

1
00:01:24,840 --> 00:02:14,470

so

2
00:02:18,229 --> 00:02:17,430

greetings and salutations friends i am

3
00:02:21,430 --> 00:02:18,239

uh

4
00:02:25,350 --> 00:02:21,440

long

5
00:02:26,630 --> 00:02:25,360

weekend working on the cabin and uh

6
00:02:29,589 --> 00:02:26,640

you know this is going to be another one

7
00:02:32,070 --> 00:02:29,599

of those sort of improvised off the cuff

8
00:02:33,270 --> 00:02:32,080

shows uh i barely i don't even have

9
00:02:35,750 --> 00:02:33,280

notes

10
00:02:36,710 --> 00:02:35,760

so this thing could go anywhere but

11
00:02:39,110 --> 00:02:36,720

recently

12
00:02:40,309 --> 00:02:39,120

a friend and fellow youtube content

13
00:02:44,710 --> 00:02:40,319

producer

14

00:02:45,990 --> 00:02:44,720

sent me a link to david wilcox new sales

15

00:02:48,390 --> 00:02:46,000

pitch for his new

16

00:02:49,110 --> 00:02:48,400

ascension mystery school which is the

17

00:02:50,790 --> 00:02:49,120

third one

18

00:02:52,470 --> 00:02:50,800

and i just i don't know for me i'd like

19

00:02:54,630 --> 00:02:52,480

to know how many people

20

00:02:57,190 --> 00:02:54,640

reached ascension from the first class

21

00:02:59,750 --> 00:02:57,200

that he sold for 333 dollars and the

22

00:03:00,869 --> 00:02:59,760

second class that he sold for 333

23

00:03:07,110 --> 00:03:00,879

dollars

24

00:03:10,309 --> 00:03:07,120

for ascension ascension ain't cheap

25

00:03:10,319 --> 00:03:21,990

that's something new

26

00:03:28,949 --> 00:03:24,710

let's talk about a live show things are

27

00:03:35,670 --> 00:03:32,470

so just bear with me friends

28

00:03:38,470 --> 00:03:35,680

the webcam

29

00:03:42,229 --> 00:03:38,480

stand that's what you get for buying

30

00:03:45,270 --> 00:03:42,239

cheap webcams the webcam stand

31

00:03:45,280 --> 00:03:50,470

great to over a show too great

32

00:03:50,480 --> 00:03:54,789

hold on friends

33

00:04:03,190 --> 00:03:59,670

all right we'll try to figure this out

34

00:04:04,070 --> 00:04:03,200

all right that'll work geez i can't

35

00:04:07,429 --> 00:04:04,080

believe it

36

00:04:09,830 --> 00:04:07,439

look this is a live show friends

37

00:04:11,830 --> 00:04:09,840

and this one it just fell right off the

38

00:04:13,670 --> 00:04:11,840

desk i guess it wasn't tight enough

39

00:04:15,030 --> 00:04:13,680

i always have problems with that stand

40

00:04:18,469 --> 00:04:15,040

that'll be the last time

41

00:04:21,509 --> 00:04:18,479

i use it for a show here let me see if i

42

00:04:23,350 --> 00:04:21,519

can adjust myself a little bit here

43

00:04:25,590 --> 00:04:23,360

just going to prop this thing up on the

44

00:04:29,670 --> 00:04:25,600

laptop

45

00:04:31,590 --> 00:04:29,680

welcome to amateur hour so i apologize

46

00:04:33,030 --> 00:04:31,600

these things happen live show you get it

47

00:04:36,230 --> 00:04:33,040

works at all

48

00:04:38,790 --> 00:04:36,240

oh boy let's bring in uh my friend from

49

00:04:42,150 --> 00:04:38,800

across the pond sarah

50

00:04:46,390 --> 00:04:42,160

here we go hey there

51
00:04:51,990 --> 00:04:48,790
yeah boy i've never seen that happen

52
00:04:56,710 --> 00:04:55,110
you hear me yes i can you can hear me

53
00:04:59,830 --> 00:04:56,720
yeah i just wondered if you just

54
00:05:01,830 --> 00:04:59,840
levitated and knocked it off yeah that

55
00:05:02,390 --> 00:05:01,840
was weird that's the first time that's

56
00:05:03,749 --> 00:05:02,400
ever happened

57
00:05:05,510 --> 00:05:03,759
hopefully the last time i'm gonna throw

58
00:05:07,670 --> 00:05:05,520
that stand in the trash and buy a brand

59
00:05:09,590 --> 00:05:07,680
new good one

60
00:05:11,270 --> 00:05:09,600
hold on here now that's what happens

61
00:05:12,070 --> 00:05:11,280
when you buy his courses you can

62
00:05:15,270 --> 00:05:12,080
levitate

63
00:05:17,350 --> 00:05:15,280

i know no amazon basic

64

00:05:18,710 --> 00:05:17,360

uh-huh you know about amazon basic

65

00:05:20,950 --> 00:05:18,720

amazon is like

66

00:05:22,310 --> 00:05:20,960

if you just need something it's like the

67

00:05:25,110 --> 00:05:22,320

no frills

68

00:05:26,629 --> 00:05:25,120

cheapest crappiest product you could buy

69

00:05:29,029 --> 00:05:26,639

just to get you by so that was the

70

00:05:30,550 --> 00:05:29,039

amazon basic

71

00:05:32,790 --> 00:05:30,560

i'm sure some of their stuff is good

72

00:05:36,950 --> 00:05:32,800

like wires and cables i don't know

73

00:05:40,950 --> 00:05:38,469

thought it was because you've done his

74

00:05:43,189 --> 00:05:40,960

baking base

75

00:05:45,189 --> 00:05:43,199

maybe of course and it managed to

76

00:05:48,310 --> 00:05:45,199

levitate of the day people

77

00:05:48,790 --> 00:05:48,320

yeah so you sent me this pitch video and

78

00:05:51,350 --> 00:05:48,800

his

79

00:05:52,150 --> 00:05:51,360

pitch david wilcox new pitch and i

80

00:05:53,670 --> 00:05:52,160

couldn't believe

81

00:05:55,510 --> 00:05:53,680

some of the stuff in the video so i

82

00:05:56,550 --> 00:05:55,520

thought it would be fun if i just share

83

00:05:59,029 --> 00:05:56,560

my screen and we'll

84

00:06:01,189 --> 00:05:59,039

we'll play some of it and talk about it

85

00:06:03,909 --> 00:06:01,199

because

86

00:06:06,070 --> 00:06:03,919

what a pitch what a sales pitch right i

87

00:06:09,430 --> 00:06:06,080

saw some of it yeah

88

00:06:11,029 --> 00:06:09,440

yeah yeah okay so let me let me uh

89

00:06:13,270 --> 00:06:11,039

oh wait a minute i gotta get it on

90

00:06:15,830 --> 00:06:13,280

youtube i have it on his

91

00:06:17,909 --> 00:06:15,840

boy and this whole he's got like a 10

92

00:06:19,670 --> 00:06:17,919

page marketing pitch to try to get

93

00:06:20,550 --> 00:06:19,680

people to buy his course and the whole

94

00:06:22,309 --> 00:06:20,560

time

95

00:06:24,309 --> 00:06:22,319

that you're on it oh no i do have to

96

00:06:26,870 --> 00:06:24,319

share it from there don't i

97

00:06:28,390 --> 00:06:26,880

maybe yeah i don't see the pitch on

98

00:06:29,110 --> 00:06:28,400

youtube so i'll just share it from his

99

00:06:30,550 --> 00:06:29,120

uh

100

00:06:33,749 --> 00:06:30,560

yeah we're going to cite fair use

101
00:06:38,070 --> 00:06:33,759
friends i'm going to put my fair use

102
00:06:40,309 --> 00:06:38,080
uh this is a transformative work so

103
00:06:41,510 --> 00:06:40,319
uh we can share his video because we're

104
00:06:44,070 --> 00:06:41,520
gonna be discussing

105
00:06:44,550 --> 00:06:44,080
the video and the contents of the video

106
00:06:46,950 --> 00:06:44,560
and

107
00:06:49,510 --> 00:06:46,960
uh maybe we'll give him a sales pitch

108
00:06:53,510 --> 00:06:49,520
critique i'm no salesperson but

109
00:06:56,710 --> 00:06:55,029
all right one second friends i'm going

110
00:07:00,189 --> 00:06:56,720
to try to get this queued up now this is

111
00:07:01,589 --> 00:07:00,199
from his website essentia

112
00:07:01,990 --> 00:07:01,599
ascensionmysteryschool.com but it's a

113
00:07:03,749 --> 00:07:02,000

public

114

00:07:05,510 --> 00:07:03,759

website but we're still citing fair use

115

00:07:07,430 --> 00:07:05,520

because david wilcock likes to copyright

116

00:07:09,990 --> 00:07:07,440

strike people or so i hear

117

00:07:10,950 --> 00:07:10,000

who use his materials especially when

118

00:07:12,629 --> 00:07:10,960

critical

119

00:07:15,110 --> 00:07:12,639

of those materials so we're going to

120

00:07:16,550 --> 00:07:15,120

cite fair use as is appropriate we'll be

121

00:07:20,790 --> 00:07:16,560

discussing this

122

00:07:26,550 --> 00:07:20,800

and this is ascension mystery school

123

00:07:31,189 --> 00:07:29,670

cue the new age music

124

00:07:36,230 --> 00:07:31,199

the star patterns you gotta have a lot

125

00:07:39,510 --> 00:07:38,230

can you hear that okay yeah yeah i can

126
00:07:42,070 --> 00:07:39,520
hear it okay good

127
00:07:44,150 --> 00:07:42,080
it means the audience can too and it's

128
00:07:53,430 --> 00:07:44,160
called gateway to the galactic

129
00:07:56,710 --> 00:07:55,510
i'm david wilcock and i want to

130
00:08:00,070 --> 00:07:56,720
introduce you

131
00:08:02,950 --> 00:08:00,080
to some of the most fascinating obscure

132
00:08:04,790 --> 00:08:02,960
mysteries that you have ever heard of in

133
00:08:06,869 --> 00:08:04,800
your life

134
00:08:08,869 --> 00:08:06,879
mysteries that fundamentally redefine

135
00:08:13,110 --> 00:08:08,879
what it means to be alive

136
00:08:16,469 --> 00:08:13,120
on this planet at this time in history

137
00:08:20,790 --> 00:08:16,479
is the universe alive and intelligent

138
00:08:24,469 --> 00:08:20,800

conscious is the universe

139

00:08:26,469 --> 00:08:24,479

one identity and are you

140

00:08:29,270 --> 00:08:26,479

part of that identity do you have a

141

00:08:30,869 --> 00:08:29,280

perfect holographic connection

142

00:08:32,709 --> 00:08:30,879

to the one infinite creator whether you

143

00:08:34,310 --> 00:08:32,719

realize it or not and

144

00:08:37,110 --> 00:08:34,320

don't you think this is just plain to

145

00:08:40,149 --> 00:08:37,120

like poor lost lonely people

146

00:08:42,870 --> 00:08:40,159

right like you're special

147

00:08:44,949 --> 00:08:42,880

definitely but what i noticed was i

148

00:08:47,269 --> 00:08:44,959

watched a little bit of it is the

149

00:08:49,509 --> 00:08:47,279

is the camera angles he kind of like

150

00:08:52,230 --> 00:08:49,519

flicks between

151
00:08:52,710 --> 00:08:52,240
cameras hey i'm setting up i'm gonna

152
00:08:56,389 --> 00:08:52,720
have

153
00:08:57,990 --> 00:08:56,399
than him

154
00:09:00,150 --> 00:08:58,000
i'm working on yeah you need to you need

155
00:09:02,389 --> 00:09:00,160
ten i need eight eight or ten

156
00:09:04,310 --> 00:09:02,399
yeah yeah all right let's continue but i

157
00:09:04,790 --> 00:09:04,320
think this opening is pretty clear he's

158
00:09:07,030 --> 00:09:04,800
like

159
00:09:09,030 --> 00:09:07,040
you're special and it and it appeals to

160
00:09:10,070 --> 00:09:09,040
people that are feeling lost or lonely

161
00:09:11,750 --> 00:09:10,080
or like

162
00:09:13,590 --> 00:09:11,760
don't have a purpose in their life and

163
00:09:15,430 --> 00:09:13,600

they're searching for something

164

00:09:17,590 --> 00:09:15,440

happen upon him on the internet and get

165

00:09:21,670 --> 00:09:17,600

their pockets drained but

166

00:09:29,030 --> 00:09:25,190

are the systems collapsing on earth

167

00:09:32,150 --> 00:09:29,040

truly leading to some sort of global

168

00:09:33,590 --> 00:09:32,160

horrific event or

169

00:09:35,750 --> 00:09:33,600

are we actually going through a

170

00:09:37,430 --> 00:09:35,760

necessary readjustment

171

00:09:39,829 --> 00:09:37,440

of the way that our systems work on

172

00:09:41,350 --> 00:09:39,839

earth and how we see ourselves in

173

00:09:43,269 --> 00:09:41,360

relation to one another

174

00:09:44,790 --> 00:09:43,279

and to the greater whole now and see

175

00:09:47,350 --> 00:09:44,800

that he just gave himself an

176

00:09:49,590 --> 00:09:47,360

out so like if nothing happens no

177

00:09:50,710 --> 00:09:49,600

cataclysmic apocalypse happens he could

178

00:09:52,790 --> 00:09:50,720

say oh well

179

00:09:56,949 --> 00:09:52,800

i i said it might just be an adjustment

180

00:09:56,959 --> 00:09:59,990

we're either heading

181

00:10:04,310 --> 00:10:02,389

yeah go ahead i'm sorry no i said i

182

00:10:06,630 --> 00:10:04,320

noticed that one side of his face

183

00:10:08,069 --> 00:10:06,640

moves and the other side just doesn't

184

00:10:10,550 --> 00:10:08,079

move

185

00:10:12,630 --> 00:10:10,560

wow that's weird so if you notice we

186

00:10:14,710 --> 00:10:12,640

rewind it back a little bit you'll

187

00:10:16,389 --> 00:10:14,720

you'll notice that just like one side

188

00:10:18,550 --> 00:10:16,399

isn't moving and the other way

189

00:10:20,550 --> 00:10:18,560

to watch maybe he'll do this again well

190

00:10:22,069 --> 00:10:20,560

let's let's try to move forward but i

191

00:10:23,990 --> 00:10:22,079

thought it's funny it's like he's giving

192

00:10:25,509 --> 00:10:24,000

himself an out if the apocalypse he's

193

00:10:27,750 --> 00:10:25,519

talking about never happens

194

00:10:29,590 --> 00:10:27,760

you know that's like fake psychic

195

00:10:31,350 --> 00:10:29,600

insurance

196

00:10:32,949 --> 00:10:31,360

these are just some of the subjects that

197

00:10:36,150 --> 00:10:32,959

we are going to address

198

00:10:39,350 --> 00:10:36,160

in ascension mystery school 3.0

199

00:10:41,590 --> 00:10:39,360

a fascinating deep dive 3.0 so

200

00:10:43,350 --> 00:10:41,600

i'd like to know how many how many sarah

201
00:10:43,750 --> 00:10:43,360
how many people do you think ascend it

202
00:10:47,990 --> 00:10:43,760
from

203
00:10:54,470 --> 00:10:48,000
ascension mystery school 1.0 and 2.0

204
00:10:58,389 --> 00:10:56,550
and and i don't get it it's like you

205
00:10:59,990 --> 00:10:58,399
didn't get it right the first two times

206
00:11:01,110 --> 00:11:00,000
so now you're going to really be able to

207
00:11:02,550 --> 00:11:01,120
help them ascend

208
00:11:04,710 --> 00:11:02,560
if they didn't ascend the first two

209
00:11:06,870 --> 00:11:04,720
times they gave you money

210
00:11:08,550 --> 00:11:06,880
well if it's anything like windows it's

211
00:11:10,230 --> 00:11:08,560
zero

212
00:11:11,910 --> 00:11:10,240
yep let's see what else he has today

213
00:11:13,590 --> 00:11:11,920

esoteric science

214

00:11:15,509 --> 00:11:13,600

where you will be learning about things

215

00:11:17,990 --> 00:11:15,519

like sacred geometry

216

00:11:19,269 --> 00:11:18,000

and the fundamental underpinning of

217

00:11:22,630 --> 00:11:19,279

reality

218

00:11:24,230 --> 00:11:22,640

on a geometric substrate the simple fact

219

00:11:25,670 --> 00:11:24,240

is that the world is a lot more

220

00:11:26,550 --> 00:11:25,680

interesting than we've ever dared to

221

00:11:29,030 --> 00:11:26,560

believe

222

00:11:30,550 --> 00:11:29,040

we're being visited by extraterrestrials

223

00:11:32,150 --> 00:11:30,560

and many if not most of those

224

00:11:33,670 --> 00:11:32,160

extraterrestrials are actually

225

00:11:36,230 --> 00:11:33,680

benevolent beings

226
00:11:37,670 --> 00:11:36,240
with an advanced higher consciousness

227
00:11:40,150 --> 00:11:37,680
and their desire

228
00:11:41,590 --> 00:11:40,160
is to see that we too raise our

229
00:11:44,069 --> 00:11:41,600
consciousness level

230
00:11:45,190 --> 00:11:44,079
become more highly evolved and more

231
00:11:47,750 --> 00:11:45,200
equipped

232
00:11:49,430 --> 00:11:47,760
for this new energy that our solar

233
00:11:51,990 --> 00:11:49,440
system is moving into

234
00:11:53,350 --> 00:11:52,000
as we go into a higher energy zone in

235
00:11:55,030 --> 00:11:53,360
the galaxy

236
00:11:57,110 --> 00:11:55,040
and this is the same pitch he was given

237
00:11:58,470 --> 00:11:57,120
before 2012 you know

238
00:11:59,910 --> 00:11:58,480

there's going to be these cosmic

239

00:12:02,069 --> 00:11:59,920

energies that are going to raise

240

00:12:03,190 --> 00:12:02,079

everybody into the fifth density or

241

00:12:04,150 --> 00:12:03,200

something and we're all going to get

242

00:12:06,069 --> 00:12:04,160

super powers

243

00:12:08,389 --> 00:12:06,079

right do you remember him doing this in

244

00:12:10,230 --> 00:12:08,399

2012 because it sounds familiar to me

245

00:12:11,829 --> 00:12:10,240

yeah because there was loads of people

246

00:12:12,870 --> 00:12:11,839

in the new age movement doing it it's

247

00:12:16,790 --> 00:12:12,880

2012

248

00:12:20,389 --> 00:12:18,550

imagine that nobody has said it and

249

00:12:23,030 --> 00:12:20,399

nobody david wilcox said we were all

250

00:12:24,790 --> 00:12:23,040

going to have superpowers after 2012.

