Camp Mabry, Austin, Texas. Texas Military Forces. FEMA Certified

1  
00:00:37,440 --> 00:00:27,500  
[Music]

2  
00:00:37,450 --> 00:00:42,030  
[Applause]

3  
00:03:58,949 --> 00:01:31,320  
[Music]

4  
00:04:05,110 --> 00:04:01,670  
greetings and salutations friends

5  
00:04:07,429 --> 00:04:05,120  
and welcome back we are uh

6  
00:04:09,350 --> 00:04:07,439  
here once again broadcasting from an

7  
00:04:12,630 --> 00:04:09,360  
apocalypse cabin somewhere

8  
00:04:14,229 --> 00:04:12,640  
in the mountains of pennsylvania and i

9  
00:04:15,350 --> 00:04:14,239  
just want to warn everyone that there's

10  
00:04:18,229 --> 00:04:15,360  
a thunderstorm

11  
00:04:20,310 --> 00:04:18,239  
uh which means that the stream may

12  
00:04:22,550 --> 00:04:20,320  
suddenly end

13  
00:04:23,510 --> 00:04:22,560

because quite often here when there's a

14

00:04:25,430 --> 00:04:23,520

thunderstorm

15

00:04:27,430 --> 00:04:25,440

something happens i don't know if a tree

16

00:04:30,469 --> 00:04:27,440

knocks a wire down in

17

00:04:33,590 --> 00:04:30,479

in the woods somewhere but

18

00:04:36,469 --> 00:04:33,600

uh it is very unreliable internet

19

00:04:37,670 --> 00:04:36,479

when it's raining or snowing i'm not

20

00:04:41,110 --> 00:04:37,680

sure why

21

00:04:43,030 --> 00:04:41,120

so just fair warning uh but yeah we're

22

00:04:46,150 --> 00:04:43,040

here at the apocalypse cabin

23

00:04:49,830 --> 00:04:46,160

i'm technically i'm supposed to be

24

00:04:52,790 --> 00:04:49,840

on vacation i guess right um

25

00:04:53,510 --> 00:04:52,800

for those unaware my birthday is monday

26  
00:04:56,550 --> 00:04:53,520  
and uh

27  
00:04:59,350 --> 00:04:56,560  
i think my wife wanted me to uh

28  
00:04:59,830 --> 00:04:59,360  
be able to get here and get some things

29  
00:05:02,710 --> 00:04:59,840  
done

30  
00:05:04,230 --> 00:05:02,720  
because uh there's a huge list of things

31  
00:05:07,350 --> 00:05:04,240  
that i have to finish

32  
00:05:08,550 --> 00:05:07,360  
here before my children start coming up

33  
00:05:12,230 --> 00:05:08,560  
next month

34  
00:05:14,790 --> 00:05:12,240  
and so uh yeah she's really really

35  
00:05:16,230 --> 00:05:14,800  
awesome because uh she's gonna be taking

36  
00:05:18,950 --> 00:05:16,240  
care of the children while i'm here

37  
00:05:22,150 --> 00:05:18,960  
trying to get some things done

38  
00:05:24,230 --> 00:05:22,160

um you can see my hair finished

39

00:05:25,350 --> 00:05:24,240

my hair finished door in the background

40

00:05:26,710 --> 00:05:25,360

there

41

00:05:28,870 --> 00:05:26,720

i've been finishing that door all

42

00:05:30,150 --> 00:05:28,880

forever i ran out of wood last week so i

43

00:05:33,270 --> 00:05:30,160

got some new wood

44

00:05:35,749 --> 00:05:33,280

i'm going to be finishing that door

45

00:05:37,430 --> 00:05:35,759

uh yeah my birthday is monday jade

46

00:05:44,310 --> 00:05:37,440

feather but thank you very much for

47

00:05:50,070 --> 00:05:47,430

ryan morphy richards is here and says

48

00:05:52,230 --> 00:05:50,080

who's on the s list tonight i mean that

49

00:05:55,029 --> 00:05:52,240

in a good way you cut through the yes

50

00:05:55,510 --> 00:05:55,039

yeah yeah and i also apologize for the

51  
00:05:58,870 --> 00:05:55,520  
late

52  
00:06:02,309 --> 00:05:58,880  
uh hour of the of this show

53  
00:06:03,909 --> 00:06:02,319  
i was driving here in pouring rain like

54  
00:06:07,510 --> 00:06:03,919  
raining cats and dogs

55  
00:06:10,070 --> 00:06:07,520  
and fox so bad that it appeared to be

56  
00:06:10,870 --> 00:06:10,080  
it appeared to be like i was driving

57  
00:06:14,309 --> 00:06:10,880  
through a crap

58  
00:06:16,469 --> 00:06:14,319  
a clown a cloud for the entire time i

59  
00:06:25,270 --> 00:06:16,479  
was here

60  
00:06:31,590 --> 00:06:29,510  
well yeah um so i

61  
00:06:32,950 --> 00:06:31,600  
i had a really tough time getting here

62  
00:06:35,029 --> 00:06:32,960  
it's usually about

63  
00:06:37,029 --> 00:06:35,039

a two-hour ride but today it was three

64

00:06:38,150 --> 00:06:37,039

hours and 30 minutes because as you can

65

00:06:41,590 --> 00:06:38,160

imagine

66

00:06:43,590 --> 00:06:41,600

when you are driving literally through

67

00:06:45,189 --> 00:06:43,600

clouds that's what it's like

68

00:06:46,790 --> 00:06:45,199

because we're way high up in a high

69

00:06:49,110 --> 00:06:46,800

elevation in the mountains

70

00:06:51,670 --> 00:06:49,120

here you know so the last half of the

71

00:06:53,830 --> 00:06:51,680

trip once i got to the mountain part

72

00:06:55,589 --> 00:06:53,840

it was dry it was like driving through

73

00:06:58,150 --> 00:06:55,599

clouds and uh

74

00:06:58,710 --> 00:06:58,160

and everybody had their high beams on

75

00:07:01,189 --> 00:06:58,720

and

76

00:07:02,550 --> 00:07:01,199

people were like flashing their lights

77

00:07:05,110 --> 00:07:02,560

at each other to shut the

78

00:07:05,909 --> 00:07:05,120

high beams off and uh everybody was

79

00:07:08,710 --> 00:07:05,919

driving

80

00:07:10,309 --> 00:07:08,720

like 25 miles an hour as i guess is

81

00:07:12,710 --> 00:07:10,319

understandable i'd rather drive

82

00:07:16,070 --> 00:07:12,720

everybody drive slow and nobody die

83

00:07:17,589 --> 00:07:16,080

in this crazy fog and that happens

84

00:07:19,430 --> 00:07:17,599

i don't know two or three times a year

85

00:07:21,270 --> 00:07:19,440

when i go to drive up here

86

00:07:22,790 --> 00:07:21,280

there's some kind of uh you know the the

87

00:07:24,710 --> 00:07:22,800

clouds are low

88

00:07:26,710 --> 00:07:24,720

to the ground or something usually

89

00:07:28,629 --> 00:07:26,720

related to storms you know

90

00:07:31,110 --> 00:07:28,639

so i had a real tough time getting here

91

00:07:31,589 --> 00:07:31,120

could not i didn't get here until after

92

00:07:35,029 --> 00:07:31,599

nine

93

00:07:38,390 --> 00:07:35,039

showtime i apologize

94

00:07:39,350 --> 00:07:38,400

um so everybody's been asking me to

95

00:07:44,150 --> 00:07:39,360

cover

96

00:07:46,550 --> 00:07:44,160

everybody's favorite space astro not

97

00:07:48,309 --> 00:07:46,560

corey good and for those just for the

98

00:07:49,350 --> 00:07:48,319

benefit i think everybody watching me

99

00:07:51,589 --> 00:07:49,360

knows who corey good

100

00:07:53,189 --> 00:07:51,599

is but for the benefit of anybody that

101  
00:07:54,469 --> 00:07:53,199  
doesn't know who he is corey good came

102  
00:07:57,990 --> 00:07:54,479  
onto the scene

103  
00:08:01,990 --> 00:07:58,000  
uh the conspiracy land ufo secret space

104  
00:08:04,390 --> 00:08:02,000  
program scene about six years ago now

105  
00:08:05,430 --> 00:08:04,400  
and told some fantastical stories about

106  
00:08:08,790 --> 00:08:05,440  
being

107  
00:08:12,950 --> 00:08:08,800  
a secret space program whistleblower

108  
00:08:15,510 --> 00:08:12,960  
right and this man time traveled

109  
00:08:16,629 --> 00:08:15,520  
and he fought draco reptilian aliens in

110  
00:08:19,350 --> 00:08:16,639  
space

111  
00:08:20,790 --> 00:08:19,360  
and he has superpowers he's an intuitive

112  
00:08:24,150 --> 00:08:20,800  
empath

113  
00:08:26,790 --> 00:08:24,160

and a council of aliens chose him

114

00:08:27,510 --> 00:08:26,800

out of everybody on earth to be earth's

115

00:08:32,310 --> 00:08:27,520

galactic

116

00:08:34,230 --> 00:08:32,320

ambassador and for about six years now

117

00:08:36,469 --> 00:08:34,240

mr corey goode has been telling

118

00:08:39,670 --> 00:08:36,479

fantastical space stories

119

00:08:42,870 --> 00:08:39,680

that he claims are real but in six years

120

00:08:44,870 --> 00:08:42,880

has not provided a single solitary shred

121

00:08:47,350 --> 00:08:44,880

of evidence that anything he talks about

122

00:08:49,990 --> 00:08:47,360

is real

123

00:08:52,150 --> 00:08:50,000

also uh interesting of note is that

124

00:08:54,630 --> 00:08:52,160

corey goode likes to sue people

125

00:08:56,630 --> 00:08:54,640

i i lost track i'm not sure how many

126

00:08:56,949 --> 00:08:56,640

people he's i think he's suing something

127

00:09:00,230 --> 00:08:56,959

like

128

00:09:03,910 --> 00:09:00,240

10 individuals and gaia corporation

129

00:09:05,990 --> 00:09:03,920

his former employer by the way

130

00:09:07,190 --> 00:09:06,000

he also uh made a great deal of

131

00:09:09,509 --> 00:09:07,200

accusations against

132

00:09:10,230 --> 00:09:09,519

another former employer of his so we can

133

00:09:14,630 --> 00:09:10,240

see that this

134

00:09:17,670 --> 00:09:14,640

fits the pattern of uh you know

135

00:09:20,070 --> 00:09:17,680

his pattern is to

136

00:09:22,150 --> 00:09:20,080

get fired or you know have problems at

137

00:09:24,630 --> 00:09:22,160

work and then start accusing

138

00:09:26,710 --> 00:09:24,640

his employer of all kinds of nefarious

139

00:09:29,350 --> 00:09:26,720

activities this is at least the second

140

00:09:32,389 --> 00:09:29,360

time it's happened that we know of

141

00:09:34,470 --> 00:09:32,399

famously corey goode didn't want anybody

142

00:09:36,070 --> 00:09:34,480

else to be on the tv show cosmic

143

00:09:37,350 --> 00:09:36,080

disclosure that he was on with david

144

00:09:40,470 --> 00:09:37,360

wilcock

145

00:09:41,590 --> 00:09:40,480

so he's uh boy there are new court

146

00:09:48,870 --> 00:09:41,600

documents

147

00:09:50,949 --> 00:09:48,880

uh among other people he's suing his

148

00:09:53,110 --> 00:09:50,959

former manager he's suing his former

149

00:09:54,230 --> 00:09:53,120

conference organizer he's suing his

150

00:09:56,790 --> 00:09:54,240

former

151

00:09:58,870 --> 00:09:56,800

uh well the manager was also his writer

152

00:10:00,710 --> 00:09:58,880

on cosmic disclosure and somebody needs

153

00:10:02,069 --> 00:10:00,720

to explain to me

154

00:10:04,069 --> 00:10:02,079

if you're supposed to be telling true

155

00:10:05,670 --> 00:10:04,079

stories about your life why do you need

156

00:10:08,790 --> 00:10:05,680

a writer

157

00:10:11,430 --> 00:10:08,800

but okay he's also

158

00:10:12,949 --> 00:10:11,440

suing a former business manager leon

159

00:10:15,110 --> 00:10:12,959

isaac kennedy

160

00:10:16,470 --> 00:10:15,120

who whose name you may recognize because

161

00:10:20,389 --> 00:10:16,480

for quite a while he was

162

00:10:24,470 --> 00:10:20,399

uh a well-known hollywood actor

163

00:10:26,470 --> 00:10:24,480

um yeah so he's suing everybody oh and

164

00:10:28,949 --> 00:10:26,480

he's also suing uh

165

00:10:31,030 --> 00:10:28,959

his former producer of the television

166

00:10:33,670 --> 00:10:31,040

show cosmic disclosure jay widener

167

00:10:34,150 --> 00:10:33,680

i'm so i i don't know why he's suing him

168

00:10:36,710 --> 00:10:34,160

except

169

00:10:37,670 --> 00:10:36,720

maybe because jay widener his own

170

00:10:39,670 --> 00:10:37,680

producer

171

00:10:41,590 --> 00:10:39,680

on that television show came out and

172

00:10:43,910 --> 00:10:41,600

said he's a complete total fraud and a

173

00:10:49,190 --> 00:10:46,710

and next let's see what's next he's also

174

00:10:50,550 --> 00:10:49,200

suing a lawyer from new jersey that some

175

00:10:53,030 --> 00:10:50,560

of my audience may be

176

00:10:53,910 --> 00:10:53,040

uh familiar with in the in the form of

177

00:10:57,509 --> 00:10:53,920

one

178

00:10:59,990 --> 00:10:57,519

cw chanter what did that guy do

179

00:11:01,910 --> 00:11:00,000

well corey goodwin on the internet and

180

00:11:03,990 --> 00:11:01,920

told all kinds of fantastic stories

181

00:11:06,470 --> 00:11:04,000

about being a time traveling buck rogers

182

00:11:07,990 --> 00:11:06,480

space hero and fighting reptilian aliens

183

00:11:10,550 --> 00:11:08,000

in space

184

00:11:12,829 --> 00:11:10,560

and some lawyer from new jersey had the

185

00:11:16,389 --> 00:11:12,839

audacity to go on the internet

186

00:11:19,350 --> 00:11:16,399

and cover every time this guy

187

00:11:21,430 --> 00:11:19,360

did a public appearance and pick it

188

00:11:21,829 --> 00:11:21,440

apart and talk about how ridiculous it

189

00:11:28,069 --> 00:11:21,839

is

190

00:11:31,190 --> 00:11:28,079

he got sued for it

191

00:11:32,069 --> 00:11:31,200

nothing says love and light nothing says

192

00:11:34,710 --> 00:11:32,079

love and light

193

00:11:36,389 --> 00:11:34,720

like suing somebody for exercising their

194

00:11:40,069 --> 00:11:36,399

right to free speech

195

00:11:41,670 --> 00:11:40,079

right yeah he's quite the character and

196

00:11:44,150 --> 00:11:41,680

so for six years now

197

00:11:45,269 --> 00:11:44,160

corey goode hasn't had a real job he

198

00:11:50,949 --> 00:11:45,279

sells courses

199

00:11:54,629 --> 00:11:52,790

what else what else does he do he

200

00:11:56,470 --> 00:11:54,639

appears at conferences though he's been

201  
00:11:59,590 --> 00:11:56,480  
blackballed from most of the major

202  
00:12:03,350 --> 00:11:59,600  
conferences for one reason or another

203  
00:12:07,350 --> 00:12:03,360  
he alleges that there has been

204  
00:12:08,069 --> 00:12:07,360  
a concerted effort to destroy his

205  
00:12:11,509 --> 00:12:08,079  
business

206  
00:12:13,269 --> 00:12:11,519  
telling fairy tales right

207  
00:12:14,629 --> 00:12:13,279  
and he doesn't want anybody saying his

208  
00:12:16,710 --> 00:12:14,639  
fairy tales aren't true

209  
00:12:18,949 --> 00:12:16,720  
because that destroys his business

210  
00:12:21,509 --> 00:12:18,959  
selling fairy tales

211  
00:12:22,790 --> 00:12:21,519  
let's see uh what else what else can i

212  
00:12:26,069 --> 00:12:22,800  
say about this guy

213  
00:12:28,550 --> 00:12:26,079

i you know i haven't caught up uh but

214

00:12:32,949 --> 00:12:28,560

there was recently a daily beast article

215

00:12:35,990 --> 00:12:32,959

all about how gaia is counter-suing him

216

00:12:37,190 --> 00:12:36,000

and here's what this genius decided to

217

00:12:39,750 --> 00:12:37,200

sue everybody

218

00:12:42,389 --> 00:12:39,760

with one lawyer he's got one lawyer and

219

00:12:45,910 --> 00:12:42,399

he's trying to sue like 10 individuals

220

00:12:49,829 --> 00:12:45,920

and a multi-million dollar media empire

221

00:12:52,870 --> 00:12:49,839

with one lawyer good luck with that bro

222

00:12:54,949 --> 00:12:52,880

so his one lawyer has to

223

00:12:56,949 --> 00:12:54,959

basically fight with i don't know how

224

00:12:59,590 --> 00:12:56,959

many other lawyers the other people have

225

00:13:01,590 --> 00:12:59,600

right guy has got an army of lawyers

226

00:13:04,870 --> 00:13:01,600

that's not going to go well for you

227

00:13:07,350 --> 00:13:04,880

secret space astro not but

228

00:13:09,350 --> 00:13:07,360

it is what it is corey good decides to

229

00:13:12,069 --> 00:13:09,360

sue all these people and a multi-million

230

00:13:14,389 --> 00:13:12,079

dollar corporation with one lawyer

231

00:13:16,389 --> 00:13:14,399

and if you read the court filings from

232

00:13:18,150 --> 00:13:16,399

his lawyer it's very clear that she

233

00:13:20,310 --> 00:13:18,160

doesn't know what she's doing

234

00:13:23,269 --> 00:13:20,320

because she can't even spell there's

235

00:13:25,509 --> 00:13:23,279

grammatical errors spelling errors

236

00:13:28,389 --> 00:13:25,519

i'm not a lawyer but i know how to spell

237

00:13:32,470 --> 00:13:28,399

and i know how to use the spell checker

238

00:13:36,150 --> 00:13:32,480

so he thinks that he is going to sue

239

00:13:40,069 --> 00:13:36,160

a multi-million dollar media empire

240

00:13:43,430 --> 00:13:42,069

all i can say is good luck good luck to

241

00:13:45,829 --> 00:13:43,440

you mr good

242

00:13:47,670 --> 00:13:45,839

but see what mr good did not anticipate

243

00:13:50,230 --> 00:13:47,680

is all these counter suits

244

00:13:52,710 --> 00:13:50,240

because uh one of the people he's suing

245

00:13:53,269 --> 00:13:52,720

aary stone filed something like a 300

246

00:13:58,470 --> 00:13:53,279

page

247

00:14:02,710 --> 00:14:00,550

his lawyer has to answer for every one

248

00:14:05,910 --> 00:14:02,720

of the allegations in that 300 page

249

00:14:08,870 --> 00:14:05,920

filing when they go to court on this

250

00:14:10,069 --> 00:14:08,880

another big problem for mr good with all

251

00:14:13,189 --> 00:14:10,079

these lawsuits

252

00:14:16,069 --> 00:14:13,199

is going to be i don't understand

253

00:14:16,790 --> 00:14:16,079

how he doesn't he didn't realize this he

254

00:14:19,030 --> 00:14:16,800

was

255

00:14:21,350 --> 00:14:19,040

stupid enough to not realize that in

256

00:14:23,189 --> 00:14:21,360

discovery

257

00:14:24,710 --> 00:14:23,199

all the people he's suing are going to

258

00:14:27,750 --> 00:14:24,720

be able to subpoena

259

00:14:31,110 --> 00:14:27,760

his text messages his emails

260

00:14:33,350 --> 00:14:31,120

his private messages his dms on twitter

261

00:14:34,389 --> 00:14:33,360

all electronic forms of communication

262

00:14:35,269 --> 00:14:34,399

they're going to be able to subpoena

263

00:14:38,310 --> 00:14:35,279

them all

264

00:14:41,430 --> 00:14:38,320

and then everything in his

265

00:14:44,550 --> 00:14:41,440

text messages private messages

266

00:14:48,230 --> 00:14:44,560

phone call logs electronic messages

267

00:14:49,509 --> 00:14:48,240

email dms pms all of his electronic

268

00:14:52,710 --> 00:14:49,519

communications

269

00:14:54,949 --> 00:14:52,720

are going to be made public

270

00:14:56,949 --> 00:14:54,959

i have a feeling that's not going to

271

00:14:58,870 --> 00:14:56,959

work out so well for him

272

00:15:01,670 --> 00:14:58,880

if he's trying to be mr love and light

273

00:15:03,110 --> 00:15:01,680

and prove that he's not a bad person

274

00:15:05,990 --> 00:15:03,120

i have a feeling that's not going to

275

00:15:07,509 --> 00:15:06,000

work out well for him at all

276

00:15:09,430 --> 00:15:07,519

another thing that i think that he did

277

00:15:11,189 --> 00:15:09,440

not anticipate is

278

00:15:13,189 --> 00:15:11,199

these counter suits so he's got arri

279

00:15:13,750 --> 00:15:13,199

stone is filing a counter suit i believe

280

00:15:16,310 --> 00:15:13,760

mr j

281

00:15:16,790 --> 00:15:16,320

weiner is filing a counter suit oh he's

282

00:15:20,470 --> 00:15:16,800

also

283

00:15:21,590 --> 00:15:20,480

uh suing cliff stone or cliff high i'm

284

00:15:25,110 --> 00:15:21,600

sorry

285

00:15:27,350 --> 00:15:25,120

uh of web bot fame and uh

286

00:15:28,310 --> 00:15:27,360

that guy is gonna counter sue him right

287

00:15:31,509 --> 00:15:28,320

here

288

00:15:33,670 --> 00:15:31,519

so he he sues all these people and then

289

00:15:35,910 --> 00:15:33,680

they're all filing counter suits

290

00:15:37,829 --> 00:15:35,920

look it's been i think it's been more

291

00:15:39,189 --> 00:15:37,839

than a year since he first filed his

292

00:15:40,710 --> 00:15:39,199

first lawsuit

293

00:15:42,550 --> 00:15:40,720

do you know how far the lawsuits have

294

00:15:45,509 --> 00:15:42,560

gotten nowhere

295

00:15:46,069 --> 00:15:45,519

the judge is still you know waiting to

296

00:15:49,910 --> 00:15:46,079

uh

297

00:15:52,710 --> 00:15:49,920

rule on different motions to dismiss

298

00:15:53,189 --> 00:15:52,720

and and things like that it's been a

299

00:15:55,269 --> 00:15:53,199

year

300

00:15:57,269 --> 00:15:55,279

and nothing's happened nobody's gotten

301

00:15:57,670 --> 00:15:57,279

to the actual like let's get into court

302

00:16:03,110 --> 00:15:57,680

and

303

00:16:09,829 --> 00:16:07,110

also equally ridiculous is that mr good

304

00:16:11,430 --> 00:16:09,839

used some kind of rico claim to be able

305

00:16:14,710 --> 00:16:11,440

to sue a guy from new jersey

306

00:16:16,389 --> 00:16:14,720

in the state of colorado and most i sent

307

00:16:17,749 --> 00:16:16,399

some of these legal filings to a friend

308

00:16:18,790 --> 00:16:17,759

of mine who's a lawyer and asked his

309

00:16:20,389 --> 00:16:18,800

opinion about

310

00:16:21,990 --> 00:16:20,399

what's the likelihood that this case is

311

00:16:22,949 --> 00:16:22,000

going to go forward and he looked at it

312

00:16:24,790 --> 00:16:22,959

and he said

313

00:16:27,350 --> 00:16:24,800

this is the most ridiculous thing i've

314

00:16:30,870 --> 00:16:27,360

ever heard they're not gonna

315

00:16:32,870 --> 00:16:30,880

they're gonna dismiss this just because

316

00:16:34,310 --> 00:16:32,880

you can't sue somebody from new jersey

317

00:16:36,389 --> 00:16:34,320

in colorado

318

00:16:38,550 --> 00:16:36,399

just because you claim some grand

319

00:16:41,030 --> 00:16:38,560

conspiracy

320

00:16:42,069 --> 00:16:41,040

but it is what it is people want me to

321

00:16:45,670 --> 00:16:42,079

uh you know

322

00:16:47,189 --> 00:16:45,680

to cover his latest you know oh god i

323

00:16:48,389 --> 00:16:47,199

can't believe we gotta do this but we're

324

00:16:52,790 --> 00:16:48,399

we're gonna do it we're gonna

325

00:16:55,749 --> 00:16:52,800

he has a new video with dr michael sala

326

00:16:57,030 --> 00:16:55,759

for those unaware dr michael sala is his

327

00:17:02,150 --> 00:16:57,040

fluffer

328

00:17:03,590 --> 00:17:02,160

that's what michael salad does for corey

329

00:17:04,069 --> 00:17:03,600

good he's got different fluffers

330

00:17:07,750 --> 00:17:04,079

sometimes

331

00:17:14,150 --> 00:17:07,760

he use james gilead right

332

00:17:17,189 --> 00:17:15,669

yeah i'm looking up the definition of

333

00:17:18,949 --> 00:17:17,199

fluffer because for a second i'm like

334

00:17:26,230 --> 00:17:18,959

wait do i mean

335

00:17:30,070 --> 00:17:28,710

yeah yeah i was right okay i just want

336

00:17:33,430 --> 00:17:30,080

to make sure i'm sorry

337

00:17:36,150 --> 00:17:33,440

so uh corey good you know

338

00:17:38,150 --> 00:17:36,160

he's got fluffers right he's got these

339

00:17:40,549 --> 00:17:38,160

guys that he works with

340

00:17:42,549 --> 00:17:40,559

and i don't it seems to me having

341

00:17:45,830 --> 00:17:42,559

watched this clown for a while

342

00:17:46,549 --> 00:17:45,840

that they work out the questions in

343

00:17:50,310 --> 00:17:46,559

advance

344

00:17:51,750 --> 00:17:50,320

or something like that like ask me this

345

00:17:54,789 --> 00:17:51,760

and then i'll talk about this

346

00:17:57,590 --> 00:17:54,799

it's really seems staged and

347

00:17:58,150 --> 00:17:57,600

that's kind of where i'm at you know

348

00:18:01,590 --> 00:17:58,160

that's

349

00:18:04,150 --> 00:18:01,600

be correct it may

350

00:18:05,909 --> 00:18:04,160

be incorrect take from it what you will

351

00:18:09,590 --> 00:18:05,919

i'm allowed to speculate

352

00:18:10,789 --> 00:18:09,600

so uh we have here his latest video with

353

00:18:14,470 --> 00:18:10,799

his fluffer

354

00:18:16,870 --> 00:18:14,480

michael sala uh

355

00:18:20,789 --> 00:18:16,880

no matt they're not the stars they're

356

00:18:27,510 --> 00:18:24,310

look it up yeah

357

00:18:28,470 --> 00:18:27,520

it's definitely yeah oh that was the

358

00:18:31,510 --> 00:18:28,480

clean definition

359

00:18:34,390 --> 00:18:31,520

sure okay so we're gonna go through

360

00:18:35,190 --> 00:18:34,400

his latest video and i gotta tell you i

361

00:18:36,470 --> 00:18:35,200

i didn't

362

00:18:38,070 --> 00:18:36,480

listen to this whole thing because

363

00:18:38,630 --> 00:18:38,080

honestly i don't have time to listen to

364

00:18:49,909 --> 00:18:38,640

it

365

00:18:49,919 --> 00:18:53,510

what

366

00:18:53,520 --> 00:18:58,630

hello this is steven

367

00:19:01,990 --> 00:19:00,950

i'm doing excellent and i'm doing a live

368

00:19:03,510 --> 00:19:02,000

show right now

369

00:19:09,669 --> 00:19:03,520

is it okay for me to tell people you're

370

00:19:13,909 --> 00:19:12,070

yeah yeah thank you i appreciate it very

371

00:19:15,110 --> 00:19:13,919

much i won't mention who you who who it

372

00:19:18,390 --> 00:19:15,120

is it's calling me

373

00:19:22,150 --> 00:19:18,400

yeah friends i got i have uh somebody uh

374

00:19:27,190 --> 00:19:22,160

what i wish i could talk to you more

375

00:19:34,950 --> 00:19:30,950

okay thanks very much bye-bye

376

00:19:37,029 --> 00:19:34,960

all right i apologize friends and uh

377

00:19:37,990 --> 00:19:37,039

that's somebody super well known in the

378

00:19:39,270 --> 00:19:38,000

ufo community

379

00:19:40,470 --> 00:19:39,280

but i don't want to mention his name

380

00:19:42,310 --> 00:19:40,480

because he's trying to stay out of the

381

00:19:45,750 --> 00:19:42,320

spotlight

382

00:19:48,950 --> 00:19:45,760

for various reasons uh so

383

00:19:49,750 --> 00:19:48,960

where where are we at where are we at

384

00:19:53,350 --> 00:19:49,760

here

385

00:19:53,669 --> 00:19:53,360

um yeah we're going to listen to corey

386

00:19:56,870 --> 00:19:53,679

good

387

00:20:00,390 --> 00:19:56,880

and his fluffer uh michael sala

388

00:20:02,390 --> 00:20:00,400

because listen this is

389

00:20:04,310 --> 00:20:02,400

corey good must be the luckiest guy on

390

00:20:06,470 --> 00:20:04,320

earth because

391

00:20:07,830 --> 00:20:06,480

right as corey good is launching a new

392

00:20:11,430 --> 00:20:07,840

website

393

00:20:13,430 --> 00:20:11,440

and planning new conferences he suddenly

394

00:20:15,190 --> 00:20:13,440

starts getting contacted by the alien

395

00:20:18,070 --> 00:20:15,200

alliance again

396

00:20:18,870 --> 00:20:18,080

and they're gonna you know give him an

397

00:20:24,470 --> 00:20:18,880

intel

398

00:20:31,270 --> 00:20:28,789

okay let's take a look

399

00:20:32,070 --> 00:20:31,280

we're gonna i'm gonna and i'm gonna cite

400

00:20:34,710 --> 00:20:32,080

fair use

401  
00:20:35,270 --> 00:20:34,720  
uh this is a transformative work we will

402  
00:20:38,950 --> 00:20:35,280  
be

403  
00:20:39,190 --> 00:20:38,960  
uh stopping the video and commenting on

404  
00:20:42,310 --> 00:20:39,200  
it

405  
00:20:44,630 --> 00:20:42,320  
this is also um we are

406  
00:20:45,669 --> 00:20:44,640  
using this video to educate the public

407  
00:20:48,870 --> 00:20:45,679  
about

408  
00:20:50,870 --> 00:20:48,880  
earth's galactic ambassador cory good

409  
00:20:52,470 --> 00:20:50,880  
so that is certainly covered under fair

410  
00:20:55,430 --> 00:20:52,480  
use

411  
00:20:56,870 --> 00:20:55,440  
uh one second actually let me get my

412  
00:21:02,470 --> 00:20:56,880  
banner

413  
00:21:04,789 --> 00:21:02,480

know you always gotta do these things

414

00:21:06,549 --> 00:21:04,799

there's my fair use banner this is fair

415

00:21:07,990 --> 00:21:06,559

use this is transformative work we're

416

00:21:10,310 --> 00:21:08,000

educating the public

417

00:21:12,390 --> 00:21:10,320

about earth's galactic ambassador did

418

00:21:14,149 --> 00:21:12,400

you know that earth had its own galactic

419

00:21:18,230 --> 00:21:14,159

ambassador

420

00:21:19,669 --> 00:21:18,240

yeah we do so

421

00:21:22,710 --> 00:21:19,679

we're going to educate the public about

422

00:21:23,909 --> 00:21:22,720

earth galactic ambassador

423

00:21:26,950 --> 00:21:23,919

doesn't have any proof he's earth

424

00:21:32,470 --> 00:21:26,960

galactic ambassador but oh you know

425

00:21:39,510 --> 00:21:36,230

it's ssp ssp

426

00:21:41,029 --> 00:21:39,520

alliance updates resume just in time for

427

00:21:44,149 --> 00:21:41,039

him to have a new website

428

00:21:48,070 --> 00:21:44,159

and speak at new conferences right dark

429

00:21:50,310 --> 00:21:48,080

fleet earth moon and mars briefings

430

00:21:52,310 --> 00:21:50,320

yeah and i love how he always uses the

431

00:21:53,590 --> 00:21:52,320

term that he's getting briefings i've

432

00:21:56,070 --> 00:21:53,600

said this before

433

00:21:57,190 --> 00:21:56,080

i'm gonna say it again i'm gonna say it

434

00:22:00,549 --> 00:21:57,200

every time

435

00:22:03,590 --> 00:22:00,559

i hear him say he gets briefings listen

436

00:22:06,149 --> 00:22:03,600

diplomats get briefings army

437

