

1
00:00:44,450 --> 00:00:34,520

[Music]

2
00:00:44,460 --> 00:00:49,040

[Applause]

3
00:02:04,550 --> 00:01:38,960

[Music]

4
00:02:08,630 --> 00:02:05,350

greetings

5
00:02:11,910 --> 00:02:08,640

and salutations friends i am

6
00:02:14,070 --> 00:02:11,920

here live with you once again uh tonight

7
00:02:16,869 --> 00:02:14,080

we're going to be covering this story

8
00:02:20,830 --> 00:02:16,879

about the alien reproduction vehicle

9
00:02:24,470 --> 00:02:20,840

and mark mccandless and his tragic death

10
00:02:29,030 --> 00:02:27,510

if you're unaware of mark mccandlish i'm

11
00:02:31,270 --> 00:02:29,040

i'm just going to do a brief synopsis

12
00:02:34,470 --> 00:02:31,280

because we covered some of this

13
00:02:37,509 --> 00:02:34,480

on part one of this

14

00:02:41,350 --> 00:02:37,519

series which began last wednesday

15

00:02:41,670 --> 00:02:41,360

may 19th so i began to mark mccandlish

16

00:02:45,430 --> 00:02:41,680

was

17

00:02:47,830 --> 00:02:45,440

a an aviation illustrator uh

18

00:02:50,470 --> 00:02:47,840

really kind of famous aviation

19

00:02:51,110 --> 00:02:50,480

illustrator in the early and late 80s

20

00:02:55,110 --> 00:02:51,120

and

21

00:02:57,509 --> 00:02:55,120

early 90s he drew many of the concept

22

00:02:58,550 --> 00:02:57,519

planes that you may have seen on popular

23

00:03:00,790 --> 00:02:58,560

science

24

00:03:02,949 --> 00:03:00,800

or popular mechanics i believe that he

25

00:03:05,190 --> 00:03:02,959

did illustrations for omni and other

26

00:03:08,390 --> 00:03:05,200

science magazines

27

00:03:10,630 --> 00:03:08,400

an incredibly talented uh graphic artist

28

00:03:12,070 --> 00:03:10,640

and illustrator before the age of

29

00:03:16,070 --> 00:03:12,080

computer he would hand

30

00:03:22,430 --> 00:03:19,350

i grew up seeing his pictures and uh

31

00:03:24,550 --> 00:03:22,440

being very inspired by them but around

32

00:03:27,270 --> 00:03:24,560

1988 mark mccandless

33

00:03:28,390 --> 00:03:27,280

stumbled on onto an incredible story

34

00:03:31,910 --> 00:03:28,400

about

35

00:03:32,710 --> 00:03:31,920

a friend of his who went to an air show

36

00:03:34,710 --> 00:03:32,720

and then was

37

00:03:35,910 --> 00:03:34,720

flown i want to make a correction and

38

00:03:36,470 --> 00:03:35,920

somebody corrected me in the comments

39

00:03:40,149 --> 00:03:36,480

and they were

40

00:03:43,670 --> 00:03:40,159

correct his friend was flown from the

41

00:03:46,869 --> 00:03:43,680

air force public show to

42

00:03:50,309 --> 00:03:46,879

a secret location

43

00:03:53,270 --> 00:03:50,319

within the military industrial complex

44

00:03:56,149 --> 00:03:53,280

and there his friend witnessed what can

45

00:03:59,190 --> 00:03:56,159

only be described as a flying saucer

46

00:04:01,589 --> 00:03:59,200

and these

47

00:04:03,429 --> 00:04:01,599

mysterious aircraft were on display with

48

00:04:07,670 --> 00:04:03,439

other mysterious aircraft

49

00:04:11,270 --> 00:04:07,680

and test vehicles prototypes

50

00:04:14,630 --> 00:04:11,280

so mark began to ardently

51

00:04:17,509 --> 00:04:14,640

investigate the story

52

00:04:18,789 --> 00:04:17,519

he began to make detailed mechanical

53

00:04:21,509 --> 00:04:18,799

drawings

54

00:04:23,030 --> 00:04:21,519

of this craft as his friend had

55

00:04:26,550 --> 00:04:23,040

described it

56

00:04:27,590 --> 00:04:26,560

down to as much meticulous detail as he

57

00:04:29,749 --> 00:04:27,600

could

58

00:04:30,950 --> 00:04:29,759

continually refining it and refining it

59

00:04:33,350 --> 00:04:30,960

until we got to

60

00:04:35,749 --> 00:04:33,360

a now famous photo which he presented at

61

00:04:37,909 --> 00:04:35,759

the citizens ufo hearing with dr steven

62

00:04:41,350 --> 00:04:37,919

greer and talked about this

63

00:04:42,230 --> 00:04:41,360

so-called arv or alien reproduction

64

00:04:45,510 --> 00:04:42,240

vehicle

65

00:04:49,430 --> 00:04:45,520

it was also called the flux liner

66

00:04:54,390 --> 00:04:49,440

because it used very very high voltage

67

00:04:59,030 --> 00:04:56,469

the drawing is now famous in ufo and

68

00:05:02,550 --> 00:04:59,040

conspiratorial circles

69

00:05:04,870 --> 00:05:02,560

that mark made over the years mark

70

00:05:07,189 --> 00:05:04,880

tried to find corroborating witnesses

71

00:05:09,909 --> 00:05:07,199

and did indeed find witnesses

72

00:05:11,510 --> 00:05:09,919

that claim they saw the same craft that

73

00:05:14,550 --> 00:05:11,520

he had drawn

74

00:05:17,749 --> 00:05:14,560

or one very much like it

75

00:05:18,950 --> 00:05:17,759

he also began to interview alien

76

00:05:22,070 --> 00:05:18,960

abductee

77

00:05:24,710 --> 00:05:22,080

victims to try to get some insight

78

00:05:26,710 --> 00:05:24,720

into the propulsion systems and the way

79

00:05:27,110 --> 00:05:26,720

the alien craft may have worked that

80

00:05:30,230 --> 00:05:27,120

these

81

00:05:33,189 --> 00:05:30,240

alien abductee victims saw and there was

82

00:05:35,909 --> 00:05:33,199

a surprising similarity between

83

00:05:37,590 --> 00:05:35,919

things that alien abductee people who

84

00:05:41,990 --> 00:05:37,600

were aboard

85

00:05:43,990 --> 00:05:42,000

allegedly aboard alien spacecraft saw

86

00:05:45,510 --> 00:05:44,000

amazing similarities between what they

87

00:05:48,310 --> 00:05:45,520

saw and this

88

00:05:50,150 --> 00:05:48,320

mechanical drawing that he had

89

00:05:52,870 --> 00:05:50,160

painstakingly constructed

90

00:05:53,670 --> 00:05:52,880

from his friend's eyewitness testimony

91

00:05:58,070 --> 00:05:53,680

of

92

00:06:01,510 --> 00:05:58,080

seeing the craft so we

93

00:06:04,629 --> 00:06:01,520

later he would make the ufo

94

00:06:08,150 --> 00:06:04,639

circles and speak at conferences

95

00:06:11,430 --> 00:06:08,160

about this most recently mark mccandlish

96

00:06:13,350 --> 00:06:11,440

last i suppose public appearance

97

00:06:15,430 --> 00:06:13,360

was at something called the apec

98

00:06:19,510 --> 00:06:15,440

conference which is advanced propulsion

99

00:06:24,870 --> 00:06:22,309

you may have heard of that an effort by

100

00:06:28,070 --> 00:06:24,880

alien scientists and others that are

101
00:06:31,909 --> 00:06:28,080
scientists but are interested in uh

102
00:06:36,230 --> 00:06:31,919
let's just say alternate

103
00:06:40,790 --> 00:06:36,240
propulsion technologies so these

104
00:06:43,189 --> 00:06:40,800
these people scientists all

105
00:06:44,790 --> 00:06:43,199
i would say they grilled mark for

106
00:06:47,749 --> 00:06:44,800
several hours i think it's a four

107
00:06:49,430 --> 00:06:47,759
hour stream and you can just search mark

108
00:06:51,749 --> 00:06:49,440
mccandlish apec

109
00:06:53,189 --> 00:06:51,759
and you'll find it on alien scientist's

110
00:06:55,189 --> 00:06:53,199
channel

111
00:06:57,270 --> 00:06:55,199
and uh i got a chance to watch the

112
00:06:58,629 --> 00:06:57,280
entire thing and i was very impressed by

113
00:07:01,589 --> 00:06:58,639

the fact that

114

00:07:04,309 --> 00:07:01,599

a group of real scientists seemed

115

00:07:07,350 --> 00:07:04,319

genuinely intrigued and interested

116

00:07:09,110 --> 00:07:07,360

in mark's information

117

00:07:11,270 --> 00:07:09,120

as i said over the years mark found

118

00:07:12,070 --> 00:07:11,280

corroborating witnesses who claimed that

119

00:07:14,390 --> 00:07:12,080

they had

120

00:07:16,790 --> 00:07:14,400

seen a similar craft in an aircraft

121

00:07:20,469 --> 00:07:16,800

hangar at norton air force base

122

00:07:22,950 --> 00:07:20,479

for one example he found images

123

00:07:23,510 --> 00:07:22,960

of a flying saucer that someone had took

124

00:07:27,029 --> 00:07:23,520

taken

125

00:07:29,430 --> 00:07:27,039

from an airplane cockpit in 1967

126
00:07:31,670 --> 00:07:29,440
that matched up almost exactly to the

127
00:07:35,270 --> 00:07:31,680
vehicle that his friend had described

128
00:07:38,550 --> 00:07:37,510
it's an incredible story and i've been

129
00:07:41,189 --> 00:07:38,560
following it

130
00:07:43,510 --> 00:07:41,199
probably since it began i remember

131
00:07:46,550 --> 00:07:43,520
specifically

132
00:07:48,790 --> 00:07:46,560
first bob lazar story broke and then

133
00:07:53,029 --> 00:07:48,800
this story broke about

134
00:07:55,830 --> 00:07:53,039
a flying saucer that the government had

135
00:07:57,749 --> 00:07:55,840
somehow between bob lazar and mark

136
00:07:59,270 --> 00:07:57,759
mccandlish i was convinced that the

137
00:08:01,830 --> 00:07:59,280
government had

138
00:08:03,189 --> 00:08:01,840

back engineered alien recovered

139

00:08:04,790 --> 00:08:03,199

technology

140

00:08:07,029 --> 00:08:04,800

prototypes that they were flying in our

141

00:08:10,629 --> 00:08:07,039

skies and this of course would explain

142

00:08:12,469 --> 00:08:10,639

so many flying saucer sightings

143

00:08:14,710 --> 00:08:12,479

later i would come to find out that baba

144

00:08:16,869 --> 00:08:14,720

czar come to find out

145

00:08:19,110 --> 00:08:16,879

or i would say believe very strongly

146

00:08:20,309 --> 00:08:19,120

that bob lazar was a con man a fraud and

147

00:08:23,350 --> 00:08:20,319

a liar

148

00:08:25,270 --> 00:08:23,360

after all he was just pretending to be a

149

00:08:28,150 --> 00:08:25,280

scientist he wasn't actually a real

150

00:08:32,790 --> 00:08:31,189

conversely i found mark mccandless much

151
00:08:35,750 --> 00:08:32,800
more credible

152
00:08:37,589 --> 00:08:35,760
he never embellished or lied about his

153
00:08:39,509 --> 00:08:37,599
background or his education

154
00:08:40,949 --> 00:08:39,519
and he truly did work for some

155
00:08:43,430 --> 00:08:40,959
incredible high-tech

156
00:08:44,870 --> 00:08:43,440
aeronautic companies like rockwell and

157
00:08:46,710 --> 00:08:44,880
boeing

158
00:08:50,389 --> 00:08:46,720
designing concept art while they were

159
00:08:53,590 --> 00:08:52,790
he had a lifelong interest in aviation

160
00:08:58,710 --> 00:08:53,600
especially

161
00:09:03,430 --> 00:08:58,720
high-tech aviation like space planes

162
00:09:08,710 --> 00:09:05,990
and craft that could both fly in the

163
00:09:11,190 --> 00:09:08,720

atmosphere and in outer space

164

00:09:11,750 --> 00:09:11,200

a lot of his early concept drawings were

165

00:09:14,310 --> 00:09:11,760

about

166

00:09:16,150 --> 00:09:14,320

these new technologies that were

167

00:09:19,269 --> 00:09:16,160

emerging

168

00:09:22,870 --> 00:09:19,279

so at the time and to this day i still

169

00:09:24,630 --> 00:09:22,880

find mark mark's story credible

170

00:09:26,230 --> 00:09:24,640

the one problem that i have with it is

171

00:09:29,590 --> 00:09:26,240

that to my knowledge

172

00:09:33,750 --> 00:09:29,600

uh no one has gotten to interview

173

00:09:38,310 --> 00:09:33,760

the person who actually saw this arv

174

00:09:42,150 --> 00:09:39,829

i would like to interview that person

175

00:09:45,269 --> 00:09:42,160

his name is brad sorensen

176

00:09:48,389 --> 00:09:45,279

i've reached out to him recently and so

177

00:09:50,630 --> 00:09:48,399

far have not heard anything back

178

00:09:51,430 --> 00:09:50,640

we're gonna uh cite i'm gonna cite fair

179

00:09:54,230 --> 00:09:51,440

use as

180

00:09:55,910 --> 00:09:54,240

we are gonna play i mentioned there's an

181

00:09:57,509 --> 00:09:55,920

incredible documentary that if you're

182

00:10:00,230 --> 00:09:57,519

interested in this story you really you

183

00:10:02,470 --> 00:10:00,240

gotta watch it it's free on youtube

184

00:10:04,790 --> 00:10:02,480

it's called zero point the story of mark

185

00:10:08,230 --> 00:10:04,800

mccandlish and the flux liner

186

00:10:11,350 --> 00:10:08,240

it's available on youtube for free

187

00:10:14,550 --> 00:10:11,360

i have posted a link to that documentary

188

00:10:15,670 --> 00:10:14,560

in our video about section so if you

189

00:10:18,790 --> 00:10:15,680

want to

190

00:10:22,949 --> 00:10:18,800

go and watch this

191

00:10:25,110 --> 00:10:22,959

i highly recommend it uh it gives really

192

00:10:26,949 --> 00:10:25,120

a better a better story than i could

193

00:10:29,190 --> 00:10:26,959

tell in a short time especially because

194

00:10:30,470 --> 00:10:29,200

we've already covered this on part one

195

00:10:31,829 --> 00:10:30,480

here so i don't wanna

196

00:10:35,509 --> 00:10:31,839

i don't wanna spend too much time

197

00:10:42,550 --> 00:10:37,590

but i would like to cite fair use as we

198

00:10:44,870 --> 00:10:42,560

play a small section of that documentary

199

00:10:46,470 --> 00:10:44,880

and this is fair use because this is a

200

00:10:47,030 --> 00:10:46,480

transformative work and we're educating

201
00:10:49,430 --> 00:10:47,040
the public

202
00:10:51,430 --> 00:10:49,440
both about mark mccandlish and this arv

203
00:10:53,750 --> 00:10:51,440
alien reproduction vehicle

204
00:10:54,870 --> 00:10:53,760
we'll be critiquing and discussing the

205
