

CCSG-9 Comment: (U) USS OMAHA observed a possible UAS, spherical in shape moving towards the surface of the water and then disappearing. OMA assessed the object had sunk. Attempts to search the water for wreckage were ineffective.

[Applause]

6
00:01:08,700 --> 00:01:14,450
thank you

7
00:02:06,649 --> 00:01:39,830
[Music]

8
00:02:13,070 --> 00:02:10,369
greetings and salutations friends

9
00:02:14,990 --> 00:02:13,080
I'm here at the cabin and I was going to

10
00:02:19,190 --> 00:02:15,000
do a quick show on this yesterday but

11
00:02:22,190 --> 00:02:19,200
got a little sidetracked uh so I I guess

12
00:02:25,790 --> 00:02:22,200
I would just jump on here and and do a

13
00:02:27,710 --> 00:02:25,800

quick overview of uh some things that

14

00:02:31,190 --> 00:02:27,720

people are talking about

15

00:02:33,949 --> 00:02:31,200

uh which is that Jeremy Corbell and

16

00:02:36,830 --> 00:02:33,959

George Knapp are at it again releasing

17

00:02:37,910 --> 00:02:36,840

yet another video from an anonymous

18

00:02:40,970 --> 00:02:37,920

source

19

00:02:43,190 --> 00:02:40,980

uh and again

20

00:02:47,150 --> 00:02:43,200

you know the thing with Korbelt is that

21

00:02:49,490 --> 00:02:47,160

his instant jump is transmedium vehicles

22

00:02:50,509 --> 00:02:49,500

uh because it may have went into the

23

00:02:53,809 --> 00:02:50,519

water

24

00:02:54,650 --> 00:02:53,819

uh I'm unconvinced I haven't seen the

25

00:02:58,369 --> 00:02:54,660

video

26

00:03:01,670 --> 00:02:58,379

to me it feels like uh

27

00:03:04,009 --> 00:03:01,680

it feels like another nothing Burger

28

00:03:07,970 --> 00:03:04,019

but I understand people are very excited

29

00:03:09,470 --> 00:03:07,980

about this for one reason or another

30

00:03:11,330 --> 00:03:09,480

uh

31

00:03:13,729 --> 00:03:11,340

yeah and Steph is here and says the

32

00:03:16,970 --> 00:03:13,739

cabin yeah actually I'm in the I'm in

33

00:03:18,470 --> 00:03:16,980

the original cabin before all the

34

00:03:20,690 --> 00:03:18,480

additions which is just this like

35

00:03:22,869 --> 00:03:20,700

kitchen room that's a total wreck right

36

00:03:25,789 --> 00:03:22,879

now I have to clean up in here

37

00:03:28,670 --> 00:03:25,799

uh but I have a electric fireplace

38

00:03:30,770 --> 00:03:28,680

heater in here and when it's really not

39

00:03:32,390 --> 00:03:30,780

that cold like not freezing cold outside

40

00:03:34,550 --> 00:03:32,400

I don't know what it is right now maybe

41

00:03:37,309 --> 00:03:34,560

40 45 outside

42

00:03:40,610 --> 00:03:37,319

I uh I just sleep in here we have a

43

00:03:43,130 --> 00:03:40,620

couch pull that couch in here so uh yeah

44

00:03:45,949 --> 00:03:43,140

that's where I'm at uh I don't wanna

45

00:03:47,690 --> 00:03:45,959

light a fire unless I really have to

46

00:03:50,449 --> 00:03:47,700

and then the less firewood I have to

47

00:03:53,210 --> 00:03:50,459

chop the better so sometimes I could get

48

00:03:55,789 --> 00:03:53,220

by here with just the electric heater

49

00:03:57,890 --> 00:03:55,799

which is what I'm doing right now but

50

00:04:00,649 --> 00:03:57,900

I've shut it off because it's noisy so

51
00:04:01,910 --> 00:04:00,659
uh but the temperature shouldn't drop in

52
00:04:03,429 --> 00:04:01,920
here for the time it takes for the

53
00:04:06,110 --> 00:04:03,439
broadcast so we're good

54
00:04:08,390 --> 00:04:06,120
uh yeah Jonah said the apocalypse cabin

55
00:04:09,589 --> 00:04:08,400
get it right yeah thanks Jonas side

56
00:04:11,030 --> 00:04:09,599
because I had to spend part of my

57
00:04:14,449 --> 00:04:11,040
weekend trying to figure out how I'm

58
00:04:16,310 --> 00:04:14,459
adding slides to the show thank you I

59
00:04:18,430 --> 00:04:16,320
appreciate that I appreciate the

60
00:04:21,370 --> 00:04:18,440
constant requests for slides

61
00:04:23,990 --> 00:04:21,380
uh so I'm gonna have to do it

62
00:04:25,430 --> 00:04:24,000
I think I gotta figure it out

63
00:04:31,370 --> 00:04:25,440

I can use

64

00:04:33,830 --> 00:04:31,380

yeah so back to this video I mean

65

00:04:35,810 --> 00:04:33,840

here's here's some observations that

66

00:04:39,230 --> 00:04:35,820

I've that I've had about his previous

67

00:04:41,090 --> 00:04:39,240

video George Knapp and Jeremy Corbell go

68

00:04:43,370 --> 00:04:41,100

out of their way to point out that these

69

00:04:47,270 --> 00:04:43,380

are unclassified images or these are

70

00:04:49,730 --> 00:04:47,280

unclassified videos and this is getting

71

00:04:51,409 --> 00:04:49,740

military person does not make any sense

72

00:04:54,469 --> 00:04:51,419

whatsoever

73

00:04:58,550 --> 00:04:54,479

if the government any branch of the U.S

74

00:05:00,830 --> 00:04:58,560

military is filming unknown aircraft in

75

00:05:02,930 --> 00:05:00,840

our territorial Skies

76

00:05:04,610 --> 00:05:02,940

that would be classified they wouldn't

77

00:05:06,550 --> 00:05:04,620

release that to the public they would

78

00:05:08,870 --> 00:05:06,560

investigate it but they wouldn't just

79

00:05:10,909 --> 00:05:08,880

declassify and let anybody see it

80

00:05:14,029 --> 00:05:10,919

especially when they don't even know

81

00:05:17,090 --> 00:05:14,039

what it is so this

82

00:05:20,029 --> 00:05:17,100

I had Zone aside everyone loves slides

83

00:05:22,070 --> 00:05:20,039

not me not if I have to make them dude

84

00:05:23,689 --> 00:05:22,080

I'm so busy now I gotta make slides come

85

00:05:25,390 --> 00:05:23,699

on I might do it a few times I'm not

86

00:05:29,450 --> 00:05:25,400

going to do it all the time

87

00:05:30,890 --> 00:05:29,460

I do have something a presentation that

88

00:05:32,510 --> 00:05:30,900

I made with PowerPoint that I'm going to

89

00:05:35,749 --> 00:05:32,520

try to transfer over so we'll see you'll

90

00:05:38,990 --> 00:05:35,759

get your slides stop crying Jonah's side

91

00:05:44,090 --> 00:05:39,000

so so back to this video it's like

92

00:05:45,529 --> 00:05:44,100

I don't believe that they understand how

93

00:05:49,010 --> 00:05:45,539

uh

94

00:05:49,969 --> 00:05:49,020

I don't I don't understand how they keep

95

00:05:52,490 --> 00:05:49,979

saying that these things are

96

00:05:55,070 --> 00:05:52,500

unclassified

97

00:05:57,650 --> 00:05:55,080

this video in particular is particularly

98

00:06:01,790 --> 00:05:57,660

troubling because apparently

99

00:06:03,050 --> 00:06:01,800

the video was playing on a video monitor

100

00:06:05,210 --> 00:06:03,060

on the ship

101
00:06:07,909 --> 00:06:05,220
and somebody took out their cell phone

102
00:06:10,850 --> 00:06:07,919
and recorded what we get

103
00:06:14,749 --> 00:06:10,860
folks if you're in the military you

104
00:06:16,550 --> 00:06:14,759
cannot just record things on ship from a

105
00:06:18,830 --> 00:06:16,560
cell phone and then release them to

106
00:06:20,570 --> 00:06:18,840
reporters

107
00:06:22,309 --> 00:06:20,580
now I'm not saying they're incorrect in

108
00:06:24,830 --> 00:06:22,319
their assessment that this is clear this

109
00:06:27,529 --> 00:06:24,840
is unclassified material for all I know

110
00:06:30,189 --> 00:06:27,539
it is but it doesn't sound right sounds

111
00:06:34,309 --> 00:06:30,199
very fishy this sounds very suspicious

112
00:06:36,469 --> 00:06:34,319
ask anybody in the Navy can you film any

113
00:06:39,350 --> 00:06:36,479

screen on the ship with your cell phone

114

00:06:41,330 --> 00:06:39,360

and then give it to reporters especially

115

00:06:43,790 --> 00:06:41,340

of

116

00:06:46,309 --> 00:06:43,800

and an event that that is being

117

00:06:47,930 --> 00:06:46,319

described here you can't do it you'd

118

00:06:51,170 --> 00:06:47,940

lose your job you'd lose your pension

119

00:06:53,390 --> 00:06:51,180

you'd be fired or court-martialed

120

00:06:56,150 --> 00:06:53,400

now I may be incorrect in that but I've

121

00:06:58,670 --> 00:06:56,160

reached out to several people I know who

122

00:07:01,010 --> 00:06:58,680

are now or formerly were in the Navy and

123

00:07:04,730 --> 00:07:01,020

all of them told me no you can't take

124

00:07:06,350 --> 00:07:04,740

pictures of even like a radar screen and

125

00:07:14,510 --> 00:07:06,360

share it with reporters if they're

126

00:07:20,870 --> 00:07:16,850

oh calcorph is here

127

00:07:24,110 --> 00:07:20,880

you own a Mac and you use PowerPoint nah

128

00:07:25,390 --> 00:07:24,120

I don't like mac I own one doesn't mean

129

00:07:28,249 --> 00:07:25,400

I like it

130

00:07:30,170 --> 00:07:28,259

I and actually I my Mac is an

131

00:07:32,749 --> 00:07:30,180

Abomination because it runs Linux and

132

00:07:35,029 --> 00:07:32,759

windows not Mac OS because Mac OS I

133

00:07:37,070 --> 00:07:35,039

can't stand

134

00:07:38,930 --> 00:07:37,080

okay they said that they won't comment

135

00:07:40,670 --> 00:07:38,940

on what it is they're investigating this

136

00:07:42,529 --> 00:07:40,680

meaning the leak

137

00:07:44,510 --> 00:07:42,539

of course this happens right in the

138

00:07:47,150 --> 00:07:44,520

run-up to the Pentagon Heights report

139

00:07:48,710 --> 00:07:47,160

yeah uh

140

00:07:51,469 --> 00:07:48,720

yeah

141

00:07:54,230 --> 00:07:51,479

wow I did not know that you're correct

142

00:07:55,909 --> 00:07:54,240

Navy said Elizondo broke the law but

143

00:07:58,129 --> 00:07:55,919

they are not going to prosecute yeah

144

00:08:01,189 --> 00:07:58,139

they can choose not to prosecute but

145

00:08:03,290 --> 00:08:01,199

what I'm saying Cal is that

146

00:08:05,570 --> 00:08:03,300

uh

147

00:08:08,869 --> 00:08:05,580

okay keynote yeah I'll check it out Cal

148

00:08:10,730 --> 00:08:08,879

uh somebody is desperately requesting

149

00:08:12,830 --> 00:08:10,740

slides here

150

00:08:14,990 --> 00:08:12,840

somebody in my audience they even sent

151
00:08:17,930 --> 00:08:15,000
me money because they want me to do

152
00:08:20,510 --> 00:08:17,940
slides just it's a goof on David Wilcox

153
00:08:23,450 --> 00:08:20,520
using slides constantly I will look into

154
00:08:25,070 --> 00:08:23,460
it you're my point Mr korf is that I

155
00:08:27,950 --> 00:08:25,080
reached out to people that I know that

156
00:08:30,350 --> 00:08:27,960
are either currently in the Navy or navy

157
00:08:33,769 --> 00:08:30,360
veteran and ask them all can you just

158
00:08:36,829 --> 00:08:33,779
take cell phone video of like

159
00:08:38,570 --> 00:08:36,839
you know a video being played on it on a

160
00:08:39,949 --> 00:08:38,580
screen in the ship and then release it

161
00:08:42,589 --> 00:08:39,959
to reporters

162
00:08:45,110 --> 00:08:42,599
and all of them said no you can't you

163
00:08:47,449 --> 00:08:45,120

can't do that especially if it's it's if

164

00:08:49,610 --> 00:08:47,459

it's some video of an unknown aircraft

165

00:08:51,410 --> 00:08:49,620

that the ship was tracking or

166

00:08:53,750 --> 00:08:51,420

investigating

167

00:08:54,710 --> 00:08:53,760

so this this stuff does not make sense

168

00:08:56,509 --> 00:08:54,720

to me

169

00:08:58,670 --> 00:08:56,519

and another thing that does not make

170

00:09:00,650 --> 00:08:58,680

sense to me is why did somebody wait two

171

00:09:02,210 --> 00:09:00,660

years to suddenly give this video to

172

00:09:04,730 --> 00:09:02,220

Jeremy Corbell

173

00:09:07,070 --> 00:09:04,740

just like in the last case something

174

00:09:09,350 --> 00:09:07,080

doesn't seem right

175

00:09:11,150 --> 00:09:09,360

and uh

176

00:09:13,490 --> 00:09:11,160

I continue to think that something

177

00:09:15,350 --> 00:09:13,500

doesn't seem right after all Jeremy

178

00:09:18,470 --> 00:09:15,360

Corbell is the same guy that brought us

179

00:09:21,530 --> 00:09:18,480

the fake CIA deathbed confession you

180

00:09:23,690 --> 00:09:21,540

know the deathbed confession that he did

181

00:09:26,449 --> 00:09:23,700

with um

182

00:09:28,430 --> 00:09:26,459

Richard Dolan interviewing a guy who

183

00:09:31,430 --> 00:09:28,440

claimed that he worked at Area 51 and

184

00:09:33,350 --> 00:09:31,440

saw the aliens and the spaceships that

185

00:09:35,449 --> 00:09:33,360

the government was hiding oh and that

186

00:09:37,490 --> 00:09:35,459

all turned out to be fake completely and

187

00:09:40,790 --> 00:09:37,500

totally fake so this is the same guy

188

00:09:43,610 --> 00:09:40,800

bringing us this new stuff I'm sorry

189

00:09:45,470 --> 00:09:43,620

that pyramid video is a joke

190

00:09:47,930 --> 00:09:45,480

I think Mick West did a great job

191

00:09:52,610 --> 00:09:47,940

debunking it and people that are so

192

00:09:56,210 --> 00:09:52,620

nasty to to uh you know to him

193

00:09:57,829 --> 00:09:56,220

it's it's not fair you make Mick West is

194

00:09:59,750 --> 00:09:57,839

actually trying to use science to

195

00:10:01,970 --> 00:09:59,760

explain what's being seen

196

00:10:04,970 --> 00:10:01,980

right or do we just want to forget about

197

00:10:07,069 --> 00:10:04,980

science and just do we just want to

198

00:10:09,530 --> 00:10:07,079

believe they're aliens so don't tell us

199

00:10:12,230 --> 00:10:09,540

that this is not aliens even if you're

200

00:10:15,650 --> 00:10:12,240

right in your science and Analysis of

201
00:10:19,370 --> 00:10:15,660
the images and or video being portrayed

202
00:10:23,090 --> 00:10:19,380
and hyped up by UFO profiteers as proof

203
00:10:26,750 --> 00:10:23,100
of alien visitation right

204
00:10:29,690 --> 00:10:28,190
oh yeah

205
00:10:32,329 --> 00:10:29,700
okay of course says this whole thing

206
00:10:34,970 --> 00:10:32,339
might be a setup for continuing bogus

207
00:10:39,350 --> 00:10:34,980
contractor money Corbell also lied about

208
00:10:40,730 --> 00:10:39,360
Lazar yeah I I agree I you

209
00:10:42,470 --> 00:10:40,740
I don't want to say we used to be

210
00:10:45,710 --> 00:10:42,480
friends Mr korff but we used to be

211
00:10:47,210 --> 00:10:45,720
friendly and then after that Bob Lazar

212
00:10:48,710 --> 00:10:47,220
documentary came out and I started

213
00:10:50,449 --> 00:10:48,720

asking an awful lot of questions about

214

00:10:52,790 --> 00:10:50,459

why he didn't include any of the

215

00:10:54,949 --> 00:10:52,800

research that I sent him all of which

216

00:10:58,370 --> 00:10:54,959

indicates that Bob Lazar is a complete

217

00:11:03,530 --> 00:11:01,730

you know so after that he didn't want to

218

00:11:08,030 --> 00:11:03,540

talk to me anymore and in fact he

219

00:11:14,030 --> 00:11:10,130

every what what did I say that was false

220

00:11:17,269 --> 00:11:15,710

what did I say that was false be

221

00:11:21,650 --> 00:11:17,279

specific

222

00:11:27,410 --> 00:11:24,050

are you talking about the fake CIA

223

00:11:29,269 --> 00:11:27,420

deathbed confession because I have the

224

00:11:31,130 --> 00:11:29,279

evidence that that guy worked at a

225

00:11:37,509 --> 00:11:31,140

grocery store his entire life was never

226

00:11:45,110 --> 00:11:41,389

calcorff says Corbell is a

227

00:11:47,810 --> 00:11:45,120

is a fraud you can quote me

228

00:11:51,170 --> 00:11:47,820

Peter pancakes in the live chat do you

229

00:11:52,790 --> 00:11:51,180

treat our Tech boom to ET Intel no I

230

00:11:54,769 --> 00:11:52,800

don't I think humans are very clever

231

00:11:57,050 --> 00:11:54,779

animals and there has been people that

232

00:11:59,990 --> 00:11:57,060

have suggested that a great deal of our

233

00:12:03,530 --> 00:12:00,000

technology came from alien spacecraft

234

00:12:07,009 --> 00:12:05,569

I really

235

00:12:08,569 --> 00:12:07,019

really

236

00:12:11,389 --> 00:12:08,579

uh

237

00:12:13,550 --> 00:12:11,399

disagree with that most famously the day

238

00:12:15,170 --> 00:12:13,560

after Roswell book which claims that all

239

00:12:16,610 --> 00:12:15,180

of our advanced technology came from the

240

00:12:20,329 --> 00:12:16,620

Roswell crash

241

00:12:27,410 --> 00:12:20,339

from the microprocessor to fiber optics

242

00:12:31,129 --> 00:12:29,870

yeah you know what Corey I probably did

243

00:12:34,009 --> 00:12:31,139

misspeak

244

00:12:37,129 --> 00:12:34,019

uh one thing I'll say though is that

245

00:12:39,590 --> 00:12:37,139

it's sort of a sideways assuming they

246

00:12:41,990 --> 00:12:39,600

don't some of these UFO hucksters don't

247

00:12:45,230 --> 00:12:42,000

say this is evidence of aliens but they

248

00:12:47,569 --> 00:12:45,240

do say things like these craft defied

249

00:12:49,790 --> 00:12:47,579

the laws of physics and cannot be

250

00:12:51,590 --> 00:12:49,800

conventional aircraft we don't have this

251
00:12:55,009 --> 00:12:51,600
kind of technology and I can prove for

252
00:12:57,290 --> 00:12:55,019
you with actual footage you know for

253
00:12:59,329 --> 00:12:57,300
example they say things like we don't

254
00:13:01,250 --> 00:12:59,339
have craft that can go in the aircraft

255
00:13:04,310 --> 00:13:01,260
and the water and we covered this before

256
00:13:06,530 --> 00:13:04,320
yes we do we have a craft that can do

257
00:13:08,210 --> 00:13:06,540
that we have Lockheed developed an

258
00:13:10,430 --> 00:13:08,220
experimental craft that could go in both

259
00:13:13,550 --> 00:13:10,440
the water and in the air

260
00:13:16,850 --> 00:13:13,560
so when they say it can't be human made

261
00:13:19,430 --> 00:13:16,860
technology they are misleading you or

262
00:13:21,350 --> 00:13:19,440
when they say the craft made 90 degree

263
00:13:24,889 --> 00:13:21,360

turns and no one on earth has that

264

00:13:27,530 --> 00:13:24,899

technology I can show you

265

00:13:30,410 --> 00:13:27,540

an experimental craft designed to shoot

266

00:13:36,530 --> 00:13:30,420

down nuclear weapons that can make 90

267

00:13:41,689 --> 00:13:39,470

I'm sorry I responded above and was

268

00:13:49,310 --> 00:13:41,699

specific okay we'll see we'll see what

269

00:13:52,850 --> 00:13:51,110

yeah we're gonna get back to the

270

00:13:55,850 --> 00:13:52,860

presentation though Corey you know I can

271

00:14:00,230 --> 00:13:55,860

come back to your questions or comments

272

00:14:07,850 --> 00:14:05,210

yeah I I you're right I did misspeak uh

273

00:14:10,430 --> 00:14:07,860

nobody said this is absolute proof of

274

00:14:13,850 --> 00:14:10,440

aliens but they imply that by saying we

275

00:14:15,610 --> 00:14:13,860

don't have this technology when we do I

276
00:14:19,189 --> 00:14:15,620
can prove that we have that technology

277
00:14:20,870 --> 00:14:19,199
right we I can I can show you a video of

278
00:14:22,670 --> 00:14:20,880
an aircraft that can make 90 degree

279
00:14:24,230 --> 00:14:22,680
terms right

280
00:14:26,449 --> 00:14:24,240
uh

281
00:14:28,189 --> 00:14:26,459
and I could show you a video of an

282
00:14:29,870 --> 00:14:28,199
aircraft that goes in and out of the

283
00:14:33,009 --> 00:14:29,880
water and flies

284
00:14:35,449 --> 00:14:33,019
so when they make these Broad

285
00:14:37,009 --> 00:14:35,459
sweeping statements like there's no one

286
00:14:39,829 --> 00:14:37,019
on Earth that has this technology

287
00:14:41,629 --> 00:14:39,839
they're misleading you and they're

288
00:14:43,550 --> 00:14:41,639

misinformed and they haven't done their

289

00:14:46,550 --> 00:14:43,560

research before making these statements

290

00:14:48,470 --> 00:14:46,560

you know uh Stan Freeman was fond of the

291

00:14:50,269 --> 00:14:48,480

saying have facts in hand before putting

292

00:14:52,370 --> 00:14:50,279

mouth in gear you shouldn't be running

293

00:14:54,170 --> 00:14:52,380

around saying that nobody on Earth has

294

00:14:56,930 --> 00:14:54,180

any kind of aircraft that can make 90

295

00:14:58,850 --> 00:14:56,940

degree turns if you didn't go check to

296

00:15:01,250 --> 00:14:58,860

see if anybody's ever made an aircraft

297

00:15:02,629 --> 00:15:01,260

that can make 90 degree turns by the way

298

00:15:04,490 --> 00:15:02,639

I can think of other examples a

299

00:15:06,650 --> 00:15:04,500

helicopter can make a 90 degree turn or

300

00:15:08,509 --> 00:15:06,660

near 90 degree turn right or something

301
00:15:10,850 --> 00:15:08,519
that appears to be a 90 degree turn if

302
00:15:12,949 --> 00:15:10,860
you're watching it from a distance so

303
00:15:14,629 --> 00:15:12,959
you know I think these people play fast

304
00:15:17,150 --> 00:15:14,639
and loose with the facts to sell a story

305
00:15:20,050 --> 00:15:17,160
and they do not do their due diligence

306
00:15:22,910 --> 00:15:20,060
before making these broad sweeping

307
00:15:25,189 --> 00:15:22,920
generalized statements like we don't

308
00:15:28,850 --> 00:15:25,199
have technology that can go in the in

309
00:15:30,350 --> 00:15:28,860
the in the ocean and also fly sure we do

310
00:15:32,090 --> 00:15:30,360
sure we do

311
00:15:34,310 --> 00:15:32,100
we don't have aircraft that can make 90

312
00:15:36,590 --> 00:15:34,320
degree turns it's defying the laws of

313
00:15:38,990 --> 00:15:36,600

physics no aircraft can make 90 degree

314

00:15:41,509 --> 00:15:39,000

turns sure one without a pilot sure can

315

00:15:43,189 --> 00:15:41,519

a drone these specially developed drones

316

00:15:46,610 --> 00:15:43,199

that were designed to shoot down nuclear

317

00:15:47,389 --> 00:15:46,620

weapons can make 90 degree turns all day

318

00:15:49,610 --> 00:15:47,399

long

319

00:15:50,689 --> 00:15:49,620

so they're wrong okay so what we're

320

00:15:52,430 --> 00:15:50,699

going to do is we're going to first

321

00:15:53,329 --> 00:15:52,440

we're going to share screen just on the

322

00:15:59,150 --> 00:15:53,339

actual

323

00:16:00,949 --> 00:15:59,160

and you know again there's all kinds of

324

00:16:03,410 --> 00:16:00,959

claims that are being made and we have

325

00:16:05,930 --> 00:16:03,420

to keep in mind this is everything that

326

00:16:08,569 --> 00:16:05,940

Corbell is saying about this video

327

00:16:10,490 --> 00:16:08,579

there's nobody there's no way to verify

328

00:16:12,650 --> 00:16:10,500

if any of that information is accurate

329

00:16:14,210 --> 00:16:12,660

or not because it's from an anonymous

330

00:16:17,030 --> 00:16:14,220

source so nobody can interview The

331

00:16:19,810 --> 00:16:17,040

Source nobody can talk to the source see

332

00:16:22,730 --> 00:16:19,820

where the you know find more information

333

00:16:24,410 --> 00:16:22,740

because Corbell won't reveal his source

334

00:16:31,310 --> 00:16:24,420

which I guess is his right as a

335

00:16:38,389 --> 00:16:35,509

yeah so let's uh let's also share the

336

00:16:40,970 --> 00:16:38,399

Audio I apologize one second here

337

00:16:47,150 --> 00:16:40,980

yeah so this is the actual video from

338

00:16:52,129 --> 00:16:50,090

UAP or sap says Corbell knows we have

339

00:16:53,870 --> 00:16:52,139

this trans medium Advanced Tech it's not

340

00:16:56,210 --> 00:16:53,880

a lack of diligence it's purposeful

341

00:17:00,110 --> 00:16:56,220

misleading I agree I think he's

342

00:17:02,509 --> 00:17:00,120

purposefully has misled people

343

00:17:05,029 --> 00:17:02,519

um and let me just put my fair use

344

00:17:08,630 --> 00:17:05,039

banner up here and remind everybody that

345

00:17:11,750 --> 00:17:08,640

we will be discussing and critiquing the

346

00:17:13,130 --> 00:17:11,760

video that we are being shown here uh so

347

00:17:15,770 --> 00:17:13,140

this is fair use this is a

348

00:17:17,510 --> 00:17:15,780

transformative work we are educating the

349

00:17:19,309 --> 00:17:17,520

public and critiquing the video we are

350

00:17:22,309 --> 00:17:19,319

sharing this is covered under fair use

351
00:17:24,169 --> 00:17:22,319
and is allowable by law and I'm sorry to

352
00:17:25,789 --> 00:17:24,179
have to do that but Mr Corbell was such

353
00:17:27,890 --> 00:17:25,799
a big fan of mine that I have a feeling

354
00:17:30,830 --> 00:17:27,900
if he hears I played his video I'll get

355
00:17:32,450 --> 00:17:30,840
a copyright strike which by the way I

356
00:17:35,210 --> 00:17:32,460
have a lawyer letter standing by to

357
00:17:37,010 --> 00:17:35,220
defend against this is this is the

358
00:17:39,169 --> 00:17:37,020
textbook definition of fair use we're

359
00:17:42,650 --> 00:17:39,179
going to play the video and then we're

360
00:17:44,270 --> 00:17:42,660
going to discuss it and uh and educate

361
00:17:45,710 --> 00:17:44,280
the public a little bit about some of

362
00:17:51,529 --> 00:17:45,720
the misleading statements that Mr

363
00:18:01,270 --> 00:17:53,150

everyone

364

00:18:05,270 --> 00:18:03,350
and again this is being taken from

365

00:18:06,110 --> 00:18:05,280
somebody's cell phone from a screen on

366

00:18:08,090 --> 00:18:06,120
the ship

367

00:18:09,770 --> 00:18:08,100
of a video being played

368

00:18:11,870 --> 00:18:09,780
I suppose that could explain why the

369

00:18:24,610 --> 00:18:11,880
quality is terrible

370

00:18:28,970 --> 00:18:26,330
I don't know

371

00:18:30,529 --> 00:18:28,980
sir yeah

372

00:18:35,270 --> 00:18:30,539
it gets a lot of white water up there

373

00:18:44,750 --> 00:18:37,190
somebody just mentioned 6 to 12 foot

374

00:18:50,870 --> 00:18:47,990
splashed and let's watch that again they

375

00:18:53,210 --> 00:18:50,880
say it's splashed I don't see a splash

376

00:18:55,430 --> 00:18:53,220

