[Music]

2
00:01:04,000 --> 00:00:58,240

so

3
00:02:04,550 --> 00:01:10,910

[Music]

4
00:02:08,949 --> 00:02:07,190
greetings and salutations friends and

5
00:02:11,589 --> 00:02:08,959
welcome back

6
00:02:13,110 --> 00:02:11,599
uh tonight i was gonna try uh this

7
00:02:14,869 --> 00:02:13,120
multi-camera setup which i've been

8
00:02:17,190 --> 00:02:14,879
working on all day but suddenly realized

9
00:02:20,869 --> 00:02:17,200
it's not gonna work right with a guest

10
00:02:23,910 --> 00:02:20,879
so we'll have to try that another night

11
00:02:26,869 --> 00:02:23,920
you know there's lots of

12
00:02:27,350 --> 00:02:26,879
things to talk about uh as far as ufos

13
00:02:30,150 --> 00:02:27,360

go

14

00:02:31,830 --> 00:02:30,160

seems to be a real increase in activity

15

00:02:36,390 --> 00:02:31,840

lately both in discussion

16

00:02:38,550 --> 00:02:36,400

reports uh news stories media coverage

17

00:02:40,869 --> 00:02:38,560

so i thought tonight would bring in uh

18

00:02:44,390 --> 00:02:40,879

someone that i've talked to on twitter

19

00:02:45,350 --> 00:02:44,400

uh who follows ufos and we're just gonna

20

00:02:48,630 --> 00:02:45,360

have a

21

00:02:51,750 --> 00:02:48,640

a real open and honest talk uh

22

00:03:04,510 --> 00:02:51,760

about ufos uh so for tonight

23

00:03:34,710 --> 00:03:04,520

this will be our ufo report

24

00:03:36,869 --> 00:03:34,720

[Music]