00:22:09,430 --> 00:22:06,159

intelligence officers get briefings

438

00:22:10,630 --> 00:22:09,440

navy admirals get briefings senators and

439

00:22:13,510 --> 00:22:10,640

congressmen

440

00:22:14,789 --> 00:22:13,520

presidents get briefings talking to your

441

00:22:17,110 --> 00:22:14,799

imaginary friends

442

00:22:19,029 --> 00:22:17,120

is not a briefing corey good but okay

443

00:22:21,830 --> 00:22:19,039

you get briefings so let's see what he

444

00:22:25,510 --> 00:22:23,430

hello welcome to the sphere being

445

00:22:25,830 --> 00:22:25,520

alliance youtube channel this is corey

446

00:22:28,470 --> 00:22:25,840

good

447

00:22:31,350 --> 00:22:28,480

and today i'm talking with dr sala as a

448

00:22:34,070 --> 00:22:31,360

lot of you know i gave a couple of real

449

00:22:35,510 --> 00:22:34,080

really more of hints towards what i'd

450

00:22:38,630 --> 00:22:35,520

received recently

451  
00:22:40,070 --> 00:22:38,640  
from updates uh i gave little summaries

452  
00:22:43,990 --> 00:22:40,080  
here and there a lot of people probably

453  
00:22:46,310 --> 00:22:44,000  
missed it but yeah i missed it i'm sorry

454  
00:22:48,390 --> 00:22:46,320  
and i'm i'm really fascinated with his

455  
00:22:50,710 --> 00:22:48,400  
mullet right now

456  
00:22:52,149 --> 00:22:50,720  
um today i'm going to talk with dr salla

457  
00:22:55,190 --> 00:22:52,159  
and he's going to kind of go over

458  
00:22:56,230 --> 00:22:55,200  
questions that he had about what i had

459  
00:22:59,750 --> 00:22:56,240  
posted

460  
00:23:01,590 --> 00:22:59,760  
online yeah questions he had thank you

461  
00:23:03,190 --> 00:23:01,600  
very exciting that you're getting these

462  
00:23:05,590 --> 00:23:03,200  
uh updates and what's going on with that

463  
00:23:08,230 --> 00:23:05,600

dude's eyebrows obviously had a meeting

464

00:23:09,270 --> 00:23:08,240

with um dude shave them or trim them

465

00:23:12,230 --> 00:23:09,280

down or something

466

00:23:13,590 --> 00:23:12,240

an update so you talked about gonzales

467

00:23:16,789 --> 00:23:13,600

and the mayans so

468

00:23:18,870 --> 00:23:16,799

so maybe you know what what happened

469

00:23:20,710 --> 00:23:18,880

can you describe how you got the update

470

00:23:21,669 --> 00:23:20,720

yeah and it's interesting that he calls

471

00:23:24,549 --> 00:23:21,679

this

472

00:23:25,110 --> 00:23:24,559

corey good claims that these mayans left

473

00:23:28,149 --> 00:23:25,120

earth

474

00:23:29,590 --> 00:23:28,159

and went into space and he's in contact

475

00:23:29,990 --> 00:23:29,600

with them but it's interesting to note

476  
00:23:32,149 --> 00:23:30,000  
that

477  
00:23:33,669 --> 00:23:32,159  
uh the mayans didn't call themselves the

478  
00:23:35,909 --> 00:23:33,679  
mayans so

479  
00:23:37,270 --> 00:23:35,919  
it just doesn't make any sense but okay

480  
00:23:41,669 --> 00:23:37,280  
hey

481  
00:23:43,830 --> 00:23:41,679  
yeah typically uh gonzalez picks me up

482  
00:23:45,269 --> 00:23:43,840  
and gonzalez is an imaginary friend of

483  
00:23:46,230 --> 00:23:45,279  
corey goods that he's mentioned many

484  
00:23:47,590 --> 00:23:46,240  
many times

485  
00:23:49,750 --> 00:23:47,600  
and you know how i know he's an

486  
00:23:51,909 --> 00:23:49,760  
imaginary friend of corey goods

487  
00:23:53,990 --> 00:23:51,919  
nobody else besides corey goode ever

488  
00:23:56,470 --> 00:23:54,000

gets to see this gonzalez person

489

00:23:58,390 --> 00:23:56,480

only corey good it's it's that's an

490

00:24:00,710 --> 00:23:58,400

imaginary friend corey good

491

00:24:02,390 --> 00:24:00,720

if this guy is contacting you why don't

492

00:24:03,990 --> 00:24:02,400

you take a picture with him

493

00:24:05,350 --> 00:24:04,000

right why take a picture with him and

494

00:24:06,149 --> 00:24:05,360

put it on your website and go this is

495

00:24:09,750 --> 00:24:06,159

gonzales

496

00:24:11,909 --> 00:24:09,760

my friend from space right

497

00:24:13,190 --> 00:24:11,919

he doesn't give any proof of this stuff

498

00:24:14,870 --> 00:24:13,200

you're just supposed to believe that

499

00:24:16,549 --> 00:24:14,880

he's got an imaginary friend

500

00:24:17,990 --> 00:24:16,559

named gonzalez that no one else could

501  
00:24:20,470 --> 00:24:18,000  
see but him just

502  
00:24:21,510 --> 00:24:20,480  
sporadically just to check on my health

503  
00:24:24,710 --> 00:24:21,520  
and

504  
00:24:25,909 --> 00:24:24,720  
to abate certain things that i have

505  
00:24:28,230 --> 00:24:25,919  
going on

506  
00:24:29,909 --> 00:24:28,240  
and one of these random times i got

507  
00:24:31,830 --> 00:24:29,919  
picked up

508  
00:24:33,830 --> 00:24:31,840  
right after i had my little examination

509  
00:24:35,830 --> 00:24:33,840  
i expected to just go back home

510  
00:24:36,870 --> 00:24:35,840  
very little chit chat normally the

511  
00:24:39,430 --> 00:24:36,880  
gonzales said

512  
00:24:39,990 --> 00:24:39,440  
he had some people from the ssp alliance

513  
00:24:42,310 --> 00:24:40,000

that

514

00:24:44,230 --> 00:24:42,320

wanted to talk with me oh wow some

515

00:24:47,430 --> 00:24:44,240

people from the secret space alliance

516

00:24:50,630 --> 00:24:47,440

and they wanted to talk to corey good

517

00:24:52,870 --> 00:24:50,640

this this is getting good already that

518

00:24:54,789 --> 00:24:52,880

they and notice they picked him up he

519

00:24:56,549 --> 00:24:54,799

once claimed that spaceships landed in

520

00:24:57,590 --> 00:24:56,559

his backyard and took him to a secret

521

00:25:00,870 --> 00:24:57,600

moon base

522

00:25:03,029 --> 00:25:00,880

nobody could see on

523

00:25:03,909 --> 00:25:03,039

the moon's surface even though he claims

524

00:25:05,830 --> 00:25:03,919

it's right on

525

00:25:07,190 --> 00:25:05,840

the moon's surface oh but it's on the

526

00:25:10,549 --> 00:25:07,200

dark side of the moon

527

00:25:12,470 --> 00:25:10,559

so you can't see it right but

528

00:25:13,990 --> 00:25:12,480

there are chinese satellites i believe

529

00:25:16,070 --> 00:25:14,000

there's a russian satellite around

530

00:25:17,350 --> 00:25:16,080

the moon and there's several united

531

00:25:20,630 --> 00:25:17,360

states satellites

532

00:25:23,830 --> 00:25:20,640

orbiting the moon there's there is

533

00:25:25,190 --> 00:25:23,840

photography of the entire dark so-called

534

00:25:29,830 --> 00:25:25,200

dark side of the moon

535

00:25:33,990 --> 00:25:29,840

doesn't show any moon base cory good for

536

00:25:35,830 --> 00:25:34,000

about at least a year now the um

537

00:25:37,669 --> 00:25:35,840

the lunar operation command which

538

00:25:41,029 --> 00:25:37,679

controls air space

539

00:25:43,750 --> 00:25:41,039

the flight corridors um had locked down

540

00:25:44,310 --> 00:25:43,760

after a number of incidents occurred

541

00:25:46,789 --> 00:25:44,320

including

542

00:25:48,710 --> 00:25:46,799

sigmund being assassinated oh and look

543

00:25:51,510 --> 00:25:48,720

at that just like all the other nutters

544

00:25:53,590 --> 00:25:51,520

uh he's on telegram but i shouldn't say

545

00:25:54,549 --> 00:25:53,600

that because i might go on telegram i i

546

00:25:56,470 --> 00:25:54,559

don't know

547

00:25:58,549 --> 00:25:56,480

i gotta tell you that all conspiracy

548

00:25:59,190 --> 00:25:58,559

land real nutters are on bit shoot now

549

00:26:00,549 --> 00:25:59,200

so i've been

550

00:26:02,630 --> 00:26:00,559

i've been watching bit shoot a little

551  
00:26:04,230 --> 00:26:02,640  
bit because it seems like everybody that

552  
00:26:04,549 --> 00:26:04,240  
got thrown off of youtube went over to

553  
00:26:06,149 --> 00:26:04,559  
bit

554  
00:26:07,830 --> 00:26:06,159  
shoot and everybody that's getting

555  
00:26:09,269 --> 00:26:07,840  
thrown off of twitter right now is going

556  
00:26:12,470 --> 00:26:09,279  
to parlor or telegram

557  
00:26:13,510 --> 00:26:12,480  
on premises a lot of things really

558  
00:26:17,029 --> 00:26:13,520  
occurred after that

559  
00:26:19,350 --> 00:26:17,039  
so they pretty much wanted to

560  
00:26:21,110 --> 00:26:19,360  
give me an update of what's been going

561  
00:26:23,669 --> 00:26:21,120  
on and what's been happening with the

562  
00:26:25,029 --> 00:26:23,679  
different space programs from the intel

563  
00:26:28,470 --> 00:26:25,039

that they have

564

00:26:29,269 --> 00:26:28,480

and the intel and again senators get

565

00:26:37,990 --> 00:26:29,279

intel

566

00:26:41,510 --> 00:26:38,000

friends that nobody else could see

567

00:26:43,750 --> 00:26:41,520

or talk to cory good see

568

00:26:45,909 --> 00:26:43,760

you know what what i think mr good is

569

00:26:47,510 --> 00:26:45,919

forgetting is that this [h\_\_h] worked for

570

00:26:49,750 --> 00:26:47,520

him six years ago

571

00:26:50,710 --> 00:26:49,760

right but people even his fans are like

572

00:26:53,669 --> 00:26:50,720

come on bro

573

00:26:54,230 --> 00:26:53,679

give us some proof or shut up but he

574

00:26:55,909 --> 00:26:54,240

won't

575

00:26:57,510 --> 00:26:55,919

and you know they still have people here

576

00:26:59,350 --> 00:26:57,520

and they're um

577

00:27:01,029 --> 00:26:59,360

implanted within these different

578

00:27:01,430 --> 00:27:01,039

programs and these different programs

579

00:27:04,549 --> 00:27:01,440

are

580

00:27:06,710 --> 00:27:04,559

looking for them right now so with

581

00:27:07,510 --> 00:27:06,720

gonzales i mean we know he's with the

582

00:27:11,750 --> 00:27:07,520

the mayan

583

00:27:14,789 --> 00:27:11,760

um ssp and this dude's eyebrows i gotta

584

00:27:16,710 --> 00:27:14,799

i'm gonna send him an eyebrow waxing kit

585

00:27:18,870 --> 00:27:16,720

i i'm gonna get his address and i'm

586

00:27:20,549 --> 00:27:18,880

gonna send him an eyebrow waxing kit and

587

00:27:22,149 --> 00:27:20,559

you know what that's terribly shallow of

588

00:27:23,909 --> 00:27:22,159

me i shouldn't comment on his appearance

589

00:27:25,990 --> 00:27:23,919

i apologize mr sala

590

00:27:27,510 --> 00:27:26,000

but i will send you an eyebrow waxing

591

00:27:29,990 --> 00:27:27,520

kit if you want one he's still

592

00:27:31,190 --> 00:27:30,000

acting as a liaison to the earth

593

00:27:35,830 --> 00:27:31,200

alliance or

594

00:27:38,470 --> 00:27:35,840

to the um ssp alliance

595

00:27:39,510 --> 00:27:38,480

he is with the ssp alliance he is he

596

00:27:43,350 --> 00:27:39,520

broke off pretty much

597

00:27:46,549 --> 00:27:43,360

all ties with anything earthly and

598

00:27:49,830 --> 00:27:46,559

fully joined up with the group

599

00:27:52,149 --> 00:27:49,840

um but yeah that's his status

600

00:27:54,230 --> 00:27:52,159

okay so he's uh attending meetings or

601  
00:27:56,470 --> 00:27:54,240  
being briefed by people in the ss

602  
00:27:57,350 --> 00:27:56,480  
there's that word brief he's being

603  
00:28:00,710 --> 00:27:57,360  
briefed

604  
00:28:03,510 --> 00:28:00,720  
guys get

605  
00:28:06,710 --> 00:28:03,520  
are their underoos bro the alliance and

606  
00:28:09,029 --> 00:28:06,720  
then passing on that information to you

607  
00:28:10,149 --> 00:28:09,039  
well that's typically how it occurred

608  
00:28:11,669 --> 00:28:10,159  
but i don't think he

609  
00:28:13,590 --> 00:28:11,679  
i think this is the first time he had

610  
00:28:15,669 --> 00:28:13,600  
met with them in some time

611  
00:28:16,789 --> 00:28:15,679  
and instead of relaying information to

612  
00:28:19,750 --> 00:28:16,799  
me which

613  
00:28:21,350 --> 00:28:19,760

he was doing less and less over time

614

00:28:22,549 --> 00:28:21,360

this was actually an arranged

615

00:28:25,990 --> 00:28:22,559

face-to-face meeting

616

00:28:27,510 --> 00:28:26,000

with people on the mayan ship from the

617

00:28:29,510 --> 00:28:27,520

ssp alliance

618

00:28:30,950 --> 00:28:29,520

yeah and if you were meeting aliens when

619

00:28:32,549 --> 00:28:30,960

you bring a camera with you

620

00:28:34,149 --> 00:28:32,559

when you take some pictures so you could

621

00:28:35,190 --> 00:28:34,159

prove to people that you met with these

622

00:28:37,190 --> 00:28:35,200

aliens

623

00:28:39,110 --> 00:28:37,200

right or your friend gonzalez why

624

00:28:41,269 --> 00:28:39,120

doesn't he ever do that now he's saying

625

00:28:43,430 --> 00:28:41,279

he's having face-to-face meetings

626

00:28:44,789 --> 00:28:43,440

with extraterrestrials they won't let

627

00:28:46,630 --> 00:28:44,799

him take a picture

628

00:28:48,389 --> 00:28:46,640

they won't let him videotape or record

629

00:28:50,630 --> 00:28:48,399

anything

630

00:28:52,470 --> 00:28:50,640

you know his excuse for why he couldn't

631

00:28:53,029 --> 00:28:52,480

bring anything back before is because

632

00:28:56,950 --> 00:28:53,039

you know

633

00:28:59,029 --> 00:28:56,960

couldn't you couldn't take pictures or

634

00:29:00,710 --> 00:28:59,039

you know smuggle any evidence out of the

635

00:29:02,310 --> 00:29:00,720

secret space program well you're not in

636

00:29:03,669 --> 00:29:02,320

the secret space program now

637

00:29:05,190 --> 00:29:03,679

right you're done but you're still

638

00:29:07,990 --> 00:29:05,200

meeting with aliens why don't you take

639

00:29:10,149 --> 00:29:08,000

some pictures or some video or something

640

00:29:11,830 --> 00:29:10,159

right that didn't occur to you gee maybe

641

00:29:13,430 --> 00:29:11,840

i should all these people on the

642

00:29:14,630 --> 00:29:13,440

internet are saying that i'm a fraud and

643

00:29:16,230 --> 00:29:14,640

i'm a fake i'm gonna

644

00:29:17,909 --> 00:29:16,240

why don't you prove them wrong just take

645

00:29:19,590 --> 00:29:17,919

some pictures bro

646

00:29:21,750 --> 00:29:19,600

i want to see some pictures of mayan

647

00:29:23,430 --> 00:29:21,760

aliens and this gonzalez guy you've been

648

00:29:26,310 --> 00:29:23,440

talking about for six years that nobody

649

00:29:28,070 --> 00:29:26,320

besides you has ever seen or heard from

650

00:29:29,510 --> 00:29:28,080

and can you describe anything about the

651  
00:29:31,029 --> 00:29:29,520  
operation of

652  
00:29:32,870 --> 00:29:31,039  
how you're picked up how this

653  
00:29:36,149 --> 00:29:32,880  
communication happens

654  
00:29:38,470 --> 00:29:36,159  
like you know do you get a warning do

655  
00:29:41,990 --> 00:29:38,480  
you get told to be in a certain place

656  
00:29:44,789 --> 00:29:42,000  
what happens i never have any warning

657  
00:29:45,350 --> 00:29:44,799  
whatsoever it's just completely random

658  
00:29:48,630 --> 00:29:45,360  
and

659  
00:29:53,510 --> 00:29:48,640  
in the middle of the night i will

660  
00:29:55,750 --> 00:29:53,520  
find myself on the mind ship they will

661  
00:29:57,029 --> 00:29:55,760  
trying not to disturb me too much they

662  
00:29:59,590 --> 00:29:57,039  
do their little

663  
00:30:00,870 --> 00:29:59,600

tests and and whatever they're doing

664

00:30:03,269 --> 00:30:00,880

with me and then

665

00:30:05,269 --> 00:30:03,279

they send me back that's wow i hope

666

00:30:08,389 --> 00:30:05,279

they're not anally probing him

667

00:30:10,630 --> 00:30:08,399

corey good wow those aliens

668

00:30:13,430 --> 00:30:10,640

they always try to anally probe people

669

00:30:16,789 --> 00:30:13,440

right what it is and gonzalez is there

670

00:30:18,070 --> 00:30:16,799

he's like he's speaks less and less he's

671

00:30:18,950 --> 00:30:18,080

become more and more like one of the

672

00:30:21,269 --> 00:30:18,960

mayans

673

00:30:22,950 --> 00:30:21,279

so and here's another stupid thing you

674

00:30:24,470 --> 00:30:22,960

know he's getting woken up in the middle

675

00:30:26,549 --> 00:30:24,480

of the night and transported aboard a

676  
00:30:27,590 --> 00:30:26,559  
spacecraft where's his wife during this

677  
00:30:29,990 --> 00:30:27,600  
she doesn't notice

678  
00:30:30,870 --> 00:30:30,000  
aliens in the room transporting their

679  
00:30:33,190 --> 00:30:30,880  
husband to an

680  
00:30:36,789 --> 00:30:33,200  
alien spacecraft why doesn't it get her

681  
00:30:38,710 --> 00:30:36,799  
to corroborate a story right she can't

682  
00:30:40,549 --> 00:30:38,720  
she's so bad she wants to interview with

683  
00:30:44,149 --> 00:30:40,559  
somebody and she needed notes

684  
00:30:47,269 --> 00:30:44,159  
she was reading from notes

685  
00:30:49,750 --> 00:30:47,279  
probably notes he gave her okay

686  
00:30:51,110 --> 00:30:49,760  
okay and and these are like physical

687  
00:30:53,990 --> 00:30:51,120  
extractions from your home we're not

688  
00:30:57,269 --> 00:30:54,000

talking astral out of body

689

00:31:00,149 --> 00:30:57,279

as far as i know i mean it's it's it's

690

00:31:00,950 --> 00:31:00,159

it is perceived as a physical experience

691

00:31:02,870 --> 00:31:00,960

anyway

692

00:31:04,070 --> 00:31:02,880

it i mean i'm physically interacting

693

00:31:06,870 --> 00:31:04,080

with

694

00:31:08,230 --> 00:31:06,880

uh the mayans and i physically

695

00:31:12,310 --> 00:31:08,240

interacted with

696

00:31:15,669 --> 00:31:12,320

the ssp alliance people that were there

697

00:31:17,430 --> 00:31:15,679

oh okay okay so well in the

698

00:31:19,029 --> 00:31:17,440

update i love this i love this

699

00:31:22,310 --> 00:31:19,039

background michael salad

700

00:31:23,990 --> 00:31:22,320

uses too is this is great is that like

701

00:31:26,549 --> 00:31:24,000

atlantis or what is that

702

00:31:28,149 --> 00:31:26,559

that you you sent me uh you're talking

703

00:31:29,509 --> 00:31:28,159

about the interplanetary corporate

704

00:31:31,509 --> 00:31:29,519

conglomerate

705

00:31:33,590 --> 00:31:31,519

and how they've locked down corporate

706

00:31:37,029 --> 00:31:33,600

cities and facilities on the moon

707

00:31:38,870 --> 00:31:37,039

mars and there are milli

708

00:31:41,110 --> 00:31:38,880

mini colonies elsewhere in the in the

709

00:31:42,870 --> 00:31:41,120

solar system so yeah so

710

00:31:45,149 --> 00:31:42,880

according to corey good there's cities

711

00:31:46,630 --> 00:31:45,159

on the moon and mars that multi

712

00:31:49,350 --> 00:31:46,640

multinational or

713

00:31:50,310 --> 00:31:49,360

whatever corporations are controlling

714

00:31:52,630 --> 00:31:50,320

but

715

00:31:55,029 --> 00:31:52,640

all the scientists are wrong every

716

00:31:55,830 --> 00:31:55,039

astrophysicist every astronomer everyone

717

00:31:58,830 --> 00:31:55,840

at nasa

718

00:32:01,830 --> 00:31:58,840

nobody sees these cities on mars or the

719

00:32:04,230 --> 00:32:01,840

moon except for corey goode

720

00:32:06,149 --> 00:32:04,240

everybody on earth is wrong but corey

721

00:32:06,950 --> 00:32:06,159

good is right about cities on the moon

722

00:32:08,789 --> 00:32:06,960

and mars

723

00:32:10,789 --> 00:32:08,799

this is the ridiculousness of this guy

724

00:32:12,149 --> 00:32:10,799

he doesn't even stop to think about his

725

00:32:15,669 --> 00:32:12,159

fairy tales

726

00:32:16,870 --> 00:32:15,679

right he could if he were a more

727

00:32:19,750 --> 00:32:16,880

intelligent person

728

00:32:21,590 --> 00:32:19,760

and a more creative person he could he

729

00:32:23,509 --> 00:32:21,600

could do something about this he could

730

00:32:25,830 --> 00:32:23,519

say

731

00:32:27,750 --> 00:32:25,840

there are underground cities or some you

732

00:32:29,909 --> 00:32:27,760

know have some explanation for why

733

00:32:30,870 --> 00:32:29,919

nobody sees them no satellites see

734

00:32:34,630 --> 00:32:30,880

cities on the ma

735

00:32:37,190 --> 00:32:34,640

on mars no satellite the mars rovers

736

00:32:39,029 --> 00:32:37,200

didn't find a martian city right or or

737

00:32:40,310 --> 00:32:39,039

oh it's a big cover-up the men in black

738

00:32:42,310 --> 00:32:40,320

are covering it up i guess

739

00:32:43,509 --> 00:32:42,320

so you know what what's happening with

740

00:32:45,269 --> 00:32:43,519

the interplanetary corporate

741

00:32:47,269 --> 00:32:45,279

conglomerate

742

00:32:48,870 --> 00:32:47,279

well a lot of it goes back to sigma and

743

00:32:50,789 --> 00:32:48,880

the information i relayed

744

00:32:52,549 --> 00:32:50,799

oh sigmund that's another one of his

745

00:32:53,590 --> 00:32:52,559

imaginary friends that nobody's ever

746

00:32:57,669 --> 00:32:53,600

seen

747

00:32:59,990 --> 00:32:57,679

he's got a lot of imaginary friends

748

00:33:01,190 --> 00:33:00,000

um the information that was given to him

749

00:33:04,389 --> 00:33:01,200

about dark fleet

750

00:33:07,110 --> 00:33:04,399

had their entire rosters all of their

751  
00:33:09,669 --> 00:33:07,120  
assets anyone who had was even

752  
00:33:10,789 --> 00:33:09,679  
a puppet of theirs it was all in this

753  
00:33:13,909 --> 00:33:10,799  
information

754  
00:33:18,149 --> 00:33:13,919  
that was that

755  
00:33:21,029 --> 00:33:18,159  
sigmund handed over to the ssp alliance

756  
00:33:23,909 --> 00:33:21,039  
and then it was disseminated through

757  
00:33:25,269 --> 00:33:23,919  
several of the other ssps at least three

758  
00:33:26,710 --> 00:33:25,279  
i know that

759  
00:33:28,549 --> 00:33:26,720  
all right so so far we're up to two

760  
00:33:31,430 --> 00:33:28,559  
imaginary friends that are giving him

761  
00:33:32,389 --> 00:33:31,440  
these briefings and this intelligence

762  
00:33:34,310 --> 00:33:32,399  
right

763  
00:33:36,549 --> 00:33:34,320

and you're not allowed to meet them or

764

00:33:38,470 --> 00:33:36,559

talk to them or interview them

765

00:33:41,269 --> 00:33:38,480

you're not allowed to verify if any of

766

00:33:43,750 --> 00:33:41,279

this is true and talk to those people

767

00:33:44,389 --> 00:33:43,760

because they don't exist global galactic

768

00:33:45,750 --> 00:33:44,399

leader

769

00:33:48,230 --> 00:33:45,760

by the way that's my opinion my

770

00:33:49,830 --> 00:33:48,240

speculation for all i know

771

00:33:51,669 --> 00:33:49,840

he could cart those two guys out

772

00:33:53,990 --> 00:33:51,679

tomorrow and say

773

00:33:55,110 --> 00:33:54,000

go to hell steve campion here's sigmund

774

00:33:57,190 --> 00:33:55,120

here's gonzales

775

00:33:58,230 --> 00:33:57,200

here's the mayan aliens here's a draco

776  
00:34:00,710 --> 00:33:58,240  
reptilian

777  
00:34:01,509 --> 00:34:00,720  
students receive the information and

778  
00:34:04,310 --> 00:34:01,519  
they begin

779  
00:34:06,310 --> 00:34:04,320  
taking measures to to look for double

780  
00:34:09,270 --> 00:34:06,320  
agents i guess you would call them

781  
00:34:10,869 --> 00:34:09,280  
um because really you hear all these

782  
00:34:12,389 --> 00:34:10,879  
people while talking about dark fleet

783  
00:34:15,510 --> 00:34:12,399  
but no one really

784  
00:34:17,750 --> 00:34:15,520  
fully knows what it is um you know

785  
00:34:19,270 --> 00:34:17,760  
you described dark flea as the bad guys

786  
00:34:20,069 --> 00:34:19,280  
before now you're saying nobody knows

787  
00:34:21,750 --> 00:34:20,079  
what

788  
00:34:23,190 --> 00:34:21,760

he can't even keep his own fairy tale

789

00:34:26,069 --> 00:34:23,200

straight

790

00:34:27,829 --> 00:34:26,079

it's sort of like kind of like a hydra

791

00:34:30,310 --> 00:34:27,839

type of operation that's not

792

00:34:33,270 --> 00:34:30,320

completely it has its own little bases

793

00:34:35,909 --> 00:34:33,280

and its own assets that it's

794

00:34:37,030 --> 00:34:35,919

oh dark fleet yeah given to them in

795

00:34:39,909 --> 00:34:37,040

different ways

796

00:34:40,790 --> 00:34:39,919

that they operate with but most of their

797

00:34:43,909 --> 00:34:40,800

infrastructure

798

00:34:45,750 --> 00:34:43,919

operates in the skirts of the other

799

00:34:47,349 --> 00:34:45,760

spaces yes this is a transformative work

800

00:34:50,310 --> 00:34:47,359

so um

801  
00:34:50,869 --> 00:34:50,320  
you know there's money being like our

802  
00:34:52,869 --> 00:34:50,879  
assets

803  
00:34:53,909 --> 00:34:52,879  
it's not really money but you know

804  
00:34:57,349 --> 00:34:53,919  
they're given a certain

805  
00:34:57,670 --> 00:34:57,359  
a bandwidth of assets and some of those

806  
00:34:59,510 --> 00:34:57,680  
are

807  
00:35:00,710 --> 00:34:59,520  
divided thank you dan i appreciate that

808  
00:35:02,790 --> 00:35:00,720  
programs

809  
00:35:04,150 --> 00:35:02,800  
which says steven's hilarious i like

810  
00:35:07,190 --> 00:35:04,160  
this channel and

811  
00:35:10,230 --> 00:35:07,200  
so that's why people were popping up

812  
00:35:11,270 --> 00:35:10,240  
even on um you know the research vessel

813  
00:35:14,630 --> 00:35:11,280

we were on

814

00:35:16,710 --> 00:35:14,640

you know they had an entire um section

815

00:35:19,910 --> 00:35:16,720

of the ship that was off limits

816

00:35:22,950 --> 00:35:19,920

that people that were

817

00:35:24,470 --> 00:35:22,960

buckaroo bonsai i remember that

818

00:35:26,230 --> 00:35:24,480

at different times and when the ship was

819

00:35:29,190 --> 00:35:26,240

configured that way

820

00:35:30,710 --> 00:35:29,200

so they were involved in all the

821

00:35:32,630 --> 00:35:30,720

programs

822

00:35:34,150 --> 00:35:32,640

and were embedded you know at the lunar

823

00:35:37,829 --> 00:35:34,160

operation command

824

00:35:39,270 --> 00:35:37,839

know that moon base he's been talking

825

00:35:41,670 --> 00:35:39,280

about for six years

826

00:35:42,950 --> 00:35:41,680

listen cory good anybody with a

827

00:35:44,950 --> 00:35:42,960

telescope

828

00:35:46,710 --> 00:35:44,960

can look at the surface of the moon and

829

00:35:49,990 --> 00:35:46,720

see there's no base on it

830

00:35:52,790 --> 00:35:50,000

anybody can go on nasa's website and see

831

00:35:54,470 --> 00:35:52,800

the far side of the moon and see that

832

00:35:57,990 --> 00:35:54,480

there's no base on it

833

00:35:59,190 --> 00:35:58,000

but you know better right and uh they

834

00:36:01,990 --> 00:35:59,200

were working

835

00:36:03,270 --> 00:36:02,000

with full knowledge the icc had full

836

00:36:05,829 --> 00:36:03,280

knowledge of it

837

00:36:06,710 --> 00:36:05,839

so the icc is kind of caught holding the

838

00:36:10,829 --> 00:36:06,720

bag

839

00:36:14,470 --> 00:36:10,839

so there the

840

00:36:17,750 --> 00:36:14,480

um fleet is basically suspended

841

00:36:18,230 --> 00:36:17,760

all of the people that were revealed on

842

00:36:20,630 --> 00:36:18,240

these

843

00:36:21,510 --> 00:36:20,640

rosters have gone into hiding or gone

844

00:36:24,069 --> 00:36:21,520

off to

845

00:36:25,270 --> 00:36:24,079

uh other like reptilian colonies and

846

00:36:27,349 --> 00:36:25,280

other places to where

847

00:36:29,349 --> 00:36:27,359

you know they're seeking ref oh no the

848

00:36:33,270 --> 00:36:29,359

reptilian colony

849

00:36:36,550 --> 00:36:33,280

where is this at cory good

850

00:36:40,630 --> 00:36:36,560

he never says huge and uh

851  
00:36:43,430 --> 00:36:40,640  
the city the corporate cities and

852  
00:36:44,710 --> 00:36:43,440  
facilities that create items that we

853  
00:36:47,030 --> 00:36:44,720  
trade

854  
00:36:49,190 --> 00:36:47,040  
are all completely locked down more

855  
00:36:51,270 --> 00:36:49,200  
totalitarian than anything

856  
00:36:52,470 --> 00:36:51,280  
they've ever experienced before they're

857  
00:36:55,670 --> 00:36:52,480  
all being interviewed

858  
00:36:58,630 --> 00:36:55,680  
they're all being watched very closely

859  
00:36:59,990 --> 00:36:58,640  
and they're looking for ssp alliance but

860  
00:37:03,349 --> 00:37:00,000  
they're also

861  
00:37:05,589 --> 00:37:03,359  
looking for dark fleet uh

862  
00:37:07,510 --> 00:37:05,599  
friendlies yeah and does anybody else

863  
00:37:09,349 --> 00:37:07,520

ever get every time i listen to this guy

864

00:37:11,670 --> 00:37:09,359

talk i i think about like

865

00:37:13,910 --> 00:37:11,680

five-year-olds on a playground we're the

866

00:37:15,589 --> 00:37:13,920

good guys and you're the bad guys he's

867