I don't see this video is so terrible

377

00:18:57,409 --> 00:18:55,440

and grainy I don't see any indication

378

00:18:59,390 --> 00:18:57,419

that this thing actually went in the

379

00:19:01,310 --> 00:18:59,400

water and I slowed this footage down

380

00:19:03,230 --> 00:19:01,320

earlier and what it really looks like to

381

00:19:05,990 --> 00:19:03,240

me is that it blinks out it just

382

00:19:07,430 --> 00:19:06,000

disappears it gets smaller and

383

00:19:09,470 --> 00:19:07,440

disappears

384

00:19:10,970 --> 00:19:09,480

it wouldn't be getting smaller if it

385

00:19:13,010 --> 00:19:10,980

just splashed into the water and you'd

386

00:19:15,409 --> 00:19:13,020

see some visible sign in the water if

387

00:19:19,270 --> 00:19:15,419

this video wasn't so grainy and choppy

388

00:19:24,289 --> 00:19:22,130

it blinks once and then it disappears

389

00:19:26,289 --> 00:19:24,299

they're saying splash I guess because

390

00:19:29,470 --> 00:19:26,299

it's near the water when this

391

00:19:32,090 --> 00:19:29,480

disappearing act happens

392

00:19:34,970 --> 00:19:32,100

I am unconvinced

393

00:19:38,150 --> 00:19:34,980

I'm just unconvinced now Mick West did

394

00:19:39,950 --> 00:19:38,160

an incredible uh analysis of this and

395

00:19:42,289 --> 00:19:39,960

what we see here is not the object

396

00:19:45,049 --> 00:19:42,299

moving but the camera

397

00:19:46,490 --> 00:19:45,059

the object is floating stationary in

398

00:19:51,610 --> 00:19:46,500

space

399

00:19:56,350 --> 00:19:54,470

I just I don't I don't see what all the

400

00:19:58,909 --> 00:19:56,360

excitement is about

401
00:20:00,289 --> 00:19:58,919
this could be a balloon it could be a

402
00:20:03,230 --> 00:20:00,299
drone

403
00:20:08,630 --> 00:20:03,240
certainly yeah it could be a camera

404
00:20:13,130 --> 00:20:11,149
it could be Charles Unleashed absolutely

405
00:20:15,529 --> 00:20:13,140
right he says it's going behind the

406
00:20:18,169 --> 00:20:15,539
Horizon it could be a lot of people have

407
00:20:19,549 --> 00:20:18,179
suggested it's moving farther away from

408
00:20:20,690 --> 00:20:19,559
the camera

409
00:20:22,130 --> 00:20:20,700
yeah

410
00:20:23,750 --> 00:20:22,140
the camera could just simply lose sight

411
00:20:25,549 --> 00:20:23,760
of it as it becomes too small to be

412
00:20:28,370 --> 00:20:25,559
detected by the camera the further away

413
00:20:30,409 --> 00:20:28,380

from the camera it gets splashed Mark

414

00:20:32,390 --> 00:20:30,419

bearing a range

415

00:20:35,770 --> 00:20:32,400

yeah splashed

416

00:20:38,510 --> 00:20:35,780

I I I don't know friends

417

00:20:40,190 --> 00:20:38,520

I'm not first of all I'm not impressed

418

00:20:42,289 --> 00:20:40,200

with this footage because it literally

419

00:20:44,090 --> 00:20:42,299

could be anything

420

00:20:48,710 --> 00:20:44,100

uh

421

00:20:52,850 --> 00:20:50,810

yeah Corey you could be right I'm we're

422

00:20:55,730 --> 00:20:52,860

discussing possibilities here Corey says

423

00:20:57,649 --> 00:20:55,740

a balloon steady in space and heavy wind

424

00:20:59,690 --> 00:20:57,659

because what you're going through right

425

00:21:02,450 --> 00:20:59,700

now is how it's unidentified like the

426
00:21:05,930 --> 00:21:02,460
Navy says when they admit uh they sent

427
00:21:09,590 --> 00:21:05,940
it to the u a p t f yeah you could be

428
00:21:11,450 --> 00:21:09,600
right but I'm just saying that to go I I

429
00:21:14,570 --> 00:21:11,460
first of all I'm this is the least

430
00:21:16,490 --> 00:21:14,580
impressive of all of the videos that

431
00:21:18,710 --> 00:21:16,500
have been confirmed to be from military

432
00:21:20,330 --> 00:21:18,720
sources that I've seen yet you know the

433
00:21:24,110 --> 00:21:20,340
Tic Tac and the Gimbal and the other

434
00:21:26,090 --> 00:21:24,120
stuff is is certainly a little bit more

435
00:21:27,470 --> 00:21:26,100
convincing and intriguing to me than

436
00:21:32,630 --> 00:21:27,480
this is

437
00:21:34,850 --> 00:21:32,640
the horizon that could be anything that

438
00:21:37,909 --> 00:21:34,860

suddenly either flies off or goes into

439

00:21:39,770 --> 00:21:37,919

the water I mean if it was a balloon 6

440

00:21:43,850 --> 00:21:39,780

to 12 foot swells it could have hit the

441

00:21:46,850 --> 00:21:43,860

side of a uh of a wave and popped

442

00:21:48,649 --> 00:21:46,860

and that could be what happened you know

443

00:21:51,890 --> 00:21:48,659

and what is it with all these balloons

444

00:21:54,830 --> 00:21:51,900

that were suddenly when did balloons if

445

00:21:56,930 --> 00:21:54,840

they are balloons become so such

446

00:21:59,630 --> 00:21:56,940

interesting uh

447

00:22:00,830 --> 00:21:59,640

evidence I I don't I don't see it as

448

00:22:02,750 --> 00:22:00,840

being evidence

449

00:22:05,090 --> 00:22:02,760

I I don't see it as being intriguing

450

00:22:05,870 --> 00:22:05,100

evidence if it could be a balloon if you

451
00:22:08,090 --> 00:22:05,880
can't

452
00:22:13,610 --> 00:22:08,100
we cannot

453
00:22:16,789 --> 00:22:13,620
a balloon right and we have some

454
00:22:19,130 --> 00:22:16,799
additional data uh that Mr Corbell

455
00:22:20,630 --> 00:22:19,140
provided apparently from his Source

456
00:22:23,330 --> 00:22:20,640
right

457
00:22:25,310 --> 00:22:23,340
and uh some of the additional data is

458
00:22:26,990 --> 00:22:25,320
that

459
00:22:28,970 --> 00:22:27,000
let's see

460
00:22:30,409 --> 00:22:28,980
they say there was a minimum of 14

461
00:22:32,690 --> 00:22:30,419
targets

462
00:22:36,710 --> 00:22:32,700
minimum of these objects were a minimum

463
00:22:39,770 --> 00:22:36,720

of six foot in diameter and solid Mass

464

00:22:44,090 --> 00:22:39,780

well you know all this stuff is varying

465

00:22:50,870 --> 00:22:48,890

46 to 158 miles per hour

466

00:22:52,669 --> 00:22:50,880

well there's nothing special about that

467

00:22:54,710 --> 00:22:52,679

any aircraft can do that I don't know if

468

00:22:56,990 --> 00:22:54,720

it yeah I guess a drone could certainly

469

00:22:59,149 --> 00:22:57,000

do that

470

00:23:01,370 --> 00:22:59,159

flight lasting longer than one hour we

471

00:23:04,010 --> 00:23:01,380

talked about this previously uh you know

472

00:23:05,450 --> 00:23:04,020

people use statements like that as an

473

00:23:07,190 --> 00:23:05,460

argument why it can't be a drone because

474

00:23:10,010 --> 00:23:07,200

drones have short flight times but the

475

00:23:13,330 --> 00:23:10,020

military certainly has drones that could

476

00:23:16,430 --> 00:23:13,340

do an hour flight time

477

00:23:19,010 --> 00:23:16,440

unknowns were illuminated unable to

478

00:23:21,950 --> 00:23:19,020

discern origin nor launch or Landing

479

00:23:24,289 --> 00:23:21,960

points unknown Vehicles picked up on

480

00:23:26,149 --> 00:23:24,299

more than two types of radar

481

00:23:28,330 --> 00:23:26,159

still images from the footage were

482

00:23:31,310 --> 00:23:28,340

included in the May 1st 2020

483

00:23:34,549 --> 00:23:31,320

uaptf intelligence briefing that I have

484

00:23:38,330 --> 00:23:36,350

it is noted that intelligence reports

485

00:23:40,909 --> 00:23:38,340

that the spherical craft appeared to be

486

00:23:43,310 --> 00:23:40,919

trans medium capable

487

00:23:45,409 --> 00:23:43,320

and again I l'd like to see the proof

488

00:23:48,890 --> 00:23:45,419

that they know for sure that this thing

489

00:23:54,230 --> 00:23:52,250

I think this rush to train

490

00:23:56,930 --> 00:23:54,240

Jeremy Corbell loves that word

491

00:23:59,570 --> 00:23:56,940

transmedium it's trans medium it had it

492

00:24:02,510 --> 00:23:59,580

went into the water it's transmedium

493

00:24:04,370 --> 00:24:02,520

capable okay and they were observed

494

00:24:06,890 --> 00:24:04,380

descending into the water without

495

00:24:09,470 --> 00:24:06,900

destruction can we talk to people that

496

00:24:10,789 --> 00:24:09,480

observed it going into the water of

497

00:24:13,310 --> 00:24:10,799

course we can't because this is

498

00:24:14,930 --> 00:24:13,320

anonymous source and this footage came

499

00:24:16,669 --> 00:24:14,940

from an anonymous source that we will

500

00:24:18,890 --> 00:24:16,679

never ever get to talk to

501
00:24:20,630 --> 00:24:18,900
will we get to talk to witnesses that

502
00:24:24,230 --> 00:24:20,640
saw this craft with their own two eyes

503
00:24:27,470 --> 00:24:24,240
will we get to see the radar tapes no we

504
00:24:28,850 --> 00:24:27,480
never do come on the Tic Tac and the

505
00:24:31,130 --> 00:24:28,860
gimbal footage have been out for what

506
00:24:33,169 --> 00:24:31,140
three years now why can't we see the

507
00:24:38,830 --> 00:24:33,179
radar footage why can't we see the radar

508
00:24:45,649 --> 00:24:41,750
Corey says he wants to see the data that

509
00:24:48,310 --> 00:24:45,659
the u a p t f has yeah I do too and I'm

510
00:24:50,990 --> 00:24:48,320
anxiously awaiting seeing that

511
00:24:53,810 --> 00:24:51,000
Bradley Johnson says we are trans medium

512
00:24:55,370 --> 00:24:53,820
we go into the water and the air all

513
00:24:57,409 --> 00:24:55,380

right in order to provide just a little

514

00:24:59,510 --> 00:24:57,419

bit more background about this we're

515

00:25:02,090 --> 00:24:59,520

going to share because of course they

516

00:25:03,169 --> 00:25:02,100

team up again to sell a story and and

517

00:25:04,310 --> 00:25:03,179

listen

518

00:25:06,769 --> 00:25:04,320

um

519

00:25:08,330 --> 00:25:06,779

it is what it is right but if I have to

520

00:25:10,490 --> 00:25:08,340

hear Jeremy Corbell talk about George

521

00:25:11,810 --> 00:25:10,500

Knapp being his mentor one more time I'm

522

00:25:13,850 --> 00:25:11,820

going to throw up

523

00:25:15,710 --> 00:25:13,860

you know those two having a bro Fest

524

00:25:18,470 --> 00:25:15,720

selling these UFO stories for years

525

00:25:20,510 --> 00:25:18,480

together and how much money did they

526

00:25:22,549 --> 00:25:20,520

make from a Bob Lazar documentary where

527

00:25:24,470 --> 00:25:22,559

they purposefully left out all the

528

00:25:26,930 --> 00:25:24,480

evidence that Bob Lazar was a liar a

529

00:25:29,510 --> 00:25:26,940

fraud oh and by the way he ran a

530

00:25:32,289 --> 00:25:29,520

whorehouse right oh let's not let's not

531

00:25:34,669 --> 00:25:32,299

include that in the movie

532

00:25:37,430 --> 00:25:34,679

what kind of senior stamp level

533

00:25:39,529 --> 00:25:37,440

physicist runs a whorehouse wakes up one

534

00:25:42,649 --> 00:25:39,539

day and says you know what I should do I

535

00:25:47,210 --> 00:25:42,659

should run a whorehouse hahaha

536

00:25:50,149 --> 00:25:47,220

all right uh yeah so we're gonna share

537

00:25:52,190 --> 00:25:50,159

uh let me see I'm gonna share my screen

538

00:25:54,590 --> 00:25:52,200

and again we're citing fair use this is

539

00:26:01,970 --> 00:25:54,600

from a local news report you know George

540

00:26:06,710 --> 00:26:04,850

still uh local reporter

541

00:26:14,870 --> 00:26:06,720

oops

542

00:26:21,890 --> 00:26:18,110

oh it's the mystery wire one okay

543

00:26:24,529 --> 00:26:21,900

bear with me for a moment friends

544

00:26:26,450 --> 00:26:24,539

I will get that and we will share this

545

00:26:29,090 --> 00:26:26,460

story and we have George Knapp and

546

00:26:32,390 --> 00:26:29,100

Jeremy Corbell talking about this

547

00:26:35,870 --> 00:26:32,400

uh talking about this footage this newly

548

00:26:37,370 --> 00:26:35,880

released footage you know and I I also I

549

00:26:39,169 --> 00:26:37,380

just want to before I forget I want to

550

00:26:40,190 --> 00:26:39,179

mention like where is all the good

551
00:26:41,810 --> 00:26:40,200
footage

552
00:26:44,450 --> 00:26:41,820
the government

553
00:26:47,210 --> 00:26:44,460
has to have better cameras than this

554
00:26:49,730 --> 00:26:47,220
right and I know I get it this one was

555
00:26:52,490 --> 00:26:49,740
taken from a cell phone filming a screen

556
00:26:55,130 --> 00:26:52,500
but why is that right

557
00:26:58,310 --> 00:26:55,140
why is it all the footage we get all the

558
00:27:00,710 --> 00:26:58,320
images we get are grainy as [h__h] with

559
00:27:02,029 --> 00:27:00,720
today's picture quality you know Elon

560
00:27:03,950 --> 00:27:02,039
Musk

561
00:27:06,950 --> 00:27:03,960
doesn't believe in aliens are visiting

562
00:27:09,409 --> 00:27:06,960
us or UFOs are real and and he famously

563
00:27:12,950 --> 00:27:09,419

tweeted this graph that showed the

564

00:27:16,250 --> 00:27:12,960

increase in Fidelity and quality of cell

565

00:27:19,490 --> 00:27:16,260

phone cameras over the past 10 years and

566

00:27:21,769 --> 00:27:19,500

then where's the increase in UFO footage

567

00:27:24,230 --> 00:27:21,779

it doesn't it just gets it this footage

568

00:27:25,430 --> 00:27:24,240

just keeps getting worse more grainy and

569

00:27:27,350 --> 00:27:25,440

more grainy

570

00:27:30,289 --> 00:27:27,360

and the True Believers will just accept

571

00:27:32,870 --> 00:27:30,299

this I believe that the grain the

572

00:27:35,990 --> 00:27:32,880

footage is current is is purposefully

573

00:27:39,769 --> 00:27:36,000

delivered super low quality to provide

574

00:27:42,769 --> 00:27:39,779

as little data to actual scientists and

575

00:27:45,889 --> 00:27:42,779

investigators as possible to obscure

576
00:27:48,769 --> 00:27:45,899
things to make it difficult to make

577
00:27:51,529 --> 00:27:48,779
determinations you know if you get a 4K

578
00:27:54,710 --> 00:27:51,539
Crystal Clear video of this thing people

579
00:27:56,630 --> 00:27:54,720
can do a proper analysis of it I'm not

580
00:28:00,409 --> 00:27:56,640
sure what analysis you could do off of

581
00:28:02,750 --> 00:28:00,419
footage that is this terrible but that's

582
00:28:05,330 --> 00:28:02,760
where we're at we get terrible grainy

583
00:28:07,430 --> 00:28:05,340
footage and people pump it up like this

584
00:28:09,409 --> 00:28:07,440
can't be a human it's got to be a

585
00:28:11,810 --> 00:28:09,419
spacecraft it's got to be aliens and

586
00:28:13,669 --> 00:28:11,820
again they might not say that but they

587
00:28:16,490 --> 00:28:13,679
certainly imply it when they say things

588
00:28:18,529 --> 00:28:16,500

like oh this this thing defied the laws

589

00:28:21,529 --> 00:28:18,539

of physics or this thing can't be

590

00:28:24,470 --> 00:28:21,539

explained by human technology

591

00:28:28,130 --> 00:28:24,480

it's a stretch but that's where we're at

592

00:28:32,090 --> 00:28:29,750

all right friends and I'm going to cite

593

00:28:34,970 --> 00:28:32,100

fair use this is from a local uh radio

594

00:28:37,190 --> 00:28:34,980

station we are going to be discussing uh

595

00:28:38,810 --> 00:28:37,200

the contents of the story and educating

596

00:28:40,850 --> 00:28:38,820

the public about this recent video

597

00:28:42,590 --> 00:28:40,860

release this is fair use supported by

598

00:28:45,350 --> 00:28:42,600

the U.S Navy personnel two years ago

599

00:28:47,389 --> 00:28:45,360

shows an unknown sphere that followed a

600

00:28:49,430 --> 00:28:47,399

Navy warship before disappearing into

601
00:28:51,710 --> 00:28:49,440
the ocean the video provides the latest

602
00:28:54,710 --> 00:28:51,720
glimpse into an ongoing Pentagon

603
00:28:57,049 --> 00:28:54,720
investigation into UFOs i-team reporter

604
00:28:58,610 --> 00:28:57,059
George Knapp unveils details about the

605
00:29:00,830 --> 00:28:58,620
encounter earlier on today on our

606
00:29:02,870 --> 00:29:00,840
mystery wire website George Ryan you

607
00:29:04,789 --> 00:29:02,880
know uh UFOs are in the air if I'm here

608
00:29:06,590 --> 00:29:04,799
in the studio something's going on now

609
00:29:08,690 --> 00:29:06,600
this video was made public today by our

610
00:29:10,610 --> 00:29:08,700
colleague filmmaker Jeremy Corbell with

611
00:29:12,889 --> 00:29:10,620
analysis and background on mystery wire

612
00:29:14,810 --> 00:29:12,899
the unknown object was one of several

613
00:29:17,090 --> 00:29:14,820

that essentially surrounded the Navy

614

00:29:19,430 --> 00:29:17,100

warship multiple times over three days

615

00:29:21,710 --> 00:29:19,440

four other Navy ships had similar

616

00:29:24,409 --> 00:29:21,720

encounters

617

00:29:27,950 --> 00:29:24,419

over a period of several days in July

618

00:29:30,590 --> 00:29:27,960

2019 at least five U.S Navy warships

619

00:29:33,529 --> 00:29:30,600

based in San Diego were swarmed by

620

00:29:36,049 --> 00:29:33,539

drone-like objects of Unknown Origin one

621

00:29:38,450 --> 00:29:36,059

of those ships the USS Omaha was on

622

00:29:40,970 --> 00:29:38,460

maneuvers more than 100 miles directly

623

00:29:42,169 --> 00:29:40,980

west of San Diego and Beyond the Channel

624

00:29:45,350 --> 00:29:42,179

Islands

625

00:29:47,210 --> 00:29:45,360

by the way I just want to mention for

626

00:29:48,409 --> 00:29:47,220

the benefit of some of those that are

627

00:29:51,049 --> 00:29:48,419

unaware

628

00:29:55,870 --> 00:29:51,059

this location where this event happened

629

00:29:59,690 --> 00:29:55,880

is not very many miles away from a

630

00:30:02,149 --> 00:29:59,700

drone research and testing center

631

00:30:03,950 --> 00:30:02,159

just just throwing that out there one of

632

00:30:06,230 --> 00:30:03,960

the Omaha's Central missions is

633

00:30:08,750 --> 00:30:06,240

surveillance so it's packed with Cutting

634

00:30:10,909 --> 00:30:08,760

Edge technology and sensors but it

635

00:30:13,450 --> 00:30:10,919

appears the Omaha was itself under

636

00:30:16,010 --> 00:30:13,460

surveillance

637

00:30:19,070 --> 00:30:16,020

yeah and if it's packed with all of

638

00:30:21,649 --> 00:30:19,080

these high-tech sensors and and credible

639

00:30:23,570 --> 00:30:21,659

technology how come they can't identify

640

00:30:25,370 --> 00:30:23,580

an aircraft

641

00:30:27,590 --> 00:30:25,380

how come they can't get better footage

642

00:30:31,370 --> 00:30:27,600

how come they can't zoom in so we get a

643

00:30:34,250 --> 00:30:31,380

clear image of the object

644

00:30:36,409 --> 00:30:34,260

this is very suspicious to me

645

00:30:38,210 --> 00:30:36,419

they should if they have all this

646

00:30:40,130 --> 00:30:38,220

advanced technology on ship and I

647

00:30:42,529 --> 00:30:40,140

believe they do be able to get clearer

648

00:30:47,029 --> 00:30:42,539

images be able to get good scientific

649

00:30:50,029 --> 00:30:47,039

radar data you know thermal tracking

650

00:30:52,430 --> 00:30:50,039

they should have Hoards of data on this

651
00:30:54,830 --> 00:30:52,440
object but we never get the data we get

652
00:30:57,230 --> 00:30:54,840
this grainy ass footage and that's it

653
00:30:58,850 --> 00:30:57,240
and stories from an anonymous source

654
00:31:01,490 --> 00:30:58,860
that nobody can talk to nobody can

655
00:31:03,769 --> 00:31:01,500
verify if what Korbel is telling us is

656
00:31:05,450 --> 00:31:03,779
accurate how do we know that that

657
00:31:07,430 --> 00:31:05,460
somebody said that this was six foot in

658
00:31:09,409 --> 00:31:07,440
diameter how did they know that this was

659
00:31:11,509 --> 00:31:09,419
six foot in diameter or better and by

660
00:31:13,970 --> 00:31:11,519
the way they must be pretty small aliens

661
00:31:17,210 --> 00:31:13,980
if if this was indeed just a six foot

662
00:31:20,149 --> 00:31:17,220
diameter spacecraft right what are they

663
00:31:22,789 --> 00:31:20,159

[h__\h] aliens just curious this video

664

00:31:25,909 --> 00:31:22,799

was recorded inside the Omaha's Command

665

00:31:28,130 --> 00:31:25,919

Center just before 11 pm on July 15th

666

00:31:30,409 --> 00:31:28,140

the image on the screen shows a six foot

667

00:31:33,289 --> 00:31:30,419

in diameter sphere that traveled

668

00:31:35,750 --> 00:31:33,299

alongside the Omaha for about an hour it

669

00:31:38,149 --> 00:31:35,760

was Pitch Black outside so the image was

670

00:31:41,570 --> 00:31:38,159

obtained via a thermal sensor and by the

671

00:31:44,509 --> 00:31:41,580

way a six foot diameter aircraft would

672

00:31:46,690 --> 00:31:44,519

match an awful lot of drones an awful

673

00:31:49,009 --> 00:31:46,700

lot of drones are about that size

674

00:31:51,110 --> 00:31:49,019

Personnel in the command center made

675

00:31:53,870 --> 00:31:51,120

multiple recordings of what was on the

676
00:31:56,450 --> 00:31:53,880
screen at precisely 11 pm the

677
00:31:57,730 --> 00:31:56,460
unidentified spear seemingly vanished

678
00:32:00,289 --> 00:31:57,740
into the ocean

679
00:32:03,230 --> 00:32:00,299
it doesn't look like it goes in the

680
00:32:05,630 --> 00:32:03,240
ocean it looks like it flies away that's

681
00:32:09,130 --> 00:32:05,640
my take on it but again who can tell

682
00:32:11,990 --> 00:32:09,140
with footage this grainy and crappy

683
00:32:13,370 --> 00:32:12,000
splashed when they say splash splash

684
00:32:16,850 --> 00:32:13,380
that doesn't mean there was a physical

685
00:32:18,909 --> 00:32:16,860
Splash that means this object went into

686
00:32:21,470 --> 00:32:18,919
the water or they suspect it did

687
00:32:23,450 --> 00:32:21,480
filmmaker Jeremy Corbell obtained the

688
00:32:26,389 --> 00:32:23,460

video from sources he declines to

689

00:32:27,769 --> 00:32:26,399

identify why is he declining to identify

690

00:32:30,230 --> 00:32:27,779

the sources

691

00:32:32,149 --> 00:32:30,240

well could it be that somebody giving

692

00:32:34,610 --> 00:32:32,159

him this could get themselves fired or

693

00:32:36,529 --> 00:32:34,620

court-martialed or Worse lose their

694

00:32:39,049 --> 00:32:36,539

pension right

695

00:32:41,570 --> 00:32:39,059

who's going to risk their career to

696

00:32:45,409 --> 00:32:41,580

bring this to Jeremy Corbell

697

00:32:47,750 --> 00:32:45,419

none of this makes any sense and uh

698

00:32:50,029 --> 00:32:47,760

you know you know what I I would I would

699

00:32:52,549 --> 00:32:50,039

give anything to be able to read his

700

00:32:54,529 --> 00:32:52,559

emails and his text messages and find

701
00:32:57,110 --> 00:32:54,539
out who the real source of this

702
00:32:59,870 --> 00:32:57,120
information is because

703
00:33:02,870 --> 00:32:59,880
I I get it's only speculation on my part

704
00:33:04,610 --> 00:33:02,880
but based on his past playing fast and

705
00:33:06,529 --> 00:33:04,620
loose with so many facts I don't believe

706
00:33:09,409 --> 00:33:06,539
a word he says I don't believe some

707
00:33:11,570 --> 00:33:09,419
random Navy person just contacted him

708
00:33:13,909 --> 00:33:11,580
and took this footage and gave it to him

709
00:33:16,669 --> 00:33:13,919
two years after they took it

710
00:33:19,009 --> 00:33:16,679
it's very suspicious in April Corbell

711
00:33:21,409 --> 00:33:19,019
and mystery wire released a series of

712
00:33:23,870 --> 00:33:21,419
other startling images that are included

713
00:33:26,810 --> 00:33:23,880

in a briefing presentation prepared by

714

00:33:29,210 --> 00:33:26,820

the UAP task force a unit created by

715

00:33:31,730 --> 00:33:29,220

Congress last year to collect UFO

716

00:33:34,190 --> 00:33:31,740

related images and information for a

717

00:33:36,230 --> 00:33:34,200

comprehensive report due next month yeah

718

00:33:38,029 --> 00:33:36,240

and isn't the government interested in

719

00:33:39,590 --> 00:33:38,039

who is leaking all this government

720

00:33:41,870 --> 00:33:39,600

information

721

00:33:44,090 --> 00:33:41,880

to Jeremy Corbell

722

00:33:47,029 --> 00:33:44,100

do they want it leaked

723

00:33:48,950 --> 00:33:47,039

that's a possibility why is Jeremy

724

00:33:51,769 --> 00:33:48,960

Corbell and George Knapp getting all

725

00:33:54,649 --> 00:33:51,779

these leaks from government sources

726

00:33:57,169 --> 00:33:54,659

one image from the UAP task force is a

727

00:33:59,450 --> 00:33:57,179

freeze frame slide of the sphere seen

728

00:34:01,610 --> 00:33:59,460

beside the Omaha the Pentagon has

729

00:34:04,190 --> 00:34:01,620

confirmed that image was captured by

730

00:34:06,710 --> 00:34:04,200

Navy personnel the task force considers

731

00:34:08,690 --> 00:34:06,720

it to be a genuine unknown other

732

00:34:11,030 --> 00:34:08,700

journalists have confirmed that multiple

733

00:34:13,430 --> 00:34:11,040

Navy ships in the same vicinity were

734

00:34:16,490 --> 00:34:13,440

buzzed by unknown objects during the

735

00:34:18,889 --> 00:34:16,500

same time frame July 2000 yeah mystery

736

00:34:21,649 --> 00:34:18,899

drones buzzing destroyers during

737

00:34:23,569 --> 00:34:21,659

exercises off of California you know

738

00:34:26,030 --> 00:34:23,579

what else is also

739

00:34:30,589 --> 00:34:26,040

off of the coast of California

740

00:34:33,230 --> 00:34:30,599

a drone testing and Development Center

741

00:34:35,450 --> 00:34:33,240

so you know Part of Me Goes what is is

742

00:34:38,149 --> 00:34:35,460

this is this really a stretch to think

743

00:34:42,710 --> 00:34:38,159

that maybe they're testing something not

744

00:34:49,030 --> 00:34:44,990

maybe they're catching some of these

745

00:34:52,970 --> 00:34:49,040

things or encountering them I was in 19.

