

THREE

you always be

OMI

1
00:01:24,830 --> 00:00:37,340

[Music]

2
00:01:40,960 --> 00:01:26,800

so

3
00:02:09,830 --> 00:01:51,390

[Music]

4
00:02:13,030 --> 00:02:12,150
greetings and salutations friends and

5
00:02:15,670 --> 00:02:13,040
welcome back

6
00:02:16,790 --> 00:02:15,680
tonight is tuesday and we are continuing

7
00:02:20,390 --> 00:02:16,800
in our series

8
00:02:22,390 --> 00:02:20,400
of tarot card readings on tuesday

9
00:02:24,390 --> 00:02:22,400
tarot card tuesdays and i can think of

10
00:02:26,630 --> 00:02:24,400
no better tarot card reader to

11
00:02:28,070 --> 00:02:26,640
do this with us than stephanie from

12
00:02:32,869 --> 00:02:28,080
willow unity

13
00:02:32,879 --> 00:02:42,150

in just a moment

14

00:02:47,750 --> 00:02:45,670

yeah all right how are you guys

15

00:02:49,030 --> 00:02:47,760

doing how are you doing steven how's

16

00:02:52,550 --> 00:02:49,040

your how's your

17

00:02:54,869 --> 00:02:52,560

day been going i don't know it's

18

00:02:58,070 --> 00:02:54,879

a little nutty around here there's a gas

19

00:03:01,910 --> 00:02:59,910

i had to go wait in line to make sure

20

00:03:03,509 --> 00:03:01,920

that i could get gas

21

00:03:05,509 --> 00:03:03,519

it wasn't a long line but it was like

22

00:03:08,869 --> 00:03:05,519

three or four cars ahead of me

23

00:03:10,470 --> 00:03:08,879

oh wow and wait like 15 minutes to get

24

00:03:13,670 --> 00:03:10,480

gas

25

00:03:17,190 --> 00:03:13,680

well there's a short wall i know 17

26
00:03:19,589 --> 00:03:17,200
states have declared an emergency with

27
00:03:20,949 --> 00:03:19,599
the pipes and stuff like that i i don't

28
00:03:24,229 --> 00:03:20,959
know if this is like one of us

29
00:03:26,630 --> 00:03:24,239
a scam or if this is like a

30
00:03:29,110 --> 00:03:26,640
way yeah maybe it's just an excuse to

31
00:03:32,070 --> 00:03:29,120
raise the prices of gasoline they use

32
00:03:32,789 --> 00:03:32,080
any excuse they can middle east middle

33
00:03:35,509 --> 00:03:32,799
east uh

34
00:03:36,710 --> 00:03:35,519
tension you know possible war in the

35
00:03:38,630 --> 00:03:36,720
middle east you know

36
00:03:40,630 --> 00:03:38,640
rebel fighters in the middle it's always

37
00:03:43,430 --> 00:03:40,640
some reason why it goes up

38
00:03:44,949 --> 00:03:43,440

you know yeah yeah i think um there's a

39

00:03:46,390 --> 00:03:44,959

lot of crazy things going on too

40

00:03:48,149 --> 00:03:46,400

also in colombia they're also

41

00:03:50,229 --> 00:03:48,159

experiencing a lot of uh

42

00:03:51,190 --> 00:03:50,239

crazy things too i have a friend out

43

00:03:53,990 --> 00:03:51,200

there that

44

00:03:55,589 --> 00:03:54,000

um she's saying that just protesting the

45

00:03:56,789 --> 00:03:55,599

government is allowing

46

00:03:58,070 --> 00:03:56,799

people to get killed like they're

47

00:04:00,229 --> 00:03:58,080

killing people off because you're

48

00:04:01,910 --> 00:04:00,239

protesting because of the taxes

49

00:04:03,429 --> 00:04:01,920

yeah it's pretty it's pretty worried

50

00:04:07,190 --> 00:04:03,439

around the world right now

51

00:04:10,390 --> 00:04:07,200

i know you know what i i i like

52

00:04:12,070 --> 00:04:10,400

i decided a long time ago some time ago

53

00:04:14,630 --> 00:04:12,080

like probably around the time that the

54

00:04:17,349 --> 00:04:14,640

health crisis started but i i'm like i'm

55

00:04:20,069 --> 00:04:17,359

just not going to watch the news

56

00:04:21,749 --> 00:04:20,079

and then but recently i have been again

57

00:04:22,870 --> 00:04:21,759

and i got to tell you i felt better when

58

00:04:24,950 --> 00:04:22,880

i ignored all the loot

59

00:04:26,230 --> 00:04:24,960

i just ignored it you know if there was

60

00:04:27,110 --> 00:04:26,240

something important somebody would tell

61

00:04:29,030 --> 00:04:27,120

me about it

62

00:04:31,350 --> 00:04:29,040

or i'd hear about it right and then i

63

00:04:33,270 --> 00:04:31,360

could read about it if i wanted to

64

00:04:35,830 --> 00:04:33,280

but in general they're just pumping all

65

00:04:39,030 --> 00:04:35,840

this stuff at us constantly

66

00:04:43,510 --> 00:04:39,040

it's like noise you know like be afraid

67

00:04:44,870 --> 00:04:43,520

it's terrible being even more afraid

68

00:04:47,189 --> 00:04:44,880

yeah it's it's getting into that

69

00:04:49,590 --> 00:04:47,199

murderers this last weekend there was

70

00:04:53,350 --> 00:04:49,600

like 432 people

71

00:04:55,990 --> 00:04:53,360

shot and or shot and killed across

72

00:04:57,110 --> 00:04:56,000

yeah oh my goodness violence is on the

73

00:05:02,070 --> 00:04:57,120

rise

74

00:05:05,029 --> 00:05:02,080

trying to maintain my zen

75

00:05:07,029 --> 00:05:05,039

i'm just trying to um you know chant

76

00:05:07,749 --> 00:05:07,039

every day or meditate or something and

77

00:05:11,110 --> 00:05:07,759

try to remain

78

00:05:12,230 --> 00:05:11,120

peaceful and calm and you know just do

79

00:05:14,870 --> 00:05:12,240

the best that i can

80

00:05:17,270 --> 00:05:14,880

here yeah i mean that's all we can do

81

00:05:20,550 --> 00:05:17,280

right now at this point in time like

82

00:05:22,469 --> 00:05:20,560

there's just so many um things going on

83

00:05:24,629 --> 00:05:22,479

and a lot of people's um

84

00:05:26,390 --> 00:05:24,639

ideologies of like their conspiracies

85

00:05:26,950 --> 00:05:26,400

and it's just we really don't know the

86

00:05:28,870 --> 00:05:26,960

truth

87

00:05:30,870 --> 00:05:28,880

truly at the end of the day you know i

88

00:05:32,629 --> 00:05:30,880

think um

89

00:05:35,029 --> 00:05:32,639

right now we're in and we're in crucial

90

00:05:36,469 --> 00:05:35,039

moments and i know that there's so many

91

00:05:38,710 --> 00:05:36,479

people saying like we're living like

92

00:05:41,110 --> 00:05:38,720

biblical times and stuff like that

93

00:05:43,029 --> 00:05:41,120

and um you know and i don't know i

94

00:05:46,150 --> 00:05:43,039

really hope not i really hope not

95

00:05:48,870 --> 00:05:46,160

but i'm almost done i'm almost done

96

00:05:50,870 --> 00:05:48,880

building an apocalypse cabin

97

00:05:52,230 --> 00:05:50,880

hey at least you have somewhere to go

98

00:05:53,189 --> 00:05:52,240

right you know what's funny is that so

99

00:05:55,350 --> 00:05:53,199

many people

100

00:05:57,110 --> 00:05:55,360

uh you know i'm not really too much of a

101
00:05:57,909 --> 00:05:57,120
prepper or nutter like that but like

102
00:05:59,749 --> 00:05:57,919
yeah

103
00:06:01,029 --> 00:05:59,759
when some of my friends from the city

104
00:06:02,790 --> 00:06:01,039
you know heard i'm just building this

105
00:06:05,830 --> 00:06:02,800
cabin out in the mountains they're like

106
00:06:07,350 --> 00:06:05,840
why why would you bother that's who

107
00:06:08,309 --> 00:06:07,360
would want to live there the place is

108
00:06:12,070 --> 00:06:08,319
crazy you know

109
00:06:13,749 --> 00:06:12,080
like bears and woods and but after this

110
00:06:15,749 --> 00:06:13,759
last year they're all like you know that

111
00:06:17,670 --> 00:06:15,759
was probably a good idea

112
00:06:19,110 --> 00:06:17,680
maybe it was a good idea to build that

113
00:06:21,350 --> 00:06:19,120

thing because i have some place

114

00:06:24,550 --> 00:06:21,360

i have some place to escape to if the

115

00:06:26,710 --> 00:06:24,560

city yet or whatever happened

116

00:06:28,070 --> 00:06:26,720

at least you're like not with a bunch of

117

00:06:29,189 --> 00:06:28,080

people everywhere cutting with their

118

00:06:30,629 --> 00:06:29,199

heads cut off like

119

00:06:32,550 --> 00:06:30,639

trying to figure out what to do i mean

120

00:06:35,830 --> 00:06:32,560

if it gets to the point where

121

00:06:36,950 --> 00:06:35,840

the gas definitely gets cut off because

122

00:06:38,070 --> 00:06:36,960

there's a few things so they're saying

123

00:06:38,870 --> 00:06:38,080

that at first it's going to start with

124

00:06:39,909 --> 00:06:38,880

the gas

125

00:06:42,469 --> 00:06:39,919

and then it's going to start with the

126
00:06:45,110 --> 00:06:42,479
food and i'm just like

127
00:06:45,990 --> 00:06:45,120
oh the last thing we need is the last

128
00:06:48,629 --> 00:06:46,000
thing we need

129
00:06:50,070 --> 00:06:48,639
you know it's just all of this madness

130
00:06:52,870 --> 00:06:50,080
this last year has been

131
00:06:53,350 --> 00:06:52,880
all of this craziness and it just seems

132
00:06:55,510 --> 00:06:53,360
like

133
00:06:57,110 --> 00:06:55,520
it's not getting better they just keep

134
00:06:59,830 --> 00:06:57,120
throwing while like i'm waiting for the

135
00:07:02,870 --> 00:06:59,840
asteroids to start coming you know

136
00:07:05,990 --> 00:07:02,880
or something else crazy the aliens maybe

137
00:07:07,510 --> 00:07:06,000
like what else is gonna happen yeah but

138
00:07:09,350 --> 00:07:07,520

you are right like a lot of people don't

139

00:07:10,870 --> 00:07:09,360

realize this there is only three days

140

00:07:14,150 --> 00:07:10,880

worth of food

141

00:07:15,189 --> 00:07:14,160

in most major grocery stores they get

142

00:07:17,589 --> 00:07:15,199

truck shipments

143

00:07:18,629 --> 00:07:17,599

every single day so there's no trucks

144

00:07:21,510 --> 00:07:18,639

there's no fuel

145

00:07:22,390 --> 00:07:21,520

there's no truck there's no food in

146

00:07:24,230 --> 00:07:22,400

three days

147

00:07:26,870 --> 00:07:24,240

it's eat your neighbor's time like alex

148

00:07:30,070 --> 00:07:26,880

jones he's gonna eat his neighbors i

149

00:07:31,909 --> 00:07:30,080

don't know if i want to eat my neighbors

150

00:07:34,070 --> 00:07:31,919

i'll go to the cabin there's wild

151

00:07:36,790 --> 00:07:34,080

turkeys and they're oh really

152

00:07:37,510 --> 00:07:36,800

there's pheasant wild turkeys and deers

153

00:07:40,309 --> 00:07:37,520

everywhere

154

00:07:42,309 --> 00:07:40,319

wow you can't even walk through the

155

00:07:44,150 --> 00:07:42,319

woods without seeing turkeys

156

00:07:45,670 --> 00:07:44,160

really everywhere i go i see wild

157

00:07:47,909 --> 00:07:45,680

turkeys or pheasants yeah

158

00:07:49,430 --> 00:07:47,919

and i see deer they they walk all all

159

00:07:50,629 --> 00:07:49,440

around like you know

160

00:07:52,710 --> 00:07:50,639

oh you're lucky well you know what

161

00:07:55,589 --> 00:07:52,720

you're set i think they're said to come

162

00:07:56,790 --> 00:07:55,599

i'll just be eating country wild turkey

163

00:08:01,029 --> 00:07:56,800

is not very good though

164

00:08:02,869 --> 00:08:01,039

it's like it's like all dark meat mostly

165

00:08:04,230 --> 00:08:02,879

and it's tough it's tougher than a

166

00:08:05,990 --> 00:08:04,240

regular turkey

167

00:08:07,909 --> 00:08:06,000

because it's like you know they eat bugs

168

00:08:10,390 --> 00:08:07,919

and worms it's tough

169

00:08:12,070 --> 00:08:10,400

yeah i can only imagine what we're gonna

170

00:08:14,070 --> 00:08:12,080

do here we're waiting on the we're

171

00:08:15,909 --> 00:08:14,080

waiting in the live chat to fill up

172

00:08:17,430 --> 00:08:15,919

and uh i guess we're gonna be giving

173

00:08:19,029 --> 00:08:17,440

people reading so we're gonna do it the

174

00:08:21,430 --> 00:08:19,039

same way that we did it before which is

175

00:08:22,790 --> 00:08:21,440

birth sign and question right

176

00:08:24,710 --> 00:08:22,800

you could do that i mean or you could

177

00:08:27,510 --> 00:08:24,720

just put your question because um

178

00:08:28,469 --> 00:08:27,520

obviously with your show i'm doing the

179

00:08:30,150 --> 00:08:28,479

the readings

180

00:08:32,149 --> 00:08:30,160

because i'm not doing it anymore on my

181

00:08:32,790 --> 00:08:32,159

channel um because i'm switching things

182

00:08:35,430 --> 00:08:32,800

up but

183

00:08:36,550 --> 00:08:35,440

here you know feel free guys to ask me

184

00:08:38,630 --> 00:08:36,560

questions

185

00:08:39,909 --> 00:08:38,640

um if even if you have like a conspiracy

186

00:08:40,630 --> 00:08:39,919

question you're questioning about you're

187

00:08:42,070 --> 00:08:40,640

like hey

188

00:08:43,509 --> 00:08:42,080

is this true or not i'm more than

189

00:08:46,470 --> 00:08:43,519

willing to do that too it doesn't always

190

00:08:49,110 --> 00:08:46,480

have to be a personal question so

191

00:08:50,310 --> 00:08:49,120

okay and i'm a banjo ho so i'm making a

192

00:08:54,630 --> 00:08:50,320

banner

193

00:08:57,350 --> 00:08:54,640

right now things last video huh

194

00:08:58,310 --> 00:08:57,360

i am terrible at this stuff so if you

195

00:09:01,110 --> 00:08:58,320

want a reading

196

00:09:01,670 --> 00:09:01,120

birth sign and question in all capital

197

00:09:04,230 --> 00:09:01,680

letters

198

00:09:05,829 --> 00:09:04,240

this what this will let us know if that

199

00:09:08,389 --> 00:09:05,839

is for me

200

00:09:09,269 --> 00:09:08,399

you know i did actually i wanted to we

201
00:09:10,550 --> 00:09:09,279
were gonna

202
00:09:12,790 --> 00:09:10,560
the last couple times we were here we

203
00:09:13,750 --> 00:09:12,800
did a general reading and and i couldn't

204
00:09:15,509 --> 00:09:13,760
really think of one but

205
00:09:17,590 --> 00:09:15,519
what we just touched on is a good topic

206
00:09:18,870 --> 00:09:17,600
like could you do a general reading on

207
00:09:21,350 --> 00:09:18,880
if things are going to be

208
00:09:23,269 --> 00:09:21,360
more peaceful or calm in the coming year

209
00:09:26,949 --> 00:09:23,279
or they're going to get worse

210
00:09:29,430 --> 00:09:26,959
oh that's such a good one

211
00:09:30,790 --> 00:09:29,440
right now yeah let's do that let's see

212
00:09:34,870 --> 00:09:30,800
what what

213
00:09:36,230 --> 00:09:34,880

what's coming up let's do the next um

214

00:09:38,310 --> 00:09:36,240

from this point all the way to the end

215

00:09:39,269 --> 00:09:38,320

of the year because you know how like we

216

00:09:42,470 --> 00:09:39,279

kind of discussed

217

00:09:42,949 --> 00:09:42,480

um i think in two episodes ago how like

218

00:09:45,670 --> 00:09:42,959

this whole

219

00:09:46,710 --> 00:09:45,680

june and unveiling of like truths and

220

00:09:48,550 --> 00:09:46,720

stuff like that

221

00:09:49,990 --> 00:09:48,560

about you know aliens and all the other

222

00:09:51,670 --> 00:09:50,000

garbage that they're trying to come out

223

00:09:55,110 --> 00:09:51,680

with

224

00:09:59,190 --> 00:09:58,150

garbage so let's see what is going on

225

00:10:02,010 --> 00:09:59,200

here

226

00:10:03,670 --> 00:10:02,020

all right okay

227

00:10:06,310 --> 00:10:03,680

[Music]

