

ACE OF PENTACLES

KNIGHT OF PENTACLES

I

1
00:00:16,680 --> 00:00:14,910
[Music]

2
00:00:56,830 --> 00:00:16,690
foreign

3
00:00:56,840 --> 00:01:00,370
so

4
00:01:00,380 --> 00:01:10,830
[Music]

5
00:01:10,840 --> 00:01:15,350
so

6
00:02:16,390 --> 00:01:34,370
[Music]

7
00:02:20,229 --> 00:02:19,030
greetings and salutations friends and

8
00:02:23,350 --> 00:02:20,239
welcome back

9
00:02:25,110 --> 00:02:23,360
i'm here at the cabin and uh i don't

10
00:02:27,350 --> 00:02:25,120
like to do shows from the cabin

11
00:02:28,869 --> 00:02:27,360
very much um i spent most of today

12
00:02:30,470 --> 00:02:28,879
working on the cabin

13
00:02:32,390 --> 00:02:30,480

but i definitely want to accommodate

14

00:02:34,309 --> 00:02:32,400

tonight's guest stephanie

15

00:02:36,630 --> 00:02:34,319

who does some amazing tarot card

16

00:02:38,949 --> 00:02:36,640

readings i should say it has been

17

00:02:39,830 --> 00:02:38,959

quite some time since i've had a reading

18

00:02:42,710 --> 00:02:39,840

uh

19

00:02:44,150 --> 00:02:42,720

probably more than 10 years but she

20

00:02:46,470 --> 00:02:44,160

offered to give me one and

21

00:02:48,550 --> 00:02:46,480

and i asked a very specific question and

22

00:02:50,070 --> 00:02:48,560

uh i was kind of

23

00:02:52,869 --> 00:02:50,080

honestly i don't think that i was

24

00:02:55,030 --> 00:02:52,879

expecting quite the quality

25

00:02:56,390 --> 00:02:55,040

of the reading that she came back to me

26

00:02:59,910 --> 00:02:56,400

with and it was

27

00:03:01,830 --> 00:02:59,920

really impressive uh i don't want to say

28

00:03:04,630 --> 00:03:01,840

that i had low expectations but i guess

29

00:03:07,589 --> 00:03:04,640

i did because i wasn't expecting

30

00:03:08,710 --> 00:03:07,599

she sent me an audio file and uh i

31

00:03:11,030 --> 00:03:08,720

really thought she had

32

00:03:11,750 --> 00:03:11,040

some incredible insights into something

33

00:03:13,910 --> 00:03:11,760

i have been

34

00:03:15,830 --> 00:03:13,920

thinking about worrying about for quite

35

00:03:20,149 --> 00:03:15,840

some time

36

00:03:22,550 --> 00:03:20,159

i used to read tarot card cards myself

37

00:03:23,589 --> 00:03:22,560

ages ago and have recently sort of

38

00:03:26,630 --> 00:03:23,599

gotten back into

39

00:03:30,149 --> 00:03:26,640

learning them again um but i'm

40

00:03:31,990 --> 00:03:30,159

a real amateur so i thought it best if

41

00:03:33,830 --> 00:03:32,000

we're gonna do tarot card readings on

42

00:03:35,190 --> 00:03:33,840

the show that we bring in

43

00:03:36,869 --> 00:03:35,200

somebody that actually knows what

44

00:03:38,789 --> 00:03:36,879

they're doing so

45

00:03:40,869 --> 00:03:38,799

we looked high and low and we found

46

00:03:42,789 --> 00:03:40,879

stephanie so i'm going to welcome her

47

00:03:44,710 --> 00:03:42,799

here to the show

48

00:03:45,990 --> 00:03:44,720

how you doing stephanie hi good how are

49

00:03:48,710 --> 00:03:46,000

you good i'm so

50

00:03:50,229 --> 00:03:48,720

happy to see you oh you as well finally

51
00:03:52,070 --> 00:03:50,239
to get to interacting you know with

52
00:03:53,990 --> 00:03:52,080
through yeah it's always interesting to

53
00:03:55,429 --> 00:03:54,000
me when somebody's in my live chat for a

54
00:03:57,110 --> 00:03:55,439
while and then you get to actually see

55
00:03:58,229 --> 00:03:57,120
them and talk to them and connect an aim

56
00:04:04,789 --> 00:03:58,239
to the

57
00:04:06,470 --> 00:04:04,799
so i i don't want to really talk too

58
00:04:08,149 --> 00:04:06,480
much about the reading that you gave me

59
00:04:12,070 --> 00:04:08,159
because that was kind of personal

60
00:04:14,070 --> 00:04:12,080
right uh but uh i wanted to ask you like

61
00:04:15,750 --> 00:04:14,080
when did you start with tarot cards and

62
00:04:19,270 --> 00:04:15,760
what got you interested

63
00:04:21,590 --> 00:04:19,280

and things like that yeah so okay

64

00:04:23,189 --> 00:04:21,600

to break it down obviously with tarot

65

00:04:25,350 --> 00:04:23,199

cards this is um

66

00:04:27,510 --> 00:04:25,360

i've been doing it for about five years

67

00:04:30,150 --> 00:04:27,520

and

68

00:04:31,510 --> 00:04:30,160

i guess when i was a like a young child

69

00:04:33,909 --> 00:04:31,520

i had

70

00:04:35,270 --> 00:04:33,919

you know these abilities that i didn't

71

00:04:38,469 --> 00:04:35,280

really understand

72

00:04:39,830 --> 00:04:38,479

and um you know i i just didn't

73

00:04:41,510 --> 00:04:39,840

understand them i just felt like it's

74

00:04:43,749 --> 00:04:41,520

okay it's normal whatever

75

00:04:45,590 --> 00:04:43,759

and as i got older i started to kind of

76

00:04:47,110 --> 00:04:45,600

catch on a little bit of like what's

77

00:04:49,830 --> 00:04:47,120

been going on

78

00:04:51,670 --> 00:04:49,840

and then um you know i used to actually

79

00:04:51,990 --> 00:04:51,680

read my friend my friends in high school

80

00:04:54,150 --> 00:04:52,000

like

81

00:04:56,150 --> 00:04:54,160

we would be on the phone late at night

82

00:04:57,189 --> 00:04:56,160

and talking and stuff and i'm like yo

83

00:04:58,310 --> 00:04:57,199

you want to check something out they're

84

00:05:00,070 --> 00:04:58,320

like yeah yeah

85

00:05:02,070 --> 00:05:00,080

what do you mean like check something

86

00:05:04,310 --> 00:05:02,080

out like well i was like i can tell like

87

00:05:06,150 --> 00:05:04,320

what's around you um and i can kind of

88

00:05:07,990 --> 00:05:06,160

tell you in description of what it is

89

00:05:09,990 --> 00:05:08,000

like what the [ʌ__h] like okay excuse my

90

00:05:13,510 --> 00:05:10,000

language because like that now

91

00:05:16,790 --> 00:05:13,520

um and so um

92

00:05:18,070 --> 00:05:16,800

yeah i just felt like um at that point

93

00:05:19,350 --> 00:05:18,080

my friends were tripping out because i

94

00:05:22,150 --> 00:05:19,360

was able to do that

95

00:05:22,710 --> 00:05:22,160

and then um you know after that they're

96

00:05:24,390 --> 00:05:22,720

like well

97

00:05:25,990 --> 00:05:24,400

how did you do that like what is that

98

00:05:27,270 --> 00:05:26,000

i'm like i don't know but

99

00:05:28,710 --> 00:05:27,280

lo and behold that's actually remote

100

00:05:30,070 --> 00:05:28,720

viewing that i didn't realize that i was

101
00:05:32,550 --> 00:05:30,080
actually doing that you know

102
00:05:34,150 --> 00:05:32,560
um and that's pretty interesting yeah

103
00:05:35,510 --> 00:05:34,160
and it just kind of like tripped me out

104
00:05:37,670 --> 00:05:35,520
and i was like well i

105
00:05:38,870 --> 00:05:37,680
even to me being able to do that it was

106
00:05:43,430 --> 00:05:38,880
just different

107
00:05:46,469 --> 00:05:43,440
and then um after that after some time

108
00:05:48,150 --> 00:05:46,479
around my my 20s

109
00:05:49,670 --> 00:05:48,160
i met my friend which is she's here i

110
00:05:52,550 --> 00:05:49,680
have my sport team in the

111
00:05:53,029 --> 00:05:52,560
behind me and this is a rare moment

112
00:05:57,189 --> 00:05:53,039
because i never

113
00:05:59,510 --> 00:05:57,199

get to see them so um you know

114

00:06:01,029 --> 00:05:59,520

she introduced me to a school and uh

115

00:06:03,350 --> 00:06:01,039

this is based out in arizona

116

00:06:05,029 --> 00:06:03,360

at southwest institute of healing arts

117

00:06:06,950 --> 00:06:05,039

and i was taking one of their programs

118

00:06:09,189 --> 00:06:06,960

and where their programs were about

119

00:06:10,870 --> 00:06:09,199

learning how to read people and using

120

00:06:11,990 --> 00:06:10,880

your your natural gifts that everybody

121

00:06:15,189 --> 00:06:12,000

has everybody has

122

00:06:16,870 --> 00:06:15,199

a gift to be able to see some insight um

123

00:06:18,870 --> 00:06:16,880

about what is going on energetically

124

00:06:20,710 --> 00:06:18,880

with them or with other people

125

00:06:22,150 --> 00:06:20,720

um do you think i was i hate to

126

00:06:24,070 --> 00:06:22,160

interrupt you i'm sorry okay

127

00:06:25,510 --> 00:06:24,080

do you think that that everyone has

128

00:06:27,430 --> 00:06:25,520

these abilities but

129

00:06:29,029 --> 00:06:27,440

see what i think is that everyone has

130

00:06:31,670 --> 00:06:29,039

some form of

131

00:06:32,790 --> 00:06:31,680

ability or recognition or you know call

132

00:06:34,710 --> 00:06:32,800

it intuition

133

00:06:37,029 --> 00:06:34,720

but that there's a spectrum and some

134

00:06:38,790 --> 00:06:37,039

people are very high with ability on

135

00:06:39,909 --> 00:06:38,800

that spectrum and some people are very

136

00:06:41,350 --> 00:06:39,919

low

137

00:06:44,469 --> 00:06:41,360

right totally so would you consider

138

00:06:47,749 --> 00:06:44,479

yourself higher on the on the spectrum

139

00:06:49,670 --> 00:06:47,759

um i guess i just don't put labels on

140

00:06:52,390 --> 00:06:49,680

myself right so i feel like

141

00:06:54,230 --> 00:06:52,400

labels to me it's just it doesn't really

142

00:06:55,909 --> 00:06:54,240

describe truly like

143

00:06:58,230 --> 00:06:55,919

certain things that happen or certain

144

00:07:00,150 --> 00:06:58,240

capabilities so i feel like um

145

00:07:02,950 --> 00:07:00,160

i think to be honest with you it was

146

00:07:06,870 --> 00:07:02,960

passed down because my grandmother

147

00:07:07,909 --> 00:07:06,880

um is able to know things without anyone

148

00:07:09,909 --> 00:07:07,919

telling her and she'll

149

00:07:11,110 --> 00:07:09,919

ask my mom things and then my mom's like

150

00:07:12,629 --> 00:07:11,120

did you talk to your grandmother i was

151

00:07:13,909 --> 00:07:12,639

like no i didn't like she's like well

152

00:07:14,550 --> 00:07:13,919

how's your grandma know i was like well

153

00:07:15,990 --> 00:07:14,560

because

154

00:07:18,550 --> 00:07:16,000

i guess grandma's really you know

155

00:07:21,270 --> 00:07:18,560

intuitive um and then my mom too

156

00:07:21,830 --> 00:07:21,280

like she'll dream stuff um before they

157

00:07:25,749 --> 00:07:21,840

happen

158

00:07:26,550 --> 00:07:25,759

really crazy too so i feel like it's

159

00:07:28,790 --> 00:07:26,560

just something that

160

00:07:30,150 --> 00:07:28,800

runs in my family yeah i had a

161

00:07:33,189 --> 00:07:30,160

grandmother that

162

00:07:33,990 --> 00:07:33,199

like uh not my grandmother actually like

163

00:07:37,350 --> 00:07:34,000

a great aunt

164

00:07:38,629 --> 00:07:37,360

i'm sorry and uh she said that she had

165

00:07:40,469 --> 00:07:38,639

the touch

166

00:07:42,150 --> 00:07:40,479

whatever i don't i never understood what

167

00:07:44,629 --> 00:07:42,160

she meant until later but she meant she

168

00:07:46,070 --> 00:07:44,639

she had some sort of touch from i don't

169

00:07:49,270 --> 00:07:46,080

know angels god

170

00:07:49,830 --> 00:07:49,280

something that enabled her to uh see

171

00:07:55,189 --> 00:07:49,840

things

172

00:07:57,029 --> 00:07:55,199

and i remember several examples of this

173

00:07:59,510 --> 00:07:57,039

like growing up

174

00:08:00,309 --> 00:07:59,520

she was kind of like the freaky aunt you

175

00:08:02,869 --> 00:08:00,319

know like

176

00:08:04,550 --> 00:08:02,879

the new age or sort of like yeah my

177

00:08:05,430 --> 00:08:04,560

family's pretty conservative christian

178

00:08:07,189 --> 00:08:05,440

but

179

00:08:09,029 --> 00:08:07,199

and that's a whole nother thing because

180

00:08:11,110 --> 00:08:09,039

to to a lot of christians like this

181

00:08:13,830 --> 00:08:11,120

stuff's all evil and uh

182

00:08:16,230 --> 00:08:13,840

from the devil right like i grew up very

183

00:08:19,430 --> 00:08:16,240

strict catholic and my father

184

00:08:21,430 --> 00:08:19,440

found tarot cards and burned them i bet

185

00:08:23,430 --> 00:08:21,440

you took them down the backyard and

186

00:08:26,869 --> 00:08:23,440

burned them and made me watch

187

00:08:28,309 --> 00:08:26,879

right so like crazy yeah like that

188

00:08:30,710 --> 00:08:28,319

happened to me too oh

189

00:08:31,749 --> 00:08:30,720

not happened to me but my mom you know

190

00:08:33,589 --> 00:08:31,759

she she's

191

00:08:34,790 --> 00:08:33,599

you know her catholic faith right and i

192

00:08:36,310 --> 00:08:34,800

grew up catholic i

193

00:08:37,829 --> 00:08:36,320

you know i got baptized i did my first

194

00:08:40,230 --> 00:08:37,839

communion and all that stuff i was on

195

00:08:40,790 --> 00:08:40,240

that way in a pathway i went to church

196

00:08:43,269 --> 00:08:40,800

school

197

00:08:43,909 --> 00:08:43,279

on wednesdays like it was it was that

198

00:08:45,750 --> 00:08:43,919

deep that i

199

00:08:47,990 --> 00:08:45,760

that i was in the catholic faith and

200

00:08:49,590 --> 00:08:48,000

then um as i got older i just felt like

201
00:08:50,230 --> 00:08:49,600
it just didn't resonate with me anymore

202
00:08:51,670 --> 00:08:50,240
i felt like there's

203
00:08:53,509 --> 00:08:51,680
there was something wrong with it oh i

204
00:08:55,590 --> 00:08:53,519
feel that i you know

205
00:08:56,949 --> 00:08:55,600
i joke about it but i really did i

206
00:08:59,509 --> 00:08:56,959
almost became a priest

207
00:09:00,870 --> 00:08:59,519
like they sent me they sent me to st

208
00:09:02,870 --> 00:09:00,880
charles baramo

209
00:09:04,470 --> 00:09:02,880
uh seminary in philadelphia every

210
00:09:06,070 --> 00:09:04,480
weekend for a while and they try to

211
00:09:09,829 --> 00:09:06,080
recruit you and convince you

212
00:09:10,389 --> 00:09:09,839
to sign up and uh at first i was really

213
00:09:12,310 --> 00:09:10,399

kind of

214

00:09:14,790 --> 00:09:12,320

thinking about it but then when i saw

215

00:09:16,710 --> 00:09:14,800

like it just seemed sad to me how these

216

00:09:18,470 --> 00:09:16,720

dudes all live in a house together and

217

00:09:21,590 --> 00:09:18,480

you you know you can't have a family or

218

00:09:23,509 --> 00:09:21,600

wife and you know i finally came to the

219

00:09:24,710 --> 00:09:23,519

realization that no good or just god

220

00:09:27,190 --> 00:09:24,720

would begrudge a man

221

00:09:28,710 --> 00:09:27,200

a nice wife and a companion right

222

00:09:31,110 --> 00:09:28,720

because life is hard

223

00:09:32,389 --> 00:09:31,120

it's hard enough without having a spouse

224

00:09:36,150 --> 00:09:32,399

around to help you through

225

00:09:37,430 --> 00:09:36,160

life right so i uh i literally left at

226

00:09:39,350 --> 00:09:37,440

three o'clock in the morning

227

00:09:41,190 --> 00:09:39,360

because they wouldn't let me go earlier

228

00:09:43,829 --> 00:09:41,200

you know i'm like i'm i'm out i'm done

229

00:09:45,910 --> 00:09:43,839

i'm going home

230

00:09:47,110 --> 00:09:45,920

no no stay till tomorrow but i was

231

00:09:48,630 --> 00:09:47,120

afraid that i would get further

232

00:09:49,910 --> 00:09:48,640

brainwashed the next day

233

00:09:51,190 --> 00:09:49,920

because that's what it was it was like

234

00:09:53,030 --> 00:09:51,200

they were trying to convince you the

235

00:09:56,070 --> 00:09:53,040

whole time you were there to sign up

236

00:09:57,990 --> 00:09:56,080

wow that's crazy yeah it was it was like

237

00:09:59,509 --> 00:09:58,000

it was crazy to me so i just got my

238

00:10:00,389 --> 00:09:59,519

stuff and snuck out in the middle of the

239

00:10:02,470 --> 00:10:00,399

night

240

00:10:04,310 --> 00:10:02,480

and uh took a bus home and never went

241

00:10:06,150 --> 00:10:04,320

back and i thought you know like

242

00:10:07,829 --> 00:10:06,160

people were disappointed people expect

243

00:10:09,509 --> 00:10:07,839

sort of expected me to do that i was

244

00:10:13,030 --> 00:10:09,519

like an altar boy and stuff

245

00:10:15,110 --> 00:10:13,040

yeah wow

246

00:10:16,949 --> 00:10:15,120

yeah so we have a bunch of people here

247

00:10:17,430 --> 00:10:16,959

in live chat and it's starting to fill

248

00:10:19,190 --> 00:10:17,440

up

249

00:10:20,790 --> 00:10:19,200

really so i i don't know i don't know

250

00:10:23,509 --> 00:10:20,800

how to do this like

251

00:10:25,269 --> 00:10:23,519

okay so usually um okay so this why do

252

00:10:26,550 --> 00:10:25,279

this on a regular basis so

253

00:10:28,790 --> 00:10:26,560

what you do is you can have one of your

254

00:10:30,710 --> 00:10:28,800

moderators um go ahead and

255

00:10:32,550 --> 00:10:30,720

basically line everybody up so whoever's

256

00:10:34,069 --> 00:10:32,560

first he'll make like a list of the

257

00:10:35,829 --> 00:10:34,079

names so that people see where

258

00:10:37,350 --> 00:10:35,839

what where their spots are at and then

259

00:10:39,430 --> 00:10:37,360

you just tell me um

260

00:10:40,870 --> 00:10:39,440

who's next oh well you're in charge here

261

00:10:42,230 --> 00:10:40,880

not me but okay yeah

262

00:10:43,990 --> 00:10:42,240

i know how to do the i don't know if

263

00:10:44,470 --> 00:10:44,000

you're so if anybody would like and in

264

00:10:46,710 --> 00:10:44,480

order

265

00:10:47,509 --> 00:10:46,720

to make sure that everybody can have

266

00:10:49,910 --> 00:10:47,519

some time

267

00:10:51,350 --> 00:10:49,920

with stephanie maybe just ask a simple

268

00:10:52,710 --> 00:10:51,360

question or something you're thinking of

269

00:10:54,870 --> 00:10:52,720

right not like you're not going to do

270

00:10:57,190 --> 00:10:54,880

like a big

271

00:10:58,790 --> 00:10:57,200

reading because it would take too long

272

00:11:00,630 --> 00:10:58,800

yeah yeah yeah but we can get

273

00:11:02,470 --> 00:11:00,640

everybody your contact information for

274

00:11:04,949 --> 00:11:02,480

if they would like a full

275

00:11:06,949 --> 00:11:04,959

on reading and after the one that i got

276

00:11:09,670 --> 00:11:06,959

i sure would

277

00:11:11,590 --> 00:11:09,680

i gotta say that like i'm i'm not

278

00:11:14,310 --> 00:11:11,600

usually that easily impressed with

279

00:11:16,069 --> 00:11:14,320

any psychic or terracord reader but

280

00:11:17,030 --> 00:11:16,079

stephanie touched on things that i

281

00:11:18,870 --> 00:11:17,040

didn't tell her

282

00:11:20,230 --> 00:11:18,880

lots of stuff i just asked her a very

283

00:11:21,590 --> 00:11:20,240

simple question about something i had

284

00:11:23,670 --> 00:11:21,600

been thinking about

285

00:11:24,790 --> 00:11:23,680

and she went into incredible detail

286

00:11:26,710 --> 00:11:24,800

about

287

00:11:28,710 --> 00:11:26,720

sort of like the battle i was having in

288

00:11:29,910 --> 00:11:28,720

my own brain about a decision that i

289

00:11:32,949 --> 00:11:29,920

have to make

290

00:11:34,550 --> 00:11:32,959

and uh all of the pluses and minuses of

291

00:11:36,389 --> 00:11:34,560

going forward with it or not

292

00:11:38,630 --> 00:11:36,399

going forward with it would i regret it

293

00:11:41,750 --> 00:11:38,640

later and all of these things

294

00:11:43,829 --> 00:11:41,760

and uh and also the decision involved

295

00:11:45,590 --> 00:11:43,839

some something that i had seen you know

296

00:11:47,829 --> 00:11:45,600

like that i may purchase or you know

297

00:11:49,030 --> 00:11:47,839

but anyway she nailed it on a bunch of

298

00:11:49,829 --> 00:11:49,040

different points and i was pretty

299

00:11:52,710 --> 00:11:49,839

impressed

300

00:11:54,949 --> 00:11:52,720

so anybody who would like uh to have

301
00:11:58,790 --> 00:11:54,959
some sort of tarot card reading here

302
00:12:01,110 --> 00:11:58,800
in the live chat put me in all caps

303
00:12:04,069 --> 00:12:01,120
and we'll get started i guess we'll i'll

304
00:12:05,670 --> 00:12:04,079
just do my best to try to moderate this

305
00:12:09,350 --> 00:12:05,680
yeah because they can come in pretty

306
00:12:12,629 --> 00:12:09,360
quickly so oh killboy2201

307
00:12:14,310 --> 00:12:12,639
is in line so yeah just say inline or me

308
00:12:16,069 --> 00:12:14,320
if you would like a reading or i'd like

309
00:12:17,829 --> 00:12:16,079
a reading but put it in all caps so i

310
00:12:19,430 --> 00:12:17,839
have an easy time finding it if we have

311
00:12:23,269 --> 00:12:19,440
to go back after we

312
00:12:25,269 --> 00:12:23,279
start doing this i guess uh

313
00:12:28,150 --> 00:12:25,279

i guess we could yeah i hear you

314

00:12:32,230 --> 00:12:28,160
shuffling already

315

00:12:36,829 --> 00:12:32,240
yeah uh oh crystal beauty

316

00:12:40,470 --> 00:12:36,839
is here uh uh kill boy

317

00:12:43,509 --> 00:12:40,480
20100 i want to go first

318

00:12:44,389 --> 00:12:43,519
so okay you're first kill boy ask a

319

00:12:46,230 --> 00:12:44,399
question though

320

00:12:49,910 --> 00:12:46,240
you have to ask a question or something

321

00:12:53,670 --> 00:12:52,470
also give me your your birth sign please

322

00:12:57,350 --> 00:12:53,680
that helps also

323

00:12:59,910 --> 00:12:57,360
yes birth sign so kill boys first uh

324

00:13:01,829 --> 00:12:59,920
give us your birth sign and a question

325

00:13:03,910 --> 00:13:01,839
that you want to ask and then we have

326

00:13:05,430 --> 00:13:03,920

yeah we have a bunch of people here that

327

00:13:07,750 --> 00:13:05,440

would like to so

328

00:13:08,629 --> 00:13:07,760

everybody who would like to put in your

329

00:13:11,269 --> 00:13:08,639

birth sign

330

00:13:12,949 --> 00:13:11,279

and your question and i will do my best

331

00:13:15,750 --> 00:13:12,959

to go back through the live chat

332

00:13:17,590 --> 00:13:15,760

and find you uh after the first one but

333

00:13:19,190 --> 00:13:17,600

kill boy birth sign we need your birth

334

00:13:25,190 --> 00:13:19,200

sign if you want your reading and a

335

00:13:28,550 --> 00:13:27,990

my question no no don't write my

336

00:13:32,470 --> 00:13:28,560

question

337

00:13:33,829 --> 00:13:32,480

to talk about my future

338

00:13:35,269 --> 00:13:33,839

they want to know about their future i'm

339

00:13:35,750 --> 00:13:35,279

sorry i don't know if they're female or

340

00:13:37,990 --> 00:13:35,760

male

341

00:13:40,389 --> 00:13:38,000

okay so pardon me with the pronouns i

342

00:13:42,389 --> 00:13:40,399

don't want to get in trouble

343

00:13:44,069 --> 00:13:42,399

it's so easy to get in trouble man oh

344

00:13:45,910 --> 00:13:44,079

yeah oh yeah

345

00:13:48,389 --> 00:13:45,920

so and and they just want to know about

346

00:13:51,509 --> 00:13:48,399

their future and their sign is capricorn

347

00:13:53,110 --> 00:13:51,519

okay so let's start there alrighty you

