

UFO LUCIFER

1  
00:00:50,530 --> 00:00:48,540  
[Music]

2  
00:00:58,470 --> 00:00:50,540  
[Applause]

3  
00:02:18,070 --> 00:00:58,480  
[Music]

4  
00:02:24,790 --> 00:02:21,190  
greetings my friends

5  
00:02:28,949 --> 00:02:24,800  
i am ufo lucifer

6  
00:02:32,949 --> 00:02:28,959  
now i know this may seem strange but

7  
00:02:40,630 --> 00:02:32,959  
it's really not that strange after all

8  
00:02:48,390 --> 00:02:44,790  
tonight we will be taking a look

9  
00:02:51,430 --> 00:02:48,400  
at one of the strange characters

10  
00:02:54,710 --> 00:02:51,440  
of the so-called disclosure

11  
00:02:58,149 --> 00:02:54,720  
movement and this

12  
00:03:01,350 --> 00:02:58,159  
my friends would be one

13  
00:03:05,990 --> 00:03:01,360

ufo jesus

14

00:03:09,589 --> 00:03:06,000

a clown

15

00:03:12,070 --> 00:03:09,599

when a guy another clown sorry

16

00:03:13,589 --> 00:03:12,080

when a guy named ufo jesus is one of the

17

00:03:17,670 --> 00:03:13,599

biggest advocates

18

00:03:20,710 --> 00:03:17,680

of the so-called disclosure movement

19

00:03:24,149 --> 00:03:20,720

but is he really a ufo messiah

20

00:03:27,030 --> 00:03:24,159

or just another opportunistic vulture

21

00:03:28,789 --> 00:03:27,040

swooping in to profit from the true

22

00:03:31,990 --> 00:03:28,799

believers

23

00:03:35,030 --> 00:03:32,000

i ufo lucifer am here

24

00:03:39,750 --> 00:03:38,070

it appears that europa jesus sells ufo

25

00:03:42,390 --> 00:03:39,760

disclosure to the true

26  
00:03:42,949 --> 00:03:42,400  
believers and apparently they will

27  
00:03:47,030 --> 00:03:42,959  
believe

28  
00:03:49,270 --> 00:03:47,040  
anything he says one thing you'll notice

29  
00:03:49,830 --> 00:03:49,280  
about this false youthful prophet if you

30  
00:03:55,190 --> 00:03:49,840  
spend

31  
00:03:58,710 --> 00:03:57,670  
in some of his videos he repeats talking

32  
00:04:01,990 --> 00:03:58,720  
points from other

33  
00:04:05,270 --> 00:04:02,000  
ufo hucksters selling ufo

34  
00:04:08,070 --> 00:04:05,280  
and alien stories he does this word for

35  
00:04:09,030 --> 00:04:08,080  
word in some cases while doing zero

36  
00:04:13,350 --> 00:04:09,040  
research

37  
00:04:18,710 --> 00:04:13,360  
and zero fact checking of

38  
00:04:24,550 --> 00:04:22,150

maybe he repeats so many talking points

39

00:04:29,110 --> 00:04:24,560

that he should have picked ufo parrot

40

00:04:31,830 --> 00:04:29,120

instead of ufo jesus

41

00:04:33,990 --> 00:04:31,840

he really likes to repeat talking points

42

00:04:35,030 --> 00:04:34,000

i suppose handed to him by other

43

00:04:38,710 --> 00:04:35,040

so-called

44

00:04:40,790 --> 00:04:38,720

ufo journalists one of my favorite terms

45

00:04:42,629 --> 00:04:40,800

by the way

46

00:04:44,550 --> 00:04:42,639

one of these things is not like the

47

00:04:48,150 --> 00:04:44,560

other they don't go together

48

00:04:53,510 --> 00:04:51,510

he uses these talking points without

49

00:04:54,710 --> 00:04:53,520

fact-checking anything especially if

50

00:04:58,629 --> 00:04:54,720

they support his

51

00:05:00,950 --> 00:04:58,639

already drawn conclusions

52

00:05:03,110 --> 00:05:00,960

this also begs the question is he

53

00:05:05,590 --> 00:05:03,120

working with

54

00:05:06,790 --> 00:05:05,600

or for some of these other characters on

55

00:05:08,870 --> 00:05:06,800

the scene

56

00:05:11,430 --> 00:05:08,880

why else would he simply repeat their

57

00:05:13,749 --> 00:05:11,440

talking points without checking into any

58

00:05:18,230 --> 00:05:16,310

that's a fair question given the way he

59

00:05:21,510 --> 00:05:18,240

operates

60

00:05:23,670 --> 00:05:21,520

he plays very fast and loose

61

00:05:24,710 --> 00:05:23,680

with facts and he presents things as

62

00:05:26,790 --> 00:05:24,720

fact

63

00:05:30,710 --> 00:05:26,800

that he never actually even took the

64

00:05:33,670 --> 00:05:30,720

time to check if they're true or not

65

00:05:34,230 --> 00:05:33,680

if it supports his pre-made conclusions

66

00:05:36,710 --> 00:05:34,240

he's

67

00:05:40,790 --> 00:05:36,720

all in repeating fake information and

68

00:05:44,629 --> 00:05:40,800

fake stories with fake sources

69

00:05:51,029 --> 00:05:47,670

jesus would do better

70

00:05:54,230 --> 00:05:51,039

ufo jesus at best

71

00:05:56,950 --> 00:05:54,240

ufo jesus is simply

72

00:05:59,110 --> 00:05:56,960

entertainment i suppose for people who

73

00:06:00,230 --> 00:05:59,120

want so badly to believe we are not

74

00:06:03,270 --> 00:06:00,240

alone

75

00:06:07,270 --> 00:06:03,280

and are being in fact visited

76

00:06:10,550 --> 00:06:07,280

by aliens

77

00:06:15,029 --> 00:06:10,560

well friends tonight we will

78

00:06:17,350 --> 00:06:15,039

be checking into one of his videos

79

00:06:18,550 --> 00:06:17,360

where he makes fantastical claims in the

80

00:06:22,230 --> 00:06:18,560

title

81

00:06:25,990 --> 00:06:22,240

government

82

00:06:29,909 --> 00:06:26,000

disclose the truth about ufos or else

83

00:06:33,670 --> 00:06:29,919

oh so dramatic i like this ufo jesus guy

84

00:06:37,029 --> 00:06:33,680

already aliens warned the government

85

00:06:41,749 --> 00:06:37,039

disclose the truth about ufos or else

86

00:06:45,990 --> 00:06:41,759

and this video got almost 200 000 views

87

00:06:49,350 --> 00:06:46,000

boy that's a lot of clicks oh

88

00:06:50,550 --> 00:06:49,360

what is this click fake trash and fake

89

00:06:53,430 --> 00:06:50,560

information

90

00:06:54,230 --> 00:06:53,440

or did aliens really war in the

91

00:06:55,830 --> 00:06:54,240

government

92

00:06:57,990 --> 00:06:55,840

that they better disclose the truth

93

00:07:06,150 --> 00:06:58,000

about ufos or else

94

00:07:13,589 --> 00:07:10,870

all right uh friends so i'm going to say

95

00:07:14,230 --> 00:07:13,599

i'm told by your earth laws i have to

96

00:07:18,629 --> 00:07:14,240

cite

97

00:07:21,990 --> 00:07:18,639

fair use here and i'm going to do that

98

00:07:25,110 --> 00:07:22,000

now one

99

00:07:25,589 --> 00:07:25,120

moment there let's get this there there

100

00:07:28,870 --> 00:07:25,599

he is

101  
00:07:29,589 --> 00:07:28,880  
yes i am learning to work the magic

102  
00:07:34,749 --> 00:07:29,599  
machine

103  
00:07:37,430 --> 00:07:34,759  
here huh you humans are so clever

104  
00:07:40,550 --> 00:07:37,440  
technology right huh

105  
00:07:44,390 --> 00:07:40,560  
