

1  
00:00:27,200 --> 00:00:26,590  
[Music]

2  
00:00:36,520 --> 00:00:27,210  
[Applause]

3  
00:02:20,830 --> 00:00:36,530  
[Music]

4  
00:02:52,730 --> 00:02:22,450  
so

5  
00:02:52,740 --> 00:03:02,830  
[Music]

6  
00:03:02,840 --> 00:03:07,720  
so

7  
00:03:18,370 --> 00:03:16,830  
[Music]

8  
00:03:26,720 --> 00:03:18,380  
so

9  
00:04:08,550 --> 00:04:01,970  
[Music]

10  
00:04:11,670 --> 00:04:11,350  
greetings and salutations and welcome

11  
00:04:15,270 --> 00:04:11,680  
back

12  
00:04:19,030 --> 00:04:15,280  
friends uh tonight i thought we would uh

13  
00:04:22,629 --> 00:04:19,040

sort of continue uh our coverage of one

14

00:04:25,030 --> 00:04:22,639

emery smith previously here we covered

15

00:04:27,590 --> 00:04:25,040

uh a time in which his former

16

00:04:31,590 --> 00:04:27,600

father-in-law of sorts the father of his

17

00:04:34,950 --> 00:04:34,550

this man created a youtube account

18

00:04:38,150 --> 00:04:34,960

called

19

00:04:43,270 --> 00:04:41,030

and his former father-in-law detailed

20

00:04:44,629 --> 00:04:43,280

all the many ways that emery smith was a

21

00:04:48,550 --> 00:04:44,639

complete and total

22

00:04:51,909 --> 00:04:48,560

fraud great from

23

00:04:54,950 --> 00:04:51,919

staging deep state attacks in his home

24

00:04:58,469 --> 00:04:54,960

to solicit people for paypal donations

25

00:05:01,110 --> 00:04:58,479

to other scammy stuff

26

00:05:02,230 --> 00:05:01,120

his father-in-law had the goods on him

27

00:05:04,790 --> 00:05:02,240

but

28

00:05:06,070 --> 00:05:04,800

as luck would have it his father-in-law

29

00:05:09,909 --> 00:05:06,080

pulled his entire

30

00:05:11,510 --> 00:05:09,919

uh youtube channel down last night heard

31

00:05:13,590 --> 00:05:11,520

uh i do have some of that

32

00:05:15,670 --> 00:05:13,600

archives but didn't think to archive all

33

00:05:17,830 --> 00:05:15,680

of it but now

34

00:05:19,189 --> 00:05:17,840

now we get another person close to emery

35

00:05:22,230 --> 00:05:19,199

smith who is coming out

36

00:05:25,990 --> 00:05:22,240

and spilling his secrets and oh

37

00:05:29,830 --> 00:05:26,000

what a juicy bunch of secrets this is

38

00:05:32,950 --> 00:05:29,840

uh first of all this is a crazy story

39

00:05:35,350 --> 00:05:32,960

because this girl very attractive girl

40

00:05:36,230 --> 00:05:35,360

um she has a youtube channel called

41

00:05:39,110 --> 00:05:36,240

vanilla sky

42

00:05:40,070 --> 00:05:39,120

dreaming and she is a instagram

43

00:05:44,710 --> 00:05:40,080

influencer

44

00:05:48,310 --> 00:05:44,720

among other things and travel blogger

45

00:05:50,310 --> 00:05:48,320

uh so she gets to know emery smith

46

00:05:52,710 --> 00:05:50,320

through his q and a's you know there's q

47

00:05:55,909 --> 00:05:52,720

and a's that you gotta pay for

48

00:05:56,469 --> 00:05:55,919

and suddenly emery smith is the love of

49

00:05:58,309 --> 00:05:56,479

her life

50

00:05:59,510 --> 00:05:58,319

and they get engaged without ever

51  
00:06:02,230 --> 00:05:59,520  
meeting i believe

52  
00:06:02,870 --> 00:06:02,240  
of course later meet and it all goes

53  
00:06:05,270 --> 00:06:02,880  
south

54  
00:06:07,270 --> 00:06:05,280  
and this poor girl you know i feel sorry

55  
00:06:08,070 --> 00:06:07,280  
for her in some ways but in other ways i

56  
00:06:09,909 --> 00:06:08,080  
don't

57  
00:06:11,990 --> 00:06:09,919  
in some ways i feel sorry for her

58  
00:06:14,309 --> 00:06:12,000  
because she truly believed that

59  
00:06:15,670 --> 00:06:14,319  
all this [h\_\_\h] that emery smith was

60  
00:06:18,469 --> 00:06:15,680  
peddling at her

61  
00:06:20,629 --> 00:06:18,479  
was real and he psychologically

62  
00:06:23,670 --> 00:06:20,639  
manipulates her

63  
00:06:26,629 --> 00:06:23,680

you know acts like he he literally tells

64

00:06:28,390 --> 00:06:26,639

her that he's going on secret missions

65

00:06:30,230 --> 00:06:28,400

and that's why he can't call her every

66

00:06:31,430 --> 00:06:30,240

day because he can't take his secret

67

00:06:33,029 --> 00:06:31,440

missions

68

00:06:35,749 --> 00:06:33,039

he can't take his cell phone on the

69

00:06:38,710 --> 00:06:35,759

secret missions you know

70

00:06:40,390 --> 00:06:38,720

just hearing this girl detail some of

71

00:06:43,510 --> 00:06:40,400

the stuff that emery smith

72

00:06:44,870 --> 00:06:43,520

put her through and told her uh leaves

73

00:06:48,309 --> 00:06:44,880

me with even

74

00:06:48,710 --> 00:06:48,319

more disdain for this guy and it should

75

00:06:53,430 --> 00:06:48,720

be

76

00:06:56,150 --> 00:06:53,440

involved in multiple scams

77

00:06:56,950 --> 00:06:56,160

first of all he was a big backer of the

78

00:07:02,150 --> 00:06:56,960

atacama

79

00:07:03,189 --> 00:07:02,160

humanoid scam remember that one right he

80

00:07:07,589 --> 00:07:03,199

helped

81

00:07:13,189 --> 00:07:10,870

and we have previously covered the

82

00:07:16,230 --> 00:07:13,199

paypal donation scam

83

00:07:17,990 --> 00:07:16,240

uh where he pretended that the deep

84

00:07:19,510 --> 00:07:18,000

state attacked his home and left a

85

00:07:23,510 --> 00:07:19,520

bullet on the counter and

86

00:07:26,390 --> 00:07:23,520

ransacked his house it turns out

87

00:07:27,990 --> 00:07:26,400

according to his father-in-law or you

88

00:07:29,350 --> 00:07:28,000

know pseudo father-in-law

89

00:07:31,270 --> 00:07:29,360

i don't know what the proper word for

90

00:07:32,469 --> 00:07:31,280

his girlfriend his longtime living

91

00:07:35,350 --> 00:07:32,479

girlfriend's father

92

00:07:37,189 --> 00:07:35,360

according to him points on the curve

93

00:07:39,670 --> 00:07:37,199

emery smith

94

00:07:41,830 --> 00:07:39,680

wasn't attacked by the deep state and he

95

00:07:43,909 --> 00:07:41,840

wasn't hospitalized because of an attack

96

00:07:45,909 --> 00:07:43,919

from the deep state he was hospitalized

97

00:07:47,270 --> 00:07:45,919

because he went on an alcoholic bender

98

00:07:49,110 --> 00:07:47,280

for two days straight

99

00:07:51,830 --> 00:07:49,120

and ended up in the hospital with

100

00:07:53,830 --> 00:07:51,840

alcohol poisoning

101  
00:07:56,070 --> 00:07:53,840  
didn't stop him and david wilcock from

102  
00:07:58,230 --> 00:07:56,080  
collecting those paypal donations though

103  
00:08:01,110 --> 00:07:58,240  
did it

104  
00:08:01,670 --> 00:08:01,120  
interestingly i couldn't find the time

105  
00:08:04,390 --> 00:08:01,680  
stamp

106  
00:08:05,670 --> 00:08:04,400  
but uh one of the one of my notes here

107  
00:08:08,950 --> 00:08:05,680  
which is the most

108  
00:08:10,869 --> 00:08:08,960  
uh really damaging evidence against him

109  
00:08:14,150 --> 00:08:10,879  
as far as a criminal nature

110  
00:08:16,070 --> 00:08:14,160  
i believe is that this girl who would

111  
00:08:19,589 --> 00:08:16,080  
later become his

112  
00:08:21,830 --> 00:08:19,599  
uh fiance details that during the first

113  
00:08:24,790 --> 00:08:21,840

q a that she attended and paid for

114

00:08:25,350 --> 00:08:24,800

to attend with emory smith emery smith

115

00:08:27,749 --> 00:08:25,360

claimed

116

00:08:28,869 --> 00:08:27,759

in the q a that he was working for

117

00:08:32,070 --> 00:08:28,879

donald trump

118

00:08:34,630 --> 00:08:32,080

developing treatments

119

00:08:36,149 --> 00:08:34,640

for the current health crisis i'm going

120

00:08:39,269 --> 00:08:36,159

to say that again

121

00:08:41,029 --> 00:08:39,279

he takes money from people

122

00:08:43,110 --> 00:08:41,039

who want to ask him questions like you

123

00:08:46,150 --> 00:08:43,120

can't ask emery smith questions unless

124

00:08:51,910 --> 00:08:49,990

special person you know it's so funny to

125

00:08:52,949 --> 00:08:51,920

me the common traits of these

126

00:08:54,470 --> 00:08:52,959

narcissistic

127

00:08:58,389 --> 00:08:54,480

[h\_\_\h] and that's what they are

128

00:09:02,550 --> 00:09:00,470

a lot of them do some of the same stuff

129

00:09:03,910 --> 00:09:02,560

you know you're paying for access

130

00:09:06,710 --> 00:09:03,920

because i'm so special

131

00:09:08,150 --> 00:09:06,720

and i have all this secret information

132

00:09:13,430 --> 00:09:08,160

and i'm going to share it with you

133

00:09:17,829 --> 00:09:15,430

he doesn't have any information he's a

134

00:09:20,470 --> 00:09:17,839

fraud a fake and a liar

135

00:09:22,150 --> 00:09:20,480

and the damning criminal information or

136

00:09:24,070 --> 00:09:22,160

you know criminal

137

00:09:25,190 --> 00:09:24,080

evidence of criminal behavior that i

138

00:09:27,990 --> 00:09:25,200

just mentioned he's

139

00:09:29,750 --> 00:09:28,000

literally taking money from people and

140

00:09:33,190 --> 00:09:29,760

once he has their money he tells

141

00:09:35,670 --> 00:09:33,200

them that he's working for donald trump

142

00:09:38,310 --> 00:09:35,680

developing treatments for the current

143

00:09:40,310 --> 00:09:38,320

health crisis

144

00:09:41,990 --> 00:09:40,320

later he would go on to tell this girl

145

00:09:43,910 --> 00:09:42,000

that he was also going to be working for

146

00:09:45,590 --> 00:09:43,920

the un

147

00:09:46,949 --> 00:09:45,600

you know when he wasn't on secret

148

00:09:51,030 --> 00:09:46,959

missions

149

00:09:53,350 --> 00:09:51,040

this thing gets crazier and crazier

150

00:09:55,030 --> 00:09:53,360

uh it's a few hours listening to this

151

00:09:56,389 --> 00:09:55,040

girl which is largely a lot of

152

00:09:59,030 --> 00:09:56,399

complaints

153

00:10:01,030 --> 00:09:59,040

of a relationship gone bad i don't want

154

00:10:03,110 --> 00:10:01,040

to bore you with those details

155

00:10:05,430 --> 00:10:03,120

so i've queued up a few things that i

156

00:10:07,269 --> 00:10:05,440

think are really funny and worth hearing

157

00:10:09,269 --> 00:10:07,279

from this girl

158

00:10:10,949 --> 00:10:09,279

uh and and we're going to go through it

159

00:10:12,870 --> 00:10:10,959

so i'm going to cite

160

00:10:14,310 --> 00:10:12,880

fair use we'll put up our fair use

161

00:10:17,110 --> 00:10:14,320

banner

162

00:10:17,990 --> 00:10:17,120

uh this is a transformative work we are

163

00:10:19,590 --> 00:10:18,000

educating the public

164

00:10:21,110 --> 00:10:19,600

and critiquing the video we are sharing

165

00:10:22,630 --> 00:10:21,120

this is covered under fair use and

166

00:10:24,870 --> 00:10:22,640

allowable by law

167

00:10:26,630 --> 00:10:24,880

i will also be discussing the contents

168

00:10:29,430 --> 00:10:26,640

of the video that i'm sharing with

169

00:10:31,030 --> 00:10:29,440

the live chat and live audience so this

170

00:10:34,069 --> 00:10:31,040

is indeed

171

00:10:36,870 --> 00:10:34,079

fair use friends all right so

172

00:10:37,190 --> 00:10:36,880

i've got one part queued up that i think

173

00:10:40,310 --> 00:10:37,200

is

174

00:10:42,150 --> 00:10:40,320

uh particularly interesting

175

00:10:43,430 --> 00:10:42,160

uh but boy this girl could turn a 10

176

00:10:44,870 --> 00:10:43,440

minute story into two

177

00:10:47,269 --> 00:10:44,880

she already did she turned a 10

178

00:10:49,590 --> 00:10:47,279

10-minute story about him being a fraud

179

00:10:51,110 --> 00:10:49,600

and a liar into a two-hour diatribe

180

00:10:54,069 --> 00:10:51,120

there's two parts to this

181

00:10:55,990 --> 00:10:54,079

girl's story and she's nowhere near done

182

00:10:58,470 --> 00:10:56,000

telling stories barry smith being a

183

00:11:01,670 --> 00:10:58,480

fraud a con artist and a liar

184

00:11:04,710 --> 00:11:01,680

can't wait to hear the rest

185

00:11:06,230 --> 00:11:04,720

all right uh we're gonna see if we can't

186

00:11:08,710 --> 00:11:06,240

share this

187

00:11:17,350 --> 00:11:08,720

oh but i got a few hold on friends let

188

00:11:20,069 --> 00:11:18,790

all right so really there's two i'm

189

00:11:22,470 --> 00:11:20,079  
going to play one part from the

190

00:11:25,670 --> 00:11:22,480  
beginning and one part

191

00:11:26,870 --> 00:11:25,680  
one part from part one and uh the part

192

00:11:28,550 --> 00:11:26,880  
at the end

193

00:11:30,710 --> 00:11:28,560  
and maybe we'll get into something from

194

00:11:32,630 --> 00:11:30,720  
part two

195

00:11:34,790 --> 00:11:32,640  
yes i've got three i've got three

196

00:11:37,430 --> 00:11:34,800  
portions that really

197

00:11:38,790 --> 00:11:37,440  
there's not much here the one of the

198

00:11:41,190 --> 00:11:38,800  
most important

199

00:11:42,310 --> 00:11:41,200  
things that she said that i think looks

200

00:11:44,550 --> 00:11:42,320  
terrible for him

201  
00:11:46,949 --> 00:11:44,560  
from a criminal perspective or possible

202  
00:11:48,550 --> 00:11:46,959  
criminal perspective alleged criminal

203  
00:11:50,790 --> 00:11:48,560  
perspective whatever you want however

204  
00:11:52,790 --> 00:11:50,800  
you want to diplomatically say it

205  
00:11:54,629 --> 00:11:52,800  
is that this guy is literally taking

206  
00:11:56,550 --> 00:11:54,639  
money from people for q and a's

207  
00:11:58,150 --> 00:11:56,560  
and then lying through his teeth and

208  
00:11:58,870 --> 00:11:58,160  
telling them that he works for donald

209  
00:12:01,910 --> 00:11:58,880  
trump

210  
00:12:04,949 --> 00:12:01,920  
developing pharmaceuticals folks

211  
00:12:05,670 --> 00:12:04,959  
uh that's called fraud emery smith just

212  
00:12:11,110 --> 00:12:05,680  
in case

213  
00:12:14,150 --> 00:12:11,120

that because he's behind a paywall

214

00:12:16,069 --> 00:12:14,160

the contents of the information that he

215

00:12:19,190 --> 00:12:16,079

is sharing for this

216

00:12:19,990 --> 00:12:19,200

paid q a is never going to leak out well

217

00:12:21,829 --> 00:12:20,000

here you go

218

00:12:23,990 --> 00:12:21,839

it's leaking out henry smith are you

219

00:12:26,389 --> 00:12:24,000

telling people during your q and a's

220

00:12:28,310 --> 00:12:26,399

that you work for donald trump

221

00:12:30,150 --> 00:12:28,320

are you really doing that i have no

222

00:12:32,790 --> 00:12:30,160

reason to disbelieve this girl

223

00:12:35,430 --> 00:12:32,800

now sure she's a jilted lover whatever

224

00:12:37,670 --> 00:12:35,440

ex-girlfriend ex-fiance

225

00:12:38,870 --> 00:12:37,680

which is not always the most you know

226

00:12:40,870 --> 00:12:38,880

reliable but

227

00:12:42,470 --> 00:12:40,880

she seems genuine and i'm going to give

228

00:12:43,990 --> 00:12:42,480

her the benefit of the doubt and believe

229

00:12:44,710 --> 00:12:44,000

what she's saying that you're telling

230

00:12:47,030 --> 00:12:44,720

people

231

00:12:48,629 --> 00:12:47,040

while you're counting them out of money

232

00:12:52,069 --> 00:12:48,639

until i'm proven otherwise

233

00:12:54,629 --> 00:12:52,079

now emery smith bro uh

234

00:12:56,310 --> 00:12:54,639

it's truth seeker show gmail.com you

235

00:12:57,829 --> 00:12:56,320

could send me any proof that you

236

00:12:59,590 --> 00:12:57,839

actually worked for donald trump

237

00:13:01,110 --> 00:12:59,600

developing pharmaceuticals and i'll

238

00:13:03,670 --> 00:13:01,120

apologize

239

00:13:04,470 --> 00:13:03,680

but i'm betting that you're full of [h\_\_\h]

240

00:13:07,670 --> 00:13:04,480

henry smith

241

00:13:11,350 --> 00:13:07,680

i think you're full of [h\_\_\h] emery smith

242

00:13:12,150 --> 00:13:11,360

is a fraud conning liar who's full of

243

00:13:14,150 --> 00:13:12,160

[h\_\_\h]

244

00:13:16,230 --> 00:13:14,160

after all this is the same guy who

245

00:13:18,710 --> 00:13:16,240

claims that while he was

246

00:13:20,389 --> 00:13:18,720

you know working for the deep state

247

00:13:24,150 --> 00:13:20,399

government he

248

00:13:25,269 --> 00:13:24,160

had access to 3 000 alien tissue samples

249

00:13:28,069 --> 00:13:25,279

well really

250

00:13:28,870 --> 00:13:28,079

david wilcox said that he autopsy 3 000

251  
00:13:31,990 --> 00:13:28,880  
aliens

252  
00:13:34,710 --> 00:13:32,000  
emery smith would later walk that [h\_\_\h]

253  
00:13:37,190 --> 00:13:34,720  
back and try to make it not as grand of

254  
00:13:38,710 --> 00:13:37,200  
a story no it was 3 000 tissue samples

255  
00:13:41,670 --> 00:13:38,720  
that i did i i didn't

256  
00:13:42,550 --> 00:13:41,680  
autopsy okay so he didn't autopsy 3 000

257  
00:13:47,750 --> 00:13:42,560  
aliens

258  
00:13:49,750 --> 00:13:47,760  
and there is ample in support of

259  
00:13:51,430 --> 00:13:49,760  
evidence that emery smith basically

260  
00:13:52,150 --> 00:13:51,440  
embezzled from the company that he

261  
00:13:54,949 --> 00:13:52,160  
worked for

262  
00:13:55,350 --> 00:13:54,959  
before he works for gaia and you know

263  
00:13:58,310 --> 00:13:55,360

this

264

00:14:00,150 --> 00:13:58,320

thing is crazy to me doesn't gaia do

265

00:14:01,590 --> 00:14:00,160

criminal background checks or do any

266

00:14:03,670 --> 00:14:01,600

kind of background checks before they

267

00:14:05,910 --> 00:14:03,680

hire somebody to work for them

268

00:14:06,949 --> 00:14:05,920

let's see they've had former convicted

269

00:14:10,150 --> 00:14:06,959

burglars

270

00:14:11,750 --> 00:14:10,160

right now they have emery smith

271

00:14:13,189 --> 00:14:11,760

who was basically thrown out of a

272

00:14:14,710 --> 00:14:13,199

company i don't believe that he was

273

00:14:16,389 --> 00:14:14,720

criminally prosecuted but he was

274

00:14:18,150 --> 00:14:16,399

basically thrown out of the company he

275

00:14:22,069 --> 00:14:18,160

worked for for embezzlement

276

00:14:23,750 --> 00:14:22,079

basically allegedly allegedly

277

00:14:25,670 --> 00:14:23,760

i love allegedly there's ample and

278

00:14:26,389 --> 00:14:25,680

supportive documentation and proof of

279

00:14:28,550 --> 00:14:26,399

that

280

00:14:30,949 --> 00:14:28,560

and anyone can go on the internet and

281

00:14:32,790 --> 00:14:30,959

see that he basically stole money from

282

00:14:34,949 --> 00:14:32,800

the company that he worked for

283

00:14:37,030 --> 00:14:34,959

and then they shut them down they said

284

00:14:39,030 --> 00:14:37,040

you don't work here no more

285

00:14:40,550 --> 00:14:39,040

you can't have access to our funding or

286

00:14:43,430 --> 00:14:40,560

whatever

287

00:14:44,069 --> 00:14:43,440

and we have the paypal scam his

288

00:14:45,670 --> 00:14:44,079

father-in-law

289

00:14:47,990 --> 00:14:45,680

basically right in the mouth that he was

290

00:14:49,910 --> 00:14:48,000

doing paypal scams making up fake [h\_\_h]

291

00:14:53,750 --> 00:14:49,920

with david wilcock

292

00:14:56,829 --> 00:14:53,760

now we have him lying through his teeth

293

00:14:58,550 --> 00:14:56,839

to people paying for his behind the

294

00:15:02,069 --> 00:14:58,560

paywall q and a

295

00:15:03,910 --> 00:15:02,079

sessions where he's telling them i

296

00:15:06,069 --> 00:15:03,920

work for donald trump developing

297

00:15:08,389 --> 00:15:06,079

pharmaceuticals right now

298

00:15:10,230 --> 00:15:08,399

of course he tells this poor girl an

299

00:15:12,069 --> 00:15:10,240

incredible amount of other [h\_\_h]

300

00:15:13,910 --> 00:15:12,079

stories like he's off on secret

301  
00:15:16,470 --> 00:15:13,920  
missions he was on a secret mission to

302  
00:15:18,949 --> 00:15:16,480  
antarctica

303  
00:15:21,350 --> 00:15:18,959  
and then his manager trips up and

304  
00:15:24,389 --> 00:15:21,360  
forgets to tell emery

305  
00:15:26,710 --> 00:15:24,399  
that the manager told the fiance

306  
00:15:28,790 --> 00:15:26,720  
that emery was on a secret mission in

307  
00:15:30,069 --> 00:15:28,800  
antarctica and then she asks him and

308  
00:15:33,269 --> 00:15:30,079  
emery's like

309  
00:15:35,590 --> 00:15:33,279  
uh antarctica was i on a mission oh yeah

310  
00:15:36,949 --> 00:15:35,600  
yeah yeah i was on a secret mission to

311  
00:15:40,870 --> 00:15:36,959  
antarctica

312  
00:15:42,710 --> 00:15:40,880  
yeah this is horse horseshit

313  
00:15:43,910 --> 00:15:42,720

why doesn't gaia check on the people

314

00:15:46,389 --> 00:15:43,920

that work for them

315

00:15:48,069 --> 00:15:46,399

do they just like con artists because

316

00:15:51,110 --> 00:15:48,079

they hire a lot of them

317

00:15:56,069 --> 00:15:53,990

in my opinion uh they have a lot of

318

00:15:57,189 --> 00:15:56,079

people with criminal intent and criminal

319

00:15:59,430 --> 00:15:57,199

backgrounds

320

00:16:00,550 --> 00:15:59,440

that are supposed to be some kind of

321

00:16:03,670 --> 00:16:00,560

rock-solid

322

00:16:06,150 --> 00:16:03,680

super information source but we see this

323

00:16:09,189 --> 00:16:06,160

time and time again in the so-called

324

00:16:12,150 --> 00:16:09,199

conspiracy land or ufo community

325

00:16:13,509 --> 00:16:12,160

we see people who claim many many

326

00:16:15,509 --> 00:16:13,519

fantastical things

327

00:16:16,550 --> 00:16:15,519

and then when you dig in you find out

328

00:16:19,189 --> 00:16:16,560

that they're a former

329

00:16:21,110 --> 00:16:19,199

convicted criminal before they decided

330

00:16:21,829 --> 00:16:21,120

that they were super secret alien

331

00:16:24,870 --> 00:16:21,839

information

332

00:16:27,269 --> 00:16:24,880

source or a whistleblower or an insider

333

00:16:28,389 --> 00:16:27,279

before they were that they were a common

334

00:16:30,949 --> 00:16:28,399

criminal

335

00:16:32,470 --> 00:16:30,959

many with felony convictions some with

336

00:16:36,550 --> 00:16:32,480

convictions for

337

00:16:40,069 --> 00:16:36,560

things as heinous as child molestation

338

00:16:42,470 --> 00:16:40,079

and people with big platforms platform

339

00:16:45,030 --> 00:16:42,480

these criminals

340

00:16:46,069 --> 00:16:45,040

a few days ago we covered this med bed

341

00:16:48,150 --> 00:16:46,079

scam

342

00:16:49,910 --> 00:16:48,160

why are people platforming somebody

343

00:16:51,670 --> 00:16:49,920

who's scamming people out of money

344

00:16:53,670 --> 00:16:51,680

selling access to med beds

345

00:16:55,749 --> 00:16:53,680

taking them through a stargate to a

346

00:16:59,030 --> 00:16:55,759

starship that doesn't exist

347

00:17:00,870 --> 00:16:59,040

why are big big shows

348

00:17:02,949 --> 00:17:00,880

bringing these people on as guests and

349

00:17:06,069 --> 00:17:02,959

helping them find more victims

350

00:17:10,870 --> 00:17:08,710

now uh yeah so we're going to share

351  
00:17:14,470 --> 00:17:10,880  
we're going to share this poor girl

352  
00:17:16,630 --> 00:17:14,480  
got involved with emory smith you know

353  
00:17:18,390 --> 00:17:16,640  
i in one way and i i started saying in

354  
00:17:19,590 --> 00:17:18,400  
one way i feel real sorry for this girl

355  
00:17:22,150 --> 00:17:19,600  
but another way i don't

356  
00:17:22,870 --> 00:17:22,160  
because she was a letter of the alphabet

357  
00:17:27,429 --> 00:17:22,880  
person

358  
00:17:28,870 --> 00:17:27,439  
right believe that [h\_\_\h] 150

359  
00:17:31,110 --> 00:17:28,880  
claimed that she was getting shadow

360  
00:17:31,990 --> 00:17:31,120  
banned and that the cabal was after her

361  
00:17:33,909 --> 00:17:32,000  
because she was sharing

362  
00:17:35,190 --> 00:17:33,919  
too much truth about that letter of the

363  
00:17:37,350 --> 00:17:35,200

elf no you weren't honey

364

00:17:38,470 --> 00:17:37,360

that letter of the alphabet is [h\_\_h]

365

00:17:41,510 --> 00:17:38,480

honey it's

366

00:17:44,230 --> 00:17:41,520

[h\_\_h] that letter of the alphabet is

367

00:17:45,190 --> 00:17:44,240

[h\_\_h] it's all fake and you were on

368

00:17:46,710 --> 00:17:45,200

that train

369

00:17:49,510 --> 00:17:46,720

right and you were making all kinds of

370

00:17:51,190 --> 00:17:49,520

content related to that garbage

371

00:17:52,870 --> 00:17:51,200

right and then she talks about david

372

00:17:55,190 --> 00:17:52,880

wilcock introducing her

373

00:17:57,750 --> 00:17:55,200

to emery smith and acts like david

374

00:18:00,310 --> 00:17:57,760

wilcox some kind of big star

375

00:18:02,310 --> 00:18:00,320

this is the level you know these people

376

00:18:03,830 --> 00:18:02,320

are good at fooling stupid people

377

00:18:06,230 --> 00:18:03,840

into believing that there's something

378

00:18:09,590 --> 00:18:06,240

else they're not

379

00:18:11,350 --> 00:18:09,600

most of these people are losers right

380

00:18:13,430 --> 00:18:11,360

couldn't make it in hollywood as an

381

00:18:19,669 --> 00:18:13,440

actor i'll pretend i'm an alien

382

00:18:26,789 --> 00:18:23,750

okay i gotta figure this out so

383

00:18:28,390 --> 00:18:26,799

just bear with me

384

00:18:30,549 --> 00:18:28,400

i think it's this one we're going to

385

00:18:32,070 --> 00:18:30,559

share this video and listen to some of

386

00:18:34,310 --> 00:18:32,080

this poor girl story

387

00:18:35,190 --> 00:18:34,320

and again i do feel sorry for her but it

388

00:18:37,029 --> 00:18:35,200

you know

389

00:18:38,950 --> 00:18:37,039

if she's gullible enough to fall for the

390

00:18:39,909 --> 00:18:38,960

letter of the alphabets and be all chips

391

00:18:42,310 --> 00:18:39,919

in on that

392

00:18:43,669 --> 00:18:42,320

then it stands to reason that she would

393

00:18:46,630 --> 00:18:43,679

truly believe

394

00:18:48,549 --> 00:18:46,640

that emery smith was a [h\_\_\h] secret

395

00:18:50,470 --> 00:18:48,559

agent because that's what he told her

396

00:18:51,750 --> 00:18:50,480

and that's what she believed like oh

397

00:18:53,750 --> 00:18:51,760

and she's telling her friends like my

398

00:18:54,150 --> 00:18:53,760

fiance is off on a secret mission right

399

00:18:56,710 --> 00:18:54,160

now

400

00:18:58,390 --> 00:18:56,720

it's [h\_\_\h] ridic this is a stupid

401  
00:19:00,070 --> 00:18:58,400  
story this is ridiculous

402  
00:19:01,510 --> 00:19:00,080  
and i don't know how any girl could fall

403  
00:19:03,510 --> 00:19:01,520  
for this [\h\_\_\h] because

404  
00:19:05,830 --> 00:19:03,520  
it just sounds childish like he's

405  
00:19:08,470 --> 00:19:05,840  
literally telling her that he's a secret

406  
00:19:10,230 --> 00:19:08,480  
he's going on secret missions for the un

407  
00:19:13,350 --> 00:19:10,240  
right and he works for donald trump

408  
00:19:15,590 --> 00:19:13,360  
and she believed him

409  
00:19:16,710 --> 00:19:15,600  
i don't i have mixed emotions about this

410  
00:19:19,669 --> 00:19:16,720  
i do but

411  
00:19:19,990 --> 00:19:19,679  
you know let's see what she has to say

412  
00:19:24,950 --> 00:19:20,000  
no

413  
00:19:27,190 --> 00:19:24,960

wrong one try that again

414

00:19:30,710 --> 00:19:27,200

sorry folks i have three videos cued

415

00:19:35,590 --> 00:19:33,830

i'm gonna see which one no i'll get it

416

00:19:37,270 --> 00:19:35,600

right eventually just bear with

417

00:19:39,590 --> 00:19:37,280

please bear with me members of the

418

00:19:44,230 --> 00:19:39,600

audience i really need a freaking

419

00:19:48,950 --> 00:19:47,190

yes oh but i still gotta do it again

420

00:19:50,870 --> 00:19:48,960

because i didn't share the audio i'm

421

00:19:53,190 --> 00:19:50,880

i need a producer we really gotta get a

422

00:19:54,950 --> 00:19:53,200

producer

423

00:20:01,750 --> 00:19:54,960

all right i've shared the audio now we

424

00:20:08,950 --> 00:20:06,630

one moment friends

425

00:20:10,470 --> 00:20:08,960

how come i can't get the right one let

426

00:20:12,950 --> 00:20:10,480

me fix the background first

427

00:20:19,270 --> 00:20:12,960

first things first i always forget that

428

00:20:19,280 --> 00:20:27,590

okay

429

00:20:36,950 --> 00:20:29,830

i keep getting the wrong one i think

430

00:20:36,960 --> 00:20:44,710

now we got it

431

00:20:51,110 --> 00:20:47,909

just bear with me friends i apologize

432

00:20:54,549 --> 00:20:53,029

it keeps pulling up i keep getting the

433

00:20:56,789 --> 00:20:54,559

wrong one i have three

434

00:20:59,110 --> 00:20:56,799

and they're all on the same video so let

435

00:21:02,230 --> 00:20:59,120

me see if we can't fix this

436

00:21:04,230 --> 00:21:02,240

yeah we'll get it eventually

437

00:21:05,750 --> 00:21:04,240

i like to say that you do get this is a

438

00:21:08,870 --> 00:21:05,760

live show you get the show

439

00:21:09,990 --> 00:21:08,880

warts and all why why you know what

440

00:21:13,270 --> 00:21:10,000

we're just gonna play

441

00:21:16,390 --> 00:21:13,280

just gonna play the first one whatever

442

00:21:18,230 --> 00:21:16,400

whatever it is and then i'll

443

00:21:20,149 --> 00:21:18,240

x that one out and be able to find the

444

00:21:29,190 --> 00:21:20,159

other one

445

00:21:33,510 --> 00:21:30,549

all right we're just going to share this

446

00:21:37,430 --> 00:21:35,830

so poor girl engaged to emery smith then

447

00:21:40,390 --> 00:21:37,440

she finds out that he's a fraud a

448

00:21:43,430 --> 00:21:40,400

scammer and a liar

449

00:21:46,789 --> 00:21:43,440

poor girl love hurts

450

00:21:48,950 --> 00:21:46,799

um but anyways i just sorry like

451  
00:21:50,470 --> 00:21:48,960  
i it's really it's really really really

452  
00:21:51,750 --> 00:21:50,480  
really hard for me to wrap my head

453  
00:21:54,630 --> 00:21:51,760  
around

454  
00:21:56,149 --> 00:21:54,640  
all of us till still until this moment i

455  
00:21:58,870 --> 00:21:56,159  
literally thought that i was gonna share

456  
00:22:01,510 --> 00:21:58,880  
with you guys this magical dream

457  
00:22:02,630 --> 00:22:01,520  
story like the one i'm sharing right now

458  
00:22:04,310 --> 00:22:02,640  
i just didn't think it was going to be

459  
00:22:07,110 --> 00:22:04,320  
under these contacts

460  
00:22:09,029 --> 00:22:07,120  
um but anyways so we're falling and

461  
00:22:10,390 --> 00:22:09,039  
[h\_\_h] madly in love with each other

462  
00:22:12,390 --> 00:22:10,400  
he's like you know we have to get

463  
00:22:15,590 --> 00:22:12,400

married we have to have kids

464

00:22:16,710 --> 00:22:15,600

um i'd like to marry you publicly i hope

465

00:22:19,510 --> 00:22:16,720

you're okay with that

466

00:22:21,110 --> 00:22:19,520

my life is very public um and i asked

467

00:22:22,870 --> 00:22:21,120

him like is it safe you know you have a

468

00:22:24,710 --> 00:22:22,880

very dangerous life where you're working

469

00:22:27,750 --> 00:22:24,720

on top secret missions still

470

00:22:28,549 --> 00:22:27,760

and on projects and you know like you've

471

00:22:31,750 --> 00:22:28,559

said that

472

00:22:33,750 --> 00:22:31,760

everyone that's you've ever you know

473

00:22:35,110 --> 00:22:33,760

everyone in your family and everyone

474

00:22:36,230 --> 00:22:35,120

that you've known has been killed by the

475

00:22:39,510 --> 00:22:36,240

cabal because you

476

00:22:41,750 --> 00:22:39,520

you know you went public like

477

00:22:43,750 --> 00:22:41,760

so we see here friends this is some of

478

00:22:46,950 --> 00:22:43,760

the stuff that he's telling this girl

479

00:22:49,029 --> 00:22:46,960

and it leads me to wonder is he telling

480

00:22:51,110 --> 00:22:49,039

everybody that he's a secret agent going

481

00:22:51,750 --> 00:22:51,120

on secret missions or is he just telling

482

00:22:54,470 --> 00:22:51,760

this girl

483

00:22:56,630 --> 00:22:54,480

in order to get into and somehow impress

484

00:22:59,669 --> 00:22:56,640

her and get in her pants

485

00:23:01,590 --> 00:22:59,679

either way makes him a a [h\_\_\h]

