01:16:01,679

gmail.com and then i shout it out on air

1638

01:16:05,430 --> 01:16:03,520

whatever it is that you write and thank

1639

01:16:06,310 --> 01:16:05,440

you profusely for your kindness your

1640

01:16:09,110 --> 01:16:06,320

generosity

1641

01:16:09,910 --> 01:16:09,120

and your support the other way that you

1642

01:16:14,229 --> 01:16:09,920

could do that

1643

01:16:19,110 --> 01:16:16,870

oh yeah so here's the donation the not

1644

01:16:21,910 --> 01:16:19,120

so super chat donation send a paypal

1645

01:16:23,910 --> 01:16:21,920

donation to seeker show gmail.com

1646

01:16:25,910 --> 01:16:23,920

make sure please include your chat room

1647

01:16:28,950 --> 01:16:25,920

user id and note line in any message

1648

01:16:33,430 --> 01:16:28,960

that you'd like for me to shout out

1649

01:16:35,110 --> 01:16:33,440

and uh that's what we do in the meantime

1650

01:16:37,110 --> 01:16:35,120

while we're waiting for these super chat

1651

01:16:39,669 --> 01:16:37,120

donations to be turned on

1652

01:16:41,030 --> 01:16:39,679

and i hate it every time somebody asks

1653

01:16:43,030 --> 01:16:41,040

why can't i super chat

1654

01:16:45,350 --> 01:16:43,040

you because that meant they were going

1655

01:16:47,189 --> 01:16:45,360

to and that extra step involved with

1656

01:16:49,830 --> 01:16:47,199

going to paypal i know it's

1657

01:16:50,709 --> 01:16:49,840

a hassle friends everybody wants to do

1658

01:16:52,709 --> 01:16:50,719

the super chats

1659

01:16:55,270 --> 01:16:52,719

i want them to be on trust me i want

1660

01:16:57,830 --> 01:16:55,280

them to be on

1661

01:17:00,390 --> 01:16:57,840

we are losing money potential money

1662

01:17:03,510 --> 01:17:00,400

every day that they make me wait

1663

01:17:05,189 --> 01:17:03,520

past you know the reasonable time frame

1664

01:17:07,590 --> 01:17:05,199

which i was told is a month takes about

1665

01:17:10,950 --> 01:17:07,600

a month for them to review the channel

1666

01:17:12,790 --> 01:17:10,960

um we're way beyond the month uh

1667

01:17:14,070 --> 01:17:12,800

might even be up to six weeks now that

1668

01:17:16,950 --> 01:17:14,080

we've been waiting

1669

01:17:18,310 --> 01:17:16,960

for them to turn them turn it on it's

1670

01:17:19,910 --> 01:17:18,320

again this is another one of those

1671

01:17:21,830 --> 01:17:19,920

things it's like

1672

01:17:22,950 --> 01:17:21,840

i can't do anything i just got to wait

1673

01:17:24,550 --> 01:17:22,960

on them and hope

1674

01:17:26,149 --> 01:17:24,560

every day every day i check every

1675

01:17:28,310 --> 01:17:26,159

morning when i get up i check

1676

01:17:32,229 --> 01:17:28,320

is it that they turn it on and every day

1677

01:17:37,910 --> 01:17:36,229

okay chris 77 with another

1678

01:17:39,270 --> 01:17:37,920

very supportive comment i always look

1679

01:17:41,350 --> 01:17:39,280

forward to your streams especially

1680

01:17:42,709 --> 01:17:41,360

when we get to laugh at the fraudsters

1681

01:17:45,110 --> 01:17:42,719

yeah we're going to try to do a little

1682

01:17:47,990 --> 01:17:45,120

bit more of that right

1683

01:17:49,030 --> 01:17:48,000

yeah click click click yeah i'm sorry

1684

01:17:50,790 --> 01:17:49,040

that i have to work

1685

01:17:52,229 --> 01:17:50,800

everything on the show by myself which

1686

01:17:53,750 --> 01:17:52,239

requires me to click a mouse

1687

01:17:55,590 --> 01:17:53,760

and i'm sorry if that bothers some

1688

01:17:57,830 --> 01:17:55,600

people um

1689

01:17:58,709 --> 01:17:57,840

and you know you know maybe i just have

1690

01:18:00,630 --> 01:17:58,719

to get an

1691

01:18:01,990 --> 01:18:00,640

even thicker skin like i thought i had a

1692

01:18:03,830 --> 01:18:02,000

pretty thick skin but

1693

01:18:06,870 --> 01:18:03,840

with all the people that complain

1694

01:18:12,630 --> 01:18:06,880

constantly about stupid things like that

1695

01:18:14,790 --> 01:18:12,640

it starts to bother me like

1696

01:18:15,830 --> 01:18:14,800

you know or i guess you know my other

1697

01:18:17,350 --> 01:18:15,840

answer to the

1698

01:18:19,270 --> 01:18:17,360

some of these critics is going to be

1699

01:18:23,510 --> 01:18:19,280

like well here's what you do

1700

01:18:26,630 --> 01:18:23,520

um find me the quietest males

1701

01:18:30,070 --> 01:18:26,640

that you can right order 25

1702

01:18:31,030 --> 01:18:30,080

mice and test them all for click noise

1703

01:18:34,149 --> 01:18:31,040

right like

1704

01:18:36,950 --> 01:18:34,159

how loud is the click of the mails

1705

01:18:37,750 --> 01:18:36,960

right and once you've found the right

1706

01:18:39,990 --> 01:18:37,760

model

1707

01:18:41,110 --> 01:18:40,000

send me a paypal donation and i will buy

1708

01:18:44,790 --> 01:18:41,120

