

NATIONAL PRESS CLUB

1  
00:00:38,600 --> 00:00:28,680  
[Music]

2  
00:00:38,610 --> 00:00:43,200  
[Applause]

3  
00:00:43,210 --> 00:01:10,830  
[Music]

4  
00:01:33,120 --> 00:01:13,510  
so

5  
00:03:53,990 --> 00:01:55,080  
[Music]

6  
00:04:00,869 --> 00:03:57,270  
greetings and salutations friends uh i

7  
00:04:04,630 --> 00:04:00,879  
apologize for the late start of the show

8  
00:04:07,750 --> 00:04:04,640  
it's been really difficult to get here

9  
00:04:11,270 --> 00:04:07,760  
uh you know i go down these real small

10  
00:04:13,910 --> 00:04:11,280  
highways right like

11  
00:04:14,470 --> 00:04:13,920  
small two-lane highways to get to the

12  
00:04:16,870 --> 00:04:14,480  
cabin

13  
00:04:18,310 --> 00:04:16,880

and there's always something going on

14

00:04:20,150 --> 00:04:18,320

and

15

00:04:21,990 --> 00:04:20,160

there's something going on here i'm

16

00:04:24,469 --> 00:04:22,000

sorry for that noise that is an ice

17

00:04:27,350 --> 00:04:24,479

machine a tabletop ice machine

18

00:04:28,950 --> 00:04:27,360

um so yeah of course there was an

19

00:04:31,189 --> 00:04:28,960

accident getting here

20

00:04:32,469 --> 00:04:31,199

i'm having a real hard time you know i

21

00:04:33,909 --> 00:04:32,479

leave around six

22

00:04:35,670 --> 00:04:33,919

and it's supposed to be a two hour drive

23

00:04:37,270 --> 00:04:35,680

sometimes it turns into a two and a half

24

00:04:40,830 --> 00:04:37,280

or three hour drive if there's something

25

00:04:45,749 --> 00:04:43,110

um yeah real funny

26  
00:04:47,030 --> 00:04:45,759  
now contact cw channel make fun of a

27  
00:04:50,629 --> 00:04:47,040  
dead guy

28  
00:04:51,510 --> 00:04:50,639  
um so yeah i apologize for the late

29  
00:04:55,350 --> 00:04:51,520  
start of the show

30  
00:04:58,070 --> 00:04:55,360  
i'm here i'm at the cabin um

31  
00:04:58,390 --> 00:04:58,080  
and uh yeah we're just a little bit late

32  
00:05:00,550 --> 00:04:58,400  
so

33  
00:05:02,710 --> 00:05:00,560  
you may remember that we covered in two

34  
00:05:06,390 --> 00:05:02,720  
previous episodes of truth seekers the

35  
00:05:08,710 --> 00:05:06,400  
rampant conspiracy land

36  
00:05:10,870 --> 00:05:08,720  
fairy tales and rumors that were going

37  
00:05:13,510 --> 00:05:10,880  
around concerning the tragic death of

38  
00:05:15,510 --> 00:05:13,520

mark mccandless for those not aware

39

00:05:18,390 --> 00:05:15,520

uh were familiar with mark mccann which

40

00:05:20,550 --> 00:05:18,400

mark mccandless was one of the original

41

00:05:22,310 --> 00:05:20,560

uh people giving testimony to stephen

42

00:05:26,469 --> 00:05:22,320

greer's disclosure project

43

00:05:30,870 --> 00:05:26,479

at that press club event

44

00:05:33,510 --> 00:05:30,880

but previous to that really he began uh

45

00:05:35,830 --> 00:05:33,520

making his way into the ufo community

46

00:05:40,070 --> 00:05:39,110

lecturing and talking very openly about

47

00:05:43,189 --> 00:05:40,080

something called the

48

00:05:46,390 --> 00:05:43,199

arv the alien reproduction

49

00:05:49,830 --> 00:05:46,400

vehicle and just to summarize apparently

50

00:05:51,590 --> 00:05:49,840

uh one of mr mccandless close friends

51  
00:05:53,830 --> 00:05:51,600  
and by the way mr mckinless was an

52  
00:05:55,830 --> 00:05:53,840  
aviation illustrator and you probably

53  
00:06:00,230 --> 00:05:55,840  
have seen his work

54  
00:06:01,990 --> 00:06:00,240  
on covers of popular magazines like omni

55  
00:06:06,230 --> 00:06:02,000  
other science magazines popular

56  
00:06:08,550 --> 00:06:06,240  
mechanics popular science

57  
00:06:10,150 --> 00:06:08,560  
but he became known to the ufo community

58  
00:06:13,510 --> 00:06:10,160  
because a friend of his

59  
00:06:17,029 --> 00:06:13,520  
attended an event in which

60  
00:06:20,550 --> 00:06:17,039  
there was a public

61  
00:06:23,110 --> 00:06:20,560  
air force show you know

62  
00:06:24,710 --> 00:06:23,120  
uh where aircraft are on display and

63  
00:06:26,950 --> 00:06:24,720

maybe the blue angels

64

00:06:28,390 --> 00:06:26,960

will fly or the thunderbirds do stunt

65

00:06:32,950 --> 00:06:28,400

flights

66

00:06:36,070 --> 00:06:32,960

and things like that but at that same

67

00:06:40,230 --> 00:06:36,080

public air force show there was

68

00:06:45,110 --> 00:06:40,240

a very private showing of some

69

00:06:50,150 --> 00:06:45,120

highly classified aircraft including

70

00:06:53,670 --> 00:06:51,670

what could only be described as an

71

00:06:55,909 --> 00:06:53,680

aurora aircraft

72

00:06:57,670 --> 00:06:55,919

uh which would be the predecessor to the

73

00:07:00,790 --> 00:06:57,680

sr-71 blackbird

74

00:07:03,029 --> 00:07:00,800

that many have theorized exists

75

00:07:05,909 --> 00:07:03,039

and so on in conspiracy land but the

76  
00:07:08,070 --> 00:07:05,919  
government has never acknowledged exists

77  
00:07:09,909 --> 00:07:08,080  
and then of course were these things

78  
00:07:10,230 --> 00:07:09,919  
that mark mccandless would later call

79  
00:07:16,070 --> 00:07:10,240  
the

80  
00:07:18,070 --> 00:07:16,080  
and now it's claimed by mark mccandless

81  
00:07:21,270 --> 00:07:18,080  
and others that these

82  
00:07:23,830 --> 00:07:21,280  
aircraft were real developed in the 50s

83  
00:07:26,629 --> 00:07:23,840  
late 50s early 60s

84  
00:07:27,350 --> 00:07:26,639  
from back engineering aliens propulsion

85  
00:07:30,309 --> 00:07:27,360  
systems

86  
00:07:31,990 --> 00:07:30,319  
from recovered craft at least that's the

87  
00:07:35,189 --> 00:07:32,000  
story

88  
00:07:38,230 --> 00:07:35,199

as mark mccandless told it

89

00:07:40,309 --> 00:07:38,240

now tragically

90

00:07:42,230 --> 00:07:40,319

uh not long ago mark mccandlish

91

00:07:45,990 --> 00:07:42,240

committed suicide

92

00:07:48,790 --> 00:07:46,000

and any time something like that happens

93

00:07:51,990 --> 00:07:48,800

to somebody in conspiracy land

94

00:07:54,469 --> 00:07:52,000

rumors start to fly and immediately

95

00:07:56,309 --> 00:07:54,479

uh people began peddling stories most

96

00:07:59,430 --> 00:07:56,319

notably robert morningstar

97

00:08:03,029 --> 00:07:59,440

and carrie cassidy of project camelot

98

00:08:05,749 --> 00:08:03,039

i mean scam a lot carrie cassidy

99

00:08:06,230 --> 00:08:05,759

is about as credible as a crack head

100

00:08:09,029 --> 00:08:06,240

there

101  
00:08:09,589 --> 00:08:09,039  
i said it uh carrie cassidy's been

102  
00:08:12,230 --> 00:08:09,599  
peddling

103  
00:08:14,230 --> 00:08:12,240  
fake stories about aliens and ufos and

104  
00:08:17,830 --> 00:08:14,240  
all manner of things

105  
00:08:20,070 --> 00:08:17,840  
since she began she has no credibility

106  
00:08:22,309 --> 00:08:20,080  
she uses sources like convicted child

107  
00:08:25,029 --> 00:08:22,319  
molesters and convicted murderers

108  
00:08:26,230 --> 00:08:25,039  
talking about aliens as some sort of

109  
00:08:29,990 --> 00:08:26,240  
proof

110  
00:08:37,110 --> 00:08:34,310  
so upon mark mccandless tragic suicide

111  
00:08:39,029 --> 00:08:37,120  
stupid people like gary cassidy you know

112  
00:08:41,350 --> 00:08:39,039  
i shouldn't call her stupid

113  
00:08:42,949 --> 00:08:41,360

let's just say less than credible people

114

00:08:45,269 --> 00:08:42,959

like carrie cassidy

115

00:08:46,230 --> 00:08:45,279

along with robert morningstar and a few

116

00:08:48,949 --> 00:08:46,240

lesser-known

117

00:08:50,070 --> 00:08:48,959

conspiracy land characters started

118

00:08:53,670 --> 00:08:50,080

pushing a theory

119

00:08:56,070 --> 00:08:53,680

that mark mccandlish had been murdered

120

00:08:58,150 --> 00:08:56,080

they also indicated or they also

121

00:08:59,990 --> 00:08:58,160

included in their conspiracy land

122

00:09:00,949 --> 00:09:00,000

fantasy stories which i believe were

123

00:09:03,269 --> 00:09:00,959

concocted

124

00:09:05,030 --> 00:09:03,279

and invented purely to get clicks and

125

00:09:08,070 --> 00:09:05,040

views

126

00:09:11,350 --> 00:09:08,080

they claimed in their conspiracy

127

00:09:14,230 --> 00:09:11,360

land fairy tales that mark mccandless

128

00:09:15,750 --> 00:09:14,240

died of a shotgun players to the head we

129

00:09:18,630 --> 00:09:15,760

called the local coroner

130

00:09:19,190 --> 00:09:18,640

we spoke to the investigative uh police

131

00:09:22,949 --> 00:09:19,200

officer

132

00:09:24,949 --> 00:09:22,959

who originally investigated this

133

00:09:26,790 --> 00:09:24,959

tragic suicide and discovered mark's

134

00:09:29,990 --> 00:09:26,800

body and everything else

135

00:09:31,030 --> 00:09:30,000

and we dispelled most of the conspiracy

136

00:09:33,110 --> 00:09:31,040

land rumors

137

00:09:34,389 --> 00:09:33,120

that people like carrie cassidy of

138

00:09:37,990 --> 00:09:34,399

project scam a lot

139

00:09:40,790 --> 00:09:38,000

and robert morningstar were peddling

140

00:09:43,190 --> 00:09:40,800

i considered that a public service i did

141

00:09:45,269 --> 00:09:43,200

not know mark mccandless well i spoke to

142

00:09:47,350 --> 00:09:45,279

him on the phone

143

00:09:48,310 --> 00:09:47,360

half a dozen times always requesting an

144

00:09:52,070 --> 00:09:48,320

interview and he

145

00:09:55,430 --> 00:09:52,080

always um told me that

146

00:09:58,790 --> 00:09:55,440

he was trying to uh you know remain

147

00:10:00,389 --> 00:09:58,800

private and not so public anymore and so

148

00:10:02,550 --> 00:10:00,399

while he wouldn't grant me a public

149

00:10:04,230 --> 00:10:02,560

interview he did let me ask him

150

00:10:07,509 --> 00:10:04,240

questions and talk to him

151  
00:10:08,069 --> 00:10:07,519  
uh half a dozen times each time i called

152  
00:10:10,069 --> 00:10:08,079  
him

153  
00:10:11,590 --> 00:10:10,079  
it was to ask for an interview that i

154  
00:10:14,150 --> 00:10:11,600  
would never get

155  
00:10:14,790 --> 00:10:14,160  
and uh you know but i respected his

156  
00:10:17,430 --> 00:10:14,800  
wishes

157  
00:10:18,470 --> 00:10:17,440  
and he allowed me to ask him many many

158  
00:10:20,230 --> 00:10:18,480  
questions

159  
00:10:22,550 --> 00:10:20,240  
and someday maybe i will talk in more

160  
00:10:24,230 --> 00:10:22,560  
detail about that i have detailed notes

161  
00:10:25,350 --> 00:10:24,240  
from each conversation that i had with

162  
00:10:27,110 --> 00:10:25,360  
him

163  
00:10:28,550 --> 00:10:27,120

because he wouldn't allow me to record

164

00:10:32,630 --> 00:10:28,560

the phone calls but

165

00:10:34,550 --> 00:10:32,640

i take notes i have a very unclicky

166

00:10:38,069 --> 00:10:34,560

quiet keyboard at home that i use

167

00:10:41,750 --> 00:10:38,079

just for that purpose um

168

00:10:43,670 --> 00:10:41,760

so robert morningstar carrie cassidy

169

00:10:45,030 --> 00:10:43,680

and others began spreading these

170

00:10:47,190 --> 00:10:45,040

ridiculous rumors

171

00:10:48,550 --> 00:10:47,200

and the rumors went something like the

172

00:10:50,870 --> 00:10:48,560

men in black killed him

173

00:10:51,910 --> 00:10:50,880

the government killed him the cia killed

174

00:10:54,710 --> 00:10:51,920

him

175

00:10:56,389 --> 00:10:54,720

and they all made ridiculous claims like

176

00:10:59,509 --> 00:10:56,399

he would never kill himself