486

00:23:02,789 --> 00:23:01,600

terrible person but

487

00:23:04,630 --> 00:23:02,799

you know actually i don't know what's

488

00:23:06,149 --> 00:23:04,640

which one is worse telling everybody

489

00:23:08,870 --> 00:23:06,159

lying to everybody and telling that

490

00:23:10,710 --> 00:23:08,880

you're a secret agent on secret missions

491

00:23:11,990 --> 00:23:10,720

or just lying to a girl whose pants

492

00:23:14,230 --> 00:23:12,000

you're trying to get into

493

00:23:15,270 --> 00:23:14,240

and what is this emery are you in high

494

00:23:17,830 --> 00:23:15,280

school

495

00:23:19,750 --> 00:23:17,840

right you gotta lie to a girl to impress

496

00:23:22,630 --> 00:23:19,760

her to get in her pants

497

00:23:24,310 --> 00:23:22,640

this is crazy and did you hear that line

498

00:23:26,390 --> 00:23:24,320

she mentions it several times

499

00:23:29,190 --> 00:23:26,400

emery smith told her that the cabal

500

00:23:32,149 --> 00:23:29,200

killed his entire family

501  
00:23:32,789 --> 00:23:32,159  
um i'm gonna go out on a limb here and

502  
00:23:35,669 --> 00:23:32,799  
say

503  
00:23:35,990 --> 00:23:35,679  
that's some [\h\_\_\h] that didn't happen

504  
00:23:38,549 --> 00:23:36,000  
but

505  
00:23:39,590 --> 00:23:38,559  
again emery smith you can email me at

506  
00:23:42,390 --> 00:23:39,600  
truthseekershow

507  
00:23:44,549 --> 00:23:42,400  
gmail.com and send to me the proof that

508  
00:23:45,830 --> 00:23:44,559  
your entire family was murdered

509  
00:23:47,510 --> 00:23:45,840  
you don't even need to prove that they

510  
00:23:48,630 --> 00:23:47,520  
were murdered by the cabal but if you

511  
00:23:50,230 --> 00:23:48,640  
could show me you know

512  
00:23:51,669 --> 00:23:50,240  
news articles or something about your

513  
00:23:54,549 --> 00:23:51,679

whole family getting murdered

514

00:23:56,230 --> 00:23:54,559

then i'll apologize otherwise you're a

515

00:23:58,950 --> 00:23:56,240

lying sack of [h\_\_h]

516

00:23:59,350 --> 00:23:58,960

and you're lying to this girl is that is

517

00:24:01,990 --> 00:23:59,360

that

518

00:24:03,750 --> 00:24:02,000

to gain sympathy oh i'm a loner my whole

519

00:24:07,669 --> 00:24:03,760

family got murdered

520

00:24:10,789 --> 00:24:07,679

lay down you know like this is some

521

00:24:12,470 --> 00:24:10,799

next level scumball trying to get in a

522

00:24:15,510 --> 00:24:12,480

girl's pants move [h\_\_h]

523

00:24:16,230 --> 00:24:15,520

it really is i don't know if like you

524

00:24:20,070 --> 00:24:16,240

know what is it

525

00:24:21,990 --> 00:24:20,080

like his i'm a celebrity on gaia tv

526

00:24:23,909 --> 00:24:22,000

is not enough to get in the girl's pants

527

00:24:25,909 --> 00:24:23,919

he's got to pile on the garbage and the

528

00:24:28,950 --> 00:24:25,919

[h\_\_\h] to try to impress her or get

529

00:24:33,350 --> 00:24:28,960

sympathy from her to get in her pants

530

00:24:36,390 --> 00:24:33,360

this is yeah is it safe

531

00:24:39,029 --> 00:24:36,400

for us to have a family and

532

00:24:40,310 --> 00:24:39,039

he said that it will be in march he's

533

00:24:42,549 --> 00:24:40,320

working on a very

534

00:24:44,830 --> 00:24:42,559

serious project right now or like a very

535

00:24:49,830 --> 00:24:44,840

serious mission

536

00:24:52,870 --> 00:24:51,750

it's like okay i'm just gonna tell you

537

00:24:54,950 --> 00:24:52,880

what he said at the time

538

00:24:56,390 --> 00:24:54,960

again like everything in my head is like

539

00:24:57,990 --> 00:24:56,400

you know everything i just don't i don't

540

00:24:59,590 --> 00:24:58,000

believe anything he's ever said to me

541

00:25:02,470 --> 00:24:59,600

but i'm just gonna

542

00:25:04,149 --> 00:25:02,480

say it how it was at the time but he

543

00:25:06,230 --> 00:25:04,159

said that he didn't think that

544

00:25:07,350 --> 00:25:06,240

this mission that he was on that he was

545

00:25:10,390 --> 00:25:07,360

gonna come out

546

00:25:12,149 --> 00:25:10,400

alive from not only is henry smith going

547

00:25:14,230 --> 00:25:12,159

on a top secret mission

548

00:25:17,269 --> 00:25:14,240

that mission is so dangerous he's not

549

00:25:20,710 --> 00:25:17,279

gonna make it out there live

550

00:25:21,110 --> 00:25:20,720

lay down take off your blouse this is

551  
00:25:23,669 --> 00:25:21,120  
some

552  
00:25:25,510 --> 00:25:23,679  
horse [h\_\_h] and you know i'm sorry if

553  
00:25:27,350 --> 00:25:25,520  
this girl actually believed this but

554  
00:25:29,110 --> 00:25:27,360  
like come on honey really

555  
00:25:32,149 --> 00:25:29,120  
you believe that he was going on secret

556  
00:25:33,830 --> 00:25:32,159  
missions and worked for donald trump

557  
00:25:36,950 --> 00:25:33,840  
and the moment he met me it's changed

558  
00:25:39,110 --> 00:25:36,960  
everything for him and that it's

559  
00:25:40,070 --> 00:25:39,120  
like he thought he was gonna die trying

560  
00:25:42,310 --> 00:25:40,080  
to get out of

561  
00:25:43,669 --> 00:25:42,320  
i don't know trying to what i don't know

562  
00:25:46,310 --> 00:25:43,679  
how to word this

563  
00:25:49,110 --> 00:25:46,320

he thought he was going to die during

564

00:25:50,870 --> 00:25:49,120

this mission that he's on right now and

565

00:25:53,590 --> 00:25:50,880

he met me and i changed everything for

566

00:25:54,789 --> 00:25:53,600

him he had also shared with me at the

567

00:25:57,990 --> 00:25:54,799

time

568

00:26:02,950 --> 00:26:00,870

like the reason why i was so significant

569

00:26:04,950 --> 00:26:02,960

and why i was so important to him

570

00:26:07,190 --> 00:26:04,960

was because he had asked for the

571

00:26:09,269 --> 00:26:07,200

galactic federation he's asked

572

00:26:10,710 --> 00:26:09,279

for their assistance because he didn't

573

00:26:13,830 --> 00:26:10,720

think that he couldn't survive

574

00:26:17,350 --> 00:26:13,840

and live um

575

00:26:18,470 --> 00:26:17,360

trying to i don't know he never told me

576

00:26:21,430 --> 00:26:18,480

what the mission was he said

577

00:26:23,190 --> 00:26:21,440

like it's top secret but he said i'm

578

00:26:24,070 --> 00:26:23,200

sorry honey i'd like to tell you all

579

00:26:29,190 --> 00:26:24,080

about the mission

580

00:26:32,070 --> 00:26:29,200

but i can't lay down take off your pants

581

00:26:34,549 --> 00:26:32,080

and did you hear this emery smith goes

582

00:26:36,470 --> 00:26:34,559

to the galactic federation for help

583

00:26:39,350 --> 00:26:36,480

so that he can get married and have

584

00:26:43,590 --> 00:26:39,360

children and lead a normal life again

585

00:26:47,430 --> 00:26:43,600

this level this guy is either like

586

00:26:50,789 --> 00:26:47,440

a grade a [h\_\_h] huckster

587

00:26:52,630 --> 00:26:50,799

liar or he's got delusions of granger

588

00:26:54,390 --> 00:26:52,640

and this is very common in some of these

589

00:26:54,789 --> 00:26:54,400

narcissistic people they think they're

590

00:26:57,190 --> 00:26:54,799

so

591

00:26:58,149 --> 00:26:57,200

important that if people don't believe

592

00:27:00,870 --> 00:26:58,159

they're important

593

00:27:01,350 --> 00:27:00,880

they will literally invent things right

594

00:27:04,310 --> 00:27:01,360

like

595

00:27:07,110 --> 00:27:04,320

their famous friends and you know this

596

00:27:08,870 --> 00:27:07,120

guy's inventing top secret missions that

597

00:27:10,870 --> 00:27:08,880

he's going on he's telling this girl

598

00:27:12,549 --> 00:27:10,880

he's talking to the galactic federation

599

00:27:15,029 --> 00:27:12,559

of aliens for them

600

00:27:17,350 --> 00:27:15,039

you know asking the black federation of

601  
00:27:19,990 --> 00:27:17,360  
aliens to intercede on their behalf

602  
00:27:22,070 --> 00:27:20,000  
so he can marry this hot blonde chick

603  
00:27:24,149 --> 00:27:22,080  
and pop out some babies and live happily

604  
00:27:26,470 --> 00:27:24,159  
ever after

605  
00:27:27,430 --> 00:27:26,480  
he asked for the galactic federation's

606  
00:27:30,789 --> 00:27:27,440  
help

607  
00:27:34,149 --> 00:27:30,799  
um and the next day i showed up

608  
00:27:36,870 --> 00:27:34,159  
and so he trusted your important that

609  
00:27:38,549 --> 00:27:36,880  
i was important and that i played a

610  
00:27:40,789 --> 00:27:38,559  
significant role in his life for

611  
00:27:45,909 --> 00:27:40,799  
whatever reason that may be

612  
00:27:50,789 --> 00:27:48,870  
he said that he asked the star people if

613  
00:27:51,350 --> 00:27:50,799

it was safe to talk to me and they said

614

00:27:53,350 --> 00:27:51,360

yes

615

00:27:54,950 --> 00:27:53,360

so he proceeded in doing that because

616

00:27:55,669 --> 00:27:54,960

normally he runs background checks on

617

00:27:57,590 --> 00:27:55,679

people

618

00:27:59,590 --> 00:27:57,600

and is very sketch shot on who he could

619

00:28:01,430 --> 00:27:59,600

trust okay so he didn't have to run a

620

00:28:03,669 --> 00:28:01,440

background check on her he just asked

621

00:28:05,430 --> 00:28:03,679

the aliens if she was safe to talk to

622

00:28:07,190 --> 00:28:05,440

and they said yes

623

00:28:10,070 --> 00:28:07,200

maybe the aliens think she's a hot

624

00:28:12,950 --> 00:28:10,080

blonde chick too right

625

00:28:14,870 --> 00:28:12,960

very interesting by the way considering

626

00:28:17,990 --> 00:28:14,880

the truth about him but

627

00:28:19,669 --> 00:28:18,000

um anyways i'm going to continue with

628

00:28:21,350 --> 00:28:19,679

this magical love story you know

629

00:28:23,510 --> 00:28:21,360

v mentioned what a predator piece of

630

00:28:26,070 --> 00:28:23,520

crap remember that his

631

00:28:28,070 --> 00:28:26,080

former living girlfriend's father

632

00:28:29,990 --> 00:28:28,080

detailed how emery smith basically

633

00:28:33,669 --> 00:28:30,000

groomed her through email when she was

634

00:28:36,070 --> 00:28:33,679

under age telling the girl not this girl

635

00:28:37,590 --> 00:28:36,080

another girlfriend of his they started

636

00:28:39,110 --> 00:28:37,600

talking to when she was underage

637

00:28:43,029 --> 00:28:39,120

not to tell your parents that you're

638

00:28:45,029 --> 00:28:43,039

talking to me that's a predator move

639

00:28:46,310 --> 00:28:45,039

so me and emory continuously dream about

640

00:28:49,830 --> 00:28:46,320

each other for two weeks

641

00:28:52,710 --> 00:28:49,840

and we're just like gaga

642

00:28:53,990 --> 00:28:52,720

over each other completely and emery

643

00:28:56,470 --> 00:28:54,000

decides to

644

00:28:58,070 --> 00:28:56,480

you know add me to his um he does a q a

645

00:29:01,430 --> 00:28:58,080

every sunday for two hours

646

00:29:02,950 --> 00:29:01,440

and he tells his manager tori to um

647

00:29:04,470 --> 00:29:02,960

to add me in the vip list that way i

648

00:29:05,909 --> 00:29:04,480

don't have to pay for it

649

00:29:08,630 --> 00:29:05,919

and because you wanted to see my face

650

00:29:11,029 --> 00:29:08,640

obviously every you know every

651  
00:29:13,029 --> 00:29:11,039  
second oh so emory put her on the vip

652  
00:29:16,230 --> 00:29:13,039  
list you're now a vip lit

653  
00:29:17,830 --> 00:29:16,240  
you're on the vip list to come to my

654  
00:29:20,710 --> 00:29:17,840  
[h\_\_\h] sessions

655  
00:29:22,070 --> 00:29:20,720  
right this is equally ridiculous there's

656  
00:29:23,750 --> 00:29:22,080  
vips

657  
00:29:25,590 --> 00:29:23,760  
that get to attend emery smith's

658  
00:29:27,510 --> 00:29:25,600  
[h\_\_\h] sessions where he talks about

659  
00:29:29,590 --> 00:29:27,520  
aliens in the galactic federation and

660  
00:29:34,950 --> 00:29:29,600  
working for donald trump

661  
00:29:40,230 --> 00:29:38,310  
um and and so like we

662  
00:29:41,510 --> 00:29:40,240  
are already talking wedding and i know

663  
00:29:42,230 --> 00:29:41,520

that that might be really soon for

664

00:29:44,710 --> 00:29:42,240

people

665

00:29:45,990 --> 00:29:44,720

i don't know but like this magical love

666

00:29:48,549 --> 00:29:46,000

story like i

667

00:29:49,750 --> 00:29:48,559

really [h\_\_\h] believed it i mean call

668

00:29:54,070 --> 00:29:49,760

me [h\_\_\h] crazy

669

00:29:55,830 --> 00:29:54,080

but i i've tested emory numerous times

670

00:29:56,710 --> 00:29:55,840

where he would tell me about his dream

671

00:29:59,110 --> 00:29:56,720

and

672

00:30:00,310 --> 00:29:59,120

it was just like mine i would play these

673

00:30:01,669 --> 00:30:00,320

like little games around and ask him

674

00:30:02,549 --> 00:30:01,679

what it was like and then he'd tell me

675

00:30:05,750 --> 00:30:02,559

i'd be like

676  
00:30:08,549 --> 00:30:05,760  
what and then weird things would happen

677  
00:30:09,110 --> 00:30:08,559  
um a lot of my close friends started

678  
00:30:11,510 --> 00:30:09,120  
having

679  
00:30:13,430 --> 00:30:11,520  
dreams about me yeah and this is where

680  
00:30:15,510 --> 00:30:13,440  
this girl just loses me because she

681  
00:30:18,470 --> 00:30:15,520  
starts talking about her super powers

682  
00:30:19,669 --> 00:30:18,480  
she's empathic and she has prophetic

683  
00:30:22,789 --> 00:30:19,679  
dreams right

684  
00:30:23,990 --> 00:30:22,799  
so she's kind of made for a fraud connor

685  
00:30:28,230 --> 00:30:24,000  
new age

686  
00:30:31,909 --> 00:30:28,240  
conspiracy ufo guy like this clown

687  
00:30:34,310 --> 00:30:31,919  
um in december where um

688  
00:30:35,350 --> 00:30:34,320

i believe i did a survey on instagram

689

00:30:38,149 --> 00:30:35,360

and like

690

00:30:39,510 --> 00:30:38,159

over 36 people had had dreams about me

691

00:30:41,830 --> 00:30:39,520

in december

692

00:30:43,750 --> 00:30:41,840

and every single day one of my close

693

00:30:45,510 --> 00:30:43,760

friends

694

00:30:47,510 --> 00:30:45,520

is watching this girls this she's an

695

00:30:49,669 --> 00:30:47,520

instagram model so if some dude is

696

00:30:51,909 --> 00:30:49,679

watching her instagram every day

697

00:30:53,269 --> 00:30:51,919

drooling over her pictures then i don't

698

00:30:55,190 --> 00:30:53,279

think it's beyond the realm of

699

00:30:57,190 --> 00:30:55,200

possibility that dudes would randomly

700

00:30:58,950 --> 00:30:57,200

start having dreams about

701  
00:31:00,789 --> 00:30:58,960  
this girl who they're watching on

702  
00:31:04,870 --> 00:31:00,799  
instagram i don't think there's anything

703  
00:31:07,029 --> 00:31:04,880  
to this but she seems to think there is

704  
00:31:08,389 --> 00:31:07,039  
hey now nobody knew that i was even

705  
00:31:10,630 --> 00:31:08,399  
dating anybody at this time

706  
00:31:11,430 --> 00:31:10,640  
and a lot of my friends were like hey

707  
00:31:13,590 --> 00:31:11,440  
kim like

708  
00:31:15,110 --> 00:31:13,600  
it's so weird i had a dream about you

709  
00:31:17,190 --> 00:31:15,120  
that you were with the love of your life

710  
00:31:19,029 --> 00:31:17,200  
kim i had a dream about you like and it

711  
00:31:20,149 --> 00:31:19,039  
was literally what was happening i was

712  
00:31:22,230 --> 00:31:20,159  
like oh [h\_\_\h] emory

713  
00:31:23,669 --> 00:31:22,240

like people are having dreams about us

714

00:31:25,269 --> 00:31:23,679

like you know my followers are having

715

00:31:26,389 --> 00:31:25,279

dreams about us my close friends are

716

00:31:29,350 --> 00:31:26,399

having dreams about us

717

00:31:30,149 --> 00:31:29,360

like and nobody knew was him but people

718

00:31:31,590 --> 00:31:30,159

saw me

719

00:31:33,750 --> 00:31:31,600

like really happy with the love of your

720

00:31:34,389 --> 00:31:33,760

life uh with the love of my life you

721

00:31:39,110 --> 00:31:34,399

know

722

00:31:40,789 --> 00:31:39,120

dreams that i

723

00:31:42,389 --> 00:31:40,799

was with the love of my life people

724

00:31:43,990 --> 00:31:42,399

here's where i start to feel bad for her

725

00:31:45,350 --> 00:31:44,000

because if she truly thought that this

726

00:31:47,110 --> 00:31:45,360

guy was the love of her life

727

00:31:49,110 --> 00:31:47,120

and then it all comes crashing down when

728

00:31:50,630 --> 00:31:49,120

she realizes that he's a fraud a con

729

00:31:52,549 --> 00:31:50,640

artist and a liar

730

00:31:54,310 --> 00:31:52,559

and he probably made up half this [h\_\_\h]