yes so we will share

106  
00:07:47,270 --> 00:07:44,400  
this video we will be

107  
00:07:47,830 --> 00:07:47,280  
we will also be discussing its contents

108  
00:07:52,230 --> 00:07:47,840  
and

109  
00:07:55,749 --> 00:07:52,240  
uh critiquing the

110  
00:07:56,790 --> 00:07:55,759  
truth that ufo jesus is trying to bring

111  
00:07:59,350 --> 00:07:56,800  
into the world

112  
00:08:00,950 --> 00:07:59,360  
that aliens warn the government disclose

113  
00:08:03,990 --> 00:08:00,960

the truth about ufos

114

00:08:07,029 --> 00:08:04,000

or else yes we'll be

115

00:08:08,230 --> 00:08:07,039

uh talking about this video so i will

116

00:08:11,670 --> 00:08:08,240

share it now

117

00:08:16,309 --> 00:08:11,680

and we will listen together

118

00:08:19,430 --> 00:08:16,319

yes thank you humans for joining

119

00:08:22,150 --> 00:08:19,440

me here i am glad

120

00:08:23,909 --> 00:08:22,160

that there is an audience to witness the

121

00:08:28,710 --> 00:08:23,919

magnificence

122

00:08:36,630 --> 00:08:32,870

and listen there's a ufo jesus so

123

00:08:39,670 --> 00:08:36,640

there has to be a ufo lucifer okay

124

00:08:52,389 --> 00:08:39,680

that's how it works i will share

125

00:08:56,870 --> 00:08:55,590

wow huh that's the start of the video i

126

00:09:05,750 --> 00:08:56,880

wonder if that's his oh

127

00:09:10,070 --> 00:09:09,190

okay let's uh listen to what mr ufo

128

00:09:13,430 --> 00:09:10,080

jesus

129

00:09:14,070 --> 00:09:13,440

has to uh share with us well one moment

130

00:09:22,070 --> 00:09:14,080

one more

131

00:09:30,310 --> 00:09:22,080

piece of business

132

00:09:35,750 --> 00:09:32,870

aliens are pressuring the deep state to

133

00:09:35,990 --> 00:09:35,760

disclose the reality of their existence

134

00:09:39,509 --> 00:09:36,000

and

135

00:09:40,070 --> 00:09:39,519

they are doing so in highly mysterious

136

00:09:41,910 --> 00:09:40,080

ways

137

00:09:44,230 --> 00:09:41,920

they have given the gatekeepers in

138

00:09:47,030 --> 00:09:44,240

charge of maintaining the secrecy

139

00:09:48,230 --> 00:09:47,040

of the et presence here on earth a

140

00:09:51,590 --> 00:09:48,240

deadline

141

00:09:53,829 --> 00:09:51,600

here's how it all went down years back

142

00:09:55,990 --> 00:09:53,839

and i don't know the exact date they

143

00:09:57,910 --> 00:09:56,000

sent an electronic message to the groom

144

00:09:59,110 --> 00:09:57,920

lake headquarters or as it's most

145

00:10:26,949 --> 00:09:59,120

commonly known

146

00:10:30,069 --> 00:10:29,110

here is the message that was received

147

00:10:39,350 --> 00:10:30,079

greetings

148

00:10:39,360 --> 00:10:55,670

i'm sorry let's try that again

149

00:11:00,470 --> 00:10:58,310

aliens are pressuring the deep state to

150

00:11:03,430 --> 00:11:00,480

disclose the reality of their

151

00:11:05,509 --> 00:11:03,440

existence and they are doing so in

152

00:11:07,269 --> 00:11:05,519

highly mysterious ways

153

00:11:09,670 --> 00:11:07,279

they have given the gatekeepers in

154

00:11:11,430 --> 00:11:09,680

charge of maintaining the secrecy

155

00:11:13,190 --> 00:11:11,440

of the et presence they're giving them a

156

00:11:17,030 --> 00:11:13,200

deadline a deadline

157

00:11:19,269 --> 00:11:17,040

yeah the ball went down years back

158

00:11:21,430 --> 00:11:19,279

and i don't know the exact date they

159

00:11:23,269 --> 00:11:21,440

sent an electronic message to the groom

160

00:11:24,550 --> 00:11:23,279

lake headquarters or as it's most

161

00:11:27,190 --> 00:11:24,560

commonly known

162

00:11:28,150 --> 00:11:27,200

area 51. yeah they said that's a message

163

00:11:30,269 --> 00:11:28,160

that was received

164

00:11:31,509 --> 00:11:30,279

greetings oh he's back from july 7th

165

00:11:33,990 --> 00:11:31,519

1947

166

00:11:36,710 --> 00:11:34,000

one of our crafts crashed at roswell new

167

00:11:38,310 --> 00:11:36,720

mexico and you recovered it

168

00:11:40,550 --> 00:11:38,320

but much of the world believes in the

169

00:11:42,870 --> 00:11:40,560

existence of et's and still some believe

170

00:11:45,190 --> 00:11:42,880

that et's are visiting your planet it is

171

00:11:46,470 --> 00:11:45,200

not yet considered a fact by science or

172

00:11:49,750 --> 00:11:46,480

academia

173

00:11:51,430 --> 00:11:49,760

we yes because it's not a fact and where

174

00:11:53,190 --> 00:11:51,440

does this message come from because i've

175

00:11:55,190 --> 00:11:53,200

got every ufo book

176

00:11:56,870 --> 00:11:55,200

in the history of humankind and every

177

00:11:59,590 --> 00:11:56,880

ufo documentary

178

00:12:01,350 --> 00:11:59,600

and no one else ever talked about this

179

00:12:04,150 --> 00:12:01,360

incredible message and

180

00:12:04,470 --> 00:12:04,160

why is this incredible breaking news not

181

00:12:07,590 --> 00:12:04,480

on

182

00:12:09,750 --> 00:12:07,600

cnn and msnbc after all

183

00:12:11,350 --> 00:12:09,760

he's got the message that aliens warn

184

00:12:12,870 --> 00:12:11,360

the government that they better disclose

185

00:12:15,829 --> 00:12:12,880

the truth about ufos or

186

00:12:17,030 --> 00:12:15,839

else why is this not all over every

187

00:12:19,509 --> 00:12:17,040

newspaper

188

00:12:21,670 --> 00:12:19,519

this incredible message from aliens and

189

00:12:24,550 --> 00:12:21,680

why have i never heard of this message

190

00:12:26,949 --> 00:12:24,560

from aliens and any other source

191

00:12:29,030 --> 00:12:26,959

it's very mysterious friends we

192

00:12:30,389 --> 00:12:29,040

understand you committed to secrecy

193

00:12:33,030 --> 00:12:30,399

during the cold war

194

00:12:35,110 --> 00:12:33,040

however this is no longer a factor and

195

00:12:37,829 --> 00:12:35,120

your current commitment to secrecy

196

00:12:39,509 --> 00:12:37,839

no longer serves any rational purpose

197

00:12:40,949 --> 00:12:39,519

not only are you withholding the

198

00:12:43,110 --> 00:12:40,959

technologies that you have

199

00:12:44,790 --> 00:12:43,120

reverse engineered from our crash craft

200

00:12:45,350 --> 00:12:44,800

that would liberate earth from fossil

201  
00:12:46,710 --> 00:12:45,360  
fuel

202  
00:12:49,110 --> 00:12:46,720  
and preclude your world from being

203  
00:12:51,430 --> 00:12:49,120  
destroyed by pollution but you're also

204  
00:12:53,509 --> 00:12:51,440  
stripping humanity of their free will

