[Music]

2
00:03:14,360 --> 00:03:19,860
[Applause]

3
00:03:19,870 --> 00:03:30,830
[Music]

4
00:03:30,840 --> 00:03:39,190
ah

5
00:04:12,830 --> 00:04:02,560
[Music]

6
00:04:12,840 --> 00:04:19,830
so

7
00:04:23,749 --> 00:04:22,710
greetings and salutations friends and

8
00:04:27,350 --> 00:04:23,759
welcome back

9
00:04:31,110 --> 00:04:27,360
uh boy i had uh probably uh

10
00:04:33,350 --> 00:04:31,120
five people send me messages

11
00:04:34,469 --> 00:04:33,360
david wilcox streaming again are you

12
00:04:37,830 --> 00:04:34,479
gonna cover this

13
00:04:41,590 --> 00:04:37,840

and i thought no and then i tuned in

14

00:04:44,629 --> 00:04:41,600

and thought maybe and then i listened

15

00:04:47,110 --> 00:04:44,639

and i got to tell you i just lost a few

16

00:04:48,310 --> 00:04:47,120

iq points or brain cells from listening

17

00:04:50,310 --> 00:04:48,320

to the absolute

18

00:04:51,990 --> 00:04:50,320

garbage coming out of this man's mouth

19

00:04:54,230 --> 00:04:52,000

for three plus hours

20

00:04:57,749 --> 00:04:54,240

what did it the end clocked in at like

21

00:05:01,749 --> 00:04:57,759

three hours and 45 minutes i believe

22

00:05:03,909 --> 00:05:01,759

uh yes so that's uh

23

00:05:05,990 --> 00:05:03,919

and there was many things that i found

24

00:05:09,189 --> 00:05:06,000

interesting about this stream

25

00:05:10,310 --> 00:05:09,199

but it's basically typical wilcox

26

00:05:12,710 --> 00:05:10,320

garbage

27

00:05:14,070 --> 00:05:12,720

except instead of talking about a

28

00:05:16,469 --> 00:05:14,080

certain former president

29

00:05:19,189 --> 00:05:16,479

and a certain letter of the alphabet

30

00:05:21,830 --> 00:05:19,199

he's pivoting back to ufos

31

00:05:25,749 --> 00:05:21,840

you know his former bread and butter you

32

00:05:28,790 --> 00:05:25,759

know ancient aliens and all that

33

00:05:30,870 --> 00:05:28,800

all right so listen previously

34

00:05:33,510 --> 00:05:30,880

we have covered david wilcock and when

35

00:05:35,350 --> 00:05:33,520

we do we play the video and we stop it

36

00:05:37,749 --> 00:05:35,360

and talk about how ridiculous what he

37

00:05:39,909 --> 00:05:37,759

just said was or how improbable

38

00:05:42,150 --> 00:05:39,919

or we fact check it and show that he's

39

00:05:44,790 --> 00:05:42,160

just lying through his fake teeth

40

00:05:46,150 --> 00:05:44,800

right we can show with facts and

41

00:05:50,230 --> 00:05:46,160

evidence that he shares

42

00:05:52,469 --> 00:05:50,240

less than less than trustworthy sources

43

00:05:54,469 --> 00:05:52,479

right and somehow because he shared a

44

00:05:55,350 --> 00:05:54,479

source that's supposed to be true or

45

00:05:58,710 --> 00:05:55,360

real

46

00:05:59,670 --> 00:05:58,720

but it's not because he uses garbage

47

00:06:03,749 --> 00:05:59,680

sources

48

00:06:05,189 --> 00:06:03,759

tonight he used popular mechanics from

49

00:06:07,029 --> 00:06:05,199

the 1990s

50

00:06:09,029 --> 00:06:07,039

which is something that i am intimately

51
00:06:09,430 --> 00:06:09,039
familiar with because my father was sort

52
00:06:13,029 --> 00:06:09,440
of an

53
00:06:14,390 --> 00:06:13,039
aircraft uh buff he uh was a one-time

54
00:06:17,189 --> 00:06:14,400
helicopter pilot

55
00:06:18,629 --> 00:06:17,199
loved airplanes loved he loved black

56
00:06:22,150 --> 00:06:18,639
projects that the

57
00:06:23,909 --> 00:06:22,160
stealth bomber and uh sr 71 blackbird so

58
00:06:26,469 --> 00:06:23,919
we got popular science and popular

59
00:06:28,710 --> 00:06:26,479
mechanics just for the aviation articles

60
00:06:31,350 --> 00:06:28,720
and i remember in the 90s yeah so he

61
00:06:33,990 --> 00:06:31,360
cited popular mechanics from the 1990s

62
00:06:37,270 --> 00:06:34,000
talking about stealth blimps tonight

63
00:06:38,150 --> 00:06:37,280

now uh but before we begin i said i

64

00:06:40,469 --> 00:06:38,160

wasn't gonna share

65

00:06:42,309 --> 00:06:40,479

any of this video but uh i'm afraid i'm

66

00:06:44,629 --> 00:06:42,319

gonna have to because

67

00:06:47,510 --> 00:06:44,639

you know this this ongoing joke with

68

00:06:51,270 --> 00:06:47,520

david wilcock that he's got a 180 iq

69

00:06:53,430 --> 00:06:51,280

right and he spends tens he spent tens

70

00:06:54,790 --> 00:06:53,440

of thousands of dollars outfitting his

71

00:06:59,350 --> 00:06:54,800

home studio

72

00:07:00,230 --> 00:06:59,360

right and the quality of what he

73

00:07:02,390 --> 00:07:00,240

broadcasts

74

00:07:03,909 --> 00:07:02,400

is garbage like he doesn't know how to

75

00:07:06,790 --> 00:07:03,919

work microphones

76

00:07:07,749 --> 00:07:06,800

right and i'm sorry but i have a 12 year

77

00:07:11,029 --> 00:07:07,759

old nephew

78

00:07:12,629 --> 00:07:11,039

that does live game streaming and he can

79

00:07:15,510 --> 00:07:12,639

work a microphone

80

00:07:15,990 --> 00:07:15,520

and he got a 20 microphone and it sounds

81

00:07:18,309 --> 00:07:16,000

better than

82

00:07:19,830 --> 00:07:18,319

this i just want to show you what the

83

00:07:22,309 --> 00:07:19,840

first half hour

84

00:07:23,110 --> 00:07:22,319

of david wilcox stream sounded like

85

00:07:25,909 --> 00:07:23,120

because

86

00:07:27,589 --> 00:07:25,919

this is ridiculous and are people really

87

00:07:29,830 --> 00:07:27,599

giving him

88

00:07:30,710 --> 00:07:29,840

tens of thousands of dollars which he

89

00:07:33,830 --> 00:07:30,720

can use

90

00:07:35,749 --> 00:07:33,840

in his home studio to give us this level

91

00:07:37,189 --> 00:07:35,759

of quality and how does a guy with the

92

00:07:39,830 --> 00:07:37,199

180 iq

93

00:07:41,430 --> 00:07:39,840

not know how to work a microphone right

94

00:07:42,230 --> 00:07:41,440

he can't work a microphone and

95

00:07:45,189 --> 00:07:42,240

headphones

96

00:07:46,629 --> 00:07:45,199

i i i don't understand it uh but it is

97

00:07:48,390 --> 00:07:46,639

what it is friends and we're going to

98

00:07:49,990 --> 00:07:48,400

share this and we're going to cite fair

99

00:07:51,909 --> 00:07:50,000

use as we do

100

00:07:53,350 --> 00:07:51,919

uh this is a transformative work we'll

101
00:07:56,830 --> 00:07:53,360
be discussing and

102
00:07:58,469 --> 00:07:56,840
critiquing the uh the material we are

103
00:08:00,309 --> 00:07:58,479
sharing uh

104
00:08:01,589 --> 00:08:00,319
and this is for educational and

105
00:08:03,909 --> 00:08:01,599
informative purposes

106
00:08:04,950 --> 00:08:03,919
for our audience and discussion purposes

107
00:08:07,430 --> 00:08:04,960
this is allowable

108
00:08:08,629 --> 00:08:07,440
under fair use this is david wilcock

109
00:08:10,869 --> 00:08:08,639
pyramid ufos

110
00:08:12,869 --> 00:08:10,879
officially confirmed and you notice the

111
00:08:16,550 --> 00:08:12,879
misleading click bait

112
00:08:17,830 --> 00:08:16,560
that is garbage no pyramid ufos were not

113
00:08:20,469 --> 00:08:17,840

officially confirmed

114

00:08:20,950 --> 00:08:20,479

the navy said somebody took a guess

115

00:08:23,350 --> 00:08:20,960

somebody

116

00:08:24,950 --> 00:08:23,360

a navy personnel person took that video

117

00:08:26,070 --> 00:08:24,960

but they didn't comment on whether it

118

00:08:28,550 --> 00:08:26,080

was a uap

119

00:08:29,830 --> 00:08:28,560

a ufo anyone spacecraft the black

120

00:08:32,870 --> 00:08:29,840

project they just said

121

00:08:33,750 --> 00:08:32,880

a navy person took that video that was

122

00:08:35,750 --> 00:08:33,760

leaked

123

00:08:37,589 --> 00:08:35,760

but here we have david wilcock running

124

00:08:41,110 --> 00:08:37,599

with this clickbait title

125

00:08:44,149 --> 00:08:41,120

ufo pyramid ufos officially confirmed

126

00:08:48,470 --> 00:08:44,159

what are they and why right

127

00:08:52,389 --> 00:08:48,480

garbage all right we're gonna

128

00:08:57,829 --> 00:08:55,829

let me do this one more time and i have

129

00:08:59,590 --> 00:08:57,839

to change my background i always forget

130

00:09:01,910 --> 00:08:59,600

these some of these things

131

00:09:02,630 --> 00:09:01,920

so yeah uh here we're gonna share just

132

00:09:05,190 --> 00:09:02,640

so you can hear

133

00:09:06,949 --> 00:09:05,200

some of the quality that all those tens

134

00:09:10,710 --> 00:09:06,959

of thousands of dollars

135

00:09:12,710 --> 00:09:10,720

buys you in a home studio

136

00:09:15,350 --> 00:09:12,720

because it's funny to me it's just funny

137

00:09:19,030 --> 00:09:17,110

there is a formal acknowledgement and i

138

00:09:21,190 --> 00:09:19,040

have almost 400 slides on this show i'm

139

00:09:24,949 --> 00:09:21,200

going to try to keep it under two hours

140

00:09:28,389 --> 00:09:24,959

uh and acknowledgement

141

00:09:30,150 --> 00:09:28,399

that sometime in june that

142

00:09:31,590 --> 00:09:30,160

apparently it's gonna include the idea

143

00:09:33,829 --> 00:09:31,600

that ufos do exist

144

00:09:35,670 --> 00:09:33,839

that they have crashed here that they

145

00:09:35,990 --> 00:09:35,680

did retrieve wreckage they've actually

146

00:09:38,630 --> 00:09:36,000

talked

147

00:09:39,190 --> 00:09:38,640

about a memory medal that they even gave

148

00:09:42,630 --> 00:09:39,200

the name

149

00:09:45,350 --> 00:09:42,640

nitinol to say listen

150

00:09:47,269 --> 00:09:45,360

here's another part david wilcock if

151

00:09:49,030 --> 00:09:47,279

you're going to talk about scientific

152

00:09:50,710 --> 00:09:49,040

things then know what you're talking

153

00:09:53,350 --> 00:09:50,720

about nitinol

154

00:09:54,230 --> 00:09:53,360

is not a metal from a crashed flying

155

00:09:57,269 --> 00:09:54,240

saucer

156

00:09:58,550 --> 00:09:57,279

it's not it's it's an earth made

157

00:10:01,430 --> 00:09:58,560

material

158

00:10:03,430 --> 00:10:01,440

it's called memory metal for a reason i

159

00:10:04,630 --> 00:10:03,440

know about nitinol because i once worked

160

00:10:08,150 --> 00:10:04,640

at the drexel

161

00:10:09,829 --> 00:10:08,160

robotics lab in philadelphia for a time

162

00:10:11,829 --> 00:10:09,839

and they were using nitinol in a lot of

163

00:10:12,870 --> 00:10:11,839

the robotic prototypes that they were

164

00:10:15,670 --> 00:10:12,880

developing

165

00:10:16,949 --> 00:10:15,680

it's sort of like uh in robotics it's

166

00:10:20,630 --> 00:10:16,959

sort of like

167

00:10:23,670 --> 00:10:20,640

akin to human muscle you can apply it

168

00:10:24,069 --> 00:10:23,680

you can stretch this metal out and it

169

00:10:26,150 --> 00:10:24,079

will

170

00:10:27,829 --> 00:10:26,160

expand and then when you apply electric

171

00:10:30,790 --> 00:10:27,839

charge it will pull back

172

00:10:32,790 --> 00:10:30,800

and go back to its original form that's

173

00:10:33,829 --> 00:10:32,800

nitinol it's completely an earth-like

174

00:10:36,069 --> 00:10:33,839

material

175

00:10:38,069 --> 00:10:36,079

it doesn't have anything to do with ufos

176

00:10:38,949 --> 00:10:38,079

or flying saucers but you're gonna say

177

00:10:41,990 --> 00:10:38,959

it does

178

00:10:43,269 --> 00:10:42,000

and listen to the quality all this money

179

00:10:46,790 --> 00:10:43,279

he's collecting

180

00:10:49,350 --> 00:10:46,800

listen to it up and it can this this has

181

00:10:50,550 --> 00:10:49,360

already been disclosed so when we look

182

00:10:52,949 --> 00:10:50,560

at what's already

183

00:10:54,630 --> 00:10:52,959

he sounds like a football referee this

184

00:10:55,990 --> 00:10:54,640

is ridiculous and i'm not gonna

185

00:10:58,150 --> 00:10:56,000

i'm not we're not gonna listen to any

186

00:10:59,910 --> 00:10:58,160

more of this but i do have notes about

187

00:11:01,430 --> 00:10:59,920

what he talked about during the entire

188

00:11:02,470 --> 00:11:01,440

stream besides being completely and

189

00:11:05,509 --> 00:11:02,480

totally wrong

190

00:11:08,389 --> 00:11:05,519

about things like science right

191

00:11:10,310 --> 00:11:08,399

uh yeah and listen there's some great

192

00:11:12,470 --> 00:11:10,320

live chat comments but i gotta stay

193

00:11:13,990 --> 00:11:12,480

focused and on track and i'm gonna get

194

00:11:15,110 --> 00:11:14,000

back to all your comments i promise

195

00:11:17,430 --> 00:11:15,120

because we're going to try to just

196

00:11:19,030 --> 00:11:17,440

run through these notes that i made as

197

00:11:20,870 --> 00:11:19,040

quickly as possible

198

00:11:22,150 --> 00:11:20,880

and like i said we used to play the

199

00:11:24,470 --> 00:11:22,160

video stop it

200

00:11:27,910 --> 00:11:24,480

talk about what he just said if i do

201
00:11:29,910 --> 00:11:27,920
that this is a 3 hour and 43 hours and

202
00:11:32,550 --> 00:11:29,920
40 minutes and i listened to

203
00:11:34,069 --> 00:11:32,560
all the like the first 20 minutes but

204
00:11:35,750 --> 00:11:34,079
then i got to preview it

205
00:11:37,350 --> 00:11:35,760
while he was doing his meditation it

206
00:11:38,949 --> 00:11:37,360
doesn't matter to our discussion i went

207
00:11:41,750 --> 00:11:38,959
and listed the first 20 minutes

208
00:11:43,829 --> 00:11:41,760
that's garbage too actually the first

209
00:11:44,470 --> 00:11:43,839
half hour he talks about christianity

210
00:11:48,150 --> 00:11:44,480
the bible

211
00:11:51,269 --> 00:11:48,160
is the ascension and how the christian

212
00:11:51,910 --> 00:11:51,279
uh version of the rapture concept is

213
00:11:55,030 --> 00:11:51,920

essentially

214

00:11:57,910 --> 00:11:55,040

ascension and that aliens are

215

00:11:59,509 --> 00:11:57,920

extra dimensional angels and we're gonna

216

00:12:02,629 --> 00:11:59,519

find out about all this it's

217

00:12:03,350 --> 00:12:02,639

garbage okay and then we get the 30

218

00:12:06,790 --> 00:12:03,360

minutes in

219

00:12:09,670 --> 00:12:06,800

where he starts listen this stream

220

00:12:11,030 --> 00:12:09,680

i have to say i'm kind of disappointed i

221

00:12:14,629 --> 00:12:11,040

i consider myself

222

00:12:16,790 --> 00:12:14,639

sort of a connoisseur of the bs

223

00:12:19,350 --> 00:12:16,800

you know like the bs that this guy

224

00:12:21,750 --> 00:12:19,360

shovels is usually so good

225

00:12:23,030 --> 00:12:21,760

because usually he just makes up a bunch

226

00:12:25,750 --> 00:12:23,040

of stuff

227

00:12:28,310 --> 00:12:25,760

and i gotta say that after being away he

228

00:12:31,110 --> 00:12:28,320

had two months to prepare for this

229

00:12:32,550 --> 00:12:31,120

and you know how he prepared he made 800

230

00:12:35,350 --> 00:12:32,560

slides

231

00:12:36,470 --> 00:12:35,360

of other people's work congratulations

232

00:12:38,710 --> 00:12:36,480

david wilcock

233

00:12:40,629 --> 00:12:38,720

you spent two months making 800

234

00:12:42,790 --> 00:12:40,639

powerpoint slides

235

00:12:43,829 --> 00:12:42,800

and taking some stuff from what stephen

236

00:12:46,790 --> 00:12:43,839

greer is saying

237

00:12:48,550 --> 00:12:46,800

taking george knapp and taking jeremy

238

00:12:51,350 --> 00:12:48,560

corvell's material

239

00:12:53,190 --> 00:12:51,360

and you're gonna now interject your

240

00:12:54,230 --> 00:12:53,200

thoughts and opinions which i guess is

241

00:12:56,230 --> 00:12:54,240

okay

242

00:12:58,870 --> 00:12:56,240

but i was disappointed because most of

243

00:13:01,350 --> 00:12:58,880

this stream is him repeating the same

244

00:13:02,150 --> 00:13:01,360

garbage that the ufo believer circuit is

245

00:13:05,030 --> 00:13:02,160

out there

246

00:13:07,030 --> 00:13:05,040

this was hopium for the hopeless feed

247

00:13:09,590 --> 00:13:07,040

these true believers

248

00:13:11,190 --> 00:13:09,600

stuff about aliens and ufos because

249

00:13:12,150 --> 00:13:11,200

that's what's popular right now and

250

00:13:15,269 --> 00:13:12,160

everybody's

251
00:13:17,750 --> 00:13:15,279
and another thing listen if this guy

252
00:13:20,230 --> 00:13:17,760
streamed for three hours and 40

253
00:13:21,990 --> 00:13:20,240
something minutes he couldn't take five

254
00:13:24,069 --> 00:13:22,000
minutes to explain

255
00:13:26,150 --> 00:13:24,079
why he predicted that donald trump was

256
00:13:27,990 --> 00:13:26,160
going to win the election in a landslide

257
00:13:30,790 --> 00:13:28,000
and that didn't happen

258
00:13:33,350 --> 00:13:30,800
why he said there was 50 000 chinese

259
00:13:35,829 --> 00:13:33,360
troops amassed on the canadian border

260
00:13:38,150 --> 00:13:35,839
and we and they invaded and we hit him

261
00:13:39,750 --> 00:13:38,160
with a bunker busting bomb but nobody

262
00:13:43,269 --> 00:13:39,760
saw it and we killed

263
00:13:43,829 --> 00:13:43,279

come on all of this stuff that he talked

264

00:13:46,829 --> 00:13:43,839

about

265

00:13:48,150 --> 00:13:46,839

well i'm getting blurry like uh like

266

00:13:49,910 --> 00:13:48,160

bigfoot so

267

00:13:51,350 --> 00:13:49,920

all the stuff that he talked about for

268

00:13:53,590 --> 00:13:51,360

the last four years

269

00:13:54,790 --> 00:13:53,600

none of it happened he was completely

270

00:13:56,629 --> 00:13:54,800

and totally wrong

271

00:13:58,150 --> 00:13:56,639

about everything he talked about for the

272

00:14:00,949 --> 00:13:58,160

past four years

273

00:14:01,590 --> 00:14:00,959

then he goes away for two months right

274

00:14:03,509 --> 00:14:01,600

and i've

275

00:14:05,829 --> 00:14:03,519

talked about it before this is the david

276

00:14:07,750 --> 00:14:05,839

wilcock swindle shuffle

277

00:14:09,509 --> 00:14:07,760

swindle everybody you can with fake

278

00:14:11,509 --> 00:14:09,519

stories and then

279

00:14:13,430 --> 00:14:11,519

when it when the proof comes out that

280

00:14:16,150 --> 00:14:13,440

all the stories you've been peddling for

281

00:14:18,230 --> 00:14:16,160

however long are totally fake you gotta

282

00:14:20,310 --> 00:14:18,240

shuffle away for a little while

283

00:14:21,269 --> 00:14:20,320

and hope all the stupid people sending

284

00:14:24,949 --> 00:14:21,279

you money

285

00:14:26,790 --> 00:14:24,959

forget all of your bs forget all of your

286

00:14:27,430 --> 00:14:26,800

fake psychic predictions none of which

287

00:14:30,550 --> 00:14:27,440

came true

288

00:14:32,790 --> 00:14:30,560

come back so he's had two months right

289

00:14:35,430 --> 00:14:32,800

and he's streamed for three hours and 45

290

00:14:38,710 --> 00:14:35,440

minutes listen i want to ask you a very

291

00:14:40,949 --> 00:14:38,720

listen really ask yourself this if

292

00:14:42,949 --> 00:14:40,959

you were somebody claiming to have

293

00:14:45,509 --> 00:14:42,959

psychic powers and you made

294

00:14:46,389 --> 00:14:45,519

a bunch of predictions and all of them

295

00:14:50,069 --> 00:14:46,399

failed

296

00:14:53,350 --> 00:14:50,079

just a few months ago right

297

00:14:54,790 --> 00:14:53,360

would you address it would you apologize

298

00:14:55,509 --> 00:14:54,800

to all the people who were sending you

299

00:14:56,829 --> 00:14:55,519

money

300

00:14:59,030 --> 00:14:56,839

while you're making those fake

301

00:15:01,030 --> 00:14:59,040

predictions

302

00:15:03,430 --> 00:15:01,040

of course he does he spends three hours

303

00:15:06,150 --> 00:15:03,440

and 45 minutes just right back to the bs

304

00:15:07,750 --> 00:15:06,160

i'm not even gonna address he's like i'm

305

00:15:11,030 --> 00:15:07,760

not even gonna address

306

00:15:13,829 --> 00:15:11,040

all my fake failed psychic predictions

307

00:15:14,389 --> 00:15:13,839

all the stuff that i said that was gonna

308

00:15:20,629 --> 00:15:14,399

happen

309

00:15:22,470 --> 00:15:20,639

camera not focusing talk about technical

310

00:15:24,310 --> 00:15:22,480

problems but hey i don't have his budget

311

00:15:25,110 --> 00:15:24,320

so i'm still allowed to make fun of him

312

00:15:28,310 --> 00:15:25,120

and uh

313

00:15:30,550 --> 00:15:28,320

you know his ridiculous stream listen to

314

00:15:30,949 --> 00:15:30,560

that audio gotta love it all right so 30

315

00:15:32,790 --> 00:15:30,959

minutes

316

00:15:34,870 --> 00:15:32,800

in he starts talking about carol rosin

317

00:15:37,590 --> 00:15:34,880

who worked with werner von braun

318

00:15:38,550 --> 00:15:37,600

and talked about werner von braun uh

319

00:15:41,030 --> 00:15:38,560

saying that

320

00:15:42,550 --> 00:15:41,040

when the when the jig is up you know

321

00:15:43,910 --> 00:15:42,560

first they're going to use the soviet

322

00:15:45,189 --> 00:15:43,920

union and then when they can't use the

323

00:15:46,790 --> 00:15:45,199

soviet union

324

00:15:49,030 --> 00:15:46,800

they're going to use terrorism and then

325

00:15:50,949 --> 00:15:49,040

when terrorism no longer works

326

00:15:52,389 --> 00:15:50,959

they're going to use a fake alien

327

00:15:56,230 --> 00:15:52,399

invasion that's the

328

00:15:58,150 --> 00:15:56,240

trump card right the final card in the

329

00:15:59,670 --> 00:15:58,160

disclosure game and there's going to be

330

00:16:01,430 --> 00:15:59,680

a fake alien base gee

331

00:16:03,590 --> 00:16:01,440

who else has been talking about this

332

00:16:06,710 --> 00:16:03,600

lately he's just lifting

333

00:16:09,910 --> 00:16:06,720

dr steven greer's current con

334

00:16:11,910 --> 00:16:09,920

scan dr grier's collecting collected

335

00:16:13,829 --> 00:16:11,920

over a quarter of a million dollars to

336

00:16:15,670 --> 00:16:13,839

make an emergency documentary

337

00:16:18,389 --> 00:16:15,680

about a fake alien invasion that's

338

