

DARK FILES

(A Pictorial History of Lost, Forgotten and Obscure UFO Encounters)

Book 1

By Michael Schmitt

July 2001

1
00:03:16,830 --> 00:00:15,560
[Music]

2
00:04:06,840 --> 00:03:19,590
so

3
00:04:06,850 --> 00:04:13,030
[Music]

4
00:04:16,550 --> 00:04:15,190
greetings and salutations friends and

5
00:04:20,229 --> 00:04:16,560
welcome back

6
00:04:22,950 --> 00:04:20,239
i am fresh back from the cabin after uh

7
00:04:24,870 --> 00:04:22,960
quite a few days there i left on

8
00:04:27,909 --> 00:04:24,880
wednesday just returning today

9
00:04:29,030 --> 00:04:27,919
it's one of the longest uh stints i've

10
00:04:30,550 --> 00:04:29,040
done at the cabin

11
00:04:32,790 --> 00:04:30,560
trying to get a lot of things done

12
00:04:34,230 --> 00:04:32,800
before my family begins to spend every

13
00:04:37,270 --> 00:04:34,240

weekend there

14

00:04:39,270 --> 00:04:37,280

uh didn't go well all the tools were

15

00:04:40,070 --> 00:04:39,280

breaking down my air compressor stopped

16

00:04:42,950 --> 00:04:40,080

working

17

00:04:44,870 --> 00:04:42,960

no idea why uh and it's broken good like

18

00:04:46,790 --> 00:04:44,880

the motor seized so

19

00:04:48,629 --> 00:04:46,800

there's no repairing that it has to be

20

00:04:49,110 --> 00:04:48,639

replaced but i need the air compressor

21

00:04:53,830 --> 00:04:49,120

to do

22

00:04:55,030 --> 00:04:53,840

rained all weekend so i couldn't do

23

00:04:56,870 --> 00:04:55,040

anything outside

24

00:04:58,629 --> 00:04:56,880

couldn't do anything inside that i

25

00:05:00,870 --> 00:04:58,639

needed to get done i resorted to a

26
00:05:01,909 --> 00:05:00,880
hammer and nails for some projects small

27
00:05:03,749 --> 00:05:01,919
projects

28
00:05:05,270 --> 00:05:03,759
because i got so bored after three four

29
00:05:07,189 --> 00:05:05,280
days of rain

30
00:05:10,150 --> 00:05:07,199
and there was also power failure for

31
00:05:13,990 --> 00:05:10,160
some 24 hours which certainly slows down

32
00:05:16,150 --> 00:05:14,000
anything getting done but i resorted to

33
00:05:17,670 --> 00:05:16,160
my amish skills with a hammer and nails

34
00:05:20,950 --> 00:05:17,680
and was able to get a few small

35
00:05:23,350 --> 00:05:20,960
projects done before we begin tonight's

36
00:05:25,510 --> 00:05:23,360
presentation i do have some sad news to

37
00:05:29,189 --> 00:05:25,520
share and i wanted to make sure that we

38
00:05:31,110 --> 00:05:29,199

uh share and acknowledge this

39

00:05:32,710 --> 00:05:31,120
is being reported by his family i

40

00:05:37,270 --> 00:05:32,720
believe that's his sister that is

41

00:05:40,230 --> 00:05:37,280
uh at the uh at the

42

00:05:42,150 --> 00:05:40,240
helm of his twitter account so captain

43

00:05:43,909 --> 00:05:42,160
austin zits

44

00:05:45,350 --> 00:05:43,919
his sister posted the captain passed

45

00:05:46,950 --> 00:05:45,360
away this afternoon peacefully

46

00:05:48,629 --> 00:05:46,960
surrounded by his family

47

00:05:51,110 --> 00:05:48,639
he was a fighter right to the end he was

48

00:05:53,270 --> 00:05:51,120
incredibly funny intelligent and kind

49

00:05:54,629 --> 00:05:53,280
my big brother was only 49 and he will

50

00:05:56,629 --> 00:05:54,639
be missed

51
00:05:58,550 --> 00:05:56,639
and then of course people are chiming in

52
00:06:01,189 --> 00:05:58,560
i said so sorry he was always very kind

53
00:06:03,270 --> 00:06:01,199
and he will be missed by many

54
00:06:04,230 --> 00:06:03,280
vanessa's something else wolf says rest

55
00:06:05,749 --> 00:06:04,240
in peace friend

56
00:06:07,830 --> 00:06:05,759
you're in the immortal bliss of our

57
00:06:10,230 --> 00:06:07,840
ether and we love you

58
00:06:11,909 --> 00:06:10,240
there and into eternity then again

59
00:06:13,189 --> 00:06:11,919
jasmine emmerich writes rest in peace

60
00:06:15,189 --> 00:06:13,199
captain thank you for your online

61
00:06:16,150 --> 00:06:15,199
presence kindness and spirit and my

62
00:06:18,790 --> 00:06:16,160
deepest console

63
00:06:20,550 --> 00:06:18,800

condolences cassandra graham shares i'm

64

00:06:21,909 --> 00:06:20,560

deeply saddened my condolences to you

65

00:06:22,629 --> 00:06:21,919

and your family the captain will be

66

00:06:25,670 --> 00:06:22,639

missed

67

00:06:27,350 --> 00:06:25,680

jill dilbert post i'm so sorry for your

68

00:06:28,710 --> 00:06:27,360

loss your brother was loved and will be

69

00:06:31,749 --> 00:06:28,720

missed by so many

70

00:06:34,790 --> 00:06:31,759

steve c oh no so sorry for your loss

71

00:06:37,749 --> 00:06:34,800

sending love and prayers to your family

72

00:06:38,390 --> 00:06:37,759

so yeah uh that's a real sad thing to

73

00:06:41,510 --> 00:06:38,400

hear

74

00:06:44,629 --> 00:06:41,520

um you know uh but today

75

00:06:46,070 --> 00:06:44,639

also uh today is my birthday and every

76

00:06:47,749 --> 00:06:46,080

year my birthday i do

77

00:06:49,990 --> 00:06:47,759

take a little time to think about

78

00:06:52,469 --> 00:06:50,000

mortality after all

79

00:06:53,990 --> 00:06:52,479

none of us know right we never know how

80

00:06:56,790 --> 00:06:54,000

long we have here

81

00:06:57,589 --> 00:06:56,800

i mean uh anything can happen illness

82

00:07:01,189 --> 00:06:57,599

accidents

83

00:07:02,390 --> 00:07:01,199

you know tragedies um

84

00:07:03,830 --> 00:07:02,400

i from what i'm going to miss him

85

00:07:04,390 --> 00:07:03,840

because it was always fun in the live

86

00:07:08,150 --> 00:07:04,400

chat

87

00:07:11,110 --> 00:07:08,160

uh lively but he was kind to everyone

88

00:07:13,430 --> 00:07:11,120

so rest in peace to the captain and i

89

00:07:15,270 --> 00:07:13,440

hope he is at peace and

90

00:07:17,350 --> 00:07:15,280

uh found a lot of the answers that i'm

91

00:07:20,469 --> 00:07:17,360

sure he was looking for

92

00:07:22,230 --> 00:07:20,479

in this strange conspiratorial world

93

00:07:26,390 --> 00:07:22,240

that we live in

94

00:07:28,390 --> 00:07:26,400

um we will definitely miss him here so

95

00:07:30,550 --> 00:07:28,400

our condolences to

96

00:07:32,790 --> 00:07:30,560

his friends his families and my

97

00:07:35,270 --> 00:07:32,800

condolences to everyone online who will

98

00:07:36,309 --> 00:07:35,280

uh who will miss his presence in our

99

00:07:40,150 --> 00:07:36,319

live chats

100

00:07:43,510 --> 00:07:40,160

and our lively discussions here

101
00:07:46,710 --> 00:07:43,520
rest in peace captain so uh

102
00:07:49,990 --> 00:07:46,720
tonight i thought since it's my birthday

103
00:07:52,710 --> 00:07:50,000
uh it's i wanted to keep things light um

104
00:07:53,749 --> 00:07:52,720
and not so serious it's sad that news

105
00:07:56,070 --> 00:07:53,759
came to me just

106
00:07:58,150 --> 00:07:56,080
two minutes before uh before air time

107
00:08:00,950 --> 00:07:58,160
here but we want to

108
00:08:03,189 --> 00:08:00,960
be sure to acknowledge it and offer our

109
00:08:04,790 --> 00:08:03,199
condolences to his family he will be

110
00:08:06,869 --> 00:08:04,800
sadly missed

111
00:08:08,869 --> 00:08:06,879
as far as our presentation tonight i got

112
00:08:10,629 --> 00:08:08,879
a chance to talk to michael schratt over

113
00:08:12,070 --> 00:08:10,639

the weekend which i was very pleased and

114

00:08:15,110 --> 00:08:12,080

excited to do

115

00:08:17,350 --> 00:08:15,120

a lot of you ask me um

116

00:08:19,350 --> 00:08:17,360

what are who are researchers that i

117

00:08:21,029 --> 00:08:19,360

admire or trust and uh

118

00:08:22,710 --> 00:08:21,039

honestly there's not many of them i

119

00:08:25,350 --> 00:08:22,720

would say you know i

120

00:08:26,629 --> 00:08:25,360

i i like and admire and respect just a

121

00:08:28,469 --> 00:08:26,639

few people

122

00:08:30,390 --> 00:08:28,479

john greenwald of the black vault being

123

00:08:33,909 --> 00:08:30,400

one of them michael shrap

124

00:08:35,909 --> 00:08:33,919

being another one of them for those that

125

00:08:39,269 --> 00:08:35,919

don't know

126

00:08:42,709 --> 00:08:41,670

he i he first came on my radar when i

127

00:08:45,350 --> 00:08:42,719

began to study

128

00:08:46,470 --> 00:08:45,360

black projects in other words those top

129

00:08:50,630 --> 00:08:46,480

secret

130

00:08:53,269 --> 00:08:50,640

uh aviation projects going on at area 51

131

00:08:54,550 --> 00:08:53,279

and here i feel michael schratt to be

132

00:08:57,829 --> 00:08:54,560

already

133

00:08:59,910 --> 00:08:57,839

worlds you know he had lapped me as far

134

00:09:00,630 --> 00:08:59,920

as researching these things many many

135

00:09:03,350 --> 00:09:00,640

times over

136

00:09:04,389 --> 00:09:03,360

he was incredibly knowledgeable about

137

00:09:06,870 --> 00:09:04,399

the black budget

138

00:09:08,710 --> 00:09:06,880

about black projects about what lockheed

139

00:09:10,470 --> 00:09:08,720

skunk works is building out there in the

140

00:09:12,310 --> 00:09:10,480

desert about what boeing and other

141

00:09:14,790 --> 00:09:12,320

companies are building

142

00:09:16,150 --> 00:09:14,800

incredibly incredibly insightful and

143

00:09:19,190 --> 00:09:16,160

incredible

144

00:09:22,550 --> 00:09:19,200

research that is always based on

145

00:09:23,110 --> 00:09:22,560

facts and evidence he digs kind of like

146

00:09:25,190 --> 00:09:23,120

i do

147

00:09:27,190 --> 00:09:25,200

and really comes up with some amazing

148

00:09:29,590 --> 00:09:27,200

information that no one else

149

00:09:30,470 --> 00:09:29,600

has seen before so i was incredibly

150

00:09:33,030 --> 00:09:30,480

impressed when

151
00:09:36,070 --> 00:09:33,040
when i first learned of him and followed

152
00:09:37,990 --> 00:09:36,080
his work over the years

153
00:09:39,269 --> 00:09:38,000
also of note michael schrad has one of

154
00:09:41,110 --> 00:09:39,279
the i've had

155
00:09:43,269 --> 00:09:41,120
five different people tell me this that

156
00:09:46,550 --> 00:09:43,279
are involved with the ufos or

157
00:09:50,310 --> 00:09:46,560
ufo research michael fratt has

158
00:09:53,509 --> 00:09:50,320
a huge archive of

159
00:09:57,110 --> 00:09:53,519
materials pictures case

160
00:10:00,150 --> 00:09:57,120
information witness testimony

161
00:10:02,150 --> 00:10:00,160
case studies all kinds of stuff he has

162
00:10:05,430 --> 00:10:02,160
multiple storage units just

163
00:10:07,670 --> 00:10:05,440

filled with ufo information he's got his

164

00:10:09,750 --> 00:10:07,680

own black vault i suppose that he has

165

00:10:12,630 --> 00:10:09,760

been meticulously collecting

166

00:10:14,069 --> 00:10:12,640

cataloging and researching for many

167

00:10:16,389 --> 00:10:14,079

years now

168

00:10:17,829 --> 00:10:16,399

um just something about his uh from his

169

00:10:20,389 --> 00:10:17,839

biography michael schrad

170

00:10:22,310 --> 00:10:20,399

private pilot aviation historian has

171

00:10:24,150 --> 00:10:22,320

been investigating ufo encounters for

172

00:10:25,990 --> 00:10:24,160

over 25 years

173

00:10:27,350 --> 00:10:26,000

and of course this is in addition i

174

00:10:29,350 --> 00:10:27,360

should say to his

175

00:10:31,430 --> 00:10:29,360

work investigating the secret space

176

00:10:31,829 --> 00:10:31,440

program and black budget projects and

177

00:10:34,550 --> 00:10:31,839

these

178

00:10:35,750 --> 00:10:34,560

usaps or unacknowledged special access

179

00:10:38,389 --> 00:10:35,760

projects

180

00:10:40,069 --> 00:10:38,399

that's where all of this trillions of

181

00:10:42,230 --> 00:10:40,079

dollars that the government is spending

182

00:10:44,069 --> 00:10:42,240

on black budget research is going and he

183

00:10:46,310 --> 00:10:44,079

has tracked down a lot of where that

184

00:10:48,949 --> 00:10:46,320

money went to

185

00:10:50,470 --> 00:10:48,959

michael meticulously reviewed a minimum

186

00:10:53,110 --> 00:10:50,480

of fifty thousand cases

187

00:10:55,110 --> 00:10:53,120

which were preserved at the koufos

188

00:10:56,710 --> 00:10:55,120

center for ufo studies archives in

189

00:10:58,470 --> 00:10:56,720

chicago

190

00:11:00,069 --> 00:10:58,480

and in an effort to maintain an

191

00:11:02,389 --> 00:11:00,079

important part of our national history

192

00:11:04,470 --> 00:11:02,399

michael has recreated dozens of highly

193

00:11:05,990 --> 00:11:04,480

credible ufo cases by the use of

194

00:11:08,710 --> 00:11:06,000

drawings illustrations

195

00:11:09,269 --> 00:11:08,720

and commissioned artwork many of these

196

00:11:12,389 --> 00:11:09,279

include

197

00:11:15,430 --> 00:11:12,399

use unidentified submerged objects

198

00:11:17,829 --> 00:11:15,440

actual extraterrestrial encounters and

199

00:11:20,470 --> 00:11:17,839

pre-history ufo cases which has

200

00:11:22,150 --> 00:11:20,480

which have never seen the light of day

201
00:11:23,829 --> 00:11:22,160
michael has appeared on multiple media

202
00:11:24,630 --> 00:11:23,839
platforms including the following coast

203
00:11:27,509 --> 00:11:24,640
to coast am

204
00:11:29,269 --> 00:11:27,519
history channel paranormal matrix ufo

205
00:11:30,949 --> 00:11:29,279
hunters fade to black

206
00:11:33,030 --> 00:11:30,959
and in addition michael has been a guest

207
00:11:35,750 --> 00:11:33,040
speaker at multiple ufo conferences

208
00:11:38,310 --> 00:11:35,760
including phoenix mufon orange county

209
00:11:39,190 --> 00:11:38,320
mufon international ufo congress mufon

210
00:11:42,870 --> 00:11:39,200
symposium

211
00:11:46,150 --> 00:11:42,880
and ufo con so uh

212
00:11:50,949 --> 00:11:48,870
recapping of uh some information about

213
00:11:53,110 --> 00:11:50,959

mr tratz also interesting to note that

214

00:11:56,150 --> 00:11:53,120

uh he has agreed to appear here

215

00:11:57,590 --> 00:11:56,160

on the show and i was just going to

216

00:11:59,430 --> 00:11:57,600

interview him about the book that we're

217

00:12:03,670 --> 00:11:59,440

going to be covering tonight

218

00:12:04,389 --> 00:12:03,680

but i i can't fit that and every other

219

00:12:07,990 --> 00:12:04,399

question i

220

00:12:10,310 --> 00:12:08,000

would have for him in a few hours so

221

00:12:12,790 --> 00:12:10,320

i thought it'd be best if we just sort

222

00:12:16,710 --> 00:12:12,800

of cover this latest book of his

223

00:12:19,990 --> 00:12:16,720

which i have to say i'm a fan of ufos

224

00:12:21,350 --> 00:12:20,000

and being a fan of ufos uh i really like

225

00:12:25,069 --> 00:12:21,360

ufo artwork

226

00:12:28,790 --> 00:12:25,079

and drawings and and uh depictions or

227

00:12:31,829 --> 00:12:28,800

diagrams right and i like ufo stories

228

00:12:34,870 --> 00:12:31,839

and this new book of his uh it's called

229

00:12:37,110 --> 00:12:34,880

uh dark files

230

00:12:39,350 --> 00:12:37,120

a pictorial history of lost forgotten

231

00:12:41,350 --> 00:12:39,360

and obscure ufo encounters and you can

232

00:12:42,710 --> 00:12:41,360

get it on amazon just search for dark

233

00:12:45,750 --> 00:12:42,720

files or michael shrap

234

00:12:46,629 --> 00:12:45,760

dark files uh it's very inexpensive i

235

00:12:49,350 --> 00:12:46,639

think it's uh

236

00:12:50,389 --> 00:12:49,360

yeah it's 7.95 i think it's worth every

237

00:12:52,470 --> 00:12:50,399

penny

238

00:12:54,389 --> 00:12:52,480

this my friends one of the reasons i'm

239

00:12:56,629 --> 00:12:54,399

sharing this with you is because

240

00:12:58,470 --> 00:12:56,639

i buy a lot of ufo books and most of

241

00:12:59,910 --> 00:12:58,480

them are not very well written not very

242

00:13:01,350 --> 00:12:59,920

well researched not very well

243

00:13:04,870 --> 00:13:01,360

illustrated

244

00:13:08,389 --> 00:13:04,880

um they ufo books sometimes tend to be

245

00:13:10,230 --> 00:13:08,399

uh i don't know uh kind of dry

246

00:13:12,069 --> 00:13:10,240

and you know uh well it depends on the

247

00:13:14,150 --> 00:13:12,079

author i suppose but maybe lately i've

248

00:13:16,470 --> 00:13:14,160

been picking the wrong books

249

00:13:18,470 --> 00:13:16,480

this has been my favorite book that i

250

00:13:19,509 --> 00:13:18,480

have read about ufos or gotten about

251

00:13:22,389 --> 00:13:19,519

ufos in

252

00:13:24,310 --> 00:13:22,399

probably a decade it's just that good

253

00:13:24,629 --> 00:13:24,320

i've gotten permission from mr schratt

254

00:13:26,790 --> 00:13:24,639

to

255

00:13:28,629 --> 00:13:26,800

share parts of the book and we're going

256

00:13:31,269 --> 00:13:28,639

to do that tonight

257

00:13:32,949 --> 00:13:31,279

but the the book i'm going to read you

258

00:13:35,190 --> 00:13:32,959

the blurb from amazon this fully

259

00:13:37,430 --> 00:13:35,200

illustrated book details 20 historical

260

00:13:40,629 --> 00:13:37,440

ufo cases and i have to say

261

00:13:42,470 --> 00:13:40,639

i've been a life and some of these cases

262

00:13:43,910 --> 00:13:42,480

i've never even heard of so i was

263

00:13:45,990 --> 00:13:43,920

excited because

264

00:13:48,069 --> 00:13:46,000

you know when you do so much research

265

00:13:49,829 --> 00:13:48,079

and you're familiar with so many cases

266

00:13:51,670 --> 00:13:49,839

and then suddenly this book comes along

267

00:13:53,110 --> 00:13:51,680

that's got all these cases that you're

268

00:13:55,030 --> 00:13:53,120

not familiar with

269

00:13:56,949 --> 00:13:55,040

a few of them i was but some of them are

270

00:13:58,310 --> 00:13:56,959

really obscure cases that i've never

271

00:14:00,790 --> 00:13:58,320

heard of and most people

272

00:14:03,509 --> 00:14:00,800

even if they're really into ufos have

273

00:14:05,990 --> 00:14:03,519

not heard of some of these cases

274

00:14:07,750 --> 00:14:06,000

uh so the 20 historical cases which were

275

00:14:09,110 --> 00:14:07,760

secured from multiple research centers

276

00:14:10,310 --> 00:14:09,120
around the united states

277

00:14:12,550 --> 00:14:10,320
uh and that's something that i have to

278

00:14:14,949 --> 00:14:12,560
say michael stratt travels to

279

00:14:16,470 --> 00:14:14,959
archives like stan friedman did he'll go

280

00:14:18,389 --> 00:14:16,480
anywhere in the country he just hops on

281

00:14:21,990 --> 00:14:18,399
a plane and goes anywhere there's ufo

282

00:14:25,350 --> 00:14:23,670
in addition this publication also

283

00:14:27,110 --> 00:14:25,360
highlights multiple foreign ufo

284

00:14:28,310 --> 00:14:27,120
encounters many with beings being

285

00:14:30,069 --> 00:14:28,320
reported

286

00:14:33,590 --> 00:14:30,079
a few of the cases covered in this book

287

00:14:36,949 --> 00:14:33,600
include the mystery airship wave of 1897

288

00:14:37,350 --> 00:14:36,959

uss fdr encounter in 1958 the father

289

00:14:40,629 --> 00:14:37,360

gill

290

00:14:43,990 --> 00:14:40,639

case june 26 1959

291

00:14:46,069 --> 00:14:44,000

the sakura landing april 24 1964

292

00:14:48,949 --> 00:14:46,079

the famous westfall high school case of

293

00:14:52,790 --> 00:14:48,959

april 6 1966

294

00:14:57,030 --> 00:14:52,800

glass bubble ufo over the canary islands

295

00:15:00,949 --> 00:14:57,040

june 22 1976 flying orange juicer

296

00:15:05,269 --> 00:15:00,959

september 10 1976 jail flight

297

00:15:08,230 --> 00:15:05,279

1628 and the november 17 1986 triangular

298

00:15:10,470 --> 00:15:08,240

water pumper ufo

299

00:15:12,069 --> 00:15:10,480

yeah so there's definitely some obscure

300

00:15:15,110 --> 00:15:12,079

cases but along with that there

301
00:15:15,590 --> 00:15:15,120
are some cases that you may have heard

302
00:15:20,069 --> 00:15:15,600
of but

303
00:15:23,509 --> 00:15:20,079
not seen some some of his illustrations

304
00:15:29,990 --> 00:15:26,629
mr tratt is an amazing illustrator and

305
00:15:32,949 --> 00:15:30,000
uh makes these really high quality

306
00:15:34,389 --> 00:15:32,959
illustrations usually he recreates them

307
00:15:35,430 --> 00:15:34,399
and we talked a little bit about this on

308
00:15:37,110 --> 00:15:35,440
the phone like

309
00:15:38,710 --> 00:15:37,120
you know if somebody has a crude sketch

310
00:15:41,030 --> 00:15:38,720
he'll interview the person who made the

311
00:15:45,030 --> 00:15:41,040
sketch and try to pull out more details

312
00:15:45,749 --> 00:15:45,040
and then he will do a much more detailed

313
00:15:48,790 --> 00:15:45,759

depiction

314

00:15:52,450 --> 00:15:48,800

or drawing of this event

315

00:15:53,749 --> 00:15:52,460

or the craft that the person saw so

316

00:15:55,350 --> 00:15:53,759

[Music]