205  
00:12:56,949 --> 00:12:53,519  
the confirmation that humanity

206  
00:12:58,870 --> 00:12:56,959  
is not only not alone but is regularly

207  
00:13:00,629 --> 00:12:58,880  
visited by beings from other worlds

208  
00:13:01,990 --> 00:13:00,639  
would initiate a paradigm shift that

209  
00:13:03,509 --> 00:13:02,000  
would change the way your species

210  
00:13:06,389 --> 00:13:03,519  
interacts with each other

211  
00:13:06,949 --> 00:13:06,399  
and views reality how can humanity have

212  
00:13:08,790 --> 00:13:06,959  
free will

213  
00:13:10,870 --> 00:13:08,800

and something as fundamental as

214

00:13:12,310 --> 00:13:10,880

verification they are not alone is

215

00:13:14,870 --> 00:13:12,320

withheld from them

216

00:13:16,870 --> 00:13:14,880

we simply will not tolerate anymore a

217

00:13:18,790 --> 00:13:16,880

tiny fraction of humanity

218

00:13:19,990 --> 00:13:18,800

having the verified truth while the rest

219

00:13:22,389 --> 00:13:20,000

of the world goes on

220

00:13:23,269 --> 00:13:22,399

in ignorance well what an amazing

221

00:13:26,069 --> 00:13:23,279

message

222

00:13:26,870 --> 00:13:26,079

from these aliens they're one of us all

223

00:13:29,829 --> 00:13:26,880

to know

224

00:13:31,990 --> 00:13:29,839

about them they want the government to

225

00:13:35,030 --> 00:13:32,000

end the secrecy

226

00:13:35,990 --> 00:13:35,040

you know the 70-year truth embargo about

227

00:13:37,750 --> 00:13:36,000

aliens

228

00:13:40,150 --> 00:13:37,760

flying saucers that everybody talks

229

00:13:43,509 --> 00:13:40,160

about but no one's ever proved is real

230

00:13:45,670 --> 00:13:43,519

in 70 years that truth embargo

231

00:13:46,629 --> 00:13:45,680

we're giving you eight years to disclose

232

00:13:48,629 --> 00:13:46,639

from today

233

00:13:51,189 --> 00:13:48,639

disclose before the deadline and you can

234

00:13:53,670 --> 00:13:51,199

disclose in the manner that you wish

235

00:13:56,230 --> 00:13:53,680

just go one second beyond the deadline

236

00:13:59,189 --> 00:13:56,240

go outside and look up at the sky

237

00:14:00,790 --> 00:13:59,199

we'll be there oh my goodness aliens are

238

00:14:02,790 --> 00:14:00,800

gonna invade us if the government

239

00:14:05,990 --> 00:14:02,800

doesn't tell us the truth

240

00:14:07,990 --> 00:14:06,000

this is terrible finally the longer you

241

00:14:09,269 --> 00:14:08,000

wait till the last minute the more we

242

00:14:16,230 --> 00:14:09,279

will make ourselves

243

00:14:18,470 --> 00:14:16,240

seen and if you truly wait till the last

244

00:14:20,710 --> 00:14:18,480

minute please look out for a weird

245

00:14:21,750 --> 00:14:20,720

asteroid that has a shape that has never

246

00:14:24,790 --> 00:14:21,760

been seen before

247

00:14:27,670 --> 00:14:24,800

coming from outside your solar system oh

248

00:14:30,710 --> 00:14:27,680

my goodness that sounds familiar

249

00:14:33,030 --> 00:14:30,720

if you witness this event no the time

250

00:14:35,590 --> 00:14:33,040

is near the first portion of the et

251  
00:14:38,069 --> 00:14:35,600  
message that i want to examine is

252  
00:14:38,949 --> 00:14:38,079  
finally the longer you wait to the last

253  
00:14:41,350 --> 00:14:38,959  
minute

254  
00:14:43,030 --> 00:14:41,360  
the more we will make ourselves heard

255  
00:14:45,829 --> 00:14:43,040  
you know what that refers to

256  
00:14:47,430 --> 00:14:45,839  
that refers to the loud mysterious booms

257  
00:14:49,350 --> 00:14:47,440  
we've been hearing all over the world

258  
00:14:52,790 --> 00:14:49,360  
that seem to be spreading and becoming

259  
00:14:59,269 --> 00:14:56,069  
this my friends is conspiracy

260  
00:15:01,269 --> 00:14:59,279  
uh convincer 101

261  
00:15:03,110 --> 00:15:01,279  
if you have one ridiculous and

262  
00:15:05,590 --> 00:15:03,120  
fantastical claim

263  
00:15:06,550 --> 00:15:05,600

like you have an alien message you've

264

00:15:08,470 --> 00:15:06,560

got to attach

265

00:15:09,750 --> 00:15:08,480

some things people have heard about and

266

00:15:12,790 --> 00:15:09,760

have accepted to be

267

00:15:13,750 --> 00:15:12,800

real in there somewhere so he will

268

00:15:17,750 --> 00:15:13,760

connect

269

00:15:21,030 --> 00:15:17,760

his alien message to the loud booms and

270

00:15:23,350 --> 00:15:21,040

sonic events that people hear everyone's

271

00:15:26,389 --> 00:15:23,360

heard of this conspiracy

272

00:15:28,150 --> 00:15:26,399

some say it's true but it helps the

273

00:15:31,430 --> 00:15:28,160

story if you connect

274

00:15:35,269 --> 00:15:31,440

two of these things or more

275

00:15:36,790 --> 00:15:35,279

common trait of the ufo circus huckster

276

00:15:39,350 --> 00:15:36,800

here's a recent article from the new

277

00:15:39,990 --> 00:15:39,360

york post mysterious booming sounds have

278

00:15:42,230 --> 00:15:40,000

left people

279

00:15:44,150 --> 00:15:42,240

baffled all over the planet the

280

00:15:45,509 --> 00:15:44,160

terrifying noises have been recorded

281

00:15:46,870 --> 00:15:45,519

everywhere from the middle east to the

282

00:15:49,189 --> 00:15:46,880

midwest this year

283

00:15:49,990 --> 00:15:49,199

with the majority heard on the us east

284

00:15:52,150 --> 00:15:50,000

coast

285

00:15:54,230 --> 00:15:52,160

the latest boom came to light this week

286

00:15:57,590 --> 00:15:54,240

scaring residents in alabama

287

00:15:59,749 --> 00:15:57,600

the boom dubbed bama boom shook multiple

288

00:16:01,269 --> 00:15:59,759

houses and was heard statewide according

289

00:16:03,509 --> 00:16:01,279

to wbma

290

00:16:04,949 --> 00:16:03,519

so it appears that he's saying the

291

00:16:07,430 --> 00:16:04,959

aliens are going to

292

00:16:08,870 --> 00:16:07,440

increase this sonic activity if the

293

00:16:10,069 --> 00:16:08,880

government doesn't tell us the truth

294

00:16:13,189 --> 00:16:10,079

about aliens

295

00:16:15,350 --> 00:16:13,199

but i'm still struggling to understand

296

00:16:15,990 --> 00:16:15,360

why i didn't hear about this alien

297

00:16:19,670 --> 00:16:16,000

message

298

00:16:20,710 --> 00:16:19,680

anywhere else in the world just from ufo

299

00:16:24,069 --> 00:16:20,720

jesus

300

00:16:25,670 --> 00:16:24,079

he must have an exclusive here is a

301  
00:16:30,310 --> 00:16:25,680  
video of the actual boom that occurred

302  
00:16:37,269 --> 00:16:33,350  