746

00:34:55,550 --> 00:34:52,980

as many as 14 of the spears surrounded

747

00:34:58,190 --> 00:34:55,560

the Omaha and were detected on sensors

748

00:35:01,250 --> 00:34:58,200

on and off during three perplexing days

749

00:35:04,970 --> 00:35:01,260

at Sea all right so 14 drones

750

00:35:07,609 --> 00:35:04,980

14 unknown aerial objects buzzing this

751
00:35:09,349 --> 00:35:07,619
ship can we see that video of course not

752
00:35:11,089 --> 00:35:09,359
we just have to trust

753
00:35:12,770 --> 00:35:11,099
that what Jeremy Corbell and George

754
00:35:14,870 --> 00:35:12,780
Knapp are telling us that they saw for

755
00:35:17,750 --> 00:35:14,880
that these people saw 14

756
00:35:19,849 --> 00:35:17,760
you know and and I don't get it why

757
00:35:23,510 --> 00:35:19,859
don't they do the work Corbell is

758
00:35:26,030 --> 00:35:23,520
basically saying you know well uh other

759
00:35:27,410 --> 00:35:26,040
people can can investigate and try to

760
00:35:29,089 --> 00:35:27,420
find out the truth about these videos

761
00:35:31,490 --> 00:35:29,099
you're the one with the video why didn't

762
00:35:34,550 --> 00:35:31,500
you do the foyer requests why don't you

763
00:35:37,069 --> 00:35:34,560

try to interview the captain of the ship

764

00:35:39,530 --> 00:35:37,079

or somebody in high command there that

765

00:35:41,810 --> 00:35:39,540

can verify these events why do other

766

00:35:44,270 --> 00:35:41,820

people have to do it for you I just

767

00:35:46,310 --> 00:35:44,280

don't get it the Omaha's Advanced

768

00:35:48,589 --> 00:35:46,320

sensors could not maintain a lock on the

769

00:35:50,329 --> 00:35:48,599

Spheres as they approached the ship or

770

00:35:53,690 --> 00:35:50,339

when they departed they never found

771

00:35:55,010 --> 00:35:53,700

where these things came from or went to

772

00:35:56,750 --> 00:35:55,020

so they don't know where they're

773

00:35:59,089 --> 00:35:56,760

launching from or going from I mean

774

00:36:01,370 --> 00:35:59,099

maybe it's the water because that's what

775

00:36:03,109 --> 00:36:01,380

we're seeing one do Mark bearing arrange

776

00:36:05,150 --> 00:36:03,119

voices on no

777

00:36:07,790 --> 00:36:05,160

I don't I don't believe that you could

778

00:36:10,609 --> 00:36:07,800

conclusively determine that that went in

779

00:36:15,230 --> 00:36:10,619

the water from this grainy ass terrible

780

00:36:17,870 --> 00:36:15,240

terrible footage it vanishes from View

781

00:36:20,089 --> 00:36:17,880

there's it's not clear at all that it

782

00:36:21,829 --> 00:36:20,099

went into the water but this is again

783

00:36:23,690 --> 00:36:21,839

this is core Belfast and loose with the

784

00:36:26,329 --> 00:36:23,700

facts one of them went in the water

785

00:36:28,490 --> 00:36:26,339

the video confirmed the Omaha launched

786

00:36:30,410 --> 00:36:28,500

an immediate search using all of its

787

00:36:32,510 --> 00:36:30,420

high-tech resources but when the sphere

788

00:36:34,550 --> 00:36:32,520

vanished from the screen it also

789

00:36:36,890 --> 00:36:34,560

vanished from the Omaha's radar and

790

00:36:38,349 --> 00:36:36,900

sonar no wreckage was found on the

791

00:36:41,210 --> 00:36:38,359

surface

792

00:36:42,710 --> 00:36:41,220

the UAP task force briefing is a

793

00:36:44,510 --> 00:36:42,720

classified document but the images

794

00:36:46,970 --> 00:36:44,520

contained in that briefing are not

795

00:36:48,050 --> 00:36:46,980

classified this does not make any sense

796

00:36:49,849 --> 00:36:48,060

to me

797

00:36:52,790 --> 00:36:49,859

I've talked to many different people

798

00:36:55,849 --> 00:36:52,800

that have gotten classified briefings

799

00:36:58,910 --> 00:36:55,859

that were involved with government work

800

00:37:00,109 --> 00:36:58,920

that had security clearances and all of

801
00:37:02,690 --> 00:37:00,119
them told me

802
00:37:04,730 --> 00:37:02,700
you can't release images from any

803
00:37:05,750 --> 00:37:04,740
classified briefing

804
00:37:08,390 --> 00:37:05,760
but

805
00:37:10,370 --> 00:37:08,400
we're supposed to believe that you know

806
00:37:14,089 --> 00:37:10,380
and they have harped on these points

807
00:37:16,250 --> 00:37:14,099
Corbell and that both that the briefing

808
00:37:18,109 --> 00:37:16,260
is classified but the images contained

809
00:37:20,450 --> 00:37:18,119
in the briefing are not

810
00:37:23,630 --> 00:37:20,460
go talk to somebody that gets classified

811
00:37:25,730 --> 00:37:23,640
briefings ask them if that sounds fishy

812
00:37:27,950 --> 00:37:25,740
to them

813
00:37:29,870 --> 00:37:27,960

because everybody I've asked and I have

814

00:37:31,550 --> 00:37:29,880

people that I have verified had real

815

00:37:33,589 --> 00:37:31,560

classified briefings people that I

816

00:37:36,890 --> 00:37:33,599

verified had real top secret

817

00:37:39,890 --> 00:37:36,900

classification people from the Air Force

818

00:37:44,150 --> 00:37:39,900

people from the Navy people from uh the

819

00:37:47,930 --> 00:37:46,130

all of them were equally confused by

820

00:37:49,550 --> 00:37:47,940

these statements that both Corbell and

821

00:37:52,730 --> 00:37:49,560

Knapp has made that these things are

822

00:37:54,230 --> 00:37:52,740

unclassified photos or videos from a

823

00:37:56,390 --> 00:37:54,240

classified briefing

824

00:37:58,490 --> 00:37:56,400

that distinction was made so the task

825

00:38:00,170 --> 00:37:58,500

force could use images like this to

826

00:38:02,569 --> 00:38:00,180

brief other military and intelligence

827

00:38:04,849 --> 00:38:02,579

officials about the UFO mystery simply

828

00:38:06,770 --> 00:38:04,859

put the Navy does not know what these

829

00:38:09,710 --> 00:38:06,780

things are they are still considered to

830

00:38:13,970 --> 00:38:11,569

okay so there we have it friends so

831

00:38:15,710 --> 00:38:13,980

there we have nap and corbel's take on

832

00:38:20,450 --> 00:38:15,720

it and I thought it would be important

833

00:38:22,790 --> 00:38:20,460

if we could indeed show uh midwest's

834

00:38:25,730 --> 00:38:22,800

take on it because uh he's just in an

835

00:38:31,010 --> 00:38:25,740

initial analysis which I found very very

836

00:38:35,390 --> 00:38:33,050

and again we're going to cite fair use

837

00:38:37,849 --> 00:38:35,400

in sharing this I I doubt that Mr West

838

00:38:39,589 --> 00:38:37,859

would mind us but uh we're still going

839

00:38:42,230 --> 00:38:39,599

to cite fair use

840

00:38:43,910 --> 00:38:42,240

and

841

00:38:48,109 --> 00:38:43,920

just give me a moment friends I'm going

842

00:38:53,870 --> 00:38:50,630

Mick West's initial analysis and by the

843

00:38:56,690 --> 00:38:53,880

way you know it's very common for these

844

00:39:01,430 --> 00:38:56,700

UFO fraudsters and UFO hucksters and UFO

845

00:39:04,670 --> 00:39:01,440

profiteers to mock Mick West to make fun

846

00:39:09,349 --> 00:39:04,680

of him to argue and fight with him

847

00:39:12,230 --> 00:39:09,359

belittle him send their UFO Fanboys to

848

00:39:14,089 --> 00:39:12,240

harass him why because he's using

849

00:39:16,550 --> 00:39:14,099

science to try to prove what's in these

850

00:39:20,630 --> 00:39:16,560

images because he's doing an actual

851
00:39:23,150 --> 00:39:20,640
investigation an analysis of what these

852
00:39:25,130 --> 00:39:23,160
people are purporting to be possible

853
00:39:27,230 --> 00:39:25,140
alien spacecraft

854
00:39:29,990 --> 00:39:27,240
I think that Mick West should be

855
00:39:32,150 --> 00:39:30,000
celebrated and certainly not treated the

856
00:39:35,870 --> 00:39:32,160
way that he is by people in UFO circles

857
00:39:39,230 --> 00:39:35,880
what is it is he bursting your bubble

858
00:39:41,270 --> 00:39:39,240
is he bursting your balloon literally

859
00:39:43,550 --> 00:39:41,280
right

860
00:39:45,650 --> 00:39:43,560
why make fun of a guy that's trying to

861
00:39:47,390 --> 00:39:45,660
get to the truth of these things isn't

862
00:39:49,130 --> 00:39:47,400
that what you want or do you just want

863
00:39:57,230 --> 00:39:49,140

to live in your delusional World well

864

00:40:01,849 --> 00:39:59,329

all right one second friends so we're

865

00:40:04,130 --> 00:40:01,859

gonna share this fair use this is a

866

00:40:10,609 --> 00:40:04,140

video by Mick West titled Omaha sphere

867

00:40:14,569 --> 00:40:12,010

foreign

868

00:40:16,790 --> 00:40:14,579

was pretty interesting so I've done some

869

00:40:19,130 --> 00:40:16,800

initial analysis of this new UFO footage

870

00:40:20,809 --> 00:40:19,140

and found some interesting things one

871

00:40:22,790 --> 00:40:20,819

the video does not show the object

872

00:40:24,770 --> 00:40:22,800

moving rapidly left and right or making

873

00:40:27,109 --> 00:40:24,780

any sudden moves the apparent rapid

874

00:40:30,109 --> 00:40:27,119

motions are all camera motion

875

00:40:32,750 --> 00:40:30,119

two it's not one continuous shot there's

876

00:40:35,809 --> 00:40:32,760

actually a six minute cut in the middle

877

00:40:37,550 --> 00:40:35,819

three there's no clear Splashdown it

878

00:40:40,010 --> 00:40:37,560

just shrinks away at or behind the

879

00:40:43,670 --> 00:40:40,020

Horizon meaning it's miles away

880

00:40:45,829 --> 00:40:43,680

four it's maybe a large infrared layer

881

00:40:47,990 --> 00:40:45,839

around a smaller heat source

882

00:40:49,309 --> 00:40:48,000

let's break all that down

883

00:40:51,230 --> 00:40:49,319

number one

884

00:40:52,730 --> 00:40:51,240

the most significant thing is that

885

00:40:55,490 --> 00:40:52,740

there's no change in the Left Right

886

00:40:57,470 --> 00:40:55,500

motion no sudden moves I know it looks

887

00:40:59,270 --> 00:40:57,480

like it's flying left and then right but

888

00:41:01,670 --> 00:40:59,280

the key thing to look at is the motion

889

00:41:03,950 --> 00:41:01,680

relative to the ocean when the video has

890

00:41:05,630 --> 00:41:03,960

been stabilized try to ignore the

891

00:41:07,309 --> 00:41:05,640

crosshairs moving around look at the

892

00:41:09,890 --> 00:41:07,319

region of the ocean surface in The

893

00:41:12,170 --> 00:41:09,900

Orange Box it moves smoothly from right

894

00:41:13,970 --> 00:41:12,180

to left relative to the object which

895

00:41:16,490 --> 00:41:13,980

means the object has an apparent motion

896

00:41:17,930 --> 00:41:16,500

to the right which does not change if

897

00:41:20,150 --> 00:41:17,940

you script through the entire video

898

00:41:21,890 --> 00:41:20,160

stabilize you see this constant movement

899

00:41:23,690 --> 00:41:21,900

to the right yeah and I just want to

900

00:41:25,190 --> 00:41:23,700

mention why didn't Corbell do this

901
00:41:29,510 --> 00:41:25,200
analysis

902
00:41:31,730 --> 00:41:29,520
and Sh and and because it's pretty clear

903
00:41:35,030 --> 00:41:31,740
that Mick West is correct and the ocean

904
00:41:37,130 --> 00:41:35,040
you know or I'm sorry the object is not

905
00:41:40,970 --> 00:41:37,140
flying left to right why wouldn't

906
00:41:43,670 --> 00:41:40,980
Corbell point out that obvious

907
00:41:45,650 --> 00:41:43,680
of a thing

908
00:41:47,089 --> 00:41:45,660
I kind of caught this before seeing Nick

909
00:41:49,190 --> 00:41:47,099
Westing I didn't believe that it was

910
00:41:52,130 --> 00:41:49,200
moving left to right based on the ocean

911
00:41:54,290 --> 00:41:52,140
and the Horizon but I'm not an expert I

912
00:41:56,450 --> 00:41:54,300
I would defer to Mick West but my point

913
00:41:58,690 --> 00:41:56,460

is why doesn't Corbell do this kind of

914

00:42:03,230 --> 00:41:58,700

analysis before he releases this stuff

915

00:42:05,510 --> 00:42:03,240

or does he and know that this

916

00:42:07,730 --> 00:42:05,520

the the information that he is

917

00:42:10,550 --> 00:42:07,740

presenting is extremely misleading to

918

00:42:12,950 --> 00:42:10,560

the average viewer and he likes that

919

00:42:15,050 --> 00:42:12,960

those are the possibilities friends the

920

00:42:18,050 --> 00:42:15,060

ocean surface seems to move left so the

921

00:42:19,370 --> 00:42:18,060

object seems to move right

922

00:42:21,470 --> 00:42:19,380

number two

923

00:42:23,809 --> 00:42:21,480

there are six minutes and 21 seconds

924

00:42:25,730 --> 00:42:23,819

missing from the video I don't know if

925

00:42:28,190 --> 00:42:25,740

it was cut out or it was actually just

926
00:42:30,170 --> 00:42:28,200
two videos spliced together but you see

927
00:42:32,150 --> 00:42:30,180
that 27 seconds into the video the

928
00:42:34,309 --> 00:42:32,160
position of the object jumps much closer

929
00:42:37,010 --> 00:42:34,319
to the Horizon and the on-screen time

930
00:42:40,190 --> 00:42:37,020
goes from 53 minutes and 19 seconds to

931
00:42:42,290 --> 00:42:40,200
59 minutes and 40 seconds why would he

932
00:42:44,030 --> 00:42:42,300
cut six minutes of the video out that

933
00:42:47,809 --> 00:42:44,040
he's releasing and by the way I believe

934
00:42:50,089 --> 00:42:47,819
that he said that this you know was

935
00:42:51,890 --> 00:42:50,099
no I'm not going to go there but it to

936
00:42:54,109 --> 00:42:51,900
me it's very suspicious why would he cut

937
00:42:56,329 --> 00:42:54,119
six minutes of the video out before

938
00:42:58,430 --> 00:42:56,339

releasing it could there be something in

939

00:43:00,050 --> 00:42:58,440

that six minutes of video that explains

940

00:43:01,970 --> 00:43:00,060

what this object is

941

00:43:05,210 --> 00:43:01,980

that people are talking on this audio

942

00:43:08,870 --> 00:43:05,220

file that's included

943

00:43:11,150 --> 00:43:08,880

that may explain away this as a drone or

944

00:43:12,530 --> 00:43:11,160

something else why cut six minutes of

945

00:43:14,270 --> 00:43:12,540

the video why can't we get the whole

946

00:43:16,490 --> 00:43:14,280

video Mr Corbell

947

00:43:18,109 --> 00:43:16,500

why do only you get to see that six

948

00:43:19,670 --> 00:43:18,119

minutes

949

00:43:21,890 --> 00:43:19,680

by the way you're the one making

950

00:43:23,930 --> 00:43:21,900

extraordinary claims here so the burden

951
00:43:25,370 --> 00:43:23,940
of proof and evidence is on you if

952
00:43:28,370 --> 00:43:25,380
you've got six minutes more video

953
00:43:30,650 --> 00:43:28,380
evidence of this thing let's see it but

954
00:43:32,690 --> 00:43:30,660
we're never gonna We he will never

955
00:43:34,490 --> 00:43:32,700
release that other six minutes

956
00:43:37,130 --> 00:43:34,500
that's my prediction it could be wrong

957
00:43:39,890 --> 00:43:37,140
but my prediction is we will never see

958
00:43:41,329 --> 00:43:39,900
that six minutes of video and there's a

959
00:43:43,069 --> 00:43:41,339
reason for that

960
00:43:44,450 --> 00:43:43,079
if you don't notice this cut you might

961
00:43:46,790 --> 00:43:44,460
think the object was dropping a lot

962
00:43:48,710 --> 00:43:46,800
quicker I suspect the missing six

963
00:43:50,809 --> 00:43:48,720

minutes are really boring just showing

964

00:43:54,050 --> 00:43:50,819

it continuing to descend really really

965

00:43:55,730 --> 00:43:54,060

slowly number three when the object

966

00:43:58,190 --> 00:43:55,740

vanishes you hear people in the video

967

00:44:00,290 --> 00:43:58,200

say it's splashed splashed meaning it

968

00:44:02,630 --> 00:44:00,300

landed or crashed in the ocean

969

00:44:04,370 --> 00:44:02,640

but remember this is at 11 at night very

970

00:44:06,589 --> 00:44:04,380

dark and the object seems to be miles

971

00:44:08,510 --> 00:44:06,599

away based on the extreme digital Zoom

972

00:44:10,370 --> 00:44:08,520

so they are probably just looking at

973

00:44:12,650 --> 00:44:10,380

this infrared video the same thing that

974

00:44:14,809 --> 00:44:12,660

we see the object disappears from view

975

00:44:16,730 --> 00:44:14,819

right at the Horizon it doesn't seem to

976
00:44:19,309 --> 00:44:16,740
be gradually obscured from the bottom up

977
00:44:20,990 --> 00:44:19,319
but rather it shrinks and vanishes and

978
00:44:22,970 --> 00:44:21,000
then grows back into view for a

979
00:44:24,349 --> 00:44:22,980
suppression of a second and then rapidly

980
00:44:26,270 --> 00:44:24,359
Fades out again

981
00:44:28,490 --> 00:44:26,280
some of that is hard to see due to video

982
00:44:31,670 --> 00:44:28,500
compression but the shrinking seems

983
00:44:33,650 --> 00:44:31,680
fairly clear which brings us to

984
00:44:35,390 --> 00:44:33,660
number four you

985
00:44:37,309 --> 00:44:35,400
know this shrinking effect would happen

986
00:44:38,990 --> 00:44:37,319
if what we were looking at was an

987
00:44:41,809 --> 00:44:39,000
infrared glare

988
00:44:44,750 --> 00:44:41,819

black is hot here and a very hot object

989

00:44:46,309 --> 00:44:44,760

like a flare creates a glare around it

990

00:44:47,390 --> 00:44:46,319

which is a lot bigger than the actual

991

00:44:49,370 --> 00:44:47,400

flare

992

00:44:50,870 --> 00:44:49,380

if a solid object goes behind their

993

00:44:52,069 --> 00:44:50,880

Horizon then you'd see it cut in half

994

00:44:54,349 --> 00:44:52,079

like this

995

00:44:56,750 --> 00:44:54,359

but if it's a glare then you would just

996

00:44:58,550 --> 00:44:56,760

see the glare shrink and grow as the

997

00:45:00,050 --> 00:44:58,560

smaller heat source is obscured and Pops

998

00:45:02,210 --> 00:45:00,060

back into view and then is obscured

999

00:45:03,410 --> 00:45:02,220

again possibly by waves right on the

1000

00:45:05,329 --> 00:45:03,420

horizon

1001
00:45:07,010 --> 00:45:05,339
one thing that seems very clear from all

1002
00:45:09,530 --> 00:45:07,020
this is that there is zero indication

1003
00:45:11,870 --> 00:45:09,540
that it's a transmedium graph that is

1004
00:45:13,730 --> 00:45:11,880
transitioning to Flying underwater we

1005
00:45:16,190 --> 00:45:13,740
just lose sight of it at the Horizon

1006
00:45:18,050 --> 00:45:16,200
yeah I agree with Midwest there's no

1007
00:45:20,270 --> 00:45:18,060
evidence in this video that The Craft is

1008
00:45:22,790 --> 00:45:20,280
trans medium or actually going into the

1009
00:45:24,710 --> 00:45:22,800
water that is a statement made by

1010
00:45:27,530 --> 00:45:24,720
Corbell and his anonymous source

1011
00:45:29,630 --> 00:45:27,540
apparently perhaps but there's there's

1012
00:45:31,370 --> 00:45:29,640
no scientific evidence that this thing

1013
00:45:33,970 --> 00:45:31,380

is going in the water at least not in

1014

00:45:38,750 --> 00:45:33,980

this grainy ass compressed as hell

1015

00:45:41,150 --> 00:45:38,760

crappy super crappy video quality video

1016

00:45:43,010 --> 00:45:41,160

so what are we looking at I initially

1017

00:45:44,809 --> 00:45:43,020

thought a balloon simply because it

1018

00:45:47,390 --> 00:45:44,819

seemed round and it was descending so

1019

00:45:49,010 --> 00:45:47,400

slowly my number two hypothesis was a

1020

00:45:51,109 --> 00:45:49,020

glare from a flare descending on a

1021

00:45:52,550 --> 00:45:51,119

parachute and I moved more towards that

1022

00:45:55,250 --> 00:45:52,560

after looking at the shrinking that

1023

00:45:57,349 --> 00:45:55,260

looks like obscuring by The Horizon

1024

00:45:58,970 --> 00:45:57,359

but this Arrow here seems to indicate

1025

00:46:01,130 --> 00:45:58,980

where North is and the wind would have

1026
00:46:02,870 --> 00:46:01,140
been coming roughly from the North and

1027
00:46:05,030 --> 00:46:02,880
the apparent motion of the object seems

1028
00:46:07,370 --> 00:46:05,040
to be towards the North High Against the

1029
00:46:08,809 --> 00:46:07,380
Wind so that seems to point more towards

1030
00:46:11,150 --> 00:46:08,819
a powered craft

1031
00:46:13,010 --> 00:46:11,160
but then if the object is Far Beyond the

1032
00:46:15,230 --> 00:46:13,020
Horizon then maybe this apparent motion

1033
00:46:17,089 --> 00:46:15,240
is a bit of an illusion a combination of

1034
00:46:19,010 --> 00:46:17,099
the motion of the ship the waves and the

1035
00:46:21,530 --> 00:46:19,020
object with some of the apparent motion

1036
00:46:23,329 --> 00:46:21,540
perhaps come from Parallax it's hard to

1037
00:46:25,370 --> 00:46:23,339
tell and it's unfortunate that yet again

1038
00:46:26,930 --> 00:46:25,380

the best UFO videos that we get are

1039

00:46:29,329 --> 00:46:26,940

these really poor quality or low

1040

00:46:32,329 --> 00:46:29,339

resolution videos and I would absolutely

1041

00:46:34,910 --> 00:46:32,339

agree with Mr West's assertion uh you

1042

00:46:37,730 --> 00:46:34,920

know statement about that I mean is this

1043

00:46:40,370 --> 00:46:37,740

the best that the UFO Believers the True

1044

00:46:42,650 --> 00:46:40,380

Believers can get because it's terrible

1045

00:46:44,690 --> 00:46:42,660

the quality is terrible where is the 4K

1046

00:46:47,150 --> 00:46:44,700

video why don't we ever get a 4K Crystal

1047

00:46:49,670 --> 00:46:47,160

Clear video of any of these crafts or

1048

00:46:51,470 --> 00:46:49,680

even photograph right look at the

1049

00:46:54,650 --> 00:46:51,480

quality of an iPhone

1050

00:46:56,990 --> 00:46:54,660

camera where are the pictures high

1051
00:46:59,630 --> 00:46:57,000
quality pictures clear ones of any of

1052
00:47:03,410 --> 00:46:59,640
these things all we ever get for 70

1053
00:47:05,450 --> 00:47:03,420
years is low quality grainy ass footage

1054
00:47:07,910 --> 00:47:05,460
unless it's stuff like Billy Myers

1055
00:47:10,069 --> 00:47:07,920
pictures that were totally fake and you

1056
00:47:12,710 --> 00:47:10,079
know those are about the clearest that

1057
00:47:15,589 --> 00:47:12,720
come to mind I'm sure there is a few but

1058
00:47:17,930 --> 00:47:15,599
by and large most of the footage most of

1059
00:47:21,230 --> 00:47:17,940
the pictures that we get to see are

1060
00:47:23,930 --> 00:47:21,240
grainy low quality obscured and and to

1061
00:47:25,329 --> 00:47:23,940
me that is suspicious as if somebody is

1062
00:47:28,190 --> 00:47:25,339
using

1063
00:47:31,250 --> 00:47:28,200

purposefully taking low quality video or

1064

00:47:33,290 --> 00:47:31,260

purposefully compressing the video to

1065

00:47:35,210 --> 00:47:33,300

provide as little data as possible and

1066

00:47:37,549 --> 00:47:35,220

to obscure the truth of whatever the

1067

00:47:40,309 --> 00:47:37,559

object actually is that may be

1068

00:47:42,109 --> 00:47:40,319

determined if we had Crystal Clear good

1069

00:47:44,270 --> 00:47:42,119

quality footage

1070

00:47:45,829 --> 00:47:44,280

so I don't know maybe a balloon or a

1071

00:47:47,990 --> 00:47:45,839

parachute flare or maybe a distant

1072

00:47:50,210 --> 00:47:48,000

helicopter maybe a drone maybe a Chinese

1073

00:47:52,250 --> 00:47:50,220

drone maybe a plane really far away

1074

00:47:54,650 --> 00:47:52,260

maybe an alien spaceship doing some

1075

00:47:56,510 --> 00:47:54,660

really boring flying more information

1076

00:47:58,430 --> 00:47:56,520

would be very useful

1077

00:47:59,809 --> 00:47:58,440

but what we have is not really super

1078

00:48:02,030 --> 00:47:59,819

interesting

1079

00:48:04,730 --> 00:48:02,040

something descends slowly towards the

1080

00:48:06,589 --> 00:48:04,740

horizon as slow as a setting star and

1081

00:48:11,349 --> 00:48:06,599

then is hidden by The Horizon

1082

00:48:14,930 --> 00:48:13,250

yep

1083

00:48:25,010 --> 00:48:14,940

and here we see

1084

00:48:28,190 --> 00:48:26,569

certainly not clear that it went into

1085

00:48:28,910 --> 00:48:28,200

the water

1086

00:48:35,710 --> 00:48:28,920

um

1087

00:48:40,730 --> 00:48:39,170

Corey says damn it five minutes for Mick

1088

00:48:42,770 --> 00:48:40,740

to come to the same conclusion as the

1089

00:48:45,170 --> 00:48:42,780

Navy it's unidentified

1090

00:48:47,690 --> 00:48:45,180

sure

1091

00:48:51,290 --> 00:48:47,700

yeah and uh

1092

00:48:53,089 --> 00:48:51,300

Matt says because you know here's the

1093

00:48:54,950 --> 00:48:53,099

thing it's like I want to believe in

1094

00:48:58,190 --> 00:48:54,960

aliens man I really do and I want to

1095

00:49:01,849 --> 00:48:58,200

believe that some of these objects may

1096

00:49:04,430 --> 00:49:01,859

indeed be uh alien spacecraft visiting

1097

00:49:07,370 --> 00:49:04,440

Earth for whatever reason that would be

1098

00:49:10,910 --> 00:49:07,380

a much cool cooler world to live in than

1099

00:49:15,530 --> 00:49:10,920

the real world that I live in so

1100

00:49:20,569 --> 00:49:17,809

yeah I just

1101

00:49:23,210 --> 00:49:20,579

I don't see what I I don't see what any

1102

00:49:26,870 --> 00:49:23,220

I I don't think that this video adds any

1103

00:49:29,990 --> 00:49:26,880

value to the researcher or getting to

1104

00:49:31,250 --> 00:49:30,000

the truth I think it just

1105

00:49:33,770 --> 00:49:31,260

um

1106

00:49:35,450 --> 00:49:33,780

it's just a story somebody can sell so

1107

00:49:38,210 --> 00:49:35,460

great Corbell and that made a bunch more

1108

00:49:41,150 --> 00:49:38,220

money selling this story and we'll never

1109

00:49:43,309 --> 00:49:41,160

get to the

1110

00:49:45,589 --> 00:49:43,319

the truth of what the objects actually

1111

00:49:47,990 --> 00:49:45,599

are right I don't think we're gonna get

1112

00:49:52,190 --> 00:49:48,000

to the truth what this these objects are

1113

00:49:55,069 --> 00:49:52,200

in this video so it has so then if we

1114

00:49:57,609 --> 00:49:55,079

just extrapolate a little bit then what

1115

00:50:02,210 --> 00:49:57,619

we could say is

1116

00:50:04,549 --> 00:50:02,220

this video has zero evidentiary value of

1117

00:50:08,569 --> 00:50:04,559

proving what this phenomenon is one way

1118

00:50:13,549 --> 00:50:11,390

I suppose we could say well it's a great

1119

00:50:16,569 --> 00:50:13,559

mystery

1120

00:50:19,730 --> 00:50:16,579

um but that doesn't

1121

00:50:22,849 --> 00:50:19,740

Matt says well this is a joke

1122

00:50:25,130 --> 00:50:22,859

I can't believe this is aliens no and uh

1123

00:50:27,829 --> 00:50:25,140

yeah listen Matt somebody correctly

1124

00:50:29,390 --> 00:50:27,839

pointed out that I misspoke earlier in

1125

00:50:32,150 --> 00:50:29,400

the broadcast and say that people jump

1126

00:50:34,490 --> 00:50:32,160

right to aliens Corbell and nap didn't

1127

00:50:36,710 --> 00:50:34,500