317

00:15:57,110 --> 00:15:55,360

we're gonna cite fair use and we're

318

00:15:59,350 --> 00:15:57,120

gonna be sharing uh let me

319

00:16:00,310 --> 00:15:59,360

queue it up here though please bear with

320

00:16:03,350 --> 00:16:00,320

me

321

00:16:04,389 --> 00:16:03,360

i don't wanna i don't wanna share too

322

00:16:06,470 --> 00:16:04,399

much

323

00:16:08,949 --> 00:16:06,480

of the book i have a specific okay there

324

00:16:14,310 --> 00:16:08,959

we go

325

00:16:15,509 --> 00:16:14,320

like i said if you like ufo artwork and

326

00:16:18,629 --> 00:16:15,519

this is a book for you

327

00:16:21,269 --> 00:16:18,639

because the the drawings and it's like

328

00:16:22,870 --> 00:16:21,279

he well we're gonna show you but it's

329

00:16:24,150 --> 00:16:22,880

just really good stuff if you're into

330

00:16:25,910 --> 00:16:24,160

ufos

331

00:16:27,509 --> 00:16:25,920

highly recommend the book by the way i'm

332

00:16:30,310 --> 00:16:27,519

not being paid to

333

00:16:32,069 --> 00:16:30,320

you know push people to buy his book or

334

00:16:34,150 --> 00:16:32,079

anything like that i just think

335

00:16:36,069 --> 00:16:34,160

when somebody writes a really good book

336

00:16:38,230 --> 00:16:36,079

somebody should uh

337

00:16:39,590 --> 00:16:38,240

acknowledge that and share it with the

338

00:16:42,230 --> 00:16:39,600

community that maybe

339

00:16:43,990 --> 00:16:42,240

uh hadn't heard of it i hadn't heard of

340

00:16:46,629 --> 00:16:44,000

it until recently

341

00:16:47,990 --> 00:16:46,639

um but this is one of those books that i

342

00:16:49,829 --> 00:16:48,000

got that i couldn't put down

343

00:16:52,069 --> 00:16:49,839

until i was finished it and again you

344

00:16:55,189 --> 00:16:52,079

can buy the book on amazon

345

00:16:57,430 --> 00:16:55,199

i recommend it so let's take a look at

346

00:16:59,910 --> 00:16:57,440

the book and some of the

347

00:17:01,350 --> 00:16:59,920

uh and some of the incredible cases and

348

00:17:03,990 --> 00:17:01,360

illustrations in it

349

00:17:06,630 --> 00:17:04,000

this is uh michael schratz dark files

350

00:17:13,029 --> 00:17:09,909

so here we have uh one case

351
00:17:14,069 --> 00:17:13,039
and he gives he shows these incredible

352
00:17:16,549 --> 00:17:14,079
illustrations

353
00:17:18,630 --> 00:17:16,559
of the encounter or whatever the case

354
00:17:21,110 --> 00:17:18,640
you know whatever happened

355
00:17:21,669 --> 00:17:21,120
and then gives a description of each

356
00:17:23,590 --> 00:17:21,679
case

357
00:17:26,870 --> 00:17:23,600
and and they're pretty brief but they're

358
00:17:29,669 --> 00:17:26,880
very detailed on november 20th 1956

359
00:17:31,590 --> 00:17:29,679
elsie krajewski of danielson connecticut

360
00:17:32,070 --> 00:17:31,600
went outside to hang up close to dry it

361
00:17:33,510 --> 00:17:32,080
was very

362
00:17:35,669 --> 00:17:33,520
late in the evening and her three young

363
00:17:37,270 --> 00:17:35,679

children were asleep inside

364

00:17:39,110 --> 00:17:37,280

suddenly she saw a series of lights

365

00:17:40,470 --> 00:17:39,120

moving near the horizon to the north

366

00:17:42,230 --> 00:17:40,480

soon after the lights started

367

00:17:43,669 --> 00:17:42,240

approaching closer and she initially

368

00:17:44,950 --> 00:17:43,679

thought they might be from a nearby

369

00:17:46,470 --> 00:17:44,960

aircraft

370

00:17:48,470 --> 00:17:46,480

then at least notice the structured

371

00:17:49,590 --> 00:17:48,480

craft that was in the form of a half

372

00:17:51,750 --> 00:17:49,600

sphere

373

00:17:53,510 --> 00:17:51,760

with yellow light emanating from inside

374

00:17:55,430 --> 00:17:53,520

it looked like it was made up from one

375

00:17:57,430 --> 00:17:55,440

solid piece of material and it had no

376

00:17:59,590 --> 00:17:57,440

seams or openings

377

00:18:00,630 --> 00:17:59,600

and isn't it interesting how many cases

378

00:18:02,470 --> 00:18:00,640

people

379

00:18:04,470 --> 00:18:02,480

mention that that the crafts that they

380

00:18:07,750 --> 00:18:04,480

see these flying saucer craft appear to

381

00:18:09,590 --> 00:18:07,760

have no seams or rivets or openings

382

00:18:11,190 --> 00:18:09,600

additionally there was a there were

383

00:18:12,950 --> 00:18:11,200

series of multi-colored lights near the

384

00:18:14,789 --> 00:18:12,960

bottom which were rotating at a slow

385

00:18:16,710 --> 00:18:14,799

rate of speed then the object moved

386

00:18:18,789 --> 00:18:16,720

downward as if it was going to land but

387

00:18:20,549 --> 00:18:18,799

stopped just short of the ground

388

00:18:22,950 --> 00:18:20,559

next the craft rose up and barely

389

00:18:24,789 --> 00:18:22,960

cleared the roof of her house

390

00:18:26,870 --> 00:18:24,799

miss krajewski described the craft as

391

00:18:28,789 --> 00:18:26,880

being approximately 25 feet across

392

00:18:31,510 --> 00:18:28,799

and ten feet high there were absolutely

393

00:18:33,669 --> 00:18:31,520

no doors windows or seams of any kind

394

00:18:35,510 --> 00:18:33,679

she also noticed that the craft emitted

395

00:18:37,110 --> 00:18:35,520

no noise whatsoever that's another

396

00:18:38,950 --> 00:18:37,120

common trait

397

00:18:41,270 --> 00:18:38,960

at this point she had observed the

398

00:18:42,070 --> 00:18:41,280

sockets which were gold in color these

399

00:18:44,070 --> 00:18:42,080

look like

400

00:18:45,990 --> 00:18:44,080

three stacked donuts separated by two

401
00:18:47,510 --> 00:18:46,000
black bands there was a colored bulb in

402
00:18:49,510 --> 00:18:47,520
the bottom of each socket

403
00:18:50,710 --> 00:18:49,520
on bottom side of each donut there was a

404
00:18:53,510 --> 00:18:50,720
design which looked like

405
00:18:56,150 --> 00:18:53,520
arabic writing which consisted of curved

406
00:18:58,070 --> 00:18:56,160
lines dots and dashes

407
00:19:00,390 --> 00:18:58,080
ms krajewski commented that the designs

408
00:19:03,110 --> 00:19:00,400
resembled the exterior borders

409
00:19:05,909 --> 00:19:03,120
of oriental or persian rugs they also

410
00:19:07,270 --> 00:19:05,919
resembled designs seen on mayan aztec or

411
00:19:11,590 --> 00:19:07,280
inca pottery

412
00:19:15,190 --> 00:19:11,600
and blankets i find that's an odd uh

413
00:19:16,630 --> 00:19:15,200

an odd thing to be on a ufo but we hear

414

00:19:19,110 --> 00:19:16,640

various reports of

415

00:19:19,909 --> 00:19:19,120

things like hieroglyphics or things of

416

00:19:21,909 --> 00:19:19,919

this nature

417

00:19:23,830 --> 00:19:21,919

inscriptions on the craft the

418

00:19:25,590 --> 00:19:23,840

inscriptions on all the gold rings were

419

00:19:27,270 --> 00:19:25,600

identical there was a total of 24

420

00:19:28,470 --> 00:19:27,280

sockets each containing a different

421

00:19:31,350 --> 00:19:28,480

colored bulb

422

00:19:33,430 --> 00:19:31,360

red green blue orange yellow and white

423

00:19:34,789 --> 00:19:33,440

the pattern of the sockets repeated

424

00:19:37,110 --> 00:19:34,799

and they were all connected to a

425

00:19:39,669 --> 00:19:37,120

translucent subfloor which was indented

426

00:19:42,150 --> 00:19:39,679

two feet up inside the rim of the craft

427

00:19:43,590 --> 00:19:42,160

after a few minutes the craft dropped to

428

00:19:45,830 --> 00:19:43,600

an altitude of about eight

429

00:19:46,950 --> 00:19:45,840

feet and continued down a nearby road

430

00:19:50,630 --> 00:19:46,960

until it was no longer

431

00:19:56,070 --> 00:19:50,640

in view and

432

00:19:59,990 --> 00:19:58,710

this is a more mechanical drawing of the

433

00:20:01,990 --> 00:20:00,000

of the craft and the

434

00:20:03,270 --> 00:20:02,000

sockets that were underneath the craft

435

00:20:05,750 --> 00:20:03,280

and this

436

00:20:06,950 --> 00:20:05,760

it's interesting to me that so many of

437

00:20:10,149 --> 00:20:06,960

these flying craft

438

00:20:12,710 --> 00:20:10,159

appear to be electrical

439

00:20:13,669 --> 00:20:12,720

in nature and not you know they

440

00:20:18,390 --> 00:20:13,679

certainly don't use

441

00:20:20,070 --> 00:20:18,400

gasoline or or a loud gasoline engine

442

00:20:22,149 --> 00:20:20,080

and here is another depiction flying

443

00:20:27,110 --> 00:20:22,159

vanity light drawing by michael shrap

444

00:20:30,310 --> 00:20:27,120

based on lc krajewski original sketch

445

00:20:32,470 --> 00:20:30,320

and here we uh see another view

446

00:20:34,390 --> 00:20:32,480

yeah so he's made you know several

447

00:20:38,310 --> 00:20:34,400

versions of this

448

00:20:41,590 --> 00:20:38,320

uh and here's more detail of the under

449

00:20:41,990 --> 00:20:41,600

undercarriage these these assemblages

450

00:20:43,830 --> 00:20:42,000

which

451
00:20:45,110 --> 00:20:43,840
were in the undercarriage all around the

452
00:20:48,549 --> 00:20:45,120
circumference of the

453
00:20:50,230 --> 00:20:48,559
craft very interesting to me next we get

454
00:20:53,590 --> 00:20:50,240
to a military

455
00:20:55,750 --> 00:20:53,600
sighting uh which this is great because

456
00:20:57,669 --> 00:20:55,760
it involves a cigar shaped ufo

457
00:20:59,669 --> 00:20:57,679
and the midway class aircraft carrier

458
00:21:02,310 --> 00:20:59,679
uss franklin d roosevelt

459
00:21:03,110 --> 00:21:02,320
it took place off of guantanamo bay cuba

460
00:21:05,830 --> 00:21:03,120
this report

461
00:21:07,430 --> 00:21:05,840
originated from chester krusinski who

462
00:21:09,029 --> 00:21:07,440
was a fireman's apprentice on board the

463
00:21:10,390 --> 00:21:09,039

carrier when the event occurred the

464

00:21:12,710 --> 00:21:10,400

roosevelt was

465

00:21:13,510 --> 00:21:12,720

on a shakedown cruise when around 9 pm a

466

00:21:15,510 --> 00:21:13,520

significant

467

00:21:17,190 --> 00:21:15,520

commotion began to sprint below decks

468

00:21:19,190 --> 00:21:17,200

naval personnel began rushing up the

469

00:21:19,669 --> 00:21:19,200

ladder on the flight deck once topside

470

00:21:22,310 --> 00:21:19,679

at least

471

00:21:23,110 --> 00:21:22,320

25 eyewitnesses reported seeing a small

472

00:21:24,710 --> 00:21:23,120

light

473

00:21:26,149 --> 00:21:24,720

which appeared to be following his ship

474

00:21:27,750 --> 00:21:26,159

and approached the carrier at an

475

00:21:29,430 --> 00:21:27,760

incredible speed

476
00:21:31,350 --> 00:21:29,440
the strange craft made no sound

477
00:21:33,909 --> 00:21:31,360
whatsoever and maneuvered unlike

478
00:21:35,270 --> 00:21:33,919
any known aircraft as the strange object

479
00:21:37,190 --> 00:21:35,280
ascended to within

480
00:21:39,350 --> 00:21:37,200
100 feet above the flight deck its

481
00:21:40,789 --> 00:21:39,360
cigar-shaped appearance was now clearly

482
00:21:44,710 --> 00:21:40,799
visible

483
00:21:47,830 --> 00:21:44,720
and uh for those unaware the

484
00:21:50,390 --> 00:21:47,840
most common ufo type described well

485
00:21:53,270 --> 00:21:50,400
there's a few common types saucer shaped

486
00:21:54,950 --> 00:21:53,280
triangle shaped and i think the third

487
00:21:57,990 --> 00:21:54,960
most common would probably be

488
00:22:00,070 --> 00:21:58,000

a cigar shaped craft the craft appeared

489

00:22:01,750 --> 00:22:00,080

to be about 100 feet in length and had a

490

00:22:03,669 --> 00:22:01,760

row of windows which were lit from

491

00:22:05,750 --> 00:22:03,679

inside along its length the number of

492

00:22:07,990 --> 00:22:05,760

figures could be seen who were observing

493

00:22:09,510 --> 00:22:08,000

the officers on the flight deck

494

00:22:12,630 --> 00:22:09,520

so i find this case extremely

495

00:22:15,510 --> 00:22:12,640

interesting because there's 25 witnesses

496

00:22:17,669 --> 00:22:15,520

and they're seeing beings inside this

497

00:22:19,590 --> 00:22:17,679

crazy craft

498

00:22:21,029 --> 00:22:19,600

yeah very interesting many of the

499

00:22:22,870 --> 00:22:21,039

witnesses reported seeing what looked

500

00:22:23,990 --> 00:22:22,880

like heat distortion waves coming from

501
00:22:25,430 --> 00:22:24,000
the craft

502
00:22:27,590 --> 00:22:25,440
and they were called feeling a warm

503
00:22:30,310 --> 00:22:27,600
sensation on their faces

504
00:22:32,789 --> 00:22:30,320
as the unknown craft departed it turned

505
00:22:35,430 --> 00:22:32,799
a red orange color and rose vertically

506
00:22:36,950 --> 00:22:35,440
at the high rate at a high rate of speed

507
00:22:39,190 --> 00:22:36,960
in an official effort by the united

508
00:22:41,590 --> 00:22:39,200
states navy to bury this event

509
00:22:43,430 --> 00:22:41,600
most of the eyewitnesses were quickly

510
00:22:45,590 --> 00:22:43,440
transferred off the roosevelt

511
00:22:47,190 --> 00:22:45,600
and the ship's log boots books were

512
00:22:49,990 --> 00:22:47,200
altered

513
00:22:51,990 --> 00:22:50,000

um yeah so for anybody that says there's

514

00:22:53,909 --> 00:22:52,000

no government cover up here's a perfect

515

00:22:55,430 --> 00:22:53,919

case an example of that why if there's

516

00:22:57,110 --> 00:22:55,440

no cover up are you transferring

517

00:22:58,950 --> 00:22:57,120

personnel that saw this thing

518

00:23:00,310 --> 00:22:58,960

why are you altering the ship's log

519

00:23:02,390 --> 00:23:00,320

books

520

00:23:04,230 --> 00:23:02,400

an interesting historical note to this

521

00:23:05,830 --> 00:23:04,240

case included in the original port

522

00:23:07,110 --> 00:23:05,840

indicated that it was not the first

523

00:23:10,070 --> 00:23:07,120

encounter the uss

524

00:23:12,390 --> 00:23:10,080

fdr had with ufos indeed during

525

00:23:14,549 --> 00:23:12,400

operation main brace in 1952

526

00:23:15,909 --> 00:23:14,559

photos of the ufo were taken from the

527

00:23:17,990 --> 00:23:15,919

deck of a ship

528

00:23:18,950 --> 00:23:18,000

of the ship two additional sightings

529

00:23:21,510 --> 00:23:18,960

involved the ship

530

00:23:22,310 --> 00:23:21,520

occurred in 1956 while it was the anchor

531

00:23:25,510 --> 00:23:22,320

report

532

00:23:27,830 --> 00:23:25,520

of rio de janeiro a final sighting also

533

00:23:29,990 --> 00:23:27,840

took place in 1973

534

00:23:31,990 --> 00:23:30,000

so what is it about this one navy ship

535

00:23:35,669 --> 00:23:32,000

that they're seeing so many ufos

536

00:23:36,630 --> 00:23:35,679

or are all navy ships as we have heard

537

00:23:40,789 --> 00:23:36,640

recently

538

00:23:42,149 --> 00:23:40,799

seeing ufos on a fairly frequent basis

539

00:23:43,669 --> 00:23:42,159

michael shrek goes on to write one

540

00:23:45,430 --> 00:23:43,679

possible explanation as to why the

541

00:23:47,029 --> 00:23:45,440

roosevelt had so many sightings may be

542

00:23:48,149 --> 00:23:47,039

due to the fact that it was the first

543

00:23:50,470 --> 00:23:48,159

aircraft carrier

544

00:23:51,990 --> 00:23:50,480

allowed to utilize nuclear weapons on a

545

00:23:53,110 --> 00:23:52,000

full-time basis

546

00:23:54,789 --> 00:23:53,120

the fact that there were multiple

547

00:23:56,870 --> 00:23:54,799

eyewitnesses and that the object was

548

00:23:58,789 --> 00:23:56,880

tracked by the ship's radar

549

00:24:00,470 --> 00:23:58,799

make this one of the strongest cases in

550

00:24:02,390 --> 00:24:00,480

ufology

551
00:24:05,710 --> 00:24:02,400
and this is from the kufos archives

552
00:24:08,630 --> 00:24:05,720
mufon archives motor city news august 17

553
00:24:09,750 --> 00:24:08,640
1998 broad top bulletin december 1st

554
00:24:11,990 --> 00:24:09,760
1999.