731

00:31:56,870 --> 00:31:54,320

just to get in her pants

732

00:31:58,070 --> 00:31:56,880

that's terrible with this man and it was

733

00:31:59,269 --> 00:31:58,080

like a mystery man

734

00:32:00,710 --> 00:31:59,279

and i was like what the [h\_\_\h] is

735

00:32:01,669 --> 00:32:00,720

happening how do these people know this

736

00:32:03,350 --> 00:32:01,679

and everybody's like oh

737

00:32:04,470 --> 00:32:03,360

they tapped into our morphing field and

738

00:32:06,389 --> 00:32:04,480

that's how they're downloading this

739

00:32:07,909 --> 00:32:06,399

information about us they tapped into

740

00:32:11,269 --> 00:32:07,919

our morphing field

741

00:32:14,230 --> 00:32:11,279

well every smith please email me what

742

00:32:15,269 --> 00:32:14,240

what in god's name is a morphing field i

743

00:32:17,669 --> 00:32:15,279

would like to know

744

00:32:18,870 --> 00:32:17,679

and i don't i never heard of a morphing

745

00:32:20,470 --> 00:32:18,880

field in my life

746

00:32:23,269 --> 00:32:20,480

i don't think that's science i think

747

00:32:26,310 --> 00:32:23,279

that's made up gobbledygook nonsense

748

00:32:29,990 --> 00:32:26,320

i was like oh my god that's so cool

749

00:32:30,710 --> 00:32:30,000

so anyways guys this was such a magical

750

00:32:33,990 --> 00:32:30,720

time

751  
00:32:36,149 --> 00:32:34,000  
in our relationship um i never

752  
00:32:37,110 --> 00:32:36,159  
thought that any of this would happen

753  
00:32:38,870 --> 00:32:37,120  
but

754  
00:32:40,630 --> 00:32:38,880  
i was on cloud nine you guys like i was

755  
00:32:41,750 --> 00:32:40,640  
talking to the moon and the stars about

756  
00:32:44,230 --> 00:32:41,760  
mr smith

757  
00:32:45,669 --> 00:32:44,240  
and um you know we were talking about

758  
00:32:47,990 --> 00:32:45,679  
our children

759  
00:32:49,830 --> 00:32:48,000  
and you know emery would send me

760  
00:32:51,029 --> 00:32:49,840  
pictures of himself when he was younger

761  
00:32:52,389 --> 00:32:51,039  
and he's like this is what your son

762  
00:32:55,990 --> 00:32:52,399  
looks like

763  
00:32:59,190 --> 00:32:56,000

and that is a that is some garbage

764

00:33:00,389 --> 00:32:59,200

right there i know this is really long

765

00:33:02,230 --> 00:33:00,399

and i'm sorry

766

00:33:04,310 --> 00:33:02,240

i just need you guys to understand why i

767

00:33:08,310 --> 00:33:04,320

was so brain [h\_\_h] fooled

768

00:33:09,669 --> 00:33:08,320

um and you know and we would talk about

769

00:33:10,710 --> 00:33:09,679

it and then there was like a day where

770

00:33:11,909 --> 00:33:10,720

emery called me out of nowhere and he's

771

00:33:13,909 --> 00:33:11,919

like listen i need to talk to you right

772

00:33:15,990 --> 00:33:13,919

now like 11 30 at night he's like i have

773

00:33:17,669 --> 00:33:16,000

a notebook and a pen

774

00:33:19,909 --> 00:33:17,679

i need to know the information about our

775

00:33:23,269 --> 00:33:19,919

children and we had literally like a

776

00:33:25,909 --> 00:33:23,279

two to three hour conversation um where

777

00:33:27,590 --> 00:33:25,919

emery wanted to know like how many kids

778

00:33:29,029 --> 00:33:27,600

we were gonna have how far apart they

779

00:33:30,310 --> 00:33:29,039

were gonna it was very specific he's

780

00:33:31,830 --> 00:33:30,320

like i'm writing down notes i have

781

00:33:35,509 --> 00:33:31,840

everything written down

782

00:33:37,990 --> 00:33:35,519

and you know he wanted us to have

783

00:33:39,750 --> 00:33:38,000

our kids um and stored in court in

784

00:33:40,710 --> 00:33:39,760

certain coordinations because of the

785

00:33:44,230 --> 00:33:40,720

energy field

786

00:33:47,830 --> 00:33:44,240

that they would create in these certain

787

00:33:48,950 --> 00:33:47,840

um what's the word i think the word is

788

00:33:52,470 --> 00:33:48,960

word sale

789

00:33:54,950 --> 00:33:52,480

nonsense honey but okay latitudes

790

00:33:56,149 --> 00:33:54,960

of the of like of the globe um so he

791

00:33:57,669 --> 00:33:56,159

wanted us to have them

792

00:33:58,950 --> 00:33:57,679

in certain areas to conceive them in

793

00:34:00,310 --> 00:33:58,960

certain areas and to have them in

794

00:34:03,110 --> 00:34:00,320

certain areas

795

00:34:04,870 --> 00:34:03,120

um you know with alignment with the

796

00:34:06,710 --> 00:34:04,880

stars and the moon and all of that

797

00:34:07,830 --> 00:34:06,720

um he wanted to know how many what signs

798

00:34:09,829 --> 00:34:07,840

we were going to make them like with

799

00:34:12,950 --> 00:34:09,839

zodiac signs so we decided to have like

800

00:34:14,629 --> 00:34:12,960

all four zodiac signs and um

801  
00:34:16,470 --> 00:34:14,639  
we were really planning this [h\_\_h] out

802  
00:34:17,750 --> 00:34:16,480  
you guys and

803  
00:34:18,869 --> 00:34:17,760  
you know and like how we were going to

804  
00:34:20,230 --> 00:34:18,879  
raise our children how our children

805  
00:34:21,589 --> 00:34:20,240  
weren't going to go to school and like i

806  
00:34:23,270 --> 00:34:21,599  
was like i'm not giving [h\_\_h] birth in

807  
00:34:24,710 --> 00:34:23,280  
hospital like

808  
00:34:25,829 --> 00:34:24,720  
i'm going to do a home birthing and our

809  
00:34:27,750 --> 00:34:25,839  
children are not going to be part of the

810  
00:34:28,230 --> 00:34:27,760  
system and like part of the cabal world

811  
00:34:30,310 --> 00:34:28,240  
and

812  
00:34:31,750 --> 00:34:30,320  
you know so [h\_\_h] deep but it was

813  
00:34:33,190 --> 00:34:31,760

emery who was like asking me these

814

00:34:34,710 --> 00:34:33,200

questions and taking down notes he's

815

00:34:36,149 --> 00:34:34,720

like okay okay i got it i got it

816

00:34:38,069 --> 00:34:36,159

okay so we're gonna have them like this

817

00:34:41,430 --> 00:34:38,079

okay so after march

818

00:34:44,869 --> 00:34:41,440

we're gonna do this and i'm like okay

819

00:34:46,629 --> 00:34:44,879

i'm ready let's go and um

820

00:34:48,869 --> 00:34:46,639

and he kept saying after march it will

821

00:34:51,030 --> 00:34:48,879

be safe for us to go public

822

00:34:51,990 --> 00:34:51,040

um and that he wants the world to know

823

00:34:53,510 --> 00:34:52,000

about us

824

00:34:55,270 --> 00:34:53,520

yeah he can't go public with his

825

00:34:58,630 --> 00:34:55,280

girlfriend or his fiancée

826

00:34:59,510 --> 00:34:58,640

because he's a secret agent this is

827

00:35:01,430 --> 00:34:59,520

ridiculous

828

00:35:03,349 --> 00:35:01,440

but this is the world of emery smith

829

00:35:06,310 --> 00:35:03,359

welcome welcome to the crazy

830

00:35:07,030 --> 00:35:06,320

land of make-believe of emery smith

831

00:35:09,829 --> 00:35:07,040

you're not

832

00:35:10,790 --> 00:35:09,839

a secret agent bro you're you're nobody

833

00:35:12,950 --> 00:35:10,800

important

834

00:35:15,670 --> 00:35:12,960

just so you know you know you gotta

835

00:35:17,430 --> 00:35:15,680

check that ego

836

00:35:19,589 --> 00:35:17,440

that he wanted to ask for my dad's hand

837

00:35:21,270 --> 00:35:19,599

in marriage and how to do that and he

838

00:35:24,550 --> 00:35:21,280

wanted to convert to judaism

839

00:35:27,589 --> 00:35:24,560

because of me um

840

00:35:29,349 --> 00:35:27,599

and you guys i mean there's so much

841

00:35:31,349 --> 00:35:29,359

details to this story

842

00:35:32,710 --> 00:35:31,359

i'm trying to keep a breathe but i also

843

00:35:34,870 --> 00:35:32,720

want to give you guys enough information

844

00:35:37,670 --> 00:35:34,880

that way you understand like how real

845

00:35:39,430 --> 00:35:37,680

this [h\_\_h] was to me um and then we

846

00:35:41,109 --> 00:35:39,440

started talking about our wedding and

847

00:35:42,390 --> 00:35:41,119

when we would have our wedding where we

848

00:35:43,589 --> 00:35:42,400

were looking at dates he's like i'm

849

00:35:45,270 --> 00:35:43,599

going to ask my friends

850

00:35:47,829 --> 00:35:45,280

you know like my spiritual you know

851  
00:35:49,670 --> 00:35:47,839  
people like to look at like

852  
00:35:51,109 --> 00:35:49,680  
days that would align with the stars and

853  
00:35:53,030 --> 00:35:51,119  
the moon

854  
00:35:54,630 --> 00:35:53,040  
you know mercury retrograde some

855  
00:35:58,069 --> 00:35:54,640  
astrology horseshit

856  
00:35:59,829 --> 00:35:58,079  
to impress her good job henry smith um

857  
00:36:01,349 --> 00:35:59,839  
and we were gonna get married in tulum

858  
00:36:02,870 --> 00:36:01,359  
and we picked out a location we were

859  
00:36:04,710 --> 00:36:02,880  
sending each other pictures

860  
00:36:06,230 --> 00:36:04,720  
and how we wanted our wedding to be like

861  
00:36:09,910 --> 00:36:06,240  
and

862  
00:36:11,190 --> 00:36:09,920  
this i mean like 90 percent of this was

863  
00:36:12,790 --> 00:36:11,200

[h\_\_h] coming from memory like i was

864

00:36:15,829 --> 00:36:12,800

like i'm all for it like

865

00:36:17,990 --> 00:36:15,839

you know and i you know that's

866

00:36:20,630 --> 00:36:18,000

at a point smith is a big fan of fancy

867

00:36:22,870 --> 00:36:20,640

frilly weddings with a new age twist

868

00:36:24,470 --> 00:36:22,880

i bet you he was at david wilcox new age

869

00:36:26,230 --> 00:36:24,480

twist wedding

870

00:36:28,150 --> 00:36:26,240

where this just got so [h\_\_h] serious

871

00:36:29,750 --> 00:36:28,160

and it did get serious real quick

872

00:36:31,349 --> 00:36:29,760

um you know i called my mom and i'm like

873

00:36:32,950 --> 00:36:31,359

mommy listen um i meant the love of my

874

00:36:35,430 --> 00:36:32,960

life and i'm gonna get married and we're

875

00:36:37,109 --> 00:36:35,440

gonna have babies and children and um

876

00:36:38,950 --> 00:36:37,119

yeah by the end of the year like this is

877

00:36:40,310 --> 00:36:38,960

our plan that was our plan you guys

878

00:36:42,230 --> 00:36:40,320

that we were gonna get married and have

879

00:36:45,510 --> 00:36:42,240

babies by the end of the year

880

00:36:47,750 --> 00:36:45,520

um [h\_\_\h] crazy [h\_\_\h] and i was so

881

00:36:49,430 --> 00:36:47,760

excited and i couldn't [h\_\_\h] wait to

882

00:36:51,589 --> 00:36:49,440

tell you guys the world

883

00:36:53,990 --> 00:36:51,599

like i met the love of my life and it's

884

00:36:54,630 --> 00:36:54,000

the coolest [h\_\_\h] magical dream i

885

00:36:57,589 --> 00:36:54,640

don't know

886

00:36:59,030 --> 00:36:57,599

dream story ever and at this point i

887

00:37:01,910 --> 00:36:59,040

didn't meet him physically

888

00:37:03,910 --> 00:37:01,920

but i'm like yeah they do all this plan

889

00:37:06,150 --> 00:37:03,920

to get married plan to have children

890

00:37:08,630 --> 00:37:06,160

all this stuff before they even meet in

891

00:37:11,750 --> 00:37:08,640

person the first time uh

892

00:37:15,270 --> 00:37:11,760

ah this is crazy this

893

00:37:17,430 --> 00:37:15,280

is definitely crazy so uh yeah i

894

00:37:18,390 --> 00:37:17,440

will i have a few more to share a few

895

00:37:19,829 --> 00:37:18,400

more

896

00:37:24,950 --> 00:37:19,839

i'll take some comments from the live

897

00:37:33,030 --> 00:37:28,790

uh bilkingeru says i have a new age

898

00:37:38,630 --> 00:37:35,349

ryan morphy richard says she's more fun

899

00:37:40,790 --> 00:37:38,640

than the mormons you send over

900

00:37:42,150 --> 00:37:40,800

mario heat is here long time no see

901  
00:37:44,150 --> 00:37:42,160  
mario he

902  
00:37:45,430 --> 00:37:44,160  
i'm glad to see you i hope that you are

903  
00:37:47,829 --> 00:37:45,440  
doing well

904  
00:37:50,630 --> 00:37:47,839  
uh and mario heat says i want to date

905  
00:37:52,230 --> 00:37:50,640  
her in the ether too brian murphy

906  
00:37:53,030 --> 00:37:52,240  
richard says love your work i love

907  
00:37:54,790 --> 00:37:53,040  
having you here

908  
00:37:56,630 --> 00:37:54,800  
ryan murphy richards missed you you

909  
00:38:00,630 --> 00:37:56,640  
haven't been around very much

910  
00:38:04,230 --> 00:38:00,640  
right let's uh get we got to get back to

911  
00:38:05,510 --> 00:38:04,240  
uh covering this we have a few more

912  
00:38:16,150 --> 00:38:05,520  
clips of her to share

913  
00:38:20,950 --> 00:38:19,030

i'm matt r i'm fending off a billion

914

00:38:23,430 --> 00:38:20,960

dollar cabal with 60 hours worth of

915

00:38:26,550 --> 00:38:23,440

chinese wi-fi cameras i'm sure it will

916

00:38:31,910 --> 00:38:29,910

yeah this is just crazy

917

00:38:33,510 --> 00:38:31,920

he wanted to marry her dad i'm confused

918

00:38:37,829 --> 00:38:33,520

no he wanted to marry her

919

00:38:38,470 --> 00:38:37,839

right yeah v says gross let's just send

920

00:38:42,870 --> 00:38:38,480

pray

921

00:38:44,230 --> 00:38:42,880

i do feel bad for this girl i really do

922

00:38:45,510 --> 00:38:44,240

i'd like to get her on the shelf she

923

00:38:46,870 --> 00:38:45,520

wants to come on the show and talk about

924

00:38:48,950 --> 00:38:46,880

this uh you know

925

00:38:50,069 --> 00:38:48,960

i could fill her in i could fill her in

926  
00:38:52,630 --> 00:38:50,079  
a lot about the

927  
00:38:54,230 --> 00:38:52,640  
so-called love of her life and what he

928  
00:38:56,150 --> 00:38:54,240  
what

929  
00:38:57,670 --> 00:38:56,160  
he portrays to the world that is

930  
00:39:00,310 --> 00:38:57,680  
fictional and fake

931  
00:39:01,510 --> 00:39:00,320  
and who he really is i could give her

932  
00:39:03,190 --> 00:39:01,520  
some insights into that

933  
00:39:04,310 --> 00:39:03,200  
if she's willing i'm willing if she's

934  
00:39:05,990 --> 00:39:04,320  
willing to come here i'm willing to

935  
00:39:08,390 --> 00:39:06,000  
interview her

936  
00:39:10,470 --> 00:39:08,400  
yeah the sixth sense says damn

937  
00:39:10,950 --> 00:39:10,480  
notifications yeah i'm sorry i hear that

938  
00:39:14,150 --> 00:39:10,960

a lot

939

00:39:17,670 --> 00:39:14,160

the best thing to do is to just uh

940

00:39:20,870 --> 00:39:17,680

check in uh 9 p.m is our usual you know

941

00:39:21,750 --> 00:39:20,880

start date here well let's see if we can

942

00:39:23,430 --> 00:39:21,760

get

943

00:39:24,950 --> 00:39:23,440

yeah we're going to go to the beginning

944

00:39:25,510 --> 00:39:24,960

of this which is the one i wanted to

945

00:39:26,790 --> 00:39:25,520

share

946

00:39:28,790 --> 00:39:26,800

in the beginning i don't know what

947

00:39:31,349 --> 00:39:28,800

happened but we'll uh

948

00:39:32,390 --> 00:39:31,359

we'll just adapt and overcome so this is

949

00:39:34,390 --> 00:39:32,400

again

950

00:39:36,790 --> 00:39:34,400

from her part one video there's two

951  
00:39:38,630 --> 00:39:36,800  
parts to this

952  
00:39:40,230 --> 00:39:38,640  
i can't believe it's like two hours and

953  
00:39:41,829 --> 00:39:40,240  
20 minutes and we're not even i don't

954  
00:39:42,870 --> 00:39:41,839  
even think she's halfway done telling a

955  
00:39:47,270 --> 00:39:42,880  
story

956  
00:39:48,630 --> 00:39:47,280  
we're gonna delve a little deeper into

957  
00:39:51,030 --> 00:39:48,640  
this and share a little more of what she

958  
00:39:52,870 --> 00:39:51,040  
has to say about one emery smith

959  
00:39:54,710 --> 00:39:52,880  
uh this is fair use we'll be critiquing

960  
00:39:55,990 --> 00:39:54,720  
the video discussing what she's talking

961  
00:40:00,710 --> 00:39:56,000  
about with our live chat

962  
00:40:03,910 --> 00:40:02,550  
um this is not gonna be an easy story to

963  
00:40:05,430 --> 00:40:03,920

tell and i'm gonna try not to have a

964

00:40:06,309 --> 00:40:05,440

nervous breakdown a thousand times in

965

00:40:10,069 --> 00:40:06,319

between

966

00:40:14,630 --> 00:40:10,079

um but i think it's a very

967

00:40:17,510 --> 00:40:14,640

important story to tell um

968

00:40:17,910 --> 00:40:17,520

and i want to like make it very clear

969

00:40:20,790 --> 00:40:17,920

that

970

00:40:21,589 --> 00:40:20,800

i'm not sharing the story out of revenge

971

00:40:24,950 --> 00:40:21,599

or to get

972

00:40:27,190 --> 00:40:24,960

something i'm sharing this story

973

00:40:29,349 --> 00:40:27,200

because people deserve to know the truth

974

00:40:32,309 --> 00:40:29,359

because people

975

00:40:34,230 --> 00:40:32,319

truly trust this man and i trusted this

976  
00:40:35,670 --> 00:40:34,240  
man with my heart and soul and people

977  
00:40:37,670 --> 00:40:35,680  
trust him with their heart and soul

978  
00:40:38,710 --> 00:40:37,680  
people trust him with their medical

979  
00:40:42,470 --> 00:40:38,720  
health

980  
00:40:45,589 --> 00:40:42,480  
um you know people trust

981  
00:40:46,870 --> 00:40:45,599  
this man so much for the future of

982  
00:40:50,710 --> 00:40:46,880  
humanity

983  
00:40:52,870 --> 00:40:50,720  
and he's a fraud and it's hard for me to

984  
00:40:55,910 --> 00:40:52,880  
wrap my head around it

985  
00:40:59,109 --> 00:40:55,920  
and it's something that i never

986  
00:41:01,190 --> 00:40:59,119  
ever ever ever ever thought i'd ever

987  
00:41:03,910 --> 00:41:01,200  
have to do

988  
00:41:05,030 --> 00:41:03,920

but you guys know who i am shift to me

989

00:41:06,069 --> 00:41:05,040

is everything

990

00:41:07,430 --> 00:41:06,079

for those of you who haven't been

991

00:41:18,470 --> 00:41:07,440

following me the last year and a half

992

00:41:23,430 --> 00:41:21,030

covering the true uncovering the truth

993

00:41:26,870 --> 00:41:23,440

of what's been happening in the world

994

00:41:29,670 --> 00:41:26,880

um you know and

995

00:41:31,430 --> 00:41:29,680

i feel like this story has to be told

996

00:41:34,790 --> 00:41:31,440

and i have to speak the truth

997

00:41:38,309 --> 00:41:34,800

because what you've been seeing and what

998

00:41:40,470 --> 00:41:38,319

you've been experiencing with emory

999

00:41:41,430 --> 00:41:40,480

versus what's actually happening behind

1000

00:41:44,150 --> 00:41:41,440

the scenes

1001  
00:41:46,230 --> 00:41:44,160  
are two completely different people

1002  
00:41:47,910 --> 00:41:46,240  
completely different people

1003  
00:41:49,829 --> 00:41:47,920  
and it's hard for me till this very

1004  
00:41:51,349 --> 00:41:49,839  
moment it's been a month

1005  
00:41:53,510 --> 00:41:51,359  
it's hard for me to wrap my head around

1006  
00:41:55,589 --> 00:41:53,520  
it i've asked a thousand

1007  
00:41:57,270 --> 00:41:55,599  
questions and i've gotten answers to

1008  
00:41:57,910 --> 00:41:57,280  
them and to those i have a thousand more

1009  
00:42:01,109 --> 00:41:57,920  
and

1010  
00:42:03,270 --> 00:42:01,119  
i can't wrap my head around

1011  
00:42:04,870 --> 00:42:03,280  
wise i have a million why's that i i

1012  
00:42:07,270 --> 00:42:04,880  
don't understand so i'm gonna share with

1013  
00:42:09,109 --> 00:42:07,280

you guys what i know to be true

1014

00:42:10,870 --> 00:42:09,119

i'm gonna share with you guys proof and

1015

00:42:13,190 --> 00:42:10,880

evidence um

1016

00:42:14,069 --> 00:42:13,200

obviously from the closest source to him

1017

00:42:17,030 --> 00:42:14,079

which would be

1018

00:42:18,230 --> 00:42:17,040

me you know i've asked my close family

1019

00:42:21,430 --> 00:42:18,240

and friends who have been with me in

1020

00:42:23,829 --> 00:42:21,440

this journey the last half a year

1021

00:42:24,630 --> 00:42:23,839

and everyone believes that i need to do

1022

00:42:27,990 --> 00:42:24,640

it

1023

00:42:31,190 --> 00:42:28,000

and there is a side of me that

1024

00:42:32,150 --> 00:42:31,200

really wants to stick up and tell the

1025

00:42:34,069 --> 00:42:32,160

truth

1026  
00:42:36,069 --> 00:42:34,079  
because that's who i am and that's where

1027  
00:43:10,829 --> 00:42:36,079  
my morals and values and heart

1028  
00:43:10,839 --> 00:43:35,510  
like

1029  
00:43:40,470 --> 00:43:38,870  
won't make sense currently um

1030  
00:43:42,630 --> 00:43:40,480  
but i know that this can affect his

1031  
00:43:45,990 --> 00:43:42,640  
career and that's something

1032  
00:43:47,670 --> 00:43:46,000  
that has come up for me many times or i

1033  
00:43:49,109 --> 00:43:47,680  
would never want to harm someone's

1034  
00:43:51,430 --> 00:43:49,119  
career without a career someone's

1035  
00:43:54,950 --> 00:43:51,440  
there's a condolences away from them

1036  
00:43:57,270 --> 00:43:54,960  
um that's not who i am like

1037  
00:43:58,390 --> 00:43:57,280  
it's just not i think that's horrific

1038  
00:44:00,230 --> 00:43:58,400

again that's

1039

00:44:02,309 --> 00:44:00,240

god deals with that karma and stuff

1040

00:44:05,829 --> 00:44:02,319

that's not my job to ever do that

1041

00:44:09,670 --> 00:44:08,550

is he chose his career i didn't choose

1042

00:44:12,710 --> 00:44:09,680

his career

1043

00:44:15,030 --> 00:44:12,720

people

1044

00:44:16,470 --> 00:44:15,040

about stories about aliens that's his

1045

00:44:19,270 --> 00:44:16,480

career so what are you

1046

00:44:19,910 --> 00:44:19,280

you're not damaging you know it's not

1047

00:44:22,870 --> 00:44:19,920

like he

1048

00:44:24,150 --> 00:44:22,880

is a respected you know i don't know

1049

00:44:27,190 --> 00:44:24,160

business person or

1050

00:44:28,790 --> 00:44:27,200

author or you know i don't know

1051  
00:44:31,349 --> 00:44:28,800  
community member

1052  
00:44:32,230 --> 00:44:31,359  
he's known as a con artist and a grifter

1053  
00:44:35,510 --> 00:44:32,240  
selling fake

1054  
00:44:38,230 --> 00:44:35,520  
stories about aliens right and

1055  
00:44:40,630 --> 00:44:38,240  
emery chose to be a whistleblower on a

1056  
00:44:42,790 --> 00:44:40,640  
tv show called cosmic description

1057  
00:44:44,790 --> 00:44:42,800  
where he speaks the truth yeah he speaks

1058  
00:44:45,109 --> 00:44:44,800  
the truth he lied through his teeth to

1059  
00:44:47,030 --> 00:44:45,119  
you

1060  
00:44:48,950 --> 00:44:47,040  
every chance he got but she's still

1061  
00:44:50,309 --> 00:44:48,960  
saying that he was telling the truth on

1062  
00:44:52,150 --> 00:44:50,319  
cosmic disclosure

1063  
00:44:54,309 --> 00:44:52,160

honey you need to sit back and think

1064

00:44:57,510 --> 00:44:54,319

about this if he lied to you

1065

00:44:59,270 --> 00:44:57,520

every single chance that he got right he

1066

00:45:00,790 --> 00:44:59,280

pretty much proved himself to you to be

1067

00:45:03,109 --> 00:45:00,800

a pathological liar

1068

00:45:05,190 --> 00:45:03,119

what are the chances that the stories

1069

00:45:08,150 --> 00:45:05,200

he's telling on cosmic disclosure

1070

00:45:10,550 --> 00:45:08,160

about being a whistleblower about aliens

1071

00:45:13,270 --> 00:45:10,560

what are the chances that [h\_\_h] is true

1072

00:45:15,030 --> 00:45:13,280

so what when he's on film on camera on

1073

00:45:15,750 --> 00:45:15,040

gaia he tells the truth but when he's

1074

00:45:17,270 --> 00:45:15,760

talking to you

1075

00:45:20,150 --> 00:45:17,280

every single time he talks to you he's

1076

00:45:23,349 --> 00:45:20,160

lying no a liar is a liar

1077

00:45:24,790 --> 00:45:23,359

a fraud is a fraud honey about hidden

1078

00:45:29,430 --> 00:45:24,800

technologies

1079

00:45:33,270 --> 00:45:32,230

and he comes off as a superhero which i

1080

00:45:35,190 --> 00:45:33,280

thought he was

1081

00:45:37,190 --> 00:45:35,200

yeah and he even mentions before he

1082

00:45:38,630 --> 00:45:37,200

meets her he's got to get back into

1083

00:45:41,670 --> 00:45:38,640

super soldier

1084

00:45:42,630 --> 00:45:41,680

uh shape so he he also claimed to be a

1085

00:45:46,550 --> 00:45:42,640

super soldier

1086

00:45:48,630 --> 00:45:46,560

to her to have enhanced everything

1087

00:45:51,349 --> 00:45:48,640

right he's a superhero he's got

1088

00:45:53,109 --> 00:45:51,359

superpowers like a lot of these frauds

1089

00:45:54,790 --> 00:45:53,119

right even her she's got she's an

1090

00:45:58,950 --> 00:45:54,800

intuitive empath

1091

00:45:59,990 --> 00:45:58,960

sure she knows and the fact that he has

1092

00:46:03,750 --> 00:46:00,000

a tv show where

1093

00:46:06,069 --> 00:46:03,760

he um preaches preaches

1094

00:46:08,710 --> 00:46:06,079

the truth on and in reality he's a

1095

00:46:12,150 --> 00:46:08,720

completely different human being

1096

00:46:13,270 --> 00:46:12,160

that like i didn't choose that for him

1097

00:46:15,670 --> 00:46:13,280

he chose that

1098

00:46:17,270 --> 00:46:15,680

so i don't know how this is going to

1099

00:46:19,109 --> 00:46:17,280

affect him but it's something that i've

1100

00:46:20,309 --> 00:46:19,119

definitely taken into consideration i

1101  
00:46:21,910 --> 00:46:20,319  
don't know how this is going to affect

1102  
00:46:23,510 --> 00:46:21,920  
him either because

1103  
00:46:25,670 --> 00:46:23,520  
i thought emery was finished when the

1104  
00:46:27,990 --> 00:46:25,680  
points on the curve guy came out and

1105  
00:46:30,870 --> 00:46:28,000  
told detailed stories about all of his

1106  
00:46:32,790 --> 00:46:30,880  
fraudery and forgery and fakery

1107  
00:46:34,150 --> 00:46:32,800  
and it didn't it didn't seem to phase

1108  
00:46:36,470 --> 00:46:34,160  
him one bit he just kept

1109  
00:46:37,270 --> 00:46:36,480  
go right on con in people with these q

1110  
00:46:41,030 --> 00:46:37,280  
and a's

1111  
00:46:44,470 --> 00:46:41,040  
right great

1112  
00:46:46,550 --> 00:46:44,480  
before creating this um but again i

1113  
00:46:49,270 --> 00:46:46,560

didn't choose his career emery chose his

1114

00:46:52,790 --> 00:46:49,280

career and his path and his pathological

1115

00:47:00,069 --> 00:46:52,800

oh wait i'm sorry all right one second

1116

00:47:10,309 --> 00:47:03,190

one second

1117

00:47:13,349 --> 00:47:10,319

sometimes i forget

1118

00:47:15,910 --> 00:47:13,359

one second friends let me share this

1119

00:47:22,710 --> 00:47:19,109

make sure i share audio

1120

00:47:24,309 --> 00:47:22,720

and again fair use just who i am

1121

00:47:26,150 --> 00:47:24,319

truth to me is everything i wear my

1122

00:47:27,109 --> 00:47:26,160

heart on my sleeve you guys have seen me

1123

00:47:30,470 --> 00:47:27,119

cry

1124

00:47:31,430 --> 00:47:30,480

laugh cuss say the truth i'm blunt as

1125

00:47:33,990 --> 00:47:31,440

fudge

1126

00:47:35,430 --> 00:47:34,000

that's who i am um and i know that

1127

00:47:36,950 --> 00:47:35,440

that's why a lot of you guys say that

1128

00:47:37,589 --> 00:47:36,960

you like me because i say the things

1129

00:47:40,069 --> 00:47:37,599

that

1130

00:47:41,109 --> 00:47:40,079

most people want to say but don't what i

1131

00:47:43,030 --> 00:47:41,119

had experienced

1132

00:47:44,630 --> 00:47:43,040

was in the last half a year i have been

1133

00:47:46,470 --> 00:47:44,640

secretly engaged to

1134

00:47:47,990 --> 00:47:46,480

a man named emery smith who is a

1135

00:47:51,829 --> 00:47:48,000

whistleblower

1136

00:47:53,190 --> 00:47:51,839

honey there's no proof that he was a

1137

00:47:55,190 --> 00:47:53,200

whistleblower of any

1138

00:47:56,309 --> 00:47:55,200

importance whistleblowers have

1139

00:48:01,990 --> 00:47:56,319

consequences

1140

00:48:08,549 --> 00:48:05,430

i went okay i went

1141

00:48:09,910 --> 00:48:08,559

in a week from being engaged to the love

1142

00:48:11,190 --> 00:48:09,920

of my life and living in my dream

1143

00:48:14,230 --> 00:48:11,200

apartment

1144

00:48:15,990 --> 00:48:14,240

to finding out that the love of my life

1145

00:48:17,270 --> 00:48:16,000

has been cheating on me and has a secret

1146

00:48:18,309 --> 00:48:17,280

relationship for the last year and a

1147

00:48:21,750 --> 00:48:18,319

half

1148

00:48:23,589 --> 00:48:21,760

and i lost my house because of him

1149

00:48:24,950 --> 00:48:23,599

and on top of it i thought i was

1150

00:48:29,270 --> 00:48:24,960

pregnant

1151

00:48:33,270 --> 00:48:32,390

and it all happened in like a week a

1152

00:48:35,829 --> 00:48:33,280

week and a half

1153

00:48:36,630 --> 00:48:35,839

max i can't yeah and through this video

1154

00:48:38,309 --> 00:48:36,640

she details

1155

00:48:41,030 --> 00:48:38,319

all of these times where he won't answer

1156

00:48:43,670 --> 00:48:41,040

his phone and i just want to tell

1157

00:48:45,190 --> 00:48:43,680

everyone especially the ladies if a man

1158

00:48:46,309 --> 00:48:45,200

won't answer his phone when you're

1159

00:48:47,910 --> 00:48:46,319

calling him

1160

00:48:50,150 --> 00:48:47,920

it's probably because he's with another

1161

00:48:51,270 --> 00:48:50,160

woman or it could be because he's with

1162

00:48:53,349 --> 00:48:51,280

another woman

1163

00:48:55,030 --> 00:48:53,359

right why would he not answer his phone

1164

00:48:56,230 --> 00:48:55,040

according to him he was on secret

1165

00:48:57,829 --> 00:48:56,240

missions and he wasn't allowed to take

1166

00:49:00,549 --> 00:48:57,839

his phone with him

1167

00:49:01,510 --> 00:49:00,559

sure henry smith sure but here we detail

1168

00:49:03,750 --> 00:49:01,520

that she was

1169

00:49:05,670 --> 00:49:03,760

being cheated on and she has evidence

1170

00:49:07,670 --> 00:49:05,680

and proof of this

1171

00:49:09,030 --> 00:49:07,680

great you know the days i don't even

1172

00:49:09,829 --> 00:49:09,040

know dates anymore at this point i'd

1173

00:49:13,349 --> 00:49:09,839

have to look it up

1174

00:49:16,390 --> 00:49:13,359

but that was too much for me to handle

1175

00:49:18,309 --> 00:49:16,400

to say the least yeah

1176  
00:49:19,829 --> 00:49:18,319  
we're gonna stop this one there's really

1177  
00:49:21,430 --> 00:49:19,839  
there's really not much there but we

1178  
00:49:24,309 --> 00:49:21,440  
have i have one more

1179  
00:49:25,190 --> 00:49:24,319  
clip to share that i think uh she says

1180  
00:49:29,109 --> 00:49:25,200  
some fun stuff

1181  
00:49:32,230 --> 00:49:29,119  
in right mario ufo the kind and generous

1182  
00:49:34,710 --> 00:49:32,240  
uh super chat of two is that pounds

1183  
00:49:36,710 --> 00:49:34,720  
emery in chat threaten lawyers why i

1184  
00:49:40,470 --> 00:49:36,720  
don't know

1185  
00:49:41,990 --> 00:49:40,480  
uh really

1186  
00:49:51,109 --> 00:49:42,000  
is emery and i don't think he's in the

1187  
00:49:55,270 --> 00:49:52,630  
yeah i'm looking through i don't

1188  
00:49:56,950 --> 00:49:55,280

actually see him in here so

1189

00:49:58,710 --> 00:49:56,960

please don't say things like emery's in

1190

00:50:05,430 --> 00:49:58,720

chat threatening lawyers i

1191

00:50:09,430 --> 00:50:07,510

said says my lord gaia is sure loaded

1192

00:50:11,910 --> 00:50:09,440

with frauds yeah i agree

1193

00:50:13,270 --> 00:50:11,920

uh but anyway mary ufo thank you for

1194

00:50:15,109 --> 00:50:13,280

your kindness your generosity and