say aliens but they you know that's

1128

00:50:38,510 --> 00:50:36,720

that's the game let's dance around this

1129

00:50:40,430 --> 00:50:38,520

well we don't know where it took off

1130

00:50:41,690 --> 00:50:40,440

from or landed

1131

00:50:43,370 --> 00:50:41,700

right

1132

00:50:46,069 --> 00:50:43,380

why don't we know that we should know

1133

00:50:46,910 --> 00:50:46,079

that maybe it's aliens it's like the

1134

00:50:53,210 --> 00:50:46,920

dance

1135

00:50:55,490 --> 00:50:53,220

know I I mentioned earlier in the

1136

00:50:58,549 --> 00:50:55,500

broadcast where both nap and Corbell are

1137

00:51:01,670 --> 00:50:58,559

fond of saying stupid things like no one

1138

00:51:04,190 --> 00:51:01,680

on earth has technology like this or

1139

00:51:07,430 --> 00:51:04,200

this object defied the laws of physics

1140

00:51:08,750 --> 00:51:07,440

no they don't they didn't and you know

1141

00:51:12,170 --> 00:51:08,760

and

1142

00:51:14,510 --> 00:51:12,180

an aircraft doing a 90 degree turn is

1143

00:51:17,630 --> 00:51:14,520

not to find the laws of physics

1144

00:51:19,670 --> 00:51:17,640

we there's drones that can do that there

1145

00:51:22,190 --> 00:51:19,680

have been weapons developed to shoot

1146

00:51:23,690 --> 00:51:22,200

down nuclear weapons that can make 90

1147

00:51:26,870 --> 00:51:23,700

degree turns now of course they're

1148

00:51:28,790 --> 00:51:26,880

they're pilotless but we have to humans

1149

00:51:30,650 --> 00:51:28,800

have that kind of technology so to make

1150

00:51:31,910 --> 00:51:30,660

these stupid statements every time I

1151

00:51:34,670 --> 00:51:31,920

hear them say something like that it

1152

00:51:36,710 --> 00:51:34,680

drives me nuts

1153

00:51:40,069 --> 00:51:36,720

Maple Leaves Midwest just explained the

1154

00:51:42,710 --> 00:51:40,079

whole video yet or he could have at UAP

1155

00:51:47,089 --> 00:51:42,720

or sap that's exactly it I'm not saying

1156

00:51:49,370 --> 00:51:47,099

it's aliens but maybe it's aliens yeah

1157

00:51:50,510 --> 00:51:49,380

Bradley Johnson I'll devote my full

1158

00:51:52,849 --> 00:51:50,520

attention we'll take comments and

1159

00:51:55,430 --> 00:51:52,859

questions from the live chat corbell's

1160

00:51:58,130 --> 00:51:55,440

entire business is around aliens if he's

1161

00:52:00,290 --> 00:51:58,140

promoting it the message is clearly is

1162

00:52:03,109 --> 00:52:00,300

that it's aliens Advanced trans medium

1163

00:52:05,990 --> 00:52:03,119

craft he's a ufology guy it's not subtle

1164

00:52:10,910 --> 00:52:06,000

I agree his whole his whole

1165

00:52:14,089 --> 00:52:10,920

income is it it's aliens so he doesn't

1166

00:52:18,710 --> 00:52:14,099

have to say it if he's showing the if

1167

00:52:25,910 --> 00:52:21,049

how is corbel making money off of it

1168

00:52:28,609 --> 00:52:25,920

well uh the mystery wire has ads he's

1169

00:52:32,870 --> 00:52:28,619

got a YouTube That's monetized isn't it

1170

00:52:38,210 --> 00:52:35,270

I believe he may be getting paid for

1171

00:52:41,390 --> 00:52:38,220

appearances on television shows he may

1172

00:52:43,130 --> 00:52:41,400

be getting paid very soon when UFO

1173

00:52:44,809 --> 00:52:43,140

conferences come back do you think that

1174

00:52:46,370 --> 00:52:44,819

he won't be working the UFO circuit

1175

00:52:49,130 --> 00:52:46,380

giving lectures

1176

00:52:51,410 --> 00:52:49,140

for fifteen hundred dollars a pop or

1177

00:52:53,210 --> 00:52:51,420

maybe he's developing he doesn't care

1178

00:52:55,190 --> 00:52:53,220

about the money right now and he's just

1179

00:52:57,410 --> 00:52:55,200

trying to get lots of publicity for the

1180

00:52:59,030 --> 00:52:57,420

next documentary that he develops one

1181

00:53:02,390 --> 00:52:59,040

way or the other he's making money from

1182

00:53:06,890 --> 00:53:04,549

and you know I've I've heard various

1183

00:53:08,750 --> 00:53:06,900

things like he's broke like he spent all

1184

00:53:11,210 --> 00:53:08,760

his Bob Lazar money and he's broke now

1185

00:53:12,470 --> 00:53:11,220

so I I don't know if that's true but

1186

00:53:16,670 --> 00:53:12,480

that's what people are saying that's

1187

00:53:22,970 --> 00:53:19,790

well Corey uh how do how do we know he's

1188

00:53:24,589 --> 00:53:22,980

not you know these stories are on

1189

00:53:26,930 --> 00:53:24,599

mystery wire

1190

00:53:28,609 --> 00:53:26,940

how do we know that the the television

1191

00:53:30,470 --> 00:53:28,619

station we can call them we can call

1192

00:53:32,510 --> 00:53:30,480

that local television station how do we

1193

00:53:34,010 --> 00:53:32,520

know they're paying George an app for

1194

00:53:35,329 --> 00:53:34,020

sure he gets a salary from that

1195

00:53:36,770 --> 00:53:35,339

television station how do we know that

1196

00:53:39,109 --> 00:53:36,780

they didn't pay him

1197

00:53:41,270 --> 00:53:39,119

for the use of the video how do we know

1198

00:53:43,910 --> 00:53:41,280

does he own that video is that

1199

00:53:45,950 --> 00:53:43,920

copyrighted to him does anybody that

1200

00:53:48,710 --> 00:53:45,960

uses that video have to pay him we don't

1201
00:53:50,950 --> 00:53:48,720
know we don't know any of this

1202
00:53:53,270 --> 00:53:50,960
that says because people are suckers

1203
00:53:55,010 --> 00:53:53,280
Melissa is here shout out to Melissa

1204
00:53:58,130 --> 00:53:55,020
pragmagic says

1205
00:54:00,230 --> 00:53:58,140
Corbell is Bar None one of the worst

1206
00:54:02,270 --> 00:54:00,240
documentarians I've had the displeasure

1207
00:54:04,670 --> 00:54:02,280
to witness well that's your opinion you

1208
00:54:06,829 --> 00:54:04,680
know I don't I I think he's an okay

1209
00:54:08,569 --> 00:54:06,839
video editor I'll give him that you know

1210
00:54:14,870 --> 00:54:08,579
but uh

1211
00:54:18,710 --> 00:54:17,150
yeah why does Korbel copyright the video

1212
00:54:20,630 --> 00:54:18,720
if it's so important I don't know that

1213
00:54:24,650 --> 00:54:20,640

he has we're just speculating here about

1214

00:54:28,790 --> 00:54:24,660

what could be sources of income for him

1215

00:54:30,410 --> 00:54:28,800

yeah and I agree with uh UAP or sap he's

1216

00:54:32,030 --> 00:54:30,420

certainly going to make money off of the

1217

00:54:33,290 --> 00:54:32,040

story guys if you don't believe he's

1218

00:54:35,930 --> 00:54:33,300

going to make money off of this story

1219

00:54:38,930 --> 00:54:35,940

then you're I I I've got a bridge to

1220

00:54:41,510 --> 00:54:38,940

sell you and some oceanfront uh property

1221

00:54:44,210 --> 00:54:41,520

right in Wisconsin

1222

00:54:46,309 --> 00:54:44,220

or is it Arizona

1223

00:54:48,589 --> 00:54:46,319

whatever

1224

00:54:50,510 --> 00:54:48,599

yeah I've got some oceanfront property

1225

00:54:52,430 --> 00:54:50,520

to sell you

1226

00:54:54,890 --> 00:54:52,440

yeah all right Arbiter says people like

1227

00:55:00,829 --> 00:54:54,900

a good story yes they indeed they do

1228

00:55:05,930 --> 00:55:03,230

Contra portal says yes he is making a

1229

00:55:07,970 --> 00:55:05,940

lot of money man he is full of s dude

1230

00:55:09,829 --> 00:55:07,980

yeah and can we watch the cursing in the

1231

00:55:11,750 --> 00:55:09,839

live chat please we just got monetized

1232

00:55:13,549 --> 00:55:11,760

and we'd like to stay that way and

1233

00:55:15,230 --> 00:55:13,559

YouTube does not like people cursing in

1234

00:55:17,329 --> 00:55:15,240

the live chat because anybody could come

1235

00:55:18,829 --> 00:55:17,339

in here including you know underage

1236

00:55:22,069 --> 00:55:18,839

people I doubt that's going to happen

1237

00:55:24,289 --> 00:55:22,079

but it could so please no cursing in the

1238

00:55:26,569 --> 00:55:24,299

live chat uh

1239

00:55:28,789 --> 00:55:26,579

and you may notice that there is a Super

1240

00:55:31,010 --> 00:55:28,799

Chat button down there if anybody's

1241

00:55:34,990 --> 00:55:31,020

feeling generous tonight

1242

00:55:40,609 --> 00:55:37,910

AJ wants me to forget the monkey and get

1243

00:55:43,130 --> 00:55:40,619

a dancing Korbelt doll maybe we'll make

1244

00:55:45,770 --> 00:55:43,140

it we'll just name the monkey Corbell

1245

00:55:54,109 --> 00:55:47,990

yeah and I gotta tell you that there was

1246

00:55:59,150 --> 00:55:57,049

angry with Mr Corbell and I kind of got

1247

00:56:02,089 --> 00:55:59,160

over it you know like good for you

1248

00:56:05,809 --> 00:56:02,099

you're making money but if if you got it

1249

00:56:08,569 --> 00:56:05,819

play so fast and loose with the

1250

00:56:11,150 --> 00:56:08,579

with the facts and mislead people just

1251

00:56:17,390 --> 00:56:11,160

to make money you know

1252

00:56:21,770 --> 00:56:19,670

yeah I agree with you there's another

1253

00:56:24,890 --> 00:56:21,780

source of income mystery wire ads all

1254

00:56:26,750 --> 00:56:24,900

over nap owns it and these stories have

1255

00:56:29,930 --> 00:56:26,760

been huge for the site

1256

00:56:36,710 --> 00:56:34,569

yeah and somebody says ARG says

1257

00:56:38,930 --> 00:56:36,720

argumenty says Greer and good are just

1258

00:56:41,270 --> 00:56:38,940

as big of shells but I digress

1259

00:56:44,450 --> 00:56:41,280

yeah I I guarantee

1260

00:56:46,430 --> 00:56:44,460

they're making it you know I I always

1261

00:56:49,010 --> 00:56:46,440

follow the money you know and I'm sorry

1262

00:56:50,450 --> 00:56:49,020

but I I just

1263

00:56:52,190 --> 00:56:50,460

when when these guys are making

1264

00:56:54,410 --> 00:56:52,200

literally millions of dollars a year

1265

00:56:56,450 --> 00:56:54,420

selling these stories I don't think that

1266

00:56:58,609 --> 00:56:56,460

they have objectivity anymore

1267

00:57:01,450 --> 00:56:58,619

you know I mean even just let's look at

1268

00:57:05,270 --> 00:57:01,460

somebody like Richard Dolan like who is

1269

00:57:09,589 --> 00:57:05,280

a lot more respected than most of the

1270

00:57:13,490 --> 00:57:09,599

full-time UFO guys but realize like in

1271

00:57:15,650 --> 00:57:13,500

order to keep making a living you know

1272

00:57:18,289 --> 00:57:15,660

Richard Dolan's got to constantly come

1273

00:57:21,589 --> 00:57:18,299

up with new UFO stories to tell people

1274

00:57:22,970 --> 00:57:21,599

about and to lecture about and to write

1275

00:57:25,609 --> 00:57:22,980

books about

1276

00:57:32,450 --> 00:57:25,619

I mean they just constantly have to come

1277

00:57:37,490 --> 00:57:34,670

yeah and then Melissa yeah I agree with

1278

00:57:38,870 --> 00:57:37,500

you there may be underage people here my

1279

00:57:41,990 --> 00:57:38,880

sister was watching this on her account

1280

00:57:43,730 --> 00:57:42,000

but never commented and she's 17. yeah

1281

00:57:44,589 --> 00:57:43,740

well just just for the sake of the

1282

00:57:48,230 --> 00:57:44,599

YouTube

1283

00:57:52,010 --> 00:57:48,240

algorithms and stuff please uh

1284

00:57:54,289 --> 00:57:52,020

please do not curse in the live chat and

1285

00:57:56,030 --> 00:57:54,299

I I'm trying you know I hate to ask

1286

00:57:57,530 --> 00:57:56,040

everybody that so what I decided is if

1287

00:57:58,849 --> 00:57:57,540

I'm going to ask people to not curse in

1288

00:58:02,270 --> 00:57:58,859

the live chat then I'm not going to

1289

00:58:04,010 --> 00:58:02,280

curse verbally or I try I I pretty much

1290

00:58:07,490 --> 00:58:04,020

get through every show and maybe I'll

1291

00:58:11,569 --> 00:58:07,500

say you know one curse throughout a

1292

00:58:16,549 --> 00:58:13,910

yeah corbel was the worst thing to

1293

00:58:19,370 --> 00:58:16,559

happen to Lazar because he made Lazar

1294

00:58:22,910 --> 00:58:19,380

about himself yeah I would tend to agree

1295

00:58:27,109 --> 00:58:25,250

yeah that's another thing according to

1296

00:58:29,150 --> 00:58:27,119

corbel's video description it's a flight

1297

00:58:31,789 --> 00:58:29,160

lasting longer than an hour well why

1298

00:58:33,230 --> 00:58:31,799

can't we get the hour-long footage why

1299

00:58:36,289 --> 00:58:33,240

can't we

1300

00:58:38,390 --> 00:58:36,299

oh and UAP or sap

1301
00:58:40,549 --> 00:58:38,400
with a Kind and Generous Super Chat five

1302
00:58:43,250 --> 00:58:40,559
dollar donation says nice work on the

1303
00:58:45,289 --> 00:58:43,260
cabin by the way yeah this is uh this is

1304
00:58:47,630 --> 00:58:45,299
tongue and groove pine it smells like

1305
00:58:49,730 --> 00:58:47,640
Christmas in here and it has for years I

1306
00:58:52,609 --> 00:58:49,740
thought the smell would go away

1307
00:58:54,829 --> 00:58:52,619
but it really uh yeah I'm in the I'm in

1308
00:58:59,210 --> 00:58:54,839
the I'm in the dirty ass kitchen right

1309
00:59:01,609 --> 00:58:59,220
now I still got uh all this sawdust I

1310
00:59:03,589 --> 00:59:01,619
finished the walls the ceilings are all

1311
00:59:07,130 --> 00:59:03,599
done right

1312
00:59:09,170 --> 00:59:07,140
um yeah so thank you UAP or sap for the

1313
00:59:11,630 --> 00:59:09,180

kind and generous five dollar donation

1314

00:59:14,089 --> 00:59:11,640

every dollar really does help to move

1315

00:59:16,730 --> 00:59:14,099

the show forward and to continue us

1316

00:59:18,349 --> 00:59:16,740

making this content that you enjoy I

1317

00:59:20,450 --> 00:59:18,359

appreciate your kindness your generosity

1318

00:59:22,549 --> 00:59:20,460

and your support of the show you have my

1319

00:59:24,289 --> 00:59:22,559

gratitude I'm having an attitude of

1320

00:59:28,190 --> 00:59:24,299

gratitude for all you kind and generous

1321

00:59:28,200 --> 00:59:33,470

once

1322

00:59:39,109 --> 00:59:36,230

I have to get a physical cough button

1323

00:59:41,270 --> 00:59:39,119

because I have a mute button and

1324

00:59:43,430 --> 00:59:41,280

I often will put the mute button on the

1325

00:59:45,109 --> 00:59:43,440

cough and forget to unmute it and then

1326
00:59:48,470 --> 00:59:45,119
five minutes later somebody calls me on

1327
00:59:54,049 --> 00:59:48,480
my phone and says hey uh

1328
01:00:01,069 --> 00:59:57,250
AJ has a cussing jar yeah

1329
01:00:04,609 --> 01:00:01,079
Matt says I at 17 I swear like a drunken

1330
01:00:10,609 --> 01:00:07,990
cambian has that adult set cabin Timbre

1331
01:00:14,829 --> 01:00:10,619
uh okay

1332
01:00:14,839 --> 01:00:20,450
says Lazar was also lying

1333
01:00:26,809 --> 01:00:24,170
you to Andrew Andy that is the comment

1334
01:00:29,690 --> 01:00:26,819
of the night you may By Night monetize

1335
01:00:32,030 --> 01:00:29,700
your curiosity absolutely

1336
01:00:33,710 --> 01:00:32,040
and you know and you know listen I don't

1337
01:00:36,829 --> 01:00:33,720
have anything against Jeremy Corbell

1338
01:00:39,410 --> 01:00:36,839

except that I can demonstrably prove

1339

01:00:42,109 --> 01:00:39,420

that he purposefully left everything out

1340

01:00:44,210 --> 01:00:42,119

of his babazar documentary that could

1341

01:00:46,549 --> 01:00:44,220

prove that Bob Lazar is a liar a fraud

1342

01:00:49,010 --> 01:00:46,559

and a fake

1343

01:00:51,589 --> 01:00:49,020

so is he really after the truth or is he

1344

01:00:54,370 --> 01:00:51,599

trying to sell a good story right

1345

01:00:57,950 --> 01:00:54,380

uh Melisa you did it again

1346

01:01:00,349 --> 01:00:57,960

every time she does this Melissa is

1347

01:01:02,329 --> 01:01:00,359

sending me Mexican pesos I believe a

1348

01:01:04,910 --> 01:01:02,339

hundred Mexican pesos

1349

01:01:09,190 --> 01:01:04,920

uh yeah

1350

01:01:11,630 --> 01:01:09,200

hey that is a cool that is a cool thing

1351

01:01:14,390 --> 01:01:11,640

Melissa says congrats Steven still not

1352

01:01:15,410 --> 01:01:14,400

rich and this is Mexican pesos and she

1353

01:01:19,789 --> 01:01:15,420

see

1354

01:01:22,370 --> 01:01:19,799

pesos so I don't get too excited because

1355

01:01:25,069 --> 01:01:22,380

that's like four or five dollars U.S but

1356

01:01:27,530 --> 01:01:25,079

I take it Melissa and I'm I'm almost

1357

01:01:29,569 --> 01:01:27,540

happier to get Mexican pesos I told my

1358

01:01:31,789 --> 01:01:29,579

wife that somebody sent me Mexican pesos

1359

01:01:34,910 --> 01:01:31,799

and she's like do you gotta go to Mexico

1360

01:01:37,370 --> 01:01:34,920

to spend it and I go I hope not no I

1361

01:01:38,569 --> 01:01:37,380

think uh YouTube will convert it all

1362

01:01:41,809 --> 01:01:38,579

right

1363

01:01:44,390 --> 01:01:41,819

we'll convert it to US dollars for me

1364

01:01:46,370 --> 01:01:44,400

and by the way if anybody knows how I

1365

01:01:48,530 --> 01:01:46,380

can actually get the money I think it

1366

01:01:50,450 --> 01:01:48,540

goes to the AdSense account I don't I

1367

01:01:52,250 --> 01:01:50,460

haven't even looked yet like I'm just

1368

01:01:53,630 --> 01:01:52,260

letting it build up

1369

01:01:55,609 --> 01:01:53,640

um but I would like to thank everybody

1370

01:01:58,190 --> 01:01:55,619

for their kindness their generosity and

1371

01:01:59,690 --> 01:01:58,200

their support oh Melissa thank you for

1372

01:02:01,190 --> 01:01:59,700

your kindness your generosity and your

1373

01:02:03,770 --> 01:02:01,200

support of the show it really does help

1374

01:02:06,170 --> 01:02:03,780

and you have been most generous and I

1375

01:02:08,029 --> 01:02:06,180

truly I want to acknowledge that your

1376

01:02:10,849 --> 01:02:08,039

continued support of the show and let

1377

01:02:12,529 --> 01:02:10,859

you know how much I appreciate it

1378

01:02:14,990 --> 01:02:12,539

um thanks to the kindness and generosity

1379

01:02:17,089 --> 01:02:15,000

and support of people like Melissa

1380

01:02:19,010 --> 01:02:17,099

here's what I did uh for people that

1381

01:02:21,470 --> 01:02:19,020

don't know I wear these glasses because

1382

01:02:24,650 --> 01:02:21,480

I'm visually impaired I have a paralyzed

1383

01:02:27,890 --> 01:02:24,660

eye and so the best screen that I found

1384

01:02:31,250 --> 01:02:27,900

even though I hate Max is an iMac it

1385

01:02:33,410 --> 01:02:31,260

looks beautiful and uh but I hate Mac OS

1386

01:02:35,029 --> 01:02:33,420

so I put Linux and Windows on it but of

1387

01:02:37,789 --> 01:02:35,039

course when you do something hacky like

1388

01:02:40,130 --> 01:02:37,799

that there's going to be issues so there

1389

01:02:41,930 --> 01:02:40,140

was weird audio problems with using that

1390

01:02:43,849 --> 01:02:41,940

iMac for the show so I replaced it with

1391

01:02:47,089 --> 01:02:43,859

a laptop but now that thing had some

1392

01:02:50,390 --> 01:02:47,099

problems so I purchased with the uh

1393

01:02:53,329 --> 01:02:50,400

Super Chat PayPal donations and patreon

1394

01:02:56,569 --> 01:02:53,339

money I purchased an all-in-one HP PC

1395

01:02:58,549 --> 01:02:56,579

that has a screen a lot like an iMac but

1396

01:03:00,410 --> 01:02:58,559

it's made for Windows and it'll run

1397

01:03:02,750 --> 01:03:00,420

Linux fine and I'm sure I'll have less

1398

01:03:04,910 --> 01:03:02,760

problems running the show on that and I

1399

01:03:06,890 --> 01:03:04,920

just want to thank everybody because

1400

01:03:09,710 --> 01:03:06,900

uh you know I think that thing was like

1401

01:03:12,529 --> 01:03:09,720

300 but I luckily I've been saving up

1402

01:03:13,849 --> 01:03:12,539

the patreon and the PayPal because I

1403

01:03:15,710 --> 01:03:13,859

know like we got to do something about

1404

01:03:18,529 --> 01:03:15,720

this computer situation so I purchased a

1405

01:03:19,970 --> 01:03:18,539

new one well a refurbished one it's a

1406

01:03:22,370 --> 01:03:19,980

few years old but it'll run the show

1407

01:03:24,950 --> 01:03:22,380

just fine and I should have much less

1408

01:03:26,870 --> 01:03:24,960

trouble and also uh

1409

01:03:28,789 --> 01:03:26,880

some other odds and ends to help with

1410

01:03:31,490 --> 01:03:28,799

the show like some extra webcams we're

1411

01:03:32,990 --> 01:03:31,500

gonna get the multicam setup going oh

1412

01:03:35,930 --> 01:03:33,000

yeah there's another show host saying

1413

01:03:37,730 --> 01:03:35,940

that I I I need sets and everything well

1414

01:03:40,309 --> 01:03:37,740

today I don't have a set I don't have

1415

01:03:42,250 --> 01:03:40,319

any sets at the cabin uh and I'm not

1416

01:03:44,390 --> 01:03:42,260

even in my usual place here at the cabin

1417

01:03:47,150 --> 01:03:44,400

uh the other room looks better because

1418

01:03:49,609 --> 01:03:47,160

that's log like a log cabin right this

1419

01:03:51,230 --> 01:03:49,619

room not so impressive but I don't know

1420

01:03:53,950 --> 01:03:51,240

I did a good job with this tongue and

1421

01:03:56,569 --> 01:03:53,960

groove pine boards this was a nightmare

1422

01:03:58,910 --> 01:03:56,579

and it goes all the way up to the

1423

01:04:00,650 --> 01:03:58,920

ceiling and back down the other wall you

1424

01:04:02,930 --> 01:04:00,660

know like it was a lot of cutting and

1425

01:04:05,270 --> 01:04:02,940

grinding and you know jamming things in

1426

01:04:06,410 --> 01:04:05,280

there luckily I have an air compressor

1427

01:04:08,329 --> 01:04:06,420

so you just

1428

01:04:10,010 --> 01:04:08,339

once you get it and it's tongue and

1429

01:04:12,410 --> 01:04:10,020

groove so once you cut everything the

1430

01:04:15,230 --> 01:04:12,420

right length it fits together but uh

1431

01:04:18,349 --> 01:04:15,240

going around windows is fun

1432

01:04:22,549 --> 01:04:18,359

and uh yeah some people have

1433

01:04:25,430 --> 01:04:22,559

somebody said is that is that outside no

1434

01:04:27,289 --> 01:04:25,440

uh this is the original cabin so these

1435

01:04:29,210 --> 01:04:27,299

used to be the windows to the outside

1436

01:04:31,190 --> 01:04:29,220

and I was going to wall I was going to

1437

01:04:32,690 --> 01:04:31,200

get rid of the windows but I just

1438

01:04:34,730 --> 01:04:32,700

thought for ventilation it's probably

1439

01:04:36,849 --> 01:04:34,740

best to leave them so that's a window

1440

01:04:39,890 --> 01:04:36,859

into the living room

1441

01:04:41,990 --> 01:04:39,900

which is kind of odd but there's no I

1442

01:04:44,329 --> 01:04:42,000

didn't want to leave this room get like

1443

01:04:46,430 --> 01:04:44,339

stuffy because it's all closed off with

1444

01:04:50,029 --> 01:04:46,440

with no ventilation so it was either put

1445

01:04:51,309 --> 01:04:50,039

a new vent in or leave the window to the

1446

01:04:54,170 --> 01:04:51,319

living room

1447

01:04:55,370 --> 01:04:54,180

and so I chose to do that maybe someday

1448

01:04:57,529 --> 01:04:55,380

I'll get rid of that and just put event

1449

01:04:58,910 --> 01:04:57,539

in but I I don't know I think I'm just

1450

01:05:01,010 --> 01:04:58,920

going to leave it the way it is and it

1451

01:05:02,690 --> 01:05:01,020

reminds me of where the cabin started

1452

01:05:04,910 --> 01:05:02,700

too because when I'm sitting in the

1453

01:05:06,829 --> 01:05:04,920

other side I could see the window and it

1454

01:05:08,990 --> 01:05:06,839

and it reminds me of when that was the

1455

01:05:13,190 --> 01:05:09,000

living room was literally outside before

1456

01:05:15,289 --> 01:05:13,200

you know but we built it up so we have a

1457

01:05:16,849 --> 01:05:15,299

great question from Corey Leander

1458

01:05:18,890 --> 01:05:16,859

Stephen what do you think of the years

1459

01:05:20,510 --> 01:05:18,900

of extended Congressional involvement it

1460

01:05:23,150 --> 01:05:20,520

seems they wouldn't let some huckster

1461

01:05:24,770 --> 01:05:23,160

leak a bunch of UAP videos knowing

1462

01:05:28,010 --> 01:05:24,780

they're ours

1463

01:05:31,190 --> 01:05:28,020

they see this seems like a new thing I'm

1464

01:05:32,750 --> 01:05:31,200

very suspicious of many things first of

1465

01:05:34,789 --> 01:05:32,760

all Corey I don't know how long you've

1466

01:05:37,609 --> 01:05:34,799

been looking into UFOs or reading UFO

1467

01:05:39,410 --> 01:05:37,619

books and watching UFO documentaries but

1468

01:05:41,690 --> 01:05:39,420

I've been doing it since I I don't know

1469

01:05:44,150 --> 01:05:41,700

since I was like you know a child eight

1470

01:05:46,789 --> 01:05:44,160

or ten years old and

1471

01:05:48,650 --> 01:05:46,799

The Narrative has always been that the

1472

01:05:53,089 --> 01:05:48,660

government is covering up proof of

1473

01:05:55,490 --> 01:05:53,099

aliens forever for 70 years it's been

1474

01:05:58,370 --> 01:05:55,500

you know

1475

01:05:59,930 --> 01:05:58,380

Cosmic Watergate that's what Stanton

1476
01:06:02,990 --> 01:05:59,940
Friedman called it Stan Friedman called

1477
01:06:05,870 --> 01:06:03,000
it a cosmic water game they are

1478
01:06:07,849 --> 01:06:05,880
covering up proof that aliens are

1479
01:06:09,849 --> 01:06:07,859
visiting Earth they know it they have

1480
01:06:13,309 --> 01:06:09,859
the proof and they're covering it all up

1481
01:06:17,029 --> 01:06:13,319
and that's been The Narrative of UFO

1482
01:06:18,890 --> 01:06:17,039
people and researchers for 70 years and

1483
01:06:22,730 --> 01:06:18,900
now suddenly we're supposed to trust

1484
01:06:25,490 --> 01:06:22,740
when a former you know like government

1485
01:06:26,630 --> 01:06:25,500
worker like Luis Elizondo starts telling

1486
01:06:29,510 --> 01:06:26,640
us stuff

1487
01:06:31,789 --> 01:06:29,520
and you know I'm sorry I don't think Lou

1488
01:06:33,170 --> 01:06:31,799

Elizondo has told us anything for the

1489

01:06:35,809 --> 01:06:33,180

past two years

1490

01:06:39,410 --> 01:06:35,819

he has not you know he dances around the

1491

01:06:41,569 --> 01:06:39,420

NDA he says things like we may be

1492

01:06:43,490 --> 01:06:41,579

getting visited by others right but he

1493

01:06:45,589 --> 01:06:43,500

won't provide the proof of that

1494

01:06:46,430 --> 01:06:45,599

this whole thing is very suspicious to

1495

01:06:53,569 --> 01:06:46,440

me

1496

01:06:56,210 --> 01:06:53,579

that if this was truly video of an

1497

01:06:57,890 --> 01:06:56,220

unidentified craft that was intruding on

1498

01:07:01,069 --> 01:06:57,900

U.S airspace

1499

01:07:02,150 --> 01:07:01,079

that would be classified but Corbell and

1500

01:07:04,010 --> 01:07:02,160