00:10:56,949 --> 00:10:54,880
video we're sharing

206
00:10:59,110 --> 00:10:56,959
this is covered under fair use and is

207
00:11:03,269 --> 00:10:59,120
allowable by law

208
00:11:08,790 --> 00:11:03,279
so let's uh see if we can't if we cannot

209
00:11:15,430 --> 00:11:12,150
okay so this is

210
00:11:16,550 --> 00:11:15,440
uh we're gonna be playing clips from uh

211
00:11:18,790 --> 00:11:16,560
the documentary called

212
00:11:20,710 --> 00:11:18,800
zero point the story of mark mccandlish

213
00:11:22,389 --> 00:11:20,720

and the flux liner and i should mention

214

00:11:25,509 --> 00:11:22,399

that conspiracy land

215

00:11:26,829 --> 00:11:25,519

always thinks in everything's a

216

00:11:29,990 --> 00:11:26,839

conspiracy

217

00:11:31,990 --> 00:11:30,000

unfortunately the filmmaker that made

218

00:11:34,230 --> 00:11:32,000

this actual documentary

219

00:11:35,990 --> 00:11:34,240

shortly before the documentary was

220

00:11:39,829 --> 00:11:36,000

completed

221

00:11:42,150 --> 00:11:39,839

uh contracted some strange

222

00:11:43,430 --> 00:11:42,160

fast-acting form of cancer and died

223

00:11:45,829 --> 00:11:43,440

suddenly

224

00:11:47,509 --> 00:11:45,839

which of course led conspiracy buffs to

225

00:11:49,670 --> 00:11:47,519

conclude that the government was trying

226
00:11:51,350 --> 00:11:49,680
to hide this information from coming out

227
00:11:53,990 --> 00:11:51,360
to the public

228
00:11:55,829 --> 00:11:54,000
i'm not sure i have not looked into that

229
00:11:56,389 --> 00:11:55,839
gentleman's death so i won't comment

230
00:11:59,670 --> 00:11:56,399
further

231
00:12:01,350 --> 00:11:59,680
i'm just uh repeating the rumors and

232
00:12:02,069 --> 00:12:01,360
speculation that people have had

233
00:12:04,949 --> 00:12:02,079
regarding

234
00:12:07,030 --> 00:12:04,959
mark mccandlish and the fluxliner and

235
00:12:08,629 --> 00:12:07,040
the documentary filmmaker who died

236
00:12:20,470 --> 00:12:08,639
suddenly

237
00:12:26,560 --> 00:12:23,350
and these are images of vehicles that

238
00:12:36,870 --> 00:12:26,570

mark believe were like the arv

239

00:12:49,509 --> 00:12:38,550

it's interesting to see so many flying

240

00:12:53,269 --> 00:12:51,509

and i kept saying to myself you know

241

00:12:54,550 --> 00:12:53,279

this is just too much of a coincidence

242

00:12:56,710 --> 00:12:54,560

you know maybe

243

00:13:02,550 --> 00:12:56,720

maybe this goes back a lot further than

244

00:13:05,590 --> 00:13:05,030

in fact in a translation of a sanskrit

245

00:13:07,269 --> 00:13:05,600

text

246

00:13:09,590 --> 00:13:07,279

written by a middle eastern king in the

247

00:13:10,550 --> 00:13:09,600

11th century there are references to

248

00:13:12,949 --> 00:13:10,560

vimanas

249

00:13:15,350 --> 00:13:12,959

or flying machines with a propulsion

250

00:13:17,190 --> 00:13:15,360

system bearing a striking resemblance to

251

00:13:18,629 --> 00:13:17,200

that of the arv

252

00:13:20,069 --> 00:13:18,639

yeah and it's interesting that i decided

253

00:13:21,269 --> 00:13:20,079

to play this portion of it because we

254

00:13:24,550 --> 00:13:21,279

have discussed that people

255

00:13:26,550 --> 00:13:24,560

citing this vimanas uh as a

256

00:13:28,629 --> 00:13:26,560

ancient book are completely totally

257

00:13:29,750 --> 00:13:28,639

factually inaccurate that book that

258

00:13:32,710 --> 00:13:29,760

everybody quotes

259

00:13:35,190 --> 00:13:32,720

that has images of flying machines

260

00:13:38,629 --> 00:13:35,200

vimanas something like a flying saucer

261

00:13:41,030 --> 00:13:38,639

i mentioned mercury as a you know

262

00:13:41,829 --> 00:13:41,040

portion of how the craft work and all of

263

00:13:44,310 --> 00:13:41,839

these things

264

00:13:45,110 --> 00:13:44,320

that was a channel book from the 1950s

265

00:13:47,509 --> 00:13:45,120

it was not an

266

00:13:48,470 --> 00:13:47,519

ancient sanskrit text there's so many

267

00:13:52,069 --> 00:13:48,480

people

268

00:13:52,790 --> 00:13:52,079

from ancient aliens to i i gotta i gotta

269

00:13:56,470 --> 00:13:52,800

say

270

00:13:59,350 --> 00:13:56,480

five or more documentaries that i know

271

00:14:00,550 --> 00:13:59,360

uh get the facts wrong that was not a

272

00:14:02,870 --> 00:14:00,560

book from

273

00:14:04,949 --> 00:14:02,880

the ancient sanskrit text that was a

274

00:14:06,710 --> 00:14:04,959

channeled book from the 1950s

275

00:14:08,230 --> 00:14:06,720

but they're going to make the argument

276

00:14:11,509 --> 00:14:08,240

that you know

277

00:14:13,430 --> 00:14:11,519

uh these flying machines were described

278

00:14:16,470 --> 00:14:13,440

in ancient sanskrit texts

279

00:14:18,629 --> 00:14:16,480

that is the is the one portion of this

280

00:14:19,750 --> 00:14:18,639

documentary that i completely disagree

281

00:14:22,069 --> 00:14:19,760

with uh

282

00:14:23,590 --> 00:14:22,079

the rest i find credible information in

283

00:14:26,949 --> 00:14:23,600

this documentary

284

00:14:29,189 --> 00:14:26,959

um and one other caveat that one of the

285

00:14:31,030 --> 00:14:29,199

pictures that mark mcAnlis is citing for

286

00:14:32,470 --> 00:14:31,040

proof came from wendell stevens

287

00:14:35,110 --> 00:14:32,480

we all know how i feel about wendell

288

00:14:38,069 --> 00:14:35,120

stevens he's a convicted

289

00:14:39,910 --> 00:14:38,079

child molester multiple victims multiple

290

00:14:41,430 --> 00:14:39,920

convictions for child molestation i

291

00:14:42,310 --> 00:14:41,440

don't find him a credible source of

292

00:14:44,069 --> 00:14:42,320

anything

293

00:14:46,629 --> 00:14:44,079

but other than those two things in this

294

00:14:50,150 --> 00:14:46,639

documentary i find the documentary

295

00:14:52,470 --> 00:14:50,160

first of all intriguing interesting

296

00:14:53,990 --> 00:14:52,480

and pretty convincing it's just those

297

00:14:55,509 --> 00:14:54,000

two things in this documentary that i

298

00:14:57,030 --> 00:14:55,519

completely disagree with just want to

299

00:14:58,790 --> 00:14:57,040

state that because i know that some of

300

00:15:02,949 --> 00:14:58,800

you may watch this documentary

301
00:15:05,990 --> 00:15:02,959
and remember me talking about uh this

302
00:15:09,030 --> 00:15:06,000
people claiming vimanas as proof

303
00:15:11,430 --> 00:15:09,040
and also wendell stevens

304
00:15:12,550 --> 00:15:11,440
strong and durable must the body of the

305
00:15:14,710 --> 00:15:12,560
mana be made

306
00:15:15,590 --> 00:15:14,720
like a great flying bird of light

307
00:15:18,310 --> 00:15:15,600
material

308
00:15:20,310 --> 00:15:18,320
inside one must put the mercury engine

309
00:15:21,030 --> 00:15:20,320
with its iron heating apparatus

310
00:15:22,870 --> 00:15:21,040
underneath

311
00:15:25,110 --> 00:15:22,880
by means of the power latent in the

312
00:15:26,389 --> 00:15:25,120
mercury which sets the driving whirlwind

313
00:15:28,629 --> 00:15:26,399

in motion the man

314

00:15:32,629 --> 00:15:28,639

sitting inside may travel a great

315

00:15:36,470 --> 00:15:34,310

one of the things that they described

316

00:15:37,910 --> 00:15:36,480

when you you read up on

317

00:15:40,069 --> 00:15:37,920

the literature surrounding these

318

00:15:43,110 --> 00:15:40,079

so-called vamanas was the so-called

319

00:15:44,710 --> 00:15:43,120

mercury vortex or mercury turbine engine

320

00:15:46,629 --> 00:15:44,720

i see the word vamana can you describe

321

00:15:47,430 --> 00:15:46,639

how that relates well this this is

322

00:15:49,430 --> 00:15:47,440

something that

323

00:15:51,990 --> 00:15:49,440

i you know i spent a lot of time reading

324

00:15:54,629 --> 00:15:52,000

up about the so-called mercury turbine

325

00:15:55,829 --> 00:15:54,639

generators or vortex mercury vertebrates

326

00:15:57,910 --> 00:15:55,839

and interesting that this

327

00:15:58,870 --> 00:15:57,920

this information is somewhat related to

328

00:16:00,870 --> 00:15:58,880

the repulsing

329

00:16:02,629 --> 00:16:00,880

engine that we covered previously victor

330

00:16:04,870 --> 00:16:02,639

schauberger

331

00:16:06,790 --> 00:16:04,880

something about vortex is that all these

332

00:16:08,949 --> 00:16:06,800

guys trying to design anti-gravity

333

00:16:11,590 --> 00:16:08,959

devices really like sex generators

334

00:16:13,110 --> 00:16:11,600

uh described in some of these ancient uh

335

00:16:14,710 --> 00:16:13,120

sumerian texts

336

00:16:16,550 --> 00:16:14,720

and so i i started looking at the

337

00:16:18,230 --> 00:16:16,560

possibility that there had to be some

338

00:16:18,870 --> 00:16:18,240

kind of circulation going on in the

339

00:16:20,870 --> 00:16:18,880

mercury so

340

00:16:21,990 --> 00:16:20,880

so that was the kind of thing that i

341

00:16:25,670 --> 00:16:22,000

visualized

342

00:16:27,430 --> 00:16:25,680

would be going on inside the chamber the

343

00:16:29,430 --> 00:16:27,440

central column has a number of

344

00:16:29,910 --> 00:16:29,440

components a couple of counter rotating

345

00:16:32,150 --> 00:16:29,920

cylinders

346

00:16:33,590 --> 00:16:32,160

sounds very much like the device that

347

00:16:35,269 --> 00:16:33,600

the nazis were developing in the

348

00:16:36,790 --> 00:16:35,279

winsalis mine in poland

349

00:16:38,310 --> 00:16:36,800

towards the end of the second world war

350

00:16:39,509 --> 00:16:38,320

there seems to be some evidence that

351

00:16:41,110 --> 00:16:39,519

they were trying to

352

00:16:43,269 --> 00:16:41,120

develop some kind of an anti-gravity

353

00:16:44,230 --> 00:16:43,279

propulsion system or a zero-point energy

354

00:16:46,150 --> 00:16:44,240

device

355

00:16:48,629 --> 00:16:46,160

apparently if we're talking about

356

00:16:50,150 --> 00:16:48,639

systems using components and processes

357

00:16:53,509 --> 00:16:50,160

similar to the arv

358

00:16:56,870 --> 00:16:53,519

we can't ignore the nazis

359

00:16:59,990 --> 00:16:56,880

i think it was timothy good um

360

00:17:01,910 --> 00:17:00,000

published this story uh they've been

361

00:17:03,350 --> 00:17:01,920

above top secret where he found a

362

00:17:05,110 --> 00:17:03,360

researcher who was following

363

00:17:06,390 --> 00:17:05,120

developments by the nazis at the end of

364

00:17:07,909 --> 00:17:06,400

the second world war

365

00:17:10,230 --> 00:17:07,919

and it looked like they've been built up

366

00:17:12,069 --> 00:17:10,240

developing flying saucers up in poland

367

00:17:13,909 --> 00:17:12,079

the way cell is fine and they had this

368

00:17:14,870 --> 00:17:13,919

this thing looked like stonehenge where

369

00:17:16,789 --> 00:17:14,880

they had all these

370

00:17:18,390 --> 00:17:16,799

high voltage cables coming into it and

371

00:17:20,630 --> 00:17:18,400

these chains it would hold something

372

00:17:22,949 --> 00:17:20,640

down and they have this and this my

373

00:17:23,909 --> 00:17:22,959

friend is the famous story of the nazi

374

00:17:26,630 --> 00:17:23,919

bell

375

00:17:28,549 --> 00:17:26,640

uh which honestly that story is really

376

00:17:30,710 --> 00:17:28,559

in my gray basket as to whether there's

377

00:17:32,950 --> 00:17:30,720

truth to that story or not

378

00:17:33,750 --> 00:17:32,960

i'm on the fence i have not done my due

379

00:17:36,310 --> 00:17:33,760

diligence

380

00:17:38,230 --> 00:17:36,320

and done enough digging on that story

381

00:17:40,070 --> 00:17:38,240

but it's a famous story that the nazis

382

00:17:42,789 --> 00:17:40,080

had this thing called the nazi bell

383

00:17:44,150 --> 00:17:42,799

you may have heard this stop me if you

384

00:17:45,669 --> 00:17:44,160

heard this one

385

00:17:47,110 --> 00:17:45,679

so they had this thing called the nazi

386

00:17:49,110 --> 00:17:47,120

bell that they were trying to develop

387

00:17:52,150 --> 00:17:49,120

any gravity technology

388

00:17:54,630 --> 00:17:52,160

to win the war with it was uh

389

00:18:04,870 --> 00:17:54,640

the wonder weapon the thing called the

390

00:18:09,110 --> 00:18:07,510

and that it involved a ceramic dome and

391

00:18:11,110 --> 00:18:09,120

it had two cylinders inside with a

392

00:18:11,909 --> 00:18:11,120

mercury solution circulating it was two

393

00:18:14,549 --> 00:18:11,919

cylinders

394

00:18:15,190 --> 00:18:14,559

were inside an electromagnetic field and

395

00:18:16,549 --> 00:18:15,200

they were

396

00:18:18,710 --> 00:18:16,559

counter rotating and they had this

397

00:18:20,870 --> 00:18:18,720

mixture of the mercury

398

00:18:22,230 --> 00:18:20,880

thorium and beryllium now it looks like

399

00:18:23,669 --> 00:18:22,240

there's a high voltage electrical

400

00:18:25,190 --> 00:18:23,679

discharges being sent through the

401
00:18:25,990 --> 00:18:25,200
mercury and that is somehow doing

402
00:18:28,640 --> 00:18:26,000
something that

403
00:18:35,150 --> 00:18:28,650
enables this anti-gravity effect to

404
00:18:40,830 --> 00:18:35,160
[Applause]

405
00:18:45,830 --> 00:18:40,840
[Music]