00:16:20,790 --> 00:16:18,399

imminent and david wilcock

339

00:16:22,949 --> 00:16:20,800

if he listen if david wilcock ever had

340

00:16:24,550 --> 00:16:22,959

an original thought i truly think that

341

00:16:26,550 --> 00:16:24,560

it would die of loneliness

342

00:16:28,310 --> 00:16:26,560

all he's doing that and he's going to

343

00:16:29,910 --> 00:16:28,320

anger these other ufo con

344

00:16:32,150 --> 00:16:29,920

artists and grifters because that's

345

00:16:34,069 --> 00:16:32,160

their you know con

346

00:16:36,069 --> 00:16:34,079

that they're talking about and he should

347

00:16:38,550 --> 00:16:36,079

leave their cons alone and come up with

348

00:16:39,509 --> 00:16:38,560

zokon that's how ufo cons are supposed

349

00:16:42,550 --> 00:16:39,519

to work

350

00:16:44,790 --> 00:16:42,560

so uh you let

351
00:16:46,470 --> 00:16:44,800
30 minutes in he's he's talking about

352
00:16:48,550 --> 00:16:46,480
this fake alien invasion

353
00:16:50,069 --> 00:16:48,560
right and stephen greer warning of a

354
00:16:52,550 --> 00:16:50,079
fake alien invasion

355
00:16:54,550 --> 00:16:52,560
and maybe the government's letting go of

356
00:16:56,949 --> 00:16:54,560
some of this information

357
00:16:57,990 --> 00:16:56,959
just to pull people and see how easily

358
00:16:59,590 --> 00:16:58,000
they are fooled

359
00:17:01,430 --> 00:16:59,600
so that they can go ahead with their

360
00:17:03,910 --> 00:17:01,440
fake alien invasion

361
00:17:05,590 --> 00:17:03,920
boy this is a great story too bad it's

362
00:17:08,230 --> 00:17:05,600
not david wilcox story

363
00:17:10,309 --> 00:17:08,240

this is steven grier's story he's been

364

00:17:12,710 --> 00:17:10,319

telling this story for 20 years

365

00:17:14,390 --> 00:17:12,720

are you so desperate for material david

366

00:17:17,829 --> 00:17:14,400

wilcock that you gotta go

367

00:17:18,390 --> 00:17:17,839

into another grifter's con game and pull

368

00:17:22,309 --> 00:17:18,400

out his

369

00:17:24,870 --> 00:17:22,319

khan story his con and listen

370

00:17:25,350 --> 00:17:24,880

great maybe that vernon von braun

371

00:17:28,390 --> 00:17:25,360

actually

372

00:17:30,150 --> 00:17:28,400

said that but the only person ever

373

00:17:32,070 --> 00:17:30,160

there's no verification that he said

374

00:17:33,430 --> 00:17:32,080

that except from one woman who worked

375

00:17:37,029 --> 00:17:33,440

for him who's been

376

00:17:38,950 --> 00:17:37,039

a stephen grier fan for 20 years right

377

00:17:41,510 --> 00:17:38,960

and stephen greer and her very close

378

00:17:42,470 --> 00:17:41,520

friends so i don't trust that verner von

379

00:17:46,070 --> 00:17:42,480

braun ever even

380

00:17:48,789 --> 00:17:46,080

said this and by the way listen

381

00:17:50,310 --> 00:17:48,799

i grew up building my rockets i loved

382

00:17:53,110 --> 00:17:50,320

you know before i knew

383

00:17:55,110 --> 00:17:53,120

that before i knew the whole story of

384

00:17:57,029 --> 00:17:55,120

werner von braun and project paperclip

385

00:17:57,990 --> 00:17:57,039

and all those nazi scientists that we

386

00:18:00,310 --> 00:17:58,000

pulled

387

00:18:02,789 --> 00:18:00,320

wiped their record clean of anything you

388

00:18:04,549 --> 00:18:02,799

know and declared them no longer nazis

389

00:18:07,590 --> 00:18:04,559

to work on our space

390

00:18:10,070 --> 00:18:07,600

program i was a fan of this man

391

00:18:11,190 --> 00:18:10,080

right the original founder of nasa he

392

00:18:12,950 --> 00:18:11,200

was a nazi

393

00:18:15,270 --> 00:18:12,960

and responsible for the deaths of

394

00:18:16,150 --> 00:18:15,280

thousands of people with the v2 rocket

395

00:18:18,310 --> 00:18:16,160

program

396

00:18:19,350 --> 00:18:18,320

not a very reputable source even if he

397

00:18:21,750 --> 00:18:19,360

did say that

398

00:18:24,470 --> 00:18:21,760

former nazi killed thousands of people

399

00:18:27,510 --> 00:18:24,480

with those v2 rockets he was developing

400

00:18:28,630 --> 00:18:27,520

yeah great maybe later in life he uh you

401
00:18:32,789 --> 00:18:28,640
know

402
00:18:34,390 --> 00:18:32,799
ever commented on all those people that

403
00:18:38,230 --> 00:18:34,400
he killed with his rockets

404
00:18:40,390 --> 00:18:38,240
right but he did help nasa right very

405
00:18:40,789 --> 00:18:40,400
respected rocket scientists later in

406
00:18:42,630 --> 00:18:40,799
life

407
00:18:44,310 --> 00:18:42,640
after they wiped the fact that he was

408
00:18:46,390 --> 00:18:44,320
the nazi rocketeer

409
00:18:47,750 --> 00:18:46,400
responsible for thousands and thousands

410
00:18:49,270 --> 00:18:47,760
of people dying

411
00:18:51,270 --> 00:18:49,280
especially in england where those

412
00:18:54,070 --> 00:18:51,280
rockets they kept pointing those

413
00:18:56,549 --> 00:18:54,080

v2 rockets killing people terrorizing

414

00:18:58,549 --> 00:18:56,559

whole cities but hey

415

00:19:00,230 --> 00:18:58,559

we should trust him as a source and he

416

00:19:02,150 --> 00:19:00,240

said there's going to be a fake alien

417

00:19:04,630 --> 00:19:02,160

invasion

418

00:19:06,310 --> 00:19:04,640

i call bs on that you know i'm sorry

419

00:19:08,710 --> 00:19:06,320

nobody ever heard the man say that

420

00:19:09,430 --> 00:19:08,720

except for one person who conveniently

421

00:19:11,590 --> 00:19:09,440

is like

422

00:19:12,950 --> 00:19:11,600

buddy buddy with one of the world's

423

00:19:16,310 --> 00:19:12,960

biggest ufo

424

00:19:18,950 --> 00:19:16,320

hoaxer profiteering you know

425

00:19:19,510 --> 00:19:18,960

i don't i don't want to say anymore all

426

00:19:21,669 --> 00:19:19,520

right

427

00:19:23,350 --> 00:19:21,679

uh at 40 minutes in i found this very

428

00:19:25,029 --> 00:19:23,360

we're just going to skip so for you know

429

00:19:25,909 --> 00:19:25,039

10 minutes he talks about the fake alien

430

00:19:29,029 --> 00:19:25,919

invasion

431

00:19:30,870 --> 00:19:29,039

uh 40 minutes in he starts talking about

432

00:19:32,870 --> 00:19:30,880

he's going to have to take down his old

433

00:19:35,029 --> 00:19:32,880

website because of link backs and how he

434

00:19:37,830 --> 00:19:35,039

could get his website deleted

435

00:19:38,470 --> 00:19:37,840

no i'm sorry you can't get your website

436

00:19:41,350 --> 00:19:38,480

deleted

437

00:19:42,710 --> 00:19:41,360

it's your website there's no there's no

438

00:19:44,310 --> 00:19:42,720

conspiracy

439

00:19:46,070 --> 00:19:44,320

he he always does this there's a

440

00:19:47,830 --> 00:19:46,080

conspiracy to d

441

00:19:49,590 --> 00:19:47,840

platform him and he might lose his

442

00:19:51,750 --> 00:19:49,600

youtube channel any minute for sharing

443

00:19:54,390 --> 00:19:51,760

this important information it's garbage

444

00:19:56,549 --> 00:19:54,400

that's garbage uh he's taking down his

445

00:19:58,630 --> 00:19:56,559

old website or just leaving it up as an

446

00:20:02,149 --> 00:19:58,640

archive and he's going to have a new

447

00:20:04,070 --> 00:20:02,159

website and then just like his technical

448

00:20:06,230 --> 00:20:04,080

problems running a live stream

449

00:20:08,549 --> 00:20:06,240

i guess it can't work uh you know

450

00:20:10,470 --> 00:20:08,559

wix.com to make a website because he

451
00:20:10,909 --> 00:20:10,480
gives a website address which i think is

452
00:20:14,549 --> 00:20:10,919
d

453
00:20:17,830 --> 00:20:14,559
chat

454
00:20:21,110 --> 00:20:17,840
were saying the the website doesn't work

455
00:20:24,310 --> 00:20:21,120
yeah it's like a connection

456
00:20:24,950 --> 00:20:24,320
error i'm sorry database error which

457
00:20:27,029 --> 00:20:24,960
means

458
00:20:28,149 --> 00:20:27,039
somebody didn't flip the switch to make

459
00:20:31,270 --> 00:20:28,159
the website live

460
00:20:32,950 --> 00:20:31,280
before his stream the reason though that

461
00:20:34,630 --> 00:20:32,960
him talking about taking down his old

462
00:20:37,510 --> 00:20:34,640
website is important to me

463
00:20:38,870 --> 00:20:37,520

is because this once again is the david

464

00:20:42,070 --> 00:20:38,880

wilcox swindle

465

00:20:45,110 --> 00:20:42,080

and shuffle you gotta swindle everybody

466

00:20:46,950 --> 00:20:45,120

get this really you know right hundreds

467

00:20:48,070 --> 00:20:46,960

and hundreds of pages of what's gonna

468

00:20:50,149 --> 00:20:48,080

happen and all these

469

00:20:53,029 --> 00:20:50,159

things are going on on your website and

470

00:20:54,950 --> 00:20:53,039

then when it all turns out to be fake

471

00:20:56,470 --> 00:20:54,960

information and it's clear that you've

472

00:20:58,149 --> 00:20:56,480

been talking about fake stuff

473

00:21:00,390 --> 00:20:58,159

and all your predictions were wrong you

474

00:21:01,430 --> 00:21:00,400

gotta delete that website and start a

475

00:21:04,070 --> 00:21:01,440

whole new one

476
00:21:05,830 --> 00:21:04,080
it's kind of the david wilcock reboot he

477
00:21:09,350 --> 00:21:05,840
did this in 2000

478
00:21:11,830 --> 00:21:09,360
he did it again in 2012. get rid of that

479
00:21:13,750 --> 00:21:11,840
old website with all that fake stuff

480
00:21:15,669 --> 00:21:13,760
because i look ridiculous you do look

481
00:21:17,350 --> 00:21:15,679
ridiculous but taking down your own

482
00:21:19,430 --> 00:21:17,360
websites not going to do anything for

483
00:21:21,750 --> 00:21:19,440
you david wilcock because i archived it

484
00:21:23,830 --> 00:21:21,760
all of it and i will share it with

485
00:21:25,350 --> 00:21:23,840
anybody that wants it if he does indeed

486
00:21:27,270 --> 00:21:25,360
take his website down

487
00:21:28,950 --> 00:21:27,280
now this is my theory and speculation

488
00:21:29,510 --> 00:21:28,960

that that's why he's taking his website

489

00:21:31,110 --> 00:21:29,520

down

490

00:21:32,870 --> 00:21:31,120

because he wants to hide all that letter

491

00:21:34,950 --> 00:21:32,880

the alphabet garbage that he talked

492

00:21:36,549 --> 00:21:34,960

about for four years and

493

00:21:37,909 --> 00:21:36,559

the former president stuff that he

494

00:21:39,669 --> 00:21:37,919

talked about for four years and the

495

00:21:40,950 --> 00:21:39,679

alliance but it was interesting that

496

00:21:43,110 --> 00:21:40,960

later in this broadcast

497

00:21:45,430 --> 00:21:43,120

he starts talking about the alliance and

498

00:21:46,870 --> 00:21:45,440

how he's getting briefings again

499

00:21:49,110 --> 00:21:46,880

but isn't it interesting that all the

500

00:21:50,549 --> 00:21:49,120

briefings he got for the past four years

501
00:21:52,710 --> 00:21:50,559
that he claimed to be getting i'm

502
00:21:54,470 --> 00:21:52,720
getting briefings he loves saying he's

503
00:21:55,110 --> 00:21:54,480
getting briefings dude you're not james

504
00:21:57,350 --> 00:21:55,120
bond

505
00:21:58,630 --> 00:21:57,360
okay you're not an intelligence officer

506
00:22:00,310 --> 00:21:58,640
you're not in the military you're not

507
00:22:02,310 --> 00:22:00,320
getting briefings

508
00:22:03,909 --> 00:22:02,320
that doesn't happen you're not getting

509
00:22:06,310 --> 00:22:03,919
any brief things

510
00:22:08,470 --> 00:22:06,320
and and even if he is his briefings have

511
00:22:09,029 --> 00:22:08,480
been shown to be completely and totally

512
00:22:12,230 --> 00:22:09,039
wrong

513
00:22:15,430 --> 00:22:12,240

for the past four years

514

00:22:16,390 --> 00:22:15,440

okay let's see 45 minutes in he starts

515

00:22:18,789 --> 00:22:16,400

talking about

516

00:22:19,590 --> 00:22:18,799

the bad guy aliens and how they want to

517

00:22:21,990 --> 00:22:19,600

experiment

518

00:22:23,430 --> 00:22:22,000

on us and the good guy aliens who want

519

00:22:25,909 --> 00:22:23,440

to help us

520

00:22:27,029 --> 00:22:25,919

evolve and ascend what are we what are

521

00:22:29,669 --> 00:22:27,039

we 10 years old

522

00:22:31,350 --> 00:22:29,679

and on the playground okay there's these

523

00:22:34,470 --> 00:22:31,360

good guy aliens

524

00:22:36,710 --> 00:22:34,480

and then there's the bad guy aliens it's

525

00:22:38,470 --> 00:22:36,720

ridiculous it's childish and it's

526

00:22:40,310 --> 00:22:38,480

stupid and that's all i have to say

527

00:22:42,390 --> 00:22:40,320

about that i was wrong with the time

528

00:22:44,470 --> 00:22:42,400

stamps that was like 42 minutes in also

529

00:22:49,669 --> 00:22:44,480

42 minutes in

530

00:22:51,590 --> 00:22:49,679

wilcock talks about anti-gravity

531

00:22:53,029 --> 00:22:51,600

and then he says i'll have a lot more to

532

00:22:55,029 --> 00:22:53,039

share about that soon

533

00:22:56,710 --> 00:22:55,039

because i got a 3d printer and i'm

534

00:22:58,630 --> 00:22:56,720

printing prototypes

535

00:22:59,750 --> 00:22:58,640

really really david wilcock you're going

536

00:23:02,549 --> 00:22:59,760

to print

537

00:23:03,990 --> 00:23:02,559

an anti-gravity device on your new 3d

538

00:23:06,549 --> 00:23:04,000

printer that you just bought

539

00:23:07,430 --> 00:23:06,559

really are you going to 3d print a

540

00:23:09,590 --> 00:23:07,440

hovercar

541

00:23:10,950 --> 00:23:09,600

yeah david wilcock claims he's working

542

00:23:12,630 --> 00:23:10,960

on a hover car

543

00:23:14,950 --> 00:23:12,640

right with all he knows about

544

00:23:17,990 --> 00:23:14,960

extraterrestrial technology

545

00:23:19,110 --> 00:23:18,000

sure you are sure you are working on a

546

00:23:20,310 --> 00:23:19,120

hover car

547

00:23:23,110 --> 00:23:20,320

sure you're going to create an

548

00:23:25,590 --> 00:23:23,120

anti-gravity device with a 3d printer

549

00:23:27,510 --> 00:23:25,600

and you're printing prototypes right now

550

00:23:29,029 --> 00:23:27,520

can we see them can we see them where

551
00:23:29,590 --> 00:23:29,039
can we have them independently lab

552
00:23:32,470 --> 00:23:29,600
tested

553
00:23:34,149 --> 00:23:32,480
i'd suggest alien scientists to test

554
00:23:37,029 --> 00:23:34,159
david wilcox 3d

555
00:23:39,750 --> 00:23:37,039
printed anti-gravity technology it's

556
00:23:42,789 --> 00:23:39,760
ridiculous and childish once again

557
00:23:45,269 --> 00:23:42,799
and only a stupid person would believe

558
00:23:46,789 --> 00:23:45,279
any of that only i'm sorry if you

559
00:23:48,390 --> 00:23:46,799
believe that he actually is going to

560
00:23:50,630 --> 00:23:48,400
print an anti-gravity

561
00:23:52,950 --> 00:23:50,640
device or a 3d printer then you're

562
00:23:54,549 --> 00:23:52,960
stupid you're just stupid if you believe

563
00:23:58,070 --> 00:23:54,559

it i'm sorry

564

00:23:58,630 --> 00:23:58,080

all right 45 minutes he starts talking

565

00:24:02,070 --> 00:23:58,640

about

566

00:24:04,549 --> 00:24:02,080

the 10 days of darkness again you know

567

00:24:05,110 --> 00:24:04,559

that riff where he says that the

568

00:24:07,750 --> 00:24:05,120

internet

569

00:24:09,590 --> 00:24:07,760

and major television and cable tv and

570

00:24:11,909 --> 00:24:09,600

the power grid everything's going to go

571

00:24:14,870 --> 00:24:11,919

down for 10 days of darkness

572

00:24:16,950 --> 00:24:14,880

except he already predicted this two

573

00:24:18,230 --> 00:24:16,960

other times i believe at least once i'm

574

00:24:19,830 --> 00:24:18,240

sure he predicted this is going to

575

00:24:21,350 --> 00:24:19,840

happen once and it was coming in the

576

00:24:24,870 --> 00:24:21,360

next few weeks

577

00:24:27,029 --> 00:24:24,880

and then it didn't happen david wilcock

578

00:24:29,269 --> 00:24:27,039

if your prediction failed the first time

579

00:24:30,789 --> 00:24:29,279

it's probably a bad idea to make that

580

00:24:33,430 --> 00:24:30,799

prediction again

581

00:24:34,470 --> 00:24:33,440

but you know move the timeline for when

582

00:24:36,149 --> 00:24:34,480

that psychic

583

00:24:38,630 --> 00:24:36,159

fake prediction is going to come true

584

00:24:41,190 --> 00:24:38,640

now it's going to happen any time now

585

00:24:41,750 --> 00:24:41,200

you said that before david and it didn't

586

00:24:46,549 --> 00:24:41,760

happen

587

00:24:49,510 --> 00:24:46,559

david wilcock you know

588

00:24:50,549 --> 00:24:49,520

fake psychic shuffle like oh i made a

589

00:24:52,230 --> 00:24:50,559

fake prediction

590

00:24:54,630 --> 00:24:52,240

and i even gave a date because i'm

591

00:24:54,950 --> 00:24:54,640

stupid and i haven't been listening that

592

00:25:02,710 --> 00:24:54,960

you

593

00:25:05,590 --> 00:25:02,720

coming months in the coming years

594

00:25:07,510 --> 00:25:05,600

you don't give a date and this dummy did

595

00:25:09,750 --> 00:25:07,520

with his first 10 days of darkness or

596

00:25:13,029 --> 00:25:09,760

was it three days of darkness

597

00:25:16,070 --> 00:25:13,039

major disruptions are coming anytime now

598

00:25:19,110 --> 00:25:16,080

then uh he starts talking

599

00:25:22,710 --> 00:25:19,120

about prepper supplies

600

00:25:26,149 --> 00:25:22,720

because you know if you need

601
00:25:29,750 --> 00:25:26,159
survival advice about how to survive uh

602
00:25:30,230 --> 00:25:29,760
you know an apocalyptic event at a grid

603
00:25:34,230 --> 00:25:30,240
down

604
00:25:36,789 --> 00:25:34,240
situation

605
00:25:38,149 --> 00:25:36,799
there's nobody better to listen to than

606
00:25:41,430 --> 00:25:38,159
a spoiled rich

607
00:25:42,950 --> 00:25:41,440
kid son of millionaires right that never

608
00:25:45,029 --> 00:25:42,960
really had a job

609
00:25:47,269 --> 00:25:45,039
never i don't think this guy's ever been

610
00:25:48,470 --> 00:25:47,279
camping to be honest with you but he's

611
00:25:50,310 --> 00:25:48,480
gonna give us all

612
00:25:52,230 --> 00:25:50,320
prepper advice he's gonna tell us how to

613
00:25:54,830 --> 00:25:52,240

survive and what was his

614

00:25:56,149 --> 00:25:54,840

what was his great advice buy rice and

615

00:25:58,789 --> 00:25:56,159

beans

616

00:26:00,870 --> 00:25:58,799

make sure you have water great that's

617

00:26:02,549 --> 00:26:00,880

really helpful thank you when this 10

618

00:26:03,909 --> 00:26:02,559

days of darkness comes i'll make sure i

619

00:26:06,390 --> 00:26:03,919

have plenty of rice and beans

620

00:26:08,870 --> 00:26:06,400

david wilcock thank you for saving me

621

00:26:12,149 --> 00:26:08,880

from this apocalyptic event

622

00:26:15,269 --> 00:26:12,159

all right uh so uh

623

00:26:17,430 --> 00:26:15,279

you know uh for the next 20 minutes he

624

00:26:19,269 --> 00:26:17,440

talks in brittles and nonsense i just

625

00:26:22,149 --> 00:26:19,279

wrote riddles and nonsense none of this

626

00:26:26,710 --> 00:26:25,029

okay and uh we get to about an hour and

627

00:26:27,350 --> 00:26:26,720

he starts talking about the recent

628

00:26:29,350 --> 00:26:27,360

articles

629

00:26:31,029 --> 00:26:29,360

you know about that israeli space

630

00:26:32,789 --> 00:26:31,039

minister who said

631

00:26:34,149 --> 00:26:32,799

that there's a galactic federation and

632

00:26:35,909 --> 00:26:34,159

aliens are real

633

00:26:37,590 --> 00:26:35,919

and that donald trump was going to spill

634

00:26:37,990 --> 00:26:37,600

the beans and the aliens had warned him

635

00:26:41,029 --> 00:26:38,000

not to

636

00:26:42,950 --> 00:26:41,039

do it except that whole article

637

00:26:44,789 --> 00:26:42,960

turned out to be complete and total

638

00:26:47,269 --> 00:26:44,799

garbage because

639

00:26:49,190 --> 00:26:47,279

the israeli space minister said these

640

00:26:50,950 --> 00:26:49,200

things while he was being interviewed

641

00:26:52,470 --> 00:26:50,960

it was later clarified that what he

642

00:26:54,789 --> 00:26:52,480

meant was

643

00:26:56,070 --> 00:26:54,799

his granddaughter heard these things

644

00:27:02,470 --> 00:26:56,080

from who

645

00:27:04,149 --> 00:27:02,480

wealth of fake garbage ufo and alien

646

00:27:05,990 --> 00:27:04,159

information and always has been

647

00:27:07,510 --> 00:27:06,000

she has never proved anything she's ever

648

00:27:10,070 --> 00:27:07,520

talked about as being real

649

00:27:12,070 --> 00:27:10,080

not in 20 years and she never will she's

650

00:27:14,789 --> 00:27:12,080

not a credible source of information

651
00:27:16,070 --> 00:27:14,799
so some israeli space minister he says

652
00:27:18,310 --> 00:27:16,080
well my granddaughter

653
00:27:20,149 --> 00:27:18,320
has heard there's a galactic federation

654
00:27:22,230 --> 00:27:20,159
and there's all these aliens he didn't

655
00:27:23,830 --> 00:27:22,240
say he believed that

656
00:27:25,830 --> 00:27:23,840
but david wilcock doesn't make the

657
00:27:27,830 --> 00:27:25,840
distinction between

658
00:27:29,909 --> 00:27:27,840
where that information actually came

659
00:27:30,710 --> 00:27:29,919
from why because it supports his garbage

660
00:27:33,029 --> 00:27:30,720
argument

661
00:27:34,710 --> 00:27:33,039
look disclosure's happening right now

662
00:27:35,990 --> 00:27:34,720
all around us this israeli space

663
00:27:39,590 --> 00:27:36,000

minister said this

664

00:27:41,350 --> 00:27:39,600

to be true at 107 i think this is great

665

00:27:43,190 --> 00:27:41,360

and he had a 40 in slip and he starts

666

00:27:44,470 --> 00:27:43,200

talking about this new class that he's

667

00:27:48,230 --> 00:27:44,480

going to be selling

668

00:27:49,029 --> 00:27:48,240

you know for 333 dollars you want to

669

00:27:53,350 --> 00:27:49,039

learn about

670

00:27:56,870 --> 00:27:53,360

what's really going on just give me 333.