177

00:11:00,630 --> 00:10:59,519

he wasn't depressed he wasn't suicidal

178

00:11:02,949 --> 00:11:00,640

but throughout the course of

179

00:11:05,110 --> 00:11:02,959

investigating this man's tragic death i

180

00:11:05,670 --> 00:11:05,120

found many different sources very close

181

00:11:07,509 --> 00:11:05,680

to him

182

00:11:08,710 --> 00:11:07,519

who confirmed for me that mark

183

00:11:11,910 --> 00:11:08,720

mccandless was

184

00:11:13,509 --> 00:11:11,920

clinically depressed not just depressed

185

00:11:15,030 --> 00:11:13,519

but clinically depressed that means he'd

186

00:11:18,310 --> 00:11:15,040

been diagnosed with

187

00:11:20,870 --> 00:11:18,320

clinical depression by a medical doctor

188

00:11:22,790 --> 00:11:20,880

even may uh i was told by someone very

189

00:11:25,910 --> 00:11:22,800

close to him that he was on medication

190

00:11:27,590 --> 00:11:25,920

for major depression another source told

191

00:11:27,990 --> 00:11:27,600

me that mark mccandless for at least the

192

00:11:30,310 --> 00:11:28,000

past

193

00:11:31,910 --> 00:11:30,320

two or three years was having a horrible

194

00:11:35,030 --> 00:11:31,920

horrible time

195

00:11:37,190 --> 00:11:35,040

just trying to make ends meet

196

00:11:38,870 --> 00:11:37,200

and you know pay his rent and pay his

197

00:11:41,590 --> 00:11:38,880

bills and keep afloat

198

00:11:43,509 --> 00:11:41,600

he was having tremendous tremendous

199

00:11:44,949 --> 00:11:43,519

financial difficulties

200

00:11:47,190 --> 00:11:44,959

mark mccandless talked about this

201  
00:11:49,750 --> 00:11:47,200  
himself in one interview

202  
00:11:50,949 --> 00:11:49,760  
previous to his death commenting on the

203  
00:11:54,150 --> 00:11:50,959  
fact that

204  
00:11:57,829 --> 00:11:54,160  
his previous profession which was to be

205  
00:12:01,590 --> 00:11:57,839  
an an aircraft illustrator

206  
00:12:03,750 --> 00:12:01,600  
was largely destroyed by cgi

207  
00:12:05,910 --> 00:12:03,760  
people did not want hand-drawn

208  
00:12:06,629 --> 00:12:05,920  
illustrations on the covers of magazines

209  
00:12:08,310 --> 00:12:06,639  
anymore

210  
00:12:09,829 --> 00:12:08,320  
everybody was using computers and for

211  
00:12:13,590 --> 00:12:09,839  
whatever reason

212  
00:12:16,790 --> 00:12:13,600  
mark never uh never learned

213  
00:12:18,230 --> 00:12:16,800

that as a skill he hand drew

214

00:12:20,069 --> 00:12:18,240

everything the old-fashioned way you

215

00:12:23,110 --> 00:12:20,079

know with pencils and rulers and

216

00:12:26,310 --> 00:12:23,120

pens and ink um

217

00:12:28,629 --> 00:12:26,320

so it it's very tragic that this man

218

00:12:30,790 --> 00:12:28,639

kind of lost his career because of the

219

00:12:33,990 --> 00:12:30,800

march of technology

220

00:12:36,230 --> 00:12:34,000

but one can easily see how losing your

221

00:12:38,550 --> 00:12:36,240

entire career and he

222

00:12:39,590 --> 00:12:38,560

had a great career friends his artwork

223

00:12:43,829 --> 00:12:39,600

was on the cover of

224

00:12:47,750 --> 00:12:43,839

major national publications for years

225

00:12:50,150 --> 00:12:47,760

in the 80s and even into the early 90s

226

00:12:51,190 --> 00:12:50,160

i have a i believe it's a popular

227

00:12:56,710 --> 00:12:51,200

mechanic

228

00:12:58,949 --> 00:12:56,720

illustration of a nasa space plane

229

00:12:59,750 --> 00:12:58,959

concept that was in talks and

230

00:13:01,910 --> 00:12:59,760

development and

231

00:13:02,870 --> 00:13:01,920

prototyping but never quite made it to

232

00:13:06,629 --> 00:13:02,880

be

233

00:13:08,310 --> 00:13:06,639

a real aircraft so

234

00:13:10,470 --> 00:13:08,320

tragically mark mcanlis was very

235

00:13:13,750 --> 00:13:10,480

depressed

236

00:13:15,990 --> 00:13:13,760

and he was having major major financial

237

00:13:19,269 --> 00:13:16,000

problems

238

00:13:21,110 --> 00:13:19,279

so it's not a stretch to say that a man

239

00:13:23,269 --> 00:13:21,120

who is clinically depressed

240

00:13:25,829 --> 00:13:23,279

who has major financial problems may

241

00:13:29,190 --> 00:13:25,839

decide to end his own life

242

00:13:33,269 --> 00:13:29,200

you know it's just it's tragic but

243

00:13:38,949 --> 00:13:36,710

i suppose that my own interest

244

00:13:39,910 --> 00:13:38,959

in these people spreading rumors was

245

00:13:41,750 --> 00:13:39,920

because

246

00:13:42,949 --> 00:13:41,760

i noticed that nobody was standing up

247

00:13:45,509 --> 00:13:42,959

and saying

248

00:13:46,710 --> 00:13:45,519

let's investigate if any of these rumors

249

00:13:49,750 --> 00:13:46,720

are true

250

00:13:51,110 --> 00:13:49,760

let's talk to the police let's talk to

251  
00:13:54,069 --> 00:13:51,120  
the coroner

252  
00:13:54,550 --> 00:13:54,079  
nobody did that carrie cassidy didn't do

253  
00:13:56,310 --> 00:13:54,560  
that

254  
00:13:57,910 --> 00:13:56,320  
no she just went on her live stream

255  
00:13:59,829 --> 00:13:57,920  
telling people that he blew his brains

256  
00:14:00,550 --> 00:13:59,839  
out with a double shotgun blast to the

257  
00:14:02,310 --> 00:14:00,560  
head

258  
00:14:04,470 --> 00:14:02,320  
and how does that happen that didn't

259  
00:14:07,030 --> 00:14:04,480  
happen the cia must have shot him in the

260  
00:14:10,150 --> 00:14:07,040  
head with a sh with a shotgun

261  
00:14:13,110 --> 00:14:10,160  
all of these things all of the things

262  
00:14:13,910 --> 00:14:13,120  
that both robert morningstar and carrie

263  
00:14:17,430 --> 00:14:13,920

cassidy

264

00:14:19,269 --> 00:14:17,440

have said are completely and totally

265

00:14:21,670 --> 00:14:19,279

factually inaccurate

266

00:14:23,670 --> 00:14:21,680

now we've even had uh joseph p pharrell

267

00:14:25,750 --> 00:14:23,680

do a blog post about it

268

00:14:27,189 --> 00:14:25,760

and he refused to take the blog post

269

00:14:29,829 --> 00:14:27,199

down but he did

270

00:14:30,230 --> 00:14:29,839

link to our video and said something

271

00:14:31,750 --> 00:14:30,240

like

272

00:14:33,509 --> 00:14:31,760

i'm more inclined to believe this

273

00:14:34,150 --> 00:14:33,519

gentleman because he's done adequate

274

00:14:36,710 --> 00:14:34,160

research

275

00:14:37,189 --> 00:14:36,720

but you know the damage is already done

276

00:14:40,389 --> 00:14:37,199

mr

277

00:14:42,710 --> 00:14:40,399

farrell joseph p pharrell you've already

278

00:14:43,990 --> 00:14:42,720

helped spread the garbage that he was

279

00:14:45,990 --> 00:14:44,000

killed by the men in black

280

00:14:49,110 --> 00:14:46,000

because he was too you know he was about

281

00:14:50,949 --> 00:14:49,120

to spill the beans about the aliens

282

00:14:52,870 --> 00:14:50,959

another point that robert morningstar

283

00:14:53,590 --> 00:14:52,880

and carrie cassidy made is that he was

284

00:14:56,629 --> 00:14:53,600

set to cut

285

00:14:58,949 --> 00:14:56,639

to testify before congress right before

286

00:15:01,110 --> 00:14:58,959

he ended up dead and the men in black

287

00:15:02,949 --> 00:15:01,120

must have killed him to prevent him

288

00:15:04,389 --> 00:15:02,959

well what they said specifically was

289

00:15:07,670 --> 00:15:04,399

that he was in contact with

290

00:15:09,829 --> 00:15:07,680

senator marco rubio's office and that

291

00:15:11,509 --> 00:15:09,839

he was going to testify to senator marco

292

00:15:14,069 --> 00:15:11,519

rubio and congress

293

00:15:15,670 --> 00:15:14,079

about alien reproduction vehicles and

294

00:15:18,949 --> 00:15:15,680

what the government really has

295

00:15:21,509 --> 00:15:18,959

and so forth we did an exhaustive

296

00:15:23,350 --> 00:15:21,519

investigation we contacted marco rubio's

297

00:15:26,550 --> 00:15:23,360

office we contacted

298

00:15:29,509 --> 00:15:26,560

other members of congress who are

299

00:15:30,150 --> 00:15:29,519

known for their familiarity or interest

300

00:15:34,150 --> 00:15:30,160

in

301

00:15:34,790 --> 00:15:34,160

ufos or uuap and mark mccandless did not

302

00:15:38,949 --> 00:15:34,800

contact

303

00:15:39,749 --> 00:15:38,959

marco rubio's office he wasn't scheduled

304

00:15:42,949 --> 00:15:39,759

to testify

305

00:15:44,389 --> 00:15:42,959

anywhere for any congressman or senator

306

00:15:47,030 --> 00:15:44,399

that was a complete and total

307

00:15:49,189 --> 00:15:47,040

fabrication made up by carrie cassidy

308

00:15:50,230 --> 00:15:49,199

and robert morningstar to get clicks and

309

00:15:53,189 --> 00:15:50,240

views

310

00:15:55,110 --> 00:15:53,199

and you know boy i could say a lot about

311

00:15:57,910 --> 00:15:55,120

those two but mostly what i will say

312

00:15:58,870 --> 00:15:57,920

is i will remind them that mark

313

00:16:00,710 --> 00:15:58,880

mccandlish

314

00:16:03,269 --> 00:16:00,720

whatever you think of him was a human

315

00:16:05,189 --> 00:16:03,279

being a human being

316

00:16:06,389 --> 00:16:05,199

i i don't know very much about his

317

00:16:08,150 --> 00:16:06,399

family situation

318

00:16:10,310 --> 00:16:08,160

but i do know that he had a very

319

00:16:11,350 --> 00:16:10,320

long-term girlfriend who ran an animal

320

00:16:14,310 --> 00:16:11,360

shelter

321

00:16:16,550 --> 00:16:14,320

where he worked and he worked with her

322

00:16:19,749 --> 00:16:16,560

for the past several years

323

00:16:21,590 --> 00:16:19,759

helping injured animals and

324

00:16:22,949 --> 00:16:21,600

you know lost animals animals that

325

00:16:27,910 --> 00:16:22,959

nobody wanted an

326

00:16:32,949 --> 00:16:31,509

mark was a human being he had people

327

00:16:35,269 --> 00:16:32,959

that cared about him

328

00:16:37,269 --> 00:16:35,279

and i have become aware of many many of

329

00:16:39,189 --> 00:16:37,279

his close friends who have contacted me

330

00:16:42,629 --> 00:16:39,199

since her first two reports

331

00:16:45,749 --> 00:16:42,639

on his tragic suicide

332

00:16:48,230 --> 00:16:45,759

he was a human being he had friends he

333

00:16:51,430 --> 00:16:48,240

had family that cared about him

334

00:16:52,550 --> 00:16:51,440

and none of them none of them carrie

335

00:16:55,189 --> 00:16:52,560

cassidy

336

00:16:56,790 --> 00:16:55,199

robert morningstar or any of you other

337

00:16:57,670 --> 00:16:56,800

idiots that are out there spreading

338

00:17:01,030 --> 00:16:57,680

these

339

00:17:03,670 --> 00:17:01,040  
conspiracy land false stories

340

00:17:04,789 --> 00:17:03,680  
would want you doing that they would

341

00:17:07,990 --> 00:17:04,799  
want you

342

00:17:09,590 --> 00:17:08,000  
to let the man rest in peace but that's

343

00:17:11,110 --> 00:17:09,600  
not something that somebody like carrie

344

00:17:15,189 --> 00:17:11,120  
cassidy would do

345

00:17:15,909 --> 00:17:15,199  
after all this is a woman that uses

346

00:17:18,150 --> 00:17:15,919  
convicted

347

00:17:20,069 --> 00:17:18,160  
i'm sorry court martial child molesters

348

00:17:22,069 --> 00:17:20,079  
and convicted murderers who've been in

349

00:17:26,789 --> 00:17:22,079  
prison for 38 years

350

00:17:29,990 --> 00:17:29,029  
one can easily assume that carrie

351  
00:17:33,029 --> 00:17:30,000  
cassidy has

352  
00:17:33,990 --> 00:17:33,039  
zero ethics so not only will she use

353  