348

00:13:56,949 --> 00:13:53,120

wanna it's pretty much a general reading

349

00:14:08,069 --> 00:13:59,750

okay so so far i'm gonna pull two more

350

00:14:11,269 --> 00:14:09,350

yeah while you're doing that i'm going

351
00:14:12,230 --> 00:14:11,279
to tweet this out so that you get some

352
00:14:15,990 --> 00:14:12,240
more

353
00:14:19,750 --> 00:14:16,000
takers here yeah a couple cards

354
00:14:23,350 --> 00:14:19,760
fell give me a second

355
00:14:26,310 --> 00:14:23,360
okay okay so

356
00:14:28,389 --> 00:14:26,320
killable you're a capricorn so we have

357
00:14:30,230 --> 00:14:28,399
the ten of torches we have the seven

358
00:14:31,910 --> 00:14:30,240
of pentacles reverse and then we have

359
00:14:34,949 --> 00:14:31,920
the five of pentacles reversed

360
00:14:38,069 --> 00:14:34,959
so we have the ten of torches

361
00:14:41,990 --> 00:14:38,079
so there seems to be coming up

362
00:14:42,629 --> 00:14:42,000
um an ending of a tough battle that

363
00:14:44,150 --> 00:14:42,639

you've been

364

00:14:46,069 --> 00:14:44,160

dealing with for a long time could be

365

00:14:47,590 --> 00:14:46,079

financial could be dealing with

366

00:14:48,790 --> 00:14:47,600

relationships it could be dealing with

367

00:14:50,550 --> 00:14:48,800

your inner self

368

00:14:52,150 --> 00:14:50,560

um working through those energies and

369

00:14:54,470 --> 00:14:52,160

pushing forth into

370

00:14:55,910 --> 00:14:54,480

a different direction um of the way you

371

00:14:57,350 --> 00:14:55,920

see yourself financially

372

00:14:59,509 --> 00:14:57,360

whether you're doing things in your life

373

00:15:02,150 --> 00:14:59,519

how you're pushing forward into

374

00:15:03,269 --> 00:15:02,160

um a different time now and you

375

00:15:05,269 --> 00:15:03,279

understand this

376

00:15:07,670 --> 00:15:05,279

um i feel like springtime is gonna bring

377

00:15:09,030 --> 00:15:07,680

you um a different perspective in your

378

00:15:10,069 --> 00:15:09,040

finances because we have seven of

379

00:15:11,910 --> 00:15:10,079

pentacles in reverse

380

00:15:13,509 --> 00:15:11,920

so there's something that is not growing

381

00:15:14,870 --> 00:15:13,519

anymore so this is

382

00:15:16,629 --> 00:15:14,880

also telling me that something wasn't

383

00:15:17,350 --> 00:15:16,639

working anymore for you and you're

384

00:15:19,590 --> 00:15:17,360

you're pretty much

385

00:15:21,269 --> 00:15:19,600

coming to an end with it um and then we

386

00:15:22,150 --> 00:15:21,279

have the five of pentacles you're not

387

00:15:24,949 --> 00:15:22,160

worried

388

00:15:25,990 --> 00:15:24,959

about it so much i feel like um you're

389

00:15:29,269 --> 00:15:26,000

slowly getting out of that

390

00:15:30,870 --> 00:15:29,279

stage of being worried about um what has

391

00:15:34,150 --> 00:15:30,880

been going on in your life

392

00:15:35,749 --> 00:15:34,160

um in conclusion an oracle here is just

393

00:15:48,790 --> 00:15:35,759

to kind of

394

00:15:51,829 --> 00:15:50,629

yeah i'm gonna solo you in a second but

395

00:15:54,069 --> 00:15:51,839

also

396

00:15:54,949 --> 00:15:54,079

we have people in the facebook chat and

397

00:15:58,230 --> 00:15:54,959

they can't see

398

00:15:58,870 --> 00:15:58,240

if i write something in our aggregated

399

00:16:01,430 --> 00:15:58,880

chat

400

00:16:03,110 --> 00:16:01,440

so for the people on facebook we have

401
00:16:04,790 --> 00:16:03,120
meredith smith that would like a reading

402
00:16:05,269 --> 00:16:04,800
will i find love again is your question

403
00:16:08,790 --> 00:16:05,279
but

404
00:16:12,310 --> 00:16:08,800
give us your birth sign meredith

405
00:16:15,509 --> 00:16:12,320
you're uh yeah

406
00:16:17,590 --> 00:16:15,519
and i'm gonna solo stephanie here

407
00:16:19,110 --> 00:16:17,600
unique gifts this is incredible so i

408
00:16:21,670 --> 00:16:19,120
feel like you're starting to realize

409
00:16:23,749 --> 00:16:21,680
that you have um

410
00:16:25,189 --> 00:16:23,759
talent or something that you know that

411
00:16:26,150 --> 00:16:25,199
you're really good at and you've

412
00:16:28,069 --> 00:16:26,160
mastered it

413
00:16:29,509 --> 00:16:28,079

you're starting to begin to understand

414

00:16:30,389 --> 00:16:29,519

that about yourself and you're like

415

00:16:31,910 --> 00:16:30,399

thinking okay

416

00:16:33,509 --> 00:16:31,920

i think you know what i think it's time

417

00:16:34,949 --> 00:16:33,519

to try to make money off of this

418

00:16:37,509 --> 00:16:34,959

i think it's time to try to make money

419

00:16:39,350 --> 00:16:37,519

off of my talents what i know how to do

420

00:16:40,710 --> 00:16:39,360

you have unique gifts too to help people

421

00:16:43,590 --> 00:16:40,720

around you too like

422

00:16:44,150 --> 00:16:43,600

you have healer like healing abilities

423

00:16:46,550 --> 00:16:44,160

um

424

00:16:47,509 --> 00:16:46,560

you know with family members around you

425

00:16:49,509 --> 00:16:47,519

just people around you

426

00:16:51,030 --> 00:16:49,519

that you communicate with like there's

427

00:16:52,310 --> 00:16:51,040

something very different about you and i

428

00:16:53,590 --> 00:16:52,320

think that you're starting to understand

429

00:16:55,189 --> 00:16:53,600

that too as well

430

00:16:57,829 --> 00:16:55,199

and you're just moving in a direction of

431

00:17:00,870 --> 00:16:57,839

um really starting your passions and

432

00:17:02,949 --> 00:17:00,880

and going forth what you feel that your

433

00:17:03,990 --> 00:17:02,959

purpose is here on earth so i feel like

434

00:17:06,630 --> 00:17:04,000

things are going to start looking

435

00:17:08,150 --> 00:17:06,640

really good i feel like around this

436

00:17:09,750 --> 00:17:08,160

incoming month of april

437

00:17:12,309 --> 00:17:09,760

is i feel like you're really going to

438

00:17:19,029 --> 00:17:12,319

see that new beginning sprouting for you

439

00:17:21,029 --> 00:17:19,039

so i hope that helped you kill boy 2100

440

00:17:22,949 --> 00:17:21,039

yeah the numbers the numbers always get

441

00:17:23,750 --> 00:17:22,959

me sometimes people have very difficult

442

00:17:27,189 --> 00:17:23,760

ones you know

443

00:17:28,230 --> 00:17:27,199

right i was calling somebody the totally

444

00:17:31,110 --> 00:17:28,240

wrong name

445

00:17:32,950 --> 00:17:31,120

i was calling like conspiracy for like a

446

00:17:35,110 --> 00:17:32,960

year and then he was like no

447

00:17:36,750 --> 00:17:35,120

it's it's just a clever way of spelling

448

00:17:39,830 --> 00:17:36,760

conspiracy

449

00:17:42,950 --> 00:17:39,840

like a year

450

00:17:45,750 --> 00:17:42,960

yeah so we have a we have meredith

451

00:17:47,190 --> 00:17:45,760

smith in the facebook live chat or in

452

00:17:49,669 --> 00:17:47,200

the facebook comments

453

00:17:50,470 --> 00:17:49,679

whose sign is leo and wants to know if

454

00:17:52,710 --> 00:17:50,480

she will find

455

00:17:55,190 --> 00:17:52,720

love again there's got to be a common

456

00:17:57,510 --> 00:17:55,200

question right stephanie

457

00:17:58,310 --> 00:17:57,520

people are concerned about and her sign

458

00:18:00,150 --> 00:17:58,320

is leo

459

00:18:02,150 --> 00:18:00,160

and wants to know if she will find love

460

00:18:04,549 --> 00:18:02,160

again i hope you do meredith smith

461

00:18:07,430 --> 00:18:04,559

i hope you do it's an incredible thing

462

00:18:10,630 --> 00:18:09,990

okay then you get married and then it's

463

00:18:13,029 --> 00:18:10,640

not so

464

00:18:14,630 --> 00:18:13,039

fun anymore yeah i'm gonna get in

465

00:18:17,190 --> 00:18:14,640

trouble

466

00:18:19,510 --> 00:18:17,200

no it's marriage is amazing just in case

467

00:18:23,430 --> 00:18:19,520

my wife is watching i love my wife

468

00:18:24,870 --> 00:18:23,440

marriage is amazing it's difficult but

469

00:18:26,390 --> 00:18:24,880

it's amazing

470

00:18:27,669 --> 00:18:26,400

it's a lot of work yeah you have to put

471

00:18:28,950 --> 00:18:27,679

a lot of time and effort into i don't

472

00:18:31,029 --> 00:18:28,960

know all my friends are

473

00:18:32,470 --> 00:18:31,039

all my friends and so much so many in my

474

00:18:33,510 --> 00:18:32,480

family are divorced they're working on

475

00:18:37,110 --> 00:18:33,520

their third wife

476

00:18:38,230 --> 00:18:37,120

and oh you know wow i'm an anomaly

477

00:18:41,029 --> 00:18:38,240

because i've been with the same woman

478

00:18:44,710 --> 00:18:41,039

for like 20 plus years wow

479

00:18:47,669 --> 00:18:44,720

good for you that's good

480

00:18:48,070 --> 00:18:47,679

okay so what i'm getting right now for

481

00:18:54,789 --> 00:18:48,080

her

482

00:18:55,350 --> 00:18:54,799

offer of love that had approached you in

483

00:18:58,630 --> 00:18:55,360

the past

484

00:19:00,710 --> 00:18:58,640

because it's also in reverse so it tells

485

00:19:01,909 --> 00:19:00,720

me that with this energy here is that

486

00:19:02,789 --> 00:19:01,919

you know someone trying to offer you

487

00:19:05,110 --> 00:19:02,799

love could have been

488

00:19:05,830 --> 00:19:05,120

um a past relationship trying to you

489

00:19:07,510 --> 00:19:05,840

know

490

00:19:09,029 --> 00:19:07,520

make it good again and try to apologize

491

00:19:10,070 --> 00:19:09,039

and i don't think you're really wanting

492

00:19:12,150 --> 00:19:10,080

that i think that that's

493

00:19:13,909 --> 00:19:12,160

clearing away now i see that that's no

494

00:19:15,270 --> 00:19:13,919

longer going to be

495

00:19:17,270 --> 00:19:15,280

an issue i see that you're definitely

496

00:19:18,230 --> 00:19:17,280

trying to manifest somebody here though

497

00:19:20,470 --> 00:19:18,240

you're definitely working on

498

00:19:23,190 --> 00:19:20,480

manifestation and working on the person

499

00:19:24,070 --> 00:19:23,200

that um is ideal for you you're just

500

00:19:28,150 --> 00:19:24,080

wanting that

501
00:19:31,110 --> 00:19:28,160
um person to manifest so

502
00:19:31,990 --> 00:19:31,120
you know and that's great um but a few

503
00:19:34,230 --> 00:19:32,000
things with this

504
00:19:35,830 --> 00:19:34,240
is that it's not about manifesting the

505
00:19:38,630 --> 00:19:35,840
person you want it's about

506
00:19:39,669 --> 00:19:38,640
have you really worked on those inner

507
00:19:42,230 --> 00:19:39,679
demons or those

508
00:19:42,870 --> 00:19:42,240
issues from childhood those things those

509
00:19:45,669 --> 00:19:42,880
traumas

510
00:19:46,870 --> 00:19:45,679
have you healed that aspect of yourself

511
00:19:49,270 --> 00:19:46,880
and when you say you can

512
00:19:50,310 --> 00:19:49,280
you say yes to that then that is when

513
00:19:53,750 --> 00:19:50,320

that person

514

00:19:54,870 --> 00:19:53,760

will will come to you when that moment

515

00:19:57,669 --> 00:19:54,880

in time is right so

516

00:19:58,870 --> 00:19:57,679

don't don't go in in between the way

517

00:19:59,830 --> 00:19:58,880

that you the universe is trying to

518

00:20:01,830 --> 00:19:59,840

provide you

519

00:20:03,350 --> 00:20:01,840

this situation allow the universe to

520

00:20:04,789 --> 00:20:03,360

render allow the universe to give you

521

00:20:06,549 --> 00:20:04,799

what it is that you want

522

00:20:07,830 --> 00:20:06,559

um don't try so hard because it's

523

00:20:08,310 --> 00:20:07,840

starting to feel like you're not getting

524

00:20:10,789 --> 00:20:08,320

that

525

00:20:11,590 --> 00:20:10,799

fairy tale um story where you're meeting

526

00:20:14,390 --> 00:20:11,600

somebody and

527

00:20:15,110 --> 00:20:14,400

you fall in love and you get married

528

00:20:16,710 --> 00:20:15,120

this is not

529

00:20:18,310 --> 00:20:16,720

it's it's not happening right now

530

00:20:21,270 --> 00:20:18,320

because you need to surrender

531

00:20:22,070 --> 00:20:21,280

so just ease up a little bit take time

532

00:20:23,750 --> 00:20:22,080

and

533

00:20:25,350 --> 00:20:23,760

you know allow it to come to you while

534

00:20:28,549 --> 00:20:25,360

you are working on

535

00:20:30,710 --> 00:20:28,559

yourself well that's great advice

536

00:20:31,909 --> 00:20:30,720

you know you know when i met my wife was

537

00:20:34,470 --> 00:20:31,919

when i was like

538

00:20:36,470 --> 00:20:34,480

i'm happy by myself i don't care if i

539

00:20:38,230 --> 00:20:36,480

have a girlfriend or ever again

540

00:20:39,830 --> 00:20:38,240

like i'm just doing my thing and i'm

541

00:20:40,870 --> 00:20:39,840

happy about myself and i think that kind

542

00:20:42,870 --> 00:20:40,880

of confidence

543

00:20:44,070 --> 00:20:42,880

attracts people yeah meanwhile you have

544

00:20:46,549 --> 00:20:44,080

people out there just

545

00:20:48,230 --> 00:20:46,559

like reeking of desperation trying to

546

00:20:50,549 --> 00:20:48,240

find a date and they can't

547

00:20:51,669 --> 00:20:50,559

and and i think it's because they you

548

00:20:54,950 --> 00:20:51,679

know

549

00:20:57,990 --> 00:20:54,960

reek of desperation and um

550

00:20:59,270 --> 00:20:58,000

the one thing too is that the the oracle

551
00:21:00,950 --> 00:20:59,280
says here is air

552
00:21:02,470 --> 00:21:00,960
so you can see the the artistry of this

553
00:21:03,510 --> 00:21:02,480
is very beautiful it could kind of be

554
00:21:05,430 --> 00:21:03,520
very descriptive

555
00:21:06,630 --> 00:21:05,440
on what that air flow means and that's

556
00:21:08,710 --> 00:21:06,640
by you

557
00:21:09,669 --> 00:21:08,720
being and then allowing the universe to

558
00:21:12,870 --> 00:21:09,679
float

559
00:21:14,470 --> 00:21:12,880
through you and outward and

560
00:21:17,029 --> 00:21:14,480
what that means is being connected to

561
00:21:18,630 --> 00:21:17,039
that higher self don't focus on that ego

562
00:21:19,430 --> 00:21:18,640
because that ego is the desperation

563
00:21:21,669 --> 00:21:19,440

aspect

564

00:21:23,669 --> 00:21:21,679

um it's it's more so connect with your

565

00:21:26,789 --> 00:21:23,679

higher self to allow someone

566

00:21:28,549 --> 00:21:26,799

to come in that that basically

567

00:21:30,789 --> 00:21:28,559

goes and you know goes in connection

568

00:21:32,149 --> 00:21:30,799

with you and and that's because

569

00:21:33,750 --> 00:21:32,159

you worked on yourself you'll get

570

00:21:34,870 --> 00:21:33,760

somebody like that in return that's

571

00:21:37,350 --> 00:21:34,880

healed as well

572

00:21:37,909 --> 00:21:37,360

and to give you that love so yeah i hope

573

00:21:40,230 --> 00:21:37,919

that

574

00:21:43,750 --> 00:21:40,240

let's find the next one i saw one uh

575

00:21:46,950 --> 00:21:44,950

that's another one i don't know how to

576

00:21:49,750 --> 00:21:46,960

say

577

00:21:51,350 --> 00:21:49,760

okay okay pisces of course she'd like to

578

00:21:53,029 --> 00:21:51,360

ask whether her youngest daughter's

579

00:21:54,549 --> 00:21:53,039

health issues will resolve or be a

580

00:21:59,590 --> 00:21:54,559

lifelong battle and she

581

00:22:01,590 --> 00:21:59,600

and his her daughter is a pisces

582

00:22:03,190 --> 00:22:01,600

um it all depends too on on your

583

00:22:04,710 --> 00:22:03,200

daughter's age right so

584

00:22:06,149 --> 00:22:04,720

um only because the only reason i'm

585

00:22:07,110 --> 00:22:06,159

going to be saying this right now to you

586

00:22:09,029 --> 00:22:07,120

is because i

587

00:22:10,830 --> 00:22:09,039

am in the health sector right so i'm

588

00:22:12,070 --> 00:22:10,840

studying holistic nutrition so i

589

00:22:14,070 --> 00:22:12,080

understand

590

00:22:15,750 --> 00:22:14,080

all of that so it all depends i can

591

00:22:18,870 --> 00:22:15,760

already straight up tell you

592

00:22:20,390 --> 00:22:18,880

how her diet is looking um and uh what

593

00:22:22,070 --> 00:22:20,400

is she in taking is

594

00:22:24,549 --> 00:22:22,080

does she have a disability does she have

595

00:22:27,990 --> 00:22:24,559

a disease these are the questions

596

00:22:29,110 --> 00:22:28,000

that's very personal um and taro can

597

00:22:31,430 --> 00:22:29,120

answer that

598

00:22:32,549 --> 00:22:31,440

um but i as a point of view of seeing

599

00:22:34,470 --> 00:22:32,559

what's going on

600

00:22:36,230 --> 00:22:34,480

you know it's it's all about that diet

601
00:22:38,149 --> 00:22:36,240
like what are you consuming

602
00:22:40,149 --> 00:22:38,159
you know are you consuming high

603
00:22:42,230 --> 00:22:40,159
vibrational foods like your

604
00:22:44,549 --> 00:22:42,240
your fruits and and and your your

605
00:22:47,590 --> 00:22:44,559
vegetables and your greens and

606
00:22:50,470 --> 00:22:47,600
your herbs like you know and if you're

607
00:22:52,230 --> 00:22:50,480
not vegan of course

608
00:22:54,149 --> 00:22:52,240
it's a different story right so we have

609
00:22:54,870 --> 00:22:54,159
to rise so i feel like there is

610
00:22:57,029 --> 00:22:54,880
something

611
00:22:57,990 --> 00:22:57,039
um coming into the horizon that may

612
00:23:01,750 --> 00:22:58,000
cause

613
00:23:02,230 --> 00:23:01,760

um an issue um and and that's something

614

00:23:05,270 --> 00:23:02,240

that

615

00:23:06,630 --> 00:23:05,280

again has to deal with what is she doing

616

00:23:08,390 --> 00:23:06,640

currently

617

00:23:09,669 --> 00:23:08,400

she has the strength to keep pushing

618

00:23:11,270 --> 00:23:09,679

forward

619

00:23:12,710 --> 00:23:11,280

um i feel like this isn't gonna stop

620

00:23:14,230 --> 00:23:12,720

your daughter i think your daughter's

621

00:23:15,110 --> 00:23:14,240

gonna understand what she needs to cut

622

00:23:18,149 --> 00:23:15,120

out

623

00:23:19,909 --> 00:23:18,159

in her life whether it's her diet people

624

00:23:21,750 --> 00:23:19,919

situations things

625

00:23:23,669 --> 00:23:21,760

remember it's not just also nutrition

626

00:23:25,750 --> 00:23:23,679

it's also other things that can create

627

00:23:27,669 --> 00:23:25,760

um ill health you know the way you think

628

00:23:30,230 --> 00:23:27,679

people around you it can be toxic

629

00:23:30,870 --> 00:23:30,240

toxic relationships can cause disease

630

00:23:32,789 --> 00:23:30,880

you know

631

00:23:33,990 --> 00:23:32,799

um there's a bunch of different ways

632

00:23:37,590 --> 00:23:34,000

that you can get disease

633

00:23:39,270 --> 00:23:37,600

it's not just um by eating um i had i've

634

00:23:39,830 --> 00:23:39,280

been guided to push something forward to

635

00:23:44,950 --> 00:23:39,840

you

636

00:23:46,549 --> 00:23:44,960

not sad anymore

637

00:23:48,310 --> 00:23:46,559

you're not holding on to the past

638

00:23:50,310 --> 00:23:48,320

anymore you're letting go

639

00:23:51,350 --> 00:23:50,320

you are a little bit a bit balanced but

640

00:23:52,789 --> 00:23:51,360

you need to

641

00:23:54,870 --> 00:23:52,799

stop pushing forward the way that you're

642

00:23:56,950 --> 00:23:54,880

pushing there nice there's a

643

00:23:58,070 --> 00:23:56,960

a delay here so there's a delay with the

644

00:23:59,510 --> 00:23:58,080

emperor in reverse

645

00:24:00,870 --> 00:23:59,520

his temperance is in balance so you're

646

00:24:01,669 --> 00:24:00,880

trying to push forward into something

647

00:24:04,710 --> 00:24:01,679

that

648

00:24:06,230 --> 00:24:04,720

can cause um

649

00:24:08,390 --> 00:24:06,240

you to be a little bit stagnant so you

650

00:24:10,630 --> 00:24:08,400

need to remove yourself

651
00:24:12,390 --> 00:24:10,640
allow yourself to flow with the energy

652
00:24:14,310 --> 00:24:12,400
um you know you're forcing something to

653
00:24:16,870 --> 00:24:14,320
happen don't do that

654
00:24:19,190 --> 00:24:16,880
allow it to flow so one more card here

655
00:24:30,830 --> 00:24:19,200
we're gonna take some oracle

656
00:24:34,230 --> 00:24:32,630
daughter

657
00:24:35,830 --> 00:24:34,240
can i ask you what kind of deck that is

658
00:24:39,669 --> 00:24:35,840
that you're using right now

659
00:24:41,269 --> 00:24:39,679
this one yeah that's my lumarian deck

660
00:24:42,549 --> 00:24:41,279
and and how many different decks do you

661
00:24:42,950 --> 00:24:42,559
actually use do you use a lot of

662
00:24:46,070 --> 00:24:42,960
different

663
00:24:49,110 --> 00:24:47,909

i have a collection i know i have a

664

00:24:52,149 --> 00:24:49,120

collection but you know what

665

00:24:53,990 --> 00:24:52,159

it helps me so much because there's so

666

00:24:54,789 --> 00:24:54,000

much artistry out there and like i don't

667

00:24:59,190 --> 00:24:54,799

know

668

00:25:00,710 --> 00:24:59,200

just for the art of them yes yes

669

00:25:02,230 --> 00:25:00,720

and everyone has their own like i don't

670

00:25:03,590 --> 00:25:02,240

know their own twist to the tarot you

671

00:25:07,110 --> 00:25:03,600

know and i get to see

672

00:25:10,070 --> 00:25:07,120

how different you know tarot readers put

673

00:25:13,350 --> 00:25:10,080

their mix into that

674

00:25:16,630 --> 00:25:13,360

all right the portal keeper

675

00:25:19,269 --> 00:25:16,640

very interesting um i feel like you as

676

00:25:20,950 --> 00:25:19,279

your mother like being um her mother i

677

00:25:23,590 --> 00:25:20,960

feel like you are her

678

00:25:24,950 --> 00:25:23,600

her her guide and her and her everything

679

00:25:27,190 --> 00:25:24,960

and i feel like

680

00:25:28,070 --> 00:25:27,200

um it's it's patience is what's being

681

00:25:30,789 --> 00:25:28,080

asked for

682

00:25:31,909 --> 00:25:30,799

from both ends and your daughter needing

683

00:25:33,990 --> 00:25:31,919

to change certain

684

00:25:35,590 --> 00:25:34,000

situations in her life so that she can

685

00:25:36,789 --> 00:25:35,600

uprise her energy so she can be

686

00:25:39,350 --> 00:25:36,799

healthier again i think

687

00:25:41,669 --> 00:25:39,360

both of you guys hold that key within so

688

00:25:43,830 --> 00:25:41,679

it's all about going within the soul

689

00:25:45,830 --> 00:25:43,840

doing some meditation work some some

690

00:25:47,669 --> 00:25:45,840

journal work to be able to um

691

00:25:49,269 --> 00:25:47,679

release the things that are toxic that

692

00:25:49,830 --> 00:25:49,279

maybe you or your daughter are holding

693

00:25:52,390 --> 00:25:49,840

on

694

00:25:54,230 --> 00:25:52,400

so um so that you can heal all right so

695

00:25:55,990 --> 00:25:54,240

i hope that helped you

696

00:25:57,830 --> 00:25:56,000

yeah she's saying i hope you caught my

697

00:25:59,190 --> 00:25:57,840

question i think i got lost no you were

698

