

1
00:03:18,960 --> 00:00:48,690
[Music]

2
00:03:45,840 --> 00:03:18,970
so

3
00:03:45,850 --> 00:03:58,830
[Music]

4
00:04:12,830 --> 00:04:00,270
so

5
00:04:30,629 --> 00:04:12,840
[Music]

6
00:04:36,150 --> 00:04:33,590
welcome friends to jason shurka's land

7
00:04:39,590 --> 00:04:36,160
of maple leaf

8
00:04:41,189 --> 00:04:39,600
yeah that was a little ridiculous uh but

9
00:04:44,469 --> 00:04:41,199
so were the claims of one

10
00:04:45,510 --> 00:04:44,479
jason sherka uh so greetings and

11
00:04:48,629 --> 00:04:45,520
salutations

12
00:04:50,150 --> 00:04:48,639
and welcome to the show uh we previously

13
00:04:53,670 --> 00:04:50,160

covered jason's sherpa

14

00:04:56,950 --> 00:04:53,680

sort of an intro piece on gaia's new

15

00:04:59,430 --> 00:04:56,960

hot property right

16

00:05:00,550 --> 00:04:59,440

he's been on cosmic disclosure with

17

00:05:07,510 --> 00:05:00,560

henry smith

18

00:05:09,909 --> 00:05:07,520

called him a complete and total fraud

19

00:05:10,710 --> 00:05:09,919

and did not want to interview him

20

00:05:16,070 --> 00:05:10,720

interesting

21

00:05:18,629 --> 00:05:16,080

going on over a cosmic disclosure

22

00:05:19,909 --> 00:05:18,639

uh he's been on george laurie's show

23

00:05:22,830 --> 00:05:19,919

beyond belief

24

00:05:23,990 --> 00:05:22,840

because his stories are certainly beyond

25

00:05:27,830 --> 00:05:24,000

belief uh

26

00:05:31,830 --> 00:05:27,840

what we get with jacob jason shurka

27

00:05:37,350 --> 00:05:31,840

essentially is and this is my take on it

28

00:05:43,990 --> 00:05:41,350

a rich entitled

29

00:05:46,870 --> 00:05:44,000

child who grew up the son of

30

00:05:53,749 --> 00:05:49,909

and i suppose uh like many

31

00:05:58,150 --> 00:05:53,759

of these rich entitled children

32

00:06:01,110 --> 00:05:58,160

grew up to be a rich entitled man

33

00:06:02,150 --> 00:06:01,120

who somehow thinks that he's entitled to

34

00:06:06,790 --> 00:06:02,160

all this

35

00:06:09,189 --> 00:06:06,800

money power fame glory

36

00:06:10,790 --> 00:06:09,199

but when you dig into his so-called

37

00:06:13,909 --> 00:06:10,800

accomplishments

38

00:06:18,469 --> 00:06:13,919

i mean he's

39

00:06:22,070 --> 00:06:20,710

i'm sorry not not necessarily opposed to

40

00:06:26,469 --> 00:06:22,080

me but this man

41

00:06:27,110 --> 00:06:26,479

brags that he rose to the level of vice

42

00:06:29,510 --> 00:06:27,120

president

43

00:06:31,110 --> 00:06:29,520

of a multi-million dollar company he

44

00:06:34,070 --> 00:06:31,120

just forgets to tell you

45

00:06:36,390 --> 00:06:34,080

that the company was founded owned and

46

00:06:39,189 --> 00:06:36,400

operated by his father

47

00:06:40,309 --> 00:06:39,199

so i'm sorry jason shurka if i'm not

48

00:06:43,189 --> 00:06:40,319

impressed

49

00:06:44,390 --> 00:06:43,199

that you somehow overcome every obstacle

50

00:06:46,950 --> 00:06:44,400

in your life

51
00:06:49,029 --> 00:06:46,960
right and rose to the level of vice

52
00:06:51,270 --> 00:06:49,039
president of your daddy's company

53
00:06:52,230 --> 00:06:51,280
great what what are the odds that would

54
00:06:54,629 --> 00:06:52,240
have happened

55
00:06:55,589 --> 00:06:54,639
what are the chances that that would

56
00:06:58,390 --> 00:06:55,599
happen

57
00:06:59,589 --> 00:06:58,400
how hard you must have worked to become

58
00:07:02,230 --> 00:06:59,599
the vice president

59
00:07:04,870 --> 00:07:02,240
of your rich millionaire daddy's company

60
00:07:11,990 --> 00:07:08,469
but my point is that

61
00:07:15,430 --> 00:07:12,000
like david wilcock son of rich

62
00:07:18,710 --> 00:07:15,440
entitled people jason circa i suppose

63
00:07:21,830 --> 00:07:18,720

is like david wilcock he

64

00:07:23,670 --> 00:07:21,840

got bored in life one day and decided he

65

00:07:24,629 --> 00:07:23,680

was going to be the savior of the human

66

00:07:26,950 --> 00:07:24,639

race

67

00:07:28,070 --> 00:07:26,960

because he is now in contact with the

68

00:07:31,749 --> 00:07:28,080

tls

69

00:07:35,909 --> 00:07:31,759

the light system a super secret society

70

00:07:37,589 --> 00:07:35,919

right now uh after our previous coverage

71

00:07:39,110 --> 00:07:37,599

she wrote me this big long

72

00:07:40,790 --> 00:07:39,120

thing and insulted me from wearing

73

00:07:41,270 --> 00:07:40,800

glasses by the way i'm not going to take

74

00:07:44,469 --> 00:07:41,280

them off

75

00:07:45,830 --> 00:07:44,479

but just know mr shurka that i do have a

76

00:07:48,230 --> 00:07:45,840

paralyzed eye

77

00:07:49,589 --> 00:07:48,240

and that's why i wear glasses for

78

00:07:52,869 --> 00:07:49,599

medical reasons and

79

00:07:55,589 --> 00:07:52,879

really um i suppose for i have to admit

80

00:07:57,430 --> 00:07:55,599

i agree with visual appearance as well

81

00:07:59,110 --> 00:07:57,440

because the problem we have a paralyzed

82

00:08:01,589 --> 00:07:59,120

eye especially when you're on camera

83

00:08:02,629 --> 00:08:01,599

is that i could have my paralyzed eye

84

00:08:05,189 --> 00:08:02,639

looking this way

85

00:08:07,029 --> 00:08:05,199

and my good eye looking at the camera

86

00:08:10,550 --> 00:08:07,039

it's very distracting

87

00:08:13,430 --> 00:08:10,560

uh you know and and to be

88

00:08:15,909 --> 00:08:13,440

clear and entirely upfront honest i'm

89

00:08:17,990 --> 00:08:15,919

very self-conscious about

90

00:08:19,029 --> 00:08:18,000

like giving people an evil eye what i

91

00:08:21,830 --> 00:08:19,039

don't mean to

92

00:08:22,710 --> 00:08:21,840

right so i wear the glasses you'll have

93

00:08:24,070 --> 00:08:22,720

to forgive me

94

00:08:26,150 --> 00:08:24,080

after all you're a loving white

95

00:08:27,670 --> 00:08:26,160

spiritual guru and i'm sure that you

96

00:08:29,110 --> 00:08:27,680

would not make fun of somebody's

97

00:08:32,389 --> 00:08:29,120

personal deformity

98

00:08:34,469 --> 00:08:32,399

mr love and light or somebody's you know

99

00:08:35,509 --> 00:08:34,479

medical mishap that resulted in a

100

00:08:38,550 --> 00:08:35,519

deformity

101
00:08:43,190 --> 00:08:38,560
know

102
00:08:43,750 --> 00:08:43,200
that you shouldn't be so quick to judge

103
00:08:46,949 --> 00:08:43,760
people

104
00:08:50,470 --> 00:08:46,959
mr love and mike right

105
00:08:53,110 --> 00:08:50,480
so uh in fairness as well

106
00:08:54,949 --> 00:08:53,120
uh he corrected some things and his big

107
00:08:57,110 --> 00:08:54,959
long most iran

108
00:08:58,949 --> 00:08:57,120
i had various people tell me that he's

109
00:09:00,870 --> 00:08:58,959
denied being jewish or israeli

110
00:09:02,389 --> 00:09:00,880
in the post he clearly states i am a

111
00:09:05,590 --> 00:09:02,399
jewish male so

112
00:09:09,829 --> 00:09:05,600
i apologize for uh maybe

113
00:09:11,670 --> 00:09:09,839

misreporting those

114

00:09:13,829 --> 00:09:11,680

let's call them allegations that people

115

00:09:15,990 --> 00:09:13,839

made against him

116

00:09:17,670 --> 00:09:16,000

so he sort of challenged me to uh you

117

00:09:19,430 --> 00:09:17,680

know educate myself

118

00:09:21,110 --> 00:09:19,440

and do more research and that's a

119

00:09:23,269 --> 00:09:21,120

terrible thing for you to do

120

00:09:24,870 --> 00:09:23,279

jason sherpa this was not it's not a

121

00:09:27,910 --> 00:09:24,880

good idea to tell me

122

00:09:29,750 --> 00:09:27,920

to do more research on you right this is

123

00:09:32,230 --> 00:09:29,760

not going to go well for you

124

00:09:33,110 --> 00:09:32,240

telling me to do more research on you uh

125

00:09:34,949 --> 00:09:33,120

but i did

126

00:09:36,150 --> 00:09:34,959

and i got a chance i got to tell you i

127

00:09:39,750 --> 00:09:36,160

got a chance to listen

128

00:09:41,110 --> 00:09:39,760

to the uh audio version of his book the

129

00:09:44,389 --> 00:09:41,120

pyramid code

130

00:09:48,070 --> 00:09:44,399

and i first of all

131

00:09:50,150 --> 00:09:48,080

i'm i gave very little

132

00:09:51,190 --> 00:09:50,160

i'm trying to not be so skeptical when i

133

00:09:53,110 --> 00:09:51,200

listen to it right

134

00:09:55,670 --> 00:09:53,120

i said all right i'm going to put aside

135

00:09:59,590 --> 00:09:55,680

my skepticism to see if there's anything

136

00:10:01,430 --> 00:09:59,600

of value in this book but what we get

137

00:10:03,190 --> 00:10:01,440

essentially is a book that was written

138

00:10:05,509 --> 00:10:03,200

by somebody else

139

00:10:06,949 --> 00:10:05,519

not jason jason didn't write the book

140

00:10:08,470 --> 00:10:06,959

right so he gets this degree of

141

00:10:10,550 --> 00:10:08,480

separation

142

00:10:12,069 --> 00:10:10,560

he didn't write the book somebody else

143

00:10:14,550 --> 00:10:12,079

wrote the book

144

00:10:16,310 --> 00:10:14,560

and then gave it to him to disseminate

145

00:10:19,350 --> 00:10:16,320

to the world

146

00:10:21,750 --> 00:10:19,360

and who is it that wrote the book well

147

00:10:23,430 --> 00:10:21,760

if you follow the jason check this land

148

00:10:26,630 --> 00:10:23,440

of maple leaf through this book

149

00:10:30,069 --> 00:10:26,640

it's somebody that has been reincarnated

150

00:10:33,150 --> 00:10:30,079

69 times and has

151
00:10:35,910 --> 00:10:33,160
recalled well there's there's a lot of

152
00:10:38,870 --> 00:10:35,920
inconsistencies in the pyramid code

153
00:10:39,990 --> 00:10:38,880
first of all the person writing the book

154
00:10:42,630 --> 00:10:40,000
says

155
00:10:43,910 --> 00:10:42,640
i don't remember some of my lives with

156
00:10:46,310 --> 00:10:43,920
clarity

157
00:10:47,990 --> 00:10:46,320
you know just bits and pieces but then

158
00:10:50,470 --> 00:10:48,000
throughout the entire book

159
00:10:53,110 --> 00:10:50,480
this person who wrote the book and has

160
00:10:56,230 --> 00:10:53,120
been reincarnated 69 times

161
00:10:57,110 --> 00:10:56,240
is giving perfect recall of events from

162
00:11:01,110 --> 00:10:57,120
past lives

163
00:11:04,069 --> 00:11:01,120

including dates in both uh you know

164

00:11:05,269 --> 00:11:04,079

in both calendars which i felt was you

165

00:11:09,110 --> 00:11:05,279

know an attempt to

166

00:11:11,509 --> 00:11:09,120

uh confuse people after all

167

00:11:13,509 --> 00:11:11,519

this book i don't know for the first

168

00:11:16,470 --> 00:11:13,519

hour or two

169

00:11:17,750 --> 00:11:16,480

the the person writing the book is

170

00:11:20,630 --> 00:11:17,760

recounting stories

171

00:11:21,990 --> 00:11:20,640

basically from ancient history an

172

00:11:25,190 --> 00:11:22,000

ancient

173

00:11:28,230 --> 00:11:25,200

uh egypt right they were a magician

174

00:11:31,430 --> 00:11:28,240

they were high priest uh the book

175

00:11:32,310 --> 00:11:31,440

also claims that all of the egyptian

176
00:11:36,069 --> 00:11:32,320
pharaohs

177
00:11:39,509 --> 00:11:36,079
were aliens yeah

178
00:11:42,710 --> 00:11:39,519
yeah and i would just say

179
00:11:43,750 --> 00:11:42,720
jason shurika you know that's so easily

180
00:11:46,310 --> 00:11:43,760
proven false

181
00:11:47,910 --> 00:11:46,320
completely and totally false after all

182
00:11:51,190 --> 00:11:47,920
how many pharaohs mummies

183
00:11:53,269 --> 00:11:51,200
are in museums we can take dna samples

184
00:11:54,629 --> 00:11:53,279
and see that the pharaohs were entirely

185
00:11:57,829 --> 00:11:54,639
human there's no there's

186
00:12:01,670 --> 00:11:57,839
nothing strange about their dna oh

187
00:12:08,470 --> 00:12:05,110
egyptian mummies a few of them

188
00:12:12,310 --> 00:12:08,480

do have some particular anomalies like

189

00:12:15,670 --> 00:12:12,320

you know large heads uh but this could

190

00:12:22,550 --> 00:12:19,030

gordon right just

191

00:12:25,509 --> 00:12:22,560

aesthetic change of the human skull for

192

00:12:26,790 --> 00:12:25,519

whatever purpose to separate themselves

193

00:12:28,710 --> 00:12:26,800

is the royalty

194

00:12:31,190 --> 00:12:28,720

it doesn't prove they're aliens but this

195

00:12:33,750 --> 00:12:31,200

proclaims that all the egyptian pharaohs

196

00:12:36,150 --> 00:12:33,760

were aliens but then they interbred

197

00:12:37,590 --> 00:12:36,160

with the regular people and so their

198

00:12:39,910 --> 00:12:37,600

superpowers

199

00:12:41,030 --> 00:12:39,920

diminished right but there was still

200

00:12:43,829 --> 00:12:41,040

some purebred

201
00:12:44,470 --> 00:12:43,839
of these pharaoh aliens oh it's a great

202
00:12:47,190 --> 00:12:44,480
story

203
00:12:49,590 --> 00:12:47,200
uh i think that mr sureka smoked too

204
00:12:51,910 --> 00:12:49,600
much pot and watched too much stargate

205
00:12:53,269 --> 00:12:51,920
and came up with this book that's my

206
00:12:56,470 --> 00:12:53,279
personal opinion and i

207
00:13:00,389 --> 00:12:56,480
am entitled to but

208
00:13:02,790 --> 00:13:00,399
the rest of the pyramid code stuff is

209
00:13:04,870 --> 00:13:02,800
just all it's fairy tales it's fairy

210
00:13:05,430 --> 00:13:04,880
tales there's not a shred of evidentiary

211
00:13:08,230 --> 00:13:05,440
support

212
00:13:09,990 --> 00:13:08,240
in any uh for any of the stories

213
00:13:13,990 --> 00:13:10,000

throughout the entire book

214

00:13:14,790 --> 00:13:14,000

there's no and then i have to hold my

215

00:13:17,269 --> 00:13:14,800

analysis

216

00:13:18,629 --> 00:13:17,279

because i want to listen to the whole

217

00:13:21,190 --> 00:13:18,639

thing one more time

218

00:13:22,550 --> 00:13:21,200

and make notes unfortunately i was

219

00:13:23,910 --> 00:13:22,560

driving in a vehicle while i was

220

00:13:26,870 --> 00:13:23,920

listening to this

221

00:13:29,030 --> 00:13:26,880

uh and kind of muttering to myself even

222

00:13:31,190 --> 00:13:29,040

though i was trying not to be skeptical

223

00:13:32,629 --> 00:13:31,200

well this is stupid right why am i

224

00:13:33,670 --> 00:13:32,639

spending three hours of my life

225

00:13:35,350 --> 00:13:33,680

listening to this

226

00:13:37,670 --> 00:13:35,360

right i shouldn't i really should have

227

00:13:40,470 --> 00:13:37,680

listened to that

228

00:13:42,710 --> 00:13:40,480

right i could have listened four maybe

229

00:13:45,189 --> 00:13:42,720

five david polly albums

230

00:13:46,389 --> 00:13:45,199

in the time that it took me to listen to

231

00:13:49,829 --> 00:13:46,399

this garbage

232

00:13:52,949 --> 00:13:49,839

and i am absolutely certain that

233

00:13:55,829 --> 00:13:52,959

a david bowie album listening to five of

234

00:13:57,990 --> 00:13:55,839

david polly albums would enhance my life

235

00:13:58,949 --> 00:13:58,000

much more than listen to this goblin

236

00:14:02,389 --> 00:13:58,959

book garbage

237

00:14:04,949 --> 00:14:02,399

from a new age guru i mean first of all

238

00:14:06,710 --> 00:14:04,959

to believe anything that jason is saying

239

00:14:08,389 --> 00:14:06,720

about this pyramid code

240

00:14:10,629 --> 00:14:08,399

first we have to believe that he was

241

00:14:12,470 --> 00:14:10,639

contacted by a super secret organization

242

00:14:14,870 --> 00:14:12,480