228

00:10:08,470 --> 00:10:06,320

mind you too today is a a new moon in

229

00:10:10,310 --> 00:10:08,480

torres so

230

00:10:11,750 --> 00:10:10,320

that's that's good so for those of you

231

00:10:12,150 --> 00:10:11,760

guys who are wondering about the full

232

00:10:14,790 --> 00:10:12,160

moon

233

00:10:15,990 --> 00:10:14,800

i know there was somebody in the last i

234

00:10:17,430 --> 00:10:16,000

think yesterday

235

00:10:18,710 --> 00:10:17,440

that they lost their job and i'm not

236

00:10:20,710 --> 00:10:18,720

surprised because there's something new

237

00:10:23,030 --> 00:10:20,720

coming on the horizon so if that person

238

00:10:24,150 --> 00:10:23,040

ends up coming on i can definitely read

239

00:10:27,350 --> 00:10:24,160

them

240

00:10:31,190 --> 00:10:27,360

oh very interesting so i see that

241

00:10:34,069 --> 00:10:31,200

um we have the high priestess here so

242

00:10:35,750 --> 00:10:34,079

the high priestess represents um

243

00:10:36,710 --> 00:10:35,760

obviously the good side and the bad side

244

00:10:39,110 --> 00:10:36,720

of life right

245

00:10:40,470 --> 00:10:39,120

the yin and the yang also represents

246

00:10:43,910 --> 00:10:40,480

intuition

247

00:10:47,030 --> 00:10:43,920

lot of people

248

00:10:48,710 --> 00:10:47,040

which i've been you know listening to

249

00:10:49,590 --> 00:10:48,720

other individuals and people talking

250

00:10:52,550 --> 00:10:49,600

about this that

251
00:10:53,910 --> 00:10:52,560
they're starting to reach a new level of

252
00:10:55,430 --> 00:10:53,920
awareness now

253
00:10:57,590 --> 00:10:55,440
um i don't know if you've noticed this

254
00:10:59,990 --> 00:10:57,600
steven but uh the last like

255
00:11:01,350 --> 00:11:00,000
couple of weeks especially last week

256
00:11:03,030 --> 00:11:01,360
with the schumann residence if you're

257
00:11:03,590 --> 00:11:03,040
familiar with that you know with all the

258
00:11:05,990 --> 00:11:03,600
um

259
00:11:07,430 --> 00:11:06,000
radiation coming onto the earth uh

260
00:11:09,190 --> 00:11:07,440
essentially that's

261
00:11:10,710 --> 00:11:09,200
they say light code energy or whatever

262
00:11:12,230 --> 00:11:10,720
you want to call it but i feel like it's

263
00:11:15,430 --> 00:11:12,240

mostly energy that's

264

00:11:15,990 --> 00:11:15,440

being um uplifted onto the collective

265

00:11:18,230 --> 00:11:16,000

and

266

00:11:19,509 --> 00:11:18,240

onto our earth so a lot of people have

267

00:11:21,910 --> 00:11:19,519

been experiencing like

268

00:11:23,350 --> 00:11:21,920

tiredness fatigue um you know

269

00:11:25,670 --> 00:11:23,360

disorientation

270

00:11:27,190 --> 00:11:25,680

um feeling like they're out of it

271

00:11:29,750 --> 00:11:27,200

they're not being themselves

272

00:11:30,790 --> 00:11:29,760

or their lack of appetite or their diet

273

00:11:33,030 --> 00:11:30,800

switching up

274

00:11:34,630 --> 00:11:33,040

so that's something i've been noticing a

275

00:11:36,630 --> 00:11:34,640

lot so i know that

276

00:11:38,710 --> 00:11:36,640

um when the high priestess does come out

277

00:11:40,470 --> 00:11:38,720

what i'm getting for sure is that there

278

00:11:42,069 --> 00:11:40,480

are going to be things that are going to

279

00:11:45,430 --> 00:11:42,079

continue to come out

280

00:11:46,550 --> 00:11:45,440

um you know right the asteroids and the

281

00:11:50,069 --> 00:11:46,560

aliens

282

00:11:53,910 --> 00:11:50,079

stephanie oh my god yeah

283

00:11:56,629 --> 00:11:53,920

there's a lot of things coming out um

284

00:11:57,430 --> 00:11:56,639

still it's not going to stop um if you

285

00:12:00,310 --> 00:11:57,440

thought that

286

00:12:01,190 --> 00:12:00,320

you know last year and even this year's

287

00:12:02,949 --> 00:12:01,200

already you know

288

00:12:05,030 --> 00:12:02,959

oh there's so much stuff coming out no

289

00:12:06,949 --> 00:12:05,040

it's it's going to keep going

290

00:12:08,230 --> 00:12:06,959

um to where it's going to make people

291

00:12:10,310 --> 00:12:08,240

feel um

292

00:12:12,150 --> 00:12:10,320

very sick in a sense they're not going

293

00:12:14,470 --> 00:12:12,160

to be they're not going to understand

294

00:12:16,470 --> 00:12:14,480

what is what you know um i also see that

295

00:12:18,629 --> 00:12:16,480

the financial

296

00:12:19,509 --> 00:12:18,639

market stock market is also going to

297

00:12:25,829 --> 00:12:19,519

plummet

298

00:12:27,750 --> 00:12:25,839

um the reason why i say this is

299

00:12:30,470 --> 00:12:27,760

that we've been experiencing now we're

300

00:12:32,230 --> 00:12:30,480

going to get to total financial failure

301
00:12:35,110 --> 00:12:32,240
but this is not a bad thing though

302
00:12:38,710 --> 00:12:35,120
because the reason i say that

303
00:12:39,750 --> 00:12:38,720
you have finances i don't really have

304
00:12:41,350 --> 00:12:39,760
any finances

305
00:12:43,350 --> 00:12:41,360
so it doesn't it's not going to affect

306
00:12:46,150 --> 00:12:43,360
me you know

307
00:12:47,590 --> 00:12:46,160
so the reason i say that is because um

308
00:12:49,590 --> 00:12:47,600
as you guys are very aware

309
00:12:51,750 --> 00:12:49,600
in the news how like bill gates got a

310
00:12:54,790 --> 00:12:51,760
divorce blah blah

311
00:12:56,870 --> 00:12:54,800
um that was kind of like listen

312
00:12:58,470 --> 00:12:56,880
you're right you reminded me maybe we

313
00:13:00,069 --> 00:12:58,480

could do a tarot card reading on this

314

00:13:02,310 --> 00:13:00,079

did you know

315

00:13:03,509 --> 00:13:02,320

when jeff how much money jeff bezos

316

00:13:06,310 --> 00:13:03,519

ex-wife is going to get

317

00:13:06,790 --> 00:13:06,320

oh a pretty penny i'm going to tell you

318

00:13:09,829 --> 00:13:06,800

that

319

00:13:11,509 --> 00:13:09,839

yeah but yeah i want to know who is

320

00:13:12,870 --> 00:13:11,519

going to end up with the world's most

321

00:13:15,030 --> 00:13:12,880

expensive vagina

322

00:13:16,629 --> 00:13:15,040

it's going to be is it going to be jeff

323

00:13:21,750 --> 00:13:16,639

bezos ex-wife

324

00:13:26,310 --> 00:13:21,760

or is it going to be bill gates ex-wife

325

00:13:28,710 --> 00:13:26,320

i mean from what i heard she's a man so

326

00:13:29,350 --> 00:13:28,720

you know we can get into that topic too

327

00:13:31,590 --> 00:13:29,360

a lot of these

328

00:13:33,509 --> 00:13:31,600

billionaires never heard that oh yeah

329

00:13:35,110 --> 00:13:33,519

there's there's like rumors going on

330

00:13:37,990 --> 00:13:35,120

that you know what i heard that they

331

00:13:38,629 --> 00:13:38,000

i heard that uh one of they they won't

332

00:13:41,509 --> 00:13:38,639

say who

333

00:13:46,470 --> 00:13:41,519

but somebody said that one of them

334

00:13:46,480 --> 00:13:59,509

really

335

00:14:05,269 --> 00:14:02,230

hey women do it too i'm not saying men

336

00:14:08,310 --> 00:14:07,990

yeah bill gates is something else but

337

00:14:12,629 --> 00:14:08,320

but

338

00:14:15,189 --> 00:14:12,639

the financial system of

339

00:14:15,750 --> 00:14:15,199

the dollar is really starting to come

340

00:14:17,829 --> 00:14:15,760

down

341

00:14:19,350 --> 00:14:17,839

and don't be surprised if you notice

342

00:14:21,670 --> 00:14:19,360

that the stock market

343

00:14:24,389 --> 00:14:21,680

will sort of kind of start plummeting

344

00:14:26,870 --> 00:14:24,399

along with kryptos but remember though

345

00:14:28,069 --> 00:14:26,880

when i say this is that cryptos will

346

00:14:30,150 --> 00:14:28,079

come right back like

347

00:14:31,509 --> 00:14:30,160

like quick in a flash you may see it

348

00:14:33,110 --> 00:14:31,519

come down a little bit

349

00:14:35,430 --> 00:14:33,120

but it's going to skyrocket right back

350

00:14:38,069 --> 00:14:35,440

up so i feel like right now we're still

351

00:14:39,829 --> 00:14:38,079

going this through this transition

352

00:14:41,189 --> 00:14:39,839

you know with all these energies in the

353

00:14:42,389 --> 00:14:41,199

next couple of months

354

00:14:43,430 --> 00:14:42,399

there's still going to be truths coming

355

00:14:44,870 --> 00:14:43,440

out there's still things that are

356

00:14:47,030 --> 00:14:44,880

starting to break down

357

00:14:48,310 --> 00:14:47,040

and trying to rebuild itself and

358

00:14:51,030 --> 00:14:48,320

unfortunately

359

00:14:51,910 --> 00:14:51,040

you know with these big billionaires

360

00:14:53,350 --> 00:14:51,920

trillionaires

361

00:14:55,590 --> 00:14:53,360

they're the ones that are suffering not

362

00:14:58,870 --> 00:14:55,600

the common folk

363

00:15:00,949 --> 00:14:58,880

so there is destabilization

364

00:15:01,910 --> 00:15:00,959

um with a lot of people in the

365

00:15:03,990 --> 00:15:01,920

collective so

366

00:15:06,230 --> 00:15:04,000

i definitely see that with this card

367

00:15:08,150 --> 00:15:06,240

here it usually represents you know

368

00:15:09,430 --> 00:15:08,160

having fun in the in the home or

369

00:15:11,829 --> 00:15:09,440

celebration

370

00:15:12,949 --> 00:15:11,839

um just being happy but that's not the

371

00:15:15,350 --> 00:15:12,959

case right now

372

00:15:17,509 --> 00:15:15,360

so it's gonna end up being where these

373

00:15:19,750 --> 00:15:17,519

next few months it's gonna be a little

374

00:15:22,949 --> 00:15:19,760

interesting for a lot of individuals

375

00:15:25,269 --> 00:15:22,959

that the foundations of our country

376

00:15:27,509 --> 00:15:25,279

are crumbling um the reason why i say

377

00:15:30,550 --> 00:15:27,519

this it's great because this confirms

378

00:15:32,949 --> 00:15:30,560

all of my fear i gotta go

379

00:15:35,269 --> 00:15:32,959

and work double time on my apocalypse

380

00:15:38,949 --> 00:15:35,279

cabin this weekend

381

00:15:42,310 --> 00:15:38,959

okay because i mean you know what

382

00:15:45,269 --> 00:15:42,320

it's the cards you know i was gonna go

383

00:15:47,509 --> 00:15:45,279

fishing i can't help i gotta hurry up

384

00:15:48,790 --> 00:15:47,519

and finish the apocalypse cabin because

385

00:15:51,829 --> 00:15:48,800

apocalypse may be

386

00:15:53,189 --> 00:15:51,839

indeed coming i mean okay so

387

00:15:55,189 --> 00:15:53,199

i don't want to worry people but it's

388

00:15:56,629 --> 00:15:55,199

just like the truth is there i mean if

389

00:15:58,069 --> 00:15:56,639

you do your research look again there's

390

00:16:01,269 --> 00:15:58,079

no opportunity

391

00:16:03,030 --> 00:16:01,279

for this dollar to go back up

392

00:16:04,949 --> 00:16:03,040

i feel like things are going to start

393

00:16:06,470 --> 00:16:04,959

kind of be a little weird in the next

394

00:16:07,990 --> 00:16:06,480

couple of months because we're

395

00:16:10,150 --> 00:16:08,000

transitioning right now

396

00:16:11,990 --> 00:16:10,160

we're literally transitioning currencies

397

00:16:13,670 --> 00:16:12,000

um i'm sure you guys are very aware how

398

00:16:15,110 --> 00:16:13,680

like crypto's changing

399

00:16:16,790 --> 00:16:15,120

um and it's going to be like the new

400

00:16:18,310 --> 00:16:16,800

ways of currency that's been the talk

401
00:16:20,310 --> 00:16:18,320
for the last couple of months

402
00:16:21,509 --> 00:16:20,320
but i feel like it's gonna definitely be

403
00:16:23,110 --> 00:16:21,519
known as uh

404
00:16:24,629 --> 00:16:23,120
towards like the summer time you're

405
00:16:26,949 --> 00:16:24,639
gonna notice around the summer time

406
00:16:28,389 --> 00:16:26,959
too that um it's gonna be a very good

407
00:16:30,629 --> 00:16:28,399
time for people that are invested for

408
00:16:32,550 --> 00:16:30,639
sure in crypto i i

409
00:16:34,470 --> 00:16:32,560
already see it you know i'm feeling it

410
00:16:35,110 --> 00:16:34,480
already um but there has to be a

411
00:16:37,030 --> 00:16:35,120
correction

412
00:16:38,389 --> 00:16:37,040
remember that just because something's

413
00:16:41,269 --> 00:16:38,399

really high or whatever

414

00:16:41,749 --> 00:16:41,279

there always has to be a come down so

415

00:16:43,670 --> 00:16:41,759

i'm going to

416

00:16:46,150 --> 00:16:43,680

pull a few more cards oh yeah look it

417

00:16:50,870 --> 00:16:46,160

we're going to be

418

00:16:52,790 --> 00:16:50,880

a lot of the things that are going on so

419

00:16:54,230 --> 00:16:52,800

there's still going to be protests

420

00:16:56,150 --> 00:16:54,240

it's going to continue it's not going to

421

00:16:57,670 --> 00:16:56,160

stop um it's i know

422

00:16:59,670 --> 00:16:57,680

a lot of people are waiting for this

423

00:17:01,670 --> 00:16:59,680

crap to stop but it's just

424

00:17:02,870 --> 00:17:01,680

going to continue unfortunately that's

425

00:17:05,429 --> 00:17:02,880

just what it is

426

00:17:06,630 --> 00:17:05,439

um and also too like the partnerships we

427

00:17:11,029 --> 00:17:06,640

have with other countries

428

00:17:11,909 --> 00:17:11,039

is also um in the rocks oh my god this

429

00:17:14,949 --> 00:17:11,919

is scary so

430

00:17:17,909 --> 00:17:14,959

what so you know we're

431

00:17:19,429 --> 00:17:17,919

we're we're defending ourselves too as

432

00:17:21,029 --> 00:17:19,439

also with the collective if you've

433

00:17:22,390 --> 00:17:21,039

noticed guys that we've been more

434

00:17:24,069 --> 00:17:22,400

awakened than normal

435

00:17:25,669 --> 00:17:24,079

we've been more aware of things that are

436

00:17:26,630 --> 00:17:25,679

going on and we're going to be putting

437

00:17:28,549 --> 00:17:26,640

up a fight

438

00:17:29,750 --> 00:17:28,559

um you know but the thing is is that in

439

00:17:31,909 --> 00:17:29,760

order to have

440

00:17:33,909 --> 00:17:31,919

you know sunshine and rainbows you know

441

00:17:34,630 --> 00:17:33,919

it has to get ugly we have to have this

442

00:17:43,029 --> 00:17:34,640

tower

443

00:17:47,029 --> 00:17:45,909

means that's not good you're pulling the

444

00:17:50,230 --> 00:17:47,039

power card

445

00:17:51,669 --> 00:17:50,240

that ain't a good one the tower let me

446

00:17:55,510 --> 00:17:51,679

look faster

447

00:17:57,270 --> 00:17:55,520

faster okay so

448

00:17:58,950 --> 00:17:57,280

this card here this is the four of

449

00:18:00,710 --> 00:17:58,960

pentacles in reverse so

450

00:18:02,310 --> 00:18:00,720

the illness we're going to live and die

451
00:18:04,950 --> 00:18:02,320
in disaster land

452
00:18:05,990 --> 00:18:04,960
and she's laughing because it's just

453
00:18:07,510 --> 00:18:06,000
like it's just like

454
00:18:09,830 --> 00:18:07,520
it's it's funny the way that you're

455
00:18:10,390 --> 00:18:09,840
saying this no it's funny the way you're

456
00:18:12,470 --> 00:18:10,400
saying it because

457
00:18:14,390 --> 00:18:12,480
it's comical but like in reality this is

458
00:18:15,430 --> 00:18:14,400
like really intense things that are

459
00:18:18,150 --> 00:18:15,440
happening

460
00:18:19,110 --> 00:18:18,160
um and i'm feeling this ramp up too like

461
00:18:21,029 --> 00:18:19,120
that's what's what's

462
00:18:22,710 --> 00:18:21,039
crazy about all of this is that there's

463
00:18:26,310 --> 00:18:22,720

this ramp up happening

464

00:18:29,430 --> 00:18:26,320

like it's like at its boiling point so

465

00:18:30,230 --> 00:18:29,440

also too the four of pentacles the

466

00:18:31,590 --> 00:18:30,240

people that

467

00:18:32,870 --> 00:18:31,600

have been in power are going to lose

468

00:18:33,990 --> 00:18:32,880

their [h__h] they're losing their money

469

00:18:36,150 --> 00:18:34,000

right now

470

00:18:37,830 --> 00:18:36,160

uh yeah they're freaking out they've

471

00:18:38,310 --> 00:18:37,840

been screwing the middle class for the

472

00:18:42,390 --> 00:18:38,320

last

473

00:18:45,029 --> 00:18:42,400

year like crazy right god forbid

474

00:18:46,310 --> 00:18:45,039

yeah so they're definitely losing a lot

475

00:18:49,430 --> 00:18:46,320

of money right now

476

00:18:49,750 --> 00:18:49,440

yeah there's no opportunity to to um to

477

00:18:51,750 --> 00:18:49,760

get

478

00:18:53,510 --> 00:18:51,760

to come back from it and they know this

479

00:18:56,150 --> 00:18:53,520

and that's the thing they understand

480

00:18:57,990 --> 00:18:56,160

that with what's been going on that

481

00:19:01,029 --> 00:18:58,000

there's no chance for them to really

482

00:19:01,590 --> 00:19:01,039

continue and also there's truth coming

483

00:19:03,350 --> 00:19:01,600

out too

484

00:19:04,230 --> 00:19:03,360

so just because like the truths of them

485

00:19:04,789 --> 00:19:04,240

are coming out they're going to bring

486

00:19:07,190 --> 00:19:04,799

everybody

487

00:19:08,070 --> 00:19:07,200

with them that been under this this

488

00:19:10,070 --> 00:19:08,080

negativity

489

00:19:12,070 --> 00:19:10,080

and this crazy stuff that's been going

490

00:19:13,350 --> 00:19:12,080

on there hasn't been a judgment call yet

491

00:19:16,150 --> 00:19:13,360

so there's a delay

492

00:19:16,470 --> 00:19:16,160

so understand that um in the next couple

493

00:19:20,390 --> 00:19:16,480

of

494

00:19:22,310 --> 00:19:20,400

reason why i also say this too

495

00:19:24,549 --> 00:19:22,320

is because mercury if you guys are into

496

00:19:26,070 --> 00:19:24,559

astrology mercury is going to be in

497

00:19:27,990 --> 00:19:26,080

retrograde in gemini

498

00:19:29,590 --> 00:19:28,000

this represents technology represents

499

00:19:30,549 --> 00:19:29,600

communication represents signing

500

00:19:32,789 --> 00:19:30,559

contracts

501
00:19:34,070 --> 00:19:32,799
um this can also be like if you have

502
00:19:36,630 --> 00:19:34,080
like surgery plan

503
00:19:37,990 --> 00:19:36,640
anything like that in that those matters

504
00:19:40,470 --> 00:19:38,000
make sure if this

505
00:19:41,190 --> 00:19:40,480
if you have to do it make sure you dodge

506
00:19:45,750 --> 00:19:41,200
your

507
00:19:47,270 --> 00:19:45,760
sometimes things can be a little funky

508
00:19:48,789 --> 00:19:47,280
technology right now will be a little

509
00:19:50,950 --> 00:19:48,799
funky so if you notice like your

510
00:19:52,630 --> 00:19:50,960
computer is acting weird or your phones

511
00:19:53,990 --> 00:19:52,640
or just communication in general even

512
00:19:56,310 --> 00:19:54,000
talking to other people

513
00:19:57,430 --> 00:19:56,320

seems a little off that's kind of like

514

00:20:01,750 --> 00:19:57,440

because the aliens

515

00:20:03,270 --> 00:20:01,760

are coming right they're pre-invasion

516

00:20:05,830 --> 00:20:03,280

they're they're monitoring our

517

00:20:07,830 --> 00:20:05,840

communications

518

00:20:09,350 --> 00:20:07,840

you know judgment the judgment card is

519

00:20:12,230 --> 00:20:09,360

in reverse

520

00:20:13,510 --> 00:20:12,240

gosh come on come on god what's going on

521

00:20:16,710 --> 00:20:13,520

so

522

00:20:18,149 --> 00:20:16,720

the nine of pentacles people are not

523

00:20:19,510 --> 00:20:18,159

going to be happy with this so there's a

524

00:20:21,190 --> 00:20:19,520

lot of people that are invested that are

525

00:20:24,230 --> 00:20:21,200

going to be losing money too

526

00:20:25,909 --> 00:20:24,240

uh wow this is this is insane i'm

527

00:20:26,149 --> 00:20:25,919

feeling really bad because this is this

528

00:20:28,149 --> 00:20:26,159

is

529

00:20:29,990 --> 00:20:28,159

really intense energy that i'm pulling

530

00:20:31,830 --> 00:20:30,000

i'm definitely going to have to cleanse

531

00:20:33,029 --> 00:20:31,840

when i'm done

532

00:20:35,830 --> 00:20:33,039

there's going to be a lot of people

533

00:20:38,710 --> 00:20:35,840

moving out moving away um people

534

00:20:40,950 --> 00:20:38,720

wanting to travel right now moving into

535

00:20:45,750 --> 00:20:40,960

the woods

536

00:20:49,029 --> 00:20:48,549

and uh yeah yeah things are gonna get

537

00:20:56,070 --> 00:20:49,039

pretty

538

00:20:57,750 --> 00:20:56,080

you know with the government

539

00:21:00,549 --> 00:20:57,760

i feel like they're trying to make some

540

00:21:02,230 --> 00:21:00,559

crazy moves here um behind the scenes

541

00:21:04,310 --> 00:21:02,240

that's what i'm getting deeply uh

542

00:21:06,149 --> 00:21:04,320

they're trying to make strategic moves

543

00:21:07,510 --> 00:21:06,159

because they know that um things are

544

00:21:10,549 --> 00:21:07,520

about to hit the fan

545

00:21:12,230 --> 00:21:10,559

especially in june they're kind of like

546

00:21:13,669 --> 00:21:12,240

just trying to test the waters right now

547

00:21:15,350 --> 00:21:13,679

and see how things are going they're

548

00:21:18,789 --> 00:21:15,360

losing their [h__h] oh my god

549

00:21:19,669 --> 00:21:18,799

so this is the the ten of um of wands in

550

00:21:21,190 --> 00:21:19,679

reverse

551
00:21:23,590 --> 00:21:21,200
so when we get the ten of wands in

552
00:21:25,029 --> 00:21:23,600
reverse a lot of the times it means that

553
00:21:26,870 --> 00:21:25,039
the battle is not done

554
00:21:28,549 --> 00:21:26,880
uh there's still a lot of things that

555
00:21:31,350 --> 00:21:28,559
have to be worked out

556
00:21:32,950 --> 00:21:31,360
like that that common um term like

557
00:21:33,669 --> 00:21:32,960
people say like oh we have to drain the

558
00:21:37,270 --> 00:21:33,679
swamp

559
00:21:37,990 --> 00:21:37,280
there's a lot of stuff that needs to be

560
00:21:40,549 --> 00:21:38,000
done

561
00:21:41,510 --> 00:21:40,559
um behind the scenes and unfortunately

562
00:21:43,190 --> 00:21:41,520
we're not gonna

563
00:21:45,029 --> 00:21:43,200

see it currently there's gonna be a lot

564

00:21:45,750 --> 00:21:45,039

of delays with that information but know

565

00:21:49,750 --> 00:21:45,760

that

566

00:21:52,149 --> 00:21:49,760

communication

567

00:21:53,270 --> 00:21:52,159

is going to be crazy and there's going

568

00:21:54,390 --> 00:21:53,280

to be a lot of things said yeah there's

569

00:21:57,590 --> 00:21:54,400

no endings yet

570

00:21:58,070 --> 00:21:57,600

so we do have uh the 10 of swords in

571

00:22:00,549 --> 00:21:58,080

reverse

572

00:22:01,270 --> 00:22:00,559

too a lot of reversals a lot of delays

573

00:22:04,390 --> 00:22:01,280

so

574

00:22:08,149 --> 00:22:04,400

i want to pull what's going to happen

575

00:22:11,190 --> 00:22:08,159

from um let's say september to december

576

00:22:14,070 --> 00:22:11,200

so we know that we know that june july

577

00:22:15,510 --> 00:22:14,080

august are going to be fire months um

578

00:22:17,430 --> 00:22:15,520

may is usually the kickoff

579

00:22:19,510 --> 00:22:17,440

i think i already said this uh the last

580

00:22:20,390 --> 00:22:19,520

live that we were on how may is like the

581

00:22:22,390 --> 00:22:20,400

beginning

582

00:22:25,350 --> 00:22:22,400

and if you notice like even just like

583

00:22:27,190 --> 00:22:25,360

the the seventeen states are doing uh

584

00:22:28,470 --> 00:22:27,200

state of emergency with with the pipes

585

00:22:31,190 --> 00:22:28,480

with the oil with the gas

586

00:22:31,909 --> 00:22:31,200

you know it's that that is the kickoff

587

00:22:34,950 --> 00:22:31,919

um

588

00:22:36,870 --> 00:22:34,960

so wow a lot of cards just fell out

589

00:22:45,029 --> 00:22:36,880

thanks for bringing us so much great

590

00:22:48,390 --> 00:22:46,470

some people in the live chat if you'd

591

00:22:50,390 --> 00:22:48,400

like to move on to uh

592

00:22:52,390 --> 00:22:50,400

yeah we can totally do that yeah so jay

593

00:22:53,029 --> 00:22:52,400

roach is here shout out to jay roach who

594

00:22:55,990 --> 00:22:53,039

says

595

00:22:57,830 --> 00:22:56,000

my girlfriend alicia is aries and wants

596

00:22:59,029 --> 00:22:57,840

to know what does her future hold in

597

00:23:03,990 --> 00:22:59,039

regards to money

598

00:23:07,110 --> 00:23:05,669

interesting the way that you ordered

599

00:23:09,990 --> 00:23:07,120

that so basically

600

00:23:11,430 --> 00:23:10,000

you're wanting to know like what's going

601
00:23:12,950 --> 00:23:11,440
on with her finances is she gonna

602