that

1709

01:18:49,350 --> 01:18:44,800

model of quiet click mails just for you

1710

01:18:54,709 --> 01:18:49,360

okay i guess that'll be my answer

1711

01:18:58,070 --> 01:18:54,719

for some of this stuff

1712

01:19:04,149 --> 01:18:59,350

there's something else that i was going

1713

01:19:08,950 --> 01:19:06,790

of course it escapes me right now click

1714

01:19:13,830 --> 01:19:08,960

equals kill confirmed

1715

01:19:16,550 --> 01:19:13,840

yeah renee miss genocide is here

1716

01:19:18,950 --> 01:19:16,560

better late than never greetings and

1717

01:19:20,630 --> 01:19:18,960

salutations miss genocide and it is very

1718

01:19:30,550 --> 01:19:20,640

good to see you here you are most

1719

01:19:36,229 --> 01:19:34,310

yes so uh i don't know friends

1720

01:19:37,910 --> 01:19:36,239

this whole show tonight was just about

1721

01:19:41,270 --> 01:19:37,920

testing the

1722

01:19:41,830 --> 01:19:41,280

quality of both video and audio of the

1723

01:19:45,189 --> 01:19:41,840

stream

1724

01:19:48,630 --> 01:19:45,199

twitch

1725

01:19:52,550 --> 01:19:48,640

dot tv backslash truth seeker show

1726

01:19:55,430 --> 01:19:52,560

uh facebook live my my facebook page

1727

01:19:57,430 --> 01:19:55,440

and our youtube channel here and looks

1728

01:19:59,910 --> 01:19:57,440

like everything went

1729

01:20:01,910 --> 01:19:59,920

better than i expected i expected it was

1730

01:20:04,310 --> 01:20:01,920

gonna be a little choppy

1731

01:20:08,629 --> 01:20:04,320

perfectly crystal clean and clear for

1732

01:20:13,350 --> 01:20:10,149

you know and i thought it might be an

1733

01:20:15,110 --> 01:20:13,360

issue with the um

1734

01:20:16,870 --> 01:20:15,120

i thought it might be an issue with the

1735

01:20:19,189 --> 01:20:16,880

processing of the videos but i don't

1736

01:20:21,510 --> 01:20:19,199

think so i'm going to check in

1737

01:20:24,550 --> 01:20:21,520

watch check the videos again tomorrow or

1738

01:20:27,990 --> 01:20:26,870

doesn't appear to be a processing issue

1739

01:20:30,790 --> 01:20:28,000

or that same

1740

01:20:32,229 --> 01:20:30,800

weird choppiness and bad quality

1741

01:20:33,110 --> 01:20:32,239

wouldn't be on all three of the

1742

01:20:38,629 --> 01:20:33,120

locations

1743

01:20:41,830 --> 01:20:40,790

so if anybody has any suggestions for

1744

01:20:44,070 --> 01:20:41,840

upcoming

1745

01:20:45,110 --> 01:20:44,080

topics of discussion or shows we could

1746

01:20:47,510 --> 01:20:45,120

have or for

1747

01:20:48,709 --> 01:20:47,520

guests i'm all ears again i'm going to

1748

01:20:53,669 --> 01:20:48,719

share my

1749

01:20:53,679 --> 01:20:57,510

one second

1750

01:21:00,990 --> 01:20:59,189

i'm going to share the show email

1751

01:21:05,030 --> 01:21:01,000

addresses truthseekershell

1752

01:21:07,110 --> 01:21:05,040

gmail.com if you

1753

01:21:09,110 --> 01:21:07,120

want to be a guest on the show you have

1754

01:21:13,270 --> 01:21:09,120

a mysterious

1755

01:21:15,669 --> 01:21:13,280

strange or esoteric

1756

01:21:16,390 --> 01:21:15,679

experience that you'd like to share we'd

1757

01:21:19,629 --> 01:21:16,400

like to hear

1758

01:21:22,950 --> 01:21:19,639

your story email me at truthseekershow

1759

01:21:24,550 --> 01:21:22,960

gmail.com if you know somebody that may

1760

01:21:26,070 --> 01:21:24,560

want to be a guest please get them in

1761

01:21:28,629 --> 01:21:26,080

touch with us

1762

01:21:32,550 --> 01:21:28,639

i would sincerely appreciate that uh

1763

01:21:35,990 --> 01:21:35,270

hopefully find uh some new guests to

1764

01:21:39,350 --> 01:21:36,000

talk to

1765

01:21:41,030 --> 01:21:39,360

i'd like to do at least three interviews

1766

01:21:44,310 --> 01:21:41,040

a week

1767

01:21:47,270 --> 01:21:44,320

going forward which is uh

1768

01:21:48,790 --> 01:21:47,280

ambitious goal for sure right uh but

1769

01:21:54,870 --> 01:21:48,800

we'll see

1770

01:21:55,990 --> 01:21:54,880

a few people have asked me about the are

1771

01:21:59,350 --> 01:21:56,000

you you're not doing a show

1772

01:22:00,470 --> 01:21:59,360

every day five days a week five or six

1773

01:22:03,830 --> 01:22:00,480

days a week

1774

01:22:07,430 --> 01:22:03,840

and the answer is really no

1775

01:22:09,750 --> 01:22:07,440

but i will if i can in other words

1776

01:22:11,510 --> 01:22:09,760

we have a philosophy here called no

1777

01:22:14,550 --> 01:22:11,520

schedule and rocking

1778

01:22:17,030 --> 01:22:14,560

which means when i

1779

01:22:18,149 --> 01:22:17,040

have time and i do a show i try to do a

1780

01:22:20,070 --> 01:22:18,159

good show

1781

01:22:21,350 --> 01:22:20,080

and if i don't feel that i have enough

1782

01:22:23,830 --> 01:22:21,360

material or

1783

01:22:24,950 --> 01:22:23,840

