[Music]

4
00:02:45,430 --> 00:02:23,810
so

5
00:02:47,589 --> 00:02:45,440
[Music]

6
00:02:49,270 --> 00:02:47,599
greetings and salutations friends and

7
00:02:52,710 --> 00:02:49,280
welcome back to truth seekers

8
00:02:53,750 --> 00:02:52,720
i'm uh very happy tonight because i've

9
00:02:55,509 --> 00:02:53,760
been following

10
00:02:57,830 --> 00:02:55,519
well i follow a lot of different people

11
00:03:00,790 --> 00:02:57,840
who talk about ufos and uap

12
00:03:01,990 --> 00:03:00,800
and all the goings on and one of them

13
00:03:03,990 --> 00:03:02,000

we're going to get to talk to

14

00:03:05,350 --> 00:03:04,000

in person tonight which i'm really

15

00:03:08,790 --> 00:03:05,360

excited about

16

00:03:11,350 --> 00:03:08,800

uh he has a wealth of really great takes

17

00:03:13,270 --> 00:03:11,360

i like his channel as well because

18

00:03:15,430 --> 00:03:13,280

you know we do long form here you know

19

00:03:16,710 --> 00:03:15,440

an hour two hour shows he does very

20

00:03:19,750 --> 00:03:16,720

quick concise

21

00:03:21,589 --> 00:03:19,760

uh sort of hot takes on different things

22

00:03:23,350 --> 00:03:21,599

that people are talking about

23

00:03:25,750 --> 00:03:23,360

i was really impressed with a lot of his

24

00:03:27,990 --> 00:03:25,760

knowledge and expertise and i wanted to

25

00:03:30,070 --> 00:03:28,000

bring him here and and have him share

26

00:03:32,390 --> 00:03:30,080

that with our audience here

27

00:03:33,830 --> 00:03:32,400

so uh friends we're going to bring in

28

00:03:37,270 --> 00:03:33,840

our guest

29

00:03:39,990 --> 00:03:37,280

there we go steven everybody hi

30

00:03:41,509 --> 00:03:40,000

good to see you there great to be here i

31

00:03:44,630 --> 00:03:41,519

appreciate you having me on

32

00:03:45,430 --> 00:03:44,640

yeah uh i have been really impressed

33

00:03:47,589 --> 00:03:45,440

with

34

00:03:49,750 --> 00:03:47,599

some of your sort of breakdowns of the

35

00:03:51,190 --> 00:03:49,760

goings-on and happenings but the first

36

00:03:52,390 --> 00:03:51,200

question that i really have for you

37

00:03:54,309 --> 00:03:52,400

because you seem to be

38

00:03:57,110 --> 00:03:54,319

incredibly knowledgeable about some

39

00:03:58,869 --> 00:03:57,120

military things and drone technology

40

00:04:00,789 --> 00:03:58,879

so i wondered if you couldn't share with

41

00:04:01,670 --> 00:04:00,799

our audience some of your background

42

00:04:05,030 --> 00:04:01,680

that led you

43

00:04:06,229 --> 00:04:05,040

into this area sure well first off i

44

00:04:09,270 --> 00:04:06,239

spent 12 years

45

00:04:13,190 --> 00:04:09,280

in the united states air force i was not

46

00:04:15,190 --> 00:04:13,200

a pilot i was basically ground combat

47

00:04:16,710 --> 00:04:15,200

for folks in the military who know

48

00:04:18,469 --> 00:04:16,720

security police

49

00:04:20,870 --> 00:04:18,479

when state side we serve as law

50

00:04:21,430 --> 00:04:20,880

enforcement when deployed were pretty

51

00:04:23,430 --> 00:04:21,440

much

52

00:04:25,670 --> 00:04:23,440

ground combat for the air force like air

53

00:04:27,749 --> 00:04:25,680

force infantry if you will

54

00:04:29,350 --> 00:04:27,759

but i had a i had an interesting job i

55

00:04:31,590 --> 00:04:29,360

was attached to some

56

00:04:33,590 --> 00:04:31,600

interesting groups in the military

57

00:04:35,670 --> 00:04:33,600

including jsoc and then farmed out to

58

00:04:37,189 --> 00:04:35,680

the dea for a little while and

59

00:04:38,790 --> 00:04:37,199

played with some of the other alphabet

60

00:04:42,390 --> 00:04:38,800

agencies around um

61

00:04:44,790 --> 00:04:42,400

that's interesting then most recently

62

00:04:46,469 --> 00:04:44,800

uh i've i've been working for a uh a

63

00:04:49,909 --> 00:04:46,479

defense contractor

64

00:04:52,710 --> 00:04:49,919

that is very prolific in the drone space

65

00:04:53,430 --> 00:04:52,720

uh building maintaining flying operating

66

00:04:56,870 --> 00:04:53,440

designing

67

00:05:00,390 --> 00:04:56,880

integrating uh all sorts of things with

68

00:05:03,430 --> 00:05:00,400

uh with military drone systems so when i

69

00:05:06,310 --> 00:05:03,440

when i make posts or talk about uh

70

00:05:06,629 --> 00:05:06,320

drones uh being able to do things that

71

00:05:09,590 --> 00:05:06,639

i'm

72

00:05:10,150 --> 00:05:09,600

seeing on videos uh it's it's not

73

00:05:13,350 --> 00:05:10,160

because

74

00:05:15,990 --> 00:05:13,360

i'm just discounting

75

00:05:17,510 --> 00:05:16,000

wishful thinking it's because i i know

76

00:05:18,629 --> 00:05:17,520

that there are things that we have that

77

00:05:21,189 --> 00:05:18,639

are capable of

78

00:05:23,270 --> 00:05:21,199

of doing some of this see that is the

79

00:05:24,230 --> 00:05:23,280

expertise that i think that we're really

80

00:05:27,430 --> 00:05:24,240

sorely lacking

81

00:05:28,629 --> 00:05:27,440

and why i uh sort of gravitated to some

82

00:05:30,230 --> 00:05:28,639

of the things that you talk about on

83

00:05:32,629 --> 00:05:30,240

your channel because

84

00:05:35,029 --> 00:05:32,639

i don't have that insider's view but i

85

00:05:37,590 --> 00:05:35,039

can do some research and find

86

00:05:39,029 --> 00:05:37,600

things like you know flight times for

87

00:05:40,550 --> 00:05:39,039

for military drones

88

00:05:42,629 --> 00:05:40,560

and it seems to me that there's a lot of

89

00:05:43,909 --> 00:05:42,639

disinformation and people making these

90

00:05:46,629 --> 00:05:43,919

blanket statements

91

00:05:47,749 --> 00:05:46,639

like well the flight time was an hour so

92

00:05:49,189 --> 00:05:47,759

it couldn't have been a drone

93

00:05:52,310 --> 00:05:49,199

right can you talk a little bit can we

94

00:05:55,029 --> 00:05:52,320

talk a little bit about flight times

95

00:05:55,990 --> 00:05:55,039

historically speaking when somebody says

96

00:05:58,950 --> 00:05:56,000

flight times

97

00:06:00,230 --> 00:05:58,960

in excess of an hour are not possible

98

00:06:03,110 --> 00:06:00,240

it's because

99

00:06:04,230 --> 00:06:03,120

they are talking about small cheap

100

00:06:06,309 --> 00:06:04,240

consumer

101
00:06:09,430 --> 00:06:06,319
drones that you can get from a hobby

102
00:06:11,670 --> 00:06:09,440
shop or target or someplace like that

103
00:06:13,110 --> 00:06:11,680
i've i've got some sitting over here

104
00:06:16,070 --> 00:06:13,120
i've built some

105
00:06:17,990 --> 00:06:16,080
they're dependent on weight and power

106
00:06:18,710 --> 00:06:18,000
and battery size and things like that

107
00:06:20,629 --> 00:06:18,720
and you know

108
00:06:22,070 --> 00:06:20,639
45 minutes is about the max that you're

109
00:06:24,469 --> 00:06:22,080
going to get out of some of those

110
00:06:26,550 --> 00:06:24,479
unless you spend a lot of money on them

111
00:06:28,790 --> 00:06:26,560
but if we're talking about

112
00:06:29,670 --> 00:06:28,800
another nation state or a terrorist

113
00:06:33,590 --> 00:06:29,680

organization

114

00:06:36,070 --> 00:06:33,600

or a state sponsored activity

115

00:06:37,510 --> 00:06:36,080

that's you know tens of millions if not

116

00:06:39,430 --> 00:06:37,520

hundreds of millions of potential

117

00:06:42,550 --> 00:06:39,440

dollars that can be invested

118

00:06:44,950 --> 00:06:42,560

into higher end military technology

119

00:06:46,230 --> 00:06:44,960

and even if it's not china doing it

120

00:06:48,950 --> 00:06:46,240

themselves

121

00:06:51,510 --> 00:06:48,960

they are notorious for not caring who

122

00:06:55,430 --> 00:06:51,520

they sell their military tech to

123

00:06:59,550 --> 00:06:55,440

so it is very easy for somebody

124

00:07:02,230 --> 00:06:59,560

uh or or some organization to purchase

125

00:07:03,270 --> 00:07:02,240

military-capable drones that have flight

126
00:07:06,150 --> 00:07:03,280
times

127
00:07:08,950 --> 00:07:06,160
in some circumstances of weeks if not

128
00:07:11,189 --> 00:07:08,960
months without having to land

129
00:07:12,390 --> 00:07:11,199
now i do want to go on record and say

130
00:07:15,990 --> 00:07:12,400
that not

131
00:07:19,270 --> 00:07:16,000
everything is a uap but not everything

132
00:07:22,070 --> 00:07:19,280
isn't a uap as well i am

133
00:07:23,749 --> 00:07:22,080
fully fully convinced that there is

134
00:07:26,070 --> 00:07:23,759
something

135
00:07:28,150 --> 00:07:26,080
otherworldly and non-human that is

136
00:07:29,110 --> 00:07:28,160
flying in our skies and i am not out to

137
00:07:31,430 --> 00:07:29,120
debunk

138
00:07:33,029 --> 00:07:31,440

a hundred percent of everything i am

139

00:07:35,830 --> 00:07:33,039

just wanting to

140

00:07:37,589 --> 00:07:35,840

limit the noise yeah and i think you've

141

00:07:39,270 --> 00:07:37,599

done an incredible job of doing some of

142

00:07:40,550 --> 00:07:39,280

that especially with your background

143

00:07:42,469 --> 00:07:40,560

and i want to thank you because i think

144

00:07:43,350 --> 00:07:42,479

this really is a need for somebody like

145

00:07:45,029 --> 00:07:43,360

you that's

146

00:07:46,790 --> 00:07:45,039

more familiar with these technologies

147

00:07:48,309 --> 00:07:46,800

like i can research things

148

00:07:50,550 --> 00:07:48,319

one of the other things i hear people

149

00:07:53,189 --> 00:07:50,560

say that drives me crazy

150

00:07:55,430 --> 00:07:53,199

is things like these things defied the

151
00:07:56,230 --> 00:07:55,440
laws of physics because they did a 90

152
00:07:57,510 --> 00:07:56,240
degree turn

153
00:08:00,230 --> 00:07:57,520
and we don't have that kind of

154
00:08:02,070 --> 00:08:00,240
technology and i found for example

155
00:08:04,309 --> 00:08:02,080
two different projects that were built

156
00:08:06,230 --> 00:08:04,319
in the mid-1980s that were sort of

157
00:08:08,070 --> 00:08:06,240
drones that could make 90-degree turns

158
00:08:10,790 --> 00:08:08,080
they were designed to

159
00:08:12,070 --> 00:08:10,800
hunt and knock down nuclear missiles

160
00:08:13,909 --> 00:08:12,080
incoming nuclear missiles

161
00:08:16,869 --> 00:08:13,919
and those things can make 90 degree

162
00:08:19,110 --> 00:08:16,879
turns well we have in 1985

163
00:08:21,029 --> 00:08:19,120

yeah we have we have things that can

164

00:08:22,950 --> 00:08:21,039

make 90 degree turns and i think

165

00:08:24,790 --> 00:08:22,960

i think one of the issues that we have

166

00:08:26,950 --> 00:08:24,800

with the five observables

167

00:08:28,469 --> 00:08:26,960

five observables i have a hard time

168

00:08:30,710 --> 00:08:28,479

saying that

169

00:08:31,990 --> 00:08:30,720

is that when we talk about 90 degree

170

00:08:35,110 --> 00:08:32,000

turns

171

00:08:38,949 --> 00:08:35,120

without

172

00:08:41,029 --> 00:08:38,959

visible arc

173

00:08:43,110 --> 00:08:41,039

or radius we don't have that we don't

174

00:08:46,310 --> 00:08:43,120

have something that can make

175

00:08:49,030 --> 00:08:46,320

a 90 degree turn without pausing

176
00:08:50,550 --> 00:08:49,040
and changing direction so if we're

177
00:08:52,550 --> 00:08:50,560
looking at something that is flying

178
00:08:53,590 --> 00:08:52,560
through the air and then it does a 90

179
00:08:56,949 --> 00:08:53,600
degree turn

180
00:08:59,350 --> 00:08:56,959
by maintaining velocity that's not us

181
00:09:01,190 --> 00:08:59,360
we we have that's not even a law of

182
00:09:01,590 --> 00:09:01,200
physics that's just law of air dynamics

183
00:09:03,509 --> 00:09:01,600
yeah

184
00:09:05,750 --> 00:09:03,519
interesting distinction because i don't

185
00:09:08,470 --> 00:09:05,760
know with the craft that i failed i saw

186
00:09:10,230 --> 00:09:08,480
video test flights you know it's kind of

187
00:09:11,350 --> 00:09:10,240
up in the air did they did they stop

188
00:09:13,430 --> 00:09:11,360

before they turned

189

00:09:14,870 --> 00:09:13,440

yes maybe i don't know i have to look at

190

00:09:15,350 --> 00:09:14,880

that footage again but you're probably

191

00:09:17,829 --> 00:09:15,360

right

192

00:09:18,710 --> 00:09:17,839

yeah video is deceiving uh they and the

193

00:09:21,269 --> 00:09:18,720

human eye

194

00:09:23,030 --> 00:09:21,279

can't can't really we don't have eyes

195

00:09:27,269 --> 00:09:23,040

that are calibrated to

196

00:09:29,750 --> 00:09:27,279

judge speed at distance over video

197

00:09:30,949 --> 00:09:29,760

um so without a radar track or something

198

00:09:31,910 --> 00:09:30,959

like that it would be very very

199

00:09:35,110 --> 00:09:31,920

difficult

200

00:09:38,150 --> 00:09:35,120

for us to definitively say that an

201
00:09:39,350 --> 00:09:38,160
aerial object was able to perform a 90

202
00:09:43,110 --> 00:09:39,360
degree maneuver

203
00:09:46,230 --> 00:09:43,120
with no arc no radius to a turn and

204
00:09:47,430 --> 00:09:46,240
no depreciation and speed we do have

205
00:09:50,070 --> 00:09:47,440
aircraft that can

206
00:09:50,790 --> 00:09:50,080
really pivot and they look like they

207
00:09:54,550 --> 00:09:50,800
handle

208
00:09:57,509 --> 00:09:54,560
like they're on rails but even

209
00:09:59,350 --> 00:09:57,519
even our best tech that depends on the

210
00:10:02,470 --> 00:09:59,360
laws of aerodynamics

211
00:10:05,750 --> 00:10:02,480
they must decelerate

212
00:10:09,110 --> 00:10:05,760
or otherwise maintain flight out to

213
00:10:10,470 --> 00:10:09,120

to or otherwise bank or do something

214

00:10:13,509 --> 00:10:10,480

yeah you would see it wouldn't be

215

00:10:15,110 --> 00:10:13,519

quite a 90 degree turn yeah yeah and

216

00:10:17,110 --> 00:10:15,120

and the thing with the flight times too

217

00:10:19,190 --> 00:10:17,120

is i did some research and i and i found

218

00:10:21,110 --> 00:10:19,200

out about nuclear batteries

219

00:10:22,870 --> 00:10:21,120

that are used in satellite systems and

220

00:10:24,630 --> 00:10:22,880

then i found some mention of lockheed

221

00:10:27,430 --> 00:10:24,640

martin experimenting with them

222

00:10:27,990 --> 00:10:27,440

in early drones that was connected to

223

00:10:39,829 --> 00:10:28,000

the

224

00:10:40,710 --> 00:10:39,839

to put this a nuclear battery in this

225

00:10:43,030 --> 00:10:40,720

thing

226

00:10:43,990 --> 00:10:43,040

and then it was you know going to be

227

00:10:46,710 --> 00:10:44,000

able to stay

228

00:10:47,350 --> 00:10:46,720

afloat aloft for a very long period of

229

00:10:49,829 --> 00:10:47,360

time

230

00:10:50,790 --> 00:10:49,839

you know i don't know that they ever got

231

00:10:52,790 --> 00:10:50,800

it to work but

232

00:10:54,550 --> 00:10:52,800

my point is there's certainly and i

233

00:10:57,430 --> 00:10:54,560

agree with your assessment 100

234

00:10:58,790 --> 00:10:57,440

if you go to kmart or walmart there's no

235

00:11:01,430 --> 00:10:58,800

kmart saver

236

00:11:02,949 --> 00:11:01,440

if you go to walmart and buy even the

237

00:11:05,350 --> 00:11:02,959

most expensive drone you can you're

238

00:11:06,870 --> 00:11:05,360

going to get a 20 25 minute flight time

239

00:11:09,190 --> 00:11:06,880

that's what these people are equating

240

00:11:10,069 --> 00:11:09,200

these things too and and it's confusing

241

00:11:12,310 --> 00:11:10,079

the issue

242

00:11:13,110 --> 00:11:12,320

well it's disingenuous yeah and it's and

243

00:11:14,949 --> 00:11:13,120

it's and it's

244

00:11:16,710 --> 00:11:14,959

it always appears to me that these

245

00:11:17,190 --> 00:11:16,720

statements these blanket statements

246

00:11:18,630 --> 00:11:17,200

about

247

00:11:20,230 --> 00:11:18,640

well it had this flight time so it

248

00:11:23,350 --> 00:11:20,240

couldn't have been a drone

249

00:11:27,750 --> 00:11:23,360

it's always pushing the alien narrative

250

00:11:28,550 --> 00:11:27,760

well it it is and and it's problematic

251

00:11:31,509 --> 00:11:28,560

um

252

00:11:33,509 --> 00:11:31,519

and i don't know because i'm not them so

253

00:11:35,190 --> 00:11:33,519

i cannot speak for these people

254

00:11:37,269 --> 00:11:35,200

i don't know if they're pushing the

255

00:11:37,990 --> 00:11:37,279

alien narrative because they want to

256

00:11:41,750 --> 00:11:38,000

steer us

257

00:11:44,870 --> 00:11:41,760

away from finding out that we have

258

00:11:47,910 --> 00:11:44,880

tech that we don't know that we have or

259

00:11:49,509 --> 00:11:47,920

if they're steering us towards an alien

260

00:11:52,710 --> 00:11:49,519

narrative because

261

00:11:54,790 --> 00:11:52,720

uh they want increased budgetary funding

262

00:11:55,590 --> 00:11:54,800

for defense projects based on a threat

263

00:11:58,949 --> 00:11:55,600

narrative

264

00:12:02,230 --> 00:11:58,959

or if they are absolute true believers

265

00:12:04,389 --> 00:12:02,240

that they themselves don't know that we

266

00:12:07,910 --> 00:12:04,399

have this text so i i don't know

267

00:12:09,670 --> 00:12:07,920

why they're doing it but i do honestly

268

00:12:11,269 --> 00:12:09,680

believe like i said before there's

269

00:12:13,590 --> 00:12:11,279

there's some weird stuff in our skies

270

00:12:15,269 --> 00:12:13,600

that's not us but at the same time i

271

00:12:18,710 --> 00:12:15,279

think a lot of this

272

00:12:19,670 --> 00:12:18,720

is us yeah and and the other thing that

273

00:12:22,150 --> 00:12:19,680

always

274

00:12:23,350 --> 00:12:22,160

kind of drives me nuts is that like i'm

275

00:12:25,590 --> 00:12:23,360

sure that we have great

276

00:12:28,150 --> 00:12:25,600

intelligence and spies spying on the

277

00:12:30,949 --> 00:12:28,160

russians spying on the on the chinese

278

00:12:32,150 --> 00:12:30,959

on iran and whoever we consider an

279

00:12:34,949 --> 00:12:32,160

adversary

280

00:12:36,069 --> 00:12:34,959

and and i'm sure that our intelligence

281

00:12:38,550 --> 00:12:36,079

agencies know

282

00:12:39,269 --> 00:12:38,560

a good deal about whatever technology

283

00:12:41,829 --> 00:12:39,279

they have

284

00:12:43,350 --> 00:12:41,839

or are developing but don't don't you

285

00:12:46,470 --> 00:12:43,360

think it's naive to say

286

00:12:48,310 --> 00:12:46,480

to just assume that we know everything

287

00:12:49,750 --> 00:12:48,320

and it couldn't be they don't have this

288

00:12:51,509 --> 00:12:49,760

or that like we don't know that they

289

00:12:53,350 --> 00:12:51,519

didn't make a technological leap right

290

00:12:55,430 --> 00:12:53,360

well for sure our human intelligence

291

00:12:57,110 --> 00:12:55,440

capabilities were decimated in the late

292

00:13:00,550 --> 00:12:57,120

80s and early 90s

293

00:13:01,670 --> 00:13:00,560

we lost a lot of our human capabilities

294

00:13:04,230 --> 00:13:01,680

just due to

295

00:13:04,710 --> 00:13:04,240

internal politics in the united states

296

00:13:06,949 --> 00:13:04,720

where

297

00:13:08,710 --> 00:13:06,959

we were trying to build that back i

298

00:13:10,790 --> 00:13:08,720

don't know the state of affairs now but

299

00:13:14,150 --> 00:13:10,800

we're relying a lot more

300

00:13:15,030 --> 00:13:14,160

on technology and intercepts and things

301
00:13:18,230 --> 00:13:15,040
like that to

302
00:13:21,030 --> 00:13:18,240
judge the uh uh the the the military

303
00:13:22,870 --> 00:13:21,040
value of foreign technology

304
00:13:24,870 --> 00:13:22,880
the problem is that a lot of our

305
00:13:28,389 --> 00:13:24,880
technology that we use to

306
00:13:30,629 --> 00:13:28,399
judge what the foreign capabilities are

307
00:13:32,629 --> 00:13:30,639
they're manufactured overseas they're

308
00:13:36,389 --> 00:13:32,639
not our own manufacturing

309
00:13:38,550 --> 00:13:36,399
so we're we're really beholden uh

310
00:13:39,910 --> 00:13:38,560
it's it's a catch-22 that we're sitting

311
00:13:42,310 --> 00:13:39,920
in um

312
00:13:44,470 --> 00:13:42,320
and we also have to look at things like

313
00:13:48,389 --> 00:13:44,480

our politicians

314

00:13:49,750 --> 00:13:48,399

that can walk over to the department of

315

00:13:53,590 --> 00:13:49,760

defense and say

316

00:13:56,230 --> 00:13:53,600

what is this no way they don't get that

317

00:14:00,310 --> 00:13:56,240

information so if a politician tells us

318

00:14:04,710 --> 00:14:02,949

they don't know anything because they've

319

00:14:06,230 --> 00:14:04,720

not been told anything either even in

320

00:14:08,150 --> 00:14:06,240

classified briefings

321

00:14:09,670 --> 00:14:08,160

the department of defense is not going

322

00:14:12,150 --> 00:14:09,680

to tell the senate

323

00:14:13,030 --> 00:14:12,160

select committee on intelligence 100 of

324

00:14:15,189 --> 00:14:13,040

everything

325

00:14:16,710 --> 00:14:15,199

um just by the nature of what a

326

00:14:18,870 --> 00:14:16,720

politician is i mean these are the guys

327

00:14:20,470 --> 00:14:18,880

that used to run the shoe stand down the

328

00:14:22,470 --> 00:14:20,480

down the uh the street from your house

329

00:14:24,069 --> 00:14:22,480

and they got elected to congress

330

00:14:25,430 --> 00:14:24,079

you know and they're when their term is

331

00:14:26,710 --> 00:14:25,440

up they're going to go back and run that

332

00:14:29,590 --> 00:14:26,720

shoe store again

333

00:14:30,949 --> 00:14:29,600

so the system is not going to give them

334

00:14:33,430 --> 00:14:30,959

access

335

00:14:34,710 --> 00:14:33,440

to all of the secrets it's just not

336

00:14:36,550 --> 00:14:34,720

built that way

337

00:14:37,910 --> 00:14:36,560

yeah and i guess we could we could touch

338

00:14:40,069 --> 00:14:37,920

on all these different black

339

00:14:41,509 --> 00:14:40,079

projects because you know that's another

340

00:14:44,069 --> 00:14:41,519

thing

341

00:14:45,750 --> 00:14:44,079

especially these california uh off the

342

00:14:47,750 --> 00:14:45,760

coast of california sightings that have

343

00:14:49,910 --> 00:14:47,760

been taking place because

344

00:14:51,910 --> 00:14:49,920

there's trillions of dollars being spent

345

00:14:55,030 --> 00:14:51,920

on developing black projects

346

00:14:57,269 --> 00:14:55,040

aerospace projects trillions yes and so

347

00:14:59,030 --> 00:14:57,279

to me it's not a stretch to think that

348

00:14:59,829 --> 00:14:59,040

somebody's testing something that's

349

00:15:02,150 --> 00:14:59,839

being seen

350

00:15:03,509 --> 00:15:02,160

and there's also to i can't recall the

351

00:15:08,150 --> 00:15:03,519

name of it but there is

352

00:15:10,470 --> 00:15:08,160

for sure a a aircraft and drone testing

353

00:15:11,670 --> 00:15:10,480

uh facility right off the coast of

354

00:15:13,509 --> 00:15:11,680

california we're

355

00:15:16,230 --> 00:15:13,519

near where some of these things took

356

00:15:18,310 --> 00:15:16,240

place it's in palmdale

357

00:15:20,870 --> 00:15:18,320

it's lockheed martin's skunk works main

358

00:15:22,790 --> 00:15:20,880

operation site in palmdale california

359

00:15:24,949 --> 00:15:22,800

there you go which would only be a short

360

00:15:27,990 --> 00:15:24,959

hop away from the ships that were seeing

361

00:15:30,389 --> 00:15:28,000

some of these ufos or uaps

362

00:15:31,829 --> 00:15:30,399

so to me and i always kind of go to

363

00:15:34,629 --> 00:15:31,839

occam's razor too

364

00:15:36,470 --> 00:15:34,639

you know i kind of think there's a drone

365

00:15:38,949 --> 00:15:36,480

testing facility like

366

00:15:40,470 --> 00:15:38,959

20 miles 10 miles away from where these

367

00:15:42,949 --> 00:15:40,480

things were seen maybe

368

00:15:45,350 --> 00:15:42,959

it's drones right yeah but it's it's

369

00:15:47,910 --> 00:15:45,360

it's it's frustrating to me

370

00:15:48,629 --> 00:15:47,920

that because i don't know how it works

371

00:15:50,389 --> 00:15:48,639

right because

372

00:15:52,470 --> 00:15:50,399

i've asked some people that i know who

373

00:15:55,110 --> 00:15:52,480

worked in aerospace companies even on

374

00:15:56,389 --> 00:15:55,120

some secret projects do they tell

375

00:15:59,030 --> 00:15:56,399

everybody

376

00:16:00,310 --> 00:15:59,040

we're going to be flying this thing on

377

00:16:02,470 --> 00:16:00,320

this flight path

378

00:16:03,990 --> 00:16:02,480

no on this day and yeah that's what i

379

00:16:05,829 --> 00:16:04,000

got back i got back no

380

00:16:07,269 --> 00:16:05,839

we're not telling anybody if somebody

381

00:16:09,509 --> 00:16:07,279

happens to see it

382

00:16:10,310 --> 00:16:09,519

okay you know we may acknowledge that

383

00:16:13,990 --> 00:16:10,320

through

384

00:16:15,430 --> 00:16:14,000

proper channels the way that that

385

00:16:18,790 --> 00:16:15,440

typically works

386

00:16:21,430 --> 00:16:18,800

is there will be a uh uh

387

00:16:22,470 --> 00:16:21,440

a letter of operation or a letter of uh

388

00:16:25,749 --> 00:16:22,480

authority

389

00:16:27,350 --> 00:16:25,759

that is given it's negotiated between

390

00:16:29,990 --> 00:16:27,360

let's say that this is a skunk works

391

00:16:31,110 --> 00:16:30,000

project so lockheed will negotiate with

392

00:16:33,189 --> 00:16:31,120

the faa

393

00:16:34,949 --> 00:16:33,199

to get a certificate of authority to fly

394

00:16:37,350 --> 00:16:34,959

an experimental aircraft in a very

395

00:16:39,670 --> 00:16:37,360

specific area at a specific altitude

396

00:16:41,189 --> 00:16:39,680

at a specific time that's all they're

397

00:16:45,269 --> 00:16:41,199

going to tell the faa

398

00:16:47,829 --> 00:16:45,279

that we're going to fly uh something

399

00:16:49,430 --> 00:16:47,839

and we need a temporary restricted area

400

00:16:50,550 --> 00:16:49,440

and we're not telling you what it is

401
00:16:54,470 --> 00:16:50,560
could be anything

402
00:16:55,749 --> 00:16:54,480
right limp drone uh the other question

403
00:16:57,269 --> 00:16:55,759
having heard a lot of stuff on your

404
00:16:57,509 --> 00:16:57,279
channel that i wanted to ask you about

405
00:17:00,389 --> 00:16:57,519
is

406
00:17:01,430 --> 00:17:00,399
do you know very much about uh anything

407
00:17:03,829 --> 00:17:01,440
about stealth

408
00:17:05,429 --> 00:17:03,839
blimps and stealth blimp technology

409
00:17:07,510 --> 00:17:05,439
because that's another one where i think

410
00:17:10,150 --> 00:17:07,520
a lot of these so-called tr-3b

411
00:17:12,390 --> 00:17:10,160
or maybe the phoenix lights case could

412
00:17:14,789 --> 00:17:12,400
well be attributed to

413
00:17:16,309 --> 00:17:14,799

these stealth blimp projects that i know

