

1  
00:02:06,069 --> 00:00:45,550

[Music]

2  
00:02:10,389 --> 00:02:07,990  
greetings and salutations

3  
00:02:11,029 --> 00:02:10,399  
friends and welcome back to church

4  
00:02:14,229 --> 00:02:11,039  
seekers

5  
00:02:16,630 --> 00:02:14,239  
um i began some time ago to sort of

6  
00:02:18,790 --> 00:02:16,640  
change my attitude towards experiencers

7  
00:02:19,990 --> 00:02:18,800  
and we've invited a few to be on our

8  
00:02:24,309 --> 00:02:20,000  
show and

9  
00:02:26,630 --> 00:02:24,319  
uh so far uh we did this

10  
00:02:29,350 --> 00:02:26,640  
interview with the former police officer

11  
00:02:31,509 --> 00:02:29,360  
who had reptilian alien experiences

12  
00:02:33,589 --> 00:02:31,519  
in the description box you can hear my

13  
00:02:36,710 --> 00:02:33,599

first interview

14

00:02:38,309 --> 00:02:36,720

you know the subject of reptilian aliens

15

00:02:40,630 --> 00:02:38,319

or even human awaits

16

00:02:42,790 --> 00:02:40,640

fascinates me and the earliest mention

17

00:02:45,830 --> 00:02:42,800

of reptilian humanoids i was ever able

18

00:02:46,710 --> 00:02:45,840

to find was a 1929 weird tales magazine

19

00:02:48,470 --> 00:02:46,720

story

20

00:02:50,550 --> 00:02:48,480

that talked about a race of nearly

21

00:02:52,229 --> 00:02:50,560

extinct reptilian humanities that

22

00:02:55,190 --> 00:02:52,239

secretly ruled

23

00:02:57,190 --> 00:02:55,200

the planet earth in later years

24

00:02:59,190 --> 00:02:57,200

reptilian humanoids and aliens started

25

00:03:00,309 --> 00:02:59,200

appearing in horror movies in science

26

00:03:02,710 --> 00:03:00,319

fiction

27

00:03:04,229 --> 00:03:02,720

movies and books in star trek and later

28

00:03:06,790 --> 00:03:04,239

television shows like the

29

00:03:08,470 --> 00:03:06,800

final battle and of course in star wars

30

00:03:12,070 --> 00:03:08,480

there were some reptilian

31

00:03:13,910 --> 00:03:12,080

races interestingly in the 1990s

32

00:03:16,229 --> 00:03:13,920

conspiracy theorist david ike would

33

00:03:18,309 --> 00:03:16,239

popularize the conspiracy theory that

34

00:03:20,869 --> 00:03:18,319

shape-shifting reptilian aliens

35

00:03:22,710 --> 00:03:20,879

and their hybrid offspring were actually

36

00:03:24,789 --> 00:03:22,720

controlling the earth

37

00:03:28,470 --> 00:03:24,799

gee exactly like that weird tales

38

00:03:30,869 --> 00:03:28,480

magazine story from 1929

39

00:03:34,070 --> 00:03:30,879

in recent years however i have become

40

00:03:36,949 --> 00:03:34,080

aware of have been in communication with

41

00:03:38,070 --> 00:03:36,959

alien experiencers who claim to have had

42

00:03:40,309 --> 00:03:38,080

contact with

43

00:03:42,390 --> 00:03:40,319

been abducted by or interacted with

44

00:03:45,830 --> 00:03:42,400

reptilian aliens

45

00:03:47,670 --> 00:03:45,840

our guest tonight is one of those people

46

00:03:49,589 --> 00:03:47,680

in the description box of this video you

47

00:03:51,589 --> 00:03:49,599

can find a link to my first interview

48

00:03:54,949 --> 00:03:51,599

with matt where he recounted

49

00:03:56,789 --> 00:03:54,959

his experiences with reptilian aliens

50

00:03:58,789 --> 00:03:56,799

since that first interview many people

51  
00:04:01,830 --> 00:03:58,799  
have asked me if i believe there

52  
00:04:02,789 --> 00:04:01,840  
to be honest i'm not sure what to do but

53  
00:04:04,309 --> 00:04:02,799  
what i will say

54  
00:04:06,789 --> 00:04:04,319  
is that matt is just sharing an

55  
00:04:08,949 --> 00:04:06,799  
experience that he believes to be real

56  
00:04:10,789 --> 00:04:08,959  
he's not after selling books he plays a

57  
00:04:11,830 --> 00:04:10,799  
documentary or latest course on how to

58  
00:04:15,350 --> 00:04:11,840  
ascend

59  
00:04:18,949 --> 00:04:15,360  
he hasn't profited at all from his story

60  
00:04:21,590 --> 00:04:18,959  
mostly what i see of this guest tonight

61  
00:04:23,510 --> 00:04:21,600  
is i see him researching these topics

62  
00:04:27,030 --> 00:04:23,520  
kind of obsessively

63  
00:04:30,150 --> 00:04:27,040

something that i can definitely uh

64

00:04:32,310 --> 00:04:30,160

find sympathy before right

65

00:04:34,070 --> 00:04:32,320

and and you know it makes me think that

66

00:04:37,189 --> 00:04:34,080

perhaps he's so obsessed with his

67

00:04:38,870 --> 00:04:37,199

research of these topics to try to fully

68

00:04:39,990 --> 00:04:38,880

understand what it is that actually

69

00:04:41,990 --> 00:04:40,000

happened to him

70

00:04:43,189 --> 00:04:42,000

what i do find fascinating is the number

71

00:04:45,510 --> 00:04:43,199

of people

72

00:04:47,670 --> 00:04:45,520

who have reported similar experiences to

73

00:04:49,430 --> 00:04:47,680

his or other experiences involving

74

00:04:51,670 --> 00:04:49,440

reptilian aliens

75

00:04:52,950 --> 00:04:51,680

if these people's experiences are not

76

00:04:54,790 --> 00:04:52,960

real

77

00:04:55,990 --> 00:04:54,800

then what is it that's causing people's

78

00:04:57,830 --> 00:04:56,000

perceptions to tell

79

00:04:59,510 --> 00:04:57,840

them that they're saying reptilian

80

00:05:01,350 --> 00:04:59,520

humanoids or aliens

81

00:05:03,029 --> 00:05:01,360

if they're all wrong then what is the

82

00:05:07,670 --> 00:05:03,039

answer to

83

00:05:10,629 --> 00:05:07,680

mystery of what is causing these

84

00:05:12,790 --> 00:05:10,639

experiences for so many people

85

00:05:13,830 --> 00:05:12,800

and i believe that that alone is a great

86

00:05:16,390 --> 00:05:13,840

mystery

87

00:05:17,029 --> 00:05:16,400

and we all know i do love a great

88

00:05:20,150 --> 00:05:17,039

mystery

89

00:05:23,749 --> 00:05:20,160

and i hope you do too so

90

00:05:24,310 --> 00:05:23,759

i want to welcome matt to truth seekers

91

00:05:27,430 --> 00:05:24,320

how you doing

92

00:05:29,430 --> 00:05:27,440

tonight man i'm doing okay

93

00:05:31,270 --> 00:05:29,440

okay and for those who are unaware matt

94

00:05:33,909 --> 00:05:31,280

is on the phone with us here i'm gonna

95

00:05:36,830 --> 00:05:33,919

put my banner about that i forgot vance

96

00:05:38,070 --> 00:05:36,840

man so i know that you've been trying to

97

00:05:40,150 --> 00:05:38,080

find

98

00:05:41,830 --> 00:05:40,160

uh you've been sending me some links of

99

00:05:46,390 --> 00:05:41,840

things that you've been finding

100

00:05:47,749 --> 00:05:46,400

uh that are related or maybe related to

101

00:05:49,270 --> 00:05:47,759

your own experiences

102

00:05:51,590 --> 00:05:49,280

can you talk a little bit about that and

103

00:05:54,469 --> 00:05:51,600

sort of give us an update from where we

104

00:05:57,590 --> 00:05:54,479

left off last time

105

00:05:59,510 --> 00:05:57,600

yeah i mean just just one thing as far

106

00:06:00,870 --> 00:05:59,520

as i wouldn't say i obsessed like my

107

00:06:03,749 --> 00:06:00,880

research is that much

108

00:06:06,070 --> 00:06:03,759

look at my youtube history it's all like

109

00:06:08,790 --> 00:06:06,080

god keeping history documentaries true

110

00:06:11,749 --> 00:06:08,800

crime documentary science diabetes

111

00:06:13,830 --> 00:06:11,759

maybe one out of 30 or 40 videos it's

112

00:06:14,550 --> 00:06:13,840

like anything not aliens or reptilians

113

00:06:16,629 --> 00:06:14,560

but um

114

00:06:18,070 --> 00:06:16,639

i do you know try to keep oppressed in

115

00:06:20,469 --> 00:06:18,080

the situation

116

00:06:22,230 --> 00:06:20,479

i see an article i haven't been watching

117

00:06:23,350 --> 00:06:22,240

the blog by the way i gotta give a shout

118

00:06:26,309 --> 00:06:23,360

out to them

119

00:06:28,070 --> 00:06:26,319

because it's a really good research vlog

120

00:06:29,749 --> 00:06:28,080

it's where i will put my first article

121

00:06:31,510 --> 00:06:29,759

about my you know the first time i

122

00:06:33,350 --> 00:06:31,520

probably revealed my abductions back in

123

00:06:34,469 --> 00:06:33,360

like 2010 2011

124

00:06:37,029 --> 00:06:34,479

even though you know it started

125

00:06:39,640 --> 00:06:37,039

happening back in 2003

126  
00:06:41,510 --> 00:06:39,650  
um and it it's

127  
00:06:43,270 --> 00:06:41,520  
[Applause]

128  
00:06:44,469 --> 00:06:43,280  
you know it is as far as updating you

129  
00:06:46,469 --> 00:06:44,479  
know picking up where i left off from

130  
00:06:47,029 --> 00:06:46,479  
the last video just real quick even for

131  
00:06:49,029 --> 00:06:47,039  
people who

132  
00:06:51,270 --> 00:06:49,039  
having a description yeah i was on the

133  
00:06:53,430 --> 00:06:51,280  
police during hurricane katrina

134  
00:06:55,430 --> 00:06:53,440  
in new orleans i was there for two years

135  
00:06:58,230 --> 00:06:55,440  
i'm currently 43.