25

00:03:38,309 --> 00:03:36,879

okay friends so uh without any further

26

00:03:41,830 --> 00:03:38,319

ado let's uh bring

27

00:03:45,910 --> 00:03:41,840

in our guest there timothy good to see

28

00:03:50,229 --> 00:03:48,869

might help if i unmuted the mic yeah

29

00:03:52,789 --> 00:03:50,239

yeah how's it going man

30

00:03:54,550 --> 00:03:52,799

for the intro that's good sorry my my

31

00:03:54,869 --> 00:03:54,560

dog's running around so you'll see that

32

00:03:57,350 --> 00:03:54,879

but

33

00:03:57,910 --> 00:03:57,360

yeah good to talk to you man yeah yeah

34

00:03:59,910 --> 00:03:57,920

so

35

00:04:01,750 --> 00:03:59,920

what do you make of this increase in

36

00:04:04,070 --> 00:04:01,760

activity lately and as far as

37

00:04:05,110 --> 00:04:04,080

what's going on in the world of ufos and

38

00:04:08,470 --> 00:04:05,120

people who are

39

00:04:12,149 --> 00:04:08,480

following ufos i don't know what

40

00:04:14,070 --> 00:04:12,159

i i asked chris rotowski about it he

41

00:04:15,750 --> 00:04:14,080

does the canadian ufo survey you

42

00:04:17,830 --> 00:04:15,760

probably know his name he

43

00:04:19,110 --> 00:04:17,840

uh he wrote an article on it and a few

44

00:04:20,229 --> 00:04:19,120

other peoples have addressed it a few

45

00:04:21,670 --> 00:04:20,239

other people have addressed them the

46

00:04:23,430 --> 00:04:21,680

same issue so yeah it seems like the

47

00:04:25,749 --> 00:04:23,440

sightings have gone up significantly at

48

00:04:27,030 --> 00:04:25,759

least they did during pandemic but

49

00:04:29,350 --> 00:04:27,040

more recently i think there's been a

50

00:04:31,270 --> 00:04:29,360

drop off from what he said so

51
00:04:33,510 --> 00:04:31,280
kind of a big steep increase and then

52
00:04:35,350 --> 00:04:33,520
down below baseline maybe even

53
00:04:36,870 --> 00:04:35,360
i don't know i mean it's um of course

54
00:04:39,430 --> 00:04:36,880
attention has shifted to

55
00:04:40,230 --> 00:04:39,440
to the topic too so it's hard to figure

56
00:04:41,830 --> 00:04:40,240
out which is the

57
00:04:43,909 --> 00:04:41,840
chicken and which is the egg right

58
00:04:45,670 --> 00:04:43,919
partly yeah absolutely

59
00:04:48,629 --> 00:04:45,680
and we have genocide here with a

60
00:04:51,430 --> 00:04:48,639
generous two dollar plywood fun donation

61
00:04:52,870 --> 00:04:51,440
do you know plywood cost 60 for one

62
00:04:54,310 --> 00:04:52,880
shoot

63
00:04:55,830 --> 00:04:54,320

yeah i know you mentioned that i was

64

00:04:58,070 --> 00:04:55,840

that's why i said how about corrugated

65

00:05:00,550 --> 00:04:58,080

10 can you just my dad built like a barn

66

00:05:02,390 --> 00:05:00,560

corrugated 10-1 that's actually what i

67

00:05:04,070 --> 00:05:02,400

think i'm gonna do for the porch roof

68

00:05:06,629 --> 00:05:04,080

because then i don't worry about the

69

00:05:08,710 --> 00:05:06,639

wood tin will be just fine i just gotta

70

00:05:10,629 --> 00:05:08,720

figure out how to join that tin roof

71

00:05:13,909 --> 00:05:10,639

with the rest of the roof

72

00:05:15,270 --> 00:05:13,919

all right okay but thank you uh genocide

73

00:05:15,990 --> 00:05:15,280

for your kindness your generosity and

74

00:05:17,909 --> 00:05:16,000

support and

75

00:05:19,990 --> 00:05:17,919

anybody can throw money at me just hit

76

00:05:23,110 --> 00:05:20,000

the money button in the live chat

77

00:05:25,909 --> 00:05:23,120

we appreciate all the support so

78

00:05:26,550 --> 00:05:25,919

you know back to this yeah i i have not

79

00:05:30,070 --> 00:05:26,560

seen

80

00:05:32,950 --> 00:05:30,080

this much media coverage about ufos ever

81

00:05:33,670 --> 00:05:32,960

i don't think or maybe i'm too plugged

82

00:05:36,230 --> 00:05:33,680

in right

83

00:05:37,990 --> 00:05:36,240

so i'm noticing it yeah it's well

84

00:05:40,390 --> 00:05:38,000

there's a couple of things you know with

85

00:05:41,110 --> 00:05:40,400

with social media everybody can engage

86

00:05:43,909 --> 00:05:41,120

in the topic

87

00:05:44,870 --> 00:05:43,919

to a lot larger degree so everybody

88

00:05:47,909 --> 00:05:44,880

suddenly wants to

89

00:05:49,430 --> 00:05:47,919

talk ufos i think but you know the

90

00:05:51,189 --> 00:05:49,440

sightings are up and always up and down

91

00:05:52,710 --> 00:05:51,199

but they're always always there there's

92

00:05:55,189 --> 00:05:52,720

never been a year without a ufo

93

00:05:56,629 --> 00:05:55,199

so i and then i saw your show where you

94

00:05:59,029 --> 00:05:56,639

had the

95

00:06:00,710 --> 00:05:59,039

stephen grier on dr steven green i'm

96

00:06:02,070 --> 00:06:00,720

sorry

97

00:06:04,550 --> 00:06:02,080

i appreciated that i thought that was

98

00:06:06,710 --> 00:06:04,560

great so and david halperin who's uh

99

00:06:08,950 --> 00:06:06,720

you know one of my mentors so to speaker

100

00:06:12,629 --> 00:06:10,790

i'm always fascinated you know what

101

00:06:13,990 --> 00:06:12,639

fascinates me about ufos is

102

00:06:16,790 --> 00:06:14,000

a lot of people think that people that

103

00:06:19,189 --> 00:06:16,800

are into ufos are just straight nutters

104

00:06:20,950 --> 00:06:19,199

but what fascinates me sometimes is the

105

00:06:24,309 --> 00:06:20,960

number of truly

106

00:06:25,749 --> 00:06:24,319

well incredibly well educated people

107

00:06:27,909 --> 00:06:25,759

that are into them you know stan

108

00:06:30,550 --> 00:06:27,919

friedman was a nuclear physicist

109

00:06:31,670 --> 00:06:30,560

you know yeah yeah and it's not uncommon

110

00:06:33,749 --> 00:06:31,680

even that you know

111

00:06:35,270 --> 00:06:33,759

for people to in higher levels of

112

00:06:36,790 --> 00:06:35,280

academia to be interested

113

00:06:38,070 --> 00:06:36,800

but in terms of actually being

114

00:06:39,590 --> 00:06:38,080

interested enough to do the research in

115

00:06:41,430 --> 00:06:39,600

the past hasn't really

116

00:06:42,629 --> 00:06:41,440

you know but yeah maybe with this new

117

00:06:44,550 --> 00:06:42,639

attention there'll be something

118

00:06:47,350 --> 00:06:44,560

different that happens i'm

119

00:06:48,390 --> 00:06:47,360

i'm pretty skeptical of every single of

120

00:06:51,270 --> 00:06:48,400

it seems like the

121

00:06:52,469 --> 00:06:51,280

media coverage has shifted in the last

122

00:06:55,029 --> 00:06:52,479

few years from just

123

00:06:57,110 --> 00:06:55,039

being like you know it used to be they

124

00:06:59,350 --> 00:06:57,120

played the x-files kind of music

125

00:07:02,710 --> 00:06:59,360

and they made fun like oh some people

126

00:07:05,670 --> 00:07:02,720

saw that might have been aliens you know

127

00:07:06,390 --> 00:07:05,680

like the stories funny or like kind of

128

00:07:08,950 --> 00:07:06,400

ridiculous

129

00:07:10,469 --> 00:07:08,960

and now it seems to be it seems to me at

130

00:07:11,430 --> 00:07:10,479

least that the coverage is shifting to

131

00:07:14,550 --> 00:07:11,440

be more

132

00:07:16,309 --> 00:07:14,560

serious yeah yeah i think so i mean

133

00:07:17,749 --> 00:07:16,319

that's that's a good thing obviously

134

00:07:19,830 --> 00:07:17,759

what it is

135

00:07:21,189 --> 00:07:19,840

regardless of how it comes out that what

136

00:07:23,110 --> 00:07:21,199

the explanation turns out to be it's a

137

00:07:24,070 --> 00:07:23,120

public safety concern if nothing else

138

00:07:26,629 --> 00:07:24,080

right i mean

139

00:07:28,070 --> 00:07:26,639

well if a pilot thinks he sees something

140

00:07:29,430 --> 00:07:28,080

whether or not he even did you know

141

00:07:31,189 --> 00:07:29,440

whether he actually thinks you know

142

00:07:33,189 --> 00:07:31,199

whether he actually hits something or

143

00:07:34,870 --> 00:07:33,199

averts a near miss that's a safety

144

00:07:37,589 --> 00:07:34,880

concern so

145

00:07:39,510 --> 00:07:37,599

i i i can't see that that it shouldn't

146

00:07:41,350 --> 00:07:39,520

be addressed right and it's also more

147

00:07:42,710 --> 00:07:41,360

overarching i guess an existential kind

148

00:07:44,629 --> 00:07:42,720

of question about our place in the

149

00:07:47,430 --> 00:07:44,639

universe and you know

150

00:07:48,869 --> 00:07:47,440

all that kind of stuff but yeah yeah

151
00:07:50,869 --> 00:07:48,879
safety issues right

152
00:07:52,230 --> 00:07:50,879
yeah and it also seems to be like this

153
00:07:55,029 --> 00:07:52,240
is a serious

154
00:07:55,510 --> 00:07:55,039
national security concern right i mean

155
00:07:57,430 --> 00:07:55,520
yeah

156
00:07:59,189 --> 00:07:57,440
it's it's funny to me that the u.s

157
00:08:01,589 --> 00:07:59,199
government basically says

158
00:08:02,390 --> 00:08:01,599
there's these things we've filmed some

159
00:08:06,390 --> 00:08:02,400
of it we've

160
00:08:09,110 --> 00:08:06,400
got sensor data and radar tapes and

161
00:08:10,869 --> 00:08:09,120
we don't know what they are yeah you

162
00:08:14,070 --> 00:08:10,879
know flying right over

163
00:08:16,629 --> 00:08:14,080

military assets like uh like

164

00:08:18,869 --> 00:08:16,639

you know big ships and barriers and

165

00:08:20,790 --> 00:08:18,879

destroyers and

166

00:08:22,309 --> 00:08:20,800

and when they really well brings in a

167

00:08:23,990 --> 00:08:22,319

whole set of issues right but the

168

00:08:26,950 --> 00:08:24,000

the drone stuff seems to be a weird

169

00:08:29,589 --> 00:08:26,960

subset i mean is that part of the larger

170

00:08:31,589 --> 00:08:29,599

ufo issue or is that a ploy to allow

171

00:08:33,110 --> 00:08:31,599

them to talk about it in a way that

172

00:08:35,190 --> 00:08:33,120

they can do so without getting a lot of

173

00:08:37,829 --> 00:08:35,200

flack i don't know but

174

00:08:39,430 --> 00:08:37,839

you know it's hard to you know you think

175

00:08:40,870 --> 00:08:39,440

about more modern stuff you've got more

176

00:08:42,469 --> 00:08:40,880

drone possibilities and

177

00:08:44,389 --> 00:08:42,479

if those are drones whose are they are

178

00:08:45,670 --> 00:08:44,399

they chinese are they russian is that

179

00:08:48,070 --> 00:08:45,680

separate from

180

00:08:48,710 --> 00:08:48,080

you know ufos from the 60s or somehow

181

00:08:49,990 --> 00:08:48,720

related

182

00:08:52,829 --> 00:08:50,000

well obviously it wasn't that kind of

183

00:08:55,430 --> 00:08:52,839

drone technology back then but

184

00:08:57,110 --> 00:08:55,440

it's actually

185

00:08:59,110 --> 00:08:57,120

a lot of people don't know but there was

186

00:09:01,750 --> 00:08:59,120

a special drone

187

00:09:02,949 --> 00:09:01,760

that was built in the 60s late 60s i

188

00:09:06,389 --> 00:09:02,959

guess that was

189

00:09:08,870 --> 00:09:06,399

like launched from the blackbird so

190

00:09:10,470 --> 00:09:08,880

really this drone technology goes back a

191

00:09:12,790 --> 00:09:10,480

lot further it's just

192

00:09:13,590 --> 00:09:12,800

become you know it took how many years

193

00:09:16,630 --> 00:09:13,600

for it to be

194

00:09:17,110 --> 00:09:16,640

like i can go buy and fly a drone you

195

00:09:19,750 --> 00:09:17,120

know

196

00:09:22,550 --> 00:09:19,760

right right government always has tech

197

00:09:24,230 --> 00:09:22,560

before everybody else gets it

198

00:09:25,990 --> 00:09:24,240

yeah yeah and it's weird with some of

199

00:09:27,990 --> 00:09:26,000

the the stuff that that has been leaked

200

00:09:29,509 --> 00:09:28,000

or released or whatever it's

201

00:09:31,269 --> 00:09:29,519

it's always stuff of course it's highly

202

00:09:32,870 --> 00:09:31,279

debatable there's never anything where

203

00:09:35,670 --> 00:09:32,880

it's it's an obvious

204

00:09:36,790 --> 00:09:35,680

nobody can can dispute this in the times

205

00:09:38,550 --> 00:09:36,800

that sure

206

00:09:39,910 --> 00:09:38,560

the public in public science has gotten

207

00:09:41,910 --> 00:09:39,920

that gotten you know

208

00:09:43,430 --> 00:09:41,920

getting the data they've many times been

209

00:09:44,150 --> 00:09:43,440

able to explain stuff it looks like that

210

00:09:45,750 --> 00:09:44,160

maybe

211

00:09:47,269 --> 00:09:45,760

military intelligence wasn't able to

212

00:09:48,550 --> 00:09:47,279

explain which is kind of troubling

213

00:09:50,070 --> 00:09:48,560

either they couldn't explain it or they

214

00:09:53,030 --> 00:09:50,080

don't want to say that they were able to

215

00:09:54,150 --> 00:09:53,040

i don't know but that's kind of a weird

216

00:09:56,470 --> 00:09:54,160

thing to me

217

00:09:57,990 --> 00:09:56,480

so anyway it kind of reminds me of the

218

00:09:58,630 --> 00:09:58,000

thing with the roswell slides right when

219

00:10:00,150 --> 00:09:58,640

guys were

220

00:10:01,910 --> 00:10:00,160

we can't figure out what the hell it is

221

00:10:03,430 --> 00:10:01,920

it might be an alien and then then they

222

00:10:05,829 --> 00:10:03,440

of course after they charge the money

223

00:10:07,509 --> 00:10:05,839

and released the photograph the placard

224

00:10:08,949 --> 00:10:07,519

literally just needed to be enhanced so

225

00:10:10,949 --> 00:10:08,959

that it said this is a corpse of a

226

00:10:12,949 --> 00:10:10,959

native american blah blah blah

227

00:10:14,790 --> 00:10:12,959

yeah we've covered some of these yeah

228

00:10:16,389 --> 00:10:14,800

this stuff gets solved it can be solved

229

00:10:18,470 --> 00:10:16,399

immediately you know if people just

230

00:10:19,910 --> 00:10:18,480

don't try to hide the evidence or

231

00:10:21,750 --> 00:10:19,920

i don't know i'm not a big fan of that

232

00:10:23,190 --> 00:10:21,760

well it seems to me that there's been a

233

00:10:25,829 --> 00:10:23,200

just a tremendous

234

00:10:26,790 --> 00:10:25,839

oh there's a lot of ufo profiteers out

235

00:10:29,670 --> 00:10:26,800

there and if they

236

00:10:31,590 --> 00:10:29,680

find and you know one of the things

237

00:10:33,990 --> 00:10:31,600

that's funny to me is like people

238

00:10:35,190 --> 00:10:34,000

still support jaime musson or or some of

239

00:10:38,630 --> 00:10:35,200

these hoaxers

240

00:10:41,670 --> 00:10:38,640

you know they used human remains

241

00:10:42,150 --> 00:10:41,680

stephen greer too they used both steven

242

00:10:45,269 --> 00:10:42,160

grier

243

00:10:49,030 --> 00:10:45,279

and haye misson and others used

244

00:10:52,150 --> 00:10:49,040

human remains to make money

245

00:10:54,949 --> 00:10:52,160

off of aliens and people's belief or or

246

00:10:57,269 --> 00:10:54,959

desire to believe in aliens and to me

247

00:10:59,110 --> 00:10:57,279

you just used a human body like have

248

00:11:02,470 --> 00:10:59,120

some dignity and respect for

249

00:11:05,110 --> 00:11:02,480

that poor dead soul right no

250

00:11:06,310 --> 00:11:05,120

i'm going to use it to make some money

251

00:11:09,430 --> 00:11:06,320

because i can make a

252

00:11:11,990 --> 00:11:09,440

boat both of them i'm sure thought

253

00:11:13,430 --> 00:11:12,000

uh well i'm speculating but they can

254

00:11:15,910 --> 00:11:13,440

make a boatload of money

255

00:11:17,509 --> 00:11:15,920

before the truth comes out about it and

256

00:11:19,670 --> 00:11:17,519

they don't give the money back

257

00:11:22,470 --> 00:11:19,680

once it becomes clear that this was

258

00:11:25,350 --> 00:11:22,480

human remains in both of those cases

259

00:11:27,110 --> 00:11:25,360

yeah yeah maybe donate a percentage to a

260

00:11:29,430 --> 00:11:27,120

native american charity or something but

261

00:11:31,670 --> 00:11:29,440

that's not going to happen obviously

262

00:11:33,190 --> 00:11:31,680

you know it's it's uh you know and for

263

00:11:34,870 --> 00:11:33,200

the most part people

264

00:11:36,870 --> 00:11:34,880

on some of those extreme fringes in

265

00:11:39,590 --> 00:11:36,880

ufology which unfortunately

266

00:11:40,470 --> 00:11:39,600

well greer is is among now even though

267

00:11:41,910 --> 00:11:40,480

you know he still

268

00:11:43,509 --> 00:11:41,920

got a lot of mainstream attention back

269

00:11:46,470 --> 00:11:43,519

in the day but

270

00:11:48,389 --> 00:11:46,480

yeah it's most serious people serious

271

00:11:49,990 --> 00:11:48,399

ufo people don't really

272

00:11:51,670 --> 00:11:50,000

pay much that you know pay much heed to

273

00:11:54,710 --> 00:11:51,680

that um

274

00:11:55,509 --> 00:11:54,720

speaking yeah it should be two there

275

00:11:57,590 --> 00:11:55,519

should be two

276

00:11:59,030 --> 00:11:57,600

separate there should be like two

277

00:12:00,870 --> 00:11:59,040

separate um

278

00:12:02,389 --> 00:12:00,880

you know columns you know there should

279

00:12:04,949 --> 00:12:02,399

be researchers

280

00:12:06,629 --> 00:12:04,959

and there should be ufo hucksters right

281

00:12:08,629 --> 00:12:06,639

you know these people are just out there

282

00:12:11,350 --> 00:12:08,639

selling whatever stories they can

283

00:12:13,590 --> 00:12:11,360

no matter how the the witnesses aren't

284

00:12:13,910 --> 00:12:13,600

credible or the witnesses turn out to be

285

00:12:16,389 --> 00:12:13,920

like

286

00:12:17,350 --> 00:12:16,399

child molesters or convicted felons you

287

00:12:19,670 --> 00:12:17,360

know or like

288

00:12:20,470 --> 00:12:19,680

former burglars or you know stuff like

289

00:12:22,470 --> 00:12:20,480

that like

290

00:12:23,670 --> 00:12:22,480

let's run with the story he'll say this

291

00:12:26,550 --> 00:12:23,680

stuff and i can

292

00:12:28,310 --> 00:12:26,560

i can hype up this story and again it'll

293

00:12:29,030 --> 00:12:28,320

take some time before people figure out

294

00:12:31,509 --> 00:12:29,040

that that

295

00:12:33,350 --> 00:12:31,519

witness is a joke yeah that little

296

00:12:34,710 --> 00:12:33,360

window of ambiguity where you can profit

297

00:12:36,470 --> 00:12:34,720

right

298

00:12:38,150 --> 00:12:36,480

you know what i think i'm gonna i'm

299

00:12:40,230 --> 00:12:38,160

gonna make some money timothy

300

00:12:42,069 --> 00:12:40,240

and here's how i'm gonna do it i'm gonna

301
00:12:42,949 --> 00:12:42,079
drive down to philadelphia and i'm gonna

302
00:12:45,670 --> 00:12:42,959
load

303
00:12:46,949 --> 00:12:45,680
a van up full of homeless guys and i'm

304
00:12:50,470 --> 00:12:46,959
gonna give them lunch

305
00:12:53,110 --> 00:12:50,480
and some beer and i'm gonna feed them

306
00:12:53,750 --> 00:12:53,120
right and i'm going to give him a script

307
00:12:57,670 --> 00:12:53,760
like here

308
00:13:00,790 --> 00:12:57,680
you're a cia uh you're a former cia

309
00:13:03,269 --> 00:13:00,800
person and you this other homeless guy

310
00:13:05,670 --> 00:13:03,279
i'm going to like you worked at area 51

311
00:13:06,470 --> 00:13:05,680
and this other homeless guy and be like

312
00:13:09,750 --> 00:13:06,480
you

313
00:13:12,069 --> 00:13:09,760

script and then

314

00:13:13,910 --> 00:13:12,079

you know come on man i'm gonna do it i'm

315

00:13:16,470 --> 00:13:13,920

gonna do it and we'll see what happens

316

00:13:17,509 --> 00:13:16,480

see if that's if this story of these

317

00:13:18,790 --> 00:13:17,519

guys blows up

318

00:13:21,190 --> 00:13:18,800

and then i could come out and tell the

319

00:13:22,870 --> 00:13:21,200

truth and say this is how gullible

320

00:13:24,389 --> 00:13:22,880

you have to you have to along the way to

321

00:13:24,870 --> 00:13:24,399

say that the information was properly

322

00:13:27,990 --> 00:13:24,880

vetted

323

00:13:31,190 --> 00:13:28,000

or something too yeah definitely

324

00:13:33,990 --> 00:13:31,200

but it's i don't know the extreme

325

00:13:35,670 --> 00:13:34,000

fringes of ufology

326

00:13:37,670 --> 00:13:35,680

but i would be funny as a social

327

00:13:39,910 --> 00:13:37,680

experiment to see how many of those

328

00:13:41,670 --> 00:13:39,920

stories really took off or got

329

00:13:43,430 --> 00:13:41,680

more media coverage and then we could

330

00:13:45,350 --> 00:13:43,440

come out and tell the truth and say

331

00:13:47,110 --> 00:13:45,360

these were homeless people i gave them a

332

00:13:49,430 --> 00:13:47,120

few dollars and a script

333

00:13:51,990 --> 00:13:49,440

and you people believe this you know

334

00:13:54,629 --> 00:13:52,000

right because this desire this this

335

00:13:55,269 --> 00:13:54,639

this i called it in another show the

336

00:13:57,750 --> 00:13:55,279

hunger

337

00:13:59,350 --> 00:13:57,760

to believe this stuff is so strong in

338

00:14:01,269 --> 00:13:59,360

some of these people and then

339

00:14:02,470 --> 00:14:01,279

you know they get they they've already

340

00:14:03,910 --> 00:14:02,480

made up their mind

341

00:14:05,829 --> 00:14:03,920

and they're just looking for things to

342

00:14:08,790 --> 00:14:05,839

confirm their

343

00:14:10,870 --> 00:14:08,800

you know pre-held hypothesis these are

344

00:14:12,870 --> 00:14:10,880

aliens flying around in our skies

345

00:14:14,870 --> 00:14:12,880

i think it's a jump it's definitely a

346

00:14:18,230 --> 00:14:14,880

jump right

347

00:14:20,150 --> 00:14:18,240

yeah definitely i mean and

348

00:14:21,990 --> 00:14:20,160

now it's a little it's a weird

349

00:14:23,910 --> 00:14:22,000

difference now as to i've been you know

350

00:14:27,110 --> 00:14:23,920

following ufos for

351
00:14:28,790 --> 00:14:27,120
dating myself for 30 something years but

352
00:14:30,389 --> 00:14:28,800
even with roswell sludge there wasn't a

353
00:14:31,189 --> 00:14:30,399
lot going on back then so people needed

354
00:14:33,829 --> 00:14:31,199
to hype something

355
00:14:35,509 --> 00:14:33,839
right part of the problem but now there

356
00:14:37,269 --> 00:14:35,519
is so much coverage you know it's easy

357
00:14:39,030 --> 00:14:37,279
to to take that and kind of ride on it

358
00:14:39,670 --> 00:14:39,040
if you're looking to exploit stuff you

359
00:14:41,910 --> 00:14:39,680
know

360
00:14:43,350 --> 00:14:41,920
i think it has taken a more serious turn

361
00:14:45,350 --> 00:14:43,360
right now

362
00:14:47,509 --> 00:14:45,360
with another five dollars for the wood

363
00:14:49,509 --> 00:14:47,519

fund if this keeps up

364

00:14:51,350 --> 00:14:49,519

timothy i might be able to buy half a

365

00:14:53,350 --> 00:14:51,360

sheet of plywood by the time this

366

00:14:54,550 --> 00:14:53,360

broadcast is concluded

367

00:14:56,550 --> 00:14:54,560

thank you for your kindness your

368

00:14:59,430 --> 00:14:56,560

generosity and your support all around

369

00:15:00,870 --> 00:14:59,440

arbiter we do appreciate it and uh i

370

00:15:02,230 --> 00:15:00,880

don't know i think i'm going to go with

371

00:15:03,750 --> 00:15:02,240

tin though i really am

372

00:15:05,910 --> 00:15:03,760

i'm not going to do wood roof i'm going

373

00:15:08,310 --> 00:15:05,920

to just go buy the tin

374

00:15:11,670 --> 00:15:08,320

and it'll come out way cheaper than

375

00:15:13,030 --> 00:15:11,680

plywood and roofing materials would

376

00:15:14,949 --> 00:15:13,040

yeah and i would think the tin would

377

00:15:16,790 --> 00:15:14,959

stay like cleaner and newer you could

378

00:15:18,230 --> 00:15:16,800

keep that plywood's going to turn dingy

379

00:15:20,790 --> 00:15:18,240

and [h__h] you know i don't know but

380

00:15:21,829 --> 00:15:20,800

well i'm not a carpenter but i did

381

00:15:23,670 --> 00:15:21,839

rolled roofing

382

00:15:25,590 --> 00:15:23,680

on the rest of the roof like you know

383

00:15:27,189 --> 00:15:25,600

tar paper and then that rolled roofing

384

00:15:30,310 --> 00:15:27,199

and he mucked the seams and that

385

00:15:31,269 --> 00:15:30,320

that lasts for a good 15 years so but

386

00:15:33,670 --> 00:15:31,279

the tin lasts

387

00:15:35,430 --> 00:15:33,680

much much longer so that was a great

388

00:15:36,150 --> 00:15:35,440

suggestion and i didn't even think of

389

00:15:39,749 --> 00:15:36,160

that

390

00:15:41,990 --> 00:15:39,759

pictures of my cabin

391

00:15:43,430 --> 00:15:42,000

project yeah once in a while somebody's

392

00:15:45,430 --> 00:15:43,440

got a great suggestion like somebody

393

00:15:48,230 --> 00:15:45,440

helped me figure out how to uh

394

00:15:48,790 --> 00:15:48,240

do the drains out the cabin yeah things

395

00:15:50,230 --> 00:15:48,800

like that

396

00:15:52,230 --> 00:15:50,240

so i'd have to pay a plumber and

397

00:15:56,470 --> 00:15:52,240

somebody else helped me figure out

398

00:15:58,790 --> 00:15:56,480

how to wire uh electrical outlets

399

00:16:00,629 --> 00:15:58,800

yeah nice yeah i wish i could i'm in

400

00:16:02,150 --> 00:16:00,639

arizona i'd love to be able to like

401

00:16:04,069 --> 00:16:02,160

build something out here

402

00:16:06,230 --> 00:16:04,079

eventually get a camper and be able to

403

00:16:07,829 --> 00:16:06,240

you know some outdoor stuff out here but

404

00:16:08,389 --> 00:16:07,839

it's great yeah arizona it's great you

405

00:16:12,310 --> 00:16:08,399

guys

406

00:16:15,670 --> 00:16:13,590

yeah it's getting to the hot time of

407

00:16:16,870 --> 00:16:15,680

year of course now so no this cabin is

408

00:16:18,629 --> 00:16:16,880

crazy it's like

409

00:16:20,310 --> 00:16:18,639

it's like eight months out of the years

410

00:16:22,230 --> 00:16:20,320

winter i was just there last weekend and

411

00:16:26,710 --> 00:16:22,240

it was 32 at night

412

00:16:30,550 --> 00:16:26,720

oh man wow and it's may bro

413

00:16:32,710 --> 00:16:30,560

yeah i was running my hair so

414

00:16:35,110 --> 00:16:32,720

we have this ufo report coming up that

415

00:16:37,829 --> 00:16:35,120

everybody is talking about right

416

00:16:39,030 --> 00:16:37,839

and there's so much speculation some

417

00:16:40,949 --> 00:16:39,040

people are saying they're going to tell

418

00:16:41,910 --> 00:16:40,959

us the truth about aliens timothy

419

00:16:43,910 --> 00:16:41,920

brigham and it's going to be a

420

00:16:47,030 --> 00:16:43,920

world-changing event they're going to

421

00:16:48,949 --> 00:16:47,040

finally spill the beans and say we know

422

00:16:50,069 --> 00:16:48,959

that there's aliens visiting planet

423

00:16:53,350 --> 00:16:50,079

earth

424

00:16:54,629 --> 00:16:53,360

i'm uh i am much more skeptical

425

00:16:56,069 --> 00:16:54,639

i think they're going to say you know

426

00:16:57,990 --> 00:16:56,079

what i think it's going to be a big

427

00:16:58,389 --> 00:16:58,000

either a big nothing burger totally a

428

00:17:00,870 --> 00:16:58,399

big

429

00:17:02,629 --> 00:17:00,880

nothing burger or there'll be a little

430

00:17:04,789 --> 00:17:02,639

bit of interesting information in there

431

00:17:07,990 --> 00:17:04,799

but nothing life-changing or

432

00:17:10,069 --> 00:17:08,000