414

00:17:18,630 --> 00:17:16,319

for a fact were being developed in the

415

00:17:20,390 --> 00:17:18,640

early 80s but we don't know

416

00:17:22,470 --> 00:17:20,400

whatever happened to them they were sort

417

00:17:24,230 --> 00:17:22,480

of in popular science and popular

418

00:17:25,270 --> 00:17:24,240

mechanics they were talking about these

419

00:17:27,429 --> 00:17:25,280

huge

420

00:17:28,789 --> 00:17:27,439

stealth blimps that could lift you know

421

00:17:32,070 --> 00:17:28,799

be used to transport

422

00:17:35,270 --> 00:17:32,080

troops and equipment and yeah there

423

00:17:37,669 --> 00:17:35,280

are a a number of different companies

424

00:17:38,390 --> 00:17:37,679

uh boeing believe it or not is one of

425

00:17:40,070 --> 00:17:38,400

the leaders

426

00:17:42,070 --> 00:17:40,080

on the the dirigible or blimp

427

00:17:43,510 --> 00:17:42,080

technologies it's it's not actually even

428

00:17:45,270 --> 00:17:43,520

lockheed in this case

429

00:17:47,350 --> 00:17:45,280

but it would be uh it would be on boeing

430

00:17:49,590 --> 00:17:47,360

but a stealth blimp

431

00:17:51,190 --> 00:17:49,600

is a little bit of a misnomer because by

432

00:17:53,990 --> 00:17:51,200

and large for the most part

433

00:17:55,430 --> 00:17:54,000

these things by their own nature are a

434

00:17:57,750 --> 00:17:55,440

lot more stealthy

435

00:17:59,270 --> 00:17:57,760

than an aircraft simply because the term

436

00:18:01,669 --> 00:17:59,280

stealth

437

00:18:02,390 --> 00:18:01,679

equates to low visibility and radar

438

00:18:09,510 --> 00:18:02,400

signatures

439

00:18:12,310 --> 00:18:09,520

so a a blimp is as long as it's not a

440

00:18:13,669 --> 00:18:12,320

a an exoskeleton or a rigid internal

441

00:18:15,830 --> 00:18:13,679

frame system

442

00:18:17,909 --> 00:18:15,840

it's not going to have a lot of radar

443

00:18:19,750 --> 00:18:17,919

return because the radar systems are

444

00:18:21,590 --> 00:18:19,760

going to or the radar emissions

445

00:18:24,150 --> 00:18:21,600

are going to pass through the fabric

446

00:18:26,950 --> 00:18:24,160

it's going to show a smaller return

447

00:18:29,430 --> 00:18:26,960

based on whatever is hanging below it

448

00:18:30,710 --> 00:18:29,440

that is reflecting the radar systems and

449

00:18:32,710 --> 00:18:30,720

things like that and then

450

00:18:33,909 --> 00:18:32,720

the you can take it a step further and

451
00:18:35,350 --> 00:18:33,919
you can design

452
00:18:37,510 --> 00:18:35,360
those hanging baskets i call them

453
00:18:39,830 --> 00:18:37,520
baskets but that's where the pods are

454
00:18:42,549 --> 00:18:39,840
where the the troops would be held yeah

455
00:18:44,710 --> 00:18:42,559
but they can be designed uh

456
00:18:45,830 --> 00:18:44,720
with with specific angles to scatter the

457
00:18:47,510 --> 00:18:45,840
radar return

458
00:18:49,669 --> 00:18:47,520
and they can be coated with the same

459
00:18:51,990 --> 00:18:49,679
type of special coatings that we use for

460
00:18:52,789 --> 00:18:52,000
the f-117 and the b2 and things like

461
00:18:54,870 --> 00:18:52,799
that so

462
00:18:55,990 --> 00:18:54,880
you can significantly reduce what is

463
00:18:58,789 --> 00:18:56,000

already a

464

00:19:00,470 --> 00:18:58,799

a small signature for a dirigible yeah

465

00:19:02,230 --> 00:19:00,480

that's what i think that i was reading

466

00:19:03,669 --> 00:19:02,240

about some time ago that they were

467

00:19:05,350 --> 00:19:03,679

trying to do

468

00:19:07,990 --> 00:19:05,360

sort of apply the same stealth

469

00:19:11,430 --> 00:19:08,000

technology from the stealth bomber or

470

00:19:11,909 --> 00:19:11,440

the fighter to to a dirigible or to a

471

00:19:14,230 --> 00:19:11,919

blimp

472

00:19:15,430 --> 00:19:14,240

and and having some success right yeah

473

00:19:16,630 --> 00:19:15,440

the only thing that you have to keep in

474

00:19:19,590 --> 00:19:16,640

mind though in in

475

00:19:21,510 --> 00:19:19,600

in something like this is a blimp is

476

00:19:24,150 --> 00:19:21,520

virtually defenseless

477

00:19:25,909 --> 00:19:24,160

so if you do have a troop carrier as a

478

00:19:29,110 --> 00:19:25,919

blimp you're going to have

479

00:19:30,150 --> 00:19:29,120

an armed support armed aerial support

480

00:19:33,110 --> 00:19:30,160

that that is

481

00:19:33,430 --> 00:19:33,120

rapid response or in the same vicinity

482

00:19:36,150 --> 00:19:33,440

uh

483

00:19:38,230 --> 00:19:36,160

flying in advance and trailing something

484

00:19:40,870 --> 00:19:38,240

like this to maintain uh

485

00:19:42,470 --> 00:19:40,880

a loft security of of that uh yeah it

486

00:19:45,190 --> 00:19:42,480

was pretty easy to shoot down i could

487

00:19:45,510 --> 00:19:45,200

yeah exactly that's why it was funny to

488

00:19:47,990 --> 00:19:45,520

me

489

00:19:48,630 --> 00:19:48,000

to to read about dirigibles being used

490

00:19:50,150 --> 00:19:48,640

in war

491

00:19:52,230 --> 00:19:50,160

because i was thinking like geez that

492

00:19:54,870 --> 00:19:52,240

seems like such a huge target

493

00:19:56,710 --> 00:19:54,880

right well back then we didn't have uh

494

00:20:00,070 --> 00:19:56,720

triple a that was uh that was really

495

00:20:00,630 --> 00:20:00,080

able to reach up to to a good altitude

496

00:20:02,710 --> 00:20:00,640

so

497

00:20:04,149 --> 00:20:02,720

the the anti-aircraft artillery that we

498

00:20:06,310 --> 00:20:04,159

had back in the day was

499

00:20:09,110 --> 00:20:06,320

it was very limited in uh in its ability

500

00:20:11,669 --> 00:20:09,120

to to target and bring something down

501
00:20:13,110 --> 00:20:11,679
yeah well amazing technology and i think

502
00:20:14,789 --> 00:20:13,120
something that could be an explanation

503
00:20:15,990 --> 00:20:14,799
for some of the things that people are

504
00:20:18,470 --> 00:20:16,000
seeing

505
00:20:20,310 --> 00:20:18,480
now you know i guess we can talk about

506
00:20:22,870 --> 00:20:20,320
some of these recent uh

507
00:20:23,990 --> 00:20:22,880
photographs and uh video that have been

508
00:20:26,630 --> 00:20:24,000
released

509
00:20:27,350 --> 00:20:26,640
i'm uh i'm underwhelmed and i'm not

510
00:20:29,990 --> 00:20:27,360
impressed

511
00:20:31,270 --> 00:20:30,000
and i'm uh and i'm i'm get i guess i'm

512
00:20:33,510 --> 00:20:31,280
getting to the point of like

513
00:20:34,549 --> 00:20:33,520

bitterness not bitterness but something

514

00:20:36,630 --> 00:20:34,559

i just

515

00:20:37,909 --> 00:20:36,640

people come out with this stuff and i go

516

00:20:40,430 --> 00:20:37,919

this could be anything

517

00:20:42,470 --> 00:20:40,440

this doesn't move it's completely

518

00:20:43,990 --> 00:20:42,480

unidentifiable based on the data that

519

00:20:45,750 --> 00:20:44,000

you've given us

520

00:20:48,149 --> 00:20:45,760

it could be anything and i don't think

521

00:20:49,830 --> 00:20:48,159

that it moves the

522

00:20:51,270 --> 00:20:49,840

conversation forward at all i don't

523

00:20:52,789 --> 00:20:51,280

think there's any benefit other than to

524

00:20:55,830 --> 00:20:52,799

sell a story

525

00:20:58,149 --> 00:20:55,840

we we have two very disparate things

526
00:21:01,110 --> 00:20:58,159
talking about the exact same event we

527
00:21:03,590 --> 00:21:01,120
have witness testimony on one hand

528
00:21:04,230 --> 00:21:03,600
that is telling us that these objects

529
00:21:06,230 --> 00:21:04,240
are

530
00:21:07,909 --> 00:21:06,240
uh you know there's 14 or 15 of these

531
00:21:10,390 --> 00:21:07,919
objects they're glowing

532
00:21:11,669 --> 00:21:10,400
they're hovering they're coming in and

533
00:21:14,070 --> 00:21:11,679
out of the water

534
00:21:15,270 --> 00:21:14,080
they're doing rapid and instantaneous

535
00:21:16,870 --> 00:21:15,280
acceleration

536
00:21:18,549 --> 00:21:16,880
and then on the other hand we have a

537
00:21:22,630 --> 00:21:18,559
video of a

538
00:21:24,870 --> 00:21:22,640

fuzz ball that slowly descends

539

00:21:25,750 --> 00:21:24,880

into the water and it shows us

540

00:21:28,789 --> 00:21:25,760

absolutely

541

00:21:30,870 --> 00:21:28,799

zero of the five observables so the

542

00:21:34,230 --> 00:21:30,880

witness testimony

543

00:21:36,630 --> 00:21:34,240

i i believe witnesses what i

544

00:21:38,149 --> 00:21:36,640

don't believe is that what the witnesses

545

00:21:40,310 --> 00:21:38,159

have been describing

546

00:21:42,470 --> 00:21:40,320

is what we have been led to believe is

547

00:21:44,710 --> 00:21:42,480

on the video

548

00:21:45,830 --> 00:21:44,720

that's good that's a good breakdown and

549

00:21:47,510 --> 00:21:45,840

also

550

00:21:48,950 --> 00:21:47,520

in that particular in that video's

551
00:21:50,870 --> 00:21:48,960
particular case i suppose

552
00:21:52,630 --> 00:21:50,880
it's really just the word of one person

553
00:21:54,789 --> 00:21:52,640
who's an anonymous source

554
00:21:56,630 --> 00:21:54,799
and you jeremy you can't talk to him or

555
00:21:57,990 --> 00:21:56,640
ask him any questions and i can't talk

556
00:21:59,430 --> 00:21:58,000
to him or ask him any questions we're

557
00:22:01,270 --> 00:21:59,440
just supposed to trust the person

558
00:22:02,789 --> 00:22:01,280
bringing the story forward

559
00:22:04,549 --> 00:22:02,799
and i guess you know i understand the

560
00:22:05,990 --> 00:22:04,559
need for anonymous sources at times

561
00:22:07,350 --> 00:22:06,000
especially

562
00:22:09,110 --> 00:22:07,360
you know and the other thing is that i

563
00:22:10,070 --> 00:22:09,120

reached out to several people who were

564

00:22:14,710 --> 00:22:10,080

navy

565

00:22:16,549 --> 00:22:14,720

veteran and i asked them

566

00:22:18,230 --> 00:22:16,559

can you go in the command center of a

567

00:22:21,029 --> 00:22:18,240

ship and take

568

00:22:23,190 --> 00:22:21,039

and take cell phone pictures or footage

569

00:22:24,789 --> 00:22:23,200

and then just give it to a reporter

570

00:22:26,230 --> 00:22:24,799

and they were all like that's a good way

571

00:22:28,630 --> 00:22:26,240

to get court-martialed

572

00:22:29,590 --> 00:22:28,640

and fired and thrown out of the military

573

00:22:31,990 --> 00:22:29,600

you can't

574

00:22:33,430 --> 00:22:32,000

so you know pardon me if i don't trust

575

00:22:35,350 --> 00:22:33,440

the source here

576

00:22:36,870 --> 00:22:35,360

yeah it seems implausible to me that

577

00:22:37,830 --> 00:22:36,880

somebody's gonna risk their entire

578

00:22:41,190 --> 00:22:37,840

career

579

00:22:43,669 --> 00:22:41,200

to to put out to share what is

580

00:22:44,630 --> 00:22:43,679

essentially not even good evidence it's

581

00:22:47,110 --> 00:22:44,640

just a fuzzball

582

00:22:48,789 --> 00:22:47,120

you know it's yeah the the the combat

583

00:22:49,590 --> 00:22:48,799

information center on the ship and i was

584

00:22:52,310 --> 00:22:49,600

air force

585

00:22:53,750 --> 00:22:52,320

i'm not navy so if there's any naval

586

00:22:56,149 --> 00:22:53,760

folks that are listening to this

587

00:22:57,430 --> 00:22:56,159

please feel free to jump into the chat

588

00:23:01,029 --> 00:22:57,440

and correct me

589

00:23:04,230 --> 00:23:01,039

but it is a limited access

590

00:23:04,789 --> 00:23:04,240

facility on board a ship you do not go

591

00:23:10,870 --> 00:23:04,799

in there

592

00:23:12,630 --> 00:23:10,880

and i am fairly damn certain that you're

593

00:23:14,870 --> 00:23:12,640

not going to be authorized

594

00:23:17,750 --> 00:23:14,880

to take out a cell phone and record

595

00:23:21,270 --> 00:23:17,760

something in real time as it's happening

596

00:23:24,070 --> 00:23:21,280

simply because the systems that are

597

00:23:24,870 --> 00:23:24,080

being used in the combat information uh

598

00:23:26,710 --> 00:23:24,880

center

599

00:23:28,630 --> 00:23:26,720

you don't know what is going to be

600

00:23:30,630 --> 00:23:28,640

happening outside of the ship

601
00:23:32,789 --> 00:23:30,640
so you're not going to allow somebody to

602
00:23:33,909 --> 00:23:32,799
take a cell phone in there and record in

603
00:23:36,230 --> 00:23:33,919
real time

604
00:23:37,830 --> 00:23:36,240
because you don't know if you're about

605
00:23:40,149 --> 00:23:37,840
ready to go to war you don't know if

606
00:23:41,430 --> 00:23:40,159
it's one of your own secret technologies

607
00:23:43,350 --> 00:23:41,440
you don't know if it's an enemy

608
00:23:44,870 --> 00:23:43,360
combatant you don't know what is being

609
00:23:47,269 --> 00:23:44,880
displayed on the monitor

610
00:23:49,190 --> 00:23:47,279
therefore it's going to remain in a

611
00:23:50,950 --> 00:23:49,200
classified status

612
00:23:52,230 --> 00:23:50,960
the only way that you would allow

613
00:23:56,070 --> 00:23:52,240

somebody to

614

00:23:59,110 --> 00:23:56,080

video that is if it is on a playback

615

00:24:01,669 --> 00:23:59,120

after it has already been determined

616

00:24:03,430 --> 00:24:01,679

that it is not a threat not a security

617

00:24:07,190 --> 00:24:03,440

risk and that it is a known

618

00:24:09,909 --> 00:24:07,200

entity great so it looks like

619

00:24:11,830 --> 00:24:09,919

to me i'm so glad that we we uh we

620

00:24:13,590 --> 00:24:11,840

delved into this because

621

00:24:15,269 --> 00:24:13,600

this is what has been bothering me about

622

00:24:17,750 --> 00:24:15,279

this latest video i'm going

623

00:24:19,350 --> 00:24:17,760

they're saying it's unclassified which

624

00:24:20,710 --> 00:24:19,360

doesn't make any sense

625

00:24:22,549 --> 00:24:20,720

and then they're saying an anonymous

626

00:24:25,110 --> 00:24:22,559

source gave it to them

627

00:24:26,549 --> 00:24:25,120

and one of the i got call it a theory

628

00:24:28,230 --> 00:24:26,559

but one of the theories that i have

629

00:24:30,710 --> 00:24:28,240

about some of the stuff that is leaking

630

00:24:33,990 --> 00:24:30,720

out is that it's training videos

631

00:24:35,110 --> 00:24:34,000

to show ufos that have then been

632

00:24:38,070 --> 00:24:35,120

identified

633

00:24:39,590 --> 00:24:38,080

and how people can be so quick to say

634

00:24:42,549 --> 00:24:39,600

it's a ufo it's a ufo

635

00:24:43,990 --> 00:24:42,559

and then they're using these things as

636

00:24:46,070 --> 00:24:44,000

examples of like

637

00:24:47,750 --> 00:24:46,080

here's one that this ship encountered

638

00:24:51,590 --> 00:24:47,760

and it turned out to be

639

00:24:53,350 --> 00:24:51,600

x y or z well take i mean that's that's

640

00:24:56,149 --> 00:24:53,360

an absolute plausible and

641

00:24:56,710 --> 00:24:56,159

highly likely scenario especially when

642

00:24:58,789 --> 00:24:56,720

you look

643

00:25:00,310 --> 00:24:58,799

at the uh the senate select committee's

644

00:25:02,470 --> 00:25:00,320

uh directive

645

00:25:04,549 --> 00:25:02,480

uh for the uaptf report that i think

646

00:25:05,510 --> 00:25:04,559

we're what like 40 days 50 days away

647

00:25:08,390 --> 00:25:05,520

from

648

00:25:11,269 --> 00:25:08,400

release now that directive was not for

649

00:25:14,070 --> 00:25:11,279

the uaptf to tell us what they know

650

00:25:15,110 --> 00:25:14,080

the directive was for the uaptf to

651
00:25:17,269 --> 00:25:15,120
explain

652
00:25:18,870 --> 00:25:17,279
what the procedures are the policies and

653
00:25:20,710 --> 00:25:18,880
procedures for the intelligence

654
00:25:21,590 --> 00:25:20,720
gathering and the reporting of these

655
00:25:24,230 --> 00:25:21,600
incidents

656
00:25:25,190 --> 00:25:24,240
so it's very very interesting that at

657
00:25:27,510 --> 00:25:25,200
the same time an

658
00:25:28,789 --> 00:25:27,520
ig report comes up that we're getting

659
00:25:30,789 --> 00:25:28,799
these videos that are

660
00:25:33,669 --> 00:25:30,799
being leaked and the navy is saying

661
00:25:36,070 --> 00:25:33,679
they're being investigated by the uaptf

662
00:25:36,789 --> 00:25:36,080
well one of the things that the uaptf

663
00:25:39,990 --> 00:25:36,799

does

664

00:25:43,350 --> 00:25:40,000

for this this uh this directive is to

665

00:25:45,909 --> 00:25:43,360

explain the process of intel gathering

666

00:25:46,870 --> 00:25:45,919

so now these videos are out there the

667

00:25:48,710 --> 00:25:46,880

uaptf

668

00:25:50,710 --> 00:25:48,720

is going to look at them they're going

669

00:25:51,190 --> 00:25:50,720

to explain how they got them who that

670

00:25:53,350 --> 00:25:51,200

who

671

00:25:55,029 --> 00:25:53,360

looked at them what was evaluated and

672

00:25:55,990 --> 00:25:55,039

what the final dispensation of these

673

00:25:58,870 --> 00:25:56,000

videos are

674

00:26:00,390 --> 00:25:58,880

so the video may not be depicting

675

00:26:03,909 --> 00:26:00,400

anything

676
00:26:06,710 --> 00:26:03,919
wild or crazy it's being or

677
00:26:07,430 --> 00:26:06,720
otherworldly or otherworldly it's being

678
00:26:09,909 --> 00:26:07,440
led to

679
00:26:12,950 --> 00:26:09,919
make us believe that way just because of

680
00:26:14,789 --> 00:26:12,960
the terminology that the navy uses so

681
00:26:16,310 --> 00:26:14,799
you look at corbell's statements he's

682
00:26:18,789 --> 00:26:16,320
out there saying that the navy has

683
00:26:21,590 --> 00:26:18,799
authenticated these videos

684
00:26:23,269 --> 00:26:21,600
okay so they authenticate the video yeah

685
00:26:24,549 --> 00:26:23,279
and and see to me language is very

686
00:26:26,549 --> 00:26:24,559
important exactly

687
00:26:28,230 --> 00:26:26,559
people people are people are saying

688
00:26:30,390 --> 00:26:28,240

they've authenticated them

689

00:26:31,990 --> 00:26:30,400

right real but that means that the video

690

00:26:32,310 --> 00:26:32,000

is not fake it doesn't mean that what

691

00:26:40,390 --> 00:26:32,320

the

692

00:26:41,750 --> 00:26:40,400

remain unidentified but we still don't

693

00:26:44,470 --> 00:26:41,760

know what the hell they are

694

00:26:45,590 --> 00:26:44,480

now the other thing i i actually wrote

695

00:26:49,269 --> 00:26:45,600

to susan go

696

00:26:51,430 --> 00:26:49,279

uh susan goff me too i got no reply

697

00:26:53,110 --> 00:26:51,440

i wrote to her on friday so i'm still

698

00:26:55,350 --> 00:26:53,120

hopeful

699

00:26:57,110 --> 00:26:55,360

but i asked basically the same questions

700

00:27:00,470 --> 00:26:57,120

that we're discussing right now

701
00:27:03,510 --> 00:27:00,480
and i ask her to specify

702
00:27:04,830 --> 00:27:03,520
what the navy means when they say that

703
00:27:07,430 --> 00:27:04,840
the video is

704
00:27:08,630 --> 00:27:07,440
authentic and i'm asking her very

705
00:27:12,230 --> 00:27:08,640
specifically

706
00:27:15,430 --> 00:27:12,240
does that mean that the navy sanctioned

707
00:27:17,430 --> 00:27:15,440
the taking of the video and sanctioned

708
00:27:20,950 --> 00:27:17,440
the release of the video

709
00:27:23,990 --> 00:27:20,960
or if by authentic it just simply means

710
00:27:25,110 --> 00:27:24,000
that yes it's a video that was taken

711
00:27:27,510 --> 00:27:25,120
with a camera

712
00:27:29,190 --> 00:27:27,520
by a human being at some point it's not

713
00:27:31,350 --> 00:27:29,200

cgi

714

00:27:32,230 --> 00:27:31,360

yeah well i hope you'll come back if you

715

00:27:34,389 --> 00:27:32,240

get an answer

716

00:27:35,909 --> 00:27:34,399

you know i i sat there in front of i got

717

00:27:37,750 --> 00:27:35,919

to tell you jeremy i sat there in front

718

00:27:39,669 --> 00:27:37,760

of my computer for a while

719

00:27:41,269 --> 00:27:39,679

and and i wrote i wrote her a list of

720

00:27:42,070 --> 00:27:41,279

questions too and but then i was

721

00:27:44,470 --> 00:27:42,080

thinking like

722

00:27:46,389 --> 00:27:44,480

you know am i really going to email this

723

00:27:46,870 --> 00:27:46,399

woman at the pentagon because like i'm

724

00:27:49,350 --> 00:27:46,880

not

725

00:27:50,710 --> 00:27:49,360

i i don't know that i consider myself a

726

00:27:53,430 --> 00:27:50,720

journalist you know

727

00:27:55,190 --> 00:27:53,440

but then i said i have a show and and i

728

00:27:57,190 --> 00:27:55,200

have an audience and they want to answer

729

00:27:59,110 --> 00:27:57,200

these questions so i sent it and we'll

730

00:28:00,149 --> 00:27:59,120

see if i i promise you i'll share mine

731

00:28:02,630 --> 00:28:00,159

if you share yours

732

00:28:05,029 --> 00:28:02,640

i'll show you mine if you show me yours

733

00:28:07,909 --> 00:28:05,039

oh i've made a promise a long time ago

734

00:28:08,549 --> 00:28:07,919

any data that i collect i do not hold

735

00:28:11,269 --> 00:28:08,559

back it

736

00:28:13,350 --> 00:28:11,279

it goes if if the data that i collect

737

00:28:15,029 --> 00:28:13,360

disproves my own personal belief i

738

00:28:16,950 --> 00:28:15,039

publish it if it proves my own personal

739

00:28:18,630 --> 00:28:16,960

belief i publish it i don't care

740

00:28:19,990 --> 00:28:18,640

what the data proves or disproves

741

00:28:22,470 --> 00:28:20,000

because it's data

742

00:28:24,710 --> 00:28:22,480

and everybody deserves the same equal

743

00:28:26,950 --> 00:28:24,720

unfettered access to the data

744

00:28:28,710 --> 00:28:26,960

um and i do want to say one thing

745

00:28:31,909 --> 00:28:28,720

because i know people get

746

00:28:34,870 --> 00:28:31,919

they get so upset when you when you

747

00:28:35,510 --> 00:28:34,880

appear to be attacking witnesses i'm a

748

00:28:37,430 --> 00:28:35,520

witness

749

00:28:39,269 --> 00:28:37,440

i saw something that i can't explain

750

00:28:42,470 --> 00:28:39,279

back in 1995 they get

751

00:28:45,590 --> 00:28:42,480

so upset folks like david fravor

752

00:28:47,510 --> 00:28:45,600

uh folks like the female wingmen uh

753

00:28:49,669 --> 00:28:47,520

alex you know these these people these

754

00:28:52,389 --> 00:28:49,679

pilots that are just coming out

755

00:28:52,950 --> 00:28:52,399

these folks are out there putting their

756

00:28:55,190 --> 00:28:52,960

lives

757

00:28:56,470 --> 00:28:55,200

on the line flying these multi-million

758

00:28:58,230 --> 00:28:56,480

dollar aircraft

759

00:29:00,789 --> 00:28:58,240

and doing exactly what they're supposed

760

00:29:03,750 --> 00:29:00,799

to be doing and they're not able to

761

00:29:06,710 --> 00:29:03,760

visually identify something i believe

762

00:29:07,750 --> 00:29:06,720

them what i'm not having an easy time

763

00:29:10,310 --> 00:29:07,760

believing

764

00:29:11,510 --> 00:29:10,320

is the information and the data that

765

00:29:15,110 --> 00:29:11,520

we're being shown

766

00:29:17,590 --> 00:29:15,120

i don't believe it corresponds

767

00:29:18,149 --> 00:29:17,600

yeah i i i would tend to agree with you

768

00:29:20,389 --> 00:29:18,159

and and

769

00:29:21,190 --> 00:29:20,399

and that's why i'm i'm frustrated with

770

00:29:23,590 --> 00:29:21,200

some of this stuff

771

00:29:24,950 --> 00:29:23,600

because you know like we talked about

772

00:29:27,269 --> 00:29:24,960

this the video

773

00:29:29,350 --> 00:29:27,279

and what people uh the videos that we're

774

00:29:32,549 --> 00:29:29,360

getting and the witnesses

775

00:29:33,510 --> 00:29:32,559

statements they don't seem to to jive

776

00:29:35,350 --> 00:29:33,520

very well

777

00:29:36,630 --> 00:29:35,360

like one of these things is not like the

778

00:29:38,310 --> 00:29:36,640

other i don't and

779

00:29:40,549 --> 00:29:38,320

and it's so it's frustrating to me

780

00:29:42,230 --> 00:29:40,559

because it's tantalizing the witnesses

781

00:29:43,909 --> 00:29:42,240

are saying all kinds of stuff and then

782

00:29:47,029 --> 00:29:43,919

the video that we get

783

00:29:50,310 --> 00:29:47,039

is is nothing yeah

784

00:29:52,950 --> 00:29:50,320

it's punk it it shows i mean i

785

00:29:53,990 --> 00:29:52,960

mick west love him or hate him uh he's

786

00:29:56,630 --> 00:29:54,000

he's kind of

787

00:29:57,269 --> 00:29:56,640

he's doing a search he's raising

788

00:29:59,110 --> 00:29:57,279

questions

789

00:30:01,430 --> 00:29:59,120

i think he goes a little bit too far in

790

00:30:03,750 --> 00:30:01,440

a lot of things he he does not

791

00:30:05,830 --> 00:30:03,760

i've never seen him change his mind i've

792

00:30:08,389 --> 00:30:05,840

never seen him take

793

00:30:09,430 --> 00:30:08,399

counter points and incorporate them into

794

00:30:11,430 --> 00:30:09,440

his theories it's

795

00:30:13,510 --> 00:30:11,440

it's either his theory or it's no theory

796

00:30:15,510 --> 00:30:13,520

and and i don't like that aspect

797

00:30:16,870 --> 00:30:15,520

um yeah but i do believe that he's

798

00:30:17,909 --> 00:30:16,880

performing a service and i don't

799

00:30:20,870 --> 00:30:17,919

understand

800

00:30:21,269 --> 00:30:20,880

people being angry with him especially

801
00:30:25,029 --> 00:30:21,279
if

802
00:30:27,110 --> 00:30:25,039
you have to realize that in some of his

803
00:30:29,669 --> 00:30:27,120
debunks he's a hundred percent correct

804
00:30:31,510 --> 00:30:29,679
some of those absolutely and then people

805
00:30:34,389 --> 00:30:31,520
are getting mad at him because i guess

806
00:30:35,909 --> 00:30:34,399
he's literally bursting their balloon

807
00:30:37,510 --> 00:30:35,919
whatever you know they want to believe

808
00:30:38,870 --> 00:30:37,520
it's aliens they don't like this guy

809
00:30:41,510 --> 00:30:38,880
coming along and

810
00:30:43,110 --> 00:30:41,520
and saying not so fast but i do believe

811
00:30:44,950 --> 00:30:43,120
that there's a place at the table for

812
00:30:46,470 --> 00:30:44,960
everyone including him

813
00:30:47,909 --> 00:30:46,480

if we're going to move the ball forward

814

00:30:48,710 --> 00:30:47,919

and really find out what this stuff is

815

00:30:50,470 --> 00:30:48,720

about

816

00:30:52,149 --> 00:30:50,480

if we're going to apply any kind of

817

00:30:53,190 --> 00:30:52,159

critical thinking to this entire

818

00:30:55,990 --> 00:30:53,200

phenomenon

819

00:30:56,870 --> 00:30:56,000

we have to have all sides of the

820

00:30:59,430 --> 00:30:56,880

arguments

821

00:31:00,230 --> 00:30:59,440

we have to look at absolutely everything

822

00:31:02,389 --> 00:31:00,240

um

823

00:31:03,990 --> 00:31:02,399

yeah and and yeah i i think he's wrong

824

00:31:07,110 --> 00:31:04,000

about the nimitz as well i

825

00:31:10,230 --> 00:31:07,120

do as well but

826

00:31:13,350 --> 00:31:10,240