00:37:18,069 --> 00:37:15,599

got to have the good guys and the bad

868

00:37:19,910 --> 00:37:18,079

guys there's the ssp alliance

869

00:37:22,550 --> 00:37:19,920

that's where i worked we were the good

870

00:37:24,630 --> 00:37:22,560

guys we saved earth and time traveled

871

00:37:27,670 --> 00:37:24,640

and fought draco reptilian aliens in

872

00:37:31,030 --> 00:37:27,680

space and then there's the dark fleet

873

00:37:33,349 --> 00:37:31,040

oh and there's also the dark alliance

874

00:37:34,550 --> 00:37:33,359

with it it's kind of like a paranoia

875

00:37:37,270 --> 00:37:34,560

thing going on

876

00:37:39,589 --> 00:37:37,280

in the global galactic league of nations

877

00:37:42,790 --> 00:37:39,599

the global galactic league of nations

878

00:37:44,950 --> 00:37:42,800

right okay so so far we've got

879

00:37:46,230 --> 00:37:44,960

two fake imaginary friends that nobody

880

00:37:49,829 --> 00:37:46,240

could see

881

00:37:53,349 --> 00:37:49,839

two or three fake uh groups that he

882

00:37:56,550 --> 00:37:53,359

mentioned that nobody could verify exist

883

00:37:57,430 --> 00:37:56,560

it is a treasure trove of bullshittery

884

00:37:59,910 --> 00:37:57,440

friends

885

00:38:01,109 --> 00:37:59,920

working more and more with this galactic

886

00:38:02,630 --> 00:38:01,119

federation group

887

00:38:04,069 --> 00:38:02,640

and there are several we hear people

888

00:38:05,829 --> 00:38:04,079

talking about collecting federations

889

00:38:07,270 --> 00:38:05,839

there's not just one

890

00:38:11,190 --> 00:38:07,280

oh that explains it there's many

891

00:38:14,790 --> 00:38:12,790

global galactic league of nations has

892

00:38:16,069 --> 00:38:14,800

been working with

893

00:38:19,270 --> 00:38:16,079

and they're working more and more with

894

00:38:21,750 --> 00:38:19,280

them becoming more and more autonomous

895

00:38:23,109 --> 00:38:21,760

from us they're basically a complete

896

00:38:25,589 --> 00:38:23,119

breakaway

897

00:38:26,790 --> 00:38:25,599

you know civilization now and isn't it

898

00:38:28,630 --> 00:38:26,800

amazing

899

00:38:29,829 --> 00:38:28,640

that he's using the term breakaway

900

00:38:32,069 --> 00:38:29,839

civilization

901  
00:38:32,950 --> 00:38:32,079  
which is a term coined by richard dolan

902  
00:38:35,829 --> 00:38:32,960  
who

903  
00:38:36,150 --> 00:38:35,839  
uh if you follow the doc's gate you know

904  
00:38:38,069 --> 00:38:36,160  
he

905  
00:38:40,150 --> 00:38:38,079  
and his cult members cory good and his

906  
00:38:42,470 --> 00:38:40,160  
cult members were

907  
00:38:43,430 --> 00:38:42,480  
really trying to go after mr dolan and

908  
00:38:45,910 --> 00:38:43,440  
his wife

909  
00:38:47,190 --> 00:38:45,920  
for simply saying that his stories were

910  
00:38:50,710 --> 00:38:47,200  
most likely fiction

911  
00:38:52,069 --> 00:38:50,720  
and but he and and he trademarks terms

912  
00:38:52,950 --> 00:38:52,079  
and doesn't want anybody to be able to

913  
00:38:57,349 --> 00:38:52,960

use terms like

914

00:39:00,230 --> 00:38:57,359

ssp secret space program 20 and back

915

00:39:01,510 --> 00:39:00,240

right but it's okay that he lifts terms

916

00:39:02,950 --> 00:39:01,520

from other people

917

00:39:05,670 --> 00:39:02,960

like using the term breakaway

918

00:39:05,990 --> 00:39:05,680

civilization and isn't it also great

919

00:39:08,870 --> 00:39:06,000

that

920

00:39:09,589 --> 00:39:08,880

no nobody on earth knows about any of

921

00:39:11,510 --> 00:39:09,599

this

922

00:39:13,190 --> 00:39:11,520

just corey good right what are the

923

00:39:15,910 --> 00:39:13,200

chances this is real

924

00:39:16,630 --> 00:39:15,920

that not another single human being on

925

00:39:19,030 --> 00:39:16,640

earth

926  
00:39:21,670 --> 00:39:19,040  
knows about any of these galactic groups

927  
00:39:25,589 --> 00:39:21,680  
or these moon bases or the mars base

928  
00:39:28,870 --> 00:39:25,599  
or any these cities on mars and the moon

929  
00:39:32,550 --> 00:39:28,880  
nobody knows anything about that right

930  
00:39:34,310 --> 00:39:32,560  
only him they are

931  
00:39:36,230 --> 00:39:34,320  
under the tutelage i guess you could say

932  
00:39:38,150 --> 00:39:36,240  
of positive beings

933  
00:39:39,910 --> 00:39:38,160  
oh that's good positive the global

934  
00:39:43,109 --> 00:39:39,920  
galactic league of nations

935  
00:39:46,230 --> 00:39:43,119  
uh this information that uh

936  
00:39:49,030 --> 00:39:46,240  
uh sigmund revealed or released

937  
00:39:49,990 --> 00:39:49,040  
most likely to the leadership or to the

938  
00:39:51,829 --> 00:39:50,000

rank and fall

939

00:39:54,390 --> 00:39:51,839

this dude has fake alien friends yes he

940

00:39:57,030 --> 00:39:54,400

does kind of like clean up

941

00:39:58,390 --> 00:39:57,040

their act or identify a compromised

942

00:40:00,150 --> 00:39:58,400

person oh yeah lauren knows

943

00:40:02,470 --> 00:40:00,160

and they're working more closely with

944

00:40:04,710 --> 00:40:02,480

these different galactic federation

945

00:40:06,550 --> 00:40:04,720

is that a summary of fair summary yeah

946

00:40:10,069 --> 00:40:06,560

because within this information

947

00:40:13,109 --> 00:40:10,079

that um not good solids but uh

948

00:40:15,990 --> 00:40:13,119

sigmund uh disseminated

949

00:40:17,670 --> 00:40:16,000

was also information about a bunch of

950

00:40:23,750 --> 00:40:17,680

trade

951  
00:40:27,910 --> 00:40:23,760  
and technologies that the

952  
00:40:31,349 --> 00:40:27,920  
icc was secretly using this dark fleet

953  
00:40:33,990 --> 00:40:31,359  
to trade all of these things

954  
00:40:35,910 --> 00:40:34,000  
with different love enlightened

955  
00:40:36,950 --> 00:40:35,920  
litigation nations that were on the no

956  
00:40:39,030 --> 00:40:36,960  
trade list

957  
00:40:40,470 --> 00:40:39,040  
when we made deals with positive more

958  
00:40:41,910 --> 00:40:40,480  
positive beings

959  
00:40:43,589 --> 00:40:41,920  
all right so there's some aliens that

960  
00:40:45,190 --> 00:40:43,599  
we're allowed to trade with

961  
00:40:47,109 --> 00:40:45,200  
and there's some aliens that we're not

962  
00:40:49,750 --> 00:40:47,119  
allowed to trade with

963  
00:40:50,630 --> 00:40:49,760

i'm glad that he let me know because you

964

00:40:54,230 --> 00:40:50,640

know

965

00:40:57,430 --> 00:40:54,240

some earth dirt

966

00:41:01,030 --> 00:40:57,440

for some alien

967

00:41:03,670 --> 00:41:01,040

cannabis or alien gold and i need to

968

00:41:06,790 --> 00:41:03,680

know which aliens i'm allowed to

969

00:41:08,470 --> 00:41:06,800

have financial transactions with corey

970

00:41:10,470 --> 00:41:08,480

good so thank you for letting us all

971

00:41:12,309 --> 00:41:10,480

know there's some aliens that you can

972

00:41:13,030 --> 00:41:12,319

trade with some aliens you're not you

973

00:41:16,470 --> 00:41:13,040

can't

974

00:41:19,510 --> 00:41:16,480

um or maybe not positive

975

00:41:21,349 --> 00:41:19,520

just kind of immoral you know they

976  
00:41:23,670 --> 00:41:21,359  
by our standards they you know some of

977  
00:41:27,910 --> 00:41:23,680  
us may not consider them positive

978  
00:41:29,030 --> 00:41:27,920  
but uh so that is a potential conflict

979  
00:41:32,390 --> 00:41:29,040  
and a violation

980  
00:41:34,069 --> 00:41:32,400  
of laws that would allow some of the

981  
00:41:36,870 --> 00:41:34,079  
positive beings to come in

982  
00:41:37,270 --> 00:41:36,880  
and clean up but that has not occurred

983  
00:41:39,349 --> 00:41:37,280  
yet

984  
00:41:40,390 --> 00:41:39,359  
we're hearing a lot of you know

985  
00:41:43,190 --> 00:41:40,400  
information that

986  
00:41:45,990 --> 00:41:43,200  
uh reptilian bases are being cleaned out

987  
00:41:49,109 --> 00:41:46,000  
you know they're very much still there

988  
00:41:52,309 --> 00:41:49,119

the reptilian bases in antarctica

989

00:41:55,589 --> 00:41:52,319

um there's some in alaska alaska

990

00:41:57,990 --> 00:41:55,599

africa uh even california

991

00:41:58,790 --> 00:41:58,000

all right here this is getting thick i

992

00:42:02,630 --> 00:41:58,800

mean i'm gonna need

993

00:42:05,430 --> 00:42:02,640

waders if the bs gets any tall you know

994

00:42:06,550 --> 00:42:05,440

thicker in here so there's reptilian

995

00:42:11,030 --> 00:42:06,560

alien bases

996

00:42:13,750 --> 00:42:11,040

in antarctica alaska africa california

997

00:42:18,550 --> 00:42:13,760

and nobody knows about those secret

998

00:42:21,510 --> 00:42:18,560

reptilian alien bases only corey good

999

00:42:23,430 --> 00:42:21,520

and and again this guy is getting

1000

00:42:24,710 --> 00:42:23,440

pummeled by people on the internet

1001  
00:42:27,349 --> 00:42:24,720  
making fun of him

1002  
00:42:29,270 --> 00:42:27,359  
for being a fraud and a fake and a fairy

1003  
00:42:32,390 --> 00:42:29,280  
tale huckster and a liar

1004  
00:42:34,550 --> 00:42:32,400  
if he really knew where alien bases were

1005  
00:42:36,470 --> 00:42:34,560  
on earth why doesn't he just go there

1006  
00:42:39,349 --> 00:42:36,480  
and show us the alien base

1007  
00:42:41,190 --> 00:42:39,359  
and then say there's the aliens there's

1008  
00:42:42,790 --> 00:42:41,200  
the aliens you dummies i told you there

1009  
00:42:44,710 --> 00:42:42,800  
was aliens you didn't trust me you

1010  
00:42:46,870 --> 00:42:44,720  
didn't believe me you said i was a liar

1011  
00:42:48,470 --> 00:42:46,880  
look at look at those reptilian aliens

1012  
00:42:50,870 --> 00:42:48,480  
anally probing people

1013  
00:42:52,710 --> 00:42:50,880

in this secret base in antarctica or

1014

00:42:55,030 --> 00:42:52,720

california or africa

1015

00:42:56,550 --> 00:42:55,040

why doesn't he show us the alien bases

1016

00:42:58,390 --> 00:42:56,560

he's saying that there's these alien

1017

00:43:01,190 --> 00:42:58,400

bases and he knows where they are

1018

00:43:02,710 --> 00:43:01,200

show us the aliens corey good or are you

1019

00:43:04,790 --> 00:43:02,720

just going to keep on telling stories

1020

00:43:05,670 --> 00:43:04,800

for another six years without showing us

1021

00:43:09,910 --> 00:43:05,680

anything

1022

00:43:12,870 --> 00:43:09,920

underground um mexico

1023

00:43:14,230 --> 00:43:12,880

all of those are still completely intact

1024

00:43:17,190 --> 00:43:14,240

and

1025

00:43:18,630 --> 00:43:17,200

but these um but they've taken in a lot

1026

00:43:20,790 --> 00:43:18,640

of human refugees

1027

00:43:23,030 --> 00:43:20,800

and i don't know how well that will work

1028

00:43:25,589 --> 00:43:23,040

out for the human refugees

1029

00:43:27,109 --> 00:43:25,599

uh-oh according to carrie cassidy

1030

00:43:29,510 --> 00:43:27,119

reptilian aliens

1031

00:43:30,390 --> 00:43:29,520

like to have sex with humans and then

1032

00:43:32,309 --> 00:43:30,400

eat them

1033

00:43:33,990 --> 00:43:32,319

maybe that's what he means this is not

1034

00:43:34,870 --> 00:43:34,000

going to work out well for those human

1035

00:43:38,470 --> 00:43:34,880

refugees

1036

00:43:40,470 --> 00:43:38,480

they could be eaten they could be banged

1037

00:43:43,030 --> 00:43:40,480

i wouldn't want to be one of those human

1038

00:43:44,710 --> 00:43:43,040

refugees at the secret reptilian bases

1039

00:43:47,829 --> 00:43:44,720

that he is talking about

1040

00:43:49,829 --> 00:43:47,839

this is getting good but

1041

00:43:52,470 --> 00:43:49,839

you know these human refugees have been

1042

00:43:55,589 --> 00:43:52,480

working side by side with the reptilians

1043

00:43:58,630 --> 00:43:55,599

in trade and conquest for

1044

00:44:00,870 --> 00:43:58,640

decades so

1045

00:44:02,069 --> 00:44:00,880

just while we're on the the global

1046

00:44:05,109 --> 00:44:02,079

collection and not one of them

1047

00:44:07,109 --> 00:44:05,119

escaped with a picture or any proof that

1048

00:44:08,790 --> 00:44:07,119

they were working with aliens

1049

00:44:10,230 --> 00:44:08,800

they were working with reptilian aliens

1050

00:44:12,630 --> 00:44:10,240

for decades

1051  
00:44:13,670 --> 00:44:12,640  
and no one escaped with any proof or

1052  
00:44:17,430 --> 00:44:13,680  
anything like that

1053  
00:44:19,430 --> 00:44:17,440  
yeah this he doesn't even think through

1054  
00:44:21,430 --> 00:44:19,440  
the fairy tales that come out of his

1055  
00:44:23,030 --> 00:44:21,440  
mouth like the league of nations i mean

1056  
00:44:26,950 --> 00:44:23,040  
they they largely operate

1057  
00:44:29,990 --> 00:44:26,960  
outside of our solar system doing this

1058  
00:44:33,430 --> 00:44:30,000  
yeah i think so to uh find

1059  
00:44:35,990 --> 00:44:33,440  
technologies that might he said

1060  
00:44:38,150 --> 00:44:36,000  
not me i mean that's what recalled

1061  
00:44:41,750 --> 00:44:38,160  
you've explained that in the past

1062  
00:44:45,109 --> 00:44:41,760  
so now this could tell us dudes

1063  
00:44:50,309 --> 00:44:45,119

relationships no no i never am

1064

00:44:54,950 --> 00:44:53,750

organizations out there um this kind of

1065

00:44:58,790 --> 00:44:54,960

information

1066

00:45:01,510 --> 00:44:58,800

of uh these atrocities occurring

1067

00:45:03,349 --> 00:45:01,520

you know that that compromises them is

1068

00:45:05,670 --> 00:45:03,359

is that why they're concerned is

1069

00:45:07,190 --> 00:45:05,680

is uh are they under some kind of

1070

00:45:10,309 --> 00:45:07,200

lockdown as well

1071

00:45:11,510 --> 00:45:10,319

oh yeah it just so happens that that the

1072

00:45:13,430 --> 00:45:11,520

aliens

1073

00:45:15,910 --> 00:45:13,440

are under lockdowns and he's talking

1074

00:45:17,270 --> 00:45:15,920

about multinational corporations that

1075

00:45:20,470 --> 00:45:17,280

control the secret

1076

00:45:22,950 --> 00:45:20,480

mars cities and and and lunar cities

1077

00:45:24,710 --> 00:45:22,960

locking everybody down coincidentally

1078

00:45:25,349 --> 00:45:24,720

right when we're all getting locked down

1079

00:45:29,109 --> 00:45:25,359

right

1080

00:45:30,150 --> 00:45:29,119

yeah jeez man this guy's got to get

1081

00:45:32,069 --> 00:45:30,160

better material

1082

00:45:33,270 --> 00:45:32,079

because i can't keep doing this at this

1083

00:45:36,710 --> 00:45:33,280

this level of

1084

00:45:40,230 --> 00:45:36,720

this is quite possibly the worst

1085

00:45:41,750 --> 00:45:40,240

of the the garbage that i have sometimes

1086

00:45:43,589 --> 00:45:41,760

some stuff that he says you could tell

1087

00:45:46,550 --> 00:45:43,599

he really worked on this was

1088

00:45:47,589 --> 00:45:46,560

this was an amateur hour attempt by cory

1089

00:45:51,109 --> 00:45:47,599

good to keep the

1090

00:45:53,750 --> 00:45:51,119

grift con rolling uh

1091

00:45:54,230 --> 00:45:53,760

they are completely outside of the solar

1092

00:45:58,309 --> 00:45:54,240

system

1093

00:46:00,550 --> 00:45:58,319

this group and it was created

1094

00:46:01,750 --> 00:46:00,560

by all of the different nations

1095

00:46:05,030 --> 00:46:01,760

contributing a small

1096

00:46:08,069 --> 00:46:05,040

percentage of their gdp to a

1097

00:46:11,829 --> 00:46:08,079

giant um

1098

00:46:14,950 --> 00:46:11,839

what was it uh continuity of species

1099

00:46:15,510 --> 00:46:14,960

um program yeah so every nation on earth

1100

00:46:18,230 --> 00:46:15,520

is giving

1101  
00:46:19,670 --> 00:46:18,240  
a percentage of their gdp to a secret

1102  
00:46:22,630 --> 00:46:19,680  
space program

1103  
00:46:24,790 --> 00:46:22,640  
and nobody blew the whistle on that out

1104  
00:46:27,670 --> 00:46:24,800  
of every country on earth

1105  
00:46:28,069 --> 00:46:27,680  
nobody went why wow there's a secret

1106  
00:46:30,390 --> 00:46:28,079  
space

1107  
00:46:32,309 --> 00:46:30,400  
program to ensure the survival of the

1108  
00:46:33,030 --> 00:46:32,319  
human species and we're all contributing

1109  
00:46:36,309 --> 00:46:33,040  
to it

1110  
00:46:38,710 --> 00:46:36,319  
somebody should alert the media there's

1111  
00:46:39,910 --> 00:46:38,720  
every country on earth he's saying is

1112  
00:46:42,309 --> 00:46:39,920  
contributing to this

1113  
00:46:43,270 --> 00:46:42,319

and nobody talked about it everybody

1114

00:46:46,309 --> 00:46:43,280

kept the secret

1115

00:46:48,150 --> 00:46:46,319

sure corey and and that's why they

1116

00:46:49,990 --> 00:46:48,160

people always say this is like corey and

1117

00:46:53,030 --> 00:46:50,000

his stories

1118

00:46:54,790 --> 00:46:53,040

this is this is it's it's like

1119

00:46:57,589 --> 00:46:54,800

when i listen to corey good i think of

1120

00:46:59,430 --> 00:46:57,599

those terrible 80s sci-fi movies that

1121

00:47:02,470 --> 00:46:59,440

used to be on saturdays

1122

00:47:03,349 --> 00:47:02,480

saturday afternoon on uhf you know the

1123

00:47:05,349 --> 00:47:03,359

shitty

1124

00:47:10,710 --> 00:47:05,359

staticky channels that we had there i'm

1125

00:47:13,109 --> 00:47:10,720

sure my age yeah i remember uhf

1126  
00:47:14,470 --> 00:47:13,119  
and initially they're the ones that were

1127  
00:47:15,109 --> 00:47:14,480  
building a lot of these underground

1128  
00:47:17,750 --> 00:47:15,119  
bases

1129  
00:47:19,030 --> 00:47:17,760  
which slowly got taken over and

1130  
00:47:21,430 --> 00:47:19,040  
redirected

1131  
00:47:22,309 --> 00:47:21,440  
but this money also went to help them

1132  
00:47:25,430 --> 00:47:22,319  
build out

1133  
00:47:28,549 --> 00:47:25,440  
colonies on in other star systems

1134  
00:47:31,589 --> 00:47:28,559  
and they were really to have

1135  
00:47:34,230 --> 00:47:31,599  
all of the science knowledge of humanity

1136  
00:47:34,790 --> 00:47:34,240  
all the best genetics uh the people

1137  
00:47:38,230 --> 00:47:34,800  
there

1138  
00:47:39,430 --> 00:47:38,240

are extremely healthy they uh

1139

00:47:41,589 --> 00:47:39,440

they've been through all sorts of

1140

00:47:43,109 --> 00:47:41,599

genetic therapy and also

1141

00:47:45,030 --> 00:47:43,119

all sorts of disease and stuff removed

1142

00:47:48,150 --> 00:47:45,040

from their body genome

1143

00:47:51,589 --> 00:47:48,160

it's all been edited out and

1144

00:47:54,069 --> 00:47:51,599

they're kind of living you know

1145

00:47:55,589 --> 00:47:54,079

kind of a lot more advanced life like we

1146

00:47:58,549 --> 00:47:55,599

would like to live

1147

00:47:59,430 --> 00:47:58,559

and they've been building out

1148

00:48:02,549 --> 00:47:59,440

infrastructure

1149

00:48:04,470 --> 00:48:02,559

and that that was their main purpose um

1150

00:48:05,750 --> 00:48:04,480

it was a purpose of peace it wasn't

1151  
00:48:07,349 --> 00:48:05,760  
really of

1152  
00:48:09,270 --> 00:48:07,359  
weaponry yeah i agree with you nicholas

1153  
00:48:12,549 --> 00:48:09,280  
it was too

1154  
00:48:13,829 --> 00:48:12,559  
it was for peaceful purposes and they

1155  
00:48:17,190 --> 00:48:13,839  
were also

1156  
00:48:20,230 --> 00:48:17,200  
seeking peaceful contact with other

1157  
00:48:21,829 --> 00:48:20,240  
uh human-like groups well i'm happy to

1158  
00:48:25,670 --> 00:48:21,839  
know that they're benevolent

1159  
00:48:28,549 --> 00:48:25,680  
aliens out there boy

1160  
00:48:29,190 --> 00:48:28,559  
so so they still are largely uh a kind

1161  
00:48:33,030 --> 00:48:29,200  
of

1162  
00:48:35,829 --> 00:48:33,040  
colonies

1163  
00:48:36,230 --> 00:48:35,839

outside of our solar system working with

1164

00:48:41,430 --> 00:48:36,240

uh

1165

00:48:43,190 --> 00:48:41,440

and yeah so there's con there's there's

1166

00:48:43,990 --> 00:48:43,200

human colonies outside of our solar

1167

00:48:47,349 --> 00:48:44,000

system and

1168

00:48:49,349 --> 00:48:47,359

nobody knows about it at nasa

1169

00:48:50,870 --> 00:48:49,359

or the united states government or you

1170

00:48:52,710 --> 00:48:50,880

know the british government or the

1171

00:48:54,390 --> 00:48:52,720

canadian government nobody knows about

1172

00:48:57,109 --> 00:48:54,400

these secret

1173

00:48:57,990 --> 00:48:57,119

you know earth colonies outside of our

1174

00:49:01,430 --> 00:48:58,000

solar system

1175

00:49:04,790 --> 00:49:01,440

just this guy corey good right some some

1176

00:49:07,670 --> 00:49:04,800

failed i.t guy from texas

1177

00:49:08,069 --> 00:49:07,680

sure uh they're very concerned about

1178

00:49:10,549 --> 00:49:08,079

this

1179

00:49:12,150 --> 00:49:10,559

solar flash event i mean in your report

1180

00:49:15,109 --> 00:49:12,160

you mentioned that

1181

00:49:16,390 --> 00:49:15,119

so corey goode has been talking about a

1182

00:49:18,549 --> 00:49:16,400

solar event

1183

00:49:20,710 --> 00:49:18,559

for six years guess what it never

1184

00:49:23,030 --> 00:49:20,720

happened and it likely never will i mean

1185

00:49:24,790 --> 00:49:23,040

there's solar cycles for sure

1186

00:49:27,190 --> 00:49:24,800

see that's what i think he's betting on

1187

00:49:28,150 --> 00:49:27,200

he's betting on maybe some solar flare

1188

00:49:29,510 --> 00:49:28,160

activity

1189

00:49:31,510 --> 00:49:29,520

you know spiking up and then he could

1190

00:49:32,950 --> 00:49:31,520

say see that's the solar flash event

1191

00:49:34,230 --> 00:49:32,960

that i've been talking about for six

1192

00:49:36,870 --> 00:49:34,240

years

1193

00:49:38,230 --> 00:49:36,880

uh so it seems that they're pretty kind

1194

00:49:40,150 --> 00:49:38,240

of separate to

1195

00:49:42,710 --> 00:49:40,160

separated and i gotta say i love this

1196

00:49:46,630 --> 00:49:42,720

guy michael sala he is a doctor

1197

00:49:50,630 --> 00:49:46,640

he is a very educated man and he

1198

00:49:53,430 --> 00:49:50,640

has been like corey goode's loyal puppy

1199

00:49:54,790 --> 00:49:53,440

for six years now every time corey good

1200

00:49:56,630 --> 00:49:54,800

needs somebody to help him tell his

1201  
00:49:59,510 --> 00:49:56,640  
fairy tales michael silas

1202  
00:50:01,030 --> 00:49:59,520  
me me corey me corey let me to help you

1203  
00:50:04,470 --> 00:50:01,040  
tell your fairy tales

1204  
00:50:06,470 --> 00:50:04,480  
him and james gilead or from

1205  
00:50:09,510 --> 00:50:06,480  
what's happening currently in our solar

1206  
00:50:12,710 --> 00:50:09,520  
system with the lockdowns the reptilian

1207  
00:50:16,549 --> 00:50:12,720  
bases and

1208  
00:50:20,710 --> 00:50:16,559  
the icc operations okay

1209  
00:50:24,069 --> 00:50:20,720  
uh so so with the icc then uh

1210  
00:50:27,030 --> 00:50:24,079  
what what is it that uh they are doing

1211  
00:50:27,829 --> 00:50:27,040  
um you know with the with these

1212  
00:50:30,710 --> 00:50:27,839  
lockdowns

1213  
00:50:31,190 --> 00:50:30,720

i mean they're trying to how unoriginal

1214

00:50:32,470 --> 00:50:31,200

really

1215

00:50:35,270 --> 00:50:32,480

these guys are going to talk about

1216

00:50:38,829 --> 00:50:35,280

aliens and alien cities getting put down

1217

00:50:42,309 --> 00:50:38,839

put under lockdown right now jesus

1218

00:50:46,309 --> 00:50:42,319

identify um operatives from the

1219

00:50:49,030 --> 00:50:46,319

sphere being also from the ssp alliance

1220

00:50:51,109 --> 00:50:49,040

and uh dark fleet operatives are they

1221

00:50:53,030 --> 00:50:51,119

doing this because

1222

00:50:54,230 --> 00:50:53,040

uh you know they they want to squash

1223

00:50:56,790 --> 00:50:54,240

descent

1224

00:50:57,270 --> 00:50:56,800

in these icc colonies or just because

1225

00:51:00,950 --> 00:50:57,280

you know

1226

00:51:02,870 --> 00:51:00,960

they they have this kind of like um

1227

00:51:04,470 --> 00:51:02,880

this mindset where you know if you're

1228

00:51:07,270 --> 00:51:04,480

not with them

1229

00:51:07,670 --> 00:51:07,280

then they don't want you there at all

1230

00:51:09,910 --> 00:51:07,680

well

1231

00:51:12,630 --> 00:51:09,920

i think it's kind of a saving their own

1232

00:51:19,430 --> 00:51:16,069

sort of uh angle for them

1233

00:51:22,870 --> 00:51:19,440

they made some very serious deals with

1234

00:51:25,990 --> 00:51:22,880

over 900 other civilizations

1235

00:51:27,990 --> 00:51:26,000

sure sure so corey goode

1236

00:51:29,030 --> 00:51:28,000

has all this you know all this

1237

00:51:31,910 --> 00:51:29,040

information

1238

00:51:32,390 --> 00:51:31,920

about deals being made with 900

1239

00:51:35,190 --> 00:51:32,400

different

1240

00:51:36,390 --> 00:51:35,200

intelligent species from elsewhere other

1241

00:51:38,790 --> 00:51:36,400

than earth

1242

00:51:39,510 --> 00:51:38,800

and nobody else knows about it but corey

1243

00:51:41,430 --> 00:51:39,520

good

1244

00:51:43,430 --> 00:51:41,440

maybe he really is earth's galactic

1245

00:51:45,270 --> 00:51:43,440

ambassador

1246

00:51:47,910 --> 00:51:45,280

how come nobody else knows about these

1247

00:51:50,390 --> 00:51:47,920

900 other intelligent species that we're

1248

00:51:53,349 --> 00:51:50,400

making deals with corey good just you

1249

00:51:54,950 --> 00:51:53,359

we're in trade with and the deal was

1250

00:51:56,790 --> 00:51:54,960

we'll do trade with you

1251  
00:51:59,349 --> 00:51:56,800  
but you cannot do trade with these

1252  
00:52:02,309 --> 00:51:59,359  
groups and we agreed to it

1253  
00:52:03,910 --> 00:52:02,319  
and they're ramifications so i don't

1254  
00:52:04,790 --> 00:52:03,920  
know what those ramifications are but i

1255  
00:52:08,470 --> 00:52:04,800  
don't think the ic

1256  
00:52:10,470 --> 00:52:08,480  
yeah or usa too yeah and

1257  
00:52:12,309 --> 00:52:10,480  
just like the cabal all these different

1258  
00:52:13,109 --> 00:52:12,319  
groups they always have a fall guy they

1259  
00:52:15,430 --> 00:52:13,119  
always have

1260  
00:52:17,510 --> 00:52:15,440  
a group or a person below them that they

1261  
00:52:19,990 --> 00:52:17,520  
can say they were acting autonomously

1262  
00:52:20,870 --> 00:52:20,000  
this was uh horrible we're going to

1263  
00:52:22,710 --> 00:52:20,880

punish them

1264

00:52:24,470 --> 00:52:22,720

and but when really it was their left

1265

00:52:26,390 --> 00:52:24,480

hand that was doing it

1266

00:52:28,950 --> 00:52:26,400

yeah ryan's asking is in the hotel room

1267

00:52:32,069 --> 00:52:28,960

i have no idea information leaks from

1268

00:52:34,630 --> 00:52:32,079

sigmund really created this problem

1269

00:52:36,309 --> 00:52:34,640

for the wow so the information leaks

1270

00:52:37,109 --> 00:52:36,319

from corey good's imaginary friend

1271

00:52:40,549 --> 00:52:37,119

sigmund

1272

00:52:44,549 --> 00:52:40,559

created all these problems icc

1273

00:52:50,230 --> 00:52:44,559

because then it became more widespread

1274

00:52:53,910 --> 00:52:52,470

um well you know there's there's some

1275

00:52:57,990 --> 00:52:53,920

information out there

1276

00:53:00,870 --> 00:52:58,000

that um uh that the

1277

00:53:02,230 --> 00:53:00,880

human civilizations or the human

1278

00:53:05,190 --> 00:53:02,240

colonies on mars

1279

00:53:07,510 --> 00:53:05,200

are being encouraged or assisted by one

1280

00:53:09,910 --> 00:53:07,520

of the galactic federations

1281

00:53:12,549 --> 00:53:09,920

to rebel well that's another thing the

1282

00:53:15,829 --> 00:53:12,559

uh all the mars rovers and robots

1283

00:53:18,790 --> 00:53:15,839

on mars they don't ever see

1284

00:53:20,390 --> 00:53:18,800

the human colonies on mars michael salad

1285

00:53:21,829 --> 00:53:20,400

just states things as if they're

1286

00:53:24,150 --> 00:53:21,839

absolute fact

1287

00:53:26,309 --> 00:53:24,160

that a normal rational person would say

1288

00:53:27,910 --> 00:53:26,319

well wait wait wait wait wait wait

1289

00:53:29,829 --> 00:53:27,920

wait human colonies you're saying

1290

00:53:31,990 --> 00:53:29,839

there's human colonies on mars

1291

00:53:33,430 --> 00:53:32,000

and a normal rational critically

1292

00:53:35,430 --> 00:53:33,440

thinking person would say

1293

00:53:36,630 --> 00:53:35,440

do you have proof of this or you just

1294

00:53:39,510 --> 00:53:36,640

make me making this [h\_\_h]