you all right is that

303  
00:16:40,150 --> 00:16:37,279  
alien blue a car accident

304  
00:16:45,509 --> 00:16:40,160  
an earthquake could be anything i don't

305  
00:16:51,590 --> 00:16:48,949  
it's something else oh no

306  
00:16:53,269 --> 00:16:51,600  
some experts say causes could range from

307  
00:16:55,670 --> 00:16:53,279  
supersonic aircraft

308  
00:16:56,710 --> 00:16:55,680  
to meteors exploding in the atmosphere

309  
00:16:58,550 --> 00:16:56,720  
while the leonid

310  
00:16:59,749 --> 00:16:58,560  
meteor shower was taking place when that

311  
00:17:01,829 --> 00:16:59,759  
boom occurred

312  
00:17:03,030 --> 00:17:01,839  
it's almost certainly not the result of

313  
00:17:05,350 --> 00:17:03,040

that meteor shower

314

00:17:06,710 --> 00:17:05,360

because in that instance the meteors

315

00:17:07,829 --> 00:17:06,720

coming through the atmosphere were

316

00:17:09,829 --> 00:17:07,839

nothing but dust

317

00:17:10,949 --> 00:17:09,839

and burn up long before they would

318

00:17:13,270 --> 00:17:10,959

impact the ground

319

00:17:14,390 --> 00:17:13,280

and certainly wouldn't cause a loud boom

320

00:17:17,189 --> 00:17:14,400

in the atmosphere

321

00:17:19,429 --> 00:17:17,199

either moreover the booms are occurring

322

00:17:21,990 --> 00:17:19,439

across this wonderful planet of ours

323

00:17:23,270 --> 00:17:22,000

so frequently that a conventional

324

00:17:26,710 --> 00:17:23,280

explanation

325

00:17:29,990 --> 00:17:26,720

is extremely unlikely to and so

326

00:17:32,310 --> 00:17:30,000

it must be aliens it can't be those

327

00:17:33,110 --> 00:17:32,320

it's got to be the aliens making these

328

00:17:36,390 --> 00:17:33,120

booms

329

00:17:39,430 --> 00:17:36,400

yes and what evidence does he have

330

00:17:41,430 --> 00:17:39,440

that it's aliens making these booms well

331

00:17:43,350 --> 00:17:41,440

he has an alien message that says that

332

00:17:47,110 --> 00:17:43,360

they would make their voices heard

333

00:17:49,990 --> 00:17:47,120

oh okay to explain

334

00:17:50,789 --> 00:17:50,000

the consistent and frequent terrifying

335

00:17:53,590 --> 00:17:50,799

booms

336

00:17:55,590 --> 00:17:53,600

that are occurring across the globe the

337

00:17:56,710 --> 00:17:55,600

second part of the et message that i

338

00:18:00,470 --> 00:17:56,720

want to examine

339

00:18:03,350 --> 00:18:00,480

is the more we will make ourselves seen

340

00:18:04,150 --> 00:18:03,360

what do you think that is referencing i

341

00:18:07,190 --> 00:18:04,160

believe

342

00:18:09,029 --> 00:18:07,200

that is referencing visitations

343

00:18:10,870 --> 00:18:09,039

in our atmosphere here's an article

344

00:18:14,310 --> 00:18:10,880

published on november 20th

345

00:18:16,230 --> 00:18:14,320

wow uh a ufo spat

346

00:18:18,150 --> 00:18:16,240

they're gonna make themselves heard and

347

00:18:19,909 --> 00:18:18,160

make themselves seen

348

00:18:21,350 --> 00:18:19,919

boy they're really threatening the

349

00:18:25,430 --> 00:18:21,360

government to force

350

00:18:29,110 --> 00:18:25,440

disclosure this is a great story

351

00:18:31,750 --> 00:18:29,120

2017 alien madness usa

352

00:18:32,150 --> 00:18:31,760

sees spate of crazy ufo sightings over

353

00:18:35,029 --> 00:18:32,160

past

354

00:18:37,909 --> 00:18:35,039

48 hours these sightings include a group

355

00:18:39,510 --> 00:18:37,919

of 25 orbs a triangle ufo tailed by

356

00:18:41,350 --> 00:18:39,520

military helicopters

357

00:18:43,190 --> 00:18:41,360

and something that looked like a flying

358

00:18:45,430 --> 00:18:43,200

bus and closer to home

359

00:18:46,390 --> 00:18:45,440

one of my sister's good friends actually

360

00:18:48,150 --> 00:18:46,400

very recently

361

00:18:50,070 --> 00:18:48,160

had a ufo sighting this sighting

362

00:18:50,870 --> 00:18:50,080

occurred in los angeles you'll notice

363

00:18:53,190 --> 00:18:50,880

there are

364

00:18:55,029 --> 00:18:53,200

six orbs circled actually one of them at

365

00:18:57,350 --> 00:18:55,039

the top is not circled

366

00:18:58,710 --> 00:18:57,360

yes six little dots in the sky that

367

00:19:01,430 --> 00:18:58,720

could be anything

368

00:19:01,990 --> 00:19:01,440

great evidence ufo jesus has such high

369

00:19:05,270 --> 00:19:02,000

quality

370

00:19:06,230 --> 00:19:05,280

evidence for his alien hypothesis it is

371

00:19:11,750 --> 00:19:06,240

truly

372

00:19:14,470 --> 00:19:11,760

not it he doesn't have anything look at

373

00:19:15,669 --> 00:19:14,480

this this is ridiculous ufo jesus that's

374

00:19:18,710 --> 00:19:15,679

the best you could do

375

00:19:19,669 --> 00:19:18,720

ufo jesus to prove your alien hypothesis

376

00:19:23,190 --> 00:19:19,679

look at these

377

00:19:26,870 --> 00:19:23,200

dots great dots could be balloons

378

00:19:28,870 --> 00:19:26,880

flares i don't know drones airplanes

379

00:19:29,190 --> 00:19:28,880

flying information it could be anything

380

00:19:32,390 --> 00:19:29,200

it's

381

00:19:35,590 --> 00:19:32,400

screen

382

00:19:37,510 --> 00:19:35,600

what can we learn from this nothing

383

00:19:39,029 --> 00:19:37,520

but it may bolster your story

384

00:19:41,350 --> 00:19:39,039

congratulations

385

00:19:42,310 --> 00:19:41,360

oh jesus and i'm gonna give you the text

386

00:19:44,549 --> 00:19:42,320

messages

387

00:19:46,230 --> 00:19:44,559

that she sent my sister at first i

388

00:19:48,070 --> 00:19:46,240

thought maybe satellites but six

389

00:19:49,029 --> 00:19:48,080

satellites shouldn't be flying together

390

00:19:50,549 --> 00:19:49,039

like that

391

00:19:51,990 --> 00:19:50,559

yeah and then two broke away from the

392

00:19:52,789 --> 00:19:52,000

group for a bit and started flying

393

00:19:54,630 --> 00:19:52,799

together

394

00:19:56,870 --> 00:19:54,640

i lost them because of the clouds then

395

00:19:58,950 --> 00:19:56,880

three of them formed a mini triangle

396

00:20:01,270 --> 00:19:58,960

not sure what happened to the sixth one

397

00:20:02,950 --> 00:20:01,280

the final ufo incident i want to cover

398

00:20:04,390 --> 00:20:02,960

had so much corroboration that it

399

00:20:06,710 --> 00:20:04,400

actually made the mainstream media and

400

00:20:09,750 --> 00:20:06,720

defies any conventional explanation

401  
00:20:11,830 --> 00:20:09,760  
norad the faa and individual pilots all

402  
00:20:13,029 --> 00:20:11,840  