671

00:27:58,870 --> 00:27:56,880

107. um he says i'm working on a new

672

00:27:59,830 --> 00:27:58,880

class but the information is too

673

00:28:03,110 --> 00:27:59,840

important

674

00:28:05,350 --> 00:28:03,120

so you have to pay as

675

00:28:06,310 --> 00:28:05,360

if to say the information he shares for

676

00:28:09,190 --> 00:28:06,320

free is

677

00:28:10,870 --> 00:28:09,200

not important it's a freudian slip he's

678

00:28:12,710 --> 00:28:10,880

basically admitting that everything he

679

00:28:15,430 --> 00:28:12,720

shares on his youtube channel for free

680

00:28:15,750 --> 00:28:15,440

is not worth anything but to get the

681

00:28:18,630 --> 00:28:15,760

good

682

00:28:20,070 --> 00:28:18,640

information you gotta pay three hundred

683

00:28:21,830 --> 00:28:20,080

and thirty three dollars

684

00:28:23,750 --> 00:28:21,840

or if you've already taken a course

685

00:28:25,909 --> 00:28:23,760

we'll give you a big discount of a

686

00:28:27,669 --> 00:28:25,919

hundred eleven dollars and you only pay

687

00:28:29,990 --> 00:28:27,679

which one all the numbers two hundred

688

00:28:33,029 --> 00:28:30,000

twenty two dollars disclosure

689

00:28:33,669 --> 00:28:33,039

cost either 333 dollars if you're a new

690

00:28:39,669 --> 00:28:33,679

customer

691

00:28:41,830 --> 00:28:39,679

even though i already sold you the truth

692

00:28:43,190 --> 00:28:41,840

about disclosure two other times one or

693

00:28:43,750 --> 00:28:43,200

two other times i don't know how many

694

00:28:46,710 --> 00:28:43,760

times

695

00:28:48,789 --> 00:28:46,720

you were stupid enough to buy it right

696

00:28:52,549 --> 00:28:48,799

boy

697

00:28:53,669 --> 00:28:52,559

okay uh also around let's see 108 109

698

00:28:55,029 --> 00:28:53,679

and you guys you're gonna have to

699

00:28:56,389 --> 00:28:55,039

forgive me with these time stamps

700

00:28:58,389 --> 00:28:56,399

they're vaguely correct

701

00:29:00,070 --> 00:28:58,399

okay so yeah i'm giving you a general

702

00:29:03,909 --> 00:29:00,080

guide in case you want to go and listen

703

00:29:10,789 --> 00:29:08,310

at 109 or thereabouts david wilcock

704

00:29:12,710 --> 00:29:10,799

incorrectly claims that electromagnetic

705

00:29:15,110 --> 00:29:12,720

flux can lift the plane

706

00:29:16,789 --> 00:29:15,120

i'm here to tell you uh that is

707

00:29:17,830 --> 00:29:16,799

completely and totally factually

708

00:29:20,710 --> 00:29:17,840

inaccurate

709

00:29:21,830 --> 00:29:20,720

okay and uh you know listen we can spend

710

00:29:25,029 --> 00:29:21,840

the time

711

00:29:26,070 --> 00:29:25,039

you know going going over why that's a

712

00:29:29,110 --> 00:29:26,080

completely and totally

713

00:29:32,870 --> 00:29:29,120

false false uh statement

714

00:29:33,750 --> 00:29:32,880

okay uh listen david wilcock likes to

715

00:29:37,510 --> 00:29:33,760

fancy himself

716

00:29:39,909 --> 00:29:37,520

to be so smart and have a 180 iq

717

00:29:41,909 --> 00:29:39,919

him saying that electromagnetic flux can

718

00:29:43,990 --> 00:29:41,919

lift an airplane is completely and

719

00:29:46,389 --> 00:29:44,000

totally factually inaccurate

720

00:29:47,990 --> 00:29:46,399

there is no scientific evidence that

721

00:29:50,549 --> 00:29:48,000

electromagnetic flux

722

00:29:51,590 --> 00:29:50,559

can lift an airplane okay there's no

723

00:29:54,549 --> 00:29:51,600

prototypes

724

00:29:56,389 --> 00:29:54,559

there's no uh scholarly white papers

725

00:29:57,590 --> 00:29:56,399

scientific papers written on it now i

726

00:30:00,310 --> 00:29:57,600

could be wrong on this

727

00:30:01,430 --> 00:30:00,320

i'm no alien scientist but jeremy rise

728

00:30:03,350 --> 00:30:01,440

aware of

729

00:30:05,110 --> 00:30:03,360

so many you know there's so much going

730

00:30:07,430 --> 00:30:05,120

on in science but i'm

731

00:30:08,789 --> 00:30:07,440

i am pretty confident that he is

732

00:30:11,750 --> 00:30:08,799

completely and totally wrong

733

00:30:12,549 --> 00:30:11,760

and electromagnetic flux has never can

734

00:30:15,990 --> 00:30:12,559

never

735

00:30:20,630 --> 00:30:16,000

lift

736

00:30:23,909 --> 00:30:20,640

a plane then uh he goes on to say

737

00:30:25,750 --> 00:30:23,919

that victor schauberger's uh vortex

738

00:30:26,870 --> 00:30:25,760

repulsing engine works and we're going

739

00:30:28,470 --> 00:30:26,880

to find out about

740

00:30:31,029 --> 00:30:28,480

that that it's true that it works and

741

00:30:34,470 --> 00:30:31,039

then it goes on to a lengthy explanation

742

00:30:35,269 --> 00:30:34,480

uh except no it doesn't and even how put

743

00:30:37,909 --> 00:30:35,279

off

744

00:30:39,269 --> 00:30:37,919

admitted that the repulsing engine does

745

00:30:41,350 --> 00:30:39,279

not work

746

00:30:42,950 --> 00:30:41,360

hal put off after all got one of the

747

00:30:46,549 --> 00:30:42,960

original prototypes

748

00:30:47,110 --> 00:30:46,559

and tested it zero lift david wilcock

749

00:30:49,029 --> 00:30:47,120

again

750

00:30:51,110 --> 00:30:49,039

makes a completely and totally factually

751
00:30:51,909 --> 00:30:51,120
inaccurate statement stating that victor

752
00:30:54,470 --> 00:30:51,919
schauberger's

753
00:30:55,350 --> 00:30:54,480
repulsing engine actually works no it

754
00:30:57,909 --> 00:30:55,360
doesn't

755
00:30:59,909 --> 00:30:57,919
no one no one on planet earth david

756
00:31:01,909 --> 00:30:59,919
wilcock has ever proven

757
00:31:04,630 --> 00:31:01,919
that victor schauberger's prototypes

758
00:31:05,110 --> 00:31:04,640
worked nobody's ever shown it and no one

759
00:31:08,310 --> 00:31:05,120
ever

760
00:31:10,549 --> 00:31:08,320
will david wilcock because it's garbage

761
00:31:13,269 --> 00:31:10,559
science it's not real science

762
00:31:15,669 --> 00:31:13,279
it's the it's the fantastical imaginings

763
00:31:16,470 --> 00:31:15,679

of a guy who probably smoked too much

764

00:31:18,549 --> 00:31:16,480

drugs

765

00:31:19,909 --> 00:31:18,559

opium at the time was very popular i

766

00:31:22,070 --> 00:31:19,919

think or

767

00:31:23,669 --> 00:31:22,080

maybe he discovered hallucinogenic drugs

768

00:31:25,830 --> 00:31:23,679

and thought he was going to make a brand

769

00:31:26,470 --> 00:31:25,840

new kind of engine based on nature and

770

00:31:29,269 --> 00:31:26,480

it sounds

771

00:31:30,789 --> 00:31:29,279

great but it doesn't work nobody's ever

772

00:31:32,470 --> 00:31:30,799

been able to reproduce it based on his

773

00:31:34,310 --> 00:31:32,480

drawings nobody's ever get

774

00:31:35,590 --> 00:31:34,320

able to get any of his prototypes to

775

00:31:38,149 --> 00:31:35,600

show any lift

776

00:31:39,750 --> 00:31:38,159

it doesn't work this is a factually

777

00:31:41,669 --> 00:31:39,760

inaccurate statement

778

00:31:43,430 --> 00:31:41,679

but you know your streams are filled

779

00:31:44,710 --> 00:31:43,440

with factually inaccurate statements you

780

00:31:47,990 --> 00:31:44,720

just don't care

781

00:31:51,830 --> 00:31:48,000

sounds good run with it give people

782

00:31:55,830 --> 00:31:55,110

okay then he makes another completely

783

00:31:58,470 --> 00:31:55,840

and totally

784

00:32:00,789 --> 00:31:58,480

scientifically impossible statement he

785

00:32:04,149 --> 00:32:00,799

says the trees are creating

786

00:32:06,950 --> 00:32:04,159

anti-gravity and this has been proven

787

00:32:07,830 --> 00:32:06,960

i must have missed the memo i must have

788

00:32:10,070 --> 00:32:07,840

missed a memo

789

00:32:13,190 --> 00:32:10,080

i got a cabin in the woods there's trees

790

00:32:16,149 --> 00:32:13,200

everywhere and i have never seen a tree

791

00:32:17,990 --> 00:32:16,159

create anti-gravity right so i'd like to

792

00:32:19,909 --> 00:32:18,000

know what is he smoking or what drugs

793

00:32:20,789 --> 00:32:19,919

does he take and i'd like some so i can

794

00:32:24,549 --> 00:32:20,799

see

795

00:32:28,310 --> 00:32:24,559

a tree create anti-gravity

796

00:32:29,830 --> 00:32:28,320

there is no zero scientific evidence or

797

00:32:32,950 --> 00:32:29,840

proof that trees create

798

00:32:33,830 --> 00:32:32,960

anti-gravity that's a garbage made up

799

00:32:36,310 --> 00:32:33,840

statement

800

00:32:38,389 --> 00:32:36,320

and he cites some crackpot scientists i

801
00:32:39,430 --> 00:32:38,399
got a chance to look into it briefly and

802
00:32:41,990 --> 00:32:39,440
it's not

803
00:32:43,029 --> 00:32:42,000
uh valid it's just not valid he cites

804
00:32:45,990 --> 00:32:43,039
somebody

805
00:32:46,950 --> 00:32:46,000
as proof but it's garbage absolute

806
00:32:50,149 --> 00:32:46,960
garbage

807
00:32:51,190 --> 00:32:50,159
next uh about 110 in he starts with the

808
00:32:54,630 --> 00:32:51,200
mystery school

809
00:32:55,990 --> 00:32:54,640
pitch again for just 333 dollars you

810
00:32:57,990 --> 00:32:56,000
could get disclosure no

811
00:32:59,669 --> 00:32:58,000
you can't and no you won't you won't get

812
00:33:01,669 --> 00:32:59,679
anything but garbage

813
00:33:03,350 --> 00:33:01,679

fake information listen to what he's

814

00:33:06,870 --> 00:33:03,360

sharing for free

815

00:33:08,630 --> 00:33:06,880

it's all fake so why would you pay him

816

00:33:10,230 --> 00:33:08,640

what is it gonna give you better fake

817

00:33:12,230 --> 00:33:10,240

stuff when you pay him

818

00:33:13,269 --> 00:33:12,240

the money like i don't get it i just

819

00:33:16,630 --> 00:33:13,279

don't get it

820

00:33:18,070 --> 00:33:16,640

next uh okay and then he spends a great

821

00:33:22,389 --> 00:33:18,080

deal of time after

822

00:33:24,789 --> 00:33:22,399

about 110 forward talking about

823

00:33:26,389 --> 00:33:24,799

anthony bergalia's ufo crash retrieval

824

00:33:28,710 --> 00:33:26,399

story again he's just

825

00:33:29,990 --> 00:33:28,720

mixing stuff off the internet none of

826

00:33:33,110 --> 00:33:30,000

this is his work

827

00:33:34,950 --> 00:33:33,120

he's just repeating garbage and by the

828

00:33:37,110 --> 00:33:34,960

way anthony brighallian nothing against

829

00:33:37,990 --> 00:33:37,120

him but this whole ufo crash retrieval

830

00:33:40,470 --> 00:33:38,000

story got blown

831

00:33:41,750 --> 00:33:40,480

way out of proportion it got misquoted

832

00:33:45,830 --> 00:33:41,760

all over the place

833

00:33:49,190 --> 00:33:45,840

no no the us the u.s government

834

00:33:49,990 --> 00:33:49,200

never admitted that they recovered alien

835

00:33:56,310 --> 00:33:50,000

flying

836

00:33:57,110 --> 00:33:56,320

spacecraft that's what it got twisted

837

00:34:00,389 --> 00:33:57,120

into

838

00:34:04,070 --> 00:34:00,399

no there's known projects that recover

839

00:34:06,870 --> 00:34:04,080

unknown flying aircraft that crashed

840

00:34:07,269 --> 00:34:06,880

project moon dust being one of them

841

00:34:10,550 --> 00:34:07,279

because

842

00:34:11,589 --> 00:34:10,560

certainly if some satellite is falling

843

00:34:13,750 --> 00:34:11,599

from the sky

844

00:34:15,349 --> 00:34:13,760

and landing in kansas if you're the

845

00:34:17,030 --> 00:34:15,359

united states government you're not sure

846

00:34:18,310 --> 00:34:17,040

whose satellite that is or why it's

847

00:34:19,270 --> 00:34:18,320

crashing you're going to want to go

848

00:34:21,909 --> 00:34:19,280

retrieve it

849

00:34:22,629 --> 00:34:21,919

so yes the government can confirm we

850

00:34:25,990 --> 00:34:22,639

have

851

00:34:28,389 --> 00:34:26,000

recovered uh ufo crashes

852

00:34:30,629 --> 00:34:28,399

nobody said aliens and these guys all

853

00:34:33,510 --> 00:34:30,639

you gotta jump right to the aliens

854

00:34:35,190 --> 00:34:33,520

so i'm sorry again here he's citing a

855

00:34:35,750 --> 00:34:35,200

source that supports his argument that's

856

00:34:38,550 --> 00:34:35,760

completely

857

00:34:41,510 --> 00:34:38,560

totally blown out of proportion mis

858

00:34:44,629 --> 00:34:41,520

misquoted and wrong

859

00:34:49,349 --> 00:34:46,710

okay so you know he's citing this

860

00:34:52,790 --> 00:34:49,359

anthony brigale's story at 110.

861

00:34:56,310 --> 00:34:52,800

all right uh now we get to

862

00:34:57,349 --> 00:34:56,320

117 and david wilcock claims that

863

00:34:59,910 --> 00:34:57,359

anti-gravity

864

00:35:01,030 --> 00:34:59,920

occurs in nature and one of the examples

865

00:35:03,030 --> 00:35:01,040

that he gives

866

00:35:04,230 --> 00:35:03,040

is why does a river start at the top of

867

00:35:07,349 --> 00:35:04,240

a mountain

868

00:35:08,150 --> 00:35:07,359

and then go down that's his example of

869

00:35:11,910 --> 00:35:08,160

gravity

870

00:35:13,510 --> 00:35:11,920

being created by nature

871

00:35:15,030 --> 00:35:13,520

because why does a river start at the

872

00:35:17,349 --> 00:35:15,040

top of a mountain and go down

873

00:35:18,230 --> 00:35:17,359

hey david wilcock are you are you really

874

00:35:19,589 --> 00:35:18,240

this

875

00:35:21,910 --> 00:35:19,599

i don't you know i'm trying not to be

876

00:35:23,670 --> 00:35:21,920

personally insulting are you this naive

877

00:35:25,349 --> 00:35:23,680

that's the kinder way to say it

878

00:35:27,829 --> 00:35:25,359

that you would let this come out of your

879

00:35:31,109 --> 00:35:27,839

mouth without even thinking it through

880

00:35:32,710 --> 00:35:31,119

that nature there's anti-gravity

881

00:35:34,230 --> 00:35:32,720

occurring in nature because a river

882

00:35:38,150 --> 00:35:34,240

starts at the top of a mountain

883

00:35:40,310 --> 00:35:38,160

and goes down really

884

00:35:42,069 --> 00:35:40,320

david wilcock i have a cabin in the

885

00:35:45,109 --> 00:35:42,079

mountains and i can tell you

886

00:35:48,150 --> 00:35:45,119

uh creeks streams and

887

00:35:49,750 --> 00:35:48,160

i guess i suppose even rivers start at

888

00:35:50,950 --> 00:35:49,760

the top of a mountain because of natural

889

00:35:53,990 --> 00:35:50,960

springs

890

00:35:56,310 --> 00:35:54,000

the spring comes up and then

891

00:35:57,030 --> 00:35:56,320

it begins a stream or a creek or

892

00:35:59,270 --> 00:35:57,040

whatever

893

00:36:00,710 --> 00:35:59,280

and if it's near the top of the mountain

894

00:36:03,030 --> 00:36:00,720

certainly it's going to go

895

00:36:03,750 --> 00:36:03,040

down the mountain that's not called an

896

00:36:06,950 --> 00:36:03,760

example of

897

00:36:09,829 --> 00:36:06,960

anti-gravity david wilcock that's called

898

00:36:10,870 --> 00:36:09,839

gravity that's not i i don't understand

899

00:36:13,430 --> 00:36:10,880

his argument here

900

00:36:15,270 --> 00:36:13,440

it's complete it's childish it's stupid

901
00:36:15,750 --> 00:36:15,280
and any scientist that heard him say

902
00:36:17,510 --> 00:36:15,760
this

903
00:36:19,910 --> 00:36:17,520
would laugh in his face certainly any

904
00:36:20,950 --> 00:36:19,920
physicist any naturalist any biologist

905
00:36:23,910 --> 00:36:20,960
could tell you

906
00:36:25,349 --> 00:36:23,920
that just because uh you know a a water

907
00:36:26,390 --> 00:36:25,359
source starts at the top of the mountain

908
00:36:28,550 --> 00:36:26,400
and goes down

909
00:36:29,750 --> 00:36:28,560
that's not an example of any gravity

910
00:36:32,150 --> 00:36:29,760
that's an example

911
00:36:33,910 --> 00:36:32,160
of david wilcox mental gymnastics to try

912
00:36:35,349 --> 00:36:33,920
to prove his points that are completely

913
00:36:37,990 --> 00:36:35,359

totally garbage

914

00:36:38,630 --> 00:36:38,000

garbage this man offers garbage to the

915

00:36:40,950 --> 00:36:38,640

world

916

00:36:42,790 --> 00:36:40,960

and people eat it up they get to that

917

00:36:43,829 --> 00:36:42,800

you know it's like a pig trough and they

918

00:36:47,109 --> 00:36:43,839

just get there like

919

00:36:50,150 --> 00:36:47,119

give us more slop david wilcock

920

00:36:52,150 --> 00:36:50,160

give us more ufo alien slop

921

00:36:53,349 --> 00:36:52,160

this is sloppy work this is total

922

00:36:57,829 --> 00:36:53,359

garbage

923

00:37:00,630 --> 00:36:57,839

okay and and oh this is another one

924

00:37:02,150 --> 00:37:00,640

at 120 he pitches his new website and

925

00:37:03,829 --> 00:37:02,160

how you gotta hurry up there because he

926
00:37:06,710 --> 00:37:03,839
could get banned from youtube at any

927
00:37:08,150 --> 00:37:06,720
minute and it is d wilcock.com

928
00:37:10,950 --> 00:37:08,160
we're going to try to go there right now

929
00:37:14,150 --> 00:37:10,960
so i can see what the error message is

930
00:37:16,630 --> 00:37:14,160
but uh yeah again for the second time

931
00:37:17,670 --> 00:37:16,640
people in the live chat tell them uh

932
00:37:20,870 --> 00:37:17,680
that doesn't work

933
00:37:21,990 --> 00:37:20,880
david your website doesn't work david

934
00:37:30,310 --> 00:37:22,000
your website doesn't

935
00:37:34,630 --> 00:37:32,470
oh now it went oh they must have turned

936
00:37:37,430 --> 00:37:34,640
the ups they must have turned the switch

937
00:37:39,190 --> 00:37:37,440
on let's get look we've got an exclusive

938
00:37:41,829 --> 00:37:39,200

david wilcox new

939

00:37:43,430 --> 00:37:41,839

website they forgot to turn it on before

940

00:37:44,470 --> 00:37:43,440

the stream and it wasn't working during

941

00:37:48,069 --> 00:37:44,480

949

00:38:04,950 --> 00:38:03,440

your potential and your true history is

950

00:38:07,030 --> 00:38:04,960

much more fascinating than the

951
00:38:09,190 --> 00:38:07,040
authorities have allowed you to know

952
00:38:11,030 --> 00:38:09,200
it's always so dramatic right and it's

953
00:38:11,510 --> 00:38:11,040
stupid drama it's not even good it's

954
00:38:16,870 --> 00:38:11,520
like

955
00:38:20,870 --> 00:38:19,030
since the onset of public schooling in

956
00:38:22,950 --> 00:38:20,880
the advent of radio and television you

957
00:38:24,310 --> 00:38:22,960
have been fed a false narrative of who

958
00:38:27,030 --> 00:38:24,320
you are and who

959
00:38:28,870 --> 00:38:27,040
and where we are they have lied to you

960
00:38:30,230 --> 00:38:28,880
about your history your origins and your

961
00:38:32,950 --> 00:38:30,240
true abilities

962
00:38:34,870 --> 00:38:32,960
boy this is a good pitch for people this

963
00:38:36,950 --> 00:38:34,880

is a con pitch that's what this

964

00:38:38,630 --> 00:38:36,960

is he's trying to rope in people who

965

00:38:41,430 --> 00:38:38,640

feel lost

966

00:38:43,030 --> 00:38:41,440

who feel like things are not right right

967

00:38:45,430 --> 00:38:43,040

who feel like

968

00:38:47,510 --> 00:38:45,440

uh they're being lied to by their

969

00:38:49,109 --> 00:38:47,520

government because of course we are but

970

00:38:50,790 --> 00:38:49,119

a lot of people feel this way now and

971

00:38:52,310 --> 00:38:50,800

he's trying to rope you in so he can

972

00:38:54,069 --> 00:38:52,320

sell you something

973

00:38:55,349 --> 00:38:54,079

well a certain fraction of humanity

974

00:38:57,430 --> 00:38:55,359

tires to control

975

00:38:58,870 --> 00:38:57,440

your freedom we fight to free the earth

976

00:39:01,670 --> 00:38:58,880

00:39:07,589 --> 00:39:05,280

just the ridiculousness of this

980

00:39:09,750 --> 00:39:07,599

statement we fight to free the earth and

981

00:39:11,670 --> 00:39:09,760

the human soul

982

00:39:13,349 --> 00:39:11,680

985

00:39:20,710 --> 00:39:19,040

ascension timeline

990

00:39:28,230 --> 00:39:27,680

and invitations to our live stream we

991

00:39:30,630 --> 00:39:28,240

up to 23 000 live participants

993

00:39:34,710 --> 00:39:32,560

meditating together claiming a peaceful

994

00:39:37,109 --> 00:39:34,720

timeline for ourselves our families

995

00:39:40,470 --> 00:39:37,119

and for planet earth welcome to our

996

00:39:42,950 --> 00:39:40,480

family of seekers and sacred warriors

997

00:39:44,710 --> 00:39:42,960

so really this is just a landing page

998

00:39:48,150 --> 00:39:44,720

for him to collect emails

999

00:39:50,870 --> 00:39:48,160

for future victims to sell [h__\h] to

1000

00:39:52,470 --> 00:39:50,880

but i gotta tell you i'm gonna sign up

1001
00:39:54,470 --> 00:39:52,480
for it because he promised that they're

1002
00:39:56,790 --> 00:39:54,480
not gonna bombard you with emails

1003
00:39:58,310 --> 00:39:56,800
but on his other email accounts and

1004
00:39:59,670 --> 00:39:58,320
mailchimps and whatever he does for

1005
00:40:01,829 --> 00:39:59,680
marketing

1006
00:40:02,870 --> 00:40:01,839
i have a separate email account just to

1007
00:40:04,870 --> 00:40:02,880
read you know

1008
00:40:06,950 --> 00:40:04,880
there was a time when he was sending out

1009
00:40:09,589 --> 00:40:06,960
five or maybe eight emails a day

1010
00:40:10,870 --> 00:40:09,599
asking you for money that's what he does

1011
00:40:12,710 --> 00:40:10,880
with these emails that's what he's going

1012
00:40:14,470 --> 00:40:12,720
to do with all these emails is he's not

1013
00:40:17,030 --> 00:40:14,480

saving the earth

1014

00:40:17,750 --> 00:40:17,040

he's not freeing the human soul he's

1015

00:40:20,630 --> 00:40:17,760

collecting

1016

00:40:21,109 --> 00:40:20,640

an email marketing list here because

1017

00:40:27,510 --> 00:40:21,119

that's

1018

00:40:32,150 --> 00:40:29,510

love the picture though and the pirate

1019

00:40:33,670 --> 00:40:32,160

shirt i gotta get me a pirate shirt

1020

00:40:36,550 --> 00:40:33,680

okay we've got instead we're gonna try

1021

00:40:38,550 --> 00:40:36,560

to run through this fast and i still got

1022

00:40:40,710 --> 00:40:38,560

oh my gosh i got so much to go through

1023

00:40:44,309 --> 00:40:40,720

at 1 30 he says buy my book

1024

00:40:46,950 --> 00:40:44,319

cosmic buy my book and

1025

00:40:47,670 --> 00:40:46,960

in his book there is infra he claims

1026
00:40:50,829 --> 00:40:47,680
this at

1027
00:40:52,069 --> 00:40:50,839
an at an hour 30 in he claims that his

1028
00:40:55,510 --> 00:40:52,079
book

1029
00:40:58,550 --> 00:40:55,520
has information in it that is 35 levels

1030
00:41:01,349 --> 00:40:58,560
above the president of the united states

1031
00:41:03,190 --> 00:41:01,359
cosmic clearance he says the information

1032
00:41:04,069 --> 00:41:03,200
in my books is 35 levels of

1033
00:41:06,069 --> 00:41:04,079
classification

1034
00:41:08,069 --> 00:41:06,079
above the president the information in

1035
00:41:10,630 --> 00:41:08,079
this book you gotta buy this book

1036
00:41:12,390 --> 00:41:10,640
because this book has information within

1037
00:41:14,069 --> 00:41:12,400
it that is 35 levels

1038
00:41:15,430 --> 00:41:14,079

above the classification of the

1039

00:41:17,910 --> 00:41:15,440

president

1040

00:41:18,710 --> 00:41:17,920

friends that right there is consumer

1041

00:41:21,030 --> 00:41:18,720

fraud

1042

00:41:22,790 --> 00:41:21,040

unless he can prove that what's in his

1043

00:41:25,670 --> 00:41:22,800

book is actually

1044

00:41:27,190 --> 00:41:25,680

truly and really 35 levels above the

1045

00:41:28,950 --> 00:41:27,200

classification of the president

1046

00:41:30,710 --> 00:41:28,960

he's trying to sell the book there

1047

00:41:32,390 --> 00:41:30,720

claiming that his book has information

1048

00:41:36,309 --> 00:41:32,400

that is 35 levels

1049

00:41:40,390 --> 00:41:38,950

what are the chances that if you go

1050

00:41:41,430 --> 00:41:40,400

through his book there's nothing in

1051
00:41:43,990 --> 00:41:41,440
there

1052
00:41:45,750 --> 00:41:44,000
that is even classified right they

1053
00:41:47,270 --> 00:41:45,760
wouldn't let him walk around

1054
00:41:49,349 --> 00:41:47,280
they wouldn't let the book stay on the

1055
00:41:51,510 --> 00:41:49,359
shelves if this was the case

1056
00:41:54,150 --> 00:41:51,520
but this is the ridiculousness of how he

1057
00:41:55,670 --> 00:41:54,160
tries to market to stupid people

1058
00:41:57,510 --> 00:41:55,680
if you're stupid enough to believe that

1059
00:41:59,589 --> 00:41:57,520
david wilcox got information

1060
00:42:01,109 --> 00:41:59,599
in his book that's 35 levels above the

1061
00:42:03,349 --> 00:42:01,119
president of the united states

1062
00:42:04,309 --> 00:42:03,359
you deserve to get conned for the 20 or

1063
00:42:06,069 --> 00:42:04,319

whatever his book

1064

00:42:07,750 --> 00:42:06,079

full of garbage costs and we've been

1065

00:42:08,630 --> 00:42:07,760

through his books they're filled with

1066

00:42:11,589 --> 00:42:08,640

garbage

1067

00:42:12,150 --> 00:42:11,599

fake sources less than reputable uh you

1068

00:42:14,790 --> 00:42:12,160

know

1069

00:42:16,950 --> 00:42:14,800

uh journalism outfits that he cites as

1070

00:42:17,829 --> 00:42:16,960

if you know their word is true when it's

1071

00:42:19,349 --> 00:42:17,839

not

1072

00:42:21,430 --> 00:42:19,359

his books are full of garbage and

1073

00:42:23,750 --> 00:42:21,440

they're 50 to 60 copy and paste

1074

00:42:25,030 --> 00:42:23,760

jobs other people's work just like this

1075

00:42:28,950 --> 00:42:25,040

stream

1076
00:42:30,870 --> 00:42:28,960
132 he says what he says all the time

1077
00:42:32,950 --> 00:42:30,880
i've interviewed all these government

1078
00:42:33,750 --> 00:42:32,960
insiders and they all tell similar

1079
00:42:36,550 --> 00:42:33,760
stories

1080
00:42:37,349 --> 00:42:36,560
so they must be true this is ridiculous

1081
00:42:38,790 --> 00:42:37,359
logic

1082
00:42:40,710 --> 00:42:38,800
a bunch of people telling similar

1083
00:42:42,710 --> 00:42:40,720
stories doesn't prove that they're all

1084
00:42:44,550 --> 00:42:42,720
telling true stories david wilcock but

1085
00:42:48,790 --> 00:42:44,560
you continue to persist

1086
00:42:51,589 --> 00:42:48,800
in your naive ridiculous

1087
00:42:52,470 --> 00:42:51,599
belief that somehow if two different

1088
00:42:54,550 --> 00:42:52,480

nutters

1089

00:42:56,230 --> 00:42:54,560

who's by the way look at look at the

1090

00:42:57,910 --> 00:42:56,240

quality of his sources

1091

00:42:59,990 --> 00:42:57,920

court martial child molester that was

1092

00:43:03,109 --> 00:43:00,000

one of his sources for a while right

1093

00:43:04,790 --> 00:43:03,119

who else pete peterson some senile old

1094

00:43:05,750 --> 00:43:04,800

man who claimed to talk to work for

1095

00:43:08,069 --> 00:43:05,760

ronald reagan

1096

00:43:08,870 --> 00:43:08,079

but he never did and we proved it his

1097

00:43:10,950 --> 00:43:08,880

sources are

1098

00:43:12,390 --> 00:43:10,960

fake so i don't care if you interview

1099

00:43:13,990 --> 00:43:12,400

two fake sources and they tell you

1100

00:43:15,510 --> 00:43:14,000

similar stories about aliens david

1101
00:43:16,790 --> 00:43:15,520
wilcox doesn't prove that any of them

1102
00:43:19,349 --> 00:43:16,800
are telling you the truth

1103
00:43:21,109 --> 00:43:19,359
after all their backgrounds are dubious

1104
00:43:23,510 --> 00:43:21,119
like being child molesters

1105
00:43:25,589 --> 00:43:23,520
or like pete peterson made up his whole

1106
00:43:25,990 --> 00:43:25,599
biography we went through it it's all

1107
00:43:27,750 --> 00:43:26,000
fake

1108
00:43:30,390 --> 00:43:27,760
that guy was a complete total fraud but

1109
00:43:33,750 --> 00:43:30,400
you ran with his stories

1110
00:43:35,750 --> 00:43:33,760
okay 133 he says i just got a briefing

1111
00:43:37,190 --> 00:43:35,760
some exciting things i could tell you

1112
00:43:39,910 --> 00:43:37,200
and this this is what was in the

1113
00:43:42,470 --> 00:43:39,920

briefing friends draco reptilian aliens

1114

00:43:45,349 --> 00:43:42,480

are at war with human-like et's

1115

00:43:47,829 --> 00:43:45,359

and draco reptilian aliens are horrific

1116

00:43:50,390 --> 00:43:47,839

they have sharp teeth and slit eyes

1117

00:43:52,470 --> 00:43:50,400

and they look scary then he says the

1118

00:43:53,270 --> 00:43:52,480

germans made deals with them and so did

1119

00:44:00,790 --> 00:43:53,280

we

1120

00:44:02,950 --> 00:44:00,800

people to have any great proven

1121

00:44:05,270 --> 00:44:02,960

the first people to have proven

1122

00:44:07,670 --> 00:44:05,280

anti-gravity technology

1123

00:44:10,150 --> 00:44:07,680

were the nazis during world war ii

1124

00:44:13,109 --> 00:44:10,160

that's a fact he says that's proven

1125

00:44:14,230 --> 00:44:13,119

garbage garbage there's no proof that

1126
00:44:17,430 --> 00:44:14,240
they had anything

1127
00:44:18,069 --> 00:44:17,440
exotic their stories some of which first

1128
00:44:21,270 --> 00:44:18,079
appeared

1129
00:44:21,829 --> 00:44:21,280
in tabloids in the 1960s that's his

1130
00:44:24,870 --> 00:44:21,839
source

1131
00:44:26,390 --> 00:44:24,880
a tabloid story from the 1960s saying

1132
00:44:29,109 --> 00:44:26,400
that the germans had

1133
00:44:29,750 --> 00:44:29,119
flying saucers anti-gravity technology

1134
00:44:31,589 --> 00:44:29,760
that they

1135
00:44:32,950 --> 00:44:31,599
back engineered from aliens it's a

1136
00:44:35,670 --> 00:44:32,960
tabloid story

1137
00:44:36,230 --> 00:44:35,680
like the national enquirer or like you

1138
00:44:38,390 --> 00:44:36,240

know

1139

00:44:40,230 --> 00:44:38,400
clinton meets an alien that's the

1140

00:44:42,069 --> 00:44:40,240
quality of the sources that he's citing

1141

00:44:47,990 --> 00:44:42,079
here

1142

00:44:51,190 --> 00:44:48,000
okay next uh at about 135 he says

1143

00:44:52,550 --> 00:44:51,200
that it's a proven fact that

1144

00:44:54,390 --> 00:44:52,560
he was talking about the reptilian

1145

00:44:56,470 --> 00:44:54,400
aliens the reptilian aliens come and

1146

00:44:57,510 --> 00:44:56,480
they hover over battlefield so they can

1147

00:44:59,430 --> 00:44:57,520
soak up

1148

00:45:00,790 --> 00:44:59,440
all the negative energy and they do it

1149

00:45:02,790 --> 00:45:00,800
cloaked

1150

00:45:05,030 --> 00:45:02,800
okay you can't prove or disprove that

1151
00:45:08,230 --> 00:45:05,040
that's garbage but then he says this

1152
00:45:09,349 --> 00:45:08,240
and it's a gem he says that during the

1153
00:45:12,710 --> 00:45:09,359
vietnam war

1154
00:45:15,750 --> 00:45:12,720
the draco reptilian aliens took half

1155
00:45:18,230 --> 00:45:15,760
of all m16s during the vietnam war

1156
00:45:18,790 --> 00:45:18,240
they disappeared because the reptilians

1157
00:45:22,069 --> 00:45:18,800
took them

1158
00:45:23,190 --> 00:45:22,079
and sold them in space i'm going to say

1159
00:45:26,069 --> 00:45:23,200
that again

1160
00:45:28,230 --> 00:45:26,079
david wilcox says that half of the m16s

1161
00:45:30,790 --> 00:45:28,240
during the vietnam war disappeared

1162
00:45:32,710 --> 00:45:30,800
because the reptilian aliens took them

1163
00:45:35,750 --> 00:45:32,720

and sold them

1164

00:45:37,829 --> 00:45:35,760

in space because you know there's a big

1165

00:45:41,190 --> 00:45:37,839

market for earth

1166

00:45:44,790 --> 00:45:41,200

and two-year-old 200 year old earth

1167

00:45:46,710 --> 00:45:44,800

gun technology you know in space there's

1168

00:45:48,069 --> 00:45:46,720

a huge market for that so why wouldn't

1169

00:45:50,550 --> 00:45:48,079

the reptilian this

1170

00:45:53,190 --> 00:45:50,560

this is garbage i mean you could google

1171

00:45:55,750 --> 00:45:53,200

did half of the m16s in vietnam

1172

00:45:56,870 --> 00:45:55,760

disappear during the vietnam war of

1173

00:45:58,550 --> 00:45:56,880

course not

1174

00:46:00,790 --> 00:45:58,560

i don't know where he got this but it's

1175

00:46:01,910 --> 00:46:00,800

a gem of david wilcox

1176

00:46:04,870 --> 00:46:01,920

[Music]