1195

00:50:16,630 --> 00:50:15,119

support anybody else who wants to throw

1196

00:50:19,589 --> 00:50:16,640

money at me

1197

00:50:21,270 --> 00:50:19,599

there is definitely a money button down

1198

00:50:23,109 --> 00:50:21,280

there in the live chat and you can buy a

1199

00:50:25,510 --> 00:50:23,119

super sticker to support the show or

1200

00:50:27,109 --> 00:50:25,520

send a super chat donation to support

1201

00:50:30,950 --> 00:50:27,119

the show you can also

1202

00:50:33,109 --> 00:50:30,960

uh you can donate via paypal

1203

00:50:34,390 --> 00:50:33,119

and there is a paypal donate button link

1204

00:50:36,390 --> 00:50:34,400

in the bottom

1205

00:50:38,309 --> 00:50:36,400

in the description of this video and

1206

00:50:41,030 --> 00:50:38,319

also a

1207

00:50:43,349 --> 00:50:41,040

a link for how to support us on patreon

1208

00:50:45,510 --> 00:50:43,359

uh but i just want to thank mario ufo

1209

00:50:46,790 --> 00:50:45,520

uh for the kind and generous donation

1210

00:50:49,109 --> 00:50:46,800

and i'd like to

1211

00:50:51,190 --> 00:50:49,119

thank you mario ufo praise the cash

1212

00:50:53,670 --> 00:50:51,200

praise the cash praise the cash

1213

00:50:55,349 --> 00:50:53,680

because the cash makes this show go and

1214

00:50:58,630 --> 00:50:55,359

marry ufo is helping us

1215

00:50:59,990 --> 00:50:58,640

continue in this adventure thank you for

1216

00:51:02,069 --> 00:51:00,000

your kindness your generosity and

1217

00:51:04,390 --> 00:51:02,079

support mario ufo

1218

00:51:05,190 --> 00:51:04,400

i appreciate it uh thank you for

1219

00:51:08,150 --> 00:51:05,200

blessing me

1220

00:51:09,109 --> 00:51:08,160

and my show and i uh my wish is that god

1221

00:51:12,630 --> 00:51:09,119

will bless you

1222

00:51:15,910 --> 00:51:12,640

and your family and friends equally

1223

00:51:18,150 --> 00:51:15,920

thank you all right

1224

00:51:19,750 --> 00:51:18,160

uh we'll go back to some comments from

1225

00:51:29,349 --> 00:51:19,760

the live chat then we'll get to

1226

00:51:33,589 --> 00:51:31,349

yeah i agree with you out of mine says

1227

00:51:34,630 --> 00:51:33,599

gaia dips these human feces and teflon i

1228

00:51:36,309 --> 00:51:34,640

heard which is why

1229

00:51:37,910 --> 00:51:36,319

all the [h\_\_h] just slides right off of

1230

00:51:39,510 --> 00:51:37,920

them yeah it's like

1231

00:51:41,430 --> 00:51:39,520

no matter how many people come out and

1232

00:51:42,710 --> 00:51:41,440

say they're frauds even with evidence

1233

00:51:45,510 --> 00:51:42,720

and proof

1234

00:51:46,790 --> 00:51:45,520

you know they keep rolling on with their

1235

00:51:52,150 --> 00:51:46,800

con games right

1236

00:51:55,829 --> 00:51:53,589

matar says emery drinking could have

1237

00:51:57,430 --> 00:51:55,839

been ptsd what is not explainable was

1238

00:51:59,750 --> 00:51:57,440

the bullet left as a threat it was a

1239

00:52:01,270 --> 00:51:59,760

civilian power protect 5.7 why not the

1240

00:52:03,829 --> 00:52:01,280

military restricted ap

1241

00:52:05,270 --> 00:52:03,839

5.7 round they'd carry that one yeah and

1242

00:52:07,030 --> 00:52:05,280

his father-in-law

1243

00:52:09,109 --> 00:52:07,040

his points on the curve guy matt are

1244

00:52:10,390 --> 00:52:09,119

explained that that bullet that was left

1245

00:52:13,270 --> 00:52:10,400

on his counter was from

1246

00:52:14,790 --> 00:52:13,280

a gun that he had that caliber of bullet

1247

00:52:18,390 --> 00:52:14,800

and he had those bullets

1248

00:52:19,510 --> 00:52:18,400

in his home so what's more likely that

1249

00:52:22,150 --> 00:52:19,520

the men in black

1250

00:52:22,870 --> 00:52:22,160

broke into his house ripped through his

1251  
00:52:24,710 --> 00:52:22,880  
house

1252  
00:52:26,470 --> 00:52:24,720  
ripped the walls open trying to find

1253  
00:52:27,349 --> 00:52:26,480  
something and then they left a bullet on

1254  
00:52:28,870 --> 00:52:27,359  
the counter

1255  
00:52:30,630 --> 00:52:28,880  
that just so happens to be the same

1256  
00:52:32,470 --> 00:52:30,640  
bullet for the gun that emery smith

1257  
00:52:33,750 --> 00:52:32,480  
owns or that emery smith just put on the

1258  
00:52:35,750 --> 00:52:33,760  
camera and took a picture

1259  
00:52:36,870 --> 00:52:35,760  
and sent it to idiot david wilcock and

1260  
00:52:44,470 --> 00:52:36,880  
claimed he was under

1261  
00:52:47,990 --> 00:52:46,710  
mario heat says this girl has an only

1262  
00:52:49,910 --> 00:52:48,000  
whistle blowers

1263  
00:52:51,349 --> 00:52:49,920

i bet she has i'm not sure if she hasn't

1264

00:52:55,109 --> 00:52:51,359

only fans i haven't

1265

00:52:57,990 --> 00:52:55,119

uh i haven't checked yeah

1266

00:52:58,390 --> 00:52:58,000

hollis horrible says chelsea manning is

1267

00:53:05,829 --> 00:52:58,400

a

1268

00:53:07,990 --> 00:53:05,839

i wonder

1269

00:53:09,910 --> 00:53:08,000

and v says oh lost my house yeah this

1270

00:53:11,430 --> 00:53:09,920

girl lost her house over

1271

00:53:15,030 --> 00:53:11,440

emery smith i hope she didn't give him

1272

00:53:15,829 --> 00:53:15,040

any money right she didn't detail giving

1273

00:53:20,230 --> 00:53:15,839

him any money

1274

00:53:21,750 --> 00:53:20,240

but guy of the channel meant to do new

1275

00:53:26,829 --> 00:53:21,760

age california hippies

1276

00:53:35,270 --> 00:53:27,990

correct

1277

00:53:39,510 --> 00:53:36,710

she talks a lot about the letter of the

1278

00:53:42,150 --> 00:53:39,520

alphabet i'm gonna see if i

1279

00:53:43,510 --> 00:53:42,160

i don't want to uh play anybody talking

1280

00:53:44,549 --> 00:53:43,520

about that letter of the alphabet

1281

00:53:46,870 --> 00:53:44,559

because we know could be

1282

00:53:48,309 --> 00:53:46,880

detrimental but ai algorithm gods don't

1283

00:53:51,910 --> 00:53:48,319

like it and by the way

1284

00:53:52,470 --> 00:53:51,920

praise google this is my daily prayer to

1285

00:53:54,630 --> 00:53:52,480

the ai

1286

00:53:55,990 --> 00:53:54,640

algorithm gods please find favor in us

1287

00:54:00,630 --> 00:53:56,000

and rise rises in the search

1288

00:54:05,109 --> 00:54:03,510

my life is in the hands of an ai

1289

00:54:29,750 --> 00:54:05,119

algorithm god

1290

00:54:29,760 --> 00:54:34,230

one second friends

1291

00:54:38,069 --> 00:54:36,150

and by the way in this video she also

1292

00:54:40,069 --> 00:54:38,079

talks about corey goods of fraud right

1293

00:54:41,349 --> 00:54:40,079

but emery smith was the real deal so

1294

00:54:44,950 --> 00:54:41,359

gaia took down

1295

00:54:47,910 --> 00:54:44,960

all of corey good's material in favor of

1296

00:54:48,870 --> 00:54:47,920

in favor of every smith's real

1297

00:54:52,789 --> 00:54:48,880

information

1298

00:54:54,789 --> 00:54:52,799

sure all around says praise the cash

1299

00:54:56,230 --> 00:54:54,799

yeah i say praise the cash praise the

1300

00:54:58,630 --> 00:54:56,240

cash almighty

1301  
00:55:01,589 --> 00:54:58,640  
somebody help me praise the cash by

1302  
00:55:05,190 --> 00:55:03,910  
all right uh we're gonna get to the uh

1303  
00:55:10,309 --> 00:55:05,200  
section from the part

1304  
00:55:13,030 --> 00:55:10,319  
two of this of this soap opera drama

1305  
00:55:14,710 --> 00:55:13,040  
that's what it feels like it's like he

1306  
00:55:16,150 --> 00:55:14,720  
was lying to me and sleeping with my

1307  
00:55:19,270 --> 00:55:16,160  
sister

1308  
00:55:21,190 --> 00:55:19,280  
well she didn't say that but yeah yeah

1309  
00:55:23,270 --> 00:55:21,200  
this is terrible so this is from part

1310  
00:55:26,309 --> 00:55:23,280  
two and again

1311  
00:55:30,710 --> 00:55:26,319  
uh we are going to uh

1312  
00:55:33,990 --> 00:55:33,670  
to uh educate people on emery smith

1313  
00:55:35,910 --> 00:55:34,000

being

1314

00:55:37,829 --> 00:55:35,920

a fraud and a liar at least according to

1315

00:55:39,910 --> 00:55:37,839

many people including this girl who

1316

00:55:41,510 --> 00:55:39,920

he was engaged to for a time because

1317

00:55:42,950 --> 00:55:41,520

after we had we were obese you know

1318

00:55:44,630 --> 00:55:42,960

we've decided that we weren't gonna get

1319

00:55:46,230 --> 00:55:44,640

married we're gonna have kids emory is

1320

00:55:49,349 --> 00:55:46,240

like okay listen like

1321

00:55:53,270 --> 00:55:49,359

um in order for us to make that possible

1322

00:55:55,430 --> 00:55:53,280

i'm gonna have to kind of like rearrange

1323

00:55:57,670 --> 00:55:55,440

my entire life

1324

00:55:58,789 --> 00:55:57,680

because i had created a life for myself

1325

00:56:00,390 --> 00:55:58,799

where i thought i was gonna be single

1326  
00:56:02,150 --> 00:56:00,400  
for the rest of my life

1327  
00:56:04,549 --> 00:56:02,160  
and all of a sudden you came along and

1328  
00:56:07,750 --> 00:56:04,559  
you changed everything

1329  
00:56:09,750 --> 00:56:07,760  
so emery tells me like

1330  
00:56:12,549 --> 00:56:09,760  
that you know he has to finish this

1331  
00:56:14,549 --> 00:56:12,559  
important mission before

1332  
00:56:16,470 --> 00:56:14,559  
again he's on secret missions he can't

1333  
00:56:19,910 --> 00:56:16,480  
meet this hot girl he's engaged to

1334  
00:56:22,309 --> 00:56:19,920  
because he's on secret missions

1335  
00:56:22,950 --> 00:56:22,319  
okay you're on secret missions emery

1336  
00:56:25,510 --> 00:56:22,960  
smith

1337  
00:56:27,109 --> 00:56:25,520  
sure you are sure you're a secret agent

1338  
00:56:29,030 --> 00:56:27,119

with super powers and you're a super

1339

00:56:32,870 --> 00:56:29,040

soldier and a whistleblower

1340

00:56:34,309 --> 00:56:32,880

right sure and because it was dangerous

1341

00:56:36,069 --> 00:56:34,319

for me to meet him prior to that it

1342

00:56:38,309 --> 00:56:36,079

would put my life at risk

1343

00:56:40,630 --> 00:56:38,319

and also he would have to find us a

1344

00:56:42,710 --> 00:56:40,640

place to live

1345

00:56:44,309 --> 00:56:42,720

which he was starting to look but on top

1346

00:56:48,069 --> 00:56:44,319

of that he also lived

1347

00:56:50,630 --> 00:56:48,079

with his team oh my goodness

1348

00:56:51,829 --> 00:56:50,640

okay um so he said that he lives with

1349

00:56:53,990 --> 00:56:51,839

his team

1350

00:56:55,990 --> 00:56:54,000

she's laughing here because it becomes

1351  
00:56:57,109 --> 00:56:56,000  
very apparent to her that there is no

1352  
00:56:59,349 --> 00:56:57,119  
team

1353  
00:57:01,109 --> 00:56:59,359  
and she basically catches him talking to

1354  
00:57:02,150 --> 00:57:01,119  
himself pretending that he's talking to

1355  
00:57:04,549 --> 00:57:02,160  
other people

1356  
00:57:06,470 --> 00:57:04,559  
at his home or residence wherever he's

1357  
00:57:09,990 --> 00:57:06,480  
you know facetimeing her from

1358  
00:57:12,309 --> 00:57:10,000  
and she basically challenges him and

1359  
00:57:14,309 --> 00:57:12,319  
it becomes quickly apparent that he's

1360  
00:57:17,270 --> 00:57:14,319  
talking to a fake team that doesn't

1361  
00:57:18,470 --> 00:57:17,280  
exist isn't that some [h\_\_\h] so emery

1362  
00:57:20,390 --> 00:57:18,480  
smith is telling her

1363  
00:57:21,829 --> 00:57:20,400

me and my team and their the team

1364

00:57:23,430 --> 00:57:21,839

doesn't there's no team

1365

00:57:24,870 --> 00:57:23,440

emery smith it's just you and your

1366

00:57:27,910 --> 00:57:24,880

delusional fantasies

1367

00:57:30,150 --> 00:57:27,920

that you have a team and

1368

00:57:32,309 --> 00:57:30,160

that you know he has this entourage and

1369

00:57:35,510 --> 00:57:32,319

that everybody has you know a job

1370

00:57:37,349 --> 00:57:35,520

and they count on him for a job

1371

00:57:40,069 --> 00:57:37,359

like he has security and he has you know

1372

00:57:43,190 --> 00:57:40,079

all this you know like this uh

1373

00:57:46,870 --> 00:57:43,200

what's it called like this entourage

1374

00:57:48,870 --> 00:57:46,880

um and so you know he didn't want me

1375

00:57:50,710 --> 00:57:48,880

and our children to live this like kind

1376

00:57:52,710 --> 00:57:50,720

of crazy life where we can't even go to

1377

00:57:54,549 --> 00:57:52,720

the market without security

1378

00:57:56,710 --> 00:57:54,559

um because everyone's always out to kill

1379

00:57:59,030 --> 00:57:56,720

and get emery and like you know

1380

00:58:02,230 --> 00:57:59,040

yeah all these people are out to kill

1381

00:58:04,390 --> 00:58:02,240

him this is another delusional fantasy

1382

00:58:07,430 --> 00:58:04,400

and we see evidence of this in this

1383

00:58:08,950 --> 00:58:07,440

paypal scam he ran where he claimed

1384

00:58:10,710 --> 00:58:08,960

he and david wilcock ran where he

1385

00:58:12,630 --> 00:58:10,720

claimed that the deep state and the dark

1386

00:58:13,829 --> 00:58:12,640

cabal broke in his house and they tried

1387

00:58:15,910 --> 00:58:13,839

to kill him

1388

00:58:17,910 --> 00:58:15,920

right he ended up in the hospital turns

1389

00:58:19,589 --> 00:58:17,920

out it was an alcoholic bender that he

1390

00:58:22,870 --> 00:58:19,599

was on and he ended up in the hospital

1391

00:58:24,549 --> 00:58:22,880

over alcohol poisoning but

1392

00:58:26,789 --> 00:58:24,559

you know this is the fantasy land of

1393

00:58:27,990 --> 00:58:26,799

emery smith he's a secret agent he's got

1394

00:58:29,589 --> 00:58:28,000

security

1395

00:58:31,430 --> 00:58:29,599

because everybody's trying to kill him

1396

00:58:32,069 --> 00:58:31,440

and according to him he tells this girl

1397

00:58:35,270 --> 00:58:32,079

that the

1398

00:58:37,109 --> 00:58:35,280

dark state deep state whatever the men

1399

00:58:37,670 --> 00:58:37,119

in black the cabal they killed his

1400

00:58:42,630 --> 00:58:37,680

entire

1401  
00:58:45,270 --> 00:58:42,640  
alone now

1402  
00:58:46,630 --> 00:58:45,280  
horseshit want our children to have this

1403  
00:58:49,109 --> 00:58:46,640  
kind of a life so

1404  
00:58:50,390 --> 00:58:49,119  
he had to finish this crazy mission and

1405  
00:58:53,829 --> 00:58:50,400  
then had to pick up

1406  
00:58:55,510 --> 00:58:53,839  
certain jobs one of which was um

1407  
00:58:56,950 --> 00:58:55,520  
you know jobs like the science

1408  
00:58:59,990 --> 00:58:56,960  
department of the un

1409  
00:59:00,950 --> 00:59:00,000  
which was a lie and um he said that he

1410  
00:59:03,510 --> 00:59:00,960  
did that

1411  
00:59:04,390 --> 00:59:03,520  
so oh wait a minute we missed i missed

1412  
00:59:07,910 --> 00:59:04,400  
that he

1413  
00:59:11,589 --> 00:59:07,920

for the u.n entourage

1414

00:59:13,670 --> 00:59:11,599

um and so you know he didn't want me

1415

00:59:15,430 --> 00:59:13,680

and our children to live this like kind

1416

00:59:17,430 --> 00:59:15,440

of crazy life where we can't even go to

1417

00:59:19,270 --> 00:59:17,440

the market without security

1418

00:59:20,630 --> 00:59:19,280

um because everyone's always out to kill

1419

00:59:22,789 --> 00:59:20,640

and get emery

1420

00:59:24,069 --> 00:59:22,799

like you don't want to try to have this

1421

00:59:26,630 --> 00:59:24,079

kind of a life so

1422

00:59:29,270 --> 00:59:26,640

he had to finish this crazy mission and

1423

00:59:32,549 --> 00:59:29,280

then had to pick up certain jobs

1424

00:59:34,710 --> 00:59:32,559

one of which was um you know jobs like

1425

00:59:35,670 --> 00:59:34,720

the science department of the un which

1426

00:59:38,870 --> 00:59:35,680

was a lie

1427

00:59:40,309 --> 00:59:38,880

and um he said that he did that yeah so

1428

00:59:43,270 --> 00:59:40,319

he tells her he's gonna be working for

1429

00:59:46,710 --> 00:59:43,280

the science department at the u.n

1430

00:59:48,470 --> 00:59:46,720

boy that's some [ʌ\_\_\h] like

1431

00:59:49,990 --> 00:59:48,480

and you know what i wondered about is

1432

00:59:50,390 --> 00:59:50,000

like if he did start living with this

1433

00:59:52,309 --> 00:59:50,400

girl

1434

00:59:54,150 --> 00:59:52,319

what's he gonna do just like go for a

1435

00:59:55,430 --> 00:59:54,160

walk for three hours a day and tell her

1436

00:59:58,470 --> 00:59:55,440

he's going to work

1437

01:00:00,789 --> 00:59:58,480

at the u.n the un's in new york right i

1438

01:00:01,990 --> 01:00:00,799

guess get remote in while he's doing his

1439

01:00:04,549 --> 01:00:02,000

science

1440

01:00:05,910 --> 01:00:04,559

uh you know work i guess he remotes into

1441

01:00:08,789 --> 01:00:05,920

donald trump's team

1442

01:00:10,230 --> 01:00:08,799

right because according to him not only

1443

01:00:11,750 --> 01:00:10,240

was he gonna work for the science

1444

01:00:14,470 --> 01:00:11,760

department of the un

1445

01:00:16,230 --> 01:00:14,480

he was already working for donald trump

1446

01:00:18,789 --> 01:00:16,240

developing pharmaceuticals and

1447

01:00:21,349 --> 01:00:18,799

treatments for the current health crisis

1448

01:00:24,069 --> 01:00:21,359

sure you were sure you're gonna work

1449

01:00:27,430 --> 01:00:24,079

jesus christ what a bunch of [h\_\_\h]

1450

01:00:28,390 --> 01:00:27,440

so i don't know to like have better

1451

01:00:31,510 --> 01:00:28,400

protection

1452

01:00:33,349 --> 01:00:31,520

from the government some [h\_\_h] like that

1453

01:00:34,549 --> 01:00:33,359

um and so he was going to take less

1454

01:00:38,069 --> 01:00:34,559

dangerous jobs

1455

01:00:41,430 --> 01:00:38,079

um but he also had to figure out how

1456

01:00:42,630 --> 01:00:41,440

he was going to let go of the people

1457

01:00:44,630 --> 01:00:42,640

that were living with them and

1458

01:00:46,470 --> 01:00:44,640

help you know kind of let them know that

1459

01:00:48,069 --> 01:00:46,480

you know they can't live there anymore

1460

01:00:49,190 --> 01:00:48,079

and that they have to find a new job and

1461

01:00:52,470 --> 01:00:49,200

you know this whole thing was going to

1462

01:00:55,109 --> 01:00:52,480

take time and preparation for us to find

1463

01:00:56,630 --> 01:00:55,119

our perfect home and to rearrange

1464

01:00:59,349 --> 01:00:56,640

everything so that

1465

01:00:59,990 --> 01:00:59,359

we can live this beautiful magical safe

1466

01:01:01,910 --> 01:01:00,000

life

1467

01:01:03,190 --> 01:01:01,920

so every single time i would you know be

1468

01:01:04,549 --> 01:01:03,200

like okay but what am i going to see you

1469

01:01:06,870 --> 01:01:04,559

when am i going to see you

1470

01:01:08,710 --> 01:01:06,880

emery would be like listen babe like you

1471

01:01:10,230 --> 01:01:08,720

know i'm let me finish this mission

1472

01:01:12,230 --> 01:01:10,240

i'm doing you know you're not you're not

1473

01:01:12,710 --> 01:01:12,240

appreciating all this stuff that i'm

1474

01:01:15,750 --> 01:01:12,720

doing

1475

01:01:16,710 --> 01:01:15,760

um for our future but so he had told me

1476

01:01:21,030 --> 01:01:16,720

he's

1477

01:01:23,030 --> 01:01:21,040

secret missions i can't

1478

01:01:25,510 --> 01:01:23,040

i can't hang out with you now baby

1479

01:01:28,950 --> 01:01:25,520

because i'm on a secret mission

1480

01:01:30,789 --> 01:01:28,960

in my imagination maybe every smith is

1481

01:01:32,069 --> 01:01:30,799

on secret missions in his imagination

1482

01:01:34,069 --> 01:01:32,079

come on emily smith

1483

01:01:35,510 --> 01:01:34,079

you can email me show me proof of your

1484

01:01:37,430 --> 01:01:35,520

secret missions you don't have to tell

1485

01:01:38,789 --> 01:01:37,440

me just show me some plane tickets

1486

01:01:40,710 --> 01:01:38,799

you claim that you went on a secret

1487

01:01:41,910 --> 01:01:40,720

mission to antarctica show me a plane

1488

01:01:43,670 --> 01:01:41,920

ticket to antarctica

1489

01:01:45,030 --> 01:01:43,680

show me proof you actually weren't ever

1490

01:01:47,510 --> 01:01:45,040

stepped foot in antarctica

1491

01:01:50,630 --> 01:01:47,520

you can't because this is emery smith's

1492

01:01:53,829 --> 01:01:50,640

land of magical make-believe

1493

01:01:55,990 --> 01:01:53,839

and you know gosh

1494

01:01:57,190 --> 01:01:56,000

i feel like such a [h\_\_\h] dumb ass but

1495

01:01:58,710 --> 01:01:57,200

hey

1496

01:02:01,029 --> 01:01:58,720

i'm not the only one who believes this

1497

01:02:03,829 --> 01:02:01,039

[h\_\_\h] so

1498

01:02:05,589 --> 01:02:03,839

what if anyways so emory is like listen

1499

01:02:08,710 --> 01:02:05,599

i'm like super super busy

1500

01:02:10,230 --> 01:02:08,720

all the time um i'm working on all these

1501

01:02:11,589 --> 01:02:10,240

projects i'm obviously trying to save

1502

01:02:12,789 --> 01:02:11,599

the world i'm trying to clean the oceans

1503

01:02:14,630 --> 01:02:12,799

and working with trump i'm working with

1504

01:02:16,870 --> 01:02:14,640

the un i'm working on gaia i'm doing

1505

01:02:18,230 --> 01:02:16,880

a q a i have secret projects that i work

1506

01:02:20,710 --> 01:02:18,240

on that you know i can't tell you

1507

01:02:23,910 --> 01:02:20,720

because i have ndas signed with them

1508

01:02:25,510 --> 01:02:23,920

and like you know like i'm trying to

1509

01:02:27,750 --> 01:02:25,520

keep my job i'm trying to find

1510

01:02:28,710 --> 01:02:27,760

he's trying baby i'm trying to save

1511

01:02:31,349 --> 01:02:28,720

earth baby

1512

01:02:33,029 --> 01:02:31,359

come on you got to be patient so i can

1513

01:02:33,589 --> 01:02:33,039

come there and give you a little bang

1514

01:02:36,789 --> 01:02:33,599

bang

1515

01:02:38,950 --> 01:02:36,799

okay right now i am saving earth

1516

01:02:40,309 --> 01:02:38,960

okay i'm working with the un i'm working

1517

01:02:42,789 --> 01:02:40,319

with donald trump

1518

01:02:43,910 --> 01:02:42,799

i'm working with gaia because gaia moved

1519

01:02:45,670 --> 01:02:43,920

yeah they really

1520

01:02:47,589 --> 01:02:45,680

they're really dedicated to saving the

1521

01:02:50,630 --> 01:02:47,599

planet right

1522

01:02:52,069 --> 01:02:50,640

this is this is amazing healing

1523

01:02:52,950 --> 01:02:52,079

medicines and i'm trying to do this and

1524

01:02:54,710 --> 01:02:52,960

i'm trying to do that

1525

01:02:56,950 --> 01:02:54,720

and i'm really busy and i'm like booked

1526

01:03:00,789 --> 01:02:56,960

two months in advance

1527

01:03:03,910 --> 01:03:00,799

and i'm like don't you want to meet me

1528

01:03:05,589 --> 01:03:03,920

like what so i'm like your fiance but

1529

01:03:08,390 --> 01:03:05,599

like don't you want to meet me

1530

01:03:09,990 --> 01:03:08,400

um yeah and this is a bizarre part of

1531

01:03:11,430 --> 01:03:10,000

the story so they're planning a wedding

1532

01:03:13,109 --> 01:03:11,440

they're planning to get married they're

1533

01:03:15,029 --> 01:03:13,119

the love of each other's lives but he

1534

01:03:16,390 --> 01:03:15,039

can't take time off to go fly out and

1535

01:03:20,390 --> 01:03:16,400

meet this girl

1536

01:03:23,029 --> 01:03:20,400

doesn't make any sense unless unless

1537

01:03:24,390 --> 01:03:23,039

maybe just maybe he's already in a

1538

01:03:27,349 --> 01:03:24,400

relationship with a woman

1539

01:03:29,190 --> 01:03:27,359

and he can't explain to that woman why

1540

01:03:30,789 --> 01:03:29,200

he's going to fly to meet another one

1541

01:03:32,870 --> 01:03:30,799

that's my opinion and that's my

1542

01:03:34,710 --> 01:03:32,880

speculation and that would also cover

1543

01:03:37,510 --> 01:03:34,720

why he doesn't answer the phone

1544

01:03:38,230 --> 01:03:37,520

when this hot blonde girl calls him up

1545

01:03:40,549 --> 01:03:38,240

right

1546

01:03:41,750 --> 01:03:40,559

he's on a secret mission sure you are

1547

01:03:43,910 --> 01:03:41,760

emery smith

1548

01:03:45,829 --> 01:03:43,920

yeah you're on a secret mission trying

1549

01:03:46,390 --> 01:03:45,839

to not get caught having a side piece of

1550

01:03:48,549 --> 01:03:46,400

ass

1551

01:03:49,990 --> 01:03:48,559

maybe but that's about it for your

1552

01:03:52,069 --> 01:03:50,000

secret mission

1553

01:03:53,349 --> 01:03:52,079

and he's of course i want to meet you

1554

01:03:53,829 --> 01:03:53,359

like what do you mean what do you mean

1555

01:03:55,589 --> 01:03:53,839

i'm just

1556

01:03:57,190 --> 01:03:55,599

i have to ask my manager and i have to

1557

01:03:58,789 --> 01:03:57,200

tell my manager

1558

01:04:00,710 --> 01:03:58,799

and like we have to set some time for

1559

01:04:02,950 --> 01:04:00,720

this to happen i'm like okay cool

1560

01:04:05,270 --> 01:04:02,960

these guys so let's start talking about

1561

01:04:06,309 --> 01:04:05,280

the weird red flags that were constantly

1562

01:04:10,069 --> 01:04:06,319

happening and i

1563

01:04:11,349 --> 01:04:10,079

clearly dismissed red flags

1564

01:04:14,230 --> 01:04:11,359

him telling you that he works with

1565

01:04:16,549 --> 01:04:14,240

donald trump and the ma and the u.n

1566

01:04:17,910 --> 01:04:16,559

wasn't a red flag enough for you to go

1567

01:04:20,870 --> 01:04:17,920

this guy's full of [h\_\_h]

1568

01:04:23,029 --> 01:04:20,880

you needed more red flags but hey again

1569

01:04:23,349 --> 01:04:23,039

i feel sorry for her she was all chips

1570

01:04:27,829 --> 01:04:23,359

in

1571

01:04:28,470 --> 01:04:27,839

world right and he was a super soldier

1572

01:04:41,670 --> 01:04:28,480

and

1573

01:04:48,150 --> 01:04:44,950

but there were so many so

1574

01:04:49,190 --> 01:04:48,160

weird things okay everything was amazing

1575

01:04:51,670 --> 01:04:49,200

in december

1576

01:04:54,630 --> 01:04:51,680

and january the beginning of january and

1577

01:04:58,069 --> 01:04:54,640

then [h\_\_h] got real weird real weird

1578

01:04:58,789 --> 01:04:58,079

um i don't know till this day what the

1579

01:05:01,589 --> 01:04:58,799

[h\_\_h] happened

1580

01:05:01,990 --> 01:05:01,599

during that time but i can only assume

1581

01:05:03,589 --> 01:05:02,000

like

1582

01:05:05,270 --> 01:05:03,599

i would try to call emery and he

1583

01:05:09,750 --> 01:05:05,280

wouldn't answer

1584

01:05:12,950 --> 01:05:11,750

and it's very annoying and irritating

1585

01:05:14,390 --> 01:05:12,960

that

1586

01:05:16,069 --> 01:05:14,400

you know i'm engaged to someone who

1587

01:05:17,349 --> 01:05:16,079

never [h\_\_h] answers his phone

1588

01:05:18,630 --> 01:05:17,359

you know i can never get a hold of him

1589

01:05:19,990 --> 01:05:18,640

when i need him or i want to tell him

1590

01:05:21,280 --> 01:05:20,000

something he never answers

1591

01:05:23,990 --> 01:05:21,290

didn't they kill his dog

1592

01:05:25,430 --> 01:05:24,000

[Music]

1593

01:05:27,109 --> 01:05:25,440

actually he claimed the deep state

1594

01:05:29,029 --> 01:05:27,119

killed his dog and it turns out that the

1595

01:05:31,029 --> 01:05:29,039

dog got hit by a car

1596

01:05:32,470 --> 01:05:31,039

after emery smith let him out while he

1597

01:05:34,309 --> 01:05:32,480

was on a drunken bender

1598

01:05:37,029 --> 01:05:34,319

that's what really happened the deep

1599

01:05:39,190 --> 01:05:37,039

state didn't kill his dog his alcoholism

1600

01:05:41,349 --> 01:05:39,200

is responsible for the death of his dog

1601  
01:05:42,710 --> 01:05:41,359  
texts like the normal person sometimes

1602  
01:05:45,910 --> 01:05:42,720  
it takes him like

1603  
01:05:47,510 --> 01:05:45,920  
a long time to reply to a text so

1604  
01:05:49,829 --> 01:05:47,520  
you know it'd be very weird that like i

1605  
01:05:52,549 --> 01:05:49,839  
can't get a hold of him

1606  
01:05:54,470 --> 01:05:52,559  
just a lot of times really weird there

1607  
01:05:55,910 --> 01:05:54,480  
was a time

1608  
01:05:58,069 --> 01:05:55,920  
till this day i just [\h\_\_\h] i don't

1609  
01:06:01,190 --> 01:05:58,079  
understand but there was a time where

1610  
01:06:02,710 --> 01:06:01,200  
i did not get i know this was gonna

1611  
01:06:04,309 --> 01:06:02,720  
sound so [\h\_\_\h] nuts like i feel like a

1612  
01:06:05,910 --> 01:06:04,319  
dumbass when i when i should reshare

1613  
01:06:08,230 --> 01:06:05,920

this

1614

01:06:09,109 --> 01:06:08,240

[h\_\_h] but you know she's saying oh i feel

1615

01:06:11,270 --> 01:06:09,119

like a dumb ass

1616

01:06:13,190 --> 01:06:11,280

maybe you know getting engaged to a guy

1617

01:06:15,349 --> 01:06:13,200

that you've never even physically met

1618

01:06:16,630 --> 01:06:15,359

is is kind of a stupid thing to do

1619

01:06:19,829 --> 01:06:16,640

that's just my opinion

1620

01:06:22,390 --> 01:06:19,839

and you know what else i don't want to

1621

01:06:25,270 --> 01:06:22,400

sound shallow but look at this girl

1622

01:06:26,789 --> 01:06:25,280

fairly attractive girl does she is she

1623

01:06:28,950 --> 01:06:26,799

so hard up for

1624

01:06:30,230 --> 01:06:28,960

a dude in her life that she's gonna go

1625

01:06:32,309 --> 01:06:30,240

through this [h\_\_h]

1626  
01:06:33,589 --> 01:06:32,319  
why don't you just meet a guy in the

1627  
01:06:35,270 --> 01:06:33,599  
real world right

1628  
01:06:36,950 --> 01:06:35,280  
and start a relationship i don't

1629  
01:06:38,789 --> 01:06:36,960  
understand it

1630  
01:06:40,630 --> 01:06:38,799  
but then again maybe she's crazy you

1631  
01:06:41,430 --> 01:06:40,640  
know she was a letter of the alphabet

1632  
01:06:43,829 --> 01:06:41,440  
nutter

1633  
01:06:45,510 --> 01:06:43,839  
and maybe uh guys meet her and go well

1634  
01:06:47,829 --> 01:06:45,520  
she's attractive but she's

1635  
01:06:48,549 --> 01:06:47,839  
she's another and they run i don't know

1636  
01:06:51,910 --> 01:06:48,559  
where

1637  
01:06:55,349 --> 01:06:51,920  
i did not hear his voice he did not call

1638  
01:06:58,789 --> 01:06:55,359

for a month a month

1639

01:07:02,150 --> 01:06:58,799

a [h\_\_h] month i don't know why okay

1640

01:07:03,829 --> 01:07:02,160

he said he was on top secret missions

1641

01:07:05,349 --> 01:07:03,839

talking through text and through voice

1642

01:07:08,069 --> 01:07:05,359

notes um

1643

01:07:09,109 --> 01:07:08,079

and through videos i'm sorry i cannot

1644

01:07:11,750 --> 01:07:09,119

stop to talk

1645

01:07:12,549 --> 01:07:11,760

to you today honey i'm on a secret

1646

01:07:15,029 --> 01:07:12,559

mission

1647

01:07:16,230 --> 01:07:15,039

but i want to send you this text love

1648

01:07:19,670 --> 01:07:16,240

you

1649

01:07:21,029 --> 01:07:19,680

back to my secret mission now and she

1650

01:07:23,910 --> 01:07:21,039

fell for this

1651

01:07:25,109 --> 01:07:23,920

you know i think most women when the guy

1652

01:07:26,470 --> 01:07:25,119

won't answer the phone

1653

01:07:29,589 --> 01:07:26,480

and then they get told that they're on

1654

01:07:31,829 --> 01:07:29,599

secret missions would say oh [\h\_\_\h]