you know earth altering right what

433

00:17:13,350 --> 00:17:10,079

what's your take on this report and what

434

00:17:15,590 --> 00:17:13,360

what what you think is going to be in it

435

00:17:16,949 --> 00:17:15,600

well first i do hope that it's not

436

00:17:18,630 --> 00:17:16,959

supposed to be an end

437

00:17:19,750 --> 00:17:18,640

product kind of thing i think people

438

00:17:20,470 --> 00:17:19,760

have suggested maybe it should be an

439

00:17:22,870 --> 00:17:20,480

ongoing

440

00:17:24,949 --> 00:17:22,880

kind of issue or they issue a yearly

441

00:17:26,870 --> 00:17:24,959

report or something more comprehensive

442

00:17:28,630 --> 00:17:26,880

i don't know what kind of depth they're

443

00:17:29,110 --> 00:17:28,640

planning on going into you know with

444

00:17:30,470 --> 00:17:29,120

what they're

445

00:17:32,390 --> 00:17:30,480

coming out with some people have said

446

00:17:33,909 --> 00:17:32,400

there's just one guy doing it in his

447

00:17:36,230 --> 00:17:33,919

spare time you know in his office in

448

00:17:39,190 --> 00:17:36,240

pentagon so first i'd like to

449

00:17:40,150 --> 00:17:39,200

not be just waiting on one guy to write

450

00:17:41,750 --> 00:17:40,160

this report

451
00:17:43,909 --> 00:17:41,760
i don't know i've heard that you know

452
00:17:46,150 --> 00:17:43,919
his first time you know that he's

453
00:17:47,830 --> 00:17:46,160
so it's obviously not going to be

454
00:17:49,190 --> 00:17:47,840
comprehensive my point i guess being i

455
00:17:50,950 --> 00:17:49,200
would at least hope that they just say

456
00:17:53,990 --> 00:17:50,960
that we don't know what the hell it is

457
00:17:55,830 --> 00:17:54,000
right and then therefore further further

458
00:17:57,830 --> 00:17:55,840
research is needed that would be i think

459
00:17:58,870 --> 00:17:57,840
probably the most honest and best case

460
00:18:00,150 --> 00:17:58,880
scenario

461
00:18:02,070 --> 00:18:00,160
i don't believe that they're going to

462
00:18:05,350 --> 00:18:02,080
come out with any kind of you know

463
00:18:09,510 --> 00:18:05,360

definitive evidence of any alien

464

00:18:11,350 --> 00:18:09,520

technology or anything like that but um

465

00:18:13,350 --> 00:18:11,360

yeah i mean i'd say i'm pretty i'm

466

00:18:15,350 --> 00:18:13,360

pretty hardcore skeptical i do

467

00:18:16,630 --> 00:18:15,360

i like i say i still am interested in

468

00:18:19,190 --> 00:18:16,640

the topic for

469

00:18:20,870 --> 00:18:19,200

after 30 years of watching it but i keep

470

00:18:21,909 --> 00:18:20,880

a window open of hoping that there's

471

00:18:23,830 --> 00:18:21,919

something

472

00:18:26,150 --> 00:18:23,840

you know beyond the human intelligence

473

00:18:28,070 --> 00:18:26,160

there worth worth chasing but

474

00:18:29,510 --> 00:18:28,080

i'm pretty skeptical of it you know you

475

00:18:31,909 --> 00:18:29,520

know i it's one of

476
00:18:32,710 --> 00:18:31,919
with me i saw something when i was like

477
00:18:36,390 --> 00:18:32,720
a kid

478
00:18:39,990 --> 00:18:36,400
and i it was their typical you know

479
00:18:42,549 --> 00:18:40,000
flying saucer big you know and i saw it

480
00:18:44,549 --> 00:18:42,559
as close as the treetops it was hovering

481
00:18:45,990 --> 00:18:44,559
just above the treetops in this wooded

482
00:18:47,750 --> 00:18:46,000
area that i was in

483
00:18:49,190 --> 00:18:47,760
and so my whole life i wanted to know

484
00:18:52,710 --> 00:18:49,200
what i saw and

485
00:18:54,470 --> 00:18:52,720
right yeah i don't know that it could be

486
00:18:56,470 --> 00:18:54,480
i don't know that it even could be

487
00:18:56,950 --> 00:18:56,480
something terrestrial what it is that i

488
00:19:00,230 --> 00:18:56,960

small

489

00:19:03,350 --> 00:19:00,240

based on what it the sound of it

490

00:19:04,789 --> 00:19:03,360

no sound you know all these things did

491

00:19:07,430 --> 00:19:04,799

you notice any other sounds

492

00:19:08,390 --> 00:19:07,440

like any other ambient weirdness or was

493

00:19:15,909 --> 00:19:08,400

it

494

00:19:18,310 --> 00:19:15,919

but like low and off in the background

495

00:19:20,870 --> 00:19:18,320

all right does that make sense yeah and

496

00:19:22,710 --> 00:19:20,880

i felt and i felt an electric charge in

497

00:19:25,350 --> 00:19:22,720

the air like my hair

498

00:19:26,710 --> 00:19:25,360

stood up on my arms and my back well i

499

00:19:27,669 --> 00:19:26,720

don't have hair on my back but you know

500

00:19:30,950 --> 00:19:27,679

back of my neck

501
00:19:32,950 --> 00:19:30,960
yeah and i felt like static like when

502
00:19:34,630 --> 00:19:32,960
you rub your hair with a balloon or

503
00:19:37,510 --> 00:19:34,640
something like that's why

504
00:19:38,310 --> 00:19:37,520
whatever whatever the craft was it had

505
00:19:40,950 --> 00:19:38,320
some

506
00:19:43,350 --> 00:19:40,960
electric form of propulsion right or

507
00:19:45,909 --> 00:19:43,360
electromagnetic i don't know

508
00:19:47,110 --> 00:19:45,919
yeah yeah i'm i'm pretty skeptical of

509
00:19:49,430 --> 00:19:47,120
the claims of like

510
00:19:50,150 --> 00:19:49,440
material debris and things like that but

511
00:19:52,310 --> 00:19:50,160
i think

512
00:19:54,310 --> 00:19:52,320
people that report and have close

513
00:19:55,190 --> 00:19:54,320

encounters or probably a better source

514

00:19:57,669 --> 00:19:55,200

of

515

00:19:58,870 --> 00:19:57,679

you know at least with witnesses we we

516

00:20:00,070 --> 00:19:58,880

have the report we know that there's a

517

00:20:01,669 --> 00:20:00,080

witness there's something there we can

518

00:20:03,270 --> 00:20:01,679

take a look at and study i mean did you

519

00:20:05,029 --> 00:20:03,280

have any long-term effects from

520

00:20:06,310 --> 00:20:05,039

yeah i mean beyond the obvious

521

00:20:08,789 --> 00:20:06,320

psychological ones yeah

522

00:20:09,750 --> 00:20:08,799

physical really psychological i dreamt

523

00:20:12,549 --> 00:20:09,760

about it for

524

00:20:14,230 --> 00:20:12,559

a while but i don't think that was like

525

00:20:16,390 --> 00:20:14,240

aliens trying to make me

526
00:20:17,590 --> 00:20:16,400
relive it or make me dream it on purpose

527
00:20:18,310 --> 00:20:17,600
i just think that was like i saw

528
00:20:21,110 --> 00:20:18,320
something so

529
00:20:22,950 --> 00:20:21,120
crazy that it was right in the forefront

530
00:20:25,029 --> 00:20:22,960
of my mind and i couldn't

531
00:20:25,990 --> 00:20:25,039
when i went to sleep it was still there

532
00:20:28,230 --> 00:20:26,000
and i

533
00:20:29,510 --> 00:20:28,240
like experienced what i experienced

534
00:20:31,830 --> 00:20:29,520
again and again

535
00:20:33,110 --> 00:20:31,840
but after a while that faded out and i

536
00:20:35,750 --> 00:20:33,120
was just left

537
00:20:37,909 --> 00:20:35,760
going i gotta know what this thing was

538
00:20:38,470 --> 00:20:37,919

and it started me down this rabbit hole

539

00:20:41,830 --> 00:20:38,480

of

540

00:20:42,870 --> 00:20:41,840

crazy and i almost wish it never

541

00:20:44,630 --> 00:20:42,880

happened because i

542

00:20:46,310 --> 00:20:44,640

don't i don't know about you but like a

543

00:20:48,710 --> 00:20:46,320

lot of us we

544

00:20:50,230 --> 00:20:48,720

spend a tremendous portion of our lives

545

00:20:54,230 --> 00:20:50,240

like reading books about it

546

00:20:58,149 --> 00:20:54,240

and watching videos and you know

547

00:21:02,070 --> 00:20:58,159

podcasts it's a passion

548

00:21:03,750 --> 00:21:02,080

right it's a passion you know but

549

00:21:05,270 --> 00:21:03,760

yeah i i hope that when they have their

550

00:21:06,789 --> 00:21:05,280

report that like i say that

551

00:21:07,909 --> 00:21:06,799

they will just straight up admit they

552

00:21:08,950 --> 00:21:07,919

don't know what it is i think that's

553

00:21:10,870 --> 00:21:08,960

probably the

554

00:21:12,149 --> 00:21:10,880

the answer to what what they know

555

00:21:13,510 --> 00:21:12,159

honestly is they may have a little more

556

00:21:13,990 --> 00:21:13,520

data but i don't think they really know

557

00:21:17,590 --> 00:21:14,000

what

558

00:21:19,590 --> 00:21:17,600

started

559

00:21:20,950 --> 00:21:19,600

reveal more stuff to open science or

560

00:21:21,830 --> 00:21:20,960

public science you'd get a lot more

561

00:21:23,990 --> 00:21:21,840

answers by

562

00:21:25,029 --> 00:21:24,000

doing it that way then you know trying

563

00:21:26,870 --> 00:21:25,039

to have one guy

564

00:21:28,789 --> 00:21:26,880

write a report or whatever you know

565

00:21:32,310 --> 00:21:28,799

limited resources behind closed doors

566

00:21:33,590 --> 00:21:32,320

so yeah um yeah you know one of the

567

00:21:34,789 --> 00:21:33,600

other things i wanted to ask you your

568

00:21:37,350 --> 00:21:34,799

opinion about and

569

00:21:39,029 --> 00:21:37,360

remember we're just friends that have

570

00:21:42,470 --> 00:21:39,039

you know similar interests

571

00:21:45,110 --> 00:21:42,480

so i i have this problem

572

00:21:46,950 --> 00:21:45,120

lately with this whole narrative for 70

573

00:21:48,950 --> 00:21:46,960

years has been that the government knows

574

00:21:50,470 --> 00:21:48,960

about aliens and they're covering it up

575

00:21:51,669 --> 00:21:50,480

and the men in black and all of this

576

00:21:53,990 --> 00:21:51,679

stuff

577

00:21:55,990 --> 00:21:54,000

and now lately you know there's all

578

00:21:57,430 --> 00:21:56,000

these former government workers and

579

00:21:58,630 --> 00:21:57,440

we're supposed to trust that what

580

00:22:01,750 --> 00:21:58,640

they're telling us is

581

00:22:04,070 --> 00:22:01,760

is true and accurate and they're some of

582

00:22:05,590 --> 00:22:04,080

them are dancing around their ndas and

583

00:22:08,149 --> 00:22:05,600

things you know

584

00:22:10,230 --> 00:22:08,159

it just doesn't make sense to me that

585

00:22:11,830 --> 00:22:10,240

for 70 years we were supposed to believe

586

00:22:13,430 --> 00:22:11,840

the government was covering this all up

587

00:22:15,110 --> 00:22:13,440

but now we're supposed to believe former

588

00:22:18,549 --> 00:22:15,120

government agents when they're

589

00:22:20,230 --> 00:22:18,559

telling us stuff yeah yeah i guess

590

00:22:21,669 --> 00:22:20,240

to me that's what it seems like it seems

591

00:22:23,350 --> 00:22:21,679

like the government put them on

592

00:22:24,789 --> 00:22:23,360

out there to say these things and i

593

00:22:26,549 --> 00:22:24,799

don't trust any of them

594

00:22:28,230 --> 00:22:26,559

i don't trust anybody that used to work

595

00:22:29,990 --> 00:22:28,240

for a former

596

00:22:31,830 --> 00:22:30,000

letter of the any of those letter of the

597

00:22:35,750 --> 00:22:31,840

alphabet agencies

598

00:22:37,430 --> 00:22:35,760

dia yeah nsa the cia and the fbi

599

00:22:39,510 --> 00:22:37,440

i don't trust any of them i just don't

600

00:22:40,310 --> 00:22:39,520

know there's been a long history of of

601
00:22:42,310 --> 00:22:40,320
people

602
00:22:43,990 --> 00:22:42,320
you know jumping into ufos as a

603
00:22:46,149 --> 00:22:44,000
retirement career or whatever you want

604
00:22:47,990 --> 00:22:46,159
to call it after intelligence or

605
00:22:49,190 --> 00:22:48,000
so yeah maybe yeah but i mean for

606
00:22:50,710 --> 00:22:49,200
obviously

607
00:22:53,669 --> 00:22:50,720
they didn't have a good interest they

608
00:22:55,909 --> 00:22:53,679
had a like a really big interest in it

609
00:22:57,510 --> 00:22:55,919
but they didn't want to you know be

610
00:22:58,870 --> 00:22:57,520
considered a nutter while they were

611
00:23:01,510 --> 00:22:58,880
still working so they wait till they

612
00:23:03,430 --> 00:23:01,520
retire to do this

613
00:23:05,510 --> 00:23:03,440

yeah that's i think a lot of it is

614

00:23:07,590 --> 00:23:05,520

personal passion at least that

615

00:23:08,950 --> 00:23:07,600

is the what i would hope is the positive

616

00:23:10,230 --> 00:23:08,960

reason behind

617

00:23:13,909 --> 00:23:10,240

you know a lot of these guys coming out

618

00:23:15,830 --> 00:23:13,919

and doing it but um

619

00:23:17,029 --> 00:23:15,840

yeah we have some great you know it is

620

00:23:18,310 --> 00:23:17,039

difficult though when people i'm trying

621

00:23:19,750 --> 00:23:18,320

to choose my worst carefully

622

00:23:21,510 --> 00:23:19,760

right you know when people have worked

623

00:23:21,990 --> 00:23:21,520

in intelligent circles and especially

624

00:23:24,070 --> 00:23:22,000

they've worked

625

00:23:25,190 --> 00:23:24,080

in ufos and intelligence circles so

626

00:23:28,230 --> 00:23:25,200

obviously it's

627

00:23:28,950 --> 00:23:28,240

but you know keep your expectations low

628

00:23:30,630 --> 00:23:28,960

and then

629

00:23:32,230 --> 00:23:30,640

you'll probably be pleasantly surprised

630

00:23:33,669 --> 00:23:32,240

i guess don't you know whatever greg

631

00:23:35,430 --> 00:23:33,679

bishop has a saying you know yeah you

632

00:23:37,350 --> 00:23:35,440

know greg bishop right he like

633

00:23:39,110 --> 00:23:37,360

he has a saying uh listen to all of it

634

00:23:40,549 --> 00:23:39,120

and don't believe necessarily believe

635

00:23:41,669 --> 00:23:40,559

all of it but you know take all the

636

00:23:42,870 --> 00:23:41,679

information in

637

00:23:43,750 --> 00:23:42,880

but yeah it is a different narrative

638

00:23:45,029 --> 00:23:43,760

right that you're saying they're

639

00:23:46,870 --> 00:23:45,039

spinning that

640

00:23:48,630 --> 00:23:46,880

now suddenly oh well we may or may not

641

00:23:50,870 --> 00:23:48,640

know certain things whereas

642

00:23:51,669 --> 00:23:50,880

the old version was the uh was the blue

643

00:23:53,990 --> 00:23:51,679

room or

644

00:23:55,350 --> 00:23:54,000

where all the aliens were kept and you

645

00:23:55,990 --> 00:23:55,360

know all that kind of stuff so i don't

646

00:23:57,830 --> 00:23:56,000

know

647

00:23:59,669 --> 00:23:57,840

i wanted to ask you you said you want to

648

00:24:01,909 --> 00:23:59,679

be careful with your words but

649

00:24:03,190 --> 00:24:01,919

sometimes we need to name names for

650

00:24:04,950 --> 00:24:03,200

clarity

651
00:24:06,710 --> 00:24:04,960
so i wanted to ask you about christopher

652
00:24:07,750 --> 00:24:06,720
mellon and what your thoughts on him

653
00:24:10,510 --> 00:24:07,760
work because

654
00:24:12,870 --> 00:24:10,520
i just i just saw that grant cameron is

655
00:24:15,029 --> 00:24:12,880
adamantly saying that

656
00:24:15,990 --> 00:24:15,039
in 2014 he was on a panel with

657
00:24:18,710 --> 00:24:16,000
christopher mellon

658
00:24:20,149 --> 00:24:18,720
at contact in the desert and christopher

659
00:24:22,710 --> 00:24:20,159
mellon said

660
00:24:23,909 --> 00:24:22,720
uh there's no aliens if there were i

661
00:24:27,669 --> 00:24:23,919
would know about it

662
00:24:29,590 --> 00:24:27,679
and now he seems to be mr believer

663
00:24:31,430 --> 00:24:29,600

and it doesn't make sense like what

664

00:24:34,470 --> 00:24:31,440

happened in this five-year span

665

00:24:35,909 --> 00:24:34,480

to change his mind and make him so do so

666

00:24:37,430 --> 00:24:35,919

wait first of all let me make sure i

667

00:24:39,029 --> 00:24:37,440

understand that right why would he be in

668

00:24:40,710 --> 00:24:39,039

contact at the desert to say that he

669

00:24:41,909 --> 00:24:40,720

didn't believe in aliens i don't really

670

00:24:44,710 --> 00:24:41,919

know i'm sure that i heard

671

00:24:47,830 --> 00:24:44,720

grant cameron say that he was i don't

672

00:24:50,870 --> 00:24:49,669

or maybe he just talked to him but

673

00:24:53,269 --> 00:24:50,880

apparently according to

674

00:24:54,549 --> 00:24:53,279

what was according to grant cameron

675

00:24:56,470 --> 00:24:54,559

christopher mellon said

676

00:24:58,870 --> 00:24:56,480

there's nothing to this if there was i

677

00:25:01,510 --> 00:24:58,880

would know about it and now he's doing

678

00:25:02,230 --> 00:25:01,520

joe rogan and tsa and all this other

679

00:25:04,789 --> 00:25:02,240

stuff

680

00:25:05,990 --> 00:25:04,799

so that doesn't make sense i don't know

681

00:25:09,909 --> 00:25:06,000

i don't know

682

00:25:10,390 --> 00:25:09,919

tell you just from what little bit i

683

00:25:12,870 --> 00:25:10,400

know

684

00:25:14,789 --> 00:25:12,880

having dealt with with chris he seems

685

00:25:17,830 --> 00:25:14,799

like he's legitimately trying to

686

00:25:19,750 --> 00:25:17,840

get good answers about things you know

687

00:25:20,310 --> 00:25:19,760

what's his motivation i think it's it's

688

00:25:29,029 --> 00:25:20,320

a

689

00:25:30,710 --> 00:25:29,039

chris mellon does not need the money

690

00:25:33,190 --> 00:25:30,720

right you know he's

691

00:25:34,230 --> 00:25:33,200

uh to be involved in this i think he

692

00:25:35,909 --> 00:25:34,240

does have a

693

00:25:37,190 --> 00:25:35,919

an interest in trying to get some of

694

00:25:37,990 --> 00:25:37,200

this information out there maybe i'm

695

00:25:41,110 --> 00:25:38,000

being

696

00:25:44,390 --> 00:25:41,120

naive in that you know yeah but

697

00:25:45,110 --> 00:25:44,400

yeah casting aspersions at the guy i

698

00:25:48,230 --> 00:25:45,120

just

699

00:25:50,310 --> 00:25:48,240

i don't understand you know he's

700

00:25:51,269 --> 00:25:50,320

there's there's very few people that i

701
00:25:53,669 --> 00:25:51,279
can't get to

702
00:25:54,950 --> 00:25:53,679
to get an interview with or talk to it

703
00:25:57,590 --> 00:25:54,960
seems to be those high

704
00:25:59,269 --> 00:25:57,600
wrong ufo celebrity types they don't

705
00:26:00,390 --> 00:25:59,279
want to do my show and answer my

706
00:26:03,510 --> 00:26:00,400
questions so

707
00:26:05,350 --> 00:26:03,520
right now i kind of you know i'm at an

708
00:26:08,789 --> 00:26:05,360
impasse with many people like lou

709
00:26:12,710 --> 00:26:08,799
alexander i've asked him i'm you know

710
00:26:14,710 --> 00:26:12,720
not that i'm bitter but he did do like

711
00:26:16,630 --> 00:26:14,720
he he's done podcasts with people that

712
00:26:17,750 --> 00:26:16,640
have way less numbers than me

713
00:26:20,070 --> 00:26:17,760

right that's what i was gonna say that

714

00:26:21,830 --> 00:26:20,080

yeah but they softballed him every one

715

00:26:23,750 --> 00:26:21,840

of those people softballed him didn't

716

00:26:24,549 --> 00:26:23,760

ask him any hard questions didn't press

717

00:26:27,190 --> 00:26:24,559

him

718

00:26:29,190 --> 00:26:27,200

on anything and there's so many

719

00:26:32,070 --> 00:26:29,200

questions that need to be asked

720

00:26:33,269 --> 00:26:32,080

to that gentleman but it seems like he's

721

00:26:36,310 --> 00:26:33,279

bobbing and weaving

722

00:26:38,710 --> 00:26:36,320

and only taking the interviews where

723

00:26:40,070 --> 00:26:38,720

i i this is again that's speculation i

724

00:26:41,750 --> 00:26:40,080

could be wrong but i just think like

725

00:26:44,549 --> 00:26:41,760

every interview that i heard was

726

00:26:46,470 --> 00:26:44,559

sort of softballed and uh i can't get

727

00:26:47,909 --> 00:26:46,480

him and i can't get chris mellon and a

728

00:26:51,029 --> 00:26:47,919

few other people

729

00:26:52,789 --> 00:26:51,039

you know i'd love to yeah

730

00:26:54,310 --> 00:26:52,799

yeah that's where my dog is going for

731

00:26:55,669 --> 00:26:54,320

some reason my dog goes crazy when i

732

00:26:56,950 --> 00:26:55,679

smoke i don't know

733

00:26:59,430 --> 00:26:56,960

he's a german shepherd but she's not

734

00:27:03,269 --> 00:27:02,390

it's the smell but yeah i mean and i i

735

00:27:05,510 --> 00:27:03,279

don't know lou

736

00:27:06,950 --> 00:27:05,520

alondo at all i know chris just from

737

00:27:10,310 --> 00:27:06,960

working with him a little bit on

738

00:27:12,390 --> 00:27:10,320

stuff with scu but um i have i have of

739

00:27:13,510 --> 00:27:12,400

course concerns just like you i've read

740

00:27:15,669 --> 00:27:13,520

stuff about what happened to paul

741

00:27:16,310 --> 00:27:15,679

bennowitz and all that kind of crap so

742

00:27:20,630 --> 00:27:16,320

it's

743

00:27:22,470 --> 00:27:20,640

something happening it would just be

744

00:27:23,430 --> 00:27:22,480

typical flying saucers like it was you

745

00:27:25,750 --> 00:27:23,440

know

746

00:27:27,350 --> 00:27:25,760

forever i would like it to see it you

747

00:27:28,870 --> 00:27:27,360

know actually answer the question

748

00:27:30,310 --> 00:27:28,880

definitively once and for all to at

749

00:27:31,669 --> 00:27:30,320

least as much as could be all right is

750

00:27:33,430 --> 00:27:31,679

there something going on or not i don't

751

00:27:36,310 --> 00:27:33,440

expect them to do that in june

752

00:27:37,830 --> 00:27:36,320

but you know if we put concerted effort

753

00:27:39,110 --> 00:27:37,840

at it as a human species we could

754

00:27:40,789 --> 00:27:39,120

probably figure out

755

00:27:42,310 --> 00:27:40,799

a lot a lot more what the hell is going

756

00:27:44,230 --> 00:27:42,320

on than we we have

757

00:27:45,909 --> 00:27:44,240

yeah sorry i'm just kind of rambling i

758

00:27:48,230 --> 00:27:45,919

guess the other questions that i have

759

00:27:49,269 --> 00:27:48,240

especially for louis alexander is he's

760

00:27:52,549 --> 00:27:49,279

recently

761

00:27:54,630 --> 00:27:52,559

he's kind of going after ufo profiteers

762

00:27:56,630 --> 00:27:54,640

and then i come to i come to find out

763

00:27:58,310 --> 00:27:56,640

that like you know

764

00:27:59,669 --> 00:27:58,320

i don't think that he's had a real job

765

00:28:02,310 --> 00:27:59,679

in five years

766

00:28:03,909 --> 00:28:02,320

you know i i funny enough you say that i

767

00:28:06,310 --> 00:28:03,919

just saw him on twitter today

768

00:28:07,590 --> 00:28:06,320

say i have not made a dime from any of

769

00:28:10,549 --> 00:28:07,600

my ufo appearances

770

00:28:11,750 --> 00:28:10,559

i have a day job whatever that means i

771

00:28:13,430 --> 00:28:11,760

don't know but that's it

772

00:28:14,870 --> 00:28:13,440

and see we're getting to some part of

773

00:28:18,070 --> 00:28:14,880

the truth but

774

00:28:20,070 --> 00:28:18,080

he was being he was being paid by a tip

775

00:28:21,510 --> 00:28:20,080

and i've got to imagine he was being

776

00:28:23,269 --> 00:28:21,520

paid by tsa

777

00:28:24,950 --> 00:28:23,279

and he was paid by the history channel

778

00:28:27,110 --> 00:28:24,960

to be on that television show

779

00:28:28,630 --> 00:28:27,120

i would imagine you see this is where we

780

00:28:31,590 --> 00:28:28,640

get yeah i think that

781

00:28:32,310 --> 00:28:31,600

it's it's still murky there like is he

782

00:28:34,470 --> 00:28:32,320

is he

783

00:28:36,389 --> 00:28:34,480

really saying he doesn't make any money

784

00:28:38,389 --> 00:28:36,399

at all hasn't made any money at all from

785

00:28:39,990 --> 00:28:38,399

ufos he's had to

786

00:28:41,750 --> 00:28:40,000

i would think yeah i mean come on man

787

00:28:44,070 --> 00:28:41,760

i'm asking i'm

788

00:28:45,669 --> 00:28:44,080

you know come on i know but it's good if

789

00:28:46,950 --> 00:28:45,679

he has a day job because the guys that

790

00:28:50,230 --> 00:28:46,960

have a day job

791

00:28:53,430 --> 00:28:50,240

they don't need right stuff to keep

792

00:28:55,990 --> 00:28:53,440

yeah exactly exactly

793

00:28:57,590 --> 00:28:56,000

jobs yeah that should be that should

794

00:28:59,909 --> 00:28:57,600

there should be like uh you know

795

00:29:01,830 --> 00:28:59,919

when somebody does any podcasts or

796

00:29:03,350 --> 00:29:01,840

appearance or talks at a conference they

797

00:29:05,750 --> 00:29:03,360

should have to answer

798

00:29:07,269 --> 00:29:05,760

if they have a day job or not right

799

00:29:10,230 --> 00:29:07,279

right yes what's the date

800

00:29:12,070 --> 00:29:10,240

guys more you know like yeah well no

801
00:29:13,830 --> 00:29:12,080
legitimately man i mean people

802
00:29:15,110 --> 00:29:13,840
the people that i know that are serious

803
00:29:17,669 --> 00:29:15,120
or mostly

804
00:29:18,389 --> 00:29:17,679
people that aren't doing you know

805
00:29:19,909 --> 00:29:18,399
conferences

806
00:29:22,549 --> 00:29:19,919
and stuff like that on the regular at

807
00:29:25,750 --> 00:29:22,559
least right i mean yeah

808
00:29:27,190 --> 00:29:25,760
um you know yeah all right yeah i've

809
00:29:29,350 --> 00:29:27,200
only been asked to talk at one

810
00:29:33,029 --> 00:29:29,360
conference and it was kind of before

811
00:29:35,590 --> 00:29:33,039
i got as skeptical as i am you know

812
00:29:37,510 --> 00:29:35,600
yeah it was a local thing it was a local

813
00:29:40,389 --> 00:29:37,520

thing i think it was john ventry before

814

00:29:42,630 --> 00:29:40,399

he had his racist meltdown

815

00:29:43,909 --> 00:29:42,640

he ran a conference in philadelphia and

816

00:29:47,029 --> 00:29:43,919

asked me to talk

817

00:29:48,789 --> 00:29:47,039

but i didn't make it you know yeah

818

00:29:50,710 --> 00:29:48,799

but i definitely think that money tends

819

00:29:52,230 --> 00:29:50,720

to cloud people's judgment and it seems

820

00:29:55,590 --> 00:29:52,240

to me that there's

821

00:29:57,750 --> 00:29:55,600

way too many people make like

822

00:29:59,750 --> 00:29:57,760

how like this is a serious question what

823

00:30:02,630 --> 00:29:59,760

do you think how many people

824

00:30:03,590 --> 00:30:02,640

on planet earth should be making a

825

00:30:07,190 --> 00:30:03,600

full-time

826

00:30:11,669 --> 00:30:10,070

oh man well i mean as it stands right

827

00:30:13,510 --> 00:30:11,679

and this is one of the reasons that i

828

00:30:15,430 --> 00:30:13,520

after doing this probably i don't want

829

00:30:16,470 --> 00:30:15,440

to become like a talking ufo head you

830

00:30:19,190 --> 00:30:16,480

know on the regular

831

00:30:21,029 --> 00:30:19,200

or anything but um [h__\h] i got high and

832

00:30:23,190 --> 00:30:21,039

forgiving you're gonna be my talking

833

00:30:24,070 --> 00:30:23,200

head though so you know okay fair enough

834

00:30:25,669 --> 00:30:24,080

fair enough

835

00:30:27,029 --> 00:30:25,679

i mean if you're going to be in ufos

836

00:30:27,669 --> 00:30:27,039

before i lose what i was going to say

837

00:30:29,269 --> 00:30:27,679

right

838

00:30:30,310 --> 00:30:29,279

you you're going to be immediately or at

839

00:30:32,070 --> 00:30:30,320

some point you're going to have to go

840

00:30:33,590 --> 00:30:32,080

more extreme right i mean you can't just

841

00:30:35,430 --> 00:30:33,600

ride for 20 years and

842

00:30:37,430 --> 00:30:35,440

talk since right nobody wants to [h__h]