agree that an unidentified aircraft was

403  
00:20:16,070 --> 00:20:13,039  
traveling above oregon

404  
00:20:16,950 --> 00:20:16,080  
on october 25th 2017. what makes the

405  
00:20:18,789 --> 00:20:16,960  
story weird

406  
00:20:20,230 --> 00:20:18,799  
is the air lane the craft was traveling

407  
00:20:22,789 --> 00:20:20,240  
on is well traveled

408  
00:20:23,830 --> 00:20:22,799  
and yet nope oh another common trait of

409  
00:20:27,270 --> 00:20:23,840  
ufo jesus

410  
00:20:29,990 --> 00:20:27,280  
is to play stock video and not actually

411  
00:20:31,990 --> 00:20:30,000  
show us the alien craft

412  
00:20:33,909 --> 00:20:32,000  
rather convenient that he does that

413  
00:20:35,750 --> 00:20:33,919

quite often let's just put some stock

414

00:20:36,230 --> 00:20:35,760

video in there we don't need to show the

415

00:20:39,510 --> 00:20:36,240

actual

416

00:20:40,710 --> 00:20:39,520

video videotaped proof that the you know

417

00:20:43,430 --> 00:20:40,720

any of this happened

418

00:20:45,029 --> 00:20:43,440

no and i'm not disputing this specific

419

00:20:48,630 --> 00:20:45,039

story i'm talking about

420

00:20:52,789 --> 00:20:48,640

the overall way that he weaves

421

00:20:55,669 --> 00:20:52,799

his illusionary storytelling stuff

422

00:20:56,470 --> 00:20:55,679

good job ufo jesus nobody was able to

423

00:20:58,549 --> 00:20:56,480

get an id

424

00:21:00,470 --> 00:20:58,559

on this craft all we know about the

425

00:21:01,029 --> 00:21:00,480

appearance of this craft is that it's

426  
00:21:03,190 --> 00:21:01,039  
white

427  
00:21:04,950 --> 00:21:03,200  
but nobody can make out the type it was

428  
00:21:06,630 --> 00:21:04,960  
flying between thirty five thousand and

429  
00:21:08,870 --> 00:21:06,640  
forty five thousand feet which is where

430  
00:21:11,190 --> 00:21:08,880  
your average commercial plane flies

431  
00:21:13,430 --> 00:21:11,200  
this craft had no transponder and it was

432  
00:21:14,390 --> 00:21:13,440  
not giving a consistent primary return

433  
00:21:18,870 --> 00:21:14,400  
on radar

434  
00:21:20,630 --> 00:21:18,880  
several commercial pilots were visually

435  
00:21:23,110 --> 00:21:20,640  
able to see it from a distance

436  
00:21:24,549 --> 00:21:23,120  
though but eventually lost sight of it

437  
00:21:26,549 --> 00:21:24,559  
it was then that the f-15s were

438  
00:21:28,830 --> 00:21:26,559

scrambled to pursue this craft

439

00:21:30,870 --> 00:21:28,840

f-15s have the most powerful air-to-air

440

00:21:33,909 --> 00:21:30,880

radar is anyone else thinking

441

00:21:34,549 --> 00:21:33,919

get back to the alien message i want to

442

00:21:37,430 --> 00:21:34,559

know

443

00:21:37,909 --> 00:21:37,440

if there's proof if he has proof that

444

00:21:40,950 --> 00:21:37,919

this is

445

00:21:42,230 --> 00:21:40,960

a real alien message after all in the

446

00:21:44,390 --> 00:21:42,240

world and can fly

447

00:21:45,510 --> 00:21:44,400

exponentially faster than any private or

448

00:21:48,390 --> 00:21:45,520

commercial plane can

449

00:21:48,950 --> 00:21:48,400

and yet these scrambled f-15s couldn't

450

00:21:52,310 --> 00:21:48,960

find

451  
00:21:54,549 --> 00:21:52,320  
the ufo some people say the ufo may be a

452  
00:21:56,549 --> 00:21:54,559  
smuggler traveling up to canada

453  
00:21:57,909 --> 00:21:56,559  
this however is very improbable

454  
00:21:58,710 --> 00:21:57,919  
especially when you consider it was

455  
00:22:01,029 --> 00:21:58,720  
flying

456  
00:22:02,230 --> 00:22:01,039  
along a frequently traveled air lane in

457  
00:22:03,990 --> 00:22:02,240  
the daytime

458  
00:22:05,909 --> 00:22:04,000  
what kind of crap doesn't give a clear

459  
00:22:09,350 --> 00:22:05,919  
radar signal and conveyed

460  
00:22:13,110 --> 00:22:09,360  
f-15s and doesn't have a transponder

461  
00:22:15,270 --> 00:22:13,120  
it must be aliens this is a stupid

462  
00:22:16,310 --> 00:22:15,280  
argument that all of these ufo huckster

463  
00:22:18,470 --> 00:22:16,320

makes

464

00:22:19,510 --> 00:22:18,480

oh it couldn't be this it couldn't be

465

00:22:23,510 --> 00:22:19,520

that uh

466

00:22:27,830 --> 00:22:23,520

what could it be aliens maybe

467

00:22:29,830 --> 00:22:27,840

maybe it's aliens got to be aliens

468

00:22:32,149 --> 00:22:29,840

no it doesn't it doesn't have to be

469

00:22:34,630 --> 00:22:32,159

aliens ufo jesus there are many

470

00:22:36,549 --> 00:22:34,640

explanations for these things that you

471

00:22:38,950 --> 00:22:36,559

will not even consider

472

00:22:40,950 --> 00:22:38,960

because you've already concluded it was

473

00:22:43,510 --> 00:22:40,960

aliens

474

00:22:45,590 --> 00:22:43,520

i'll let you answer that question the

475

00:22:48,310 --> 00:22:45,600

third portion of the e.t message

476

00:22:50,230 --> 00:22:48,320

i want to examine is and if you truly

477

00:23:02,310 --> 00:22:50,240

wait till the last minute please look

478

00:23:07,590 --> 00:23:04,950

a highly mysterious asteroid has

479

00:23:11,430 --> 00:23:07,600

recently entered our solar system

480

00:23:15,270 --> 00:23:11,440

it has been named which is hawaiian

481

00:23:17,430 --> 00:23:15,280

for a messenger from afar arriving first

482

00:23:18,950 --> 00:23:17,440

this asteroid comes hurling out of the

483

00:23:21,830 --> 00:23:18,960

ether of space

484

00:23:22,789 --> 00:23:21,840

lunging at high velocity into our solar

485

00:23:24,710 --> 00:23:22,799

system

486

00:23:26,549 --> 00:23:24,720

making its way between the sun and the

487

00:23:28,789 --> 00:23:26,559

orbit of mercury

488

00:23:29,590 --> 00:23:28,799

i'm sorry by any star system and has

489

00:23:32,549 --> 00:23:29,600

been traveling

490

00:23:33,270 --> 00:23:32,559

at a rate of 59 000 solar system that

491

00:23:34,950 --> 00:23:33,280

this odd

492

00:23:37,110 --> 00:23:34,960

i don't want to argue with him on that

493

00:23:37,510 --> 00:23:37,120

object for all i know that is some sort

494

00:23:41,029 --> 00:23:37,520

of

495

00:23:44,470 --> 00:23:41,039

alien derelict spacecraft

496

00:23:45,590 --> 00:23:44,480

you see sometimes it's good to weave

497

00:23:47,830 --> 00:23:45,600

into your story

498

00:23:51,029 --> 00:23:47,840

something which actually may be true

499

00:23:54,070 --> 00:23:51,039

after you've piled on

500

00:23:58,630 --> 00:23:54,080

all the other [h\_\_\h]

