[Applause]

3
00:01:58,149 --> 00:00:37,850

[Music]

4
00:02:02,789 --> 00:01:58,870

greetings

5
00:02:05,990 --> 00:02:02,799
and salutations friends and welcome back

6
00:02:09,190 --> 00:02:06,000
so today i thought we would cover uh

7
00:02:12,309 --> 00:02:09,200
some recent news uh which many

8
00:02:15,430 --> 00:02:12,319
in the ufo community are talking about

9
00:02:19,670 --> 00:02:15,440
and that is that one time witness

10
00:02:22,710 --> 00:02:19,680
to uh the

11
00:02:23,430 --> 00:02:22,720
travis walton abduction mike heston

12
00:02:30,309 --> 00:02:23,440
rogers

13
00:02:37,670 --> 00:02:34,830

recently posting a message on facebook

14

00:02:39,030 --> 00:02:37,680

uh and there's like hundreds of replies

15

00:02:42,550 --> 00:02:39,040

to it

16

00:02:43,270 --> 00:02:42,560

which i find interesting um but the post

17

00:02:44,790 --> 00:02:43,280

reads i

18

00:02:46,949 --> 00:02:44,800

michael rogers being of sound and

19

00:02:48,790 --> 00:02:46,959

rational mind you hereby give notice

20

00:02:49,990 --> 00:02:48,800

that i am no longer to be considered a

21

00:02:53,110 --> 00:02:50,000

witness to travis

22

00:02:57,030 --> 00:02:53,120

c walton's supposed abduction of

23

00:03:01,110 --> 00:02:57,040

november 5th 1975

24

00:03:03,990 --> 00:03:01,120

and for those who are not

25

00:03:05,350 --> 00:03:04,000

very familiar with the travis walton

26

00:03:08,470 --> 00:03:05,360

case

27

00:03:11,830 --> 00:03:08,480

it's one of the probably the

28

00:03:13,670 --> 00:03:11,840

between abduction ufo abduction alien

29

00:03:15,750 --> 00:03:13,680

abduction cases

30

00:03:17,350 --> 00:03:15,760

i would say the two most popular or

31

00:03:17,990 --> 00:03:17,360

talked about are the barney and betty

32

00:03:21,670 --> 00:03:18,000

hill case

33

00:03:25,990 --> 00:03:21,680

and the travis walton ufo incident

34

00:03:28,550 --> 00:03:26,000

i'm reading directly from wikipedia here

35

00:03:29,509 --> 00:03:28,560

and just giving a brief overview of the

36

00:03:31,270 --> 00:03:29,519

event

37

00:03:33,430 --> 00:03:31,280

the travis walton incident was an

38

00:03:35,589 --> 00:03:33,440

alleged alien abduction of american

39

00:03:39,430 --> 00:03:35,599

forestry worker travis walton

40

00:03:42,470 --> 00:03:39,440

by a ufo on november 5th 1975

41

00:03:43,750 --> 00:03:42,480

while he was working in the apache still

42

00:03:45,830 --> 00:03:43,760

graves national forest

43

00:03:47,990 --> 00:03:45,840

near snowflake arizona walton was

44

00:03:49,750 --> 00:03:48,000

missing for five days and six hours

45

00:03:52,869 --> 00:03:49,760

after days of searching

46

00:03:53,350 --> 00:03:52,879

with scent dogs and helicopters walton

47

00:03:55,509 --> 00:03:53,360

says

48

00:03:56,630 --> 00:03:55,519

he reappeared by the side of the road

49

00:03:59,110 --> 00:03:56,640

near heber

50

00:04:01,190 --> 00:03:59,120

arizona the walton case received

51
00:04:03,270 --> 00:04:01,200
mainstream publicity and remains one of

52
00:04:05,830 --> 00:04:03,280
the best known alien abduction stories

53
00:04:07,830 --> 00:04:05,840
while skeptics consider it a hoax

54
00:04:10,309 --> 00:04:07,840
walt wrote a book about his proposed

55
00:04:12,470 --> 00:04:10,319
abduction in 1978 called the walton

56
00:04:16,150 --> 00:04:12,480
experience which was adapted

57
00:04:19,990 --> 00:04:16,160
into the 1990 hollywood film

58
00:04:20,310 --> 00:04:20,000
fire in the sky so yeah this is one of

59
00:04:22,870 --> 00:04:20,320
the

60
00:04:25,110 --> 00:04:22,880
most talked about most popular alien

61
00:04:27,030 --> 00:04:25,120
abduction stories

62
00:04:28,310 --> 00:04:27,040
and there's several reasons i think for

63
00:04:30,629 --> 00:04:28,320

that first of all

64

00:04:31,830 --> 00:04:30,639

you know the popularity of it having

65

00:04:34,710 --> 00:04:31,840

received

66

00:04:38,070 --> 00:04:34,720

a hollywood movie about the event

67

00:04:42,390 --> 00:04:38,080

certainly popularized him

68

00:04:44,950 --> 00:04:42,400

to a pretty extreme degree and mr walton

69

00:04:45,830 --> 00:04:44,960

uh has been making the rounds at ufo

70

00:04:49,030 --> 00:04:45,840

conferences

71

00:04:50,310 --> 00:04:49,040

and alien con contact in the desert all

72

00:04:53,990 --> 00:04:50,320

the biggest conferences

73

00:04:55,350 --> 00:04:54,000

for decades now i have never covered

74

00:04:58,950 --> 00:04:55,360

this case

75

00:05:02,070 --> 00:04:58,960

be

76

00:05:04,390 --> 00:05:02,080
neither provable or disprovable

77

00:05:05,430 --> 00:05:04,400
and that's a problem with a great number

78

00:05:09,029 --> 00:05:05,440
of

79

00:05:12,070 --> 00:05:09,039
uh supposed ufo

80

00:05:13,749 --> 00:05:12,080
cases let alone ufo alien abduction

81

00:05:15,510 --> 00:05:13,759
cases

82

00:05:16,870 --> 00:05:15,520
the few things that stand out about

83

00:05:20,710 --> 00:05:16,880
travis walton's case

84

00:05:23,350 --> 00:05:20,720
is most usually alien abduction people

85

00:05:25,909 --> 00:05:23,360
uh claim the event took place over

86

00:05:27,029 --> 00:05:25,919
several hours but mr travis walton's

87

00:05:30,150 --> 00:05:27,039
event

88

00:05:32,790 --> 00:05:30,160

actually took place over five days

89

00:05:33,510 --> 00:05:32,800

and six hours he was gone for five days

90

00:05:36,710 --> 00:05:33,520

and six

91

00:05:40,310 --> 00:05:36,720

hours as i recall he was returned

92

00:05:40,320 --> 00:05:45,670

suffering from dehydration

93

00:05:49,270 --> 00:05:47,510

what else can i tell you about the case

94

00:05:53,110 --> 00:05:49,280

except that

95

00:05:56,629 --> 00:05:53,120

like a lot of these cases this one

96

00:05:58,629 --> 00:05:56,639

this one has problems first of all

97

00:06:01,270 --> 00:05:58,639

supporters of the case including travis

98

00:06:05,270 --> 00:06:01,280

walton are very quick to point out

99

00:06:08,230 --> 00:06:05,280

and they did so in the movie well

100

00:06:10,469 --> 00:06:08,240

the logging crew and travis walton all

101

00:06:13,590 --> 00:06:10,479

pass lie detector tests

102

00:06:17,029 --> 00:06:13,600

but that's not quite accurate in fact

103

00:06:20,550 --> 00:06:17,039

uh the first lie detector test issued

104

00:06:21,029 --> 00:06:20,560

was issued to mr travis walton arranged

105

00:06:23,670 --> 00:06:21,039

by

106

00:06:26,390 --> 00:06:23,680

the national enquirer who had he had

107

00:06:28,070 --> 00:06:26,400

sold his story rights to just days after

108

00:06:30,230 --> 00:06:28,080

the event

109

00:06:31,749 --> 00:06:30,240

that gives me pause and makes me

110

00:06:33,590 --> 00:06:31,759

suspicious

111

00:06:34,870 --> 00:06:33,600

you just suffered this traumatic

112

00:06:36,150 --> 00:06:34,880

life-changing event

113

00:06:41,430 --> 00:06:36,160

and you're talking to the national

114

00:06:47,670 --> 00:06:44,469

also many people

115

00:06:47,990 --> 00:06:47,680

close to travis walton in the form of

116

00:06:50,790 --> 00:06:48,000

friends

117

00:06:51,990 --> 00:06:50,800

or family have stated on the record that

118

00:06:55,510 --> 00:06:52,000

travis walton

119

00:06:56,230 --> 00:06:55,520

had a keen interest in ufos before this

120

00:06:58,230 --> 00:06:56,240

event

121

00:07:00,790 --> 00:06:58,240

he's claimed that he didn't but others

122

00:07:05,270 --> 00:07:00,800

claimed that he did

123

00:07:07,350 --> 00:07:05,280

that gives me a good deal of suspicion

124

00:07:09,189 --> 00:07:07,360

if we go to the rational wiki about

125

00:07:13,510 --> 00:07:09,199

travis walton

126
00:07:14,150 --> 00:07:13,520
um we see problems with the story walton

127
00:07:16,629 --> 00:07:14,160
and his

128
00:07:18,950 --> 00:07:16,639
and some of his family members believed

129
00:07:20,629 --> 00:07:18,960
they'd seen numerous ufos over the years

130
00:07:23,749 --> 00:07:20,639
and were obsessed with the idea of

131
00:07:25,510 --> 00:07:23,759
alien contact another problem with the

132
00:07:27,830 --> 00:07:25,520
story as a ufo enthusiast

133
00:07:29,510 --> 00:07:27,840
walton would have been aware uh the

134
00:07:31,510 --> 00:07:29,520
national enquirer offered a five

135
00:07:35,430 --> 00:07:31,520
thousand dollar reward for positive

136
00:07:37,589 --> 00:07:35,440
proof of an extraterrestrial encounter

137
00:07:39,350 --> 00:07:37,599
uh interestingly walton and the other

138
00:07:41,909 --> 00:07:39,360

crew members divided the five

139

00:07:46,309 --> 00:07:41,919

thousand dollar prize and gave exclusive

140

00:07:49,749 --> 00:07:47,670

another problem with the story is that

141

00:07:51,589 --> 00:07:49,759

walton's medical exams

142

00:07:53,990 --> 00:07:51,599

and initial failed but kept secret

143

00:07:56,070 --> 00:07:54,000

polygraph tests were set up and paid for

144

00:07:58,710 --> 00:07:56,080

by the national enquirer

145

00:08:00,550 --> 00:07:58,720

so anytime you hear travis walton or a

146

00:08:01,909 --> 00:08:00,560

supporter of his say well he passed lie

147

00:08:04,629 --> 00:08:01,919

detectors he's taken

148

00:08:05,909 --> 00:08:04,639

a whole bunch of lie detectors i believe

149

00:08:08,469 --> 00:08:05,919

six

150

00:08:09,909 --> 00:08:08,479

at last count and he failed at least two

151
00:08:13,029 --> 00:08:09,919
of them

152
00:08:16,150 --> 00:08:13,039
take from that what you will um

153
00:08:19,270 --> 00:08:16,160
but you know we've visited this

154
00:08:21,270 --> 00:08:19,280
sort of problem that i have with people

155
00:08:22,710 --> 00:08:21,280
claiming polygraph evidence in the bob

156
00:08:24,790 --> 00:08:22,720
lazar case

157
00:08:27,029 --> 00:08:24,800
in bob lazars case he passed four lie

158
00:08:29,029 --> 00:08:27,039
detector tests no he didn't he failed

159
00:08:31,189 --> 00:08:29,039
the first one and then took a few more

160
00:08:32,630 --> 00:08:31,199
and you don't just keep taking polygraph

161
00:08:35,110 --> 00:08:32,640
tests until you get

162
00:08:36,070 --> 00:08:35,120
the results you want you get one shot at

163
00:08:41,029 --> 00:08:36,080

it

164

00:08:43,829 --> 00:08:41,039

examiner

165

00:08:45,190 --> 00:08:43,839

if you fail you fail you don't just keep

166

00:08:48,389 --> 00:08:45,200

taking polygraphs

167

00:08:51,829 --> 00:08:48,399

so uh you know i have a real

168

00:08:55,030 --> 00:08:51,839

problem with this uh a real problem with

169

00:08:58,230 --> 00:08:55,040

this story

170

00:09:02,389 --> 00:08:58,240

now i'm going to check in with

171

00:09:10,870 --> 00:09:07,350

i'm going to share mike heston's rogers

172

00:09:12,550 --> 00:09:10,880

statement here so just bear with me

173

00:09:13,910 --> 00:09:12,560

friends i'm going to cite fair use even

174

00:09:15,750 --> 00:09:13,920

though this is a public

175

00:09:18,870 --> 00:09:15,760

this is a public facebook page and for

176

00:09:23,750 --> 00:09:22,150

this gentleman was the boss of the

177

00:09:26,949 --> 00:09:23,760

logging crew

178

00:09:30,949 --> 00:09:26,959

and the person driving the vehicle

179

00:09:34,389 --> 00:09:30,959

he has always uh backed up

180

00:09:35,509 --> 00:09:34,399

mr travis walton's story that is until

181

00:09:38,230 --> 00:09:35,519

recently

182

00:09:38,870 --> 00:09:38,240

and uh we can get into what changed but

183

00:09:41,910 --> 00:09:38,880

for now

184

00:09:46,630 --> 00:09:41,920

let's just look at his actual

185

00:09:49,030 --> 00:09:46,640

his actual statement um

186

00:09:50,389 --> 00:09:49,040

one second let me see if we can get that

187

00:09:55,509 --> 00:09:50,399

bigger

188

00:10:00,070 --> 00:09:59,110

so friends uh one second let me fix my

189

00:10:03,110 --> 00:10:00,080

background here

190

00:10:05,750 --> 00:10:03,120

i always forget to do that

191

00:10:07,750 --> 00:10:05,760

so i michael rogers being of sound and

192

00:10:09,110 --> 00:10:07,760

rational mind do hereby give notice that

193

00:10:10,630 --> 00:10:09,120

i am no longer to be considered a

194

00:10:13,030 --> 00:10:10,640

witness to travis c

195

00:10:15,670 --> 00:10:13,040

walton's supposed abduction of november

196

00:10:18,630 --> 00:10:15,680

5th 1975.