555
00:24:14,149 --> 00:24:12,000
so he gives some sources of of the

556
00:24:17,190 --> 00:24:14,159
information that he's presenting

557
00:24:19,110 --> 00:24:17,200
and here we see just an amazing view

558
00:24:20,789 --> 00:24:19,120
based on eyewitness descriptions and

559
00:24:22,630 --> 00:24:20,799
here's the the

560
00:24:24,149 --> 00:24:22,640
cigar-shaped craft and there is

561
00:24:26,549 --> 00:24:24,159
definitely

562
00:24:29,110 --> 00:24:26,559
some type of beings inside the craft

563
00:24:31,990 --> 00:24:29,120

observing those on the flight deck

564

00:24:33,669 --> 00:24:32,000

uh and look how close and here is one of

565

00:24:35,750 --> 00:24:33,679

the original drawings

566

00:24:38,950 --> 00:24:35,760

by chester krasinski who was an

567

00:24:43,590 --> 00:24:41,269

and one might consider that these cigar

568

00:24:44,149 --> 00:24:43,600

shaped craft have some similarity to the

569

00:24:46,789 --> 00:24:44,159

tic tac

570

00:24:48,470 --> 00:24:46,799

craft that have been so talked about

571

00:24:51,350 --> 00:24:48,480

recently right

572

00:24:53,110 --> 00:24:51,360

and another closer large view of the

573

00:24:53,830 --> 00:24:53,120

being waving back to the crew on the

574

00:24:56,950 --> 00:24:53,840

flight deck

575

00:25:00,310 --> 00:24:56,960

have you ever been waved to by an alien

576

00:25:03,830 --> 00:25:00,320

because apparently this person did

577

00:25:06,310 --> 00:25:03,840

and i just want to mention hey um

578

00:25:10,630 --> 00:25:06,320

jonas side this isn't slides but it's

579

00:25:15,190 --> 00:25:12,870

yeah and uh hello to everyone in the

580

00:25:17,190 --> 00:25:15,200

live chat good to see you all here

581

00:25:19,190 --> 00:25:17,200

you know i do want to apologize for

582

00:25:19,990 --> 00:25:19,200

taking a few days off one of those days

583

00:25:21,430 --> 00:25:20,000

i couldn't do

584

00:25:23,590 --> 00:25:21,440

a show if i wanted to because of the

585

00:25:25,590 --> 00:25:23,600

power failure at the cabin but

586

00:25:27,430 --> 00:25:25,600

um and i was really hesitant to take

587

00:25:28,070 --> 00:25:27,440

even a few days off of the show because

588

00:25:31,750 --> 00:25:28,080

it seems like

589

00:25:34,070 --> 00:25:31,760

you gotta you know restart

590

00:25:35,590 --> 00:25:34,080

and and get your momentum going again

591

00:25:39,510 --> 00:25:35,600

but it looks like we haven't lost

592

00:25:41,029 --> 00:25:39,520

much and uh genocide says almost counts

593

00:25:42,630 --> 00:25:41,039

yeah well almost only counts in

594

00:25:44,630 --> 00:25:42,640

horseshoes and hand grenades genocide

595

00:25:50,310 --> 00:25:44,640

we'll have your slides eventually

596

00:25:51,510 --> 00:25:50,320

so uh yeah we're going to do just a few

597

00:25:53,350 --> 00:25:51,520

more of these and then we're going to

598

00:25:54,630 --> 00:25:53,360

open up the phone lines i'm just going

599

00:25:57,350 --> 00:25:54,640

to go through a few more

600

00:25:59,350 --> 00:25:57,360

here's another original sketch by

601
00:26:01,830 --> 00:25:59,360
william scott

602
00:26:02,789 --> 00:26:01,840
of the event again there's 25 people on

603
00:26:05,669 --> 00:26:02,799
the flight deck that

604
00:26:07,350 --> 00:26:05,679
see this cigar-shaped craft with no

605
00:26:09,350 --> 00:26:07,360
vision look at it there's no visible

606
00:26:11,269 --> 00:26:09,360
means of propulsion

607
00:26:13,350 --> 00:26:11,279
although people reported feeling that

608
00:26:17,269 --> 00:26:13,360
there was heat or heat distortion coming

609
00:26:23,669 --> 00:26:21,350
and here is a another famous case uh

610
00:26:25,909 --> 00:26:23,679
it was 6 p.m on the night of june 27th

611
00:26:28,549 --> 00:26:25,919
1959 when reverend

612
00:26:29,190 --> 00:26:28,559
william b gill of the anglican mission

613
00:26:32,230 --> 00:26:29,200

at oh

614

00:26:34,149 --> 00:26:32,240

i don't know how to say that boyanani

615

00:26:35,269 --> 00:26:34,159

papia new guinea had a close encounter

616

00:26:37,350 --> 00:26:35,279

he would never forget

617

00:26:39,750 --> 00:26:37,360

that night he was quickly called out of

618

00:26:42,390 --> 00:26:39,760

the mission by anna

619

00:26:44,710 --> 00:26:42,400

borowia who was a medical assistant she

620

00:26:46,630 --> 00:26:44,720

excitedly reported strange lights moving

621

00:26:48,950 --> 00:26:46,640

towards the settlement

622

00:26:51,590 --> 00:26:48,960

once inside father gill saw two small

623

00:26:53,750 --> 00:26:51,600

ufos and a much larger disc shaped object

624

00:26:55,590 --> 00:26:53,760

with four landing gear legs protruding

625

00:26:57,590 --> 00:26:55,600

from its lower surface

626
00:26:59,590 --> 00:26:57,600
it was hovering over the mission at an

627
00:27:01,350 --> 00:26:59,600
altitude of 450 feet

628
00:27:03,510 --> 00:27:01,360
and resembled the two-tiered wedding

629
00:27:05,430 --> 00:27:03,520
cake with the lower circular level

630
00:27:06,630 --> 00:27:05,440
measuring approximately 35 feet in

631
00:27:08,310 --> 00:27:06,640
diameter

632
00:27:10,470 --> 00:27:08,320
the top deck was about 20 feet in

633
00:27:11,990 --> 00:27:10,480
diameter suddenly four human looking

634
00:27:13,669 --> 00:27:12,000
figures were seen

635
00:27:15,830 --> 00:27:13,679
standing on the upper surface of the

636
00:27:17,909 --> 00:27:15,840
craft they appear to be surrounded by a

637
00:27:20,389 --> 00:27:17,919
blue colored light or aura

638
00:27:21,269 --> 00:27:20,399

two of them were positioned further back

639

00:27:23,830 --> 00:27:21,279

though they were

640

00:27:25,110 --> 00:27:23,840

setting up some type of mechanical as if

641

00:27:26,950 --> 00:27:25,120

they were setting up some kind of

642

00:27:28,630 --> 00:27:26,960

mechanical equipment

643

00:27:30,549 --> 00:27:28,640

at this point there were total at least

644

00:27:33,029 --> 00:27:30,559

12 additional witnesses who saw the

645

00:27:34,789 --> 00:27:33,039

strange craft hovering in the sky

646

00:27:37,029 --> 00:27:34,799

then father gill noticed one of the

647

00:27:39,269 --> 00:27:37,039

occupants looking down at them

648

00:27:41,190 --> 00:27:39,279

and proceeded to extend his arm above

649

00:27:43,190 --> 00:27:41,200

his head in a waving gesture

650

00:27:44,950 --> 00:27:43,200

to his surprise the figure on the top

651

00:27:46,830 --> 00:27:44,960

deck waved back

652

00:27:48,389 --> 00:27:46,840

next father gill started flashing a

653

00:27:50,230 --> 00:27:48,399

torch

654

00:27:52,549 --> 00:27:50,240

at the craft and after a few minutes the

655

00:27:54,710 --> 00:27:52,559

ufo started making swaying movements

656

00:27:56,630 --> 00:27:54,720

apparently in response two of the

657

00:27:57,990 --> 00:27:56,640

figures went below deck but returned

658

00:27:59,990 --> 00:27:58,000

around 6 30 pm

659

00:28:02,630 --> 00:28:00,000

and turned on a blue spotlight which

660

00:28:04,470 --> 00:28:02,640

they directed skyward the spotlight was

661

00:28:05,110 --> 00:28:04,480

turned on twice for a few seconds each

662

00:28:07,110 --> 00:28:05,120

time

663

00:28:08,149 --> 00:28:07,120

at around dusk the object started moving

664

00:28:11,430 --> 00:28:08,159

away

665

00:28:13,350 --> 00:28:11,440

and by 8pm was no longer visible yeah

666

00:28:15,510 --> 00:28:13,360

and this is again from the

667

00:28:19,269 --> 00:28:15,520

kufos archives international ufo

668

00:28:21,190 --> 00:28:19,279

reporter from 1977 ufology summer 1976

669

00:28:24,549 --> 00:28:21,200

so he gives the sources

670

00:28:28,230 --> 00:28:24,559

and what a crazy story yeah

671

00:28:30,950 --> 00:28:28,240

i've never heard of aliens like

672

00:28:31,430 --> 00:28:30,960

riding on the top of a flying saucer so

673

00:28:33,430 --> 00:28:31,440

to me

674

00:28:35,029 --> 00:28:33,440

this is a pretty interesting pretty

675

00:28:36,470 --> 00:28:35,039

interesting case

676

00:28:38,710 --> 00:28:36,480

and here's a sketch by the actual

677

00:28:41,669 --> 00:28:38,720

witness father gill who saw the ufo and

678

00:28:43,990 --> 00:28:41,679

the occupants on top of the craft

679

00:28:45,510 --> 00:28:44,000

and again this is uh multiple multiple

680

00:28:49,430 --> 00:28:45,520

witnesses

681

00:28:52,149 --> 00:28:49,440

so uh yeah uh

682

00:28:52,789 --> 00:28:52,159

if you like i was saying if you like ufo

683

00:28:54,630 --> 00:28:52,799

artwork

684

00:28:56,389 --> 00:28:54,640

this book is just filled with it and

685

00:28:57,990 --> 00:28:56,399

this one is great because it includes an

686

00:29:01,590 --> 00:28:58,000

alien encounter look at this

687

00:29:04,230 --> 00:29:01,600

guy very very interesting

688

00:29:05,830 --> 00:29:04,240

and this is all drawn by michael tratt

689

00:29:07,990 --> 00:29:05,840

illustrated by michael trott from

690

00:29:11,269 --> 00:29:08,000

eyewitness testimony

691

00:29:15,909 --> 00:29:11,279

uh and i i find that pretty interesting

692

00:29:18,470 --> 00:29:15,919

here's a flaming jet ufo from 1959

693

00:29:20,630 --> 00:29:18,480

and again illustrate it look at that

694

00:29:23,350 --> 00:29:20,640

this is your typical

695

00:29:24,789 --> 00:29:23,360

typical flying saucer it looks straight

696

00:29:28,070 --> 00:29:24,799

out of the x-files but

697

00:29:30,470 --> 00:29:28,080

people saw this and had this experience

698

00:29:32,230 --> 00:29:30,480

it was a clear night in 1961 no exact

699

00:29:35,110 --> 00:29:32,240

date given when miss

700

00:29:36,789 --> 00:29:35,120

mrs maxine hayes and mrs barbara lewis

701
00:29:37,909 --> 00:29:36,799
were driving their car from stigler

702
00:29:39,590 --> 00:29:37,919
oklahoma

703
00:29:41,430 --> 00:29:39,600
on their way home when they noticed a

704
00:29:41,909 --> 00:29:41,440
silver looking object at a very close

705
00:29:44,230 --> 00:29:41,919
range

706
00:29:45,029 --> 00:29:44,240
as the ufo moved closer it descended and

707
00:29:46,870 --> 00:29:45,039
hovered

708
00:29:48,149 --> 00:29:46,880
approximately 12 feet above their

709
00:29:50,389 --> 00:29:48,159
vehicle

710
00:29:52,149 --> 00:29:50,399
it resembled a soft saucer-shaped craft

711
00:29:53,909 --> 00:29:52,159
with revolving lights around its outer

712
00:29:55,430 --> 00:29:53,919
circumference then suddenly both

713
00:29:56,470 --> 00:29:55,440

occupants of the vehicle noticed that

714

00:29:58,630 --> 00:29:56,480

the car

715

00:30:01,110 --> 00:29:58,640

was being lifted off the road at a

716

00:30:03,269 --> 00:30:01,120

height of about 18 inches

717

00:30:04,630 --> 00:30:03,279

the ufo is now pulling their car to the

718

00:30:06,549 --> 00:30:04,640

left of the road

719

00:30:08,070 --> 00:30:06,559

mrs hayes reported that she could not do

720

00:30:11,269 --> 00:30:08,080

anything to move the vehicle and the

721

00:30:12,549 --> 00:30:11,279

speedometer registered 110 miles an hour

722

00:30:14,549 --> 00:30:12,559

when she took her foot off the

723

00:30:17,269 --> 00:30:14,559

accelerator the car seemed to drop

724

00:30:20,149 --> 00:30:17,279

back on the highway by now the strange

725

00:30:22,630 --> 00:30:20,159

craft was 12 to 18 feet above

726
00:30:24,710 --> 00:30:22,640
a few nearby trees it then moved away at

727
00:30:25,909 --> 00:30:24,720
approximately 20 miles an hour and then

728
00:30:29,350 --> 00:30:25,919
disappeared

729
00:30:31,350 --> 00:30:29,360
near the town of mckurkin and this is

730
00:30:33,990 --> 00:30:31,360
the source of this is ufo analysis

731
00:30:36,190 --> 00:30:34,000
report may june 1969 and the canadian

732
00:30:40,549 --> 00:30:36,200
ufo report volume 2 number 6

733
00:30:43,830 --> 00:30:40,559
1973. so just uh just another

734
00:30:47,190 --> 00:30:43,840
just another incredible encounter

735
00:30:52,070 --> 00:30:50,950
some sort of more mechanical drawings

736
00:30:56,389 --> 00:30:52,080
right

737
00:30:59,750 --> 00:30:56,399
and here the occupants interesting

738
00:31:00,470 --> 00:30:59,760

very very interesting so i wanted to

739

00:31:03,509 --> 00:31:00,480

share this

740

00:31:05,509 --> 00:31:03,519

uh i wanted to share some of the stories

741

00:31:07,830 --> 00:31:05,519

in this book like you said we can

742

00:31:09,669 --> 00:31:07,840

uh we can continue this one is uh the

743

00:31:12,230 --> 00:31:09,679

land the famous landing case

744

00:31:13,269 --> 00:31:12,240

lottie zamora but the artwork is

745

00:31:15,750 --> 00:31:13,279

incredible

746

00:31:19,830 --> 00:31:15,760

right and again all from artists

747

00:31:21,750 --> 00:31:19,840

depictions right

748

00:31:22,950 --> 00:31:21,760

here's some information on the signal

749

00:31:30,389 --> 00:31:22,960

that was on the

750

00:31:38,389 --> 00:31:34,230

it means cia or it could mean cia

751
00:31:40,149 --> 00:31:38,399
yeah and here another incredible

752
00:31:41,990 --> 00:31:40,159
illustration i really want to get some

753
00:31:43,269 --> 00:31:42,000
of these blown up to posters

754
00:31:44,950 --> 00:31:43,279
i'm going to talk to michael schrad

755
00:31:47,190 --> 00:31:44,960
about doing that there's just some

756
00:31:50,549 --> 00:31:47,200
incredible artwork here

757
00:31:52,549 --> 00:31:50,559
and uh i for one truly this book i

758
00:31:54,389 --> 00:31:52,559
enjoyed more than any other ufo book

759
00:31:58,310 --> 00:31:54,399
that i have gotten in the past

760
00:32:01,750 --> 00:31:58,320
10 years or so just incredible stories

761
00:32:05,269 --> 00:32:01,760
incredible illustrations all made from

762
00:32:06,789 --> 00:32:05,279
eyewitness reports and here's vintage

763
00:32:09,509 --> 00:32:06,799

steam boiler ufo

764

00:32:10,870 --> 00:32:09,519

sited in 1967 g doesn't that look like a

765

00:32:15,190 --> 00:32:10,880

tic tac

766

00:32:17,509 --> 00:32:15,200

that is so common right now right

767

00:32:19,350 --> 00:32:17,519

incredibly similar and here's another

768

00:32:22,549 --> 00:32:19,360

famous case

769

00:32:24,310 --> 00:32:22,559

uh this one there's physical evidence

770

00:32:26,830 --> 00:32:24,320

because the person that encountered this

771

00:32:30,549 --> 00:32:26,840

ufo got close to it and got

772

00:32:33,590 --> 00:32:30,559

burned yeah got burned

773

00:32:37,029 --> 00:32:33,600

not a good day for that guy yeah burned

774

00:32:41,190 --> 00:32:39,269

yeah it's probably not a good idea to

775

00:32:43,029 --> 00:32:41,200

get so incredibly close to these things

776

00:32:46,070 --> 00:32:43,039

there's another encounter with an actual

777

00:32:48,310 --> 00:32:46,080

alien being included in the encounter

778

00:32:50,310 --> 00:32:48,320

just an amazing book i highly recommend

779

00:32:53,830 --> 00:32:50,320

it and i want to kind of do this

780

00:32:56,630 --> 00:32:53,840

just to give a uh just to give

781

00:32:58,310 --> 00:32:56,640

up with you know get a sort of an

782

00:32:59,990 --> 00:32:58,320

introduction into michael stratton his

783

00:33:02,710 --> 00:33:00,000

work before we have

784

00:33:04,230 --> 00:33:02,720

him here on the show uh i'm going to

785

00:33:04,950 --> 00:33:04,240

reach out to him next week and try to

786

00:33:07,029 --> 00:33:04,960

see when

787

00:33:08,549 --> 00:33:07,039

he would like to do an interview but

788

00:33:10,950 --> 00:33:08,559

we're going to be talking about the real

789

00:33:14,230 --> 00:33:10,960

secret space program

790

00:33:17,269 --> 00:33:14,240

mean

791

00:33:18,950 --> 00:33:17,279

like the x-37b the secret space shuttle

792

00:33:21,909 --> 00:33:18,960

that the cia is using

793

00:33:23,909 --> 00:33:21,919

and secret space satellites and secret

794

00:33:25,909 --> 00:33:23,919

space planes that are being developed by

795

00:33:28,070 --> 00:33:25,919

lockheed martin skunk works and boeing

796

00:33:29,909 --> 00:33:28,080

and a few other companies

797

00:33:32,470 --> 00:33:29,919

i think michael shrap's got the goods on

798

00:33:33,669 --> 00:33:32,480

those guys and i'm i'm real happy that

799

00:33:36,149 --> 00:33:33,679

he's gonna

800

00:33:38,950 --> 00:33:36,159

you know we're gonna be able to we're

801
00:33:40,950 --> 00:33:38,960
gonna be able to

802
00:33:42,789 --> 00:33:40,960
pick his brain and you guys get to come

803
00:33:44,950 --> 00:33:42,799
with me for that

804
00:33:46,149 --> 00:33:44,960
uh i will announce it as soon as it is

805
00:33:48,149 --> 00:33:46,159
booked but he did tell me

806
00:33:49,830 --> 00:33:48,159