406
00:18:49,590 --> 00:18:48,070
well i guess uh we found really maybe a

407
00:18:51,510 --> 00:18:49,600
third part of this documentary that i

408
00:18:54,070 --> 00:18:51,520
don't find very credible and that is

409
00:18:56,549 --> 00:18:54,080
the stories of these nazi ufos are

410
00:19:00,870 --> 00:18:56,559
largely invented by

411
00:19:03,110 --> 00:19:00,880
uh nazis uh post-war nazis

412
00:19:04,549 --> 00:19:03,120
you know that wanted a fifth reich and

413
00:19:07,990 --> 00:19:04,559

also the other source of

414

00:19:10,710 --> 00:19:08,000
of these stories were german and

415

00:19:12,950 --> 00:19:10,720
well european tabloids that were

416

00:19:14,470 --> 00:19:12,960
equivalent to like the world weekly news

417

00:19:17,590 --> 00:19:14,480
that we have you know clinton

418

00:19:20,310 --> 00:19:17,600
had met with aliens you know

419

00:19:20,630 --> 00:19:20,320
it's just kind of like trash newspapers

420

00:19:23,430 --> 00:19:20,640
at

421

00:19:23,990 --> 00:19:23,440
the supermarket checkout aisle with fake

422

00:19:26,230 --> 00:19:24,000
stories

423

00:19:27,110 --> 00:19:26,240
in them but somehow that that has not

424

00:19:29,430 --> 00:19:27,120
stopped

425

00:19:31,350 --> 00:19:29,440
most so many ufo people from citing

426

00:19:33,750 --> 00:19:31,360

these nazi ufos as

427

00:19:36,150 --> 00:19:33,760

as if the that we have absolute proof

428

00:19:39,909 --> 00:19:36,160

that these things were real we don't

429

00:19:43,990 --> 00:19:41,750

besides rumors about hitler's top

430

00:19:44,710 --> 00:19:44,000

scientists and the mythology of ancient

431

00:19:46,390 --> 00:19:44,720

kings

432

00:19:48,710 --> 00:19:46,400

there were other instances where a

433

00:19:50,789 --> 00:19:48,720

central core involving mercury and other

434

00:19:55,029 --> 00:19:50,799

components similar to the arv

435

00:20:02,710 --> 00:19:59,190

yeah so he began to interview abductees

436

00:20:03,430 --> 00:20:02,720

about uh their experience on the flying

437

00:20:06,390 --> 00:20:03,440

saucers

438

00:20:08,070 --> 00:20:06,400

uh i'm gonna i'm gonna flip to the i'm

439

00:20:10,710 --> 00:20:08,080

gonna fast forward that

440

00:20:11,909 --> 00:20:10,720

we're gonna listen to him talk about how

441

00:20:14,070 --> 00:20:11,919

the construction of this

442

00:20:15,029 --> 00:20:14,080

arv or alien reproduction vehicle and

443

00:20:17,430 --> 00:20:15,039

how it worked

444

00:20:18,630 --> 00:20:17,440

to find all the different sources that i

445

00:20:20,710 --> 00:20:18,640

encountered

446

00:20:22,710 --> 00:20:20,720

that seemed to provide useful

447

00:20:23,110 --> 00:20:22,720

information as to how this thing was

448

00:20:25,669 --> 00:20:23,120

made

449

00:20:26,230 --> 00:20:25,679

how it worked what its energy sources

450

00:20:28,070 --> 00:20:26,240

were

451
00:20:29,350 --> 00:20:28,080
it just it was all really fascinating to

452
00:20:31,270 --> 00:20:29,360
me and that's one of the reasons i

453
00:20:32,789 --> 00:20:31,280
pursued it wasn't because i was

454
00:20:34,470 --> 00:20:32,799
you know like i say trying to breach

455
00:20:37,610 --> 00:20:34,480
national security i was just insatiably

456
00:20:44,470 --> 00:20:37,620
curious about how these things work

457
00:20:48,470 --> 00:20:46,470
and he said it was remarkably simple

458
00:20:51,110 --> 00:20:48,480
there wasn't that much to it

459
00:20:51,750 --> 00:20:51,120
the arv system for all of its claims of

460
00:20:53,190 --> 00:20:51,760
flashy

461
00:20:55,909 --> 00:20:53,200
out-of-this-world propulsion

462
00:20:56,710 --> 00:20:55,919
capabilities was indeed remarkably

463
00:20:58,950 --> 00:20:56,720

simple

464

00:21:00,630 --> 00:20:58,960

it could be described as a large-scale

465

00:21:03,669 --> 00:21:00,640

souped-up tesla coil

466

00:21:05,270 --> 00:21:03,679

designed to negate gravity and and as i

467

00:21:07,190 --> 00:21:05,280

mentioned before it's interesting that

468

00:21:10,950 --> 00:21:07,200

so many ufo

469

00:21:14,710 --> 00:21:10,960

stories uh bring tesla into the equation

470

00:21:18,549 --> 00:21:14,720

as if to they all seem to

471

00:21:21,909 --> 00:21:18,559

uh speculate or or you know try to

472

00:21:25,190 --> 00:21:21,919

try to try to

473

00:21:31,270 --> 00:21:25,200

convince people that this is just

474

00:21:33,669 --> 00:21:31,280

some forgotten or lost tesla technology

475

00:21:35,350 --> 00:21:33,679

i'm not sure about that tesla for sure

476

00:21:38,630 --> 00:21:35,360

had some amazing

477

00:21:40,630 --> 00:21:38,640

drawings and plans and designs and notes

478

00:21:42,710 --> 00:21:40,640

that disappeared after his death so who

479

00:21:44,549 --> 00:21:42,720

knows if this is not a tesla design

480

00:21:47,510 --> 00:21:44,559

instead of an alien design

481

00:21:50,149 --> 00:21:47,520

but apparently part of this system

482

00:21:53,029 --> 00:21:50,159

involves tesla technology

483

00:21:55,430 --> 00:21:53,039

inertia with off-the-shelf navigation

484

00:21:57,510 --> 00:21:55,440

and life support systems bolted on

485

00:21:59,110 --> 00:21:57,520

almost as an afterthought you could

486

00:22:01,510 --> 00:21:59,120

think of it as the model t

487

00:22:02,390 --> 00:22:01,520

of anti-gravity vehicles an industrial

488

00:22:04,470 --> 00:22:02,400

dune buggy

489

00:22:06,149 --> 00:22:04,480

or crude hot rod that can get you to

490

00:22:08,310 --> 00:22:06,159

mars in a few minutes

491

00:22:14,230 --> 00:22:08,320

in this version at least first class

492

00:22:17,270 --> 00:22:15,190

and here we'll get a look at the

493

00:22:19,110 --> 00:22:17,280

components which i find incredibly

494

00:22:22,549 --> 00:22:19,120

interesting but i've always wondered

495

00:22:24,470 --> 00:22:22,559

if this drawings and these plans

496

00:22:26,630 --> 00:22:24,480

and and the description of how this

497

00:22:29,029 --> 00:22:26,640

thing actually work and flew

498

00:22:29,909 --> 00:22:29,039

is so incredibly accurate why has no one

499

00:22:33,590 --> 00:22:29,919

built one

500

00:22:35,750 --> 00:22:33,600

or a scale model of one but i do know

501
00:22:37,350 --> 00:22:35,760
that alien scientists and other

502
00:22:41,029 --> 00:22:37,360
scientists

503
00:22:44,390 --> 00:22:41,039
i believe looking into that

504
00:22:46,950 --> 00:22:44,400
and may indeed be building some of these

505
00:22:49,510 --> 00:22:46,960
components to try to prove or disprove

506
00:22:50,710 --> 00:22:49,520
that this is a workable system and i'm

507
00:22:53,669 --> 00:22:50,720
excited by that

508
00:22:55,510 --> 00:22:53,679
like whatever the outcome is god bless

509
00:22:58,070 --> 00:22:55,520
jeremy rise alien scientist

510
00:23:00,950 --> 00:22:58,080
he's looking into this uh shout out to

511
00:23:03,430 --> 00:23:00,960
alien scientist

512
00:23:04,870 --> 00:23:03,440
from everything i've been able to gather

513
00:23:05,990 --> 00:23:04,880

it helps understand what some of the

514

00:23:08,549 --> 00:23:06,000

components are

515

00:23:09,909 --> 00:23:08,559

there's a large capacitor array on the

516

00:23:11,830 --> 00:23:09,919

bottom of the craft it's

517

00:23:14,470 --> 00:23:11,840

in the smallest version it's 24 feet in

518

00:23:16,789 --> 00:23:14,480

diameter the outer edge of the

519

00:23:19,029 --> 00:23:16,799

plates and the capacitor section itself

520

00:23:20,710 --> 00:23:19,039

are shaved off at that same 35 degree

521

00:23:21,909 --> 00:23:20,720

angle so you have

522

00:23:24,070 --> 00:23:21,919

a series of plates that are

523

00:23:25,590 --> 00:23:24,080

progressively smaller as you get

524

00:23:27,510 --> 00:23:25,600

higher and higher in the stack and

525

00:23:28,390 --> 00:23:27,520

there's 48 sections that are all set up

526
00:23:29,750 --> 00:23:28,400
like that

527
00:23:31,909 --> 00:23:29,760
through the middle of the crew

528
00:23:33,510 --> 00:23:31,919
compartment is a central column

529
00:23:35,350 --> 00:23:33,520
that's called the amplifier section

530
00:23:38,549 --> 00:23:35,360
that's in the middle of the craft

531
00:23:40,310 --> 00:23:38,559
on the very center point of that column

532
00:23:41,190 --> 00:23:40,320
is what looks like a large nine foot

533
00:23:43,990 --> 00:23:41,200
diameter

534
00:23:45,029 --> 00:23:44,000
flywheel type mechanism then around the

535
00:23:48,870 --> 00:23:45,039
belt line

536
00:23:51,350 --> 00:23:48,880
of the crew compartment is a

537
00:23:53,190 --> 00:23:51,360
about a two foot wide coil of wire

538
00:23:55,029 --> 00:23:53,200

that's embedded in the same glass-like

539

00:23:56,950 --> 00:23:55,039

material that the capacitor section

540

00:23:59,590 --> 00:23:56,960

complaints are embedded in

541

00:24:00,710 --> 00:23:59,600

and there's a kind of flange or fairing

542

00:24:02,950 --> 00:24:00,720

that traps

543

00:24:03,990 --> 00:24:02,960

and here we see the now famous drawing

544

00:24:06,230 --> 00:24:04,000

of the arv that

545

00:24:10,549 --> 00:24:06,240

mark mccandlish painstakingly created

546

00:24:13,830 --> 00:24:11,909

i've always found this drawing

547

00:24:15,029 --> 00:24:13,840

fascinating i've found the description

548

00:24:17,590 --> 00:24:15,039

of how this thing works

549

00:24:19,909 --> 00:24:17,600

interesting and fascinating but i'm

550

00:24:22,230 --> 00:24:19,919

still on the fence as to whether

551
00:24:22,950 --> 00:24:22,240
this is workable technology like i said

552
00:24:25,750 --> 00:24:22,960
nobody's

553
00:24:26,230 --> 00:24:25,760
been able to reproduce it so i'm going

554
00:24:29,269 --> 00:24:26,240
to take

555
00:24:33,029 --> 00:24:29,279
a moment here and

556
00:24:47,510 --> 00:24:33,039
uh tweet out the link to the show

557
00:24:50,710 --> 00:24:47,520
please bear with me

558
00:24:50,720 --> 00:24:54,710
yeah and i uh

559
00:24:58,310 --> 00:24:56,950
have a lot to share so please bear with

560
00:25:00,310 --> 00:24:58,320
me we'll be sharing

561
00:25:02,310 --> 00:25:00,320
the exclusive really part of the

562
00:25:03,750 --> 00:25:02,320
information we'll be sharing tonight i

563
00:25:06,870 --> 00:25:03,760

have spent the last week

564

00:25:08,789 --> 00:25:06,880

researching and speaking to various

565

00:25:11,830 --> 00:25:08,799

government agencies trying to get to the

566

00:25:13,669 --> 00:25:11,840

truth about mr mccandless tragic death

567

00:25:15,430 --> 00:25:13,679

i mentioned on my previous show that

568

00:25:16,310 --> 00:25:15,440

people in conspiracy land are running

569

00:25:18,070 --> 00:25:16,320

around

570

00:25:19,430 --> 00:25:18,080

saying all kinds of things that mr

571

00:25:20,950 --> 00:25:19,440

mccandlish was murdered

572

00:25:23,430 --> 00:25:20,960

because he knew the truth and he was

573

00:25:24,390 --> 00:25:23,440

going to spill the beans he'd already

574

00:25:28,230 --> 00:25:24,400

spilled the beans

575

00:25:29,590 --> 00:25:28,240

and i believe that jeremy rise alien

576

00:25:31,909 --> 00:25:29,600

scientist has stated

577

00:25:32,950 --> 00:25:31,919

uh on twitter that he doesn't believe

578

00:25:36,230 --> 00:25:32,960

that

579

00:25:38,149 --> 00:25:36,240

mark mccanglish uh was going to testify

580

00:25:39,110 --> 00:25:38,159

anywhere because he had already put all

581

00:25:42,149 --> 00:25:39,120

this information

582

00:25:45,110 --> 00:25:42,159

out and appeared at the apec conference

583

00:25:46,390 --> 00:25:45,120

which was a highly technical four-hour

584

00:25:49,669 --> 00:25:46,400

long

585

00:25:54,149 --> 00:25:49,679

uh conference dedicated to this

586

00:26:00,630 --> 00:25:59,110

one second friends yeah so uh

587

00:26:02,230 --> 00:26:00,640

we're gonna continue just a little bit

588

00:26:03,669 --> 00:26:02,240

further and then we'll get to the more

589

00:26:05,269 --> 00:26:03,679

important part of our stream tonight

590

00:26:06,470 --> 00:26:05,279

which is going to be to set the record

591

00:26:09,590 --> 00:26:06,480

straight about

592

00:26:12,870 --> 00:26:09,600

the conspiracy land rumors surrounding

593

00:26:15,750 --> 00:26:12,880

mr mccandless tragic death recently

594

00:26:17,669 --> 00:26:15,760

top and the bottom surfaces of the coil

595

00:26:20,070 --> 00:26:17,679

you can see that it traps it there

596

00:26:21,909 --> 00:26:20,080

at the top but in between our series of

597

00:26:23,029 --> 00:26:21,919

explosive bolts run all the way around

598

00:26:26,470 --> 00:26:23,039

the craft

599

00:26:28,950 --> 00:26:26,480

they said above this ledge there is a uh

600

00:26:29,990 --> 00:26:28,960

looks like a door out of you know your

601
00:26:31,590 --> 00:26:30,000
stereotypical

602
00:26:33,430 --> 00:26:31,600
cartoon submarine you know it has a

603
00:26:35,029 --> 00:26:33,440
steel frame that's embedded in the side

604
00:26:36,950 --> 00:26:35,039
of this pultruded sphere

605
00:26:39,430 --> 00:26:36,960
it makes up the food compartment and he

606
00:26:41,110 --> 00:26:39,440
said it had a wheel on it with little

607
00:26:43,029 --> 00:26:41,120
spokes that you would turn like an old

608
00:26:44,630 --> 00:26:43,039
you know captain nemo submarine

609
00:26:46,230 --> 00:26:44,640
with the pins it would go out and lock

610
00:26:47,830 --> 00:26:46,240
and move the door frame and had a seal

611
00:26:52,149 --> 00:26:47,840
on us with the air tight

612
00:26:53,510 --> 00:26:52,159
and then the ejection seats me too

613
00:26:55,029 --> 00:26:53,520

the smallest version of the craft and

614

00:26:58,310 --> 00:26:55,039

they're mounted on this central column

615

00:27:01,669 --> 00:27:00,549

the explosive bolts separate the top of

616

00:27:02,950 --> 00:27:01,679

the bottom halves of the crew

617

00:27:05,590 --> 00:27:02,960

compartment

618

00:27:05,990 --> 00:27:05,600

and the entire outer sheath of the

619

00:27:09,590 --> 00:27:06,000

central

620

00:27:09,909 --> 00:27:09,600

column pulls away along with the upper

621

00:27:12,310 --> 00:27:09,919

half

622

00:27:13,110 --> 00:27:12,320

of the crew compartment and the ejection

623

00:27:15,430 --> 00:27:13,120

seats

624

00:27:16,630 --> 00:27:15,440

this crew compartment sphere can

625

00:27:18,310 --> 00:27:16,640

actually function as kind of a

626
00:27:20,149 --> 00:27:18,320
rudimentary reentry vehicle

627
00:27:22,549 --> 00:27:20,159
coming down through the atmosphere and

628
00:27:25,830 --> 00:27:22,559
then once you get say below

629
00:27:29,590 --> 00:27:25,840
14 15 16 000 feet a

630
00:27:32,070 --> 00:27:29,600
thing will pop a chute out the top and

631
00:27:33,669 --> 00:27:32,080
the ejection seats drop off on these

632
00:27:35,590 --> 00:27:33,679
rails one by one

633
00:27:36,710 --> 00:27:35,600
and the pilot could drift down uh in a

634
00:27:38,310 --> 00:27:36,720
parachute

635
00:27:39,909 --> 00:27:38,320
and i always found it very interesting

636
00:27:43,190 --> 00:27:39,919
as well that

637
00:27:45,110 --> 00:27:43,200
you know there's if this vehicle is real

638
00:27:47,510 --> 00:27:45,120

they have some kind of you know this is

639

00:27:50,950 --> 00:27:47,520

exotic electronic

640

00:27:51,789 --> 00:27:50,960

electric propulsion system most people i

641

00:27:54,470 --> 00:27:51,799

guess would call an

642

00:27:56,310 --> 00:27:54,480

electrogravitic propulsion system

643

00:27:58,710 --> 00:27:56,320

comprised of capacitors and

644

00:28:01,990 --> 00:27:58,720

tesla coils and copper windings

645

00:28:05,190 --> 00:28:02,000

generating all this high voltage

646

00:28:08,549 --> 00:28:05,200

but along with this incredibly high-tech

647

00:28:11,510 --> 00:28:08,559

propulsion system they're bolting on

648

00:28:11,990 --> 00:28:11,520

sort of off-the-shelf components these

649

00:28:19,269 --> 00:28:12,000

seats

650

00:28:21,909 --> 00:28:19,279

phantom which is a very old jet airplane

651
00:28:23,909 --> 00:28:21,919
right now it's like they they got the

652
00:28:25,510 --> 00:28:23,919
propulsion system right in super high

653
00:28:26,470 --> 00:28:25,520
tech and then they just grabbed whatever

654
00:28:29,669 --> 00:28:26,480
they had around

655
00:28:31,750 --> 00:28:29,679
to finish the the craft off with

656
00:28:33,990 --> 00:28:31,760
off-the-shelf components with a

657
00:28:36,789 --> 00:28:34,000
parachute because this flywheel-like

658
00:28:40,710 --> 00:28:36,799
mechanism is turning all the time

659
00:28:43,909 --> 00:28:40,720
the individual pilot or crew members

660
00:28:46,230 --> 00:28:43,919
have a kind of a pan that's right below

661
00:28:48,710 --> 00:28:46,240
the front of the ejection seat

662
00:28:49,350 --> 00:28:48,720
that affords them a place to put their

663
00:28:52,470 --> 00:28:49,360

feet

664

00:28:55,029 --> 00:28:52,480

now the control system on the vehicle um

665

00:28:57,990 --> 00:28:55,039

on the ejection seat that the pilot sits

666

00:29:00,389 --> 00:28:58,000

in on the one hand it looks like a

667

00:29:01,990 --> 00:29:00,399

high voltage uh potentiometer or like a

668

00:29:03,350 --> 00:29:02,000

rheostat on the one side that has a

669

00:29:05,190 --> 00:29:03,360

couple of big heavy-duty cables that

670

00:29:05,669 --> 00:29:05,200

come out of it and goes into the central

671

00:29:08,070 --> 00:29:05,679

column

672

00:29:09,909 --> 00:29:08,080

and that's basically the amount of power

673

00:29:12,070 --> 00:29:09,919

that he has in the system

674

00:29:13,990 --> 00:29:12,080

and on the other side there was sort of

675

00:29:15,990 --> 00:29:14,000

a uh

676
00:29:17,669 --> 00:29:16,000
an inverted j-shaped piece of metal that

677
00:29:18,870 --> 00:29:17,679
came up and over like that that had a

678
00:29:20,950 --> 00:29:18,880
sphere on it

679
00:29:23,190 --> 00:29:20,960
now on the bottom of the sphere there is

680
00:29:24,789 --> 00:29:23,200
a sort of a bowl that's sort of

681
00:29:26,389 --> 00:29:24,799
slightly larger in diameter but it

682
00:29:29,430 --> 00:29:26,399
conforms to the shape

683
00:29:31,269 --> 00:29:29,440
of this sphere

684
00:29:32,470 --> 00:29:31,279
very interesting control surface for

685
00:29:34,710 --> 00:29:32,480
sure

686
00:29:36,310 --> 00:29:34,720
and i found that interesting too i was

687
00:29:38,789 --> 00:29:36,320
able to find one other person that

688
00:29:41,350 --> 00:29:38,799

describes such a control mechanism

689

00:29:43,590 --> 00:29:41,360

and again it was flying saucer related

690

00:29:45,909 --> 00:29:43,600

of all the components of the arv

691

00:29:48,549 --> 00:29:45,919

the navigation system while perfectly

692

00:29:51,350 --> 00:29:48,559

logical and even elegant in its design

693

00:29:53,909 --> 00:29:51,360

has to be the strangest one it's an

694

00:29:55,830 --> 00:29:53,919

entirely unknown paradigm in steering an

695

00:29:58,870 --> 00:29:55,840

aircraft or anything else

696

00:30:00,789 --> 00:29:58,880

yet makes perfect technical sense

697

00:30:03,190 --> 00:30:00,799

if one were to make the case for truly

698

00:30:03,909 --> 00:30:03,200

alien aspects of the alien reproduction

699

00:30:05,909 --> 00:30:03,919

vehicle

700

00:30:07,669 --> 00:30:05,919

this might be the first example they'd

701

00:30:11,350 --> 00:30:07,679

use the sphere itself

702

00:30:13,269 --> 00:30:11,360

appears to be um a uh

703

00:30:15,269 --> 00:30:13,279

kind of a domed arrangement we have a

704

00:30:19,350 --> 00:30:15,279

number of fiber optic

705

00:30:22,710 --> 00:30:19,360

leads that come into the uh the sphere

706

00:30:25,190 --> 00:30:22,720

and for each one of the 48 capacitor

707

00:30:27,430 --> 00:30:25,200

arrays there's a series of sensors

708

00:30:28,630 --> 00:30:27,440

that are then used to sort of relay

709

00:30:31,830 --> 00:30:28,640

information to

710

00:30:32,789 --> 00:30:31,840

the individual plates so then yeah very

711

00:30:35,110 --> 00:30:32,799

interesting

712

00:30:36,149 --> 00:30:35,120

so we're going to stop this here i i

713

00:30:40,070 --> 00:30:36,159

invite you

714

00:30:41,990 --> 00:30:40,080

to to take a listen to that documentary

715

00:30:43,909 --> 00:30:42,000

watch it i think it you'll enjoy it

716

00:30:45,750 --> 00:30:43,919

mark mccandless was a former weapons

717

00:30:47,669 --> 00:30:45,760

control system mechanic in the u.s air

718

00:30:49,750 --> 00:30:47,679

force working on fighter intercept

719

00:30:53,510 --> 00:30:49,760

aircraft i did not know that

720

00:30:55,669 --> 00:30:53,520

i knew he was aircraft uh illustrator

721

00:30:58,230 --> 00:30:55,679

yeah and i agree with v such a talent

722

00:30:59,190 --> 00:30:58,240

what a loss i agree i'm very sad about

723

00:31:02,950 --> 00:30:59,200

his passing

724

00:31:06,470 --> 00:31:02,960

and it's it's really an unfortunate

725

00:31:10,870 --> 00:31:09,350

yeah an amazing archive says mark mccain

726

00:31:11,909 --> 00:31:10,880

which didn't kill himself well we're

727

00:31:14,050 --> 00:31:11,919

going to talk about that

728

00:31:15,269 --> 00:31:14,060

now actually

729

00:31:16,870 --> 00:31:15,279

[Music]