197

00:10:19,750 --> 00:10:18,640

now it's interesting that mr rogers boy

198

00:10:23,829 --> 00:10:19,760

that sounds funny to say

199

00:10:26,150 --> 00:10:23,839

mr rogers not that mr rogers this mr

200

00:10:29,829 --> 00:10:26,160

rogers michael h rogers has written

201
00:10:34,470 --> 00:10:32,230
he has written a bunch of books related

202
00:10:39,509 --> 00:10:34,480
to alien contact ufos

203
00:10:42,470 --> 00:10:39,519
and things like that and also

204
00:10:44,310 --> 00:10:42,480
i believe and i have substantial and

205
00:10:45,990 --> 00:10:44,320
supportive evidence of this that mr

206
00:10:48,150 --> 00:10:46,000
michael rogers

207
00:10:50,630 --> 00:10:48,160
has benefited financially from travis

208
00:10:53,430 --> 00:10:50,640
walton's story on multiple occasions

209
00:10:54,389 --> 00:10:53,440
in other words he got cut in on the deal

210
00:10:56,710 --> 00:10:54,399
when uh

211
00:10:58,470 --> 00:10:56,720
travis walton sold the story or i'm

212
00:11:00,069 --> 00:10:58,480
sorry accepted the prize from the

213
00:11:01,590 --> 00:11:00,079

national enquirer for five thousand

214

00:11:04,630 --> 00:11:01,600

dollars he split some

215

00:11:06,710 --> 00:11:04,640

off to mr michael rogers

216

00:11:09,590 --> 00:11:06,720

now if we are to assume that this was

217

00:11:13,190 --> 00:11:09,600

all a hoax just to generate money

218

00:11:16,470 --> 00:11:13,200

uh that's a motive to me

219

00:11:18,550 --> 00:11:16,480

additionally uh when travis walton sold

220

00:11:22,069 --> 00:11:18,560

his story to the national enquirer

221

00:11:24,870 --> 00:11:22,079

also gave some money to michael rogers

222

00:11:26,829 --> 00:11:24,880

was that for being a witness and for

223

00:11:30,150 --> 00:11:26,839

helping prop up the story

224

00:11:33,350 --> 00:11:30,160

maybe now there is a very extremely long

225

00:11:36,790 --> 00:11:33,360

thread here uh after he posted this

226

00:11:38,230 --> 00:11:36,800

on facebook and the waters get muddy

227

00:11:39,350 --> 00:11:38,240

because people ask him are you saying

228

00:11:43,829 --> 00:11:39,360

the event never happened

229

00:11:45,829 --> 00:11:43,839

are you saying that you didn't witness

230

00:11:48,389 --> 00:11:45,839

the abduction of travis walton

231

00:11:50,470 --> 00:11:48,399

and he says no none of us witnessed the

232

00:11:53,030 --> 00:11:50,480

abduction of travis walton

233

00:11:54,710 --> 00:11:53,040

but if you go by the story travis walton

234

00:11:56,550 --> 00:11:54,720

got hit by a beam of light out of the

235

00:11:57,509 --> 00:11:56,560

spaceship and then those guys turned

236

00:11:59,590 --> 00:11:57,519

tail and ran

237

00:12:01,350 --> 00:11:59,600

they thought he was dead so they didn't

238

00:12:03,190 --> 00:12:01,360

actually see aliens

239

00:12:05,910 --> 00:12:03,200

taking him into a spaceship or anything

240

00:12:10,790 --> 00:12:07,910

part of the way down in this thread

241

00:12:13,750 --> 00:12:10,800

though it seems that we get to the meat

242

00:12:14,150 --> 00:12:13,760

of why mr michael h rogers has suddenly

243

00:12:16,550 --> 00:12:14,160

uh

244

00:12:18,629 --> 00:12:16,560

had a change of heart and does and no

245

00:12:19,750 --> 00:12:18,639

longer wants to be associated as a

246

00:12:21,829 --> 00:12:19,760

witness

247

00:12:24,550 --> 00:12:21,839

to travis c walton's supposed abduction

248

00:12:27,430 --> 00:12:24,560

of november 5th 1975.