he would we'd work it out he would

807
00:33:50,950 --> 00:33:49,840
definitely be interested in doing the

808
00:33:52,389 --> 00:33:50,960
interview

809
00:33:55,269 --> 00:33:52,399
and i guess we're also going to be

810
00:33:57,269 --> 00:33:55,279
talking about mark mccandlish

811
00:33:58,950 --> 00:33:57,279
uh also for those that don't know

812
00:34:01,110 --> 00:33:58,960
there's additional drama regarding the

813
00:34:03,669 --> 00:34:01,120

mark mccandless story in that

814

00:34:05,430 --> 00:34:03,679

uh apparently richard hoagland who you

815

00:34:08,790 --> 00:34:05,440

may be familiar with uh

816

00:34:09,909 --> 00:34:08,800

mars face and you know pyramids on mars

817

00:34:11,829 --> 00:34:09,919

fame

818

00:34:13,270 --> 00:34:11,839

um you know he pushed those stories for

819

00:34:15,510 --> 00:34:13,280

like 20 years

820

00:34:17,430 --> 00:34:15,520

i don't think there's any credible

821

00:34:17,990 --> 00:34:17,440

there's no credible evidence about any

822

00:34:20,389 --> 00:34:18,000

of his

823

00:34:21,990 --> 00:34:20,399

uh any of the stories he's pushed for 20

824

00:34:23,510 --> 00:34:22,000

years so i you know i really don't care

825

00:34:25,589 --> 00:34:23,520

what somebody like richard hoagland

826

00:34:27,510 --> 00:34:25,599

thinks of me or my show

827

00:34:28,790 --> 00:34:27,520

but to his credit he was going to have

828

00:34:31,589 --> 00:34:28,800

this richard

829

00:34:33,349 --> 00:34:31,599

this mr morningstar who spread all these

830

00:34:34,790 --> 00:34:33,359

rumors about mark mccandless tragic

831

00:34:38,069 --> 00:34:34,800

death on his show

832

00:34:41,430 --> 00:34:38,079

on saturday after uh

833

00:34:44,550 --> 00:34:41,440

getting my show information he

834

00:34:45,909 --> 00:34:44,560

uh postponed the show with robert

835

00:34:47,990 --> 00:34:45,919

morningstar and i hear

836

00:34:49,430 --> 00:34:48,000

he's just gonna cancel it but i'm you

837

00:34:51,510 --> 00:34:49,440

know i don't know i have not talked to

838

00:34:54,230 --> 00:34:51,520

mr hill glenn myself

839

00:34:55,990 --> 00:34:54,240

uh oh that's very nice of you all around

840

00:34:57,829 --> 00:34:56,000

arbiter with a kind and generous 10

841

00:34:59,109 --> 00:34:57,839

donation says happy birthday stephen

842

00:35:00,550 --> 00:34:59,119

camby and yeah by the way it's my

843

00:35:02,630 --> 00:35:00,560

birthday today guys

844

00:35:04,390 --> 00:35:02,640

buy yourself a six pack of beer i will

845

00:35:06,470 --> 00:35:04,400

do that

846

00:35:08,710 --> 00:35:06,480

one of the gifts i got from my my friend

847

00:35:09,030 --> 00:35:08,720

at the cabin mat was a 30 pack of beer

848

00:35:10,790 --> 00:35:09,040

so

849

00:35:12,630 --> 00:35:10,800

i'm good on the beer but i'll take you

850

00:35:14,230 --> 00:35:12,640

ten dollars and thank you very kindly

851
00:35:15,430 --> 00:35:14,240
for your kindness your generosity and

852
00:35:16,870 --> 00:35:15,440
your support

853
00:35:19,109 --> 00:35:16,880
anybody else that wants to throw money

854
00:35:21,030 --> 00:35:19,119
at me there is a

855
00:35:22,550 --> 00:35:21,040
money button down there in the live chat

856
00:35:24,950 --> 00:35:22,560
where you can send a super chat

857
00:35:26,630 --> 00:35:24,960
or if you're so inclined and you don't

858
00:35:28,710 --> 00:35:26,640
want to send a super chat you can send a

859
00:35:30,390 --> 00:35:28,720
paypal donation through paypal

860
00:35:32,069 --> 00:35:30,400
the links to do that are in our about

861
00:35:33,670 --> 00:35:32,079
section of our channel or you can

862
00:35:35,430 --> 00:35:33,680
support us on patreon

863
00:35:37,270 --> 00:35:35,440

there you go i don't even think that was

864

00:35:39,109 --> 00:35:37,280

uh 60 seconds

865

00:35:41,270 --> 00:35:39,119

and by the way i listened to another

866

00:35:43,030 --> 00:35:41,280

show

867

00:35:44,870 --> 00:35:43,040

um well i'm not even going to mention

868

00:35:47,190 --> 00:35:44,880

the show but somebody

869

00:35:48,950 --> 00:35:47,200

you know this dramarama started once i

870

00:35:51,750 --> 00:35:48,960

got monetized some

871

00:35:53,589 --> 00:35:51,760

other show hosts said that i spent 45

872

00:35:54,950 --> 00:35:53,599

percent of my show begging for money or

873

00:35:57,270 --> 00:35:54,960

something like that

874

00:35:58,630 --> 00:35:57,280

and i know that's not accurate it's not

875

00:36:02,390 --> 00:35:58,640

you know whatever

876

00:36:03,430 --> 00:36:02,400

uh check the super chat oh yeah i missed

877

00:36:05,349 --> 00:36:03,440

i missed one

878

00:36:07,270 --> 00:36:05,359

jeez jonah side happy birthday get

879

00:36:09,670 --> 00:36:07,280

yourself something pretty thank you very

880

00:36:11,030 --> 00:36:09,680

much genocide i apologize for missing it

881

00:36:11,990 --> 00:36:11,040

i thank you for your kindness your

882

00:36:13,510 --> 00:36:12,000

generosity and your

883

00:36:15,750 --> 00:36:13,520

support your continued support of the

884

00:36:17,190 --> 00:36:15,760

show long time supporter of the show

885

00:36:19,190 --> 00:36:17,200

genocide

886

00:36:21,589 --> 00:36:19,200

and someday i'm going to feel guilty

887

00:36:23,670 --> 00:36:21,599

enough to give him his slides

888

00:36:24,950 --> 00:36:23,680

i really do genocide i really do have to

889

00:36:26,870 --> 00:36:24,960

make a presentation

890

00:36:29,430 --> 00:36:26,880

uh for sort of like a business

891

00:36:31,829 --> 00:36:29,440

presentation but it's about my linux

892

00:36:33,270 --> 00:36:31,839

uh my version of linux operating system

893

00:36:36,950 --> 00:36:33,280

and i will definitely

894

00:36:40,310 --> 00:36:36,960

definitely uh get you

895

00:36:41,510 --> 00:36:40,320

you know some slots we're gonna do that

896

00:36:43,109 --> 00:36:41,520

so i'm gonna thank all the super

897

00:36:43,829 --> 00:36:43,119

chatters uh one thing that i do want to

898

00:36:46,950 --> 00:36:43,839

say too

899

00:36:49,349 --> 00:36:46,960

actually let me let me do this for

900

00:36:50,870 --> 00:36:49,359

anybody that's sending a super chat if

901
00:36:53,829 --> 00:36:50,880
if you want your super chat read

902
00:36:54,790 --> 00:36:53,839
please send it while i'm still on the

903
00:36:56,550 --> 00:36:54,800
screen

904
00:36:58,470 --> 00:36:56,560
because if i say good night for the

905
00:37:00,470 --> 00:36:58,480
night and then you send it while

906
00:37:01,670 --> 00:37:00,480
the end of the show bumper is playing i

907
00:37:03,589 --> 00:37:01,680
might miss it and

908
00:37:05,829 --> 00:37:03,599
we don't want to miss a single super

909
00:37:06,390 --> 00:37:05,839
chat here we honor respect everybody who

910
00:37:08,550 --> 00:37:06,400
is

911
00:37:11,030 --> 00:37:08,560
helping us and with their kindness their

912
00:37:16,069 --> 00:37:11,040
generosity and their support

913
00:37:19,829 --> 00:37:16,079

so uh on a recent show eric anderson

914

00:37:22,230 --> 00:37:19,839

uh let me uh let me let me check here

915

00:37:24,310 --> 00:37:22,240

in a recent show we missed one and that

916

00:37:26,150 --> 00:37:24,320

was on our last show

917

00:37:28,390 --> 00:37:26,160

and that was from eric anderson a kind

918

00:37:30,150 --> 00:37:28,400

generous 10 super chat donation and he

919

00:37:31,910 --> 00:37:30,160

said praise the cash just got here

920

00:37:33,270 --> 00:37:31,920

global electromagnetic weapons like

921

00:37:36,470 --> 00:37:33,280

haarp sdi

922

00:37:37,510 --> 00:37:36,480

sri international bowie is the man who

923

00:37:39,349 --> 00:37:37,520

came from earth

924

00:37:41,349 --> 00:37:39,359

i know he's the man who fell from earth

925

00:37:42,950 --> 00:37:41,359

but anyway thank you for your kindness

926

00:37:44,870 --> 00:37:42,960

your generosity and your support is

927

00:37:45,990 --> 00:37:44,880

truly appreciated i apologize for

928

00:37:47,589 --> 00:37:46,000

missing it

929

00:37:49,109 --> 00:37:47,599

and what we're going to do from now on

930

00:37:51,430 --> 00:37:49,119

is we're going to read

931

00:37:52,310 --> 00:37:51,440

all the super chats right before i sign

932

00:37:54,069 --> 00:37:52,320

off uh

933

00:37:56,870 --> 00:37:54,079

just to make sure that we got everyone

934

00:37:59,510 --> 00:37:56,880

we read every single super chat here

935

00:38:00,150 --> 00:37:59,520

luckily you know the show's not huge so

936

00:38:02,230 --> 00:38:00,160

i can

937

00:38:04,310 --> 00:38:02,240

actually read every single super chat

938

00:38:05,750 --> 00:38:04,320

and we do so when we thank everyone for

939

00:38:06,710 --> 00:38:05,760

their kindness their generosity and

940

00:38:08,390 --> 00:38:06,720

their support

941

00:38:09,910 --> 00:38:08,400

we read anything you put in the super

942

00:38:11,670 --> 00:38:09,920

chat you can

943

00:38:13,750 --> 00:38:11,680

uh tell me you like the show you can

944

00:38:15,910 --> 00:38:13,760

tell me i suck and you hate the show

945

00:38:17,910 --> 00:38:15,920

that's fine i'm gonna require that the

946

00:38:19,670 --> 00:38:17,920

drama rama haters from now on instead of

947

00:38:20,310 --> 00:38:19,680

just talking smack about me on their

948

00:38:21,750 --> 00:38:20,320

show

949

00:38:24,069 --> 00:38:21,760

they gotta come here and send a super

950

00:38:26,870 --> 00:38:24,079

chat before i will respond to them

951
00:38:29,030 --> 00:38:26,880
that's my new policy you can you can

952
00:38:31,270 --> 00:38:29,040
talk smack but you gotta pay me first

953
00:38:32,390 --> 00:38:31,280
okay because i'm a seller that's what we

954
00:38:36,790 --> 00:38:32,400
do here

955
00:38:38,950 --> 00:38:36,800
yeah so you know uh

956
00:38:40,550 --> 00:38:38,960
i i also wanted to mention that michael

957
00:38:42,470 --> 00:38:40,560
track the reason that he called me and

958
00:38:45,109 --> 00:38:42,480
we talked is because he has been

959
00:38:47,190 --> 00:38:45,119
digging into mark mccandless and uh

960
00:38:47,829 --> 00:38:47,200
basically agrees with all of my work and

961
00:38:49,670 --> 00:38:47,839
research

962
00:38:51,270 --> 00:38:49,680
and uh yeah you know it felt good for

963
00:38:52,630 --> 00:38:51,280

somebody that i admire and respect like

964

00:38:54,470 --> 00:38:52,640

michael schrack to call me up and tell

965

00:38:55,349 --> 00:38:54,480

me that i did a really good job on that

966

00:38:58,069 --> 00:38:55,359

story

967

00:39:00,710 --> 00:38:58,079

and did good research and uh he did some

968

00:39:03,510 --> 00:39:00,720

checking of his own and agrees with

969

00:39:05,349 --> 00:39:03,520

you know my sign of the story so that's

970

00:39:07,030 --> 00:39:05,359

good

971

00:39:09,589 --> 00:39:07,040

rogue status yeah actually we're going

972

00:39:11,910 --> 00:39:09,599

to open the phone lines

973

00:39:13,589 --> 00:39:11,920

you can call in and tell me yeah you can

974

00:39:15,670 --> 00:39:13,599

you can definitely rogue status

975

00:39:17,430 --> 00:39:15,680

you can call in that's another thing

976
00:39:19,990 --> 00:39:17,440
we're going to have open the phone lines

977
00:39:20,870 --> 00:39:20,000
so if you're the hater type and you want

978
00:39:23,430 --> 00:39:20,880
to tell me

979
00:39:25,190 --> 00:39:23,440
everything that sucks about my show hey

980
00:39:26,470 --> 00:39:25,200
the phone lines are open and i can't

981
00:39:28,310 --> 00:39:26,480
control who calls in

982
00:39:29,670 --> 00:39:28,320
right or if like rogue status you want

983
00:39:30,630 --> 00:39:29,680
to call in and tell me how to run the

984
00:39:32,550 --> 00:39:30,640
show or

985
00:39:34,470 --> 00:39:32,560
that i should get better guests and this

986
00:39:35,510 --> 00:39:34,480
guest sucks or that guest sucks or i'm

987
00:39:38,310 --> 00:39:35,520
not i can't

988
00:39:40,310 --> 00:39:38,320

do tarot cards oh by the way we stopped

989

00:39:42,630 --> 00:39:40,320

doing the tarot cards right and i

990

00:39:44,390 --> 00:39:42,640

predicted this i said we're gonna we're

991

00:39:47,270 --> 00:39:44,400

we're not doing tarot cards anymore

992

00:39:48,870 --> 00:39:47,280

i guarantee that the dramarama people

993

00:39:50,230 --> 00:39:48,880

who just like to talk smack are gonna

994

00:39:51,430 --> 00:39:50,240

pick something else they're not gonna

995

00:39:52,790 --> 00:39:51,440

stop bitching they're gonna pick

996

00:39:55,829 --> 00:39:52,800

something else to complain about

997

00:39:56,790 --> 00:39:55,839

and they did but it's all good people

998

00:39:58,390 --> 00:39:56,800

can uh

999

00:40:00,710 --> 00:39:58,400

people can say whatever they're gonna

1000

00:40:01,349 --> 00:40:00,720

say yeah and sixth design thanks very

1001

00:40:03,990 --> 00:40:01,359

much he's

1002

00:40:05,670 --> 00:40:04,000

um he is sharing the link where you can

1003

00:40:05,990 --> 00:40:05,680

get the book you can also get the book

1004

00:40:11,190 --> 00:40:06,000

on

1005

00:40:13,589 --> 00:40:11,200

files michael shrap and it'll come right

1006

00:40:15,190 --> 00:40:13,599

up it's only a couple of bucks you know

1007

00:40:16,710 --> 00:40:15,200

and it is an e-book i should mention

1008

00:40:18,470 --> 00:40:16,720

that i told him that he really needs to

1009

00:40:20,790 --> 00:40:18,480

get printed books and as soon as he does

1010

00:40:21,829 --> 00:40:20,800

to let me know and i will be buying a

1011

00:40:24,790 --> 00:40:21,839

book because i want a

1012

00:40:25,589 --> 00:40:24,800

physical book printed book but i'm sure

1013

00:40:29,190 --> 00:40:25,599

that

1014

00:40:30,150 --> 00:40:29,200

him to produce because all those color

1015

00:40:33,190 --> 00:40:30,160

images

1016

00:40:34,309 --> 00:40:33,200

are not cheap to have printed right and

1017

00:40:37,670 --> 00:40:34,319

lee beltman says

1018

00:40:39,829 --> 00:40:37,680

i love my trolls yeah me too

1019

00:40:41,109 --> 00:40:39,839

so we're gonna we're gonna play the i

1020

00:40:43,589 --> 00:40:41,119

gotta see if i have

1021

00:40:45,349 --> 00:40:43,599

open phone lines i thought i had an open

1022

00:40:48,470 --> 00:40:45,359

phone lines banner

1023

00:40:50,069 --> 00:40:48,480

oh yeah we do yeah

1024

00:40:51,430 --> 00:40:50,079

so we're gonna have open phone lines

1025

00:40:52,950 --> 00:40:51,440

there is the number i'm going to be

1026

00:40:55,430 --> 00:40:52,960

playing a short bumper

1027

00:40:57,510 --> 00:40:55,440

just to uh you know beg more people to

1028

00:41:00,309 --> 00:40:57,520

call in

1029

00:41:00,950 --> 00:41:00,319

uh and you know listen sometimes when we

1030

00:41:03,190 --> 00:41:00,960

do this

1031

00:41:05,030 --> 00:41:03,200

not a lot of people call or nobody calls

1032

00:41:06,630 --> 00:41:05,040

i don't know if we've ever had nobody

1033

00:41:08,550 --> 00:41:06,640

but we had like you know only a few

1034

00:41:09,430 --> 00:41:08,560

people and it was like pulling teeth to

1035

00:41:11,510 --> 00:41:09,440

get

1036

00:41:12,710 --> 00:41:11,520

to keep the show going with nobody

1037

00:41:15,190 --> 00:41:12,720

calling but look

1038

00:41:17,109 --> 00:41:15,200

you know the the phone lines are open

1039

00:41:20,230 --> 00:41:17,119

and i am going to

1040

00:41:21,190 --> 00:41:20,240

uh play our calling bumper to invite you

1041

00:41:22,470 --> 00:41:21,200

to call in

1042

00:41:24,309 --> 00:41:22,480

we're going to have open lines you can

1043

00:41:26,630 --> 00:41:24,319

talk about michael stratt's book with me

1044

00:41:28,230 --> 00:41:26,640

or any previous show or anything you

1045

00:41:30,470 --> 00:41:28,240

want to have you had a paranormal

1046

00:41:33,349 --> 00:41:30,480

experience did you see a ufo

1047

00:41:33,990 --> 00:41:33,359

come and share your story here with us

1048

00:41:36,630 --> 00:41:34,000

uh we're

1049

00:41:38,390 --> 00:41:36,640

we have a like-minded uh cool audience

1050

00:41:40,710 --> 00:41:38,400

that would probably love to hear

1051
00:41:41,430 --> 00:41:40,720
about your encounter or your paranormal

1052
00:41:43,750 --> 00:41:41,440
story

1053
00:41:44,630 --> 00:41:43,760
and you are most welcome here all are

1054
00:41:46,309 --> 00:41:44,640
welcome

1055
00:41:47,990 --> 00:41:46,319
so open phone lines you guys have been

1056
00:42:03,290 --> 00:41:48,000
asking for this

1057
00:42:21,900 --> 00:42:03,300
here we go

1058
00:43:50,069 --> 00:42:28,750
[Music]