good stuff to talk about to do a really

1784

01:22:27,990 --> 01:22:24,960

good quality show

1785

01:22:31,430 --> 01:22:28,000

then i wait until i do

1786

01:22:33,430 --> 01:22:31,440

um and that that my friends is just the

1787

01:22:36,870 --> 01:22:33,440

reality

1788

01:22:39,110 --> 01:22:36,880

and i don't i just don't like when

1789

01:22:40,310 --> 01:22:39,120

i see shows where people just you know

1790

01:22:43,030 --> 01:22:40,320

go live and talk about

1791

01:22:43,750 --> 01:22:43,040

nothing or whatever it just sometimes it

1792

01:22:46,070 --> 01:22:43,760

works

1793

01:22:47,830 --> 01:22:46,080

it worked for us tonight so who am i to

1794

01:22:52,310 --> 01:22:47,840

judge right

1795

01:22:54,790 --> 01:22:52,320

but this really was this really was uh

1796

01:22:56,470 --> 01:22:54,800

last minute and really just to test i'm

1797

01:22:58,229 --> 01:22:56,480

here really just to test

1798

01:23:00,149 --> 01:22:58,239

the technical thing what i thought if we

1799

01:23:03,669 --> 01:23:00,159

could talk about some things

1800

01:23:06,550 --> 01:23:03,679

and give time to the live chat um

1801
01:23:08,229 --> 01:23:06,560
and catch sort of catch up with a lot of

1802
01:23:11,830 --> 01:23:08,239
our live chat participants

1803
01:23:12,070 --> 01:23:11,840
and regulars here great renee miss jonas

1804
01:23:15,669 --> 01:23:12,080
i

1805
01:23:17,430 --> 01:23:15,679
for uh people that have had ufo

1806
01:23:18,790 --> 01:23:17,440
experiences people that have had ghost

1807
01:23:20,229 --> 01:23:18,800
experiences people that have had near

1808
01:23:22,149 --> 01:23:20,239
near-death experiences

1809
01:23:23,990 --> 01:23:22,159
abduction experiences bigfoot

1810
01:23:26,790 --> 01:23:24,000
experiences cryptic creature

1811
01:23:27,350 --> 01:23:26,800
experiences somebody who's written a

1812
01:23:30,790 --> 01:23:27,360
book

1813
01:23:32,709 --> 01:23:30,800

about any cool topic

1814

01:23:33,990 --> 01:23:32,719

right i like interviewing authors

1815

01:23:36,310 --> 01:23:34,000

because i get to read their

1816

01:23:38,229 --> 01:23:36,320

books and sort of get into their minds

1817

01:23:41,590 --> 01:23:38,239

before i do the interview

1818

01:23:44,870 --> 01:23:41,600

i'm really enjoying uh this

1819

01:23:47,669 --> 01:23:44,880

book by dave halperin

1820

01:23:48,310 --> 01:23:47,679

oh i can't oh here it is friends yeah so

1821

01:23:50,709 --> 01:23:48,320

this is an

1822

01:23:51,669 --> 01:23:50,719

upcoming uh this is going to be one of

1823

01:23:55,110 --> 01:23:51,679

our upcoming

1824

01:23:58,390 --> 01:23:55,120

guests uh he's the author of the book

1825

01:24:02,229 --> 01:23:58,400

intimate alien it's

1826

01:24:05,669 --> 01:24:02,239

the hidden history of the ufo by david j

1827

01:24:06,629 --> 01:24:05,679

halperin um i'm almost through it i want

1828

01:24:07,750 --> 01:24:06,639

to finish the book

1829

01:24:09,750 --> 01:24:07,760

and then we're going to interview the

1830

01:24:10,629 --> 01:24:09,760

author and i'm sure that's going to be a

1831

01:24:14,390 --> 01:24:10,639

really

1832

01:24:18,950 --> 01:24:16,390

her name is genocide says i love the

1833

01:24:20,629 --> 01:24:18,960

hangouts yeah well good uh that's why

1834

01:24:22,629 --> 01:24:20,639

you know listen i haven't done just a

1835

01:24:23,990 --> 01:24:22,639

let's go live and talk to the live chat

1836

01:24:26,629 --> 01:24:24,000

in a while

1837

01:24:27,750 --> 01:24:26,639

and honestly i suffer from live chat

1838

01:24:30,470 --> 01:24:27,760

guilt

1839

01:24:32,550 --> 01:24:30,480

right what do i mean i mean sometimes

1840

01:24:35,669 --> 01:24:32,560

especially when you have guests

1841

01:24:36,629 --> 01:24:35,679

you know uh there's not enough time to

1842

01:24:39,669 --> 01:24:36,639

interview the guests

1843

01:24:41,990 --> 01:24:39,679

and give really good adequate

1844

01:24:43,030 --> 01:24:42,000

attention and time to the participants

1845

01:24:44,950 --> 01:24:43,040

in the live chat

1846

01:24:47,030 --> 01:24:44,960

you know it's like a balancing act so

1847

01:24:48,709 --> 01:24:47,040

every once in a while maybe i'll just do

1848

01:24:50,629 --> 01:24:48,719

a show like this where we just catch up

1849

01:24:52,709 --> 01:24:50,639

with everybody in the live chat

1850

01:24:54,550 --> 01:24:52,719

it would be better if it was announced

1851
01:24:56,790 --> 01:24:54,560
in advance and planned this way people

1852
01:25:00,070 --> 01:24:56,800
who have specific questions or

1853
01:25:02,950 --> 01:25:00,080
suggestions or want to talk to me

1854
01:25:03,510 --> 01:25:02,960
a little more directly when we do these

1855
01:25:06,550 --> 01:25:03,520
uh

1856
01:25:13,510 --> 01:25:06,560
more live chat center