249

00:12:28,629 --> 00:12:27,440

and that is that travis walton is making

250

00:12:32,629 --> 00:12:28,639

a new movie deal

251
00:12:38,310 --> 00:12:35,110
now this certainly is opinion and

252
00:12:41,430 --> 00:12:38,320
speculation but one could speculate

253
00:12:43,509 --> 00:12:41,440
that mr michael h rogers is not very

254
00:12:44,230 --> 00:12:43,519
happy that he's not getting a piece of

255
00:12:47,829 --> 00:12:44,240
the next

256
00:12:49,190 --> 00:12:47,839
movie deal right and suddenly decided

257
00:12:50,230 --> 00:12:49,200
since he's not getting a piece of the

258
00:12:53,350 --> 00:12:50,240
money

259
00:12:55,990 --> 00:12:53,360
he's recanting being a witness

260
00:12:57,910 --> 00:12:56,000
to this event that he by the way has

261
00:12:58,790 --> 00:12:57,920
been a witness to this event for decades

262
00:13:00,949 --> 00:12:58,800
now

263
00:13:03,190 --> 00:13:00,959

so when it financially suits him to be a

264

00:13:05,430 --> 00:13:03,200

witness to the event he does

265

00:13:07,430 --> 00:13:05,440

suddenly travis walton is making side

266

00:13:09,990 --> 00:13:07,440

deals with new movies

267

00:13:11,990 --> 00:13:10,000

and not telling mr michael h rogers and

268

00:13:16,150 --> 00:13:12,000

suddenly he has a problem

269

00:13:18,310 --> 00:13:16,160

with this situation

270

00:13:21,030 --> 00:13:18,320

more evidence that this story is

271

00:13:23,190 --> 00:13:21,040

concocted money money-making scam

272

00:13:24,310 --> 00:13:23,200

and there is substantial and supportive

273

00:13:28,949 --> 00:13:24,320

evidence

274

00:13:33,590 --> 00:13:31,990

yes cal court was here they likely did

275

00:13:35,670 --> 00:13:33,600

their hoax to get out of wood cutting

276

00:13:38,470 --> 00:13:35,680

contract you're absolutely right because

277

00:13:42,470 --> 00:13:40,629

walton's supposed abduction provide the

278

00:13:44,629 --> 00:13:42,480

much needed act of god

279

00:13:47,189 --> 00:13:44,639

in the contract that enabled logging

280

00:13:47,990 --> 00:13:47,199

contractor mike rogers to avoid costly

281

00:13:50,710 --> 00:13:48,000

penalties due

282

00:13:52,470 --> 00:13:50,720

to the crew falling far behind schedule

283

00:13:55,269 --> 00:13:52,480

in that contract

284

00:13:57,189 --> 00:13:55,279

more problems with the story many have

285

00:13:58,790 --> 00:13:57,199

pointed out that walton and rogers could

286

00:13:59,509 --> 00:13:58,800

have worked together to fool the rest of

287

00:14:01,509 --> 00:13:59,519

the queue

288

00:14:03,030 --> 00:14:01,519

easily rigging up some glowing light or

289

00:14:04,870 --> 00:14:03,040

other prop to make

290

00:14:07,990 --> 00:14:04,880

the other five think they've seen an

291

00:14:11,509 --> 00:14:08,000

alien or ufo spaceship

292

00:14:13,350 --> 00:14:11,519

also a big problem i have with the story

293

00:14:15,670 --> 00:14:13,360

and that is when the walton family is

294

00:14:17,829 --> 00:14:15,680

faced with embarrassing questions

295

00:14:19,670 --> 00:14:17,839

the entire walton family decided that

296

00:14:20,710 --> 00:14:19,680

they would only talk to people who did

297

00:14:23,750 --> 00:14:20,720

not doubt

298

00:14:26,069 --> 00:14:23,760

the abduction by alien story mr

299

00:14:27,590 --> 00:14:26,079

travis walton going so far as to

300

00:14:29,910 --> 00:14:27,600

instruct family members

301
00:14:31,030 --> 00:14:29,920
to not speak to any members of the media

302
00:14:33,269 --> 00:14:31,040
until he

303
00:14:34,150 --> 00:14:33,279
had vetted them and decided whether or

304
00:14:37,030 --> 00:14:34,160
not

305
00:14:38,069 --> 00:14:37,040
he and his family would speak to them in

306
00:14:40,069 --> 00:14:38,079
other words

307
00:14:41,590 --> 00:14:40,079
if you're kind to my story and you're

308
00:14:43,110 --> 00:14:41,600
going to tell it my way

309
00:14:46,150 --> 00:14:43,120
i'll talk to you and give you an

310
00:14:48,550 --> 00:14:46,160
interview if you're skeptical

311
00:14:49,910 --> 00:14:48,560
and want to ask very hard important

312
00:14:52,310 --> 00:14:49,920
questions like why

313
00:14:53,990 --> 00:14:52,320

travis walton are you claiming you pass

314

00:14:55,189 --> 00:14:54,000

lie detector test when you failed the

315

00:14:58,389 --> 00:14:55,199

first one

316

00:15:00,710 --> 00:14:58,399

given to you right or other

317

00:15:01,910 --> 00:15:00,720

blaringly obvious problems with this

318

00:15:03,030 --> 00:15:01,920

story if people are going to ask

319

00:15:07,110 --> 00:15:03,040

questions

320

00:15:08,629 --> 00:15:07,120

not talk to them

321

00:15:10,949 --> 00:15:08,639

he will not allow himself to be

322

00:15:13,430 --> 00:15:10,959

interviewed by highly skeptical people

323

00:15:14,230 --> 00:15:13,440

asking hard questions never has even

324

00:15:17,110 --> 00:15:14,240

gone as far

325

00:15:17,509 --> 00:15:17,120

as to instruct his family to not speak

326
00:15:19,829 --> 00:15:17,519
to

327
00:15:20,710 --> 00:15:19,839
any member of the media until he had

328
00:15:23,829 --> 00:15:20,720
approved

329
00:15:24,829 --> 00:15:23,839
that they could right that's more than a

330
00:15:28,389 --> 00:15:24,839
little bit

331
00:15:32,230 --> 00:15:30,470
okay victor claro just finished a

332
00:15:32,710 --> 00:15:32,240
one-hour interview with mike rogers on

333
00:15:36,230 --> 00:15:32,720
skype

334
00:15:37,910 --> 00:15:36,240
literally 10 minutes ago yeah so what

335
00:15:39,749 --> 00:15:37,920
what's the gist of uh

336
00:15:41,269 --> 00:15:39,759
what what is he saying then because in

337
00:15:44,550 --> 00:15:41,279
this facebook

338
00:15:46,470 --> 00:15:44,560

posts he is pretty vague like

339

00:15:49,189 --> 00:15:46,480

are you saying that the event never

340

00:15:51,269 --> 00:15:49,199

happened oh i didn't say that

341

00:15:52,389 --> 00:15:51,279

are you saying that you the you didn't

342

00:15:55,509 --> 00:15:52,399

witness the abduction

343

00:15:58,389 --> 00:15:55,519

we never witnessed an abduction

344

00:16:01,670 --> 00:15:58,399

you know this sort of uh he's talking

345

00:16:05,110 --> 00:16:01,680

out of both sides of his mouth

346

00:16:08,310 --> 00:16:05,120

the gist that i got from the facebook

347

00:16:09,110 --> 00:16:08,320

the facebook thread though is that he's

348

00:16:11,590 --> 00:16:09,120

pissed off

349

00:16:12,629 --> 00:16:11,600

because travis walton is making a new

350

00:16:15,990 --> 00:16:12,639

movie deal

351
00:16:17,590 --> 00:16:16,000
and did not share that information with

352
00:16:19,990 --> 00:16:17,600
him

353
00:16:20,870 --> 00:16:20,000
so is this situation completely and

354
00:16:22,629 --> 00:16:20,880
totally just

355
00:16:24,230 --> 00:16:22,639
over money why is a guy who's been

356
00:16:26,629 --> 00:16:24,240
telling the same story for 40 years

357
00:16:28,550 --> 00:16:26,639
suddenly change his story

358
00:16:30,629 --> 00:16:28,560
right after travis walton tries to make

359
00:16:32,069 --> 00:16:30,639
a movie deal and not let him in on that

360
00:16:34,710 --> 00:16:32,079
movie deal

361
00:16:36,550 --> 00:16:34,720
this my friends to me is substantial and

362
00:16:40,069 --> 00:16:36,560
supportive evidence that this is all

363
00:16:42,629 --> 00:16:40,079

a money-making scam right and by the way

364

00:16:43,430 --> 00:16:42,639

travis walton how much money does travis

365

00:16:47,590 --> 00:16:43,440

walton

366

00:16:50,470 --> 00:16:47,600

uh need to make uh i i'm told

367

00:16:53,110 --> 00:16:50,480

that he got a seven figure deal uh from

368

00:16:55,430 --> 00:16:53,120

the producer of the hollywood movie

369

00:16:56,629 --> 00:16:55,440

fire in the sky and of course uh seven

370

00:16:57,670 --> 00:16:56,639

figures that would mean a million

371

00:17:00,710 --> 00:16:57,680

dollars or more

372

00:17:02,870 --> 00:17:00,720

right he's had to have made

373

00:17:14,230 --> 00:17:02,880

probably another million selling his

374

00:17:17,669 --> 00:17:16,710

okay so now victor is saying he just

375

00:17:19,829 --> 00:17:17,679

finished interviewing

376

00:17:22,390 --> 00:17:19,839

he believes the story but it got angry

377

00:17:24,549 --> 00:17:22,400

at travis because he didn't share

378

00:17:25,590 --> 00:17:24,559

book money with him and apparently also

379

00:17:29,750 --> 00:17:25,600

victor there is

380

00:17:31,430 --> 00:17:29,760

a a hollywood another hollywood movie

381

00:17:32,310 --> 00:17:31,440

deal in the works that he is not going

382

00:17:37,110 --> 00:17:32,320

to be sharing

383

00:17:41,270 --> 00:17:39,590

yes all around arbiter says travis

384

00:17:43,110 --> 00:17:41,280

walton wants to control the narrative

385

00:17:46,070 --> 00:17:43,120

the truth should never fear

386

00:17:47,350 --> 00:17:46,080

uh investigation and he shouldn't fear

387

00:17:49,350 --> 00:17:47,360

softball

388

00:17:51,270 --> 00:17:49,360

questions or you mean hardball questions

389

00:17:52,630 --> 00:17:51,280

if he's being truthful i agree he should

390

00:17:55,110 --> 00:17:52,640

allow himself to be interviewed by

391

00:17:57,830 --> 00:17:55,120

anyone

392

00:17:59,830 --> 00:17:57,840

oh here we go uh kalkwarf chimes in he

393

00:18:00,390 --> 00:17:59,840

failed his urine test proving he was not

394

00:18:03,830 --> 00:18:00,400

without

395

00:18:05,190 --> 00:18:03,840

food for five days analysis proved that

396

00:18:07,430 --> 00:18:05,200

he had eaten

397

00:18:09,350 --> 00:18:07,440

maybe the aliens gave him some bananas

398

00:18:12,549 --> 00:18:09,360

calculus and alien bananas

399

00:18:15,270 --> 00:18:12,559

you don't know why why

400

00:18:16,950 --> 00:18:15,280

so skeptical kalkorf maybe the aliens

401

00:18:19,430 --> 00:18:16,960

gave him like

402

00:18:20,070 --> 00:18:19,440

an alien hungry man dinner maybe they

403

00:18:22,150 --> 00:18:20,080

got

404

00:18:23,909 --> 00:18:22,160

the equivalent of a hungry man dinner

405

00:18:26,310 --> 00:18:23,919

right

406

00:18:27,590 --> 00:18:26,320

this is extremely suspect to me the

407

00:18:29,669 --> 00:18:27,600

whole thing like he

408

00:18:31,990 --> 00:18:29,679

is always claims that he went without

409

00:18:33,990 --> 00:18:32,000

food and water for five days

410

00:18:35,190 --> 00:18:34,000

right uh first of all if you go without

411

00:18:36,470 --> 00:18:35,200

water for five days you're probably

412

00:18:39,990 --> 00:18:36,480

gonna die

413

00:18:41,510 --> 00:18:40,000

right and and again as the story goes he

414

00:18:43,990 --> 00:18:41,520

was extremely malnourished and

415

00:18:47,510 --> 00:18:44,000

dehydrated when filmed

416

00:18:50,070 --> 00:18:47,520

after the aliens dropped him back off

417

00:18:51,750 --> 00:18:50,080

um but according to kalkur if the urine

418

00:18:55,190 --> 00:18:51,760

test proves that he was not without food

419

00:18:59,510 --> 00:18:55,200

for five days so what was he eating

420

00:19:03,430 --> 00:18:59,520

alien food is that compatible with human

421

00:19:10,549 --> 00:19:06,789

yeah oh i'm sorry uh victor is

422

00:19:12,470 --> 00:19:10,559

uh is correcting me he got a hundred

423

00:19:15,029 --> 00:19:12,480

thousand dollars for the movie fire in

424

00:19:17,510 --> 00:19:15,039

the sky i heard he'd gotten a million

425

00:19:19,270 --> 00:19:17,520

uh maybe he got some of the back end and

426

00:19:20,230 --> 00:19:19,280

it added up to a million the film did

427

00:19:28,870 --> 00:19:20,240

very well victor

428

00:19:32,310 --> 00:19:30,950

victor cagliari also says the book fire

429

00:19:33,909 --> 00:19:32,320

in the sky sells for forty

430

00:19:35,669 --> 00:19:33,919

five dollars and cost three dollars to

431

00:19:38,470 --> 00:19:35,679

make

432

00:19:40,230 --> 00:19:38,480

mike says travis sold two 000 copies i

433

00:19:42,630 --> 00:19:40,240

would venture to guess victor that he

434

00:19:44,470 --> 00:19:42,640

has sold a lot more than 2 000 copies

435

00:19:46,870 --> 00:19:44,480

uh first of all he's been selling that

436

00:19:48,390 --> 00:19:46,880

book on the ufo circuit at every ufo

437

00:19:51,990 --> 00:19:48,400

conference he appears at

438

00:19:54,390 --> 00:19:52,000

uh since the 70s so i think he's sold

439

00:19:56,710 --> 00:19:54,400

a hell of a lot more than 2 000 copies

440

00:19:58,870 --> 00:19:56,720

plus now we have things like you know

441

00:20:01,029 --> 00:19:58,880

amazon and lulu and all these other

442

00:20:04,310 --> 00:20:01,039

places that you can purchase books

443

00:20:06,070 --> 00:20:04,320

online from very little you know high

444

00:20:08,789 --> 00:20:06,080

profit to the author

445

00:20:10,230 --> 00:20:08,799

uh he was just on joe rogan i betcha his

446

00:20:13,350 --> 00:20:10,240

appearance on joe rogan

447

00:20:16,549 --> 00:20:13,360

alone just sold him 2 000 copies

448

00:20:22,230 --> 00:20:16,559

uh of that book but again that's opinion

449

00:20:26,310 --> 00:20:25,029

says nothing non-earth or unknown showed

450

00:20:30,070 --> 00:20:26,320

up in chemical

451
00:20:36,789 --> 00:20:34,630
yeah this is a problem

452
00:20:38,870 --> 00:20:36,799
brock is asking if close encounters are

453
00:20:40,549 --> 00:20:38,880
real so this is a problem when these

454
00:20:43,029 --> 00:20:40,559
storytellers get confronted with

455
00:20:43,909 --> 00:20:43,039
actual science right that can disprove

456
00:20:47,029 --> 00:20:43,919
them

457
00:20:49,990 --> 00:20:47,039
you know they have a big problem

458
00:20:51,430 --> 00:20:50,000
um but back to the subject of lie

459
00:20:59,029 --> 00:20:51,440
detectors

460
00:21:03,510 --> 00:21:01,190
back to the subject so i'm reading from

461
00:21:04,230 --> 00:21:03,520
an article in skeptic blog by michael

462
00:21:07,669 --> 00:21:04,240
schermer

463
00:21:10,470 --> 00:21:07,679

you know a well-known ufo skeptic

464

00:21:12,630 --> 00:21:10,480

okay so it says although walton passed a

465

00:21:14,230 --> 00:21:12,640

polygraph test arranged by a ufo

466

00:21:17,029 --> 00:21:14,240

organization

467

00:21:18,789 --> 00:21:17,039

uh he's talking about philip class phil

468

00:21:20,630 --> 00:21:18,799

class learned that walton dictated to

469

00:21:22,710 --> 00:21:20,640

the examiner what questions

470

00:21:24,149 --> 00:21:22,720

would be asked further investigation by

471

00:21:26,390 --> 00:21:24,159

class led him

472

00:21:28,710 --> 00:21:26,400

to an earlier unpublished polygraph test

473

00:21:30,070 --> 00:21:28,720

of walton conducted by jack mccarthy one

474

00:21:33,430 --> 00:21:30,080

of the top eight polygraph

475

00:21:37,430 --> 00:21:35,590

mccarthy gave class as a set his

476

00:21:38,470 --> 00:21:37,440

assessment of walton's story gross

477

00:21:41,029 --> 00:21:38,480

deception

478

00:21:41,990 --> 00:21:41,039

he added that walton employed polygraph

479

00:21:45,430 --> 00:21:42,000

countermeasures

480

00:21:48,310 --> 00:21:45,440

such as holding his breath

481

00:21:50,390 --> 00:21:48,320

now 33 years later and this article is

482

00:21:52,310 --> 00:21:50,400

quite old it's from 2008

483

00:21:53,909 --> 00:21:52,320

walton was once again in the polygraph

484

00:21:56,470 --> 00:21:53,919

hot seat

485

00:21:58,230 --> 00:21:56,480

his affirmative answer to my question

486

00:21:58,549 --> 00:21:58,240

passed the truth test because of course

487

00:22:00,149 --> 00:21:58,559

walt

488

00:22:01,590 --> 00:22:00,159

believes he has evidence in the form of

489

00:22:03,990 --> 00:22:01,600

his friend's corroborative

490

00:22:05,590 --> 00:22:04,000

story the next question for a hundred

491

00:22:08,310 --> 00:22:05,600

thousand dollars was

492

00:22:10,630 --> 00:22:08,320

refreshingly straightforward uh and this

493

00:22:13,830 --> 00:22:10,640

is from a television show

494

00:22:17,190 --> 00:22:13,840

uh that took place uh of course

495

00:22:19,350 --> 00:22:17,200

at the moment of truth television show

496

00:22:20,789 --> 00:22:19,360

uh and they offer they basically offered

497

00:22:23,990 --> 00:22:20,799

him a million dollar prize

498

00:22:25,750 --> 00:22:24,000

and he uh failed

499

00:22:27,590 --> 00:22:25,760

so the next question for a hundred

500

00:22:29,750 --> 00:22:27,600

thousand dollars was refreshingly

501
00:22:31,149 --> 00:22:29,760
straightforward were you abducted by a

502
00:22:34,230 --> 00:22:31,159
ufo on november 5th

503
00:22:36,630 --> 00:22:34,240
1975 without hesitation

504
00:22:38,710 --> 00:22:36,640
travis walton parked yes but the voice

505
00:22:41,830 --> 00:22:38,720
in the sky once again boomed

506
00:22:42,070 --> 00:22:41,840
that answer is false i couldn't believe

507
00:22:46,470 --> 00:22:42,080
it

508
00:22:48,870 --> 00:22:46,480
faster than a crashed flying saucer

509
00:22:50,789 --> 00:22:48,880
at last after a best-selling book and

510
00:22:51,350 --> 00:22:50,799
popular film about his abduction fire in

511
00:22:53,270 --> 00:22:51,360
the sky

512
00:22:55,750 --> 00:22:53,280
after countless ufo conferences and

513
00:22:57,430 --> 00:22:55,760

media appearances it took a fox reality

514

00:22:59,110 --> 00:22:57,440

television show to bring a case to a

515

00:23:00,470 --> 00:22:59,120

head

516

00:23:02,070 --> 00:23:00,480

what does this mean to be fair and

517

00:23:06,830 --> 00:23:02,080

balanced probably nothing because

518

00:23:12,149 --> 00:23:10,310

yeah and travis walton says i would not

519

00:23:14,630 --> 00:23:12,159

normally have ever agreed to be such

520

00:23:16,310 --> 00:23:14,640

on such a show after my fellow crewman

521

00:23:19,270 --> 00:23:16,320

and i passed polygraph tests from the

522

00:23:21,029 --> 00:23:19,280

arizona state police polygraph examiner

523

00:23:23,590 --> 00:23:21,039

i wrote in my book that i was done

524

00:23:26,390 --> 00:23:23,600

addressing that aspect of it

525

00:23:26,710 --> 00:23:26,400

and travis walton goes on to claim that

526

00:23:29,830 --> 00:23:26,720

they

527

00:23:31,590 --> 00:23:29,840

used deceptive practices to administer

528

00:23:33,990 --> 00:23:31,600

the test and that no other polygraph

529

00:23:37,110 --> 00:23:34,000

examiner would agree with their methods

530

00:23:39,510 --> 00:23:37,120

and again you know he got caught

531

00:23:41,190 --> 00:23:39,520

he failed on national television he

532

00:23:43,350 --> 00:23:41,200

failed a polygraph with a very simple

533

00:23:44,549 --> 00:23:43,360

question where he was abducted by a ufo

534

00:23:47,110 --> 00:23:44,559

in 1975

535

00:23:47,750 --> 00:23:47,120

he said yes the polygraph examiner

536

00:23:50,870 --> 00:23:47,760

determined

537

00:23:53,669 --> 00:23:50,880

that was a lie and now

538

00:23:55,269 --> 00:23:53,679

after claiming about you know he's been

539

00:23:56,549 --> 00:23:55,279

talking he's been talking about the

540

00:23:58,950 --> 00:23:56,559

reliability

541

00:24:00,310 --> 00:23:58,960

you know how important his polygraph

542

00:24:01,269 --> 00:24:00,320

evidence is he passed all these

543

00:24:04,630 --> 00:24:01,279

polygraphs

544

00:24:05,830 --> 00:24:04,640

right then when he fails a polygraph he

545

00:24:08,470 --> 00:24:05,840

starts talking about how

546

00:24:10,149 --> 00:24:08,480

unreliable polygraph exams are and how

547

00:24:13,110 --> 00:24:10,159

they're not admissible in court

548

00:24:14,470 --> 00:24:13,120

right so again this is the double speak

549

00:24:17,750 --> 00:24:14,480

of one of these grifters

550

00:24:19,190 --> 00:24:17,760

as i see it is when the evidence

551
00:24:21,590 --> 00:24:19,200
supports my [h__h]