1295

00:53:41,910 --> 00:53:39,520

up but michael salad just makes

1296

00:53:42,390 --> 00:53:41,920

statements as if they're factual like oh

1297

00:53:44,069 --> 00:53:42,400

so

1298

00:53:45,750 --> 00:53:44,079

this is what's going on in the human

1299

00:53:47,750 --> 00:53:45,760

colonies on mars then

1300

00:53:48,790 --> 00:53:47,760

first of all you have to establish

1301

00:53:51,750 --> 00:53:48,800

michael sala

1302

00:53:53,510 --> 00:53:51,760

that there is human colonies on mars and

1303

00:53:56,790 --> 00:53:53,520

there isn't

1304

00:53:57,910 --> 00:53:56,800

but okay um do you know anything about

1305

00:54:01,190 --> 00:53:57,920

that or or that

1306

00:54:03,109 --> 00:54:01,200

and that the indigenous uh peoples

1307

00:54:05,270 --> 00:54:03,119

on mars and we're talking about the

1308

00:54:08,230 --> 00:54:05,280

indigenous reptilians the indigenous

1309

00:54:10,150 --> 00:54:08,240

insectoids are being aided by the

1310

00:54:12,950 --> 00:54:10,160

galactic oh yes and there's indigenous

1311

00:54:15,030 --> 00:54:12,960

insectoid aliens on mars and they're

1312

00:54:16,230 --> 00:54:15,040

being aided by the galactic federation

1313

00:54:19,349 --> 00:54:16,240

right

1314

00:54:22,470 --> 00:54:19,359

jesus christ this is worse than a usa

1315

00:54:25,829 --> 00:54:22,480

or vhf you know uh

1316

00:54:28,630 --> 00:54:25,839

saturday afternoon 80s low-budget sci-fi

1317

00:54:29,589 --> 00:54:28,640

garbage movie tactic federation or one

1318

00:54:33,190 --> 00:54:29,599

of them

1319

00:54:35,510 --> 00:54:33,200

uh to to rebel against the um

1320

00:54:36,390 --> 00:54:35,520

against the reptilians against the human

1321

00:54:39,030 --> 00:54:36,400

overlords

1322

00:54:41,030 --> 00:54:39,040

do you know anything about that i'm not

1323

00:54:44,390 --> 00:54:41,040

aware of any

1324

00:54:48,549 --> 00:54:44,400

reptilians or insectoids that are native

1325

00:54:51,670 --> 00:54:48,559

to mars um wow even corey good is saying

1326

00:54:55,270 --> 00:54:53,430

they've all come from other timelines

1327

00:54:57,589 --> 00:54:55,280

and from other star systems

1328

00:54:58,870 --> 00:54:57,599

over eons they may have lived there for

1329

00:55:00,710 --> 00:54:58,880

many many generations

1330

00:55:02,069 --> 00:55:00,720

oh okay no he's making it more

1331

00:55:04,069 --> 00:55:02,079

fantastical so

1332

00:55:05,990 --> 00:55:04,079

the insectoid aliens and the reptilian

1333

00:55:09,349 --> 00:55:06,000

aliens aren't indigenous to mars they

1334

00:55:10,309 --> 00:55:09,359

came from you know they came through a

1335

00:55:12,470 --> 00:55:10,319

time warp

1336

00:55:13,349 --> 00:55:12,480

and may have lived there but they're not

1337

00:55:17,109 --> 00:55:13,359

indigenous

1338

00:55:18,549 --> 00:55:17,119

okay jesus christ corey good get a real

1339

00:55:21,829 --> 00:55:18,559

job bro

1340

00:55:27,430 --> 00:55:21,839

but that's not where they're from um

1341

00:55:29,430 --> 00:55:27,440

but the um the bases the cities

1342

00:55:30,950 --> 00:55:29,440

they are such totalitarian type of

1343

00:55:34,549 --> 00:55:30,960

environments anyway

1344

00:55:36,950 --> 00:55:34,559

to where it's like you know

1345

00:55:37,990 --> 00:55:36,960

they're psychologically suppressed too

1346

00:55:39,750 --> 00:55:38,000

it's like you know

1347

00:55:41,750 --> 00:55:39,760

in south korea you know you have all of

1348

00:55:44,069 --> 00:55:41,760

these people

1349

00:55:44,870 --> 00:55:44,079

starving why aren't they storming the

1350

00:55:47,270 --> 00:55:44,880

cities you know

1351  
00:55:48,549 --> 00:55:47,280  
they've been psychologically all their

1352  
00:55:51,349 --> 00:55:48,559  
lives

1353  
00:55:52,710 --> 00:55:51,359  
put into this material candidate kind of

1354  
00:55:53,510 --> 00:55:52,720  
well that's not the right one the right

1355  
00:55:56,950 --> 00:55:53,520  
word but

1356  
00:56:01,109 --> 00:55:56,960  
put into this really weird mental state

1357  
00:56:04,230 --> 00:56:01,119  
and it is so locked down

1358  
00:56:07,510 --> 00:56:04,240  
that i mean i don't see

1359  
00:56:09,510 --> 00:56:07,520  
um how they could really

1360  
00:56:12,150 --> 00:56:09,520  
fight back it's yeah lockdown lockdown

1361  
00:56:13,670 --> 00:56:12,160  
lockdown lockdown how original is this

1362  
00:56:15,750 --> 00:56:13,680  
story

1363  
00:56:17,349 --> 00:56:15,760

he must have said lockdam 20 times we're

1364

00:56:21,270 --> 00:56:17,359

only 16 minutes in

1365

00:56:23,750 --> 00:56:21,280

it's a complete totalitarian

1366

00:56:26,150 --> 00:56:23,760

system that they're in and the fact that

1367

00:56:27,270 --> 00:56:26,160

the secret space program had infiltrated

1368

00:56:30,150 --> 00:56:27,280

different

1369

00:56:31,430 --> 00:56:30,160

uh the ssp alliance had infiltrated some

1370

00:56:34,950 --> 00:56:31,440

of these places

1371

00:56:36,470 --> 00:56:34,960

had detonated devices

1372

00:56:40,390 --> 00:56:36,480

in some of the places where they

1373

00:56:43,910 --> 00:56:42,309

items that they trade outside of our

1374

00:56:46,630 --> 00:56:43,920

solar system um

1375

00:56:48,309 --> 00:56:46,640

some of the ships that were used we were

1376

00:56:50,870 --> 00:56:48,319

able somehow to

1377

00:56:52,390 --> 00:56:50,880

sabotage them and then they were left

1378

00:56:55,589 --> 00:56:52,400

kind of derelict

1379

00:56:56,870 --> 00:56:55,599

out and got busted by other groups

1380

00:56:59,430 --> 00:56:56,880

so there have been a number of things

1381

00:57:01,190 --> 00:56:59,440

that the ssp alliance has done that has

1382

00:57:02,150 --> 00:57:01,200

okay so there's derelict spaceships out

1383

00:57:03,109 --> 00:57:02,160

there that means they're just floating

1384

00:57:04,549 --> 00:57:03,119

around in space

1385

00:57:06,710 --> 00:57:04,559

why don't you show us proof of those

1386

00:57:10,069 --> 00:57:06,720

corey good been

1387

00:57:12,789 --> 00:57:10,079

crippling things and and harming things

1388

00:57:14,230 --> 00:57:12,799

but in return it's just they've locked

1389

00:57:16,870 --> 00:57:14,240

down even more i mean

1390

00:57:17,750 --> 00:57:16,880

he said lockdown again a lot of these

1391

00:57:19,670 --> 00:57:17,760

people

1392

00:57:20,950 --> 00:57:19,680

they're not working the facilities

1393

00:57:24,309 --> 00:57:20,960

aren't producing

1394

00:57:27,510 --> 00:57:24,319

a lot of listen to this listen to him

1395

00:57:27,990 --> 00:57:27,520

reflecting the real situation in the

1396

00:57:30,230 --> 00:57:28,000

world

1397

00:57:31,430 --> 00:57:30,240

and turning it into a space story

1398

00:57:33,030 --> 00:57:31,440

there's a lockdown

1399

00:57:34,630 --> 00:57:33,040

a lot of these people aren't working

1400

00:57:38,710 --> 00:57:34,640

right now

1401

00:57:41,190 --> 00:57:38,720

right very very unoriginal

1402

00:57:42,470 --> 00:57:41,200

very unoriginal query good it's as if

1403

00:57:45,990 --> 00:57:42,480

your subconscious

1404

00:57:49,030 --> 00:57:46,000

through this health pandemic

1405

00:57:51,589 --> 00:57:49,040

is bleeding into your conscious mind

1406

00:57:53,030 --> 00:57:51,599

and you're just regurgitating things

1407

00:57:57,270 --> 00:57:53,040

from your subconscious

1408

00:57:58,710 --> 00:57:57,280

lock downs people aren't working yeah

1409

00:58:03,349 --> 00:57:58,720

and isn't that nice he's got a blue

1410

00:58:08,789 --> 00:58:06,950

um a lot of the things that they trade

1411

00:58:09,829 --> 00:58:08,799

right now so a lot of these people are

1412

00:58:13,109 --> 00:58:09,839

like prisoners in their

1413

00:58:14,069 --> 00:58:13,119

rooms you know it's really it's gotten

1414

00:58:16,390 --> 00:58:14,079

really gloomy

1415

00:58:17,270 --> 00:58:16,400

for a lot of them yeah again he's just

1416

00:58:19,109 --> 00:58:17,280

reflecting

1417

00:58:21,430 --> 00:58:19,119

the current situation on earth and

1418

00:58:24,390 --> 00:58:21,440

turning it into a science fiction story

1419

00:58:25,510 --> 00:58:24,400

out into mars colony or something it's

1420

00:58:27,589 --> 00:58:25,520

so

1421

00:58:28,710 --> 00:58:27,599

transparent here that that's what he's

1422

00:58:31,430 --> 00:58:28,720

doing

1423

00:58:32,230 --> 00:58:31,440

now that's not to say that that's going

1424

00:58:34,870 --> 00:58:32,240

to change

1425

00:58:36,230 --> 00:58:34,880

you know i mean i we definitely expect

1426

00:58:39,829 --> 00:58:36,240

it to change

1427

00:58:43,589 --> 00:58:39,839

but um now it's not a time

1428

00:58:47,270 --> 00:58:43,599

for people you know who are

1429

00:58:49,750 --> 00:58:47,280

down into the earthly alliance stuff or

1430

00:58:51,030 --> 00:58:49,760

space alliance for people to kick back

1431

00:58:53,510 --> 00:58:51,040

and start celebrating

1432

00:58:55,990 --> 00:58:53,520

victory because you're celebrating

1433

00:58:59,030 --> 00:58:56,000

prematurely

1434

00:59:02,150 --> 00:58:59,040

there is a lot of conflict going on

1435

00:59:06,150 --> 00:59:02,160

between even between china and

1436

00:59:08,549 --> 00:59:06,160

space force assets we've seen some

1437

00:59:11,190 --> 00:59:08,559

on earth because of that there are

1438

00:59:14,150 --> 00:59:11,200

things going on multiple levels

1439

00:59:16,549 --> 00:59:14,160

um that show that the leadership of this

1440

00:59:18,309 --> 00:59:16,559

breakaway civilization is on its heels

1441

00:59:20,069 --> 00:59:18,319

again he used richard dolan's term

1442

00:59:21,349 --> 00:59:20,079

breakaway civilization i think that

1443

00:59:25,190 --> 00:59:21,359

richard dolan should

1444

00:59:26,950 --> 00:59:25,200

copyright that and sue corey good

1445

00:59:29,910 --> 00:59:26,960

if corey good could sue somebody for

1446

00:59:32,230 --> 00:59:29,920

using the term ssp or 20 and back

1447

00:59:34,309 --> 00:59:32,240

how come he gets to use richard dolan's

1448

00:59:36,630 --> 00:59:34,319

term breakaway civilization

1449

00:59:38,069 --> 00:59:36,640

so much that's the second or third time

1450

00:59:41,750 --> 00:59:38,079

he's used that term

1451

00:59:44,789 --> 00:59:41,760

but by no means is are we in a

1452

00:59:47,990 --> 00:59:44,799

you know victorious situation right now

1453

00:59:52,789 --> 00:59:51,270

so you know it's while there is this

1454

00:59:55,270 --> 00:59:52,799

kind of like general sense that there's

1455

00:59:58,470 --> 00:59:55,280

an awakening process on the earth

1456

00:59:59,750 --> 00:59:58,480

uh where there's more resistance now to

1457

01:00:02,390 --> 00:59:59,760

the deep state and

1458

01:00:03,829 --> 01:00:02,400

greater awareness and of course there's

1459

01:00:05,430 --> 01:00:03,839

you know political

1460

01:00:07,190 --> 01:00:05,440

turmoil in the united states at the

1461

01:00:09,030 --> 01:00:07,200

moment

1462

01:00:10,710 --> 01:00:09,040

on mars you're saying that there's

1463

01:00:13,190 --> 01:00:10,720

there's nothing like that

1464

01:00:14,230 --> 01:00:13,200

that there isn't that same general

1465

01:00:16,150 --> 01:00:14,240

awakening

1466

01:00:18,230 --> 01:00:16,160

or or that the people are just so

1467

01:00:19,910 --> 01:00:18,240

intimidated so dumbed down

1468

01:00:21,829 --> 01:00:19,920

you know it's kind of like north korea

1469

01:00:24,870 --> 01:00:21,839

where they just they live in fear

1470

01:00:29,750 --> 01:00:24,880

and and they just that whatever they do

1471

01:00:31,990 --> 01:00:29,760

is doesn't mean anything

1472

01:00:34,069 --> 01:00:32,000

and he's just going to repeat back to

1473

01:00:36,150 --> 01:00:34,079

him what he just said

1474

01:00:37,589 --> 01:00:36,160

all of the resources and the power of

1475

01:00:41,109 --> 01:00:37,599

the icc

1476

01:00:44,309 --> 01:00:41,119

leadership on these mars bases

1477

01:00:46,789 --> 01:00:44,319

i i can't even communicate

1478

01:00:47,990 --> 01:00:46,799

to you the energy when i interacted with

1479

01:00:51,990 --> 01:00:48,000

these people

1480

01:00:54,950 --> 01:00:52,000

and the mindset that they have they have

1481

01:00:56,309 --> 01:00:54,960

gener for generations grown up in that

1482

01:00:59,829 --> 01:00:56,319

environment

1483

01:01:02,150 --> 01:00:59,839

and so there's been human

1484

01:01:04,470 --> 01:01:02,160

colonies on mars for generations and

1485

01:01:06,309 --> 01:01:04,480

corey goode is an expert on a human

1486

01:01:07,589 --> 01:01:06,319

colony on mars that nobody else knows

1487

01:01:10,789 --> 01:01:07,599

about that's great

1488

01:01:12,069 --> 01:01:10,799

they are they are different than you and

1489

01:01:15,109 --> 01:01:12,079

i

1490

01:01:17,750 --> 01:01:15,119

mm-hmm so

1491

01:01:19,750 --> 01:01:17,760

in terms of you know the liberation of

1492

01:01:22,870 --> 01:01:19,760

mars if we can talk about that

1493

01:01:26,390 --> 01:01:22,880

i mean would this have to happen through

1494

01:01:27,430 --> 01:01:26,400

some major military incursion like the

1495

01:01:30,789 --> 01:01:27,440

uh

1496

01:01:33,190 --> 01:01:30,799

ssp alliance or

1497

01:01:35,990 --> 01:01:33,200

maybe working with some extraterrestrial

1498

01:01:39,109 --> 01:01:36,000

groups kind of come in and just remove

1499

01:01:40,870 --> 01:01:39,119

the icc leadership or or is there a

1500

01:01:42,150 --> 01:01:40,880

positive faction within the icc

1501

01:01:44,630 --> 01:01:42,160

leadership which

1502

01:01:46,309 --> 01:01:44,640

you know can bring about change you know

1503

01:01:47,349 --> 01:01:46,319

it's it's hard to say i wish i had more

1504

01:01:50,150 --> 01:01:47,359

encouraging

1505

01:01:50,870 --> 01:01:50,160

information yeah we'll have time for

1506

01:01:52,549 --> 01:01:50,880

live chat

1507

01:01:54,950 --> 01:01:52,559

you know we're going to finish up soon

1508

01:01:57,109 --> 01:01:54,960

with this this is i i can't keep going

1509

01:01:58,870 --> 01:01:57,119

and listen to this garbage

1510

01:02:00,309 --> 01:01:58,880

enough of this bs we're going to go in

1511

01:02:03,829 --> 01:02:00,319

and clean up the earth that's

1512

01:02:06,750 --> 01:02:03,839

just not how it works um and

1513

01:02:09,270 --> 01:02:06,760

no i believe he's at home ryan's

1514

01:02:09,990 --> 01:02:09,280

representatives of humanity whether we

1515

01:02:12,470 --> 01:02:10,000

voted on

1516

01:02:13,829 --> 01:02:12,480

in or not have been making agreements

1517

01:02:14,710 --> 01:02:13,839

and have been doing things on our

1518

01:02:17,029 --> 01:02:14,720

behests

1519

01:02:18,390 --> 01:02:17,039

for a long time and there are

1520

01:02:20,870 --> 01:02:18,400

ramifications

1521

01:02:23,190 --> 01:02:20,880

you know to that and there are cosmic

1522

01:02:27,349 --> 01:02:23,200

laws that have to be abided and we

1523

01:02:30,710 --> 01:02:27,359

have you know danced with the devil

1524

01:02:33,910 --> 01:02:30,720

and you know there are ramifications

1525

01:02:36,870 --> 01:02:33,920

now the icc is obviously worried about

1526

01:02:39,510 --> 01:02:36,880

violating some of these agreements

1527

01:02:40,309 --> 01:02:39,520

you know if yes a lot of conflicts in

1528

01:02:43,670 --> 01:02:40,319

the courtroom

1529

01:02:47,829 --> 01:02:43,680

i guess galactically speaking about

1530

01:02:48,789 --> 01:02:47,839

these these violations of agreements

1531

01:02:51,750 --> 01:02:48,799

then

1532

01:02:53,670 --> 01:02:51,760

you know there could be you know some

1533

01:02:54,470 --> 01:02:53,680

ramifications with extraterrestrial

1534

01:02:55,750 --> 01:02:54,480

groups but

1535

01:02:57,829 --> 01:02:55,760

i don't know how much they're allowed to

1536

01:03:00,390 --> 01:02:57,839

come into our

1537

01:03:01,510 --> 01:03:00,400

area and do as opposed to just cut them

1538

01:03:04,150 --> 01:03:01,520

off

1539

01:03:06,069 --> 01:03:04,160

so i mean it's oh no we might be going

1540

01:03:08,230 --> 01:03:06,079

to war with those reptilian aliens that

1541

01:03:10,390 --> 01:03:08,240

want to have sex with us and eat at us

1542

01:03:12,309 --> 01:03:10,400

or maybe the insectoids i don't know

1543

01:03:14,549 --> 01:03:12,319

it's not it's not as easy as

1544

01:03:15,750 --> 01:03:14,559

you know a bunch of uh galactic groups

1545

01:03:17,589 --> 01:03:15,760

getting together and just saying we're

1546

01:03:21,510 --> 01:03:17,599

going to go in and clean up this planet

1547

01:03:24,069 --> 01:03:21,520

there are cosmic laws um you know

1548

01:03:26,069 --> 01:03:24,079

all of us on this planet we're taking

1549

01:03:29,270 --> 01:03:26,079

part in this giant

1550

01:03:31,750 --> 01:03:29,280

financial slavery system so by you know

1551  
01:03:32,870 --> 01:03:31,760  
doing so we're tacitly going along with

1552  
01:03:34,870 --> 01:03:32,880  
it all

1553  
01:03:36,390 --> 01:03:34,880  
uh people don't like to hear it but i

1554  
01:03:37,109 --> 01:03:36,400  
know you know what am i supposed to do

1555  
01:03:39,510 --> 01:03:37,119  
live out

1556  
01:03:40,710 --> 01:03:39,520  
on a island somewhere that no one knows

1557  
01:03:43,829 --> 01:03:40,720  
about

1558  
01:03:45,270 --> 01:03:43,839  
um you know it starts down here you know

1559  
01:03:47,829 --> 01:03:45,280  
a lot of it starts down here

1560  
01:03:48,549 --> 01:03:47,839  
and once we start cleaning stuff up down

1561  
01:03:50,630 --> 01:03:48,559  
here

1562  
01:03:51,910 --> 01:03:50,640  
it's probably going to open things up a

1563  
01:03:54,390 --> 01:03:51,920

lot more out there

1564

01:03:55,990 --> 01:03:54,400

but for right now yeah and i love mr

1565

01:03:57,750 --> 01:03:56,000

love and light he wants the earth

1566

01:03:59,029 --> 01:03:57,760

to be all cleaned up but he was a huge

1567

01:04:02,150 --> 01:03:59,039

trump supporter

1568

01:04:05,510 --> 01:04:02,160

who basically got at the epa cut all

1569

01:04:08,789 --> 01:04:05,520

environmental regulations uh enabled

1570

01:04:10,549 --> 01:04:08,799

fracking everywhere but he and he's a

1571

01:04:12,630 --> 01:04:10,559

big supporter of trump but he

1572

01:04:14,549 --> 01:04:12,640

is mr love and light and thinks that we

1573

01:04:17,750 --> 01:04:14,559

should clean up the earth

1574

01:04:19,029 --> 01:04:17,760

talking about the puck wait calling the

1575

01:04:21,630 --> 01:04:19,039

kettle black there

1576

01:04:23,190 --> 01:04:21,640

jesus he doesn't even realize the

1577

01:04:25,990 --> 01:04:23,200

inconsistencies

1578

01:04:27,990 --> 01:04:26,000

and the ridiculousness of of these two

1579

01:04:29,109 --> 01:04:28,000

things you can't be a trump supporter

1580

01:04:30,630 --> 01:04:29,119

and be talking about

1581

01:04:32,549 --> 01:04:30,640

yeah we really got to clean up the earth

1582

01:04:34,230 --> 01:04:32,559

at the same time

1583

01:04:36,390 --> 01:04:34,240

at least i don't think so just my

1584

01:04:36,870 --> 01:04:36,400

opinion major totalitarian system out

1585

01:04:39,990 --> 01:04:36,880

there

1586

01:04:41,990 --> 01:04:40,000

that the humans have created

1587

01:04:43,829 --> 01:04:42,000

well when it comes to these reptilian

1588

01:04:46,150 --> 01:04:43,839

bases i mean we've heard this

1589

01:04:49,349 --> 01:04:46,160

again and again from various sources

1590

01:04:52,069 --> 01:04:49,359

that reptilian bases are being taken out

1591

01:04:54,549 --> 01:04:52,079

by positive extraterrestrial groups that

1592

01:04:56,309 --> 01:04:54,559

the reptilians are no longer a problem

1593

01:04:57,750 --> 01:04:56,319

and so forth but you're saying that uh

1594

01:05:00,390 --> 01:04:57,760