501  
00:24:02,830 --> 00:24:01,510  
story time stuff that you're talking

502  
00:24:06,310 --> 00:24:02,840  
about here

503  
00:24:09,669 --> 00:24:06,320  
yes object was ejected from was there

504  
00:24:12,870 --> 00:24:09,679  
life in that solar system was there

505  
00:24:15,430 --> 00:24:12,880  
sentient life in that solar system

506  
00:24:16,710 --> 00:24:15,440  
could you imagine sentient life

507  
00:24:19,029 --> 00:24:16,720  
originating

508  
00:24:20,230 --> 00:24:19,039  
hundreds of millions or billions of

509  
00:24:22,310 --> 00:24:20,240  
years ago

510  
00:24:23,510 --> 00:24:22,320  
just think how much further ahead they

511  
00:24:30,630 --> 00:24:23,520  
are

512  
00:24:31,430 --> 00:24:30,640  
there could be civilizations that could

513  
00:24:36,789 --> 00:24:31,440

be

514

00:24:40,630 --> 00:24:36,799

even billions of years older than us

515

00:24:41,830 --> 00:24:40,640

imagine the technology yes common

516

00:24:44,870 --> 00:24:41,840

talking point

517

00:24:45,430 --> 00:24:44,880

repeated almost verbatim by many of

518

00:24:48,870 --> 00:24:45,440

these

519

00:24:49,750 --> 00:24:48,880

ufo hucksters perhaps 100 million years

520

00:24:51,590 --> 00:24:49,760

from today

521

00:24:53,190 --> 00:24:51,600

this object will continue traveling

522

00:24:55,830 --> 00:24:53,200

throughout the cosmos

523

00:24:56,310 --> 00:24:55,840

and it will do what it has done to us

524

00:24:58,549 --> 00:24:56,320

that is

525

00:25:00,710 --> 00:24:58,559

it will cross paths with another world

526  
00:25:01,830 --> 00:25:00,720  
and they will celebrate the amazingness

527  
00:25:04,549 --> 00:25:01,840  
of that object

528  
00:25:06,789 --> 00:25:04,559  
just as we are celebrating it now and

529  
00:25:10,070 --> 00:25:06,799  
100 million years from today

530  
00:25:12,710 --> 00:25:10,080  
they will be technologically where we

531  
00:25:13,750 --> 00:25:12,720  
are now so you may be wondering how i

532  
00:25:16,549 --> 00:25:13,760  
knew

533  
00:25:18,230 --> 00:25:16,559  
that the aliens have sent a message to

534  
00:25:20,630 --> 00:25:18,240  
area 51 giving

535  
00:25:23,909 --> 00:25:20,640  
wow he's going to tell us where his

536  
00:25:26,310 --> 00:25:23,919  
source for this alien message came from

537  
00:25:27,990 --> 00:25:26,320  
you know this alien message that no one

538  
00:25:30,390 --> 00:25:28,000

else ever talked about or

539

00:25:32,390 --> 00:25:30,400

heard about you've never heard it on any

540

00:25:34,149 --> 00:25:32,400

other news outlet this incredible

541

00:25:36,710 --> 00:25:34,159

message that he

542

00:25:38,789 --> 00:25:36,720

is in possession of now we get to find

543

00:25:42,230 --> 00:25:38,799

out where the message came from

544

00:25:45,110 --> 00:25:42,240

and how he got it can't wait

545

00:25:45,909 --> 00:25:45,120

can't wait can't wait to find out where

546

00:25:48,630 --> 00:25:45,919

this message

547

00:25:49,750 --> 00:25:48,640

came from bring them a deadline for

548

00:25:52,070 --> 00:25:49,760

disclosure

549

00:25:54,230 --> 00:25:52,080

the answer to that question is i don't

550

00:25:55,590 --> 00:25:54,240

know i just wanted to convey some of the

551  
00:25:57,510 --> 00:25:55,600  
mysterious news

552  
00:25:58,950 --> 00:25:57,520  
that has been happening in our world in

553  
00:26:02,149 --> 00:25:58,960  
a theatrical way

554  
00:26:04,789 --> 00:26:02,159  
however this is what i will say

555  
00:26:07,750 --> 00:26:04,799  
so he made up the alien message the

556  
00:26:11,269 --> 00:26:07,760  
alien message does not exist

557  
00:26:14,470 --> 00:26:11,279  
uh great and he it's it's

558  
00:26:17,909 --> 00:26:14,480  
theater after all and the

559  
00:26:21,830 --> 00:26:17,919  
longer my friends that you look into

560  
00:26:25,350 --> 00:26:21,840  
this circus the more you realize

561  
00:26:27,669 --> 00:26:25,360  
all of this is entertainment it is a

562  
00:26:30,710 --> 00:26:27,679  
circus are you not entertained

563  
00:26:33,510 --> 00:26:30,720

he's doing theater

564

00:26:35,510 --> 00:26:33,520

and aren't we all just players on a

565

00:26:40,310 --> 00:26:35,520

stage

566

00:26:45,990 --> 00:26:40,320

aren't we all just playing our parts

567

00:26:54,630 --> 00:26:49,909

and ufo jesus has his

568

00:26:55,590 --> 00:26:54,640

way which is to sell ufo jesus t-shirts

569

00:26:58,950 --> 00:26:55,600

and

570

00:27:00,310 --> 00:26:58,960

tell stories of fake alien messages that

571

00:27:03,190 --> 00:27:00,320

he made up

572

00:27:04,830 --> 00:27:03,200

or fake alien stories that he has not

573

00:27:09,269 --> 00:27:04,840

done any research on

574

00:27:09,590 --> 00:27:09,279

or stories with fake sources that he has

575

00:27:12,789 --> 00:27:09,600

not

576  
00:27:19,190 --> 00:27:12,799  
vetted or interviewed

577  
00:27:26,230 --> 00:27:22,549  
and in this crazy circus you too

578  
00:27:29,350 --> 00:27:26,240  
can be a part of the circus

579  
00:27:31,269 --> 00:27:29,360  
this grand theater this grand play

580  
00:27:32,549 --> 00:27:31,279  
if you hang around in these circles long

581  
00:27:36,310 --> 00:27:32,559  
enough

582  
00:27:37,990 --> 00:27:36,320  
you too can pick your part

583  
00:27:40,470 --> 00:27:38,000  
some people decide that they are buck

584  
00:27:44,549 --> 00:27:40,480  
rogers time travel heroes

585  
00:27:44,950 --> 00:27:44,559  
space adventurers ufo jesus decided that

586  
00:27:55,830 --> 00:27:44,960  
he

587  
00:27:59,830 --> 00:27:55,840  
psychic superpowers

588  
00:28:03,350 --> 00:27:59,840

my friends this is a circus

589

00:28:06,549 --> 00:28:03,360

this is a circus and how much

590

00:28:07,830 --> 00:28:06,559

money uh it's a fair question but how

591

00:28:12,070 --> 00:28:07,840

much money

592

00:28:15,350 --> 00:28:12,080

did uh ufo jesus make

593

00:28:18,549 --> 00:28:15,360

selling a story about a fake alien

594

00:28:20,389 --> 00:28:18,559

message that he just made up how much

595

00:28:23,190 --> 00:28:20,399

money did he make i'd like to know

596

00:28:24,789 --> 00:28:23,200

it's a fair question ufo jesus how much

597