00:23:14,390 --> 00:23:12,960
improve or she gonna lose money

603
00:23:16,950 --> 00:23:14,400
what's going on with that so we can

604
00:23:22,070 --> 00:23:16,960
totally pull that i will also pull

605
00:23:22,950 --> 00:23:22,080
an oracle for your girlfriend because of

606
00:23:24,870 --> 00:23:22,960
the

607
00:23:42,470 --> 00:23:24,880
living room and taurus so let's see i'll

608
00:23:48,789 --> 00:23:45,990
um okay so

609
00:23:50,549 --> 00:23:48,799
we have the six of pentacles six of

610
00:23:53,669 --> 00:23:50,559
pentacles represents

611
00:23:56,390 --> 00:23:53,679
bouncing of finances so i feel that with

612
00:23:59,269 --> 00:23:56,400
your girlfriend she needs to learn

613
00:24:01,510 --> 00:23:59,279

to balance herself and the way that she

614

00:24:02,950 --> 00:24:01,520

thinks about her finances i also get

615

00:24:04,950 --> 00:24:02,960

something she can kind of be

616

00:24:06,310 --> 00:24:04,960

a little negative when it comes to money

617

00:24:08,310 --> 00:24:06,320

or like um

618

00:24:09,830 --> 00:24:08,320

very impatient because she wants things

619

00:24:10,549 --> 00:24:09,840

to happen and i just realized that she's

620

00:24:12,789 --> 00:24:10,559

an aries

621

00:24:13,750 --> 00:24:12,799

so that impatient is just being very

622

00:24:16,950 --> 00:24:13,760

like i just

623

00:24:18,149 --> 00:24:16,960

i just want things to go my way so she

624

00:24:20,630 --> 00:24:18,159

needs to balance

625

00:24:21,590 --> 00:24:20,640

um in regards to the way she looks at

626
00:24:24,950 --> 00:24:21,600
her money

627
00:24:29,430 --> 00:24:24,960
that mental um you know

628
00:24:31,830 --> 00:24:29,440
aries rock so that mental

629
00:24:33,669 --> 00:24:31,840
uh when it comes to that financial

630
00:24:34,710 --> 00:24:33,679
abundance she needs to switch her

631
00:24:37,190 --> 00:24:34,720
mindset

632
00:24:38,710 --> 00:24:37,200
um i see that she's before she was very

633
00:24:39,830 --> 00:24:38,720
tired of the way she's seeing things but

634
00:24:41,430 --> 00:24:39,840
i feel like

635
00:24:43,269 --> 00:24:41,440
now that it's in reverse with the nine

636
00:24:44,789 --> 00:24:43,279
of wands i feel like there's

637
00:24:46,390 --> 00:24:44,799
she's not giving up i think she's gonna

638
00:24:48,390 --> 00:24:46,400

continue to push forward

639

00:24:50,149 --> 00:24:48,400

in her finances but it's all about

640

00:24:51,269 --> 00:24:50,159

changing that mindset the way that she

641

00:24:53,669 --> 00:24:51,279

looks at her money

642

00:24:54,630 --> 00:24:53,679

in order for her to gain a lot of um

643

00:24:56,710 --> 00:24:54,640

that abundance

644

00:24:58,390 --> 00:24:56,720

she also needs to fill her cup so it's

645

00:24:59,190 --> 00:24:58,400

also spirit's also saying that you know

646

00:25:01,830 --> 00:24:59,200

she needs to

647

00:25:03,190 --> 00:25:01,840

connect with with herself um you know

648

00:25:05,190 --> 00:25:03,200

she's very imbalanced

649

00:25:07,350 --> 00:25:05,200

that's why her money's a bit in balance

650

00:25:07,750 --> 00:25:07,360

i've got three more cards that aren't

651
00:25:09,190 --> 00:25:07,760
here

652
00:25:11,269 --> 00:25:09,200
this has to do between the partnership

653
00:25:13,350 --> 00:25:11,279
between you and her so i know

654
00:25:15,110 --> 00:25:13,360
this is this is irrelevant to what you

655
00:25:17,830 --> 00:25:15,120
asked but this is what just came out

656
00:25:18,789 --> 00:25:17,840
so two of cups just filling in you know

657
00:25:20,950 --> 00:25:18,799
coming together

658
00:25:22,710 --> 00:25:20,960
um with that money there's gonna be some

659
00:25:24,549 --> 00:25:22,720
celebration some victory moments i think

660
00:25:26,230 --> 00:25:24,559
when you two work together

661
00:25:28,149 --> 00:25:26,240
that's when money is gonna be

662
00:25:30,149 --> 00:25:28,159
flourishing for both of you

663
00:25:32,470 --> 00:25:30,159

when it's just heard by yourself it's

664

00:25:33,350 --> 00:25:32,480

it's it's not the same when it's just

665

00:25:36,390 --> 00:25:33,360

youtube

666

00:25:38,310 --> 00:25:36,400

together with that financial abundance

667

00:25:39,750 --> 00:25:38,320

you know like it just keeps flowing so

668

00:25:41,350 --> 00:25:39,760

something about youtube

669

00:25:43,430 --> 00:25:41,360

um which is very interesting i'm going

670

00:25:45,909 --> 00:25:43,440

to pull an oracle now

671

00:25:47,669 --> 00:25:45,919

so yeah i just have her work on um you

672

00:25:50,149 --> 00:25:47,679

know raising her vibration

673

00:25:51,110 --> 00:25:50,159

rethinking the way she looks at money at

674

00:25:53,350 --> 00:25:51,120

herself

675

00:25:54,830 --> 00:25:53,360

her self-esteem is also plays a part of

676
00:25:59,029 --> 00:25:54,840
confidence

677
00:26:02,789 --> 00:26:01,029
nothing is yet set in stone so i'm not

678
00:26:04,630 --> 00:26:02,799
surprised either because she wants

679
00:26:07,590 --> 00:26:04,640
things to happen now but

680
00:26:09,909 --> 00:26:07,600
unfortunately um you know time is of the

681
00:26:10,789 --> 00:26:09,919
essence so she just used to be patient

682
00:26:13,430 --> 00:26:10,799
with herself

683
00:26:15,350 --> 00:26:13,440
and conclusions are within reach and

684
00:26:17,750 --> 00:26:15,360
your dreams in a practical plan and your

685
00:26:19,830 --> 00:26:17,760
confidence is key to success

686
00:26:21,510 --> 00:26:19,840
so like what i just said earlier you

687
00:26:22,230 --> 00:26:21,520
know you just have to work on the self

688
00:26:25,190 --> 00:26:22,240

before you

689

00:26:27,269 --> 00:26:25,200

try to master any financial gain so i

690

00:26:30,230 --> 00:26:27,279

hope that helped

691

00:26:31,029 --> 00:26:30,240

good one second now let me find the next

692

00:26:37,590 --> 00:26:31,039

one

693

00:26:40,390 --> 00:26:37,600

blind dave crypto another aries uh

694

00:26:43,149 --> 00:26:40,400

he wants to know about crypto outlook on

695

00:26:46,390 --> 00:26:43,159

persistence

696

00:26:47,190 --> 00:26:46,400

xprt oh yeah he's usually on my on my

697

00:26:49,590 --> 00:26:47,200

lives too

698

00:26:51,590 --> 00:26:49,600

he'll come over and like say what's up

699

00:27:04,310 --> 00:26:51,600

he was on my live earlier

700

00:27:07,909 --> 00:27:05,990

looks like there's a decision needing to

701
00:27:09,510 --> 00:27:07,919
be made in regards to crypto

702
00:27:11,269 --> 00:27:09,520
i feel like you're trying to make a move

703
00:27:13,909 --> 00:27:11,279
right now and the thing

704
00:27:15,430 --> 00:27:13,919
is is that um right now is not the time

705
00:27:16,870 --> 00:27:15,440
yet you need to be patient there's not

706
00:27:19,590 --> 00:27:16,880
enough information

707
00:27:21,110 --> 00:27:19,600
um to make any type of moves right now

708
00:27:23,909 --> 00:27:21,120
with your kryptos

709
00:27:24,870 --> 00:27:23,919
um i i'm getting heavily you need to

710
00:27:29,190 --> 00:27:24,880
wait

711
00:27:32,310 --> 00:27:29,200
rash moves

712
00:27:33,430 --> 00:27:32,320
because things are about to skyrocket

713
00:27:35,909 --> 00:27:33,440

with whatever it is that you're

714

00:27:37,350 --> 00:27:35,919

investing um and i also see they're

715

00:27:38,470 --> 00:27:37,360

gonna feel like you're not gonna be

716

00:27:41,190 --> 00:27:38,480

stuck anymore

717

00:27:42,149 --> 00:27:41,200

so that's really good the nine of um the

718

00:27:44,230 --> 00:27:42,159

aid of uh

719

00:27:45,830 --> 00:27:44,240

swords here you know not feeling stuck

720

00:27:47,750 --> 00:27:45,840

being able to see clearly so

721

00:27:49,590 --> 00:27:47,760

in the beginning you felt like this but

722

00:27:50,230 --> 00:27:49,600

soon you're gonna feel like you're not

723

00:27:53,590 --> 00:27:50,240

as

724

00:27:54,230 --> 00:27:53,600

clearly the way that you're looking at

725

00:27:56,230 --> 00:27:54,240

things

726

00:27:57,269 --> 00:27:56,240

and i see you manifesting more abundance

727

00:28:00,470 --> 00:27:57,279

when it comes to

728

00:28:02,230 --> 00:28:00,480

your crypto so continue to manifest

729

00:28:04,470 --> 00:28:02,240

continue to move forward

730

00:28:05,430 --> 00:28:04,480

with your cryptocurrencies because it's

731

00:28:07,669 --> 00:28:05,440

going to make you a

732

00:28:08,710 --> 00:28:07,679

very very wealthy man i feel that

733

00:28:11,350 --> 00:28:08,720

heavily with you

734

00:28:12,710 --> 00:28:11,360

um and i think you know this i think we

735

00:28:14,630 --> 00:28:12,720

kind of talked about this

736

00:28:16,149 --> 00:28:14,640

you and i think you didn't have a rating

737

00:28:19,190 --> 00:28:16,159

with me a while back

738

00:28:21,590 --> 00:28:19,200

but um well

739

00:28:22,630 --> 00:28:21,600

cars are just flying today adjustments

740

00:28:24,549 --> 00:28:22,640

are required

741

00:28:25,830 --> 00:28:24,559

so you just need to think about how

742

00:28:28,549 --> 00:28:25,840

you're um

743

00:28:30,310 --> 00:28:28,559

you know looking at your cryptos um you

744

00:28:32,149 --> 00:28:30,320

know make a strategic plan

745

00:28:33,909 --> 00:28:32,159

it's asking too don't do just free

746

00:28:37,110 --> 00:28:33,919

willy-nilly try to

747

00:28:39,029 --> 00:28:37,120

find um someone that you can um

748

00:28:40,710 --> 00:28:39,039

find more information about the cryptos

749

00:28:43,750 --> 00:28:40,720

you're inquiring about

750

00:28:45,909 --> 00:28:43,760

um also to again have a game plan

751

00:28:47,029 --> 00:28:45,919

also you got the confidence is your key

752

00:28:48,630 --> 00:28:47,039

to success

753

00:28:50,630 --> 00:28:48,640

know that you can reap abundance know

754

00:28:52,789 --> 00:28:50,640

that you can actually achieve your goals

755

00:28:54,950 --> 00:28:52,799

i definitely do see that for sure and

756

00:28:57,350 --> 00:28:54,960

also step out of your comfort zone

757

00:28:57,990 --> 00:28:57,360

as another card that came up for you and

758

00:28:59,669 --> 00:28:58,000

then

759

00:29:01,029 --> 00:28:59,679

have faith in your dreams so yeah just

760

00:29:03,110 --> 00:29:01,039

have faith that things are definitely

761

00:29:05,909 --> 00:29:03,120

going to flourish when it comes to

762

00:29:07,110 --> 00:29:05,919

your crypto along with the answers and

763

00:29:09,590 --> 00:29:07,120

conclusions

764

00:29:11,190 --> 00:29:09,600

are within reach so just be patient

765

00:29:12,870 --> 00:29:11,200

don't make any crazy moves

766

00:29:14,789 --> 00:29:12,880

you'll be all right so i hope that helps

767

00:29:18,230 --> 00:29:14,799

you blind dave

768

00:29:19,669 --> 00:29:18,240

nice and then the next one all-around

769

00:29:22,070 --> 00:29:19,679

arbiter is here

770

00:29:23,269 --> 00:29:22,080

shout out to all around arbiter who is

771

00:29:26,630 --> 00:29:23,279

sagittarius

772

00:29:27,430 --> 00:29:26,640

and says i want to know how the visit to

773

00:29:52,830 --> 00:29:27,440

my dad

774

00:29:52,840 --> 00:29:55,909

0606

775

00:29:55,919 --> 00:30:04,950

still a lot of sexy

776

00:30:09,750 --> 00:30:08,230

oh okay so i see

777

00:30:12,710 --> 00:30:09,760

you definitely made that decision to go

778

00:30:16,070 --> 00:30:12,720

to see your dad um in july

779

00:30:20,230 --> 00:30:16,080

um i also see that with this situation

780

00:30:22,149 --> 00:30:20,240

too that you need to put your guard down

781

00:30:23,430 --> 00:30:22,159

because i feel like when it comes to

782

00:30:26,470 --> 00:30:23,440

your father

783

00:30:29,669 --> 00:30:26,480

um there's some situations with him that

784

00:30:31,110 --> 00:30:29,679

you still haven't healed just yet um but

785

00:30:31,909 --> 00:30:31,120

i see that you're definitely working on

786

00:30:33,590 --> 00:30:31,919

that though

787

00:30:35,669 --> 00:30:33,600

so i feel like it's gonna go good you

788

00:30:36,789 --> 00:30:35,679

just have to to be more open and

789

00:30:39,990 --> 00:30:36,799

receptive

790

00:30:42,389 --> 00:30:40,000

to um the way that you are with your dad

791

00:30:44,070 --> 00:30:42,399

but i definitely see you working um

792

00:30:44,549 --> 00:30:44,080

towards that for sure because this is

793

00:30:48,870 --> 00:30:44,559

the

794

00:30:50,149 --> 00:30:48,880

pentacles so it's going to be very good

795

00:30:51,990 --> 00:30:50,159

i i feel like it's going to be an

796

00:30:53,510 --> 00:30:52,000

amazing time for you

797

00:30:55,190 --> 00:30:53,520

and this definitely is a new beginning

798

00:30:57,590 --> 00:30:55,200

in the way that you're thinking

799

00:30:59,590 --> 00:30:57,600

or how you're viewing your father when

800

00:31:00,230 --> 00:30:59,600

you meet him and you see him in july

801
00:31:01,830 --> 00:31:00,240
when you

802
00:31:03,750 --> 00:31:01,840
go visit him i feel like there's going

803
00:31:06,149 --> 00:31:03,760
to be a new found

804
00:31:07,110 --> 00:31:06,159
respect for him i feel that heavily like

805
00:31:09,190 --> 00:31:07,120
you're gonna feel

806
00:31:10,950 --> 00:31:09,200
so much better that you did make this

807
00:31:12,310 --> 00:31:10,960
trip i see that your heart's gonna be

808
00:31:13,669 --> 00:31:12,320
healed as well and you're not gonna feel

809
00:31:15,269 --> 00:31:13,679
like you're going back and forth with

810
00:31:17,750 --> 00:31:15,279
the decisions with your father

811
00:31:19,830 --> 00:31:17,760
so very very positive i think don't

812
00:31:22,710 --> 00:31:19,840
overthink it though don't overthink

813
00:31:23,590 --> 00:31:22,720

don't over um or don't feel like things

814

00:31:25,190 --> 00:31:23,600

are not going to go well but

815

00:31:26,950 --> 00:31:25,200

because i feel like they are and i feel

816

00:31:29,110 --> 00:31:26,960

like you're you've done a lot of work on

817

00:31:32,230 --> 00:31:29,120

yourself recently

818

00:31:34,870 --> 00:31:32,240

so that's what is what's up

819

00:31:37,190 --> 00:31:34,880

okay so show the world the real you so

820

00:31:39,430 --> 00:31:37,200

this really just describes like

821

00:31:41,590 --> 00:31:39,440

don't be afraid to be yourself with

822

00:31:44,149 --> 00:31:41,600

other people even including your father

823

00:31:45,509 --> 00:31:44,159

so just be kind to yourself be gentle

824

00:31:48,070 --> 00:31:45,519

for to yourself

825

00:31:48,870 --> 00:31:48,080

and also to we have expect a powerful

826

00:31:50,230 --> 00:31:48,880

change so

827

00:31:51,909 --> 00:31:50,240

the relationship with your father is

828

00:31:54,230 --> 00:31:51,919

definitely going to be changing

829

00:31:55,990 --> 00:31:54,240

um the way that things were in the past

830

00:31:57,750 --> 00:31:56,000

is in the past now

831

00:31:58,870 --> 00:31:57,760

and know that when you see him again

832

00:31:59,430 --> 00:31:58,880

that things are definitely going to

833

00:32:02,070 --> 00:31:59,440

change

834

00:32:03,029 --> 00:32:02,080

for the better so i do hope that helps i

835

00:32:08,070 --> 00:32:03,039

hope that helps you

836

00:32:16,230 --> 00:32:12,389

okay let's find a next victim i mean

837

00:32:18,470 --> 00:32:16,240

the next victim well considering that

838

00:32:20,389 --> 00:32:18,480

future that you told me about i don't

839

00:32:23,669 --> 00:32:20,399

think i want a reading from you

840

00:32:25,350 --> 00:32:23,679

again lady you scared me

841

00:32:27,029 --> 00:32:25,360

i'm not trying to scare people is this

842

00:32:28,870 --> 00:32:27,039

it's honestly like this would be like

843

00:32:30,950 --> 00:32:28,880

wait we should be like david wilcock we

844

00:32:34,470 --> 00:32:30,960

got to tell everybody even the trolls

845

00:32:37,509 --> 00:32:34,480

just buy some rice because i

846

00:32:40,549 --> 00:32:37,519

just buy some rice okay you trolls

847

00:32:42,149 --> 00:32:40,559

oh my god i mean look

848

00:32:43,990 --> 00:32:42,159

things can change in a heartbeat but

849

00:32:45,110 --> 00:32:44,000

right now we're literally going through

850

00:32:48,549 --> 00:32:45,120

really hard

851
00:32:50,870 --> 00:32:48,559
hard situations so i think that um

852
00:32:51,830 --> 00:32:50,880
you know as long as you are prepared i

853
00:32:54,950 --> 00:32:51,840
mean i'm prepared

854
00:32:55,430 --> 00:32:54,960
i make sure that i've been just piling

855
00:33:01,190 --> 00:32:55,440
food

856
00:33:03,590 --> 00:33:01,200
got quite a collection at the cabinet

857
00:33:05,269 --> 00:33:03,600
just never know you know and i have even

858
00:33:05,750 --> 00:33:05,279
some of that prepper food that comes in

859
00:33:08,950 --> 00:33:05,760
buckets

860
00:33:10,070 --> 00:33:08,960
oh you do dehydrated or i don't know if

861
00:33:14,870 --> 00:33:10,080
it's

862
00:33:17,909 --> 00:33:14,880
good for three years in the bucket

863
00:33:20,470 --> 00:33:17,919

yeah you know yeah yeah yeah

864

00:33:21,430 --> 00:33:20,480

i don't want to be hungry and it sucks

865

00:33:24,389 --> 00:33:21,440

too hungry

866

00:33:26,149 --> 00:33:24,399

yeah all right truth seekers andrew

867

00:33:28,630 --> 00:33:26,159

whitley is here and says i bought a game

868

00:33:31,909 --> 00:33:28,640

last week and it came with random tarot

869

00:33:33,430 --> 00:33:31,919

card uh i got the fool well that's not

870

00:33:35,190 --> 00:33:33,440

good

871

00:33:38,310 --> 00:33:35,200

but he wants to know how will i do with

872

00:33:42,389 --> 00:33:38,320

my art and music this year

873

00:33:45,110 --> 00:33:42,399

long question well okay so two things

874

00:33:45,990 --> 00:33:45,120

with the fool you know when you pull up

875

00:33:48,230 --> 00:33:46,000

the full

876

00:33:49,830 --> 00:33:48,240

it represents a new beginning but it

877

00:33:52,789 --> 00:33:49,840

also represents

878

00:33:53,990 --> 00:33:52,799

this unawareness of this new beginning

879

00:33:55,830 --> 00:33:54,000

and

880

00:33:58,070 --> 00:33:55,840

again being the full right not not

881

00:34:00,470 --> 00:33:58,080

really seeing things for what they are

882

00:34:02,149 --> 00:34:00,480

kind of just going in blindsided so

883

00:34:03,750 --> 00:34:02,159

that's usually what it represents but a

884

00:34:04,789 --> 00:34:03,760

lot of people like to say like oh it's

885

00:34:07,830 --> 00:34:04,799

like uh

886

00:34:09,190 --> 00:34:07,840

you know i guess

887

00:34:10,869 --> 00:34:09,200

it's trying to have a new beginning but

888

00:34:13,109 --> 00:34:10,879

in reality it just represents that

889

00:34:15,190 --> 00:34:13,119

you're going into something blindsided

890

00:34:16,550 --> 00:34:15,200

so you want to just be careful on what

891

00:34:20,710 --> 00:34:16,560

happens but

892

00:34:27,109 --> 00:34:20,720

we'll go ahead and pull some cards here

893

00:34:32,230 --> 00:34:30,310

so i see that you are

894

00:34:33,430 --> 00:34:32,240

definitely healed from whatever you've

895

00:34:35,750 --> 00:34:33,440

gone through in the past

896

00:34:37,669 --> 00:34:35,760

regarding your heart um there's some

897

00:34:38,950 --> 00:34:37,679

sadness or disappointment possibly from

898

00:34:41,109 --> 00:34:38,960

the past that is now

899

00:34:42,550 --> 00:34:41,119

being cleared away however there's still

900

00:34:45,829 --> 00:34:42,560

some feeling of

901
00:34:46,710 --> 00:34:45,839
um worrying and and feeling abandoned or

902
00:34:50,470 --> 00:34:46,720
feeling like

903
00:34:52,790 --> 00:34:50,480
fit are failing

904
00:34:54,310 --> 00:34:52,800
this is this is the current energy of

905
00:34:56,470 --> 00:34:54,320
what the cards are telling me

906
00:34:58,470 --> 00:34:56,480
um in regards to what is it that you're

907
00:34:59,990 --> 00:34:58,480
trying to seek as far as your music

908
00:35:01,829 --> 00:35:00,000
there's gonna be awesome times let me

909
00:35:03,589 --> 00:35:01,839
tell you um you're gonna be celebrating

910
00:35:04,390 --> 00:35:03,599
a lot when it comes to your music and

911
00:35:06,230 --> 00:35:04,400
your arts

912
00:35:07,670 --> 00:35:06,240
i definitely see that but from the past

913
00:35:09,349 --> 00:35:07,680

i can tell that like

914

00:35:11,670 --> 00:35:09,359

you were definitely going through a lot

915

00:35:12,150 --> 00:35:11,680

with this feeling worried and feeling

916

00:35:13,750 --> 00:35:12,160

like

917

00:35:15,430 --> 00:35:13,760

people don't have your back or feeling

918

00:35:16,630 --> 00:35:15,440

isolated not having the connection that

919

00:35:18,550 --> 00:35:16,640

you're seeking

920

00:35:19,750 --> 00:35:18,560

um but i do see that things are gonna

921

00:35:23,750 --> 00:35:19,760

start changing around

922

00:35:25,190 --> 00:35:23,760

um very soon i also say that you're not

923

00:35:27,270 --> 00:35:25,200

overthinking anymore

924

00:35:28,310 --> 00:35:27,280

i see that you're definitely um using

925

00:35:31,190 --> 00:35:28,320

more discernment

926

00:35:32,390 --> 00:35:31,200

and not overly in your mind constantly

927

00:35:33,990 --> 00:35:32,400

having to like

928

00:35:35,349 --> 00:35:34,000

uh analyze everything and i don't see

929

00:35:36,710 --> 00:35:35,359

that happening anymore i see that you're

930

00:35:38,069 --> 00:35:36,720

definitely going to have a clear

931

00:35:39,670 --> 00:35:38,079

viewpoint in the way that you're going

932

00:35:40,630 --> 00:35:39,680

to be doing your music

933

00:35:43,030 --> 00:35:40,640

i also see that you're going to be

934

00:35:45,349 --> 00:35:43,040

balancing yourself out in the situation

935

00:35:46,150 --> 00:35:45,359

so continue doing your music i'm also

936

00:35:49,910 --> 00:35:46,160

picking up

937

00:35:51,430 --> 00:35:49,920

that you're it's like you're very like

938

00:35:53,349 --> 00:35:51,440

with your hands i'm noticing like you're

939

00:35:53,670 --> 00:35:53,359

with your hands creating like whether

940

00:35:56,550 --> 00:35:53,680

it's

941

00:35:57,910 --> 00:35:56,560

music or just simply writing music or

942

00:35:58,710 --> 00:35:57,920

just something i just see you kind of

943

00:36:00,630 --> 00:35:58,720

like focusing

944

00:36:02,150 --> 00:36:00,640

really hard on what is it you're doing

945

00:36:03,510 --> 00:36:02,160

and sometimes there's late nights

946

00:36:05,670 --> 00:36:03,520

but you appreciate those late nights

947

00:36:06,710 --> 00:36:05,680

because you experience a lot of um

948

00:36:09,349 --> 00:36:06,720

creativity

949

00:36:10,390 --> 00:36:09,359

um around you know night time i also see

950

00:36:11,910 --> 00:36:10,400

that there's gonna be things that you're

951
00:36:13,910 --> 00:36:11,920
gonna be cutting out of your life that

952
00:36:16,069 --> 00:36:13,920
aren't working for you no longer so

953
00:36:17,349 --> 00:36:16,079
i definitely feel like uh you know in

954
00:36:18,710 --> 00:36:17,359
the next couple of months you're going

955
00:36:20,870 --> 00:36:18,720
to be clearing away

956
00:36:22,310 --> 00:36:20,880
what does it serve you so that when you

957
00:36:25,190 --> 00:36:22,320
come into your

958
00:36:26,470 --> 00:36:25,200
true passion um you know it's crystal

959
00:36:36,310 --> 00:36:26,480
clear so let's see what the

960
00:36:43,190 --> 00:36:40,150
whoa meditating contemplate

961
00:36:44,150 --> 00:36:43,200
so you need to take time to um go within

962
00:36:46,630 --> 00:36:44,160
yourself

963
00:36:47,750 --> 00:36:46,640

and also balance your ego and your

964

00:36:49,270 --> 00:36:47,760

higher self

965

00:36:50,710 --> 00:36:49,280

so there's sometimes where your ego will

966

00:36:51,910 --> 00:36:50,720

like to come and step in the way and

967

00:36:53,270 --> 00:36:51,920

tell you you can't achieve

968

00:36:54,950 --> 00:36:53,280

your goals or you can't do what it is

969

00:36:56,390 --> 00:36:54,960

that you're trying to do but i think

970

00:36:57,910 --> 00:36:56,400

that's just all the mind right that's

971

00:36:59,349 --> 00:36:57,920

all just inner conflicts

972

00:37:01,190 --> 00:36:59,359

but i feel like when you start to kind

973

00:37:02,870 --> 00:37:01,200

of go within and i'm not saying like oh

974

00:37:04,230 --> 00:37:02,880

you need to meditate 24 7.