136  
00:07:00,710 --> 00:06:58,240  
um i was part of this project to help

137  
00:07:03,830 --> 00:07:00,720  
train reptilian aliens in crowd control

138  
00:07:06,790 --> 00:07:03,840

sort of a joint military alien project

139

00:07:07,909 --> 00:07:06,800

and that's a very you know watch the

140

00:07:10,150 --> 00:07:07,919

other video

141

00:07:11,990 --> 00:07:10,160

for context because i'm not going to

142

00:07:13,670 --> 00:07:12,000

retread too much of it here because

143

00:07:15,510 --> 00:07:13,680

you know people if they want to find out

144

00:07:16,550 --> 00:07:15,520

they can go get the contacts and it'll

145

00:07:18,710 --> 00:07:16,560

be very helpful though

146

00:07:20,790 --> 00:07:18,720

says don't don't watch part two before

147

00:07:22,870 --> 00:07:20,800

part one or it's gonna be

148

00:07:23,990 --> 00:07:22,880

uh you know like trying to watch

149

00:07:27,909 --> 00:07:24,000

breaking bad

150

00:07:29,029 --> 00:07:27,919

from like season four on you know um

151

00:07:31,270 --> 00:07:29,039

there's a lot of similarities to

152

00:07:34,070 --> 00:07:31,280

breaking bad anyways but um

153

00:07:35,909 --> 00:07:34,080

moving on as far as updates of say uh

154

00:07:38,550 --> 00:07:35,919

one of the first

155

00:07:40,150 --> 00:07:38,560

is uh i noticed a big controversial was

156

00:07:41,350 --> 00:07:40,160

from richard dolan's new book alien

157

00:07:43,909 --> 00:07:41,360

agendas

158

00:07:45,270 --> 00:07:43,919

uh but he actually the passage is from

159

00:07:48,390 --> 00:07:45,280

another person's book

160

00:07:51,110 --> 00:07:48,400

it's about a marine in the 1960s

161

00:07:52,550 --> 00:07:51,120

i named ramon i believe and god's talked

162

00:07:53,990 --> 00:07:52,560

about if you've watched any of dolan's

163

00:07:56,390 --> 00:07:54,000

interviews the last like

164

00:07:58,710 --> 00:07:56,400

six months he talks about this case

165

00:08:01,029 --> 00:07:58,720

where this marine in the 60s

166

00:08:02,790 --> 00:08:01,039

testified that he was brought out to

167

00:08:04,309 --> 00:08:02,800

this hangar with him and several other

168

00:08:07,430 --> 00:08:04,319

marines

169

00:08:09,830 --> 00:08:07,440

and they brought up these reptilians and

170

00:08:12,790 --> 00:08:09,840

there was you know doctors and and

171

00:08:13,909 --> 00:08:12,800

marine officers and this hangar and you

172

00:08:14,390 --> 00:08:13,919

know they've been marched these weren't

173

00:08:15,990 --> 00:08:14,400

totally

174

00:08:17,830 --> 00:08:16,000

they clearly practiced giving these

175

00:08:18,950 --> 00:08:17,840

reptilian drill formation and marched

176

00:08:21,430 --> 00:08:18,960

them out

177

00:08:23,110 --> 00:08:21,440

and these marines had to stand their

178

00:08:25,110 --> 00:08:23,120

attention like their pillions emerged in

179

00:08:27,189 --> 00:08:25,120

front of

180

00:08:28,230 --> 00:08:27,199

and we're really them there's a lot of

181

00:08:30,230 --> 00:08:28,240

similar elements but

182

00:08:31,830 --> 00:08:30,240

really the detail that caught me was how

183

00:08:34,870 --> 00:08:31,840

he described the uniforms

184

00:08:37,110 --> 00:08:34,880

that sort of dark green uh you know

185

00:08:37,990 --> 00:08:37,120

that that color that that dark green

186

00:08:40,870 --> 00:08:38,000

color

187

00:08:41,990 --> 00:08:40,880

just plain you know no camo or anything

188

00:08:45,030 --> 00:08:42,000

the only difference being

189

00:08:47,030 --> 00:08:45,040

in the 1960s they had a uh you know a

190

00:08:48,790 --> 00:08:47,040

badge just like the dragon symbol

191

00:08:51,030 --> 00:08:48,800

and certain their their you know home

192

00:08:53,190 --> 00:08:51,040

race symbol and in my

193

00:08:54,630 --> 00:08:53,200

situation in 2005 during that crowd

194

00:08:56,550 --> 00:08:54,640

control training abduction

195

00:08:58,070 --> 00:08:56,560

that no patches whatsoever and that

196

00:09:00,070 --> 00:08:58,080

makes sense

197

00:09:01,990 --> 00:09:00,080

because at the time this was you know

198

00:09:04,230 --> 00:09:02,000

the first stages

199

00:09:05,110 --> 00:09:04,240

of reptilians and the military kind of

200

00:09:06,870 --> 00:09:05,120

you know

201  
00:09:08,389 --> 00:09:06,880  
testing things and doing these test

202  
00:09:10,630 --> 00:09:08,399  
drills

203  
00:09:12,389 --> 00:09:10,640  
later on the military would say look

204  
00:09:15,269 --> 00:09:12,399  
we're not going to let you wear

205  
00:09:16,870 --> 00:09:15,279  
you know dragon snake whatever badges if

206  
00:09:18,790 --> 00:09:16,880  
you're going to be doing crowd control

207  
00:09:20,550 --> 00:09:18,800  
you know i get this history and

208  
00:09:23,269 --> 00:09:20,560  
everything but it's

209  
00:09:24,790 --> 00:09:23,279  
you know that that's a bit too much it

210  
00:09:27,670 --> 00:09:24,800  
may be later on

211  
00:09:29,190 --> 00:09:27,680  
but um that just that one detail he got

212  
00:09:32,389 --> 00:09:29,200  
on the uniform color and what they look

213  
00:09:34,470 --> 00:09:32,399

like i thought that was very uh

214

00:09:36,710 --> 00:09:34,480

magic because it matched your experience

215

00:09:40,070 --> 00:09:36,720

then right

216

00:09:40,870 --> 00:09:40,080

yeah the just that one detail uh the

217

00:09:43,030 --> 00:09:40,880

other detail

218

00:09:44,710 --> 00:09:43,040

like the military and reptilians and

219

00:09:46,310 --> 00:09:44,720

marching band drill formation that

220

00:09:47,990 --> 00:09:46,320

matched it too but that detail of the

221

00:09:49,990 --> 00:09:48,000

uniform that really

222

00:09:51,190 --> 00:09:50,000

definitely kind of caught me because i

223

00:09:52,949 --> 00:09:51,200

remember that even from my experience

224

00:09:56,070 --> 00:09:52,959

like the uniforms look so plain there's

225

00:09:58,470 --> 00:09:56,080

no camo it's dark green but you know

226

00:10:00,070 --> 00:09:58,480

and that makes sense too because if you

227

00:10:01,670 --> 00:10:00,080

put them in a muddy environment or a

228

00:10:04,470 --> 00:10:01,680

dark force you you know it's

229

00:10:05,990 --> 00:10:04,480

it looks so similar to the rest of their

230

00:10:07,670 --> 00:10:06,000

to their scales and their dark brown

231

00:10:09,509 --> 00:10:07,680

scales that yeah i mean

232

00:10:11,190 --> 00:10:09,519

i get it but it would almost be like a

233

00:10:14,630 --> 00:10:11,200

human wearing a fresh colored

234

00:10:16,550 --> 00:10:14,640

uh camo like like it worked it blended

235

00:10:17,670 --> 00:10:16,560

together color was like too much almost

236

00:10:19,110 --> 00:10:17,680

it was like but

237

00:10:20,870 --> 00:10:19,120

i guess do you want that you know that's

238

00:10:21,590 --> 00:10:20,880

why like you look like navy seal

239

00:10:23,269 --> 00:10:21,600

training

240

00:10:24,630 --> 00:10:23,279

they always have them roll in the mud

241

00:10:25,269 --> 00:10:24,640

you know keep going back rolling and

242

00:10:27,110 --> 00:10:25,279

what again

243

00:10:28,470 --> 00:10:27,120

you know that's i mean reptilians look

244

00:10:30,710 --> 00:10:28,480

like that naturally

245

00:10:31,990 --> 00:10:30,720

at least the warrior cast types do you

246

00:10:33,269 --> 00:10:32,000

know when they got his uniforms on their

247

00:10:34,790 --> 00:10:33,279

scales and they don't even have to roll

248

00:10:37,590 --> 00:10:34,800

on the buds so

249

00:10:38,630 --> 00:10:37,600

they skip a pulled step i guess you

250

00:10:43,590 --> 00:10:38,640

could say

251  
00:10:45,750 --> 00:10:43,600  
um but not too yeah i know you know

252  
00:10:46,630 --> 00:10:45,760  
going and yeah you've got problems if

253  
00:10:48,870 --> 00:10:46,640  
some

254  
00:10:50,389 --> 00:10:48,880  
going is done in terms of research but

255  
00:10:52,630 --> 00:10:50,399  
this is actually from another book

256  
00:10:53,990 --> 00:10:52,640  
you actually if you look at those guys

257  
00:10:56,310 --> 00:10:54,000  
no it's it's okay

258  
00:10:58,069 --> 00:10:56,320  
it's okay because yeah i looked into

259  
00:10:59,030 --> 00:10:58,079  
what you sent me and i saw the source of

260  
00:11:01,430 --> 00:10:59,040  
it so

261  
00:11:02,710 --> 00:11:01,440  
but dolan's repeating it i you know i

262  
00:11:03,110 --> 00:11:02,720  
don't really have that bigger problem

263  
00:11:05,269 --> 00:11:03,120

though

264

00:11:06,550 --> 00:11:05,279

i just think that he's uh you know all

265

00:11:08,630 --> 00:11:06,560

from the woo land

266

00:11:10,150 --> 00:11:08,640

he's got to keep coming up he's going to

267

00:11:13,430 --> 00:11:10,160

keep coming up with something to sell

268

00:11:14,069 --> 00:11:13,440

you know i i you know i read his new

269

00:11:16,069 --> 00:11:14,079

ebook

270

00:11:17,430 --> 00:11:16,079

and i gotta tell you i i thought it was

271

00:11:19,269 --> 00:11:17,440

pretty good i thought it was pretty good

272

00:11:22,550 --> 00:11:19,279

in the sense that it doesn't do

273

00:11:23,750 --> 00:11:22,560

this cardinal sin that um almost every

274

00:11:26,069 --> 00:11:23,760

other researcher

275

00:11:27,910 --> 00:11:26,079

and guru does which is they fixate and

276

00:11:29,269 --> 00:11:27,920

say okay everything's degrades they're

277

00:11:30,470 --> 00:11:29,279

the ones in charge everything's the

278

00:11:32,069 --> 00:11:30,480

nordics

279

00:11:34,550 --> 00:11:32,079

everything's humans everything's time

280

00:11:36,470 --> 00:11:34,560

travelers everything's demons it's like

281

00:11:38,230 --> 00:11:36,480

so many of these guys they have this

282

00:11:39,990 --> 00:11:38,240

idea in their head of

283

00:11:41,509 --> 00:11:40,000

this is the important race and the other

284

00:11:43,269 --> 00:11:41,519

ones don't matter

285

00:11:44,550 --> 00:11:43,279

yeah there's other races but a magic

286

00:11:46,550 --> 00:11:44,560

savior race is gonna

287

00:11:48,230 --> 00:11:46,560

come in like oxiclean and just clean out

288

00:11:51,750 --> 00:11:48,240

all the bad guys

289

00:11:53,670 --> 00:11:51,760

yeah and uh they always have good guys

290

00:11:55,509 --> 00:11:53,680

and bad guys and they're always the good

291

00:11:57,509 --> 00:11:55,519

guys that's something i've noticed there

292

00:11:59,110 --> 00:11:57,519

you know they're the galactic light

293

00:12:01,110 --> 00:11:59,120

council representative

294

00:12:02,629 --> 00:12:01,120

you know they're fighting the dark fleet

295

00:12:05,829 --> 00:12:02,639

or the dark you know

296

00:12:08,389 --> 00:12:05,839

alliance or something yeah

297

00:12:09,430 --> 00:12:08,399

the first guy to do that was um you

298

00:12:12,870 --> 00:12:09,440

could see videos

299

00:12:14,550 --> 00:12:12,880

of uh alex collier and the andromedans

300

00:12:16,550 --> 00:12:14,560

the 5d blue andromedans

301

00:12:17,670 --> 00:12:16,560

back like in the 90s he's over on the

302

00:12:19,030 --> 00:12:17,680

ufo circuit

303

00:12:20,710 --> 00:12:19,040

they're going to come clear out the bad

304

00:12:22,069 --> 00:12:20,720

reptilians from the underground tunnels

305

00:12:25,190 --> 00:12:22,079

who are eating kids

306

00:12:26,470 --> 00:12:25,200

the same thing we're hearing nowadays if

307

00:12:29,590 --> 00:12:26,480

the light system

308

00:12:32,550 --> 00:12:29,600

and the uh yeah yesterday

309

00:12:34,310 --> 00:12:32,560

that's the land of make-believe of jason

310

00:12:37,110 --> 00:12:34,320

and i found it interesting that he

311

00:12:38,870 --> 00:12:37,120

basically just repeats everything from

312

00:12:39,750 --> 00:12:38,880

conspiracy land that he thinks will get

313

00:12:43,670 --> 00:12:39,760

him an audience

314

00:12:45,829 --> 00:12:43,680

you know i think he might really believe

315

00:12:47,829 --> 00:12:45,839

i think he might be really contacted

316

00:12:49,430 --> 00:12:47,839

possibly even by some people who really

317

00:12:51,190 --> 00:12:49,440

are hybrids maybe they didn't show him

318

00:12:52,310 --> 00:12:51,200

some of their abilities but at the same

319

00:12:54,470 --> 00:12:52,320

time i think he might be

320

00:12:56,470 --> 00:12:54,480

you know being used by them and being

321

00:12:56,949 --> 00:12:56,480

given carefully filtered information

322

00:13:01,350 --> 00:12:56,959

that they

323

00:13:04,550 --> 00:13:01,360

know what are you doing this profiteer

324

00:13:07,990 --> 00:13:04,560

those are the two choices yeah

325

00:13:09,190 --> 00:13:08,000

yeah i mean the the appetite for money

326

00:13:12,230 --> 00:13:09,200

in ufo land

327

00:13:13,990 --> 00:13:12,240

the mansions the first class tickets

328

00:13:15,670 --> 00:13:14,000

hey i'm just trying to make taco bell

329

00:13:18,550 --> 00:13:15,680

wages man that's what i'm

330

00:13:19,190 --> 00:13:18,560

asking for and sometimes we don't even

331

00:13:23,030 --> 00:13:19,200

do that

332

00:13:25,030 --> 00:13:23,040

depends

333

00:13:26,790 --> 00:13:25,040

taco bell taco bell all throughout

334

00:13:27,590 --> 00:13:26,800

college has saved me in terms of you

335

00:13:30,069 --> 00:13:27,600

know my budget

336

00:13:32,150 --> 00:13:30,079

that wendy's like i used to walk i went

337

00:13:34,150 --> 00:13:32,160

to columbia college in chicago

338

00:13:35,910 --> 00:13:34,160

and i'd walk an almost like full mile

339

00:13:37,509 --> 00:13:35,920

out of my way to go to wendy's or taco

340

00:13:38,790 --> 00:13:37,519

bell because mcdonald's and burger king

341

00:13:42,470 --> 00:13:38,800

were more expensive but

342

00:13:44,790 --> 00:13:42,480

um yeah taco bell uh quite a lifesaver

343

00:13:47,269 --> 00:13:44,800

back then

344

00:13:49,189 --> 00:13:47,279

well i just made it right like you know

345

00:13:52,870 --> 00:13:49,199

we we covered recently that

346

00:13:54,629 --> 00:13:52,880

uh stephen greer got 400 000

347

00:13:57,030 --> 00:13:54,639

basically to make a film trashing all of

348

00:13:57,509 --> 00:13:57,040

his competition and put ads all over it

349

00:14:00,710 --> 00:13:57,519

for his

350

00:14:02,629 --> 00:14:00,720

app like it's just you're right

351  
00:14:04,550 --> 00:14:02,639  
but it seems like a pyramid scheme like

352  
00:14:06,069 --> 00:14:04,560  
the guys at the top are making millions

353  
00:14:06,790 --> 00:14:06,079  
and then the people at the bottom who

354  
00:14:08,949 --> 00:14:06,800  
aren't

355  
00:14:09,910 --> 00:14:08,959  
telling fantastical fairy tales trying

356  
00:14:13,910 --> 00:14:09,920  
to do

357  
00:14:17,670 --> 00:14:13,920  
things more ethically are making pennies

358  
00:14:19,110 --> 00:14:17,680  
yeah and a lot you know i don't mean to

359  
00:14:20,470 --> 00:14:19,120  
i'm not going to say anything negative

360  
00:14:22,069 --> 00:14:20,480  
about little fun but part of the

361  
00:14:23,590 --> 00:14:22,079  
structure when i'm going to move on

362  
00:14:26,949 --> 00:14:23,600  
meetings talk about my story me and

363  
00:14:29,189 --> 00:14:26,959

other experiencers the way it works is

364

00:14:31,269 --> 00:14:29,199

you you have the usual gurus the big

365

00:14:32,790 --> 00:14:31,279

guys give a talk for two to three hours

366

00:14:34,230 --> 00:14:32,800

and you'll watch the documentary from

367

00:14:36,629 --> 00:14:34,240

the 70s to the 80s or

368

00:14:38,230 --> 00:14:36,639

the 90s and then actual epiphanies and

369

00:14:40,870 --> 00:14:38,240

experiences

370

00:14:49,269 --> 00:14:40,880

we come in at the very very end for like

371

00:14:53,829 --> 00:14:51,509

doesn't matter it gets all pushed to the

372

00:14:55,670 --> 00:14:53,839

end and they even do that same pattern

373

00:14:57,110 --> 00:14:55,680

on ancient aliens

374

00:14:59,110 --> 00:14:57,120

where whenever like they had a couple

375

00:15:01,110 --> 00:14:59,120

episodes of reptilians and they'll have

376

00:15:02,470 --> 00:15:01,120

one reptilian at the d

377

00:15:05,430 --> 00:15:02,480

and they get to talk for like four

378

00:15:06,790 --> 00:15:05,440

minutes at the end some bad cgi

379

00:15:08,629 --> 00:15:06,800

and then they bring on the guy with the

380

00:15:09,829 --> 00:15:08,639

uh the big the big hair he talks for

381

00:15:16,150 --> 00:15:09,839

half an hour

382

00:15:19,189 --> 00:15:18,230

where they had like you know this

383

00:15:21,990 --> 00:15:19,199

rotating

384

00:15:22,790 --> 00:15:22,000

uh discography of the same guy the same

385

00:15:35,910 --> 00:15:22,800

gurus you know

386

00:15:41,110 --> 00:15:37,990

my god all the disasters these guys

387

00:15:43,350 --> 00:15:41,120

would predict the uh solar flares and

388

00:15:44,230 --> 00:15:43,360

the earthquakes and california falling

389

00:15:48,150 --> 00:15:44,240

into the sea

390

00:15:50,550 --> 00:15:48,160

and uh john t orr and it's like

391

00:15:52,550 --> 00:15:50,560

you know their accuracy rate sure has

392

00:15:54,629 --> 00:15:52,560

not improved since then

393

00:15:57,670 --> 00:15:54,639

but um i think that things have gotten

394

00:15:59,509 --> 00:15:57,680

more fantastical and worse actually

395

00:16:02,230 --> 00:15:59,519

you know yeah like well the thing is if

396

00:16:05,269 --> 00:16:02,240

you get positive open-ended stories

397

00:16:06,389 --> 00:16:05,279

you can never be wrong you know the good

398

00:16:10,949 --> 00:16:06,399

things are happening

399

00:16:15,829 --> 00:16:13,829

from the solar flares you know yeah

400

00:16:17,110 --> 00:16:15,839

that's another common rift to the space

401  
00:16:18,790 --> 00:16:17,120  
brothers

402  
00:16:21,110 --> 00:16:18,800  
what do you think of this what do you

403  
00:16:24,310 --> 00:16:21,120  
think of this current rift and argument

404  
00:16:25,430 --> 00:16:24,320  
in in i guess the world of ufos and

405  
00:16:28,389 --> 00:16:25,440  
alien

406  
00:16:30,389 --> 00:16:28,399  
you know that uh you know you've got

407  
00:16:32,069 --> 00:16:30,399  
pretty much one side

408  
00:16:33,590 --> 00:16:32,079  
pushing this threat narrative and then

409  
00:16:36,870 --> 00:16:33,600  
you've got the other side saying

410  
00:16:39,910 --> 00:16:36,880  
all extraterrestrials are benevolent

411  
00:16:41,430 --> 00:16:39,920  
which i think both you know i i don't

412  
00:16:43,829 --> 00:16:41,440  
think things are that

413  
00:16:45,110 --> 00:16:43,839

black and white but okay but what do you

414

00:16:47,430 --> 00:16:45,120

think of this

415

00:16:49,110 --> 00:16:47,440

especially having the experience if you

416

00:16:50,550 --> 00:16:49,120

truly did experience these reptilian

417

00:16:52,949 --> 00:16:50,560

aliens

418

00:16:55,670 --> 00:16:52,959

would you consider them you know

419

00:16:58,310 --> 00:16:55,680

benevolent

420

00:16:59,749 --> 00:16:58,320

no i would definitely say the alien

421

00:17:00,629 --> 00:16:59,759

experiences i have were definitely

422

00:17:02,710 --> 00:17:00,639

neutral

423

00:17:03,749 --> 00:17:02,720

you know i definitely could say good i

424

00:17:05,990 --> 00:17:03,759

mean it was

425

00:17:07,829 --> 00:17:06,000

i can't put them on any different moral

426

00:17:10,390 --> 00:17:07,839

standards than humans or moral

427

00:17:11,429 --> 00:17:10,400

you know wavelengths or deviation

428

00:17:14,069 --> 00:17:11,439

patterns

429

00:17:14,870 --> 00:17:14,079

um it's and i don't think i think it's

430

00:17:16,870 --> 00:17:14,880

probably true

431

00:17:18,230 --> 00:17:16,880

with all intelligent beings throughout

432

00:17:19,350 --> 00:17:18,240

the universe you're gonna have certain

433

00:17:22,710 --> 00:17:19,360

levels of crime

434

00:17:25,909 --> 00:17:24,549

malfeasance like the like cattle

435

00:17:27,829 --> 00:17:25,919

mutilations which are really

436

00:17:29,830 --> 00:17:27,839

theft of certain parts of the animal and

437

00:17:32,230 --> 00:17:29,840

that's what it is a theft

438

00:17:32,950 --> 00:17:32,240

you know i i remember on like little on

439

00:17:35,990 --> 00:17:32,960

the ball now

440

00:17:37,830 --> 00:17:36,000

site because she

441

00:17:39,830 --> 00:17:37,840

there was a guy in scotland or northern

442

00:17:40,870 --> 00:17:39,840

england and his neighbor was having

443

00:17:42,549 --> 00:17:40,880

livestock

444

00:17:44,310 --> 00:17:42,559

stolen by some greys and a ship and he

445

00:17:45,590 --> 00:17:44,320

could see they opened up the window you

446

00:17:47,990 --> 00:17:45,600

see they were graves

447

00:17:49,430 --> 00:17:48,000

and he's yelling at them to put you know

448

00:17:53,029 --> 00:17:49,440

put the neighbors

449

00:17:54,630 --> 00:17:53,039

cows back and the grace see

450

00:17:55,909 --> 00:17:54,640

these two greats they see him and they

451  
00:17:57,029 --> 00:17:55,919  
start pointing and they're like pointing

452  
00:17:59,029 --> 00:17:57,039  
each other and they're waving and

453  
00:18:01,110 --> 00:17:59,039  
they're like smiling at him

454  
00:18:03,029 --> 00:18:01,120  
and he's like yo you put put my

455  
00:18:05,110 --> 00:18:03,039  
neighbor's wife's livestock back and

456  
00:18:07,110 --> 00:18:05,120  
they think he's just waving hi to them

457  
00:18:09,669 --> 00:18:07,120  
or you know i'm just happy to see them

458  
00:18:11,430 --> 00:18:09,679  
or something it's like

459  
00:18:12,870 --> 00:18:11,440  
were they in a malicious state where

460  
00:18:13,990 --> 00:18:12,880  
they you know they think no they're

461  
00:18:16,470 --> 00:18:14,000  
thinking that

462  
00:18:17,350 --> 00:18:16,480  
oh you know here we are taking these

463  
00:18:18,950 --> 00:18:17,360

candles you know

464

00:18:20,630 --> 00:18:18,960

taking these cattle tissues and oh look

465

00:18:22,710 --> 00:18:20,640

there's uh there's a neighbor he must be

466

00:18:24,310 --> 00:18:22,720

excited to see a ufo he's happy to see

467

00:18:27,590 --> 00:18:24,320

us let's you know get more people who

468

00:18:29,750 --> 00:18:27,600

won't wave at him and it's like so

469

00:18:30,870 --> 00:18:29,760

aliens can commit malicious actions and

470

00:18:32,870 --> 00:18:30,880

not necessarily but they can

471

00:18:34,710 --> 00:18:32,880

commit negative actions without being

472

00:18:36,710 --> 00:18:34,720

just filled with people or filled with

473

00:18:38,870 --> 00:18:36,720

doubts it can just be

474

00:18:40,789 --> 00:18:38,880

you know a lot of crimes on earth aren't

475

00:18:43,190 --> 00:18:40,799

committed by people who are

476  
00:18:43,909 --> 00:18:43,200  
you know necessarily severely evil it's

477  
00:18:46,390 --> 00:18:43,919  
just

478  
00:18:47,350 --> 00:18:46,400  
you know crimes of opportunity crimes of

479  
00:18:49,350 --> 00:18:47,360  
uh

480  
00:18:51,270 --> 00:18:49,360  
you know the milgram you have another

481  
00:18:52,390 --> 00:18:51,280  
experiment the number experiment is a

482  
00:18:53,830 --> 00:18:52,400  
great example

483  
00:18:56,070 --> 00:18:53,840  
you remember have you seen that you've

484  
00:18:57,350 --> 00:18:56,080  
seen uh documentaries on if i heard

485  
00:19:00,150 --> 00:18:57,360  
about it where

486  
00:19:01,750 --> 00:19:00,160  
you sit someone down and a scientist

487  
00:19:03,110 --> 00:19:01,760  
tells them to keep hitting a shot button

488  
00:19:06,390 --> 00:19:03,120

on a person in the other room

489

00:19:09,990 --> 00:19:06,400

yeah yeah crazy

490

00:19:10,390 --> 00:19:10,000

crazy that people would but they did i

491

00:19:12,230 --> 00:19:10,400

think

492

00:19:13,990 --> 00:19:12,240

a lot of aliens are probably in the same

493

00:19:15,909 --> 00:19:14,000

situation they're not

494

00:19:18,549 --> 00:19:15,919

you know doing abductions or doing

495

00:19:19,990 --> 00:19:18,559

calculations or anything else

496

00:19:21,029 --> 00:19:20,000

you know their boss is telling them to

497

00:19:22,789 --> 00:19:21,039

do it they're getting some kind of

498

00:19:25,029 --> 00:19:22,799