00:17:36,789 --> 00:17:34,000  
fake sources

354  
00:17:37,430 --> 00:17:36,799  
she'll just invent fake stories about

355  
00:17:40,150 --> 00:17:37,440  
people

356  
00:17:42,549 --> 00:17:40,160  
who tragically committed suicide and

357  
00:17:44,549 --> 00:17:42,559  
ended their own lives

358  
00:17:46,150 --> 00:17:44,559  
why would she do that why did you do

359  
00:17:48,150 --> 00:17:46,160  
that carrie cassidy do you really need

360  
00:17:50,549 --> 00:17:48,160  
the clicks and views that bad

361  
00:17:52,630 --> 00:17:50,559  
you're demonetized you're de-platformed

362  
00:17:54,630 --> 00:17:52,640  
you're not even allowed on youtube

363  
00:17:56,070 --> 00:17:54,640

because of the level of garbage

364

00:17:57,990 --> 00:17:56,080

information and fake

365

00:17:59,990 --> 00:17:58,000

information that she spread for the past

366

00:18:02,390 --> 00:18:00,000

couple of years

367

00:18:03,510 --> 00:18:02,400

but no carrie cassidy takes that as a

368

00:18:05,510 --> 00:18:03,520

badge of honor

369

00:18:06,870 --> 00:18:05,520

as if getting thrown off youtube for

370

00:18:09,909 --> 00:18:06,880

telling the truth

371

00:18:12,710 --> 00:18:09,919

were lying to people

372

00:18:13,430 --> 00:18:12,720

that's why you got pulled from youtube

373

00:18:16,710 --> 00:18:13,440

so

374

00:18:17,990 --> 00:18:16,720

she's off on her you know website behind

375

00:18:19,990 --> 00:18:18,000

a paywall

376

00:18:22,150 --> 00:18:20,000

but she's still posting things publicly

377

00:18:25,110 --> 00:18:22,160

and this mark mccandless story

378

00:18:27,110 --> 00:18:25,120

is one that she posted publicly now

379

00:18:29,750 --> 00:18:27,120

throughout my investigation

380

00:18:30,789 --> 00:18:29,760

we've done previous two episodes you can

381

00:18:33,110 --> 00:18:30,799

you can see

382

00:18:35,110 --> 00:18:33,120

on our youtube channel here our previous

383

00:18:37,750 --> 00:18:35,120

two episodes concerning this

384

00:18:39,350 --> 00:18:37,760

i consider this important work i went to

385

00:18:40,950 --> 00:18:39,360

the ends of the earth to either prove or

386

00:18:41,990 --> 00:18:40,960

disprove cary cassidy and robert

387

00:18:45,190 --> 00:18:42,000

morningstar and these other

388

00:18:47,750 --> 00:18:45,200

people were peddling lies or not

389

00:18:49,110 --> 00:18:47,760

and i'm here to tell you everything that

390

00:18:51,350 --> 00:18:49,120

robert morningstar said

391

00:18:52,710 --> 00:18:51,360

everything that carrie cassidy said and

392

00:18:56,070 --> 00:18:52,720

others repeat it like

393

00:18:59,350 --> 00:18:56,080

dr joseph p pharrell was a complete

394

00:19:00,390 --> 00:18:59,360

and total fabrication and a lie nothing

395

00:19:02,870 --> 00:19:00,400

that they said

396

00:19:05,270 --> 00:19:02,880

was actually true he was not in contact

397

00:19:07,110 --> 00:19:05,280

with senator marco rubio's office or any

398

00:19:10,630 --> 00:19:07,120

other senator that we could find

399

00:19:14,390 --> 00:19:10,640

he was not set to testify anywhere

400

00:19:17,430 --> 00:19:14,400

in fact jeremy rise

401  
00:19:19,830 --> 00:19:17,440  
alien scientist commented that he

402  
00:19:21,190 --> 00:19:19,840  
just spent you know four hours on a live

403  
00:19:23,190 --> 00:19:21,200  
stream explaining

404  
00:19:24,390 --> 00:19:23,200  
everything he knew about this vehicle

405  
00:19:26,070 --> 00:19:24,400  
why would they kill him

406  
00:19:27,590 --> 00:19:26,080  
why would somebody kill him when

407  
00:19:29,510 --> 00:19:27,600  
everything that he knew about this

408  
00:19:30,710 --> 00:19:29,520  
so-called alien reproduction vehicle was

409  
00:19:33,590 --> 00:19:30,720  
already out on the internet

410  
00:19:34,549 --> 00:19:33,600  
he had no smoking gun evidence or proof

411  
00:19:37,029 --> 00:19:34,559  
left to

412  
00:19:39,830 --> 00:19:37,039  
show the world he'd been talking about

413  
00:19:43,990 --> 00:19:39,840

this thing since 1988

414

00:19:47,430 --> 00:19:44,000

right there was nothing that he hadn't

415

00:19:47,990 --> 00:19:47,440

disclosed that he knew so there'd be no

416

00:19:52,230 --> 00:19:48,000

reason

417

00:19:55,750 --> 00:19:52,240

for somebody to suicide him

418

00:19:59,990 --> 00:19:55,760

as was claimed by these conspiracy land

419

00:20:03,430 --> 00:20:00,000

idiots now

420

00:20:04,070 --> 00:20:03,440

we talked to the coroner we talked to

421

00:20:06,390 --> 00:20:04,080

the girl

422

00:20:08,710 --> 00:20:06,400

i'm sorry i did not speak directly to

423

00:20:10,870 --> 00:20:08,720

the actual coroner i spoke to the girl

424

00:20:14,470 --> 00:20:10,880

who runs the coroner's office

425

00:20:17,990 --> 00:20:14,480

in shasta county and uh yeah so

426  
00:20:19,510 --> 00:20:18,000  
she informed me no it wasn't a shotgun

427  
00:20:21,270 --> 00:20:19,520  
and then i talked to the investigating

428  
00:20:22,470 --> 00:20:21,280  
officer who said no it wasn't a shotgun

429  
00:20:24,789 --> 00:20:22,480  
it was a handgun

430  
00:20:26,310 --> 00:20:24,799  
that we found him with but there's more

431  
00:20:29,270 --> 00:20:26,320  
details here

432  
00:20:30,390 --> 00:20:29,280  
so i asked for the coroner's report this

433  
00:20:32,390 --> 00:20:30,400  
is a public document

434  
00:20:34,470 --> 00:20:32,400  
anybody can get it this is a truth

435  
00:20:36,230 --> 00:20:34,480  
seekers exclusive as far as i know

436  
00:20:38,789 --> 00:20:36,240  
nobody else bothered to go get the

437  
00:20:41,430 --> 00:20:38,799  
coroner's report i did that

438  
00:20:43,830 --> 00:20:41,440

and we're going to share it tonight and

439

00:20:47,510 --> 00:20:43,840

i just want to mention that

440

00:20:49,510 --> 00:20:47,520

you know again this man is a human being

441

00:20:52,710 --> 00:20:49,520

with friends and family that cared about

442

00:20:58,230 --> 00:20:52,720

him and i don't

443

00:21:01,990 --> 00:21:00,789

you know helpful to his reputation given

444

00:21:04,230 --> 00:21:02,000

the state that they found

445

00:21:05,830 --> 00:21:04,240

his home in there were some things and

446

00:21:06,789 --> 00:21:05,840

we'll get into this report and you'll

447

00:21:08,870 --> 00:21:06,799

see

448

00:21:11,110 --> 00:21:08,880

things in his home were in disarray so

449

00:21:13,510 --> 00:21:11,120

it's not my intention to embarrass him

450

00:21:15,750 --> 00:21:13,520

or his friends or his family

451  
00:21:17,909 --> 00:21:15,760  
because there are certainly some things

452  
00:21:20,549 --> 00:21:17,919  
in that corners report that don't

453  
00:21:22,230 --> 00:21:20,559  
paint him in a good light but we have to

454  
00:21:23,270 --> 00:21:22,240  
remember that this man was clinically

455  
00:21:25,430 --> 00:21:23,280  
depressed

456  
00:21:28,830 --> 00:21:25,440  
suffering from major financial problems

457  
00:21:35,909 --> 00:21:32,870  
so also i am going to

458  
00:21:37,990 --> 00:21:35,919  
uh i did not put it in the in the video

459  
00:21:41,669 --> 00:21:38,000  
description but as soon as the broadcast

460  
00:21:44,549 --> 00:21:41,679  
ends i have put this corners report

461  
00:21:45,750 --> 00:21:44,559  
on my uh google drive and i will be

462  
00:21:48,950 --> 00:21:45,760  
posting a link to it

463  
00:21:53,190 --> 00:21:48,960

in the video description so that anybody

464

00:21:55,190 --> 00:21:53,200

can read this report and know the truth

465

00:21:57,510 --> 00:21:55,200

i've said it time and time again friends

466

00:21:57,990 --> 00:21:57,520

the hallmark of a good researcher who

467

00:22:02,070 --> 00:21:58,000

has

468

00:22:02,549 --> 00:22:02,080

good facts and evidence is that anybody

469

00:22:05,190 --> 00:22:02,559

can go

470

00:22:06,549 --> 00:22:05,200

after them and find the same facts and

471

00:22:09,110 --> 00:22:06,559

evidence

472

00:22:10,870 --> 00:22:09,120

so anybody can call the coroner's office

473

00:22:12,230 --> 00:22:10,880

and verify that the report that i'm

474

00:22:15,830 --> 00:22:12,240

posting to my google

475

00:22:19,110 --> 00:22:15,840

drive is the real genuine

476

00:22:22,470 --> 00:22:19,120

corners report from shasta county and

477

00:22:24,390 --> 00:22:22,480

uh you know i encourage anybody who

478

00:22:26,470 --> 00:22:24,400

is skeptical of the claims that we're

479

00:22:27,830 --> 00:22:26,480

gonna make or present tonight or the

480

00:22:28,310 --> 00:22:27,840

evidence that we're gonna present then

481

00:22:31,029 --> 00:22:28,320

you

482

00:22:32,630 --> 00:22:31,039

do what i did call the local shasta

483

00:22:34,950 --> 00:22:32,640

county coroner's office

484

00:22:37,669 --> 00:22:34,960

call the shasta county police talk to

485

00:22:40,470 --> 00:22:37,679

the investigating officer like i did

486

00:22:41,190 --> 00:22:40,480

and once you do friends you're going to

487

00:22:45,350 --> 00:22:41,200

know

488

00:22:48,390 --> 00:22:45,360

that the conspiracy land fairy tales

489

00:22:50,950 --> 00:22:48,400

that were being peddled by

490

00:22:53,029 --> 00:22:50,960

unethical people like carrie cassidy and

491

00:22:54,950 --> 00:22:53,039

robert morningstar and maybe joseph

492

00:22:56,950 --> 00:22:54,960

pharrell repeating them and others

493

00:23:01,110 --> 00:22:56,960

repeating these stories

494

00:23:03,669 --> 00:23:01,120

are complete and total fabricated lies

495

00:23:05,750 --> 00:23:03,679

and like i said anybody can go after me

496

00:23:07,270 --> 00:23:05,760

do the same research you'll get the same

497

00:23:10,070 --> 00:23:07,280

result

498

00:23:10,390 --> 00:23:10,080

that my friends to me has always been

499

00:23:15,110 --> 00:23:10,400

one

500

00:23:16,789 --> 00:23:15,120

indicator of the truth so

501  
00:23:18,549 --> 00:23:16,799  
and i you know i gotta mention that i

502  
00:23:20,149 --> 00:23:18,559  
have been i've been in possession of

503  
00:23:22,390 --> 00:23:20,159  
this report for more than a week

504  
00:23:25,110 --> 00:23:22,400  
but i've been kind of dreading this i

505  
00:23:27,590 --> 00:23:25,120  
you know i take

506  
00:23:28,230 --> 00:23:27,600  
the only pleasure i take in this is that

507  
00:23:31,830 --> 00:23:28,240  
at least

508  
00:23:34,950 --> 00:23:31,840  
we can honor the memory of this man

509  
00:23:36,470 --> 00:23:34,960  
and stop people from profiting from his

510  
00:23:38,390 --> 00:23:36,480  
tragic death

511  
00:23:39,510 --> 00:23:38,400  
and you know again i just want to say

512  
00:23:41,269 --> 00:23:39,520  
like

513  
00:23:43,350 --> 00:23:41,279

what kind of person goes oh that guy

514

00:23:45,350 --> 00:23:43,360

killed himself and he was into ufos

515

00:23:46,789 --> 00:23:45,360

you know what we can invent a story

516

00:23:49,430 --> 00:23:46,799

about the men in black

517

00:23:50,630 --> 00:23:49,440

murdering him right we can get lots of

518

00:23:52,950 --> 00:23:50,640

clicks and views

519

00:23:54,870 --> 00:23:52,960

who does that what what kind of person

520

00:23:56,310 --> 00:23:54,880

does that well apparently carrie cassidy

521

00:23:57,990 --> 00:23:56,320

is the kind of person that does that

522

00:23:59,110 --> 00:23:58,000

robert morningstar is the kind of person

523

00:24:01,750 --> 00:23:59,120

that does that

524

00:24:04,149 --> 00:24:01,760