1177

00:46:05,990 --> 00:46:04,880

straight bullshittery this is straight

1178

00:46:10,150 --> 00:46:06,000

this is grade

1179

00:46:12,150 --> 00:46:10,160

a bs right half of all the m16s during

1180

00:46:13,910 --> 00:46:12,160

the vietnam war disappeared

1181

00:46:15,670 --> 00:46:13,920

the reptilian aliens took them and sold

1182

00:46:19,349 --> 00:46:15,680

them in space okay

1183

00:46:21,750 --> 00:46:19,359

and he says that this is a fact

1184

00:46:23,750 --> 00:46:21,760

god i almost feel sorry for him

1185

00:46:24,550 --> 00:46:23,760

sometimes i really do if he believes

1186

00:46:28,069 --> 00:46:24,560

this stuff

1187

00:46:31,910 --> 00:46:28,079

he is dumber than i thought

1188

00:46:33,589 --> 00:46:31,920

okay at 1 35 uh he's talking about

1189

00:46:35,829 --> 00:46:33,599

people going missing in the national

1190

00:46:36,630 --> 00:46:35,839

forest and he said he spoke to the

1191

00:46:39,670 --> 00:46:36,640

author of

1192

00:46:41,829 --> 00:46:39,680

missing 4-1-1 who agreed with him

1193

00:46:43,030 --> 00:46:41,839

that most likely explanation for all the

1194

00:46:45,270 --> 00:46:43,040

disappearances

1195

00:46:46,150 --> 00:46:45,280

is extraterrestrials and that author

1196

00:46:49,349 --> 00:46:46,160

agreed

1197

00:46:51,270 --> 00:46:49,359

nope nope no he didn't because you know

1198

00:46:53,190 --> 00:46:51,280

we reached out to him and he never said

1199

00:46:55,030 --> 00:46:53,200

extraterrestrials were responsible for

1200

00:46:57,670 --> 00:46:55,040

that you lied and made that

1201
00:46:59,109 --> 00:46:57,680
up and we caught you you just lied and

1202
00:47:01,030 --> 00:46:59,119
made that uh god

1203
00:47:03,190 --> 00:47:01,040
i bet you thought nobody would reach out

1204
00:47:05,270 --> 00:47:03,200
to that guy and find out if you were

1205
00:47:08,309 --> 00:47:05,280
telling the truth about that statement

1206
00:47:11,349 --> 00:47:08,319
but we did and you lied

1207
00:47:12,230 --> 00:47:11,359
david wilcock he never said that he

1208
00:47:15,589 --> 00:47:12,240
never said it

1209
00:47:19,349 --> 00:47:15,599
it's great okay

1210
00:47:20,870 --> 00:47:19,359
all right let's see at 136 david wilcox

1211
00:47:23,990 --> 00:47:20,880
states the guardians of

1212
00:47:27,030 --> 00:47:24,000
guardians of the gal galaxy movie is

1213
00:47:28,790 --> 00:47:27,040

disclosure and it's real you know kind

1214

00:47:31,349 --> 00:47:28,800

of like how he said star wars is

1215

00:47:33,589 --> 00:47:31,359

basically a documentary and that's real

1216

00:47:35,430 --> 00:47:33,599

he's telling a story about the beginning

1217

00:47:38,549 --> 00:47:35,440

of guardians of the galaxy

1218

00:47:41,430 --> 00:47:38,559

where the space lord

1219

00:47:42,390 --> 00:47:41,440

gets his walkman and his tape and he's

1220

00:47:45,349 --> 00:47:42,400

saying that that

1221

00:47:46,790 --> 00:47:45,359

is disclosure and that's real i don't

1222

00:47:50,150 --> 00:47:46,800

even know what to say this except

1223

00:47:52,549 --> 00:47:50,160

okay if you say so

1224

00:47:54,870 --> 00:47:52,559

okay at 139 he starts talking about his

1225

00:47:56,630 --> 00:47:54,880

latest intel briefing in which he claims

1226

00:47:59,030 --> 00:47:56,640

that millions of people a year

1227

00:47:59,829 --> 00:47:59,040

are being paid to reptilian aliens in

1228

00:48:02,150 --> 00:47:59,839

rent

1229

00:48:04,390 --> 00:48:02,160

because we don't own planet earth and

1230

00:48:06,950 --> 00:48:04,400

we're paying the reptilian aliens human

1231

00:48:10,150 --> 00:48:06,960

subjects millions of them a year

1232

00:48:12,950 --> 00:48:10,160

in rent okay that's another garbage

1233

00:48:15,910 --> 00:48:12,960

statement from david wilcock he can't

1234

00:48:17,109 --> 00:48:15,920

i don't yeah i can even ask him for

1235

00:48:18,950 --> 00:48:17,119

proof of that or is it just so

1236

00:48:20,069 --> 00:48:18,960

ridiculous you know he's got no proof of

1237

00:48:22,470 --> 00:48:20,079

that and that's just

1238

00:48:24,950 --> 00:48:22,480

and it's from his briefing so it must be

1239

00:48:28,309 --> 00:48:24,960

true right because he gets brief things

1240

00:48:30,230 --> 00:48:28,319

yeah okay

1241

00:48:31,750 --> 00:48:30,240

then he talks about 138 that the cosmic

1242

00:48:33,109 --> 00:48:31,760

secret is now free because you know it's

1243

00:48:34,790 --> 00:48:33,119

ad supported

1244

00:48:36,470 --> 00:48:34,800

uh and what a great source of

1245

00:48:38,309 --> 00:48:36,480

information it is even though

1246

00:48:40,230 --> 00:48:38,319

we previously covered it and it's filled

1247

00:48:41,670 --> 00:48:40,240

with fake stories that were proven

1248

00:48:42,470 --> 00:48:41,680

completely and totally factually

1249

00:48:43,990 --> 00:48:42,480

inaccurate

1250

00:48:46,309 --> 00:48:44,000

but he's gonna say it's a great source

1251

00:48:48,950 --> 00:48:46,319

of information because he was in it

1252

00:48:49,750 --> 00:48:48,960

it's garbage cosmic disclosure movie is

1253

00:48:51,589 --> 00:48:49,760

garbage

1254

00:48:53,270 --> 00:48:51,599

isn't that the one where they talk about

1255

00:48:55,589 --> 00:48:53,280

the stasis giants

1256

00:48:57,190 --> 00:48:55,599

right and that was a hoax and the guy

1257

00:48:59,670 --> 00:48:57,200

who did it admitted it was a hoax they

1258

00:49:02,150 --> 00:48:59,680

talked about it like it was real

1259

00:49:05,430 --> 00:49:02,160

because i guess because they're just

1260

00:49:07,270 --> 00:49:05,440

misinformed and not very intelligent

1261

00:49:08,630 --> 00:49:07,280

okay and here's where i have a real

1262

00:49:11,190 --> 00:49:08,640

problem at 139

1263

00:49:12,549 --> 00:49:11,200

he says that the law of one is

1264

00:49:14,230 --> 00:49:12,559

christianity

1265

00:49:16,230 --> 00:49:14,240

i'm a christian that's an offensive

1266

00:49:19,190 --> 00:49:16,240

statement the law of one is a channeled

1267

00:49:21,670 --> 00:49:19,200

work by a new age guru type person

1268

00:49:23,750 --> 00:49:21,680

uh recently very recently wasn't that

1269

00:49:26,230 --> 00:49:23,760

started in the 70s right

1270

00:49:27,990 --> 00:49:26,240

that is not christianity and to say that

1271

00:49:29,430 --> 00:49:28,000

is offensive to christians just gonna

1272

00:49:32,710 --> 00:49:29,440

put that out there david

1273

00:49:34,150 --> 00:49:32,720

maybe go ask a priest if you should be

1274

00:49:35,910 --> 00:49:34,160

reading the law of one

1275

00:49:37,190 --> 00:49:35,920

go ask a catholic priest go ask a

1276

00:49:39,190 --> 00:49:37,200

christian minister

1277

00:49:41,829 --> 00:49:39,200

if you should be reading the law of one

1278

00:49:43,750 --> 00:49:41,839

and if the law of one is christianity

1279

00:49:45,430 --> 00:49:43,760

again this is completely and totally

1280

00:49:48,150 --> 00:49:45,440

factually inaccurate statement

1281

00:49:49,990 --> 00:49:48,160

you're you're these two one of these

1282

00:49:53,190 --> 00:49:50,000

things is not like the other

1283

00:49:53,990 --> 00:49:53,200

one's a channeled work by some fringe

1284

00:49:55,670 --> 00:49:54,000

group of

1285

00:49:59,510 --> 00:49:55,680

i'm sorry you know i don't want to be

1286

00:50:02,470 --> 00:49:59,520

disrespectful whatever by a fringe group

1287

00:50:02,870 --> 00:50:02,480

called the law of one society and carla

1288

00:50:06,069 --> 00:50:02,880

right

1289

00:50:06,470 --> 00:50:06,079

she channeled all that stuff and the

1290

00:50:08,710 --> 00:50:06,480

other

1291

00:50:09,990 --> 00:50:08,720

is one of the three major religions of

1292

00:50:11,430 --> 00:50:10,000

the world

1293

00:50:13,430 --> 00:50:11,440

one of these things is not like the

1294

00:50:14,790 --> 00:50:13,440

other david wilcock and you can't put

1295

00:50:16,069 --> 00:50:14,800

them together but he's going to try to

1296

00:50:18,230 --> 00:50:16,079

put them together why

1297

00:50:20,150 --> 00:50:18,240

bigger ted more people to con with his

1298

00:50:21,510 --> 00:50:20,160

course he can get the law of one people

1299

00:50:24,710 --> 00:50:21,520

he could get the christians

1300

00:50:27,109 --> 00:50:24,720

by saying no no no uh the law of one is

1301

00:50:29,670 --> 00:50:27,119

basically christianity no it's not

1302

00:50:30,470 --> 00:50:29,680

it's got some similar concepts i'm sure

1303

00:50:31,990 --> 00:50:30,480

but

1304

00:50:34,309 --> 00:50:32,000

whatever it is what it is he's gonna

1305

00:50:36,069 --> 00:50:34,319

continue to offend christians worldwide

1306

00:50:38,150 --> 00:50:36,079

you know uh he's the guy who said by the

1307

00:50:40,710 --> 00:50:38,160

way that he channels jesus christ

1308

00:50:42,309 --> 00:50:40,720

or christ consciousness that's offensive

1309

00:50:44,710 --> 00:50:42,319

too he doesn't care about offending

1310

00:50:49,190 --> 00:50:47,510

okay and then at 140 again he's pitching

1311

00:50:50,630 --> 00:50:49,200

his new class remember all the times

1312

00:50:52,069 --> 00:50:50,640

that i'm telling you he's pitching his

1313

00:50:53,190 --> 00:50:52,079

new class because at the end there's

1314

00:50:55,349 --> 00:50:53,200

something really funny he

1315

00:50:57,510 --> 00:50:55,359

says he doesn't pitch his class through

1316

00:50:59,670 --> 00:50:57,520

the whole thing but he pitches class

1317

00:51:02,069 --> 00:50:59,680

like every 20 minutes through this thing

1318

00:51:05,589 --> 00:51:02,079

which is pretty funny

1319

00:51:08,230 --> 00:51:05,599

okay and at the 141 mark he says that

1320

00:51:09,829 --> 00:51:08,240

reptilian aliens feed off negative

1321

00:51:11,829 --> 00:51:09,839

negative energy parked over the

1322

00:51:14,630 --> 00:51:11,839

battlefield and

1323

00:51:15,190 --> 00:51:14,640

in his new class he is going to show

1324

00:51:18,630 --> 00:51:15,200

known

1325

00:51:19,349 --> 00:51:18,640

and scientific proof that energy can be

1326

00:51:22,630 --> 00:51:19,359

pulled from

1327

00:51:25,030 --> 00:51:22,640

people's bodies by intention again

1328

00:51:26,950 --> 00:51:25,040

we're going back to consumer fraud he's

1329

00:51:27,430 --> 00:51:26,960

saying he's going to tell you that he

1330

00:51:28,950 --> 00:51:27,440

has

1331

00:51:30,870 --> 00:51:28,960

in his class he's going to show you the

1332

00:51:32,309 --> 00:51:30,880

scientific proof that energy can be

1333

00:51:35,030 --> 00:51:32,319

pulled from people

1334

00:51:36,790 --> 00:51:35,040

by intention that's a garbage statement

1335

00:51:38,230 --> 00:51:36,800

that's complete that's fraud

1336

00:51:40,150 --> 00:51:38,240

there's no way that he's got proof of

1337

00:51:41,190 --> 00:51:40,160

that it would be all over the news folks

1338

00:51:41,750 --> 00:51:41,200

it would be the biggest story in the

1339

00:51:43,349 --> 00:51:41,760

world

1340

00:51:44,950 --> 00:51:43,359

look at the psychic phenomenon and we

1341

00:51:47,190 --> 00:51:44,960

have it on tape and you know

1342

00:51:48,790 --> 00:51:47,200

this is real you can feed off of

1343

00:51:51,430 --> 00:51:48,800

people's energy

1344

00:51:52,390 --> 00:51:51,440

and pull it from them by setting your

1345

00:51:53,910 --> 00:51:52,400

intention

1346

00:51:54,950 --> 00:51:53,920

it's garbage he doesn't have any

1347

00:51:55,510 --> 00:51:54,960

scientific proof you know what he's

1348

00:51:57,030 --> 00:51:55,520

going to do

1349

00:51:58,790 --> 00:51:57,040

he's going to show you 80 slides and

1350

00:51:59,510 --> 00:51:58,800

talk for three hours and hope you get so

1351
00:52:01,270 --> 00:51:59,520
bored

1352
00:52:03,430 --> 00:52:01,280
you forget where the proof is supposed

1353
00:52:05,990 --> 00:52:03,440
to be

1354
00:52:09,270 --> 00:52:06,000
143 a fake alien invasion may be

1355
00:52:13,670 --> 00:52:12,510
again with the conflation of the facts

1356
00:52:15,910 --> 00:52:13,680
military.com

1357
00:52:18,150 --> 00:52:15,920
article the pentagon says video of

1358
00:52:20,510 --> 00:52:18,160
pyramid-shaped ufos are authentic

1359
00:52:22,870 --> 00:52:20,520
and here's where he's feeding into this

1360
00:52:24,870 --> 00:52:22,880
misinformation the navy said that they

1361
00:52:26,470 --> 00:52:24,880
were taken by navy personnel won't

1362
00:52:28,870 --> 00:52:26,480
comment further

1363
00:52:30,390 --> 00:52:28,880

people are taking this statement pyramid

1364

00:52:32,309 --> 00:52:30,400

shape ufos are authentic

1365

00:52:33,910 --> 00:52:32,319

as meaning they're aliens and they're

1366

00:52:36,549 --> 00:52:33,920

pyramid-shaped

1367

00:52:38,549 --> 00:52:36,559

spacecraft that is garbage and it's

1368

00:52:41,589 --> 00:52:38,559

irresponsible for you to repeat

1369

00:52:42,950 --> 00:52:41,599

that garbage narrative to hopium that's

1370

00:52:44,069 --> 00:52:42,960

what you're creating here let's give

1371

00:52:46,230 --> 00:52:44,079

these people that want to believe in

1372

00:52:48,150 --> 00:52:46,240

aliens some opium

1373

00:52:49,430 --> 00:52:48,160

pentagon says the the pyramid shaped

1374

00:52:51,990 --> 00:52:49,440

urbans are authentic

1375

00:52:53,589 --> 00:52:52,000

no they didn't they didn't say anything

1376

00:52:56,470 --> 00:52:53,599

except they were taken by

1377

00:52:58,390 --> 00:52:56,480

navy personnel it's a stretch to say

1378

00:53:00,950 --> 00:52:58,400

anything else

1379

00:53:02,950 --> 00:53:00,960

then he says at 150 that these pyramid

1380

00:53:06,390 --> 00:53:02,960

cramps shown in jeremy corbell's video

1381

00:53:08,790 --> 00:53:06,400

are huge and a mile wide again factual

1382

00:53:11,910 --> 00:53:08,800

complete he's just making things up here

1383

00:53:14,069 --> 00:53:11,920

show me any scientific analysis of that

1384

00:53:15,990 --> 00:53:14,079

video that can prove that these crafts

1385

00:53:18,790 --> 00:53:16,000

shown in the video are a mile wide

1386

00:53:19,510 --> 00:53:18,800

nobody can because they're not most

1387

00:53:22,390 --> 00:53:19,520

likely

1388

00:53:23,270 --> 00:53:22,400

it was an airplane taken through a night

1389

00:53:26,829 --> 00:53:23,280

vision scope

1390

00:53:28,230 --> 00:53:26,839

with the aperture set at a certain

1391

00:53:31,910 --> 00:53:28,240

distance

1392

00:53:33,589 --> 00:53:31,920

at 152 he craps all over jeremy corbell

1393

00:53:34,790 --> 00:53:33,599

and george knapp and he says that their

1394

00:53:37,349 --> 00:53:34,800

ufos are not

1395

00:53:39,030 --> 00:53:37,359

extraterrestrial but man-made craft that

1396

00:53:41,430 --> 00:53:39,040

they were going to be using to fake the

1397

00:53:45,030 --> 00:53:41,440

alien invasion

1398

00:53:46,549 --> 00:53:45,040

157 alliance bases are in danger ufo

1399

00:53:49,270 --> 00:53:46,559

sightings have increased around our

1400

00:53:50,710 --> 00:53:49,280

military bases i i can't i haven't taken

1401
00:53:51,510 --> 00:53:50,720
the time to prove or disprove that

1402
00:53:53,430 --> 00:53:51,520
statement

1403
00:53:55,670 --> 00:53:53,440
once in a while he throws in a little

1404
00:53:58,470 --> 00:53:55,680
grain of actual truth along with his

1405
00:54:01,109 --> 00:53:58,480
breadcrumb full eyes

1406
00:54:01,829 --> 00:54:01,119
winding you down this path of garbage

1407
00:54:03,589 --> 00:54:01,839
right

1408
00:54:05,109 --> 00:54:03,599
those garbage piles get bigger and

1409
00:54:08,069 --> 00:54:05,119
bigger david wilcock

1410
00:54:08,549 --> 00:54:08,079
you need a few more breadcrumbs of truth

1411
00:54:11,829 --> 00:54:08,559
in your

1412
00:54:15,589 --> 00:54:11,839
garbage path

1413
00:54:16,549 --> 00:54:15,599

okay okay and then he says war may come

1414

00:54:19,109 --> 00:54:16,559

soon

1415

00:54:21,030 --> 00:54:19,119

not 10 day we we could be out of power

1416

00:54:22,470 --> 00:54:21,040

and the internet not for 10 days but for

1417

00:54:24,549 --> 00:54:22,480

months and months and again

1418

00:54:26,069 --> 00:54:24,559

gives prepper advice do it now right now

1419

00:54:29,349 --> 00:54:26,079

hurry up and stock up

1420

00:54:31,190 --> 00:54:29,359

the fear poor this is what he does right

1421

00:54:33,270 --> 00:54:31,200

how many times has he told us to stock

1422

00:54:35,109 --> 00:54:33,280

up if you actually listen to him you'd

1423

00:54:37,190 --> 00:54:35,119

have a house full of prepper supplies

1424

00:54:38,710 --> 00:54:37,200

and nothing to do with them because

1425

00:54:42,309 --> 00:54:38,720

nothing this man says

1426

00:54:44,390 --> 00:54:42,319

ever happens 158 military fluid tr-3b

1427

00:54:46,309 --> 00:54:44,400

in broad daylight in new jersey a few

1428

00:54:49,829 --> 00:54:46,319

months ago

1429

00:54:50,150 --> 00:54:49,839

uh again at about an hour and 58 minutes

1430

00:54:53,750 --> 00:54:50,160

in

1431

00:54:57,589 --> 00:54:53,760

it's a bad one

1432

00:54:59,430 --> 00:54:57,599

the military flew a 3r tr3b in broad

1433

00:55:01,270 --> 00:54:59,440

daylight in new jersey a few months ago

1434

00:55:03,829 --> 00:55:01,280

was seen by multiple witnesses

1435

00:55:04,710 --> 00:55:03,839

no this is a completely totally debunked

1436

00:55:07,030 --> 00:55:04,720

story

1437

00:55:08,950 --> 00:55:07,040

of people seeing the goodyear blimp with

1438

00:55:11,030 --> 00:55:08,960

a light on the side of it

1439

00:55:13,589 --> 00:55:11,040

it has been completely and totally

1440

00:55:15,430 --> 00:55:13,599

debunked as nothing out of the ordinary

1441

00:55:16,950 --> 00:55:15,440

people were seeing off in the distance a

1442

00:55:20,069 --> 00:55:16,960

goodyear blimp with

1443

00:55:20,549 --> 00:55:20,079

a sign on the side with lights flashing

1444

00:55:22,870 --> 00:55:20,559

on

1445

00:55:24,789 --> 00:55:22,880

the side of the blimp they mistook it

1446

00:55:26,630 --> 00:55:24,799

for something out of this world

1447

00:55:27,990 --> 00:55:26,640

that story has been completely and

1448

00:55:30,309 --> 00:55:28,000

totally debunked

1449

00:55:32,549 --> 00:55:30,319

and he knows this but he runs with it

1450

00:55:33,190 --> 00:55:32,559

anyway and he shows a real blurry photo

1451

00:55:35,349 --> 00:55:33,200

of it

1452

00:55:37,829 --> 00:55:35,359

because you're not going to check but i

1453

00:55:38,390 --> 00:55:37,839

did and it's fake actually i didn't need

1454

00:55:41,430 --> 00:55:38,400

to check

1455

00:55:41,829 --> 00:55:41,440

i knew what he was talking about did a

1456

00:55:44,069 --> 00:55:41,839

quick

1457

00:55:45,030 --> 00:55:44,079

check to be to be sure that what i'm

1458

00:55:47,990 --> 00:55:45,040

saying is correct

1459

00:55:48,630 --> 00:55:48,000

and no it wasn't at cr3p in broad

1460

00:55:52,069 --> 00:55:48,640

daylight

1461

00:55:53,910 --> 00:55:52,079

okay it was a good year blimp but he's

1462

00:55:55,109 --> 00:55:53,920

putting that in there like it's really a

1463

00:55:57,109 --> 00:55:55,119

tr3 come on

1464

00:55:58,870 --> 00:55:57,119

david wilcock you got to work harder at

1465

00:56:01,030 --> 00:55:58,880

this at this

1466

00:56:03,030 --> 00:56:01,040

generation of garbage information that

1467

00:56:05,430 --> 00:56:03,040

you're trying to push on people

1468

00:56:07,190 --> 00:56:05,440

people aren't that stupid they know that

1469

00:56:10,870 --> 00:56:07,200

was the goodyear blimp

1470

00:56:14,390 --> 00:56:10,880

dude all right

1471

00:56:17,510 --> 00:56:14,400

at 150 and he starts talking about

1472

00:56:19,349 --> 00:56:17,520

edgar fouche said that the tr-3b was a

1473

00:56:21,190 --> 00:56:19,359

blimp and has helium no

1474

00:56:24,069 --> 00:56:21,200

that's a factually inaccurate statement

1475

00:56:25,349 --> 00:56:24,079