justification

499

00:19:26,549 --> 00:19:25,039

and they they they don't in their heads

500

00:19:29,110 --> 00:19:26,559

think they're doing something evil

501  
00:19:30,230 --> 00:19:29,120  
or necessarily negative i think there's

502  
00:19:31,830 --> 00:19:30,240  
a great

503  
00:19:33,990 --> 00:19:31,840  
you know i follow it on twitter the

504  
00:19:34,310 --> 00:19:34,000  
confessionals podcast which is another

505  
00:19:36,630 --> 00:19:34,320  
really

506  
00:19:37,590 --> 00:19:36,640  
he had lots of advocates and experiences

507  
00:19:39,270 --> 00:19:37,600  
on there

508  
00:19:40,870 --> 00:19:39,280  
and one guy was this perfect this

509  
00:19:42,150 --> 00:19:40,880  
college professor had this group

510  
00:19:44,950 --> 00:19:42,160  
abduction him and a whole bunch of other

511  
00:19:47,190 --> 00:19:44,960  
people in there camping in the late 70s

512  
00:19:48,950 --> 00:19:47,200  
and the one point during the abduction

513  
00:19:50,549 --> 00:19:48,960

this mantis alien

514

00:19:52,150 --> 00:19:50,559

just gets really pissed yeah it's really

515

00:19:53,430 --> 00:19:52,160

irritated because the person on the

516

00:19:55,669 --> 00:19:53,440

table is screaming

517

00:19:57,669 --> 00:19:55,679

and he's like you know why do you people

518

00:19:59,909 --> 00:19:57,679

always scream you know we don't hurt you

519

00:20:01,669 --> 00:19:59,919

you know we always put you back

520

00:20:03,510 --> 00:20:01,679

and this is the late 70s we didn't know

521

00:20:05,990 --> 00:20:03,520

that even now people

522

00:20:07,750 --> 00:20:06,000

you know every time there's a missing

523

00:20:08,310 --> 00:20:07,760

person well maybe an alien took them or

524

00:20:11,830 --> 00:20:08,320

maybe they're

525

00:20:13,750 --> 00:20:11,840

advanced taking people so i think

526

00:20:15,430 --> 00:20:13,760

you know sometimes we do not you know

527

00:20:16,549 --> 00:20:15,440

there's a negative spin or a negative

528

00:20:18,630 --> 00:20:16,559

bias we

529

00:20:20,789 --> 00:20:18,640

presume they're always doing something

530

00:20:22,549 --> 00:20:20,799

wrong but in many cases in most cases

531

00:20:23,909 --> 00:20:22,559

if you're abducted that's absolutely

532

00:20:25,590 --> 00:20:23,919

true you're not going to get hurt

533

00:20:26,870 --> 00:20:25,600

if anything if they find a health

534

00:20:28,070 --> 00:20:26,880

problem like a tumor or something they

535

00:20:30,710 --> 00:20:28,080

can take out they will

536

00:20:32,789 --> 00:20:30,720

there's lots of cases of people just in

537

00:20:33,990 --> 00:20:32,799

one abduction had some kind of health

538

00:20:35,990 --> 00:20:34,000

problem that they had before the

539

00:20:36,710 --> 00:20:36,000

abduction and the alien you know they

540

00:20:38,310 --> 00:20:36,720

only see that

541

00:20:39,750 --> 00:20:38,320

no we can fix this and they fix it while

542

00:20:43,270 --> 00:20:39,760

they're there and

543

00:20:44,630 --> 00:20:43,280

you know so again but the more what's

544

00:20:48,630 --> 00:20:44,640

going on here in terms of

545

00:20:50,230 --> 00:20:48,640

morality i really wouldn't easily put it

546

00:20:52,470 --> 00:20:50,240

in the category of good or evil

547

00:20:54,070 --> 00:20:52,480

i i just i mean i get the alien

548

00:20:57,190 --> 00:20:54,080

perspective too that human

549

00:20:58,870 --> 00:20:57,200

medical technology is so far behind

550

00:21:01,750 --> 00:20:58,880

that oh well you got to help these

551  
00:21:04,950 --> 00:21:01,760  
natives you know their technology is

552  
00:21:06,549 --> 00:21:04,960  
you you know it's

553  
00:21:07,990 --> 00:21:06,559  
i can see the justification of that

554  
00:21:09,830 --> 00:21:08,000  
because their technology is pretty far

555  
00:21:11,029 --> 00:21:09,840  
behind i don't think their technology is

556  
00:21:12,950 --> 00:21:11,039  
far ahead

557  
00:21:14,549 --> 00:21:12,960  
as people who are engaging in what i

558  
00:21:17,669 --> 00:21:14,559  
would call mail fraud

559  
00:21:19,750 --> 00:21:17,679  
like you know uh ward and parks and

560  
00:21:21,430 --> 00:21:19,760  
these guys promising med beds

561  
00:21:23,190 --> 00:21:21,440  
because they're not in most alien

562  
00:21:25,510 --> 00:21:23,200  
abductions yeah med beds or

563  
00:21:26,789 --> 00:21:25,520

other assorted snake oils they've all

564

00:21:28,390 --> 00:21:26,799

got you know

565

00:21:30,149 --> 00:21:28,400

i think simon parks was in on that

566

00:21:33,430 --> 00:21:30,159

sticker thing you put on your phone

567

00:21:36,789 --> 00:21:33,440

you know oh god i have a total scan

568

00:21:39,510 --> 00:21:36,799

that does nothing it's just a sticker

569

00:21:40,549 --> 00:21:39,520

or was it the usb thing there was a usb

570

00:21:43,270 --> 00:21:40,559

thing too that was

571

00:21:45,750 --> 00:21:43,280

that somebody bought it for like 300

572

00:21:48,710 --> 00:21:45,760

bucks and it turns out it's just a usb

573

00:21:50,870 --> 00:21:48,720

it's just a chinese two dollar usb stick

574

00:21:52,950 --> 00:21:50,880

that does nothing

575

00:21:54,710 --> 00:21:52,960

you know and here's but here's the thing

576  
00:21:56,070 --> 00:21:54,720  
if you look at actual abductions there

577  
00:21:57,510 --> 00:21:56,080  
are no med beds

578  
00:21:58,549 --> 00:21:57,520  
they have to get out like a laser

579  
00:21:59,669 --> 00:21:58,559  
scalpel doesn't matter if it's

580  
00:22:01,750 --> 00:21:59,679  
reptilians

581  
00:22:03,590 --> 00:22:01,760  
great they're taking all these more

582  
00:22:05,590 --> 00:22:03,600  
advanced but it's not like okay

583  
00:22:06,789 --> 00:22:05,600  
stick the empathy in that rotisserie

584  
00:22:08,789 --> 00:22:06,799  
chicken med bed there

585  
00:22:10,230 --> 00:22:08,799  
press the button and we'll come back

586  
00:22:19,990 --> 00:22:10,240  
it'll be healed i have not

587  
00:22:23,830 --> 00:22:22,870  
sessions for 250 and then they say that

588  
00:22:24,630 --> 00:22:23,840

they're going to take you through a

589

00:22:27,990 --> 00:22:24,640

stargate

590

00:22:30,149 --> 00:22:28,000

up to a spaceship but then in the same

591

00:22:33,830 --> 00:22:30,159

text at the end they admit that it's

592

00:22:33,840 --> 00:22:38,950

250 zoom call med bed session

593

00:22:42,230 --> 00:22:41,590

it's beyond even what aliens with the

594

00:22:43,990 --> 00:22:42,240

aliens

595

00:22:45,590 --> 00:22:44,000

are even have they're they're they don't

596

00:22:46,950 --> 00:22:45,600

do medical procedures that way

597

00:22:48,789 --> 00:22:46,960

so it's like you're telling me you guys

598

00:22:50,710 --> 00:22:48,799

have technology beyond

599

00:22:52,230 --> 00:22:50,720

what you've seen that it's better than

600

00:22:52,789 --> 00:22:52,240

what they have in it during an abduction

601  
00:22:54,390 --> 00:22:52,799  
that is

602  
00:22:55,750 --> 00:22:54,400  
just insane it's better than that you

603  
00:22:57,430 --> 00:22:55,760  
know you get attractive tell them hey

604  
00:22:58,789 --> 00:22:57,440  
you guys tried med beds these

605  
00:23:01,110 --> 00:22:58,799  
laser scalpners all the stuff you're

606  
00:23:03,669 --> 00:23:01,120  
doing it's cool yeah no just

607  
00:23:05,029 --> 00:23:03,679  
you know it like what like that uh gift

608  
00:23:07,430 --> 00:23:05,039  
i sent you on twitter it's like the

609  
00:23:09,110 --> 00:23:07,440  
ronco peel you know set it and forget it

610  
00:23:11,270 --> 00:23:09,120  
rotisserie chicken thing you know just

611  
00:23:12,470 --> 00:23:11,280  
stick them in there and they're killed

612  
00:23:14,470 --> 00:23:12,480  
and it's like

613  
00:23:15,590 --> 00:23:14,480

they got this you know what i think one

614

00:23:16,950 --> 00:23:15,600

of the things they get they got this

615

00:23:19,110 --> 00:23:16,960

from that movie elysium

616

00:23:20,830 --> 00:23:19,120

which is a good movie mine it's a good

617

00:23:22,470 --> 00:23:20,840

sci-fi movie from the guy to district

618

00:23:24,549 --> 00:23:22,480

nine um

619

00:23:25,590 --> 00:23:24,559

and in it the elites they all live on

620

00:23:27,430 --> 00:23:25,600

you know they've got this

621

00:23:29,430 --> 00:23:27,440

paradise space station and they have mud

622

00:23:31,110 --> 00:23:29,440

beds yeah i think it's a great movie

623

00:23:34,230 --> 00:23:31,120

actually but

624

00:23:35,190 --> 00:23:34,240

yeah it's i like it i like that movie a

625

00:23:37,110 --> 00:23:35,200

lot just because

626

00:23:38,230 --> 00:23:37,120

you know the the gap between the rich

627

00:23:39,669 --> 00:23:38,240

and poor is

628

00:23:41,269 --> 00:23:39,679

i i think that's going to be very

629

00:23:42,710 --> 00:23:41,279

accurate the picture in the future

630

00:23:45,830 --> 00:23:42,720

unfortunately but

631

00:23:48,230 --> 00:23:45,840

um and it's it that's a very sad thing

632

00:23:49,269 --> 00:23:48,240

but i think that's where oh and speaking

633

00:23:51,110 --> 00:23:49,279

of movies

634

00:23:52,710 --> 00:23:51,120

um you might have seen me talk about

635

00:23:55,029 --> 00:23:52,720

this on twitter and let you know

636

00:23:55,990 --> 00:23:55,039

this new movie came out about a week ago

637

00:23:58,470 --> 00:23:56,000

called the for

638

00:23:59,750 --> 00:23:58,480

the tomorrow it's a big budget movie it

639

00:24:00,870 --> 00:23:59,760

was supposed to be in theaters but

640

00:24:03,909 --> 00:24:00,880

amazon bought it for

641

00:24:04,950 --> 00:24:03,919

like 200 million bucks got chris pratt

642

00:24:07,510 --> 00:24:04,960

what's funny

643

00:24:08,470 --> 00:24:07,520

is you know this is really going to be a

644

00:24:12,390 --> 00:24:08,480

problem for

645

00:24:13,830 --> 00:24:12,400

a certain quarry yeah i'm gonna have to

646

00:24:16,070 --> 00:24:13,840

he's gonna have to sue them that's

647

00:24:18,149 --> 00:24:16,080

that's his trademark right

648

00:24:19,510 --> 00:24:18,159

because the characters are drafted to

649

00:24:21,269 --> 00:24:19,520

fight in the future

650

00:24:23,350 --> 00:24:21,279

that's even like you know 30 years and

651  
00:24:24,549 --> 00:24:23,360  
then they come back after you serve your

652  
00:24:26,789 --> 00:24:24,559  
tour

653  
00:24:27,909 --> 00:24:26,799  
and i don't know how he's going to sell

654  
00:24:32,390 --> 00:24:27,919  
his film

655  
00:24:34,230 --> 00:24:32,400  
when that just came out

656  
00:24:35,590 --> 00:24:34,240  
that is a problem but the interesting

657  
00:24:37,750 --> 00:24:35,600  
part is and

658  
00:24:38,870 --> 00:24:37,760  
okay spoiler you know i'll give you like

659  
00:24:40,470 --> 00:24:38,880  
three seconds to

660  
00:24:42,789 --> 00:24:40,480  
beat this if you want to hear spoiler

661  
00:24:43,830 --> 00:24:42,799  
but the main enemy they're fighting

662  
00:24:47,350 --> 00:24:43,840  
basically

663  
00:24:48,950 --> 00:24:47,360

is what is conceptually the same thing

664

00:24:50,950 --> 00:24:48,960

i spoke about in the last seduction

665

00:24:53,269 --> 00:24:50,960

which is these engineered

666

00:24:55,350 --> 00:24:53,279

great uh chupacabra type beings that

667

00:24:58,230 --> 00:24:55,360

were like designed to be weapons or

668

00:24:59,990 --> 00:24:58,240

you know weapons basically kind of like

669

00:25:00,230 --> 00:25:00,000

the original alien movie those things

670

00:25:01,750 --> 00:25:00,240

were

671

00:25:04,390 --> 00:25:01,760

interesting yeah that's the concept of

672

00:25:07,110 --> 00:25:04,400

xenomorphs too is that the image yes

673

00:25:07,909 --> 00:25:07,120

weapons you know and the same and that

674

00:25:09,750 --> 00:25:07,919

kind of thing

675

00:25:11,669 --> 00:25:09,760

from my experience really is going on

676

00:25:13,430 --> 00:25:11,679

although the movie did a good job of

677

00:25:15,110 --> 00:25:13,440

showing how intelligent those beings are

678

00:25:17,029 --> 00:25:15,120

as well and i thought that was uh

679

00:25:19,110 --> 00:25:17,039

clever it's not a bad movie the tomorrow

680

00:25:21,830 --> 00:25:19,120

war is not a bad movie it's not

681

00:25:23,510 --> 00:25:21,840

citizen kane uh but it's definitely a

682

00:25:27,029 --> 00:25:23,520

three-star

683

00:25:29,430 --> 00:25:27,039

the uh

684

00:25:30,549 --> 00:25:29,440

oh god what's that new zack snyder film

685

00:25:33,750 --> 00:25:30,559

and zombies and

686

00:25:35,830 --> 00:25:33,760

dave bautista yeah it's on netflix

687

00:25:37,269 --> 00:25:35,840

i saw it but i can't think of it i can't

688

00:25:40,149 --> 00:25:37,279

think of a title either

689

00:25:40,789 --> 00:25:40,159

and you know i i don't mind a three-star

690

00:25:42,950 --> 00:25:40,799

uh

691

00:25:44,950 --> 00:25:42,960

movie about science fiction i mean after

692

00:25:47,029 --> 00:25:44,960

all sometimes when i'm really bored and

693

00:25:48,789 --> 00:25:47,039

have nothing to do i watch old 80s

694

00:25:49,510 --> 00:25:48,799

science fiction movies you know the ones

695

00:25:53,029 --> 00:25:49,520

that were on like

696

00:25:53,669 --> 00:25:53,039

saturday television you know sort of low

697

00:25:56,789 --> 00:25:53,679

budget

698

00:25:58,549 --> 00:25:56,799

you know it's always like oh yeah

699

00:26:00,230 --> 00:25:58,559

you should get shutter the shutter

700

00:26:01,430 --> 00:26:00,240

streaming service it's like i've got

701

00:26:04,950 --> 00:26:01,440

it's like six dollars a month

702

00:26:10,230 --> 00:26:06,870

i think i'm going to re-watch me soon

703

00:26:11,669 --> 00:26:10,240

though i got a box set of v and i think

704

00:26:15,110 --> 00:26:11,679

i'm going to watch the whole v

705

00:26:17,590 --> 00:26:15,120

that's that's on my list here you know

706

00:26:20,149 --> 00:26:17,600

here's your thing they did a reboot of v

707

00:26:21,750 --> 00:26:20,159

in like 2009 that lasted two seasons it

708

00:26:26,310 --> 00:26:21,760

wasn't great

709

00:26:29,350 --> 00:26:26,320

um but they yeah it uh

710

00:26:30,070 --> 00:26:29,360

that was that was that was something in

711

00:26:32,549 --> 00:26:30,080

terms of

712

00:26:34,310 --> 00:26:32,559

i mean as far as as far as basis and

713

00:26:35,190 --> 00:26:34,320

reality i mean the reptilians have like

714

00:26:38,470 --> 00:26:35,200

artificial

715

00:26:41,510 --> 00:26:38,480

skin uh no but conceptually

716

00:26:43,029 --> 00:26:41,520

the hybrids fitting in yes and i think

717

00:26:44,950 --> 00:26:43,039

one thing we covered last time i

718

00:26:47,029 --> 00:26:44,960

definitely need to reiterate it

719

00:26:48,950 --> 00:26:47,039

when you talk about gray hybrids and

720

00:26:52,310 --> 00:26:48,960

reptilian hybrids

721

00:26:54,470 --> 00:26:52,320

only because

722

00:26:56,390 --> 00:26:54,480

mentally humans and reptilians are

723

00:26:58,149 --> 00:26:56,400

closer than humans and grace

724

00:26:59,590 --> 00:26:58,159

there isn't as much of a gap in terms of

725

00:27:00,710 --> 00:26:59,600

our mentality and part of that is

726  
00:27:03,430 --> 00:27:00,720  
because

727  
00:27:04,870 --> 00:27:03,440  
you know our sort of cavemen ancestors

728  
00:27:06,149 --> 00:27:04,880  
are pretty damn similar they were

729  
00:27:09,750 --> 00:27:06,159  
packing carnivores

730  
00:27:11,590 --> 00:27:09,760  
that's for example example why don't we

731  
00:27:13,029 --> 00:27:11,600  
get along so well with dogs

732  
00:27:15,269 --> 00:27:13,039  
why you know we understand each other's

733  
00:27:16,470 --> 00:27:15,279  
body language you can just look at a dog

734  
00:27:18,230 --> 00:27:16,480  
they can know what you're thinking by

735  
00:27:20,310 --> 00:27:18,240  
your facial expression

736  
00:27:21,669 --> 00:27:20,320  
same basic you know we have the same

737  
00:27:23,430 --> 00:27:21,679  
sort of energy even though if you look

738  
00:27:24,149 --> 00:27:23,440

at it i look at a human it's clear we

739

00:27:26,710 --> 00:27:24,159

came you know

740

00:27:28,950 --> 00:27:26,720

we're not evolutionary that close but we

741

00:27:31,029 --> 00:27:28,960

have that same sort of mentality

742

00:27:33,590 --> 00:27:31,039

and then well we do still have we the

743

00:27:35,430 --> 00:27:33,600

the lowest portion of our brain is still

744

00:27:37,830 --> 00:27:35,440

the reptile reptilian brain

745

00:27:39,590 --> 00:27:37,840

yeah we still have that as part of our

746

00:27:40,950 --> 00:27:39,600

physiology

747

00:27:43,029 --> 00:27:40,960

you know jason you know and that

748

00:27:44,870 --> 00:27:43,039

controls things like that controls base

749

00:27:46,070 --> 00:27:44,880

functions of things like breathing heart

750

00:27:48,070 --> 00:27:46,080

rate

751  
00:27:49,190 --> 00:27:48,080  
you know things like that it's like

752  
00:27:52,070 --> 00:27:49,200  
lower functions

753  
00:27:53,510 --> 00:27:52,080  
not thought processes but it's still a

754  
00:27:55,510 --> 00:27:53,520  
control mechanism and that's carried

755  
00:27:57,750 --> 00:27:55,520  
over through evolution from reptiles

756  
00:28:01,350 --> 00:27:57,760  
into us

757  
00:28:02,710 --> 00:28:01,360  
well the best you know the the best of

758  
00:28:05,029 --> 00:28:02,720  
of reptilians would be something more

759  
00:28:07,190 --> 00:28:05,039  
like the velociraptor

760  
00:28:09,350 --> 00:28:07,200  
that you know doesn't you know obviously

761  
00:28:13,190 --> 00:28:09,360  
stick now but that would be

762  
00:28:15,269 --> 00:28:13,200  
uh you know or in the reptile

763  
00:28:17,510 --> 00:28:15,279

alligators crocodiles you see some

764

00:28:19,510 --> 00:28:17,520

people have trained alligators

765

00:28:20,789 --> 00:28:19,520

very very well like as well as you get

766

00:28:22,230 --> 00:28:20,799

trained at dogs you know there's

767

00:28:24,870 --> 00:28:22,240

professional you know one of them people

768

00:28:26,549 --> 00:28:24,880

have done that but also there's uh

769

00:28:27,990 --> 00:28:26,559

there's this one breed of lizard the

770

00:28:29,590 --> 00:28:28,000

tagging lizard

771

00:28:31,350 --> 00:28:29,600

which you actually look at a lot on

772

00:28:32,789 --> 00:28:31,360

youtube and they play fetch and they do

773

00:28:35,269 --> 00:28:32,799

all these same

774

00:28:36,789 --> 00:28:35,279

you know reptiles can be pretty pretty

775

00:28:39,029 --> 00:28:36,799

damn intelligent even though yeah the

776

00:28:41,190 --> 00:28:39,039

branding system is a bit simpler

777

00:28:42,070 --> 00:28:41,200

um but they're just more streamlined

778

00:28:44,230 --> 00:28:42,080

like like

779

00:28:45,110 --> 00:28:44,240

for example the second aliens madnenses

780

00:28:48,310 --> 00:28:45,120

graves

781

00:28:49,190 --> 00:28:48,320

arguably their brains are even simpler

782

00:28:50,549 --> 00:28:49,200

than

783

00:28:53,269 --> 00:28:50,559

reptiles or humans but they're very

784

00:28:55,430 --> 00:28:53,279

intelligent so you can

785

00:28:56,830 --> 00:28:55,440

you know intelligence and you know how

786

00:29:00,389 --> 00:28:56,840

streamlined the system

787

00:29:02,070 --> 00:29:00,399

is those two things you know they're not

788

00:29:04,470 --> 00:29:02,080

necessarily exclusive you don't have to

789

00:29:06,630 --> 00:29:04,480

be a mammal to be intelligent you can

790

00:29:09,190 --> 00:29:06,640

evolve to a certain point

791

00:29:09,750 --> 00:29:09,200

i see this remember seeing there's a uh

792

00:29:12,549 --> 00:29:09,760

there's a

793

00:29:14,230 --> 00:29:12,559

graphic graphical depiction that a bunch

794

00:29:16,230 --> 00:29:14,240

of anthropologists made

795

00:29:19,190 --> 00:29:16,240

of what a reptilian humanoid that

796

00:29:21,029 --> 00:29:19,200

descended from dinosaurs might look like

797

00:29:22,870 --> 00:29:21,039

that's kind of interesting too because

798

00:29:24,789 --> 00:29:22,880

if they had not you know if the asteroid

799

00:29:25,990 --> 00:29:24,799

hadn't come along they may have ended up

800

00:29:29,750 --> 00:29:26,000

looking a lot like us

801  
00:29:30,549 --> 00:29:29,760  
but reptilian yeah the dinosaur and you

802  
00:29:33,590 --> 00:29:30,559  
can find like

803  
00:29:35,510 --> 00:29:33,600  
uh they even have like cgi

804  
00:29:36,710 --> 00:29:35,520  
makeup type depictions there look it up

805  
00:29:37,909 --> 00:29:36,720  
on youtube um

806  
00:29:39,590 --> 00:29:37,919  
you know what would they look like if

807  
00:29:40,789 --> 00:29:39,600  
they were still alive today and mixed in

808  
00:29:42,549 --> 00:29:40,799  
the society and

809  
00:29:44,070 --> 00:29:42,559  
the answer is not i mean you know

810  
00:29:46,710 --> 00:29:44,080  
scooped after everything yeah

811  
00:29:47,190 --> 00:29:46,720  
different but not as different as you

812  
00:29:50,149 --> 00:29:47,200  
think

813  
00:29:52,870 --> 00:29:50,159

they actually on the new star wars star

814

00:29:55,029 --> 00:29:52,880

trek series star trek discovery

815

00:29:57,269 --> 00:29:55,039

um they have a reptilian character on

816

00:29:59,190 --> 00:29:57,279

there he's clearly based on a dinosaur

817

00:30:01,269 --> 00:29:59,200

and they spend a lot of money on the cgi

818

00:30:01,830 --> 00:30:01,279

yeah i'm just sharing my screen i found

819

00:30:08,549 --> 00:30:01,840

this

820

00:30:09,909 --> 00:30:08,559

yeah if you look up linus um star trek

821

00:30:13,029 --> 00:30:09,919

discovery lioness

822

00:30:15,110 --> 00:30:13,039

like linus from uh snoopy uh

823

00:30:16,149 --> 00:30:15,120

that's the dinosauri character they have

824

00:30:19,269 --> 00:30:16,159

on there

825

00:30:21,590 --> 00:30:19,279

um and you can tell yeah they spent a

826

00:30:25,269 --> 00:30:21,600

pretty penny animating it too and

827

00:30:29,909 --> 00:30:25,279

having the eyes blink and whatnot um

828

00:30:31,269 --> 00:30:29,919

but getting at the point just mentally

829

00:30:33,590 --> 00:30:31,279

pretty similar to us a little more

830

00:30:35,750 --> 00:30:33,600

aggressive a little more territorial

831

00:30:37,909 --> 00:30:35,760

but the golf between us and the graves

832

00:30:39,909 --> 00:30:37,919

mentally is much greater

833

00:30:41,029 --> 00:30:39,919

for a couple reasons one reason is they

834

00:30:43,110 --> 00:30:41,039

come from a

835

00:30:44,950 --> 00:30:43,120

substantially older star it's not that

836

00:30:46,310 --> 00:30:44,960

their stars about to die necessarily

837

00:30:47,510 --> 00:30:46,320

stars can go on a lot of time but you

838

00:30:50,950 --> 00:30:47,520

know xenovericuli

839

00:30:52,070 --> 00:30:50,960

it's older than our son um substantially

840

00:30:54,230 --> 00:30:52,080

and then

841

00:30:57,190 --> 00:30:54,240

they also come from an insect like an

842

00:30:59,669 --> 00:30:57,200

in a hive like insect heritage

843

00:31:01,430 --> 00:30:59,679

you know some native americans called

844

00:31:03,029 --> 00:31:01,440

greys and people

845

00:31:04,549 --> 00:31:03,039

and that's a great discreet we should

846

00:31:05,909 --> 00:31:04,559

call you know that's probably the best

847

00:31:07,590 --> 00:31:05,919

description

848

00:31:09,990 --> 00:31:07,600

and because of that when they make

849

00:31:11,669 --> 00:31:10,000

hybrids and you see this stuff like

850

00:31:13,269 --> 00:31:11,679

you know men in black tech very hybrid

851  
00:31:15,350 --> 00:31:13,279  
people have encountered who are clearly

852  
00:31:16,950 --> 00:31:15,360  
like great you know half gray half human

853  
00:31:21,350 --> 00:31:16,960  
and very awkward

854  
00:31:23,509 --> 00:31:21,360  
they it's just their mentality you know

855  
00:31:25,110 --> 00:31:23,519  
they have very little aggression they

856  
00:31:26,149 --> 00:31:25,120  
don't respond to aggression well at all

857  
00:31:27,830 --> 00:31:26,159  
they back down just

858  
00:31:30,149 --> 00:31:27,840  
way too easily you see this when they're