975

00:37:05,910 --> 00:37:04,240

if anything i think whatever i've

976

00:37:07,349 --> 00:37:05,920

learned personally is that meditation

977

00:37:09,670 --> 00:37:07,359

should be all the time

978

00:37:10,710 --> 00:37:09,680

um which which means in reality is

979

00:37:12,870 --> 00:37:10,720

connecting with

980

00:37:13,829 --> 00:37:12,880

you you know because you have gone with

981

00:37:15,990 --> 00:37:13,839

god within you

982

00:37:17,270 --> 00:37:16,000

if you believe in god um because i know

983

00:37:19,270 --> 00:37:17,280

a lot of people don't but

984

00:37:21,190 --> 00:37:19,280

you know just connecting with yourself i

985

00:37:23,109 --> 00:37:21,200

think will do wonders for you and also

986

00:37:23,670 --> 00:37:23,119

look is on your side when it comes to

987

00:37:26,870 --> 00:37:23,680

music

988

00:37:30,710 --> 00:37:29,990

i'm sorry that's okay nothing's on your

989

00:37:34,790 --> 00:37:30,720

side that's

990

00:37:36,630 --> 00:37:34,800

we'll see that's better than apocalypse

991

00:37:38,790 --> 00:37:36,640

it's gonna be look like i said it's

992

00:37:41,030 --> 00:37:38,800

gonna be very interesting

993

00:37:42,710 --> 00:37:41,040

um some people may feel the effects from

994

00:37:44,069 --> 00:37:42,720

it some people may not but i know that

995

00:37:45,430 --> 00:37:44,079

people are gonna be like oh [h__\h] what's

996

00:37:47,349 --> 00:37:45,440

going on you know

997

00:37:48,550 --> 00:37:47,359

yeah i wanna i wanna address some

998

00:37:51,670 --> 00:37:48,560

questions

999

00:37:55,190 --> 00:37:51,680

don craig's sorry we challenge

1000

00:37:58,069 --> 00:37:55,200

ufology uh yet by this crap

1001
00:37:59,349 --> 00:37:58,079
wtf and uh you know listen uh some

1002
00:38:02,630 --> 00:37:59,359
people wanted me to have

1003
00:38:05,750 --> 00:38:02,640
psychics or tarot card readers here

1004
00:38:08,630 --> 00:38:05,760
or as guests and uh you know

1005
00:38:09,829 --> 00:38:08,640
uh so we're trying some new things i

1006
00:38:13,190 --> 00:38:09,839
don't know

1007
00:38:16,630 --> 00:38:13,200
terriers are like these like

1008
00:38:20,790 --> 00:38:16,640
weird looking old um

1009
00:38:21,670 --> 00:38:20,800
gypsy you know what i mean like it has

1010
00:38:24,310 --> 00:38:21,680
such a bad

1011
00:38:26,310 --> 00:38:24,320
rap and honestly like if you really

1012
00:38:28,630 --> 00:38:26,320
understand the art of tarot and

1013
00:38:30,870 --> 00:38:28,640

understand that these are just tools

1014

00:38:31,990 --> 00:38:30,880

that are that are being used to help you

1015

00:38:33,990 --> 00:38:32,000

navigate

1016

00:38:35,190 --> 00:38:34,000

through times in your life where you

1017

00:38:36,790 --> 00:38:35,200

can't see clear

1018

00:38:38,230 --> 00:38:36,800

and that's why i tell everyone that gets

1019

00:38:38,870 --> 00:38:38,240

a reading from me you know like take

1020

00:38:40,230 --> 00:38:38,880

this

1021

00:38:41,750 --> 00:38:40,240

not like as a grain of salt but just

1022

00:38:43,030 --> 00:38:41,760

take this as a guide or as a tool

1023

00:38:44,390 --> 00:38:43,040

because at the end of the day

1024

00:38:46,310 --> 00:38:44,400

everyone has free will to do whatever

1025

00:38:48,390 --> 00:38:46,320

they want things can change just like

1026

00:38:50,230 --> 00:38:48,400

that you know what i mean so

1027

00:38:51,910 --> 00:38:50,240

that's how i i put it so if people are

1028

00:38:53,589 --> 00:38:51,920

want to hate let them hate because

1029

00:38:56,470 --> 00:38:53,599

they're just giving you more views so

1030

00:38:56,950 --> 00:38:56,480

whatever well no you know listen uh you

1031

00:38:59,990 --> 00:38:56,960

know i

1032

00:39:01,750 --> 00:39:00,000

i i've been interested in tarot cards my

1033

00:39:02,470 --> 00:39:01,760

whole life i've read tarot cards for a

1034

00:39:06,230 --> 00:39:02,480

time

1035

00:39:07,349 --> 00:39:06,240

yeah so you know just kind of i invite

1036

00:39:09,670 --> 00:39:07,359

people to talk about

1037

00:39:10,870 --> 00:39:09,680

things i'm interested in here so yeah

1038

00:39:15,670 --> 00:39:10,880

it's your show

1039

00:39:17,510 --> 00:39:15,680

yeah yeah it is my show

1040

00:39:19,270 --> 00:39:17,520

i don't want anybody to be upset or

1041

00:39:21,270 --> 00:39:19,280

unhappy with the content but

1042

00:39:23,030 --> 00:39:21,280

you guys have to realize that you can't

1043

00:39:24,630 --> 00:39:23,040

you can't please everybody in the

1044

00:39:27,030 --> 00:39:24,640

audience some people in our

1045

00:39:29,190 --> 00:39:27,040

see we have a good crowd here because we

1046

00:39:30,870 --> 00:39:29,200

have some people in the audience

1047

00:39:32,790 --> 00:39:30,880

in this audience that are hardened

1048

00:39:35,829 --> 00:39:32,800

skeptics about everything

1049

00:39:39,750 --> 00:39:35,839

about everything from like jfk

1050

00:39:41,270 --> 00:39:39,760

to 911 to you know bigfoot and ufos

1051
00:39:42,630 --> 00:39:41,280
they're very skeptical

1052
00:39:45,190 --> 00:39:42,640
and then we have some skeptical

1053
00:39:47,750 --> 00:39:45,200
believers that just don't accept

1054
00:39:49,430 --> 00:39:47,760
you know fairy tales they want research

1055
00:39:50,950 --> 00:39:49,440
and evidence but they want to believe

1056
00:39:53,670 --> 00:39:50,960
and then we have

1057
00:39:54,710 --> 00:39:53,680
i guess a small percentage of very woo

1058
00:39:56,630 --> 00:39:54,720
people that believe

1059
00:39:58,150 --> 00:39:56,640
all this stuff i believe tarot cards and

1060
00:40:00,870 --> 00:39:58,160
psychics and empaths and

1061
00:40:03,430 --> 00:40:00,880
you know super soldiers and you know so

1062
00:40:04,870 --> 00:40:03,440
we have a huge mix here on our show

1063
00:40:06,470 --> 00:40:04,880

we're not always going to please every

1064

00:40:08,950 --> 00:40:06,480

one of them so i

1065

00:40:10,230 --> 00:40:08,960

do my best up here and it's nice enough

1066

00:40:11,829 --> 00:40:10,240

to come here

1067

00:40:14,069 --> 00:40:11,839

i try to get some other psychics but

1068

00:40:14,950 --> 00:40:14,079

that other dude gets them all what's his

1069

00:40:16,630 --> 00:40:14,960

name

1070

00:40:18,230 --> 00:40:16,640

i mean if you're interested i do have

1071

00:40:20,470 --> 00:40:18,240

other people that yeah

1072

00:40:22,309 --> 00:40:20,480

yeah i would do a few other people sure

1073

00:40:23,109 --> 00:40:22,319

yeah i have people that i can recommend

1074

00:40:26,470 --> 00:40:23,119

you for sure

1075

00:40:28,870 --> 00:40:26,480

that um that are pretty pretty good so

1076

00:40:29,670 --> 00:40:28,880

you know if you want to diverse with

1077

00:40:31,670 --> 00:40:29,680

with tarot

1078

00:40:32,870 --> 00:40:31,680

for sure i'll let them know that you

1079

00:40:35,349 --> 00:40:32,880

know what the one other thing i

1080

00:40:36,309 --> 00:40:35,359

i guess i should mention is that like i

1081

00:40:38,950 --> 00:40:36,319

i listen to

1082

00:40:41,030 --> 00:40:38,960

a bunch of different podcasts and and

1083

00:40:43,109 --> 00:40:41,040

this is just my way of doing it if i

1084

00:40:45,829 --> 00:40:43,119

tune into this podcast that i

1085

00:40:47,589 --> 00:40:45,839

generally listen to a good deal of time

1086

00:40:49,109 --> 00:40:47,599

and he's talking about a subject or has

1087

00:40:51,190 --> 00:40:49,119

a guest talking about a subject that i

1088

00:40:54,470 --> 00:40:51,200

don't like i just tune it off i don't

1089

00:40:55,990 --> 00:40:54,480

you know right it's always that option

1090

00:40:57,910 --> 00:40:56,000

and please do come back when we're

1091

00:40:59,990 --> 00:40:57,920

talking about something if you don't dig

1092

00:41:01,510 --> 00:41:00,000

this then please you know

1093

00:41:02,950 --> 00:41:01,520

respond accordingly but come back when

1094

00:41:03,829 --> 00:41:02,960

we are talking about something i'm sure

1095

00:41:06,710 --> 00:41:03,839

they'll be

1096

00:41:07,589 --> 00:41:06,720

a short period of time and yvonne is

1097

00:41:09,430 --> 00:41:07,599

here

1098

00:41:11,750 --> 00:41:09,440

new to the live chat you are both

1099

00:41:14,309 --> 00:41:11,760

welcome here a new subscriber

1100

00:41:16,630 --> 00:41:14,319

so that is good uh and this is a good

1101
00:41:17,750 --> 00:41:16,640
question she even knows the dude she's

1102
00:41:28,770 --> 00:41:17,760
interested in

1103
00:41:35,030 --> 00:41:31,670
[Music]

1104
00:41:36,550 --> 00:41:35,040
okay it's always fightier when there's

1105
00:41:40,550 --> 00:41:36,560
love interests involved

1106
00:41:46,230 --> 00:41:42,150
yes you could add that to it too right

1107
00:41:50,069 --> 00:41:49,109
oh my god that's so funny wow everyone's

1108
00:41:54,820 --> 00:41:50,079
getting this car

1109
00:41:54,830 --> 00:41:59,910
[Music]