with 7 000 people in it

243

00:14:16,230 --> 00:14:14,880

and they have access to incredible

244

00:14:19,269 --> 00:14:16,240

technology

245

00:14:20,949 --> 00:14:19,279

and all these things and there may be

246

00:14:22,389 --> 00:14:20,959

aliens that are members of this

247

00:14:23,509 --> 00:14:22,399

organization right

248

00:14:25,910 --> 00:14:23,519

that's where they get all this

249

00:14:28,150 --> 00:14:25,920

technology from

250

00:14:29,990 --> 00:14:28,160

and have everybody on earth they pick

251
00:14:33,670 --> 00:14:30,000
jason sherko

252
00:14:36,629 --> 00:14:33,680
bored rich guy to disseminate

253
00:14:37,670 --> 00:14:36,639
their their information and their

254
00:14:42,389 --> 00:14:37,680
mission

255
00:14:43,670 --> 00:14:42,399
the consciousness of humanity

256
00:14:45,750 --> 00:14:43,680
i mean it doesn't get any more vague

257
00:14:49,030 --> 00:14:45,760
than that what does that even mean jason

258
00:14:50,550 --> 00:14:49,040
what does raising the consciousness mean

259
00:14:52,230 --> 00:14:50,560
that's your state of the state of

260
00:14:54,150 --> 00:14:52,240
purpose of the organization to raise

261
00:14:57,030 --> 00:14:54,160
consciousness

262
00:14:57,590 --> 00:14:57,040
okay pretty vague right but no jason

263
00:14:59,509 --> 00:14:57,600

sharka

264

00:15:01,910 --> 00:14:59,519

and jason shurka's land of make-believe

265

00:15:06,230 --> 00:15:01,920

he's not just some rich board kid

266

00:15:06,550 --> 00:15:06,240

right that has no goals in his life he's

267

00:15:09,110 --> 00:15:06,560

made

268

00:15:09,829 --> 00:15:09,120

goals he's going to save the earth jason

269

00:15:11,430 --> 00:15:09,839

sharka

270

00:15:12,870 --> 00:15:11,440

is going to save the earth and raise

271

00:15:15,590 --> 00:15:12,880

consciousness

272

00:15:16,230 --> 00:15:15,600

and better than that jason sharka and

273

00:15:18,550 --> 00:15:16,240

his

274

00:15:19,990 --> 00:15:18,560

super secret organization are going to

275

00:15:21,910 --> 00:15:20,000

save the mole children

276

00:15:24,069 --> 00:15:21,920

that's right ladies and gentlemen in

277

00:15:27,110 --> 00:15:24,079

jason circa's land of make-believe

278

00:15:28,710 --> 00:15:27,120

him and his super secret society

279

00:15:30,150 --> 00:15:28,720

are going down there in the tunnels

280

00:15:31,590 --> 00:15:30,160

under washington dc

281

00:15:33,110 --> 00:15:31,600

and they're going to save those mole

282

00:15:35,030 --> 00:15:33,120

children and they're going to get that

283

00:15:37,509 --> 00:15:35,040

adrenal chrome and dump it over

284

00:15:39,670 --> 00:15:37,519

so those rich powerful elite can't drink

285

00:15:41,350 --> 00:15:39,680

the agree a treaty

286

00:15:43,590 --> 00:15:41,360

they take away their resources their

287

00:15:46,629 --> 00:15:43,600

gold their silver their diamonds

288

00:15:50,310 --> 00:15:46,639

sure they are sure they are

289

00:15:51,110 --> 00:15:50,320

so welcome to jason circa's land of make

290

00:15:53,990 --> 00:15:51,120

believe

291

00:15:56,629 --> 00:15:54,000

he's the savior of earth contacted by a

292

00:15:59,110 --> 00:15:56,639

super secret society

293

00:16:00,470 --> 00:15:59,120

to be their messenger right and

294

00:16:02,790 --> 00:16:00,480

apparently their messenger

295

00:16:04,870 --> 00:16:02,800

their message is we need some money

296

00:16:06,150 --> 00:16:04,880

because jason chuck has got multiple pay

297

00:16:08,470 --> 00:16:06,160

walls

298

00:16:09,749 --> 00:16:08,480

and if you want to know the truth about

299

00:16:12,550 --> 00:16:09,759

the aliens bro

300

00:16:13,269 --> 00:16:12,560

get behind my paywall but here's what i

301
00:16:16,990 --> 00:16:13,279
failed

302
00:16:19,990 --> 00:16:17,000
behind his paywall he's

303
00:16:23,590 --> 00:16:20,000
broadcasting interviews with people

304
00:16:24,870 --> 00:16:23,600
like judy mykovitz right the discredited

305
00:16:26,870 --> 00:16:24,880
scientist

306
00:16:28,550 --> 00:16:26,880
that was banned from youtube for

307
00:16:30,550 --> 00:16:28,560
spreading false

308
00:16:32,470 --> 00:16:30,560
completely and totally false medical

309
00:16:34,550 --> 00:16:32,480
information

310
00:16:36,949 --> 00:16:34,560
let's see who else is he interviewing

311
00:16:40,310 --> 00:16:36,959
behind his paywall

312
00:16:40,870 --> 00:16:40,320
folks i have an autistic son jason

313
00:16:44,150 --> 00:16:40,880

shurka

314

00:16:44,389 --> 00:16:44,160

is interviewing a woman who wrote a book

315

00:16:54,389 --> 00:16:44,399

an

316

00:16:55,749 --> 00:16:54,399

or try the things that she suggests that

317

00:16:59,030 --> 00:16:55,759

you should try

318

00:17:01,590 --> 00:16:59,040

to reverse autism

319

00:17:03,030 --> 00:17:01,600

jason shurka is interviewing a woman

320

00:17:05,270 --> 00:17:03,040

behind a pay wall

321

00:17:06,390 --> 00:17:05,280

who tells people that you can cure

322

00:17:10,390 --> 00:17:06,400

autism

323

00:17:12,630 --> 00:17:10,400

with camel milk and essential oils

324

00:17:13,750 --> 00:17:12,640

welcome to jason shurkin's land of

325

00:17:16,549 --> 00:17:13,760

make-believe

326

00:17:18,390 --> 00:17:16,559

where you too if you have a child or

327

00:17:20,309 --> 00:17:18,400

someone in your family or a friend or

328

00:17:23,029 --> 00:17:20,319

anybody or you yourself

329

00:17:24,949 --> 00:17:23,039

are suffering from the effects of autism

330

00:17:27,189 --> 00:17:24,959

all you got to do is drink some cattle

331

00:17:28,870 --> 00:17:27,199

milk and get some essential oils and

332

00:17:30,830 --> 00:17:28,880

you'll be and you'll completely and

333

00:17:33,270 --> 00:17:30,840

totally reverse

334

00:17:36,390 --> 00:17:33,280

autism folks this

335

00:17:37,270 --> 00:17:36,400

is jason shurki's land of make belief he

336

00:17:39,350 --> 00:17:37,280

can

337

00:17:41,590 --> 00:17:39,360

reverse autism he and his guests are

338

00:17:44,630 --> 00:17:41,600

going to tell you you can reverse autism

339

00:17:48,549 --> 00:17:44,640

with camel milk and essential oils

340

00:17:50,470 --> 00:17:48,559

no no i i don't think so jason circa and

341

00:17:53,190 --> 00:17:50,480

i brought this point up

342

00:17:54,710 --> 00:17:53,200

in a reply on our previous video and he

343

00:17:56,549 --> 00:17:54,720

had no answer for it

344

00:17:58,470 --> 00:17:56,559

actually he offered me help with finding

345

00:17:59,750 --> 00:17:58,480

holistic help for my son

346

00:18:02,549 --> 00:17:59,760

it's kind of funny because the first

347

00:18:04,630 --> 00:18:02,559

post was real like not really man yeah

348

00:18:06,950 --> 00:18:04,640

kind of nasty

349

00:18:08,070 --> 00:18:06,960

and then and my reply was do you really

350

00:18:11,029 --> 00:18:08,080

believe that you can

351
00:18:12,070 --> 00:18:11,039
you know reverse autism with camel milk

352
00:18:13,750 --> 00:18:12,080
and essential oils

353
00:18:16,230 --> 00:18:13,760
he didn't answer that except to say you

354
00:18:17,590 --> 00:18:16,240
and i disagree but i can get you help

355
00:18:19,590 --> 00:18:17,600
with holistic healing

356
00:18:21,110 --> 00:18:19,600
let me tell you something jason sugar i

357
00:18:23,830 --> 00:18:21,120
will go to people like you

358
00:18:24,950 --> 00:18:23,840
for medical advice for my autistic son

359
00:18:27,990 --> 00:18:24,960
that would be stupid

360
00:18:30,310 --> 00:18:28,000
and childish and delusional for me to go

361
00:18:33,350 --> 00:18:30,320
to somebody like you

362
00:18:34,070 --> 00:18:33,360
so you know if jason shirk is behind a

363
00:18:36,710 --> 00:18:34,080

pay wall

364

00:18:37,590 --> 00:18:36,720

allowing people to tell his audience

365

00:18:40,710 --> 00:18:37,600

that you can

366

00:18:41,990 --> 00:18:40,720

reverse autism with cattle milk and

367

00:18:44,310 --> 00:18:42,000

essential oils

368

00:18:45,190 --> 00:18:44,320

part of me if i don't really want any

369

00:18:48,070 --> 00:18:45,200

medical help

370

00:18:49,350 --> 00:18:48,080

or assistance or you know referrals from

371

00:18:53,110 --> 00:18:49,360

a man who would

372

00:18:55,190 --> 00:18:53,120

believe that but where did jason circus

373

00:18:56,150 --> 00:18:55,200

land a maple leaf where anything is

374

00:18:59,270 --> 00:18:56,160

possible

375

00:18:59,830 --> 00:18:59,280

where you can reverse autism right where

376

00:19:02,390 --> 00:18:59,840

you can

377

00:19:04,549 --> 00:19:02,400

live to be hundreds of years old right

378

00:19:08,230 --> 00:19:04,559

with the right medical technology

379

00:19:10,070 --> 00:19:08,240

right yeah this is jason scherker's land

380

00:19:12,710 --> 00:19:10,080

of make-believe

381

00:19:15,190 --> 00:19:12,720

and we're diving in because not only is

382

00:19:18,870 --> 00:19:17,669

telling you know his his guests tell

383

00:19:22,230 --> 00:19:18,880

people you can reverse

384

00:19:24,390 --> 00:19:22,240

or cure autism he's also

385

00:19:25,510 --> 00:19:24,400

him and his organization are gonna save

386

00:19:27,350 --> 00:19:25,520

the mold children

387

00:19:29,029 --> 00:19:27,360

trapped in those tunnels under

388

00:19:31,270 --> 00:19:29,039

washington dc

389

00:19:32,630 --> 00:19:31,280

right it's jason circa's land of

390

00:19:34,789 --> 00:19:32,640

make-believe where he

391

00:19:36,950 --> 00:19:34,799

is some kind of secret agent and he's

392

00:19:38,549 --> 00:19:36,960

got he's going on secret missions or his

393

00:19:41,590 --> 00:19:38,559

friends are and that he

394

00:19:42,710 --> 00:19:41,600

is the is you know he's mouthpiece he is

395

00:19:45,190 --> 00:19:42,720

the spokesperson

396

00:19:45,990 --> 00:19:45,200

so jason circa is now going to come out

397

00:19:47,909 --> 00:19:46,000

and tell us

398

00:19:50,710 --> 00:19:47,919

what's going on with those secret

399

00:19:52,870 --> 00:19:50,720

missions from his super secret society

400

00:19:54,549 --> 00:19:52,880

that's going to save those mold children

401
00:19:57,510 --> 00:19:54,559
that are trapped in cages

402
00:19:57,990 --> 00:19:57,520
under washington dc and maryland welcome

403
00:20:00,390 --> 00:19:58,000
friends

404
00:20:01,510 --> 00:20:00,400
welcome to jason circa's land of maple

405
00:20:03,270 --> 00:20:01,520
leaf

406
00:20:06,549 --> 00:20:03,280
all right i have to put up my fair use

407
00:20:10,789 --> 00:20:06,559
pattern we're going to share this video

408
00:20:12,630 --> 00:20:10,799
wow i can't i can't you know

409
00:20:14,149 --> 00:20:12,640
every once in a while we find one of

410
00:20:18,149 --> 00:20:14,159
these guys and that is just

411
00:20:21,750 --> 00:20:18,159
a it is a treasure trove of bullshitter

412
00:20:23,190 --> 00:20:21,760
and jason is so far

413
00:20:25,190 --> 00:20:23,200

one of the best treasure troves of

414

00:20:28,630 --> 00:20:25,200

[\h__\h] i have found

415

00:20:29,669 --> 00:20:28,640

okay so you know uh he told me to do

416

00:20:32,070 --> 00:20:29,679

more research

417

00:20:34,390 --> 00:20:32,080

all right jason circa you asked for this

418

00:20:35,190 --> 00:20:34,400

bro you asked for this so we're gonna do

419

00:20:38,710 --> 00:20:35,200

more research

420

00:20:38,720 --> 00:20:46,789

oh wait a minute

421

00:20:52,230 --> 00:20:50,230

one oh okay there's a certain order i

422

00:21:05,110 --> 00:20:52,240

have them all up here

423

00:21:09,029 --> 00:21:07,190

all right the first one is titled tls

424

00:21:12,149 --> 00:21:09,039

mission update

425

00:21:13,990 --> 00:21:12,159

washington d.c and it's important to

426

00:21:15,990 --> 00:21:14,000

note that before this he was posting

427

00:21:17,909 --> 00:21:16,000

other stuff about secret missions his

428

00:21:20,950 --> 00:21:17,919

secret society is involved with

429

00:21:23,430 --> 00:21:20,960

in israel and other places boy

430

00:21:25,190 --> 00:21:23,440

great it's like banned fan fiction of a

431

00:21:28,230 --> 00:21:25,200

bad science fiction movie

432

00:21:28,630 --> 00:21:28,240

it really is but we're going to share

433

00:21:30,470 --> 00:21:28,640

this

434

00:21:31,990 --> 00:21:30,480

it's called t1s mission update

435

00:21:34,230 --> 00:21:32,000

washington dc

436

00:21:36,310 --> 00:21:34,240

and here jason shurka tell us all about

437

00:21:37,909 --> 00:21:36,320

the super secret missions

438

00:21:39,350 --> 00:21:37,919

that are going to be taking place this

439

00:21:42,630 --> 00:21:39,360

is back in december

440

00:21:45,990 --> 00:21:42,640

uh well uh december 31st i think

441

00:21:48,470 --> 00:21:46,000

yes so but interesting

442

00:21:49,830 --> 00:21:48,480

fair use we're uh we're going to share

443

00:21:51,510 --> 00:21:49,840

this video but we're educating the

444

00:21:56,789 --> 00:21:51,520

public about the ridiculous land of

445

00:21:56,799 --> 00:22:01,990

okay friends

446

00:22:07,750 --> 00:22:04,710

you know what let's say let's try this

447

00:22:07,760 --> 00:22:17,350

bear with me friends boys

448

00:22:22,789 --> 00:22:21,110

okay now we are good so welcome to jason

449

00:22:23,510 --> 00:22:22,799

shurka's land of make-believe friends

450

00:22:26,710 --> 00:22:23,520

where he's

451
00:22:27,669 --> 00:22:26,720
got a super secret society and they're

452
00:22:30,390 --> 00:22:27,679
gonna save them all

453
00:22:31,590 --> 00:22:30,400
children oh this is this is wonderful

454
00:22:33,190 --> 00:22:31,600
i'm making this video

455
00:22:34,950 --> 00:22:33,200
because i've been permitted to provide

456
00:22:37,830 --> 00:22:34,960
you all with a mission update

457
00:22:38,870 --> 00:22:37,840
regarding t1s the underground tunnel

458
00:22:41,270 --> 00:22:38,880
system

459
00:22:42,070 --> 00:22:41,280
freeing the children and an upcoming

460
00:22:45,590 --> 00:22:42,080
operation

461
00:22:48,390 --> 00:22:45,600
in washington dc ever since the ambush

462
00:22:50,230 --> 00:22:48,400
that t1s experienced on september 21st

463
00:22:52,149 --> 00:22:50,240

of 2020

464

00:22:54,549 --> 00:22:52,159

things have been pretty quiet but that's

465

00:22:56,549 --> 00:22:54,559

all about to change

466

00:22:57,990 --> 00:22:56,559

over the past few months the people

467

00:23:00,230 --> 00:22:58,000

operating this evil

468

00:23:03,590 --> 00:23:00,240

underground tunnel system have moved

469

00:23:05,110 --> 00:23:03,600

many of their resources to washington dc

470

00:23:07,270 --> 00:23:05,120

they've done so because many of their

471

00:23:09,909 --> 00:23:07,280

underground hubs around the world

472

00:23:11,029 --> 00:23:09,919

have successfully been infiltrated and

473

00:23:14,390 --> 00:23:11,039

destroyed

474

00:23:17,830 --> 00:23:14,400

by tls wow the light

475

00:23:20,390 --> 00:23:17,840

system destroyed the cabal's bases

476
00:23:22,390 --> 00:23:20,400
man and they had a retreat this is good

477
00:23:24,230 --> 00:23:22,400
stuff jason circa

478
00:23:25,430 --> 00:23:24,240
some wait can you show us pictures of

479
00:23:27,510 --> 00:23:25,440
those spaces

480
00:23:29,190 --> 00:23:27,520
you know that that you've destroyed your

481