00:26:01,269 --> 00:25:59,200

asking about your daughter's health

699

00:26:02,710 --> 00:26:01,279

situation and if it would resolve right

700

00:26:05,430 --> 00:26:02,720

this can ask that's what i thought that

701
00:26:08,470 --> 00:26:05,440
you were asking

702
00:26:11,510 --> 00:26:08,480
helping my question yeah so

703
00:26:12,390 --> 00:26:11,520
in other words the health she has to go

704
00:26:14,630 --> 00:26:12,400
within

705
00:26:15,669 --> 00:26:14,640
to be able to um resolve the health

706
00:26:17,510 --> 00:26:15,679
issue um

707
00:26:19,110 --> 00:26:17,520
remember um there's attachment

708
00:26:19,830 --> 00:26:19,120
situations things that she might be

709
00:26:21,669 --> 00:26:19,840
doing that

710
00:26:23,590 --> 00:26:21,679
is causing her onset disease and like i

711
00:26:25,909 --> 00:26:23,600
said there's a lot of factors

712
00:26:27,110 --> 00:26:25,919
that go into especially you mean the

713
00:26:29,909 --> 00:26:27,120

nutritionist side of me

714

00:26:30,710 --> 00:26:29,919

of like why what's going on you know so

715

00:26:37,190 --> 00:26:30,720

yeah

716

00:26:39,269 --> 00:26:37,200

let's see if we can find somebody else

717

00:26:41,510 --> 00:26:39,279

okay david hill he's going to jump the

718

00:26:43,510 --> 00:26:41,520

line until i find the next person

719

00:26:45,110 --> 00:26:43,520

in the facebook he's in the facebook

720

00:26:47,110 --> 00:26:45,120

comments

721

00:26:49,190 --> 00:26:47,120

he's a capricorn and he would like to

722

00:26:51,110 --> 00:26:49,200

know about his finances over the next

723

00:26:53,590 --> 00:26:51,120

five years

724

00:26:55,909 --> 00:26:53,600

okay yeah is that the most popular

725

00:26:59,029 --> 00:26:55,919

questions love and money right

726

00:27:01,110 --> 00:26:59,039

um those are two pretty important things

727

00:27:03,590 --> 00:27:01,120

it's a lot of relationships for sure but

728

00:27:05,830 --> 00:27:03,600

i also feel that it's also too like

729

00:27:06,789 --> 00:27:05,840

um a lot of people feel lost you know

730

00:27:09,110 --> 00:27:06,799

they don't know like

731

00:27:10,230 --> 00:27:09,120

like what direction to go into or they

732

00:27:12,549 --> 00:27:10,240

feel like they're

733

00:27:13,909 --> 00:27:12,559

they're feeling low self-esteem to push

734

00:27:16,789 --> 00:27:13,919

forward you know and

735

00:27:17,350 --> 00:27:16,799

um you know and i try to unlock what is

736

00:27:18,870 --> 00:27:17,360

that's

737

00:27:20,389 --> 00:27:18,880

the problem and they throw it in their

738

00:27:21,750 --> 00:27:20,399

face and they're like whoa i never

739

00:27:22,870 --> 00:27:21,760

realized that it's that and then

740

00:27:24,389 --> 00:27:22,880

they're like you know you're right and

741

00:27:26,149 --> 00:27:24,399

boom boom boom and then they come back

742

00:27:27,510 --> 00:27:26,159

to me like wow you know what you're

743

00:27:29,350 --> 00:27:27,520

pretty on point like i can't believe

744

00:27:29,830 --> 00:27:29,360

that happened and you know i'm thankful

745

00:27:31,750 --> 00:27:29,840

that you

746

00:27:33,029 --> 00:27:31,760

told me that so that's that's my

747

00:27:34,070 --> 00:27:33,039

happiness it has nothing to do with

748

00:27:35,029 --> 00:27:34,080

financial right because a lot of

749

00:27:38,549 --> 00:27:35,039

terrorists are like

750

00:27:39,909 --> 00:27:38,559

hey you know i want my money before i

751

00:27:41,350 --> 00:27:39,919

give you my reading for you

752

00:27:43,430 --> 00:27:41,360

you know i'm more like no i just want to

753

00:27:46,470 --> 00:27:43,440

help you you know yeah

754

00:27:49,269 --> 00:27:46,480

yeah absolutely so

755

00:27:51,029 --> 00:27:49,279

right off the bat here um david is that

756

00:27:53,110 --> 00:27:51,039

with the nine of pentacles

757

00:27:54,230 --> 00:27:53,120

you're feeling a lack of i'm getting

758

00:27:55,110 --> 00:27:54,240

that you're feeling that you can't

759

00:27:57,430 --> 00:27:55,120

attract

760

00:27:58,789 --> 00:27:57,440

the abundance that you're seeking um i

761

00:28:00,230 --> 00:27:58,799

think you've been watching a lot of

762

00:28:01,269 --> 00:28:00,240

what's been going on in the news and

763

00:28:05,190 --> 00:28:01,279

stuff like that

764

00:28:07,190 --> 00:28:05,200

um about how to increase your finances

765

00:28:08,389 --> 00:28:07,200

um and i feel like you know what that is

766

00:28:09,510 --> 00:28:08,399

um you know

767

00:28:12,950 --> 00:28:09,520

it starts with the c and ends with the

768

00:28:15,430 --> 00:28:12,960

no and um we have the king of

769

00:28:16,549 --> 00:28:15,440

wands here too so it's in reverse so i

770

00:28:18,470 --> 00:28:16,559

feel like you feel like there's

771

00:28:20,470 --> 00:28:18,480

a stagnation there's gonna be some type

772

00:28:23,029 --> 00:28:20,480

of stagnation that's gonna be going on

773

00:28:24,389 --> 00:28:23,039

um in that span time um and that's

774

00:28:25,430 --> 00:28:24,399

something that has to deal with an

775

00:28:27,430 --> 00:28:25,440

emotional

776

00:28:29,350 --> 00:28:27,440

um resentment or something you're

777

00:28:29,669 --> 00:28:29,360

resenting that it's not allowing you to

778

00:28:31,669 --> 00:28:29,679

push

779

00:28:33,190 --> 00:28:31,679

forward so you need to figure what that

780

00:28:34,870 --> 00:28:33,200

is what that situation is so you can

781

00:28:36,870 --> 00:28:34,880

unlock that for yourself

782

00:28:37,909 --> 00:28:36,880

pull one more card and then one oracle

783

00:28:46,789 --> 00:28:37,919

for you here

784

00:28:50,549 --> 00:28:48,630

yeah so the sun cards telling the

785

00:28:53,269 --> 00:28:50,559

universe is telling you to stop

786

00:28:55,110 --> 00:28:53,279

you need to take a step back um when it

787

00:28:57,430 --> 00:28:55,120

comes to your finances because

788

00:28:58,310 --> 00:28:57,440

you're too you're too analytical into it

789

00:29:00,310 --> 00:28:58,320

you need to kind of

790

00:29:01,750 --> 00:29:00,320

take a step back the sun needs to go

791

00:29:04,710 --> 00:29:01,760

this way so that you can

792

00:29:05,590 --> 00:29:04,720

start pushing forward so um you know

793

00:29:08,149 --> 00:29:05,600

figure

794

00:29:09,990 --> 00:29:08,159

how you can unlock what has been

795

00:29:12,310 --> 00:29:10,000

stagnant into your life and allow

796

00:29:13,990 --> 00:29:12,320

that energy that fire energy to flow in

797

00:29:16,710 --> 00:29:14,000

you so that you can start manifesting

798

00:29:18,710 --> 00:29:16,720

that abundance

799

00:29:21,269 --> 00:29:18,720

so that's what's holding you back so

800

00:29:24,470 --> 00:29:21,279

ultimately

801
00:29:26,230 --> 00:29:24,480
it's good advice yeah fire

802
00:29:27,510 --> 00:29:26,240
isn't that funny what did i just say i

803
00:29:30,870 --> 00:29:27,520
talked about fire energy

804
00:29:32,630 --> 00:29:30,880
and that that just popped out so here

805
00:29:34,549 --> 00:29:32,640
it's definitely telling me you need to

806
00:29:38,870 --> 00:29:34,559
go within

807
00:29:42,070 --> 00:29:38,880
potential

808
00:29:43,669 --> 00:29:42,080
to make a lot of money so you need to

809
00:29:45,110 --> 00:29:43,679
get out of your ego so that you can let

810
00:29:47,750 --> 00:29:45,120
the fire go up

811
00:29:49,990 --> 00:29:47,760
so you can connect to the sun because

812
00:29:53,110 --> 00:29:50,000
that's that's the truth right here

813
00:29:54,149 --> 00:29:53,120

so i hope that helped you okay any other

814

00:29:57,029 --> 00:29:54,159

takers here

815

00:29:58,389 --> 00:29:57,039

put it in all caps please i i i'm having

816

00:30:02,230 --> 00:29:58,399

trouble getting back through the

817

00:30:03,510 --> 00:30:02,240

old live chat oh uh the context daniel

818

00:30:06,630 --> 00:30:03,520

is here

819

00:30:07,510 --> 00:30:06,640

he is a cancer and he wants to know will

820

00:30:09,750 --> 00:30:07,520

he ever see

821

00:30:11,190 --> 00:30:09,760

a dumb stupid alien in the skies he's

822

00:30:13,190 --> 00:30:11,200

kind of into ufos

823

00:30:15,110 --> 00:30:13,200

and he's probably been looking for a ufo

824

00:30:16,470 --> 00:30:15,120

or aliens for quite some time now he'd

825

00:30:18,950 --> 00:30:16,480

like to know if he's ever going to see

826

00:30:18,960 --> 00:30:26,549

they're saying no

827

00:30:30,630 --> 00:30:28,230

because i hear a loud noise coming from

828

00:30:32,230 --> 00:30:30,640

here saying no it's like no

829

00:30:33,830 --> 00:30:32,240

and the reason why they're saying no is

830

00:30:37,669 --> 00:30:33,840

because of

831

00:30:39,269 --> 00:30:37,679

um you're not open yet

832

00:30:42,870 --> 00:30:39,279

you're not you're not open yet to see

833

00:30:44,389 --> 00:30:42,880

that you your ego may say yes

834

00:30:46,230 --> 00:30:44,399

but your higher self is that you're not

835

00:30:47,909 --> 00:30:46,240

ready because they feel like if you were

836

00:30:50,470 --> 00:30:47,919

to see that

837

00:30:51,430 --> 00:30:50,480

i think you'd use it inside of you a

838

00:30:53,269 --> 00:30:51,440

little bit because a lot of people are

839

00:30:54,950 --> 00:30:53,279

not ready for those type of contacts

840

00:30:57,029 --> 00:30:54,960

or those type of like seeing things like

841

00:30:57,509 --> 00:30:57,039

that in the sky or or connecting with an

842

00:30:59,509 --> 00:30:57,519

et

843

00:31:01,269 --> 00:30:59,519

like it takes a lot of time a lot of

844

00:31:02,950 --> 00:31:01,279

awareness on our openness so i'm gonna

845

00:31:04,470 --> 00:31:02,960

get them instead of doing tarot i'm

846

00:31:08,070 --> 00:31:04,480

going to do um

847

00:31:11,190 --> 00:31:08,080

lumeria because this is a ancient

848

00:31:13,909 --> 00:31:11,200

alien energy here through these cards

849

00:31:34,870 --> 00:31:13,919

so they'll tell you real quick so let's

850

00:31:40,549 --> 00:31:38,149

so you are

851
00:31:41,669 --> 00:31:40,559
the portal keeper so yeah you're setting

852
00:31:43,269 --> 00:31:41,679
in your way they're telling you you're

853
00:31:46,950 --> 00:31:43,279
literally standing in your way

854
00:31:48,950 --> 00:31:46,960
um you need to back off a little bit

855
00:31:50,230 --> 00:31:48,960
work on yourself a little bit more and

856
00:31:51,669 --> 00:31:50,240
you'll be able to access that portal

857
00:31:53,990 --> 00:31:51,679
where you can see those

858
00:31:55,350 --> 00:31:54,000
extraterrestrials and they're not stupid

859
00:31:58,310 --> 00:31:55,360
they're very intelligent

860
00:31:59,990 --> 00:31:58,320
um internal explorer you're trying to

861
00:32:01,669 --> 00:32:00,000
explore you need to look internally it's

862
00:32:02,789 --> 00:32:01,679
telling you that right it's very clear

863
00:32:04,710 --> 00:32:02,799

look at that

864

00:32:06,310 --> 00:32:04,720

so you need to look inside of yourself

865

00:32:08,710 --> 00:32:06,320

to be able to unlock that so you can

866

00:32:10,870 --> 00:32:08,720

actually see them

867

00:32:13,029 --> 00:32:10,880

and then beyond the mind yep look at

868

00:32:21,190 --> 00:32:13,039

that

869

00:32:25,110 --> 00:32:21,200

energy

870

00:32:30,389 --> 00:32:28,310

yeah so anyone who would like a reading

871

00:32:31,750 --> 00:32:30,399

please do do just do it again because

872

00:32:32,710 --> 00:32:31,760

i'm having trouble going back through

873

00:32:34,950 --> 00:32:32,720

and trying to find

874

00:32:35,750 --> 00:32:34,960

like figure out who had theirs and who

875

00:32:38,549 --> 00:32:35,760

didn't yet

876
00:32:39,430 --> 00:32:38,559
exactly i saw renee miss jonasside gave

877
00:32:41,190 --> 00:32:39,440
her uh

878
00:32:42,710 --> 00:32:41,200
i think she wanted one but she didn't

879
00:32:44,549 --> 00:32:42,720
put a question so you have to put a

880
00:32:46,470 --> 00:32:44,559
question here we're doing quick readings

881
00:32:50,630 --> 00:32:46,480
we're not doing like you know

882
00:32:53,350 --> 00:32:50,640
big you know long ones no yeah

883
00:32:54,870 --> 00:32:53,360
it takes a lot of time okay here there's

884
00:32:57,430 --> 00:32:54,880
renee miss genocide

885
00:32:59,830 --> 00:32:57,440
is pisces and wants to know will the new

886
00:33:03,190 --> 00:32:59,840
therapist work

887
00:33:12,389 --> 00:33:03,200
interesting all right actually

888
00:33:15,590 --> 00:33:14,389

yeah and in the meantime i i just want

889

00:33:17,430 --> 00:33:15,600

to thank stephanie for doing this

890

00:33:18,470 --> 00:33:17,440

because we've tried to get a few others

891

00:33:21,509 --> 00:33:18,480

but uh

892

00:33:23,990 --> 00:33:21,519

some of them are uh you know

893

00:33:25,590 --> 00:33:24,000

standoffish yeah i guess because we tend

894

00:33:27,590 --> 00:33:25,600

to be a little skeptical here

895

00:33:30,149 --> 00:33:27,600

about a lot of things so they thought

896

00:33:33,110 --> 00:33:30,159

they were going to uh

897

00:33:34,870 --> 00:33:33,120

you know be mean to them or something

898

00:33:36,630 --> 00:33:34,880

i'm always kind to guests even if i

899

00:33:37,430 --> 00:33:36,640

disagree with whatever they do or

900

00:33:39,669 --> 00:33:37,440

they're saying

901
00:33:41,430 --> 00:33:39,679
you know i just interviewed a guy who

902
00:33:42,789 --> 00:33:41,440
said that reptilian aliens trained him

903
00:33:45,750 --> 00:33:42,799
to be a better cop

904
00:33:46,070 --> 00:33:45,760
okay i couldn't and i was convinced i

905
00:33:49,430 --> 00:33:46,080
was

906
00:33:53,110 --> 00:33:49,440
him

907
00:33:54,470 --> 00:33:53,120
you know

908
00:33:56,789 --> 00:33:54,480
that was that was a good one though

909
00:33:57,830 --> 00:33:56,799
overall i felt like the chat was going

910
00:33:59,909 --> 00:33:57,840
off on it

911
00:34:01,269 --> 00:33:59,919
that's so crazy funny we're gonna

912
00:34:03,909 --> 00:34:01,279
continue with that uh

913
00:34:06,310 --> 00:34:03,919

series soon i have a few more people one

914

00:34:07,350 --> 00:34:06,320

is an alien hybrid and one is uh alien

915

00:34:11,109 --> 00:34:07,360

abductee

916

00:34:14,550 --> 00:34:11,119

ooh their stories yeah

917

00:34:16,470 --> 00:34:14,560

okay so for renee

918

00:34:17,750 --> 00:34:16,480

i feel like you're going to be

919

00:34:19,510 --> 00:34:17,760

disappointed and you've been

920

00:34:21,190 --> 00:34:19,520

disappointed because you haven't found

921

00:34:23,430 --> 00:34:21,200

that perfect person

922

00:34:24,950 --> 00:34:23,440

to be able to work with you in your

923

00:34:26,230 --> 00:34:24,960

energies and what you're going through

924

00:34:27,349 --> 00:34:26,240

because you have the three of swords

925

00:34:30,629 --> 00:34:27,359

here

926
00:34:31,349 --> 00:34:30,639
so it's telling me that you know having

927
00:34:34,629 --> 00:34:31,359
a lot

928
00:34:36,389 --> 00:34:34,639
like i see you kind of

929
00:34:37,829 --> 00:34:36,399
really frustrated and bummed out because

930
00:34:38,950 --> 00:34:37,839
things have not been working out the way

931
00:34:40,710 --> 00:34:38,960
that you want them to

932
00:34:42,550 --> 00:34:40,720
and then we have the princess of uh

933
00:34:44,790 --> 00:34:42,560
prince of cups in reverse

934
00:34:46,470 --> 00:34:44,800
yeah so there was a therapist in the

935
00:34:48,950 --> 00:34:46,480
past that you definitely

936
00:34:50,629 --> 00:34:48,960
were with and you were very disappointed

937
00:34:52,710 --> 00:34:50,639
the way that things have ended and

938
00:34:53,750 --> 00:34:52,720

um you have not been communicating with

939

00:34:55,510 --> 00:34:53,760

the universe

940

00:34:57,510 --> 00:34:55,520

um i feel like there's a disconnect with

941

00:35:00,230 --> 00:34:57,520

that because of the stars in reverse

942

00:35:01,589 --> 00:35:00,240

um it's not really connecting um and

943

00:35:01,990 --> 00:35:01,599

understanding what is going on i feel

944

00:35:05,109 --> 00:35:02,000

like this

945

00:35:07,589 --> 00:35:05,119

new therapist um

946

00:35:08,950 --> 00:35:07,599

you may not like them in the beginning

947

00:35:09,910 --> 00:35:08,960

because of what you've dealt with in the

948

00:35:13,109 --> 00:35:09,920

past

949

00:35:14,630 --> 00:35:13,119

um and so that just takes time and you

950

00:35:16,150 --> 00:35:14,640

have to have patience is what i'm

951
00:35:17,190 --> 00:35:16,160
getting to like if you can't find one

952
00:35:20,550 --> 00:35:17,200
right away it's okay

953
00:35:23,430 --> 00:35:20,560
you will um allow the universe

954
00:35:24,950 --> 00:35:23,440
spirit to give you someone that can

955
00:35:25,510 --> 00:35:24,960
really help you to the best of their

956
00:35:29,190 --> 00:35:25,520
ability

957
00:35:32,390 --> 00:35:29,200
and that you connect with um

958
00:35:36,310 --> 00:35:34,950
so ultimately i think uh there will be

959
00:35:38,230 --> 00:35:36,320
some happiness

960
00:35:40,069 --> 00:35:38,240
um once you connect with this person

961
00:35:43,510 --> 00:35:40,079
because this is my ton of cups here

962
00:35:45,510 --> 00:35:43,520
and then um you know try not to

963
00:35:47,670 --> 00:35:45,520

try to work on it yourself too i'm

964

00:35:50,230 --> 00:35:47,680

getting to you need to give yourself

965

00:35:51,670 --> 00:35:50,240

um that that extra love to you to

966

00:35:52,950 --> 00:35:51,680

yourself to your higher self like you

967

00:35:54,710 --> 00:35:52,960

need that extra love

968

00:35:56,150 --> 00:35:54,720

um you've been helping people around you

969

00:35:56,870 --> 00:35:56,160

so much that you forget about yourself

970

00:36:01,190 --> 00:35:56,880

sometimes

971

00:36:02,390 --> 00:36:01,200

and i feel like it's time to really

972

00:36:04,790 --> 00:36:02,400

help yourself that and then this

973

00:36:06,710 --> 00:36:04,800

therapist is going to help you untangle

974

00:36:08,470 --> 00:36:06,720

and see things a lot quickly now so i

975

00:36:09,750 --> 00:36:08,480

feel like in the next couple of months

976

00:36:11,510 --> 00:36:09,760

um you're going to really enjoy the

977

00:36:13,270 --> 00:36:11,520

sessions that you have with this person

978

00:36:16,390 --> 00:36:13,280

i hope this is how this helped

979

00:36:19,349 --> 00:36:16,400

renee yeah that's good and uh

980

00:36:21,510 --> 00:36:19,359

let's see uh paranormal jiggy is a

981

00:36:23,750 --> 00:36:21,520

pisces and wants to know if his kids

982

00:36:26,790 --> 00:36:23,760

will be all right

983

00:36:30,470 --> 00:36:26,800

that's pretty

984

00:36:35,829 --> 00:36:33,829

and could crystal beauty wanda irk

985

00:36:37,670 --> 00:36:35,839

please re-list their question and their

986

00:36:40,470 --> 00:36:37,680

uh their uh

987

00:36:42,150 --> 00:36:40,480

birth signs and please put them in all

988

00:36:43,829 --> 00:36:42,160

caps

989

00:36:45,750 --> 00:36:43,839

i think crystal beauty is one of my

990

00:36:48,630 --> 00:36:45,760

subscribers oh okay

991

00:36:49,190 --> 00:36:48,640

great yeah yeah yeah and uh i gotta get

992

00:36:50,950 --> 00:36:49,200

your

993

00:36:52,870 --> 00:36:50,960

channel address i'm gonna put it into

994

00:36:54,310 --> 00:36:52,880

the live chat so that people can people

995

00:36:56,390 --> 00:36:54,320

should subscribe

996

00:36:57,430 --> 00:36:56,400

stephanie's got her own channel focused

997

00:37:00,950 --> 00:36:57,440

solely on

998

00:37:03,670 --> 00:37:00,960

uh tarot and tarot card readings uh

999

00:37:04,630 --> 00:37:03,680

so if you if you're interested i'm going

1000

00:37:08,630 --> 00:37:04,640

to

1001

00:37:10,230 --> 00:37:08,640

get her uh i will get her

1002

00:37:11,670 --> 00:37:10,240

channel address and put it in the live

1003

00:37:13,510 --> 00:37:11,680

chat please do go over there

1004

00:37:17,750 --> 00:37:13,520

it's the least we could all do is go

1005

00:37:21,990 --> 00:37:20,150

i got it but i got got to do some

1006

00:37:26,150 --> 00:37:22,000

gymnastics to get it into the live

1007

00:37:33,670 --> 00:37:29,270

okay so paranormal hood jiggy

1008

00:37:36,790 --> 00:37:33,680

so the sun isn't reversed um i feel like

1009

00:37:38,470 --> 00:37:36,800

there's been a disconnection um with you

1010

00:37:40,390 --> 00:37:38,480

and your children i see

1011

00:37:41,750 --> 00:37:40,400

i feel like there's some type of

1012

00:37:43,430 --> 00:37:41,760

situation where

1013

00:37:45,030 --> 00:37:43,440

you're not connecting the way that you

1014

00:37:47,510 --> 00:37:45,040

thought you could connect

1015

00:37:49,190 --> 00:37:47,520

um you know and you're worried the four

1016

00:37:50,550 --> 00:37:49,200

of pentacles you're trying to

1017

00:37:51,589 --> 00:37:50,560

make sure they're okay you're holding on

1018

00:37:52,310 --> 00:37:51,599

to them you're like i want to make sure

1019

00:37:54,310 --> 00:37:52,320

they're okay

1020

00:37:55,349 --> 00:37:54,320

and the thing is is that that causes a

1021

00:38:00,069 --> 00:37:55,359

lot of imbalances

1022

00:38:01,270 --> 00:38:00,079

and that causes um tension i think

1023

00:38:02,950 --> 00:38:01,280

there needs to be some kind of

1024

00:38:03,430 --> 00:38:02,960

communication with your children for

1025

00:38:05,030 --> 00:38:03,440

sure

1026

00:38:06,470 --> 00:38:05,040

i think that that's that's the issue

1027

00:38:08,870 --> 00:38:06,480

here at hand is that

1028

00:38:10,470 --> 00:38:08,880

the communication seems to be a little a

1029

00:38:12,150 --> 00:38:10,480

little wonky like not

1030

00:38:13,829 --> 00:38:12,160

where you would like it to be and this

1031

00:38:15,670 --> 00:38:13,839

is why a lot of these

1032

00:38:17,190 --> 00:38:15,680

emotions come up and i feel like your

1033

00:38:21,510 --> 00:38:17,200

children are fine

1034

00:38:23,030 --> 00:38:21,520

um they're doing great i feel like

1035

00:38:24,630 --> 00:38:23,040

one of them is just sad that they don't

1036

00:38:26,390 --> 00:38:24,640

speak to you

1037

00:38:27,910 --> 00:38:26,400

or that there's no communication here i

1038

00:38:31,109 --> 00:38:27,920

feel like like sadness

1039

00:38:32,630 --> 00:38:31,119

with one of your children i think

1040

00:38:34,310 --> 00:38:32,640

there's a there's something of like

1041

00:38:39,270 --> 00:38:34,320

yearning their dad like i want my dad

1042

00:38:43,030 --> 00:38:40,790

a throat chakra yeah you guys need to

1043

00:38:45,750 --> 00:38:43,040

communicate look at this

1044

00:38:47,270 --> 00:38:45,760

throat chakra communication they're

1045

00:38:49,190 --> 00:38:47,280

asking you there's something you need to