and there have been others i hear that

525

00:24:05,909 --> 00:24:04,159

richard hoagland was going to do uh

526

00:24:07,350 --> 00:24:05,919

a whole show on this but he thought

527

00:24:09,669 --> 00:24:07,360

better of it after seeing

528

00:24:11,669 --> 00:24:09,679

some of our research and uh i want to

529

00:24:14,549 --> 00:24:11,679

thank a mutual friend i don't know

530

00:24:15,590 --> 00:24:14,559

uh richard hoagland but we have a mutual

531

00:24:18,870 --> 00:24:15,600

friend who said

532

00:24:19,990 --> 00:24:18,880

uh hey uh richard oakland you might not

533

00:24:23,029 --> 00:24:20,000

want to go there

534

00:24:26,310 --> 00:24:23,039

because that story is false and fake

535

00:24:31,190 --> 00:24:26,320

right all right let me get this cued

536

00:24:34,310 --> 00:24:31,200

uh okay i do have it here

537

00:24:36,390 --> 00:24:34,320

and like i said i am going to share this

538

00:24:37,990 --> 00:24:36,400

in the video description so that anybody

539

00:24:40,070 --> 00:24:38,000

can read this

540

00:24:41,590 --> 00:24:40,080

and get the same information that i'm

541

00:24:45,110 --> 00:24:41,600

sharing uh

542

00:24:45,990 --> 00:24:45,120

tonight with you all all right and this

543

00:24:50,310 --> 00:24:46,000

is from the shasta

544

00:24:52,950 --> 00:24:50,320

county sheriff and the coroner is eric

545

00:24:55,029 --> 00:24:52,960

mcgreeney

546

00:24:56,470 --> 00:24:55,039

uh and this is the case number in the

547

00:24:59,190 --> 00:24:56,480

matter of the death of mark

548

00:25:00,310 --> 00:24:59,200

edward mccandless 68 year old male i

549

00:25:02,070 --> 00:25:00,320

logan stone house

550

00:25:03,510 --> 00:25:02,080

chief deputy coroner have inquired into

551  
00:25:05,350 --> 00:25:03,520  
the circumstances of death and due

552  
00:25:08,070 --> 00:25:05,360  
certified that he was declared deceased

553  
00:25:10,789 --> 00:25:08,080  
on the 13th day of april 2021

554  
00:25:11,990 --> 00:25:10,799  
i'm sorry they give the address where he

555  
00:25:13,750 --> 00:25:12,000  
was found dead

556  
00:25:15,750 --> 00:25:13,760  
which was his home the death was caused

557  
00:25:17,750 --> 00:25:15,760  
by gunshot wound of the head

558  
00:25:19,990 --> 00:25:17,760  
other significant conditions none manner

559  
00:25:22,789 --> 00:25:20,000  
of death was suicide

560  
00:25:24,549 --> 00:25:22,799  
philip wacker deputy coroner conducted

561  
00:25:26,310 --> 00:25:24,559  
the investigation and established the

562  
00:25:28,549 --> 00:25:26,320  
identity of the decedent

563  
00:25:29,590 --> 00:25:28,559

a postmortem examination was conducted

564

00:25:33,029 --> 00:25:29,600

by dr da

565

00:25:35,909 --> 00:25:33,039

dan putzer md pathologist

566

00:25:37,669 --> 00:25:35,919

all right so uh and and here it just

567

00:25:40,870 --> 00:25:37,679

mentions that there were who was

568

00:25:42,950 --> 00:25:40,880

current who was there at the

569

00:25:44,470 --> 00:25:42,960

autopsy and that would be phil whacker

570

00:25:46,549 --> 00:25:44,480

the cause of death

571

00:25:48,510 --> 00:25:46,559

of this elderly white male is central

572

00:25:52,310 --> 00:25:48,520

nervous system damage caused by

573

00:25:54,390 --> 00:25:52,320

self-inflicted gunshot wound to the head

574

00:25:55,590 --> 00:25:54,400

now i gotta tell you that i'm sure

575

00:25:58,310 --> 00:25:55,600

conspiracy land

576  
00:25:59,350 --> 00:25:58,320  
you know fantasies and rumors are still

577  
00:26:02,470 --> 00:25:59,360  
going to go rampant

578  
00:26:05,029 --> 00:26:02,480  
but i trust a coroner to know

579  
00:26:06,870 --> 00:26:05,039  
if there's foul play or not and as we

580  
00:26:07,909 --> 00:26:06,880  
get further into this report we'll see

581  
00:26:10,549 --> 00:26:07,919  
that there is

582  
00:26:11,830 --> 00:26:10,559  
ample and and supportive evidence that

583  
00:26:14,950 --> 00:26:11,840  
he killed himself

584  
00:26:15,750 --> 00:26:14,960  
tragic but that's the truth the man was

585  
00:26:18,070 --> 00:26:15,760  
depressed

586  
00:26:19,430 --> 00:26:18,080  
he was having financial problems and he

587  
00:26:22,950 --> 00:26:19,440  
shot himself in the head

588  
00:26:26,149 --> 00:26:22,960

tragically there's no men in black here

589

00:26:29,190 --> 00:26:26,159

there's no cia surveillance teams or

590

00:26:33,190 --> 00:26:29,200

suicide teams or murder squads

591

00:26:35,029 --> 00:26:33,200

you know uh there's no super soldier

592

00:26:36,549 --> 00:26:35,039

sneaking in in the middle of the night

593

00:26:39,669 --> 00:26:36,559

right

594

00:26:41,990 --> 00:26:39,679

none of that the external

595

00:26:42,710 --> 00:26:42,000

examiner examination is authorized by

596

00:26:45,830 --> 00:26:42,720

eric

597

00:26:47,269 --> 00:26:45,840

uh mcgreeny sheriff coroner of shasta

598

00:26:49,190 --> 00:26:47,279

county the bodies out of an elderly

599

00:26:51,510 --> 00:26:49,200

white male appears to

600

00:26:53,590 --> 00:26:51,520

who appears his stated age of 68 years

601  
00:26:55,830 --> 00:26:53,600  
the body measures six feet in length 200

602  
00:26:57,750 --> 00:26:55,840  
pounds the body is clad in red and gray

603  
00:26:58,789 --> 00:26:57,760  
sweatshirt gray long sleeve shirt white

604  
00:27:02,390 --> 00:26:58,799  
t-shirt

605  
00:27:04,230 --> 00:27:02,400  
tan sweatpants and a and white underwear

606  
00:27:06,149 --> 00:27:04,240  
palpitation and visual examination of

607  
00:27:07,669 --> 00:27:06,159  
skull shows it to be covered by very

608  
00:27:08,789 --> 00:27:07,679  
short gray hair there is obvious

609  
00:27:11,269 --> 00:27:08,799  
entrance wound

610  
00:27:12,149 --> 00:27:11,279  
located one centimeter above the right

611  
00:27:14,549 --> 00:27:12,159  
ear

612  
00:27:16,070 --> 00:27:14,559  
it measured 15 centimeters in diameter

613  
00:27:17,590 --> 00:27:16,080

the edges of the entrance wound have

614

00:27:19,430 --> 00:27:17,600

powder burns

615

00:27:20,870 --> 00:27:19,440

above the left ear is an exit wound

616

00:27:23,350 --> 00:27:20,880

measuring 1.5

617

00:27:26,789 --> 00:27:23,360

centimeters in diameter it has destroyed

618

00:27:29,110 --> 00:27:26,799

part of the tip of the ear brain matter

619

00:27:29,909 --> 00:27:29,120

extrudes outside the hole skull fracture

620

00:27:33,029 --> 00:27:29,919

is not obvious

621

00:27:34,870 --> 00:27:33,039

examination of the blue eyes reveals

622

00:27:36,789 --> 00:27:34,880

pupils that are equal in diameter at

623

00:27:38,149 --> 00:27:36,799

four millimeter examination of the nose

624

00:27:40,070 --> 00:27:38,159

reveals a small amount of blood

625

00:27:41,430 --> 00:27:40,080

examination of the mouth reveals a small

626

00:27:44,149 --> 00:27:41,440

amount of blood

627

00:27:46,310 --> 00:27:44,159

examination of the neck reveals no boy

628

00:27:49,510 --> 00:27:46,320

i'm not even going to try to say that

629

00:27:51,750 --> 00:27:49,520

lymphatic pathy or obvious

630

00:27:54,470 --> 00:27:51,760

cervical fracture examination of the

631

00:27:57,510 --> 00:27:54,480

chest and abdomen is unremarkable

632

00:27:59,269 --> 00:27:57,520

upper extremities unremarkable genitalia

633

00:28:05,110 --> 00:27:59,279

unremarkable

634

00:28:11,909 --> 00:28:06,789

due to the obvious cause of death

635

00:28:17,909 --> 00:28:15,430

okay so here we get 68 year

636

00:28:20,470 --> 00:28:17,919

old male decent was found unresponsive

637

00:28:22,389 --> 00:28:20,480

with an apparent self-inflicted

638

00:28:24,310 --> 00:28:22,399

through-in through gunshot wound of the

639

00:28:27,830 --> 00:28:24,320

head there was a note

640

00:28:31,029 --> 00:28:27,840

left in the office he is right-handed

641

00:28:31,909 --> 00:28:31,039

per landlord and friend he had been

642

00:28:35,430 --> 00:28:31,919

depressed

643

00:28:39,430 --> 00:28:37,190

there's some other important information

644

00:28:42,710 --> 00:28:39,440

in here that would support

645

00:28:44,470 --> 00:28:42,720

the fact that this is tragic but simply

646

00:28:48,070 --> 00:28:44,480

a suicide and nothing more

647

00:28:51,510 --> 00:28:50,389

okay so the location they found him was

648

00:28:56,310 --> 00:28:51,520

dwelling

649

00:28:59,909 --> 00:28:56,320

uh the body position was supine on bed

650

00:29:03,350 --> 00:28:59,919

yeah there was blood from the head

651  
00:29:06,070 --> 00:29:03,360  
and they check there was a suicide note

652  
00:29:08,070 --> 00:29:06,080  
where it was found was in the office of

653  
00:29:12,070 --> 00:29:08,080  
his residence

654  
00:29:13,990 --> 00:29:12,080  
a two-page suicide note by the way

655  
00:29:16,470 --> 00:29:14,000  
okay and here's where we get into more

656  
00:29:18,710 --> 00:29:16,480  
relevant important information

657  
00:29:21,590 --> 00:29:18,720  
kerry cassidy robert morningstar and

658  
00:29:24,710 --> 00:29:21,600  
these other ufo hucksters

659  
00:29:26,630 --> 00:29:24,720  
really deplorable disgusting people

660  
00:29:29,430 --> 00:29:26,640  
running around trying to profit off the

661  
00:29:32,549 --> 00:29:29,440  
tragic death and suicide of a man

662  
00:29:34,789 --> 00:29:32,559  
said in their blog posts in their

663  
00:29:37,590 --> 00:29:34,799

podcast that mark mccanglish

664

00:29:39,430 --> 00:29:37,600

died of a shotgun blast to the head

665

00:29:41,830 --> 00:29:39,440

that's factually inaccurate

666

00:29:44,310 --> 00:29:41,840

here right on the corners report subject

667

00:29:47,909 --> 00:29:44,320

shot himself with a nine millimeter

668

00:29:51,190 --> 00:29:47,919

sig sauer p226 pistol

669

00:29:54,549 --> 00:29:51,200

so there we have it it was a handgun not

670

00:29:57,350 --> 00:29:54,559

a double shotgun blast to the head as

671

00:30:01,750 --> 00:29:57,360

the conspiracy hucksters would have you

672

00:30:07,510 --> 00:30:04,149

his next of kin was his brother kevin

673

00:30:12,710 --> 00:30:11,029

and there's a some witnesses

674

00:30:14,950 --> 00:30:12,720

yeah and and here we see he did have a

675

00:30:16,950 --> 00:30:14,960

daughter he had a brother

676  
00:30:17,990 --> 00:30:16,960  
hey carrie cassidy how do you think his

677  
00:30:20,389 --> 00:30:18,000  
brother

678  
00:30:22,389 --> 00:30:20,399  
and his daughter feel about you trying

679  
00:30:23,510 --> 00:30:22,399  
to make youtube pennies off his tragic

680  
00:30:25,269 --> 00:30:23,520  
suicide

681  
00:30:26,870 --> 00:30:25,279  
how do you think they feel about you

682  
00:30:28,789 --> 00:30:26,880  
doing that i want you to think about

683  
00:30:30,950 --> 00:30:28,799  
that carrie cassidy i want you to think

684  
00:30:32,789 --> 00:30:30,960  
about that robert morningstar

685  
00:30:34,310 --> 00:30:32,799  
how would your family feel if somebody

686  
00:30:36,389 --> 00:30:34,320  
ran out to youtube

687  
00:30:37,830 --> 00:30:36,399  
start making up fake stories about you

688  
00:30:41,350 --> 00:30:37,840

after you

689

00:30:42,389 --> 00:30:41,360

god forbid killed yourself

690

00:30:45,029 --> 00:30:42,399

all right and this is from the

691

00:30:47,830 --> 00:30:45,039

investigating officer on tuesday 4 13

692

00:30:49,830 --> 00:30:47,840

at 17 45 hours i received a call from

693

00:30:50,470 --> 00:30:49,840

chascom reporting the death of 68 year