730

00:31:18,470 --> 00:31:16,880

and i would invite you to please not

731

00:31:22,149 --> 00:31:18,480

make statements like that

732

00:31:25,430 --> 00:31:22,159

uh without facts in hand because

733

00:31:27,430 --> 00:31:25,440

lately and i i shared with a friend

734

00:31:30,549 --> 00:31:27,440

earlier that i felt terrible

735

00:31:32,710 --> 00:31:30,559

about people not only am i sad about mr

736

00:31:34,630 --> 00:31:32,720

mccann was death but i feel

737

00:31:36,389 --> 00:31:34,640

even worse because i'm seeing people in

738

00:31:37,590 --> 00:31:36,399

conspiracy land that are running around

739

00:31:40,710 --> 00:31:37,600

saying all these things

740

00:31:42,549 --> 00:31:40,720

without facts in hand and i really doubt

741

00:31:45,590 --> 00:31:42,559

that his family friends

742

00:31:47,110 --> 00:31:45,600

relatives his girlfriend it's been

743

00:31:48,070 --> 00:31:47,120

reported he had a girlfriend at the time

744

00:31:51,909 --> 00:31:48,080

of his death

745

00:31:56,630 --> 00:31:51,919

would appreciate people uh

746

00:31:58,870 --> 00:31:56,640

repeating rumors about his tragic death

747

00:32:00,789 --> 00:31:58,880

so uh we're going to cite fair use once

748

00:32:06,230 --> 00:32:00,799

again and we're going to share

749

00:32:10,149 --> 00:32:08,710

blog guys of death star which you may be

750

00:32:13,669 --> 00:32:10,159

familiar

751
00:32:17,110 --> 00:32:13,679
joseph pharrell is a ufo investigator

752
00:32:20,789 --> 00:32:17,120
author and researcher uh

753
00:32:24,789 --> 00:32:22,789
and this blog post is titled the sad and

754
00:32:27,029 --> 00:32:24,799
mysterious death of ufologist mark

755
00:32:30,070 --> 00:32:27,039
mccandlish

756
00:32:34,149 --> 00:32:30,080
uh first of all

757
00:32:37,669 --> 00:32:34,159
i i i want to be very clear here

758
00:32:39,590 --> 00:32:37,679
uh and if mr pharrell manages to

759
00:32:42,389 --> 00:32:39,600
watch this i've invited both robert

760
00:32:44,789 --> 00:32:42,399
morningstar and mr pharrell onto our

761
00:32:46,870 --> 00:32:44,799
broadcast this evening and neither

762
00:32:49,190 --> 00:32:46,880
got back to me but the offer is still

763
00:32:51,590 --> 00:32:49,200

open um

764

00:32:53,509 --> 00:32:51,600

these are the two people of many

765

00:32:56,310 --> 00:32:53,519

actually but the two most well known in

766

00:32:58,950 --> 00:32:56,320

the ufo community that i have found

767

00:33:00,310 --> 00:32:58,960

that are publishing stories about mr

768

00:33:03,590 --> 00:33:00,320

mccandless death

769

00:33:06,710 --> 00:33:03,600

uh that i believe uh

770

00:33:08,630 --> 00:33:06,720

they're doing so irresponsibly

771

00:33:10,470 --> 00:33:08,640

so here from the article and remember

772

00:33:11,110 --> 00:33:10,480

joseph p pharrell is basically just

773

00:33:13,669 --> 00:33:11,120

repeating

774

00:33:14,549 --> 00:33:13,679

everything that he liked from robert

775

00:33:17,830 --> 00:33:14,559

morningstar's

776

00:33:19,830 --> 00:33:17,840

similar article which we'll also share

777

00:33:21,509 --> 00:33:19,840

mark mccandless died on april 13th in

778

00:33:23,990 --> 00:33:21,519

his home and reading california of a

779

00:33:26,549 --> 00:33:24,000

shotgun blast to the head

780

00:33:28,789 --> 00:33:26,559

shasta uh county coroner's official

781

00:33:31,590 --> 00:33:28,799

report cites his death as a suicide from

782

00:33:33,029 --> 00:33:31,600

self-inflicted gunshot wound

783

00:33:34,789 --> 00:33:33,039

they go on to say that mark mchandley

784

00:33:36,070 --> 00:33:34,799

spoke to his friend late that day mark

785

00:33:37,990 --> 00:33:36,080

told him that he was going to rest they

786

00:33:39,350 --> 00:33:38,000

would call him later

787

00:33:41,350 --> 00:33:39,360

there's more information that a

788

00:33:44,789 --> 00:33:41,360

colleague of mr mccandless

789

00:33:46,710 --> 00:33:44,799

said regarding mark mccandless suicide

790

00:33:49,269 --> 00:33:46,720

with a shotgun blast to his head he was

791

00:33:50,470 --> 00:33:49,279

going to testify for senate ufo uap

792

00:33:53,509 --> 00:33:50,480

meeting in june

793

00:33:57,509 --> 00:33:53,519

this is unconfirmed testimony from

794

00:34:00,549 --> 00:33:57,519

a colleague from a group a ufo group

795

00:34:02,549 --> 00:34:00,559

uh i've been unable to verify whether mr

796

00:34:06,389 --> 00:34:02,559

mccandlish was indeed going to testify

797

00:34:07,990 --> 00:34:06,399

anywhere in june uh

798

00:34:09,510 --> 00:34:08,000

they claim this person claims this

799

00:34:12,710 --> 00:34:09,520

testimony would have destroyed that we

800

00:34:14,550 --> 00:34:12,720

haven't made much progress narrative

801
00:34:16,470 --> 00:34:14,560
that would also destroy the tic tac

802
00:34:18,389 --> 00:34:16,480
narrative

803
00:34:20,069 --> 00:34:18,399
mark probably didn't go along it's an

804
00:34:24,069 --> 00:34:20,079
agenda it's complicated for

805
00:34:26,470 --> 00:34:24,079
for sure and here is so so the first

806
00:34:27,109 --> 00:34:26,480
real big problem that i have is them

807
00:34:29,430 --> 00:34:27,119
stating

808
00:34:32,829 --> 00:34:29,440
that mark mccandless died from a shotgun

809
00:34:37,750 --> 00:34:34,389
um

810
00:34:38,230 --> 00:34:37,760
next robert morningstar reports from his

811
00:34:39,829 --> 00:34:38,240
blog

812
00:34:41,510 --> 00:34:39,839
remember this is this is joseph p

813
00:34:43,990 --> 00:34:41,520

pharrell just parroting what

814

00:34:46,829 --> 00:34:44,000

what he copied and pasted from robert

815

00:34:50,069 --> 00:34:46,839

morningstar's

816

00:34:52,149 --> 00:34:50,079

blog and here it says finally it has

817

00:34:54,149 --> 00:34:52,159

been reported by one official

818

00:34:55,430 --> 00:34:54,159

that several federal agencies are

819

00:34:56,550 --> 00:34:55,440

investigating the death of mark

820

00:34:58,390 --> 00:34:56,560

mccandlish

821

00:35:00,470 --> 00:34:58,400

if mark's death was in fact just a

822

00:35:02,230 --> 00:35:00,480

suicide the editor asks why should

823

00:35:04,069 --> 00:35:02,240

further investigations by multiple

824

00:35:08,390 --> 00:35:04,079

agencies of the u s government be

825

00:35:10,710 --> 00:35:08,400

necessary i reject the official story

826

00:35:11,670 --> 00:35:10,720

then mr pharrell in this blog post goes

827

00:35:14,950 --> 00:35:11,680

on to say

828

00:35:16,790 --> 00:35:14,960

uh the statements that mr mccandless was

829

00:35:19,190 --> 00:35:16,800

allegedly scheduled to testify before

830

00:35:22,230 --> 00:35:19,200

u.s senate meeting on ufos and uf

831

00:35:25,990 --> 00:35:23,990

he was reminded of another convenient

832

00:35:28,230 --> 00:35:26,000

death who also allegedly committed

833

00:35:30,069 --> 00:35:28,240

suicide by shotgun mere days before his

834

00:35:31,990 --> 00:35:30,079

scheduled appearance

835

00:35:33,990 --> 00:35:32,000

uh to the 1970s committee on

836

00:35:35,109 --> 00:35:34,000

assassinations to testify about what he

837

00:35:38,310 --> 00:35:35,119

knew about jfk

838

00:35:39,510 --> 00:35:38,320

so here mr pharrell is linking yeah it's

839

00:35:43,109 --> 00:35:39,520

just like that case

840

00:35:44,630 --> 00:35:43,119

that happened but i'm sorry mr pharrell

841

00:35:46,470 --> 00:35:44,640

one of these things is not like the

842

00:35:48,230 --> 00:35:46,480

other

843

00:35:50,069 --> 00:35:48,240

he goes on to state that that does not

844

00:35:50,950 --> 00:35:50,079

prove anything regarding mark mccandle's

845

00:35:53,030 --> 00:35:50,960

sad demise

846

00:35:54,790 --> 00:35:53,040

but morningstar does raise the relevant

847

00:35:56,310 --> 00:35:54,800

question if there is nothing suspicious

848

00:35:57,910 --> 00:35:56,320

about mccandless death why should

849

00:35:59,510 --> 00:35:57,920

further investigations by multiple

850

00:36:01,109 --> 00:35:59,520

agencies of the us government be

851

00:36:03,430 --> 00:36:01,119

necessary

852

00:36:05,670 --> 00:36:03,440

perhaps such investigations are routine

853

00:36:07,829 --> 00:36:05,680

in such cases but when one leads

854

00:36:09,750 --> 00:36:07,839

reads the last hours of mr mccandless

855

00:36:10,390 --> 00:36:09,760

one thing clearly emerges they do not

856

00:36:14,870 --> 00:36:10,400

like

857

00:36:17,109 --> 00:36:14,880

suicidal frame of mind

858

00:36:18,710 --> 00:36:17,119

so mr pharrell says i too reject the

859

00:36:20,870 --> 00:36:18,720

story

860

00:36:22,790 --> 00:36:20,880

then mr feral goes on to repeat rumors

861

00:36:24,150 --> 00:36:22,800

that mr mccandless was murdered why

862

00:36:26,790 --> 00:36:24,160

would anyone want to

863

00:36:28,550 --> 00:36:26,800

murder mr mccandlish i do not know but

864

00:36:29,430 --> 00:36:28,560

the details in the articles posted by

865

00:36:31,430 --> 00:36:29,440

morningstar do

866

00:36:33,270 --> 00:36:31,440

point to a couple of directions one that

867

00:36:33,829 --> 00:36:33,280

the underground breakaway civilization

868

00:36:36,310 --> 00:36:33,839

itself

869

00:36:38,069 --> 00:36:36,320

anxious to keep its secrets and two

870

00:36:40,150 --> 00:36:38,079

another peculiar detail

871

00:36:41,829 --> 00:36:40,160

that is revealed in the article namely

872

00:36:43,990 --> 00:36:41,839

mccandless belief that he had been in

873

00:36:46,150 --> 00:36:44,000

contact with someone claiming to be

874

00:36:48,230 --> 00:36:46,160

an extraterrestrial among us in a human

875

00:36:50,150 --> 00:36:48,240

biosuit in disguise

876
00:36:51,910 --> 00:36:50,160
as if it were reminiscent of old science

877
00:36:54,390 --> 00:36:51,920
fiction television series v

878
00:36:55,750 --> 00:36:54,400
and more recent remake mccandless

879
00:36:58,310 --> 00:36:55,760
statements that tell

880
00:37:00,310 --> 00:36:58,320
that telekinetic murder for one of a

881
00:37:01,190 --> 00:37:00,320
better expression was not only possible

882
00:37:02,710 --> 00:37:01,200
that he

883
00:37:04,390 --> 00:37:02,720
but had been carried out in north

884
00:37:09,349 --> 00:37:04,400
korea's

885
00:37:11,349 --> 00:37:09,359
so boy they're weaving a lot of

886
00:37:13,190 --> 00:37:11,359
conspiracy land

887
00:37:15,510 --> 00:37:13,200
but the bottom line for mr pharrell is i

888
00:37:17,270 --> 00:37:15,520

once again reject the official story see

889

00:37:20,230 --> 00:37:17,280

you on the flip side

890

00:37:21,349 --> 00:37:20,240

and uh once again i just want to mention

891

00:37:24,230 --> 00:37:21,359

that

892

00:37:25,589 --> 00:37:24,240

here mr joseph p pharrell is simply

893

00:37:28,870 --> 00:37:25,599

parroting and repeating

894

00:37:33,510 --> 00:37:28,880

things written in robert morningstar's

895

00:37:35,990 --> 00:37:33,520

blog oh thank you i almost missed that

896

00:37:36,870 --> 00:37:36,000

uh jessica hill with kind and generous

897

00:37:39,670 --> 00:37:36,880

299

898

00:37:41,510 --> 00:37:39,680

super chat very generous she says keep

899

00:37:42,870 --> 00:37:41,520

up the good work stephen thank you very

900

00:37:48,550 --> 00:37:42,880

much

901
00:37:50,790 --> 00:37:48,560
the story is sensationalizing mark's

902
00:37:52,069 --> 00:37:50,800
death from jpl and morningstar are vomit

903
00:37:53,670 --> 00:37:52,079
inducing shameful

904
00:37:56,069 --> 00:37:53,680
there is no such testimony it's

905
00:37:59,030 --> 00:37:56,079
dishonest i can't find

906
00:38:01,510 --> 00:37:59,040
record of mr mccandless saying anything

907
00:38:05,030 --> 00:38:01,520
that they're ascribing him to

908
00:38:05,589 --> 00:38:05,040
uh which is and she says liar liar pants

909
00:38:07,829 --> 00:38:05,599
on fire

910
00:38:08,870 --> 00:38:07,839
farrell hey you said that i didn't call

911
00:38:11,109 --> 00:38:08,880
the liar

912
00:38:12,790 --> 00:38:11,119
but what i am going to say is that mr

913
00:38:14,870 --> 00:38:12,800

joseph p pharrell was very very

914

00:38:16,790 --> 00:38:14,880

irresponsible to just copy and paste

915

00:38:18,230 --> 00:38:16,800

stuff from mr morningstar's blog and

916

00:38:21,430 --> 00:38:18,240

repeat it

917

00:38:23,349 --> 00:38:21,440

you know he obviously neither of these

918

00:38:25,030 --> 00:38:23,359

gentlemen did their due diligence they

919

00:38:26,870 --> 00:38:25,040

did not do the research

920

00:38:29,589 --> 00:38:26,880

to check if any of the statements that

921

00:38:32,870 --> 00:38:29,599

they were making were factually accurate

922

00:38:35,190 --> 00:38:32,880

so i did it for you mr pharrell and i

923

00:38:36,950 --> 00:38:35,200

did it for you robert morningstar

924

00:38:38,630 --> 00:38:36,960

for the past week since we aired part

925

00:38:41,030 --> 00:38:38,640

one of this story

926
00:38:42,150 --> 00:38:41,040
i have been diligently digging

927
00:38:45,510 --> 00:38:42,160
everywhere i could

928
00:38:47,510 --> 00:38:45,520
to try to confirm or deny

929
00:38:49,910 --> 00:38:47,520
the information presented by both joseph

930
00:38:50,710 --> 00:38:49,920
p pharrell and robert morningstar among

931
00:38:52,630 --> 00:38:50,720
others

932
00:38:54,710 --> 00:38:52,640
it's also important to note that many

933
00:38:57,109 --> 00:38:54,720
people in conspiracy land on

934
00:38:58,310 --> 00:38:57,119
forums like above top secret and project

935
00:39:00,710 --> 00:38:58,320
avalon

936
00:39:02,790 --> 00:39:00,720
are also repeating the things that

937
00:39:04,310 --> 00:39:02,800
joseph p pharrell is posting and robert

938
00:39:06,870 --> 00:39:04,320

morningstar is posting

939

00:39:08,150 --> 00:39:06,880

this is very dangerous and irresponsible

940

00:39:11,349 --> 00:39:08,160

thing to do

941

00:39:16,950 --> 00:39:11,359

if no one has taken the time

942

00:39:18,790 --> 00:39:16,960

to verify if these statements that

943

00:39:20,630 --> 00:39:18,800

they're both making are factually

944

00:39:24,390 --> 00:39:20,640

accurate or not

945

00:39:26,630 --> 00:39:24,400

uh melissa with a 100 mexican pesos

946

00:39:27,990 --> 00:39:26,640

i love the pesos thank you melisa thanks

947

00:39:32,150 --> 00:39:28,000

for keeping going with the fun

948

00:39:35,349 --> 00:39:32,160

interesting shows yeah uh

949

00:39:37,430 --> 00:39:35,359

oh okay yeah maybe they are okay yeah i

950

00:39:39,030 --> 00:39:37,440

did not read the whole blog

951
00:39:41,270 --> 00:39:39,040
kind of skimmed through it so i'm gonna

952
00:39:42,550 --> 00:39:41,280
do that uh sixth sense and thanks for

953
00:39:44,870 --> 00:39:42,560
sharing that

954
00:39:46,950 --> 00:39:44,880
yeah mark mccandless.com and he does

955
00:39:47,670 --> 00:39:46,960
have blog posts there so maybe we can

956
00:39:51,589 --> 00:39:47,680
get some more

957
00:39:52,069 --> 00:39:51,599
insight so here's the big problem that i

958
00:39:55,270 --> 00:39:52,079
have

959
00:39:56,310 --> 00:39:55,280
first of all a man is dead a man is dead

960
00:39:58,550 --> 00:39:56,320
by suicide

961
00:39:59,910 --> 00:39:58,560
which is an incredible incredible

962
00:40:01,510 --> 00:39:59,920
tragedy oh but

963
00:40:03,030 --> 00:40:01,520

yeah guy lost my train of thought so

964

00:40:04,710 --> 00:40:03,040

thank you melissa for your kindness your

965

00:40:06,390 --> 00:40:04,720

generosity and your continued support of

966

00:40:07,750 --> 00:40:06,400

the show it is much appreciated very

967

00:40:10,390 --> 00:40:07,760

generous of you

968

00:40:11,829 --> 00:40:10,400

uh god bless you we thank you for your

969

00:40:14,870 --> 00:40:11,839

support

970

00:40:18,790 --> 00:40:14,880

okay so for the past week

971

00:40:22,309 --> 00:40:18,800

i've been trying diligently to verify

972

00:40:23,910 --> 00:40:22,319

or be able to say this is factually

973

00:40:25,109 --> 00:40:23,920

inaccurate about the statements that

974

00:40:26,950 --> 00:40:25,119

both these gentlemen

975

00:40:28,230 --> 00:40:26,960

joseph p pharrell and robert morningstar

976

00:40:31,270 --> 00:40:28,240

are making

977

00:40:34,550 --> 00:40:31,280

so uh first of all

978

00:40:37,109 --> 00:40:34,560

uh i inquired to the local police and

979

00:40:38,950 --> 00:40:37,119

to the coroner's office uh it's a mount

980

00:40:39,670 --> 00:40:38,960

shasta coroner's office and i want to

981

00:40:42,150 --> 00:40:39,680

thank

982

00:40:44,309 --> 00:40:42,160

i got to tell you that this in this past

983

00:40:46,630 --> 00:40:44,319

week everybody that i reached out to

984

00:40:48,550 --> 00:40:46,640

in law enforcement or government agency

985

00:40:49,670 --> 00:40:48,560

or this coroner's office called me back

986

00:40:53,670 --> 00:40:49,680

and talked to me

987

00:40:56,870 --> 00:40:53,680

which was a really uh both surprising

988

00:40:58,550 --> 00:40:56,880

and encouraging um sometimes you get

989

00:41:00,470 --> 00:40:58,560

into these situations trying to do this

990

00:41:01,589 --> 00:41:00,480

research and nobody ever calls you back

991

00:41:03,670 --> 00:41:01,599

so you can't

992

00:41:05,990 --> 00:41:03,680

you can't complete it but in this case

993

00:41:08,870 --> 00:41:06,000

it took a few you know a few days

994

00:41:11,030 --> 00:41:08,880

of constantly making phone calls but

995

00:41:14,309 --> 00:41:11,040

here's what we're able to confirm

996

00:41:15,990 --> 00:41:14,319

first of all the com the coroner's

997

00:41:17,910 --> 00:41:16,000

office confirmed for me

998

00:41:20,870 --> 00:41:17,920

that the the cause of death was a

999

00:41:23,990 --> 00:41:20,880

self-inflicted gunshot wound to the head

1000

00:41:25,829 --> 00:41:24,000

however the coroner's office let me know

1001
00:41:26,950 --> 00:41:25,839
that it was not a shotgun blast to his

1002
00:41:29,589 --> 00:41:26,960
head

1003
00:41:31,510 --> 00:41:29,599
next i inquired about the weapon but my

1004
00:41:34,230 --> 00:41:31,520
source there in the coroner's office

1005
00:41:36,309 --> 00:41:34,240
told me that it was not a shotgun but

1006
00:41:38,630 --> 00:41:36,319
she said i can't elaborate on the actual

1007
00:41:40,069 --> 00:41:38,640
weapon used until the report is complete

1008
00:41:41,670 --> 00:41:40,079
and then it will be in the report

1009
00:41:43,670 --> 00:41:41,680
and she offered to get me a copy of the