552
00:24:23,190 --> 00:24:21,600
i'm going to say how great it is and

553
00:24:26,470 --> 00:24:23,200
when the same exact

554
00:24:28,390 --> 00:24:26,480
method of obtaining evidence proves me a

555
00:24:30,549 --> 00:24:28,400
liar i'm going to say that's not good

556
00:24:32,870 --> 00:24:30,559
evidence that's unreliable

557
00:24:35,110 --> 00:24:32,880
this is why i've never covered this uh

558
00:24:37,190 --> 00:24:35,120
event it's because we can't really

559
00:24:38,390 --> 00:24:37,200
you know oh he passed polygraphs well he

560
00:24:44,830 --> 00:24:38,400
failed a few

561
00:24:44,840 --> 00:24:58,830
right

562
00:25:03,830 --> 00:25:01,750
so brock landers believes that walton

563
00:25:07,269 --> 00:25:03,840

was taken by a human

564

00:25:08,630 --> 00:25:07,279

e.t a hybrid human e.t group while he

565

00:25:11,510 --> 00:25:08,640

did

566

00:25:12,950 --> 00:25:11,520

claim that he saw gray type aliens and

567

00:25:18,149 --> 00:25:12,960

nordic or human type

568

00:25:21,909 --> 00:25:21,029

yes travis and roger staged it and the

569

00:25:23,750 --> 00:25:21,919

others were first

570

00:25:25,590 --> 00:25:23,760

innocent witness to the light behind

571

00:25:25,990 --> 00:25:25,600

trees yeah all they saw was a light in

572

00:25:31,510 --> 00:25:26,000

the

573

00:25:32,390 --> 00:25:31,520

travis walton get hit by a beam of light

574

00:25:34,149 --> 00:25:32,400

and fall down

575

00:25:35,909 --> 00:25:34,159

and then they ran away because that's

576

00:25:37,590 --> 00:25:35,919

what you do when your friend is being

577

00:25:38,630 --> 00:25:37,600

attacked by aliens in the middle of a

578

00:25:40,710 --> 00:25:38,640

forest

579

00:25:42,630 --> 00:25:40,720

you hightail it out of there later they

580

00:25:44,950 --> 00:25:42,640

went back right

581

00:25:46,630 --> 00:25:44,960

uh and one of the other indicators that

582

00:25:49,190 --> 00:25:46,640

the the story is

583

00:25:50,630 --> 00:25:49,200

false and made up garbage is that travis

584

00:25:53,269 --> 00:25:50,640

walton's own mother

585

00:25:54,630 --> 00:25:53,279

was completely unconcerned with his

586

00:25:56,870 --> 00:25:54,640

disappearance

587

00:25:58,310 --> 00:25:56,880

stating that the aliens would not harm

588

00:26:00,870 --> 00:25:58,320

him

589

00:26:02,789 --> 00:26:00,880

i don't know about you uh but if a bunch

590

00:26:05,510 --> 00:26:02,799

of my friends went and told my mom that

591

00:26:07,590 --> 00:26:05,520

an alien ufo flying saucer

592

00:26:10,149 --> 00:26:07,600

you know shot a light beam at me and

593

00:26:11,830 --> 00:26:10,159

then abducted me and i disappeared my

594

00:26:13,990 --> 00:26:11,840

mother would be a little concerned if

595

00:26:17,510 --> 00:26:14,000

i'd been gone for five days

596

00:26:19,510 --> 00:26:17,520

his mother not at all concerned

597

00:26:21,990 --> 00:26:19,520

maybe they let her in on it i'm gonna go

598

00:26:24,549 --> 00:26:22,000

hi people have speculated about this for

599

00:26:25,990 --> 00:26:24,559

quite some time travis walton uh i'll

600

00:26:28,070 --> 00:26:26,000

give him this much credit he was an

601
00:26:30,950 --> 00:26:28,080
outdoorsman a woodsman right he

602
00:26:32,549 --> 00:26:30,960
he was a lager you mean to tell me that

603
00:26:35,110 --> 00:26:32,559
a logger couldn't go

604
00:26:36,390 --> 00:26:35,120
you know bush camp for five days in the

605
00:26:39,029 --> 00:26:36,400
woods and not be found

606
00:26:40,710 --> 00:26:39,039
of course he could you know that was the

607
00:26:42,310 --> 00:26:40,720
other piece of evidence while the

608
00:26:44,470 --> 00:26:42,320
the police had dogs and they weren't

609
00:26:45,669 --> 00:26:44,480
able to find him you know how easy it is

610
00:26:48,230 --> 00:26:45,679
to break the scent

611
00:26:50,830 --> 00:26:48,240
of a dog you walk through a creek the

612
00:26:54,630 --> 00:26:50,840
dog can't find your scent after that

613
00:26:57,830 --> 00:26:54,640

right it's not hard to evade

614

00:27:00,149 --> 00:26:57,840

scent dogs that's not evidence

615

00:27:02,310 --> 00:27:00,159

right that's not evidence that he was in

616

00:27:03,190 --> 00:27:02,320

an alien spaceship for five days but

617

00:27:05,350 --> 00:27:03,200

people will

618

00:27:06,390 --> 00:27:05,360

throw that out there well the police had

619

00:27:08,310 --> 00:27:06,400

dogs they had

620

00:27:10,390 --> 00:27:08,320

they couldn't find him right they

621

00:27:12,950 --> 00:27:10,400

totally lost his scent

622

00:27:14,070 --> 00:27:12,960

okay there's a hundred explanations for

623

00:27:21,990 --> 00:27:14,080

that that don't involve

624

00:27:25,750 --> 00:27:23,510

well i did not know this so victor

625

00:27:27,750 --> 00:27:25,760

conliero offered him money for

626

00:27:29,510 --> 00:27:27,760

the interview and he refused we're

627

00:27:30,389 --> 00:27:29,520

talking about mike rogers so give him

628

00:27:32,389 --> 00:27:30,399

props for that

629

00:27:34,149 --> 00:27:32,399

yeah i'm gonna if you could get me his

630

00:27:35,669 --> 00:27:34,159

contact information besides facebook

631

00:27:40,789 --> 00:27:35,679

victor we'd like to have him come on

632

00:27:44,950 --> 00:27:43,430

wow so there you go mike says though

633

00:27:46,950 --> 00:27:44,960

that he won't say that travis was

634

00:27:48,950 --> 00:27:46,960

abducted and he has no proof of that but

635

00:27:51,110 --> 00:27:48,960

that's definitely a change in his story

636

00:27:51,830 --> 00:27:51,120

because he was an ardent supporter of

637

00:27:56,389 --> 00:27:51,840

the

638

00:27:58,070 --> 00:27:56,399

money victor while he was getting cut in

639

00:27:59,110 --> 00:27:58,080

on the money he was right there to help

640

00:28:01,350 --> 00:27:59,120

support the story

641

00:28:02,149 --> 00:28:01,360

and it looks to me that this whole

642

00:28:05,110 --> 00:28:02,159

situation

643

00:28:06,470 --> 00:28:05,120

victor is now about money he's getting

644

00:28:08,789 --> 00:28:06,480

cut out of the new

645

00:28:11,110 --> 00:28:08,799

money for the new uh new hollywood

646

00:28:12,870 --> 00:28:11,120

remake of fire in the sky i suppose or

647

00:28:17,669 --> 00:28:12,880

they'll call it something else

648

00:28:20,070 --> 00:28:17,679

um and he's not happy right

649

00:28:21,590 --> 00:28:20,080

apparently it would appear to me that if

650

00:28:23,110 --> 00:28:21,600

he was still cutting on the money he

651
00:28:25,510 --> 00:28:23,120
would have never changed his story or

652
00:28:27,750 --> 00:28:25,520
come out with this so this is

653
00:28:29,350 --> 00:28:27,760
to me this is evidence of this being a

654
00:28:33,190 --> 00:28:29,360
fabrication

655
00:28:39,190 --> 00:28:33,200
and a manufactured story to generate

656
00:28:42,549 --> 00:28:40,950
i didn't know he ever did that travis is

657
00:28:46,310 --> 00:28:42,559
a fraud as he went on third phase

658
00:28:48,950 --> 00:28:46,320
moon big go reputation gone yeah

659
00:28:50,870 --> 00:28:48,960
and i think i'm gonna share my uh fair

660
00:28:53,669 --> 00:28:50,880
use banner here and we're gonna

661
00:28:57,350 --> 00:28:53,679
listen in on a little bit of his travis

662
00:29:00,630 --> 00:28:58,870
so we'll be sharing a video we'll be

663
00:29:02,389 --> 00:29:00,640

critiquing and discussing a video this

664

00:29:03,830 --> 00:29:02,399

is a transformative work we're educating

665

00:29:06,070 --> 00:29:03,840

the public and we'll be

666

00:29:07,909 --> 00:29:06,080

discussing and critiquing the video

667

00:29:10,950 --> 00:29:07,919

we're sharing and this is covered by

668

00:29:17,190 --> 00:29:10,960

fair use and allowable by law

669

00:29:30,070 --> 00:29:26,870

okay one second friends bear with me

670

00:29:30,789 --> 00:29:30,080

this is travis walton the world's most

671

00:29:34,630 --> 00:29:30,799

famous

672

00:29:37,669 --> 00:29:37,110

the story he's about to tell me will

673

00:29:42,230 --> 00:29:37,679

blow

674

00:29:45,990 --> 00:29:44,149

i'm jonathan legg on a road less

675

00:29:46,789 --> 00:29:46,000

traveled adventure in the mysterious

676
00:29:50,870 --> 00:29:46,799
state of

677
00:29:54,149 --> 00:29:50,880
arizona i visited biosphere 2

678
00:29:54,789 --> 00:29:54,159
outside of tucson a self-contained mini

679
00:29:57,430 --> 00:29:54,799
world

680
00:29:59,510 --> 00:29:57,440
that replicates our planet a trip to

681
00:30:01,990 --> 00:29:59,520
meteor crater suggests that we might

682
00:30:05,909 --> 00:30:02,000
need to build these biospheres on mars

683
00:30:08,070 --> 00:30:05,919
to save our race if the big one comes

684
00:30:09,269 --> 00:30:08,080
but arizona gets more than just rocks

685
00:30:12,470 --> 00:30:09,279
from space

686
00:30:15,590 --> 00:30:12,480
the mutual ufo network has catalogued a

687
00:30:16,549 --> 00:30:15,600
heap of strange occurrences but none

688
00:30:19,110 --> 00:30:16,559

stranger

689

00:30:23,029 --> 00:30:19,120

than the story i'm about to hear from

690

00:30:25,669 --> 00:30:23,039

this man

691

00:30:26,950 --> 00:30:25,679

travis you came to just down the road

692

00:30:30,310 --> 00:30:26,960

here

693

00:30:31,750 --> 00:30:30,320

from your experience yeah and you come

694

00:30:32,389 --> 00:30:31,760

to consciousness and what do you

695

00:30:35,350 --> 00:30:32,399

remember

696

00:30:36,389 --> 00:30:35,360

well i woke up and it was cold out there

697

00:30:39,269 --> 00:30:36,399

and

698

00:30:40,870 --> 00:30:39,279

uh i came pretty clear-headed

699

00:30:41,269 --> 00:30:40,880

immediately but there was a light above

700

00:30:43,190 --> 00:30:41,279

me

701
00:30:44,389 --> 00:30:43,200
and i looked look see where that light

702
00:30:46,470 --> 00:30:44,399
was coming from

703
00:30:47,990 --> 00:30:46,480
but it went off just as i shifted my

704
00:30:49,669 --> 00:30:48,000
gaze in that direction

705
00:30:51,590 --> 00:30:49,679
but i could see the bomb and interesting

706
00:30:52,950 --> 00:30:51,600
that the town that looks like a diner

707
00:30:55,110 --> 00:30:52,960
that they showed

708
00:30:57,430 --> 00:30:55,120
is all in on the aliens they've got an

709
00:30:58,310 --> 00:30:57,440
alien on the roof and a showroom inside

710
00:31:01,430 --> 00:30:58,320
about the event

711
00:31:02,870 --> 00:31:01,440
so it's always interesting to me

712
00:31:04,470 --> 00:31:02,880
when these people try to profit from

713
00:31:06,470 --> 00:31:04,480

these stories it's not just them

714

00:31:07,830 --> 00:31:06,480

profiting it's everybody around them

715

00:31:09,669 --> 00:31:07,840

if they can make a buck they're going to

716

00:31:11,669 --> 00:31:09,679

make a buck it's in the middle of

717

00:31:14,070 --> 00:31:11,679

arizona in the middle of nowhere

718

00:31:16,310 --> 00:31:14,080

they got nothing going on but people

719

00:31:20,389 --> 00:31:16,320

visit the site because of this story

720

00:31:22,630 --> 00:31:20,399

bottom of this craft that in the dark

721

00:31:24,950 --> 00:31:22,640

hovering there for just a second before

722

00:31:26,870 --> 00:31:24,960

it shot up into the sky

723

00:31:28,870 --> 00:31:26,880

travis walton claims he was abducted by

724

00:31:29,750 --> 00:31:28,880

aliens while clearing brush in the

725

00:31:32,149 --> 00:31:29,760

forest

726

00:31:33,990 --> 00:31:32,159

he was with a team who all support his

727

00:31:36,789 --> 00:31:34,000

story

728

00:31:37,669 --> 00:31:36,799

now did you always feel like i know what

729

00:31:39,830 --> 00:31:37,679

happened

730

00:31:41,430 --> 00:31:39,840

i was abducted or did you go through a

731

00:31:44,789 --> 00:31:41,440

period of time where you thought

732

00:31:47,830 --> 00:31:44,799

am i crazy did i consume some

733

00:31:51,110 --> 00:31:47,840

weird mushroom in the forest or well

734

00:31:52,870 --> 00:31:51,120

before i had any contact with my

735

00:31:54,789 --> 00:31:52,880

crewmates

736

00:31:56,230 --> 00:31:54,799

the sheriff was putting out this theory

737

00:31:57,990 --> 00:31:56,240

that the crew might have slipped me

738

00:31:58,870 --> 00:31:58,000

drugs or hit me over the head or

739

00:32:01,669 --> 00:31:58,880

something and

740

00:32:03,750 --> 00:32:01,679

caused some kind of delusion but once i

741

00:32:04,630 --> 00:32:03,760

found out that they had seen what i'd

742

00:32:07,190 --> 00:32:04,640

seen

743

00:32:08,950 --> 00:32:07,200

you know then there was no doubt i had

744

00:32:12,070 --> 00:32:08,960

medical tests that proved there were no

745

00:32:13,430 --> 00:32:12,080

drugs in my body and yeah i don't know

746

00:32:15,430 --> 00:32:13,440

about that and also

747

00:32:17,269 --> 00:32:15,440

it's interesting how quickly the

748

00:32:17,750 --> 00:32:17,279

narrative is going to change now because

749

00:32:19,669 --> 00:32:17,760

now

750

00:32:22,710 --> 00:32:19,679

at least one member of this logging

751
00:32:25,909 --> 00:32:22,720
party is not in support of his story

752
00:32:28,789 --> 00:32:25,919
and additionally i think it's kind of

753
00:32:30,950 --> 00:32:28,799
telling uh that he's gonna cite the

754
00:32:33,029 --> 00:32:30,960
medical tests that support his

755
00:32:34,149 --> 00:32:33,039
story right like oh i didn't have any

756
00:32:35,909 --> 00:32:34,159
drugs in my system

757
00:32:37,909 --> 00:32:35,919
but the same medical tests proved that

758
00:32:39,269 --> 00:32:37,919
you did have food during that five-day

759
00:32:41,509 --> 00:32:39,279
period you claimed

760
00:32:43,269 --> 00:32:41,519
you went without food and water and i've

761
00:32:45,110 --> 00:32:43,279
talked to the folks around town they say

762
00:32:47,269 --> 00:32:45,120
not one of you in your group

763
00:32:48,630 --> 00:32:47,279

has ever changed your story you've

764

00:32:51,750 --> 00:32:48,640

passed multiple

765

00:32:52,870 --> 00:32:51,760

polygraphs yeah and of course he's not

766

00:32:54,389 --> 00:32:52,880

going to mention

767

00:32:56,549 --> 00:32:54,399

that he's also failed multiple

768

00:32:58,789 --> 00:32:56,559

polygraphs you know

769

00:33:00,470 --> 00:32:58,799

this is how these stories are framed and

770

00:33:00,789 --> 00:33:00,480

again he's only sitting down with this

771

00:33:05,990 --> 00:33:00,799

guy

772

00:33:09,269 --> 00:33:06,000

asking him hardball questions

773

00:33:11,909 --> 00:33:09,279

or if this guy did a

774

00:33:13,830 --> 00:33:11,919

google search level of research he would

775

00:33:14,389 --> 00:33:13,840

have found that travis walton failed

776

00:33:17,029 --> 00:33:14,399

several