the reptilians are still

1595

01:05:00,789 --> 01:05:00,400

around they still have bases on the

1596

01:05:03,270 --> 01:05:00,799

earth

1597

01:05:05,109 --> 01:05:03,280

on the moon on mars and and they're

1598

01:05:05,589 --> 01:05:05,119

still calling a lot of the shots i mean

1599

01:05:15,910 --> 01:05:05,599

so

1600

01:05:17,589 --> 01:05:15,920

this is this is it for them this is

1601

01:05:18,789 --> 01:05:17,599

their last foothold they're sort of

1602

01:05:21,349 --> 01:05:18,799

cornered

1603

01:05:22,150 --> 01:05:21,359

oh no it's the reptilian aliens last

1604

01:05:24,470 --> 01:05:22,160

stand

1605

01:05:25,430 --> 01:05:24,480

kind of like v the final battle anybody

1606

01:05:30,309 --> 01:05:25,440

remember that

1607

01:05:34,829 --> 01:05:30,319

sure um so this is the last big hurrah

1608

01:05:38,950 --> 01:05:34,839

they are sort of a wounded dragon

1609

01:05:39,750 --> 01:05:38,960

which is the most dangerous type of

1610

01:05:43,109 --> 01:05:39,760

dragon

1611

01:05:46,549 --> 01:05:43,119

they are wounded there is they

1612

01:05:49,430 --> 01:05:46,559

have fear they see that you know

1613

01:05:50,870 --> 01:05:49,440

they're in a situation but they're still

1614

01:05:52,950 --> 01:05:50,880

fighting steadfastly

1615

01:05:55,109 --> 01:05:52,960

and we need to keep doing the same we

1616

01:05:58,230 --> 01:05:55,119

need to keep sending out the energy

1617

01:06:00,150 --> 01:05:58,240

out there to you know all the different

1618

01:06:03,430 --> 01:06:00,160

you know beings that are in conflicts

1619

01:06:05,990 --> 01:06:03,440

with them and keeping them contained

1620

01:06:08,309 --> 01:06:06,000

yeah that's how we defeat the reptilian

1621

01:06:08,710 --> 01:06:08,319

aliens we just send out energy to the

1622

01:06:13,990 --> 01:06:08,720

good

1623

01:06:16,470 --> 01:06:14,000

opportunity to deal with

1624

01:06:18,630 --> 01:06:16,480

our part of the mess and that's the part

1625

01:06:21,109 --> 01:06:18,640

that we've got to do we hear

1626  
01:06:21,990 --> 01:06:21,119  
people online you know you see people

1627  
01:06:24,710 --> 01:06:22,000  
get censored

1628  
01:06:26,950 --> 01:06:24,720  
you don't see anyone outside of the

1629  
01:06:30,309 --> 01:06:26,960  
company that censored them with signs

1630  
01:06:30,630 --> 01:06:30,319  
you know people talking about issues

1631  
01:06:32,309 --> 01:06:30,640  
with

1632  
01:06:34,950 --> 01:06:32,319  
whether they believe voting was rigged

1633  
01:06:37,990 --> 01:06:34,960  
or not you know you don't see people out

1634  
01:06:40,150 --> 01:06:38,000  
like it's you know and by the way

1635  
01:06:41,670 --> 01:06:40,160  
praise the ai algorithm gods praise the

1636  
01:06:44,710 --> 01:06:41,680  
ai algorithm gods

1637  
01:06:46,870 --> 01:06:44,720  
we are critiquing and uh

1638  
01:06:47,750 --> 01:06:46,880

educating the public about this crazy

1639

01:06:50,230 --> 01:06:47,760

person

1640

01:06:52,549 --> 01:06:50,240

uh well that's opinion and speculation

1641

01:06:54,630 --> 01:06:52,559

but about this person corey goode

1642

01:06:56,870 --> 01:06:54,640

he said what he just said about the

1643

01:06:59,670 --> 01:06:56,880

elections i totally disagree with that

1644

01:07:00,309 --> 01:06:59,680

he said it not me please do not strike

1645

01:07:03,349 --> 01:07:00,319

us down

1646

01:07:06,470 --> 01:07:03,359

ai algorithm gods it is not me

1647

01:07:08,230 --> 01:07:06,480

i disagree with what he just said

1648

01:07:10,390 --> 01:07:08,240

i should have previewed this you know

1649

01:07:10,789 --> 01:07:10,400

people have been lured into this thing

1650

01:07:13,750 --> 01:07:10,799

to where

1651

01:07:16,390 --> 01:07:13,760

this you know the earth alliance it's

1652

01:07:20,069 --> 01:07:16,400

all under control just sit back

1653

01:07:23,109 --> 01:07:20,079

it's okay uh the beings in space have it

1654

01:07:28,230 --> 01:07:23,119

all under control sit back it's all okay

1655

01:07:32,309 --> 01:07:28,240

that is not humanity breaking our

1656

01:07:34,230 --> 01:07:32,319

horrible cycle of looking up to the sky

1657

01:07:35,990 --> 01:07:34,240

or into space or for other beings to

1658

01:07:38,069 --> 01:07:36,000

come and save us we've

1659

01:07:39,349 --> 01:07:38,079

we've right now things have to save us

1660

01:07:42,630 --> 01:07:39,359

for humanity

1661

01:07:46,150 --> 01:07:42,640

to get out and act and do

1662

01:07:47,829 --> 01:07:46,160

and change and uh we have to do our part

1663

01:07:49,910 --> 01:07:47,839

we can't just sit back and expect these

1664

01:07:52,789 --> 01:07:49,920

beings to come in and clear out the

1665

01:07:55,829 --> 01:07:52,799

uh planetary system for us and then just

1666

01:07:57,589 --> 01:07:55,839

you know hand us the keys to

1667

01:07:59,349 --> 01:07:57,599

oh so we have to be self-reliant that's

1668

01:08:01,430 --> 01:07:59,359

what cory good is saying we can't depend

1669

01:08:03,670 --> 01:08:01,440

on our alien space brothers

1670

01:08:05,349 --> 01:08:03,680

and it has nothing to do with the fact

1671

01:08:06,390 --> 01:08:05,359

that those alien space brothers might

1672

01:08:09,109 --> 01:08:06,400

not even exist

1673

01:08:09,990 --> 01:08:09,119

except in his imagination right that's

1674

01:08:12,789 --> 01:08:10,000

why they can't help

1675

01:08:14,870 --> 01:08:12,799

us maybe because they don't exist corey

1676

01:08:16,789 --> 01:08:14,880

good and it's convenient to say this

1677

01:08:18,630 --> 01:08:16,799

right and there's also this line of

1678

01:08:20,070 --> 01:08:18,640

questioning that salah had with him is

1679

01:08:21,829 --> 01:08:20,080

kind of like well why don't the aliens

1680

01:08:23,590 --> 01:08:21,839

just come in and fix earth well they

1681

01:08:23,990 --> 01:08:23,600

can't because cosmic laws and this and

1682

01:08:26,550 --> 01:08:24,000

that yeah

1683

01:08:28,789 --> 01:08:26,560

excuses yeah that's very important what

1684

01:08:31,910 --> 01:08:28,799

you just said and maybe

1685

01:08:33,669 --> 01:08:31,920

um would help to clarify

1686

01:08:35,510 --> 01:08:33,679

because there is this perception out

1687

01:08:37,269 --> 01:08:35,520

there that you know the white hats are

1688

01:08:37,990 --> 01:08:37,279

in control and we just kind of like got

1689

01:08:41,110 --> 01:08:38,000

to sit back

1690

01:08:41,590 --> 01:08:41,120

and and kind of watch them do their

1691

01:08:44,550 --> 01:08:41,600

thing

1692

01:08:45,189 --> 01:08:44,560

and and kind of out maneuvering the deep

1693

01:08:48,390 --> 01:08:45,199

state

1694

01:08:49,669 --> 01:08:48,400

and you're saying that there needs to be

1695

01:08:53,590 --> 01:08:49,679

much more

1696

01:08:56,870 --> 01:08:54,950

that people are hearing on the internet

1697

01:09:00,789 --> 01:08:56,880

it's hyperbole it's

1698

01:09:02,390 --> 01:09:00,799

it's hopeful stuff but you know

1699

01:09:04,309 --> 01:09:02,400

all of the information i got from really

1700

01:09:06,149 --> 01:09:04,319

top people is that

1701

01:09:08,550 --> 01:09:06,159

the military has set up some sort of a

1702

01:09:11,110 --> 01:09:08,560

council that's looking into

1703

01:09:12,630 --> 01:09:11,120

uh you know for possible foreign

1704

01:09:15,349 --> 01:09:12,640

interference

1705

01:09:16,950 --> 01:09:15,359

well he's about to say something about

1706

01:09:19,269 --> 01:09:16,960

something that's

1707

01:09:21,590 --> 01:09:19,279

you could get strikes for it's all you

1708

01:09:25,110 --> 01:09:21,600

know even in the ufo community

1709

01:09:27,510 --> 01:09:25,120

everyone's you know got their own little

1710

01:09:29,590 --> 01:09:27,520

truths and they're all sort of you know

1711

01:09:32,070 --> 01:09:29,600

battling each other for them and

1712

01:09:33,910 --> 01:09:32,080

um you know i think that's more of a

1713

01:09:34,789 --> 01:09:33,920

sign of end time madness than it is

1714

01:09:37,349 --> 01:09:34,799

enlightenment

1715

01:09:38,309 --> 01:09:37,359

and hopefully people can start working

1716

01:09:42,149 --> 01:09:38,319

through some of this

1717

01:09:45,669 --> 01:09:42,159

and um beginning to contribute and act

1718

01:09:47,430 --> 01:09:45,679

like like we were saying well what does

1719

01:09:49,349 --> 01:09:47,440

he wants us to contribute and do

1720

01:09:51,990 --> 01:09:49,359

something and act

1721

01:09:54,790 --> 01:09:52,000

what are you contributing here mr good

1722

01:09:57,830 --> 01:09:54,800

fairy tales with no proof or evidence

1723

01:09:58,630 --> 01:09:57,840

there's no value to this information it

1724

01:10:01,990 --> 01:09:58,640

is

1725

01:10:04,550 --> 01:10:02,000

about as valuable as a mother goose

1726

01:10:06,870 --> 01:10:04,560

fairy tale that i tell my five-year-old

1727

01:10:08,870 --> 01:10:06,880

every night when i read him a book

1728

01:10:09,910 --> 01:10:08,880

you know at least those things have some

1729

01:10:11,590 --> 01:10:09,920

life lessons

1730

01:10:13,590 --> 01:10:11,600

you know you could learn something from

1731

01:10:14,390 --> 01:10:13,600

them what are we learning from listening

1732

01:10:17,669 --> 01:10:14,400

to you

1733

01:10:19,830 --> 01:10:17,679

tell space stories that you say are real

1734

01:10:21,430 --> 01:10:19,840

about your imaginary friends that nobody

1735

01:10:23,669 --> 01:10:21,440

else could see

1736

01:10:24,550 --> 01:10:23,679

these imaginary moon bases these

1737

01:10:32,470 --> 01:10:24,560

imaginary

1738

01:10:35,350 --> 01:10:32,480

colonies on other in other star systems

1739

01:10:36,550 --> 01:10:35,360

there's no value in this there's just so

1740

01:10:38,550 --> 01:10:36,560

there's more information

1741

01:10:41,510 --> 01:10:38,560

that there's a lot of deep underground

1742

01:10:44,149 --> 01:10:41,520

military bases that are being raided by

1743

01:10:45,189 --> 01:10:44,159

special forces by the white hats the

1744

01:10:48,310 --> 01:10:45,199

earth alliance

1745

01:10:48,709 --> 01:10:48,320

positive et groups um and that these are

1746

01:10:50,870 --> 01:10:48,719

being

1747

01:10:53,030 --> 01:10:50,880

taken over or destroyed and a lot of

1748

01:10:54,709 --> 01:10:53,040

children and a lot of

1749

01:10:56,550 --> 01:10:54,719

enslaved people are being you got to

1750

01:10:59,910 --> 01:10:56,560

throw them old children in there

1751

01:11:00,790 --> 01:10:59,920

rescued uh your your sources are telling

1752

01:11:03,669 --> 01:11:00,800

you that that's

1753

01:11:04,229 --> 01:11:03,679

not happening my sources are telling me

1754

01:11:07,430 --> 01:11:04,239

that it

1755

01:11:11,430 --> 01:11:07,440

was happening but all of those resources

1756

01:11:14,709 --> 01:11:11,440

were basically strangled when

1757

01:11:19,110 --> 01:11:14,719

things switched over uh in the last year

1758

01:11:22,310 --> 01:11:19,120

so okay yeah when his alliance president

1759

01:11:26,950 --> 01:11:22,320

lost got kicked out of the white house

1760

01:11:29,590 --> 01:11:26,960

pack your [h\_\_\h] and get out

1761

01:11:31,590 --> 01:11:29,600

it wasn't as widespread as people are

1762

01:11:33,830 --> 01:11:31,600

reporting either there were some key

1763

01:11:35,189 --> 01:11:33,840

facilities and underground bases that

1764

01:11:37,430 --> 01:11:35,199

were taken out

1765

01:11:38,550 --> 01:11:37,440

and um there were even yeah and i love

1766

01:11:39,990 --> 01:11:38,560

how you said he was talking to

1767

01:11:43,110 --> 01:11:40,000

high-level people

1768

01:11:43,430 --> 01:11:43,120

government really are going to talk to

1769

01:11:45,990 --> 01:11:43,440

this

1770

01:11:47,669 --> 01:11:46,000

nutter right yeah you know like some

1771

01:11:48,950 --> 01:11:47,679

generals sitting around his house or

1772

01:11:50,709 --> 01:11:48,960

retired general

1773

01:11:52,070 --> 01:11:50,719

is like you know you know what i should

1774

01:11:54,630 --> 01:11:52,080

do i should call

1775

01:11:55,910 --> 01:11:54,640

corey good or email him and give him

1776

01:11:59,270 --> 01:11:55,920

some intel

1777

01:12:02,229 --> 01:11:59,280

right or some retired admiral or or some

1778

01:12:03,110 --> 01:12:02,239

some higher up at nasa right it's like

1779

01:12:06,070 --> 01:12:03,120

gee

1780

01:12:08,149 --> 01:12:06,080

i should call corey good and tell corey

1781

01:12:10,390 --> 01:12:08,159

goode uh

1782

01:12:11,830 --> 01:12:10,400

some information that he could share

1783

01:12:14,310 --> 01:12:11,840

right sure

1784

01:12:14,870 --> 01:12:14,320

sure corey good yeah been you know

1785

01:12:16,470 --> 01:12:14,880

regular

1786

01:12:18,870 --> 01:12:16,480

like marines that were sent into some of

1787

01:12:21,189 --> 01:12:18,880

these situations that weren't briefed on

1788

01:12:22,229 --> 01:12:21,199

the possibilities of et's being there

1789

01:12:22,870 --> 01:12:22,239

because i didn't think they would be

1790

01:12:26,229 --> 01:12:22,880

there but

1791

01:12:28,149 --> 01:12:26,239

they had like joint little areas

1792

01:12:30,070 --> 01:12:28,159

you know or little areas segmented off

1793

01:12:33,350 --> 01:12:30,080

for a small et

1794

01:12:35,750 --> 01:12:33,360

delegation and uh they ran into those

1795

01:12:37,669 --> 01:12:35,760

and it freaked the guys out

1796

01:12:39,510 --> 01:12:37,679

there were there were some major things

1797

01:12:40,550 --> 01:12:39,520

going on but those things have started

1798

01:12:44,709 --> 01:12:40,560

to curtail

1799

01:12:46,310 --> 01:12:44,719

quite a bit um and a lot of things have

1800

01:12:49,430 --> 01:12:46,320

changed

1801

01:12:51,669 --> 01:12:49,440

in the talk in the leadership

1802

01:12:53,910 --> 01:12:51,679

of the military a lot of energy has

1803

01:12:57,430 --> 01:12:53,920

shifted so

1804

01:12:59,590 --> 01:12:57,440

a lot of this is going to be up to to us

1805

01:13:00,709 --> 01:12:59,600

you know uh there's an alliance or

1806

01:13:03,030 --> 01:13:00,719

groups out there that are trying to

1807

01:13:06,229 --> 01:13:03,040

incorruption on both sides

1808

01:13:08,070 --> 01:13:06,239

um but uh you know they're doing their

1809

01:13:11,270 --> 01:13:08,080

job we need to do ours

1810

01:13:13,590 --> 01:13:11,280

okay i i'm tapping out here i mean we

1811

01:13:16,390 --> 01:13:13,600

can cover the other half tomorrow

1812

01:13:17,590 --> 01:13:16,400

i can't i can't i can't listen to any

1813

01:13:21,350 --> 01:13:17,600

more of this

1814

01:13:22,790 --> 01:13:21,360

so somebody had an important comment

1815

01:13:27,669 --> 01:13:22,800

saying that they had information

1816

01:13:31,270 --> 01:13:27,679

uh uh yeah

1817

01:13:33,510 --> 01:13:31,280

vm vcmd

1818

01:13:34,709 --> 01:13:33,520

yeah if you have information to share

1819

01:13:37,910 --> 01:13:34,719

the best thing to do

1820

01:13:40,070 --> 01:13:37,920

would be to email me that information um

1821

01:13:42,149 --> 01:13:40,080

i don't want to do something live on air

1822

01:13:44,149 --> 01:13:42,159

before i had time to review whatever

1823

01:13:46,149 --> 01:13:44,159

information that you'd like to share

1824

01:13:48,470 --> 01:13:46,159

i did that one time and that was to my

1825

01:13:51,830 --> 01:13:48,480

detriment and to the show's detriment

1826

01:13:52,229 --> 01:13:51,840

so generally i would prefer to be able

1827

01:13:54,390 --> 01:13:52,239

to

1828

01:13:56,390 --> 01:13:54,400

uh look over whatever information you're

1829

01:13:59,590 --> 01:13:56,400

talking about before

1830

01:14:01,350 --> 01:13:59,600

you know we just share it publicly

1831

01:14:02,870 --> 01:14:01,360

uh yeah i'm sorry about that but one

1832

01:14:06,070 --> 01:14:02,880

time somebody was like hey

1833

01:14:09,990 --> 01:14:06,080

uh share this and and you know

1834

01:14:15,270 --> 01:14:13,350

i i always prefer to to preview before i

1835

01:14:17,270 --> 01:14:15,280

share so i'm going to devote my full and

1836

01:14:19,990 --> 01:14:17,280

total attention now to the live chat so

1837

01:14:22,229 --> 01:14:20,000

if you have anything to share

1838

01:14:26,830 --> 01:14:22,239

all around arbiter says he looks like a

1839

01:14:35,189 --> 01:14:28,630

right

1840

01:14:38,709 --> 01:14:37,830

yeah that was this this guy this is like

1841

01:14:41,510 --> 01:14:38,719

the worst

1842

01:14:57,430 --> 01:14:41,520

video of cory good i've ever seen i

1843

01:15:03,750 --> 01:15:00,149

yeah uh one second i'm gonna share my

1844

01:15:07,030 --> 01:15:03,760

banner with my email address

1845

01:15:09,750 --> 01:15:07,040

or uh if you'd like to you could call

1846

01:15:17,590 --> 01:15:09,760

in there with this information one

1847

01:15:17,600 --> 01:15:22,870

where is my

1848

01:15:28,470 --> 01:15:25,350

i can never find this one just bear with

1849

01:15:28,480 --> 01:15:32,229

yeah i uh

1850

01:15:37,189 --> 01:15:35,070

here is the email it is truthsecretshow

1851

01:15:39,030 --> 01:15:37,199

gmail.com

1852

01:15:40,790 --> 01:15:39,040

uh if you have information to share

1853

01:15:43,270 --> 01:15:40,800

about our recent coverage

1854

01:15:44,550 --> 01:15:43,280

of the of the tragic death of mark

1855

01:15:46,070 --> 01:15:44,560

mccandlish

1856

01:15:47,590 --> 01:15:46,080

by the way earlier in the broadcast

1857

01:15:49,189 --> 01:15:47,600

somebody had called me that was somebody

1858

01:15:50,709 --> 01:15:49,199

well known in the ufo community just

1859

01:15:51,990 --> 01:15:50,719

calling me to congratulate me on the

1860

01:15:54,390 --> 01:15:52,000

excellent coverage of that

1861

01:15:55,910 --> 01:15:54,400

story and the excellent research i've

1862

01:15:57,030 --> 01:15:55,920

been getting a lot of great feedback

1863

01:15:59,430 --> 01:15:57,040

that was good work i

1864

01:16:04,830 --> 01:15:59,440

stand by it 100 percent and i'm glad

1865

01:16:16,229 --> 01:16:07,270

right it's as bad as the last one when

1866

01:16:20,310 --> 01:16:18,470

yeah i don't it's amazing it's amazing

1867

01:16:23,750 --> 01:16:20,320

that he hasn't been stricken down

1868

01:16:27,430 --> 01:16:23,760

too yeah alice in wonderland says why

1869

01:16:29,910 --> 01:16:27,440

does youtube allow corey no good

1870

01:16:33,270 --> 01:16:29,920

he is just as bad as cassidy and ike who

1871

01:16:36,470 --> 01:16:33,280

are both banned from youtube

1872

01:16:38,149 --> 01:16:36,480

yep banned from youtube

1873

01:16:39,750 --> 01:16:38,159

you know it's unfortunate that a lot of

1874

01:16:42,390 --> 01:16:39,760

these uh

1875

01:16:44,229 --> 01:16:42,400

well i don't even think it's unfortunate

1876

01:16:46,149 --> 01:16:44,239

in the case of carrie cassidy

1877

01:16:48,630 --> 01:16:46,159

she was straight up giving people

1878

01:16:50,149 --> 01:16:48,640

medical advice and she's not a doctor

1879

01:16:53,189 --> 01:16:50,159

and she was saying all kinds of

1880

01:16:55,590 --> 01:16:53,199

conspiratorial crazy stuff about the

1881

01:16:57,270 --> 01:16:55,600

current health situation which is

1882

01:16:59,590 --> 01:16:57,280

definitely a no-no

1883

01:17:01,510 --> 01:16:59,600

on this platform she should have known

1884

01:17:05,830 --> 01:17:01,520

better

1885

01:17:07,510 --> 01:17:05,840

have done that but she didn't

1886

01:17:09,350 --> 01:17:07,520

so any questions or comments for me

1887

01:17:11,830 --> 01:17:09,360

please put them in all capital letters

1888

01:17:13,590 --> 01:17:11,840

that helps me to know oh and i want to

1889

01:17:17,030 --> 01:17:13,600

thank um

1890

01:17:19,590 --> 01:17:17,040

i want to thank rylo 704.