we don't have video we don't have

827

00:31:17,110 --> 00:31:13,360

anything from the nimitz that

828

00:31:20,389 --> 00:31:17,120

is in line with witness testimony

829

00:31:22,630 --> 00:31:20,399

yeah yeah so it's it's just

830

00:31:24,070 --> 00:31:22,640

one of those things it's like uh you

831

00:31:25,509 --> 00:31:24,080

know this is what i'm saying with the

832

00:31:27,750 --> 00:31:25,519

frustration because

833

00:31:29,669 --> 00:31:27,760

sometimes i i start reading about one of

834

00:31:31,350 --> 00:31:29,679

these cases or whatever and i say

835

00:31:33,029 --> 00:31:31,360

you know what i should not even read

836

00:31:34,470 --> 00:31:33,039

anything about this because

837

00:31:36,070 --> 00:31:34,480

it's just we're never going to know what

838

00:31:37,590 --> 00:31:36,080

this is there's not going to be a

839

00:31:39,750 --> 00:31:37,600

definitive answer given

840

00:31:41,269 --> 00:31:39,760

there's not going to be new data so

841

00:31:44,789 --> 00:31:41,279

we're at an impasse

842

00:31:47,110 --> 00:31:44,799

right well if you look

843

00:31:48,549 --> 00:31:47,120

we have a very short memory we have a

844

00:31:50,149 --> 00:31:48,559

very short memory

845

00:31:51,590 --> 00:31:50,159

this is not the first time that we've

846

00:31:54,549 --> 00:31:51,600

done this uh

847

00:31:55,669 --> 00:31:54,559

it seems like about every 10 to 15 years

848

00:31:58,870 --> 00:31:55,679

or so

849

00:32:02,149 --> 00:31:58,880

this ufo flap happens and

850

00:32:02,950 --> 00:32:02,159

right after that somebody gets a lot of

851
00:32:05,830 --> 00:32:02,960
money

852
00:32:07,029 --> 00:32:05,840
to study something and then we never get

853
00:32:08,789 --> 00:32:07,039
the data

854
00:32:10,230 --> 00:32:08,799
from their studies i mean the last time

855
00:32:12,549 --> 00:32:10,240
this happened uh

856
00:32:15,430 --> 00:32:12,559
robert bigelow got 22 million dollars to

857
00:32:17,830 --> 00:32:15,440
study it so

858
00:32:20,389 --> 00:32:17,840
yeah i was going to mention that and

859
00:32:23,750 --> 00:32:20,399
this ig report that you talked about

860
00:32:26,950 --> 00:32:23,760
yeah because uh it appears that the ig

861
00:32:28,549 --> 00:32:26,960
is going to be investigating uh and

862
00:32:31,590 --> 00:32:28,559
there's a lot of confusion about that

863
00:32:33,029 --> 00:32:31,600

too because what does that exactly mean

864

00:32:36,310 --> 00:32:33,039

right it just means they're going to be

865

00:32:39,509 --> 00:32:36,320

taking a look at how the money was spent

866

00:32:41,669 --> 00:32:39,519

whether they well the initial right or

867

00:32:43,430 --> 00:32:41,679

well or whether they wasted a lot of it

868

00:32:44,950 --> 00:32:43,440

right when the ig gets involved isn't

869

00:32:46,470 --> 00:32:44,960

that generally because of waste and

870

00:32:49,590 --> 00:32:46,480

inefficiency and

871

00:32:52,389 --> 00:32:49,600

usually i would say probably about 90

872

00:32:53,669 --> 00:32:52,399

of the time uh the ig's investigation

873

00:32:55,269 --> 00:32:53,679

now there's a difference because an

874

00:32:58,389 --> 00:32:55,279

evaluation is different than an

875

00:33:01,350 --> 00:32:58,399

investigation and currently the ig is

876

00:33:03,669 --> 00:33:01,360

labeling this as an evaluation

877

00:33:04,470 --> 00:33:03,679

so i don't know if it's going to be

878

00:33:08,549 --> 00:33:04,480

based around

879

00:33:11,029 --> 00:33:08,559

spending my hunch my personal hunch

880

00:33:13,590 --> 00:33:11,039

is that at some point in time there was

881

00:33:15,990 --> 00:33:13,600

a senator or a congressman somewhere

882

00:33:17,750 --> 00:33:16,000

who got their panties ruffled because

883

00:33:18,470 --> 00:33:17,760

they lost the funding for their nature

884

00:33:20,470 --> 00:33:18,480

trail

885

00:33:22,070 --> 00:33:20,480

and then they found out that 22 million

886

00:33:24,549 --> 00:33:22,080

dollars went to atip

887

00:33:25,430 --> 00:33:24,559

and they launched a complaint 10 years

888

00:33:28,070 --> 00:33:25,440

ago

889

00:33:30,070 --> 00:33:28,080

about atip and the ig is just now

890

00:33:31,110 --> 00:33:30,080

getting around to doing an evaluation to

891

00:33:34,470 --> 00:33:31,120

see if it warrants an

892

00:33:35,909 --> 00:33:34,480

investigation i could be completely off

893

00:33:38,870 --> 00:33:35,919

the mark

894

00:33:40,389 --> 00:33:38,880

i know that recently uh i think today

895

00:33:41,669 --> 00:33:40,399

there was uh i didn't read the whole

896

00:33:44,310 --> 00:33:41,679

thing but it was saying something about

897

00:33:47,590 --> 00:33:44,320

the fact that uh lou alessandro himself

898

00:33:50,230 --> 00:33:47,600

initiated a second ig uh

899

00:33:51,110 --> 00:33:50,240

investigation i don't know what that's

900

00:33:54,149 --> 00:33:51,120

about

901
00:33:57,110 --> 00:33:54,159
or uh or or why

902
00:33:59,909 --> 00:33:57,120
uh so my initial theory on on how this

903
00:34:03,269 --> 00:33:59,919
happened may be completely wrong

904
00:34:05,350 --> 00:34:03,279
yeah well you know and and also

905
00:34:07,110 --> 00:34:05,360
this this is what i'm saying there's all

906
00:34:09,750 --> 00:34:07,120
the this stuff that's

907
00:34:10,389 --> 00:34:09,760
sort of it does appear to be like a ufo

908
00:34:12,470 --> 00:34:10,399
or uap

909
00:34:14,869 --> 00:34:12,480
sort of flat like lots of activity lots

910
00:34:17,829 --> 00:34:14,879
of media coverage that we haven't seen

911
00:34:19,909 --> 00:34:17,839
before and now there's talk a lot of

912
00:34:21,430 --> 00:34:19,919
talk and speculation about this report

913
00:34:22,950 --> 00:34:21,440

that's going to be coming out

914

00:34:25,030 --> 00:34:22,960

and and i kind of think that the

915

00:34:27,510 --> 00:34:25,040

excitement is not very

916

00:34:28,710 --> 00:34:27,520

well justified there's people that truly

917

00:34:30,470 --> 00:34:28,720

believe that the government's going to

918

00:34:31,990 --> 00:34:30,480

come out next month and tell us we got

919

00:34:34,869 --> 00:34:32,000

the aliens and we've got

920

00:34:36,230 --> 00:34:34,879

bodies that right patterson and i just

921

00:34:37,190 --> 00:34:36,240

no that's not going to happen

922

00:34:39,109 --> 00:34:37,200

i think they're going to give us a

923

00:34:41,430 --> 00:34:39,119

little bit of data and it's going to be

924

00:34:44,950 --> 00:34:41,440

it's going to be mostly a nothing burger

925

00:34:47,430 --> 00:34:44,960

yeah it i fully believe that for us

926
00:34:48,069 --> 00:34:47,440
for us it's going to be a nothing burger

927
00:34:50,230 --> 00:34:48,079
because

928
00:34:51,909 --> 00:34:50,240
again if you look at the directive first

929
00:34:52,470 --> 00:34:51,919
off it's a directive it's not a command

930
00:34:55,349 --> 00:34:52,480
it's not an

931
00:34:56,470 --> 00:34:55,359
order nobody in the military has to

932
00:35:00,150 --> 00:34:56,480
comply

933
00:35:00,790 --> 00:35:00,160
with this report they're requested to do

934
00:35:02,550 --> 00:35:00,800
so but

935
00:35:04,550 --> 00:35:02,560
there's no enforcement there's no teeth

936
00:35:07,349 --> 00:35:04,560
to this and again

937
00:35:09,030 --> 00:35:07,359
the report comes down to is a bifurcated

938
00:35:09,589 --> 00:35:09,040

report there's a classified version of

939

00:35:11,430 --> 00:35:09,599

this

940

00:35:12,710 --> 00:35:11,440

that is going to go to senate select

941

00:35:14,069 --> 00:35:12,720

committee for intelligence and they're

942

00:35:16,390 --> 00:35:14,079

going to get briefed on this

943

00:35:17,349 --> 00:35:16,400

then there is an unclassified version by

944

00:35:20,550 --> 00:35:17,359

request

945

00:35:22,230 --> 00:35:20,560

that is going to be supposedly a summary

946

00:35:24,069 --> 00:35:22,240

of what the uh the senate select

947

00:35:27,030 --> 00:35:24,079

committee is going to receive

948

00:35:28,069 --> 00:35:27,040

i've seen these things before i i used

949

00:35:30,230 --> 00:35:28,079

to write

950

00:35:31,750 --> 00:35:30,240

intel briefings when i was deployed in

951

00:35:34,069 --> 00:35:31,760

the middle east that would get

952

00:35:35,190 --> 00:35:34,079

uh sent to the jcs and things so i i

953

00:35:38,390 --> 00:35:35,200

understand

954

00:35:41,030 --> 00:35:38,400

the process behind this um

955

00:35:41,670 --> 00:35:41,040

we're going to get we are going to get

956

00:35:44,870 --> 00:35:41,680

pretty much

957

00:35:47,349 --> 00:35:44,880

a a two paragraph statement

958

00:35:49,190 --> 00:35:47,359

that is saying that they did their best

959

00:35:50,710 --> 00:35:49,200

waiting all this time for a two

960

00:35:51,670 --> 00:35:50,720

paragraph statement that's all we're

961

00:35:55,510 --> 00:35:51,680

going to get

962

00:35:57,030 --> 00:35:55,520

probably going to be an extension on

963

00:35:57,990 --> 00:35:57,040

this there's probably going to be a

964

00:36:00,150 --> 00:35:58,000

briefing that goes

965

00:36:01,670 --> 00:36:00,160

to the the senate select committee but

966

00:36:02,790 --> 00:36:01,680

it's probably not going to be sufficient

967

00:36:04,870 --> 00:36:02,800

the briefing that they get

968

00:36:06,470 --> 00:36:04,880

is probably going to be the request for

969

00:36:10,150 --> 00:36:06,480

an extension

970

00:36:10,550 --> 00:36:10,160

i don't see anything relevatory coming

971

00:36:14,390 --> 00:36:10,560

out

972

00:36:17,349 --> 00:36:14,400

of of this uaptf report um

973

00:36:19,829 --> 00:36:17,359

primarily because i don't think the

974

00:36:22,950 --> 00:36:19,839

government knows

975

00:36:23,430 --> 00:36:22,960

yeah i'm with you on that yeah yeah you

976
00:36:24,710 --> 00:36:23,440
know

977
00:36:26,470 --> 00:36:24,720
one of the other things that i wanted to

978
00:36:28,230 --> 00:36:26,480
ask you about because you

979
00:36:30,470 --> 00:36:28,240
you formerly worked for the government

980
00:36:31,750 --> 00:36:30,480
and uh you know the narrative has been

981
00:36:33,109 --> 00:36:31,760
for 70 years

982
00:36:35,349 --> 00:36:33,119
you know with stanton friedman and the

983
00:36:37,109 --> 00:36:35,359
cosmic watergate so the narrative has

984
00:36:39,910 --> 00:36:37,119
always been that the government

985
00:36:42,550 --> 00:36:39,920
knows about what they're seeing and

986
00:36:44,150 --> 00:36:42,560
knows about aliens and is covering it up

987
00:36:45,910 --> 00:36:44,160
and now there seems to be this switch

988
00:36:48,230 --> 00:36:45,920

that all of these former letter of the

989

00:36:51,589 --> 00:36:48,240

alphabet people that were in tsa

990

00:36:53,829 --> 00:36:51,599

or other you know efforts

991

00:36:55,670 --> 00:36:53,839

are are supposed to be talking now and

992

00:36:57,349 --> 00:36:55,680

we're supposed to trust what they say

993

00:36:59,430 --> 00:36:57,359

and i have a real hard time with that

994

00:37:03,589 --> 00:36:59,440

isn't that strange

995

00:37:09,190 --> 00:37:06,230

i just i just don't i mean and to

996

00:37:12,310 --> 00:37:09,200

quantify or to qualify that remark

997

00:37:15,910 --> 00:37:12,320

i've done things in

998

00:37:17,430 --> 00:37:15,920

in my service that if i had been a

999

00:37:19,510 --> 00:37:17,440

civilian watching i would have been

1000

00:37:21,750 --> 00:37:19,520

shocked

1001
00:37:22,870 --> 00:37:21,760
so i understand what the government is

1002
00:37:24,950 --> 00:37:22,880
capable of

1003
00:37:26,390 --> 00:37:24,960
uh in in my personal experience and you

1004
00:37:28,150 --> 00:37:26,400
can probably multiply that by a

1005
00:37:31,190 --> 00:37:28,160
magnitude of a thousand

1006
00:37:33,829 --> 00:37:31,200
um to the other things that they've done

1007
00:37:35,190 --> 00:37:33,839
so i i don't i don't trust the

1008
00:37:38,790 --> 00:37:35,200
government we have

1009
00:37:40,150 --> 00:37:38,800
we have testimony uh about operation

1010
00:37:42,150 --> 00:37:40,160
mockingbird

1011
00:37:43,589 --> 00:37:42,160
that and and for your listeners that

1012
00:37:44,790 --> 00:37:43,599
don't understand what an operation

1013
00:37:48,150 --> 00:37:44,800

mockingbird is

1014

00:37:51,190 --> 00:37:48,160

this was a cia program

1015

00:37:54,310 --> 00:37:51,200

where the cia would pay

1016

00:37:56,710 --> 00:37:54,320

people to write articles in newspapers

1017

00:37:58,630 --> 00:37:56,720

and journals and submit movie scripts

1018

00:38:01,670 --> 00:37:58,640

and do everything that they could

1019

00:38:03,430 --> 00:38:01,680

to try to influence the zeitgeist of the

1020

00:38:05,670 --> 00:38:03,440

united states population

1021

00:38:06,550 --> 00:38:05,680

that way they could control the process

1022

00:38:09,510 --> 00:38:06,560

of thought

1023

00:38:12,310 --> 00:38:09,520

and kind of direct a generation to

1024

00:38:12,950 --> 00:38:12,320

specific ideas and thought processes and

1025

00:38:15,510 --> 00:38:12,960

we know

1026
00:38:17,589 --> 00:38:15,520
this happened because there is testimony

1027
00:38:19,190 --> 00:38:17,599
there was a congressional inquiry back

1028
00:38:21,510 --> 00:38:19,200
in the 1970s

1029
00:38:23,349 --> 00:38:21,520
which got the director of the cia at the

1030
00:38:26,230 --> 00:38:23,359
time to admit

1031
00:38:26,630 --> 00:38:26,240
that they paid people to do this there

1032
00:38:29,670 --> 00:38:26,640
is

1033
00:38:30,829 --> 00:38:29,680
zero documentation whatsoever that says

1034
00:38:34,630 --> 00:38:30,839
that this was ever

1035
00:38:36,550 --> 00:38:34,640
cancelled yeah yeah and a lot of people

1036
00:38:37,829 --> 00:38:36,560
have speculated that a lot of these

1037
00:38:41,910 --> 00:38:37,839
players

1038
00:38:44,550 --> 00:38:41,920

ufo celebrities that are out there

1039

00:38:46,470 --> 00:38:44,560

are in fact maybe government

1040

00:38:48,710 --> 00:38:46,480

disinformation agents which is

1041

00:38:50,390 --> 00:38:48,720

interesting and when people say i'm glad

1042

00:38:51,190 --> 00:38:50,400

you mentioned operation mockingbird

1043

00:38:53,430 --> 00:38:51,200

because

1044

00:38:54,710 --> 00:38:53,440

when people say oh that's ridiculous i

1045

00:38:56,390 --> 00:38:54,720

asked them if they ever heard of

1046

00:38:57,910 --> 00:38:56,400

mockingbird or some of the other things

1047

00:38:58,710 --> 00:38:57,920

our government has done my other

1048

00:39:02,950 --> 00:38:58,720

favorite is

1049

00:39:06,550 --> 00:39:05,750

that's when they they ran it they ran uh

1050

00:39:09,829 --> 00:39:06,560

they ran

1051
00:39:10,550 --> 00:39:09,839
at a house of ill repute and dosed

1052
00:39:14,550 --> 00:39:10,560
people

1053
00:39:19,270 --> 00:39:16,710
we have done some very nefarious things

1054
00:39:22,870 --> 00:39:19,280
to our own people we continue to do it

1055
00:39:23,829 --> 00:39:22,880
um and it's it's it's crazy what we're

1056
00:39:28,310 --> 00:39:23,839
doing so

1057
00:39:31,349 --> 00:39:28,320
i i without getting too conspiratorial

1058
00:39:34,790 --> 00:39:31,359
there is there is something

1059
00:39:37,910 --> 00:39:34,800
in our skies there is in my belief

1060
00:39:39,829 --> 00:39:37,920
there is an off-world presence or an

1061
00:39:41,589 --> 00:39:39,839
ultra world presence or an

1062
00:39:44,630 --> 00:39:41,599
interdimensional presence

1063
00:39:49,190 --> 00:39:44,640

that is occurring and has been occurring

1064

00:39:52,390 --> 00:39:49,200

for thousands upon thousands of years

1065

00:39:54,550 --> 00:39:52,400

but they haven't blown us up

1066

00:39:56,790 --> 00:39:54,560

and if they haven't blown us up or

1067

00:39:59,750 --> 00:39:56,800

destroyed us or done anything else

1068

00:40:02,470 --> 00:39:59,760

nefarious to our civilization

1069

00:40:04,069 --> 00:40:02,480

then i do not believe that they are now

1070

00:40:06,710 --> 00:40:04,079

magically a threat

1071

00:40:08,790 --> 00:40:06,720

they show up over our nuclear uh

1072

00:40:09,670 --> 00:40:08,800

carriers they show up over our nuclear

1073

00:40:12,790 --> 00:40:09,680

power plants

1074

00:40:15,589 --> 00:40:12,800

my sighting back in 95 was nuclear

1075

00:40:18,309 --> 00:40:15,599

material related

1076

00:40:20,550 --> 00:40:18,319

but they don't do anything they haven't

1077

00:40:22,309 --> 00:40:20,560

shut down our carriers we haven't lost a

1078

00:40:24,230 --> 00:40:22,319

submarine because of them

1079

00:40:26,069 --> 00:40:24,240

our power plants haven't gone offline

1080

00:40:27,910 --> 00:40:26,079

there is anecdotal evidence to say that

1081

00:40:30,950 --> 00:40:27,920

they've shut down our missiles

1082

00:40:34,069 --> 00:40:30,960

but they didn't launch any so

1083

00:40:36,550 --> 00:40:34,079

it would seem that these are not

1084

00:40:37,270 --> 00:40:36,560

and we would it would seem to me that

1085

00:40:40,710 --> 00:40:37,280

the threat

1086

00:40:43,510 --> 00:40:40,720

is not something that would require

1087

00:40:43,990 --> 00:40:43,520

20 or 60 or 80 million dollar annual

1088

00:40:47,510 --> 00:40:44,000

budget

1089

00:40:49,270 --> 00:40:47,520

for a research group or tens of

1090

00:40:50,550 --> 00:40:49,280

millions tens of hundreds of millions of

1091

00:40:53,109 --> 00:40:50,560

dollars in

1092

00:40:54,309 --> 00:40:53,119

increased defense spending i mean if

1093

00:40:56,870 --> 00:40:54,319

these things can

1094

00:40:58,630 --> 00:40:56,880

shut down our nuclear weapons what the

1095

00:40:59,670 --> 00:40:58,640

hell are we going to use to shoot them

1096

00:41:02,710 --> 00:40:59,680

out of the sky with

1097

00:41:03,910 --> 00:41:02,720

i think that too and i also always think

1098

00:41:06,069 --> 00:41:03,920

with these people that are running

1099

00:41:07,270 --> 00:41:06,079

around pushing a threat narrative i

1100

00:41:09,430 --> 00:41:07,280

supposed to try to

1101
00:41:10,309 --> 00:41:09,440
get increased funding you know play

1102
00:41:12,470 --> 00:41:10,319
money to

1103
00:41:13,910 --> 00:41:12,480
hide whatever it is they want but my

1104
00:41:16,950 --> 00:41:13,920
point is if these

1105
00:41:19,030 --> 00:41:16,960
if these if they truly are you know from

1106
00:41:22,150 --> 00:41:19,040
another solar system for example

1107
00:41:24,069 --> 00:41:22,160
or from another dimension right that

1108
00:41:26,950 --> 00:41:24,079
means they have technology that is a

1109
00:41:29,190 --> 00:41:26,960
million years ahead of us

1110
00:41:31,109 --> 00:41:29,200
ahead of us or something and and they'd

1111
00:41:32,150 --> 00:41:31,119
have to have weapons that we could never

1112
00:41:33,829 --> 00:41:32,160
even compete with

1113
00:41:35,190 --> 00:41:33,839

you know it would be like they could

1114

00:41:37,190 --> 00:41:35,200

just exterminate us

1115

00:41:39,349 --> 00:41:37,200

at the flip of a switch and you know

1116

00:41:42,470 --> 00:41:39,359

what funding may not even be a weapon

1117

00:41:44,470 --> 00:41:42,480

it may not even be a weapon um

1118

00:41:46,309 --> 00:41:44,480

there are there's a lot of hypothesizing

1119

00:41:47,270 --> 00:41:46,319

that says that the civilization can last

1120

00:41:50,150 --> 00:41:47,280

that long

1121

00:41:51,030 --> 00:41:50,160

and make it past its own great filter

1122

00:41:53,430 --> 00:41:51,040

event

1123

00:41:54,470 --> 00:41:53,440

then it would be by necessity a

1124

00:41:58,390 --> 00:41:54,480

benevolent

1125

00:42:00,069 --> 00:41:58,400

society but that doesn't mean that

1126
00:42:01,670 --> 00:42:00,079
they don't have a technology that can be

1127
00:42:02,470 --> 00:42:01,680
used as a weapon i can stab you with a

1128
00:42:05,829 --> 00:42:02,480
pencil

1129
00:42:08,150 --> 00:42:05,839
weapon

1130
00:42:09,270 --> 00:42:08,160
it's a tool so they may not have

1131
00:42:11,270 --> 00:42:09,280
developed weapons

1132
00:42:13,190 --> 00:42:11,280
specifically to annihilate earth but

1133
00:42:15,829 --> 00:42:13,200
they may carry technology

1134
00:42:17,510 --> 00:42:15,839
that has that capability uh so maybe

1135
00:42:19,990 --> 00:42:17,520
they're doing an ionization

1136
00:42:20,870 --> 00:42:20,000
uh study and separating hydrogen from

1137
00:42:22,550 --> 00:42:20,880
water and

1138
00:42:25,349 --> 00:42:22,560

they happen to have the ability to

1139

00:42:28,150 --> 00:42:25,359

evaporate all the oceans on the earth

1140

00:42:28,950 --> 00:42:28,160

um not designed as a weapon but you know

1141

00:42:31,510 --> 00:42:28,960

it's you know

1142

00:42:32,870 --> 00:42:31,520

things like that so but i don't i really

1143

00:42:36,790 --> 00:42:32,880

don't believe

1144

00:42:40,390 --> 00:42:36,800

that what is in our skies now poses

1145

00:42:43,030 --> 00:42:40,400

an immediate and and pressing

1146

00:42:44,630 --> 00:42:43,040

threat to either our civilization or

1147

00:42:48,069 --> 00:42:44,640

another's with

1148

00:42:51,910 --> 00:42:48,079

one exception if this

1149

00:42:53,190 --> 00:42:51,920

falls out of the sky if this falls out

1150

00:42:56,630 --> 00:42:53,200

of the sky

1151

00:42:59,829 --> 00:42:56,640

china

1152

00:43:01,750 --> 00:42:59,839

or iran and they have the ability to

1153

00:43:02,870 --> 00:43:01,760

reverse engineer it or they have the

1154

00:43:06,230 --> 00:43:02,880

ability to somehow

1155

00:43:09,109 --> 00:43:06,240

figure out how to use it then then we

1156

00:43:10,150 --> 00:43:09,119

are screwed yeah and we are screwed huge

1157

00:43:13,349 --> 00:43:10,160

so the threat

1158

00:43:14,870 --> 00:43:13,359

isn't the uap themselves in my book but

1159

00:43:18,309 --> 00:43:14,880

it is the possession

1160

00:43:19,910 --> 00:43:18,319

of a uap by an enemy state yeah

1161

00:43:21,510 --> 00:43:19,920

and you know the other thing i was going

1162

00:43:22,870 --> 00:43:21,520

to ask you about is i i

1163

00:43:24,710 --> 00:43:22,880

have a problem with people talking to

1164

00:43:26,390 --> 00:43:24,720

absolutes like we talked about

1165

00:43:28,950 --> 00:43:26,400

these couldn't be made on earth the

1166

00:43:29,750 --> 00:43:28,960

other the other side of the coin is that

1167

00:43:31,670 --> 00:43:29,760

i've heard

1168

00:43:34,630 --> 00:43:31,680

you know we've got like the greer camp

1169

00:43:37,829 --> 00:43:34,640

saying that all ets are benevolent

1170

00:43:40,870 --> 00:43:37,839

and uh that drives me crazy too because

1171

00:43:41,270 --> 00:43:40,880

i just can't i can't get my brain around

1172

00:43:44,069 --> 00:43:41,280

making

1173

00:43:46,230 --> 00:43:44,079

such a blanket statement right like

1174

00:43:48,630 --> 00:43:46,240

maybe some are good and some are bad

1175

00:43:50,470 --> 00:43:48,640

right yeah certainly there's got to be

1176

00:43:51,190 --> 00:43:50,480

if there is other species out there in

1177

00:43:52,550 --> 00:43:51,200

the universe

1178

00:43:54,470 --> 00:43:52,560

some of them are going to be like us

1179

00:43:57,030 --> 00:43:54,480

like like territorial

1180

00:43:58,550 --> 00:43:57,040

fight over resources right well i i

1181

00:44:00,870 --> 00:43:58,560

think that we can disprove

1182

00:44:02,790 --> 00:44:00,880

greer right off the bat because if we're

1183

00:44:06,069 --> 00:44:02,800

talking about the phenomena

1184

00:44:06,790 --> 00:44:06,079

and and we're lumping in a little bit of

1185

00:44:09,589 --> 00:44:06,800

everything

1186

00:44:10,790 --> 00:44:09,599

into the phenomena and take for example

1187

00:44:16,150 --> 00:44:10,800

skin walker

1188

00:44:17,349 --> 00:44:16,160

whoever happens to be walking around you

1189

00:44:19,270 --> 00:44:17,359

don't necessarily

1190

00:44:20,550 --> 00:44:19,280

want to be on skin walker when a portal

1191

00:44:22,230 --> 00:44:20,560

opens up because you might just be

1192

00:44:24,309 --> 00:44:22,240

getting your arms and legs ripped off by

1193

00:44:25,829 --> 00:44:24,319

something that pops out

1194

00:44:28,069 --> 00:44:25,839

would be it would definitely not be

1195

00:44:28,790 --> 00:44:28,079

benevolent that is not benevolent and

1196

00:44:31,510 --> 00:44:28,800

when i had a

1197

00:44:32,630 --> 00:44:31,520

i've had several or actually i'm not

1198

00:44:33,510 --> 00:44:32,640

gonna say several because that's

1199

00:44:36,230 --> 00:44:33,520

inaccurate i've had

1200

00:44:38,390 --> 00:44:36,240

two very long discussions conversations

1201

00:44:39,990 --> 00:44:38,400

with colonel john alexander

1202

00:44:41,990 --> 00:44:40,000

he lives right down the road from me

1203

00:44:44,390 --> 00:44:42,000

here in las vegas and uh

1204

00:44:46,150 --> 00:44:44,400

i'm nurturing that relationship but i

1205

00:44:49,589 --> 00:44:46,160

asked colonel alexander

1206

00:44:52,630 --> 00:44:49,599

if the phenomenon is a terrible thing

1207

00:44:55,030 --> 00:44:52,640

and he paused and he licked his lips a

1208

00:44:56,870 --> 00:44:55,040

little bit and he thought very carefully

1209

00:44:58,150 --> 00:44:56,880

before he answered my question and he

1210

00:45:01,990 --> 00:44:58,160

looks right at me

1211

00:45:05,510 --> 00:45:02,000

and he goes the phenomena itself

1212

00:45:07,510 --> 00:45:05,520

is not terrible but there are terrible

1213

00:45:09,270 --> 00:45:07,520

aspects to it well that's kind of

1214

00:45:11,270 --> 00:45:09,280

terrifying too though

1215

00:45:12,950 --> 00:45:11,280

yeah and this is this is the guy that

1216

00:45:13,829 --> 00:45:12,960

started midge this is the guy that

1217

00:45:15,670 --> 00:45:13,839

started

1218

00:45:17,190 --> 00:45:15,680

you know studied skinwalker this is the

1219

00:45:17,990 --> 00:45:17,200

guy that worked at the los alamos

1220

00:45:21,349 --> 00:45:18,000

physics lab

1221

00:45:23,109 --> 00:45:21,359

and and knows he knows a whole lot more

1222

00:45:25,510 --> 00:45:23,119

than he will ever say

1223

00:45:27,430 --> 00:45:25,520

um but and for him to say that there are

1224

00:45:30,710 --> 00:45:27,440

terrible aspects to this

1225

00:45:32,710 --> 00:45:30,720

i think stephen greer can go get ben

1226

00:45:34,470 --> 00:45:32,720

yeah i kind of make fun of him i you

1227

00:45:36,150 --> 00:45:34,480

know i do i did a parody called dr

1228

00:45:38,150 --> 00:45:36,160

stephen greed here

1229

00:45:39,190 --> 00:45:38,160

you know because he disclosure ain't

1230

00:45:42,950 --> 00:45:39,200

free

1231

00:45:46,630 --> 00:45:42,960

right no and i i take people

1232

00:45:48,630 --> 00:45:46,640

absolutely 333.