777

00:33:17,669 --> 00:33:17,039

polygraph tasks and asked him about it

778

00:33:19,350 --> 00:33:17,679

to me

779

00:33:20,789 --> 00:33:19,360

that's a responsibility of a good

780

00:33:22,630 --> 00:33:20,799

interviewer uh

781

00:33:24,070 --> 00:33:22,640

i should mention that i have reached out

782

00:33:26,070 --> 00:33:24,080

to mr walton on

783

00:33:28,950 --> 00:33:26,080

three different occasions requesting an

784

00:33:31,269 --> 00:33:28,960

interview and each time got ignored

785

00:33:32,549 --> 00:33:31,279

uh take from that what you will but in

786

00:33:35,750 --> 00:33:32,559

full disclosure

787

00:33:38,070 --> 00:33:35,760

uh i want to mention that i passed five

788

00:33:40,389 --> 00:33:38,080

tests from three different examiners

789

00:33:41,509 --> 00:33:40,399

travis agrees to take me to the spot of

790

00:33:44,310 --> 00:33:41,519

his abduction

791

00:33:44,870 --> 00:33:44,320

deep in the forest so the craft was

792

00:33:47,830 --> 00:33:44,880

actually right

793

00:33:48,389 --> 00:33:47,840

right over here yeah like the crest of

794

00:33:50,549 --> 00:33:48,399

the ridge

795

00:33:51,990 --> 00:33:50,559

did you come you crept up and you kind

796

00:33:52,789 --> 00:33:52,000

of crouched down to get a look at what

797

00:33:54,950 --> 00:33:52,799

was going on

798

00:33:56,870 --> 00:33:54,960

yeah well it was up at an angle like

799

00:33:58,789 --> 00:33:56,880

this and those guys were

800

00:34:00,470 --> 00:33:58,799

really getting really anxious and

801
00:34:03,029 --> 00:34:00,480
screaming at me and everything

802
00:34:04,230 --> 00:34:03,039
and then when it suddenly got louder and

803
00:34:06,310 --> 00:34:04,240
started to move

804
00:34:07,990 --> 00:34:06,320
i jumped for cover and the only cover

805
00:34:09,829 --> 00:34:08,000
was this log that was sticking up there

806
00:34:12,310 --> 00:34:09,839
and i got down behind the log

807
00:34:14,149 --> 00:34:12,320
and then when i stood up to run back bam

808
00:34:15,990 --> 00:34:14,159
that's when it hit me

809
00:34:17,349 --> 00:34:16,000
do you remember that blast as the space

810
00:34:20,950 --> 00:34:17,359
ship took off

811
00:34:22,790 --> 00:34:20,960
no i i just felt this numbing shock

812
00:34:24,629 --> 00:34:22,800
and uh next thing you know you wake up

813
00:34:26,950 --> 00:34:24,639

you're on the ship yeah

814

00:34:30,470 --> 00:34:26,960

travis goes on to show me strange growth

815

00:34:33,430 --> 00:34:30,480

rings on the trees around the ufo site

816

00:34:38,230 --> 00:34:33,440

when it comes to getting a mortgage

817

00:34:38,240 --> 00:34:45,909

let's try that again

818

00:34:49,829 --> 00:34:48,149

oh you know that's the end of the video

819

00:34:51,430 --> 00:34:49,839

um sorry that was just a clip

820

00:34:53,270 --> 00:34:51,440

that we were sharing so there's strange

821

00:34:54,550 --> 00:34:53,280

growth rings in the trees i've seen

822

00:34:56,790 --> 00:34:54,560

growth rings like that

823

00:34:58,150 --> 00:34:56,800

in uh multiple trees there's nothing

824

00:35:01,990 --> 00:34:58,160

strange about them

825

00:35:04,790 --> 00:35:02,000

um this is again more you know

826

00:35:06,870 --> 00:35:04,800

let's tackle on some [h__\h] to try to

827

00:35:09,990 --> 00:35:06,880

tell our story

828

00:35:12,150 --> 00:35:10,000

it doesn't it doesn't offer any you know

829

00:35:14,310 --> 00:35:12,160

it's not like they have scientific

830

00:35:14,870 --> 00:35:14,320

studies of those trees to determine that

831

00:35:16,710 --> 00:35:14,880

there was some

832

00:35:19,510 --> 00:35:16,720

alien thing that caused them to grow

833

00:35:21,670 --> 00:35:19,520

weird no it's just his

834

00:35:23,430 --> 00:35:21,680

look there's strange growth rings on the

835

00:35:25,510 --> 00:35:23,440

trees really

836

00:35:26,710 --> 00:35:25,520

okay let's have an arborist look at it

837

00:35:28,069 --> 00:35:26,720

and tell us that that's out of the

838

00:35:30,630 --> 00:35:28,079

ordinary

839

00:35:35,829 --> 00:35:30,640

um but they don't do that they never do

840

00:35:40,790 --> 00:35:39,109

uh bailey stoner yeah i mean you know

841

00:35:43,349 --> 00:35:40,800

i've read a lot of different

842

00:35:45,030 --> 00:35:43,359

stories she's asking if there are any

843

00:35:48,150 --> 00:35:45,040

abduction stories you actually believe

844

00:35:49,589 --> 00:35:48,160

well before kalkorf i believe that betty

845

00:35:52,310 --> 00:35:49,599

and barney hill

846

00:35:54,069 --> 00:35:52,320

but after calculus not so much the star

847

00:35:57,190 --> 00:35:54,079

map falls apart

848

00:35:59,990 --> 00:35:57,200

um you know and they too

849

00:36:01,430 --> 00:36:00,000

got paid for uh television movies being

850

00:36:04,790 --> 00:36:01,440

made about their experience

851
00:36:05,430 --> 00:36:04,800
books their niece is still writing books

852
00:36:08,870 --> 00:36:05,440
about them

853
00:36:10,390 --> 00:36:08,880
and profiting so you know

854
00:36:12,150 --> 00:36:10,400
a lot of these things just come down to

855
00:36:14,310 --> 00:36:12,160
profit i of course

856
00:36:16,310 --> 00:36:14,320
have read a lot about whitley streiber's

857
00:36:18,069 --> 00:36:16,320
experiences which i don't find very

858
00:36:19,190 --> 00:36:18,079
credible because he keeps tacking on new

859
00:36:20,950 --> 00:36:19,200
ones

860
00:36:22,790 --> 00:36:20,960
you know as time goes on he needs to

861
00:36:26,870 --> 00:36:22,800
write another book and suddenly he has

862
00:36:29,270 --> 00:36:26,880
new experience with an alien

863
00:36:29,910 --> 00:36:29,280

do i believe that some are credible yes

864

00:36:32,550 --> 00:36:29,920

uh

865

00:36:34,710 --> 00:36:32,560

and i certainly believe that some people

866

00:36:37,030 --> 00:36:34,720

having abduction experiences believe

867

00:36:38,550 --> 00:36:37,040

that their experiences are genuine and

868

00:36:42,470 --> 00:36:38,560

alien related

869

00:36:45,109 --> 00:36:42,480

and they are not uh manufacturing

870

00:36:47,510 --> 00:36:45,119

the story they at least believe this

871

00:36:51,430 --> 00:36:47,520

that their story is true

872

00:36:56,710 --> 00:36:54,630

but it's interesting to me to see that

873

00:36:58,150 --> 00:36:56,720

even all the evidence that we talked

874

00:36:59,030 --> 00:36:58,160

about tonight that the story is a

875

00:37:02,150 --> 00:36:59,040

fabrication

876
00:37:03,910 --> 00:37:02,160
people still believed it and maybe now

877
00:37:05,990 --> 00:37:03,920
though with this other person coming

878
00:37:08,069 --> 00:37:06,000
out and sort of recanting his story but

879
00:37:09,990 --> 00:37:08,079
is he really recanting his story or is

880
00:37:11,349 --> 00:37:10,000
he just saying i'm no longer going to

881
00:37:16,069 --> 00:37:11,359
help

882
00:37:18,150 --> 00:37:16,079
the story if

883
00:37:19,750 --> 00:37:18,160
i am no longer going to profit from it

884
00:37:21,510 --> 00:37:19,760
isn't it funny how that works while he

885
00:37:22,390 --> 00:37:21,520
was profiting from travis walton's

886
00:37:24,150 --> 00:37:22,400
stories

887
00:37:25,990 --> 00:37:24,160
he was fine with supporting travis

888
00:37:26,950 --> 00:37:26,000

walton's claim of being abducted by

889

00:37:28,790 --> 00:37:26,960

aliens

890

00:37:31,030 --> 00:37:28,800

but suddenly when he's cut out of the

891

00:37:32,310 --> 00:37:31,040

money he's no longer comfortable

892

00:37:35,670 --> 00:37:32,320

supporting his story

893

00:37:37,910 --> 00:37:35,680

and he's being very vague about uh

894

00:37:38,870 --> 00:37:37,920

you know do you still believe he was

895

00:37:42,230 --> 00:37:38,880

abducted

896

00:37:45,990 --> 00:37:42,240

believe him

897

00:37:49,430 --> 00:37:46,000

uh that's not for me to say right

898

00:37:50,870 --> 00:37:49,440

it's it's very wishy-washy kalkwarf here

899

00:37:52,950 --> 00:37:50,880

in the facebook live

900

00:37:54,710 --> 00:37:52,960

uh comments says he's stephen just an

901
00:37:56,550 --> 00:37:54,720
fyi but an expose on the wall

902
00:37:59,750 --> 00:37:56,560
fraud is being added to the ufology full

903
00:38:02,790 --> 00:37:59,760
easy series ufo cop it's part of wave

904
00:38:05,030 --> 00:38:02,800
2 which includes the lazar expose

905
00:38:06,470 --> 00:38:05,040
seven more titles be in touch soon i'll

906
00:38:19,589 --> 00:38:06,480
tell melissa you said hello

907
00:38:21,430 --> 00:38:19,599
yeah good do that

908
00:38:22,710 --> 00:38:21,440
okay so i'll turn my attention to the

909
00:38:26,630 --> 00:38:22,720
live chat

910
00:38:29,430 --> 00:38:26,640
um brandon says the most credible

911
00:38:29,829 --> 00:38:29,440
uh are the astronauts yeah i find them

912
00:38:32,950 --> 00:38:29,839
uh

913
00:38:34,710 --> 00:38:32,960

to be pretty pretty believable right and

914

00:38:36,310 --> 00:38:34,720

edgar mitchell was a big believer in all

915

00:38:37,349 --> 00:38:36,320

this stuff he believed that roswell

916

00:38:40,630 --> 00:38:37,359

really happened

917

00:38:41,589 --> 00:38:40,640

uh and a lot of things bailey stoner

918

00:38:44,630 --> 00:38:41,599

mentions that

919

00:38:45,910 --> 00:38:44,640

uh mk trickery may be involved

920

00:38:47,750 --> 00:38:45,920

let me get your first comment there

921

00:38:49,750 --> 00:38:47,760

whether there are actually aliens there

922

00:38:51,589 --> 00:38:49,760

i think so

923

00:38:53,589 --> 00:38:51,599

but it's more rare than even honest

924

00:38:56,790 --> 00:38:53,599

people thinking they saw them

925

00:38:58,310 --> 00:38:56,800

and the rest are mk ultra trickery

926

00:38:59,589 --> 00:38:58,320

yeah i'm not sure that i believe that

927

00:39:00,550 --> 00:38:59,599

the government will go through the

928

00:39:03,109 --> 00:39:00,560

expense of

929

00:39:04,310 --> 00:39:03,119

trying to fake alien abductions as many

930

00:39:07,030 --> 00:39:04,320

people including dr

931

00:39:09,510 --> 00:39:07,040

stephen greer and others have asserted

932

00:39:13,270 --> 00:39:09,520

i'm not sure that that's a valid

933

00:39:16,630 --> 00:39:13,280

real reality right i just

934

00:39:19,349 --> 00:39:16,640

i don't know our government has done

935

00:39:21,670 --> 00:39:19,359

some pretty crazy things though

936

00:39:23,190 --> 00:39:21,680

uh look up operation midnight climax

937

00:39:25,030 --> 00:39:23,200

that's one of my favorite ones where

938

00:39:27,510 --> 00:39:25,040

they got hookers to dose

939

00:39:28,790 --> 00:39:27,520

guys with high levels of lsd just to see

940

00:39:32,390 --> 00:39:28,800

what would happen

941

00:39:35,829 --> 00:39:32,400

right uh but to go then from that

942

00:39:39,990 --> 00:39:37,990

let's let's trick these people into

943

00:39:41,349 --> 00:39:40,000

thinking that aliens are abducting them

944

00:39:43,510 --> 00:39:41,359

and if you listen to grier it gets

945

00:39:45,990 --> 00:39:43,520

ridiculous they have biomechanical

946

00:39:49,910 --> 00:39:46,000

androids that look like aliens and

947

00:39:52,630 --> 00:39:49,920

act like aliens right michelangelo

948

00:39:53,030 --> 00:39:52,640

says strider stories are a convoluted

949

00:39:55,910 --> 00:39:53,040

mess

950

00:39:56,790 --> 00:39:55,920

yeah when you take them if you just read

951

00:39:59,990 --> 00:39:56,800

communion

952

00:40:01,430 --> 00:40:00,000

it's pretty good story but then if you

953

00:40:03,030 --> 00:40:01,440

you've got to follow up and you've got

954

00:40:05,109 --> 00:40:03,040

to read all the other books that he

955

00:40:06,470 --> 00:40:05,119

wrote after communion was such a huge

956

00:40:08,870 --> 00:40:06,480

commercial success

957

00:40:09,990 --> 00:40:08,880

and he literally has made millions from

958

00:40:12,069 --> 00:40:10,000

that book

959

00:40:14,309 --> 00:40:12,079

right so of course he comes out with

960

00:40:15,750 --> 00:40:14,319

sequels to the book with all new alien

961

00:40:18,390 --> 00:40:15,760

experiences that he had

962

00:40:20,550 --> 00:40:18,400

after he wrote the first book to me

963

00:40:22,230 --> 00:40:20,560

that's incredibly convenient

964

00:40:24,069 --> 00:40:22,240

and it's also interesting that whitley

965

00:40:27,670 --> 00:40:24,079

striver was a very well known

966

00:40:30,630 --> 00:40:27,680

uh fiction writer and even wrote

967

00:40:33,670 --> 00:40:30,640

hollywood screenplays like the howling

968

00:40:37,270 --> 00:40:33,680

uh werewolf movie that was

969

00:40:39,750 --> 00:40:37,280

whitley streiber he's a writer he

970

00:40:41,109 --> 00:40:39,760

makes stories for a living and to me

971

00:40:44,390 --> 00:40:41,119

maybe this is just

972

00:40:47,670 --> 00:40:44,400

a story to sell books uh

973

00:40:48,390 --> 00:40:47,680

yeah ron patton says beware the painful

974

00:40:51,670 --> 00:40:48,400

and torturous

975

00:41:03,190 --> 00:40:51,680

alien anal probe it will cause ptsd and

976
00:41:07,430 --> 00:41:04,950
bailey stoner says the government isn't

977
00:41:08,550 --> 00:41:07,440
faking aliens via lsd experimentation

978
00:41:12,550 --> 00:41:08,560
then i am a real

979
00:41:15,349 --> 00:41:12,560
abductee maybe

980
00:41:16,870 --> 00:41:15,359
and j roach chimes in and says aerial

981
00:41:18,630 --> 00:41:16,880
school encounter still to this day has

982
00:41:20,390 --> 00:41:18,640
kept me a believer that's a great

983
00:41:22,069 --> 00:41:20,400
we're going to cover that here j roach i

984
00:41:26,069 --> 00:41:22,079
just have

985
00:41:27,030 --> 00:41:26,079
um i've got a whole folder of stuff on

986
00:41:28,390 --> 00:41:27,040
that aerial

987
00:41:30,470 --> 00:41:28,400
school encounter for those that don't

988
00:41:32,790 --> 00:41:30,480

know in africa uh

989

00:41:34,150 --> 00:41:32,800

a bunch of children saw aliens land in a

990

00:41:36,870 --> 00:41:34,160

spaceship and get out

991

00:41:37,270 --> 00:41:36,880

and interact it with them and they've

992

00:41:39,430 --> 00:41:37,280

all

993

00:41:40,790 --> 00:41:39,440

stuck to their story the teachers as

994

00:41:46,829 --> 00:41:40,800

well

995

00:41:51,750 --> 00:41:49,910

that years later decades later

996

00:41:54,069 --> 00:41:51,760

those witnesses still believe that what

997

00:41:57,750 --> 00:41:54,079

they saw was an alien spacecraft and and

998

00:41:58,710 --> 00:41:57,760

aliens don craig's face says whitley is

999

00:42:00,790 --> 00:41:58,720

a drama queen

1000

00:42:03,589 --> 00:42:00,800

i tried to interview him he didn't uh

1001

00:42:06,309 --> 00:42:03,599

return my calls or

1002

