

1
00:02:10,710 --> 00:00:48,070

[Music]

2
00:02:23,950 --> 00:02:18,550

i don't want to see him kissing goblins

3
00:02:36,070 --> 00:02:34,869

[Music]

4
00:02:48,550 --> 00:02:36,080

i'm

5
00:02:52,630 --> 00:02:50,710

especially up to his ankles trump

6
00:02:55,990 --> 00:02:52,640

charging into a goblins and have some

7
00:03:07,360 --> 00:02:58,710

i'm not expecting him to not get dirty

8
00:03:07,370 --> 00:03:30,830

[Music]

9
00:03:30,840 --> 00:03:44,830

in

10
00:03:56,360 --> 00:03:47,000

so

11
00:05:56,740 --> 00:04:12,410

[Music]

12
00:06:06,060 --> 00:05:56,750

[Applause]

13
00:07:26,070 --> 00:06:06,070

[Music]

14

00:07:30,469 --> 00:07:28,950
greetings and salutations friends uh and

15

00:07:37,350 --> 00:07:30,479
welcome back

16

00:07:43,589 --> 00:07:41,189
no plan i thought uh

17

00:07:44,230 --> 00:07:43,599
well actually i had a sort of surprise

18

00:07:46,230 --> 00:07:44,240
guest

19

00:07:47,589 --> 00:07:46,240
planned for tonight who at the very last

20

00:07:51,350 --> 00:07:47,599
minute uh

21

00:07:54,550 --> 00:07:51,360
couldn't do it uh but here we are

22

00:07:58,710 --> 00:07:54,560
and you roll with these sort of punches

23

00:08:01,749 --> 00:07:58,720
so uh i thought we could make tonight

24

00:08:03,830 --> 00:08:01,759
i could catch up with the live chat

25

00:08:05,350 --> 00:08:03,840
and also we can do something that we

26

00:08:07,110 --> 00:08:05,360

keep saying we're gonna do

27

00:08:09,110 --> 00:08:07,120

but then we don't get to it which is

28

00:08:12,070 --> 00:08:09,120

actually open the phone line

29

00:08:12,790 --> 00:08:12,080

yes we have a phone line here which you

30

00:08:16,070 --> 00:08:12,800

could call

31

00:08:20,629 --> 00:08:16,080

into the show and be a guest

32

00:08:23,830 --> 00:08:20,639

come and tell your strange mysterious

33

00:08:27,110 --> 00:08:23,840

story or any story really

34

00:08:30,469 --> 00:08:27,120

we're not that picky so

35

00:08:32,630 --> 00:08:30,479

we're going to open the phone lines up

36

00:08:33,829 --> 00:08:32,640

genocide says cambian looks better in

37

00:08:37,269 --> 00:08:33,839

the dark

38

00:08:40,630 --> 00:08:37,279

i agree and also there's an issue

39

00:08:44,149 --> 00:08:40,640

right now with this green screen and

40

00:08:46,710 --> 00:08:44,159

uh the boy

41

00:08:47,269 --> 00:08:46,720

i've been back and forth with uh the

42

00:08:50,070 --> 00:08:47,279

stream

43

00:08:50,949 --> 00:08:50,080

services provider who assures me that

44

00:08:53,590 --> 00:08:50,959

the problem

45

00:08:54,630 --> 00:08:53,600

with the stream looking terrible when we

46

00:08:56,550 --> 00:08:54,640

use the green screen

47

00:08:57,590 --> 00:08:56,560

it'll it'll look good for half the show

48

00:08:58,470 --> 00:08:57,600

the other half the show it looks

49

00:09:03,910 --> 00:08:58,480

terrible

50

00:09:09,190 --> 00:09:06,790

so until this situation is resolved i

51
00:09:13,030 --> 00:09:09,200
will be resorting to the darkened

52
00:09:14,710 --> 00:09:13,040
original set which i do agree

53
00:09:17,190 --> 00:09:14,720
at least for me genocide i think it

54
00:09:19,910 --> 00:09:17,200
looks better and it's real

55
00:09:20,949 --> 00:09:19,920
the green screen looks like what it is

56
00:09:24,949 --> 00:09:20,959
it looks like

57
00:09:28,150 --> 00:09:24,959
an artificial digital construct right

58
00:09:29,829 --> 00:09:28,160
and uh i'm not sure which aesthetic i

59
00:09:33,990 --> 00:09:29,839
prefer but i think it's

60
00:09:37,110 --> 00:09:34,000
when it looks more like a real set right

61
00:09:38,630 --> 00:09:37,120
i don't know everybody uh you could tell

62
00:09:39,350 --> 00:09:38,640
me in the live chat do you like the

63
00:09:42,710 --> 00:09:39,360

bright

64

00:09:46,790 --> 00:09:42,720

green screen set or this one better

65

00:09:49,110 --> 00:09:46,800

maybe we can uh you know post a poll

66

00:09:49,990 --> 00:09:49,120

i know this i'm much more comfortable

67

00:09:53,509 --> 00:09:50,000

with this set for

68

00:09:55,430 --> 00:09:53,519

one reason it's not super bright in here

69

00:09:58,230 --> 00:09:55,440

when that when we're using those uh

70

00:09:59,590 --> 00:09:58,240

virtual backgrounds and virtual sets

71

00:10:03,430 --> 00:09:59,600

you know in order for this green screen

72

00:10:07,030 --> 00:10:03,440

to work it has to be lit up in here like

73

00:10:08,150 --> 00:10:07,040

super bright and that makes me i suppose

74

00:10:10,550 --> 00:10:08,160

a little more alert

75

00:10:11,509 --> 00:10:10,560

but uncomfortable and i thought i would

76

00:10:14,870 --> 00:10:11,519

get over it but

77

00:10:17,110 --> 00:10:14,880

so far and then i was thinking about

78

00:10:18,710 --> 00:10:17,120

what about those talking head guys like

79

00:10:20,870 --> 00:10:18,720

you know on television

80

00:10:22,870 --> 00:10:20,880

where like they're always on a green

81

00:10:24,630 --> 00:10:22,880

screen right

82

00:10:27,190 --> 00:10:24,640

and so they're getting these lights in

83

00:10:32,150 --> 00:10:27,200

their face for all this time of day

84

00:10:35,190 --> 00:10:32,160

it's not very comfortable i think

85

00:10:37,269 --> 00:10:35,200

i'm i'm i'm uh contemplating whether

86

00:10:38,949 --> 00:10:37,279

using the technical excuse

87

00:10:40,630 --> 00:10:38,959

with the green screen to just say hell

88

00:10:44,710 --> 00:10:40,640

with the green screen right

89

00:10:48,790 --> 00:10:46,550

yeah all around arbiter says i like this

90

00:10:50,470 --> 00:10:48,800

set much better steven it looks much

91

00:10:52,949 --> 00:10:50,480

better well there you go

92

00:10:55,030 --> 00:10:52,959

and we're here to please so out of mind

93

00:10:57,509 --> 00:10:55,040

says i like them both

94

00:10:58,630 --> 00:10:57,519

you should do it how you want it yeah i

95

00:11:00,630 --> 00:10:58,640

don't know though i

96

00:11:02,470 --> 00:11:00,640

like i do like some i like the

97

00:11:04,949 --> 00:11:02,480

capabilities sometimes at the green

98

00:11:07,190 --> 00:11:04,959

screen so we're probably going to end up

99

00:11:09,030 --> 00:11:07,200

using both right but i have to get those

100

00:11:11,190 --> 00:11:09,040

technical issues sorted out before we

101
00:11:16,150 --> 00:11:11,200
use that green screen again because

102
00:11:18,790 --> 00:11:16,160
you know if there's like a goof-off show

103
00:11:20,389 --> 00:11:18,800
um i don't really care if it's just like

104
00:11:23,670 --> 00:11:20,399
a goof-off show or like an

105
00:11:25,670 --> 00:11:23,680
off-the-cuff show like this and the

106
00:11:27,670 --> 00:11:25,680
stream quality doesn't look good because

107
00:11:28,069 --> 00:11:27,680
it's just me talking right but when you

108
00:11:30,310 --> 00:11:28,079
have

109
00:11:31,670 --> 00:11:30,320
like production involved and you took

110
00:11:34,949 --> 00:11:31,680
the time to

111
00:11:35,750 --> 00:11:34,959
make bumper videos and graphics for the

112
00:11:38,310 --> 00:11:35,760
story

113
00:11:39,110 --> 00:11:38,320

you know and then you use this green

114

00:11:40,949 --> 00:11:39,120
screen and then

115

00:11:44,470 --> 00:11:40,959
half of the stream looks horrible for

116

00:11:48,069 --> 00:11:44,480
two hours it pisses me off

117

00:11:50,629 --> 00:11:48,079
it definitely pisses me off i don't know

118

00:11:52,470 --> 00:11:50,639
i'm looking into using obs as a virtual

119

00:11:55,590 --> 00:11:52,480
camera and some other

120

00:11:58,470 --> 00:11:55,600
ways we can get around this these

121

00:12:00,069 --> 00:11:58,480
issues so any comments or questions for

122

00:12:04,470 --> 00:12:00,079
me please put them in

123

00:12:07,430 --> 00:12:04,480
all capital letters in the live chat um

124

00:12:11,350 --> 00:12:07,440
that really does help um and you know

125

00:12:12,790 --> 00:12:11,360
what i can put the live chat

126

00:12:14,629 --> 00:12:12,800

yeah i figured out how to do this

127

00:12:16,150 --> 00:12:14,639

recently so i can put the live chat on

128

00:12:21,750 --> 00:12:16,160

our screen

129

00:12:34,069 --> 00:12:23,110

that's one way to make sure that i

130

00:12:39,269 --> 00:12:37,829

okay just bear with me one moment

131

00:12:49,509 --> 00:12:39,279

friends while i share this

132

00:12:52,790 --> 00:12:51,030

always kind of concerned that i'm going

133

00:12:54,629 --> 00:12:52,800

to share something on my computer that i

134

00:12:56,389 --> 00:12:54,639

don't want to share publicly

135

00:12:58,389 --> 00:12:56,399

but then i realized like i'm not a

136

00:13:01,829 --> 00:12:58,399

secret agent right

137

00:13:04,310 --> 00:13:01,839

like oh no i shared song lyrics for a

138

00:13:04,629 --> 00:13:04,320

song i may never finish or whatever else

139

00:13:08,310 --> 00:13:04,639

is

140

00:13:09,670 --> 00:13:08,320

going on in my i got a crazy brain so

141

00:13:12,310 --> 00:13:09,680

there's actually like

142

00:13:16,069 --> 00:13:12,320

all this stuff open right now at the

143

00:13:16,079 --> 00:13:24,470

okay so let me see if i can get back to

144

00:13:28,949 --> 00:13:27,350

brad gray says yeah i really have not

145

00:13:29,590 --> 00:13:28,959

ever had a problem with your audio or

146

00:13:32,230 --> 00:13:29,600

visuals

147

00:13:33,430 --> 00:13:32,240

good i'm glad to hear it i got a message

148

00:13:34,710 --> 00:13:33,440

again today

149

00:13:36,870 --> 00:13:34,720

that somebody doesn't like the

150

00:13:40,790 --> 00:13:36,880

microphone right and i just

151

00:13:44,389 --> 00:13:40,800

okay thank you for your thoughts

152

00:13:46,150 --> 00:13:44,399

uh you know uh but i got a bunch of

153

00:13:48,389 --> 00:13:46,160

stuff to do this weekend and one of them

154

00:13:51,030 --> 00:13:48,399

is that i have a

155

00:13:51,829 --> 00:13:51,040

windows 10 box that i want to drag up

156

00:13:55,430 --> 00:13:51,839

here and

157

00:13:58,550 --> 00:13:55,440

try the stream with and

158

00:14:08,069 --> 00:13:58,560

that should simplify the

159

00:14:12,230 --> 00:14:10,069

i haven't heard steven laugh in a long

160

00:14:15,670 --> 00:14:12,240

time oh

161

00:14:16,310 --> 00:14:15,680

yeah well i'm glad that you want to hear

162

00:14:19,590 --> 00:14:16,320

that

163

00:14:25,110 --> 00:14:22,790

yeah see it depends on who you ask

164

00:14:25,910 --> 00:14:25,120

though spooky somebody i'm telling you i

165

00:14:28,069 --> 00:14:25,920

could read you

166

00:14:29,509 --> 00:14:28,079

hold on i'll read you the message i'll

167

00:14:30,710 --> 00:14:29,519

read you the message and this person

168

00:14:34,629 --> 00:14:30,720

previously

169

00:14:34,639 --> 00:14:39,030

uh let me see

170

00:14:43,829 --> 00:14:42,069

oh he's a sound person that's why

171

00:14:45,110 --> 00:14:43,839

uh and i'm not gonna mention his name

172

00:14:47,829 --> 00:14:45,120

but i'm gonna read it

173

00:14:48,629 --> 00:14:47,839

but as a sound person you can do so much

174

00:14:50,310 --> 00:14:48,639

better

175

00:14:52,550 --> 00:14:50,320

your voice is sounding cave-like and

176
00:14:56,150 --> 00:14:52,560
it's too dark also too many tech

177
00:14:57,110 --> 00:14:56,160
issues just my two cents it takes away

178
00:14:59,350 --> 00:14:57,120
from the show

179
00:15:00,230 --> 00:14:59,360
oh like i said we get the show warts and

180
00:15:02,069 --> 00:15:00,240
all right

181
00:15:03,910 --> 00:15:02,079
so that was the other message that he

182
00:15:07,350 --> 00:15:03,920
sent me a while ago about the microphone

183
00:15:10,550 --> 00:15:09,509
you're killing you're killing it with

184
00:15:13,350 --> 00:15:10,560
creativity

185
00:15:13,829 --> 00:15:13,360
i just still wish you were clearer as i

186
00:15:15,590 --> 00:15:13,839
miss

187
00:15:19,030 --> 00:15:15,600
much of your funny stuff due to

188
00:15:19,040 --> 00:15:22,150

ah yeah

189

00:15:27,910 --> 00:15:25,269

yeah whatever i did it sounds good now

190

00:15:29,350 --> 00:15:27,920

i don't know what i did honestly i

191

00:15:33,749 --> 00:15:29,360

tweaked the

192

00:15:35,509 --> 00:15:33,759

audio drivers on this you know

193

00:15:37,269 --> 00:15:35,519

hacked together operating system that

194

00:15:38,710 --> 00:15:37,279

i'm running this thing from

195

00:15:40,949 --> 00:15:38,720

you know what i'm going to stop that

196

00:15:41,430 --> 00:15:40,959

because i can see the chat just fine in

197

00:15:45,430 --> 00:15:41,440

my

198

00:15:50,470 --> 00:15:48,550

so i guess if oh also if anybody wants

199

00:15:53,430 --> 00:15:50,480

to join the show

200

00:15:55,509 --> 00:15:53,440

just let me know and i will send you a

201
00:15:58,790 --> 00:15:55,519
link and you can come right on the show

202
00:16:00,069 --> 00:15:58,800
if you have a mic and a webcam and uh

203
00:16:01,749 --> 00:16:00,079
you know

204
00:16:03,910 --> 00:16:01,759
access to a browser this is a

205
00:16:07,189 --> 00:16:03,920
browser-based software so you just

206
00:16:09,829 --> 00:16:07,199
send me a message and i will send you

207
00:16:11,110 --> 00:16:09,839
the invitation to the show and you too

208
00:16:15,030 --> 00:16:11,120
can be a part of

209
00:16:16,710 --> 00:16:15,040
tonight's festivities otherwise uh we

210
00:16:18,389 --> 00:16:16,720
are going to open the phone lines

211
00:16:19,990 --> 00:16:18,399
something we have not done in some time

212
00:16:24,389 --> 00:16:20,000
and anybody who would like to call

213
00:16:28,870 --> 00:16:27,509

yeah see i just i don't i listen to you

214

00:16:31,269 --> 00:16:28,880

at work with headphones and it sounds

215

00:16:34,710 --> 00:16:31,279

great yeah i think it's okay

216

00:16:36,629 --> 00:16:34,720

you know i don't i don't understand

217

00:16:39,509 --> 00:16:36,639

people come

218

00:16:41,430 --> 00:16:39,519

i try to just go it is what it is you

219

00:16:44,069 --> 00:16:41,440

know

220

00:16:47,910 --> 00:16:44,079

love open topics me not so much steve

221

00:16:49,749 --> 00:16:47,920

ronan because i'm not that great

222

00:16:51,110 --> 00:16:49,759

i'm not that great when i don't have a

223

00:16:54,310 --> 00:16:51,120

script and a plan

224

00:16:58,310 --> 00:16:54,320

for you you know what to say

225

00:17:01,350 --> 00:16:58,320

sometimes i am but it's 50 50 shot right

226

00:17:03,189 --> 00:17:01,360

and i don't like those odds so it's been

227

00:17:07,189 --> 00:17:03,199

a it's a bit of a high wire

228

00:17:09,829 --> 00:17:07,199

act right a tight rope walk right

229

00:17:10,949 --> 00:17:09,839

yeah and uh audio issues aside i think

230

00:17:14,150 --> 00:17:10,959

you know

231

00:17:16,870 --> 00:17:14,160

uh there's always things that could be

232

00:17:18,309 --> 00:17:16,880

improved right you know like obviously

233

00:17:20,069 --> 00:17:18,319

we have these

234

00:17:21,990 --> 00:17:20,079

shows with the green screen and half the

235

00:17:24,630 --> 00:17:22,000

stream looks horrible

236

00:17:25,590 --> 00:17:24,640

then that's got to be improved right

237

00:17:28,870 --> 00:17:25,600

that i get

238

00:17:31,270 --> 00:17:28,880

absolutely get that but you know i guess

239

00:17:32,710 --> 00:17:31,280

also a lot of things with sound is

240

00:17:35,590 --> 00:17:32,720

subjective like people

241

00:17:37,830 --> 00:17:35,600

will sometimes tell me uh the background

242

00:17:42,230 --> 00:17:37,840

music is too low it should be higher

243

00:17:43,830 --> 00:17:42,240

right other people may email me and say

244

00:17:45,669 --> 00:17:43,840

uh it's hard to hear you that background

245

00:17:48,630 --> 00:17:45,679

music is too high

246

00:17:49,350 --> 00:17:48,640

everything is subjective right i don't

247

00:17:50,950 --> 00:17:49,360

think there's

248

00:17:53,110 --> 00:17:50,960

you know there's things where you know

249

00:17:53,669 --> 00:17:53,120

like there's something obviously wrong

250

00:17:55,990 --> 00:17:53,679

here

251

00:17:56,710 --> 00:17:56,000

i'm doing you know like if the mic is

252

00:18:00,390 --> 00:17:56,720

like

253

00:18:02,870 --> 00:18:00,400

overdriven or you know

254

00:18:03,669 --> 00:18:02,880

the music is blasting way too loud over

255

00:18:07,029 --> 00:18:03,679

the speaker

256

00:18:08,390 --> 00:18:07,039

but you know shades of gray

257

00:18:10,710 --> 00:18:08,400

that's what i really think it's shades

258

00:18:12,390 --> 00:18:10,720

of gray oh and also i just want to

259

00:18:14,710 --> 00:18:12,400

mention that

260

00:18:15,510 --> 00:18:14,720

we were supposed to have a guest tonight

261

00:18:17,029 --> 00:18:15,520

and uh

262

00:18:19,029 --> 00:18:17,039

but they didn't want me to announce

263

00:18:21,110 --> 00:18:19,039

their appearance until the show

264

00:18:22,310 --> 00:18:21,120

you know what i mean and i can't talk

265

00:18:22,950 --> 00:18:22,320

about it because i'm still gonna hope

266

00:18:25,669 --> 00:18:22,960

that that

267

00:18:26,230 --> 00:18:25,679

person gets back to me and we do it but

268

00:18:29,270 --> 00:18:26,240

uh

269

00:18:32,470 --> 00:18:29,280

you know so tonight's last minute um

270

00:18:33,190 --> 00:18:32,480

and i really should have some backup

271

00:18:34,789 --> 00:18:33,200

shows

272

00:18:37,110 --> 00:18:34,799

and i kind of do but they i feel like

273

00:18:39,430 --> 00:18:37,120

they all need more work so i almost

274

00:18:40,630 --> 00:18:39,440

just canceled doing this show tonight

275

00:18:42,710 --> 00:18:40,640

but then i remember

276

00:18:44,230 --> 00:18:42,720

that earlier in the week i committed

277

00:18:47,830 --> 00:18:44,240

everybody knows this

278

00:18:50,710 --> 00:18:47,840

people have been asking me like uh

279

00:18:51,590 --> 00:18:50,720

can you do like a schedule so that we

280

00:18:54,390 --> 00:18:51,600

know when

281

00:18:55,029 --> 00:18:54,400

you're doing a show so we can be there a

282

00:18:57,430 --> 00:18:55,039

lot because

283

00:18:59,270 --> 00:18:57,440

a lot of people are catching the replays

284

00:19:02,230 --> 00:18:59,280

and you know going

285

00:19:02,549 --> 00:19:02,240

you you don't tell you know i'm terrible

286

00:19:05,430 --> 00:19:02,559

at

287

00:19:07,430 --> 00:19:05,440

scheduling things and i liked the idea

288

00:19:10,150 --> 00:19:07,440

of no scheduling rocking

289

00:19:12,470 --> 00:19:10,160

and what do i mean no scheduling rocking

290

00:19:13,830 --> 00:19:12,480

i got no schedule but i'm doing five

291

00:19:17,510 --> 00:19:13,840

shows this week

292

00:19:20,390 --> 00:19:17,520

right but i don't have a time and date

293

00:19:21,029 --> 00:19:20,400

in advance for all five of those but

294

00:19:23,909 --> 00:19:21,039

this week

295

00:19:24,470 --> 00:19:23,919

i i heard the calls of everyone and i go

296

00:19:26,789 --> 00:19:24,480

okay

297

00:19:27,510 --> 00:19:26,799

all right i'll do monday wednesday and

298

00:19:30,789 --> 00:19:27,520

friday

299

00:19:31,750 --> 00:19:30,799

at 10 p.m and i committed to that and i

300

00:19:34,470 --> 00:19:31,760

said to myself

301
00:19:35,110 --> 00:19:34,480
i don't care what happens i'm gonna do

302
00:19:38,789 --> 00:19:35,120
those

303
00:19:40,630 --> 00:19:38,799
two three times that i told everybody

304
00:19:42,950 --> 00:19:40,640
you know to be a man of your word is

305
00:19:45,750 --> 00:19:42,960
important and i hate

306
00:19:47,990 --> 00:19:45,760
so i almost can't i i almost [h__h] came

307
00:19:49,990 --> 00:19:48,000
tonight i said

308
00:19:51,430 --> 00:19:50,000
got no guests i don't really have a show

309
00:19:54,070 --> 00:19:51,440
ready to go

310
00:19:56,310 --> 00:19:54,080
and literally it was um a half hour

311
00:20:00,789 --> 00:19:56,320
before showtime when the guests canceled

312
00:20:06,390 --> 00:20:04,549
it is what it is but i oh so my point is

313
00:20:07,590 --> 00:20:06,400

i totally just dropped the whole point

314

00:20:11,110 --> 00:20:07,600

of what i was talking okay

315

00:20:11,830 --> 00:20:11,120

so my point is that i'm proud of myself

316

00:20:14,230 --> 00:20:11,840

a little bit

317

00:20:15,909 --> 00:20:14,240

because i'm here right showing up really

318

00:20:16,549 --> 00:20:15,919

is half the battle i said i was going to

319

00:20:20,070 --> 00:20:16,559

be here

320

00:20:23,430 --> 00:20:20,080

i am here anybody wants an invitation

321

00:20:24,549 --> 00:20:23,440

here uh i will send it to you and uh we

322

00:20:27,510 --> 00:20:24,559

can

323

00:20:28,950 --> 00:20:27,520

talk about just about anything that you

324

00:20:32,950 --> 00:20:28,960

would like to talk about

325

00:20:36,149 --> 00:20:32,960

back to the live chat here uh

326

00:20:37,909 --> 00:20:36,159

we mean we need more dancing clowns

327

00:20:38,549 --> 00:20:37,919

genocide says we need more dancing

328

00:20:43,350 --> 00:20:38,559

clowns

329

00:20:46,390 --> 00:20:43,360

far as tonight if anybody has any

330

00:20:48,310 --> 00:20:46,400

suggestions for future shows things you

331

00:20:51,350 --> 00:20:48,320

think we should be doing here

332

00:20:53,590 --> 00:20:51,360

um put them in all caps and uh

333

00:20:54,390 --> 00:20:53,600

we can talk about that any more

334

00:20:58,870 --> 00:20:54,400

confirmed

335

00:21:03,029 --> 00:21:01,190

no not that i'm aware of mario heat says

336

00:21:04,789 --> 00:21:03,039

you always have paddles when i'm at work

337

00:21:07,750 --> 00:21:04,799

you got a cell phone bro you're not that

338

00:21:11,590 --> 00:21:10,630

yeah uh i'm sorry about that but yeah if

339

00:21:15,029 --> 00:21:11,600

anybody would like

340

00:21:18,070 --> 00:21:15,039

an invitation to

341

00:21:21,110 --> 00:21:18,080

join the stream just uh send me

342

00:21:22,310 --> 00:21:21,120

a message and also i don't know if

343

00:21:24,310 --> 00:21:22,320

somebody was

344

00:21:26,310 --> 00:21:24,320

upset the last time we did sort of a

345

00:21:29,750 --> 00:21:26,320

panel show that i did not

346

00:21:32,310 --> 00:21:29,760

send them an invitation um but i want to

347

00:21:34,789 --> 00:21:32,320

remind them that i was in a mask

348

00:21:35,990 --> 00:21:34,799

that i could not see very well through

349

00:21:38,310 --> 00:21:36,000

and i'm trying

350

00:21:40,630 --> 00:21:38,320

to run the show you know so it's very

351

00:21:43,750 --> 00:21:40,640

difficult for me to send out invitations

352

00:21:44,230 --> 00:21:43,760

i did say if you want to come on the

353

00:21:46,149 --> 00:21:44,240

show

354

00:21:47,750 --> 00:21:46,159

send me a message and they you know

355

00:21:49,830 --> 00:21:47,760

somebody didn't but then they were like

356

00:21:52,950 --> 00:21:49,840

hey how come i didn't uh

357

00:21:56,310 --> 00:21:52,960

get an invite you know i'm sorry

358

00:21:58,549 --> 00:21:56,320

i was a little busy yeah

359

00:22:02,470 --> 00:21:58,559

always have panels when he's at work

360

00:22:06,390 --> 00:22:05,270

great show last night thank you yeah

361

00:22:08,870 --> 00:22:06,400

that was fun

362

00:22:11,430 --> 00:22:08,880

i like this terry joyce she's funny girl

363

00:22:15,190 --> 00:22:13,430

it's i figured if i had to sit through

364

00:22:17,350 --> 00:22:15,200

that then she was gonna do it

365

00:22:18,870 --> 00:22:17,360

she was gonna sit through it with me you

366

00:22:22,149 --> 00:22:18,880

know absolutely

367

00:22:24,149 --> 00:22:22,159

oh so uh i

368

00:22:26,070 --> 00:22:24,159

haven't played that phone bumper in so

369

00:22:28,310 --> 00:22:26,080

long i hope it's still there

370

00:22:32,149 --> 00:22:28,320

because otherwise i couldn't tell you

371

00:22:34,470 --> 00:22:32,159

what the phone number is to call in live

372

00:22:37,830 --> 00:22:34,480

all right i got it i think i think i got

373

00:22:40,549 --> 00:22:37,840

it so we're going to play this

374

00:22:40,950 --> 00:22:40,559

phone bumper which means we kind of do

375

00:22:44,149 --> 00:22:40,960

this

376

00:22:46,310 --> 00:22:44,159

old school right you just call on your

377

00:22:48,630 --> 00:22:46,320

phone

378

00:22:50,149 --> 00:22:48,640

and if you should happen to call and get

379

00:22:53,350 --> 00:22:50,159

a voicemail

380

00:22:55,270 --> 00:22:53,360

it is because someone is on the line

381

00:22:56,630 --> 00:22:55,280

that's how it works so if you call and

382

00:22:58,950 --> 00:22:56,640

you get the voicemail

383

00:23:00,549 --> 00:22:58,960

that means somebody's already on the

384

00:23:02,310 --> 00:23:00,559

line if you're not paying attention to

385

00:23:05,669 --> 00:23:02,320

the live show i don't know

386

00:23:08,870 --> 00:23:05,679

my point is if you do get a

387

00:23:11,430 --> 00:23:08,880

voicemail just wait and call back

388

00:23:13,430 --> 00:23:11,440

you know uh we don't get uh we don't get

389

00:23:13,990 --> 00:23:13,440

a huge flood of calls here sometimes we

390

00:23:16,149 --> 00:23:14,000

get no

391

00:23:17,430 --> 00:23:16,159

calls which is why i've been sometimes

392

00:23:20,789 --> 00:23:17,440

hesitant to do this

393

00:23:24,630 --> 00:23:20,799

right we're like okay open phone lines

394

00:23:28,390 --> 00:23:26,149

well actually i think every time we've

395

00:23:30,870 --> 00:23:28,400

done this we've got at least one call

396

00:23:32,070 --> 00:23:30,880

i i don't you know but it's still like

397

00:23:35,190 --> 00:23:32,080

uh

398

00:23:36,710 --> 00:23:35,200

you know so i've got the phone ready

399

00:23:38,310 --> 00:23:36,720

and we're going to play the pumper we're

400

00:23:40,630 --> 00:23:38,320

going to play the call in bumper

401
00:23:41,990 --> 00:23:40,640
you too can call us here on the mystery

402
00:23:45,590 --> 00:23:42,000
phone

403
00:23:48,870 --> 00:23:45,600
uh just please

404
00:23:55,670 --> 00:23:48,880
uh wait until the bumper is done before

405
00:25:51,990 --> 00:24:22,640
[Music]