1059
00:43:53,990 --> 00:43:52,950
and we are back i'm going to dedicate

1060
00:43:57,270 --> 00:43:54,000
the lines will be

1061
00:43:59,030 --> 00:43:57,280
open here uh let me just make sure

1062
00:44:00,790 --> 00:43:59,040
because once in a while i do something

1063
00:44:03,670 --> 00:44:00,800

stupid like turn my ringer off and then

1064

00:44:05,910 --> 00:44:03,680

wonder why nobody's calling in

1065

00:44:07,990 --> 00:44:05,920

we'll uh we'll have to make sure that

1066

00:44:09,750 --> 00:44:08,000

that's not the case here

1067

00:44:10,950 --> 00:44:09,760

yeah we should be okay otherwise i'm

1068

00:44:12,630 --> 00:44:10,960

going to devote my full and total

1069

00:44:14,309 --> 00:44:12,640

attention to the live chat try to catch

1070

00:44:17,349 --> 00:44:14,319

up with you guys

1071

00:44:18,069 --> 00:44:17,359

um yeah dustin miles says cool bumper

1072

00:44:21,430 --> 00:44:18,079

music that's

1073

00:44:25,270 --> 00:44:21,440

carl casey uh white

1074

00:44:27,349 --> 00:44:25,280

bat studios uh very talented artist who

1075

00:44:29,430 --> 00:44:27,359

has been kind enough to lend us

1076

00:44:31,589 --> 00:44:29,440

um a bunch of different of his songs

1077

00:44:33,750 --> 00:44:31,599

really good sort of synth

1078

00:44:37,510 --> 00:44:33,760

synth wave and synth music which i'm a

1079

00:44:40,630 --> 00:44:37,520

big fan of

1080

00:44:41,030 --> 00:44:40,640

fcraft72 says i say for 30 for eighth of

1081

00:44:43,510 --> 00:44:41,040

this

1082

00:44:44,390 --> 00:44:43,520

fruit punch achieve a smoke break good

1083

00:44:48,150 --> 00:44:44,400

for you

1084

00:44:51,430 --> 00:44:48,160

yeah yeah

1085

00:44:53,510 --> 00:44:51,440

and six's design gives a pictorial

1086

00:44:56,390 --> 00:44:53,520

history of lost forgotten and obscure

1087

00:44:58,630 --> 00:44:56,400

ufo encounters kindle edition

1088

00:45:00,550 --> 00:44:58,640

yeah so you can purchase it on your

1089

00:45:03,270 --> 00:45:00,560

kindle or

1090

00:45:03,990 --> 00:45:03,280

ebook format um i think amazon's

1091

00:45:08,230 --> 00:45:04,000

probably the best

1092

00:45:09,910 --> 00:45:08,240

place to get it uh solar warden is here

1093

00:45:11,430 --> 00:45:09,920

i love the background effect of the blue

1094

00:45:12,630 --> 00:45:11,440

light you know everybody loves that

1095

00:45:13,990 --> 00:45:12,640

thing i'm gonna get

1096

00:45:16,069 --> 00:45:14,000

i think i'm gonna order a bunch of them

1097

00:45:18,630 --> 00:45:16,079

from china solar warden and start

1098

00:45:20,390 --> 00:45:18,640

selling them here on the show

1099

00:45:22,069 --> 00:45:20,400

that that's where that came i have a

1100

00:45:22,790 --> 00:45:22,079

friend in china who finds weird cool

1101

00:45:25,510 --> 00:45:22,800

stuff and

1102

00:45:26,069 --> 00:45:25,520

uh alerts me and sends me some if i uh

1103

00:45:29,270 --> 00:45:26,079

you know

1104

00:45:31,030 --> 00:45:29,280

send him a couple of bucks it's just a

1105

00:45:33,349 --> 00:45:31,040

weird special effects light and it has

1106

00:45:34,309 --> 00:45:33,359

multiple modes you can change it and

1107

00:45:35,910 --> 00:45:34,319

it's got

1108

00:45:37,750 --> 00:45:35,920

i don't know some kind of like nature

1109

00:45:39,910 --> 00:45:37,760

noise built into it too

1110

00:45:42,069 --> 00:45:39,920

it looks great on a ceiling or a wall

1111

00:45:46,069 --> 00:45:42,079

really and there's different

1112

00:45:47,829 --> 00:45:46,079

different lighting uh effects

1113

00:45:50,230 --> 00:45:47,839

tend to just keep it to the one though

1114

00:45:53,910 --> 00:45:50,240

that looks the best with our background

1115

00:45:56,230 --> 00:45:53,920

red and blue blue yeah

1116

00:45:57,430 --> 00:45:56,240

yeah so uh i guess one other thing that

1117

00:46:01,750 --> 00:45:57,440

i would like to mention

1118

00:46:04,309 --> 00:46:01,760

is uh let's see um

1119

00:46:06,150 --> 00:46:04,319

i've heard and i can't find it so if

1120

00:46:06,710 --> 00:46:06,160

anybody does find it please do forward

1121

00:46:09,349 --> 00:46:06,720

it to me

1122

00:46:10,790 --> 00:46:09,359

a truthseeker show at gmail.com or dm me

1123

00:46:12,150 --> 00:46:10,800

on twitter but i've heard

1124

00:46:14,069 --> 00:46:12,160

that kerry cassidy and robert

1125

00:46:15,990 --> 00:46:14,079

morningstar did another podcast

1126

00:46:17,750 --> 00:46:16,000

trash talking me saying that i don't

1127

00:46:20,470 --> 00:46:17,760

know how to do research or something

1128

00:46:22,470 --> 00:46:20,480

in regard to the mark mccandless story

1129

00:46:24,870 --> 00:46:22,480

which is ridiculous because i have all

1130

00:46:29,589 --> 00:46:24,880

the sources of everybody that i talk to

1131

00:46:31,270 --> 00:46:29,599

and detailed notes yeah

1132

00:46:32,550 --> 00:46:31,280

rogue status will take us up on the call

1133

00:46:32,950 --> 00:46:32,560

the next time yeah that's quite all

1134

00:46:36,150 --> 00:46:32,960

right

1135

00:46:39,510 --> 00:46:36,160

look all i can do is open the lines so

1136

00:46:41,910 --> 00:46:39,520

people ask me to do it and then

1137

00:46:44,150 --> 00:46:41,920

yeah it's okay though you know uh but

1138

00:46:46,870 --> 00:46:44,160

it's definitely my birthday here today

1139

00:46:47,670 --> 00:46:46,880

so i just wanted to do uh you know a

1140

00:46:50,870 --> 00:46:47,680

quick show

1141

00:46:52,309 --> 00:46:50,880

keep up with you guys curious about trad

1142

00:46:52,630 --> 00:46:52,319

he does amazing work but i've always

1143

00:46:55,030 --> 00:46:52,640

been

1144

00:46:57,030 --> 00:46:55,040

a bit confused how he went from dan

1145

00:46:57,990 --> 00:46:57,040

burrish to nuts and bolts stuff anybody

1146

00:47:00,470 --> 00:46:58,000

else feel that way

1147

00:47:02,069 --> 00:47:00,480

yeah i forgot to ask him when i got to

1148

00:47:03,030 --> 00:47:02,079

talk to him solar word and i wanted to

1149

00:47:04,630 --> 00:47:03,040

say

1150

00:47:06,550 --> 00:47:04,640

how could you spend so much time on dean

1151
00:47:09,030 --> 00:47:06,560
burrish it seems obvious to me that that

1152
00:47:12,150 --> 00:47:09,040
guy's a liar or fraud and uh

1153
00:47:17,510 --> 00:47:12,160
not very credible right not very

1154
00:47:25,190 --> 00:47:19,270
oh rogue status will share his one and

1155
00:47:27,190 --> 00:47:25,200
only signing it was sure but weird yeah

1156
00:47:28,309 --> 00:47:27,200
rylo 704 is here with the kind and

1157
00:47:29,990 --> 00:47:28,319
generous donation

1158
00:47:31,510 --> 00:47:30,000
of ten dollars happy birthday man i'm

1159
00:47:32,230 --> 00:47:31,520
going to watch the show in the am but

1160
00:47:35,030 --> 00:47:32,240
wanted to see

1161
00:47:36,549 --> 00:47:35,040
if alien scientist was around as a guest

1162
00:47:38,470 --> 00:47:36,559
well not as a guest but i heard he may

1163
00:47:40,150 --> 00:47:38,480

be in the live chat he tweeted something

1164

00:47:41,750 --> 00:47:40,160

like smash that like button and come and

1165

00:47:43,270 --> 00:47:41,760

see me in the live chat

1166

00:47:44,549 --> 00:47:43,280

um but i want to thank you for your

1167

00:47:46,150 --> 00:47:44,559

kindness your generosity and your

1168

00:47:48,230 --> 00:47:46,160

support and also i want to thank

1169

00:47:49,829 --> 00:47:48,240

each and every person who sent me uh

1170

00:47:50,950 --> 00:47:49,839

some kind of happy birthday message

1171

00:47:54,150 --> 00:47:50,960

today

1172

00:47:55,430 --> 00:47:54,160

um i was flooded with all these messages

1173

00:47:57,750 --> 00:47:55,440

all day today which is

1174

00:47:59,910 --> 00:47:57,760

good you know let's it lets me know that

1175

00:48:02,150 --> 00:47:59,920

people are

1176
00:48:03,990 --> 00:48:02,160
you know recognizing a special day for

1177
00:48:04,950 --> 00:48:04,000
me and boy did i have a special day with

1178
00:48:07,430 --> 00:48:04,960
my children

1179
00:48:08,230 --> 00:48:07,440
and my wife and i just quiet night at

1180
00:48:11,750 --> 00:48:08,240
home

1181
00:48:16,630 --> 00:48:11,760
and with some philly cheesesteak right

1182
00:48:21,430 --> 00:48:19,109
there's a hundred and sixty messages for

1183
00:48:23,589 --> 00:48:21,440
me on facebook all saying happy birthday

1184
00:48:25,510 --> 00:48:23,599
in one form or another i tried to

1185
00:48:27,270 --> 00:48:25,520
like or reply to each and every one of

1186
00:48:29,910 --> 00:48:27,280
you throughout the day

1187
00:48:31,829 --> 00:48:29,920
i thank you all for uh for reaching out

1188
00:48:33,270 --> 00:48:31,839

and uh wish me a happy birthday

1189

00:48:35,510 --> 00:48:33,280

this has been one of my favorite

1190

00:48:37,510 --> 00:48:35,520

birthdays so far mostly because

1191

00:48:39,750 --> 00:48:37,520

it was so laid back and enjoyable i just

1192

00:48:41,910 --> 00:48:39,760

ate a bunch of cheesecake and

1193

00:48:43,910 --> 00:48:41,920

who can argue with that that's a good

1194

00:48:46,710 --> 00:48:43,920

day right that is a good day

1195

00:48:47,549 --> 00:48:46,720

if you can just eat cheesecake and i

1196

00:48:50,069 --> 00:48:47,559

want to thank

1197

00:48:51,510 --> 00:48:50,079

rylo704 who continues to support the

1198

00:48:52,790 --> 00:48:51,520

show very much

1199

00:48:54,950 --> 00:48:52,800

we appreciate your kindness your

1200

00:48:56,470 --> 00:48:54,960

generosity and your supportive continued

1201

00:48:59,750 --> 00:48:56,480

support of the show

1202

00:49:08,950 --> 00:48:59,760

uh it's it's really it's really good

1203

00:49:14,549 --> 00:49:12,390

post the stream yard link

1204

00:49:17,589 --> 00:49:14,559

i'll send it to you jeremy but i don't

1205

00:49:19,750 --> 00:49:17,599

like to uh i don't like to just post it

1206

00:49:20,710 --> 00:49:19,760

right because then you never know who's

1207

00:49:23,349 --> 00:49:20,720

gonna come in and

1208

00:49:25,670 --> 00:49:23,359

like i know another show host had

1209

00:49:29,109 --> 00:49:25,680

somebody come in and show his genitals

1210

00:49:30,470 --> 00:49:29,119

which is definitely a problem right

1211

00:49:32,390 --> 00:49:30,480

i don't want somebody doing something

1212

00:49:35,430 --> 00:49:32,400

like that so uh

1213

00:49:37,349 --> 00:49:35,440

yeah i'm gonna send it to you in the uh

1214

00:49:39,030 --> 00:49:37,359

i will send it to you as a dm on twitter

1215

00:49:40,470 --> 00:49:39,040

how about that and if you want to join i

1216

00:49:42,069 --> 00:49:40,480

know who you are and please don't show

1217

00:49:45,190 --> 00:49:42,079

your genitals jeremy

1218

00:49:46,630 --> 00:49:45,200

because nobody wants to see that at

1219

00:49:48,309 --> 00:49:46,640

least not me

1220

00:49:49,910 --> 00:49:48,319

alien scientist said he's laying down in

1221

00:49:53,430 --> 00:49:49,920

bed

1222

00:49:55,030 --> 00:49:53,440

okay and for those interested in

1223

00:49:56,630 --> 00:49:55,040

learning more about michael trap michael

1224

00:49:58,069 --> 00:49:56,640

trapp was recently a guest

1225

00:50:00,710 --> 00:49:58,079

and talked about a lot of this

1226

00:50:03,990 --> 00:50:00,720

information in his book

1227

00:50:06,390 --> 00:50:04,000

uh and it's definitely uh a great