he never said that the tr-3b was any

1476

00:56:28,549 --> 00:56:25,359

kind of a blimp

1477

00:56:31,510 --> 00:56:28,559

it was a it was a craft that apparently

1478

00:56:33,670 --> 00:56:31,520

had a mass cancellation device to reduce

1479

00:56:35,190 --> 00:56:33,680

its mass by up to 90 percent

1480

00:56:37,349 --> 00:56:35,200

and then it used thrusters and other

1481

00:56:40,069 --> 00:56:37,359

things he never said it was a blimp

1482

00:56:41,510 --> 00:56:40,079

he never said it had helium in it this

1483

00:56:43,190 --> 00:56:41,520

is complete and total

1484

00:56:45,990 --> 00:56:43,200

factually inaccurate statement i'm very

1485

00:56:48,069 --> 00:56:46,000

familiar with edgar boucher and tr3b

1486

00:56:51,030 --> 00:56:48,079

he get it gets it wrong but we'll see

1487

00:56:52,789 --> 00:56:51,040

why later he has to say this tr-3b

1488

00:56:54,789 --> 00:56:52,799

was a blip because later in the

1489

00:56:56,390 --> 00:56:54,799

broadcast his whole theory of what

1490

00:57:00,309 --> 00:56:56,400

jeremy corvell and george knapp

1491

00:57:02,950 --> 00:57:00,319

are seeing is blimps oh friends

1492

00:57:05,190 --> 00:57:02,960

he said that the tr-3b that he said

1493

00:57:06,950 --> 00:57:05,200

edgar fouche said it had partial lift

1494

00:57:08,549 --> 00:57:06,960

from helium and partial lift from an

1495

00:57:10,470 --> 00:57:08,559

anti-gravity generator

1496

00:57:12,789 --> 00:57:10,480

and partial lift from rocket engines no

1497

00:57:15,349 --> 00:57:12,799

edgar fuschia didn't say any of that

1498

00:57:16,390 --> 00:57:15,359

you can see edgar fucher's original

1499

00:57:19,349 --> 00:57:16,400

discussion or

1500

00:57:21,270 --> 00:57:19,359

talk on this he didn't say any of that

1501
00:57:23,430 --> 00:57:21,280
david wilcock just picked the source

1502
00:57:25,430 --> 00:57:23,440
uh by the way rest in peace edgar

1503
00:57:26,630 --> 00:57:25,440
fuschia a source that has sadly passed

1504
00:57:28,789 --> 00:57:26,640
away that can't say

1505
00:57:30,230 --> 00:57:28,799
excuse me i didn't say that and we see

1506
00:57:30,789 --> 00:57:30,240
this time and time again with david

1507
00:57:32,470 --> 00:57:30,799
wilcock

1508
00:57:34,309 --> 00:57:32,480
he's always saying pete peterson who was

1509
00:57:34,789 --> 00:57:34,319
a fraud when he was alive but now he's

1510
00:57:36,870 --> 00:57:34,799
dead

1511
00:57:39,109 --> 00:57:36,880
so pete peter pete peterson could never

1512
00:57:40,630 --> 00:57:39,119
say excuse me i never said that and

1513
00:57:42,069 --> 00:57:40,640

nobody can ever check with p peterson

1514

00:57:44,470 --> 00:57:42,079

just like nobody can check with

1515

00:57:45,510 --> 00:57:44,480

edgar fousset to see did you say this but

1516

00:57:47,349 --> 00:57:45,520

we can check

1517

00:57:49,109 --> 00:57:47,359

it's on the record he never said any of

1518

00:57:51,349 --> 00:57:49,119

this stuff about the tr3b

1519

00:57:52,950 --> 00:57:51,359

he's just making it up to fit in his

1520

00:57:54,789 --> 00:57:52,960

presentation and narrative

1521

00:57:56,150 --> 00:57:54,799

where he's going to tell everybody that

1522

00:57:59,030 --> 00:57:56,160

every everything

1523

00:58:02,150 --> 00:57:59,040

george knapp and corbell are sharing are

1524

00:58:06,069 --> 00:58:02,160

secret blimp projects

1525

00:58:09,270 --> 00:58:06,079

okay let's see 155

1526

00:58:11,270 --> 00:58:09,280

he says that during world war one the

1527

00:58:14,230 --> 00:58:11,280

militaries around the world used

1528

00:58:16,309 --> 00:58:14,240

dirigibles that were bigger than a city

1529

00:58:17,829 --> 00:58:16,319

again this is a completely totally

1530

00:58:20,230 --> 00:58:17,839

factually inaccurate statement

1531

00:58:21,109 --> 00:58:20,240

david wilker show me a dirigible that

1532

00:58:23,910 --> 00:58:21,119

was bigger

1533

00:58:24,230 --> 00:58:23,920

than a city even a small city let's say

1534

00:58:27,030 --> 00:58:24,240

like

1535

00:58:27,829 --> 00:58:27,040

green bay wisconsin for example there's

1536

00:58:31,030 --> 00:58:27,839

no

1537

00:58:33,990 --> 00:58:31,040

historical or scientific record of any

1538

00:58:34,950 --> 00:58:34,000

dirigible zeppelin or blimp being bigger

1539

00:58:38,230 --> 00:58:34,960

than a city

1540

00:58:40,150 --> 00:58:38,240

he just makes this stuff up but he

1541

00:58:41,750 --> 00:58:40,160

wraps it in some other stuff you've

1542

00:58:44,710 --> 00:58:41,760

heard about to make it

1543

00:58:45,349 --> 00:58:44,720

almost believable no friends there was

1544

00:58:47,990 --> 00:58:45,359

never

1545

00:58:49,990 --> 00:58:48,000

in world war one a dirigible a blimp or

1546

00:58:52,230 --> 00:58:50,000

a zeppelin bigger than a city

1547

00:58:54,470 --> 00:58:52,240

he made that up then he goes on to say

1548

00:58:56,549 --> 00:58:54,480

that his insider said that the tr-3b

1549

00:58:58,309 --> 00:58:56,559

is actually kind of lame because it's

1550

00:59:00,549 --> 00:58:58,319

just like a blimp

1551
00:59:02,549 --> 00:59:00,559
no nobody that ever talked about the

1552
00:59:04,150 --> 00:59:02,559
tr3b said that it was lame or a blimp

1553
00:59:05,910 --> 00:59:04,160
again he's making this up to fit his

1554
00:59:08,230 --> 00:59:05,920
narrative

1555
00:59:10,470 --> 00:59:08,240
all right let's see just about the two

1556
00:59:13,670 --> 00:59:10,480
hour mark he starts talking about how

1557
00:59:14,630 --> 00:59:13,680
jeremy corbell's pyramid ufos were

1558
00:59:16,630 --> 00:59:14,640
actually made

1559
00:59:18,230 --> 00:59:16,640
and this is where it gets ridiculous

1560
00:59:20,150 --> 00:59:18,240
because he says first of all he says the

1561
00:59:23,430 --> 00:59:20,160
tr3bs were just blimps

1562
00:59:25,589 --> 00:59:23,440
and boring right but he shows these

1563
00:59:27,670 --> 00:59:25,599

he shows these cutouts that you can cut

1564

00:59:29,910 --> 00:59:27,680

out cardboard and make your own cube or

1565

00:59:33,109 --> 00:59:29,920

pyramid or tetrahedron

1566

00:59:33,430 --> 00:59:33,119

right he says this is david wilcock if

1567

00:59:41,670 --> 00:59:33,440

you

1568

00:59:44,069 --> 00:59:41,680

a pyramid ufo and he goes on to say

1569

00:59:44,789 --> 00:59:44,079

that is what people may be seeing in

1570

00:59:47,990 --> 00:59:44,799

jeremy

1571

00:59:49,109 --> 00:59:48,000

corbell's video the us government they

1572

00:59:52,230 --> 00:59:49,119

got

1573

00:59:54,309 --> 00:59:52,240

four of those tr3b you know

1574

00:59:55,910 --> 00:59:54,319

special blimps and they glued them

1575

00:59:58,950 --> 00:59:55,920

together

1576

01:00:01,750 --> 00:59:58,960

the ridiculousness of this is not lost

1577

01:00:03,750 --> 01:00:01,760

on anyone i hope so that's jerk that's

1578

01:00:04,390 --> 01:00:03,760

his explanation for jeremy corbell's

1579

01:00:07,510 --> 01:00:04,400

video

1580

01:00:09,109 --> 01:00:07,520

that the u.s government got four tr3bs

1581

01:00:10,950 --> 01:00:09,119

and glued them together to make a

1582

01:00:14,230 --> 01:00:10,960

pyramid ufo

1583

01:00:16,309 --> 01:00:14,240

and by the way uh he goes on to like

1584

01:00:18,150 --> 01:00:16,319

talk great about them right before he

1585

01:00:19,670 --> 01:00:18,160

says everything they're sharing is fake

1586

01:00:22,309 --> 01:00:19,680

and it's not ufos because you gotta

1587

01:00:24,470 --> 01:00:22,319

understand the rule of the ufo grifter

1588

01:00:26,549 --> 01:00:24,480

is i'm the guy with the great

1589

01:00:27,990 --> 01:00:26,559

information about the ufos i'm the guy

1590

01:00:30,150 --> 01:00:28,000

with the truth about aliens

1591

01:00:31,430 --> 01:00:30,160

and all the rest of those guys are wrong

1592

01:00:32,870 --> 01:00:31,440

that's what he's doing here

1593

01:00:34,309 --> 01:00:32,880

he's telling his whole audience and

1594

01:00:35,349 --> 01:00:34,319

everybody else listening that george

1595

01:00:37,190 --> 01:00:35,359

knapp and corbell

1596

01:00:39,430 --> 01:00:37,200

are completely and totally wrong and

1597

01:00:41,510 --> 01:00:39,440

he's right and he knows the truth

1598

01:00:43,670 --> 01:00:41,520

of what was really in those videos and

1599

01:00:46,950 --> 01:00:43,680

those pictures

1600

01:00:48,630 --> 01:00:46,960

i call bull i look as whatever i have to

1601
01:00:51,670 --> 01:00:48,640
say about corbell and knapp

1602
01:00:53,510 --> 01:00:51,680
he has no proof of any of this trying to

1603
01:00:54,710 --> 01:00:53,520
shoot their theories down he's just

1604
01:01:01,190 --> 01:00:54,720
making this up

1605
01:01:04,870 --> 01:01:04,150
oh geez 211 he talks about the ufo uh

1606
01:01:06,789 --> 01:01:04,880
pyramid

1607
01:01:08,150 --> 01:01:06,799
over the pentagon and i you know

1608
01:01:09,270 --> 01:01:08,160
honestly i've looked into that and

1609
01:01:11,030 --> 01:01:09,280
haven't seen it

1610
01:01:14,309 --> 01:01:11,040
debunked completely so we're giving that

1611
01:01:15,750 --> 01:01:14,319
whatever okay you talked about that ufo

1612
01:01:18,230 --> 01:01:15,760
all right and here's this is very

1613
01:01:19,670 --> 01:01:18,240

important he keeps quoting throughout

1614

01:01:22,870 --> 01:01:19,680

this presentation

1615

01:01:25,190 --> 01:01:22,880

santa surfing from parlor or gab and

1616

01:01:26,710 --> 01:01:25,200

c.w chaner recently had an amazing

1617

01:01:28,150 --> 01:01:26,720

street live stream i was

1618

01:01:29,750 --> 01:01:28,160

listening while i was working on the

1619

01:01:32,230 --> 01:01:29,760

cabin where

1620

01:01:33,270 --> 01:01:32,240

cw channel found a youtube channel that

1621

01:01:36,630 --> 01:01:33,280

i believe was called

1622

01:01:38,069 --> 01:01:36,640

santa surfing and for four years it was

1623

01:01:41,109 --> 01:01:38,079

an indian cooking channel

1624

01:01:43,510 --> 01:01:41,119

until last week and then suddenly it had

1625

01:01:45,030 --> 01:01:43,520

simon parks videos and carrie cassidy

1626

01:01:47,430 --> 01:01:45,040

and robert david steele and

1627

01:01:48,950 --> 01:01:47,440

all of the alphabet gang and it had

1628

01:01:51,750 --> 01:01:48,960

something like 350

1629

01:01:53,990 --> 01:01:51,760

000 subscribers i checked shortly before

1630

01:01:57,270 --> 01:01:54,000

this broadcast i can't find the channel

1631

01:01:59,109 --> 01:01:57,280

but cw channel he covered that

1632

01:02:01,029 --> 01:01:59,119

but there's this fake youtube channel

1633

01:02:02,230 --> 01:02:01,039

that was an indian cooking channel for

1634

01:02:03,990 --> 01:02:02,240

the last four years

1635

01:02:06,069 --> 01:02:04,000

and suddenly they're a truther channel

1636

01:02:09,670 --> 01:02:06,079

uploading all this truth or garbage

1637

01:02:10,230 --> 01:02:09,680

and david wilcock is citing the same

1638

01:02:13,990 --> 01:02:10,240

thing

1639

01:02:16,390 --> 01:02:14,000

in his presentation santa surfing

1640

01:02:17,589 --> 01:02:16,400

these are grifters friends it's garbage

1641

01:02:20,069 --> 01:02:17,599

information it's

1642

01:02:21,670 --> 01:02:20,079

fake garbage information and david

1643

01:02:24,230 --> 01:02:21,680

wilcock is sharing it as

1644

01:02:26,150 --> 01:02:24,240

if it's a factual and trusted and

1645

01:02:29,589 --> 01:02:26,160

verified source

1646

01:02:32,789 --> 01:02:29,599

this is the level of his he has no

1647

01:02:35,270 --> 01:02:32,799

he has no ability to critically think

1648

01:02:36,549 --> 01:02:35,280

or to have any discernment or to

1649

01:02:38,150 --> 01:02:36,559

evaluate

1650

01:02:39,910 --> 01:02:38,160

whether a source should be trusted or

1651

01:02:42,390 --> 01:02:39,920

not it just runs with anything

1652

01:02:44,069 --> 01:02:42,400

like santa surfing and i'm not sure if

1653

01:02:45,670 --> 01:02:44,079

it was parlor or gab he didn't mention i

1654

01:02:47,190 --> 01:02:45,680

know it's an alternative platform

1655

01:02:49,270 --> 01:02:47,200

not twitter but he was sharing

1656

01:02:52,150 --> 01:02:49,280

screenshots from santa surfing

1657

01:02:54,470 --> 01:02:52,160

saying all kinds of garbage and just as

1658

01:02:56,069 --> 01:02:54,480

we shouldn't trust a truther channel

1659

01:02:57,589 --> 01:02:56,079

that for four years was an indian

1660

01:02:59,430 --> 01:02:57,599

cooking channel and suddenly starts

1661

01:03:01,510 --> 01:02:59,440

uploading simon parks videos

1662

01:03:02,870 --> 01:03:01,520

we shouldn't trust somebody named santa

1663

01:03:06,069 --> 01:03:02,880

surfing on parlor

1664

01:03:08,710 --> 01:03:06,079

who's spouting garbage and nonsense

1665

01:03:09,670 --> 01:03:08,720

it doesn't you know like oh i cited i

1666

01:03:11,750 --> 01:03:09,680

cited a source

1667

01:03:13,589 --> 01:03:11,760

you cited a complete and total garbage

1668

01:03:15,190 --> 01:03:13,599

source you don't get credit for that

1669

01:03:17,190 --> 01:03:15,200

it doesn't make it true because you

1670

01:03:19,190 --> 01:03:17,200

cited a source in his mind

1671

01:03:20,390 --> 01:03:19,200

as long as he cites a source this must

1672

01:03:23,829 --> 01:03:20,400

be true

1673

01:03:24,630 --> 01:03:23,839

garbage garbage 215 he cites pete

1674

01:03:26,789 --> 01:03:24,640

peterson

1675

01:03:28,549 --> 01:03:26,799

claims barack obama in 2009 was going to

1676

01:03:30,549 --> 01:03:28,559

disclose six alien races

1677

01:03:32,630 --> 01:03:30,559

and he blames bill ryan he says bill

1678

01:03:34,630 --> 01:03:32,640

ryan blurted out the date so it never

1679

01:03:36,870 --> 01:03:34,640

happened

1680

01:03:38,950 --> 01:03:36,880

pete peterson said that they would kill

1681

01:03:40,789 --> 01:03:38,960

carrie cassidy by taking out her brakes

1682

01:03:41,670 --> 01:03:40,799

so she would crash and die driving in

1683

01:03:43,430 --> 01:03:41,680

the mountains

1684

01:03:45,109 --> 01:03:43,440

gee does that sound familiar to anybody

1685

01:03:46,789 --> 01:03:45,119

he used this before but

1686

01:03:49,430 --> 01:03:46,799

said that the deep state and the men in

1687

01:03:50,630 --> 01:03:49,440

black cut his brakes and he almost died

1688

01:03:51,910 --> 01:03:50,640

in his car

1689

01:03:53,910 --> 01:03:51,920

now they're trying to kill carrie

1690

01:03:56,470 --> 01:03:53,920

cassidy too boy

1691

01:03:57,029 --> 01:03:56,480

and who told him this pete peterson the

1692

01:03:58,789 --> 01:03:57,039

fake

1693

01:04:01,109 --> 01:03:58,799

source that he's been milking for years

1694

01:04:02,870 --> 01:04:01,119

that's dead and nobody can tell us

1695

01:04:05,349 --> 01:04:02,880

you can't check with pete peterson if he

1696

01:04:07,430 --> 01:04:05,359

said any of this because he's dead

1697

01:04:09,029 --> 01:04:07,440

gotta love a guy to keep citing a dead

1698

01:04:10,710 --> 01:04:09,039

source over and over again

1699

01:04:13,270 --> 01:04:10,720

and listen it's okay to cite a dead

1700

01:04:16,150 --> 01:04:13,280

source if you have a recording

1701

01:04:16,789 --> 01:04:16,160

uh proof that they said that of writing

1702

01:04:22,870 --> 01:04:16,799

you know

1703

01:04:25,190 --> 01:04:22,880

their book you could cite a dead source

1704

01:04:27,270 --> 01:04:25,200

but to continually cite a dead source

1705

01:04:29,270 --> 01:04:27,280

telling these alien fairy tales over and

1706

01:04:32,150 --> 01:04:29,280

over again just shows you

1707

01:04:33,750 --> 01:04:32,160

the quality of his information his his

1708

01:04:35,589 --> 01:04:33,760

information is so good he's got to get

1709

01:04:37,109 --> 01:04:35,599

from a dead source that nobody can check

1710

01:04:39,349 --> 01:04:37,119

in with to see if it's true

1711

01:04:41,190 --> 01:04:39,359

because it's not none of this is true

1712

01:04:45,990 --> 01:04:41,200

why do i have to even do this

1713

01:04:48,789 --> 01:04:46,000

great 217 he says that the norway spiral

1714

01:04:49,109 --> 01:04:48,799

which is a famous ufo event actually was

1715

01:04:51,109 --> 01:04:49,119

from

1716

01:04:53,430 --> 01:04:51,119

harp that's a completely and totally

1717

01:04:56,150 --> 01:04:53,440

factually inaccurate statement

1718

01:04:56,789 --> 01:04:56,160

he also goes on to state that stephen

1719

01:04:59,029 --> 01:04:56,799

greer

1720

01:05:00,870 --> 01:04:59,039

told him david wilcock that obama was

1721

01:05:03,109 --> 01:05:00,880

going to tell people that ufos are real

1722

01:05:05,510 --> 01:05:03,119

when he got the nobel peace prize

1723

01:05:07,510 --> 01:05:05,520

but the people came up to obama and said

1724

01:05:08,549 --> 01:05:07,520

if you do this the next time we create

1725

01:05:11,029 --> 01:05:08,559

one of these

1726

01:05:11,670 --> 01:05:11,039

the norway spiral and by the way it's a

1727

01:05:13,589 --> 01:05:11,680

portal

1728

01:05:15,029 --> 01:05:13,599

and a weapon we'll do it right in front

1729

01:05:17,270 --> 01:05:15,039

of air force one

1730

01:05:19,270 --> 01:05:17,280

so obama had to back down and not give

1731

01:05:20,710 --> 01:05:19,280

us the truth about aliens this is

1732

01:05:23,349 --> 01:05:20,720

totally ridiculous

1733

01:05:24,630 --> 01:05:23,359

first of all the norway spiral has been

1734

01:05:27,670 --> 01:05:24,640

completely and totally

1735

01:05:30,789 --> 01:05:27,680

debunked and explained it was a russian

1736

01:05:34,309 --> 01:05:30,799

military test and yeah the

1737

01:05:37,029 --> 01:05:34,319

rocket went nutty and created a spiral

1738

01:05:39,750 --> 01:05:37,039

visible in the sky for hundreds of miles

1739

01:05:40,630 --> 01:05:39,760

it wasn't a ufo it's not a portal it's

1740

01:05:43,349 --> 01:05:40,640

not a space

1741

01:05:45,349 --> 01:05:43,359

weapon david wilcock used space cadet

1742

01:05:46,470 --> 01:05:45,359

what are you smoking space pot to come

1743

01:05:48,549 --> 01:05:46,480

up with this

1744

01:05:50,950 --> 01:05:48,559

the norway spiral has been completely

1745

01:05:53,430 --> 01:05:50,960

and totally debunked and explained

1746

01:05:55,270 --> 01:05:53,440

and you are this is what he does the

1747

01:05:57,750 --> 01:05:55,280

david wilcock proven maneuver

1748

01:05:59,190 --> 01:05:57,760

mention an actual thing that happened

1749

01:06:00,710 --> 01:05:59,200

even if you're wrong about what the

1750

01:06:02,789 --> 01:06:00,720

source of what happened was

1751
01:06:04,470 --> 01:06:02,799
then mention the norway spiral and then

1752
01:06:06,710 --> 01:06:04,480
tackle on the bs to it

1753
01:06:08,309 --> 01:06:06,720
well stephen greer said that the obama

1754
01:06:08,870 --> 01:06:08,319
oh but they threatened obama with the

1755
01:06:12,309 --> 01:06:08,880
norway

1756
01:06:13,750 --> 01:06:12,319
spiral weapon it's garbage

1757
01:06:15,670 --> 01:06:13,760
and he does this time and time again

1758
01:06:21,430 --> 01:06:15,680
mention something that really happened

1759
01:06:25,029 --> 01:06:23,990
let's see greer said putin was

1760
01:06:27,670 --> 01:06:25,039
threatened as well

1761
01:06:29,029 --> 01:06:27,680
and they parked a ufo over the kremlin

1762
01:06:31,349 --> 01:06:29,039
and told him it's a weapon

1763
01:06:33,109 --> 01:06:31,359

and it's got a big old laser beam and

1764

01:06:35,510 --> 01:06:33,119

that the ufo was a threat

1765

01:06:36,630 --> 01:06:35,520

and if putin disclosed anything they

1766

01:06:39,829 --> 01:06:36,640

were going to blow him

1767

01:06:42,470 --> 01:06:39,839

up come on really this is so

1768

01:06:44,309 --> 01:06:42,480

this is ridiculous why am i even talking

1769

01:06:47,430 --> 01:06:44,319

about this he said this can you prove

1770

01:06:48,510 --> 01:06:47,440

any of this no it's just made up horse

1771

01:06:51,430 --> 01:06:48,520

[h__\h]