406
00:25:56,630 --> 00:25:54,470
so welcome back friends uh phone line is

407
00:25:59,909 --> 00:25:56,640
open but i'm going to dedicate uh

408
00:26:01,990 --> 00:25:59,919
my total attention now to the live chat

409
00:26:04,070 --> 00:26:02,000
if graph says i would call in but my ms

410
00:26:05,430 --> 00:26:04,080
causes my brain to drop off into tangent

411
00:26:06,950 --> 00:26:05,440
mode and with because any kind of

412
00:26:09,110 --> 00:26:06,960
articulation i might have had

413
00:26:10,870 --> 00:26:09,120

oh you're still most welcome here uh

414

00:26:13,590 --> 00:26:10,880

regardless

415

00:26:15,510 --> 00:26:13,600

yeah and uh steve brown was asking if

416

00:26:19,029 --> 00:26:15,520

terry is a comic yes and

417

00:26:21,830 --> 00:26:19,039

you may remember her from um

418

00:26:23,269 --> 00:26:21,840

i think it's this first season of last

419

00:26:25,750 --> 00:26:23,279

comic standing

420

00:26:30,549 --> 00:26:25,760

she was on there with ralphie may uh

421

00:26:41,350 --> 00:26:32,870

i don't have the ringer turned off not

422

00:26:49,669 --> 00:26:45,029

okay one second friends to accept

423

00:26:53,909 --> 00:26:52,630

hello this is stephen at truth seekers

424

00:26:55,750 --> 00:26:53,919

who are you and where are you calling

425

00:27:00,149 --> 00:26:55,760

from

426

00:27:03,590 --> 00:27:00,159

new jersey how are you

427

00:27:06,310 --> 00:27:03,600

hey good good to hear from you

428

00:27:07,510 --> 00:27:06,320

well thank you for actually answering my

429

00:27:10,070 --> 00:27:07,520

call

430

00:27:13,830 --> 00:27:10,080

did you know that somebody emailed me

431

00:27:17,190 --> 00:27:13,840

and told me that i should look into you

432

00:27:20,549 --> 00:27:17,200

oh yeah i'm gonna yeah i am

433

00:27:24,070 --> 00:27:20,559

calling in what do you want to know no

434

00:27:25,190 --> 00:27:24,080

i listen i i don't you know i get emails

435

00:27:25,990 --> 00:27:25,200

from people all the time and it's

436

00:27:27,430 --> 00:27:26,000

usually

437

00:27:29,110 --> 00:27:27,440

somebody that doesn't like a certain

438

00:27:30,549 --> 00:27:29,120

person will send me like hey why don't

439

00:27:33,990 --> 00:27:30,559

you do a story on this person

440

00:27:36,950 --> 00:27:34,000

oh yeah here uh you should cover this

441

00:27:37,830 --> 00:27:36,960

lunatic check out her claims she even

442

00:27:39,830 --> 00:27:37,840

has a book

443

00:27:41,430 --> 00:27:39,840

all her claims are stolen from others

444

00:27:42,549 --> 00:27:41,440

too and then they give me a whole bunch

445

00:27:44,950 --> 00:27:42,559

of links

446

00:27:45,909 --> 00:27:44,960

to some of your material her claims are

447

00:27:48,630 --> 00:27:45,919

just as wild as

448

00:27:51,110 --> 00:27:48,640

corey goode david wilcock and sarah r

449

00:27:58,870 --> 00:27:55,350

well yes i would agree but in

450

00:28:02,710 --> 00:27:58,880

my defense i am still deprogramming

451
00:28:03,590 --> 00:28:02,720
and coming to terms and realizing the

452
00:28:07,190 --> 00:28:03,600
truth

453
00:28:08,310 --> 00:28:07,200
of things that did happen and obviously

454
00:28:14,310 --> 00:28:08,320
did not happen

455
00:28:19,110 --> 00:28:17,510
yeah forgive me yeah you know honestly i

456
00:28:21,029 --> 00:28:19,120
don't know that much about you holly

457
00:28:22,789 --> 00:28:21,039
i i haven't looked into you i don't

458
00:28:23,669 --> 00:28:22,799
really know about your background or

459
00:28:26,710 --> 00:28:23,679
what kind of

460
00:28:27,830 --> 00:28:26,720
you know stuff that these people are

461
00:28:31,590 --> 00:28:27,840
talking about

462
00:28:34,630 --> 00:28:31,600
so you have some kind of strange uh like

463
00:28:37,430 --> 00:28:34,640

experiences right

464

00:28:37,830 --> 00:28:37,440

yeah well i believe i was trafficked

465

00:28:41,990 --> 00:28:37,840

with

466

00:28:43,430 --> 00:28:42,000

max here james castle and a few others

467

00:28:45,350 --> 00:28:43,440

trafficked what do you mean human

468

00:28:52,230 --> 00:28:45,360

trafficked

469

00:28:53,510 --> 00:28:52,240

well i don't i wouldn't exactly know how

470

00:28:56,230 --> 00:28:53,520

else to explain

471

00:28:57,750 --> 00:28:56,240

what happened to us other than to say

472

00:29:01,029 --> 00:28:57,760

that we were trafficked

473

00:29:04,230 --> 00:29:01,039

and used in mind control project

474

00:29:06,230 --> 00:29:04,240

wow that's all stemming from operations

475

00:29:10,710 --> 00:29:06,240

paper clips

476
00:29:15,590 --> 00:29:13,430
so nazi scientists were somehow involved

477
00:29:18,870 --> 00:29:15,600
in this thing

478
00:29:22,149 --> 00:29:21,110
so i you know i again i don't i haven't

479
00:29:35,990 --> 00:29:22,159
heard your story so

480
00:29:46,470 --> 00:29:39,110
joseph mengele the famous nazi

481
00:29:46,480 --> 00:29:52,830
and how old were you when you met joseph

482
00:29:56,630 --> 00:29:54,950
mengele

483
00:29:59,269 --> 00:29:56,640
i mean historically wasn't he in

484
00:30:03,580 --> 00:29:59,279
argentina

485
00:30:06,830 --> 00:30:03,590
well i don't know about all of that

486
00:30:11,110 --> 00:30:08,389
um

487
00:30:12,950 --> 00:30:11,120
and also before that i believe i was

488
00:30:16,149 --> 00:30:12,960

about three years old

489

00:30:17,110 --> 00:30:16,159

and these underground military bases out

490

00:30:20,830 --> 00:30:17,120

in the area

491

00:30:22,149 --> 00:30:20,840

of san antonio texas so i was a really

492

00:30:25,510 --> 00:30:22,159

intel

493

00:30:30,630 --> 00:30:28,389

he was the first programmer i remember

494

00:30:32,630 --> 00:30:30,640

having as a young child

495

00:30:34,470 --> 00:30:32,640

forgive me like ask me any questions you

496

00:30:37,510 --> 00:30:34,480

want i just don't know where to go

497

00:30:39,669 --> 00:30:37,520

with it and i'm definitely nervous but

498

00:30:41,669 --> 00:30:39,679

that's all because like i want to tell

499

00:30:43,510 --> 00:30:41,679

you to even thank you so much for

500

00:30:44,710 --> 00:30:43,520

standing up for these people that bully

501
00:30:51,990 --> 00:30:44,720
me

502
00:30:56,470 --> 00:30:54,470
okay well thanks for calling yeah and

503
00:30:59,430 --> 00:30:56,480
someday i will look into your story

504
00:31:00,230 --> 00:30:59,440
it sounds uh you don't have to do it

505
00:31:06,070 --> 00:31:00,240
right now

506
00:31:09,509 --> 00:31:06,080
maybe you could be a guest and uh and

507
00:31:12,310 --> 00:31:09,519
tell tell tell the whole story here

508
00:31:27,350 --> 00:31:12,320
sure i would ever be so honored but uh

509
00:31:30,389 --> 00:31:29,830
you get me out of that dark place in my

510
00:31:33,190 --> 00:31:30,399
mind

511
00:31:33,669 --> 00:31:33,200
and you unlock me from that freeze and i

512
00:31:35,750 --> 00:31:33,679
get

513
00:31:37,509 --> 00:31:35,760

stuck in inside of my mind and i just

514

00:31:40,549 --> 00:31:37,519

want to say thank you so much

515

00:31:41,190 --> 00:31:40,559

and also thank you very much so thanks

516

00:31:43,830 --> 00:31:41,200

for

517

00:31:44,630 --> 00:31:43,840

like picking up my close uh stephen this

518

00:31:47,509 --> 00:31:44,640

is a huge

519

00:31:48,230 --> 00:31:47,519

honor and pleasure and i'm humbled and

520

00:31:51,110 --> 00:31:48,240

blessing

521

00:31:52,870 --> 00:31:51,120

you and your family you're going to give

522

00:31:54,630 --> 00:31:52,880

me a big ego but thank you i appreciate

523

00:31:56,950 --> 00:31:54,640

it oh man i like

524

00:31:59,509 --> 00:31:56,960

you have no idea even when i still used

525

00:32:01,590 --> 00:31:59,519

to stand up to her it turned a new week

526

00:32:04,630 --> 00:32:01,600

in my life so to speak

527

00:32:06,710 --> 00:32:04,640

and i after four years i thought

528

00:32:08,230 --> 00:32:06,720

please do that that i could take a shot

529

00:32:09,909 --> 00:32:08,240

at it and

530

00:32:12,470 --> 00:32:09,919

just thank you so much and then the

531

00:32:19,509 --> 00:32:12,480

other night when terry joyce was

532

00:32:23,430 --> 00:32:22,310

oh yeah but it was just so nice to laugh

533

00:32:25,590 --> 00:32:23,440

at it but also

534

00:32:27,190 --> 00:32:25,600

stand up to it because it's just been so

535

00:32:29,350 --> 00:32:27,200

much time that

536

00:32:30,549 --> 00:32:29,360

these punches and kicks i can't do it

537

00:32:33,110 --> 00:32:30,559

anymore but

538

00:32:34,789 --> 00:32:33,120

you thank you so so much and if there's

539

00:32:36,950 --> 00:32:34,799

anything i can ever do for you

540

00:32:39,110 --> 00:32:36,960

and your family please let me know sure

541

00:32:40,950 --> 00:32:39,120

i appreciate you thank you

542

00:32:42,230 --> 00:32:40,960

for everything and have a great night

543

00:32:44,310 --> 00:32:42,240

happy friday again

544

00:32:45,669 --> 00:32:44,320

yeah you too happy friday all right

545

00:32:49,110 --> 00:32:45,679

friends

546

00:32:51,430 --> 00:32:49,120

oh yes oh good night

547

00:32:52,149 --> 00:32:51,440

oh no i'm going back in your chat room

548

00:32:53,509 --> 00:32:52,159

oh okay

549

00:32:55,509 --> 00:32:53,519

all right i'll see i'll see you there

550

00:32:58,070 --> 00:32:55,519

we're gonna go to the live chat next

551

00:33:03,110 --> 00:32:59,590

how do i work this thing there you go

552

00:33:09,110 --> 00:33:06,710

uh so back to the live chat yeah i

553

00:33:11,110 --> 00:33:09,120

i don't know what's going on with her

554

00:33:13,750 --> 00:33:11,120

this girl holly and her story because i

555

00:33:16,789 --> 00:33:13,760

haven't really looked into her story but

556

00:33:21,669 --> 00:33:16,799

it seems like there is this

557

00:33:25,269 --> 00:33:21,679

dramarama amongst some of the

558

00:33:29,990 --> 00:33:25,279

females in the conspiracy land world

559

00:33:33,269 --> 00:33:30,000

um and one doesn't like the other

560

00:33:35,029 --> 00:33:33,279

you know i i don't

561

00:33:36,389 --> 00:33:35,039

i don't really know but there's lots of

562

00:33:38,630 --> 00:33:36,399

dramarama

563

00:33:40,549 --> 00:33:38,640

behind the scenes and i get like emails

564

00:33:43,190 --> 00:33:40,559

for people that don't like a certain

565

00:33:43,669 --> 00:33:43,200

person and say wow you do a story on

566

00:33:46,710 --> 00:33:43,679

them

567

00:33:52,389 --> 00:33:46,720

yeah

568

00:34:01,830 --> 00:33:52,399

i don't know

569

00:34:08,950 --> 00:34:06,470

i smoke a lot of weed i confess

570

00:34:11,109 --> 00:34:08,960

your phone is here yeah let's give some

571

00:34:12,629 --> 00:34:11,119

shout outs i forgot to do the shout out

572

00:34:17,669 --> 00:34:12,639

so we'll do the

573

00:34:21,109 --> 00:34:17,679

i'll try to do this shout outs here

574

00:34:23,030 --> 00:34:21,119

i'm gonna go shout out to steve ronan

575

00:34:24,950 --> 00:34:23,040

shout out to bg shout out to holly

576

00:34:27,109 --> 00:34:24,960

baglio

577

00:34:28,389 --> 00:34:27,119

shout out to all around arbiter blue

578

00:34:30,790 --> 00:34:28,399

shift radio

579

00:34:31,669 --> 00:34:30,800

bee gees is here shout out to you a

580

00:34:35,190 --> 00:34:31,679

phone aunt

581

00:34:38,629 --> 00:34:35,200

jonas charles and lee spooky

582

00:34:41,909 --> 00:34:38,639

f graph 72 paranormal hood jiggy

583

00:34:43,990 --> 00:34:41,919

is here in the house genocide and miss

584

00:34:49,030 --> 00:34:44,000

jonas side are here bailey stoner

585

00:34:51,829 --> 00:34:49,040

is here out of mind is here gadgey3 is

586

00:34:58,710 --> 00:34:54,149

this is where it gets hard who did i

587

00:35:02,470 --> 00:35:00,630

i think i said charles unleashed shout

588

00:35:09,030 --> 00:35:02,480

out to charles unleashed victor

589

00:35:14,470 --> 00:35:10,710

victor cagliari shout out to victor

590

00:35:17,589 --> 00:35:14,480

cagliari steve ronan

591

00:35:19,750 --> 00:35:17,599

i said spooky yeah i think we might have

592

00:35:23,349 --> 00:35:19,760

got ufo gandalf was here

593

00:35:27,430 --> 00:35:23,359

earlier mario heat channel to mario heat

594

00:35:29,670 --> 00:35:27,440

islander is here shout out to islander

595

00:35:33,190 --> 00:35:29,680

and brad gray

596

00:35:38,230 --> 00:35:36,150

yeah i think we got everybody oh no

597

00:35:45,990 --> 00:35:38,240

ragnar the destroyer

598

00:35:47,750 --> 00:35:46,000

okay holly says i was looking through

599

00:35:49,349 --> 00:35:47,760

the comments early i got nervous to

600

00:35:51,270 --> 00:35:49,359

speak thank you so much i did not mean

601
00:35:53,270 --> 00:35:51,280
to bring any drama to your door

602
00:35:54,870 --> 00:35:53,280
honestly thank you so much yeah it's

603
00:35:57,190 --> 00:35:54,880
fine like

604
00:35:59,270 --> 00:35:57,200
you know i get those kind of emails all

605
00:36:00,790 --> 00:35:59,280
the time and i kind of always know

606
00:36:03,190 --> 00:36:00,800
it's just somebody that doesn't like

607
00:36:04,950 --> 00:36:03,200
that person so i don't really

608
00:36:06,790 --> 00:36:04,960
follow up on most of those kind of

609
00:36:08,390 --> 00:36:06,800
emails that i get because i get them a

610
00:36:10,710 --> 00:36:08,400
lot

611
00:36:12,150 --> 00:36:10,720
it's like if you have some competition

612
00:36:14,390 --> 00:36:12,160
in your grift and

613
00:36:16,150 --> 00:36:14,400

you don't like that other competition

614

00:36:23,829 --> 00:36:16,160

see if steve camden will

615

00:36:30,310 --> 00:36:27,270

spooky's stealing scp

616

00:36:31,670 --> 00:36:30,320

content you know i don't know

617

00:36:33,030 --> 00:36:31,680

i didn't really look at all that stuff

618

00:36:34,630 --> 00:36:33,040

spooky but i think that would be a

619

00:36:38,230 --> 00:36:34,640

really hard thing to prove

620

00:36:40,310 --> 00:36:38,240

considering that these

621

00:36:42,950 --> 00:36:40,320

stories that these guys talk about

622

00:36:45,510 --> 00:36:42,960

really are in many different places

623

00:36:47,670 --> 00:36:45,520

so could be yeah sure it could be that

624

00:36:51,349 --> 00:36:47,680

they mined that whole site for

625

00:36:54,150 --> 00:36:51,359

you know [h__\h] stories to tell

626

00:36:55,190 --> 00:36:54,160

uh or it could just mean that there's

627

00:36:57,829 --> 00:36:55,200

some similar

628

00:36:59,270 --> 00:36:57,839

stories on that website to the stories

629

00:37:01,829 --> 00:36:59,280

they told because there's

630

00:37:03,750 --> 00:37:01,839

other sources out there as well like

631

00:37:04,550 --> 00:37:03,760

what what is that book called the mars

632

00:37:08,069 --> 00:37:04,560

chronicles

633

00:37:09,270 --> 00:37:08,079

i think it's called um that's most of

634

00:37:11,430 --> 00:37:09,280

cory good's

635

00:37:13,589 --> 00:37:11,440

story at least for the first couple of

636

00:37:16,310 --> 00:37:13,599

seasons of cosmic disclosure his

637

00:37:18,150 --> 00:37:16,320

entire story came out of the book the

638

00:37:19,030 --> 00:37:18,160

martian chronicles or the mars

639

00:37:20,950 --> 00:37:19,040

chronicles

640

00:37:23,910 --> 00:37:20,960

i always get the name of that book wrong

641

00:37:25,670 --> 00:37:23,920

i really always get it wrong

642

00:37:27,190 --> 00:37:25,680

i never can figure out the name of that

643

00:37:31,030 --> 00:37:27,200

book

644

00:37:33,190 --> 00:37:31,040

was out

645

00:37:34,710 --> 00:37:33,200

years before corey good several years

646

00:37:36,069 --> 00:37:34,720

before corey good and then corey good

647

00:37:40,630 --> 00:37:36,079

comes out using

648

00:37:44,390 --> 00:37:42,470

it's pretty clear that he lifted a lot

649

00:37:46,550 --> 00:37:44,400

of his story from that book and then

650

00:37:48,630 --> 00:37:46,560

david wilcock even used that book as

651

00:37:50,390 --> 00:37:48,640

proof that cory was telling the truth

652

00:37:51,910 --> 00:37:50,400

well there's one guy that has no proof

653

00:37:53,670 --> 00:37:51,920

and wrote this book said a lot of the

654

00:37:56,950 --> 00:37:53,680

same stuff that corey good

655

00:37:59,910 --> 00:37:56,960

said who has no proof so it must be true

656

00:38:01,670 --> 00:37:59,920

it's really bad logic to uh use one

657

00:38:03,750 --> 00:38:01,680

unproven source

658

00:38:07,109 --> 00:38:03,760

as a source to prove your current

659

00:38:11,510 --> 00:38:07,119

unproven source is telling you the truth

660

00:38:18,790 --> 00:38:15,670

i think that really says a lot

661

00:38:20,390 --> 00:38:18,800

uh you know

662

00:38:22,150 --> 00:38:20,400

ship radio have a good show i guess

663

00:38:23,670 --> 00:38:22,160

you're bouncing out yeah

664

00:38:25,430 --> 00:38:23,680

and if anybody else wants to call in

665

00:38:27,030 --> 00:38:25,440

feel free but uh you know

666

00:38:28,790 --> 00:38:27,040

i feel good at least we got one phone

667

00:38:29,270 --> 00:38:28,800

call we opened the phone line everybody

668

00:38:31,430 --> 00:38:29,280

get

669

00:38:32,950 --> 00:38:31,440

you know it's so funny like people say

670

00:38:34,310 --> 00:38:32,960

oh we're gonna open the phone lines and

671

00:38:48,470 --> 00:38:34,320

then we do and

672

00:39:00,069 --> 00:38:50,710

no i am uninformed somebody's talking

673

00:39:03,430 --> 00:39:01,589

do it so well stephen we just want to

674

00:39:05,190 --> 00:39:03,440

see you lose your [h__h] yeah

675

00:39:06,710 --> 00:39:05,200

a lot of people are you know and then

676
00:39:09,750 --> 00:39:06,720
they get disappointed if i don't yell

677
00:39:11,910 --> 00:39:09,760
and scream about something

678
00:39:12,790 --> 00:39:11,920
like sorry i wasn't really angry that

679
00:39:14,630 --> 00:39:12,800
night

680
00:39:16,230 --> 00:39:14,640
that's pretty much where we're at like

681
00:39:17,700 --> 00:39:16,240
sorry i'm really angry

682
00:39:26,829 --> 00:39:17,710
oh here we go

683
00:39:33,510 --> 00:39:30,230
hello oh wait a second hold on

684
00:39:44,470 --> 00:39:43,190
genocide hey genocide is here

685
00:39:47,030 --> 00:39:44,480
this is going to be awkward because

686
00:39:47,829 --> 00:39:47,040
genocide never talks but he called in so

687
00:39:49,589 --> 00:39:47,839
i'm assuming

688
00:39:51,190 --> 00:39:49,599

he had something to talk about right

689

00:39:54,870 --> 00:39:51,200

genocide

690

00:39:59,270 --> 00:39:57,829

you're just as useless as a live caller

691

00:40:02,630 --> 00:39:59,280

as you are as a panel guest

692

00:40:03,750 --> 00:40:02,640

genocide congratulations i have to be

693

00:40:05,589 --> 00:40:03,760

consistent

694

00:40:07,349 --> 00:40:05,599

yeah congratulations you're just as

695

00:40:10,150 --> 00:40:07,359

useless at both tasks

696

00:40:12,309 --> 00:40:10,160

you bring nothing nothing to the table

697

00:40:13,670 --> 00:40:12,319

here

698

00:40:18,470 --> 00:40:13,680

no you're gonna have something to talk

699

00:40:22,829 --> 00:40:18,480

about you've got like 18 dogs right a

700

00:40:27,510 --> 00:40:24,150

bedroom

701
00:40:29,829 --> 00:40:27,520
nice yeah i think

702
00:40:32,230 --> 00:40:29,839
i think i've seen you on uh jiggy's show

703
00:40:35,270 --> 00:40:32,240
not saying anything

704
00:40:37,030 --> 00:40:35,280
actually i talked with jiggy oh so

705
00:40:39,270 --> 00:40:37,040
wait you'll talk to jiggy but not me

706
00:40:42,710 --> 00:40:39,280
what's that about

707
00:40:44,790 --> 00:40:42,720
usually when you go on i'm really high

708
00:40:45,990 --> 00:40:44,800
well there you go that's what i'm here

709
00:40:50,870 --> 00:40:46,000
for

710
00:40:50,880 --> 00:40:55,109
bg's wants us to talk about ghosts

711
00:40:59,109 --> 00:40:57,270
okay let's talk about ghosts and charles

712
00:41:01,349 --> 00:40:59,119
unleashed says genocide stares at things

713
00:41:03,270 --> 00:41:01,359

it's very compelling

714

00:41:04,950 --> 00:41:03,280

yeah i don't know very much about ghosts

715

00:41:07,109 --> 00:41:04,960

bg says talk about ghosts

716

00:41:09,190 --> 00:41:07,119

i i've never seen a ghost not sure i

717

00:41:12,309 --> 00:41:09,200

believe in ghosts

718

00:41:16,870 --> 00:41:12,319

i've seen ghosts really

719

00:41:21,670 --> 00:41:19,270

when i first started dating my wife she

720

00:41:24,710 --> 00:41:21,680

told me we were living in a back house

721

00:41:27,349 --> 00:41:24,720

um in a trailer that was uh like a

722

00:41:29,270 --> 00:41:27,359

mobile home that they added on to

723

00:41:30,390 --> 00:41:29,280

and we went out on a date somewhere we

724

00:41:32,550 --> 00:41:30,400

come back

725

00:41:33,430 --> 00:41:32,560

and she had mentioned in passing that

726

00:41:35,109 --> 00:41:33,440

sometimes

727

00:41:37,270 --> 00:41:35,119

she thinks she sees his little girl

728

00:41:39,910 --> 00:41:37,280

ghost so we're

729

00:41:41,510 --> 00:41:39,920

in the house and i'm looking at this

730

00:41:44,150 --> 00:41:41,520

table and standing

731

00:41:44,950 --> 00:41:44,160

in the table not on the table but in the

732

00:41:48,550 --> 00:41:44,960

table

733

00:41:49,829 --> 00:41:48,560

was a little girl and i was just like

734

00:41:51,910 --> 00:41:49,839

wait this is late her daughter's

735

00:41:53,750 --> 00:41:51,920

sleeping what's going on

736

00:41:54,950 --> 00:41:53,760

and i said that little girl go stop

737

00:41:57,030 --> 00:41:54,960

pinterest

738

00:41:58,390 --> 00:41:57,040

piglets she goes yeah i go and they go

739

00:41:59,829 --> 00:41:58,400

yeah she's right there and then she was

740

00:42:01,829 --> 00:41:59,839

gone

741

00:42:04,550 --> 00:42:01,839

and what do you mean it was in the table

742

00:42:06,069 --> 00:42:04,560

like she was standing in the middle

743

00:42:09,430 --> 00:42:06,079

it was in the middle of the table like

744

00:42:11,670 --> 00:42:09,440

she was like going through the table

745

00:42:13,109 --> 00:42:11,680

she wasn't on the table she wasn't under

746

00:42:14,390 --> 00:42:13,119

the face she was in the table the

747

00:42:21,270 --> 00:42:14,400

table's three feet high

748

00:42:28,829 --> 00:42:22,950

did you see it multiple times or just

749

00:42:28,839 --> 00:42:34,309

hmm

750

00:42:37,750 --> 00:42:36,309

yeah i was talking your wife wants me to

751

00:42:40,150 --> 00:42:37,760

do a show on that and i

752

00:42:41,589 --> 00:42:40,160

i uh i have some material on shadow

753

00:42:43,030 --> 00:42:41,599

people i lived across the street from a

754

00:42:46,550 --> 00:42:43,040

graveyard too

755

00:42:48,150 --> 00:42:46,560

and uh we had all this weird noises in

756

00:42:50,069 --> 00:42:48,160

the house like knocking and stuff

757

00:42:51,990 --> 00:42:50,079

i don't know if it was ghosts animals

758

00:42:53,670 --> 00:42:52,000

whatever but we had like you know

759

00:42:55,670 --> 00:42:53,680

exterminator come and check nobody could

760

00:42:57,589 --> 00:42:55,680

ever find out what it was

761

00:43:01,990 --> 00:42:57,599

and uh sort of freaked me out a little

762

00:43:06,230 --> 00:43:03,589

it was a three bedroom our three floor

763

00:43:08,710 --> 00:43:06,240

house and the two bedrooms on top

764

00:43:10,470 --> 00:43:08,720

and the kitchen bathroom a living area

765

00:43:11,990 --> 00:43:10,480

the two bedrooms on the bottom

766

00:43:14,150 --> 00:43:12,000

and we used to watch tv in the middle

767

00:43:17,270 --> 00:43:14,160

one which was right by the front door

768

00:43:18,470 --> 00:43:17,280

and he had stairs on like on the right

769

00:43:20,630 --> 00:43:18,480

side going up

770

00:43:22,630 --> 00:43:20,640

and me and two of my roommates are

771

00:43:23,990 --> 00:43:22,640

watching tv we all three look because we

772

00:43:26,470 --> 00:43:24,000

saw a shadow person go

773

00:43:27,750 --> 00:43:26,480

up the stairs and i'm like y'all saw

774

00:43:28,230 --> 00:43:27,760

that and they're like yeah we thought we

775

00:43:29,910 --> 00:43:28,240

went up

776

00:43:31,990 --> 00:43:29,920

the old one was it up there there was no

777

00:43:35,990 --> 00:43:32,000

one in the house but that happened

778

00:43:38,710 --> 00:43:36,000

all the time in that house wow

779

00:43:39,109 --> 00:43:38,720

i don't i don't know why why you were

780

00:43:42,150 --> 00:43:39,119

just

781

00:43:44,550 --> 00:43:42,160

living there

782

00:43:46,550 --> 00:43:44,560

yeah there's like there may be demons

783

00:43:46,870 --> 00:43:46,560

there may be demons in the house but

784

00:43:50,470 --> 00:43:46,880

it's

785

00:43:52,309 --> 00:43:50,480

you know moving is really a hassle

786

00:43:53,589 --> 00:43:52,319

well how do you know you just know there

787

00:43:56,390 --> 00:43:53,599

was some kind of shadow

788

00:43:58,230 --> 00:43:56,400

entity that could be demons nothing bad

789

00:44:00,230 --> 00:43:58,240

happened i grew up catholic that was

790

00:44:03,190 --> 00:44:00,240

demons joe side

791

00:44:04,150 --> 00:44:03,200

you know that was demons and i didn't

792

00:44:06,710 --> 00:44:04,160

get a feeling of

793

00:44:07,750 --> 00:44:06,720

evil off of it or whatever or i just you

794

00:44:10,069 --> 00:44:07,760

know

795

00:44:11,589 --> 00:44:10,079

we just cleaned the cemetery we're close

796

00:44:12,710 --> 00:44:11,599

to the cemetery it's just cemetery

797

00:44:14,950 --> 00:44:12,720

people

798

00:44:17,510 --> 00:44:14,960

that's creepy man and you didn't think

799

00:44:20,710 --> 00:44:17,520

about moving or anything

800

00:44:21,430 --> 00:44:20,720

no i didn't move for uh i lived in the

801
00:44:23,349 --> 00:44:21,440
house for

802
00:44:25,510 --> 00:44:23,359