859  
00:31:31,750 --> 00:31:30,159  
working also during abductions

860  
00:31:34,230 --> 00:31:31,760  
with human military working with

861  
00:31:35,830 --> 00:31:34,240  
reptilians or even nordics you know they

862  
00:31:37,509 --> 00:31:35,840  
any kind of conflict they're like you

863  
00:31:40,870 --> 00:31:37,519

know what whatever let's do

864

00:31:44,070 --> 00:31:40,880

okay they'll go along with it because

865

00:31:46,070 --> 00:31:44,080

even early on in their formation or

866

00:31:47,750 --> 00:31:46,080

their caveman level they were just

867

00:31:50,149 --> 00:31:47,760

probably like dog-sized ants or

868

00:31:51,990 --> 00:31:50,159

something and they're so focused on

869

00:31:52,470 --> 00:31:52,000

being cooperative and everyone working

870

00:31:55,190 --> 00:31:52,480

together

871

00:31:55,669 --> 00:31:55,200

and everyone you know they don't have

872

00:32:00,149 --> 00:31:55,679

that

873

00:32:03,190 --> 00:32:00,159

reptilians and early humans have

874

00:32:05,750 --> 00:32:03,200

and you know to a certain extent

875

00:32:07,029 --> 00:32:05,760

humans reptilians wherever we were in

876

00:32:08,870 --> 00:32:07,039

arcade men's state

877

00:32:10,789 --> 00:32:08,880

we didn't get that far away from it you

878

00:32:12,310 --> 00:32:10,799

know once once you get them and start

879

00:32:14,389 --> 00:32:12,320

making spears and start making

880

00:32:15,990 --> 00:32:14,399

you know tents out of animal skin and

881

00:32:18,950 --> 00:32:16,000

start making rockets it's

882

00:32:20,710 --> 00:32:18,960

kind of frozen in time but by the time

883

00:32:22,710 --> 00:32:20,720

the grey's gotten to that point

884

00:32:24,710 --> 00:32:22,720

you know look at ants look at these look

885

00:32:27,909 --> 00:32:24,720

at watts the way they behave

886

00:32:30,470 --> 00:32:27,919

so organized so thinking of the uh

887

00:32:32,070 --> 00:32:30,480

society before you think of themselves

888

00:32:33,669 --> 00:32:32,080

and that's one of the reasons grey's

889

00:32:35,110 --> 00:32:33,679

come off

890

00:32:36,870 --> 00:32:35,120

so people think they're being

891

00:32:38,310 --> 00:32:36,880

disingenuous or fake

892

00:32:39,909 --> 00:32:38,320

they're just but no they're really like

893

00:32:41,509 --> 00:32:39,919

that they're very uh

894

00:32:43,669 --> 00:32:41,519

selfless in just their culture but

895

00:32:44,870 --> 00:32:43,679

that's natural to being you know a high

896

00:32:46,710 --> 00:32:44,880

white book that doesn't you know it's

897

00:32:48,789 --> 00:32:46,720

not some virtue they're just natural to

898

00:32:51,669 --> 00:32:48,799

them

899

00:32:54,310 --> 00:32:51,679

do you think that they that if there is

900

00:32:56,149 --> 00:32:54,320

if reptilian aliens are real

901  
00:32:58,389 --> 00:32:56,159  
do you think that on their planet they

902  
00:33:00,149 --> 00:32:58,399  
had something like dinosaurs or the

903  
00:33:02,149 --> 00:33:00,159  
you know the same kind of a situation

904  
00:33:04,549 --> 00:33:02,159  
that we did in our

905  
00:33:06,149 --> 00:33:04,559  
distant past and they just didn't get

906  
00:33:09,509 --> 00:33:06,159  
the asteroids so the

907  
00:33:10,870 --> 00:33:09,519  
the reptilia the reptiles there evolved

908  
00:33:13,909 --> 00:33:10,880  
into a bipedal

909  
00:33:16,950 --> 00:33:13,919  
intelligent species eventually

910  
00:33:17,750 --> 00:33:16,960  
yeah i mean someone if we hadn't got it

911  
00:33:19,750 --> 00:33:17,760  
by the asteroid

912  
00:33:20,870 --> 00:33:19,760  
we would be another reptilian planet

913  
00:33:23,990 --> 00:33:20,880

essentially so yeah

914

00:33:26,389 --> 00:33:24,000

it's that kind of situation but also

915

00:33:28,310 --> 00:33:26,399

what whatever dinosaur on their planet

916

00:33:29,669 --> 00:33:28,320

became the dominant two-legged you know

917

00:33:31,509 --> 00:33:29,679

with thumbs being

918

00:33:32,710 --> 00:33:31,519

it quickly got all the other ones in the

919

00:33:34,870 --> 00:33:32,720

farms and zoos

920

00:33:37,669 --> 00:33:34,880

and the population investigate pretty

921

00:33:39,509 --> 00:33:37,679

fast just like on earth once we

922

00:33:41,830 --> 00:33:39,519

once we start figuring out hey i can

923

00:33:45,269 --> 00:33:41,840

take a stick and i can poke animals with

924

00:33:47,509 --> 00:33:45,279

it the rest of nature just got run over

925

00:33:48,789 --> 00:33:47,519

they couldn't respond to it like i mean

926  
00:33:50,630 --> 00:33:48,799  
that's pretty much the

927  
00:33:51,830 --> 00:33:50,640  
i guess the story by around the universe

928  
00:33:53,509 --> 00:33:51,840  
you know the first

929  
00:33:55,990 --> 00:33:53,519  
animal to figure out you can pick up a

930  
00:33:57,190 --> 00:33:56,000  
stick and then rub it against a rock and

931  
00:33:59,909 --> 00:33:57,200  
then poke things with it

932  
00:34:01,029 --> 00:33:59,919  
is like just you know that that's that's

933  
00:34:03,190 --> 00:34:01,039  
hard to beat

934  
00:34:05,029 --> 00:34:03,200  
that glass will be it's laughably simple

935  
00:34:07,830 --> 00:34:05,039  
but it

936  
00:34:09,909 --> 00:34:07,840  
funny it it's this dinosaur made by

937  
00:34:12,629 --> 00:34:09,919  
actual anthropologists

938  
00:34:14,230 --> 00:34:12,639

looks like the sleeve stack from uh the

939

00:34:15,909 --> 00:34:14,240

land of the lost remember that

940

00:34:17,829 --> 00:34:15,919

you ever see that when you're okay

941

00:34:18,829 --> 00:34:17,839

that's a little before my time in the

942

00:34:22,869 --> 00:34:18,839

80s but

943

00:34:25,109 --> 00:34:22,879

um you know it's funny as far as culture

944

00:34:26,069 --> 00:34:25,119

and depicting reptilian humanoids

945

00:34:28,470 --> 00:34:26,079

there's been

946

00:34:30,710 --> 00:34:28,480

such an explosion of that video game

947

00:34:34,550 --> 00:34:30,720

modern games like mass effect

948

00:34:35,510 --> 00:34:34,560

skyrim and all these movies and tv shows

949

00:34:38,310 --> 00:34:35,520

i was impressed

950

00:34:39,909 --> 00:34:38,320

you know the conan o'brien tv production

951

00:34:41,510 --> 00:34:39,919

show they made a sitcom

952

00:34:43,349 --> 00:34:41,520

two seasons called people of earth i

953

00:34:45,349 --> 00:34:43,359

think it was on tvs and then it went

954

00:34:47,270 --> 00:34:45,359

somewhere else yeah it was about people

955

00:34:47,990 --> 00:34:47,280

yeah it was about people going to ufo

956

00:34:51,190 --> 00:34:48,000

conferences

957

00:34:52,149 --> 00:34:51,200

and stuff right they had reptilians at

958

00:34:53,990 --> 00:34:52,159

grains they had

959

00:34:55,270 --> 00:34:54,000

nordics i mean they did their research

960

00:34:57,030 --> 00:34:55,280

they even did their research on like

961

00:34:58,790 --> 00:34:57,040

screen memories like uh

962

00:35:00,150 --> 00:34:58,800

how aliens would you know take you into

963

00:35:01,990 --> 00:35:00,160

this room on the ship

964

00:35:03,829 --> 00:35:02,000

and sit you in the front seat look at

965

00:35:05,030 --> 00:35:03,839

look like a car and then drug you and

966

00:35:06,069 --> 00:35:05,040

make you think you got in the car

967

00:35:08,470 --> 00:35:06,079

accident

968

00:35:09,670 --> 00:35:08,480

they whoever wrote that actually sat

969

00:35:12,150 --> 00:35:09,680

there

970

00:35:14,150 --> 00:35:12,160

and did research before they would which

971

00:35:14,950 --> 00:35:14,160

is is better than like the x-files in

972

00:35:17,030 --> 00:35:14,960

its prime

973

00:35:17,990 --> 00:35:17,040

which was just making up the most

974

00:35:19,190 --> 00:35:18,000

ridiculous

975

00:35:21,190 --> 00:35:19,200

stuff that nothing to do with

976  
00:35:22,150 --> 00:35:21,200  
productions nothing to do with anything

977  
00:35:23,670 --> 00:35:22,160  
recorded

978  
00:35:26,390 --> 00:35:23,680  
and to this day that's where we get like

979  
00:35:27,990 --> 00:35:26,400  
the black goo all this ai black goo

980  
00:35:29,670 --> 00:35:28,000  
stuff that came from the x-files yeah

981  
00:35:30,710 --> 00:35:29,680  
that was an episode of x-files i always

982  
00:35:33,670 --> 00:35:30,720  
thought that was funny

983  
00:35:34,150 --> 00:35:33,680  
and and and basically i i know of at

984  
00:35:37,589 --> 00:35:34,160  
least

985  
00:35:39,589 --> 00:35:37,599  
two or maybe three people that took that

986  
00:35:41,510 --> 00:35:39,599  
a you know the ai black move from the

987  
00:35:44,470 --> 00:35:41,520  
x-files and then they used

988  
00:35:45,670 --> 00:35:44,480

like portions of wolverine origins when

989

00:35:48,150 --> 00:35:45,680

he was in the tank and

990

00:35:48,950 --> 00:35:48,160

injected with the adamantium thing you

991

00:35:50,470 --> 00:35:48,960

know they like

992

00:35:54,550 --> 00:35:50,480

mixed the two of them up for their

993

00:35:59,430 --> 00:35:57,190

well i mean i've had like i talked about

994

00:36:00,310 --> 00:35:59,440

my last experience i've had my lab

995

00:36:03,190 --> 00:36:00,320

experiences

996

00:36:04,630 --> 00:36:03,200

where i was worked on but certainly

997

00:36:09,030 --> 00:36:04,640

there was no black goo

998

00:36:11,910 --> 00:36:09,040

or texas tea or black gold um

999

00:36:12,710 --> 00:36:11,920

but i actually you know my kind of

1000

00:36:16,950 --> 00:36:12,720

lifetime

1001  
00:36:18,630 --> 00:36:16,960  
of colorblindness my color deficit

1002  
00:36:20,150 --> 00:36:18,640  
your mild color blindness and like a lot

1003  
00:36:22,150 --> 00:36:20,160  
of people

1004  
00:36:24,470 --> 00:36:22,160  
i didn't find out it's like my early 20s

1005  
00:36:25,510 --> 00:36:24,480  
and you know you get a carbine test like

1006  
00:36:28,470 --> 00:36:25,520  
trying to find the police and you're

1007  
00:36:29,910 --> 00:36:28,480  
like i'm how could i be colorblind a lot

1008  
00:36:31,430 --> 00:36:29,920  
of colorblind people say the same thing

1009  
00:36:32,790 --> 00:36:31,440  
the ones who are mild to colorblind

1010  
00:36:34,150 --> 00:36:32,800  
because you don't notice

1011  
00:36:36,790 --> 00:36:34,160  
mild because you can see the whole

1012  
00:36:39,190 --> 00:36:36,800  
rainbow of colors they're just dull

1013  
00:36:40,870 --> 00:36:39,200

and then you know a couple years ago

1014

00:36:43,430 --> 00:36:40,880

suddenly i'm seeing colors

1015

00:36:45,030 --> 00:36:43,440

totally differently like and i'm really

1016

00:36:47,190 --> 00:36:45,040

sensitive to light

1017

00:36:48,470 --> 00:36:47,200

but of course i lean pretty skeptical

1018

00:36:50,870 --> 00:36:48,480

despite my abductions

1019

00:36:52,310 --> 00:36:50,880

so i convinced myself you know what with

1020

00:36:53,910 --> 00:36:52,320

maturity i'm probably just

1021

00:36:55,430 --> 00:36:53,920

appreciating color more i'm kind of a

1022

00:36:57,270 --> 00:36:55,440

more mature adult

1023

00:36:58,870 --> 00:36:57,280

so i just appreciate it more you know

1024

00:37:00,470 --> 00:36:58,880

and then finally go to the doctor

1025

00:37:02,150 --> 00:37:00,480

because i'm getting this horrible pink

1026  
00:37:03,910 --> 00:37:02,160  
eye and ever since then by the way i get

1027  
00:37:04,550 --> 00:37:03,920  
pink guy twice a year now thanks to

1028  
00:37:07,990 --> 00:37:04,560  
whatever they

1029  
00:37:08,950 --> 00:37:08,000  
did in my eyes um and i find out you

1030  
00:37:11,829 --> 00:37:08,960  
know they give me uh

1031  
00:37:13,670 --> 00:37:11,839  
i get the full america's best eye health

1032  
00:37:15,270 --> 00:37:13,680  
checkup it's like another you know 60 or

1033  
00:37:16,950 --> 00:37:15,280  
70 dollars for all these tests and they

1034  
00:37:18,150 --> 00:37:16,960  
give me the color the color vision test

1035  
00:37:19,430 --> 00:37:18,160  
i'm like i don't need to take this like

1036  
00:37:20,230 --> 00:37:19,440  
i need to tell you i'm partially color

1037  
00:37:23,430 --> 00:37:20,240  
blind

1038  
00:37:26,710 --> 00:37:23,440

and i pass it i got like a 95 or

1039

00:37:27,670 --> 00:37:26,720

whatever something around 90 and like

1040

00:37:30,069 --> 00:37:27,680

before i couldn't

1041

00:37:31,589 --> 00:37:30,079

i get like a 30 every time i'm like okay

1042

00:37:33,670 --> 00:37:31,599

you must give me the test run i'll go

1043

00:37:35,270 --> 00:37:33,680

home i'll do it again i'll find out

1044

00:37:37,349 --> 00:37:35,280

and i'm like holy crap this would

1045

00:37:37,990 --> 00:37:37,359

explain why i was seeing colors more

1046

00:37:40,150 --> 00:37:38,000

vividly

1047

00:37:41,430 --> 00:37:40,160

it's not because i'm more mature and you

1048

00:37:44,790 --> 00:37:41,440

know just more

1049

00:37:46,390 --> 00:37:44,800

sophisticated with age i literally

1050

00:37:49,030 --> 00:37:46,400

my eyes were all good whatever treatment

1051  
00:37:51,109 --> 00:37:49,040  
they gave me and as far as you talked to

1052  
00:37:53,829 --> 00:37:51,119  
being at a show doing research

1053  
00:37:55,109 --> 00:37:53,839  
you know darpa has outright said there's

1054  
00:37:56,870 --> 00:37:55,119  
articles they want to

1055  
00:37:59,030 --> 00:37:56,880  
do things like see if they can give

1056  
00:38:00,470 --> 00:37:59,040  
soldiers cat dna for their eyes to give

1057  
00:38:03,270 --> 00:38:00,480  
a natural night vision

1058  
00:38:04,310 --> 00:38:03,280  
or genetically alter soldiers eyes and i

1059  
00:38:07,349 --> 00:38:04,320  
sent you an article

1060  
00:38:08,710 --> 00:38:07,359  
um actually you got a lot of stuff but

1061  
00:38:10,470 --> 00:38:08,720  
there's something that just came out a

1062  
00:38:12,630 --> 00:38:10,480  
couple weeks ago which is pretty soon

1063  
00:38:14,390 --> 00:38:12,640

there'll be a superhero vaccine

1064

00:38:17,589 --> 00:38:14,400

alex jones just you know had a meltdown

1065

00:38:19,430 --> 00:38:17,599

about this uh where you like go to cvs

1066

00:38:20,870 --> 00:38:19,440

and they within a few years and they

1067

00:38:23,750 --> 00:38:20,880

inject you and it gives you

1068

00:38:24,230 --> 00:38:23,760

athlete dna for your heart athlete dna

1069

00:38:26,470 --> 00:38:24,240

for

1070

00:38:27,670 --> 00:38:26,480

you know different parts of your body

1071

00:38:29,990 --> 00:38:27,680

and it's like

1072

00:38:31,349 --> 00:38:30,000

okay well i did read something about

1073

00:38:34,150 --> 00:38:31,359

this but i don't know

1074

00:38:34,550 --> 00:38:34,160

like how you know is this a real thing i

1075

00:38:36,470 --> 00:38:34,560

mean

1076  
00:38:37,990 --> 00:38:36,480  
it's supposed to be and they're talking

1077  
00:38:38,870 --> 00:38:38,000  
about it but it doesn't mean it's like

1078  
00:38:41,349 --> 00:38:38,880  
ready to roll

1079  
00:38:42,710 --> 00:38:41,359  
out right but i've heard mentioning

1080  
00:38:43,750 --> 00:38:42,720  
things like this just like i've heard

1081  
00:38:45,109 --> 00:38:43,760  
mentioned

1082  
00:38:47,109 --> 00:38:45,119  
just like i've heard mention of people

1083  
00:38:47,829 --> 00:38:47,119  
getting blood transfusions from young

1084  
00:38:49,829 --> 00:38:47,839  
people

1085  
00:38:50,950 --> 00:38:49,839  
when they're when they're old like old

1086  
00:38:54,710 --> 00:38:50,960  
rich people will

1087  
00:38:55,829 --> 00:38:54,720  
get blood transfusions from young

1088  
00:38:57,750 --> 00:38:55,839

healthy people

1089

00:39:00,870 --> 00:38:57,760

and i don't think that's a conspiracy

1090

00:39:02,550 --> 00:39:00,880

theory because i've i think that's

1091

00:39:05,910 --> 00:39:02,560

for real i don't know about this other

1092

00:39:08,310 --> 00:39:05,920

thing yet but it wouldn't surprise me

1093

00:39:10,310 --> 00:39:08,320

yeah i mean peter thiel yeah he's got

1094

00:39:11,190 --> 00:39:10,320

his they make fun of it at silicon

1095

00:39:14,470 --> 00:39:11,200

valley uh

1096

00:39:16,550 --> 00:39:14,480

that he actively wants to buy young

1097

00:39:17,589 --> 00:39:16,560

people's blood so he can transfuse it

1098

00:39:21,190 --> 00:39:17,599

into himself

1099

00:39:22,870 --> 00:39:21,200

it's gruesome as hell but um the

1100

00:39:24,310 --> 00:39:22,880

i think the whole evidence behind this

1101

00:39:25,270 --> 00:39:24,320

this is our article it came out in

1102

00:39:28,230 --> 00:39:25,280

december

1103

00:39:29,109 --> 00:39:28,240

that um our own defense department or

1104

00:39:32,150 --> 00:39:29,119

the dni

1105

00:39:33,910 --> 00:39:32,160

uh defense that way

1106

00:39:35,829 --> 00:39:33,920

that was actually but if you google

1107

00:39:38,310 --> 00:39:35,839

chinese super soldiers

1108

00:39:40,310 --> 00:39:38,320

our own military expense said look china

1109

00:39:42,069 --> 00:39:40,320

is doing experiments right now

1110

00:39:43,750 --> 00:39:42,079

with their soldiers genetically using

1111

00:39:45,190 --> 00:39:43,760

crispr type treatments

1112

00:39:46,790 --> 00:39:45,200

they're doing basically doing super

1113

00:39:48,870 --> 00:39:46,800

soldier experiments right now

1114

00:39:50,230 --> 00:39:48,880

and there's somebody huge fit about it

1115

00:39:52,069 --> 00:39:50,240

they're all you know we're acting really

1116

00:39:54,950 --> 00:39:52,079

angry about it but

1117

00:39:55,990 --> 00:39:54,960

if that's true then they're using what

1118

00:39:57,750 --> 00:39:56,000

we what scientists

1119

00:39:59,829 --> 00:39:57,760

know internationally about you know the

1120

00:40:02,630 --> 00:39:59,839

best optimum optimum you know

1121

00:40:04,630 --> 00:40:02,640

olympic athlete type dna so of course

1122

00:40:06,550 --> 00:40:04,640

our own government having access

1123

00:40:08,309 --> 00:40:06,560

you know in secret operations to alien

1124

00:40:11,510 --> 00:40:08,319

dna that's the only way

1125

00:40:13,190 --> 00:40:11,520

you get one notch above whatever athlete

1126

00:40:16,710 --> 00:40:13,200

dna they're going to give to

1127

00:40:17,430 --> 00:40:16,720

most chinese soldiers so it kind of

1128

00:40:19,910 --> 00:40:17,440

gives them the

1129

00:40:21,510 --> 00:40:19,920

motivation to do those types of

1130

00:40:22,309 --> 00:40:21,520

experiments or like what happened to me

1131

00:40:25,510 --> 00:40:22,319

and that my lab

1132

00:40:27,589 --> 00:40:25,520

altered my eyes um and

1133

00:40:29,510 --> 00:40:27,599

i've i had another i did have a

1134

00:40:32,230 --> 00:40:29,520

treatment like i discussed last time

1135

00:40:35,510 --> 00:40:33,589

and i don't want to retread the whole

1136

00:40:36,710 --> 00:40:35,520

thing you watch the first video i go

1137

00:40:39,109 --> 00:40:36,720

into detail

1138

00:40:40,790 --> 00:40:39,119

but they also gave me a treatment for my

1139

00:40:45,270 --> 00:40:40,800

major muscle groups

1140

00:40:49,270 --> 00:40:45,280

like a stem cell transplant essentially

1141

00:40:53,030 --> 00:40:49,280

which reduces pain reduces fatigue

1142

00:40:54,710 --> 00:40:53,040

and it's important it's crazy this stuff

1143

00:40:55,990 --> 00:40:54,720

sounds it's important for me to get this

1144

00:40:56,550 --> 00:40:56,000

out there because i do believe there'll

1145

00:40:58,870 --> 00:40:56,560

be

1146

00:41:00,230 --> 00:40:58,880

other people reporting this other events

1147

00:41:01,910 --> 00:41:00,240

especially in the special forces

1148

00:41:02,950 --> 00:41:01,920

communities other people who are you

1149

00:41:05,030 --> 00:41:02,960

know pilots

1150

00:41:07,030 --> 00:41:05,040

it's one thing i got from this day one

1151

00:41:08,069 --> 00:41:07,040

they really want to use this for pilots

1152

00:41:11,430 --> 00:41:08,079

as well as

1153

00:41:13,589 --> 00:41:11,440

helicopter pilots jet pilots you name it

1154

00:41:15,030 --> 00:41:13,599

because the idea is if you have a really

1155

00:41:16,870 --> 00:41:15,040

hard crash

1156

00:41:18,309 --> 00:41:16,880

you're going to feel less you know less

1157

00:41:22,069 --> 00:41:18,319

pain you can still break a bone or

1158

00:41:25,990 --> 00:41:24,630

you're basically creating a whole army

1159

00:41:27,670 --> 00:41:26,000

of tony montana's

1160

00:41:29,670 --> 00:41:27,680

weather streaming wolverine's definitely

1161

00:41:33,030 --> 00:41:29,680

tony montana which is

1162

00:41:34,390 --> 00:41:33,040

scarier in some senses without the

1163

00:41:37,829 --> 00:41:34,400

cocaine you know

1164

00:41:41,030 --> 00:41:37,839

um well that's not fun

1165

00:41:43,510 --> 00:41:41,040

great so i think the truth

1166

00:41:45,349 --> 00:41:43,520

and i you know i i i you look at

1167

00:41:48,390 --> 00:41:45,359

channels like super soldier talk

1168

00:41:50,390 --> 00:41:48,400

i i think some of that is influenced by

1169

00:41:52,630 --> 00:41:50,400

agriculture like suddenly everyone on

1170

00:41:54,870 --> 00:41:52,640

there is is a hulk

1171

00:41:56,150 --> 00:41:54,880

you know michael jack all these things

1172

00:41:57,190 --> 00:41:56,160

they're all remembering that they're hot

1173

00:42:00,829 --> 00:41:57,200

that they're hulking

1174

00:42:03,190 --> 00:42:00,839

out they're hulking out too

1175

00:42:05,190 --> 00:42:03,200

yeah but this is like the worst thing

1176  
00:42:05,430 --> 00:42:05,200  
even if you have that technology which i

1177  
00:42:11,190 --> 00:42:05,440  
i

1178  
00:42:12,710 --> 00:42:11,200  
you you don't want to make someone

1179  
00:42:14,950 --> 00:42:12,720  
bigger on the battlefield

1180  
00:42:16,950 --> 00:42:14,960  
they're just a target i mean ever since

1181  
00:42:18,309 --> 00:42:16,960  
be david and goliath you know if you're

1182  
00:42:20,069 --> 00:42:18,319  
bigger and noticeable you're just going

1183  
00:42:20,950 --> 00:42:20,079  
to attract more projectiles flying at

1184  
00:42:24,230 --> 00:42:20,960  
you

1185  
00:42:25,990 --> 00:42:24,240  
but secondly it's

1186  
00:42:27,270 --> 00:42:26,000  
it's one of those things that's so

1187  
00:42:29,270 --> 00:42:27,280  
obviously

1188  
00:42:31,349 --> 00:42:29,280

influenced by popular culture and not

1189

00:42:33,349 --> 00:42:31,359

really consistent with

1190

00:42:35,430 --> 00:42:33,359

you know people who've had my labs and

1191

00:42:39,109 --> 00:42:35,440

had experiences like that

1192

00:42:41,750 --> 00:42:39,119

and not in my experience either and i

1193

00:42:43,510 --> 00:42:41,760

there is yeah this contamination effect

1194

00:42:44,710 --> 00:42:43,520

of popular culture that influences

1195

00:42:46,630 --> 00:42:44,720

people

1196

00:42:49,670 --> 00:42:46,640

and i'll tell you when i had that

1197

00:42:52,150 --> 00:42:49,680

procedure with the with these sheets of

1198

00:42:54,710 --> 00:42:52,160

muscle that they transplant into me i

1199

00:42:56,550 --> 00:42:54,720

had never seen that in any movie in fact

1200

00:42:58,630 --> 00:42:56,560

after i woke up after i proceeded wait a

1201  
00:43:00,309 --> 00:42:58,640  
minute you cannot transplant muscle

1202  
00:43:01,430 --> 00:43:00,319  
that's stupid i've never heard of that

1203  
00:43:03,510 --> 00:43:01,440  
i've never seen that

1204  
00:43:05,750 --> 00:43:03,520  
i google it and i find out oh military

1205  
00:43:08,550 --> 00:43:05,760  
five years ago was taking

1206  
00:43:10,470 --> 00:43:08,560  
pig bladder muscle reconditioning in the

1207  
00:43:12,309 --> 00:43:10,480  
sheets just like i saw

1208  
00:43:14,230 --> 00:43:12,319  
and then putting it on the troops who

1209  
00:43:17,109 --> 00:43:14,240  
have had gashes of muscle taken out by

1210  
00:43:19,349 --> 00:43:17,119  
water fire or gunfire and within the day

1211  
00:43:21,109 --> 00:43:19,359  
their mobility is is like fully backed

1212  
00:43:23,030 --> 00:43:21,119  
normal i'm like

1213  
00:43:24,630 --> 00:43:23,040

but subconsciously i didn't know you

1214

00:43:29,500 --> 00:43:24,640

could transplant muscle before that

1215

00:43:32,790 --> 00:43:30,790

[Applause]