1110
00:42:07,109 --> 00:42:01,270
you're very curious about this person

1111
00:42:13,510 --> 00:42:11,430
okay and mind you i'm actually using the

1112
00:42:16,470 --> 00:42:13,520
original tarot deck

1113
00:42:16,950 --> 00:42:16,480

so this is like the og of the og tarot

1114

00:42:18,470 --> 00:42:16,960

deck

1115

00:42:20,550 --> 00:42:18,480

so if you guys don't know who ryder

1116

00:42:22,150 --> 00:42:20,560

white is i definitely

1117

00:42:23,670 --> 00:42:22,160

suggest you check if you're interested

1118

00:42:25,349 --> 00:42:23,680

in doing this yourself

1119

00:42:26,550 --> 00:42:25,359

this is the first car first deck you

1120

00:42:27,349 --> 00:42:26,560

should start off with because it's the

1121

00:42:28,950 --> 00:42:27,359

original one

1122

00:42:30,309 --> 00:42:28,960

because if you start doing other decks

1123

00:42:35,589 --> 00:42:30,319

it's like kind of gets confusing for

1124

00:42:42,950 --> 00:42:39,829

oh a lot of cards came out girlfriend so

1125

00:42:44,950 --> 00:42:42,960

all right so oh

1126

00:42:46,630 --> 00:42:44,960

okay i don't want to scare you and i'm

1127

00:42:48,230 --> 00:42:46,640

not gonna scare you because

1128

00:42:50,390 --> 00:42:48,240

this is just what it is right now what's

1129

00:42:52,390 --> 00:42:50,400

coming out so right now

1130

00:42:53,430 --> 00:42:52,400

i definitely don't see that he feels

1131

00:42:56,870 --> 00:42:53,440

stuck with you i

1132

00:42:59,589 --> 00:42:56,880

but i do feel like he's kind of sort of

1133

00:43:00,550 --> 00:42:59,599

just uh entertaining this negativity

1134

00:43:04,150 --> 00:43:00,560

because the devil

1135

00:43:05,670 --> 00:43:04,160

is here uh the devil cards here and

1136

00:43:07,910 --> 00:43:05,680

usually when the democrat is here

1137

00:43:09,750 --> 00:43:07,920

is when they're thinking uh negative

1138

00:43:11,270 --> 00:43:09,760

thoughts or negative traits about them

1139

00:43:12,950 --> 00:43:11,280

that they're still dealing with

1140

00:43:14,470 --> 00:43:12,960

um in the past he felt like he didn't

1141

00:43:16,309 --> 00:43:14,480

have a chance with you

1142

00:43:17,990 --> 00:43:16,319

uh not moving forward there could have

1143

00:43:20,230 --> 00:43:18,000

been like a kind of a

1144

00:43:21,829 --> 00:43:20,240

an issue with you two in the past where

1145

00:43:23,349 --> 00:43:21,839

you guys probably weren't getting along

1146

00:43:24,790 --> 00:43:23,359

or something like that but i definitely

1147

00:43:27,510 --> 00:43:24,800

feel like because it's

1148

00:43:29,190 --> 00:43:27,520

this way um you know i feel like he did

1149

00:43:30,550 --> 00:43:29,200

take the opportunity with you i think

1150

00:43:33,030 --> 00:43:30,560

this is from the past

1151
00:43:33,670 --> 00:43:33,040
for sure um with whatever he was dealing

1152
00:43:36,069 --> 00:43:33,680
with

1153
00:43:36,950 --> 00:43:36,079
um he's also leaving his exes behind him

1154
00:43:39,910 --> 00:43:36,960
so that's

1155
00:43:41,270 --> 00:43:39,920
obviously a good sign right so women

1156
00:43:41,990 --> 00:43:41,280
from the past that he was dealing with

1157
00:43:43,910 --> 00:43:42,000
is no longer

1158
00:43:45,270 --> 00:43:43,920
haunting him or he's no longer dealing

1159
00:43:48,309 --> 00:43:45,280
with that aspect

1160
00:43:50,390 --> 00:43:48,319
however i see that he's not really or

1161
00:43:51,829 --> 00:43:50,400
either could be you that you're not

1162
00:43:54,710 --> 00:43:51,839
emotionally available

1163
00:43:56,069 --> 00:43:54,720

right now so there's some type of um

1164

00:43:57,750 --> 00:43:56,079

this connection going

1165

00:43:59,670 --> 00:43:57,760

on right now or it could just be that

1166

00:44:01,430 --> 00:43:59,680

right now he's going through something

1167

00:44:03,670 --> 00:44:01,440

um he didn't obviously walk away from

1168

00:44:06,470 --> 00:44:03,680

you ju while the devil comes out again

1169

00:44:07,190 --> 00:44:06,480

i'm guessing you got the devil before so

1170

00:44:11,670 --> 00:44:07,200

um

1171

00:44:13,109 --> 00:44:11,680

really walking out so this is a six of

1172

00:44:16,390 --> 00:44:13,119

uh swords in reverse

1173

00:44:19,109 --> 00:44:16,400

i see him he's still staying along but

1174

00:44:20,630 --> 00:44:19,119

there's not an opportunity just yet with

1175

00:44:23,030 --> 00:44:20,640

um

1176

00:44:23,990 --> 00:44:23,040

you know with himself filling his own

1177

00:44:27,190 --> 00:44:24,000

cup he's having

1178

00:44:30,230 --> 00:44:27,200

issues with himself and it's kind of

1179

00:44:31,190 --> 00:44:30,240

radiating outwards into your guys's um

1180

00:44:33,910 --> 00:44:31,200

situation

1181

00:44:34,710 --> 00:44:33,920

where that is why you're in question as

1182

00:44:36,470 --> 00:44:34,720

far as like

1183

00:44:38,309 --> 00:44:36,480

what's going on with him how does he

1184

00:44:40,710 --> 00:44:38,319

feel about me because you i see you

1185

00:44:42,870 --> 00:44:40,720

really thinking about it

1186

00:44:44,950 --> 00:44:42,880

there's a little playback a little bit i

1187

00:44:48,150 --> 00:44:44,960

don't know if it's on your end

1188

00:44:49,589 --> 00:44:48,160

no i'm sorry i don't know that was weird

1189

00:44:51,270 --> 00:44:49,599

but it happens from time to time i guess

1190

00:44:54,470 --> 00:44:51,280

but i like your mic though by the way

1191

00:44:56,870 --> 00:44:54,480

maybe it's the aliens maybe it's aliens

1192

00:44:59,109 --> 00:44:56,880

penetrating and just i don't know trying

1193

00:45:02,150 --> 00:44:59,119

to disrupt alive who knows

1194

00:45:03,829 --> 00:45:02,160

but um the queen of uh you know cups you

1195

00:45:05,510 --> 00:45:03,839

know just understanding that you're

1196

00:45:07,430 --> 00:45:05,520

really deep in emotion right now with

1197

00:45:09,430 --> 00:45:07,440

the situation you're like

1198

00:45:10,630 --> 00:45:09,440

really honing in and what i'm getting to

1199

00:45:11,829 --> 00:45:10,640

is that you need to use your intuition

1200

00:45:13,510 --> 00:45:11,839

this is the back of the deck i want to

1201

00:45:16,390 --> 00:45:13,520

show you this this is you

1202

00:45:16,950 --> 00:45:16,400

because you're very intuitive um and i

1203

00:45:19,190 --> 00:45:16,960

feel like

1204

00:45:20,950 --> 00:45:19,200

you need to go within yourself you need

1205

00:45:22,230 --> 00:45:20,960

to start going within to work with the

1206

00:45:25,510 --> 00:45:22,240

energies because

1207

00:45:27,030 --> 00:45:25,520

remember you know when we have uh

1208

00:45:28,710 --> 00:45:27,040

fallouts with the people that we were

1209

00:45:31,109 --> 00:45:28,720

with or whatever

1210

00:45:31,990 --> 00:45:31,119

a lot of that is because internally

1211

00:45:33,750 --> 00:45:32,000

we're going through

1212

00:45:36,150 --> 00:45:33,760

something that we're mirroring because

1213

00:45:38,150 --> 00:45:36,160

we like to we mirror our relationships

1214

00:45:40,390 --> 00:45:38,160

uh so when we mirror our relationship

1215

00:45:42,150 --> 00:45:40,400

sometimes it plays out in our in

1216

00:45:43,349 --> 00:45:42,160

in each other and we're just like why is

1217

00:45:44,550 --> 00:45:43,359

this person doing this well look at

1218

00:45:46,150 --> 00:45:44,560

yourself first

1219

00:45:47,990 --> 00:45:46,160

before you point that finger at another

1220

00:45:49,670 --> 00:45:48,000

person and figure out what you're doing

1221

00:45:52,230 --> 00:45:49,680

that's causing this

1222

00:45:54,309 --> 00:45:52,240

uh distance between this individual or

1223

00:45:55,430 --> 00:45:54,319

our chaos or whatever conflict between

1224

00:45:58,710 --> 00:45:55,440

this individual

1225

00:46:02,150 --> 00:45:58,720

i'm gonna pull a oracle for you

1226

00:46:03,190 --> 00:46:02,160

the new moon okay so far climax

1227

00:46:05,829 --> 00:46:03,200

approaches

1228

00:46:06,790 --> 00:46:05,839

well that's nice so there is going to be

1229

00:46:09,990 --> 00:46:06,800

um truths

1230

00:46:11,270 --> 00:46:10,000

in this situation with this new moon i

1231

00:46:12,710 --> 00:46:11,280

definitely feel like you're going to get

1232

00:46:14,870 --> 00:46:12,720

the answers you're seeking

1233

00:46:15,990 --> 00:46:14,880

and also that you are good enough so

1234

00:46:17,910 --> 00:46:16,000

definitely don't

1235

00:46:19,829 --> 00:46:17,920

uh feel like you're not because you need

1236

00:46:22,870 --> 00:46:19,839

to bring that confidence to the table

1237

00:46:24,790 --> 00:46:22,880

and you are you are it girlfriend

1238

00:46:26,390 --> 00:46:24,800

if this person doesn't like you there's

1239

00:46:28,150 --> 00:46:26,400

plenty of other fish in the sea

1240

00:46:30,710 --> 00:46:28,160

but know that you are good enough so i

1241

00:46:35,349 --> 00:46:30,720

hope that this helped you

1242

00:46:38,390 --> 00:46:37,430

anybody who wants a uh reading please

1243

00:46:42,230 --> 00:46:38,400

put your

1244

00:46:45,670 --> 00:46:42,240

uh birth sign and question in all caps

1245

00:46:46,470 --> 00:46:45,680

someone's like bye okay i know and you

1246

00:46:49,670 --> 00:46:46,480

know what's funny

1247

00:46:51,750 --> 00:46:49,680

is that that's kind of where i guess the

1248

00:46:55,430 --> 00:46:51,760

person that likes when i like rip apart

1249

00:46:56,390 --> 00:46:55,440

fake psychics that are yeah that i think

1250

00:46:58,550 --> 00:46:56,400

are damaging

1251

00:47:00,630 --> 00:46:58,560

people like uh later tonight i'm

1252

00:47:03,270 --> 00:47:00,640

probably doing another show covering

1253

00:47:05,270 --> 00:47:03,280

sarah r adams who you know has all these

1254

00:47:07,670 --> 00:47:05,280

superpowers like she could heal people's

1255

00:47:10,150 --> 00:47:07,680

cats and

1256

00:47:10,870 --> 00:47:10,160

she's taking tons and tons of money from

1257

00:47:13,910 --> 00:47:10,880

people

1258

00:47:16,870 --> 00:47:13,920

wait i feel like i saw her on

1259

00:47:18,630 --> 00:47:16,880

someone's show she was just from junior

1260

00:47:21,990 --> 00:47:18,640

church

1261

00:47:23,589 --> 00:47:22,000

oh no and why wasn't she here

1262

00:47:25,829 --> 00:47:23,599

oh she was probably on jean claude's

1263

00:47:28,390 --> 00:47:25,839

shoes but while she was there if she uh

1264

00:47:29,589 --> 00:47:28,400

she said hypnosis right yeah well yeah

1265

00:47:31,109 --> 00:47:29,599

and while she was on

1266

00:47:33,030 --> 00:47:31,119

the character show she started telling

1267

00:47:34,950 --> 00:47:33,040

everybody about all her new superpowers

1268

00:47:37,910 --> 00:47:34,960

that she'd never mentioned before

1269

00:47:38,549 --> 00:47:37,920

like now she can go through black holes

1270

00:47:40,870 --> 00:47:38,559

and

1271

00:47:42,950 --> 00:47:40,880

then she talks to the aliens on the

1272

00:47:46,549 --> 00:47:42,960

other side and all of this other stuff

1273

00:47:47,750 --> 00:47:46,559

so uh um okay we're gonna talk about her

1274

00:47:51,990 --> 00:47:47,760

superpowers

1275

00:47:53,430 --> 00:47:52,000

she keeps getting more super powers

1276

00:47:55,430 --> 00:47:53,440

okay i don't know about that that's

1277

00:47:56,790 --> 00:47:55,440

something with okay so you want once

1278

00:47:57,990 --> 00:47:56,800

what's crazy this is how i know that

1279

00:47:59,270 --> 00:47:58,000

people are frauds when they say they

1280

00:48:02,549 --> 00:47:59,280

talk to aliens so

1281

00:48:04,870 --> 00:48:02,559

um i found out that the government

1282

00:48:06,230 --> 00:48:04,880

like certain parts like the world right

1283

00:48:08,630 --> 00:48:06,240

when people try to

1284

00:48:09,829 --> 00:48:08,640

like have spiritual awakenings or they

1285

00:48:11,430 --> 00:48:09,839

get really heavily into their

1286

00:48:13,430 --> 00:48:11,440

spirituality and they reach these

1287

00:48:15,430 --> 00:48:13,440

new levels of enlightenment and they're

1288

00:48:16,470 --> 00:48:15,440

meditating for hours on end and they can

1289

00:48:18,230 --> 00:48:16,480

actually project

1290

00:48:20,870 --> 00:48:18,240

and then they come back and say hey like

1291

00:48:24,230 --> 00:48:20,880

i am you know talk to aliens now

1292

00:48:27,430 --> 00:48:24,240

they actually have technology to where

1293

00:48:28,950 --> 00:48:27,440

they will replicate you thinking that

1294

00:48:30,630 --> 00:48:28,960

you're talking to aliens but you're

1295

00:48:32,230 --> 00:48:30,640

really not

1296

00:48:34,950 --> 00:48:32,240

are you just and i'm just like you want

1297

00:48:38,870 --> 00:48:34,960

to talk to aliens smoke some dmt

1298

00:48:41,030 --> 00:48:38,880

you will alright you know

1299

00:48:42,950 --> 00:48:41,040

especially dmt though oh yeah that's a

1300

00:48:44,549 --> 00:48:42,960

test if you want to really have an

1301
00:48:46,230 --> 00:48:44,559
experience where you think that you're

1302
00:48:48,870 --> 00:48:46,240
talking to interdimensional or

1303
00:48:52,150 --> 00:48:48,880
alien beings smoke some dmt and i'm

1304
00:48:55,910 --> 00:48:54,470
those uh what the the machine elves i

1305
00:48:57,510 --> 00:48:55,920
know people like to see the machine owls

1306
00:48:59,030 --> 00:48:57,520
when they're on dmt and stuff yeah i've

1307
00:48:59,990 --> 00:48:59,040
heard about that and it's funny that so

1308
00:49:02,549 --> 00:49:00,000
many people say this

1309
00:49:03,190 --> 00:49:02,559
see the same things yeah it's a little

1310
00:49:05,190 --> 00:49:03,200
strange

1311
00:49:06,390 --> 00:49:05,200
i think [h__h] or it's a hallucinage and

1312
00:49:09,430 --> 00:49:06,400
you would think that everybody would

1313
00:49:11,349 --> 00:49:09,440

be different stuff yeah it makes you

1314

00:49:12,630 --> 00:49:11,359

question a lot of what's really going on

1315

00:49:14,630 --> 00:49:12,640

behind the scenes but

1316

00:49:16,790 --> 00:49:14,640

again we're never gonna know because we

1317

00:49:18,069 --> 00:49:16,800

are not that lucky yet to really know

1318

00:49:20,230 --> 00:49:18,079

what the hell is going on

1319

00:49:23,510 --> 00:49:20,240

so well we know about the coming

1320

00:49:25,270 --> 00:49:23,520

apocalypse now thanks to you

1321

00:49:26,630 --> 00:49:25,280

look it's not it's not a sensual

1322

00:49:29,030 --> 00:49:26,640

apocalypse it's just more

1323

00:49:31,109 --> 00:49:29,040

i think we just need to be very aware of

1324

00:49:33,109 --> 00:49:31,119

what the hell is going on because

1325

00:49:34,950 --> 00:49:33,119

again you know i just want to see what

1326

00:49:35,910 --> 00:49:34,960

this this whole thing is about in june

1327

00:49:37,670 --> 00:49:35,920

that's what i'm really

1328

00:49:39,349 --> 00:49:37,680

wanting to understand like there's a lot

1329

00:49:40,150 --> 00:49:39,359

of talk about it even with the ufos and

1330

00:49:41,670 --> 00:49:40,160

so i want

1331

00:49:43,270 --> 00:49:41,680

what is it that they're going to reveal

1332

00:49:44,309 --> 00:49:43,280

truly because i know i kind of mentioned

1333

00:49:47,270 --> 00:49:44,319

to you a little bit that they're

1334

00:49:49,190 --> 00:49:47,280

they are going to but what exactly is it

1335

00:49:52,069 --> 00:49:49,200

you know like what are they truly hiding

1336

00:49:52,950 --> 00:49:52,079

is what i want to know so we're going to

1337

00:49:55,430 --> 00:49:52,960

have to wait

1338

00:49:56,069 --> 00:49:55,440

i guess this health crisis scares me not

1339

00:49:58,470 --> 00:49:56,079

so much

1340

00:49:59,910 --> 00:49:58,480

from a health perspective i mean you

1341

00:50:00,710 --> 00:49:59,920

know it's a tragedy anybody that was

1342

00:50:03,030 --> 00:50:00,720

yeah

1343

00:50:05,349 --> 00:50:03,040

but the mortality rate being only one

1344

00:50:07,030 --> 00:50:05,359

percent like even the sars virus was

1345

00:50:09,829 --> 00:50:07,040

like 15

1346

00:50:10,630 --> 00:50:09,839

wow if they went this nuts locking us

1347

00:50:13,430 --> 00:50:10,640

all down and

1348

00:50:14,790 --> 00:50:13,440

and making us hide in our houses for you

1349

00:50:16,069 --> 00:50:14,800

know something that has a one percent

1350

00:50:17,589 --> 00:50:16,079

mortality rate

1351
00:50:19,270 --> 00:50:17,599
what's going to happen if they have one

1352
00:50:24,470 --> 00:50:19,280
that's a 15 or

1353
00:50:27,670 --> 00:50:26,390
i don't know i think these would be kind

1354
00:50:29,030 --> 00:50:27,680
of crazy to be honest with you i don't

1355
00:50:33,349 --> 00:50:29,040
think people would know what to do

1356
00:50:37,430 --> 00:50:36,069
yeah i'm waiting i'm seeing if we have

1357
00:50:37,910 --> 00:50:37,440
somebody else that wanted to read it i

1358
00:50:41,270 --> 00:50:37,920
think

1359
00:50:43,589 --> 00:50:41,280
i did see someone actually let me

1360
00:50:45,670 --> 00:50:43,599
let me see somebody was asking where my

1361
00:50:46,470 --> 00:50:45,680
other two camera angles were at that's

1362
00:50:50,630 --> 00:50:46,480
not a reading

1363
00:50:53,349 --> 00:50:50,640

request anybody somebody said

1364

00:50:54,069 --> 00:50:53,359

well ryan i said i don't know me on a

1365

00:50:56,230 --> 00:50:54,079

full moon

1366

00:50:57,270 --> 00:50:56,240

leo i don't know i don't know if that's

1367

00:51:00,470 --> 00:50:57,280

a question

1368

00:51:03,190 --> 00:51:00,480

or but he said his birth sign

1369

00:51:04,390 --> 00:51:03,200

clarify if you if you want and then

1370

00:51:07,990 --> 00:51:04,400

we'll take your

1371

00:51:10,390 --> 00:51:08,000

question next this guy's still going

1372

00:51:11,190 --> 00:51:10,400

are you [h__\h] kidding me what have you

1373

00:51:12,790 --> 00:51:11,200

become

1374

00:51:14,549 --> 00:51:12,800

i don't know what happened i mean you're

1375

00:51:17,589 --> 00:51:14,559

enjoying obviously

1376

00:51:19,589 --> 00:51:17,599

hey i like i like you coming to the live

1377

00:51:22,069 --> 00:51:19,599

chat you've been a very good participant

1378

00:51:23,109 --> 00:51:22,079

and community member here and i'm sorry

1379

00:51:26,790 --> 00:51:23,119

that the one

1380

00:51:29,190 --> 00:51:26,800

i did one show out of 200 videos

1381

00:51:30,390 --> 00:51:29,200

that you disagreed with the content of

1382

00:51:33,829 --> 00:51:30,400

you know

1383

00:51:35,510 --> 00:51:33,839

best that i can here people ask me

1384

00:51:36,950 --> 00:51:35,520

to do this kind of content some of them

1385

00:51:38,950 --> 00:51:36,960

were uh yeah

1386

00:51:40,230 --> 00:51:38,960

i mean look dude if you don't like this

1387

00:51:42,710 --> 00:51:40,240

stuff then

1388

00:51:44,230 --> 00:51:42,720

you can simply click off you know what i

1389

00:51:46,470 --> 00:51:44,240

mean and then you can watch

1390

00:51:48,150 --> 00:51:46,480

you know maybe a kitty video that might

1391

00:51:50,470 --> 00:51:48,160

tickle your fancy i don't know

1392

00:51:52,150 --> 00:51:50,480

i mean it's just funny because it's like

1393

00:51:53,589 --> 00:51:52,160

this guy said it multiple times so

1394

00:51:55,829 --> 00:51:53,599

obviously he's getting a kick out of it

1395

00:51:55,839 --> 00:52:01,349

i don't know uh but

1396

00:52:08,710 --> 00:52:05,670

okay i think we have two people actually

1397

00:52:13,030 --> 00:52:08,720

oh no steven froze so it looks like

1398

00:52:17,750 --> 00:52:16,230

and i do see a few of you guys

1399

00:52:21,589 --> 00:52:17,760

actually in the chat so i guess when he

1400

00:52:27,670 --> 00:52:24,470

let's see here let me let him know that

1401

00:52:27,680 --> 00:52:42,230

hold on hold on guys

1402

00:52:46,790 --> 00:52:45,589

okay so i told you guys you know mercury

1403

00:52:48,390 --> 00:52:46,800

retrograde is not a joke

1404

00:52:50,230 --> 00:52:48,400

look it up you know what i mean i told

1405

00:52:51,829 --> 00:52:50,240

you mercury deteriorated around the

1406

00:52:53,109 --> 00:52:51,839

corner oh there you are you're back

1407

00:52:54,950 --> 00:52:53,119

yeah i'm sorry i don't know how but i

1408

00:52:56,790 --> 00:52:54,960

got kicked out of my own stream

1409

00:52:58,790 --> 00:52:56,800

it's not mercury retrograde i told you

1410

00:53:02,470 --> 00:52:58,800

it's the aliens

1411

00:53:04,230 --> 00:53:02,480

snap it's gotta be the aliens

1412

00:53:06,390 --> 00:53:04,240

but there is a couple of people that did

1413

00:53:06,870 --> 00:53:06,400

come in yeah andrew whitley says say

1414

00:53:08,950 --> 00:53:06,880

thanks

1415

00:53:09,990 --> 00:53:08,960

to steph for the reading yeah andrew

1416

00:53:11,670 --> 00:53:10,000

you're welcome

1417

00:53:13,190 --> 00:53:11,680

actually i missed those comments but

1418

00:53:14,630 --> 00:53:13,200

everybody you gave a reading to gave a

1419

00:53:17,430 --> 00:53:14,640

big thank you

1420

00:53:18,710 --> 00:53:17,440

uh yeah for sure and hey don i i don't

1421

00:53:20,309 --> 00:53:18,720

think that you're being rude

1422

00:53:22,309 --> 00:53:20,319

i just think you feel strongly and

1423

00:53:23,750 --> 00:53:22,319

that's you know it's fine like i said

1424

00:53:27,030 --> 00:53:23,760

i'm sorry you don't like this

1425

00:53:28,390 --> 00:53:27,040

you like a lot of other content that we

1426

00:53:29,990 --> 00:53:28,400

have here so

1427

00:53:32,470 --> 00:53:30,000

oh yeah people in the chat are getting a

1428

00:53:34,630 --> 00:53:32,480

little upset about this guy being rude

1429

00:53:36,390 --> 00:53:34,640

no it's okay look we have free spots

1430

00:53:36,790 --> 00:53:36,400

over here so people could say if you

1431

00:53:39,349 --> 00:53:36,800

think

1432

00:53:40,069 --> 00:53:39,359

you know it's okay like i could take it

1433

00:53:41,990 --> 00:53:40,079

it's okay

1434

00:53:43,750 --> 00:53:42,000

i'm i'm aware that not everybody's going

1435

00:53:46,390 --> 00:53:43,760

to like every show that i do

1436

00:53:46,870 --> 00:53:46,400

or whatever i have some people that

1437

00:53:48,790 --> 00:53:46,880

don't

1438

00:53:50,870 --> 00:53:48,800

care anything about we cover a lot of

1439

00:53:52,710 --> 00:53:50,880

ufo stuff and when we get

1440

00:53:54,230 --> 00:53:52,720

and they don't care so they just you

1441

00:53:56,309 --> 00:53:54,240

know they let me know like

1442

00:53:58,230 --> 00:53:56,319

cover different stuff not just ufos all

1443

00:53:59,750 --> 00:53:58,240

the time or whatever you know

1444

00:54:01,510 --> 00:53:59,760

i kind of like it here yeah it's just

1445

00:54:03,510 --> 00:54:01,520

like it's like what i don't know it's

1446

00:54:03,990 --> 00:54:03,520

just so weird when people tell you what

1447

00:54:06,309 --> 00:54:04,000

to do

1448

00:54:07,990 --> 00:54:06,319

what they do like i think that i feel

1449

00:54:09,190 --> 00:54:08,000

like when it comes to youtube and like

1450

00:54:11,030 --> 00:54:09,200

doing your channel

1451

00:54:12,549 --> 00:54:11,040

it's like i know that it's like a

1452

00:54:14,309 --> 00:54:12,559

consumer-based thing but

1453

00:54:16,069 --> 00:54:14,319

at the same time like how do you expect

1454

00:54:17,750 --> 00:54:16,079

to grow as a creator as a person you

1455

00:54:19,589 --> 00:54:17,760

know you have to do what you want

1456

00:54:21,349 --> 00:54:19,599

and not please other people because

1457

00:54:21,990 --> 00:54:21,359

that's not healthy either i think yeah

1458

00:54:23,990 --> 00:54:22,000

it's all it's

1459

00:54:25,190 --> 00:54:24,000

all good and i think i think there's

1460

00:54:28,390 --> 00:54:25,200

even there's even

1461

00:54:30,630 --> 00:54:28,400

other show hosts busting my balls and

1462

00:54:31,430 --> 00:54:30,640

but i'm okay with that too because you

1463

00:54:33,510 --> 00:54:31,440

know what

1464

00:54:36,390 --> 00:54:33,520

whatever i've certainly busted some

1465

00:54:42,080 --> 00:54:36,400

other show host balls

1466

00:54:45,270 --> 00:54:43,750

[Music]