almost two years i think i think just

803
00:44:27,910 --> 00:44:25,520
over two years

804
00:44:29,910 --> 00:44:27,920
all around arbor says he's seen ghosts

805
00:44:31,430 --> 00:44:29,920
too

806
00:44:34,069 --> 00:44:31,440
i moved down the street actually it was

807
00:44:36,550 --> 00:44:34,079
funny i can walk from my one house to my

808
00:44:40,470 --> 00:44:36,560
new house

809
00:44:43,829 --> 00:44:40,480
wow and so you did the new owners of the

810
00:44:46,950 --> 00:44:43,839
old house still see ghosts actually

811
00:44:50,150 --> 00:44:46,960
um when i moved out the one

812
00:44:51,750 --> 00:44:50,160
people moved their fiance in and he

813
00:44:53,670 --> 00:44:51,760

flipped out because he kept seeing

814

00:44:56,550 --> 00:44:53,680

shadow people going up the stairs

815

00:44:58,390 --> 00:44:56,560

and in the kitchen and he saw him like

816

00:44:59,109 --> 00:44:58,400

way more than we did i think but yeah he

817

00:45:02,230 --> 00:44:59,119

was all

818

00:45:03,109 --> 00:45:02,240

straight lace and clean cut he was like

819

00:45:04,470 --> 00:45:03,119

what's going on

820

00:45:08,390 --> 00:45:04,480

he's just shadow people man it's not a

821

00:45:11,670 --> 00:45:10,470

but yeah so you're saying though that

822

00:45:14,950 --> 00:45:11,680

these

823

00:45:16,950 --> 00:45:14,960

the shadow people are what human spirits

824

00:45:18,790 --> 00:45:16,960

i have no idea what they are my best

825

00:45:20,069 --> 00:45:18,800

guess is interdimensional something i

826

00:45:22,150 --> 00:45:20,079

got no idea

827

00:45:23,190 --> 00:45:22,160

interdimensional something that's not

828

00:45:26,470 --> 00:45:23,200

very specific

829

00:45:27,990 --> 00:45:26,480

genocide trying to keep it vague

830

00:45:30,550 --> 00:45:28,000

i don't know i would think because of

831

00:45:32,550 --> 00:45:30,560

shadows and darkness there were demons

832

00:45:34,390 --> 00:45:32,560

genocide how do you know they weren't

833

00:45:39,430 --> 00:45:34,400

demons

834

00:45:42,390 --> 00:45:39,440

the chin and stuff but i'm not all about

835

00:45:43,510 --> 00:45:42,400

everything has to be evil no they might

836

00:45:44,309 --> 00:45:43,520

have been good they might have been

837

00:45:54,710 --> 00:45:44,319

angels

838

00:45:58,630 --> 00:45:56,550

yeah so i don't your wife wants me to do

839

00:46:00,150 --> 00:45:58,640

a story on shadow people but like

840

00:46:02,710 --> 00:46:00,160

the story that you just told is

841

00:46:05,109 --> 00:46:02,720

basically what you hear you know that

842

00:46:07,750 --> 00:46:05,119

yeah people see these shadow forms

843

00:46:10,309 --> 00:46:07,760

moving across the room

844

00:46:11,750 --> 00:46:10,319

you know uh a lot of times it comes with

845

00:46:15,109 --> 00:46:11,760

temperature inversion

846

00:46:19,030 --> 00:46:15,119

i found a few cases where people felt

847

00:46:21,190 --> 00:46:19,040

extremely cold and it was like you know

848

00:46:22,870 --> 00:46:21,200

i've had cold spots in houses yeah but

849

00:46:25,670 --> 00:46:22,880

it was like extremely cold

850

00:46:27,270 --> 00:46:25,680

and then they saw this thing and then

851

00:46:29,670 --> 00:46:27,280

the temperature went back to normal

852

00:46:30,390 --> 00:46:29,680

after whatever they were seeing was gone

853

00:46:33,430 --> 00:46:30,400

which is

854

00:46:36,790 --> 00:46:33,440

odd well in that house i never

855

00:46:38,790 --> 00:46:36,800

uh never felt anything really cold just

856

00:46:40,150 --> 00:46:38,800

we just would see shadows of the onion

857

00:46:42,230 --> 00:46:40,160

the corn indians look and something just

858

00:46:44,950 --> 00:46:42,240

move across the wall

859

00:46:46,309 --> 00:46:44,960

the doorway and you'd go look there

860

00:46:48,630 --> 00:46:46,319

would be nothing there

861

00:46:51,030 --> 00:46:48,640

and it got to we just ignored it because

862

00:46:54,710 --> 00:46:51,040

it wasn't doing anything it wasn't

863

00:46:55,270 --> 00:46:54,720

that's all it did so and we and i would

864

00:46:57,190 --> 00:46:55,280

think

865

00:46:58,950 --> 00:46:57,200

on one of the people was very skeptical

866

00:47:00,550 --> 00:46:58,960

and they're like it's cars going by and

867

00:47:01,349 --> 00:47:00,560

i'm like the windows the blinds are

868

00:47:04,470 --> 00:47:01,359

drawn

869

00:47:07,349 --> 00:47:04,480

there's no cars outside but

870

00:47:08,630 --> 00:47:07,359

yeah i saw that one time and it was just

871

00:47:09,349 --> 00:47:08,640

like that was well let's go upstairs

872

00:47:11,990 --> 00:47:09,359

let's go look

873

00:47:12,870 --> 00:47:12,000

there was nobody there nothing up there

874

00:47:15,030 --> 00:47:12,880

yeah i don't know i

875

00:47:15,990 --> 00:47:15,040

i never saw a ghost but when my father

876

00:47:19,030 --> 00:47:16,000

died i had to move

877

00:47:21,190 --> 00:47:19,040

into my parents old house and uh you

878

00:47:24,390 --> 00:47:21,200

know like right after he died

879

00:47:28,470 --> 00:47:24,400

like right after he died and

880

00:47:29,190 --> 00:47:28,480

uh and you know i swore that he was

881

00:47:32,950 --> 00:47:29,200

there

882

00:47:34,950 --> 00:47:32,960

then i thought that it may be just

883

00:47:35,990 --> 00:47:34,960

nostalgia or something you know because

884

00:47:39,349 --> 00:47:36,000

i hadn't

885

00:47:41,030 --> 00:47:39,359

for like 10 years

886

00:47:42,470 --> 00:47:41,040

you know i was like on the outs with my

887

00:47:44,790 --> 00:47:42,480

father and family

888

00:47:46,390 --> 00:47:44,800

really and then he you know people told

889

00:47:48,630 --> 00:47:46,400

me that he was dying so then we tried to

890

00:47:50,470 --> 00:47:48,640

make amends and you know and he told me

891

00:47:53,030 --> 00:47:50,480

he told me to go you know take care of

892

00:47:53,589 --> 00:47:53,040

your mother and it was just how my dad

893

00:47:55,750 --> 00:47:53,599

told me

894

00:47:56,950 --> 00:47:55,760

yeah it was just weird in that house i

895

00:48:00,870 --> 00:47:56,960

could feel him

896

00:48:03,030 --> 00:48:00,880

in that i swore he was there for a while

897

00:48:04,950 --> 00:48:03,040

and then the feeling lifted like three

898

00:48:07,030 --> 00:48:04,960

four days after he was buried

899

00:48:09,910 --> 00:48:07,040

i felt like i could feel that he was

900

00:48:11,670 --> 00:48:09,920

gone you know it was almost like he just

901
00:48:13,750 --> 00:48:11,680
stuck around for a little bit to make

902
00:48:16,069 --> 00:48:13,760
sure that i would keep my promise

903
00:48:16,870 --> 00:48:16,079
to take care of my mother or something

904
00:48:19,589 --> 00:48:16,880
you know

905
00:48:19,990 --> 00:48:19,599
i got that feeling like he's sticking

906
00:48:21,750 --> 00:48:20,000
around

907
00:48:23,829 --> 00:48:21,760
for a couple days to make sure i do what

908
00:48:26,950 --> 00:48:23,839
i promised him or whatever but

909
00:48:28,870 --> 00:48:26,960
i felt this strong presence of him all

910
00:48:31,710 --> 00:48:28,880
over that house for a few days

911
00:48:34,390 --> 00:48:31,720
and then it lifted no way and it felt

912
00:48:35,670 --> 00:48:34,400
like it was like my dad told me the same

913
00:48:37,030 --> 00:48:35,680

thing though you just got to say take

914

00:48:37,910 --> 00:48:37,040

care of your mom and i'm like yeah dad

915

00:48:40,069 --> 00:48:37,920

i'll take care of my

916

00:48:41,030 --> 00:48:40,079

no take care of your mom dad that's a

917

00:48:42,630 --> 00:48:41,040

heavy burden

918

00:48:45,190 --> 00:48:42,640

especially i don't know how old you were

919

00:48:45,670 --> 00:48:45,200

but i was in yeah i was in my early 20s

920

00:48:51,109 --> 00:48:45,680

so

921

00:48:54,710 --> 00:48:52,549

because my mom was like a career

922

00:48:56,069 --> 00:48:54,720

housewife she never really had a job

923

00:48:58,150 --> 00:48:56,079

and he knew that she wasn't going to be

924

00:49:01,109 --> 00:48:58,160

able to like get a job and pay bills or

925

00:49:02,470 --> 00:49:01,119

take care of things around the house so

926
00:49:05,030 --> 00:49:02,480
yeah

927
00:49:06,630 --> 00:49:05,040
my mom was retired my mom uh my dad was

928
00:49:08,630 --> 00:49:06,640
71 he died my mom

929
00:49:10,069 --> 00:49:08,640
passed away at 83 but she passed away

930
00:49:13,270 --> 00:49:10,079
two years later

931
00:49:14,390 --> 00:49:13,280
um my mom died and i was just

932
00:49:18,390 --> 00:49:14,400
heartbroken

933
00:49:19,910 --> 00:49:18,400
but after her funeral any presence of

934
00:49:21,750 --> 00:49:19,920
her was gone

935
00:49:22,950 --> 00:49:21,760
so like she was like you guys are okay

936
00:49:24,790 --> 00:49:22,960
i'm out of here

937
00:49:26,069 --> 00:49:24,800
you know i still every now and then feel

938
00:49:27,750 --> 00:49:26,079

my dad

939

00:49:29,910 --> 00:49:27,760

a couple years ago i was driving

940

00:49:31,750 --> 00:49:29,920

somewhere and i was listening to country

941

00:49:32,870 --> 00:49:31,760

music and all of a sudden i just felt my

942

00:49:34,790 --> 00:49:32,880

dad come just

943

00:49:36,630 --> 00:49:34,800

like oh i like country music and i just

944

00:49:37,990 --> 00:49:36,640

started crying while i was driving i was

945

00:49:39,510 --> 00:49:38,000

like what's wrong and i'm like i just

946

00:49:42,549 --> 00:49:39,520

feel like that

947

00:49:44,150 --> 00:49:42,559

yeah that's weird right maybe something

948

00:49:48,309 --> 00:49:44,160

can trigger that feeling

949

00:49:49,109 --> 00:49:48,319

yeah yeah maybe something can trigger

950

00:49:52,630 --> 00:49:49,119

that feeling

951
00:49:57,109 --> 00:49:52,640
like and and bring them back

952
00:49:59,270 --> 00:49:57,119
you know my dad was a huge country fan

953
00:50:02,390 --> 00:49:59,280
you know wayland jennings willie nelson

954
00:50:03,829 --> 00:50:02,400
oh man me and my brother hated driving

955
00:50:05,430 --> 00:50:03,839
in the car with my dad because

956
00:50:08,150 --> 00:50:05,440
and i never understood it because he

957
00:50:11,430 --> 00:50:08,160
like grew up in philadelphia

958
00:50:13,750 --> 00:50:11,440
and it was in the you know he was like

959
00:50:15,430 --> 00:50:13,760
grew up in in this in this you know like

960
00:50:18,069 --> 00:50:15,440
60s summer of love

961
00:50:18,630 --> 00:50:18,079
you'd think he'd be a rock dude nope he

962
00:50:21,510 --> 00:50:18,640
liked

963
00:50:22,710 --> 00:50:21,520

garbage country music man well no it's

964

00:50:24,390 --> 00:50:22,720

not garbage but it's just

965

00:50:26,549 --> 00:50:24,400

i hated country music could you imagine

966

00:50:27,670 --> 00:50:26,559

like going on well you i guess you could

967

00:50:29,510 --> 00:50:27,680

your deadlift country was just a

968

00:50:31,829 --> 00:50:29,520

two-hour ride somewhere

969

00:50:33,589 --> 00:50:31,839

yeah and my dad's blasting like the oak

970

00:50:36,069 --> 00:50:33,599

ridge boys and he always had like a

971

00:50:38,549 --> 00:50:36,079

kick-ass stereo system in his van

972

00:50:40,870 --> 00:50:38,559

you know and he's just like blasting the

973

00:50:45,109 --> 00:50:40,880

oak ridge boys are willie nelson

974

00:50:46,870 --> 00:50:45,119

kenny rogers oh i hated that stuff

975

00:50:49,030 --> 00:50:46,880

but to this day when i hear one of those

976
00:50:51,190 --> 00:50:49,040
songs i think about my dad and driving

977
00:50:53,190 --> 00:50:51,200
in the van with him you know my dad

978
00:50:55,109 --> 00:50:53,200
turned me on to johnny horton who i

979
00:50:58,790 --> 00:50:55,119
still love to this day

980
00:51:00,870 --> 00:50:58,800
johnny cash uh waylon jennings

981
00:51:02,870 --> 00:51:00,880
willie nelson i mean all the outlaw to

982
00:51:03,270 --> 00:51:02,880
be out what country but he listened to

983
00:51:05,510 --> 00:51:03,280
bad

984
00:51:06,390 --> 00:51:05,520
country radio and in the 80s when we go

985
00:51:07,990 --> 00:51:06,400
hunting

986
00:51:09,829 --> 00:51:08,000
that was all you would hear was the

987
00:51:12,950 --> 00:51:09,839
judge

988
00:51:15,270 --> 00:51:12,960

yeah same [h__\h] with my dad yeah

989

00:51:17,349 --> 00:51:15,280

but i do have to say like i was junior

990

00:51:20,790 --> 00:51:17,359

but joe decided i was happy

991

00:51:23,829 --> 00:51:20,800

for one thing of all that country music

992

00:51:27,510 --> 00:51:23,839

the oak ridge boys because

993

00:51:28,710 --> 00:51:27,520

i had to learn you know like i basically

994

00:51:31,430 --> 00:51:28,720

learned how to sing

995

00:51:32,630 --> 00:51:31,440

harmonies by listening to that stuff you

996

00:51:33,990 --> 00:51:32,640

know if you ever listen to oak ridge

997

00:51:35,750 --> 00:51:34,000

boys there's like four

998

00:51:37,750 --> 00:51:35,760

octaves in there so you know they have

999

00:51:38,069 --> 00:51:37,760

the low voice the super high voice the

1000

00:51:41,030 --> 00:51:38,079

mid

1001
00:51:42,790 --> 00:51:41,040
voice yeah and i learned how to do that

1002
00:51:44,390 --> 00:51:42,800
from the oak ridge boys and later when i

1003
00:51:46,309 --> 00:51:44,400
was in rock bands i was

1004
00:51:48,150 --> 00:51:46,319
dangerous in a recording studio because

1005
00:51:51,430 --> 00:51:48,160
i could overdub

1006
00:51:54,470 --> 00:51:51,440
you know the lower parts you know and it

1007
00:51:57,510 --> 00:51:56,069
yeah i can't say i could barely play

1008
00:52:06,630 --> 00:51:57,520
guitar yeah i mean

1009
00:52:10,630 --> 00:52:08,630
i had a self-sustaining sometimes

1010
00:52:11,670 --> 00:52:10,640
self-sustaining hobby that took me to

1011
00:52:16,230 --> 00:52:11,680
amazing

1012
00:52:20,710 --> 00:52:16,240
but it just never

1013
00:52:24,390 --> 00:52:22,390

we got paid in beer and we thought that

1014

00:52:24,950 --> 00:52:24,400

was a good time oh i did those shows

1015

00:52:28,150 --> 00:52:24,960

coming up

1016

00:52:30,630 --> 00:52:28,160

we paid

1017

00:52:31,349 --> 00:52:30,640

for a place that we could just do a show

1018

00:52:33,270 --> 00:52:31,359

you know

1019

00:52:34,549 --> 00:52:33,280

we did that but then we sold tickets so

1020

00:52:37,990 --> 00:52:34,559

we got the money back

1021

00:52:39,750 --> 00:52:38,000

and it was like yeah yeah

1022

00:52:41,190 --> 00:52:39,760

yeah we split everything with the bands

1023

00:52:42,870 --> 00:52:41,200

uh four ways there's four bands we

1024

00:52:44,870 --> 00:52:42,880

rented out of grange

1025

00:52:50,069 --> 00:52:44,880

and i think it was five dollars ahead

1026
00:52:56,870 --> 00:52:53,990
i once did a show where it was 15 bands

1027
00:52:57,349 --> 00:52:56,880
right though it was 15 it was like all

1028
00:52:59,510 --> 00:52:57,359
day

1029
00:53:01,190 --> 00:52:59,520
you know like some of the night and it

1030
00:53:04,470 --> 00:53:01,200
was in a church hall

1031
00:53:06,549 --> 00:53:04,480
and it was three dollars to get in

1032
00:53:07,750 --> 00:53:06,559
we did we did we had a friend's house

1033
00:53:09,990 --> 00:53:07,760
and it was a all-day

1034
00:53:12,230 --> 00:53:10,000
thing but it was free to get in and i

1035
00:53:12,710 --> 00:53:12,240
ate a marijuana cookie really early in

1036
00:53:15,349 --> 00:53:12,720
the day

1037
00:53:16,390 --> 00:53:15,359
we had a switch from like a 2 p.m which

1038
00:53:18,950 --> 00:53:16,400

was prime we

1039

00:53:19,910 --> 00:53:18,960

wanted to play or one was drunk yet and

1040

00:53:21,670 --> 00:53:19,920

there was just

1041

00:53:22,950 --> 00:53:21,680

getting there to six because i was too

1042

00:53:24,870 --> 00:53:22,960

high to play bass

1043

00:53:28,390 --> 00:53:24,880

and halfway through a song i stopped to

1044

00:53:29,430 --> 00:53:28,400

watch a plane fly overhead i didn't know

1045

00:53:33,910 --> 00:53:29,440

you played bass

1046

00:53:34,870 --> 00:53:33,920

are you good no damn i could use a good

1047

00:53:43,589 --> 00:53:34,880

bass player

1048

00:53:46,950 --> 00:53:43,599

so you know i've heard that yeah

1049

00:53:48,950 --> 00:53:46,960

i just do i try i was just gonna

1050

00:53:50,470 --> 00:53:48,960

i wanted to be yo you know i can't i

1051
00:53:52,390 --> 00:53:50,480
gotta say i have had

1052
00:53:54,309 --> 00:53:52,400
and i couldn't pull any of them off yeah

1053
00:53:57,190 --> 00:53:54,319
that happens i have had

1054
00:53:57,750 --> 00:53:57,200
a bunch of different bass players and uh

1055
00:54:02,069 --> 00:53:57,760
like

1056
00:54:03,349 --> 00:54:02,079
their abilities because i've had guys

1057
00:54:06,069 --> 00:54:03,359
that could barely play

1058
00:54:06,870 --> 00:54:06,079
they were [h__\h] terrible i had one guy

1059
00:54:08,870 --> 00:54:06,880
and but it was

1060
00:54:10,150 --> 00:54:08,880
like a computer band and like most of

1061
00:54:11,349 --> 00:54:10,160
the music was coming from the computer

1062
00:54:13,109 --> 00:54:11,359
so it didn't really matter he just

1063
00:54:16,069 --> 00:54:13,119

wanted some bodies on stage

1064

00:54:17,910 --> 00:54:16,079

but he could even like play in time

1065

00:54:20,230 --> 00:54:17,920

right so we just like yeah

1066

00:54:21,670 --> 00:54:20,240

we just turned his amp way down and just

1067

00:54:24,710 --> 00:54:21,680

played the computer tracks

1068

00:54:26,630 --> 00:54:24,720

and nobody knew i used to play i used to

1069

00:54:28,549 --> 00:54:26,640

play the story base

1070

00:54:30,150 --> 00:54:28,559

just because i had a guitar amp i just

1071

00:54:32,710 --> 00:54:30,160

put the distortion up and played that

1072

00:54:34,309 --> 00:54:32,720

way and didn't take anything didn't care

1073

00:54:36,230 --> 00:54:34,319

and then then it blew and i bought a

1074

00:54:38,390 --> 00:54:36,240

bass yeah but i'm like oh wow it sounds

1075

00:54:39,990 --> 00:54:38,400

so much better like this yeah

1076

00:54:41,589 --> 00:54:40,000

oh that's the way it's supposed to say

1077

00:54:44,950 --> 00:54:41,599

oh yeah

1078

00:54:47,510 --> 00:54:44,960

what you're talking about yeah for years

1079

00:54:49,270 --> 00:54:47,520

i had a like a guitar amp and a mic

1080

00:54:51,109 --> 00:54:49,280

that's what i sang through so like if

1081

00:54:52,470 --> 00:54:51,119

you went to somebody else's band

1082

00:54:57,829 --> 00:54:52,480

you know like i didn't carry a whole pi

1083

00:55:02,309 --> 00:54:59,430

yeah i remember that you were in some

1084

00:55:02,789 --> 00:55:02,319

[h__\h] garage sweating your balls off

1085

00:55:05,510 --> 00:55:02,799

right

1086

00:55:06,789 --> 00:55:05,520

but like you loved it i loved it i

1087

00:55:08,630 --> 00:55:06,799

wouldn't take

1088

00:55:09,990 --> 00:55:08,640

that the only thing i would change is

1089

00:55:13,829 --> 00:55:10,000

that i would probably

1090

00:55:15,109 --> 00:55:13,839

uh i don't know i think i would probably

1091

00:55:16,870 --> 00:55:15,119

have spent more time

1092

00:55:18,470 --> 00:55:16,880

in a group and less time trying to do

1093

00:55:22,870 --> 00:55:18,480

solo records because that

1094

00:55:25,270 --> 00:55:22,880

sucks it's like all the stress is on you

1095

00:55:26,789 --> 00:55:25,280

right but i called it a band and i tried

1096

00:55:29,030 --> 00:55:26,799

to get band members it just never worked

1097

00:55:31,670 --> 00:55:29,040

out so it basically turned into

1098

00:55:32,630 --> 00:55:31,680

i did everything and then i got guys to

1099

00:55:35,589 --> 00:55:32,640

play

1100

00:55:36,150 --> 00:55:35,599

the shows live and that sucks i i think

1101

00:55:37,750 --> 00:55:36,160

i was

1102

00:55:39,670 --> 00:55:37,760

i should have spent more time in a group

1103

00:55:40,870 --> 00:55:39,680

where everybody's responsible and has to

1104

00:55:43,270 --> 00:55:40,880

do something

1105

00:55:44,789 --> 00:55:43,280

but in my experience bands sucked and

1106

00:55:45,510 --> 00:55:44,799

nobody did anything that they were

1107

00:55:47,190 --> 00:55:45,520

supposed to do

1108

00:55:49,430 --> 00:55:47,200

so i got a bad taste in my mouth about

1109

00:55:51,430 --> 00:55:49,440

bands and said [h__\h] this i'll do it all

1110

00:55:54,069 --> 00:55:51,440

myself at least i know it'll get done

1111

00:55:55,990 --> 00:55:54,079

you know only thing i really miss about

1112

00:55:58,309 --> 00:55:56,000

bands is when you're jamming with people

1113

00:56:00,390 --> 00:55:58,319

you're writing songs and all of a sudden

1114

00:56:03,430 --> 00:56:00,400

a half hour goes by you're just playing

1115

00:56:05,829 --> 00:56:03,440

that one riff over and over like

1116

00:56:07,510 --> 00:56:05,839

probably because you were high because

1117

00:56:09,349 --> 00:56:07,520

that high

1118

00:56:10,950 --> 00:56:09,359

yeah well we were sometimes we were high

1119

00:56:13,190 --> 00:56:10,960

sometimes we were sober we just got that

1120

00:56:15,030 --> 00:56:13,200

natural high from playing

1121

00:56:17,349 --> 00:56:15,040

i don't miss some of this stuff though

1122

00:56:18,390 --> 00:56:17,359

like i always had these guitar players

1123

00:56:20,470 --> 00:56:18,400

that were annoying

1124

00:56:22,630 --> 00:56:20,480

and they would spend like an inordinate

1125

00:56:24,150 --> 00:56:22,640

amount of time noodling and [h__\h]

1126
00:56:26,870 --> 00:56:24,160
tuning their guitars

1127
00:56:27,829 --> 00:56:26,880
and that and really loud you know so

1128
00:56:31,750 --> 00:56:27,839
like

1129
00:56:34,470 --> 00:56:31,760
the guitar

1130
00:56:35,670 --> 00:56:34,480
with a tuner and let's [h__h] rehearse

1131
00:56:37,270 --> 00:56:35,680
i'm not going to sit here and listen you

1132
00:56:39,829 --> 00:56:37,280
[h__h] noodle for a half hour

1133
00:56:41,190 --> 00:56:39,839
my guitar player we played and dropped

1134
00:56:43,750 --> 00:56:41,200
and we played in d

1135
00:56:46,230 --> 00:56:43,760
and we do some songs and drop c and i'm

1136
00:56:47,510 --> 00:56:46,240
just i just walk up to my basement

1137
00:56:49,349 --> 00:56:47,520
i don't know what you're doing i like

1138
00:56:51,430 --> 00:56:49,359

playing an e and he'd be like

1139

00:56:54,069 --> 00:56:51,440

he tuned my bass better than i could by

1140

00:56:56,870 --> 00:56:54,079

ear i hated this guy

1141

00:56:57,829 --> 00:56:56,880

he's a fabulous music musician though

1142

00:57:00,150 --> 00:56:57,839

yeah i've had

1143

00:57:01,910 --> 00:57:00,160

everything dude i've had some guys that

1144

00:57:03,349 --> 00:57:01,920

like there's no way on god's green earth

1145

00:57:05,349 --> 00:57:03,359

they should have been playing with me

1146

00:57:07,109 --> 00:57:05,359

you know i was just like a rock screamer

1147

00:57:10,069 --> 00:57:07,119

guy wrote good hooks

1148

00:57:12,309 --> 00:57:10,079

but i a couple of guys that i had i was

1149

00:57:15,349 --> 00:57:12,319

like i cannot believe it i have one guy

1150

00:57:18,230 --> 00:57:15,359

this just amazing bass player uh

1151
00:57:19,910 --> 00:57:18,240
and then i thought i'll never have a

1152
00:57:21,589 --> 00:57:19,920
bass player as good as him

1153
00:57:23,349 --> 00:57:21,599
and then i got a bass player later that

1154
00:57:25,109 --> 00:57:23,359
was probably way better than him

1155
00:57:27,109 --> 00:57:25,119
you know and then guitar players i had a

1156
00:57:28,950 --> 00:57:27,119
few that were like ridiculous good but

1157
00:57:31,190 --> 00:57:28,960
they were too good for the kind of music

1158
00:57:34,710 --> 00:57:31,200
i was doing which is just very simple

1159
00:57:36,789 --> 00:57:34,720
you know riffs you know i always thought

1160
00:57:39,030 --> 00:57:36,799
it was funny because i'm a metal guy

1161
00:57:40,470 --> 00:57:39,040
i played punk rock metal industrial and

1162
00:57:43,030 --> 00:57:40,480
stuff like that but

1163
00:57:43,670 --> 00:57:43,040

in the metal community you have guys

1164

00:57:47,430 --> 00:57:43,680

that

1165

00:57:49,190 --> 00:57:47,440

just power chords and no solos

1166

00:57:50,630 --> 00:57:49,200

and then you have the guy that was doing

1167

00:57:52,309 --> 00:57:50,640

they wanted to play warren that was

1168

00:57:54,710 --> 00:57:52,319

doing arpeggios

1169

00:57:56,630 --> 00:57:54,720

i'd be like come on can we just get

1170

00:57:59,990 --> 00:57:56,640

along so we just

1171

00:58:01,910 --> 00:58:00,000

you know everything you know

1172

00:58:03,349 --> 00:58:01,920

how to play that stuff yeah you know

1173

00:58:05,030 --> 00:58:03,359

what that reminds me too is that's

1174

00:58:06,470 --> 00:58:05,040

another part about being in a band is

1175

00:58:08,950 --> 00:58:06,480

like you got to deal with these three or

1176

00:58:11,109 --> 00:58:08,960

four other guys and all their [h__h]

1177

00:58:13,270 --> 00:58:11,119

becomes your [h__h] and all their problems

1178

00:58:15,829 --> 00:58:13,280

sort of become your problems you know

1179

00:58:18,150 --> 00:58:15,839

like i had some losers man

1180

00:58:19,109 --> 00:58:18,160

sometimes it's like steve uh i'm gonna

1181

00:58:21,030 --> 00:58:19,119

need some money

1182

00:58:22,950 --> 00:58:21,040

to buy some guitar strings and i'm like

1183

00:58:23,990 --> 00:58:22,960

[h__h] really i gotta buy you

1184

00:58:27,910 --> 00:58:24,000

guitar strings

1185

00:58:29,510 --> 00:58:27,920

you know like drumsticks

1186

00:58:31,430 --> 00:58:29,520

yeah it's time to get a new guitar

1187

00:58:33,349 --> 00:58:31,440

player with with their own

1188

00:58:34,870 --> 00:58:33,359

you know guitar strings imagine that

1189

00:58:36,870 --> 00:58:34,880

[h__\h]