251
00:12:26,470 --> 00:12:24,800
yeah yeah there was loads of them doing

252
00:12:28,389 --> 00:12:26,480
it yeah i don't

253
00:12:31,509 --> 00:12:28,399
i didn't get no superpowers maybe i got

254
00:12:36,150 --> 00:12:33,829
i'd like to be the hulk right get angry

255
00:12:38,790 --> 00:12:36,160
and just start smashing people

256
00:12:41,829 --> 00:12:38,800
let's see what else sension mystery

257
00:12:43,670 --> 00:12:41,839
school 3.0 fundamentally redefines

258
00:12:45,110 --> 00:12:43,680
all of the previous works i've ever

259
00:12:47,030 --> 00:12:45,120
conducted before

260
00:12:48,790 --> 00:12:47,040
even if you've read all if nobody's

261
00:12:50,310 --> 00:12:48,800
buying the previous works you need a

262
00:12:53,829 --> 00:12:50,320
special edition right you got to

263
00:12:56,150 --> 00:12:53,839

repackage this thing

264

00:12:56,870 --> 00:12:56,160

oh no what else all four of my published

265

00:12:58,310 --> 00:12:56,880

books

266

00:12:59,990 --> 00:12:58,320

and you've seen both of the previous

267

00:13:02,790 --> 00:13:00,000

ascension mystery schools

268

00:13:04,710 --> 00:13:02,800

in this class i intend to synergize all

269

00:13:06,870 --> 00:13:04,720

of this previous material together into

270

00:13:08,310 --> 00:13:06,880

a new hole but even if you haven't seen

271

00:13:09,269 --> 00:13:08,320

the previous classes you're going to

272

00:13:11,269 --> 00:13:09,279

find

273

00:13:13,590 --> 00:13:11,279

that everything is explained to you as

274

00:13:15,670 --> 00:13:13,600

if you've never heard anything before

275

00:13:17,350 --> 00:13:15,680

what you're going to discover is that

276

00:13:18,470 --> 00:13:17,360

the geometry you may have seen in

277

00:13:20,470 --> 00:13:18,480

visionary states

278

00:13:21,590 --> 00:13:20,480

is the essence of consciousness there

279

00:13:23,990 --> 00:13:21,600

are did you

280

00:13:28,310 --> 00:13:24,000

listen to this word the geometry you may

281

00:13:33,030 --> 00:13:31,350

this is word sale right yeah

282

00:13:35,670 --> 00:13:33,040

they'd love that word tellers didn't

283

00:13:39,910 --> 00:13:37,750

in the mouth yeah for those who don't

284

00:13:41,509 --> 00:13:39,920

know uh sarah's got a youtube channel

285

00:13:43,509 --> 00:13:41,519

where she kind of pokes fun at a lot of

286

00:13:44,470 --> 00:13:43,519

new age stuff and she's got one video

287

00:13:46,230 --> 00:13:44,480

where it's like

288

00:13:48,230 --> 00:13:46,240

it's about new age or how to be a

289

00:13:50,230 --> 00:13:48,240

spiritual guru right that video

290

00:13:51,350 --> 00:13:50,240

and you talk about the word salad like

291

00:13:54,550 --> 00:13:51,360

what you got to do

292

00:13:55,350 --> 00:13:54,560

is take this special sauce and then you

293

00:14:00,829 --> 00:13:55,360

could

294

00:14:05,430 --> 00:14:02,550

supercalifragilisticexpialidocious

295

00:14:07,670 --> 00:14:05,440

no visionary states it's got to be new

296

00:14:09,990 --> 00:14:07,680

aeg so it's like visionary states

297

00:14:11,590 --> 00:14:10,000

quantum entanglement of your visionary

298

00:14:14,629 --> 00:14:11,600

states and the geometric

299

00:14:15,990 --> 00:14:14,639

matrix you know i'm getting good at it

300

00:14:18,069 --> 00:14:16,000

just listening to people like

301
00:14:20,150 --> 00:14:18,079
this clown all right let's see what else

302
00:14:21,430 --> 00:14:20,160
he's got to say are geometric patterns

303
00:14:23,590 --> 00:14:21,440
in your brain

304
00:14:24,629 --> 00:14:23,600
as you think and they are beautiful

305
00:14:27,750 --> 00:14:24,639
three-dimensional

306
00:14:29,269 --> 00:14:27,760
fractal patterns if we can prove that

307
00:14:31,590 --> 00:14:29,279
our thoughts inside the brain

308
00:14:33,030 --> 00:14:31,600
have this fundamental structure to them

309
00:14:36,389 --> 00:14:33,040
then is it possible

310
00:14:38,949 --> 00:14:36,399
that consciousness itself is geometric

311
00:14:39,910 --> 00:14:38,959
that consciousness itself expresses as

312
00:14:45,189 --> 00:14:39,920
geometry

313
00:14:49,509 --> 00:14:45,199

seem possible

314

00:14:51,990 --> 00:14:49,519

new camera science lines up the geometry

315

00:14:53,509 --> 00:14:52,000

is the unified field theory that we

316

00:14:55,509 --> 00:14:53,519

never thought we would get

317

00:14:57,509 --> 00:14:55,519

but now we have do you think he may be

318

00:14:59,189 --> 00:14:57,519

like read a sacred geometry book and

319

00:15:00,949 --> 00:14:59,199

he's gotten all hyped up that he thinks

320

00:15:02,470 --> 00:15:00,959

he has something new to repeat to people

321

00:15:02,870 --> 00:15:02,480

that they haven't heard before or is

322

00:15:05,829 --> 00:15:02,880

this

323

00:15:06,230 --> 00:15:05,839

yeah of course it's like he read a d

324

00:15:09,590 --> 00:15:06,240

like

325

00:15:11,110 --> 00:15:09,600

book about fractals and all of a sudden

326

00:15:13,670 --> 00:15:11,120

things he knows the secrets to the

327

00:15:15,590 --> 00:15:13,680

universe right

328

00:15:17,110 --> 00:15:15,600

that that that and micro facial

329

00:15:21,030 --> 00:15:17,120

expression on him he looks

330

00:15:23,430 --> 00:15:21,040

really like evil predatory

331

00:15:25,350 --> 00:15:23,440

well maybe i yeah i always yeah i get

332

00:15:25,990 --> 00:15:25,360

lucky stopping him in the right places

333

00:15:27,590 --> 00:15:26,000

sometimes

334

00:15:29,670 --> 00:15:27,600

we'll see let's see what else he's going

335

00:15:31,670 --> 00:15:29,680

to say but what a sales pitch so far

336

00:15:33,749 --> 00:15:31,680

we're going to learn about the

337

00:15:35,350 --> 00:15:33,759

we're going to learn that if i was just

338

00:15:38,389 --> 00:15:35,360

going to do something now i just want to

339

00:15:41,670 --> 00:15:39,670

yeah i don't think this is a very good

340

00:15:43,509 --> 00:15:41,680

pitch so far uh yeah we're going to

341

00:15:44,790 --> 00:15:43,519

learn about the aliens and we're going

342

00:15:47,670 --> 00:15:44,800

to learn

343

00:15:49,670 --> 00:15:47,680

the secrets of the entire universe as

344

00:15:52,829 --> 00:15:49,680

only david wilcock understands them

345

00:15:54,389 --> 00:15:52,839

for only 333 dollars sounds like a

346

00:15:56,150 --> 00:15:54,399

bargain

347

00:15:59,030 --> 00:15:56,160

i don't know what else is going to say

348

00:16:01,590 --> 00:15:59,040

however the geometry goes much much

349

00:16:02,230 --> 00:16:01,600

farther than i've ever described in

350

00:16:05,110 --> 00:16:02,240

previous

351
00:16:07,430 --> 00:16:05,120
modules of ascension mystery school and

352
00:16:09,910 --> 00:16:07,440
this gets into a very fascinating enigma

353
00:16:12,389 --> 00:16:09,920
known as the cycles of history

354
00:16:14,310 --> 00:16:12,399
i will show you in this class absolute

355
00:16:17,350 --> 00:16:14,320
irrefutable proof

356
00:16:19,430 --> 00:16:17,360
that historical events are being almost

357
00:16:22,230 --> 00:16:19,440
precisely duplicated

358
00:16:23,509 --> 00:16:22,240
in various cycles of time yeah he's he's

359
00:16:26,069 --> 00:16:23,519
fun too of

360
00:16:28,150 --> 00:16:26,079
promising people scientific proof like

361
00:16:28,389 --> 00:16:28,160
well in my books i have scientific proof

362
00:16:31,910 --> 00:16:28,399
of

363
00:16:35,590 --> 00:16:31,920

pans out

364

00:16:38,470 --> 00:16:35,600

it's like he you're in england right he

365

00:16:40,230 --> 00:16:38,480

he'll like cite like a son or world

366

00:16:43,990 --> 00:16:40,240

weekly news you know like

367

00:16:47,110 --> 00:16:44,000

tabloid paper and say that's his proof

368

00:16:49,749 --> 00:16:47,120

you know like that's not proof that's a

369

00:16:51,269 --> 00:16:49,759

rag newspaper yeah it really rag

370

00:16:52,949 --> 00:16:51,279

newspapers yeah

371

00:16:54,870 --> 00:16:52,959

but he that's that's the kind of proof

372

00:16:55,509 --> 00:16:54,880

that he cites is scientific proof i

373

00:16:57,110 --> 00:16:55,519

don't get it

374

00:16:58,710 --> 00:16:57,120

i don't think we ever get any proof from

375

00:17:01,670 --> 00:16:58,720

him but okay

376

00:17:04,789 --> 00:17:01,680

this would include the age of the zodiac

377

00:17:07,590 --> 00:17:04,799

of 2160 years

378

00:17:09,189 --> 00:17:07,600

the quarter age of the zodiac or 540

379

00:17:11,510 --> 00:17:09,199

years

380

00:17:13,829 --> 00:17:11,520

which actually you have to subtract one

381

00:17:15,350 --> 00:17:13,839

year make it 539

382

00:17:17,029 --> 00:17:15,360

and then you have a very curious

383

00:17:20,470 --> 00:17:17,039

connection to the bible

384

00:17:23,429 --> 00:17:20,480

where jesus actually does say

385

00:17:24,069 --> 00:17:23,439

thy brother thou must forgive him seven

386

00:17:28,950 --> 00:17:24,079

times

387

00:17:30,310 --> 00:17:28,960

previously jesus said you should forgive

388

00:17:33,190 --> 00:17:30,320

your brothers

389

00:17:34,630 --> 00:17:33,200

this is jesus saying you should always

390

00:17:35,510 --> 00:17:34,640

forgive your brother it's not a

391

00:17:37,430 --> 00:17:35,520

numerical

392

00:17:39,029 --> 00:17:37,440

code as he's going to suggest here and

393

00:17:40,470 --> 00:17:39,039

he has in other places

394

00:17:44,390 --> 00:17:40,480

depending on which translation that's

395

00:17:45,990 --> 00:17:44,400

what he says 7 times 77 is 539

396

00:17:48,310 --> 00:17:46,000

and i will explore this and other

397

00:17:50,150 --> 00:17:48,320

interesting clues suggesting that

398

00:17:52,630 --> 00:17:50,160

jesus had a lot more knowledge than we

399

00:17:54,789 --> 00:17:52,640

give him credit for in modern times

400

00:17:55,750 --> 00:17:54,799

and we actually have the tools to be

401
00:17:58,310 --> 00:17:55,760
able to unpack

402
00:18:00,230 --> 00:17:58,320
what that sacred knowledge really is and

403
00:18:02,710 --> 00:18:00,240
how we can use it

404
00:18:04,310 --> 00:18:02,720
in ascension mystery school 3.0 you're

405
00:18:06,870 --> 00:18:04,320
going to get a truly

406
00:18:07,750 --> 00:18:06,880
mind-blowing exploration of all the

407
00:18:10,549 --> 00:18:07,760
evidence

408
00:18:11,990 --> 00:18:10,559
suggesting that our entire solar system

409
00:18:13,669 --> 00:18:12,000
is going through a radical and

410
00:18:16,470 --> 00:18:13,679
discontinuous change

411
00:18:18,950 --> 00:18:16,480
you're going to see shocking photos how

412
00:18:21,110 --> 00:18:18,960
planets are becoming much brighter

413
00:18:23,110 --> 00:18:21,120

in our solar system in just a matter of

414

00:18:25,350 --> 00:18:23,120

five to ten years

415

00:18:27,350 --> 00:18:25,360

isn't it amazing sarah that like i

416

00:18:29,750 --> 00:18:27,360

haven't heard this incredible news from

417

00:18:32,150 --> 00:18:29,760

any astrophysicists or planetary

418

00:18:34,390 --> 00:18:32,160

scientists or astronomers

419

00:18:36,230 --> 00:18:34,400

on earth and he's just suddenly come out

420

00:18:38,230 --> 00:18:36,240

with it isn't he just yeah

421

00:18:40,310 --> 00:18:38,240

only david wilcock knows about this and

422

00:18:41,990 --> 00:18:40,320

all the world scientists have no idea

423

00:18:44,630 --> 00:18:42,000

about this shocking information

424

00:18:46,950 --> 00:18:44,640

about all the changes our solar system's

425

00:18:49,190 --> 00:18:46,960

planets are going through

426
00:18:50,789 --> 00:18:49,200
and that's amazing isn't it how can i be

427
00:18:54,470 --> 00:18:50,799
better about this

428
00:18:56,710 --> 00:18:54,480
song but how could he know about this

429
00:18:58,150 --> 00:18:56,720
and none of the other scientists on

430
00:19:00,150 --> 00:18:58,160
earth know about it

431
00:19:02,710 --> 00:19:00,160
ah but you see that's because he's got

432
00:19:05,830 --> 00:19:02,720
super powers and if you pay money

433
00:19:07,590 --> 00:19:05,840
you'll have superpowers as well yeah i

434
00:19:09,270 --> 00:19:07,600
think we're getting to that and nasa is

435
00:19:10,789 --> 00:19:09,280
largely not talking about this

436
00:19:12,470 --> 00:19:10,799
oh yeah they're covering it using the

437
00:19:14,950 --> 00:19:12,480
information

438
00:19:16,870 --> 00:19:14,960

where is all of this heading it appears

439

00:19:19,350 --> 00:19:16,880

that our solar system is moving into a

440

00:19:21,029 --> 00:19:19,360

zone of higher energy in the galaxy

441

00:19:22,870 --> 00:19:21,039

and that all of this is fundamentally

442

00:19:25,990 --> 00:19:22,880

interconnected with the science of

443

00:19:27,750 --> 00:19:26,000

cycles all of these weird cycles of time

444

00:19:28,789 --> 00:19:27,760

where history seems to be repeating

445

00:19:32,230 --> 00:19:28,799

itself

446

00:19:34,950 --> 00:19:32,240

unify into the grand cycle of 25

447

00:19:36,230 --> 00:19:34,960

920 years which has also been known as

448

00:19:41,110 --> 00:19:36,240

the great year

449

00:19:41,430 --> 00:19:41,120

be a lot more significant than we ever

450

00:19:44,310 --> 00:19:41,440

gave

451
00:19:45,830 --> 00:19:44,320
credit for because we will explore how

452
00:19:48,390 --> 00:19:45,840
there are 23

453
00:19:50,230 --> 00:19:48,400
different ancient prophecy traditions

454
00:19:52,549 --> 00:19:50,240
that have all come together

455
00:19:53,669 --> 00:19:52,559
indicating that the times that we are in

456
00:19:55,510 --> 00:19:53,679
right now

457
00:19:58,070 --> 00:19:55,520
is not a time where the world is going

458
00:19:59,669 --> 00:19:58,080
to end not a time of doom and gloom and

459
00:20:02,549 --> 00:19:59,679
catastrophe

460
00:20:03,029 --> 00:20:02,559
but a massive ascension event where

461
00:20:05,590 --> 00:20:03,039
those

462
00:20:06,950 --> 00:20:05,600
and he pitched the ascension event in

463
00:20:08,630 --> 00:20:06,960

the year 2000

464

00:20:11,510 --> 00:20:08,640

and and then he pitched the ascension

465

00:20:13,669 --> 00:20:11,520

event again in the year 2012.