1216

00:43:33,829 --> 00:43:32,800

if muscle transplants are true all these

1217

00:43:35,589 --> 00:43:33,839

people who are at the gym you know

1218

00:43:37,670 --> 00:43:35,599

injecting steroids to just go to mexico

1219

00:43:40,069 --> 00:43:37,680

and get the muscle transplant but it's

1220

00:43:42,550 --> 00:43:40,079

like it's really like a sheet they put

1221

00:43:44,069 --> 00:43:42,560

over it and it melts into it with the um

1222

00:43:46,390 --> 00:43:44,079

with the stem cells and you can look it

1223

00:43:48,069 --> 00:43:46,400

up look at pig bladder military

1224

00:43:49,829 --> 00:43:48,079

muscle and you'll see the procedure how

1225

00:43:51,109 --> 00:43:49,839

they do it it's crazy to imagine taking

1226

00:43:53,589 --> 00:43:51,119

a pig's bladder

1227

00:43:54,870 --> 00:43:53,599

they recondition it somehow they open

1228

00:43:56,630 --> 00:43:54,880

you up they put on the muscle it

1229

00:43:58,230 --> 00:43:56,640

dissolves into it and

1230

00:44:00,230 --> 00:43:58,240

this big room you have your muscles

1231

00:44:02,470 --> 00:44:00,240

fixed it sounds like

1232

00:44:03,990 --> 00:44:02,480

it's ridiculous but it works and i think

1233

00:44:06,309 --> 00:44:04,000

one of the reasons it works is they are

1234

00:44:07,750 --> 00:44:06,319

using it that is alien tech because it's

1235

00:44:09,510 --> 00:44:07,760

such a jump from what

1236

00:44:11,430 --> 00:44:09,520

anyone in biology would know and it

1237

00:44:13,990 --> 00:44:11,440

works so seamlessly and so quickly it

1238

00:44:16,230 --> 00:44:14,000

just sounds very suspicious that they

1239

00:44:17,750 --> 00:44:16,240

did something that you know like all

1240

00:44:18,950 --> 00:44:17,760

this genetic alteration they're talking

1241

00:44:19,510 --> 00:44:18,960

about right now what they're doing in

1242

00:44:21,109 --> 00:44:19,520

china

1243

00:44:22,550 --> 00:44:21,119

what they're talking about doing here

1244

00:44:23,829 --> 00:44:22,560

you know go to cds

1245

00:44:25,750 --> 00:44:23,839

you know just get your superhero

1246

00:44:28,470 --> 00:44:25,760

vaccination this is

1247

00:44:30,870 --> 00:44:28,480

some of this is alien because changing

1248

00:44:32,309 --> 00:44:30,880

dna isn't supposed to be that easy

1249

00:44:33,670 --> 00:44:32,319

it really it's really not i know we have

1250

00:44:34,829 --> 00:44:33,680

crispr even looking at it for about

1251  
00:44:38,230 --> 00:44:34,839  
10-15 years

1252  
00:44:39,430 --> 00:44:38,240  
suddenly it's getting like a bad sci-fi

1253  
00:44:42,309 --> 00:44:39,440  
movie because they're actually

1254  
00:44:42,950 --> 00:44:42,319  
able to do it i do think this is alien

1255  
00:44:48,950 --> 00:44:42,960  
they

1256  
00:44:50,309 --> 00:44:48,960  
you know 20 years ago a biology teacher

1257  
00:44:51,750 --> 00:44:50,319  
would told you it's ridiculous and now

1258  
00:44:53,750 --> 00:44:51,760  
they're doing it

1259  
00:44:55,270 --> 00:44:53,760  
um well isn't that short changing the

1260  
00:44:58,550 --> 00:44:55,280  
human race though when people

1261  
00:45:00,230 --> 00:44:58,560  
you know say that it's kind of like

1262  
00:45:02,470 --> 00:45:00,240  
it's kind of like the people who say

1263  
00:45:03,750 --> 00:45:02,480

well uh aliens how to help

1264

00:45:05,589 --> 00:45:03,760

build the pyramids because there's no

1265

00:45:07,750 --> 00:45:05,599

way humans could have done it you know

1266

00:45:09,510 --> 00:45:07,760

it's kind of short changing humanity you

1267

00:45:11,589 --> 00:45:09,520

don't have faith that like

1268

00:45:13,109 --> 00:45:11,599

medical technology just evolves over

1269

00:45:15,349 --> 00:45:13,119

time and maybe they made some

1270

00:45:19,829 --> 00:45:15,359

breakthroughs in 20 or 30 years since

1271

00:45:23,030 --> 00:45:19,839

old technology was in widespread use

1272

00:45:23,670 --> 00:45:23,040

uh well there's just certain like tropes

1273

00:45:26,150 --> 00:45:23,680

they have

1274

00:45:27,990 --> 00:45:26,160

in sci-fi and comic books and movies

1275

00:45:29,750 --> 00:45:28,000

that are they're always kind of

1276

00:45:31,430 --> 00:45:29,760

just kind of ridiculous you know every

1277

00:45:34,309 --> 00:45:31,440

time someone has a lab accident

1278

00:45:34,630 --> 00:45:34,319

suddenly they're like a one-man army you

1279

00:45:36,870 --> 00:45:34,640

know

1280

00:45:38,870 --> 00:45:36,880

it's like that in the marvel movies like

1281

00:45:40,870 --> 00:45:38,880

there's 20 different ways

1282

00:45:42,470 --> 00:45:40,880

to become bulletproof and have the

1283

00:45:44,150 --> 00:45:42,480

strength of 100 people

1284

00:45:45,829 --> 00:45:44,160

you know you slip on a banana peel

1285

00:45:48,550 --> 00:45:45,839

doesn't matter there's a hundred ways

1286

00:45:51,270 --> 00:45:48,560

for it to happen and it's like uh

1287

00:45:53,109 --> 00:45:51,280

you know you get kind of skeptical and

1288

00:45:54,630 --> 00:45:53,119

also just my own experience of like

1289

00:45:56,230 --> 00:45:54,640

trying to supplement some things and

1290

00:45:57,589 --> 00:45:56,240

i've never did steroids or anything but

1291

00:45:58,470 --> 00:45:57,599

i'm taking you know the workout

1292

00:46:00,710 --> 00:45:58,480

supplements and

1293

00:46:02,950 --> 00:46:00,720

all of them have side effects i'll tell

1294

00:46:05,349 --> 00:46:02,960

you since they altered my eyes

1295

00:46:06,870 --> 00:46:05,359

i didn't get pink i think i maybe once

1296

00:46:08,150 --> 00:46:06,880

when i was seven one time barely

1297

00:46:09,750 --> 00:46:08,160

remember it but since they

1298

00:46:11,589 --> 00:46:09,760

they you know did the thing in my eyes

1299

00:46:13,349 --> 00:46:11,599

it gives me boosted night vision and

1300

00:46:13,990 --> 00:46:13,359

light sensitive but also restore my

1301

00:46:16,950 --> 00:46:14,000

color vision

1302

00:46:18,230 --> 00:46:16,960

as a side effect i now get pink eye

1303

00:46:20,470 --> 00:46:18,240

twice a day a year

1304

00:46:21,990 --> 00:46:20,480

it is awful i mean it is like getting

1305

00:46:23,510 --> 00:46:22,000

stabbed in the eye it's not allergic

1306

00:46:25,670 --> 00:46:23,520

it's full blown pink eye

1307

00:46:27,670 --> 00:46:25,680

so whatever they did genetically for my

1308

00:46:30,069 --> 00:46:27,680

eyes they're not more

1309

00:46:31,670 --> 00:46:30,079

vulnerable back the bacterial infection

1310

00:46:33,270 --> 00:46:31,680

which tells me it wasn't just an

1311

00:46:35,109 --> 00:46:33,280

alteration of the optic nerve that

1312

00:46:38,230 --> 00:46:35,119

targeted like one gene

1313

00:46:40,710 --> 00:46:38,240

they probably did something you know

1314

00:46:41,270 --> 00:46:40,720

aliens grafted some alien genetics in

1315

00:46:43,109 --> 00:46:41,280

there

1316

00:46:44,630 --> 00:46:43,119

which again sounds like why the military

1317

00:46:46,870 --> 00:46:44,640

do that because

1318

00:46:48,069 --> 00:46:46,880

you got the chinese they're going to be

1319

00:46:49,750 --> 00:46:48,079

using

1320

00:46:51,589 --> 00:46:49,760

again look this up chinese super

1321

00:46:52,870 --> 00:46:51,599

soldiers and i'm not bashing china i'm

1322

00:46:54,470 --> 00:46:52,880

just saying if you're in the military

1323

00:46:56,710 --> 00:46:54,480

like okay how do we get one step above

1324

00:46:59,430 --> 00:46:56,720

these guys oh we've got these

1325

00:47:01,750 --> 00:46:59,440

alien labs alien tech that's how you get

1326

00:47:05,030 --> 00:47:01,760

one step above them

1327

00:47:05,670 --> 00:47:05,040

and well i do know there's been crazy

1328

00:47:07,670 --> 00:47:05,680

research

1329

00:47:09,030 --> 00:47:07,680

into creating super soldiers did you

1330

00:47:12,630 --> 00:47:09,040

know that stalin

1331

00:47:13,030 --> 00:47:12,640

and and the soviet union experimented

1332

00:47:19,030 --> 00:47:13,040

with

1333

00:47:19,750 --> 00:47:19,040

human hybrids that they would use as

1334

00:47:20,950 --> 00:47:19,760

soldiers

1335

00:47:22,790 --> 00:47:20,960

because of the strength of the

1336

00:47:25,910 --> 00:47:22,800

chimpanzees

1337

00:47:28,470 --> 00:47:25,920

yes that's right that was a crazy story

1338

00:47:29,349 --> 00:47:28,480

and it's real they tried to do that they

1339

00:47:32,390 --> 00:47:29,359

tried to create

1340

00:47:35,510 --> 00:47:32,400

a human chimpanzee hybrid

1341

00:47:37,829 --> 00:47:35,520

to use as a soldier

1342

00:47:39,589 --> 00:47:37,839

well it's funny there there's another

1343

00:47:41,670 --> 00:47:39,599

reptilian advocate

1344

00:47:43,270 --> 00:47:41,680

who did fantastic artwork his own

1345

00:47:46,549 --> 00:47:43,280

website wrote a great book

1346

00:47:48,309 --> 00:47:46,559

of experiences his name is ken bakeman

1347

00:47:50,150 --> 00:47:48,319

and i'm sure people brought into him he

1348

00:47:51,829 --> 00:47:50,160

disappeared from here that years getting

1349

00:47:53,510 --> 00:47:51,839

harassed by too many people harassed by

1350

00:47:55,910 --> 00:47:53,520

the government harassed by uh

1351

00:47:57,670 --> 00:47:55,920

bureaus and you know he's a manager like

1352

00:48:01,270 --> 00:47:57,680

a home depot he's like you know what

1353

00:48:03,030 --> 00:48:01,280

now with this and i don't blame him um

1354

00:48:05,190 --> 00:48:03,040

he's a very very downgraded guy but he

1355

00:48:06,870 --> 00:48:05,200

had lots of reptilian experiences and

1356

00:48:07,990 --> 00:48:06,880

reptilians who are pretty pushy with

1357

00:48:08,549 --> 00:48:08,000

them because you're like hey look you're

1358

00:48:12,390 --> 00:48:08,559

from this

1359

00:48:14,710 --> 00:48:12,400

bloodline these here reptilians do this

1360

00:48:16,549 --> 00:48:14,720

with so many advocates you're like hey

1361

00:48:17,910 --> 00:48:16,559

here's where your bloodline started

1362

00:48:20,870 --> 00:48:17,920

you're kind of you know

1363

00:48:22,230 --> 00:48:20,880

you know you kind of owe us and you

1364

00:48:25,190 --> 00:48:22,240

can't fight it and

1365

00:48:27,670 --> 00:48:25,200

but he had experience in northeastern

1366

00:48:30,630 --> 00:48:27,680

california he was taken to

1367

00:48:33,190 --> 00:48:30,640

this ranch it's called the modoc plateau

1368

00:48:35,190 --> 00:48:33,200

region up there in northeast california

1369

00:48:37,510 --> 00:48:35,200

and it was a certain you know palatial

1370

00:48:40,309 --> 00:48:37,520

mansion type state

1371

00:48:41,910 --> 00:48:40,319

and it was mostly humans the cover also

1372

00:48:43,510 --> 00:48:41,920

was there's an ostrich farm on the

1373

00:48:46,230 --> 00:48:43,520

property

1374

00:48:48,069 --> 00:48:46,240

but this was owned by a draco reptilian

1375

00:48:49,829 --> 00:48:48,079

there was a full full

1376

00:48:52,069 --> 00:48:49,839

you know albino like knight foot trick

1377

00:48:53,910 --> 00:48:52,079

or reptilian there he had lots of human

1378

00:48:57,750 --> 00:48:53,920

you know henchmen around to help run the

1379

00:49:03,270 --> 00:49:00,870

back up here so wait there's a ranch

1380

00:49:05,510 --> 00:49:03,280

that a white draco reptilian

1381

00:49:05,990 --> 00:49:05,520

nine-foot-tall alien owns and he has

1382

00:49:09,990 --> 00:49:06,000

human

1383

00:49:11,990 --> 00:49:10,000

underlings yeah including the sheriff

1384

00:49:13,990 --> 00:49:12,000

who you know he basically it's one of

1385

00:49:15,430 --> 00:49:14,000

those smaller towns where he get

1386

00:49:17,270 --> 00:49:15,440

lots of influence on the area

1387

00:49:21,510 --> 00:49:17,280

financially and

1388

00:49:25,510 --> 00:49:21,520

it's funny because his under boss

1389

00:49:29,190 --> 00:49:25,520

literally would wear an iron cross

1390

00:49:30,950 --> 00:49:29,200

like a bolo tie at work as the sheriff

1391

00:49:33,109 --> 00:49:30,960

which is really in your face like but

1392

00:49:35,270 --> 00:49:33,119

then again some of these small towns

1393

00:49:37,030 --> 00:49:35,280

you know i mean i've watched enough

1394

00:49:39,030 --> 00:49:37,040

dateline and true crime shows to know

1395

00:49:41,430 --> 00:49:39,040

smackdowns get pretty weird

1396

00:49:43,030 --> 00:49:41,440

um not usually with our billions but

1397

00:49:44,150 --> 00:49:43,040

there's your thing about this this draco

1398

00:49:45,750 --> 00:49:44,160

reptilian

1399

00:49:47,349 --> 00:49:45,760

you know he clearly was alive in the

1400

00:49:48,950 --> 00:49:47,359

19th century

1401

00:49:50,390 --> 00:49:48,960

he had the lever action rightfully

1402

00:49:52,230 --> 00:49:50,400

carried with him everywhere in his

1403

00:49:55,430 --> 00:49:52,240

bandolier of ammo and

1404

00:49:56,870 --> 00:49:55,440

he wore sombrero um which makes sense i

1405

00:50:00,150 --> 00:49:56,880

guess if you're sensitive the sun

1406

00:50:01,910 --> 00:50:00,160

but that shows he probably you know had

1407

00:50:03,589 --> 00:50:01,920

some kind of involvement with mexico or

1408

00:50:06,069 --> 00:50:03,599

mexican blood or maybe the indians or

1409

00:50:09,430 --> 00:50:06,079

the aztecs or god knows what else

1410

00:50:12,150 --> 00:50:09,440

but the point i'm getting to is this

1411

00:50:13,349 --> 00:50:12,160

was a breedery this ranch double as a

1412

00:50:15,990 --> 00:50:13,359

breedery

1413

00:50:16,710 --> 00:50:16,000

that would sell eggs to our own military

1414

00:50:20,309 --> 00:50:16,720

and they would take

1415

00:50:22,870 --> 00:50:20,319

apathies in you know milk you for

1416

00:50:25,430 --> 00:50:22,880

reproductive fluid essentially

1417

00:50:26,470 --> 00:50:25,440

and they had females on premises that

1418

00:50:29,670 --> 00:50:26,480

they would

1419

00:50:33,670 --> 00:50:29,680

you know with the turkey baster um yeah

1420

00:50:36,710 --> 00:50:33,680

i'm trying i'm trying to keep it pg here

1421

00:50:40,790 --> 00:50:36,720

not doing great but um

1422

00:50:42,790 --> 00:50:40,800

getting to the point this was this was

1423

00:50:44,790 --> 00:50:42,800

essentially a breeding when they were

1424

00:50:46,549 --> 00:50:44,800

selling eggs to our military as crazy as

1425

00:50:49,190 --> 00:50:46,559

that sounds believe it or not

1426  
00:50:50,710 --> 00:50:49,200  
um so what they're selling they're

1427  
00:50:58,230 --> 00:50:50,720  
selling our military

1428  
00:51:01,349 --> 00:50:59,990  
you'd think like if you mix reptilian

1429  
00:51:04,390 --> 00:51:01,359  
human it would always

1430  
00:51:06,549 --> 00:51:04,400  
these were dinosaur female reptilians

1431  
00:51:07,109 --> 00:51:06,559  
though and there are dinosaur reptilians

1432  
00:51:09,670 --> 00:51:07,119  
here

1433  
00:51:11,030 --> 00:51:09,680  
not a lot of them i'm not talking about

1434  
00:51:14,630 --> 00:51:11,040  
the ones from the uh

1435  
00:51:17,349 --> 00:51:14,640  
the carrie cassidy uh the rep you know

1436  
00:51:18,069 --> 00:51:17,359  
whatever the mark richard but there are

1437  
00:51:19,670 --> 00:51:18,079  
dinosaurs

1438  
00:51:21,270 --> 00:51:19,680

people see why they i mean they

1439

00:51:22,870 --> 00:51:21,280

literally look like like dinosaurs

1440

00:51:24,630 --> 00:51:22,880

i shouldn't say dinosaur i should say

1441

00:51:25,990 --> 00:51:24,640

they're intelligent

1442

00:51:27,670 --> 00:51:26,000

but if you look at it you think oh my

1443

00:51:28,390 --> 00:51:27,680

god that's a freaking you know like a

1444

00:51:30,470 --> 00:51:28,400

dinosaur

1445

00:51:31,990 --> 00:51:30,480

but these ones don't actually they look

1446

00:51:32,790 --> 00:51:32,000

more like an allosaurus or something

1447

00:51:34,309 --> 00:51:32,800

than a raptor

1448

00:51:35,910 --> 00:51:34,319

so i would not call them raptors and

1449

00:51:37,589 --> 00:51:35,920

they're bigger these guys

1450

00:51:39,589 --> 00:51:37,599

these even the females some of the

1451  
00:51:42,790 --> 00:51:39,599  
females are like nine ten feet positive

1452  
00:51:43,670 --> 00:51:42,800  
are not the same race it's good you know

1453  
00:51:47,109 --> 00:51:43,680  
i'm not going to

1454  
00:51:48,390 --> 00:51:47,119  
i'm not you know endorsing the mark

1455  
00:51:49,670 --> 00:51:48,400  
richard story or anything i'm not

1456  
00:51:51,829 --> 00:51:49,680  
attacking it right now

1457  
00:51:53,270 --> 00:51:51,839  
we're not going to go off in that in

1458  
00:51:56,710 --> 00:51:53,280  
that direction here

1459  
00:51:58,950 --> 00:51:56,720  
but um there's

1460  
00:52:00,470 --> 00:51:58,960  
there's another there's another famous

1461  
00:52:01,750 --> 00:52:00,480  
researcher i'm sure you've seen some of

1462  
00:52:03,750 --> 00:52:01,760  
the stuff he does some good

1463  
00:52:06,230 --> 00:52:03,760

good talks james bartley have you heard

1464

00:52:10,630 --> 00:52:06,240

of james bartley yes

1465

00:52:13,750 --> 00:52:10,640

okay he's talked to numerous sabbats

1466

00:52:16,230 --> 00:52:13,760

who have also been part of the breeding

1467

00:52:18,630 --> 00:52:16,240

programs that sell reptilians

1468

00:52:20,470 --> 00:52:18,640

to our military in some cases it's it's

1469

00:52:21,349 --> 00:52:20,480

masonic they're breeding reptilians and

1470

00:52:23,589 --> 00:52:21,359

they sell them

1471

00:52:25,750 --> 00:52:23,599

like your military pays some helmets our

1472

00:52:29,349 --> 00:52:25,760

military pay for it

1473

00:52:30,710 --> 00:52:29,359

and i don't know how that handshake

1474

00:52:32,870 --> 00:52:30,720

you know if there was some member of the

1475

00:52:33,670 --> 00:52:32,880

military who's a mason and he's like hey

1476

00:52:36,630 --> 00:52:33,680

i could you know

1477

00:52:37,910 --> 00:52:36,640

run some uh a back channel and we could

1478

00:52:39,589 --> 00:52:37,920

take some of these reptilians that are

1479

00:52:42,630 --> 00:52:39,599

breeding and we can

1480

00:52:43,910 --> 00:52:42,640

sell them it's

1481

00:52:45,589 --> 00:52:43,920

i mean when you look at human

1482

00:52:47,510 --> 00:52:45,599

trafficking in general look at some of

1483

00:52:49,030 --> 00:52:47,520

the things that go on here overseas

1484

00:52:50,710 --> 00:52:49,040

south america i don't know if it would

1485

00:52:52,390 --> 00:52:50,720

i i don't i shouldn't call human

1486

00:52:53,430 --> 00:52:52,400

trafficking because there it's not

1487

00:52:57,270 --> 00:52:53,440

exactly

1488

00:52:59,910 --> 00:52:57,280

kidnapping or uh you know

1489

00:53:01,670 --> 00:52:59,920

some of the worst the you know more

1490

00:53:03,109 --> 00:53:01,680

malicious aspects of that are really

1491

00:53:06,230 --> 00:53:03,119

present

1492

00:53:11,270 --> 00:53:07,589

this this story is going somewhere

1493

00:53:15,750 --> 00:53:13,990

when he was taking the mansion i mean mr

1494

00:53:16,549 --> 00:53:15,760

absolutely never this mansion set up he

1495

00:53:20,790 --> 00:53:16,559

had you know

1496

00:53:23,589 --> 00:53:20,800

uh like very organized he had a

1497

00:53:24,390 --> 00:53:23,599

gym section for his men he had the

1498

00:53:26,790 --> 00:53:24,400

showers

1499

00:53:28,549 --> 00:53:26,800

and another room so it's like inside he

1500

00:53:30,870 --> 00:53:28,559

almost end up like it was

1501  
00:53:32,470 --> 00:53:30,880  
a barracks or something which i yeah

1502  
00:53:34,150 --> 00:53:32,480  
that's the sort of reptilian mentality

1503  
00:53:35,030 --> 00:53:34,160  
given the mansion they turn it into like

1504  
00:53:38,150 --> 00:53:35,040  
a

1505  
00:53:40,549 --> 00:53:38,160  
but

1506  
00:53:42,710 --> 00:53:40,559  
he had a uh let me take the sip of water

1507  
00:53:47,109 --> 00:53:42,720  
real quick here let me take a sip of

1508  
00:53:52,150 --> 00:53:50,150  
this is a little hot out here

1509  
00:53:54,069 --> 00:53:52,160  
yeah i'm heating up here in my office as

1510  
00:53:58,150 --> 00:53:54,079  
well

1511  
00:54:01,510 --> 00:53:58,160  
yeah it's uh all right so

1512  
00:54:03,270 --> 00:54:01,520  
he's he takes him to his briefing room

1513  
00:54:05,109 --> 00:54:03,280

essentially where he briefs his men you

1514

00:54:06,630 --> 00:54:05,119

know he's got a like a white board a

1515

00:54:10,150 --> 00:54:06,640

chalkboard

1516

00:54:13,589 --> 00:54:10,160

and in that room he this guy

1517

00:54:15,829 --> 00:54:13,599

throughout his mansion has mannequins

1518

00:54:17,349 --> 00:54:15,839

of sort of figures from history like

1519

00:54:18,390 --> 00:54:17,359

hybrid figures from history that he's

1520

00:54:19,910 --> 00:54:18,400

related to

1521

00:54:21,910 --> 00:54:19,920

this is a common thing a trick of

1522

00:54:23,990 --> 00:54:21,920

reptilians where they have statues or

1523

00:54:25,750 --> 00:54:24,000

flags or things representing

1524

00:54:27,190 --> 00:54:25,760

different human bloodlines that you're

1525

00:54:28,790 --> 00:54:27,200

involved with or different leaders

1526  
00:54:30,710 --> 00:54:28,800  
they're involved with

1527  
00:54:32,470 --> 00:54:30,720  
and the most prominent one next to his

1528  
00:54:35,750 --> 00:54:32,480  
white board

1529  
00:54:37,190 --> 00:54:35,760  
is a mannequin of amelia earhart

1530  
00:54:38,470 --> 00:54:37,200  
they're a mannequin dressed up like you

1531  
00:54:40,870 --> 00:54:38,480  
know the goggles and everything it's

1532  
00:54:44,230 --> 00:54:40,880  
clearly it's familiar

1533  
00:54:45,670 --> 00:54:44,240  
and that really got me thinking i'm like

1534  
00:54:47,030 --> 00:54:45,680  
okay i'm going to do some research in

1535  
00:54:49,670 --> 00:54:47,040  
the milliard

1536  
00:54:50,870 --> 00:54:49,680  
if she was a reptilian hybrid she would

1537  
00:54:52,870 --> 00:54:50,880  
have stomach problems

1538  
00:54:54,549 --> 00:54:52,880

because a lot of people have a lot of

1539

00:54:56,390 --> 00:54:54,559

tuning dna they have very sensitive

1540

00:54:57,990 --> 00:54:56,400

stomachs happen to me as well after my

1541

00:55:00,309 --> 00:54:58,000

first inductions whatever kind of

1542

00:55:01,430 --> 00:55:00,319

genetic activation they did on me they

1543

00:55:02,950 --> 00:55:01,440

tell people all right you know

1544

00:55:04,789 --> 00:55:02,960

we're taking the recessive replenishing

1545

00:55:06,549 --> 00:55:04,799

dna and we're activating

1546

00:55:08,789 --> 00:55:06,559

and the first thing that happens is my

1547

00:55:09,670 --> 00:55:08,799

stomach went from never sensitive to

1548

00:55:11,430 --> 00:55:09,680

just

1549

00:55:12,870 --> 00:55:11,440

stupidly sensitive and that that's

1550

00:55:14,230 --> 00:55:12,880

definitely not a superpower having a

1551  
00:55:16,309 --> 00:55:14,240  
sense of stomach

1552  
00:55:17,270 --> 00:55:16,319  
but anyways i look up millionaire heart

1553  
00:55:20,150 --> 00:55:17,280  
in her stomach

1554  
00:55:21,349 --> 00:55:20,160  
and guess what she had a ridiculously

1555  
00:55:25,910 --> 00:55:21,359  
sensitive stomach

1556  
00:55:30,789 --> 00:55:28,309  
like she had she has a sense of stomach

1557  
00:55:33,270 --> 00:55:30,799  
so she must be a reptilian alien

1558  
00:55:35,030 --> 00:55:33,280  
yeah well this guy this she among all

1559  
00:55:36,470 --> 00:55:35,040  
these other reptilian hybrids that this

1560  
00:55:38,150 --> 00:55:36,480  
guy was related to throughout history

1561  
00:55:39,510 --> 00:55:38,160  
she was the most prominent one

1562  
00:55:42,630 --> 00:55:39,520  
next to his you know whiteboard where he

1563  
00:55:45,990 --> 00:55:43,910

from the audience and a lot of people

1564

00:55:47,670 --> 00:55:46,000

would like to know why you stopped being

1565

00:55:50,950 --> 00:55:47,680

a police officer if you could

1566

00:55:53,030 --> 00:55:50,960

tell us about that briefly i had a

1567

00:55:54,630 --> 00:55:53,040

off-duty car accident it wasn't my fault

1568

00:55:57,589 --> 00:55:54,640

it was rear-ended

1569

00:55:58,390 --> 00:55:57,599

um by the way people were also asking in

1570

00:56:01,750 --> 00:55:58,400

the live chat

1571

00:56:05,109 --> 00:56:01,760

and i did verify his employment and uh

1572

00:56:07,349 --> 00:56:05,119

yeah so he was sort of discharged or you

1573

00:56:10,230 --> 00:56:07,359

resigned based on a car accident

1574

00:56:11,589 --> 00:56:10,240

and and the inability to do some of the

1575

00:56:14,710 --> 00:56:11,599

physical stuff that you would have to do

1576

00:56:18,309 --> 00:56:14,720

as a police officer for a while right

1577

00:56:20,150 --> 00:56:18,319

yeah i mean i i it just it was a point

1578

00:56:21,750 --> 00:56:20,160

in my life after katrina and everything

1579

00:56:22,870 --> 00:56:21,760

living through that i'm like i did that

1580

00:56:24,630 --> 00:56:22,880

for two years

1581

00:56:25,990 --> 00:56:24,640

i was gonna come back up here going to

1582

00:56:28,069 --> 00:56:26,000

real estate going to business with a

1583

00:56:31,510 --> 00:56:28,079

friend of mine from high school

1584

00:56:33,349 --> 00:56:31,520

and my neck recovered it took a while

1585

00:56:34,710 --> 00:56:33,359

but it really is sort of those points in

1586

00:56:35,670 --> 00:56:34,720

life where it's like you know what i'm

1587

00:56:37,510 --> 00:56:35,680

gonna

1588

00:56:39,349 --> 00:56:37,520

go do something else katrina was rough

1589

00:56:40,870 --> 00:56:39,359

on me i stayed through it

1590

00:56:42,710 --> 00:56:40,880

in the middle of downtown i've got that

1591

00:56:45,109 --> 00:56:42,720

video i of

1592

00:56:46,549 --> 00:56:45,119

me on 60 minutes getting sworn in in the

1593

00:56:48,309 --> 00:56:46,559

middle of so

1594

00:56:50,789 --> 00:56:48,319

i can prove i was there in the city

1595

00:56:54,230 --> 00:56:50,799

during katrina in the middle of it

1596

00:56:55,910 --> 00:56:54,240

and i i yeah because of the reptilian

1597

00:56:57,750 --> 00:56:55,920

i i have to thank the reptilians for

1598

00:56:58,069 --> 00:56:57,760

that training the mall training like you

1599

00:57:00,470 --> 00:56:58,079

know

1600

00:57:01,750 --> 00:57:00,480

month and a half two months before that

1601  
00:57:03,589 --> 00:57:01,760  
because believe it or not

1602  
00:57:05,109 --> 00:57:03,599  
the other people who were there like me

1603  
00:57:07,510 --> 00:57:05,119  
who were halfway through the academy

1604  
00:57:09,270 --> 00:57:07,520  
when they saw us in it you know a few

1605  
00:57:10,710 --> 00:57:09,280  
days after the storm

1606  
00:57:12,789 --> 00:57:10,720  
but we were halfway through the academy

1607  
00:57:13,430 --> 00:57:12,799  
when the storm hit but the point is the

1608  
00:57:15,430 --> 00:57:13,440  
peak the

1609  
00:57:17,670 --> 00:57:15,440  
recruits who left were allowed to come

1610  
00:57:19,750 --> 00:57:17,680  
back if you were a cop and you left

1611  
00:57:21,190 --> 00:57:19,760  
the city you got fired but if you were

1612  
00:57:22,230 --> 00:57:21,200  
recruiting you left they well they

1613  
00:57:23,670 --> 00:57:22,240

ordered this belief

1614

00:57:26,150 --> 00:57:23,680

and there's basically a mutiny among

1615

00:57:28,789 --> 00:57:26,160

recruits because a lot of us recruits

1616

00:57:29,670 --> 00:57:28,799

we're veterans and we're we refuse to

1617

00:57:31,349 --> 00:57:29,680

leave

1618

00:57:32,390 --> 00:57:31,359

we're like we're not we're else leaving

1619

00:57:33,270 --> 00:57:32,400

you're ordering us to leave we're going

1620

00:57:36,470 --> 00:57:33,280

to stay we're going to

1621

00:57:38,390 --> 00:57:36,480

keep staying and keep working and

1622

00:57:52,789 --> 00:57:38,400

so i could have left and come back with

1623

00:57:56,150 --> 00:57:54,150

that's one problem that i've had with

1624

00:57:59,030 --> 00:57:56,160

your story is like just

1625

00:58:00,309 --> 00:57:59,040

it just i don't want to say it's crazy

1626

00:58:02,150 --> 00:58:00,319

but it is i mean like

1627

00:58:03,510 --> 00:58:02,160

so they took you and a bunch of other

1628

00:58:07,109 --> 00:58:03,520

police officers to be

1629

00:58:10,549 --> 00:58:07,119

trained with reptilian aliens

1630

00:58:13,120 --> 00:58:10,559

in the mall after dark yeah

1631

00:58:14,710 --> 00:58:13,130

police military yeah that's

1632

00:58:18,230 --> 00:58:14,720

[Applause]