1228

00:50:07,190 --> 00:50:06,400

show that i think uh alien scientist and

1229

00:50:09,430 --> 00:50:07,200

jeremy scion

1230

00:50:11,430 --> 00:50:09,440

and jeremy rise together is the two of

1231

00:50:12,470 --> 00:50:11,440

my favorite people so i really enjoyed

1232

00:50:14,870 --> 00:50:12,480

that show

1233

00:50:16,309 --> 00:50:14,880

check out alien scientists channel for

1234

00:50:18,549 --> 00:50:16,319

that uh

1235

00:50:19,430 --> 00:50:18,559

for that show right and i guess we're

1236

00:50:23,109 --> 00:50:19,440

gonna

1237

00:50:24,829 --> 00:50:23,119

drop the banner if people want to call

1238

00:50:27,670 --> 00:50:24,839

in you know the number

1239

00:50:29,670 --> 00:50:27,680

right we'll just talk to the live chat

1240

00:50:31,190 --> 00:50:29,680

it's okay but the next time people go

1241

00:50:31,910 --> 00:50:31,200

why don't you open the phone lines i'm

1242

00:50:35,109 --> 00:50:31,920

gonna say

1243

00:50:36,230 --> 00:50:35,119

uh because last time we didn't get a lot

1244

00:50:38,150 --> 00:50:36,240

of calls

1245

00:50:39,589 --> 00:50:38,160

you get one dropped call so if somebody

1246

00:50:43,109 --> 00:50:39,599

did want to call back in

1247

00:50:44,549 --> 00:50:43,119

uh i encourage you to uh try again

1248

00:50:46,710 --> 00:50:44,559

we're gonna leave you know the phone

1249

00:50:49,349 --> 00:50:46,720

lines are open i'm gonna leave it

1250

00:50:50,870 --> 00:50:49,359

i'm gonna leave it up to you otherwise

1251

00:50:51,829 --> 00:50:50,880

we'll talk to the live chat we'll call

1252

00:50:55,109 --> 00:50:51,839

this one a short

1253

00:50:56,390 --> 00:50:55,119

and quick one and uh you know i'm going

1254

00:50:59,829 --> 00:50:56,400

to try and get some rest

1255

00:51:01,750 --> 00:50:59,839

i got my children tomorrow

1256

00:51:02,950 --> 00:51:01,760

oh yeah i did mean michael fratt i

1257

00:51:05,349 --> 00:51:02,960

apologize i

1258

00:51:08,069 --> 00:51:05,359

probably misspoke yeah no alien

1259

00:51:12,870 --> 00:51:08,079

scientist had michael fratt on recently

1260

00:51:16,470 --> 00:51:14,950

so warden says i was hoping jeremy would

1261

00:51:17,670 --> 00:51:16,480

ask him about the move from burris to

1262

00:51:18,630 --> 00:51:17,680

nuts and bolts stuff you only need

1263

00:51:21,349 --> 00:51:18,640

scientists

1264

00:51:22,390 --> 00:51:21,359

curious how michael went from one to the

1265

00:51:24,150 --> 00:51:22,400

other yeah i

1266

00:51:26,230 --> 00:51:24,160

love most of michael fratt's work but i

1267

00:51:26,710 --> 00:51:26,240

did notice that he spent a huge amount

1268

00:51:28,630 --> 00:51:26,720

of time

1269

00:51:32,150 --> 00:51:28,640

listening to dan burrish description of

1270

00:51:34,069 --> 00:51:32,160

the so-called s4 alien base in area 51

1271

00:51:35,190 --> 00:51:34,079

and drawing everything that he talked

1272

00:51:37,910 --> 00:51:35,200

about and

1273

00:51:39,349 --> 00:51:37,920

uh i found it to be a waste of time for

1274

00:51:40,790 --> 00:51:39,359

like i felt bad for michael stratton

1275

00:51:41,430 --> 00:51:40,800

like man i'm sorry you wasted all your

1276
00:51:43,750 --> 00:51:41,440
time there

1277
00:51:44,950 --> 00:51:43,760
and genocide says correctly so david

1278
00:51:48,390 --> 00:51:44,960
wilcock would look so cool with the

1279
00:51:51,750 --> 00:51:48,400
mustache and be more believable too

1280
00:51:54,630 --> 00:51:51,760
that may be the case

1281
00:51:56,150 --> 00:51:54,640
every show i have to share that genocide

1282
00:51:57,750 --> 00:51:56,160
thinks david wilcock would look so cool

1283
00:51:58,470 --> 00:51:57,760
with the mustache and be more believable

1284
00:52:02,829 --> 00:51:58,480
too because i

1285
00:52:05,589 --> 00:52:03,990
them

1286
00:52:07,510 --> 00:52:05,599
matt cadet says what are your thoughts

1287
00:52:09,750 --> 00:52:07,520
on the latest ufo uap

1288
00:52:11,750 --> 00:52:09,760

video if you're talking about the radar

1289

00:52:12,549 --> 00:52:11,760

thing i think it's a nothing burger and

1290

00:52:14,309 --> 00:52:12,559

further

1291

00:52:16,549 --> 00:52:14,319

i would say that i believe that jeremy

1292

00:52:17,589 --> 00:52:16,559

corbell is getting nothing burgers from

1293

00:52:19,910 --> 00:52:17,599

somebody

1294

00:52:21,510 --> 00:52:19,920

these videos cannot be anything

1295

00:52:23,670 --> 00:52:21,520

important if they were

1296

00:52:25,750 --> 00:52:23,680

they would not be unclassified and i

1297

00:52:29,030 --> 00:52:25,760

have a strong sneaking suspicion that

1298

00:52:31,430 --> 00:52:29,040

what he's getting is training videos

1299

00:52:33,750 --> 00:52:31,440

videos of things that were once

1300

00:52:35,109 --> 00:52:33,760

unidentified that they later identified

1301

00:52:37,349 --> 00:52:35,119

that they used to train

1302

00:52:38,230 --> 00:52:37,359

personnel about how easy it is to

1303

00:52:40,549 --> 00:52:38,240

mistake

1304

00:52:42,549 --> 00:52:40,559

common everyday things like airplanes

1305

00:52:44,549 --> 00:52:42,559

for something more spectacular like

1306

00:52:46,790 --> 00:52:44,559

alien spacecraft

1307

00:52:48,630 --> 00:52:46,800

i don't find mr corbell to be

1308

00:52:49,829 --> 00:52:48,640

trustworthy especially considering that

1309

00:52:52,870 --> 00:52:49,839

he made his career

1310

00:52:55,109 --> 00:52:52,880

out of uh

1311

00:52:56,230 --> 00:52:55,119

bob lazar's fake story and i really

1312

00:52:58,069 --> 00:52:56,240

don't

1313

00:53:00,069 --> 00:52:58,079

you know i had personal interaction with

1314

00:53:01,829 --> 00:53:00,079

him offered him all of the

1315

00:53:03,430 --> 00:53:01,839

evidence that bob lazar's a fraud in the

1316

00:53:06,230 --> 00:53:03,440

liar guess how much he used

1317

00:53:07,910 --> 00:53:06,240

in his film none and you know he said

1318

00:53:08,870 --> 00:53:07,920

something to me if the story is not true

1319

00:53:11,589 --> 00:53:08,880

there's no movie

1320

00:53:13,190 --> 00:53:11,599

that's what he said okay so you don't

1321

00:53:14,230 --> 00:53:13,200

really you don't really care about the

1322

00:53:17,349 --> 00:53:14,240

evidence you care

1323

00:53:24,470 --> 00:53:17,359

about about selling the story so

1324

00:53:28,950 --> 00:53:27,030

yes i agree with solar morgan great idea

1325

00:53:30,870 --> 00:53:28,960

steve someone said to me today earlier

1326
00:53:32,950 --> 00:53:30,880
about how the materials being shown may

1327
00:53:34,710 --> 00:53:32,960
be old archive tape of nothing

1328
00:53:37,030 --> 00:53:34,720
potentially yeah

1329
00:53:38,549 --> 00:53:37,040
here's the thing solar warden if there

1330
00:53:41,750 --> 00:53:38,559
was a real

1331
00:53:44,710 --> 00:53:41,760
unknown aircraft intruding on

1332
00:53:46,150 --> 00:53:44,720
the airspace of a navy carrier or

1333
00:53:48,069 --> 00:53:46,160
battleship

1334
00:53:49,589 --> 00:53:48,079
and they still don't know what it is it

1335
00:53:51,190 --> 00:53:49,599
would still be classified and they would

1336
00:53:52,390 --> 00:53:51,200
continue to investigate and find out

1337
00:53:54,710 --> 00:53:52,400
what that was

1338
00:53:57,270 --> 00:53:54,720

they wouldn't declassify and let any

1339

00:54:00,790 --> 00:53:57,280

idiot send it to jeremy corbell

1340

00:54:02,870 --> 00:54:00,800

so i think that what he's getting is

1341

00:54:06,790 --> 00:54:02,880

nothing special that's what i think

1342

00:54:10,230 --> 00:54:08,710

alien scientist says strat is like data

1343

00:54:11,829 --> 00:54:10,240

he's great at compiling information

1344

00:54:13,510 --> 00:54:11,839

that'll agree with you on but it sucks

1345

00:54:15,270 --> 00:54:13,520

when people like that latch onto bad

1346

00:54:18,390 --> 00:54:15,280

sources like bearish

1347

00:54:20,230 --> 00:54:18,400

yeah you know uh you can't win them all

1348

00:54:21,589 --> 00:54:20,240

though right alien scientist i'm sure

1349

00:54:23,430 --> 00:54:21,599

that like i've

1350

00:54:25,030 --> 00:54:23,440

latched on to a couple of stories that i

1351
00:54:26,150 --> 00:54:25,040
really wanted to believe and then later

1352
00:54:29,829 --> 00:54:26,160
found out they were

1353
00:54:31,670 --> 00:54:29,839
very credible stories so you know

1354
00:54:33,030 --> 00:54:31,680
you can't you can't hit a home run every

1355
00:54:36,789 --> 00:54:33,040
time i guess he

1356
00:54:38,789 --> 00:54:36,799
uh you know started down that road and

1357
00:54:41,430 --> 00:54:38,799
you know i mean good for him now we have

1358
00:54:44,150 --> 00:54:41,440
very detailed drawings of a fake

1359
00:54:45,430 --> 00:54:44,160
uh base where aliens were said to be by

1360
00:54:47,109 --> 00:54:45,440
dan burrish

1361
00:54:49,510 --> 00:54:47,119
who at the time he claimed to be a

1362
00:54:51,109 --> 00:54:49,520
biologist working at area 51 was

1363
00:54:54,150 --> 00:54:51,119

actually a security guard

1364

00:54:56,309 --> 00:54:54,160

at a casino in las vegas

1365

00:54:58,309 --> 00:54:56,319

kind of a far commute to go work on

1366

00:55:00,789 --> 00:54:58,319

aliens right

1367

00:55:02,710 --> 00:55:00,799

and also uh you know there's been a an

1368

00:55:03,510 --> 00:55:02,720

incredible amount of debunking that went

1369

00:55:06,950 --> 00:55:03,520

to

1370

00:55:09,990 --> 00:55:06,960

says he is

1371

00:55:11,829 --> 00:55:10,000

not who he pretended to be um the one

1372

00:55:13,990 --> 00:55:11,839

thing though is that dan burris does

1373

00:55:14,390 --> 00:55:14,000

have degrees in biology but doesn't make

1374

00:55:16,309 --> 00:55:14,400

him

1375

00:55:18,309 --> 00:55:16,319

you know a top secret government

1376
00:55:20,630 --> 00:55:18,319
scientist working on aliens just because

1377
00:55:24,549 --> 00:55:20,640
he has a real degree in biology

1378
00:55:27,750 --> 00:55:24,559
never failed burst credible um and i

1379
00:55:32,390 --> 00:55:27,760
i you know yeah dan crane

1380
00:55:36,470 --> 00:55:34,150
there is some funny videos of him like

1381
00:55:38,870 --> 00:55:36,480
having a freak out about like people not

1382
00:55:41,190 --> 00:55:38,880
believing him or you know because he was

1383
00:55:43,349 --> 00:55:41,200
in a majestic and all of this and his

1384
00:55:44,789 --> 00:55:43,359
story got crazier and crazier as he went

1385
00:55:46,549 --> 00:55:44,799
on and on

1386
00:55:48,069 --> 00:55:46,559
uh because people tired of his first

1387
00:55:51,190 --> 00:55:48,079
story about working in area

1388
00:55:53,430 --> 00:55:51,200

51 on on an alien you know

1389

00:55:54,549 --> 00:55:53,440

alien that had some kind of genetic

1390

00:55:56,230 --> 00:55:54,559

deformity and

1391

00:55:58,470 --> 00:55:56,240

was dying and they were trying to figure

1392

00:55:59,589 --> 00:55:58,480

out how to how to keep the alien alive

1393

00:56:02,069 --> 00:55:59,599

right

1394

00:56:03,670 --> 00:56:02,079

and uh yeah he was also a probation

1395

00:56:06,630 --> 00:56:03,680

officer at the time but

1396

00:56:08,150 --> 00:56:06,640

yeah so he's a probation officer at the

1397

00:56:09,430 --> 00:56:08,160

time that he's claiming that he worked

1398

00:56:11,589 --> 00:56:09,440

at area 51.