00:28:27,669 --> 00:28:24,799

money did you make

598

00:28:29,750 --> 00:28:27,679

with this clickbait title aliens war on

599

00:28:31,350 --> 00:28:29,760

government disclose the truth about ufos

600

00:28:34,549 --> 00:28:31,360

or else

601  
00:28:37,350 --> 00:28:34,559  
how much money did you make selling a

602  
00:28:39,590 --> 00:28:37,360  
story about a fake alien message

603  
00:28:41,110 --> 00:28:39,600  
and how is anyone supposed to take you

604  
00:28:45,029 --> 00:28:41,120  
seriously

605  
00:28:48,230 --> 00:28:45,039  
now me yes i'm worthy

606  
00:28:51,510 --> 00:28:48,240  
of being being taken seriously

607  
00:28:55,430 --> 00:28:51,520  
ufo jesus you

608  
00:28:58,470 --> 00:28:55,440  
not so much now friends

609  
00:29:01,669 --> 00:28:58,480  
uh i believe that will be

610  
00:29:04,710 --> 00:29:01,679  
our presentation for tonight but i have

611  
00:29:08,310 --> 00:29:04,720  
to tell you i've got more for you

612  
00:29:10,230 --> 00:29:08,320  
both uh the audience and ufo jesus

613  
00:29:12,470 --> 00:29:10,240

your phone jesus i've got more for you

614

00:29:15,750 --> 00:29:12,480

615

00:29:19,750 --> 00:29:15,760

i can't wait to show everyone in our

616

00:29:23,430 --> 00:29:19,760

next presentation on your fantastically

617

00:29:27,510 --> 00:29:23,440

done fairy tale videos

618

00:29:29,350 --> 00:29:27,520

how badly you were factually incorrect

619

00:29:31,590 --> 00:29:29,360

in most of what you were talking about

620

00:29:35,269 --> 00:29:31,600

through an entire video

621

00:29:36,870 --> 00:29:35,279

i'm not going to spill the beans yet

622

00:29:38,789 --> 00:29:36,880

but remember what i said about you

623

00:29:41,190 --> 00:29:38,799

repeating talking points

624

00:29:42,070 --> 00:29:41,200

ufo jesus constantly repeats talking

625

00:29:45,190 --> 00:29:42,080

points

626  
00:29:48,149 --> 00:29:45,200  
from other ufo

627  
00:29:54,070 --> 00:29:48,159  
hucksters that sell stories about aliens

628  
00:29:57,190 --> 00:29:54,080  
and ufos

629  
00:30:00,389 --> 00:29:57,200  
may be a problem for you

630  
00:30:02,389 --> 00:30:00,399  
ufo jesus

631  
00:30:04,149 --> 00:30:02,399  
now friends i will devote my full

632  
00:30:06,870 --> 00:30:04,159  
attention to the live chat if

633  
00:30:07,990 --> 00:30:06,880  
you have any questions or comments for

634  
00:30:11,430 --> 00:30:08,000

635  
00:30:12,950 --> 00:30:11,440  
all caps and i will address your

636  
00:30:15,909 --> 00:30:12,960  
questions

637

thank you all for being here to witness

638  
00:30:20,470 --> 00:30:17,120

the beginning

639

00:30:23,190 --> 00:30:20,480  
of our new series where i

640

00:30:26,389 --> 00:30:23,200  
ufo lucifer will break down and

641

00:30:36,789 --> 00:30:31,029  
the videos of one ufo prophet

642

00:30:40,549 --> 00:30:36,799

00:30:43,990 --> 00:30:40,559  
yes wise words o great bringer of light

644

00:30:47,269 --> 00:30:44,000

645

00:30:50,950 --> 00:30:47,279  
lucifer to tell you

646

00:30:51,909 --> 00:30:50,960  
the truth about lies being peddled by

647

00:30:55,430 --> 00:30:51,919  
someone called

648

00:30:58,630 --> 00:30:55,440  
ufo jesus this is the strange

649

00:31:02,389 --> 00:30:58,640  
world that we now inhabit

650

00:31:05,830 --> 00:31:05,430  
when will i interview dick nolan not

651  
00:31:09,830 --> 00:31:05,840  
quite

652  
00:31:13,590 --> 00:31:09,840  
sure uh but perhaps he is

653  
00:31:17,110 --> 00:31:13,600

it's time for ufo jesus

695

00:33:38,470 --> 00:33:37,440

to let people hear the other side of the

696

00:33:41,750 --> 00:33:38,480

story that he

697

00:33:44,470 --> 00:33:41,760

conveniently leads out

698

00:33:46,230 --> 00:33:44,480

funny that he leads out a big part of

699

00:33:51,029 --> 00:33:46,240

the story and i'm here to tell

700

00:33:53,110 --> 00:33:51,039

00:34:33,270 --> 00:34:31,119  
yes why should i be the only one to fall

709  
00:34:38,310 --> 00:34:33,280  
to earth

710  
00:34:43,190 --> 00:34:42,069  
is there sentient life in ufo jesus

711  
00:34:48,389 --> 00:34:43,200  
video

712  
00:34:50,629 --> 00:34:48,399

royal star says i think i had one too

714

00:34:55,030 --> 00:34:51,919

722

00:35:29,430 --> 00:35:28,400

ufo whisper what is your favorite pizza

723

00:35:33,270 --> 00:35:29,440

724

00:35:34,790 --> 00:35:33,280

uh i would say pepper yes i'm quite fond

725

00:35:42,550 --> 00:35:34,800

of this pepperoni

726

00:35:46,230 --> 00:35:44,630

rinsing says i don't think that is

727

00:35:49,510 --> 00:35:46,240

really lucifer

728

00:35:50,950 --> 00:35:49,520

i think that is a fake lucifer how dare

729

00:36:02,470 --> 00:35:50,960

730

00:36:08,870 --> 00:36:02,480

magnificence dream

731

00:36:13,589 --> 00:36:10,790

your photos what did you think of your

732

00:36:15,990 --> 00:36:13,599

tv series well i think it's particularly

733

00:36:17,030 --> 00:36:16,000

well done but not very historically

734

00:36:19,750 --> 00:36:17,040

accurate

735

00:36:21,190 --> 00:36:19,760

that's what i would say about that a

736

00:36:23,430 --> 00:36:21,200

very handsome man

737

00:36:24,470 --> 00:36:23,440

they chose to play me though i'm quite

738

00:36:32,790 --> 00:36:24,480

uh you know

739

00:36:36,390 --> 00:36:35,030

lucifer you may need a few days at the

740

00:36:39,990 --> 00:36:36,400

cabin to recuperate

741

00:36:44,790 --> 00:36:40,000

no i i plan on uh uh jumping down

742

00:36:50,790 --> 00:36:44,800

a volcano after tonight yes

743

00:36:55,190 --> 00:36:53,030

now it says rincey you're going to hell

744

748

00:37:09,670 --> 00:37:07,200

cambion i am ufo lucifer the magnificent

749

00:37:10,630 --> 00:37:09,680

and i'm here to guest host tonight's

750

00:37:12,670 --> 00:37:10,640

show

751  
00:37:14,150 --> 00:37:12,680  
and we have a new series where i will be

752  
00:37:17,750 --> 00:37:14,160  
deconstructing and

753  
00:37:22,550 --> 00:37:17,760  
critiquing the incredible artistic works

754  
00:37:25,589 --> 00:37:22,560  
of one ufo jesus okay so

755  
00:37:29,829 --> 00:37:25,599  
ufo lucifer has come here

756  
00:37:34,390 --> 00:37:29,839  
to keep ufo jesus honest

757  
00:37:40,630 --> 00:37:34,400  