1891

01:17:21,510 --> 01:17:19,600

yeah i agree with you i i agree with you

1892

01:17:22,950 --> 01:17:21,520

uh rylo 704 says

1893

01:17:24,790 --> 01:17:22,960

not all trump supporters are naughty

1894

01:17:26,310 --> 01:17:24,800

conspiracy theorists like corey good to

1895

01:17:28,950 --> 01:17:26,320

be honest i'm a trump supporter because

1896

01:17:31,270 --> 01:17:28,960

i liked his policies for the most part

1897

01:17:33,110 --> 01:17:31,280

i like tim stan i can't lie i like some

1898

01:17:34,310 --> 01:17:33,120

of his policies i liked him standing up

1899

01:17:37,350 --> 01:17:34,320

to china

1900

01:17:40,630 --> 01:17:37,360

and i liked him uh standing up

1901

01:17:42,870 --> 01:17:40,640

at least in theory to the swamp

1902

01:17:44,070 --> 01:17:42,880

but it seems like he created his own

1903

01:17:50,950 --> 01:17:44,080

swamp once he got

1904

01:17:56,950 --> 01:17:54,229

looking real corey good corey the good

1905

01:18:03,669 --> 01:18:00,149

oh okay i did not know that uh

1906

01:18:07,750 --> 01:18:03,679

mark v cmd propulsion

1907

01:18:09,590 --> 01:18:07,760

uh listen uh vcmd propulsion if you'd

1908

01:18:11,910 --> 01:18:09,600

like to call in

1909

01:18:12,630 --> 01:18:11,920

i would uh i would like to talk to you

1910

01:18:15,590 --> 01:18:12,640

but

1911

01:18:18,070 --> 01:18:15,600

it'd be best if you if you email me at

1912

01:18:19,990 --> 01:18:18,080

trueseekershow gmail.com

1913

01:18:21,189 --> 01:18:20,000

and we could schedule it or i could talk

1914

01:18:23,430 --> 01:18:21,199

to you off air

1915

01:18:25,990 --> 01:18:23,440

before talking to you on air if that's

1916

01:18:27,830 --> 01:18:26,000

okay with you i'd love to talk to you

1917

01:18:29,350 --> 01:18:27,840

i think that would be good and uh people

1918

01:18:32,390 --> 01:18:29,360

have liked our coverage of

1919

01:18:34,550 --> 01:18:32,400

mr mccandlish and uh

1920

01:18:35,990 --> 01:18:34,560

i've always been fascinated by the eu oh

1921

01:18:37,990 --> 01:18:36,000

okay let me uh let me

1922

01:18:39,430 --> 01:18:38,000

let me uh just bear with me friends for

1923

01:18:45,669 --> 01:18:39,440

a moment while i

1924

01:18:45,679 --> 01:18:48,709

okay

1925

01:18:53,030 --> 01:18:51,030

i missed also i just wanted to announce

1926

01:19:02,870 --> 01:18:53,040

i've got it on my twitter

1927

01:19:09,830 --> 01:19:06,310

okay so you've given me your number

1928

01:19:12,070 --> 01:19:09,840

yeah why why don't we do uh do

1929

01:19:13,910 --> 01:19:12,080

we'll talk another time because it's

1930

01:19:14,550 --> 01:19:13,920

already we're already an hour and 20

1931

01:19:16,630 --> 01:19:14,560

minutes in

1932

01:19:19,030 --> 01:19:16,640

and and i don't want to rush talking to

1933

01:19:21,669 --> 01:19:19,040

you i appreciate you reaching out to me

1934

01:19:22,790 --> 01:19:21,679

i've had many friends and family members

1935

01:19:25,830 --> 01:19:22,800

um

1936

01:19:30,310 --> 01:19:25,840

reach reach out to me since this

1937

01:19:32,310 --> 01:19:30,320

story of mark mccandless started airing

1938

01:19:35,110 --> 01:19:32,320

and and i'm thankful for that a lot of

1939

01:19:41,350 --> 01:19:38,390

a lot of people are really

1940

01:19:43,110 --> 01:19:41,360

uh contact me and thanking me for the

1941

01:19:44,390 --> 01:19:43,120

coverage but also giving me additional

1942

01:19:48,229 --> 01:19:44,400

information so

1943

01:19:53,510 --> 01:19:51,270

yeah so uh somebody's asking me

1944

01:19:55,030 --> 01:19:53,520

what state do they have their classes in

1945

01:19:57,350 --> 01:19:55,040

uh if you mean

1946

01:19:59,990 --> 01:19:57,360

corey goode i think he's having

1947

01:20:02,870 --> 01:20:00,000

something in colorado where he lives

1948

01:20:04,950 --> 01:20:02,880

in the next few months right he's got

1949

01:20:10,149 --> 01:20:04,960

his own conference now

1950

01:20:11,189 --> 01:20:10,159

right yeah uh the discord link is on

1951

01:20:13,510 --> 01:20:11,199

twitter

1952

01:20:16,390 --> 01:20:13,520

uh i'm gonna go over to the discord just

1953

01:20:19,669 --> 01:20:16,400

to see if anybody is in there right now

1954

01:20:27,189 --> 01:20:19,679

and if so what are they saying

1955

01:20:32,550 --> 01:20:29,430

sure and somebody's asking me what i

1956

01:20:34,870 --> 01:20:32,560

think of lou elizondo i'm reserving my

1957

01:20:36,070 --> 01:20:34,880

my thoughts on mr elizondo until i get

1958

01:20:39,110 --> 01:20:36,080

an interview

1959

01:20:40,790 --> 01:20:39,120

mr elizondo has said on multiple shows

1960

01:20:42,550 --> 01:20:40,800

at multiple times that he would do an

1961

01:20:43,990 --> 01:20:42,560

interview with anybody i've asked him

1962

01:20:45,830 --> 01:20:44,000

six times now

1963

01:20:47,669 --> 01:20:45,840

i don't know how else to contact him i

1964

01:20:49,189 --> 01:20:47,679

keep tweeting at him requests for an

1965

01:20:50,709 --> 01:20:49,199

interview i'm gonna start replying to

1966

01:20:51,830 --> 01:20:50,719

all of his tweets requesting an

1967

01:20:54,870 --> 01:20:51,840

interview

1968

01:20:57,189 --> 01:20:54,880

and at that point um you know i'm

1969

01:21:02,310 --> 01:20:57,199

hopeful that

1970

01:21:02,320 --> 01:21:06,950

we'll see what happens here

1971

01:21:10,790 --> 01:21:08,709

you know we have brand marge young

1972

01:21:12,950 --> 01:21:10,800

saying hello discord

1973

01:21:14,870 --> 01:21:12,960

uh yeah nothing really going on in the

1974

01:21:15,189 --> 01:21:14,880

discord right now because everybody's in

1975

01:21:20,550 --> 01:21:15,199

the

1976

01:21:22,870 --> 01:21:20,560

would be a good idea because a lot of

1977

01:21:25,750 --> 01:21:22,880

people uh

1978

01:21:27,590 --> 01:21:25,760

a lot of people have come to like to

1979

01:21:28,870 --> 01:21:27,600

come and talk to people here and

1980

01:21:31,669 --> 01:21:28,880

socialize with different

1981

01:21:36,629 --> 01:21:31,679

uh different audience members that are

1982

01:21:42,149 --> 01:21:39,750

having the discord would be good because

1983

01:21:43,270 --> 01:21:42,159

people can chat and socialize and talk

1984

01:21:45,030 --> 01:21:43,280

or hang out

1985

01:21:47,350 --> 01:21:45,040

even when i'm not doing the show and

1986

01:21:48,709 --> 01:21:47,360

that might help to build our community

1987

01:21:52,629 --> 01:21:48,719

up better right

1988

01:21:57,189 --> 01:21:54,870

i want to thank rylo 704 for the kind

1989

01:21:59,430 --> 01:21:57,199

and generous five dollar super chat

1990

01:22:00,870 --> 01:21:59,440

uh thank you for your kindness your

1991

01:22:02,390 --> 01:22:00,880

generosity and your support

1992

01:22:03,590 --> 01:22:02,400

i didn't mean any disrespect i have

1993

01:22:04,709 --> 01:22:03,600

nothing against people that are trump

1994

01:22:08,390 --> 01:22:04,719

supporters but it's an

1995

01:22:10,070 --> 01:22:08,400

obvious it's an obvious problem for me

1996

01:22:11,669 --> 01:22:10,080

when corey good is like talking about

1997

01:22:13,110 --> 01:22:11,679

we got to clean up the earth and he was

1998

01:22:15,910 --> 01:22:13,120

a huge trump supporter

1999

01:22:17,910 --> 01:22:15,920

and trump did a lot of damage to

2000

01:22:19,270 --> 01:22:17,920

environmental laws and regulations and

2001  
01:22:20,790 --> 01:22:19,280  
things like that that's one of the major

2002  
01:22:22,830 --> 01:22:20,800  
things that i disagreed with him as far

2003  
01:22:32,629 --> 01:22:22,840  
as policies goes

2004  
01:22:32,639 --> 01:22:41,270  
yeah i hear you uh vc md propulsion

2005  
01:22:45,830 --> 01:22:43,350  
yeah well we can talk off of it we could

2006  
01:22:49,030 --> 01:22:45,840  
talk off air about mark and uh

2007  
01:22:51,270 --> 01:22:49,040  
you know maybe uh maybe on air too

2008  
01:22:52,310 --> 01:22:51,280  
you know if you're comfortable with that

2009  
01:22:54,229 --> 01:22:52,320  
because i'd like to

2010  
01:22:56,550 --> 01:22:54,239  
i'd like to interview somebody that was

2011  
01:22:59,110 --> 01:22:56,560  
friends with him and friendly with him

2012  
01:23:01,030 --> 01:22:59,120  
you know before his tragic death and and

2013  
01:23:02,070 --> 01:23:01,040

see if we can gain any further insight

2014

01:23:05,750 --> 01:23:02,080

right

2015

01:23:08,149 --> 01:23:05,760

i uh aj

2016

01:23:10,149 --> 01:23:08,159

says at least the interviewer asked no

2017

01:23:13,189 --> 01:23:10,159

good the hardball questions

2018

01:23:13,669 --> 01:23:13,199

yeah jay roach mod me up give me a

2019

01:23:15,830 --> 01:23:13,679

wrench

2020

01:23:17,110 --> 01:23:15,840

okay i'm coming over there to do that i

2021

01:23:19,430 --> 01:23:17,120

will give you a wrench j

2022

01:23:20,550 --> 01:23:19,440

roach say something right now so that i

2023

01:23:21,910 --> 01:23:20,560

don't have to go digging through the

2024

01:23:24,709 --> 01:23:21,920

live chat for uh

2025

01:23:26,390 --> 01:23:24,719

you know scrolling back say something

2026

01:23:29,270 --> 01:23:26,400

like mod me

2027

01:23:29,910 --> 01:23:29,280

or whatever and uh i will give you a

2028

01:23:32,390 --> 01:23:29,920

wrench

2029

01:23:34,470 --> 01:23:32,400

as long as you promise to use your power

2030

01:23:37,430 --> 01:23:34,480

wisely i have to go over to the actual

2031

01:23:37,440 --> 01:23:41,990

here we go uh where is jay roach

2032

01:23:45,910 --> 01:23:44,229

oh it's terrible i'm on this laptop and

2033

01:23:46,550 --> 01:23:45,920

the screen's tiny compared to what i'm

2034

01:23:48,870 --> 01:23:46,560

used to

2035

01:23:52,709 --> 01:23:48,880

and you know i'm half blind oh okay here

2036

01:24:04,790 --> 01:23:56,310

okay jay roach you are now a moderator

2037

01:24:08,629 --> 01:24:06,149

i just wanted to mention that i

2038

01:24:10,629 --> 01:24:08,639

definitely uh

2039

01:24:12,550 --> 01:24:10,639

appreciate everybody being kind and

2040

01:24:15,750 --> 01:24:12,560

respectful in the live chat

2041

01:24:17,669 --> 01:24:15,760

um please try to avoid cursing

2042

01:24:19,830 --> 01:24:17,679

youtube does not like that i'm trying to

2043

01:24:23,750 --> 01:24:19,840

avoid cursing myself

2044

01:24:29,669 --> 01:24:23,760

uh on air once so i forget

2045

01:24:32,790 --> 01:24:32,070

yeah i think that i have seen that vm's

2046

01:24:34,229 --> 01:24:32,800

vc

2047

01:24:35,669 --> 01:24:34,239

md propulsion is talking about mark

2048

01:24:37,590 --> 01:24:35,679

mccandless says yeah we spoke all the

2049

01:24:40,390 --> 01:24:37,600

time he was one of the first members

2050

01:24:42,950 --> 01:24:40,400

for the vc md there is a fade to black

2051  
01:24:47,030 --> 01:24:42,960  
with jimmy church about my tech where

2052  
01:24:50,149 --> 01:24:47,040  
me and mark talk about it yeah

2053  
01:24:52,390 --> 01:24:50,159  
i believe that i i heard that one

2054  
01:24:53,350 --> 01:24:52,400  
because i have an interest i follow i've

2055  
01:24:55,669 --> 01:24:53,360  
followed any

2056  
01:24:57,910 --> 01:24:55,679  
anytime mark did anything i would listen

2057  
01:25:00,629 --> 01:24:57,920  
to or watch it like if he was on a

2058  
01:25:04,149 --> 01:25:00,639  
podcast or a show or

2059  
01:25:07,430 --> 01:25:04,159  
um or you know doing a video show

2060  
01:25:10,950 --> 01:25:07,440  
whatever he did i would i would try to

2061  
01:25:13,189 --> 01:25:10,960  
i would try to i would try to follow

2062  
01:25:14,950 --> 01:25:13,199  
his work or you know him being

2063  
01:25:17,110 --> 01:25:14,960

interviewed so i'm pretty sure that i've

2064

01:25:18,870 --> 01:25:17,120

seen it

2065

01:25:20,470 --> 01:25:18,880

aj i would give you one if you want one

2066

01:25:21,110 --> 01:25:20,480

it's fine almost everybody in here has

2067

01:25:26,149 --> 01:25:21,120

one

2068

01:25:28,070 --> 01:25:26,159

sometimes it goes it's it's a lot right

2069

01:25:29,510 --> 01:25:28,080

yeah there's a lot of mods look look at

2070

01:25:31,750 --> 01:25:29,520

all the wrenches in there

2071

01:25:33,510 --> 01:25:31,760

right we give them out like candy here

2072

01:25:35,030 --> 01:25:33,520

we just and then but sometimes that gets

2073

01:25:37,590 --> 01:25:35,040

us into trouble

2074

01:25:38,550 --> 01:25:37,600

aaron here i'll give you one here let's

2075

01:25:42,550 --> 01:25:38,560

get aaron

2076

01:25:44,870 --> 01:25:42,560

wrench if i could find it oh

2077

01:25:45,830 --> 01:25:44,880

yeah you guys are asking this is the

2078

01:25:47,750 --> 01:25:45,840

wrong time

2079

01:25:49,830 --> 01:25:47,760

for people to be asking me to do this

2080

01:25:52,310 --> 01:25:49,840

because i have a really

2081

01:25:54,950 --> 01:25:52,320

big screen at the studio at home and

2082

01:25:58,629 --> 01:25:54,960

have an easier time this is looking

2083

01:26:05,110 --> 01:25:58,639

it's tiny i gotta change this but uh

2084

01:26:08,870 --> 01:26:07,990

uh it means status no it doesn't prank

2085

01:26:10,550 --> 01:26:08,880

magic

2086

01:26:11,910 --> 01:26:10,560

yeah and what are you doing here don't

2087

01:26:13,590 --> 01:26:11,920

you know i'm evil

2088

01:26:18,629 --> 01:26:13,600

you can't be here you're gonna get in

2089

01:26:21,430 --> 01:26:20,390

you know i wanted to mention i think i

2090

01:26:22,790 --> 01:26:21,440

mentioned at the beginning of the

2091

01:26:24,950 --> 01:26:22,800

broadcast that

2092

01:26:26,709 --> 01:26:24,960

technically this is this next five days

2093

01:26:29,750 --> 01:26:26,719

is supposed to be a vacation for me

2094

01:26:31,830 --> 01:26:29,760

and i confided in a friend and i said

2095

01:26:33,669 --> 01:26:31,840

i'm not gonna stream i'm gonna i'm not

2096

01:26:35,430 --> 01:26:33,679

doing any shows for the next five days

2097

01:26:35,990 --> 01:26:35,440

i'm gonna focus on the cabin i'm gonna

2098

01:26:40,310 --> 01:26:36,000

go

2099

01:26:41,590 --> 01:26:40,320

some waterfalls that i know are around

2100

01:26:45,830 --> 01:26:41,600

the cabin

2101  
01:26:48,149 --> 01:26:45,840  
and i'm not gonna do any shows and then

2102  
01:26:49,830 --> 01:26:48,159  
the friend who's another show host said

2103  
01:26:50,790 --> 01:26:49,840  
you might want to rethink that because

2104  
01:26:52,229 --> 01:26:50,800  
you've got

2105  
01:26:54,390 --> 01:26:52,239  
you got a good thing going in a lot of

2106  
01:26:56,790 --> 01:26:54,400  
momentum and if you take five days off

2107  
01:26:58,550 --> 01:26:56,800  
you will come back to no one in your

2108  
01:27:02,229 --> 01:26:58,560  
live chat when you do come back

2109  
01:27:04,550 --> 01:27:02,239  
after five days right i look like i am

2110  
01:27:07,669 --> 01:27:04,560  
broadcasting from uh sana

2111  
01:27:09,189 --> 01:27:07,679  
no this is actually the kitchen room in

2112  
01:27:11,750 --> 01:27:09,199  
the cabin and i would

2113  
01:27:13,270 --> 01:27:11,760

pan the camera around but it's a mess in

2114

01:27:14,550 --> 01:27:13,280

here because i just finished the

2115

01:27:17,350 --> 01:27:14,560

ceilings

2116

01:27:18,229 --> 01:27:17,360

in here and i'm so you could see that

2117

01:27:21,350 --> 01:27:18,239

you'd see that

2118

01:27:22,149 --> 01:27:21,360

mess oh let's see you can see that mess

2119

01:27:24,310 --> 01:27:22,159

over there

2120

01:27:27,590 --> 01:27:24,320

that's door that's half you know you can

2121

01:27:31,430 --> 01:27:27,600

see the insulation sticking through

2122

01:27:33,270 --> 01:27:31,440

i ran out of wood right so uh

2123

01:27:35,590 --> 01:27:33,280

definitely not a sauna it's a kitchen

2124

01:27:36,070 --> 01:27:35,600

room actually over there is the stove

2125

01:27:38,550 --> 01:27:36,080

and the

2126

01:27:39,189 --> 01:27:38,560

counters and all that stuff but that

2127

01:27:44,550 --> 01:27:39,199

looks like

2128

01:27:45,750 --> 01:27:44,560

uh like a frat house in here because my

2129

01:27:48,470 --> 01:27:45,760

wife hasn't been here

2130

01:27:49,830 --> 01:27:48,480

in like since the summer since last

2131

01:27:52,870 --> 01:27:49,840

summer and i've been here all

2132

01:27:56,149 --> 01:27:52,880

winter working on this place and uh now

2133

01:27:57,830 --> 01:27:56,159

and spring all spring now every weekend

2134

01:28:00,870 --> 01:27:57,840

working on this place

2135

01:28:03,990 --> 01:28:00,880

and i always joke i don't stop the mop

2136

01:28:05,910 --> 01:28:04,000

so uh yeah there's like you know pizza

2137

01:28:08,870 --> 01:28:05,920

boxes and beer cans and

2138

01:28:11,030 --> 01:28:08,880

[h\_\_h] everywhere i gotta every once in a

2139

01:28:13,189 --> 01:28:11,040

while i get disgusted enough with myself

2140

01:28:14,070 --> 01:28:13,199

that i go get a contract or clean up bag

2141

01:28:16,950 --> 01:28:14,080

and i clean the whole

2142

01:28:18,550 --> 01:28:16,960

place and mop and sweep and you know and

2143

01:28:19,590 --> 01:28:18,560

it'll stay like that for a little while

2144

01:28:21,590 --> 01:28:19,600

i'll tell you what though

2145

01:28:23,510 --> 01:28:21,600

i sure as hell got to clean this place

2146

01:28:24,790 --> 01:28:23,520

up like crazy before my wife gets here

2147

01:28:25,910 --> 01:28:24,800

because she's a little bit of a clean

2148

01:28:29,590 --> 01:28:25,920

freak

2149

01:28:32,229 --> 01:28:29,600

and uh no matter what i do

2150

01:28:34,310 --> 01:28:32,239

like i could mop the floor five times i

2151

01:28:35,990 --> 01:28:34,320

could sweep the floor five times i could

2152

01:28:38,229 --> 01:28:36,000

wipe down all the counters

2153

01:28:39,110 --> 01:28:38,239

clean the refrigerator and the stove and

2154

01:28:41,750 --> 01:28:39,120

the oven and

2155

01:28:42,870 --> 01:28:41,760

everything when she gets here she'll do

2156

01:28:47,430 --> 01:28:42,880

it all again

2157

01:28:50,149 --> 01:28:47,440

twice because she's a little nutty

2158

01:28:51,590 --> 01:28:50,159

but uh yeah i definitely gotta is it

2159

01:28:53,590 --> 01:28:51,600

blue chicken resistant

2160

01:28:56,950 --> 01:28:53,600

i hope so i don't know if he's talking

2161

01:28:59,990 --> 01:28:56,960

about the cabin right

2162

01:29:01,990 --> 01:29:00,000

vcmd uh i mentioned on my show

2163

01:29:03,830 --> 01:29:02,000

here you know i'm sorry for i'm first of

2164

01:29:07,350 --> 01:29:03,840

all i'm sorry for your loss

2165

01:29:09,110 --> 01:29:07,360

um v cmd propulsion says i love mark

2166

01:29:10,229 --> 01:29:09,120

with all my heart i just refuse to

2167

01:29:13,110 --> 01:29:10,239

believe he's gone

2168

01:29:14,470 --> 01:29:13,120

i'm sorry i am really really sorry for

2169

01:29:17,990 --> 01:29:14,480

your loss

2170

01:29:19,669 --> 01:29:18,000

um i didn't know him very well

2171

01:29:21,030 --> 01:29:19,679

i got a chance to talk to him six or

2172

01:29:23,990 --> 01:29:21,040

seven times on the phone

2173

01:29:24,790 --> 01:29:24,000

each time kind of ask begging him for an

2174

01:29:27,910 --> 01:29:24,800

interview

2175

01:29:31,750 --> 01:29:27,920

and uh he told me each time

2176

01:29:32,870 --> 01:29:31,760

something like uh he told me each time

2177

01:29:35,270 --> 01:29:32,880

something like you know

2178

01:29:36,709 --> 01:29:35,280

i i'm just trying to not be so public

2179

01:29:37,430 --> 01:29:36,719

right now i'm working on some other

2180

01:29:38,629 --> 01:29:37,440

things

2181

01:29:40,390 --> 01:29:38,639

but i'd be happy to answer your

2182

01:29:41,830 --> 01:29:40,400

questions and so he would talk to me for

2183

01:29:43,110 --> 01:29:41,840

an hour and i'd ask him all kinds of

2184

01:29:45,430 --> 01:29:43,120

questions about the arv

2185

01:29:48,070 --> 01:29:45,440

and this and that and he was very

2186

01:29:51,669 --> 01:29:48,080

forthcoming and nice to me

2187

01:29:54,070 --> 01:29:51,679

you know vs alert buddy

2188

01:29:55,750 --> 01:29:54,080

any dwelling called a cabin needs one a

2189

01:29:57,830 --> 01:29:55,760

piece of taxidermitery

2190

01:29:59,510 --> 01:29:57,840

for official cabin status funny that you

2191

01:30:00,790 --> 01:29:59,520

mentioned that because i think i'm going

2192

01:30:03,030 --> 01:30:00,800

to have a black bear

2193

01:30:04,870 --> 01:30:03,040

a stuffed one but uh like a

2194

01:30:07,270 --> 01:30:04,880

taxidermistry one

2195

01:30:08,950 --> 01:30:07,280

um i'm not sure where i'm gonna put it

2196

01:30:10,790 --> 01:30:08,960

but i know somebody that has one that i

2197

01:30:12,470 --> 01:30:10,800

might be able to get very inexpensively

2198

01:30:15,110 --> 01:30:12,480

so i was thinking about it

2199

01:30:17,590 --> 01:30:15,120

um but other than that i would say i'm

2200

01:30:19,430 --> 01:30:17,600

not real big into taxidermy

2201

01:30:22,790 --> 01:30:19,440

stuff like i don't i don't really like

2202

01:30:26,070 --> 01:30:22,800

the the deer head hanging on the wall

2203

01:30:27,910 --> 01:30:26,080

i just don't like that but a bear

2204

01:30:29,910 --> 01:30:27,920

like a bear over in a corner that would

2205

01:30:32,470 --> 01:30:29,920

be cool that i would have

2206

01:30:34,149 --> 01:30:32,480

you know and i also i have to admit that

2207

01:30:36,550 --> 01:30:34,159

i'm really not much of a hunter

2208

01:30:39,270 --> 01:30:36,560

kind of have a soft heart for animals

2209

01:30:42,790 --> 01:30:39,280

but if i was in a survival situation

2210

01:30:43,189 --> 01:30:42,800

hell yeah and i do have uh i you know i

2211

01:30:46,629 --> 01:30:43,199

have

2212

01:30:49,510 --> 01:30:46,639

archery

2213

01:30:50,790 --> 01:30:49,520

i have a ton of uh bows and arrows and i

2214

01:30:53,110 --> 01:30:50,800

have broadhead

2215

01:30:54,390 --> 01:30:53,120

arrowheads if i needed to hunt here i

2216

01:31:00,629 --> 01:30:54,400

would be

2217

01:31:01,750 --> 01:31:00,639

you know mostly i think i've i fish a

2218

01:31:05,270 --> 01:31:01,760

lot here

2219

01:31:06,470 --> 01:31:05,280

and that i eat uh i grew up in

2220

01:31:08,950 --> 01:31:06,480

philadelphia where

2221

01:31:11,110 --> 01:31:08,960

if you fished you fished in the delaware

2222

01:31:12,709 --> 01:31:11,120

river and you did not want to eat

2223

01:31:14,870 --> 01:31:12,719

anything out of the delaware river it

2224

01:31:16,229 --> 01:31:14,880

would probably kill you that's how toxic

2225

01:31:18,870 --> 01:31:16,239

the delaware river was

2226

01:31:20,950 --> 01:31:18,880

the delaware river is like black water

2227

01:31:22,950 --> 01:31:20,960

from all the boats and ships going up

2228

01:31:26,550 --> 01:31:22,960

and down the delaware river

2229

01:31:28,709 --> 01:31:26,560

and gas leaking into the it's gross

2230

01:31:30,790 --> 01:31:28,719

so uh it's different up here like all

2231

01:31:32,870 --> 01:31:30,800

these clean mountain streams and

2232

01:31:34,310 --> 01:31:32,880

mountain lakes

2233

01:31:36,950 --> 01:31:34,320

crystal clear there's one that's crystal

2234

01:31:38,470 --> 01:31:36,960

clear right near here but most of them

2235

01:31:41,189 --> 01:31:38,480

are cedar lakes which means there's

2236

01:31:42,870 --> 01:31:41,199

cedar trees around so the water is brown

2237

01:31:44,390 --> 01:31:42,880

but there are some that are crystal

2238

01:31:46,629 --> 01:31:44,400

clear

2239

01:31:47,430 --> 01:31:46,639

and and like blue almost it looks like

2240

01:31:49,510 --> 01:31:47,440

blue water

2241

01:31:51,510 --> 01:31:49,520

and you can see down to your feet if you

2242

01:31:52,229 --> 01:31:51,520

were up in the water up to your neck you

2243

01:31:53,990 --> 01:31:52,239

could see down

2244

01:31:55,590 --> 01:31:54,000

into your feet that's how crystal clear

2245

01:32:02,550 --> 01:31:55,600

and clean it is

2246

01:32:06,709 --> 01:32:05,750

yeah and uh nicholas krupa says mark was

2247

01:32:08,550 --> 01:32:06,719

very uh

2248

01:32:10,790 --> 01:32:08,560

approachable and kind when i met him in

2249

01:32:13,350 --> 01:32:10,800

san mateo california ufo conference

2250

01:32:17,430 --> 01:32:13,360

several years ago he was a class act

2251

01:32:19,270 --> 01:32:17,440

yeah oh i gotta listen to that song now

2252

01:32:20,790 --> 01:32:19,280

ryan morphy richards says don't go