1190

00:58:38,230 --> 00:58:36,880

yeah and then i guess i played in a bad

1191

00:58:40,710 --> 00:58:38,240

one i was in

1192

00:58:42,309 --> 00:58:40,720

i didn't have any equipment i mean i had

1193

00:58:43,910 --> 00:58:42,319

a i had a guitar and an amp but they

1194

00:58:45,750 --> 00:58:43,920

want me to play bass

1195

00:58:47,589 --> 00:58:45,760

and so i got a guitar app and they're

1196

00:58:49,190 --> 00:58:47,599

like no we got a bass amp for you we got

1197

00:58:50,470 --> 00:58:49,200

a bass for you to play it was his death

1198

00:58:53,430 --> 00:58:50,480

metal band

1199

00:58:54,710 --> 00:58:53,440

and i went okay and if you ever heard

1200

00:58:56,390 --> 00:58:54,720

bolt thrower

1201
00:58:58,870 --> 00:58:56,400
they never repeated anything in their

1202
00:59:02,789 --> 00:58:58,880
songs and that's how this band was

1203
00:59:06,470 --> 00:59:02,799
every song was 20 riffs

1204
00:59:10,069 --> 00:59:08,630
i don't know if i could do this so i

1205
00:59:13,190 --> 00:59:10,079
learned three of the songs

1206
00:59:14,549 --> 00:59:13,200
and the lead singer uh i didn't know

1207
00:59:16,069 --> 00:59:14,559
this but he had a best friend that he

1208
00:59:17,510 --> 00:59:16,079
wanted in the band so he taught him to

1209
00:59:18,870 --> 00:59:17,520
play all the bass

1210
00:59:20,470 --> 00:59:18,880
because the lead singer was the bass

1211
00:59:21,430 --> 00:59:20,480
player but he could do the cookie

1212
00:59:23,510 --> 00:59:21,440
monster vocals

1213
00:59:25,030 --> 00:59:23,520

so he became the singer he didn't want

1214

00:59:26,549 --> 00:59:25,040

to play bass and sing

1215

00:59:28,150 --> 00:59:26,559

so he taught his best friend all the

1216

00:59:29,670 --> 00:59:28,160

bass lines so then they come back and

1217

00:59:30,950 --> 00:59:29,680

they kick me out for this guy and i'm

1218

00:59:32,390 --> 00:59:30,960

like all right

1219

00:59:35,510 --> 00:59:32,400

and then they got mad because that guy

1220

00:59:36,549 --> 00:59:35,520

couldn't double pick for some reason

1221

00:59:38,150 --> 00:59:36,559

and they're like well maybe we'll have

1222

00:59:40,150 --> 00:59:38,160

you back at least you can double pick

1223

00:59:43,750 --> 00:59:40,160

and i'm like nah dude you guys lost me

1224

00:59:45,990 --> 00:59:43,760

i'm sorry yeah i never went yeah i i

1225

00:59:47,109 --> 00:59:46,000

never like you know and that's another

1226

00:59:49,030 --> 00:59:47,119

thing too with bands is

1227

00:59:50,470 --> 00:59:49,040

there's a lot of like weird backstabbing

1228

00:59:52,789 --> 00:59:50,480

[h__\h] that goes on

1229

00:59:54,309 --> 00:59:52,799

and i can't stand that stuff like you

1230

00:59:55,510 --> 00:59:54,319

know i had like one of my best friends

1231

00:59:58,309 --> 00:59:55,520

lie to my face

1232

00:59:58,870 --> 00:59:58,319

uh about like a set order in other words

1233

01:00:00,870 --> 00:59:58,880

like

1234

01:00:02,309 --> 01:00:00,880

i said we'll do the show but we're not

1235

01:00:03,990 --> 01:00:02,319

going first because we got

1236

01:00:05,510 --> 01:00:04,000

[h__\h] into going first there was nobody

1237

01:00:07,510 --> 01:00:05,520

in the club there yet

1238

01:00:08,549 --> 01:00:07,520

you know it was like busy club great

1239

01:00:10,309 --> 01:00:08,559

venue but

1240

01:00:11,670 --> 01:00:10,319

you got to go on at nine or ten if

1241

01:00:14,470 --> 01:00:11,680

you're going on at

1242

01:00:15,829 --> 01:00:14,480

eight seven or eight it it's not worth

1243

01:00:16,870 --> 01:00:15,839

dragging all your [h__h] down there and

1244

01:00:19,430 --> 01:00:16,880

doing the show for

1245

01:00:21,109 --> 01:00:19,440

an or you know an audience of 20 or so

1246

01:00:22,950 --> 01:00:21,119

so

1247

01:00:25,430 --> 01:00:22,960

they wanted us to do it again and we did

1248

01:00:28,630 --> 01:00:25,440

i said sure but we can't be the first

1249

01:00:30,390 --> 01:00:28,640

you know the opening act and then we got

1250

01:00:32,150 --> 01:00:30,400

he basically lied straight to my face

1251
01:00:33,910 --> 01:00:32,160
and said that the band that was supposed

1252
01:00:35,750 --> 01:00:33,920
to be the opening band

1253
01:00:37,990 --> 01:00:35,760
couldn't make it for some reason and you

1254
01:00:39,589 --> 01:00:38,000
have to be the opening band now

1255
01:00:42,069 --> 01:00:39,599
and that was total [h__\h] like we

1256
01:00:45,349 --> 01:00:42,079
found out that never happened

1257
01:00:47,270 --> 01:00:45,359
and just all that stuff we're like i i

1258
01:00:49,349 --> 01:00:47,280
i can't tell you how many bands i

1259
01:00:51,750 --> 01:00:49,359
auditioned for as a singer

1260
01:00:53,750 --> 01:00:51,760
whose current singer did not know that

1261
01:00:55,510 --> 01:00:53,760
the band was behind their back holding

1262
01:00:56,950 --> 01:00:55,520
auditions for a new singer

1263
01:00:58,870 --> 01:00:56,960

do you know what i mean like that's

1264

01:01:01,270 --> 01:00:58,880

backstabbing [\h__\h]