1467

00:54:46,789 --> 00:54:45,280

there is a lot of people actually asking

1468

00:54:51,109 --> 00:54:46,799

oh my gosh okay so wait

1469

00:54:52,630 --> 00:54:51,119

so uh let's see here

1470

00:54:54,470 --> 00:54:52,640

yeah and i have a feeling that some

1471

00:54:56,390 --> 00:54:54,480

other shadows may have winded the

1472

00:54:58,230 --> 00:54:56,400

some of these guys up and if that's the

1473

00:54:59,750 --> 00:54:58,240

case that's fine too but you know yeah

1474

00:55:02,470 --> 00:54:59,760

who cares i mean at that

1475

00:55:02,950 --> 00:55:02,480

i think about this come on bro you know

1476

00:55:06,069 --> 00:55:02,960

what

1477

00:55:07,270 --> 00:55:06,079

i will not listen i am not aware of all

1478

00:55:08,950 --> 00:55:07,280

the stuff that zen

1479

00:55:11,109 --> 00:55:08,960

ever said in his lifetime there's no way

1480

00:55:12,390 --> 00:55:11,119

i could be so do i disagree with a lot

1481

00:55:14,870 --> 00:55:12,400

of stuff zen says

1482

00:55:15,910 --> 00:55:14,880

absolutely when he wanted to have a talk

1483

00:55:18,549 --> 00:55:15,920

a public talk

1484

00:55:19,510 --> 00:55:18,559

and sort of explain his meltdown and and

1485

00:55:21,910 --> 00:55:19,520

you know

1486

00:55:23,190 --> 00:55:21,920

while he apologized whatever if you

1487

00:55:26,630 --> 00:55:23,200

don't like that too

1488

00:55:28,390 --> 00:55:26,640

you know whatever you know

1489

00:55:30,069 --> 00:55:28,400

let's move on and do some readings

1490

00:55:31,829 --> 00:55:30,079

because that's what we're here to do

1491

00:55:33,990 --> 00:55:31,839

yeah and if you guys or if you have any

1492

00:55:36,710 --> 00:55:34,000

moderators just kind of you know do your

1493

00:55:38,549 --> 00:55:36,720

job a little bit you know individuals

1494

00:55:40,630 --> 00:55:38,559

like talking crap like i don't know

1495

00:55:42,390 --> 00:55:40,640

it's like okay like i'm okay with it

1496

00:55:44,789 --> 00:55:42,400

they could they could say what they like

1497

00:55:46,150 --> 00:55:44,799

and it's okay yeah yeah they can express

1498

00:55:49,270 --> 00:55:46,160

something

1499

00:55:52,230 --> 00:55:49,280

with one show but i ask that the uh

1500

00:55:53,030 --> 00:55:52,240

live audience people be respectful to

1501
00:55:57,109 --> 00:55:53,040
all the best

1502
00:56:01,670 --> 00:55:59,910
i like the alien shrimp guy the one who

1503
00:56:02,789 --> 00:56:01,680
gave him the shrimp that was one of my

1504
00:56:06,470 --> 00:56:02,799
favorites

1505
00:56:09,910 --> 00:56:09,190
okay okay so wow you know what's so

1506
00:56:14,309 --> 00:56:09,920
funny i

1507
00:56:15,349 --> 00:56:14,319
have had a a semi-recurring dream of the

1508
00:56:17,910 --> 00:56:15,359
same thing

1509
00:56:19,910 --> 00:56:17,920
really the aquarius why do i dream about

1510
00:56:21,430 --> 00:56:19,920
losing teeth for decades

1511
00:56:23,430 --> 00:56:21,440
i thought in my case it was like a

1512
00:56:25,030 --> 00:56:23,440
subconscious fear

1513
00:56:26,470 --> 00:56:25,040

you know whoa that's like i don't want

1514

00:56:28,470 --> 00:56:26,480

to be toothless

1515

00:56:30,549 --> 00:56:28,480

i came from kensington in philadelphia

1516

00:56:31,510 --> 00:56:30,559

where nobody has teeth or everybody has

1517

00:56:34,549 --> 00:56:31,520

rotted teeth

1518

00:56:36,230 --> 00:56:34,559

you know it's like famous

1519

00:56:37,829 --> 00:56:36,240

wow there's some really toxic people

1520

00:56:38,710 --> 00:56:37,839

here in the chat what an arrogant lady

1521

00:56:44,630 --> 00:56:38,720

for lack of

1522

00:56:46,870 --> 00:56:44,640

suited words

1523

00:56:48,150 --> 00:56:46,880

you keyboard warriors i love it because

1524

00:56:48,789 --> 00:56:48,160

you would never say that in real life

1525

00:56:52,630 --> 00:56:48,799

you could never

1526
00:56:53,990 --> 00:56:52,640
you did

1527
00:56:56,950 --> 00:56:54,000
you just don't know me in real life and

1528
00:56:58,630 --> 00:56:56,960
that's okay anyways um

1529
00:57:00,230 --> 00:56:58,640
so you want to know why you're having

1530
00:57:01,990 --> 00:57:00,240
recurring dreams and i think you said

1531
00:57:05,349 --> 00:57:02,000
you wanted to pull uh

1532
00:57:05,670 --> 00:57:05,359
past president future correct just just

1533
00:57:08,230 --> 00:57:05,680
make

1534
00:57:10,150 --> 00:57:08,240
want because i'm not too sure because i

1535
00:57:12,789 --> 00:57:10,160
know the live chat's kind of going

1536
00:57:14,630 --> 00:57:12,799
back in no i thought he wanted to know

1537
00:57:16,230 --> 00:57:14,640
why do i dream about losing teeth for

1538
00:57:17,670 --> 00:57:16,240

decades this is huge

1539

00:57:19,510 --> 00:57:17,680

oh okay that's not personal i thought it

1540

00:57:21,670 --> 00:57:19,520

was the same person okay let's figure it

1541

00:57:25,190 --> 00:57:21,680

out

1542

00:57:27,589 --> 00:57:25,200

this

1543

00:57:29,430 --> 00:57:27,599

usually when you when you lose teeth in

1544

00:57:32,470 --> 00:57:29,440

your dream is because

1545

00:57:34,789 --> 00:57:32,480

um because

1546

00:57:35,910 --> 00:57:34,799

teeth are they are connected to every

1547

00:57:38,870 --> 00:57:35,920

part of your body right

1548

00:57:39,430 --> 00:57:38,880

your organs um but i also feel like

1549

00:57:41,190 --> 00:57:39,440

there's

1550

00:57:42,549 --> 00:57:41,200

something coming up for you when it

1551
00:57:45,670 --> 00:57:42,559
comes your dreams

1552
00:57:48,390 --> 00:57:45,680
um you're feeling a lack like lack of

1553
00:57:50,309 --> 00:57:48,400
not being able to move forward in

1554
00:57:50,870 --> 00:57:50,319
certain aspects of your life or feeling

1555
00:57:53,109 --> 00:57:50,880
like

1556
00:57:55,030 --> 00:57:53,119
you don't have luck on your side because

1557
00:57:57,190 --> 00:57:55,040
wheel of fortune represents you know the

1558
00:58:01,990 --> 00:57:57,200
will is turning right you're you're

1559
00:58:06,230 --> 00:58:04,309
okay we're going into this mode of you

1560
00:58:06,630 --> 00:58:06,240
know wanting this wheel to turn in your

1561
00:58:08,390 --> 00:58:06,640
favor

1562
00:58:09,990 --> 00:58:08,400
being in the in the alignment of life

1563
00:58:11,829 --> 00:58:10,000

right really going into that

1564

00:58:13,990 --> 00:58:11,839

but because it's like this or something

1565

00:58:15,510 --> 00:58:14,000

blocking you and i also see that like

1566

00:58:19,670 --> 00:58:15,520

there's something of love of

1567

00:58:19,680 --> 00:58:27,510

so let's see here

1568

00:58:31,349 --> 00:58:29,910

yeah there's something in in regarding

1569

00:58:32,069 --> 00:58:31,359

to your dreams where you don't have

1570

00:58:34,630 --> 00:58:32,079

control

1571

00:58:36,950 --> 00:58:34,640

because um you're having a hard time

1572

00:58:38,630 --> 00:58:36,960

controlling some aspects like i said

1573

00:58:40,230 --> 00:58:38,640

because this right here with the two of

1574

00:58:41,190 --> 00:58:40,240

pentacles in reverse usually when it

1575

00:58:42,470 --> 00:58:41,200

comes like that

1576

00:58:43,589 --> 00:58:42,480

you know it represents that there's so

1577

00:58:44,789 --> 00:58:43,599

many things going on that you're being

1578

00:58:46,630 --> 00:58:44,799

pulled up and right

1579

00:58:48,470 --> 00:58:46,640

but in reality from the vibes that i'm

1580

00:58:49,030 --> 00:58:48,480

getting from what your question is is

1581

00:58:50,710 --> 00:58:49,040

that

1582

00:58:53,190 --> 00:58:50,720

you know just not feeling like you have

1583

00:58:55,270 --> 00:58:53,200

everything together in your waking life

1584

00:58:56,390 --> 00:58:55,280

and it's crazy because regardless of

1585

00:58:58,870 --> 00:58:56,400

these these

1586

00:59:00,470 --> 00:58:58,880

teeth situation in your dream i feel

1587

00:59:02,069 --> 00:59:00,480

that in your wake life

1588

00:59:04,150 --> 00:59:02,079

things are actually going to start to

1589

00:59:06,630 --> 00:59:04,160

come up and really be

1590

00:59:08,230 --> 00:59:06,640

to where you're gonna have peace within

1591

00:59:10,390 --> 00:59:08,240

yourself and the people around you

1592

00:59:12,549 --> 00:59:10,400

there's a lot of happiness happening

1593

00:59:14,150 --> 00:59:12,559

um in the very near future even to now

1594

00:59:16,470 --> 00:59:14,160

you're probably getting a gist of it

1595

00:59:17,750 --> 00:59:16,480

but a lot of times when we do experience

1596

00:59:20,230 --> 00:59:17,760

you know the

1597

00:59:22,069 --> 00:59:20,240

you know losing teeth um it could be the

1598

00:59:24,069 --> 00:59:22,079

loss of like certain aspects of your

1599

00:59:25,589 --> 00:59:24,079

of your conscious mind there's certain

1600

00:59:27,589 --> 00:59:25,599

aspects that you're not dealing with

1601
00:59:29,910 --> 00:59:27,599
that it's asking you you need to go with

1602
00:59:31,430 --> 00:59:29,920
it and sometimes losing teeth can also

1603
00:59:33,670 --> 00:59:31,440
i don't want to scare you but if you

1604
00:59:36,069 --> 00:59:33,680
look it up represents like losing a

1605
00:59:39,190 --> 00:59:36,079
loved one or losing someone around you

1606
00:59:41,750 --> 00:59:39,200
um but that's just what they say

1607
00:59:43,430 --> 00:59:41,760
as far as like drum interpretations but

1608
00:59:45,270 --> 00:59:43,440
for you i don't see anything

1609
00:59:46,870 --> 00:59:45,280
crazy as far as these dreams of what

1610
00:59:48,870 --> 00:59:46,880
they're trying to hint to you

1611
00:59:50,150 --> 00:59:48,880
um i do feel like you're very worried in

1612
00:59:52,150 --> 00:59:50,160
your waking life

1613
00:59:53,270 --> 00:59:52,160

i mean it also penetrates into when

1614

00:59:56,390 --> 00:59:53,280

you're sleeping

1615

00:59:58,789 --> 00:59:56,400

so with the five of swords here

1616

01:00:00,309 --> 00:59:58,799

you know you're feeling isolated empty

1617

01:00:02,549 --> 01:00:00,319

i'm not feeling like or

1618

01:00:05,910 --> 01:00:02,559

maybe even worried or maybe at a loss

1619

01:00:08,309 --> 01:00:05,920

there's some type of blockage here too

1620

01:00:10,069 --> 01:00:08,319

so i feel like uh this card with the

1621

01:00:13,589 --> 01:00:10,079

eight of wands in reverse it's a lot of

1622

01:00:15,589 --> 01:00:13,599

um coming in and uh you know

1623

01:00:17,430 --> 01:00:15,599

understanding that you can have things

1624

01:00:19,349 --> 01:00:17,440

right away this also represents things

1625

01:00:21,990 --> 01:00:19,359

moving quickly but it's in reverse

1626

01:00:23,990 --> 01:00:22,000

so when it's in reverse you know that

1627

01:00:26,069 --> 01:00:24,000

aspect of being blocked

1628

01:00:27,349 --> 01:00:26,079

by either communication or the flow of

1629

01:00:29,829 --> 01:00:27,359

energy so

1630

01:00:30,470 --> 01:00:29,839

understand like with these two energies

1631

01:00:35,589 --> 01:00:30,480

here

1632

01:00:37,270 --> 01:00:35,599

these symptoms are coming from

1633

01:00:39,190 --> 01:00:37,280

because these dreams like to tell

1634

01:00:40,549 --> 01:00:39,200

messages back and forth to you it's up

1635

01:00:42,069 --> 01:00:40,559

to you if you want to listen to them but

1636

01:00:43,510 --> 01:00:42,079

if they keep reoccurring

1637

01:00:45,670 --> 01:00:43,520

it could be that you need to end

1638

01:00:47,030 --> 01:00:45,680

something in your life that's toxic

1639

01:00:48,630 --> 01:00:47,040

um i do see that you're going to be

1640

01:00:49,750 --> 01:00:48,640

standing in your in your power and

1641

01:00:51,270 --> 01:00:49,760

manifesting

1642

01:00:53,109 --> 01:00:51,280

and pushing forward i don't see you

1643

01:00:54,069 --> 01:00:53,119

walking away from certain aspects in

1644

01:00:56,309 --> 01:00:54,079

your life

1645

01:00:58,069 --> 01:00:56,319

but i do see that you know as far as

1646

01:00:59,510 --> 01:00:58,079

like your emotional attachments i see

1647

01:01:01,750 --> 01:00:59,520

that you're still working on that

1648

01:01:03,349 --> 01:01:01,760

you do have a new beginning that's so

1649

01:01:04,950 --> 01:01:03,359

beautiful the full card is here

1650

01:01:06,549 --> 01:01:04,960

so there is a new beginning happening to

1651

01:01:08,069 --> 01:01:06,559

you and along with

1652

01:01:09,829 --> 01:01:08,079

you feel like people in the past are

1653

01:01:11,829 --> 01:01:09,839

probably doing some shady things but the

1654

01:01:13,589 --> 01:01:11,839

truth has already been exposed to you

1655

01:01:15,030 --> 01:01:13,599

so i do see that things are starting to

1656

01:01:16,630 --> 01:01:15,040

level out and there are endings

1657

01:01:17,910 --> 01:01:16,640

happening right now in your life

1658

01:01:20,309 --> 01:01:17,920

so there's things that are closing

1659

01:01:21,030 --> 01:01:20,319

coming to a close um it could be that

1660

01:01:22,870 --> 01:01:21,040

there may be

1661

01:01:24,069 --> 01:01:22,880

um you know situations that you've been

1662

01:01:26,710 --> 01:01:24,079

dealing with a very long time

1663

01:01:28,789 --> 01:01:26,720

that are now um falling away from you so

1664

01:01:30,150 --> 01:01:28,799

that's a beautiful sign to see i i

1665

01:01:32,390 --> 01:01:30,160

really enjoy seeing that

1666

01:01:34,150 --> 01:01:32,400

so i think with your dreams um it's just

1667

01:01:34,789 --> 01:01:34,160

trying to tell you like you need to let

1668

01:01:36,950 --> 01:01:34,799

go

1669

01:01:38,470 --> 01:01:36,960

don't try so hard to hold on to whatever

1670

01:01:40,470 --> 01:01:38,480

it is that you're holding on to

1671

01:01:43,020 --> 01:01:40,480

because it's not going to benefit you in

1672

01:01:43,030 --> 01:01:47,990

[Music]