1010
00:41:46,470 --> 00:41:43,680
report which i'll be getting

1011
00:41:47,910 --> 00:41:46,480
uh she believes by early next week the

1012
00:41:50,790 --> 00:41:47,920
police have concluded their

1013
00:41:55,109 --> 00:41:50,800

investigation found nothing suspicious

1014

00:41:58,150 --> 00:41:55,119

open and shut case of of a suicide

1015

00:42:00,150 --> 00:41:58,160

okay so i i also then tried to

1016

00:42:02,230 --> 00:42:00,160

drill down on the coroner's office and

1017

00:42:03,109 --> 00:42:02,240

said well if it wasn't a shotgun was it

1018

00:42:05,510 --> 00:42:03,119

a rifle

1019

00:42:07,109 --> 00:42:05,520

and again she said no but then i asked

1020

00:42:08,710 --> 00:42:07,119

was it a handgun and she said she

1021

00:42:10,230 --> 00:42:08,720

couldn't elaborate further again until

1022

00:42:11,430 --> 00:42:10,240

the report is complete she stated the

1023

00:42:13,829 --> 00:42:11,440

report will be complete

1024

00:42:15,430 --> 00:42:13,839

by next week and she will send me a copy

1025

00:42:19,109 --> 00:42:15,440

by email

1026

00:42:22,950 --> 00:42:19,119

so uh next i contacted the

1027

00:42:26,230 --> 00:42:22,960

uh reading california uh police

1028

00:42:27,750 --> 00:42:26,240

chief the office of the police chief and

1029

00:42:31,510 --> 00:42:27,760

a very kind

1030

00:42:34,230 --> 00:42:31,520

sergeant uh garnero got back to me

1031

00:42:34,790 --> 00:42:34,240

mr garnero a sergeant in that local

1032

00:42:38,069 --> 00:42:34,800

police

1033

00:42:39,349 --> 00:42:38,079

district uh who works under the directly

1034

00:42:41,270 --> 00:42:39,359

under the chief of police

1035

00:42:42,870 --> 00:42:41,280

i believe he may be the you know like

1036

00:42:44,309 --> 00:42:42,880

the second or third in command of that

1037

00:42:47,750 --> 00:42:44,319

police force

1038

00:42:48,309 --> 00:42:47,760

got back to me very kindly and he shared

1039

00:42:50,710 --> 00:42:48,319

with me

1040

00:42:51,510 --> 00:42:50,720

that he believed that it was an open and

1041

00:42:55,430 --> 00:42:51,520

shut case

1042

00:42:58,550 --> 00:42:55,440

of a tragic suicide first of all

1043

00:43:01,589 --> 00:42:58,560

mr mccandless left a handwritten note

1044

00:43:05,829 --> 00:43:01,599

which they verified was his handwriting

1045

00:43:08,230 --> 00:43:05,839

next uh serge excuse me

1046

00:43:10,150 --> 00:43:08,240

mr garnero the source at the local

1047

00:43:12,790 --> 00:43:10,160

police department told me

1048

00:43:13,670 --> 00:43:12,800

uh that mark mccandless did shoot

1049

00:43:16,069 --> 00:43:13,680

himself

1050

00:43:16,950 --> 00:43:16,079

in the head but not with a shotgun not

1051

00:43:20,230 --> 00:43:16,960

with a rifle

1052

00:43:21,589 --> 00:43:20,240

with a handgun i asked what

1053

00:43:23,589 --> 00:43:21,599

model of handgun and he wouldn't

1054

00:43:24,870 --> 00:43:23,599

elaborate further and again stated that

1055

00:43:27,109 --> 00:43:24,880

the coroner's office

1056

00:43:29,190 --> 00:43:27,119

would conclude their report that

1057

00:43:33,670 --> 00:43:29,200

information would be in the coroner's

1058

00:43:35,990 --> 00:43:33,680

report so the first claim that joseph p

1059

00:43:37,109 --> 00:43:36,000

pharrell and robert morningstar and

1060

00:43:39,750 --> 00:43:37,119

others are making

1061

00:43:40,630 --> 00:43:39,760

that mark mccandless shot himself in the

1062

00:43:43,030 --> 00:43:40,640

head with a

1063

00:43:44,550 --> 00:43:43,040

shotgun blast to the head killed himself

1064

00:43:46,390 --> 00:43:44,560

in the shotgun blaze to the head is

1065

00:43:47,670 --> 00:43:46,400

completely and totally factually

1066

00:43:50,470 --> 00:43:47,680

inaccurate

1067

00:43:51,430 --> 00:43:50,480

that's not what happened and you know i

1068

00:43:53,510 --> 00:43:51,440

think that it is

1069

00:43:55,030 --> 00:43:53,520

it is extremely detrimental to the

1070

00:43:57,190 --> 00:43:55,040

memory of this man

1071

00:43:59,270 --> 00:43:57,200

considering his tragic suicide to be on

1072

00:44:01,670 --> 00:43:59,280

the internet

1073

00:44:02,470 --> 00:44:01,680

pumping out these stories that are not

1074

00:44:04,069 --> 00:44:02,480

correct

1075

00:44:05,430 --> 00:44:04,079

they're not factually accurate i don't

1076
00:44:06,790 --> 00:44:05,440
know if these people are just making

1077
00:44:09,829 --> 00:44:06,800
things up

1078
00:44:11,750 --> 00:44:09,839
or what the situation is but the man

1079
00:44:13,109 --> 00:44:11,760
died tragically can we let him rest in

1080
00:44:16,710 --> 00:44:13,119
peace and not begin

1081
00:44:20,470 --> 00:44:16,720
to start rumors about his death

1082
00:44:23,670 --> 00:44:22,230
mark mccandless dying from a shotgun

1083
00:44:25,430 --> 00:44:23,680
blast to the head is

1084
00:44:27,030 --> 00:44:25,440
is a complete and totally factually

1085
00:44:30,390 --> 00:44:27,040
inaccurate statement it's a

1086
00:44:33,510 --> 00:44:30,400
rumor somebody started it is not correct

1087
00:44:36,470 --> 00:44:33,520
i verified with both the shasta

1088
00:44:37,670 --> 00:44:36,480

county coroner's office and the local

1089

00:44:39,270 --> 00:44:37,680

police department

1090

00:44:41,510 --> 00:44:39,280

that that is factually an accurate

1091

00:44:42,470 --> 00:44:41,520

statement he did not do that with a

1092

00:44:44,550 --> 00:44:42,480

shotgun

1093

00:44:45,589 --> 00:44:44,560

he shot himself in the head with a

1094

00:44:47,829 --> 00:44:45,599

handgun

1095

00:44:49,829 --> 00:44:47,839

left a suicide note a handwritten one

1096

00:44:51,990 --> 00:44:49,839

and they verified that it was indeed his

1097

00:44:55,109 --> 00:44:52,000

handwriting

1098

00:44:57,910 --> 00:44:55,119

mr garnero believed that it was an

1099

00:44:59,430 --> 00:44:57,920

open and shut case of a tragic suicide

1100

00:45:01,750 --> 00:44:59,440

nothing suspicious

1101

00:45:05,670 --> 00:45:01,760

to his knowledge he did not find

1102

00:45:07,349 --> 00:45:05,680

anything suspicious about the case

1103

00:45:09,109 --> 00:45:07,359

so the next claim that robert

1104

00:45:10,710 --> 00:45:09,119

morningstar and uh

1105

00:45:12,230 --> 00:45:10,720

joseph p ferrell are making is that

1106

00:45:15,829 --> 00:45:12,240

multiple federal agencies

1107

00:45:19,109 --> 00:45:15,839

are investigating mark mccandless

1108

00:45:20,870 --> 00:45:19,119

death and i'm very sorry but that too

1109

00:45:23,109 --> 00:45:20,880

is a factually inaccurate statement and

1110

00:45:26,150 --> 00:45:23,119

here's how i verified that

1111

00:45:28,950 --> 00:45:26,160

first of all i contacted uh

1112

00:45:29,670 --> 00:45:28,960

i contacted one second let me just get

1113

00:45:31,589 --> 00:45:29,680

into my

1114

00:45:34,230 --> 00:45:31,599

i don't wanna i don't wanna make a

1115

00:45:37,270 --> 00:45:34,240

factually inaccurate statement myself

1116

00:45:39,030 --> 00:45:37,280

yeah so i i contacted the national press

1117

00:45:42,870 --> 00:45:39,040

office at fbi

1118

00:45:45,510 --> 00:45:42,880

headquarters as well as the local fbi

1119

00:45:47,589 --> 00:45:45,520

field office in redding california in

1120

00:45:49,270 --> 00:45:47,599

both cases someone got back to me

1121

00:45:51,349 --> 00:45:49,280

and i explained the situation that

1122

00:45:53,270 --> 00:45:51,359

people were saying that multiple federal

1123

00:45:54,390 --> 00:45:53,280

agencies are investigating this tragic

1124

00:45:56,309 --> 00:45:54,400

man's suicide

1125

00:45:58,230 --> 00:45:56,319

explained his connection to the ufo and

1126
00:46:01,750 --> 00:45:58,240
conspiracy world

1127
00:46:04,470 --> 00:46:01,760
and uh both the

1128
00:46:06,550 --> 00:46:04,480
uh national press office at fbi

1129
00:46:06,950 --> 00:46:06,560
headquarters in washington dc got back

1130
00:46:09,190 --> 00:46:06,960
to me

1131
00:46:10,309 --> 00:46:09,200
and the local field office an agent got

1132
00:46:12,470 --> 00:46:10,319
back to me

1133
00:46:14,710 --> 00:46:12,480
both of them said that the fbi has no

1134
00:46:18,550 --> 00:46:14,720
records of any investigation

1135
00:46:21,270 --> 00:46:18,560
involving this man uh

1136
00:46:22,710 --> 00:46:21,280
further a second source that i have at

1137
00:46:25,190 --> 00:46:22,720
the fbi

1138
00:46:27,030 --> 00:46:25,200

uh wrote me back and said hi stephen

1139

00:46:28,790 --> 00:46:27,040

thanks for reaching out however

1140

00:46:30,950 --> 00:46:28,800

i think you should refer to the local

1141

00:46:32,150 --> 00:46:30,960

authorities regarding your inquiry they

1142

00:46:35,270 --> 00:46:32,160

would know if there was

1143

00:46:39,190 --> 00:46:35,280

any federal inquiry or investigation

1144

00:46:41,750 --> 00:46:39,200

into this man's death so i went back to

1145

00:46:42,710 --> 00:46:41,760

the coroner's office and to the local

1146

00:46:44,870 --> 00:46:42,720

police department

1147

00:46:46,870 --> 00:46:44,880

ask them if there is any if they were

1148

00:46:49,990 --> 00:46:46,880

aware of any federal

1149

00:46:52,230 --> 00:46:50,000

investigations or inquiries both the

1150

00:46:55,829 --> 00:46:52,240

coroner's office and the local police

1151
00:46:57,430 --> 00:46:55,839
let me know that no there is no inquiry

1152
00:46:59,910 --> 00:46:57,440
federal inquiry federal

1153
00:47:01,109 --> 00:46:59,920
investigation into this man's tragic

1154
00:47:02,870 --> 00:47:01,119
death

1155
00:47:04,870 --> 00:47:02,880
i drilled down with the coroner's office

1156
00:47:05,910 --> 00:47:04,880
and i said well you would definitely

1157
00:47:07,990 --> 00:47:05,920
know if they were

1158
00:47:09,430 --> 00:47:08,000
if there was any federal investigations

1159
00:47:11,990 --> 00:47:09,440
going on wouldn't you

1160
00:47:13,589 --> 00:47:12,000
and she said indeed i would for sure

1161
00:47:14,630 --> 00:47:13,599
know because one of the first things

1162
00:47:16,630 --> 00:47:14,640
that any

1163
00:47:17,670 --> 00:47:16,640

federal agency would do is call my

1164

00:47:20,790 --> 00:47:17,680

office and request

1165

00:47:24,710 --> 00:47:20,800

all my files on this man and his suicide

1166

00:47:27,109 --> 00:47:24,720

no one has done that so far next

1167

00:47:29,270 --> 00:47:27,119

just to be sure you know they said

1168

00:47:31,270 --> 00:47:29,280

federal agencies they did not say the

1169

00:47:33,750 --> 00:47:31,280

fbi but i thought a good place to start

1170

00:47:36,950 --> 00:47:33,760

digging would be the fbi

1171

00:47:39,270 --> 00:47:36,960

uh national press office and the fbi lo

1172

00:47:41,270 --> 00:47:39,280

field office that's closest to this man

1173

00:47:43,190 --> 00:47:41,280

that there just so happens to be an fbi

1174

00:47:45,430 --> 00:47:43,200

field office right in red in california

1175

00:47:49,670 --> 00:47:45,440

where this suicide took place

1176

00:47:51,349 --> 00:47:49,680

again the fbi local field office told me

1177

00:47:53,109 --> 00:47:51,359

there is no investigation

1178

00:47:55,030 --> 00:47:53,119

they don't know anything about this

1179

00:47:57,750 --> 00:47:55,040

man's death nor are they

1180

00:47:58,950 --> 00:47:57,760

as anybody you know directed them to

1181

00:48:02,230 --> 00:47:58,960

conduct any

1182

00:48:04,549 --> 00:48:02,240

investigation or inquiry into his death

1183

00:48:05,990 --> 00:48:04,559

they again said you can contact the

1184

00:48:07,990 --> 00:48:06,000

local police department

1185

00:48:09,910 --> 00:48:08,000

and they would tell you they would know

1186

00:48:12,870 --> 00:48:09,920

if there's any federal investigation and

1187

00:48:16,069 --> 00:48:12,880

again we verified with mr garnero

1188

00:48:19,190 --> 00:48:16,079

at the local police department local

1189

00:48:22,710 --> 00:48:19,200

that handled this case uh that no

1190

00:48:23,349 --> 00:48:22,720

he he too said the first thing that feds

1191

00:48:25,589 --> 00:48:23,359

would do

1192

00:48:27,030 --> 00:48:25,599

is they would contact their office and

1193

00:48:29,589 --> 00:48:27,040

let us know

1194

00:48:31,270 --> 00:48:29,599

and ask for all our files again just

1195

00:48:33,510 --> 00:48:31,280

like the coroner's office

1196

00:48:35,670 --> 00:48:33,520

any federal agency investigating this

1197

00:48:37,270 --> 00:48:35,680

man's death would want all the files

1198

00:48:39,109 --> 00:48:37,280

that's would be the first thing that

1199

00:48:41,030 --> 00:48:39,119

they would do an investigation a

1200

00:48:42,230 --> 00:48:41,040

starting point get old files that that

1201

00:48:44,549 --> 00:48:42,240

the locals have

1202

00:48:46,829 --> 00:48:44,559

nobody has done that so it's pretty

1203

00:48:47,990 --> 00:48:46,839

clear to me that there is no federal

1204

00:48:49,670 --> 00:48:48,000

investigation

1205

00:48:51,829 --> 00:48:49,680

but i wanted to be completely totally

1206

00:48:53,109 --> 00:48:51,839

sure so i reached out over the past week

1207

00:48:56,549 --> 00:48:53,119

to the cia

1208

00:48:57,190 --> 00:48:56,559

the dea and the atf couldn't think of

1209

00:49:01,190 --> 00:48:57,200

any more

1210

00:49:04,390 --> 00:49:03,270

i'm sure there's more right so i didn't

1211

00:49:07,829 --> 00:49:04,400

get them all

1212

00:49:10,790 --> 00:49:07,839

but i got most of them uh i'm not sure

1213

00:49:11,829 --> 00:49:10,800

why the atf or the dea or the cia would

1214

00:49:14,309 --> 00:49:11,839

want to investigate

1215

00:49:15,510 --> 00:49:14,319

i would think by saying federal

1216

00:49:19,030 --> 00:49:15,520

authorities they would mean

1217

00:49:19,430 --> 00:49:19,040

fbi however just to be sure and complete

1218

00:49:23,190 --> 00:49:19,440

my

1219

00:49:25,030 --> 00:49:23,200

and do the best job that i could to

1220

00:49:28,230 --> 00:49:25,040

prove or disprove this claim

1221

00:49:30,710 --> 00:49:28,240

that is being made i contacted the cia's

1222

00:49:32,790 --> 00:49:30,720

press office the dea's press office and

1223

00:49:34,390 --> 00:49:32,800

the atf's press office each of these

1224

00:49:36,309 --> 00:49:34,400

organizations have somebody

1225

00:49:38,069 --> 00:49:36,319

has somebody there whose job it is to

1226

00:49:39,109 --> 00:49:38,079

respond to media requests for

1227

00:49:41,670 --> 00:49:39,119

information

1228

00:49:42,950 --> 00:49:41,680

all three agencies all sent me emails

1229

00:49:45,109 --> 00:49:42,960

each stating

1230

00:49:46,150 --> 00:49:45,119

basically we have no record of this

1231

00:49:47,990 --> 00:49:46,160

man's death

1232

00:49:50,069 --> 00:49:48,000

we have no records of any open

1233

00:49:52,230 --> 00:49:50,079

investigation or are we aware of any

1234

00:49:55,990 --> 00:49:52,240

open investigation from our offices

1235

00:49:58,710 --> 00:49:56,000

into this man's death or suicide

1236

00:50:00,870 --> 00:49:58,720

so there we have it friends uh the myth

1237

00:50:02,470 --> 00:50:00,880

the fairy tales that people are telling

1238

00:50:05,349 --> 00:50:02,480

about mr mccandless

1239

00:50:05,910 --> 00:50:05,359

tragic suicide are factually inaccurate

1240

00:50:07,990 --> 00:50:05,920

and

1241

00:50:09,349 --> 00:50:08,000

you know i want to be as fair as

1242

00:50:14,150 --> 00:50:09,359

possible to joseph p

1243

00:50:16,870 --> 00:50:14,160

pharrell uh because after all

1244

00:50:18,549 --> 00:50:16,880

you know the worst i could say that he

1245

00:50:21,190 --> 00:50:18,559

did is copy and paste things from

1246

00:50:26,309 --> 00:50:21,200

another blog without fact checking them

1247

00:50:28,790 --> 00:50:26,319

so but now that we know mr pharrell that

1248

00:50:30,309 --> 00:50:28,800

the statements in your in your blog are

1249

00:50:31,030 --> 00:50:30,319

completely and totally factually

1250

00:50:33,030 --> 00:50:31,040

inaccurate

1251
00:50:35,109 --> 00:50:33,040
maybe for the benefit of mark's friends

1252
00:50:37,030 --> 00:50:35,119
and family and those who cared about him

1253
00:50:38,790 --> 00:50:37,040
you could take that block down because

1254
00:50:40,790 --> 00:50:38,800
it's factually inaccurate

1255
00:50:43,349 --> 00:50:40,800
and the statements you make in there are

1256
00:50:47,670 --> 00:50:43,359
now proven to be

1257
00:50:50,069 --> 00:50:47,680
falsehoods i think that i i

1258
00:50:51,510 --> 00:50:50,079
you know the more i think about this his

1259
00:50:54,309 --> 00:50:51,520
family his friends

1260
00:50:56,390 --> 00:50:54,319
his relatives probably don't want you

1261
00:50:58,230 --> 00:50:56,400
posting factually inaccurate statements

1262
00:50:59,750 --> 00:50:58,240
about his tragic suicide

1263
00:51:01,670 --> 00:50:59,760

especially saying that he blew his

1264

00:51:02,630 --> 00:51:01,680

brains out with a shotgun blast to the

1265

00:51:04,470 --> 00:51:02,640

head

1266

00:51:06,150 --> 00:51:04,480

and that multiple government agencies

1267

00:51:08,870 --> 00:51:06,160

are investigating this death

1268

00:51:10,630 --> 00:51:08,880

they're not now as far as robert

1269

00:51:12,390 --> 00:51:10,640

morningstar

1270

00:51:14,390 --> 00:51:12,400

i believe that he bears more

1271

00:51:17,349 --> 00:51:14,400

responsibility than mr pharrell for

1272

00:51:19,510 --> 00:51:17,359

spreading these false rumors

1273

00:51:22,230 --> 00:51:19,520

and i believe that he too should

1274

00:51:25,349 --> 00:51:22,240

apologize and take that blog down

1275

00:51:27,510 --> 00:51:25,359

take that article down it's it's fiction

1276

00:51:28,470 --> 00:51:27,520

your article mr robert morningstar is

1277

00:51:31,349 --> 00:51:28,480

fiction

1278

00:51:33,430 --> 00:51:31,359

you too perhaps just accepted rumors and

1279

00:51:35,990 --> 00:51:33,440

speculation that people were

1280

00:51:36,870 --> 00:51:36,000

posting on forums like above top secret

1281

00:51:39,990 --> 00:51:36,880

and and

1282

00:51:41,829 --> 00:51:40,000

the avalon forums and you did not do

1283

00:51:43,109 --> 00:51:41,839

your due diligence you did not do the

1284

00:51:45,910 --> 00:51:43,119

research

1285

00:51:47,589 --> 00:51:45,920

but it's okay i did it for you and now

1286

00:51:50,470 --> 00:51:47,599