00:23:31,590 --> 00:23:29,200
super secret

482
00:23:32,630 --> 00:23:31,600
secret agent organization here destroyed

483
00:23:34,950 --> 00:23:32,640
policy pictures

484
00:23:36,710 --> 00:23:34,960
did you take video of you destroying

485
00:23:38,710 --> 00:23:36,720
those places

486
00:23:40,470 --> 00:23:38,720
is there news reports some buildings

487
00:23:44,230 --> 00:23:40,480
being destroyed or

488
00:23:46,390 --> 00:23:44,240

can you show us any any cameras

489

00:23:48,630 --> 00:23:46,400

no of course you can't show us any

490

00:23:50,630 --> 00:23:48,640

evidence of the [h__h] he's talking about

491

00:23:51,669 --> 00:23:50,640

because this is jason circus land of

492

00:23:53,430 --> 00:23:51,679

maple leaf

493

00:23:55,110 --> 00:23:53,440

sometime around the end of january

494

00:23:57,909 --> 00:23:55,120

beginning of february

495

00:23:59,990 --> 00:23:57,919

tls will begin their next operation in

496

00:24:01,190 --> 00:24:00,000

washington dc

497

00:24:03,510 --> 00:24:01,200

they're waiting until after the

498

00:24:05,669 --> 00:24:03,520

inauguration to begin

499

00:24:08,230 --> 00:24:05,679

i suppose that exact details and dates

500

00:24:11,269 --> 00:24:08,240

are not being provided at this point

501
00:24:12,710 --> 00:24:11,279
in order to avoid another ambush if

502
00:24:14,870 --> 00:24:12,720
everything goes as planned

503
00:24:17,350 --> 00:24:14,880
the operation should last until the end

504
00:24:20,390 --> 00:24:17,360
of march and by the beginning of april

505
00:24:21,029 --> 00:24:20,400
things should settle down please be

506
00:24:24,070 --> 00:24:21,039
aware that

507
00:24:24,789 --> 00:24:24,080
all of this is happening underground on

508
00:24:27,110 --> 00:24:24,799
the surface

509
00:24:29,269 --> 00:24:27,120
washington may be seeing shutdowns

510
00:24:31,269 --> 00:24:29,279
demonstrations protests

511
00:24:33,190 --> 00:24:31,279
which will all act as a decoy to

512
00:24:34,710 --> 00:24:33,200
distract the general public

513
00:24:36,230 --> 00:24:34,720

and others while these missions are

514

00:24:39,110 --> 00:24:36,240

going on underground

515

00:24:41,909 --> 00:24:39,120

oh wow okay so now we have an

516

00:24:44,390 --> 00:24:41,919

explanation for why nobody can see

517

00:24:46,230 --> 00:24:44,400

the kids in the cages and and the super

518

00:24:49,269 --> 00:24:46,240

secret operation

519

00:24:52,390 --> 00:24:49,279

being run by jason's super secret

520

00:24:53,830 --> 00:24:52,400

society it's because uh it's happening

521

00:24:56,870 --> 00:24:53,840

underground

522

00:24:58,470 --> 00:24:56,880

yeah okay yeah well the bases

523

00:24:59,990 --> 00:24:58,480

are always supposed to be underground

524

00:25:03,190 --> 00:25:00,000

right the dumbs the deep underground

525

00:25:05,830 --> 00:25:03,200

military bases that's historically

526
00:25:07,669 --> 00:25:05,840
in conspiracy land lore where they keep

527
00:25:09,029 --> 00:25:07,679
the mold children you know the children

528
00:25:11,909 --> 00:25:09,039
in cages that they

529
00:25:12,470 --> 00:25:11,919
torture and harvest for the adrenochrome

530
00:25:14,710 --> 00:25:12,480
you know

531
00:25:16,950 --> 00:25:14,720
that hillary clinton clinton drake's

532
00:25:19,750 --> 00:25:16,960
right

533
00:25:20,870 --> 00:25:19,760
i'd like to conclude with a very

534
00:25:23,909 --> 00:25:20,880
important message

535
00:25:29,750 --> 00:25:23,919
regarding president donald trump

536
00:25:32,390 --> 00:25:29,760
president trump is on the good side

537
00:25:33,590 --> 00:25:32,400
donald trump is a good guy just for

538
00:25:37,510 --> 00:25:33,600

those keeping score

539

00:25:39,750 --> 00:25:37,520

okay he's doing what he can to help

540

00:25:40,950 --> 00:25:39,760

which is a part of the reason why they

541

00:25:43,510 --> 00:25:40,960

and i say they

542

00:25:44,630 --> 00:25:43,520

without naming names on purpose it's

543

00:25:47,110 --> 00:25:44,640

part of the reason why

544

00:25:48,630 --> 00:25:47,120

they are trying to remove him by any

545

00:25:50,070 --> 00:25:48,640

means necessary

546

00:25:51,750 --> 00:25:50,080

yeah and this is just an absolutely

547

00:25:53,669 --> 00:25:51,760

ridiculous statement because

548

00:25:55,510 --> 00:25:53,679

think about the bombastic character

549

00:25:55,990 --> 00:25:55,520

donald trump if donald trump knew that

550

00:25:59,430 --> 00:25:56,000

there was

551

00:26:01,269 --> 00:25:59,440

kids in cages being kept in tunnels

552

00:26:03,029 --> 00:26:01,279

under washington dc do you think he

553

00:26:03,590 --> 00:26:03,039

could really keep his mouth shut about

554

00:26:05,350 --> 00:26:03,600

that

555

00:26:06,950 --> 00:26:05,360

and let jason's super secret

556

00:26:08,870 --> 00:26:06,960

organization go in there and rescue

557

00:26:12,710 --> 00:26:08,880

those children of course not

558

00:26:13,510 --> 00:26:12,720

and by the way this is another just vlog

559

00:26:15,669 --> 00:26:13,520

logic

560

00:26:17,029 --> 00:26:15,679

stupid thing that jason scherker didn't

561

00:26:17,669 --> 00:26:17,039

think about but here's something to

562

00:26:22,149 --> 00:26:17,679

ponder

563

00:26:25,830 --> 00:26:22,159

sherka is on the internet

564

00:26:28,870 --> 00:26:25,840

december 31st of last year

565

00:26:31,750 --> 00:26:28,880

and he's saying that there are children

566

00:26:32,390 --> 00:26:31,760

being kept underground in underground

567

00:26:36,149 --> 00:26:32,400

bases

568

00:26:39,990 --> 00:26:36,159

against their will in washington dc

569

00:26:43,029 --> 00:26:40,000

and maryland okay

570

00:26:44,070 --> 00:26:43,039

and did you call the police jason did

571

00:26:47,110 --> 00:26:44,080

you call the

572

00:26:48,789 --> 00:26:47,120

feds maybe did you i don't know

573

00:26:50,630 --> 00:26:48,799

you know if you're some kind of

574

00:26:52,470 --> 00:26:50,640

spiritual guru and that you know

575

00:26:54,310 --> 00:26:52,480

children are being kept in cages and

576

00:26:55,590 --> 00:26:54,320

tortured in some underground base

577

00:26:58,870 --> 00:26:55,600

somewhere

578

00:27:00,549 --> 00:26:58,880

and you're would you have a moral and

579

00:27:02,710 --> 00:27:00,559

ethical responsibility

580

00:27:04,630 --> 00:27:02,720

to do more than make an internet video

581

00:27:06,789 --> 00:27:04,640

claiming your super secret society's

582

00:27:09,190 --> 00:27:06,799

gonna rescue those children

583

00:27:09,990 --> 00:27:09,200

but here we are it's the land of

584

00:27:13,110 --> 00:27:10,000

lingually

585

00:27:15,430 --> 00:27:13,120

of jason churchill

586

00:27:17,110 --> 00:27:15,440

you don't have to call police if you

587

00:27:20,070 --> 00:27:17,120

know where kids are being kept in

588

00:27:20,789 --> 00:27:20,080

cages of torture you just start a super

589

00:27:22,549 --> 00:27:20,799

you know

590

00:27:24,149 --> 00:27:22,559

you start a super secret mission to

591

00:27:26,310 --> 00:27:24,159

rescue the children

592

00:27:28,630 --> 00:27:26,320

without involving law enforcement or

593

00:27:30,870 --> 00:27:28,640

federal authorities or anybody like that

594

00:27:32,549 --> 00:27:30,880

sure you do sure that's the way the

595

00:27:34,310 --> 00:27:32,559

world really works

596

00:27:36,230 --> 00:27:34,320

well that's the way the world works and

597

00:27:38,870 --> 00:27:36,240

jason shook his land of maple leaf

598

00:27:40,789 --> 00:27:38,880

because that's what he did

599

00:27:41,909 --> 00:27:40,799

that's what he did he didn't call the

600

00:27:43,990 --> 00:27:41,919

police

601
00:27:46,310 --> 00:27:44,000
knowing where the kids were kept in

602
00:27:48,149 --> 00:27:46,320
cages he did not call the police

603
00:27:49,830 --> 00:27:48,159
right he just waited for his super

604
00:27:52,950 --> 00:27:49,840
secret society

605
00:27:53,669 --> 00:27:52,960
to go in there and rescue those mold

606
00:27:57,510 --> 00:27:53,679
children

607
00:27:59,830 --> 00:27:57,520
sure he is not and never was

608
00:28:03,110 --> 00:27:59,840
a part of this evil system of corruption

609
00:28:05,269 --> 00:28:03,120
control and greed this isn't about yeah

610
00:28:06,149 --> 00:28:05,279
donald trump is not corrupt we're greedy

611
00:28:08,710 --> 00:28:06,159
sure

612
00:28:09,990 --> 00:28:08,720
does he even realize any of donald

613
00:28:12,389 --> 00:28:10,000

trump's history

614

00:28:14,549 --> 00:28:12,399

is he so uneducated of donald trump's

615

00:28:16,389 --> 00:28:14,559

history

616

00:28:19,350 --> 00:28:16,399

i would think being from new york he's

617

00:28:22,149 --> 00:28:19,360

fully aware of donald trump

618

00:28:22,870 --> 00:28:22,159

donald trump's track record of

619

00:28:25,269 --> 00:28:22,880

corruption

620

00:28:27,269 --> 00:28:25,279

and greed but he's going to say donald

621

00:28:29,510 --> 00:28:27,279

trump is not part of the corruption or

622

00:28:32,630 --> 00:28:29,520

the greed system in america right

623

00:28:33,430 --> 00:28:32,640

sure democrat or republican this was

624

00:28:36,389 --> 00:28:33,440

never about

625

00:28:37,750 --> 00:28:36,399

democrat or republican the two-party

626

00:28:39,750 --> 00:28:37,760

system that we think

627

00:28:42,230 --> 00:28:39,760

we live by is an illusion to keep us

628

00:28:45,510 --> 00:28:42,240

suppressed to keep us control

629

00:28:48,549 --> 00:28:45,520

and to keep we the people distracted

630

00:28:51,590 --> 00:28:48,559

this is about suppression power

631

00:28:53,190 --> 00:28:51,600

corruption greed this is about

632

00:28:57,350 --> 00:28:53,200

controlling the masses

633

00:28:59,110 --> 00:28:57,360

controlling the people controlling us

634

00:29:00,870 --> 00:28:59,120

the system is much darker and more

635

00:29:02,470 --> 00:29:00,880

complex than many of us can even begin

636

00:29:05,590 --> 00:29:02,480

to comprehend

637

00:29:07,110 --> 00:29:05,600

over in a critical time of change i'm

638

00:29:08,630 --> 00:29:07,120

grateful to be able to share these

639

00:29:10,310 --> 00:29:08,640

messages with all of you in the first

640

00:29:13,110 --> 00:29:10,320

place to show you and to

641

00:29:15,669 --> 00:29:13,120

tell you that there are good forces upon

642

00:29:18,630 --> 00:29:15,679

us there are good forces making change

643

00:29:19,510 --> 00:29:18,640

yeah jason shark is one of the good guys

644

00:29:21,830 --> 00:29:19,520

him and his

645

00:29:23,990 --> 00:29:21,840

secret society are going to save those

646

00:29:25,430 --> 00:29:24,000

mole children from those cages and those

647

00:29:28,070 --> 00:29:25,440

underground bases

648

00:29:29,669 --> 00:29:28,080

right because we're in jason scherker's

649

00:29:31,350 --> 00:29:29,679

land of make-believe and he's not just

650

00:29:34,389 --> 00:29:31,360

some bored rich guy

651
00:29:36,630 --> 00:29:34,399
right he's just he's he's important

652
00:29:37,590 --> 00:29:36,640
he's saving children from being

653
00:29:39,750 --> 00:29:37,600
kidnapped and

654
00:29:41,669 --> 00:29:39,760
held against their will and tortured and

655
00:29:43,590 --> 00:29:41,679
harvested for adrenochrome

656
00:29:46,789 --> 00:29:43,600
in secret underground bases under

657
00:29:52,070 --> 00:29:49,990
jason's shirt is made of maple leaf

658
00:29:53,110 --> 00:29:52,080
yeah and he knows all about the super

659
00:29:55,190 --> 00:29:53,120
secret missions

660
00:29:56,710 --> 00:29:55,200
right and he's going to tell us about

661
00:29:59,990 --> 00:29:56,720
the super secret missions

662
00:30:02,549 --> 00:30:00,000
hey jason um you live in new york

663
00:30:03,029 --> 00:30:02,559

i live outside of philadelphia it's a

664

00:30:05,430 --> 00:30:03,039

short

665

00:30:07,669 --> 00:30:05,440

you know i mean it's not sure it's it's

666

00:30:07,990 --> 00:30:07,679

a ride to washington dc but why don't

667

00:30:11,430 --> 00:30:08,000

you

668

00:30:13,909 --> 00:30:11,440

these these

669

00:30:14,870 --> 00:30:13,919

deep underground military bases or these

670

00:30:17,669 --> 00:30:14,880

tunnels

671

00:30:19,430 --> 00:30:17,679

where you say that your super secret

672

00:30:20,710 --> 00:30:19,440

organization is going to go into and

673

00:30:22,549 --> 00:30:20,720

save those children

674

00:30:23,909 --> 00:30:22,559

i mean obviously your organization has

675

00:30:24,950 --> 00:30:23,919

to know where the tunnels are if they're

676

00:30:26,230 --> 00:30:24,960

going to go in there and save the

677

00:30:26,950 --> 00:30:26,240

children so they can tell you where the

678

00:30:28,470 --> 00:30:26,960

tunnels are

679

00:30:30,710 --> 00:30:28,480

and you and me can visit them we'll take

680

00:30:33,110 --> 00:30:30,720

pictures i'll bring a camera crew

681

00:30:34,310 --> 00:30:33,120

right yeah what are the odds that he's

682

00:30:35,909 --> 00:30:34,320

going to do that

683

00:30:37,350 --> 00:30:35,919

he could he could he could drive right

684

00:30:39,269 --> 00:30:37,360

to washington dc

685

00:30:40,950 --> 00:30:39,279

i'll buy you lunch jason i'll buy you up

686

00:30:44,789 --> 00:30:40,960

here whatever you want

687

00:30:46,630 --> 00:30:44,799

right you can show me where the

688

00:30:48,389 --> 00:30:46,640

where the tunnels are and you can show

689

00:30:49,269 --> 00:30:48,399

me where the cage is that the children

690

00:30:52,710 --> 00:30:49,279

were kept are

691

00:30:55,190 --> 00:30:52,720

right there are forces working to not

692

00:30:57,909 --> 00:30:55,200

only dissolve the evil in the world

693

00:30:59,590 --> 00:30:57,919

but to help awaken humanity and make

694

00:31:02,310 --> 00:30:59,600

this world a better place a world that

695

00:31:05,750 --> 00:31:02,320

we deserve to live in

696

00:31:07,509 --> 00:31:05,760

so thank you for listening as always i

697

00:31:08,230 --> 00:31:07,519

look forward to sharing more information

698

00:31:11,509 --> 00:31:08,240

with you

699

00:31:14,950 --> 00:31:11,519

as time progresses and thank you for

700

00:31:17,909 --> 00:31:14,960

being here thank you for making a change

701
00:31:19,750 --> 00:31:17,919
well there we go friends jason sherpas

702
00:31:22,870 --> 00:31:19,760
had a make-believe

703
00:31:23,909 --> 00:31:22,880
and that was the december video but i

704
00:31:28,470 --> 00:31:23,919
got good news

705
00:31:31,990 --> 00:31:28,480
is

706
00:31:34,149 --> 00:31:32,000
that he posted an update after that

707
00:31:35,110 --> 00:31:34,159
more recent update this one is from

708
00:31:38,389 --> 00:31:35,120
april 16

709
00:31:39,590 --> 00:31:38,399
2021 and he's got good news about all

710
00:31:41,909 --> 00:31:39,600
those children

711
00:31:42,870 --> 00:31:41,919
that his secret organization was going

712
00:31:45,029 --> 00:31:42,880
to rescue

713
00:31:46,230 --> 00:31:45,039

from their cages right he's got good

714

00:31:48,149 --> 00:31:46,240

news for us

715

00:31:50,070 --> 00:31:48,159

so again we're going to cite fair use

716

00:31:55,350 --> 00:31:50,080

we're educating the public

717

00:31:57,830 --> 00:31:55,360

we are critiquing the video being shared