1772

01:06:53,910 --> 01:06:51,440

1991 he talked about uh popular science

1773

01:06:55,990 --> 01:06:53,920

and flying triangles 220

1774

01:06:58,230 --> 01:06:56,000

uh what he's saying is the flying

1775

01:06:59,589 --> 01:06:58,240

pyramid everyone is seeing is actually a

1776

01:07:01,670 --> 01:06:59,599

diner ship

1777

01:07:03,510 --> 01:07:01,680

which i absolutely actually happen to be

1778

01:07:05,349 --> 01:07:03,520

very familiar with i mentioned my father

1779

01:07:06,069 --> 01:07:05,359

being big into aircraft he was in the

1780

01:07:09,670 --> 01:07:06,079

blimps

1781

01:07:12,230 --> 01:07:09,680

and all that

1782

01:07:13,029 --> 01:07:12,240

too and i've got a lot of information on

1783

01:07:14,710 --> 01:07:13,039

them

1784

01:07:16,549 --> 01:07:14,720

so he shows the air on three which looks

1785

01:07:18,470 --> 01:07:16,559

nothing like a ufo and everything like a

1786

01:07:20,390 --> 01:07:18,480

regular blimp or a zeppelin

1787

01:07:22,789 --> 01:07:20,400

uh the air on three looks like uh the

1788

01:07:24,549 --> 01:07:22,799

air on 3.3 i think it is looks like

1789

01:07:26,710 --> 01:07:24,559

three blimps glued together

1790

01:07:28,630 --> 01:07:26,720

and nothing like a pyramid and i have no

1791

01:07:30,630 --> 01:07:28,640

idea what the relevance is yet

1792

01:07:31,990 --> 01:07:30,640

but he's going to talk about blimps and

1793

01:07:34,950 --> 01:07:32,000

the history of blimp

1794

01:07:35,190 --> 01:07:34,960

projects for probably 45 minutes maybe

1795

01:07:38,470 --> 01:07:35,200

an

1796

01:07:40,789 --> 01:07:38,480

hour because his theory once again is

1797

01:07:43,029 --> 01:07:40,799

that the things that jeremy corbell are

1798

01:07:43,670 --> 01:07:43,039

releasing and george snapper releasing

1799

01:07:48,470 --> 01:07:43,680

are just

1800

01:07:56,230 --> 01:07:52,470

then he claims uh that a 2012

1801
01:07:58,950 --> 01:07:56,240
spy blimp looks exactly like the stealth

1802
01:08:01,190 --> 01:07:58,960
blimp prototype that they made claims

1803
01:08:03,829 --> 01:08:01,200
that knapp and corbell's

1804
01:08:05,670 --> 01:08:03,839
uh pictures look exactly like the

1805
01:08:07,270 --> 01:08:05,680
stealth prototype they made and now it

1806
01:08:09,829 --> 01:08:07,280
looks similar but

1807
01:08:11,029 --> 01:08:09,839
not exactly so he talks about this

1808
01:08:13,750 --> 01:08:11,039
company arion

1809
01:08:14,630 --> 01:08:13,760
for quite some time and how all these

1810
01:08:17,749 --> 01:08:14,640
things

1811
01:08:19,030 --> 01:08:17,759
probably originated with arion creating

1812
01:08:22,390 --> 01:08:19,040
these lighter-than-air

1813
01:08:25,030 --> 01:08:22,400

ships and planes and uh yeah ariana was

1814

01:08:27,749 --> 01:08:25,040

a real company but here's a big problem

1815

01:08:29,910 --> 01:08:27,759

here's a big problem david wilcock do

1816

01:08:31,349 --> 01:08:29,920

you know this did you do your homework

1817

01:08:35,430 --> 01:08:31,359

of course he didn't

1818

01:08:37,349 --> 01:08:35,440

about ariane corporation

1819

01:08:39,910 --> 01:08:37,359

than he does because of my father's

1820

01:08:42,950 --> 01:08:39,920

interest in aviation

1821

01:08:43,910 --> 01:08:42,960

in fact in my i'm just going to call my

1822

01:08:46,550 --> 01:08:43,920

archives

1823

01:08:47,829 --> 01:08:46,560

boxes of stuff i have a huge amount of

1824

01:08:50,950 --> 01:08:47,839

information

1825

01:08:52,709 --> 01:08:50,960

on all blimps all different companies

1826

01:08:53,669 --> 01:08:52,719

that were creating blimps and blimp like

1827

01:08:55,590 --> 01:08:53,679

projects and

1828

01:08:57,110 --> 01:08:55,600

dirigibles and lighter than aircraft and

1829

01:09:01,030 --> 01:08:57,120

experimental aircraft and

1830

01:09:02,789 --> 01:09:01,040

in there is information on arion

1831

01:09:04,470 --> 01:09:02,799

okay but here's something that david

1832

01:09:07,510 --> 01:09:04,480

wilcox doesn't know

1833

01:09:11,269 --> 01:09:07,520

they produced almost no

1834

01:09:14,149 --> 01:09:11,279

working prototypes they might have one

1835

01:09:14,950 --> 01:09:14,159

they have no proof that any of their

1836

01:09:18,229 --> 01:09:14,960

designs

1837

01:09:21,189 --> 01:09:18,239

ever flew there is no video of any of

1838

01:09:22,950 --> 01:09:21,199

arion the company's prototypes flying

1839

01:09:27,110 --> 01:09:22,960

there is no

1840

01:09:28,229 --> 01:09:27,120

uh news articles about them flying or

1841

01:09:30,789 --> 01:09:28,239

test flights

1842

01:09:31,430 --> 01:09:30,799

because david wilcox spends almost 40

1843

01:09:33,910 --> 01:09:31,440

minutes

1844

01:09:35,030 --> 01:09:33,920

talking about a company that created a

1845

01:09:38,470 --> 01:09:35,040

lot of mock-ups

1846

01:09:40,149 --> 01:09:38,480

but never showed that they flew

1847

01:09:42,149 --> 01:09:40,159

and he's going to tell us that that's

1848

01:09:45,430 --> 01:09:42,159

the truth about jeremy corbell

1849

01:09:47,430 --> 01:09:45,440

and george knapp's ufo information

1850

01:09:48,550 --> 01:09:47,440

it's all fake it's just it's just these

1851
01:09:50,789 --> 01:09:48,560
blimps

1852
01:09:51,990 --> 01:09:50,799
except that company that he keeps citing

1853
01:09:55,510 --> 01:09:52,000
for 40 minutes

1854
01:09:59,910 --> 01:09:55,520
never showed a working prototype flying

1855
01:10:01,430 --> 01:09:59,920
ever okay uh

1856
01:10:04,229 --> 01:10:01,440
yeah i think he shows the stealth blimp

1857
01:10:07,350 --> 01:10:04,239
from 1990 and this is connected dots

1858
01:10:09,430 --> 01:10:07,360
and i made another note at 3 25

1859
01:10:11,430 --> 01:10:09,440
he claims 19 000 people are watching

1860
01:10:14,149 --> 01:10:11,440
live i'm sorry i don't

1861
01:10:16,229 --> 01:10:14,159
i think that's probably it's probably

1862
01:10:18,550 --> 01:10:16,239
more like 15 000 bots and

1863
01:10:20,149 --> 01:10:18,560

maybe if he's lucky a few thousand

1864

01:10:21,750 --> 01:10:20,159

actual live viewers and we've talked

1865

01:10:23,510 --> 01:10:21,760

about this before

1866

01:10:25,830 --> 01:10:23,520

i have extensive experience in computer

1867

01:10:28,229 --> 01:10:25,840

science managed social media

1868

01:10:29,350 --> 01:10:28,239

i'm telling you and i i i'll make it as

1869

01:10:31,030 --> 01:10:29,360

a state um

1870

01:10:35,110 --> 01:10:31,040

it's my speculation i'll say it as a

1871

01:10:38,229 --> 01:10:37,830

after looking at his metrics and and his

1872

01:10:43,189 --> 01:10:38,239

uh

1873

01:10:46,950 --> 01:10:43,199

the data points that he

1874

01:10:48,709 --> 01:10:46,960

uses bots to get fake live viewers

1875

01:10:49,990 --> 01:10:48,719

maybe and it's been speculated before

1876

01:10:51,990 --> 01:10:50,000

that he's trying to convince people that

1877

01:10:52,390 --> 01:10:52,000

he's a big deal so people buy his course

1878

01:10:54,709 --> 01:10:52,400

you know

1879

01:10:56,790 --> 01:10:54,719

fake it till you make it all right

1880

01:10:57,669 --> 01:10:56,800

stealth blimp 1990 let's connect the

1881

01:11:01,270 --> 01:10:57,679

dots

1882

01:11:04,310 --> 01:11:01,280

yeah okay at 3 30

1883

01:11:06,630 --> 01:11:04,320

he says yeah we're really through

1884

01:11:08,950 --> 01:11:06,640

most of it listen i could say at the end

1885

01:11:11,510 --> 01:11:08,960

here that he talked about blimps

1886

01:11:12,790 --> 01:11:11,520

and stealth blimp projects most of which

1887

01:11:15,430 --> 01:11:12,800

never flew

1888

01:11:16,470 --> 01:11:15,440

where concepts were like pictures in a

1889

01:11:18,310 --> 01:11:16,480

magazine

1890

01:11:20,790 --> 01:11:18,320

listen david look at pictures in a

1891

01:11:22,550 --> 01:11:20,800

magazine and a working flying prototype

1892

01:11:25,750 --> 01:11:22,560

are two different things

1893

01:11:28,870 --> 01:11:25,760

you know he doesn't differentiate

1894

01:11:30,149 --> 01:11:28,880

between the two he apparently thinks

1895

01:11:31,830 --> 01:11:30,159

they're all real

1896

01:11:33,430 --> 01:11:31,840

if there's a picture in a magazine it

1897

01:11:34,790 --> 01:11:33,440

must have been real they must have made

1898

01:11:36,550 --> 01:11:34,800

it it must have flew

1899

01:11:38,390 --> 01:11:36,560

and that's just not the case if you know

1900

01:11:39,110 --> 01:11:38,400

anything about aviation and aviation

1901
01:11:45,750 --> 01:11:39,120
history

1902
01:11:48,790 --> 01:11:48,390
so he his whole theory essentially for

1903
01:11:51,990 --> 01:11:48,800
this

1904
01:11:54,070 --> 01:11:52,000
is that jeremy corbell and george knapp

1905
01:11:55,270 --> 01:11:54,080
and really everybody else they don't

1906
01:11:57,750 --> 01:11:55,280
know the truth about

1907
01:11:59,189 --> 01:11:57,760
what's really happening but he does and

1908
01:12:00,870 --> 01:11:59,199
if you just buy his course and he

1909
01:12:03,189 --> 01:12:00,880
continually pitches the course

1910
01:12:04,310 --> 01:12:03,199
through this three four hour marathon of

1911
01:12:07,189 --> 01:12:04,320
garbage

1912
01:12:08,390 --> 01:12:07,199
every once in a while uh i i can't talk

1913
01:12:09,990 --> 01:12:08,400

about that yet

1914

01:12:12,390 --> 01:12:10,000

the really great information is going to

1915

01:12:14,950 --> 01:12:12,400

be in my new class

1916

01:12:16,550 --> 01:12:14,960

and it gives garbage reasons for why he

1917

01:12:17,270 --> 01:12:16,560

can't just give us the information for

1918

01:12:20,310 --> 01:12:17,280

free

1919

01:12:22,070 --> 01:12:20,320

much like any con would right oh

1920

01:12:24,149 --> 01:12:22,080

this information is too explosive and i

1921

01:12:26,630 --> 01:12:24,159

can't share it publicly

1922

01:12:27,590 --> 01:12:26,640

bull it's a money-making scam that's

1923

01:12:30,630 --> 01:12:27,600

what this is

1924

01:12:32,630 --> 01:12:30,640

selling people fake alien garbage

1925

01:12:33,910 --> 01:12:32,640

this all everything he talked about for

1926

01:12:35,590 --> 01:12:33,920

three and a half hours

1927

01:12:37,110 --> 01:12:35,600

it's not a surprise to me almost

1928

01:12:40,229 --> 01:12:37,120

everything he talked about

1929

01:12:42,390 --> 01:12:40,239

was fake or proven hoaxes stuff that was

1930

01:12:43,910 --> 01:12:42,400

factually inaccurate or that he

1931

01:12:45,830 --> 01:12:43,920

twisted around with his mental

1932

01:12:48,950 --> 01:12:45,840

gymnastics to try to make it fit

1933

01:12:50,630 --> 01:12:48,960

the narrative here is jeremy corbell and

1934

01:12:53,910 --> 01:12:50,640

george knapp are completely wrong

1935

01:12:54,310 --> 01:12:53,920

and their pictures are uh and videos are

1936

01:12:57,189 --> 01:12:54,320

of

1937

01:12:58,709 --> 01:12:57,199

man-made blimps it's all blimps friends

1938

01:13:00,310 --> 01:12:58,719

that's his theory which is about as

1939

01:13:01,830 --> 01:13:00,320

ridiculous as swamp gays

1940

01:13:03,750 --> 01:13:01,840

i can't believe i'm defending george

1941

01:13:04,550 --> 01:13:03,760

knapp and jeremy corbell whatever i

1942

01:13:06,709 --> 01:13:04,560

think about them

1943

01:13:09,350 --> 01:13:06,719

i don't think those things are blimps

1944

01:13:11,430 --> 01:13:09,360

right they may be balloons

1945

01:13:13,510 --> 01:13:11,440

in the george knapp videos they may

1946

01:13:16,310 --> 01:13:13,520

actually be

1947

01:13:18,070 --> 01:13:16,320

just a reflection of an iphone aperture

1948

01:13:19,750 --> 01:13:18,080

in the cockpit glass

1949

01:13:22,310 --> 01:13:19,760

uh when we're talking about george

1950

01:13:24,709 --> 01:13:22,320

knapp's photos corbell's video

1951

01:13:25,990 --> 01:13:24,719

largely i believe it's been debunked by

1952

01:13:27,830 --> 01:13:26,000

mick west even though all the true

1953

01:13:29,669 --> 01:13:27,840

believers don't want to believe it

1954

01:13:31,590 --> 01:13:29,679

it is what it is i'm not going to argue

1955

01:13:34,709 --> 01:13:31,600

with them all right uh

1956

01:13:37,430 --> 01:13:34,719

and 330 he says the only way to stop the

1957

01:13:38,790 --> 01:13:37,440

the alien invasion and again right

1958

01:13:40,470 --> 01:13:38,800

before this he starts talking about the

1959

01:13:42,070 --> 01:13:40,480

maharishi effect you know how everybody

1960

01:13:44,870 --> 01:13:42,080

can meditate and they'll be

1961

01:13:47,110 --> 01:13:44,880

the the crime goes down that is another

1962

01:13:48,149 --> 01:13:47,120

completely totally debunked disproven

1963

01:13:50,229 --> 01:13:48,159

garbage

1964

01:13:53,189 --> 01:13:50,239

riff that he always runs with it's not

1965

01:13:56,870 --> 01:13:53,199

real the maharishi effect is not real

1966

01:13:59,189 --> 01:13:56,880

it's propaganda from the transcendental

1967

01:14:00,630 --> 01:13:59,199

meditation movement it's been

1968

01:14:03,669 --> 01:14:00,640

scientifically proven

1969

01:14:04,790 --> 01:14:03,679

to not work but he cites it almost every

1970

01:14:06,630 --> 01:14:04,800

live stream

1971

01:14:08,550 --> 01:14:06,640

and then he says the only way to stop

1972

01:14:10,470 --> 01:14:08,560

this fake alien invasion is with a

1973

01:14:13,590 --> 01:14:10,480

global meditation

1974

01:14:15,510 --> 01:14:13,600

and he says five minutes of meditation

1975

01:14:16,310 --> 01:14:15,520

is enough to stop the fake alien

1976

01:14:20,310 --> 01:14:16,320

invasion

1977

01:14:22,790 --> 01:14:20,320

so just in case you were curious if you

1978

01:14:23,830 --> 01:14:22,800

ever need to stop a fake alien invasion

1979

01:14:26,470 --> 01:14:23,840

all you gotta do

1980

01:14:27,350 --> 01:14:26,480

to stop it is meditate for five minutes

1981

01:14:30,070 --> 01:14:27,360

again

1982

01:14:31,910 --> 01:14:30,080

this is just childish garbage that can

1983

01:14:34,149 --> 01:14:31,920

neither be proven or disproven

1984

01:14:36,870 --> 01:14:34,159

but here we are all right and then he

1985

01:14:39,830 --> 01:14:36,880

gives his class pitch for one final time

1986

01:14:41,189 --> 01:14:39,840

at the end at about 3 40 after the

1987

01:14:44,070 --> 01:14:41,199

meditation i believe

1988

01:14:45,830 --> 01:14:44,080

and he says unlike everyone else i don't

1989

01:14:49,189 --> 01:14:45,840

pitch products constantly

1990

01:14:52,149 --> 01:14:49,199

just this blurb at the end uh

1991

01:14:53,110 --> 01:14:52,159

and then he says go to my new website

1992

01:14:56,470 --> 01:14:53,120

and we will not

1993

01:14:57,189 --> 01:14:56,480

bombard you with ads we're collecting

1994

01:14:59,110 --> 01:14:57,199

and i

1995

01:15:00,950 --> 01:14:59,120

wrote a note collecting email addresses

1996

01:15:04,310 --> 01:15:00,960

to find future victims

1997

01:15:06,310 --> 01:15:04,320

then he says i'm sorry that

1998

01:15:08,390 --> 01:15:06,320

people don't like it if we charge money

1999

01:15:10,790 --> 01:15:08,400

but everybody needs money and we have

2000

01:15:12,709 --> 01:15:10,800

taxes to pay he said that

2001

01:15:13,990 --> 01:15:12,719

everybody needs money and we have taxes

2002

01:15:15,510 --> 01:15:14,000

to pay like yeah

2003

01:15:17,110 --> 01:15:15,520

maybe you should have set aside all that

2004

01:15:19,910 --> 01:15:17,120

money you were collecting

2005

01:15:20,310 --> 01:15:19,920

right to pay your taxes no you didn't do

2006

01:15:21,990 --> 01:15:20,320

that

2007

01:15:23,750 --> 01:15:22,000

now you expect people to pay your taxes

2008

01:15:27,990 --> 01:15:23,760

for you by buying a new course

2009

01:15:30,470 --> 01:15:28,000

full of garbage information great

2010

01:15:32,709 --> 01:15:30,480

then uh he does mention that in his

2011

01:15:33,030 --> 01:15:32,719

class oh and by the way the point of him

2012

01:15:36,149 --> 01:15:33,040

said

2013

01:15:38,070 --> 01:15:36,159

everyone else

2014

01:15:39,189 --> 01:15:38,080

okay constantly we're just doing this

2015

01:15:41,510 --> 01:15:39,199

blurb at the end

2016

01:15:42,470 --> 01:15:41,520

i haven't i didn't count friends but he

2017

01:15:44,550 --> 01:15:42,480

pitched a class

2018

01:15:46,149 --> 01:15:44,560

probably 10 times in his three and a

2019

01:15:49,270 --> 01:15:46,159

half or four hour stream

2020

01:15:51,590 --> 01:15:49,280

and he pitched people to go buy his book

2021

01:15:52,870 --> 01:15:51,600

at least five times and one of those

2022

01:15:55,110 --> 01:15:52,880

times when he was pitching

2023

01:15:55,910 --> 01:15:55,120

people to go buy his book he said that

2024

01:15:59,189 --> 01:15:55,920

his book

2025

01:16:02,229 --> 01:15:59,199

had information in it that was 35 levels

2026

01:16:07,189 --> 01:16:02,239

above classification above that of the

2027

01:16:08,630 --> 01:16:07,199

united states president

2028

01:16:10,229 --> 01:16:08,640

i don't even know what to say about this

2029

01:16:13,030 --> 01:16:10,239

or why somebody cannot

2030

01:16:15,030 --> 01:16:13,040

cannot or would not be prosecuted for

2031

01:16:16,149 --> 01:16:15,040

consumer fraud for making ridiculous

2032

01:16:18,149 --> 01:16:16,159

claims like that

2033

01:16:21,750 --> 01:16:18,159

david wilcock can you prove that your

2034

01:16:22,470 --> 01:16:21,760

book has information in it that is 35

2035

01:16:24,709 --> 01:16:22,480

levels

2036

01:16:26,310 --> 01:16:24,719

of classification above the president

2037

01:16:29,030 --> 01:16:26,320

because if not

2038

01:16:31,030 --> 01:16:29,040

you may have some problems bro you may

2039

01:16:34,229 --> 01:16:31,040

have some problems

2040

01:16:36,470 --> 01:16:34,239

lastly i made a note uh in is

2041

01:16:39,030 --> 01:16:36,480

in his class pitch he starts talking

2042

01:16:41,110 --> 01:16:39,040

about how he has all this new material

2043

01:16:42,229 --> 01:16:41,120

uh law of one material that he's going

2044

01:16:43,750 --> 01:16:42,239

to be teaching

2045

01:16:45,430 --> 01:16:43,760

and i just want to take a moment to tell

2046

01:16:46,390 --> 01:16:45,440

you that if you want to learn love one

2047

01:16:48,790 --> 01:16:46,400

it's free

2048

01:16:50,070 --> 01:16:48,800

you don't have to give him any money you

2049

01:16:51,830 --> 01:16:50,080

can go to the law one

2050

01:16:53,189 --> 01:16:51,840

and ask them for a book and they'll send

2051

01:16:54,709 --> 01:16:53,199

you a book it's free

2052

01:16:56,870 --> 01:16:54,719

you don't have to give them any money

2053

01:16:58,470 --> 01:16:56,880

and the second point i'd like to make is

2054

01:17:01,189 --> 01:16:58,480

that david wilcock is neither

2055

01:17:02,310 --> 01:17:01,199

endorsed nor authorized to teach the law

2056

01:17:04,390 --> 01:17:02,320

of one material

2057

01:17:06,470 --> 01:17:04,400

by the people that actually own the

2058

01:17:08,470 --> 01:17:06,480

material so he may be committing

2059

01:17:11,669 --> 01:17:08,480

copyright fraud for all we know

2060

01:17:13,270 --> 01:17:11,679

or some at least civil action could be

2061

01:17:13,830 --> 01:17:13,280

taken against him by the copyright

2062

01:17:15,270 --> 01:17:13,840

holders

2063

01:17:17,110 --> 01:17:15,280

because he's using their material in

2064

01:17:19,189 --> 01:17:17,120

courses that he has not been

2065

01:17:20,950 --> 01:17:19,199

authorized to teach by the people that

2066

01:17:23,510 --> 01:17:20,960

own the material

2067

01:17:25,510 --> 01:17:23,520

this is a lot like me suddenly deciding

2068

01:17:28,390 --> 01:17:25,520

that i'm going to teach a class on

2069

01:17:30,149 --> 01:17:28,400

i don't know being jewish right and the

2070

01:17:30,950 --> 01:17:30,159

jewish people come to me and say excuse

2071

01:17:33,510 --> 01:17:30,960

me

2072

01:17:35,270 --> 01:17:33,520

uh we didn't authorize you to be a rabbi

2073

01:17:36,070 --> 01:17:35,280

so can you stop taking people's money

2074

01:17:38,709 --> 01:17:36,080

and teaching them

2075

01:17:39,830 --> 01:17:38,719

how to be a jew and a good and moral

2076

01:17:42,470 --> 01:17:39,840

person would say

2077

01:17:43,750 --> 01:17:42,480

you're right i i apologize you're the

2078

01:17:46,709 --> 01:17:43,760

experts not me

2079

01:17:48,709 --> 01:17:46,719

not david wilcock listen he doesn't have

2080

01:17:51,669 --> 01:17:48,719

the authorization near as i know

2081

01:17:53,430 --> 01:17:51,679

to be teaching all one material is it

2082

01:17:54,950 --> 01:17:53,440

illegal for him to do so i don't know

2083

01:17:56,229 --> 01:17:54,960

but it's i would say it's certainly

2084

01:17:58,870 --> 01:17:56,239

unethical and

2085

01:18:00,229 --> 01:17:58,880

immoral but that is my own judgment

2086

01:18:02,630 --> 01:18:00,239

taken from the prism

2087

01:18:04,149 --> 01:18:02,640

of my own ethics and morality with the

2088

01:18:06,229 --> 01:18:04,159

example i just gave

2089

01:18:07,669 --> 01:18:06,239

hey if i suddenly decided i was going to

2090

01:18:11,110 --> 01:18:07,679

start teaching a course on

2091

01:18:12,950 --> 01:18:11,120

how to be a muslim right

2092

01:18:14,950 --> 01:18:12,960

and the muslims came to me and said

2093

01:18:17,189 --> 01:18:14,960

excuse me you're not a muslim

2094

01:18:18,550 --> 01:18:17,199

you're not an expert in our religion

2095

01:18:21,270 --> 01:18:18,560

please stop taking money

2096

01:18:21,750 --> 01:18:21,280

i as as an ethical and moral person or

2097

01:18:24,310 --> 01:18:21,760

at least

2098

01:18:26,149 --> 01:18:24,320

one who tries to be would say okay and

2099

01:18:28,709 --> 01:18:26,159

no longer teach that material

2100

01:18:29,990 --> 01:18:28,719

or take money from people but not david

2101

01:18:31,590 --> 01:18:30,000

wilcock

2102

01:18:33,350 --> 01:18:31,600

all right and i had something else that

2103

01:18:34,709 --> 01:18:33,360

i can't you know we're gonna try to wrap

2104

01:18:36,870 --> 01:18:34,719

it up because this is running really

2105

01:18:38,310 --> 01:18:36,880

long but hey it was a four hour stream

2106

01:18:39,030 --> 01:18:38,320

that i had to sit through so you don't

2107

01:18:41,030 --> 01:18:39,040

have to

2108

01:18:43,030 --> 01:18:41,040

we've gotten through it friends we made

2109

01:18:45,990 --> 01:18:43,040

our way through and you'll notice that i

2110

01:18:46,950 --> 01:18:46,000

am wearing i am wearing my psych ward

2111

01:18:49,590 --> 01:18:46,960

shirt today

2112

01:18:50,870 --> 01:18:49,600

because you have to be crazy to sit

2113

01:18:53,350 --> 01:18:50,880

through four hours

2114

01:18:54,950 --> 01:18:53,360

of this guy talking this kind of smack

2115

01:18:58,149 --> 01:18:54,960

it is just ridiculous

2116

01:18:59,510 --> 01:18:58,159

just ridiculous now uh

2117

01:19:01,030 --> 01:18:59,520

i want to thank each and every one of

2118

01:19:03,030 --> 01:19:01,040

you for joining us and i apologize for

2119

you're talking about but people are free

2164

01:20:57,510 --> 01:20:55,360

to put the link

2165

01:20:59,510 --> 01:20:57,520

reemys says hair plugs are sponsored by

2166

01:21:01,110 --> 01:20:59,520

elvis presley enterprises and other

2167

01:21:04,550 --> 01:21:01,120

satanic organizations

2168

01:21:07,910 --> 01:21:04,560

which are too numerous to enumerate

2169

01:21:09,110 --> 01:21:07,920

maybe cw channeler says the law of one

2170

01:21:12,149 --> 01:21:09,120

folks denounce him

2171

01:21:13,270 --> 01:21:12,159

in fact yes i say retainer i don't like

2172

01:21:15,990 --> 01:21:13,280

to say that though

2173

01:21:16,550 --> 01:21:16,000

because i haven't if you say so i trust

2174

01:21:17,990 --> 01:21:16,560

that you're

2175

01:21:19,590 --> 01:21:18,000

uh you have you have accurate

2176

01:21:21,990 --> 01:21:19,600

information you usually do

2177

01:21:23,430 --> 01:21:22,000

i try to send them an email four times

2178

01:21:25,669 --> 01:21:23,440

to ask if either

2179

01:21:27,590 --> 01:21:25,679

david wilcock or corey good are either

2180

01:21:29,430 --> 01:21:27,600

endorsed or authorized to teach the law

2181

01:21:30,390 --> 01:21:29,440

of one material by their organization

2182

01:21:32,310 --> 01:21:30,400

and so far

2183

01:21:34,310 --> 01:21:32,320

no one has gotten back to me if you know

2184

01:21:36,149 --> 01:21:34,320

a phone number i can call to get a hold

2185

01:21:38,629 --> 01:21:36,159

of them that might be

2186

01:21:40,790 --> 01:21:38,639

uh that might be helpful to try to you

2187

01:21:42,709 --> 01:21:40,800

know i'd like to get some clarity about

2188

01:21:44,629 --> 01:21:42,719

should those guys be teaching the law

2189

01:21:48,470 --> 01:21:44,639

one material i believe neither of them

2190

01:21:51,750 --> 01:21:48,480

have the right uh

2191

01:21:53,430 --> 01:21:51,760

the right or or uh

2192

01:21:55,270 --> 01:21:53,440

you know the authorization to and see

2193

01:21:57,110 --> 01:21:55,280

every chair i'm almost sure

2194

01:21:58,629 --> 01:21:57,120

wasn't that channel that you found this

2195

01:21:59,990 --> 01:21:58,639

channel and i was

2196

01:22:01,669 --> 01:22:00,000

listening while i was working on my

2197

01:22:03,430 --> 01:22:01,679

cabin and i go you're kidding me

2198

01:22:04,790 --> 01:22:03,440

ceo chair found this channel called

2199

01:22:06,950 --> 01:22:04,800

santa surfer

2200

01:22:08,629 --> 01:22:06,960

and uh they were sharing all kinds of

2201
01:22:09,189 --> 01:22:08,639
the garbage you know the robert david

2202
01:22:12,070 --> 01:22:09,199
steele

2203
01:22:12,950 --> 01:22:12,080
and simon parks updates about biden

2204
01:22:14,310 --> 01:22:12,960
being a clone

2205
01:22:16,550 --> 01:22:14,320
and you know trump still being the

2206
01:22:18,870 --> 01:22:16,560
president and all this garbage

2207
01:22:20,950 --> 01:22:18,880
and during david wilcox presentation he

2208
01:22:21,910 --> 01:22:20,960
kept sharing somebody from parlor i

2209
01:22:25,110 --> 01:22:21,920
believe

2210
01:22:26,870 --> 01:22:25,120
with the same user id santa surfer so

2211
01:22:28,629 --> 01:22:26,880
look at that quality of garbage

2212
01:22:31,350 --> 01:22:28,639
information

2213
01:22:32,709 --> 01:22:31,360

solar marshall can i get my mods back i

2214

01:22:36,550 --> 01:22:32,719

didn't know your mods got taken

2215

01:22:38,390 --> 01:22:36,560

oh yeah maybe i did i can't remember why

2216

01:22:39,590 --> 01:22:38,400

i can't remember why i got taken away

2217

01:22:42,310 --> 01:22:39,600

i'll put it back

2218

01:22:43,910 --> 01:22:42,320

hold on i gotta get over there and put

2219

01:22:47,430 --> 01:22:43,920

it back and shout out to it

2220

01:22:49,350 --> 01:22:47,440

uh les cherian who says what's up steven

2221

01:22:52,470 --> 01:22:49,360

yeah what's up les good to see you

2222

01:22:53,430 --> 01:22:52,480

uh let me get over to the live chat let

2223

01:22:56,149 --> 01:22:53,440

me get over there

2224

01:23:00,870 --> 01:22:56,159

because i got to do it in the in the

2225

01:23:04,390 --> 01:23:03,990

your channel was shut off oh okay all

2226

01:23:06,390 --> 01:23:04,400

right

2227

01:23:08,790 --> 01:23:06,400

sir marshall you are now a moderator use

2228

01:23:12,070 --> 01:23:08,800

your powers wisely

2229

01:23:13,830 --> 01:23:12,080

uh yeah so look

2230

01:23:16,310 --> 01:23:13,840

i wasn't even gonna do this today and

2231

01:23:18,229 --> 01:23:16,320

then and then i can't i can't lie i

2232

01:23:20,149 --> 01:23:18,239

started listening and then

2233

01:23:22,149 --> 01:23:20,159

i went you're kidding me you're kidding

2234

01:23:23,430 --> 01:23:22,159

me actually the biggest takeaway i would

2235

01:23:25,990 --> 01:23:23,440

say about this stream

2236

01:23:27,750 --> 01:23:26,000

is how little he lied in it i mean we

2237

01:23:29,590 --> 01:23:27,760

got some whoppers right like the

2238

01:23:32,550 --> 01:23:29,600

reptilian aliens stole

2239

01:23:34,229 --> 01:23:32,560

half the m16s and during the vietnam war

2240

01:23:35,189 --> 01:23:34,239

so they could sell them in space that's

2241

01:23:38,149 --> 01:23:35,199

a whopper

2242

01:23:39,669 --> 01:23:38,159

right uh but mostly he's just trying to

2243

01:23:42,470 --> 01:23:39,679

repeat other people's

2244

01:23:44,470 --> 01:23:42,480

already existing ufo garbage most of

2245

01:23:46,070 --> 01:23:44,480

which is disproven like this israeli

2246

01:23:48,790 --> 01:23:46,080

space minister and this

2247

01:23:49,350 --> 01:23:48,800

anthony bragalia ufo crash retrieval

2248

01:23:53,350 --> 01:23:49,360

story

2249

01:23:53,910 --> 01:23:53,360

it's all been it's all been debunked and

2250

01:23:59,189 --> 01:23:53,920

it's

2251

01:24:02,390 --> 01:24:00,709

you know a lot of people have mentioned

2252

01:24:04,149 --> 01:24:02,400

this uh book to me

2253

01:24:07,189 --> 01:24:04,159

and i bought it but i've never read it

2254

01:24:09,669 --> 01:24:07,199