00:42:08,390 --> 00:42:06,319

yeah and you know what i try to not hold

1003

00:42:09,829 --> 00:42:08,400

it against people when they won't

1004

00:42:11,670 --> 00:42:09,839

agree to an interview because i know

1005

00:42:12,069 --> 00:42:11,680

it's time and we're not a huge show here

1006

00:42:15,430 --> 00:42:12,079

so

1007

00:42:17,109 --> 00:42:15,440

but i do a little bit a little bit i do

1008

00:42:26,950 --> 00:42:17,119

i'm like [h__h] that guy

1009

00:42:29,990 --> 00:42:28,550

bailey stoner says if you give me the

1010

00:42:32,230 --> 00:42:30,000

story that the government abducted me

1011

00:42:34,150 --> 00:42:32,240

for some unknown reason or gave me drugs

1012

00:42:36,069 --> 00:42:34,160

versus the story that aliens abduct me

1013

00:42:39,670 --> 00:42:36,079

the first is more likely

1014

00:42:42,230 --> 00:42:39,680

yeah occam's razor i suppose

1015

00:42:44,950 --> 00:42:42,240

brandon also mentions the 1942 battle of

1016

00:42:49,589 --> 00:42:44,960

los angeles i like that case as well

1017

00:42:49,599 --> 00:42:55,349

think it's more likely that that was uh

1018

00:43:01,990 --> 00:42:58,630

a japanese balloon bomb because we heard

1019

00:43:05,589 --> 00:43:02,000

about japanese balloon bombs later

1020

00:43:09,589 --> 00:43:05,599

uh or something like that right

1021

00:43:11,670 --> 00:43:09,599

something terrestrial and not alien yet

1022

00:43:13,030 --> 00:43:11,680

if it was a balloon that doesn't make

1023

00:43:15,829 --> 00:43:13,040

sense either because these

1024

00:43:17,430 --> 00:43:15,839

the military fired at it many many times

1025

00:43:18,870 --> 00:43:17,440

and were unable to bring it down if it

1026

00:43:21,349 --> 00:43:18,880

was simply a balloon they would have

1027

00:43:23,910 --> 00:43:21,359

easily been able to bring a balloon down

1028

00:43:24,470 --> 00:43:23,920

which is one of those cases that's why

1029

00:43:25,829 --> 00:43:24,480

people think

1030

00:43:27,190 --> 00:43:25,839

must have been an alien because they

1031

00:43:31,589 --> 00:43:27,200

were shooting like hell at it and they

1032

00:43:34,870 --> 00:43:33,270

victor says i don't believe the walton

1033

00:43:36,710 --> 00:43:34,880

story but has an interesting interview

1034

00:43:38,390 --> 00:43:36,720

with mike rogers particularly discussion

1035

00:43:40,150 --> 00:43:38,400

about the dynamics between people

1036

00:43:43,030 --> 00:43:40,160

involved in the walton story

1037

00:43:44,150 --> 00:43:43,040

yeah i mean it's interesting that some

1038

00:43:47,670 --> 00:43:44,160

of these guys

1039

00:43:51,030 --> 00:43:47,680

uh you know still support his story but

1040

00:43:53,510 --> 00:43:51,040

i the first question i would ask uh

1041

00:43:55,510 --> 00:43:53,520

mr walton is how much money is he given

1042

00:43:58,390 --> 00:43:55,520

to those other witnesses over the years

1043

00:43:59,670 --> 00:43:58,400

of his story and if he's given any money

1044

00:44:02,150 --> 00:43:59,680

to them why

1045

00:44:04,069 --> 00:44:02,160

right is it so that they keep helping

1046

00:44:06,829 --> 00:44:04,079

you sell the story

1047

00:44:09,430 --> 00:44:06,839

to me that would be the only explanation

1048

00:44:13,030 --> 00:44:09,440

right

1049

00:44:16,150 --> 00:44:13,040

makes no sense to me why

1050

00:44:21,270 --> 00:44:16,160

they gotta split all the money unless he

1051
00:44:25,510 --> 00:44:24,150
all right and just uh just some shout

1052
00:44:28,870 --> 00:44:25,520
outs we've got victor

1053
00:44:30,790 --> 00:44:28,880
uh clero here cal corfus here the out

1054
00:44:34,230 --> 00:44:30,800
there channel is here

1055
00:44:38,390 --> 00:44:34,240
sudo lukian is here uh

1056
00:44:42,870 --> 00:44:38,400
steph is here brock landers is here

1057
00:44:47,750 --> 00:44:45,589
uh i'm trying to see who else who did i

1058
00:44:48,950 --> 00:44:47,760
miss all around arbiter is here eileen

1059
00:44:51,670 --> 00:44:48,960
ebony

1060
00:44:52,710 --> 00:44:51,680
is here and says hello i thought the

1061
00:44:55,109 --> 00:44:52,720
waltons

1062
00:44:57,030 --> 00:44:55,119
travis walton was the real thing yeah i

1063
00:44:59,109 --> 00:44:57,040

did for a while as well

1064

00:45:00,630 --> 00:44:59,119

uh but i no longer believe that shout

1065

00:45:04,150 --> 00:45:00,640

out to cv

1066

00:45:07,430 --> 00:45:04,160

lindo parado shout out to jay roach

1067

00:45:11,510 --> 00:45:07,440

is here uh

1068

00:45:14,550 --> 00:45:11,520

shout out to brandon gt is here

1069

00:45:16,550 --> 00:45:14,560

shout out to judy jaeger is here shout

1070

00:45:19,190 --> 00:45:16,560

out to andrew masonette

1071

00:45:20,630 --> 00:45:19,200

is here let's see if i missed anybody if

1072

00:45:23,190 --> 00:45:20,640

i missed anybody let me know in a live

1073

00:45:26,309 --> 00:45:23,200

chat oh michael angelo is here

1074

00:45:29,990 --> 00:45:26,319

kenny smith is here the don craze phase

1075

00:45:33,270 --> 00:45:30,000

is here uh yeah so we've got a full on

1076

00:45:35,190 --> 00:45:33,280

uh great audience tonight

1077

00:45:36,470 --> 00:45:35,200

uh which is surprising this is a rare

1078

00:45:39,910 --> 00:45:36,480

late show and that's

1079

00:45:43,109 --> 00:45:39,920

uh uh my wife says it's my fault

1080

00:45:45,109 --> 00:45:43,119

my kids were they had the crazies

1081

00:45:46,790 --> 00:45:45,119

i have a four and eight-year-old son and

1082

00:45:48,150 --> 00:45:46,800

sometimes they just get the crazies and

1083

00:45:49,990 --> 00:45:48,160

they're going to run around screaming

1084

00:45:51,430 --> 00:45:50,000

and laughing

1085

00:45:53,030 --> 00:45:51,440

and they did that for a few hours

1086

00:45:55,510 --> 00:45:53,040

tonight and i tried to wait it out

1087

00:45:56,950 --> 00:45:55,520

and i fell asleep while waiting it out

1088

00:45:59,190 --> 00:45:56,960

so

1089

00:46:00,870 --> 00:45:59,200

eventually they tired themselves out and

1090

00:46:03,190 --> 00:46:00,880

i could do a show without

1091

00:46:04,870 --> 00:46:03,200

the sound of a circus in the background

1092

00:46:05,750 --> 00:46:04,880

you know sometimes i'm at the mercy of

1093

00:46:07,829 --> 00:46:05,760

my children

1094

00:46:10,470 --> 00:46:07,839

here and i can just do the show when i

1095

00:46:12,550 --> 00:46:10,480

can do the show

1096

00:46:14,390 --> 00:46:12,560

so that's what happened today which is

1097

00:46:17,990 --> 00:46:14,400

the reason for

1098

00:46:20,309 --> 00:46:18,000

uh the late late show we started at

1099

00:46:21,829 --> 00:46:20,319

midnight here today

1100

00:46:24,150 --> 00:46:21,839

i'm not sure if i mentioned the shout

1101

00:46:27,510 --> 00:46:24,160

out to michelangelo is here

1102

00:46:27,990 --> 00:46:27,520

i think i got everybody with a shout out

1103

00:46:31,990 --> 00:46:28,000

so there

1104

00:46:34,069 --> 00:46:32,000

you go uh

1105

00:46:35,670 --> 00:46:34,079

yeah so it's interesting to me that this

1106

00:46:38,470 --> 00:46:35,680

guy is changing his story

1107

00:46:40,630 --> 00:46:38,480

and it's really clear at least to me and

1108

00:46:42,470 --> 00:46:40,640

i know that's speculation but come on

1109

00:46:44,790 --> 00:46:42,480

suddenly he gets cut out of a movie deal

1110

00:46:47,270 --> 00:46:44,800

he no longer wants to be a witness

1111

00:46:48,630 --> 00:46:47,280

right that's convenient it's like hey

1112

00:46:50,550 --> 00:46:48,640

bro

1113

00:46:53,430 --> 00:46:50,560

you cut me out of the money so i'm not

1114

00:46:56,790 --> 00:46:53,440

helping you sell this story anymore

1115

00:46:58,710 --> 00:46:56,800

and that is the gist of what i would say

1116

00:46:59,190 --> 00:46:58,720

happened here in this situation with a

1117

00:47:01,670 --> 00:46:59,200

guest

1118

00:47:03,270 --> 00:47:01,680

or i'm sorry with a long time witness to

1119

00:47:06,630 --> 00:47:03,280

the event suddenly

1120

00:47:08,390 --> 00:47:06,640

changing his tune pbr street gang

1121

00:47:10,870 --> 00:47:08,400

is here shout out to pbr street gang

1122

00:47:12,710 --> 00:47:10,880

striver was on heather wage

1123

00:47:14,390 --> 00:47:12,720

radio show and i called and told him to

1124

00:47:16,470 --> 00:47:14,400

find a new hobby and he went off for

1125

00:47:18,390 --> 00:47:16,480

like five minutes oh i gotta find a clip

1126

00:47:19,750 --> 00:47:18,400

of that pbr street gang i would like to

1127

00:47:21,829 --> 00:47:19,760

see that

1128

00:47:23,670 --> 00:47:21,839

renee miss jonasside is here shout out

1129

00:47:23,990 --> 00:47:23,680

to her name miss genocide saying just

1130

00:47:26,069 --> 00:47:24,000

saw

1131

00:47:27,750 --> 00:47:26,079

this yeah we're doing a rare late show

1132

00:47:31,910 --> 00:47:27,760

because my children were nutty

1133

00:47:33,990 --> 00:47:31,920

and screaming earlier and uh

1134

00:47:34,950 --> 00:47:34,000

sometimes miss jones signed i just know

1135

00:47:37,589 --> 00:47:34,960

to let him go

1136

00:47:38,390 --> 00:47:37,599

like i'm not gonna because if i don't i

1137

00:47:40,069 --> 00:47:38,400

get upset

1138

00:47:43,349 --> 00:47:40,079

like come on i gotta do a show you just

1139

00:47:45,270 --> 00:47:43,359

gotta calm down and then they don't

1140

00:47:47,349 --> 00:47:45,280

you know they'll go to another room but

1141

00:47:50,549 --> 00:47:47,359

get even louder

1142

00:47:51,990 --> 00:47:50,559

so i just i'm at the mercy of children

1143

00:47:53,510 --> 00:47:52,000

here i just give up i just go

1144

00:47:55,270 --> 00:47:53,520

okay well they're gonna tie they're

1145

00:47:57,430 --> 00:47:55,280

gonna tire themselves out and

1146

00:47:58,790 --> 00:47:57,440

you know fall asleep eventually and i'll

1147

00:48:03,670 --> 00:47:58,800

do the show then

1148

00:48:07,430 --> 00:48:06,309

sounds of the circus or you know people

1149

00:48:09,270 --> 00:48:07,440

being tortured

1150

00:48:13,750 --> 00:48:09,280

in the room next to where i'm doing the

1151

00:48:17,190 --> 00:48:16,150

angela says uh heather wade is rotten

1152

00:48:20,390 --> 00:48:17,200

i'm not sure

1153

00:48:22,630 --> 00:48:20,400

i don't think i'm a fan i think i uh

1154

00:48:24,710 --> 00:48:22,640

have encountered her work a few times

1155

00:48:26,390 --> 00:48:24,720

and was less than impressed

1156

00:48:33,270 --> 00:48:26,400

but i may be confusing her with somebody

1157

00:48:36,549 --> 00:48:35,030

bailey stoner am i the only one who

1158

00:48:38,470 --> 00:48:36,559

thinks mufon feels like some kind of

1159

00:48:39,349 --> 00:48:38,480

federal op my experience with them is

1160

00:48:42,549 --> 00:48:39,359

really weird

1161

00:48:44,630 --> 00:48:42,559

not a fan of uh of mufon there have been

1162

00:48:46,150 --> 00:48:44,640

several investigators who said we've got

1163

00:48:48,390 --> 00:48:46,160

material can we get

1164

00:48:49,670 --> 00:48:48,400

this material it mufon wasn't even

1165

00:48:51,270 --> 00:48:49,680

interested

1166

00:48:52,630 --> 00:48:51,280

they didn't want to provide the funds

1167

00:48:54,230 --> 00:48:52,640

they no we don't want to test that

1168

00:48:55,829 --> 00:48:54,240

material that may have come from an

1169

00:48:58,069 --> 00:48:55,839

alien spacecraft

1170

00:48:59,910 --> 00:48:58,079

come on your whole thing is to

1171

00:49:01,829 --> 00:48:59,920

investigate these things why would you

1172

00:49:02,950 --> 00:49:01,839

ignore an investigator who's telling you

1173

00:49:04,790 --> 00:49:02,960

that he has

1174

00:49:07,349 --> 00:49:04,800

crash materials and can we get them

1175

00:49:09,349 --> 00:49:07,359

tested they ignored him

1176
00:49:10,390 --> 00:49:09,359
and i think that speaks volume that and

1177
00:49:11,589 --> 00:49:10,400
their uh

1178
00:49:13,670 --> 00:49:11,599
you know the guy who runs that

1179
00:49:17,190 --> 00:49:13,680
organization getting popped

1180
00:49:18,069 --> 00:49:17,200
for what was it solicitation of a minor

1181
00:49:24,309 --> 00:49:18,079
for sex

1182
00:49:28,549 --> 00:49:25,990
paul cargo is here shout out to paul

1183
00:49:30,309 --> 00:49:28,559
cargo logging is hardcore and dangerous

1184
00:49:31,910 --> 00:49:30,319
and i do not believe five ladders would

1185
00:49:33,829 --> 00:49:31,920
leave their co-worker for dead

1186
00:49:35,750 --> 00:49:33,839
at least one would have wanted to help

1187
00:49:38,390 --> 00:49:35,760
yeah i agree with you

1188
00:49:39,589 --> 00:49:38,400

you don't leave your bro in the in the

1189

00:49:42,829 --> 00:49:39,599

in a forest

1190

00:49:44,790 --> 00:49:42,839

to die you somebody would have did

1191

00:49:47,190 --> 00:49:44,800

something

1192

00:49:48,950 --> 00:49:47,200

i think mufon is actually trying to get

1193

00:49:50,790 --> 00:49:48,960

info on who abductees are

1194

00:49:52,390 --> 00:49:50,800

and not get info on the actual event

1195

00:49:53,430 --> 00:49:52,400

they have been caught suppressing useful

1196

00:49:56,549 --> 00:49:53,440

information

1197

00:50:00,230 --> 00:49:56,559

or bailly stoner they've been caught

1198

00:50:04,710 --> 00:50:00,240

selling the information to bob bigelow

1199

00:50:07,589 --> 00:50:04,720

and the reports we're supposed to get

1200

00:50:09,030 --> 00:50:07,599

the reports we're supposed to get were

1201
00:50:10,950 --> 00:50:09,040
supposed to be confidential so when

1202
00:50:12,230 --> 00:50:10,960
people gave their story to mufon it was

1203
00:50:15,109 --> 00:50:12,240
supposed to be confidential

1204
00:50:16,470 --> 00:50:15,119
they sold those confidential reports to

1205
00:50:19,589 --> 00:50:16,480
bob bigelow

1206
00:50:21,430 --> 00:50:19,599
not to be trusted posmar

1207
00:50:23,109 --> 00:50:21,440
shout out to postmark asks where can i

1208
00:50:23,990 --> 00:50:23,119
read the news about the travis walton

1209
00:50:27,510 --> 00:50:24,000
witness well

1210
00:50:31,030 --> 00:50:27,520
uh uh we covered pretty well today

1211
00:50:33,990 --> 00:50:31,040
there's not much to say or you can go

1212
00:50:35,190 --> 00:50:34,000
on facebook and just look up mike heston

1213
00:50:40,470 --> 00:50:35,200

rogers

1214

00:50:42,470 --> 00:50:40,480

r-o-g-e-r-s

1215

00:50:43,589 --> 00:50:42,480

and he's got a public profile and you

1216

00:50:47,030 --> 00:50:43,599

can

1217

00:50:48,710 --> 00:50:47,040

read the thread which will probably

1218

00:50:50,309 --> 00:50:48,720

leave you about as confused as i was

1219

00:50:50,950 --> 00:50:50,319

after reading the entire thing because

1220

00:50:52,950 --> 00:50:50,960

it's just