1265

01:01:02,549 --> 01:01:01,280

one of the bands that i was in they were

1266

01:01:06,309 --> 01:01:02,559

already talking about

1267

01:01:08,309 --> 01:01:06,319

replacing me before i quit got fired

1268

01:01:16,470 --> 01:01:08,319

yeah i always loved that too that's what

1269

01:01:20,710 --> 01:01:18,390

because you got this other guy to play

1270

01:01:21,510 --> 01:01:20,720

bass you got you got to practice with

1271

01:01:24,150 --> 01:01:21,520

them well it's because we

1272

01:01:25,829 --> 01:01:24,160

know you would show up well i did show

1273

01:01:27,670 --> 01:01:25,839

up so i can't blame you for that

1274

01:01:29,270 --> 01:01:27,680

but yeah that's awkward you show up to

1275

01:01:30,150 --> 01:01:29,280

band practice and there's another bass

1276

01:01:34,150 --> 01:01:30,160

player there like

1277

01:01:37,670 --> 01:01:34,160

uh i always like that term too

1278

01:01:40,950 --> 01:01:37,680

i love that term like we fired him

1279

01:01:43,430 --> 01:01:40,960

we fired who we fired whoever

1280

01:01:44,549 --> 01:01:43,440

but it's like you get fired in a rock

1281

01:01:47,589 --> 01:01:44,559

band and it's like

1282

01:01:50,150 --> 01:01:47,599

wait i got fired from this band that

1283

01:01:51,190 --> 01:01:50,160

barely ever paid me that i had to work

1284

01:01:54,630 --> 01:01:51,200

for nothing

1285

01:01:55,190 --> 01:01:54,640

for like a year for but yeah we i got

1286

01:01:57,190 --> 01:01:55,200

fired

1287

01:01:59,349 --> 01:01:57,200

or if you're in the band you say yeah we

1288

01:02:05,029 --> 01:01:59,359

fired that guitar player he was a

1289

01:02:10,069 --> 01:02:08,069

that was okay yeah yeah i dealt with a

1290

01:02:12,549 --> 01:02:10,079

lot of guys like

1291

01:02:13,829 --> 01:02:12,559

and i was i was at the show and i'm like

1292

01:02:15,990 --> 01:02:13,839

hey you don't want

1293

01:02:18,230 --> 01:02:16,000

nope all right and then he shows up and

1294

01:02:18,549 --> 01:02:18,240

he ties out like have fun guys i said i

1295

01:02:19,829 --> 01:02:18,559

was

1296

01:02:22,950 --> 01:02:19,839

actually a really good joke if i had a

1297

01:02:27,190 --> 01:02:22,960

blast no i don't know i

1298

01:02:29,349 --> 01:02:27,200

i once i i kind of was like

1299

01:02:30,309 --> 01:02:29,359

really really intensely focused on doing

1300

01:02:32,390 --> 01:02:30,319

a good show

1301
01:02:33,510 --> 01:02:32,400
so i would never do anything before the

1302
01:02:35,829 --> 01:02:33,520
show i was a

1303
01:02:37,910 --> 01:02:35,839
after show guy like after the show

1304
01:02:40,309 --> 01:02:37,920
especially if the show goes good

1305
01:02:42,470 --> 01:02:40,319
let's let it rip and you know celebrate

1306
01:02:44,390 --> 01:02:42,480
a good performance but not

1307
01:02:46,150 --> 01:02:44,400
you know but then i did have my times

1308
01:02:47,910 --> 01:02:46,160
where i did and i [h__h] up

1309
01:02:51,510 --> 01:02:47,920
you know one time i got drunk so drunk

1310
01:02:55,190 --> 01:02:53,029
yeah we used to we have some beers

1311
01:02:58,150 --> 01:02:55,200
before the show and i learned my lesson

1312
01:02:59,589 --> 01:02:58,160
edibles before a show but yeah after the

1313
01:03:00,069 --> 01:02:59,599

show is when the fun at our league

1314

01:03:03,029 --> 01:03:00,079

singer

1315

01:03:03,910 --> 01:03:03,039

uh we get so nervous playing that he

1316

01:03:05,990 --> 01:03:03,920

would actually

1317

01:03:07,430 --> 01:03:06,000

he was under age too which was funny he

1318

01:03:09,589 --> 01:03:07,440

would jump off the stage run to the

1319

01:03:10,630 --> 01:03:09,599

bathroom between songs threw up and come

1320

01:03:13,829 --> 01:03:10,640

back on the stage

1321

01:03:16,069 --> 01:03:13,839

oh i did i did that i i did that

1322

01:03:17,990 --> 01:03:16,079

like i think it was like a first it

1323

01:03:19,190 --> 01:03:18,000

wasn't my first show the first show that

1324

01:03:20,950 --> 01:03:19,200

i ever did

1325

01:03:22,630 --> 01:03:20,960

i i don't know why but i felt the

1326

01:03:24,470 --> 01:03:22,640

supreme confidence like

1327

01:03:26,549 --> 01:03:24,480

i rehearsed really well and it was just

1328

01:03:28,789 --> 01:03:26,559

me a computer and a guitar player

1329

01:03:30,950 --> 01:03:28,799

and i i was totally confident and i was

1330

01:03:34,150 --> 01:03:30,960

fine and i wasn't scared

1331

01:03:35,349 --> 01:03:34,160

or anything and then i think i [h__h] up

1332

01:03:38,069 --> 01:03:35,359

like that show went

1333

01:03:38,390 --> 01:03:38,079

good and then i got this ego right away

1334

01:03:40,950 --> 01:03:38,400

and

1335

01:03:42,230 --> 01:03:40,960

somebody offered me a pretty big show

1336

01:03:44,309 --> 01:03:42,240

and there was

1337

01:03:45,829 --> 01:03:44,319

[h__h] tons of people there and i show up

1338

01:03:46,230 --> 01:03:45,839

to the show and i'm looking around at

1339

01:03:49,670 --> 01:03:46,240

this

1340

01:03:51,589 --> 01:03:49,680

huge crowd of kids you know and i got so

1341

01:03:54,710 --> 01:03:51,599

nervous i went in the bathroom and

1342

01:03:57,270 --> 01:03:54,720

first i [h__h] like

1343

01:03:58,870 --> 01:03:57,280

i [h__h] like a polar bear and then i

1344

01:03:59,990 --> 01:03:58,880

started puking and i couldn't stop

1345

01:04:03,190 --> 01:04:00,000

puking

1346

01:04:04,710 --> 01:04:03,200

for like 20 25 minutes i puked almost

1347

01:04:05,910 --> 01:04:04,720

right up to the time where i had to go

1348

01:04:07,750 --> 01:04:05,920

under the stage

1349

01:04:09,589 --> 01:04:07,760

right so i get done puking and i was

1350

01:04:12,789 --> 01:04:09,599

just like all right i got it out

1351

01:04:16,549 --> 01:04:12,799

um i got a show to do and i did great

1352

01:04:20,069 --> 01:04:19,190

i remember uh what bad i was in misery

1353

01:04:21,430 --> 01:04:20,079

seed

1354

01:04:23,270 --> 01:04:21,440

we were supposed to play with this

1355

01:04:24,069 --> 01:04:23,280

california band it was supposed to be

1356

01:04:25,750 --> 01:04:24,079

like

1357

01:04:27,430 --> 01:04:25,760

they're coming up to washington they're

1358

01:04:29,430 --> 01:04:27,440

going to be playing bremerton

1359

01:04:31,829 --> 01:04:29,440

it's just going to be this great show

1360

01:04:33,910 --> 01:04:31,839

and they break down in oregon

1361

01:04:35,670 --> 01:04:33,920

there they have this another band was

1362

01:04:37,829 --> 01:04:35,680

with them and i don't remember

1363

01:04:39,190 --> 01:04:37,839

neither band's names and then the other

1364

01:04:39,589 --> 01:04:39,200

band that was from local was going to

1365

01:04:42,150 --> 01:04:39,599

open

1366

01:04:43,109 --> 01:04:42,160

up heard that they broke down so they

1367

01:04:46,630 --> 01:04:43,119

canceled

1368

01:04:47,990 --> 01:04:46,640

and we showed up we have 45 minutes

1369

01:04:50,870 --> 01:04:48,000

worth of material and they go

1370

01:04:52,309 --> 01:04:50,880

hey can you guys play two hours we play

1371

01:04:55,589 --> 01:04:52,319

every song twice

1372

01:04:58,069 --> 01:04:55,599

and we did that place packed out and it

1373

01:04:59,750 --> 01:04:58,079

was just like there was leaves

1374

01:05:01,670 --> 01:04:59,760

oh those kind of things were great

1375

01:05:03,270 --> 01:05:01,680

though and yeah i did a show like that

1376

01:05:04,230 --> 01:05:03,280

once where we showed up and we only had

1377

01:05:07,270 --> 01:05:04,240

a half hour

1378

01:05:09,190 --> 01:05:07,280

and somebody didn't show and uh and the

1379

01:05:10,390 --> 01:05:09,200

guy who was running the show said can

1380

01:05:12,069 --> 01:05:10,400

you guys play for like an

1381

01:05:14,390 --> 01:05:12,079

hour because so-and-so didn't show up

1382

01:05:16,710 --> 01:05:14,400

and i go sure and the guitar player is

1383

01:05:18,710 --> 01:05:16,720

looking at me like

1384

01:05:20,309 --> 01:05:18,720

what the [h__\h] you know like what the

1385

01:05:23,029 --> 01:05:20,319

[h__\h] are we gonna play for an

1386

01:05:24,630 --> 01:05:23,039

hour and i'm like you know all those new

1387

01:05:26,549 --> 01:05:24,640

songs that we never finished

1388

01:05:28,630 --> 01:05:26,559

we're going to rehearse them live and

1389

01:05:30,549 --> 01:05:28,640

i'm going to improv lyrics and vocals

1390

01:05:33,349 --> 01:05:30,559

because we don't really have them yet

1391

01:05:34,230 --> 01:05:33,359

just [h__h] just improv and actually it

1392

01:05:36,309 --> 01:05:34,240

went great

1393

01:05:37,910 --> 01:05:36,319

you know because they had the basic

1394

01:05:38,470 --> 01:05:37,920

riffs and then everybody just did a

1395

01:05:41,670 --> 01:05:38,480

little bit of

1396

01:05:43,510 --> 01:05:41,680

improv so we stretched the hour and then

1397

01:05:44,950 --> 01:05:43,520

the band sort of trusted me after that

1398

01:05:47,190 --> 01:05:44,960

but they were like pissed

1399

01:05:48,789 --> 01:05:47,200

like what the [h__h] did you tell him we

1400

01:05:51,029 --> 01:05:48,799

have an hour for

1401

01:05:52,950 --> 01:05:51,039

it's great i watched a band with uh it

1402

01:05:53,750 --> 01:05:52,960

was like three guys that i know four

1403

01:05:56,950 --> 01:05:53,760

guys that i know

1404

01:05:57,349 --> 01:05:56,960

and you and it was just all right uh

1405

01:05:59,430 --> 01:05:57,359

they

1406

01:06:00,710 --> 01:05:59,440

never practiced ever played together and

1407

01:06:02,470 --> 01:06:00,720

they'd be like all right we need some

1408

01:06:04,069 --> 01:06:02,480

ideas i'm gonna play the death metal

1409

01:06:05,190 --> 01:06:04,079

song and then the guitar player starts

1410

01:06:06,630 --> 01:06:05,200

playing a riff

1411

01:06:08,630 --> 01:06:06,640

and all this stuff and then they wrote

1412

01:06:09,990 --> 01:06:08,640

songs and it was just verse chords verse

1413

01:06:12,470 --> 01:06:10,000

very very bonesy

1414

01:06:13,270 --> 01:06:12,480

but it was just a blast because they

1415

01:06:14,789 --> 01:06:13,280

never played

1416

01:06:16,710 --> 01:06:14,799

they were just writing songs on stage

1417

01:06:18,309 --> 01:06:16,720

and playing them and they were such they

1418

01:06:20,950 --> 01:06:18,319

were good enough musicians and drunk

1419

01:06:23,589 --> 01:06:20,960

enough that they pulled it off

1420

01:06:24,470 --> 01:06:23,599

yeah boy i had some crazy nights doing

1421

01:06:27,990 --> 01:06:24,480

that stuff

1422

01:06:30,069 --> 01:06:28,000

and uh it's a wonder i didn't ever die

1423

01:06:31,670 --> 01:06:30,079

from some of the stupid [h__h] that we did

1424

01:06:33,589 --> 01:06:31,680

you know like

1425

01:06:35,430 --> 01:06:33,599

i mean there was a time where like when

1426

01:06:36,950 --> 01:06:35,440

we were doing uh i was doing lots of

1427

01:06:38,870 --> 01:06:36,960

shows in philly and there

1428

01:06:40,069 --> 01:06:38,880

everybody was always handing me party

1429

01:06:41,990 --> 01:06:40,079

favors

1430

01:06:43,910 --> 01:06:42,000

and i kind of felt like i'm the singer i

1431

01:06:46,710 --> 01:06:43,920

gotta i gotta do it

1432

01:06:49,510 --> 01:06:46,720

like what is this you know oh okay i'll

1433

01:06:55,910 --> 01:06:52,710

yeah it was pretty crazy

1434

01:06:58,309 --> 01:06:55,920

yeah i kept getting into drugs

1435

01:06:59,829 --> 01:06:58,319

and i developed a math problem i wonder

1436

01:07:01,589 --> 01:06:59,839

how that worked

1437

01:07:03,670 --> 01:07:01,599

yeah i'm sorry to hear that because i

1438

01:07:05,270 --> 01:07:03,680

hear i had a friend that did that and he

1439

01:07:07,510 --> 01:07:05,280

was really hooked for a long time i

1440

01:07:08,870 --> 01:07:07,520

think he was smoking it and snorting it

1441

01:07:09,270 --> 01:07:08,880

yeah i was talking that's what i was

1442

01:07:11,430 --> 01:07:09,280

doing

1443

01:07:13,349 --> 01:07:11,440

smoking a store not eating it but never

1444

01:07:15,910 --> 01:07:13,359

shot it up no needles

1445

01:07:17,109 --> 01:07:15,920

and um this this generally 19 years off

1446

01:07:19,829 --> 01:07:17,119

of it so

1447

01:07:20,230 --> 01:07:19,839

good for you how long were you using

1448

01:07:23,670 --> 01:07:20,240

about

1449

01:07:25,190 --> 01:07:23,680

six seven years i mean maybe ten years

1450

01:07:28,549 --> 01:07:25,200

actually but six seven years

1451

01:07:30,150 --> 01:07:28,559

like i had a problem wow yeah i'm glad

1452

01:07:32,390 --> 01:07:30,160

that you made it through that brother

1453

01:07:34,230 --> 01:07:32,400

i always paid my rent so i mean it was

1454

01:07:37,349 --> 01:07:34,240

well yeah you're doing math

1455

01:07:39,430 --> 01:07:37,359

you can go to work on math you probably

1456

01:07:42,230 --> 01:07:39,440

perform better on math i mean it's a

1457

01:07:43,510 --> 01:07:42,240

shame to say it but

1458

01:07:45,190 --> 01:07:43,520

yeah i used to have a friend that would

1459

01:07:46,549 --> 01:07:45,200

smoke that [h__\h] and he would be awake

1460

01:07:49,270 --> 01:07:46,559

for like three days

1461

01:07:50,630 --> 01:07:49,280

he would smoke it yeah be awake for like

1462

01:07:52,710 --> 01:07:50,640

three days

1463

01:07:54,549 --> 01:07:52,720

when i first the first real long binge i

1464

01:07:55,670 --> 01:07:54,559

went on was about two weeks i might have

1465

01:07:58,150 --> 01:07:55,680

gotten

1466

01:07:58,950 --> 01:07:58,160

maybe 24 hours of sleep it's you know

1467

01:08:00,470 --> 01:07:58,960

two weeks

1468

01:08:02,950 --> 01:08:00,480

because i thought you could smoke it

1469

01:08:07,510 --> 01:08:02,960

like weed

1470

01:08:09,750 --> 01:08:07,520

you know no you can't

1471

01:08:11,109 --> 01:08:09,760

listen genocide bailey stoner is

1472

01:08:13,270 --> 01:08:11,119

laughing at me

1473

01:08:14,230 --> 01:08:13,280

for saying you can go to work on meth

1474

01:08:16,550 --> 01:08:14,240

have you ever

1475

01:08:18,309 --> 01:08:16,560

worked in the trades because there's a

1476

01:08:20,789 --> 01:08:18,319

lot of dudes especially

1477

01:08:21,749 --> 01:08:20,799

like the lower run that are in

1478

01:08:24,870 --> 01:08:21,759

construction

1479

01:08:26,149 --> 01:08:24,880

and they're doing math work as a i was a

1480

01:08:28,709 --> 01:08:26,159

marketer as a cook

1481

01:08:29,990 --> 01:08:28,719

and a dormant on meth unfortunately i

1482

01:08:32,390 --> 01:08:30,000

have to say it's my first year of

1483

01:08:35,669 --> 01:08:32,400

driving taxi i was on math

1484

01:08:37,269 --> 01:08:35,679

oh holy [h__\h] you know but that was

1485

01:08:38,870 --> 01:08:37,279

that was pretty much i think they all

1486

01:08:41,030 --> 01:08:38,880

knew you know you'd wake up you do some

1487

01:08:44,149 --> 01:08:41,040

math and you'd drive for 12 hours

1488

01:08:45,910 --> 01:08:44,159

14 hours and you were fine doing it it

1489

01:08:46,870 --> 01:08:45,920

just got to a point where i didn't want

1490

01:08:49,990 --> 01:08:46,880

to be on it

1491

01:08:54,070 --> 01:08:52,149

you know i just never looked back and

1492

01:08:55,749 --> 01:08:54,080

thankfully i've lost

1493

01:08:58,149 --> 01:08:55,759

a couple of friends from it but most

1494

01:08:59,910 --> 01:08:58,159

everyone that i hung out with got clean

1495

01:09:02,709 --> 01:08:59,920

you know one good one became a drug

1496

01:09:05,030 --> 01:09:02,719

counselor but i still see a couple of my

1497

01:09:08,309 --> 01:09:05,040

um you know i see my old dealer

1498

01:09:09,910 --> 01:09:08,319

who's homeless downtown you know still

1499

01:09:11,749 --> 01:09:09,920

doing what he does

1500

01:09:13,269 --> 01:09:11,759

you know she's going to cry now he's

1501
01:09:14,950 --> 01:09:13,279
like 55 just

1502
01:09:16,309 --> 01:09:14,960
like you know it still has his teeth too

1503
01:09:18,709 --> 01:09:16,319
which i can't believe

1504
01:09:19,990 --> 01:09:18,719
some people get lucky with it and they

1505
01:09:22,709 --> 01:09:20,000
and they just

1506
01:09:23,269 --> 01:09:22,719
keep surfing on you know i mean i didn't

1507
01:09:27,269 --> 01:09:23,279
know

1508
01:09:28,470 --> 01:09:27,279
knew a lot of people on heroin in

1509
01:09:30,470 --> 01:09:28,480
philadelphia

1510
01:09:31,910 --> 01:09:30,480
and even people you would never suspect

1511
01:09:34,470 --> 01:09:31,920
that were

1512
01:09:36,070 --> 01:09:34,480
secretly you know like they'd go to work

1513
01:09:37,430 --> 01:09:36,080

they'd maintain an oral life and then

1514

01:09:40,309 --> 01:09:37,440

all weekend they'd be

1515

01:09:42,309 --> 01:09:40,319

shooting up and riding off and [\h__\h] they

1516

01:09:45,669 --> 01:09:42,319

were a functioning junkie they

1517

01:09:49,269 --> 01:09:45,679

for 20 years just enough to maintain

1518

01:09:51,030 --> 01:09:49,279

and got divorced and then

1519

01:09:53,030 --> 01:09:51,040

you know got depressed and went right

1520

01:09:53,829 --> 01:09:53,040

back into it and ended up losing

1521

01:09:56,070 --> 01:09:53,839

everything

1522

01:09:57,030 --> 01:09:56,080

and then and they recovered and he's

1523

01:10:06,390 --> 01:09:57,040

been clean

1524

01:10:09,510 --> 01:10:07,750

i was going to say good for you for

1525

01:10:10,470 --> 01:10:09,520

beating it because that's not an easy

1526

01:10:13,590 --> 01:10:10,480

demon to beat

1527

01:10:15,350 --> 01:10:13,600

i know you know no it sucked i

1528

01:10:18,310 --> 01:10:15,360

tell everyone i'm like how'd you do it

1529

01:10:21,189 --> 01:10:18,320

one day at a time the first year sucked

1530

01:10:22,790 --> 01:10:21,199

it did i it was just you know well it

1531

01:10:23,750 --> 01:10:22,800

sucked and then i got fat which i was

1532

01:10:26,950 --> 01:10:23,760

just like well

1533

01:10:27,669 --> 01:10:26,960

wait how do i get fat yeah meth will

1534

01:10:31,669 --> 01:10:27,679

keep you thin

1535

01:10:33,189 --> 01:10:31,679

right i'm happy you know but

1536

01:10:34,470 --> 01:10:33,199

and i still see it's still in our

1537

01:10:36,070 --> 01:10:34,480

community around here i still have

1538

01:10:36,550 --> 01:10:36,080

family members and people that i know

1539

01:10:38,470 --> 01:10:36,560

that are

1540

01:10:40,310 --> 01:10:38,480

sure it's in every yeah it's all over

1541

01:10:41,830 --> 01:10:40,320

the place

1542

01:10:43,270 --> 01:10:41,840

but you know i've also known people that

1543

01:10:44,229 --> 01:10:43,280

you know brought the pills that went to

1544