843

00:30:38,950 --> 00:30:37,440

hear that right i mean seriously every

844

00:30:39,669 --> 00:30:38,960

if you if you're doing it because you

845

00:30:42,870 --> 00:30:39,679

need

846

00:30:44,470 --> 00:30:42,880

a gig or money or whatever then

847

00:30:45,909 --> 00:30:44,480

and be honest about that there's nothing

848

00:30:46,710 --> 00:30:45,919

wrong if that's your thing man stanton

849

00:30:48,310 --> 00:30:46,720

friedman

850

00:30:50,310 --> 00:30:48,320

you know would remember him and he told

851

00:30:52,630 --> 00:30:50,320

jim you know hey nuclear

852

00:30:54,470 --> 00:30:52,640

physics jobs are down ufo jobs are up

853

00:30:55,350 --> 00:30:54,480

i'm taking it you know okay god bless

854

00:30:56,870 --> 00:30:55,360

you you know

855

00:30:58,950 --> 00:30:56,880

at least you're you know that's your

856

00:30:59,669 --> 00:30:58,960

your interest yeah i know of course you

857

00:31:01,750 --> 00:30:59,679

know when you

858

00:31:04,549 --> 00:31:01,760

i told him a lot before he died i used

859

00:31:07,190 --> 00:31:04,559

to call him once in a while and

860

00:31:07,830 --> 00:31:07,200

and he uh he was very honest with me he

861

00:31:11,590 --> 00:31:07,840

said

862

00:31:12,549 --> 00:31:11,600

uh all the all the physics jobs and the

863

00:31:14,789 --> 00:31:12,559

research that

864

00:31:17,029 --> 00:31:14,799

you know that all dried up and i knew

865

00:31:18,630 --> 00:31:17,039

that i could make a good living

866

00:31:20,310 --> 00:31:18,640

giving lectures which is something that

867

00:31:21,750 --> 00:31:20,320

he enjoyed because he loved talking

868

00:31:25,110 --> 00:31:21,760

about ufos

869

00:31:27,430 --> 00:31:25,120

said

870

00:31:28,230 --> 00:31:27,440

i love lecturing about ufos i love

871

00:31:31,029 --> 00:31:28,240

researching

872

00:31:32,149 --> 00:31:31,039

ufos and i love talking about ufos so i

873

00:31:33,830 --> 00:31:32,159

made that my

874

00:31:35,190 --> 00:31:33,840

i made it my career so i guess there's

875

00:31:37,110 --> 00:31:35,200

nothing wrong with it i just think

876
00:31:38,470 --> 00:31:37,120
there's way too many people trying to do

877
00:31:42,870 --> 00:31:38,480
it

878
00:31:44,310 --> 00:31:42,880
gotten so extreme too

879
00:31:46,470 --> 00:31:44,320
again with the thing where you're using

880
00:31:49,269 --> 00:31:46,480
human [h__h] remains

881
00:31:50,549 --> 00:31:49,279
you know to get thirty dollars for a

882
00:31:52,470 --> 00:31:50,559
pay-per-view ticket or something

883
00:31:53,830 --> 00:31:52,480
it's beyond that to me that is

884
00:31:56,389 --> 00:31:53,840
unbelievable yeah

885
00:31:58,230 --> 00:31:56,399
you would think that they too like i did

886
00:31:58,789 --> 00:31:58,240
oh speaking about people using human

887
00:32:00,870 --> 00:31:58,799
remains

888
00:32:02,070 --> 00:32:00,880

i followed up on the roswell slides and

889

00:32:05,990 --> 00:32:02,080

i found out that that

890

00:32:09,269 --> 00:32:06,000

statue um was actually interred

891

00:32:11,830 --> 00:32:09,279

they they buried it because it was

892

00:32:13,669 --> 00:32:11,840

there was a change you know at some

893

00:32:13,990 --> 00:32:13,679

point i think it was like the 70s or the

894

00:32:16,389 --> 00:32:14,000

early

895

00:32:18,470 --> 00:32:16,399

80s where people said you know it's

896

00:32:20,870 --> 00:32:18,480

really disrespectful to leave this thing

897

00:32:23,909 --> 00:32:20,880

in a glass case let it be buried

898

00:32:24,230 --> 00:32:23,919

i think some of the the natives went to

899

00:32:26,710 --> 00:32:24,240

the

900

00:32:28,389 --> 00:32:26,720

museum and said like this is this is

901
00:32:29,990 --> 00:32:28,399
sacrilegious to us that you're just

902
00:32:31,190 --> 00:32:30,000
putting this thing on display you got to

903
00:32:35,029 --> 00:32:31,200
bury it and they did

904
00:32:37,669 --> 00:32:35,039
to their credit however i believe that

905
00:32:40,389 --> 00:32:37,679
uh stephen grier's atacama humanoid

906
00:32:40,950 --> 00:32:40,399
is not buried and and you know i would

907
00:32:43,029 --> 00:32:40,960
think

908
00:32:44,870 --> 00:32:43,039
come on bro you know it's just a human

909
00:32:47,190 --> 00:32:44,880
nail let it rest in peace

910
00:32:48,389 --> 00:32:47,200
don't take it is that the tiny one is

911
00:32:51,590 --> 00:32:48,399
that the tiny one

912
00:32:53,110 --> 00:32:51,600
six inch one yeah i'm a shoebox man i

913
00:32:54,470 --> 00:32:53,120

know that's disrespectful but if it i

914

00:32:55,190 --> 00:32:54,480

didn't even know that it had been proven

915

00:32:56,789 --> 00:32:55,200

to be uh

916

00:32:58,470 --> 00:32:56,799

what is it like like a fetus or it's an

917

00:33:00,870 --> 00:32:58,480

actual per or the

918

00:33:01,830 --> 00:33:00,880

yeah depends on who you ask some people

919

00:33:04,470 --> 00:33:01,840

say all right yeah

920

00:33:06,070 --> 00:33:04,480

it was the bone density was too high it

921

00:33:06,549 --> 00:33:06,080

couldn't have been a fetus it had to be

922

00:33:08,310 --> 00:33:06,559

born

923

00:33:10,230 --> 00:33:08,320

and lived for this long and other people

924

00:33:13,269 --> 00:33:10,240

say no it was yeah

925

00:33:16,149 --> 00:33:13,279

yes it was it wasn't even born you know

926

00:33:18,149 --> 00:33:16,159

but still that's still a human being and

927

00:33:21,029 --> 00:33:18,159

the remains of a human being sure

928

00:33:21,909 --> 00:33:21,039

so to me steven grier i'm kind of like

929

00:33:23,830 --> 00:33:21,919

come on bro

930

00:33:26,070 --> 00:33:23,840

you made your money off of it now let it

931

00:33:27,669 --> 00:33:26,080

rest in peace bury the thing

932

00:33:29,110 --> 00:33:27,679

maybe we should start yeah and then even

933

00:33:30,549 --> 00:33:29,120

if you were going to pitch the angle it

934

00:33:31,750 --> 00:33:30,559

was an extraterrestrial wouldn't you

935

00:33:33,750 --> 00:33:31,760

want to still do something

936

00:33:35,990 --> 00:33:33,760

respectful i have no idea what mindset

937

00:33:37,990 --> 00:33:36,000

you'd be in if you really believed yeah

938

00:33:39,029 --> 00:33:38,000

but which yeah anyway you know but i

939

00:33:40,710 --> 00:33:39,039

think you'd still want to be

940

00:33:42,789 --> 00:33:40,720

respectful especially if it was a

941

00:33:44,549 --> 00:33:42,799

sentient conscious being

942

00:33:45,990 --> 00:33:44,559

if it was an alien you still want to

943

00:33:47,750 --> 00:33:46,000

bury it i just

944

00:33:49,190 --> 00:33:47,760

it creeps me out to know that stephen

945

00:33:50,630 --> 00:33:49,200

greer and i don't even think he's the

946

00:33:52,549 --> 00:33:50,640

owner of it i think he

947

00:33:53,990 --> 00:33:52,559

you know rented it or something off the

948

00:33:55,590 --> 00:33:54,000

actual owner

949

00:33:57,750 --> 00:33:55,600

but it just couldn't be able to think

950

00:33:59,509 --> 00:33:57,760

that there's people running around

951
00:34:01,110 --> 00:33:59,519
you know just leaving this thing sit in

952
00:34:03,909 --> 00:34:01,120
their house or whatever

953
00:34:05,590 --> 00:34:03,919
yeah you know bury it oh yeah we have

954
00:34:09,109 --> 00:34:05,600
some dignity and respect for

955
00:34:09,990 --> 00:34:09,119
the dead yeah yeah it'd be surprised i

956
00:34:11,589 --> 00:34:10,000
think

957
00:34:13,109 --> 00:34:11,599
jim mosley used to tell me stories about

958
00:34:14,950 --> 00:34:13,119
you know back his

959
00:34:16,869 --> 00:34:14,960
their grave robbing days in peru you

960
00:34:18,230 --> 00:34:16,879
know and just be surprised the amount of

961
00:34:21,270 --> 00:34:18,240
stuff that was

962
00:34:22,629 --> 00:34:21,280
you know black market still i don't know

963
00:34:23,750 --> 00:34:22,639

where you'd sell it and sell a small

964

00:34:26,069 --> 00:34:23,760

alien but

965

00:34:27,829 --> 00:34:26,079

yeah where'd you sell a six-inch alien

966

00:34:30,470 --> 00:34:27,839

corpse or where do you buy

967

00:34:31,109 --> 00:34:30,480

where do you buy one of those parakas

968

00:34:34,149 --> 00:34:31,119

skulls

969

00:34:35,349 --> 00:34:34,159

because people do buy them

970

00:34:37,270 --> 00:34:35,359

yeah i was thinking about like the

971

00:34:39,030 --> 00:34:37,280

crystal skulls used to be it used to be

972

00:34:40,629 --> 00:34:39,040

the crystal skulls were not as easily

973

00:34:42,470 --> 00:34:40,639

now they're you know machined and stuff

974

00:34:44,950 --> 00:34:42,480

but it used to be they'd sell those as

975

00:34:46,470 --> 00:34:44,960

collectibles and [h__h] handmade

976

00:34:48,230 --> 00:34:46,480

well that kind of makes sense to me and

977

00:34:49,109 --> 00:34:48,240

i can understand i guess why somebody

978

00:34:50,950 --> 00:34:49,119

would want

979

00:34:52,710 --> 00:34:50,960

one of those elongated skulls if you're

980

00:34:55,909 --> 00:34:52,720

into aliens or something

981

00:34:56,790 --> 00:34:55,919

but by re by reproduction you know don't

982

00:34:58,790 --> 00:34:56,800

buy them

983

00:35:00,069 --> 00:34:58,800

let's just have some head sit in your

984

00:35:03,270 --> 00:35:00,079

house it's

985

00:35:05,510 --> 00:35:03,280

respectful to me yeah yeah agreed

986

00:35:06,950 --> 00:35:05,520

agree i'd like a recreation i can't lie

987

00:35:09,750 --> 00:35:06,960

i would put that on a shelf

988

00:35:10,310 --> 00:35:09,760

you know yeah curiosity piece in here

989

00:35:13,670 --> 00:35:10,320

you know

990

00:35:15,589 --> 00:35:13,680

like possible alien skull

991

00:35:17,270 --> 00:35:15,599

i think that some of the prop ones are

992

00:35:19,270 --> 00:35:17,280

really bad though they don't look

993

00:35:21,750 --> 00:35:19,280

good they don't look well i had a uh i

994

00:35:24,230 --> 00:35:21,760

had one from spencer's like in the 90s

995

00:35:25,349 --> 00:35:24,240

i took to a ufo conference and me and

996

00:35:26,069 --> 00:35:25,359

jim went out there took it out of the

997

00:35:29,109 --> 00:35:26,079

beach and

998

00:35:32,390 --> 00:35:29,119

carries this fake and uh the guy that

999

00:35:36,230 --> 00:35:32,400

had the star child what's his name um

1000

00:35:38,069 --> 00:35:36,240

yeah that's another one he was there

1001

00:35:39,190 --> 00:35:38,079

he was there so i told jim i'm gonna

1002

00:35:40,390 --> 00:35:39,200

take it down to the beach and throw it

1003

00:35:41,190 --> 00:35:40,400

the [h__h] out there and wait for him to

1004

00:35:43,510 --> 00:35:41,200

walk by

1005

00:35:44,230 --> 00:35:43,520

and find it right yeah so actually

1006

00:35:48,069 --> 00:35:44,240

that's

1007

00:35:52,069 --> 00:35:48,079

least three people

1008

00:35:55,430 --> 00:35:52,079

now in ufos in ufo circles who have done

1009

00:35:58,950 --> 00:35:55,440

lectures made dvds sold

1010

00:35:59,829 --> 00:35:58,960

what about thomas guy thomas reed well

1011

00:36:01,190 --> 00:35:59,839

he's got a fake

1012

00:36:03,270 --> 00:36:01,200

remember you know the guy beat the alien

1013

00:36:03,829 --> 00:36:03,280

with the death with a stick he's kind of

1014

00:36:05,750 --> 00:36:03,839

faking

1015

00:36:08,230 --> 00:36:05,760

he's got it in the freezer yeah yeah

1016

00:36:09,910 --> 00:36:08,240

yeah of course that's probably just

1017

00:36:11,910 --> 00:36:09,920

he was on i saw him on facebook as

1018

00:36:12,470 --> 00:36:11,920

recently as like i want to say two years

1019

00:36:14,230 --> 00:36:12,480

ago

1020

00:36:15,910 --> 00:36:14,240

claims he's a child psychologist by the

1021

00:36:17,670 --> 00:36:15,920

way first of all there's a lot of

1022

00:36:20,150 --> 00:36:17,680

disturbing possibilities there but which

1023

00:36:21,430 --> 00:36:20,160

i don't believe him at all about tonight

1024

00:36:22,790 --> 00:36:21,440

but he's still selling it he's gotta

1025

00:36:23,589 --> 00:36:22,800

he's got a second story he's gonna

1026

00:36:26,790 --> 00:36:23,599

follow up

1027

00:36:29,109 --> 00:36:26,800

dr reed and i believe that i i

1028

00:36:30,390 --> 00:36:29,119

checked and his doctorate is like one of

1029

00:36:31,990 --> 00:36:30,400

those ones that you buy

1030

00:36:33,510 --> 00:36:32,000

from some place you know what i mean

1031

00:36:35,910 --> 00:36:33,520

like he's not a doctor

1032

00:36:37,270 --> 00:36:35,920

it's a joke yeah and that but you know

1033

00:36:39,670 --> 00:36:37,280

to some degree it's like do you want to

1034

00:36:40,069 --> 00:36:39,680

even bother to go after the low-hanging

1035

00:36:42,950 --> 00:36:40,079

fruit

1036

00:36:45,109 --> 00:36:42,960

of shitty you know yeah you can look at

1037

00:36:46,470 --> 00:36:45,119

his videos and go this is fake as hell

1038

00:36:49,430 --> 00:36:46,480

but i'll give him credit

1039

00:36:50,310 --> 00:36:49,440

because i did magic shows for a time he

1040

00:36:53,109 --> 00:36:50,320

did a video

1041

00:36:53,589 --> 00:36:53,119

of this supposed craft off in the woods

1042

00:36:56,069 --> 00:36:53,599

and he

1043

00:36:57,510 --> 00:36:56,079

used a magician's trick to make it

1044

00:37:00,310 --> 00:36:57,520

appear to be floating

1045

00:37:01,589 --> 00:37:00,320

and i recognized that as soon as i saw

1046

00:37:03,349 --> 00:37:01,599

that he had done that so i'll give him

1047

00:37:05,190 --> 00:37:03,359

at least some credit he's using magic

1048

00:37:07,589 --> 00:37:05,200

tricks to sell

1049

00:37:09,109 --> 00:37:07,599

it's fake plywood spaceship in the woods

1050

00:37:12,310 --> 00:37:09,119

right and then they had a big

1051
00:37:14,710 --> 00:37:12,320
body and you know yeah that case has

1052
00:37:16,470 --> 00:37:14,720
been ripped completely apart but

1053
00:37:17,990 --> 00:37:16,480
he went down to mexico and they still

1054
00:37:21,270 --> 00:37:18,000
believe them they're they're

1055
00:37:23,430 --> 00:37:21,280
like slow to catch on to

1056
00:37:24,310 --> 00:37:23,440
you know to the grips and the con

1057
00:37:26,470 --> 00:37:24,320
artists

1058
00:37:27,910 --> 00:37:26,480
i don't know if it's a cultural thing or

1059
00:37:30,069 --> 00:37:27,920
obviously it's got i mean

1060
00:37:32,150 --> 00:37:30,079
right but they're definitely a little

1061
00:37:33,829 --> 00:37:32,160
more superstitious than uh

1062
00:37:35,589 --> 00:37:33,839
and and willing to believe in things

1063
00:37:37,430 --> 00:37:35,599

like aliens demons angels

1064

00:37:38,630 --> 00:37:37,440

i i think so in my opinion than

1065

00:37:40,310 --> 00:37:38,640

americans are

1066

00:37:41,829 --> 00:37:40,320

americans a little more skeptical or

1067

00:37:42,790 --> 00:37:41,839

like yeah right you know is this thing

1068

00:37:46,550 --> 00:37:42,800

for real

1069

00:37:48,470 --> 00:37:46,560

they're like oh it's alien

1070

00:37:50,710 --> 00:37:48,480

yeah i love how they always in the you

1071

00:37:52,790 --> 00:37:50,720

know in the 60s and 70s they had contact

1072

00:37:54,150 --> 00:37:52,800

cases with little hairy hairy humanoids

1073

00:37:54,710 --> 00:37:54,160

that would attack people that was kind

1074

00:37:56,550 --> 00:37:54,720

of their

1075

00:37:59,109 --> 00:37:56,560

version of the gray you know these

1076

00:38:01,030 --> 00:37:59,119

little hairy midgets that would attack

1077

00:38:07,109 --> 00:38:01,040

you know that's somehow mythologically

1078

00:38:10,710 --> 00:38:09,030

i'll listen to the people i'll listen to

1079

00:38:12,550 --> 00:38:10,720

anybody tell their story about

1080

00:38:13,750 --> 00:38:12,560

encounters with aliens though because

1081

00:38:16,950 --> 00:38:13,760

you never know

1082

00:38:21,190 --> 00:38:16,960

some of them maybe uh have some kind of

1083

00:38:23,430 --> 00:38:21,200

or some truth to what they're saying so

1084

00:38:24,950 --> 00:38:23,440

i used to not care about experiencers i

1085

00:38:27,670 --> 00:38:24,960

don't want to talk to any other

1086

00:38:29,030 --> 00:38:27,680

alien abduction people you know because

1087

00:38:31,589 --> 00:38:29,040

all they have is their story

1088

00:38:33,270 --> 00:38:31,599

but some of them are pretty good stories

1089

00:38:35,349 --> 00:38:33,280

and uh yeah yeah he's listening

1090

00:38:37,190 --> 00:38:35,359

and going back to like what heinek said

1091

00:38:38,230 --> 00:38:37,200

you know the ufo reports are real the

1092

00:38:40,150 --> 00:38:38,240

reports are real and

1093

00:38:42,150 --> 00:38:40,160

then the ufos may or may not be real but

1094

00:38:45,510 --> 00:38:42,160

the reports of the peop that people make

1095

00:38:47,430 --> 00:38:45,520

are real right so focus the efforts on

1096

00:38:49,030 --> 00:38:47,440

instead of worrying about to me trying

1097

00:38:50,150 --> 00:38:49,040

to capture a piece of something that

1098

00:38:52,230 --> 00:38:50,160

crashed i

1099

00:38:53,270 --> 00:38:52,240

don't really see that reason i don't

1100

00:38:54,790 --> 00:38:53,280

know we'll see

1101

00:38:56,390 --> 00:38:54,800

i don't really believe it what do you

1102

00:38:58,310 --> 00:38:56,400

think of that stuff because there's a

1103

00:39:01,349 --> 00:38:58,320

lot of people running around claiming

1104

00:39:01,750 --> 00:39:01,359

that they got uh ufo material but i

1105

00:39:03,910 --> 00:39:01,760

think

1106

00:39:06,790 --> 00:39:03,920

a lot of people seem to imply that what

1107

00:39:08,710 --> 00:39:06,800

they have is alien spacecraft material

1108

00:39:10,550 --> 00:39:08,720

when it could have came off a russian

1109

00:39:11,430 --> 00:39:10,560

satellite it could come off of the you

1110

00:39:14,470 --> 00:39:11,440

know missile

1111

00:39:15,589 --> 00:39:14,480

that test or you know ufo could mean a

1112

00:39:17,829 --> 00:39:15,599

lot of things so

1113

00:39:20,630 --> 00:39:17,839

i think there's a quick a jump to ale

1114

00:39:23,990 --> 00:39:20,640

it's got to be alien material

1115

00:39:25,030 --> 00:39:24,000

yeah i mean there's you know ufo debris

1116

00:39:28,230 --> 00:39:25,040

has been

1117

00:39:30,150 --> 00:39:28,240

a thing for for decades it's and i think

1118

00:39:31,829 --> 00:39:30,160

some of the same materials over and over

1119

00:39:33,990 --> 00:39:31,839

again you know so they're retesting some

1120

00:39:36,230 --> 00:39:34,000

of these materials

1121

00:39:37,750 --> 00:39:36,240

you know time and time again but maybe

1122

00:39:39,349 --> 00:39:37,760

there's some i don't hold out a lot of

1123

00:39:40,310 --> 00:39:39,359

hope that we're going to find a physical

1124

00:39:41,829 --> 00:39:40,320

tangible piece of

1125

00:39:43,750 --> 00:39:41,839

i'll go on the record and i'm could be

1126

00:39:45,270 --> 00:39:43,760

i'd love to be wrong but i'll i'll say

1127

00:39:45,990 --> 00:39:45,280

that in our lifetimes we're never going

1128

00:39:49,270 --> 00:39:46,000

to hold

1129

00:39:50,550 --> 00:39:49,280

alien technology i i don't think it's

1130

00:39:52,390 --> 00:39:50,560

you know if there is a real ufo

1131

00:39:53,589 --> 00:39:52,400

phenomenon i think maybe it's more some

1132

00:39:55,430 --> 00:39:53,599

kind of weird

1133

00:39:56,710 --> 00:39:55,440

i don't know consciousness related thing

1134

00:39:57,670 --> 00:39:56,720

i don't know what that would be by the

1135

00:40:00,710 --> 00:39:57,680

way but

1136

00:40:03,510 --> 00:40:00,720

i i don't think that you know

1137

00:40:05,109 --> 00:40:03,520

still no uncontrovertible evidence no

1138

00:40:08,950 --> 00:40:05,119

evidence of

1139

00:40:11,910 --> 00:40:08,960

stuff like that we're

1140

00:40:13,589 --> 00:40:11,920

still in the same place after but going

1141

00:40:15,910 --> 00:40:13,599

back to the debris right i mean that's

1142

00:40:16,550 --> 00:40:15,920

kind of always been an end game for ufos

1143

00:40:18,870 --> 00:40:16,560

right

1144

00:40:20,309 --> 00:40:18,880

at some point we've got to have [h__h]