1046

00:38:50,950 --> 00:38:49,200

release there's something that you need

1047

00:38:54,310 --> 00:38:50,960

to um

1048

00:38:56,950 --> 00:38:54,320

communicate to your children and

1049

00:38:57,750 --> 00:38:56,960

uh this energy here i feel like in the

1050

00:39:00,870 --> 00:38:57,760

next

1051
00:39:02,550 --> 00:39:00,880
couple of weeks um

1052
00:39:04,069 --> 00:39:02,560
there needs to be a communication with

1053
00:39:06,870 --> 00:39:04,079
youtube because i think that's

1054
00:39:07,910 --> 00:39:06,880
the right time to do it so if you can be

1055
00:39:09,190 --> 00:39:07,920
able to do that

1056
00:39:11,190 --> 00:39:09,200
with you and your children i think

1057
00:39:12,150 --> 00:39:11,200
that'd be amazing to figure out how

1058
00:39:12,870 --> 00:39:12,160
they've been doing but i feel like

1059
00:39:16,069 --> 00:39:12,880
they're good

1060
00:39:18,710 --> 00:39:16,079
all you know they want they want their

1061
00:39:22,310 --> 00:39:20,710
yeah you know being a dad is like the

1062
00:39:23,349 --> 00:39:22,320
hardest job ever

1063
00:39:25,589 --> 00:39:23,359

you know i knew it was going to be

1064

00:39:28,150 --> 00:39:25,599

difficult but

1065

00:39:29,030 --> 00:39:28,160

it really is hard it's really rough

1066

00:39:32,150 --> 00:39:29,040

sometimes

1067

00:39:35,510 --> 00:39:32,160

you know yeah you know

1068

00:39:36,550 --> 00:39:35,520

i struggle you know yeah it's hard i'm

1069

00:39:38,470 --> 00:39:36,560

sure it's hard to being

1070

00:39:39,670 --> 00:39:38,480

you know being a parent and then you

1071

00:39:41,510 --> 00:39:39,680

know kids

1072

00:39:44,150 --> 00:39:41,520

because there are a lot i don't have

1073

00:39:46,470 --> 00:39:44,160

kids yet but

1074

00:39:48,710 --> 00:39:46,480

yeah well enjoy your quiet time now

1075

00:39:50,950 --> 00:39:48,720

because don't trust me

1076
00:39:51,750 --> 00:39:50,960
sounds like i have two boys so much i'm

1077
00:39:54,069 --> 00:39:51,760
a man

1078
00:39:56,069 --> 00:39:54,079
at four and eight so it sounds like i

1079
00:39:57,990 --> 00:39:56,079
heard of elephants in my bed at all

1080
00:39:58,630 --> 00:39:58,000
times and my house is pretty big but

1081
00:40:00,630 --> 00:39:58,640
there's still

1082
00:40:02,710 --> 00:40:00,640
there's nowhere allowed you're not going

1083
00:40:04,550 --> 00:40:02,720
to escape oh we have wanda

1084
00:40:05,750 --> 00:40:04,560
erker i think you said there from your

1085
00:40:08,390 --> 00:40:05,760
channel right

1086
00:40:09,430 --> 00:40:08,400
what is that sage you're using it's palo

1087
00:40:12,550 --> 00:40:09,440
santo

1088
00:40:14,470 --> 00:40:12,560

oh cool so i love using this is

1089

00:40:16,790 --> 00:40:14,480

my favorite thing to use to cleanse

1090

00:40:19,510 --> 00:40:16,800

space um sage is pretty strong

1091

00:40:21,510 --> 00:40:19,520

like the smell is very strong to my nose

1092

00:40:23,910 --> 00:40:21,520

but i like using this better

1093

00:40:25,430 --> 00:40:23,920

okay and wanda asks that she's the sign

1094

00:40:27,990 --> 00:40:25,440

of aries and asks

1095

00:40:30,950 --> 00:40:28,000

is my studies and my future work or what

1096

00:40:35,430 --> 00:40:33,670

is my studies in my future work or what

1097

00:40:36,950 --> 00:40:35,440

is

1098

00:40:38,870 --> 00:40:36,960

what do you mean by that wanda that's

1099

00:40:39,829 --> 00:40:38,880

that's not i don't understand your

1100

00:40:43,270 --> 00:40:39,839

question

1101
00:40:45,430 --> 00:40:43,280
please rephrase it yeah cause i'm like

1102
00:40:46,550 --> 00:40:45,440
um i must i'm gonna take a wild guess

1103
00:40:49,670 --> 00:40:46,560
and say that

1104
00:40:51,190 --> 00:40:49,680
um you're wanting to know that

1105
00:40:53,030 --> 00:40:51,200
is the main party that you're going to

1106
00:40:56,150 --> 00:40:53,040
have in your life working on

1107
00:40:57,670 --> 00:40:56,160
your studies right now or what do you

1108
00:40:59,190 --> 00:40:57,680
think that it may be

1109
00:41:01,270 --> 00:40:59,200
when it comes to your finances and also

1110
00:41:04,790 --> 00:41:01,280
somebody is asking uh

1111
00:41:14,550 --> 00:41:04,800
what deck you're using right now

1112
00:41:17,829 --> 00:41:16,710
i think she's used three so far right

1113
00:41:19,510 --> 00:41:17,839

yeah i have three right now three

1114

00:41:21,510 --> 00:41:19,520

different decks so far

1115

00:41:23,430 --> 00:41:21,520

is that typical of tarot card readers

1116

00:41:26,069 --> 00:41:23,440

because i know one that uses the same

1117

00:41:26,710 --> 00:41:26,079

old deck i can't do that it doesn't give

1118

00:41:28,230 --> 00:41:26,720

me ex i

1119

00:41:29,670 --> 00:41:28,240

i need to get excited over my deck you

1120

00:41:31,750 --> 00:41:29,680

know what i mean well can you talk about

1121

00:41:34,230 --> 00:41:31,760

the three decks that you did use so far

1122

00:41:34,950 --> 00:41:34,240

a little bit yes so this one wait and in

1123

00:41:36,790 --> 00:41:34,960

the meantime

1124

00:41:39,109 --> 00:41:36,800

wanda please rephrase your question so

1125

00:41:42,470 --> 00:41:39,119

it's a little clearer

1126

00:41:45,270 --> 00:41:42,480

so i just got this one

1127

00:41:46,309 --> 00:41:45,280

um i don't have hold on i'm gonna like

1128

00:41:48,950 --> 00:41:46,319

pop up on my

1129

00:41:50,230 --> 00:41:48,960

screen on my end because i just recently

1130

00:41:52,630 --> 00:41:50,240

got this one but this is

1131

00:41:53,829 --> 00:41:52,640

um a newer tarot deck that i've i've

1132

00:41:56,710 --> 00:41:53,839

purchased

1133

00:41:57,910 --> 00:41:56,720

and um it's phenomenal it gives a lot of

1134

00:42:01,430 --> 00:41:57,920

truth it's very

1135

00:42:04,470 --> 00:42:01,440

um in your face kind of energy um

1136

00:42:05,990 --> 00:42:04,480

let's see here i'm trying to push it up

1137

00:42:07,990 --> 00:42:06,000

and it's not allowing me

1138

00:42:09,349 --> 00:42:08,000

okay here we go so it's the cosmic

1139

00:42:12,790 --> 00:42:09,359

slumber tarot by

1140

00:42:16,390 --> 00:42:12,800

walden tittle or tilly

1141

00:42:20,390 --> 00:42:16,400

and then this one here is the beyond

1142

00:42:22,470 --> 00:42:20,400

lumeria oracle cards and then this one

1143

00:42:23,829 --> 00:42:22,480

oh i can't honestly think that i've had

1144

00:42:27,750 --> 00:42:23,839

this for a while

1145

00:42:28,710 --> 00:42:27,760

um i can try to find it here but i've

1146

00:42:30,069 --> 00:42:28,720

had this for a while

1147

00:42:31,990 --> 00:42:30,079

i can't think of the name on top of my

1148

00:42:32,630 --> 00:42:32,000

head i have the box so i'm not about to

1149

00:42:36,150 --> 00:42:32,640

go get that

1150

00:42:36,470 --> 00:42:36,160

but this um this deck is very truthful

1151
00:42:40,150 --> 00:42:36,480
too

1152
00:42:40,550 --> 00:42:40,160
it gives me very like um it pulls deep

1153
00:42:45,109 --> 00:42:40,560
into

1154
00:42:47,349 --> 00:42:45,119
the name i'll try to let steven know

1155
00:42:48,470 --> 00:42:47,359
if you guys ask me again if i end up

1156
00:42:51,270 --> 00:42:48,480
gone i'll remember

1157
00:42:52,069 --> 00:42:51,280
but yeah and wanda clarified their

1158
00:42:54,309 --> 00:42:52,079
question

1159
00:42:55,430 --> 00:42:54,319
okay she she wants to know is what i

1160
00:42:58,150 --> 00:42:55,440
study in school

1161
00:42:59,349 --> 00:42:58,160
going to be my future job okay that's

1162
00:43:01,109 --> 00:42:59,359
probably pretty common

1163
00:43:03,670 --> 00:43:01,119

concern for some people i i know

1164

00:43:06,550 --> 00:43:03,680

somebody who went to school for like

1165

00:43:08,550 --> 00:43:06,560

computer science and ended up doing

1166

00:43:09,510 --> 00:43:08,560

nothing like computer science you know

1167

00:43:16,150 --> 00:43:09,520

he ended up

1168

00:43:20,069 --> 00:43:17,910

and if anybody's hearing any crackling

1169

00:43:22,230 --> 00:43:20,079

that's my wood stove i apologize

1170

00:43:23,589 --> 00:43:22,240

but i'm trying not to freeze to death

1171

00:43:26,710 --> 00:43:23,599

here it's going down to

1172

00:43:30,150 --> 00:43:26,720

20 maybe even 15. whoa

1173

00:43:31,829 --> 00:43:30,160

yeah i went outside and the ground's all

1174

00:43:35,030 --> 00:43:31,839

crunchy like it's oh my god

1175

00:43:37,430 --> 00:43:35,040

the ground is frozen and it's frozen out

1176

00:43:41,190 --> 00:43:39,270

that's cold i'm over here in california

1177

00:43:43,510 --> 00:43:41,200

it's actually like springtime it's like

1178

00:43:47,349 --> 00:43:43,520

you're feeling i hate you

1179

00:43:49,990 --> 00:43:47,359

i hate you and all floridians right now

1180

00:43:51,910 --> 00:43:50,000

i mean yeah it's cool the high was like

1181

00:43:54,870 --> 00:43:51,920

38 today

1182

00:43:55,670 --> 00:43:54,880

oh wow what was it the highest is 73

1183

00:43:58,710 --> 00:43:55,680

over here

1184

00:43:59,990 --> 00:43:58,720

low of 15. it really dr

1185

00:44:02,069 --> 00:44:00,000

the temperature drops here at night

1186

00:44:04,069 --> 00:44:02,079

we're up in the mountains so like at

1187

00:44:06,150 --> 00:44:04,079

night the cold air blows in and

1188

00:44:07,109 --> 00:44:06,160

and once the sun goes down it just

1189

00:44:10,230 --> 00:44:07,119

starts dropping

1190

00:44:12,309 --> 00:44:10,240

yeah man that's intense um

1191

00:44:14,870 --> 00:44:12,319

that's okay i'm safe and warm i just got

1192

00:44:17,829 --> 00:44:14,880

to keep feeding the beast next to me

1193

00:44:19,190 --> 00:44:17,839

well it takes a lot of firewood when

1194

00:44:20,950 --> 00:44:19,200

it's this cold i just keep

1195

00:44:22,470 --> 00:44:20,960

loading it up as soon as you can put one

1196

00:44:23,829 --> 00:44:22,480

more piece in there i'd put another

1197

00:44:26,150 --> 00:44:23,839

piece in there you know

1198

00:44:28,390 --> 00:44:26,160

that's so funny and i'm in my favorite

1199

00:44:29,430 --> 00:44:28,400

chair at the cabin which is right next

1200

00:44:30,870 --> 00:44:29,440

to the wood stove

1201

00:44:32,630 --> 00:44:30,880

so you're you're chilling then you're

1202

00:44:35,990 --> 00:44:32,640

too yeah yeah i'm

1203

00:44:38,550 --> 00:44:36,000

it's 70 70 plus that's good

1204

00:44:39,190 --> 00:44:38,560

that's good that's that's perfect yeah

1205

00:44:41,190 --> 00:44:39,200

um

1206

00:44:42,870 --> 00:44:41,200

yeah i just started putting a blanket

1207

00:44:45,349 --> 00:44:42,880

over the door now because the door is

1208

00:44:47,670 --> 00:44:45,359

real drafty i have to fix it

1209

00:44:49,030 --> 00:44:47,680

that's not good i built it so it's not

1210

00:44:52,550 --> 00:44:49,040

good

1211

00:44:55,750 --> 00:44:52,560

anyone else

1212

00:44:59,030 --> 00:44:55,760

who questions all caps yes

1213

00:45:01,030 --> 00:44:59,040

and one oh here we have one we have okay

1214

00:45:02,790 --> 00:45:01,040

so oh no we still we're still going on

1215

00:45:05,109 --> 00:45:02,800

wanda oh wanda i'm sorry

1216

00:45:06,150 --> 00:45:05,119

yes yes we'll hit her after oh that's

1217

00:45:06,950 --> 00:45:06,160

right we got interrupted with the

1218

00:45:09,030 --> 00:45:06,960

question about the

1219

00:45:10,630 --> 00:45:09,040

what kind of decks so yeah i'm sorry

1220

00:45:13,829 --> 00:45:10,640

okay okay

1221

00:45:17,430 --> 00:45:13,839

you're all good okay so wanda

1222

00:45:22,069 --> 00:45:20,390

you are having lost hopes about what is

1223

00:45:24,470 --> 00:45:22,079

that you're trying to accomplish here

1224

00:45:26,390 --> 00:45:24,480

i feel like there you're you're not

1225

00:45:27,990 --> 00:45:26,400

seeing the vision that you once did when

1226

00:45:29,829 --> 00:45:28,000

you were in school in the beginning i

1227

00:45:30,309 --> 00:45:29,839

feel like you're kind of lacking that

1228

00:45:33,349 --> 00:45:30,319

here

1229

00:45:34,710 --> 00:45:33,359

you go

1230

00:45:36,390 --> 00:45:34,720

so i feel like with a star card in

1231

00:45:39,430 --> 00:45:36,400

reverse i feel like um there's

1232

00:45:41,109 --> 00:45:39,440

there's definitely an imbalance

1233

00:45:42,630 --> 00:45:41,119

with the way that you thought things

1234

00:45:44,150 --> 00:45:42,640

were going to go and then we have the

1235

00:45:44,790 --> 00:45:44,160

eight of cups i see you trying to walk

1236

00:45:46,630 --> 00:45:44,800

away

1237

00:45:48,630 --> 00:45:46,640

and there's something about the past

1238

00:45:51,109 --> 00:45:48,640

that's also coming up as well that

1239

00:45:54,550 --> 00:45:51,119

you're still holding on to

1240

00:45:55,750 --> 00:45:54,560

so this is causing you in the future

1241

00:45:57,990 --> 00:45:55,760

to not do what it is that you're

1242

00:46:00,069 --> 00:45:58,000

studying for for work for

1243

00:46:01,109 --> 00:46:00,079

what you're trying to do for a living um

1244

00:46:04,230 --> 00:46:01,119

however

1245

00:46:06,790 --> 00:46:04,240

um you're trying to move forward

1246

00:46:08,870 --> 00:46:06,800

but your heart's not letting you do it

1247

00:46:11,270 --> 00:46:08,880

and you're second guessing yourself

1248

00:46:12,069 --> 00:46:11,280

so the emperor and the three of swords

1249

00:46:13,750 --> 00:46:12,079

just

1250

00:46:15,829 --> 00:46:13,760

you're trying to move forward but your

1251

00:46:18,950 --> 00:46:15,839

heart's not letting you

1252

00:46:20,950 --> 00:46:18,960

because your heart's not in it

1253

00:46:22,870 --> 00:46:20,960

so yeah i feel like your heart's not

1254

00:46:24,790 --> 00:46:22,880

it's like keeps going in and out of it

1255

00:46:26,630 --> 00:46:24,800

um so i feel like in the future it's

1256

00:46:31,109 --> 00:46:26,640

gonna cause you not to do what you

1257

00:46:32,790 --> 00:46:31,119

studied i think that you need to

1258

00:46:34,150 --> 00:46:32,800

i'm i'm hearing like you need to go back

1259

00:46:36,390 --> 00:46:34,160

to the beginning

1260

00:46:39,109 --> 00:46:36,400

for when you reason why you even got

1261

00:46:41,270 --> 00:46:39,119

into the major that you did

1262

00:46:42,710 --> 00:46:41,280

why did you go into that major what was

1263

00:46:44,470 --> 00:46:42,720

the purpose well you need to find that

1264

00:46:46,390 --> 00:46:44,480

purpose again

1265

00:46:47,990 --> 00:46:46,400

i mean if not then you need to switch

1266

00:46:49,349 --> 00:46:48,000

out so that you can

1267

00:46:51,349 --> 00:46:49,359

get into the right one you know what i

1268

00:46:52,950 --> 00:46:51,359

mean um

1269

00:46:54,630 --> 00:46:52,960

awakening awareness yeah you're trying

1270

00:46:55,990 --> 00:46:54,640

to wake up to the truth in your life

1271

00:46:58,710 --> 00:46:56,000

you're like asking yourself like

1272

00:46:59,430 --> 00:46:58,720

whoa this is the hardcore truth of what

1273

00:47:01,109 --> 00:46:59,440

i'm studying

1274

00:47:03,589 --> 00:47:01,119

is this even worth it now because i'm

1275

00:47:05,349 --> 00:47:03,599

seeing it at all angles or something i'm

1276

00:47:10,550 --> 00:47:05,359

aware of now

1277

00:47:13,829 --> 00:47:10,560

let's one more card real quick for her

1278

00:47:16,309 --> 00:47:13,839

thank you radical expansion

1279

00:47:18,950 --> 00:47:16,319

this is crazy your your awakening is

1280

00:47:23,030 --> 00:47:20,950

radical it's asking you to expand

1281

00:47:25,349 --> 00:47:23,040

yourself in your creative endeavors too

1282

00:47:26,150 --> 00:47:25,359

that's what i'm also getting something

1283

00:47:27,349 --> 00:47:26,160

with the arts

1284

00:47:29,190 --> 00:47:27,359

i was getting that in the beginning of

1285

00:47:30,790 --> 00:47:29,200

the reading but i'm getting it harder

1286

00:47:31,990 --> 00:47:30,800

now that the arts is something that you

1287

00:47:33,750 --> 00:47:32,000

want to

1288

00:47:35,190 --> 00:47:33,760

to maybe try out and that's why you're

1289

00:47:36,309 --> 00:47:35,200

asking yourself is this career even

1290

00:47:37,430 --> 00:47:36,319

worth it

1291

00:47:39,750 --> 00:47:37,440

if i were to fall through with it and

1292

00:47:41,430 --> 00:47:39,760

not my other passion you know

1293

00:47:43,030 --> 00:47:41,440

yeah i have to assume that's pretty

1294

00:47:46,150 --> 00:47:43,040

common like

1295

00:47:49,750 --> 00:47:46,160

you know for people that want to pursue

1296

00:47:51,750 --> 00:47:49,760

some kind of artistic thing for a career

1297

00:47:53,109 --> 00:47:51,760

you know it's pretty common that people

1298

00:47:56,150 --> 00:47:53,119

say no you don't want to do that

1299

00:47:58,470 --> 00:47:56,160

do that you know go be an accountant you

1300

00:48:01,430 --> 00:47:58,480

know a lawyer or a doctor

1301
00:48:03,829 --> 00:48:01,440
you'll make money you know be miserable

1302
00:48:06,069 --> 00:48:03,839
i don't know

1303
00:48:08,150 --> 00:48:06,079
i uh i'm probably most happiest when i'm

1304
00:48:10,309 --> 00:48:08,160
doing artistic and creative things

1305
00:48:12,069 --> 00:48:10,319
100 but it's really difficult to try to

1306
00:48:15,510 --> 00:48:12,079
earn a living with those skills

1307
00:48:18,230 --> 00:48:15,520
you know i ended up in cubicle land

1308
00:48:18,630 --> 00:48:18,240
so uh that's soul crushing though oh for

1309
00:48:20,390 --> 00:48:18,640
sure

1310
00:48:23,349 --> 00:48:20,400
not standing i'm never going back i

1311
00:48:28,069 --> 00:48:23,359
don't care what i have to do

1312
00:48:30,790 --> 00:48:28,079
okay and uh we have uh noemi

1313
00:48:31,589 --> 00:48:30,800

erilano i feel like i've seen you before

1314

00:48:33,190 --> 00:48:31,599

naomi

1315

00:48:34,630 --> 00:48:33,200

i feel like i feel like i have i think

1316

00:48:36,150 --> 00:48:34,640

you are one of my subscribers yeah

1317

00:48:37,829 --> 00:48:36,160

you must she must be one of your

1318

00:48:38,549 --> 00:48:37,839

subscribers i don't recognize her but

1319

00:48:40,950 --> 00:48:38,559

welcome to

1320

00:48:42,309 --> 00:48:40,960

to our show here too subscribe i hope to

1321

00:48:44,549 --> 00:48:42,319

see you again

1322

00:48:45,750 --> 00:48:44,559

and they want to know what are ellie

1323

00:48:54,230 --> 00:48:45,760

aquarius

1324

00:48:57,750 --> 00:48:55,910

that's gotta be a common question too

1325

00:48:59,910 --> 00:48:57,760

right

1326
00:49:00,790 --> 00:48:59,920
people might wonder about a person and

1327
00:49:02,470 --> 00:49:00,800
uh

1328
00:49:05,589 --> 00:49:02,480
what their intentions are whether it's

1329
00:49:08,309 --> 00:49:05,599
friendship or more right

1330
00:49:13,910 --> 00:49:08,319
100 i always get those types of

1331
00:49:19,349 --> 00:49:17,190
how is your new channel going i see you

1332
00:49:20,230 --> 00:49:19,359
slowly growing there right yeah it's

1333
00:49:24,150 --> 00:49:20,240
going really well

1334
00:49:25,430 --> 00:49:24,160
um i because the thing is is that

1335
00:49:27,349 --> 00:49:25,440
my channel is not just going to be based

1336
00:49:28,470 --> 00:49:27,359
on terror right um there's other

1337
00:49:30,790 --> 00:49:28,480
creative endeavors that i

1338
00:49:31,670 --> 00:49:30,800

that i'm trying to do it trying to mold

1339

00:49:35,990 --> 00:49:31,680

my my

1340

00:49:37,589 --> 00:49:36,000

my channel with and so um

1341

00:49:39,510 --> 00:49:37,599

that's why it's called little unity

1342

00:49:42,069 --> 00:49:39,520

right that's my business name

1343

00:49:43,270 --> 00:49:42,079

and so that's the title of you know the

1344

00:49:44,870 --> 00:49:43,280

name of my channel so

1345

00:49:46,549 --> 00:49:44,880

there's gonna be a lot of um you know

1346

00:49:48,549 --> 00:49:46,559

talk about holistic nutrition talking

1347

00:49:50,150 --> 00:49:48,559

about spirituality we can talk about

1348

00:49:52,309 --> 00:49:50,160

you know life in general spiritual

1349

00:49:54,630 --> 00:49:52,319

aspects of what people are going through

1350

00:49:55,349 --> 00:49:54,640

um conspiracies all kinds of stuff you

1351

00:49:58,950 --> 00:49:55,359

know

1352

00:50:00,710 --> 00:49:58,960

to be diverse

1353

00:50:02,549 --> 00:50:00,720

you know but people love tara though i'm

1354

00:50:02,790 --> 00:50:02,559

not gonna lie a lot of my subscribers

1355

00:50:06,069 --> 00:50:02,800

are

1356

00:50:07,109 --> 00:50:06,079

taro so yeah i mentioned that i used to

1357

00:50:10,150 --> 00:50:07,119

read tarot cards

1358

00:50:12,309 --> 00:50:10,160

but yeah i did it after shows i did

1359

00:50:13,349 --> 00:50:12,319

these mentalism shows and i did it after

1360

00:50:15,829 --> 00:50:13,359

shows

1361

00:50:16,870 --> 00:50:15,839

and i cheated a lot with a cheat sheet

1362

00:50:18,710 --> 00:50:16,880

because

1363

00:50:20,470 --> 00:50:18,720

i just couldn't remember it was part of

1364

00:50:21,589 --> 00:50:20,480

the gig like you had to do the tarot

1365

00:50:23,430 --> 00:50:21,599

card readings

1366

00:50:24,870 --> 00:50:23,440

so i did like a stand-up show for the

1367

00:50:26,710 --> 00:50:24,880

audience and then afterwards

1368

00:50:29,270 --> 00:50:26,720

individually if people wanted readings i

1369

00:50:31,829 --> 00:50:29,280

would do the tarot card readings i

1370

00:50:33,109 --> 00:50:31,839

got to get back to uh practice of that

1371

00:50:34,630 --> 00:50:33,119

it's fun man

1372

00:50:36,470 --> 00:50:34,640

trying to figure out with a second

1373

00:50:37,510 --> 00:50:36,480

camera how to show the cards better

1374

00:50:39,430 --> 00:50:37,520

though if i'm doing

1375

00:50:41,190 --> 00:50:39,440

certain spreads or something for the

1376

00:50:43,349 --> 00:50:41,200

live show yeah

1377

00:50:45,349 --> 00:50:43,359

yeah maybe something we do in the future

1378

00:50:47,190 --> 00:50:45,359

or i may just have an expert like you

1379

00:50:48,549 --> 00:50:47,200

and then i don't have to worry about it

1380

00:50:50,390 --> 00:50:48,559

exactly why not

1381

00:50:52,870 --> 00:50:50,400

you're much better at she's much better

1382

00:50:54,549 --> 00:50:52,880

at this than me folks i guarantee it i

1383

00:50:57,030 --> 00:50:54,559

guarantee she's much better at this than

1384

00:51:04,390 --> 00:51:01,030

okay so okay i figured

1385

00:51:06,630 --> 00:51:04,400

so right now

1386

00:51:07,990 --> 00:51:06,640

with naomi and this issue that you're

1387

00:51:10,790 --> 00:51:08,000

going through with this person

1388

00:51:11,430 --> 00:51:10,800

i see that he wanted to cut you out or

1389

00:51:13,109 --> 00:51:11,440

there's some

1390

00:51:14,630 --> 00:51:13,119