01:10:46,550 --> 01:10:44,239

heroin

1545

01:10:47,270 --> 01:10:46,560

yeah alcohol too i think you know

1546

01:10:49,910 --> 01:10:47,280

there's people

1547

01:10:52,229 --> 01:10:49,920

yeah and there's and there's it's just

1548

01:10:52,550 --> 01:10:52,239

easy to make that you know well not easy

1549

01:10:54,630 --> 01:10:52,560

but

1550

01:10:55,990 --> 01:10:54,640

you know there's meth labs and stuff i

1551

01:10:57,990 --> 01:10:56,000

remember there was the state

1552

01:11:00,070 --> 01:10:58,000

troopers there were state troopers on

1553

01:11:02,390 --> 01:11:00,080

the dirt roads near my cabin

1554

01:11:04,310 --> 01:11:02,400

and i kept seeing them and i'm like and

1555

01:11:07,030 --> 01:11:04,320

they were just kind of rolling around

1556

01:11:08,070 --> 01:11:07,040

slow you know but i would see them every

1557

01:11:09,510 --> 01:11:08,080

once in a while and

1558

01:11:11,189 --> 01:11:09,520

and if i was talking to one of my

1559

01:11:13,830 --> 01:11:11,199

neighbors i'm like what's what's up with

1560

01:11:15,510 --> 01:11:13,840

the state troopers and he's like oh uh

1561

01:11:17,189 --> 01:11:15,520

they're just like looking for meth labs

1562

01:11:19,189 --> 01:11:17,199

back in the woods here

1563

01:11:20,229 --> 01:11:19,199

they do that every once in a while i'm

1564

01:11:22,149 --> 01:11:20,239

like oh great

1565

01:11:23,669 --> 01:11:22,159

there may be a meth lab around my

1566

01:11:25,350 --> 01:11:23,679

cabinet you know like but

1567

01:11:27,430 --> 01:11:25,360

yeah back in the woods you just need a

1568

01:11:27,830 --> 01:11:27,440

trailer some chemicals and glassware you

1569

01:11:30,470 --> 01:11:27,840

know

1570

01:11:31,750 --> 01:11:30,480

yeah yeah what i thought was funny was

1571

01:11:33,270 --> 01:11:31,760

when i was in it

1572

01:11:34,950 --> 01:11:33,280

i always met up with the dealers i

1573

01:11:37,030 --> 01:11:34,960

always became friends with the dealers

1574

01:11:39,030 --> 01:11:37,040

but i never wanted a deal myself but i

1575

01:11:40,790 --> 01:11:39,040

always ended up helping you know

1576

01:11:42,390 --> 01:11:40,800

not dealing but oh i can i don't want to

1577

01:11:44,310 --> 01:11:42,400

get some you know

1578

01:11:46,470 --> 01:11:44,320

uh but whatever i better cook is when

1579

01:11:48,470 --> 01:11:46,480

i'm like okay i gotta back off i gotta

1580

01:11:50,470 --> 01:11:48,480

get clean for a while because

1581

01:11:52,470 --> 01:11:50,480

everybody that i knew that met cooks

1582

01:11:54,870 --> 01:11:52,480

either got arrested

1583

01:11:55,990 --> 01:11:54,880

uh turned you know into an informant

1584

01:11:58,950 --> 01:11:56,000

which i just you know

1585

01:12:00,709 --> 01:11:58,960

do your own time or died and i'm like i

1586

01:12:01,990 --> 01:12:00,719

i don't want to be around the cooks man

1587

01:12:04,950 --> 01:12:02,000

every time i

1588

01:12:06,550 --> 01:12:04,960

back off yeah you know i told i told the

1589

01:12:08,310 --> 01:12:06,560

genocide i told this story before it's

1590

01:12:10,709 --> 01:12:08,320

so funny my uh

1591

01:12:11,750 --> 01:12:10,719

my uncles on my mother's side were like

1592

01:12:15,669 --> 01:12:11,760

uh bikers

1593

01:12:18,790 --> 01:12:15,679

and the pagans you know and uh

1594

01:12:19,510 --> 01:12:18,800

one time you know i was like grown i

1595

01:12:22,070 --> 01:12:19,520

think i was like

1596

01:12:23,830 --> 01:12:22,080

16 maybe i don't know almost grown and

1597

01:12:24,950 --> 01:12:23,840

you know i was really into science so my

1598

01:12:27,990 --> 01:12:24,960

uncle comes to me

1599

01:12:29,430 --> 01:12:28,000

and he's like hey uh you know uh we

1600

01:12:30,709 --> 01:12:29,440

could really use somebody like you like

1601
01:12:33,270 --> 01:12:30,719
a science guy

1602
01:12:35,270 --> 01:12:33,280
you know uh and uh we're gonna have this

1603
01:12:37,590 --> 01:12:35,280
whole laboratory in there i'm like

1604
01:12:38,790 --> 01:12:37,600
i'm like uncle murph do you want me to

1605
01:12:41,430 --> 01:12:38,800
become a meth cook

1606
01:12:42,149 --> 01:12:41,440
i'm 16 years old bro and he's like yeah

1607
01:12:44,310 --> 01:12:42,159
but uh

1608
01:12:45,350 --> 01:12:44,320
you know a lot about science for like a

1609
01:12:46,790 --> 01:12:45,360
lot and

1610
01:12:48,310 --> 01:12:46,800
we think you'd be okay and we're gonna

1611
01:12:49,510 --> 01:12:48,320
get you some help i'm like what are you

1612
01:12:51,270 --> 01:12:49,520
gonna get me he's like well

1613
01:12:53,590 --> 01:12:51,280

i don't know they got some books i'm

1614

01:12:55,669 --> 01:12:53,600

like great great my uncle murph

1615

01:12:57,189 --> 01:12:55,679

wants me to go cook meth because they

1616

01:13:00,630 --> 01:12:57,199

found some science books

1617

01:13:04,310 --> 01:13:00,640

and some lab equipment right

1618

01:13:06,550 --> 01:13:04,320

that's my family bro you got

1619

01:13:08,390 --> 01:13:06,560

in my family they used to get they were

1620

01:13:10,310 --> 01:13:08,400

always in and out of jail my uncles

1621

01:13:11,750 --> 01:13:10,320

because they were like they literally

1622

01:13:13,510 --> 01:13:11,760

robbed box cars

1623

01:13:15,990 --> 01:13:13,520

like they would find out somehow which

1624

01:13:18,470 --> 01:13:16,000

box cars had cigarettes or liquor

1625

01:13:19,189 --> 01:13:18,480

and then they would rob the box cars

1626

01:13:21,350 --> 01:13:19,199

somehow

1627

01:13:22,390 --> 01:13:21,360

like they would cut the fence and like

1628

01:13:24,390 --> 01:13:22,400

get in there and

1629

01:13:25,750 --> 01:13:24,400

break it open and steal all the [h__h] out

1630

01:13:27,990 --> 01:13:25,760

of it

1631

01:13:29,590 --> 01:13:28,000

and i don't know they got caught i'm

1632

01:13:32,790 --> 01:13:29,600

like the bikers around here

1633

01:13:34,070 --> 01:13:32,800

in the counter city oh wow really see

1634

01:13:37,910 --> 01:13:34,080

that

1635

01:13:39,510 --> 01:13:37,920

yeah it was it was just all of a sudden

1636

01:13:41,430 --> 01:13:39,520

that bill started flooding the area and

1637

01:13:44,310 --> 01:13:41,440

then all of a sudden like all the

1638

01:13:45,590 --> 01:13:44,320

bikers that i knew from a certain frito

1639

01:13:48,790 --> 01:13:45,600

gang

1640

01:13:49,830 --> 01:13:48,800

club uh gone they all got posted i'm

1641

01:13:51,590 --> 01:13:49,840

like what happened

1642

01:13:55,189 --> 01:13:51,600

they were counterfeiting i'm like oh

1643

01:14:00,149 --> 01:13:57,750

yeah when i was a kid when i was a kid

1644

01:14:01,270 --> 01:14:00,159

my uncles were keeping liquor in my

1645

01:14:02,870 --> 01:14:01,280

basement in my

1646

01:14:05,350 --> 01:14:02,880

parents basement you know because it's

1647

01:14:07,189 --> 01:14:05,360

their sister and that's how it worked

1648

01:14:09,110 --> 01:14:07,199

like they they every once in a while

1649

01:14:10,630 --> 01:14:09,120

they would come and take a few boxes

1650

01:14:12,630 --> 01:14:10,640

and stuff and then finally one day my

1651

01:14:14,149 --> 01:14:12,640

dad got pissed off and told him like you

1652

01:14:16,470 --> 01:14:14,159

gotta come take all this [h__\h]

1653

01:14:17,189 --> 01:14:16,480

and there was literally a truckload of

1654

01:14:22,550 --> 01:14:17,199

liquor

1655

01:14:24,310 --> 01:14:22,560

in our basement and they had to come

1656

01:14:27,030 --> 01:14:24,320

with like a rental truck

1657

01:14:27,350 --> 01:14:27,040

van or something to get it all out of

1658

01:14:29,430 --> 01:14:27,360

there

1659

01:14:31,030 --> 01:14:29,440

all the neighbors were out watching this

1660

01:14:32,229 --> 01:14:31,040

stuff get because it got loaded in

1661

01:14:34,390 --> 01:14:32,239

slowly like they

1662

01:14:36,070 --> 01:14:34,400

you know in the middle of the night or

1663

01:14:37,990 --> 01:14:36,080

something my mom was like letting them

1664

01:14:38,550 --> 01:14:38,000

in because my mom's like an alcoholic so

1665

01:14:40,790 --> 01:14:38,560

she's like

1666

01:14:41,750 --> 01:14:40,800

you want to store liquor here absolutely

1667

01:14:43,590 --> 01:14:41,760

go ahead

1668

01:14:46,870 --> 01:14:43,600

and my dad's sleeping he doesn't know

1669

01:14:48,790 --> 01:14:46,880

what's going on you know it's crazy

1670

01:14:50,790 --> 01:14:48,800

well i remember a friend of mine calls

1671

01:14:52,630 --> 01:14:50,800

me up out of the blue hat

1672

01:14:54,229 --> 01:14:52,640

hey man i gotta do a drug deal i swing

1673

01:14:56,550 --> 01:14:54,239

by your house and i'm like

1674

01:14:57,830 --> 01:14:56,560

i'm not really sure man i mean it's like

1675

01:14:58,790 --> 01:14:57,840

who are you doing it with it's like i'm

1676

01:15:02,229 --> 01:14:58,800

dealing with this one guy

1677

01:15:04,709 --> 01:15:02,239

i know him so okay just this one time

1678

01:15:05,669 --> 01:15:04,719

and he was he was a club member uh and

1679

01:15:08,149 --> 01:15:05,679

that he uh

1680

01:15:09,669 --> 01:15:08,159

they come over and they did a deal when

1681

01:15:10,229 --> 01:15:09,679

they were done the guy goes well you

1682

01:15:12,149 --> 01:15:10,239

know

1683

01:15:14,149 --> 01:15:12,159

you're the house owner and hands me off

1684

01:15:16,070 --> 01:15:14,159

like half an ounce of meth and i'm like

1685

01:15:17,510 --> 01:15:16,080

well you really want you guys doing this

1686

01:15:20,470 --> 01:15:17,520

at my house a lot but

1687

01:15:21,430 --> 01:15:20,480

if you need a spot yeah give me a call

1688

01:15:22,870 --> 01:15:21,440

yeah

1689

01:15:25,590 --> 01:15:22,880

as long as you get hooked up that's kind

1690

01:15:27,270 --> 01:15:25,600

of how it works right yeah

1691

01:15:29,270 --> 01:15:27,280

they never called me back so it was kind

1692

01:15:30,950 --> 01:15:29,280

of cool

1693

01:15:34,550 --> 01:15:30,960

but yeah i was just i was just like i

1694

01:15:40,870 --> 01:15:38,630

this actually worked out my favorite

1695

01:15:43,189 --> 01:15:40,880

yeah i miss those i kind of do miss

1696

01:15:45,590 --> 01:15:43,199

those rock band days sometimes but

1697

01:15:46,870 --> 01:15:45,600

it was a lot of work a lot of work i

1698

01:15:48,550 --> 01:15:46,880

don't miss the drama

1699

01:15:50,070 --> 01:15:48,560

yeah and you know you were talking about

1700

01:15:51,430 --> 01:15:50,080

all these drugs like when i was doing

1701

01:15:55,510 --> 01:15:51,440

that there was just drugs

1702

01:15:57,990 --> 01:15:55,520

everywhere bro like everywhere yeah

1703

01:15:58,950 --> 01:15:58,000

well there was like i remember we were

1704

01:16:00,550 --> 01:15:58,960

we did a party

1705

01:16:02,149 --> 01:16:00,560

we played a party and i remember walking

1706

01:16:02,630 --> 01:16:02,159

into a room and that's when i first saw

1707

01:16:03,910 --> 01:16:02,640

someone

1708

01:16:05,350 --> 01:16:03,920

and they were shooting that mess but i

1709

01:16:06,790 --> 01:16:05,360

didn't know the time i thought they were

1710

01:16:08,709 --> 01:16:06,800

shooting heroin i was just like

1711

01:16:10,310 --> 01:16:08,719

oh that's this kind of party i just kind

1712

01:16:12,550 --> 01:16:10,320

of left

1713

01:16:13,990 --> 01:16:12,560

that room and then it was like oh

1714

01:16:15,830 --> 01:16:14,000

they're just doing they were just doing

1715

01:16:17,590 --> 01:16:15,840

mess man it wasn't anything bad i'm like

1716

01:16:19,830 --> 01:16:17,600

oh

1717

01:16:20,709 --> 01:16:19,840

yeah i really did i mean i didn't really

1718

01:16:23,990 --> 01:16:20,719

know what meth did

1719

01:16:25,669 --> 01:16:24,000

that time i was like 21 or 22 like okay

1720

01:16:28,229 --> 01:16:25,679

but that was also my introduction you

1721

01:16:31,350 --> 01:16:28,239

know like you want to do the line

1722

01:16:33,110 --> 01:16:31,360

okay i'll do i'm gonna lie i'm cool

1723

01:16:35,350 --> 01:16:33,120

yeah i went to a party once there was

1724

01:16:36,470 --> 01:16:35,360

like a lot of like real hot chick models

1725

01:16:37,990 --> 01:16:36,480

and stuff and then

1726

01:16:40,070 --> 01:16:38,000

the next thing you know like everybody's

1727

01:16:42,310 --> 01:16:40,080

taking this little kit out with needles

1728

01:16:42,790 --> 01:16:42,320

and [h__h] and i'm like no this is not my

1729

01:16:45,350 --> 01:16:42,800

scene

1730

01:16:46,950 --> 01:16:45,360

and like literally like half hour later

1731

01:16:48,310 --> 01:16:46,960

like half the people in there were all

1732

01:16:50,630 --> 01:16:48,320

[h__h] nodded off

1733

01:16:51,990 --> 01:16:50,640

shot up and everybody's like you want

1734

01:16:55,189 --> 01:16:52,000

you want some i'm like no

1735

01:16:55,910 --> 01:16:55,199

not not really i'm good and i got out of

1736

01:16:57,030 --> 01:16:55,920

there

1737

01:17:00,550 --> 01:16:57,040

then it was just turned into like

1738

01:17:03,030 --> 01:17:00,560

zombies but it wasn't

1739

01:17:03,669 --> 01:17:03,040

i was like i like this this this could

1740

01:17:06,470 --> 01:17:03,679

be fun

1741

01:17:07,510 --> 01:17:06,480

but i watch train spotting and i'm not

1742

01:17:10,630 --> 01:17:07,520

doing this

1743

01:17:13,830 --> 01:17:10,640

yeah that's terrible it'll destroy your

1744

01:17:19,189 --> 01:17:17,510

but i'm gonna let you go yeah yeah

1745

01:17:20,709 --> 01:17:19,199

well i appreciate you calling in and you

1746

01:17:22,550 --> 01:17:20,719

actually spoke which is

1747

01:17:24,310 --> 01:17:22,560

you know you spoke a lot more than when

1748

01:17:28,310 --> 01:17:24,320

you're on the panel so maybe we'll have

1749

01:17:32,870 --> 01:17:30,550

a good idea actually talk but thank you

1750

01:17:36,070 --> 01:17:32,880

say hello to your beautiful wife for me

1751

01:17:38,310 --> 01:17:36,080

i appreciate your call thank you

1752

01:17:40,470 --> 01:17:38,320

later brother all right let's throw mr

1753

01:17:42,149 --> 01:17:40,480

genocide out of here

1754

01:17:43,590 --> 01:17:42,159

i tell you how to work a phone so the

1755

01:17:44,790 --> 01:17:43,600

line is open if anybody else wants to

1756

01:17:47,990 --> 01:17:44,800

call in otherwise we're gonna

1757

01:17:52,470 --> 01:17:48,000

i'm devoting my full attention um

1758

01:17:52,480 --> 01:18:01,669

one second here friends

1759

01:18:01,679 --> 01:18:06,630

let's try that again

1760

01:18:09,990 --> 01:18:08,470

okay b it is a heart disease to be my

1761

01:18:11,750 --> 01:18:10,000

sister is working on my mom has been

1762

01:18:13,189 --> 01:18:11,760

super for 23 years she tried to commit

1763

01:18:16,229 --> 01:18:13,199

suicide a few times while i was growing

1764

01:18:18,550 --> 01:18:16,239

up oh sorry to hear that miss jones died

1765

01:18:20,390 --> 01:18:18,560

yeah i don't know if i ever mentioned it

1766

01:18:21,750 --> 01:18:20,400

and i'm not sure why i should but my

1767

01:18:26,470 --> 01:18:21,760

mother was an alcoholic

1768

01:18:30,070 --> 01:18:26,480

like my entire life um especially um

1769

01:18:31,750 --> 01:18:30,080

well she had periods of sobriety like my

1770

01:18:32,630 --> 01:18:31,760

father basically forced her to quit

1771

01:18:34,310 --> 01:18:32,640

drinking

1772

01:18:36,550 --> 01:18:34,320

several different times but eventually

1773

01:18:39,030 --> 01:18:36,560

she would always go back sneaking drinks

1774

01:18:40,070 --> 01:18:39,040

you know there was like gallons of wine

1775

01:18:42,229 --> 01:18:40,080

hidden in the hallway

1776

01:18:43,430 --> 01:18:42,239

closet that my father didn't know about

1777

01:18:45,590 --> 01:18:43,440

you know

1778

01:18:46,550 --> 01:18:45,600

uh it's tough growing up with that you

1779

01:18:51,110 --> 01:18:46,560

know

1780

01:18:53,189 --> 01:18:51,120

she was doing pretty good

1781

01:18:54,950 --> 01:18:53,199

and then after my father died she just

1782

01:18:58,149 --> 01:18:54,960

lost it as far as

1783

01:19:00,630 --> 01:18:58,159

her alcoholism went she just sort of

1784

01:19:03,350 --> 01:19:00,640

died of a broken heart without my father

1785

01:19:03,830 --> 01:19:03,360

around to stop her and we did what we

1786

01:19:06,229 --> 01:19:03,840

could

1787

01:19:10,070 --> 01:19:06,239

you know we sent her to rehab and paid

1788

01:19:16,310 --> 01:19:13,110

but she never she never cleaned up

1789

01:19:17,350 --> 01:19:16,320

um and it was actually alcohol that

1790

01:19:20,149 --> 01:19:17,360

killed her

1791

01:19:21,270 --> 01:19:20,159

because she died of basically liver

1792

01:19:23,270 --> 01:19:21,280

failure

1793

01:19:24,470 --> 01:19:23,280

her liver and all of her organs just

1794

01:19:27,110 --> 01:19:24,480

started shutting down

1795

01:19:27,510 --> 01:19:27,120

because of the intake of alcohol you

1796

01:19:30,149 --> 01:19:27,520

know

1797

01:19:30,870 --> 01:19:30,159

i worry about these things myself you

1798

01:19:33,830 --> 01:19:30,880

know

1799

01:19:34,470 --> 01:19:33,840

especially post covid i think i would be

1800

01:19:35,990 --> 01:19:34,480

lying

1801

01:19:38,070 --> 01:19:36,000

if i didn't say that my drinking

1802

01:19:40,870 --> 01:19:38,080

probably doubled

1803

01:19:41,590 --> 01:19:40,880

uh my frequency and amount that i would

1804

01:19:44,470 --> 01:19:41,600

drink in a week

1805

01:19:46,630 --> 01:19:44,480

probably doubled since the beginning of

1806

01:19:50,470 --> 01:19:46,640

our current health crisis

1807

01:19:52,470 --> 01:19:50,480

um and i'm not gonna make excuses

1808

01:19:54,950 --> 01:19:52,480

i'm just saying that's basically where

1809

01:19:58,070 --> 01:19:54,960

i'm at and i know i have to

1810

01:20:01,830 --> 01:19:58,080

you know i know i have to calm down

1811

01:20:05,270 --> 01:20:01,840

right um but i guess

1812

01:20:07,910 --> 01:20:05,280

i have good weeks and bad weeks like

1813

01:20:08,310 --> 01:20:07,920

last week i didn't drink at all for i

1814

01:20:11,910 --> 01:20:08,320

think

1815

01:20:14,470 --> 01:20:11,920

four days and i considered that a win

1816

01:20:15,430 --> 01:20:14,480

uh but then i made up for not drinking

1817

01:20:18,390 --> 01:20:15,440

for four days

1818

01:20:19,030 --> 01:20:18,400

over the next three days which is never

1819

01:20:22,790 --> 01:20:19,040

good

1820

01:20:24,390 --> 01:20:22,800

right um yeah and my wife is very

1821

01:20:27,510 --> 01:20:24,400

reasonable

1822

01:20:30,470 --> 01:20:27,520

and we have this you know i'm an [h__h]