1673

01:01:54,390 --> 01:01:51,589

oh pretty interesting whatever

1674

01:01:56,710 --> 01:01:54,400

whoever stephen greer is uh the answers

1675

01:01:59,990 --> 01:01:56,720

you need are coming

1676

01:02:02,390 --> 01:02:00,000

so don't worry i think continue to go on

1677

01:02:03,910 --> 01:02:02,400

i think the full the new moon is

1678

01:02:05,589 --> 01:02:03,920

definitely going to give you the answers

1679

01:02:06,470 --> 01:02:05,599

that you're seeking also new start is

1680

01:02:09,029 --> 01:02:06,480

coming

1681

01:02:11,270 --> 01:02:09,039

oh this is awesome look at this look how

1682

01:02:14,230 --> 01:02:11,280

it matched together

1683

01:02:15,109 --> 01:02:14,240

a new start in the full card so i say

1684

01:02:17,990 --> 01:02:15,119

don't worry

1685

01:02:19,349 --> 01:02:18,000

um you know just learn to deal with the

1686

01:02:22,390 --> 01:02:19,359

issues at hand

1687

01:02:24,630 --> 01:02:22,400

and allow yourself to kind of um

1688

01:02:25,829 --> 01:02:24,640

you know take time for yourself really

1689

01:02:27,829 --> 01:02:25,839

focus on yourself

1690

01:02:29,029 --> 01:02:27,839

and in your inner wounds so that way you

1691

01:02:30,309 --> 01:02:29,039

can ascend higher

1692

01:02:31,910 --> 01:02:30,319

and you can manifest the things that

1693

01:02:33,510 --> 01:02:31,920

you've been wanting to manifest so i

1694

01:02:36,230 --> 01:02:33,520

hope that helped you

1695

01:02:37,190 --> 01:02:36,240

nice well we're coming up on an hour i

1696

01:02:38,950 --> 01:02:37,200

don't know how much longer

1697

01:02:40,390 --> 01:02:38,960

you want to keep going i think we can

1698

01:02:41,829 --> 01:02:40,400

finish the rest i know

1699

01:02:43,829 --> 01:02:41,839

there's maybe like two more we could do

1700

01:02:48,630 --> 01:02:43,839

two more there maybe i missed those

1701

01:02:49,190 --> 01:02:48,640

let me see where the uh there's like one

1702

01:02:51,910 --> 01:02:49,200

or two

1703

01:02:52,870 --> 01:02:51,920

i don't know no i think we got them all

1704

01:02:57,990 --> 01:02:52,880

if anybody

1705

01:03:04,549 --> 01:03:01,029

oh uh f graph 72 had one maybe

1706

01:03:05,589 --> 01:03:04,559

right i think so just put it in in the

1707

01:03:09,029 --> 01:03:05,599

chat so i can

1708

01:03:11,990 --> 01:03:09,039

we can see it oh yeah kill boy

1709

01:03:13,750 --> 01:03:12,000

oh yeah didn't he want one yeah okay so

1710

01:03:16,870 --> 01:03:13,760

i'm having a pet regime i know

1711

01:03:18,710 --> 01:03:16,880

i need to know if i should heed it as a

1712

01:03:21,349 --> 01:03:18,720

warning as i see it

1713

01:03:21,829 --> 01:03:21,359

can i see three cards past present and

1714

01:03:28,870 --> 01:03:21,839

future

1715

01:03:32,549 --> 01:03:30,789

i love your your subscribers are so

1716

01:03:34,470 --> 01:03:32,559

sweet

1717

01:03:35,589 --> 01:03:34,480

yeah you know so uh you know i'm sorry

1718

01:03:37,829 --> 01:03:35,599

if if a few people

1719

01:03:39,990 --> 01:03:37,839

were not happy with you appearing here

1720

01:03:43,270 --> 01:03:40,000

but i'm just laughing the best majority

1721

01:03:46,390 --> 01:03:44,950

i laugh know you're just so ignorant

1722

01:03:46,710 --> 01:03:46,400

like they don't they don't get it you

1723

01:03:49,750 --> 01:03:46,720

know

1724

01:03:52,870 --> 01:03:49,760

what it was this or i have to learn

1725

01:03:55,750 --> 01:03:52,880

to read tarot cards again and honestly

1726

01:03:56,309 --> 01:03:55,760

you should do it i know i should i have

1727

01:03:58,230 --> 01:03:56,319

them right here

1728

01:04:00,230 --> 01:03:58,240

i've been really doing yeah i've been

1729

01:04:02,230 --> 01:04:00,240

doing trying to do personal reading

1730

01:04:03,990 --> 01:04:02,240

and really trying to memorize the deck

1731

01:04:06,069 --> 01:04:04,000

and each meaning so that i don't

1732

01:04:07,829 --> 01:04:06,079

need a gt because i hate you know i

1733

01:04:09,510 --> 01:04:07,839

think

1734

01:04:11,190 --> 01:04:09,520

there's a i should actually you know

1735

01:04:13,029 --> 01:04:11,200

what um when we end this there's

1736

01:04:16,150 --> 01:04:13,039

actually a really good book

1737

01:04:18,710 --> 01:04:16,160

to help you learn all the um the major

1738

01:04:20,390 --> 01:04:18,720

arcanas and the minor arcanas and

1739

01:04:22,309 --> 01:04:20,400

learning all that i'm actually i'll send

1740

01:04:26,630 --> 01:04:22,319

you the link to it so that you can

1741

01:04:29,990 --> 01:04:26,640

look it up sure

1742

01:04:30,000 --> 01:04:35,589

past presents

1743

01:04:40,309 --> 01:04:36,710

i'm telling you there's a lot of

1744

01:04:43,829 --> 01:04:40,319

celebration going on wow

1745

01:04:47,029 --> 01:04:43,839

wow oh my god okay so

1746

01:04:49,270 --> 01:04:47,039

fg so

1747

01:04:50,309 --> 01:04:49,280

in the past there was something in your

1748

01:04:52,829 --> 01:04:50,319

life with the ten

1749

01:04:55,829 --> 01:04:52,839

of swords in reverse that didn't end

1750

01:04:58,309 --> 01:04:55,839

correctly

1751
01:05:00,150 --> 01:04:58,319
you was picking up terrorizing gypsies

1752
01:05:04,470 --> 01:05:00,160
before you were born

1753
01:05:07,670 --> 01:05:04,480
okay anyway so so 10 of

1754
01:05:10,309 --> 01:05:07,680
swords it represents that you

1755
01:05:10,710 --> 01:05:10,319
didn't come to close in certain aspects

1756
01:05:13,750 --> 01:05:10,720
in

1757
01:05:15,990 --> 01:05:13,760
your life i feel like right now

1758
01:05:17,750 --> 01:05:16,000
um you're realizing those aspects and

1759
01:05:19,670 --> 01:05:17,760
that's why in the present moment you're

1760
01:05:21,270 --> 01:05:19,680
very happy i see that there's there's a

1761
01:05:23,109 --> 01:05:21,280
lot of happiness in the home

1762
01:05:24,789 --> 01:05:23,119
a lot of happiness celebration around

1763
01:05:26,549 --> 01:05:24,799

you i feel like you're definitely

1764

01:05:29,349 --> 01:05:26,559

reaching this moment of clarity

1765

01:05:29,750 --> 01:05:29,359

lately um even though those dreams i

1766

01:05:31,910 --> 01:05:29,760

like

1767

01:05:33,109 --> 01:05:31,920

again i don't know exactly what it is

1768

01:05:35,829 --> 01:05:33,119

that you're dreaming

1769

01:05:36,470 --> 01:05:35,839

but i don't see any negativity at all i

1770

01:05:40,309 --> 01:05:36,480

also see

1771

01:05:42,150 --> 01:05:40,319

very positive i see the ace of wands too

1772

01:05:43,430 --> 01:05:42,160

so i feel like with the ace of wands

1773

01:05:45,910 --> 01:05:43,440

there is a blessing

1774

01:05:47,750 --> 01:05:45,920

actually coming in in your life in the

1775

01:05:49,430 --> 01:05:47,760

very near future for sure

1776

01:05:50,950 --> 01:05:49,440

um you know and you're to see this

1777

01:05:51,510 --> 01:05:50,960

happening too i think you're slowly

1778

01:05:54,150 --> 01:05:51,520

turning

1779

01:05:55,190 --> 01:05:54,160

like loki actually seeing this coming

1780

01:05:56,710 --> 01:05:55,200

but i do see that

1781

01:05:58,230 --> 01:05:56,720

it's going to be very awesome and it's

1782

01:05:59,349 --> 01:05:58,240

going to change the way that you're

1783

01:06:01,430 --> 01:05:59,359

going to be doing things

1784

01:06:02,710 --> 01:06:01,440

again remember that wands represent what

1785

01:06:04,230 --> 01:06:02,720

it represents

1786

01:06:05,750 --> 01:06:04,240

not just the fire element but it

1787

01:06:08,230 --> 01:06:05,760

represents you know create

1788

01:06:08,950 --> 01:06:08,240

creativity it represents the sacral

1789

01:06:11,430 --> 01:06:08,960

chakra

1790

01:06:12,710 --> 01:06:11,440

it represents you manifesting and going

1791

01:06:15,190 --> 01:06:12,720

forward into

1792

01:06:16,390 --> 01:06:15,200

um your passions and endeavors so i

1793

01:06:18,630 --> 01:06:16,400

definitely think

1794

01:06:20,549 --> 01:06:18,640

things are going to be really good for

1795

01:06:24,390 --> 01:06:20,559

you um in the near future

1796

01:06:28,309 --> 01:06:24,400

so i hope that helped you all right

1797

01:06:31,990 --> 01:06:28,319

okay hi rogue and status is here

1798

01:06:33,750 --> 01:06:32,000

there she is homie yeah he grew up

1799

01:06:35,829 --> 01:06:33,760

in this almost in the same neighborhood

1800

01:06:38,549 --> 01:06:35,839

i did i think it was a few years ago

1801
01:06:39,910 --> 01:06:38,559
in philadelphia yeah yes there's another

1802
01:06:42,390 --> 01:06:39,920
philly guy

1803
01:06:44,470 --> 01:06:42,400
yeah he's awesome he sometimes comes on

1804
01:06:47,109 --> 01:06:44,480
my lives too

1805
01:06:47,510 --> 01:06:47,119
um yeah there was another one that i

1806
01:06:51,670 --> 01:06:47,520
missed

1807
01:06:55,190 --> 01:06:51,680
oh kill boy cowboy

1808
01:06:56,390 --> 01:06:55,200
where was that one it's on the bottom it

1809
01:06:58,309 --> 01:06:56,400
says my question is

1810
01:06:59,910 --> 01:06:58,319
what's going to happen in my financial

1811
01:07:01,190 --> 01:06:59,920
job oh there we go because he lost his

1812
01:07:04,069 --> 01:07:01,200
job

1813
01:07:06,870 --> 01:07:04,079

yeah he did he got fired i think yeah

1814

01:07:07,990 --> 01:07:06,880

i'm so glad you came on kilboy because

1815

01:07:09,510 --> 01:07:08,000

something that i got like a little

1816

01:07:11,190 --> 01:07:09,520

download when you said this like when i

1817

01:07:14,069 --> 01:07:11,200

read last i think was yesterday

1818

01:07:15,029 --> 01:07:14,079

um you know in regards to your job i'm

1819

01:07:16,069 --> 01:07:15,039

not going to pull any cards right now

1820

01:07:17,910 --> 01:07:16,079

i'm just going to tell you what i'm

1821

01:07:19,270 --> 01:07:17,920

feeling um in regards to that

1822

01:07:21,430 --> 01:07:19,280

because this is going to be a test for

1823

01:07:24,390 --> 01:07:21,440

all haters so i'm not using tariff

1824

01:07:25,029 --> 01:07:24,400

with this one i'm maybe going to pull

1825

01:07:27,990 --> 01:07:25,039

one

1826

01:07:29,829 --> 01:07:28,000

um oracle just to see what the full moon

1827

01:07:33,029 --> 01:07:29,839

has to offer or the new moon has offered

1828

01:07:33,430 --> 01:07:33,039

confusing the two but in regards to your

1829

01:07:38,309 --> 01:07:33,440

your

1830

01:07:40,309 --> 01:07:38,319

transitioning so

1831

01:07:41,670 --> 01:07:40,319

um if you're not very aware of astrology

1832

01:07:42,950 --> 01:07:41,680

that's okay i'll explain it to you

1833

01:07:44,710 --> 01:07:42,960

really quickly so

1834

01:07:47,430 --> 01:07:44,720

um you know we just had a full moon in

1835

01:07:51,270 --> 01:07:47,440

scorpio and what scorpio represents is

1836

01:07:53,829 --> 01:07:51,280

endings and uh rejuvenating rejuvenation

1837

01:07:55,190 --> 01:07:53,839

in your life so i feel like you had to

1838

01:07:56,950 --> 01:07:55,200

end this job because it wasn't

1839

01:07:58,390 --> 01:07:56,960

fulfilling to your soul and you know

1840

01:08:00,630 --> 01:07:58,400

this even though you

1841

01:08:02,549 --> 01:08:00,640

had some type of emotional stability

1842

01:08:04,549 --> 01:08:02,559

with the situation

1843

01:08:06,789 --> 01:08:04,559

um and you're really reliant on this on

1844

01:08:08,470 --> 01:08:06,799

this position and i feel like

1845

01:08:09,990 --> 01:08:08,480

your higher self was not in agreement

1846

01:08:11,829 --> 01:08:10,000

with what is that you were trying to do

1847

01:08:13,270 --> 01:08:11,839

because there's actually going to be

1848

01:08:15,190 --> 01:08:13,280

other opportunities coming

1849

01:08:17,189 --> 01:08:15,200

in for you there may be some sort of

1850

01:08:18,550 --> 01:08:17,199

delay but these opportunities are

1851

01:08:20,709 --> 01:08:18,560

actually going to be

1852

01:08:22,229 --> 01:08:20,719

more in the alignment of what is it you

1853

01:08:24,950 --> 01:08:22,239

want to do

1854

01:08:26,789 --> 01:08:24,960

it's asking me to that you need to what

1855

01:08:28,950 --> 01:08:26,799

is you need to know is that you need to

1856

01:08:30,309 --> 01:08:28,960

start working on your craft

1857

01:08:32,229 --> 01:08:30,319

i think you know what i'm talking about

1858

01:08:33,110 --> 01:08:32,239

when it comes to that your craft is a

1859

01:08:34,309 --> 01:08:33,120

really big thing

1860

01:08:36,229 --> 01:08:34,319

there's things that you've been wanting

1861

01:08:36,789 --> 01:08:36,239

to start wanting to do for a really long

1862

01:08:39,749 --> 01:08:36,799

time

1863

01:08:41,430 --> 01:08:39,759

and i think that this was a blessing in

1864

01:08:42,789 --> 01:08:41,440

disguise that you're not seeing

1865

01:08:44,550 --> 01:08:42,799

um because you're kind of like oh

1866

01:08:45,829 --> 01:08:44,560

frustrated like oh my god i lost my job

1867

01:08:46,630 --> 01:08:45,839

like what the hell like what am i going

1868

01:08:48,550 --> 01:08:46,640

to do now

1869

01:08:50,390 --> 01:08:48,560

ah do i have to go on an appointment all

1870

01:08:52,789 --> 01:08:50,400

this other stuff i feel like

1871

01:08:53,590 --> 01:08:52,799

don't worry and focus too much on the

1872

01:08:55,269 --> 01:08:53,600

detail

1873

01:08:57,030 --> 01:08:55,279

focus on what is it your where is it

1874

01:08:58,870 --> 01:08:57,040

you're trying to go how you're gonna do

1875

01:08:59,669 --> 01:08:58,880

it come up with that big game plan for

1876

01:09:01,590 --> 01:08:59,679

yourself

1877

01:09:03,189 --> 01:09:01,600

so that you can reach those goals that

1878

01:09:04,789 --> 01:09:03,199

you're trying to achieve i know that

1879

01:09:06,149 --> 01:09:04,799

it's easier said than done

1880

01:09:07,990 --> 01:09:06,159

but i think that things are actually

1881

01:09:09,749 --> 01:09:08,000

going to start manifesting

1882

01:09:11,189 --> 01:09:09,759

slowly in the direction that you want it

1883

01:09:12,630 --> 01:09:11,199

to i think that this is low-key

1884

01:09:13,990 --> 01:09:12,640

something you wanted to happen but you

1885

01:09:14,789 --> 01:09:14,000

didn't think that doesn't happen like

1886

01:09:17,510 --> 01:09:14,799

right now

1887

01:09:19,189 --> 01:09:17,520

so i think that you just need to just

1888

01:09:21,430 --> 01:09:19,199

kind of take a step back a little bit

1889

01:09:22,870 --> 01:09:21,440

evaluate what is it that you're trying

1890

01:09:23,990 --> 01:09:22,880

to do in your life so that you can

1891

01:09:27,269 --> 01:09:24,000

manifest that

1892

01:09:32,229 --> 01:09:27,279

outcome so let me pull uh an oracle for

1893

01:09:36,309 --> 01:09:35,269

oh what did i tell you look at that guys

1894

01:09:38,149 --> 01:09:36,319

i don't even have to use

1895

01:09:39,590 --> 01:09:38,159

tarot and i can already tell you what

1896

01:09:41,510 --> 01:09:39,600

this man is going through

1897

01:09:43,590 --> 01:09:41,520

and what he's trying to do there's a

1898

01:09:44,870 --> 01:09:43,600

reason why that this job ended for you

1899

01:09:47,269 --> 01:09:44,880

because there's actually something

1900

01:09:49,590 --> 01:09:47,279

coming in to actually

1901
01:09:51,030 --> 01:09:49,600
help you expand what is it you're trying

1902
01:09:52,229 --> 01:09:51,040
to do i love that

1903
01:09:53,669 --> 01:09:52,239
i love the fact that you just said

1904
01:09:54,950 --> 01:09:53,679
you're starting a business that's

1905
01:09:56,709 --> 01:09:54,960
awesome

1906
01:09:58,709 --> 01:09:56,719
yeah that's going to bring you what is

1907
01:10:02,070 --> 01:09:58,719
it you're asking for look at this

1908
01:10:03,910 --> 01:10:02,080
expect a powerful change so there is

1909
01:10:04,870 --> 01:10:03,920
change coming along this job that you

1910
01:10:08,790 --> 01:10:04,880
have to let go of

1911
01:10:12,070 --> 01:10:08,800
had to happen this had to happen for you

1912
01:10:14,390 --> 01:10:12,080
and i think that with that being said

1913
01:10:16,070 --> 01:10:14,400

it said oh my god look at this kill why

1914

01:10:17,590 --> 01:10:16,080

didn't you have to like ask the cards it

1915

01:10:20,149 --> 01:10:17,600

just literally came out

1916

01:10:22,149 --> 01:10:20,159

so it says expect a powerful change and

1917

01:10:24,790 --> 01:10:22,159

show the world the real you

1918

01:10:26,709 --> 01:10:24,800

meaning you need to start that business

1919

01:10:28,830 --> 01:10:26,719

because that changes for you to start

1920

01:10:31,750 --> 01:10:28,840

that business

1921

01:10:34,950 --> 01:10:31,760

okay so i hope that

1922

01:10:36,229 --> 01:10:34,960

helped you see steven i used no tarot

1923

01:10:37,990 --> 01:10:36,239

cards

1924

01:10:39,270 --> 01:10:38,000

and this man just admitted that he's

1925

01:10:41,590 --> 01:10:39,280

starting his own business this is

1926

01:10:45,669 --> 01:10:41,600

incredible

1927

01:10:48,709 --> 01:10:45,679

so you're on mute by the way

1928

01:10:50,470 --> 01:10:48,719

i'm sorry i was coughing yeah

1929

01:10:52,070 --> 01:10:50,480

he says yeah i understand and i'm

1930

01:10:52,950 --> 01:10:52,080

starting my own business so you nailed

1931

01:10:56,149 --> 01:10:52,960

that one

1932

01:10:56,470 --> 01:10:56,159

yeah yeah you don't need cards to like i

1933

01:10:58,630 --> 01:10:56,480

have

1934

01:11:01,189 --> 01:10:58,640

special gifts for a reason i've had this

1935

01:11:03,430 --> 01:11:01,199

gift since i was a kid so

1936

01:11:04,310 --> 01:11:03,440

so did we get them all or do we have

1937

01:11:07,430 --> 01:11:04,320

time for

1938

01:11:09,990 --> 01:11:07,440

another one i think uh oh wait leo

1939

01:11:11,270 --> 01:11:10,000

future health oh wait a minute mine glad

1940

01:11:14,310 --> 01:11:11,280

dave crypto

1941

01:11:14,950 --> 01:11:14,320

he's aries and outlook on the hurricane

1942

01:11:16,630 --> 01:11:14,960

season

1943

01:11:18,390 --> 01:11:16,640

oh you want another question on the

1944

01:11:19,669 --> 01:11:18,400

hurricane season i'm guessing you're in

1945

01:11:24,149 --> 01:11:19,679

florida

1946

01:11:27,669 --> 01:11:26,310

oh there's actually and if anybody

1947

01:11:29,430 --> 01:11:27,679

should happen to hear children

1948

01:11:32,550 --> 01:11:29,440

screaming it's because i don't know

1949

01:11:35,669 --> 01:11:32,560

what's going on outside of my office

1950

01:11:36,870 --> 01:11:35,679

they're ten and and five oh yeah they're

1951

01:11:38,470 --> 01:11:36,880

they're running them up probably

1952

01:11:40,310 --> 01:11:38,480

somewhere dude it's like the natives are

1953

01:11:45,110 --> 01:11:40,320

restless

1954

01:11:54,149 --> 01:11:46,310

when did i realize when i was a

1955

01:11:55,830 --> 01:11:54,159

different kid

1956

01:11:59,030 --> 01:11:55,840

i need more you're very attached to your

1957

01:12:02,870 --> 01:11:59,040

higher self don't craze face

1958

01:12:04,310 --> 01:12:02,880

you have issues dude anyways um

1959

01:12:05,430 --> 01:12:04,320

that's probably why things don't go the

1960

01:12:06,950 --> 01:12:05,440

way that you want them to you're

1961

01:12:10,149 --> 01:12:06,960

projecting hell right now

1962

01:12:13,110 --> 01:12:10,159

anyway so five of um

1963

01:12:13,910 --> 01:12:13,120

swords or five of wands so with the five

1964

01:12:17,669 --> 01:12:13,920

of wands

1965

01:12:19,110 --> 01:12:17,679

okay around this hurricane season um

1966

01:12:20,709 --> 01:12:19,120

the thing is is that when the five of

1967

01:12:22,229 --> 01:12:20,719

wands regardless when it's upright or

1968

01:12:24,709 --> 01:12:22,239

not you know it's still

1969

01:12:26,310 --> 01:12:24,719

is symbolizing tension so there is

1970

01:12:28,149 --> 01:12:26,320

tension regarding this

1971

01:12:29,669 --> 01:12:28,159

hurricane season that's about to come up

1972

01:12:31,350 --> 01:12:29,679

because i know if you live in florida i

1973

01:12:32,790 --> 01:12:31,360

usually know that hurricane season

1974

01:12:35,990 --> 01:12:32,800

usually starts around july

1975

01:12:37,910 --> 01:12:36,000

august so there are going to be kind of

1976

01:12:39,270 --> 01:12:37,920

a moment where things might get a little

1977

01:12:41,430 --> 01:12:39,280

chaotic um

1978

01:12:42,870 --> 01:12:41,440

and just be prepared because there's

1979

01:12:44,070 --> 01:12:42,880

going to be a lot of people fleeing from

1980

01:12:45,350 --> 01:12:44,080

this hurricane

1981

01:12:47,350 --> 01:12:45,360

hurricane and they're making that

1982

01:12:51,189 --> 01:12:47,360

decision very quickly so

1983

01:12:53,910 --> 01:12:51,199

um definitely just keep keep in mind

1984

01:12:55,110 --> 01:12:53,920

that with this situation here um you

1985

01:12:57,189 --> 01:12:55,120

know be prepared

1986

01:12:58,310 --> 01:12:57,199

for this coming uh look at this people

1987

01:13:00,630 --> 01:12:58,320

are trying to move out

1988

01:13:01,750 --> 01:13:00,640

out of wherever you're at right now i

1989

01:13:05,110 --> 01:13:01,760

look forward to hurricane

1990

01:13:07,189 --> 01:13:05,120

ireland seriously

1991

01:13:08,310 --> 01:13:07,199

oh no he's in uh oh that's somebody

1992

01:13:10,950 --> 01:13:08,320

random

1993

01:13:11,590 --> 01:13:10,960

new orleans actually oh new orleans okay

1994

01:13:13,350 --> 01:13:11,600

so

1995

01:13:15,030 --> 01:13:13,360

that's definitely hurricane territory

1996

01:13:17,430 --> 01:13:15,040

yeah yeah i know that florida

1997

01:13:18,070 --> 01:13:17,440

is hurricane has hurricanes a lot and i

1998

01:13:21,590 --> 01:13:18,080

know that

1999

01:13:23,189 --> 01:13:21,600

new orleans some parts of the south too

2000

01:13:25,189 --> 01:13:23,199

so yeah i feel like people are going to

2001

01:13:26,550 --> 01:13:25,199

be fleeing there's there's moments

2002

01:13:28,229 --> 01:13:26,560

either you can be probably thinking

2003

01:13:29,110 --> 01:13:28,239

about moving out of there or there'll

2004

01:13:30,870 --> 01:13:29,120

just be a lot of

2005

01:13:32,070 --> 01:13:30,880

individuals like kind of getting spooked

2006

01:13:32,870 --> 01:13:32,080

out because they don't know what to

2007

01:13:34,229 --> 01:13:32,880

expect

2008

01:13:36,229 --> 01:13:34,239

because kind of like what happened to

2009

01:13:37,270 --> 01:13:36,239

texas right where texas where they had

2010

01:13:39,110 --> 01:13:37,280

this massive

2011

01:13:41,189 --> 01:13:39,120

crazy snowstorm out of nowhere and

2012

01:13:43,510 --> 01:13:41,199

people just were like oh my god

2013

01:13:45,030 --> 01:13:43,520

what do i do like where do i go and

2014

01:13:46,630 --> 01:13:45,040

people were out of power people were out

2015

01:13:49,669 --> 01:13:46,640

of food what all that

2016

01:13:51,830 --> 01:13:49,679

so i feel like if if you have a hunch

2017

01:13:53,430 --> 01:13:51,840

you better listen to that hunch um

2018

01:13:54,070 --> 01:13:53,440

because yeah people are going to be very

2019

01:13:56,390 --> 01:13:54,080

distraught

2020

01:13:57,510 --> 01:13:56,400

unhappy um this is definitely from the

2021

01:14:01,030 --> 01:13:57,520

universe

2022

01:14:01,669 --> 01:14:01,040

this ruckus because it needs to happen

2023

01:14:05,350 --> 01:14:01,679

so

2024

01:14:05,910 --> 01:14:05,360

be prepared more than normal this time

2025

01:14:07,350 --> 01:14:05,920

around

2026

01:14:09,830 --> 01:14:07,360

because there's going to be more things

2027

01:14:11,189 --> 01:14:09,840

causing it than normal than past

2028

01:14:13,830 --> 01:14:11,199

hurricanes for sure

2029

01:14:15,510 --> 01:14:13,840

so nice and we have somebody in the

2030

01:14:18,790 --> 01:14:15,520

facebook live chat

2031

01:14:21,590 --> 01:14:18,800

uh well comments uh leo

2032

01:14:24,630 --> 01:14:21,600

it's eddie shout out to eddie and i

2033

01:14:28,310 --> 01:14:24,640

would love to do future health however

2034

01:14:30,070 --> 01:14:28,320

i'm not a doctor i'm not um a licensed

2035

01:14:33,510 --> 01:14:30,080

physician

2036

01:14:36,790 --> 01:14:33,520

so unfortunately i cannot however

2037

01:14:38,790 --> 01:14:36,800

i can recommend you to a lovely doctor

2038

01:14:41,510 --> 01:14:38,800

named dr robert morris

2039

01:14:42,870 --> 01:14:41,520

on youtube so go ahead and check him out

2040

01:14:46,870 --> 01:14:42,880

he's a naturopathic

2041

01:14:51,260 --> 01:14:46,880

physician and he's amazing yeah

2042

01:14:51,270 --> 01:14:54,470

[Music]