2253

01:32:23,910 --> 01:32:20,800

chasing waterfalls that's

2254

01:32:26,950 --> 01:32:23,920

exactly ryan morphy richards chasing

2255

01:32:30,310 --> 01:32:26,960

waterfalls is exactly what i'm gonna do

2256

01:32:32,070 --> 01:32:30,320

and um yeah for those uh

2257

01:32:33,830 --> 01:32:32,080

that follow me on twitter it's at

2258

01:32:36,870 --> 01:32:33,840

steven cambian just my name

2259

01:32:40,310 --> 01:32:36,880

right over my name right over here

2260

01:32:42,629 --> 01:32:40,320

just at steven cambian but all one word um

2261

01:32:44,149 --> 01:32:42,639

i did post some pictures of waterfalls

2262

01:32:45,910 --> 01:32:44,159

that are right near my cabin

2263

01:32:48,310 --> 01:32:45,920

i mean i gotta get in the car and go

2264

01:32:51,590 --> 01:32:48,320

someplace they're not that you know

2265

01:32:53,669 --> 01:32:51,600

well i don't know if they are one of

2266

01:32:55,350 --> 01:32:53,679

them is at least within hiking distance

2267

01:32:56,070 --> 01:32:55,360

but it'd be a pretty long hike so i just

2268

01:32:58,310 --> 01:32:56,080

get in the car

2269

01:33:00,390 --> 01:32:58,320

go there and then go into the woods and

2270

01:33:01,990 --> 01:33:00,400

there are these beautiful waterfalls

2271

01:33:03,830 --> 01:33:02,000

in the middle of the mountains in the

2272

01:33:06,070 --> 01:33:03,840

woods and that's the most peaceful

2273

01:33:08,390 --> 01:33:06,080

serene place that i've ever been

2274

01:33:10,390 --> 01:33:08,400

i love it uh that's one of the reasons i

2275

01:33:12,790 --> 01:33:10,400

wanted a cabin in the mountains is to

2276

01:33:14,310 --> 01:33:12,800

have stuff like that right so you could

2277

01:33:15,669 --> 01:33:14,320

if you follow me on twitter you can see

2278

01:33:19,189 --> 01:33:15,679

these waterfall

2279

01:33:22,470 --> 01:33:19,199

pictures that i posted um

2280

01:33:23,189 --> 01:33:22,480

i want to remind everybody uh that we

2281

01:33:25,590 --> 01:33:23,199

are now

2282

01:33:28,070 --> 01:33:25,600

on speaker and everywhere else you get

2283

01:33:29,669 --> 01:33:28,080

your podcast so if you use apple podcast

2284

01:33:31,990 --> 01:33:29,679

just search for truth seekers look for

2285

01:33:33,270 --> 01:33:32,000

that weird guy with the sunglasses

2286

01:33:35,510 --> 01:33:33,280

and the dark hair and the blue

2287

01:33:37,430 --> 01:33:35,520

background that would be our show

2288

01:33:39,030 --> 01:33:37,440

and that would be me stephen can be in

2289

01:33:42,390 --> 01:33:39,040

the host here

2290

01:33:45,030 --> 01:33:42,400

we're on apple podcasts uh cast box

2291

01:33:47,189 --> 01:33:45,040

uh all these different platforms for

2292

01:33:49,110 --> 01:33:47,199

audio podcasts

2293

01:33:51,350 --> 01:33:49,120

so but i want to remind everybody that

2294

01:33:53,590 --> 01:33:51,360

the audio podcasts are replays

2295

01:33:55,750 --> 01:33:53,600

of our live show which is taking place

2296

01:33:56,950 --> 01:33:55,760

live right now on youtube twitch and

2297

01:34:00,470 --> 01:33:56,960

facebook

2298

01:34:02,709 --> 01:34:00,480

and along with the live show we have a

2299

01:34:03,590 --> 01:34:02,719

live chat so you you'll hear me

2300

01:34:05,669 --> 01:34:03,600

throughout the show

2301  
01:34:07,510 --> 01:34:05,679  
reading comments and questions from the

2302  
01:34:09,430 --> 01:34:07,520  
live chat participants we'd like to

2303  
01:34:10,950 --> 01:34:09,440  
invite you if you're listening in audio

2304  
01:34:13,750 --> 01:34:10,960  
podcast man

2305  
01:34:14,870 --> 01:34:13,760  
come to our youtube channel just search

2306  
01:34:16,950 --> 01:34:14,880  
for truth seekers

2307  
01:34:19,110 --> 01:34:16,960  
on the youtube in the youtube search bar

2308  
01:34:20,870 --> 01:34:19,120  
and again look for that guy with the

2309  
01:34:22,229 --> 01:34:20,880  
sunglasses and the dark hair and that

2310  
01:34:22,790 --> 01:34:22,239  
would be me and that would be our

2311  
01:34:26,310 --> 01:34:22,800  
channel

2312  
01:34:26,709 --> 01:34:26,320  
and you and do me a favor if you come

2313  
01:34:30,229 --> 01:34:26,719

here

2314

01:34:32,149 --> 01:34:30,239

subscribe but also hit that notification

2315

01:34:33,830 --> 01:34:32,159

bell so that you would know and be

2316

01:34:36,950 --> 01:34:33,840

notified when i'm about to do

2317

01:34:37,430 --> 01:34:36,960

a live stream and i also wanted to

2318

01:34:39,510 --> 01:34:37,440

mention

2319

01:34:40,950 --> 01:34:39,520

uh that several a lot of people are

2320

01:34:42,149 --> 01:34:40,960

telling me they're not getting the

2321

01:34:44,629 --> 01:34:42,159

notifications

2322

01:34:47,030 --> 01:34:44,639

so the best way to know that i'm doing a

2323

01:34:48,310 --> 01:34:47,040

show and when is to follow me on twitter

2324

01:34:50,950 --> 01:34:48,320

at stephen campion

2325

01:34:52,470 --> 01:34:50,960

i'm gonna try my best to start doing

2326

01:34:55,590 --> 01:34:52,480

more of a schedule

2327

01:34:57,590 --> 01:34:55,600

and showing people like okay

2328

01:34:59,270 --> 01:34:57,600

we're trying to stick to nine pm but

2329

01:35:01,189 --> 01:34:59,280

tonight i got things got pushed back

2330

01:35:04,950 --> 01:35:01,199

because i couldn't get here fast enough

2331

01:35:07,109 --> 01:35:04,960

uh crazy weather driving up here

2332

01:35:08,790 --> 01:35:07,119

so uh we're gonna but we're gonna try to

2333

01:35:12,470 --> 01:35:08,800

stick to 9 p.m

2334

01:35:13,990 --> 01:35:12,480

monday through friday and i'm also i'm

2335

01:35:17,030 --> 01:35:14,000

going to start a new commitment

2336

01:35:19,910 --> 01:35:17,040

which is to try to do six shows a week

2337

01:35:21,430 --> 01:35:19,920

now one of them may be a short show like

2338

01:35:23,669 --> 01:35:21,440

45 minutes or an hour

2339

01:35:25,189 --> 01:35:23,679

because i have some some quick stories

2340

01:35:27,510 --> 01:35:25,199

that i want to share and bring to you

2341

01:35:30,950 --> 01:35:27,520

that i don't think will take two hours

2342

01:35:32,229 --> 01:35:30,960

so uh all right who well yeah

2343

01:35:33,750 --> 01:35:32,239

everybody's complaining

2344

01:35:35,109 --> 01:35:33,760

about a wrench and for those that don't

2345

01:35:36,870 --> 01:35:35,119

know the wrench means that you're a

2346

01:35:39,830 --> 01:35:36,880

moderator so everybody suddenly wants to

2347

01:35:45,189 --> 01:35:39,840

be a moderator in the live chat

2348

01:35:50,390 --> 01:35:48,790

okay ryan murphy richards is now a

2349

01:35:52,070 --> 01:35:50,400

moderator and here's what i wanted to

2350

01:35:54,390 --> 01:35:52,080

mention to the moderator

2351

01:35:55,750 --> 01:35:54,400

the moderators i don't want any

2352

01:36:01,109 --> 01:35:55,760

moderators

2353

01:36:04,629 --> 01:36:01,119

only i get to make that decisions but

2354

01:36:08,070 --> 01:36:04,639

if um if you

2355

01:36:10,390 --> 01:36:08,080

notice uh somebody cursing or being

2356

01:36:11,750 --> 01:36:10,400

abusive to the other chat participants

2357

01:36:14,070 --> 01:36:11,760

then sure

2358

01:36:16,550 --> 01:36:14,080

and just use your best judgment where is

2359

01:36:20,550 --> 01:36:16,560

dan at

2360

01:36:23,669 --> 01:36:20,560

i don't know and i'm making all around

2361

01:36:26,229 --> 01:36:23,679

arbiter long time show supporter

2362

01:36:27,109 --> 01:36:26,239

congratulations you are now uh a

2363

01:36:29,030 --> 01:36:27,119

moderator

2364

01:36:30,149 --> 01:36:29,040

right an effluent for you how are you

2365

01:36:33,669 --> 01:36:30,159

not a moderator

2366

01:36:35,590 --> 01:36:33,679

i guess we're making moderators today

2367

01:36:36,790 --> 01:36:35,600

brian murphy richards you're telling me

2368

01:36:40,070 --> 01:36:36,800

dan who

2369

01:36:46,870 --> 01:36:40,080

which dan i don't i don't see a dan

2370

01:36:50,830 --> 01:36:48,709

ryan murphy richard says i don't want

2371

01:36:54,229 --> 01:36:50,840

this power well you got it now

2372

01:36:57,590 --> 01:36:56,149

little people interview for the short

2373

01:37:01,189 --> 01:36:57,600

shows

2374

01:37:05,990 --> 01:37:04,310

wutan dan okay that's who dan that's the

2375

01:37:09,189 --> 01:37:06,000

dan you're talking about

2376

01:37:11,350 --> 01:37:09,199

yeah and he's now a moderator and listen

2377

01:37:12,709 --> 01:37:11,360

i i'm gonna tell everybody to be nice

2378

01:37:15,830 --> 01:37:12,719

because otherwise

2379

01:37:17,510 --> 01:37:15,840

uh yeah you get a i'm gonna have to

2380

01:37:19,270 --> 01:37:17,520

start taking away all these we'll have

2381

01:37:28,310 --> 01:37:19,280

another show where i just take away

2382

01:37:32,390 --> 01:37:31,109

no i did woo tan dan you are now a

2383

01:37:35,750 --> 01:37:32,400

moderator

2384

01:37:37,350 --> 01:37:35,760

yes so uh i don't know what to say about

2385

01:37:39,669 --> 01:37:37,360

this query good we got another 20

2386

01:37:41,990 --> 01:37:39,679

minutes i could do that tomorrow

2387

01:37:43,669 --> 01:37:42,000

uh or we could do something else i i

2388

01:37:46,870 --> 01:37:43,679

don't think it's going to get any better

2389

01:37:49,430 --> 01:37:46,880

right the information the quality

2390

01:37:51,109 --> 01:37:49,440

of the story is not getting better so

2391

01:37:52,550 --> 01:37:51,119

here's what i'm going to do for tomorrow

2392

01:37:54,950 --> 01:37:52,560

i'm going to listen to the last 20

2393

01:37:58,310 --> 01:37:54,960

minutes after this broadcast ends

2394

01:37:59,510 --> 01:37:58,320

and then i will i will decide whether

2395

01:38:01,510 --> 01:37:59,520

we're going to return to it

2396

01:38:05,109 --> 01:38:01,520

if there's good stuff in there we might

2397

01:38:09,350 --> 01:38:07,510

if there's good stuff we might return to

2398

01:38:11,030 --> 01:38:09,360

it but if it's the same nonsense and

2399

01:38:12,470 --> 01:38:11,040

there's nothing good or good or good

2400

01:38:14,830 --> 01:38:12,480

lamps that i can make out of it

2401

01:38:19,750 --> 01:38:14,840

especially

2402

01:38:24,229 --> 01:38:21,910

i don't remember taking it off view

2403

01:38:24,870 --> 01:38:24,239

before but there was some incidents with

2404

01:38:29,990 --> 01:38:24,880

somebody

2405

01:38:31,669 --> 01:38:30,000

blocking another moderator or something

2406

01:38:35,109 --> 01:38:31,679

like that so i did take some wrenches

2407

01:38:38,790 --> 01:38:36,950

oh what music do i listen to at the

2408

01:38:39,109 --> 01:38:38,800

cabin you know what i've been listening

2409

01:38:42,790 --> 01:38:39,119

to

2410

01:38:44,790 --> 01:38:42,800

lately is david bowie but not just david

2411

01:38:48,070 --> 01:38:44,800

bowie i have been listening to david

2412

01:38:51,430 --> 01:38:48,080

bowie's albums in chronological order

2413

01:38:53,510 --> 01:38:51,440

and right now i'm only up to i can't

2414

01:38:54,470 --> 01:38:53,520

even remember off the top of my head but

2415

01:39:00,629 --> 01:38:54,480

uh you know

2416

01:39:04,629 --> 01:39:00,639

the late 70s albums uh later 70s albums

2417

01:39:10,830 --> 01:39:07,430

i can check because i have a list

2418

01:39:16,470 --> 01:39:10,840

somewhere here or actually on this

2419

01:39:20,709 --> 01:39:19,109

one second please bear with me friends

2420

01:39:23,270 --> 01:39:20,719

you know i got to keep in mind too that

2421

01:39:24,310 --> 01:39:23,280

uh it's making me a little a little

2422

01:39:27,109 --> 01:39:24,320

crazy

2423

01:39:27,830 --> 01:39:27,119

is that because this new audio podcast

2424

01:39:29,830 --> 01:39:27,840

um

2425

01:39:32,109 --> 01:39:29,840

yeah i'm listening to low right now

2426

01:39:33,270 --> 01:39:32,119

which is uh david bowie's album from

2427

01:39:36,709 --> 01:39:33,280

1977.

2428

01:39:40,870 --> 01:39:36,719

so i'm up to his 1977 album low

2429

01:39:43,189 --> 01:39:40,880

right now um i like to listen to

2430

01:39:44,229 --> 01:39:43,199

an artist's entire catalog that's

2431

01:39:46,149 --> 01:39:44,239

something that i

2432

01:39:47,990 --> 01:39:46,159

find appealing i don't know if anybody

2433

01:39:50,550 --> 01:39:48,000

else does that but like

2434

01:39:52,709 --> 01:39:50,560

most recently i did ozzy osbourne i

2435

01:39:55,750 --> 01:39:52,719

first i listened to every

2436

01:39:57,750 --> 01:39:55,760

black sabbath album that he sang on

2437

01:39:59,830 --> 01:39:57,760

and then i started listening to his solo

2438

01:40:03,510 --> 01:39:59,840

albums in chronological

2439

01:40:06,310 --> 01:40:03,520

period in chronological order

2440

01:40:07,510 --> 01:40:06,320

and i finished that off a few no like a

2441

01:40:09,830 --> 01:40:07,520

week or two ago

2442

01:40:11,830 --> 01:40:09,840

no more than that like a month ago and

2443

01:40:15,189 --> 01:40:11,840

then i started listening to bowie's

2444

01:40:15,590 --> 01:40:15,199

albums in chronological order i really

2445

01:40:18,629 --> 01:40:15,600

like

2446

01:40:20,149 --> 01:40:18,639

uh i'm gonna do i have some plans to

2447

01:40:21,510 --> 01:40:20,159

you know like i have some others that i

2448

01:40:24,550 --> 01:40:21,520

want to listen to all their work in

2449

01:40:28,310 --> 01:40:24,560

chronological order like brian eno

2450

01:40:31,910 --> 01:40:28,320

um i was thinking about doing the cars

2451

01:40:34,709 --> 01:40:31,920

the doors um queen

2452

01:40:35,430 --> 01:40:34,719

and and again i want to listen to every

2453

01:40:38,790 --> 01:40:35,440

one of their

2454

01:40:40,470 --> 01:40:38,800

albums in chrono chronological order

2455

01:40:41,990 --> 01:40:40,480

i think there's something to be said

2456

01:40:46,390 --> 01:40:42,000

about

2457

01:40:48,149 --> 01:40:46,400

hearing an artist and and

2458

01:40:50,470 --> 01:40:48,159

and really seeing the progression and

2459

01:40:52,470 --> 01:40:50,480

the evolution and the changes in their

2460

01:40:54,870 --> 01:40:52,480

music and their style

2461

01:40:55,990 --> 01:40:54,880

maybe some stylistic changes maybe some

2462

01:40:59,350 --> 01:40:56,000

musical changes

2463

01:41:01,510 --> 01:40:59,360

vocal changes even right

2464

01:41:03,270 --> 01:41:01,520

uh yeah and briannino i gotta start with

2465

01:41:07,750 --> 01:41:03,280

roxy music first sure

2466

01:41:08,550 --> 01:41:07,760

yeah uh and i'd also like to do depeche

2467

01:41:11,750 --> 01:41:08,560

mode

2468

01:41:14,070 --> 01:41:11,760

right and um

2469

01:41:16,070 --> 01:41:14,080

and again i really like to do to do this

2470

01:41:17,669 --> 01:41:16,080

in chronological order because you get

2471

01:41:21,030 --> 01:41:17,679

to see the evolution

2472

01:41:23,350 --> 01:41:21,040

and how ms sometimes it's like like this

2473

01:41:25,669 --> 01:41:23,360

bowie journey has been amazing so far

2474

01:41:27,270 --> 01:41:25,679

and yeah this berlin period of his is

2475

01:41:30,870 --> 01:41:27,280

probably his most

2476

01:41:32,229 --> 01:41:30,880

creative and and exciting to me kind of

2477

01:41:36,470 --> 01:41:32,239

music that he's made

2478

01:41:38,790 --> 01:41:36,480

right uh boy one i i miss david bowie

2479

01:41:40,470 --> 01:41:38,800

i i wish he had made you know a hundred

2480

01:41:42,470 --> 01:41:40,480

more albums right

2481

01:41:44,070 --> 01:41:42,480

and pragmatic says depeche mode to the

2482

01:41:46,550 --> 01:41:44,080

years

2483

01:41:47,830 --> 01:41:46,560

it's my favorite favorite band growing

2484

01:41:51,109 --> 01:41:47,840

up was probably

2485

01:41:51,910 --> 01:41:51,119

nine inch nails and depeche mode split

2486

01:41:53,669 --> 01:41:51,920

between the two

2487

01:41:56,550 --> 01:41:53,679

i can't decide which one i like more i

2488

01:41:58,470 --> 01:41:56,560

like each of them for different things

2489

01:42:00,070 --> 01:41:58,480

certainly when i was a younger man i

2490

01:42:02,149 --> 01:42:00,080

preferred nine inch nails though i think

2491

01:42:05,510 --> 01:42:02,159

cause i was very angry young man

2492

01:42:12,830 --> 01:42:05,520

prank magic and i love that

2493

01:42:12,840 --> 01:42:17,350

know

2494

01:42:21,830 --> 01:42:19,590

yeah aj says but we played tesla in a

2495

01:42:25,350 --> 01:42:21,840

movie yeah actually that was

2496

01:42:28,149 --> 01:42:25,360

uh the prestige i believe

2497

01:42:29,590 --> 01:42:28,159

now tesla plays bowie somewhere in space

2498

01:42:32,470 --> 01:42:29,600

sure

2499

01:42:33,590 --> 01:42:32,480

yeah interesting and again labyrinth was

2500

01:42:36,790 --> 01:42:33,600

a pretty good movie

2501

01:42:39,830 --> 01:42:36,800

right and interesting i know the guy

2502

01:42:41,990 --> 01:42:39,840

who i know a guy who worked on the movie

2503

01:42:44,229 --> 01:42:42,000

labyrinth or i knew a guy i should say

2504

01:42:45,510 --> 01:42:44,239

that worked on the movie labyrinth that

2505

01:42:47,669 --> 01:42:45,520

did all of the

2506

01:42:49,270 --> 01:42:47,679

crystal ball stuff and how they did that

2507

01:42:50,950 --> 01:42:49,280

was so interesting like bowie had to

2508

01:42:51,910 --> 01:42:50,960

stand there and this guy put his arms

2509

01:42:54,950 --> 01:42:51,920

through bowie's

2510

01:42:57,430 --> 01:42:54,960

and did all that all that

2511

01:42:57,990 --> 01:42:57,440

sort of sleight of hand that they used

2512

01:43:03,510 --> 01:42:58,000

and

2513

01:43:05,430 --> 01:43:03,520

we couldn't actually do that

2514

01:43:08,229 --> 01:43:05,440

so there's like a guy standing behind

2515

01:43:09,750 --> 01:43:08,239

him you know that you don't see

2516

01:43:16,310 --> 01:43:09,760

interesting yeah the prestige was a

2517

01:43:19,990 --> 01:43:18,709

wu chan remove my wrench please i don't

2518

01:43:21,669 --> 01:43:20,000

know that a moderator can

2519

01:43:24,550 --> 01:43:21,679

if you really want me to remove it i

2520

01:43:26,070 --> 01:43:24,560

will right mega death is good too yeah i

2521

01:43:27,910 --> 01:43:26,080

thought about doing metallica

2522

01:43:29,430 --> 01:43:27,920

in order but i'm really not that big of

2523

01:43:31,510 --> 01:43:29,440

a metallica fan

2524

01:43:34,070 --> 01:43:31,520

i liked master puppets growing up and

2525

01:43:36,229 --> 01:43:34,080

then that's about it

2526

01:43:37,990 --> 01:43:36,239

uh i really didn't like anything you

2527

01:43:40,310 --> 01:43:38,000

have to actually i shouldn't say that

2528

01:43:41,910 --> 01:43:40,320

i liked metallica before bob rock got

2529

01:43:43,669 --> 01:43:41,920

involved in the black album

2530

01:43:45,590 --> 01:43:43,679

you know and yeah people can argue with

2531

01:43:46,629 --> 01:43:45,600

me their black album has some good songs

2532

01:43:49,830 --> 01:43:46,639

on it

2533

01:44:01,590 --> 01:43:49,840

but i'm i'm just yeah i i like the

2534

01:44:05,109 --> 01:44:03,189

you guys are much older than me i have

2535

01:44:06,149 --> 01:44:05,119

no idea what you're talking about you

2536

01:44:07,750 --> 01:44:06,159

come on man you

2537

01:44:10,070 --> 01:44:07,760

never heard of these bands that we're

2538

01:44:15,750 --> 01:44:10,080

talking about we're not that old

2539

01:44:15,760 --> 01:44:19,350

oh look at that

2540

01:44:22,470 --> 01:44:21,430

i want to thank eric anderson for kind

2541

01:44:25,590 --> 01:44:22,480

and generous 10

2542

01:44:27,870 --> 01:44:25,600

super chat donation eric anderson says

2543

01:44:29,430 --> 01:44:27,880

praise the cash just got here global

2544

01:44:32,470 --> 01:44:29,440

electromagnetic weapons

2545

01:44:36,149 --> 01:44:32,480

like haarp sdi sri international

2546

01:44:38,550 --> 01:44:36,159

bowie the man who came from earth yeah

2547

01:44:40,310 --> 01:44:38,560

he is that movie there's a movie with

2548

01:44:40,950 --> 01:44:40,320

david bowie called the man who fell to

2549

01:44:43,750 --> 01:44:40,960

earth

2550

01:44:45,590 --> 01:44:43,760

and it is amazing that movie is amazing

2551

01:44:45,990 --> 01:44:45,600

i forgot how amazing it was but since

2552

01:44:48,550 --> 01:44:46,000

i'm

2553

01:44:49,430 --> 01:44:48,560

taking this bowie journey i watched it

2554

01:44:53,430 --> 01:44:49,440

recently like

2555

01:44:54,629 --> 01:44:53,440

last week uh and i i forgot how good

2556

01:44:56,629 --> 01:44:54,639

that movie was

2557

01:44:58,070 --> 01:44:56,639

it's really really an enjoyable movie

2558

01:44:59,590 --> 01:44:58,080

but thank you eric anderson for your

2559

01:45:01,590 --> 01:44:59,600

kindness your generosity and your

2560

01:45:03,750 --> 01:45:01,600

support of the show and you too

2561

01:45:06,709 --> 01:45:03,760

can help us praise the cash praise the

2562

01:45:10,310 --> 01:45:06,719

cash praise the cash praise the cash

2563

01:45:12,149 --> 01:45:10,320

thank god almighty eric anderson

2564

01:45:14,550 --> 01:45:12,159

with his kindness his generosity and

2565

01:45:16,629 --> 01:45:14,560

support is helping us praise the cash

2566

01:45:18,790 --> 01:45:16,639

in the amount of 10 us dollars praise

2567

01:45:22,149 --> 01:45:18,800

the cash friends

2568

01:45:23,750 --> 01:45:22,159

yes and we'll also

2569

01:45:25,669 --> 01:45:23,760

i want to mention that if you'd like to

2570

01:45:26,070 --> 01:45:25,679

you can support us on patreon just

2571

01:45:33,189 --> 01:45:26,080

search

2572

01:45:35,350 --> 01:45:33,199

on patreon and you will find us

2573

01:45:36,310 --> 01:45:35,360

uh there's links in the about section of

2574

01:45:37,830 --> 01:45:36,320

our channel

2575

01:45:39,830 --> 01:45:37,840

it's as little as a dollar a month and

2576

01:45:40,470 --> 01:45:39,840

we do a monthly journal and a bunch of

2577

01:45:43,109 --> 01:45:40,480

other

2578

01:45:43,990 --> 01:45:43,119

benefits backstage pass of sort that you

2579

01:45:47,669 --> 01:45:44,000

get on

2580

01:45:51,109 --> 01:45:49,590

brian murphy richards i'm not sharing

2581

01:45:55,109 --> 01:45:51,119

that is

2582

01:45:57,350 --> 01:45:55,119

that what get what oh geez man

2583

01:46:00,310 --> 01:45:57,360

it's getting it's getting ziggy sardos

2584

01:46:02,629 --> 01:46:00,320

yeah ziggy stardust is amazing

2585

01:46:04,149 --> 01:46:02,639

yeah so uh you know i'm i'm going

2586

01:46:06,470 --> 01:46:04,159

through that's the music that i listen

2587

01:46:10,310 --> 01:46:09,189

oh tornado of souls i yeah mega death

2588

01:46:14,070 --> 01:46:10,320

yeah

2589

01:46:16,149 --> 01:46:14,080

that this sort of feud between dave

2590

01:46:18,229 --> 01:46:16,159

mustain and metallica was kind of fun

2591

01:46:20,229 --> 01:46:18,239

right

2592

01:46:21,590 --> 01:46:20,239

and i love symphony of destruction i

2593

01:46:24,229 --> 01:46:21,600

know that's kind of like the

2594

01:46:24,790 --> 01:46:24,239

single that like you know everybody

2595

01:46:26,709 --> 01:46:24,800

knows

2596

01:46:29,030 --> 01:46:26,719

and that's not something that a real fan

2597

01:46:36,310 --> 01:46:29,040

of of them would mention but

2598

01:46:40,629 --> 01:46:38,870

mystic moon tarot was here and says

2599

01:46:43,669 --> 01:46:40,639

metallica yeah

2600

01:46:46,310 --> 01:46:43,679

uh not not a huge fan i like the first

2601

01:46:53,109 --> 01:46:46,320

bunch of records but it got worse after

2602

01:46:58,149 --> 01:46:56,229

yeah f craft 72. maybe i'm sorry if i

2603

01:46:59,830 --> 01:46:58,159

didn't praise the cash enough lately but

2604

01:47:00,870 --> 01:46:59,840

i felt a little self-conscious

2605

01:47:03,910 --> 01:47:00,880

considering

2606

01:47:05,910 --> 01:47:03,920

you know the recent drama rama and

2607

01:47:07,109 --> 01:47:05,920

also people are clipping out when i do

2608

01:47:10,070 --> 01:47:07,119

that now and

2609

01:47:10,950 --> 01:47:10,080

and and using it like to say that

2610

01:47:13,750 --> 01:47:10,960

whatever

2611

01:47:15,109 --> 01:47:13,760

i don't want to get into it f 72 but now

2612

01:47:16,070 --> 01:47:15,119

like i have to worry about people

2613

01:47:18,310 --> 01:47:16,080

clipping that out

2614

01:47:21,830 --> 01:47:18,320

and making me look like you know a money

2615

01:47:23,270 --> 01:47:21,840

hungry [h\_\_h]