1145

00:40:23,670 --> 00:40:20,319

something we can show people

1146

00:40:25,750 --> 00:40:23,680

i you know i mean especially

1147

00:40:26,870 --> 00:40:25,760

and i don't want to say i respect

1148

00:40:28,710 --> 00:40:26,880

jacqueline a lot

1149

00:40:30,150 --> 00:40:28,720

and the work that he did with like

1150

00:40:32,390 --> 00:40:30,160

magonia and

1151
00:40:33,910 --> 00:40:32,400
totally one of you know people i aspired

1152
00:40:36,710 --> 00:40:33,920
to be as a kid but

1153
00:40:37,109 --> 00:40:36,720
you know i don't know what what part of

1154
00:40:40,790 --> 00:40:37,119
his

1155
00:40:42,630 --> 00:40:40,800
must require some sort of

1156
00:40:44,150 --> 00:40:42,640
sort of tangible proof maybe for his own

1157
00:40:45,349 --> 00:40:44,160
story i i don't know i don't want to

1158
00:40:47,190 --> 00:40:45,359
psychoanalyze

1159
00:40:48,470 --> 00:40:47,200
right somebody else but i don't have a

1160
00:40:49,510 --> 00:40:48,480
lot of hope that we're going to find a

1161
00:40:51,349 --> 00:40:49,520
piece of

1162
00:40:52,790 --> 00:40:51,359
something from another planet or another

1163
00:40:55,829 --> 00:40:52,800

star system

1164

00:40:57,430 --> 00:40:55,839

if we do great i'd i've heard heard the

1165

00:40:59,910 --> 00:40:57,440

claim many times before i don't really

1166

00:41:02,230 --> 00:40:59,920

see any reason to think it'll

1167

00:41:03,589 --> 00:41:02,240

you know you know i remember i remember

1168

00:41:05,349 --> 00:41:03,599

many times where people

1169

00:41:06,790 --> 00:41:05,359

were hyping up things that they claimed

1170

00:41:09,030 --> 00:41:06,800

came off of the ufo

1171

00:41:10,550 --> 00:41:09,040

and by ufo they really meant alien

1172

00:41:12,950 --> 00:41:10,560

spacecraft you know

1173

00:41:14,710 --> 00:41:12,960

we had that smelting thing that it

1174

00:41:15,589 --> 00:41:14,720

really was just this weird piece of

1175

00:41:19,510 --> 00:41:15,599

metal that

1176

00:41:22,309 --> 00:41:19,520

comes from this process we had an artist

1177

00:41:24,150 --> 00:41:22,319

you know and we've got jacques valet and

1178

00:41:26,710 --> 00:41:24,160

we've got tsa claiming

1179

00:41:28,710 --> 00:41:26,720

that they have some sort of ufo

1180

00:41:31,829 --> 00:41:28,720

materials

1181

00:41:33,270 --> 00:41:31,839

and again i somebody commented to me i

1182

00:41:34,150 --> 00:41:33,280

guess more people read twitter than i

1183

00:41:36,069 --> 00:41:34,160

than i would think

1184

00:41:37,349 --> 00:41:36,079

that i said something derogatory about

1185

00:41:39,430 --> 00:41:37,359

jacques and i do

1186

00:41:41,349 --> 00:41:39,440

not want to be dismissive of him in any

1187

00:41:44,069 --> 00:41:41,359

way and and uh

1188

00:41:45,589 --> 00:41:44,079

say that i don't have it by the way i

1189

00:41:47,430 --> 00:41:45,599

want to see the data i don't see the

1190

00:41:48,710 --> 00:41:47,440

tests i want to see the data i want them

1191

00:41:51,109 --> 00:41:48,720

to be

1192

00:41:53,109 --> 00:41:51,119

i want him to open those materials up to

1193

00:41:55,430 --> 00:41:53,119

other researchers so that whatever

1194

00:41:56,790 --> 00:41:55,440

his findings are can be either confirmed

1195

00:41:59,030 --> 00:41:56,800

or denied by

1196

00:42:00,470 --> 00:41:59,040

you know a second person looking at them

1197

00:42:02,550 --> 00:42:00,480

or third person or

1198

00:42:03,670 --> 00:42:02,560

getting metal urges i'll mention one one

1199

00:42:05,430 --> 00:42:03,680

other issue we saw that

1200

00:42:07,190 --> 00:42:05,440

that i think gary nolan was was

1201
00:42:07,589 --> 00:42:07,200
discussing some of the but he was he's

1202
00:42:10,309 --> 00:42:07,599
not a

1203
00:42:11,030 --> 00:42:10,319
metallurgist so i don't know why his my

1204
00:42:13,510 --> 00:42:11,040
understanding he's like a

1205
00:42:15,910 --> 00:42:13,520
neurobiochemist or something so

1206
00:42:16,870 --> 00:42:15,920
again i guess i'm being too skeptical

1207
00:42:19,030 --> 00:42:16,880
but again

1208
00:42:19,990 --> 00:42:19,040
why are you not having qualified to look

1209
00:42:22,069 --> 00:42:20,000
at it

1210
00:42:23,589 --> 00:42:22,079
and decide if it's aliens or not right

1211
00:42:25,589 --> 00:42:23,599
right right right i don't know

1212
00:42:27,589 --> 00:42:25,599
and and here's my question why does it

1213
00:42:29,349 --> 00:42:27,599

take so much effort to figure that out i

1214

00:42:31,829 --> 00:42:29,359

mean wouldn't it be more obvious i'm

1215

00:42:35,510 --> 00:42:31,839

missing something i guess maybe but

1216

00:42:37,190 --> 00:42:35,520

you know why shouldn't alien debris or

1217

00:42:39,030 --> 00:42:37,200

yeah they should be able to look at it

1218

00:42:41,109 --> 00:42:39,040

under a microscope and find out if it

1219

00:42:42,470 --> 00:42:41,119

was manufactured or naturally occurring

1220

00:42:44,150 --> 00:42:42,480

and then they should be able to put it

1221

00:42:46,870 --> 00:42:44,160

in a mass spectrometer

1222

00:42:47,670 --> 00:42:46,880

and find out what the isotope count is

1223

00:42:51,109 --> 00:42:47,680

and if it

1224

00:42:53,270 --> 00:42:51,119

if it's truly from another star system

1225

00:42:54,309 --> 00:42:53,280

they'd be able to be able to easily

1226

00:42:56,150 --> 00:42:54,319

determine that

1227

00:42:58,150 --> 00:42:56,160

and i don't think we ever get to it we

1228

00:42:59,589 --> 00:42:58,160

never get that like

1229

00:43:01,270 --> 00:42:59,599

in mythology there's a lot of things

1230

00:43:02,870 --> 00:43:01,280

that start out big and then

1231

00:43:05,030 --> 00:43:02,880

they just kind of go away slowly and

1232

00:43:06,710 --> 00:43:05,040

taper away you know

1233

00:43:08,230 --> 00:43:06,720

without much coming out of them in the

1234

00:43:09,910 --> 00:43:08,240

end i hope

1235

00:43:11,670 --> 00:43:09,920

hopefully this won't be one of those but

1236

00:43:12,069 --> 00:43:11,680

you know yeah there's always some big

1237

00:43:16,150 --> 00:43:12,079

story

1238

00:43:17,430 --> 00:43:16,160

that turns out to be whatever

1239

00:43:19,589 --> 00:43:17,440

you were asking about chris i'll tell

1240

00:43:21,990 --> 00:43:19,599

you that yeah

1241

00:43:23,990 --> 00:43:22,000

you let me as nasa you were asking about

1242

00:43:26,390 --> 00:43:24,000

uh chris mellon and um

1243

00:43:27,109 --> 00:43:26,400

luella zondo chris helped us write the

1244

00:43:28,710 --> 00:43:27,119

the uh

1245

00:43:30,069 --> 00:43:28,720

the letter that we sent to congress and

1246

00:43:31,430 --> 00:43:30,079

then people were right what's gonna ask

1247

00:43:34,309 --> 00:43:31,440

you about that can you explain

1248

00:43:35,190 --> 00:43:34,319

exactly what scu is and this letter that

1249

00:43:37,750 --> 00:43:35,200

you guys sent

1250

00:43:38,790 --> 00:43:37,760

can you talk about that yeah i'll do it

1251
00:43:43,109 --> 00:43:38,800
from the

1252
00:43:44,470 --> 00:43:43,119
just the scientific coalition for uap

1253
00:43:46,790 --> 00:43:44,480
studies it's

1254
00:43:47,510 --> 00:43:46,800
um just a group mostly scientists people

1255
00:43:49,829 --> 00:43:47,520
with

1256
00:43:51,829 --> 00:43:49,839
people degreed people reasonable people

1257
00:43:53,829 --> 00:43:51,839
about 100 members

1258
00:43:55,670 --> 00:43:53,839
you know some of the member robert

1259
00:43:57,030 --> 00:43:55,680
powell and uh kevin knows did a lot of

1260
00:44:00,069 --> 00:43:57,040
work on the nimitz case

1261
00:44:03,109 --> 00:44:00,079
stuff like that right um

1262
00:44:05,750 --> 00:44:03,119
but a group of us and i'll say robert

1263
00:44:09,030 --> 00:44:05,760

and i got together the idea initially

1264

00:44:11,510 --> 00:44:09,040

was to try to give some feedback from

1265

00:44:13,430 --> 00:44:11,520

from you know one of the only kind of

1266

00:44:15,190 --> 00:44:13,440

major ufo organizations remaining that

1267

00:44:15,510 --> 00:44:15,200

had any sort of scientific credibility

1268

00:44:19,589 --> 00:44:15,520

to

1269

00:44:20,550 --> 00:44:19,599

was creating this paper or you know or

1270

00:44:22,950 --> 00:44:20,560

this this uh

1271

00:44:24,230 --> 00:44:22,960

you know this was going on june right uh

1272

00:44:26,069 --> 00:44:24,240

that turned into

1273

00:44:27,430 --> 00:44:26,079

and actually all like now it's okay to

1274

00:44:29,109 --> 00:44:27,440

say this because

1275

00:44:30,790 --> 00:44:29,119

a couple of things right if you read the

1276

00:44:31,990 --> 00:44:30,800

the letter that we sent to congress it

1277

00:44:35,190 --> 00:44:32,000

does say

1278

00:44:35,990 --> 00:44:35,200

respectfully to uh senators uh rubio and

1279

00:44:38,470 --> 00:44:36,000

warner

1280

00:44:40,790 --> 00:44:38,480

right we were requesting you release the

1281

00:44:41,430 --> 00:44:40,800

remaining footage from the uh the gimbal

1282

00:44:43,589 --> 00:44:41,440

video

1283

00:44:45,430 --> 00:44:43,599

right chris i think has come out on joe

1284

00:44:47,349 --> 00:44:45,440

rogan and said there's a longer video

1285

00:44:48,390 --> 00:44:47,359

and i think lou elizando implied there

1286

00:44:50,710 --> 00:44:48,400

was a longer

1287

00:44:51,430 --> 00:44:50,720

video of which that gimbal video is just

1288

00:44:55,750 --> 00:44:51,440

a segment

1289

00:44:56,950 --> 00:44:55,760

right um so if so right the assumption i

1290

00:44:58,309 --> 00:44:56,960

would have would be that it would be a

1291

00:44:59,750 --> 00:44:58,319

section of a longer video and there's

1292

00:45:09,349 --> 00:44:59,760

more data there right

1293

00:45:12,390 --> 00:45:11,270

we had a hiccup there or something for a

1294

00:45:15,430 --> 00:45:12,400

second there so i missed

1295

00:45:15,750 --> 00:45:15,440

i jumped in what you just said no reason

1296

00:45:17,589 --> 00:45:15,760

that

1297

00:45:19,190 --> 00:45:17,599

um i got tired of seeing everybody

1298

00:45:20,710 --> 00:45:19,200

debate this one segment of video this

1299

00:45:21,750 --> 00:45:20,720

gimbal video right because it's like

1300

00:45:23,190 --> 00:45:21,760

however long

1301
00:45:25,670 --> 00:45:23,200
and then the thing may or may not go to

1302
00:45:26,069 --> 00:45:25,680
the side where's the rest of the video

1303
00:45:27,270 --> 00:45:26,079
you know

1304
00:45:29,109 --> 00:45:27,280
people are burning up all this time

1305
00:45:31,750 --> 00:45:29,119
looking at this possible

1306
00:45:33,829 --> 00:45:31,760
jet or possible flying saucer or anyway

1307
00:45:36,710 --> 00:45:33,839
long story short um

1308
00:45:38,550 --> 00:45:36,720
we turned our attention with chris's

1309
00:45:39,589 --> 00:45:38,560
guidance and help at uh requesting that

1310
00:45:41,750 --> 00:45:39,599
they release

1311
00:45:42,870 --> 00:45:41,760
the rest of that video along with the

1312
00:45:44,550 --> 00:45:42,880
other videos that they

1313
00:45:46,309 --> 00:45:44,560

they recently right talked about or

1314

00:45:47,589 --> 00:45:46,319

acknowledged or whatever leaked or

1315

00:45:49,990 --> 00:45:47,599

whatever you want to call it right

1316

00:45:51,030 --> 00:45:50,000

yeah watch your full video why can't we

1317

00:45:53,589 --> 00:45:51,040

get like exactly

1318

00:45:55,270 --> 00:45:53,599

the 25 minute version or whatever and

1319

00:45:55,990 --> 00:45:55,280

especially if you read you know their

1320

00:45:59,430 --> 00:45:56,000

their own

1321

00:46:01,990 --> 00:45:59,440

verbiage says these videos do not um

1322

00:46:03,910 --> 00:46:02,000

do not uh release any classifiable

1323

00:46:05,349 --> 00:46:03,920

information about methods or anything

1324

00:46:06,630 --> 00:46:05,359

right so when they acknowledge that they

1325

00:46:08,069 --> 00:46:06,640

specifically said that

1326
00:46:09,510 --> 00:46:08,079
so therefore the rest of the video can't

1327
00:46:11,030 --> 00:46:09,520
really show anything different right i

1328
00:46:13,829 --> 00:46:11,040
mean what yeah

1329
00:46:15,589 --> 00:46:13,839
i wonder about this uh this you know i i

1330
00:46:16,309 --> 00:46:15,599
it frustrates me this we're supposed to

1331
00:46:18,710 --> 00:46:16,319
have freedom

1332
00:46:19,430 --> 00:46:18,720
of information act but it's really of

1333
00:46:22,870 --> 00:46:19,440
whether

1334
00:46:24,710 --> 00:46:22,880
they want us to know act yeah because

1335
00:46:26,230 --> 00:46:24,720
it should be they should have to release

1336
00:46:28,870 --> 00:46:26,240
it they should have so we

1337
00:46:30,790 --> 00:46:28,880
forced to release it so robert powell

1338
00:46:32,230 --> 00:46:30,800

filed the foia request requesting that

1339

00:46:35,270 --> 00:46:32,240

they release the video

1340

00:46:37,349 --> 00:46:35,280

and any radar data anything right the

1341

00:46:40,470 --> 00:46:37,359

official usual way you would do that

1342

00:46:42,390 --> 00:46:40,480

request it be released right um

1343

00:46:44,550 --> 00:46:42,400

no luck all right so the idea you're

1344

00:46:46,390 --> 00:46:44,560

gonna reply did he get a reply though

1345

00:46:47,750 --> 00:46:46,400

he got the usual i uh what did he say no

1346

00:46:49,190 --> 00:46:47,760

records i think was the reply i think it

1347

00:46:50,470 --> 00:46:49,200

was just in the records reply

1348

00:46:52,790 --> 00:46:50,480

yeah how could they have um i have to

1349

00:46:54,309 --> 00:46:52,800

check to see what it was yeah what the

1350

00:46:56,309 --> 00:46:54,319

exact verbiage was but he didn't get

1351

00:46:57,910 --> 00:46:56,319

much right um

1352

00:46:59,750 --> 00:46:57,920

like i said the freedom of whether we

1353

00:47:01,270 --> 00:46:59,760

want you to know act or not right right

1354

00:47:02,710 --> 00:47:01,280

what do we want you to know or not act

1355

00:47:04,150 --> 00:47:02,720

it's not the freedom yeah there's no

1356

00:47:06,710 --> 00:47:04,160

freedom of it so

1357

00:47:07,990 --> 00:47:06,720

they do what they want yeah well and

1358

00:47:10,630 --> 00:47:08,000

i'll give this is where i'll give chris

1359

00:47:12,309 --> 00:47:10,640

credit he he said we should be specific

1360

00:47:13,910 --> 00:47:12,319

in our our request before we're gonna

1361

00:47:16,630 --> 00:47:13,920

send something to congress

1362

00:47:17,349 --> 00:47:16,640

so mentioning that foia is kind of you

1363

00:47:18,870 --> 00:47:17,359

know if

1364

00:47:20,390 --> 00:47:18,880

this is what we're actually asking just

1365

00:47:22,470 --> 00:47:20,400

honor this for your request

1366

00:47:23,990 --> 00:47:22,480

right um people say there's a longer

1367

00:47:25,190 --> 00:47:24,000

video makes sense there's a longer video

1368

00:47:27,109 --> 00:47:25,200

you've said that there's no problem with

1369

00:47:28,790 --> 00:47:27,119

the video that's out there i'm tired of

1370

00:47:29,750 --> 00:47:28,800

hearing mick west say that it's a jet 20

1371

00:47:31,109 --> 00:47:29,760

miles away

1372

00:47:33,030 --> 00:47:31,119

if there's another video show me the

1373

00:47:34,470 --> 00:47:33,040

damn video right that's

1374

00:47:37,270 --> 00:47:34,480

pretty much what it comes down to there

1375

00:47:38,870 --> 00:47:37,280

was a lot of people arguing about why

1376

00:47:40,549 --> 00:47:38,880

were the names censored on the letter

1377

00:47:42,470 --> 00:47:40,559

when it was released well

1378

00:47:43,990 --> 00:47:42,480

i got with robert and chris and we

1379

00:47:44,630 --> 00:47:44,000

composed the letter and chris wrote a

1380

00:47:46,230 --> 00:47:44,640

draft and

1381

00:47:47,670 --> 00:47:46,240

any long story short everybody that

1382

00:47:48,790 --> 00:47:47,680

signed it you can see it says we can

1383

00:47:50,630 --> 00:47:48,800

release this

1384

00:47:51,990 --> 00:47:50,640

publicly you know after this date if we

1385

00:47:54,790 --> 00:47:52,000

don't get a reply we got no

1386

00:47:57,190 --> 00:47:54,800

reply by the way we sent faxes we sent

1387

00:48:00,230 --> 00:47:57,200

emails we sent voicemails we sent

1388

00:48:02,470 --> 00:48:00,240

our certified hard copies no response

1389

00:48:05,430 --> 00:48:02,480

not even a thank you [\h__\h] you goodbye

1390

00:48:06,390 --> 00:48:05,440

all right thank you senator warner's

1391

00:48:08,549 --> 00:48:06,400

rubio

1392

00:48:10,230 --> 00:48:08,559

um michael fesner of the uh senate

1393

00:48:11,190 --> 00:48:10,240

subcommittee attend on intelligence i

1394

00:48:15,430 --> 00:48:11,200

think is the title

1395

00:48:19,349 --> 00:48:17,270

what i want to emphasize is it's not

1396

00:48:20,150 --> 00:48:19,359

just me right the goal here was to get

1397

00:48:22,309 --> 00:48:20,160

something

1398

00:48:23,349 --> 00:48:22,319

we could all agree upon as as scientists

1399

00:48:25,510 --> 00:48:23,359

or rational

1400

00:48:26,790 --> 00:48:25,520

people and request it and you've got you

1401

00:48:28,549 --> 00:48:26,800

know serious

1402

00:48:31,270 --> 00:48:28,559

people there that some of them have

1403

00:48:32,710 --> 00:48:31,280

active security clearances first of all

1404

00:48:34,150 --> 00:48:32,720

why aren't they allowed to access the

1405

00:48:35,829 --> 00:48:34,160

information anyway because there are

1406

00:48:36,870 --> 00:48:35,839

laws that say you can't overclassify

1407

00:48:38,390 --> 00:48:36,880

something

1408

00:48:39,589 --> 00:48:38,400

on that whole another thing right but

1409

00:48:40,630 --> 00:48:39,599

this was the kind of stuff that chris

1410

00:48:42,870 --> 00:48:40,640

helped guide us with

1411

00:48:44,309 --> 00:48:42,880

so i want to give him due credit on that

1412

00:48:45,910 --> 00:48:44,319

right if you read the actual letter and

1413

00:48:47,190 --> 00:48:45,920

it does say you know here's a law saying

1414

00:48:48,870 --> 00:48:47,200

that you can't hold it right

1415

00:48:50,470 --> 00:48:48,880

yeah he works within the system so

1416

00:48:52,470 --> 00:48:50,480

certainly he knows how to navigate it

1417

00:48:55,910 --> 00:48:52,480

better than some people would

1418

00:48:57,910 --> 00:48:55,920

be an outsider right yeah yeah and

1419

00:48:59,670 --> 00:48:57,920

you know the again the request there is

1420

00:49:01,589 --> 00:48:59,680

just let

1421

00:49:03,030 --> 00:49:01,599

we can open source figure this [h__h] out

1422

00:49:04,549 --> 00:49:03,040

if you release the data right

1423

00:49:06,309 --> 00:49:04,559

i mean if you put the video out there we

1424

00:49:07,829 --> 00:49:06,319

can figure it out just like just like

1425

00:49:09,030 --> 00:49:07,839

people have figured out the roswell

1426
00:49:10,710 --> 00:49:09,040
slides or

1427
00:49:12,390 --> 00:49:10,720
whatever else right but yeah and you

1428
00:49:14,309 --> 00:49:12,400
don't want to restrict it

1429
00:49:17,750 --> 00:49:14,319
the reason that i want to see the data

1430
00:49:21,430 --> 00:49:17,760
is because i'm tired of relying on

1431
00:49:24,630 --> 00:49:21,440
witnesses who say things like this craft

1432
00:49:26,150 --> 00:49:24,640
uh had no visible means of propulsion or

1433
00:49:28,950 --> 00:49:26,160
this craft

1434
00:49:31,270 --> 00:49:28,960
defied the laws of physics i want to see

1435
00:49:33,430 --> 00:49:31,280
the data that proves these statements

1436
00:49:35,510 --> 00:49:33,440
and the radar tapes would prove or

1437
00:49:38,150 --> 00:49:35,520
disprove those statements

1438
00:49:39,430 --> 00:49:38,160

i would think yeah and i you'd have to

1439

00:49:40,870 --> 00:49:39,440

check i would have to double check i

1440

00:49:42,950 --> 00:49:40,880

think robert said that they

1441

00:49:44,470 --> 00:49:42,960

pretty quickly said no data no nothing

1442

00:49:45,910 --> 00:49:44,480

of it from what i recall

1443

00:49:47,510 --> 00:49:45,920

i don't know if that's right but he

1444

00:49:48,549 --> 00:49:47,520

didn't get much i'll put it that way so

1445

00:49:50,630 --> 00:49:48,559

well

1446

00:49:56,470 --> 00:49:50,640

it also begs the question like okay so

1447

00:49:56,480 --> 00:50:03,270

i think he froze up

1448

00:50:03,280 --> 00:50:15,270

you're frozen you can see me

1449

00:50:15,280 --> 00:50:19,270

i can't see you i see you frozen

1450

00:50:19,280 --> 00:50:24,309

should i jump back in wait

1451

00:51:15,270 --> 00:50:25,829

i'm gonna leave and come back if you can

1452

00:51:18,390 --> 00:51:16,950

wow sorry friends i don't know we have

1453

00:51:20,309 --> 00:51:18,400

some kind of hiccup uh

1454

00:51:22,630 --> 00:51:20,319

and that may be because my children are

1455

00:51:25,829 --> 00:51:22,640

still awake and probably have 17

1456

00:51:35,670 --> 00:51:25,839

internet devices going at once so

1457

00:51:39,750 --> 00:51:38,150

yeah so tim's muted himself uh i guess

1458

00:51:44,069 --> 00:51:39,760

he noticed the hiccup

1459

00:51:46,630 --> 00:51:44,079

so you know uh i was saying that this

1460

00:51:48,549 --> 00:51:46,640

doesn't make sense that there's no data

1461

00:51:50,630 --> 00:51:48,559

it makes absolutely no sense there's no

1462

00:51:53,910 --> 00:51:50,640

data because if they've got

1463

00:51:54,870 --> 00:51:53,920

unknown craft flying near aircraft

1464

00:51:58,309 --> 00:51:54,880

carriers

1465

00:52:00,470 --> 00:51:58,319

they should have and have kept the data

1466

00:52:01,910 --> 00:52:00,480

and it doesn't make any sense to me it

1467

00:52:05,829 --> 00:52:01,920

makes no sense to me

1468

00:52:07,270 --> 00:52:05,839

that there's no data i'm sorry

1469

00:52:09,430 --> 00:52:07,280

i don't know what this hiccup thing is

1470

00:52:11,190 --> 00:52:09,440

is going on but i try to

1471

00:52:13,430 --> 00:52:11,200

you know kill other stuff that may be

1472

00:52:15,430 --> 00:52:13,440

causing bandwidth issues so

1473

00:52:17,109 --> 00:52:15,440

you know what i was saying is there's

1474

00:52:18,710 --> 00:52:17,119

two possibilities either they're

1475

00:52:21,349 --> 00:52:18,720

telling the truth and they really didn't

1476

00:52:25,910 --> 00:52:21,359

keep the data or

1477

00:52:27,910 --> 00:52:25,920

they're incompetent because it's okay

1478

00:52:29,670 --> 00:52:27,920

if there's if there's unknown craft

1479

00:52:31,589 --> 00:52:29,680

flying near aircraft carriers

1480

00:52:33,190 --> 00:52:31,599

they should have the radar data they

1481

00:52:33,829 --> 00:52:33,200

should have kept a couple of things yeah

1482

00:52:37,430 --> 00:52:33,839

a couple

1483

00:52:39,349 --> 00:52:37,440

the data data was taken by the air force

1484

00:52:42,069 --> 00:52:39,359

right somebody claims that

1485

00:52:43,750 --> 00:52:42,079

um it is weird because it's almost on on

1486

00:52:45,430 --> 00:52:43,760

a surface level or a

1487

00:52:46,870 --> 00:52:45,440

secondary level they don't know what's

1488

00:52:48,309 --> 00:52:46,880

going on but there's a suggestion

1489

00:52:50,069 --> 00:52:48,319

there's a deeper level at which someone

1490

00:52:50,630 --> 00:52:50,079

might because that data was taken by

1491

00:52:54,470 --> 00:52:50,640

somebody

1492

00:52:55,349 --> 00:52:54,480

right um sure and again the claim i

1493

00:52:57,430 --> 00:52:55,359

think was made that

1494

00:52:58,790 --> 00:52:57,440

what the air force landed and came and

1495

00:53:00,069 --> 00:52:58,800

grabbed men and black came and took it

1496

00:53:02,069 --> 00:53:00,079

basically right

1497

00:53:04,630 --> 00:53:02,079

yeah uh when in doubt you got to blame

1498

00:53:07,030 --> 00:53:04,640

the men in black

1499

00:53:08,630 --> 00:53:07,040

yeah that's what it is that's what boyle

1500

00:53:10,150 --> 00:53:08,640

stands for i've seen it

1501
00:53:11,990 --> 00:53:10,160
well time and time again with some of

1502
00:53:13,750 --> 00:53:12,000
these stories it's like it says so let's

1503
00:53:14,069 --> 00:53:13,760
see it's saying something though right i

1504
00:53:16,790 --> 00:53:14,079
mean

1505
00:53:17,750 --> 00:53:16,800
we we had the proof but the men in black

1506
00:53:18,870 --> 00:53:17,760
landed

1507
00:53:20,470 --> 00:53:18,880
they're not gonna come in wearing

1508
00:53:21,270 --> 00:53:20,480
[h__\h] pink jumpsuits they're gonna be

1509
00:53:24,549 --> 00:53:21,280
wearing black

1510
00:53:28,790 --> 00:53:24,559
you know i don't know yeah i guess

1511
00:53:31,270 --> 00:53:28,800
were there three of them

1512
00:53:33,030 --> 00:53:31,280
it certainly does doesn't it yeah well

1513
00:53:36,230 --> 00:53:33,040

hey so even as a

1514

00:53:39,670 --> 00:53:36,240

pretty pretty uh affirmed skeptic

1515

00:53:41,190 --> 00:53:39,680

you know still uh although it's people

1516

00:53:42,069 --> 00:53:41,200

will sometimes say it's whether you're a

1517

00:53:44,150 --> 00:53:42,079

member of

1518

00:53:45,829 --> 00:53:44,160

an scu ufo group if you're a skeptic but

1519

00:53:47,190 --> 00:53:45,839

i'm an open skeptic you know i want i

1520

00:53:48,950 --> 00:53:47,200

want to see more data all right so

1521

00:53:49,990 --> 00:53:48,960

people are pointing out in the live chat

1522

00:53:52,470 --> 00:53:50,000

that there's more than

1523

00:53:53,750 --> 00:53:52,480

two possibilities yeah there's infinite

1524

00:53:55,670 --> 00:53:53,760

possibilities because one of the

1525

00:53:57,670 --> 00:53:55,680

other possibilities is that they claim

1526
00:53:58,230 --> 00:53:57,680
the data is classified so they can't let

1527
00:54:00,390 --> 00:53:58,240
it out

1528
00:54:01,510 --> 00:54:00,400
but they don't say that they say we

1529
00:54:05,109 --> 00:54:01,520
don't have it

1530
00:54:07,109 --> 00:54:05,119
we haven't had any data they should say

1531
00:54:08,549 --> 00:54:07,119
this is a national security this is

1532
00:54:11,109 --> 00:54:08,559
exempted from foia

1533
00:54:12,870 --> 00:54:11,119
based on national security concerns we

1534
00:54:16,630 --> 00:54:12,880
can't keep right

1535
00:54:17,109 --> 00:54:16,640
you know yeah yeah i don't know man i

1536
00:54:19,589 --> 00:54:17,119
don't know

1537
00:54:21,270 --> 00:54:19,599
but and i'm not even necessarily of the

1538
00:54:22,150 --> 00:54:21,280

mind that it's just gonna show anything

1539

00:54:25,910 --> 00:54:22,160

dramatic or

1540

00:54:27,109 --> 00:54:25,920

you know i i don't we still after all

1541

00:54:29,349 --> 00:54:27,119

this time don't have a

1542

00:54:30,790 --> 00:54:29,359

good reliable non-disputable even really

1543

00:54:32,790 --> 00:54:30,800

close-up photo of something that we can

1544

00:54:36,150 --> 00:54:32,800

all point at and say hey

1545

00:54:39,270 --> 00:54:36,160

you know that's what it is but

1546

00:54:40,230 --> 00:54:39,280

yeah yeah i don't know i don't know man

1547

00:54:42,470 --> 00:54:40,240

with the motivation

1548

00:54:44,069 --> 00:54:42,480

i heard maybe i'm a sucker i try to give

1549

00:54:45,829 --> 00:54:44,079

these guys a credit like

1550

00:54:47,990 --> 00:54:45,839

uh when we heard or if you listen to

1551
00:54:48,470 --> 00:54:48,000
chris mellen on joe rogan it sounds like

1552
00:54:51,430 --> 00:54:48,480
he's

1553
00:54:53,510 --> 00:54:51,440
what he had he had a sighting of his own

1554
00:54:55,589 --> 00:54:53,520
i think as a kid or something right

1555
00:54:57,190 --> 00:54:55,599
if i remember the story so you know

1556
00:54:58,390 --> 00:54:57,200
london seems a

1557
00:54:59,750 --> 00:54:58,400
fair enough story right but the more

1558
00:55:01,270 --> 00:54:59,760
interesting thing to me is that he could

1559
00:55:03,270 --> 00:55:01,280
be at the level he had gotten to and not

1560
00:55:05,109 --> 00:55:03,280
really have seen

1561
00:55:07,270 --> 00:55:05,119
whatever unless he's seen something he's

1562
00:55:10,150 --> 00:55:07,280
not you know given any clues about

1563
00:55:11,270 --> 00:55:10,160

you know it sounds to me like i don't

1564

00:55:13,109 --> 00:55:11,280

know i don't think that we're going to

1565

00:55:15,750 --> 00:55:13,119

see anybody wheel out a dead alien

1566

00:55:16,950 --> 00:55:15,760

or or even a great photo showing

1567

00:55:19,190 --> 00:55:16,960

something indisputable

1568

00:55:20,549 --> 00:55:19,200

you know i think it's a mystery but and

1569

00:55:21,589 --> 00:55:20,559

again somebody took the data like you

1570

00:55:26,390 --> 00:55:21,599

say

1571

00:55:30,230 --> 00:55:29,430

yeah you know some of the things that he

1572

00:55:34,150 --> 00:55:30,240

said though like

1573

00:55:36,230 --> 00:55:34,160