466

00:20:15,350 --> 00:20:13,679

now he's pitching the ascension event is

467

00:20:17,909 --> 00:20:15,360

going to happen right now

468

00:20:20,549 --> 00:20:17,919

so he's two strikes out right sarah do

469

00:20:22,549 --> 00:20:20,559

you think yeah

470

00:20:25,029 --> 00:20:22,559

is it going to hit a home run this time

471

00:20:27,190 --> 00:20:25,039

or is this going to be another strikeout

472

00:20:28,549 --> 00:20:27,200

well what is it they say if you lie to

473

00:20:31,270 --> 00:20:28,559

me once

474

00:20:33,190 --> 00:20:31,280

you lie to me twice but you don't accept

475

00:20:36,549 --> 00:20:33,200

it a third time

476

00:20:38,549 --> 00:20:36,559

yeah well ascension definitely didn't

477

00:20:40,230 --> 00:20:38,559

happen the last two times he was taking

478

00:20:42,230 --> 00:20:40,240

people's money and promising them that

479

00:20:44,950 --> 00:20:42,240

it was going to happen any day now

480

00:20:45,750 --> 00:20:44,960

so i would tend to believe that this is

481

00:20:48,310 --> 00:20:45,760

another

482

00:20:50,230 --> 00:20:48,320

money grab that will amount to nothing

483

00:20:52,070 --> 00:20:50,240

let's see what else he has to say we're

484

00:20:53,430 --> 00:20:52,080

halfway through already see this is fun

485

00:20:54,630 --> 00:20:53,440

i wanted to do a quick one because i

486

00:20:56,230 --> 00:20:54,640

don't want to have to listen to

487

00:20:58,630 --> 00:20:56,240

three or four hours of him like i

488

00:20:59,350 --> 00:20:58,640

usually have to those who are prepared

489

00:21:01,430 --> 00:20:59,360

for it

490

00:21:02,630 --> 00:21:01,440

are able to activate their dormant

491

00:21:05,990 --> 00:21:02,640

abilities

492

00:21:10,470 --> 00:21:06,000

and become essentially meta-human

493

00:21:12,390 --> 00:21:10,480

having consciousness acceleration

494

00:21:14,310 --> 00:21:12,400

you would be able to telepathically

495

00:21:17,029 --> 00:21:14,320

communicate with others

496

00:21:18,149 --> 00:21:17,039

perhaps use telekinesis perhaps even

497

00:21:25,110 --> 00:21:18,159

levitate

498

00:21:32,549 --> 00:21:30,870

it's frozen

499

00:21:34,470 --> 00:21:32,559

i'm sorry about that once a while i have

500

00:21:36,310 --> 00:21:34,480

a technical weird glitch here

501
00:21:39,750 --> 00:21:36,320
so this is the sarah this is the same

502
00:21:45,510 --> 00:21:43,029
did i lose sarah no i'm still there

503
00:21:47,909 --> 00:21:45,520
oh okay i'm sorry he just just paralyzed

504
00:21:50,549 --> 00:21:47,919
me with his super powers

505
00:21:52,710 --> 00:21:50,559
you were very still but if you remember

506
00:21:54,710 --> 00:21:52,720
this is the exact same pitch that he was

507
00:21:56,630 --> 00:21:54,720
given when he was selling stuff before

508
00:21:58,870 --> 00:21:56,640
2012 that the ascension event is going

509
00:22:01,350 --> 00:21:58,880
to happen and if you just buy my book

510
00:22:02,390 --> 00:22:01,360
you'll figure out how to get your own

511
00:22:04,630 --> 00:22:02,400
super powers

512
00:22:06,390 --> 00:22:04,640
he's literally promising people super

513
00:22:07,909 --> 00:22:06,400

powers are going to come their way

514

00:22:09,590 --> 00:22:07,919

if they buy his course and can

515

00:22:13,270 --> 00:22:09,600

understand how to access them

516

00:22:17,110 --> 00:22:13,280

right yeah no i was completely

517

00:22:23,430 --> 00:22:20,149

paralyzed by his superpowers now i'm

518

00:22:27,029 --> 00:22:25,430

yeah i just don't i don't understand the

519

00:22:27,909 --> 00:22:27,039

whole super powers thing but i guess

520

00:22:30,950 --> 00:22:27,919

he's promising

521

00:22:32,390 --> 00:22:30,960

people i don't understand how you can

522

00:22:33,590 --> 00:22:32,400

take people's money and promise them

523

00:22:36,070 --> 00:22:33,600

that if they take your course

524

00:22:37,669 --> 00:22:36,080

you're going to unlock super powers to

525

00:22:39,669 --> 00:22:37,679

me

526

00:22:41,669 --> 00:22:39,679

i don't understand that either but i

527

00:22:44,470 --> 00:22:41,679

even don't understand why people would

528

00:22:48,950 --> 00:22:46,390

yeah but i don't understand why law

529

00:22:52,149 --> 00:22:48,960

enforcement would allow this

530

00:22:54,470 --> 00:22:52,159

because exactly yeah like i almost want

531

00:22:56,230 --> 00:22:54,480

to come up with 333. and then when i

532

00:22:58,149 --> 00:22:56,240

don't get the superpowers

533

00:23:00,470 --> 00:22:58,159

you know i can report them for consumer

534

00:23:02,789 --> 00:23:00,480

fraud i guess i don't know

535

00:23:04,789 --> 00:23:02,799

these prophecies are very exciting and

536

00:23:06,230 --> 00:23:04,799

they cut to the core of what it means to

537

00:23:09,350 --> 00:23:06,240

be human

538

00:23:11,830 --> 00:23:09,360

how is it that this geometry

539

00:23:12,870 --> 00:23:11,840

interweaves through the very basic

540

00:23:15,190 --> 00:23:12,880

science of

541

00:23:16,390 --> 00:23:15,200

space time matter energy and

542

00:23:18,789 --> 00:23:16,400

consciousness

543

00:23:20,390 --> 00:23:18,799

can we solve the cycles of history

544

00:23:24,789 --> 00:23:20,400

geometrically

545

00:23:26,630 --> 00:23:24,799

and if in his in historic times

546

00:23:27,990 --> 00:23:26,640

the world has been going through cycles

547

00:23:29,990 --> 00:23:28,000

at different rates of speed

548

00:23:31,909 --> 00:23:30,000

where different countries experience one

549

00:23:33,669 --> 00:23:31,919

cycle and then another country

550

00:23:35,750 --> 00:23:33,679

experiences a different cycle

551
00:23:38,390 --> 00:23:35,760
what actually happens when everyone on

552
00:23:40,070 --> 00:23:38,400
earth starts having the same experiences

553
00:23:41,990 --> 00:23:40,080
at the same time

554
00:23:44,070 --> 00:23:42,000
this is exactly he's playing the

555
00:23:45,510 --> 00:23:44,080
coincidences and stuff here like i don't

556
00:23:48,789 --> 00:23:45,520
think there's anything to

557
00:23:51,990 --> 00:23:48,799
any of this what do you think sarah

558
00:23:54,870 --> 00:23:52,000
no i mean he's just basically

559
00:23:55,669 --> 00:23:54,880
so he's saying what happens at the same

560
00:23:58,870 --> 00:23:55,679
time

561
00:24:00,710 --> 00:23:58,880
he's just it's like the confirmation

562
00:24:04,789 --> 00:24:00,720
bias theory isn't it

563
00:24:05,909 --> 00:24:04,799

yeah yeah it's just um so then he can

564

00:24:09,110 --> 00:24:05,919

say

565

00:24:10,870 --> 00:24:09,120

he's just using it to to hype his sales

566

00:24:13,029 --> 00:24:10,880

picture

567

00:24:15,110 --> 00:24:13,039

wow exactly the type of field effect of

568

00:24:17,990 --> 00:24:15,120

consciousness that's been going on

569

00:24:19,510 --> 00:24:18,000

since we entered the year 2020 the year

570

00:24:21,669 --> 00:24:19,520

of 2020 vision

571

00:24:22,950 --> 00:24:21,679

but what are we really seeing we're

572

00:24:25,990 --> 00:24:22,960

seeing chaos

573

00:24:28,870 --> 00:24:26,000

corruption dysfunction heartbreak

574

00:24:31,590 --> 00:24:28,880

misery and pain we're seeing the

575

00:24:33,990 --> 00:24:31,600

unveiling of a shocking global evil

576

00:24:36,230 --> 00:24:34,000

that seems to be so frightening that

577

00:24:37,750 --> 00:24:36,240

most people would rather disassociate

578

00:24:40,870 --> 00:24:37,760

and not even look at it

579

00:24:42,710 --> 00:24:40,880

than face the reality of what it is and

580

00:24:44,710 --> 00:24:42,720

we start to get uncomfortably close to

581

00:24:46,470 --> 00:24:44,720

the idea that biblical prophecy and

582

00:24:48,470 --> 00:24:46,480

other ancient prophecies may have been

583

00:24:50,390 --> 00:24:48,480

far more right than we imagined

584

00:24:52,710 --> 00:24:50,400

there may actually be a global evil

585

00:24:54,789 --> 00:24:52,720

force that is running this planet

586

00:24:56,950 --> 00:24:54,799

yeah and this just he's just playing to

587

00:24:58,549 --> 00:24:56,960

the to the letter of the alphabet crowd

588

00:25:00,310 --> 00:24:58,559

i don't even say that letter here

589

00:25:04,230 --> 00:25:00,320

because youtube doesn't like it

590

00:25:06,470 --> 00:25:04,240

yeah evil cabal maybe it's the reptilian

591

00:25:08,710 --> 00:25:06,480

aliens that really control the world or

592

00:25:10,870 --> 00:25:08,720

the rothschilds the you know the

593

00:25:12,310 --> 00:25:10,880

evil deep state that's really running

594

00:25:13,990 --> 00:25:12,320

everything and trying to

595

00:25:15,430 --> 00:25:14,000

have a one world government so he's

596

00:25:17,590 --> 00:25:15,440

playing to that crowd

597

00:25:19,830 --> 00:25:17,600

it's like he's checking off boxes you

598

00:25:21,269 --> 00:25:19,840

know get to get the alien people get the

599

00:25:22,870 --> 00:25:21,279

new agers

600

00:25:24,390 --> 00:25:22,880

get the get the letter the alphabet

601
00:25:27,029 --> 00:25:24,400
conspiracy theorists

602
00:25:28,710 --> 00:25:27,039
get them all in my tent to buy my to buy

603
00:25:31,350 --> 00:25:28,720
a ticket to my circus

604
00:25:33,029 --> 00:25:31,360
right yeah exactly so then he's covered

605
00:25:35,990 --> 00:25:33,039
all bases

606
00:25:37,990 --> 00:25:36,000
and it's it's the opium thing isn't it

607
00:25:40,149 --> 00:25:38,000
so then he's kind of like

608
00:25:41,190 --> 00:25:40,159
getting them all on the bandwagon you

609
00:25:43,830 --> 00:25:41,200
know next thing

610
00:25:44,470 --> 00:25:43,840
it'll be joining all the you know the

611
00:25:47,590 --> 00:25:44,480
other

612
00:25:49,430 --> 00:25:47,600
grift grifters that i kind of expose and

613
00:25:51,190 --> 00:25:49,440

jumping on their bandwagon as well with

614

00:25:53,909 --> 00:25:51,200

the sasha stone and

615

00:25:55,510 --> 00:25:53,919

david stills and all that lot and saying

616

00:25:57,269 --> 00:25:55,520

oh yeah you know i'll join you

617

00:25:58,950 --> 00:25:57,279

as well because once they run out of

618

00:26:00,870 --> 00:25:58,960

ideas they all kind of come up with

619

00:26:03,110 --> 00:26:00,880

another idea

620

00:26:04,470 --> 00:26:03,120

yeah wait some this is this is an

621

00:26:07,669 --> 00:26:04,480

interesting circus let's

622

00:26:08,950 --> 00:26:07,679

we're more than only got a few minutes

623

00:26:10,950 --> 00:26:08,960

left

624

00:26:12,470 --> 00:26:10,960

and i guess operators are standing by if

625

00:26:13,350 --> 00:26:12,480

anybody actually wants to buy this

626
00:26:15,990 --> 00:26:13,360
garbage but

627
00:26:17,350 --> 00:26:16,000
i would i wouldn't recommend it sorry

628
00:26:21,269 --> 00:26:17,360
and there may be

629
00:26:23,909 --> 00:26:21,279
a prophecy or many prophecies about the

630
00:26:25,029 --> 00:26:23,919
compelling downfall of that negative

631
00:26:27,029 --> 00:26:25,039
force

632
00:26:29,110 --> 00:26:27,039
those prophecies may actually be

633
00:26:30,470 --> 00:26:29,120
relevant to what's happening right now

634
00:26:32,710 --> 00:26:30,480
and they may be relevant to what's

635
00:26:35,830 --> 00:26:32,720
happening in your own life

636
00:26:36,710 --> 00:26:35,840
we are going to explore how the pattern

637
00:26:39,669 --> 00:26:36,720
of christ

638
00:26:41,510 --> 00:26:39,679

is the hero's journey this is a galactic

639

00:26:43,029 --> 00:26:41,520

evolutionary template i will make that

640

00:26:45,350 --> 00:26:43,039

argument very clear

641

00:26:47,029 --> 00:26:45,360

and the hero it's a galactic

642

00:26:49,029 --> 00:26:47,039

evolutionary template

643

00:26:51,269 --> 00:26:49,039

sarah i didn't even know there was a

644

00:26:53,190 --> 00:26:51,279

such thing as a galactic evolutionary

645

00:26:57,110 --> 00:26:53,200

template did you

646

00:27:02,789 --> 00:27:00,470

he's mixing aliens with their god yeah

647

00:27:04,149 --> 00:27:02,799

and i really i really like i said this

648

00:27:07,110 --> 00:27:04,159

before you know

649

00:27:07,830 --> 00:27:07,120

i consider myself let's say i consider

650

00:27:09,830 --> 00:27:07,840

myself a

651
00:27:11,029 --> 00:27:09,840
christian like i'm not a practicing

652
00:27:13,590 --> 00:27:11,039
christian but

653
00:27:14,470 --> 00:27:13,600
him involving jesus in these cons and

654
00:27:16,710 --> 00:27:14,480
scams

655
00:27:17,669 --> 00:27:16,720
it really bothers me and you know just

656
00:27:18,870 --> 00:27:17,679
leave jesus out

657
00:27:20,950 --> 00:27:18,880
you want if he wants to talk about

658
00:27:22,549 --> 00:27:20,960
aliens in new age nonsense that's fine

659
00:27:23,669 --> 00:27:22,559
but why does it gotta involve people's

660
00:27:27,510 --> 00:27:23,679
god in it

661
00:27:30,630 --> 00:27:27,520
you know sad

662
00:27:33,590 --> 00:27:30,640
no i agree i agree i'm i'm the same

663
00:27:34,630 --> 00:27:33,600

i'm christian as well but i'm not you

664

00:27:37,029 --> 00:27:34,640

know particularly

665

00:27:39,029 --> 00:27:37,039

religious but you know it's just it's

666

00:27:40,230 --> 00:27:39,039

mixing it all up it's just like mumbo

667

00:27:42,230 --> 00:27:40,240

jumbo

668

00:27:43,269 --> 00:27:42,240

yeah well he's lucky that christians are

669

00:27:45,510 --> 00:27:43,279

very forgiving

670

00:27:47,510 --> 00:27:45,520

especially you know even in cases where

671

00:27:48,950 --> 00:27:47,520

people just misunderstand christianity

672

00:27:50,950 --> 00:27:48,960

we try to be forgiving

673

00:27:53,590 --> 00:27:50,960

but he better never try that with the

674

00:27:55,430 --> 00:27:53,600

muslims you know

675

00:27:57,190 --> 00:27:55,440

like what if he took allah and started

676
00:27:58,789 --> 00:27:57,200
twisting allah into his

677
00:28:00,310 --> 00:27:58,799
khan i don't think that the muslims

678
00:28:03,510 --> 00:28:00,320
would take that very well

679
00:28:07,110 --> 00:28:03,520
you know well you know i mean

680
00:28:10,230 --> 00:28:07,120
like i said uh on uh

681
00:28:10,870 --> 00:28:10,240
he could start mixing up gin with jin is

682
00:28:49,830 --> 00:28:10,880
a

683
00:28:52,230 --> 00:28:49,840
mystery school 3.0

684
00:28:54,310 --> 00:28:52,240
is elevate your consciousness give you a

685
00:28:57,269 --> 00:28:54,320
unified field theory of science and

686
00:28:58,389 --> 00:28:57,279
physics you may have never thought

687
00:29:01,110 --> 00:28:58,399
he's possible to elevate our

688
00:29:05,269 --> 00:29:01,120

consciousness and give us a unified

689

00:29:06,789 --> 00:29:05,279

field theory of that's a tall order

690

00:29:09,029 --> 00:29:06,799

like and how can he even prove he's

691

00:29:10,230 --> 00:29:09,039

delivering these things how can he prove

692

00:29:12,630 --> 00:29:10,240

that he elevates

693

00:29:14,470 --> 00:29:12,640

your consciousness can he even prove

694

00:29:17,669 --> 00:29:14,480

that

695

00:29:22,230 --> 00:29:17,679

no i don't think so i mean and i stopped

696

00:29:26,710 --> 00:29:24,950

what does it even mean what does he even

697

00:29:29,110 --> 00:29:26,720

what did he even mean

698

00:29:31,269 --> 00:29:29,120

it's more work sell it nonsense yeah

699

00:29:34,230 --> 00:29:31,279

more word sales bring in geometry

700

00:29:35,110 --> 00:29:34,240

and we're also going to bring you into

701
00:29:38,310 --> 00:29:35,120
the true

702
00:29:38,870 --> 00:29:38,320
vault of the esoteric where you learn

703
00:29:40,470 --> 00:29:38,880
things

704
00:29:42,710 --> 00:29:40,480
that have been sealed since the

705
00:29:44,630 --> 00:29:42,720
beginning and are only now becoming

706
00:29:45,830 --> 00:29:44,640
available for us to understand and

707
00:29:47,990 --> 00:29:45,840
peruse

708
00:29:49,430 --> 00:29:48,000
here in this class yes he's got ancient

709
00:29:50,789 --> 00:29:49,440
secret knowledge that every

710
00:29:53,590 --> 00:29:50,799
archaeologist

711
00:29:54,070 --> 00:29:53,600
missed every anthropologist doesn't know

712
00:29:57,590 --> 00:29:54,080
about

713
00:29:58,950 --> 00:29:57,600

every historian on planet earth in the

714

00:30:01,269 --> 00:29:58,960

history of humanity

715

00:30:02,789 --> 00:30:01,279

doesn't know about but he's got a secret

716

00:30:04,950 --> 00:30:02,799

vault sarah

717

00:30:08,389 --> 00:30:04,960

of that information and only he can

718

00:30:10,549 --> 00:30:08,399

teach us it right

719

00:30:13,669 --> 00:30:10,559

and and if he has then he's talking

720