issue here that wanted to cut somebody

1391

00:51:16,950 --> 00:51:14,640

out not wanting to

1392

00:51:18,309 --> 00:51:16,960

get along and communicate not having or

1393

00:51:19,750 --> 00:51:18,319

really having discernment making that

1394

00:51:21,349 --> 00:51:19,760

decision because they feel like

1395

00:51:23,190 --> 00:51:21,359

the situation isn't working that would

1396

00:51:26,390 --> 00:51:23,200

want them to i say what the queen

1397

00:51:28,390 --> 00:51:26,400

of wands in reverse too is that um

1398

00:51:30,069 --> 00:51:28,400

there is something that has been been

1399

00:51:30,470 --> 00:51:30,079

delayed from you or pushed back from you

1400

00:51:34,150 --> 00:51:30,480

or

1401

00:51:36,230 --> 00:51:34,160

situation and then i see it with the six

1402

00:51:37,990 --> 00:51:36,240

of swords in reverse like i don't see

1403

00:51:39,990 --> 00:51:38,000

that that he's gonna be walking away

1404

00:51:41,430 --> 00:51:40,000

from you anytime soon i feel like he's

1405

00:51:41,990 --> 00:51:41,440

gonna stay even though he wants to cut

1406

00:51:43,670 --> 00:51:42,000

you out

1407

00:51:44,790 --> 00:51:43,680

i feel like he's still gonna stay though

1408

00:51:46,790 --> 00:51:44,800

because he knows that there's something

1409

00:51:47,990 --> 00:51:46,800

with with you that is so fiery and

1410

00:51:49,349 --> 00:51:48,000

passionate the reason why i say that

1411

00:51:51,190 --> 00:51:49,359

because the fire car here

1412

00:51:52,630 --> 00:51:51,200

and then the balance force is here so

1413

00:51:54,470 --> 00:51:52,640

it's like you're ying and yang so you're

1414

00:51:55,910 --> 00:51:54,480

probably twin flames i wouldn't doubt it

1415

00:51:57,030 --> 00:51:55,920

um you probably are twin flames and

1416

00:51:58,230 --> 00:51:57,040

that's why you are going what you're

1417

00:51:59,190 --> 00:51:58,240

going through that's just how it is with

1418

00:52:02,390 --> 00:51:59,200

twin flames

1419

00:52:04,150 --> 00:52:02,400

uh it could be very intense situation

1420

00:52:06,390 --> 00:52:04,160

you know um because you guys are a lot

1421

00:52:09,670 --> 00:52:06,400

alike so um i feel like

1422

00:52:11,589 --> 00:52:09,680

take just take time breathe understand

1423

00:52:12,630 --> 00:52:11,599

what the issue is work on yourself i

1424

00:52:14,870 --> 00:52:12,640

cannot hesitate

1425

00:52:15,829 --> 00:52:14,880

i can't hesitate this enough with or say

1426

00:52:17,589 --> 00:52:15,839

this enough with

1427

00:52:19,270 --> 00:52:17,599

my my people i tell them all the time

1428

00:52:20,069 --> 00:52:19,280

when they ask questions you know work on

1429

00:52:29,910 --> 00:52:20,079

you

1430

00:52:31,349 --> 00:52:29,920

not going to work there's

1431

00:52:32,790 --> 00:52:31,359

a lot of imbalances you got to figure

1432

00:52:33,349 --> 00:52:32,800

out what the hell what what you're going

1433

00:52:36,390 --> 00:52:33,359

through

1434

00:52:37,910 --> 00:52:36,400

and then then you can really figure

1435

00:52:41,750 --> 00:52:37,920

things out

1436

00:52:43,910 --> 00:52:41,760

or do both so yeah

1437

00:52:46,549 --> 00:52:43,920

green i hope that gives her some help

1438

00:52:52,230 --> 00:52:46,559

relationships are rough

1439

00:52:57,270 --> 00:52:52,240

yep are you feeling it now mr krabs

1440

00:53:01,270 --> 00:52:57,280

great what a great uh chat room user id

1441

00:53:03,190 --> 00:53:01,280

seriously does that refer to crabs like

1442

00:53:05,270 --> 00:53:03,200

those kind of crabs i think they're

1443

00:53:05,750 --> 00:53:05,280

referring to like their sign maybe i

1444

00:53:08,069 --> 00:53:05,760

don't know

1445

00:53:08,870 --> 00:53:08,079

okay then they're cancer and they want

1446

00:53:11,349 --> 00:53:08,880

to know what

1447

00:53:12,230 --> 00:53:11,359

their future husband would be like i

1448

00:53:15,349 --> 00:53:12,240

always get those

1449

00:53:20,230 --> 00:53:15,359

those questions okay and i'm going to

1450

00:53:25,109 --> 00:53:21,990

if you are asking this question i

1451
00:53:27,109 --> 00:53:25,119
already know that

1452
00:53:28,470 --> 00:53:27,119
there's been a lot of ups and downs in

1453
00:53:29,910 --> 00:53:28,480
your life and also too

1454
00:53:31,670 --> 00:53:29,920
like with men that you're trying to

1455
00:53:32,790 --> 00:53:31,680
attract and i feel like now you're

1456
00:53:33,910 --> 00:53:32,800
trying to understand that things are

1457
00:53:35,190 --> 00:53:33,920
starting to open up now

1458
00:53:36,950 --> 00:53:35,200
you're trying to heal yourself you're

1459
00:53:39,589 --> 00:53:36,960
starting to work on yourself and

1460
00:53:40,150 --> 00:53:39,599
now i feel like you're ready to get in

1461
00:53:42,630 --> 00:53:40,160
this

1462
00:53:45,270 --> 00:53:42,640
the mingling situation with somebody and

1463
00:53:47,750 --> 00:53:45,280

just talk to them so i feel like

1464

00:53:49,750 --> 00:53:47,760

that that passion is firing up that's

1465

00:53:53,990 --> 00:53:49,760

just a quick message i got real quick

1466

00:53:54,000 --> 00:54:05,109

so let's see what the cards have to say

1467

00:54:08,150 --> 00:54:06,470

oh they're saying it's a famous

1468

00:54:11,109 --> 00:54:08,160

spongebob reference

1469

00:54:13,030 --> 00:54:11,119

okay all right i don't pay attention my

1470

00:54:13,589 --> 00:54:13,040

kids watch that and i zone out i just

1471

00:54:17,349 --> 00:54:13,599

like yeah

1472

00:54:18,790 --> 00:54:17,359

grabby patties yeah

1473

00:54:19,990 --> 00:54:18,800

the worst part when you have children is

1474

00:54:21,589 --> 00:54:20,000

when you realize you've been sitting

1475

00:54:22,470 --> 00:54:21,599

there watching spongebob for an hour and

1476
00:54:24,630 --> 00:54:22,480
a half

1477
00:54:26,549 --> 00:54:24,640
and the children left and went somewhere

1478
00:54:29,589 --> 00:54:26,559
else and then you go

1479
00:54:32,950 --> 00:54:29,599
why am i watching spongebob for an hour

1480
00:54:33,510 --> 00:54:32,960
and i didn't change it or turn it off oh

1481
00:54:35,829 --> 00:54:33,520
man

1482
00:54:39,349 --> 00:54:35,839
just sitting here and you're actually

1483
00:54:42,390 --> 00:54:39,359
the one into the show

1484
00:54:45,750 --> 00:54:42,400
all right nine of pentacles

1485
00:54:48,630 --> 00:54:45,760
this person is going to be very um

1486
00:54:49,829 --> 00:54:48,640
stable in their life um and i feel like

1487
00:54:54,630 --> 00:54:49,839
with the three of cups so

1488
00:54:59,349 --> 00:54:56,309

they're dealing with a lot with their

1489

00:55:01,030 --> 00:54:59,359

past relationship so this person i feel

1490

00:55:02,470 --> 00:55:01,040

has walked away from a toxic

1491

00:55:05,829 --> 00:55:02,480

relationship

1492

00:55:06,870 --> 00:55:05,839

and uh three of pentacles in reverse

1493

00:55:08,390 --> 00:55:06,880

yeah so there is a very

1494

00:55:10,230 --> 00:55:08,400

a lot of imbalances with the person that

1495

00:55:12,470 --> 00:55:10,240

you're going to meet in the future

1496

00:55:13,829 --> 00:55:12,480

um but i feel like this person is now

1497

00:55:15,589 --> 00:55:13,839

working on this house like

1498

00:55:16,870 --> 00:55:15,599

they're they're financially stable

1499

00:55:20,390 --> 00:55:16,880

they're they're more

1500

00:55:22,150 --> 00:55:20,400

um getting ready to you know

1501

00:55:23,589 --> 00:55:22,160

launch some type of like a business

1502

00:55:25,510 --> 00:55:23,599

possibly yeah

1503

00:55:27,190 --> 00:55:25,520

five of torches fire energy too so i'm

1504

00:55:29,270 --> 00:55:27,200

also getting that he's very competitive

1505

00:55:32,390 --> 00:55:29,280

and that this person is going to be very

1506

00:55:34,390 --> 00:55:32,400

um a go-getter so financially i think

1507

00:55:36,309 --> 00:55:34,400

this person is something that is going

1508

00:55:39,430 --> 00:55:36,319

to motivate you to push forward

1509

00:55:40,230 --> 00:55:39,440

um in your life if you cross paths with

1510

00:55:44,309 --> 00:55:40,240

this person

1511

00:55:47,430 --> 00:55:44,319

you

1512

00:55:50,470 --> 00:55:47,440

want

1513

00:55:52,390 --> 00:55:50,480

you know what i mean like you have to

1514

00:55:54,470 --> 00:55:52,400

because you can say want something right

1515

00:55:55,910 --> 00:55:54,480

now and then maybe like five years later

1516

00:55:59,589 --> 00:55:55,920

your taste in men will change

1517

00:56:00,230 --> 00:55:59,599

or woman whatever you gotta be careful

1518

00:56:03,670 --> 00:56:00,240

today

1519

00:56:06,309 --> 00:56:03,680

you know you know whatever

1520

00:56:07,190 --> 00:56:06,319

overall i feel like don't force this to

1521

00:56:09,349 --> 00:56:07,200

happen

1522

00:56:10,789 --> 00:56:09,359

because a choice will be made and this

1523

00:56:11,829 --> 00:56:10,799

person will come in to offer you that

1524

00:56:15,109 --> 00:56:11,839

love

1525

00:56:16,950 --> 00:56:15,119

um yeah and just be careful just just

1526

00:56:18,870 --> 00:56:16,960

focus on manifestation because

1527

00:56:20,309 --> 00:56:18,880

that's in your life so that you can move

1528

00:56:21,510 --> 00:56:20,319

the energy to flow forward

1529

00:56:22,870 --> 00:56:21,520

so it's telling me you need to work on

1530

00:56:23,750 --> 00:56:22,880

yourself more so that this person could

1531

00:56:25,589 --> 00:56:23,760

come in

1532

00:56:27,750 --> 00:56:25,599

and that's all great i hope that helped

1533

00:56:30,069 --> 00:56:27,760

you

1534

00:56:31,589 --> 00:56:30,079

okay i know we had somebody i'm having

1535

00:56:35,750 --> 00:56:31,599

trouble finding it now

1536

00:56:38,150 --> 00:56:35,760

oh hold on one second here

1537

00:56:40,230 --> 00:56:38,160

you're like rapid fire doing this too

1538

00:56:40,789 --> 00:56:40,240

yeah i'm used to it because i always go

1539

00:56:42,630 --> 00:56:40,799

on live

1540

00:56:44,549 --> 00:56:42,640

oh you're going live and do this yeah on

1541

00:56:46,950 --> 00:56:44,559

your channel right yeah and i put

1542

00:56:47,990 --> 00:56:46,960

steph's channel in the live chat it

1543

00:56:50,630 --> 00:56:48,000

would be great if you guys

1544

00:56:51,270 --> 00:56:50,640

all go over and subscribe yeah so rogue

1545

00:56:53,910 --> 00:56:51,280

status

1546

00:56:54,470 --> 00:56:53,920

is a virgo and wants to know if his

1547

00:57:00,390 --> 00:56:54,480

latest

1548

00:57:06,549 --> 00:57:03,510

i feel that with this situation

1549

00:57:08,870 --> 00:57:06,559

is that there's a lot of nervousness and

1550

00:57:11,990 --> 00:57:08,880

you're afraid that you're gonna

1551

00:57:14,069 --> 00:57:12,000

you're gonna mess it up and that

1552

00:57:15,349 --> 00:57:14,079

is dealt with the confidence issue there

1553

00:57:18,390 --> 00:57:15,359

needs to you need to have more

1554

00:57:28,870 --> 00:57:22,470

in this situation um but we'll see

1555

00:57:32,390 --> 00:57:29,990

yeah you're very analytical you look at

1556

00:57:35,589 --> 00:57:32,400

the small details of everything

1557

00:57:37,589 --> 00:57:35,599

you're too much in the mind you gotta

1558

00:57:42,789 --> 00:57:37,599

let this energy flow through you

1559

00:57:47,109 --> 00:57:42,799

you know of wands i feel like you feel

1560

00:57:50,150 --> 00:57:48,870

not hopelessness i don't want to say

1561

00:57:51,910 --> 00:57:50,160

this but

1562

00:57:53,190 --> 00:57:51,920

you're allowing your guard to come down

1563

00:57:55,030 --> 00:57:53,200

and be willing to accept

1564

00:57:56,950 --> 00:57:55,040

what is there for you though that's for

1565

00:57:57,589 --> 00:57:56,960

sure i feel like you're more open to

1566

00:58:01,589 --> 00:57:57,599

that

1567

00:58:03,750 --> 00:58:01,599

be cutting things from

1568

00:58:04,710 --> 00:58:03,760

around you in the past i also feel like

1569

00:58:05,910 --> 00:58:04,720

there's something that you've been

1570

00:58:07,349 --> 00:58:05,920

holding on from the past

1571

00:58:08,950 --> 00:58:07,359

king of swords and reversals something

1572

00:58:10,630 --> 00:58:08,960

you're not cutting out could be the way

1573

00:58:13,030 --> 00:58:10,640

that you're thinking too

1574

00:58:15,030 --> 00:58:13,040

um that needs to change yeah there's

1575

00:58:18,230 --> 00:58:15,040

some there's

1576
00:58:19,990 --> 00:58:18,240
three i'm sorry queen of cups in reverse

1577
00:58:21,910 --> 00:58:20,000
again uh there's somebody that's not

1578
00:58:23,190 --> 00:58:21,920
speaking to you or this job opportunity

1579
00:58:23,910 --> 00:58:23,200
about giving you the answers that you

1580
00:58:26,950 --> 00:58:23,920
want

1581
00:58:28,630 --> 00:58:26,960
i think you need to hold on um be

1582
00:58:30,549 --> 00:58:28,640
careful don't walk away from this

1583
00:58:32,630 --> 00:58:30,559
yet i feel like you're wanting to walk

1584
00:58:35,190 --> 00:58:32,640
away with a queen of swords

1585
00:58:36,470 --> 00:58:35,200
and just cut it out you're like whatever

1586
00:58:37,589 --> 00:58:36,480
i'm gonna move on to the next thing

1587
00:58:40,870 --> 00:58:37,599
don't do that

1588
00:58:43,990 --> 00:58:40,880

just be patient patience friend

1589

00:58:59,829 --> 00:58:44,000

um let's see oracle

1590

00:59:02,950 --> 00:59:01,510

stepping through yeah you're just going

1591

00:59:04,549 --> 00:59:02,960

with the motion of everything

1592

00:59:06,549 --> 00:59:04,559

you're pushing you're just taking your

1593

00:59:07,510 --> 00:59:06,559

time with it too so it's also you just

1594

00:59:10,549 --> 00:59:07,520

take your time

1595

00:59:11,430 --> 00:59:10,559

let it come to you this opportunity can

1596

00:59:15,510 --> 00:59:11,440

work well

1597

00:59:17,510 --> 00:59:15,520

if you let go so step through

1598

00:59:19,510 --> 00:59:17,520

step through with confidence push

1599

00:59:21,910 --> 00:59:19,520

forward eye on the prize

1600

00:59:23,030 --> 00:59:21,920

have that confidence i hope that helped

1601
00:59:32,390 --> 00:59:23,040
you

1602
00:59:33,990 --> 00:59:32,400
yeah i mean it's it's um it's general or

1603
00:59:36,710 --> 00:59:34,000
sometimes some people come with

1604
00:59:38,789 --> 00:59:36,720
some very very specific questions and

1605
00:59:41,750 --> 00:59:38,799
then sometimes i'll take out my pendulum

1606
00:59:42,630 --> 00:59:41,760
and if it's like a yes or no um i'll

1607
00:59:44,950 --> 00:59:42,640
pull that out and

1608
00:59:46,789 --> 00:59:44,960
and that too saves time so just because

1609
00:59:47,349 --> 00:59:46,799
there will be a lot of people that come

1610
00:59:49,349 --> 00:59:47,359
in

1611
00:59:51,190 --> 00:59:49,359
and sometimes like i can only take so

1612
00:59:53,030 --> 00:59:51,200
much i will be on here literally for

1613
00:59:54,549 --> 00:59:53,040

as long as i've been on here almost four

1614

00:59:57,270 --> 00:59:54,559

hours reading

1615

00:59:58,549 --> 00:59:57,280

just in the zone you know um yeah once

1616

01:00:00,789 --> 00:59:58,559

you get in that zone right

1617

01:00:02,069 --> 01:00:00,799

you just can't break it it's hard you're

1618

01:00:03,750 --> 01:00:02,079

like okay the times

1619

01:00:05,349 --> 01:00:03,760

all right i gotta stop you guys

1620

01:00:07,030 --> 01:00:05,359

whoever's left over i'm sorry

1621

01:00:08,230 --> 01:00:07,040

join my next one yeah oh i don't want to

1622

01:00:09,270 --> 01:00:08,240

keep you too long we're not gonna go

1623

01:00:11,430 --> 01:00:09,280

much longer no

1624

01:00:13,030 --> 01:00:11,440

i really i'm sure introduce people to

1625

01:00:14,470 --> 01:00:13,040

your channel yeah for sure

1626

01:00:16,069 --> 01:00:14,480

and try to help you get some more

1627

01:00:17,829 --> 01:00:16,079

subscribers because i think that what

1628

01:00:21,430 --> 01:00:17,839

you do is

1629

01:00:23,589 --> 01:00:21,440

is impressive like i i uh

1630

01:00:24,470 --> 01:00:23,599

you know have this decision i had to

1631

01:00:27,510 --> 01:00:24,480

make and uh

1632

01:00:30,069 --> 01:00:27,520

i didn't tell you a lot of things i just

1633

01:00:31,030 --> 01:00:30,079

asked a general question about something

1634

01:00:33,910 --> 01:00:31,040

and uh

1635

01:00:35,510 --> 01:00:33,920

the detail that you told me even things

1636

01:00:36,549 --> 01:00:35,520

that i was thinking about and i didn't

1637

01:00:39,910 --> 01:00:36,559

tell you any of that

1638

01:00:42,230 --> 01:00:39,920

was impressive to me yeah it's um

1639

01:00:43,510 --> 01:00:42,240

i like to also say that because i did

1640

01:00:44,150 --> 01:00:43,520

there's this like thing where you can

1641

01:00:46,069 --> 01:00:44,160

actually

1642

01:00:47,430 --> 01:00:46,079

there's like four types of wars right so

1643

01:00:48,870 --> 01:00:47,440

i like to go based off of that too

1644

01:00:52,230 --> 01:00:48,880

because it explains a lot about

1645

01:00:54,950 --> 01:00:52,240

the type of aura that you have and um

1646

01:00:56,870 --> 01:00:54,960

there's a generator there's a manifester

1647

01:01:00,470 --> 01:00:56,880

there's um

1648

01:01:01,430 --> 01:01:00,480

the reflector and then i forgot the

1649

01:01:04,870 --> 01:01:01,440

other one

1650

01:01:05,670 --> 01:01:04,880

i think it's um i can't remember right

1651

01:01:07,910 --> 01:01:05,680

now but

1652

01:01:09,910 --> 01:01:07,920

that one specifically like is like one

1653

01:01:10,710 --> 01:01:09,920

percent is the type of aura where you

1654

01:01:13,190 --> 01:01:10,720

can sample

1655

01:01:15,109 --> 01:01:13,200

everyone's energy and you learn to like

1656

01:01:18,470 --> 01:01:15,119

block yourself from it right

1657

01:01:20,630 --> 01:01:18,480

um it's really crazy um thing

1658

01:01:22,549 --> 01:01:20,640

of that and so like that explains a lot

1659

01:01:23,829 --> 01:01:22,559

with me so i'm able to sample people's

1660

01:01:26,150 --> 01:01:23,839

energy and i cannot

1661

01:01:27,190 --> 01:01:26,160

unlock that and i see what's going on

1662

01:01:28,950 --> 01:01:27,200

with stagnant

1663

01:01:30,630 --> 01:01:28,960

and then i just kind of like tell them

1664

01:01:31,030 --> 01:01:30,640

through tarot i really don't need tarot

1665

01:01:33,190 --> 01:01:31,040

really

1666

01:01:34,309 --> 01:01:33,200

i just do it for people so that they can

1667

01:01:36,549 --> 01:01:34,319

see something you know

1668

01:01:37,829 --> 01:01:36,559

so that's interesting and you do private

1669

01:01:40,710 --> 01:01:37,839

readings for people off

1670

01:01:42,710 --> 01:01:40,720

here right so so that but people can

1671

01:01:44,870 --> 01:01:42,720

contact you through your channel

1672

01:01:47,030 --> 01:01:44,880

yeah to get in touch with you in order

1673

01:01:47,829 --> 01:01:47,040

to get like a more detailed reading

1674

01:01:51,190 --> 01:01:47,839

right

1675

01:01:54,789 --> 01:01:51,200

yeah they can contact me through my um

1676

01:01:57,910 --> 01:01:54,799

my instagram um twitter

1677

01:01:59,510 --> 01:01:57,920

um and then my email um you know if you

1678

01:02:01,109 --> 01:01:59,520

really want to really reach me i'll

1679

01:02:01,990 --> 01:02:01,119

definitely answer my emails i'm always

1680

01:02:03,829 --> 01:02:02,000

on my emails so

1681

01:02:05,349 --> 01:02:03,839

do you want to give your email address

1682

01:02:07,670 --> 01:02:05,359

yeah go ahead

1683

01:02:09,270 --> 01:02:07,680

you want to type it in in the chat no no

1684

01:02:13,589 --> 01:02:09,280

you can just say it okay

1685

01:02:16,390 --> 01:02:13,599

um it's stephanie willowy.com

1686

01:02:16,950 --> 01:02:16,400

um and just email me and i will email

1687

01:02:19,990 --> 01:02:16,960

you back

1688

01:02:21,990 --> 01:02:20,000

and then we'll schedule

1689

01:02:23,349 --> 01:02:22,000

i'll put that in the live chat as well

1690

01:02:25,190 --> 01:02:23,359

so that people can just

1691

01:02:26,630 --> 01:02:25,200

get it from the live chat it's important

1692

01:02:28,069 --> 01:02:26,640

that people be able to contact you

1693

01:02:29,510 --> 01:02:28,079

you're doing this it's very nice thing

1694

01:02:31,910 --> 01:02:29,520

that you're doing here

1695

01:02:34,630 --> 01:02:31,920

yeah come and introduce our audience

1696

01:02:37,190 --> 01:02:34,640

here to some of your uh

1697

01:02:38,950 --> 01:02:37,200

pretty amazing readings everybody well

1698

01:02:39,670 --> 01:02:38,960

rogue status said you nailed it thank

1699

01:02:41,029 --> 01:02:39,680

her for me

1700

01:02:44,069 --> 01:02:41,039

everybody that got to read it tonight

1701

01:02:47,109 --> 01:02:44,079

was very was very positive about

1702

01:02:50,630 --> 01:02:47,119

uh your reading there

1703

01:02:51,190 --> 01:02:50,640

thank you copy your email address into

1704

01:02:53,750 --> 01:02:51,200

the live

1705

01:02:55,750 --> 01:02:53,760

chat yeah so that people can contact you

1706

01:02:58,789 --> 01:02:55,760

for private reading otherwise

1707

01:02:59,349 --> 01:02:58,799

you can get uh you do these general

1708

01:03:02,390 --> 01:02:59,359

readings

1709

01:03:05,510 --> 01:03:02,400

every month right for each uh sign

1710

01:03:06,789 --> 01:03:05,520

right yeah so i'll go in and i will read

1711

01:03:09,029 --> 01:03:06,799

the energies of the

1712

01:03:09,910 --> 01:03:09,039

collective of that particular sign and

1713

01:03:11,589 --> 01:03:09,920

then

1714

01:03:14,230 --> 01:03:11,599

um you know i'll tell you insights

1715

01:03:16,390 --> 01:03:14,240

what's coming up what's been going on

1716

01:03:17,829 --> 01:03:16,400

how you can work through that um you

1717

01:03:18,870 --> 01:03:17,839

know because my readings are very unique

1718

01:03:22,309 --> 01:03:18,880

like i just don't

1719

01:03:23,670 --> 01:03:22,319

um i just don't do tarot with my

1720

01:03:25,430 --> 01:03:23,680

personal readings that i have with my

1721

01:03:27,750 --> 01:03:25,440

clients like i go in deep

1722

01:03:29,349 --> 01:03:27,760

so i loo i use life coaching with it so

1723

01:03:30,789 --> 01:03:29,359

i like to call it intuitive coaching

1724

01:03:31,670 --> 01:03:30,799

instead of like oh get tar readings for

1725

01:03:34,470 --> 01:03:31,680

me so i guess

1726

01:03:36,069 --> 01:03:34,480

that's what stands me um different than

1727

01:03:37,349 --> 01:03:36,079

most tarot readers is that i don't call

1728

01:03:38,870 --> 01:03:37,359

it tarot i call it

1729

01:03:40,470 --> 01:03:38,880

you know intuitive coaching because we

1730

01:03:41,349 --> 01:03:40,480

really go deep into it so we can heal