didn't he say that like uh you know it's

1574

00:55:37,510 --> 00:55:36,240

probably not drones because drones have

1575

00:55:40,870 --> 00:55:37,520

a short flight time

1576
00:55:42,069 --> 00:55:40,880
yeah he's gotta know with his background

1577
00:55:44,870 --> 00:55:42,079
that there are drones

1578
00:55:45,750 --> 00:55:44,880
that can stay in the air for like weeks

1579
00:55:49,430 --> 00:55:45,760
at a time

1580
00:55:50,309 --> 00:55:49,440
with very advanced power systems that

1581
00:55:52,390 --> 00:55:50,319
they have

1582
00:55:53,430 --> 00:55:52,400
i mean there's nuclear batteries that's

1583
00:55:56,230 --> 00:55:53,440
what runs uh

1584
00:55:57,430 --> 00:55:56,240
satellites you know there's so it's

1585
00:55:59,829 --> 00:55:57,440
weird because you know who knows what

1586
00:56:02,710 --> 00:55:59,839
somebody else knows right especially

1587
00:56:04,309 --> 00:56:02,720
in a certain position we want to assume

1588
00:56:05,190 --> 00:56:04,319

i should assume you know that he knows

1589

00:56:07,750 --> 00:56:05,200

about some of these

1590

00:56:08,789 --> 00:56:07,760

long flight drone projects that they

1591

00:56:10,710 --> 00:56:08,799

have that

1592

00:56:12,630 --> 00:56:10,720

you know they they've got drones that

1593

00:56:15,990 --> 00:56:12,640

can stay at least for

1594

00:56:19,190 --> 00:56:16,000

a day a full-on day can stay

1595

00:56:20,390 --> 00:56:19,200

in the air so something like that

1596

00:56:22,069 --> 00:56:20,400

sorry i don't want to cut you off go

1597

00:56:23,670 --> 00:56:22,079

ahead yes i just mean that his

1598

00:56:25,430 --> 00:56:23,680

explanation of like well it can't be

1599

00:56:27,030 --> 00:56:25,440

drones because they have such a short

1600

00:56:29,030 --> 00:56:27,040

flight time

1601
00:56:30,870 --> 00:56:29,040
yeah like if i went to walmart and

1602
00:56:32,710 --> 00:56:30,880
bought one off the shelf it would have

1603
00:56:35,910 --> 00:56:32,720
been 25 minute flight time

1604
00:56:37,349 --> 00:56:35,920
if i'm lucky but the military has the

1605
00:56:39,589 --> 00:56:37,359
good ones that can

1606
00:56:40,950 --> 00:56:39,599
they can stay that could stay in the air

1607
00:56:42,549 --> 00:56:40,960
for days i think

1608
00:56:44,789 --> 00:56:42,559
you know yeah and i don't know

1609
00:56:46,069 --> 00:56:44,799
specifically what events he was

1610
00:56:48,150 --> 00:56:46,079
talking about either you know because

1611
00:56:50,549 --> 00:56:48,160
i've heard like lou try to tie

1612
00:56:52,309 --> 00:56:50,559
maybe i've heard people try to tie in

1613
00:56:53,430 --> 00:56:52,319

the lani zamora thing to the tic tac

1614

00:56:56,069 --> 00:56:53,440

you know and they kind of make that

1615

00:56:58,710 --> 00:56:56,079

narrative so they maybe more generally

1616

00:57:00,950 --> 00:56:58,720

i don't know man i don't you know but uh

1617

00:57:03,510 --> 00:57:00,960

yeah it would be surprising

1618

00:57:05,109 --> 00:57:03,520

and maybe that wouldn't do this i've

1619

00:57:06,549 --> 00:57:05,119

said this before to somebody else but i

1620

00:57:08,549 --> 00:57:06,559

found it interesting that in one of i

1621

00:57:10,390 --> 00:57:08,559

think was it one of jacques ballet's uh

1622

00:57:11,589 --> 00:57:10,400

forbidden science journal you know we

1623

00:57:12,150 --> 00:57:11,599

had the three journal volumes or

1624

00:57:13,430 --> 00:57:12,160

whatever

1625

00:57:14,870 --> 00:57:13,440

he mentioned when he was working with

1626
00:57:16,309 --> 00:57:14,880
highneck and dealing with people at the

1627
00:57:18,390 --> 00:57:16,319
pentagon he was surprised

1628
00:57:19,750 --> 00:57:18,400
that the people that were actually doing

1629
00:57:21,270 --> 00:57:19,760
this [h__h] with him in hindi

1630
00:57:22,789 --> 00:57:21,280
they opened their briefcases and like

1631
00:57:24,870 --> 00:57:22,799
the sources that they were getting their

1632
00:57:26,230 --> 00:57:24,880
info from was like you know brad steiger

1633
00:57:28,150 --> 00:57:26,240
star children and

1634
00:57:29,349 --> 00:57:28,160
or you know valet's anatomy often these

1635
00:57:31,190 --> 00:57:29,359
were the books that they were using to

1636
00:57:34,150 --> 00:57:31,200
figure out what the hell was going on

1637
00:57:35,829 --> 00:57:34,160
as their resources you know instead of

1638
00:57:38,829 --> 00:57:35,839

we'd like to think that they had a lab

1639

00:57:40,789 --> 00:57:38,839

with a crashed alien and all kinds of

1640

00:57:43,030 --> 00:57:40,799

yeah

1641

00:57:44,069 --> 00:57:43,040

somebody mentioned in the live chat he

1642

00:57:45,589 --> 00:57:44,079

went a little too far

1643

00:57:47,270 --> 00:57:45,599

because he was involved with paula

1644

00:57:49,589 --> 00:57:47,280

harris who is one of those people that

1645

00:57:51,270 --> 00:57:49,599

believes every single alien story she

1646

00:57:54,150 --> 00:57:51,280

hears

1647

00:57:55,190 --> 00:57:54,160

you know i can't argue with you yeah

1648

00:58:00,309 --> 00:57:55,200

yeah

1649

00:58:02,710 --> 00:58:00,319

melisa mentions in the live chat that

1650

00:58:03,589 --> 00:58:02,720

military drones can flight for like 60

1651
00:58:06,470 --> 00:58:03,599
hours in a row

1652
00:58:07,829 --> 00:58:06,480
yes so the statement that the flight

1653
00:58:09,190 --> 00:58:07,839
time can't be a drone because their

1654
00:58:11,670 --> 00:58:09,200
flight time is too short

1655
00:58:13,030 --> 00:58:11,680
it's confusing to me again there's some

1656
00:58:15,670 --> 00:58:13,040
i don't i don't know

1657
00:58:18,390 --> 00:58:15,680
what yeah yeah i don't know specifically

1658
00:58:21,990 --> 00:58:18,400
which what event though there he was

1659
00:58:23,430 --> 00:58:22,000
but yeah i you know it's

1660
00:58:24,470 --> 00:58:23,440
don't know i'll be surprised if it turns

1661
00:58:26,309 --> 00:58:24,480
out that there's a whole lot more

1662
00:58:28,630 --> 00:58:26,319
information

1663
00:58:29,430 --> 00:58:28,640

um released you know it'd be nice if

1664

00:58:31,430 --> 00:58:29,440

they

1665

00:58:33,510 --> 00:58:31,440

honored the request that we we sent them

1666

00:58:35,990 --> 00:58:33,520

we had you know what 52

1667

00:58:38,470 --> 00:58:36,000

people half of more phds and chris

1668

00:58:40,069 --> 00:58:38,480

mellon signed it

1669

00:58:41,510 --> 00:58:40,079

plenty of other people i won't just drop

1670

00:58:43,030 --> 00:58:41,520

names but you know

1671

00:58:44,710 --> 00:58:43,040

legitimate people that would like to see

1672

00:58:46,069 --> 00:58:44,720

the rest of the video if it's available

1673

00:58:49,109 --> 00:58:46,079

then we sent the request

1674

00:58:50,390 --> 00:58:49,119

by the mechanism in which this you know

1675

00:58:52,870 --> 00:58:50,400

this government we're supposed to

1676

00:58:56,069 --> 00:58:52,880

request it and you know

1677

00:58:59,829 --> 00:58:56,079

now what right yeah

1678

00:59:01,430 --> 00:58:59,839

um yeah i i i'm just

1679

00:59:03,030 --> 00:59:01,440

you know what it's frustrating to me

1680

00:59:03,750 --> 00:59:03,040

because there's there's information out

1681

00:59:07,349 --> 00:59:03,760

there but

1682

00:59:10,549 --> 00:59:07,359

so much of it needs like a second

1683

00:59:13,109 --> 00:59:10,559

like run of of clarification so that

1684

00:59:14,950 --> 00:59:13,119

yeah yeah that was what i was gonna you

1685

00:59:16,390 --> 00:59:14,960

know we do have a lot of data already

1686

00:59:16,950 --> 00:59:16,400

that we need to figure out a way to deal

1687

00:59:20,230 --> 00:59:16,960

with

1688

00:59:22,390 --> 00:59:20,240

uh i'm thinking of like databases and

1689

00:59:24,230 --> 00:59:22,400

stuff that could eventually be

1690

00:59:25,750 --> 00:59:24,240

lost if we don't preserve them you know

1691

00:59:27,109 --> 00:59:25,760

like ballet's got all these large

1692

00:59:28,630 --> 00:59:27,119

databases of sightings that he's

1693

00:59:29,430 --> 00:59:28,640

collected over the years but i don't

1694

00:59:32,309 --> 00:59:29,440

think

1695

00:59:34,309 --> 00:59:32,319

most of those those old school ufo

1696

00:59:34,870 --> 00:59:34,319

databases have been preserved by anybody

1697

00:59:38,309 --> 00:59:34,880

other than

1698

00:59:39,910 --> 00:59:38,319

you know randomly but like the larry

1699

00:59:41,190 --> 00:59:39,920

hatch database had what these hundreds

1700

00:59:43,109 --> 00:59:41,200

or thousands of

1701
00:59:44,309 --> 00:59:43,119
sightings you know when he went to the

1702
00:59:45,589 --> 00:59:44,319
trouble of putting them all in and

1703
00:59:47,349 --> 00:59:45,599
organized them for way

1704
00:59:49,270 --> 00:59:47,359
so all that information is around

1705
00:59:51,829 --> 00:59:49,280
somewhere but there's no

1706
00:59:54,309 --> 00:59:51,839
centralized mechanism or people that you

1707
00:59:56,549 --> 00:59:54,319
know kind of act as a repository i know

1708
00:59:57,829 --> 00:59:56,559
jacques i didn't he get with was it

1709
00:59:59,510 --> 00:59:57,839
stanley krippner at

1710
01:00:01,750 --> 00:59:59,520
university of new mexico to start

1711
01:00:03,349 --> 01:00:01,760
storing certain stuff

1712
01:00:05,589 --> 01:00:03,359
yeah i think i had heard something that

1713
01:00:07,910 --> 01:00:05,599

he was going to start

1714

01:00:09,109 --> 01:00:07,920

archiving all his old stuff and making

1715

01:00:11,190 --> 01:00:09,119

it available online for other

1716

01:00:14,069 --> 01:00:11,200

researchers but then i did not

1717

01:00:15,589 --> 01:00:14,079

i didn't follow up or here if they

1718

01:00:17,990 --> 01:00:15,599

actually did that

1719

01:00:19,750 --> 01:00:18,000

you know yeah a lot of these people have

1720

01:00:23,030 --> 01:00:19,760

got all these paper files

1721

01:00:24,870 --> 01:00:23,040

you know it's only um it's only about an

1722

01:00:26,230 --> 01:00:24,880

hour from me the stanton friedman

1723

01:00:27,670 --> 01:00:26,240

archive that they're putting in that

1724

01:00:29,349 --> 01:00:27,680

college

1725

01:00:32,069 --> 01:00:29,359

the name escapes me of the actual

1726

01:00:35,109 --> 01:00:32,079

college but there's like

1727

01:00:36,950 --> 01:00:35,119

85 boxes of his papers that are in

1728

01:00:38,950 --> 01:00:36,960

yeah you can go there and go through

1729

01:00:40,150 --> 01:00:38,960

that all right and i believe grant

1730

01:00:42,789 --> 01:00:40,160

cameron has

1731

01:00:43,430 --> 01:00:42,799

so far been the only person in there and

1732

01:00:47,270 --> 01:00:43,440

he just

1733

01:00:49,750 --> 01:00:47,280

you know has been dripping stuff out

1734

01:00:51,750 --> 01:00:49,760

well it's long been the thing in ufos to

1735

01:00:53,670 --> 01:00:51,760

want to harass the government for

1736

01:00:55,349 --> 01:00:53,680

shouldn't say that to to want the

1737

01:00:56,789 --> 01:00:55,359

government to come out with the answers

1738

01:00:59,030 --> 01:00:56,799

and that's always been like a

1739

01:01:00,630 --> 01:00:59,040

part top part of the you know ufo

1740

01:01:01,829 --> 01:01:00,640

attention always goes to

1741

01:01:04,549 --> 01:01:01,839

they've got to tell us what they know

1742

01:01:06,150 --> 01:01:04,559

about ufos it's always a big you know

1743

01:01:08,950 --> 01:01:06,160

yeah but yeah there's plenty of stuff

1744

01:01:11,589 --> 01:01:08,960

there that people could focus on

1745

01:01:12,549 --> 01:01:11,599

you know data that's available already

1746

01:01:15,349 --> 01:01:12,559

you know

1747

01:01:16,069 --> 01:01:15,359

um it's not as glamorous of course so

1748

01:01:19,670 --> 01:01:16,079

can you tell me

1749

01:01:20,630 --> 01:01:19,680

background what is your phd in and what

1750

01:01:22,710 --> 01:01:20,640

are your degrees in

1751

01:01:23,670 --> 01:01:22,720

i'm just curious yeah yeah no worries i

1752

01:01:25,829 --> 01:01:23,680

wouldn't uh

1753

01:01:27,670 --> 01:01:25,839

my four-year degree i went in pensacola

1754

01:01:28,870 --> 01:01:27,680

florida but my hometown gulf breeze

1755

01:01:30,309 --> 01:01:28,880

basically that's how i got interested in

1756

01:01:32,230 --> 01:01:30,319

ufos by the way was

1757

01:01:34,309 --> 01:01:32,240

i grew up in gulf breeze when ed walters

1758

01:01:37,510 --> 01:01:34,319

in the 90s was photographing all his

1759

01:01:38,870 --> 01:01:37,520

nonsense right so anyway i went to

1760

01:01:40,870 --> 01:01:38,880

yeah i went to high school college in

1761

01:01:42,230 --> 01:01:40,880

pensacola there uh at the west florida

1762

01:01:45,349 --> 01:01:42,240

university and then

1763

01:01:46,549 --> 01:01:45,359

uh got my master's degree and my phd at

1764

01:01:50,069 --> 01:01:46,559

university of georgia

1765

01:01:50,870 --> 01:01:50,079

in athens uh in cognitive experimental

1766

01:01:52,870 --> 01:01:50,880

psychology

1767

01:01:54,870 --> 01:01:52,880

generally so a little bit of

1768

01:01:55,990 --> 01:01:54,880

neuroscience a little bit of judgment

1769

01:01:58,150 --> 01:01:56,000

decision making

1770

01:02:00,870 --> 01:01:58,160

a little bit of threat assessment i

1771

01:02:03,589 --> 01:02:00,880

worked in a flight sim lab for a while

1772

01:02:04,150 --> 01:02:03,599

um but from there directly mostly

1773

01:02:05,750 --> 01:02:04,160

teaching

1774

01:02:07,750 --> 01:02:05,760

all right so you know what they say

1775

01:02:09,270 --> 01:02:07,760

those who can't do teach right so i've

1776

01:02:11,750 --> 01:02:09,280

been a professor

1777

01:02:13,670 --> 01:02:11,760

i've worked a little bit for for uh

1778

01:02:14,950 --> 01:02:13,680

biomed trying to make some money in a

1779

01:02:17,430 --> 01:02:14,960

private industry and

1780

01:02:19,349 --> 01:02:17,440

trying to go back into teaching but yeah

1781

01:02:21,190 --> 01:02:19,359

so university of georgia

1782

01:02:23,109 --> 01:02:21,200

um one of my mentors had a flight

1783

01:02:24,950 --> 01:02:23,119

simulation lab there that

1784

01:02:26,069 --> 01:02:24,960

that i like i said i worked in for very

1785

01:02:26,950 --> 01:02:26,079

briefly but that would have been the

1786

01:02:29,270 --> 01:02:26,960

perfect kind of

1787

01:02:30,069 --> 01:02:29,280

thing you could apply you know to to

1788

01:02:31,670 --> 01:02:30,079

ufos

1789

01:02:34,549 --> 01:02:31,680

right if there was some interest or some

1790

01:02:36,309 --> 01:02:34,559

funding this was something i'd you know

1791

01:02:39,029 --> 01:02:36,319

send up the chain to somebody right we

1792

01:02:41,270 --> 01:02:39,039

if we could do some like 3d modeling or

1793

01:02:43,349 --> 01:02:41,280

have some simulations done and have

1794

01:02:45,349 --> 01:02:43,359

these guys that witness this favor or

1795

01:02:45,910 --> 01:02:45,359

whoever wants to volunteer right come in

1796

01:02:47,910 --> 01:02:45,920

and

1797

01:02:50,150 --> 01:02:47,920

do some perceptual testing stuff like

1798

01:02:53,109 --> 01:02:50,160

that that that'd be a route to go

1799

01:02:53,910 --> 01:02:53,119

um you know anything that'll happen or

1800

01:02:56,710 --> 01:02:53,920

not i don't know

1801
01:02:57,670 --> 01:02:56,720
but be interesting i would like to see i

1802
01:03:01,510 --> 01:02:57,680
would like to see

1803
01:03:03,029 --> 01:03:01,520
more research and into this field from

1804
01:03:05,029 --> 01:03:03,039
you know more credible scientific

1805
01:03:07,270 --> 01:03:05,039
sources and not so many

1806
01:03:08,069 --> 01:03:07,280
crackpots running around accepting

1807
01:03:10,390 --> 01:03:08,079
whatever

1808
01:03:11,510 --> 01:03:10,400
you know yeah yeah and i'll give lou

1809
01:03:13,670 --> 01:03:11,520
elizondo credit i

1810
01:03:15,109 --> 01:03:13,680
i saw him calling out the thing about

1811
01:03:18,150 --> 01:03:15,119
grier with the flares and

1812
01:03:20,309 --> 01:03:18,160
all that nonsense you know and uh

1813
01:03:23,750 --> 01:03:20,319

yeah but don't you see don't you don't

1814

01:03:27,029 --> 01:03:23,760

you think that there seems to be this

1815

01:03:29,190 --> 01:03:27,039

competitive uh backbiting between the

1816

01:03:31,270 --> 01:03:29,200

the top tier you know like the ufo

1817

01:03:34,309 --> 01:03:31,280

celebrities are always like

1818

01:03:34,950 --> 01:03:34,319

that guy's full of crap but i have the

1819

01:03:36,789 --> 01:03:34,960

truth

1820

01:03:38,230 --> 01:03:36,799

you know yeah i was gonna say there is

1821

01:03:38,950 --> 01:03:38,240

always some there's always some you know

1822

01:03:41,349 --> 01:03:38,960

i'm gonna

1823

01:03:42,630 --> 01:03:41,359

you know kiss you in the face and punch

1824

01:03:43,750 --> 01:03:42,640

you in the balls at the same time kind

1825

01:03:45,510 --> 01:03:43,760

of thing going on

1826

01:03:46,789 --> 01:03:45,520

that's a good way to put it that's a

1827

01:03:49,510 --> 01:03:46,799

perfect analogy

1828

01:03:49,910 --> 01:03:49,520

yeah you know yeah and they always do

1829

01:03:51,510 --> 01:03:49,920

yeah

1830

01:03:52,710 --> 01:03:51,520

some of them do do it like like you got

1831

01:03:54,549 --> 01:03:52,720

to feed somebody you got to feed

1832

01:03:56,309 --> 01:03:54,559

somebody to the wolves right

1833

01:03:57,349 --> 01:03:56,319

and i guess really you know if you do

1834

01:03:57,990 --> 01:03:57,359

the people that we're going to agree

1835

01:04:00,870 --> 01:03:58,000

upon are going

1836

01:04:01,430 --> 01:04:00,880

to be you know some of it's so obvious

1837

01:04:04,230 --> 01:04:01,440

but

1838

01:04:05,829 --> 01:04:04,240

it's it's like any kind of what you

1839

01:04:07,990 --> 01:04:05,839

might want to i hate to use the term

1840

01:04:10,309 --> 01:04:08,000

fake news but misinformation or just

1841

01:04:11,270 --> 01:04:10,319

displaying one side of any kind of you

1842

01:04:14,390 --> 01:04:11,280

know

1843

01:04:14,870 --> 01:04:14,400

it's can have obvious negative results

1844

01:04:17,109 --> 01:04:14,880

you know

1845

01:04:17,990 --> 01:04:17,119

but i don't know again the request that

1846

01:04:20,470 --> 01:04:18,000

we sent was

1847

01:04:21,829 --> 01:04:20,480

it's a foia request just please people

1848

01:04:23,510 --> 01:04:21,839

are arguing about what the hell this

1849

01:04:23,990 --> 01:04:23,520

thing is and you've said you don't know

1850

01:04:25,270 --> 01:04:24,000

so let

1851

01:04:27,430 --> 01:04:25,280

people try to figure it out in the

1852

01:04:29,109 --> 01:04:27,440

public realm

1853

01:04:30,630 --> 01:04:29,119

um and again when they're specific if

1854

01:04:33,109 --> 01:04:30,640

you read the act i think on the scu

1855

01:04:35,029 --> 01:04:33,119

website there's actual specifics about

1856

01:04:36,390 --> 01:04:35,039

you know there is this law against over

1857

01:04:37,990 --> 01:04:36,400

classifying something so if it's

1858

01:04:39,029 --> 01:04:38,000

pertinent to that you can't argue that

1859

01:04:40,549 --> 01:04:39,039

right if it's

1860

01:04:41,670 --> 01:04:40,559

if it's because it reels methods well

1861

01:04:42,870 --> 01:04:41,680

you've already stated that it doesn't

1862

01:04:44,710 --> 01:04:42,880

reveal

1863

01:04:46,150 --> 01:04:44,720

so again chris was helpful in putting

1864

01:04:47,430 --> 01:04:46,160

some of that language together so i

1865

01:04:50,069 --> 01:04:47,440

you know there's no good argument for

1866

01:04:53,109 --> 01:04:50,079

them not doing it they probably won't

1867

01:04:54,710 --> 01:04:53,119

having said that but um the only thing

1868

01:04:56,549 --> 01:04:54,720

that i do again find it interesting that

1869

01:04:58,549 --> 01:04:56,559

we didn't even get a form letter

1870

01:05:00,870 --> 01:04:58,559

right i would think because i know

1871

01:05:02,390 --> 01:05:00,880

people that have sent letters to their

1872

01:05:03,670 --> 01:05:02,400

representatives and they get a thank you

1873

01:05:05,029 --> 01:05:03,680

letter or whatever you know and i've

1874

01:05:07,670 --> 01:05:05,039

gotten them myself but

1875

01:05:09,109 --> 01:05:07,680

not even nothing so i made me think

1876

01:05:09,829 --> 01:05:09,119

maybe they were actually considering it

1877

01:05:12,950 --> 01:05:09,839

but i don't know

1878

01:05:16,069 --> 01:05:12,960

you know yeah yeah

1879

01:05:18,150 --> 01:05:16,079

you know i'd be interested to see though

1880

01:05:19,829 --> 01:05:18,160

you know i would think that that by law

1881

01:05:22,630 --> 01:05:19,839

they should have to respond

1882

01:05:23,829 --> 01:05:22,640

this whole system is a joke oh yeah yeah

1883

01:05:25,109 --> 01:05:23,839

yeah of course you know that's the thing

1884

01:05:26,870 --> 01:05:25,119

if they say no records

1885

01:05:28,230 --> 01:05:26,880

there's no there's no mechanism really

1886

01:05:30,549 --> 01:05:28,240

by which and this is where

1887

01:05:32,470 --> 01:05:30,559

like john greenwald and robert again

1888

01:05:34,789 --> 01:05:32,480

they know this this stuff right that

1889

01:05:36,470 --> 01:05:34,799

if they respond no records you almost

1890

01:05:38,870 --> 01:05:36,480

have to have

1891

01:05:39,910 --> 01:05:38,880

something that already references the

1892

01:05:41,670 --> 01:05:39,920

record that you need

1893

01:05:43,109 --> 01:05:41,680

if that makes sense to display that it

1894

01:05:45,829 --> 01:05:43,119

exists right

1895

01:05:46,870 --> 01:05:45,839

so to show the in to show that you need

1896

01:05:47,990 --> 01:05:46,880

you know this letter from this guy to

1897

01:05:49,190 --> 01:05:48,000

this guy you need to have

1898

01:05:50,549 --> 01:05:49,200

something showing that he wrote the

1899

01:05:51,670 --> 01:05:50,559

letter in the first place to prove that

1900

01:05:54,870 --> 01:05:51,680

it's there

1901

01:05:57,510 --> 01:05:54,880

i don't know any full your requests are

1902

01:05:59,349 --> 01:05:57,520

more patience than i have you know but

1903

01:06:02,789 --> 01:05:59,359

yeah i've only filed a few

1904

01:06:05,670 --> 01:06:02,799

and i got i waited for like

1905

01:06:06,789 --> 01:06:05,680

i don't know over a year to get nothing

1906

01:06:09,270 --> 01:06:06,799

to get there

1907

01:06:11,029 --> 01:06:09,280

we have no records you know yeah

1908

01:06:14,549 --> 01:06:11,039

pertinent to your request

1909

01:06:15,510 --> 01:06:14,559

and i had several sources that said oh

1910

01:06:17,349 --> 01:06:15,520

no there's the

1911

01:06:18,710 --> 01:06:17,359

they have the records but wouldn't it

1912

01:06:20,230 --> 01:06:18,720

right yeah

1913

01:06:23,190 --> 01:06:20,240

yeah exactly yeah so i was gonna say you

1914

01:06:25,990 --> 01:06:23,200

don't go into the network that worked

1915

01:06:28,069 --> 01:06:26,000

in or around this incident that said

1916

01:06:28,470 --> 01:06:28,079

they seen the records and i want to see

1917

01:06:30,630 --> 01:06:28,480

them

1918

01:06:32,630 --> 01:06:30,640

like you know it's just a cat and mouse

1919

01:06:34,870 --> 01:06:32,640

game at some point like

1920

01:06:36,710 --> 01:06:34,880

okay going back to even the the thing in

1921

01:06:38,150 --> 01:06:36,720

june right so one of the issues we have

1922

01:06:40,069 --> 01:06:38,160

with the stuff that is available

1923

01:06:41,750 --> 01:06:40,079

is people have signed nda agreements

1924

01:06:42,230 --> 01:06:41,760

that the people that developed the

1925

01:06:43,990 --> 01:06:42,240

gimbal

1926

01:06:45,510 --> 01:06:44,000

and the camera and all that [h__h] they

1927

01:06:47,990 --> 01:06:45,520

signed that there because

1928

01:06:49,750 --> 01:06:48,000

lockheed or sorry raytheon right you

1929

01:06:50,789 --> 01:06:49,760

know paid them all this money for their

1930

01:06:52,230 --> 01:06:50,799

and

1931

01:06:53,750 --> 01:06:52,240

trade secrets right i mean they can't

1932

01:06:54,710 --> 01:06:53,760

just go out and say here's here's how

1933

01:06:57,190 --> 01:06:54,720

the flear

1934

01:06:58,309 --> 01:06:57,200

does this because whoever else is going

1935

01:07:00,150 --> 01:06:58,319

to steal you know but

1936

01:07:01,910 --> 01:07:00,160

if there was some mechanism my point

1937

01:07:04,630 --> 01:07:01,920

being by which you could release people

1938

01:07:06,470 --> 01:07:04,640

of ndas for things that were not

1939

01:07:09,109 --> 01:07:06,480

only i don't know how you were right but

1940

01:07:09,750 --> 01:07:09,119

you know only related to ufos not our

1941

01:07:11,829 --> 01:07:09,760

personal

1942

01:07:13,190 --> 01:07:11,839

commercial [h__h] i don't know but you

1943

01:07:14,710 --> 01:07:13,200

know same thing with with government

1944

01:07:15,829 --> 01:07:14,720

witnesses if you could actually convey

1945

01:07:17,430 --> 01:07:15,839

to people that you're not going to

1946

01:07:18,710 --> 01:07:17,440

prosecute them for

1947

01:07:20,309 --> 01:07:18,720

and having said that there are a lot of

1948

01:07:20,789 --> 01:07:20,319

people that for years have told stories

1949

01:07:24,630 --> 01:07:20,799

about

1950

01:07:28,230 --> 01:07:24,640

that

1951

01:07:30,390 --> 01:07:28,240

the script and

1952

01:07:31,910 --> 01:07:30,400

so he never got prosecuted as far as i

1953

01:07:33,510 --> 01:07:31,920

know i guess we're in the golden you

1954

01:07:36,309 --> 01:07:33,520

know i don't know man

1955

01:07:37,109 --> 01:07:36,319

i never threw him in jail i don't know

1956

01:07:38,789 --> 01:07:37,119

so i guess you're

1957

01:07:40,549 --> 01:07:38,799

you know but if i worked for raytheon

1958

01:07:43,109 --> 01:07:40,559

and i built the camera i'd probably be

1959

01:07:44,230 --> 01:07:43,119

hesitant about answering questions that

1960

01:07:45,829 --> 01:07:44,240

are you know

1961

01:07:47,990 --> 01:07:45,839

somebody was asking about how it worked

1962

01:07:51,190 --> 01:07:48,000

because of ufo stuff so

1963

01:07:54,549 --> 01:07:51,200

understandable you know yeah absolutely

1964

01:07:56,630 --> 01:07:54,559

well uh listen uh we we drop

1965

01:07:58,549 --> 01:07:56,640

time moves quickly when we're talk i

1966

01:08:00,870 --> 01:07:58,559

could tell for hours so

1967

01:08:02,789 --> 01:08:00,880

we were just past an hour i have a

1968

01:08:05,029 --> 01:08:02,799

musical guest to play tonight so we

1969

01:08:07,670 --> 01:08:05,039

could both take a very short break

1970

01:08:09,029 --> 01:08:07,680

and come back try to wrap up our

1971

01:08:11,349 --> 01:08:09,039

discussion

1972

01:08:12,390 --> 01:08:11,359

cool cool all right man let me see about

1973

01:08:14,710 --> 01:08:12,400

doing that

1974

01:08:15,750 --> 01:08:14,720

i uh i'm a little out of sorts today

1975

01:08:19,189 --> 01:08:15,760

because i totally

1976

01:08:22,229 --> 01:08:19,199

cleaned my studio and office

1977

01:08:23,110 --> 01:08:22,239

room here and i'm on different computer

1978

01:08:26,950 --> 01:08:23,120

than i usually

1979

01:08:28,470 --> 01:08:26,960

am and everything is yeah

1980

01:08:29,590 --> 01:08:28,480

no worries i'm gonna go check in here in

1981

01:08:30,309 --> 01:08:29,600

the house real quick so i'll be right

1982

01:08:33,430 --> 01:08:30,319

back

1983

01:08:35,269 --> 01:08:33,440

sure i'm gonna drop you out as well so

1984

01:08:38,870 --> 01:08:35,279

friends uh

1985

01:08:41,510 --> 01:08:38,880

i'm we're continuing in this uh

1986

01:08:43,189 --> 01:08:41,520

playing uh a musical guest and uh

1987

01:08:43,829 --> 01:08:43,199

tonight's musical guest is once again

1988

01:08:46,709 --> 01:08:43,839

jason

1989

01:08:47,430 --> 01:08:46,719

paul elder uh with his excellent song we

1990

01:08:50,390 --> 01:08:47,440

are one

1991

01:08:51,510 --> 01:08:50,400

that i actually recorded in my studio in

1992

01:08:53,430 --> 01:08:51,520

philadelphia

1993

01:08:57,829 --> 01:08:53,440

quite some time now i think this song is

1994

01:09:01,829 --> 01:08:57,839

from geez gotta be 2004 maybe even 2006

1995

01:09:04,950 --> 01:09:01,839

so um yeah

1996

01:09:07,590 --> 01:09:04,960

and uh we're gonna take a short break

1997

01:09:09,189 --> 01:09:07,600

and bring you our musical guest jason

1998

01:09:10,709 --> 01:09:09,199

paul elder and we'll be right back to

1999

01:09:22,440 --> 01:09:10,719

wrap up the discussion

2000

01:09:22,450 --> 01:09:47,269

[Music]

2001
01:09:47,279 --> 01:09:53,200
the pleasure of our skin

2002
01:10:02,270 --> 01:10:00,830
[Music]