1823

01:20:32,390 --> 01:20:30,480

i guess and selfish when it comes to my

1824

01:20:35,430 --> 01:20:32,400

bad habits because uh

1825

01:20:37,270 --> 01:20:35,440

she basically just says you know

1826

01:20:38,629 --> 01:20:37,280

just try to keep it to a case of beer a

1827

01:20:42,229 --> 01:20:38,639

week that's

1828

01:20:44,950 --> 01:20:42,239

reasonable right and i go yeah okay uh

1829

01:20:46,470 --> 01:20:44,960

but then i discovered 30 packs right

1830

01:20:49,270 --> 01:20:46,480

well i get an extra it's just

1831

01:20:49,990 --> 01:20:49,280

it's still a case and then and now we're

1832

01:20:54,149 --> 01:20:50,000

i'm up to

1833

01:20:57,110 --> 01:20:54,159

a uh what is it miller lite

1834

01:20:57,669 --> 01:20:57,120

they sell it in 36 packs but it's still

1835

01:21:01,110 --> 01:20:57,679

a case

1836

01:21:03,030 --> 01:21:01,120

it's one case right and then uh you know

1837

01:21:05,270 --> 01:21:03,040

i like ipas once in a while so

1838

01:21:06,229 --> 01:21:05,280

sometimes i would get the miller and uh

1839

01:21:09,750 --> 01:21:06,239

12 pack

1840

01:21:11,830 --> 01:21:09,760

of ipas and i could kill that in a week

1841

01:21:13,189 --> 01:21:11,840

i could literally just drink all of that

1842

01:21:16,310 --> 01:21:13,199

in one over one week

1843

01:21:19,830 --> 01:21:16,320

and that is way too much

1844

01:21:23,110 --> 01:21:19,840

so i'm trying to uh

1845

01:21:26,870 --> 01:21:23,120

i guess i'm trying to just cut down

1846

01:21:28,709 --> 01:21:26,880

and you know logically it's stupid for

1847

01:21:30,149 --> 01:21:28,719

me to drink at all knowing my family

1848

01:21:33,189 --> 01:21:30,159

history i believe that my

1849

01:21:36,550 --> 01:21:33,199

grandmother died of alcoholism

1850

01:21:37,910 --> 01:21:36,560

on my mother's side my grandfather on my

1851

01:21:39,830 --> 01:21:37,920

mother's side basically died of

1852

01:21:42,149 --> 01:21:39,840

alcoholism

1853

01:21:43,830 --> 01:21:42,159

my uncle's on my mother's side and my

1854

01:21:46,229 --> 01:21:43,840

mother

1855

01:21:47,430 --> 01:21:46,239

and by the way that's the irish side of

1856

01:21:50,550 --> 01:21:47,440

my family my mother is

1857

01:21:52,629 --> 01:21:50,560

irish so uh and i'm not making uh

1858

01:21:55,030 --> 01:21:52,639

stereotypes but

1859

01:21:56,790 --> 01:21:55,040

that's very common in irish families

1860

01:21:58,870 --> 01:21:56,800

that you have a lot of people

1861

01:21:59,830 --> 01:21:58,880

in your family that died of the drink

1862

01:22:02,950 --> 01:21:59,840

that's what we say

1863

01:22:04,709 --> 01:22:02,960

he died of the drink um you know and

1864

01:22:07,030 --> 01:22:04,719

it's sad

1865

01:22:07,750 --> 01:22:07,040

and you know i'd love to be the guy that

1866

01:22:09,430 --> 01:22:07,760

just

1867

01:22:11,350 --> 01:22:09,440

you know drinks a six-pack on the

1868

01:22:15,110 --> 01:22:11,360

weekend i'm just not that guy

1869

01:22:17,590 --> 01:22:15,120

i mean i will drink 10 beers you know

1870

01:22:20,310 --> 01:22:17,600

especially 12 ounce beers you know and

1871

01:22:23,110 --> 01:22:20,320

i've had this argument with my wife like

1872

01:22:23,750 --> 01:22:23,120

you know why can't you just drink six

1873

01:22:27,110 --> 01:22:23,760

beers

1874

01:22:31,189 --> 01:22:27,120

go to the bar

1875

01:22:34,310 --> 01:22:31,199

it's a 20-ounce beer a mug or you know

1876

01:22:37,110 --> 01:22:34,320

yeah i know it's just

1877

01:22:37,669 --> 01:22:37,120

uh just a thing but i'm trying to work

1878

01:22:41,910 --> 01:22:37,679

on it

1879

01:22:43,669 --> 01:22:41,920

so uh i think you know

1880

01:22:45,830 --> 01:22:43,679

i have to stay busy that's one thing

1881

01:22:49,189 --> 01:22:45,840

i've noticed i get a lot more done

1882

01:22:51,830 --> 01:22:49,199

uh when i'm not drinking uh

1883

01:22:53,590 --> 01:22:51,840

kb says word steven this is a bad week

1884

01:22:56,070 --> 01:22:53,600

for me

1885

01:22:57,590 --> 01:22:56,080

well i'm doing pretty good because i

1886

01:22:59,430 --> 01:22:57,600

don't know how many beers are left in

1887

01:23:00,070 --> 01:22:59,440

that case but there's still beers left

1888

01:23:03,189 --> 01:23:00,080

in the case

1889

01:23:06,950 --> 01:23:03,199

and new case day is monday usually

1890

01:23:09,590 --> 01:23:06,960

so you know

1891

01:23:11,030 --> 01:23:09,600

trying to moderate you know i'd love to

1892

01:23:13,990 --> 01:23:11,040

know how people just like

1893

01:23:16,550 --> 01:23:14,000

drink two or three beers and go to bed i

1894

01:23:20,229 --> 01:23:16,560

always feel like that's incomplete

1895

01:23:23,110 --> 01:23:20,239

you know like two or three okay

1896

01:23:23,590 --> 01:23:23,120

uh i'm just gonna drink them until i'm

1897

01:23:25,630 --> 01:23:23,600

done

1898

01:23:28,149 --> 01:23:25,640

and then you know

1899

01:23:31,110 --> 01:23:28,159

[Music]