00:30:15,830 --> 00:30:13,679

about dark magic

721

00:30:18,470 --> 00:30:15,840

i guess yeah that's one of the one

722

00:30:19,269 --> 00:30:18,480

possibility classroom earth the ultimate

723

00:30:22,310 --> 00:30:19,279

goal

724

00:30:25,510 --> 00:30:22,320

is to no longer reincarnate in

725

00:30:26,789 --> 00:30:25,520

third density in which we are bound by

726

00:30:30,630 --> 00:30:26,799

the cycles of karma

727

00:30:33,110 --> 00:30:30,640

known as the wheel of karma and instead

728

00:30:34,310 --> 00:30:33,120

restore the truth and here he is mixing

729

00:30:36,149 --> 00:30:34,320

in some buddhism

730

00:30:37,830 --> 00:30:36,159

as well you're right it's just a big

731

00:30:41,190 --> 00:30:37,840

blender of of

732

00:30:43,029 --> 00:30:41,200

stories right throw some jesus in there

733

00:30:45,830 --> 00:30:43,039

get some buddha in there

734

00:30:46,710 --> 00:30:45,840

christ consciousness maybe we'll mix up

735

00:30:49,830 --> 00:30:46,720

some uh

736

00:30:51,190 --> 00:30:49,840

oh we got some numerology some sacred

737

00:30:54,470 --> 00:30:51,200

geometry

738

00:30:57,590 --> 00:30:54,480

we've got some aliens

739

00:31:00,710 --> 00:30:57,600

some consciousness raising

740

00:31:02,789 --> 00:31:00,720

uh geometry you just keep throwing it in

741

00:31:05,669 --> 00:31:02,799

there right

742

00:31:07,190 --> 00:31:05,679

stick it all in the blender so yeah it's

743

00:31:10,149 --> 00:31:07,200

that it's like that old saying if you

744

00:31:11,990 --> 00:31:10,159

i guess that's why sometimes people fall

745

00:31:14,070 --> 00:31:12,000

for this because he throws so much crap

746

00:31:15,750 --> 00:31:14,080

at the wall something's gonna stick and

747

00:31:18,149 --> 00:31:15,760

resonate with somebody that's gonna pull

748

00:31:20,870 --> 00:31:18,159

out their wallet prove potential

749

00:31:22,710 --> 00:31:20,880

that we were born with in which we can

750

00:31:23,909 --> 00:31:22,720

walk between the worlds of the living

751
00:31:25,990 --> 00:31:23,919
and the dead

752
00:31:27,430 --> 00:31:26,000
okay so if you take his course you're

753
00:31:29,350 --> 00:31:27,440
going to be able to walk between the

754
00:31:32,070 --> 00:31:29,360
worlds of the living and the dead

755
00:31:33,509 --> 00:31:32,080
that's a superpower he's promising

756
00:31:35,509 --> 00:31:33,519
everybody's super powers

757
00:31:38,149 --> 00:31:35,519
he promised us we'd be able to levitate

758
00:31:40,630 --> 00:31:38,159
or we'll do a recap when we're done

759
00:31:41,430 --> 00:31:40,640
psychic insights that carry us through

760
00:31:43,830 --> 00:31:41,440
generations

761
00:31:44,710 --> 00:31:43,840
psychic insights see all of our past

762
00:31:48,070 --> 00:31:44,720
lives

763
00:31:50,710 --> 00:31:48,080

that's another superpower and we have a

764

00:31:53,430 --> 00:31:50,720

much greater level of technology and

765

00:31:55,269 --> 00:31:53,440

spiritual capability including telepathy

766

00:31:57,669 --> 00:31:55,279

and telekinesis

767

00:31:59,430 --> 00:31:57,679

this future has been promised to us in

768

00:32:01,509 --> 00:31:59,440

so many ancient prophecies

769

00:32:03,750 --> 00:32:01,519

that it is very remarkable to watch

770

00:32:06,149 --> 00:32:03,760

those prophecies fulfilling

771

00:32:06,950 --> 00:32:06,159

in today's world yeah he's such a good

772

00:32:08,630 --> 00:32:06,960

prophet

773

00:32:09,990 --> 00:32:08,640

sarah that he has been wrong about

774

00:32:11,430 --> 00:32:10,000

everything he's ever talked about but

775

00:32:12,950 --> 00:32:11,440

now he's trying to tell people that

776

00:32:13,990 --> 00:32:12,960

everything he's been talking about is

777

00:32:17,909 --> 00:32:14,000

coming to a head right

778

00:32:21,350 --> 00:32:17,919

now unbelievable

779

00:32:22,230 --> 00:32:21,360

wrong in 2000 wrong in 2012 wrong in

780

00:32:24,310 --> 00:32:22,240

2020

781

00:32:25,830 --> 00:32:24,320

he famously predicted that donald trump

782

00:32:28,470 --> 00:32:25,840

was going to win the election in the

783

00:32:31,990 --> 00:32:28,480

landslide that didn't work out

784

00:32:34,230 --> 00:32:32,000

and then he said that if if by if biden

785

00:32:35,590 --> 00:32:34,240

was inaugurated the alliance would all

786

00:32:37,269 --> 00:32:35,600

be murdered

787

00:32:39,110 --> 00:32:37,279

you know the good guys he talks about

788

00:32:41,350 --> 00:32:39,120

yeah all the executions and

789

00:32:42,789 --> 00:32:41,360

all that i guess they're all dead

790

00:32:44,630 --> 00:32:42,799

because david wilcox said they would all

791

00:32:45,750 --> 00:32:44,640

be executed if biden was ever

792

00:32:47,909 --> 00:32:45,760

inaugurated

793

00:32:50,149 --> 00:32:47,919

right he's been wrong about everything

794

00:32:51,830 --> 00:32:50,159

but now we're supposed to believe

795

00:32:53,750 --> 00:32:51,840

that everything he's talked about for

796

00:32:55,669 --> 00:32:53,760

years is now going to happen

797

00:32:59,590 --> 00:32:55,679

didn't happen in 2000 didn't happen in

798

00:33:01,909 --> 00:32:59,600

2012 didn't happen in 2020

799

00:33:03,669 --> 00:33:01,919

now it's gonna happen in ascension

800

00:33:05,830 --> 00:33:03,679

mystery school 3.0

801
00:33:07,590 --> 00:33:05,840
you will leave with a much greater sense

802
00:33:08,310 --> 00:33:07,600
of what we are actually dealing with

803
00:33:09,509 --> 00:33:08,320
here

804
00:33:11,350 --> 00:33:09,519
what the ancient and modern

805
00:33:12,310 --> 00:33:11,360
extraterrestrial sources had to say

806
00:33:14,789 --> 00:33:12,320
about this

807
00:33:16,389 --> 00:33:14,799
and how best to prepare yourself for the

808
00:33:18,710 --> 00:33:16,399
coming ascension

809
00:33:19,830 --> 00:33:18,720
i'm david wilcock and i hope that you

810
00:33:22,870 --> 00:33:19,840
will join me

811
00:33:24,230 --> 00:33:22,880
on this invigorating journey into the

812
00:33:26,549 --> 00:33:24,240
true essence

813
00:33:28,149 --> 00:33:26,559

of what we are learning here on earth

814

00:33:30,710 --> 00:33:28,159

and where this is all taking us

815

00:33:32,549 --> 00:33:30,720

as a planet and a species we will be

816

00:33:35,029 --> 00:33:32,559

doing this every week

817

00:33:36,149 --> 00:33:35,039

and it's going to be a whole lot of fun

818

00:33:38,070 --> 00:33:36,159

we're going to be

819

00:33:39,990 --> 00:33:38,080

giving it to you in an archive so you

820

00:33:41,590 --> 00:33:40,000

can watch it anytime you want or you can

821

00:33:43,350 --> 00:33:41,600

join me live

822

00:33:45,269 --> 00:33:43,360

so i'm david wilcock with ascension

823

00:33:48,389 --> 00:33:45,279

mystery school 3.0

824

00:33:52,070 --> 00:33:48,399

music see you there thanks for watching

825

00:33:55,029 --> 00:33:52,080

what a pitch what a pissed

826

00:33:55,350 --> 00:33:55,039

that was quite a pitch yeah and you can

827

00:33:59,830 --> 00:33:55,360

be

828

00:34:01,990 --> 00:33:59,840

dazzled by his super white teeth as well

829

00:34:03,750 --> 00:34:02,000

i i got you know i made a point because

830

00:34:04,470 --> 00:34:03,760

i kept on saying he's lying through his

831

00:34:06,870 --> 00:34:04,480

fake

832

00:34:07,990 --> 00:34:06,880

effing teeth but i'm trying not to curse

833

00:34:09,829 --> 00:34:08,000

anymore on the show

834

00:34:11,829 --> 00:34:09,839

so we'll just say it's been really good

835

00:34:12,790 --> 00:34:11,839

because i curse a lot normally i've not

836

00:34:14,950 --> 00:34:12,800

said a single

837

00:34:17,669 --> 00:34:14,960

curse word oh you've been a good girl

838

00:34:19,750 --> 00:34:17,679

tonight thank you very much

839

00:34:21,109 --> 00:34:19,760

i forgot to i forgot to give you the

840

00:34:23,190 --> 00:34:21,119

talk yeah we're trying to

841

00:34:24,710 --> 00:34:23,200

trying to clean things up and no cursing

842

00:34:26,629 --> 00:34:24,720

in the live chat

843

00:34:28,389 --> 00:34:26,639

no i didn't hear you when i watched the

844

00:34:30,470 --> 00:34:28,399

last time so i've been

845

00:34:31,750 --> 00:34:30,480

super good because i really cursed a lot

846

00:34:35,030 --> 00:34:31,760

normally so

847

00:34:36,550 --> 00:34:35,040

how would you do me so

848

00:34:38,550 --> 00:34:36,560

you know i thought tonight just be a

849

00:34:39,990 --> 00:34:38,560

little off the cuff like laugh we could

850

00:34:41,270 --> 00:34:40,000

take comments and questions from the

851
00:34:43,829 --> 00:34:41,280
live chat

852
00:34:44,389 --> 00:34:43,839
uh i highly recommend that you check out

853
00:34:46,710 --> 00:34:44,399
uh

854
00:34:48,550 --> 00:34:46,720
sarah's youtube channel no ordinary live

855
00:34:50,869 --> 00:34:48,560
seven where she kind of

856
00:34:53,750 --> 00:34:50,879
makes fun of some of these new agers and

857
00:34:56,950 --> 00:34:55,909
yeah there's a lot of cursing in it and

858
00:35:00,310 --> 00:34:56,960
she's covering

859
00:35:03,990 --> 00:35:00,320
uh you're covering like refat and

860
00:35:06,550 --> 00:35:04,000
david ike and david the other david and

861
00:35:08,870 --> 00:35:06,560
uh yeah mostly i cover at the moment

862
00:35:11,349 --> 00:35:08,880
robert david steele

863
00:35:12,950 --> 00:35:11,359

and mostly i'm covering charlie ward at

864

00:35:16,630 --> 00:35:12,960

the moment

865

00:35:20,069 --> 00:35:16,640

he's a character a bit of simon parks

866

00:35:21,589 --> 00:35:20,079

and yeah i mean my original channel i

867

00:35:24,630 --> 00:35:21,599

set up to expose

868

00:35:25,670 --> 00:35:24,640

pathological people i wrote a couple of

869

00:35:28,150 --> 00:35:25,680

books on

870

00:35:29,750 --> 00:35:28,160

narcissism and sociopaths so that's how

871

00:35:32,470 --> 00:35:29,760

i started the channel

872

00:35:33,430 --> 00:35:32,480

and then recently it was mostly doing

873

00:35:36,630 --> 00:35:33,440

exposes on

874

00:35:38,790 --> 00:35:36,640

charlie ward and the gang

875

00:35:40,310 --> 00:35:38,800

so why do you think then if you've

876

00:35:42,950 --> 00:35:40,320

written the whole books on this why do

877

00:35:44,150 --> 00:35:42,960

you think that this field of like ufos

878

00:35:47,589 --> 00:35:44,160

and conspiracy land

879

00:35:48,710 --> 00:35:47,599

is so filled with these obvious

880

00:35:50,790 --> 00:35:48,720

people that have some kind of

881

00:35:51,910 --> 00:35:50,800

narcissistic personality disorder or

882

00:35:55,990 --> 00:35:51,920

something right

883

00:35:58,150 --> 00:35:56,000

or sociopathic even right why is it

884

00:35:59,030 --> 00:35:58,160

i think it's because people want to

885

00:36:02,870 --> 00:35:59,040

believe in

886

00:36:03,829 --> 00:36:02,880

in something different so for example my

887

00:36:07,270 --> 00:36:03,839

brother

888

00:36:09,030 --> 00:36:07,280

believes in um he's always believed in

889

00:36:11,670 --> 00:36:09,040

aliens and he's

890

00:36:14,790 --> 00:36:11,680

he loves simon parks he thinks he's

891

00:36:18,950 --> 00:36:17,349

and you know he's he's always had this

892

00:36:21,670 --> 00:36:18,960

sort of fantasy idea that

893

00:36:24,150 --> 00:36:21,680

you know i'd like to think aliens exist

894

00:36:27,030 --> 00:36:24,160

i think it'd be great if they did

895

00:36:29,030 --> 00:36:27,040

um but it's this kind of like child like

896

00:36:29,829 --> 00:36:29,040

sort of you know wow be great if aliens

897

00:36:32,230 --> 00:36:29,839

come down

898

00:36:34,790 --> 00:36:32,240

i always used to joke and think if you

899

00:36:36,870 --> 00:36:34,800

know a spaceship came down

900

00:36:38,950 --> 00:36:36,880

come and beam me up it would be nice but

901
00:36:39,670 --> 00:36:38,960
i'm a critical thinker i'd like to kind

902
00:36:42,150 --> 00:36:39,680
of like

903
00:36:43,710 --> 00:36:42,160
analyze things so i think these people

904
00:36:47,829 --> 00:36:43,720
prey on people's

905
00:36:51,270 --> 00:36:47,839
vulnerabilities and so it's very easy to

906
00:36:53,670 --> 00:36:51,280
to suck people in with fantasy stories

907
00:36:54,550 --> 00:36:53,680
and things like that and it's a market

908
00:36:57,109 --> 00:36:54,560
where

909
00:36:59,510 --> 00:36:57,119
it is easy to con people because we all

910
00:37:01,109 --> 00:36:59,520
want to believe in something different

911
00:37:02,790 --> 00:37:01,119
not only that but in the united states

912
00:37:04,470 --> 00:37:02,800
it seems like

913
00:37:07,270 --> 00:37:04,480

i don't know how it's what it's like in

914

00:37:10,069 --> 00:37:07,280

england for selling this kind of

915

00:37:11,510 --> 00:37:10,079

what i call garbage but here in the

916

00:37:12,790 --> 00:37:11,520

united states it seems like it's kind of

917

00:37:16,310 --> 00:37:12,800

a gray area

918

00:37:18,630 --> 00:37:16,320

you know like

919

00:37:20,390 --> 00:37:18,640

the the authorities don't really want to

920

00:37:23,030 --> 00:37:20,400

mess with it they're like well

921

00:37:23,829 --> 00:37:23,040

psychic or whatever you know alien

922

00:37:26,950 --> 00:37:23,839

stories

923

00:37:28,870 --> 00:37:26,960

but these people are genuinely faking

924

00:37:30,870 --> 00:37:28,880

information and telling people it's real

925

00:37:31,430 --> 00:37:30,880

information and taking their money for

926
00:37:34,550 --> 00:37:31,440
it

927
00:37:41,030 --> 00:37:34,560
they

928
00:37:43,109 --> 00:37:41,040
david wilcock on his last stream he was

929
00:37:44,870 --> 00:37:43,119
showing people a picture saying it was a

930
00:37:47,750 --> 00:37:44,880
tr-3b

931
00:37:49,589 --> 00:37:47,760
you know alien spacecraft or back

932
00:37:51,990 --> 00:37:49,599
engineered alien spacecraft and the

933
00:37:54,069 --> 00:37:52,000
pictures actually were a good year blip

934
00:37:55,829 --> 00:37:54,079
and he's got to know that he's got it

935
00:37:59,349 --> 00:37:55,839
was debunked right away like

936
00:38:01,030 --> 00:37:59,359
in within hours of somebody posting it

937
00:38:02,710 --> 00:38:01,040
yeah i mean i noticed yeah a lot of

938
00:38:04,310 --> 00:38:02,720

americans follow that well we have

939

00:38:07,109 --> 00:38:04,320

people here that follow

940

00:38:09,190 --> 00:38:07,119

um aliens but i think over here it's

941

00:38:11,430 --> 00:38:09,200

more that they tend to follow

942

00:38:12,790 --> 00:38:11,440

their big time for following psychics

943

00:38:15,270 --> 00:38:12,800

and sort of

944

00:38:16,390 --> 00:38:15,280

people who are into like ghosts and what

945

00:38:18,230 --> 00:38:16,400

have you

946

00:38:19,589 --> 00:38:18,240

i noticed that in the past you've done

947

00:38:21,910 --> 00:38:19,599

magic so my

948

00:38:22,630 --> 00:38:21,920

so one of my brothers is a magician he's

949

00:38:29,430 --> 00:38:22,640

a

950

00:38:34,710 --> 00:38:29,440

he

951
00:38:37,589 --> 00:38:34,720
empty sort of you know that kind of

952
00:38:40,230 --> 00:38:37,599
thing and he um

953
00:38:41,349 --> 00:38:40,240
you know he he will expose like fake

954
00:38:44,550 --> 00:38:41,359
psychics and

955
00:38:46,630 --> 00:38:44,560
fake uh you know spiritualists and

956
00:38:48,630 --> 00:38:46,640
things like that so we have a lot of

957
00:38:50,550 --> 00:38:48,640
those people like what we call them

958
00:38:51,910 --> 00:38:50,560
fake psychics who will say that you know

959
00:38:54,470 --> 00:38:51,920
i can read

960
00:38:55,829 --> 00:38:54,480
you're sort of dead what's good yeah i

961
00:39:01,190 --> 00:38:55,839
mean

962
00:39:04,950 --> 00:39:03,190
um but it's about playing on people's

963
00:39:05,349 --> 00:39:04,960

vulnerabilities i think that's what it

964

00:39:08,069 --> 00:39:05,359

is

965

00:39:09,270 --> 00:39:08,079

you know if people are um you know we

966

00:39:11,190 --> 00:39:09,280

have a

967

00:39:12,790 --> 00:39:11,200

a couple of really big people here that

968

00:39:16,069 --> 00:39:12,800

have been outed as

969

00:39:16,390 --> 00:39:16,079

con con merchants basically who said you

970

00:39:19,750 --> 00:39:16,400

know

971

00:39:22,950 --> 00:39:19,760

i'm your dead auntie flo and

972

00:39:24,150 --> 00:39:22,960

it's all about you know um extracting

973

00:39:25,750 --> 00:39:24,160

money from victims

974

00:39:27,510 --> 00:39:25,760

yeah yeah getting money yeah because

975

00:39:30,390 --> 00:39:27,520

people are vulnerable you know

976
00:39:32,310 --> 00:39:30,400