1731

01:03:44,390 --> 01:03:41,359

you

1732

01:03:45,589 --> 01:03:44,400

so yeah and we had brad gray uh i'm

1733

01:03:48,470 --> 01:03:45,599

trying to find

1734

01:03:49,750 --> 01:03:48,480

brad gray put your uh put your birth

1735

01:03:53,190 --> 01:03:49,760

sign again

1736

01:03:58,150 --> 01:03:55,190

i think he wanted a general reading just

1737

01:04:01,349 --> 01:03:58,160

for telling me something about myself

1738

01:04:03,349 --> 01:04:01,359

what's what's this um cancer a lot of

1739

01:04:06,150 --> 01:04:03,359

cancers in here today and capricorns

1740

01:04:06,950 --> 01:04:06,160

i feel like burgers earth signs and

1741

01:04:10,789 --> 01:04:06,960

water

1742

01:04:12,549 --> 01:04:10,799

okay what is going on and his question

1743

01:04:14,230 --> 01:04:12,559

was tell me something about myself

1744

01:04:18,789 --> 01:04:14,240

that's pretty general

1745

01:04:22,069 --> 01:04:18,799

100 oh

1746

01:04:24,069 --> 01:04:22,079

it seems like you walked away from

1747

01:04:25,430 --> 01:04:24,079

a relationship or someone walked away

1748

01:04:28,870 --> 01:04:25,440

from you with eight of cups

1749

01:04:30,710 --> 01:04:28,880

now the lovers here and the two of cups

1750

01:04:33,109 --> 01:04:30,720

so this is something you've been dealing

1751

01:04:34,390 --> 01:04:33,119

with um you know you walked away or this

1752

01:04:35,990 --> 01:04:34,400

person walked away from you because you

1753

01:04:36,950 --> 01:04:36,000

saw the illusion or this person the

1754

01:04:38,549 --> 01:04:36,960

illusion

1755

01:04:40,950 --> 01:04:38,559

about who you are or who this person is

1756

01:04:43,349 --> 01:04:40,960

without seven of cups so this is usually

1757

01:04:44,710 --> 01:04:43,359

a cup of like either really imagining

1758

01:04:45,589 --> 01:04:44,720

and seeing your options looking at what

1759

01:04:47,670 --> 01:04:45,599

what's there for you

1760

01:04:49,510 --> 01:04:47,680

and also symbolizes two like illusions

1761

01:04:51,190 --> 01:04:49,520

that are in front of you that

1762

01:04:52,870 --> 01:04:51,200

you know you need to see but you can't

1763

01:04:55,750 --> 01:04:52,880

because there's a veil so i feel like

1764

01:04:57,349 --> 01:04:55,760

the veil got lifted for this person and

1765

01:04:58,630 --> 01:04:57,359

this person is now seeing clearly or

1766

01:05:00,390 --> 01:04:58,640

that other person is

1767

01:05:02,230 --> 01:05:00,400

and that's okay when things don't work

1768

01:05:04,069 --> 01:05:02,240

and you walk away it doesn't mean it's

1769

01:05:05,589 --> 01:05:04,079

like a bad thing it means okay like

1770

01:05:07,670 --> 01:05:05,599

you know you learned your lesson with

1771

01:05:09,750 --> 01:05:07,680

this individual and it's time to

1772

01:05:10,789 --> 01:05:09,760

heal and walk away and and do the inner

1773

01:05:12,069 --> 01:05:10,799

work and then

1774

01:05:13,589 --> 01:05:12,079

eventually someone else will come on

1775

01:05:14,309 --> 01:05:13,599

that will resonate with your vibration

1776

01:05:17,829 --> 01:05:14,319

and that's

1777

01:05:21,589 --> 01:05:17,839

what it is you know um that's how it is

1778

01:05:39,829 --> 01:05:21,599

and then we'll quickly pick a

1779

01:05:39,839 --> 01:05:43,990

well uh trust your innocence

1780

01:05:47,029 --> 01:05:46,150

so trust your intuition your intuition

1781

01:05:48,829 --> 01:05:47,039

was spot on

1782

01:05:50,230 --> 01:05:48,839

about the situation that you're dealing

1783

01:05:53,430 --> 01:05:50,240

with

1784

01:05:55,029 --> 01:05:53,440

so you use your intuition more all right

1785

01:05:56,630 --> 01:05:55,039

you can use it more because it doesn't

1786

01:05:59,670 --> 01:05:56,640

doesn't fail you ever

1787

01:06:00,390 --> 01:05:59,680

when you connect to that it's like you

1788

01:06:01,910 --> 01:06:00,400

know

1789

01:06:04,069 --> 01:06:01,920

you'll see things a lot clearer in your

1790

01:06:05,029 --> 01:06:04,079

life and you'll make better decisions so

1791

01:06:07,109 --> 01:06:05,039

yeah

1792

01:06:09,589 --> 01:06:07,119

hope that helped now we have a question

1793

01:06:11,990 --> 01:06:09,599

and i just want to caution because

1794

01:06:13,029 --> 01:06:12,000

uh jeanette is asking for reading but

1795

01:06:15,190 --> 01:06:13,039

she's saying

1796

01:06:16,710 --> 01:06:15,200

i'm a leo i'm sick what do you think it

1797

01:06:18,069 --> 01:06:16,720

is and i just want to caution people

1798

01:06:20,470 --> 01:06:18,079

that you know

1799

01:06:21,430 --> 01:06:20,480

a tarot card reader is not a medical

1800

01:06:23,829 --> 01:06:21,440

professional

1801
01:06:24,549 --> 01:06:23,839
so maybe that's not a good question yeah

1802
01:06:26,630 --> 01:06:24,559
but if you

1803
01:06:28,230 --> 01:06:26,640
yeah right it's not because it's not a

1804
01:06:30,069 --> 01:06:28,240
question that you would even

1805
01:06:31,430 --> 01:06:30,079
you can't if somebody comes to you with

1806
01:06:31,990 --> 01:06:31,440
them here's here's why i think

1807
01:06:35,510 --> 01:06:32,000
stephanie's

1808
01:06:36,950 --> 01:06:35,520
at ethical because some people that do

1809
01:06:39,589 --> 01:06:36,960
what you do they'll answer

1810
01:06:40,710 --> 01:06:39,599
these kind of questions or give people

1811
01:06:43,750 --> 01:06:40,720
medical advice

1812
01:06:44,549 --> 01:06:43,760
or advice on a you know mental illness

1813
01:06:46,150 --> 01:06:44,559

that they're

1814

01:06:47,589 --> 01:06:46,160

currently going through and i don't

1815

01:06:49,589 --> 01:06:47,599

think that that's a very good thing to

1816

01:06:51,190 --> 01:06:49,599

do you don't go to a psychic or a tarot

1817

01:06:54,390 --> 01:06:51,200

card reader for medical advice

1818

01:06:57,190 --> 01:06:54,400

right well that's what one of the um um

1819

01:06:58,549 --> 01:06:57,200

jc he has a territory that i sometimes

1820

01:06:59,190 --> 01:06:58,559

ask questions to her too because she'll

1821

01:07:02,230 --> 01:06:59,200

do the same

1822

01:07:04,069 --> 01:07:02,240

over there um and she'll answer like

1823

01:07:05,829 --> 01:07:04,079

medical questions and i'm like um i

1824

01:07:06,630 --> 01:07:05,839

don't know about that like that's a

1825

01:07:07,829 --> 01:07:06,640

little

1826

01:07:09,029 --> 01:07:07,839

you don't want to do that you know what

1827

01:07:09,910 --> 01:07:09,039

i mean because you're not a medical

1828

01:07:12,069 --> 01:07:09,920

student

1829

01:07:13,430 --> 01:07:12,079

say what's going on i don't know what

1830

01:07:13,990 --> 01:07:13,440

you say about energy this not on the

1831

01:07:15,829 --> 01:07:14,000

other no

1832

01:07:17,510 --> 01:07:15,839

you really don't know jeanette so

1833

01:07:19,190 --> 01:07:17,520

jeanette says she understands so yeah if

1834

01:07:20,549 --> 01:07:19,200

you want to ask a different question

1835

01:07:22,789 --> 01:07:20,559

and then we'll be wrapping up here

1836

01:07:24,390 --> 01:07:22,799

shortly so yeah jeanette if you want to

1837

01:07:24,870 --> 01:07:24,400

ask a different question that would be

1838

01:07:26,789 --> 01:07:24,880

fine

1839

01:07:28,870 --> 01:07:26,799

i just don't you know i didn't think

1840

01:07:31,029 --> 01:07:28,880

that you would answer a medical question

1841

01:07:34,230 --> 01:07:31,039

but i wanted to be sure and you're right

1842

01:07:37,430 --> 01:07:34,240

i know that channel and like

1843

01:07:40,069 --> 01:07:37,440

boy he's got some numbers on there

1844

01:07:40,630 --> 01:07:40,079

there is some nutters and i'm friends

1845

01:07:43,910 --> 01:07:40,640

you know

1846

01:07:44,950 --> 01:07:43,920

i i don't know for friends for the first

1847

01:07:48,710 --> 01:07:44,960

time

1848

01:07:50,630 --> 01:07:48,720

you commented on um what's her name

1849

01:07:51,829 --> 01:07:50,640

that's not um carrie cassidy you

1850

01:07:54,069 --> 01:07:51,839

commented on her thing

1851
01:07:55,589 --> 01:07:54,079
on the when he had the interview and i

1852
01:07:56,870 --> 01:07:55,599
saw you in the chat i was like what and

1853
01:07:57,670 --> 01:07:56,880
you're like yeah come over to my channel

1854
01:07:59,190 --> 01:07:57,680
if you want to know the truth or

1855
01:08:00,549 --> 01:07:59,200
whatever

1856
01:08:02,789 --> 01:08:00,559
all right i'm gonna click on that and so

1857
01:08:04,230 --> 01:08:02,799
i clicked on it and then i i enjoyed

1858
01:08:06,470 --> 01:08:04,240
your your content because

1859
01:08:07,510 --> 01:08:06,480
i like how you really say the truth you

1860
01:08:09,829 --> 01:08:07,520
know what i mean you're like wait a

1861
01:08:10,710 --> 01:08:09,839
minute we try and if i don't know i say

1862
01:08:12,789 --> 01:08:10,720
i don't know

1863
01:08:15,029 --> 01:08:12,799

you know lately we've been getting into

1864

01:08:18,309 --> 01:08:15,039

some more esoteric stuff like

1865

01:08:19,189 --> 01:08:18,319

reptilian alien overlord abductee

1866

01:08:22,630 --> 01:08:19,199

victims and

1867

01:08:24,630 --> 01:08:22,640

you know i'm open to like letting people

1868

01:08:26,390 --> 01:08:24,640

share their stories but i don't know if

1869

01:08:28,229 --> 01:08:26,400

that guy's telling the truth like

1870

01:08:29,430 --> 01:08:28,239

because he doesn't have any evidence you

1871

01:08:34,870 --> 01:08:29,440

know so yeah

1872

01:08:38,070 --> 01:08:37,590

use their discernment i hate yes i hate

1873

01:08:40,870 --> 01:08:38,080

that because

1874

01:08:41,990 --> 01:08:40,880

yes most of the people who say use your

1875

01:08:45,349 --> 01:08:42,000

discernment it's a cop

1876

01:08:46,070 --> 01:08:45,359

out like their shows where show hosts

1877

01:08:48,870 --> 01:08:46,080

will say that

1878

01:08:49,430 --> 01:08:48,880

knowing that they have a yeah oh so

1879

01:08:52,870 --> 01:08:49,440

jeanette

1880

01:08:54,550 --> 01:08:52,880

is is leo

1881

01:08:56,149 --> 01:08:54,560

and she doesn't want to ask a medical

1882

01:09:02,550 --> 01:08:56,159

question just a general reading

1883

01:09:06,309 --> 01:09:04,390

yeah and if you guys enjoyed this let me

1884

01:09:07,269 --> 01:09:06,319

know and we'll try to twist her arm into

1885

01:09:09,590 --> 01:09:07,279

coming back

1886

01:09:11,269 --> 01:09:09,600

yeah okay she could do as far as i'm

1887

01:09:12,470 --> 01:09:11,279

concerned she could do twice a week for

1888

01:09:16,229 --> 01:09:12,480

the next three years

1889

01:09:18,950 --> 01:09:16,239

right why not

1890

01:09:20,070 --> 01:09:18,960

why not it's fun i gotta interact with

1891

01:09:23,349 --> 01:09:20,080

you know you guys

1892

01:09:24,630 --> 01:09:23,359

on on his channel and it's cool

1893

01:09:25,990 --> 01:09:24,640

you know you guys get to see me in

1894

01:09:27,189 --> 01:09:26,000

person because i know i interact with

1895

01:09:27,749 --> 01:09:27,199

people in the chat too so they're

1896

01:09:31,189 --> 01:09:27,759

probably like oh

1897

01:09:33,110 --> 01:09:31,199

yeah yeah that's an audience member here

1898

01:09:36,630 --> 01:09:33,120

a lot and in the live chat so

1899

01:09:37,189 --> 01:09:36,640

it was good to get to connect a face to

1900

01:09:39,110 --> 01:09:37,199

the name

1901

01:09:40,309 --> 01:09:39,120

and everything and and get to know you a

1902

01:09:43,030 --> 01:09:40,319

little better

1903

01:09:44,950 --> 01:09:43,040

exactly typing to me is very impersonal

1904

01:09:45,669 --> 01:09:44,960

though i spent my entire life chatting

1905

01:09:48,789 --> 01:09:45,679

online

1906

01:09:50,870 --> 01:09:48,799

like right even before the internet i

1907

01:09:52,870 --> 01:09:50,880

was on irc before people knew that you

1908

01:09:54,950 --> 01:09:52,880

could chat on a computer to other people

1909

01:09:56,709 --> 01:09:54,960

in other parts of the country

1910

01:09:58,550 --> 01:09:56,719

that's that's one thing too other parts

1911

01:10:00,709 --> 01:09:58,560

of the country

1912

01:10:02,870 --> 01:10:00,719

you meet some people uh i used to be on

1913

01:10:05,510 --> 01:10:02,880

anchor and anchor used to have like this

1914

01:10:06,950 --> 01:10:05,520

um because they're a podcast app and so

1915

01:10:07,990 --> 01:10:06,960

but you can connect to people around the

1916

01:10:09,669 --> 01:10:08,000

world and so like

1917

01:10:11,189 --> 01:10:09,679

depending you'll pick a topic and some

1918

01:10:12,390 --> 01:10:11,199

will pick the same topic and you guys

1919

01:10:14,070 --> 01:10:12,400

link together and

1920

01:10:15,189 --> 01:10:14,080

you you discuss on like what they think

1921

01:10:16,950 --> 01:10:15,199

and they're like literally on the other

1922

01:10:19,990 --> 01:10:16,960

side of the world and you're like oh wow

1923

01:10:22,709 --> 01:10:20,000

so crazy you know yeah

1924

01:10:24,310 --> 01:10:22,719

yeah we're much i think the internet has

1925

01:10:26,790 --> 01:10:24,320

made the world much smaller

1926

01:10:28,830 --> 01:10:26,800

you know like i talked to a friend who's

1927

01:10:31,510 --> 01:10:28,840

living in china right now

1928

01:10:37,030 --> 01:10:31,520

wow

1929

01:10:43,669 --> 01:10:40,950

okay so jeanette i see right now

1930

01:10:44,229 --> 01:10:43,679

that you know there was a disappointment

1931

01:10:47,189 --> 01:10:44,239

around

1932

01:10:48,870 --> 01:10:47,199

you with possibly a relationship or a

1933

01:10:51,830 --> 01:10:48,880

situation from the past

1934

01:10:53,430 --> 01:10:51,840

that you were dealing with um and i see

1935

01:10:53,830 --> 01:10:53,440

that the devil is reversed so i see that

1936

01:10:57,110 --> 01:10:53,840

there's

1937

01:10:58,709 --> 01:10:57,120

this past relationship

1938

01:11:00,630 --> 01:10:58,719

there was like false hope or the

1939

01:11:01,430 --> 01:11:00,640

situation was like not what you thought

1940

01:11:03,510 --> 01:11:01,440

it was

1941

01:11:05,830 --> 01:11:03,520

um because there's a lot of toxicity in

1942

01:11:07,910 --> 01:11:05,840

that relationship or in that situation

1943

01:11:09,430 --> 01:11:07,920

it could be a job situation as well um

1944

01:11:10,630 --> 01:11:09,440

but you knew that the situation wasn't

1945

01:11:13,830 --> 01:11:10,640

going to work for you and

1946

01:11:16,790 --> 01:11:13,840

you decided to um end that or it was

1947

01:11:18,470 --> 01:11:16,800

it came down to an end um i also see the

1948

01:11:21,590 --> 01:11:18,480

chariot in reverse so

1949

01:11:22,470 --> 01:11:21,600

um things are not moving the way that

1950

01:11:25,430 --> 01:11:22,480

you thought

1951

01:11:26,950 --> 01:11:25,440

so things are at a standstill also there

1952

01:11:28,070 --> 01:11:26,960

could be a lot of imbalances that you're

1953

01:11:29,590 --> 01:11:28,080

experiencing

1954

01:11:31,430 --> 01:11:29,600

because it's the yang and yang energy

1955

01:11:34,470 --> 01:11:31,440

that's what i'm receiving from this card

1956

01:11:38,390 --> 01:11:34,480

so there are imbalances in the body

1957

01:11:40,149 --> 01:11:38,400

that um you know that are are blocked so

1958

01:11:42,630 --> 01:11:40,159

you need to figure out your chakra

1959

01:11:45,270 --> 01:11:42,640

system and possibly go to a reiki healer

1960

01:11:46,470 --> 01:11:45,280

is what i'm getting to unblock yourself

1961

01:11:48,070 --> 01:11:46,480

from those

1962

01:11:49,430 --> 01:11:48,080

energies because i can't talk about

1963

01:11:51,189 --> 01:11:49,440

energy for sure i can tell you what

1964

01:11:52,870 --> 01:11:51,199

chakra is blocked but i cannot give you

1965

01:11:53,750 --> 01:11:52,880

medical advice because i'm not a medical

1966

01:11:56,070 --> 01:11:53,760

doctor

1967

01:11:57,350 --> 01:11:56,080

so i can do that but i can say that

1968

01:12:00,630 --> 01:11:57,360

energetically there is

1969

01:12:03,510 --> 01:12:00,640

blockages that you need to um unleash

1970

01:12:04,310 --> 01:12:03,520

um which is your heart chakra your solar

1971

01:12:06,709 --> 01:12:04,320

plexus

1972

01:12:08,470 --> 01:12:06,719

your root you need to unlock those also

1973

01:12:09,270 --> 01:12:08,480

too you need to unlock your crown chakra

1974

01:12:13,430 --> 01:12:09,280

as well

1975

01:12:15,750 --> 01:12:13,440

um so we have and the third eye free

1976

01:12:16,950 --> 01:12:15,760

yeah you have a lot blocks freedom is

1977

01:12:18,870 --> 01:12:16,960

the car that you're

1978

01:12:19,910 --> 01:12:18,880

receiving so you want freedom from the

1979

01:12:20,390 --> 01:12:19,920

things that have been going on in your

1980

01:12:22,390 --> 01:12:20,400

life

1981

01:12:24,229 --> 01:12:22,400

there's a lot of a lot of toxicities

1982

01:12:26,310 --> 01:12:24,239

around you you need to cut out

1983

01:12:28,470 --> 01:12:26,320

um you know to better yourself so you do

1984

01:12:30,310 --> 01:12:28,480

don't have disease in the body right

1985

01:12:32,070 --> 01:12:30,320

so you're seeking freedom and that's

1986

01:12:34,390 --> 01:12:32,080

what you will get as soon as you start

1987

01:12:35,590 --> 01:12:34,400

working on yourself okay i said we're

1988

01:12:38,229 --> 01:12:35,600

gonna wrap it up but somebody asked

1989

01:12:40,149 --> 01:12:38,239

really nice in the facebook

1990

01:12:41,990 --> 01:12:40,159

if you don't mind yeah we'll wrap up

1991

01:12:43,910 --> 01:12:42,000

after this so say jane watching on

1992

01:12:46,630 --> 01:12:43,920

facebook would like to know

1993

01:12:47,910 --> 01:12:46,640

um i am cancer and the question is will

1994

01:12:51,590 --> 01:12:47,920

the real estate home

1995

01:12:54,470 --> 01:12:51,600

property i want come to me

1996

01:12:54,950 --> 01:12:54,480

there's stagnation um i'm getting i like

1997

01:12:57,510 --> 01:12:54,960

i see

1998

01:12:58,790 --> 01:12:57,520

like there's some delay or something

1999

01:13:00,630 --> 01:12:58,800

blocking it

2000

01:13:01,910 --> 01:13:00,640

and that that is what you're you're

2001
01:13:02,630 --> 01:13:01,920
going through right now you're trying to

2002
01:13:04,790 --> 01:13:02,640
push away

2003
01:13:06,470 --> 01:13:04,800
there's something that's not not um

2004
01:13:07,990 --> 01:13:06,480
working at the timely manner that you

2005
01:13:09,189 --> 01:13:08,000
would like it to

2006
01:13:12,229 --> 01:13:09,199
and i feel like that brings a lot of

2007
01:13:13,270 --> 01:13:12,239
worry so it also blocks you from seeing

2008
01:13:15,030 --> 01:13:13,280
the truth

2009
01:13:17,350 --> 01:13:15,040
because i feel like it can happen for

2010
01:13:18,870 --> 01:13:17,360
sure but there is something in the way

2011
01:13:21,030 --> 01:13:18,880
of that and i think you know this but

2012
01:13:25,990 --> 01:13:21,040
we'll

2013
01:13:30,310 --> 01:13:28,229

all right so yeah i know because i just

2014

01:13:31,189 --> 01:13:30,320

i just went through this big move a few

2015

01:13:32,950 --> 01:13:31,199

years ago

2016

01:13:34,790 --> 01:13:32,960

moving out of the city to the suburbs

2017

01:13:36,950 --> 01:13:34,800

that whole moving and finding a new

2018

01:13:40,149 --> 01:13:36,960

house and selling your current house

2019

01:13:42,630 --> 01:13:40,159

that is a big box of stress

2020

01:13:43,189 --> 01:13:42,640

especially because my house i didn't

2021

01:13:44,870 --> 01:13:43,199

plan

2022

01:13:46,550 --> 01:13:44,880

like we didn't put our house up for sale

2023

01:13:47,350 --> 01:13:46,560

like a real estate developer knocked on

2024

01:13:49,590 --> 01:13:47,360

our door and

2025

01:13:51,189 --> 01:13:49,600

and gave us a big offer because he

2026

01:13:53,350 --> 01:13:51,199

wanted to build houses

2027

01:13:55,590 --> 01:13:53,360

on the lots next door so it was like

2028

01:13:57,750 --> 01:13:55,600

unexpected but it was like

2029

01:13:59,830 --> 01:13:57,760

well uh we kind of want to move to the

2030

01:14:00,390 --> 01:13:59,840

suburbs and this is a great offer so

2031

01:14:02,390 --> 01:14:00,400

let's and

2032

01:14:04,950 --> 01:14:02,400

we had to hurry up and pack our crap and

2033

01:14:07,030 --> 01:14:04,960

get out you know oh my gosh

2034

01:14:08,950 --> 01:14:07,040

and then the first house fell through on

2035

01:14:10,630 --> 01:14:08,960

the day we were supposed to move into it

2036

01:14:12,149 --> 01:14:10,640

oh my goodness so we had to hurry up and

2037

01:14:13,830 --> 01:14:12,159

find a new house uh

2038

01:14:15,270 --> 01:14:13,840

yeah it was a nightmare for a little

2039

01:14:15,910 --> 01:14:15,280

while yeah we're still happy it's a

2040

01:14:17,590 --> 01:14:15,920

nightmare

2041

01:14:19,669 --> 01:14:17,600

it all worked out and we're so happy in

2042

01:14:21,990 --> 01:14:19,679

the new home and you know

2043

01:14:24,790 --> 01:14:22,000

yeah that's really good it's always a

2044

01:14:28,470 --> 01:14:24,800

struggle but you got it

2045

01:14:31,750 --> 01:14:28,480

yeah okay so for her

2046

01:14:32,310 --> 01:14:31,760

i see that you need to back down because

2047

01:14:34,310 --> 01:14:32,320

the seven

2048

01:14:35,910 --> 01:14:34,320

of wands is here in reverse so i see

2049

01:14:36,790 --> 01:14:35,920

that there there needs to be some

2050

01:14:39,590 --> 01:14:36,800

backing down

2051
01:14:41,270 --> 01:14:39,600
let like just hold on because the wheel

2052
01:14:43,189 --> 01:14:41,280
of fortune is still turning here

2053
01:14:45,270 --> 01:14:43,199
and so it's still still in the works so

2054
01:14:47,270 --> 01:14:45,280
there's still things that are working

2055
01:14:48,470 --> 01:14:47,280
you know that you can't see right now

2056
01:14:51,030 --> 01:14:48,480
but ultimately there is going to be

2057
01:14:52,790 --> 01:14:51,040
happiness because we're the ace of cups

2058
01:14:54,390 --> 01:14:52,800
so i feel like don't worry so much get

2059
01:14:56,310 --> 01:14:54,400
out of your mind

2060
01:14:57,750 --> 01:14:56,320
all right and stop focusing on it so

2061
01:14:58,470 --> 01:14:57,760
hard i wish i know it's hard to do i

2062
01:15:00,950 --> 01:14:58,480
know it is

2063
01:15:03,030 --> 01:15:00,960

because there's a lot involved but if

2064

01:15:04,070 --> 01:15:03,040

you if you start to like let go a little

2065

01:15:06,870 --> 01:15:04,080

bit

2066

01:15:07,910 --> 01:15:06,880

allow the universe to do its job you

2067

01:15:10,550 --> 01:15:07,920

will have

2068

01:15:11,110 --> 01:15:10,560

the ace of cups we'll pull an oracle for

2069

01:15:18,630 --> 01:15:11,120

you too

2070

01:15:18,640 --> 01:15:22,830

[Music]