we know the truth

1287

00:51:51,349 --> 00:51:50,480

about these rumors they are simply

1288

00:51:52,710 --> 00:51:51,359

rumors

1289

00:51:54,470 --> 00:51:52,720

so i'm going to ask both robert

1290

00:51:56,710 --> 00:51:54,480

morningstar and

1291

00:51:57,750 --> 00:51:56,720

joseph p ferrell i'm going to email both

1292

00:52:00,790 --> 00:51:57,760

of them this

1293

00:52:03,349 --> 00:52:00,800

video and ask please you know

1294

00:52:05,349 --> 00:52:03,359

could you be a huge a decent human being

1295

00:52:06,630 --> 00:52:05,359

and take a fake story down off your

1296

00:52:09,829 --> 00:52:06,640

website

1297

00:52:11,270 --> 00:52:09,839

about the tragic death of this man i

1298

00:52:12,630 --> 00:52:11,280

think that would be the least you could

1299

00:52:13,990 --> 00:52:12,640

do

1300

00:52:18,549 --> 00:52:14,000

i agree that would be the least you

1301
00:52:19,750 --> 00:52:18,559
could do

1302
00:52:21,670 --> 00:52:19,760
all right so we're going to take

1303
00:52:24,790 --> 00:52:21,680
comments questions uh

1304
00:52:25,270 --> 00:52:24,800
from the live chat once again uh one

1305
00:52:28,390 --> 00:52:25,280
second

1306
00:52:35,349 --> 00:52:31,750
let us get that banner damn

1307
00:52:39,270 --> 00:52:35,359
there we go so maximilian uh

1308
00:52:40,710 --> 00:52:39,280
robert bouley he must be french

1309
00:52:42,710 --> 00:52:40,720
let me know if you're french that sounds

1310
00:52:43,670 --> 00:52:42,720
like a french name to me maximilian

1311
00:52:46,470 --> 00:52:43,680
robert

1312
00:52:47,910 --> 00:52:46,480
boulet or is it or is it just maximilian

1313
00:52:51,349 --> 00:52:47,920

robert

1314

00:52:53,190 --> 00:52:51,359

bellay i don't sounds french to me

1315

00:52:55,190 --> 00:52:53,200

gossip maybe but sadly this kind of

1316

00:52:56,790 --> 00:52:55,200

publicity is needed these days to keep

1317

00:52:58,870 --> 00:52:56,800

public interest going and trigger

1318

00:53:00,710 --> 00:52:58,880

serious investigations

1319

00:53:03,030 --> 00:53:00,720

well i believe for the past week i did

1320

00:53:05,109 --> 00:53:03,040

as serious as an investigation i could

1321

00:53:08,470 --> 00:53:05,119

into mr mccandless death

1322

00:53:11,030 --> 00:53:08,480

and i i believe that these

1323

00:53:12,630 --> 00:53:11,040

this is exactly that this is rumors this

1324

00:53:16,390 --> 00:53:12,640

is gossip this is people trying to

1325

00:53:19,349 --> 00:53:16,400

profit from the tragic death of a person

1326
00:53:19,990 --> 00:53:19,359
that sadly and tragically died and they

1327
00:53:23,349 --> 00:53:20,000
should

1328
00:53:31,030 --> 00:53:23,359
those

1329
00:53:31,829 --> 00:53:31,040
verified and accuracy accuracies does

1330
00:53:33,589 --> 00:53:31,839
not prove

1331
00:53:35,910 --> 00:53:33,599
there was no foul play it just proves

1332
00:53:39,270 --> 00:53:35,920
these people do sloppy journalism work

1333
00:53:42,309 --> 00:53:39,280
okay but i mean you know annabelle uh

1334
00:53:44,870 --> 00:53:42,319
annabelle i did uh speak

1335
00:53:46,470 --> 00:53:44,880
to one of the investigating officers at

1336
00:53:49,670 --> 00:53:46,480
the local police department

1337
00:53:52,069 --> 00:53:49,680
he did not believe that there was

1338
00:53:52,710 --> 00:53:52,079

any any i drilled down on him several

1339

00:53:55,190 --> 00:53:52,720

times

1340

00:53:56,230 --> 00:53:55,200

there was no evidence of any foul play

1341

00:54:00,230 --> 00:53:56,240

there was no evidence

1342

00:54:03,030 --> 00:54:00,240

of you know any uh any kind of

1343

00:54:04,230 --> 00:54:03,040

foul play they found zero evidence of

1344

00:54:07,190 --> 00:54:04,240

foul play

1345

00:54:08,630 --> 00:54:07,200

now you know he told me that they're

1346

00:54:10,710 --> 00:54:08,640

always very thorough

1347

00:54:12,710 --> 00:54:10,720

even in suicide cases just to dot all

1348

00:54:15,670 --> 00:54:12,720

your eyes cross all your t's make sure

1349

00:54:17,750 --> 00:54:15,680

that you check off all the boxes because

1350

00:54:19,349 --> 00:54:17,760

you know yeah mistakes can be made but

1351

00:54:21,910 --> 00:54:19,359

he truly believed that there was

1352

00:54:23,990 --> 00:54:21,920

absolutely no foul play and this was an

1353

00:54:27,109 --> 00:54:24,000

open and shut case of self-inflicted

1354

00:54:32,150 --> 00:54:27,119

suicide so uh there's that

1355

00:54:35,829 --> 00:54:34,069

sudo lukian says yes he made himself a

1356

00:54:36,470 --> 00:54:35,839

myth in ufo circles just like phil

1357

00:54:38,630 --> 00:54:36,480

schneider

1358

00:54:41,030 --> 00:54:38,640

both very disturbed characters yeah and

1359

00:54:41,430 --> 00:54:41,040

there's various there is various reports

1360

00:54:46,069 --> 00:54:41,440

and

1361

00:54:47,910 --> 00:54:46,079

true or not but we mentioned gossip we

1362

00:54:49,589 --> 00:54:47,920

mentioned rumors there's other rumors

1363

00:54:51,349 --> 00:54:49,599

and speculation and gossip that

1364

00:54:52,870 --> 00:54:51,359

mr mccandless was suffering from

1365

00:54:57,510 --> 00:54:52,880

clinical depression

1366

00:55:01,270 --> 00:54:59,510

at the time of his death and sharashi

1367

00:55:03,270 --> 00:55:01,280

with a kind and generous 10

1368

00:55:05,270 --> 00:55:03,280

donation thank you very much for the

1369

00:55:06,710 --> 00:55:05,280

super chat very generous of you

1370

00:55:09,430 --> 00:55:06,720

thank you for your continued support of

1371

00:55:11,430 --> 00:55:09,440

the show and and sharashi says so he

1372

00:55:14,390 --> 00:55:11,440

wasn't murdered or suicided yes

1373

00:55:15,990 --> 00:55:14,400

he apparently committed suicide it's an

1374

00:55:17,670 --> 00:55:16,000

open and chuck case

1375

00:55:20,309 --> 00:55:17,680

uh you know he shot himself in the head

1376

00:55:22,470 --> 00:55:20,319

he left a handwritten suicide note

1377

00:55:23,829 --> 00:55:22,480

the police were very confident that it

1378

00:55:31,349 --> 00:55:23,839

was a

1379

00:55:35,990 --> 00:55:33,990

yeah exactly this is the logic of some

1380

00:55:38,549 --> 00:55:36,000

of these conspiracy land people v

1381

00:55:39,589 --> 00:55:38,559

with an excellent comment so the police

1382

00:55:42,710 --> 00:55:39,599

the coroner

1383

00:55:47,430 --> 00:55:42,720

and the fbi oh but not just them v

1384

00:55:49,589 --> 00:55:47,440

also the cia the dea and the atf

1385

00:55:51,510 --> 00:55:49,599

are all lying and it's a random dude

1386

00:55:52,549 --> 00:55:51,520

that goes by morningstar who is telling

1387

00:55:55,510 --> 00:55:52,559

the truth

1388

00:55:56,150 --> 00:55:55,520

mixed in with verifiable inaccuracies

1389

00:55:59,829 --> 00:55:56,160

yeah

1390

00:56:03,589 --> 00:56:02,150

okay answer us he's at work no worries

1391

00:56:04,390 --> 00:56:03,599

yeah i hope you enjoy us while you're

1392

00:56:06,870 --> 00:56:04,400

working

1393

00:56:11,030 --> 00:56:06,880

and i hope you have a great day at work

1394

00:56:15,030 --> 00:56:13,510

yeah you if he makes another good point

1395

00:56:17,190 --> 00:56:15,040

i can't argue with this one

1396

00:56:18,710 --> 00:56:17,200

v says i disagree stephen pharrell has

1397

00:56:21,190 --> 00:56:18,720

more responsibility because he has

1398

00:56:24,470 --> 00:56:21,200

thousands of subscribers and followers

1399

00:56:27,829 --> 00:56:24,480

yeah yeah

1400

00:56:29,589 --> 00:56:27,839

yeah that's that's i that's a good point

1401

00:56:31,270 --> 00:56:29,599

he does have a huge following

1402

00:56:33,109 --> 00:56:31,280

and when you have a huge following i

1403

00:56:35,589 --> 00:56:33,119

think that you should be more careful

1404

00:56:37,349 --> 00:56:35,599

about posting fake information to your

1405

00:56:39,030 --> 00:56:37,359

followers and your subscribers but

1406

00:56:42,309 --> 00:56:39,040

that's just my opinion

1407

00:56:44,630 --> 00:56:42,319

i you know and and and hey uh

1408

00:56:45,349 --> 00:56:44,640

i i have nothing against mr pharrell or

1409

00:56:47,829 --> 00:56:45,359

whatever

1410

00:56:49,349 --> 00:56:47,839

i don't know very much about his work so

1411

00:56:52,230 --> 00:56:49,359

uh

1412

00:56:54,150 --> 00:56:52,240

i you know simply disagree with him

1413

00:56:55,349 --> 00:56:54,160

posting factually inaccurate information

1414

00:56:58,549 --> 00:56:55,359

on a public blog

1415

00:57:03,030 --> 00:56:58,559

especially as v says when he has tens of

1416

00:57:06,710 --> 00:57:05,829

fgrf72 says stephen can be on the mark

1417

00:57:11,349 --> 00:57:06,720

yeah

1418

00:57:13,190 --> 00:57:11,359

stopwatch and keep track of how much how

1419

00:57:16,470 --> 00:57:13,200

many times i ask for money

1420

00:57:17,990 --> 00:57:16,480

not once yet yeah

1421

00:57:19,670 --> 00:57:18,000

but thank everybody for their kindness

1422

00:57:22,230 --> 00:57:19,680

their generosity and support

1423

00:57:23,589 --> 00:57:22,240

i really do appreciate it uh it really

1424

00:57:26,230 --> 00:57:23,599

means a lot to me

1425

00:57:26,710 --> 00:57:26,240

and and i want to i suppose apologize

1426
00:57:28,710 --> 00:57:26,720
for this

1427
00:57:29,829 --> 00:57:28,720
all this drama rama and we're gonna

1428
00:57:32,150 --> 00:57:29,839
we're not gonna

1429
00:57:33,910 --> 00:57:32,160
go there anymore you know people are

1430
00:57:35,990 --> 00:57:33,920
gonna say whatever they're gonna say

1431
00:57:37,670 --> 00:57:36,000
i do excellent research i do excellent

1432
00:57:39,750 --> 00:57:37,680
work tonight we brought you

1433
00:57:42,549 --> 00:57:39,760
this exclusive story that no one else in

1434
00:57:44,230 --> 00:57:42,559
ufo land or conspiracy land has brought

1435
00:57:47,510 --> 00:57:44,240
nobody else did the work nobody else did

1436
00:57:49,030 --> 00:57:47,520
the research i did it all this past week

1437
00:57:51,030 --> 00:57:49,040
and you know i'm glad i did because i

1438
00:57:54,309 --> 00:57:51,040

wanted to get to the truth

1439

00:57:56,630 --> 00:57:54,319

and i believe at least in the case of mr

1440

00:57:58,230 --> 00:57:56,640

mccandless tragic suicide we did get to

1441

00:58:01,109 --> 00:57:58,240

the truth of what happened

1442

00:58:02,309 --> 00:58:01,119

i mean you know i don't believe we'll

1443

00:58:05,990 --> 00:58:02,319

ever know why

1444

00:58:07,190 --> 00:58:06,000

right and one other point i suppose i'd

1445

00:58:10,390 --> 00:58:07,200

like to make

1446

00:58:13,589 --> 00:58:10,400

is that joseph p pharrell suggests

1447

00:58:15,829 --> 00:58:13,599

that mark mccandlish just didn't appear

1448

00:58:18,230 --> 00:58:15,839

to be suicidal well we can see

1449

00:58:19,109 --> 00:58:18,240

numerous examples of people who were

1450

00:58:23,030 --> 00:58:19,119

happy

1451
00:58:25,030 --> 00:58:23,040
the day before they committed suicide

1452
00:58:27,109 --> 00:58:25,040
we see various examples of people who

1453
00:58:29,109 --> 00:58:27,119
show absolutely no signs of being

1454
00:58:32,549 --> 00:58:29,119
depressed or suicidal

1455
00:58:40,390 --> 00:58:36,789
i myself had someone in my personal life

1456
00:58:42,470 --> 00:58:40,400
no sign no sign of being sad no sign of

1457
00:58:45,270 --> 00:58:42,480
being depressed

1458
00:58:46,630 --> 00:58:45,280
and they tragically kill themselves so

1459
00:58:50,390 --> 00:58:46,640
sometimes

1460
00:58:52,870 --> 00:58:50,400
there are no warning signs various

1461
00:58:53,670 --> 00:58:52,880
psychiatrists and psychologists also i

1462
00:58:58,390 --> 00:58:53,680
have read

1463
00:59:00,789 --> 00:58:58,400

have said that sometimes a person is

1464

00:59:02,470 --> 00:59:00,799

almost euphoric before a suicide because

1465

00:59:04,309 --> 00:59:02,480

they finally made that decision

1466

00:59:06,950 --> 00:59:04,319

they're going to end themselves and all

1467

00:59:08,950 --> 00:59:06,960

that pain so they're almost

1468

00:59:10,630 --> 00:59:08,960

i don't want to say joyful but you know

1469

00:59:13,430 --> 00:59:10,640

it's morbid but

1470

00:59:16,150 --> 00:59:13,440

they're relieved and they're appear to

1471

00:59:21,829 --> 00:59:16,160

be in good spirits right before suicide

1472

00:59:25,510 --> 00:59:24,870

aj says this is a very good follow-up on

1473

00:59:27,430 --> 00:59:25,520

the first

1474

00:59:28,789 --> 00:59:27,440

mark mccandless show thank you i wanted

1475

00:59:31,510 --> 00:59:28,799

to do this

1476

00:59:33,510 --> 00:59:31,520

you know i kind of had a run with the

1477

00:59:36,390 --> 00:59:33,520

with the other story knowing that

1478

00:59:37,270 --> 00:59:36,400

i had to do this work to get to the real

1479

00:59:39,430 --> 00:59:37,280

truth

1480

00:59:42,150 --> 00:59:39,440

of the story and that would take some

1481

00:59:44,230 --> 00:59:42,160

time so i figured we would do a part two

1482

00:59:46,150 --> 00:59:44,240

if the coroner's report comes in i may

1483

00:59:47,430 --> 00:59:46,160

do a quick part three just to update

1484

00:59:49,750 --> 00:59:47,440

everybody and i'm sure that

1485

00:59:50,950 --> 00:59:49,760

it is going to come in i want to thank

1486

00:59:53,270 --> 00:59:50,960

the mail shasta

1487

00:59:54,710 --> 00:59:53,280

coroner's office and the reading police

1488

00:59:56,789 --> 00:59:54,720

department

1489

00:59:58,789 --> 00:59:56,799

the fbi field office in redding

1490

01:00:00,630 --> 00:59:58,799

california and the people responding to

1491

01:00:04,950 --> 01:00:00,640

press inquiries both at the

1492

01:00:07,430 --> 01:00:04,960

fbi uh press office in washington dc

1493

01:00:08,230 --> 01:00:07,440

and those other entities i mentioned

1494

01:00:11,270 --> 01:00:08,240

which was

1495

01:00:13,270 --> 01:00:11,280

uh the cia the dea and the atf all

1496

01:00:15,190 --> 01:00:13,280

were very nice to me and forthcoming

1497

01:00:18,630 --> 01:00:15,200

with information to help me cover this

1498

01:00:22,309 --> 01:00:20,549

yeah this is a good thing to share nami

1499

01:00:24,390 --> 01:00:22,319

is a tremendous resources for all who

1500

01:00:25,990 --> 01:00:24,400

have lost loved ones to suicide

1501

01:00:30,150 --> 01:00:26,000

or have a loved one suffering from

1502

01:00:33,430 --> 01:00:32,309

anna asks did you by any chance request

1503

01:00:35,990 --> 01:00:33,440

a comment from

1504

01:00:37,670 --> 01:00:36,000

uh joseph pifrell via email no but i'm

1505

01:00:39,750 --> 01:00:37,680

going to send him this and request a

1506

01:00:42,950 --> 01:00:39,760

comment for a part three i suppose

1507

01:00:44,630 --> 01:00:42,960

i did tweet at him and invite him on to

1508

01:00:46,950 --> 01:00:44,640

the show and i did

1509

01:00:48,390 --> 01:00:46,960

i believe email robert morningstar and

1510

01:00:51,190 --> 01:00:48,400

invite him on to the show

1511

01:00:52,710 --> 01:00:51,200

neither replied uh but i will follow up

1512

01:00:55,270 --> 01:00:52,720

with mr pharrell because i

1513

01:00:56,230 --> 01:00:55,280

you know i think he's probably i think

1514

01:00:58,870 --> 01:00:56,240

they'd probably

1515

01:01:00,390 --> 01:00:58,880

really like to know that he's posted

1516

01:01:03,430 --> 01:01:00,400

complete and total

1517

01:01:06,069 --> 01:01:03,440

[h__\h] on his blog that's not real

1518

01:01:08,549 --> 01:01:06,079

uh i don't think he would want to keep

1519

01:01:11,349 --> 01:01:08,559

absolutely false information

1520

01:01:14,870 --> 01:01:11,359

on a website that he wrote right on a

1521

01:01:18,630 --> 01:01:17,109

yeah and mark uh sixth sense is kind

1522

01:01:20,549 --> 01:01:18,640

enough to share a really great

1523

01:01:22,069 --> 01:01:20,559

resource there's a facebook group of

1524

01:01:24,549 --> 01:01:22,079

mark mccandlish

1525

01:01:26,309 --> 01:01:24,559

illustrations and awesome artwork i got

1526

01:01:29,750 --> 01:01:26,319

a chance to look at that

1527

01:01:30,549 --> 01:01:29,760

uh earlier last week and uh his artwork

1528

01:01:32,950 --> 01:01:30,559

is amazing

1529

01:01:34,150 --> 01:01:32,960

he will be mark will be sadly missed by

1530

01:01:36,829 --> 01:01:34,160

many i'm sorry

1531

01:01:38,309 --> 01:01:36,839

at this i'm really sorry that this

1532

01:01:40,150 --> 01:01:38,319

happened

1533

01:01:41,510 --> 01:01:40,160

yeah if you're in the united states

1534

01:01:43,430 --> 01:01:41,520

texting 741

1535

01:01:45,430 --> 01:01:43,440

741 if you're feeling hopeless will

1536

01:01:47,030 --> 01:01:45,440

connect you to a support

1537

01:01:48,870 --> 01:01:47,040

yeah there's and there's the suicide

1538

01:01:50,470 --> 01:01:48,880

prevention hotline please if you're

1539

01:01:53,750 --> 01:01:50,480

feeling depressed or you're feeling

1540

01:01:55,829 --> 01:01:53,760

desperate don't do anything desperate or

1541

01:01:57,910 --> 01:01:55,839

you know don't please don't hurt

1542

01:01:59,430 --> 01:01:57,920

yourself please contact there's help out

1543

01:02:01,190 --> 01:01:59,440

there available there's always somebody

1544

01:02:02,230 --> 01:02:01,200

that you can reach out to people really

1545

01:02:05,430 --> 01:02:02,240

do care

1546

01:02:07,109 --> 01:02:05,440

about you regardless of your situation

1547

01:02:10,470 --> 01:02:07,119

or why you're feeling this way

1548

01:02:12,789 --> 01:02:10,480

please reach out to somebody for help

1549

01:02:14,309 --> 01:02:12,799

most especially reach out to a mental

1550

01:02:15,029 --> 01:02:14,319

health professional if you're feeling

1551

01:02:19,029 --> 01:02:15,039

this way

1552

01:02:20,390 --> 01:02:19,039

please don't do anything drastic so uh

1553

01:02:22,150 --> 01:02:20,400

yeah i want to thank everybody for

1554

01:02:23,829 --> 01:02:22,160

joining us tonight and we're going to

1555

01:02:26,870 --> 01:02:23,839

call this a short one tonight

1556

01:02:27,349 --> 01:02:26,880

i i really don't have anything more to

1557

01:02:29,829 --> 01:02:27,359

share

1558

01:02:31,750 --> 01:02:29,839

right now now once we receive the

1559

01:02:33,430 --> 01:02:31,760

coroner's report from the coroner they

1560

01:02:35,990 --> 01:02:33,440

promised me that they would be emailing

1561

01:02:39,349 --> 01:02:36,000