1857
01:25:15,669 --> 01:25:13,520
kind of a deal we'll know to show up

1858
01:25:19,189 --> 01:25:15,679
is it about aliens that want to get

1859
01:25:25,669 --> 01:25:22,390
uh not so much no it's more about the

1860
01:25:28,870 --> 01:25:25,679
spiritual and consciousness

1861
01:25:33,350 --> 01:25:28,880
it's sort of a look at the history and

1862
01:25:37,110 --> 01:25:35,830
mr halpern has a background in religious

1863
01:25:40,149 --> 01:25:37,120

studies specifically

1864

01:25:43,189 --> 01:25:40,159

old testament bible um

1865

01:25:44,550 --> 01:25:43,199

i believe so it's an interesting

1866

01:25:46,550 --> 01:25:44,560

perspective that he

1867

01:25:48,070 --> 01:25:46,560

gives and it's a different kind of a ufo

1868

01:25:51,510 --> 01:25:48,080

book it's not so much about

1869

01:25:55,350 --> 01:25:51,520

nuts and bolts and you know

1870

01:25:58,390 --> 01:25:55,360

machinery it's more about consciousness

1871

01:26:00,350 --> 01:25:58,400

and the religious implications

1872

01:26:01,990 --> 01:26:00,360

uh and maybe a little bit of

1873

01:26:05,030 --> 01:26:02,000

interdimensionality

1874

01:26:07,189 --> 01:26:05,040

that may be at work with this this ufo

1875

01:26:10,870 --> 01:26:07,199

phenomenon

1876

01:26:13,990 --> 01:26:10,880

and i believe like the hidden history

1877

01:26:15,750 --> 01:26:14,000

you know that is a good

1878

01:26:17,830 --> 01:26:15,760

that is a good way to put it the hidden

1879

01:26:21,270 --> 01:26:17,840

story of the ufo

1880

01:26:23,110 --> 01:26:21,280

um because

1881

01:26:24,950 --> 01:26:23,120

a lot of people attack the nuts and

1882

01:26:26,790 --> 01:26:24,960

bolts angle but very few people are

1883

01:26:29,350 --> 01:26:26,800

going at it from the consciousness

1884

01:26:30,390 --> 01:26:29,360

uh angle i know that grant cameron did a

1885

01:26:32,709 --> 01:26:30,400

huge

1886

01:26:34,149 --> 01:26:32,719

you know uh pivot in his sort of

1887

01:26:36,149 --> 01:26:34,159

research and he really got into the

1888

01:26:39,910 --> 01:26:36,159

consciousness side it's all part

1889

01:26:43,030 --> 01:26:39,920

it's all from consciousness um

1890

01:26:47,270 --> 01:26:43,040

it's all perception

1891

01:26:52,070 --> 01:26:47,280

and consciousness and that may be uh

1892

01:26:52,080 --> 01:26:58,550

avenue of pursuit right

1893

01:26:58,560 --> 01:27:07,189

okay friends so uh we have been here

1894

01:27:07,199 --> 01:27:14,790

for 90 minutes or so

1895

01:27:19,350 --> 01:27:17,590

so now's a good time as any for me to

1896

01:27:20,390 --> 01:27:19,360

bail out of here and try to get some

1897

01:27:21,910 --> 01:27:20,400

rest

1898

01:27:23,189 --> 01:27:21,920

i'm having a real hard time sleeping

1899

01:27:24,950 --> 01:27:23,199

lately which is probably the other

1900

01:27:26,149 --> 01:27:24,960

reason why i'm doing this because i can

1901

01:27:29,750 --> 01:27:26,159

stare at the ceiling

1902

01:27:35,910 --> 01:27:29,760

uh or i can feel at least like i

1903

01:27:40,470 --> 01:27:39,030

oh chris 77 let me check in with that

1904

01:27:43,590 --> 01:27:40,480

for you i appreciate you

1905

01:27:45,030 --> 01:27:43,600

uh i appreciate you letting me know i'm

1906

01:27:51,270 --> 01:27:45,040

sorry

1907

01:27:51,280 --> 01:27:56,149

yes uh so

1908

01:28:00,709 --> 01:27:58,709

chris 77 asked did my paypal donation

1909

01:28:03,750 --> 01:28:00,719

work i forgot a note

1910

01:28:06,149 --> 01:28:03,760

uh yes it did and uh let me just do

1911

01:28:09,270 --> 01:28:06,159

something here real quick

1912

01:28:14,149 --> 01:28:11,590

one second so i want to thank chris 77

1913

01:28:18,229 --> 01:28:14,159

for a kind and generous

1914

01:28:19,750 --> 01:28:18,239

paypal donation of ten dollars

1915

01:28:21,510 --> 01:28:19,760

it's okay that you forgot to note as

1916

01:28:22,870 --> 01:28:21,520

long as you let me know so i don't wanna

1917

01:28:24,709 --> 01:28:22,880

you know how

1918

01:28:26,550 --> 01:28:24,719

i get people's real name sometimes when

1919

01:28:28,070 --> 01:28:26,560

they send a paypal donation

1920

01:28:30,149 --> 01:28:28,080

and i know a lot of people would prefer

1921

01:28:32,310 --> 01:28:30,159

that i don't shout out their real name

1922

01:28:35,350 --> 01:28:32,320

so i won't do that i will instead

1923

01:28:37,350 --> 01:28:35,360

uh give my gratitude and my support or

1924

01:28:38,950 --> 01:28:37,360

my gratitude and my sincere thanks to

1925

01:28:42,629 --> 01:28:38,960

chris 77

1926

01:28:44,950 --> 01:28:42,639

for a kind and generous 10 donation

1927

01:28:46,790 --> 01:28:44,960

and again there's paypal donate is in

1928

01:28:50,070 --> 01:28:46,800

the about section

1929

01:28:53,390 --> 01:28:50,080

uh of our site or

1930