Knapp are saying that these are

1501

01:07:06,710 --> 01:07:04,020

unclassified videos and unclassified

1502

01:07:08,569 --> 01:07:06,720

images and that makes no sense call

1503

01:07:10,849 --> 01:07:08,579

somebody that has classification call

1504

01:07:12,470 --> 01:07:10,859

somebody in the military and ask them if

1505

01:07:16,069 --> 01:07:12,480

that makes sense it doesn't make any

1506

01:07:18,710 --> 01:07:16,079

sense if it could be a Chinese drone

1507

01:07:20,990 --> 01:07:18,720

it could be a Russian drone or from some

1508

01:07:22,789 --> 01:07:21,000

other adversary for all we know Iran has

1509

01:07:24,230 --> 01:07:22,799

good drone technology and are

1510

01:07:26,750 --> 01:07:24,240

surveilling us

1511

01:07:29,750 --> 01:07:26,760

the government would not let that just

1512

01:07:32,450 --> 01:07:29,760

leak out to the public if they

1513

01:07:35,569 --> 01:07:32,460

don't know what it is because it could

1514

01:07:37,670 --> 01:07:35,579

be a foreign adversary intruding on our

1515

01:07:39,410 --> 01:07:37,680

airspace

1516

01:07:40,970 --> 01:07:39,420

and the other thing very suspicious to

1517

01:07:44,270 --> 01:07:40,980

me is you notice in that report George

1518

01:07:46,250 --> 01:07:44,280

Knapp says that this ship was loaded

1519

01:07:48,109 --> 01:07:46,260

with all this high-tech equipment but

1520

01:07:52,190 --> 01:07:48,119

they couldn't get better Imaging

1521

01:07:56,690 --> 01:07:54,170

couldn't they have launched a drone of

1522

01:07:59,690 --> 01:07:56,700

their own or an aircraft of Their Own

1523

01:08:02,150 --> 01:07:59,700

to get closer to get closer images and

1524

01:08:04,130 --> 01:08:02,160

more radar data did they and we just

1525

01:08:06,289 --> 01:08:04,140

don't know about it so I'm suspicious

1526

01:08:07,849 --> 01:08:06,299

about this whole thing I believe that

1527

01:08:10,730 --> 01:08:07,859

there are people in the government seems

1528

01:08:13,130 --> 01:08:10,740

like Mark Rubio has a genuine interest

1529

01:08:15,349 --> 01:08:13,140

and concern about what is it that is

1530

01:08:17,809 --> 01:08:15,359

intruding in our airspace right

1531

01:08:19,189 --> 01:08:17,819

do I and and people keep asking me what

1532

01:08:22,729 --> 01:08:19,199

I think is going to be in this report

1533

01:08:24,530 --> 01:08:22,739

right I do not believe that it's going

1534

01:08:25,970 --> 01:08:24,540

to be anything earth-shattering and

1535

01:08:28,010 --> 01:08:25,980

Charles Unleashed with the kind and

1536

01:08:29,990 --> 01:08:28,020

generous five dollar Super Chat there

1537

01:08:31,849 --> 01:08:30,000

were five pounds I guess he's in England

1538

01:08:33,769 --> 01:08:31,859

right

1539

01:08:35,110 --> 01:08:33,779

hello children don't use bad language

1540

01:08:38,329 --> 01:08:35,120

George

1541

01:08:43,570 --> 01:08:38,339

where Charles is gonna get you oh no

1542

01:08:48,769 --> 01:08:46,189

uh all around Arbiter with a Kind and

1543

01:08:50,450 --> 01:08:48,779

Generous two dollar donation I Lobby for

1544

01:08:55,370 --> 01:08:50,460

cosplay

1545

01:08:57,890 --> 01:08:55,380

girls yeah uh if I could get some so I

1546

01:09:00,229 --> 01:08:57,900

want to thank both Charles Unleashed and

1547

01:09:02,870 --> 01:09:00,239

uh all around Arbiter for your kind and

1548

01:09:05,269 --> 01:09:02,880

generous donations it really does help

1549

01:09:09,169 --> 01:09:05,279

the show and it helps me and like I said

1550

01:09:11,630 --> 01:09:09,179

in my show previously it puts a smile on

1551
01:09:14,149 --> 01:09:11,640
my face see that you guys made me smile

1552
01:09:16,669 --> 01:09:14,159
tonight both of you and Melissa and

1553
01:09:21,769 --> 01:09:16,679
everyone else who sent us a Kind and

1554
01:09:22,669 --> 01:09:21,779
Generous uh donation uh UAP or sap as

1555
01:09:25,249 --> 01:09:22,679
well

1556
01:09:26,930 --> 01:09:25,259
I really do appreciate every dollar

1557
01:09:29,570 --> 01:09:26,940
helps uh

1558
01:09:31,430 --> 01:09:29,580
I I wanted to mention also just for the

1559
01:09:32,749 --> 01:09:31,440
benefit of those who have asked I did

1560
01:09:35,749 --> 01:09:32,759
listen to you

1561
01:09:37,789 --> 01:09:35,759
and people ask me to do an audio only

1562
01:09:38,749 --> 01:09:37,799
version like a podcast version of our

1563
01:09:40,249 --> 01:09:38,759

show

1564

01:09:46,490 --> 01:09:40,259

and

1565

01:09:48,649 --> 01:09:46,500

good news is is that we're going to be

1566

01:09:49,689 --> 01:09:48,659

on Apple podcasts we're going to be on

1567

01:09:53,149 --> 01:09:49,699

Google

1568

01:09:55,090 --> 01:09:53,159

podcasts or whatever and we're going to

1569

01:09:59,870 --> 01:09:55,100

be on speaker

1570

01:10:01,610 --> 01:09:59,880

and podbean I Heart Radio after this

1571

01:10:03,649 --> 01:10:01,620

gets set up and running you will

1572

01:10:06,169 --> 01:10:03,659

literally be able to listen to truth

1573

01:10:08,510 --> 01:10:06,179

Seekers on I don't know eight different

1574

01:10:10,189 --> 01:10:08,520

platforms so basically wherever you get

1575

01:10:12,649 --> 01:10:10,199

your podcast you'll be able to listen

1576

01:10:14,270 --> 01:10:12,659

you'll be able to get our show

1577

01:10:16,610 --> 01:10:14,280

uh and I want to thank the people that

1578

01:10:19,910 --> 01:10:16,620

have suggested that because praise the

1579

01:10:21,830 --> 01:10:19,920

Cash There's ads on audio podcasts so

1580

01:10:24,290 --> 01:10:21,840

we're opening up a whole new Revenue

1581

01:10:27,350 --> 01:10:24,300

Street Revenue stream thanks to people

1582

01:10:29,209 --> 01:10:27,360

asking for that and I'm gonna do it and

1583

01:10:32,209 --> 01:10:29,219

everybody gets to listen you might hear

1584

01:10:33,950 --> 01:10:32,219

some short commercials like uh but it's

1585

01:10:36,410 --> 01:10:33,960

interesting they even stuff like

1586

01:10:38,450 --> 01:10:36,420

McDonald's May advertise on my show

1587

01:10:40,669 --> 01:10:38,460

which is weird to me but

1588

01:10:42,530 --> 01:10:40,679

we'll take everybody's pennies because

1589

01:10:44,330 --> 01:10:42,540

pennies add up to Dollars and dollars

1590

01:10:50,450 --> 01:10:44,340

add up to hundreds and hundreds that up

1591

01:10:53,390 --> 01:10:52,250

yeah you're not gonna spooky you're not

1592

01:10:55,250 --> 01:10:53,400

gonna be able to hear the intro

1593

01:10:58,070 --> 01:10:55,260

strippers on the podcast and the one

1594

01:11:01,430 --> 01:10:58,080

thing that I I don't know like if I do

1595

01:11:03,050 --> 01:11:01,440

visual gags like do a show with a mask I

1596

01:11:05,510 --> 01:11:03,060

think that would be lost on the podcast

1597

01:11:07,669 --> 01:11:05,520

so I may skip the episodes where you

1598

01:11:11,870 --> 01:11:07,679

really need to see the show for the

1599

01:11:14,570 --> 01:11:11,880

audio podcast you know I don't know

1600

01:11:17,090 --> 01:11:14,580

pragmatic says my audio podcast does

1601
01:11:19,010 --> 01:11:17,100
heaps better than YouTube so congrats

1602
01:11:20,810 --> 01:11:19,020
yeah it's half set up I have somebody

1603
01:11:22,669 --> 01:11:20,820
helping me work on it that really knows

1604
01:11:23,870 --> 01:11:22,679
what they're doing with RSS feeds and

1605
01:11:26,270 --> 01:11:23,880
all that I don't know anything about

1606
01:11:27,890 --> 01:11:26,280
this stuff so I defaulted to an expert

1607
01:11:29,630 --> 01:11:27,900
so that I could get it done in a

1608
01:11:33,649 --> 01:11:29,640
reasonable plan of time and not really

1609
01:11:39,470 --> 01:11:36,770
and Melisa says

1610
01:11:42,709 --> 01:11:39,480
Corey Leander post a video link

1611
01:11:44,689 --> 01:11:42,719
already here now it's easy just copy and

1612
01:11:47,450 --> 01:11:44,699
paste then people will see and figure

1613
01:11:48,590 --> 01:11:47,460

something out of it okay we'll start us

1614

01:11:50,209 --> 01:11:48,600

here and it says Hey Stephen and

1615

01:11:51,830 --> 01:11:50,219

everyone good to see you

1616

01:11:53,590 --> 01:11:51,840

and you know what's interesting he

1617

01:11:55,610 --> 01:11:53,600

spelled my name

1618

01:11:58,189 --> 01:11:55,620

s-t-e-p-h-e-n for those that don't know

1619

01:12:00,649 --> 01:11:58,199

the real legal spelling of my name is

1620

01:12:03,530 --> 01:12:00,659

s-t-e-p-h-e-n

1621

01:12:06,050 --> 01:12:03,540

um but I started spelling it with a v in

1622

01:12:08,930 --> 01:12:06,060

my teenage years because anybody that

1623

01:12:11,270 --> 01:12:08,940

reads s-t-e-p-h-a en would call me

1624

01:12:13,250 --> 01:12:11,280

Stefan and it drove me nuts it's like

1625

01:12:15,410 --> 01:12:13,260

don't you know that Steven it's just a

1626

01:12:17,090 --> 01:12:15,420

weird that's the European spelling of it

1627

01:12:23,990 --> 01:12:17,100

so I've always just spelled it with a V

1628

01:12:29,990 --> 01:12:27,350

will I parody out of context CW Channer

1629

01:12:32,390 --> 01:12:30,000

I don't know what you mean will we bring

1630

01:12:35,149 --> 01:12:32,400

back the CW Chandler parody yeah I don't

1631

01:12:37,490 --> 01:12:35,159

know you know I feel better about the

1632

01:12:39,709 --> 01:12:37,500

freak out I had I I was kind of pissed

1633

01:12:41,689 --> 01:12:39,719

off and then I felt better and then I

1634

01:12:44,450 --> 01:12:41,699

found out that he was talking smack

1635

01:12:47,209 --> 01:12:44,460

about me for an hour on his show before

1636

01:12:49,729 --> 01:12:47,219

he came on my show and let me see let me

1637

01:12:51,070 --> 01:12:49,739

see if I can get the quote right this is

1638

01:12:53,990 --> 01:12:51,080

very

1639

01:12:58,070 --> 01:12:54,000

vindictive and Petty but I'm only doing

1640

01:13:00,169 --> 01:12:58,080

a show to suck viewers away from him so

1641

01:13:03,530 --> 01:13:00,179

I guess I went back to being a little

1642

01:13:06,110 --> 01:13:03,540

pissed off but you know I I I just don't

1643

01:13:08,090 --> 01:13:06,120

have time to be to be angry at him if

1644

01:13:09,229 --> 01:13:08,100

he's that he's going to be like that you

1645

01:13:11,870 --> 01:13:09,239

know good for you

1646

01:13:14,330 --> 01:13:11,880

uh yeah

1647

01:13:16,490 --> 01:13:14,340

YouTube search out of context CW chatter

1648

01:13:18,350 --> 01:13:16,500

oh no I think I seen that earlier on

1649

01:13:20,090 --> 01:13:18,360

Twitter is that like your edits that

1650

01:13:22,669 --> 01:13:20,100

you're making you know I could use a

1651

01:13:24,709 --> 01:13:22,679

clip producer you know

1652

01:13:26,990 --> 01:13:24,719

that's one of the things on my list I

1653

01:13:29,450 --> 01:13:27,000

might go to Fiverr because I don't

1654

01:13:31,070 --> 01:13:29,460

remember what I was doing on Fiverr

1655

01:13:34,850 --> 01:13:31,080

but

1656

01:13:39,530 --> 01:13:37,430

what was I doing on Fiverr I was having

1657

01:13:42,229 --> 01:13:39,540

somebody I was hiring people on Fiverr

1658

01:13:45,050 --> 01:13:42,239

to do graphics for a time for me and

1659

01:13:46,970 --> 01:13:45,060

this was a few years ago and I don't

1660

01:13:48,830 --> 01:13:46,980

remember what happened exactly but I

1661

01:13:51,830 --> 01:13:48,840

think like five people in a row took my

1662

01:13:53,870 --> 01:13:51,840

money and didn't finish did not finished

1663

01:13:56,450 --> 01:13:53,880

the project that I paid them for so they

1664

01:13:58,430 --> 01:13:56,460

had to refund me so I got a couple

1665

01:14:00,890 --> 01:13:58,440

hundred bucks in Fiverr money just

1666

01:14:02,630 --> 01:14:00,900

sitting there I may pay somebody from

1667

01:14:03,890 --> 01:14:02,640

Fiverr to be a clip producer because I

1668

01:14:05,870 --> 01:14:03,900

just don't have time to do all this

1669

01:14:07,850 --> 01:14:05,880

stuff by myself and to me it's free

1670

01:14:09,590 --> 01:14:07,860

money it's been sitting there in Fiverr

1671

01:14:11,090 --> 01:14:09,600

for two years now and I've never used it

1672

01:14:13,550 --> 01:14:11,100

so

1673

01:14:17,450 --> 01:14:13,560

yeah I might as well end up

1674

01:14:20,570 --> 01:14:19,070

well I don't know spooky you could tell

1675

01:14:23,090 --> 01:14:20,580

me how much you want for each clip like

1676

01:14:25,610 --> 01:14:23,100

if I give you a time stamp and and some

1677

01:14:29,930 --> 01:14:25,620

kind of intro and outro graphic to just

1678

01:14:31,610 --> 01:14:29,940

put an intro graphic put the video clip

1679

01:14:34,490 --> 01:14:31,620

from the timestamp I give you and then

1680

01:14:36,890 --> 01:14:34,500

put the put the graphic at the end I

1681

01:14:38,510 --> 01:14:36,900

mean that's it's not real hard to do

1682

01:14:43,010 --> 01:14:38,520

and I really should get up off my butt

1683

01:14:47,689 --> 01:14:46,130

okay and William says we need more UFO

1684

01:14:49,070 --> 01:14:47,699

Lucifer videos that was one of the

1685

01:14:52,370 --> 01:14:49,080

funniest things I've seen in a good

1686

01:14:53,570 --> 01:14:52,380

while uh I have a new one prepped and I

1687

01:14:55,250 --> 01:14:53,580

actually was going to do it this weekend

1688

01:14:57,590 --> 01:14:55,260

I haven't brought the mask with me it's

1689

01:14:59,810 --> 01:14:57,600

in the other room but I just didn't get

1690

01:15:10,570 --> 01:14:59,820

to it I got I got beat up at the cabin

1691

01:15:14,750 --> 01:15:13,130

our guys are seeing unidentified stuff

1692

01:15:20,270 --> 01:15:14,760

they don't know what it is

1693

01:15:23,930 --> 01:15:21,770

how does that amount to Congress

1694

01:15:26,330 --> 01:15:23,940

acknowledging it's real

1695

01:15:28,310 --> 01:15:26,340

yeah well see there's a lot of confusion

1696

01:15:31,189 --> 01:15:28,320

like just because the Navy says yes this

1697

01:15:32,870 --> 01:15:31,199

was really filmed by my by Navy

1698

01:15:35,330 --> 01:15:32,880

personnel doesn't mean that it's an

1699

01:15:37,910 --> 01:15:35,340

alien spacecraft it just means I you

1700

01:15:39,590 --> 01:15:37,920

know I I say this all the time it drives

1701

01:15:41,930 --> 01:15:39,600

me nuts when people jump to aliens

1702

01:15:44,570 --> 01:15:41,940

because unidentified does not mean

1703

01:15:47,450 --> 01:15:44,580

aliens but that's what people jump to

1704

01:15:49,850 --> 01:15:47,460

Michael Corbett I am Lucifer I thought I

1705

01:15:52,450 --> 01:15:49,860

was but I'm only Lucifer part-time so

1706

01:15:55,910 --> 01:15:52,460

maybe you're loose for full-time

1707

01:16:03,169 --> 01:15:55,920

Melissa says no Lucifer is my dad and I

1708

01:16:08,950 --> 01:16:05,270

yeah I agree there's a lot there's an

1709

01:16:13,370 --> 01:16:11,209

that's where things have been going

1710

01:16:16,310 --> 01:16:13,380

right

1711

01:16:18,410 --> 01:16:16,320

yeah so uh

1712

01:16:21,410 --> 01:16:18,420

all in good fun out of contact CW

1713

01:16:23,810 --> 01:16:21,420

channel oh yeah spooky is he paying you

1714

01:16:26,350 --> 01:16:23,820

to do those clips

1715

01:16:29,390 --> 01:16:26,360

I'm not paying you if he's not

1716

01:16:31,310 --> 01:16:29,400

if you're working for him for free

1717

01:16:35,630 --> 01:16:31,320

buddy you're gonna work for me for free

1718

01:16:46,970 --> 01:16:38,030

yeah I gotta go over and see what it is

1719

01:16:50,689 --> 01:16:48,709

all around arborist what about a David

1720

01:16:52,490 --> 01:16:50,699

like parody yes that's on my list of

1721

01:16:54,530 --> 01:16:52,500

things to do

1722

01:17:02,770 --> 01:16:54,540

that is definitely on my list of things

1723

01:17:07,850 --> 01:17:06,350

AJ says You Stephen you're spending a

1724

01:17:10,790 --> 01:17:07,860

lot of time at the cabin y'all making

1725

01:17:12,229 --> 01:17:10,800

shine up there no but I'd like to I

1726

01:17:13,910 --> 01:17:12,239

can't lie I've always wanted to learn

1727

01:17:16,970 --> 01:17:13,920

how to do it

1728

01:17:18,950 --> 01:17:16,980

neighbors offered to help me build a

1729

01:17:20,090 --> 01:17:18,960

still one time here but I was like I

1730

01:17:21,830 --> 01:17:20,100

think you know I don't want to get

1731

01:17:24,229 --> 01:17:21,840

arrested by that

1732

01:17:26,209 --> 01:17:24,239

Bureau of Alcohol Tobacco and Firearms

1733

01:17:28,189 --> 01:17:26,219

so maybe I'll just buy my own you know

1734

01:17:31,970 --> 01:17:28,199

in a lot of State Stores now you can buy

1735

01:17:33,229 --> 01:17:31,980

legal moonshine so I've I've got some

1736

01:17:36,110 --> 01:17:33,239

actual

1737

01:17:39,709 --> 01:17:36,120

I've got some neighbor uh oh man I can't

1738

01:17:41,450 --> 01:17:39,719

even say that never mind I've got some

1739

01:17:43,070 --> 01:17:41,460

legally purchased moonshine that came

1740

01:17:45,169 --> 01:17:43,080

from a state store here and then I've

1741

01:17:47,810 --> 01:17:45,179

also got some moonshine that was let's

1742

01:17:49,250 --> 01:17:47,820

just say given to me and I'm not sure

1743

01:17:52,550 --> 01:17:49,260

uh

1744

01:18:03,110 --> 01:17:52,560

what this what the who made it or where

1745

01:18:07,850 --> 01:18:05,270

Matt says but hey

1746

01:18:08,930 --> 01:18:07,860

that they have to show what they make

1747

01:18:11,030 --> 01:18:08,940

Shine On

1748

01:18:13,310 --> 01:18:11,040

yeah

1749

01:18:15,950 --> 01:18:13,320

don't get anybody in trouble so uh no

1750

01:18:18,950 --> 01:18:15,960

really somebody gave me a like four or

1751

01:18:22,070 --> 01:18:18,960

five jars of it as a gift it was my

1752

01:18:23,570 --> 01:18:22,080

birthday so uh yeah

1753

01:18:25,790 --> 01:18:23,580

I don't want to incriminate anybody

1754

01:18:36,169 --> 01:18:25,800

around here it would be not a good that

1755

01:18:41,149 --> 01:18:38,270

yeah so uh yeah I don't know if I'm

1756

01:18:43,010 --> 01:18:41,159

gonna return to making a parody myself I

1757

01:18:44,689 --> 01:18:43,020

probably will I mean I got the mask and

1758

01:18:46,370 --> 01:18:44,699

I got the background it's one of the

1759

01:18:48,590 --> 01:18:46,380

things that bugs me when I did that show

1760

01:18:50,870 --> 01:18:48,600

you know I was rushing around so much

1761

01:18:52,850 --> 01:18:50,880

that the uh the green screen was off I

1762

01:18:54,890 --> 01:18:52,860

had to turn it up a little bit you know

1763

01:18:56,510 --> 01:18:54,900

there's a little bit of res but I'm

1764

01:18:57,950 --> 01:18:56,520

gonna download that video when I get a

1765

01:18:59,870 --> 01:18:57,960

chance and just darken it and that

1766

01:19:02,390 --> 01:18:59,880

should fix it and re-upload it

1767

01:19:04,790 --> 01:19:02,400

and the other thing is I forgot that

1768

01:19:06,770 --> 01:19:04,800

when I was flashing that donate nail

1769

01:19:10,910 --> 01:19:06,780

that it cut the mic each time so that's

1770

01:19:16,070 --> 01:19:14,270

that's funny cancel spooky well why not

1771

01:19:18,830 --> 01:19:16,080

we're canceling everybody else right

1772

01:19:21,530 --> 01:19:18,840

everybody else is getting canceled right

1773

01:19:24,310 --> 01:19:21,540

I'm surprised that some people haven't

1774

01:19:26,750 --> 01:19:24,320

been totally canceled yet like Bill Burr

1775

01:19:29,090 --> 01:19:26,760

he's one of my favorite comedians like

1776

01:19:31,550 --> 01:19:29,100

he says some stuff that I'm sure like oh

1777

01:19:33,709 --> 01:19:31,560

that's going to get him in trouble

1778

01:19:35,630 --> 01:19:33,719

um but he rides it out and and he

1779

01:19:37,430 --> 01:19:35,640

survives and I'm glad because comedy

1780

01:19:39,050 --> 01:19:37,440

should be irreverent and comedians

1781

01:19:41,090 --> 01:19:39,060

should be allowed to make jokes about

1782

01:19:43,250 --> 01:19:41,100

everything even things that make people

1783

01:19:45,590 --> 01:19:43,260

uncomfortable or offend people

1784

01:19:46,729 --> 01:19:45,600

sometimes good comedy is offensive you

1785

01:19:48,229 --> 01:19:46,739

know

1786

01:19:49,970 --> 01:19:48,239

and uh

1787

01:19:52,189 --> 01:19:49,980

there you go

1788

01:19:53,870 --> 01:19:52,199

you know what spooky I would but I'm not

1789

01:19:55,430 --> 01:19:53,880

I don't want to start another beef or

1790

01:19:57,250 --> 01:19:55,440

anything like that and I'm already I'm

1791

01:19:59,870 --> 01:19:57,260

not in a good mood towards him right now

1792

01:20:02,930 --> 01:19:59,880

uh you know considering he comes to me

1793

01:20:05,870 --> 01:20:02,940

to apologize for saying one nasty thing

1794

01:20:09,169 --> 01:20:05,880

about me on a show in the morning and

1795

01:20:11,750 --> 01:20:09,179

then he does a show just to suck viewers

1796

01:20:14,450 --> 01:20:11,760

from me right and

1797

01:20:16,010 --> 01:20:14,460

and he says on a stream I'm just doing a

1798

01:20:18,169 --> 01:20:16,020

show to be Peter and bitty and suck

1799

01:20:21,110 --> 01:20:18,179

viewers from him and then he said all

1800

01:20:23,990 --> 01:20:21,120

kinds of more stuff insulted me my music

1801
01:20:25,729 --> 01:20:24,000
what did he say oh oh great I can make

1802
01:20:28,090 --> 01:20:25,739
music but only my wife is going to hear

1803
01:20:31,550 --> 01:20:28,100
it right

1804
01:20:33,229 --> 01:20:31,560
I I've got uh I'm not even gonna talk

1805
01:20:35,209 --> 01:20:33,239
about how many people have listened to

1806
01:20:38,629 --> 01:20:35,219
my music but I feel very secure in the

1807
01:20:41,450 --> 01:20:38,639
fact that much more people are gonna are

1808
01:20:43,310 --> 01:20:41,460
going to hear my music than ever hear

1809
01:20:51,590 --> 01:20:43,320
his so

1810
01:20:56,689 --> 01:20:54,770
sixth design says and I'm sorry I'm

1811
01:21:00,290 --> 01:20:56,699
having trouble reading this not sure I

1812
01:21:02,990 --> 01:21:00,300
consider all satire as comedy some of it

1813
01:21:04,669 --> 01:21:03,000

is very disturbing but people do it yeah

1814

01:21:06,410 --> 01:21:04,679

I mean there's crossing the line for

1815

01:21:08,090 --> 01:21:06,420

sure you shouldn't make you know you

1816

01:21:11,090 --> 01:21:08,100

shouldn't be you shouldn't make racist

1817

01:21:12,950 --> 01:21:11,100

jokes that are clearly racist

1818

01:21:15,350 --> 01:21:12,960

um but some people can joke about racial

1819

01:21:17,090 --> 01:21:15,360

stereotypes and it's still acceptable

1820

01:21:22,270 --> 01:21:17,100

form of of

1821

01:21:26,629 --> 01:21:24,950

you can if you want to can we start a

1822

01:21:28,189 --> 01:21:26,639

rumor that Jimmy church had a sexual

1823

01:21:30,530 --> 01:21:28,199

encounter with Linda Moulton Howe at

1824

01:21:36,410 --> 01:21:30,540

contact in the desert Dick Tracy if you

1825

01:21:42,590 --> 01:21:39,110

let's see I gotta get pushed into the

1826

01:21:45,229 --> 01:21:42,600

Charlie moo boy don't get it twisted

1827

01:21:47,270 --> 01:21:45,239

Alexander told tells people to read a

1828

01:21:49,550 --> 01:21:47,280

Sci-Fi book about non-humans to

1829

01:21:50,770 --> 01:21:49,560

understand the issue melon played part

1830

01:21:53,390 --> 01:21:50,780

in

1831

01:21:56,090 --> 01:21:53,400

documentary on Aliens Keen is a long

1832

01:21:58,010 --> 01:21:56,100

time alien fanatic Corbell laugh out

1833

01:21:59,990 --> 01:21:58,020

loud yeah

1834

01:22:02,209 --> 01:22:00,000

yeah

1835

01:22:07,250 --> 01:22:02,219

they are it's all a big club and I ain't

1836

01:22:10,010 --> 01:22:09,050

yeah you're simply wrong if you think

1837

01:22:12,890 --> 01:22:10,020

that

1838

01:22:15,050 --> 01:22:12,900

Elizondo melon Keen Knapp and many

1839

01:22:16,490 --> 01:22:15,060

others are not pushing aliens non-human

1840

01:22:18,770 --> 01:22:16,500

entities yeah and what happened with

1841

01:22:20,629 --> 01:22:18,780

melon because a few years ago he was at

1842

01:22:23,209 --> 01:22:20,639

contact in the desert and I didn't say

1843

01:22:25,310 --> 01:22:23,219

this but Grant Cameron said that he was

1844

01:22:29,870 --> 01:22:25,320

on a uh

1845

01:22:31,610 --> 01:22:29,880

a panel with him and melon said there's

1846

01:22:33,050 --> 01:22:31,620

nothing to this if there was I would

1847

01:22:35,149 --> 01:22:33,060

know about it

1848

01:22:38,330 --> 01:22:35,159

now suddenly he's pushing the alien

1849

01:22:41,209 --> 01:22:38,340

narrative out of nowhere you know

1850

01:22:43,550 --> 01:22:41,219

don't take CW seriously with his ribbing

1851

01:22:45,169 --> 01:22:43,560

you do good work yeah I don't I don't

1852

01:22:48,590 --> 01:22:45,179

really care like I decided I don't care

1853

01:22:50,030 --> 01:22:48,600

like you know but pragmatic when you're

1854

01:22:51,950 --> 01:22:50,040

getting called a rip off and you're

1855

01:22:54,169 --> 01:22:51,960

doing things like using puppets and

1856

01:22:56,510 --> 01:22:54,179

masks and and you have all this

1857

01:22:58,310 --> 01:22:56,520

production work with your show and that

1858

01:23:00,950 --> 01:22:58,320

guy never did the guy calling you the

1859

01:23:01,729 --> 01:23:00,960

rip-off of him never did any of that I

1860

01:23:05,629 --> 01:23:01,739

go

1861

01:23:07,490 --> 01:23:05,639

okay you know it just I think it's just

1862

01:23:10,550 --> 01:23:07,500

bitterness so

1863

01:23:12,350 --> 01:23:10,560

and and uh like I said they don't try to

1864

01:23:14,030 --> 01:23:12,360

run with they don't try to tackle you

1865

01:23:19,310 --> 01:23:14,040

preg magic unless you're the guy running

1866

01:23:24,169 --> 01:23:22,129

Corey Leander what

1867

01:23:25,790 --> 01:23:24,179

uh what alien narrative I don't know

1868

01:23:27,290 --> 01:23:25,800

that he's pushing an alien narrative but

1869

01:23:29,390 --> 01:23:27,300

he certainly didn't about face from

1870

01:23:31,669 --> 01:23:29,400

going there's nothing to this

1871

01:23:35,149 --> 01:23:31,679

or I would know about it a few years ago

1872

01:23:40,370 --> 01:23:35,159

to suddenly join in tsa and he has you

1873

01:23:41,930 --> 01:23:40,380

know uh I guess on on on uh Joe Rogan he

1874

01:23:43,850 --> 01:23:41,940

kind of Applied like yeah could be

1875

01:23:46,550 --> 01:23:43,860

aliens

1876
01:23:49,250 --> 01:23:46,560
and and he even talks about Bob Lazar

1877
01:23:52,550 --> 01:23:49,260
like like Bob Lazar's not completely

1878
01:23:54,050 --> 01:23:52,560