1233

00:45:49,670 --> 00:45:48,640

and you get access to the truth brother

1234

00:45:52,230 --> 00:45:49,680

um

1235

00:45:53,349 --> 00:45:52,240

you know i i take people to task that

1236

00:45:55,829 --> 00:45:53,359

sell

1237

00:45:56,870 --> 00:45:55,839

access to information and that's one of

1238

00:45:58,390 --> 00:45:56,880

the things that i did

1239

00:46:00,309 --> 00:45:58,400

when i when i started creating the

1240

00:46:01,990 --> 00:46:00,319

osiris as i went public

1241

00:46:03,990 --> 00:46:02,000

and i said that whatever the data is

1242

00:46:04,630 --> 00:46:04,000

that i collect i will disseminate it to

1243

00:46:06,390 --> 00:46:04,640

the world

1244

00:46:08,230 --> 00:46:06,400

oh yeah it don't work for those that

1245

00:46:09,670 --> 00:46:08,240

don't know can you explain this osiris

1246

00:46:11,910 --> 00:46:09,680

thing because he's got a video

1247

00:46:13,349 --> 00:46:11,920

on his this is an amazing thing that he

1248

00:46:15,910 --> 00:46:13,359

built

1249

00:46:18,550 --> 00:46:15,920

bad it's cool i'm gonna come there and

1250

00:46:19,750 --> 00:46:18,560

drive it around

1251
00:46:21,670 --> 00:46:19,760
well let me give you the whole back

1252
00:46:23,109 --> 00:46:21,680
story so because if i tell you exactly

1253
00:46:24,470 --> 00:46:23,119
what it is right off the bat it still

1254
00:46:27,349 --> 00:46:24,480
won't make much sense

1255
00:46:28,950 --> 00:46:27,359
um after my sighting that i had back in

1256
00:46:31,670 --> 00:46:28,960
1995 i sat

1257
00:46:32,150 --> 00:46:31,680
on this whole experience and then i i

1258
00:46:34,069 --> 00:46:32,160
ended up

1259
00:46:35,190 --> 00:46:34,079
through a weird series of events i ended

1260
00:46:37,430 --> 00:46:35,200
up on the tv show

1261
00:46:38,630 --> 00:46:37,440
uh unidentified inside america's ufo

1262
00:46:41,990 --> 00:46:38,640
investigation

1263
00:46:43,829 --> 00:46:42,000

i was in season two episode three uh

1264

00:46:45,349 --> 00:46:43,839

met lou talked to lou hell i spent a

1265

00:46:49,109 --> 00:46:45,359

week at lou's house uh

1266

00:46:52,309 --> 00:46:49,119

at the beginning of this year um

1267

00:46:53,510 --> 00:46:52,319

anyway i got to the point where i

1268

00:46:55,670 --> 00:46:53,520

started believing

1269

00:46:58,390 --> 00:46:55,680

convinced myself that we're never going

1270

00:47:01,589 --> 00:46:58,400

to get the actual truth

1271

00:47:04,069 --> 00:47:01,599

from this or any other government so

1272

00:47:04,630 --> 00:47:04,079

i started trying to figure out what i

1273

00:47:07,670 --> 00:47:04,640

could do

1274

00:47:08,230 --> 00:47:07,680

to find out what the hell is in our

1275

00:47:11,349 --> 00:47:08,240

skies

1276
00:47:11,670 --> 00:47:11,359
for myself so i found an organization

1277
00:47:13,270 --> 00:47:11,680
called

1278
00:47:15,510 --> 00:47:13,280
sky hub and you can visit them on the

1279
00:47:17,589 --> 00:47:15,520
web skyhub.org

1280
00:47:18,630 --> 00:47:17,599
and they've built a or they've designed

1281
00:47:22,069 --> 00:47:18,640
i should say

1282
00:47:24,309 --> 00:47:22,079
a a very robust platform that

1283
00:47:26,390 --> 00:47:24,319
will allow you to purchase certain

1284
00:47:28,309 --> 00:47:26,400
pieces and parts and electronics from

1285
00:47:29,589 --> 00:47:28,319
amazon and places like that and they

1286
00:47:32,710 --> 00:47:29,599
tell you how to assemble it

1287
00:47:33,349 --> 00:47:32,720
cool organization yeah it really is the

1288
00:47:36,790 --> 00:47:33,359

gist of this

1289

00:47:38,150 --> 00:47:36,800

is the fact that i have i took my daily

1290

00:47:41,430 --> 00:47:38,160

driver i'm not rich

1291

00:47:45,190 --> 00:47:41,440

i don't make a lot of money so my driver

1292

00:47:48,150 --> 00:47:45,200

was a 1999 land rover discovery 2

1293

00:47:50,150 --> 00:47:48,160

a very capable off-road vehicle and i

1294

00:47:51,750 --> 00:47:50,160

started drilling holes in the roof of

1295

00:47:54,230 --> 00:47:51,760

this thing and i was running

1296

00:47:55,270 --> 00:47:54,240

cat5 ethernet cable and mounting fisheye

1297

00:47:57,510 --> 00:47:55,280

cameras and

1298

00:47:59,750 --> 00:47:57,520

drilling more holes and putting 80sb

1299

00:48:03,829 --> 00:47:59,760

antennas on it

1300

00:48:06,470 --> 00:48:03,839

which is cool guys insane vehicle so

1301
00:48:07,430 --> 00:48:06,480
i created your very own mystery machine

1302
00:48:08,549 --> 00:48:07,440
well it yes

1303
00:48:10,230 --> 00:48:08,559
it's kind of like a it's kind of like a

1304
00:48:11,990 --> 00:48:10,240
four wheel drive version of ecto one

1305
00:48:14,950 --> 00:48:12,000
from the ghostbusters really

1306
00:48:15,589 --> 00:48:14,960
um so i've i've got this vehicle that

1307
00:48:17,670 --> 00:48:15,599
i'm

1308
00:48:19,510 --> 00:48:17,680
i cruise around in and i go to hot spots

1309
00:48:21,990 --> 00:48:19,520
and i try to find

1310
00:48:22,710 --> 00:48:22,000
uh scientific data that would prove to

1311
00:48:25,990 --> 00:48:22,720
me

1312
00:48:29,349 --> 00:48:26,000
the existence of off-world uh or

1313
00:48:31,190 --> 00:48:29,359

otherworldly type of vehicles um

1314

00:48:33,430 --> 00:48:31,200

so i've so i've got the osiris and i

1315

00:48:33,990 --> 00:48:33,440

forgot where we where i was going before

1316

00:48:36,069 --> 00:48:34,000

we uh we

1317

00:48:37,190 --> 00:48:36,079

got in i just asked you to explain the

1318

00:48:38,870 --> 00:48:37,200

osiris and

1319

00:48:40,230 --> 00:48:38,880

building it and its capabilities and

1320

00:48:42,630 --> 00:48:40,240

what you're doing with it

1321

00:48:45,030 --> 00:48:42,640

yeah so it's one of the things that i'm

1322

00:48:46,549 --> 00:48:45,040

i'm doing because i don't believe that

1323

00:48:48,309 --> 00:48:46,559

we're ever going to get a straight

1324

00:48:50,710 --> 00:48:48,319

answer a valid answer

1325

00:48:52,069 --> 00:48:50,720

and a factual answer from this or any

1326

00:48:55,190 --> 00:48:52,079

other government so

1327

00:48:58,230 --> 00:48:55,200

i'm trying to encourage armies

1328

00:48:58,950 --> 00:48:58,240

of people in any state country territory

1329

00:49:02,630 --> 00:48:58,960

wherever you

1330

00:49:06,069 --> 00:49:02,640

are build a sky hub build a device

1331

00:49:09,510 --> 00:49:06,079

standardize the citizens ability

1332

00:49:11,990 --> 00:49:09,520

to collect data so that we're not using

1333

00:49:14,150 --> 00:49:12,000

an iphone 6 or a galaxy 3 or

1334

00:49:15,430 --> 00:49:14,160

you know a nokia and everybody has

1335

00:49:17,349 --> 00:49:15,440

different cameras and different

1336

00:49:19,910 --> 00:49:17,359

processors and

1337

00:49:23,190 --> 00:49:19,920

everything's the same with skyhub so you

1338

00:49:25,030 --> 00:49:23,200

can you know how to interpret the data

1339

00:49:26,950 --> 00:49:25,040

and i think that you know once we once

1340

00:49:28,870 --> 00:49:26,960

we get a couple of thousand of these

1341

00:49:30,549 --> 00:49:28,880

things around the planet

1342

00:49:32,230 --> 00:49:30,559

we're not going to have to depend on the

1343

00:49:33,910 --> 00:49:32,240

government to tell us anything we're

1344

00:49:37,349 --> 00:49:33,920

going to be telling the government

1345

00:49:38,950 --> 00:49:37,359

what we're seeing interesting yeah

1346

00:49:40,470 --> 00:49:38,960

and you've got the vehicle to do it

1347

00:49:42,470 --> 00:49:40,480

right you've got like you have like

1348

00:49:45,589 --> 00:49:42,480

clear cameras and stuff on the roof or

1349

00:49:50,630 --> 00:49:48,790

like i said i'm not rich so i am i am

1350

00:49:53,270 --> 00:49:50,640

beholden to my budget

1351

00:49:55,109 --> 00:49:53,280

uh but i have incorporated i have a

1352

00:49:58,309 --> 00:49:55,119

fully functional weather station

1353

00:50:00,950 --> 00:49:58,319

that's integrated into the vehicle now

1354

00:50:02,790 --> 00:50:00,960

when uh when i was up with uh with lou

1355

00:50:04,710 --> 00:50:02,800

elizondo at his place

1356

00:50:06,390 --> 00:50:04,720

uh you know he and i were talking about

1357

00:50:07,190 --> 00:50:06,400

some of the theories that jacques valet

1358

00:50:10,470 --> 00:50:07,200

had

1359

00:50:12,390 --> 00:50:10,480

in in trying to elicit uh dynamic

1360

00:50:14,309 --> 00:50:12,400

responses from uap

1361

00:50:16,870 --> 00:50:14,319

uh and and if you don't know jacques

1362

00:50:18,549 --> 00:50:16,880

valet was basically an inspiration for

1363

00:50:18,950 --> 00:50:18,559

steven spielberg's close encounters at

1364

00:50:20,870 --> 00:50:18,960

the third

1365

00:50:22,630 --> 00:50:20,880

yeah i was aware of that sure yeah and

1366

00:50:24,390 --> 00:50:22,640

uh with with the way that the uh the

1367

00:50:25,349 --> 00:50:24,400

military was using the flashing lights

1368

00:50:28,309 --> 00:50:25,359

and the sound

1369

00:50:29,030 --> 00:50:28,319

that's that's a valet theory so what

1370

00:50:31,910 --> 00:50:29,040

i've done

1371

00:50:32,309 --> 00:50:31,920

is just recently uh i've incorporated

1372

00:50:35,589 --> 00:50:32,319

some

1373

00:50:38,630 --> 00:50:35,599

extremely high intensity led

1374

00:50:40,950 --> 00:50:38,640

uh full like 16.9 million color

1375

00:50:42,710 --> 00:50:40,960

spectral lights on the top of this thing

1376

00:50:44,230 --> 00:50:42,720

uh and i'm programming them with very

1377

00:50:48,069 --> 00:50:44,240

specific patterns so

1378

00:50:51,510 --> 00:50:48,079

in the event that my sensor stack

1379

00:50:51,829 --> 00:50:51,520

pings an unknown i can flip these lights

1380

00:50:54,870 --> 00:50:51,839

on

1381

00:50:58,069 --> 00:50:54,880

and attempt to signal um to

1382

00:50:58,549 --> 00:50:58,079

what end i have no idea um and and

1383

00:51:00,630 --> 00:50:58,559

that's

1384

00:51:01,750 --> 00:51:00,640

i'm not stopping there it doesn't it's

1385

00:51:04,470 --> 00:51:01,760

neat it's neat

1386

00:51:06,309 --> 00:51:04,480

can i ask you because you know what got

1387

00:51:08,549 --> 00:51:06,319

me started is that i saw

1388

00:51:11,109 --> 00:51:08,559

i saw something when i was a child and

1389

00:51:12,950 --> 00:51:11,119

now i felt electricity in the air

1390

00:51:14,470 --> 00:51:12,960

so you know i always ask people that are

1391

00:51:16,870 --> 00:51:14,480

building these kind of things like

1392

00:51:19,030 --> 00:51:16,880

the or doing field investigations do you

1393

00:51:20,950 --> 00:51:19,040

have some scientific measuring equipment

1394

00:51:24,950 --> 00:51:20,960

with magnetometers or

1395

00:51:26,950 --> 00:51:24,960

electrostatic meters to tell well not

1396

00:51:28,710 --> 00:51:26,960

not only that but i've i've built a

1397

00:51:30,710 --> 00:51:28,720

faraday cage in the back of my vehicle

1398

00:51:31,750 --> 00:51:30,720

which now houses all the electronics to

1399

00:51:34,069 --> 00:51:31,760

isolate

1400

00:51:34,950 --> 00:51:34,079

uh the electronics from any type of uh

1401

00:51:37,109 --> 00:51:34,960

emp when

1402

00:51:38,309 --> 00:51:37,119

when we when i was up in uh in wyoming

1403

00:51:40,390 --> 00:51:38,319

at lew's house

1404

00:51:42,390 --> 00:51:40,400

i don't know what caused it uh we were

1405

00:51:43,270 --> 00:51:42,400

having a series of synchronicity events

1406

00:51:45,430 --> 00:51:43,280

and some

1407

00:51:46,390 --> 00:51:45,440

really really strange things were

1408

00:51:49,589 --> 00:51:46,400

happening

1409

00:51:53,190 --> 00:51:49,599

uh but uh but the uh the sensor stack

1410

00:51:56,150 --> 00:51:53,200

caught fire at a very inopportune time

1411

00:51:57,829 --> 00:51:56,160

uh right in the middle of the uh uh an

1412

00:52:00,150 --> 00:51:57,839

incident that we were having

1413

00:52:01,670 --> 00:52:00,160

so i've i've hardened it i've put it in

1414

00:52:05,430 --> 00:52:01,680

a faraday cage

1415

00:52:05,910 --> 00:52:05,440

and what i mean just faraday cage will

1416

00:52:07,430 --> 00:52:05,920

stop

1417

00:52:09,190 --> 00:52:07,440

any electrical interference from

1418

00:52:12,069 --> 00:52:09,200

damaging or or

1419

00:52:13,670 --> 00:52:12,079

taking out an electronics device correct

1420

00:52:16,309 --> 00:52:13,680

people commonly will put i've got a

1421

00:52:18,230 --> 00:52:16,319

faraday cage at the cabin

1422

00:52:21,030 --> 00:52:18,240

it's part of my apocalypse kit and i

1423

00:52:23,750 --> 00:52:21,040

have cbs and a ham radio and a few other

1424

00:52:26,150 --> 00:52:23,760

things inside it just in case of an emp

1425

00:52:27,430 --> 00:52:26,160

uh i could go into the cage take those

1426

00:52:28,150 --> 00:52:27,440

items out and they would still be

1427

00:52:30,150 --> 00:52:28,160

functional

1428

00:52:31,829 --> 00:52:30,160

after an event like that there's a

1429

00:52:33,349 --> 00:52:31,839

comment in the chat from b baker where

1430

00:52:35,270 --> 00:52:33,359

he says skyhub is dumb because it

1431

00:52:36,630 --> 00:52:35,280

restricts use of info

1432

00:52:38,470 --> 00:52:36,640

i want i want to talk about that for

1433

00:52:41,990 --> 00:52:38,480

just one second it's not

1434

00:52:44,630 --> 00:52:42,000

dumb what they've done and

1435

00:52:46,150 --> 00:52:44,640

you have to understand that skyhub does

1436

00:52:49,750 --> 00:52:46,160

not restrict

1437

00:52:52,870 --> 00:52:49,760

the data so what i cannot do

1438

00:52:56,309 --> 00:52:52,880

is i cannot monetize that data

1439

00:52:59,349 --> 00:52:56,319

it can be given away for free i can show

1440

00:53:02,470 --> 00:52:59,359

everybody what that data is i cannot

1441

00:53:04,790 --> 00:53:02,480

charge people to get access to that data

1442

00:53:07,030 --> 00:53:04,800

so to get access to any of the data that

1443

00:53:10,069 --> 00:53:07,040

i've generated with my sky hub

1444

00:53:11,829 --> 00:53:10,079

you have to go to skyhub.org register

1445

00:53:13,990 --> 00:53:11,839

create the profile and then you have

1446

00:53:15,990 --> 00:53:14,000

access to all the data

1447

00:53:18,549 --> 00:53:16,000

so they're not restricting it their end

1448

00:53:21,430 --> 00:53:18,559

user licensing agreement simply prevents

1449

00:53:22,950 --> 00:53:21,440

anybody from monetizing it because they

1450

00:53:25,190 --> 00:53:22,960

don't want to become

1451
00:53:25,990 --> 00:53:25,200
the machine that sensationalizes

1452
00:53:29,349 --> 00:53:26,000
something

1453
00:53:31,430 --> 00:53:29,359
that is not accurate um so what i'm

1454
00:53:32,870 --> 00:53:31,440
doing is i'm using the sky hub as my

1455
00:53:35,270 --> 00:53:32,880
primary point

1456
00:53:36,390 --> 00:53:35,280
of information gathering but i'm also

1457
00:53:39,670 --> 00:53:36,400
backing it up

1458
00:53:43,030 --> 00:53:39,680
with disparate and ancillary systems

1459
00:53:43,829 --> 00:53:43,040
that i can have full control of the data

1460
00:53:47,190 --> 00:53:43,839
over

1461
00:53:49,270 --> 00:53:47,200
as long as i'm verifying that what i'm

1462
00:53:51,349 --> 00:53:49,280
capturing outside of the sky hub

1463
00:53:53,589 --> 00:53:51,359

is also it's redundant it matches with

1464

00:53:56,150 --> 00:53:53,599

the data inside the skyhub so

1465

00:53:57,190 --> 00:53:56,160

i like what they've done uh if i was a

1466

00:53:58,710 --> 00:53:57,200

movie producer

1467

00:54:00,309 --> 00:53:58,720

i wouldn't like it because i wouldn't be

1468

00:54:02,950 --> 00:54:00,319

able to pick up a sky hub and

1469

00:54:05,190 --> 00:54:02,960

and put it in in in my stephen grier

1470

00:54:07,829 --> 00:54:05,200

documentary

1471

00:54:09,030 --> 00:54:07,839

but well then he wouldn't make any money

1472

00:54:11,190 --> 00:54:09,040

and that's bad

1473

00:54:13,589 --> 00:54:11,200

because praise the cash right and i

1474

00:54:14,309 --> 00:54:13,599

don't i don't make any money off of any

1475

00:54:17,349 --> 00:54:14,319

of this

1476
00:54:17,910 --> 00:54:17,359
to date as it stands right now i have

1477
00:54:20,470 --> 00:54:17,920
not

1478
00:54:21,030 --> 00:54:20,480
gotten paid for a single interview i

1479
00:54:24,230 --> 00:54:21,040
have not

1480
00:54:27,829 --> 00:54:24,240
sold data i don't uh i don't ask

1481
00:54:30,069 --> 00:54:27,839
for uh contributions to to do anything i

1482
00:54:30,790 --> 00:54:30,079
had a gofundme for a very short amount

1483
00:54:33,349 --> 00:54:30,800
of time

1484
00:54:33,910 --> 00:54:33,359
that helped me build the very first sky

1485
00:54:36,309 --> 00:54:33,920
hub

1486
00:54:38,390 --> 00:54:36,319
and then i stopped and i think i raised

1487
00:54:41,430 --> 00:54:38,400
i think it was either 400 or 600

1488
00:54:45,829 --> 00:54:41,440

on that and that was absolutely it um so

1489

00:54:46,950 --> 00:54:45,839

if if if you see me on nbc or cbs or

1490

00:54:49,349 --> 00:54:46,960

something like that

1491

00:54:51,190 --> 00:54:49,359

please understand i am not getting paid

1492

00:54:53,670 --> 00:54:51,200

for any of that

1493

00:54:56,630 --> 00:54:53,680

yeah good for you i'm trying to get paid

1494

00:54:58,470 --> 00:54:56,640

it's it's i'm breaking even

1495

00:55:00,870 --> 00:54:58,480

well even my youtube channel it's not

1496

00:55:01,349 --> 00:55:00,880

monetized yeah they just turned ours on

1497

00:55:03,270 --> 00:55:01,359

and i

1498

00:55:05,109 --> 00:55:03,280

have decided so far that i'm not turning

1499

00:55:05,990 --> 00:55:05,119

ads on because that's really pennies but

1500

00:55:08,390 --> 00:55:06,000

we'll take the super

1501
00:55:10,470 --> 00:55:08,400
chats yeah yeah i mean something like

1502
00:55:10,870 --> 00:55:10,480
that a phone or a webcam that's what i

1503
00:55:13,589 --> 00:55:10,880
use

1504
00:55:15,430 --> 00:55:13,599
this everything here came from donations

1505
00:55:16,789 --> 00:55:15,440
and super chats i will accept some help

1506
00:55:18,870 --> 00:55:16,799
but i'm not trying to make

1507
00:55:20,390 --> 00:55:18,880
a million dollars in fact i'd be really

1508
00:55:22,870 --> 00:55:20,400
happy if i could make like

1509
00:55:23,670 --> 00:55:22,880
taco bell wages that's a goal you know

1510
00:55:25,430 --> 00:55:23,680
if if i could

1511
00:55:27,030 --> 00:55:25,440
have a part-time job i hate i might as

1512
00:55:29,589 --> 00:55:27,040
well have a part-time job i like and

1513
00:55:31,270 --> 00:55:29,599

just some show business 72 is in live

1514

00:55:32,390 --> 00:55:31,280

chat saying that somebody posted to

1515

00:55:34,549 --> 00:55:32,400

their channel

1516

00:55:36,069 --> 00:55:34,559

a mere truth seeker stream so let me

1517

00:55:37,750 --> 00:55:36,079

know who's doing that because i don't

1518

00:55:38,950 --> 00:55:37,760

know that i've given anybody permission

1519

00:55:42,230 --> 00:55:38,960

to uh

1520

00:55:44,230 --> 00:55:42,240

to simulcast our stream tonight yeah

1521

00:55:45,430 --> 00:55:44,240

yeah stuff like stuff like that bugs me

1522

00:55:47,510 --> 00:55:45,440

but i will say that

1523

00:55:49,750 --> 00:55:47,520

you know if if i could do this and pay

1524

00:55:53,670 --> 00:55:49,760

my mortgage i would do this but i would

1525

00:55:57,190 --> 00:55:53,680

have to figure out a way that would

1526

00:56:00,069 --> 00:55:57,200

force me to ensure the public

1527

00:56:00,390 --> 00:56:00,079

that the money is not affecting the data

1528

00:56:03,030 --> 00:56:00,400

in

1529

00:56:05,270 --> 00:56:03,040

any way shape or form and and because i

1530

00:56:07,670 --> 00:56:05,280

haven't figured out how to do that yet

1531

00:56:10,150 --> 00:56:07,680

i'm i'm not i'm not getting paid for

1532

00:56:10,870 --> 00:56:10,160

this i mean hell i just broke my dslr

1533

00:56:13,109 --> 00:56:10,880

camera

1534

00:56:15,030 --> 00:56:13,119

the other day i broke a 600 lens to be

1535

00:56:16,549 --> 00:56:15,040

exact

1536

00:56:18,069 --> 00:56:16,559

you could just see when that thing was

1537

00:56:20,470 --> 00:56:18,079

going down you're like oh

1538

00:56:22,230 --> 00:56:20,480

no before it even hit right it made me

1539

00:56:25,510 --> 00:56:22,240

sick to my stomach

1540

00:56:26,069 --> 00:56:25,520

uh so you know i'm i'm not i'm out 600

1541

00:56:28,789 --> 00:56:26,079

bucks

1542

00:56:29,670 --> 00:56:28,799

and that comes out of my pocket um but

1543

00:56:35,589 --> 00:56:29,680

it's

1544

00:56:36,710 --> 00:56:35,599

of having money that's affecting a

1545

00:56:39,430 --> 00:56:36,720

narrative

1546

00:56:40,630 --> 00:56:39,440

and and just to clarify on this and

1547

00:56:44,069 --> 00:56:40,640

expand on it

1548

00:56:47,990 --> 00:56:44,079

i am involved in a film production

1549

00:56:51,270 --> 00:56:48,000

um but the film production i am also

1550

00:56:54,230 --> 00:56:51,280

not getting paid a dime other than

1551
00:56:55,030 --> 00:56:54,240
what sag requires to be paid as a per

1552
00:56:57,990 --> 00:56:55,040
diem

1553
00:56:58,630 --> 00:56:58,000
which and i will tell you straight up 40

1554
00:57:00,950 --> 00:56:58,640
dollars

1555
00:57:01,990 --> 00:57:00,960
per day yeah i did some acting so i was

1556
00:57:04,309 --> 00:57:02,000
just going to say

1557
00:57:05,910 --> 00:57:04,319
the minimum sag per diem is nothing it's

1558
00:57:08,069 --> 00:57:05,920
yeah yeah it comes your

1559
00:57:09,349 --> 00:57:08,079
lunch if you're lucky you know yeah so

1560
00:57:10,630 --> 00:57:09,359
they're paying for my experience people

1561
00:57:12,150 --> 00:57:10,640
don't realize this like

1562
00:57:13,670 --> 00:57:12,160
what a lot of people don't realize they

1563
00:57:15,349 --> 00:57:13,680

see people on television shows on the

1564

00:57:17,109 --> 00:57:15,359

history channel and stuff

1565

00:57:19,270 --> 00:57:17,119

you know like a lot of these guys are

1566

00:57:20,549 --> 00:57:19,280

doing it for free like there's a lot of

1567

00:57:22,549 --> 00:57:20,559

guests on even ancient

1568

00:57:24,150 --> 00:57:22,559

aliens have said i'm sure i heard

1569

00:57:25,990 --> 00:57:24,160

richard dolan say that he doesn't get

1570

00:57:27,670 --> 00:57:26,000

paid to be on ancient aliens

1571

00:57:30,069 --> 00:57:27,680

but it's good for his book sales or

1572

00:57:32,789 --> 00:57:30,079

whatever so he does it for free

1573

00:57:33,510 --> 00:57:32,799

so yeah yeah and i i haven't written a

1574

00:57:34,870 --> 00:57:33,520

book

1575

00:57:36,470 --> 00:57:34,880

that i don't have a i don't have

1576
00:57:37,589 --> 00:57:36,480
anything to pimp or promote or anything

1577
00:57:40,549 --> 00:57:37,599
like that i

1578
00:57:41,109 --> 00:57:40,559
i built the osiris and i'm doing this

1579
00:57:44,150 --> 00:57:41,119
because

1580
00:57:47,990 --> 00:57:44,160
i saw something back in 1995

1581
00:57:48,549 --> 00:57:48,000
that defies any understanding that i

1582
00:57:51,829 --> 00:57:48,559
have

1583
00:57:54,069 --> 00:57:51,839
of either aerodynamics or physics

1584
00:57:55,910 --> 00:57:54,079
nobody has an answer for me that is a

1585
00:57:59,030 --> 00:57:55,920
valid answer that can

1586
00:58:01,349 --> 00:57:59,040
say oh it was ours or it wasn't

1587
00:58:03,109 --> 00:58:01,359
ours and it wasn't ours but it was this

1588
00:58:06,150 --> 00:58:03,119

uh nobody can tell me

1589

00:58:08,470 --> 00:58:06,160

so so i i want to

1590

00:58:09,990 --> 00:58:08,480

i want to find out what the hell it was

1591

00:58:11,109 --> 00:58:10,000

that i saw and what the hell everybody

1592

00:58:13,349 --> 00:58:11,119

else is seeing

1593

00:58:15,349 --> 00:58:13,359

and i think that you know doing things

1594

00:58:16,470 --> 00:58:15,359

like this and doing citizen science and

1595

00:58:19,510 --> 00:58:16,480

gathering

1596

00:58:21,510 --> 00:58:19,520

actionable intelligence in a way that

1597

00:58:23,190 --> 00:58:21,520

you know 10 or 15 years ago the united

1598

00:58:24,150 --> 00:58:23,200

states government would have loved the

1599

00:58:27,349 --> 00:58:24,160

sensors

1600

00:58:28,710 --> 00:58:27,359

that are in my osiris but now i have

1601
00:58:29,990 --> 00:58:28,720
them and they've got something better

1602
00:58:31,510 --> 00:58:30,000
but

1603
00:58:33,190 --> 00:58:31,520
you know we're we're getting to the

1604
00:58:36,230 --> 00:58:33,200
point now where

1605
00:58:37,349 --> 00:58:36,240
the citizenry can do what the u.s

1606
00:58:40,549 --> 00:58:37,359
government did

1607
00:58:42,470 --> 00:58:40,559
20 years ago now walter bosley is here

1608
00:58:42,870 --> 00:58:42,480
in the live chat and he says i'm doing a

1609
00:58:45,349 --> 00:58:42,880
tv

1610
00:58:46,470 --> 00:58:45,359
gig this weekend contract explicitly

1611
00:58:48,789 --> 00:58:46,480
states that

1612
00:58:50,470 --> 00:58:48,799
i do not get paid only lodging food and

1613
00:58:52,150 --> 00:58:50,480

transportation yeah so

1614

00:58:53,910 --> 00:58:52,160

you know and listen i i'm just to be

1615

00:58:56,630 --> 00:58:53,920

clear i have no problem with anybody

1616

00:58:57,910 --> 00:58:56,640

taking money or but there seems to be an

1617

00:58:59,670 --> 00:58:57,920

extreme

1618

00:59:01,829 --> 00:58:59,680

that some of these guys go to it's

1619

00:59:04,789 --> 00:59:01,839

always by my latest course

1620

00:59:06,549 --> 00:59:04,799

even though you know and the promises we

1621

00:59:09,270 --> 00:59:06,559

just covered david wilcock is promising

1622

00:59:12,069 --> 00:59:09,280

people's superpowers

1623

00:59:13,430 --> 00:59:12,079

he's in the pitch video he says if you

1624

00:59:14,309 --> 00:59:13,440

take his course you're going to be able

1625

00:59:16,870 --> 00:59:14,319

to levitate

1626
00:59:17,990 --> 00:59:16,880
telekinesis you know well then you got

1627
00:59:19,510 --> 00:59:18,000
nick pope going out there

1628
00:59:20,950 --> 00:59:19,520
and saying that you know for 40 bucks

1629
00:59:23,829 --> 00:59:20,960
you get to speak to him for like eight

1630
00:59:26,069 --> 00:59:23,839
minutes one-on-one digitally

1631
00:59:27,030 --> 00:59:26,079
if anybody wants to talk to me first off

1632
00:59:29,990 --> 00:59:27,040
why

1633
00:59:31,670 --> 00:59:30,000
in a second i'm accessible as hell man

1634
00:59:33,829 --> 00:59:31,680
i'm not gonna charge anybody 40 bucks to

1635
00:59:35,589 --> 00:59:33,839
get my bad advice no i think it was four

1636
00:59:36,309 --> 00:59:35,599
minutes you get to talk to him for four

1637
00:59:39,270 --> 00:59:36,319
minutes

1638
00:59:40,309 --> 00:59:39,280

50 so i joked on twitter that if anybody

1639

00:59:41,990 --> 00:59:40,319
wants to pay 50

1640

00:59:44,710 --> 00:59:42,000
i'll talk to him for eight for eight

1641

00:59:45,990 --> 00:59:44,720
minutes yeah so i'm a bargain right yeah

1642

00:59:48,069 --> 00:59:46,000
i'm an open book too like

1643

00:59:50,470 --> 00:59:48,079
if somebody really wants to talk to me

1644

00:59:51,109 --> 00:59:50,480
my dms are open my facebook is public

1645

00:59:53,510 --> 00:59:51,119
profile

1646

00:59:54,630 --> 00:59:53,520
people can get to me or they can email

1647

00:59:57,430 --> 00:59:54,640
me at truthseekershow

1648

00:59:59,430 --> 00:59:57,440
gmail.com and i reply to most people i

1649

01:00:02,230 --> 00:59:59,440
mean some of the nutters i don't

1650

01:00:04,309 --> 01:00:02,240
you know like i get some crazy strange

1651

01:00:07,349 --> 01:00:04,319

emails doing this show for sure

1652

01:00:08,870 --> 01:00:07,359

yeah yeah uh burger king customer uh is

1653

01:00:10,470 --> 01:00:08,880

that question for me or is that question

1654

01:00:12,069 --> 01:00:10,480

for somebody else oh i'm sorry what did

1655

01:00:14,549 --> 01:00:12,079

he ask

1656

01:00:15,589 --> 01:00:14,559

what exactly or what did he see exactly

1657

01:00:17,990 --> 01:00:15,599

has he told

1658

01:00:20,069 --> 01:00:18,000

the story already i don't know if he's

1659

01:00:23,109 --> 01:00:20,079

asking me yeah he's told my story

1660

01:00:24,789 --> 01:00:23,119

mine is is on an episode of my previous

1661

01:00:26,390 --> 01:00:24,799

podcast called the midnight hour it's

1662

01:00:27,990 --> 01:00:26,400

called encounter in the forest and i'll

1663

01:00:29,990 --> 01:00:28,000

put a link to mine in the description

1664

01:00:31,030 --> 01:00:30,000

because it's kind of a look it's kind of

1665

01:00:33,750 --> 01:00:31,040

a long story

1666

01:00:35,510 --> 01:00:33,760

but briefly i saw something in the woods

1667

01:00:38,549 --> 01:00:35,520

just above the tree lines it was

1668

01:00:41,190 --> 01:00:38,559

elliptical saucer shapes metal

1669

01:00:41,990 --> 01:00:41,200

dull gray i thought electrostatic

1670

01:00:44,630 --> 01:00:42,000

charges

1671

01:00:45,589 --> 01:00:44,640

i saw animals running out of the forest

1672

01:00:48,230 --> 01:00:45,599

towards me

1673

01:00:49,750 --> 01:00:48,240

away from this object and it was so

1674

01:00:52,069 --> 01:00:49,760

close that i could feel like i could

1675

01:00:52,630 --> 01:00:52,079

climb a tree and smack it on the bottom

1676

01:00:54,309 --> 01:00:52,640

of it

1677

01:00:56,630 --> 01:00:54,319

it happened for a while and then it

1678

01:00:58,470 --> 01:00:56,640

bolted off and that started me down this

1679

01:01:00,870 --> 01:00:58,480

rabbit hole

1680

01:01:02,789 --> 01:01:00,880

every book every video you know it's

1681

01:01:04,309 --> 01:01:02,799

this insatiable and i don't know why but

1682

01:01:07,510 --> 01:01:04,319

you know when you have that kind of

1683

01:01:10,870 --> 01:01:07,520

experience for me i have this insatiable

1684

01:01:14,230 --> 01:01:10,880

need to know what i saw yeah yeah

1685

01:01:16,549 --> 01:01:14,240

that very similar situation with me

1686

01:01:18,549 --> 01:01:16,559

i was i was in the military i was

1687

01:01:19,829 --> 01:01:18,559

deployed the country of jordan my story

1688

01:01:22,309 --> 01:01:19,839

is told on

1689

01:01:24,789 --> 01:01:22,319

on season 2 episode 3 of the the

1690

01:01:26,390 --> 01:01:24,799

unidentified tv show and

1691

01:01:28,789 --> 01:01:26,400

i think i've heard this yeah i've seen

1692

01:01:30,870 --> 01:01:28,799

i've seen this great story

1693

01:01:31,829 --> 01:01:30,880

a host of other podcasts but to be brief

1694

01:02:12,230 --> 01:01:31,839

i

1695

01:02:14,549 --> 01:02:12,240

to a

1696

01:02:16,549 --> 01:02:14,559

non-allegiant russian general and trade

1697

01:02:17,910 --> 01:02:16,559

them a bottle of vodka for a warhead i

1698

01:02:21,190 --> 01:02:17,920

am not making that up

1699

01:02:24,549 --> 01:02:21,200

that absolutely happened um so

1700

01:02:25,829 --> 01:02:24,559

the short story is we recovered a uh a

1701

01:02:27,829 --> 01:02:25,839

nuclear weapon

1702

01:02:29,589 --> 01:02:27,839

and we were guarding it in the middle of

1703

01:02:32,870 --> 01:02:29,599

the jordanian desert

1704

01:02:35,589 --> 01:02:32,880

and uh one night that that i was there

1705

01:02:37,750 --> 01:02:35,599

i was watching with night vision goggles

1706

01:02:40,230 --> 01:02:37,760

and i saw something that

1707

01:02:42,789 --> 01:02:40,240

it just it wasn't right uh it was able

1708

01:02:43,910 --> 01:02:42,799

to go from horizon to horizon with a 90

1709

01:02:46,549 --> 01:02:43,920

degree turn

1710

01:02:48,309 --> 01:02:46,559

zero arc zero radius no depreciation and

1711

01:02:51,190 --> 01:02:48,319

speed whatsoever

1712

01:02:53,270 --> 01:02:51,200

it started at my my 12 o'clock came up

1713

01:02:53,990 --> 01:02:53,280

to my top dead center and shot off to my

1714

01:02:56,230 --> 01:02:54,000

left

1715

01:02:57,430 --> 01:02:56,240

uh like i said horizon horizon in under

1716

01:03:00,150 --> 01:02:57,440

two seconds

1717

01:03:01,349 --> 01:03:00,160

and it would repeat over and over and

1718

01:03:04,710 --> 01:03:01,359

over again

1719

01:03:07,750 --> 01:03:04,720

um and it it wiggged me out um

1720

01:03:09,990 --> 01:03:07,760

it's just not something that uh wow

1721

01:03:11,589 --> 01:03:10,000

that uh danny hogan is asking this is a

1722

01:03:13,190 --> 01:03:11,599

good question if you found out that what

1723

01:03:15,270 --> 01:03:13,200

you saw was really just some government

1724

01:03:15,990 --> 01:03:15,280

secret craft not ufo related would that

1725

01:03:19,029 --> 01:03:16,000

kill some of your

1726

01:03:19,910 --> 01:03:19,039

passion for this work i don't know i i

1727

01:03:23,349 --> 01:03:19,920

would tend to say

1728

01:03:26,630 --> 01:03:23,359

no because here here's the thing i

1729

01:03:28,470 --> 01:03:26,640

i am not a pilot now i used to fly

1730

01:03:30,950 --> 01:03:28,480

uh civilian aircraft little single

1731

01:03:32,309 --> 01:03:30,960

engine pieces of crap like cessna 152 or

1732

01:03:34,710 --> 01:03:32,319

172's

1733

01:03:36,470 --> 01:03:34,720

um and and to be honest i wasn't i

1734

01:03:37,029 --> 01:03:36,480

wasn't prolific at it i only have you

1735

01:03:38,870 --> 01:03:37,039

know

1736

01:03:41,190 --> 01:03:38,880

a few hundred hours of flight time as

1737

01:03:43,670 --> 01:03:41,200

pilot in command but i could fly

1738

01:03:45,910 --> 01:03:43,680

a single engine aircraft so i understood

1739

01:03:49,829 --> 01:03:45,920

the basics of aerodynamics

1740

01:03:56,309 --> 01:03:53,029

it didn't use aerodynamics

1741

01:03:58,309 --> 01:03:56,319

uh and aerodynamic principles for flight

1742

01:04:01,430 --> 01:03:58,319

control

1743

01:04:05,190 --> 01:04:01,440

so if it was a government secret craft

1744

01:04:08,069 --> 01:04:05,200

that is technology that to date

1745

01:04:09,190 --> 01:04:08,079

we don't know that we have yeah so i

1746

01:04:12,390 --> 01:04:09,200

think that

1747

01:04:16,390 --> 01:04:12,400

would be really upset at

1748

01:04:18,150 --> 01:04:16,400

is 24 years ago was 1995

1749

01:04:19,829 --> 01:04:18,160

and if we had the technology that could

1750

01:04:23,910 --> 01:04:19,839

do what i saw happen

1751

01:04:27,029 --> 01:04:23,920

24 years ago what do we have now

1752

01:04:28,390 --> 01:04:27,039

and what could we be doing for good with

1753

01:04:30,950 --> 01:04:28,400

the technology

1754

01:04:32,470 --> 01:04:30,960

that instead were weaponizing so my

1755

01:04:34,309 --> 01:04:32,480

curiosity wouldn't be temp

1756

01:04:36,309 --> 01:04:34,319

wouldn't be tempered but it would

1757

01:04:39,589 --> 01:04:36,319

certainly be redirected

1758

01:04:42,150 --> 01:04:39,599

yeah rodrigo has a great

1759

01:04:44,309 --> 01:04:42,160

question he asked jeremy did you feel

1760

01:04:45,910 --> 01:04:44,319

that it was a solid machine or perhaps a

1761

01:04:49,510 --> 01:04:45,920

light projection

1762

01:04:53,589 --> 01:04:49,520

um at the time i was

1763

01:04:55,510 --> 01:04:53,599

24 25 years old a chain smoking

1764

01:04:57,990 --> 01:04:55,520

cigarettes sitting on top of a sand dune

1765

01:04:59,750 --> 01:04:58,000

in the middle east not really

1766

01:05:01,430 --> 01:04:59,760

comprehending how the hell i had gotten

1767

01:05:03,190 --> 01:05:01,440

there to begin with so

1768

01:05:05,589 --> 01:05:03,200

i don't know if that thought had really

1769

01:05:06,150 --> 01:05:05,599

crossed my mind i believe that because

1770

01:05:08,309 --> 01:05:06,160

of

1771

01:05:09,430 --> 01:05:08,319

the way that i saw it i was using night

1772

01:05:13,029 --> 01:05:09,440

vision goggles

1773

01:05:14,789 --> 01:05:13,039

and uh and and everything i think that

1774

01:05:16,710 --> 01:05:14,799

if i was to see it again in the same

1775

01:05:19,190 --> 01:05:16,720

circumstance i would assume

1776

01:05:20,470 --> 01:05:19,200

that it would be a solid machine um the

1777

01:05:23,750 --> 01:05:20,480

night vision goggles

1778

01:05:26,789 --> 01:05:23,760

would pick up uh even the smallest

1779

01:05:28,950 --> 01:05:26,799

uh beams of light even if they're ir

1780

01:05:30,069 --> 01:05:28,960

and i would have been able to see a a

1781

01:05:31,829 --> 01:05:30,079

projection

1782

01:05:33,190 --> 01:05:31,839

uh with the night vision goggles or at

1783

01:05:34,829 --> 01:05:33,200

least i would assume that i would have

1784

01:05:36,710 --> 01:05:34,839

seen a projection with the night vision

1785

01:05:38,069 --> 01:05:36,720

goggles you know people have a lot of

1786

01:05:39,990 --> 01:05:38,079

great comments the materials weren't

1787

01:05:40,870 --> 01:05:40,000

around then the principal is barely here

1788

01:05:42,950 --> 01:05:40,880

now

1789

01:05:44,309 --> 01:05:42,960

yeah i've often thought that what i saw

1790

01:05:47,270 --> 01:05:44,319

because where i

1791

01:05:49,589 --> 01:05:47,280

had my sighting was like literally a

1792

01:05:52,630 --> 01:05:49,599

mile from mcguire air force base

1793

01:05:53,510 --> 01:05:52,640

oh wow but i had known having watched my

1794

01:05:55,510 --> 01:05:53,520

father was sort of an

1795

01:05:57,430 --> 01:05:55,520

aviation buff and he used to bore me my

1796

01:05:59,270 --> 01:05:57,440

brother to tears he would drive us to

1797

01:06:00,630 --> 01:05:59,280

the front of the runways

1798

01:06:03,029 --> 01:06:00,640

there was like a little place you could

1799

01:06:04,630 --> 01:06:03,039

park this is before 9 11.