01:28:56,870 --> 01:28:53,400

you just send a paypal to

1931

01:28:59,270 --> 01:28:56,880

truthseekershow gmail.com

1932

01:29:15,590 --> 01:28:59,280

and one second i wanted to do i wanted

1933

01:29:31,990 --> 01:29:27,030

one second

1934

01:29:37,110 --> 01:29:35,350

i hate the dead air i hate that air

1935

01:29:39,910 --> 01:29:37,120

even with the music playing if i'm not

1936

01:29:43,270 --> 01:29:39,920

talking it still feels to me

1937

01:29:43,280 --> 01:29:50,830

okay one second now i got it

1938

01:29:56,149 --> 01:29:54,550

okay yeah it's been really amazing to me

1939

01:29:57,430 --> 01:29:56,159

that so many people care enough about

1940

01:29:59,350 --> 01:29:57,440

the show that's willing to

1941

01:30:00,870 --> 01:29:59,360

throw me a couple of bucks to keep this

1942

01:30:05,669 --> 01:30:00,880

thing rolling

1943

01:30:09,430 --> 01:30:08,229

okay boy that took a lot longer than it

1944

01:30:12,070 --> 01:30:09,440

should have

1945

01:30:12,950 --> 01:30:12,080

uh so we had a kind donation of ten

1946

01:30:15,830 --> 01:30:12,960

dollars from

1947

01:30:17,350 --> 01:30:15,840

chris 77 thanks so much chris 77 for

1948

01:30:19,350 --> 01:30:17,360

supporting the show

1949

01:30:22,229 --> 01:30:19,360

it really does help to keep the show

1950

01:30:27,030 --> 01:30:25,110

wow through the generosity and support

1951

01:30:27,430 --> 01:30:27,040

of our viewers we're able to keep the

1952

01:30:29,590 --> 01:30:27,440

show

1953

01:30:31,830 --> 01:30:29,600

rolling forward so if you like what we

1954

01:30:34,390 --> 01:30:31,840

do here and you want to see it continue

1955

01:30:35,590 --> 01:30:34,400

i really would appreciate if you could

1956

01:30:38,709 --> 01:30:35,600

throw us a couple of bucks

1957

01:30:42,229 --> 01:30:38,719

failing that the best way to

1958

01:30:46,149 --> 01:30:42,239

uh the best way to support us

1959

01:30:48,709 --> 01:30:46,159

is to like comment and subscribe

1960

01:30:50,390 --> 01:30:48,719

right that won't cost you anything and

1961

01:30:53,110 --> 01:30:50,400

really does help

1962

01:30:55,030 --> 01:30:53,120

uh the youtube algorithm especially

1963

01:30:58,149 --> 01:30:55,040

likes interaction so please

1964

01:31:01,830 --> 01:30:58,159

please definitely smash the like button

1965

01:31:03,830 --> 01:31:01,840

that helps helps us in the search engine

1966

01:31:07,910 --> 01:31:03,840

helps us to find more people

1967

01:31:08,229 --> 01:31:07,920

and i i'm uh actually amazed there was

1968

01:31:10,790 --> 01:31:08,239

not

1969

01:31:13,110 --> 01:31:10,800

one down vote tonight no thumbs downs

1970

01:31:16,870 --> 01:31:13,120

tonight only thumbs up

1971

01:31:19,430 --> 01:31:16,880

um the haters must be sleeping

1972

01:31:21,270 --> 01:31:19,440

my favorite is when people thumbs down

1973

01:31:28,550 --> 01:31:21,280

the show before it even starts

1974

01:31:32,870 --> 01:31:31,030

her name is genocide says i understand

1975

01:31:33,669 --> 01:31:32,880

stephen i have a horrible time sleeping

1976

01:31:37,189 --> 01:31:33,679

at night

1977

01:31:39,110 --> 01:31:37,199

yeah it really is

1978

01:31:40,629 --> 01:31:39,120

i just can't sleep i have too much on my

1979

01:31:44,149 --> 01:31:40,639

mind my mind races

1980

01:31:47,270 --> 01:31:44,159

i can't settle down i can't relax

1981

01:31:48,870 --> 01:31:47,280

right and then my wife kind of says like

1982

01:31:52,149 --> 01:31:48,880

i don't know how to sleep i know how to

1983

01:31:53,590 --> 01:31:52,159

pass out so drinking is an issue as well

1984

01:31:56,149 --> 01:31:53,600

like sometimes i feel like if i don't

1985

01:31:59,510 --> 01:31:56,159

have you know

1986

01:32:01,110 --> 01:31:59,520

six or ten beers i'm not gonna my mind

1987

01:32:04,149 --> 01:32:01,120

just doesn't settle

1988

01:32:07,189 --> 01:32:04,159

enough to go to sleep and uh i have to

1989

01:32:12,390 --> 01:32:10,470

sort of uh some meditation

1990

01:32:13,750 --> 01:32:12,400

get back to more meditation practice i

1991

01:32:16,470 --> 01:32:13,760

think that may

1992

01:32:17,350 --> 01:32:16,480

ease my insomnia problem i realize

1993

01:32:19,750 --> 01:32:17,360

lately that

1994

01:32:21,270 --> 01:32:19,760

if i slack off of doing what i need to

1995

01:32:23,910 --> 01:32:21,280

be doing there

1996

01:32:25,350 --> 01:32:23,920

i have issues like the inability to

1997

01:32:28,229 --> 01:32:25,360

sleep or relax

1998

01:32:29,270 --> 01:32:28,239

and more anxiety than usual it really is

1999

01:32:32,470 --> 01:32:29,280

beneficial to

2000

01:32:35,590 --> 01:32:34,709

to spend some time at least 20 minutes a

2001

01:32:39,189 --> 01:32:35,600

day

2002

01:32:43,350 --> 01:32:41,510

my name is genocide everyone has at

2003