694

00:30:52,630 --> 00:30:50,480

old male

695

00:30:53,669 --> 00:30:52,640

located at and we're going to go past

696

00:30:55,430 --> 00:30:53,679

this we don't want to

697

00:30:57,750 --> 00:30:55,440

give the address sorry if you did see

698

00:31:00,389 --> 00:30:57,760

that i should have blacked this out

699

00:31:02,230 --> 00:31:00,399

apologize for that i arrived on scene at

700

00:31:02,789 --> 00:31:02,240

18 12 hours it was sunny and cloudy

701  
00:31:04,470 --> 00:31:02,799  
outside

702  
00:31:06,230 --> 00:31:04,480  
warm and dry weather the residence was

703  
00:31:07,509 --> 00:31:06,240  
light-colored one-story single-family

704  
00:31:09,750 --> 00:31:07,519  
home

705  
00:31:11,269 --> 00:31:09,760  
he met corporal townsley in the driveway

706  
00:31:12,789 --> 00:31:11,279  
of the residence he directed me towards

707  
00:31:14,630 --> 00:31:12,799  
the main entrance of the residence which

708  
00:31:16,310 --> 00:31:14,640  
was located on the east side of the home

709  
00:31:17,590 --> 00:31:16,320  
the windows to the residence and the

710  
00:31:19,830 --> 00:31:17,600  
front door recovered

711  
00:31:21,590 --> 00:31:19,840  
with dark paper there was a strong

712  
00:31:22,470 --> 00:31:21,600  
ammonia odor outside the front door of

713  
00:31:24,070 --> 00:31:22,480

the residence

714

00:31:25,830 --> 00:31:24,080

and and that could be because he had

715

00:31:26,630 --> 00:31:25,840

many many cats i don't know if they were

716

00:31:29,350 --> 00:31:26,640

from the

717

00:31:30,389 --> 00:31:29,360

uh animal rescue that he worked or what

718

00:31:32,310 --> 00:31:30,399

but

719

00:31:33,750 --> 00:31:32,320

corporal townsey and i entered the

720

00:31:35,509 --> 00:31:33,760

residence through the front door

721

00:31:37,590 --> 00:31:35,519

the odor continued into the residence

722

00:31:39,110 --> 00:31:37,600

and throughout the entire residence

723

00:31:40,710 --> 00:31:39,120

to the left of the doorway in the south

724

00:31:42,230 --> 00:31:40,720

side of residence the living room area

725

00:31:43,830 --> 00:31:42,240

there were multiple plastic animal

726

00:31:45,430 --> 00:31:43,840

carriers and plastic bins

727

00:31:47,110 --> 00:31:45,440

on the cement floor there were multiple

728

00:31:48,710 --> 00:31:47,120

piles of animal feces covering the

729

00:31:50,389 --> 00:31:48,720

living room floor

730

00:31:51,669 --> 00:31:50,399

beyond the doorway to the west side of

731

00:31:53,029 --> 00:31:51,679

the residence was dining room and

732

00:31:54,389 --> 00:31:53,039

kitchen there were multiple plastic

733

00:31:59,110 --> 00:31:54,399

animal litter boxes

734

00:32:03,269 --> 00:32:01,430

let's skip some of this there were

735

00:32:05,029 --> 00:32:03,279

multiple plastic animal litter boxes on

736

00:32:07,269 --> 00:32:05,039

the dining room floor filled with pieces

737

00:32:09,110 --> 00:32:07,279

they were multiple dining room

738

00:32:11,509 --> 00:32:09,120

dining plates and food particles and

739

00:32:13,909 --> 00:32:11,519

pails of water

740

00:32:15,190 --> 00:32:13,919

residue on the dining room floor there

741

00:32:18,149 --> 00:32:15,200

are multiple empty

742

00:32:19,669 --> 00:32:18,159

feline uh litter box litter feline

743

00:32:21,430 --> 00:32:19,679

canned food and beds covering the

744

00:32:22,149 --> 00:32:21,440

kitchen floor and kitchen counters there

745

00:32:24,710 --> 00:32:22,159

were multiple

746

00:32:26,389 --> 00:32:24,720

feces piles covering the kitchen and

747

00:32:28,149 --> 00:32:26,399

dining floors to the right of doorway

748

00:32:29,430 --> 00:32:28,159

was a wall that led to a hallway

749

00:32:30,950 --> 00:32:29,440

which led to the north side of the

750

00:32:32,630 --> 00:32:30,960

residence there were multiple feces

751

00:32:34,630 --> 00:32:32,640

piles along the hallway floor

752

00:32:35,750 --> 00:32:34,640

so you know apparently he had many many

753

00:32:38,389 --> 00:32:35,760

animals and wasn't

754

00:32:40,149 --> 00:32:38,399

cleaning up very much i don't know

755

00:32:42,310 --> 00:32:40,159

somebody that's depressed i guess

756

00:32:44,789 --> 00:32:42,320

you know doing housework is not on their

757

00:32:46,149 --> 00:32:44,799

list of things to do

758

00:32:47,590 --> 00:32:46,159

there were two bedrooms along the left

759

00:32:48,470 --> 00:32:47,600

side of the hallway and west side of the

760

00:32:50,230 --> 00:32:48,480

residence with

761

00:32:52,310 --> 00:32:50,240

the second bedroom having an attached

762

00:32:53,750 --> 00:32:52,320

bathroom in the bedroom with the

763

00:32:55,590 --> 00:32:53,760

attached bathroom were multiple

764

00:32:57,350 --> 00:32:55,600

prescription medications on the bedroom

765

00:33:00,870 --> 00:32:57,360

bathroom

766

00:33:03,269 --> 00:33:00,880

uh in the bedroom multiple prescriptions

767

00:33:04,710 --> 00:33:03,279

the medications were i'm not going to

768

00:33:06,470 --> 00:33:04,720

try to say that

769

00:33:08,310 --> 00:33:06,480

you can see a list of medications one of

770

00:33:10,310 --> 00:33:08,320

them here is hydrocodone which of course

771

00:33:12,470 --> 00:33:10,320

is a

772

00:33:14,070 --> 00:33:12,480

i think one of these i look these up and

773

00:33:15,190 --> 00:33:14,080

i'm sorry but i'm here at the cabin not

774

00:33:16,549 --> 00:33:15,200

at my home office

775

00:33:18,230 --> 00:33:16,559

one of these is i believe an

776

00:33:21,350 --> 00:33:18,240

antidepressant i will

777

00:33:22,310 --> 00:33:21,360

clarify that on our next show just to be

778

00:33:23,750 --> 00:33:22,320

sure

779

00:33:26,389 --> 00:33:23,760

these are multiple medications for

780

00:33:29,669 --> 00:33:26,399

multiple different things one being

781

00:33:33,909 --> 00:33:29,679

hydrocodone is a powerful uh

782

00:33:38,470 --> 00:33:36,470

yeah in the bedroom with the attached

783

00:33:39,509 --> 00:33:38,480

bathroom on the desk was a double-sided

784

00:33:40,870 --> 00:33:39,519

note

785

00:33:42,630 --> 00:33:40,880

which appeared to be hand-written and

786

00:33:44,710 --> 00:33:42,640

signed by the decedent documenting in

787

00:33:47,830 --> 00:33:44,720

detail who gets the decedent's property

788

00:33:49,750 --> 00:33:47,840

resembling the last will and testament

789

00:33:51,509 --> 00:33:49,760

at the end of the hallway was a bathroom

790

00:33:52,549 --> 00:33:51,519

there was multiple feces pilots covered

791

00:33:54,230 --> 00:33:52,559

in the bathroom floor

792

00:33:56,549 --> 00:33:54,240

litter boxes filled with feces in the

793

00:33:57,990 --> 00:33:56,559

bathtub empty feline canned food in the

794

00:33:59,590 --> 00:33:58,000

bathroom sink to the right of the

795

00:34:01,269 --> 00:33:59,600

bathroom was additional

796

00:34:02,870 --> 00:34:01,279

hallway which led to the garage on the

797

00:34:03,430 --> 00:34:02,880

east side of the residence on the left

798

00:34:09,270 --> 00:34:03,440

side

799

00:34:10,950 --> 00:34:09,280

second hallway towards the middle of

800

00:34:11,430 --> 00:34:10,960

residence was a bedroom the bedrooms

801  
00:34:14,869 --> 00:34:11,440  
were

802  
00:34:16,950 --> 00:34:14,879  
personal property

803  
00:34:18,629 --> 00:34:16,960  
the residence was unkept and appeared to

804  
00:34:20,790 --> 00:34:18,639  
be in renovation with flooring

805  
00:34:22,470 --> 00:34:20,800  
floorboards paint and siding all missing

806  
00:34:24,470 --> 00:34:22,480  
there are multiple animals scratching

807  
00:34:27,829 --> 00:34:24,480  
and biting damage to all the war

808  
00:34:29,990 --> 00:34:27,839  
walls and doors to the residence

809  
00:34:31,750 --> 00:34:30,000  
the decedent was located in the first

810  
00:34:32,550 --> 00:34:31,760  
bedroom along the hallway closest to the

811  
00:34:34,629 --> 00:34:32,560  
doorway

812  
00:34:35,909 --> 00:34:34,639  
i entered the bedroom through the

813  
00:34:39,669 --> 00:34:35,919

doorway

814

00:34:41,270 --> 00:34:39,679

right wall and north side of the room

815

00:34:42,790 --> 00:34:41,280

there was a mattress leaning against a

816

00:34:43,430 --> 00:34:42,800

bookshelf for personal belongings

817

00:34:45,909 --> 00:34:43,440

cluttered

818

00:34:47,750 --> 00:34:45,919

around the right wall the wall across

819

00:34:48,550 --> 00:34:47,760

from the doorway had a window underneath

820

00:34:51,669 --> 00:34:48,560

the window

821

00:34:54,389 --> 00:34:51,679

was a bed with the head of the bed

822

00:34:56,149 --> 00:34:54,399

angled to the left wall and south side

823

00:34:57,829 --> 00:34:56,159

of the room to the foot of the bed

824

00:34:59,190 --> 00:34:57,839

angled towards the right wall

825

00:35:01,109 --> 00:34:59,200

and north side of the room there was a

826

00:35:01,990 --> 00:35:01,119

box to the left of the head of the bed

827

00:35:05,109 --> 00:35:02,000

which had a

828

00:35:06,550 --> 00:35:05,119

cpap machine to the left of the door

829

00:35:08,230 --> 00:35:06,560

was a pile of clothing and personal

830

00:35:09,750 --> 00:35:08,240

property cluttering the floor and to the

831

00:35:11,750 --> 00:35:09,760

left of the doorway on the east side

832

00:35:13,750 --> 00:35:11,760

wall was a closet the room was unkept

833

00:35:15,589 --> 00:35:13,760

and cluttered with personal property and

834

00:35:18,950 --> 00:35:15,599

clothing

835

00:35:21,589 --> 00:35:18,960

the decedent was located on the bed

836

00:35:23,109 --> 00:35:21,599

covered with a blue sheet there were

837

00:35:25,030 --> 00:35:23,119

saturated blood on the sheet

838

00:35:26,390 --> 00:35:25,040

at the head of the bed there was a hole

839

00:35:28,710 --> 00:35:26,400

in the sheet with

840

00:35:30,950 --> 00:35:28,720

the saturated blood the decedent's right

841

00:35:31,349 --> 00:35:30,960

arm was bent at the elbow with his right

842

00:35:34,470 --> 00:35:31,359

hand

843

00:35:36,310 --> 00:35:34,480

resting on top of the sheet on what

844

00:35:38,390 --> 00:35:36,320

appeared to be his abdomen region

845

00:35:39,990 --> 00:35:38,400

pointing westward towards the wall

846

00:35:41,829 --> 00:35:40,000

across from the doorway there was

847

00:35:43,589 --> 00:35:41,839

saturated blood on multiple pillows at

848

00:35:45,150 --> 00:35:43,599

the head of the bed upon removal of the

849

00:35:48,470 --> 00:35:45,160

sheet i observed it's a set

850

00:35:50,550 --> 00:35:48,480

decedent resting in the supine

851  
00:35:51,750 --> 00:35:50,560  
body position wearing the red gray

852  
00:35:53,990 --> 00:35:51,760  
sweatshirt

853  
00:35:55,670 --> 00:35:54,000  
gray long sleeve shirt white t-shirt tan

854  
00:35:57,430 --> 00:35:55,680  
sweatpants and white underwear

855  
00:35:59,589 --> 00:35:57,440  
the decedent's head was resting on the

856  
00:35:59,990 --> 00:35:59,599  
saturated pillows at the head of the bed

857  
00:36:03,670 --> 00:36:00,000  
face

858  
00:36:08,230 --> 00:36:03,680  
up and slightly tilted

859  
00:36:11,270 --> 00:36:10,230  
there was a large i think they mean

860  
00:36:13,030 --> 00:36:11,280  
amount of

861  
00:36:14,710 --> 00:36:13,040  
coagulated blood protruding from the

862  
00:36:16,550 --> 00:36:14,720  
descendants right temple region from

863  
00:36:18,390 --> 00:36:16,560

what appeared to be

864

00:36:21,030 --> 00:36:18,400