1800

01:06:06,309 --> 01:06:04,640

they've closed the base off now and you

1801

01:06:08,069 --> 01:06:06,319

can't see anything but right

1802

01:06:09,349 --> 01:06:08,079

you used to be able to go to the base

1803

01:06:10,549 --> 01:06:09,359

and my father would just sit there and

1804

01:06:13,750 --> 01:06:10,559

we would just watch like

1805

01:06:16,230 --> 01:06:13,760

c-130s take off for five hours and land

1806

01:06:17,750 --> 01:06:16,240

and to me the the most exciting thing

1807

01:06:20,789 --> 01:06:17,760

that they had there was training

1808

01:06:22,549 --> 01:06:20,799

aircraft which was f4 phantoms

1809

01:06:23,910 --> 01:06:22,559

one of my favorite airplanes yeah but

1810

01:06:26,069 --> 01:06:23,920

it's like that they

1811

01:06:27,990 --> 01:06:26,079

to me i discounted it could have come

1812

01:06:30,710 --> 01:06:28,000

from mcguire because what i saw was

1813

01:06:33,829 --> 01:06:30,720

super high tech and amazing and they had

1814

01:06:35,029 --> 01:06:33,839

ancient aircraft and cargo planes mostly

1815

01:06:36,950 --> 01:06:35,039

their support

1816

01:06:38,309 --> 01:06:36,960

i believe that they're like a support

1817

01:06:40,789 --> 01:06:38,319

base you know in other words they're

1818

01:06:43,829 --> 01:06:40,799

flying supplies over to desert storm 24

1819

01:06:45,910 --> 01:06:43,839

7 or personnel or whatever not very

1820

01:06:47,829 --> 01:06:45,920

exciting to me so i discounted it that

1821

01:06:49,670 --> 01:06:47,839

it could have come off the base but

1822

01:06:52,309 --> 01:06:49,680

the fact that it happened a mile from an

1823

01:06:52,950 --> 01:06:52,319

air base a military air base has always

1824

01:06:54,549 --> 01:06:52,960

made me think

1825

01:06:56,069 --> 01:06:54,559

maybe they were testing something or

1826

01:06:59,430 --> 01:06:56,079

maybe whatever

1827

01:07:01,750 --> 01:06:59,440

you know we we have a lot more

1828

01:07:02,630 --> 01:07:01,760

than the normal population base the

1829

01:07:05,029 --> 01:07:02,640

united states

1830

01:07:07,029 --> 01:07:05,039

will ever know that we have and and one

1831

01:07:07,990 --> 01:07:07,039

of the things i've been taken to task

1832

01:07:10,630 --> 01:07:08,000

for it might

1833

01:07:11,510 --> 01:07:10,640

i the vitriol that i have received in my

1834

01:07:15,109 --> 01:07:11,520

opinion i've seen

1835

01:07:18,549 --> 01:07:15,119

some of this on twitter god oh my god

1836

01:07:20,549 --> 01:07:18,559

i'm not discounting that uap exists

1837

01:07:22,390 --> 01:07:20,559

what i'm doing is i'm putting forth

1838

01:07:25,829 --> 01:07:22,400

prosaic explain

1839

01:07:26,710 --> 01:07:25,839

possible explanations that are prosaic

1840

01:07:29,750 --> 01:07:26,720

in nature

1841

01:07:31,750 --> 01:07:29,760

that could account for the data that

1842

01:07:34,309 --> 01:07:31,760

we're seeing on the video

1843

01:07:34,789 --> 01:07:34,319

i am not attempting to counter manned or

1844

01:07:38,309 --> 01:07:34,799

unders

1845

01:07:40,870 --> 01:07:38,319

or or uh undercut witness testimony

1846

01:07:43,349 --> 01:07:40,880

because i believe the witnesses but what

1847

01:07:45,109 --> 01:07:43,359

we're seeing what were being released to

1848

01:07:47,670 --> 01:07:45,119

us or leaked to us

1849

01:07:48,710 --> 01:07:47,680

is not what's on the witness testimony

1850

01:07:52,069 --> 01:07:48,720

and anything

1851
01:07:55,270 --> 01:07:52,079
to date actually everything to date

1852
01:07:56,470 --> 01:07:55,280
that has been on a video can be

1853
01:07:59,990 --> 01:07:56,480
replicated

1854
01:08:03,750 --> 01:08:00,000
easily with prosaic known

1855
01:08:06,630 --> 01:08:03,760
technology even to the point we do have

1856
01:08:08,309 --> 01:08:06,640
flying submarines we have yeah i was

1857
01:08:10,150 --> 01:08:08,319
going to mention that we uh

1858
01:08:11,829 --> 01:08:10,160
that's another thing that they say i've

1859
01:08:13,670 --> 01:08:11,839
heard jeremy corbell say

1860
01:08:14,950 --> 01:08:13,680
it could have been earth made technology

1861
01:08:16,789 --> 01:08:14,960
because nobody on earth has that

1862
01:08:19,829 --> 01:08:16,799
technology and i found three

1863
01:08:21,030 --> 01:08:19,839

examples of so-called trans medium craft

1864

01:08:23,510 --> 01:08:21,040

developed by

1865

01:08:24,390 --> 01:08:23,520

uh lockheed and a few other companies

1866

01:08:26,309 --> 01:08:24,400

yeah um

1867

01:08:27,829 --> 01:08:26,319

and these are a few prototypes and they

1868

01:08:30,789 --> 01:08:27,839

had concept videos

1869

01:08:31,269 --> 01:08:30,799

and maybe not flight videos yeah so

1870

01:08:32,870 --> 01:08:31,279

somebody

1871

01:08:34,870 --> 01:08:32,880

argued with me and said that's just an

1872

01:08:36,470 --> 01:08:34,880

animation it was a concept while they

1873

01:08:38,870 --> 01:08:36,480

were developing it

1874

01:08:40,070 --> 01:08:38,880

to visualize it and get funding for it

1875

01:08:43,910 --> 01:08:40,080

they make these

1876

01:08:45,430 --> 01:08:43,920

the military and go

1877

01:08:47,349 --> 01:08:45,440

isn't that neat wouldn't you like to

1878

01:08:49,030 --> 01:08:47,359

have that capability we could build it

1879

01:08:49,749 --> 01:08:49,040

for you for a few trillion dollars and

1880

01:08:56,709 --> 01:08:49,759

then you get

1881

01:08:59,829 --> 01:08:59,110

craft that can fly both in the air and

1882

01:09:05,030 --> 01:08:59,839

in

1883

01:09:07,349 --> 01:09:05,040

missiles

1884

01:09:08,709 --> 01:09:07,359

that's a trans medium crash medium craft

1885

01:09:10,709 --> 01:09:08,719

yeah it comes out of the water and it

1886

01:09:12,309 --> 01:09:10,719

flies in that and it flies in the air

1887

01:09:13,990 --> 01:09:12,319

but there's statements again it's like

1888

01:09:14,550 --> 01:09:14,000

these generalized statements when i hear

1889

01:09:17,110 --> 01:09:14,560

that stuff

1890

01:09:17,910 --> 01:09:17,120

just it irks me and drives me nuts like

1891

01:09:20,390 --> 01:09:17,920

did you even

1892

01:09:22,070 --> 01:09:20,400

google to see if we have if anybody on

1893

01:09:24,309 --> 01:09:22,080

earth has that technology and

1894

01:09:27,110 --> 01:09:24,319

and by the way how if if we in the

1895

01:09:29,110 --> 01:09:27,120

united states i found three projects

1896

01:09:31,110 --> 01:09:29,120

then that certainly means there's

1897

01:09:32,470 --> 01:09:31,120

probably three russian and three chinese

1898

01:09:36,070 --> 01:09:32,480

projects just like it

1899

01:09:38,630 --> 01:09:36,080

or or with similar capabilities

1900

01:09:39,430 --> 01:09:38,640

and it's sort of this naive you know

1901

01:09:41,510 --> 01:09:39,440

ignorance

1902

01:09:43,030 --> 01:09:41,520

to to act like you know all the

1903

01:09:45,030 --> 01:09:43,040

technology on earth

1904

01:09:47,030 --> 01:09:45,040

because you you study you know i don't

1905

01:09:48,709 --> 01:09:47,040

know aliens and ufos

1906

01:09:51,110 --> 01:09:48,719

but it's the narrative that they push

1907

01:09:53,430 --> 01:09:51,120

it's like it's not well it's because

1908

01:09:55,270 --> 01:09:53,440

our technology nobody on earth has this

1909

01:09:58,470 --> 01:09:55,280

so they're pushing this narrative

1910

01:09:59,830 --> 01:09:58,480

well it's because we have people we have

1911

01:10:01,910 --> 01:09:59,840

people that have come

1912

01:10:03,750 --> 01:10:01,920

from the highest echelons of the united

1913

01:10:05,350 --> 01:10:03,760

states government that are saying the

1914

01:10:08,630 --> 01:10:05,360

same thing

1915

01:10:11,750 --> 01:10:08,640

and instead of people listening

1916

01:10:13,750 --> 01:10:11,760

to these higher ups and saying

1917

01:10:15,910 --> 01:10:13,760

well that doesn't sound quite right i'm

1918

01:10:17,830 --> 01:10:15,920

going to do a little research on my own

1919

01:10:18,950 --> 01:10:17,840

they just parrot back the same

1920

01:10:22,310 --> 01:10:18,960

information

1921

01:10:24,790 --> 01:10:22,320

and believe without question what their

1922

01:10:25,430 --> 01:10:24,800

former government official has told them

1923

01:10:30,550 --> 01:10:25,440

and

1924

01:10:31,189 --> 01:10:30,560

i can show you because i've posted it on

1925

01:10:33,430 --> 01:10:31,199

twitter

1926

01:10:34,950 --> 01:10:33,440

at least three times over the past four

1927

01:10:38,310 --> 01:10:34,960

or five months

1928

01:10:41,430 --> 01:10:38,320

we have a drone

1929

01:10:42,470 --> 01:10:41,440

shaped like a triangle that is painted

1930

01:10:44,950 --> 01:10:42,480

black

1931

01:10:45,830 --> 01:10:44,960

that will be launched from a submarine

1932

01:10:48,950 --> 01:10:45,840

and shoot

1933

01:10:51,270 --> 01:10:48,960

out of the water we have it it's called

1934

01:10:52,070 --> 01:10:51,280

the coromont it's named after a diving

1935

01:10:54,790 --> 01:10:52,080

sea bird

1936

01:10:56,630 --> 01:10:54,800

and it was created there's a fourth

1937

01:10:57,189 --> 01:10:56,640

example then because i didn't find that

1938

01:11:00,550 --> 01:10:57,199

one

1939

01:11:03,669 --> 01:11:00,560

yeah it's on my twitter i mean it's

1940

01:11:04,070 --> 01:11:03,679

it it was canceled in let me sorry it

1941

01:11:07,510 --> 01:11:04,080

was

1942

01:11:10,950 --> 01:11:07,520

cancelled in 2008

1943

01:11:14,550 --> 01:11:10,960

now when something is in production

1944

01:11:17,990 --> 01:11:14,560

and it becomes cancelled it's because

1945

01:11:21,189 --> 01:11:18,000

something better more capable

1946

01:11:23,270 --> 01:11:21,199

yes they got an even better one now yeah

1947

01:11:24,550 --> 01:11:23,280

so they have a better one now i thought

1948

01:11:26,870 --> 01:11:24,560

too that maybe we could take

1949

01:11:28,870 --> 01:11:26,880

a little bit of time just to talk about

1950

01:11:29,510 --> 01:11:28,880

the media and it seems to me that the

1951
01:11:32,709 --> 01:11:29,520
media

1952
01:11:33,590 --> 01:11:32,719
keeps getting things wrong and and they

1953
01:11:35,669 --> 01:11:33,600
keep doing this

1954
01:11:38,310 --> 01:11:35,679
stuff this also drives me crazy these

1955
01:11:41,189 --> 01:11:38,320
clip click bait titles

1956
01:11:42,790 --> 01:11:41,199
really and you know the the best example

1957
01:11:45,110 --> 01:11:42,800
i could think of is this story about

1958
01:11:46,070 --> 01:11:45,120
israeli space minister who said aliens

1959
01:11:48,950 --> 01:11:46,080
are real

1960
01:11:49,510 --> 01:11:48,960
and there's a galactic council and space

1961
01:11:52,229 --> 01:11:49,520
lasers

1962
01:11:53,430 --> 01:11:52,239
yeah and so all these media outlets ran

1963
01:11:55,110 --> 01:11:53,440

with that story

1964

01:11:56,950 --> 01:11:55,120
that an israeli space minister said

1965

01:11:58,390 --> 01:11:56,960
aliens are real trump knows about it

1966

01:12:00,229 --> 01:11:58,400
there's a galactic council

1967

01:12:02,630 --> 01:12:00,239
all these different things you know

1968

01:12:04,709 --> 01:12:02,640
president eisenhower met with aliens

1969

01:12:06,550 --> 01:12:04,719
and we had treaties all these different

1970

01:12:08,550 --> 01:12:06,560
things that the media printed

1971

01:12:09,990 --> 01:12:08,560
and then it turned out that that guy

1972

01:12:13,669 --> 01:12:10,000
said

1973

01:12:14,790 --> 01:12:13,679
repeating what his granddaughter told

1974

01:12:16,950 --> 01:12:14,800
him that laura

1975

01:12:18,630 --> 01:12:16,960
eisenhower told him which is not a

1976

01:12:19,189 --> 01:12:18,640

credible source of information unless

1977

01:12:22,870 --> 01:12:19,199

you

1978

01:12:26,550 --> 01:12:22,880

um some kind of uh

1979

01:12:28,470 --> 01:12:26,560

you know demon portal on saturn that's

1980

01:12:29,350 --> 01:12:28,480

sucking our negative energy and we have

1981

01:12:31,510 --> 01:12:29,360

to you know

1982

01:12:33,350 --> 01:12:31,520

it's just it's new age nonsense that she

1983

01:12:34,229 --> 01:12:33,360

talks about so somebody repeated it to

1984

01:12:36,950 --> 01:12:34,239

this guy

1985

01:12:39,189 --> 01:12:36,960

he mentions it in an interview and then

1986

01:12:41,430 --> 01:12:39,199

it becomes the narrative that oc

1987

01:12:42,630 --> 01:12:41,440

and israeli space minister said aliens

1988

01:12:45,669 --> 01:12:42,640

are real and

1989

01:12:48,310 --> 01:12:45,679

no that's the reason the reason that we

1990

01:12:50,550 --> 01:12:48,320

are having this conversation right now

1991

01:12:52,630 --> 01:12:50,560

with the 60 minutes interview with chris

1992

01:12:54,790 --> 01:12:52,640

mellon and lou elizondo

1993

01:13:00,070 --> 01:12:54,800

and the the the you know the sunday

1994

01:13:07,590 --> 01:13:04,149

mainstream media has lost its ability

1995

01:13:11,110 --> 01:13:07,600

to vet sources mainstream media

1996

01:13:13,750 --> 01:13:11,120

is not nearly as concerned

1997

01:13:15,430 --> 01:13:13,760

about protecting their reputation it is

1998

01:13:18,310 --> 01:13:15,440

more decentralized

1999

01:13:20,229 --> 01:13:18,320

now than ever and with the advent of

2000

01:13:23,350 --> 01:13:20,239

youtube and channels like yours

2001
01:13:26,390 --> 01:13:23,360
and mine and three thousand other ones

2002
01:13:29,830 --> 01:13:26,400
and twitter and social media news

2003
01:13:32,070 --> 01:13:29,840
gets out and what has happened

2004
01:13:33,669 --> 01:13:32,080
what has happened in my opinion and this

2005
01:13:36,550 --> 01:13:33,679
is just my opinion

2006
01:13:36,950 --> 01:13:36,560
is that because social media has gotten

2007
01:13:39,990 --> 01:13:36,960
this

2008
01:13:44,470 --> 01:13:40,000
and ufo twitter specifically

2009
01:13:47,189 --> 01:13:44,480
we have captured a thought process

2010
01:13:48,070 --> 01:13:47,199
and that thought process needed to be

2011
01:13:51,189 --> 01:13:48,080
guided

2012
01:13:53,110 --> 01:13:51,199
it needed a guidance behind it

2013
01:13:54,229 --> 01:13:53,120

and because there were some people that

2014

01:13:55,669 --> 01:13:54,239

were getting

2015

01:13:57,430 --> 01:13:55,679

too close there were some people that

2016

01:14:00,149 --> 01:13:57,440

were way far away

2017

01:14:01,750 --> 01:14:00,159

but it needed guidance so the united

2018

01:14:05,110 --> 01:14:01,760

states government

2019

01:14:05,910 --> 01:14:05,120

created this multimedia campaign from

2020

01:14:08,950 --> 01:14:05,920

hell

2021

01:14:11,910 --> 01:14:08,960

that uses a lot of truth

2022

01:14:13,110 --> 01:14:11,920

but a lot of subterfuge to help control

2023

01:14:15,950 --> 01:14:13,120

a narrative

2024

01:14:18,709 --> 01:14:15,960

and knowingly so because with the

2025

01:14:22,470 --> 01:14:18,719

decentralization of the media right now

2026
01:14:25,110 --> 01:14:22,480
they knew they knew that cnn and cbs

2027
01:14:27,830 --> 01:14:25,120
were going to be picking this up

2028
01:14:29,270 --> 01:14:27,840
yeah so do you believe that portions of

2029
01:14:30,070 --> 01:14:29,280
the government or someone within the

2030
01:14:33,189 --> 01:14:30,080
government is

2031
01:14:33,669 --> 01:14:33,199
is consciously and with deliberate

2032
01:14:35,750 --> 01:14:33,679
effort

2033
01:14:36,709 --> 01:14:35,760
trying to manipulate perceptions about

2034
01:14:39,830 --> 01:14:36,719
these subjects

2035
01:14:42,470 --> 01:14:39,840
yes i don't know to one simple answer

2036
01:14:44,149 --> 01:14:42,480
yeah i believe so too i don't know what

2037
01:14:45,990 --> 01:14:44,159
to what end and i don't know if it's

2038
01:14:47,830 --> 01:14:46,000

because they want to

2039

01:14:49,189 --> 01:14:47,840

they that they want to false flag an

2040

01:14:50,709 --> 01:14:49,199

alien invasion

2041

01:14:52,790 --> 01:14:50,719

i don't know if it's because they want

2042

01:14:54,630 --> 01:14:52,800

to increase their defense budget

2043

01:14:57,030 --> 01:14:54,640

i don't know if it's because they want

2044

01:15:00,229 --> 01:14:57,040

to actually drip us the truth

2045

01:15:03,669 --> 01:15:00,239

but it is a a

2046

01:15:05,750 --> 01:15:03,679

an orchestrated narrative

2047

01:15:07,030 --> 01:15:05,760

but i don't know what the end goal of

2048

01:15:10,070 --> 01:15:07,040

that narrative is

2049

01:15:13,430 --> 01:15:10,080

and that's one of the reasons that i'm

2050

01:15:16,070 --> 01:15:13,440

trying to become off grid with

2051
01:15:18,149 --> 01:15:16,080
information gathering i want to i want

2052
01:15:20,870 --> 01:15:18,159
to find my own data

2053
01:15:22,149 --> 01:15:20,880
because i don't trust the data that

2054
01:15:25,510 --> 01:15:22,159
comes from

2055
01:15:26,550 --> 01:15:25,520
official sources yeah i'm sort of in the

2056
01:15:29,030 --> 01:15:26,560
same boat as you

2057
01:15:30,709 --> 01:15:29,040
i live my life by a bunch of different

2058
01:15:31,270 --> 01:15:30,719
rules but my number one rule is that i

2059
01:15:33,270 --> 01:15:31,280
don't trust

2060
01:15:34,870 --> 01:15:33,280
anything that anyone from the government

2061
01:15:37,189 --> 01:15:34,880
tells me that's accurate i

2062
01:15:38,709 --> 01:15:37,199
i got to verify it myself before i will

2063
01:15:39,830 --> 01:15:38,719

decide whether i believe what they're

2064

01:15:41,669 --> 01:15:39,840

saying or not

2065

01:15:43,430 --> 01:15:41,679

and you know a lot of the younger

2066

01:15:44,870 --> 01:15:43,440

generation you know they they have this

2067

01:15:46,310 --> 01:15:44,880

sort of naivety that

2068

01:15:48,550 --> 01:15:46,320

like well why would the government lie

2069

01:15:50,149 --> 01:15:48,560

to us right and they don't they're just

2070

01:15:52,390 --> 01:15:50,159

not aware of things

2071

01:15:54,630 --> 01:15:52,400

of the history of our government and how

2072

01:15:57,189 --> 01:15:54,640

much they've lied to us right

2073

01:15:58,390 --> 01:15:57,199

yeah i mean that's what i tell young

2074

01:16:00,149 --> 01:15:58,400

people like i had this

2075

01:16:01,910 --> 01:16:00,159

had this discussion with a relative of

2076

01:16:04,950 --> 01:16:01,920

mine a younger relative

2077

01:16:07,110 --> 01:16:04,960

a nephew he said uh oh no you know

2078

01:16:08,390 --> 01:16:07,120

you know george washington and you know

2079

01:16:10,310 --> 01:16:08,400

this is a great country

2080

01:16:11,510 --> 01:16:10,320

they don't lie to us and i had him look

2081

01:16:13,990 --> 01:16:11,520

it up and then he

2082

01:16:15,750 --> 01:16:14,000

yeah after he educated himself i showed

2083

01:16:17,110 --> 01:16:15,760

him 10 more examples of the government

2084

01:16:19,270 --> 01:16:17,120

lying to its people

2085

01:16:20,709 --> 01:16:19,280

yeah we're manipulating perceptions for

2086

01:16:23,189 --> 01:16:20,719

sure you know well

2087

01:16:23,830 --> 01:16:23,199

we had we had a story my god what was it

2088

01:16:26,630 --> 01:16:23,840

six eight

2089

01:16:27,030 --> 01:16:26,640

ten twelve weeks ago uh where it comes

2090

01:16:28,790 --> 01:16:27,040

out and

2091

01:16:30,070 --> 01:16:28,800

and forgive me for citing this

2092

01:16:31,910 --> 01:16:30,080

incorrectly because

2093

01:16:33,430 --> 01:16:31,920

i know that i'm going to get a detail

2094

01:16:34,070 --> 01:16:33,440

wrong and somebody's gonna chew me for

2095

01:16:38,550 --> 01:16:34,080

it

2096

01:16:41,430 --> 01:16:38,560

every single major news network

2097

01:16:43,110 --> 01:16:41,440

where there was a psyop being run by the

2098

01:16:46,229 --> 01:16:43,120

united states military

2099

01:16:47,270 --> 01:16:46,239

on our congressmen and senators to try

2100

01:16:48,790 --> 01:16:47,280

to get them to

2101

01:16:51,590 --> 01:16:48,800

increase funding for the war in

2102

01:16:53,430 --> 01:16:51,600

afghanistan the military

2103

01:16:55,350 --> 01:16:53,440

the military was doing background

2104

01:16:56,470 --> 01:16:55,360

investigations and pulling pertinent

2105

01:16:58,310 --> 01:16:56,480

information on

2106

01:16:59,910 --> 01:16:58,320

on certain people and trying to find out

2107

01:17:01,510 --> 01:16:59,920

what their weaknesses were

2108

01:17:03,910 --> 01:17:01,520

and basically cornering them in the

2109

01:17:06,229 --> 01:17:03,920

hallways of of of the capitol building

2110

01:17:07,350 --> 01:17:06,239

and giving them misleading information

2111

01:17:09,270 --> 01:17:07,360

in the hopes

2112

01:17:12,070 --> 01:17:09,280

that they would vote for increased

2113

01:17:14,149 --> 01:17:12,080

defense spending and it was all crap

2114

01:17:15,910 --> 01:17:14,159

that's amazing yeah i think a lot of

2115

01:17:17,990 --> 01:17:15,920

this stuff maybe

2116

01:17:19,669 --> 01:17:18,000

maybe directly or indirectly tied to

2117

01:17:22,149 --> 01:17:19,679

funding and people are pulling

2118

01:17:23,110 --> 01:17:22,159

someone pulling the strings because when

2119

01:17:25,510 --> 01:17:23,120

i look at the

2120

01:17:27,350 --> 01:17:25,520

at the black budget i saw a chart of

2121

01:17:28,790 --> 01:17:27,360

like how much the black budget has

2122

01:17:31,990 --> 01:17:28,800

increased in the past

2123

01:17:34,149 --> 01:17:32,000

say 30 years and it is it is

2124

01:17:35,270 --> 01:17:34,159

exponentially increased and the amount

2125

01:17:37,430 --> 01:17:35,280

of money that

2126

01:17:39,669 --> 01:17:37,440

you know speaking of money thanks to

2127

01:17:43,830 --> 01:17:39,679

rogue status for a kind and generous 20

2128

01:17:45,270 --> 01:17:43,840

donation hey rogue you suck too but you

2129

01:17:47,270 --> 01:17:45,280

talked about this last night i'm from

2130

01:17:48,470 --> 01:17:47,280

philadelphia and he's from philadelphia

2131

01:17:50,550 --> 01:17:48,480

and in philadelphia

2132

01:17:52,310 --> 01:17:50,560

a sign of affection between men

2133

01:17:54,470 --> 01:17:52,320

especially is to bust each other's balls

2134

01:17:56,070 --> 01:17:54,480

so he comes here and sends me money and

2135

01:17:57,750 --> 01:17:56,080

tells me my show sucks

2136

01:17:59,189 --> 01:17:57,760

but we appreciate your generosity and

2137

01:18:00,950 --> 01:17:59,199

your support of the show thank you very

2138

01:18:03,110 --> 01:18:00,960

much every dollar goes right back into

2139

01:18:06,229 --> 01:18:03,120

the till to help the show keep going

2140

01:18:07,669 --> 01:18:06,239

and here we are you know i gotta tell i

2141

01:18:09,189 --> 01:18:07,679

gotta thank you for doing this too

2142

01:18:11,510 --> 01:18:09,199

because i've been listening to

2143

01:18:12,630 --> 01:18:11,520

you for quite a while and uh i just kind

2144

01:18:14,630 --> 01:18:12,640

of went

2145

01:18:15,750 --> 01:18:14,640

there's some people i just i i don't i

2146

01:18:17,830 --> 01:18:15,760

don't reach out to

2147

01:18:19,510 --> 01:18:17,840

you know i just kind of listen to them

2148

01:18:21,590 --> 01:18:19,520

and then uh eventually though

2149

01:18:23,590 --> 01:18:21,600

i'm glad that we got to talk because

2150

01:18:24,950 --> 01:18:23,600

yeah you and i agree on a lot of things

2151

01:18:27,350 --> 01:18:24,960

because i think that you're like

2152

01:18:29,669 --> 01:18:27,360

grounded and you're scientifically based

2153

01:18:31,510 --> 01:18:29,679

and you don't jump to conclusions and i

2154

01:18:32,229 --> 01:18:31,520

love what you said about the data is the

2155

01:18:34,550 --> 01:18:32,239

data

2156

01:18:37,189 --> 01:18:34,560

if it supports what i believe great if

2157

01:18:39,590 --> 01:18:37,199

it shoots down what i believe it's still

2158

01:18:41,350 --> 01:18:39,600

valid scientific data that people should

2159

01:18:44,709 --> 01:18:41,360

have access to right

2160

01:18:47,030 --> 01:18:44,719

exactly people should know the truth

2161

01:18:48,630 --> 01:18:47,040

regardless of what that truth is and you

2162

01:18:52,149 --> 01:18:48,640

know i'd i'm i'm

2163

01:18:55,270 --> 01:18:52,159

divorced and remarried but my ex-wife

2164

01:18:57,590 --> 01:18:55,280

the mother of my my youngest daughter uh

2165

01:18:58,310 --> 01:18:57,600

she she can't stand the fact that i

2166

01:19:01,510 --> 01:18:58,320

don't lie

2167

01:19:04,149 --> 01:19:01,520

to my seven-year-old daughter

2168

01:19:06,830 --> 01:19:04,159

how dare you not lie right yeah and it

2169

01:19:07,990 --> 01:19:06,840

it drives her nuts because i i treat my

2170

01:19:09,910 --> 01:19:08,000

daughter

2171

01:19:11,510 --> 01:19:09,920

my seven-year-old almost eight like

2172

01:19:13,590 --> 01:19:11,520

she's an adult and i'll have adult

2173

01:19:16,070 --> 01:19:13,600

conversations with her and she'll ask me

2174

01:19:17,910 --> 01:19:16,080

you know daddy why do you freak out

2175

01:19:20,070 --> 01:19:17,920

every time you see a police officer

2176

01:19:23,430 --> 01:19:20,080

i'll tell her the truth you know you

2177

01:19:27,990 --> 01:19:23,440

have ptsd or something like that

2178

01:19:30,310 --> 01:19:28,000

no i uh just don't trust the government

2179

01:19:31,270 --> 01:19:30,320

that's how i am i i used to be a cop for

2180

01:19:34,149 --> 01:19:31,280

12 years

2181

01:19:35,830 --> 01:19:34,159

i did not know that so well that was my

2182

01:19:37,669 --> 01:19:35,840

job and that was my job in the air force

2183

01:19:39,030 --> 01:19:37,679

it was a military police officer oh yeah

2184

01:19:41,270 --> 01:19:39,040

yeah and by the way thank you for your

2185

01:19:43,669 --> 01:19:41,280

service

2186

01:19:45,430 --> 01:19:43,679

don't thank me thank you my dad really

2187

01:19:47,270 --> 01:19:45,440

are the guys that didn't make it

2188

01:19:48,550 --> 01:19:47,280

my dad was a navy guy he wanted me in

2189

01:19:50,149 --> 01:19:48,560

the military but i just

2190

01:19:52,709 --> 01:19:50,159

knew that i wasn't disciplined enough

2191

01:19:55,350 --> 01:19:52,719

and i would have flunked out

2192

01:19:56,070 --> 01:19:55,360

i was like dude how many push-ups bro no

2193

01:19:58,709 --> 01:19:56,080

way

2194

01:19:59,990 --> 01:19:58,719

you know i just couldn't do it i knew i

2195

01:20:01,510 --> 01:20:00,000

couldn't do it so

2196

01:20:03,030 --> 01:20:01,520

don't don't thank me thank the families

2197

01:20:06,310 --> 01:20:03,040

of the people that didn't make it back i

2198

01:20:08,149 --> 01:20:06,320

i came back yeah yeah and you were a

2199

01:20:08,709 --> 01:20:08,159

desert storm i'm aware right yeah i

2200

01:20:12,229 --> 01:20:08,719

spent

2201

01:20:14,550 --> 01:20:12,239

in the middle east

2202

01:20:16,229 --> 01:20:14,560

and if i if i ever get the opportunity

2203

01:20:17,590 --> 01:20:16,239

to go back there i will throw myself

2204

01:20:18,870 --> 01:20:17,600

down a flight of stairs and break both

2205

01:20:20,790 --> 01:20:18,880

legs first

2206

01:20:23,270 --> 01:20:20,800

wow it's really it was really that bad

2207

01:20:26,390 --> 01:20:23,280

for you that place is a [h__h]