2616

01:47:24,950 --> 01:47:23,280

but you know what i'm not going to worry

2617

01:47:27,669 --> 01:47:24,960

about it i'm going to praise the cash

2618

01:47:29,030 --> 01:47:27,679

fcra72 because praise cash praise cash

2619

01:47:31,189 --> 01:47:29,040

hallelujah

2620

01:47:32,709 --> 01:47:31,199

right it's better than working a taco

2621

01:47:34,709 --> 01:47:32,719

bell okay

2622

01:47:37,430 --> 01:47:34,719

praising the cash is definitely better

2623

01:47:40,870 --> 01:47:37,440

than working at taco bell

2624

01:47:42,310 --> 01:47:40,880

yeah so friends uh yeah i want to thank

2625

01:47:43,030 --> 01:47:42,320

everybody for joining us i think i'm

2626

01:47:50,390 --> 01:47:43,040

going to bounce

2627

01:47:53,669 --> 01:47:50,400

out of here right

2628

01:47:54,390 --> 01:47:53,679

i'm definitely i will definitely be back

2629

01:47:57,430 --> 01:47:54,400

tomorrow

2630

01:47:58,790 --> 01:47:57,440

at some time i'm i'm not sure especially

2631

01:47:59,990 --> 01:47:58,800

because i'm supposed to sort of be on

2632

01:48:01,590 --> 01:48:00,000

vacation here

2633

01:48:03,990 --> 01:48:01,600

what but i'm gonna find time to do a

2634

01:48:06,390 --> 01:48:04,000

show every day right

2635

01:48:07,590 --> 01:48:06,400

i'm definitely gonna find find time to

2636

01:48:09,590 --> 01:48:07,600

do a show

2637

01:48:12,629 --> 01:48:09,600

i because you know i just keep thinking

2638

01:48:18,310 --> 01:48:16,149

yeah and listen uh i go uh goku

2639

01:48:19,430 --> 01:48:18,320

i i'm not gonna read your lie i'm i've

2640

01:48:22,229 --> 01:48:19,440

read your your

2641

01:48:23,990 --> 01:48:22,239

live chat comment right and i i agree

2642

01:48:24,229 --> 01:48:24,000

with you but i would prefer if none of

2643

01:48:27,350 --> 01:48:24,239

us

2644

01:48:30,390 --> 01:48:27,360

really even mention that anymore right

2645

01:48:32,790 --> 01:48:30,400

uh i just want to move on and not

2646

01:48:34,070 --> 01:48:32,800

really focus on negative stuff or

2647

01:48:36,390 --> 01:48:34,080

negative people

2648

01:48:37,669 --> 01:48:36,400

you know i can't it's like i said last

2649

01:48:39,350 --> 01:48:37,679

night though

2650

01:48:41,669 --> 01:48:39,360

uh we're not having tarot card readings

2651  
01:48:43,109 --> 01:48:41,679  
at least not for the foreseeable future

2652  
01:48:45,350 --> 01:48:43,119  
they'll pick something else to cry and

2653  
01:48:48,229 --> 01:48:45,360  
complain about

2654  
01:48:49,189 --> 01:48:48,239  
yep can't please all the people all the

2655  
01:48:52,149 --> 01:48:49,199  
time

2656  
01:48:54,229 --> 01:48:52,159  
and uh i'm not gonna try to right you

2657  
01:48:56,310 --> 01:48:54,239  
know and i think i was very fair

2658  
01:48:57,590 --> 01:48:56,320  
and but at some point you're getting

2659  
01:48:59,910 --> 01:48:57,600  
deleted from my

2660  
01:49:00,790 --> 01:48:59,920  
universe i'm not gonna just take abuse

2661  
01:49:04,550 --> 01:49:00,800  
for days on

2662  
01:49:05,669 --> 01:49:04,560  
end right so you know and by the way i

2663  
01:49:08,629 --> 01:49:05,679

think in total

2664

01:49:10,709 --> 01:49:08,639

in my lifetime the whole time running

2665

01:49:13,910 --> 01:49:10,719

the radio show midnight hour show

2666

01:49:14,709 --> 01:49:13,920

and this show that's four years in total

2667

01:49:17,830 --> 01:49:14,719

i blocked

2668

01:49:20,470 --> 01:49:17,840

three people that's it

2669

01:49:21,990 --> 01:49:20,480

and all three times i could show you

2670

01:49:23,750 --> 01:49:22,000

there was nothing i could do they were

2671

01:49:24,709 --> 01:49:23,760

just gonna keep being belligerent and

2672

01:49:28,310 --> 01:49:24,719

nasty to me

2673

01:49:31,189 --> 01:49:28,320

until i did so so uh

2674

01:49:32,709 --> 01:49:31,199

yeah i i if somebody is that belligerent

2675

01:49:36,950 --> 01:49:32,719

or in that nasty right

2676

01:49:40,229 --> 01:49:36,960

uh you know i'm gonna yeah i'm gonna

2677

01:49:43,510 --> 01:49:40,239

just delete them from my existence

2678

01:49:45,270 --> 01:49:43,520

yeah on uh says saying praise the cash

2679

01:49:46,550 --> 01:49:45,280

is very tongue-in-cheek and should be

2680

01:49:48,229 --> 01:49:46,560

yeah it's supposed to be funny and

2681

01:49:50,070 --> 01:49:48,239

sarcastic it's not supposed to but

2682

01:49:50,629 --> 01:49:50,080

people are taking it out of context to

2683

01:49:55,990 --> 01:49:50,639

make it

2684

01:49:59,750 --> 01:49:56,000

somebody called me cash seekers

2685

01:50:02,390 --> 01:49:59,760

wonder who that was pragmatic right

2686

01:50:03,910 --> 01:50:02,400

and i love how uh the person making

2687

01:50:06,629 --> 01:50:03,920

those videos is trying to pretend it's

2688

01:50:08,870 --> 01:50:06,639

somebody else making those videos right

2689

01:50:10,950 --> 01:50:08,880

that's that's why because they don't

2690

01:50:12,070 --> 01:50:10,960

want to own up to slagging me but it's

2691

01:50:13,669 --> 01:50:12,080

all good

2692

01:50:15,830 --> 01:50:13,679

and you know i could take a joke from

2693

01:50:17,270 --> 01:50:15,840

some people right and i don't i don't i

2694

01:50:20,390 --> 01:50:17,280

don't know

2695

01:50:23,750 --> 01:50:20,400

yeah but uh we're not gonna get into the

2696

01:50:26,629 --> 01:50:23,760

the and pragmatic says it's too bad

2697

01:50:27,910 --> 01:50:26,639

concerning discussing tarot yeah and and

2698

01:50:29,990 --> 01:50:27,920

you know

2699

01:50:32,149 --> 01:50:30,000

it's crack magic here's the thing it's

2700

01:50:32,870 --> 01:50:32,159

like one of these things is not like the

2701  
01:50:35,750 --> 01:50:32,880  
other

2702  
01:50:36,950 --> 01:50:35,760  
you know me having a tarot card reader

2703  
01:50:39,589 --> 01:50:36,960  
versus me

2704  
01:50:40,709 --> 01:50:39,599  
saying i'm channeling jesus christ is

2705  
01:50:43,270 --> 01:50:40,719  
two different things

2706  
01:50:44,790 --> 01:50:43,280  
right or me saying i talk to bluebird

2707  
01:50:46,550 --> 01:50:44,800  
aliens

2708  
01:50:48,550 --> 01:50:46,560  
and me having a tarot card reading it's

2709  
01:50:50,070 --> 01:50:48,560  
not the same thing and if people are

2710  
01:50:50,790 --> 01:50:50,080  
saying you're doing the same thing as

2711  
01:50:53,030 --> 01:50:50,800  
them

2712  
01:50:55,189 --> 01:50:53,040  
it's not the same thing and i never had

2713  
01:50:56,870 --> 01:50:55,199

a bad word to say about tarot cards

2714

01:50:58,390 --> 01:50:56,880

so you know but it is what it is we're

2715

01:50:59,990 --> 01:50:58,400

not going to have tarot cards they'll

2716

01:51:01,910 --> 01:51:00,000

pick something new to [h\_\_h]

2717

01:51:03,109 --> 01:51:01,920

pick something to cry about that's all

2718

01:51:10,709 --> 01:51:03,119

you know

2719

01:51:13,750 --> 01:51:10,719

that's funny joshua joshua

2720

01:51:15,189 --> 01:51:13,760

uh wabandato says i have a new briefing

2721

01:51:16,870 --> 01:51:15,199

for you all popeye's chicken

2722

01:51:18,390 --> 01:51:16,880

is in collaboration with blue chickens

2723

01:51:21,589 --> 01:51:18,400

to poison us all

2724

01:51:23,350 --> 01:51:21,599

oh no you know on the reason your

2725

01:51:24,790 --> 01:51:23,360

your comment caught my eye because on

2726

01:51:27,510 --> 01:51:24,800

the way up here

2727

01:51:29,270 --> 01:51:27,520

i i saw popeye's chicken and i don't i

2728

01:51:29,669 --> 01:51:29,280

don't know why because i'm not a big fan

2729

01:51:33,109 --> 01:51:29,679

i'm a

2730

01:51:35,430 --> 01:51:33,119

chicken and i

2731

01:51:37,189 --> 01:51:35,440

i was going to stop and get a bucket but

2732

01:51:39,990 --> 01:51:37,199

it was kind of inconvenient to do so and

2733

01:51:41,510 --> 01:51:40,000

i was already running so late

2734

01:51:49,270 --> 01:51:41,520

popeye's chicken is good if you get the

2735

01:51:53,109 --> 01:51:51,270

that break magic says i agree stephen my

2736

01:51:55,750 --> 01:51:53,119

thumbs are tired from saying so

2737

01:51:57,910 --> 01:51:55,760

yeah some of this stuff is ridiculous

2738

01:52:00,870 --> 01:51:57,920

and i'm going to say this again

2739

01:52:02,470 --> 01:52:00,880

anything that i did to offend anybody i

2740

01:52:05,830 --> 01:52:02,480

sincerely apologize

2741

01:52:06,390 --> 01:52:05,840

for anything that i said that offended

2742

01:52:09,669 --> 01:52:06,400

somebody

2743

01:52:12,870 --> 01:52:09,679

i sincerely apologize for any

2744

01:52:13,830 --> 01:52:12,880

grievance anybody has against me real or

2745

01:52:17,109 --> 01:52:13,840

imagined

2746

01:52:19,669 --> 01:52:17,119

whatever i apologize that's all i can do

2747

01:52:20,870 --> 01:52:19,679

pragmatic right and i wish every other

2748

01:52:22,790 --> 01:52:20,880

show the best

2749

01:52:24,229 --> 01:52:22,800

i i wish everybody the best of success

2750

01:52:25,750 --> 01:52:24,239

everybody's got to do their show their

2751

01:52:28,550 --> 01:52:25,760

way and i'm not going to

2752

01:52:30,310 --> 01:52:28,560

you know i'm not going to lose my mind

2753

01:52:32,149 --> 01:52:30,320

and throw a temper tantrum if some other

2754

01:52:35,350 --> 01:52:32,159

show host does something

2755

01:52:36,550 --> 01:52:35,360

you know different i don't know we'll

2756

01:52:41,910 --> 01:52:36,560

see

2757

01:52:42,709 --> 01:52:41,920

blasphemy church is all the way i do

2758

01:52:44,550 --> 01:52:42,719

like churches

2759

01:52:46,310 --> 01:52:44,560

you're right we don't have many around

2760

01:52:49,350 --> 01:52:46,320

here though churches is very

2761

01:52:52,310 --> 01:52:49,360

very uh few and far between here we have

2762

01:52:54,470 --> 01:52:52,320

popeyes and kfc

2763

01:52:55,990 --> 01:52:54,480

and i gotta say i'm not that big a fan

2764

01:52:57,430 --> 01:52:56,000

of popeyes also because it seems like

2765

01:52:57,990 --> 01:52:57,440

the portions they give you when they

2766

01:53:00,149 --> 01:52:58,000

have meal

2767

01:53:02,070 --> 01:53:00,159

boxes are like tiny and i need two or

2768

01:53:04,070 --> 01:53:02,080

three of them

2769

01:53:05,669 --> 01:53:04,080

but you know in my defense my wife makes

2770

01:53:06,709 --> 01:53:05,679

fun of me she's like you really you're

2771

01:53:08,950 --> 01:53:06,719

gonna eat three meals

2772

01:53:10,070 --> 01:53:08,960

i'm like look how small it is it's like

2773

01:53:12,550 --> 01:53:10,080

you know

2774

01:53:13,350 --> 01:53:12,560

it's like 17 french fries and some

2775

01:53:19,109 --> 01:53:13,360

shrimp

2776

01:53:20,310 --> 01:53:19,119

it's not a big it's not a meal size and

2777

01:53:28,950 --> 01:53:20,320

i'm six foot four

2778

01:53:32,390 --> 01:53:30,629

all right arbiter says church's chicken

2779

01:53:34,390 --> 01:53:32,400

is a grease trap

2780

01:53:35,830 --> 01:53:34,400

in my opinion but if you like it you

2781

01:53:37,430 --> 01:53:35,840

know go right ahead yeah

2782

01:53:40,149 --> 01:53:37,440

now we're getting into a chicken debate

2783

01:53:41,510 --> 01:53:40,159

based on the blue chicken cult

2784

01:53:43,750 --> 01:53:41,520

and isn't that funny corey goode

2785

01:53:44,790 --> 01:53:43,760

actually went out and got a of like a

2786

01:53:47,109 --> 01:53:44,800

sign of a chicken

2787

01:53:48,390 --> 01:53:47,119

and painted the chicken blue and it's in

2788

01:53:51,750 --> 01:53:48,400

his office there

2789

01:53:53,189 --> 01:53:51,760

like he's proud of that lee veltman says

2790

01:53:56,310 --> 01:53:53,199

we meet we need more shrimp on the

2791

01:53:57,669 --> 01:53:56,320

barbie we we definitely definitely do

2792

01:53:59,990 --> 01:53:57,679

we definitely need more shrimp on the

2793

01:54:01,589 --> 01:54:00,000

barbie i got all these friends that are

2794

01:54:05,589 --> 01:54:01,599

coming to the show

2795

01:54:05,990 --> 01:54:05,599

from australia and i want to eat those

2796

01:54:09,750 --> 01:54:06,000

huge

2797

01:54:12,229 --> 01:54:09,760

shrimp is my favorite food probably

2798

01:54:12,950 --> 01:54:12,239

yeah i'd say it is shrimp is my favorite

2799

01:54:15,109 --> 01:54:12,960

food i

2800

01:54:16,950 --> 01:54:15,119

i'm like forrest gump man i'll give you

2801  
01:54:17,830 --> 01:54:16,960  
that dude and forrest gump popcorn

2802  
01:54:31,109 --> 01:54:17,840  
shrimp

2803  
01:54:34,229 --> 01:54:31,119  
rice

2804  
01:54:35,750 --> 01:54:34,239  
it's my favorite food so someday i gotta

2805  
01:54:40,790 --> 01:54:35,760  
go to australia just to eat those

2806  
01:54:44,709 --> 01:54:44,149  
fcraft72 had kfc tonight yeah i had a

2807  
01:54:49,830 --> 01:54:44,719  
pizza

2808  
01:54:51,109 --> 01:54:49,840  
jones is here it says garlic shrimp yeah

2809  
01:54:54,149 --> 01:54:51,119  
there you go i haven't seen you in a

2810  
01:54:55,910 --> 01:54:54,159  
while did you get a new husband yet

2811  
01:54:58,550 --> 01:54:55,920  
for those that don't know jeanette

2812  
01:55:00,070 --> 01:54:58,560  
kimberly jones she's commenting yeah is

2813  
01:55:02,149 --> 01:55:00,080

that a new last name

2814

01:55:03,510 --> 01:55:02,159

she's commenting from facebook is one of

2815

01:55:05,750 --> 01:55:03,520

my uh

2816

01:55:07,109 --> 01:55:05,760

brother's old girlfriends growing up and

2817

01:55:08,070 --> 01:55:07,119

a friend of mine from when we were

2818

01:55:10,070 --> 01:55:08,080

children

2819

01:55:11,910 --> 01:55:10,080

and she's got she's been married like

2820

01:55:14,629 --> 01:55:11,920

four times i think

2821

01:55:16,629 --> 01:55:14,639

and and when i don't see her for a while

2822

01:55:17,510 --> 01:55:16,639

like if it's a year or something or talk

2823

01:55:19,589 --> 01:55:17,520

to her

2824

01:55:23,270 --> 01:55:19,599

by then she's got a new husband and

2825

01:55:33,270 --> 01:55:25,589

yeah she goes down the aisle so much the

2826

01:55:35,350 --> 01:55:33,280

wedding chapel charged her for a new rug

2827

01:55:37,669 --> 01:55:35,360

oh aj says we don't eat shrimp we eat

2828

01:55:39,750 --> 01:55:37,679

prawns we

2829

01:55:40,790 --> 01:55:39,760

don't eat lobster we eat crape fish i

2830

01:55:42,390 --> 01:55:40,800

don't care what it is

2831

01:55:45,669 --> 01:55:42,400

it tastes like shrimp and it looks like

2832

01:55:50,310 --> 01:55:45,679

shrimp aj i'ma eat it

2833

01:55:58,310 --> 01:55:54,709

what pragmatics doing somebody's dad

2834

01:56:03,030 --> 01:56:00,550

yeah i don't know she's not commenting

2835

01:56:06,950 --> 01:56:05,910

oh see this oh look i was right yes

2836

01:56:09,270 --> 01:56:06,960

she's had four

2837

01:56:11,350 --> 01:56:09,280

husbands and nope still the same for the

2838

01:56:15,109 --> 01:56:11,360

past 7.5 years

2839

01:56:17,270 --> 01:56:15,119

he didn't get sick of you yet girl

2840

01:56:19,189 --> 01:56:17,280

god bless him i couldn't live with this

2841

01:56:20,149 --> 01:56:19,199

jeanette i would kill her i would murder

2842

01:56:23,189 --> 01:56:20,159

her

2843

01:56:27,270 --> 01:56:23,199

carpet and

2844

01:56:29,750 --> 01:56:27,280

and put her in the dump

2845

01:56:30,870 --> 01:56:29,760

no i won she's a nice girl i haven't

2846

01:56:31,830 --> 01:56:30,880

seen her in a long time i hope you're

2847

01:56:34,550 --> 01:56:31,840

doing well jeanette

2848

01:56:35,910 --> 01:56:34,560

i'm doing well uh i just got monetized

2849

01:56:36,390 --> 01:56:35,920

jeanette you know what that means that

2850

01:56:38,870 --> 01:56:36,400

means

2851  
01:56:40,470 --> 01:56:38,880  
praise the cash praise the cash people

2852  
01:56:43,109 --> 01:56:40,480  
are paying me to do this now could you

2853  
01:56:46,149 --> 01:56:43,119  
believe it

2854  
01:56:48,390 --> 01:56:46,159  
somehow this becomes a job uh but

2855  
01:56:49,830 --> 01:56:48,400  
given the current pandemic and all that

2856  
01:56:52,070 --> 01:56:49,840  
you know there's it's

2857  
01:56:53,990 --> 01:56:52,080  
it ain't easy making a living so i can't

2858  
01:56:57,990 --> 01:56:54,000  
tell you how happy i am about it

2859  
01:56:59,430 --> 01:56:58,000  
i really am uh you know and uh

2860  
01:57:01,189 --> 01:56:59,440  
i was thinking about it you know some of

2861  
01:57:03,990 --> 01:57:01,199  
this recent drama is like

2862  
01:57:05,030 --> 01:57:04,000  
is is i don't think i was angry so much

2863  
01:57:07,750 --> 01:57:05,040

as i was really

2864

01:57:08,070 --> 01:57:07,760

disappointed because you know instead of

2865

01:57:10,470 --> 01:57:08,080

uh

2866

01:57:11,109 --> 01:57:10,480

celebrating my success people were you

2867

01:57:12,950 --> 01:57:11,119

know

2868

01:57:14,149 --> 01:57:12,960

trying to tear me down just as that

2869

01:57:17,270 --> 01:57:14,159

success was

2870

01:57:19,990 --> 01:57:17,280

was happening but you know i had

2871

01:57:22,229 --> 01:57:20,000

a i had some time to think about it now

2872

01:57:23,030 --> 01:57:22,239

i'm good i'm in a very good place right

2873

01:57:26,470 --> 01:57:23,040

now

2874

01:57:28,070 --> 01:57:26,480

and i really don't care i really don't

2875

01:57:29,669 --> 01:57:28,080

care what anybody else thinks

2876

01:57:31,910 --> 01:57:29,679

right i'm just going to keep doing my

2877

01:57:34,550 --> 01:57:31,920

thing and doing it well right

2878

01:57:35,350 --> 01:57:34,560

you know and i'm going to keep showing

2879

01:57:38,870 --> 01:57:35,360

up here

2880

01:57:39,510 --> 01:57:38,880

because certainly uh if i've i've always

2881

01:57:41,910 --> 01:57:39,520

said this

2882

01:57:44,470 --> 01:57:41,920

if i come here and water this garden

2883

01:57:47,430 --> 01:57:44,480

every day

2884

01:57:48,070 --> 01:57:47,440

surely this garden will grow and this

2885

01:57:49,669 --> 01:57:48,080

has worked

2886

01:57:51,750 --> 01:57:49,679

every day i come here and i put some

2887

01:57:54,310 --> 01:57:51,760

work in and

2888

01:57:56,149 --> 01:57:54,320

eventually you get to the harvest you

2889

01:57:57,990 --> 01:57:56,159

know if you seed enough that you

2890

01:58:01,750 --> 01:57:58,000

sow enough seeds you're gonna have a

2891

01:58:05,430 --> 01:58:03,430

and and jeanette says she'd kill me

2892

01:58:08,790 --> 01:58:05,440

first pro yeah probably

2893

01:58:13,109 --> 01:58:11,109

jeanette i heard a good joke uh the

2894

01:58:16,709 --> 01:58:13,119

other day what was it uh

2895

01:58:19,270 --> 01:58:16,719

oh uh yeah

2896

01:58:21,109 --> 01:58:19,280

i just helped my friend sarah bury a

2897

01:58:23,109 --> 01:58:21,119

roll of carpet

2898

01:58:27,270 --> 01:58:23,119

she she said her boyfriend would have

2899

01:58:32,149 --> 01:58:29,030

hey jeanette what's the difference

2900

01:58:33,350 --> 01:58:32,159

between a wife and a girlfriend

2901  
01:58:36,709 --> 01:58:33,360  
i'm sorry what's the difference between

2902  
01:58:39,910 --> 01:58:36,719  
a girlfriend and a wife jeanette

2903  
01:58:42,229 --> 01:58:39,920  
usually about a hundred pounds

2904  
01:58:43,830 --> 01:58:42,239  
i love that one that's gonna get me in

2905  
01:58:46,310 --> 01:58:43,840  
trouble all right we gotta bounce out of

2906  
01:58:48,709 --> 01:58:46,320  
here before i get in trouble

2907  
01:58:49,350 --> 01:58:48,719  
it's nice to see you jeanette and uh you

2908  
01:58:53,109 --> 01:58:49,360  
should come

2909  
01:58:54,870 --> 01:58:53,119  
going to be having a kids party soon

2910  
01:58:56,470 --> 01:58:54,880  
if you want i'll have my wife send you

2911  
01:58:57,589 --> 01:58:56,480  
an invitation because i'm terrible with

2912  
01:59:00,390 --> 01:58:57,599  
those things

2913  
01:59:03,270 --> 01:59:00,400

we're in warminster now i'm not sure how

2914

01:59:05,589 --> 01:59:03,280

far that is from you but you are welcome

2915

01:59:07,430 --> 01:59:05,599

uh yeah and i and uh and jeanette i

2916

01:59:08,790 --> 01:59:07,440

haven't seen tony in forever

2917

01:59:11,109 --> 01:59:08,800

i don't know partially because of the

2918

01:59:12,870 --> 01:59:11,119

pandemic partially because we moved

2919

01:59:15,510 --> 01:59:12,880

you know but hopefully i'll get to catch

2920

01:59:18,950 --> 01:59:15,520

up with him soon as well

2921

01:59:23,510 --> 01:59:22,149

yeah and uh i don't know i don't know

2922

01:59:24,870 --> 01:59:23,520

i think we're gonna bounce out of here

2923

01:59:26,790 --> 01:59:24,880

so i want to thank each and every one of

2924

01:59:29,910 --> 01:59:26,800

you for joining me tonight

2925

01:59:32,550 --> 01:59:29,920

it really is my pleasure to spend some

2926

01:59:34,790 --> 01:59:32,560

time with you here every day

2927

01:59:35,750 --> 01:59:34,800

and i'm always happy friends when

2928

01:59:38,550 --> 01:59:35,760

there's an audience

2929

01:59:39,189 --> 01:59:38,560

you guys know that i've been very

2930

01:59:40,470 --> 01:59:39,199

fortunate

2931

01:59:42,229 --> 01:59:40,480

most of the time that i come here

2932

01:59:43,990 --> 01:59:42,239

there's an audience here for me

2933

01:59:45,589 --> 01:59:44,000

and i can't tell you how happy i am

2934

01:59:47,430 --> 01:59:45,599

about that and how happy

2935

01:59:48,950 --> 01:59:47,440

i am that you could be a part of that

2936

01:59:50,870 --> 01:59:48,960

audience tonight

2937

01:59:52,390 --> 01:59:50,880

uh until next time friends my name is

2938

02:00:07,380 --> 01:59:52,400

stephen cambion good night

2939

02:00:27,410 --> 02:00:24,830

[Music]