2043

01:14:59,510 --> 01:14:57,990

it's okay bait is good yeah so

2044

01:15:01,110 --> 01:14:59,520

i think we got everybody yeah i think

2045

01:15:04,550 --> 01:15:01,120

what everyone's good

2046

01:15:07,669 --> 01:15:04,560

we're gonna wrap it up here folks and uh

2047

01:15:09,110 --> 01:15:07,679

i will uh i may be doing another show

2048

01:15:11,990 --> 01:15:09,120

tonight it depends

2049

01:15:13,189 --> 01:15:12,000

yeah okay i have some things to do

2050

01:15:16,310 --> 01:15:13,199

tomorrow and may not get

2051

01:15:18,709 --> 01:15:16,320

time to you know yeah i feel it

2052

01:15:20,950 --> 01:15:18,719

but uh you know i want to thank you for

2053

01:15:22,950 --> 01:15:20,960

doing this because a lot of people

2054

01:15:24,229 --> 01:15:22,960

because they knew that people might be

2055

01:15:26,870 --> 01:15:24,239

nasty to them

2056

01:15:27,910 --> 01:15:26,880

or you know i just think it's funny you

2057

01:15:31,110 --> 01:15:27,920

know like it's like

2058

01:15:31,510 --> 01:15:31,120

fun yeah it's okay though i mean look at

2059

01:15:38,950 --> 01:15:31,520

the

2060

01:15:41,270 --> 01:15:38,960

and that's just what it is

2061

01:15:42,310 --> 01:15:41,280

yeah i'm gonna do another one tonight

2062

01:15:44,950 --> 01:15:42,320

i'm gonna take a break

2063

01:15:47,830 --> 01:15:44,960

and then we're gonna dive into sarah r

2064

01:15:49,910 --> 01:15:47,840

adams and her super puppies

2065

01:15:51,669 --> 01:15:49,920

told jimmy church about after jimmy

2066

01:15:52,630 --> 01:15:51,679

church says he vets everything on his

2067

01:15:54,550 --> 01:15:52,640

show three times

2068

01:15:57,110 --> 01:15:54,560

yeah oh no i can't wait for that rope

2069

01:15:58,550 --> 01:15:57,120

status has a very good question

2070

01:16:00,630 --> 01:15:58,560

when did you know you were different

2071

01:16:01,990 --> 01:16:00,640

from other kids

2072

01:16:03,830 --> 01:16:02,000

yeah i could totally answer that

2073

01:16:06,870 --> 01:16:03,840

question so uh

2074

01:16:10,070 --> 01:16:06,880

this happened when

2075

01:16:12,470 --> 01:16:10,080

i was a very little girl i

2076

01:16:13,910 --> 01:16:12,480

it's hard to explain this but um my

2077

01:16:16,950 --> 01:16:13,920

mother would tell me

2078

01:16:17,750 --> 01:16:16,960

that i would have like little imaginary

2079

01:16:19,510 --> 01:16:17,760

friends

2080

01:16:21,110 --> 01:16:19,520

and i was like what the hell are you

2081

01:16:21,990 --> 01:16:21,120

talking about i don't remember that

2082

01:16:23,990 --> 01:16:22,000

truly

2083

01:16:25,750 --> 01:16:24,000

but i know with little kids they're able

2084

01:16:27,270 --> 01:16:25,760

to actually see spirits and they're able

2085

01:16:28,550 --> 01:16:27,280

to see like their guardian angels if you

2086

01:16:30,870 --> 01:16:28,560

believe in that or not but

2087

01:16:32,709 --> 01:16:30,880

they're able to see things that um you

2088

01:16:34,070 --> 01:16:32,719

know others don't as adults you tend to

2089

01:16:37,030 --> 01:16:34,080

not really see that as much

2090

01:16:38,070 --> 01:16:37,040

so i feel like um that kind of sparked

2091

01:16:40,310 --> 01:16:38,080

it because i'm like

2092

01:16:41,350 --> 01:16:40,320

as i got older like i actually asked my

2093

01:16:43,189 --> 01:16:41,360

mom like

2094

01:16:44,470 --> 01:16:43,199

tell me more about what that even meant

2095

01:16:45,990 --> 01:16:44,480

you know yeah you were just because i

2096

01:16:47,430 --> 01:16:46,000

was a single child at the time

2097

01:16:49,350 --> 01:16:47,440

so when you're a little kid and you

2098

01:16:51,030 --> 01:16:49,360

don't have you know a lot of kids around

2099

01:16:53,510 --> 01:16:51,040

you or you don't have siblings

2100

01:16:54,390 --> 01:16:53,520

um little under kids that have a really

2101
01:16:57,270 --> 01:16:54,400
big creativity

2102
01:16:58,310 --> 01:16:57,280
will tend to create imaginary friends um

2103
01:17:00,550 --> 01:16:58,320
and so

2104
01:17:02,470 --> 01:17:00,560
that is kind of what sparked it when i

2105
01:17:04,149 --> 01:17:02,480
was a little kid and then as far as

2106
01:17:06,070 --> 01:17:04,159
as soon as i started to kind of mature a

2107
01:17:09,189 --> 01:17:06,080
little bit more um when i was

2108
01:17:10,070 --> 01:17:09,199
in high school i actually used to um do

2109
01:17:11,990 --> 01:17:10,080
a lot of remote

2110
01:17:13,110 --> 01:17:12,000
viewing with my friends and like would

2111
01:17:14,070 --> 01:17:13,120
tell them certain things that were

2112
01:17:15,750 --> 01:17:14,080
happening

2113
01:17:17,189 --> 01:17:15,760

and they would freak out with me they're

2114

01:17:18,550 --> 01:17:17,199

like well how did you even know that

2115

01:17:19,990 --> 01:17:18,560

like that's crazy

2116

01:17:21,510 --> 01:17:20,000

and i'm like i don't know this is just

2117

01:17:22,950 --> 01:17:21,520

something i had and i've kept it under

2118

01:17:26,229 --> 01:17:22,960

wraps forever

2119

01:17:29,110 --> 01:17:26,239

until recently um

2120

01:17:30,070 --> 01:17:29,120

the last like i want to say five to six

2121

01:17:35,110 --> 01:17:30,080

years

2122

01:17:35,669 --> 01:17:35,120

when i actually started to hone in on my

2123

01:17:37,270 --> 01:17:35,679

gifts

2124

01:17:38,709 --> 01:17:37,280

because i had them dormant for a very

2125

01:17:40,070 --> 01:17:38,719

long time like i didn't want anything to

2126
01:17:40,950 --> 01:17:40,080
do with it because i didn't know what to

2127
01:17:43,270 --> 01:17:40,960
do with it

2128
01:17:44,149 --> 01:17:43,280
i was young i was a young girl but as i

2129
01:17:45,669 --> 01:17:44,159
got older

2130
01:17:47,910 --> 01:17:45,679
you know as time progressed they got

2131
01:17:49,110 --> 01:17:47,920
even stronger regardless if i ignored

2132
01:17:52,390 --> 01:17:49,120
them or not so

2133
01:17:54,229 --> 01:17:52,400
i felt like now that i'm my age now i'm

2134
01:17:55,030 --> 01:17:54,239
a lot more mature to handle these things

2135
01:17:56,709 --> 01:17:55,040
and that's why

2136
01:17:59,270 --> 01:17:56,719
i'm able like i tell you guys when you

2137
01:18:01,590 --> 01:17:59,280
come on to stephen or on to my show

2138
01:18:03,030 --> 01:18:01,600

um i don't need the cards i can easily

2139

01:18:04,550 --> 01:18:03,040

like pick up on your energy

2140

01:18:06,070 --> 01:18:04,560

and understand what is it you're going

2141

01:18:07,830 --> 01:18:06,080

through in different flaws so

2142

01:18:09,590 --> 01:18:07,840

this individual that you know i'm going

2143

01:18:11,189 --> 01:18:09,600

to shut your name out again the dawn

2144

01:18:12,310 --> 01:18:11,199

craze phase i know that you're going

2145

01:18:14,070 --> 01:18:12,320

through something right now

2146

01:18:16,790 --> 01:18:14,080

and you're very skeptical on certain

2147

01:18:18,390 --> 01:18:16,800

aspects of spirituality and that's okay

2148

01:18:20,950 --> 01:18:18,400

i'm gonna send a lot of love and light

2149

01:18:22,390 --> 01:18:20,960

to you um to your heart because i know

2150

01:18:23,430 --> 01:18:22,400

that you don't understand things and

2151

01:18:25,350 --> 01:18:23,440

that's okay

2152

01:18:27,110 --> 01:18:25,360

and you know i'm not a bad individual i

2153

01:18:29,750 --> 01:18:27,120

don't mean any harm to anyone

2154

01:18:30,149 --> 01:18:29,760

and you know um love and light to you

2155

01:18:33,030 --> 01:18:30,159

dude

2156

01:18:34,950 --> 01:18:33,040

that's all i can say to that yeah yeah

2157

01:18:36,070 --> 01:18:34,960

and i i'll think of you and my thoughts

2158

01:18:37,910 --> 01:18:36,080

and prayers as well

2159

01:18:39,430 --> 01:18:37,920

maybe yeah for sure sometimes you people

2160

01:18:41,990 --> 01:18:39,440

need prayers you know

2161

01:18:43,669 --> 01:18:42,000

yeah yeah so yeah hugh is here who says

2162

01:18:45,669 --> 01:18:43,679

jimmy church's hypocrisy needs

2163

01:18:48,229 --> 01:18:45,679

discussing tune in

2164

01:18:50,950 --> 01:18:48,239

and i'm gonna i'm going through the

2165

01:18:52,630 --> 01:18:50,960

sarah or adam super powers run down

2166

01:18:55,110 --> 01:18:52,640

she's telling jimmy church about all our

2167

01:18:55,910 --> 01:18:55,120

new super so we're going to talk about

2168

01:19:04,790 --> 01:18:55,920

that

2169

01:19:08,070 --> 01:19:07,270

yeah yeah and i do have to say this too

2170

01:19:11,030 --> 01:19:08,080

uh

2171

01:19:12,709 --> 01:19:11,040

oh i don't know maybe this is it'll even

2172

01:19:14,709 --> 01:19:12,719

come as a surprise to steph but one of

2173

01:19:17,510 --> 01:19:14,719

the reasons that i did this was

2174

01:19:19,830 --> 01:19:17,520

because i thought when else am i going

2175

01:19:23,189 --> 01:19:19,840

to get an opportunity to

2176

01:19:26,470 --> 01:19:23,199

like hear an intuitive tarot card reader

2177

01:19:29,350 --> 01:19:26,480

read people for hours right

2178

01:19:30,229 --> 01:19:29,360

so maybe i have my own selfish interests

2179

01:19:35,990 --> 01:19:30,239

in

2180

01:19:38,630 --> 01:19:36,000

this afforded me an opportunity to

2181

01:19:41,830 --> 01:19:38,640

listen to staff give the readings to uh

2182

01:19:44,229 --> 01:19:41,840

observe to see people's the psychology

2183

01:19:47,030 --> 01:19:44,239

of people's reaction to the readings

2184

01:19:48,630 --> 01:19:47,040

to later have people email me and say

2185

01:19:50,229 --> 01:19:48,640

how bet on she was

2186

01:19:52,149 --> 01:19:50,239

with the reading that she gave like two

2187

01:19:55,510 --> 01:19:52,159

weeks after your appearances

2188

01:19:56,630 --> 01:19:55,520

my inbox starts you know binging and

2189

01:19:58,950 --> 01:19:56,640

i've had

2190

01:20:00,550 --> 01:19:58,960

probably six or seven people email me

2191

01:20:01,590 --> 01:20:00,560

with how accurate they thought your

2192

01:20:03,669 --> 01:20:01,600

readings were

2193

01:20:04,709 --> 01:20:03,679

so oh and the other thing is this is

2194

01:20:06,950 --> 01:20:04,719

like it's

2195

01:20:08,790 --> 01:20:06,960

steph it's very easy for me to tell the

2196

01:20:10,709 --> 01:20:08,800

audience what i don't believe

2197

01:20:13,669 --> 01:20:10,719

right for sure because some of these

2198

01:20:15,350 --> 01:20:13,679

frauds and charlatans and wires and

2199

01:20:18,470 --> 01:20:15,360

fairy tale people they're so easy to

2200

01:20:20,629 --> 01:20:18,480

pick apart and prove that they're frauds

2201

01:20:21,830 --> 01:20:20,639

and i don't believe them it's it's much

2202

01:20:24,149 --> 01:20:21,840

much harder

2203

01:20:26,070 --> 01:20:24,159

to show people what i do believe and i'm

2204

01:20:29,590 --> 01:20:26,080

still trying to decide on what i

2205

01:20:31,030 --> 01:20:29,600

believe so you know i decided

2206

01:20:31,990 --> 01:20:31,040

consciously to get a little more

2207

01:20:34,310 --> 01:20:32,000

esoteric in

2208

01:20:35,189 --> 01:20:34,320

our show coverage here and things that

2209

01:20:38,310 --> 01:20:35,199

we cover

2210

01:20:40,149 --> 01:20:38,320

in talks with a remote uh viewer which

2211

01:20:41,669 --> 01:20:40,159

is something that a year ago i never

2212

01:20:42,709 --> 01:20:41,679

would have entertained having a remote

2213

01:20:46,550 --> 01:20:42,719

viewer here

2214

01:20:49,350 --> 01:20:46,560

or you know but i met a good one

2215

01:20:51,189 --> 01:20:49,360

and uh so i and i was kind of intrigued

2216

01:20:53,510 --> 01:20:51,199

by their ability

2217

01:20:55,590 --> 01:20:53,520

uh and and uh we've been through a few

2218

01:20:56,790 --> 01:20:55,600

different weird tasks with them and

2219

01:20:58,629 --> 01:20:56,800

we're they're gonna come on the show and

2220

01:21:00,550 --> 01:20:58,639

we're gonna talk about some of the

2221

01:21:02,870 --> 01:21:00,560

some of the let's just call them

2222

01:21:06,310 --> 01:21:02,880

experiments that i did with them

2223

01:21:08,870 --> 01:21:06,320

and you know so i have an interest in

2224

01:21:12,950 --> 01:21:08,880

all things paranormal esoteric and

2225

01:21:15,510 --> 01:21:12,960

magical or mystical we're going to cover

2226

01:21:16,629 --> 01:21:15,520

all of it you know yeah and stephen

2227

01:21:20,310 --> 01:21:16,639

could even tell you too

2228

01:21:21,910 --> 01:21:20,320

like um you know he didn't even ask me

2229

01:21:23,430 --> 01:21:21,920

to do a reading for him i just

2230

01:21:25,350 --> 01:21:23,440

volunteered to do a reading on him

2231

01:21:27,350 --> 01:21:25,360

because i wanted to show him like

2232

01:21:29,350 --> 01:21:27,360

that i'm the real deal you know and and

2233

01:21:30,229 --> 01:21:29,360

he was a skeptic himself you can he can

2234

01:21:32,390 --> 01:21:30,239

even tell you like

2235

01:21:33,270 --> 01:21:32,400

he did an episode where well i'd say i'm

2236

01:21:35,990 --> 01:21:33,280

still a skeptic

2237

01:21:38,550 --> 01:21:36,000

but i'm a little less skeptical and i'm

2238

01:21:39,750 --> 01:21:38,560

more interested engaged and intrigued by

2239

01:21:42,470 --> 01:21:39,760

the possibilities

2240

01:21:44,070 --> 01:21:42,480

now i haven't gotten to know you and you

2241

01:21:45,430 --> 01:21:44,080

know and also too

2242

01:21:47,350 --> 01:21:45,440

you know other show hosts have talked

2243

01:21:49,030 --> 01:21:47,360

about this like sometimes you just

2244

01:21:50,550 --> 01:21:49,040

become friends with somebody and you

2245

01:21:53,830 --> 01:21:50,560

lose your objectivity

2246

01:21:55,430 --> 01:21:53,840

you know like i don't know if i had

2247

01:21:58,149 --> 01:21:55,440

heard your readings

2248

01:21:59,830 --> 01:21:58,159

before knowing you at all if i would

2249

01:22:00,790 --> 01:21:59,840

have said this is crap or you know i

2250

01:22:02,470 --> 01:22:00,800

don't know

2251
01:22:04,550 --> 01:22:02,480
i don't think that i would though based

2252
01:22:06,550 --> 01:22:04,560
on what i've observed here

2253
01:22:07,590 --> 01:22:06,560
and also like i said sometimes you lose

2254
01:22:10,149 --> 01:22:07,600
your objectivity

2255
01:22:11,430 --> 01:22:10,159
you know like it just it just happens

2256
01:22:13,669 --> 01:22:11,440
right

2257
01:22:15,270 --> 01:22:13,679
yeah exactly and thank you for saying

2258
01:22:17,270 --> 01:22:15,280
that i appreciate that i don't ask for

2259
01:22:19,590 --> 01:22:17,280
money because that's not my goal here

2260
01:22:20,390 --> 01:22:19,600
you know it's it's more so like um yeah

2261
01:22:21,990 --> 01:22:20,400
but if you do

2262
01:22:23,990 --> 01:22:22,000
and you should know we should mention

2263
01:22:25,990 --> 01:22:24,000

though that if people want like a a

2264

01:22:27,030 --> 01:22:26,000

lot a longer reading oh yeah you can

2265

01:22:29,590 --> 01:22:27,040

totally record

2266

01:22:31,189 --> 01:22:29,600

them yeah and i've heard from several

2267

01:22:33,030 --> 01:22:31,199

people from our audience that have that

2268

01:22:34,790 --> 01:22:33,040

were very pleased with their readings

2269

01:22:38,229 --> 01:22:34,800

that they received from steph so

2270

01:22:41,590 --> 01:22:38,239

you can uh check out willow unity on

2271

01:22:46,870 --> 01:22:41,600

youtube and uh there's

2272

01:22:49,270 --> 01:22:46,880

a great resources there yeah for sure

2273

01:22:50,310 --> 01:22:49,280

so uh we have you coming back in two

2274

01:22:52,950 --> 01:22:50,320

weeks so

2275

01:22:54,229 --> 01:22:52,960

everybody that liked it can come back

2276

01:22:55,750 --> 01:22:54,239

two more tuesdays

2277

01:22:57,270 --> 01:22:55,760

and everybody that didn't like it can

2278

01:22:59,590 --> 01:22:57,280

come back and let me know that

2279

01:23:01,110 --> 01:22:59,600

in the live stream they can talk their

2280

01:23:03,350 --> 01:23:01,120

mess it's all good

2281

01:23:05,030 --> 01:23:03,360

it's all good and listen i'm perfectly

2282

01:23:06,470 --> 01:23:05,040

okay with people not liking something

2283

01:23:07,430 --> 01:23:06,480

that i do i just ask everybody to be

2284

01:23:09,189 --> 01:23:07,440

respectful

2285

01:23:10,790 --> 01:23:09,199

there's a way to say there's a way to

2286

01:23:13,270 --> 01:23:10,800

express your dissatisfaction with the

2287

01:23:16,070 --> 01:23:13,280

show or show topic or whatever

2288

01:23:16,790 --> 01:23:16,080

without being uh you know rude and nasty

2289

01:23:20,229 --> 01:23:16,800

to the guest

2290

01:23:22,310 --> 01:23:20,239

or we're the hosts you know

2291

01:23:23,510 --> 01:23:22,320

that's what i'm saying well i'm going to

2292

01:23:26,390 --> 01:23:23,520

throw you out of here

2293

01:23:29,189 --> 01:23:26,400

and yeah sure all right thank you guys

2294

01:23:34,229 --> 01:23:32,310

all right friends and uh i

2295

01:23:35,350 --> 01:23:34,239

i don't want to get too far into the

2296

01:23:37,189 --> 01:23:35,360

weeds tier

2297

01:23:38,629 --> 01:23:37,199

uh but the people that are not happy

2298

01:23:40,470 --> 01:23:38,639

with me uh

2299

01:23:42,550 --> 01:23:40,480

entertaining the idea of tarot card

2300

01:23:45,270 --> 01:23:42,560

readings here again

2301

01:23:46,550 --> 01:23:45,280

uh i'll spill a little bit of the beans

2302

01:23:49,510 --> 01:23:46,560

i've got

2303

01:23:50,470 --> 01:23:49,520

three pages of notes from every time

2304

01:23:54,149 --> 01:23:50,480

that

2305

01:23:57,669 --> 01:23:54,159

steph was here given tarot card readings

2306

01:23:58,709 --> 01:23:57,679

so maybe just maybe you don't know the

2307

01:24:02,390 --> 01:23:58,719

full

2308

01:24:05,750 --> 01:24:02,400

story of us hosting tarot cards here

2309

01:24:07,590 --> 01:24:05,760

at all maybe it's a further exploration

2310

01:24:08,870 --> 01:24:07,600

into an esoteric subject that i'm

2311

01:24:12,229 --> 01:24:08,880

interested in

2312

01:24:12,790 --> 01:24:12,239

and having a staff here who is a

2313

01:24:16,229 --> 01:24:12,800

competent

2314

01:24:18,070 --> 01:24:16,239

experienced tarot card reader afforded

2315

01:24:20,149 --> 01:24:18,080

me an interesting opportunity

2316

01:24:22,310 --> 01:24:20,159

because after all i'm sitting right here

2317

01:24:25,350 --> 01:24:22,320

listening to the whole thing

2318

01:24:28,870 --> 01:24:25,360

i get to study her

2319

01:24:31,270 --> 01:24:28,880

her readings i get to

2320

01:24:33,669 --> 01:24:31,280

interact with the audience i get to hear

2321

01:24:37,430 --> 01:24:33,679

feedback from the audience

2322

01:24:39,350 --> 01:24:37,440

to see what is it that they

2323

01:24:40,950 --> 01:24:39,360

thought about the accuracy of her

2324

01:24:41,830 --> 01:24:40,960

readings and i got to tell you that so

2325

01:24:43,669 --> 01:24:41,840

far

2326

01:24:45,189 --> 01:24:43,679

a lot of people are sending me very

2327

01:24:49,430 --> 01:24:45,199

positive stuff

2328

01:24:53,270 --> 01:24:49,440

about uh you know

2329

01:24:54,950 --> 01:24:53,280

how accurate her readings are now

2330

01:24:56,870 --> 01:24:54,960

you know i guess sometimes i could be a

2331

01:24:57,990 --> 01:24:56,880

science and data guy and i want to know

2332

01:24:59,750 --> 01:24:58,000

what exactly did she

2333

01:25:01,270 --> 01:24:59,760

say that would happen that happened and

2334

01:25:05,189 --> 01:25:01,280

what are the you know

2335

01:25:07,110 --> 01:25:05,199

ooh sorry what is the uh

2336

01:25:09,270 --> 01:25:07,120

you know the frequency with which she

2337

01:25:12,229 --> 01:25:09,280

misses a prediction

2338

01:25:14,550 --> 01:25:12,239

versus where she hits a prediction and

2339

01:25:15,270 --> 01:25:14,560

that's hard to quantify but i'm trying

2340

01:25:18,310 --> 01:25:15,280

here

2341

01:25:21,669 --> 01:25:18,320

missing

2342

01:25:22,629 --> 01:25:21,679

her is not going to help me complete

2343

01:25:25,590 --> 01:25:22,639

this

2344

01:25:26,149 --> 01:25:25,600

sort of project that i started and by

2345

01:25:28,390 --> 01:25:26,159

the way

2346

01:25:30,149 --> 01:25:28,400

uh now i have to be honest with her like

2347

01:25:32,149 --> 01:25:30,159

that i had an ulterior motive

2348

01:25:33,910 --> 01:25:32,159

also with hosting her here it wasn't

2349

01:25:35,270 --> 01:25:33,920

just because people asked me to have

2350

01:25:37,750 --> 01:25:35,280

tarot card readers here

2351

01:25:39,350 --> 01:25:37,760

i want an opportunity to study a tarot

2352

01:25:42,709 --> 01:25:39,360

card reader

2353

01:25:43,830 --> 01:25:42,719

and and try to learn more about this art

2354

01:25:46,950 --> 01:25:43,840

form

2355

01:25:49,990 --> 01:25:46,960

this uh this thing right

2356

01:25:52,070 --> 01:25:50,000

and having her here i got to do that and

2357

01:25:54,950 --> 01:25:52,080

you got to come along with me

2358

01:25:56,310 --> 01:25:54,960

and maybe after her uh next appearance

2359

01:25:58,550 --> 01:25:56,320

in two weeks

2360

01:25:59,590 --> 01:25:58,560

uh we'll do a show where i just talk

2361

01:26:03,030 --> 01:25:59,600

about

2362

01:26:06,830 --> 01:26:03,040

my uh experience observing this

2363

01:26:10,229 --> 01:26:06,840

tarot card reader and her readings

2364

01:26:10,950 --> 01:26:10,239

uh yeah hugh says my reading was very

2365

01:26:13,990 --> 01:26:10,960

accurate

2366

01:26:16,310 --> 01:26:14,000

yeah and i'm hearing that a lot and uh

2367

01:26:17,990 --> 01:26:16,320

you know but i still don't know if

2368

01:26:21,430 --> 01:26:18,000

that's because she's

2369

01:26:22,550 --> 01:26:21,440

good uh at giving generalized statements

2370

01:26:24,390 --> 01:26:22,560

and cold reading i

2371

01:26:26,310 --> 01:26:24,400

hear a little bit of things that sound

2372

01:26:27,189 --> 01:26:26,320

to me like typical cold reading in some

2373

01:26:30,390 --> 01:26:27,199

of her readings

2374

01:26:32,709 --> 01:26:30,400

but not as much as i have from she's

2375

01:26:34,310 --> 01:26:32,719

harder to

2376

01:26:37,830 --> 01:26:34,320

she's harder it's it's much harder for

2377

01:26:42,550 --> 01:26:37,840

me to say well she's cold reading

2378

01:26:44,470 --> 01:26:42,560

because of the the lack of generalized

2379

01:26:46,470 --> 01:26:44,480

statements that she makes she's a little

2380

01:26:48,950 --> 01:26:46,480

more direct than i've heard

2381

01:26:50,229 --> 01:26:48,960

almost any other psychic or intuitive

2382

01:26:53,910 --> 01:26:50,239

reader b

2383

01:26:55,750 --> 01:26:53,920

uh yeah

2384

01:26:57,350 --> 01:26:55,760

yeah wrong status says nothing malicious

2385

01:27:00,149 --> 01:26:57,360

about that girl

2386

01:27:01,910 --> 01:27:00,159

that's what counts and yeah listen you

2387

01:27:03,669 --> 01:27:01,920

know i can

2388

01:27:05,350 --> 01:27:03,679

i can say a lot of things about some of

2389

01:27:05,830 --> 01:27:05,360

the other people that we talk about but

2390

01:27:07,430 --> 01:27:05,840

one

2391

01:27:09,510 --> 01:27:07,440

thing that's for sure is they won't come

2392

01:27:11,030 --> 01:27:09,520

on my show and let me ask them questions

2393

01:27:13,669 --> 01:27:11,040

you see this girl's stuff is an open

2394

01:27:15,830 --> 01:27:13,679

book i can ask her anything

2395

01:27:17,510 --> 01:27:15,840

and she'll answer honestly to the best

2396

01:27:19,350 --> 01:27:17,520

of her ability and she believes she's

2397

01:27:21,110 --> 01:27:19,360

helping people with her readings and her

2398

01:27:23,110 --> 01:27:21,120

skills and her abilities

2399

01:27:26,470 --> 01:27:23,120

and i don't see anything wrong with that

2400

01:27:29,669 --> 01:27:26,480

now have i made a determination

2401

01:27:31,990 --> 01:27:29,679

about it do i believe

2402

01:27:33,030 --> 01:27:32,000

so far that tarot cards are anything

2403

01:27:36,470 --> 01:27:33,040

more than

2404

01:27:37,669 --> 01:27:36,480

just entertainment yeah yeah so far i

2405

01:27:39,750 --> 01:27:37,679

i think it's a little more than

2406

01:27:40,790 --> 01:27:39,760

entertainment and prank magic was here

2407

01:27:44,470 --> 01:27:40,800

earlier mention it

2408

01:27:46,709 --> 01:27:44,480

sometimes it's not about woo the the

2409

01:27:47,990 --> 01:27:46,719

the exercise of tarot cards can be a

2410

01:27:50,790 --> 01:27:48,000

psychological

2411

01:27:51,189 --> 01:27:50,800

experience to help you make a decision

2412

01:27:55,510 --> 01:27:51,199

or

2413

01:27:57,430 --> 01:27:55,520

possibilities so

2414

01:27:58,790 --> 01:27:57,440

yeah and again i'm sorry if somebody

2415

01:28:05,030 --> 01:27:58,800

didn't like

2416

01:28:06,870 --> 01:28:05,040

us having a tarot card reader but again

2417

01:28:09,350 --> 01:28:06,880

maybe you don't know

2418

01:28:10,470 --> 01:28:09,360

we maybe don't know the story the whole

2419

01:28:11,990 --> 01:28:10,480

story

2420

01:28:13,830 --> 01:28:12,000

i have three pages of notes from her

2421

01:28:15,030 --> 01:28:13,840

first appearances a few pages of notes

2422

01:28:18,870 --> 01:28:15,040

from her second appearance

2423

01:28:20,629 --> 01:28:18,880

tonight uh later tonight i'm gonna watch

2424

01:28:22,470 --> 01:28:20,639

i'm gonna play back the whole show and

2425

01:28:25,510 --> 01:28:22,480

i'm gonna make more notes

2426

01:28:27,030 --> 01:28:25,520

and then like i said at some point i'm

2427

01:28:28,950 --> 01:28:27,040

gonna have her on here and just

2428

01:28:30,950 --> 01:28:28,960

i'll spill the beats i'll say here's

2429

01:28:34,070 --> 01:28:30,960

what i think about your abilities

2430

01:28:36,390 --> 01:28:34,080

and she can agree or disagree with me or

2431

01:28:38,149 --> 01:28:36,400

the audience can agree or disagree with

2432

01:28:40,149 --> 01:28:38,159

me

2433

01:28:41,350 --> 01:28:40,159

but where else was i going to get an

2434

01:28:44,629 --> 01:28:41,360

opportunity to

2435

01:28:46,790 --> 01:28:44,639

observe and experience a tarot card

2436

01:28:47,669 --> 01:28:46,800

reader giving tarot card readings to

2437

01:28:50,149 --> 01:28:47,679

people

2438

01:28:51,510 --> 01:28:50,159

for four or five hours you know most

2439

01:28:53,189 --> 01:28:51,520

tower card readers were not just going

2440

01:28:55,590 --> 01:28:53,199

to let me sit and listen into them

2441

01:28:58,470 --> 01:28:55,600

giving readings for four or five hours

2442

01:28:58,790 --> 01:28:58,480

to me this was an opportunity and i took

2443

01:29:01,110 --> 01:28:58,800

it

2444

01:29:04,550 --> 01:29:01,120

and i'm sorry if you don't like that but

2445

01:29:07,110 --> 01:29:04,560

you know stay tuned and uh you know

2446

01:29:07,750 --> 01:29:07,120

i will present my notes on on this whole

2447

01:29:10,629 --> 01:29:07,760

experience

2448

01:29:12,470 --> 01:29:10,639

eventually we're building to that right

2449

01:29:14,390 --> 01:29:12,480

yes anybody that knows me i tend to be a

2450

01:29:17,510 --> 01:29:14,400

little bit

2451

01:29:20,790 --> 01:29:17,520

obsessive about researching things or

2452

01:29:23,030 --> 01:29:20,800

investigating things so and and hey

2453

01:29:25,350 --> 01:29:23,040

i get it uh some people didn't know that

2454

01:29:27,830 --> 01:29:25,360

i was doing this until i said it tonight

2455

01:29:28,870 --> 01:29:27,840

but okay maybe they just thought oh he's

2456

01:29:30,310 --> 01:29:28,880

going woo

2457

01:29:32,070 --> 01:29:30,320

you know and i've got other show hosts

2458

01:29:34,390 --> 01:29:32,080

saying i sold out or something

2459

01:29:35,990 --> 01:29:34,400

we just got super chats turned on last

2460

01:29:38,149 --> 01:29:36,000

week or something right

2461

01:29:40,950 --> 01:29:38,159

i've been doing this for years suddenly

2462

01:29:42,149 --> 01:29:40,960

i'm a sellout because i got super chats

2463

01:29:44,310 --> 01:29:42,159

but people are gonna say whatever

2464

01:29:45,110 --> 01:29:44,320

they're gonna say and and uh you know

2465

01:29:47,270 --> 01:29:45,120

people are like

2466

01:29:48,790 --> 01:29:47,280

oh he's gonna make the show more

2467

01:29:49,350 --> 01:29:48,800

commercial and he's gonna do this for

2468

01:29:52,390 --> 01:29:49,360

money

2469

01:29:53,430 --> 01:29:52,400

well hey bro uh i spent 20 hours a week

2470

01:29:55,990 --> 01:29:53,440

on average

2471

01:29:56,629 --> 01:29:56,000

sometimes more working on the show and

2472

01:29:58,550 --> 01:29:56,639

my time

2473

01:30:00,550 --> 01:29:58,560

is worth something if you don't like

2474

01:30:05,430 --> 01:30:00,560

that i don't know what to tell you

2475

01:30:07,510 --> 01:30:05,440

you know yes deep breath

2476

01:30:12,310 --> 01:30:07,520

i just did it right when i read that

2477

01:30:15,750 --> 01:30:14,390

yeah tarot is interpreting the cards not

2478

01:30:17,750 --> 01:30:15,760

prediction

2479

01:30:19,510 --> 01:30:17,760

yeah i mean you know there's all

2480

01:30:22,709 --> 01:30:19,520

different interpretations

2481

01:30:25,750 --> 01:30:22,719

i'm going to do is

2482

01:30:28,390 --> 01:30:25,760

i'm going to take a break and then uh

2483

01:30:30,070 --> 01:30:28,400

at 11 p.m eastern standard time which is

2484

01:30:31,750 --> 01:30:30,080

just about 30 minutes from now i'm going

2485

01:30:33,110 --> 01:30:31,760

to come back and do a second show for

2486

01:30:35,189 --> 01:30:33,120

the night

2487

01:30:36,870 --> 01:30:35,199

and that's gonna be on sarah r adams

2488

01:30:39,990 --> 01:30:36,880

appearance on jimmy church

2489

01:30:41,669 --> 01:30:40,000

you're gonna like it uh

2490

01:30:43,669 --> 01:30:41,679

i hope that you'll join me for that and

2491

01:30:47,110 --> 01:30:43,679

if you want to laugh at fake psychics

2492

01:30:50,070 --> 01:30:47,120

you know come and let's do that tonight

2493

01:30:51,910 --> 01:30:50,080

i haven't determined that you know i

2494

01:30:52,870 --> 01:30:51,920

don't even know she considers herself a

2495

01:30:55,990 --> 01:30:52,880

psychic she

2496

01:30:59,430 --> 01:30:56,000

said intuitive um

2497

01:31:01,270 --> 01:30:59,440

yeah and and again maybe i've lost my

2498

01:31:01,990 --> 01:31:01,280

objectivity i like steph i think she's a

2499

01:31:03,590 --> 01:31:02,000

good person

2500

01:31:05,430 --> 01:31:03,600

i think that she's truly trying to help

2501

01:31:06,470 --> 01:31:05,440

people with an ability that she feels

2502

01:31:09,669 --> 01:31:06,480

that she has

2503

01:31:11,750 --> 01:31:09,679

you know was born with uh

2504

01:31:22,229 --> 01:31:11,760

yeah and v says taro is fascinating and

2505

01:31:25,990 --> 01:31:25,110

you on oh you on jimmy church yeah we're

2506

01:31:28,390 --> 01:31:26,000

going to talk about

2507

01:31:32,629 --> 01:31:28,400

uh sarah r adams recent appearance on

2508

01:31:35,910 --> 01:31:35,110

yeah uh so i'm gonna take a short break

2509

01:31:37,430 --> 01:31:35,920

friends and

2510

01:31:39,510 --> 01:31:37,440

i'm gonna come back and we're gonna have

2511

01:31:41,350 --> 01:31:39,520

a double dose of truth seekers tonight

2512

01:31:43,189 --> 01:31:41,360

so again for the people that like this

2513

01:31:43,990 --> 01:31:43,199

show maybe you'll like the next one

2514

01:31:46,390 --> 01:31:44,000

that's all i can tell

2515

01:31:47,110 --> 01:31:46,400

you you know i'm trying real hard up

2516

01:31:50,149 --> 01:31:47,120

here

2517

01:31:51,910 --> 01:31:50,159

you know i have when i'm so skeptical

2518

01:31:53,750 --> 01:31:51,920

and i beat everybody up then i have a

2519

01:31:55,270 --> 01:31:53,760

lot of the true believers emailing me

2520

01:31:56,709 --> 01:31:55,280

saying why don't you have this person or

2521

01:31:57,510 --> 01:31:56,719

why do you have that person or why do

2522

01:32:00,790 --> 01:31:57,520

you at least

2523

01:32:02,310 --> 01:32:00,800

try to you know can be fair and balanced

2524

01:32:04,310 --> 01:32:02,320

and give us some of the

2525

01:32:07,910 --> 01:32:04,320

more esoteric stuff and then i try to do

2526

01:32:10,310 --> 01:32:07,920

that and the skeptics don't like it so

2527

01:32:11,990 --> 01:32:10,320

yeah we're in a we're in a strange sort

2528

01:32:13,830 --> 01:32:12,000

of place though you know like

2529

01:32:15,350 --> 01:32:13,840

i'm trying to have some balance i don't

2530

01:32:18,390 --> 01:32:15,360

want to echo chamber here

2531

01:32:21,510 --> 01:32:18,400

of all skeptical people but i don't want

2532

01:32:22,790 --> 01:32:21,520

uh you know a bunch of woo people that

2533

01:32:24,790 --> 01:32:22,800

new age people that just believe

2534

01:32:26,870 --> 01:32:24,800

anything somebody says you know

2535

01:32:28,950 --> 01:32:26,880

i'm looking for a balance a nice balance

2536

01:32:31,030 --> 01:32:28,960

so that we could build a community

2537

01:32:32,629 --> 01:32:31,040

of all different types of people

2538

01:32:35,510 --> 01:32:32,639

skeptics believers

2539

01:32:36,790 --> 01:32:35,520

you know skeptical believers whatever

2540

01:32:39,510 --> 01:32:36,800

whatever the case may be

2541

01:32:41,270 --> 01:32:39,520

right well friends i'm always happy when

2542

01:32:41,669 --> 01:32:41,280

there's an audience i want to thank my

2543

01:32:45,030 --> 01:32:41,679

guest

2544

01:32:46,709 --> 01:32:45,040

steph from willow unity i'm very happy

2545

01:32:48,950 --> 01:32:46,719

that uh she came here to do this

2546

01:32:50,149 --> 01:32:48,960

she's gonna be back in two weeks and

2547

01:32:52,229 --> 01:32:50,159

we'll have more uh

2548

01:32:54,390 --> 01:32:52,239

maybe we'll have a you know a hop in

2549

01:32:55,910 --> 01:32:54,400

controversy happened in that live chat

2550

01:32:58,149 --> 01:32:55,920

that wouldn't be the first and it

2551

01:33:00,070 --> 01:32:58,159

probably wouldn't be the last time

2552

01:33:01,750 --> 01:33:00,080

so i'm always happy when there's an

2553

01:33:04,470 --> 01:33:01,760

audience i've come here

2554

01:33:05,990 --> 01:33:04,480

uh water in this garden for surely if i

2555

01:33:08,709 --> 01:33:06,000

continue to water this garden

2556

01:33:09,750 --> 01:33:08,719

this garden will grow thank you for

2557

01:33:12,310 --> 01:33:09,760

being here

2558

01:33:13,590 --> 01:33:12,320

and coming to the garden and seeing its

2559

01:33:15,350 --> 01:33:13,600

progress

2560

01:33:17,750 --> 01:33:15,360

until next time friends which will be in

2561

01:33:19,669 --> 01:33:17,760

about 30 minutes double shot tonight my

2562

01:33:25,180 --> 01:33:19,679

name is stephen champion

2563

01:34:55,340 --> 01:34:16,160

[Music]