a contact entrance wound the blood

865

00:36:21,829 --> 00:36:21,040

continued in a downward angle towards

866

00:36:24,150 --> 00:36:21,839

his right ear

867

00:36:25,349 --> 00:36:24,160

and then to the pillow there was

868

00:36:27,670 --> 00:36:25,359

coagulated blood

869

00:36:29,430 --> 00:36:27,680

protruding from the descendant mouth in

870

00:36:31,349 --> 00:36:29,440

a downward angle towards his chin and

871

00:36:34,790 --> 00:36:31,359

neck region there was

872

00:36:36,310 --> 00:36:34,800

coagulated blood protruding from what

873

00:36:38,069 --> 00:36:36,320

appeared to be an exit wound

874

00:36:39,829 --> 00:36:38,079

on the left side of his face in a

875

00:36:41,510 --> 00:36:39,839

downward angle to the pillow mattress

876  
00:36:43,910 --> 00:36:41,520  
the decedent's torso and lower

877  
00:36:46,069 --> 00:36:43,920  
extremities were resting flat on the bed

878  
00:36:47,430 --> 00:36:46,079  
with his feet pointing northward to the

879  
00:36:49,349 --> 00:36:47,440  
right wall of the room

880  
00:36:50,870 --> 00:36:49,359  
the decedent's left arm was resting flat

881  
00:36:52,230 --> 00:36:50,880  
on the bed with his left hand in a

882  
00:36:54,230 --> 00:36:52,240  
clinched fist

883  
00:36:55,270 --> 00:36:54,240  
next to his left hip and pointing

884  
00:36:57,430 --> 00:36:55,280  
northward

885  
00:36:59,349 --> 00:36:57,440  
the decedent's rigger mortis was

886  
00:37:00,150 --> 00:36:59,359  
moderate and his body was cool to the

887  
00:37:01,910 --> 00:37:00,160  
touch

888  
00:37:04,150 --> 00:37:01,920

the lividity was consistent with the

889

00:37:05,829 --> 00:37:04,160

supine body position no other injury or

890

00:37:08,470 --> 00:37:05,839

trauma were noted

891

00:37:10,230 --> 00:37:08,480

to the decedent's person i removed a

892

00:37:12,390 --> 00:37:10,240

nine millimeter projectile from the

893

00:37:14,230 --> 00:37:12,400

lower west side wall across from the

894

00:37:17,589 --> 00:37:14,240

doorway in the downward direction to the

895

00:37:21,030 --> 00:37:17,599

left side of the decedent's head

896

00:37:21,990 --> 00:37:21,040

on tuesday 4 13 20 21 while on scene i

897

00:37:23,349 --> 00:37:22,000

spoke with corporal

898

00:37:25,190 --> 00:37:23,359

townsley who confirmed the

899

00:37:27,030 --> 00:37:25,200

aforementioned statements with the added

900

00:37:29,670 --> 00:37:27,040

information in the summary the decedent

901  
00:37:31,990 --> 00:37:29,680  
mark mccandlish date of birth 325

902  
00:37:33,910 --> 00:37:32,000  
1953 was found unresponsive with an

903  
00:37:34,790 --> 00:37:33,920  
apparent self-inflicted gunshot wound to

904  
00:37:36,870 --> 00:37:34,800  
the head

905  
00:37:39,670 --> 00:37:36,880  
in the supine body position covered with

906  
00:37:41,910 --> 00:37:39,680  
a sheet on the bed by his landlord

907  
00:37:43,030 --> 00:37:41,920  
corporal townsley informed me that the

908  
00:37:45,349 --> 00:37:43,040  
officer

909  
00:37:47,349 --> 00:37:45,359  
lobsinger removed the firearm from the

910  
00:37:48,870 --> 00:37:47,359  
decedent's right hand which was on top

911  
00:37:49,589 --> 00:37:48,880  
of the sheet on the right side of the

912  
00:37:52,790 --> 00:37:49,599  
descendants

913  
00:37:54,230 --> 00:37:52,800

decedent's head region officer lobsinger

914

00:37:55,829 --> 00:37:54,240

rendered the firearm safe and then

915

00:37:59,910 --> 00:37:55,839

secured the firearm into an

916

00:38:01,589 --> 00:37:59,920

rpd patrol vehicle corporal townsley

917

00:38:02,550 --> 00:38:01,599

mentioned that the decedent left a

918

00:38:05,990 --> 00:38:02,560

voicemail

919

00:38:07,829 --> 00:38:06,000

with his landlord on tuesday 4 13 at 13

920

00:38:09,430 --> 00:38:07,839

10 hours stating that he was going to

921

00:38:12,150 --> 00:38:09,440

kill himself

922

00:38:13,910 --> 00:38:12,160

so you know to the people that say mark

923

00:38:14,630 --> 00:38:13,920

mckinless didn't kill himself i just

924

00:38:16,310 --> 00:38:14,640

want to mention

925

00:38:18,230 --> 00:38:16,320

if you're not going to kill yourself you

926

00:38:19,430 --> 00:38:18,240

generally don't call your landlord

927

00:38:22,150 --> 00:38:19,440

and let them know you're going to kill

928

00:38:24,470 --> 00:38:22,160

themselves kill the kill yourself

929

00:38:25,670 --> 00:38:24,480

you generally don't write a two-page

930

00:38:27,670 --> 00:38:25,680

suicide note

931

00:38:29,670 --> 00:38:27,680

and last will and testament telling

932

00:38:32,150 --> 00:38:29,680

everybody who gets what property

933

00:38:33,430 --> 00:38:32,160

unless you're gonna kill yourself tragic

934

00:38:35,270 --> 00:38:33,440

as it may be

935

00:38:37,510 --> 00:38:35,280

and listen i understand some people were

936

00:38:39,990 --> 00:38:37,520

very close to mark and just

937

00:38:40,710 --> 00:38:40,000

i had a very close friend kill

938

00:38:43,750 --> 00:38:40,720

themselves

939

00:38:47,030 --> 00:38:43,760

and for a long time i didn't believe it

940

00:38:48,550 --> 00:38:47,040

i did not believe they would do it right

941

00:38:50,069 --> 00:38:48,560

because i didn't want to believe that

942

00:38:51,589 --> 00:38:50,079

they would do it

943

00:38:53,190 --> 00:38:51,599

i thought there was foul play i thought

944

00:38:54,630 --> 00:38:53,200

somebody killed him and staged it as a

945

00:38:57,990 --> 00:38:54,640

suicide

946

00:39:00,630 --> 00:38:58,000

um later i came to accept it

947

00:39:02,790 --> 00:39:00,640

once i learned more and i can only hope

948

00:39:05,910 --> 00:39:02,800

that the people that are running around

949

00:39:06,870 --> 00:39:05,920

leaving youtube comments and tweeting at

950

00:39:09,910 --> 00:39:06,880

me

951  
00:39:11,589 --> 00:39:09,920  
that mark didn't kill himself may look

952  
00:39:12,069 --> 00:39:11,599  
at the evidence that we have here on

953  
00:39:15,270 --> 00:39:12,079  
hand

954  
00:39:16,790 --> 00:39:15,280  
and change their opinion or you know

955  
00:39:20,150 --> 00:39:16,800  
come to some

956  
00:39:23,589 --> 00:39:20,160  
to your friend

957  
00:39:25,750 --> 00:39:23,599  
and listen i have a great deal of

958  
00:39:27,990 --> 00:39:25,760  
empathy for anybody i had a close friend

959  
00:39:30,470 --> 00:39:28,000  
commit suicide it's terrible and you

960  
00:39:33,750 --> 00:39:30,480  
don't want to believe it

961  
00:39:36,550 --> 00:39:33,760  
okay on tuesday 4 13

962  
00:39:38,630 --> 00:39:36,560  
21 2021 while on scene i spoke with the

963  
00:39:40,230 --> 00:39:38,640

descendants landlord carrie peterman who

964

00:39:41,829 --> 00:39:40,240

confirmed the aforementioned statements

965

00:39:43,349 --> 00:39:41,839

with the added information in summary

966

00:39:45,270 --> 00:39:43,359

the student was in the military and was

967

00:39:48,069 --> 00:39:45,280

being medically treated by the va he had

968

00:39:50,230 --> 00:39:48,079

been emotionally unstable for years

969

00:39:51,109 --> 00:39:50,240

uh with everything happening with his

970

00:39:54,630 --> 00:39:51,119

personal life

971

00:39:56,790 --> 00:39:54,640

work and the current pandemic

972

00:39:58,069 --> 00:39:56,800

on wednesday 4 14 i spoke with the

973

00:40:00,310 --> 00:39:58,079

decedent's brother

974

00:40:02,390 --> 00:40:00,320

via telephone call kevin last heard from

975

00:40:03,750 --> 00:40:02,400

the scene via email about a week prior

976  
00:40:04,630 --> 00:40:03,760  
he had mentioned being depressed for

977  
00:40:06,390 --> 00:40:04,640  
some time

978  
00:40:08,790 --> 00:40:06,400  
and about everything going on in the

979  
00:40:10,470 --> 00:40:08,800  
world and in his own personal life he

980  
00:40:15,270 --> 00:40:10,480  
didn't elaborate the decedent talked

981  
00:40:18,470 --> 00:40:16,870  
because the residents he was living in

982  
00:40:19,910 --> 00:40:18,480  
was going to be put on the market to

983  
00:40:21,910 --> 00:40:19,920  
sell

984  
00:40:23,349 --> 00:40:21,920  
on wednesday 414 i spoke with the

985  
00:40:25,510 --> 00:40:23,359  
decedent's friend

986  
00:40:26,870 --> 00:40:25,520  
uh vince leno via telephone call the

987  
00:40:28,150 --> 00:40:26,880  
last time vince had spoken with the

988  
00:40:29,750 --> 00:40:28,160

scene it was about a week prior the

989

00:40:31,190 --> 00:40:29,760

decedent had mentioned that he was not

990

00:40:31,910 --> 00:40:31,200

happy with his current girlfriend

991

00:40:33,829 --> 00:40:31,920

relationship

992

00:40:35,990 --> 00:40:33,839

and that and his occupation he never

993

00:40:38,950 --> 00:40:36,000

mentioned depression and suicide

994

00:40:40,470 --> 00:40:38,960

on thursday 6 veterans affairs called to

995

00:40:41,390 --> 00:40:40,480

confirm the decedent's death and to

996

00:40:44,230 --> 00:40:41,400

inform

997

00:40:45,990 --> 00:40:44,240

s.c.s.o coroner's office that

998

00:40:47,510 --> 00:40:46,000

he had been in the behavioral health

999

00:40:52,309 --> 00:40:47,520

treatment program for de

1000

00:40:55,030 --> 00:40:52,319

depression with suicidal tendencies

1001  
00:40:56,309 --> 00:40:55,040  
yeah and he had no criminal history we

1002  
00:40:58,870 --> 00:40:56,319  
have a medical records

1003  
00:40:59,430 --> 00:40:58,880  
uh he had been diagnosed with several

1004  
00:41:07,430 --> 00:40:59,440  
different

1005  
00:41:09,910 --> 00:41:07,440  
you know health conditions pa statement

1006  
00:41:11,750 --> 00:41:09,920  
pa department replied to my request with

1007  
00:41:12,710 --> 00:41:11,760  
possible contact information for the

1008  
00:41:15,670 --> 00:41:12,720  
descendants

1009  
00:41:17,030 --> 00:41:15,680  
decedent's sibling so what do you know

1010  
00:41:22,150 --> 00:41:17,040  
right in pennsylvania i guess his

1011  
00:41:26,069 --> 00:41:24,309  
the decedent was identified by his

1012  
00:41:28,470 --> 00:41:26,079  
landlord who was on the scene

1013  
00:41:30,390 --> 00:41:28,480

on scene rpd officer lopsinger rendered

1014

00:41:32,790 --> 00:41:30,400

the decedent's

1015

00:41:33,829 --> 00:41:32,800

used firearm safe the firearm was a nine

1016

00:41:36,710 --> 00:41:33,839

millimeter sig

1017

00:41:37,829 --> 00:41:36,720

sauer p226 pistol so again these

1018

00:41:39,990 --> 00:41:37,839

conspiracy land

1019

00:41:41,510 --> 00:41:40,000

rumors that mark mccann wish died by

1020

00:41:43,109 --> 00:41:41,520

shotgun blast to the head

1021

00:41:44,710 --> 00:41:43,119

completely and totally factually

1022

00:41:46,550 --> 00:41:44,720

factually inaccurate it was a nine

1023

00:41:49,430 --> 00:41:46,560

millimeter handgun stated right here in

1024

00:41:51,510 --> 00:41:49,440

the coroner's office

1025

00:41:53,670 --> 00:41:51,520

while on scene i took several photos of

1026  
00:41:55,190 --> 00:41:53,680  
the decedent and surrounding area the

1027  
00:41:55,829 --> 00:41:55,200  
decedent was placed in a body bag

1028  
00:41:57,589 --> 00:41:55,839  
secured

1029  
00:41:59,030 --> 00:41:57,599  
in a corner vehicle and transported to

1030  
00:42:00,550 --> 00:41:59,040  
the coroner's office i collected the

1031  
00:42:02,870 --> 00:42:00,560  
nine millimeter projectile from the

1032  
00:42:04,550 --> 00:42:02,880  
bedroom the decedent was located in the

1033  
00:42:06,150 --> 00:42:04,560  