1655

01:07:33,109 --> 01:07:31,839

i'm sure my wife would i'm going to try

1656

01:07:34,630 --> 01:07:33,119

that with my wife i'm not going to

1657

01:07:36,470 --> 01:07:34,640

answer any text for a month

1658

01:07:38,470 --> 01:07:36,480

and then if she asks why i'm not

1659

01:07:39,990 --> 01:07:38,480

replying or you know

1660

01:07:41,670 --> 01:07:40,000

answer my phone i'm going to tell them

1661

01:07:41,990 --> 01:07:41,680

on a secret mission and see how that

1662

01:07:44,150 --> 01:07:42,000

goes

1663

01:07:47,109 --> 01:07:44,160

for me but he didn't [\h\_\_\h] call me on

1664

01:07:50,230 --> 01:07:47,119

the phone for an entire [\h\_\_\h] month

1665

01:07:50,240 --> 01:07:53,430

don't be sad

1666

01:08:01,910 --> 01:07:57,109

the future is bright

1667

01:08:04,549 --> 01:08:01,920

i'm always with you whether you

1668

01:08:05,109 --> 01:08:04,559

feel it or not of course i would like to

1669

01:08:06,230 --> 01:08:05,119

feel

1670

01:08:08,870 --> 01:08:06,240

right love just dealing with this

1671

01:08:12,950 --> 01:08:08,880

mission feedback chances right now

1672

01:08:16,070 --> 01:08:12,960

it is a little difficult i don't have

1673

01:08:17,510 --> 01:08:16,080

lots of time on my hands

1674

01:08:19,189 --> 01:08:17,520

because of a lot of them all right i'm

1675

01:08:20,950 --> 01:08:19,199

thinking she was way too hot for him i

1676

01:08:22,709 --> 01:08:20,960

was thinking that too but

1677

01:08:24,470 --> 01:08:22,719

i didn't verbalize it i agree with you

1678

01:08:28,309 --> 01:08:24,480

at the same time

1679

01:08:31,749 --> 01:08:28,319

i do value our relationship

1680

01:08:35,269 --> 01:08:31,759

our mind says i'm sorry so stupid

1681

01:08:39,269 --> 01:08:35,279

i don't have a day or time

1682

01:08:42,070 --> 01:08:39,279

to even give you could be tomorrow

1683

01:08:43,349 --> 01:08:42,080

it could be next week yes definitely a

1684

01:08:45,269 --> 01:08:43,359

little bit of a woman's score

1685

01:08:46,789 --> 01:08:45,279

but you can't blame her she got lied to

1686

01:08:49,110 --> 01:08:46,799

for a year and a half that the universe

1687

01:08:52,390 --> 01:08:49,120

brought us together

1688

01:08:55,030 --> 01:08:52,400

regardless of when we meet yeah i can't

1689

01:08:56,070 --> 01:08:55,040

i'm i love you but i can't take the time

1690

01:08:58,870 --> 01:08:56,080

to meet you this

1691

01:09:01,030 --> 01:08:58,880

is something that a married guy does

1692

01:09:01,910 --> 01:09:01,040

that's my opinion or a guy that lives

1693

01:09:03,669 --> 01:09:01,920

with a girlfriend

1694

01:09:05,110 --> 01:09:03,679

and he's trying to get a side piece and

1695

01:09:06,789 --> 01:09:05,120

he doesn't want the new

1696

01:09:08,630 --> 01:09:06,799

side piece to know about the girl he

1697

01:09:11,269 --> 01:09:08,640

lives with this all

1698

01:09:12,149 --> 01:09:11,279

a lot of this story boils down to he is

1699

01:09:15,510 --> 01:09:12,159

lying to her

1700

01:09:17,669 --> 01:09:15,520

and he's already got a girlfriend right

1701

01:09:19,510 --> 01:09:17,679

i'm right here maybe this was some

1702

01:09:21,829 --> 01:09:19,520

fantasy of his to escape

1703

01:09:22,950 --> 01:09:21,839

you know a relationship he was already

1704

01:09:25,910 --> 01:09:22,960

in with another woman

1705

01:09:32,070 --> 01:09:25,920

i don't know but this is kooky always

1706

01:09:36,229 --> 01:09:35,349

i love you kim i love you i'm on my

1707

01:09:41,269 --> 01:09:36,239

secret mission

1708

01:09:43,189 --> 01:09:41,279

you're sitting there crying

1709

01:09:44,390 --> 01:09:43,199

yeah and this is where it speaks a lot

1710

01:09:46,149 --> 01:09:44,400

about his character

1711

01:09:47,990 --> 01:09:46,159

she's saying in this video that she'd

1712

01:09:50,390 --> 01:09:48,000

call him crying that she's lonely

1713

01:09:51,590 --> 01:09:50,400

she wants to meet him she can't do this

1714

01:09:54,390 --> 01:09:51,600

anymore and he's

1715

01:09:54,709 --> 01:09:54,400

just stringing her along sorry honey i'm

1716

01:09:57,750 --> 01:09:54,719

too

1717

01:10:00,390 --> 01:09:57,760

important doing my super secret missions

1718

01:10:00,790 --> 01:10:00,400

for the un and donald trump so we can't

1719

01:10:03,430 --> 01:10:00,800

meet

1720

01:10:04,070 --> 01:10:03,440

for a little bang bang time right now

1721

01:10:06,229 --> 01:10:04,080

but i'll

1722

01:10:07,990 --> 01:10:06,239

talk to my manager and try to free up

1723

01:10:09,350 --> 01:10:08,000

some time so we could have some bang

1724

01:10:13,110 --> 01:10:09,360

bang time

1725

01:10:15,910 --> 01:10:13,120

it's a different definitely a

1726

01:10:18,470 --> 01:10:15,920

difficult thing to explain when you're

1727

01:10:20,550 --> 01:10:18,480

not face to face with someone

1728

01:10:22,310 --> 01:10:20,560

want to share a lot more information

1729

01:10:25,350 --> 01:10:22,320

with you

1730

01:10:32,070 --> 01:10:28,550

but i also don't want you to suffer

1731

01:10:34,149 --> 01:10:32,080

i hope this puts a smile on your face

1732

01:10:35,590 --> 01:10:34,159

because every time i hear your voice i

1733

01:10:38,709 --> 01:10:35,600

smile

1734

01:10:41,189 --> 01:10:38,719

and it puts me at ease oh you're

1735

01:10:46,790 --> 01:10:41,199

probably gonna be up

1736

01:10:46,800 --> 01:10:50,470

and is reflecting back

1737

01:10:56,790 --> 01:10:54,470

a picture of you that i see

1738

01:10:58,470 --> 01:10:56,800

i looked up at it what a bunch of horse

1739

01:11:03,430 --> 01:10:58,480

[h\_\_\h] this is

1740

01:11:06,630 --> 01:11:03,440

i hope you feel the same sweet dreams

1741

01:11:08,630 --> 01:11:06,640

and see you again and i kept asking him

1742

01:11:09,590 --> 01:11:08,640

and every day he would have a different

1743

01:11:13,270 --> 01:11:09,600

excuse as to

1744

01:11:14,229 --> 01:11:13,280

why he can't call me and he would always

1745

01:11:15,030 --> 01:11:14,239

say i'm going to call you tomorrow i'm

1746

01:11:17,750 --> 01:11:15,040

going to call you tomorrow first thing

1747

01:11:19,910 --> 01:11:17,760

in the morning and then i'd wait

1748

01:11:21,910 --> 01:11:19,920

i'm sorry honey i'm on a super secret

1749

01:11:23,350 --> 01:11:21,920

mission i'll call you tomorrow honey

1750

01:11:25,110 --> 01:11:23,360

i want to [h\_\_\h] call and he's like i'm

1751

01:11:25,590 --> 01:11:25,120

calling you an hour and then he wouldn't

1752

01:11:27,189 --> 01:11:25,600

call

1753

01:11:28,550 --> 01:11:27,199

and he's like sorry babe got really busy

1754

01:11:30,070 --> 01:11:28,560

i was on a conference call i'm in a

1755

01:11:32,149 --> 01:11:30,080

really important meeting

1756

01:11:33,669 --> 01:11:32,159

for admission i'm gonna really always

1757

01:11:36,470 --> 01:11:33,679

there was always something

1758

01:11:38,550 --> 01:11:36,480

i'm on a mission baby don't bother me

1759

01:11:40,470 --> 01:11:38,560

while i'm on my super secret missions

1760

01:11:42,229 --> 01:11:40,480

you can't be calling me i'm on a super

1761

01:11:44,149 --> 01:11:42,239

secret mission honey

1762

01:11:46,149 --> 01:11:44,159

[h\_\_\h] happening that was always it

1763

01:11:50,149 --> 01:11:46,159

felt like more important than me

1764

01:11:53,430 --> 01:11:50,159

hey it's me everything is fine

1765

01:11:56,149 --> 01:11:53,440

i'm here to farm with pumpkins very much

1766

01:11:56,950 --> 01:11:56,159

part of a lot of projects some of these

1767

01:12:00,709 --> 01:11:56,960

projects

1768

01:12:05,350 --> 01:12:00,719

i'm not allowed to bring my phone on

1769

01:12:09,189 --> 01:12:05,360

24 48 36 hours sometimes

1770

01:12:12,310 --> 01:12:09,199

but it's okay i'm safe i'll contact you

1771

01:12:12,320 --> 01:12:15,430

okay

1772

01:12:19,669 --> 01:12:17,910

i will see you in dream time yeah and

1773

01:12:22,070 --> 01:12:19,679

this is another thing he convinces her

1774

01:12:25,189 --> 01:12:22,080

that he's seeing her in dream time

1775

01:12:30,310 --> 01:12:25,199

every night and she believes him great

1776

01:12:36,630 --> 01:12:34,830

okay you got this this is part of it

1777

01:12:37,750 --> 01:12:36,640

okay

1778

01:12:39,750 --> 01:12:37,760

we're all going through a little

1779

01:12:43,270 --> 01:12:39,760

transition

1780

01:12:44,630 --> 01:12:43,280

but not one day do you not go through my

1781

01:12:48,149 --> 01:12:44,640

mind

1782

01:12:48,870 --> 01:12:48,159

the sun rises with you with you in my

1783

01:12:51,990 --> 01:12:48,880

mind the

1784

01:12:55,430 --> 01:12:52,000

sun sets with you in my mind

1785

01:12:57,110 --> 01:12:55,440

i hope you get that i love you baby

1786

01:12:59,830 --> 01:12:57,120

but i'm on a secret mission but don't

1787

01:13:01,750 --> 01:12:59,840

worry the sun rises and sets with you

1788

01:13:03,669 --> 01:13:01,760

you're you're you are the love of my

1789

01:13:05,669 --> 01:13:03,679

life baby but i gotta complete this

1790

01:13:07,750 --> 01:13:05,679

secret mission for donald trump before

1791

01:13:08,630 --> 01:13:07,760

you and i can have some bang bang time

1792

01:13:10,550 --> 01:13:08,640

okay

1793

01:13:11,750 --> 01:13:10,560

so just be patient we'll get to the bang

1794

01:13:15,430 --> 01:13:11,760

bang time

1795

01:13:16,550 --> 01:13:15,440

don't worry i love you bye-bye

1796

01:13:18,470 --> 01:13:16,560

i'll start panicking i'm like i don't

1797

01:13:19,830 --> 01:13:18,480

understand like what is happening there

1798

01:13:21,830 --> 01:13:19,840

was a lot of times where

1799

01:13:23,669 --> 01:13:21,840

there was a lot of times most of the

1800

01:13:26,950 --> 01:13:23,679

time i did not know what

1801  
01:13:28,070 --> 01:13:26,960  
the [h\_\_h] is happening and i would make

1802  
01:13:30,390 --> 01:13:28,080  
up two billion

1803  
01:13:31,590 --> 01:13:30,400  
[h\_\_h] story lines in my head trying to

1804  
01:13:34,070 --> 01:13:31,600  
figure out what the [h\_\_h]

1805  
01:13:35,510 --> 01:13:34,080  
is happening now i do want to rewind

1806  
01:13:39,430 --> 01:13:35,520  
emery lays good pipe

1807  
01:13:41,350 --> 01:13:39,440  
about what is happening because randomly

1808  
01:13:42,709 --> 01:13:41,360  
every should send me videos and if she

1809  
01:13:45,030 --> 01:13:42,719  
believed anything of him

1810  
01:13:47,270 --> 01:13:45,040  
sleeping with a gun and telling me they

1811  
01:13:54,630 --> 01:13:47,280  
are trying to kill me

1812  
01:14:05,910 --> 01:14:00,630  
all right okay here we go going to bed

1813  
01:14:05,920 --> 01:14:12,870

this is my uh sleep partner

1814

01:14:17,590 --> 01:14:16,470

i gotta sleep with that absolutely

1815

01:14:21,110 --> 01:14:17,600

insane

1816

01:14:23,189 --> 01:14:21,120

all right bye emery's sending me a video

1817

01:14:24,310 --> 01:14:23,199

of himself sleeping with a [h\_\_\h] gun

1818

01:14:25,270 --> 01:14:24,320

and telling me that they're trying to

1819

01:14:28,470 --> 01:14:25,280

kill him

1820

01:14:29,750 --> 01:14:28,480

really [h\_\_\h] with my head um to say the

1821

01:14:31,189 --> 01:14:29,760

lease i don't know anybody in the right

1822

01:14:33,110 --> 01:14:31,199

mindset that wouldn't [h\_\_\h]

1823

01:14:34,470 --> 01:14:33,120

talk with your head i mean this is like

1824

01:14:35,590 --> 01:14:34,480

your fiance and he's telling you

1825

01:14:36,870 --> 01:14:35,600

sleeping with a gun because people are

1826

01:14:39,910 --> 01:14:36,880

trying to kill him

1827

01:14:41,990 --> 01:14:39,920

um you know it's kind of like

1828

01:14:43,189 --> 01:14:42,000

jesus christ is he okay i think she has

1829

01:14:45,430 --> 01:14:43,199

a reason to lie sway

1830

01:14:46,630 --> 01:14:45,440

and me and i have all the possibilities

1831

01:14:49,189 --> 01:14:46,640

here being with you

1832

01:14:49,990 --> 01:14:49,199

are children gonna be okay being with

1833

01:14:53,030 --> 01:14:50,000

you

1834

01:14:54,709 --> 01:14:53,040

um scary [\h\_\_\h] but like

1835

01:14:56,340 --> 01:14:54,719

from the day that emery sent me that

1836

01:14:58,870 --> 01:14:56,350

video like

1837

01:15:10,310 --> 01:14:58,880

[Music]

1838

01:15:12,470 --> 01:15:10,320

no commercials hold on friends

1839

01:15:14,070 --> 01:15:12,480

i always forget that i should rip these

1840

01:15:15,910 --> 01:15:14,080

videos and put them on

1841

01:15:17,910 --> 01:15:15,920

an alternate youtube channel so that i

1842

01:15:19,910 --> 01:15:17,920

don't have to

1843

01:15:21,110 --> 01:15:19,920

worry about these stupid commercials and

1844

01:15:22,870 --> 01:15:21,120

like i said if i'm not playing

1845

01:15:24,390 --> 01:15:22,880

commercials on my shows i'm sure not

1846

01:15:25,910 --> 01:15:24,400

going to play somebody else's

1847

01:15:27,270 --> 01:15:25,920

please bear with me we'll be right back

1848

01:15:29,030 --> 01:15:27,280

to this we're going to share the video

1849

01:15:30,950 --> 01:15:29,040

again and i'm citing fair use this is

1850

01:15:32,630 --> 01:15:30,960

transformative work we're discussing

1851  
01:15:35,030 --> 01:15:32,640  
the information she's presenting about

1852  
01:15:35,910 --> 01:15:35,040  
emery smith being a fraud and a faker

1853  
01:15:40,229 --> 01:15:35,920  
and a liar

1854  
01:15:42,950 --> 01:15:40,239  
and uh yeah don't understand like

1855  
01:15:43,750 --> 01:15:42,960  
i am so [h\_\_h] visual and i'm detailed

1856  
01:15:46,470 --> 01:15:43,760  
as [h\_\_h]

1857  
01:15:48,070 --> 01:15:46,480  
and that video amongst others similar

1858  
01:15:50,550 --> 01:15:48,080  
like it

1859  
01:15:52,390 --> 01:15:50,560  
[h\_\_h] with me so bad because every

1860  
01:15:53,030 --> 01:15:52,400  
single time emery would not answer his

1861  
01:15:56,470 --> 01:15:53,040  
phone

1862  
01:15:57,189 --> 01:15:56,480  
or would disappear for like a day and a

1863  
01:15:59,350 --> 01:15:57,199

half

1864

01:16:00,870 --> 01:15:59,360

i would be like holy [h\_\_h] what if he's

1865

01:16:02,070 --> 01:16:00,880

dead what if they killed him what if

1866

01:16:04,070 --> 01:16:02,080

they got him

1867

01:16:05,990 --> 01:16:04,080

what if he dies and i don't get to meet

1868

01:16:07,990 --> 01:16:06,000

him like yeah and this is where

1869

01:16:09,830 --> 01:16:08,000

we see that some guys who are already in

1870

01:16:13,189 --> 01:16:09,840

a relationship and are trying to

1871

01:16:17,189 --> 01:16:13,199

manipulate a second you know side piece

1872

01:16:20,470 --> 01:16:17,199

do a lot of harm because you know

1873

01:16:22,070 --> 01:16:20,480

i i i would say i i do feel bad for this

1874

01:16:22,870 --> 01:16:22,080

girl because she fell for this hook line

1875

01:16:25,030 --> 01:16:22,880

and sinker and

1876

01:16:26,390 --> 01:16:25,040

and this is a lot of emotional trauma to

1877

01:16:27,910 --> 01:16:26,400

deal with if she was truly in love with

1878

01:16:29,350 --> 01:16:27,920

the guy and meanwhile he's like

1879

01:16:31,430 --> 01:16:29,360

everybody's trying to kill me

1880

01:16:33,270 --> 01:16:31,440

i'm off on secret missions i gotta sleep

1881

01:16:34,950 --> 01:16:33,280

with a gun this is crazy

1882

01:16:36,790 --> 01:16:34,960

people trying to kill me because i'm

1883

01:16:38,950 --> 01:16:36,800

trying to tell everybody the truth about

1884

01:16:40,870 --> 01:16:38,960

aliens and then he doesn't call her for

1885

01:16:43,030 --> 01:16:40,880

two you know a month at a time

1886

01:16:45,110 --> 01:16:43,040

disappears on her she's gonna go through

1887

01:16:47,350 --> 01:16:45,120

a lot of psychological trauma worrying

1888

01:16:50,790 --> 01:16:47,360

about all this [\h\_\_\h]

1889

01:16:51,110 --> 01:16:50,800

but you know emery smith is is looking

1890

01:16:54,310 --> 01:16:51,120

for

1891

01:16:56,390 --> 01:16:54,320

peace right like continuously uh

1892

01:16:57,990 --> 01:16:56,400

all the time these were like this i i

1893

01:16:58,870 --> 01:16:58,000

would freak out and i would cry

1894

01:17:00,470 --> 01:16:58,880

constantly

1895

01:17:02,390 --> 01:17:00,480

i would cry to you know all my close

1896

01:17:04,950 --> 01:17:02,400

friends who knew about us

1897

01:17:06,310 --> 01:17:04,960

um you know if emery said he's calling

1898

01:17:07,110 --> 01:17:06,320

at five i'm like i'm not [\h\_\_\h] leaving

1899

01:17:08,550 --> 01:17:07,120

the house at five

1900

01:17:10,229 --> 01:17:08,560

or like the hour after even if i needed

1901

01:17:11,830 --> 01:17:10,239

to get groceries even if i needed to do

1902

01:17:13,590 --> 01:17:11,840

important [h\_\_h] i'm like no like

1903

01:17:16,310 --> 01:17:13,600

i need to make sure that he's okay and

1904

01:17:19,270 --> 01:17:16,320

that's how my life became my life

1905

01:17:21,030 --> 01:17:19,280

turned into is emery okay is emery okay

1906

01:17:22,070 --> 01:17:21,040

what the [h\_\_h] is happening is he okay is

1907

01:17:25,350 --> 01:17:22,080

he alive

1908

01:17:26,229 --> 01:17:25,360

like that was my [h\_\_h] 24 hours of the

1909

01:17:29,590 --> 01:17:26,239

[h\_\_h] day

1910

01:17:30,149 --> 01:17:29,600

and you know sadly for me yeah i'm

1911

01:17:31,990 --> 01:17:30,159

surprised

1912

01:17:33,910 --> 01:17:32,000

everybody didn't say he's a power ranger

1913

01:17:36,310 --> 01:17:33,920

sometimes tend to care way too much

1914

01:17:37,350 --> 01:17:36,320

like i i'm very compassionate yeah and

1915

01:17:40,470 --> 01:17:37,360

he's talking about

1916

01:17:42,149 --> 01:17:40,480

his situation like i will protect you

1917

01:17:44,070 --> 01:17:42,159

and be loyal as [\h\_\_\h] to you and i will

1918

01:17:48,149 --> 01:17:44,080

care about you and do everything i could

1919

01:17:51,430 --> 01:17:48,159

to help you um in any shape or form

1920

01:17:53,669 --> 01:17:51,440

and like i have like some crazy loyalty

1921

01:17:56,709 --> 01:17:53,679

and the people that are in my life are

1922

01:17:58,229 --> 01:17:56,719

so [\h\_\_\h] important to me

1923

01:17:59,910 --> 01:17:58,239

i don't care like what happens like they

1924

01:18:01,270 --> 01:17:59,920

come number one and so

1925

01:18:03,590 --> 01:18:01,280

when emery would tell me that he's on

1926

01:18:06,310 --> 01:18:03,600

the top secret mission that he's

1927

01:18:07,590 --> 01:18:06,320

[\h\_\_\h] could die from and he's gonna

1928

01:18:09,110 --> 01:18:07,600

call me at five like

1929

01:18:11,030 --> 01:18:09,120

i can't leave the [\h\_\_\h] house like i

1930

01:18:12,790 --> 01:18:11,040

need to be [\h\_\_\h] there present to

1931

01:18:13,189 --> 01:18:12,800

speak to him because i don't and i never

1932

01:18:16,070 --> 01:18:13,199

knew

1933

01:18:17,669 --> 01:18:16,080

conversation or about to be like a three

1934

01:18:20,390 --> 01:18:17,679

hour conversation i never knew

1935

01:18:21,430 --> 01:18:20,400

i don't know what message you got but

1936

01:18:24,470 --> 01:18:21,440

it's just

1937

01:18:25,110 --> 01:18:24,480

again with the pumpkins number one that

1938

01:18:27,189 --> 01:18:25,120

condition

1939

01:18:30,470 --> 01:18:27,199

to do anything and i can't do anything

1940

01:18:32,470 --> 01:18:30,480

on those evenings anyway

1941

01:18:34,470 --> 01:18:32,480

because of work-related stuff that i'm

1942

01:18:37,350 --> 01:18:34,480

working on

1943

01:18:46,149 --> 01:18:37,360

and i'm also in and out of the hospital

1944

01:18:56,070 --> 01:18:50,630

condition when i see you

1945

01:19:00,470 --> 01:18:57,669

i know it's really frustrating we're

1946

01:19:04,390 --> 01:19:00,480

gullible maybe not stuff

1947

01:19:09,750 --> 01:19:07,910

in these different times i don't have

1948

01:19:12,550 --> 01:19:09,760

much down time and when i do

1949

01:19:17,750 --> 01:19:12,560

i'm so exhausted i just go to sleep this

1950

01:19:22,229 --> 01:19:20,390

maybe it's just the saturn thing oh

1951

01:19:24,950 --> 01:19:22,239

whatever thing it is yeah it's gonna get

1952

01:19:29,030 --> 01:19:24,960

in top super social condition

1953

01:19:32,229 --> 01:19:29,040

and their relationship that has forms

1954

01:19:33,360 --> 01:19:32,239

because of the universe so we definitely

1955

01:19:35,189 --> 01:19:33,370

meant for some reason

1956

01:19:38,790 --> 01:19:35,199

[Music]

1957

01:19:41,830 --> 01:19:38,800

and i think that

1958

01:19:44,550 --> 01:19:41,840

is important it's important to me

1959

01:19:46,229 --> 01:19:44,560

i hope it's important to you too i don't

1960

01:19:49,910 --> 01:19:46,239

have the answers to everything

1961

01:19:51,830 --> 01:19:49,920

kim i don't have the answers to why this

1962

01:19:53,669 --> 01:19:51,840

is even happening

1963

01:19:55,830 --> 01:19:53,679

i've never experienced anything like

1964

01:19:58,310 --> 01:19:55,840

this she's waiting for a med bed

1965

01:20:00,709 --> 01:19:58,320

yeah maybe he's quite eccentric to say

1966

01:20:05,030 --> 01:20:00,719

the least

1967

01:20:08,310 --> 01:20:05,040

but i do know what i feel and i do see

1968

01:20:09,830 --> 01:20:08,320

different parts of the future yes he

1969

01:20:13,110 --> 01:20:09,840

carves secret pumpkins i wish i could

1970

01:20:17,750 --> 01:20:13,120

sit and just talk to you all day in bed

1971

01:20:19,750 --> 01:20:17,760

or on a beach or in the mountains

1972

01:20:21,590 --> 01:20:19,760

he speaks very much people don't talk

1973

01:20:25,030 --> 01:20:21,600

like this honest in real

1974

01:20:28,390 --> 01:20:25,040

life that's like all of this

1975

01:20:30,870 --> 01:20:28,400

and that became very unsettling for me

1976

01:20:32,070 --> 01:20:30,880

um i'd like to have a control freak and

1977

01:21:11,990 --> 01:20:32,080

i

1978

01:21:14,149 --> 01:21:12,000

and he just he wouldn't let me break up

1979

01:21:17,750 --> 01:21:14,159

with him

1980

01:21:18,950 --> 01:21:17,760

um he just kept telling me how important

1981

01:21:20,470 --> 01:21:18,960

i am to him

1982

01:21:21,830 --> 01:21:20,480

and how he's going to see me and how

1983

01:21:23,189 --> 01:21:21,840

he's going to meet me and i'm how i'm

1984

01:21:24,149 --> 01:21:23,199

the love of his life and how he can't

1985

01:21:25,510 --> 01:21:24,159

wait to marry me

1986

01:21:27,990 --> 01:21:25,520

and now he can't wait to have babies

1987

01:21:29,430 --> 01:21:28,000

with me hey man

1988

01:21:31,830 --> 01:21:29,440

i know it's been really hard in the

1989

01:21:35,110 --> 01:21:31,840

world it's been disastrous

1990

01:21:35,669 --> 01:21:35,120

very heavy the last couple months losing

1991

01:21:38,790 --> 01:21:35,679

jobs

1992

01:21:41,590 --> 01:21:38,800

losing funding losing people

1993

01:21:42,950 --> 01:21:41,600

it's been hard for all of us you me the

1994

01:21:45,110 --> 01:21:42,960

world

1995

01:21:46,629 --> 01:21:45,120

yeah and this really gives us a detail

1996

01:21:49,430 --> 01:21:46,639

into this guy's

1997

01:21:50,709 --> 01:21:49,440

fantasy life because this is private

1998

01:21:51,590 --> 01:21:50,719

[h\_\_h] that he's sending a girl he's

1999

01:21:55,270 --> 01:21:51,600

trying to bang

2000

01:21:57,110 --> 01:21:55,280

basically right and he didn't mean for

2001

01:21:58,870 --> 01:21:57,120

any of this [\h\_\_\h] to become public

2002

01:22:00,950 --> 01:21:58,880

right but it really does give us a

2003

01:22:01,990 --> 01:22:00,960

window into his land of imaginary

2004

01:22:04,629 --> 01:22:02,000

make-believe

2005

01:22:05,830 --> 01:22:04,639

where he's a super soldier and you know

2006

01:22:07,750 --> 01:22:05,840

he's so important

2007

01:22:09,590 --> 01:22:07,760

he's got all these secret projects he's

2008

01:22:10,390 --> 01:22:09,600

going on secret missions he's working

2009

01:22:13,270 --> 01:22:10,400

for the u.n

2010

01:22:14,629 --> 01:22:13,280

and for donald trump sure you are bro

2011

01:22:17,910 --> 01:22:14,639

sure you are

2012

01:22:20,470 --> 01:22:17,920

you have to realize that i love you very

2013

01:22:22,390 --> 01:22:20,480

much and i meant everything i said

2014

01:22:24,780 --> 01:22:22,400

i see you in my dreams every night i

2015

01:22:27,110 --> 01:22:24,790

love you baby

2016

01:22:29,189 --> 01:22:27,120

[Music]

2017

01:22:30,950 --> 01:22:29,199

it's very special to me you're special

2018

01:22:34,070 --> 01:22:30,960

to me

2019

01:22:38,550 --> 01:22:34,080

but maybe it's just not the right timing

2020

01:22:41,910 --> 01:22:38,560

whenever it does happen it will happen

2021

01:22:45,189 --> 01:22:41,920

i understand and i don't want you to be

2022

01:22:45,990 --> 01:22:45,199

unhappy i want you to be happy with or

2023

01:22:49,030 --> 01:22:46,000

without me

2024

01:22:49,910 --> 01:22:49,040

preferably with me you know what i was

2025

01:22:52,149 --> 01:22:49,920

curious too

2026

01:22:53,750 --> 01:22:52,159

i wonder if this is gonna like is this

2027

01:22:57,270 --> 01:22:53,760

gonna mess with his like

2028

01:22:59,830 --> 01:22:57,280

banging new age chicks game right

2029

01:23:00,950 --> 01:22:59,840

i'm a celebrity i'm on gaia come here

2030

01:23:03,430 --> 01:23:00,960

new age chick

2031

01:23:04,470 --> 01:23:03,440

take off your pants this has gotta mess

2032

01:23:07,030 --> 01:23:04,480

with his game

2033

01:23:08,870 --> 01:23:07,040

because girls are gonna you know google

2034

01:23:11,110 --> 01:23:08,880

him if they meet him

2035

01:23:13,669 --> 01:23:11,120

if they don't already know who he is and

2036

01:23:15,189 --> 01:23:13,679

see this [h\_\_h] that he did to this girl

2037

01:23:16,790 --> 01:23:15,199

it might be kind of hard for him to pull

2038

01:23:18,390 --> 01:23:16,800

this again in the future so

2039

01:23:20,550 --> 01:23:18,400

i kind of applaud this girl for telling

2040

01:23:22,550 --> 01:23:20,560

her story because at least maybe

2041

01:23:24,550 --> 01:23:22,560

she may prevent him from victimizing

2042

01:23:28,950 --> 01:23:24,560

another woman like this

2043

01:23:31,830 --> 01:23:28,960

it really hurts my heart every day

2044

01:23:33,669 --> 01:23:31,840

that i didn't make the time and couldn't

2045

01:23:35,669 --> 01:23:33,679

make the time

2046

01:23:38,550 --> 01:23:35,679

i know you think it's a such a simple

2047

01:23:40,790 --> 01:23:38,560

thing but in my life it's not

2048

01:23:44,229 --> 01:23:40,800

i'm comfortable under the weather very

2049

01:23:49,350 --> 01:23:47,669

and inundated with many things to help

2050

01:23:53,110 --> 01:23:49,360

the world

2051  
01:23:56,149 --> 01:23:53,120  
so when that time comes

2052  
01:23:57,990 --> 01:23:56,159  
i don't know when it will come honey you

2053  
01:23:59,270 --> 01:23:58,000  
just gotta have patience baby i'm trying

2054  
01:24:01,669 --> 01:23:59,280  
to save the world baby

2055  
01:24:03,830 --> 01:24:01,679  
i'm trying to save the world here so our

2056  
01:24:05,270 --> 01:24:03,840  
time will come and our love will sprout

2057  
01:24:06,470 --> 01:24:05,280  
but right now i'm trying to save the

2058  
01:24:08,070 --> 01:24:06,480  
world baby

2059  
01:24:09,590 --> 01:24:08,080  
baby baby i'm just trying to save the

2060  
01:24:14,390 --> 01:24:09,600  
world okay

2061  
01:24:18,790 --> 01:24:14,400  
but when it does i will be there

2062  
01:24:22,149 --> 01:24:18,800  
for you i want you to be happy

2063  
01:24:24,709 --> 01:24:22,159

with or without me i love you

2064

01:24:25,510 --> 01:24:24,719

and wish you well and he would leave

2065

01:24:28,229 --> 01:24:25,520

these like

2066

01:24:29,030 --> 01:24:28,239

his heart such heartfelt messages that

2067

01:24:33,830 --> 01:24:29,040

like

2068

01:24:36,950 --> 01:24:33,840

our daughter every single night

2069

01:24:38,629 --> 01:24:36,960

yeah and it would be so such a mind [h\_\_h]

2070

01:24:39,510 --> 01:24:38,639

and it was so confusing because i didn't

2071

01:24:42,950 --> 01:24:39,520

know what it was

2072

01:24:44,790 --> 01:24:42,960

top secret this man was on if his life

2073

01:24:45,669 --> 01:24:44,800

was in danger because it seemed like it

2074

01:24:48,870 --> 01:24:45,679

was

2075

01:24:50,390 --> 01:24:48,880

um but he kept saying like how important

2076

01:24:53,430 --> 01:24:50,400

i am and how he loves me and how he

2077

01:24:57,990 --> 01:24:56,550

and you know

2078

01:25:00,550 --> 01:24:58,000

i didn't know what the [\h\_\_\h] to do with

2079

01:25:02,629 --> 01:25:00,560

myself but it was making me

2080

01:25:03,910 --> 01:25:02,639

very sad and very depressed and very

2081

01:25:05,990 --> 01:25:03,920

upset that i was

2082

01:25:07,430 --> 01:25:06,000

so far away from him and that i couldn't

2083

01:25:08,629 --> 01:25:07,440

be with him and i didn't know what was

2084

01:25:10,390 --> 01:25:08,639

happening

2085

01:25:12,870 --> 01:25:10,400

not you know to top it all off i mean he

2086

01:25:14,790 --> 01:25:12,880

would say that he was um

2087

01:25:18,070 --> 01:25:14,800

in the philippines working on a top

2088

01:25:21,270 --> 01:25:19,430

he would say that he's all over the

2089

01:25:23,669 --> 01:25:21,280

[\h\_\_\h] world he would never tell me

2090

01:25:25,990 --> 01:25:23,679

where he is which was also something

2091

01:25:29,189 --> 01:25:26,000

that was really [\h\_\_\h] annoying as [\h\_\_\h]

2092

01:25:31,030 --> 01:25:29,199

he would never tell me where he was

2093

01:25:32,790 --> 01:25:31,040

i'm sorry baby i'm on a top secret

2094

01:25:34,790 --> 01:25:32,800

mission in the philippines right now

2095

01:25:37,350 --> 01:25:34,800

you're gonna have to call me later honey

2096

01:25:38,790 --> 01:25:37,360

but he would [\h\_\_\h] with me continuously

2097

01:25:41,030 --> 01:25:38,800

and make me believe that he is in

2098

01:25:44,149 --> 01:25:41,040

different places around the world

2099

01:25:46,390 --> 01:25:44,159

in different coordinations no

2100

01:25:47,750 --> 01:25:46,400

another red flag which this is like the

2101  
01:25:50,070 --> 01:25:47,760  
one that should have gave it away but

2102  
01:25:55,189 --> 01:25:50,080  
didn't catch my eyes

2103  
01:25:57,510 --> 01:25:55,199  
emery would do this very strange thing

2104  
01:25:58,709 --> 01:25:57,520  
where many times in the middle of the

2105  
01:26:01,350 --> 01:25:58,719  
night

2106  
01:26:03,030 --> 01:26:01,360  
he would start sending me songs on

2107  
01:26:05,510 --> 01:26:03,040  
repeat on repeat on repeat like start

2108  
01:26:09,030 --> 01:26:05,520  
like kind of like shazam songs

2109  
01:26:10,229 --> 01:26:09,040  
and then he would call me and then he'd

2110  
01:26:11,189 --> 01:26:10,239  
hang up and then he'd call me and then

2111  
01:26:12,550 --> 01:26:11,199  
he'd hang up

2112  
01:26:13,990 --> 01:26:12,560  
and what the [h\_\_\h] is happening and he'd