all around arbiter the 48 laws of power

2255

01:24:10,229 --> 01:24:09,679

you know i think that any book that has

2256

01:24:12,709 --> 01:24:10,239

wisdom

2257

01:24:14,709 --> 01:24:12,719

is worth reading you know what one of my

2258

01:24:17,189 --> 01:24:14,719

favorites is the art of war

2259

01:24:19,430 --> 01:24:17,199

uh it depends i have like i have four

2260

01:24:22,550 --> 01:24:19,440

different versions with different

2261

01:24:24,229 --> 01:24:22,560

translations and essays on it right

2262

01:24:28,830 --> 01:24:24,239

laney liberty is here shout out to laney

2263

01:24:32,950 --> 01:24:30,149

maybe

2264

01:24:34,950 --> 01:24:32,960

bryan is here shout out to bryce says cm

2265

01:24:37,189 --> 01:24:34,960

trainer attorney at raw

2266

01:24:39,030 --> 01:24:37,199

yeah uh we're gonna do a cw channel

2267

01:24:41,750 --> 01:24:39,040

character and it's coming along

2268

01:24:42,390 --> 01:24:41,760

i gotta i gotta glue a bunch of hair on

2269

01:24:45,910 --> 01:24:42,400

tonight

2270

01:24:49,270 --> 01:24:45,920

and i found a big source of hair

2271

01:24:54,550 --> 01:24:49,280

this is funny watch i'm gonna

2272

01:25:00,149 --> 01:24:58,310

let's see okay let's see if we can't get

2273

01:25:01,830 --> 01:25:00,159

it i'm going to share the source of hair

2274

01:25:04,629 --> 01:25:01,840

that i found

2275

01:25:05,030 --> 01:25:04,639

because it's funny all right let me see

2276

01:25:08,390 --> 01:25:05,040

if i

2277

01:25:08,400 --> 01:25:11,669

yeah there we go

2278

01:25:17,270 --> 01:25:14,950

so i a long time ago i was doing these

2279

01:25:19,510 --> 01:25:17,280

stage magic shows and we had this gag

2280

01:25:21,510 --> 01:25:19,520

where a gorilla appeared and ran into

2281

01:25:24,390 --> 01:25:21,520

the audience and scared them

2282

01:25:25,830 --> 01:25:24,400

but i'm six foot three six foot four

2283

01:25:29,590 --> 01:25:25,840

with good shoes on or

2284

01:25:31,910 --> 01:25:29,600

nice boots right and uh the

2285

01:25:34,070 --> 01:25:31,920

the gorilla was always way shorter than

2286

01:25:35,990 --> 01:25:34,080

me and it looks stupid and ridiculous

2287

01:25:37,830 --> 01:25:36,000

so we changed it to a bigfoot and made

2288

01:25:39,830 --> 01:25:37,840

these big leg extensions and arm

2289

01:25:40,709 --> 01:25:39,840

extensions and i built this crazy thing

2290

01:25:43,910 --> 01:25:40,719

that's actually me

2291

01:25:45,590 --> 01:25:43,920

in the suit but i i was worried about

2292

01:25:47,030 --> 01:25:45,600

making a cw chair character because i

2293

01:25:48,790 --> 01:25:47,040

would go broke from all the hair it

2294

01:25:49,510 --> 01:25:48,800

would take to put on that guy's hair and

2295

01:25:54,149 --> 01:25:49,520

beard

2296

01:25:57,990 --> 01:25:54,159

but i found a big box of sasquatch fur

2297

01:26:00,390 --> 01:25:58,000

so we'll have cw channel or sasquatch

2298

01:26:01,270 --> 01:26:00,400

maybe it'll be the cw squatch i don't

2299

01:26:04,229 --> 01:26:01,280

know

2300

01:26:04,709 --> 01:26:04,239

but anyway i got a glue on a whole lot

2301

01:26:05,990 --> 01:26:04,719

of hair

2302

01:26:14,629 --> 01:26:06,000

and you have to bear with me for a

2303

01:26:20,629 --> 01:26:18,709

okay one second i'm just

2304

01:26:31,189 --> 01:26:20,639

getting some communications which may or

2305

01:26:34,709 --> 01:26:32,870

i'm not going to share what somebody

2306

01:26:38,950 --> 01:26:34,719

just sent me but it's funny

2307

01:26:43,510 --> 01:26:41,910

okay yeah it was santa's studio santa's

2308

01:26:46,229 --> 01:26:43,520

cooking studio

2309

01:26:48,070 --> 01:26:46,239

and then david wilcock is sharing santa

2310

01:26:50,629 --> 01:26:48,080

surfer what are the uh it's the same

2311

01:26:52,229 --> 01:26:50,639

source it's the same garbage source

2312

01:26:54,390 --> 01:26:52,239

the same people behind that video

2313

01:26:57,110 --> 01:26:54,400

channel that cw chain are busted

2314

01:26:57,750 --> 01:26:57,120

are the same people feeding david

2315

01:27:04,470 --> 01:26:57,760

wilcock

2316

01:27:06,229 --> 01:27:04,480

garbage sources to site

2317

01:27:07,669 --> 01:27:06,239

this is a very pretty sasquatch perhaps

2318

01:27:10,550 --> 01:27:07,679

it is one appears in the window to watch

2319

01:27:12,950 --> 01:27:10,560

jason quit as he peacefully slumbers

2320

01:27:14,629 --> 01:27:12,960

uh i don't know i don't know about that

2321

01:27:16,470 --> 01:27:14,639

never been up to canada with it but i

2322

01:27:18,310 --> 01:27:16,480

gotta tell you i have it at the cabin

2323

01:27:20,709 --> 01:27:18,320

this whole costume is at the cabin

2324

01:27:22,470 --> 01:27:20,719

and uh every once in a while i feel like

2325

01:27:23,910 --> 01:27:22,480

dressing up in it at the cabin and see

2326

01:27:25,990 --> 01:27:23,920

you know walking around in the woods but

2327

01:27:29,030 --> 01:27:26,000

i'm afraid that one of the locals

2328

01:27:30,550 --> 01:27:29,040

uh will shoot me and it's funny

2329

01:27:32,550 --> 01:27:30,560

green see it's like you feel like the

2330

01:27:34,390 --> 01:27:32,560

hulk in this thing it's fun you're like

2331

01:27:36,149 --> 01:27:34,400

this huge thing and you got these leg

2332

01:27:36,950 --> 01:27:36,159

extensions that make you a few feet

2333

01:27:40,790 --> 01:27:36,960

taller

2334

01:27:45,270 --> 01:27:42,790

yeah click the link and you see simon

2335

01:27:46,790 --> 01:27:45,280

parks mug on it end of argument i just

2336

01:27:48,470 --> 01:27:46,800

thought it was a funny coincidence that

2337

01:27:50,310 --> 01:27:48,480

david wilcock is citing the same source

2338

01:27:53,669 --> 01:27:50,320

that ceo chainer just busted

2339

01:27:55,189 --> 01:27:53,679
or very similar it's it's i'll call it a

2340

01:27:57,990 --> 01:27:55,199
synchronicity if you don't

2341

01:28:00,070 --> 01:27:58,000
if you don't uh yeah i did i did check

2342

01:28:04,950 --> 01:28:00,080
my messenger

2343

01:28:04,960 --> 01:28:09,990
uh one second though let me check that

2344

01:28:10,000 --> 01:28:24,149
let me check it again

2345

01:28:27,669 --> 01:28:26,310
well that's interesting and uh you know

2346

01:28:28,950 --> 01:28:27,679
i just want to mention a lot of people

2347

01:28:31,510 --> 01:28:28,960
want me to talk about this

2348

01:28:33,430 --> 01:28:31,520
uh a lot of people want me to talk about

2349

01:28:34,550 --> 01:28:33,440
this big phone home and i guess

2350

01:28:37,669 --> 01:28:34,560
we're going to do that in the coming

2351

01:28:39,350 --> 01:28:37,679

week um but i could say briefly that uh

2352

01:28:41,350 --> 01:28:39,360

i don't know i think it was a lot of

2353

01:28:44,870 --> 01:28:41,360

hype and i was very disappointed

2354

01:28:47,830 --> 01:28:44,880

not not totally disappointed but

2355

01:28:48,629 --> 01:28:47,840

there's very little new information it

2356

01:28:51,750 --> 01:28:48,639

seems to be

2357

01:28:53,910 --> 01:28:51,760

a lot of what i would call uh

2358

01:28:55,510 --> 01:28:53,920

i don't know pat patting each other on

2359

01:28:56,870 --> 01:28:55,520

the back it was like every guest had to

2360

01:28:58,550 --> 01:28:56,880

tell the guest

2361

01:29:00,390 --> 01:28:58,560

tell the host of the show what a great

2362

01:29:02,390 --> 01:29:00,400

job he did put in the event together for

2363

01:29:05,189 --> 01:29:02,400

five minutes and then the host would

2364

01:29:05,590 --> 01:29:05,199

tell the audience what a great job the

2365

01:29:07,030 --> 01:29:05,600

guest

2366

01:29:08,629 --> 01:29:07,040

was doing or whatever they were working

2367

01:29:09,830 --> 01:29:08,639

on lately and it seemed to me that it

2368

01:29:10,070 --> 01:29:09,840

was an eight-hour stream that could have

2369

01:29:12,390 --> 01:29:10,080

been

2370

01:29:13,830 --> 01:29:12,400

six or maybe even five if they cut off

2371

01:29:15,910 --> 01:29:13,840

all that stuff

2372

01:29:17,830 --> 01:29:15,920

i don't know i'm only four hours in now

2373

01:29:18,790 --> 01:29:17,840

listen to the other four hours i suppose

2374

01:29:21,110 --> 01:29:18,800

before i

2375

01:29:21,990 --> 01:29:21,120

uh before we talk about it i want to be

2376

01:29:24,709 --> 01:29:22,000

fully informed

2377

01:29:27,189 --> 01:29:24,719

maybe there's you know better

2378

01:29:28,790 --> 01:29:27,199

information in the second half or

2379

01:29:30,229 --> 01:29:28,800

uh i did find it interesting that

2380

01:29:33,270 --> 01:29:30,239

somebody got to ask

2381

01:29:35,189 --> 01:29:33,280

luis elizondo what if he released those

2382

01:29:37,110 --> 01:29:35,199

videos why didn't he release the data

2383

01:29:39,910 --> 01:29:37,120

and louis elizondo said it's not his

2384

01:29:42,870 --> 01:29:39,920

decision to make to release the data

2385

01:29:44,870 --> 01:29:42,880

so i guess that was new you know i don't

2386

01:29:46,629 --> 01:29:44,880

know but it's a i guess it's a it's a

2387

01:29:48,070 --> 01:29:46,639

it's it's a good cause they're just

2388

01:29:48,950 --> 01:29:48,080

trying to motivate people to call your

2389

01:29:51,990 --> 01:29:48,960

senator

2390

01:29:55,510 --> 01:29:52,000

and and push them about uap

2391

01:29:57,990 --> 01:29:55,520

disclosure and ufo disclosure

2392

01:29:59,510 --> 01:29:58,000

yeah so any comments or questions for me

2393

01:30:02,070 --> 01:29:59,520

uh

2394

01:30:03,350 --> 01:30:02,080

see us quickly says santa cooking studio

2395

01:30:05,030 --> 01:30:03,360

has been playing the grifter bits for a

2396

01:30:07,110 --> 01:30:05,040

few weeks so i'm not sure what serious

2397

01:30:08,950 --> 01:30:07,120

you saw but all the vids are scrubbed

2398

01:30:12,310 --> 01:30:08,960

now yeah i tried to find the channel and

2399

01:30:15,510 --> 01:30:13,830

you two might have taken it down because

2400

01:30:17,350 --> 01:30:15,520

that's certainly a bit it's all people

2401

01:30:19,510 --> 01:30:17,360

who were banned from youtube

2402

01:30:21,030 --> 01:30:19,520

being played on that channel and it

2403

01:30:22,070 --> 01:30:21,040

appeared to me that they were taking it

2404

01:30:24,229 --> 01:30:22,080

from bit shoot or

2405

01:30:25,110 --> 01:30:24,239

d live or some or twitch or some other

2406

01:30:27,750 --> 01:30:25,120

source and

2407

01:30:28,790 --> 01:30:27,760

uploading it to youtube so the people

2408

01:30:31,270 --> 01:30:28,800

that are in the videos

2409

01:30:32,870 --> 01:30:31,280

might not even know it could be just

2410

01:30:39,030 --> 01:30:32,880

somebody out for profit that thinks

2411

01:30:44,390 --> 01:30:43,590

oh oh joshua is here shout out to joshua

2412

01:30:46,550 --> 01:30:44,400

yeah this is

2413

01:30:48,790 --> 01:30:46,560

this there should be accountability uh

2414

01:30:51,189 --> 01:30:48,800

joshua says that he contacted dominion

2415

01:30:54,390 --> 01:30:51,199

voting systems to knock on david pushing

2416

01:30:57,990 --> 01:30:54,400

the voter conspiracy

2417

01:30:59,590 --> 01:30:58,000

and slander yeah good for you

2418

01:31:00,950 --> 01:30:59,600

you know there should be accountability

2419

01:31:01,990 --> 01:31:00,960

you can't just go out there making these

2420

01:31:08,470 --> 01:31:02,000

ridiculous claims

2421

01:31:13,990 --> 01:31:12,470

yeah uh that ufo phone thing was bizarre

2422

01:31:16,149 --> 01:31:14,000

apparently corbell claimed to be getting

2423

01:31:16,950 --> 01:31:16,159

classified briefings watch my fake

2424

01:31:20,470 --> 01:31:16,960

pyramid

2425

01:31:22,070 --> 01:31:20,480

video and call congress yeah i thought a

2426

01:31:23,189 --> 01:31:22,080

lot of it was bizarre and i haven't

2427

01:31:24,790 --> 01:31:23,199

gotten through the whole thing

2428

01:31:28,070 --> 01:31:24,800

but here i'll make a prediction right

2429

01:31:30,310 --> 01:31:28,080

now that channel that hosted that event

2430

01:31:31,590 --> 01:31:30,320

by the way had less subscribers than me

2431

01:31:33,830 --> 01:31:31,600

before the event

2432

01:31:35,430 --> 01:31:33,840

i guarantee you oh here's the other

2433

01:31:38,790 --> 01:31:35,440

criticism that i have

2434

01:31:42,070 --> 01:31:38,800

they had 60 guests and not

2435

01:31:44,229 --> 01:31:42,080

one of them so far on four hours in

2436

01:31:46,070 --> 01:31:44,239

has stopped to say hey wait a minute

2437

01:31:48,310 --> 01:31:46,080

maybe it's not aliens

2438

01:31:49,990 --> 01:31:48,320

right every one of them is like it's

2439

01:31:52,310 --> 01:31:50,000

aliens or

2440

01:31:53,990 --> 01:31:52,320

i'm paraphrasing of course but every one

2441

01:31:54,709 --> 01:31:54,000

of them seems to be the true believer

2442

01:31:56,070 --> 01:31:54,719

type

2443

01:31:58,790 --> 01:31:56,080

and if you're going to have an event

2444

01:31:59,270 --> 01:31:58,800

with 60 guests could you at least get

2445

01:32:01,430 --> 01:31:59,280

one

2446

01:32:02,470 --> 01:32:01,440

or two people that are either skeptical

2447

01:32:04,629 --> 01:32:02,480

or skeptical

2448

01:32:06,709 --> 01:32:04,639

believers i consider myself a skeptical

2449

01:32:08,950 --> 01:32:06,719

believer

2450

01:32:10,149 --> 01:32:08,960

not entirely a skeptic i consider myself

2451

01:32:12,870 --> 01:32:10,159

a truth seeker

2452

01:32:15,110 --> 01:32:12,880

i discard all of the garbage stories

2453

01:32:16,629 --> 01:32:15,120

about ufos i look for evidence find out

2454

01:32:18,070 --> 01:32:16,639

if the story is true before i just

2455

01:32:21,510 --> 01:32:18,080

blindly believe it

2456

01:32:24,629 --> 01:32:21,520

it seemed to me that this ufo phone home

2457

01:32:26,550 --> 01:32:24,639

event was 60 people that firm that all

2458

01:32:28,629 --> 01:32:26,560

really are on the same page that it's

2459

01:32:30,709 --> 01:32:28,639

probably aliens bro

2460

01:32:31,990 --> 01:32:30,719

you could have had out of 60 guests at

2461

01:32:33,669 --> 01:32:32,000

least i think

2462

01:32:35,510 --> 01:32:33,679

and and two if you want to get the word

2463

01:32:37,510 --> 01:32:35,520

out about this thing why do you go with

2464

01:32:39,189 --> 01:32:37,520

people that have no followings

2465

01:32:41,590 --> 01:32:39,199

there are people that nobody listens to

2466

01:32:43,990 --> 01:32:41,600

that were included in this event

2467

01:32:45,430 --> 01:32:44,000

and uh and by the way i'm not bitter or

2468

01:32:46,629 --> 01:32:45,440

angry i think i would have said no

2469

01:32:48,870 --> 01:32:46,639

if they would have asked me to be in the

2470

01:32:50,629 --> 01:32:48,880

event myself but i would certainly think

2471

01:32:51,189 --> 01:32:50,639

that somebody like alien scientist who

2472

01:32:53,430 --> 01:32:51,199

has

2473

01:32:55,590 --> 01:32:53,440

you know huge numbers and was just on

2474

01:32:57,030 --> 01:32:55,600

tim pool's podcast is worthy of being a

2475

01:32:59,350 --> 01:32:57,040

guest on your event

2476

01:33:00,470 --> 01:32:59,360

didn't happen in your event right didn't

2477

01:33:04,229 --> 01:33:00,480

have anybody that's

2478

01:33:05,430 --> 01:33:04,239

uh leans to uh let's just say a more

2479

01:33:07,030 --> 01:33:05,440

skeptical side

2480

01:33:08,550 --> 01:33:07,040

i don't want to say skeptics and you

2481

01:33:10,390 --> 01:33:08,560

know good for them but if they want to

2482

01:33:12,470 --> 01:33:10,400

echo chamber congratulations

2483

01:33:14,709 --> 01:33:12,480

you got an eight-hour echo chamber you

2484

01:33:15,830 --> 01:33:14,719

didn't have both sides of the story or

2485

01:33:17,990 --> 01:33:15,840

conversation

2486

01:33:20,070 --> 01:33:18,000

you didn't have anybody asked these ufo

2487

01:33:20,709 --> 01:33:20,080

celebrities the hard questions one guy

2488

01:33:23,110 --> 01:33:20,719

did

2489

01:33:24,550 --> 01:33:23,120

asking uh lou elizondo so far that's the

2490

01:33:26,550 --> 01:33:24,560

only hard question i've ever heard

2491

01:33:27,990 --> 01:33:26,560

alexander is why didn't you release the

2492

01:33:30,310 --> 01:33:28,000

data along with the videos

2493

01:33:31,750 --> 01:33:30,320

he said it wasn't his decision about

2494

01:33:32,870 --> 01:33:31,760

whether to release that or not which

2495

01:33:35,910 --> 01:33:32,880

makes you wonder

2496

01:33:36,390 --> 01:33:35,920

is he being handled did they say here

2497

01:33:38,070 --> 01:33:36,400

lou

2498

01:33:40,229 --> 01:33:38,080

you can release this video but not the

2499

01:33:42,950 --> 01:33:40,239

data not the radar tapes

2500

01:33:44,070 --> 01:33:42,960

who knows who knows but there's another

2501
01:33:47,270 --> 01:33:44,080
point

2502
01:33:50,310 --> 01:33:47,280
this ufo phone home they're all you

2503
01:33:52,950 --> 01:33:50,320
literally have lou elizondo who was a

2504
01:33:55,030 --> 01:33:52,960
counter intelligence officer

2505
01:33:57,750 --> 01:33:55,040
and suddenly you believe everything he

2506
01:34:00,149 --> 01:33:57,760
says and you're all big fans of his

2507
01:34:01,830 --> 01:34:00,159
is it the narrative of the whole ufo

2508
01:34:03,510 --> 01:34:01,840
thing supposed to be that the government

2509
01:34:05,350 --> 01:34:03,520
and government types are covering this

2510
01:34:06,790 --> 01:34:05,360
all up for 70 years

2511
01:34:08,629 --> 01:34:06,800
now we're suddenly supposed to start

2512
01:34:10,310 --> 01:34:08,639
believing them because they retired and

2513
01:34:11,990 --> 01:34:10,320

started being on a television show on

2514

01:34:13,430 --> 01:34:12,000

the history channel

2515

01:34:15,910 --> 01:34:13,440

and that's another question here's a

2516

01:34:17,030 --> 01:34:15,920

question for louis elizondo how much

2517

01:34:20,149 --> 01:34:17,040

money have you made

2518

01:34:22,070 --> 01:34:20,159

off of ufos in the past three years it's

2519

01:34:23,350 --> 01:34:22,080

a fair and valid question nobody ever

2520

01:34:25,110 --> 01:34:23,360

asks him

2521

01:34:27,030 --> 01:34:25,120

another problem that i had with this

2522

01:34:29,990 --> 01:34:27,040

whole event is that it was all

2523

01:34:32,550 --> 01:34:30,000

people who are ufo profiteers people who

2524

01:34:34,310 --> 01:34:32,560

are full-time ufos like richard dolan

2525

01:34:35,910 --> 01:34:34,320

jeremy corbell and george knapp well

2526

01:34:36,870 --> 01:34:35,920

george knapp has a job as a local

2527

01:34:38,790 --> 01:34:36,880

reporter but

2528

01:34:39,990 --> 01:34:38,800

he makes tons of money selling ufo

2529

01:34:43,510 --> 01:34:40,000

stories as well

2530

01:34:45,910 --> 01:34:43,520

do you think that maybe just maybe money

2531

01:34:47,750 --> 01:34:45,920

tends to cloud their judgment nobody

2532

01:34:49,750 --> 01:34:47,760

will acknowledge that out of this group

2533

01:34:50,550 --> 01:34:49,760

of 60 guests nobody mentioned that

2534

01:34:53,030 --> 01:34:50,560

nobody had

2535

01:34:53,590 --> 01:34:53,040

you know maybe some of these people have

2536

01:34:57,990 --> 01:34:53,600

uh

2537

01:35:00,790 --> 01:34:58,000

intentions

2538

01:35:02,229 --> 01:35:00,800

for releasing this information it's all

2539

01:35:05,350 --> 01:35:02,239

for sale it's

2540

01:35:06,950 --> 01:35:05,360

disclosure ain't free right but

2541

01:35:08,149 --> 01:35:06,960

i will say you know good for them

2542

01:35:09,510 --> 01:35:08,159

they're trying to get a lot of people to

2543

01:35:12,310 --> 01:35:09,520

contact senators

2544

01:35:13,990 --> 01:35:12,320

but again it's the government you you've

2545

01:35:16,070 --> 01:35:14,000

all been saying that the government is

2546

01:35:17,350 --> 01:35:16,080

covering this thing up for 70 years

2547

01:35:18,950 --> 01:35:17,360

now we're just supposed to write and

2548

01:35:20,470 --> 01:35:18,960

call our congressmen and trust that

2549

01:35:21,430 --> 01:35:20,480

they're going to tell us the truth about

2550

01:35:24,149 --> 01:35:21,440

aliens

2551

01:35:25,350 --> 01:35:24,159

it's ridiculous logic it doesn't make

2552

01:35:26,790 --> 01:35:25,360

any sense

2553

01:35:27,990 --> 01:35:26,800

they're the ones doing the cover-ups

2554

01:35:29,669 --> 01:35:28,000

suddenly we're going to believe them

2555

01:35:31,990 --> 01:35:29,679

because they're on a history channel

2556

01:35:33,990 --> 01:35:32,000

show now and hanging out with tom delong

2557

01:35:36,790 --> 01:35:34,000

they're bringing us disclosure

2558

01:35:38,629 --> 01:35:36,800

right and has anybody ever clarified

2559

01:35:40,310 --> 01:35:38,639

because there was this controversy

2560

01:35:42,070 --> 01:35:40,320

and uh there was a statement from the

2561

01:35:44,390 --> 01:35:42,080

pentagon that louis elizondo never

2562

01:35:45,109 --> 01:35:44,400

ran the program he claims he ran did

2563

01:35:47,990 --> 01:35:45,119

anybody ask

2564

01:35:49,669 --> 01:35:48,000

him to clarify that of course not of

2565

01:35:51,350 --> 01:35:49,679

course not let's just believe he ran

2566

01:35:53,430 --> 01:35:51,360

that program because it sounds good and

2567

01:35:54,950 --> 01:35:53,440

we want to know the truth about aliens

2568

01:35:56,629 --> 01:35:54,960

i don't know where i'm at with all this

2569

01:36:01,430 --> 01:35:56,639

stuff

2570

01:36:05,109 --> 01:36:03,270

corbell brought his other billionaire on

2571

01:36:07,109 --> 01:36:05,119

truth seekers yeah oh by the way

2572

01:36:09,270 --> 01:36:07,119

i think that the court bell and nap

2573

01:36:10,950 --> 01:36:09,280

stuff is all coming from bigelow i've

2574

01:36:11,990 --> 01:36:10,960

done some digging solar marshall i'll

2575

01:36:14,950 --> 01:36:12,000

talk to you about it

2576

01:36:20,790 --> 01:36:14,960

it's a waste of time yeah brian mcleod

2577

01:36:24,149 --> 01:36:23,030

oh okay i didn't know jeremy rise was on

2578

01:36:27,510 --> 01:36:24,159

okay good

2579

01:36:30,550 --> 01:36:27,520

i i haven't seen part two yet uh

2580

01:36:31,109 --> 01:36:30,560

yeah and but one thing i will say is

2581

01:36:32,390 --> 01:36:31,119

that

2582

01:36:34,310 --> 01:36:32,400

oh here's another thing i'll say about

2583

01:36:37,510 --> 01:36:34,320

this event how

2584

01:36:41,350 --> 01:36:37,520

bad of uh of the guest selection

2585

01:36:44,229 --> 01:36:41,360

is it when the most skeptical person

2586

01:36:45,669 --> 01:36:44,239

on this this event that i'm into so far

2587

01:36:46,709 --> 01:36:45,679

i haven't watched the whole thing was

2588

01:36:53,430 --> 01:36:46,719

jimmy church

2589

01:36:56,709 --> 01:36:53,440

or reserved or cautious or discerning

2590

01:37:00,790 --> 01:36:58,709

i think that says a lot they don't want

2591

01:37:02,790 --> 01:37:00,800

to hear the other side they don't want

2592

01:37:04,390 --> 01:37:02,800

yeah they they said they asked mick west

2593

01:37:06,470 --> 01:37:04,400

to come on and he declined

2594

01:37:08,550 --> 01:37:06,480

but then they made fun of mick west too

2595

01:37:10,790 --> 01:37:08,560

like oh mcquisty just debunks everything

2596

01:37:13,830 --> 01:37:10,800

he was right on the pyramid video

2597

01:37:16,790 --> 01:37:13,840

he's right you you're all wrong

2598

01:37:18,070 --> 01:37:16,800

okay i don't say you're all wrong a lot

2599

01:37:19,830 --> 01:37:18,080

of you are wrong

2600

01:37:21,510 --> 01:37:19,840

and i believe mick west is right and

2601

01:37:25,030 --> 01:37:21,520

time is going to prove that that

2602

01:37:28,470 --> 01:37:25,040

video is nothing it is an aircraft

2603

01:37:29,430 --> 01:37:28,480

or a drone it is not alien it's not a

2604

01:37:34,390 --> 01:37:29,440

pyramid

2605

01:37:35,830 --> 01:37:34,400

and i believe mick west will be proven

2606

01:37:37,910 --> 01:37:35,840

right and they shouldn't have spent 20

2607

01:37:40,070 --> 01:37:37,920

minutes mocking the guy

2608

01:37:42,629 --> 01:37:40,080

he's the one that came with science he's

2609

01:37:44,629 --> 01:37:42,639

the one that came with reason of reason

2610

01:37:45,669 --> 01:37:44,639

and discernment and critical thinking

2611

01:37:48,229 --> 01:37:45,679

and an actual

2612

01:37:49,350 --> 01:37:48,239

explanation for what's seen in jeremy

2613

01:37:51,270 --> 01:37:49,360

corbell's video

2614

01:37:52,629 --> 01:37:51,280

you don't mock the guy for that you

2615

01:37:54,950 --> 01:37:52,639

thank him for that

2616

01:37:57,030 --> 01:37:54,960

so sorry if it doesn't fit your already

2617

01:37:58,950 --> 01:37:57,040

drawn conclusion that that must be an

2618

01:38:04,709 --> 01:37:58,960

alien

2619

01:38:06,709 --> 01:38:04,719

good to see you here you are most

2620

01:38:08,470 --> 01:38:06,719

welcome

2621

01:38:10,790 --> 01:38:08,480

i wanted to tell you that during david

2622

01:38:13,590 --> 01:38:10,800

wilcox stream i mentioned you because

2623

01:38:17,510 --> 01:38:13,600

david wilcox said that trees create

2624

01:38:19,830 --> 01:38:17,520

anti-gravity and it's a fact

2625

01:38:20,870 --> 01:38:19,840

and i wondered alien scientists you've

2626

01:38:22,950 --> 01:38:20,880

been studying

2627

01:38:24,229 --> 01:38:22,960

physics and trying to come up with some

2628

01:38:27,189 --> 01:38:24,239

kind of anti-gravity

2629

01:38:29,750 --> 01:38:27,199

this is an intense interest of yours for

2630

01:38:32,149 --> 01:38:29,760

a decade as long as i've known about you

2631

01:38:33,910 --> 01:38:32,159

you've been into this stuff

2632

01:38:36,390 --> 01:38:33,920

maybe you should have been looking at

2633

01:38:37,590 --> 01:38:36,400

the trees bro because david wilcox says

2634

01:38:40,470 --> 01:38:37,600

the trees

2635

01:38:41,030 --> 01:38:40,480

produce anti-gravity and also nature

2636

01:38:43,669 --> 01:38:41,040

produces

2637

01:38:45,350 --> 01:38:43,679

antigravity after all why does a river

2638

01:38:45,990 --> 01:38:45,360

start at the top of a mountain and go

2639

01:38:52,709 --> 01:38:46,000

down

2640

01:38:56,629 --> 01:38:55,109

okay solar marshal says they kicked

2641

01:38:58,629 --> 01:38:56,639

church and dolan off at the same time

2642

01:39:00,149 --> 01:38:58,639

they crapped on midwest mcwest is right

2643

01:39:01,590 --> 01:39:00,159

he showed the planets in the background

2644

01:39:02,310 --> 01:39:01,600

and showed the two planets were not

2645

01:39:04,229 --> 01:39:02,320

ships

2646

01:39:06,070 --> 01:39:04,239

yeah i'm going to try to get mick west

2647

01:39:11,109 --> 01:39:06,080

on our show here

2648

01:39:15,350 --> 01:39:13,270

yeah yeah scientists trees create their

2649

01:39:16,390 --> 01:39:15,360

own anti-gravity and it's scientifically

2650

01:39:19,430 --> 01:39:16,400

proven fact

2651
01:39:21,109 --> 01:39:19,440
he said that and i just got to say i got

2652
01:39:22,550 --> 01:39:21,119
a cabin in the woods and i've never seen

2653
01:39:24,229 --> 01:39:22,560
a tree floating around

2654
01:39:29,270 --> 01:39:24,239
in the middle of night or anything so i

2655
01:39:33,510 --> 01:39:31,990
the context is here you are most welcome

2656
01:39:35,270 --> 01:39:33,520
listen you gotta come on and talk about

2657
01:39:35,990 --> 01:39:35,280
this ufo stuff because i can't do it by

2658
01:39:37,669 --> 01:39:36,000
myself

2659
01:39:40,470 --> 01:39:37,679
and i know you're watching this stuff

2660
01:39:42,390 --> 01:39:40,480
too daniel daniel says i made a flying

2661
01:39:44,470 --> 01:39:42,400
saucer out of agave roots thanks to

2662
01:39:45,030 --> 01:39:44,480
david wilcox groundbreaking andy graham

2663
01:39:47,669 --> 01:39:45,040

research

2664

01:39:48,149 --> 01:39:47,679

yeah it's it's really ridiculous it's

2665

01:39:52,149 --> 01:39:48,159

just

2666

01:39:54,870 --> 01:39:52,159

out to steph

2667

01:39:57,030 --> 01:39:54,880

steph uh i didn't get i don't want to

2668

01:39:59,830 --> 01:39:57,040

keep leaning on you but we'd like to do

2669

01:40:01,830 --> 01:39:59,840

at another tuesday so let me know if

2670

01:40:02,950 --> 01:40:01,840

this tuesday night at 9 00 p.m would be

2671

01:40:04,870 --> 01:40:02,960

good for you

2672

01:40:06,470 --> 01:40:04,880

and then we'll give you some time off

2673

01:40:07,669 --> 01:40:06,480

and get some other tarot card readers

2674

01:40:12,310 --> 01:40:07,679

but i kind of

2675

01:40:15,910 --> 01:40:15,189

and uh yeah steph has a channel willow

2676

01:40:18,149 --> 01:40:15,920

unity

2677

01:40:19,350 --> 01:40:18,159

she came and was kind enough to do tarot

2678

01:40:20,310 --> 01:40:19,360

card readings we're doing them on a

2679

01:40:23,669 --> 01:40:20,320

tuesday

2680

01:40:26,390 --> 01:40:23,679

somebody come and read tarot cards

2681

01:40:27,510 --> 01:40:26,400

uh steph i've done it twice so far you

2682

01:40:29,430 --> 01:40:27,520

can go to her channel

2683

01:40:31,270 --> 01:40:29,440

subscribe and get a private reading from

2684

01:40:32,870 --> 01:40:31,280