projectile was placed into an evidence

1034  
00:42:07,990 --> 00:42:06,160  
box and secured

1035  
00:42:11,349 --> 00:42:08,000  
into the sco coroner's vehicle the

1036  
00:42:13,190 --> 00:42:11,359  
projectile was booked into the s

1037  
00:42:14,870 --> 00:42:13,200  
and that's shasta county coroner's

1038  
00:42:19,510 --> 00:42:14,880

office crime id lab as

1039

00:42:23,349 --> 00:42:21,589

on 4 13 i collected the decedent's

1040

00:42:24,630 --> 00:42:23,359

handwritten note found on scene the note

1041

00:42:26,150 --> 00:42:24,640

was secured

1042

00:42:28,150 --> 00:42:26,160

in the coroner's vehicle the note was

1043

00:42:30,710 --> 00:42:28,160

placed in a coroner's case file

1044

00:42:37,030 --> 00:42:30,720

upon arrival to the coroner's office i'm

1045

00:42:41,430 --> 00:42:38,950

so they collected his medications and

1046

00:42:43,030 --> 00:42:41,440

and took them as evidence upon arrival

1047

00:42:43,990 --> 00:42:43,040

to the coroner's office the decedent was

1048

00:42:47,109 --> 00:42:44,000

assigned this case

1049

00:42:50,710 --> 00:42:47,119

number and the toe tag was attached

1050

00:42:52,550 --> 00:42:50,720

that's depressing while at the s-c-s-o

1051  
00:42:53,990 --> 00:42:52,560  
morgue additional identification was

1052  
00:42:55,990 --> 00:42:54,000  
made by dci

1053  
00:42:58,950 --> 00:42:56,000  
whacker using the decedent's california

1054  
00:43:01,270 --> 00:42:58,960  
driver's license blood was drawn from

1055  
00:43:04,309 --> 00:43:01,280  
the femoral artery collected in one gray

1056  
00:43:06,870 --> 00:43:04,319  
top tube and placed in refrigeration

1057  
00:43:07,910 --> 00:43:06,880  
notification was made of the decedent's

1058  
00:43:10,550 --> 00:43:07,920  
brother kevin

1059  
00:43:11,589 --> 00:43:10,560  
via telephone call from the dci whacker

1060  
00:43:16,309 --> 00:43:11,599  
decedent

1061  
00:43:19,910 --> 00:43:16,319  
based on examination investigation

1062  
00:43:23,990 --> 00:43:19,920  
manner was determined to be suicide

1063  
00:43:26,550 --> 00:43:24,000

uh so really there we have it friends

1064

00:43:28,470 --> 00:43:26,560

there we have it whoa i missed uh i'm

1065

00:43:31,589 --> 00:43:28,480

sorry i was uh in the other

1066

00:43:33,430 --> 00:43:31,599

in the other thing there i was

1067

00:43:35,190 --> 00:43:33,440

really focused on reading this you guys

1068

00:43:37,430 --> 00:43:35,200

will have to apologize but if i have to

1069

00:43:39,589 --> 00:43:37,440

read something it's got to be big

1070

00:43:40,870 --> 00:43:39,599

right because i have you guys know that

1071

00:43:45,030 --> 00:43:40,880

i have a

1072

00:43:47,670 --> 00:43:45,040

some vision issues all right so

1073

00:43:50,230 --> 00:43:47,680

there we go and i want to recognize kind

1074

00:43:52,069 --> 00:43:50,240

of generous donation

1075

00:43:53,829 --> 00:43:52,079

rogue status of twenty dollars you'll

1076

00:43:55,190 --> 00:43:53,839

still have it just quit already would

1077

00:43:58,470 --> 00:43:55,200

you

1078

00:44:02,790 --> 00:44:00,230

leave it to a friend of mine from

1079

00:44:04,710 --> 00:44:02,800

philadelphia to bust my balls but i will

1080

00:44:06,870 --> 00:44:04,720

let you bust my balls all you want rogue

1081

00:44:08,550 --> 00:44:06,880

status as long as you give me 20

1082

00:44:10,950 --> 00:44:08,560

every time you bust my balls that's my

1083

00:44:12,069 --> 00:44:10,960

new fee it costs twenty dollars to bust

1084

00:44:14,550 --> 00:44:12,079

my balls

1085

00:44:16,950 --> 00:44:14,560

but no uh thank you for your kindness

1086

00:44:19,430 --> 00:44:16,960

your generosity and your support

1087

00:44:20,390 --> 00:44:19,440

i certainly do appreciate it long time

1088

00:44:23,829 --> 00:44:20,400

show supporter

1089

00:44:26,390 --> 00:44:23,839

and uh live chat participant kind

1090

00:44:27,109 --> 00:44:26,400

very kind very very generous of you and

1091

00:44:29,349 --> 00:44:27,119

it seems

1092

00:44:30,950 --> 00:44:29,359

kind of wrong to do this uh considering

1093

00:44:32,390 --> 00:44:30,960

we're talking about a man's tragic

1094

00:44:35,109 --> 00:44:32,400

suicide

1095

00:44:35,990 --> 00:44:35,119

but we still do you know life goes on

1096

00:44:39,109 --> 00:44:36,000

and you have to praise

1097

00:44:39,990 --> 00:44:39,119

the cash so this is for rogue status and

1098

00:44:52,010 --> 00:44:40,000

uh

1099

00:44:52,020 --> 00:45:01,030

[Music]

1100

00:45:06,309 --> 00:45:04,230

so thank you rogue status i thank you uh

1101

00:45:07,829 --> 00:45:06,319

my family thanks you you know i'm

1102

00:45:09,829 --> 00:45:07,839

getting uh

1103

00:45:11,829 --> 00:45:09,839

i'm getting shaken down by that little

1104

00:45:14,230 --> 00:45:11,839

clown because

1105

00:45:15,109 --> 00:45:14,240

he put on youtube and he was trying to

1106

00:45:17,030 --> 00:45:15,119

like oh

1107

00:45:18,950 --> 00:45:17,040

can i see what happens when you play

1108

00:45:21,030 --> 00:45:18,960

that do people like me being a clown and

1109

00:45:22,870 --> 00:45:21,040

i go yeah xavier

1110

00:45:24,390 --> 00:45:22,880

my son's name is xavier by the way and

1111

00:45:26,630 --> 00:45:24,400

he volunteered to help us praise the

1112

00:45:29,349 --> 00:45:26,640

cash by being the cash clown

1113

00:45:30,790 --> 00:45:29,359

but now he wants to know what his cut of

1114

00:45:33,190 --> 00:45:30,800

the super chat money is

1115

00:45:33,910 --> 00:45:33,200

because you know he's the cash clown he

1116

00:45:35,430 --> 00:45:33,920

should get a cut

1117

00:45:37,510 --> 00:45:35,440

so some of this money is going to be

1118

00:45:40,630 --> 00:45:37,520

going towards um

1119

00:45:41,109 --> 00:45:40,640

i would say superheroes that's his big

1120

00:45:44,630 --> 00:45:41,119

thing

1121

00:45:46,390 --> 00:45:44,640

superheroes so uh here we have it

1122

00:45:49,430 --> 00:45:46,400

friends we have the actual

1123

00:45:51,109 --> 00:45:49,440

coroner's report stating he wasn't

1124

00:45:51,510 --> 00:45:51,119

killed with a shotgun blast to the head

1125

00:45:54,470 --> 00:45:51,520

no

1126

00:45:55,670 --> 00:45:54,480

it was a nine millimeter pistol he was

1127

00:45:58,630 --> 00:45:55,680

depressed

1128

00:46:01,190 --> 00:45:58,640

uh various people told the coroner and

1129

00:46:03,270 --> 00:46:01,200

the police that he was depressed

1130

00:46:06,390 --> 00:46:03,280

he calls his landlord to tell his

1131

00:46:09,190 --> 00:46:06,400

landlord he's going to commit suicide

1132

00:46:11,190 --> 00:46:09,200

shortly before he does it and he leaves

1133

00:46:14,630 --> 00:46:11,200

a two-page suicide note

1134

00:46:17,829 --> 00:46:14,640

to me as tr this is any

1135

00:46:22,309 --> 00:46:17,839

death is tragic a suicide to me is

1136

00:46:28,870 --> 00:46:25,510

but the real tragedy besides his death

1137

00:46:31,910 --> 00:46:28,880

was the disgusting deplorable

1138

00:46:33,750 --> 00:46:31,920

degenerates out there on the internet

1139

00:46:35,589 --> 00:46:33,760

like robert morningstar and carrie

1140

00:46:38,230 --> 00:46:35,599

cassidy spreading

1141

00:46:38,870 --> 00:46:38,240

all this fake information trying to make

1142

00:46:41,270 --> 00:46:38,880

money

1143

00:46:44,309 --> 00:46:41,280

off this man's tragic suicide by

1144

00:46:46,230 --> 00:46:44,319

peddling fake conspiracy land stories

1145

00:46:48,390 --> 00:46:46,240

that were completely and totally

1146

00:46:50,309 --> 00:46:48,400

fabricated nothing those guys talked

1147

00:46:55,270 --> 00:46:50,319

about was real

1148

00:46:58,470 --> 00:46:55,280

so yeah reem see i guess them

1149

00:47:01,750 --> 00:46:58,480

no i i got from what i got

1150

00:47:04,069 --> 00:47:01,760

uh reem c is that he left a message with

1151

00:47:05,990 --> 00:47:04,079

his landlord hung up the phone

1152

00:47:07,589 --> 00:47:06,000

went to his bedroom and then committed

1153

00:47:10,630 --> 00:47:07,599

suicide like minutes

1154

00:47:12,630 --> 00:47:10,640

after he left the message and then so

1155

00:47:13,750 --> 00:47:12,640

yeah i guess tragically there was no

1156

00:47:17,510 --> 00:47:13,760

time for help

1157

00:47:19,670 --> 00:47:17,520

or for the the

1158

00:47:21,589 --> 00:47:19,680

or for the landlord to go and try to

1159

00:47:22,309 --> 00:47:21,599

intervene you know because certainly if

1160

00:47:23,430 --> 00:47:22,319

somebody's

1161

00:47:25,750 --> 00:47:23,440

calling you telling you they're going to

1162

00:47:30,309 --> 00:47:25,760

commit suicide most humans would go

1163

00:47:33,190 --> 00:47:30,319

and try to help them right i sure would

1164

00:47:35,589 --> 00:47:33,200

yes after f72 says superhero toy fund

1165

00:47:39,270 --> 00:47:35,599

yeah let's hope not a huge percentage

1166

00:47:41,990 --> 00:47:39,280

daddy needs some toys too fgraf72

1167

00:47:43,589 --> 00:47:42,000

so uh you know i've been dreading doing

1168

00:47:44,309 --> 00:47:43,599

this but i'm glad that we got this out

1169

00:47:47,109 --> 00:47:44,319

of the way

1170

00:47:48,710 --> 00:47:47,119

i am gonna share the corners report

1171

00:47:51,030 --> 00:47:48,720

actually you know what before i

1172

00:47:52,069 --> 00:47:51,040

say i'm gonna do this and then i don't

1173

00:47:53,910 --> 00:47:52,079

do it

1174

00:47:56,790 --> 00:47:53,920

here's what i'm going to do i am going

1175

00:48:01,190 --> 00:47:56,800

to go in there right now

1176

00:48:03,190 --> 00:48:01,200

before i forget and i am going to

1177

00:48:05,349 --> 00:48:03,200

share the coroner's report so just bear

1178

00:48:08,150 --> 00:48:05,359

with me it's going to be in the

1179

00:48:09,349 --> 00:48:08,160

at the all right i'm going to put it

1180

00:48:24,150 --> 00:48:09,359

right here

1181

00:48:30,230 --> 00:48:27,829

all right all right

1182

00:48:32,309 --> 00:48:30,240

and now it's there so if you would like

1183

00:48:35,589 --> 00:48:32,319

a copy of this coroner's report

1184

00:48:36,790 --> 00:48:35,599

for whatever reason it will be in the

1185

00:48:40,470 --> 00:48:36,800

video description

1186

00:48:42,309 --> 00:48:40,480

down below and you too

1187

00:48:44,230 --> 00:48:42,319

can find out that what i'm telling you

1188

00:48:44,870 --> 00:48:44,240

is completely and totally factually

1189

00:48:47,349 --> 00:48:44,880

accurate

1190

00:48:48,230 --> 00:48:47,359

we do our homework here we do our due

1191

00:48:51,190 --> 00:48:48,240

diligence

1192

00:48:53,109 --> 00:48:51,200

others others deal in fairy tales we

1193

00:48:53,990 --> 00:48:53,119

deal with facts and evidence whenever

1194

00:48:57,030 --> 00:48:54,000

possible

1195

00:48:59,190 --> 00:48:57,040

right so

1196

00:49:00,710 --> 00:48:59,200

like i said anybody can go after me and

1197

00:49:01,750 --> 00:49:00,720

find out that what i'm saying is

1198

00:49:03,670 --> 00:49:01,760

accurate because

1199

00:49:05,990 --> 00:49:03,680

you too can get the same exact

1200

00:49:08,710 --> 00:49:06,000

information

1201

00:49:10,309 --> 00:49:08,720

okay melissa is here good to see you

1202

00:49:11,990 --> 00:49:10,319

melissa most people don't get how

1203

00:49:15,109 --> 00:49:12,000

suicide and depression works when i was

1204

00:49:18,390 --> 00:49:15,119

13 a good friend did it she was 13.