718

00:32:04,470 --> 00:31:57,840

and we are educating the public about

719

00:32:10,470 --> 00:32:07,669

oh let's do that one more time

720

00:32:11,350 --> 00:32:10,480

sorry friends someday i'll learn how to

721

00:32:15,029 --> 00:32:11,360

work this thing

722

00:32:18,950 --> 00:32:15,039

right some computer science guy

723

00:32:22,789 --> 00:32:20,710

i will say my defense they don't make it

724

00:32:27,669 --> 00:32:22,799

easy sometimes

725

00:32:32,310 --> 00:32:29,990

and brakes the way uh i'm not sure the

726

00:32:33,990 --> 00:32:32,320

other video was monetized but this video

727

00:32:35,350 --> 00:32:34,000

where he talks about the mole children

728

00:32:38,630 --> 00:32:35,360

being rescued

729

00:32:41,430 --> 00:32:38,640

from you know the cabal

730

00:32:42,950 --> 00:32:41,440

by his secret organization you know they

731

00:32:43,909 --> 00:32:42,960

rescued all the children in washington

732

00:32:47,029 --> 00:32:43,919

dc and maryland

733

00:32:48,149 --> 00:32:47,039

is monetized so he's making money for

734

00:32:50,789 --> 00:32:48,159

this fairy tale

735

00:32:52,389 --> 00:32:50,799

from uh jason shurkin's land of maple

736

00:32:55,430 --> 00:32:52,399

leaf he's making money

737

00:32:56,070 --> 00:32:55,440

telling people this garbage this is

738

00:32:59,430 --> 00:32:56,080

garbage

739

00:33:02,549 --> 00:32:59,440

jason this is bad science fiction fan

740

00:33:05,110 --> 00:33:02,559

fiction at best but

741

00:33:06,710 --> 00:33:05,120

he's he's a spiritual guru he's woke

742

00:33:08,149 --> 00:33:06,720

he's going to save earth

743

00:33:09,590 --> 00:33:08,159

you're going to save earth by telling

744

00:33:11,110 --> 00:33:09,600

fake stories on the internet and

745

00:33:14,870 --> 00:33:11,120

monetizing them

746

00:33:15,590 --> 00:33:14,880

click bait garbage okay good luck saving

747

00:33:17,909 --> 00:33:15,600

earth jason

748

00:33:20,750 --> 00:33:17,919

the last t1s mission update i was given

749

00:33:24,070 --> 00:33:20,760

was released on january 31st

750

00:33:26,389 --> 00:33:24,080

2021 regarding the underground tunnel

751
00:33:28,950 --> 00:33:26,399
operations happening in washington dc

752
00:33:30,470 --> 00:33:28,960
and maryland i would like to preface

753
00:33:31,509 --> 00:33:30,480
this update with the fact that as of

754
00:33:33,509 --> 00:33:31,519
recently

755
00:33:35,350 --> 00:33:33,519
tls has been keeping their work on the

756
00:33:35,909 --> 00:33:35,360
quiet side due to the nature of their

757
00:33:39,190 --> 00:33:35,919
missions

758
00:33:40,950 --> 00:33:39,200
and operations with that being said

759
00:33:42,630 --> 00:33:40,960
the following information is what i have

760
00:33:43,350 --> 00:33:42,640
been permitted to share for the time

761
00:33:45,430 --> 00:33:43,360
being

762
00:33:47,909 --> 00:33:45,440
in order to give closure in regards to

763
00:33:51,269 --> 00:33:47,919

the missions and operations spoken about

764

00:33:52,630 --> 00:33:51,279

on the 31st of january i am happy to

765

00:33:54,950 --> 00:33:52,640

share that both tls

766

00:33:56,070 --> 00:33:54,960

operations in washington dc as well as

767

00:33:59,430 --> 00:33:56,080

maryland have been

768

00:34:02,870 --> 00:33:59,440

executed and completed great

769

00:34:05,190 --> 00:34:02,880

great great that's great news this

770

00:34:06,070 --> 00:34:05,200

secret organization executed secret

771

00:34:08,069 --> 00:34:06,080

missions

772

00:34:10,869 --> 00:34:08,079

in secret tunnels that nobody else could

773

00:34:13,349 --> 00:34:10,879

see or have access to

774

00:34:14,950 --> 00:34:13,359

uh yeah because we're in jason church's

775

00:34:17,589 --> 00:34:14,960

land of make-believe he's not some

776
00:34:19,510 --> 00:34:17,599
rich kid he's important he's involved in

777
00:34:23,349 --> 00:34:19,520
secret missions

778
00:34:26,310 --> 00:34:23,359
involving children okay

779
00:34:26,550 --> 00:34:26,320
successfully and have officially come to

780
00:34:29,990 --> 00:34:26,560
an

781
00:34:32,790 --> 00:34:30,000
end as of the end of march as i briefly

782
00:34:35,829 --> 00:34:32,800
mentioned in the update on january 31st

783
00:34:37,190 --> 00:34:35,839
of 2021 although the focus of the

784
00:34:40,149 --> 00:34:37,200
operation was not

785
00:34:41,750 --> 00:34:40,159
primarily focused on the children since

786
00:34:44,310 --> 00:34:41,760
there aren't too many in the tunnels

787
00:34:46,069 --> 00:34:44,320
underneath washington dc and maryland

788
00:34:47,589 --> 00:34:46,079

it did successfully free many of them

789

00:34:49,909 --> 00:34:47,599

throughout these missions

790

00:34:51,990 --> 00:34:49,919

however i have not been great i've got

791

00:34:54,790 --> 00:34:52,000

the list of all the children

792

00:34:56,230 --> 00:34:54,800

so that i can cross check all the

793

00:34:57,990 --> 00:34:56,240

children that you rescued

794

00:34:59,910 --> 00:34:58,000

with you know like missing persons

795

00:35:01,270 --> 00:34:59,920

reports or police reports about them

796

00:35:04,390 --> 00:35:01,280

being abducted or

797

00:35:05,670 --> 00:35:04,400

being missing because jason shurka is so

798

00:35:07,910 --> 00:35:05,680

stupid

799

00:35:09,430 --> 00:35:07,920

he didn't stop to ponder this point if

800

00:35:11,829 --> 00:35:09,440

there are children

801
00:35:13,670 --> 00:35:11,839
kept in cages under washington dc they

802
00:35:16,310 --> 00:35:13,680
had to come from somewhere

803
00:35:17,109 --> 00:35:16,320
the usual conspiracy lord is that

804
00:35:19,910 --> 00:35:17,119
they're

805
00:35:20,870 --> 00:35:19,920
uh trafficked or sex trafficked from

806
00:35:22,630 --> 00:35:20,880
other countries

807
00:35:24,950 --> 00:35:22,640
and things like that but there would

808
00:35:25,349 --> 00:35:24,960
still be some form of paper trail and

809
00:35:27,190 --> 00:35:25,359
we'd be

810
00:35:28,790 --> 00:35:27,200
you you could show us the children that

811
00:35:31,829 --> 00:35:28,800
you rescued jason

812
00:35:33,270 --> 00:35:31,839
right and i don't know maybe we can

813
00:35:35,750 --> 00:35:33,280

figure print those children

814

00:35:37,349 --> 00:35:35,760

and get some records to show where they

815

00:35:41,190 --> 00:35:37,359

were abducted from

816

00:35:43,109 --> 00:35:41,200

right of course he's not gonna do that

817

00:35:44,310 --> 00:35:43,119

he's not gonna show us the children that

818

00:35:47,670 --> 00:35:44,320

they rescued

819

00:35:49,910 --> 00:35:47,680

only exist in

820

00:35:50,870 --> 00:35:49,920

jason shurka's land of maple leaf you

821

00:35:52,390 --> 00:35:50,880

can't

822

00:35:54,870 --> 00:35:52,400

he he doesn't have to give you a proof

823

00:35:57,109 --> 00:35:54,880

that's make-believe been given exact

824

00:36:00,150 --> 00:35:57,119

details in regards to the exact

825

00:36:01,750 --> 00:36:00,160

numbers i am also not at liberty to

826

00:36:02,630 --> 00:36:01,760

discuss where these children are being

827

00:36:04,310 --> 00:36:02,640

brought to

828

00:36:06,069 --> 00:36:04,320

but i can assure you that they are in a

829

00:36:09,670 --> 00:36:06,079

safe place oh okay

830

00:36:11,910 --> 00:36:09,680

great the focus of both of these options

831

00:36:13,510 --> 00:36:11,920

what do you mean they're in a safe place

832

00:36:15,190 --> 00:36:13,520

what if they were abducted and they have

833

00:36:16,470 --> 00:36:15,200

families would you return the children

834

00:36:18,470 --> 00:36:16,480

to their families

835

00:36:20,550 --> 00:36:18,480

not jason church's land of make-believe

836

00:36:23,990 --> 00:36:20,560

you just take them to a safe place

837

00:36:24,950 --> 00:36:24,000

right folks if this was real would it be

838

00:36:27,430 --> 00:36:24,960

on every

839

00:36:29,270 --> 00:36:27,440

major news network somebody found mold

840

00:36:30,230 --> 00:36:29,280

children kept in cages harvested for

841

00:36:33,670 --> 00:36:30,240

their adrenal chrome

842

00:36:36,150 --> 00:36:33,680

under in tunnels under washington dc

843

00:36:37,750 --> 00:36:36,160

not jason sure doesn't make believe only

844

00:36:39,990 --> 00:36:37,760

he knows about this

845

00:36:41,589 --> 00:36:40,000

right all the journalists in the world

846

00:36:42,710 --> 00:36:41,599

got it wrong they didn't know about

847

00:36:44,470 --> 00:36:42,720

those secret tunnels

848

00:36:45,910 --> 00:36:44,480

under washington dc and maryland but

849

00:36:49,349 --> 00:36:45,920

jesus sure did

850

00:36:52,550 --> 00:36:49,359

thanks to his alien friends super super

851
00:36:53,190 --> 00:36:52,560
secret society friends that were you

852
00:37:00,790 --> 00:36:53,200
know

853
00:37:03,030 --> 00:37:00,800
was to deprive certain individuals and

854
00:37:04,790 --> 00:37:03,040
organizations with malicious intentions

855
00:37:07,109 --> 00:37:04,800
of their power

856
00:37:08,310 --> 00:37:07,119
through taking and in some cases even

857
00:37:10,310 --> 00:37:08,320
destroy

858
00:37:11,750 --> 00:37:10,320
the resources that give them their power

859
00:37:15,270 --> 00:37:11,760
in the first place

860
00:37:18,349 --> 00:37:15,280
such as money gold diamonds and silver

861
00:37:19,510 --> 00:37:18,359
but mainly gold high-class and

862
00:37:21,829 --> 00:37:19,520
non-conventional

863
00:37:23,829 --> 00:37:21,839

energy weapons were also seized

864

00:37:25,670 --> 00:37:23,839

throughout the operations

865

00:37:27,829 --> 00:37:25,680

mainly weapons that work through very

866

00:37:28,990 --> 00:37:27,839

advanced laser technology using so he

867

00:37:32,710 --> 00:37:29,000

says

868

00:37:36,230 --> 00:37:32,720

electromagnetic laser pulsation

869

00:37:38,069 --> 00:37:36,240

i agree with david james

870

00:37:40,150 --> 00:37:38,079

lastly chemicals were seized and

871

00:37:41,430 --> 00:37:40,160

destroyed as well such as the infamous

872

00:37:43,430 --> 00:37:41,440

adrenochrome

873

00:37:44,550 --> 00:37:43,440

that is produced in these dark and

874

00:37:46,390 --> 00:37:44,560

horrid places

875

00:37:47,910 --> 00:37:46,400

for a very malicious purpose all right

876

00:37:50,630 --> 00:37:47,920

great so

877

00:37:52,630 --> 00:37:50,640

uh jason circa uh is saying that they

878

00:37:53,589 --> 00:37:52,640

got to the adrena chrome that destroyed

879

00:37:56,710 --> 00:37:53,599

it well

880

00:37:58,470 --> 00:37:56,720

gee wouldn't you like take samples of it

881

00:38:01,190 --> 00:37:58,480

and prove to the world that this

882

00:38:03,109 --> 00:38:01,200

whole adrenaline conspiracy is real

883

00:38:06,950 --> 00:38:03,119

wouldn't that do more to help your cause

884

00:38:08,950 --> 00:38:06,960

is you know some sort of

885

00:38:09,990 --> 00:38:08,960

guru that has access to secret

886

00:38:11,510 --> 00:38:10,000

information

887

00:38:13,190 --> 00:38:11,520

i mean after all if you could show

888

00:38:14,950 --> 00:38:13,200

samples of dream chrome

889

00:38:16,550 --> 00:38:14,960

and prove its existence and show where

890

00:38:18,710 --> 00:38:16,560

you got it right

891

00:38:20,390 --> 00:38:18,720

maybe talk a little bit about the

892

00:38:22,310 --> 00:38:20,400

process of how it's harvested

893

00:38:23,990 --> 00:38:22,320

and then prove what it does to people

894

00:38:26,870 --> 00:38:24,000

who consume it

895

00:38:28,630 --> 00:38:26,880

you would be an overnight

896

00:38:31,109 --> 00:38:28,640

multi-millionaire

897

00:38:32,790 --> 00:38:31,119

right you'd be on all the talk shows

898

00:38:36,390 --> 00:38:32,800

you'll be on

899

00:38:38,390 --> 00:38:36,400

media everywhere

900

00:38:39,910 --> 00:38:38,400

being able to prove that that conspiracy

901
00:38:41,430 --> 00:38:39,920
theory is actually true

902
00:38:43,829 --> 00:38:41,440
but what do they do with the adrenal

903
00:38:44,870 --> 00:38:43,839
problem nothing nothing they don't show

904
00:38:47,750 --> 00:38:44,880
it to anybody

905
00:38:49,349 --> 00:38:47,760
they don't stick to authorities you know

906
00:38:53,030 --> 00:38:49,359
they don't take it to scientists

907
00:38:54,870 --> 00:38:53,040
no of course not for anyone who may be

908
00:38:56,870 --> 00:38:54,880
wondering the underground train system

909
00:38:57,990 --> 00:38:56,880
i've spoken about in the past along with

910
00:39:00,310 --> 00:38:58,000
trucks

911
00:39:01,829 --> 00:39:00,320
were used for transportation purposes

912
00:39:04,630 --> 00:39:01,839
throughout these operations

913
00:39:06,069 --> 00:39:04,640

and missions and for anyone who may be

914

00:39:08,150 --> 00:39:06,079

wondering how tls

915

00:39:09,990 --> 00:39:08,160

manages to take over the train system

916

00:39:11,430 --> 00:39:10,000

which is operated by these malicious

917

00:39:13,589 --> 00:39:11,440

organizations

918

00:39:14,950 --> 00:39:13,599

without going into too much detail they

919

00:39:18,390 --> 00:39:14,960

often use a method

920

00:39:20,550 --> 00:39:18,400

called transducing once again the name

921

00:39:22,310 --> 00:39:20,560

break made up scientific terms and he's

922

00:39:23,030 --> 00:39:22,320

going to repeat it aim of that method is

923

00:39:25,670 --> 00:39:23,040

called

924

00:39:27,990 --> 00:39:25,680

transducing in order to successfully

925

00:39:29,670 --> 00:39:28,000

execute their missions

926
00:39:32,230 --> 00:39:29,680
this method is the name of one of the

927
00:39:34,150 --> 00:39:32,240
chapters in arrays of light

928
00:39:37,030 --> 00:39:34,160
outlined in the table of contents that i

929
00:39:39,750 --> 00:39:37,040
shared with all of you on january 31st

930
00:39:40,150 --> 00:39:39,760
of 2020 so while you're pushing your

931
00:39:42,230 --> 00:39:40,160
fake

932
00:39:43,990 --> 00:39:42,240
fairy tale story about mole children you

933
00:39:46,950 --> 00:39:44,000
gotta of course buy my book

934
00:39:47,829 --> 00:39:46,960
buy my book one the same day that the

935
00:39:51,430 --> 00:39:47,839
most recent

936
00:39:53,670 --> 00:39:51,440
tls mission update was released

937
00:39:55,670 --> 00:39:53,680
overall and as i've already mentioned

938
00:39:56,230 --> 00:39:55,680

both of these operations in washington

939

00:39:58,630 --> 00:39:56,240

dc

940

00:39:59,589 --> 00:39:58,640

and maryland came to an end at the end

941

00:40:01,829 --> 00:39:59,599

of march

942

00:40:02,790 --> 00:40:01,839

and once again they were executed and

943

00:40:06,470 --> 00:40:02,800

completed

944

00:40:08,390 --> 00:40:06,480

successfully for the time being

945

00:40:09,510 --> 00:40:08,400

great they saved him old children in

946

00:40:13,910 --> 00:40:09,520

this story

947

00:40:15,589 --> 00:40:13,920

make believe has a happy ending

948

00:40:17,750 --> 00:40:15,599

i do not have any other information to

949

00:40:19,670 --> 00:40:17,760

share with all of you and i do not know

950

00:40:21,430 --> 00:40:19,680

when the next update will be given to me

951
00:40:24,550 --> 00:40:21,440
as i don't receive information

952
00:40:26,230 --> 00:40:24,560
on a consistent basis i can assure you

953
00:40:28,309 --> 00:40:26,240