totally fake for all he knows okay

1879
01:23:55,550 --> 01:23:54,060
you know

1880
01:24:04,129 --> 01:23:55,560
I don't know he's pushing an alien

1881
01:24:11,149 --> 01:24:07,790
yeah it's all good preg magic like

1882
01:24:13,370 --> 01:24:11,159
you know what I decided is that oh and

1883
01:24:17,330 --> 01:24:13,380
just so people are aware it wasn't one

1884
01:24:20,090 --> 01:24:17,340
guy that that triggered me and pissed me

1885
01:24:21,830 --> 01:24:20,100
off I've got a bunch of people that

1886
01:24:24,890 --> 01:24:21,840
suddenly started calling me a sellout

1887
01:24:26,750 --> 01:24:24,900
right after I got monetized right we

1888
01:24:33,110 --> 01:24:26,760

were all good and so I got monetized and

1889

01:24:37,490 --> 01:24:35,510

you know like I had tarot card Tuesdays

1890

01:24:40,010 --> 01:24:37,500

before we were monetized I wasn't a

1891

01:24:41,689 --> 01:24:40,020

sellout then but once I got monetized I

1892

01:24:42,890 --> 01:24:41,699

was a sellout for having tarot cards

1893

01:24:46,610 --> 01:24:42,900

it's like they're just looking for an

1894

01:24:48,950 --> 01:24:46,620

excuse to be you know nasty or you know

1895

01:24:51,470 --> 01:24:48,960

jealous or angry or whatever

1896

01:24:54,410 --> 01:24:51,480

uh

1897

01:24:56,209 --> 01:24:54,420

yeah so but I can't I can't really

1898

01:24:58,610 --> 01:24:56,219

control what other people say or do all

1899

01:25:00,169 --> 01:24:58,620

I can do is I can you know like tonight

1900

01:25:02,870 --> 01:25:00,179

I wasn't going to do a show I'm kind of

1901
01:25:06,410 --> 01:25:02,880
tired I I can't tell you how much stupid

1902
01:25:08,030 --> 01:25:06,420
stuff I've been doing here I uh I had a

1903
01:25:10,910 --> 01:25:08,040
neighbor I put pictures on my Twitter

1904
01:25:12,530 --> 01:25:10,920
that had to take a huge tree down one of

1905
01:25:15,229 --> 01:25:12,540
those trees that really splits into like

1906
01:25:17,510 --> 01:25:15,239
five or six trees but it's one big

1907
01:25:20,990 --> 01:25:17,520
stump at the bottom it's all grown from

1908
01:25:23,750 --> 01:25:21,000
one into six and those six were all the

1909
01:25:27,770 --> 01:25:23,760
trees were like I don't know

1910
01:25:29,510 --> 01:25:27,780
18 to 24 30 I don't know they were you

1911
01:25:32,390 --> 01:25:29,520
know like this these are pretty big

1912
01:25:34,370 --> 01:25:32,400
trees so I went over there yesterday and

1913
01:25:37,490 --> 01:25:34,380

caught up about half of it

1914

01:25:39,350 --> 01:25:37,500

because uh you know my neighbor wanted

1915

01:25:40,850 --> 01:25:39,360

to give it to me for firewood but he was

1916

01:25:42,590 --> 01:25:40,860

actually going to pay somebody to cut it

1917

01:25:44,570 --> 01:25:42,600

up and they wanted like eight hundred

1918

01:25:45,890 --> 01:25:44,580

dollars to clean up the tree and I felt

1919

01:25:47,870 --> 01:25:45,900

bad if he was going to give it to me for

1920

01:25:49,970 --> 01:25:47,880

firewood he just wanted to get rid of it

1921

01:25:53,090 --> 01:25:49,980

I felt bad like I don't want him to have

1922

01:25:54,590 --> 01:25:53,100

to pay 800 to give me free firewood so I

1923

01:25:56,450 --> 01:25:54,600

went over there I got through about half

1924

01:25:58,250 --> 01:25:56,460

of it yesterday and I got to about

1925

01:26:00,290 --> 01:25:58,260

another quarter of it so I'm three

1926

01:26:01,790 --> 01:26:00,300

quarters of the way through it I mean

1927

01:26:04,430 --> 01:26:01,800

it's a big job that's why somebody

1928

01:26:06,350 --> 01:26:04,440

wanted 800 bucks to cut it all up and

1929

01:26:09,350 --> 01:26:06,360

then I uh I've got to drag it all over

1930

01:26:12,110 --> 01:26:09,360

here but he's only like a mile from me

1931

01:26:13,669 --> 01:26:12,120

further into the in the woods

1932

01:26:15,470 --> 01:26:13,679

um and it's neighbors helping neighbors

1933

01:26:17,270 --> 01:26:15,480

so I feel real good but my point is I'm

1934

01:26:19,189 --> 01:26:17,280

so tired from doing all this stuff here

1935

01:26:24,189 --> 01:26:19,199

I almost didn't do a show but I said no

1936

01:26:38,270 --> 01:26:26,629

melon's pin tweet is promoting the

1937

01:26:43,490 --> 01:26:40,910

uh what kind of tree was it I believe it

1938

01:26:46,370 --> 01:26:43,500

was a beech tree but like I said it's

1939

01:26:48,649 --> 01:26:46,380

one of those trees that like there was

1940

01:26:52,610 --> 01:26:48,659

one big stump that was like three feet

1941

01:26:53,750 --> 01:26:52,620

wide and then it split off into five or

1942

01:26:56,510 --> 01:26:53,760

six

1943

01:27:00,830 --> 01:26:56,520

trees from the one stump and I had to

1944

01:27:02,330 --> 01:27:00,840

cut the whole oh man it was not fun and

1945

01:27:04,070 --> 01:27:02,340

it's big you know that when you do

1946

01:27:07,070 --> 01:27:04,080

something like that with that big of a

1947

01:27:09,709 --> 01:27:07,080

tree it's a big it's a big mess all the

1948

01:27:11,689 --> 01:27:09,719

brush and stuff you gotta get loppers

1949

01:27:13,970 --> 01:27:11,699

and try to cut it all up and burn it all

1950

01:27:15,410 --> 01:27:13,980

but I'm gonna get a great deal of

1951

01:27:16,910 --> 01:27:15,420

firewood out of it so I helped the

1952

01:27:19,430 --> 01:27:16,920

neighbor and he's helping me giving me

1953

01:27:21,229 --> 01:27:19,440

free firewood so Cowboy says cabin is

1954

01:27:23,209 --> 01:27:21,239

looking good Stephen yeah these are the

1955

01:27:24,770 --> 01:27:23,219

tongue and groove pine walls in the

1956

01:27:26,390 --> 01:27:24,780

kitchen room well it's really like an

1957

01:27:33,129 --> 01:27:26,400

eat-in kitchen it used to be the whole

1958

01:27:38,570 --> 01:27:35,870

yeah Matt it was rotted and it was

1959

01:27:40,669 --> 01:27:38,580

leaning on the guy's house like leaning

1960

01:27:43,550 --> 01:27:40,679

towards his house so the tree really had

1961

01:27:45,649 --> 01:27:43,560

to go and it was dying it was some kind

1962

01:27:48,410 --> 01:27:45,659

of it had some kind of tree Rock disease

1963

01:27:50,390 --> 01:27:48,420

or something and if he didn't not cut it

1964

01:27:53,209 --> 01:27:50,400

it was going to fall on his house

1965

01:27:56,090 --> 01:27:53,219

eventually so the good news is nobody

1966

01:27:58,370 --> 01:27:56,100

got hurt we got the tree down and now

1967

01:28:00,169 --> 01:27:58,380

I'm chopping it up and and that that

1968

01:28:02,330 --> 01:28:00,179

tree will keep me warm most of the

1969

01:28:06,290 --> 01:28:02,340

winter because it's a huge tree with six

1970

01:28:08,450 --> 01:28:06,300

huge stalks off of it so uh it's most of

1971

01:28:10,550 --> 01:28:08,460

the firewood that I need for the whole

1972

01:28:12,290 --> 01:28:10,560

winter I think but you never know like

1973

01:28:14,030 --> 01:28:12,300

sometimes I look at this stuff and I go

1974

01:28:16,250 --> 01:28:14,040

yeah that'll fill the whole firewood

1975

01:28:18,410 --> 01:28:16,260

shed and then you work so hard cutting

1976

01:28:21,169 --> 01:28:18,420

it up and then I chopped things I chop

1977

01:28:22,550 --> 01:28:21,179

wood by hand with a with a splitting

1978

01:28:24,709 --> 01:28:22,560

wall and an ax

1979

01:28:27,290 --> 01:28:24,719

and then you get it all in the firewood

1980

01:28:28,850 --> 01:28:27,300

set and you're like huh that didn't feel

1981

01:28:30,290 --> 01:28:28,860

very much of the firewood shed at all

1982

01:28:32,330 --> 01:28:30,300

and then you get pissed off and go find

1983

01:28:34,970 --> 01:28:32,340

another tree to chop up you know I've

1984

01:28:37,310 --> 01:28:34,980

got a few here's that I I gotta do yeah

1985

01:28:39,110 --> 01:28:37,320

AJ says who cares what type of wood as

1986

01:28:42,169 --> 01:28:39,120

long as it's free well you don't want

1987

01:28:45,050 --> 01:28:42,179

like Pine or soft Woods you definitely

1988

01:28:47,209 --> 01:28:45,060

want a hardwood and whatever it is it's

1989

01:28:48,709 --> 01:28:47,219

hardwood I think it's Beach though

1990

01:28:50,450 --> 01:28:48,719

yeah

1991

01:28:52,910 --> 01:28:50,460

it's definitely hardwood because

1992

01:28:56,330 --> 01:28:52,920

hardwood Burns longer hard and and

1993

01:28:58,129 --> 01:28:56,340

hotter you know so if you gotta you

1994

01:29:01,010 --> 01:28:58,139

don't want Pine because Pine just burns

1995

01:29:03,350 --> 01:29:01,020

super fast and and the pine like sap and

1996

01:29:06,850 --> 01:29:03,360

resin can mess up your wood burners wood

1997

01:29:09,709 --> 01:29:06,860

burning stove so

1998

01:29:12,169 --> 01:29:09,719

yeah Plan B says what was with them the

1999

01:29:15,470 --> 01:29:12,179

weird edits and missing six minutes I

2000

01:29:16,970 --> 01:29:15,480

have no idea I have no idea why is it

2001

01:29:19,669 --> 01:29:16,980

missing six minutes I'd like to know

2002

01:29:21,530 --> 01:29:19,679

myself why did somebody cut that or you

2003

01:29:26,390 --> 01:29:21,540

know and corbell's defense maybe he got

2004

01:29:30,830 --> 01:29:28,370

but as Mick West correctly points out

2005

01:29:33,530 --> 01:29:30,840

with that cut and that edit it makes it

2006

01:29:36,169 --> 01:29:33,540

look like the thing is zooming down to

2007

01:29:38,390 --> 01:29:36,179

the ocean much faster than it may have

2008

01:29:40,129 --> 01:29:38,400

it may have slowly floated down in that

2009

01:29:41,510 --> 01:29:40,139

six minutes we don't know because we

2010

01:29:42,590 --> 01:29:41,520

don't have the six minutes of the

2011

01:29:44,570 --> 01:29:42,600

footage

2012

01:29:47,209 --> 01:29:44,580

I don't trust anything that comes from

2013

01:29:49,810 --> 01:29:47,219

George Knapp and Jeremy Corbell

2014

01:29:53,570 --> 01:29:49,820

as being anything of evidentiary value

2015

01:29:55,790 --> 01:29:53,580

or being a genuine

2016

01:29:58,669 --> 01:29:55,800

or being genuine insofar as having

2017

01:30:00,590 --> 01:29:58,679

anything to do with aliens uh nap has

2018

01:30:02,629 --> 01:30:00,600

been selling this stuff for 30 years

2019

01:30:05,030 --> 01:30:02,639

he's never provided the goods even

2020

01:30:06,950 --> 01:30:05,040

though nap famously says he knows where

2021

01:30:09,350 --> 01:30:06,960

the element 115 is buried and he's

2022

01:30:10,970 --> 01:30:09,360

someday he's going to dig it up so we're

2023

01:30:12,610 --> 01:30:10,980

expected to believe that George Knapp

2024

01:30:15,890 --> 01:30:12,620

has had absolute

2025

01:30:18,470 --> 01:30:15,900

incontrovertible verifiable evidence of

2026

01:30:20,689 --> 01:30:18,480

alien visitation or at least alien

2027

01:30:22,669 --> 01:30:20,699

technology here on Earth

2028

01:30:25,370 --> 01:30:22,679

from whatever for

2029

01:30:28,310 --> 01:30:25,380

from whatever methods he's got that

2030

01:30:31,629 --> 01:30:28,320

proof for 35 years and he's never dug it

2031

01:30:33,830 --> 01:30:31,639

up and shown it to anybody yeah right

2032

01:30:36,649 --> 01:30:33,840

sure sure you know where that element

2033

01:30:38,450 --> 01:30:36,659

115 is buried and his defense maybe Bob

2034

01:30:40,850 --> 01:30:38,460

Lazar said I buried some of the element

2035

01:30:43,129 --> 01:30:40,860

115 right here but don't ever dig it up

2036

01:30:44,930 --> 01:30:43,139

and he kept a promise and never dug it

2037

01:30:47,390 --> 01:30:44,940

up it doesn't mean there was Element 115

2038

01:30:49,070 --> 01:30:47,400

actually there not a stable isotope not

2039

01:30:51,590 --> 01:30:49,080

a stable form

2040

01:30:53,870 --> 01:30:51,600

you know I just don't trust George Knapp

2041

01:30:56,149 --> 01:30:53,880

and had very nasty interaction with him

2042

01:30:58,189 --> 01:30:56,159

when I went and investigated this Bob

2043

01:31:00,590 --> 01:30:58,199

Lazar business raid because I talked to

2044

01:31:03,649 --> 01:31:00,600

the sheriff and the sheriff told me that

2045

01:31:05,450 --> 01:31:03,659

that uh raid on babazar's business had

2046

01:31:08,689 --> 01:31:05,460

zero absolutely nothing to do with

2047

01:31:10,850 --> 01:31:08,699

aliens or flying saucers he was in on

2048

01:31:12,709 --> 01:31:10,860

the whole thing nobody was looking for

2049

01:31:15,709 --> 01:31:12,719

element 115 he didn't hear anybody

2050

01:31:17,870 --> 01:31:15,719

mention Element 115 they went there they

2051

01:31:20,810 --> 01:31:17,880

got records for the thallium that

2052

01:31:24,410 --> 01:31:20,820

babazar allegedly sold a customer who

2053

01:31:26,870 --> 01:31:24,420

then allegedly killed his wife with it

2054

01:31:28,910 --> 01:31:26,880

why is babazar allowed to sell something

2055

01:31:31,189 --> 01:31:28,920

that you could poison your wife with

2056

01:31:33,610 --> 01:31:31,199

it's odorless it's colorless it's

2057

01:31:36,649 --> 01:31:33,620

tasteless very dangerous

2058

01:31:39,830 --> 01:31:36,659

uh very dangerous chemical

2059

01:31:41,990 --> 01:31:39,840

he's selling it to people allegedly I

2060

01:31:44,090 --> 01:31:42,000

don't want to get sued by Bob Lazar

2061

01:31:45,530 --> 01:31:44,100

so the raid on babazar's business had

2062

01:31:48,290 --> 01:31:45,540

absolutely nothing to do with element

2063

01:31:50,390 --> 01:31:48,300

115. the sheriff of the local Town

2064

01:31:52,910 --> 01:31:50,400

confirmed for me he didn't hear anybody

2065

01:31:54,770 --> 01:31:52,920

mention Element 115 he didn't hear

2066

01:31:57,290 --> 01:31:54,780

anybody looking for anything other than

2067

01:32:00,830 --> 01:31:57,300

the records of the thallium and thallium

2068

01:32:03,169 --> 01:32:00,840

samples what thallium did babazar have

2069

01:32:05,209 --> 01:32:03,179

there in his business what sales records

2070

01:32:06,890 --> 01:32:05,219

of selling people thallium did Bob Lazar

2071

01:32:08,570 --> 01:32:06,900

have that's what they were looking for

2072

01:32:10,189 --> 01:32:08,580

that's what they took out of the

2073

01:32:13,129 --> 01:32:10,199

business he was in The Briefing before

2074

01:32:15,169 --> 01:32:13,139

the raid he was in The Raid and he was

2075

01:32:18,350 --> 01:32:15,179

an earshot of all those feds and

2076

01:32:19,390 --> 01:32:18,360

everybody else that was there and George

2077

01:32:22,790 --> 01:32:19,400

Knapp

2078

01:32:25,070 --> 01:32:22,800

babazar and Jeremy Corbell exaggerated

2079

01:32:27,169 --> 01:32:25,080

the amount of people that were there oh

2080

01:32:28,790 --> 01:32:27,179

there was 30 or 40 people there no the

2081

01:32:33,169 --> 01:32:28,800

sheriff confirmed for me that there was

2082

01:32:35,810 --> 01:32:33,179

10 maybe 11. total people at the raid

2083

01:32:37,490 --> 01:32:35,820

which is not uncommon

2084

01:32:39,290 --> 01:32:37,500

especially because you have multiple

2085

01:32:41,270 --> 01:32:39,300

States involved in the raid there was

2086

01:32:43,850 --> 01:32:41,280

the local police there was a local

2087

01:32:45,410 --> 01:32:43,860

Federal authorities there was Federal

2088

01:32:47,990 --> 01:32:45,420

authorities from the state that the

2089

01:32:51,709 --> 01:32:48,000

murder allegedly took place in

2090

01:32:54,110 --> 01:32:51,719

and local police from the murder

2091

01:32:55,910 --> 01:32:54,120

from the state the murder allegedly took

2092

01:32:57,470 --> 01:32:55,920

place in plus considering all the

2093

01:32:59,390 --> 01:32:57,480

dangerous stuff that Bob Lazar has in

2094

01:33:01,010 --> 01:32:59,400

there yeah they did they sent it a guy

2095

01:33:03,229 --> 01:33:01,020

with hazmat suits but it wasn't because

2096

01:33:05,930 --> 01:33:03,239

of aliens and it wasn't because of 115

2097

01:33:08,390 --> 01:33:05,940

that raid on babazar's business had

2098

01:33:12,950 --> 01:33:08,400

absolutely zero to do with element 115

2099

01:33:16,189 --> 01:33:12,960

they used that to sell a story

2100

01:33:18,169 --> 01:33:16,199

so anyway I confronted uh George Knapp

2101

01:33:20,689 --> 01:33:18,179

after speaking to the sheriff and he got

2102

01:33:26,149 --> 01:33:20,699

a little nasty with me I've read his

2103

01:33:27,649 --> 01:33:26,159

email to me uh on air uh once before and

2104

01:33:29,570 --> 01:33:27,659

he basically told me that I don't know

2105

01:33:32,090 --> 01:33:29,580

anything and and he said how many murder

2106

01:33:33,530 --> 01:33:32,100

investigations have you investigated or

2107

01:33:35,810 --> 01:33:33,540

how many murders have you investigated

2108

01:33:39,830 --> 01:33:35,820

because I've investigated over a hundred

2109

01:33:41,450 --> 01:33:39,840

and I'm like okay so you can't argue

2110

01:33:43,430 --> 01:33:41,460

with the facts I found so now you're

2111

01:33:46,189 --> 01:33:43,440

going to argue with my experience as an

2112

01:33:49,729 --> 01:33:46,199

investigator as some form of Defense you

2113

01:33:52,250 --> 01:33:49,739

know his logic made absolutely no sense

2114

01:33:53,629 --> 01:33:52,260

George is a sellout yeah I don't know I

2115

01:33:55,550 --> 01:33:53,639

grew up with him though in the Bible

2116

01:33:57,950 --> 01:33:55,560

Czar story so

2117

01:33:59,629 --> 01:33:57,960

you know I don't dislike him I dislike

2118

01:34:01,790 --> 01:33:59,639

some of the things that he does I

2119

01:34:05,810 --> 01:34:01,800

dislike his ethics and playing fast and

2120

01:34:12,229 --> 01:34:09,350

with the whole way that he goes about

2121

01:34:14,330 --> 01:34:12,239

doing things I mean you can't leave out

2122

01:34:17,030 --> 01:34:14,340

parts of the story that don't support

2123

01:34:18,770 --> 01:34:17,040

your already made conclusion you know

2124

01:34:21,290 --> 01:34:18,780

his conclusion about bibles are is that

2125

01:34:23,149 --> 01:34:21,300

Bible's ours telling the truth right I

2126
01:34:24,770 --> 01:34:23,159
mean actually to his credit he him more

2127
01:34:28,790 --> 01:34:24,780
than Korbelt will talk about some of the

2128
01:34:32,810 --> 01:34:30,290
yeah

2129
01:34:36,169 --> 01:34:32,820
nap worked for Bigelow since the Bob

2130
01:34:40,750 --> 01:34:36,179
Bigelow funded Art Bell Imh show area

2131
01:34:44,990 --> 01:34:42,770
Corey I'm not sure what you mean would I

2132
01:34:46,910 --> 01:34:45,000
be interested in an extended discussion

2133
01:34:52,570 --> 01:34:46,920
a discussion about what this subject

2134
01:34:57,890 --> 01:34:55,370
Bob looks like a guy who would not

2135
01:34:59,149 --> 01:34:57,900
attract women to work for him well

2136
01:35:00,530 --> 01:34:59,159
apparently he had a woman that worked

2137
01:35:03,050 --> 01:35:00,540
for him at his photo booth and he left

2138
01:35:05,209 --> 01:35:03,060

his first wife for that girl

2139

01:35:07,850 --> 01:35:05,219

um and she had an awful lot to say about

2140

01:35:09,470 --> 01:35:07,860

Bob Lazar being a fraud

2141

01:35:12,590 --> 01:35:09,480

um

2142

01:35:15,830 --> 01:35:12,600

this is things that I hear

2143

01:35:17,870 --> 01:35:15,840

his first I'm sorry his second wife

2144

01:35:19,729 --> 01:35:17,880

I believe babazar is on his third wife

2145

01:35:24,350 --> 01:35:19,739

now could be wrong but I believe it yes

2146

01:35:29,090 --> 01:35:27,410

Dick Tracy asks a while ago I requested

2147

01:35:30,830 --> 01:35:29,100

that you get Daryl Sims the alien Hunter

2148

01:35:32,990 --> 01:35:30,840

on for a guest did you follow that up

2149

01:35:35,330 --> 01:35:33,000

yes I messaged him and he did not return

2150

01:35:38,750 --> 01:35:35,340

my emails I believe I messaged him twice

2151

01:35:40,729 --> 01:35:38,760

I will message him one more time for you

2152

01:35:42,229 --> 01:35:40,739

um uh Dick Tracy just so that everybody

2153

01:35:45,470 --> 01:35:42,239

knows if somebody would really like me

2154

01:35:46,970 --> 01:35:45,480

to do an interview you can uh well let

2155

01:35:49,689 --> 01:35:46,980

me get rid of this Banner

2156

01:35:52,970 --> 01:35:49,699

you can definitely email me at

2157

01:35:55,729 --> 01:35:52,980

truseekershow at ah email me at

2158

01:35:58,609 --> 01:35:55,739

truthseekershow gmail.com with your

2159

01:35:59,990 --> 01:35:58,619

requests for guests or for if you know

2160

01:36:01,490 --> 01:36:00,000

if you want to hear me interview a

2161

01:36:03,950 --> 01:36:01,500

certain person you can email me that

2162

01:36:06,830 --> 01:36:03,960

request and I always at least attempt

2163

01:36:08,270 --> 01:36:06,840

but uh everybody's got to bear in mind

2164

01:36:10,370 --> 01:36:08,280

that

2165

01:36:11,149 --> 01:36:10,380

I don't know I think my track record is

2166

01:36:14,209 --> 01:36:11,159

about

2167

01:36:16,070 --> 01:36:14,219

70 30 meaning 70 percent of the people

2168

01:36:19,490 --> 01:36:16,080

that I email or request an interview

2169

01:36:22,609 --> 01:36:19,500

from don't accept or say no or don't get

2170

01:36:24,649 --> 01:36:22,619

back to me ever and 30 will reply and

2171

01:36:27,350 --> 01:36:24,659

out of the 30 that actually reply we

2172

01:36:29,450 --> 01:36:27,360

only really get to book about 10 percent

2173

01:36:31,250 --> 01:36:29,460

of the total people that I contact for

2174

01:36:34,609 --> 01:36:31,260

interviews so I get a little frustrated

2175

01:36:37,010 --> 01:36:34,619

when people you know I send messages and

2176

01:36:39,410 --> 01:36:37,020

I ask that's all I can do so please

2177

01:36:41,330 --> 01:36:39,420

forgive me if somebody does not reply to

2178

01:36:43,010 --> 01:36:41,340

me I every time somebody asks me to

2179

01:36:45,830 --> 01:36:43,020

interview somebody I at least make an

2180

01:36:47,629 --> 01:36:45,840

attempt to get the interview

2181

01:36:49,490 --> 01:36:47,639

all around Arbiter says I listen to

2182

01:36:51,649 --> 01:36:49,500

Coast to Coast AM back when Art Bell was

2183

01:36:53,450 --> 01:36:51,659

host and later George Noory back before

2184

01:36:55,609 --> 01:36:53,460

smartphones were all the rage and I had

2185

01:36:57,470 --> 01:36:55,619

a little transistor radio yeah I

2186

01:37:00,649 --> 01:36:57,480

listened to Art Bell on a transistor

2187

01:37:03,950 --> 01:37:00,659

radio as a kid I had a and a later

2188

01:37:06,770 --> 01:37:03,960

Walkman you know like a Sony Walkman I

2189

01:37:14,410 --> 01:37:06,780

used to go to sleep to to that it was

2190

01:37:18,830 --> 01:37:17,030

Sims vanished after the alien implant

2191

01:37:20,510 --> 01:37:18,840

guy he was endorsing turned out to be a

2192

01:37:22,189 --> 01:37:20,520

fraud yeah I heard about that so maybe

2193

01:37:23,450 --> 01:37:22,199

he's just not given interviews got to go

2194

01:37:28,189 --> 01:37:23,460

away for a while and hope people forget

2195

01:37:32,930 --> 01:37:30,169

and that could explain his lack of

2196

01:37:36,169 --> 01:37:32,940

wanting to have a discussion with me I

2197

01:37:39,709 --> 01:37:38,090

Skinwalker rants intrigues me in the

2198

01:37:41,330 --> 01:37:39,719

whole legend of skinwalkers in general

2199

01:37:43,310 --> 01:37:41,340

yeah but there's another story that

2200

01:37:46,629 --> 01:37:43,320

there's no meat on the bones there

2201
01:37:49,550 --> 01:37:46,639
big Bigelow spent a whole lot of money

2202
01:37:52,370 --> 01:37:49,560
with real scientists investigating that

2203
01:37:54,770 --> 01:37:52,380
and I never we never get to any real

2204
01:37:55,970 --> 01:37:54,780
definitive proof of anything paranormal

2205
01:37:58,189 --> 01:37:55,980
it's all

2206
01:38:01,430 --> 01:37:58,199
you know

2207
01:38:03,229 --> 01:38:01,440
it's all tantalizing may be evidence of

2208
01:38:05,209 --> 01:38:03,239
something but we don't know what we

2209
01:38:06,709 --> 01:38:05,219
never get to the we never get to the

2210
01:38:09,290 --> 01:38:06,719
truth

2211
01:38:11,450 --> 01:38:09,300
Christopher Peters how about him I can

2212
01:38:14,930 --> 01:38:11,460
put him on my list

2213
01:38:20,510 --> 01:38:14,940

and Dr Judy wood is on my list uh

2214

01:38:24,830 --> 01:38:22,550

automatically says Judy wood would be an

2215

01:38:33,290 --> 01:38:24,840

interesting interview I can make a note

2216

01:38:36,830 --> 01:38:34,850

yes for some reason you could sleep

2217

01:38:39,590 --> 01:38:36,840

better listening to the radio FM don't

2218

01:38:42,050 --> 01:38:39,600

really do it am does odd I suppose yeah

2219

01:38:44,410 --> 01:38:42,060

maybe it's all the static sixth design

2220

01:38:46,910 --> 01:38:44,420

right

2221

01:38:49,870 --> 01:38:46,920

Bradley Johnson is here shout out to

2222

01:38:54,470 --> 01:38:49,880

Bradley Johnson says well said Stephen

2223

01:38:58,550 --> 01:38:56,570

the Tracy says I didn't know that thanks

2224

01:39:01,850 --> 01:38:58,560

Charles Unleashed yeah Charles unleashes

2225

01:39:03,350 --> 01:39:01,860

uh he is an encyclopedia of conspiracy

2226

01:39:05,750 --> 01:39:03,360

land knowledge and when he tells me

2227

01:39:08,030 --> 01:39:05,760

something I generally uh believe it to

2228

01:39:09,770 --> 01:39:08,040

be true because he's very very

2229

01:39:12,530 --> 01:39:09,780

knowledgeable and we're happy to have

2230

01:39:14,030 --> 01:39:12,540

him here uh as a you know contributing

2231

01:39:17,290 --> 01:39:14,040

in the live chat and helping things

2232

01:39:21,950 --> 01:39:20,270

oh no the guy wasn't a real surgeon he

2233

01:39:23,510 --> 01:39:21,960

got his qualifications from a diploma

2234

01:39:25,129 --> 01:39:23,520

Mill wow is that the guy that was

2235

01:39:26,570 --> 01:39:25,139

cutting people open and finding alien

2236

01:39:28,250 --> 01:39:26,580

implant so he turns out he wasn't even a

2237

01:39:30,830 --> 01:39:28,260

real doctor he's just cutting people

2238

01:39:32,870 --> 01:39:30,840

open with a degree Mill degree

2239

01:39:42,290 --> 01:39:32,880

that's a little dangerous that's

2240

01:39:48,410 --> 01:39:44,390

what happened to Cliff and the mantid

2241

01:39:50,629 --> 01:39:48,420

beings and the pneumo I have no idea

2242

01:39:52,370 --> 01:39:50,639

I have no idea I don't know about that

2243

01:39:54,830 --> 01:39:52,380

somebody asked about Jeremy McGowan I'll

2244

01:39:57,290 --> 01:39:54,840

put him on my list as well

2245

01:39:59,330 --> 01:39:57,300

um every week I try to spend like a few

2246

01:40:02,990 --> 01:39:59,340