2003
01:10:09,970 --> 01:10:02,280
is

2004
01:10:28,830 --> 01:10:14,830
[Music]

2005
01:10:28,840 --> 01:10:36,340
voice

2006
01:10:36,350 --> 01:10:42,830
[Music]

2007
01:10:42,840 --> 01:10:50,940
me

2008
01:10:50,950 --> 01:10:56,830
[Music]

2009
01:10:56,840 --> 01:11:05,070
me

2010
01:11:12,330 --> 01:11:10,830
[Music]

2011
01:11:20,700 --> 01:11:12,340
so

2012
01:11:20,710 --> 01:11:24,830
[Music]

2013
01:11:24,840 --> 01:11:34,070

reaching

2014

01:11:34,080 --> 01:11:38,830

[Music]

2015

01:11:38,840 --> 01:11:52,830

please

2016

01:11:52,840 --> 01:11:58,880

is

2017

01:11:58,890 --> 01:12:20,830

[Music]

2018

01:12:48,830 --> 01:12:34,830

me

2019

01:13:04,630 --> 01:12:51,220

yes

2020

01:13:10,189 --> 01:13:07,750

hey friends uh so it would appear

2021

01:13:12,149 --> 01:13:10,199

that i was wrong uh that song is from

2022

01:13:15,110 --> 01:13:12,159

2010

2023

01:13:18,310 --> 01:13:15,120

um i may have been mistaking another

2024

01:13:20,070 --> 01:13:18,320

song that he recorded with me earlier um

2025

01:13:23,910 --> 01:13:20,080

i think that was on his from his

2026

01:13:27,189 --> 01:13:23,920

third album actually um

2027

01:13:30,870 --> 01:13:27,199

so we're gonna bring our guest back here

2028

01:13:32,870 --> 01:13:30,880

there we go man hey that was good stuff

2029

01:13:34,470 --> 01:13:32,880

by the way it was good music i like that

2030

01:13:35,910 --> 01:13:34,480

yeah i you know it's funny i just

2031

01:13:37,669 --> 01:13:35,920

reconnected with him i used to record

2032

01:13:39,510 --> 01:13:37,679

him at my studio in philadelphia and i

2033

01:13:41,110 --> 01:13:39,520

needed musical guests and he's got a

2034

01:13:43,830 --> 01:13:41,120

huge catalog so

2035

01:13:45,830 --> 01:13:43,840

nice guys you can use any song you want

2036

01:13:46,870 --> 01:13:45,840

as long as you spell my name right and

2037

01:13:50,229 --> 01:13:46,880

whatever

2038

01:13:51,510 --> 01:13:50,239

song that is that i think it's nice to

2039

01:13:55,350 --> 01:13:51,520

be able to take a break too

2040

01:13:57,910 --> 01:13:55,360

for sure yeah man

2041

01:13:59,750 --> 01:13:57,920

you know sorry yeah my wife's making

2042

01:14:03,590 --> 01:13:59,760

tacos so i'm like

2043

01:14:04,470 --> 01:14:03,600

watching the tacos yeah we gotta wrap

2044

01:14:06,550 --> 01:14:04,480

things up

2045

01:14:08,470 --> 01:14:06,560

uh pretty soon but yeah i mean i've

2046

01:14:11,110 --> 01:14:08,480

certainly

2047

01:14:11,910 --> 01:14:11,120

yeah i it's very interesting but i want

2048

01:14:13,669 --> 01:14:11,920

to ask you guys

2049

01:14:15,430 --> 01:14:13,679

for your i always ask people this for

2050

01:14:17,430 --> 01:14:15,440

their bottom line you've been

2051
01:14:18,709 --> 01:14:17,440
you've been looking into this for quite

2052
01:14:21,590 --> 01:14:18,719
some time

2053
01:14:22,310 --> 01:14:21,600
i i'm of the opinion that a very very

2054
01:14:28,470 --> 01:14:22,320
very very

2055
01:14:30,550 --> 01:14:28,480
of these things may in fact be alien

2056
01:14:33,590 --> 01:14:30,560
spacecraft or interdimensional or

2057
01:14:36,630 --> 01:14:33,600
or something truly paranormal or

2058
01:14:39,350 --> 01:14:36,640
not earthly but that

2059
01:14:41,270 --> 01:14:39,360
that's few and far between and that most

2060
01:14:43,030 --> 01:14:41,280
of it i believe is man-made objects

2061
01:14:45,270 --> 01:14:43,040
hoaxes

2062
01:14:47,189 --> 01:14:45,280
misidentified craft what what is your

2063
01:14:48,870 --> 01:14:47,199

take on this thing having studied it for

2064

01:14:51,910 --> 01:14:48,880

so long

2065

01:14:52,709 --> 01:14:51,920

yeah i'm i'm pretty similar there where

2066

01:14:55,510 --> 01:14:52,719

you're at but

2067

01:14:57,590 --> 01:14:55,520

as a you know going through watching

2068

01:14:58,870 --> 01:14:57,600

ufos for 30 years and meeting the people

2069

01:15:01,750 --> 01:14:58,880

and seeing the

2070

01:15:04,149 --> 01:15:01,760

evidence and the you know it becoming

2071

01:15:06,790 --> 01:15:04,159

educated in human psychology and

2072

01:15:08,709 --> 01:15:06,800

i'd say probably 80 percent if i had to

2073

01:15:11,430 --> 01:15:08,719

i don't have a one hand you know any

2074

01:15:12,070 --> 01:15:11,440

any singular answer but most of it i

2075

01:15:13,830 --> 01:15:12,080

think is

2076

01:15:15,350 --> 01:15:13,840

david halperin did a great does a great

2077

01:15:17,669 --> 01:15:15,360

job of discussing as

2078

01:15:18,790 --> 01:15:17,679

uh ufos are from interspace or something

2079

01:15:22,390 --> 01:15:18,800

right you know it's a

2080

01:15:24,470 --> 01:15:22,400

human a human phenomenon based on

2081

01:15:25,590 --> 01:15:24,480

i don't know right that's one one of the

2082

01:15:28,070 --> 01:15:25,600

many theories

2083

01:15:29,750 --> 01:15:28,080

doesn't explain you know good sightings

2084

01:15:30,229 --> 01:15:29,760

of physical craft right then you've got

2085

01:15:33,910 --> 01:15:30,239

the

2086

01:15:36,390 --> 01:15:33,920

don't know i've

2087

01:15:38,310 --> 01:15:36,400

i'm skeptical of it i'd give it maybe 10

2088

01:15:40,790 --> 01:15:38,320

odds if i had to bet right

2089

01:15:41,830 --> 01:15:40,800

um pretty yeah it's pretty out yeah it's

2090

01:15:44,149 --> 01:15:41,840

pretty i'd probably go

2091

01:15:44,870 --> 01:15:44,159

i'd go paranormal before i went e.t just

2092

01:15:49,030 --> 01:15:44,880

i don't know

2093

01:15:52,149 --> 01:15:49,040

but

2094

01:15:53,830 --> 01:15:52,159

it's uh yeah i

2095

01:15:55,669 --> 01:15:53,840

i certainly don't think we'll see any

2096

01:15:57,110 --> 01:15:55,679

short-term answers if we get some

2097

01:15:57,830 --> 01:15:57,120

promise to maybe keep getting some

2098

01:16:01,189 --> 01:15:57,840

follow-up

2099

01:16:03,750 --> 01:16:01,199

you know maybe have a

2100

01:16:05,430 --> 01:16:03,760

you know have an annual report or have a

2101

01:16:06,630 --> 01:16:05,440

an ongoing team of people

2102

01:16:08,470 --> 01:16:06,640

but then again you go back to having

2103

01:16:09,590 --> 01:16:08,480

what project blue book or i mean how do

2104

01:16:12,709 --> 01:16:09,600

you

2105

01:16:14,390 --> 01:16:12,719

george carlin said about the weather

2106

01:16:15,430 --> 01:16:14,400

right it'll continue to change for a

2107

01:16:17,430 --> 01:16:15,440

long time

2108

01:16:20,630 --> 01:16:17,440

all right so ufos will continue to be

2109

01:16:22,630 --> 01:16:20,640

sighted for a long time and that's i

2110

01:16:25,669 --> 01:16:22,640

don't know you know that's my

2111

01:16:27,189 --> 01:16:25,679

psychology angle at least i'm from that

2112

01:16:29,189 --> 01:16:27,199

perspective right

2113

01:16:30,709 --> 01:16:29,199

well you know listen i i really

2114

01:16:32,310 --> 01:16:30,719

appreciate you taking the time to just

2115

01:16:33,750 --> 01:16:32,320

have a talk with me

2116

01:16:35,510 --> 01:16:33,760

yeah man keep doing what you're doing

2117

01:16:38,310 --> 01:16:35,520

man and uh you know

2118

01:16:39,750 --> 01:16:38,320

people there's no i like how you know

2119

01:16:41,830 --> 01:16:39,760

you'll call people out and and

2120

01:16:43,350 --> 01:16:41,840

people will people like helping or get

2121

01:16:43,590 --> 01:16:43,360

on i'll get on it's not you don't have

2122

01:16:45,669 --> 01:16:43,600

to

2123

01:16:47,750 --> 01:16:45,679

have this elitism attitude within

2124

01:16:48,550 --> 01:16:47,760

[h__\h] ufos or whatever else you know

2125

01:16:49,990 --> 01:16:48,560

just

2126

01:16:52,229 --> 01:16:50,000

you know shoot the [h__h] and be honest

2127

01:16:54,149 --> 01:16:52,239

man i'll i'll spread the word so

2128

01:16:55,830 --> 01:16:54,159

talk to jeremy mcgowan too he's uh he's

2129

01:16:57,510 --> 01:16:55,840

just does the osiris thing

2130

01:16:59,189 --> 01:16:57,520

yeah i'd like to get some other goals

2131

01:16:59,830 --> 01:16:59,199

and i was going to ask you if you could

2132

01:17:01,270 --> 01:16:59,840

send some

2133

01:17:02,550 --> 01:17:01,280

some of your friends oh yeah sure man

2134

01:17:02,870 --> 01:17:02,560

but yeah thanks for the time brother

2135

01:17:04,950 --> 01:17:02,880

yeah

2136

01:17:06,070 --> 01:17:04,960

i'll keep uh as jim mosley you say keep

2137

01:17:09,270 --> 01:17:06,080

your eye on the sky

2138

01:17:10,790 --> 01:17:09,280

right yeah watching the skies right keep

2139

01:17:11,669 --> 01:17:10,800

watching the skies we might just get

2140

01:17:15,750 --> 01:17:11,679

some answers

2141

01:17:17,830 --> 01:17:15,760

right i like to yeah

2142

01:17:20,310 --> 01:17:17,840

all right man i'm going to sign off here

2143

01:17:22,709 --> 01:17:20,320

so you can go eat some tacos

2144

01:17:23,510 --> 01:17:22,719

take care man good night all right

2145

01:17:27,189 --> 01:17:23,520

friends so

2146

01:17:28,870 --> 01:17:27,199

there we are um yeah i just wanted to do

2147

01:17:31,830 --> 01:17:28,880

sort of an informal talk

2148

01:17:33,350 --> 01:17:31,840

uh with tim and and uh see where he's at

2149

01:17:36,229 --> 01:17:33,360

on some of this stuff and

2150

01:17:38,390 --> 01:17:36,239

and what some of his experience has been

2151
01:17:41,830 --> 01:17:38,400
studying it

2152
01:17:43,990 --> 01:17:41,840
and what his take on it was and i wanted

2153
01:17:47,270 --> 01:17:44,000
to bring you guys with me and i've got

2154
01:17:49,030 --> 01:17:47,280
to do that today which is uh it's always

2155
01:17:52,950 --> 01:17:49,040
a good thing

2156
01:17:56,830 --> 01:17:52,960
to allow

2157
01:17:58,070 --> 01:17:56,840
allow to bring you guys with me not

2158
01:18:02,229 --> 01:17:58,080
allow

2159
01:18:04,229 --> 01:18:02,239
going to dedicate my full and total

2160
01:18:06,310 --> 01:18:04,239
attention to the live chat now so if you

2161
01:18:08,870 --> 01:18:06,320
have comments or questions for me

2162
01:18:09,510 --> 01:18:08,880
please do put them in all caps let me

2163
01:18:11,110 --> 01:18:09,520

see

2164

01:18:12,550 --> 01:18:11,120

matthew says yeah but if random people

2165

01:18:14,870 --> 01:18:12,560

on the internet can spot

2166

01:18:16,550 --> 01:18:14,880

problems with their narrative there's

2167

01:18:17,590 --> 01:18:16,560

got to be trained spooks that can

2168

01:18:20,149 --> 01:18:17,600

diagnose it

2169

01:18:20,630 --> 01:18:20,159

uh yeah i would tend to agree with you i

2170

01:18:23,830 --> 01:18:20,640

would

2171

01:18:26,630 --> 01:18:23,840

tend to agree with you um

2172

01:18:27,910 --> 01:18:26,640

it's uh it's kind of one of those things

2173

01:18:31,189 --> 01:18:27,920

right like

2174

01:18:34,790 --> 01:18:33,750

it's interesting i would think that the

2175

01:18:36,630 --> 01:18:34,800

government

2176

01:18:37,990 --> 01:18:36,640

i i don't know you know part of me

2177

01:18:39,990 --> 01:18:38,000

thinks the government knows more than

2178

01:18:44,709 --> 01:18:40,000

they're telling us and then part of me

2179

01:18:47,990 --> 01:18:47,110

how badly the government is run how

2180

01:18:51,110 --> 01:18:48,000

inefficient

2181

01:18:53,910 --> 01:18:51,120

right and how like

2182

01:18:54,470 --> 01:18:53,920

you know i mean look how well the dmv is

2183

01:18:55,830 --> 01:18:54,480

run

2184

01:18:59,110 --> 01:18:55,840

right do you really think that the

2185

01:19:02,550 --> 01:18:59,120

military has run better i would hope so

2186

01:19:05,430 --> 01:19:02,560

but you know or these uip programs right

2187

01:19:07,750 --> 01:19:05,440

government people i don't know

2188

01:19:10,550 --> 01:19:07,760

government jobs it's like they just

2189

01:19:12,149 --> 01:19:10,560

they they're not really on the ball if

2190

01:19:14,870 --> 01:19:12,159

you ask me because it's kind of like a

2191

01:19:18,149 --> 01:19:14,880

guaranteed job and paycheck and you know

2192

01:19:20,070 --> 01:19:18,159

you know there is definitely a lot of

2193

01:19:21,990 --> 01:19:20,080

incompetence in government

2194

01:19:24,870 --> 01:19:22,000

which makes me think maybe they don't

2195

01:19:27,430 --> 01:19:24,880

know any more than they're telling us

2196

01:19:29,350 --> 01:19:27,440

right because they haven't done the work

2197

01:19:33,510 --> 01:19:29,360

that they need to do

2198

01:19:36,390 --> 01:19:33,520

in order to you know

2199

01:19:37,430 --> 01:19:36,400

come up with some real answers right i

2200

01:19:41,750 --> 01:19:37,440

would like to see

2201

01:19:44,390 --> 01:19:41,760

real answers but it appears to me that

2202

01:19:45,910 --> 01:19:44,400

like i said they either don't know or

2203

01:19:48,550 --> 01:19:45,920

they're not telling us

2204

01:19:50,229 --> 01:19:48,560

either of either of those and there's

2205

01:19:50,550 --> 01:19:50,239

probably more possibilities of course

2206

01:19:52,390 --> 01:19:50,560

but

2207

01:19:53,910 --> 01:19:52,400

you know these are some of the things

2208

01:19:56,950 --> 01:19:53,920

that i think about like what

2209

01:20:00,070 --> 01:19:56,960

what if they really don't know anything

2210

01:20:02,310 --> 01:20:00,080

and there is no cover-up but i've seen

2211

01:20:04,070 --> 01:20:02,320

enough myself to say that sometimes they

2212

01:20:04,709 --> 01:20:04,080

just don't want to release the records

2213

01:20:07,910 --> 01:20:04,719

and

2214

01:20:09,910 --> 01:20:07,920

there's nothing that you could do

2215

01:20:11,270 --> 01:20:09,920

you know if they tell you you can have

2216

01:20:14,790 --> 01:20:11,280

it then you can have it

2217

01:20:17,030 --> 01:20:14,800

if you if they you know if they don't

2218

01:20:18,870 --> 01:20:17,040

want you to have it

2219

01:20:20,790 --> 01:20:18,880

they're not going to give it to us and

2220

01:20:23,189 --> 01:20:20,800

uh you know

2221

01:20:30,470 --> 01:20:23,199

we should have laws in this country and

2222

01:20:30,480 --> 01:20:44,070

they should

2223

01:20:44,080 --> 01:20:58,830

well that's nice

2224

01:21:59,910 --> 01:21:40,830

okay

2225

01:21:59,920 --> 01:22:13,270

gary gary harry hurry

2226

01:22:16,629 --> 01:22:15,669

now i think i got it there we go sorry

2227

01:22:19,910 --> 01:22:16,639

friends

2228

01:22:23,350 --> 01:22:19,920

i'm i'm really trying to do uh to

2229

01:22:26,709 --> 01:22:23,360

fix this some of these audio issues

2230

01:22:28,709 --> 01:22:26,719

so i apologize uh you know it's not

2231

01:22:36,709 --> 01:22:28,719

always going as planned

2232

01:22:42,390 --> 01:22:39,990

let me try this one more time

2233

01:22:43,189 --> 01:22:42,400

sorry friends i'm trying to get the uh i

2234

01:22:44,790 --> 01:22:43,199

was gonna see

2235

01:22:47,430 --> 01:22:44,800

if we can't do a quick test of the

2236

01:22:50,229 --> 01:22:47,440

multicam setup while i'm here

2237

01:22:52,229 --> 01:22:50,239

and uh have some people in the audience

2238

01:22:54,229 --> 01:22:52,239

i've done some recordings of this and it

2239

01:22:57,189 --> 01:22:54,239

seems to be working

2240

01:22:57,590 --> 01:22:57,199

without a guest i didn't realize but if

2241

01:23:14,709 --> 01:22:57,600

i

2242

01:23:14,719 --> 01:23:18,149

okay

2243

01:23:24,070 --> 01:23:21,750

one second

2244

01:23:24,790 --> 01:23:24,080

yeah so i spent all day today actually

2245

01:23:30,950 --> 01:23:24,800

honestly

2246

01:23:30,960 --> 01:23:50,870

all day no this is not gonna work

2247

01:23:57,590 --> 01:23:54,709

check one there we go i think i got it

2248

01:23:59,430 --> 01:23:57,600

okay let me just check my check one more

2249

01:24:01,430 --> 01:23:59,440

thing friends and please bear with me

2250

01:24:03,030 --> 01:24:01,440

i spent all day trying to get this

2251

01:24:06,550 --> 01:24:03,040

multi-cam set

2252

01:24:09,910 --> 01:24:06,560

setup working and

2253

01:24:20,390 --> 01:24:16,550

check if it's working

2254

01:24:21,830 --> 01:24:20,400

let's see six design says i don't doubt

2255

01:24:22,310 --> 01:24:21,840

that there is a lot of people having

2256

01:24:23,990 --> 01:24:22,320

given

2257

01:24:25,910 --> 01:24:24,000

up on the government giving us answers

2258

01:24:26,390 --> 01:24:25,920

especially given the insane technology

2259

01:24:31,270 --> 01:24:26,400

we have

2260

01:24:34,790 --> 01:24:31,280

currently at melisa yeah

2261

01:24:38,950 --> 01:24:34,800

all right so uh what can i say friends

2262

01:24:38,960 --> 01:24:56,470

i'm gonna solo

2263

01:25:01,990 --> 01:24:59,830

try to get this going

2264

01:25:04,070 --> 01:25:02,000

all right so you know i've been working

2265

01:25:06,870 --> 01:25:04,080

on this multi-camera setup

2266

01:25:07,189 --> 01:25:06,880

i'm not quite sure that it's uh working

2267

01:25:11,030 --> 01:25:07,199

and

2268

01:25:13,510 --> 01:25:11,040

going to be synchronized but i think uh

2269

01:25:14,310 --> 01:25:13,520

twitch tv is 20 seconds ahead of youtube

2270

01:25:17,350 --> 01:25:14,320

for some

2271

01:25:21,189 --> 01:25:17,360

reason well that's really is weird right

2272

01:25:23,510 --> 01:25:21,199

it's definitely weird but uh yeah so

2273

01:25:24,709 --> 01:25:23,520

here we go with this multi-camera setup

2274

01:25:26,229 --> 01:25:24,719

and i think

2275

01:25:28,310 --> 01:25:26,239

it is definitely going to work it's

2276

01:25:30,950 --> 01:25:28,320

going to take a little bit more

2277

01:25:32,550 --> 01:25:30,960

um a little bit more a little bit more

2278

01:25:35,030 --> 01:25:32,560

bubbles to work out

2279

01:25:36,550 --> 01:25:35,040

and make sure that we got everything

2280

01:25:39,350 --> 01:25:36,560

synchronized and working

2281

01:25:40,550 --> 01:25:39,360

i'm kind of hesitant to make things more

2282

01:25:43,350 --> 01:25:40,560

complicated

2283

01:25:44,550 --> 01:25:43,360

uh like this but you know i i definitely

2284

01:25:46,550 --> 01:25:44,560

think it looks

2285

01:25:48,629 --> 01:25:46,560

looks pretty cool to be able to have the

2286

01:25:50,870 --> 01:25:48,639

multiple cameras maybe

2287

01:25:52,229 --> 01:25:50,880

be playing musical bumpers waiting for a

2288

01:25:55,669 --> 01:25:52,239

guest or going back

2289

01:25:56,390 --> 01:25:55,679

in and uh it definitely seems like it's

2290

01:25:58,390 --> 01:25:56,400

working

2291

01:25:59,910 --> 01:25:58,400

uh different cameras though and these

2292

01:26:00,629 --> 01:25:59,920

cameras some of these cameras are kind

2293

01:26:03,590 --> 01:26:00,639

of crappy

2294

01:26:04,790 --> 01:26:03,600

but i wanted to try a multi-camera setup

2295

01:26:06,870 --> 01:26:04,800

and see

2296

01:26:08,229 --> 01:26:06,880

how it is that everybody likes it if you

2297

01:26:10,390 --> 01:26:08,239

guys like this

2298

01:26:12,149 --> 01:26:10,400

you know you do a portion of an

2299

01:26:15,189 --> 01:26:12,159

interview this way

2300

01:26:16,629 --> 01:26:15,199

um you know i've got this angle over

2301

01:26:20,709 --> 01:26:16,639

here

2302

01:26:23,189 --> 01:26:20,719

and uh sort of a closer a closer angle

2303

01:26:26,229 --> 01:26:23,199

definitely would really like to have

2304

01:26:28,229 --> 01:26:26,239

better webcams though look at that

2305

01:26:30,629 --> 01:26:28,239

there's definitely a difference in

2306

01:26:32,870 --> 01:26:30,639

quality as you can see

2307

01:26:34,950 --> 01:26:32,880

we'll stick with the good camera excuse

2308

01:26:38,310 --> 01:26:34,960

me pardon me

2309

01:26:42,070 --> 01:26:41,750

yeah i got a couple of more shows for

2310

01:26:44,390 --> 01:26:42,080

you

2311

01:26:45,270 --> 01:26:44,400

coming up this week but i did spend the

2312

01:26:49,590 --> 01:26:45,280

entire

2313

01:26:51,830 --> 01:26:49,600

cleaning my office

2314

01:26:52,950 --> 01:26:51,840

and studio here so that i could try to

2315

01:26:54,870 --> 01:26:52,960

organize things

2316

01:26:56,550 --> 01:26:54,880

and get a little more organized and

2317

01:26:59,510 --> 01:26:56,560

that's certainly i'm

2318

01:27:01,030 --> 01:26:59,520

it was terrible doing this all day

2319

01:27:02,709 --> 01:27:01,040

honestly i don't like cleaning and

2320

01:27:04,790 --> 01:27:02,719

organizing things but i'm glad that i

2321

01:27:06,390 --> 01:27:04,800

did it because i feel better in here now

2322

01:27:09,510 --> 01:27:06,400

like everything is

2323

01:27:12,550 --> 01:27:09,520

you know everything is cleaned out and

2324

01:27:14,229 --> 01:27:12,560

organized it's organized uh that's a

2325

01:27:16,470 --> 01:27:14,239

50-inch tv back there i'm going to be

2326

01:27:19,669 --> 01:27:16,480

playing like animations on that i

2327

01:27:22,790 --> 01:27:19,679

i think if we can get

2328

01:27:25,110 --> 01:27:22,800

if we can get this working right

2329

01:27:26,149 --> 01:27:25,120

uh yeah so i guess i can have multiple

2330

01:27:29,910 --> 01:27:26,159

camera angles

2331

01:27:31,830 --> 01:27:29,920

like others and uh

2332

01:27:33,270 --> 01:27:31,840

i'm not sure uh if it's worth

2333

01:27:35,510 --> 01:27:33,280

complicating things though

2334

01:27:37,990 --> 01:27:35,520

i mean one camera is enough i would

2335

01:27:41,270 --> 01:27:38,000

assume especially if i'm just talking

2336

01:27:44,070 --> 01:27:41,280

you know but uh

2337

01:27:46,070 --> 01:27:44,080

there you go so the first live test of

2338

01:27:48,070 --> 01:27:46,080

the multi-camera setup and i'm not sure

2339