your mums died and you know they were

977
00:39:33,190 --> 00:39:32,320
they could read them pull them out in the

978
00:39:36,550 --> 00:39:33,200
in the crowd

979
00:39:40,870 --> 00:39:38,630
i've looked into i've probably looked

980
00:39:42,230 --> 00:39:40,880
into at least 100 different psychics or

981
00:39:45,270 --> 00:39:42,240
mediums and every

982
00:39:46,950 --> 00:39:45,280
every one of them i don't you know i

983
00:39:49,030 --> 00:39:46,960
don't think that they had any genuine

984
00:39:51,030 --> 00:39:49,040
real ability and they all used similar

985
00:39:52,230 --> 00:39:51,040
techniques and magic tricks that i was

986
00:39:54,069 --> 00:39:52,240
well familiar with

987
00:39:56,470 --> 00:39:54,079
as well as your brother would be you

988
00:39:59,349 --> 00:39:56,480

know yeah yeah i mean my brother's got

989

00:40:00,390 --> 00:39:59,359

a whole wall full of every book in on

990

00:40:04,230 --> 00:40:00,400

the planet

991

00:40:06,150 --> 00:40:04,240

yeah and yeah

992

00:40:08,390 --> 00:40:06,160

yeah yeah he could do that himself but

993

00:40:10,550 --> 00:40:08,400

he won't do it he just does it as a

994

00:40:11,510 --> 00:40:10,560

as a magic act do you know what i mean

995

00:40:14,069 --> 00:40:11,520

but yeah

996

00:40:15,670 --> 00:40:14,079

yeah a good magician could fake being

997

00:40:18,870 --> 00:40:15,680

psychic very easily

998

00:40:19,430 --> 00:40:18,880

yeah really easily yeah i remember one

999

00:40:22,470 --> 00:40:19,440

time he

1000

00:40:24,230 --> 00:40:22,480

he did a trick where he put a fake ghost

1001
00:40:25,270 --> 00:40:24,240
picture on the phone and sent it around

1002
00:40:26,870 --> 00:40:25,280
the town

1003
00:40:29,430 --> 00:40:26,880
and they brought the psychic up to the

1004
00:40:31,349 --> 00:40:29,440
town he was um you know basically

1005
00:40:32,630 --> 00:40:31,359
telling everybody that there was a ghost

1006
00:40:35,349 --> 00:40:32,640
in the pub

1007
00:40:36,470 --> 00:40:35,359
and you know my brother had done it as a

1008
00:40:38,870 --> 00:40:36,480
trick

1009
00:40:39,750 --> 00:40:38,880
and uh hi is a friend of mine just come

1010
00:40:41,750 --> 00:40:39,760
online

1011
00:40:43,349 --> 00:40:41,760
yeah good i hope they subscribe

1012
00:40:44,309 --> 00:40:43,359
subscribe to the channel you're most

1013
00:40:45,750 --> 00:40:44,319

welcome

1014

00:40:48,230 --> 00:40:45,760

and yeah good to see you have a few

1015

00:40:50,150 --> 00:40:48,240

friends coming watch sure yeah a lot of

1016

00:40:52,470 --> 00:40:50,160

people will probably watch this tomorrow

1017

00:40:55,589 --> 00:40:52,480

because of the time difference

1018

00:40:56,390 --> 00:40:55,599

and um yeah and he yeah and i would

1019

00:41:01,190 --> 00:40:56,400

apologize

1020

00:41:01,990 --> 00:41:01,200

totally forgot about the time difference

1021

00:41:03,990 --> 00:41:02,000

and she said

1022

00:41:05,510 --> 00:41:04,000

i said she sent me this video i started

1023

00:41:07,190 --> 00:41:05,520

watching i said let's just go

1024

00:41:09,030 --> 00:41:07,200

on my show and talk about this it'll be

1025

00:41:09,670 --> 00:41:09,040

fun and let's do it at nine o'clock you

1026

00:41:11,270 --> 00:41:09,680

know i

1027

00:41:13,349 --> 00:41:11,280

i forgot about the time difference so

1028

00:41:15,510 --> 00:41:13,359

it's like one at two a.m where you are

1029

00:41:17,829 --> 00:41:15,520

right yeah it's like four to three in

1030

00:41:21,349 --> 00:41:17,839

the morning now

1031

00:41:23,829 --> 00:41:21,359

oh oh man listen you gotta

1032

00:41:25,349 --> 00:41:23,839

listen my guests have to suffer through

1033

00:41:28,069 --> 00:41:25,359

this show just like me

1034

00:41:31,829 --> 00:41:28,079

okay you just gotta stay awake slap some

1035

00:41:39,270 --> 00:41:35,190

that's okay

1036

00:41:40,630 --> 00:41:39,280

yeah but yeah it's um but there's common

1037

00:41:43,430 --> 00:41:40,640

people everywhere i mean

1038

00:41:44,390 --> 00:41:43,440

but that david wilcox mean yeah so we

1039

00:41:46,790 --> 00:41:44,400

should go through

1040

00:41:48,309 --> 00:41:46,800

all of the things that he's promised in

1041

00:41:51,270 --> 00:41:48,319

this uh

1042

00:41:51,589 --> 00:41:51,280

yes uh let's let's let's see if we can

1043

00:41:53,349 --> 00:41:51,599

look

1044

00:41:54,630 --> 00:41:53,359

i'm gonna try to recap because i didn't

1045

00:41:56,870 --> 00:41:54,640

take notes

1046

00:41:57,990 --> 00:41:56,880

but he told us i'm pretty good at

1047

00:42:00,390 --> 00:41:58,000

remembering so

1048

00:42:02,309 --> 00:42:00,400

okay yeah you go and i remember the

1049

00:42:05,910 --> 00:42:02,319

superpowers i'm gonna get

1050

00:42:08,950 --> 00:42:05,920

so he promised that we could levitate

1051
00:42:09,670 --> 00:42:08,960
one one of them was levitate that we

1052
00:42:12,069 --> 00:42:09,680
could

1053
00:42:13,190 --> 00:42:12,079
go backwards and forwards into different

1054
00:42:16,550 --> 00:42:13,200
past lives

1055
00:42:17,829 --> 00:42:16,560
that was another one um what was the

1056
00:42:21,910 --> 00:42:17,839
other thing

1057
00:42:23,670 --> 00:42:21,920
that we could um i can't remember

1058
00:42:24,950 --> 00:42:23,680
walk between the world of the living and

1059
00:42:29,990 --> 00:42:24,960
the land oh yeah

1060
00:42:32,790 --> 00:42:30,000
between the living and the dead and um

1061
00:42:33,270 --> 00:42:32,800
and learn about the ancient mysteries

1062
00:42:35,430 --> 00:42:33,280
and

1063
00:42:36,309 --> 00:42:35,440

talk between aliens i was there we could

1064

00:42:39,030 --> 00:42:36,319

talk to

1065

00:42:40,790 --> 00:42:39,040

aliens past and present we can

1066

00:42:44,470 --> 00:42:40,800

telepathically communicate and use

1067

00:42:46,390 --> 00:42:44,480

telekinesis to move objects

1068

00:42:47,589 --> 00:42:46,400

yeah i said levitate didn't i as well

1069

00:42:50,710 --> 00:42:47,599

that was it

1070

00:42:52,870 --> 00:42:50,720

yeah yeah but that would be moving us

1071

00:42:54,390 --> 00:42:52,880

telekinesis you can move like object on

1072

00:42:59,750 --> 00:42:54,400

a table or something

1073

00:43:04,790 --> 00:43:02,630

already so you must have got a bonus

1074

00:43:07,030 --> 00:43:04,800

because you didn't even pay for schools

1075

00:43:10,829 --> 00:43:07,040

it was either a poltergeist or a psychic

1076

00:43:13,430 --> 00:43:10,839

burst right i got too excited and i

1077

00:43:14,950 --> 00:43:13,440

psychically i'm getting my super powers

1078

00:43:15,349 --> 00:43:14,960

early sarah i didn't even take the

1079

00:43:17,990 --> 00:43:15,359

questions

1080

00:43:19,030 --> 00:43:18,000

without even paying for it you know that

1081

00:43:21,589 --> 00:43:19,040

you know what bugs me

1082

00:43:22,470 --> 00:43:21,599

is i like the good the the part of me

1083

00:43:24,150 --> 00:43:22,480

that says

1084

00:43:25,589 --> 00:43:24,160

something like that is not important

1085

00:43:27,270 --> 00:43:25,599

thinks i'll just let it go

1086

00:43:29,190 --> 00:43:27,280

but i won't and i'm gonna have to spend

1087

00:43:30,630 --> 00:43:29,200

two hours after the show downloading it

1088

00:43:33,750 --> 00:43:30,640

and cutting off the first

1089

00:43:34,470 --> 00:43:33,760

section and starting it where the webcam

1090

00:43:36,630 --> 00:43:34,480

was okay

1091

00:43:39,190 --> 00:43:36,640

because people may watch this for years

1092

00:43:42,550 --> 00:43:39,200

and i don't want that on there

1093

00:43:46,069 --> 00:43:42,560

never seen that happen live show friends

1094

00:43:49,910 --> 00:43:46,079

you know warts and all

1095

00:43:51,109 --> 00:43:49,920

that was a big award yeah i'm like oh my

1096

00:43:53,270 --> 00:43:51,119

god what do i do

1097

00:43:55,190 --> 00:43:53,280

that's never happened so like oh i don't

1098

00:43:56,790 --> 00:43:55,200

know

1099

00:43:58,150 --> 00:43:56,800

i should have hit the brake bumper

1100

00:43:59,430 --> 00:43:58,160

that's what i should have did i should

1101

00:44:01,750 --> 00:43:59,440

have hit the brake bumper

1102

00:44:03,270 --> 00:44:01,760

see now i'm thinking of it but it's all

1103

00:44:03,829 --> 00:44:03,280

good everybody understands it's live

1104

00:44:07,190 --> 00:44:03,839

show

1105

00:44:09,270 --> 00:44:07,200

strange things may happen right yeah

1106

00:44:10,870 --> 00:44:09,280

well i think you could start levitating

1107

00:44:12,790 --> 00:44:10,880

you could start levitating because you

1108

00:44:15,430 --> 00:44:12,800

watched his video maybe you learned

1109

00:44:17,829 --> 00:44:15,440

something about your super powers

1110

00:44:19,750 --> 00:44:17,839

can it sarah come on man we could get a

1111

00:44:21,190 --> 00:44:19,760

lot of views if you could just levitate

1112

00:44:24,150 --> 00:44:21,200

for everybody right now

1113

00:44:25,990 --> 00:44:24,160

you know that would really help my

1114

00:44:29,270 --> 00:44:26,000

channel

1115

00:44:32,069 --> 00:44:29,280

pretty good by the way everybody please

1116

00:44:34,390 --> 00:44:32,079

uh i always forget please remember like

1117

00:44:36,550 --> 00:44:34,400

comment and share these videos it really

1118

00:44:38,309 --> 00:44:36,560

does help us other than that

1119

00:44:39,829 --> 00:44:38,319

yeah you could throw money at me there's

1120

00:44:42,710 --> 00:44:39,839

super chats patreon

1121

00:44:44,550 --> 00:44:42,720

and uh paypal donate but yeah you need

1122

00:44:48,069 --> 00:44:44,560

to praise the cash you know

1123

00:44:49,910 --> 00:44:48,079

yes i was so impressed with steve that i

1124

00:44:51,750 --> 00:44:49,920

actually paid steve

1125

00:44:53,190 --> 00:44:51,760

three hundred and thirty three dollars

1126

00:44:55,109 --> 00:44:53,200

to come on his show

1127

00:44:56,630 --> 00:44:55,119

yes that's my new guest fee if you want

1128

00:44:59,510 --> 00:44:56,640

to be a guest on truth seekers it's

1129

00:45:02,069 --> 00:44:59,520

three hundred and thirty three dollars

1130

00:45:03,589 --> 00:45:02,079

and yeah and you gotta and and i'll

1131

00:45:03,990 --> 00:45:03,599

arrange the show so that you have to be

1132

00:45:06,550 --> 00:45:04,000

awake

1133

00:45:07,510 --> 00:45:06,560

at 3 30 in the morning to do it see i'm

1134

00:45:10,069 --> 00:45:07,520

a good host

1135

00:45:11,349 --> 00:45:10,079

i'm such a i'm so bad at this sorry i

1136

00:45:12,150 --> 00:45:11,359

apologize i would have did it in the

1137

00:45:15,270 --> 00:45:12,160

morning here

1138

00:45:17,589 --> 00:45:15,280

no i'm joking i'm joking yeah well next

1139

00:45:19,270 --> 00:45:17,599

if we do it again i'll make sure to look

1140

00:45:20,470 --> 00:45:19,280

at the time zone difference and we'll

1141

00:45:21,990 --> 00:45:20,480

figure out a time that wouldn't be

1142

00:45:23,829 --> 00:45:22,000

terrible for both of us

1143

00:45:25,030 --> 00:45:23,839

instead of making you stay awake until

1144

00:45:31,109 --> 00:45:25,040

you know

1145

00:45:35,910 --> 00:45:32,790

in the morning yeah can go and listen to

1146

00:45:40,069 --> 00:45:38,309

but no it was really good fun as i said

1147

00:45:41,829 --> 00:45:40,079

i'm normally a bit nervous about being

1148

00:45:43,349 --> 00:45:41,839

on camera but i've really enjoyed it

1149

00:45:44,950 --> 00:45:43,359

it's been really good

1150

00:45:46,790 --> 00:45:44,960

yeah well listen i know that you felt

1151

00:45:48,550 --> 00:45:46,800

nervous and i was like listen

1152

00:45:50,550 --> 00:45:48,560

you don't have to be nervous sarah

1153

00:45:51,349 --> 00:45:50,560

because this is the bottom of the

1154

00:45:53,750 --> 00:45:51,359

internet

1155

00:45:56,069 --> 00:45:53,760

shows like you're in the gutter here in

1156

00:45:58,230 --> 00:45:56,079

the united states being on my show

1157

00:46:02,470 --> 00:45:58,240

there's nowhere to go but up from here

1158

00:46:02,480 --> 00:46:06,710

okay okay

1159

00:46:10,069 --> 00:46:08,870

yeah i apologize so we'll we're gonna

1160

00:46:12,630 --> 00:46:10,079

wrap things up

1161

00:46:15,910 --> 00:46:12,640

at least for you let you get some rest

1162

00:46:19,829 --> 00:46:17,829

i i appreciate you doing this with me

1163

00:46:22,950 --> 00:46:19,839

after all you did send me the video

1164

00:46:29,990 --> 00:46:22,960

right i didn't yes

1165

00:46:34,790 --> 00:46:32,870

i don't know what can i say about uh

1166

00:46:35,349 --> 00:46:34,800

about david wilcox new sales pitch

1167

00:46:38,069 --> 00:46:35,359

except

1168

00:46:39,990 --> 00:46:38,079

i can't believe that that's that he

1169

00:46:43,589 --> 00:46:40,000

thinks it's okay to promise people super

1170

00:46:46,390 --> 00:46:43,599

powers if you take his 333 dollar course

1171

00:46:47,109 --> 00:46:46,400

this is just crazy to me you know like i

1172

00:46:51,510 --> 00:46:47,119

can't

1173

00:46:55,430 --> 00:46:51,520

just waiting for

1174

00:46:58,870 --> 00:46:55,440

uh i'm gonna bring her back in yeah

1175

00:47:02,150 --> 00:46:58,880

there we go there we go there's sarah

1176

00:47:03,990 --> 00:47:02,160

okay sorry i have to disappear

1177

00:47:05,190 --> 00:47:04,000

no no it's quite all right maybe you got

1178

00:47:08,829 --> 00:47:05,200

your news maybe that's one of the

1179

00:47:11,510 --> 00:47:08,839

superpowers david wilcock didn't mention

1180

00:47:13,190 --> 00:47:11,520

right i was saying i can't believe that

1181

00:47:15,589 --> 00:47:13,200

he's promising people's superpowers if

1182

00:47:17,750 --> 00:47:15,599

you pay for his course this is crazy

1183

00:47:18,630 --> 00:47:17,760

how does he how's how does he think

1184

00:47:21,349 --> 00:47:18,640

that's okay

1185

00:47:22,870 --> 00:47:21,359

from a legal perspective at least right

1186

00:47:24,230 --> 00:47:22,880

that's crazy

1187

00:47:25,829 --> 00:47:24,240

there better be a whole lot of people

1188

00:47:26,870 --> 00:47:25,839

with superpowers after they take this

1189

00:47:30,790 --> 00:47:26,880

course

1190

00:47:32,549 --> 00:47:30,800

right he's promising them

1191

00:47:34,790 --> 00:47:32,559

all right well i'm gonna let you get out

1192

00:47:35,990 --> 00:47:34,800

of here i appreciate your time and your

1193

00:47:39,670 --> 00:47:36,000

energy very much

1194

00:47:42,470 --> 00:47:39,680

and your contribution and uh and i uh

1195

00:47:44,150 --> 00:47:42,480

um again people should uh just just

1196

00:47:47,510 --> 00:47:44,160

search for no ordinary life 7

1197

00:47:50,950 --> 00:47:47,520

on youtube and check out her videos uh

1198

00:47:53,589 --> 00:47:50,960

they always crack me up so

1199

00:47:54,870 --> 00:47:53,599

please do give her some some love nice

1200

00:47:56,630 --> 00:47:54,880

passion

1201
00:47:58,150 --> 00:47:56,640
okay thank you very much now when i

1202
00:47:59,430 --> 00:47:58,160
throw you out you could just turn your

1203
00:48:00,309 --> 00:47:59,440
computer off you don't need to do

1204
00:48:03,030 --> 00:48:00,319
anything

1205
00:48:04,710 --> 00:48:03,040
just so you know or whatever you know

1206
00:48:07,349 --> 00:48:04,720
you don't have to do anything else

1207
00:48:09,510 --> 00:48:07,359
so thank you very much to my guest sarah

1208
00:48:12,549 --> 00:48:09,520
i appreciate it very much

1209
00:48:14,549 --> 00:48:12,559
uh this was fun see this is the kind of

1210
00:48:15,829 --> 00:48:14,559
fun that i want to get back to i just

1211
00:48:18,549 --> 00:48:15,839
want to go

1212
00:48:20,549 --> 00:48:18,559
and do a show with a friend and it's

1213
00:48:23,109 --> 00:48:20,559

really like a conversation between two

1214

00:48:25,670 --> 00:48:23,119

friends and people get to join in

1215

00:48:26,870 --> 00:48:25,680

and and take part in the conversation as

1216

00:48:29,270 --> 00:48:26,880

well

1217

00:48:30,549 --> 00:48:29,280

we don't always have to be so incredibly

1218

00:48:35,430 --> 00:48:30,559

structured and

1219

00:48:38,230 --> 00:48:35,440

scripted here genocide says

1220

00:48:38,950 --> 00:48:38,240

when i get the superpowers which i will

1221

00:48:40,950 --> 00:48:38,960

of course

1222

00:48:42,069 --> 00:48:40,960

i'll use them for the greater good i

1223

00:48:43,670 --> 00:48:42,079

hope that you do

1224

00:48:45,510 --> 00:48:43,680

we don't want you using your we don't

1225

00:48:47,990 --> 00:48:45,520