1900

01:23:31,830 --> 01:23:31,120

but i do worry about uh my intake and i

1901

01:23:33,669 --> 01:23:31,840

think

1902

01:23:35,830 --> 01:23:33,679

uh and you know also one thing that i

1903

01:23:37,669 --> 01:23:35,840

did last year is i did this 75 heart and

1904

01:23:39,590 --> 01:23:37,679

you can't have any alcohol

1905

01:23:41,030 --> 01:23:39,600

and i found that to be beneficial i only

1906

01:23:43,110 --> 01:23:41,040

made it 37

1907

01:23:45,350 --> 01:23:43,120

days i didn't make it the full 75 days

1908

01:23:46,310 --> 01:23:45,360

but i made it 37 days with no alcohol

1909

01:23:49,990 --> 01:23:46,320

whatsoever

1910

01:23:52,070 --> 01:23:50,000

and a good diet and and uh exercise 45

1911

01:23:54,629 --> 01:23:52,080

minutes twice a day

1912

01:23:56,310 --> 01:23:54,639

one of them being outside and i felt

1913

01:23:57,030 --> 01:23:56,320

great after that so i'd like to do that

1914

01:24:00,709 --> 01:23:57,040

again this

1915

01:24:04,470 --> 01:24:00,719

75 heart challenge and it'll force me

1916

01:24:08,790 --> 01:24:04,480

to stop and uh also

1917

01:24:10,629 --> 01:24:08,800

improve my diet i think i put on like

1918

01:24:13,189 --> 01:24:10,639

i can't tell you how many probably 20

1919

01:24:14,709 --> 01:24:13,199

pounds since this coveted thing started

1920

01:24:17,430 --> 01:24:14,719

and it's all in my gut

1921

01:24:18,149 --> 01:24:17,440

like i'm starting to look pregnant so

1922

01:24:20,550 --> 01:24:18,159

it's time

1923

01:24:21,830 --> 01:24:20,560

to do something you know and all the

1924

01:24:23,750 --> 01:24:21,840

beer is probably

1925

01:24:27,030 --> 01:24:23,760

that's what does it that's a lot of

1926

01:24:28,390 --> 01:24:27,040

that's a lot of empty carbs

1927

01:24:30,229 --> 01:24:28,400

it's better to conquer yourself than to

1928

01:24:31,990 --> 01:24:30,239

win a thousand battles then victory is

1929

01:24:35,510 --> 01:24:32,000

yours it cannot be taken from you not by

1930

01:24:41,270 --> 01:24:35,520

angels or demons heaven or hell

1931

01:24:44,709 --> 01:24:43,030

the context says yeah i have the same

1932

01:24:45,510 --> 01:24:44,719

irish streams i either drink a lot of

1933

01:24:47,830 --> 01:24:45,520

beer or nothing

1934

01:24:48,550 --> 01:24:47,840

no in between so better to not buy any

1935

01:24:52,070 --> 01:24:48,560

at all

1936

01:24:54,470 --> 01:24:52,080

yeah and you know what they knew my wife

1937

01:24:55,750 --> 01:24:54,480

noticed during the snowstorm that if i

1938

01:24:57,750 --> 01:24:55,760

just went to the bar and

1939

01:24:58,870 --> 01:24:57,760

bought a six-pack i only drank a

1940

01:25:00,470 --> 01:24:58,880

six-pack

1941

01:25:02,870 --> 01:25:00,480

so she would almost prefer that i just

1942

01:25:04,950 --> 01:25:02,880

walk to the bar and just buy a six-pack

1943

01:25:07,189 --> 01:25:04,960

because then i'm only going to drink the

1944

01:25:10,709 --> 01:25:07,199

six-pack right but when i have

1945

01:25:12,550 --> 01:25:10,719

you know i don't know

1946

01:25:16,390 --> 01:25:12,560

when i was doing the miller lite and the

1947

01:25:23,510 --> 01:25:19,430

48 beers a 12 pack and a 36 pack

1948

01:25:24,629 --> 01:25:23,520

you know i've got 50 beers i'ma drink 50

1949

01:25:26,390 --> 01:25:24,639

beers

1950

01:25:27,669 --> 01:25:26,400

that's that's the way it is you're right

1951

01:25:30,390 --> 01:25:27,679

i have no in-between

1952

01:25:32,310 --> 01:25:30,400

you know i feel like an incomplete drunk

1953

01:25:35,030 --> 01:25:32,320

makes me angry too

1954

01:25:36,470 --> 01:25:35,040

like sometimes you get in that situation

1955

01:25:38,390 --> 01:25:36,480

where you're like well i've got five

1956

01:25:40,070 --> 01:25:38,400

beers in there i'm not going out to get

1957

01:25:41,430 --> 01:25:40,080

another case of beer i'll just drink

1958

01:25:43,990 --> 01:25:41,440

these five beers and i

1959

01:25:45,669 --> 01:25:44,000

literally get angry when i'm done the

1960

01:25:48,470 --> 01:25:45,679

five beers that there's not

1961

01:25:53,990 --> 01:25:48,480

a few more if only i had a couple more

1962

01:25:56,950 --> 01:25:54,000

right i could finish this drunk off

1963

01:25:57,910 --> 01:25:56,960

steve ronin says exercise fast walking

1964

01:25:59,590 --> 01:25:57,920

and body x

1965

01:26:01,189 --> 01:25:59,600

and weights four times a week for an

1966

01:26:03,270 --> 01:26:01,199

hour will have you feeling great and

1967

01:26:08,790 --> 01:26:03,280

looking great

1968

01:26:11,430 --> 01:26:08,800

uh so what you walk fast with weights

1969

01:26:13,350 --> 01:26:11,440

i don't know that's all the exercise

1970

01:26:15,030 --> 01:26:13,360

that i do i have a treadmill

1971

01:26:17,189 --> 01:26:15,040

but it's a shitty treadmill that you can

1972

01:26:20,310 --> 01:26:17,199

only walk on it doesn't have like a run

1973

01:26:23,189 --> 01:26:20,320

setting right which i'm kind of thankful

1974

01:26:25,590 --> 01:26:23,199

for because i can't run

1975

01:26:26,229 --> 01:26:25,600

so but i can walk on it for 45 minutes

1976

01:26:28,229 --> 01:26:26,239

so that's

1977

01:26:29,830 --> 01:26:28,239

my exercise i walk on the treadmill for

1978

01:26:31,590 --> 01:26:29,840

45 minutes

1979

01:26:33,510 --> 01:26:31,600

and believe it or not that for me that's

1980

01:26:36,310 --> 01:26:33,520

a workout i must be getting old

1981

01:26:37,189 --> 01:26:36,320

or fat as [h__h] because walking for 45

1982

01:26:38,870 --> 01:26:37,199

minutes

1983

01:26:41,510 --> 01:26:38,880

it didn't sound to me like that was

1984

01:26:43,750 --> 01:26:41,520

going to be hard but it is

1985

01:26:45,990 --> 01:26:43,760

and having the discipline steve ronan to

1986

01:26:47,189 --> 01:26:46,000

do it every day but i like this 75 heart

1987

01:26:50,149 --> 01:26:47,199

twice a day

1988

01:26:51,750 --> 01:26:50,159

for 45 minutes you have to do 45 minutes

1989

01:26:53,910 --> 01:26:51,760

outside doing anything

1990

01:26:55,189 --> 01:26:53,920

you want outside for 45 minutes but

1991

01:26:57,510 --> 01:26:55,199

exercise

1992

01:26:59,590 --> 01:26:57,520

you know and then 45 minutes you could

1993

01:27:01,590 --> 01:26:59,600

do inside so i walked on the treadmill

1994

01:27:03,669 --> 01:27:01,600

and then i would walk outside for 45

1995

01:27:05,669 --> 01:27:03,679

minutes

1996

01:27:07,510 --> 01:27:05,679

and yeah ever doing that every day in a

1997

01:27:15,590 --> 01:27:07,520

sensible diet and you'll drop weight

1998

01:27:18,229 --> 01:27:17,030

yeah the stereotype is kind of true

1999

01:27:19,669 --> 01:27:18,239

people will spend the whole weekend in

2000

01:27:21,189 --> 01:27:19,679

clubs and think nothing of it but

2001

01:27:23,750 --> 01:27:21,199

getting less like that now

2002

01:27:24,550 --> 01:27:23,760

yeah not since the current health crisis

2003

01:27:26,470 --> 01:27:24,560

but yeah

2004

01:27:27,990 --> 01:27:26,480

me and my wife used to before kids we

2005

01:27:30,870 --> 01:27:28,000

used to go to the bar

2006

01:27:32,550 --> 01:27:30,880

three four nights a week and later when

2007

01:27:33,669 --> 01:27:32,560

we figured out like how much we were

2008

01:27:35,750 --> 01:27:33,679

spending at the bar

2009

01:27:37,110 --> 01:27:35,760

every week we were like whoa you know

2010

01:27:38,709 --> 01:27:37,120

when when i'm

2011

01:27:40,550 --> 01:27:38,719

sure when we decided to have children it

2012

01:27:41,270 --> 01:27:40,560

was like well we're going to drink at

2013

01:27:43,430 --> 01:27:41,280

home now

2014

01:27:45,990 --> 01:27:43,440

and we went to the bar like only very

2015

01:27:47,669 --> 01:27:46,000

very occasionally

2016

01:27:49,430 --> 01:27:47,679

because yeah you could drop a couple

2017

01:27:50,950 --> 01:27:49,440

hundred bucks in a bar if you're going

2018

01:27:51,270 --> 01:27:50,960

there three nights a week and hanging

2019

01:27:53,910 --> 01:27:51,280

out

2020

01:27:55,590 --> 01:27:53,920

you know it's easy to drop a few hundred

2021

01:27:57,590 --> 01:27:55,600

bucks

2022

01:27:58,870 --> 01:27:57,600

yeah the context daniel says yeah if

2023

01:28:00,870 --> 01:27:58,880

it's in the fridge i drink it so

2024

01:28:02,629 --> 01:28:00,880

basically every second year or so i just

2025

01:28:03,270 --> 01:28:02,639

take a year off drinking to heal the

2026

01:28:05,189 --> 01:28:03,280

liver

2027

01:28:07,510 --> 01:28:05,199

that's good i hear that's good that's

2028

01:28:12,149 --> 01:28:07,520

absolutely good

2029

01:28:16,310 --> 01:28:14,790

wow melissa i have friends who spend 20

2030

01:28:17,830 --> 01:28:16,320

days without drinking then they go buy a

2031

01:28:19,430 --> 01:28:17,840

couple of bottles of whiskey and finish

2032

01:28:21,510 --> 01:28:19,440

them off in one sitting then spend the

2033

01:28:24,709 --> 01:28:21,520

next couple of weeks drinking all day

2034

01:28:25,750 --> 01:28:24,719

then another 20 days off yeah it's like

2035

01:28:29,189 --> 01:28:25,760

trying to manage

2036

01:28:30,070 --> 01:28:29,199

you know i heard i went to a.a for a

2037

01:28:32,070 --> 01:28:30,080

time too

2038

01:28:33,510 --> 01:28:32,080

like a while ago and i didn't drink for

2039

01:28:35,990 --> 01:28:33,520

about a year

2040

01:28:37,350 --> 01:28:36,000

i think and this is when i was first

2041

01:28:40,070 --> 01:28:37,360

married

2042

01:28:41,669 --> 01:28:40,080

you know it's just like i really thought

2043

01:28:41,990 --> 01:28:41,679

like i'm going to be a better husband if

2044

01:28:44,950 --> 01:28:42,000

i just

2045

01:28:46,310 --> 01:28:44,960

don't drink at all and uh i really tried

2046

01:28:48,310 --> 01:28:46,320

i did it for a year

2047

01:28:49,510 --> 01:28:48,320

i don't know aaa for me was weird though

2048

01:28:50,870 --> 01:28:49,520

because it was just like

2049

01:28:52,229 --> 01:28:50,880

you just go to this place and there's

2050

01:28:54,550 --> 01:28:52,239

all these people complaining about how

2051

01:28:56,149 --> 01:28:54,560

much they want to drink but they can't

2052

01:28:58,149 --> 01:28:56,159

and i didn't know that that was helpful

2053

01:29:01,189 --> 01:28:58,159

for me but i did a

2054

01:29:02,070 --> 01:29:01,199

you know i think i did a year and then i

2055

01:29:04,950 --> 01:29:02,080

went back

2056

01:29:06,790 --> 01:29:04,960

you know and i guess i uh i do this sort

2057

01:29:08,310 --> 01:29:06,800

of cycle like sometimes i'll take a long

2058

01:29:10,709 --> 01:29:08,320

time off of drinking

2059

01:29:11,590 --> 01:29:10,719

a few months whatever that time it was a

2060

01:29:13,750 --> 01:29:11,600

year

2061

01:29:15,830 --> 01:29:13,760

and then i go back slowly you know like

2062

01:29:17,430 --> 01:29:15,840

well i'll just have a few drinks tonight

2063

01:29:18,950 --> 01:29:17,440

you know or i'll go out and have a few

2064

01:29:20,390 --> 01:29:18,960

drinks with friends and literally a few

2065

01:29:23,189 --> 01:29:20,400

drinks but then before i know it

2066

01:29:24,149 --> 01:29:23,199

i'm drinking 10 beers before i before

2067

01:29:26,950 --> 01:29:24,159

i'm

2068

01:29:28,629 --> 01:29:26,960

from done mario heat says dead lifts

2069

01:29:31,669 --> 01:29:28,639

weight lifting and stair climbing will

2070

01:29:34,310 --> 01:29:31,679

make you drop weight quick

2071

01:29:36,550 --> 01:29:34,320

uh okay if you say so but i don't see

2072

01:29:40,790 --> 01:29:36,560

myself weight lifting or stair climbing

2073

01:29:44,870 --> 01:29:42,870

yeah i agree with you chris 77 says

2074

01:29:46,950 --> 01:29:44,880

getting older has curved my partying

2075

01:29:49,990 --> 01:29:46,960

it's definitely harder to recover

2076

01:29:53,430 --> 01:29:50,000

i hear that and i agree with you 100

2077

01:29:54,229 --> 01:29:53,440

it is hard i remember i used to

2078

01:29:57,030 --> 01:29:54,239

literally

2079

01:29:58,390 --> 01:29:57,040

drink all night on a work night right

2080

01:30:01,350 --> 01:29:58,400

like i used to

2081

01:30:02,709 --> 01:30:01,360

go out to the bar or get a bunch of beer

2082

01:30:04,229 --> 01:30:02,719

after work

2083

01:30:05,990 --> 01:30:04,239

you know and get down to work at like

2084

01:30:08,070 --> 01:30:06,000

five or six o'clock and i would just

2085

01:30:09,990 --> 01:30:08,080

drink until three or four o'clock in the

2086

01:30:13,189 --> 01:30:10,000

morning and then wake up at seven and

2087

01:30:17,189 --> 01:30:13,199

get to work by 8 am and i'd be fine

2088

01:30:20,310 --> 01:30:17,199

no way that i could do that now yeah

2089

01:30:21,270 --> 01:30:20,320

you know and then also i'm not sure it's

2090

01:30:22,790 --> 01:30:21,280

related and

2091

01:30:24,790 --> 01:30:22,800

i'm you know i'm sure my wife thinks

2092

01:30:28,229 --> 01:30:24,800

it's an excuse for me but

2093

01:30:29,590 --> 01:30:28,239

i uh have terrible insomnia i have my

2094

01:30:31,590 --> 01:30:29,600

entire life

2095

01:30:34,310 --> 01:30:31,600

and one of the things i like about

2096

01:30:37,590 --> 01:30:34,320

alcohol is like after about 10 beers

2097

01:30:38,390 --> 01:30:37,600

that's the off switch right uh but

2098

01:30:41,189 --> 01:30:38,400

that's not

2099

01:30:42,870 --> 01:30:41,199

healthful sleep that's you know it was

2100

01:30:44,229 --> 01:30:42,880

like rodney dangerfield

2101
01:30:45,990 --> 01:30:44,239
you know his wife told him you've got to

2102
01:30:48,629 --> 01:30:46,000
learn to sleep better

2103
01:30:50,149 --> 01:30:48,639
in a movie anyway and he said i don't

2104
01:30:56,870 --> 01:30:50,159
know how to sleep but i know how to pass

2105
01:31:03,590 --> 01:31:00,470
no bailey stoner you're lucky she says

2106
01:31:06,709 --> 01:31:03,600
i still don't get hangovers

2107
01:31:09,189 --> 01:31:06,719
well good for you i really do

2108
01:31:10,870 --> 01:31:09,199
i mean i could drink 10 beers and then

2109
01:31:11,750 --> 01:31:10,880
and i'm fine the next day as long as i

2110
01:31:14,070 --> 01:31:11,760
have enough

2111
01:31:15,990 --> 01:31:14,080
time to sleep but i'm probably a little

2112
01:31:18,629 --> 01:31:16,000
beat up the next day a little slow

2113
01:31:19,750 --> 01:31:18,639

a little beat up but i don't feel sick

2114

01:31:23,350 --> 01:31:19,760

or hungover

2115

01:31:26,790 --> 01:31:23,360

but if i go beyond the 10 beers or if i

2116

01:31:29,830 --> 01:31:26,800

um if i if i add alcohol

2117

01:31:30,550 --> 01:31:29,840

like if i have shots beers and shots

2118

01:31:34,149 --> 01:31:30,560

that's not

2119

01:31:36,149 --> 01:31:34,159

good definitely not good i used to joke

2120

01:31:37,669 --> 01:31:36,159

that i was allergic to alcohol

2121

01:31:38,950 --> 01:31:37,679

especially vodka

2122

01:31:41,910 --> 01:31:38,960

because it made me break out in

2123

01:31:48,229 --> 01:31:45,030

every time that i got really drunk on

2124

01:31:48,870 --> 01:31:48,239

vodka something bad happened so i avoid

2125

01:31:51,030 --> 01:31:48,880

vodka

2126
01:31:52,470 --> 01:31:51,040
like the plague and being polish that's

2127
01:31:55,590 --> 01:31:52,480
hard to do

2128
01:31:57,270 --> 01:31:55,600
every polish you know person it's like

2129
01:31:58,950 --> 01:31:57,280
just the same with russians i guess

2130
01:32:04,070 --> 01:31:58,960
vodka's the drink you know and it's

2131
01:32:07,669 --> 01:32:05,910
jonah said said stop drinking heavily in

2132
01:32:09,910 --> 01:32:07,679
my 30s

2133
01:32:11,990 --> 01:32:09,920
yeah i know better and i should really i

2134
01:32:15,189 --> 01:32:12,000
should dramatically cut down or quit

2135
01:32:18,390 --> 01:32:15,199
altogether i'm just not there yet right

2136
01:32:22,310 --> 01:32:21,030
but i know i definitely listen when my

2137
01:32:23,990 --> 01:32:22,320
wife my wife is

2138
01:32:25,990 --> 01:32:24,000

working from home right now so she's

2139

01:32:27,510 --> 01:32:26,000

here and helping with the kids

2140

01:32:29,910 --> 01:32:27,520

and everything but as soon as she goes

2141

01:32:31,350 --> 01:32:29,920

back to her office to work

2142

01:32:33,510 --> 01:32:31,360

i'm gonna have a lot more stuff that i

2143

01:32:35,750 --> 01:32:33,520

have to deal with with the children so

2144

01:32:38,149 --> 01:32:35,760

yeah i'm gonna have to i'm gonna have to

2145

01:32:39,350 --> 01:32:38,159

clean my act up to be you know and

2146

01:32:41,750 --> 01:32:39,360

you know what's funny that's one of the

2147

01:32:45,110 --> 01:32:41,760

things that will do it like

2148

01:32:46,709 --> 01:32:45,120

the the fact that you just you reach

2149

01:32:49,830 --> 01:32:46,719

some realization maybe like

2150

01:32:53,110 --> 01:32:49,840

i have to be a better father here uh

2151
01:32:54,149 --> 01:32:53,120
and i can't do it without severely

2152
01:33:01,270 --> 01:32:54,159
cutting down on this

2153
01:33:07,590 --> 01:33:04,629
philip pratt says coffee plus weed is

2154
01:33:08,470 --> 01:33:07,600
far better than booze much easier to

2155
01:33:11,590 --> 01:33:08,480
keep fit

2156
01:33:15,990 --> 01:33:11,600
yeah when i quit drinking i smoked a lot

2157
01:33:21,510 --> 01:33:16,000
i smoked a lot more pot you know

2158
01:33:25,350 --> 01:33:23,669
i mentioned i have terrible insomnia and

2159
01:33:26,550 --> 01:33:25,360
i don't know for a time i was getting

2160
01:33:29,990 --> 01:33:26,560
really good indica

2161
01:33:33,590 --> 01:33:30,000
bud and that would help me sleep but

2162
01:33:37,430 --> 01:33:33,600
not lately or it's just not working

2163
01:33:39,510 --> 01:33:37,440

like it used to so

2164

01:33:41,510 --> 01:33:39,520

yeah pbr street gang says beer is liquid

2165

01:33:43,030 --> 01:33:41,520

bread yeah it's a lot of empty calories

2166

01:33:46,070 --> 01:33:43,040

so

2167

01:33:50,470 --> 01:33:46,080

yeah a lot of empty calories

2168

01:33:52,629 --> 01:33:50,480

pop up that was tequila got so drunk and

2169

01:33:56,550 --> 01:33:52,639

sick at 16 never drank it again

2170

01:33:57,750 --> 01:33:56,560

mine was brandy miss genocide i once as

2171

01:34:00,390 --> 01:33:57,760

like 10 years old

2172

01:34:01,590 --> 01:34:00,400

got into my parents liquor cabinet and

2173

01:34:04,629 --> 01:34:01,600

they had

2174

01:34:06,629 --> 01:34:04,639

still remember it apricot brandy and to

2175

01:34:08,390 --> 01:34:06,639

this day the smell of brandy will make

2176
01:34:15,350 --> 01:34:08,400
me almost vomit

2177
01:34:20,790 --> 01:34:17,270
the background music is distracting here

2178
01:34:20,800 --> 01:34:26,149
see that there you go

2179
01:34:30,310 --> 01:34:29,189
yeah so uh i'm proud of myself for one

2180
01:34:32,550 --> 01:34:30,320
thing and that is i

2181
01:34:33,910 --> 01:34:32,560
stuck to a schedule this week there is

2182
01:34:37,030 --> 01:34:33,920
hope for us all

2183
01:34:39,350 --> 01:34:37,040
i said monday wednesday friday 10 p.m

2184
01:34:40,629 --> 01:34:39,360
we would be here i would do a show each

2185
01:34:43,910 --> 01:34:40,639
night and we

2186
01:34:47,030 --> 01:34:43,920
even managed to do a few bonus shows so

2187
01:34:49,830 --> 01:34:47,040
this week's show total is now at five

2188
01:34:50,709 --> 01:34:49,840

which i this is so funny i'm going like

2189

01:34:54,709 --> 01:34:50,719

i can't do

2190

01:34:56,950 --> 01:34:54,719

five a day so i'm gonna commit to three

2191

01:34:57,830 --> 01:34:56,960

or five i can't do five a week it's too

2192

01:35:00,550 --> 01:34:57,840

much

2193

01:35:02,390 --> 01:35:00,560

so i'm gonna commit to three and then if

2194

01:35:04,550 --> 01:35:02,400

i have extra i'll do an extra show and

2195

01:35:06,629 --> 01:35:04,560

then i do the five

2196

01:35:07,669 --> 01:35:06,639

makes no sense to me you know but i

2197

01:35:11,030 --> 01:35:07,679

didn't want to commit

2198

01:35:13,510 --> 01:35:11,040

to five nights a week at 10 pm

2199

01:35:16,390 --> 01:35:13,520

it's just it's difficult to beat it's

2200

01:35:19,830 --> 01:35:18,310

i don't know what it is but having to do

2201

01:35:21,990 --> 01:35:19,840

something at a certain time

2202

01:35:23,510 --> 01:35:22,000

every day it just bothers me and then

2203

01:35:23,910 --> 01:35:23,520

what if i don't have material what if

2204

01:35:26,149 --> 01:35:23,920

this

2205

01:35:27,590 --> 01:35:26,159

you know or like tonight we have a

2206

01:35:30,950 --> 01:35:27,600

canceled last minute

2207

01:35:32,629 --> 01:35:30,960

surprise guest right um

2208

01:35:34,229 --> 01:35:32,639

then we have to fill in but i'm proud of

2209

01:35:36,070 --> 01:35:34,239

myself i said i was gonna do

2210

01:35:38,390 --> 01:35:36,080

a show monday wednesday and friday we

2211

01:35:41,590 --> 01:35:38,400

did a show not much of a show

2212

01:35:45,350 --> 01:35:41,600

uh today but uh

2213

01:35:49,590 --> 01:35:45,360

here it is who makes your intro music

2214

01:35:53,510 --> 01:35:49,600

uh a person called uh

2215

01:35:55,830 --> 01:35:53,520

carl casey who

2216

01:35:57,189 --> 01:35:55,840

makes amazing synth music that i wish i

2217

01:35:58,870 --> 01:35:57,199

had the time to make

2218

01:36:00,229 --> 01:35:58,880

some of the music here on the show is

2219

01:36:01,990 --> 01:36:00,239

for me and some of it

2220

01:36:05,510 --> 01:36:02,000

a lot of it is from this person carl

2221

01:36:09,030 --> 01:36:07,030

yeah terry was really cool yeah we're

2222

01:36:11,430 --> 01:36:09,040

gonna have her back again she's fun

2223

01:36:12,070 --> 01:36:11,440

and uh you know a comedian so i'm hoping

2224

01:36:14,709 --> 01:36:12,080

she'll help

2225

01:36:15,910 --> 01:36:14,719

come and make the show funnier you know

2226

01:36:18,390 --> 01:36:15,920

i think that would really

2227

01:36:19,189 --> 01:36:18,400

benefit us right and i like her and like

2228

01:36:20,390 --> 01:36:19,199

uh

2229

01:36:22,310 --> 01:36:20,400

i've been talking to her because i

2230

01:36:23,030 --> 01:36:22,320

always wanted to try stand up my entire

2231

01:36:25,430 --> 01:36:23,040

life

2232

01:36:26,229 --> 01:36:25,440

and never did and uh i'm gonna make her

2233

01:36:28,390 --> 01:36:26,239

help me

2234

01:36:29,830 --> 01:36:28,400

i'm gonna write my set and then she's

2235

01:36:31,430 --> 01:36:29,840

gonna i'm gonna have her look at it and

2236

01:36:34,229 --> 01:36:31,440

try to help me improve it

2237

01:36:34,629 --> 01:36:34,239

before i go embarrass myself in public

2238

01:36:37,750 --> 01:36:34,639

but

2239

01:36:38,629 --> 01:36:37,760

god knows uh when that's gonna be uh

2240

01:36:40,310 --> 01:36:38,639

because

2241

01:36:42,550 --> 01:36:40,320

uh you know of the current health

2242

01:36:44,070 --> 01:36:42,560

situation but i'm hopeful by summer

2243

01:36:46,470 --> 01:36:44,080

maybe some things will get back to

2244

01:36:48,550 --> 01:36:46,480

normal like comedy shows i think we

2245

01:36:49,350 --> 01:36:48,560

could all use a good comedy show right

2246

01:36:51,750 --> 01:36:49,360

now

2247

01:36:53,350 --> 01:36:51,760

spooky s next roswell no idea still

2248

01:36:54,709 --> 01:36:53,360

waiting for two guests

2249

01:36:56,870 --> 01:36:54,719

who said that they would check their

2250

01:36:58,310 --> 01:36:56,880

schedule and let me know if and when

2251

01:37:01,510 --> 01:36:58,320

they could do it

2252

01:37:03,430 --> 01:37:01,520

and also spooky i think that uh

2253

01:37:05,430 --> 01:37:03,440

the whole panel shows booked except for

2254

01:37:07,109 --> 01:37:05,440

mr kevin randall who still

2255

01:37:09,189 --> 01:37:07,119

got some issues with cal korff so i

2256

01:37:16,470 --> 01:37:09,199

don't know if he's gonna do it but

2257

01:37:19,830 --> 01:37:19,270

ragnar the destroyer who killed jfk ussr

2258

01:37:22,470 --> 01:37:19,840

lbj

2259

01:37:23,270 --> 01:37:22,480

cia military industrial complex or a

2260

01:37:27,109 --> 01:37:23,280

combination

2261

01:37:29,669 --> 01:37:27,119

of the latter three uh yeah it could be

2262

01:37:31,430 --> 01:37:29,679

all of the above right for all i know

2263

01:37:32,709 --> 01:37:31,440

there's so many different conspiracy

2264

01:37:36,070 --> 01:37:32,719

theories that is the

2265

01:37:37,990 --> 01:37:36,080

birth of conspiracy theory land uh one

2266

01:37:40,709 --> 01:37:38,000

of the births of conspiracy theory land

2267

01:37:42,870 --> 01:37:40,719

of course being the assassination of jfk

2268

01:37:44,550 --> 01:37:42,880

me i have a real problem with this magic

2269

01:37:45,910 --> 01:37:44,560

bullet theory and someday we're going to

2270

01:37:47,430 --> 01:37:45,920

have kalkorf on

2271

01:37:49,189 --> 01:37:47,440

because he's written a whole book

2272

01:37:49,910 --> 01:37:49,199

basically claiming to have solved the

2273

01:37:53,030 --> 01:37:49,920

mystery

2274

01:37:55,910 --> 01:37:53,040

of you know what happened to jfk

2275

01:37:57,270 --> 01:37:55,920

and just never really believed the

2276

01:38:01,750 --> 01:37:57,280

official narrative

2277

01:38:04,149 --> 01:38:01,760

um just

2278

01:38:07,910 --> 01:38:04,159

physics is physics and it just defy it

2279

01:38:10,950 --> 01:38:07,920

seems to me that the magical theory

2280

01:38:14,310 --> 01:38:10,960

defies the laws of physics right

2281

01:38:22,149 --> 01:38:14,320

um but i don't know i'm not a

2282

01:38:26,310 --> 01:38:24,790

love your sense of humor i uh pray for

2283

01:38:28,149 --> 01:38:26,320

you so much success i still need to

2284

01:38:30,709 --> 01:38:28,159

watch drax your most latest interview

2285

01:38:34,709 --> 01:38:30,719

may i play caspel when you interview

2286

01:38:36,709 --> 01:38:34,719

yeah sure you're very welcome

2287

01:38:38,070 --> 01:38:36,719

yeah and i was gonna try to do this

2288

01:38:40,310 --> 01:38:38,080

david wilcock mask

2289

01:38:42,470 --> 01:38:40,320

thing again but uh boy that mask is

2290

01:38:45,270 --> 01:38:42,480

rough and i gotta work on it

2291

01:38:47,189 --> 01:38:45,280

but we're gonna be doing a david wilcock

2292

01:38:50,870 --> 01:38:47,199

and a box of dildos challenge

2293

01:38:54,149 --> 01:38:50,880

part three very soon um

2294

01:38:56,709 --> 01:38:54,159

got the mask and everything for that so

2295

01:38:58,310 --> 01:38:56,719

uh maybe maybe this weekend if i'm

2296

01:39:00,229 --> 01:38:58,320

feeling up to it but

2297

01:39:02,390 --> 01:39:00,239

i kind of feel like we've already done

2298

01:39:04,550 --> 01:39:02,400

five shows the world does not need that

2299

01:39:06,629 --> 01:39:04,560

much of me

2300

01:39:08,550 --> 01:39:06,639

so i think i'm taking the weekend off to

2301

01:39:10,870 --> 01:39:08,560

attend to some other matters

2302

01:39:12,229 --> 01:39:10,880

that are certainly more important than

2303

01:39:14,629 --> 01:39:12,239

the show sadly

2304

01:39:17,350 --> 01:39:14,639

you know like family stuff and uh some

2305

01:39:19,669 --> 01:39:17,360

other things that i have to do

2306

01:39:21,350 --> 01:39:19,679

so friends uh i think we're gonna wrap

2307

01:39:24,629 --> 01:39:21,360

things up here

2308

01:39:25,990 --> 01:39:24,639

um i want to thank each and every one of

2309

01:39:28,149 --> 01:39:26,000

you for being a part of the

2310

01:39:29,030 --> 01:39:28,159

show hey at least we finally got those

2311

01:39:30,709 --> 01:39:29,040

phone lines back

2312

01:39:32,310 --> 01:39:30,719

open i'm glad to see a few people call

2313

01:39:34,550 --> 01:39:32,320

in and we'll

2314

01:39:36,070 --> 01:39:34,560

do a show like this again next week

2315

01:39:39,189 --> 01:39:36,080

we'll have open topics

2316

01:39:42,149 --> 01:39:39,199

open lines uh and anybody can be a part

2317

01:39:45,510 --> 01:39:44,070

so until next time friends my name is

2318

01:39:51,030 --> 01:39:45,520

stephen campion

2319

01:39:58,310 --> 01:39:55,590

i don't want to see him kissing goblins

2320

01:39:59,830 --> 01:39:58,320

ingratiating odd ones in bed with a

2321

01:40:12,510 --> 01:39:59,840

goblin i don't want to see him

2322

01:41:16,830 --> 01:40:30,220

[Music]

2323

01:41:16,840 --> 01:41:41,620

in

2324

01:41:41,630 --> 01:41:55,750

[Music]

2325

01:42:04,790 --> 01:42:00,149

i've waited for my whole life to find

2326

01:42:10,229 --> 01:42:04,800

you in that dream

2327

01:42:16,540 --> 01:42:10,239

that the desert dreams

2328

01:42:16,550 --> 01:42:24,229

[Music]

2329

01:42:47,350 --> 01:42:27,910

now i'm so afraid

2330

01:42:57,430 --> 01:42:47,360

[Music]

2331

01:43:01,750 --> 01:42:57,440

open will you fly away

2332

01:43:06,709 --> 01:43:01,760

so i tried to be everything that you

2333

01:43:06,719 --> 01:43:17,690

to be anything at

2334

01:43:25,170 --> 01:43:19,270

[Music]

2335

01:43:36,070 --> 01:43:25,180

i'm just an ordinary human after

2336

01:43:40,629 --> 01:43:38,940

could ever make you stand

2337

01:43:44,229 --> 01:43:40,639

[Music]

2338

01:43:44,239 --> 01:43:47,750

that you'll fly away

2339

01:43:55,340 --> 01:43:50,870

when the cage is open

2340

01:44:00,630 --> 01:43:57,270

[Music]

2341

01:44:04,550 --> 01:44:00,640

these wings are broken

2342

01:44:09,780 --> 01:44:04,560

[Music]

2343

01:44:09,790 --> 01:44:13,280

[Applause]

2344

01:44:27,830 --> 01:44:24,229

[Music]

2345

01:44:46,070 --> 01:44:34,870

that you'll fly away

2346

01:44:46,080 --> 01:44:53,430

the cage

2347

01:45:01,510 --> 01:44:56,709

the chains are broken

2348

01:46:10,790 --> 01:45:03,660

be is

2349

01:46:13,910 --> 01:46:13,030

what if it was possible to learn how to

2350

01:46:17,350 --> 01:46:13,920

hack

2351
01:46:19,430 --> 01:46:17,360
or program your own mind the truth is

2352
01:46:21,990 --> 01:46:19,440
your mind has already been programmed

2353
01:46:25,109 --> 01:46:22,000
and controlled by others for years

2354
01:46:27,030 --> 01:46:25,119
but this this is how you break free

2355
01:46:29,510 --> 01:46:27,040
this is how you learn to program your

2356
01:46:31,109 --> 01:46:29,520
own mind and finally take control of

2357
01:46:34,629 --> 01:46:31,119
your destiny

2358
01:46:37,270 --> 01:46:34,639
this is how you break that bondage this

2359
01:46:37,910 --> 01:46:37,280
is how you learn to hack your own mind

2360
01:46:41,430 --> 01:46:37,920
and learn

2361
01:46:45,990 --> 01:46:41,440
to finally be free welcome

2362
01:46:49,350 --> 01:46:46,000
to mind hack the mind hack system

2363
01:46:51,669 --> 01:46:49,360

includes guided meditations final role

2364

01:46:54,390 --> 01:46:51,679

beats for each brain state

2365

01:46:55,350 --> 01:46:54,400

motivational speaking hypnotic

2366

01:46:58,390 --> 01:46:55,360

inductions

2367

01:47:00,629 --> 01:46:58,400

and much much more

2368

01:47:01,990 --> 01:47:00,639

the mind hex system puts you back in

2369

01:47:04,229 --> 01:47:02,000

control

2370

01:47:05,750 --> 01:47:04,239

the mind hack system helps you reach

2371

01:47:08,629 --> 01:47:05,760

your goals

2372

01:47:09,750 --> 01:47:08,639

the mindtech system helps you manifest

2373

01:47:13,109 --> 01:47:09,760

your dreams

2374

01:47:14,550 --> 01:47:13,119

into reality by finally taking control

2375

01:47:16,870 --> 01:47:14,560

of your own mind

2376
01:47:17,830 --> 01:47:16,880
you will learn to focus and take control

2377
01:47:21,189 --> 01:47:17,840
of your own

2378
01:48:39,380 --> 01:47:21,199
infinite potential

2379
01:49:41,830 --> 01:48:58,830
[Music]

2380
01:49:41,840 --> 01:49:44,010
foreign

2381
01:50:36,830 --> 01:49:53,880
[Music]

2382
01:50:36,840 --> 01:51:04,830
so

2383
01:51:04,840 --> 01:51:08,510
me

2384
01:51:08,520 --> 01:51:44,950
[Music]

2385
01:51:44,960 --> 01:51:50,790
the dead in the sky

2386
01:51:58,550 --> 01:51:54,950
i cried to the angels to bring

2387
01:51:58,560 --> 01:52:05,350
but that's not meant to be in this life

2388
01:52:05,360 --> 01:52:19,960

you make me

2389

01:52:19,970 --> 01:52:24,550

[Music]

2390

01:52:44,790 --> 01:52:28,629

you always leave behind

2391

01:52:48,870 --> 01:52:44,800

it makes me

2392

01:52:52,709 --> 01:52:48,880

i remember the last time

2393

01:52:52,719 --> 01:53:00,470

i still taste your last kiss goodbye

2394

01:53:08,310 --> 01:53:03,589

i reached out to touch you

2395

01:53:22,790 --> 01:53:12,300

but still this emptiness

2396

01:53:34,229 --> 01:53:22,800

[Music]

2397

01:53:45,589 --> 01:53:41,050

you always

2398

01:54:06,830 --> 01:53:55,330

in my soul

2399

01:54:17,510 --> 01:54:06,840

[Music]

2400

01:54:17,520 --> 01:54:24,860

make me

2401
01:54:55,109 --> 01:54:31,480
[Music]

2402
01:55:51,440 --> 01:55:04,070
in my soul

2403
01:55:51,450 --> 01:56:12,830
[Music]

2404
01:56:40,830 --> 01:56:14,430
so

2405
01:56:42,930 --> 01:56:40,840
[Music]

2406
01:56:54,830 --> 01:56:42,940
so

2407
01:56:56,410 --> 01:56:54,840
[Music]

2408
01:57:14,070 --> 01:56:56,420
so

2409
01:57:15,760 --> 01:57:14,080
[Music]

2410
01:59:26,210 --> 01:57:15,770
[Applause]

2411
01:59:26,220 --> 01:59:42,830
[Music]

2412
02:00:17,190 --> 01:59:45,140
so

2413
02:00:56,410 --> 02:00:24,760

[Music]