01:27:48,550 --> 01:27:48,080

about the angles and this and that yet

2340

01:27:51,830 --> 01:27:48,560

and

2341

01:27:53,510 --> 01:27:51,840

uh i may just get a couple of more of

2342

01:27:56,629 --> 01:27:53,520

these good webcams

2343

01:27:57,510 --> 01:27:56,639

and just do three you know like one far

2344

01:28:01,110 --> 01:27:57,520

away

2345

01:28:04,149 --> 01:28:01,120

one in front of me and one on the side

2346

01:28:05,990 --> 01:28:04,159

uh honestly it's driving me a little

2347

01:28:08,629 --> 01:28:06,000

crazy because although this

2348

01:28:11,189 --> 01:28:08,639

it does appear that this works some of

2349

01:28:13,110 --> 01:28:11,199

the cameras look good and some of them

2350

01:28:14,229 --> 01:28:13,120

uh some of the cameras actually look

2351
01:28:16,229 --> 01:28:14,239
terrible

2352
01:28:18,310 --> 01:28:16,239
and it's so funny because these two are

2353
01:28:21,110 --> 01:28:18,320
the exact same camera but at all

2354
01:28:21,990 --> 01:28:21,120
it looks terrible not sure why that is

2355
01:28:23,910 --> 01:28:22,000
but

2356
01:28:25,270 --> 01:28:23,920
i think i'm going to continue to work on

2357
01:28:27,830 --> 01:28:25,280
this for a little while

2358
01:28:29,030 --> 01:28:27,840
and we'll see uh if it is something

2359
01:28:33,189 --> 01:28:29,040
indeed that we

2360
01:28:37,030 --> 01:28:33,199
feel we need to use uh

2361
01:28:38,790 --> 01:28:37,040
it is it i kind of like it but then i

2362
01:28:41,590 --> 01:28:38,800
don't want to complicate things and be

2363
01:28:43,990 --> 01:28:41,600

worried about switching cameras you know

2364

01:28:47,590 --> 01:28:44,000

but it's nice to have the capability

2365

01:28:49,270 --> 01:28:47,600

so friends uh boy uh i've got a bunch

2366

01:28:51,189 --> 01:28:49,280

more shows for you i feel like i'm way

2367

01:28:54,390 --> 01:28:51,199

behind and i'm gonna do a show

2368

01:28:57,590 --> 01:28:54,400

on this jimmy church and uh sarah r

2369

01:28:59,830 --> 01:28:57,600

adams interview because it's comedy gold

2370

01:29:01,110 --> 01:28:59,840

she got new super powers friends she got

2371

01:29:02,950 --> 01:29:01,120

new super powers and we're going to

2372

01:29:04,470 --> 01:29:02,960

cover the new super power she claims she

2373

01:29:07,990 --> 01:29:04,480

got

2374

01:29:13,350 --> 01:29:11,189

yeah thanks sixth design it pick

2375

01:29:15,350 --> 01:29:13,360

pixelates a little on cam transitions

2376

01:29:17,270 --> 01:29:15,360

for a short time clears up a few seconds

2377

01:29:19,430 --> 01:29:17,280

later yeah and i have a feeling that if

2378

01:29:20,310 --> 01:29:19,440

i had good webcams like this logitech

2379

01:29:22,149 --> 01:29:20,320

that were

2380

01:29:24,709 --> 01:29:22,159

you're viewing me from now that wouldn't

2381

01:29:26,229 --> 01:29:24,719

be such an issue at least i'm told

2382

01:29:27,990 --> 01:29:26,239

use all the same cameras but

2383

01:29:29,189 --> 01:29:28,000

unfortunately that's kind of well to me

2384

01:29:30,550 --> 01:29:29,199

it's expensive it's like a hundred

2385

01:29:33,110 --> 01:29:30,560

dollar webcam

2386

01:29:33,830 --> 01:29:33,120

and i don't you know i was like i don't

2387

01:29:35,990 --> 01:29:33,840

know if i got

2388

01:29:37,430 --> 01:29:36,000

200 bucks to buy two more but i think

2389

01:29:40,709 --> 01:29:37,440

i'm gonna do that

2390

01:29:42,709 --> 01:29:40,719

uh you know

2391

01:29:43,830 --> 01:29:42,719

i think i'm definitely gonna do that

2392

01:29:46,070 --> 01:29:43,840

because i like

2393

01:29:47,990 --> 01:29:46,080

i like the other i like the other angles

2394

01:29:49,189 --> 01:29:48,000

right and this one's funny because this

2395

01:29:53,750 --> 01:29:49,199

one is

2396

01:29:55,350 --> 01:29:53,760

old all-in-one computer that i threw

2397

01:29:59,270 --> 01:29:55,360

over there so that i could get

2398

01:30:01,110 --> 01:29:59,280

an extra angle but it works

2399

01:30:02,550 --> 01:30:01,120

and i guess you know you get to see a

2400

01:30:05,910 --> 01:30:02,560

little bit more of the

2401
01:30:07,350 --> 01:30:05,920
of the studio but you know this webcam

2402
01:30:09,189 --> 01:30:07,360
is kind of crappy

2403
01:30:10,629 --> 01:30:09,199
so it works you know that's another

2404
01:30:13,830 --> 01:30:10,639
thing i'm gonna have to

2405
01:30:14,870 --> 01:30:13,840
i'm gonna have to adjust oh you did it

2406
01:30:17,990 --> 01:30:14,880
again melissa

2407
01:30:21,430 --> 01:30:18,000
i saw a hundred bucks and i was like

2408
01:30:24,790 --> 01:30:21,440
that's a hundred pesos but we still

2409
01:30:28,709 --> 01:30:24,800
absolutely appreciate and uh

2410
01:30:30,629 --> 01:30:28,719
we appreciate and thank you for kindness

2411
01:30:33,750 --> 01:30:30,639
your generosity and your support

2412
01:30:35,430 --> 01:30:33,760
uh it's really great to see you though

2413
01:30:36,870 --> 01:30:35,440

it's a little disappointing seeing 100

2414

01:30:39,189 --> 01:30:36,880

and then realizing that's

2415

01:30:40,870 --> 01:30:39,199

five u.s i think what was it last time

2416

01:30:42,390 --> 01:30:40,880

right five u.s

2417

01:30:43,910 --> 01:30:42,400

yeah you got me again i was like a

2418

01:30:47,990 --> 01:30:43,920

hundred dollars oh

2419

01:30:49,270 --> 01:30:48,000

100 pesos but i'll take 100 pesos melisa

2420

01:30:51,830 --> 01:30:49,280

and thank you for kindness your

2421

01:30:58,070 --> 01:30:51,840

generosity your support of the show

2422

01:31:02,629 --> 01:31:00,070

every dollar definitely helps friends

2423

01:31:05,669 --> 01:31:02,639

and you'll also notice look at this

2424

01:31:07,189 --> 01:31:05,679

i got that big honking microphone

2425

01:31:09,189 --> 01:31:07,199

you know i didn't want it right in the

2426

01:31:10,950 --> 01:31:09,199

frame with me but now that i

2427

01:31:12,870 --> 01:31:10,960

look i went to a different workstation

2428

01:31:14,229 --> 01:31:12,880

just so i can improve the audio because

2429

01:31:17,350 --> 01:31:14,239

that

2430

01:31:22,870 --> 01:31:17,360

microphone for

2431

01:31:27,669 --> 01:31:25,910

melissa says i uh laughed my ass

2432

01:31:29,350 --> 01:31:27,679

i love you much steven thanks for the

2433

01:31:31,750 --> 01:31:29,360

great effort you're welcome

2434

01:31:33,430 --> 01:31:31,760

i i'm glad somebody supports it i'm here

2435

01:31:34,709 --> 01:31:33,440

every day working really hard trying to

2436

01:31:36,790 --> 01:31:34,719

improve the show

2437

01:31:38,709 --> 01:31:36,800

i mean look you know now we're going to

2438

01:31:40,229 --> 01:31:38,719

have these multiple camera angles you'll

2439

01:31:41,110 --> 01:31:40,239

be able to see a little more of the

2440

01:31:43,110 --> 01:31:41,120

studio

2441

01:31:44,629 --> 01:31:43,120

a little more of me that might be a bad

2442

01:31:45,910 --> 01:31:44,639

thing right maybe i should have some

2443

01:31:49,110 --> 01:31:45,920

camera angles

2444

01:31:51,669 --> 01:31:49,120

that aren't on me right

2445

01:31:52,629 --> 01:31:51,679

nobody i'm not sure that anybody wants

2446

01:31:55,990 --> 01:31:52,639

to see

2447

01:31:56,709 --> 01:31:56,000

more of me right and there's the grainy

2448

01:32:01,669 --> 01:31:56,719

one

2449

01:32:03,510 --> 01:32:01,679

well maybe that's better maybe it's

2450

01:32:04,870 --> 01:32:03,520

better in the dark i don't know i've got

2451

01:32:08,950 --> 01:32:04,880

a fader here

2452

01:32:12,950 --> 01:32:08,960

no that's terrible terrible quality

2453

01:32:16,070 --> 01:32:12,960

no matter where i i show it

2454

01:32:17,110 --> 01:32:16,080

yeah so there you go genocide with a

2455

01:32:19,990 --> 01:32:17,120

kind and generous

2456

01:32:21,510 --> 01:32:20,000

offering of one dollar u.s thank you for

2457

01:32:23,110 --> 01:32:21,520

your kindness your generosity your

2458

01:32:24,470 --> 01:32:23,120

support of the show and continue to

2459

01:32:26,390 --> 01:32:24,480

support the show

2460

01:32:27,830 --> 01:32:26,400

it really does make a difference it

2461

01:32:30,149 --> 01:32:27,840

really does help

2462

01:32:32,390 --> 01:32:30,159

and we appreciate all of you guys

2463

01:32:34,950 --> 01:32:32,400

throwing a couple of bucks in the hat

2464

01:32:35,910 --> 01:32:34,960

so that i can maybe buy a couple more

2465

01:32:39,270 --> 01:32:35,920

webcams and

2466

01:32:42,390 --> 01:32:39,280

it'll look like these angles but

2467

01:32:45,669 --> 01:32:42,400

like not all shitty and you know

2468

01:32:47,270 --> 01:32:45,679

pixelated or this one's way too dark

2469

01:32:49,830 --> 01:32:47,280

look at that with the light off it's

2470

01:32:51,990 --> 01:32:49,840

like you can barely see me

2471

01:32:53,350 --> 01:32:52,000

and it's so funny because over here it's

2472

01:32:56,149 --> 01:32:53,360

still plenty bright

2473

01:32:57,350 --> 01:32:56,159

i don't know you know i got maybe i

2474

01:32:58,950 --> 01:32:57,360

should work on the lights

2475

01:33:00,629 --> 01:32:58,960

but and that's another thing if i

2476

01:33:02,390 --> 01:33:00,639

complicate this setup with

2477

01:33:04,870 --> 01:33:02,400

these multi-camera angles i'm gonna have

2478

01:33:08,390 --> 01:33:04,880

to be riding the faders

2479

01:33:13,590 --> 01:33:08,400

to get it to not you know

2480

01:33:16,390 --> 01:33:13,600

look quite so dark yeah

2481

01:33:18,950 --> 01:33:16,400

yeah friends i think maybe uh you know

2482

01:33:21,830 --> 01:33:18,960

that old rule like keep it simple stupid

2483

01:33:23,510 --> 01:33:21,840

keep it simple stupid why do i gotta

2484

01:33:24,229 --> 01:33:23,520

it's one more thing to worry about for

2485

01:33:27,590 --> 01:33:24,239

sure

2486

01:33:29,430 --> 01:33:27,600

uh but maybe we'll just use the main

2487

01:33:30,629 --> 01:33:29,440

shot and once in a while like when we go

2488

01:33:35,990 --> 01:33:30,639

to break

2489

01:33:38,870 --> 01:33:36,000

show another shot right

2490

01:33:40,470 --> 01:33:38,880

oh you just made my day genocide for

2491

01:33:42,709 --> 01:33:40,480

slides we need slides

2492

01:33:43,990 --> 01:33:42,719

dw has slides i don't think i have

2493

01:33:49,510 --> 01:33:44,000

powerpoint

2494

01:33:52,550 --> 01:33:49,520

uh but killboy says show more strippers

2495

01:33:54,550 --> 01:33:52,560

yeah uh those super chat donations

2496

01:33:55,669 --> 01:33:54,560

could get me some new strippers you

2497

01:33:58,149 --> 01:33:55,679

never know

2498

01:34:00,390 --> 01:33:58,159

right maybe i'll i'll i'll blow the

2499

01:34:02,470 --> 01:34:00,400

super chat load this month on

2500

01:34:04,550 --> 01:34:02,480

like custom strippers like we could get

2501

01:34:06,550 --> 01:34:04,560

girls dressed like aliens

2502

01:34:07,750 --> 01:34:06,560

like maybe alien masks and they could

2503

01:34:12,310 --> 01:34:07,760

dance and strip

2504

01:34:14,310 --> 01:34:12,320

but be aliens or like yeah like that uh

2505

01:34:16,830 --> 01:34:14,320

like that job of the hot alien girl

2506

01:34:18,870 --> 01:34:16,840

maybe we could get one of those

2507

01:34:20,790 --> 01:34:18,880

right

2508

01:34:22,709 --> 01:34:20,800

definitely need more strippers that's

2509

01:34:26,149 --> 01:34:22,719

that's what everybody needs

2510

01:34:27,830 --> 01:34:26,159

need more strippers in my life for sure

2511

01:34:30,229 --> 01:34:27,840

well i i want to thank you guys for

2512

01:34:30,870 --> 01:34:30,239

being here and and for indulging me and

2513

01:34:32,870 --> 01:34:30,880

letting me

2514

01:34:35,189 --> 01:34:32,880

at least give you a preview and show you

2515

01:34:36,709 --> 01:34:35,199

this multi-camera setup like i said

2516

01:34:38,310 --> 01:34:36,719

it's still working on it and there's a

2517

01:34:42,149 --> 01:34:38,320

lot of bugs to work out

2518

01:34:44,310 --> 01:34:42,159

before i put it into every show right

2519

01:34:45,189 --> 01:34:44,320

but i mean the the other thing that's

2520

01:34:48,390 --> 01:34:45,199

funny is

2521

01:34:48,400 --> 01:34:52,470

and then

2522

01:34:52,480 --> 01:34:57,990

if one of me is not enough

2523

01:34:58,000 --> 01:35:02,870

we'll have four or more of me

2524

01:35:17,350 --> 01:35:14,310

but i think that's a little overkill

2525

01:35:19,270 --> 01:35:17,360

so any other uh

2526

01:35:20,390 --> 01:35:19,280

aj says just get sarah to show us the

2527

01:35:23,109 --> 01:35:20,400

stargate

2528

01:35:25,109 --> 01:35:23,119

now she's gonna have to show she's not

2529

01:35:27,109 --> 01:35:25,119

only gonna have to show us a stargate aj

2530

01:35:29,030 --> 01:35:27,119

she's gonna have to show us her

2531

01:35:30,790 --> 01:35:29,040

going through a black hole because

2532

01:35:32,310 --> 01:35:30,800

that's her new superpower she goes

2533

01:35:33,990 --> 01:35:32,320

through black holes

2534

01:35:40,830 --> 01:35:34,000

and talks to the aliens on the other

2535

01:35:46,149 --> 01:35:43,430

right

2536

01:35:47,430 --> 01:35:46,159

cw needs money because he's being so

2537

01:35:49,750 --> 01:35:47,440

sued he'll do it

2538

01:35:50,950 --> 01:35:49,760

if i could get him over here on a green

2539

01:35:52,950 --> 01:35:50,960

screen stripping

2540

01:35:54,390 --> 01:35:52,960

i would i'd get him to do a striptease i

2541

01:35:56,950 --> 01:35:54,400

would do it and i would play it

2542

01:35:58,149 --> 01:35:56,960

too because i'm that kind of it i'm that

2543

01:36:01,189 --> 01:35:58,159

kind of a guy

2544

01:36:04,550 --> 01:36:01,199

yes yeah

2545

01:36:05,669 --> 01:36:04,560

so friends i i listen it's been a real

2546

01:36:07,590 --> 01:36:05,679

long day for me

2547

01:36:09,590 --> 01:36:07,600

i was cleaning this place all day then i

2548

01:36:10,790 --> 01:36:09,600

was testing these stupid cameras all day

2549

01:36:13,590 --> 01:36:10,800

and i got up to seven

2550

01:36:14,709 --> 01:36:13,600

believe it or not i got to seven cameras

2551

01:36:18,709 --> 01:36:14,719

working

2552

01:36:20,550 --> 01:36:18,719

glitchy and i don't know why

2553

01:36:22,790 --> 01:36:20,560

but i try to get one like wide over

2554

01:36:24,950 --> 01:36:22,800

there you know all the way on the wall

2555

01:36:25,990 --> 01:36:24,960

so they could see like most of the whole

2556

01:36:28,310 --> 01:36:26,000

office i don't know

2557

01:36:30,229 --> 01:36:28,320

still gotta keep working on this i'm

2558

01:36:33,270 --> 01:36:30,239

still gonna keep working on it

2559

01:36:37,270 --> 01:36:33,280

and uh before i go though

2560

01:36:39,510 --> 01:36:37,280

i am gonna remind you all to

2561

01:36:41,750 --> 01:36:39,520

do something for me right that would

2562

01:36:59,830 --> 01:36:41,760

really help the show and that is to like

2563

01:37:02,870 --> 01:37:01,270

yes friends so please like comment and

2564

01:37:04,229 --> 01:37:02,880

subscribe and send some of our video

2565

01:37:05,510 --> 01:37:04,239

2628

01:39:25,270 --> 01:39:23,520

cowboy says need another reading steph i

2629

01:39:26,470 --> 01:39:25,280

got fired oh sorry to hear that bro

2630

01:39:28,149 --> 01:39:26,480

that's rough

2631

01:39:29,830 --> 01:39:28,159

but i hope that you get a better job

2632

01:39:30,629 --> 01:39:29,840

that you enjoy more where you make more

2633

01:39:32,950 --> 01:39:30,639

money

2634

01:39:34,870 --> 01:39:32,960

right try to think positively and win

2635

01:39:36,870 --> 01:39:34,880

that's how you win when you get fired

2636

01:39:38,709 --> 01:39:36,880

every time i got fired i got a better

2637

01:39:44,310 --> 01:39:38,719

job that i liked

2638

01:39:45,750 --> 01:39:44,320

more that i made more money at because

2639

01:39:48,709 --> 01:39:45,760

to me

2640

01:39:50,149 --> 01:39:48,719

okay you don't want me somebody else is

2641

01:39:51,109 --> 01:39:50,159

gonna want me because i'm worth

2642

01:39:53,590 --> 01:39:51,119

something and i'm

2643

01:39:55,669 --> 01:39:53,600

you know smart and driven and i get

2644

01:39:57,510 --> 01:39:55,679

things done and i'm talented

2645

01:39:58,790 --> 01:39:57,520

i hope hope you keep those things in

2646

01:40:00,550 --> 01:39:58,800

mind kill boy

2647

01:40:01,990 --> 01:40:00,560

it's a tough pill to swallow sometimes

2648

01:40:05,350 --> 01:40:02,000

and it's easy to

2649

01:40:07,350 --> 01:40:05,360

to get a little uh you know

2650

01:40:09,030 --> 01:40:07,360

to get a little discouraged when when

2651
01:40:10,149 --> 01:40:09,040
life kicks in the teeth like that but

2652
01:40:13,350 --> 01:40:10,159
don't do it bro

2653
01:40:14,709 --> 01:40:13,360
you're talented you're passionate you're

2654
01:40:17,910 --> 01:40:14,719
intelligent

2655
01:40:21,189 --> 01:40:17,920
you get things done and you're worthy of

2656
01:40:24,629 --> 01:40:21,199
a new better job and i hope you find it

2657
01:40:25,510 --> 01:40:24,639
right cool boy says amen yes amen i

2658
01:40:33,510 --> 01:40:25,520
believe

2659
01:40:34,470 --> 01:40:33,520
yeah so friends it's been a long day i

2660
01:40:37,669 --> 01:40:34,480
gotta bounce

2661
01:40:38,070 --> 01:40:37,679
out of here i got some other things i'm

2662
01:40:40,310 --> 01:40:38,080
still

2663
01:40:41,430 --> 01:40:40,320

doing some other things tonight i

2664

01:40:43,990 --> 01:40:41,440

cleaned this place

2665

01:40:45,669 --> 01:40:44,000

all day and i worked on this stupid

2666

01:40:47,350 --> 01:40:45,679

multi-cameras and i moved all these

2667

01:40:49,430 --> 01:40:47,360

computers around now we're running the

2668

01:40:51,030 --> 01:40:49,440

show from two ibm thinkpads

2669

01:40:52,550 --> 01:40:51,040

which i'm having a little bit of trouble

2670

01:40:53,910 --> 01:40:52,560

reading stuff so i got to make some

2671

01:40:56,229 --> 01:40:53,920

adjustments

2672

01:40:57,990 --> 01:40:56,239

but uh i think this is going to run the

2673

01:40:58,709 --> 01:40:58,000

show much better because we have these

2674

01:41:03,990 --> 01:40:58,719

two

2675

01:41:06,229 --> 01:41:04,000

the show one is really not enough for me

2676

01:41:08,310 --> 01:41:06,239

anyway uh and it helps to have that

2677

01:41:09,830 --> 01:41:08,320

extra cpu horsepower to do some other

2678

01:41:14,149 --> 01:41:09,840

things so you're not just

2679

01:41:17,270 --> 01:41:14,159

you know blowing this this whole thing

2680

01:41:19,189 --> 01:41:17,280

on one computer because sometimes

2681

01:41:20,790 --> 01:41:19,199

streamy art doesn't like that and things

2682

01:41:24,310 --> 01:41:20,800

get a little nutty

2683

01:41:25,750 --> 01:41:24,320

so friends once again thank all of you

2684

01:41:27,109 --> 01:41:25,760

guys for being here i'm always happy

2685

01:41:28,870 --> 01:41:27,119

when there's an audience thank you for

2686

01:41:30,310 --> 01:41:28,880

coming here tonight thanks for indulging

2687

01:41:32,870 --> 01:41:30,320

me and helping me

2688

01:41:34,950 --> 01:41:32,880

at least uh give an example of what this

2689

01:41:37,430 --> 01:41:34,960

multi-camera setup could be like for us

2690

01:41:38,550 --> 01:41:37,440

uh if you guys like it let me know if

2691

01:41:40,470 --> 01:41:38,560

you don't like it

2692

01:41:41,750 --> 01:41:40,480

and you think it's stupid let me know

2693

01:41:43,990 --> 01:41:41,760

too right

2694

01:41:45,990 --> 01:41:44,000

i don't know i think what we're gonna do

2695

01:41:47,990 --> 01:41:46,000

is use it but use it very sparingly

2696

01:41:50,070 --> 01:41:48,000

like when we go to break i'll switch the

2697

01:41:52,229 --> 01:41:50,080

camera view or something

2698

01:41:54,229 --> 01:41:52,239

just it's not going to be like switch

2699

01:41:55,910 --> 01:41:54,239

switch which which

2700

01:41:57,750 --> 01:41:55,920

uh unless it gets some better cameras

2701

01:41:59,430 --> 01:41:57,760

that's another possibility

2702

01:42:01,270 --> 01:41:59,440

so i'm always happy when there's an

2703

01:42:02,950 --> 01:42:01,280

audience friends thanks so much for

2704

01:42:04,470 --> 01:42:02,960

coming here tonight spending some

2705

01:42:06,070 --> 01:42:04,480

quality time with me

2706

01:42:08,470 --> 01:42:06,080

i'm always happy to see each and every

2707

01:42:09,910 --> 01:42:08,480

one of you until next time friends my

2708

01:42:15,670 --> 01:42:09,920

name is steven cambion

2709

01:42:54,830 --> 01:42:15,680

good night and god bless all of you

2710

01:43:34,650 --> 01:42:56,970

so

2711

01:43:36,020 --> 01:43:34,660

[Music]

2712

01:43:50,830 --> 01:43:36,030

[Applause]

2713

01:43:53,700 --> 01:43:50,840

[Music]

2714

01:44:14,720 --> 01:43:53,710

so

2715

01:44:35,170 --> 01:44:24,189

[Music]

2716

01:44:46,470 --> 01:44:35,180

that might be better

2717

01:45:01,920 --> 01:44:46,480

[Music]

2718

01:45:14,830 --> 01:45:01,930

it's just the way it has to be

2719

01:45:17,560 --> 01:45:14,840

[Music]

2720

01:45:25,430 --> 01:45:17,570

is

2721

01:47:13,610 --> 01:45:28,830

[Music]

2722

01:47:24,370 --> 01:47:13,620

[Applause]

2723

01:48:25,669 --> 01:47:24,380

[Music]

2724

01:48:41,189 --> 01:48:33,400

it's just the way it has to be

2725

01:48:49,709 --> 01:48:41,199

[Music]

2726

01:48:49,719 --> 01:49:02,440

eventually my

2727

01:51:59,700 --> 01:49:34,710

[Music]

2728

01:52:23,400 --> 01:51:59,710

[Applause]

2729

01:52:25,450 --> 01:52:23,410

[Music]

2730

01:52:53,640 --> 01:52:25,460

[Applause]

2731

01:52:54,630 --> 01:52:53,650

[Music]