1633

00:58:20,069 --> 00:58:18,240

uh that'd be the crowd at the time the

1634

00:58:21,750 --> 00:58:20,079

idea of what we ever have to use our

1635

00:58:23,270 --> 00:58:21,760

plans for crowd control it seemed kind

1636

00:58:26,230 --> 00:58:23,280

of absurd but if you look at the

1637

00:58:27,190 --> 00:58:26,240

riots we had a year ago i mean you look

1638

00:58:30,789 --> 00:58:27,200

at what happened and

1639

00:58:33,190 --> 00:58:30,799

it that was pretty intense

1640

00:58:34,549 --> 00:58:33,200

i mean i can't name a single city in

1641

00:58:36,630 --> 00:58:34,559

this country

1642

00:58:38,789 --> 00:58:36,640

that didn't get overwhelmed the police

1643

00:58:42,230 --> 00:58:38,799

just completely just got scammed

1644

00:58:44,309 --> 00:58:42,240

it was you could see why they would

1645

00:58:45,510 --> 00:58:44,319

if they have access to reptilians why

1646

00:58:47,589 --> 00:58:45,520

they would want to use them as a

1647

00:58:50,390 --> 00:58:47,599

resource

1648

00:58:52,950 --> 00:58:50,400

it's actually very sensible now it's at

1649

00:58:54,630 --> 00:58:52,960

the time 2005 it's like okay this is

1650

00:58:56,150 --> 00:58:54,640

kind of extreme well you know we got a

1651  
00:58:58,870 --> 00:58:56,160  
national guard he got police give him

1652  
00:59:02,150 --> 00:58:58,880  
better guns give him feedback

1653  
00:59:03,829 --> 00:59:02,160  
now now we see what happens when you

1654  
00:59:06,069 --> 00:59:03,839  
really get some bad civil unrest and

1655  
00:59:09,510 --> 00:59:06,079  
yeah and what happens is

1656  
00:59:11,109 --> 00:59:09,520  
you get near energy and yeah we could

1657  
00:59:14,309 --> 00:59:11,119  
see it in the videos that was

1658  
00:59:16,230 --> 00:59:14,319  
descended into anarchy and again a lot

1659  
00:59:17,990 --> 00:59:16,240  
of people are asking about what evidence

1660  
00:59:19,670 --> 00:59:18,000  
do you have being a former police

1661  
00:59:21,589 --> 00:59:19,680  
officer you know

1662  
00:59:23,510 --> 00:59:21,599  
i'm sure you value the importance of

1663  
00:59:25,910 --> 00:59:23,520

evidence

1664

00:59:27,670 --> 00:59:25,920

yeah i mean the video we've been over

1665

00:59:29,910 --> 00:59:27,680

this in the first interview but i just

1666

00:59:31,589 --> 00:59:29,920

to reiterate briefly for people in the

1667

00:59:33,589 --> 00:59:31,599

live chat that are saying

1668

00:59:34,950 --> 00:59:33,599

you know one of the things that i found

1669

00:59:36,630 --> 00:59:34,960

with experiencers

1670

00:59:37,910 --> 00:59:36,640

for years i said i don't really want to

1671

00:59:39,430 --> 00:59:37,920

talk to any of them and then i changed

1672

00:59:41,190 --> 00:59:39,440

my mind and i started to talk to

1673

00:59:43,030 --> 00:59:41,200

them and what's up what's frustrating

1674

00:59:45,030 --> 00:59:43,040

for me with experiencers is that

1675

00:59:46,150 --> 00:59:45,040

what they have to offer you is the

1676  
00:59:48,470 --> 00:59:46,160  
experience

1677  
00:59:49,910 --> 00:59:48,480  
and usually very little else in the form

1678  
00:59:52,710 --> 00:59:49,920  
of evidentiary support

1679  
00:59:54,309 --> 00:59:52,720  
of the things that would support them

1680  
00:59:58,870 --> 00:59:54,319  
really having this experience

1681  
01:00:02,870 --> 01:00:01,270  
well as far as he as far as i mean i

1682  
01:00:05,910 --> 01:00:02,880  
could prove that i was in new orleans

1683  
01:00:06,390 --> 01:00:05,920  
in new orleans during katrina um because

1684  
01:00:08,150 --> 01:00:06,400  
i was

1685  
01:00:09,829 --> 01:00:08,160  
the 60 minute thing really helps in that

1686  
01:00:11,589 --> 01:00:09,839  
sense that's not like video evidence i

1687  
01:00:12,230 --> 01:00:11,599  
have that zoomed in on my face getting

1688  
01:00:14,150 --> 01:00:12,240

sworn in

1689

01:00:17,589 --> 01:00:14,160

as far as the experience that approving

1690

01:00:18,950 --> 01:00:17,599

it well i mean i do have

1691

01:00:20,870 --> 01:00:18,960

what happened to my eyes which is

1692

01:00:23,270 --> 01:00:20,880

inexplicable i have um

1693

01:00:25,430 --> 01:00:23,280

you know the cooperation of a whole

1694

01:00:28,630 --> 01:00:25,440

bunch of other police and military

1695

01:00:30,789 --> 01:00:28,640

if you you know go to joe montaldo icar

1696

01:00:32,630 --> 01:00:30,799

and uh he's a little hard to reach

1697

01:00:34,230 --> 01:00:32,640

sometimes he's been on he's not an

1698

01:00:35,910 --> 01:00:34,240

ancient alien few times people out there

1699

01:00:38,069 --> 01:00:35,920

might know who he is

1700

01:00:39,510 --> 01:00:38,079

but you know i'm not the only person who

1701

01:00:40,470 --> 01:00:39,520

reported being taken there

1702

01:00:42,789 --> 01:00:40,480

some of the other people there were

1703

01:00:44,710 --> 01:00:42,799

military some of them were police

1704

01:00:45,990 --> 01:00:44,720

a lot of more n opd a couple of more

1705

01:00:47,750 --> 01:00:46,000

detectives

1706

01:00:50,069 --> 01:00:47,760

one of them was one of the highest

1707

01:00:53,430 --> 01:00:50,079

ranking people in the n opd

1708

01:00:56,950 --> 01:00:53,440

um but as far as like hard

1709

01:00:58,069 --> 01:00:56,960

evidence thing that happened really in a

1710

01:01:01,589 --> 01:00:58,079

couple couple years ago

1711

01:01:03,510 --> 01:01:01,599

with a lifetime of color color vision

1712

01:01:05,990 --> 01:01:03,520

deficit of being partially colorblind

1713

01:01:09,109 --> 01:01:06,000

and now not being colorblind

1714

01:01:10,230 --> 01:01:09,119

that's a really skeptically that that's

1715

01:01:12,470 --> 01:01:10,240

a really

1716

01:01:13,430 --> 01:01:12,480

you know far bridge to jump like how do

1717

01:01:15,829 --> 01:01:13,440

you explain

1718

01:01:17,109 --> 01:01:15,839

there's no scientific explanation to why

1719

01:01:18,390 --> 01:01:17,119

well

1720

01:01:20,390 --> 01:01:18,400

don't you think that sometimes it's

1721

01:01:21,190 --> 01:01:20,400

possible for the body to repair these

1722

01:01:23,430 --> 01:01:21,200

deficits

1723

01:01:25,910 --> 01:01:23,440

because you know i had a brain aneurysm

1724

01:01:29,109 --> 01:01:25,920

and my eye was completely paralyzed

1725

01:01:32,150 --> 01:01:29,119

for uh i don't know six months

1726

01:01:33,589 --> 01:01:32,160

maybe more after the aneurysm and i was

1727

01:01:36,470 --> 01:01:33,599

completely cross-eyed

1728

01:01:37,589 --> 01:01:36,480

it was terrible but eventually the eye

1729

01:01:39,990 --> 01:01:37,599

sort of came back it's

1730

01:01:41,510 --> 01:01:40,000

it didn't come back 100 but i can

1731

01:01:44,630 --> 01:01:41,520

function now and i have

1732

01:01:47,270 --> 01:01:44,640

some degree of stereo vision left

1733

01:01:49,670 --> 01:01:47,280

um even though one eye is you know that

1734

01:01:51,190 --> 01:01:49,680

eye remains to be like half paralyzed so

1735

01:01:53,750 --> 01:01:51,200

it's very weak but

1736

01:01:54,470 --> 01:01:53,760

you know it's sort of righted itself and

1737

01:01:57,349 --> 01:01:54,480

i didn't

1738

01:01:58,150 --> 01:01:57,359

think you know that happened because of

1739

01:02:01,270 --> 01:01:58,160

aliens

1740

01:02:01,910 --> 01:02:01,280

you know i just thought the body will

1741

01:02:05,109 --> 01:02:01,920

eventually

1742

01:02:06,870 --> 01:02:05,119

try to fix itself right i mean you're

1743

01:02:09,349 --> 01:02:06,880

convinced that it was because of an

1744

01:02:11,029 --> 01:02:09,359

alien injection that that's what cured

1745

01:02:13,270 --> 01:02:11,039

you yeah

1746

01:02:14,390 --> 01:02:13,280

it's it's a genetic deficit because a

1747

01:02:16,390 --> 01:02:14,400

lot of people who

1748

01:02:17,990 --> 01:02:16,400

desperately try to find a way to fix it

1749

01:02:20,150 --> 01:02:18,000

because it prevents them from being like

1750

01:02:21,270 --> 01:02:20,160

professional jumbo jet pilot pilots and

1751

01:02:23,109 --> 01:02:21,280

whatnot

1752

01:02:24,710 --> 01:02:23,119

so there's a lot of people who scramble

1753

01:02:28,230 --> 01:02:24,720

is there some tool i can take some

1754

01:02:30,470 --> 01:02:28,240

surgeries no if you're genetically born

1755

01:02:31,750 --> 01:02:30,480

partially color blind you literally in

1756

01:02:33,109 --> 01:02:31,760

your in your eye don't have

1757

01:02:34,870 --> 01:02:33,119

you know the right amount of rods or

1758

01:02:37,430 --> 01:02:34,880

cones and there's nothing

1759

01:02:39,670 --> 01:02:37,440

and no point in life is it just can't

1760

01:02:42,230 --> 01:02:39,680

just spring in the life and fix itself

1761

01:02:43,990 --> 01:02:42,240

it's it's a it's if you're born like

1762

01:02:45,750 --> 01:02:44,000

that it's gonna be like that's a day

1763

01:02:47,829 --> 01:02:45,760

you take vitamin a pills you can eat

1764

01:02:49,510 --> 01:02:47,839

carrots

1765

01:02:50,870 --> 01:02:49,520

that's how that's how color the color

1766

01:02:53,829 --> 01:02:50,880

revision deficits are

1767

01:02:55,589 --> 01:02:53,839

this genetic thing if you have it um so

1768

01:02:59,190 --> 01:02:55,599

if it happened to me it would be a

1769

01:03:03,109 --> 01:02:59,200

very ridiculously one in a you know

1770

01:03:05,750 --> 01:03:03,119

5 50 million yeah and i have to say

1771

01:03:07,029 --> 01:03:05,760

i meant to talk to an ophthalmologist or

1772

01:03:11,750 --> 01:03:07,039

an eye doctor

1773

01:03:13,670 --> 01:03:11,760

and talk about your you know spontaneous

1774

01:03:15,270 --> 01:03:13,680

spontaneously being cured of color

1775

01:03:17,349 --> 01:03:15,280

vision you know

1776

01:03:19,829 --> 01:03:17,359

of being colorblind but i have not done

1777

01:03:21,109 --> 01:03:19,839

that so i i don't know what the process

1778

01:03:22,950 --> 01:03:21,119

is like for people

1779

01:03:25,029 --> 01:03:22,960

or if there's a way to repair that or a

1780

01:03:27,430 --> 01:03:25,039

way to improve it

1781

01:03:29,430 --> 01:03:27,440

i think i recall that some people have

1782

01:03:32,230 --> 01:03:29,440

special glasses for that or something

1783

01:03:33,750 --> 01:03:32,240

is that right there's glasses you could

1784

01:03:34,710 --> 01:03:33,760

use to cheat the tests i think i've

1785

01:03:36,390 --> 01:03:34,720

heard about yeah

1786

01:03:38,069 --> 01:03:36,400

i'm definitely not wearing it i'm not

1787

01:03:39,670 --> 01:03:38,079

wearing the contacts but i think there

1788

01:03:41,190 --> 01:03:39,680

is some kind of glasses or something

1789

01:03:42,950 --> 01:03:41,200

that will cheat

1790

01:03:44,710 --> 01:03:42,960

you know you're wearing like 3d glasses

1791

01:03:45,670 --> 01:03:44,720

from the 50s or something they've been

1792

01:03:47,829 --> 01:03:45,680

playing

1793

01:03:49,109 --> 01:03:47,839

um i guess you people have tried that

1794

01:03:50,470 --> 01:03:49,119

when they when they

1795

01:03:53,029 --> 01:03:50,480

you know because there's some branches

1796

01:03:54,710 --> 01:03:53,039

of military service and i said before

1797

01:03:56,470 --> 01:03:54,720

for professional pilots that are much

1798

01:03:59,349 --> 01:03:56,480

more strict on color vision

1799

01:04:00,069 --> 01:03:59,359

now my case when i did the n opd color

1800

01:04:02,069 --> 01:04:00,079

test

1801

01:04:03,510 --> 01:04:02,079

they intentionally make it very easy

1802

01:04:05,510 --> 01:04:03,520

it's not the hdr

1803

01:04:06,870 --> 01:04:05,520

little dots it's like they put a bunch

1804

01:04:08,470 --> 01:04:06,880

of you know

1805

01:04:09,910 --> 01:04:08,480

colors in front of you what color is

1806

01:04:12,069 --> 01:04:09,920

this oh yellow green

1807

01:04:14,150 --> 01:04:12,079

any anyone most people of color vision

1808

01:04:14,710 --> 01:04:14,160

absence if you put the full rainbow in

1809

01:04:15,990 --> 01:04:14,720

front of them

1810

01:04:18,309 --> 01:04:16,000

in a second they'll tell you what they

1811

01:04:18,870 --> 01:04:18,319

are it's when you look at the gradients

1812

01:04:20,710 --> 01:04:18,880

between

1813

01:04:22,309 --> 01:04:20,720

you know radically the subtle gradients

1814

01:04:24,390 --> 01:04:22,319

that they can't really get

1815

01:04:26,390 --> 01:04:24,400

and mixed together but they can see all

1816

01:04:28,630 --> 01:04:26,400

the colors just it's it's duller

1817

01:04:30,150 --> 01:04:28,640

like imagine you go to the tv and turn

1818

01:04:31,829 --> 01:04:30,160

the color down like 30

1819

01:04:34,069 --> 01:04:31,839

or 20 percent and that's what that's

1820

01:04:35,510 --> 01:04:34,079

what a person is i know that now

1821

01:04:37,349 --> 01:04:35,520

you know now that i see colors normally

1822

01:04:42,549 --> 01:04:37,359

i'm like holy crap my whole life

1823

01:04:48,069 --> 01:04:45,910

you know in a very dull you know a

1824

01:04:49,430 --> 01:04:48,079

limited way and once you know

1825

01:04:51,829 --> 01:04:49,440

metaphorical the fact that

1826

01:04:53,829 --> 01:04:51,839

you think you're seeing something like a

1827

01:04:55,510 --> 01:04:53,839

plato's cave analogy you've never seen

1828

01:04:58,309 --> 01:04:55,520

congress and then again you're like

1829

01:04:59,990 --> 01:04:58,319

holy crap so this is how bright colored

1830

01:05:01,589 --> 01:05:00,000

and now it just annoys that when i go

1831

01:05:04,309 --> 01:05:01,599

shopping at the store now

1832

01:05:06,470 --> 01:05:04,319

the color you know all the uh uncorded

1833

01:05:21,029 --> 01:05:06,480

coordinated colors small labels on the

1834

01:05:24,789 --> 01:05:23,029

from the live chat because i i've seen a

1835

01:05:26,710 --> 01:05:24,799

bunch of good questions so

1836

01:05:28,390 --> 01:05:26,720

everybody with a question for matt or

1837

01:05:30,549 --> 01:05:28,400

myself please do put them in

1838

01:05:32,309 --> 01:05:30,559

all capital letters all capital letters

1839

01:05:33,109 --> 01:05:32,319

so that we know that it's a question for

1840

01:05:35,190 --> 01:05:33,119

either me or

1841

01:05:36,470 --> 01:05:35,200

matt uh and we want to give you an

1842

01:05:38,870 --> 01:05:36,480

opportunity people have

1843

01:05:40,549 --> 01:05:38,880

questions uh you know i i don't want to

1844

01:05:42,789 --> 01:05:40,559

be too rough on uh

1845

01:05:44,950 --> 01:05:42,799

on matt he and i talked about this both

1846

01:05:48,309 --> 01:05:44,960

off and on here last time

1847

01:05:50,630 --> 01:05:48,319

you know i uh i have an interest in

1848

01:05:51,990 --> 01:05:50,640

all of this and uh thought that we could

1849

01:05:54,470 --> 01:05:52,000

uh

1850

01:05:55,750 --> 01:05:54,480

we could start interviewing experiencers

1851

01:05:58,630 --> 01:05:55,760

and alien abductees

1852

01:05:59,349 --> 01:05:58,640

and seeing commonalities or seeing what

1853

01:06:02,470 --> 01:05:59,359

we could learn

1854

01:06:04,390 --> 01:06:02,480

from their experiences so uh

1855

01:06:05,589 --> 01:06:04,400

yeah freebird is telling me time to play

1856

01:06:07,910 --> 01:06:05,599

hardball you know

1857

01:06:08,789 --> 01:06:07,920

what i will say is that i've got a

1858

01:06:11,990 --> 01:06:08,799

problem with

1859

01:06:15,670 --> 01:06:12,000

just the the the

1860

01:06:17,589 --> 01:06:15,680

i guess the process of like okay

1861

01:06:19,990 --> 01:06:17,599

we're gonna get these police officers to

1862

01:06:22,470 --> 01:06:20,000

be trained by reptilian aliens

1863

01:06:24,150 --> 01:06:22,480

in crowd control it just seems like

1864

01:06:27,349 --> 01:06:24,160

there's got to be better ways to do that

1865

01:06:28,950 --> 01:06:27,359

than to break down what you call what

1866

01:06:30,630 --> 01:06:28,960

you call opt for

1867

01:06:31,990 --> 01:06:30,640

like i have i had another there's

1868

01:06:34,309 --> 01:06:32,000

another recruit

1869

01:06:35,670 --> 01:06:34,319

in our class who used to be a seal and

1870

01:06:37,990 --> 01:06:35,680

he actually got recalled

1871

01:06:39,910 --> 01:06:38,000

to go be it's called op for where you're

1872

01:06:42,710 --> 01:06:39,920

you're more of a training aide so you're

1873

01:06:44,309 --> 01:06:42,720

acting on the part of a police officer

1874

01:06:45,750 --> 01:06:44,319

so it's not so much that they were

1875

01:06:48,950 --> 01:06:45,760

training us

1876

01:06:50,549 --> 01:06:48,960

they were being trained but we were like

1877

01:06:52,230 --> 01:06:50,559

the national guard does it sometimes

1878

01:06:54,950 --> 01:06:52,240

they'll hire they'll go in the paper

1879

01:06:56,309 --> 01:06:54,960

and they'll hire actors to play rioters

1880

01:06:58,309 --> 01:06:56,319

and you show up at the military base

1881

01:07:00,630 --> 01:06:58,319

they pay you whatever and you dress up

1882

01:07:02,230 --> 01:07:00,640

and it's the same so we're more like

1883

01:07:04,069 --> 01:07:02,240

training aids for them

1884

01:07:06,309 --> 01:07:04,079

playing the role like okay here's police

1885

01:07:09,510 --> 01:07:06,319

officers you're civilians

1886

01:07:11,029 --> 01:07:09,520

and so they weren't training us we were

1887

01:07:14,470 --> 01:07:11,039

just sort of

1888

01:07:16,390 --> 01:07:14,480

you know living accessories to the

1889

01:07:17,990 --> 01:07:16,400

to the training environment you know you

1890

01:07:21,190 --> 01:07:18,000

can't

1891

01:07:22,069 --> 01:07:21,200

er just to be clear on that well i guess

1892

01:07:25,029 --> 01:07:22,079

that's

1893

01:07:26,870 --> 01:07:25,039

training mannequins but still you know

1894

01:07:28,230 --> 01:07:26,880

uh

1895

01:07:30,230 --> 01:07:28,240

you know one of the things that i've

1896

01:07:31,670 --> 01:07:30,240

experienced matt is that there's this

1897

01:07:33,910 --> 01:07:31,680

nonchalance

1898

01:07:35,829 --> 01:07:33,920

when people tell some of their stories

1899

01:07:39,029 --> 01:07:35,839

of of like

1900

01:07:41,270 --> 01:07:39,039

or almost nonchalance and not

1901

01:07:43,270 --> 01:07:41,280

not very much acknowledgement of how

1902

01:07:46,710 --> 01:07:43,280

fantastical

1903

01:07:48,390 --> 01:07:46,720

this the the experience they had is

1904

01:07:50,630 --> 01:07:48,400

you know because to a normal person like

1905

01:07:52,230 --> 01:07:50,640

okay suddenly they just said

1906

01:07:54,390 --> 01:07:52,240

we're gonna have we're gonna take you to

1907

01:07:56,870 --> 01:07:54,400

this abandoned mall and we're gonna

1908

01:07:57,510 --> 01:07:56,880

train you with reptilian aliens you know

1909

01:08:01,510 --> 01:07:57,520

it's like

1910

01:08:03,190 --> 01:08:01,520

what wait what what what you know

1911

01:08:04,710 --> 01:08:03,200

well you know it came out years later

1912

01:08:07,670 --> 01:08:04,720

though the fbi was

1913

01:08:19,510 --> 01:08:07,680

going in the malls after dark and doing

1914

01:08:22,789 --> 01:08:21,990

but then when you add reptilian aliens

1915

01:08:26,550 --> 01:08:22,799

into that

1916

01:08:30,550 --> 01:08:26,560

story it gets you know

1917

01:08:32,550 --> 01:08:30,560

it gets more crazy like you know

1918

01:08:35,110 --> 01:08:32,560

well i think from the from the

1919

01:08:38,709 --> 01:08:35,120

perspective of our military

1920

01:08:41,030 --> 01:08:38,719

reptilians you know the only great

1921

01:08:43,189 --> 01:08:41,040

advantage they offer over human troops

1922

01:08:45,990 --> 01:08:43,199

is in close range combat

1923

01:08:47,189 --> 01:08:46,000

medium range combat long range not that

1924

01:08:50,149 --> 01:08:47,199

much of a benefit

1925

01:08:51,430 --> 01:08:50,159

close range tremendous benefits so

1926

01:08:52,870 --> 01:08:51,440

they're sitting there thinking what are

1927

01:08:54,630 --> 01:08:52,880

we okay we've got access to these

1928

01:08:55,510 --> 01:08:54,640

reptilians through our treaties and our

1929

01:08:57,189 --> 01:08:55,520

deals and

1930

01:08:58,709 --> 01:08:57,199

you know these other what do we do with

1931

01:09:00,709 --> 01:08:58,719

them you know

1932

01:09:02,630 --> 01:09:00,719

in the marvel movies and the sci-fi

1933

01:09:04,309 --> 01:09:02,640

movies if you're really strong

1934

01:09:05,910 --> 01:09:04,319

you run around the battlefield you know

1935

01:09:07,110 --> 01:09:05,920

punching guns other people's hands in

1936

01:09:08,789 --> 01:09:07,120

real life that doesn't

1937

01:09:09,910 --> 01:09:08,799

as you know yeah that doesn't work so

1938

01:09:12,870 --> 01:09:09,920

you know the fact that earthquake

1939

01:09:15,269 --> 01:09:12,880

fertility is very strong and very fast

1940

01:09:16,950 --> 01:09:15,279

really crowd control is the best thing

1941

01:09:19,510 --> 01:09:16,960

you could use them for because medium

1942

01:09:21,349 --> 01:09:19,520

range combat is just going to be

1943

01:09:23,430 --> 01:09:21,359

and maybe they could take a few more you

1944

01:09:24,070 --> 01:09:23,440

know instead of taking one book put down

1945

01:09:26,709 --> 01:09:24,080

it'll take

1946

01:09:27,189 --> 01:09:26,719

three five five six to put them down you

1947

01:09:30,149 --> 01:09:27,199

know

1948

01:09:31,110 --> 01:09:30,159

four maybe so that's the best that's

1949

01:09:33,510 --> 01:09:31,120

where you want to use it

1950

01:09:34,470 --> 01:09:33,520

fine and the only sort of place where

1951

01:09:36,390 --> 01:09:34,480

having

1952

01:09:37,669 --> 01:09:36,400

better skill close quarters combat

1953

01:09:39,430 --> 01:09:37,679

really would matter would be crowd

1954

01:09:41,590 --> 01:09:39,440

control and also they're scary

1955

01:09:44,149 --> 01:09:41,600

they scare me yeah i could imagine a

1956

01:09:46,070 --> 01:09:44,159

nine foot tall reptile man

1957

01:09:47,749 --> 01:09:46,080

nine foot tall lizard man would be kind

1958

01:09:50,309 --> 01:09:47,759

of scary to see we have a question from

1959

01:09:52,390 --> 01:09:50,319

crack magic from the live chat

1960

01:09:53,910 --> 01:09:52,400

he asked that the knowledge of reptilian

1961

01:09:55,990 --> 01:09:53,920

enterprises happened due to your

1962

01:09:57,510 --> 01:09:56,000

experience or was it a fascination

1963

01:10:01,110 --> 01:09:57,520

before

1964

01:10:03,110 --> 01:10:01,120

that's a good question the knowledge of

1965

01:10:04,870 --> 01:10:03,120

between enterprises

1966

01:10:06,709 --> 01:10:04,880

yeah like i think he's asking were you

1967

01:10:08,390 --> 01:10:06,719

interested in reptilians or reptilian

1968

01:10:10,550 --> 01:10:08,400

aliens before the experience

1969

01:10:12,790 --> 01:10:10,560

or did you start looking into them after

1970

01:10:14,470 --> 01:10:12,800

the experience

1971

01:10:15,990 --> 01:10:14,480

like did you have an interest in that

1972

01:10:19,030 --> 01:10:16,000

subject before you

1973

01:10:22,390 --> 01:10:19,040

uh allegedly saw them and

1974

01:10:23,990 --> 01:10:22,400

interacted with them right when i

1975

01:10:25,510 --> 01:10:24,000

first you know when i was like you know

1976

01:10:27,030 --> 01:10:25,520

occasionally listen our bell or

1977

01:10:28,149 --> 01:10:27,040

something and you hear about reptilians

1978

01:10:30,870 --> 01:10:28,159

it did

1979

01:10:31,750 --> 01:10:30,880

strike sort of a court of familiarity

1980

01:10:33,669 --> 01:10:31,760

like you know what

1981

01:10:35,510 --> 01:10:33,679

how do i know these delete for me i

1982

01:10:36,870 --> 01:10:35,520

couldn't shake like i know these things

1983

01:10:37,750 --> 01:10:36,880

are real but i don't know how i know

1984

01:10:39,910 --> 01:10:37,760

they're real

1985

01:10:41,430 --> 01:10:39,920

it was a very very situation like deja

1986

01:10:43,110 --> 01:10:41,440

vu like wait a minute

1987

01:10:44,709 --> 01:10:43,120

why do i know these guys are real but i

1988

01:10:46,390 --> 01:10:44,719

can't remember why you know they have a

1989

01:10:47,910 --> 01:10:46,400

genetic memory probably

1990

01:10:49,590 --> 01:10:47,920

a lot of you know a lot of reptilian

1991

01:10:52,229 --> 01:10:49,600

empathies talk about that these

1992

01:10:53,669 --> 01:10:52,239

you know you get these genetic recalls

1993

01:10:56,790 --> 01:10:53,679

of

1994

01:10:58,070 --> 01:10:56,800

blood in you which is

1995

01:10:59,669 --> 01:10:58,080

you know in general you're not going to