all that the moment i do have more

954
00:40:29,270 --> 00:40:28,319
information to whatever capacity that

955
00:40:31,510 --> 00:40:29,280
may be

956
00:40:32,550 --> 00:40:31,520
i will share it with all of you thank

957
00:40:36,470 --> 00:40:32,560
you

958
00:40:39,589 --> 00:40:36,480
great great and by the way

959
00:40:42,069 --> 00:40:39,599
uh his his channel is

960
00:40:43,270 --> 00:40:42,079
not just filled with ads all the ads on

961
00:40:46,470 --> 00:40:43,280
his channel are guy

962
00:40:48,950 --> 00:40:46,480
tv ads take from that what you will but

963
00:40:49,990 --> 00:40:48,960

uh most people that have a brain in

964

00:40:53,349 --> 00:40:50,000

their head

965

00:40:55,829 --> 00:40:53,359

uh realize the gaia tv is not uh

966

00:40:56,950 --> 00:40:55,839

exactly a source of accurate factual

967

00:41:02,150 --> 00:40:56,960

information

968

00:41:04,309 --> 00:41:02,160

no value so

969

00:41:06,870 --> 00:41:04,319

uh good for jason sherka he's going to

970

00:41:10,150 --> 00:41:06,880

be the new star of the [h__h] network

971

00:41:12,470 --> 00:41:10,160

essentially but he's well he's well

972

00:41:16,390 --> 00:41:12,480

qualified i mean he's on his way

973

00:41:23,190 --> 00:41:19,750

i don't know what does he owe his way to

974

00:41:25,349 --> 00:41:23,200

um he's on his way to becoming

975

00:41:27,109 --> 00:41:25,359

one of the other burned out losers that

976

00:41:29,589 --> 00:41:27,119

makes [h__h] up on gaia tv

977

00:41:30,550 --> 00:41:29,599

look at them all jason they're all on

978

00:41:33,190 --> 00:41:30,560

drugs

979

00:41:34,550 --> 00:41:33,200

addicted to alcohol they have problems

980

00:41:36,630 --> 00:41:34,560

with women

981

00:41:38,230 --> 00:41:36,640

uh this is not gonna go well for you

982

00:41:40,790 --> 00:41:38,240

that's my prediction

983

00:41:43,030 --> 00:41:40,800

uh seems like guy in it gets these guys

984

00:41:46,150 --> 00:41:43,040

that are willing to tell fake stories

985

00:41:47,589 --> 00:41:46,160

and then they burn them out and a lot of

986

00:41:48,150 --> 00:41:47,599

them become addicted to alcohol and

987

00:41:50,550 --> 00:41:48,160

drugs

988

00:41:51,829 --> 00:41:50,560

because i guess they gotta i don't know

989

00:41:54,150 --> 00:41:51,839

live with themselves

990

00:41:55,270 --> 00:41:54,160

telling fairy tales every day this is

991

00:41:59,670 --> 00:41:55,280

jason chirping's name

992

00:42:02,069 --> 00:41:59,680

make believe now uh we do have one final

993

00:42:04,710 --> 00:42:02,079

uh video is to share

994

00:42:06,550 --> 00:42:04,720

this is kind of a separate story from

995

00:42:09,190 --> 00:42:06,560

jason scherker's later we believe and

996

00:42:11,109 --> 00:42:09,200

that is that et's are among us

997

00:42:12,470 --> 00:42:11,119

and i love this video because he talks

998

00:42:14,790 --> 00:42:12,480

about truth

999

00:42:16,150 --> 00:42:14,800

and then he shares jeremy corbell's fake

1000

00:42:19,190 --> 00:42:16,160

video as proof

1001
00:42:23,349 --> 00:42:19,200
that the [h__\h] that he says is true

1002
00:42:28,069 --> 00:42:25,109
one second folks let me just get this

1003
00:42:31,190 --> 00:42:29,750
all right i'm gonna cite fair use once

1004
00:42:32,950 --> 00:42:31,200
again we're gonna share a final video

1005
00:42:35,109 --> 00:42:32,960
then i'll have some time

1006
00:42:36,870 --> 00:42:35,119
for interaction and talking to the live

1007
00:42:40,390 --> 00:42:36,880
chat

1008
00:42:42,790 --> 00:42:40,400
this video is titled et's or moments

1009
00:42:43,990 --> 00:42:42,800
let's get into it friends jason scherker

1010
00:42:48,069 --> 00:42:44,000
says ets are among

1011
00:42:55,109 --> 00:42:51,190
on september 9th 2020

1012
00:42:57,349 --> 00:42:55,119
at exactly 9 a.m eastern time

1013
00:42:59,190 --> 00:42:57,359

i released a document called the pyramid

1014

00:43:02,230 --> 00:42:59,200

code

1015

00:43:05,589 --> 00:43:02,240

and on page 30 of the english version of

1016

00:43:07,990 --> 00:43:05,599

the pyramid code it says the following

1017

00:43:10,309 --> 00:43:08,000

even today there are spaceships that

1018

00:43:10,950 --> 00:43:10,319

exist in the shape of pyramids exactly

1019

00:43:14,230 --> 00:43:10,960

how i've

1020

00:43:16,710 --> 00:43:14,240

described them here spaceships exist in

1021

00:43:19,589 --> 00:43:16,720

many shapes and styles such as pyramids

1022

00:43:22,069 --> 00:43:19,599

cylinders saucers flying triangles and

1023

00:43:23,589 --> 00:43:22,079

many other different shapes

1024

00:43:25,589 --> 00:43:23,599

and again this is information that can

1025

00:43:26,550 --> 00:43:25,599

be found in just about any book on ufos

1026

00:43:28,550 --> 00:43:26,560

but somehow

1027

00:43:31,670 --> 00:43:28,560

he's got the super secret knowledge that

1028

00:43:34,150 --> 00:43:31,680

only his super secret society knows

1029

00:43:36,550 --> 00:43:34,160

okay then why is what you just said in

1030

00:43:39,190 --> 00:43:36,560

virtually every ufo book

1031

00:43:39,990 --> 00:43:39,200

written now at the time of course there

1032

00:43:43,670 --> 00:43:40,000

were skeptics

1033

00:43:46,309 --> 00:43:43,680

but have you heard the most recent news

1034

00:43:48,550 --> 00:43:46,319

of what the pentagon has validated have

1035

00:43:52,230 --> 00:43:48,560

you seen the footage

1036

00:43:55,510 --> 00:43:52,240

of the pyramid-shaped ufos hovering over

1037

00:43:59,430 --> 00:43:55,520

navy ships

1038

00:44:01,109 --> 00:43:59,440

and if you haven't take a look at this

1039

00:44:04,150 --> 00:44:01,119

just a few days ago the pentagon

1040

00:44:07,589 --> 00:44:04,160

confirmed that a 2019 video

1041

00:44:10,790 --> 00:44:07,599

sightings oh i love it really

1042

00:44:14,309 --> 00:44:10,800

so jason shurka is citing another

1043

00:44:15,750 --> 00:44:14,319

ufo profiteer con artist in the form of

1044

00:44:18,790 --> 00:44:15,760

jeremy corbell

1045

00:44:19,670 --> 00:44:18,800

saying see look at this pyramid ufo i

1046

00:44:23,349 --> 00:44:19,680

wrote about

1047

00:44:27,190 --> 00:44:23,359

some ufos some spaceships are pyramids

1048

00:44:31,109 --> 00:44:27,200

so my bs must be true because another bs

1049

00:44:32,230 --> 00:44:31,119

guy has this video and jason shurka i

1050

00:44:33,750 --> 00:44:32,240

just want to say

1051
00:44:35,430 --> 00:44:33,760
you're really living in the land make

1052
00:44:37,349 --> 00:44:35,440
believe bro because

1053
00:44:39,670 --> 00:44:37,359
unless you're going to tell me the alien

1054
00:44:43,670 --> 00:44:39,680
spacecraft have the same exact

1055
00:44:47,030 --> 00:44:43,680
timing signature as airplane faa lights

1056
00:44:50,710 --> 00:44:47,040
this video is fake it's not a ufo

1057
00:44:55,030 --> 00:44:50,720
it's not a spacecraft jason

1058
00:44:58,150 --> 00:44:55,040
it's an airplane that was taken

1059
00:44:59,510 --> 00:44:58,160
through a night vision monocular and a

1060
00:45:02,550 --> 00:44:59,520
cell phone

1061
00:45:03,589 --> 00:45:02,560
and i just want to say jason your your

1062
00:45:07,270 --> 00:45:03,599
daddy's rich

1063
00:45:10,069 --> 00:45:07,280

you've got money go jason go buy

1064

00:45:11,910 --> 00:45:10,079

a night vision monocular one that you

1065

00:45:14,550 --> 00:45:11,920

can change the aperture setting

1066

00:45:15,750 --> 00:45:14,560

set the aperture so that you can see the

1067

00:45:18,790 --> 00:45:15,760

aperture is

1068

00:45:22,230 --> 00:45:18,800

triangle shaped then go near an

1069

00:45:24,790 --> 00:45:22,240

airport and take video

1070

00:45:26,150 --> 00:45:24,800

through that monocular with your phone

1071

00:45:28,390 --> 00:45:26,160

of any airplane

1072

00:45:31,109 --> 00:45:28,400

at night you're going to see the exact

1073

00:45:33,829 --> 00:45:31,119

same thing that we see in this video

1074

00:45:34,470 --> 00:45:33,839

complete with the same time signature

1075

00:45:37,990 --> 00:45:34,480

flashing

1076
00:45:39,750 --> 00:45:38,000
faa lights jason sharka believes i

1077
00:45:42,870 --> 00:45:39,760
suppose the aliens

1078
00:45:46,150 --> 00:45:42,880
have the same lights as earthbound

1079
00:45:49,349 --> 00:45:46,160
faa requires all airplanes to have

1080
00:45:49,910 --> 00:45:49,359
sure jason we are in the land of jason

1081
00:45:52,069 --> 00:45:49,920
circa

1082
00:45:54,150 --> 00:45:52,079
the video shows a pyramid-shaped object

1083
00:45:56,230 --> 00:45:54,160
flying over us navy destroyer

1084
00:45:59,430 --> 00:45:56,240
this is the very first time the public

1085
00:46:01,270 --> 00:45:59,440
has seen video from this incident

1086
00:46:03,750 --> 00:46:01,280
you see what we're experiencing right

1087
00:46:05,670 --> 00:46:03,760
now is real

1088
00:46:06,790 --> 00:46:05,680

he says what we're experiencing right

1089

00:46:09,349 --> 00:46:06,800

now is real

1090

00:46:11,430 --> 00:46:09,359

right after he shows us a fake video of

1091

00:46:14,470 --> 00:46:11,440

an alien spacecraft that's not an alien

1092

00:46:17,270 --> 00:46:14,480

spacecraft but actually an airplane

1093

00:46:18,950 --> 00:46:17,280

great great it's real except you just

1094

00:46:20,790 --> 00:46:18,960

showed us something that was fake

1095

00:46:22,309 --> 00:46:20,800

you're trying to tell us this is real

1096

00:46:24,550 --> 00:46:22,319

while you're showing us fake [h__\h]

1097

00:46:26,230 --> 00:46:24,560

jason circa you need to get better at

1098

00:46:29,349 --> 00:46:26,240

this bro you know what you need

1099

00:46:31,910 --> 00:46:29,359

you need somebody that's more skeptical

1100

00:46:33,190 --> 00:46:31,920

that will go over your content before

1101

00:46:35,030 --> 00:46:33,200

you put

1102

00:46:36,710 --> 00:46:35,040

dribble like this out on the internet

1103

00:46:39,349 --> 00:46:36,720

and look like a completely total

1104

00:46:41,510 --> 00:46:39,359

idiot because you look stupid here and

1105

00:46:44,550 --> 00:46:41,520

childish showing people fake [h__\h]

1106

00:46:49,270 --> 00:46:44,560

trying to say it's real this is

1107

00:46:52,470 --> 00:46:49,280

garbage jason extraterrestrial life

1108

00:46:54,470 --> 00:46:52,480

used to be this thing of hollywood

1109

00:46:55,990 --> 00:46:54,480

and in many ways hollywood portrayed

1110

00:46:59,589 --> 00:46:56,000

them as beings that they're

1111

00:47:01,030 --> 00:46:59,599

not in many cases evil beings who are

1112

00:47:06,069 --> 00:47:01,040

here to abduct

1113

00:47:06,079 --> 00:47:15,270

this is real

1114

00:47:19,990 --> 00:47:17,750

those are clearly autonomous aircraft of

1115

00:47:23,510 --> 00:47:20,000

some kind that are as you put it

1116

00:47:25,990 --> 00:47:23,520

swarming u.s military craft

1117

00:47:27,910 --> 00:47:26,000

is warning our warships it wasn't just

1118

00:47:30,470 --> 00:47:27,920

one pyramid-shaped craft

1119

00:47:31,910 --> 00:47:30,480

it was multiple these were swarms this

1120

00:47:33,910 --> 00:47:31,920

must have scared the crap out of the us

1121

00:47:35,430 --> 00:47:33,920

military i mean their job is to defend

1122

00:47:37,109 --> 00:47:35,440

the country and themselves and hear

1123

00:47:41,510 --> 00:47:37,119

these aircraft violate their airspace

1124

00:47:44,790 --> 00:47:41,520

quickly on june 1st of 2021

1125

00:47:46,710 --> 00:47:44,800

it's a big day specifically in regards

1126

00:47:49,750 --> 00:47:46,720

to extraterrestrial life and their

1127

00:47:53,430 --> 00:47:49,760

technology because the pentagon

1128

00:47:55,109 --> 00:47:53,440

has agreed to come out

1129

00:47:57,190 --> 00:47:55,119

the information that they have yeah we

1130

00:47:59,990 --> 00:47:57,200

see how well that worked out big nothing

1131

00:48:03,430 --> 00:48:02,069

in regards to extraterrestrial life and

1132

00:48:04,950 --> 00:48:03,440

technology

1133

00:48:06,470 --> 00:48:04,960

no they didn't release everything they

1134

00:48:07,349 --> 00:48:06,480

know about extraterrestrial election

1135

00:48:09,270 --> 00:48:07,359

technology

1136

00:48:11,589 --> 00:48:09,280

they released a preliminary report about

1137

00:48:12,549 --> 00:48:11,599

ufos that was largely a nothing burger

1138

00:48:15,750 --> 00:48:12,559

but did it

1139

00:48:17,270 --> 00:48:15,760

this did not stop new age ufo con

1140

00:48:18,549 --> 00:48:17,280

artists grifters like you

1141

00:48:20,150 --> 00:48:18,559

from claiming that there was going to be

1142

00:48:22,150 --> 00:48:20,160

all kinds of information in that report

1143

00:48:23,910 --> 00:48:22,160

about aliens and extraterrestrials

1144

00:48:25,510 --> 00:48:23,920

there was nothing they did not even use

1145

00:48:26,630 --> 00:48:25,520

the word extraterrestrials in that

1146

00:48:28,230 --> 00:48:26,640

report

1147

00:48:31,510 --> 00:48:28,240

now what they're going to share that day

1148

00:48:35,829 --> 00:48:33,510

but one of the main reasons i'm making

1149

00:48:37,829 --> 00:48:35,839

this video right now

1150

00:48:39,030 --> 00:48:37,839

is to emphasize the fact that they're

1151
00:48:41,190 --> 00:48:39,040
not here

1152
00:48:44,549 --> 00:48:41,200
to hurt us when i say they were talking

1153
00:48:47,349 --> 00:48:44,559
about the extraterrestrial life

1154
00:48:49,349 --> 00:48:47,359
they are here yeah mr new age guru

1155
00:48:50,150 --> 00:48:49,359
thinks that all the aliens are space

1156
00:48:51,910 --> 00:48:50,160
brothers

1157
00:48:53,430 --> 00:48:51,920
they're going to help us to assimilate

1158
00:48:56,950 --> 00:48:53,440
with us they are here

1159
00:48:57,670 --> 00:48:56,960
to live in harmony with us these beings

1160
00:49:00,150 --> 00:48:57,680
operate

1161
00:49:02,150 --> 00:49:00,160
at a very high level of awareness at a

1162
00:49:05,510 --> 00:49:02,160
very high level of consciousness

1163
00:49:07,190 --> 00:49:05,520

one in the residence of unity one in the

1164

00:49:09,750 --> 00:49:07,200

residence of peace and love and

1165

00:49:11,589 --> 00:49:09,760

compassion

1166

00:49:13,430 --> 00:49:11,599

and it's important to sound good because

1167

00:49:16,470 --> 00:49:13,440

moving forward

1168

00:49:19,589 --> 00:49:16,480

there may be a whole lot of confusion

1169

00:49:21,990 --> 00:49:19,599

there may be a whole lot of deception

1170

00:49:23,910 --> 00:49:22,000

and misleading he's saying there may be

1171

00:49:25,030 --> 00:49:23,920

a whole lot of deception and misleading

1172

00:49:28,950 --> 00:49:25,040

as he's showing us

1173

00:49:31,109 --> 00:49:28,960

a fake video of a ufo that's not a ufo

1174

00:49:32,710 --> 00:49:31,119

not an alien spacecraft and he's saying

1175

00:49:35,430 --> 00:49:32,720

there will be deception

1176
00:49:36,870 --> 00:49:35,440
while he's deceiving people jason circa

1177
00:49:39,349 --> 00:49:36,880
you need to get better at this

1178
00:49:40,470 --> 00:49:39,359
bro you need a writer or something hire

1179
00:49:42,230 --> 00:49:40,480
a good writer

1180
00:49:43,829 --> 00:49:42,240
to make up your fake [h__h] because you're

1181
00:49:44,630 --> 00:49:43,839
not doing a good job writing this [h__h]