2113  
01:26:14,310 --> 01:26:14,000

say like a sentence and then he'd hang

2114

01:26:15,430 --> 01:26:14,320

up

2115

01:26:16,550 --> 01:26:15,440

and then all of a sudden he'd facetime

2116

01:26:18,390 --> 01:26:16,560

me and all of a sudden he'd talk to me

2117

01:26:22,950 --> 01:26:18,400

for like two or three hours

2118

01:26:26,310 --> 01:26:22,960

however this was

2119

01:26:28,709 --> 01:26:26,320

a different memory uh-oh well

2120

01:26:29,990 --> 01:26:28,719

she saw dr jekyll now she's going to

2121

01:26:33,030 --> 01:26:30,000

meet mr hyde

2122

01:26:35,590 --> 01:26:33,040

this is where it gets kind of good and

2123

01:26:36,070 --> 01:26:35,600

also we have seen ample and supportive

2124

01:26:39,350 --> 01:26:36,080

proof

2125

01:26:42,390 --> 01:26:39,360

of uh well at least we've heard from

2126  
01:26:43,350 --> 01:26:42,400  
uh someone very close to him in the form

2127  
01:26:45,510 --> 01:26:43,360  
of his

2128  
01:26:47,430 --> 01:26:45,520  
living girlfriend's father that emery

2129  
01:26:48,709 --> 01:26:47,440  
smith has massive drug and alcohol

2130  
01:26:51,750 --> 01:26:48,719  
problems

2131  
01:26:54,070 --> 01:26:51,760  
and it appears that that is continuing i

2132  
01:26:54,790 --> 01:26:54,080  
for one hope that he at least gets help

2133  
01:26:56,950 --> 01:26:54,800  
help for

2134  
01:26:59,270 --> 01:26:56,960  
substance abuse problems i wish a road

2135  
01:27:00,470 --> 01:26:59,280  
to redemption for all men including him

2136  
01:27:03,189 --> 01:27:00,480  
and it is not the point of this

2137  
01:27:05,990 --> 01:27:03,199  
broadcast to belittle or make fun of him

2138  
01:27:08,070 --> 01:27:06,000

being uh an alcoholic and calling this

2139

01:27:09,990 --> 01:27:08,080

girl drunk slurring his words or being

2140

01:27:10,629 --> 01:27:10,000

high while he's calling her or any of

2141

01:27:15,030 --> 01:27:10,639

that

2142

01:27:17,910 --> 01:27:15,040

needs but this

2143

01:27:20,470 --> 01:27:17,920

you know i just don't i don't understand

2144

01:27:22,950 --> 01:27:20,480

anybody that watches this guy

2145

01:27:24,070 --> 01:27:22,960

and listens to him telling everybody

2146

01:27:25,990 --> 01:27:24,080

that you know he's so

2147

01:27:27,590 --> 01:27:26,000

important that he's working for the un

2148

01:27:31,110 --> 01:27:27,600

or donald trump

2149

01:27:33,430 --> 01:27:31,120

right he's so important and meanwhile

2150

01:27:35,030 --> 01:27:33,440

he's literally a falling down drunk and

2151

01:27:37,830 --> 01:27:35,040

i could say that because

2152

01:27:39,350 --> 01:27:37,840

i grew up with alcoholics in my life

2153

01:27:44,149 --> 01:27:39,360

very familiar with these

2154

01:27:49,270 --> 01:27:47,189

yeah this was a different

2155

01:27:50,390 --> 01:27:49,280

version of emory this is a type of emory

2156

01:27:52,310 --> 01:27:50,400

that would only

2157

01:27:54,229 --> 01:27:52,320

basically come out at night but that's

2158

01:27:55,510 --> 01:27:54,239

not uh it's kind of true but it's kind

2159

01:27:57,030 --> 01:27:55,520

of not because i've also seen this time

2160

01:27:58,229 --> 01:27:57,040

of um this type of memory come out

2161

01:28:00,550 --> 01:27:58,239

during the day

2162

01:28:01,990 --> 01:28:00,560

but mostly at night he looks drunk and

2163

01:28:04,070 --> 01:28:02,000

like weird in these

2164

01:28:06,149 --> 01:28:04,080

and these and she does share some with

2165

01:28:11,830 --> 01:28:06,159

audio and

2166

01:28:15,830 --> 01:28:14,390

how do i explain it i mean i'll tell you

2167

01:28:19,510 --> 01:28:15,840

the truth

2168

01:28:22,229 --> 01:28:19,520

yeah sorry friends we're gonna let the

2169

01:28:23,590 --> 01:28:22,239

commercial pass we're not gonna go very

2170

01:28:26,830 --> 01:28:23,600

much further then we'll have some time

2171

01:28:29,830 --> 01:28:26,840

for interaction with the live chat

2172

01:28:31,830 --> 01:28:29,840

uh we'll be right back to the video

2173

01:28:34,550 --> 01:28:31,840

just let me cue it past the commercials

2174

01:28:35,910 --> 01:28:34,560

like i said i don't have commercials

2175

01:28:37,030 --> 01:28:35,920

i don't have commercials on my show and

2176  
01:28:37,990 --> 01:28:37,040  
i'm sure not going to share somebody

2177  
01:28:42,550 --> 01:28:38,000  
else's

2178  
01:28:44,470 --> 01:28:42,560  
so please bear with me share audio

2179  
01:28:46,629 --> 01:28:44,480  
there we go and fair use we are

2180  
01:28:50,870 --> 01:28:46,639  
critiquing the video it was

2181  
01:28:55,669 --> 01:28:50,880  
emery ptsd and i had a lot of compassion

2182  
01:28:58,229 --> 01:28:55,679  
for him in this state this is emery

2183  
01:29:02,390 --> 01:28:58,239  
slurring his words

2184  
01:29:06,950 --> 01:29:02,400  
being silly as [h\_\_h] being crazy

2185  
01:29:09,030 --> 01:29:06,960  
blasting music in the house um

2186  
01:29:10,470 --> 01:29:09,040  
can't hold the camera straight wearing

2187  
01:29:13,510 --> 01:29:10,480  
weird [h\_\_h] goggles

2188  
01:29:16,709 --> 01:29:13,520

masks talking to himself

2189

01:29:18,310 --> 01:29:16,719

um but excuse me like now i realized

2190

01:29:19,510 --> 01:29:18,320

that he was talking to himself

2191

01:29:21,189 --> 01:29:19,520

at the time i thought that there's

2192

01:29:22,149 --> 01:29:21,199

actually people in the house and that

2193

01:29:23,750 --> 01:29:22,159

they're

2194

01:29:25,189 --> 01:29:23,760

interacting with him even though i

2195

01:29:27,350 --> 01:29:25,199

didn't hear them

2196

01:29:30,870 --> 01:29:27,360

but he would have these conversations

2197

01:29:35,430 --> 01:29:32,870

and i have footage of this and it's

2198

01:29:39,270 --> 01:29:35,440

really weird and it's really disturbing

2199

01:29:43,110 --> 01:29:39,280

um there was a hey baby i got my mask on

2200

01:29:45,350 --> 01:29:43,120

it's time for for pandemic sexy time

2201

01:29:46,950 --> 01:29:45,360

a time where i thought and i told

2202

01:29:50,149 --> 01:29:46,960

elizabeth maybe

2203

01:29:51,830 --> 01:29:50,159

maybe he's schizophrenic like

2204

01:29:53,430 --> 01:29:51,840

yeah maybe he's crazy things are not

2205

01:30:00,629 --> 01:29:53,440

there maybe he's crazy

2206

01:30:06,080 --> 01:30:04,709

he's sanitizing a stuffed animal

2207

01:30:15,910 --> 01:30:06,090

it's a sanitizing unit

2208

01:30:24,629 --> 01:30:20,470

this is bizarre behavior by any account

2209

01:30:26,310 --> 01:30:24,639

come back and do it

2210

01:30:27,910 --> 01:30:26,320

it's trying to resuscitate a stuffed

2211

01:30:31,189 --> 01:30:27,920

animal

2212

01:30:32,629 --> 01:30:31,199

after it was just like sanitized this is

2213

01:30:34,629 --> 01:30:32,639

definitely the behavior of someone some

2214

01:30:36,149 --> 01:30:34,639

kind of mental illness or substance

2215

01:30:38,470 --> 01:30:36,159

abuse issues

2216

01:30:40,709 --> 01:30:38,480

but that's my opinion of speculation i'm

2217

01:30:45,110 --> 01:30:40,719

not an expert on these matters

2218

01:30:45,120 --> 01:30:53,910

this is code07 8945

2219

01:30:57,750 --> 01:30:56,629

and elizabeth had shared with me that

2220

01:31:00,470 --> 01:30:57,760

back in the day

2221

01:31:00,950 --> 01:31:00,480

um elizabeth also does counseling and

2222

01:31:04,870 --> 01:31:00,960

stuff

2223

01:31:06,310 --> 01:31:04,880

so she was explaining to me that back in

2224

01:31:10,149 --> 01:31:06,320

the day

2225

01:31:11,590 --> 01:31:10,159

um ptsd was misdiagnosed for

2226

01:31:14,629 --> 01:31:11,600

schizophrenia

2227

01:31:17,430 --> 01:31:14,639

uh until somebody came i don't know some

2228

01:31:17,990 --> 01:31:17,440

some dude um i guess like some doctor or

2229

01:31:19,590 --> 01:31:18,000

something

2230

01:31:21,110 --> 01:31:19,600

diagnosed and said that no this is

2231

01:31:22,950 --> 01:31:21,120

something that happens

2232

01:31:24,310 --> 01:31:22,960

to a lot of people that you know vets

2233

01:31:25,110 --> 01:31:24,320

like a lot of people i want to take a

2234

01:31:27,590 --> 01:31:25,120

moment to thank

2235

01:31:28,709 --> 01:31:27,600

tony z for kind and generous i think

2236

01:31:31,189 --> 01:31:28,719

that's 20

2237

01:31:32,310 --> 01:31:31,199

an australian dollars and i love getting

2238

01:31:38,149 --> 01:31:32,320

international

2239

01:31:39,430 --> 01:31:38,159

show is viewer supported tony c i want

2240

01:31:41,750 --> 01:31:39,440

to thank you that is

2241

01:31:43,270 --> 01:31:41,760

very very generous of you my friend and

2242

01:31:44,149 --> 01:31:43,280

i want to thank you for blessing the

2243

01:31:46,550 --> 01:31:44,159

show

2244

01:31:48,229 --> 01:31:46,560

it is my wish that god will bless you

2245

01:31:49,669 --> 01:31:48,239

and yours as well thank you for your

2246

01:31:51,510 --> 01:31:49,679

kindness your generosity and your

2247

01:31:53,669 --> 01:31:51,520

support of the show it really does help

2248

01:31:55,189 --> 01:31:53,679

move the show forward

2249

01:31:56,870 --> 01:31:55,199

and if anybody else would like to throw

2250

01:31:59,510 --> 01:31:56,880

money at me i would

2251  
01:32:00,870 --> 01:31:59,520  
highly encourage you to do so and uh

2252  
01:32:03,830 --> 01:32:00,880  
remind you

2253  
01:32:05,510 --> 01:32:03,840  
uh that we really do like to praise the

2254  
01:32:07,430 --> 01:32:05,520  
cash praise the cash here

2255  
01:32:10,070 --> 01:32:07,440  
and praising the cash helps us keep this

2256  
01:32:12,070 --> 01:32:10,080  
show going so tony z praise the cash

2257  
01:32:14,390 --> 01:32:12,080  
praise the cash

2258  
01:32:15,910 --> 01:32:14,400  
thank god almighty that we have generous

2259  
01:32:16,629 --> 01:32:15,920  
people all around the world who are

2260  
01:32:19,189 --> 01:32:16,639  
helping us

2261  
01:32:21,430 --> 01:32:19,199  
continue with our show here praise the

2262  
01:32:23,910 --> 01:32:21,440  
cash praise the cash hallelujah friends

2263  
01:32:26,149 --> 01:32:23,920

thank you tony z for kind and generous

2264

01:32:27,910 --> 01:32:26,159

20 australian donation that really does

2265

01:32:29,990 --> 01:32:27,920

help move the ball forward here

2266

01:32:31,910 --> 01:32:30,000

thank you you have my gratitude i have

2267

01:32:32,950 --> 01:32:31,920

an attitude of gratitude towards anybody

2268

01:32:35,270 --> 01:32:32,960

that gives

2269

01:32:36,950 --> 01:32:35,280

uh really it means a lot to me that so

2270

01:32:38,870 --> 01:32:36,960

many people especially people all around

2271

01:32:40,709 --> 01:32:38,880

the world we get mexican pesos here we

2272

01:32:43,350 --> 01:32:40,719

get australian dollars we get

2273

01:32:44,709 --> 01:32:43,360

uh english pounds and of course we like

2274

01:32:46,709 --> 01:32:44,719

american dollars

2275

01:32:48,229 --> 01:32:46,719

i don't know for how much more will like

2276

01:32:51,350 --> 01:32:48,239

american dollars we'll see

2277

01:32:53,430 --> 01:32:51,360

how inflation goes here but

2278

01:32:54,470 --> 01:32:53,440

that's a story for another day we're in

2279

01:32:56,229 --> 01:32:54,480

the military

2280

01:32:59,189 --> 01:32:56,239

um that experience severe trauma and

2281

01:33:02,709 --> 01:32:59,199

that it's actually called ptsd

2282

01:33:04,149 --> 01:33:02,719

um now i myself have ptsd

2283

01:33:05,430 --> 01:33:04,159

for those of you who don't know i have

2284

01:33:07,270 --> 01:33:05,440

shared this multiple times but for those

2285

01:33:09,189 --> 01:33:07,280

of you who don't know me i do have ptsd

2286

01:33:10,470 --> 01:33:09,199

i was born in israel i had to go to

2287

01:33:12,629 --> 01:33:10,480

school with gas masks

2288

01:33:14,870 --> 01:33:12,639

um we came to america because of you

2289

01:33:17,669 --> 01:33:14,880

know like a chemical nuclear war

2290

01:33:19,270 --> 01:33:17,679

the gulf war i've experienced war i've

2291

01:33:21,189 --> 01:33:19,280

seen bombs fall from the sky

2292

01:33:22,310 --> 01:33:21,199

i've had to run and save my life and my

2293

01:33:23,910 --> 01:33:22,320

sister's life

2294

01:33:26,149 --> 01:33:23,920

um the [h\_\_h] that i saw is very

2295

01:33:29,750 --> 01:33:26,159

traumatizing running to bomb shelters

2296

01:33:31,270 --> 01:33:29,760

it caused me to have severe ptsd so i

2297

01:33:33,030 --> 01:33:31,280

you know amongst other things in life

2298

01:33:34,229 --> 01:33:33,040

but this is kind of what triggered my

2299

01:33:36,790 --> 01:33:34,239

ptsd

2300

01:33:38,550 --> 01:33:36,800

and i had a lot of compassion for emory

2301

01:33:42,470 --> 01:33:38,560

when he would go

2302

01:33:44,870 --> 01:33:42,480

through these cycles these midnight

2303

01:33:46,950 --> 01:33:44,880

crazy phases he's wearing two snorkeling

2304

01:33:48,950 --> 01:33:46,960

goggles in the middle of the night

2305

01:33:50,470 --> 01:33:48,960

yeah and i think she's mistaken drunken

2306

01:33:53,590 --> 01:33:50,480

druggy behavior

2307

01:33:55,510 --> 01:33:53,600

for ptsd you know again i'm no expert

2308

01:33:57,110 --> 01:33:55,520

but it doesn't appear to me to be like a

2309

01:33:59,270 --> 01:33:57,120

ptsd episode

2310

01:34:00,310 --> 01:33:59,280

but again i'm not a psychiatrist or

2311

01:34:02,470 --> 01:34:00,320

psychologist

2312

01:34:04,470 --> 01:34:02,480

and neither is she so we're both

2313

01:34:06,709 --> 01:34:04,480

speculating but if i had to guess

2314

01:34:07,669 --> 01:34:06,719

i'd say this is i had a little too much

2315

01:34:10,870 --> 01:34:07,679

drinking drinky

2316

01:34:13,430 --> 01:34:10,880

and now i'm calling people on my phone

2317

01:34:15,350 --> 01:34:13,440

you know i kind of have a rule against

2318

01:34:16,470 --> 01:34:15,360

use of the internet or phones while

2319

01:34:19,510 --> 01:34:16,480

getting plastered

2320

01:34:21,510 --> 01:34:19,520

that's just my personal rule because

2321

01:34:24,390 --> 01:34:21,520

stupid [h\_\_h] can happen if you're that

2322

01:34:26,310 --> 01:34:24,400

drunk or that high or inebriated but

2323

01:34:28,629 --> 01:34:26,320

is what it is she believed that he was

2324

01:34:29,590 --> 01:34:28,639

suffering from ptsd or some other mental

2325

01:34:31,590 --> 01:34:29,600

illness

2326

01:34:33,189 --> 01:34:31,600

that was causing him to do this crazy

2327

01:34:33,830 --> 01:34:33,199

[h\_\_h] and call her in the middle of the

2328

01:34:36,790 --> 01:34:33,840

night with

2329

01:34:38,550 --> 01:34:36,800

two pairs of snorkel goggles on to tell

2330

01:34:42,629 --> 01:34:38,560

her about his secret missions

2331

01:34:47,109 --> 01:34:42,639

right um because

2332

01:34:49,270 --> 01:34:47,119

i know how hard having ptsd is and how

2333

01:34:50,950 --> 01:34:49,280

you can't control it and emery always

2334

01:34:52,470 --> 01:34:50,960

told me i have a lot of ptsd i

2335

01:34:54,870 --> 01:34:52,480

have a lot of ptsd he always told me

2336

01:34:56,390 --> 01:34:54,880

that um he's like why do you like me i

2337

01:34:59,669 --> 01:34:56,400

have a lot of people

2338

01:35:01,510 --> 01:34:59,679

just say that sometimes um but

2339

01:35:04,310 --> 01:35:01,520

i just had so much compassion for it and

2340

01:35:06,550 --> 01:35:04,320

this poor girl's facetimes

2341

01:35:08,470 --> 01:35:06,560

from afar again right like i'm far i

2342

01:35:10,629 --> 01:35:08,480

don't know what is happening

2343

01:35:13,510 --> 01:35:10,639

um but it was sad and it was disturbing

2344

01:35:16,390 --> 01:35:13,520

but it was all so funny because

2345

01:35:21,830 --> 01:35:16,400

i didn't understand what was causing

2346

01:35:26,629 --> 01:35:25,189

he's very silly and funny and dances

2347

01:35:29,350 --> 01:35:26,639

around the house

2348

01:35:31,830 --> 01:35:29,360

um it does really silly [h\_\_\h] and says

2349

01:35:35,430 --> 01:35:31,840

really funny stuff but also like

2350

01:35:36,229 --> 01:35:35,440

to me trailer playing he's getting out

2351

01:35:38,310 --> 01:35:36,239

of control

2352

01:35:40,149 --> 01:35:38,320

how do i explain the crew it's a very

2353

01:35:42,790 --> 01:35:40,159

like

2354

01:35:44,229 --> 01:35:42,800

guard down emery who's not being you

2355

01:35:47,430 --> 01:35:44,239

know who has like no

2356

01:35:50,709 --> 01:35:47,440

i don't know like no burials or walls or

2357

01:35:52,790 --> 01:35:50,719

um does that make sense like

2358

01:35:54,629 --> 01:35:52,800

it was it's like a version of emery

2359

01:36:03,510 --> 01:35:54,639

that's like

2360

01:36:07,270 --> 01:36:05,750

dna you know he has my dna signature and

2361

01:36:08,390 --> 01:36:07,280

he's run aggie rhythms on how our

2362

01:36:10,070 --> 01:36:08,400

children were gonna look

2363

01:36:11,510 --> 01:36:10,080

and he sent me oh this is where we get

2364

01:36:14,070 --> 01:36:11,520

into some [h\_\_\h]

2365

01:36:15,350 --> 01:36:14,080

he tells this girl who is he's telling

2366

01:36:17,510 --> 01:36:15,360

that they're going to get married

2367

01:36:18,790 --> 01:36:17,520

and they're going to start a family that

2368

01:36:20,149 --> 01:36:18,800

he's going to be able to

2369

01:36:22,149 --> 01:36:20,159

edit their children and make their

2370

01:36:23,750 --> 01:36:22,159

children perfect

2371

01:36:25,669 --> 01:36:23,760

they'll never get cancer they'll never

2372

01:36:28,070 --> 01:36:25,679

get sick he can modify their

2373

01:36:29,830 --> 01:36:28,080

eye color and all this stuff you know

2374

01:36:32,709 --> 01:36:29,840

and i know he has somewhat of a

2375

01:36:33,590 --> 01:36:32,719

pseudo science background but this is

2376

01:36:35,030 --> 01:36:33,600

some [h\_\_h]

2377

01:36:37,109 --> 01:36:35,040

he's telling a girl that he can

2378

01:36:38,149 --> 01:36:37,119

genetically modify and enhance their

2379

01:36:40,790 --> 01:36:38,159

children

2380

01:36:41,830 --> 01:36:40,800

in utero pictures of it and you talk to

2381

01:36:43,030 --> 01:36:41,840

other doctors about it

2382

01:36:44,870 --> 01:36:43,040

and you would send me this [h\_\_h] in the

2383

01:36:46,390 --> 01:36:44,880

middle of the [h\_\_h] night um but

2384

01:36:49,510 --> 01:36:46,400

anyways like this

2385

01:36:51,750 --> 01:36:49,520

weird ass version of emery um

2386

01:36:53,430 --> 01:36:51,760

sometimes was like my favorite memory

2387

01:36:53,990 --> 01:36:53,440

because he was so silly and bubbly and

2388

01:36:55,669 --> 01:36:54,000

funny

2389

01:36:57,910 --> 01:36:55,679

but it was very strange the things that

2390

01:36:58,870 --> 01:36:57,920

he would do girl have you never seen a

2391

01:37:00,550 --> 01:36:58,880

drunk dude

2392

01:37:03,030 --> 01:37:00,560

calling a girl in the middle of the

2393

01:37:06,229 --> 01:37:03,040

night i i don't understand her

2394

01:37:07,590 --> 01:37:06,239

lack of like acknowledgement that he was

2395

01:37:10,070 --> 01:37:07,600

just drunk or high

2396

01:37:11,590 --> 01:37:10,080

and [h\_\_h] around calling her up with

2397

01:37:16,229 --> 01:37:11,600

this garbage

2398

01:37:19,350 --> 01:37:16,239

but okay um he wasn't very coherent

2399

01:37:23,270 --> 01:37:19,360

in this state and he

2400

01:37:26,709 --> 01:37:25,109

um he would say really weird [h\_\_h] he

2401

01:37:29,750 --> 01:37:26,719

would do really weird [h\_\_\h] in this

2402

01:37:31,189 --> 01:37:29,760

phase and again i always operated with

2403

01:37:32,709 --> 01:37:31,199

compassion towards it i didn't

2404

01:37:35,990 --> 01:37:32,719

understand what was happening

2405

01:37:38,870 --> 01:37:36,000

and these these sort of fake like um

2406

01:37:40,550 --> 01:37:38,880

phases in the middle of the night um in

2407

01:37:43,030 --> 01:37:40,560

the beginning they were very like

2408

01:37:45,510 --> 01:37:43,040

minimal and then they started to appear

2409

01:37:47,830 --> 01:37:45,520

more and more and more and more and more

2410

01:37:48,709 --> 01:37:47,840

um to the point where it was like out of

2411

01:37:52,229 --> 01:37:48,719

[h\_\_\h] control

2412

01:37:55,590 --> 01:37:52,239

it was like on an every day base

2413

01:37:57,510 --> 01:37:55,600

one of the days was and this is look

2414

01:37:59,030 --> 01:37:57,520

he's like showing her crystals in the

2415

01:38:01,430 --> 01:37:59,040

facetime session

2416

01:38:03,109 --> 01:38:01,440

look baby i was on a secret mission and

2417

01:38:05,750 --> 01:38:03,119

i got you a super secret

2418

01:38:07,910 --> 01:38:05,760

crystal healing crystal i'ma bring it to

2419

01:38:11,430 --> 01:38:07,920

you when i meet you for bang bang time

2420

01:38:13,590 --> 01:38:11,440

again one of the days emery

2421

01:38:16,070 --> 01:38:13,600

was in costco and he said that he was

2422

01:38:18,950 --> 01:38:16,080

there he was getting paid to spy

2423

01:38:20,870 --> 01:38:18,960

and get some [\h\_\_\h] product or

2424

01:38:21,830 --> 01:38:20,880

something to see if they had it and he

2425

01:38:24,709 --> 01:38:21,840

was like

2426

01:38:25,109 --> 01:38:24,719

this is like during the day so now we

2427

01:38:27,350 --> 01:38:25,119

hear

2428

01:38:29,030 --> 01:38:27,360

the extent of his super secret missions

2429

01:38:32,149 --> 01:38:29,040

he's a secret shopper

2430

01:38:35,590 --> 01:38:32,159

at costco and

2431

01:38:38,470 --> 01:38:35,600

then i was like yo like your [h\_\_\h]

2432

01:38:38,790 --> 01:38:38,480

forehead is bleeding your forehead is

2433

01:38:43,750 --> 01:38:38,800

like

2434

01:38:46,550 --> 01:38:43,760

and he's got a ninja outfit on

2435

01:38:47,990 --> 01:38:46,560

at a place where what is that p.o boxes

2436

01:38:49,910 --> 01:38:48,000

he's picking up his mail

2437

01:38:51,510 --> 01:38:49,920

with a ninja mask on because you know

2438

01:38:53,750 --> 01:38:51,520

everybody's trying to kill him

2439

01:38:55,430 --> 01:38:53,760

he's emory like weird emery and he's

2440

01:38:59,030 --> 01:38:55,440

like well huh yeah um

2441

01:39:02,470 --> 01:38:59,040

yeah um yeah i was on this

2442

01:39:03,109 --> 01:39:02,480

mission and i was attacked mcnutter

2443

01:39:06,709 --> 01:39:03,119

central

2444

01:39:09,109 --> 01:39:06,719

agents and

2445

01:39:10,870 --> 01:39:09,119

that's what happened and i'm like what

2446

01:39:12,470 --> 01:39:10,880

like people attacked you like that's

2447

01:39:13,990 --> 01:39:12,480

[h\_\_h] crazy like what do you mean like

2448

01:39:15,109 --> 01:39:14,000

are you okay like he's like oh you

2449

01:39:16,390 --> 01:39:15,119

should have seen them and like

2450

01:39:18,870 --> 01:39:16,400

definitely a super soldier he's got a

2451  
01:39:20,629 --> 01:39:18,880  
new subject then he sent me another

2452  
01:39:22,790 --> 01:39:20,639  
picture of him

2453  
01:39:24,310 --> 01:39:22,800  
and it was [h\_\_h] bad you need a lot of

2454  
01:39:27,350 --> 01:39:24,320  
crystals

2455  
01:39:28,629 --> 01:39:27,360  
like what what happened to you and

2456  
01:39:29,750 --> 01:39:28,639  
like the next time i asked he had a

2457  
01:39:31,430 --> 01:39:29,760  
whole different story about what

2458  
01:39:34,790 --> 01:39:31,440  
happened to his face

2459  
01:39:37,350 --> 01:39:34,800  
and it was very weird um now the scar

2460  
01:39:38,629 --> 01:39:37,360  
is a very important um factor in the

2461  
01:39:40,870 --> 01:39:38,639  
story but

2462  
01:39:41,669 --> 01:39:40,880  
anyways everything was leading up to

2463  
01:39:43,430 --> 01:39:41,679

emery's

2464

01:39:45,030 --> 01:39:43,440

surgery like he said that he might come

2465

01:39:47,350 --> 01:39:45,040

before to miami

2466

01:39:48,790 --> 01:39:47,360

um if he could find some downtime but he

2467

01:39:52,070 --> 01:39:48,800

had the surgery and he wanted to be

2468

01:39:53,590 --> 01:39:52,080

human his best um i don't know

2469

01:39:55,510 --> 01:39:53,600

maybe he was insecure about how he

2470

01:39:57,590 --> 01:39:55,520

looked with you know the three hernias

2471

01:39:59,669 --> 01:39:57,600

that he had

2472

01:40:01,750 --> 01:39:59,679

who knows if that's real i'd like to

2473

01:40:04,470 --> 01:40:01,760

believe

2474

01:40:05,350 --> 01:40:04,480

um but who [h\_\_\h] knows at this point

2475

01:40:08,310 --> 01:40:05,360

anyways

2476

01:40:10,229 --> 01:40:08,320

so emery tells me that his this is like

2477

01:40:11,030 --> 01:40:10,239

one of the biggest hugest [h\_\_h] red

2478

01:40:12,709 --> 01:40:11,040

flags that

2479

01:40:15,189 --> 01:40:12,719

just drove me out of my [h\_\_h] mind at

2480

01:40:18,470 --> 01:40:15,199

the time emery had told me

2481

01:40:20,229 --> 01:40:18,480

that his surgery is on march 25th okay

2482

01:40:21,990 --> 01:40:20,239

yeah so he can't even get straight when

2483

01:40:24,310 --> 01:40:22,000

he's having surgery with this girl that

2484

01:40:27,830 --> 01:40:24,320

he's supposed to marry

2485

01:40:30,390 --> 01:40:27,840

so here i am like

2486

01:40:31,270 --> 01:40:30,400

and then he's like and then just give me

2487

01:40:32,629 --> 01:40:31,280

a week to heal

2488

01:40:34,149 --> 01:40:32,639

and we'll see i'll see you right after

2489

01:40:35,109 --> 01:40:34,159

that tell me when tell me where let's

2490

01:40:36,629 --> 01:40:35,119

pick the dates

2491

01:40:38,149 --> 01:40:36,639

um we can do the first week of april i

2492

01:40:39,350 --> 01:40:38,159

was like emery hold on one second

2493

01:40:40,870 --> 01:40:39,360

if you're actually gonna go through this

2494

01:40:41,669 --> 01:40:40,880

procedure and actually have three

2495

01:40:43,669 --> 01:40:41,679

surgeries

2496

01:40:45,189 --> 01:40:43,679

at the same time which apparently you

2497

01:40:47,189 --> 01:40:45,199

said the doctors didn't recommend

2498

01:40:48,790 --> 01:40:47,199

like nobody does two together let alone

2499

01:40:50,390 --> 01:40:48,800

three i'm like you're gonna need more

2500

01:40:51,910 --> 01:40:50,400

than a week to recover he's like no no

2501

01:40:53,030 --> 01:40:51,920

no like i got it i know what i'm doing

2502

01:40:54,550 --> 01:40:53,040

i've done a lot of these procedures

2503

01:40:55,910 --> 01:40:54,560

before i know what i'm doing don't worry

2504

01:40:57,990 --> 01:40:55,920

about it i'm gonna be okay he likes to

2505

01:41:01,189 --> 01:40:58,000

pretend that he's some kind of like

2506

01:41:04,310 --> 01:41:01,199

high-tech doctor that knows all about

2507

01:41:05,189 --> 01:41:04,320

medical science and all this crap he

2508

01:41:07,669 --> 01:41:05,199

doesn't

2509

01:41:08,870 --> 01:41:07,679

but yeah it is what it is let's me where

2510

01:41:12,149 --> 01:41:08,880

do you want to meet like april

2511

01:41:14,070 --> 01:41:12,159

4th like i'm like just maybe

2512

01:41:16,790 --> 01:41:14,080

let's see at least two weeks let's see

2513

01:41:18,790 --> 01:41:16,800

how you feel let's be realistic

2514

01:41:20,070 --> 01:41:18,800

and emery was like no no no like it's

2515

01:41:21,270 --> 01:41:20,080

okay it's okay like everything's gonna

2516

01:41:22,709 --> 01:41:21,280

be okay like i already know it let's

2517

01:41:24,709 --> 01:41:22,719

just start planning it right now

2518

01:41:26,470 --> 01:41:24,719

and i insisted like go through your

2519

01:41:29,990 --> 01:41:26,480

[h\_\_h] surgery first

2520

01:41:31,590 --> 01:41:30,000

so leading up to the surgery um i'm very

2521

01:41:34,149 --> 01:41:31,600

excited and nervous

2522

01:41:36,950 --> 01:41:34,159

for his well-being yeah she hasn't even

2523

01:41:39,910 --> 01:41:36,960

met the dude yet this story is crazy

2524

01:41:41,109 --> 01:41:39,920

um emery kept telling me that he was due

2525

01:41:41,669 --> 01:41:41,119

you know he was in and out of the

2526

01:41:43,830 --> 01:41:41,679

hospital

2527

01:41:45,990 --> 01:41:43,840

doing so many tests that he can't he

2528

01:41:49,510 --> 01:41:46,000

can't talk because he's so busy

2529

01:41:52,629 --> 01:41:49,520

doing all this like pre um

2530

01:41:54,229 --> 01:41:52,639

surgery examinations he said that he was

2531

01:41:55,510 --> 01:41:54,239

doing a plastic

2532

01:41:57,270 --> 01:41:55,520

detox which is something i've never

2533

01:41:58,790 --> 01:41:57,280

[h\_\_h] heard before and he's like yeah

2534

01:42:00,070 --> 01:41:58,800

he spoke about this in the q a how like

2535

01:42:01,350 --> 01:42:00,080

every single time you touch plastic and

2536

01:42:03,030 --> 01:42:01,360

you drink things out of plastic

2537

01:42:05,270 --> 01:42:03,040

you have plastic in your stomach so you

2538

01:42:07,990 --> 01:42:05,280

need to do a detox anyways leading up to

2539

01:42:09,910 --> 01:42:08,000

the surgery you know

2540

01:42:12,229 --> 01:42:09,920

i was like it wouldn't surprise me if he

2541

01:42:14,229 --> 01:42:12,239

sells a detox product i believe that he

2542

01:42:15,910 --> 01:42:14,239

sells a lot of snake oil that may be one

2543

01:42:17,430 --> 01:42:15,920

of his snake oils

2544

01:42:19,030 --> 01:42:17,440

but i was like i was like excited and

2545

01:42:20,629 --> 01:42:19,040

scared right i was like i just want him

2546

01:42:22,070 --> 01:42:20,639

to get this over with so he feels good

2547

01:42:23,109 --> 01:42:22,080

because he said that he's been needing

2548

01:42:23,830 --> 01:42:23,119

to do this for like a year and a half

2549

01:42:25,750 --> 01:42:23,840

now

2550

01:42:27,030 --> 01:42:25,760

um and it's been causing him a lot of

2551  
01:42:30,390 --> 01:42:27,040  
other health issues

2552  
01:42:32,149 --> 01:42:30,400  
and also i was like nervous because like

2553  
01:42:34,950 --> 01:42:32,159  
what if something went wrong

2554  
01:42:35,430 --> 01:42:34,960  
and obviously people are out to kill him

2555  
01:42:38,149 --> 01:42:35,440  
so

2556  
01:42:39,430 --> 01:42:38,159  
um and he's like yeah i'm gonna need

2557  
01:42:42,390 --> 01:42:39,440  
special security

2558  
01:42:43,430 --> 01:42:42,400  
nobody is out to kill him this is so

2559  
01:42:46,629 --> 01:42:43,440  
stupid

2560  
01:42:48,870 --> 01:42:46,639  
believed any of this [h\_\_h] he's gonna

2561  
01:42:51,189 --> 01:42:48,880  
have surgery so he has to have special

2562  
01:42:52,310 --> 01:42:51,199  
security while he's you know i suppose

2563  
01:42:54,390 --> 01:42:52,320

knocked out because

2564

01:42:55,990 --> 01:42:54,400

you know the men in black could come in

2565

01:42:58,390 --> 01:42:56,000

the room and kill them

2566

01:43:00,070 --> 01:42:58,400

right sure in there because they're

2567

01:43:01,109 --> 01:43:00,080

scared that i might speak up while i'm

2568

01:43:04,950 --> 01:43:01,119

under

2569

01:43:06,390 --> 01:43:04,960

i'm not supposed to so i need to have

2570

01:43:07,990 --> 01:43:06,400

okay like stories from here to san

2571

01:43:09,590 --> 01:43:08,000

francisco which

2572

01:43:11,270 --> 01:43:09,600

i don't [h\_\_h] buy any of them at this

2573

01:43:12,870 --> 01:43:11,280

point

2574

01:43:14,550 --> 01:43:12,880

at least she's starting to wake up from

2575

01:43:17,990 --> 01:43:14,560

this horseshit salesman

2576

01:43:18,390 --> 01:43:18,000

so the surgery march 25th would have

2577

01:43:20,709 --> 01:43:18,400

been

2578

01:43:21,430 --> 01:43:20,719

a thursday so i was supposed to fly out

2579

01:43:23,669 --> 01:43:21,440

of town

2580

01:43:25,189 --> 01:43:23,679

to work that week but i was kind of iffy

2581

01:43:26,390 --> 01:43:25,199

about booking a trip because i'm like

2582

01:43:28,470 --> 01:43:26,400

i'm probably gonna have anxiety the

2583

01:43:30,709 --> 01:43:28,480

entire time and i won't be able to focus

2584

01:43:31,910 --> 01:43:30,719

and i probably should stay home so i so

2585

01:43:33,910 --> 01:43:31,920

i don't go on this trip

2586

01:43:35,990 --> 01:43:33,920

this business trip that was supposed to

2587

01:43:39,590 --> 01:43:36,000

be supposed to make good money from

2588

01:43:41,750 --> 01:43:39,600

um but emery always came first and

2589

01:43:43,669 --> 01:43:41,760

yeah so she's losing income because

2590

01:43:46,950 --> 01:43:43,679

she's following this pie

2591

01:43:48,229 --> 01:43:46,960

piper nutter and his fake stories great

2592

01:43:56,310 --> 01:43:48,239

wednesday

2593

01:43:57,830 --> 01:43:56,320

um like i think i had random in the

2594

01:44:00,950 --> 01:43:57,840

morning and he wasn't answering

2595

01:44:03,030 --> 01:44:00,960

okay whatever typical emery weird [h\_\_\h]