1996

01:11:00,870 --> 01:10:59,679

be a reptilian empathy unless you're

1997

01:11:02,790 --> 01:11:00,880

from one of these boat lines

1998

01:11:04,149 --> 01:11:02,800

you have you know my case it came

1999

01:11:07,510 --> 01:11:04,159

through you know

2000

01:11:08,870 --> 01:11:07,520

my grandmother's side um my mom's side

2001

01:11:10,310 --> 01:11:08,880

very specifically

2002

01:11:11,990 --> 01:11:10,320

and she wasn't she didn't talk about

2003

01:11:13,990 --> 01:11:12,000

abductions literally until right before

2004

01:11:15,990 --> 01:11:14,000

she was yeah so you're saying that this

2005

01:11:18,070 --> 01:11:16,000

is a family thing too that you've had

2006

01:11:20,790 --> 01:11:18,080

other family members before you that

2007

01:11:22,790 --> 01:11:20,800

experienced these sort of alien

2008

01:11:25,189 --> 01:11:22,800

abduction events

2009

01:11:26,149 --> 01:11:25,199

yeah and they they even like in her case

2010

01:11:28,070 --> 01:11:26,159

she was

2011

01:11:29,430 --> 01:11:28,080

trained to be a pilot one of the ships

2012

01:11:31,669 --> 01:11:29,440

which happens

2013

01:11:34,550 --> 01:11:31,679

with graves too with gravity's too where

2014

01:11:37,350 --> 01:11:34,560

are they trained out of fly ships but my

2015

01:11:38,870 --> 01:11:37,360

you know i shook almost back to the

2016

01:11:40,550 --> 01:11:38,880

amelia earhart thing you know

2017

01:11:45,189 --> 01:11:40,560

that would explain why she was such a

2018

01:11:49,270 --> 01:11:47,350

we have that girl asked did you speak to

2019

01:11:51,590 --> 01:11:49,280

the other trainees i missed the original

2020

01:11:53,830 --> 01:11:51,600

live explaining your experience

2021

01:11:54,790 --> 01:11:53,840

yeah and what was that conversation like

2022

01:11:56,550 --> 01:11:54,800

you know you're

2023

01:11:58,630 --> 01:11:56,560

you're you're standing around with a

2024

01:11:59,270 --> 01:11:58,640

bunch of other guys with reptilian

2025

01:12:02,070 --> 01:11:59,280

aliens

2026

01:12:03,510 --> 01:12:02,080

like did you did you talk about this

2027

01:12:06,070 --> 01:12:03,520

while i was going on

2028

01:12:07,590 --> 01:12:06,080

did anybody say like this is effing

2029

01:12:10,070 --> 01:12:07,600

crazy or

2030

01:12:11,350 --> 01:12:10,080

you just did you just did the training

2031

01:12:14,950 --> 01:12:11,360

and didn't talk about this

2032

01:12:17,270 --> 01:12:14,960

this elephant in the room so to speak

2033

01:12:19,030 --> 01:12:17,280

of aliens being in the same room with

2034

01:12:21,430 --> 01:12:19,040

you guys

2035

01:12:22,950 --> 01:12:21,440

well it was a real chaotic circus in

2036

01:12:25,030 --> 01:12:22,960

that mall you had people

2037

01:12:27,110 --> 01:12:25,040

the reptilians were practicing frisking

2038

01:12:28,550 --> 01:12:27,120

people they were shooting their

2039

01:12:30,709 --> 01:12:28,560

their weapons and you know

2040

01:12:32,950 --> 01:12:30,719

pre-designated targets to see you know

2041

01:12:34,149 --> 01:12:32,960

the sparking effect because that that's

2042

01:12:37,990 --> 01:12:34,159

really what acts

2043

01:12:40,390 --> 01:12:38,000

as stun gun you know type of

2044

01:12:41,910 --> 01:12:40,400

uh impact on people you shoot an object

2045

01:12:43,510 --> 01:12:41,920

and you don't hit them directly

2046

01:12:45,189 --> 01:12:43,520

you shoot an object near them like a

2047

01:12:46,790 --> 01:12:45,199

setup garbage can or a lamp post and

2048

01:12:47,990 --> 01:12:46,800

just burst into sparks

2049

01:12:49,110 --> 01:12:48,000

just like when you've seen riots

2050

01:12:50,950 --> 01:12:49,120

recently when they throw started

2051

01:12:54,310 --> 01:12:50,960

grenades except this

2052

01:12:56,310 --> 01:12:54,320

is essentially a laser stun grade

2053

01:12:57,510 --> 01:12:56,320

that turns anything you shoot you know

2054

01:12:58,630 --> 01:12:57,520

it it it's

2055

01:13:00,390 --> 01:12:58,640

you know like when you put imagine

2056

01:13:01,510 --> 01:13:00,400

putting aluminum before when they flow

2057

01:13:03,189 --> 01:13:01,520

in the microwave that's

2058

01:13:05,830 --> 01:13:03,199

you know that sort of sparky you know

2059

01:13:07,669 --> 01:13:05,840

it's so there's a lot of chaos

2060

01:13:09,270 --> 01:13:07,679

and there wasn't really time to like sit

2061

01:13:11,110 --> 01:13:09,280

there and like looking for something

2062

01:13:12,950 --> 01:13:11,120

next to you and say anything so i didn't

2063

01:13:14,070 --> 01:13:12,960

recognize anybody we didn't recognize

2064

01:13:24,790 --> 01:13:14,080

each other

2065

01:13:28,790 --> 01:13:26,950

so there's no trust of like oh this

2066

01:13:30,470 --> 01:13:28,800

person next to me is a fellow advocate

2067

01:13:33,030 --> 01:13:30,480

it's just like what the hell

2068

01:13:35,270 --> 01:13:33,040

can i trust any of these like what the i

2069

01:13:37,669 --> 01:13:35,280

don't know

2070

01:13:39,030 --> 01:13:37,679

yeah there was not i guess if we've been

2071

01:13:39,590 --> 01:13:39,040

stuck there for hours or days or

2072

01:13:41,350 --> 01:13:39,600

something

2073

01:13:42,709 --> 01:13:41,360

you'd open up but in that kind of

2074

01:13:44,950 --> 01:13:42,719

situation no

2075

01:13:47,350 --> 01:13:44,960

no one was talking to anybody i mean

2076

01:13:49,590 --> 01:13:47,360

there's a there's one reptilian

2077

01:13:51,110 --> 01:13:49,600

and joe montana has talked about on on

2078

01:13:51,910 --> 01:13:51,120

his show when he's spoken about this

2079

01:13:55,750 --> 01:13:51,920

case

2080

01:13:57,990 --> 01:13:55,760

um who this one empathy there

2081

01:13:59,270 --> 01:13:58,000

was being hurried along by a reptilian

2082

01:14:00,630 --> 01:13:59,280

and they're fully referring them in

2083

01:14:02,070 --> 01:14:00,640

english and telling them hurry up and

2084

01:14:05,189 --> 01:14:02,080

this guy said you know what yeah he

2085

01:14:07,830 --> 01:14:05,199

said you know fu and the reptilian just

2086

01:14:08,709 --> 01:14:07,840

instantly nipped them right there uh on

2087

01:14:10,790 --> 01:14:08,719

the collarbone

2088

01:14:12,070 --> 01:14:10,800

like i got you know nipped in my car

2089

01:14:14,630 --> 01:14:12,080

about during that uh

2090

01:14:16,390 --> 01:14:14,640

training abduction but again i go back

2091

01:14:17,350 --> 01:14:16,400

watch the first i want to retract the

2092

01:14:19,270 --> 01:14:17,360

whole thing

2093

01:14:21,590 --> 01:14:19,280

but to simplify the answer to the

2094

01:14:22,470 --> 01:14:21,600

question no there was no chatter there

2095

01:14:25,590 --> 01:14:22,480

was no talking

2096

01:14:30,950 --> 01:14:25,600

it was like um

2097

01:14:35,590 --> 01:14:33,430

yeah i think that that's there's a

2098

01:14:36,229 --> 01:14:35,600

really good series on netflix everyone

2099

01:14:38,229 --> 01:14:36,239

should watch

2100

01:14:40,950 --> 01:14:38,239

is so it reminds me so much of my

2101  
01:14:43,430 --> 01:14:40,960  
katrina experiences even some of my

2102  
01:14:44,790 --> 01:14:43,440  
reptilian experiences and it's called

2103  
01:14:47,830 --> 01:14:44,800  
black summer

2104  
01:14:50,149 --> 01:14:47,840  
i have not seen it

2105  
01:14:50,950 --> 01:14:50,159  
no it's one of the best shows you will

2106  
01:14:53,030 --> 01:14:50,960  
ever see

2107  
01:14:54,950 --> 01:14:53,040  
it's about this uh you know the initial

2108  
01:14:56,390 --> 01:14:54,960  
stages of service collapse in the

2109  
01:14:59,430 --> 01:14:56,400  
country during his um you know

2110  
01:15:00,390 --> 01:14:59,440  
zombie i've seen something about it but

2111  
01:15:03,669 --> 01:15:00,400  
i haven't seen it yet

2112  
01:15:06,149 --> 01:15:03,679  
sure it's so realistic

2113  
01:15:07,030 --> 01:15:06,159

it's done it just based on it reminded

2114

01:15:08,790 --> 01:15:07,040

me the first

2115

01:15:10,630 --> 01:15:08,800

episode of the first season reminded me

2116

01:15:11,430 --> 01:15:10,640

so much in the early days of katrina i

2117

01:15:14,790 --> 01:15:11,440

can't even

2118

01:15:15,510 --> 01:15:14,800

the sound design that and the movie uh

2119

01:15:17,110 --> 01:15:15,520

dunkirk

2120

01:15:19,110 --> 01:15:17,120

have you seen the movie kirk from the

2121

01:15:22,470 --> 01:15:19,120

guy you know christopher nolan

2122

01:15:24,870 --> 01:15:22,480

okay oh yeah dunkirk got

2123

01:15:26,870 --> 01:15:24,880

being stuck on the beach being stuck i i

2124

01:15:28,870 --> 01:15:26,880

demanded that

2125

01:15:29,990 --> 01:15:28,880

of all the war movies that gave me the

2126

01:15:33,750 --> 01:15:30,000

most

2127

01:15:37,669 --> 01:15:33,760

one of course i gotta recommend

2128

01:15:40,470 --> 01:15:37,679

is uh that movie about the

2129

01:15:41,990 --> 01:15:40,480

benghazi attack what's the name of that

2130

01:15:42,630 --> 01:15:42,000

benghazi movie they did a couple of

2131

01:15:46,870 --> 01:15:42,640

years ago

2132

01:15:49,669 --> 01:15:46,880

um listen we have more questions in the

2133

01:15:50,790 --> 01:15:49,679

live chat video

2134

01:15:53,189 --> 01:15:50,800

sorry to keep going on get to the

2135

01:16:00,550 --> 01:15:55,910

okay so v in the live chat asks do you

2136

01:16:03,830 --> 01:16:02,709

yeah yeah i mean well the last and this

2137

01:16:05,189 --> 01:16:03,840

is an encounter

2138

01:16:06,630 --> 01:16:05,199

good good thing you brought that up

2139

01:16:07,990 --> 01:16:06,640

because i did not get to this in the

2140

01:16:09,510 --> 01:16:08,000

first encounter

2141

01:16:11,669 --> 01:16:09,520

uh in the first interview we did

2142

01:16:14,470 --> 01:16:11,679

together and this was

2143

01:16:15,270 --> 01:16:14,480

i meant to date them this was uh january

2144

01:16:18,709 --> 01:16:15,280

27

2145

01:16:19,830 --> 01:16:18,719

2020 and this was like like a not too

2146

01:16:21,990 --> 01:16:19,840

long after i did that

2147

01:16:23,590 --> 01:16:22,000

interview on you know project camelot

2148

01:16:27,110 --> 01:16:23,600

which got you know where

2149

01:16:30,229 --> 01:16:27,120

china taken down but i

2150

01:16:33,270 --> 01:16:30,239

it's like two in the morning and

2151  
01:16:33,990 --> 01:16:33,280  
i've you know i'm coming too and i'm

2152  
01:16:35,590 --> 01:16:34,000  
being yelled

2153  
01:16:37,510 --> 01:16:35,600  
at i mean not you know that

2154  
01:16:39,510 --> 01:16:37,520  
telepathically i'm being yelled at

2155  
01:16:41,510 --> 01:16:39,520  
like there's a reptilian over me you

2156  
01:16:44,550 --> 01:16:41,520  
know inches away from me just

2157  
01:16:46,149 --> 01:16:44,560  
you know really intensely yelling at me

2158  
01:16:49,110 --> 01:16:46,159  
about

2159  
01:16:51,669 --> 01:16:49,120  
something called the third agency like

2160  
01:16:52,630 --> 01:16:51,679  
in a very dramatically in a very serious

2161  
01:16:55,430 --> 01:16:52,640  
tone

2162  
01:16:57,189 --> 01:16:55,440  
and i wake up i start inching away from

2163  
01:16:58,229 --> 01:16:57,199

them just instinctively just like what

2164

01:17:00,950 --> 01:16:58,239

the hell is there

2165

01:17:01,510 --> 01:17:00,960

fire is it like why are you yelling at

2166

01:17:03,189 --> 01:17:01,520

me

2167

01:17:05,590 --> 01:17:03,199

and it was in seconds i'm getting kind

2168

01:17:07,110 --> 01:17:05,600

of angry because it's like

2169

01:17:09,030 --> 01:17:07,120

what the hell like you know i could make

2170

01:17:10,390 --> 01:17:09,040

you see a third agency and

2171

01:17:13,669 --> 01:17:10,400

it's almost like yeah in the third

2172

01:17:15,270 --> 01:17:13,679

agency and that's all i remember is that

2173

01:17:16,070 --> 01:17:15,280

part of it because we're doing within

2174

01:17:18,709 --> 01:17:16,080

like 10 seconds

2175

01:17:21,350 --> 01:17:18,719

later you know i get this this sudden

2176

01:17:23,189 --> 01:17:21,360

move i need to go to sleep and i do

2177

01:17:24,790 --> 01:17:23,199

but during that brief moment when i woke

2178

01:17:26,950 --> 01:17:24,800

up when i was awake that wasn't

2179

01:17:27,990 --> 01:17:26,960

telepathic he was there i could feel his

2180

01:17:28,950 --> 01:17:28,000

breath hitting knees

2181

01:17:32,310 --> 01:17:28,960

yelling at me about the thing i'll

2182

01:17:34,229 --> 01:17:32,320

military agency and it's like

2183

01:17:35,590 --> 01:17:34,239

i had to do so much research here what

2184

01:17:37,189 --> 01:17:35,600

the hell he's talking about

2185

01:17:40,070 --> 01:17:37,199

it's clearly some kind of you know

2186

01:17:43,430 --> 01:17:40,080

insider code or window for something

2187

01:17:44,070 --> 01:17:43,440

and it turns out that's the defense

2188

01:17:47,750 --> 01:17:44,080

intelligence

2189

01:17:51,590 --> 01:17:47,760

agency that's like an insider speak

2190

01:17:53,830 --> 01:17:51,600

for d.i.a and it's funny because

2191

01:17:55,750 --> 01:17:53,840

another good question uh pragmatic is

2192

01:17:58,550 --> 01:17:55,760

how much david ike did you study before

2193

01:18:00,229 --> 01:17:58,560

your experience is that who all the news

2194

01:18:01,990 --> 01:18:00,239

were you familiar with david ike and his

2195

01:18:03,510 --> 01:18:02,000

theories before your experience did you

2196

01:18:05,430 --> 01:18:03,520

read any of his books before your

2197

01:18:07,830 --> 01:18:05,440

experience

2198

01:18:08,470 --> 01:18:07,840

i read i did actually read one of his

2199

01:18:11,189 --> 01:18:08,480

books

2200

01:18:12,310 --> 01:18:11,199

that like uh borders or bounty noble or

2201

01:18:15,030 --> 01:18:12,320

something for free yeah

2202

01:18:17,669 --> 01:18:15,040

that but i'd say my experiences are not

2203

01:18:20,790 --> 01:18:17,679

that's because i have not

2204

01:18:26,149 --> 01:18:20,800

well i put this way i i think

2205

01:18:29,430 --> 01:18:26,159

he goes way too far as far as

2206

01:18:30,790 --> 01:18:29,440

how you know pushing the idea that

2207

01:18:31,910 --> 01:18:30,800

repelling influence

2208

01:18:33,750 --> 01:18:31,920

is just everywhere and they're

2209

01:18:35,189 --> 01:18:33,760

controlling everything and they're

2210

01:18:39,270 --> 01:18:35,199

eating people like chicken

2211

01:18:40,950 --> 01:18:39,280

and uh it's it's over the top

2212

01:18:42,630 --> 01:18:40,960

you know and that's that based on my

2213

01:18:43,830 --> 01:18:42,640

experience if what dave knight was

2214

01:18:45,510 --> 01:18:43,840

saying is true

2215

01:18:47,350 --> 01:18:45,520

the reptilians wouldn't even allow the

2216

01:18:49,590 --> 01:18:47,360

military to use them

2217

01:18:51,110 --> 01:18:49,600

you know the crowd controls a rough

2218

01:18:52,950 --> 01:18:51,120

business i mean you have reptilians on

2219

01:18:55,350 --> 01:18:52,960

that mall preparing to be stabbed

2220

01:18:57,030 --> 01:18:55,360

and get you don't understand words and

2221

01:18:59,270 --> 01:18:57,040

that isn't likely one of them you know

2222

01:19:01,350 --> 01:18:59,280

to suffer when fighting humans because

2223

01:19:03,350 --> 01:19:01,360

a baseball bat's not going to work that

2224

01:19:06,229 --> 01:19:03,360

well uh they will put

2225

01:19:07,590 --> 01:19:06,239

domain besides gunfire the main injury

2226

01:19:09,030 --> 01:19:07,600

of all will suffer suffers

2227

01:19:10,630 --> 01:19:09,040

you know when you're fighting you know

2228

01:19:11,990 --> 01:19:10,640

crowds of losers there's someone running

2229

01:19:12,709 --> 01:19:12,000

up and stabbing a pocket knife and

2230

01:19:14,070 --> 01:19:12,719

running away

2231

01:19:15,510 --> 01:19:14,080

you see a lot of attacks they've gotten

2232

01:19:16,470 --> 01:19:15,520

israel now i'm not going to get

2233

01:19:18,950 --> 01:19:16,480

politically i'm not being

2234

01:19:21,189 --> 01:19:18,960

anti-palestinian or anything just saying

2235

01:19:22,390 --> 01:19:21,199

hit and run stabbing attacks are a big

2236

01:19:24,390 --> 01:19:22,400

threat to reptilians

2237

01:19:25,590 --> 01:19:24,400

we see it runs down any text to this day

2238

01:19:28,229 --> 01:19:25,600

you thinking this day you would still

2239

01:19:31,430 --> 01:19:28,239

see them but in some places that's still

2240

01:19:33,030 --> 01:19:31,440

uh challenging that stuff yeah next brad

2241

01:19:35,990 --> 01:19:33,040

what does your what does your family

2242

01:19:38,630 --> 01:19:36,000

think about what happened to you

2243

01:19:40,470 --> 01:19:38,640

you know the only other person who's had

2244

01:19:41,750 --> 01:19:40,480

similar experiences in my family is my

2245

01:19:44,790 --> 01:19:41,760

little brother

2246

01:19:46,390 --> 01:19:44,800

although he you know believes he only

2247

01:19:47,430 --> 01:19:46,400

remembers some grades from his

2248

01:19:48,870 --> 01:19:47,440

experience like

2249

01:19:50,950 --> 01:19:48,880

he doesn't like talking about though

2250

01:19:53,030 --> 01:19:50,960

he's not

2251  
01:19:54,310 --> 01:19:53,040  
he you know i've met other people in the

2252  
01:19:56,070 --> 01:19:54,320  
same way or

2253  
01:19:57,590 --> 01:19:56,080  
in private they'll talk to me about my

2254  
01:19:58,870 --> 01:19:57,600  
experiences

2255  
01:20:00,470 --> 01:19:58,880  
but even then they'll you know they

2256  
01:20:01,910 --> 01:20:00,480  
don't they'll enjoy it they don't like

2257  
01:20:05,030 --> 01:20:01,920  
talking about it

2258  
01:20:07,270 --> 01:20:05,040  
and but you know i don't really

2259  
01:20:08,149 --> 01:20:07,280  
relate a lot of my experiences my family

2260  
01:20:10,550 --> 01:20:08,159  
you know

2261  
01:20:11,990 --> 01:20:10,560  
i'm just not i don't need validation

2262  
01:20:12,950 --> 01:20:12,000  
from them or anything and i don't really

2263  
01:20:15,910 --> 01:20:12,960

care

2264

01:20:17,669 --> 01:20:15,920

i just you know i think that past a

2265

01:20:19,030 --> 01:20:17,679

certain stage of adulthood you can't let

2266

01:20:20,870 --> 01:20:19,040

your family

2267

01:20:22,709 --> 01:20:20,880

you know decide your personality or what

2268

01:20:24,629 --> 01:20:22,719

you believe what you don't believe

2269

01:20:26,310 --> 01:20:24,639

you know you ought to respect them but

2270

01:20:28,070 --> 01:20:26,320

as far as your views on things that's

2271

01:20:30,790 --> 01:20:28,080

that's you you don't live in the shadow

2272

01:20:33,110 --> 01:20:30,800

of uh whoever your family members are

2273

01:20:34,950 --> 01:20:33,120

that's there's so many people in

2274

01:20:35,910 --> 01:20:34,960

politics where their whole legacy is

2275

01:20:38,229 --> 01:20:35,920

just

2276

01:20:39,350 --> 01:20:38,239

you know the [h\_\_h] whoever their dad was

2277

01:20:41,910 --> 01:20:39,360

and how great their dad

2278

01:20:43,590 --> 01:20:41,920

is and it's like that's the most you

2279

01:20:44,470 --> 01:20:43,600

should like your dick but being this

2280

01:20:47,750 --> 01:20:44,480

perpetual

2281

01:20:49,189 --> 01:20:47,760

um you know always on the coattails of

2282

01:20:52,070 --> 01:20:49,199

whatever your dad

2283

01:20:53,990 --> 01:20:52,080

dad's doing and chewing him well into

2284

01:20:55,270 --> 01:20:54,000

adulthood middle age god knows what it's

2285

01:20:59,110 --> 01:20:55,280

like

2286

01:21:01,110 --> 01:20:59,120

it's not a healthy way to live as far as

2287

01:21:03,830 --> 01:21:01,120

yeah just my opinion you know as far as

2288

01:21:06,149 --> 01:21:03,840

opinions you gotta be your own person

2289

01:21:07,830 --> 01:21:06,159

yeah we we talked about this in a

2290

01:21:09,430 --> 01:21:07,840

previous interview but

2291

01:21:12,149 --> 01:21:09,440

have you done any kind of uh

2292

01:21:15,270 --> 01:21:12,159

psychotherapy about your experiences

2293

01:21:16,950 --> 01:21:15,280

or are you just absolutely certain that

2294

01:21:18,709 --> 01:21:16,960

what you experienced was real and not

2295

01:21:22,390 --> 01:21:18,719

any kind of mental

2296

01:21:24,709 --> 01:21:22,400

condition breakdown or delusion

2297

01:21:26,149 --> 01:21:24,719

i'm convinced it was real i don't do uh

2298

01:21:29,830 --> 01:21:26,159

Is i don't do

2299

01:21:30,870 --> 01:21:29,840

Isd marijuana i don't not say marijuana

2300

01:21:33,750 --> 01:21:30,880

would make you happy

2301

01:21:34,149 --> 01:21:33,760

i'm not attacking people who do i don't

2302

01:21:36,709 --> 01:21:34,159

you know

2303

01:21:38,310 --> 01:21:36,719

drink cannibally i drink maybe once

2304

01:21:40,550 --> 01:21:38,320

every few months socially

2305

01:21:41,990 --> 01:21:40,560

like for one night i've never had a dui

2306

01:21:46,070 --> 01:21:42,000

or anything either i don't have any

2307

01:21:48,470 --> 01:21:46,080

uh criminal record of any kind um

2308

01:21:50,149 --> 01:21:48,480

so no i don't believe it's it's not

2309

01:21:52,070 --> 01:21:50,159

consistently with any kind of mental

2310

01:21:53,750 --> 01:21:52,080

illness i have voices or anything i

2311

01:21:56,390 --> 01:21:53,760

don't uh

2312

01:21:57,590 --> 01:21:56,400

you know hallucinate uh in my

2313

01:21:59,110 --> 01:21:57,600

experiences sometimes they don't have

2314

01:22:01,510 --> 01:21:59,120

experience for like a whole year or two

2315

01:22:03,189 --> 01:22:01,520

years and then they're playing show up

2316

01:22:05,430 --> 01:22:03,199

they need to do x or y and it's like

2317

01:22:07,110 --> 01:22:05,440

okay we'll do x or y

2318

01:22:09,669 --> 01:22:07,120

um and that's the kind of thing a fair

2319

01:22:09,990 --> 01:22:09,679

pillions the gaps between abductions are

2320

01:22:12,229 --> 01:22:10,000

pretty

2321

01:22:14,070 --> 01:22:12,239

irregular whereas if you're a great

2322

01:22:15,910 --> 01:22:14,080

entity primarily

2323

01:22:17,189 --> 01:22:15,920

they'll come a lot more consistently

2324

01:22:18,070 --> 01:22:17,199

because grades are just in the

2325

01:22:20,229 --> 01:22:18,080

personality

2326

01:22:21,830 --> 01:22:20,239

you know being bought insects to kind of

2327

01:22:22,310 --> 01:22:21,840

oed they always want to check on your

2328

01:22:23,669 --> 01:22:22,320

health

2329

01:22:25,030 --> 01:22:23,679

you know check your blood pressure check

2330

01:22:26,470 --> 01:22:25,040

your stress you know come back check

2331

01:22:28,070 --> 01:22:26,480

again check again

2332

01:22:30,070 --> 01:22:28,080

the reptilians are more likely to sort

2333

01:22:31,270 --> 01:22:30,080

of barge into your life you know

2334

01:22:35,030 --> 01:22:31,280

and then you see them again in eight

2335

01:22:36,709 --> 01:22:35,040

months hey i need you for something

2336

01:22:38,229 --> 01:22:36,719

and that is always their attitude even

2337

01:22:40,950 --> 01:22:38,239

father at their teeth and then sort of

2338

01:22:41,910 --> 01:22:40,960

barging in it's very abrupt delayed that

2339

01:22:44,390 --> 01:22:41,920

style

2340

01:22:45,189 --> 01:22:44,400

i don't know if you ever saw um barbara

2341

01:22:47,350 --> 01:22:45,199

lamb

2342

01:22:48,709 --> 01:22:47,360

was talking about how once fully awake

2343

01:22:50,870 --> 01:22:48,719

in her house

2344

01:22:55,350 --> 01:22:50,880

fully like a reptilian just blocks it

2345

01:22:58,790 --> 01:22:57,590

i did a pretty contentious interview

2346

01:23:01,830 --> 01:22:58,800

with her over the book

2347

01:23:02,629 --> 01:23:01,840

hybrid humans or meet the hybrids it was

2348

01:23:05,110 --> 01:23:02,639

called

2349

01:23:07,030 --> 01:23:05,120

you know i challenged her to get me dna

2350

01:23:08,870 --> 01:23:07,040

samples and i would get them analyzed

2351

01:23:10,950 --> 01:23:08,880

and she wouldn't or could not do that

2352

01:23:13,590 --> 01:23:10,960

because they were afraid the government

2353

01:23:14,870 --> 01:23:13,600

was going to come after them or whatever

2354

01:23:17,270 --> 01:23:14,880

and i offered to

2355

01:23:19,350 --> 01:23:17,280

sign an nda that i wouldn't release the

2356

01:23:20,870 --> 01:23:19,360

results of the dna tests to any

2357

01:23:24,390 --> 01:23:20,880

government official or any

2358

01:23:25,910 --> 01:23:24,400

anyone else just me and the experience

2359

01:23:28,390 --> 01:23:25,920

you're gonna swap it out for one of

2360

01:23:28,629 --> 01:23:28,400

those uh simon parks nda's which isn't