1221

00:50:54,069 --> 00:50:52,960

he's very wishy-washy and he goes back

1222

00:50:56,870 --> 00:50:54,079

and forth whether he

1223

00:50:58,309 --> 00:50:56,880

still supports the story or not uh

1224

00:51:00,390 --> 00:50:58,319

whether he believes

1225

00:51:03,430 --> 00:51:00,400

travis walton was abducted by aliens or

1226

00:51:05,670 --> 00:51:03,440

not it's very wishy-washy at this point

1227

00:51:07,750 --> 00:51:05,680

maybe this is a negotiation tactic and

1228

00:51:09,349 --> 00:51:07,760

suddenly mr michael h rogers will have

1229

00:51:11,589 --> 00:51:09,359

another change of heart

1230

00:51:13,270 --> 00:51:11,599

after he and travis talk about the money

1231

00:51:15,670 --> 00:51:13,280

right let's talk about money

1232

00:51:18,230 --> 00:51:15,680

mr travis walton before i support your

1233

00:51:20,309 --> 00:51:18,240

[h__\h] story for another 10 years

1234

00:51:27,030 --> 00:51:20,319

right maybe he's got to get the money

1235

00:51:31,030 --> 00:51:28,950

brandon says what spooky is billions of

1236

00:51:32,470 --> 00:51:31,040

ufo sightings but they won't communicate

1237

00:51:37,349 --> 00:51:32,480

no radio contact

1238

00:51:41,030 --> 00:51:37,359

yeah that is strange um

1239

00:51:43,030 --> 00:51:41,040

but then some have communicated right

1240

00:51:44,710 --> 00:51:43,040

we're attempting to communicate and if

1241

00:51:46,549 --> 00:51:44,720

we already believe some of these alien

1242

00:51:49,670 --> 00:51:46,559

contact these stories

1243

00:51:53,510 --> 00:51:49,680

you know they pick special people

1244

00:51:55,030 --> 00:51:53,520

and to talk to um but it's funny to me

1245

00:51:56,069 --> 00:51:55,040

that a lot of those people

1246

00:51:58,230 --> 00:51:56,079

you know when you look into their

1247

00:52:00,549 --> 00:51:58,240

background or former criminals right

1248

00:52:02,829 --> 00:52:00,559

like why do aliens love criminals right

1249

00:52:04,549 --> 00:52:02,839

why does the secret space program love

1250

00:52:07,829 --> 00:52:04,559

criminals right

1251

00:52:11,349 --> 00:52:07,839

pedophiles murderers right

1252

00:52:12,710 --> 00:52:11,359

burglars right why why does the secret

1253

00:52:15,349 --> 00:52:12,720

space program

1254

00:52:17,190 --> 00:52:15,359

always pick criminals to be a part of

1255

00:52:19,750 --> 00:52:17,200

the secret space force

1256

00:52:20,870 --> 00:52:19,760

right that's a little suspect to me

1257

00:52:22,790 --> 00:52:20,880

right

1258

00:52:24,790 --> 00:52:22,800

and there have been many different

1259

00:52:26,309 --> 00:52:24,800

examples of these people making up these

1260

00:52:27,349 --> 00:52:26,319

stories where when you look into their

1261

00:52:29,829 --> 00:52:27,359

background

1262

00:52:31,589 --> 00:52:29,839

you know for example one was a i don't

1263

00:52:32,870 --> 00:52:31,599

want to say convicted pedophile he was a

1264

00:52:38,870 --> 00:52:32,880

court-martialed

1265

00:52:39,829 --> 00:52:38,880

while he was in the service for sex with

1266

00:52:45,190 --> 00:52:39,839

an underage

1267

00:52:46,790 --> 00:52:45,200

it's been a while since i looked at

1268

00:52:48,390 --> 00:52:46,800

those court documents so forgive me if

1269

00:52:50,950 --> 00:52:48,400

i'm misspeaking

1270

00:52:52,950 --> 00:52:50,960

uh and then we have mark richards who's

1271

00:52:56,309 --> 00:52:52,960

being touted by carrie cassidy

1272

00:52:58,230 --> 00:52:56,319

is in prison for murdering someone and

1273

00:53:00,470 --> 00:52:58,240

has been in prison for murdering someone

1274

00:53:02,470 --> 00:53:00,480

for 35 years right

1275

00:53:03,990 --> 00:53:02,480

but he's a member of the secret space

1276
00:53:07,510 --> 00:53:04,000
program right

1277
00:53:10,630 --> 00:53:07,520
and there are other examples of people

1278
00:53:10,950 --> 00:53:10,640
with less than trustworthy backgrounds

1279
00:53:12,710 --> 00:53:10,960
right

1280
00:53:14,630 --> 00:53:12,720
who have criminal convictions in their

1281
00:53:16,150 --> 00:53:14,640
past that suddenly decided that they

1282
00:53:18,470 --> 00:53:16,160
were a member of the secret space

1283
00:53:21,829 --> 00:53:18,480
program and went on space missions

1284
00:53:24,710 --> 00:53:21,839
right and fought space aliens right

1285
00:53:26,829 --> 00:53:24,720
why does the secret space program love

1286
00:53:29,109 --> 00:53:26,839
criminals

1287
00:53:30,630 --> 00:53:29,119
right but if you talk to a believer

1288
00:53:32,069 --> 00:53:30,640

they'll go well that's so they can be

1289

00:53:35,589 --> 00:53:32,079

discredited when they

1290

00:53:38,069 --> 00:53:35,599

if they tell their stories okay and

1291

00:53:38,950 --> 00:53:38,079

yeah and the same thing like bob lazar

1292

00:53:43,510 --> 00:53:38,960

he's a

1293

00:53:45,109 --> 00:53:43,520

staff level physicist but one day he

1294

00:53:47,349 --> 00:53:45,119

just woke up and say

1295

00:53:48,790 --> 00:53:47,359

and said you know what this science

1296

00:53:49,270 --> 00:53:48,800

stuff is boring you know what i'm going

1297

00:53:51,829 --> 00:53:49,280

to do

1298

00:53:53,270 --> 00:53:51,839

i'm going to open a warehouse right i'm

1299

00:53:55,349 --> 00:53:53,280

just going to open a warehouse because

1300

00:53:57,430 --> 00:53:55,359

that's what scientists do is open

1301
00:53:59,589 --> 00:53:57,440
warehouses right

1302
00:54:00,950 --> 00:53:59,599
hey i guess scientists love [h__h] as

1303
00:54:03,670 --> 00:54:00,960
much as the next guy

1304
00:54:04,390 --> 00:54:03,680
right so bob lazar one day just decided

1305
00:54:07,829 --> 00:54:04,400
he was gonna go

1306
00:54:11,510 --> 00:54:07,839
partners right with a madam

1307
00:54:16,150 --> 00:54:11,520
and and you know run a warehouse

1308
00:54:20,309 --> 00:54:18,390
yeah so a lot of these people that are

1309
00:54:21,589 --> 00:54:20,319
out there trying to profit from stories

1310
00:54:23,670 --> 00:54:21,599
surrounding aliens

1311
00:54:25,270 --> 00:54:23,680
the secret space program alien

1312
00:54:28,230 --> 00:54:25,280
abductions

1313
00:54:29,750 --> 00:54:28,240

are criminals literal criminals right

1314

00:54:31,589 --> 00:54:29,760

and and by the way i'm not saying that

1315

00:54:33,270 --> 00:54:31,599

about travis walton near as i can tell

1316

00:54:35,270 --> 00:54:33,280

travis walton does not have any criminal

1317

00:54:38,630 --> 00:54:35,280

convictions that i'm aware of

1318

00:54:40,789 --> 00:54:38,640

uh i'm just saying that there is a

1319

00:54:42,230 --> 00:54:40,799

large percentage of these people telling

1320

00:54:43,829 --> 00:54:42,240

these alien stories

1321

00:54:45,270 --> 00:54:43,839

that when you do look into their

1322

00:54:46,069 --> 00:54:45,280

background you find out that there's

1323

00:54:49,349 --> 00:54:46,079

some form of

1324

00:54:51,910 --> 00:54:49,359

criminality in their in their past and

1325

00:54:54,870 --> 00:54:51,920

in some cases in their very recent past

1326

00:54:57,990 --> 00:54:57,190

i don't think that that uh is a

1327

00:55:00,069 --> 00:54:58,000

coincidence

1328

00:55:01,510 --> 00:55:00,079

and in fact i think that is an

1329

00:55:04,309 --> 00:55:01,520

indictment against

1330

00:55:06,309 --> 00:55:04,319

this whole field that so many of these

1331

00:55:08,230 --> 00:55:06,319

people are criminals and allowed to

1332

00:55:09,910 --> 00:55:08,240

profit like you want to

1333

00:55:11,430 --> 00:55:09,920

you want to be booked at a ufo

1334

00:55:14,710 --> 00:55:11,440

conference even though

1335

00:55:18,230 --> 00:55:14,720

you know we know that you're a pedophile

1336

00:55:19,750 --> 00:55:18,240

sure sure we'll book you we'll give you

1337

00:55:21,030 --> 00:55:19,760

speaking fee we'll let you sell your

1338

00:55:22,789 --> 00:55:21,040

books at our conferences

1339

00:55:24,230 --> 00:55:22,799

even though we know that you molest

1340

00:55:27,270 --> 00:55:24,240

children

1341

00:55:29,109 --> 00:55:27,280

right and uh well

1342

00:55:30,309 --> 00:55:29,119

wendell stevens is the most famous case

1343

00:55:32,230 --> 00:55:30,319

of that

1344

00:55:34,470 --> 00:55:32,240

everybody knew that wendell stevens was

1345

00:55:35,670 --> 00:55:34,480

a twice convicted pedophile everybody

1346

00:55:37,670 --> 00:55:35,680

knew

1347

00:55:39,670 --> 00:55:37,680

why i want to say everybody most in the

1348

00:55:40,870 --> 00:55:39,680

ufo community knew that he was a twice

1349

00:55:43,270 --> 00:55:40,880

convicted pedophile

1350

00:55:45,670 --> 00:55:43,280

people booked him for conferences people

1351

00:55:48,630 --> 00:55:45,680

paid him to be in documentaries

1352

00:55:49,670 --> 00:55:48,640

give speeches about ufos and aliens

1353

00:55:52,710 --> 00:55:49,680

anyway

1354

00:55:54,950 --> 00:55:52,720

and i'm sorry but a convicted criminal

1355

00:55:57,670 --> 00:55:54,960

is not trustworthy right and you know

1356

00:56:00,069 --> 00:55:57,680

who is even less trustworthy a convicted

1357

00:56:01,990 --> 00:56:00,079

pedophile

1358

00:56:03,270 --> 00:56:02,000

can't even trust the kid the guy around

1359

00:56:06,549 --> 00:56:03,280

kids you're gonna trust him

1360

00:56:12,710 --> 00:56:06,559

telling stories about aliens right

1361

00:56:17,030 --> 00:56:15,589

yeah uh somebody's mentioning david

1362

00:56:19,270 --> 00:56:17,040

jacobs books

1363

00:56:21,109 --> 00:56:19,280

not sure but do not automatically

1364

00:56:21,589 --> 00:56:21,119

disbelieve him he is adamant about his

1365

00:56:23,190 --> 00:56:21,599

angle

1366

00:56:26,470 --> 00:56:23,200

yeah according to him the aliens are

1367

00:56:29,430 --> 00:56:26,480

taking over earth don craig's face

1368

00:56:31,109 --> 00:56:29,440

what are we going to do and dolan's

1369

00:56:33,750 --> 00:56:31,119

throwing out these

1370

00:56:37,190 --> 00:56:33,760

you know [h__\h] come on richard dolan

1371

00:56:40,390 --> 00:56:37,200

with your clickbait garbage

1372

00:56:42,390 --> 00:56:40,400

the earth will be theirs this world will

1373

00:56:43,109 --> 00:56:42,400

be theirs that's what dolan is pushing

1374

00:56:44,710 --> 00:56:43,119

that guy

1375

00:56:46,950 --> 00:56:44,720

right because he got an interview with

1376

00:56:48,069 --> 00:56:46,960

him i can't get an interview with that

1377

00:56:49,829 --> 00:56:48,079

guy even though we're both from

1378

00:56:52,390 --> 00:56:49,839

philadelphia right i would think you

1379

00:56:54,470 --> 00:56:52,400

would help a fellow philadelphia nail

1380

00:56:57,270 --> 00:56:54,480

and give me an interview david jacobs

1381

00:56:59,990 --> 00:56:57,280

but i've got some hard questions for you

1382

00:57:02,470 --> 00:57:00,000

oh and david jacobs had uh you know

1383

00:57:05,430 --> 00:57:02,480

sexual issues with one of his patients

1384

00:57:10,230 --> 00:57:06,789

but we're not supposed to talk about

1385

00:57:12,470 --> 00:57:10,240

that we're not supposed to talk about

1386

00:57:13,910 --> 00:57:12,480

a guy having issues with one of his

1387

00:57:17,349 --> 00:57:13,920

alien abductee

1388

00:57:21,670 --> 00:57:19,510

again it means he's less than credible

1389

00:57:23,670 --> 00:57:21,680

to me

1390

00:57:25,270 --> 00:57:23,680

don craig's face i'm a big fan of john

1391

00:57:27,030 --> 00:57:25,280

mack yeah i was a bigger fan

1392

00:57:29,109 --> 00:57:27,040

i'm definitely a bigger fan of john mack

1393

00:57:31,030 --> 00:57:29,119

than i am of david jacobs i think

1394

00:57:32,710 --> 00:57:31,040

david jacobs got some problems not the

1395

00:57:35,349 --> 00:57:32,720

least is which some kind of sexual

1396

00:57:38,470 --> 00:57:35,359

weirdness going on with his so-called

1397

00:57:41,270 --> 00:57:38,480

hypnotic regression patients right and

1398

00:57:44,870 --> 00:57:41,280

again uh

1399

00:57:46,870 --> 00:57:44,880

i'm not one to i don't want to

1400

00:57:49,030 --> 00:57:46,880

[h__h] all over hypnotic regression

1401

00:57:50,950 --> 00:57:49,040

therapy for sure but

1402

00:57:52,549 --> 00:57:50,960

why do so many of these people only

1403

00:57:53,750 --> 00:57:52,559

remember their alien abduction

1404

00:57:56,870 --> 00:57:53,760

experiences

1405

00:57:58,309 --> 00:57:56,880

once they're you know undergoing

1406

00:58:00,390 --> 00:57:58,319

hypnosis

1407

00:58:01,750 --> 00:58:00,400

and it's usually with somebody like

1408

00:58:03,430 --> 00:58:01,760

david jacobs who

1409

00:58:05,990 --> 00:58:03,440

has made a full-time living selling

1410

00:58:07,910 --> 00:58:06,000

alien [h__h] for 25 years

1411

00:58:16,230 --> 00:58:07,920

suddenly helps them remember their alien

1412

00:58:20,950 --> 00:58:19,270

uh pseudolookian shout out says the ufo

1413

00:58:22,710 --> 00:58:20,960

community was the closest bob could get

1414

00:58:23,990 --> 00:58:22,720

to be seen as a scientist something he

1415

00:58:27,670 --> 00:58:24,000

just wasn't meant to be

1416

00:58:29,510 --> 00:58:27,680

irl yeah he's not a scientist

1417

00:58:31,510 --> 00:58:29,520

he's definitely not a scientist is he a

1418

00:58:33,589 --> 00:58:31,520

science geek sure i'll give him that but

1419

00:58:35,750 --> 00:58:33,599

so has i grown up i don't model rockets

1420

00:58:52,390 --> 00:58:35,760

and robots doesn't make me a scientist

1421

00:58:55,750 --> 00:58:54,069

and victor you know when i spoke to mike

1422

00:58:57,430 --> 00:58:55,760

rogers i thought speaking to him the

1423

00:58:59,990 --> 00:58:57,440

inflections of his voice would give away

1424

00:59:01,430 --> 00:59:00,000

the story is false but i never got that

1425

00:59:03,190 --> 00:59:01,440

not saying it was true but it was

1426

00:59:03,990 --> 00:59:03,200

interesting yeah and again it's

1427

00:59:06,069 --> 00:59:04,000

wishy-washy

1428

00:59:07,030 --> 00:59:06,079

though can we get a definitive answer

1429

00:59:08,710 --> 00:59:07,040

here

1430

00:59:10,630 --> 00:59:08,720

i remember mine ever since it happened

1431

00:59:12,470 --> 00:59:10,640

but it's also a very small story

1432

00:59:14,069 --> 00:59:12,480

yeah and near as i could tell bailey

1433

00:59:15,990 --> 00:59:14,079

stoner you haven't tried to make a

1434

00:59:16,870 --> 00:59:16,000

full-time living out of your story for

1435

00:59:19,349 --> 00:59:16,880

the past

1436

00:59:21,030 --> 00:59:19,359

couple decades like some of these people

1437

00:59:24,630 --> 00:59:21,040

it's always suspect to me

1438

00:59:30,150 --> 00:59:27,829

yeah and marcinio manderas here yaya