every yin needs their yang

758  
00:37:40,640 --> 00:37:44,230  
yes

759  
00:37:48,310 --> 00:37:47,190  
mr yuffo lucifer when is disclosure

760  
00:37:51,829 --> 00:37:48,320  
happening

761  
00:37:54,230 --> 00:37:51,839  
well if you listen to ufo jesus

762  
00:37:57,670 --> 00:37:54,240  
any day now but he's been saying any day

763  
00:38:02,230 --> 00:37:57,680

disclosure is coming for three years

764

00:38:06,790 --> 00:38:05,430

poor ufo jesus dedicating his life to

765

00:38:10,630 --> 00:38:06,800

something that may

766

00:38:13,750 --> 00:38:10,640

or probably will never

767

00:38:13,760 --> 00:38:17,270

sad really

768

00:38:26,470 --> 00:38:21,030

seems like a talented fellow

769

00:38:30,950 --> 00:38:26,480

perhaps a little uh soft in the head

770

00:38:35,750 --> 00:38:34,150

harvest herb says you sound a little

771

00:38:37,990 --> 00:38:35,760

like a lizard man

772

00:38:39,670 --> 00:38:38,000

who was on a few weeks ago don't know

773

00:38:41,270 --> 00:38:39,680

him sorry

774

00:38:44,150 --> 00:38:41,280

i'm not a voice i've been doing the best

775

00:38:48,470 --> 00:38:47,030

so many critics critics critics

776

00:38:56,630 --> 00:38:48,480

everywhere

777

00:39:01,270 --> 00:38:59,270

hotel graffiti says this is a good thing

778

00:39:01,990 --> 00:39:01,280

thank you for your positive words and

779

00:39:05,109 --> 00:39:02,000

encouragement

780

00:39:09,510 --> 00:39:05,119

human person i uh

781

00:39:14,790 --> 00:39:09,520

the magnificent ufo lucifer agree

782

00:39:17,829 --> 00:39:14,800

i am after all very magnificent

783

00:39:21,109 --> 00:39:17,839

it's a reptilian in a devil mask

784

00:39:25,430 --> 00:39:21,119

i will not confirm nor deny

785

00:39:29,910 --> 00:39:25,440

that okay i will not confirm the deny

786

00:39:33,510 --> 00:39:29,920

then willcock sell you his soul yes

787

00:39:37,270 --> 00:39:33,520

all david wilcock wanted was cash

788

00:39:41,190 --> 00:39:37,280

money yes

789

00:39:44,870 --> 00:39:41,200

very fond of the 40 pieces of silver

790

00:39:48,470 --> 00:39:44,880

this david wilcock is after

791

00:39:51,190 --> 00:39:48,480

all right

792

00:39:54,069 --> 00:39:51,200

all david wilcock cares about his money

793

00:39:56,710 --> 00:39:54,079

and his ego

794

00:39:58,390 --> 00:39:56,720

he's got more ego than money for sure

795

00:40:03,910 --> 00:39:58,400

and he's got a lot of money

796

00:40:10,550 --> 00:40:03,920

that says a lot about mr david wilcox

797

00:40:12,230 --> 00:40:10,560

[h\_\_\h] where is [h\_\_\h] yes what kind of

798

00:40:15,270 --> 00:40:12,240

music do you like ufo

799

00:40:16,069 --> 00:40:15,280

lucifer i like dark music of course you

800

00:40:19,990 --> 00:40:16,079

know

801

00:40:23,990 --> 00:40:20,000

ozzy osbourne black sabbath

802

00:40:32,230 --> 00:40:24,000

black metal yes i'm quite fond of that

803

00:40:36,950 --> 00:40:34,630

mr liz for how likely am i to get laid

804

00:40:39,270 --> 00:40:36,960

if i make ufo videos

805

00:40:41,670 --> 00:40:39,280

about as likely to get laid as if you

806

00:40:45,109 --> 00:40:41,680

made dungeons and dragon videos

807

00:40:48,150 --> 00:40:45,119

mario heat this is a niche market

808

00:40:48,470 --> 00:40:48,160

and uh yes but you could people have

809

00:40:50,710 --> 00:40:48,480

gotten

810

00:40:55,990 --> 00:40:50,720

laid for stupider things they've done on

811

00:41:00,390 --> 00:40:58,470

the reptile wants in on the ufo youtube

812

00:41:02,870 --> 00:41:00,400

grit so he's trying to sell himself in

813

00:41:05,430 --> 00:41:02,880

opposition to jesus

814

00:41:05,990 --> 00:41:05,440

again i will not confirm the deny i am

815

00:41:09,829 --> 00:41:06,000

ufo

816

00:41:15,109 --> 00:41:09,839

lucifer and i am not a reptilian

817

00:41:22,630 --> 00:41:19,589

once angel then i got a little cocky

818

00:41:23,589 --> 00:41:22,640

right i was once the world's most

819

00:41:27,430 --> 00:41:23,599

beautiful

820

00:41:31,910 --> 00:41:27,440

angel god's most beloved

821

00:41:37,270 --> 00:41:31,920

then i got cocky now it looked like this

822

00:41:37,280 --> 00:41:42,950

is a strange strange world

823

00:41:46,630 --> 00:41:44,630

speaking of hard on the ladies in hell

824

00:41:48,910 --> 00:41:46,640

as hot as the rumors claim yes all the

825

00:41:57,270 --> 00:41:48,920

bad girls go to hell

826

00:42:03,829 --> 00:42:00,390

two shoes catholic school girls

827

00:42:06,790 --> 00:42:03,839

or with the bad girls ha ha

828

00:42:07,190 --> 00:42:06,800

i'm quite fond of the bad ones myself

829

00:42:15,990 --> 00:42:07,200

yes

830

00:42:19,190 --> 00:42:16,000

there well it's been going

831

00:42:21,510 --> 00:42:19,200

on for you know a millennia uh

832

00:42:23,910 --> 00:42:21,520

sometimes we get tired but we have lots

833

00:42:30,870 --> 00:42:23,920

of party theaters brandon young

834

00:42:33,750 --> 00:42:30,880

to keep things interesting

835

00:42:35,670 --> 00:42:33,760

i'm rich so i would not know but satan

836

00:42:36,550 --> 00:42:35,680

is my very close uncle and he told me

837

00:42:40,230 --> 00:42:36,560

some stuff

838

00:42:43,670 --> 00:42:40,240

yes we are all related satan fail

839

00:42:47,670 --> 00:42:43,680

840

00:42:52,470 --> 00:42:47,680

841

00:42:55,589 --> 00:42:54,950

842

as well you should yes i am quite worthy

844

00:43:06,150 --> 00:43:05,270

maybe i'll start a cult after all we've

845

00:43:12,309 --> 00:43:06,160

already we're getting

846

00:43:15,030 --> 00:43:12,319

god has inspired uh some very cool music

891

00:46:07,430 --> 00:46:03,599

back in the day right mozart and

892

00:46:10,630 --> 00:46:07,440

that boring classical music composed by

893

00:46:14,150 --> 00:46:10,640

people inspired i

894

00:46:17,349 --> 00:46:14,160

inspire much better

895

00:46:20,069 --> 00:46:17,359

00:47:23,510 --> 00:47:07,440  
i'm

908  
00:47:27,990 --> 00:47:25,829

911  
00:47:40,630 --> 00:47:33,520  
apart

912  
00:47:44,230 --> 00:47:43,589  
no i lost that stupid bet leave that

913  
00:47:47,910 --> 00:47:44,240

when i

914

00:47:51,990 --> 00:47:47,920

915

00:47:54,309 --> 00:47:52,000