hours just emailing people asking for

2247

01:40:07,250 --> 01:40:03,000

guests uh oh uh I should announce this

2248

01:40:09,410 --> 01:40:07,260

is great great news uh one second

2249

01:40:11,990 --> 01:40:09,420

Jeremy McGowan you mentioned him he's

2250

01:40:13,370 --> 01:40:12,000

going to be on Monday Jeremy D McGowan

2251

01:40:16,790 --> 01:40:13,380

is going to be on the show Monday night

2252

01:40:19,430 --> 01:40:16,800

at 9 00 p.m I really like Mr McGowan's

2253

01:40:22,629 --> 01:40:19,440

take on many many things he doesn't go

2254

01:40:25,729 --> 01:40:22,639

right to the alien explanation right

2255

01:40:28,310 --> 01:40:25,739

oh wait it's covering up me I don't know

2256

01:40:31,729 --> 01:40:28,320

that I like that so is it really aliens

2257

01:40:34,010 --> 01:40:31,739

friends or is it something a little more

2258

01:40:36,290 --> 01:40:34,020

terrestrial right

2259

01:40:38,870 --> 01:40:36,300

yeah Jeremy McGowan will be on the show

2260

01:40:41,810 --> 01:40:38,880

at 9 00 PM eastern time on Monday night

2261

01:40:44,810 --> 01:40:41,820

I just confirmed his interview earlier I

2262

01:40:46,310 --> 01:40:44,820

think yesterday so uh

2263

01:40:49,010 --> 01:40:46,320

yeah

2264

01:40:51,709 --> 01:40:49,020

I'm glad you guys asked

2265

01:40:53,689 --> 01:40:51,719

uh oh boy that's not a good idea I had

2266

01:40:55,129 --> 01:40:53,699

two stream yards open so yeah Jeremy

2267

01:40:57,470 --> 01:40:55,139

McGowan will be on the show on Monday

2268

01:40:59,390 --> 01:40:57,480

I'm excited about that because he's very

2269

01:41:02,090 --> 01:40:59,400

grounded and I like his take on a lot of

2270

01:41:05,090 --> 01:41:02,100

things and he really does bring you know

2271

01:41:09,649 --> 01:41:05,100

a lot of knowledge to Aerial phenomenon

2272

01:41:12,530 --> 01:41:09,659

and he's very grounded and

2273

01:41:14,930 --> 01:41:12,540

he's very grounded and

2274

01:41:18,290 --> 01:41:14,940

he he brings a good analysis to things

2275

01:41:20,270 --> 01:41:18,300

like I loved his take on uh drone flight

2276

01:41:21,709 --> 01:41:20,280

time like people were in the UFO

2277

01:41:23,330 --> 01:41:21,719

Community are saying well could have

2278

01:41:24,790 --> 01:41:23,340

been a drone because the flight time was

2279

01:41:28,310 --> 01:41:24,800

over an hour

2280

01:41:29,990 --> 01:41:28,320

uh uh Jeremy McGowan points out all

2281

01:41:33,470 --> 01:41:30,000

these different drones that can fly for

2282

01:41:34,910 --> 01:41:33,480

like long long periods of time much more

2283

01:41:37,310 --> 01:41:34,920

than an hour

2284

01:41:38,750 --> 01:41:37,320

so people play fast and loose with the

2285

01:41:40,669 --> 01:41:38,760

facts but luckily there's people like me

2286

01:41:43,310 --> 01:41:40,679

or Jeremy McGowan or others that can

2287

01:41:44,750 --> 01:41:43,320

come and say hold on a minute not so

2288

01:41:48,410 --> 01:41:44,760

fast right

2289

01:41:52,430 --> 01:41:48,420
and AJ says bring bring on the

2290

01:41:56,870 --> 01:41:55,129
uh I what you know eventually I'll do a

2291

01:41:58,669 --> 01:41:56,880
chupacabra show I think there's a few

2292

01:42:01,370 --> 01:41:58,679
interesting really interesting cases

2293

01:42:04,010 --> 01:42:01,380
when it comes to chupacabra that are

2294

01:42:05,330 --> 01:42:04,020
truly unexplainable and really weird and

2295

01:42:11,629 --> 01:42:05,340
we could do that on our Dark Side

2296

01:42:18,410 --> 01:42:15,950
yes I know that's why I like it UAP or

2297

01:42:20,930 --> 01:42:18,420
sap says McGowan has a lot of drone

2298

01:42:23,030 --> 01:42:20,940
knowledge that is not widely known I

2299

01:42:25,810 --> 01:42:23,040
know and he's really shooting these UFO

2300

01:42:28,250 --> 01:42:25,820
hucksters in the foot you know

2301

01:42:30,590 --> 01:42:28,260

they say something that's completely and

2302

01:42:33,290 --> 01:42:30,600

totally factually inaccurate and Mr

2303

01:42:36,530 --> 01:42:33,300

McGowan goes live on his YouTube channel

2304

01:42:38,750 --> 01:42:36,540

and says wait a minute not so fast you

2305

01:42:41,330 --> 01:42:38,760

said that there could have been a drone

2306

01:42:42,830 --> 01:42:41,340

because of X Y or Z and let me show you

2307

01:42:44,750 --> 01:42:42,840

some examples of why it could have been

2308

01:42:47,390 --> 01:42:44,760

a drone because of these drones that I

2309

01:42:49,010 --> 01:42:47,400

will show you X Y and Z you know I think

2310

01:42:50,390 --> 01:42:49,020

he's great and he's well needed in the

2311

01:42:52,430 --> 01:42:50,400

community so I wanted to have a talk

2312

01:42:55,030 --> 01:42:52,440

with him and

2313

01:42:57,470 --> 01:42:55,040

it's funny it's he's one of those cases

2314

01:42:58,790 --> 01:42:57,480

where I was going to call him on the

2315

01:43:00,229 --> 01:42:58,800

phone and just have a talk and then I

2316

01:43:01,790 --> 01:43:00,239

said you know what no no let's just do

2317

01:43:03,649 --> 01:43:01,800

our talk in public and then everybody

2318

01:43:06,410 --> 01:43:03,659

else can listen in because I thought

2319

01:43:09,050 --> 01:43:06,420

everybody would enjoy it right

2320

01:43:12,050 --> 01:43:09,060

UAP or sap will be a killer show no

2321

01:43:14,330 --> 01:43:12,060

doubt yeah and then also uh tomorrow

2322

01:43:17,090 --> 01:43:14,340

night I think we're going to uh we're

2323

01:43:19,310 --> 01:43:17,100

going to talk about uh David Wilcox new

2324

01:43:21,050 --> 01:43:19,320

course because he's got a new pitch

2325

01:43:23,689 --> 01:43:21,060

video up wanting people to buy his

2326

01:43:25,609 --> 01:43:23,699

course and it's hysterical he is

2327

01:43:28,129 --> 01:43:25,619

literally promising people superpowers

2328

01:43:29,030 --> 01:43:28,139

in the pitch video if you buy his new

2329

01:43:31,310 --> 01:43:29,040

course

2330

01:43:33,290 --> 01:43:31,320

when the Ascension event happens you'll

2331

01:43:35,570 --> 01:43:33,300

know how to unlock your superpowers

2332

01:43:37,189 --> 01:43:35,580

which I think is

2333

01:43:39,709 --> 01:43:37,199

Consumer Fraud

2334

01:43:41,330 --> 01:43:39,719

vs alert buddy I think John Claude has

2335

01:43:42,590 --> 01:43:41,340

no reason to come on my show the guy's

2336

01:43:45,709 --> 01:43:42,600

got like what is it what is he up to

2337

01:43:47,629 --> 01:43:45,719

like 40 000 subscribers you know what

2338

01:43:50,810 --> 01:43:47,639

does he have for average live viewers

2339

01:43:52,570 --> 01:43:50,820

like 500 does he want to come and slum

2340

01:43:54,950 --> 01:43:52,580

it here no

2341

01:43:56,750 --> 01:43:54,960

I mean I could ask but he hasn't

2342

01:43:58,250 --> 01:43:56,760

returned my messages the last couple of

2343

01:43:59,629 --> 01:43:58,260

times I think he got pissed off at me

2344

01:44:05,510 --> 01:43:59,639

because of something I said which is

2345

01:44:05,520 --> 01:44:08,950

foreign

2346

01:44:14,390 --> 01:44:11,750

oh I'm sorry yeah you can't put a link

2347

01:44:17,330 --> 01:44:14,400

hold on who is it that needs to put a

2348

01:44:22,129 --> 01:44:19,609

give me a moment because I have to do it

2349

01:44:25,790 --> 01:44:22,139

from the actual YouTube live chat

2350

01:44:30,050 --> 01:44:27,590

all right who is it that needs to send a

2351

01:44:37,189 --> 01:44:30,060

link somebody let me know which user in

2352

01:44:40,850 --> 01:44:39,770

is it Corey all right here's what I'm

2353

01:44:43,609 --> 01:44:40,860

gonna do

2354

01:44:45,109 --> 01:44:43,619

Corey I'm gonna make you a moderator

2355

01:44:50,270 --> 01:44:45,119

and you'll be able to post a link

2356

01:44:55,129 --> 01:44:53,209

and maybe it was Bradley I'm not sure

2357

01:44:57,229 --> 01:44:55,139

I'll make him a moderator too everybody

2358

01:44:58,729 --> 01:44:57,239

gets a wrench please don't do anything

2359

01:45:00,290 --> 01:44:58,739

stupid with it

2360

01:45:02,629 --> 01:45:00,300

and while we're on the subject of

2361

01:45:06,109 --> 01:45:02,639

moderators I should remind everybody

2362

01:45:07,729 --> 01:45:06,119

I'm getting I was getting accused of um

2363

01:45:09,470 --> 01:45:07,739

I was getting accused of deleting

2364

01:45:10,669 --> 01:45:09,480

YouTube comments and I got to tell you

2365

01:45:13,129 --> 01:45:10,679

once again

2366

01:45:14,689 --> 01:45:13,139

I don't delete any YouTube comments I

2367

01:45:16,550 --> 01:45:14,699

don't know what's going on ask any

2368

01:45:20,270 --> 01:45:16,560

YouTube uh

2369

01:45:23,450 --> 01:45:20,280

channel creator content creator a lot of

2370

01:45:25,250 --> 01:45:23,460

times we you'll see a notification that

2371

01:45:27,410 --> 01:45:25,260

you got a comment and you can sort of

2372

01:45:29,810 --> 01:45:27,420

half read it in the notification and

2373

01:45:32,750 --> 01:45:29,820

then you click on it and it's gone

2374

01:45:34,850 --> 01:45:32,760

YouTube is doing this not me so people

2375

01:45:36,890 --> 01:45:34,860

are like accused were accusing me of

2376

01:45:39,350 --> 01:45:36,900

deleting YouTube comments nope and I

2377

01:45:42,530 --> 01:45:39,360

never will you know if you say something

2378

01:45:45,850 --> 01:45:42,540

racist or you know uh

2379

01:45:48,350 --> 01:45:45,860

but you know hate speech or you know

2380

01:45:50,090 --> 01:45:48,360

homophobic or transphobic or something

2381

01:45:52,129 --> 01:45:50,100

like that I might but if you're just

2382

01:45:53,689 --> 01:45:52,139

expressing an opinion in the live chat

2383

01:45:55,850 --> 01:45:53,699

or in the

2384

01:45:58,370 --> 01:45:55,860

YouTube comments I will not delete

2385

01:46:03,290 --> 01:46:00,950

um and it really is a situation with

2386

01:46:05,750 --> 01:46:03,300

YouTube I give you my word of Honor on

2387

01:46:07,910 --> 01:46:05,760

my mother's grave I don't delete YouTube

2388

01:46:09,470 --> 01:46:07,920

comments except for the things I

2389

01:46:12,410 --> 01:46:09,480

mentioned and obviously I can't have

2390

01:46:15,050 --> 01:46:12,420

somebody making racist or or homophobic

2391

01:46:16,790 --> 01:46:15,060

or transphobic or you know there's a

2392

01:46:18,530 --> 01:46:16,800

certain line that you can't cross and

2393

01:46:20,450 --> 01:46:18,540

and please don't be personally insulting

2394

01:46:23,470 --> 01:46:20,460

in the comments but if you just are

2395

01:46:25,790 --> 01:46:23,480

saying something about a show topic I

2396

01:46:27,229 --> 01:46:25,800

we don't have an echo chamber here

2397

01:46:29,629 --> 01:46:27,239

you're allowed to say just please be

2398

01:46:32,629 --> 01:46:29,639

respectful

2399

01:46:35,330 --> 01:46:32,639

yeah yeah sexy design is reminding me

2400

01:46:37,070 --> 01:46:35,340

YouTube removes chat all the time mods

2401

01:46:38,870 --> 01:46:37,080

can't see it at all shows retracted

2402

01:46:40,970 --> 01:46:38,880

immediately so there is nothing anybody

2403

01:46:44,330 --> 01:46:40,980

can do yeah

2404

01:46:45,890 --> 01:46:44,340

yeah I uh I I'm not deleting comments oh

2405

01:46:48,229 --> 01:46:45,900

and I want to just remind the chat room

2406

01:46:51,470 --> 01:46:48,239

moderators is that I don't want anybody

2407

01:46:53,149 --> 01:46:51,480

putting time out or boot it or muted or

2408

01:46:56,090 --> 01:46:53,159

anything unless they really need to be

2409

01:46:58,310 --> 01:46:56,100

right because then people accuse me of

2410

01:47:00,109 --> 01:46:58,320

censoring them in the live chat which is

2411

01:47:03,169 --> 01:47:00,119

ridiculous it's usually their own

2412

01:47:05,209 --> 01:47:03,179

behavior that causes a mod to retract a

2413

01:47:08,450 --> 01:47:05,219

comment or or remove a comment or

2414

01:47:10,490 --> 01:47:08,460

whatever and I can't I can't really

2415

01:47:12,290 --> 01:47:10,500

monitor the live chat and do the show at

2416

01:47:14,030 --> 01:47:12,300

the same time I can monitor it in so far

2417

01:47:16,070 --> 01:47:14,040

as

2418

01:47:17,930 --> 01:47:16,080

reading the comments and putting them on

2419

01:47:19,790 --> 01:47:17,940

the screen but you know sometimes some

2420

01:47:22,250 --> 01:47:19,800

kind of drama erupts in the live chat

2421

01:47:24,590 --> 01:47:22,260

and I don't really know what it is

2422

01:47:27,530 --> 01:47:24,600

that's happening so

2423

01:47:28,609 --> 01:47:27,540

later I gotta reconstruct things I think

2424

01:47:31,970 --> 01:47:28,619

even

2425

01:47:33,830 --> 01:47:31,980

and also one moderator should never time

2426

01:47:35,870 --> 01:47:33,840

out another moderator

2427

01:47:37,729 --> 01:47:35,880

I'm not sure what happened but I know V

2428

01:47:40,790 --> 01:47:37,739

was upset one night because she thought

2429

01:47:43,010 --> 01:47:40,800

I got somebody censored her or booted

2430

01:47:45,350 --> 01:47:43,020

her or I don't know and that's twice I

2431

01:47:47,209 --> 01:47:45,360

think that's happened to me if he's a

2432

01:47:48,890 --> 01:47:47,219

big contributor here and I would never

2433

01:47:51,290 --> 01:47:48,900

want her booted or

2434

01:47:52,310 --> 01:47:51,300

you know because I know her enough to

2435

01:47:55,010 --> 01:47:52,320

know that she's not going to say

2436

01:47:58,250 --> 01:47:56,750

uh I don't know what happened I think

2437

01:48:00,350 --> 01:47:58,260

the two moderators just got in an

2438

01:48:01,570 --> 01:48:00,360

argument and one decided to boot the

2439

01:48:05,689 --> 01:48:01,580

other one

2440

01:48:07,070 --> 01:48:05,699

so yeah dramas Rama Rama and speaking of

2441

01:48:08,270 --> 01:48:07,080

Dramarama I mentioned some of the

2442

01:48:10,850 --> 01:48:08,280

Dramarama

2443

01:48:13,669 --> 01:48:10,860

you know I had my little freak out and I

2444

01:48:15,770 --> 01:48:13,679

feel like I'm over it even if even if

2445

01:48:17,330 --> 01:48:15,780

other show hosts continue to say smack

2446

01:48:19,070 --> 01:48:17,340

and some of them have

2447

01:48:20,990 --> 01:48:19,080

if if other show hosts are going to talk

2448

01:48:22,790 --> 01:48:21,000

smack about me I'm not even gonna

2449

01:48:24,649 --> 01:48:22,800

address it unless I absolutely

2450

01:48:25,910 --> 01:48:24,659

positively feel like I have to but I'm

2451

01:48:27,229 --> 01:48:25,920

really going to try hard to not address

2452

01:48:29,270 --> 01:48:27,239

it

2453

01:48:31,669 --> 01:48:29,280

um that takes the wind right out of

2454

01:48:33,470 --> 01:48:31,679

those people's sales they want to get a

2455

01:48:35,450 --> 01:48:33,480

reaction from me they want me to talk

2456

01:48:38,629 --> 01:48:35,460

about them on my show

2457

01:48:40,310 --> 01:48:38,639

and uh it's probably not a good idea to

2458

01:48:42,290 --> 01:48:40,320

reward people they're talking smack

2459

01:48:44,270 --> 01:48:42,300

about you right and then it's all

2460

01:48:45,830 --> 01:48:44,280

ridiculous anyway okay you're gonna talk

2461

01:48:47,209 --> 01:48:45,840

smack about me on the internet then I'm

2462

01:48:49,310 --> 01:48:47,219

gonna go on the internet and talk smack

2463

01:48:51,109 --> 01:48:49,320

about you and then you'll talk smack

2464

01:48:52,910 --> 01:48:51,119

about the smack I talked and it never

2465

01:48:55,609 --> 01:48:52,920

leads anywhere good

2466

01:48:58,910 --> 01:48:55,619

I don't have the time

2467

01:49:00,770 --> 01:48:58,920

friends I gotta tell you since this uh

2468

01:49:02,330 --> 01:49:00,780

you know some changes that are happening

2469

01:49:04,189 --> 01:49:02,340

here

2470

01:49:07,189 --> 01:49:04,199

um this is slowly becoming a part-time

2471

01:49:10,070 --> 01:49:07,199

job for me and I just don't have

2472

01:49:12,290 --> 01:49:10,080

I don't have time for Dramarama I got

2473

01:49:15,050 --> 01:49:12,300

things I got stuff I gotta do for the

2474

01:49:17,570 --> 01:49:15,060

show and I could spend an hour you know

2475

01:49:19,669 --> 01:49:17,580

talking smack about some other show host

2476
01:49:21,890 --> 01:49:19,679
to talk smack about me or I could spend

2477
01:49:24,229 --> 01:49:21,900
an hour doing something actually

2478
01:49:27,350 --> 01:49:24,239
that will move our show forward so I'm

2479
01:49:29,750 --> 01:49:27,360
choosing to take the higher Road and uh

2480
01:49:32,750 --> 01:49:29,760
really try my best to just work on the

2481
01:49:36,169 --> 01:49:32,760
show and ignore critics because you know

2482
01:49:38,169 --> 01:49:36,179
I will say this it's always the guy that

2483
01:49:43,070 --> 01:49:38,179
can't do what you do

2484
01:49:45,770 --> 01:49:43,080
that uh will be nasty and critical and

2485
01:49:48,430 --> 01:49:45,780
negative right does anybody ever notice

2486
01:49:51,770 --> 01:49:48,440
this nobody more successful than you

2487
01:49:54,109 --> 01:49:51,780
ever talks smack about you nobody more

2488
01:49:56,149 --> 01:49:54,119

successful than you is ever a big critic

2489

01:49:58,729 --> 01:49:56,159

of what you're doing they don't care

2490

01:50:00,830 --> 01:49:58,739

they're they're busy chasing their own

2491

01:50:02,930 --> 01:50:00,840

success it's always the people less

2492

01:50:05,209 --> 01:50:02,940

successful than you the people that

2493

01:50:08,270 --> 01:50:05,219

couldn't do what you did or can't do

2494

01:50:11,750 --> 01:50:08,280

what you're doing that sour grapes right

2495

01:50:16,149 --> 01:50:11,760

that old sour grapes things you know

2496

01:50:20,689 --> 01:50:18,709

I didn't know I don't know how any most

2497

01:50:22,310 --> 01:50:20,699

of this works only the host can ban

2498

01:50:24,290 --> 01:50:22,320

you're right I use the wrong terminology

2499

01:50:26,689 --> 01:50:24,300

somebody timed somebody out that's what

2500

01:50:28,250 --> 01:50:26,699

happened not being somebody timed out V

2501
01:50:29,629 --> 01:50:28,260
and that's the second time that's

2502
01:50:31,129 --> 01:50:29,639
happened and I think she was just like

2503
01:50:32,810 --> 01:50:31,139
disagreeing with somebody in the live

2504
01:50:40,970 --> 01:50:32,820
chat who also happened to have a wrench

2505
01:50:46,129 --> 01:50:44,209
yeah so you know

2506
01:50:47,870 --> 01:50:46,139
yeah

2507
01:50:49,490 --> 01:50:47,880
going forward we're going to try I'm

2508
01:50:51,890 --> 01:50:49,500
really going to try to ignore that stuff

2509
01:50:53,870 --> 01:50:51,900
and you know like I even shouldn't have

2510
01:50:56,990 --> 01:50:53,880
listened to an hour or something I

2511
01:50:59,450 --> 01:50:57,000
listened to right because I did this

2512
01:51:02,629 --> 01:50:59,460
thing on Wednesday and then and then you

2513
01:51:05,089 --> 01:51:02,639

know had this Maya culpa an apology and

2514

01:51:07,189 --> 01:51:05,099

I thought we were good but I didn't know

2515

01:51:09,229 --> 01:51:07,199

that right before that more smack

2516

01:51:11,510 --> 01:51:09,239

talking for a full-on hour

2517

01:51:13,550 --> 01:51:11,520

saying all different insults that he

2518

01:51:15,229 --> 01:51:13,560

didn't apologize you know so I shouldn't

2519

01:51:16,010 --> 01:51:15,239

even listen to it I should just let it

2520

01:51:24,229 --> 01:51:16,020

go

2521

01:51:26,270 --> 01:51:24,239

squatting around the cabin one night I

2522

01:51:27,950 --> 01:51:26,280

sure can I have that on my list of

2523

01:51:29,810 --> 01:51:27,960

things to do this summer I'm gonna take

2524

01:51:31,609 --> 01:51:29,820

my son with me and we're gonna go hiking

2525

01:51:34,370 --> 01:51:31,619

in the woods looking for looking for

2526

01:51:37,370 --> 01:51:34,380

Sasquatch right and believe it or not AJ

2527

01:51:39,169 --> 01:51:37,380

ask Dan Gordon look up UFO researcher

2528

01:51:41,149 --> 01:51:39,179

Stan Gordon he also is a Bigfoot

2529

01:51:43,609 --> 01:51:41,159

researcher I've been talking to him

2530

01:51:46,129 --> 01:51:43,619

there is Sasquatch sightings all around

2531

01:51:48,709 --> 01:51:46,139

my cabin in this area which I'm excited

2532

01:51:49,850 --> 01:51:48,719

about like that would be fun

2533

01:51:51,830 --> 01:51:49,860

right

2534

01:51:54,410 --> 01:51:51,840

gonna need some liquor though because

2535

01:51:55,310 --> 01:51:54,420

you can't go squatching like without

2536

01:52:03,770 --> 01:51:55,320

liquor

2537

01:52:08,510 --> 01:52:05,629

you know some debate about what a mod

2538

01:52:10,250 --> 01:52:08,520

can do and what a mod can't do

2539

01:52:12,350 --> 01:52:10,260

yeah I I don't I don't know how this

2540

01:52:13,189 --> 01:52:12,360

works but I'm just hopeful that

2541

01:52:14,750 --> 01:52:13,199

everybody will be a little more

2542

01:52:16,570 --> 01:52:14,760

respectful towards each other and a mod

2543

01:52:19,010 --> 01:52:16,580

should not be timing out another mod

2544

01:52:20,810 --> 01:52:19,020

really I should be the only person

2545

01:52:22,189 --> 01:52:20,820

that's allowed to time out of mod but

2546

01:52:24,250 --> 01:52:22,199

they don't give us controls for this

2547

01:52:26,689 --> 01:52:24,260

stuff right

2548

01:52:28,430 --> 01:52:26,699

I leave the shine at the cabin maybe

2549

01:52:30,770 --> 01:52:28,440

I'll give it to Sasquatch

2550

01:52:33,890 --> 01:52:30,780

I feel like he wants some moonshine Mr

2551
01:52:37,970 --> 01:52:36,109
and the more words of my grandfather he

2552
01:52:40,310 --> 01:52:37,980
just jelly yeah I mean that's what a lot

2553
01:52:43,129 --> 01:52:40,320
of this stuff stems from and like and

2554
01:52:45,169 --> 01:52:43,139
like I said crack magic I had tarot

2555
01:52:46,490 --> 01:52:45,179
cards on before I got monetized nobody

2556
01:52:49,129 --> 01:52:46,500
said anything

2557
01:52:50,750 --> 01:52:49,139
suddenly I got monetized and and then

2558
01:52:53,089 --> 01:52:50,760
they started saying that I was selling

2559
01:52:55,129 --> 01:52:53,099
out so I guess when I wasn't monetized

2560
01:52:56,629 --> 01:52:55,139
and had tarot cards that was okay I

2561
01:52:58,310 --> 01:52:56,639
wasn't selling out but once I got

2562
01:53:00,350 --> 01:52:58,320
monetized and had a tarot card reader

2563
01:53:02,689 --> 01:53:00,360

then I was selling out see how that

2564

01:53:04,850 --> 01:53:02,699

works it's just

2565

01:53:06,950 --> 01:53:04,860

you know whatever man I'm just going to

2566

01:53:08,870 --> 01:53:06,960

keep I if if they were jealous before

2567

01:53:10,669 --> 01:53:08,880

pragmatic where do you see what's coming

2568

01:53:12,470 --> 01:53:10,679

because there's a lot of changes and

2569

01:53:15,830 --> 01:53:12,480

expansion of the show that's happening

2570

01:53:17,629 --> 01:53:15,840

in the next month and I'm happy for that

2571

01:53:20,169 --> 01:53:17,639

and I'm certainly not doing it to make

2572

01:53:22,970 --> 01:53:20,179

anybody else jealous I'm doing it to

2573

01:53:24,410 --> 01:53:22,980

build the show bigger and better and you

2574

01:53:26,330 --> 01:53:24,420

mentioned pragmatic that your audio

2575

01:53:28,010 --> 01:53:26,340

podcast does much better than your

2576

01:53:31,310 --> 01:53:28,020

YouTube one so

2577

01:53:34,490 --> 01:53:31,320

I'm gonna be on a podcast platforms all

2578

01:53:36,530 --> 01:53:34,500

monetized with ads that's certainly good

2579

01:53:38,870 --> 01:53:36,540

for my show right

2580

01:53:40,970 --> 01:53:38,880

yeah Cowboy damn if you do damn if you

2581

01:53:42,169 --> 01:53:40,980

don't Matt says just ignore the haters

2582

01:53:46,370 --> 01:53:42,179

yeah that's what we're gonna try here

2583

01:53:50,990 --> 01:53:48,350

yeah and well that's another thing you

2584

01:53:52,609 --> 01:53:51,000

know I don't dislike the guy so uh you

2585

01:53:54,229 --> 01:53:52,619

know I don't want to hate I don't want

2586

01:53:57,470 --> 01:53:54,239

to hate somebody that I don't even

2587

01:53:59,510 --> 01:53:57,480

dislike right so I'm just gonna choose

2588

01:54:02,089 --> 01:53:59,520

to be the bigger man and let it go and

2589

01:54:04,070 --> 01:54:02,099

uh you know pragmatic like people will

2590

01:54:06,830 --> 01:54:04,080

see that kind of stuff for what it is

2591

01:54:08,990 --> 01:54:06,840

right I think I explained to myself once

2592

01:54:12,609 --> 01:54:09,000

enough right

2593

01:54:14,930 --> 01:54:12,619

um on that freak out show last show

2594

01:54:18,050 --> 01:54:14,940

and you know I was gonna take that down

2595

01:54:20,689 --> 01:54:18,060

pragmatic but then I thought no i i

2596

01:54:22,910 --> 01:54:20,699

people enjoyed that show and it's

2597

01:54:24,589 --> 01:54:22,920

personal and uh that's another thing I'm

2598

01:54:26,089 --> 01:54:24,599

gonna try to not get personal so

2599

01:54:28,490 --> 01:54:26,099

personal though because I don't think

2600

01:54:29,330 --> 01:54:28,500

that's really the theme of our show it's

2601
01:54:31,790 --> 01:54:29,340
like people don't want to hear about

2602
01:54:33,709 --> 01:54:31,800
personal drama between me and a friend

2603
01:54:35,330 --> 01:54:33,719
or acquaintance or other show hosts they

2604
01:54:43,910 --> 01:54:35,340
want to hear about the subjects that

2605
01:54:48,229 --> 01:54:46,490
yeah pragmatic Financial predicaments

2606
01:54:50,450 --> 01:54:48,239
will do that for you and you know what I

2607
01:54:51,890 --> 01:54:50,460
think I think it could be a lot of

2608
01:54:54,470 --> 01:54:51,900
different stresses on him right now

2609
01:54:57,109 --> 01:54:54,480
divorce is not cheap and then he's got

2610
01:55:00,649 --> 01:54:57,119
some Nutter suing him and a frivolous

2611
01:55:02,330 --> 01:55:00,659
lawsuit and 15 grand worth of uh uh you

2612
01:55:04,729 --> 01:55:02,340
know legal bills that he shouldn't have

2613
01:55:06,709 --> 01:55:04,739

for some kind of ridic you know for what

2614

01:55:09,050 --> 01:55:06,719

he's getting sued for saying that some

2615

01:55:12,589 --> 01:55:09,060

Buck Rogers science fiction fantasy guys

2616

01:55:14,870 --> 01:55:12,599

Buck Rogers time travel stories aren't

2617

01:55:17,270 --> 01:55:14,880

real so I feel for the guy you know I'm

2618

01:55:18,709 --> 01:55:17,280

human too like that that would suck I

2619

01:55:21,370 --> 01:55:18,719

gotta tell you crack magic if I get

2620

01:55:23,629 --> 01:55:21,380

myself sued my wife will lose her [h__h]