1439

00:59:31,190 --> 00:59:30,160

roman x telling kitty porn i'm not sure

1440

00:59:34,069 --> 00:59:31,200

that he was selling

1441

00:59:35,750 --> 00:59:34,079

kitty porn stan romanek but he

1442

00:59:37,750 --> 00:59:35,760

definitely was in possession of kitty

1443

00:59:39,990 --> 00:59:37,760

porn and of course he said that the

1444

00:59:41,750 --> 00:59:40,000

government planted it there

1445

00:59:44,069 --> 00:59:41,760

because he was getting too close to the

1446

00:59:46,309 --> 00:59:44,079

truth about aliens right he's in prison

1447

00:59:49,349 --> 00:59:46,319

right now i believe

1448

00:59:50,870 --> 00:59:49,359

uh oh i did not know that renee says my

1449

00:59:55,430 --> 00:59:50,880

mom knew travis before

1450

00:59:55,440 --> 00:59:58,470

that's interesting

1451

01:00:01,990 --> 01:00:00,470

everyone is bailing well it is uh you

1452

01:00:04,870 --> 01:00:02,000

know one o'clock in the morning so i

1453

01:00:09,589 --> 01:00:04,880

don't blame people who have to go

1454

01:00:13,510 --> 01:00:11,670

jacobs gets pissed at how small his

1455

01:00:15,829 --> 01:00:13,520

crowds are a lot

1456

01:00:17,670 --> 01:00:15,839

yeah he's not a very good speaker too i

1457

01:00:19,270 --> 01:00:17,680

have to say like i've listened to a

1458

01:00:21,349 --> 01:00:19,280

bunch of his interviews

1459

01:00:22,870 --> 01:00:21,359

and he just repeats the same garbage

1460

01:00:25,270 --> 01:00:22,880

over and over and over again for

1461

01:00:27,030 --> 01:00:25,280

years it's like if you listen to an

1462

01:00:28,789 --> 01:00:27,040

interview of him from 10 years ago you

1463

01:00:30,710 --> 01:00:28,799

don't need to listen to an interview

1464

01:00:32,549 --> 01:00:30,720

of him from last week because they're

1465

01:00:34,470 --> 01:00:32,559

virtually the same interview

1466

01:00:37,270 --> 01:00:34,480

and it's by my book by my book by my

1467

01:00:37,910 --> 01:00:37,280

book the whole time he pitches his book

1468

01:00:39,990 --> 01:00:37,920

while he's

1469

01:00:42,549 --> 01:00:40,000

being interviewed it's kind of

1470

01:00:44,630 --> 01:00:42,559

embarrassing to watch a grown man

1471

01:00:45,990 --> 01:00:44,640

so anxious to sell books that he has to

1472

01:00:48,230 --> 01:00:46,000

keep reminding

1473

01:00:49,990 --> 01:00:48,240

the interviewer to mention his books or

1474

01:00:53,109 --> 01:00:50,000

where people can find his books and this

1475

01:00:57,430 --> 01:00:55,670

don craig's face dan romanek is guilty i

1476

01:01:01,190 --> 01:00:57,440

think so at least yeah i

1477

01:01:04,470 --> 01:01:02,789

bailey stoner says he's kind of a dick

1478

01:01:08,630 --> 01:01:04,480

to everyone yeah i

1479

01:01:10,870 --> 01:01:08,640

i've never interacted with him so i uh

1480

01:01:12,309 --> 01:01:10,880

i don't know but i can you know reach

1481

01:01:13,829 --> 01:01:12,319

out to him and try to get an interview

1482

01:01:15,750 --> 01:01:13,839

again

1483

01:01:17,670 --> 01:01:15,760

you know it is what it is and as far as

1484

01:01:20,470 --> 01:01:17,680

this situation with travis walton

1485

01:01:21,190 --> 01:01:20,480

i think uh in the next few weeks we'll

1486

01:01:23,349 --> 01:01:21,200

probably hear

1487

01:01:24,950 --> 01:01:23,359

more from mr mike rogers because now

1488

01:01:27,190 --> 01:01:24,960

he's suddenly doing interviews

1489

01:01:28,870 --> 01:01:27,200

where he's saying i'm not supporting the

1490

01:01:32,309 --> 01:01:28,880

story anymore

1491

01:01:34,069 --> 01:01:32,319

right uh and i just find it interesting

1492

01:01:36,309 --> 01:01:34,079

that he suddenly decides to not

1493

01:01:38,549 --> 01:01:36,319

support the story anymore once it gets

1494

01:01:40,470 --> 01:01:38,559

cut out of the new movie deal

1495

01:01:42,069 --> 01:01:40,480

i don't think that's a coincidence and

1496

01:01:43,510 --> 01:01:42,079

again that's my opinion in my

1497

01:01:46,549 --> 01:01:43,520

speculation

1498

01:01:47,910 --> 01:01:46,559

this mr rogers uh not that mr rogers

1499

01:01:49,910 --> 01:01:47,920

this mr rogers

1500

01:01:51,510 --> 01:01:49,920

has made a great deal of money i suppose

1501
01:01:53,510 --> 01:01:51,520
supporting the story right

1502
01:01:55,270 --> 01:01:53,520
and even written a few books about ufos

1503
01:01:59,109 --> 01:01:55,280
and stuff himself

1504
01:02:02,549 --> 01:01:59,119
um so it is what it is

1505
01:02:06,150 --> 01:02:02,559
a long time travis walton

1506
01:02:08,549 --> 01:02:06,160
uh long time travis walton supporter

1507
01:02:09,910 --> 01:02:08,559
of the story the guy driving the vehicle

1508
01:02:12,789 --> 01:02:09,920
the truck at the time and

1509
01:02:14,950 --> 01:02:12,799
and the head of the locking company i

1510
01:02:17,270 --> 01:02:14,960
suppose the boss mike heston rogers

1511
01:02:19,109 --> 01:02:17,280
recanting his story

1512
01:02:21,349 --> 01:02:19,119
he hereby gives notice that he is no

1513
01:02:24,789 --> 01:02:21,359

longer considered to be a witness

1514

01:02:26,789 --> 01:02:24,799

to travis c walton's supposed abduction

1515

01:02:28,950 --> 01:02:26,799

uh and that's the headline here really

1516

01:02:30,470 --> 01:02:28,960

is that somebody who's been

1517

01:02:33,270 --> 01:02:30,480

you know supporting his story for

1518

01:02:33,990 --> 01:02:33,280

decades is suddenly no longer supporting

1519

01:02:36,150 --> 01:02:34,000

his story

1520

01:02:38,150 --> 01:02:36,160

and again i think it's this is money

1521

01:02:38,870 --> 01:02:38,160

related travis you gotta give that guy a

1522

01:02:40,950 --> 01:02:38,880

call

1523

01:02:42,870 --> 01:02:40,960

get his money right man get in the

1524

01:02:43,910 --> 01:02:42,880

damage control mode how much it's gonna

1525

01:02:46,309 --> 01:02:43,920

cost you

1526

01:02:48,549 --> 01:02:46,319

to keep selling books to keep making

1527

01:02:48,870 --> 01:02:48,559

movies right how many documentaries have

1528

01:02:50,789 --> 01:02:48,880

you

1529

01:02:52,309 --> 01:02:50,799

been paid to be in how many ufo

1530

01:02:53,349 --> 01:02:52,319

conferences have you been paid to tell

1531

01:02:57,589 --> 01:02:53,359

your story

1532

01:02:59,829 --> 01:02:57,599

right how much money does travis walton

1533

01:03:01,870 --> 01:02:59,839

need to make from this story

1534

01:03:03,109 --> 01:03:01,880

uh because since it looks like since

1535

01:03:05,349 --> 01:03:03,119

1978

1536

01:03:06,549 --> 01:03:05,359

uh you know i looked at his conference

1537

01:03:09,109 --> 01:03:06,559

appearances

1538

01:03:10,789 --> 01:03:09,119

once and i pretty much determined from

1539

01:03:13,270 --> 01:03:10,799

his conference appearances

1540

01:03:15,430 --> 01:03:13,280

uh and this is of course pre-coveted

1541

01:03:17,670 --> 01:03:15,440

that he can't have a real job

1542

01:03:19,510 --> 01:03:17,680

not with the travel that he needs to do

1543

01:03:21,510 --> 01:03:19,520

to be at all the conferences that he was

1544

01:03:24,390 --> 01:03:21,520

at for this stretch i checked on

1545

01:03:26,710 --> 01:03:24,400

so to me that means that selling his

1546

01:03:29,190 --> 01:03:26,720

story about being abducted by aliens

1547

01:03:31,670 --> 01:03:29,200

is or was at least for a time his

1548

01:03:39,349 --> 01:03:31,680

full-time job

1549

01:03:44,390 --> 01:03:42,390

yeah so friends uh you know we're gonna

1550

01:03:46,870 --> 01:03:44,400

wrap this one up here and

1551

01:03:47,510 --> 01:03:46,880

call it a night a long day ahead

1552

01:03:49,910 --> 01:03:47,520

tomorrow

1553

01:03:51,190 --> 01:03:49,920

i gotta go uh do a medical thing

1554

01:03:56,390 --> 01:03:51,200

tomorrow

1555

01:03:59,349 --> 01:03:56,400

uh and uh yeah

1556

01:03:59,829 --> 01:03:59,359

so we're gonna we're gonna bounce out of

1557

01:04:02,870 --> 01:03:59,839

here

1558

01:04:03,270 --> 01:04:02,880

and call this one a quick one i want to

1559

01:04:05,109 --> 01:04:03,280

thank

1560

01:04:07,349 --> 01:04:05,119

each and every one of you for joining us

1561

01:04:08,630 --> 01:04:07,359

tonight uh especially considering and we

1562

01:04:09,990 --> 01:04:08,640

had a great audience especially

1563

01:04:12,789 --> 01:04:10,000

considering the late

1564

01:04:14,150 --> 01:04:12,799

hour that we are now that we now find

1565

01:04:15,589 --> 01:04:14,160

ourselves but

1566

01:04:16,870 --> 01:04:15,599

it is what it is these things are going

1567

01:04:18,549 --> 01:04:16,880

to happen especially with me at the

1568

01:04:22,549 --> 01:04:18,559

mercy of two monkeys

1569

01:04:30,470 --> 01:04:27,349

in the form of my children

1570

01:04:32,470 --> 01:04:30,480

you know i had a uh i had a job once

1571

01:04:33,990 --> 01:04:32,480

where

1572

01:04:35,910 --> 01:04:34,000

i would call my wife and say how's the

1573

01:04:37,829 --> 01:04:35,920

monkey and

1574

01:04:40,710 --> 01:04:37,839

for like a year my the person that sat

1575

01:04:42,630 --> 01:04:40,720

next to me thought that we had a monkey

1576

01:04:48,069 --> 01:04:42,640

he had no idea i was referring to my

1577

01:04:51,589 --> 01:04:49,510

so friends i want to thank each and

1578

01:04:53,270 --> 01:04:51,599

every one of you for joining us

1579

01:04:55,109 --> 01:04:53,280

always glad when there's an audience and

1580

01:04:57,270 --> 01:04:55,119

i want to and i'm so glad that tonight

1581

01:04:59,430 --> 01:04:57,280

you could be a part of mine

1582

01:05:00,870 --> 01:04:59,440

please do there's two ways to help us

1583

01:05:02,950 --> 01:05:00,880

with the show

1584

01:05:04,470 --> 01:05:02,960

please like comment and subscribe and

1585

01:05:06,470 --> 01:05:04,480

send some of our video links to your

1586

01:05:08,069 --> 01:05:06,480

friends please share our channel link on

1587

01:05:10,710 --> 01:05:08,079

your social media

1588

01:05:11,430 --> 01:05:10,720

and ask people to subscribe and join us

1589

01:05:14,870 --> 01:05:11,440

here

1590

01:05:18,150 --> 01:05:14,880

and thank you for helping us grow

1591

01:05:20,710 --> 01:05:18,160

and also uh there is

1592

01:05:22,309 --> 01:05:20,720

in our about section uh yeah so please

1593

01:05:24,309 --> 01:05:22,319

do like and share

1594

01:05:27,270 --> 01:05:24,319

in our about section there is links to

1595

01:05:29,510 --> 01:05:27,280

both patreon and a paypal donate button

1596

01:05:30,950 --> 01:05:29,520

i was mentioning on twitter earlier that

1597

01:05:32,870 --> 01:05:30,960

i've been we've been waiting eight or

1598

01:05:33,829 --> 01:05:32,880

nine weeks now for twitter to turn our

1599

01:05:36,470 --> 01:05:33,839

monetization

1600

01:05:37,109 --> 01:05:36,480

on and then once they do that they're

1601
01:05:39,109 --> 01:05:37,119
going to take

1602
01:05:40,870 --> 01:05:39,119
six months or something to send me some

1603
01:05:42,710 --> 01:05:40,880
pin card i've been hearing horror

1604
01:05:44,950 --> 01:05:42,720
stories it doesn't appear that will ever

1605
01:05:46,789 --> 01:05:44,960
be monetized here

1606
01:05:48,870 --> 01:05:46,799
and they're removing monetization from

1607
01:05:51,589 --> 01:05:48,880
other people's channels i've noticed

1608
01:05:53,109 --> 01:05:51,599
most notably i think cw channel has been

1609
01:05:56,789 --> 01:05:53,119
demonetized

1610
01:06:00,150 --> 01:05:56,799
most recently yeah

1611
01:06:03,990 --> 01:06:02,230
it really would help if you could help

1612
01:06:05,750 --> 01:06:04,000
become a patreon supporter you get sort

1613
01:06:07,910 --> 01:06:05,760

of a backstage pass and get to see

1614

01:06:09,990 --> 01:06:07,920

things before they're made public

1615

01:06:11,670 --> 01:06:10,000

we have this mind hack system which is

1616

01:06:14,710 --> 01:06:11,680

like a personal development course it's

1617

01:06:16,309 --> 01:06:14,720

free for patreon supporters

1618

01:06:18,150 --> 01:06:16,319

and really i do want to thank all the

1619

01:06:20,069 --> 01:06:18,160

patreon the current patreon and paypal

1620

01:06:21,349 --> 01:06:20,079

supporters you really do make this show

1621

01:06:23,990 --> 01:06:21,359

possible

1622

01:06:25,109 --> 01:06:24,000

um everything the show is at least

1623

01:06:28,150 --> 01:06:25,119

self-sufficient

1624

01:06:29,829 --> 01:06:28,160

so what do what do i mean i mean i might

1625

01:06:30,870 --> 01:06:29,839

not really be making any money out of

1626

01:06:33,270 --> 01:06:30,880

that but

1627

01:06:35,029 --> 01:06:33,280

if i need something like a microphone or

1628

01:06:37,670 --> 01:06:35,039

a light or

1629

01:06:39,430 --> 01:06:37,680

you know software whatever there's a few

1630

01:06:42,069 --> 01:06:39,440

bucks in there

1631

01:06:44,069 --> 01:06:42,079

from you guys that could help make that

1632

01:06:45,349 --> 01:06:44,079

happen for us so i really do appreciate

1633

01:06:52,950 --> 01:06:45,359

it

1634

01:07:00,309 --> 01:06:52,960

to uh you know at least make the show

1635

01:07:03,349 --> 01:07:00,319

self-sufficient one second here

1636

01:07:04,390 --> 01:07:03,359

friends so uh as i was saying i always

1637

01:07:06,470 --> 01:07:04,400

forget to do that

1638

01:07:08,069 --> 01:07:06,480

you know please support us pitch i gotta

1639

01:07:12,829 --> 01:07:08,079

make a commercial

1640

01:07:14,710 --> 01:07:12,839

um i definitely have to make a

1641

01:07:16,549 --> 01:07:14,720

commercial

1642

01:07:17,910 --> 01:07:16,559

so as i was saying i'm always happy when

1643

01:07:19,589 --> 01:07:17,920

there's an audience especially on a

1644

01:07:22,069 --> 01:07:19,599

night like tonight where this is last

1645

01:07:24,870 --> 01:07:22,079

minute and we don't have our usual

1646

01:07:26,630 --> 01:07:24,880

time slot that we prefer which is either

1647

01:07:29,029 --> 01:07:26,640

9 or 10 p.m

1648

01:07:29,990 --> 01:07:29,039

eastern standard time tonight we started

1649

01:07:32,069 --> 01:07:30,000

at midnight

1650

01:07:34,150 --> 01:07:32,079

a little later and we still had a great

1651

01:07:35,510 --> 01:07:34,160

audience always happy when there is a

1652

01:07:37,510 --> 01:07:35,520

great audience and i want to thank you

1653

01:07:38,549 --> 01:07:37,520

very much for being a part of mine

1654

01:07:40,630 --> 01:07:38,559

tonight

1655

01:07:42,710 --> 01:07:40,640

until next time friends my name is

1656

01:07:58,430 --> 01:07:42,720

stephen cambion

1657

01:08:53,070 --> 01:08:08,829

[Music]

1658

01:09:07,420 --> 01:08:53,080

so

1659

01:09:08,780 --> 01:09:07,430

[Music]