2071

01:15:27,110 --> 01:15:24,070

stick

2072

01:15:30,149 --> 01:15:27,120

you said you're married right

2073

01:15:32,550 --> 01:15:30,159

what does your husband think of your uh

2074

01:15:33,669 --> 01:15:32,560

he's like hello what does your husband

2075

01:15:36,950 --> 01:15:33,679

think of what you do

2076

01:15:39,510 --> 01:15:36,960

is he like a believer or or

2077

01:15:40,630 --> 01:15:39,520

yeah honestly at first he didn't really

2078

01:15:42,310 --> 01:15:40,640

understand it

2079

01:15:44,390 --> 01:15:42,320

like he didn't know what it was at first

2080

01:15:46,070 --> 01:15:44,400

he said okay it's just cars whatever

2081

01:15:47,590 --> 01:15:46,080

and then as soon as i started doing it

2082

01:15:49,030 --> 01:15:47,600

he saw because he would be

2083

01:15:51,350 --> 01:15:49,040

because i would do this with my friends

2084

01:15:53,830 --> 01:15:51,360

too so we'll have like he was skeptical

2085

01:15:55,750 --> 01:15:53,840

just like everybody else is and then we

2086

01:15:57,270 --> 01:15:55,760

um did a little sesh

2087

01:15:58,790 --> 01:15:57,280

and i did it in front of my friends and

2088

01:16:00,310 --> 01:15:58,800

my friends were like tripping out and

2089

01:16:02,870 --> 01:16:00,320

that's when he saw like whoa

2090

01:16:03,750 --> 01:16:02,880

like okay this is this is legit you know

2091

01:16:05,510 --> 01:16:03,760

and then he just

2092

01:16:07,350 --> 01:16:05,520

he goes with it now he's cool thing he's

2093

01:16:09,270 --> 01:16:07,360

like okay you gotta go do it okay

2094

01:16:10,630 --> 01:16:09,280

you know yeah but i gotta imagine that

2095

01:16:13,189 --> 01:16:10,640

like it's it's gotta be a little

2096

01:16:15,030 --> 01:16:13,199

nerve-wracking having a psychic wife

2097

01:16:16,470 --> 01:16:15,040

like it's hard enough to keep something

2098

01:16:19,270 --> 01:16:16,480

from the normal woman

2099

01:16:20,470 --> 01:16:19,280

like i have my wife's i i don't know

2100

01:16:22,470 --> 01:16:20,480

that she's psychic but

2101
01:16:24,550 --> 01:16:22,480
there's nothing i could ever hide from

2102
01:16:27,750 --> 01:16:24,560
her oh she probably is

2103
01:16:30,950 --> 01:16:27,760
yeah yeah yeah capricorn

2104
01:16:36,070 --> 01:16:30,960
i believe and you what are you

2105
01:16:41,430 --> 01:16:39,750
i'm a libra but yeah the capricorn's

2106
01:16:43,990 --> 01:16:41,440
shoosh i bet you can't hide anything

2107
01:16:45,430 --> 01:16:44,000
from her she just knows

2108
01:16:49,350 --> 01:16:45,440
there could be a woman thing too you

2109
01:16:50,470 --> 01:16:49,360
know um yeah it's a woman thing

2110
01:16:53,669 --> 01:16:50,480
maybe a woman thing you know what i'm

2111
01:16:57,270 --> 01:16:53,679
saying all right so sacral chakra

2112
01:16:58,070 --> 01:16:57,280
so yeah as sacral chakra is that fire

2113
01:17:00,630 --> 01:16:58,080

energy right

2114

01:17:01,590 --> 01:17:00,640

that's located near your navel above

2115

01:17:04,630 --> 01:17:01,600

your navel

2116

01:17:06,310 --> 01:17:04,640

um and i feel like there there's a lot

2117

01:17:08,310 --> 01:17:06,320

wow and they even have a hard chakra too

2118

01:17:10,310 --> 01:17:08,320

in this one this is crazy so

2119

01:17:11,669 --> 01:17:10,320

i feel like uh these two and look at how

2120

01:17:13,830 --> 01:17:11,679

vibrant these two energies are

2121

01:17:15,669 --> 01:17:13,840

so i feel like it's asking you that you

2122

01:17:16,870 --> 01:17:15,679

need to heal your heart tracker you need

2123

01:17:19,750 --> 01:17:16,880

to open your heart

2124

01:17:20,950 --> 01:17:19,760

and you need to um not be so strenuous

2125

01:17:22,550 --> 01:17:20,960

on your stomach so if you have been

2126

01:17:24,950 --> 01:17:22,560

having stomach issues

2127

01:17:26,310 --> 01:17:24,960

um you know this could be a result too

2128

01:17:28,149 --> 01:17:26,320

that um you need to

2129

01:17:29,750 --> 01:17:28,159

balance your your psycho chakra so you

2130

01:17:31,270 --> 01:17:29,760

can move forward with that fire energy

2131

01:17:31,830 --> 01:17:31,280

so that you can use that fire energy to

2132

01:17:33,990 --> 01:17:31,840

create

2133

01:17:36,070 --> 01:17:34,000

so creation is in the midst right now

2134

01:17:37,669 --> 01:17:36,080

that's why we have the little fortune

2135

01:17:39,030 --> 01:17:37,679

so instead of worrying use your

2136

01:17:40,390 --> 01:17:39,040

manifestation and act like you already

2137

01:17:41,830 --> 01:17:40,400

got that house

2138

01:17:43,189 --> 01:17:41,840

act like you already are living in that

2139

01:17:44,149 --> 01:17:43,199

house and you already got it everything

2140

01:17:46,630 --> 01:17:44,159

looks great

2141

01:17:48,630 --> 01:17:46,640

and um you know you'll be able to

2142

01:17:50,709 --> 01:17:48,640

manifest that for yourself but i do see

2143

01:17:52,470 --> 01:17:50,719

you will end up getting it i hope that

2144

01:17:54,470 --> 01:17:52,480

she does absolutely

2145

01:17:55,510 --> 01:17:54,480

yeah yeah like i said moving is

2146

01:18:00,390 --> 01:17:55,520

stressful

2147

01:18:02,310 --> 01:18:00,400

i can't thank you enough for doing this

2148

01:18:04,630 --> 01:18:02,320

yeah and everybody that got a reading

2149

01:18:06,229 --> 01:18:04,640

was really enjoying it and uh

2150

01:18:08,790 --> 01:18:06,239

several people said that you nailed it

2151
01:18:10,630 --> 01:18:08,800
for them which is always a good thing

2152
01:18:12,470 --> 01:18:10,640
yeah and so i'm going to throw you out

2153
01:18:14,310 --> 01:18:12,480
of here and do a quick wrap-up

2154
01:18:15,910 --> 01:18:14,320
and then we should continue to try not

2155
01:18:19,590 --> 01:18:15,920
to freeze to death here

2156
01:18:21,669 --> 01:18:19,600
oh my gosh i feel the temperature drop

2157
01:18:23,750 --> 01:18:21,679
feel it like i've got to go shuffle that

2158
01:18:24,229 --> 01:18:23,760
wood stove around and open it up it's

2159
01:18:25,990 --> 01:18:24,239
like

2160
01:18:27,750 --> 01:18:26,000
damp down so that i could get through

2161
01:18:30,310 --> 01:18:27,760
the show without you know

2162
01:18:32,630 --> 01:18:30,320
hold on let me throw these big logs in

2163
01:18:34,229 --> 01:18:32,640

here you know

2164

01:18:35,750 --> 01:18:34,239

well hope you don't you're gonna be good

2165

01:18:37,669 --> 01:18:35,760

though once you do that i'm sure

2166

01:18:39,110 --> 01:18:37,679

all right so i've just copied i'm

2167

01:18:41,830 --> 01:18:39,120

copying your uh

2168

01:18:43,669 --> 01:18:41,840

your channel address into the live chat

2169

01:18:45,270 --> 01:18:43,679

and your email address i will copy as

2170

01:18:46,470 --> 01:18:45,280

well so if you guys want to get a

2171

01:18:48,709 --> 01:18:46,480

private reading

2172

01:18:50,310 --> 01:18:48,719

be sure to contact her through email and

2173

01:18:52,630 --> 01:18:50,320

make sure that everybody subscribes to

2174

01:18:56,149 --> 01:18:52,640

her channel let's help her get a bigger

2175

01:18:59,350 --> 01:18:56,159

uh bullhorn yes i appreciate bigger

2176

01:19:01,910 --> 01:18:59,360

bigger bigger bullhorn you know i've had

2177

01:19:04,950 --> 01:19:01,920

a lot of people watching tonight

2178

01:19:06,470 --> 01:19:04,960

and jane says very much i appreciate

2179

01:19:09,110 --> 01:19:06,480

your reading for me thank you

2180

01:19:10,229 --> 01:19:09,120

you're welcome yeah and david hill wants

2181

01:19:12,709 --> 01:19:10,239

me to post

2182

01:19:14,870 --> 01:19:12,719

your info here to facebook yes i will

2183

01:19:16,390 --> 01:19:14,880

post it to facebook as well

2184

01:19:18,790 --> 01:19:16,400

so i'm going to throw stephanie out

2185

01:19:20,229 --> 01:19:18,800

thank you very much and uh

2186

01:19:22,149 --> 01:19:20,239

you don't need to stick around so you

2187

01:19:23,990 --> 01:19:22,159

could just x out of the thing

2188

01:19:26,070 --> 01:19:24,000

i'm gonna do a quick wrap up and talk to

2189

01:19:28,709 --> 01:19:26,080

the live chat for a little while

2190

01:19:30,229 --> 01:19:28,719

uh yeah thank you very much for doing

2191

01:19:31,990 --> 01:19:30,239

this i appreciate it

2192

01:19:34,830 --> 01:19:32,000

all right thanks stephanie i hope you

2193

01:19:37,669 --> 01:19:34,840

come back and do this again this was fun

2194

01:19:38,950 --> 01:19:37,679

yeah bye and thank your husband for

2195

01:19:41,350 --> 01:19:38,960

loaning you to us

2196

01:19:42,790 --> 01:19:41,360

yes for sure wait that sounded wrong

2197

01:19:46,229 --> 01:19:42,800

that didn't sound right

2198

01:19:50,950 --> 01:19:46,239

i didn't mean it like that bro

2199

01:19:52,950 --> 01:19:50,960

okay all right thanks steph bye-bye

2200

01:19:55,590 --> 01:19:52,960

all right friends so this is our first

2201
01:19:58,070 --> 01:19:55,600
truth seekers tarot card reading night

2202
01:19:59,510 --> 01:19:58,080
and i gotta say i i had a good time

2203
01:20:02,709 --> 01:19:59,520
listening to the readings and

2204
01:20:06,229 --> 01:20:02,719
trying to help everybody to get one

2205
01:20:08,229 --> 01:20:06,239
i know that some people are skeptical um

2206
01:20:10,070 --> 01:20:08,239
and i also recognize a few people

2207
01:20:12,390 --> 01:20:10,080
mentioning in the live chat that uh what

2208
01:20:14,310 --> 01:20:12,400
steph does was not

2209
01:20:15,830 --> 01:20:14,320
your typical tarot card reading and she

2210
01:20:17,830 --> 01:20:15,840
mentioned that that

2211
01:20:19,590 --> 01:20:17,840
you know uh i believe that a lot of

2212
01:20:20,229 --> 01:20:19,600
people who believe they have intuitive

2213
01:20:23,430 --> 01:20:20,239

abilities

2214

01:20:27,189 --> 01:20:23,440

use the uh use the cards

2215

01:20:31,110 --> 01:20:27,199

as sort of a focal point or a guide or

2216

01:20:34,149 --> 01:20:31,120

a help um so maybe that's

2217

01:20:36,229 --> 01:20:34,159

what she's doing there uh

2218

01:20:39,110 --> 01:20:36,239

yeah and i've had tarot card readings

2219

01:20:40,709 --> 01:20:39,120

from people who literally just

2220

01:20:42,629 --> 01:20:40,719

do these spreads and then they tell you

2221

01:20:44,709 --> 01:20:42,639

what each card means but it

2222

01:20:45,990 --> 01:20:44,719

almost seems a lot more scripted than

2223

01:20:49,669 --> 01:20:46,000

what she does

2224

01:20:51,189 --> 01:20:49,679

what stephanie does and i tended to

2225

01:20:52,950 --> 01:20:51,199

i felt like i enjoyed stephanie's

2226

01:20:54,390 --> 01:20:52,960

reading more than a typical tarot card

2227

01:20:56,070 --> 01:20:54,400

reader who would just

2228

01:20:57,669 --> 01:20:56,080

pull a bunch of cards and then tell me

2229

01:21:01,110 --> 01:20:57,679

what each card

2230

01:21:01,510 --> 01:21:01,120

represents right some people leave

2231

01:21:04,950 --> 01:21:01,520

things

2232

01:21:08,070 --> 01:21:04,960

open to interpretations

2233

01:21:10,709 --> 01:21:08,080

and brandon young mentions that reemsie

2234

01:21:12,550 --> 01:21:10,719

is a good tarot card reader is a very

2235

01:21:13,590 --> 01:21:12,560

good reader well reemsey if you would

2236

01:21:15,830 --> 01:21:13,600

like to be a guest

2237

01:21:17,350 --> 01:21:15,840

and uh yeah because i would do this

2238

01:21:18,070 --> 01:21:17,360

again right did everybody have a good

2239

01:21:20,550 --> 01:21:18,080

time i think

2240

01:21:22,550 --> 01:21:20,560

that we did so if reemsey would like to

2241

01:21:23,590 --> 01:21:22,560

come on and do a night of tarot card

2242

01:21:26,070 --> 01:21:23,600

readings

2243

01:21:26,950 --> 01:21:26,080

i would be very open to that and reemsey

2244

01:21:29,750 --> 01:21:26,960

is uh

2245

01:21:30,870 --> 01:21:29,760

you know friend to the show i love his

2246

01:21:35,990 --> 01:21:30,880

piano room

2247

01:21:38,629 --> 01:21:36,000

want you to like tear down the walls

2248

01:21:41,510 --> 01:21:38,639

ship me the piano he's got a beautiful

2249

01:21:44,629 --> 01:21:41,520

is that a baby grand that you have

2250

01:21:46,629 --> 01:21:44,639

i think it is reemsey's got and and uh

2251

01:21:48,149 --> 01:21:46,639

reempsie's doing a special event if

2252

01:21:53,750 --> 01:21:48,159

somebody can find the link

2253

01:21:55,910 --> 01:21:53,760

to reemsy's performance uh special event

2254

01:21:57,910 --> 01:21:55,920

i would very much appreciate it and vibe

2255

01:21:59,669 --> 01:21:57,920

with me is it a live chat mentioning her

2256

01:22:00,070 --> 01:21:59,679

readings are less generic than most i've

2257

01:22:03,750 --> 01:22:00,080

seen

2258

01:22:06,870 --> 01:22:03,760

good stuff yeah that's that's the

2259

01:22:08,950 --> 01:22:06,880

um that's that's the impression that i

2260

01:22:11,430 --> 01:22:08,960

got from the reading that i got

2261

01:22:12,790 --> 01:22:11,440

oh and reemsy says i have three grand

2262

01:22:16,950 --> 01:22:12,800

pianos

2263

01:22:18,709 --> 01:22:16,960

well that's pretty amazing i have zero

2264

01:22:21,030 --> 01:22:18,719

so why don't you send me one of yours

2265

01:22:23,189 --> 01:22:21,040

right i should have one

2266

01:22:24,870 --> 01:22:23,199

i really should but then i think of the

2267

01:22:26,550 --> 01:22:24,880

space that it takes up

2268

01:22:28,390 --> 01:22:26,560

reamsie and i'm good with just a

2269

01:22:29,990 --> 01:22:28,400

keyboard you know like because the

2270

01:22:32,229 --> 01:22:30,000

keyboard

2271

01:22:33,590 --> 01:22:32,239

doesn't take up that much space and i

2272

01:22:36,629 --> 01:22:33,600

can have

2273

01:22:39,030 --> 01:22:36,639

you know with you know

2274

01:22:40,390 --> 01:22:39,040

reemsy with the synthesizer keyboard you

2275

01:22:43,350 --> 01:22:40,400

could have

2276

01:22:44,149 --> 01:22:43,360

800 sounds coming out of one instrument

2277

01:22:46,950 --> 01:22:44,159

so

2278

01:22:48,149 --> 01:22:46,960

i tend to prefer them but every once in

2279

01:22:51,270 --> 01:22:48,159

a while when i write

2280

01:22:52,070 --> 01:22:51,280

a really good song with piano sounds i i

2281

01:22:53,990 --> 01:22:52,080

want to record

2282

01:22:55,430 --> 01:22:54,000

it with the grand piano maybe i'll come

2283

01:22:57,750 --> 01:22:55,440

visit you

2284

01:22:58,629 --> 01:22:57,760

for the few times that i have to do that

2285

01:23:03,110 --> 01:22:58,639

and i can choose

2286

01:23:06,390 --> 01:23:03,120

between your wonderful your wonderful

2287

01:23:08,149 --> 01:23:06,400

pianos so dream see you feel free to

2288

01:23:09,510 --> 01:23:08,159

post the link you're doing a special

2289

01:23:11,750 --> 01:23:09,520

event right where you're going to be

2290

01:23:13,669 --> 01:23:11,760

playing piano

2291

01:23:17,590 --> 01:23:13,679

i could do some piano lessons too you

2292

01:23:21,189 --> 01:23:19,270

i'm trying to load this wood stove but

2293

01:23:24,709 --> 01:23:21,199

i'm having a real hard time here

2294

01:23:27,030 --> 01:23:24,719

so bear with me friends uh

2295

01:23:28,790 --> 01:23:27,040

as far as like people being skeptical in

2296

01:23:31,910 --> 01:23:28,800

the live chat that's fine too

2297

01:23:33,430 --> 01:23:31,920

you know um i think i knew enough about

2298

01:23:33,990 --> 01:23:33,440

stephanie to know that she wouldn't be

2299

01:23:37,350 --> 01:23:34,000

upset

2300

01:23:38,550 --> 01:23:37,360

if somebody was skeptical in the live

2301

01:23:41,350 --> 01:23:38,560

chat

2302

01:23:42,550 --> 01:23:41,360

we're all free to i'm gonna say it again

2303

01:23:46,629 --> 01:23:42,560

use your discernment

2304

01:23:49,750 --> 01:23:46,639

right that's what guys say

2305

01:23:51,189 --> 01:23:49,760

i'm gonna i'm gonna it's it's i i think

2306

01:23:52,070 --> 01:23:51,199

a lot of guys say that when it's a cop

2307

01:23:54,470 --> 01:23:52,080

out

2308

01:23:56,550 --> 01:23:54,480

i wanted to do this for the there are

2309

01:23:59,669 --> 01:23:56,560

some people that are

2310

01:24:03,510 --> 01:23:59,679

uh firm believers you know

2311

01:24:04,870 --> 01:24:03,520

and here we can uh look over there and

2312

01:24:08,870 --> 01:24:04,880

see my wood stove

2313

01:24:10,229 --> 01:24:08,880

going it's it's getting really cold

2314

01:24:13,350 --> 01:24:10,239

outside friends it's about

2315

01:24:16,390 --> 01:24:13,360

20 outside right now i believe

2316

01:24:20,149 --> 01:24:16,400

last i'm checking right now

2317

01:24:21,189 --> 01:24:20,159

oh it's 18 outside yeah little nippy out

2318

01:24:27,030 --> 01:24:21,199

there

2319

01:24:34,790 --> 01:24:30,390

yeah i'm not on fire the wood stove

2320

01:24:41,110 --> 01:24:38,709

but as cold as it is outside it's still

2321

01:24:44,390 --> 01:24:41,120

probably 65 or

2322

01:24:45,030 --> 01:24:44,400

so in here um just kind of like the wood

2323

01:24:46,550 --> 01:24:45,040

that

2324

01:24:48,229 --> 01:24:46,560

you know i loaded this thing up before

2325

01:24:51,510 --> 01:24:48,239

the show began

2326

01:24:53,750 --> 01:24:51,520

um it

2327

01:24:55,910 --> 01:24:53,760

it's getting you know i have to i have

2328

01:25:00,629 --> 01:24:55,920

to load it again

2329

01:25:05,430 --> 01:25:02,390

and then jiggy asks is this the

2330

01:25:08,950 --> 01:25:05,440

believers seekers show now or what

2331

01:25:11,189 --> 01:25:08,960

well jiggy i thought that um

2332

01:25:12,149 --> 01:25:11,199

you know everybody's free to do their

2333

01:25:15,270 --> 01:25:12,159

show their way

2334

01:25:18,629 --> 01:25:15,280

right and uh for me if every single show

2335

01:25:21,350 --> 01:25:18,639

all i did was rip apart frauds and fakes

2336

01:25:24,310 --> 01:25:21,360

i think that gets a little old so for me

2337

01:25:26,709 --> 01:25:24,320

i decided that for some things

2338

01:25:28,149 --> 01:25:26,719

i have no problem with people that read

2339

01:25:32,310 --> 01:25:28,159

tarot cards

2340

01:25:34,470 --> 01:25:32,320

right um for me

2341

01:25:36,149 --> 01:25:34,480

and and i believe for a lot of people

2342

01:25:38,390 --> 01:25:36,159

tarot card reading is

2343

01:25:39,189 --> 01:25:38,400

simply a form of entertainment or maybe

2344

01:25:41,350 --> 01:25:39,199

advice

2345

01:25:42,310 --> 01:25:41,360

right somebody's struggling to make a

2346

01:25:45,510 --> 01:25:42,320

decision

2347

01:25:46,950 --> 01:25:45,520

whatever the case may be curious about

2348

01:25:49,830 --> 01:25:46,960

something and could use

2349

01:25:51,189 --> 01:25:49,840

the insight of another person i don't

2350

01:25:52,830 --> 01:25:51,199

think there's anything wrong with tarot

2351

01:25:56,709 --> 01:25:52,840

card readings

2352

01:25:58,310 --> 01:25:56,719

um and uh i wanted to showcase someone

2353

01:26:01,189 --> 01:25:58,320

like stephanie who i think

2354

01:26:02,790 --> 01:26:01,199

has very unique approach to doing it and

2355

01:26:05,830 --> 01:26:02,800

let the audience decide

2356

01:26:07,030 --> 01:26:05,840

if if you know if you believe she's cold

2357

01:26:10,470 --> 01:26:07,040

reading and

2358

01:26:13,110 --> 01:26:10,480

just giving general statements

2359

01:26:15,430 --> 01:26:13,120

good uh you know we all have to make up

2360

01:26:19,430 --> 01:26:15,440

our own mind about these things

2361

01:26:21,189 --> 01:26:19,440

um and i'm gonna let the audience make

2362

01:26:22,310 --> 01:26:21,199

up their own mind i'm not gonna tell

2363

01:26:25,430 --> 01:26:22,320

them

2364

01:26:27,830 --> 01:26:25,440

i can tell you uh that my own

2365

01:26:29,350 --> 01:26:27,840

personal interaction with her and the

2366

01:26:32,070 --> 01:26:29,360

reading that i got

2367

01:26:34,390 --> 01:26:32,080

seemed to be there's a few things in

2368

01:26:37,350 --> 01:26:34,400

there that really

2369

01:26:37,910 --> 01:26:37,360

made me go that's not cold reading

2370

01:26:41,830 --> 01:26:37,920

because

2371

01:26:45,750 --> 01:26:41,840

it was too specific and distinct right

2372

01:26:48,070 --> 01:26:45,760

um but you know

2373

01:26:49,750 --> 01:26:48,080

i i also leave open the possibility that

2374

01:26:51,110 --> 01:26:49,760

i could be wrong that i could just be

2375

01:26:55,830 --> 01:26:51,120

assigning

2376

01:27:03,510 --> 01:26:59,110

interpreting her reading in

2377

01:27:07,510 --> 01:27:03,520

in a way that leads me

2378

01:27:10,229 --> 01:27:07,520

to believe that she has some insight

2379

01:27:12,310 --> 01:27:10,239

supernatural paranormal or otherwise

2380

01:27:14,070 --> 01:27:12,320

when that may not be the case

2381

01:27:15,510 --> 01:27:14,080

i can tell you that for my own personal

2382

01:27:19,750 --> 01:27:15,520

experience with her

2383

01:27:21,350 --> 01:27:19,760

and i'm not an ardent believer in

2384

01:27:23,189 --> 01:27:21,360

tarot card readings and psychic

2385

01:27:25,270 --> 01:27:23,199

phenomenon and

2386

01:27:27,510 --> 01:27:25,280

my expectations for her giving me a

2387

01:27:29,430 --> 01:27:27,520

reading were extremely low

2388

01:27:31,510 --> 01:27:29,440

totally low like i was just like yeah

2389

01:27:32,870 --> 01:27:31,520

okay you can give me a reading step

2390

01:27:34,629 --> 01:27:32,880

before you come on the show and do the

2391

01:27:35,750 --> 01:27:34,639

readings and i wasn't expecting what i

2392

01:27:38,149 --> 01:27:35,760

got back

2393

01:27:40,390 --> 01:27:38,159

and um you know maybe someday i'll talk

2394

01:27:43,750 --> 01:27:40,400

more about that reading because it was

2395

01:27:46,350 --> 01:27:43,760

pretty spot-on accurate

2396

01:27:49,990 --> 01:27:46,360

uh if you ask me you know

2397

01:27:50,000 --> 01:27:58,830

my wife is watching and referencing

2398

01:28:04,870 --> 01:28:01,669

reemsey

2399

01:28:05,990 --> 01:28:04,880

yeah so my wife is agreeing with uh with

2400

01:28:07,830 --> 01:28:06,000

reemsey who said

2401

01:28:10,149 --> 01:28:07,840

i think the tower deck is a picture book

2402

01:28:11,830 --> 01:28:10,159

of wisdom and you can read it like any

2403

01:28:13,990 --> 01:28:11,840

other illustrated book i can't believe

2404

01:28:15,669 --> 01:28:14,000

that it predicts the future though it

2405

01:28:17,750 --> 01:28:15,679

just does not do that

2406

01:28:20,070 --> 01:28:17,760

and my wife sharon says this is what i

2407

01:28:23,430 --> 01:28:20,080

feel about the bible too

2408

01:28:23,910 --> 01:28:23,440

a book of morals yeah i i don't know for

2409

01:28:25,590 --> 01:28:23,920

some

2410

01:28:27,110 --> 01:28:25,600

people especially people who believe

2411

01:28:31,750 --> 01:28:27,120

that they are

2412

01:28:35,030 --> 01:28:31,760

uh intuitive or psychic um

2413

01:28:35,910 --> 01:28:35,040

you know they use tarot as as sort of a

2414

01:28:37,669 --> 01:28:35,920

focus

2415

01:28:39,430 --> 01:28:37,679

for those abilities that they believe

2416

01:28:42,550 --> 01:28:39,440

that they have

2417

01:28:45,189 --> 01:28:42,560

or you know sort of like a guide

2418

01:28:45,590 --> 01:28:45,199

to help them give the readings brandon

2419

01:28:47,270 --> 01:28:45,600

young

2420

01:28:50,310 --> 01:28:47,280

mentioning waiting for rachel hoffman

2421

01:28:52,550 --> 01:28:50,320

part two uh you know she's real busy

2422

01:28:54,470 --> 01:28:52,560

brandon young she's in like six movies

2423

01:28:56,870 --> 01:28:54,480

and i mean some bigger movies she's in a

2424

01:28:58,629 --> 01:28:56,880

movie with stormy daniels brandon young

2425

01:29:00,070 --> 01:28:58,639

but i'm gonna try to get her back on and

2426

01:29:02,550 --> 01:29:00,080

talk about her adventures

2427

01:29:03,669 --> 01:29:02,560

making these movies because i think uh

2428

01:29:05,910 --> 01:29:03,679

she's awesome

2429

01:29:07,030 --> 01:29:05,920

rachel hoffman is awesome for those that

2430

01:29:09,430 --> 01:29:07,040

don't know uh

2431

01:29:11,669 --> 01:29:09,440

she is from paranormal expeditions

2432

01:29:14,790 --> 01:29:11,679

rachel hoffman a ghost hunter

2433

01:29:17,030 --> 01:29:14,800

and grew up with a ghostly

2434

01:29:18,629 --> 01:29:17,040

friend that she found out was basically

2435

01:29:20,790 --> 01:29:18,639

buried in her backyard

2436

01:29:22,550 --> 01:29:20,800

they found a grave later after she had

2437

01:29:25,270 --> 01:29:22,560

been talking to this

2438

01:29:26,229 --> 01:29:25,280

person for some time and uh boy that's a

2439

01:29:29,430 --> 01:29:26,239

creepy story

2440

01:29:31,030 --> 01:29:29,440

right imagine if you were her parents

2441

01:29:33,030 --> 01:29:31,040

and you found out that her imaginary

2442

01:29:35,350 --> 01:29:33,040

friend was literally buried

2443

01:29:37,030 --> 01:29:35,360

in the woods in the back of your house

2444

01:29:41,750 --> 01:29:37,040

because that's basically

2445

01:29:45,350 --> 01:29:43,669

prank magic is excited to hear more

2446

01:29:47,430 --> 01:29:45,360

about jiggy's secret kids

2447

01:29:49,430 --> 01:29:47,440

i don't think it's a secret that he had

2448

01:29:56,550 --> 01:29:49,440

kids he's mentioned his children on his

2449

01:30:00,310 --> 01:29:58,709

yeah i i don't know jiggy i know she's

2450

01:30:02,149 --> 01:30:00,320

in the movies i don't know if she has

2451

01:30:03,990 --> 01:30:02,159

speaking roles or what

2452

01:30:05,350 --> 01:30:04,000

you know i i think she's a little more

2453

01:30:08,629 --> 01:30:05,360

than an extra

2454

01:30:11,750 --> 01:30:08,639

in a couple of them so

2455

01:30:12,229 --> 01:30:11,760

uh and brandon young says she's hot

2456

01:30:14,870 --> 01:30:12,239

though

2457

01:30:16,310 --> 01:30:14,880

yeah i can't comment on that because my

2458

01:30:18,149 --> 01:30:16,320

wife is watching

2459

01:30:28,870 --> 01:30:18,159

you trying to get me in trouble brandon

2460

01:30:32,390 --> 01:30:31,430

oh paranormal jiggy there you go okay so

2461

01:30:35,590 --> 01:30:32,400

that was a gotcha

2462

01:30:37,030 --> 01:30:35,600

i don't have any kids can you tell me

2463

01:30:37,669 --> 01:30:37,040

you're a black man that doesn't have any

2464

01:30:46,830 --> 01:30:37,679

children

2465

01:30:50,950 --> 01:30:48,229

few

2466

01:30:51,590 --> 01:30:50,960

yeah uh like i said i don't know what

2467

01:30:53,750 --> 01:30:51,600

her role

2468

01:30:55,430 --> 01:30:53,760

in the movies is i know that she's in a

2469

01:30:58,550 --> 01:30:55,440

bunch of movies one of them

2470

01:31:01,350 --> 01:30:58,560

is a horror movie where she's like uh

2471

01:31:02,790 --> 01:31:01,360

getting murdered and i don't know she

2472

01:31:03,669 --> 01:31:02,800

was pleasant pictures of like all this

2473

01:31:07,430 --> 01:31:03,679

bloody stuff

2474

01:31:13,830 --> 01:31:07,440

when they were filming stuff so um

2475

01:31:18,870 --> 01:31:16,950

yeah all wearing arbiter says all i see

2476

01:31:19,750 --> 01:31:18,880

it as is just entertainment and i was

2477

01:31:22,390 --> 01:31:19,760

entertained

2478

01:31:23,590 --> 01:31:22,400

yeah and uh you know the other thing

2479

01:31:25,830 --> 01:31:23,600

that i'll say is like if you're

2480

01:31:26,709 --> 01:31:25,840

struggling to make a decision or you're

2481

01:31:28,709 --> 01:31:26,719

really

2482

01:31:29,990 --> 01:31:28,719

worried about something it's got to be

2483

01:31:33,270 --> 01:31:30,000

helpful to have somebody

2484

01:31:36,700 --> 01:31:33,280

offer you some advice right so i don't

2485

01:31:38,550 --> 01:31:36,710

really find any harm in that the harm is

2486

01:31:40,870 --> 01:31:38,560

[Music]