it to me in pdf form

1562

01:02:41,349 --> 01:02:39,359

we may revisit this topic and

1563

01:02:42,950 --> 01:02:41,359

share some more information but i think

1564

01:02:46,789 --> 01:02:42,960

that we've pretty much covered it

1565

01:02:47,510 --> 01:02:46,799

right mk says i had to reach out the

1566

01:02:49,589 --> 01:02:47,520

other day it's

1567

01:02:51,029 --> 01:02:49,599

it's an awful feeling well i'm sorry

1568

01:02:53,510 --> 01:02:51,039

that you're feeling that way

1569

01:02:54,950 --> 01:02:53,520

buddy i hope that you uh got some help

1570

01:02:57,430 --> 01:02:54,960

and i hope that you're feeling better

1571

01:03:00,710 --> 01:02:57,440

and will continue to feel better

1572

01:03:02,230 --> 01:03:00,720

you know uh i've been uh at various

1573

01:03:04,069 --> 01:03:02,240

times in my life i've been

1574

01:03:05,910 --> 01:03:04,079

really depressed and feeling at rock

1575

01:03:08,710 --> 01:03:05,920

bottom but uh

1576

01:03:10,870 --> 01:03:08,720

so i can definitely empathize with your

1577

01:03:14,309 --> 01:03:10,880

situation and understand

1578

01:03:16,789 --> 01:03:14,319

and uh have sympathy for you for sure

1579

01:03:20,630 --> 01:03:16,799

you know i hope that you feel better

1580

01:03:23,910 --> 01:03:22,630

okay insurance says this reminds me of

1581

01:03:25,829 --> 01:03:23,920

the death of phil schneider's death

1582

01:03:27,670 --> 01:03:25,839

apparently suicide but the conspiracy

1583

01:03:30,069 --> 01:03:27,680

community think it was murder yeah and

1584

01:03:31,750 --> 01:03:30,079

there's another case phil schneider had

1585

01:03:33,829 --> 01:03:31,760

a strange

1586

01:03:35,670 --> 01:03:33,839

mental condition where he would mutilate

1587

01:03:37,829 --> 01:03:35,680

himself so that's where his cut off

1588

01:03:40,470 --> 01:03:37,839

fingers came from that he used as his

1589

01:03:42,230 --> 01:03:40,480

ufo prover maneuver he would show his

1590

01:03:44,390 --> 01:03:42,240

mangled fingers and say

1591

01:03:46,470 --> 01:03:44,400

the aliens shot me with a ray gun but it

1592

01:03:48,710 --> 01:03:46,480

turned out that he had

1593

01:03:49,670 --> 01:03:48,720

a mental condition where he would cut

1594

01:03:52,549 --> 01:03:49,680

his own

1595

01:03:53,829 --> 01:03:52,559

body parts off and mutilate himself and

1596

01:03:56,230 --> 01:03:53,839

that has been proven

1597

01:03:58,069 --> 01:03:56,240

by the way by joseph uh joe from the

1598

01:04:00,549 --> 01:03:58,079

carolinas he did an incredible

1599

01:04:02,390 --> 01:04:00,559

story on uh phil schneider that

1600

01:04:05,589 --> 01:04:02,400

completely debunks phil schneider as

1601
01:04:07,670 --> 01:04:05,599
being anything near credible it turns

1602
01:04:11,349 --> 01:04:07,680
out he was a mental case

1603
01:04:12,789 --> 01:04:11,359
really annabelle says tens of millions

1604
01:04:14,470 --> 01:04:12,799
of americans suffer from depression

1605
01:04:16,470 --> 01:04:14,480
that's not nearly enough to safely

1606
01:04:19,190 --> 01:04:16,480
conclude suicide but it's one hell of a

1607
01:04:21,990 --> 01:04:19,200
vector to engineer being suicide

1608
01:04:23,109 --> 01:04:22,000
yeah uh you know i'm gonna just agree to

1609
01:04:27,190 --> 01:04:23,119
disagree with you

1610
01:04:29,029 --> 01:04:27,200
you know i think we've uh

1611
01:04:30,470 --> 01:04:29,039
i think that we've covered the story and

1612
01:04:32,630 --> 01:04:30,480
the facts are the facts

1613
01:04:33,910 --> 01:04:32,640

you know we could speculate all that we

1614

01:04:37,190 --> 01:04:33,920

want

1615

01:04:39,589 --> 01:04:37,200

um but i don't think that that is

1616

01:04:40,870 --> 01:04:39,599

very kind to the memory of mr mccandlish

1617

01:04:43,510 --> 01:04:40,880

to to speculate

1618

01:04:45,430 --> 01:04:43,520

like that and and i trust the judgment

1619

01:04:47,430 --> 01:04:45,440

of the police officers in the coroner i

1620

01:04:51,109 --> 01:04:47,440

spoke with earlier

1621

01:04:53,190 --> 01:04:51,119

uh today and earlier this past uh

1622

01:04:54,150 --> 01:04:53,200

last week late in the week i talked to

1623

01:04:58,069 --> 01:04:54,160

them

1624

01:04:58,950 --> 01:04:58,079

so we can agree to disagree maximilian

1625

01:05:01,190 --> 01:04:58,960

says that

1626

01:05:02,789 --> 01:05:01,200

yep schneider was a nut job yes

1627

01:05:05,430 --> 01:05:02,799

apparently

1628

01:05:06,630 --> 01:05:05,440

mk says it passed thank you and i

1629

01:05:09,670 --> 01:05:06,640

appreciate those

1630

01:05:10,470 --> 01:05:09,680

uh words and six cents is kindly sharing

1631

01:05:12,349 --> 01:05:10,480

where you can

1632

01:05:13,910 --> 01:05:12,359

email us which is

1633

01:05:16,950 --> 01:05:13,920

truthseekershow.gmail.com

1634

01:05:18,630 --> 01:05:16,960

and you can follow uh me on twitter

1635

01:05:20,829 --> 01:05:18,640

that's the best place to know if we're

1636

01:05:22,309 --> 01:05:20,839

doing a show is to follow me on twitter

1637

01:05:25,109 --> 01:05:22,319

so uh

1638

01:05:25,910 --> 01:05:25,119

yeah i know i want to thank sixth sense

1639

01:05:27,990 --> 01:05:25,920

for uh

1640

01:05:30,069 --> 01:05:28,000

doing the moderator gig so well and

1641

01:05:31,829 --> 01:05:30,079

helping us out in the live chat

1642

01:05:34,630 --> 01:05:31,839

and thank the other moderators that are

1643

01:05:36,870 --> 01:05:34,640

here i want to

1644

01:05:39,109 --> 01:05:36,880

oh there's one other thing i forgot to

1645

01:05:41,109 --> 01:05:39,119

do okay so let me

1646

01:05:43,910 --> 01:05:41,119

let me do this other thing because it

1647

01:05:47,589 --> 01:05:43,920

appears that

1648

01:05:49,190 --> 01:05:47,599

let me see okay so

1649

01:05:51,510 --> 01:05:49,200

it's important that people realize that

1650

01:05:54,630 --> 01:05:51,520

i that i read and call out

1651
01:05:54,950 --> 01:05:54,640
every super chat and thank everybody who

1652
01:05:58,309 --> 01:05:54,960
sent

1653
01:06:01,589 --> 01:05:58,319
super chat and uh

1654
01:06:04,789 --> 01:06:01,599
yesterday somehow uh i believe

1655
01:06:06,870 --> 01:06:04,799
that fraps app made two

1656
01:06:08,470 --> 01:06:06,880
super chat donations two super chat

1657
01:06:11,349 --> 01:06:08,480
donations of ten dollars

1658
01:06:12,710 --> 01:06:11,359
each and i it was right at the end of

1659
01:06:14,069 --> 01:06:12,720
the stream he must have did it or

1660
01:06:15,589 --> 01:06:14,079
something like that because i somehow

1661
01:06:16,789 --> 01:06:15,599
missed it so i just want to recognize

1662
01:06:19,750 --> 01:06:16,799
him and thank him

1663
01:06:21,510 --> 01:06:19,760

for his kind and generous uh super chat

1664

01:06:22,789 --> 01:06:21,520
and read his comments fraps at

1665

01:06:24,309 --> 01:06:22,799
the first comment he says those

1666

01:06:25,990 --> 01:06:24,319
interviews are gems and are worth the

1667

01:06:27,829 --> 01:06:26,000
price of any general admission ticket at

1668

01:06:28,630 --> 01:06:27,839
any theater anywhere this was a platform

1669

01:06:30,230 --> 01:06:28,640
to hear them

1670

01:06:32,470 --> 01:06:30,240
stephen keep up the great work the

1671

01:06:34,150 --> 01:06:32,480
second comment was this show is called

1672

01:06:35,910 --> 01:06:34,160
truth seekers

1673

01:06:37,270 --> 01:06:35,920
that shows cambium is seeking the truth

1674

01:06:38,710 --> 01:06:37,280
with a flare for the dramatic a

1675

01:06:40,630 --> 01:06:38,720
skeptical approach

1676

01:06:42,470 --> 01:06:40,640

is highly funny and entertaining is he

1677

01:06:46,069 --> 01:06:42,480

controversial

1678

01:06:47,670 --> 01:06:46,079

yo monetize so thank you very much

1679

01:06:49,750 --> 01:06:47,680

and thank our super chat donators

1680

01:06:52,069 --> 01:06:49,760

tonight which was ann shirashi

1681

01:06:53,829 --> 01:06:52,079

melisa and jessica hill your kindness

1682

01:06:56,230 --> 01:06:53,839

your generosity and your support is very

1683

01:06:59,670 --> 01:06:56,240

much appreciated

1684

01:07:01,430 --> 01:06:59,680

okay so uh but i i do want to point out

1685

01:07:01,910 --> 01:07:01,440

that we're at an hour and six minutes

1686

01:07:04,950 --> 01:07:01,920

and i

1687

01:07:07,430 --> 01:07:04,960

have yet to ask for any money uh

1688

01:07:09,270 --> 01:07:07,440

so if anybody tells you that i spend 45

1689

01:07:11,750 --> 01:07:09,280

percent oh there's reem c

1690

01:07:13,270 --> 01:07:11,760

uh if anybody tells you that i spend 45

1691

01:07:15,270 --> 01:07:13,280

minutes or 45

1692

01:07:17,109 --> 01:07:15,280

of my show and then i was equally

1693

01:07:18,710 --> 01:07:17,119

offended by brandon young who said well

1694

01:07:22,230 --> 01:07:18,720

it's about 25

1695

01:07:24,630 --> 01:07:22,240

maybe it's not 45 no no

1696

01:07:26,309 --> 01:07:24,640

but generally i will tell everybody

1697

01:07:29,670 --> 01:07:26,319

where they could support us for

1698

01:07:32,710 --> 01:07:29,680

you know three four five minutes once in

1699

01:07:34,390 --> 01:07:32,720

a two-hour stream or an hour stream

1700

01:07:36,470 --> 01:07:34,400

the math doesn't add up but people are

1701

01:07:39,270 --> 01:07:36,480

going to say what they're going to say

1702

01:07:40,710 --> 01:07:39,280

uh reemsie said i didn't notice you have

1703

01:07:42,710 --> 01:07:40,720

super chats here is one and thank

1704

01:07:45,430 --> 01:07:42,720

greensee for your kind and generous

1705

01:07:46,710 --> 01:07:45,440

five dollar donation you really do help

1706

01:07:49,190 --> 01:07:46,720

uh

1707

01:07:50,630 --> 01:07:49,200

you really do help keep the show going

1708

01:07:52,549 --> 01:07:50,640

and i appreciate your kindness your

1709

01:07:54,829 --> 01:07:52,559

generosity and support very much grief

1710

01:07:58,470 --> 01:07:54,839

see friend of the show

1711

01:08:00,309 --> 01:07:58,480

amazing amazing archive asks is there a

1712

01:08:01,510 --> 01:08:00,319

discord or telegram group for this

1713

01:08:04,789 --> 01:08:01,520

channel thanks guys

1714

01:08:07,270 --> 01:08:04,799

uh actually i'm in the midst i just

1715

01:08:08,950 --> 01:08:07,280

i just realized you know what we should

1716

01:08:11,910 --> 01:08:08,960

have we should have a discord

1717

01:08:13,750 --> 01:08:11,920

uh chat and i'm setting it up this week

1718

01:08:15,430 --> 01:08:13,760

actually now that you mention it i will

1719

01:08:18,309 --> 01:08:15,440

post links in the description

1720

01:08:19,910 --> 01:08:18,319

of the videos going forward as soon as

1721

01:08:24,309 --> 01:08:19,920

is it available

1722

01:08:27,829 --> 01:08:24,319

um yeah and thanks six senses uh

1723

01:08:33,189 --> 01:08:30,950

is saying uh where you can get the truth

1724

01:08:34,229 --> 01:08:33,199

seekers audio podcast links on speaker

1725

01:08:36,309 --> 01:08:34,239

we're now available

1726

01:08:37,590 --> 01:08:36,319

anywhere you get your audio podcasts and

1727

01:08:40,789 --> 01:08:37,600

i want to invite you

1728

01:08:44,630 --> 01:08:40,799

really if you are listening to us in

1729

01:08:47,189 --> 01:08:44,640

the uh audio podcast land please do

1730

01:08:49,030 --> 01:08:47,199

find us on youtube just search for truth

1731

01:08:51,030 --> 01:08:49,040

seekers and look for that

1732

01:08:52,390 --> 01:08:51,040

weird looking guy with the sunglasses

1733

01:08:54,149 --> 01:08:52,400

and the dark hair

1734

01:08:56,709 --> 01:08:54,159

that would be me your host stephen

1735

01:08:57,910 --> 01:08:56,719

campbell you are most welcome here we do

1736

01:09:00,550 --> 01:08:57,920

a live chat

1737

01:09:01,749 --> 01:09:00,560

with every live broadcast that we do you

1738

01:09:05,349 --> 01:09:01,759

two can take part

1739

01:09:05,990 --> 01:09:05,359

in the uh you too can take part in the

1740

01:09:07,749 --> 01:09:06,000

live chat

1741

01:09:09,910 --> 01:09:07,759

and the discussion we love the

1742

01:09:12,950 --> 01:09:09,920

interaction the audience interactions we

1743

01:09:16,070 --> 01:09:12,960

we love you guys coming here uh

1744

01:09:17,430 --> 01:09:16,080

to do this with us and reemsey mentions

1745

01:09:19,269 --> 01:09:17,440

if i didn't take my medicine for

1746

01:09:19,990 --> 01:09:19,279

depression i might become suicidal i

1747

01:09:21,590 --> 01:09:20,000

think it's important

1748

01:09:23,749 --> 01:09:21,600

to take medicine for depression if you

1749

01:09:25,590 --> 01:09:23,759

need it and it helps you yes and i said

1750

01:09:26,630 --> 01:09:25,600

earlier see that if anybody's feeling

1751

01:09:29,030 --> 01:09:26,640

hopeless or

1752

01:09:30,550 --> 01:09:29,040

desperate or really depressed they

1753

01:09:31,990 --> 01:09:30,560

really should seek out the help of a

1754

01:09:34,309 --> 01:09:32,000

mental health professional who could

1755

01:09:37,510 --> 01:09:34,319

help them with medication or counseling

1756

01:09:40,950 --> 01:09:37,520

or whatever to improve their situation

1757

01:09:42,789 --> 01:09:40,960

um yeah and

1758

01:09:44,630 --> 01:09:42,799

v says to greensee thanks for saying

1759

01:09:45,990 --> 01:09:44,640

that publicly tonight see the brain can

1760

01:09:48,229 --> 01:09:46,000

be slick just

1761

01:09:51,030 --> 01:09:48,239

sick just like the heart or liver yeah i

1762

01:09:52,630 --> 01:09:51,040

truly believe that

1763

01:09:54,630 --> 01:09:52,640

she says i've dealt with depression for

1764

01:09:57,990 --> 01:09:54,640

many years i finally found medicine

1765

01:10:00,790 --> 01:09:58,000

called soul off that worked for me

1766

01:10:03,270 --> 01:10:00,800

yeah and shout out to genocide i see

1767

01:10:07,189 --> 01:10:03,280

genocide in the live chat

1768

01:10:08,550 --> 01:10:07,199

uh let's see amazing archive says true

1769

01:10:10,229 --> 01:10:08,560

seekers great stuff would recommend

1770

01:10:11,910 --> 01:10:10,239

telegram as well very active

1771

01:10:14,709 --> 01:10:11,920

yeah i'm gonna look into that maybe

1772

01:10:17,430 --> 01:10:14,719

we'll have both but i kind of think

1773

01:10:18,950 --> 01:10:17,440

dumping both on people at this at the

1774

01:10:20,630 --> 01:10:18,960

same time maybe we'll start with the

1775

01:10:23,110 --> 01:10:20,640

discord server and see how people like

1776

01:10:26,790 --> 01:10:23,120

that and if not we'll go to telegram

1777

01:10:28,790 --> 01:10:26,800

uh or we'll do telegram in addition

1778

01:10:30,709 --> 01:10:28,800

melisa says a discord would be awesome

1779

01:10:32,709 --> 01:10:30,719

please do i tell you i'm working on it

1780

01:10:35,189 --> 01:10:32,719

this week i will have links for you

1781

01:10:36,550 --> 01:10:35,199

as soon as possible as soon as possible

1782

01:10:39,189 --> 01:10:36,560

i will have the links

1783

01:10:41,110 --> 01:10:39,199

for you uh it would be my pleasure i'd

1784

01:10:42,470 --> 01:10:41,120

like to have this discord chat server

1785

01:10:43,189 --> 01:10:42,480

and then even when we're not doing a

1786

01:10:44,790 --> 01:10:43,199

show

1787

01:10:47,669 --> 01:10:44,800

some of our community can get together

1788

01:10:54,470 --> 01:10:47,679

and and you know just

1789

01:10:59,270 --> 01:10:57,430

okay boy i don't know how i'm going to

1790

01:11:02,870 --> 01:10:59,280

try to pronounce this

1791

01:11:05,510 --> 01:11:02,880

gagging often it kite is that right

1792

01:11:06,149 --> 01:11:05,520

gigging off and hit it's kite he must be

1793

01:11:09,510 --> 01:11:06,159

german

1794

01:11:11,270 --> 01:11:09,520

jeez it's always amazing to me and

1795

01:11:12,870 --> 01:11:11,280

i try to remind myself that we have an

1796

01:11:14,149 --> 01:11:12,880

international audience here but every

1797

01:11:15,669 --> 01:11:14,159

once in a while somebody with the name

1798

01:11:18,950 --> 01:11:15,679

like yours

1799

01:11:20,310 --> 01:11:18,960

gigan often licked kite reminds me that

1800

01:11:23,910 --> 01:11:20,320

we do have an international

1801
01:11:25,110 --> 01:11:23,920
audience and and he they say definitely

1802
01:11:27,590 --> 01:11:25,120
tell green

1803
01:11:28,149 --> 01:11:27,600
telegram needs same conspiracy-minded

1804
01:11:30,070 --> 01:11:28,159
channels

1805
01:11:31,510 --> 01:11:30,080
i'm going to look right into them and

1806
01:11:33,830 --> 01:11:31,520
joan aside i got

1807
01:11:34,630 --> 01:11:33,840
listen genocide here's what i decide i'm

1808
01:11:36,390 --> 01:11:34,640
going to do

1809
01:11:38,470 --> 01:11:36,400
people are saying that i spend 45

1810
01:11:40,149 --> 01:11:38,480
percent of my show asking for money

1811
01:11:41,510 --> 01:11:40,159
so what i'm going to do is i'm going to

1812
01:11:43,030 --> 01:11:41,520
go through my shows

1813
01:11:45,590 --> 01:11:43,040

and i'm going to count up how many

1814

01:11:48,149 --> 01:11:45,600

minutes the previous shows and i'm going

1815

01:11:51,590 --> 01:11:48,159

to count up how many minutes i spend

1816

01:11:53,270 --> 01:11:51,600

asking for money versus you know

1817

01:11:55,669 --> 01:11:53,280

how many minutes the show is and then

1818

01:11:58,229 --> 01:11:55,679

i'm going to make charts and graphs

1819

01:12:00,390 --> 01:11:58,239

to show that no i don't spend 45 minutes

1820

01:12:02,229 --> 01:12:00,400

asking for money

1821

01:12:04,149 --> 01:12:02,239

you know like we could show a percentage

1822

01:12:05,910 --> 01:12:04,159

like no no i only spent three percent

1823

01:12:07,350 --> 01:12:05,920

of this show asking for money or one

1824

01:12:08,950 --> 01:12:07,360

percent right

1825

01:12:10,950 --> 01:12:08,960

i don't know what you know i gotta work

1826

01:12:12,950 --> 01:12:10,960

it out but i do i'm telling you i'm

1827

01:12:15,350 --> 01:12:12,960

gonna have some slides for you i promise

1828

01:12:17,830 --> 01:12:15,360

you i'll do it

1829

01:12:20,390 --> 01:12:17,840

if not about that maybe something else i

1830

01:12:22,070 --> 01:12:20,400

do have a slide presentation on roswell

1831

01:12:23,110 --> 01:12:22,080

from alien scientist i'm going to ask

1832

01:12:25,270 --> 01:12:23,120

him if i could share it

1833

01:12:26,149 --> 01:12:25,280