1182
00:49:47,910 --> 00:49:44,640
yourself

1183
00:49:50,630 --> 00:49:47,920
you look foolish and childish here it's

1184
00:49:51,670 --> 00:49:50,640
it's kind of funny and hypocritical he's

1185
00:49:52,470 --> 00:49:51,680
saying there's going to be all this

1186
00:49:54,230 --> 00:49:52,480
deception

1187
00:49:56,470 --> 00:49:54,240
while he's showing people a completely

1188
00:49:57,510 --> 00:49:56,480

deceptive video claimed to be a ufo

1189

00:50:01,349 --> 00:49:57,520

that's not

1190

00:50:05,829 --> 00:50:01,359

great from the authorities

1191

00:50:10,069 --> 00:50:05,839

to us the people the masses

1192

00:50:11,589 --> 00:50:10,079

and we must be sure to remember

1193

00:50:13,270 --> 00:50:11,599

that these beings are not here to hurt

1194

00:50:17,829 --> 00:50:13,280

us

1195

00:50:19,910 --> 00:50:17,839

were they would have already have

1196

00:50:21,670 --> 00:50:19,920

well that's good news help us they're

1197

00:50:22,630 --> 00:50:21,680

gonna help us they're here to unite with

1198

00:50:24,390 --> 00:50:22,640

us

1199

00:50:25,589 --> 00:50:24,400

and so long as we can hold that

1200

00:50:27,510 --> 00:50:25,599

knowingness in our state of

1201

00:50:29,430 --> 00:50:27,520

consciousness

1202

00:50:31,670 --> 00:50:29,440

the experience of assimilation of these

1203

00:50:32,230 --> 00:50:31,680

beings moving forward will be a whole

1204

00:50:36,309 --> 00:50:32,240

lot

1205

00:50:38,630 --> 00:50:36,319

easier so let's welcome them because

1206

00:50:41,910 --> 00:50:38,640

they are our brothers and sisters

1207

00:50:43,510 --> 00:50:41,920

our space brothers those are our space

1208

00:50:45,349 --> 00:50:43,520

brothers

1209

00:50:47,589 --> 00:50:45,359

anybody that subscribes to the belief

1210

00:50:48,630 --> 00:50:47,599

that all these absolute statements

1211

00:50:50,870 --> 00:50:48,640

bothered me

1212

00:50:52,549 --> 00:50:50,880

uh steven greer does this as well

1213

00:50:56,549 --> 00:50:52,559

stephen greer claims that all

1214

00:50:58,630 --> 00:50:56,559

aliens are uh benevolent both

1215

00:50:59,829 --> 00:50:58,640

and i just want to say that that is

1216

00:51:02,870 --> 00:50:59,839

ridiculous i mean

1217

00:51:04,549 --> 00:51:02,880

what are the odds right that every

1218

00:51:07,829 --> 00:51:04,559

single alien species

1219

00:51:08,549 --> 00:51:07,839

is benevolent there's there's no hostile

1220

00:51:12,230 --> 00:51:08,559

ones

1221

00:51:13,270 --> 00:51:12,240

really explain abductions oh grier does

1222

00:51:15,589 --> 00:51:13,280

explain abductions

1223

00:51:17,589 --> 00:51:15,599

that's not aliens those are humans

1224

00:51:20,630 --> 00:51:17,599

faking the alien productions sure

1225

00:51:22,230 --> 00:51:20,640

sure so you know uh

1226

00:51:24,069 --> 00:51:22,240

some land of make-believes have

1227

00:51:26,069 --> 00:51:24,079

crossovers here right

1228

00:51:27,750 --> 00:51:26,079

like jason circus land of make-believe

1229

00:51:33,750 --> 00:51:27,760

is kind of similar to stephen greer's

1230

00:51:37,430 --> 00:51:35,430

well i don't know about that i don't

1231

00:51:40,549 --> 00:51:37,440

know about that steve

1232

00:51:43,270 --> 00:51:40,559

he's on the grit yeah david james says

1233

00:51:45,910 --> 00:51:43,280

this guy is the ultimate deception

1234

00:51:48,630 --> 00:51:45,920

yes and i uh i should mention that i'm

1235

00:51:50,390 --> 00:51:48,640

going to try to do some more early shows

1236

00:51:52,390 --> 00:51:50,400

youtube algorithm really does like

1237

00:51:53,990 --> 00:51:52,400

consistency so we try to do it the same

1238

00:51:56,950 --> 00:51:54,000

time today 1pm

1239

00:51:58,549 --> 00:51:56,960

eastern time that we did it yesterday uh

1240

00:52:00,950 --> 00:51:58,559

so any prominent

1241

00:52:02,950 --> 00:52:00,960

comments or questions for me put them in

1242

00:52:05,030 --> 00:52:02,960

my chat i'm devoting my full attention

1243

00:52:07,829 --> 00:52:05,040

to you guys for just a little while

1244

00:52:10,150 --> 00:52:07,839

and then i gotta roll on out of here but

1245

00:52:12,790 --> 00:52:10,160

i hope you enjoyed

1246

00:52:14,309 --> 00:52:12,800

our ride into jason shurka's land of

1247

00:52:17,349 --> 00:52:14,319

maple leaf he's not just

1248

00:52:19,109 --> 00:52:17,359

a rich board guy he's gonna save

1249

00:52:21,349 --> 00:52:19,119

those mole children him and his

1250

00:52:23,910 --> 00:52:21,359

organization and he's going to raise the

1251

00:52:27,109 --> 00:52:23,920

consciousness of the entire planet

1252

00:52:27,990 --> 00:52:27,119

right and his guest is going to tell you

1253

00:52:31,750 --> 00:52:28,000

that you could cure

1254

00:52:35,750 --> 00:52:31,760

autism with cattle milk and essential

1255

00:52:39,030 --> 00:52:35,760

oils great great

1256

00:52:41,190 --> 00:52:39,040

great and by the way i challenged jason

1257

00:52:42,950 --> 00:52:41,200

shirker to come to my home for a weekend

1258

00:52:44,150 --> 00:52:42,960

and spend some time with my autistic son

1259

00:52:46,150 --> 00:52:44,160

and i told him

1260

00:52:47,829 --> 00:52:46,160

to bring some camel milk and essential

1261

00:52:49,829 --> 00:52:47,839

oils and i'm going to tell him

1262

00:52:51,109 --> 00:52:49,839

what garbage i'm going to show him i

1263

00:52:54,790 --> 00:52:51,119

could show him

1264

00:52:58,309 --> 00:52:54,800

what garbage his guests

1265

00:52:59,910 --> 00:52:58,319

what disinformation what medical fakery

1266

00:53:02,470 --> 00:52:59,920

and fraudery

1267

00:53:04,630 --> 00:53:02,480

literally he's hosting people that are

1268

00:53:06,710 --> 00:53:04,640

selling desperate people with autism

1269

00:53:08,790 --> 00:53:06,720

or with you know families affected by

1270

00:53:11,750 --> 00:53:08,800

autism children with autism

1271

00:53:13,190 --> 00:53:11,760

he's platforming somebody who's selling

1272

00:53:17,030 --> 00:53:13,200

literal snake oil

1273

00:53:20,230 --> 00:53:17,040

to people but he is

1274

00:53:21,510 --> 00:53:20,240

he is a loving light he's a spiritual

1275

00:53:23,510 --> 00:53:21,520

guru

1276
00:53:24,710 --> 00:53:23,520
while he's helping people profit from

1277
00:53:26,950 --> 00:53:24,720
the desperation

1278
00:53:28,309 --> 00:53:26,960
of desperate people who are at their

1279
00:53:32,069 --> 00:53:28,319
wits end dealing with

1280
00:53:34,309 --> 00:53:32,079
chronic illness and disease like autism

1281
00:53:35,270 --> 00:53:34,319
good for you very very loving light and

1282
00:53:38,710 --> 00:53:35,280
spiritual

1283
00:53:41,030 --> 00:53:38,720
really you know i i think there is

1284
00:53:41,829 --> 00:53:41,040
some interesting psychological aspects

1285
00:53:45,670 --> 00:53:41,839
to

1286
00:53:46,309 --> 00:53:45,680
land of maple leaf for the land of

1287
00:53:49,910 --> 00:53:46,319
make-believe

1288
00:53:52,390 --> 00:53:49,920

cult leader like jason sharka you know

1289

00:53:54,710 --> 00:53:52,400

it feeds his ego he's important he's

1290

00:53:56,630 --> 00:53:54,720

special he's saving earth

1291

00:53:58,870 --> 00:53:56,640

right and he gets all this attention

1292

00:54:00,790 --> 00:53:58,880

from his stupid followers

1293

00:54:02,309 --> 00:54:00,800

and i suppose they have their own

1294

00:54:05,109 --> 00:54:02,319

psychological

1295

00:54:05,670 --> 00:54:05,119

void being filled they're in on all this

1296

00:54:08,549 --> 00:54:05,680

secret

1297

00:54:08,950 --> 00:54:08,559

information that nobody else knows about

1298

00:54:10,549 --> 00:54:08,960

you know

1299

00:54:12,230 --> 00:54:10,559

maybe just maybe those people need to

1300

00:54:17,829 --> 00:54:12,240

consider that nobody knows about this

1301
00:54:22,230 --> 00:54:19,990
bobby dogstone is here the whole tsa

1302
00:54:23,910 --> 00:54:22,240
thing and bruce [\h__\h] is like

1303
00:54:26,309 --> 00:54:23,920
you gotta say the aliens are either good

1304
00:54:28,630 --> 00:54:26,319
or bad yeah there is one or the other

1305
00:54:30,150 --> 00:54:28,640
you know i think my theory is that if

1306
00:54:31,990 --> 00:54:30,160
there are aliens

1307
00:54:33,589 --> 00:54:32,000
multiple species of aliens out there

1308
00:54:34,470 --> 00:54:33,599
then i would think that some of them

1309
00:54:37,750 --> 00:54:34,480
would be

1310
00:54:39,910 --> 00:54:37,760
uh peaceful right and some of them

1311
00:54:41,349 --> 00:54:39,920
are going to be hostile and warlike just

1312
00:54:44,390 --> 00:54:41,359
like us

1313
00:54:46,789 --> 00:54:44,400

if life happens in other worlds as it

1314

00:54:47,990 --> 00:54:46,799

and evolves in other worlds as it has

1315

00:54:49,829 --> 00:54:48,000

here

1316

00:54:51,190 --> 00:54:49,839

then you know a lot of people may think

1317

00:54:55,349 --> 00:54:51,200

we're all from the same stuff

1318

00:54:57,750 --> 00:54:55,359

his dna or whatever but

1319

00:54:59,109 --> 00:54:57,760

the chant you know it stands to reason

1320

00:55:00,549 --> 00:54:59,119

that there will be other human-like

1321

00:55:03,349 --> 00:55:00,559

species

1322

00:55:04,069 --> 00:55:03,359

and would they only share our good

1323

00:55:07,030 --> 00:55:04,079

qualities

1324

00:55:08,470 --> 00:55:07,040

or would they share are our negative

1325

00:55:10,870 --> 00:55:08,480

qualities as well

1326

00:55:12,069 --> 00:55:10,880

i believe that there are good species

1327

00:55:16,390 --> 00:55:12,079

and evil species

1328

00:55:20,789 --> 00:55:19,829

hostile aliens that's my take on it and

1329

00:55:23,030 --> 00:55:20,799

i think that's

1330

00:55:24,549 --> 00:55:23,040

you know the safe way to go about it is

1331

00:55:27,430 --> 00:55:24,559

to

1332

00:55:28,069 --> 00:55:27,440

you know just like you shouldn't i

1333

00:55:30,470 --> 00:55:28,079

suppose

1334

00:55:31,589 --> 00:55:30,480

judge someone by their epic background

1335

00:55:33,030 --> 00:55:31,599

race

1336

00:55:34,789 --> 00:55:33,040

i don't think that we should judge

1337

00:55:37,990 --> 00:55:34,799

aliens on anything

1338

00:55:39,030 --> 00:55:38,000

other than how they treat us how they

1339

00:55:44,309 --> 00:55:39,040

interact with us

1340

00:55:46,309 --> 00:55:44,319

right now the sixth sense says jfk jr is

1341

00:55:50,230 --> 00:55:46,319

trending on twitter again

1342

00:55:54,069 --> 00:55:52,870

yes i love that yeah great point moves

1343

00:55:56,549 --> 00:55:54,079

1911

1344

00:55:58,309 --> 00:55:56,559

so he blames secret societies and groups

1345

00:55:59,510 --> 00:55:58,319

for doing these things while he is in a

1346

00:56:02,630 --> 00:55:59,520

secret society

1347

00:56:04,870 --> 00:56:02,640

sure because but he's in the moose

1348

00:56:07,190 --> 00:56:04,880

he's in the welcome to jason sugar's

1349

00:56:08,950 --> 00:56:07,200

land of maple leaf he's in the good guys

1350

00:56:13,430 --> 00:56:08,960

secret society

1351

00:56:15,190 --> 00:56:13,440

and those other secret societies that

1352

00:56:17,109 --> 00:56:15,200

are harvesting the adrenal grown and

1353

00:56:19,750 --> 00:56:17,119

and children are the bad guys secret

1354

00:56:19,990 --> 00:56:19,760

society you gotta have a protagonist and

1355

00:56:27,270 --> 00:56:20,000

an

1356

00:56:28,789 --> 00:56:27,280

always the good guys

1357

00:56:31,190 --> 00:56:28,799

i always love that they're kind of

1358

00:56:33,190 --> 00:56:31,200

people out of money for fake information

1359

00:56:34,390 --> 00:56:33,200

you know fake information like you can

1360

00:56:36,710 --> 00:56:34,400

cure autism with

1361

00:56:39,190 --> 00:56:36,720

camel milk and essential oils he's got

1362

00:56:42,309 --> 00:56:39,200

that behind a pay wall so there's that

1363

00:56:43,430 --> 00:56:42,319

but he's the good guys jason would a

1364

00:56:46,710 --> 00:56:43,440

good guy

1365

00:56:49,030 --> 00:56:46,720

sell people snake oil to cure autism

1366

00:56:51,030 --> 00:56:49,040

or reverse autism i don't think a good

1367

00:56:52,390 --> 00:56:51,040

person would do that and you're doing

1368

00:56:54,870 --> 00:56:52,400

exactly that

1369

00:56:56,710 --> 00:56:54,880

so maybe you need to rebrand it right

1370

00:57:00,150 --> 00:56:56,720

maybe you need to clarify

1371

00:57:01,829 --> 00:57:00,160

your super secret society stuff right

1372

00:57:03,270 --> 00:57:01,839

i'm waiting for jason sherpa to get his

1373

00:57:05,910 --> 00:57:03,280

superpowers too

1374

00:57:07,109 --> 00:57:05,920

these guys always get super powers if

1375

00:57:08,549 --> 00:57:07,119

they don't start out with them

1376

00:57:09,750 --> 00:57:08,559

eventually they get him he's going to

1377

00:57:12,470 --> 00:57:09,760

start i'm telling you he's going to

1378

00:57:15,510 --> 00:57:12,480

start talking about telekinesis and

1379

00:57:16,150 --> 00:57:15,520

yeah remote remote viewing right he's

1380

00:57:20,069 --> 00:57:16,160

gonna get

1381

00:57:23,030 --> 00:57:20,079

he's special

1382

00:57:25,589 --> 00:57:23,040

i think all these freaks we are seeing

1383

00:57:29,190 --> 00:57:25,599

are all from the same statement

1384

00:57:30,630 --> 00:57:29,200

tv largely a lot of them are kai tv is

1385

00:57:34,309 --> 00:57:30,640

sustainable for these

1386

00:57:36,150 --> 00:57:34,319

new age numbers right

1387

00:57:37,990 --> 00:57:36,160

and i have to just mention that i'm

1388

00:57:38,470 --> 00:57:38,000

going to finish reading this pyramid

1389

00:57:40,150 --> 00:57:38,480

code

1390

00:57:41,829 --> 00:57:40,160

of course i'm sorry i'm going to finish

1391

00:57:43,510 --> 00:57:41,839

listening to it again but this time i'm

1392

00:57:45,109 --> 00:57:43,520

going to take notes i've listened to the

1393

00:57:46,069 --> 00:57:45,119

whole thing but i didn't i wasn't able

1394

00:57:48,870 --> 00:57:46,079

to take notes

1395

00:57:50,069 --> 00:57:48,880

so now i've got to listen to this again

1396

00:57:51,750 --> 00:57:50,079

so

1397

00:57:53,349 --> 00:57:51,760

i'm not very happy that i have to put

1398

00:57:54,630 --> 00:57:53,359

another couple hours into listening to

1399

00:57:56,069 --> 00:57:54,640

that thing but i'm gonna

1400

00:57:58,630 --> 00:57:56,079

because we're gonna cover it because i

1401
00:58:01,190 --> 00:57:58,640
found some interesting

1402
00:58:02,069 --> 00:58:01,200
things in his so-called pyramid code

1403
00:58:04,109 --> 00:58:02,079
things

1404
00:58:05,589 --> 00:58:04,119
complete and total inaccuracies and

1405
00:58:09,670 --> 00:58:05,599
inconsistencies

1406
00:58:11,990 --> 00:58:09,680
for example he says that the jews

1407
00:58:13,430 --> 00:58:12,000
the the writer of this book says that

1408
00:58:16,390 --> 00:58:13,440
the jews did not wander

1409
00:58:17,349 --> 00:58:16,400
in egypt for 40 years but for three

1410
00:58:20,390 --> 00:58:17,359
sorry

1411
00:58:23,510 --> 00:58:20,400
there's no proof of that ask any

1412
00:58:25,030 --> 00:58:23,520
jewish scholar or torah expert all of

1413
00:58:30,069 --> 00:58:25,040

them are going to tell you that they

1414

00:58:34,950 --> 00:58:32,150

there's there's this strange system that

1415

00:58:36,789 --> 00:58:34,960

these ua new age connors use

1416

00:58:38,950 --> 00:58:36,799

you know they make claims that go

1417

00:58:40,710 --> 00:58:38,960

against every expert

1418

00:58:42,950 --> 00:58:40,720

in in the field they're making the claim

1419

00:58:46,150 --> 00:58:42,960

in but we're expected to believe

1420

00:58:47,270 --> 00:58:46,160

that every religious scholar every

1421

00:58:50,390 --> 00:58:47,280

biblical scholar

1422

00:58:52,150 --> 00:58:50,400

every biblical historian every expert on

1423

00:58:54,950 --> 00:58:52,160

the torah

1424

00:58:56,789 --> 00:58:54,960

every expert on jewish history all of

1425

00:58:59,109 --> 00:58:56,799

them are wrong

1426

00:58:59,910 --> 00:58:59,119

and jason shurka and his secret

1427

00:59:02,950 --> 00:58:59,920

organization

1428

00:59:04,230 --> 00:59:02,960

are correct and i just want to say jason

1429

00:59:06,470 --> 00:59:04,240

think about that

1430

00:59:07,990 --> 00:59:06,480

that is ridiculous you really expect

1431

00:59:11,030 --> 00:59:08,000

everybody to believe

1432

00:59:11,990 --> 00:59:11,040

that some guy who was reincarnated 69

1433

00:59:14,390 --> 00:59:12,000

times

1434

00:59:15,670 --> 00:59:14,400

and wrote this book is right about the

1435

00:59:18,950 --> 00:59:15,680

jewish exodus

1436

00:59:20,150 --> 00:59:18,960

and every other expert is wrong i don't

1437

00:59:22,230 --> 00:59:20,160

even know what to do with that

1438

00:59:23,589 --> 00:59:22,240

but we're going to cover that after i

1439

00:59:26,870 --> 00:59:23,599

finish

1440

00:59:29,030 --> 00:59:26,880

digesting them yes maybe

1441

00:59:30,950 --> 00:59:29,040

i think alan holt is here shout out to

1442

00:59:33,190 --> 00:59:30,960

ellen hold

1443

00:59:34,630 --> 00:59:33,200

the david wilcox school of performing

1444

00:59:37,829 --> 00:59:34,640

art yeah

1445

00:59:38,950 --> 00:59:37,839

absolutely i don't know these he took so

1446

00:59:41,910 --> 00:59:38,960

much from the

1447

00:59:43,349 --> 00:59:41,920

david wilcock [h__h] playbook i think

1448

00:59:49,829 --> 00:59:43,359

he studied

1449

00:59:52,309 --> 00:59:49,839

studied david ike and others

1450

00:59:54,230 --> 00:59:52,319

that have drifted and conned people for

1451

00:59:56,950 --> 00:59:54,240

lots of money successfully and he's

1452

00:59:57,829 --> 00:59:56,960

modeling himself after that he's also

1453