2487

01:31:43,110 --> 01:31:40,880

the harm is you know when some of these

2488

01:31:44,070 --> 01:31:43,120

crackpot ones that have no ethics or

2489

01:31:45,910 --> 01:31:44,080

giving people medical

2490

01:31:49,189 --> 01:31:45,920

or psychological advice that i have a

2491

01:31:56,070 --> 01:31:53,110

so yeah but it is what it is

2492

01:31:58,070 --> 01:31:56,080

you know i wanted to uh expand our

2493

01:32:00,470 --> 01:31:58,080

horizons here and see if we could have

2494

01:32:02,070 --> 01:32:00,480

some psychics or tarot card readings on

2495

01:32:03,750 --> 01:32:02,080

i'd really like to see if preempsy will

2496

01:32:05,350 --> 01:32:03,760

come on and do

2497

01:32:06,629 --> 01:32:05,360

tarot card readings we could do this

2498

01:32:08,550 --> 01:32:06,639

every once in a while we could have a

2499

01:32:11,669 --> 01:32:08,560

tarot night

2500

01:32:14,149 --> 01:32:11,679

it's something i'm interested in as well

2501

01:32:15,990 --> 01:32:14,159

and i would be open to hosting if we

2502

01:32:18,070 --> 01:32:16,000

could get some other so if anybody knows

2503

01:32:22,229 --> 01:32:18,080

any good tarot card readers that would

2504

01:32:24,310 --> 01:32:22,239

um that would be willing to

2505

01:32:25,270 --> 01:32:24,320

uh come on the show and do a night with

2506

01:32:27,830 --> 01:32:25,280

us please

2507

01:32:30,629 --> 01:32:27,840

have them email me i'm gonna put my

2508

01:32:33,750 --> 01:32:30,639

email address up here on the screen

2509

01:32:36,629 --> 01:32:33,760

we can find it here

2510

01:32:39,350 --> 01:32:36,639

yeah that's truth seeker show gmail.com

2511

01:32:43,189 --> 01:32:39,360

if you know any tarot card readers

2512

01:32:45,270 --> 01:32:43,199

that would be uh interested or open to

2513

01:32:46,709 --> 01:32:45,280

coming on our show here to do a night of

2514

01:32:49,510 --> 01:32:46,719

tarot readings for our

2515

01:32:55,189 --> 01:32:49,520

audience our live audience please have

2516

01:32:57,189 --> 01:32:55,199

them email me

2517

01:32:58,229 --> 01:32:57,199

and we're going to wrap things up here

2518

01:33:02,229 --> 01:32:58,239

friends

2519

01:33:06,470 --> 01:33:02,239

i uh made a lot of progress on the

2520

01:33:09,510 --> 01:33:06,480

the cabin sleeping loft uh earlier

2521

01:33:13,669 --> 01:33:09,520

uh today boy is that tedious

2522

01:33:18,709 --> 01:33:16,870

um it's basically like cutting tons of

2523

01:33:22,070 --> 01:33:18,719

different boards

2524

01:33:23,910 --> 01:33:22,080

um and and the thing that's annoying

2525

01:33:25,270 --> 01:33:23,920

is that they're all they are all

2526

01:33:28,390 --> 01:33:25,280

slightly different length

2527

01:33:30,229 --> 01:33:28,400

because of the uh the way the back wall

2528

01:33:34,070 --> 01:33:30,239

is and everything i don't know i'm not a

2529

01:33:39,350 --> 01:33:37,110

i am not a carpenter not one bit uh but

2530

01:33:41,110 --> 01:33:39,360

i'm gonna share here

2531

01:33:43,030 --> 01:33:41,120

i'll share my screen so people could see

2532

01:33:43,750 --> 01:33:43,040

what i'm up to and i haven't shown my

2533

01:33:45,430 --> 01:33:43,760

wife yet

2534

01:33:46,950 --> 01:33:45,440

i like to let her know that i'm actually

2535

01:33:50,550 --> 01:33:46,960

working here

2536

01:33:53,350 --> 01:33:50,560

you know so she lets me keep coming back

2537

01:33:54,470 --> 01:33:53,360

you know i got a boss right and there's

2538

01:33:58,229 --> 01:33:54,480

even a sign

2539

01:33:59,590 --> 01:33:58,239

in the other room uh and it says welcome

2540

01:34:04,950 --> 01:33:59,600

to sharon's cabin

2541

01:34:08,470 --> 01:34:04,960

she's the boss i just work here so yeah

2542

01:34:10,070 --> 01:34:08,480

yeah so here is the uh sleeping loft

2543

01:34:12,070 --> 01:34:10,080

and it's all these little boards that

2544

01:34:15,270 --> 01:34:12,080

have to be cut to lathe

2545

01:34:18,629 --> 01:34:15,280

and nailed up here vanessa said

2546

01:34:19,350 --> 01:34:18,639

sleeping sauna yeah maybe so i'm that

2547

01:34:21,750 --> 01:34:19,360

far

2548

01:34:23,110 --> 01:34:21,760

i got a little more to do i'm hoping

2549

01:34:24,870 --> 01:34:23,120

that i'm going to finish this section

2550

01:34:27,990 --> 01:34:24,880

here where there's still exposed

2551

01:34:30,550 --> 01:34:28,000

insulation tomorrow and uh

2552

01:34:33,750 --> 01:34:30,560

boy this has been one of those things

2553

01:34:36,470 --> 01:34:33,760

that i've been working on

2554

01:34:37,270 --> 01:34:36,480

or that i've been avoiding uh i have

2555

01:34:40,629 --> 01:34:37,280

been award

2556

01:34:43,750 --> 01:34:40,639

avoiding doing that because i

2557

01:34:45,350 --> 01:34:43,760

i'm not a carpenter and uh and also the

2558

01:34:47,270 --> 01:34:45,360

tediousness like i knew it was going to

2559

01:34:49,510 --> 01:34:47,280

be tedious to cut all these boards and

2560

01:34:52,550 --> 01:34:49,520

nail them all up

2561

01:34:53,270 --> 01:34:52,560

but i didn't believe i didn't even i

2562

01:34:56,229 --> 01:34:53,280

didn't

2563

01:34:56,870 --> 01:34:56,239

it was worse than i thought but i will

2564

01:35:00,070 --> 01:34:56,880

say this

2565

01:35:02,709 --> 01:35:00,080

i'm very glad that i finally got

2566

01:35:04,390 --> 01:35:02,719

over you know when i don't know how to

2567

01:35:07,590 --> 01:35:04,400

do something too

2568

01:35:09,590 --> 01:35:07,600

it it makes me just afraid to do it yeah

2569

01:35:11,830 --> 01:35:09,600

it's a bedroom brandy it's a sleeping

2570

01:35:14,390 --> 01:35:11,840

loft it's not a bedroom it's a loft

2571

01:35:15,030 --> 01:35:14,400

above the main room here which is like

2572

01:35:17,270 --> 01:35:15,040

the eat-in

2573

01:35:19,990 --> 01:35:17,280

kitchen and it's got a ladder up to it

2574

01:35:22,390 --> 01:35:20,000

but nobody ever wants to sleep in it

2575

01:35:24,390 --> 01:35:22,400

but maybe that's because it's ugly and

2576
01:35:25,990 --> 01:35:24,400
unfinished and if it was finished maybe

2577
01:35:26,550 --> 01:35:26,000
people would want to sleep in it i don't

2578
01:35:30,070 --> 01:35:26,560
know

2579
01:35:33,189 --> 01:35:30,080
you these things

2580
01:35:35,590 --> 01:35:33,199
tend to become an energy drain on you

2581
01:35:36,470 --> 01:35:35,600
like every time i looked at that when i

2582
01:35:38,070 --> 01:35:36,480
was in the kitchen

2583
01:35:40,310 --> 01:35:38,080
i would think to myself i really gotta

2584
01:35:43,189 --> 01:35:40,320
finish that sleeping loft

2585
01:35:43,750 --> 01:35:43,199
and i look at it all the time so i would

2586
01:35:47,270 --> 01:35:43,760
you know

2587
01:35:49,350 --> 01:35:47,280
so constantly looking at that for

2588
01:35:50,950 --> 01:35:49,360

a year and a half for uh probably almost

2589

01:35:53,590 --> 01:35:50,960

two years now

2590

01:35:55,990 --> 01:35:53,600

going i gotta finish that and then also

2591

01:35:57,669 --> 01:35:56,000

i'm stupid and do stupid things like the

2592

01:35:59,830 --> 01:35:57,679

ceilings and the sleeping loft in the

2593

01:36:02,229 --> 01:35:59,840

kitchen were not finished yet

2594

01:36:03,830 --> 01:36:02,239

but i built a whole big addition on the

2595

01:36:05,430 --> 01:36:03,840

cabin which i'm sitting in now

2596

01:36:07,510 --> 01:36:05,440

but at the time it seemed like we need

2597

01:36:11,910 --> 01:36:07,520

more room right

2598

01:36:16,310 --> 01:36:13,590

with the kids here and all that kind of

2599

01:36:19,510 --> 01:36:18,149

yep so the kids can slide into the

2600

01:36:21,830 --> 01:36:19,520

kitchen yeah

2601

01:36:23,510 --> 01:36:21,840

maybe i need a pole right like a fire

2602

01:36:28,870 --> 01:36:23,520

fireman pole they would probably like

2603

01:36:32,550 --> 01:36:31,109

and so marshall says being productive

2604

01:36:35,590 --> 01:36:32,560

when work is

2605

01:36:36,950 --> 01:36:35,600

slow yeah i look i feel like i put in a

2606

01:36:39,510 --> 01:36:36,960

good day's work today

2607

01:36:40,470 --> 01:36:39,520

that uh sleeping off was less than half

2608

01:36:42,149 --> 01:36:40,480

finished

2609

01:36:43,990 --> 01:36:42,159

and now it's way more it's like three

2610

01:36:47,109 --> 01:36:44,000

quarters of the way finished now

2611

01:36:48,790 --> 01:36:47,119

so tomorrow and i also got sidetracked

2612

01:36:49,590 --> 01:36:48,800

because i forgot that i had to run a

2613

01:36:51,590 --> 01:36:49,600

wire for

2614

01:36:53,430 --> 01:36:51,600

the light that will be up there so i had

2615

01:36:54,790 --> 01:36:53,440

to pull boards down that i already

2616

01:36:57,350 --> 01:36:54,800

nailed up

2617

01:36:59,030 --> 01:36:57,360

and drill holes and run the line and

2618

01:37:00,070 --> 01:36:59,040

then put the boards back and that pissed

2619

01:37:02,629 --> 01:37:00,080

me off

2620

01:37:03,910 --> 01:37:02,639

but hopefully tomorrow i'll i'm not

2621

01:37:05,990 --> 01:37:03,920

there's the back wall

2622

01:37:07,350 --> 01:37:06,000

has to be finished too i have to figure

2623

01:37:10,870 --> 01:37:07,360

that out

2624

01:37:13,350 --> 01:37:10,880

and then i have to finish the side walls

2625

01:37:15,030 --> 01:37:13,360

and then there's going to be some trim

2626
01:37:16,629 --> 01:37:15,040
and stuff to cover the edges because i

2627
01:37:21,189 --> 01:37:16,639
can never get it

2628
01:37:22,550 --> 01:37:21,199
know so that's what trim is for you just

2629
01:37:24,870 --> 01:37:22,560
cover the edges and

2630
01:37:26,629 --> 01:37:24,880
you know hopefully it'll all work out

2631
01:37:27,350 --> 01:37:26,639
but i want to thank everybody for coming

2632
01:37:29,750 --> 01:37:27,360
tonight

2633
01:37:30,950 --> 01:37:29,760
this is our first truth seekers tarot

2634
01:37:34,629 --> 01:37:30,960
night

2635
01:37:37,189 --> 01:37:34,639
and uh yeah

2636
01:37:37,830 --> 01:37:37,199
uh brandon young you should definitely

2637
01:37:42,390 --> 01:37:37,840
it'll be

2638
01:37:44,229 --> 01:37:42,400

can like

2639

01:37:45,910 --> 01:37:44,239

see some random light in the sky and

2640

01:37:48,310 --> 01:37:45,920

decide it's aliens and make

2641

01:37:50,629 --> 01:37:48,320

seven documentaries about nothing not a

2642

01:37:52,550 --> 01:37:50,639

fan of skinwalker ranch never have been

2643

01:37:54,550 --> 01:37:52,560

i mean there's some interesting stories

2644

01:37:57,109 --> 01:37:54,560

surrounding that place but

2645

01:37:58,950 --> 01:37:57,119

bigelow invested millions into all these

2646

01:38:01,590 --> 01:37:58,960

scientists and all this kind of stuff

2647

01:38:02,149 --> 01:38:01,600

and they never found any definitive

2648

01:38:05,510 --> 01:38:02,159

proof

2649

01:38:07,590 --> 01:38:05,520

of anything right yeah reemsey says i had

2650

01:38:09,189 --> 01:38:07,600

a happy time i like tara programs

2651

01:38:10,790 --> 01:38:09,199

yeah i figured that everybody would

2652

01:38:12,070 --> 01:38:10,800

enjoy this and also reebz everybody's

2653

01:38:13,590 --> 01:38:12,080

telling me what a great tarot card

2654

01:38:13,990 --> 01:38:13,600

reader you are why don't you come on the

2655

01:38:16,629 --> 01:38:14,000

show

2656

01:38:18,149 --> 01:38:16,639

and do the next tarot card night with us

2657

01:38:20,229 --> 01:38:18,159

you'd be the reader

2658

01:38:21,910 --> 01:38:20,239

i would really like to host that maybe

2659

01:38:23,109 --> 01:38:21,920

we'll play some of your music or stuff

2660

01:38:25,270 --> 01:38:23,119

like that

2661

01:38:27,510 --> 01:38:25,280

that would be fun i would definitely i

2662

01:38:29,910 --> 01:38:27,520

would definitely

2663

01:38:31,750 --> 01:38:29,920

be interested in doing that so email me

2664

01:38:34,629 --> 01:38:31,760

if you are

2665

01:38:36,390 --> 01:38:34,639

uh if you would agree to that because

2666

01:38:38,310 --> 01:38:36,400

i think everybody would enjoy that

2667

01:38:40,390 --> 01:38:38,320

and i've heard from multiple people that

2668

01:38:43,430 --> 01:38:40,400

you're really good card reader so i

2669

01:38:43,440 --> 01:38:47,430

i would be interested in uh

2670

01:38:47,440 --> 01:38:51,750

doing that right

2671

01:38:55,830 --> 01:38:53,669

paranormal hood says yeah i'd love a

2672

01:38:58,629 --> 01:38:55,840

reading from reempsy

2673

01:38:59,590 --> 01:38:58,639

yeah and v says you're reem c your tarot

2674

01:39:01,910 --> 01:38:59,600

is top notch

2675

01:39:03,910 --> 01:39:01,920

so i think we have our next guest for

2676

01:39:09,109 --> 01:39:03,920

truth seekers tarot night books right

2677

01:39:13,109 --> 01:39:11,669

oh come on reem see i don't really read

2678

01:39:15,350 --> 01:39:13,119

for other people i'm more of a tower

2679

01:39:16,790 --> 01:39:15,360

historian an esoteric reader i don't do

2680

01:39:18,470 --> 01:39:16,800

fortune telling well do what

2681

01:39:21,910 --> 01:39:18,480

do it whatever way you want to do it but

2682

01:39:26,070 --> 01:39:24,830

can you tell i need guests reem see come

2683

01:39:30,070 --> 01:39:26,080

on

2684

01:39:31,430 --> 01:39:30,080

help a brother out help a brother out

2685

01:39:32,790 --> 01:39:31,440

so friends i'm going to get out of here

2686

01:39:34,149 --> 01:39:32,800

and try to load up this wood stove

2687

01:39:36,390 --> 01:39:34,159

before i freeze to death

2688

01:39:38,229 --> 01:39:36,400

i can definitely feel the temperature

2689

01:39:38,830 --> 01:39:38,239

dropping in here as that wood stove is

2690

01:39:42,149 --> 01:39:38,840

not

2691

01:39:44,149 --> 01:39:42,159

blaring uh anymore so it's time for me

2692

01:39:45,669 --> 01:39:44,159

to bail out of here

2693

01:39:47,510 --> 01:39:45,679

i want to thank each and every one of

2694

01:39:48,870 --> 01:39:47,520

you for joining us and i especially want

2695

01:39:51,270 --> 01:39:48,880

to thank our

2696

01:39:52,550 --> 01:39:51,280

our guests tonight stephanie i'm going

2697

01:39:53,350 --> 01:39:52,560

to do this one more actually you know

2698

01:39:54,709 --> 01:39:53,360

what before i

2699

01:39:56,470 --> 01:39:54,719

bounce out of here i'm going to do this

2700

01:39:59,669 --> 01:39:56,480

one more time

2701

01:40:04,550 --> 01:40:02,790

put stephanie's channel in the live chat

2702

01:40:06,790 --> 01:40:04,560

please do go over and subscribe to her

2703

01:40:09,109 --> 01:40:06,800

that's the least we could all do

2704

01:40:11,270 --> 01:40:09,119

because she came here and gave us her

2705

01:40:12,629 --> 01:40:11,280

time and her energy and shared her

2706

01:40:14,229 --> 01:40:12,639

talents with us

2707

01:40:16,790 --> 01:40:14,239

the least we could all do is go over

2708

01:40:19,990 --> 01:40:16,800

there and subscribe to her channel

2709

01:40:21,990 --> 01:40:20,000

um and that would be i would really

2710

01:40:24,070 --> 01:40:22,000

appreciate if you guys would do that

2711

01:40:25,430 --> 01:40:24,080

and reimsi says send me a dm on twitter

2712

01:40:27,669 --> 01:40:25,440

and we will set something up

2713

01:40:29,270 --> 01:40:27,679

awesome we've got another we've got

2714

01:40:31,430 --> 01:40:29,280

another tarot card reading for

2715

01:40:32,950 --> 01:40:31,440

another truth seekers tarot night in the

2716

01:40:34,830 --> 01:40:32,960

form of reem c

2717

01:40:36,470 --> 01:40:34,840

friend of the show so if you enjoy

2718

01:40:38,070 --> 01:40:36,480

tonight

2719

01:40:39,590 --> 01:40:38,080

yeah we're going to do it again with

2720

01:40:41,270 --> 01:40:39,600

different tarot card readers and

2721

01:40:42,870 --> 01:40:41,280

hopefully we'll be able to get stephanie

2722

01:40:46,950 --> 01:40:42,880

back as well

2723

01:40:50,550 --> 01:40:46,960

i'm also going to i'm going to copy

2724

01:40:57,750 --> 01:40:50,560

stephanie's email address and

2725

01:40:57,760 --> 01:41:03,270

and tech stephanie here

2726

01:41:10,629 --> 01:41:08,310

and i'm putting her email address into

2727

01:41:12,470 --> 01:41:10,639

into the live chat if you guys uh

2728

01:41:14,229 --> 01:41:12,480

enjoyed her tarot card reading and you

2729

01:41:14,709 --> 01:41:14,239

would like to get a more detailed

2730

01:41:19,030 --> 01:41:14,719

reading

2731

01:41:23,109 --> 01:41:19,040

you can contact her at stephanie at

2732

01:41:26,950 --> 01:41:24,390

i want to thank each and every one of

2733

01:41:29,590 --> 01:41:26,960

you for joining us i will

2734

01:41:30,629 --> 01:41:29,600

also copy those links onto the facebook

2735

01:41:32,550 --> 01:41:30,639

video because there's

2736

01:41:34,070 --> 01:41:32,560

a lot of people on facebook live

2737

01:41:38,550 --> 01:41:34,080

watching tonight

2738

01:41:40,070 --> 01:41:38,560

um so i'll be sure to copy on to the

2739

01:41:41,590 --> 01:41:40,080

let's see i'm gonna do that right now

2740

01:41:44,830 --> 01:41:41,600

because i'll forget to do this and

2741

01:41:49,430 --> 01:41:47,669

uh yeah

2742

01:41:52,149 --> 01:41:49,440

i want to make sure that everybody that

2743

01:41:55,270 --> 01:41:52,159

wants to contact her is able to

2744

01:41:55,280 --> 01:42:03,830

here's her email address

2745

01:42:07,030 --> 01:42:05,910

next step for a private reading there

2746

01:42:10,790 --> 01:42:07,040

you go

2747

01:42:13,109 --> 01:42:10,800

and i'm going to copy her

2748

01:42:15,030 --> 01:42:13,119

channel address and put it in the

2749

01:42:19,669 --> 01:42:15,040

comments in the facebook live so if you

2750

01:42:30,870 --> 01:42:28,310

please sub to steph's channel

2751

01:42:32,629 --> 01:42:30,880

yeah so if you enjoyed tonight you

2752

01:42:34,390 --> 01:42:32,639

really do want to go and

2753

01:42:36,709 --> 01:42:34,400

subscribe she just started her channel

2754

01:42:39,750 --> 01:42:36,719

so she could really use

2755

01:42:41,910 --> 01:42:39,760

um more subscribers and i'd like to help

2756

01:42:44,070 --> 01:42:41,920

her out with that like i said she was

2757

01:42:47,350 --> 01:42:44,080

very kind to come and do this

2758

01:42:49,510 --> 01:42:47,360

today uh

2759

01:42:51,430 --> 01:42:49,520

i could say some you know i'm not going

2760

01:42:54,149 --> 01:42:51,440

to get negative

2761

01:42:56,149 --> 01:42:54,159

but i've asked so many of these people

2762

01:42:57,669 --> 01:42:56,159

that do tarot cards or our psychics or

2763

01:42:59,510 --> 01:42:57,679

whatever to come on our show and a lot

2764

01:43:00,229 --> 01:42:59,520

of people have just flat turned me down

2765

01:43:02,709 --> 01:43:00,239

but i think that

2766

01:43:04,229 --> 01:43:02,719

could be because we have a tendency to

2767

01:43:06,470 --> 01:43:04,239

be very skeptical here

2768

01:43:07,590 --> 01:43:06,480

and i'm trying to balance things up you

2769

01:43:09,430 --> 01:43:07,600

know and to those who

2770

01:43:10,709 --> 01:43:09,440

didn't enjoy tonight because you think

2771

01:43:13,750 --> 01:43:10,719

tarot is

2772

01:43:16,550 --> 01:43:13,760

you know hogwash or uh cold reading or

2773

01:43:18,470 --> 01:43:16,560

not valid then you know i i'm sorry we

2774

01:43:19,350 --> 01:43:18,480

can't please everybody you know some

2775

01:43:21,990 --> 01:43:19,360

shows i do

2776

01:43:23,510 --> 01:43:22,000

you may like and some you may not enjoy

2777

01:43:25,830 --> 01:43:23,520

so much

2778

01:43:27,510 --> 01:43:25,840

um but i think the vast majority of

2779

01:43:29,109 --> 01:43:27,520

people do enjoy the tarot card reading

2780

01:43:31,430 --> 01:43:29,119

so we're going to do it again with reem

2781

01:43:33,590 --> 01:43:31,440

c very very soon

2782

01:43:34,790 --> 01:43:33,600

i do want to remind you uh we have a

2783

01:43:38,229 --> 01:43:34,800

patreon here

2784

01:43:41,830 --> 01:43:38,239

and uh paypal if you would like to uh

2785

01:43:44,870 --> 01:43:41,840

donate and help the show along i

2786

01:43:47,109 --> 01:43:44,880

was sad to hear that uh cw channel's

2787

01:43:48,870 --> 01:43:47,119

channel got demonetized

2788

01:43:51,030 --> 01:43:48,880

i've been waiting eight weeks for them

2789

01:43:51,990 --> 01:43:51,040

to monetize our channel here and i have

2790

01:43:53,510 --> 01:43:52,000

a feeling they're just

2791

01:43:55,270 --> 01:43:53,520

never going to do it so we're going to

2792

01:43:55,910 --> 01:43:55,280

have to rely if you want to see the show

2793

01:43:59,189 --> 01:43:55,920

continue

2794

01:44:02,629 --> 01:43:59,199

on patreon and paypal donations there

2795

01:44:03,990 --> 01:44:02,639

is uh just go to our main channel and go

2796

01:44:07,910 --> 01:44:04,000

to the about section

2797

01:44:11,030 --> 01:44:07,920

and um yeah

2798

01:44:20,229 --> 01:44:11,040

go to the about section and there are

2799

01:44:26,709 --> 01:44:20,239

patreon and paypal donate buttons

2800

01:44:31,510 --> 01:44:29,910

i think that uh you know some people are

2801

01:44:35,189 --> 01:44:31,520

just never happy

2802

01:44:37,669 --> 01:44:35,199

no matter what you do so uh you know

2803

01:44:42,229 --> 01:44:37,679

can't please everybody i can just try to

2804

01:44:46,830 --> 01:44:45,510

z says uh my review of this channel not

2805

01:44:49,270 --> 01:44:46,840

enough audience

2806

01:44:49,910 --> 01:44:49,280

interaction hope this helps build your

2807

01:44:52,709 --> 01:44:49,920

channel

2808

01:44:54,790 --> 01:44:52,719

well uh usually we have maybe we have

2809

01:44:56,550 --> 01:44:54,800

more audience questions and interaction

2810

01:44:59,910 --> 01:44:56,560

but doing the tarot stream

2811

01:45:02,629 --> 01:44:59,920

it's kind of like i can take

2812

01:45:04,470 --> 01:45:02,639

the question and then wait for steph to

2813

01:45:06,709 --> 01:45:04,480

yeah so i'm not sure

2814

01:45:09,510 --> 01:45:06,719

uh about that victor search says good

2815

01:45:12,950 --> 01:45:09,520

job fun stream

2816

01:45:14,790 --> 01:45:12,960

yeah brandon

2817

01:45:16,310 --> 01:45:14,800

brandon that's not nice brandon says my

2818

01:45:18,790 --> 01:45:16,320

review of z not good

2819

01:45:20,550 --> 01:45:18,800

you know everybody's a critic brandon

2820

01:45:24,629 --> 01:45:20,560

and and you know what i'm okay with that

2821

01:45:25,189 --> 01:45:24,639

um it's just i've got to develop a thick

2822

01:45:26,629 --> 01:45:25,199

skin

2823

01:45:28,470 --> 01:45:26,639

because there's no way to get through

2824

01:45:29,750 --> 01:45:28,480

this without a thick skin you know

2825

01:45:31,270 --> 01:45:29,760

like some people are gonna like what you

2826

01:45:32,229 --> 01:45:31,280

do some people are not gonna like what

2827

01:45:34,390 --> 01:45:32,239

you do

2828

01:45:36,229 --> 01:45:34,400

and i'm i you know actually i'm kind of

2829

01:45:37,750 --> 01:45:36,239

happy when people are passionate one way

2830

01:45:39,030 --> 01:45:37,760

or the other it means i'm kind of doing

2831

01:45:43,350 --> 01:45:39,040

my job

2832

01:45:44,790 --> 01:45:43,360

uh get get the best guests that you can

2833

01:45:47,350 --> 01:45:44,800

and try to do a good show

2834

01:45:48,709 --> 01:45:47,360

and if people you know some people have

2835

01:45:51,590 --> 01:45:48,719

been like

2836

01:45:53,750 --> 01:45:51,600

really venomously angry at me for having

2837

01:45:55,430 --> 01:45:53,760

this guest or that guest and like okay

2838

01:45:57,669 --> 01:45:55,440

i get it you're passionate and you don't

2839

01:45:58,070 --> 01:45:57,679

like that person or what they're talking

2840

01:46:02,070 --> 01:45:58,080

about

2841

01:46:03,910 --> 01:46:02,080

or selling or you know whatever

2842

01:46:05,590 --> 01:46:03,920

yeah ring see if we can't criticize each

2843

01:46:07,910 --> 01:46:05,600

other who can we criticize

2844

01:46:10,310 --> 01:46:07,920

and bg says all feedback is good

2845

01:46:12,950 --> 01:46:10,320

feedback you know i listen to everyone

2846

01:46:15,189 --> 01:46:12,960

um even even the people who are uh

2847

01:46:17,510 --> 01:46:15,199

telling me i suck

2848

01:46:18,950 --> 01:46:17,520

uh which reminds me let me let me go and

2849

01:46:20,310 --> 01:46:18,960

check let me go and check

2850

01:46:24,070 --> 01:46:20,320

because my favorite thing in the

2851
01:46:26,950 --> 01:46:24,080
universe uh sometimes happens here

2852
01:46:28,149 --> 01:46:26,960
and uh wow we have amateur numbers

2853
01:46:31,990 --> 01:46:28,159
tonight there's only one

2854
01:46:35,109 --> 01:46:32,000
down vote uh

2855
01:46:35,830 --> 01:46:35,119
and and thank you the camb v says

2856
01:46:38,149 --> 01:46:35,840
cambian

2857
01:46:40,310 --> 01:46:38,159
is consistently the one of the most

2858
01:46:45,750 --> 01:46:40,320
pleasant to interact with as is his

2859
01:46:49,590 --> 01:46:47,350
seller marshall wants me to gain 200

2860
01:46:51,590 --> 01:46:49,600
pounds and start tagging

2861
01:46:52,830 --> 01:46:51,600
start tagging to be the alex jones of

2862
01:46:58,229 --> 01:46:52,840
ufology

2863
01:47:02,550 --> 01:47:01,510

the reptile cop yeah i know i know rogue

2864

01:47:04,390 --> 01:47:02,560

status

2865

01:47:06,229 --> 01:47:04,400

that was a weird one you know some of

2866

01:47:07,109 --> 01:47:06,239

them are going to be weird weird is good

2867

01:47:09,430 --> 01:47:07,119

sometimes

2868

01:47:10,950 --> 01:47:09,440

yeah so i really gotta bounce out of

2869

01:47:11,350 --> 01:47:10,960

here and load up this wood stove before

2870

01:47:13,590 --> 01:47:11,360

i

2871

01:47:16,229 --> 01:47:13,600

freeze to death that's my goal for

2872

01:47:17,830 --> 01:47:16,239

tonight is to not freeze to death

2873

01:47:19,350 --> 01:47:17,840

i want to thank each and every one of

2874

01:47:21,750 --> 01:47:19,360

you for joining us tonight i want to

2875

01:47:22,390 --> 01:47:21,760

thank everybody for the comment for the

2876

01:47:25,189 --> 01:47:22,400

positive

2877

01:47:27,270 --> 01:47:25,199

comments and encouragement and also for

2878

01:47:29,270 --> 01:47:27,280

being very respectful to the guest even

2879

01:47:31,189 --> 01:47:29,280

if you really don't believe in psychics

2880

01:47:32,870 --> 01:47:31,199

or tarot card reading and everybody

2881

01:47:35,270 --> 01:47:32,880

knows i'm quite skeptical

2882

01:47:35,990 --> 01:47:35,280

so i try to bring the best quality

2883

01:47:38,390 --> 01:47:36,000

person that i could

2884

01:47:40,629 --> 01:47:38,400

find that would do it right and and i

2885

01:47:42,149 --> 01:47:40,639

hope that you all had a good time

2886

01:47:44,229 --> 01:47:42,159

i'm always happy when there's an

2887

01:47:45,910 --> 01:47:44,239

audience we had a great audience tonight

2888

01:47:46,390 --> 01:47:45,920

i want to thank you for being a part of

2889

01:47:47,910 --> 01:47:46,400

it

2890

01:47:49,430 --> 01:47:47,920

until next time friends my name is

2891

01:48:09,530 --> 01:47:49,440

stephen champion good night

2892

01:49:07,190 --> 01:48:16,210

[Music]

2893

01:49:32,070 --> 01:49:07,200

[Applause]

2894

01:49:34,150 --> 01:49:32,080

[Music]

2895

01:50:02,330 --> 01:49:34,160

[Applause]

2896

01:50:03,330 --> 01:50:02,340

[Music]