want you becoming a super villain

1226

00:48:51,109 --> 00:48:48,000

joan aside okay you got to be a hero not

1227

00:48:54,710 --> 00:48:52,870

imagine if david wilcock is right and

1228

00:48:55,109 --> 00:48:54,720

all these people got super powers like

1229

00:48:58,390 --> 00:48:55,119

that

1230

00:49:01,510 --> 00:48:59,910

maybe some of them will become super

1231

00:49:03,990 --> 00:49:01,520

villains right

1232

00:49:05,349 --> 00:49:04,000

did this guy just like read too much

1233

00:49:10,150 --> 00:49:05,359

comic books or something

1234

00:49:12,470 --> 00:49:10,160

i don't understand i i don't understand

1235

00:49:15,109 --> 00:49:12,480

and i promise you're gonna get super

1236

00:49:17,910 --> 00:49:15,119

powers if by your course

1237

00:49:18,230 --> 00:49:17,920

with a straight face right if anybody

1238

00:49:21,109 --> 00:49:18,240

look

1239

00:49:22,950 --> 00:49:21,119

if this works for david wilcock who

1240

00:49:25,589 --> 00:49:22,960

knows maybe it'll work for me

1241

00:49:27,910 --> 00:49:25,599

right would you like to learn to fly

1242

00:49:30,630 --> 00:49:27,920

take my new course

1243

00:49:32,549 --> 00:49:30,640

i can't i just i can't wrap my brain

1244

00:49:33,990 --> 00:49:32,559

around how he can with a straight face

1245

00:49:35,670 --> 00:49:34,000

promise people that they're going to get

1246

00:49:38,870 --> 00:49:35,680

superpowers

1247

00:49:39,510 --> 00:49:38,880

and not think that that's like a little

1248

00:49:42,069 --> 00:49:39,520

too much

1249

00:49:42,790 --> 00:49:42,079

right it's like he went on the woo scale

1250

00:49:45,109 --> 00:49:42,800

it's like

1251

00:49:45,910 --> 00:49:45,119

dude you don't go that full woo and

1252

00:49:49,109 --> 00:49:45,920

promise people

1253

00:49:51,589 --> 00:49:49,119

actual super powers you can't do that

1254

00:49:54,710 --> 00:49:51,599

david wilcock because what happens when

1255

00:49:57,349 --> 00:49:54,720

nobody that takes your 333 dollar course

1256

00:49:58,790 --> 00:49:57,359

gets the superpowers bro what are you

1257

00:50:00,309 --> 00:49:58,800

gonna say then

1258

00:50:03,589 --> 00:50:00,319

i can't wait to see all these people

1259

00:50:06,069 --> 00:50:03,599

with superpowers uh by the way

1260

00:50:07,670 --> 00:50:06,079

i have an open invitation anybody that

1261

00:50:09,750 --> 00:50:07,680

takes david wilcox course that wants to

1262

00:50:11,910 --> 00:50:09,760

come on my show and talk about it

1263

00:50:13,430 --> 00:50:11,920

and maybe show us your super powers you

1264

00:50:16,710 --> 00:50:13,440

have an open invitation

1265

00:50:17,349 --> 00:50:16,720

the door is is definitely open the door

1266

00:50:20,069 --> 00:50:17,359

is definitely

1267

00:50:21,030 --> 00:50:20,079

open if you took david wilcox course

1268

00:50:24,069 --> 00:50:21,040

especially

1269

00:50:26,150 --> 00:50:24,079

if he got some super powers like he's

1270

00:50:28,870 --> 00:50:26,160

promising then come on my show

1271

00:50:30,309 --> 00:50:28,880

and show everybody your super powers now

1272

00:50:31,910 --> 00:50:30,319

we'll take some comments and questions

1273

00:50:35,190 --> 00:50:31,920

from the live chat

1274

00:50:37,030 --> 00:50:35,200

um professor wilcox and the w

1275

00:50:39,990 --> 00:50:37,040

men it just doesn't have the same ring

1276

00:50:41,990 --> 00:50:40,000

as professor a xavier and the x-men

1277

00:50:43,430 --> 00:50:42,000

you know moody mogul my my youngest

1278

00:50:46,230 --> 00:50:43,440

son's name is xavier

1279

00:50:46,710 --> 00:50:46,240

and uh i've just always liked that name

1280

00:50:48,549 --> 00:50:46,720

too

1281

00:50:50,710 --> 00:50:48,559

but i'm pretty sure i named him after

1282

00:50:52,390 --> 00:50:50,720

professor xavier

1283

00:50:53,990 --> 00:50:52,400

don't tell my wife she she liked the

1284

00:50:57,109 --> 00:50:54,000

name xavier too because it was

1285

00:50:59,109 --> 00:50:57,119

like a very uncommon name you know

1286

00:51:01,829 --> 00:50:59,119

a lot of john's a lot of mikes a lot of

1287

00:51:07,670 --> 00:51:01,839

steve's just not a lot of xaviers

1288

00:51:11,670 --> 00:51:09,750

aj once now has started selling

1289

00:51:14,069 --> 00:51:11,680

billboard space on his forehead

1290

00:51:15,670 --> 00:51:14,079

the opinions expressed in the live chat

1291

00:51:18,470 --> 00:51:15,680

are not necessarily those

1292

00:51:21,349 --> 00:51:18,480

of uh two seekers or spectral

1293

00:51:27,670 --> 00:51:21,359

international llc

1294

00:51:31,109 --> 00:51:29,670

the only superpower david showed us is

1295

00:51:34,230 --> 00:51:31,119

his power teeth

1296

00:51:35,829 --> 00:51:34,240

whitening i don't know yeah

1297

00:51:37,750 --> 00:51:35,839

guys i try to stay away from his

1298

00:51:40,309 --> 00:51:37,760

appearance because i'd really just

1299

00:51:47,109 --> 00:51:40,319

prefer to talk about the

1300

00:51:50,150 --> 00:51:47,119

content of the speech speeches that he

1301

00:51:52,150 --> 00:51:50,160

is making and how ridiculous it is um

1302

00:51:54,230 --> 00:51:52,160

going to his appearance is kind of you

1303

00:51:56,870 --> 00:51:54,240

know it's too easy

1304

00:52:01,349 --> 00:51:56,880

honestly glad to make fun of there but i

1305

00:52:06,309 --> 00:52:04,470

matt is here with a kind word world

1306

00:52:08,230 --> 00:52:06,319

peace for everyone please stop

1307

00:52:10,309 --> 00:52:08,240

yeah stop dropping bombs on each other

1308

00:52:14,069 --> 00:52:10,319

hey i absolutely

1309

00:52:16,549 --> 00:52:14,079

i agree with that 100 every day

1310

00:52:18,230 --> 00:52:16,559

you know i say my prayers and one of

1311

00:52:21,829 --> 00:52:18,240

them is for peace

1312

00:52:23,109 --> 00:52:21,839

just peace for all people

1313

00:52:25,190 --> 00:52:23,119

it's a shame what's going on in the

1314

00:52:28,630 --> 00:52:25,200

world

1315

00:52:29,589 --> 00:52:28,640

sharon is here and says xavier is a rock

1316

00:52:31,670 --> 00:52:29,599

star name

1317

00:52:33,589 --> 00:52:31,680

yeah i figured it would be good for him

1318

00:52:35,750 --> 00:52:33,599

if he becomes any kind of a rock star

1319

00:52:37,270 --> 00:52:35,760

rapper or performer he could just be x

1320

00:52:40,950 --> 00:52:37,280

right he'd have like a big x

1321

00:52:44,309 --> 00:52:40,960

belt buckle you know

1322

00:52:46,470 --> 00:52:44,319

i don't know that's funny yeah sixth

1323

00:52:47,750 --> 00:52:46,480

sense posted the disclaimer i just don't

1324

00:52:51,349 --> 00:52:47,760

want to get you know

1325

00:52:53,670 --> 00:52:51,359

in any legal hassles so and also

1326

00:52:56,309 --> 00:52:53,680

youtube is really being strict and i

1327

00:52:59,190 --> 00:52:56,319

don't know what they constitute as

1328

00:53:00,309 --> 00:52:59,200

defaming somebody or being personally

1329

00:53:05,109 --> 00:53:00,319

insulting

1330

00:53:08,950 --> 00:53:05,119

yeah sharon says absolutely

1331

00:53:10,710 --> 00:53:08,960

yeah so uh we can do uh

1332

00:53:12,150 --> 00:53:10,720

we're gonna do a roll call here see if

1333

00:53:15,589 --> 00:53:12,160

we can shout everybody out

1334

00:53:17,910 --> 00:53:15,599

it's roll call time friends uh just to

1335

00:53:20,069 --> 00:53:17,920

acknowledge everybody that showed up for

1336

00:53:22,950 --> 00:53:20,079

participation in the live chat

1337

00:53:24,309 --> 00:53:22,960

this fine sunday evening jolly bridge

1338

00:53:27,510 --> 00:53:24,319

burner is here

1339

00:53:30,710 --> 00:53:27,520

still falling forward is here

1340

00:53:34,309 --> 00:53:30,720

gs gripler is here bozo d clown

1341

00:53:37,589 --> 00:53:34,319

is here charles unleashed is here

1342

00:53:41,109 --> 00:53:37,599

uh the sixth sense is here martin r

1343

00:53:41,990 --> 00:53:41,119

is here gene and rockstar is here f

1344

00:53:47,030 --> 00:53:42,000

graph 72

1345

00:53:50,549 --> 00:53:47,040

is here aj is here out of mind is here

1346

00:53:55,109 --> 00:53:50,559

uh charles unleashed is here

1347

00:54:02,309 --> 00:53:58,630

s alert buddy is here uh the sixth sense

1348

00:54:05,510 --> 00:54:02,319

or six's design is here

1349

00:54:09,349 --> 00:54:05,520

and moody mongol is here pooh's slinger

1350

00:54:12,790 --> 00:54:09,359

is here suno lukelan

1351

00:54:16,309 --> 00:54:12,800

lukian i'm sorry pseudolookian is here

1352

00:54:17,750 --> 00:54:16,319

space academy is here uh yeah i noticed

1353

00:54:19,589 --> 00:54:17,760

we have some friends from sarah's

1354

00:54:21,190 --> 00:54:19,599

channel so if you enjoy sarah's channel

1355

00:54:22,950 --> 00:54:21,200

you might enjoy mine that's why i had

1356

00:54:24,870 --> 00:54:22,960

her too so that some of my

1357

00:54:26,510 --> 00:54:24,880

friends may go over and enjoy some of

1358

00:54:30,870 --> 00:54:26,520

her content

1359

00:54:34,870 --> 00:54:30,880

fcrafft72 is here matt cadet is here

1360

00:54:36,829 --> 00:54:34,880

uh yeah i think we did we get you all

1361

00:54:41,670 --> 00:54:36,839

kill boy

1362

00:54:45,349 --> 00:54:41,680

2100 is here brad gray is here

1363

00:54:47,589 --> 00:54:45,359

aj is here shout out and roll call

1364

00:54:49,109 --> 00:54:47,599

to all of you who uh got the

1365

00:54:51,030 --> 00:54:49,119

notification and showed up

1366

00:54:52,470 --> 00:54:51,040

good for you if you have not please

1367

00:54:55,190 --> 00:54:52,480

smash that like button

1368

00:54:56,069 --> 00:54:55,200

hit the notification bell be informed of

1369

00:55:00,870 --> 00:54:56,079

new

1370

00:55:07,109 --> 00:55:03,990

motivated k9 is here

1371

00:55:07,990 --> 00:55:07,119

sharon is here can we mention bs alert

1372

00:55:12,309 --> 00:55:08,000

buddy

1373

00:55:15,270 --> 00:55:12,319

uh juliette yates is here

1374

00:55:17,750 --> 00:55:15,280

good to see you shout out to juliet

1375

00:55:20,150 --> 00:55:17,760

yates

1376

00:55:21,030 --> 00:55:20,160

yeah so we seem to have a lot of new

1377

00:55:23,190 --> 00:55:21,040

people that

1378

00:55:25,270 --> 00:55:23,200

showed up to the show maybe from uh

1379

00:55:25,990 --> 00:55:25,280

sarah's channel and for that i am very

1380

00:55:29,190 --> 00:55:26,000

thankful

1381

00:55:32,069 --> 00:55:29,200

dan hogan is here dan hogan

1382

00:55:34,470 --> 00:55:32,079

shout out to dan hogan who says uh i

1383

00:55:35,990 --> 00:55:34,480

told wilcock that i would pay the 333

1384

00:55:38,069 --> 00:55:36,000

dollars if you could promise me

1385

00:55:39,829 --> 00:55:38,079

my superpowers would be to walk through

1386

00:55:40,549 --> 00:55:39,839

walls so i could steal pizza from your

1387

00:55:44,150 --> 00:55:40,559

cabin

1388

00:55:45,910 --> 00:55:44,160

no pizza for you this is ongoing feud

1389

00:55:47,589 --> 00:55:45,920

you know in the summer time dan hogan

1390

00:55:48,230 --> 00:55:47,599

may drive up to my cabin and i'm going

1391

00:55:51,030 --> 00:55:48,240

to have

1392

00:55:51,670 --> 00:55:51,040

a pizza feast just to shout him up tired

1393

00:55:54,950 --> 00:55:51,680

of hearing him

1394

00:55:57,750 --> 00:55:54,960

complain about the wood stove pizza

1395

00:56:00,390 --> 00:55:57,760

right oh did i miss a super chat thank

1396

00:56:02,789 --> 00:56:00,400

you genocide how did i miss it

1397

00:56:05,510 --> 00:56:02,799

how did i miss it i must have been busy

1398

00:56:09,589 --> 00:56:05,520

so i apologize one second

1399

00:56:10,710 --> 00:56:09,599

f craft 72 uh i am going to go and see

1400

00:56:13,829 --> 00:56:10,720

if i can't

1401

00:56:16,789 --> 00:56:13,839

find that uh they put all of them

1402

00:56:18,069 --> 00:56:16,799

in in one place in my youtube studio so

1403

00:56:20,710 --> 00:56:18,079

if i do miss one

1404

00:56:21,109 --> 00:56:20,720

thank you for somebody letting me know

1405

00:56:24,150 --> 00:56:21,119

uh

1406

00:56:27,190 --> 00:56:24,160

so that i can correct that we shout

1407

00:56:31,190 --> 00:56:27,200

out every single super chat

1408

00:56:33,990 --> 00:56:31,200

right and today we had one

1409

00:56:35,030 --> 00:56:34,000

for a kind and generous super chat of

1410

00:56:38,230 --> 00:56:35,040

two dollars

1411

00:56:39,670 --> 00:56:38,240

from f graph 72 who says oh praise the

1412

00:56:41,910 --> 00:56:39,680

cash

1413

00:56:42,870 --> 00:56:41,920

f graf 72 thank you for your kindness

1414

00:56:44,789 --> 00:56:42,880

your generosity

1415

00:56:46,950 --> 00:56:44,799

and your support of the show it is much

1416

00:56:47,270 --> 00:56:46,960

appreciated every dollar really does

1417

00:56:50,870 --> 00:56:47,280

help

1418

00:56:52,470 --> 00:56:50,880

keep the ball rolling here and rolling

1419

00:56:54,470 --> 00:56:52,480

it is and i'm so thankful for the

1420

00:56:56,549 --> 00:56:54,480

kindness and generosity and support

1421

00:56:59,349 --> 00:56:56,559

anybody can support the show or a viewer

1422

00:57:00,789 --> 00:56:59,359

supported show so praise the cash praise

1423

00:57:03,910 --> 00:57:00,799

the cash praise the cash

1424

00:57:04,710 --> 00:57:03,920

f graf 72 and thank you for a kind and

1425

00:57:07,430 --> 00:57:04,720

generous

1426
00:57:08,069 --> 00:57:07,440
two dollar super chat donation thank you

1427
00:57:11,430 --> 00:57:08,079
very much

1428
00:57:14,630 --> 00:57:11,440
we uh read

1429
00:57:17,030 --> 00:57:14,640
every single super chat and we thank

1430
00:57:17,829 --> 00:57:17,040
every single super chatter and we

1431
00:57:20,630 --> 00:57:17,839
acknowledge

1432
00:57:26,789 --> 00:57:20,640
and thank every single super sticker

1433
00:57:28,150 --> 00:57:26,799
that is what we do here

1434
00:57:29,589 --> 00:57:28,160
matt says you seem like a cool

1435
00:57:30,069 --> 00:57:29,599
down-to-earth guy steven would love to

1436
00:57:31,270 --> 00:57:30,079
smoke

1437
00:57:33,589 --> 00:57:31,280
with you and have some deep

1438
00:57:34,549 --> 00:57:33,599

conversations that's pretty much what we

1439

00:57:37,349 --> 00:57:34,559

do every night on

1440

00:57:37,990 --> 00:57:37,359

my show here so yeah you are most

1441

00:57:40,470 --> 00:57:38,000

welcome

1442

00:57:41,030 --> 00:57:40,480

friend new friend uh hit that subscribe

1443

00:57:43,349 --> 00:57:41,040

button

1444

00:57:45,109 --> 00:57:43,359

and hit the notification bell so that

1445

00:57:47,910 --> 00:57:45,119

you know about new shows i

1446

00:57:50,870 --> 00:57:47,920

wanted to mention that tomorrow night is

1447

00:57:52,789 --> 00:57:50,880

going to be a great and important show

1448

00:57:54,630 --> 00:57:52,799

because tomorrow night i'm i'm finally

1449

00:57:57,829 --> 00:57:54,640

going to get to talk to

1450

00:57:59,910 --> 00:57:57,839

jeremy mcgowan uh if you know anything

1451

00:58:02,309 --> 00:57:59,920

about ufos you may be familiar with

1452

00:58:05,190 --> 00:58:02,319

jeremy mcgowan who is uh

1453

00:58:06,150 --> 00:58:05,200

sort of a researcher commentator and a

1454

00:58:08,390 --> 00:58:06,160

person of

1455

00:58:10,630 --> 00:58:08,400

with interest in ufos and he has some

1456

00:58:11,670 --> 00:58:10,640

incredibly great hot takes i've really

1457

00:58:15,829 --> 00:58:11,680

enjoyed

1458

00:58:18,069 --> 00:58:15,839

uh listening to this man mr mcgowan who

1459

00:58:19,109 --> 00:58:18,079

basically talks about some of the ufo

1460

00:58:22,150 --> 00:58:19,119

news going on

1461

00:58:25,510 --> 00:58:22,160

and corrects everybody's errors it's

1462

00:58:30,470 --> 00:58:25,520

amazing oh and jonah side there you go

1463

00:58:32,950 --> 00:58:30,480

with a kind and generous 3.33 donation

1464

00:58:33,910 --> 00:58:32,960

and notice that he did 333 just like

1465

00:58:37,030 --> 00:58:33,920

david wilcock

1466

00:58:38,789 --> 00:58:37,040

and he says superpowers yes i'm sorry

1467

00:58:40,470 --> 00:58:38,799

i cannot give you superpowers for three

1468

00:58:43,829 --> 00:58:40,480

dollars and 33 cents

1469

00:58:45,190 --> 00:58:43,839

maybe for 333 dollars right maybe i

1470

00:58:47,270 --> 00:58:45,200

could like

1471

00:58:49,109 --> 00:58:47,280

i could pay david wilcock to teach me

1472

00:58:50,950 --> 00:58:49,119

how to teach people how to unlock their

1473

00:58:53,109 --> 00:58:50,960

superpowers and then i could do it too

1474

00:58:57,589 --> 00:58:53,119

for 333.