2208

01:20:28,629 --> 01:20:26,400

yeah i've heard that my cousin

2209

01:20:31,110 --> 01:20:28,639

was in desert storm as a marine and i

2210

01:20:33,189 --> 01:20:31,120

was very really worried for him because

2211

01:20:35,189 --> 01:20:33,199

he's just the kind of guy that like if

2212

01:20:36,229 --> 01:20:35,199

you're in a bar and a fight breaks out

2213

01:20:38,709 --> 01:20:36,239

he jumps in

2214

01:20:40,390 --> 01:20:38,719

he's just that kind of like he like he

2215

01:20:41,669 --> 01:20:40,400

likes i don't know if he likes fighting

2216

01:20:44,070 --> 01:20:41,679

conflict so we were

2217

01:20:44,870 --> 01:20:44,080

terrified for him because we figured

2218

01:20:47,590 --> 01:20:44,880

he'd be

2219

01:20:49,110 --> 01:20:47,600

uh charging people when his gun ran out

2220

01:20:50,790 --> 01:20:49,120

of ammunition you know

2221

01:20:52,709 --> 01:20:50,800

his bare hands he's just that kind of

2222

01:20:53,350 --> 01:20:52,719

crazy you know but luckily he made it

2223

01:20:55,910 --> 01:20:53,360

out

2224

01:20:56,629 --> 01:20:55,920

mostly you know he's got some everybody

2225

01:20:58,550 --> 01:20:56,639

that comes back

2226

01:20:59,669 --> 01:20:58,560

brings something back with them trauma

2227

01:21:01,910 --> 01:20:59,679

or you all do

2228

01:21:03,910 --> 01:21:01,920

we all do people talk about hitchhiker's

2229

01:21:05,430 --> 01:21:03,920

syndrome from skinwalker

2230

01:21:07,270 --> 01:21:05,440

you know vets have been dealing with

2231

01:21:10,709 --> 01:21:07,280

this mentally for

2232

01:21:13,590 --> 01:21:10,719

since there's been wars every every one

2233

01:21:16,950 --> 01:21:13,600

of us brings something back

2234

01:21:18,870 --> 01:21:16,960

yeah so it's it's it's unfortunate

2235

01:21:19,990 --> 01:21:18,880

yeah it's if you see that kind of stuff

2236

01:21:22,950 --> 01:21:20,000

it's going to change you

2237

01:21:26,070 --> 01:21:22,960

right rodrigo is saying show us your

2238

01:21:29,510 --> 01:21:28,070

yeah sure that's fine you do what you

2239

01:21:31,510 --> 01:21:29,520

need to do here

2240

01:21:32,550 --> 01:21:31,520

so friends we're we're talking with

2241

01:21:34,629 --> 01:21:32,560

jeremy uh

2242

01:21:35,590 --> 01:21:34,639

unidentified you can follow him on

2243

01:21:38,709 --> 01:21:35,600

twitter

2244

01:21:41,430 --> 01:21:38,719

uh i gotta tell you he's got a really

2245

01:21:43,510 --> 01:21:41,440

good take on a lot of this ufo uap stuff

2246

01:21:45,189 --> 01:21:43,520

and we need we need people like him

2247

01:21:47,270 --> 01:21:45,199

because

2248

01:21:48,870 --> 01:21:47,280

the narrative is getting is getting

2249

01:21:51,669 --> 01:21:48,880

crazy with people pushing

2250

01:21:53,590 --> 01:21:51,679

their their narrative and really i want

2251
01:21:55,510 --> 01:21:53,600
to get to the truth glad to know people

2252
01:21:56,790 --> 01:21:55,520
like him who can help me do that and i

2253
01:21:59,510 --> 01:21:56,800
can share this uh

2254
01:22:00,870 --> 01:21:59,520
conversation and journey with you so

2255
01:22:01,990 --> 01:22:00,880
what i wanted to do is just turn my

2256
01:22:03,669 --> 01:22:02,000
camera around so don't

2257
01:22:05,669 --> 01:22:03,679
don't don't put me off let me let me

2258
01:22:06,470 --> 01:22:05,679
just pick this up oh i'm sorry no that's

2259
01:22:09,510 --> 01:22:06,480
fine

2260
01:22:10,149 --> 01:22:09,520
here rodrigo you've got a little

2261
01:22:13,030 --> 01:22:10,159
collection

2262
01:22:13,830 --> 01:22:13,040
there that that's that's a little bit of

2263
01:22:16,950 --> 01:22:13,840

it

2264

01:22:19,189 --> 01:22:16,960

so yeah i uh thank god i'm wearing pants

2265

01:22:21,030 --> 01:22:19,199

when i stood up not so big a gun guy but

2266

01:22:22,390 --> 01:22:21,040

i noticed that it's getting real hard to

2267

01:22:25,030 --> 01:22:22,400

find ammunition

2268

01:22:26,390 --> 01:22:25,040

well i make my own i reload my own ammo

2269

01:22:29,669 --> 01:22:26,400

i build my own rifles

2270

01:22:30,310 --> 01:22:29,679

uh i uh i just like to have control of

2271

01:22:33,030 --> 01:22:30,320

the things

2272

01:22:33,590 --> 01:22:33,040

the tools that i use yeah i'm an archery

2273

01:22:36,070 --> 01:22:33,600

guy

2274

01:22:37,990 --> 01:22:36,080

i like i like archery so at the cabin i

2275

01:22:40,229 --> 01:22:38,000

have both but if i had to choose which

2276

01:22:41,990 --> 01:22:40,239

one to use for hunting or whatever

2277

01:22:43,350 --> 01:22:42,000

yeah well for personal defense i would

2278

01:22:45,430 --> 01:22:43,360

always choose a gun

2279

01:22:46,870 --> 01:22:45,440

but for hunting i i like i like the

2280

01:22:48,310 --> 01:22:46,880

sportsman you know i think it's like a

2281

01:22:50,070 --> 01:22:48,320

little more challenging

2282

01:22:52,149 --> 01:22:50,080

and there's something ancient about that

2283

01:22:53,750 --> 01:22:52,159

bow and arrow you know

2284

01:22:55,750 --> 01:22:53,760

yeah there is there's there's there's a

2285

01:22:57,430 --> 01:22:55,760

connection there's there's a huge

2286

01:23:00,550 --> 01:22:57,440

connection between

2287

01:23:01,910 --> 01:23:00,560

uh the the the action and the result

2288

01:23:05,270 --> 01:23:01,920

when you have a bow and arrow in your

2289

01:23:07,189 --> 01:23:05,280

hand yeah yeah so that's interesting

2290

01:23:09,030 --> 01:23:07,199

you know i noticed uh i noticed a lot of

2291

01:23:10,950 --> 01:23:09,040

people are doing like

2292

01:23:12,070 --> 01:23:10,960

i guess prepper sort of things right

2293

01:23:13,830 --> 01:23:12,080

have you noticed this

2294

01:23:15,270 --> 01:23:13,840

sort of changed in the past year where

2295

01:23:17,110 --> 01:23:15,280

people are sort of uh

2296

01:23:18,470 --> 01:23:17,120

a little more paranoid than usual

2297

01:23:22,070 --> 01:23:18,480

without not having

2298

01:23:24,149 --> 01:23:22,080

enough things and hoarding things and

2299

01:23:25,750 --> 01:23:24,159

if you're putting gasoline in a plastic

2300

01:23:28,070 --> 01:23:25,760

bag

2301
01:23:29,350 --> 01:23:28,080
i saw that completely and and if you're

2302
01:23:32,709 --> 01:23:29,360
on my friend's list

2303
01:23:36,070 --> 01:23:32,719
just go ahead and delete yourself yeah

2304
01:23:39,189 --> 01:23:36,080
don't put gasoline in a plastic bag

2305
01:23:40,950 --> 01:23:39,199
folks that is ridiculous i have a friend

2306
01:23:41,590 --> 01:23:40,960
in europe who sent me a picture of that

2307
01:23:43,750 --> 01:23:41,600
and he said

2308
01:23:45,510 --> 01:23:43,760
is this real are you americans really

2309
01:23:48,149 --> 01:23:45,520
that dumb and i went absolutely

2310
01:23:48,790 --> 01:23:48,159
we're that stupid we are that stupid

2311
01:23:51,350 --> 01:23:48,800
yeah i have

2312
01:23:52,629 --> 01:23:51,360
i've had only one time where i had a

2313
01:23:54,310 --> 01:23:52,639

line here

2314

01:23:56,070 --> 01:23:54,320

and then a couple of a lot of some of

2315

01:23:57,750 --> 01:23:56,080

the gas stations i think about half of

2316

01:23:59,669 --> 01:23:57,760

them around here are out of premium

2317

01:24:00,870 --> 01:23:59,679

or out of cheap gas still you can only

2318

01:24:03,270 --> 01:24:00,880

buy premium you know

2319

01:24:03,910 --> 01:24:03,280

out here in vegas we haven't seen a blip

2320

01:24:07,110 --> 01:24:03,920

yeah

2321

01:24:10,310 --> 01:24:07,120

that pipeline

2322

01:24:11,350 --> 01:24:10,320

so i i asked a lot of questions about

2323

01:24:13,430 --> 01:24:11,360

what

2324

01:24:16,390 --> 01:24:13,440

you know we were talking about these

2325

01:24:17,910 --> 01:24:16,400

people pushing this alien narrative yeah

2326

01:24:19,350 --> 01:24:17,920

one question i want to ask you having

2327

01:24:20,790 --> 01:24:19,360

studied this thing for so long because

2328

01:24:23,110 --> 01:24:20,800

i'm always curious of what

2329

01:24:23,830 --> 01:24:23,120

what the bottom line is or what people

2330

01:24:25,590 --> 01:24:23,840

who have

2331

01:24:27,830 --> 01:24:25,600

invested a lot of time studying these

2332

01:24:31,430 --> 01:24:27,840

phenomena believe

2333

01:24:34,310 --> 01:24:31,440

is if there are truly

2334

01:24:36,870 --> 01:24:34,320

alien species or interdimensional

2335

01:24:39,990 --> 01:24:36,880

species or something like that

2336

01:24:41,430 --> 01:24:40,000

visiting us on earth why why do you

2337

01:24:42,790 --> 01:24:41,440

believe that they're here what is the

2338

01:24:44,709 --> 01:24:42,800

purpose

2339

01:24:46,229 --> 01:24:44,719

i don't know if we're capable of

2340

01:24:47,910 --> 01:24:46,239

answering that question

2341

01:24:50,229 --> 01:24:47,920

because i don't even know if that's the

2342

01:24:53,990 --> 01:24:50,239

right question to ask

2343

01:24:55,430 --> 01:24:54,000

if when i was talking to colonel

2344

01:24:58,550 --> 01:24:55,440

alexander

2345

01:25:00,950 --> 01:24:58,560

in and i i he took me to task a couple

2346

01:25:04,070 --> 01:25:00,960

times for asking similar questions

2347

01:25:05,990 --> 01:25:04,080

and i would ask him you know who who's

2348

01:25:06,390 --> 01:25:06,000

in the ufos who's in the uap and he's

2349

01:25:07,750 --> 01:25:06,400

like

2350

01:25:09,750 --> 01:25:07,760

that's just not the right question to

2351

01:25:10,950 --> 01:25:09,760

ask and i was like what is the right

2352

01:25:13,189 --> 01:25:10,960

question to ask

2353

01:25:14,070 --> 01:25:13,199

and he goes that's the right question to

2354

01:25:17,350 --> 01:25:14,080

ask

2355

01:25:20,709 --> 01:25:17,360

we we don't yet know enough

2356

01:25:23,270 --> 01:25:20,719

about any of this to even begin to

2357

01:25:25,030 --> 01:25:23,280

ask the correct questions and we're not

2358

01:25:27,830 --> 01:25:25,040

going to know anything

2359

01:25:29,830 --> 01:25:27,840

until we figure out the questions that

2360

01:25:33,350 --> 01:25:29,840

we need to be asking

2361

01:25:36,070 --> 01:25:33,360

um and it's it sounds like a cop-out

2362

01:25:37,669 --> 01:25:36,080

but i don't i don't think it is i don't

2363

01:25:41,110 --> 01:25:37,679

i really don't think it is and i

2364

01:25:44,310 --> 01:25:41,120

i certainly don't think unless

2365

01:25:47,910 --> 01:25:44,320

on the one exception is if uap

2366

01:25:50,310 --> 01:25:47,920

are us and i'll i'll define that again

2367

01:25:51,990 --> 01:25:50,320

here in a minute but if you ap or us

2368

01:25:55,350 --> 01:25:52,000

this all goes out the window

2369

01:25:59,430 --> 01:25:55,360

but i don't think that we can ascribe

2370

01:26:02,310 --> 01:25:59,440

human traits or humanity's motivations

2371

01:26:03,110 --> 01:26:02,320

to something that may not be anywhere

2372

01:26:05,990 --> 01:26:03,120

near

2373

01:26:08,550 --> 01:26:06,000

being human that's like that's like

2374

01:26:09,910 --> 01:26:08,560

saying why does an octopus punch a fish

2375

01:26:11,750 --> 01:26:09,920

yeah i always thought it was interesting

2376

01:26:13,030 --> 01:26:11,760

that aliens are always depicted as

2377

01:26:15,430 --> 01:26:13,040

bipedal creatures

2378

01:26:16,070 --> 01:26:15,440

with you know hands and legs like us i

2379

01:26:17,430 --> 01:26:16,080

mean

2380

01:26:19,110 --> 01:26:17,440

for all for all we know they could look

2381

01:26:21,590 --> 01:26:19,120

like octopi or you know

2382

01:26:22,310 --> 01:26:21,600

or whales you know and be intelligent

2383

01:26:24,870 --> 01:26:22,320

light

2384

01:26:26,149 --> 01:26:24,880

and i think one of the most inefficient

2385

01:26:29,270 --> 01:26:26,159

things to do

2386

01:26:31,910 --> 01:26:29,280

in the entire cosmos is build a craft

2387

01:26:33,030 --> 01:26:31,920

capable of transporting biological

2388

01:26:36,229 --> 01:26:33,040

entities

2389

01:26:38,950 --> 01:26:36,239

i think that these craft if they are

2390

01:26:41,510 --> 01:26:38,960

space faring craft i think that they're

2391

01:26:43,910 --> 01:26:41,520

most likely solid state

2392

01:26:44,870 --> 01:26:43,920

and there's no entities inside of these

2393

01:26:47,990 --> 01:26:44,880

these are yeah they're

2394

01:26:50,070 --> 01:26:48,000

like robotic probes right

2395

01:26:51,910 --> 01:26:50,080

robotic probes solid solid-state probes

2396

01:26:53,830 --> 01:26:51,920

um there's there's a theory that i

2397

01:26:56,870 --> 01:26:53,840

personally subscribe to

2398

01:27:02,550 --> 01:26:56,880

uh the grays i think are probably a

2399

01:27:03,990 --> 01:27:02,560

biological housing for an ai

2400

01:27:05,510 --> 01:27:04,000

oh that's an interesting theory i have

2401
01:27:06,950 --> 01:27:05,520
not heard that you know one of the

2402
01:27:09,510 --> 01:27:06,960
theories i like about

2403
01:27:11,430 --> 01:27:09,520
the graves is that they may be uh

2404
01:27:13,350 --> 01:27:11,440
something like a dolphin but evolved

2405
01:27:15,430 --> 01:27:13,360
into a more human form

2406
01:27:17,189 --> 01:27:15,440
jazz shaw would absolutely love you

2407
01:27:20,550 --> 01:27:17,199
because jazz has this whole

2408
01:27:22,470 --> 01:27:20,560
dolphin uh theory going on

2409
01:27:24,149 --> 01:27:22,480
so yeah and you know you know what's

2410
01:27:25,350 --> 01:27:24,159
interesting is that i've been reading

2411
01:27:26,790 --> 01:27:25,360
about dolphins

2412
01:27:28,709 --> 01:27:26,800
and they they're really starting to

2413
01:27:32,149 --> 01:27:28,719

believe that they're just as smart as us

2414

01:27:35,110 --> 01:27:32,159

or just as cognitively capable as us but

2415

01:27:36,470 --> 01:27:35,120

because they're in the water or whatever

2416

01:27:38,149 --> 01:27:36,480

you know and they don't have uh

2417

01:27:39,910 --> 01:27:38,159

possible thumbs they didn't develop

2418

01:27:41,110 --> 01:27:39,920

technology but they may be every bit as

2419

01:27:44,149 --> 01:27:41,120

smart as us

2420

01:27:47,510 --> 01:27:44,159

so that's crazy you know we

2421

01:27:48,790 --> 01:27:47,520

we don't know any anybody that says that

2422

01:27:52,149 --> 01:27:48,800

they have to the answers

2423

01:27:55,430 --> 01:27:52,159

to what is going on is full of crap

2424

01:27:57,510 --> 01:27:55,440

yeah i agree with you 100 and you know

2425

01:27:58,950 --> 01:27:57,520

i really like people that are capable of

2426

01:28:01,669 --> 01:27:58,960

saying i don't know

2427

01:28:02,950 --> 01:28:01,679

right or or capable of admitting that

2428

01:28:04,870 --> 01:28:02,960

they don't really

2429

01:28:06,790 --> 01:28:04,880

have the answers but they hear some

2430

01:28:07,110 --> 01:28:06,800

theories and i could speculate on that

2431

01:28:09,110 --> 01:28:07,120

or

2432

01:28:10,950 --> 01:28:09,120

you know and but i believe you're that

2433

01:28:12,550 --> 01:28:10,960

you're 100 correct certainly the most

2434

01:28:14,950 --> 01:28:12,560

efficient way to explore

2435

01:28:16,870 --> 01:28:14,960

other solar systems would be robotic

2436

01:28:20,390 --> 01:28:16,880

drones not sending people

2437

01:28:24,149 --> 01:28:20,400

right or you know not sending

2438

01:28:28,950 --> 01:28:24,159

living if you have to traverse

2439

01:28:30,870 --> 01:28:28,960

light years of of physical space

2440

01:28:32,149 --> 01:28:30,880

i i don't think you do it with a

2441

01:28:34,629 --> 01:28:32,159

biologic

2442

01:28:36,629 --> 01:28:34,639

i i think that that's if if you've been

2443

01:28:39,590 --> 01:28:36,639

able to

2444

01:28:40,390 --> 01:28:39,600

stabilize wormholes or or cross

2445

01:28:42,790 --> 01:28:40,400

dimensions

2446

01:28:44,709 --> 01:28:42,800

then maybe sure because you're

2447

01:28:47,990 --> 01:28:44,719

shortening your trip

2448

01:28:50,470 --> 01:28:48,000

but if if you're restricted to

2449

01:28:51,990 --> 01:28:50,480

you know normal ballistic type of travel

2450

01:28:53,750 --> 01:28:52,000

across the cosmos

2451

01:28:55,990 --> 01:28:53,760

i think you do it with solid-state

2452

01:28:58,149 --> 01:28:56,000

technology yeah and it would seem

2453

01:28:59,750 --> 01:28:58,159

to be like would seem to be like

2454

01:29:01,590 --> 01:28:59,760

reasonable to say that some other

2455

01:29:05,110 --> 01:29:01,600

species would just

2456

01:29:07,510 --> 01:29:05,120

you know say let's let's launch 500

2457

01:29:08,709 --> 01:29:07,520

robotic probes at 500 different solar

2458

01:29:11,750 --> 01:29:08,719

systems if it takes them

2459

01:29:13,750 --> 01:29:11,760

200 years to report back yeah

2460

01:29:15,590 --> 01:29:13,760

eventually we'll get some data from it

2461

01:29:18,310 --> 01:29:15,600

it seems reasonable to me

2462

01:29:18,709 --> 01:29:18,320

but i've often thought that and this is

2463

01:29:21,030 --> 01:29:18,719

again

2464

01:29:21,990 --> 01:29:21,040

a 100 speculation but i've often thought

2465

01:29:23,750 --> 01:29:22,000

that the

2466

01:29:26,070 --> 01:29:23,760

phenomenon may be related to some sort

2467

01:29:29,430 --> 01:29:26,080

of anthropology project

2468

01:29:32,629 --> 01:29:29,440

like for example if we if we

2469

01:29:34,470 --> 01:29:32,639

find some tribe that is

2470

01:29:36,950 --> 01:29:34,480

a hundred percent without technology off

2471

01:29:39,270 --> 01:29:36,960

on their own in the stone ages

2472

01:29:40,629 --> 01:29:39,280

our scientists would want to study them

2473

01:29:44,149 --> 01:29:40,639

because that's

2474

01:29:44,390 --> 01:29:44,159

to see what what you know what some of

2475

01:29:46,870 --> 01:29:44,400

our

2476

01:29:48,070 --> 01:29:46,880

origins were so i've often thought that

2477

01:29:50,870 --> 01:29:48,080

they may be just

2478

01:29:51,350 --> 01:29:50,880

observing primitive people because

2479

01:29:52,790 --> 01:29:51,360

they're

2480

01:29:54,310 --> 01:29:52,800

you know a hundred thousand years ahead

2481

01:29:55,910 --> 01:29:54,320

of us or however many years a million

2482

01:29:58,310 --> 01:29:55,920

years ahead of us

2483

01:29:59,750 --> 01:29:58,320

and want to see what part of their past

2484

01:30:00,470 --> 01:29:59,760

may have been like that they may have

2485

01:30:03,189 --> 01:30:00,480

lost through

2486

01:30:04,709 --> 01:30:03,199

their own history there there there is

2487

01:30:07,750 --> 01:30:04,719

there is merit in that

2488

01:30:09,590 --> 01:30:07,760

and uh when one of the conversations

2489

01:30:12,070 --> 01:30:09,600

that i was having with colonel alexander

2490

01:30:14,550 --> 01:30:12,080

i i proposed to him one of my theories

2491

01:30:17,430 --> 01:30:14,560

and and he didn't shoot it down

2492

01:30:20,149 --> 01:30:17,440

um was and this kind of ties into the

2493

01:30:23,350 --> 01:30:20,159

consciousness aspect of it but it it

2494

01:30:25,030 --> 01:30:23,360

ties it in with with uh you know the

2495

01:30:27,110 --> 01:30:25,040

conservation of of energy and

2496

01:30:30,149 --> 01:30:27,120

thermodynamics that that energy can

2497

01:30:33,189 --> 01:30:30,159

neither be created nor destroyed um

2498

01:30:35,990 --> 01:30:33,199

so that when when we die uh our

2499

01:30:39,430 --> 01:30:36,000

consciousness continues to live

2500

01:30:42,470 --> 01:30:39,440

uh somewhere somehow it it it goes

2501

01:30:47,510 --> 01:30:42,480

somewhere so

2502

01:30:50,550 --> 01:30:47,520

potentially this is us visiting us

2503

01:30:53,030 --> 01:30:50,560

that's interesting theory yeah

2504

01:30:54,229 --> 01:30:53,040

but why would it take the the shape of a

2505

01:30:56,629 --> 01:30:54,239

ufo i guess

2506

01:30:57,750 --> 01:30:56,639

well who knows right plasma balls have

2507

01:31:01,030 --> 01:30:57,760

been seen it could be

2508

01:31:02,229 --> 01:31:01,040

energy consciousness turns to energy

2509

01:31:04,709 --> 01:31:02,239

i sure would like somehow believe that

2510

01:31:06,310 --> 01:31:04,719

we go somewhere i cannot wrap my brain

2511

01:31:09,189 --> 01:31:06,320

around just blinking out

2512

01:31:10,229 --> 01:31:09,199

and and and to my existence that's

2513

01:31:12,070 --> 01:31:10,239

through religious

2514

01:31:13,510 --> 01:31:12,080

teachings that i've had my whole life or

2515

01:31:15,030 --> 01:31:13,520

just because i don't want i don't want

2516

01:31:16,390 --> 01:31:15,040

to believe that you just blink out when

2517

01:31:20,070 --> 01:31:16,400

you

2518

01:31:22,950 --> 01:31:20,080

two weeks ago

2519

01:31:24,629 --> 01:31:22,960

and she was terrified of death i don't

2520

01:31:26,870 --> 01:31:24,639

know if she had seen something on tv

2521

01:31:29,030 --> 01:31:26,880

or heard something at school or whatever

2522

01:31:30,790 --> 01:31:29,040

but uh but she was terrified of it and

2523

01:31:32,390 --> 01:31:30,800

and the religious approach even even

2524

01:31:36,470 --> 01:31:32,400

scared her even more

2525

01:31:39,430 --> 01:31:36,480

so i sat her down and and i spoke to her

2526

01:31:40,149 --> 01:31:39,440

about uh the fact you know that that you

2527

01:31:42,070 --> 01:31:40,159

can't

2528

01:31:44,070 --> 01:31:42,080

create or destroy energy that the

2529

01:31:47,430 --> 01:31:44,080

universe contained the finite amount

2530

01:31:49,669 --> 01:31:47,440

of it you may be able to pull it in from

2531

01:31:51,510 --> 01:31:49,679

other dimensions or other multiverses

2532

01:31:54,629 --> 01:31:51,520

but there's still a finite

2533

01:31:56,229 --> 01:31:54,639

amount um and when i when i relayed this

2534

01:31:58,709 --> 01:31:56,239

to her and i told her that you know

2535

01:32:00,870 --> 01:31:58,719

our brains are based on energy we are

2536

01:32:04,310 --> 01:32:00,880

energy energetic beings

2537

01:32:07,750 --> 01:32:04,320

uh we we need electricity to

2538

01:32:08,470 --> 01:32:07,760

to live uh not the wall outlet at 110

2539

01:32:12,390 --> 01:32:08,480

but i mean

2540

01:32:13,990 --> 01:32:12,400

the the stuff up here and

2541

01:32:16,709 --> 01:32:14,000

after i finished telling her that she's

2542

01:32:19,430 --> 01:32:16,719

like so when we die we don't die

2543

01:32:20,390 --> 01:32:19,440

i was like yeah it's science and she was

2544

01:32:24,709 --> 01:32:20,400

like

2545

01:32:26,070 --> 01:32:24,719

cool okay thanks dad good night and yeah

2546

01:32:27,910 --> 01:32:26,080

because it's a general rule of the

2547

01:32:29,669 --> 01:32:27,920

universe that energy cannot be created

2548

01:32:31,510 --> 01:32:29,679

or destroyed it just changes form

2549

01:32:33,270 --> 01:32:31,520

so maybe your consciousness just changes

2550

01:32:35,030 --> 01:32:33,280

into something else

2551
01:32:36,870 --> 01:32:35,040
you know yeah and maybe it inhabits a

2552
01:32:39,669 --> 01:32:36,880
solid-state drive

2553
01:32:40,790 --> 01:32:39,679
yeah well i guess yeah i'm through my

2554
01:32:41,990 --> 01:32:40,800
list of questions and i don't want to

2555
01:32:42,790 --> 01:32:42,000
keep it too long but i have one

2556
01:32:44,790 --> 01:32:42,800
important one

2557
01:32:46,470 --> 01:32:44,800
sure because i want to i want to know

2558
01:32:48,470 --> 01:32:46,480
what you think about some people's

2559
01:32:51,430 --> 01:32:48,480
claims that the government actually

2560
01:32:53,510 --> 01:32:51,440
has recovered some sort of uh alien

2561
01:32:54,950 --> 01:32:53,520
spacecraft or one of these craft that

2562
01:32:58,070 --> 01:32:54,960
has back engineered

2563
01:33:00,070 --> 01:32:58,080

parts or all of it what do you think of

2564

01:33:02,149 --> 01:33:00,080

these stories because i used to believe

2565

01:33:04,470 --> 01:33:02,159

them but more and more lately i don't

2566

01:33:05,510 --> 01:33:04,480

find them to be credible i don't think

2567

01:33:07,669 --> 01:33:05,520

you know it's like

2568

01:33:09,910 --> 01:33:07,679

people make claims and that's great like

2569

01:33:12,950 --> 01:33:09,920

we've had mark mccandless with this arv

2570

01:33:15,270 --> 01:33:12,960

story bob lazar i don't believe one bit

2571

01:33:15,990 --> 01:33:15,280

uh after a really deep dive into that

2572

01:33:18,709 --> 01:33:16,000

case

2573