just so you finally get your slides bro

1834

01:12:27,510 --> 01:12:26,159

and uh

1835

01:12:29,350 --> 01:12:27,520

you know i kind of gave up on the

1836

01:12:30,470 --> 01:12:29,360

multiple camera angles for right now but

1837

01:12:32,229 --> 01:12:30,480

we are going to put it in

1838

01:12:34,070 --> 01:12:32,239

i just think i wanted to keep things

1839

01:12:38,510 --> 01:12:34,080

simple for a while until i get it all

1840

01:12:42,950 --> 01:12:41,750

fgrf72 mentioning see i don't have to

1841

01:12:45,030 --> 01:12:42,960

ask for money

1842

01:12:47,189 --> 01:12:45,040

my users and then the people in the live

1843

01:12:48,390 --> 01:12:47,199

chat do it for me f great 72 reminding

1844

01:12:49,990 --> 01:12:48,400

people folks

1845

01:12:51,590 --> 01:12:50,000

you can all find truth seekers stephen

1846

01:12:53,590 --> 01:12:51,600

campbell on patreon

1847

01:12:55,189 --> 01:12:53,600

look now do it yeah thanks for

1848

01:12:57,030 --> 01:12:55,199

encouraging people to do so yeah and you

1849

01:12:58,790 --> 01:12:57,040

can support me on patreon so that's the

1850

01:13:00,470 --> 01:12:58,800

first time i've mentioned

1851

01:13:02,550 --> 01:13:00,480

that people can send me money and we're

1852

01:13:06,070 --> 01:13:02,560

an hour and 13 minutes in

1853

01:13:07,270 --> 01:13:06,080

so sure not 45 and sure not 25

1854

01:13:09,189 --> 01:13:07,280

but i don't know if they got their

1855

01:13:12,229 --> 01:13:09,199

calculators out to try to come up with

1856

01:13:15,110 --> 01:13:12,239

these numbers i don't care

1857

01:13:16,950 --> 01:13:15,120

and it's interesting oh i got blurry

1858

01:13:19,189 --> 01:13:16,960

like bigfoot

1859

01:13:20,790 --> 01:13:19,199

it's interesting that people are going

1860

01:13:23,110 --> 01:13:20,800

to there we go

1861

01:13:24,790 --> 01:13:23,120

people are going to uh you know if

1862

01:13:26,550 --> 01:13:24,800

somebody wants to slag on you they're

1863

01:13:28,310 --> 01:13:26,560

just going to find a reason so like we

1864

01:13:29,510 --> 01:13:28,320

could stop doing the tarot cards they're

1865

01:13:32,149 --> 01:13:29,520

going to find a new reason

1866

01:13:33,830 --> 01:13:32,159

that's i that's my prediction right if

1867

01:13:35,350 --> 01:13:33,840

we stop doing the tarot cards

1868

01:13:36,870 --> 01:13:35,360

they'll find a new reason to start

1869

01:13:40,310 --> 01:13:36,880

slagging me or

1870

01:13:42,709 --> 01:13:40,320

you know find perceived

1871

01:13:44,229 --> 01:13:42,719

grievances and complaints whether

1872

01:13:48,229 --> 01:13:44,239

they're real or imagined

1873

01:13:50,229 --> 01:13:48,239

you know i need to post my actual name

1874

01:13:52,470 --> 01:13:50,239

then it will break your tongue i don't

1875

01:13:54,149 --> 01:13:52,480

know about that i can roll my tongue you

1876

01:13:54,950 --> 01:13:54,159

got like a nice mexican girl named

1877

01:13:57,189 --> 01:13:54,960

melissa

1878

01:13:58,149 --> 01:13:57,199

i love the name elisa though i've never

1879

01:14:02,870 --> 01:13:58,159

heard that before

1880

01:14:06,390 --> 01:14:02,880

that's a great name yes sixes

1881

01:14:07,910 --> 01:14:06,400

success says live out loud dude you're a

1882

01:14:09,430 --> 01:14:07,920

character genocide yeah

1883

01:14:12,550 --> 01:14:09,440

he's been asking for slides for like a

1884

01:14:15,350 --> 01:14:12,560

week two two maybe two or three weeks

1885

01:14:17,830 --> 01:14:15,360

you know he's he's he's determined to

1886

01:14:19,110 --> 01:14:17,840

make me do a slide presentation and i'm

1887

01:14:22,470 --> 01:14:19,120

gonna do it for him

1888

01:14:23,990 --> 01:14:22,480

because that's what we do here annabelle

1889

01:14:25,510 --> 01:14:24,000

says thanks for pointing out the stephen

1890

01:14:28,870 --> 01:14:25,520

green artist begging on twitter

1891

01:14:29,750 --> 01:14:28,880

and about we have a parody of me in a

1892

01:14:32,709 --> 01:14:29,760

mask

1893

01:14:34,470 --> 01:14:32,719

made up like dr stephen greer and we

1894

01:14:36,630 --> 01:14:34,480

call it dr steven greed

1895

01:14:38,070 --> 01:14:36,640

uh look at our previous videos and if

1896

01:14:40,709 --> 01:14:38,080

you like that kind of content

1897

01:14:42,870 --> 01:14:40,719

please do like comment and subscribe

1898

01:14:45,910 --> 01:14:42,880

here you are most welcome

1899

01:14:47,189 --> 01:14:45,920

uh yeah ann says please don't even

1900

01:14:48,870 --> 01:14:47,199

bother with that now i'm not really

1901

01:14:51,270 --> 01:14:48,880

going to make slides about how much i do

1902

01:14:53,910 --> 01:14:51,280

that right

1903

01:14:55,830 --> 01:14:53,920

ramsay says i like roswell things yeah

1904

01:14:56,630 --> 01:14:55,840

and a genocide of course repeating his

1905

01:14:59,510 --> 01:14:56,640

mantra

1906

01:15:01,510 --> 01:14:59,520

he's he is determined to make me do

1907

01:15:02,550 --> 01:15:01,520

slides and make david wilcock grow a

1908

01:15:04,229 --> 01:15:02,560

mustache

1909

01:15:05,910 --> 01:15:04,239

he says david wilcock would look so cool

1910

01:15:09,590 --> 01:15:05,920

with the mustache and be more believable

1911

01:15:14,390 --> 01:15:12,390

yes and sharassi says i literally had to

1912

01:15:17,590 --> 01:15:14,400

answer the link to support the channel

1913

01:15:20,390 --> 01:15:17,600

yeah you know green she says blurry like

1914

01:15:23,030 --> 01:15:20,400

bigfoot makes me giggle

1915

01:15:23,990 --> 01:15:23,040

yeah and maybe that's what it is nobody

1916

01:15:25,750 --> 01:15:24,000

can get a clear photo

1917

01:15:27,830 --> 01:15:25,760

of bigfoot because he's just blurry what

1918

01:15:29,669 --> 01:15:27,840

if he's just blurry reem see

1919

01:15:31,669 --> 01:15:29,679

what if that's why all the photos of

1920

01:15:33,830 --> 01:15:31,679

bigfoot are blurry because

1921

01:15:37,189 --> 01:15:33,840

bigfoot is just a blurry guy what if

1922

01:15:39,030 --> 01:15:37,199

that's it he's just naturally blurry

1923

01:15:40,950 --> 01:15:39,040

mk says does david wilcock have a

1924

01:15:44,070 --> 01:15:40,960

mustache i don't recall that no

1925

01:15:47,430 --> 01:15:44,080

jonah side is that he keeps he's

1926

01:15:49,189 --> 01:15:47,440

for like a a long time now he keeps on

1927

01:15:51,590 --> 01:15:49,199

encouraging david wilcox to grow a

1928

01:15:53,430 --> 01:15:51,600

mustache because genocide believes

1929

01:15:56,870 --> 01:15:53,440

that it would make him look cooler and

1930

01:16:00,630 --> 01:15:56,880

more believable if he had a mustache

1931

01:16:05,110 --> 01:16:00,640

i am uh i am certainly

1932

01:16:12,390 --> 01:16:05,120

i think uh i think

1933

01:16:22,870 --> 01:16:17,110

yeah strange friends just bear with me a

1934

01:16:26,310 --> 01:16:24,630

every once in a while the phone chatters

1935

01:16:28,390 --> 01:16:26,320

and i think it's something important

1936

01:16:34,229 --> 01:16:28,400

and then it's somebody trying to sell me

1937

01:16:38,310 --> 01:16:36,310

ian bamberry is here and says david

1938

01:16:41,590 --> 01:16:38,320

wilcock is bringing out hover cars

1939

01:16:44,790 --> 01:16:41,600

look it up yeah i know

1940

01:16:46,870 --> 01:16:44,800

he's printing uh anti-gravity engine

1941

01:16:48,070 --> 01:16:46,880

prototypes on his new 3d printer that he

1942

01:16:49,910 --> 01:16:48,080

just got a few weeks ago

1943

01:16:51,750 --> 01:16:49,920

that's what he said on his stream well i

1944

01:16:53,669 --> 01:16:51,760

don't know that he said he's printing it

1945

01:16:55,750 --> 01:16:53,679

he said he's working he's printing

1946

01:16:58,229 --> 01:16:55,760

prototypes

1947

01:16:59,669 --> 01:16:58,239

uh on his stream because he just got a

1948

01:17:01,990 --> 01:16:59,679

new 3d printer

1949

01:17:03,350 --> 01:17:02,000

and as everybody knows all you got to do

1950

01:17:05,590 --> 01:17:03,360

to create any gener

1951

01:17:06,390 --> 01:17:05,600

any gravity generator is buy a 3d

1952

01:17:08,790 --> 01:17:06,400

printer

1953

01:17:10,470 --> 01:17:08,800

and you can make your own anti-gravity

1954

01:17:11,189 --> 01:17:10,480

engine apparently david wilcock knows

1955

01:17:12,870 --> 01:17:11,199

how

1956

01:17:14,630 --> 01:17:12,880

everybody should contact him get the

1957

01:17:18,149 --> 01:17:14,640

plans right get

1958

01:17:20,390 --> 01:17:18,159

get the 3d file if you have a 3d printer

1959

01:17:27,590 --> 01:17:20,400

and you too can print david wilcox hover

1960

01:17:31,590 --> 01:17:30,149

dripsy that's exactly what it was reefs

1961

01:17:33,270 --> 01:17:31,600

he says someone is calling you to tell

1962

01:17:35,910 --> 01:17:33,280

you the warranty on your car is about to

1963

01:17:37,590 --> 01:17:35,920

expire mine expires every day apparently

1964

01:17:40,910 --> 01:17:37,600

yes so does mine and i don't even have a

1965

01:17:42,709 --> 01:17:40,920

warranty on my car my car is old

1966

01:17:45,270 --> 01:17:42,719

[Music]

1967

01:17:47,669 --> 01:17:45,280

sixth sense says laugh out loud he's a

1968

01:17:51,669 --> 01:17:47,679

pro 3d printer artist in three weeks yes

1969

01:17:53,430 --> 01:17:51,679

yes he is yes he is you know

1970

01:17:55,189 --> 01:17:53,440

yeah so uh we're going to give we're

1971

01:17:56,790 --> 01:17:55,199

going to give some shout outs everybody

1972

01:17:59,110 --> 01:17:56,800

put in your country i notice people

1973

01:17:59,830 --> 01:17:59,120

doing that right in the live chat right

1974

01:18:01,590 --> 01:17:59,840

now

1975

01:18:03,510 --> 01:18:01,600

we're going to do the shout outs of

1976

01:18:05,990 --> 01:18:03,520

everybody in the live chat but please

1977

01:18:06,950 --> 01:18:06,000

put your country just write your country

1978

01:18:09,030 --> 01:18:06,960

and hit enter

1979

01:18:10,470 --> 01:18:09,040

this way we'll all know what country you

1980

01:18:11,510 --> 01:18:10,480

guys are from it's interesting that we

1981

01:18:13,910 --> 01:18:11,520

have such a

1982

01:18:15,750 --> 01:18:13,920

diverse and interesting international

1983

01:18:17,590 --> 01:18:15,760

audience it makes me excited to know

1984

01:18:19,270 --> 01:18:17,600

that there's somebody in australia

1985

01:18:20,630 --> 01:18:19,280

listening to me right now makes me

1986

01:18:21,990 --> 01:18:20,640

excited to know there's somebody in

1987

01:18:28,149 --> 01:18:22,000

england or

1988

01:18:32,070 --> 01:18:30,149

okay so here's some shout outs for those

1989

01:18:36,149 --> 01:18:32,080

in the live chat shout out to v

1990

01:18:37,590 --> 01:18:36,159

shout out to six cents f graph72

1991

01:18:39,189 --> 01:18:37,600

well i'm gonna have to say it again

1992

01:18:42,470 --> 01:18:39,199

shout out to giggin

1993

01:18:46,470 --> 01:18:42,480

often lick kite

1994

01:18:51,030 --> 01:18:46,480

you gotta pick a easier name for me bro

1995

01:18:53,350 --> 01:18:51,040

okay shout out to melissa uh

1996

01:18:54,550 --> 01:18:53,360

yeah and let's see shout out to

1997

01:18:58,229 --> 01:18:54,560

annabelle

1998

01:19:00,550 --> 01:18:58,239

gleick i mentioned f graph 72

1999

01:19:01,669 --> 01:19:00,560

shout out to v shout out to annabelle

2000

01:19:03,510 --> 01:19:01,679

gleick let's see

2001

01:19:05,030 --> 01:19:03,520

where where are we at here i'm i'm

2002

01:19:06,149 --> 01:19:05,040

totally losing track shout out to

2003

01:19:09,270 --> 01:19:06,159

amazing archive

2004

01:19:12,630 --> 01:19:09,280

shout out to maximilian robert boule

2005

01:19:14,870 --> 01:19:12,640

good to see you here uh

2006

01:19:17,910 --> 01:19:14,880

shout out to wanda ecker shout out to

2007

01:19:22,229 --> 01:19:17,920

ann shirashi shout out to aj

2008

01:19:26,310 --> 01:19:22,239

uh did i miss shout out to mk

2009

01:19:28,390 --> 01:19:26,320

and shout out to reemsey

2010

01:19:29,830 --> 01:19:28,400

shout out to loyal star good to see you

2011

01:19:34,830 --> 01:19:29,840

back here loyal star

2012

01:19:38,470 --> 01:19:34,840

good shout out to genocide and

2013

01:19:39,750 --> 01:19:38,480

uh shout out to melissa i got melissa

2014

01:19:44,709 --> 01:19:39,760

this is hard to do

2015

01:19:51,750 --> 01:19:48,070

and shout out to mac matt

2016

01:19:54,870 --> 01:19:51,760

good day from canada

2017

01:19:56,149 --> 01:19:54,880

jessica hill from the usa uh aj is from

2018

01:19:58,550 --> 01:19:56,159

australia

2019

01:20:00,790 --> 01:19:58,560

ian bamberry is from scotland the sixth

2020

01:20:02,310 --> 01:20:00,800

sense is from the usa i know these from

2021

01:20:04,630 --> 01:20:02,320

the usa

2022

01:20:06,390 --> 01:20:04,640

well actually she might be from venus

2023

01:20:14,550 --> 01:20:06,400

right

2024

01:20:18,470 --> 01:20:16,830

reemsey says i live in the united states

2025

01:20:20,950 --> 01:20:18,480

yes

2026

01:20:23,030 --> 01:20:20,960

so maximilian robert bellay says david

2027

01:20:24,950 --> 01:20:23,040

wilcock is the most credible man alive a

2028

01:20:26,790 --> 01:20:24,960

true renaissance man

2029

01:20:28,629 --> 01:20:26,800

boy i hope you're kidding we're being

2030

01:20:31,270 --> 01:20:28,639

sarcastic

2031

01:20:32,229 --> 01:20:31,280

maximilian robert boulet well he is you

2032

01:20:35,350 --> 01:20:32,239

know

2033

01:20:37,110 --> 01:20:35,360

a musician and a psychic and he's edgar

2034

01:20:40,149 --> 01:20:37,120

casey reincarnated he's an

2035

01:20:42,390 --> 01:20:40,159

expert on all things uh

2036

01:20:44,390 --> 01:20:42,400

ancient civilizations he's he's an

2037

01:20:46,070 --> 01:20:44,400

expert in archaeology he's an expert in

2038

01:20:47,270 --> 01:20:46,080

anthropology he's an expert in

2039

01:20:49,510 --> 01:20:47,280

spirituality

2040

01:20:52,310 --> 01:20:49,520

he's just an all-around expert always

2041

01:20:58,310 --> 01:20:53,830

no matter what he's talking about mr

2042

01:21:03,270 --> 01:21:01,350

yeah so friends uh you know that's

2043

01:21:04,310 --> 01:21:03,280

really all we have to share for tonight

2044

01:21:07,830 --> 01:21:04,320

so

2045

01:21:10,070 --> 01:21:07,840

uh i'm gonna bounce on out of here

2046

01:21:11,510 --> 01:21:10,080

i am always happy friends when there's

2047

01:21:14,550 --> 01:21:11,520

an audience

2048

01:21:15,030 --> 01:21:14,560

and i want to thank each and every one

2049

01:21:18,709 --> 01:21:15,040

of you

2050

01:21:20,950 --> 01:21:18,719

for joining us uh it really does

2051

01:21:22,550 --> 01:21:20,960

uh make me smile when i see so many

2052

01:21:24,390 --> 01:21:22,560

people from so many different countries

2053

01:21:25,669 --> 01:21:24,400

coming into the live chat and taking

2054

01:21:28,149 --> 01:21:25,679

part in the conversation

2055

01:21:29,750 --> 01:21:28,159

remember it's truth seekers i'm not here

2056

01:21:33,750 --> 01:21:29,760

to do this alone

2057

01:21:35,830 --> 01:21:33,760

i'm doing this with you so

2058

01:21:37,270 --> 01:21:35,840

you guys get to go along this journey

2059

01:21:40,550 --> 01:21:37,280

with me

2060

01:21:43,590 --> 01:21:40,560

you guys get to be a part of it so

2061

01:21:44,390 --> 01:21:43,600

friends uh i want to thank you all for

2062

01:21:45,510 --> 01:21:44,400

joining me

2063

01:21:47,030 --> 01:21:45,520

i'm always happy when there's an

2064

01:21:47,990 --> 01:21:47,040

audience thank you so much for being a

2065

01:21:49,750 --> 01:21:48,000

part of mine

2066

01:21:51,830 --> 01:21:49,760

thanks to all the super chat donators

2067

01:21:53,990 --> 01:21:51,840

thanks to the patreon

2068

01:21:55,350 --> 01:21:54,000

people you can sign up for patreon for

2069

01:21:57,270 --> 01:21:55,360

as little as a dollar a month

2070

01:21:58,790 --> 01:21:57,280

but i mentioned if you're in reduced

2071

01:22:00,550 --> 01:21:58,800

circumstances or

2072

01:22:03,669 --> 01:22:00,560

you're broke something's going on just

2073

01:22:05,030 --> 01:22:03,679

email me at truthseekershow@gmail.com if

2074

01:22:06,709 --> 01:22:05,040

you really like the show and would like

2075

01:22:08,470 --> 01:22:06,719

to receive the benefits

2076

01:22:10,070 --> 01:22:08,480

i realize that it's tough economy out

2077

01:22:12,229 --> 01:22:10,080

there would be happy to send any

2078

01:22:14,390 --> 01:22:12,239

fan of the show the benefits until the

2079

01:22:16,390 --> 01:22:14,400

situation improves indefinitely or

2080

01:22:18,870 --> 01:22:16,400

whatever

2081

01:22:21,590 --> 01:22:18,880

you know and i would hope that your

2082

01:22:24,870 --> 01:22:21,600

situation improves

2083

01:22:25,830 --> 01:22:24,880

but yeah we share all that we can on our

2084

01:22:28,229 --> 01:22:25,840

patreon i

2085

01:22:29,910 --> 01:22:28,239

yeah you know we do a monthly journal we

2086

01:22:30,709 --> 01:22:29,920

share behind the scenes photos and

2087

01:22:33,750 --> 01:22:30,719

videos

2088

01:22:35,510 --> 01:22:33,760

and and many other benefits like i'm

2089

01:22:36,950 --> 01:22:35,520

composing music again and i'll be

2090

01:22:38,070 --> 01:22:36,960

sharing some of those songs on our

2091

01:22:41,030 --> 01:22:38,080

patreon

2092

01:22:41,669 --> 01:22:41,040

thanks to anybody uh thanks to any and

2093

01:22:44,310 --> 01:22:41,679

all

2094

01:22:45,830 --> 01:22:44,320

people that donated through paypal we

2095

01:22:46,790 --> 01:22:45,840

really do appreciate it thanks to the

2096

01:22:50,390 --> 01:22:46,800

super chat

2097

01:22:52,149 --> 01:22:50,400

generosity and support of the show

2098

01:22:53,990 --> 01:22:52,159

really does matter

2099

01:22:56,070 --> 01:22:54,000

you make this show possible this is a

2100

01:22:58,070 --> 01:22:56,080

viewer supported show

2101

01:23:00,390 --> 01:22:58,080

so thank you guys for being in my

2102

01:23:02,550 --> 01:23:00,400

audience tonight it was my pleasure

2103

01:23:04,149 --> 01:23:02,560

to bring you bring you another show

2104

01:23:05,189 --> 01:23:04,159

until next time friends my name is

2105

01:23:20,710 --> 01:23:05,199

stephen champion

2106

01:24:29,700 --> 01:23:20,720

good night and god bless all

2107

01:24:31,070 --> 01:24:29,710

[Music]