2596

01:44:04,149 --> 01:44:03,040

[h\_\_\h] he's out right he's on a secret

2597

01:44:06,070 --> 01:44:04,159

mission honey

2598

01:44:07,430 --> 01:44:06,080

he told you that he told you already

2599

01:44:08,310 --> 01:44:07,440

he's on a secret mission to save the

2600

01:44:10,470 --> 01:44:08,320

world

2601  
01:44:11,750 --> 01:44:10,480  
then i kind of felt really tired like i

2602  
01:44:13,750 --> 01:44:11,760  
woke up i don't know

2603  
01:44:15,109 --> 01:44:13,760  
i did some [h\_\_h] and i got really tired

2604  
01:44:17,350 --> 01:44:15,119  
so i was like i'm gonna go take a nap i

2605  
01:44:20,629 --> 01:44:17,360  
go take a nap

2606  
01:44:22,629 --> 01:44:20,639  
and i never go on facebook okay i go on

2607  
01:44:25,750 --> 01:44:22,639  
facebook

2608  
01:44:29,189 --> 01:44:27,270  
i'm going to read this for those of you

2609  
01:44:32,790 --> 01:44:29,199  
who know my surgery is now complete

2610  
01:44:35,750 --> 01:44:32,800  
i had two inguinal hernias and one

2611  
01:44:37,669 --> 01:44:35,760  
and umbilical hernia they also found a

2612  
01:44:41,430 --> 01:44:37,679  
nodule on my large intestine and had to

2613  
01:44:45,189 --> 01:44:41,440

biopsy it i am waiting for results

2614

01:44:46,470 --> 01:44:45,199

pops up on my [h\_\_h] feed is i'm not i

2615

01:44:48,470 --> 01:44:46,480

just woke up i'm not a [h\_\_h] boy

2616

01:44:52,070 --> 01:44:48,480

person it's emery

2617

01:44:59,030 --> 01:44:55,590

on the 25th and i see it and i'm like

2618

01:45:03,109 --> 01:44:59,040

wait what what and i'm like what what

2619

01:45:05,510 --> 01:45:03,119

wait what like i thought i slept a day

2620

01:45:06,629 --> 01:45:05,520

and i missed it um i didn't know what

2621

01:45:08,390 --> 01:45:06,639

the [h\_\_h] is happening

2622

01:45:10,070 --> 01:45:08,400

i'm like i don't know wait what what

2623

01:45:12,070 --> 01:45:10,080

does he say wait wait he had a surgery

2624

01:45:14,629 --> 01:45:12,080

we thank god he's alive

2625

01:45:16,229 --> 01:45:14,639

oh yeah i think we're gonna kill it

2626

01:45:16,790 --> 01:45:16,239

there friends i think we're gonna kill

2627

01:45:19,830 --> 01:45:16,800

it there

2628

01:45:22,870 --> 01:45:19,840

uh this story doesn't get any better

2629

01:45:25,510 --> 01:45:22,880

basically she details lie

2630

01:45:26,470 --> 01:45:25,520

after lie after lie after lie that she

2631

01:45:29,590 --> 01:45:26,480

sort of wakes up

2632

01:45:33,350 --> 01:45:29,600

and starts catching him in uh

2633

01:45:35,350 --> 01:45:33,360

yeah aj says show us your scars

2634

01:45:36,870 --> 01:45:35,360

emery yeah wouldn't put it past me for

2635

01:45:38,870 --> 01:45:36,880

that dude to sit in a fake

2636

01:45:40,870 --> 01:45:38,880

chair and do that on a green screen

2637

01:45:43,430 --> 01:45:40,880

after all he did get caught

2638

01:45:43,990 --> 01:45:43,440

faking lab photos of him on a green

2639

01:45:47,590 --> 01:45:44,000

screen

2640

01:45:51,270 --> 01:45:49,830

it's it's funny he got caught because

2641

01:45:56,550 --> 01:45:51,280

somebody found the

2642

01:45:57,189 --> 01:45:56,560

know like the background image that he

2643

01:45:59,669 --> 01:45:57,199

used

2644

01:46:01,590 --> 01:45:59,679

of him in a laboratory but he's not in a

2645

01:46:02,550 --> 01:46:01,600

laboratory he's just standing on a green

2646

01:46:07,430 --> 01:46:02,560

screen

2647

01:46:07,440 --> 01:46:11,350

yeah it's great

2648

01:46:18,070 --> 01:46:15,109

absolutely absolutely classic

2649

01:46:19,910 --> 01:46:18,080

no can't find it easily but i did find

2650

01:46:23,189 --> 01:46:19,920

uh

2651

01:46:26,149 --> 01:46:23,199

i did find david wilcox post

2652

01:46:27,189 --> 01:46:26,159

which i'm going to uh which i am going

2653

01:46:30,310 --> 01:46:27,199

to share

2654

01:46:31,270 --> 01:46:30,320

uh because this is another scam that

2655

01:46:34,310 --> 01:46:31,280

these guys

2656

01:46:37,350 --> 01:46:34,320

did together uh

2657

01:46:38,070 --> 01:46:37,360

one second friends let me see if i can't

2658

01:46:45,510 --> 01:46:38,080

find this

2659

01:46:49,750 --> 01:46:48,390

yeah yeah i'm gonna have trouble sharing

2660

01:46:51,990 --> 01:46:49,760

that

2661

01:46:54,149 --> 01:46:52,000

because i'm blocked by uh i'm just gonna

2662

01:46:59,990 --> 01:46:54,159

read it

2663

01:47:00,000 --> 01:47:06,870

yeah urgent and this is david wilcock

2664

01:47:12,310 --> 01:47:10,470

who tweeted this insider emery smith

2665

01:47:14,550 --> 01:47:12,320

is in the emergency room for the second

2666

01:47:16,790 --> 01:47:14,560

time now in the last two days

2667

01:47:17,669 --> 01:47:16,800

he has a flu high fever and shortness of

2668

01:47:19,750 --> 01:47:17,679

breath

2669

01:47:22,070 --> 01:47:19,760

please read this article immediately we

2670

01:47:24,629 --> 01:47:22,080

are calling for your prayers

2671

01:47:26,470 --> 01:47:24,639

and that i can share yeah let me get

2672

01:47:28,149 --> 01:47:26,480

back to that i just gotta get off of his

2673

01:47:30,629 --> 01:47:28,159

twitter i can't share anything from his

2674

01:47:37,590 --> 01:47:30,639

twitter because

2675

01:47:41,109 --> 01:47:37,600

he blocked me imagine that i wonder why

2676

01:47:43,189 --> 01:47:41,119

yeah i'm going to share this e.t autopsy

2677

01:47:45,750 --> 01:47:43,199

insider emery smith hit with massive

2678

01:47:47,830 --> 01:47:45,760

attack after coming forward

2679

01:47:49,910 --> 01:47:47,840

emmett smith claims to have autopsied

2680

01:47:51,910 --> 01:47:49,920

about 3 000 different types of e.t

2681

01:47:52,950 --> 01:47:51,920

humanoids the day after we announced is

2682

01:47:54,790 --> 01:47:52,960

coming forward

2683

01:47:56,390 --> 01:47:54,800

he was hit with an attack that landed

2684

01:47:59,350 --> 01:47:56,400

him in the emergency room

2685

01:48:01,590 --> 01:47:59,360

now remember this guy's living

2686

01:48:03,910 --> 01:48:01,600

girlfriend's father came out and said

2687

01:48:05,750 --> 01:48:03,920

that he wasn't in the hospital over any

2688

01:48:07,430 --> 01:48:05,760

kind of attack he was in the hospital

2689

01:48:09,350 --> 01:48:07,440

with alcohol poisoning

2690

01:48:11,590 --> 01:48:09,360

take from that what you will but david

2691

01:48:15,590 --> 01:48:11,600

wilcock starts a paypal

2692

01:48:19,030 --> 01:48:17,189

and according to his one-time

2693

01:48:21,270 --> 01:48:19,040

father-in-law they collected over sixty

2694

01:48:22,550 --> 01:48:21,280

thousand dollars in this paypal donation

2695

01:48:25,669 --> 01:48:22,560

scam

2696

01:48:28,550 --> 01:48:25,679

and that according to him also

2697

01:48:31,350 --> 01:48:28,560

emery faked this entire thing and this

2698

01:48:39,270 --> 01:48:35,350

is attributed to a second whistleblower

2699

01:48:40,070 --> 01:48:39,280

named paul but according to emmy smith's

2700

01:48:42,709 --> 01:48:40,080

father-in-law

2701

01:48:44,830 --> 01:48:42,719

paul was also emery smith and he showed

2702

01:48:47,430 --> 01:48:44,840

proof that this is emery smith's

2703

01:48:49,189 --> 01:48:47,440

suv

2704

01:48:51,270 --> 01:48:49,199

paul had just pulled out of a grocery

2705

01:48:53,910 --> 01:48:51,280

store onto a busy double lane road

2706

01:48:57,350 --> 01:48:53,920

the driver of an armed oncoming car

2707

01:49:00,390 --> 01:48:57,360

steered directly into paul's lane

2708

01:49:01,990 --> 01:49:00,400

paul had brick wall to the side leaving

2709

01:49:04,629 --> 01:49:02,000

him with nowhere else to turn

2710

01:49:06,550 --> 01:49:04,639

and no escape it was the perfect trap i

2711

01:49:07,750 --> 01:49:06,560

love how melodramatic david wilcock

2712

01:49:10,950 --> 01:49:07,760

writes this [h\_\_h]

2713

01:49:13,669 --> 01:49:10,960

turns out this is emery smith

2714

01:49:15,350 --> 01:49:13,679

drinking and driving okay doesn't have

2715

01:49:16,790 --> 01:49:15,360

anything to do with aliens or the men in

2716

01:49:18,870 --> 01:49:16,800

black david wilcox full

2717

01:49:21,669 --> 01:49:18,880

[h\_\_h] so is emery smith according to

2718

01:49:24,950 --> 01:49:21,679

emery smith's one-time father-in-law

2719

01:49:25,270 --> 01:49:24,960

uh points on the curve guy emery smith

2720

01:49:28,629 --> 01:49:25,280

got

2721

01:49:30,390 --> 01:49:28,639

into this accident while driving drunk

2722

01:49:31,830 --> 01:49:30,400

but according to david wilcock that's

2723

01:49:33,750 --> 01:49:31,840

not emery smith

2724

01:49:36,229 --> 01:49:33,760

that's a different whistleblower named

2725

01:49:39,589 --> 01:49:36,239

paul but it's emery smith's suv

2726

01:49:43,109 --> 01:49:39,599

for sure see the scan

2727

01:49:52,709 --> 01:49:43,119

just gets scammier friends the scam just

2728

01:49:56,950 --> 01:49:55,430

okay so uh we're gonna stop this we're

2729

01:50:00,229 --> 01:49:56,960

going to take some time

2730

01:50:01,589 --> 01:50:00,239

i will uh i will take some comments

2731

01:50:03,030 --> 01:50:01,599

questions from the live chat and we're

2732

01:50:05,430 --> 01:50:03,040

going to wrap things up here

2733

01:50:06,229 --> 01:50:05,440

shortly we're going on two hours here

2734

01:50:08,070 --> 01:50:06,239

and i

2735

01:50:09,510 --> 01:50:08,080

planned on this being an hour but you

2736

01:50:11,350 --> 01:50:09,520

know when you start getting into this

2737

01:50:14,550 --> 01:50:11,360

stuff

2738

01:50:15,589 --> 01:50:14,560

take some time to cover it all most

2739

01:50:18,310 --> 01:50:15,599

importantly

2740

01:50:19,990 --> 01:50:18,320

from this uh you know girls experience

2741

01:50:21,990 --> 01:50:20,000

what i think we could take is that emery

2742

01:50:24,790 --> 01:50:22,000

smith continues to suffer from drug and

2743

01:50:26,709 --> 01:50:24,800

alcohol problems emery smith is a

2744

01:50:29,270 --> 01:50:26,719

pathological liar

2745

01:50:30,790 --> 01:50:29,280

emery smith lies to her and other people

2746

01:50:32,550 --> 01:50:30,800

who purchase his q a

2747

01:50:34,229 --> 01:50:32,560

telling him telling them false

2748

01:50:37,030 --> 01:50:34,239

information or claiming

2749

01:50:39,189 --> 01:50:37,040

false you know employment like working

2750

01:50:40,709 --> 01:50:39,199

for the un or working for donald trump

2751  
01:50:42,470 --> 01:50:40,719  
that's a criminal act you can't take

2752  
01:50:43,589 --> 01:50:42,480  
people's money for some kind of class or

2753  
01:50:45,109 --> 01:50:43,599  
q a session

2754  
01:50:47,109 --> 01:50:45,119  
and then just lie through your teeth

2755  
01:50:48,470 --> 01:50:47,119  
tell them that you work for donald trump

2756  
01:50:51,430 --> 01:50:48,480  
show us the proof you work for donald

2757  
01:50:53,990 --> 01:50:51,440  
trump emery smith or you're a scammer

2758  
01:50:54,470 --> 01:50:54,000  
those are the only two choices and you

2759  
01:50:57,910 --> 01:50:54,480  
can

2760  
01:51:01,669 --> 01:50:57,920  
show

2761  
01:51:03,990 --> 01:51:01,679  
from working for donald trump

2762  
01:51:05,270 --> 01:51:04,000  
and i will apologize but i'm guessing

2763  
01:51:08,390 --> 01:51:05,280

that you're full [h\_\_h]

2764

01:51:10,709 --> 01:51:08,400

i i would put money on it henry smith

2765

01:51:13,109 --> 01:51:10,719

from the track record of bullshittery

2766

01:51:14,390 --> 01:51:13,119

and fakery and fraudery that i have seen

2767

01:51:17,030 --> 01:51:14,400

from you

2768

01:51:17,830 --> 01:51:17,040

i'm i'm betting you never work for

2769

01:51:19,430 --> 01:51:17,840

donald trump

2770

01:51:21,430 --> 01:51:19,440

then that's just [h\_\_h] that you tell

2771

01:51:24,709 --> 01:51:21,440

your stupid followers sorry

2772

01:51:26,310 --> 01:51:24,719

gullible followers but there you go uh

2773

01:51:27,910 --> 01:51:26,320

emery smith if you have proof that you

2774

01:51:28,950 --> 01:51:27,920

work for donald trump or proof that you

2775

01:51:32,149 --> 01:51:28,960

worked for the un

2776  
01:51:32,870 --> 01:51:32,159  
and you want to not look like uh a fraud

2777  
01:51:34,629 --> 01:51:32,880  
a liar

2778  
01:51:36,629 --> 01:51:34,639  
and a con artist you can email me the

2779  
01:51:38,470 --> 01:51:36,639  
proof and i will show it on my show here

2780  
01:51:40,390 --> 01:51:38,480  
and apologize

2781  
01:51:42,390 --> 01:51:40,400  
but i have a feeling that when i look in

2782  
01:51:43,830 --> 01:51:42,400  
my email box i'm going to hear crickets

2783  
01:51:46,550 --> 01:51:43,840  
from henry smith

2784  
01:51:48,070 --> 01:51:46,560  
he doesn't want he has no proof of any

2785  
01:51:49,510 --> 01:51:48,080  
of this [h\_\_h] he knows he doesn't have

2786  
01:51:53,189 --> 01:51:49,520  
proof of any of this [h\_\_h]

2787  
01:51:55,189 --> 01:51:53,199  
it's horse [h\_\_h] yes

2788  
01:52:00,550 --> 01:51:55,199

genocide says even a mustache can't save

2789

01:52:04,070 --> 01:52:02,950

ryan murphy richards asks hi steve what

2790

01:52:05,109 --> 01:52:04,080

is your belief in the nature of

2791

01:52:06,550 --> 01:52:05,119

consciousness

2792

01:52:09,109 --> 01:52:06,560

i see you come at it from a christian

2793

01:52:11,270 --> 01:52:09,119

perspective yes i believe that we

2794

01:52:12,310 --> 01:52:11,280

the consciousness carries on after our

2795

01:52:15,669 --> 01:52:12,320

death

2796

01:52:18,310 --> 01:52:15,679

and uh consciousness may also be

2797

01:52:19,510 --> 01:52:18,320

you know to a religious person interpret

2798

01:52:22,709 --> 01:52:19,520

it as the soul

2799

01:52:23,350 --> 01:52:22,719

and if you're christian uh we believe

2800

01:52:26,070 --> 01:52:23,360

that that

2801

01:52:27,750 --> 01:52:26,080

consciousness and that soul is an

2802

01:52:31,030 --> 01:52:27,760

immortal

2803

01:52:36,390 --> 01:52:31,040

and we will live in the next world as

2804

01:52:40,709 --> 01:52:38,470

okay so comments or questions for me

2805

01:52:43,830 --> 01:52:40,719

please put them in all

2806

01:52:44,790 --> 01:52:43,840

all caps uh not my rabbit hole terry

2807

01:52:46,149 --> 01:52:44,800

joyce is here

2808

01:52:48,470 --> 01:52:46,159

uh you should go subscribe to her

2809

01:52:49,430 --> 01:52:48,480

channel i'm seeing that she's producing

2810

01:52:51,830 --> 01:52:49,440

a lot of shows

2811

01:52:52,629 --> 01:52:51,840

um and i don't like that because i'm

2812

01:52:54,629 --> 01:52:52,639

lazy

2813

01:52:56,229 --> 01:52:54,639

right terry if you keep this [\h\_\_\h] up i'm

2814

01:52:58,629 --> 01:52:56,239

gonna have to produce more shows

2815

01:53:00,390 --> 01:52:58,639

right she is putting a lot of shows

2816

01:53:01,990 --> 01:53:00,400

putting a lot of work over there at her

2817

01:53:03,510 --> 01:53:02,000

new channel not my rabbit hole terry

2818

01:53:05,189 --> 01:53:03,520

joyce please go over there

2819

01:53:07,030 --> 01:53:05,199

and hit the subscribe button it really

2820

01:53:08,550 --> 01:53:07,040

does help

2821

01:53:10,070 --> 01:53:08,560

she says i'm seeing the pattern here

2822

01:53:11,669 --> 01:53:10,080

carrie cassidy does the same kind of

2823

01:53:16,149 --> 01:53:11,679

stuff with sean david morton

2824

01:53:19,830 --> 01:53:17,910

every sentence he changes camera view

2825

01:53:21,510 --> 01:53:19,840

angles

2826

01:53:23,270 --> 01:53:21,520

yeah like that somehow makes the

2827

01:53:23,990 --> 01:53:23,280

[h\_\_h] more believable jeanette

2828

01:53:27,109 --> 01:53:24,000

kuzenko

2829

01:53:28,870 --> 01:53:27,119

right definitely it definitely thank you

2830

01:53:32,790 --> 01:53:28,880

for mentioning me my pleasure

2831

01:53:33,830 --> 01:53:32,800

yeah uh yeah i don't know what to tell

2832

01:53:38,390 --> 01:53:33,840

you

2833

01:53:40,390 --> 01:53:38,400

a crazy story if she does a part three

2834

01:53:42,070 --> 01:53:40,400

i'm gonna listen to it but maybe we'll

2835

01:53:44,790 --> 01:53:42,080

just do notes and we won't

2836

01:53:46,709 --> 01:53:44,800

spend quite so much time because this

2837

01:53:47,669 --> 01:53:46,719

girl tends to talk for a half hour and

2838

01:53:49,750 --> 01:53:47,679

you only get one

2839

01:53:51,270 --> 01:53:49,760

really interesting piece of information

2840

01:53:52,709 --> 01:53:51,280

and i don't

2841

01:53:54,629 --> 01:53:52,719

i don't want to sit through it but i'm

2842

01:53:56,790 --> 01:53:54,639

going to because i'm hooked now

2843

01:53:57,750 --> 01:53:56,800

into this emery smith drama fest and we

2844

01:54:01,030 --> 01:53:57,760

have covered

2845

01:54:05,030 --> 01:54:01,040

con artist grifter emery smith

2846

01:54:06,870 --> 01:54:05,040

fake alien uh you know autopsier

2847

01:54:09,109 --> 01:54:06,880

right he was also involved with the

2848

01:54:12,310 --> 01:54:09,119

atacama humanoid scam he helped steven

2849

01:54:15,350 --> 01:54:12,320

grier pump that scam

2850

01:54:17,270 --> 01:54:15,360

he was involved in this paypal scam if

2851  
01:54:19,830 --> 01:54:17,280  
we were to believe the witnesses

2852  
01:54:22,310 --> 01:54:19,840  
of this if we were to believe this girl

2853  
01:54:24,629 --> 01:54:22,320  
and i see no reason why we shouldn't

2854  
01:54:26,629 --> 01:54:24,639  
he's straight lying to people during

2855  
01:54:28,310 --> 01:54:26,639  
these q and a's and lying and saying

2856  
01:54:30,390 --> 01:54:28,320  
that he

2857  
01:54:32,310 --> 01:54:30,400  
works for donald trump and he's going to

2858  
01:54:35,669 --> 01:54:32,320  
be working for the u.n

2859  
01:54:44,310 --> 01:54:35,679  
the science department at the un

2860  
01:54:47,589 --> 01:54:47,030  
jim bold king of the debunker soldiers i

2861  
01:54:50,149 --> 01:54:47,599  
love that

2862  
01:54:50,870 --> 01:54:50,159  
avatar and you are most welcome here

2863  
01:54:53,589 --> 01:54:50,880

king of the

2864

01:54:55,910 --> 01:54:53,599

bunker soldiers jim bold jim bold says

2865

01:54:58,390 --> 01:54:55,920

imagine being spooned at 3am by emery

2866

01:55:03,430 --> 01:54:58,400

after he's been on a top secret mission

2867

01:55:06,709 --> 01:55:05,430

yes is there footage of wilcock on

2868

01:55:08,870 --> 01:55:06,719

benders anywhere no

2869

01:55:10,790 --> 01:55:08,880

i believe that wilcock does not drink or

2870

01:55:12,550 --> 01:55:10,800

do any drugs uh

2871

01:55:13,990 --> 01:55:12,560

at least that's what he says i don't

2872

01:55:14,790 --> 01:55:14,000

know if that's accurate but that's what

2873

01:55:17,030 --> 01:55:14,800

he claims

2874

01:55:18,470 --> 01:55:17,040

i've never seen any footage of wilcock

2875

01:55:21,510 --> 01:55:18,480

on vendors

2876  
01:55:22,149 --> 01:55:21,520  
uh but we see plenty of uh videos of of

2877  
01:55:23,830 --> 01:55:22,159  
uh

2878  
01:55:25,750 --> 01:55:23,840  
emery smith on vendors there was a

2879  
01:55:28,709 --> 01:55:25,760  
famous video not long ago

2880  
01:55:30,629 --> 01:55:28,719  
that he put on twitter where he was like

2881  
01:55:31,990 --> 01:55:30,639  
getting in the mud and putting mud all

2882  
01:55:38,390 --> 01:55:32,000  
over himself and talking about

2883  
01:55:41,910 --> 01:55:40,149  
indigo ginzo asks who do you think is

2884  
01:55:44,310 --> 01:55:41,920  
the worst fraud of all

2885  
01:55:46,390 --> 01:55:44,320  
in this new age alien community i think

2886  
01:55:49,430 --> 01:55:46,400  
there's i could give you my top ten

2887  
01:55:52,550 --> 01:55:49,440  
okay here's my top ten and there's okay

2888  
01:55:54,629 --> 01:55:52,560

we have corey good total fraud

2889

01:55:55,990 --> 01:55:54,639

i put emery smith in there total fraud

2890

01:55:59,350 --> 01:55:56,000

david wilcock for sure

2891

01:56:00,310 --> 01:55:59,360

total fraud let's see we have linda

2892

01:56:02,870 --> 01:56:00,320

moulton howe

2893

01:56:04,470 --> 01:56:02,880

she never heard a story about aliens

2894

01:56:05,750 --> 01:56:04,480

that she couldn't sell whether it was

2895

01:56:08,470 --> 01:56:05,760

fake or not

2896

01:56:10,870 --> 01:56:08,480

she's a fraud you know there's a lot

2897

01:56:11,430 --> 01:56:10,880

more people that i simply don't trust i

2898

01:56:12,790 --> 01:56:11,440

don't know

2899

01:56:14,950 --> 01:56:12,800

necessarily that i would call him a

2900

01:56:16,229 --> 01:56:14,960

fraud but all of a sudden richard doty's

2901  
01:56:19,270 --> 01:56:16,239  
getting popular and i

2902  
01:56:21,189 --> 01:56:19,280  
gotta remind people you know he was

2903  
01:56:22,870 --> 01:56:21,199  
literally a paid government

2904  
01:56:25,990 --> 01:56:22,880  
disinformation agent

2905  
01:56:28,790 --> 01:56:26,000  
and now you guys are believing him about

2906  
01:56:30,470 --> 01:56:28,800  
what he has to say about ufos that

2907  
01:56:35,189 --> 01:56:30,480  
doesn't make any sense

2908  
01:56:36,950 --> 01:56:35,199  
steven grier definitely a fraud

2909  
01:56:39,589 --> 01:56:36,960  
after all he made millions of dollars

2910  
01:56:40,229 --> 01:56:39,599  
pumping that fake atacama humanoid thing

2911  
01:56:42,950 --> 01:56:40,239  
that he

2912  
01:56:44,629 --> 01:56:42,960  
swore was an alien and isn't it a

2913  
01:56:46,390 --> 01:56:44,639

coincidence that he couldn't wait for

2914

01:56:47,669 --> 01:56:46,400

the dna results before he put the

2915

01:56:49,589 --> 01:56:47,679

documentary out

2916

01:56:52,470 --> 01:56:49,599

that proved you know those dna results

2917

01:56:56,149 --> 01:56:52,480

that proved it was just a human fetus

2918

01:56:57,830 --> 01:56:56,159

right with with genetic abnormalities

2919

01:57:00,870 --> 01:56:57,840

that probably caused you know like

2920

01:57:02,149 --> 01:57:00,880

caused it to be strange right

2921

01:57:03,589 --> 01:57:02,159

he couldn't wait to put out the

2922

01:57:05,270 --> 01:57:03,599

documentary he couldn't wait a few more

2923

01:57:06,709 --> 01:57:05,280

weeks to put those results in there he

2924

01:57:08,950 --> 01:57:06,719

put out the documentary

2925

01:57:10,470 --> 01:57:08,960

before the results so that he could make

2926

01:57:11,430 --> 01:57:10,480

millions of dollars claiming it was an

2927

01:57:13,669 --> 01:57:11,440

alien

2928

01:57:15,189 --> 01:57:13,679

later comes out and says the deep state

2929

01:57:17,510 --> 01:57:15,199

and the men in black must have got to

2930

01:57:17,830 --> 01:57:17,520

those lab guys this is still an alien he

2931

01:57:20,470 --> 01:57:17,840

still

2932

01:57:22,229 --> 01:57:20,480

swears it's an alien it's not an alien

2933

01:57:25,350 --> 01:57:22,239

um

2934

01:57:28,470 --> 01:57:25,360

you know i don't know i what i see

2935

01:57:31,510 --> 01:57:28,480

in the ufo uh community is frauds

2936

01:57:34,709 --> 01:57:31,520

fakes liars con artists grifters

2937

01:57:37,030 --> 01:57:34,719

uh straight fraudsters and and uh

2938

01:57:37,990 --> 01:57:37,040

you know all the most of the top guys in

2939

01:57:40,950 --> 01:57:38,000

this thing are

2940

01:57:42,070 --> 01:57:40,960

fake or they got caught selling fake

2941

01:57:45,270 --> 01:57:42,080

stories or they

2942

01:57:47,910 --> 01:57:45,280

you know it's all about the money

2943

01:57:49,830 --> 01:57:47,920

it's all about the money ryan morphy

2944

01:57:51,830 --> 01:57:49,840

richard says thoughts on grant cameron i

2945

01:57:53,910 --> 01:57:51,840

interviewed grant cameron uh on my

2946

01:57:56,310 --> 01:57:53,920

previous show i like grant cameron

2947

01:57:58,070 --> 01:57:56,320

grant cameron is somewhat of a true

2948

01:57:58,870 --> 01:57:58,080

believer though he believes a lot of

2949

01:58:00,870 --> 01:57:58,880

stuff

2950

01:58:03,430 --> 01:58:00,880

and it seems that he puts his critical

2951  
01:58:06,149 --> 01:58:03,440  
thinking aside sometimes

2952  
01:58:07,669 --> 01:58:06,159  
um but i yeah somebody said i think

2953  
01:58:09,669 --> 01:58:07,679  
chris johnson says i think grant

2954  
01:58:11,589 --> 01:58:09,679  
believes is [h\_\_h] i do too

2955  
01:58:13,910 --> 01:58:11,599  
but i think that grant has some

2956  
01:58:15,270 --> 01:58:13,920  
interesting takes on some of this stuff

2957  
01:58:17,030 --> 01:58:15,280  
and one of the things that i found out

2958  
01:58:18,070 --> 01:58:17,040  
about greg cameron is he spends all of

2959  
01:58:20,070 --> 01:58:18,080  
his time

2960  
01:58:21,910 --> 01:58:20,080  
listening to people talk about ufos he

2961  
01:58:23,430 --> 01:58:21,920  
has a list of people

2962  
01:58:25,510 --> 01:58:23,440  
that he thinks are good information

2963  
01:58:28,470 --> 01:58:25,520

sources and anytime they talk

2964

01:58:30,070 --> 01:58:28,480

anywhere he listens and then he kind of

2965

01:58:31,030 --> 01:58:30,080

he's trying to put the puzzle pieces

2966

01:58:32,629 --> 01:58:31,040

together

2967

01:58:34,550 --> 01:58:32,639

and i hope someday that he does you know

2968

01:58:36,390 --> 01:58:34,560

he like me had his own experience and

2969

01:58:42,629 --> 01:58:36,400

that caused him to go down this rabbit

2970

01:58:45,830 --> 01:58:44,229

what sense does it make that ufo

2971

01:58:47,990 --> 01:58:45,840

disclosure and coveted stimulus are

2972

01:58:49,270 --> 01:58:48,000

attached together

2973

01:58:51,830 --> 01:58:49,280

yeah i don't know what that's about

2974

01:58:54,950 --> 01:58:51,840

myself oh yeah in just a few more days

2975

01:58:57,030 --> 01:58:54,960

we're supposed to get this report right

2976

01:58:58,950 --> 01:58:57,040

i was supposed to get this report oh and

2977

01:58:59,910 --> 01:58:58,960

uh in my list of frauds i should also

2978

01:59:02,790 --> 01:58:59,920

include sarah r

2979

01:59:04,790 --> 01:59:02,800

adams definitely one of the big grifters

2980

01:59:08,149 --> 01:59:04,800

simon parks definitely a fraud

2981

01:59:11,189 --> 01:59:08,159

and a con artist uh charlie ward

2982

01:59:13,109 --> 01:59:11,199

uh robert david steele

2983

01:59:14,790 --> 01:59:13,119

you know you can you can look at the

2984

01:59:16,870 --> 01:59:14,800

history of these people

2985

01:59:18,629 --> 01:59:16,880

and see that they don't have any real

2986

01:59:21,109 --> 01:59:18,639

information they don't have anything

2987

01:59:22,870 --> 01:59:21,119

of value they have fake stories oh

2988

01:59:24,709 --> 01:59:22,880

carrie cassidy definitely

2989

01:59:26,790 --> 01:59:24,719

carrie cassidy did i get up to i think i

2990

01:59:29,750 --> 01:59:26,800

got up to 10 or near 10.