01:00:01,030 --> 00:59:57,839

trying

1454

01:00:02,950 --> 01:00:01,040

desperately to get himself a big tent

1455

01:00:04,710 --> 01:00:02,960

what do i mean by that he wants to roll

1456

01:00:07,109 --> 01:00:04,720

in the trumpers

1457

01:00:09,270 --> 01:00:07,119

he wants to roll in new age people under

1458

01:00:10,470 --> 01:00:09,280

his tent he wants to get the ufo and the

1459

01:00:12,789 --> 01:00:10,480

alien people

1460

01:00:13,510 --> 01:00:12,799

he wants people that are interested in

1461

01:00:15,190 --> 01:00:13,520

you know

1462

01:00:17,109 --> 01:00:15,200

health and nutrition he's got to roll

1463

01:00:18,710 --> 01:00:17,119

that in

1464

01:00:20,710 --> 01:00:18,720

by the way on the subject of being a

1465

01:00:23,349 --> 01:00:20,720

good guy uh you know

1466

01:00:25,990 --> 01:00:23,359

jason sugar's got advice uh on on

1467

01:00:27,510 --> 01:00:26,000

overcoming addictions i just want to say

1468

01:00:29,510 --> 01:00:27,520

i mean i guess it's okay to recount

1469

01:00:31,109 --> 01:00:29,520

personal experience or try to offer

1470

01:00:32,230 --> 01:00:31,119

advice to people but you're a public

1471

01:00:34,390 --> 01:00:32,240

figure jason

1472

01:00:35,589 --> 01:00:34,400

and you are not an addictions counselor

1473

01:00:36,950 --> 01:00:35,599

or specialist

1474

01:00:39,510 --> 01:00:36,960

so maybe you should leave that to

1475

01:00:41,270 --> 01:00:39,520

experts right

1476
01:00:44,069 --> 01:00:41,280
maybe you should leave addiction how to

1477
01:00:46,069 --> 01:00:44,079
overcome addictions to addiction experts

1478
01:00:47,750 --> 01:00:46,079
but we see this time and time again

1479
01:00:50,870 --> 01:00:47,760
these guys have huge egos

1480
01:00:54,870 --> 01:00:50,880
and they all are experts on everything

1481
01:00:58,390 --> 01:00:54,880
so far jason sherka is an expert on

1482
01:01:01,829 --> 01:00:58,400
egyptian history jewish history

1483
01:01:04,710 --> 01:01:01,839
uh on how to cure autism right

1484
01:01:06,710 --> 01:01:04,720
and holistic treatments for autism or

1485
01:01:09,349 --> 01:01:06,720
what causes expert or

1486
01:01:10,950 --> 01:01:09,359
he's an expert on what causes autism

1487
01:01:11,990 --> 01:01:10,960
he's an expert on the current health

1488
01:01:13,589 --> 01:01:12,000

crisis

1489

01:01:15,670 --> 01:01:13,599

uh he's an expert on health and

1490

01:01:18,789 --> 01:01:15,680

nutrition he's an expert

1491

01:01:20,470 --> 01:01:18,799

on meditation right

1492

01:01:22,150 --> 01:01:20,480

how can you be an expert in all those

1493

01:01:25,589 --> 01:01:22,160

things jason pick a lien

1494

01:01:27,190 --> 01:01:25,599

right pick a lane bro but

1495

01:01:29,030 --> 01:01:27,200

we see this time and time again we've

1496

01:01:30,390 --> 01:01:29,040

seen it with corey good corey good

1497

01:01:33,030 --> 01:01:30,400

wanted to hold in the letter of the

1498

01:01:33,510 --> 01:01:33,040

alphabet conspiracy to get his tent

1499

01:01:35,510 --> 01:01:33,520

bigger

1500

01:01:36,950 --> 01:01:35,520

they all want the biggest tent possible

1501

01:01:40,870 --> 01:01:36,960

so they have the biggest pool of

1502

01:01:45,750 --> 01:01:43,510

another troubling thing uh that he

1503

01:01:46,789 --> 01:01:45,760

probably learned from david wilcock is i

1504

01:01:49,829 --> 01:01:46,799

believe that his

1505

01:01:50,950 --> 01:01:49,839

one of his academy of divine knowledge

1506

01:01:54,789 --> 01:01:50,960

or something like that

1507

01:01:56,309 --> 01:01:54,799

is a non-profit so he's not paying taxes

1508

01:01:57,910 --> 01:01:56,319

on any of the money that he's collecting

1509

01:01:59,270 --> 01:01:57,920

for that non-profit and what is his

1510

01:02:02,230 --> 01:01:59,280

non-profit what

1511

01:02:03,029 --> 01:02:02,240

what charitable things is his non-profit

1512

01:02:05,990 --> 01:02:03,039

doing

1513

01:02:07,109 --> 01:02:06,000

now i used to work with children and

1514

01:02:09,910 --> 01:02:07,119

when i was uh

1515

01:02:10,950 --> 01:02:09,920

doing magic shows i did stage magic

1516

01:02:14,230 --> 01:02:10,960

shows and

1517

01:02:15,510 --> 01:02:14,240

all kinds of events um but i made it a

1518

01:02:18,309 --> 01:02:15,520

point that i went to

1519

01:02:20,630 --> 01:02:18,319

uh children's hospital once a month and

1520

01:02:22,710 --> 01:02:20,640

just did a free show for the children

1521

01:02:24,789 --> 01:02:22,720

so in his defense i did see that he did

1522

01:02:27,990 --> 01:02:24,799

some work with children at some academy

1523

01:02:30,069 --> 01:02:28,000

but other than that it his if

1524

01:02:32,470 --> 01:02:30,079

it is a non-profit charity that he's

1525

01:02:32,870 --> 01:02:32,480

running the only thing that he's doing

1526

01:02:35,829 --> 01:02:32,880

that

1527

01:02:37,990 --> 01:02:35,839

he considers charitable is sharing

1528

01:02:38,789 --> 01:02:38,000

forbidden knowledge and information with

1529

01:02:40,789 --> 01:02:38,799

people

1530

01:02:42,870 --> 01:02:40,799

you know information like how to reverse

1531

01:02:45,750 --> 01:02:42,880

autism with camel milk

1532

01:02:46,309 --> 01:02:45,760

and essential oils or information from

1533

01:02:49,349 --> 01:02:46,319

judy

1534

01:02:51,990 --> 01:02:49,359

uh mark mackavits you know

1535

01:02:54,309 --> 01:02:52,000

about the carrot health crisis he's

1536

01:02:57,270 --> 01:02:54,319

taking money from people for a charity

1537

01:02:58,390 --> 01:02:57,280

and then he's giving them fake false

1538

01:03:02,309 --> 01:02:58,400

information

1539

01:03:04,390 --> 01:03:02,319

and he considers that a charitable act

1540

01:03:06,069 --> 01:03:04,400

but welcome to jason sugar's land make

1541

01:03:09,029 --> 01:03:06,079

believe here we are fred

1542

01:03:09,990 --> 01:03:09,039

here we are friends just another group

1543

01:03:13,190 --> 01:03:10,000

of people

1544

01:03:15,349 --> 01:03:13,200

to reel in the curing autism thing yeah

1545

01:03:17,510 --> 01:03:15,359

and as as the father of an autistic

1546

01:03:20,230 --> 01:03:17,520

child i take offense to anybody

1547

01:03:21,750 --> 01:03:20,240

peddling snake oil that is purported to

1548

01:03:24,390 --> 01:03:21,760

either reverse or cure

1549

01:03:25,270 --> 01:03:24,400

autism anybody can look up that book by

1550

01:03:29,270 --> 01:03:25,280

the way

1551

01:03:33,990 --> 01:03:31,430

this this situation with jason hosting

1552

01:03:35,589 --> 01:03:34,000

that person made me angry because

1553

01:03:37,589 --> 01:03:35,599

the person who's claiming that you can

1554

01:03:41,510 --> 01:03:37,599

cure autism with camel milk

1555

01:03:44,309 --> 01:03:41,520

and uh essential oils book is on amazon

1556

01:03:46,069 --> 01:03:44,319

and so uh as a public service to the

1557

01:03:47,829 --> 01:03:46,079

autism community i'm going to be

1558

01:03:51,829 --> 01:03:47,839

reaching out to

1559

01:03:53,670 --> 01:03:51,839

amazon's public relations department and

1560

01:03:57,430 --> 01:03:53,680

i'm going to ask them

1561

01:03:58,390 --> 01:03:57,440

why is it okay for them to help someone

1562

01:04:02,150 --> 01:03:58,400

sell a book

1563

01:04:03,750 --> 01:04:02,160

with a fake cure for autism in it um

1564

01:04:05,109 --> 01:04:03,760

i don't know what's going to happen with

1565

01:04:07,589 --> 01:04:05,119

that but i just wanted to mention that

1566

01:04:09,510 --> 01:04:07,599

that's something that i'm going to do

1567

01:04:10,789 --> 01:04:09,520

and hey jason you wanted me to do more

1568

01:04:13,109 --> 01:04:10,799

research right

1569

01:04:13,829 --> 01:04:13,119

i'm doing more research so we're going

1570

01:04:16,230 --> 01:04:13,839

to contact

1571

01:04:17,990 --> 01:04:16,240

amazon and ask them why the guests that

1572

01:04:20,710 --> 01:04:18,000

you're hosting behind your pay wall

1573

01:04:22,150 --> 01:04:20,720

telling people you can cure people with

1574

01:04:24,789 --> 01:04:22,160

autism

1575

01:04:26,230 --> 01:04:24,799

with literally steak oil with camel milk

1576

01:04:27,990 --> 01:04:26,240

and essential oils

1577

01:04:29,829 --> 01:04:28,000

we're going to contact amazon and find

1578

01:04:32,029 --> 01:04:29,839

out why she's allowed to sell a book

1579

01:04:34,470 --> 01:04:32,039

with a fake cure for autism in it on

1580

01:04:36,069 --> 01:04:34,480

amazon.com

1581

01:04:38,309 --> 01:04:36,079

so you're welcome you wanted me to do

1582

01:04:41,109 --> 01:04:38,319

more research uh one of the other things

1583

01:04:43,829 --> 01:04:41,119

that i found interesting is that uh

1584

01:04:46,069 --> 01:04:43,839

mr shirkis father is the owner of a very

1585

01:04:49,190 --> 01:04:46,079

successful commercial real estate

1586

01:04:51,109 --> 01:04:49,200

so he made a point in his uh long-winded

1587

01:04:52,710 --> 01:04:51,119

reply to my last video to say that you

1588

01:04:53,589 --> 01:04:52,720

know his family's so wealthy they don't

1589

01:04:55,750 --> 01:04:53,599

need the money

1590

01:04:58,549 --> 01:04:55,760

then why don't you do all this for free

1591

01:04:59,829 --> 01:04:58,559

jason why don't you just do it for free

1592

01:05:01,349 --> 01:04:59,839

you're saving the world you don't need

1593

01:05:02,950 --> 01:05:01,359

any money your daddy's a millionaire

1594

01:05:03,430 --> 01:05:02,960

just take some of daddy's millions and

1595

01:05:06,789 --> 01:05:03,440

you know

1596

01:05:08,789 --> 01:05:06,799

save the world why are you always

1597

01:05:11,029 --> 01:05:08,799

pumping stuff that's behind a paywall

1598

01:05:12,950 --> 01:05:11,039

right

1599

01:05:14,710 --> 01:05:12,960

it's just another group of people intel

1600

01:05:16,470 --> 01:05:14,720

lady is here yes

1601
01:05:18,309 --> 01:05:16,480
just another group of people to reel it

1602
01:05:20,390 --> 01:05:18,319
i agree i agree

1603
01:05:22,470 --> 01:05:20,400
and i'm offended as a father of an

1604
01:05:24,230 --> 01:05:22,480
autistic child that he would be stupid

1605
01:05:25,750 --> 01:05:24,240
enough to host somebody talking that

1606
01:05:27,829 --> 01:05:25,760
kind of nonsense

1607
01:05:30,470 --> 01:05:27,839
and he has no defense and by the way he

1608
01:05:32,710 --> 01:05:30,480
admitted in his reply to my last video

1609
01:05:34,069 --> 01:05:32,720
that he has and this is what i wanted i

1610
01:05:38,150 --> 01:05:34,079
wanted him to admit it

1611
01:05:39,270 --> 01:05:38,160
he has absolutely no evidence or proof

1612
01:05:41,510 --> 01:05:39,280
of anything

1613
01:05:42,870 --> 01:05:41,520

that he talks about and he admitted it

1614

01:05:45,589 --> 01:05:42,880

in writing that he has

1615

01:05:47,430 --> 01:05:45,599

absolutely no evidence or proof of

1616

01:05:50,630 --> 01:05:47,440

anything that he talks about

1617

01:05:52,150 --> 01:05:50,640

and you know i for one applaud him for

1618

01:05:54,150 --> 01:05:52,160

at least being willing to admit

1619

01:05:56,230 --> 01:05:54,160

that he's got nothing he's got nothing

1620

01:05:58,150 --> 01:05:56,240

friends he's got no evidence

1621

01:06:00,549 --> 01:05:58,160

no proof you're just supposed to take it

1622

01:06:06,870 --> 01:06:00,559

on faith and you know i'm sorry

1623

01:06:06,880 --> 01:06:10,710

i'm trying to uh oh yeah

1624

01:06:16,710 --> 01:06:14,230

i'm trying to find a reply um

1625

01:06:17,990 --> 01:06:16,720

which i'll read to his credit he did

1626
01:06:19,750 --> 01:06:18,000
apologize for me

1627
01:06:21,349 --> 01:06:19,760
about the glasses he said for starters

1628
01:06:22,390 --> 01:06:21,359
let me apologize for saying what i said

1629
01:06:23,990 --> 01:06:22,400
about the glasses

1630
01:06:26,069 --> 01:06:24,000
because i wasn't aware you had a

1631
01:06:29,029 --> 01:06:26,079
paralyzed eye i am wishing you well

1632
01:06:31,029 --> 01:06:29,039
only health he's really you know zoning

1633
01:06:31,990 --> 01:06:31,039
into the loving like guru in this

1634
01:06:34,309 --> 01:06:32,000
message regarding

1635
01:06:36,309 --> 01:06:34,319
my proof you were absolutely correct i

1636
01:06:37,510 --> 01:06:36,319
don't have any definitive proof i can

1637
01:06:39,430 --> 01:06:37,520
show you

1638
01:06:41,190 --> 01:06:39,440

and that is something i knew going into

1639

01:06:43,029 --> 01:06:41,200

all of this that is precisely why the

1640

01:06:44,309 --> 01:06:43,039

man who actually wrote the pyramid code

1641

01:06:46,870 --> 01:06:44,319

didn't want

1642

01:06:48,470 --> 01:06:46,880

to come out within himself because he

1643

01:06:50,470 --> 01:06:48,480

was afraid of what people would say

1644

01:06:52,470 --> 01:06:50,480

however i have some personal experiences

1645

01:06:54,150 --> 01:06:52,480

that give me all the proof i needed

1646

01:06:55,990 --> 01:06:54,160

and i personally feel that holding all

1647

01:06:58,150 --> 01:06:56,000

this myself out of fear

1648

01:06:59,910 --> 01:06:58,160

of what others would say is wrong so

1649

01:07:01,270 --> 01:06:59,920

although i can't show you what you call

1650

01:07:03,190 --> 01:07:01,280

proof

1651

01:07:04,789 --> 01:07:03,200

i will never let that stop me from

1652

01:07:06,230 --> 01:07:04,799

sharing an important message just

1653

01:07:08,950 --> 01:07:06,240

remember one thing stephen

1654

01:07:10,549 --> 01:07:08,960

my goal is not to convince persuade but

1655

01:07:12,950 --> 01:07:10,559

simply to share and spread

1656

01:07:15,190 --> 01:07:12,960

awareness regarding the individuals i

1657

01:07:16,470 --> 01:07:15,200

hosted on my platform i find them to be

1658

01:07:18,549 --> 01:07:16,480

very knowledgeable

1659

01:07:19,829 --> 01:07:18,559

really jason sharko you find somebody

1660

01:07:21,670 --> 01:07:19,839

that's telling people you can cure

1661

01:07:23,910 --> 01:07:21,680

autism with camel milk and essential

1662

01:07:25,670 --> 01:07:23,920

oils knowledgeable

1663

01:07:27,349 --> 01:07:25,680

after having in-depth conversations with

1664

01:07:29,270 --> 01:07:27,359

them and learning a lot i respect your

1665

01:07:30,870 --> 01:07:29,280

opinion however i don't share

1666

01:07:32,069 --> 01:07:30,880

and by the way it's okay for us to

1667

01:07:33,109 --> 01:07:32,079

disagree but disagreeing and

1668

01:07:36,309 --> 01:07:33,119

disrespecting

1669

01:07:38,309 --> 01:07:36,319

are two different things then he goes on

1670

01:07:41,510 --> 01:07:38,319

to say sorry here about my son

1671

01:07:44,789 --> 01:07:43,510

if you haven't tried a holistic approach

1672

01:07:47,349 --> 01:07:44,799

i'd be happy to connect you with some

1673

01:07:50,309 --> 01:07:47,359

doctors who may help

1674

01:07:52,150 --> 01:07:50,319

yeah so there we are now he admits that

1675

01:07:53,109 --> 01:07:52,160

he has absolutely no proof for anything

1676

01:07:56,390 --> 01:07:53,119

he talks about

1677

01:07:58,309 --> 01:07:56,400

great great and how is it come on

1678

01:08:00,069 --> 01:07:58,319

jason you're collecting money for a

1679

01:08:01,829 --> 01:08:00,079

charity and then you're hosting these

1680

01:08:04,549 --> 01:08:01,839

crackpots behind a paywall

1681

01:08:05,829 --> 01:08:04,559

how is that a charitable act right can

1682

01:08:08,150 --> 01:08:05,839

we see the accounting

1683

01:08:09,510 --> 01:08:08,160

right how much money you've collected oh

1684

01:08:12,150 --> 01:08:09,520

we can

1685

01:08:13,829 --> 01:08:12,160

if i i have to do some more checking hey

1686

01:08:15,510 --> 01:08:13,839

jason turkey you asked me to do the

1687

01:08:17,590 --> 01:08:15,520

research so i'm going to do the research

1688

01:08:21,030 --> 01:08:17,600

if he has a charitable organization

1689

01:08:23,110 --> 01:08:21,040

he has to file 9.94 and we can all find

1690

01:08:24,070 --> 01:08:23,120

out how much money he collected and what

1691

01:08:26,630 --> 01:08:24,080

he did with it

1692

01:08:28,309 --> 01:08:26,640

great great jason circle wanted me to do

1693

01:08:29,749 --> 01:08:28,319

some more research so here we are we're

1694

01:08:30,550 --> 01:08:29,759

going to research jason sherpa's

1695

01:08:33,510 --> 01:08:30,560

finances

1696

01:08:34,149 --> 01:08:33,520

for his charitable organization i i

1697

01:08:35,829 --> 01:08:34,159

think he

1698

01:08:37,669 --> 01:08:35,839

you know i'm not sure that he's going to

1699

01:08:40,070 --> 01:08:37,679

enjoy that though

1700

01:08:41,590 --> 01:08:40,080

but i will because i believe that every

1701

01:08:44,149 --> 01:08:41,600

public charity

1702

01:08:45,669 --> 01:08:44,159

they have a legal responsibility to show

1703

01:08:47,510 --> 01:08:45,679

people how much money they're collecting

1704

01:08:49,269 --> 01:08:47,520

and what they did with it all

1705

01:08:52,550 --> 01:08:49,279

it's part of the deal to be a charity

1706

01:08:55,990 --> 01:08:52,560

you have to be willing to do that

1707

01:08:57,669 --> 01:08:56,000

yes and uh yeah oh

1708

01:09:00,149 --> 01:08:57,679

there's one final point i want to make

1709

01:09:03,669 --> 01:09:00,159

out of jason shurka's land of maple leaf

1710

01:09:05,430 --> 01:09:03,679

so this is brilliant scan

1711

01:09:07,430 --> 01:09:05,440

he has a book that he's given you for

1712

01:09:10,709 --> 01:09:07,440

free called the pyramid code

1713

01:09:12,229 --> 01:09:10,719

right and it's a bunch of new age

1714

01:09:14,229 --> 01:09:12,239

gobbledygook written by somebody who

1715

01:09:15,829 --> 01:09:14,239

claims that they were reincarnated 69

1716

01:09:18,070 --> 01:09:15,839