her i was pretty impressed with the one

2685

01:40:34,550 --> 01:40:32,880

that i got

2686

01:40:36,550 --> 01:40:34,560

so any comments questions for me please

2687

01:40:38,950 --> 01:40:36,560

put them in the live chat otherwise

2688

01:40:40,629 --> 01:40:38,960

well we are approaching two hours here

2689

01:40:41,990 --> 01:40:40,639

and i'm not david wilcock oh and one

2690

01:40:43,910 --> 01:40:42,000

other point i just want to make one

2691

01:40:47,350 --> 01:40:43,920

other point about david wilcock

2692

01:40:49,510 --> 01:40:47,360

uh i don't i

2693

01:40:50,550 --> 01:40:49,520

listen i didn't study psychology in

2694

01:40:53,189 --> 01:40:50,560

college

2695

01:40:54,070 --> 01:40:53,199

but i know people who aren't actual

2696

01:40:59,350 --> 01:40:54,080

psych

2697

01:41:01,109 --> 01:40:59,360

and uh you know i i talked to him about

2698

01:41:02,629 --> 01:41:01,119

some of this narcissistic

2699

01:41:04,709 --> 01:41:02,639

personality disorder and things like

2700

01:41:08,070 --> 01:41:04,719

that and like

2701

01:41:11,109 --> 01:41:08,080

i don't understand who would

2702

01:41:13,910 --> 01:41:11,119

talk for four hours every time that he

2703

01:41:14,550 --> 01:41:13,920

does something right just because it

2704

01:41:17,830 --> 01:41:14,560

doesn't

2705

01:41:20,390 --> 01:41:17,840

appear to anybody else that that's like

2706

01:41:22,070 --> 01:41:20,400

a grandiose sense of self-importance i'm

2707

01:41:24,229 --> 01:41:22,080

so important that people want to hear me

2708

01:41:26,229 --> 01:41:24,239

talk for four hours

2709

01:41:27,590 --> 01:41:26,239

nobody wants to hear you talk for four

2710

01:41:29,350 --> 01:41:27,600

hours david wilcock

2711

01:41:30,629 --> 01:41:29,360

not even your fans there were people in

2712

01:41:33,430 --> 01:41:30,639

the live chat going

2713

01:41:34,470 --> 01:41:33,440

dude learn to summarize people said that

2714

01:41:37,669 --> 01:41:34,480

in the live chat

2715

01:41:38,310 --> 01:41:37,679

dude learn to summarize he talked for 50

2716

01:41:40,629 --> 01:41:38,320

minutes

2717

01:41:41,590 --> 01:41:40,639

about all these blimps that he had

2718

01:41:44,229 --> 01:41:41,600

pictures of

2719

01:41:45,910 --> 01:41:44,239

and prototypes that were never built and

2720

01:41:46,709 --> 01:41:45,920

he's claiming that's what people are

2721

01:41:49,030 --> 01:41:46,719

seeing

2722

01:41:51,830 --> 01:41:49,040

but the company he referenced never

2723

01:41:54,790 --> 01:41:51,840

built any working flying prototypes

2724

01:41:56,950 --> 01:41:54,800

i'm very familiar with it he talked for

2725

01:41:58,870 --> 01:41:56,960

45 minutes about that company

2726
01:42:00,390 --> 01:41:58,880
never mentioning that they never built a

2727
01:42:03,189 --> 01:42:00,400
working prototype

2728
01:42:03,430 --> 01:42:03,199
or there's no existing photos or videos

2729
01:42:06,149 --> 01:42:03,440
or

2730
01:42:08,229 --> 01:42:06,159
flight data of test flights because what

2731
01:42:09,910 --> 01:42:08,239
they did is continually make models and

2732
01:42:11,669 --> 01:42:09,920
mock-ups and try to get funding from the

2733
01:42:12,310 --> 01:42:11,679
government the government funding never

2734
01:42:14,550 --> 01:42:12,320
came

2735
01:42:15,350 --> 01:42:14,560
so they never build any of these things

2736
01:42:18,390 --> 01:42:15,360
and he shows

2737
01:42:20,310 --> 01:42:18,400
us like 12 of them that don't matter

2738
01:42:21,590 --> 01:42:20,320

because they were never real david

2739

01:42:23,990 --> 01:42:21,600

wilcock except

2740

01:42:26,149 --> 01:42:24,000

in david wilcox land of make-believe and

2741

01:42:29,270 --> 01:42:26,159

that's where we're at with his latest

2742

01:42:30,629 --> 01:42:29,280

with his latest uh stream halter bridge

2743

01:42:31,990 --> 01:42:30,639

is here and says i've heard about the

2744

01:42:33,669 --> 01:42:32,000

any gravity in terms

2745

01:42:35,750 --> 01:42:33,679

of the way water is transported to the

2746

01:42:37,510 --> 01:42:35,760

top of the tree it's more than capillary

2747

01:42:40,229 --> 01:42:37,520

action apparently

2748

01:42:42,149 --> 01:42:40,239

uh i think it's capillary action but

2749

01:42:43,910 --> 01:42:42,159

we'll agree to disagree alter bridge you

2750

01:42:44,550 --> 01:42:43,920

are still most welcome here and your

2751
01:42:47,350 --> 01:42:44,560
opinion

2752
01:42:48,149 --> 01:42:47,360
and participation is both valued

2753
01:42:56,149 --> 01:42:48,159
respected

2754
01:42:57,830 --> 01:42:56,159
and needed thank you for chiming in

2755
01:42:59,430 --> 01:42:57,840
i don't know i never heard of the guy

2756
01:43:00,950 --> 01:42:59,440
that that's another thing solar marshall

2757
01:43:03,109 --> 01:43:00,960
there was a lot of people on that stream

2758
01:43:05,669 --> 01:43:03,119
that i've never heard of

2759
01:43:06,149 --> 01:43:05,679
never and i'm into this stuff and i read

2760
01:43:10,229 --> 01:43:06,159
and

2761
01:43:11,990 --> 01:43:10,239
can come up that comes across

2762
01:43:13,590 --> 01:43:12,000
but maybe i'm not paying too close of

2763
01:43:16,790 --> 01:43:13,600

attention lately

2764

01:43:17,270 --> 01:43:16,800

and you know i like i said to the the

2765

01:43:19,910 --> 01:43:17,280

big

2766

01:43:20,470 --> 01:43:19,920

thing that was annoying after a while is

2767

01:43:23,590 --> 01:43:20,480

this

2768

01:43:25,669 --> 01:43:23,600

back it was like

2769

01:43:26,629 --> 01:43:25,679

an echo chamber of guys going you're

2770

01:43:27,990 --> 01:43:26,639

doing great work

2771

01:43:30,229 --> 01:43:28,000

you're doing such great work for

2772

01:43:31,910 --> 01:43:30,239

disclosure thank you for all you do and

2773

01:43:33,189 --> 01:43:31,920

then they'd thank the guest for five

2774

01:43:33,910 --> 01:43:33,199

minutes and then the guests would thank

2775

01:43:37,189 --> 01:43:33,920

the

2776

01:43:37,990 --> 01:43:37,199

five minutes and talk about what great

2777

01:43:40,629 --> 01:43:38,000

work there it was

2778

01:43:42,310 --> 01:43:40,639

like this this love fest let's all pat

2779

01:43:43,750 --> 01:43:42,320

each other on the back for five minutes

2780

01:43:46,149 --> 01:43:43,760

before we talk about anything

2781

01:43:47,270 --> 01:43:46,159

and it happened every time another guest

2782

01:43:49,669 --> 01:43:47,280

came on they were

2783

01:43:51,430 --> 01:43:49,679

thank you so much for all you do shut up

2784

01:43:54,149 --> 01:43:51,440

talk about the subject move on

2785

01:44:00,709 --> 01:43:54,159

it was get it just it's too long you

2786

01:44:04,629 --> 01:44:03,350

you need to go over this video of wilcox

2787

01:44:06,470 --> 01:44:04,639

and go over what he said or he could

2788

01:44:08,229 --> 01:44:06,480

just watch mine and save yourself three

2789

01:44:09,910 --> 01:44:08,239

hours bro it's brutal

2790

01:44:11,830 --> 01:44:09,920

it was one of the worst it was one of

2791

01:44:12,790 --> 01:44:11,840

the worst wilcox live streams i've seen

2792

01:44:15,669 --> 01:44:12,800

because mostly

2793

01:44:16,470 --> 01:44:15,679

he's regurgitating the the anthony

2794

01:44:18,229 --> 01:44:16,480

bergalia

2795

01:44:19,590 --> 01:44:18,239

crash retrieval story that's pretty much

2796

01:44:22,149 --> 01:44:19,600

proven to be way

2797

01:44:24,550 --> 01:44:22,159

blown out of proportion and twisted and

2798

01:44:27,189 --> 01:44:24,560

manipulated into something it's not

2799

01:44:29,270 --> 01:44:27,199

he's citing this carol rosin and stephen

2800

01:44:31,350 --> 01:44:29,280

greer and the fake alien invasion

2801
01:44:33,189 --> 01:44:31,360
then he makes up a lot of stuff because

2802
01:44:34,870 --> 01:44:33,199
he always does that

2803
01:44:37,590 --> 01:44:34,880
and then he talks about blimps and how

2804
01:44:39,590 --> 01:44:37,600
jeremy corbell and george knapp's

2805
01:44:41,189 --> 01:44:39,600
they're ali they're not aliens they're

2806
01:44:42,950 --> 01:44:41,199
man-made blips

2807
01:44:44,709 --> 01:44:42,960
because george knapp and jeremy corbell

2808
01:44:46,550 --> 01:44:44,719
don't have the truth about aliens

2809
01:44:47,990 --> 01:44:46,560
i damn it wilcock i'm the only guy that

2810
01:44:49,590 --> 01:44:48,000
has the truth about aliens buy my

2811
01:44:51,189 --> 01:44:49,600
new course and you'll hear the truth

2812
01:44:53,030 --> 01:44:51,199
about aliens but jeremy corbell and

2813
01:44:54,709 --> 01:44:53,040

george snap they don't have the truth

2814

01:44:56,229 --> 01:44:54,719

they're showing you blimps i'm showing

2815

01:44:57,990 --> 01:44:56,239

aliens it's

2816

01:44:59,830 --> 01:44:58,000

it's ridiculous and that's a rule of

2817

01:45:01,109 --> 01:44:59,840

these grifters you gotta

2818

01:45:02,790 --> 01:45:01,119

if somebody's getting a lot of attention

2819

01:45:04,550 --> 01:45:02,800

you got to swat him down a little bit

2820

01:45:05,189 --> 01:45:04,560

even though he tried to act nice to them

2821

01:45:07,990 --> 01:45:05,199

like oh

2822

01:45:09,669 --> 01:45:08,000

we're on the same team and uh you know

2823

01:45:11,430 --> 01:45:09,679

their videos their movies were

2824

01:45:12,870 --> 01:45:11,440

distributed by the same company that

2825

01:45:14,550 --> 01:45:12,880

distributed my movie because

2826
01:45:15,990 --> 01:45:14,560
so we're on the same team and i hope

2827
01:45:17,510 --> 01:45:16,000
they watch this video

2828
01:45:19,189 --> 01:45:17,520
and they might not like some of my

2829
01:45:21,510 --> 01:45:19,199
sources but

2830
01:45:22,629 --> 01:45:21,520
you know we're on the same team and then

2831
01:45:24,229 --> 01:45:22,639
he says they're

2832
01:45:26,709 --> 01:45:24,239
completely wrong about everything

2833
01:45:30,470 --> 01:45:26,719
they're saying so he complimented them

2834
01:45:33,270 --> 01:45:30,480
and and that's called the push pull

2835
01:45:33,669 --> 01:45:33,280
in uh that's a psychological technique

2836
01:45:37,430 --> 01:45:33,679
you

2837
01:45:40,629 --> 01:45:37,440
them

2838
01:45:42,950 --> 01:45:40,639

right it'd be like for

2839

01:45:44,070 --> 01:45:42,960

for for me to say to a woman something

2840

01:45:47,430 --> 01:45:44,080

like

2841

01:45:49,590 --> 01:45:47,440

yeah those are nice earrings uh

2842

01:45:51,350 --> 01:45:49,600

my grandmother's like 85 and she wears

2843

01:45:52,790 --> 01:45:51,360

earrings just like that and she kind of

2844

01:45:54,870 --> 01:45:52,800

smells funny

2845

01:45:57,189 --> 01:45:54,880

you know like it's a push-pull maneuver

2846

01:45:59,669 --> 01:45:57,199

compliment and then insult

2847

01:46:00,790 --> 01:45:59,679

and he said that jeremy corbell and

2848

01:46:01,510 --> 01:46:00,800

george knapp don't know what they're

2849

01:46:03,350 --> 01:46:01,520

talking about

2850

01:46:05,030 --> 01:46:03,360

and their spaceships aren't spaceships

2851

01:46:07,430 --> 01:46:05,040

their blimps

2852

01:46:08,790 --> 01:46:07,440

and look what is the probability that

2853

01:46:11,030 --> 01:46:08,800

everything that corbell

2854

01:46:13,590 --> 01:46:11,040

and and nap regardless of what i think

2855

01:46:16,950 --> 01:46:13,600

about them are sharing is blimps

2856

01:46:20,070 --> 01:46:16,960

okay and then oh by the way this is

2857

01:46:20,629 --> 01:46:20,080

my other favorite of of the stream big

2858

01:46:22,070 --> 01:46:20,639

lie

2859

01:46:23,990 --> 01:46:22,080

it's so emotional he talks about the

2860

01:46:27,669 --> 01:46:24,000

tr3b and he says

2861

01:46:29,669 --> 01:46:27,679

edgar fuschia said the tr3b was a blimp

2862

01:46:31,189 --> 01:46:29,679

and had helium in it and he makes all

2863

01:46:33,189 --> 01:46:31,199

these factually inaccurate statements

2864

01:46:34,229 --> 01:46:33,199

about edgar vouchay and the tr3b and

2865

01:46:36,790 --> 01:46:34,239

then he says

2866

01:46:37,990 --> 01:46:36,800

that the pyramid ufo that jeremy corbell

2867

01:46:42,070 --> 01:46:38,000

is showing is just

2868

01:46:45,189 --> 01:46:42,080

three four tr3b glimpse

2869

01:46:47,910 --> 01:46:45,199

glued together the government glued four

2870

01:46:51,590 --> 01:46:47,920

tr3bs together to make a fake pyramid

2871

01:46:51,600 --> 01:46:56,950

it's garbage

2872

01:47:00,229 --> 01:46:58,790

have you uh are you talking about me

2873

01:47:02,310 --> 01:47:00,239

looking great because i gained weight

2874

01:47:03,990 --> 01:47:02,320

yeah i gained about 20 pounds through

2875

01:47:05,189 --> 01:47:04,000

this pandemic and i keep saying i'm

2876

01:47:06,629 --> 01:47:05,199

going to do this terry joyce but i

2877

01:47:07,669 --> 01:47:06,639

haven't done it yet i'm going back to

2878

01:47:11,189 --> 01:47:07,679

this

2879

01:47:13,030 --> 01:47:11,199

fitness and diet program called uh 75

2880

01:47:15,030 --> 01:47:13,040

hard where you don't drink any alcohol

2881

01:47:17,350 --> 01:47:15,040

you have a sensible diet for 75 days and

2882

01:47:20,149 --> 01:47:17,360

you exercise 45 times a day

2883

01:47:22,790 --> 01:47:20,159

twice once inside once outside i did

2884

01:47:24,790 --> 01:47:22,800

that before and dropped like 30 pounds

2885

01:47:26,870 --> 01:47:24,800

when i got really

2886

01:47:28,790 --> 01:47:26,880

i put on like 20 pounds and it's all in

2887

01:47:29,270 --> 01:47:28,800

my gut i'm starting to get like the dad

2888

01:47:31,430 --> 01:47:29,280

bod

2889

01:47:33,189 --> 01:47:31,440

it's not good it might look good in my

2890

01:47:33,910 --> 01:47:33,199

face right but it doesn't look good else

2891

01:47:38,149 --> 01:47:33,920

places

2892

01:47:40,310 --> 01:47:38,159

show myself from here down

2893

01:47:43,350 --> 01:47:40,320

you know nobody gets to see my my

2894

01:47:46,390 --> 01:47:45,030

and by the way i just want to mention

2895

01:47:47,830 --> 01:47:46,400

this is one of the best show business i

2896

01:47:50,229 --> 01:47:47,840

want to get out of the way

2897

01:47:51,990 --> 01:47:50,239

i've got people emailing me what do i

2898

01:47:53,750 --> 01:47:52,000

think about vaccines

2899

01:47:55,910 --> 01:47:53,760

about the current health crisis and the

2900

01:47:57,750 --> 01:47:55,920

vaccine am i going to take it

2901

01:48:00,709 --> 01:47:57,760

do i think it's safe and all of these

2902

01:48:02,870 --> 01:48:00,719

things i'm not a medical professional

2903

01:48:05,030 --> 01:48:02,880

and i believe that the choice of whether

2904

01:48:09,189 --> 01:48:05,040

to take or not take this

2905

01:48:11,990 --> 01:48:09,199

uh you know offering

2906

01:48:13,510 --> 01:48:12,000

is a personal choice and i have i've

2907

01:48:14,709 --> 01:48:13,520

made my own personal choice some of you

2908

01:48:17,109 --> 01:48:14,719

know what that is

2909

01:48:19,030 --> 01:48:17,119

but i don't want to influence you i

2910

01:48:20,629 --> 01:48:19,040

think you should do your own research

2911

01:48:22,390 --> 01:48:20,639

consult your doctor your healthcare

2912

01:48:23,350 --> 01:48:22,400

professional i'm not the guy to ask

2913

01:48:25,510 --> 01:48:23,360

about this

2914

01:48:27,430 --> 01:48:25,520

i'm really not the guy to ask about that

2915

01:48:28,790 --> 01:48:27,440

did i make my own choice yeah

2916

01:48:30,870 --> 01:48:28,800

everybody's gonna have to make a choice

2917

01:48:32,470 --> 01:48:30,880

about what to do about that i made my

2918

01:48:34,790 --> 01:48:32,480

choice and and going forward i would

2919

01:48:36,310 --> 01:48:34,800

prefer to just keep my choice to myself

2920

01:48:37,830 --> 01:48:36,320

and not talk we don't talk about the

2921

01:48:40,390 --> 01:48:37,840

health crisis so i don't want to

2922

01:48:42,070 --> 01:48:40,400

uh and i don't want to mislead anybody

2923

01:48:43,590 --> 01:48:42,080

for all i know the choice i made is

2924

01:48:46,870 --> 01:48:43,600

completely totally wrong and i

2925

01:48:48,709 --> 01:48:46,880

you know and i and and uh i'm gonna

2926

01:48:51,030 --> 01:48:48,719

suffer for making the wrong choice

2927

01:48:52,390 --> 01:48:51,040

i i don't want to influence anybody so

2928

01:48:52,950 --> 01:48:52,400

make your own choice do your own

2929

01:48:54,390 --> 01:48:52,960

research

2930

01:48:55,990 --> 01:48:54,400

consult your doctor your health care

2931

01:48:58,070 --> 01:48:56,000

professional that's the responsible

2932

01:49:00,070 --> 01:48:58,080

thing for a show host to say

2933

01:49:02,950 --> 01:49:00,080

and by the way if you're listening to a

2934

01:49:05,910 --> 01:49:02,960

show host who's telling you what to do

2935

01:49:06,550 --> 01:49:05,920

about medical matters that's not a good

2936

01:49:09,189 --> 01:49:06,560

show host

2937

01:49:09,590 --> 01:49:09,199

unless they're a verified medical doctor

2938

01:49:12,310 --> 01:49:09,600

and

2939

01:49:16,229 --> 01:49:12,320

qualified to give medical advice that's

2940

01:49:19,589 --> 01:49:17,750

seller marshall you don't look heavy if

2941

01:49:21,990 --> 01:49:19,599

steve is heavy i'm a fat pig

2942

01:49:24,709 --> 01:49:22,000

listen i would stand up and show my gut

2943

01:49:26,870 --> 01:49:24,719

except i took a before picture

2944

01:49:28,390 --> 01:49:26,880

getting ready for this uh you know

2945

01:49:30,790 --> 01:49:28,400

fitness plan you're supposed to take a

2946

01:49:32,790 --> 01:49:30,800

picture every day or before you start

2947

01:49:34,470 --> 01:49:32,800

so that you know like how big you were

2948

01:49:35,589 --> 01:49:34,480

and what you look like when you're done

2949

01:49:37,589 --> 01:49:35,599

the fitness plan because

2950

01:49:39,830 --> 01:49:37,599

it is amazing transformation i only made

2951

01:49:43,030 --> 01:49:39,840

it 40 days in the last time i did it

2952

01:49:44,149 --> 01:49:43,040

but i was 40 days in and i lost like 35

2953

01:49:46,390 --> 01:49:44,159

pounds and i was

2954

01:49:48,070 --> 01:49:46,400

getting cut and i was looking good so i

2955

01:49:49,830 --> 01:49:48,080

just said i'm done i'm not going to go

2956

01:49:55,589 --> 01:49:49,840

the other 30 days but this time i'm

2957

01:49:58,550 --> 01:49:57,270

ultra bridge i'm not saying dw is right

2958

01:50:00,390 --> 01:49:58,560

i'm saying something about water

2959

01:50:03,510 --> 01:50:00,400

transport within trees seems to defy

2960

01:50:04,870 --> 01:50:03,520

gravity dw is just twisting it yeah

2961

01:50:06,870 --> 01:50:04,880

and that's what he does he throws out

2962

01:50:08,709 --> 01:50:06,880

one nugget of truth alter bridge

2963

01:50:10,390 --> 01:50:08,719

and then he packs on his own lies and

2964

01:50:13,109 --> 01:50:10,400

his own narrative to it

2965

01:50:15,030 --> 01:50:13,119

so somehow that's a convincer you know i

2966

01:50:16,550 --> 01:50:15,040

told you a factual statement right

2967

01:50:18,390 --> 01:50:16,560

it's something that has some little

2968

01:50:22,390 --> 01:50:18,400

nugget of truth in it before we

2969

01:50:22,870 --> 01:50:22,400

uh before we tackle on ten lies to it

2970

01:50:25,350 --> 01:50:22,880

and uh

2971

01:50:26,629 --> 01:50:25,360

see what channeler has talked about this

2972

01:50:28,870 --> 01:50:26,639

he calls it something else

2973

01:50:30,070 --> 01:50:28,880

i call it the david wilcox super duper

2974

01:50:31,589 --> 01:50:30,080

prover maneuver

2975

01:50:33,750 --> 01:50:31,599

right you throw out a little nugget of

2976

01:50:34,550 --> 01:50:33,760

truth and then you tackle on 10 or 15

2977

01:50:36,550 --> 01:50:34,560

lies

2978

01:50:38,550 --> 01:50:36,560

on top of that little nugget of truth

2979

01:50:40,149 --> 01:50:38,560

and in his mind that's a super duper

2980

01:50:41,510 --> 01:50:40,159

proven maneuver he's proven what he's

2981

01:50:43,030 --> 01:50:41,520

saying is real

2982

01:50:45,510 --> 01:50:43,040

because he gave you the little tiny

2983

01:50:48,790 --> 01:50:45,520

nugget of truth that he piled

2984

01:50:50,390 --> 01:50:48,800

10 stories of bs on it just doesn't work

2985

01:50:51,990 --> 01:50:50,400

terry joyce says oh no don't take it

2986

01:50:54,709 --> 01:50:52,000

personal you look great yeah i look

2987

01:50:56,870 --> 01:50:54,719

fine except i have a pro i don't think i

2988

01:50:57,910 --> 01:50:56,880

even have 20 pounds to lose terry joyce

2989

01:51:00,229 --> 01:50:57,920

but i got a gut

2990

01:51:02,070 --> 01:51:00,239

and it's all in my gut it's probably 10

2991

01:51:04,390 --> 01:51:02,080

at the very least i got to lose 10.

2992

01:51:05,350 --> 01:51:04,400

i haven't weighed myself i'm afraid to

2993

01:51:08,950 --> 01:51:05,360

it's just as

2994

01:51:12,149 --> 01:51:08,960

pandemic and my wife being home

2995

01:51:13,350 --> 01:51:12,159

is detrimental to my waistline um

2996

01:51:15,430 --> 01:51:13,360

for those who don't know my wife has

2997

01:51:19,030 --> 01:51:15,440

been working at home uh

2998

01:51:21,189 --> 01:51:19,040

because of the current health crisis

2999

01:51:22,790 --> 01:51:21,199

normally she works in an office and i

3000

01:51:24,790 --> 01:51:22,800

cook dinner every day

3001

01:51:26,070 --> 01:51:24,800

and i don't cook so good so i don't gain

3002

01:51:29,030 --> 01:51:26,080

much weight when i cook

3003

01:51:29,990 --> 01:51:29,040

you know my poor family i have to cook

3004

01:51:31,990 --> 01:51:30,000

almost every day

3005

01:51:33,910 --> 01:51:32,000

and then but with my now that my wife is

3006

01:51:35,430 --> 01:51:33,920

home she's cooking most of the time and

3007

01:51:37,109 --> 01:51:35,440

she cooks much better than me so i'm

3008

01:51:39,910 --> 01:51:37,119

getting fat from that too

3009

01:51:41,350 --> 01:51:39,920

and it's just the health crisis i've

3010

01:51:42,870 --> 01:51:41,360

been sitting around my house i don't go

3011

01:51:44,709 --> 01:51:42,880

anywhere i'll go outside

3012

01:51:46,550 --> 01:51:44,719

right i'm sitting around my house in

3013

01:51:48,470 --> 01:51:46,560

front of the screen all day

3014

01:51:51,109 --> 01:51:48,480

and i'm eating a lot of comfort food

3015

01:51:54,390 --> 01:51:51,119

right macaroni and cheese and

3016

01:51:55,830 --> 01:51:54,400

i don't know my wife got cheesecake and

3017

01:51:57,189 --> 01:51:55,840

then the kids have this

3018

01:51:59,430 --> 01:51:57,199

you know if you have kids there's all

3019

01:52:01,189 --> 01:51:59,440

this garbage food that you can eat and

3020

01:52:04,550 --> 01:52:01,199

sometimes i do i sit and eat

3021

01:52:05,910 --> 01:52:04,560

the garbage my son's like can i have

3022

01:52:15,669 --> 01:52:05,920

some chips i'm like

3023

01:52:19,430 --> 01:52:17,430

yeah marshall says ultra bridge is a

3024

01:52:21,510 --> 01:52:19,440

great band where tremonti great guitar

3025

01:52:24,149 --> 01:52:21,520

player yeah i like ultra bridge actually

3026

01:52:26,070 --> 01:52:24,159

it's on my list of uh good albums i

3027

01:52:27,589 --> 01:52:26,080

think they make good albums and by emma

3028

01:52:27,830 --> 01:52:27,599

i mean an album from the beginning to

3029

01:52:31,030 --> 01:52:27,840

the

3030

01:52:42,629 --> 01:52:31,040

end not you know an album full of

3031

01:52:46,870 --> 01:52:45,510

okay friend so uh we're we're rapidly

3032

01:52:48,310 --> 01:52:46,880

approaching two hours here and i'm not

3033

01:52:50,310 --> 01:52:48,320

david wilcock i'm not gonna make you

3034

01:52:51,510 --> 01:52:50,320

listen to me for that long

3035

01:52:53,030 --> 01:52:51,520

and the point i was making about his

3036

01:52:54,870 --> 01:52:53,040

long streams is really come on man

3037

01:52:55,990 --> 01:52:54,880

nobody wants to listen to anybody talk

3038

01:52:59,750 --> 01:52:56,000

for four hours

3039

01:53:01,270 --> 01:52:59,760

look i can pick just a few people on

3040

01:53:01,910 --> 01:53:01,280

planet earth that i could sit through

3041

01:53:04,310 --> 01:53:01,920

four hour

3042

01:53:05,030 --> 01:53:04,320

lecture from and david wilcock is not

3043

01:53:07,910 --> 01:53:05,040

one of them

3044

01:53:10,830 --> 01:53:07,920

but i just did because now you guys

3045

01:53:15,270 --> 01:53:13,830

yeah i uh

3046

01:53:17,270 --> 01:53:15,280

also just want to mention that we have a

3047

01:53:18,629 --> 01:53:17,280

couple of characters coming up and

3048

01:53:23,830 --> 01:53:18,639

tomorrow

3049

01:53:26,310 --> 01:53:23,840

a crazy story from the dark side

3050

01:53:27,990 --> 01:53:26,320

tomorrow night at 9 00 pm we're gonna

3051
01:53:28,950 --> 01:53:28,000
talk to a person who claims to have

3052
01:53:32,070 --> 01:53:28,960
witnessed

3053
01:53:33,750 --> 01:53:32,080
ritual blood sacrifices in mexico

3054
01:53:35,430 --> 01:53:33,760
and he's gonna come on our show and tell

3055
01:53:37,430 --> 01:53:35,440
the whole crazy story

3056
01:53:38,550 --> 01:53:37,440
and i gotta tell you bring some popcorn

3057
01:53:41,589 --> 01:53:38,560
because this story

3058
01:53:45,030 --> 01:53:41,599
is crazy uh and it involves

3059
01:53:48,629 --> 01:53:45,040
um dark magicians

3060
01:53:52,149 --> 01:53:48,639
and blood sacrifices and i believe

3061
01:53:53,990 --> 01:53:52,159
human sacrifices and

3062
01:53:59,189 --> 01:53:54,000
it's a crazy story you're going to want

3063
01:54:02,950 --> 01:54:01,350

now i'm going to have to bail uh alien

3064

01:54:05,109 --> 01:54:02,960

scientists ask do you want to jump on my

3065

01:54:08,310 --> 01:54:05,119

stream next with me and dan no

3066

01:54:10,070 --> 01:54:08,320

no please no no i can't

3067

01:54:11,430 --> 01:54:10,080

i gotta get up early tomorrow and i

3068

01:54:13,510 --> 01:54:11,440

barely slept last night

3069

01:54:15,750 --> 01:54:13,520

and you guys tend to run long i think

3070

01:54:17,270 --> 01:54:15,760

the last one i was there for five hours

3071

01:54:19,030 --> 01:54:17,280

right we were there for five hours that

3072

01:54:20,870 --> 01:54:19,040

was on my show

3073

01:54:22,229 --> 01:54:20,880

really yeah it was like between the show

3074

01:54:23,430 --> 01:54:22,239

and the show was only a few hours we've

3075

01:54:24,629 --> 01:54:23,440

done the after show

3076

01:54:27,910 --> 01:54:24,639

i can't do it today i could do it

3077

01:54:30,390 --> 01:54:27,920

tomorrow maybe after my show here

3078

01:54:31,430 --> 01:54:30,400

but always uh yeah come on party all

3079

01:54:33,669 --> 01:54:31,440

night now

3080

01:54:35,189 --> 01:54:33,679

i gotta get to bed i really do i was at

3081

01:54:35,990 --> 01:54:35,199

the cabin and i couldn't sleep and then

3082

01:54:37,669 --> 01:54:36,000

i noticed

3083

01:54:39,270 --> 01:54:37,679

like the light was coming up and i was

3084

01:54:40,870 --> 01:54:39,280

still awake so

3085

01:54:43,270 --> 01:54:40,880

and then i had to hurry up and wake up

3086

01:54:44,229 --> 01:54:43,280

and go home but you know wake up at like

3087

01:54:47,830 --> 01:54:44,239

noon

3088

01:54:52,070 --> 01:54:47,840

to go home yeah see that you guys were

3089

01:54:55,189 --> 01:54:53,910

i can't do that i have my kids tomorrow

3090

01:54:58,470 --> 01:54:55,199

and they're gonna be

3091

01:55:00,629 --> 01:54:58,480

awake and alert or they'll beat me

3092

01:55:01,589 --> 01:55:00,639

and you know what it's like to have to

3093

01:55:05,270 --> 01:55:01,599

deal and

3094

01:55:05,669 --> 01:55:05,280

and realize that i am at the mercy of a

3095

01:55:07,589 --> 01:55:05,679

four

3096

01:55:09,589 --> 01:55:07,599

and eight year old and they could make

3097

01:55:12,070 --> 01:55:09,599

my day miserable

3098

01:55:13,430 --> 01:55:12,080

if i'm not active and alert and in front

3099

01:55:14,070 --> 01:55:13,440

of whatever they're doing like what are

3100

01:55:15,990 --> 01:55:14,080

you doing

3101

01:55:18,149 --> 01:55:16,000

no get out of the fridge don't make a

3102

01:55:19,510 --> 01:55:18,159

mess don't spill that milk on the floor

3103

01:55:21,350 --> 01:55:19,520

what are you doing with food in here in

3104

01:55:23,669 --> 01:55:21,360

the living room why is there nacho

3105

01:55:25,750 --> 01:55:23,679

cheese sauce on the walls

3106

01:55:26,790 --> 01:55:25,760

why is there crayons smashed up all in

3107

01:55:28,629 --> 01:55:26,800

the bathroom

3108

01:55:30,470 --> 01:55:28,639

i got to be on my game with these kids

3109

01:55:32,310 --> 01:55:30,480

so yeah

3110

01:55:36,070 --> 01:55:32,320

brian mcLeod says get meth you'll be

3111

01:55:40,709 --> 01:55:38,709

3112

01:55:47,350 --> 01:55:40,719

3113

01:55:48,870 --> 01:55:47,360

it's my pleasure

3114

01:55:50,550 --> 01:55:48,880

change the name on i see every stream

3115

01:55:56,550 --> 01:55:50,560

3118

01:56:02,550 --> 01:56:01,119

alien scientist

3119

01:56:04,870 --> 01:56:02,560

channel where they'll probably be

3120

01:56:08,149 --> 01:56:04,880

streaming for four or five hours

3121

01:56:09,990 --> 01:56:08,159