2991

01:59:30,709 --> 01:59:29,760

um kerry cassidy is definitely a big

2992

01:59:32,229 --> 01:59:30,719

scammer

2993

01:59:34,390 --> 01:59:32,239

you know look at her sources carrie

2994

01:59:36,149 --> 01:59:34,400

cassidy uses sources like court martial

2995

01:59:37,750 --> 01:59:36,159

child molesters convicted felons

2996

01:59:39,270 --> 01:59:37,760

convicted murderers

2997

01:59:40,790 --> 01:59:39,280

but she believes them about they're

2998

01:59:43,189 --> 01:59:40,800

convicted murderers

2999

01:59:44,390 --> 01:59:43,199

they're convicted felons court martial

3000

01:59:46,310 --> 01:59:44,400

pedophiles

3001

01:59:48,149 --> 01:59:46,320

but she believes their stories about

3002

01:59:51,189 --> 01:59:48,159

aliens are true and accurate

3003

01:59:52,070 --> 01:59:51,199

sure they are filplayer what was your

3004

01:59:54,070 --> 01:59:52,080

experience

3005

01:59:55,350 --> 01:59:54,080

i i saw something that could only be

3006

01:59:57,189 --> 01:59:55,360

considered a ufo

3007

01:59:59,189 --> 01:59:57,199

it was metallic it was huge it was

3008

02:00:01,270 --> 01:59:59,199

hovering above the tree lines

3009

02:00:03,189 --> 02:00:01,280

and on my previous channel if you search

3010

02:00:04,709 --> 02:00:03,199

youtube for stephen campion you'll find

3011

02:00:06,790 --> 02:00:04,719

this channel truthseekers and you'll

3012

02:00:09,189 --> 02:00:06,800

also find my previous channel

3013

02:00:10,870 --> 02:00:09,199

uh just under the name stephen campion

3014

02:00:11,430 --> 02:00:10,880

there's a video there called philplair

3015

02:00:14,149 --> 02:00:11,440

called

3016

02:00:16,790 --> 02:00:14,159

encounter in the forest and i it's kind

3017

02:00:18,629 --> 02:00:16,800

of long-winded for what was a very quick

3018

02:00:20,790 --> 02:00:18,639

strange experience but i tell the whole

3019

02:00:22,550 --> 02:00:20,800

story there someday i'm going to convert

3020

02:00:24,790 --> 02:00:22,560

that and put it here because many people

3021

02:00:26,870 --> 02:00:24,800

ask me what got me started

3022

02:00:28,790 --> 02:00:26,880

in this game and that's really what it

3023

02:00:31,669 --> 02:00:28,800

was

3024

02:00:33,189 --> 02:00:31,679

out of mind says all of them frauds

3025

02:00:35,750 --> 02:00:33,199

every last one of them

3026

02:00:37,510 --> 02:00:35,760

yeah effluent for you do you have her

3027

02:00:37,910 --> 02:00:37,520

phone number i don't know do you think

3028

02:00:39,189 --> 02:00:37,920

i'm

3029

02:00:40,790 --> 02:00:39,199

are you talking about the girl that we

3030

02:00:41,589 --> 02:00:40,800

were covering tonight or are you talking

3031

02:00:47,109 --> 02:00:41,599

about

3032

02:00:56,229 --> 02:00:50,390

sarah adam adams barf yeah i think a lot

3033

02:01:00,070 --> 02:00:58,470

yeah and and i put all of these letter

3034

02:01:00,950 --> 02:01:00,080

of the alphabet people in the fraud

3035

02:01:02,950 --> 02:01:00,960

category too

3036

02:01:04,070 --> 02:01:02,960

anybody especially that got rich off of

3037

02:01:06,149 --> 02:01:04,080

that

3038

02:01:08,550 --> 02:01:06,159

right chris johansen says grant is a

3039

02:01:09,189 --> 02:01:08,560

good guy he's just wrong i personally i

3040

02:01:12,470 --> 02:01:09,199

like him

3041

02:01:14,149 --> 02:01:12,480

i i think he's a good person he's not

3042

02:01:16,629 --> 02:01:14,159

trying to mislead people

3043

02:01:17,750 --> 02:01:16,639

but he may be wrong on many of the

3044

02:01:20,870 --> 02:01:17,760

things that he

3045

02:01:22,550 --> 02:01:20,880

asserts as being factual right he's a

3046

02:01:25,030 --> 02:01:22,560

little biased he wants so

3047

02:01:27,589 --> 02:01:25,040

so much to believe that i think he's

3048

02:01:30,629 --> 02:01:27,599

lost some of his objectivity that he had

3049

02:01:36,390 --> 02:01:30,639

earlier earlier he had a lot more

3050

02:01:38,790 --> 02:01:36,400

objectivity i believe right yes don't

3051

02:01:41,109 --> 02:01:38,800

forget the audio podcast people yeah

3052

02:01:42,070 --> 02:01:41,119

and thanks for reminding me genocide

3053

02:01:45,109 --> 02:01:42,080

first oh and

3054

02:01:45,589 --> 02:01:45,119

genocide uh happy birthday to genocide

3055

02:01:47,589 --> 02:01:45,599

right

3056

02:01:50,390 --> 02:01:47,599

happy birthday look i i don't have

3057

02:01:50,790 --> 02:01:50,400

anything really good to uh that i could

3058

02:01:52,870 --> 02:01:50,800

do

3059

02:01:54,470 --> 02:01:52,880

for you except this and i hope this will

3060

02:01:56,550 --> 02:01:54,480

suffice we're all going to celebrate

3061

02:01:58,070 --> 02:01:56,560

today is genocide's birthday so happy

3062

02:02:02,149 --> 02:01:58,080

birthday bro

3063

02:02:04,070 --> 02:02:02,159

uh yay it's genocide's birthday

3064

02:02:05,830 --> 02:02:04,080

happy birthday to genocide long time

3065

02:02:07,510 --> 02:02:05,840

show supporter i hope you have a really

3066

02:02:10,310 --> 02:02:07,520

good birthday with you and your family

3067

02:02:10,870 --> 02:02:10,320

i hope you eat some cake and ice cream

3068

02:02:18,629 --> 02:02:10,880

and

3069

02:02:20,870 --> 02:02:18,639

for you

3070

02:02:22,709 --> 02:02:20,880

thanks for supporting the show and happy

3071

02:02:24,629 --> 02:02:22,719

birthday genocide

3072

02:02:26,070 --> 02:02:24,639

boy that's a terrible overlay i gotta

3073

02:02:27,830 --> 02:02:26,080

get better ones

3074

02:02:29,830 --> 02:02:27,840

you know you would think that somebody

3075

02:02:31,350 --> 02:02:29,840

would make cool stuff for the software

3076

02:02:32,870 --> 02:02:31,360

that i use but really there's not much

3077

02:02:37,510 --> 02:02:32,880

out there you got to make it yourself or

3078

02:02:41,189 --> 02:02:39,510

oh out of mind i never knew that i

3079

02:02:42,870 --> 02:02:41,199

worked for alfred for a minute this was

3080

02:02:44,470 --> 02:02:42,880

over a decade ago he's totally a user

3081

02:02:45,270 --> 02:02:44,480

not to be trusted i think you're talking

3082

02:02:50,070 --> 02:02:45,280

about

3083

02:02:52,470 --> 02:02:50,080

uh alfred lambert weber that guy

3084

02:02:53,750 --> 02:02:52,480

yes but back to the podcast sixth sense

3085

02:02:54,629 --> 02:02:53,760

is kind enough to share the audio

3086

02:02:55,990 --> 02:02:54,639

podcast

3087

02:02:57,830 --> 02:02:56,000

i want to remind everybody if you're

3088

02:03:00,229 --> 02:02:57,840

listening in audio podcastly and that

3089

02:03:02,070 --> 02:03:00,239

you're missing half of the fun

3090

02:03:03,910 --> 02:03:02,080

the root of our show really is our

3091

02:03:06,310 --> 02:03:03,920

youtube channel truth seekers

3092

02:03:08,070 --> 02:03:06,320

so come on over to youtube just go to

3093

02:03:09,910 --> 02:03:08,080

youtube.com

3094

02:03:11,990 --> 02:03:09,920

hit the search bar and search for truth

3095

02:03:14,470 --> 02:03:12,000

seekers one word you'll see me the weird

3096

02:03:16,950 --> 02:03:14,480

guy with the sunglasses and

3097

02:03:18,229 --> 02:03:16,960

uh hit the subscribe button hit the

3098

02:03:20,149 --> 02:03:18,239

notification bell

3099

02:03:22,390 --> 02:03:20,159

and you'll know about the live shows and

3100

02:03:24,709 --> 02:03:22,400

then you can come here and participate

3101

02:03:26,310 --> 02:03:24,719

in our live chat if you're listening in

3102

02:03:28,070 --> 02:03:26,320

audio podcast lane you're listening to

3103

02:03:30,310 --> 02:03:28,080

the replay if you want to get in on the

3104

02:03:31,750 --> 02:03:30,320

live show and be in the live chat we are

3105

02:03:34,229 --> 02:03:31,760

a very interactive show

3106

02:03:34,950 --> 02:03:34,239

you are most welcome here please do come

3107

02:03:37,510 --> 02:03:34,960

and find us

3108

02:03:38,950 --> 02:03:37,520

also please do follow me on twitter

3109

02:03:41,510 --> 02:03:38,960

that's the best way to know about

3110

02:03:42,950 --> 02:03:41,520

upcoming shows and events

3111

02:03:44,629 --> 02:03:42,960

like our we had a special event

3112

02:03:46,390 --> 02:03:44,639

yesterday called interview with an

3113

02:03:46,870 --> 02:03:46,400

exorcist where i interviewed a catholic

3114

02:03:49,830 --> 02:03:46,880

priest

3115

02:03:50,870 --> 02:03:49,840

i put that on twitter for a week before

3116

02:03:52,950 --> 02:03:50,880

the special event

3117

02:03:54,229 --> 02:03:52,960

letting everybody know about it be sure

3118

02:03:57,109 --> 02:03:54,239

to follow me on

3119

02:03:58,709 --> 02:03:57,119

twitter it's just at stevencambian

3120

02:04:01,109 --> 02:03:58,719

phillip blair saying happy birthday

3121

02:04:05,030 --> 02:04:01,119

genocide yeah i almost forgot genocide

3122

02:04:06,470 --> 02:04:05,040

yeah aj john i've been saying happy

3123

02:04:08,310 --> 02:04:06,480

birthday for three days so happy

3124

02:04:11,510 --> 02:04:08,320

birthday for the last time bro yeah

3125

02:04:12,790 --> 02:04:11,520

that's enough that's enough okay

3126

02:04:14,709 --> 02:04:12,800

that's enough that's enough with

3127

02:04:16,629 --> 02:04:14,719

genocide birthday wishes but everybody's

3128

02:04:18,149 --> 02:04:16,639

in the live chat is wishing genocide a

3129

02:04:21,270 --> 02:04:18,159

happy birthday

3130

02:04:24,149 --> 02:04:21,280

uh i also

3131

02:04:25,589 --> 02:04:24,159

i gotta check in with our i got to check

3132

02:04:28,709 --> 02:04:25,599

in with my email

3133

02:04:29,910 --> 02:04:28,719

i wanted to take all right yeah we did

3134

02:04:32,310 --> 02:04:29,920

not get a

3135

02:04:34,470 --> 02:04:32,320

reply somebody sent me a paypal donation

3136

02:04:37,109 --> 02:04:34,480

but i don't want to use their real name

3137

02:04:39,350 --> 02:04:37,119

so what i'm going to do is i am going to

3138

02:04:41,109 --> 02:04:39,360

use their initials just to thank them

3139

02:04:42,149 --> 02:04:41,119

for their kindness their generosity and

3140

02:04:44,550 --> 02:04:42,159

their support

3141

02:04:45,510 --> 02:04:44,560

remember uh besides the super chats

3142

02:04:47,109 --> 02:04:45,520

which is that money

3143

02:04:48,950 --> 02:04:47,119

button down there in the live chat where

3144

02:04:53,270 --> 02:04:48,960

you can send us a few bucks

3145

02:04:57,030 --> 02:04:53,280

you can uh you can support us on patreon

3146

02:04:59,510 --> 02:04:57,040

i have just given a uh

3147

02:05:00,390 --> 02:04:59,520

two songs so far this month two brand

3148

02:05:03,830 --> 02:05:00,400

new songs

3149

02:05:05,750 --> 02:05:03,840

uh i have posted on our patreon and

3150

02:05:07,109 --> 02:05:05,760

this week hopefully i'm going to be

3151

02:05:08,870 --> 02:05:07,119

posting some really great

3152

02:05:09,270 --> 02:05:08,880

behind-the-scenes truthseeker stuff

3153

02:05:12,149 --> 02:05:09,280

we're

3154

02:05:13,270 --> 02:05:12,159

doing a screen test of a new character

3155

02:05:14,790 --> 02:05:13,280

i'm going to tell you about that

3156

02:05:15,750 --> 02:05:14,800

character because it's going to be a fun

3157

02:05:17,750 --> 02:05:15,760

one

3158

02:05:22,390 --> 02:05:17,760

i'm doing a character called linda

3159

02:05:25,830 --> 02:05:24,149

is going to be on our show as a guest

3160

02:05:27,589 --> 02:05:25,840

host and so

3161

02:05:29,030 --> 02:05:27,599

i'm doing a screen test with the

3162

02:05:31,109 --> 02:05:29,040

appliance all

3163

02:05:33,189 --> 02:05:31,119

you know with me all done up as the

3164

02:05:35,109 --> 02:05:33,199

character linda mountain howdy duty

3165

02:05:36,790 --> 02:05:35,119

and i'm putting that on on patreon

3166

02:05:38,550 --> 02:05:36,800

everything we do here we give

3167

02:05:40,870 --> 02:05:38,560

people on patreon it's only a buck a

3168

02:05:41,750 --> 02:05:40,880

month or you know or more you can give

3169

02:05:43,750 --> 02:05:41,760

whatever you want

3170

02:05:45,910 --> 02:05:43,760

the buy-in is only a dollar but you give

3171

02:05:48,069 --> 02:05:45,920

a dollar or more a month

3172

02:05:49,830 --> 02:05:48,079

and what you get for that is a backstage

3173

02:05:52,950 --> 02:05:49,840

pass that's what we call it

3174

02:05:55,270 --> 02:05:52,960

i post everything everything that i can

3175

02:05:56,950 --> 02:05:55,280

i share with the patreon people before

3176

02:05:58,870 --> 02:05:56,960

it gets to the public show so if i'm

3177

02:06:01,189 --> 02:05:58,880

working on a new character

3178

02:06:02,629 --> 02:06:01,199

i do some tests and things screen tests

3179

02:06:03,669 --> 02:06:02,639

to see how it looks or do some

3180

02:06:05,830 --> 02:06:03,679

adjustments

3181

02:06:07,910 --> 02:06:05,840

take pictures of it while we're making

3182

02:06:11,109 --> 02:06:07,920

the masks and things like that or

3183

02:06:12,870 --> 02:06:11,119

you know gluing on the wigs

3184

02:06:14,229 --> 02:06:12,880

and i put that all on patreon so if you

3185

02:06:15,669 --> 02:06:14,239

really like the show you can for as

3186

02:06:17,189 --> 02:06:15,679

little as a buck a month you could get a

3187

02:06:20,069 --> 02:06:17,199

backstage pass

3188

02:06:22,229 --> 02:06:20,079

um but i want to mention that's my email

3189

02:06:23,589 --> 02:06:22,239

right there truthseekershow.gmail.com

3190

02:06:24,950 --> 02:06:23,599

and i know it's a tough economy right

3191

02:06:26,390 --> 02:06:24,960

now so if you really like the show and

3192

02:06:29,109 --> 02:06:26,400

you'd like to get the benefits

3193

02:06:30,470 --> 02:06:29,119

just email me and put patreon benefits

3194

02:06:32,709 --> 02:06:30,480

and put a note in there like

3195

02:06:34,470 --> 02:06:32,719

having a rough time right now i will add

3196

02:06:36,550 --> 02:06:34,480

you we have a list of people

3197

02:06:38,310 --> 02:06:36,560

actually that are having uh you know a

3198

02:06:39,830 --> 02:06:38,320

rough time it's a rough economy out

3199

02:06:42,229 --> 02:06:39,840

there but i don't want anybody left

3200

02:06:43,669 --> 02:06:42,239

out for lack of a dollar so there's

3201  
02:06:44,870 --> 02:06:43,679  
other ways that you could support the

3202  
02:06:47,990 --> 02:06:44,880  
show

3203  
02:06:49,910 --> 02:06:48,000  
and one of the best ways of course i

3204  
02:06:52,870 --> 02:06:49,920  
always try to remind people

3205  
02:06:53,750 --> 02:06:52,880  
is to like comment and subscribe it

3206  
02:06:55,750 --> 02:06:53,760  
really does help

3207  
02:06:57,830 --> 02:06:55,760  
hit that notification bell smash that

3208  
02:06:59,510 --> 02:06:57,840  
like button leave a comment if you like

3209  
02:07:01,270 --> 02:06:59,520  
the show or a certain topic

3210  
02:07:02,870 --> 02:07:01,280  
ask questions in the comments i try to

3211  
02:07:04,870 --> 02:07:02,880  
reply to questions

3212  
02:07:06,870 --> 02:07:04,880  
in every video if you ask me a question

3213  
02:07:07,430 --> 02:07:06,880

i will try to reply to the best of my

3214

02:07:09,109 --> 02:07:07,440

ability

3215

02:07:11,270 --> 02:07:09,119

some i may miss but i always try to

3216

02:07:14,550 --> 02:07:11,280

catch up with the youtube analytics

3217

02:07:17,750 --> 02:07:14,560

that lets you see each comment um

3218

02:07:20,069 --> 02:07:17,760

so interaction is key here

3219

02:07:21,510 --> 02:07:20,079

the youtube algorithm god loves it when

3220

02:07:23,750 --> 02:07:21,520

people interact when they leave a

3221

02:07:26,709 --> 02:07:23,760

comment when they smash that like button

3222

02:07:27,189 --> 02:07:26,719

you know hell smash the i don't like

3223

02:07:29,990 --> 02:07:27,199

button

3224

02:07:31,589 --> 02:07:30,000

i'm fine with that too that's okay

3225

02:07:34,470 --> 02:07:31,599

because that

3226

02:07:36,229 --> 02:07:34,480

just like a like to me it doesn't the

3227

02:07:38,310 --> 02:07:36,239

youtube algorithm doesn't care

3228

02:07:40,629 --> 02:07:38,320

if you like me or dislike me it only

3229

02:07:42,790 --> 02:07:40,639

cares about the actual

3230

02:07:44,470 --> 02:07:42,800

interaction so be sure to hit that like

3231

02:07:46,149 --> 02:07:44,480

button we only got we got amateur

3232

02:07:48,069 --> 02:07:46,159

numbers tonight we've only got one down

3233

02:07:51,030 --> 02:07:48,079

vote

3234

02:07:52,790 --> 02:07:51,040

downloads come before the show even

3235

02:07:55,270 --> 02:07:52,800

starts like when the when the thing's

3236

02:07:57,669 --> 02:07:55,280

waiting to begin

3237

02:07:59,270 --> 02:07:57,679

but god bless you whoever downvoted me

3238

02:08:00,950 --> 02:07:59,280

tonight because you actually helped me

3239

02:08:02,790 --> 02:08:00,960

so thank you for taking the time to do

3240

02:08:07,910 --> 02:08:02,800

that

3241

02:08:09,830 --> 02:08:07,920

share some of these videos on your

3242

02:08:12,310 --> 02:08:09,840

social media or retweet

3243

02:08:13,430 --> 02:08:12,320

my tweets of these videos from my

3244

02:08:15,350 --> 02:08:13,440

twitter account

3245

02:08:17,910 --> 02:08:15,360

post some of these videos or our channel

3246

02:08:21,109 --> 02:08:17,920

address on facebook on instagram

3247

02:08:23,350 --> 02:08:21,119

on twitter wherever you can and help

3248

02:08:25,350 --> 02:08:23,360

spread the word that really does help us

3249

02:08:26,709 --> 02:08:25,360

and uh sometimes i think that's more

3250

02:08:28,870 --> 02:08:26,719

important than somebody giving me a

3251

02:08:31,510 --> 02:08:28,880

dollar or a couple of dollars through

3252

02:08:32,310 --> 02:08:31,520

super chat and of course uh i want to

3253

02:08:36,069 --> 02:08:32,320

check

3254

02:08:37,910 --> 02:08:36,079

oh one second i see i got so sidetracked

3255

02:08:39,830 --> 02:08:37,920

so we had a kind and generous paypal

3256

02:08:42,709 --> 02:08:39,840

donator with the initials kw

3257

02:08:44,229 --> 02:08:42,719

they know who they are on june 16th i

3258

02:08:44,950 --> 02:08:44,239

have not been checking this because most

3259

02:08:46,870 --> 02:08:44,960

people are now

3260

02:08:47,990 --> 02:08:46,880

just using the super chats it's easier

3261

02:08:49,910 --> 02:08:48,000

for most people

3262

02:08:51,830 --> 02:08:49,920

but i remind you that there's a paypal

3263

02:08:53,910 --> 02:08:51,840

donate button in the description of this

3264

02:08:55,669 --> 02:08:53,920

video or in the about section

3265

02:08:57,430 --> 02:08:55,679

if you'd like to do that i actually get

3266

02:08:58,950 --> 02:08:57,440

to keep a lot more of the money if you

3267

02:09:00,790 --> 02:08:58,960

send it through paypal so

3268

02:09:02,629 --> 02:09:00,800

for all you people sending very generous

3269

02:09:04,149 --> 02:09:02,639

donations like 20

3270

02:09:05,669 --> 02:09:04,159

you might want to go and just do the

3271

02:09:06,709 --> 02:09:05,679

paypal donation and you have my

3272

02:09:08,470 --> 02:09:06,719

commitment i'm going to check in with

3273

02:09:10,709 --> 02:09:08,480

that every night now

3274

02:09:12,790 --> 02:09:10,719

so thanks kw for the your kindness your

3275

02:09:16,069 --> 02:09:12,800

generosity and your support of

3276

02:09:18,390 --> 02:09:16,079

truth seeker show it really does help

3277

02:09:19,270 --> 02:09:18,400

uh move the ball forward here and help

3278

02:09:23,669 --> 02:09:19,280

us produce

3279

02:09:26,950 --> 02:09:25,750

you i have an attitude of gratitude you

3280

02:09:29,669 --> 02:09:26,960

guys really are

3281

02:09:30,310 --> 02:09:29,679

uh helping and to keep the show going i

3282

02:09:32,149 --> 02:09:30,320

have

3283

02:09:33,589 --> 02:09:32,159

money for materials that i need to

3284

02:09:35,589 --> 02:09:33,599

create these characters i have a little

3285

02:09:36,470 --> 02:09:35,599

bit of money if i need headphones by the

3286

02:09:39,030 --> 02:09:36,480

way i do

3287

02:09:40,229 --> 02:09:39,040

i've been using these uh i'm down to

3288

02:09:42,310 --> 02:09:40,239

like

3289

02:09:44,709 --> 02:09:42,320

earbuds which are not my favorite i'd

3290

02:09:46,950 --> 02:09:44,719

rather have regular headphones but uh

3291

02:09:48,870 --> 02:09:46,960

you know i buy these cheap headphones

3292

02:09:50,870 --> 02:09:48,880

and they bust

3293

02:09:52,149 --> 02:09:50,880

or they wear out really quick so i gotta

3294

02:09:53,830 --> 02:09:52,159

get some new headphones but

3295

02:09:56,069 --> 02:09:53,840

hey here's the good news i've got some

3296

02:09:58,229 --> 02:09:56,079

paypal money that i can withdraw

3297

02:10:00,229 --> 02:09:58,239

and go get some new headphones it really

3298

02:10:02,149 --> 02:10:00,239

does help keep the show going thank you

3299

02:10:04,550 --> 02:10:02,159

all for your kindness your generosity

3300

02:10:06,709 --> 02:10:04,560

and your support

3301

02:10:07,830 --> 02:10:06,719

indigo ginzo says the grier mass was

3302

02:10:09,910 --> 02:10:07,840

creepily good

3303

02:10:11,510 --> 02:10:09,920

i think this linda molten howdy duty may

3304

02:10:15,669 --> 02:10:11,520

be my best one yet

3305

02:10:17,510 --> 02:10:15,679

it is good lindemon howdy duty

3306

02:10:19,109 --> 02:10:17,520

and the gun says the one dislike is from

3307

02:10:21,669 --> 02:10:19,119

emery smith maybe

3308

02:10:22,870 --> 02:10:21,679

yeah and he's probably in the live chat

3309

02:10:25,109 --> 02:10:22,880

they like to learn

3310

02:10:27,350 --> 02:10:25,119

they never some of them they're such

3311

02:10:31,109 --> 02:10:27,360

narcissists they gotta see

3312

02:10:32,229 --> 02:10:31,119

uh they gotta see what people are saying

3313

02:10:33,430 --> 02:10:32,239

about them and hear what people are

3314

02:10:35,910 --> 02:10:33,440

saying about them but they don't wanna

3315

02:10:39,109 --> 02:10:35,920

comment so they lurk in the live chat

3316

02:10:42,310 --> 02:10:39,119

uh one secret astronaut is kind of

3317

02:10:44,709 --> 02:10:42,320

famous for that i think

3318

02:10:45,669 --> 02:10:44,719

ryan morphy says i might just download

3319

02:10:47,589 --> 02:10:45,679

for the giggles

3320

02:10:49,750 --> 02:10:47,599

yeah like i said it helps all

3321

02:10:53,510 --> 02:10:49,760

interaction helps us so

3322

02:10:55,589 --> 02:10:53,520

so friends uh boy we had a we had a

3323

02:10:57,350 --> 02:10:55,599

good i had a great time tonight kind of

3324

02:10:59,430 --> 02:10:57,360

laughing at this but i do have to say

3325

02:11:01,990 --> 02:10:59,440

that there's a human part to this too

3326

02:11:03,109 --> 02:11:02,000

i'm human i feel bad for this poor girl

3327

02:11:05,430 --> 02:11:03,119

she thought she met the

3328

02:11:06,790 --> 02:11:05,440

love of her life she met a con artist

3329

02:11:08,870 --> 02:11:06,800

you know and and how

3330

02:11:11,350 --> 02:11:08,880

what a disappointing thing that is like

3331

02:11:13,990 --> 02:11:11,360

oh i meant the love of my life no

3332

02:11:15,750 --> 02:11:14,000

[h\_\_h] he's a con artist and genocide for

3333

02:11:18,790 --> 02:11:15,760

your birthday i will read this

3334

02:11:20,149 --> 02:11:18,800

please bro this and the slides man

3335

02:11:22,470 --> 02:11:20,159

david wilcock would look so cool with

3336

02:11:24,629 --> 02:11:22,480

the mustache and be more believable too

3337

02:11:25,990 --> 02:11:24,639

this is jonah side's theory can't say i

3338

02:11:28,629 --> 02:11:26,000

disagree with him

3339

02:11:30,470 --> 02:11:28,639

out of mind says linda linda howdy duty

3340

02:11:31,750 --> 02:11:30,480

it's linda mullen happy duty or yeah

3341

02:11:33,990 --> 02:11:31,760

maybe we should shorten it to linda

3342

02:11:35,589 --> 02:11:34,000

howdy duty

3343

02:11:37,589 --> 02:11:35,599

i'll have to think about that one out of

3344

02:11:40,229 --> 02:11:37,599

mind yeah uh

3345

02:11:42,390 --> 02:11:40,239

yeah i'm working on that i got a wig and

3346

02:11:43,990 --> 02:11:42,400

everything i gotta glue it on

3347

02:11:45,750 --> 02:11:44,000

uh but it's coming along great i'm gonna

3348

02:11:49,270 --> 02:11:45,760

put some stuff from that

3349

02:11:55,030 --> 02:11:49,280

on the uh on the patreon rope status

3350

02:11:58,950 --> 02:11:56,470

says how do we know she isn't a con

3351

02:12:01,350 --> 02:11:58,960

artist too yeah yeah we don't

3352

02:12:02,550 --> 02:12:01,360

i think she's a gullible girl that got

3353

02:12:05,589 --> 02:12:02,560

caught up with uh

3354

02:12:06,069 --> 02:12:05,599

you know some fantasy of like living

3355

02:12:09,350 --> 02:12:06,079

with

3356

02:12:10,629 --> 02:12:09,360

super secret agent uh emery smith and

3357

02:12:12,470 --> 02:12:10,639

she believed that he was

3358

02:12:13,669 --> 02:12:12,480

really on secret missions and stuff for

3359

02:12:15,589 --> 02:12:13,679

a time so

3360

02:12:17,669 --> 02:12:15,599

maybe she got caught up in the fantasy

3361

02:12:20,149 --> 02:12:17,679

of being like the wife of a super

3362

02:12:20,950 --> 02:12:20,159

soldier secret agent or something i

3363

02:12:23,510 --> 02:12:20,960

don't know

3364

02:12:24,790 --> 02:12:23,520

but you know what really the gist of

3365

02:12:27,430 --> 02:12:24,800

this story is that

3366

02:12:28,069 --> 02:12:27,440

emery smith is a predator he lies to

3367

02:12:30,790 --> 02:12:28,079

women

3368

02:12:31,189 --> 02:12:30,800

he lies to people that pay him for his q

3369

02:12:37,750 --> 02:12:31,199

a

3370

02:12:39,430 --> 02:12:37,760

or works for the u.n let's see

3371

02:12:40,790 --> 02:12:39,440

he lied about getting attacked by the

3372

02:12:43,189 --> 02:12:40,800

deep state when in fact

3373

02:12:44,950 --> 02:12:43,199

you know he was on alcohol bender that

3374

02:12:46,709 --> 02:12:44,960

landed him in the hospital with alcohol

3375

02:12:48,470 --> 02:12:46,719

poisoning

3376

02:12:50,790 --> 02:12:48,480

and i believe that he lied about all of

3377

02:12:53,109 --> 02:12:50,800

his [h\_\_h] alien stories like the 3

3378

02:12:54,390 --> 02:12:53,119

000 tissue samples or autopsies he

3379

02:13:02,149 --> 02:12:54,400

supposedly did

3380

02:13:03,830 --> 02:13:02,159

i think that's all horseshit uh yeah

3381

02:13:06,310 --> 02:13:03,840

absolutely for use as linda finds too

3382

02:13:09,109 --> 02:13:06,320

many distracted cows for me hey i agree

3383

02:13:10,229 --> 02:13:09,119

uh she's ridiculous so we're going to

3384

02:13:11,589 --> 02:13:10,239

kind of make fun of that whole

3385

02:13:13,430 --> 02:13:11,599

ridiculousness here

3386

02:13:15,990 --> 02:13:13,440

with a new character called linda molten

3387

02:13:18,390 --> 02:13:16,000

howdy duty and someday i promise you

3388

02:13:19,910 --> 02:13:18,400

guys i'm gonna figure out how to how i

3389

02:13:21,430 --> 02:13:19,920  
could be on a panel with all the

3390

02:13:23,189 --> 02:13:21,440  
characters at the same time

3391

02:13:25,030 --> 02:13:23,199  
certainly that would of course have to

3392

02:13:26,790 --> 02:13:25,040  
be pre-recorded but i think it would be

3393

02:13:28,229 --> 02:13:26,800  
fun

3394

02:13:31,830 --> 02:13:28,239  
so i'm going to try to put that together

3395

02:13:34,149 --> 02:13:31,840  
it's on my list of things to do

3396

02:13:34,950 --> 02:13:34,159  
so friends what can i say uh it's been

3397

02:13:37,030 --> 02:13:34,960  
another fun

3398

02:13:38,390 --> 02:13:37,040  
show for me i'm always so happy when

3399

02:13:39,830 --> 02:13:38,400  
there's an audience

3400

02:13:42,830 --> 02:13:39,840  
thank you guys for all coming here

3401

02:13:46,310 --> 02:13:42,840

tonight and being a part of this

3402

02:13:47,830 --> 02:13:46,320

uh i am blown away by the support we're

3403

02:13:49,669 --> 02:13:47,840

getting and how the show is quickly

3404

02:13:50,069 --> 02:13:49,679

growing we had great numbers tonight we

3405

02:13:52,470 --> 02:13:50,079

had a

3406

02:13:54,069 --> 02:13:52,480

great audience thank you so much for

3407

02:13:56,310 --> 02:13:54,079

being a part of mine

3408

02:13:57,350 --> 02:13:56,320

so friends until next time my name is

3409

02:14:13,320 --> 02:13:57,360

stephen cambion

3410

02:14:23,730 --> 02:14:13,330

good night and god bless all of you

3411

02:15:22,310 --> 02:14:23,740

[Music]

3412

02:15:23,670 --> 02:15:22,320

so

3413

02:15:34,830 --> 02:15:23,680

[Applause]