2621

01:55:25,430 --> 01:55:23,639

she's always telling me she's like you

2622

01:55:27,290 --> 01:55:25,440

better not get sued for saying stupid

2623

01:55:31,550 --> 01:55:27,300

[h__h] about stupid people on the Internet

2624

01:55:36,169 --> 01:55:33,589

love is Grand divorce is a hundred

2625

01:55:38,750 --> 01:55:36,179

that's a lot more than a hundred it's

2626

01:55:41,149 --> 01:55:38,760

fifty they get half Matt

2627

01:55:44,209 --> 01:55:41,159

I love Bill Burr's take on it he's like

2628

01:55:46,370 --> 01:55:44,219

anybody ever notice that suddenly when

2629

01:55:50,510 --> 01:55:46,380

you get a divorce it costs 10 grand a

2630

01:55:54,589 --> 01:55:52,669

true some of these women get a ton of

2631

01:55:57,109 --> 01:55:54,599

money you know especially if you're in

2632

01:55:59,330 --> 01:55:57,119

an alimony State I don't know

2633

01:56:02,330 --> 01:55:59,340

I'm in a state that there's no alimony

2634

01:56:04,070 --> 01:56:02,340

but there is spousal support but yeah

2635

01:56:06,290 --> 01:56:04,080

I'm working real hard to stay in my

2636

01:56:08,330 --> 01:56:06,300

wife's good graces and not get a divorce

2637

01:56:10,669 --> 01:56:08,340

right

2638

01:56:13,070 --> 01:56:10,679

I gotta tell you every friend that I

2639

01:56:15,350 --> 01:56:13,080

have is divorced almost all my relatives

2640

01:56:17,089 --> 01:56:15,360

the ones around my age are all divorced

2641

01:56:19,189 --> 01:56:17,099

or on their second or third marriages

2642

01:56:21,470 --> 01:56:19,199

people just do not stay together in a

2643

01:56:24,050 --> 01:56:21,480

marriage any longer and I gotta tell you

2644

01:56:26,089 --> 01:56:24,060

it's always better especially from a

2645

01:56:28,490 --> 01:56:26,099

financial standpoint to stay married

2646

01:56:30,530 --> 01:56:28,500

right look at people who stay married

2647

01:56:33,290 --> 01:56:30,540

they do better in life I wouldn't have

2648

01:56:35,689 --> 01:56:33,300

the house that I have single I could

2649

01:56:37,250 --> 01:56:35,699

never afford it if I was single it's

2650

01:56:39,290 --> 01:56:37,260

only you know when me and my wife team

2651
01:56:41,450 --> 01:56:39,300
up we can do amazing things when we

2652
01:56:43,490 --> 01:56:41,460
actually focus and team up and

2653
01:56:46,070 --> 01:56:43,500
decide to do something and both commit

2654
01:56:48,770 --> 01:56:46,080
to it fully we're like Unstoppable we're

2655
01:56:50,570 --> 01:56:48,780
a great team and uh you know it's

2656
01:56:53,089 --> 01:56:50,580
unfortunate so many people get divorced

2657
01:56:54,530 --> 01:56:53,099
today but it happens you know I

2658
01:56:56,149 --> 01:56:54,540
personally don't believe in divorce I

2659
01:56:59,030 --> 01:56:56,159
told my wife you're stuck with me you

2660
01:57:01,430 --> 01:56:59,040
know and unless I you do something like

2661
01:57:04,129 --> 01:57:01,440
cheat on you you have you know anything

2662
01:57:06,530 --> 01:57:04,139
else is we could work out you know but

2663
01:57:09,470 --> 01:57:06,540

we both kind of agree that the cheating

2664

01:57:11,570 --> 01:57:09,480

either of us if either of us cheat you

2665

01:57:13,790 --> 01:57:11,580

know you could say you could forgive but

2666

01:57:16,070 --> 01:57:13,800

it's pretty hard thing to forgive so

2667

01:57:18,229 --> 01:57:16,080

that's the deal breaker for both of us

2668

01:57:20,089 --> 01:57:18,239

so we both know that like the one thing

2669

01:57:22,609 --> 01:57:20,099

you know we could work other things out

2670

01:57:24,530 --> 01:57:22,619

right but that's not something that's

2671

01:57:27,109 --> 01:57:24,540

that you can work out and keep married

2672

01:57:29,030 --> 01:57:27,119

through a lot of people anyway some

2673

01:57:31,310 --> 01:57:29,040

people do

2674

01:57:33,830 --> 01:57:31,320

the S6 design is sharing the average

2675

01:57:35,629 --> 01:57:33,840

costs of divorce

2676

01:57:37,609 --> 01:57:35,639

it costs every

2677

01:57:39,709 --> 01:57:37,619

everything is designed and then it costs

2678

01:57:41,330 --> 01:57:39,719

a lot

2679

01:57:43,609 --> 01:57:41,340

you're going to be paying child support

2680

01:57:46,310 --> 01:57:43,619

forever I didn't know this my wife

2681

01:57:49,850 --> 01:57:46,320

reminded me uh

2682

01:57:51,410 --> 01:57:49,860

my son is autistic and disabled so if my

2683

01:57:53,570 --> 01:57:51,420

wife and I were to get divorced I'd have

2684

01:57:57,410 --> 01:57:53,580

to pay child support on him not just

2685

01:57:58,669 --> 01:57:57,420

till he's 18 forever forever I didn't

2686

01:58:00,350 --> 01:57:58,679

know that I thought she was wrong I

2687

01:58:01,609 --> 01:58:00,360

looked it up she's right because he's

2688

01:58:04,129 --> 01:58:01,619

disabled I would have to pay child

2689

01:58:07,310 --> 01:58:04,139

support on him forever

2690

01:58:09,709 --> 01:58:07,320

so I'm gonna try to stay married

2691

01:58:13,550 --> 01:58:09,719

because child support until a kid is 18

2692

01:58:16,729 --> 01:58:13,560

is bad oh I'm sorry but child support

2693

01:58:17,689 --> 01:58:16,739

forever the kid's gonna be like 35 and

2694

01:58:21,109 --> 01:58:17,699

I'm still going to be paying child

2695

01:58:26,390 --> 01:58:22,729

not that I don't think that he should

2696

01:58:30,770 --> 01:58:28,490

getting divorced has its advantages for

2697

01:58:32,629 --> 01:58:30,780

example I have a ton of cash stashed

2698

01:58:35,270 --> 01:58:32,639

away from monthly payments my dad sent

2699

01:58:37,189 --> 01:58:35,280

for almost 10 years which were not spent

2700

01:58:39,410 --> 01:58:37,199

oh good for you

2701
01:58:47,109 --> 01:58:39,420
yeah I guess it works now for some

2702
01:58:54,290 --> 01:58:51,830
be Baker uh yeah uh always say in my

2703
01:58:57,410 --> 01:58:54,300
opinion regularly Steven avoids lawsuits

2704
01:59:00,350 --> 01:58:57,420
yes I've adopted allegedly but I I did

2705
01:59:02,030 --> 01:59:00,360
yeah I gotta hear in my opinion much

2706
01:59:04,609 --> 01:59:02,040
more right

2707
01:59:06,229 --> 01:59:04,619
I will do that B Baker I'm gonna say in

2708
01:59:08,629 --> 01:59:06,239
my opinion

2709
01:59:10,070 --> 01:59:08,639
before I say anything that might land me

2710
01:59:11,810 --> 01:59:10,080
into you know

2711
01:59:14,390 --> 01:59:11,820
legal trouble

2712
01:59:17,689 --> 01:59:14,400
to Walter Bosley Walter Bosley is here

2713
01:59:19,189 --> 01:59:17,699

and says not an E.T craft

2714

01:59:20,990 --> 01:59:19,199

yeah

2715

01:59:23,510 --> 01:59:21,000

and Walter Bosley I got to talk to you

2716

01:59:25,070 --> 01:59:23,520

about something off air because I don't

2717

01:59:28,010 --> 01:59:25,080

know why but there's there's these other

2718

01:59:30,470 --> 01:59:28,020

show hosts and they were like calling me

2719

01:59:32,689 --> 01:59:30,480

a sellout for having you on my show I'm

2720

01:59:35,810 --> 01:59:32,699

calling you a liar or something I I just

2721

01:59:37,850 --> 01:59:35,820

want to yeah I gotta

2722

01:59:39,589 --> 01:59:37,860

I gotta talk to you off air because now

2723

01:59:41,050 --> 01:59:39,599

let's see what that kind of drama Rama

2724

01:59:44,089 --> 01:59:41,060

was about

2725

01:59:46,070 --> 01:59:44,099

but it's nice to know yeah I've got

2726

01:59:48,229 --> 01:59:46,080

Walter Bosley as a guest on my show you

2727

01:59:50,149 --> 01:59:48,239

know one of the guys who's verified you

2728

01:59:51,709 --> 01:59:50,159

can verify his background like he didn't

2729

01:59:54,350 --> 01:59:51,719

make up his education or his military

2730

01:59:56,750 --> 01:59:54,360

experience and he can show you proof of

2731

01:59:59,330 --> 01:59:56,760

everything that he talks about as far as

2732

02:00:06,490 --> 01:59:59,340

his backgrounds and suddenly I'm a bad

2733

02:00:11,629 --> 02:00:09,530

yeah prank magic I'm aware of that and I

2734

02:00:14,030 --> 02:00:11,639

I mentioned that I felt bad

2735

02:00:15,290 --> 02:00:14,040

the first day I saw I got monetized I

2736

02:00:18,229 --> 02:00:15,300

thought about him

2737

02:00:20,510 --> 02:00:18,239

and a few others and I and then I felt

2738

02:00:22,129 --> 02:00:20,520

guilty like oh man I just got monetized

2739

02:00:29,990 --> 02:00:22,139

this is awesome and then I thought about

2740

02:00:33,589 --> 02:00:31,790

child support forever I'm in California

2741

02:00:35,510 --> 02:00:33,599

and my child support ended when he was

2742

02:00:38,689 --> 02:00:35,520

out of high school graduation month yeah

2743

02:00:41,169 --> 02:00:38,699

uh but where I'm at Mr Bosley in the

2744

02:00:43,970 --> 02:00:41,179

state of Pennsylvania my son is as as

2745

02:00:46,070 --> 02:00:43,980

very autistic so he's considered

2746

02:00:48,530 --> 02:00:46,080

disabled and if you have a disabled

2747

02:00:50,990 --> 02:00:48,540

child you have to pay child support for

2748

02:00:52,910 --> 02:00:51,000

the rest of his life or yours

2749

02:00:56,209 --> 02:00:52,920

if you get a divorce and have to pay

2750

02:00:58,850 --> 02:00:56,219

child support that is so uh one of the

2751
02:01:01,129 --> 02:00:58,860
things keeping me married no that's not

2752
02:01:03,290 --> 02:01:01,139
it I I get along great with my wife most

2753
02:01:06,169 --> 02:01:03,300
of the time Bernard conken is here and

2754
02:01:07,790 --> 02:01:06,179
says Hey Brother Stephen yeah so Walter

2755
02:01:08,930 --> 02:01:07,800
Bosley's in the house somebody shared

2756
02:01:11,089 --> 02:01:08,940
his channel you should go over and

2757
02:01:13,850 --> 02:01:11,099
subscribe to him he does some great

2758
02:01:17,330 --> 02:01:13,860
discussions much more much smarter guy

2759
02:01:18,709 --> 02:01:17,340
than me more intellectual and uh I

2760
02:01:22,609 --> 02:01:18,719
really enjoy his show when I get a

2761
02:01:24,830 --> 02:01:22,619
chance to uh to listen in I'm a little

2762
02:01:27,530 --> 02:01:24,840
behind on your Channel

2763
02:01:30,350 --> 02:01:27,540

I gotta take more road trips Mr Bosley

2764

02:01:31,250 --> 02:01:30,360

because that is when I generally catch

2765

02:01:34,250 --> 02:01:31,260

up on

2766

02:01:36,970 --> 02:01:34,260

podcasts and people's shows that I want

2767

02:01:42,350 --> 02:01:39,470

our friends

2768

02:01:52,430 --> 02:01:42,360

we've been here two hours

2769

02:01:56,089 --> 02:01:54,589

comments or questions for me before I

2770

02:01:58,609 --> 02:01:56,099

bounce out of here please put them in

2771

02:02:03,350 --> 02:01:58,619

all capital letters

2772

02:02:08,629 --> 02:02:05,990

yeah Magic

2773

02:02:09,890 --> 02:02:08,639

black magic is correct pragmagic says

2774

02:02:12,050 --> 02:02:09,900

you shouldn't feel bad though man you

2775

02:02:14,750 --> 02:02:12,060

work your ass off he does in his way

2776

02:02:18,589 --> 02:02:14,760

silly it comes to throwing hands on the

2777

02:02:20,390 --> 02:02:18,599

internet yeah I I don't know I uh I did

2778

02:02:24,350 --> 02:02:20,400

I I do believe that I worked really hard

2779

02:02:32,330 --> 02:02:24,360

to get to that brass ring so uh you know

2780

02:02:38,229 --> 02:02:34,729

and six design is kind enough to remind

2781

02:02:41,570 --> 02:02:38,239

everybody that I have a patreon channel

2782

02:02:43,209 --> 02:02:41,580

yes there's a bunch of ways

2783

02:02:45,890 --> 02:02:43,219

that you could throw some money our way

2784

02:02:47,390 --> 02:02:45,900

uh you can

2785

02:02:49,310 --> 02:02:47,400

you can

2786

02:02:50,450 --> 02:02:49,320

sign up for patreon for as little as a

2787

02:02:52,129 --> 02:02:50,460

dollar a month and for those that don't

2788

02:02:53,810 --> 02:02:52,139

know I'm producing a new album and all

2789

02:02:55,310 --> 02:02:53,820

the demos to the album as they are

2790

02:02:57,709 --> 02:02:55,320

finished are going on patreon every

2791

02:02:59,870 --> 02:02:57,719

month we also do a behind the scenes

2792

02:03:01,970 --> 02:02:59,880

audio uh I'm sorry I keep calling it

2793

02:03:04,250 --> 02:03:01,980

audio Journal because it used to be a

2794

02:03:06,830 --> 02:03:04,260

behind the scenes video journal or

2795

02:03:09,109 --> 02:03:06,840

stream so every month towards right near

2796

02:03:12,050 --> 02:03:09,119

the end of the month I make um

2797

02:03:14,330 --> 02:03:12,060

a video just for the patreon uh

2798

02:03:16,490 --> 02:03:14,340

supporters talking about stuff going on

2799

02:03:18,169 --> 02:03:16,500

behind the scenes and backstage of the

2800

02:03:19,850 --> 02:03:18,179

show and what I've got coming up and

2801
02:03:21,589 --> 02:03:19,860
what we're planning and things like that

2802
02:03:23,810 --> 02:03:21,599
so if you want to get a backstage view

2803
02:03:26,810 --> 02:03:23,820
it's it's for as little as a dollar a

2804
02:03:29,810 --> 02:03:26,820
month Mario he is here and says praise

2805
02:03:31,490 --> 02:03:29,820
the cash praise the cash yes thank you

2806
02:03:34,310 --> 02:03:31,500
for your kindness your generosity and

2807
02:03:36,169 --> 02:03:34,320
support and by the way I think CW

2808
02:03:37,609 --> 02:03:36,179
Channer is mad at you because I I let

2809
02:03:40,490 --> 02:03:37,619
slip that you helped me get the

2810
02:03:42,649 --> 02:03:40,500
background for that CW Ranter thing and

2811
02:03:44,950 --> 02:03:42,659
he was not too happy with you

2812
02:03:48,050 --> 02:03:44,960
I think he did mention something about

2813
02:03:49,089 --> 02:03:48,060

fnu and your butt or something I don't

2814

02:03:51,229 --> 02:03:49,099

know

2815

02:03:53,149 --> 02:03:51,239

but thank you for your kindness your

2816

02:03:54,950 --> 02:03:53,159

generosity and support oh Canadian

2817

02:03:58,970 --> 02:03:54,960

dollars so tonight we had American

2818

02:04:01,850 --> 02:03:58,980

2819

02:04:04,430 --> 02:04:01,860

praise the cash in multiple ways praise

2821

02:04:09,470 --> 02:04:07,040

the Mexican pesos that Melissa sent me

2822

02:04:12,050 --> 02:04:09,480

praise the British pounds the Charles

2823

02:04:15,770 --> 02:04:12,060

Unleashed sent me praise the dollars

2824

02:04:18,109 --> 02:04:15,780

that all around Arbiter and UAP or I'm

2825

02:04:19,790 --> 02:04:18,119

sorry what was his user ID I don't want

2826

02:04:23,750 --> 02:04:19,800

to get it wrong

2827

02:04:26,870 --> 02:04:23,760

UAP or sap sent me praise the dollars

2828

02:04:28,550 --> 02:04:26,880

praised the Mexican pesos praise the

2829

02:04:30,830 --> 02:04:28,560

British pounds

2830

02:04:32,330 --> 02:04:30,840

praise the cash friends any cash you

2831

02:04:34,850 --> 02:04:32,340

YouTube will automatically adjust it and

2833

02:04:38,810 --> 02:04:36,840

give me dollars for it so praise the

2834

02:04:40,129 --> 02:04:38,820

cash praise the cash thank you for your

2835

02:04:41,569 --> 02:04:40,139

kindness your generosity and your

2836

02:04:43,010 --> 02:04:41,579

continued support of the Amer of the

2837

02:04:45,830 --> 02:04:43,020

show Mario heater it is truly

2838

02:04:47,930 --> 02:04:45,840

appreciated we uh

2839

02:04:49,669 --> 02:04:47,940

we appreciate your support and I have an

2840

02:04:51,589 --> 02:04:49,679

attitude of gratitude I was just saying

2841

02:04:53,390 --> 02:04:51,599

earlier Mario heat that I was able to

2842

02:04:54,890 --> 02:04:53,400

purchase a few new uh pieces of

2843

02:04:57,589 --> 02:04:54,900

equipment for the show because I've been

2844

02:05:01,010 --> 02:04:57,599

saving my patreon PayPal pennies and the

2845

02:05:02,770 --> 02:05:01,020

super chats way put me over like a few

2846

02:05:05,649 --> 02:05:02,780

things that I needed to buy

2847

02:05:08,629 --> 02:05:05,659

uh so

2848

02:05:11,390 --> 02:05:08,639

prank magic says Canadian money means

2849

02:05:13,850 --> 02:05:11,400

nothing Mario yeah yeah cause that's a

2850

02:05:16,790 --> 02:05:13,860

fake country right prank magic that in

2851

02:05:18,709 --> 02:05:16,800

Australia two fake countries

2852

02:05:20,330 --> 02:05:18,719

Mario heat is late yeah I thought you

2853

02:05:23,330 --> 02:05:20,340

were going to be busy and be unavailable

2854

02:05:26,569 --> 02:05:23,340

for the next month so good to see you

2855

02:05:28,550 --> 02:05:26,579

here you are most welcome Mr Heat

2856

02:05:31,250 --> 02:05:28,560

yeah

2857

02:05:33,649 --> 02:05:31,260

Matt says our money isn't that bad

2858

02:05:35,870 --> 02:05:33,659

laughs

2859

02:05:37,970 --> 02:05:35,880

he's gonna duke it out with CW when he

2860

02:05:40,129 --> 02:05:37,980

gets back yeah he I think he wants to

2861

02:05:43,790 --> 02:05:40,139

like butt rape you or something I I

2862

02:05:45,649 --> 02:05:43,800

don't know I should have said that he

2863

02:05:48,109 --> 02:05:45,659

said something like that he's like oh

2864

02:05:49,310 --> 02:05:48,119

Mario heater

2865

02:05:51,290 --> 02:05:49,320

yeah

2866

02:05:53,810 --> 02:05:51,300

it's all good Canadians aren't easily

2867

02:06:00,370 --> 02:05:53,820

offended yeah you'll just apologize for

2868

02:06:05,450 --> 02:06:03,770

02:06:39,470 --> 02:06:36,900

fifteen and twenty five dollar

2887

02:06:50,270 --> 02:06:48,179

um and really it's entirely optional you

2888

02:06:51,709 --> 02:06:50,280

know you guys know about the recent

2889

02:06:55,030 --> 02:06:51,719

controversy with people calling me a

2890

02:06:59,270 --> 02:06:55,040

sellout no I'm uh I'm offering products

2891

02:07:02,930 --> 02:06:59,280

purchasing those products or uh or

2892

02:07:05,350 --> 02:07:02,940

content is purely optional of course and

2893

02:07:09,530 --> 02:07:05,360

2918

02:08:13,129 --> 02:08:10,920

my fate is in their hands largely right

2919

02:08:15,169 --> 02:08:13,139

I got a new animation look it's the

2920

02:08:26,629 --> 02:08:15,179

Patty Bigfoot

2921

02:08:26,639 --> 02:08:31,490

Bernard conken

2922

02:08:35,870 --> 02:08:33,770

not only will I be on time are you

2923

02:08:37,850 --> 02:08:35,880

asking to be a guest on the show

2924

02:08:40,010 --> 02:08:37,860

not only will it be on time I'm going to

2925

02:08:41,689 --> 02:08:40,020

give you a disclosure

2926

02:08:44,450 --> 02:08:41,699

presentation that will break the

2927

02:08:47,270 --> 02:08:44,460

internet uh yeah here's what you got to

2928

02:08:50,750 --> 02:08:47,280

do if you want to do that I would love

2929

02:08:53,510 --> 02:08:50,760

to hear it I would love to see it right

2930

02:08:55,669 --> 02:08:53,520

email me at truthseekershow gmail.com

2931

02:08:57,470 --> 02:08:55,679

and we will schedule if you really got

2932

02:09:00,109 --> 02:08:57,480

some good information I would love to

2933

02:09:01,669 --> 02:09:00,119

share it on my show

2934

02:09:11,930 --> 02:09:01,679

let me see if you have a previous

2935

02:09:11,940 --> 02:09:14,990

oh

2936

02:09:20,930 --> 02:09:17,510

yeah

2937

02:09:25,750 --> 02:09:20,940

oh I got confused you're the Alchemy guy

2938

02:09:31,189 --> 02:09:28,850

yes Bernard is the Alchemy guy that was

2939

02:09:33,050 --> 02:09:31,199

an hour plus late to being against on

2940

02:09:34,370 --> 02:09:33,060

the show and now wants me to reschedule

2941

02:09:37,189 --> 02:09:34,380

and I gotta tell you I'm a little

2942

02:09:39,770 --> 02:09:37,199

hesitant I but I deserve it I believe

2943

02:09:40,970 --> 02:09:39,780

everybody deserves a second chance so

2944

02:09:48,410 --> 02:09:40,980

what now you want to come and talk about

2945

02:09:53,089 --> 02:09:50,050

we could reschedule it for next week

2946

02:09:55,250 --> 02:09:53,099

Bernard if you're gonna show up but I

2947

02:09:57,530 --> 02:09:55,260

gotta tell you if you know show this

2948

02:09:59,089 --> 02:09:57,540

next time I I can't give you another

2949

02:10:00,530 --> 02:09:59,099

shot

2950

02:10:02,390 --> 02:10:00,540

I could give you one more chance

2951

02:10:03,950 --> 02:10:02,400

everybody deserves a second chance I'm a

2952

02:10:05,870 --> 02:10:03,960

second chance guy

2953

02:10:08,750 --> 02:10:05,880

and you know [h__h] you know things happen

2954

02:10:10,069 --> 02:10:08,760

so I'm sorry you missed your uh I'm

2955

02:10:11,030 --> 02:10:10,079

sorry you missed your appearance the

2956

02:10:12,350 --> 02:10:11,040

first time

2957

02:10:14,390 --> 02:10:12,360

but uh

2958

02:10:16,430 --> 02:10:14,400

yeah I don't really like filling time

2959

02:10:19,069 --> 02:10:16,440

for an hour plus waiting for a guest to

2960

02:10:21,109 --> 02:10:19,079

arrive or show up so we'll figure it out

2961

02:10:22,970 --> 02:10:21,119

but you got to be on time and ready to

2962

02:10:25,669 --> 02:10:22,980

go at the time you know if it's a 9 p.m

2963

02:10:28,010 --> 02:10:25,679

show you got to be there at 902 ready to

2964

02:10:31,310 --> 02:10:28,020

talk and be interviewed and and do this

2965

02:10:32,629 --> 02:10:31,320

I I don't think that's anything too much

2966

02:10:36,169 --> 02:10:32,639

hahaha

2967

02:10:39,109 --> 02:10:36,179

B Baker says yes praise our new AI

2968

02:10:41,270 --> 02:10:39,119

overlords absolutely praise the cash

2969

02:10:50,750 --> 02:10:41,280

praise the cash and praise the AI

2970

02:10:58,430 --> 02:10:53,990

yeah I'd love to talk more about alchemy

2971

02:11:03,169 --> 02:11:00,770

somebody's asking if the data is

2972

02:11:06,109 --> 02:11:03,179

classified yeah so interesting side

2973

02:11:06,119 --> 02:11:09,069

foreign

2974

02:11:15,410 --> 02:11:12,890

don't forget bro you're the guy carrying

2975

02:11:19,010 --> 02:11:15,420

the ball to the end zone praise the cash

2976

02:11:21,350 --> 02:11:19,020

yeah praise the cash indeed right and

2977

02:11:24,709 --> 02:11:21,360

like I said on my previous show

2978

02:11:28,189 --> 02:11:24,719

uh I would still do this for free but I

2979

02:11:29,629 --> 02:11:28,199

would be much happier doing this with a

2980

02:11:33,129 --> 02:11:29,639

little bit of money involved especially

2981

02:11:35,990 --> 02:11:33,139

like you know I just bought a a 300

2982

02:11:37,250 --> 02:11:36,000

refurbished computer

2983

02:11:38,930 --> 02:11:37,260

um and I wouldn't have been able to buy

2984

02:11:40,790 --> 02:11:38,940

that if people hadn't made those

2985

02:11:43,970 --> 02:11:40,800

donations and I haven't and I hadn't

2986

02:11:46,550 --> 02:11:43,980

saved my patreon and PayPal money you

2987

02:11:48,229 --> 02:11:46,560

know I basically I'm just leaving it in

2988

02:11:49,790 --> 02:11:48,239

there until I decide that I need

2989

02:11:52,189 --> 02:11:49,800

something and sometimes we're going to

2990

02:11:54,169 --> 02:11:52,199

need something so yeah praise the cash

2991

02:11:56,089 --> 02:11:54,179

I'm so thankful I have an attitude of

2992

02:11:58,370 --> 02:11:56,099

gratitude towards everybody that has

2993

02:12:03,770 --> 02:11:58,380

helped us get this far I see great

2994

02:12:07,310 --> 02:12:06,350

yeah that's a good disclaimer we'll put

2995

02:12:09,229 --> 02:12:07,320

that up

2996

02:12:10,729 --> 02:12:09,239

the comments and opinions expressed on

2997

02:12:12,350 --> 02:12:10,739

the show were those of the authors and

2998

02:12:15,050 --> 02:12:12,360

don't necessarily reflect the official

2999

02:12:17,270 --> 02:12:15,060

policy of spectral International LLC or

3000

02:12:18,530 --> 02:12:17,280

the truth Seekers YouTube channel yeah I

3001

02:12:19,790 --> 02:12:18,540

can't control what people say in the

3002

02:12:21,709 --> 02:12:19,800

live chat

3003

02:12:24,709 --> 02:12:21,719

so

3004

02:12:24,719 --> 02:12:28,550

it is what it is

3005

02:12:33,290 --> 02:12:30,950

our matey says thanks Steven and have a

3006

02:12:35,330 --> 02:12:33,300

good night yes and on that note we are

3007

02:12:36,589 --> 02:12:35,340

going to bounce out of here I believe

3008

02:12:39,709 --> 02:12:36,599

right

3009

02:12:41,390 --> 02:12:39,719

so friends what can I tell you I am

3010

02:12:43,790 --> 02:12:41,400

always so happy when there's an audience

3011

02:12:45,950 --> 02:12:43,800

this was a really unscheduled unplanned

3012

02:12:48,290 --> 02:12:45,960

show we had great attendance tonight I'm

3013

02:12:51,290 --> 02:12:48,300

so glad that you guys could be here

3014

02:12:52,729 --> 02:12:51,300

to be in my audience always happy when

3015

02:12:55,010 --> 02:12:52,739

there's an audience thank you for coming

3016

02:12:57,649 --> 02:12:55,020

here tonight spending some time with me

3017

02:13:00,830 --> 02:12:57,659

and being a part of mine until next time

3018

02:13:03,169 --> 02:13:00,840

friends live from the apocalypse cabin

3019

02:13:07,680 --> 02:13:03,179

I'm Stephen cambian good night and God

3020

02:13:07,690 --> 02:13:26,810

[Music]

3023

[Applause]

3024