01:32:46,390 --> 01:32:43,360

least one ghost or paranormal

2004

01:32:48,950 --> 01:32:46,400

event yeah uh i believe that

2005

01:32:54,390 --> 01:32:48,960

i mean i had a paranormal event right

2006

01:32:56,550 --> 01:32:54,400

and a lot of people that i know

2007

01:32:57,750 --> 01:32:56,560

okay mh says thanks for the stream look

2008

01:33:02,709 --> 01:32:57,760

forward to future

2009

01:33:07,110 --> 01:33:05,030

v is here and says champion never sleeps

2010

01:33:09,510 --> 01:33:07,120

for sure a cia vampire

2011

01:33:11,350 --> 01:33:09,520

yeah i have insomnia plus we really

2012

01:33:12,950 --> 01:33:11,360

needed to do another stream just to test

2013

01:33:15,590 --> 01:33:12,960

the quality of the stream because it was

2014

01:33:19,110 --> 01:33:15,600

horrible on the earlier show

2015

01:33:23,110 --> 01:33:21,990

chris spaghetti asking do you use smoke

2016

01:33:26,709 --> 01:33:23,120

mary jane

2017

01:33:29,910 --> 01:33:26,719

uh yes i uh actually

2018

01:33:30,950 --> 01:33:29,920

am a medical marijuana user now for

2019

01:33:34,070 --> 01:33:30,960

those who don't know i

2020

01:33:38,709 --> 01:33:34,080

had a brain aneurysm some time ago

2021

01:33:42,550 --> 01:33:38,719

and have uh condition called neuropathy

2022

01:33:45,750 --> 01:33:42,560

uh in the area around

2023

01:33:48,229 --> 01:33:45,760

where the brain aneurysm was um

2024

01:33:49,270 --> 01:33:48,239

for the longest time i was on opiates

2025

01:33:51,750 --> 01:33:49,280

but

2026

01:33:52,950 --> 01:33:51,760

most like most people i find opiates to

2027

01:33:56,149 --> 01:33:52,960

be very dangerous

2028

01:33:58,470 --> 01:33:56,159

addictive and uh detrimental

2029

01:34:00,550 --> 01:33:58,480

uh to especially if you want to actually

2030

01:34:03,110 --> 01:34:00,560

do things you have to function

2031

01:34:03,750 --> 01:34:03,120

i think they take away the pain but they

2032

01:34:07,830 --> 01:34:03,760

take away

2033

01:34:12,149 --> 01:34:07,840

all ambition too right

2034

01:34:15,430 --> 01:34:12,159

so i've opted to use cannabis

2035

01:34:16,709 --> 01:34:15,440

and uh found that that is much more

2036

01:34:19,350 --> 01:34:16,719

effective

2037

01:34:20,310 --> 01:34:19,360

for my medical treatment than any

2038

01:34:23,270 --> 01:34:20,320

prescription

2039

01:34:24,709 --> 01:34:23,280

opiate for sure the quality of my life

2040

01:34:28,070 --> 01:34:24,719

has certainly increased

2041

01:34:35,030 --> 01:34:28,080

since i am no longer taking opiates of

2042

01:34:40,310 --> 01:34:37,270

chris spaghetti says sounds a lot better

2043

01:34:42,470 --> 01:34:40,320

on become dependent

2044

01:34:43,510 --> 01:34:42,480

yeah nobody wants to become dependent on

2045

01:34:48,070 --> 01:34:43,520

that stuff

2046

01:34:51,430 --> 01:34:50,229

sounds a lot better on this stream

2047

01:34:53,510 --> 01:34:51,440

thanks chris spaghetti

2048

01:34:55,669 --> 01:34:53,520

yeah i think it's the issue we've

2049

01:34:58,709 --> 01:34:55,679

tracked it down and the issue really is

2050

01:34:59,990 --> 01:34:58,719

our cloud services provider apparently

2051

01:35:02,390 --> 01:35:00,000

they don't have enough cpu

2052

01:35:03,430 --> 01:35:02,400

power to deal with the stream and then

2053

01:35:05,510 --> 01:35:03,440

it gets wonky

2054

01:35:06,709 --> 01:35:05,520

and that happens when it's busier in

2055

01:35:09,669 --> 01:35:06,719

other words when more people are

2056

01:35:18,870 --> 01:35:15,669

the quality is really bad

2057

01:35:21,510 --> 01:35:18,880

ufo gandalf says weed really is

2058

01:35:23,350 --> 01:35:21,520

indeed the best medicine well i don't

2059

01:35:26,629 --> 01:35:23,360

know about that but it's certainly

2060

01:35:30,310 --> 01:35:26,639

less detrimental than uh than

2061

01:35:33,590 --> 01:35:30,320

opiates or prescription painkillers

2062

01:35:36,709 --> 01:35:33,600

you know i i grew up in philadelphia

2063

01:35:40,149 --> 01:35:36,719

and philadelphia is like the heroin and

2064

01:35:43,350 --> 01:35:40,159

and fentanyl capital of the east coast

2065

01:35:46,070 --> 01:35:43,360

i've had a lot of friends

2066

01:35:47,430 --> 01:35:46,080

and people that i knew become addicted

2067

01:35:49,830 --> 01:35:47,440

to opiates

2068

01:35:50,470 --> 01:35:49,840

um some of them eventually onto heroin

2069

01:35:53,590 --> 01:35:50,480

and then

2070

01:35:54,550 --> 01:35:53,600

died of drug overdoses very the most

2071

01:35:59,109 --> 01:35:54,560

dangerous

2072

01:36:01,430 --> 01:35:59,119

drug in the world i believe is opiates

2073

01:36:03,750 --> 01:36:01,440

and especially these artificial variants

2074

01:36:05,430 --> 01:36:03,760

like fentanyl coming over from china

2075

01:36:06,790 --> 01:36:05,440