01:33:20,310 --> 01:33:18,719

but you know there's there's others that

2574

01:33:21,350 --> 01:33:20,320

have said that there's stuff at wright

2575

01:33:23,110 --> 01:33:21,360

patterson or

2576

01:33:25,910 --> 01:33:23,120

roswell debris got taken to wright

2577

01:33:27,750 --> 01:33:25,920

patterson and we somehow have this stuff

2578

01:33:29,030 --> 01:33:27,760

and we're trying to figure it out but to

2579

01:33:31,430 --> 01:33:29,040

me it

2580

01:33:33,270 --> 01:33:31,440

it it doesn't hold water because it

2581

01:33:35,430 --> 01:33:33,280

would be kind of like handing an iphone

2582

01:33:37,110 --> 01:33:35,440

to a caveman and saying i'll give you as

2583

01:33:39,189 --> 01:33:37,120

much money as you want

2584

01:33:40,310 --> 01:33:39,199

make me another one of these you know

2585

01:33:42,709 --> 01:33:40,320

the caveman would have

2586

01:33:43,830 --> 01:33:42,719

no idea what he was looking at let alone

2587

01:33:47,669 --> 01:33:43,840

how to reproduce it

2588

01:33:48,470 --> 01:33:47,679

well i i think i think there's probably

2589

01:33:51,830 --> 01:33:48,480

about

2590

01:33:53,430 --> 01:33:51,840

a 50 50 chance that it's real i i think

2591

01:33:56,950 --> 01:33:53,440

that

2592

01:34:03,750 --> 01:33:56,960

us

2593

01:34:04,870 --> 01:34:03,760

and i think that we probably most likely

2594

01:34:12,149 --> 01:34:04,880

have

2595

01:34:16,709 --> 01:34:12,159

i think we are reverse engineering

2596

01:34:21,030 --> 01:34:19,189

that was not created by us and by us i

2597

01:34:24,310 --> 01:34:21,040

mean terrestrial based

2598

01:34:25,110 --> 01:34:24,320

you know humans born in poughkeepsie i i

2599

01:34:30,390 --> 01:34:25,120

don't

2600

01:34:33,669 --> 01:34:30,400

everything that we have is us

2601

01:34:35,430 --> 01:34:33,679

and and to expand on that i think

2602

01:34:37,189 --> 01:34:35,440

based on the conversations that i have

2603

01:34:39,270 --> 01:34:37,199

had with people and i'm not going to

2604

01:34:39,990 --> 01:34:39,280

name them but everybody knows who they

2605

01:34:42,950 --> 01:34:40,000

are

2606

01:34:44,830 --> 01:34:42,960

and you've seen pictures of me hanging

2607

01:34:49,030 --> 01:34:44,840

out with some of these people

2608

01:34:52,709 --> 01:34:49,040

um according to internal theories

2609

01:34:56,070 --> 01:34:52,719

we know who is in the saucers

2610

01:34:59,830 --> 01:34:56,080

the black triangles are a combination

2611

01:35:01,669 --> 01:34:59,840

of us and them and we don't have a clue

2612

01:35:03,910 --> 01:35:01,679

who's in the tic tacs

2613

01:35:05,430 --> 01:35:03,920

that's interesting and just to circle

2614

01:35:06,950 --> 01:35:05,440

back um

2615

01:35:08,709 --> 01:35:06,960

you mentioned spending some time with

2616

01:35:11,270 --> 01:35:08,719

louisando and uh

2617

01:35:13,030 --> 01:35:11,280

you were on this unidentified show and

2618

01:35:13,510 --> 01:35:13,040

you know i'm really up in the air about

2619

01:35:15,830 --> 01:35:13,520

him

2620

01:35:16,629 --> 01:35:15,840

and i i was definitely very skeptical of

2621

01:35:19,750 --> 01:35:16,639

ttsa

2622

01:35:21,189 --> 01:35:19,760

after all tom delong famously

2623

01:35:22,870 --> 01:35:21,199

basically promised people that they were

2624

01:35:24,070 --> 01:35:22,880

going to build a spaceship while he was

2625

01:35:25,430 --> 01:35:24,080

soliciting investor

2626

01:35:29,189 --> 01:35:25,440

funds and then he never built a

2627

01:35:30,790 --> 01:35:29,199

spaceship so a huge problems with that

2628

01:35:32,709 --> 01:35:30,800

i don't have a problem with lou leaving

2629

01:35:34,229 --> 01:35:32,719

and i don't have a problem with

2630

01:35:36,470 --> 01:35:34,239

most of what he said but i always feel

2631

01:35:37,830 --> 01:35:36,480

like he when he gets pressed and asked a

2632

01:35:41,669 --> 01:35:37,840

really hard question he

2633

01:35:44,070 --> 01:35:41,679

defaults to an nba which is probably

2634

01:35:45,510 --> 01:35:44,080

just it's frustrating for me because it

2635

01:35:47,750 --> 01:35:45,520

makes me think like

2636

01:35:50,390 --> 01:35:47,760

maybe he does maybe there's a reason why

2637

01:35:52,550 --> 01:35:50,400

he's so gung-ho about this but he can't

2638

01:35:54,629 --> 01:35:52,560

spill the beans so he's trying to find

2639

01:35:57,830 --> 01:35:54,639

other beans that he's allowed to spill

2640

01:36:00,709 --> 01:35:57,840

what's your take on mr elizondo and

2641

01:36:04,870 --> 01:36:00,719

uh and and his efforts and what do you

2642

01:36:09,510 --> 01:36:07,750

i spent a week at his house lou was one

2643

01:36:11,750 --> 01:36:09,520

of the most hospitable people that i

2644

01:36:15,109 --> 01:36:11,760

have ever met in my life

2645

01:36:16,070 --> 01:36:15,119

um i'm not going to speak bad about him

2646

01:36:18,550 --> 01:36:16,080

because

2647

01:36:20,149 --> 01:36:18,560

i may well i wasn't asking you to too

2648

01:36:21,510 --> 01:36:20,159

yeah don't get the wrong idea i'm just

2649

01:36:22,790 --> 01:36:21,520

asking you for your sense and your

2650

01:36:25,030 --> 01:36:22,800

thoughts on him so

2651
01:36:26,149 --> 01:36:25,040
whatever you know yeah i think that

2652
01:36:28,870 --> 01:36:26,159
everything that lou

2653
01:36:31,830 --> 01:36:28,880
does i think that he truly believes that

2654
01:36:34,310 --> 01:36:31,840
he's doing the right thing

2655
01:36:36,070 --> 01:36:34,320
i honestly believe that lou thinks that

2656
01:36:39,750 --> 01:36:36,080
he's doing the right

2657
01:36:40,870 --> 01:36:39,760
thing um if i was the united states

2658
01:36:44,229 --> 01:36:40,880
government

2659
01:36:47,510 --> 01:36:44,239
and i wanted i needed

2660
01:36:50,070 --> 01:36:47,520
my population to believe a certain

2661
01:36:54,149 --> 01:36:52,709
there's a script there's a script to

2662
01:36:57,189 --> 01:36:54,159
find somebody

2663
01:36:59,350 --> 01:36:57,199

to to get a man of the people and

2664

01:37:00,950 --> 01:36:59,360

and and put them in a position and and

2665

01:37:03,430 --> 01:37:00,960

get them to sacrifice

2666

01:37:05,590 --> 01:37:03,440

and get them to be drug through the

2667

01:37:07,430 --> 01:37:05,600

coals and then rise from the ashes and

2668

01:37:08,550 --> 01:37:07,440

be proven right about everything that

2669

01:37:12,229 --> 01:37:08,560

they say

2670

01:37:15,430 --> 01:37:12,239

that's a script and it's happened before

2671

01:37:19,350 --> 01:37:15,440

in uap history in the united states

2672

01:37:22,870 --> 01:37:19,360

yeah yes case for sure

2673

01:37:24,870 --> 01:37:22,880

so i but i think that lou

2674

01:37:26,310 --> 01:37:24,880

believes that what he's doing is the

2675

01:37:28,470 --> 01:37:26,320

right thing and i think he's an

2676

01:37:30,310 --> 01:37:28,480

admirable guy and he served our country

2677

01:37:32,470 --> 01:37:30,320

and he kicked some ass and he did some

2678

01:37:33,990 --> 01:37:32,480

amazing [h__\h] when he was in the military

2679

01:37:35,590 --> 01:37:34,000

and i will never take any of that away

2680

01:37:37,430 --> 01:37:35,600

from him good

2681

01:37:38,950 --> 01:37:37,440

good rogue status has a great question

2682

01:37:40,470 --> 01:37:38,960

how do you guys feel about deathbed

2683

01:37:43,189 --> 01:37:40,480

confessions credible

2684

01:37:44,790 --> 01:37:43,199

i yeah what i would say is that there's

2685

01:37:45,990 --> 01:37:44,800

there's some deathbed confessions out

2686

01:37:48,070 --> 01:37:46,000

there that are garbage

2687

01:37:50,390 --> 01:37:48,080

most notably jeremy corbell and richard

2688

01:37:52,790 --> 01:37:50,400

dolan cia deathbed confession

2689

01:37:54,310 --> 01:37:52,800

we've covered that here previously we

2690

01:37:56,149 --> 01:37:54,320

found out that the gentleman

2691

01:37:58,709 --> 01:37:56,159

pictured in the video as this amazing

2692

01:38:00,550 --> 01:37:58,719

guest talking about area 51 and aliens

2693

01:38:02,950 --> 01:38:00,560

was never in the military and never

2694

01:38:03,430 --> 01:38:02,960

worked for the cia he worked his entire

2695

01:38:05,510 --> 01:38:03,440

life

2696

01:38:06,709 --> 01:38:05,520

as a grocery store person he worked in a

2697

01:38:09,030 --> 01:38:06,719

grocery store

2698

01:38:10,229 --> 01:38:09,040

so so i think if you could verify their

2699

01:38:12,070 --> 01:38:10,239

background

2700

01:38:13,750 --> 01:38:12,080

as being genuine and accurate and

2701

01:38:15,189 --> 01:38:13,760

they're telling stories about aliens

2702

01:38:16,390 --> 01:38:15,199

there's a lot of roswell deathbed

2703

01:38:18,870 --> 01:38:16,400

confessions that i

2704

01:38:20,629 --> 01:38:18,880

find credible because why in the in

2705

01:38:22,229 --> 01:38:20,639

somebody's last days would they suddenly

2706

01:38:23,669 --> 01:38:22,239

just start making up

2707

01:38:25,590 --> 01:38:23,679

things about aliens what do you think

2708

01:38:27,669 --> 01:38:25,600

jeremy

2709

01:38:31,669 --> 01:38:27,679

i think i'll adopt the policy of the nsa

2710

01:38:34,229 --> 01:38:31,679

or the cia on that one trust but verify

2711

01:38:35,910 --> 01:38:34,239

yeah that's an excellent way well listen

2712

01:38:37,430 --> 01:38:35,920

i i can't thank you enough for doing

2713

01:38:40,149 --> 01:38:37,440

this and i hope that you will come back

2714

01:38:42,390 --> 01:38:40,159

we're rebooting our revisiting roswell

2715

01:38:44,149 --> 01:38:42,400

series i'd love to just pick your brain

2716

01:38:45,430 --> 01:38:44,159

for an hour about roswell and see what

2717

01:38:47,270 --> 01:38:45,440

you can yeah

2718

01:38:52,470 --> 01:38:47,280

spooky has a question right there he's

2719

01:38:58,070 --> 01:38:55,990

yeah oh no jeremy's one of those

2720

01:39:01,270 --> 01:38:58,080

freemasons he's trying to rule the world

2721

01:39:04,629 --> 01:39:01,280

he can't be trusted right

2722

01:39:06,629 --> 01:39:04,639

yes yes i uh of course now i can't get

2723

01:39:08,870 --> 01:39:06,639

him back on the wall

2724

01:39:10,070 --> 01:39:08,880

that'll sit down there for a minute um

2725

01:39:13,350 --> 01:39:10,080

yeah yes

2726

01:39:15,270 --> 01:39:13,360

yes i i am a mason i was uh entered

2727

01:39:17,350 --> 01:39:15,280

passed and raised back in the year 2000

2728

01:39:19,510 --> 01:39:17,360

at vegas lodge number 32

2729

01:39:21,830 --> 01:39:19,520

and i am a member of the scottish rite i

2730

01:39:24,550 --> 01:39:21,840

am a 32nd degree

2731

01:39:26,229 --> 01:39:24,560

scottish right mason as well yeah you

2732

01:39:28,790 --> 01:39:26,239

know i've had an interest in that

2733

01:39:29,270 --> 01:39:28,800

and i even uh almost joined attempted to

2734

01:39:31,510 --> 01:39:29,280

join

2735

01:39:32,950 --> 01:39:31,520

but then things sort of got in the way

2736

01:39:34,629 --> 01:39:32,960

did you find it to be

2737

01:39:36,070 --> 01:39:34,639

very helpful to your life because

2738

01:39:38,229 --> 01:39:36,080

everybody i know that did it

2739

01:39:39,189 --> 01:39:38,239

said that it made them a better man

2740

01:39:40,790 --> 01:39:39,199

right isn't that

2741

01:39:42,229 --> 01:39:40,800

a part of the thing making good men

2742

01:39:44,870 --> 01:39:42,239

better men yeah

2743

01:39:45,590 --> 01:39:44,880

make making making a good man good man a

2744

01:39:49,030 --> 01:39:45,600

better man

2745

01:39:52,070 --> 01:39:49,040

absolutely um it's not a religion

2746

01:39:52,870 --> 01:39:52,080

it's it's not even a dogma uh it it's

2747

01:39:55,990 --> 01:39:52,880

just uh

2748

01:39:57,270 --> 01:39:56,000

it's a philosophy yeah yeah so you're

2749

01:39:57,750 --> 01:39:57,280

not trying to take over the world or

2750

01:40:00,870 --> 01:39:57,760

anything

2751

01:40:02,950 --> 01:40:00,880

did you get that up that far

2752

01:40:04,070 --> 01:40:02,960

you can get these illuminati secrets

2753

01:40:06,310 --> 01:40:04,080

from them yet

2754

01:40:07,990 --> 01:40:06,320

i wouldn't be driving around in a 99

2755

01:40:10,070 --> 01:40:08,000

land rover if i was uh

2756

01:40:11,510 --> 01:40:10,080

being able to take over the world so

2757

01:40:13,669 --> 01:40:11,520

yeah that's very good

2758

01:40:15,109 --> 01:40:13,679

very good point well i want to thank you

2759

01:40:16,470 --> 01:40:15,119

for doing this i'm going to throw you

2760

01:40:17,590 --> 01:40:16,480

away out and attend to some show

2761

01:40:19,350 --> 01:40:17,600

business i have some

2762

01:40:21,030 --> 01:40:19,360

announcements to make i'm happy that you

2763

01:40:22,870 --> 01:40:21,040

could do this tonight because we just

2764

01:40:24,470 --> 01:40:22,880

now got on all these different audio

2765

01:40:26,550 --> 01:40:24,480

podcast networks so

2766

01:40:28,790 --> 01:40:26,560

people will be able to catch this replay

2767

01:40:30,709 --> 01:40:28,800

of us virtually anywhere that they get

2768

01:40:32,229 --> 01:40:30,719

their audio podcasts

2769

01:40:34,390 --> 01:40:32,239

and you're one of the first episodes

2770

01:40:37,189 --> 01:40:34,400

going up because they're fantastic

2771

01:40:38,870 --> 01:40:37,199

this is a great one and also i consider

2772

01:40:40,390 --> 01:40:38,880

that part of what we do here as a public

2773

01:40:42,709 --> 01:40:40,400

service and i can't stand all the

2774

01:40:45,590 --> 01:40:42,719

disinformation and false information

2775

01:40:46,390 --> 01:40:45,600

narrative pushing and i knew that that

2776

01:40:48,149 --> 01:40:46,400

having somebody

2777

01:40:50,149 --> 01:40:48,159

an expert really like you could really

2778

01:40:52,470 --> 01:40:50,159

help educate the public so

2779

01:40:54,470 --> 01:40:52,480

well i'm not i'm not an expert on

2780

01:40:57,030 --> 01:40:54,480

anything i would encourage

2781

01:40:57,910 --> 01:40:57,040

everyone to not follow i mean follow me

2782

01:41:01,189 --> 01:40:57,920

on twitter but don't

2783

01:41:02,390 --> 01:41:01,199

follow me do your own research find your

2784

01:41:05,669 --> 01:41:02,400

own information

2785

01:41:07,030 --> 01:41:05,679

and verify the things that i say just as

2786

01:41:09,350 --> 01:41:07,040

much as i encourage

2787

01:41:10,070 --> 01:41:09,360

myself to verify the things that the

2788

01:41:13,669 --> 01:41:10,080

government say

2789

01:41:15,669 --> 01:41:13,679

take nothing on face value okay

2790

01:41:17,350 --> 01:41:15,679

yeah that's a good way to close out so

2791

01:41:18,149 --> 01:41:17,360

i'm gonna throw you out attend to some

2792

01:41:19,750 --> 01:41:18,159

show business

2793

01:41:21,350 --> 01:41:19,760

thank you very much for doing this this

2794

01:41:22,709 --> 01:41:21,360

has been one of my favorite shows on

2795

01:41:24,629 --> 01:41:22,719

ufos that ever

2796

01:41:26,709 --> 01:41:24,639

and a great conversation i can't wait

2797

01:41:28,790 --> 01:41:26,719

hopefully we can get you back right

2798

01:41:29,750 --> 01:41:28,800

absolutely just uh just give me a shout

2799

01:41:32,629 --> 01:41:29,760

our convenience

2800

01:41:34,390 --> 01:41:32,639

and i will put your twitter uh link to

2801

01:41:36,310 --> 01:41:34,400

your twitter and the the link to your

2802

01:41:39,510 --> 01:41:36,320

youtube channel is already in the

2803

01:41:40,950 --> 01:41:39,520

uh description so pictures right there

2804

01:41:42,470 --> 01:41:40,960

yes and this is his twitter right there

2805

01:41:43,750 --> 01:41:42,480

but i'll put it in the link to the video

2806

01:41:45,189 --> 01:41:43,760

description as well

2807

01:41:47,350 --> 01:41:45,199

you guys if you enjoyed tonight you

2808

01:41:50,790 --> 01:41:47,360

would really enjoy his content and

2809

01:41:52,629 --> 01:41:50,800

his twitter battles are epic

2810

01:41:54,149 --> 01:41:52,639

all right thanks jeremy good night thank

2811

01:41:57,270 --> 01:41:54,159

you steven enjoy

2812

01:41:59,750 --> 01:41:57,280

bye-bye all right friends uh boy

2813

01:42:01,270 --> 01:41:59,760

what and what what a great conversation

2814

01:42:04,870 --> 01:42:01,280

this has been one of my favorite

2815

01:42:08,070 --> 01:42:04,880

uh talks or interviews so far um

2816

01:42:11,669 --> 01:42:08,080

i did want to just attend to some show

2817

01:42:16,550 --> 01:42:11,679

business and that is i posted on

2818

01:42:18,790 --> 01:42:16,560

twitter earlier this sort of new graphic

2819

01:42:20,790 --> 01:42:18,800

i was joking before that opportunities

2820

01:42:22,790 --> 01:42:20,800

multiply as they are seized but they

2821

01:42:26,390 --> 01:42:22,800

really do

2822

01:42:28,470 --> 01:42:26,400

and we recently got monetized on youtube

2823

01:42:29,430 --> 01:42:28,480

which enables our super chats which is

2824

01:42:31,990 --> 01:42:29,440

really really

2825

01:42:33,109 --> 01:42:32,000

really a helpful thing let me share this

2826

01:42:36,390 --> 01:42:33,119

announcement

2827

01:42:39,430 --> 01:42:36,400

because this is big news uh many people

2828

01:42:42,629 --> 01:42:39,440

have been asking me for a long time uh

2829

01:42:44,390 --> 01:42:42,639

if i could get the show to audio podcast

2830

01:42:46,070 --> 01:42:44,400

and honestly i didn't want to do it

2831

01:42:48,149 --> 01:42:46,080

uh because i figured that the show was a

2832

01:42:51,109 --> 01:42:48,159

video show you could just

2833

01:42:53,510 --> 01:42:51,119

listen and not watch right uh there's

2834

01:42:55,430 --> 01:42:53,520

three distribution points already

2835

01:42:57,189 --> 01:42:55,440

but i thought a lot about it and and

2836

01:42:58,870 --> 01:42:57,199

then i talked to somebody who's a truck

2837

01:43:02,390 --> 01:42:58,880

driver who explained to me that

2838

01:43:04,709 --> 01:43:02,400

if he gets pulled over and he's watching

2839

01:43:06,550 --> 01:43:04,719

uh a show he could get in trouble or

2840

01:43:08,229 --> 01:43:06,560

ticketed or whatever

2841

01:43:10,390 --> 01:43:08,239

but if he's listening to an audio

2842

01:43:14,390 --> 01:43:10,400

podcast that's perfectly okay

2843

01:43:17,350 --> 01:43:14,400

so i heard him and a few others

2844

01:43:19,350 --> 01:43:17,360

and they want to see the audio podcast

2845

01:43:19,990 --> 01:43:19,360

version of truthseeker so i'm happy to

2846

01:43:23,270 --> 01:43:20,000

announce

2847

01:43:24,229 --> 01:43:23,280

uh not only are we going to continue to

2848

01:43:26,950 --> 01:43:24,239

be a live video

2849

01:43:28,229 --> 01:43:26,960

show uh streamed on youtube facebook and

2850

01:43:30,229 --> 01:43:28,239

twitch but now

2851
01:43:32,629 --> 01:43:30,239
the audio podcast version of truth

2852
01:43:35,189 --> 01:43:32,639
seekers is going to be available on

2853
01:43:36,229 --> 01:43:35,199
apple podcasts speaker spotify

2854
01:43:39,510 --> 01:43:36,239
iheartradio

2855
01:43:42,709 --> 01:43:39,520
google podcast amazon music cast box

2856
01:43:46,070 --> 01:43:42,719
deezer podcast attic pod cheaper

2857
01:43:48,870 --> 01:43:46,080
chaser geo saving and

2858
01:43:51,109 --> 01:43:48,880
more basically anywhere you get your

2859
01:43:52,870 --> 01:43:51,119
audio podcast you should be able to find

2860
01:43:55,669 --> 01:43:52,880
truth seekers just look for

2861
01:43:57,350 --> 01:43:55,679
uh the weird guy with the sunglasses

2862
01:44:00,550 --> 01:43:57,360
that's in the in the

2863
01:44:03,430 --> 01:44:00,560

you know profile you'll find us

2864

01:44:04,550 --> 01:44:03,440

and you can listen to the audio version

2865

01:44:07,590 --> 01:44:04,560

but i do have to

2866

01:44:12,229 --> 01:44:07,600

uh say that it's much much easier

2867

01:44:14,870 --> 01:44:12,239

to have the audio podcast as replays so

2868

01:44:18,390 --> 01:44:14,880

we're not going to be broadcasting

2869

01:44:20,470 --> 01:44:18,400

uh this show live to all those

2870

01:44:21,669 --> 01:44:20,480

in other words while you're watching the

2871

01:44:24,550 --> 01:44:21,679

video on youtube

2872

01:44:26,070 --> 01:44:24,560

twitch or facebook live you're getting

2873

01:44:28,470 --> 01:44:26,080

the live version of the show

2874

01:44:30,229 --> 01:44:28,480

the audio podcast will be the replays so

2875

01:44:33,910 --> 01:44:30,239

in other words as soon as i'm

2876

01:44:36,070 --> 01:44:33,920

uh finished with the show i upload it

2877

01:44:38,470 --> 01:44:36,080

and then the rss feed takes it out to

2878

01:44:40,950 --> 01:44:38,480

all the different distribution points

2879

01:44:41,590 --> 01:44:40,960

but you asked for it we we gave it to

2880

01:44:43,669 --> 01:44:41,600

you

2881

01:44:46,149 --> 01:44:43,679

i also want to make sure that people

2882

01:44:48,470 --> 01:44:46,159

listening in audio podcast land

2883

01:44:49,270 --> 01:44:48,480

realize that we have a live chat when we

2884

01:44:52,709 --> 01:44:49,280

have the live

2885

01:44:54,310 --> 01:44:52,719

shows on youtube facebook and twitch

2886

01:44:56,310 --> 01:44:54,320

that you can participate in you've heard

2887

01:44:59,590 --> 01:44:56,320

us take questions from the live chat

2888

01:45:00,229 --> 01:44:59,600

tonight if you would like to participate

2889

01:45:02,229 --> 01:45:00,239

we have an

2890

01:45:03,830 --> 01:45:02,239

amazing community here of people

2891

01:45:06,550 --> 01:45:03,840

interested in these subjects we have

2892

01:45:10,470 --> 01:45:06,560

lively conversations and debates

2893

01:45:13,109 --> 01:45:10,480

and uh things that

2894

01:45:13,910 --> 01:45:13,119

we would like you to come and

2895

01:45:15,750 --> 01:45:13,920

participate

2896

01:45:17,669 --> 01:45:15,760

so if you'd like to be a part of the

2897

01:45:19,270 --> 01:45:17,679

community here if you'd like to come and

2898

01:45:21,830 --> 01:45:19,280

ask me questions live

2899

01:45:22,709 --> 01:45:21,840

you can do so just search for truth

2900

01:45:25,270 --> 01:45:22,719

seekers

2901
01:45:27,510 --> 01:45:25,280
on youtube and again look for that guy

2902
01:45:29,910 --> 01:45:27,520
that weird guy with the sunglasses and

2903
01:45:31,109 --> 01:45:29,920
dark hair that's me stephen campion and

2904
01:45:33,030 --> 01:45:31,119
you'll find us

2905
01:45:34,470 --> 01:45:33,040
on youtube and you too can participate

2906
01:45:37,030 --> 01:45:34,480
in the live chat

2907
01:45:38,629 --> 01:45:37,040
i will be looking into seeing if we can

2908
01:45:41,910 --> 01:45:38,639
make the audio

2909
01:45:43,750 --> 01:45:41,920
synchronize and all the audio podcast

2910
01:45:47,030 --> 01:45:43,760
distribution points

2911
01:45:48,790 --> 01:45:47,040
take our feed live but that's a battle

2912
01:45:50,390 --> 01:45:48,800
for another time for now i thought it

2913
01:45:52,550 --> 01:45:50,400

would be good enough to get

2914

01:45:55,189 --> 01:45:52,560

the audio podcast out to all these look

2915

01:45:56,709 --> 01:45:55,199

at that i believe there is

2916

01:45:57,990 --> 01:45:56,719

i there's some that i didn't mention

2917

01:45:59,590 --> 01:45:58,000

because they're sort of up and coming

2918

01:46:01,510 --> 01:45:59,600

and i hadn't even heard of them but i

2919

01:46:03,270 --> 01:46:01,520

believe that the audio

2920

01:46:06,709 --> 01:46:03,280

uh version of the show will be going to

2921

01:46:10,310 --> 01:46:06,719

14 different distribution points

2922

01:46:12,870 --> 01:46:10,320

so uh this is a good thing

2923

01:46:14,070 --> 01:46:12,880

and uh i'm happy to make this

2924

01:46:16,390 --> 01:46:14,080

announcement

2925

01:46:17,350 --> 01:46:16,400

for those that ask not much will change

2926

01:46:19,109 --> 01:46:17,360

from our show

2927

01:46:20,709 --> 01:46:19,119

our usual show that you've come to know

2928

01:46:21,990 --> 01:46:20,719

and love uh

2929

01:46:24,310 --> 01:46:22,000

it's just that you're going to be able

2930

01:46:25,990 --> 01:46:24,320

to listen to the audio podcast virtually

2931

01:46:28,149 --> 01:46:26,000

anywhere on the internet

2932

01:46:29,109 --> 01:46:28,159

in the replays in other words if you

2933

01:46:31,270 --> 01:46:29,119

miss a live show

2934

01:46:32,229 --> 01:46:31,280