times

1717

01:09:19,430 --> 01:09:18,080

but one of the things that i found

1718

01:09:21,990 --> 01:09:19,440

extremely interesting

1719

01:09:22,470 --> 01:09:22,000

as far as a con or a scam perspective

1720

01:09:26,229 --> 01:09:22,480

goes

1721

01:09:29,669 --> 01:09:26,239

is he'll give you the pyramid code book

1722

01:09:32,950 --> 01:09:29,679

right but there's secret code

1723

01:09:35,829 --> 01:09:32,960

that you need in order to decode

1724

01:09:37,030 --> 01:09:35,839

the information within the pyramid code

1725

01:09:46,829 --> 01:09:37,040

book

1726

01:09:48,070 --> 01:09:46,839

no human on earth can truly comprehend

1727

01:09:51,510 --> 01:09:48,080

utilize

1728

01:09:52,550 --> 01:09:51,520

or understand the advanced information

1729

01:09:56,310 --> 01:09:52,560

contained in

1730

01:09:58,310 --> 01:09:56,320

the pyramid code book but the

1731

01:09:59,990 --> 01:09:58,320

the secret super secret society wanted

1732

01:10:00,950 --> 01:10:00,000

this person to write and publish the

1733

01:10:04,470 --> 01:10:00,960

book anyway

1734

01:10:06,550 --> 01:10:04,480

with jason schrapp as hell right so

1735

01:10:07,590 --> 01:10:06,560

from a scam perspective this is

1736

01:10:11,110 --> 01:10:07,600

brilliant

1737

01:10:12,790 --> 01:10:11,120

because here's the book it's free but

1738

01:10:15,189 --> 01:10:12,800

you're going to need a secret decoder

1739

01:10:16,550 --> 01:10:15,199

ring that's right in jason circa's land

1740

01:10:18,870 --> 01:10:16,560

of make believe

1741

01:10:19,669 --> 01:10:18,880

he gives you the book for free but you

1742

01:10:21,750 --> 01:10:19,679

can't fully

1743

01:10:23,189 --> 01:10:21,760

understand the information in the book

1744

01:10:25,750 --> 01:10:23,199

and utilize it

1745

01:10:27,590 --> 01:10:25,760

and put it to work unless you got jason

1746

01:10:31,110 --> 01:10:27,600

circus secret dakota ring

1747

01:10:34,950 --> 01:10:31,120

but nobody's got the secret decoder ring

1748

01:10:36,790 --> 01:10:34,960

i believe that even jason does not claim

1749

01:10:39,590 --> 01:10:36,800

to be in possession of the secret

1750

01:10:41,510 --> 01:10:39,600

decoder ring right and but i'm kidding

1751

01:10:43,669 --> 01:10:41,520

it's not a decoder ring but

1752

01:10:44,870 --> 01:10:43,679

it's you need to you need a secret

1753

01:10:48,070 --> 01:10:44,880

dakota ring

1754

01:10:50,149 --> 01:10:48,080

to understand the super secret society

1755

01:10:52,630 --> 01:10:50,159

book that jason sure could put out you

1756

01:10:56,149 --> 01:10:52,640

need a secret decoder ring

1757

01:10:57,990 --> 01:10:56,159

so i don't know jason i can i get the

1758

01:10:59,350 --> 01:10:58,000

secret decoder ring and like a box of

1759

01:11:01,990 --> 01:10:59,360

children cereal

1760

01:11:03,270 --> 01:11:02,000

how does this work here's what i believe

1761

01:11:06,310 --> 01:11:03,280

i believe

1762

01:11:08,470 --> 01:11:06,320

that it is a clever scam this

1763

01:11:10,870 --> 01:11:08,480

you need to you need the codes you need

1764

01:11:13,510 --> 01:11:10,880

the keys to understand this

1765

01:11:14,470 --> 01:11:13,520

who is going to be the only person that

1766

01:11:16,870 --> 01:11:14,480

will be able

1767

01:11:18,630 --> 01:11:16,880

to grant you access to the full and

1768

01:11:20,709 --> 01:11:18,640

total knowledge of this

1769

01:11:21,910 --> 01:11:20,719

great spiritual work it's going to be

1770

01:11:24,390 --> 01:11:21,920

jason sherka

1771

01:11:25,750 --> 01:11:24,400

pay me for my q and a's pay me to get

1772

01:11:28,630 --> 01:11:25,760

behind my paywall

1773

01:11:29,990 --> 01:11:28,640

and i'll drop some of the information

1774

01:11:32,149 --> 01:11:30,000

that you can only get

1775

01:11:34,390 --> 01:11:32,159

with the secret decoder rig every so

1776

01:11:36,070 --> 01:11:34,400

often it's a brilliant scam

1777

01:11:38,229 --> 01:11:36,080

he's giving you the book for free but

1778

01:11:41,110 --> 01:11:38,239

you need to pay him in order to be able

1779

01:11:42,550 --> 01:11:41,120

to get him to use the secret dakota ring

1780

01:11:45,830 --> 01:11:42,560

to tell you what's really

1781

01:11:48,709 --> 01:11:45,840

you know the super secretiveness

1782

01:11:49,270 --> 01:11:48,719

i'm sorry the super secretive stuff in

1783

01:11:51,669 --> 01:11:49,280

the book

1784

01:11:54,950 --> 01:11:51,679

only jason sherka knows because he's got

1785

01:11:57,430 --> 01:11:54,960

the key or the decoder ring or whatever

1786

01:12:00,310 --> 01:11:57,440

it's this is jason's shirt but this is

1787

01:12:04,070 --> 01:12:00,320

jason sherpa's man of make-believe

1788

01:12:06,310 --> 01:12:04,080

great bobby

1789

01:12:07,270 --> 01:12:06,320

dog stone says 69 times how many i was

1790

01:12:10,390 --> 01:12:07,280

reading credit for

1791

01:12:12,229 --> 01:12:10,400

20 times yeah yeah great so friends

1792

01:12:14,630 --> 01:12:12,239

uh this is going to be another one of

1793

01:12:17,750 --> 01:12:14,640

our uh early shows

1794

01:12:19,830 --> 01:12:17,760

i am going to bounce out of here and uh

1795

01:12:27,590 --> 01:12:19,840

one second i swear check one thing

1796

01:12:32,950 --> 01:12:31,189

yeah so uh and i apologize if you're

1797

01:12:33,990 --> 01:12:32,960

hearing a hum in the room but i've

1798

01:12:36,630 --> 01:12:34,000

mentioned this before

1799

01:12:37,510 --> 01:12:36,640

unfortunately it's so incredibly hot in

1800

01:12:39,910 --> 01:12:37,520

here i can't

1801

01:12:41,110 --> 01:12:39,920

i can't sit in here out of that air

1802

01:12:44,470 --> 01:12:41,120

don't ask me

1803

01:12:45,990 --> 01:12:44,480

so yeah i'm working while i'm seeing if

1804

01:12:46,870 --> 01:12:46,000

i can filter some of that out with

1805

01:12:49,510 --> 01:12:46,880

plug-in

1806

01:12:49,910 --> 01:12:49,520

for the audio podcast if not i apologize

1807

01:12:51,270 --> 01:12:49,920

it'll

1808

01:12:53,430 --> 01:12:51,280

be another month and that'll be cool

1809

01:12:55,990 --> 01:12:53,440

enough in here that i won't be here

1810

01:12:57,590 --> 01:12:56,000

um and i certainly will only use it when

1811

01:12:58,950 --> 01:12:57,600

i absolutely positively eat it but we're

1812

01:13:02,229 --> 01:12:58,960

in the middle of the heat wave here

1813

01:13:04,070 --> 01:13:02,239

at my home so uh it is where it is

1814

01:13:05,830 --> 01:13:04,080

blue slaver says one does not simply

1815

01:13:06,790 --> 01:13:05,840

decode the pyramids oh yeah that's

1816

01:13:08,709 --> 01:13:06,800

another thing

1817

01:13:10,630 --> 01:13:08,719

jason sherk has got all the answers not

1818

01:13:12,070 --> 01:13:10,640

only is he an expert on all these things

1819

01:13:14,390 --> 01:13:12,080

but he knows

1820

01:13:15,270 --> 01:13:14,400

why the pyramids were built and who

1821

01:13:17,510 --> 01:13:15,280

built them

1822

01:13:19,189 --> 01:13:17,520

he knows all about the pharaohs you know

1823

01:13:21,430 --> 01:13:19,199

the alien pharaohs

1824

01:13:22,310 --> 01:13:21,440

where they came from what star system

1825

01:13:24,070 --> 01:13:22,320

he's got

1826

01:13:25,750 --> 01:13:24,080

all the answers you remember what

1827

01:13:28,709 --> 01:13:25,760

happens after death

1828

01:13:30,229 --> 01:13:28,719

reincarnation he's got all the answers

1829

01:13:32,950 --> 01:13:30,239

bruce lee

1830

01:13:34,470 --> 01:13:32,960

just sign up get behind my paywall and

1831

01:13:37,350 --> 01:13:34,480

you know

1832

01:13:38,630 --> 01:13:37,360

he uh corrected me and and then like

1833

01:13:40,229 --> 01:13:38,640

chastised me for

1834

01:13:41,750 --> 01:13:40,239

for being critical of him putting all

1835

01:13:42,390 --> 01:13:41,760

this stuff behind the paywall because i

1836

01:13:43,910 --> 01:13:42,400

was

1837

01:13:45,830 --> 01:13:43,920

uh you know saying hey you can support

1838

01:13:48,229 --> 01:13:45,840

me on patreon dollar

1839

01:13:49,510 --> 01:13:48,239

jason and by the way he offered me a

1840

01:13:52,070 --> 01:13:49,520

free membership

1841

01:13:53,270 --> 01:13:52,080

uh listen i'll take it jason but you

1842

01:13:54,790 --> 01:13:53,280

don't want to give it to me

1843

01:13:55,990 --> 01:13:54,800

because i'm going to go in there and i'm

1844

01:13:57,990 --> 01:13:56,000

going to take notes and i'm going to

1845

01:13:59,510 --> 01:13:58,000

make you look like an ass clown bro

1846

01:14:01,590 --> 01:13:59,520

for hosting some of these nutters that

1847

01:14:03,350 --> 01:14:01,600

you host but if you still want to give

1848

01:14:04,550 --> 01:14:03,360

me the free membership i'll take it and

1849

01:14:07,350 --> 01:14:04,560

i'll do that i will

1850

01:14:07,750 --> 01:14:07,360

i will go in there behind your paywall i

1851
01:14:10,310 --> 01:14:07,760
won't

1852
01:14:11,270 --> 01:14:10,320
uh share any of the videos or audio but

1853
01:14:13,030 --> 01:14:11,280
i'll make

1854
01:14:14,870 --> 01:14:13,040
a lot of notes about what people are

1855
01:14:16,149 --> 01:14:14,880
saying behind your paywall

1856
01:14:17,910 --> 01:14:16,159
and then you could have a public

1857
01:14:19,669 --> 01:14:17,920
relations nightmare to deal with i

1858
01:14:20,470 --> 01:14:19,679
assume but you offered me a free

1859
01:14:23,510 --> 01:14:20,480
membership

1860
01:14:25,189 --> 01:14:23,520
give it to me uh jason you can you can

1861
01:14:28,790 --> 01:14:25,199
send it to truthseekershell

1862
01:14:32,310 --> 01:14:28,800
gmail.com that's all one word

1863
01:14:34,590 --> 01:14:32,320

truth seeker show uh it's it's

1864

01:14:35,750 --> 01:14:34,600

the email is my email

1865

01:14:39,110 --> 01:14:35,760

truthsecretshow@gmail.com

1866

01:14:41,350 --> 01:14:39,120

is in the description of this video

1867

01:14:43,270 --> 01:14:41,360

so send me my free membership you offer

1868

01:14:44,790 --> 01:14:43,280

right

1869

01:14:46,390 --> 01:14:44,800

he doesn't want me to have a membership

1870

01:14:48,709 --> 01:14:46,400

he doesn't want me in there

1871

01:14:51,110 --> 01:14:48,719

listening to this [h__h] because i hear

1872

01:14:54,950 --> 01:14:51,120

the stuff behind the paywall is where

1873

01:14:56,630 --> 01:14:54,960

it goes cuckoo crazy town so i may buy

1874

01:14:58,550 --> 01:14:56,640

it if he doesn't give it to me just so

1875

01:14:59,270 --> 01:14:58,560

that we can see what's in cuckoo crazy

1876

01:15:04,310 --> 01:14:59,280

town

1877

01:15:07,590 --> 01:15:05,830

bobby says keep up the good work love

1878

01:15:08,630 --> 01:15:07,600

your stuff good glad to hear it alright

1879

01:15:10,149 --> 01:15:08,640

so listen

1880

01:15:12,550 --> 01:15:10,159

i'm always happy when there's audience

1881

01:15:14,950 --> 01:15:12,560

friends especially this was an unplanned

1882

01:15:15,830 --> 01:15:14,960

uh you know i gotta get better at this

1883

01:15:17,750 --> 01:15:15,840

for now on

1884

01:15:20,229 --> 01:15:17,760

i'm gonna try this week we're trying

1885

01:15:23,669 --> 01:15:20,239

some new things i'm trying to do a 1pm

1886

01:15:25,750 --> 01:15:23,679

show and then an 8pm show and just

1887

01:15:27,590 --> 01:15:25,760

gauging things to see if there's enough

1888

01:15:28,550 --> 01:15:27,600

demand there today's attendance was

1889

01:15:30,550 --> 01:15:28,560

pretty low

1890

01:15:32,550 --> 01:15:30,560

but that's my fault because i just

1891

01:15:35,590 --> 01:15:32,560

realized i didn't even tweet this out

1892

01:15:38,229 --> 01:15:35,600

i did not tweet it out before the show

1893

01:15:39,430 --> 01:15:38,239

not during the show i'm a terrible show

1894

01:15:42,470 --> 01:15:39,440

host

1895

01:15:43,030 --> 01:15:42,480

but uh we're trying to improve here baby

1896

01:15:45,270 --> 01:15:43,040

steps

1897

01:15:46,630 --> 01:15:45,280

and trying to improve them i want to

1898

01:15:48,550 --> 01:15:46,640

remind everybody

1899

01:15:50,310 --> 01:15:48,560

uh you can support us on patreon for a

1900

01:15:52,870 --> 01:15:50,320

dollar a month you can

1901

01:15:54,390 --> 01:15:52,880

set a paypal donation it's in the how to

1902

01:15:55,830 --> 01:15:54,400

do that is in the

1903

01:15:57,590 --> 01:15:55,840

in the description of this video and

1904

01:15:59,350 --> 01:15:57,600

there's a link in the about section or

1905

01:16:02,390 --> 01:15:59,360

you can send us a super chat the other

1906

01:16:02,790 --> 01:16:02,400

great way to support us is to please do

1907

01:16:04,709 --> 01:16:02,800

like

1908

01:16:06,550 --> 01:16:04,719

comment and subscribe send some of our

1909

01:16:08,550 --> 01:16:06,560

video links to your friends

1910

01:16:11,270 --> 01:16:08,560

share the channel link this really does

1911

01:16:13,110 --> 01:16:11,280

help we're just shy of 2 000 subscribers

1912

01:16:13,669 --> 01:16:13,120

and by the way i built this channel from

1913

01:16:16,229 --> 01:16:13,679

nothing

1914

01:16:17,590 --> 01:16:16,239

in the past year i've been very proud of

1915

01:16:19,669 --> 01:16:17,600

our progress

1916

01:16:20,790 --> 01:16:19,679

but you know i get a little bitter

1917

01:16:23,910 --> 01:16:20,800

sometimes because

1918

01:16:24,310 --> 01:16:23,920

you know first of all i'm handicapped i

1919

01:16:27,510 --> 01:16:24,320

just

1920

01:16:29,430 --> 01:16:27,520

which is

1921

01:16:30,950 --> 01:16:29,440

a youtube channel that hosts every

1922

01:16:34,310 --> 01:16:30,960

nutter in the universe

1923

01:16:35,910 --> 01:16:34,320

every nutter talking about crazy untrue

1924

01:16:37,590 --> 01:16:35,920

stupid [h__h] you know nutters like

1925

01:16:39,270 --> 01:16:37,600

cliffhanger he's on there

1926

01:16:41,189 --> 01:16:39,280

so there's a channel that's been deleted

1927

01:16:42,950 --> 01:16:41,199

from youtube two times

1928

01:16:44,709 --> 01:16:42,960

right and the guy just makes a new

1929

01:16:47,910 --> 01:16:44,719

channel and

1930

01:16:51,110 --> 01:16:47,920

he just got deleted like a few weeks ago

1931

01:16:53,189 --> 01:16:51,120

and he's up to 13 000 subscribers again

1932

01:16:55,110 --> 01:16:53,199

but we here are handicaps because we

1933

01:16:56,950 --> 01:16:55,120

can't just give people fake stories and

1934

01:16:59,270 --> 01:16:56,960

fake information and have fake people

1935

01:17:01,830 --> 01:16:59,280

come on here talk about fake things

1936

01:17:02,709 --> 01:17:01,840

so you know i've got some crutches to

1937

01:17:06,070 --> 01:17:02,719

overcome

1938

01:17:08,870 --> 01:17:06,080

right and i love when some of these con

1939

01:17:10,630 --> 01:17:08,880

channels like you know they talk down to

1940

01:17:12,229 --> 01:17:10,640

me like well you've only got this many

1941

01:17:14,630 --> 01:17:12,239

and i've got five times

1942

01:17:16,630 --> 01:17:14,640

well you did it by lying to people bro

1943

01:17:19,110 --> 01:17:16,640

we're not lying to anybody here

1944

01:17:19,910 --> 01:17:19,120

so there's nothing i could do if you

1945

01:17:21,510 --> 01:17:19,920

know

1946

01:17:22,950 --> 01:17:21,520

we're just doing the best we can trying

1947

01:17:25,270 --> 01:17:22,960

to expand the channel

1948

01:17:27,030 --> 01:17:25,280

so uh sharing this stuff on your social

1949

01:17:28,470 --> 01:17:27,040

media sending it to a few friends

1950

01:17:30,550 --> 01:17:28,480

posting our channel link and

1951

01:17:33,110 --> 01:17:30,560

telling your friends to subscribe really

1952

01:17:35,110 --> 01:17:33,120

does help and i see the retweets i see

1953

01:17:37,990 --> 01:17:35,120

people sharing stuff on facebook

1954

01:17:39,669 --> 01:17:38,000

and you have my gratitude uh for every

1955

01:17:41,430 --> 01:17:39,679

one of you that are helping us to expand

1956

01:17:44,630 --> 01:17:41,440

the ship

1957

01:17:47,030 --> 01:17:44,640

all right so uh like i said friends

1958

01:17:48,310 --> 01:17:47,040

always happy always happy when there's

1959

01:17:49,350 --> 01:17:48,320

an audience thank you for coming here

1960

01:17:51,270 --> 01:17:49,360

and being a part of mine

1961

01:17:52,870 --> 01:17:51,280

i will be back for a fun i hope it's

1962

01:17:56,470 --> 01:17:52,880

going to be a fun evening show

1963

01:17:57,990 --> 01:17:56,480

at 8pm eastern standard time tonight

1964

01:18:00,310 --> 01:17:58,000

like i said we're trying something new

1965

01:18:02,149 --> 01:18:00,320

here i'm not sure

1966

01:18:03,350 --> 01:18:02,159

if this is gonna work or work out but

1967

01:18:07,110 --> 01:18:03,360

we're trying to see

1968

01:18:10,229 --> 01:18:07,120

if there is enough demand uh for

1969

01:18:11,430 --> 01:18:10,239

for uh an increased schedule uh but what

1970

01:18:13,270 --> 01:18:11,440

i don't want to happen

1971

01:18:14,550 --> 01:18:13,280

is to do twice as many shows for the

1972

01:18:17,750 --> 01:18:14,560

same number of views

1973

01:18:21,030 --> 01:18:17,760

and participants that i would get in one

1974

01:18:22,310 --> 01:18:21,040

you know so people have asked me for

1975

01:18:25,030 --> 01:18:22,320

more shows

1976

01:18:27,030 --> 01:18:25,040

uh we're we're gonna try that so until

1977

01:18:29,110 --> 01:18:27,040

next time friends

1978

01:18:31,030 --> 01:18:29,120

i know you say good night i gotta

1979

01:18:34,149 --> 01:18:31,040

remember not to do that

1980

01:18:44,470 --> 01:18:34,159

until next time friends good afternoon

1981

01:18:44,480 --> 01:18:52,830

[Music]

1982

01:19:58,190 --> 01:18:54,540

so

1983

01:19:59,550 --> 01:19:58,200

[Music]