a lot of people in philly are dying of

2076

01:36:09,030 --> 01:36:06,800

that

2077

01:36:10,790 --> 01:36:09,040

it's very very super easy to overdose

2078

01:36:13,910 --> 01:36:10,800

from fentanyl overdose

2079

01:36:15,430 --> 01:36:13,920

from a fentanyl use right a lot some

2080

01:36:18,550 --> 01:36:15,440

people the first time they use it

2081

01:36:18,560 --> 01:36:22,870

no you know

2082

01:36:26,390 --> 01:36:25,030

no amount of pain that i would ever

2083

01:36:36,830 --> 01:36:26,400

experience physical pain

2084

01:36:43,189 --> 01:36:38,310

okay

2085

01:36:50,070 --> 01:36:47,030

yeah friends so weed and beer and you're

2086

01:36:58,550 --> 01:36:52,709

yeah everybody has their own medicine

2087

01:37:04,709 --> 01:37:01,750

mark robertson never mind this drug

2088

01:37:06,790 --> 01:37:04,719

nonsense you sort it to mike debacle

2089

01:37:10,310 --> 01:37:06,800

yet no please don't tell me that you're

2090

01:37:10,320 --> 01:37:14,070

uh yeah

2091

01:37:18,229 --> 01:37:16,790

i i don't know you know it just the

2092

01:37:21,430 --> 01:37:18,239

whole thing mark robertson

2093

01:37:24,950 --> 01:37:21,440

is this is like it's good enough

2094

01:37:27,750 --> 01:37:24,960

right okay it's not you know

2095

01:37:28,470 --> 01:37:27,760

3 000 microphone but it's broadcast

2096

01:37:30,390 --> 01:37:28,480

quality

2097

01:37:32,070 --> 01:37:30,400

it's good enough so i just don't

2098

01:37:33,350 --> 01:37:32,080

understand people complaining about the

2099

01:37:35,430 --> 01:37:33,360

microphone

2100

01:37:37,030 --> 01:37:35,440

you know like i said on a previous show

2101

01:37:40,070 --> 01:37:37,040

it's not like there's people

2102

01:37:41,510 --> 01:37:40,080

listening to my show on a 2 000 stereo

2103

01:37:44,390 --> 01:37:41,520

system they're listening on their phone

2104

01:37:47,510 --> 01:37:44,400

their laptop their desktop computer

2105

01:37:49,030 --> 01:37:47,520

maybe their tv their smart tv and i'm

2106

01:37:58,070 --> 01:37:49,040

sure

2107

01:38:02,070 --> 01:38:00,149

renee miss jonah side says i want a

2108

01:38:05,750 --> 01:38:02,080

crapload of meds and i smoke tinctures

2109

01:38:13,590 --> 01:38:09,510

yeah we gotta do what you gotta do

2110

01:38:14,390 --> 01:38:13,600

gotta get by right yeah so again i wanna

2111

01:38:18,070 --> 01:38:14,400

thank

2112

01:38:20,870 --> 01:38:18,080

both ufo gandalf for a kind and generous

2113

01:38:22,070 --> 01:38:20,880

50 donation earlier in the stream and

2114

01:38:25,189 --> 01:38:22,080

chris 77

2115

01:38:25,750 --> 01:38:25,199

for a kind donation of ten dollars you

2116

01:38:29,669 --> 01:38:25,760

have

2117

01:38:32,470 --> 01:38:29,679

uh my gratitude really i

2118

01:38:34,070 --> 01:38:32,480

i'm very humbled every time somebody

2119

01:38:37,669 --> 01:38:34,080

somebody is kind enough

2120

01:38:40,870 --> 01:38:37,679

to throw a few dollars into the hat

2121

01:38:44,790 --> 01:38:40,880

for the show to continue going

2122

01:38:47,750 --> 01:38:44,800

uh it makes me feel good like i'm

2123

01:38:49,669 --> 01:38:47,760

you know making some progress and we're

2124

01:38:50,709 --> 01:38:49,679

doing something that people appreciate

2125

01:38:55,270 --> 01:38:50,719

enough to do that

2126

01:39:00,629 --> 01:38:57,669

it really does help us to continue uh

2127

01:39:03,270 --> 01:39:00,639

growing the show and expanding the show

2128

01:39:03,910 --> 01:39:03,280

this new sort of better production is

2129

01:39:09,189 --> 01:39:03,920

brought

2130

01:39:13,590 --> 01:39:09,199

donations and the patreon supporters

2131

01:39:16,470 --> 01:39:13,600

um people are who are not aware

2132

01:39:19,189 --> 01:39:16,480

i had this green screen for a while even

2133

01:39:21,109 --> 01:39:19,199

before i started this show but uh

2134

01:39:23,189 --> 01:39:21,119

you know i needed the right lighting to

2135

01:39:25,189 --> 01:39:23,199

make it work so we were able to dip into

2136

01:39:26,070 --> 01:39:25,199

the patreon and paypal funds and get the

2137

01:39:29,510 --> 01:39:26,080

lighting and

2138

01:39:31,750 --> 01:39:29,520

now it works so i'm really

2139

01:39:32,629 --> 01:39:31,760

thankful to all you guys who have thrown

2140

01:39:35,510 --> 01:39:32,639

a few bucks

2141

01:39:36,950 --> 01:39:35,520

uh and and that really does literally

2142

01:39:39,590 --> 01:39:36,960

make everything here work

2143

01:39:40,070 --> 01:39:39,600

for the show it's only getting better

2144

01:39:41,669 --> 01:39:40,080

friends

2145

01:39:43,350 --> 01:39:41,679

it's only getting better going forward

2146

01:39:49,270 --> 01:39:43,360

with your help and

2147

01:39:52,950 --> 01:39:50,550

chris spaghetti could you add a

2148

01:39:53,990 --> 01:39:52,960