1475

00:59:01,510 --> 00:59:00,470

yo man you got another canadian friend

1476

00:59:03,910 --> 00:59:01,520

yeah good i'm

1477

00:59:05,829 --> 00:59:03,920

glad to see that there are we are we got

1478

00:59:06,150 --> 00:59:05,839

a lot of canadian the channel to martin

1479

00:59:24,630 --> 00:59:06,160

r

1480

00:59:27,030 --> 00:59:24,640

the

1481

00:59:28,150 --> 00:59:27,040

very beginning since before this show

1482

00:59:31,030 --> 00:59:28,160

began i think he

1483

00:59:33,990 --> 00:59:31,040

uh was listening in on the midnight hour

1484

00:59:35,589 --> 00:59:34,000

show when i did an audio podcast and by

1485

00:59:37,829 --> 00:59:35,599

the way

1486

00:59:38,870 --> 00:59:37,839

next week we begin truth seekers will be

1487

00:59:41,910 --> 00:59:38,880

on multiple

1488

00:59:43,430 --> 00:59:41,920

podcast networks i've been busily

1489

00:59:45,990 --> 00:59:43,440

working behind the scenes

1490

00:59:48,069 --> 00:59:46,000

uh you asked for it you're getting it

1491

00:59:52,069 --> 00:59:48,079

rogue status is here and says this show

1492

00:59:55,270 --> 00:59:52,079

sucks okay

1493

00:59:57,190 --> 00:59:55,280

thanks bro a way to support me yeah way

1494

01:00:01,030 --> 00:59:57,200

to support me

1495

01:00:03,270 --> 01:00:01,040

oh boy what do i do

1496

01:00:04,630 --> 01:00:03,280

yeah rogue status is like from philly

1497

01:00:06,870 --> 01:00:04,640

though and see

1498

01:00:08,630 --> 01:00:06,880

for those that don't know philly boys

1499

01:00:12,150 --> 01:00:08,640

are rough and tumble

1500

01:00:14,630 --> 01:00:12,160

and we express uh we express

1501

01:00:15,349 --> 01:00:14,640

affection for each other by busting

1502

01:00:18,470 --> 01:00:15,359

balls

1503

01:00:20,390 --> 01:00:18,480

right so like he might come into my show

1504

01:00:21,270 --> 01:00:20,400

and say this show sucks and i might look

1505

01:00:24,309 --> 01:00:21,280

at his car

1506

01:00:25,510 --> 01:00:24,319

and go boy what a rock star car when

1507

01:00:27,750 --> 01:00:25,520

he's got a jalopy

1508

01:00:29,829 --> 01:00:27,760

you know like we bus balls that's what

1509

01:00:30,470 --> 01:00:29,839

we do so i won't take it personal i'll

1510

01:00:32,549 --> 01:00:30,480

know that's

1511

01:00:34,870 --> 01:00:32,559

i'll take that as from a philly boy

1512

01:00:38,230 --> 01:00:34,880

that's an expression of affection

1513

01:00:40,549 --> 01:00:38,240

that's the way we do it we bust balls

1514

01:00:42,390 --> 01:00:40,559

yeah he said busting balls homie exactly

1515

01:00:43,030 --> 01:00:42,400

i just want to explain to people because

1516

01:00:44,630 --> 01:00:43,040

like

1517

01:00:46,470 --> 01:00:44,640

some people might not know that you're

1518

01:00:48,789 --> 01:00:46,480

kidding and be like who's this guy

1519

01:00:49,589 --> 01:00:48,799

who's just clown saying steve show sucks

1520

01:00:53,349 --> 01:00:49,599

and get all

1521

01:01:00,150 --> 01:00:56,630

yeah i'm not offended

1522

01:01:03,270 --> 01:01:00,160

i uh i i understand it for what it is

1523

01:01:06,789 --> 01:01:03,280

knowing that rogue status is uh uh is

1524

01:01:08,870 --> 01:01:06,799

is a philly boy spooky says rogue is

1525

01:01:12,470 --> 01:01:08,880

wilcock confirmed could be

1526

01:01:14,069 --> 01:01:12,480

and we can check it's good to know that

1527

01:01:16,309 --> 01:01:14,079

i can always go to

1528

01:01:18,150 --> 01:01:16,319

youtube studio if i miss a super chat

1529

01:01:18,870 --> 01:01:18,160

and i want to remind the moderators that

1530

01:01:21,190 --> 01:01:18,880

if i do

1531

01:01:21,910 --> 01:01:21,200

miss the super any super chat even one

1532

01:01:23,510 --> 01:01:21,920

let me know

1533

01:01:26,630 --> 01:01:23,520

in the live chat that i missed it and i

1534

01:01:28,950 --> 01:01:26,640

can go to youtube studio and find it and

1535

01:01:29,990 --> 01:01:28,960

shout it out we shout out every single

1536

01:01:33,430 --> 01:01:30,000

super chat

1537

01:01:35,030 --> 01:01:33,440

stickers everybody

1538

01:01:36,390 --> 01:01:35,040

and i want to thank take a moment to

1539

01:01:38,870 --> 01:01:36,400

thank the kindness generosity and

1540

01:01:40,950 --> 01:01:38,880

support of our patreon supporters and

1541

01:01:42,549 --> 01:01:40,960

paypal donators there's buttons in the

1542

01:01:49,030 --> 01:01:42,559

about section

1543

01:01:52,150 --> 01:01:50,630

terry joyce investigate says she's

1544

01:01:54,470 --> 01:01:52,160

waiting for someone to bust her

1545

01:01:56,069 --> 01:01:54,480

balls i didn't know you have balls but

1546

01:01:59,349 --> 01:01:56,079

that explains a lot about you

1547

01:02:00,390 --> 01:01:59,359

terry joyce wow it explains a lot of

1548

01:02:06,470 --> 01:02:00,400

things a lot of

1549

01:02:09,670 --> 01:02:06,480

you know kind of questions about stuff

1550

01:02:11,829 --> 01:02:09,680

terry joyce has balls just

1551
01:02:13,029 --> 01:02:11,839
now i have a mental image of you with

1552
01:02:16,870 --> 01:02:13,039
balls in my

1553
01:02:18,950 --> 01:02:16,880
you

1554
01:02:19,990 --> 01:02:18,960
how am i gonna get a mental image of

1555
01:02:25,190 --> 01:02:20,000
terry joyce's

1556
01:02:29,029 --> 01:02:27,670
oh yeah and sarah's in the live chat

1557
01:02:30,710 --> 01:02:29,039
saying thank you for having me really

1558
01:02:32,390 --> 01:02:30,720
enjoyed it night stephen campion yeah

1559
01:02:35,109 --> 01:02:32,400
i'm so sorry for keeping

1560
01:02:36,789 --> 01:02:35,119
her up until 3 45 in the morning or

1561
01:02:38,150 --> 01:02:36,799
whatever it is there i totally forgot

1562
01:02:39,270 --> 01:02:38,160
about the time difference and she didn't

1563
01:02:41,829 --> 01:02:39,280

want to say no

1564

01:02:43,670 --> 01:02:41,839

she should have messaged me and said i'm

1565

01:02:45,510 --> 01:02:43,680

sorry but do you realize that the time

1566

01:02:47,270 --> 01:02:45,520

difference it's going to be 4 a.m when i

1567

01:02:49,510 --> 01:02:47,280

have to do this or whatever

1568

01:02:51,510 --> 01:02:49,520

but she's such a nice lady that she just

1569

01:02:53,589 --> 01:02:51,520

did it she did you know

1570

01:02:55,670 --> 01:02:53,599

what i am very blessed with good guests

1571

01:02:58,710 --> 01:02:55,680

uh so tomorrow we're gonna have

1572

01:02:59,430 --> 01:02:58,720

uh jeremy mcgowan on the ufo report it's

1573

01:03:02,630 --> 01:02:59,440

9 p.m

1574

01:03:06,309 --> 01:03:02,640

eastern standard time do not miss that

1575

01:03:09,829 --> 01:03:06,319

it's going to be good i think we

1576

01:03:12,150 --> 01:03:09,839

jeremy uh you know has some excellent

1577

01:03:14,630 --> 01:03:12,160

explanations for some of the ufo topics

1578

01:03:17,270 --> 01:03:14,640

and things that people are talking about

1579

01:03:18,789 --> 01:03:17,280

and i am very uh i'm i'm pleased and

1580

01:03:20,150 --> 01:03:18,799

delighted to get to

1581

01:03:22,150 --> 01:03:20,160

pick his brain because i've been

1582

01:03:24,230 --> 01:03:22,160

watching his videos and agreeing with

1583

01:03:25,349 --> 01:03:24,240

most everything he says and he's got

1584

01:03:27,190 --> 01:03:25,359

some great

1585

01:03:28,710 --> 01:03:27,200

information about drones and drone

1586

01:03:30,789 --> 01:03:28,720

technology that i have not heard

1587

01:03:32,470 --> 01:03:30,799

anywhere else and if you're interested

1588

01:03:34,069 --> 01:03:32,480

in ufos

1589

01:03:36,870 --> 01:03:34,079

and listen there's so many people that

1590

01:03:39,029 --> 01:03:36,880

are pushing photos and videos and things

1591

01:03:40,470 --> 01:03:39,039

on the ufo community that may indeed

1592

01:03:43,109 --> 01:03:40,480

just be drones

1593

01:03:44,549 --> 01:03:43,119

we need to know about it and mr mcgowan

1594

01:03:46,390 --> 01:03:44,559

is very knowledgeable on these subjects

1595

01:03:48,390 --> 01:03:46,400

so you really do want to

1596

01:03:50,630 --> 01:03:48,400

join us tomorrow night at 9 00 p.m

1597

01:03:54,069 --> 01:03:50,640

eastern standard time

1598

01:03:56,630 --> 01:03:54,079

yes and you've got six success uh kindly

1599

01:03:59,109 --> 01:03:56,640

sharing what a great uh he's got the mvp

1600

01:04:00,630 --> 01:03:59,119

for moderator always helping the show i

1601

01:04:02,230 --> 01:04:00,640

want to take a moment to thank the sixth

1602

01:04:04,470 --> 01:04:02,240

sense for always being here

1603

01:04:05,990 --> 01:04:04,480

being a chat room moderator and helping

1604

01:04:06,950 --> 01:04:06,000

move the show along and share

1605

01:04:09,829 --> 01:04:06,960

information

1606

01:04:11,990 --> 01:04:09,839

he's got jeremy mcgowan on twitter and

1607

01:04:15,109 --> 01:04:12,000

you can search jeremy d mcgowan

1608

01:04:18,390 --> 01:04:15,119

on youtube and find his youtube channel

1609

01:04:25,270 --> 01:04:18,400

and uh you will enjoy it

1610

01:04:28,390 --> 01:04:26,870

i missed the show tonight but i'll be

1611

01:04:30,230 --> 01:04:28,400

back tomorrow stephen it's quite all

1612

01:04:31,589 --> 01:04:30,240

right karen and shout out to karen rocha

1613

01:04:34,549 --> 01:04:31,599

good to see you here

1614

01:04:35,990 --> 01:04:34,559

jonas sign i agree roo but you've got 50

1615

01:04:39,270 --> 01:04:36,000

black belts and kung fu

1616

01:04:40,549 --> 01:04:39,280

oh no and dan hogan is what happened to

1617

01:04:42,549 --> 01:04:40,559

that guy you interviewed who said he

1618

01:04:43,349 --> 01:04:42,559

took pictures of et's and had like a ufo

1619

01:04:46,630 --> 01:04:43,359

pet worm

1620

01:04:49,349 --> 01:04:46,640

no it was an alien shrimp dan hogan

1621

01:04:51,829 --> 01:04:49,359

he had an alien he had a shrimp from an

1622

01:04:54,630 --> 01:04:51,839

alien planet that the aliens gave him

1623

01:04:55,430 --> 01:04:54,640

okay he had an alien shrimp i don't know

1624

01:04:56,950 --> 01:04:55,440

what happened

1625

01:04:58,630 --> 01:04:56,960

to him last i heard from him he was

1626

01:04:59,990 --> 01:04:58,640

still really trying to sell his book

1627

01:05:01,510 --> 01:05:00,000

full of alien pictures

1628

01:05:03,589 --> 01:05:01,520

that don't include any pictures of

1629

01:05:05,029 --> 01:05:03,599

aliens but i think it's supposed to be

1630

01:05:11,670 --> 01:05:05,039

like artwork

1631

01:05:15,430 --> 01:05:13,670

yeah the i agree 100 percent with you

1632

01:05:16,230 --> 01:05:15,440

the real disclosure rising stars are

1633

01:05:19,270 --> 01:05:16,240

much

1634

01:05:21,829 --> 01:05:19,280

too often ignored yeah there seems to be

1635

01:05:23,510 --> 01:05:21,839

like 10 ufo celebrities to get all the

1636

01:05:25,349 --> 01:05:23,520

mainstream attention and

1637

01:05:26,710 --> 01:05:25,359

you know meanwhile there's hundreds of

1638

01:05:28,789 --> 01:05:26,720

guys in the underground

1639

01:05:31,430 --> 01:05:28,799

that actually have a lot better

1640

01:05:34,390 --> 01:05:31,440

information to share

1641

01:05:35,990 --> 01:05:34,400

that often get ignored uh and not that

1642

01:05:39,029 --> 01:05:36,000

i'm bitter i don't really want to go

1643

01:05:40,950 --> 01:05:39,039

on some of these television shows but i

1644

01:05:44,549 --> 01:05:40,960

what if they asked me i bet you

1645

01:05:46,309 --> 01:05:44,559

i don't know we'll see and you know

1646

01:05:47,990 --> 01:05:46,319

uh i think there's a place at the table

1647

01:05:49,190 --> 01:05:48,000

for all people including me

1648

01:05:50,950 --> 01:05:49,200

somebody's got to take a little more

1649

01:05:51,750 --> 01:05:50,960

skeptical side to some of these things

1650

01:05:55,750 --> 01:05:51,760

and not be so

1651
01:05:58,950 --> 01:05:55,760
easy to just say hey uh you know

1652
01:06:01,029 --> 01:05:58,960
not be so quick to believe in it all

1653
01:06:02,870 --> 01:06:01,039
right and i can't believe the amount of

1654
01:06:04,630 --> 01:06:02,880
garbage that we that we are being that

1655
01:06:05,829 --> 01:06:04,640
ufo people especially are being

1656
01:06:08,309 --> 01:06:05,839
spoon-fed it is

1657
01:06:09,589 --> 01:06:08,319
literal garbage absolutely proves

1658
01:06:11,510 --> 01:06:09,599
nothing

1659
01:06:12,710 --> 01:06:11,520
and all these people are hyping it up

1660
01:06:14,950 --> 01:06:12,720
like it's you know

1661
01:06:16,789 --> 01:06:14,960
absolute proof of alien technology

1662
01:06:18,789 --> 01:06:16,799
visiting our planet no it's not

1663
01:06:21,029 --> 01:06:18,799

no it's not it's nothing it's nothing

1664

01:06:23,270 --> 01:06:21,039

like that

1665

01:06:24,309 --> 01:06:23,280

yeah uh spooky yes when is the roswell

1666

01:06:26,630 --> 01:06:24,319

debate never

1667

01:06:27,589 --> 01:06:26,640

i believe because mr randall will not

1668

01:06:29,829 --> 01:06:27,599

agree to do it

1669

01:06:32,069 --> 01:06:29,839

uh so far i've tried three four

1670

01:06:33,670 --> 01:06:32,079

different times i could try again

1671

01:06:35,510 --> 01:06:33,680

i don't think the roswell debate with

1672

01:06:37,589 --> 01:06:35,520

the panel of everybody on the

1673

01:06:38,549 --> 01:06:37,599

revisiting roswell series is going to

1674

01:06:40,950 --> 01:06:38,559

happen

1675

01:06:41,990 --> 01:06:40,960

but here's what i'm going to do spooky

1676

01:06:43,910 --> 01:06:42,000

i'm making

1677

01:06:45,990 --> 01:06:43,920

several new episodes of revisiting

1678

01:06:47,670 --> 01:06:46,000

roswell with other guests and when we

1679

01:06:49,190 --> 01:06:47,680

finish that run there will be three or

1680

01:06:50,710 --> 01:06:49,200

four new guests in the revisiting

1681

01:06:52,230 --> 01:06:50,720

roswell series

1682

01:06:55,190 --> 01:06:52,240

which we're kind of rebooting and

1683

01:06:57,190 --> 01:06:55,200

starting again once that is completed

1684

01:06:59,109 --> 01:06:57,200

i will invite everyone that was a guest

1685

01:07:00,069 --> 01:06:59,119

on the series to come and do a final

1686

01:07:02,470 --> 01:07:00,079

panel show

1687

01:07:04,069 --> 01:07:02,480

whoever doesn't want to doesn't have to

1688

01:07:05,029 --> 01:07:04,079

but i'm going to do the panel show at

1689

01:07:07,270 --> 01:07:05,039

the end of the thing

1690

01:07:08,950 --> 01:07:07,280

regardless because i think that would be

1691

01:07:11,109 --> 01:07:08,960

really informative to have

1692

01:07:12,390 --> 01:07:11,119

all you know we're going to have

1693

01:07:14,150 --> 01:07:12,400

skeptics there we're going to have

1694

01:07:14,710 --> 01:07:14,160

believers there we're going to have all

1695

01:07:18,150 --> 01:07:14,720

kinds of

1696

01:07:20,150 --> 01:07:18,160

uh different viewpoints and we can share

1697

01:07:21,109 --> 01:07:20,160

it all at once have everybody give their

1698

01:07:24,150 --> 01:07:21,119

best evidence

1699

01:07:26,230 --> 01:07:24,160

in 10 minutes or less or whatever right

1700

01:07:28,630 --> 01:07:26,240

yeah and sharing with the kind and

1701

01:07:30,309 --> 01:07:28,640

generous five dollar super sticker thank

1702

01:07:32,789 --> 01:07:30,319

you very much sharon i appreciate your

1703

01:07:34,870 --> 01:07:32,799

kindness your generosity and support

1704

01:07:36,230 --> 01:07:34,880

every bit helps the show keep the ball

1705

01:07:36,789 --> 01:07:36,240

rolling here that's what i'm trying to

1706

01:07:39,190 --> 01:07:36,799

do

1707

01:07:41,190 --> 01:07:39,200

right and sometimes i feel like that

1708

01:07:43,029 --> 01:07:41,200

ball is rolling downhill and we're

1709

01:07:44,789 --> 01:07:43,039

gaining some momentum and sometimes it

1710

01:07:46,309 --> 01:07:44,799

feels like i'm trying to push a boulder

1711

01:07:48,710 --> 01:07:46,319

up a mountain

1712

01:07:50,150 --> 01:07:48,720

but every time somebody uh is kind or

1713

01:07:52,470 --> 01:07:50,160

generous enough to send a

1714

01:07:53,349 --> 01:07:52,480
super sticker or a super chat or

1715

01:07:56,309 --> 01:07:53,359
whatever

1716