2361

01:23:31,430 --> 01:23:28,639

and

2362

01:23:32,550 --> 01:23:31,440

it's just his idea of an nda yeah well

2363

01:23:34,070 --> 01:23:32,560

the point is that

2364

01:23:35,669 --> 01:23:34,080

she wouldn't agree to any kind of

2365

01:23:37,430 --> 01:23:35,679

scientific study

2366

01:23:38,950 --> 01:23:37,440

that would either confirm or deny all

2367

01:23:40,310 --> 01:23:38,960

the claims she made in her book which

2368

01:23:43,270 --> 01:23:40,320

made me very skeptical

2369

01:23:45,030 --> 01:23:43,280

so it was just stories then well yeah i

2370

01:23:48,229 --> 01:23:45,040

mean i i understand

2371

01:23:49,669 --> 01:23:48,239

because get her after reptilian

2372

01:23:52,470 --> 01:23:49,679

advocates get harassed even

2373

01:23:54,470 --> 01:23:52,480

worse because they know that these

2374

01:23:56,229 --> 01:23:54,480

reptilians have given us training

2375

01:23:57,510 --> 01:23:56,239

and we you know we're a little more

2376

01:23:59,110 --> 01:23:57,520

dangerous than gray advocates

2377

01:24:02,149 --> 01:23:59,120

potentially

2378

01:24:03,510 --> 01:24:02,159

so yeah i can understand paranoia among

2379

01:24:05,110 --> 01:24:03,520

advocates to share

2380

01:24:07,590 --> 01:24:05,120

and i've been warned by the way you know

2381

01:24:10,470 --> 01:24:07,600

don't keep you know

2382

01:24:12,709 --> 01:24:10,480

samples or tests or phone i've i've had

2383

01:24:14,390 --> 01:24:12,719

similar

2384

01:24:16,390 --> 01:24:14,400

warning some people and and i get it

2385

01:24:18,629 --> 01:24:16,400

because bet these do get

2386

01:24:20,629 --> 01:24:18,639

harassed if they go forward and when

2387

01:24:22,550 --> 01:24:20,639

they talk i had

2388

01:24:24,229 --> 01:24:22,560

god i talked to someone from my

2389

01:24:26,470 --> 01:24:24,239

discovery channel something from the

2390

01:24:28,229 --> 01:24:26,480

history channel

2391

01:24:30,390 --> 01:24:28,239

and during the interview with the

2392

01:24:33,590 --> 01:24:30,400

discover child guy

2393

01:24:35,270 --> 01:24:33,600

well we use some of the things

2394

01:24:36,629 --> 01:24:35,280

years ago i was going to potentially go

2395

01:24:38,470 --> 01:24:36,639

on a few different shows

2396

01:24:40,870 --> 01:24:38,480

and they contacted me and a few other

2397

01:24:42,629 --> 01:24:40,880

fds they were all lined up to go on

2398

01:24:43,990 --> 01:24:42,639

and then at the last minute everyone

2399

01:24:44,310 --> 01:24:44,000

backs out because they're afraid it's

2400

01:24:47,750 --> 01:24:44,320

not

2401

01:24:49,110 --> 01:24:47,760

get paid anything and that's really

2402

01:24:51,189 --> 01:24:49,120

you know people ask well where's all

2403

01:24:52,790 --> 01:24:51,199

these these well

2404

01:24:54,629 --> 01:24:52,800

the shows that go have you on aren't

2405

01:24:56,470 --> 01:24:54,639

going to pay you a dime and they put

2406

01:24:57,110 --> 01:24:56,480

your face out there and then it messes

2407

01:24:58,950 --> 01:24:57,120

up your

2408

01:25:01,270 --> 01:24:58,960

your career prospects and very few

2409

01:25:03,590 --> 01:25:01,280

people are willing to do that

2410

01:25:06,629 --> 01:25:03,600

and a lot of reptilian advocates too

2411

01:25:08,629 --> 01:25:06,639

tend to be in military or police sectors

2412

01:25:10,229 --> 01:25:08,639

and that's even more sensitive to get

2413

01:25:13,510 --> 01:25:10,239

your career ruined

2414

01:25:14,790 --> 01:25:13,520

so if you look at the herbert i'm sure

2415

01:25:16,950 --> 01:25:14,800

you've heard of this case

2416

01:25:18,550 --> 01:25:16,960

the uh herbert shermer infection he was

2417

01:25:22,669 --> 01:25:18,560

a police officer in the late 60s

2418

01:25:27,030 --> 01:25:24,070

s-c-h-i-r-m-e-r

2419

01:25:28,950 --> 01:25:27,040

you can look it up and it just ruined

2420

01:25:31,030 --> 01:25:28,960

his career afterwards it destroyed him

2421

01:25:32,310 --> 01:25:31,040

you know people backed him so much even

2422

01:25:33,590 --> 01:25:32,320

though he became chief of police he had

2423

01:25:37,669 --> 01:25:33,600

to resign

2424

01:25:39,430 --> 01:25:37,679

and that's really tragic um i i

2425

01:25:41,030 --> 01:25:39,440

i think his experience happened i mean

2426

01:25:41,990 --> 01:25:41,040

it wasn't a hostile experience he's

2427

01:25:43,830 --> 01:25:42,000

brought aboard this

2428

01:25:45,189 --> 01:25:43,840

reptilian ship and you know they showed

2429

01:25:48,310 --> 01:25:45,199

him the star

2430

01:25:50,790 --> 01:25:48,320

it's kind of similar to the whole um

2431

01:25:52,790 --> 01:25:50,800

the one similar similarity to the betty

2432

01:25:59,030 --> 01:25:52,800

and bonnie hill thing was the whole

2433

01:26:02,310 --> 01:26:00,629

so i think we're going to wrap things up

2434

01:26:03,669 --> 01:26:02,320

here but we'll take a very short break

2435

01:26:06,070 --> 01:26:03,679

so i can remind people

2436

01:26:07,990 --> 01:26:06,080

uh how they can support the show there's

2437

01:26:10,070 --> 01:26:08,000

a money button down there

2438

01:26:11,510 --> 01:26:10,080

uh you can sign up for patreon for as

2439

01:26:12,790 --> 01:26:11,520

little as a dollar a month we'll make a

2440

01:26:14,629 --> 01:26:12,800

paypal donation from

2441

01:26:16,709 --> 01:26:14,639

either the about section of our channel

2442

01:26:18,550 --> 01:26:16,719

or from the description

2443

01:26:19,750 --> 01:26:18,560

in the video gives instructions on how

2444

01:26:22,229 --> 01:26:19,760

to do that

2445

01:26:22,790 --> 01:26:22,239

um matt you're going to stick around uh

2446

01:26:24,629 --> 01:26:22,800

for

2447

01:26:25,990 --> 01:26:24,639

we'll just do a few minute bumper here

2448

01:26:27,430 --> 01:26:26,000

and then uh we'll

2449

01:26:28,950 --> 01:26:27,440

try to wrap things up any other

2450

01:26:31,510 --> 01:26:28,960

questions for matt please put them in

2451

01:26:35,030 --> 01:26:31,520

the live chat in all caps

2452

01:26:42,310 --> 01:26:35,040

and uh yeah so uh

2453

01:26:42,320 --> 01:26:48,470

here we go

2454

01:26:55,350 --> 01:26:52,870

okay so let me find my bumper here

2455

01:26:56,550 --> 01:26:55,360

so uh i found some comical ways to

2456

01:26:58,629 --> 01:26:56,560

remind people

2457

01:26:59,990 --> 01:26:58,639

to send us some money and and what i've

2458

01:27:02,709 --> 01:27:00,000

done is borrow

2459

01:27:04,070 --> 01:27:02,719

some televangelists to tell you how you

2460

01:27:06,229 --> 01:27:04,080

can help us

2461

01:27:07,750 --> 01:27:06,239

to praise the cash friends so if you'd

2462

01:27:08,870 --> 01:27:07,760

like to help us praise the cash get

2463

01:27:18,780 --> 01:27:08,880

those in

2464

01:27:29,910 --> 01:27:18,790

uh we'll be right back friends

2465

01:27:33,430 --> 01:27:31,750

here's what i want you to do if the lord

2466

01:27:35,110 --> 01:27:33,440

is speaking to you

2467

01:27:38,070 --> 01:27:35,120

let's just bring some baskets down just

2468

01:27:40,229 --> 01:27:38,080

leave them there i'm not finished

2469

01:27:41,430 --> 01:27:40,239

i got one more point to make this is

2470

01:27:43,830 --> 01:27:41,440

what i want you to do

2471

01:27:45,270 --> 01:27:43,840

thank you miss marguerita i brought her

2472

01:27:46,629 --> 01:27:45,280

because i want you to understand that

2473

01:27:49,189 --> 01:27:46,639

the work

2474

01:27:51,350 --> 01:27:49,199

must continue this is not a plea for

2475

01:27:53,189 --> 01:27:51,360

money it's a plea for partnership

2476  
01:27:55,430 --> 01:27:53,199  
so that we can be what we're supposed to

2477  
01:28:00,950 --> 01:27:57,669  
[Applause]

2478  
01:28:04,229 --> 01:28:00,960  
i just need 497 people

2479  
01:28:07,990 --> 01:28:04,239  
to say i'll do it

2480  
01:28:08,470 --> 01:28:08,000  
i'll do 300. i like being able to help

2481  
01:28:10,550 --> 01:28:08,480  
others

2482  
01:28:12,709 --> 01:28:10,560  
i like being able to fulfill my dreams

2483  
01:28:14,629 --> 01:28:12,719  
and you know it takes money to do

2484  
01:28:16,550 --> 01:28:14,639  
what we're doing that's you know that's

2485  
01:28:17,189 --> 01:28:16,560  
why god gives you influence to help the

2486  
01:28:18,870 --> 01:28:17,199  
world to make

2487  
01:28:20,149 --> 01:28:18,880  
make it a better place we don't ask for

2488  
01:28:21,270 --> 01:28:20,159

money and people send in millions of

2489

01:28:23,030 --> 01:28:21,280

dollars to help us

2490

01:28:24,470 --> 01:28:23,040

keep the broadcast on the air i don't

2491

01:28:26,870 --> 01:28:24,480

think there's anything wrong with

2492

01:28:28,790 --> 01:28:26,880

having a nice place to live and being

2493

01:28:30,390 --> 01:28:28,800

blessed and money should never be the

2494

01:28:31,110 --> 01:28:30,400

focus of your life if that's all you're

2495

01:28:32,790 --> 01:28:31,120

doing

2496

01:28:40,550 --> 01:28:32,800

that's shallow you should you know it

2497

01:28:45,350 --> 01:28:43,430

right you guys crazy guys crazy cash

2498

01:28:48,390 --> 01:28:45,360

thank you for your kindness

2499

01:28:57,750 --> 01:28:48,400

thank you for your generosity crazy cash

2500

01:29:00,310 --> 01:28:57,760

crazy cash raise the cash

2501  
01:29:02,229 --> 01:29:00,320  
what can i say folks good good help is

2502  
01:29:02,870 --> 01:29:02,239  
hard to find and there is a kind and

2503  
01:29:05,510 --> 01:29:02,880  
generous

2504  
01:29:06,390 --> 01:29:05,520  
two dollar super chat donation from f

2505  
01:29:08,709 --> 01:29:06,400  
graph 72

2506  
01:29:11,430 --> 01:29:08,719  
saying show share the love truth seekers

2507  
01:29:13,430 --> 01:29:11,440  
thank you fgrab72 for your kindness your

2508  
01:29:17,950 --> 01:29:13,440  
generosity and your support

2509  
01:29:23,270 --> 01:29:17,960  
and uh for for helping us to praise the

2510  
01:29:26,790 --> 01:29:26,229  
oh you've heard of the cash cow we have

2511  
01:29:30,229 --> 01:29:26,800  
a cash

2512  
01:29:31,510 --> 01:29:30,239  
clown here matt and uh every time

2513  
01:29:36,550 --> 01:29:31,520

somebody sends a super chat

2514

01:29:39,910 --> 01:29:38,390

i've seen that i saw that in your last

2515

01:29:41,669 --> 01:29:39,920

uh

2516

01:29:42,950 --> 01:29:41,679

yeah i think it's a good idea to have a

2517

01:29:45,990 --> 01:29:42,960

cash claim

2518

01:29:48,790 --> 01:29:46,000

that's my personal take

2519

01:29:50,629 --> 01:29:48,800

yeah viewer supported show here so uh

2520

01:29:52,950 --> 01:29:50,639

yeah we do what we can

2521

01:29:54,790 --> 01:29:52,960

to provide this type of content so if

2522

01:29:57,990 --> 01:29:54,800

you like it please do support us

2523

01:29:59,669 --> 01:29:58,000

so matt what what is next for you after

2524

01:30:01,350 --> 01:29:59,679

this incredible experience

2525

01:30:03,189 --> 01:30:01,360

what what what do you think is next are

2526

01:30:05,510 --> 01:30:03,199

you just going to keep continuing to try

2527

01:30:07,270 --> 01:30:05,520

to study this phenomenon and

2528

01:30:10,149 --> 01:30:07,280

understand what it is that happened to

2529

01:30:13,669 --> 01:30:12,629

you know yeah i mean that's really all i

2530

01:30:16,950 --> 01:30:13,679

can do i follow

2531

01:30:18,950 --> 01:30:16,960

uh like i said earlier

2532

01:30:21,270 --> 01:30:18,960

the confessionals podcast and the

2533

01:30:23,669 --> 01:30:21,280

phantoms and monsters blog and

2534

01:30:25,270 --> 01:30:23,679

whenever there's a new report abduction

2535

01:30:27,430 --> 01:30:25,280

it's really going to appear there

2536

01:30:29,350 --> 01:30:27,440

so it's a good place to sort of keep

2537

01:30:30,790 --> 01:30:29,360

abreast of the situation

2538

01:30:32,950 --> 01:30:30,800

but like i said at the beginning of the

2539

01:30:35,110 --> 01:30:32,960

interview most of the stuff i do on the

2540

01:30:38,390 --> 01:30:35,120

internet or watch has nothing to do with

2541

01:30:39,990 --> 01:30:38,400

aliens so i'm not like obsessively

2542

01:30:41,430 --> 01:30:40,000

going over it so i probably missed

2543

01:30:45,030 --> 01:30:41,440

something occasionally

2544

01:30:46,870 --> 01:30:45,040

i'm not you know i but there are

2545

01:30:48,709 --> 01:30:46,880

like a few good places like that where

2546

01:30:51,350 --> 01:30:48,719

they do collate

2547

01:30:52,470 --> 01:30:51,360

freshly reported abduction sightings and

2548

01:30:55,910 --> 01:30:52,480

whatnot

2549

01:30:56,390 --> 01:30:55,920

um i just grabbed some water here by the

2550

01:30:58,229 --> 01:30:56,400

way and

2551  
01:31:01,430 --> 01:30:58,239  
i'm gonna do another marco rubios let me

2552  
01:31:03,750 --> 01:31:01,440  
just say really whatever you need to do

2553  
01:31:05,110 --> 01:31:03,760  
and someone else here rayquar asks a

2554  
01:31:06,149 --> 01:31:05,120  
very important question did you say

2555  
01:31:08,629 --> 01:31:06,159  
there were other

2556  
01:31:10,310 --> 01:31:08,639  
uh you know police officers in this

2557  
01:31:12,629 --> 01:31:10,320  
training with you

2558  
01:31:14,790 --> 01:31:12,639  
and and rayquar is asking is there

2559  
01:31:17,189 --> 01:31:14,800  
anyone else that will back up your story

2560  
01:31:18,709 --> 01:31:17,199  
have you contacted them have you talked

2561  
01:31:19,669 --> 01:31:18,719  
to the other people that you know were

2562  
01:31:22,550 --> 01:31:19,679  
at this

2563  
01:31:25,750 --> 01:31:22,560

reptilian alien training session and try

2564

01:31:28,310 --> 01:31:25,760

to get them to go on the record with you

2565

01:31:30,709 --> 01:31:28,320

i i tried i drove i drove back down to

2566

01:31:34,709 --> 01:31:30,719

goings like 2011

2567

01:31:36,790 --> 01:31:34,719

and i tried very desperately

2568

01:31:38,149 --> 01:31:36,800

to get anyone any of these other guys

2569

01:31:40,149 --> 01:31:38,159

come forward but they're all

2570

01:31:41,750 --> 01:31:40,159

they're all still on the job in many

2571

01:31:43,669 --> 01:31:41,760

cases they're promoted or they're still

2572

01:31:45,830 --> 01:31:43,679

in the military

2573

01:31:47,030 --> 01:31:45,840

and if it wasn't for my car accident i

2574

01:31:48,709 --> 01:31:47,040

wouldn't be you know

2575

01:31:50,310 --> 01:31:48,719

talking to you right now and that that

2576

01:31:51,270 --> 01:31:50,320

is one of those moments where i sort of

2577

01:31:54,870 --> 01:31:51,280

re-thought my

2578

01:31:57,350 --> 01:31:54,880

career and direction in life and

2579

01:31:59,030 --> 01:31:57,360

if i was still in some military or

2580

01:32:01,350 --> 01:31:59,040

police capacity

2581

01:32:02,709 --> 01:32:01,360

even with trying to use anonymity if

2582

01:32:04,390 --> 01:32:02,719

someone would probably figure out who i

2583

01:32:05,510 --> 01:32:04,400

am or track me down and we would never

2584

01:32:08,709 --> 01:32:05,520

be talking right now

2585

01:32:09,750 --> 01:32:08,719

so so i get it why it's hard to get

2586

01:32:13,030 --> 01:32:09,760

anyone else

2587

01:32:14,390 --> 01:32:13,040

you know maybe with all this uh public

2588

01:32:18,709 --> 01:32:14,400

push for

2589

01:32:21,590 --> 01:32:18,719

making the ufo issue less of a stigma

2590

01:32:22,470 --> 01:32:21,600

maybe we will maybe one of them will

2591

01:32:24,790 --> 01:32:22,480

come forward

2592

01:32:26,470 --> 01:32:24,800

i don't know i mean i'm i'm glad that

2593

01:32:28,470 --> 01:32:26,480

the don't want does have a case

2594

01:32:29,990 --> 01:32:28,480

so somewhere in the mind from the 60s

2595

01:32:34,709 --> 01:32:30,000

that's

2596

01:32:36,070 --> 01:32:34,719

because i know this kind of thing has

2597

01:32:37,990 --> 01:32:36,080

happened before it's happening other

2598

01:32:40,470 --> 01:32:38,000

people it wasn't just this one night

2599

01:32:42,229 --> 01:32:40,480

in one model with one group of people

2600

01:32:43,830 --> 01:32:42,239

the military doesn't you know

2601

01:32:46,070 --> 01:32:43,840

do one-offs like that especially

2602

01:32:48,310 --> 01:32:46,080

something that big so it's definitely

2603

01:32:51,350 --> 01:32:48,320

part of something or a pattern

2604

01:32:53,750 --> 01:32:51,360

and i would recommend people you know

2605

01:32:54,709 --> 01:32:53,760

i'm not 100 endorsing you know how dylan

2606

01:32:57,189 --> 01:32:54,719

does everything but

2607

01:32:58,229 --> 01:32:57,199

what the alien agenda's book it covers

2608

01:33:00,149 --> 01:32:58,239

you know grays and

2609

01:33:03,110 --> 01:33:00,159

cases and nordic cases and repelling

2610

01:33:06,229 --> 01:33:03,120

cases i think it really takes a very

2611

01:33:06,790 --> 01:33:06,239

uh you know a broad view of the whole

2612

01:33:08,950 --> 01:33:06,800

with

2613

01:33:10,470 --> 01:33:08,960

tries not to be cheap bias like almost

2614

01:33:12,709 --> 01:33:10,480

everyone else does

2615

01:33:14,149 --> 01:33:12,719

but speaking of bias the herbert sherman

2616

01:33:15,750 --> 01:33:14,159

thing brings something up and that is

2617

01:33:18,229 --> 01:33:15,760

rich your gears and systems

2618

01:33:19,830 --> 01:33:18,239

aliens you know they don't have weapons

2619

01:33:21,189 --> 01:33:19,840

in space you can't bring weapons

2620

01:33:23,270 --> 01:33:21,199

anywhere

2621

01:33:24,229 --> 01:33:23,280

you said richard gere i think i think

2622

01:33:27,590 --> 01:33:24,239

you mean uh

2623

01:33:33,030 --> 01:33:30,229

yeah he said richard gere and i was like

2624

01:33:36,070 --> 01:33:33,040

wait richard gear's talking about rico

2625

01:33:37,189 --> 01:33:36,080

yeah yes uh haley alien researcher

2626

01:33:40,790 --> 01:33:37,199

richard grieco

2627

01:33:42,790 --> 01:33:40,800

no steven grier um

2628

01:33:44,229 --> 01:33:42,800

he yeah he's making this idea that

2629

01:33:45,910 --> 01:33:44,239

always dealings are peaceful he can't

2630

01:33:48,229 --> 01:33:45,920

have weapons in space

2631

01:33:49,510 --> 01:33:48,239

i agree that aliens don't like do not

2632

01:33:51,030 --> 01:33:49,520

like nuclear weapons

2633

01:33:53,350 --> 01:33:51,040

and they have shut them down they have

2634

01:33:56,790 --> 01:33:53,360

more people about them but guess what

2635

01:33:58,310 --> 01:33:56,800

i own a few firearms i you know i

2636

01:33:59,830 --> 01:33:58,320

almost always have a knife on me but i

2637

01:34:01,669 --> 01:33:59,840

hate nuclear weapons too i think they

2638

01:34:04,149 --> 01:34:01,679

should have never been invented

2639

01:34:05,750 --> 01:34:04,159

the fact that aliens don't like nukes it

2640

01:34:06,149 --> 01:34:05,760

just common sense it doesn't mean

2641

01:34:08,870 --> 01:34:06,159

they're

2642

01:34:10,229 --> 01:34:08,880

all pacifists i mean in the sherm

2643

01:34:12,070 --> 01:34:10,239

reduction he's walking around this

2644

01:34:13,669 --> 01:34:12,080

reptilian ship with his revolver and his

2645

01:34:14,870 --> 01:34:13,679

damn hit they didn't take it away from

2646

01:34:16,629 --> 01:34:14,880

them

2647

01:34:18,390 --> 01:34:16,639

at one point if you read the details of

2648

01:34:20,310 --> 01:34:18,400

the abduction one for me to comment like

2649

01:34:22,470 --> 01:34:20,320

you know people are always shooting

2650

01:34:23,430 --> 01:34:22,480

those guns in their ship but it's not

2651  
01:34:25,910 --> 01:34:23,440  
going to do anything

2652  
01:34:27,030 --> 01:34:25,920  
and you know it's which is true you know

2653  
01:34:30,229 --> 01:34:27,040  
people do

2654  
01:34:32,550 --> 01:34:30,239  
open fire and ufos of handguns and

2655  
01:34:33,430 --> 01:34:32,560  
rifles and maybe you'll make a dent but

2656  
01:34:36,229 --> 01:34:33,440  
you're not going to

2657  
01:34:37,910 --> 01:34:36,239  
take that a ufo for 38 special but the

2658  
01:34:40,870 --> 01:34:37,920  
point being

2659  
01:34:42,950 --> 01:34:40,880  
you know career is really extrapolating

2660  
01:34:43,830 --> 01:34:42,960  
alien dislike of nukes into alien

2661  
01:34:46,550 --> 01:34:43,840  
pacifism

2662  
01:34:47,830 --> 01:34:46,560  
and those two things that nothing to do

2663  
01:34:48,550 --> 01:34:47,840

with each other well that i agree with

2664

01:34:52,950 --> 01:34:48,560

nothing

2665

01:34:54,950 --> 01:34:52,960

yeah absolutely sure okay

2666

01:34:56,070 --> 01:34:54,960

yeah i dislike nuclear weapons as well

2667

01:34:59,669 --> 01:34:56,080

but i consider them

2668

01:35:01,990 --> 01:34:59,679

perhaps a necessary evil you know

2669

01:35:03,910 --> 01:35:02,000

it's kind of like if i was if i was in a

2670

01:35:04,310 --> 01:35:03,920

fight and the other guy had a baseball

2671

01:35:07,910 --> 01:35:04,320

bat

2672

01:35:10,709 --> 01:35:07,920

so

2673

01:35:11,830 --> 01:35:10,719

this is just our arms have just

2674

01:35:14,070 --> 01:35:11,840

increased throughout

2675

01:35:17,109 --> 01:35:14,080

history until now we can literally

2676

01:35:21,510 --> 01:35:17,119

destroy our planet so

2677

01:35:23,669 --> 01:35:21,520

yeah it's i mean it was a mistake

2678

01:35:25,669 --> 01:35:23,679

and we did it in a rush because of world

2679

01:35:27,189 --> 01:35:25,679

war ii really a lot of the scientists

2680

01:35:29,350 --> 01:35:27,199

even working on the nukes were like what

2681

01:35:30,950 --> 01:35:29,360

are we doing we shouldn't be doing this

2682

01:35:32,470 --> 01:35:30,960

but you know if you're living in that

2683

01:35:34,629 --> 01:35:32,480

era of

2684

01:35:37,669 --> 01:35:34,639

you know the height of the the panic of

2685

01:35:42,629 --> 01:35:39,669

he said i've become death the destroyer

2686

01:35:44,629 --> 01:35:42,639

of worlds it it it is

2687

01:35:46,629 --> 01:35:44,639

even a limited nuclear exchange let's

2688

01:35:48,390 --> 01:35:46,639

say a very light limited nuclear

2689

01:35:51,590 --> 01:35:48,400  
exchange

2690

01:35:53,189 --> 01:35:51,600  
would be the worst environmental

2691

01:35:55,430 --> 01:35:53,199  
disaster the world's ever seen

2692

01:35:57,750 --> 01:35:55,440  
forget you know the global you know all

2693

01:35:59,109 --> 01:35:57,760  
the bonds went up just a light exchange

2694

01:36:02,550 --> 01:35:59,119  
would be like

2695

01:36:03,430 --> 01:36:02,560  
a horror show so i guess but you know so

2696

01:36:05,270 --> 01:36:03,440  
yeah they don't

2697

01:36:06,950 --> 01:36:05,280  
i agree with it they should be trying to

2698

01:36:08,470 --> 01:36:06,960  
shut them down i think theoretically

2699

01:36:09,590 --> 01:36:08,480  
everyone on earth should agree to get

2700

01:36:12,470 --> 01:36:09,600  
rid of them because okay

2701  
01:36:14,470 --> 01:36:12,480  
maybe we'll bring back trench combat or

2702  
01:36:17,270 --> 01:36:14,480  
god knows whether take combat

2703  
01:36:18,790 --> 01:36:17,280  
but the worst you know infantry combat

2704  
01:36:21,590 --> 01:36:18,800  
can't compare to

2705  
01:36:30,550 --> 01:36:21,600  
even a small nuclear war in terms of the

2706  
01:36:34,070 --> 01:36:32,229  
yeah yeah i guess we're going to wrap

2707  
01:36:35,590 --> 01:36:34,080  
things up here i'll place out a short

2708  
01:36:36,149 --> 01:36:35,600  
bumper if you want to stay online for a

2709  
01:36:39,109 --> 01:36:36,159  
moment

2710  
01:36:40,629 --> 01:36:39,119  
uh i want to thank each and every book

2711  
01:36:41,350 --> 01:36:40,639  
each and every audience member for

2712  
01:36:45,109 --> 01:36:41,360  
joining us

2713  
01:36:47,510 --> 01:36:45,119

and indulging me you see i i could do

2714

01:36:49,590 --> 01:36:47,520

some of these things offline and just

2715

01:36:51,189 --> 01:36:49,600

have this conversation privately

2716

01:36:53,590 --> 01:36:51,199

but i thought it better to share it with

2717

01:36:56,070 --> 01:36:53,600

my friends here who may have a similar

2718

01:36:57,750 --> 01:36:56,080

interest in some of these subjects so i

2719

01:37:00,229 --> 01:36:57,760

want to thank our guests tonight

2720

01:37:00,790 --> 01:37:00,239

and matt i want to thank our incredible

2721

01:37:02,709 --> 01:37:00,800

audience

2722

01:37:05,510 --> 01:37:02,719

from all around the world international

2723

01:37:08,390 --> 01:37:05,520

audience i'm so proud of that

2724

01:37:09,830 --> 01:37:08,400

so until next time friends uh my name is

2725

01:37:20,490 --> 01:37:09,840

stephen champion