transcript of the whistleblower video

2149

01:39:56,870 --> 01:39:54,000

it's hard to understand

2150

01:39:58,950 --> 01:39:56,880

even with headphones yeah i guess i

2151
01:40:01,189 --> 01:39:58,960
could try to

2152
01:40:03,590 --> 01:40:01,199
i don't know i hear it fine i can make

2153
01:40:05,350 --> 01:40:03,600
it out fine on headphones

2154
01:40:08,149 --> 01:40:05,360
a few others have said they can't make

2155
01:40:09,669 --> 01:40:08,159
it out even with headphones and there's

2156
01:40:10,950 --> 01:40:09,679
something about that video where i

2157
01:40:13,430 --> 01:40:10,960
really think that

2158
01:40:15,270 --> 01:40:13,440
they did that on purpose to make it they

2159
01:40:17,830 --> 01:40:15,280
want you to listen to it

2160
01:40:20,830 --> 01:40:17,840
10 times right could be that they just

2161
01:40:25,910 --> 01:40:20,840
want you to listen to it 10 times

2162
01:40:25,920 --> 01:40:34,830
so checking in one final time

2163
01:40:40,470 --> 01:40:37,510

uh

2164

01:40:41,350 --> 01:40:40,480

yeah checking in one final time i also

2165

01:40:45,109 --> 01:40:41,360

want to thank

2166

01:40:48,470 --> 01:40:45,119

someone with the initials lp made a 15

2167

01:40:51,030 --> 01:40:48,480

donation on february 22nd and also

2168

01:40:51,669 --> 01:40:51,040

recently jill d with a kind and generous

2169

01:40:54,950 --> 01:40:51,679

20

2170

01:40:57,990 --> 01:40:54,960

donation uh you guys

2171

01:40:59,590 --> 01:40:58,000

put a smile on my face

2172

01:41:01,830 --> 01:40:59,600

and again i'll say that i'll say the

2173

01:41:04,070 --> 01:41:01,840

praise the cash praise the cash praise

2174

01:41:07,669 --> 01:41:04,080

the cash praise the cash

2175

01:41:17,510 --> 01:41:07,679

thank god almighty thank my viewers

2176
01:41:20,709 --> 01:41:19,910
so friends i am going to hop on out of

2177
01:41:23,430 --> 01:41:20,719
here

2178
01:41:23,990 --> 01:41:23,440
and try to get some rest and i wonder

2179
01:41:26,950 --> 01:41:24,000
why

2180
01:41:27,750 --> 01:41:26,960
an off-the-cuff unplanned unscripted

2181
01:41:30,790 --> 01:41:27,760
show

2182
01:41:33,430 --> 01:41:30,800
uh looks and sounds great on this on

2183
01:41:35,750 --> 01:41:33,440
on the on the broadcast but a show that

2184
01:41:37,669 --> 01:41:35,760
i slaved over for days trying to get

2185
01:41:41,270 --> 01:41:37,679
every little thing perfect

2186
01:41:43,270 --> 01:41:41,280
looked terrible so thanks cloud

2187
01:41:45,830 --> 01:41:43,280
service provider you're doing a great

2188
01:41:46,310 --> 01:41:45,840

job doing that one job that you had to

2189

01:41:49,510 --> 01:41:46,320

do

2190

01:41:51,669 --> 01:41:49,520

right but like i said friends

2191

01:41:52,790 --> 01:41:51,679

you get our show here warts and all

2192

01:41:53,669 --> 01:41:52,800

we're going to continue to try to

2193

01:41:56,070 --> 01:41:53,679

improve things

2194

01:41:57,590 --> 01:41:56,080

that's all i can do uh i want to thank

2195

01:42:00,229 --> 01:41:57,600

each and every one of you for being here

2196

01:42:04,229 --> 01:42:00,239

especially like i said this is pretty

2197

01:42:07,189 --> 01:42:04,239

uh this is pretty last minute

2198

01:42:08,470 --> 01:42:07,199

right but we had to test things i had to

2199

01:42:11,270 --> 01:42:08,480

do a show

2200

01:42:13,109 --> 01:42:11,280

uh just to test things it was kind of

2201

01:42:13,990 --> 01:42:13,119

funny but about 20 minutes ago i

2202

01:42:15,750 --> 01:42:14,000

suddenly realized

2203

01:42:17,109 --> 01:42:15,760

that i could have done this and just

2204

01:42:20,709 --> 01:42:17,119

marked the stream private

2205

01:42:24,310 --> 01:42:22,470

so at least having to test this

2206

01:42:27,270 --> 01:42:24,320

technical stuff gave us the opportunity

2207

01:42:29,590 --> 01:42:27,280

to catch up with the live chat

2208

01:42:31,510 --> 01:42:29,600

sort of get caught up right we haven't

2209

01:42:33,350 --> 01:42:31,520

been given enough time to the live chat

2210

01:42:36,310 --> 01:42:33,360

and i apologize for that

2211

01:42:38,870 --> 01:42:36,320

hopefully going forward we will give uh

2212

01:42:41,510 --> 01:42:38,880

much more time to the live chat

2213

01:42:43,510 --> 01:42:41,520

so friends uh i'm happy there was an

2214

01:42:46,950 --> 01:42:43,520

audience tonight thank you for being

2215

01:42:48,709 --> 01:42:46,960

a part of it uh this works so much

2216

01:42:51,270 --> 01:42:48,719

better when there's an audience

2217

01:42:51,990 --> 01:42:51,280

thanks for being a part of mine until

2218

01:42:54,870 --> 01:42:52,000

next time

2219

01:42:56,229 --> 01:42:54,880

friends uh my name is stephen campion

2220

01:43:12,350 --> 01:42:56,239

good night and god bless

2221

01:44:30,660 --> 01:43:51,460

[Music]