01:07:57,750 --> 01:07:56,319
makes me smile and it makes that boulder

1717

01:08:00,390 --> 01:07:57,760
feel a little

1718

01:08:02,069 --> 01:08:00,400
less heavy so thank you for your

1719

01:08:05,109 --> 01:08:02,079
kindness and your support we are

1720

01:08:06,470 --> 01:08:05,119
viewer supported show friends so that's

1721

01:08:08,870 --> 01:08:06,480
how you show your love

1722

01:08:10,470 --> 01:08:08,880
or uh the other way that you show your

1723

01:08:12,549 --> 01:08:10,480
love and this is equally as

1724

01:08:14,470 --> 01:08:12,559
important is that you like comment

1725

01:08:16,870 --> 01:08:14,480
subscribe and share

1726

01:08:18,550 --> 01:08:16,880

send this video to some friends ask them

1727

01:08:20,390 --> 01:08:18,560

to subscribe to the channel do you know

1728

01:08:22,149 --> 01:08:20,400

anybody that likes this kind of content

1729

01:08:24,149 --> 01:08:22,159

or you think would enjoy it please share

1730

01:08:26,309 --> 01:08:24,159

this stuff on your social media

1731

01:08:27,510 --> 01:08:26,319

we are steadily rising in the search

1732

01:08:31,990 --> 01:08:27,520

engines here

1733

01:08:33,829 --> 01:08:32,000

and 20 some 20 of our views here

1734

01:08:35,110 --> 01:08:33,839

come from people just searching

1735

01:08:38,229 --> 01:08:35,120

something on youtube

1736

01:08:40,390 --> 01:08:38,239

i'd like that to be you know and

1737

01:08:42,550 --> 01:08:40,400

and the more people share or like or

1738

01:08:44,630 --> 01:08:42,560

comment the more engagement we get here

1739

01:08:46,070 --> 01:08:44,640

the higher youtube will raise us in the

1740

01:08:48,470 --> 01:08:46,080

search engine and allow

1741

01:08:50,470 --> 01:08:48,480

more and more people to find us so

1742

01:08:52,630 --> 01:08:50,480

everything like that helps

1743

01:08:54,630 --> 01:08:52,640

smash that like button you can smash the

1744

01:08:55,510 --> 01:08:54,640

dislike button youtube doesn't care

1745

01:08:57,669 --> 01:08:55,520

neither do i

1746

01:08:59,430 --> 01:08:57,679

right i love the people that are

1747

01:09:01,030 --> 01:08:59,440

smashing the dislike button

1748

01:09:02,709 --> 01:09:01,040

just as much as i love the people that

1749

01:09:04,309 --> 01:09:02,719

are smashing the like button

1750

01:09:06,229 --> 01:09:04,319

alright i like the people with the like

1751

01:09:06,630 --> 01:09:06,239

button a little better just a little

1752

01:09:09,829 --> 01:09:06,640

better

1753

01:09:11,749 --> 01:09:09,839

right smashing the dislike button oh and

1754

01:09:12,550 --> 01:09:11,759

we have amateur numbers tonight because

1755

01:09:15,030 --> 01:09:12,560

only one

1756

01:09:15,749 --> 01:09:15,040

down vote tonight before the show is

1757

01:09:17,669 --> 01:09:15,759

even over

1758

01:09:19,590 --> 01:09:17,679

but i'll take it i love you whoever

1759

01:09:22,229 --> 01:09:19,600

downvoted me thank you

1760

01:09:23,269 --> 01:09:22,239

thank you for your kindness uh because

1761

01:09:26,870 --> 01:09:23,279

you're helping me

1762

01:09:29,990 --> 01:09:26,880

raise my uh engagement rate

1763

01:09:32,789 --> 01:09:30,000

right and thank you for for uh

1764

01:09:33,430 --> 01:09:32,799

expressing your dissatisfaction with my

1765

01:09:35,669 --> 01:09:33,440

show

1766

01:09:36,789 --> 01:09:35,679

tonight before it's even finished how do

1767

01:09:38,550 --> 01:09:36,799

you know i'm not going to do some

1768

01:09:40,070 --> 01:09:38,560

amazing stuff you'll love in the last

1769

01:09:43,910 --> 01:09:40,080

two minutes of the show

1770

01:09:45,189 --> 01:09:43,920

you've downvoted me already oh

1771

01:09:47,189 --> 01:09:45,199

but it's all good because you can't

1772

01:09:47,669 --> 01:09:47,199

please all the people all the time and

1773

01:09:49,669 --> 01:09:47,679

uh

1774

01:09:50,709 --> 01:09:49,679

really tonight i just want to have some

1775

01:09:52,550 --> 01:09:50,719

fun with a friend

1776

01:09:53,910 --> 01:09:52,560

and i'm glad i'm so glad that i could

1777

01:09:57,910 --> 01:09:53,920

take you guys

1778

01:10:02,070 --> 01:10:01,189

i gotta tell you uh friends i'm always

1779

01:10:05,830 --> 01:10:02,080

happy

1780

01:10:08,229 --> 01:10:05,840

audience and i want to thank you uh

1781

01:10:09,910 --> 01:10:08,239

for being a part of mine we're gonna i'm

1782

01:10:11,669 --> 01:10:09,920

gonna bounce out of here and call it a

1783

01:10:13,030 --> 01:10:11,679

quick one tonight because i've got a

1784

01:10:15,669 --> 01:10:13,040

bunch of other stuff to do

1785

01:10:17,590 --> 01:10:15,679

to ready i'm getting it ready uh the

1786

01:10:18,630 --> 01:10:17,600

audio podcast which is going to be

1787

01:10:22,229 --> 01:10:18,640

starting

1788

01:10:24,470 --> 01:10:22,239

sometime next week uh transmitting to

1789

01:10:25,750 --> 01:10:24,480

a bunch i'll make an announcement but

1790

01:10:27,750 --> 01:10:25,760

we're going to be on a lot of different

1791

01:10:29,030 --> 01:10:27,760

audio podcasting networks as truth

1792

01:10:31,510 --> 01:10:29,040

seekers so basically

1793

01:10:33,270 --> 01:10:31,520

when we're done with this transition and

1794

01:10:35,350 --> 01:10:33,280

and change

1795

01:10:36,630 --> 01:10:35,360

anywhere you get audio podcast you

1796

01:10:39,750 --> 01:10:36,640

should be able to get

1797

01:10:41,750 --> 01:10:39,760

truth seekers um and and just a word for

1798

01:10:43,430 --> 01:10:41,760

the people that were concerned that

1799

01:10:44,790 --> 01:10:43,440

something's gonna change something

1800

01:10:47,030 --> 01:10:44,800

here's going to change no

1801
01:10:48,870 --> 01:10:47,040
we're just taking the audio from the

1802
01:10:51,270 --> 01:10:48,880
show here that you've come

1803
01:10:53,030 --> 01:10:51,280
become used to the video show but we're

1804
01:10:54,950 --> 01:10:53,040
taking the audio and putting it in audio

1805
01:10:56,070 --> 01:10:54,960
podcast land with a few changes and

1806
01:10:58,229 --> 01:10:56,080
additions

1807
01:10:59,990 --> 01:10:58,239
but for all intents and purposes this

1808
01:11:01,430 --> 01:11:00,000
show that you've come to know and love

1809
01:11:03,750 --> 01:11:01,440
will not change

1810
01:11:04,709 --> 01:11:03,760
this is a good thing actually it simply

1811
01:11:06,149 --> 01:11:04,719
means that

1812
01:11:07,510 --> 01:11:06,159
if you're somewhere and you can't watch

1813
01:11:09,350 --> 01:11:07,520

a video or you don't want to watch a

1814

01:11:10,550 --> 01:11:09,360

video you simply want to listen to the

1815

01:11:12,390 --> 01:11:10,560

show to see what we're

1816

01:11:15,350 --> 01:11:12,400

talking about or what's going on you can

1817

01:11:18,709 --> 01:11:15,360

tune into almost any podcast network

1818

01:11:20,550 --> 01:11:18,719

uh and just listen uh you know i've

1819

01:11:24,550 --> 01:11:20,560

heard a lot of people

1820

01:11:28,070 --> 01:11:24,560

uh i've heard that a lot of

1821

01:11:31,830 --> 01:11:30,229

can't hear the christian strippers won't

1822

01:11:35,350 --> 01:11:31,840

listen sorry not sorry

1823

01:11:39,189 --> 01:11:37,750

you can't hear the strippers you know

1824

01:11:40,070 --> 01:11:39,199

what maybe i'll get somebody to just

1825

01:11:42,310 --> 01:11:40,080

describe

1826

01:11:43,189 --> 01:11:42,320

this dancing strippers to the people in

1827

01:11:46,070 --> 01:11:43,199

audio land

1828

01:11:47,510 --> 01:11:46,080

yeah that's the one downside to moving

1829

01:11:49,189 --> 01:11:47,520

the show to also be

1830

01:11:50,870 --> 01:11:49,199

in the format of an audio podcast i'm

1831

01:11:52,950 --> 01:11:50,880

gonna have to remember that people can't

1832

01:11:53,510 --> 01:11:52,960

see the site gags that we're doing or

1833

01:11:57,430 --> 01:11:53,520

the

1834

01:11:59,189 --> 01:11:57,440

most part it'll translate fine into an

1835

01:12:02,310 --> 01:11:59,199

audio format as well

1836

01:12:07,750 --> 01:12:05,110

we need more strippers with balls oh

1837

01:12:10,790 --> 01:12:07,760

jeez kill boy

1838

01:12:13,270 --> 01:12:10,800

i listen i say i hear my audience and i

1839

01:12:15,510 --> 01:12:13,280

do what they want but sometimes

1840

01:12:16,550 --> 01:12:15,520

sometimes an audience member will ask

1841

01:12:18,709 --> 01:12:16,560

something that's just

1842

01:12:20,950 --> 01:12:18,719

a little too much okay we're trying to

1843

01:12:23,430 --> 01:12:20,960

stay monetized here kill boy

1844

01:12:25,830 --> 01:12:23,440

i'm not sure how i would do that

1845

01:12:26,390 --> 01:12:25,840

jonasson says clown dancers now that i

1846

01:12:30,070 --> 01:12:26,400

can do

1847

01:12:32,790 --> 01:12:30,080

and yes genocide is getting his slides

1848

01:12:33,430 --> 01:12:32,800

i'm so mad at jonas i love you brother i

1849

01:12:37,350 --> 01:12:33,440

love you

1850

01:12:39,350 --> 01:12:37,360

genocide really but i'm mad at you

1851

01:12:41,030 --> 01:12:39,360

because i had to spend a good portion of

1852

01:12:41,830 --> 01:12:41,040

my weekend trying to figure out how to

1853

01:12:44,229 --> 01:12:41,840

make and

1854

01:12:45,669 --> 01:12:44,239

share slides on my show because you

1855

01:12:49,510 --> 01:12:45,679

won't

1856

01:12:52,310 --> 01:12:49,520

you will not stop asking for slides

1857

01:12:54,070 --> 01:12:52,320

right i don't know if you think genocide

1858

01:12:57,110 --> 01:12:54,080

thinks i'm like the anti

1859

01:12:58,870 --> 01:12:57,120

david wilcock right or like you know you

1860

01:13:01,350 --> 01:12:58,880

know like the negative world

1861

01:13:03,350 --> 01:13:01,360

you know like uh maybe i'm the the

1862

01:13:04,950 --> 01:13:03,360

version of david wilcock from the dark

1863

01:13:06,630 --> 01:13:04,960

world right and he's from the light

1864

01:13:08,950 --> 01:13:06,640

world i don't know like

1865

01:13:10,149 --> 01:13:08,960

genocide wants me to have multiple

1866

01:13:13,110 --> 01:13:10,159

camera angles

1867

01:13:13,830 --> 01:13:13,120

like mr wilcock he wants me he he is

1868

01:13:16,709 --> 01:13:13,840

intent

1869

01:13:18,550 --> 01:13:16,719

i gotta have slides why because david

1870

01:13:20,790 --> 01:13:18,560

wilcock has slides

1871

01:13:22,950 --> 01:13:20,800

right but i heard him and i'm gonna

1872

01:13:25,110 --> 01:13:22,960

start using some slides because

1873

01:13:25,990 --> 01:13:25,120

he's a good supporter of the show and we

1874

01:13:29,030 --> 01:13:26,000

hear and

1875

01:13:31,590 --> 01:13:29,040

listen right we hear you

1876

01:13:32,070 --> 01:13:31,600

and we listen to you i'm very excited

1877

01:13:34,390 --> 01:13:32,080

because

1878

01:13:35,750 --> 01:13:34,400

uh i think in the next day or two my

1879

01:13:38,070 --> 01:13:35,760

dancing monkey

1880

01:13:40,070 --> 01:13:38,080

will arrive and every time somebody

1881

01:13:41,910 --> 01:13:40,080

sends a super chat to innovation i'm

1882

01:13:43,910 --> 01:13:41,920

going to make a monkey dance why

1883

01:13:45,590 --> 01:13:43,920

i don't know it's kind of ridiculous but

1884

01:13:47,669 --> 01:13:45,600

it's fun and it's funny

1885

01:13:49,189 --> 01:13:47,679

and there's uh a certain bit of

1886

01:13:51,510 --> 01:13:49,199

interaction there

1887

01:13:53,110 --> 01:13:51,520

right that i think that people will

1888

01:13:54,790 --> 01:13:53,120

enjoy right like you can send me a

1889

01:13:56,149 --> 01:13:54,800

dollar in the dance and the monkey will

1890

01:13:59,430 --> 01:13:56,159

start dancing

1891

01:14:01,669 --> 01:13:59,440

yeah that's what i think i'm gonna do

1892

01:14:04,229 --> 01:14:01,679

um yeah so next week is going to be a

1893

01:14:06,149 --> 01:14:04,239

lot of changes but most of them for you

1894

01:14:08,070 --> 01:14:06,159

guys will be seamless but it's going to

1895

01:14:08,470 --> 01:14:08,080

be just a lot of extra work for me we're

1896

01:14:10,310 --> 01:14:08,480

also

1897

01:14:12,550 --> 01:14:10,320

working on this youtube membership thing

1898

01:14:14,070 --> 01:14:12,560

i've got to make a welcome video for the

1899

01:14:15,669 --> 01:14:14,080

youtube memberships and a few other

1900

01:14:17,510 --> 01:14:15,679

things but next week i think both

1901
01:14:19,430 --> 01:14:17,520
should be online i'm working really hard

1902
01:14:22,709 --> 01:14:19,440
to expand the show here

1903
01:14:23,910 --> 01:14:22,719
uh that's going to be my focus going

1904
01:14:26,950 --> 01:14:23,920
forward for the next month

1905
01:14:28,870 --> 01:14:26,960
uh first of all more shows second of all

1906
01:14:30,709 --> 01:14:28,880
more distribution points to accept the

1907
01:14:33,750 --> 01:14:30,719
shows including this new odd

1908
01:14:35,750 --> 01:14:33,760
audio version of the show and uh maybe

1909
01:14:36,950 --> 01:14:35,760
some new streaming locations and the

1910
01:14:38,790 --> 01:14:36,960
youtube memberships

1911
01:14:39,990 --> 01:14:38,800
it's a tall order that's a lot of stuff

1912
01:14:42,630 --> 01:14:40,000
to try to

1913
01:14:44,390 --> 01:14:42,640

you know try to deal with but i think

1914

01:14:45,270 --> 01:14:44,400

it's important to continue growing the

1915

01:14:47,669 --> 01:14:45,280

show

1916

01:14:49,430 --> 01:14:47,679

and i'm a big believer in that saying

1917

01:14:52,070 --> 01:14:49,440

from the art of war

1918

01:14:52,870 --> 01:14:52,080

which is opportunities multiply as they

1919

01:14:54,630 --> 01:14:52,880

are seized

1920

01:14:56,390 --> 01:14:54,640

and i'm out here trying to seize every

1921

01:14:57,669 --> 01:14:56,400

opportunity to make the show successful

1922

01:14:58,070 --> 01:14:57,679

i want to thank each and every one of

1923

01:15:00,870 --> 01:14:58,080

you

1924

01:15:01,270 --> 01:15:00,880

who've been with me so far uh who have

1925

01:15:03,189 --> 01:15:01,280

uh

1926

01:15:04,310 --> 01:15:03,199

supported the show in one form or

1927

01:15:07,110 --> 01:15:04,320

another it's not just

1928

01:15:08,950 --> 01:15:07,120

me celebrating this success it's all of

1929

01:15:10,149 --> 01:15:08,960

us because certainly you guys all played

1930

01:15:13,270 --> 01:15:10,159

a huge part

1931

01:15:15,430 --> 01:15:13,280

in making this thing work right

1932

01:15:16,470 --> 01:15:15,440

and spreading it and getting us more

1933

01:15:18,709 --> 01:15:16,480

subscribers

1934

01:15:20,390 --> 01:15:18,719

and getting us some gear or equipment or

1935

01:15:22,870 --> 01:15:20,400

anything we needed there was somebody

1936

01:15:25,990 --> 01:15:22,880

there to help me and i got to tell you

1937

01:15:27,750 --> 01:15:26,000

it it restores my faith in humanity to

1938

01:15:32,229 --> 01:15:27,760

know there's good people

1939

01:15:33,590 --> 01:15:32,239

out there willing to help a brother out

1940

01:15:35,189 --> 01:15:33,600

so i'm always happy when there's an

1941

01:15:36,630 --> 01:15:35,199

audience thank you guys so much for

1942

01:15:37,030 --> 01:15:36,640

coming here tonight and being a part of

1943

01:15:38,790 --> 01:15:37,040

mine

1944

01:15:40,870 --> 01:15:38,800

and i want to thank sarah for coming

1945

01:15:43,510 --> 01:15:40,880

here and just enjoying

1946

01:15:44,470 --> 01:15:43,520

having a good time and maybe a little a

1947

01:15:47,590 --> 01:15:44,480

few laughs

1948

01:15:49,110 --> 01:15:47,600

uh over this david wilcox sales pitch

1949

01:15:50,870 --> 01:15:49,120

until next time friends my name is

1950

01:15:53,350 --> 01:15:50,880

stephen king champion

1951

01:16:32,830 --> 01:15:53,360

good night and god bless all of you even

1952

01:21:12,830 --> 01:16:46,830

so

1953

01:21:19,510 --> 01:21:15,030

contemplation brewing

1954

01:22:08,830 --> 01:21:42,709

that might be better off just is

1955

01:22:08,840 --> 01:22:22,830

is

1956

01:22:22,840 --> 01:22:36,830

slightly

1957

01:22:36,840 --> 01:22:50,830

love

1958

01:22:50,840 --> 01:24:42,830

is

1959

01:25:10,830 --> 01:24:56,830

so

1960

01:25:10,840 --> 01:25:14,390

my