1399

00:56:12,870 --> 00:56:11,599

kind of a stretch and then you know the

1400

00:56:14,150 --> 00:56:12,880

conspiracy-minded people

1401
00:56:15,990 --> 00:56:14,160
were going to say things like well that

1402
00:56:17,829 --> 00:56:16,000
was a cover job that wasn't a real

1403
00:56:19,270 --> 00:56:17,839
job that was just his cover while he was

1404
00:56:21,109 --> 00:56:19,280
working in the area you know the people

1405
00:56:22,630 --> 00:56:21,119
that want to believe these crazy people

1406
00:56:24,069 --> 00:56:22,640
that don't have any proof

1407
00:56:26,150 --> 00:56:24,079
are just going to believe them and they

1408
00:56:27,750 --> 00:56:26,160
don't really want to hear evidence

1409
00:56:30,870 --> 00:56:27,760
and they don't really want to hear about

1410
00:56:32,549 --> 00:56:30,880
the proof that the person is is a fraud

1411
00:56:34,230 --> 00:56:32,559
i mean after all look at bob lazar you

1412
00:56:35,349 --> 00:56:34,240
know better than most alien scientist

1413
00:56:37,190 --> 00:56:35,359

and solar warden

1414

00:56:38,789 --> 00:56:37,200

no matter how much evidence you compile

1415

00:56:39,670 --> 00:56:38,799

it proves bob lazar is a fraud and a

1416

00:56:41,829 --> 00:56:39,680

liar

1417

00:56:43,349 --> 00:56:41,839

people still want to believe him solar

1418

00:56:45,030 --> 00:56:43,359

warden says i'm always curious about the

1419

00:56:46,789 --> 00:56:45,040

evolution of these researchers and how

1420

00:56:48,710 --> 00:56:46,799

their paths come to be

1421

00:56:50,150 --> 00:56:48,720

their viewpoints on things that's all

1422

00:56:50,470 --> 00:56:50,160

mike is a great dude from what i can

1423

00:56:52,230 --> 00:56:50,480

tell

1424

00:56:53,510 --> 00:56:52,240

yeah i really i really like him and i

1425

00:56:55,750 --> 00:56:53,520

enjoyed most of his work

1426

00:56:57,750 --> 00:56:55,760

that one thing is the one thing that i

1427

00:56:59,750 --> 00:56:57,760

just turned it off as soon as i

1428

00:57:01,270 --> 00:56:59,760

there's a whole big long video of him

1429

00:57:04,470 --> 00:57:01,280

going through every

1430

00:57:05,030 --> 00:57:04,480

portion of this so-called s4 base and

1431

00:57:07,270 --> 00:57:05,040

the different

1432

00:57:09,190 --> 00:57:07,280

levels and what you know there's these

1433

00:57:10,789 --> 00:57:09,200

detailed drawings that he made and i i

1434

00:57:11,510 --> 00:57:10,799

just turned it off because i went the

1435

00:57:13,910 --> 00:57:11,520

source of this

1436

00:57:15,750 --> 00:57:13,920

is not to be trusted so i don't really

1437

00:57:17,990 --> 00:57:15,760

you know but to his credit he did a good

1438

00:57:18,549 --> 00:57:18,000

job there's nice drawings it's just not

1439

00:57:23,750 --> 00:57:18,559

a real

1440

00:57:28,549 --> 00:57:26,549

drop the a and the n from alien and what

1441

00:57:30,390 --> 00:57:28,559

you're left with is a lie

1442

00:57:32,390 --> 00:57:30,400

that's very good i'm gonna steal that

1443

00:57:36,470 --> 00:57:32,400

matt that's actually very good

1444

00:57:37,349 --> 00:57:36,480

right oh my donate by paypal link is

1445

00:57:39,829 --> 00:57:37,359

incomplete

1446

00:57:41,349 --> 00:57:39,839

i don't know why that is is that in the

1447

00:57:42,950 --> 00:57:41,359

description box right

1448

00:57:44,470 --> 00:57:42,960

i'll fix that thanks six cents for

1449

00:57:46,309 --> 00:57:44,480

letting me know

1450

00:57:48,470 --> 00:57:46,319

uh so if you do want to do an 8 by

1451

00:57:50,950 --> 00:57:48,480

paypal go to the about section

1452

00:57:52,630 --> 00:57:50,960

and you'll be able to do that but you

1453

00:57:53,589 --> 00:57:52,640

know i say that at the risk of somebody

1454

00:57:55,430 --> 00:57:53,599

accusing me of

1455

00:57:59,030 --> 00:57:55,440

asking for money for forty five percent

1456

00:58:03,349 --> 00:58:02,390

i'm gonna get a calculator i'm gonna

1457

00:58:04,950 --> 00:58:03,359

check in with the

1458

00:58:09,510 --> 00:58:04,960

uh paypal actually i haven't done that

1459

00:58:10,870 --> 00:58:09,520

in quite some time

1460

00:58:13,109 --> 00:58:10,880

yeah it looks like we haven't gotten a

1461

00:58:14,710 --> 00:58:13,119

paypal donation since may 4th so

1462

00:58:17,190 --> 00:58:14,720

i think most people prefer to just do

1463

00:58:19,349 --> 00:58:17,200

the super chats it's easier it's quicker

1464

00:58:24,950 --> 00:58:19,359

and that is fine by me you know

1465

00:58:27,910 --> 00:58:26,470

matt says thanks i just thought of it

1466

00:58:29,510 --> 00:58:27,920

but i doubt i'm the first person you

1467

00:58:31,670 --> 00:58:29,520

know what i always love

1468

00:58:35,430 --> 00:58:31,680

i always love when they name conventions

1469

00:58:37,990 --> 00:58:35,440

con like alien con

1470

00:58:39,349 --> 00:58:38,000

i feel like oh truth in advertising

1471

00:58:41,510 --> 00:58:39,359

you're going to have people like carrie

1472

00:58:44,069 --> 00:58:41,520

cassidy and linda malton hale

1473

00:58:45,910 --> 00:58:44,079

and other people that are completely not

1474

00:58:51,270 --> 00:58:45,920

credible talking about aliens

1475

00:58:53,270 --> 00:58:51,280

yeah it's an alien con then right

1476

00:58:55,990 --> 00:58:53,280

six of design if you have an iq lower

1477

00:58:58,390 --> 00:58:56,000

than 33 can you still ascend i

1478

00:59:00,630 --> 00:58:58,400

have no idea but i don't i don't think

1479

00:59:01,829 --> 00:59:00,640

heaven throws uh stupid people out or

1480

00:59:05,589 --> 00:59:01,839

people that are mentally

1481

00:59:10,069 --> 00:59:05,599

uh you know handicapped so i don't see

1482

00:59:13,109 --> 00:59:12,390

ah jason quit is here boy they've really

1483

00:59:15,589 --> 00:59:13,119

been

1484

00:59:17,589 --> 00:59:15,599

they'll let anybody in this place and

1485

00:59:18,069 --> 00:59:17,599

they'll we will let anybody in our live

1486

00:59:21,990 --> 00:59:18,079

chat

1487

00:59:25,109 --> 00:59:22,000

even jason quit right it's an initiation

1488

00:59:28,069 --> 00:59:25,119

into this community to get fooled just

1489

00:59:30,069 --> 00:59:28,079

by a just okay sci-fi story writer from

1490

00:59:32,470 --> 00:59:30,079

a fraudulent ufo whistleblower but he

1491

00:59:35,349 --> 00:59:32,480

does say happy birthday yeah

1492

00:59:36,150 --> 00:59:35,359

where's my where's my maple syrup jason

1493

00:59:38,789 --> 00:59:36,160

quit

1494

00:59:39,589 --> 00:59:38,799

i was waiting for maple syrup from you

1495

00:59:41,910 --> 00:59:39,599

like

1496

00:59:42,870 --> 00:59:41,920

the fake canadian stuff there's no such

1497

00:59:45,030 --> 00:59:42,880

thing

1498

00:59:45,990 --> 00:59:45,040

i have a long-running conspiracy theory

1499

00:59:47,910 --> 00:59:46,000

that involves jason

1500

00:59:49,910 --> 00:59:47,920

quit there's no such thing as real

1501
00:59:52,870 --> 00:59:49,920
canadian maple syrup they

1502
00:59:54,630 --> 00:59:52,880
they import to cheap chinese stuff that

1503
00:59:56,950 --> 00:59:54,640
doesn't even have maple in it and they

1504
00:59:58,230 --> 00:59:56,960
slap a canadian label on it and then

1505
01:00:01,430 --> 00:59:58,240
they charge 50

1506
01:00:04,789 --> 01:00:01,440
for it that's what they do yeah it was

1507
01:00:07,910 --> 01:00:06,710
he's gonna send me the fake canadian

1508
01:00:12,309 --> 01:00:07,920
stuff good

1509
01:00:13,750 --> 01:00:12,319
yeah uh solar warden says another

1510
01:00:15,270 --> 01:00:13,760
eyeball question here when disclosure

1511
01:00:17,109 --> 01:00:15,280
happens and the report eventually comes

1512
01:00:18,870 --> 01:00:17,119
out what happens to the talking pieces

1513
01:00:21,750 --> 01:00:18,880

like elizondo and melon

1514

01:00:22,470 --> 01:00:21,760

do they stay in the lighter fade i think

1515

01:00:27,109 --> 01:00:22,480

those guys

1516

01:00:32,710 --> 01:00:30,630

i don't think they're going anywhere and

1517

01:00:34,230 --> 01:00:32,720

i don't think that that report is going

1518

01:00:36,710 --> 01:00:34,240

to have anything

1519

01:00:37,270 --> 01:00:36,720

of significant value in it it's being

1520

01:00:40,950 --> 01:00:37,280

rushed

1521

01:00:43,910 --> 01:00:40,960

i i have some sources telling me

1522

01:00:45,510 --> 01:00:43,920

by sources i mean uh people in the

1523

01:00:46,230 --> 01:00:45,520

department of defense let's just leave

1524

01:00:48,549 --> 01:00:46,240

it at that

1525

01:00:50,470 --> 01:00:48,559

uh but i have heard that there the

1526

01:00:52,470 --> 01:00:50,480

report is being rushed

1527

01:00:54,789 --> 01:00:52,480

there's only one person really working

1528

01:00:57,670 --> 01:00:54,799

on it he's only working on it part-time

1529

01:00:58,950 --> 01:00:57,680

it's not a huge priority for them i

1530

01:01:02,390 --> 01:00:58,960

don't think that this thing

1531

01:01:04,390 --> 01:01:02,400

is going to amount to much of anything

1532

01:01:06,069 --> 01:01:04,400

i'm still hopefully optimistic though i

1533

01:01:07,990 --> 01:01:06,079

hope hey

1534

01:01:10,150 --> 01:01:08,000

i hope they come out and say roswell was

1535

01:01:11,829 --> 01:01:10,160

real we lied about the aliens you know i

1536

01:01:15,190 --> 01:01:11,839

hope we get the full

1537

01:01:18,309 --> 01:01:15,200

full the full disclosure the big d

1538

01:01:20,150 --> 01:01:18,319

disclosure but i have a feeling

1539

01:01:22,309 --> 01:01:20,160

live with me is here says happy birthday

1540

01:01:24,150 --> 01:01:22,319

thank you i appreciate it very much

1541

01:01:25,349 --> 01:01:24,160

thank you for joining us here you are

1542

01:01:27,670 --> 01:01:25,359

most welcome

1543

01:01:29,910 --> 01:01:27,680

um i think this report is going to be a

1544

01:01:32,470 --> 01:01:29,920

big nothing burger and then i think

1545

01:01:34,150 --> 01:01:32,480

also eventually we're going to find out

1546

01:01:35,510 --> 01:01:34,160

that the stuff that corbell is leaking

1547

01:01:36,950 --> 01:01:35,520

is garbage

1548

01:01:39,030 --> 01:01:36,960

and then he's going to have some

1549

01:01:41,510 --> 01:01:39,040

explaining to do but he'll

1550

01:01:42,789 --> 01:01:41,520

he'll explain it away anonymous sources

1551
01:01:45,750 --> 01:01:42,799
you know

1552
01:01:47,030 --> 01:01:45,760
uh whatever i don't think that he even

1553
01:01:51,190 --> 01:01:47,040
if he gets caught

1554
01:01:54,309 --> 01:01:51,200
red-handed distributing this

1555
01:01:56,230 --> 01:01:54,319
stuff that is really of zero importance

1556
01:01:58,150 --> 01:01:56,240
i don't think he's going to have a maya

1557
01:02:01,109 --> 01:01:58,160
culpa or apologize or anything

1558
01:02:03,109 --> 01:02:01,119
i think he's just going to roll on with

1559
01:02:05,029 --> 01:02:03,119
a new fake story that he could go

1560
01:02:07,829 --> 01:02:05,039
genocide says the brown goo yes that

1561
01:02:10,230 --> 01:02:07,839
would be the canadian maple syrup

1562
01:02:12,069 --> 01:02:10,240
yes and spooky's here so the canadians

1563
01:02:13,750 --> 01:02:12,079

brainwashed me into believing the maple

1564

01:02:15,349 --> 01:02:13,760

syrup is the key

1565

01:02:17,190 --> 01:02:15,359

you know i don't know much about canada

1566

01:02:18,870 --> 01:02:17,200

but i know about the maple syrup i just

1567

01:02:22,470 --> 01:02:18,880

like to bust jason quits balls

1568

01:02:26,390 --> 01:02:24,789

renee you know what is bad you think

1569

01:02:29,109 --> 01:02:26,400

you're buying honey and find out is

1570

01:02:33,670 --> 01:02:29,119

honey flavored syrup yeah most honey

1571

01:02:36,230 --> 01:02:33,680

even you'd be surprised i buy honey

1572

01:02:36,950 --> 01:02:36,240

from a trusted source otherwise i get it

1573

01:02:39,670 --> 01:02:36,960

from a real

1574

01:02:41,829 --> 01:02:39,680

farm or a beekeeper that actually makes

1575

01:02:46,549 --> 01:02:41,839

real raw honey

1576

01:02:48,950 --> 01:02:46,559

my favorite honey is wildflower honey

1577

01:02:49,750 --> 01:02:48,960

i know of a farm that plants wildflowers

1578

01:02:51,430 --> 01:02:49,760

for miles

1579

01:02:53,029 --> 01:02:51,440

all around their property and then they

1580

01:02:56,470 --> 01:02:53,039

have the bees there

1581

01:02:57,829 --> 01:02:56,480

and you know the uh the bees run around

1582

01:02:59,510 --> 01:02:57,839

collecting sap from all these

1583

01:02:59,990 --> 01:02:59,520

wildflowers and then they make honey out

1584

01:03:01,990 --> 01:03:00,000

of it

1585

01:03:03,990 --> 01:03:02,000

it really does have its own distinct

1586

01:03:06,069 --> 01:03:04,000

flavor you know

1587

01:03:07,270 --> 01:03:06,079

uh the wildflower honey from regular

1588

01:03:10,069 --> 01:03:07,280

honey right

1589

01:03:11,750 --> 01:03:10,079

that's my favorite spooky says oh snap

1590

01:03:13,589 --> 01:03:11,760

happy birthday thank you very much and

1591

01:03:16,789 --> 01:03:13,599

again i want to thank so many people

1592

01:03:18,950 --> 01:03:16,799

i got 150 messages on facebook from

1593

01:03:20,309 --> 01:03:18,960

all around the world i mean literally

1594

01:03:21,829 --> 01:03:20,319

all over the world people were

1595

01:03:23,510 --> 01:03:21,839

wishing me a happy birthday makes me

1596

01:03:24,870 --> 01:03:23,520

feel great i had a great birthday with

1597

01:03:26,870 --> 01:03:24,880

my kids

1598

01:03:28,230 --> 01:03:26,880

don't ask me why but my son my

1599

01:03:29,910 --> 01:03:28,240

five-year-old

1600

01:03:32,710 --> 01:03:29,920

has been watching freddie and jason

1601

01:03:36,470 --> 01:03:32,720

lately and so for his birthday

1602

01:03:39,430 --> 01:03:36,480

he got a jason mask and a machete

1603

01:03:39,990 --> 01:03:39,440

and he made my wife buy me a freddy mask

1604

01:03:41,910 --> 01:03:40,000

and a hat

1605

01:03:43,190 --> 01:03:41,920

and whatever and now we gotta have a

1606

01:03:49,349 --> 01:03:43,200

battle

1607

01:03:52,630 --> 01:03:51,349

yeah spooky renee says spooky hope

1608

01:03:53,990 --> 01:03:52,640

you're feeling good yeah i heard you're

1609

01:03:55,349 --> 01:03:54,000

feeling a little under the weather hope

1610

01:03:56,710 --> 01:03:55,359

it's not uh

1611

01:03:59,029 --> 01:03:56,720

pandemic related and i hope you're

1612

01:04:00,470 --> 01:03:59,039

feeling better

1613

01:04:02,309 --> 01:04:00,480

aj how many times have you asked

1614

01:04:03,829 --> 01:04:02,319

alexander for an interview i think eight

1615

01:04:07,430 --> 01:04:03,839

times now

1616

01:04:09,430 --> 01:04:07,440

and i'll keep asking until i get one

1617

01:04:11,349 --> 01:04:09,440

and you know what's interesting to me is

1618

01:04:14,470 --> 01:04:11,359

that he's been on shows that have

1619

01:04:17,670 --> 01:04:14,480

much much smaller audiences than me

1620

01:04:19,750 --> 01:04:17,680

um and those type of shows i don't know

1621

01:04:21,670 --> 01:04:19,760

most of the you know people accuse me on

1622

01:04:23,109 --> 01:04:21,680

twitter who said what hard questions are

1623

01:04:24,950 --> 01:04:23,119

you going to ask well i'm not going to

1624

01:04:27,029 --> 01:04:24,960

spill the beans

1625

01:04:28,710 --> 01:04:27,039

about any information that i have that i

1626
01:04:29,670 --> 01:04:28,720
would like to ask him about until i get

1627
01:04:31,829 --> 01:04:29,680
him here

1628
01:04:33,430 --> 01:04:31,839
and ask him respectfully man-to-man look

1629
01:04:34,390 --> 01:04:33,440
them in the eye and ask some questions

1630
01:04:35,990 --> 01:04:34,400
right

1631
01:04:37,589 --> 01:04:36,000
so i'm not going to spill the beans

1632
01:04:39,270 --> 01:04:37,599
about what questions i'm going to ask

1633
01:04:40,150 --> 01:04:39,280
them but i guarantee i'm going to ask

1634
01:04:41,829 --> 01:04:40,160
harder questions

1635
01:04:43,029 --> 01:04:41,839
and all these people that softball and

1636
01:04:45,349 --> 01:04:43,039
some of these interviews seem like

1637
01:04:48,710 --> 01:04:45,359
they're being run by his fan club

1638
01:04:49,190 --> 01:04:48,720

they really do and uh i've recently been

1639

01:04:50,870 --> 01:04:49,200

given

1640

01:04:52,470 --> 01:04:50,880

some new contact information that's

1641

01:04:52,789 --> 01:04:52,480

supposed to be the person that books his

1642

01:04:55,430 --> 01:04:52,799

uh

1643

01:04:56,309 --> 01:04:55,440

interview so i'm going to reach out

1644

01:04:58,390 --> 01:04:56,319

somebody in the

1645

01:05:00,309 --> 01:04:58,400

twitch chat is inviting people to buy

1646

01:05:02,390 --> 01:05:00,319

followers

1647

01:05:03,349 --> 01:05:02,400

yeah that never works out want to become

1648

01:05:05,670 --> 01:05:03,359

famous

1649

01:05:09,750 --> 01:05:05,680

buy followers primes and viewers no

1650

01:05:13,190 --> 01:05:09,760

thanks no thank you

1651

01:05:16,789 --> 01:05:15,670

yeah so uh you know it is what it is if

1652

01:05:18,549 --> 01:05:16,799

i get an interview

1653

01:05:20,230 --> 01:05:18,559

i will reach out to the person that does

1654

01:05:22,710 --> 01:05:20,240

apparently does his bookings

1655

01:05:24,789 --> 01:05:22,720

and ask them and that will be the ninth

1656

01:05:26,870 --> 01:05:24,799

time you know

1657

01:05:29,109 --> 01:05:26,880

jason quit has i have sweet in this show

1658

01:05:31,510 --> 01:05:29,119

now we were talking about natural sugars

1659

01:05:32,789 --> 01:05:31,520

yeah i gotta quit white sugar jason i'm

1660

01:05:35,510 --> 01:05:32,799

really gonna try

1661

01:05:37,829 --> 01:05:35,520

but i really like iced tea and uh iced

1662

01:05:39,990 --> 01:05:37,839

tea with honey in it is just like

1663

01:05:41,589 --> 01:05:40,000

i don't know it tastes weird right but i

1664

01:05:43,430 --> 01:05:41,599

could get i'm sure i could get used to

1665

01:05:44,230 --> 01:05:43,440

it i'm sure i could get used to it i'm

1666

01:05:46,950 --> 01:05:44,240

going to try it

1667

01:05:47,990 --> 01:05:46,960

more and honey downstairs maybe i'll try

1668

01:05:51,829 --> 01:05:48,000

that

1669

01:05:54,069 --> 01:05:51,839

i really have to do well really three

1670

01:05:57,270 --> 01:05:54,079

i have to quit white sugar i have to

1671

01:05:58,950 --> 01:05:57,280

quit smoking tobacco in favor of vapes

1672

01:06:00,549 --> 01:05:58,960

which is much healthier choice i don't

1673

01:06:02,309 --> 01:06:00,559

care what anybody tells me about vapes

1674

01:06:02,789 --> 01:06:02,319

when i was vaping i could run i could

1675

01:06:06,470 --> 01:06:02,799

jog

1676

01:06:08,390 --> 01:06:06,480

i was much much healthier um tobacco is

1677

01:06:10,789 --> 01:06:08,400

the devil

1678

01:06:12,390 --> 01:06:10,799