you can always catch it on any podcast

2935

01:46:35,430 --> 01:46:32,239

network

2936

01:46:38,709 --> 01:46:35,440

usually they'll be there about a half

2937

01:46:40,550 --> 01:46:38,719

a half hour after the show ends so in

2938

01:46:41,350 --> 01:46:40,560

other words tonight as soon as i finish

2939

01:46:44,390 --> 01:46:41,360

with this show

2940

01:46:45,669 --> 01:46:44,400

i will be uploading the file the audio

2941

01:46:49,189 --> 01:46:45,679

file of tonight's show

2942

01:46:50,950 --> 01:46:49,199

to the main hub and then it gets

2943

01:46:53,109 --> 01:46:50,960

sent out onto all the different

2944

01:46:55,590 --> 01:46:53,119

distribution points

2945

01:46:57,270 --> 01:46:55,600

um and one other thing i guess there

2946

01:46:59,189 --> 01:46:57,280

will be a few

2947

01:47:01,510 --> 01:46:59,199

some slight changes like i'm going to

2948

01:47:03,590 --> 01:47:01,520

add a few more musical bumpers and

2949

01:47:05,350 --> 01:47:03,600

things like that and we have to

2950

01:47:07,189 --> 01:47:05,360

now we have to be a little more

2951

01:47:08,950 --> 01:47:07,199

conscious of dead air

2952

01:47:10,790 --> 01:47:08,960

so in other words previously i would

2953

01:47:11,270 --> 01:47:10,800

just put up a graphic that said thank

2954

01:47:14,149 --> 01:47:11,280

you

2955

01:47:15,270 --> 01:47:14,159

to our patreon supporters now that's

2956

01:47:16,470 --> 01:47:15,280

going to be a problem because it would

2957

01:47:19,990 --> 01:47:16,480

be dead air

2958

01:47:21,990 --> 01:47:20,000

for 30 seconds on a podcast so

2959

01:47:24,070 --> 01:47:22,000

a little bit of adjustments but we're

2960

01:47:26,550 --> 01:47:24,080

gonna we're gonna figure that out

2961

01:47:28,550 --> 01:47:26,560

for now i would uh instead of putting

2962

01:47:29,189 --> 01:47:28,560

that graphic up and thanking our patreon

2963

01:47:31,430 --> 01:47:29,199

supporters

2964

01:47:33,910 --> 01:47:31,440

i would say uh i would just like to

2965

01:47:35,430 --> 01:47:33,920

thank our patreon supporters because

2966

01:47:37,270 --> 01:47:35,440

youtube for as little as a dollar a

2967

01:47:39,109 --> 01:47:37,280

month can support our show

2968

01:47:41,350 --> 01:47:39,119

the show you are hearing no matter where

2969

01:47:44,070 --> 01:47:41,360

you're hearing or viewing it from

2970

01:47:46,390 --> 01:47:44,080

is a viewer supported show there's uh

2971

01:47:47,910 --> 01:47:46,400

several ways to support us

2972

01:47:50,229 --> 01:47:47,920

you can join patreon for as little as a

2973

01:47:52,390 --> 01:47:50,239

dollar a month i give a

2974

01:47:53,910 --> 01:47:52,400

video journal a behind-the-scenes look

2975

01:47:54,629 --> 01:47:53,920

at what's happening with the show every

2976

01:47:57,669 --> 01:47:54,639

single month

2977

01:47:59,990 --> 01:47:57,679

i'm uploading music every month

2978

01:48:02,070 --> 01:48:00,000

uh from a new album basically i'm

2979

01:48:04,950 --> 01:48:02,080

uploading the demos from a new album

2980

01:48:05,430 --> 01:48:04,960

i'm working on uh we have something

2981

01:48:08,229 --> 01:48:05,440

called

2982

01:48:10,310 --> 01:48:08,239

the mind hack project which is sort of a

2983

01:48:12,470 --> 01:48:10,320

self-help

2984

01:48:13,990 --> 01:48:12,480

system designed to help you reach your

2985

01:48:15,430 --> 01:48:14,000

goals if you like

2986

01:48:17,189 --> 01:48:15,440

self-help sort of recordings or

2987

01:48:19,030 --> 01:48:17,199

motivational speaking

2988

01:48:20,229 --> 01:48:19,040

mind hack may be for you and it includes

2989

01:48:21,910 --> 01:48:20,239

a lot of binaural

2990

01:48:24,790 --> 01:48:21,920

beats to help you get the right brain

2991

01:48:27,350 --> 01:48:24,800

state to get certain tasks done

2992

01:48:28,149 --> 01:48:27,360

i try to give as much as i can uh we

2993

01:48:30,950 --> 01:48:28,159

also

2994

01:48:32,470 --> 01:48:30,960

post things on patreon like behind the

2995

01:48:33,430 --> 01:48:32,480

scenes pictures of shows we're

2996

01:48:35,750 --> 01:48:33,440

developing or

2997

01:48:37,030 --> 01:48:35,760

upcoming guests i'll be doing some

2998

01:48:40,950 --> 01:48:37,040

writing there soon

2999

01:48:43,070 --> 01:48:40,960

so that's patreon there is also uh

3000

01:48:44,830 --> 01:48:43,080

we can accept a paypal donation at

3001

01:48:47,669 --> 01:48:44,840

truthseekershow

3002

01:48:49,830 --> 01:48:47,679

gmail.com uh all you do is

3003

01:48:51,109 --> 01:48:49,840

3004

01:48:54,790 --> 01:48:51,119

to truthseeker

3005

01:48:55,830 --> 01:48:54,800

show gmail.com and make sure that you

3006

01:48:57,830 --> 01:48:55,840

add a note

3007

01:48:58,870 --> 01:48:57,840

uh with whatever you'd like to say and

3008

01:49:03,030 --> 01:48:58,880

we shout out

3009

01:49:04,390 --> 01:49:03,040

every one of those paypal donations

3010

01:49:06,229 --> 01:49:04,400

in other words you send us a paypal

3011

01:49:08,629 --> 01:49:06,239

donation and add a note and

3012

01:49:09,910 --> 01:49:08,639

whatever you'd like me to read on air we

3013

01:49:12,950 --> 01:49:09,920

do so

3014

01:49:15,189 --> 01:49:12,960

uh and then the third way financially is

3015

01:49:17,109 --> 01:49:15,199

we have super chats and super stickers

3016

01:49:19,030 --> 01:49:17,119

you can come over to the live chat

3017

01:49:20,550 --> 01:49:19,040

uh while we're doing a live broadcast

3018

01:49:23,830 --> 01:49:20,560

just search for

3019

01:49:24,550 --> 01:49:23,840

uh truth seekers on in the youtube

3020

01:49:26,149 --> 01:49:24,560

search bar

3021

01:49:28,310 --> 01:49:26,159

again look for that weird guy with the

3022

01:49:29,830 --> 01:49:28,320

dark hair and the dark glasses that's me

3023

01:49:31,350 --> 01:49:29,840

stephen campbell and you'll find our

3024

01:49:33,990 --> 01:49:31,360

show you can come in the live chat

3025

01:49:34,709 --> 01:49:34,000

send a super chat send us super sticker

3026

01:49:36,390 --> 01:49:34,719

we read

3027

01:49:39,750 --> 01:49:36,400

thank and acknowledge every single

3028

01:49:41,270 --> 01:49:39,760

person that supports our show

3029

01:49:43,109 --> 01:49:41,280

the other final thing that i would like

3030

01:49:46,709 --> 01:49:43,119

to say is there's one more way

3031

01:49:49,350 --> 01:49:46,719

i realize it's a tough economy out there

3032

01:49:50,149 --> 01:49:49,360

you don't have to just have some money

3033

01:49:53,430 --> 01:49:50,159

to support us

3034

01:49:56,149 --> 01:49:53,440

like comment and

3035

01:49:58,550 --> 01:49:56,159

share if you're watching on a video

3036

01:50:00,629 --> 01:49:58,560

platform like comment share

3037

01:50:02,390 --> 01:50:00,639

and send some of these video links to

3038

01:50:02,950 --> 01:50:02,400

your friends share them on your social

3039

01:50:05,430 --> 01:50:02,960

media

3040

01:50:07,350 --> 01:50:05,440

if you're listening on a audio podcast

3041

01:50:09,669 --> 01:50:07,360

network please give us a review

3042

01:50:11,030 --> 01:50:09,679

write a review please give us five stars

3043

01:50:13,350 --> 01:50:11,040

that really will

3044

01:50:15,830 --> 01:50:13,360

help more people find us in audio

3045

01:50:17,669 --> 01:50:15,840

podcast land we're brand new to that

3046

01:50:19,669 --> 01:50:17,679

it's funny i've kind of come full circle

3047

01:50:21,430 --> 01:50:19,679

because i started with an audio show i

3048

01:50:24,470 --> 01:50:21,440

started uh with a radio

3049

01:50:26,149 --> 01:50:24,480

and podcast audio podcast show moved

3050

01:50:28,550 --> 01:50:26,159

over here to the video space

3051
01:50:29,910 --> 01:50:28,560
and and now we're kind of coming full

3052
01:50:31,910 --> 01:50:29,920
circle but now

3053
01:50:34,310 --> 01:50:31,920
we've got an incredible amount more

3054
01:50:36,790 --> 01:50:34,320
capabilities with the video streaming

3055
01:50:38,709 --> 01:50:36,800
uh it's really just more ways to enjoy

3056
01:50:42,070 --> 01:50:38,719
the show um

3057
01:50:43,990 --> 01:50:42,080
rogue status yeah and as i'm explaining

3058
01:50:45,270 --> 01:50:44,000
to the people in audio podcast lane i'm

3059
01:50:47,990 --> 01:50:45,280
taking live comments

3060
01:50:49,910 --> 01:50:48,000
from our live chat right now as we're

3061
01:50:51,510 --> 01:50:49,920
doing the show live rogue status is here

3062
01:50:52,310 --> 01:50:51,520
and thanking our guest says thanks

3063
01:50:54,709 --> 01:50:52,320

jeremy

3064

01:50:56,310 --> 01:50:54,719
respect man yeah i really i really

3065

01:51:01,350 --> 01:50:56,320
wanted to have jeremy because he's

3066

01:51:04,830 --> 01:51:03,430
really got some great insights into the

3067

01:51:09,910 --> 01:51:04,840
ufo phenomenon

3068

01:51:14,390 --> 01:51:11,669
and i'll take comments and questions

3069

01:51:17,030 --> 01:51:14,400
from our live chat right now

3070

01:51:19,270 --> 01:51:17,040
uh thomas fessler is here shout out to

3071

01:51:21,430 --> 01:51:19,280
thomas he says best ufo info is on

3072

01:51:23,030 --> 01:51:21,440
twitter period yeah there seems ufo

3073

01:51:25,910 --> 01:51:23,040
twitter there seems to be a lot of

3074

01:51:28,070 --> 01:51:25,920
people interested in ufos on twitter

3075

01:51:29,750 --> 01:51:28,080
and jeremy mcgowan chiming in in our

3076

01:51:31,350 --> 01:51:29,760

live chat says thank you for taking the

3077

01:51:32,870 --> 01:51:31,360

time to listen to me today i can't

3078

01:51:34,070 --> 01:51:32,880

reinforce the statement enough don't

3079

01:51:36,629 --> 01:51:34,080

take my word for anything

3080

01:51:38,149 --> 01:51:36,639

do your own research find your own truth

3081

01:51:39,990 --> 01:51:38,159

my opinion is worth zero

3082

01:51:41,669 --> 01:51:40,000

well i disagree i think you have

3083

01:51:42,950 --> 01:51:41,679

incredible insights i can't thank you

3084

01:51:45,430 --> 01:51:42,960

enough for doing this

3085

01:51:47,189 --> 01:51:45,440

one of my favorite shows ever because we

3086

01:51:48,790 --> 01:51:47,199

really got to drill down on some of this

3087

01:51:53,109 --> 01:51:48,800

drone stuff

3088

01:51:54,629 --> 01:51:53,119

uh rogue status says any more

3089

01:51:57,350 --> 01:51:54,639

controversial stuff

3090

01:51:57,669 --> 01:51:57,360

to upload to the podcast i don't know

3091

01:51:58,950 --> 01:51:57,679

and

3092

01:52:01,109 --> 01:51:58,960

if you're talking about the recent

3093

01:52:02,950 --> 01:52:01,119

dramarama with other shows

3094

01:52:05,589 --> 01:52:02,960

largely i'm ignoring all that and

3095

01:52:08,470 --> 01:52:05,599

concentrating on expanding our show

3096

01:52:10,310 --> 01:52:08,480

and uh really really moving our show

3097

01:52:12,870 --> 01:52:10,320

forward i can't believe that we've

3098

01:52:13,430 --> 01:52:12,880

suddenly we've got 14 new distribution

3099

01:52:15,589 --> 01:52:13,440

points

3100

01:52:16,629 --> 01:52:15,599

for our show 14 more destinations that

3101

01:52:20,310 --> 01:52:16,639

our show gets shot

3102

01:52:22,870 --> 01:52:20,320

to for the magic technology here

3103

01:52:24,550 --> 01:52:22,880

and uh more please you'll like it's just

3104

01:52:25,910 --> 01:52:24,560

makes me feel great to know that people

3105

01:52:27,990 --> 01:52:25,920

are going to be able to

3106

01:52:30,629 --> 01:52:28,000

listen to truth seekers virtually

3107

01:52:32,629 --> 01:52:30,639

anywhere right

3108

01:52:34,629 --> 01:52:32,639

and mystic moon tarot is here and says

3109

01:52:37,030 --> 01:52:34,639

how exciting yes thank you i really

3110

01:52:39,510 --> 01:52:37,040

appreciate it

3111

01:52:41,189 --> 01:52:39,520

oh rogue status says controversial

3112

01:52:45,990 --> 01:52:41,199

equals algo non-friendly

3113

01:52:50,790 --> 01:52:48,229

i don't know uh there are some alternate

3114

01:52:52,470 --> 01:52:50,800

platforms rogue status like rumble

3115

01:52:54,310 --> 01:52:52,480

that we have a rumble account you can

3116

01:52:55,189 --> 01:52:54,320

find some shows that have uploaded to

3117

01:52:56,830 --> 01:52:55,199

rumble and d

3118

01:52:58,229 --> 01:52:56,840

live and some of these other

3119

01:53:01,750 --> 01:52:58,239

lesser-known

3120

01:53:03,669 --> 01:53:01,760

video sites or dailymotion and i

3121

01:53:05,910 --> 01:53:03,679

am going to be evaluating which one of

3122

01:53:06,709 --> 01:53:05,920

those has got the greatest potential for

3123

01:53:08,709 --> 01:53:06,719

free speech

3124

01:53:11,270 --> 01:53:08,719

and me not getting cancelled for talking

3125

01:53:12,709 --> 01:53:11,280

about a certain subject

3126
01:53:14,629 --> 01:53:12,719
and then we're going to do some shows

3127
01:53:18,149 --> 01:53:14,639
that are going to be like you know

3128
01:53:18,550 --> 01:53:18,159
to uh let's just say we're going to do

3129
01:53:22,310 --> 01:53:18,560
some

3130
01:53:24,229 --> 01:53:22,320
purposes of

3131
01:53:27,109 --> 01:53:24,239
free speech i don't like that we have to

3132
01:53:30,950 --> 01:53:27,119
avoid certain subjects so

3133
01:53:32,629 --> 01:53:30,960
i'm not going to i'm going to try

3134
01:53:34,870 --> 01:53:32,639
if if we do have a subject that i want

3135
01:53:36,470 --> 01:53:34,880
to talk about

3136
01:53:37,990 --> 01:53:36,480
for example the letter of the alphabet

3137
01:53:39,350 --> 01:53:38,000
or whatever it is

3138
01:53:41,109 --> 01:53:39,360

we'll put it on one of those alternate

3139

01:53:42,390 --> 01:53:41,119

platforms that people can consume it

3140

01:53:43,189 --> 01:53:42,400

there and then we don't have to worry

3141

01:53:45,350 --> 01:53:43,199

about

3142

01:53:47,669 --> 01:53:45,360

youtube uh deleting our channel or

3143

01:53:48,470 --> 01:53:47,679

demonetizing us or whatever the case may

3144

01:53:49,910 --> 01:53:48,480

be

3145

01:53:51,669 --> 01:53:49,920

matt godette is here and says keep up

3146

01:53:52,550 --> 01:53:51,679

with good work steven thank you i

3147

01:53:55,750 --> 01:53:52,560

appreciate your

3148

01:53:59,109 --> 01:53:55,760

your kindness and and your support yeah

3149

01:54:00,709 --> 01:53:59,119

uh so friends uh

3150

01:54:02,149 --> 01:54:00,719

burger king customer and i don't know

3151
01:54:02,709 --> 01:54:02,159
why there's somebody named burger king

3152
01:54:05,430 --> 01:54:02,719
customer

3153
01:54:05,750 --> 01:54:05,440
in my live chat but i like burger king

3154
01:54:09,750 --> 01:54:05,760
so

3155
01:54:10,470 --> 01:54:09,760
it's all good they say it's 4 50 in the

3156
01:54:12,390 --> 01:54:10,480
morning here

3157
01:54:15,990 --> 01:54:12,400
time for a good burger king breakfast

3158
01:54:19,350 --> 01:54:17,990
plan d says definitely one of your top

3159
01:54:21,830 --> 01:54:19,360
10 stephen thank you

3160
01:54:23,430 --> 01:54:21,840
i i didn't know how this was going to go

3161
01:54:25,750 --> 01:54:23,440
i think jeremy really knocked it out of

3162
01:54:27,510 --> 01:54:25,760
the ballpark and i'm excited about

3163
01:54:29,030 --> 01:54:27,520

uh looking at the numbers in the next

3164

01:54:30,550 --> 01:54:29,040

couple of days because i think people

3165

01:54:31,910 --> 01:54:30,560

are really going to want to hear what he

3166

01:54:33,669 --> 01:54:31,920

had to say

3167

01:54:37,510 --> 01:54:33,679

and hear this discussion it really

3168

01:54:40,390 --> 01:54:37,520

dispels a lot of myths and problems uh

3169

01:54:41,430 --> 01:54:40,400

and and that sort of thing uh mystic

3170

01:54:43,589 --> 01:54:41,440

moon tarot

3171

01:54:45,350 --> 01:54:43,599

are you also putting our show on the

3172

01:54:48,550 --> 01:54:45,360

podcast as well

3173

01:54:50,470 --> 01:54:48,560

uh well uh here's the way that it works

3174

01:54:51,430 --> 01:54:50,480

stephanie has been a guest previously on

3175

01:54:54,390 --> 01:54:51,440

our show

3176

01:54:55,270 --> 01:54:54,400

i decided just to avoid confusion and

3177

01:54:57,030 --> 01:54:55,280

the

3178

01:54:58,790 --> 01:54:57,040

incredible amount of work that it would

3179

01:55:00,709 --> 01:54:58,800

be to put every

3180

01:55:02,070 --> 01:55:00,719

previous episode up on the podcast

3181

01:55:04,310 --> 01:55:02,080

network that we were just going to do

3182

01:55:07,189 --> 01:55:04,320

the episodes going forward

3183

01:55:08,950 --> 01:55:07,199

so in other words i did two shows so far

3184

01:55:11,109 --> 01:55:08,960

since the network was up

3185

01:55:13,189 --> 01:55:11,119

and we posted both of those tonight will

3186

01:55:13,910 --> 01:55:13,199

be the third show posted to the audio

3187

01:55:17,750 --> 01:55:13,920

podcast

3188

01:55:19,510 --> 01:55:17,760

distribution network so going forward

3189

01:55:21,270 --> 01:55:19,520

you'll have the audio podcast but the

3190

01:55:21,990 --> 01:55:21,280

old shows will only be available on

3191

01:55:24,870 --> 01:55:22,000

youtube

3192

01:55:26,390 --> 01:55:24,880

and facebook for now but if you do that

3193

01:55:29,830 --> 01:55:26,400

show next week

3194

01:55:31,910 --> 01:55:29,840

certainly be

3195

01:55:33,990 --> 01:55:31,920

included in the audio podcast and be

3196

01:55:36,229 --> 01:55:34,000

available everywhere i mentioned

3197

01:55:37,589 --> 01:55:36,239

it's literally everywhere speaker apple

3198

01:55:40,470 --> 01:55:37,599

podcasts

3199

01:55:41,990 --> 01:55:40,480

um i heart radio i'm really happy to be

3200

01:55:45,109 --> 01:55:42,000

on i heart radio because that's

3201

01:55:47,350 --> 01:55:45,119

uh where i use to find audio podcasts

3202

01:55:49,589 --> 01:55:47,360

and i've been listening to iheartradio

3203

01:55:51,589 --> 01:55:49,599

basically since it began so i'm pleased

3204

01:55:55,350 --> 01:55:51,599

to welcome them as partners with us

3205

01:55:56,629 --> 01:55:55,360

uh to help our show aj asked when did

3206

01:56:00,070 --> 01:55:56,639

you

3207

01:56:03,669 --> 01:56:00,080

haunted houses okay

3208

01:56:06,390 --> 01:56:03,679

maybe i will maybe i will six sixes

3209

01:56:07,350 --> 01:56:06,400

success is sharing jeremy mcgowan's

3210

01:56:09,830 --> 01:56:07,360

youtube channel

3211

01:56:11,109 --> 01:56:09,840

i if you're listening in audio podcast

3212

01:56:14,390 --> 01:56:11,119

land

3213

01:56:16,470 --> 01:56:14,400

uh just search for jeremy d mcgowan on

3214

01:56:19,510 --> 01:56:16,480

youtube and you will find his channel

3215

01:56:21,990 --> 01:56:19,520

if you're interested in ufos and uap

3216

01:56:23,910 --> 01:56:22,000

this phenomenon you will certainly enjoy

3217

01:56:25,030 --> 01:56:23,920

the content he creates and i certainly

3218

01:56:27,270 --> 01:56:25,040

appreciate it because

3219

01:56:29,350 --> 01:56:27,280

i sometimes i don't have two hours to

3220

01:56:30,070 --> 01:56:29,360

listen to a long-form show he does these

3221

01:56:32,629 --> 01:56:30,080

sort of

3222

01:56:33,189 --> 01:56:32,639

five and ten minute videos on each

3223

01:56:35,350 --> 01:56:33,199

subject

3224

01:56:37,750 --> 01:56:35,360

they're really concise you know you get

3225

01:56:39,830 --> 01:56:37,760

in you get out you get your information

3226

01:56:41,189 --> 01:56:39,840

3227

01:56:42,950 --> 01:56:41,199

highly recommend people go over there

3228

01:56:44,790 --> 01:56:42,960

and i want to thank him again this was a

3230

01:56:49,430 --> 01:56:47,040

really fun talk

3231

01:56:51,350 --> 01:56:49,440

yeah so uh people are waving goodbye in

3232

01:56:54,950 --> 01:56:51,360

the live chat which i believe

3233

01:56:57,189 --> 01:56:54,960

is probably my cue

3234

01:56:58,229 --> 01:56:57,199

to jump out of here i'm going to bounce

3235

01:57:00,149 --> 01:56:58,239

out of here

3236

01:57:01,990 --> 01:57:00,159

i want to thank each and every one of

3237

01:57:04,790 --> 01:57:02,000

youtube channel

3243

3245

01:57:18,709 --> 01:57:16,719

almost welcome

3246

01:57:19,750 --> 01:57:18,719

and new friends especially we love

3247

01:57:22,790 --> 01:57:19,760

making new friends

3248

01:57:23,350 --> 01:57:22,800

expanding the live chat and we would

3249

01:57:26,709 --> 01:57:23,360

love to

3250

01:57:27,430 --> 01:57:26,719

uh have you participate as i mentioned i

3251
01:57:29,589 --> 01:57:27,440
always have

3252
01:57:30,790 --> 01:57:29,599
ended the show putting up a graphic

3253
01:57:33,030 --> 01:57:30,800
thanking our patreon

3254
01:57:34,310 --> 01:57:33,040
super chat and paypal donators for their

3255
01:57:36,950 --> 01:57:34,320
support of the show

3256
01:57:38,310 --> 01:57:36,960
but because of the dead air issue i'm

3257
01:57:39,750 --> 01:57:38,320
going to have to come up with an

3258
01:57:41,589 --> 01:57:39,760
alternate solution

3259
01:57:43,750 --> 01:57:41,599
i just realized this i don't want to

3260
01:57:45,510 --> 01:57:43,760
have 30 seconds of dead air so tonight i

3261
01:57:46,790 --> 01:57:45,520
will simply say

3262
01:57:49,510 --> 01:57:46,800
thank you for your kindness your

3263
01:57:50,790 --> 01:57:49,520

generosity your support to all of our

3264

01:57:53,750 --> 01:57:50,800

super chatters

3265

01:57:55,030 --> 01:57:53,760

super sticker purchasers anybody sending

3266

01:57:57,589 --> 01:57:55,040

a paypal donation

3267

01:57:59,270 --> 01:57:57,599

or signing up for patreon for as little

3268

01:58:01,589 --> 01:57:59,280

as a dollar a month

3269

01:58:03,270 --> 01:58:01,599

it really does help the show i'm happy

3270

01:58:04,229 --> 01:58:03,280

to say that today i got three new

3271

01:58:06,390 --> 01:58:04,239

webcams

3272

01:58:08,709 --> 01:58:06,400

that's the same quality as this one i

3273

01:58:09,750 --> 01:58:08,719

got a great bargain on new webcams i

3274

01:58:11,910 --> 01:58:09,760

found this

3275

01:58:13,030 --> 01:58:11,920

company that that is selling this webcam

3276

01:58:15,830 --> 01:58:13,040

that is really really

3277

01:58:17,189 --> 01:58:15,840

great quality almost i i can't really

3278

01:58:18,950 --> 01:58:17,199

tell the difference in quality between

3279

01:58:20,070 --> 01:58:18,960

this and a very expensive logitech and

3280

01:58:22,950 --> 01:58:20,080

these were like

3281

01:58:24,470 --> 01:58:22,960

13 so i got a bunch of them and i'm

3282

01:58:26,229 --> 01:58:24,480

going to be working on the multi-camera

3283

01:58:27,750 --> 01:58:26,239

setup and we will get back to

3284

01:58:30,629 --> 01:58:27,760

the final bit of business that i will

3285

01:58:32,070 --> 01:58:30,639

mention is that i did promise genocide

3286

01:58:34,790 --> 01:58:32,080

that i would have slides okay

3287

01:58:35,189 --> 01:58:34,800

genocide is he's killing me he's one of

3288

01:58:39,270 --> 01:58:35,199

our

3289

01:58:40,310 --> 01:58:39,280

some money and he wants to see slides on

3290

01:58:42,390 --> 01:58:40,320

our show but this is going to be a

3291

01:58:44,950 --> 01:58:42,400

problem for audio podcast language

3292

01:58:46,470 --> 01:58:44,960

but i'm going to do it okay i just

3293

01:58:48,149 --> 01:58:46,480

didn't get to it because i have

3294

01:58:50,310 --> 01:58:48,159

a lot of stuff going on hopefully

3295

01:58:51,030 --> 01:58:50,320

sometime this week we'll have slides

3296

01:58:54,550 --> 01:58:51,040

just like

3297

01:58:56,470 --> 01:58:54,560

uh you know genocide's favorite content

3298

01:58:58,550 --> 01:58:56,480

creator david wilcock who by the way

3299

01:59:01,990 --> 01:58:58,560

would look much more believable

3300

01:59:03,750 --> 01:59:02,000

and cooler with the mustache

3301

01:59:05,430 --> 01:59:03,760

yeah this is the things that our

3302

01:59:06,709 --> 01:59:05,440

listeners do to me they send me money

3303

01:59:08,870 --> 01:59:06,719

and then they demand things

3304

01:59:10,470 --> 01:59:08,880

genocide demand slides he came here and

3305

01:59:11,669 --> 01:59:10,480

he's like where's the slides i was

3306

01:59:14,229 --> 01:59:11,679

promised slides

3307

01:59:14,950 --> 01:59:14,239

you said there'd be slides i did i did i

3308

01:59:18,870 --> 01:59:14,960

got i

3309

01:59:20,390 --> 01:59:18,880

didn't have time to make any slides to

3310

01:59:22,229 --> 01:59:20,400