and uh maybe i got equator cut down on

1679

01:06:14,309 --> 01:06:12,400

drinking as well

1680

01:06:16,549 --> 01:06:14,319

i've been talking about doing this 75

1681

01:06:17,589 --> 01:06:16,559

hard which is a fitness program where

1682

01:06:20,470 --> 01:06:17,599

you don't drink any

1683

01:06:23,349 --> 01:06:20,480

alcohol and you have a sensible diet and

1684

01:06:26,390 --> 01:06:23,359

you exercise twice a day for 45 minutes

1685

01:06:29,829 --> 01:06:26,400

i dropped so much weight

1686

01:06:33,270 --> 01:06:29,839

i dropped like 20 pounds

1687

01:06:34,630 --> 01:06:33,280

easily and i got a spare tire right i'm

1688

01:06:37,349 --> 01:06:34,640

starting to look like a dad

1689

01:06:39,029 --> 01:06:37,359

with a dad bod and i don't like it and

1690

01:06:41,029 --> 01:06:39,039

it's interesting like

1691

01:06:42,710 --> 01:06:41,039

you know i was thinking the other day

1692

01:06:44,870 --> 01:06:42,720

it's like i know why people

1693

01:06:46,069 --> 01:06:44,880

uh continue to put on weight because

1694

01:06:47,670 --> 01:06:46,079

they just decide they're okay

1695

01:06:49,270 --> 01:06:47,680

with putting on a little weight and then

1696

01:06:51,990 --> 01:06:49,280

they put on more and i

1697

01:06:52,870 --> 01:06:52,000

i'm not okay with that so and i have a

1698

01:06:59,029 --> 01:06:52,880

big

1699

01:07:01,270 --> 01:06:59,039

that i will never be fat vince neil

1700

01:07:02,069 --> 01:07:01,280

you guys ever seen fat vince neil it's

1701

01:07:04,549 --> 01:07:02,079

not good

1702

01:07:06,390 --> 01:07:04,559

right you still look good that big right

1703

01:07:08,150 --> 01:07:06,400

i would look terrible that big

1704

01:07:09,670 --> 01:07:08,160

i look terrible with the spare tire i

1705

01:07:11,109 --> 01:07:09,680

got but luckily

1706

01:07:13,349 --> 01:07:11,119

for this show we only showed me from

1707

01:07:15,029 --> 01:07:13,359

here up so i got time i could work it

1708

01:07:18,630 --> 01:07:15,039

out

1709

01:07:20,870 --> 01:07:18,640

yeah yeah so

1710

01:07:22,789 --> 01:07:20,880

you know i wanted to come and uh give

1711

01:07:24,870 --> 01:07:22,799

you guys some time here and spend

1712

01:07:26,390 --> 01:07:24,880

and actually i just spent the last hour

1713

01:07:28,630 --> 01:07:26,400

of my birthday with you guys

1714

01:07:29,589 --> 01:07:28,640

so uh thanks for the love and the

1715

01:07:31,109 --> 01:07:29,599

kindness and

1716

01:07:32,630 --> 01:07:31,119

the generosity and the support of the

1717

01:07:33,270 --> 01:07:32,640

show and everybody wishing me a happy

1718

01:07:35,589 --> 01:07:33,280

birthday

1719

01:07:37,750 --> 01:07:35,599

i i wanted to give back and spend the

1720

01:07:39,750 --> 01:07:37,760

last hour of my birthday with you guys

1721

01:07:41,349 --> 01:07:39,760

it's now midnight it's no longer my

1722

01:07:43,109 --> 01:07:41,359

birthday but uh

1723

01:07:45,349 --> 01:07:43,119

boy i had a good one today i had a

1724

01:07:47,829 --> 01:07:45,359

memorable one right

1725

01:07:49,589 --> 01:07:47,839

alien scientist says fat axel rose too

1726

01:07:51,349 --> 01:07:49,599

yeah both of those things don't look

1727

01:07:52,710 --> 01:07:51,359

good right so i used to run

1728

01:07:54,549 --> 01:07:52,720

i'm not kidding i had a friend who did

1729

01:07:55,510 --> 01:07:54,559

this too jeremy he but he's a rock

1730

01:07:57,589 --> 01:07:55,520

singer

1731

01:07:59,190 --> 01:07:57,599

and he would run on a treadmill i swear

1732

01:08:01,829 --> 01:07:59,200

to god and he would say

1733

01:08:03,109 --> 01:08:01,839

i will not be fat vince neil i will not

1734

01:08:04,950 --> 01:08:03,119

be fat vince neil

1735

01:08:06,549 --> 01:08:04,960

while he's running on i went to the gym

1736

01:08:07,510 --> 01:08:06,559

with him and he's running on a treadmill

1737

01:08:09,829 --> 01:08:07,520

next to me going

1738

01:08:13,349 --> 01:08:09,839

i will not be fat vince neil i will not

1739

01:08:19,189 --> 01:08:16,789

yeah lee veltman says all good

1740

01:08:21,110 --> 01:08:19,199

podcasters are in their boxers actually

1741

01:08:24,229 --> 01:08:21,120

i got pajama bottoms on

1742

01:08:25,349 --> 01:08:24,239

just so you know and a t-shirt yeah i'm

1743

01:08:29,269 --> 01:08:25,359

really slobbering it

1744

01:08:33,189 --> 01:08:31,110

renee i didn't know did sebastian bach

1745

01:08:34,950 --> 01:08:33,199

get fat too yeah i mean it happens you

1746

01:08:36,630 --> 01:08:34,960

get older and it becomes much harder to

1747

01:08:38,550 --> 01:08:36,640

keep weight off right

1748

01:08:40,550 --> 01:08:38,560

you drink a little bit you eat a little

1749

01:08:41,269 --> 01:08:40,560

bit and imagine after you have millions

1750

01:08:44,309 --> 01:08:41,279

of dollars

1751

01:08:46,390 --> 01:08:44,319

you can eat whatever you want right i've

1752

01:08:47,829 --> 01:08:46,400

eaten cherry pie for dinner every day or

1753

01:08:49,189 --> 01:08:47,839

cheesecake for breakfast

1754

01:08:50,870 --> 01:08:49,199

i don't think that would be a very

1755

01:08:53,749 --> 01:08:50,880

healthy diet for me but if i had that

1756

01:08:55,910 --> 01:08:53,759

kind of cash

1757

01:08:57,269 --> 01:08:55,920

no i maybe i would try actually you know

1758

01:08:59,910 --> 01:08:57,279

what's funny is

1759

01:09:01,590 --> 01:08:59,920

it's actually it's actually people who

1760

01:09:03,669 --> 01:09:01,600

are more affluent and have

1761

01:09:05,510 --> 01:09:03,679

more money that have an opportunity to

1762

01:09:07,189 --> 01:09:05,520

eat healthier because

1763

01:09:08,550 --> 01:09:07,199

healthy food is much more expensive

1764

01:09:10,950 --> 01:09:08,560

that's why poor people

1765

01:09:11,829 --> 01:09:10,960

you know suffer from diabetes at a rate

1766

01:09:14,789 --> 01:09:11,839

five times

1767

01:09:17,030 --> 01:09:14,799

uh that of people with money you know

1768

01:09:20,309 --> 01:09:17,040

because they're eating mcdonald's and

1769

01:09:22,789 --> 01:09:20,319

fast food and cheap stuff hot dogs and

1770

01:09:24,229 --> 01:09:22,799

processed foods

1771

01:09:25,749 --> 01:09:24,239

when i start this new diet i'm going to

1772

01:09:26,309 --> 01:09:25,759

make it a point to try to make eat as

1773

01:09:29,030 --> 01:09:26,319

much

1774

01:09:30,550 --> 01:09:29,040

salad and fruit and raw food as possible

1775

01:09:32,229 --> 01:09:30,560

right

1776

01:09:34,470 --> 01:09:32,239

and just have a sensible dinner that was

1777

01:09:37,030 --> 01:09:34,480

the diet i was on before it was like

1778

01:09:39,030 --> 01:09:37,040

it wasn't that hard to do but uh i i'm

1779

01:09:39,829 --> 01:09:39,040

not big on sweet tooth but i'm big on

1780

01:09:43,110 --> 01:09:39,839

beer

1781

01:09:46,070 --> 01:09:43,120

right yeah and i saw one says i'm sure

1782

01:09:46,470 --> 01:09:46,080

having a family keeps you busy too yeah

1783

01:09:48,550 --> 01:09:46,480

yeah

1784

01:09:52,950 --> 01:09:48,560

i'm running around after two kids five

1785

01:09:58,149 --> 01:09:56,310

yeah that keeps me yeah alien science is

1786

01:10:01,510 --> 01:09:58,159

processed garbage yeah i don't like

1787

01:10:01,520 --> 01:10:05,669

excuse me

1788

01:10:10,390 --> 01:10:08,790

i don't like generally i don't like

1789

01:10:14,149 --> 01:10:10,400

frozen foods and

1790

01:10:14,790 --> 01:10:14,159

processed foods but i did just have hot

1791

01:10:16,709 --> 01:10:14,800

dogs

1792

01:10:18,229 --> 01:10:16,719

alien scientists but i had the good ones

1793

01:10:21,990 --> 01:10:18,239

with the natural casings

1794

01:10:25,110 --> 01:10:22,000

like the really good deadly hot dogs

1795

01:10:27,110 --> 01:10:25,120

you know but i generally

1796

01:10:28,950 --> 01:10:27,120

i'm not a big fan of too many uh too

1797

01:10:30,870 --> 01:10:28,960

many frozen or processed foods i'd much

1798

01:10:31,510 --> 01:10:30,880

rather get fresh ingredients and make a

1799

01:10:33,110 --> 01:10:31,520

meal

1800

01:10:35,830 --> 01:10:33,120

you know but that's time consuming as

1801

01:10:38,310 --> 01:10:35,840

well sometimes i'm lazy

1802

01:10:40,070 --> 01:10:38,320

big fan of the pizza lately but homemade

1803

01:10:41,110 --> 01:10:40,080

pizza but i make it with either nan

1804

01:10:47,350 --> 01:10:41,120

bread

1805

01:10:50,149 --> 01:10:48,790

and i'm not sure all those carbs are

1806

01:10:51,270 --> 01:10:50,159

good for you but it's better for you

1807

01:10:53,830 --> 01:10:51,280

than

1808

01:10:55,830 --> 01:10:53,840

processed garbage food you know and also

1809

01:10:58,790 --> 01:10:55,840

i've noticed lately

1810

01:11:00,310 --> 01:10:58,800

uh alien scientists i'm so cheap like i

1811

01:11:01,990 --> 01:11:00,320

went to burger king and i hadn't been

1812

01:11:03,430 --> 01:11:02,000

there in like two years or had a meal

1813

01:11:05,030 --> 01:11:03,440

from burger king in like two years but

1814

01:11:07,030 --> 01:11:05,040

there's one near the cabin

1815

01:11:08,870 --> 01:11:07,040

and i got a meal that was it was like

1816

01:11:10,709 --> 01:11:08,880

two double cheeseburgers fries and a

1817

01:11:14,390 --> 01:11:10,719

soda and it was like 12

1818

01:11:16,550 --> 01:11:14,400

and i was hungry an hour later so uh

1819

01:11:17,669 --> 01:11:16,560

i don't know not a big fan of fast food

1820

01:11:19,669 --> 01:11:17,679

either like

1821

01:11:21,270 --> 01:11:19,679

i like to get a pizza or cheesesteak

1822

01:11:24,390 --> 01:11:21,280

once in a while but

1823

01:11:26,870 --> 01:11:24,400

you know and i'm i don't know

1824

01:11:28,870 --> 01:11:26,880

we don't eat out very much here yeah

1825

01:11:30,550 --> 01:11:28,880

alien scientist says pizza and beer

1826
01:11:32,470 --> 01:11:30,560
those are my two biggest problems which

1827
01:11:34,550 --> 01:11:32,480
is probably what this entire

1828
01:11:35,510 --> 01:11:34,560
spare tire i'm carrying around is made

1829
01:11:40,310 --> 01:11:35,520
out of pizza

1830
01:11:42,229 --> 01:11:40,320
and beer absolutely yeah

1831
01:11:45,750 --> 01:11:42,239
macaden says pizza is the most addictive

1832
01:11:49,270 --> 01:11:47,669
six of design says i rarely if ever get

1833
01:11:50,630 --> 01:11:49,280
sick eat balance and never starve

1834
01:11:52,229 --> 01:11:50,640
yourself trying to lose weight that's

1835
01:11:55,189 --> 01:11:52,239
the worst thing you could do

1836
01:11:56,550 --> 01:11:55,199
now generally uh six six cents every

1837
01:11:59,270 --> 01:11:56,560
time i've lost weight

1838
01:12:01,430 --> 01:11:59,280

i ate more but i eat healthier i eat

1839

01:12:01,990 --> 01:12:01,440

like two salads a day and a bunch of

1840

01:12:05,510 --> 01:12:02,000

fruit

1841

01:12:07,830 --> 01:12:05,520

and you know i actually eat more i just

1842

01:12:09,430 --> 01:12:07,840

don't eat a lot of carbs generally i'll

1843

01:12:11,430 --> 01:12:09,440

cut carbs and that's what

1844

01:12:13,189 --> 01:12:11,440

that's what drops the weight for me and

1845

01:12:17,189 --> 01:12:13,199

of course cutting carbs means cutting

1846

01:12:22,070 --> 01:12:20,390

science says uh cooked meals is your

1847

01:12:23,830 --> 01:12:22,080

best bet processed foods are loaded with

1848

01:12:24,630 --> 01:12:23,840

junk yeah and preservatives and stuff

1849

01:12:26,310 --> 01:12:24,640

like that

1850

01:12:28,070 --> 01:12:26,320

the solar warden says i could eat pizza

1851

01:12:30,310 --> 01:12:28,080

daily for life yeah and it'd be 800

1852

01:12:32,310 --> 01:12:30,320

pounds

1853

01:12:33,990 --> 01:12:32,320

yeah so listen i want to thank everybody

1854

01:12:35,350 --> 01:12:34,000

for coming tonight i'm always happy when

1855

01:12:36,870 --> 01:12:35,360

there's an audience and i want to thank

1856

01:12:38,390 --> 01:12:36,880

you very much for coming here tonight

1857

01:12:40,310 --> 01:12:38,400

and being a part of mine

1858

01:12:42,070 --> 01:12:40,320

especially for my birthday i'm glad that

1859

01:12:44,310 --> 01:12:42,080

i got to spend the last hour of my

1860

01:12:47,830 --> 01:12:44,320

birthday this year with you guys

1861

01:12:50,790 --> 01:12:47,840

no place that i would rather be right

1862

01:12:52,470 --> 01:12:50,800

so i thank you all for joining me uh i'm

1863

01:12:53,270 --> 01:12:52,480

glad that you could come and spend some

1864

01:12:55,590 --> 01:12:53,280

time with me

1865

01:12:57,189 --> 01:12:55,600

especially today on my birthday until

1866

01:12:58,149 --> 01:12:57,199

next time friends my name is stephen

1867

01:13:00,310 --> 01:12:58,159

campion

1868

01:13:02,390 --> 01:13:00,320

we'll be back tomorrow at 9 00 pm

1869

01:13:02,790 --> 01:13:02,400

eastern standard time and hopefully all

1870

01:13:05,110 --> 01:13:02,800

week

1871

01:13:06,870 --> 01:13:05,120

at 9 00 pm eastern standard time so

1872

01:13:08,709 --> 01:13:06,880

until next time friends

1873

01:13:30,830 --> 01:13:08,719

my name is stephen cambion good night

1874

01:14:04,350 --> 01:13:32,320

so

1875

01:14:43,550 --> 01:14:11,930

[Music]

1876

01:15:09,910 --> 01:14:43,560

[Applause]

1877

01:15:13,030 --> 01:15:12,709

hello again friends and sorry about that

1878

01:15:18,310 --> 01:15:13,040

uh

1879

01:15:19,750 --> 01:15:18,320

didn't mention this and this is very

1880

01:15:22,870 --> 01:15:19,760

important uh our show is

1881

01:15:24,229 --> 01:15:22,880

being broadcast live on youtube twitch

1882

01:15:26,070 --> 01:15:24,239

and facebook

1883

01:15:28,070 --> 01:15:26,080

but for the benefit of those that are

1884

01:15:30,709 --> 01:15:28,080

listening on apple podcast speaker

1885

01:15:33,350 --> 01:15:30,719

spotify i heart radio google podcast

1886

01:15:35,510 --> 01:15:33,360

amazon music cast box deezer podcast

1887

01:15:38,709 --> 01:15:35,520

addict pod chaser

1888

01:15:39,669 --> 01:15:38,719

geosaven and other audio distribution

1889

01:15:42,229 --> 01:15:39,679

points

1890

01:15:42,790 --> 01:15:42,239

you are most welcome to find us here on

1891

01:15:44,790 --> 01:15:42,800

youtube

1892

01:15:46,229 --> 01:15:44,800

just search for truth seekers look for

1893

01:15:48,149 --> 01:15:46,239

that weird looking guy with the

1894

01:15:49,990 --> 01:15:48,159

sunglasses and the dark hair

1895

01:15:53,110 --> 01:15:50,000

that would be me your host stephen

1896

01:15:55,110 --> 01:15:53,120

cambion and uh come and subscribe

1897

01:15:57,030 --> 01:15:55,120

here on youtube you could take part in

1898

01:15:57,830 --> 01:15:57,040

the live chat the live discussions that

1899

01:16:00,550 --> 01:15:57,840

we have here

1900

01:16:02,070 --> 01:16:00,560

during every live broadcast also please

1901

01:16:05,669 --> 01:16:02,080

be sure to follow me

1902

01:16:08,630 --> 01:16:05,679

at stevencambian on twitter there

1903

01:16:10,550 --> 01:16:08,640

you will always know about every show i

1904

01:16:11,669 --> 01:16:10,560

post every show i do before the show

1905

01:16:14,470 --> 01:16:11,679

goes live

1906

01:16:16,070 --> 01:16:14,480

uh sometimes not very long but i'm

1907

01:16:17,189 --> 01:16:16,080

trying to work on that and get a more

1908

01:16:18,790 --> 01:16:17,199

set schedule

1909

01:16:20,630 --> 01:16:18,800

so if you're listening on all these

1910

01:16:21,990 --> 01:16:20,640

audio podcast networks remember that

1911

01:16:23,430 --> 01:16:22,000

you're hearing a replay

1912

01:16:25,189 --> 01:16:23,440

if you want to take part in the live

1913

01:16:26,390 --> 01:16:25,199

chat in a live discussion you're most

1914

01:16:28,630 --> 01:16:26,400

welcome here

1915

01:16:29,910 --> 01:16:28,640

just find us on youtube just search for

1916

01:16:33,110 --> 01:16:29,920

truth seekers

1917

01:16:34,510 --> 01:16:33,120

we're probably the first that pops up

1918

01:16:36,470 --> 01:16:34,520

and follow me on twitter at

1919

01:16:39,750 --> 01:16:36,480

steven cambian

1920

01:16:40,550 --> 01:16:39,760

uh and please do like comment and

1921

01:16:43,110 --> 01:16:40,560

subscribe

1922

01:16:43,669 --> 01:16:43,120

on these videos it really does help if

1923

01:16:46,149 --> 01:16:43,679

you could

1924

01:16:48,709 --> 01:16:46,159

smash that like button share these

1925

01:16:50,310 --> 01:16:48,719

videos on your social media it raises us

1926

01:16:51,750 --> 01:16:50,320

in the search engine comment on the

1927

01:16:54,390 --> 01:16:51,760

video it helps us with

1928

01:16:55,510 --> 01:16:54,400

engagement helps us rise in the search

1929

01:16:58,630 --> 01:16:55,520

engines

1930

01:17:00,709 --> 01:16:58,640

i'm coming here every day for surely if

1931

01:17:01,189 --> 01:17:00,719

i water this garden this garden would

1932

01:17:03,430 --> 01:17:01,199

grow

1933

01:17:04,470 --> 01:17:03,440

and i'd appreciate anybody helping me

1934

01:17:07,110 --> 01:17:04,480

water this garden

1935

01:17:08,229 --> 01:17:07,120

and helping it to grow you are most

1936

01:17:11,750 --> 01:17:08,239

welcome

1937

01:17:12,950 --> 01:17:11,760

uh so until next time uh thank you guys

1938

01:17:14,630 --> 01:17:12,960

for joining us

1939

01:17:16,149 --> 01:17:14,640

please follow me on twitter you can find

1940

01:17:18,630 --> 01:17:16,159

me on facebook

1941

01:17:19,590 --> 01:17:18,640

and some other social media as well but

1942

01:17:21,990 --> 01:17:19,600

the best place

1943

01:17:23,030 --> 01:17:22,000

to hear about new shows really is on

1944

01:17:25,910 --> 01:17:23,040

twitter

1945

01:17:27,590 --> 01:17:25,920

otherwise uh if you subscribe on youtube

1946

01:17:28,070 --> 01:17:27,600

make sure that you hit that notification

1947

01:17:30,229 --> 01:17:28,080

bell

1948

01:17:31,910 --> 01:17:30,239

and you'll be notified every time we go

1949

01:17:33,110 --> 01:17:31,920

live at least in theory that's the way

1950

01:17:34,790 --> 01:17:33,120

it's supposed to work i hear a lot of

1951

01:17:36,630 --> 01:17:34,800

people aren't getting notifications so i

1952

01:17:38,070 --> 01:17:36,640

tell people follow me on twitter and i

1953

01:17:40,790 --> 01:17:38,080

post the shows

1954

01:17:42,950 --> 01:17:40,800

um before we do the live shows but for

1955

01:17:44,149 --> 01:17:42,960

the coming week we will be doing a live

1956

01:17:46,790 --> 01:17:44,159

show

1957

01:17:49,189 --> 01:17:46,800

on youtube facebook and twitch at 9 00

1958

01:18:10,390 --> 01:17:49,199

pm eastern standard time and you are

1959

01:19:08,030 --> 01:18:18,500

[Music]

1960

01:19:33,030 --> 01:19:08,040

[Applause]

1961

01:19:35,000 --> 01:19:33,040

[Music]

1962

01:20:03,190 --> 01:19:35,010

[Applause]

1963

01:20:04,190 --> 01:20:03,200

[Music]