1205

00:49:20,790 --> 00:49:18,400

was top on school played soccer and sang

1206

00:49:23,430 --> 00:49:20,800

in a band one day

1207

00:49:24,870 --> 00:49:23,440

got home and shot herself yeah i mean i

1208

00:49:27,829 --> 00:49:24,880

had a friend of mine's

1209

00:49:28,630 --> 00:49:27,839

wife that she hung herself and she was

1210

00:49:32,710 --> 00:49:28,640

young

1211

00:49:35,430 --> 00:49:32,720

and rich and beautiful and

1212

00:49:37,589 --> 00:49:35,440

most people would have assumed or

1213

00:49:40,390 --> 00:49:37,599

thought that she was happy

1214

00:49:41,589 --> 00:49:40,400

and not depressed or not suicidal of

1215

00:49:45,510 --> 00:49:41,599

course

1216

00:49:47,190 --> 00:49:45,520

you know one day he just came home and

1217

00:49:49,109 --> 00:49:47,200

found that she hung herself

1218

00:49:51,109 --> 00:49:49,119

it's really you know a tragedy some

1219

00:49:53,430 --> 00:49:51,119

people suffer in silence and they don't

1220

00:49:54,630 --> 00:49:53,440

give the normal warning signs that other

1221

00:49:56,870 --> 00:49:54,640

people would

1222

00:49:59,910 --> 00:49:56,880

but in the case of mark mccandless here

1223

00:50:03,270 --> 00:49:59,920

we have him literally getting treated

1224

00:50:05,430 --> 00:50:03,280

at the va for suicidal depression

1225

00:50:07,349 --> 00:50:05,440

so you know people running around and

1226

00:50:10,790 --> 00:50:07,359

saying um

1227

00:50:11,430 --> 00:50:10,800

you know he wasn't suicidal he was being

1228

00:50:14,630 --> 00:50:11,440

treated

1229

00:50:17,190 --> 00:50:14,640

at the local va for suicidal

1230

00:50:18,870 --> 00:50:17,200

depression uh for depression and

1231

00:50:21,349 --> 00:50:18,880

suicidal thoughts

1232

00:50:22,230 --> 00:50:21,359

he was uh taking medication for

1233

00:50:24,230 --> 00:50:22,240

depression

1234

00:50:25,430 --> 00:50:24,240

he was telling others that he was

1235

00:50:27,430 --> 00:50:25,440

depressed people

1236

00:50:29,349 --> 00:50:27,440

told the police that he was depressed

1237

00:50:31,750 --> 00:50:29,359

and somewhat despondent

1238

00:50:33,510 --> 00:50:31,760

over his current situation i heard from

1239

00:50:35,910 --> 00:50:33,520

multiple sources he had many

1240

00:50:37,589 --> 00:50:35,920

financial problems uh we heard in this

1241

00:50:39,670 --> 00:50:37,599

corners report that he wasn't happy with

1242

00:50:41,589 --> 00:50:39,680

his girlfriend or his employment

1243

00:50:43,990 --> 00:50:41,599

currently i believe he was working for

1244

00:50:49,270 --> 00:50:44,000

his girlfriend at a

1245

00:50:53,109 --> 00:50:52,390

it was a long time ago but you know it's

1246

00:50:56,950 --> 00:50:53,119

still

1247

00:50:58,710 --> 00:50:56,960

know what i always think

1248

00:51:01,750 --> 00:50:58,720

when somebody commits suicide i always

1249

00:51:04,630 --> 00:51:01,760

think how many

1250

00:51:06,230 --> 00:51:04,640

how many good things could they have

1251  
00:51:07,270 --> 00:51:06,240  
done with the rest of their lives if

1252  
00:51:10,470 --> 00:51:07,280  
they didn't do that

1253  
00:51:13,910 --> 00:51:10,480  
right it's tragic it's tragic

1254  
00:51:16,870 --> 00:51:13,920  
and you know i don't know

1255  
00:51:17,910 --> 00:51:16,880  
i've been uh really depressed at one

1256  
00:51:20,230 --> 00:51:17,920  
point in time

1257  
00:51:20,950 --> 00:51:20,240  
all around arbiter but the thought of

1258  
00:51:24,390 --> 00:51:20,960  
doing that

1259  
00:51:24,950 --> 00:51:24,400  
never entered my just never entered my

1260  
00:51:27,109 --> 00:51:24,960  
mind

1261  
00:51:29,510 --> 00:51:27,119  
you know and especially now being a

1262  
00:51:32,309 --> 00:51:29,520  
father and a husband

1263  
00:51:33,030 --> 00:51:32,319

there's nothing there's no problem on

1264

00:51:36,230 --> 00:51:33,040

earth

1265

00:51:37,270 --> 00:51:36,240

that would cause me to to want to check

1266

00:51:39,910 --> 00:51:37,280

out

1267

00:51:41,670 --> 00:51:39,920

none you know whatever whatever happens

1268

00:51:41,910 --> 00:51:41,680

happens and i'll try to deal with it but

1269

00:52:00,710 --> 00:51:41,920

i

1270

00:52:03,750 --> 00:52:00,720

end soon so that they're

1271

00:52:07,109 --> 00:52:03,760

they're almost you know

1272

00:52:10,470 --> 00:52:07,119

they're almost happy before they do it

1273

00:52:12,069 --> 00:52:10,480

which is crazy thing to think about so

1274

00:52:13,510 --> 00:52:12,079

you know considering the warning signs

1275

00:52:15,589 --> 00:52:13,520

and i just want to mention to anybody

1276

00:52:17,589 --> 00:52:15,599

who's struggling with depression

1277

00:52:19,430 --> 00:52:17,599

especially if you're feeling suicidal

1278

00:52:21,430 --> 00:52:19,440

there are places you can go

1279

00:52:23,670 --> 00:52:21,440

please do get help don't suffer in

1280

00:52:25,190 --> 00:52:23,680

silence there are

1281

00:52:27,109 --> 00:52:25,200

you know i have one friend that was

1282

00:52:29,750 --> 00:52:27,119

really uh

1283

00:52:32,150 --> 00:52:29,760

really really really clinically

1284

00:52:36,710 --> 00:52:32,160

suicidally depressed and

1285

00:52:37,270 --> 00:52:36,720

uh he finally got on the right meds and

1286

00:52:39,510 --> 00:52:37,280

he was

1287

00:52:40,870 --> 00:52:39,520

fine after he got on the right meds some

1288

00:52:42,630 --> 00:52:40,880

people just need a little bit of

1289

00:52:44,470 --> 00:52:42,640

brain chemistry adjustment and they

1290

00:52:46,390 --> 00:52:44,480

could be okay

1291

00:52:48,230 --> 00:52:46,400

this is not to say that you know taking

1292

00:52:50,069 --> 00:52:48,240

pills is gonna undepress you

1293

00:52:51,510 --> 00:52:50,079

i think if you're probably if you're

1294

00:52:53,030 --> 00:52:51,520

suffering and again i'm not a mental

1295

00:52:54,549 --> 00:52:53,040

health professional seek a mental health

1296

00:52:57,349 --> 00:52:54,559

professional but i would think

1297

00:52:57,990 --> 00:52:57,359

that you know you can't just take a pill

1298

00:53:01,270 --> 00:52:58,000

maybe

1299

00:53:03,270 --> 00:53:01,280

counseling psychotherapy um

1300

00:53:05,910 --> 00:53:03,280

other forms of therapy along with

1301  
00:53:07,750 --> 00:53:05,920  
medication might be beneficial

1302  
00:53:09,510 --> 00:53:07,760  
just goes to show you never judge a book

1303  
00:53:11,430 --> 00:53:09,520  
by its cover never know what's going on

1304  
00:53:13,270 --> 00:53:11,440  
in someone's head

1305  
00:53:15,109 --> 00:53:13,280  
yeah i agree with you and wow i'm sorry

1306  
00:53:17,430 --> 00:53:15,119  
that uh ice machine is really loud we

1307  
00:53:19,670 --> 00:53:17,440  
have a table top ice machine here

1308  
00:53:20,549 --> 00:53:19,680  
because we have this little sort of like

1309  
00:53:22,630 --> 00:53:20,559  
college size

1310  
00:53:24,069 --> 00:53:22,640  
fridge you know like college dorm room

1311  
00:53:26,309 --> 00:53:24,079  
size fridge

1312  
00:53:28,950 --> 00:53:26,319  
and it's only got a freezer in it this

1313  
00:53:31,190 --> 00:53:28,960

big you know

1314

00:53:32,630 --> 00:53:31,200

and uh yeah so i apologize for that

1315

00:53:33,990 --> 00:53:32,640

noise next time i'll know to shut that

1316

00:53:35,750 --> 00:53:34,000

thing off when i'm in here

1317

00:53:37,109 --> 00:53:35,760

and i'm here in the cabin kitchen

1318

00:53:39,829 --> 00:53:37,119

actually

1319

00:53:41,750 --> 00:53:39,839

not living room for a change i rushed

1320

00:53:41,990 --> 00:53:41,760

here i didn't even get to eat anything

1321

00:53:45,270 --> 00:53:42,000

so

1322

00:53:49,510 --> 00:53:45,280

i suffered through this show with

1323

00:53:52,549 --> 00:53:49,520

no dinner i'm looking forward to

1324

00:53:52,950 --> 00:53:52,559

this is crazy funny thing but and this

1325

00:53:55,990 --> 00:53:52,960

is a

1326  
00:53:58,390 --> 00:53:56,000  
crazy guilty pleasure one of my favorite

1327  
00:54:00,470 --> 00:53:58,400  
meals in the universe is hungry man

1328  
00:54:04,309 --> 00:54:00,480  
fried chicken

1329  
00:54:06,549 --> 00:54:04,319  
it's almost as good as kfc right

1330  
00:54:08,950 --> 00:54:06,559  
and i got two of them bad boys because

1331  
00:54:12,549 --> 00:54:08,960  
you know i'm 6'4

1332  
00:54:14,710 --> 00:54:12,559  
you know probably 200 pounds right now

1333  
00:54:16,790 --> 00:54:14,720  
so one of those hungry man dinners isn't

1334  
00:54:18,870 --> 00:54:16,800  
gonna do it you need two

1335  
00:54:21,109 --> 00:54:18,880  
so i'm very happy because after the show

1336  
00:54:23,190 --> 00:54:21,119  
i get to get my fried chicken on

1337  
00:54:25,030 --> 00:54:23,200  
it's one of my it's so stupid right my

1338  
00:54:26,870 --> 00:54:25,040

wife makes fun of me she's like really

1339

00:54:30,549 --> 00:54:26,880

this garbage this is one of your

1340

00:54:36,829 --> 00:54:30,559

favorite meals i'm like it's delicious

1341

00:54:40,069 --> 00:54:38,470

delicious

1342

00:54:41,990 --> 00:54:40,079

what's your fault for being addicted to

1343

00:54:45,349 --> 00:54:42,000

ice yeah exactly

1344

00:54:48,789 --> 00:54:45,359

well i i drink nothing but iced tea

1345

00:54:49,750 --> 00:54:48,799

i don't drink soda i don't drink i drink

1346

00:54:51,510 --> 00:54:49,760

nothing but tea

1347

00:54:52,870 --> 00:54:51,520

that's all i drink in the morning i

1348

00:54:56,069 --> 00:54:52,880

drink hot tea

1349

00:54:56,870 --> 00:54:56,079

melisa my mother growing up we didn't

1350

00:54:58,950 --> 00:54:56,880

really

1351  
00:55:00,549 --> 00:54:58,960  
like my father drank coffee but nobody

1352  
00:55:03,270 --> 00:55:00,559  
else did she gave us tea

1353  
00:55:04,470 --> 00:55:03,280  
so i grew up drinking tea every morning

1354  
00:55:06,230 --> 00:55:04,480  
and i still do

1355  
00:55:07,750 --> 00:55:06,240  
i drink hot tea every morning sometimes

1356  
00:55:09,750 --> 00:55:07,760  
i have earl grey

1357  
00:55:11,030 --> 00:55:09,760  
most of the time i just have regular old

1358  
00:55:13,349 --> 00:55:11,040  
you know

1359  
00:55:14,230 --> 00:55:13,359  
whatever you call it like black pico you

1360  
00:55:17,430 --> 00:55:14,240  
know normal

1361  
00:55:18,150 --> 00:55:17,440  
whatever they make now i gotta go look

1362  
00:55:19,910 --> 00:55:18,160  
at the box

1363  
00:55:21,910 --> 00:55:19,920

i don't know you know regular tea most

1364

00:55:24,630 --> 00:55:21,920

of the time i just drink the regular tea

1365

00:55:26,069 --> 00:55:24,640

that americans you know but sometimes i

1366

00:55:27,750 --> 00:55:26,079

drink the fancy stuff like i have

1367

00:55:30,230 --> 00:55:27,760

english breakfast tea here

1368

00:55:31,349 --> 00:55:30,240

and i have some earl grey tea and maybe

1369

00:55:34,950 --> 00:55:31,359

we have some of those

1370

00:55:39,349 --> 00:55:34,960

uh herbal teas right reempsy says very

1371

00:55:44,150 --> 00:55:43,190

yeah uh me too i didn't eat anything

1372

00:55:46,470 --> 00:55:44,160

today

1373

00:55:48,309 --> 00:55:46,480

i tried to eat a bag of chips and then

1374

00:55:51,030 --> 00:55:48,319

my son

1375

00:55:53,190 --> 00:55:51,040

i gave him some chips and then we had

1376

00:55:54,630 --> 00:55:53,200

this variety pack so then i had the

1377

00:55:56,630 --> 00:55:54,640

different chips

1378

00:55:57,750 --> 00:55:56,640

i can't remember but he had like regular

1379

00:56:01,270 --> 00:55:57,760

doritos

1380

00:56:02,230 --> 00:56:01,280

his real face then it comes to me he

1381

00:56:05,270 --> 00:56:02,240

goes

1382

00:56:05,750 --> 00:56:05,280

dad that's the last bag of those and i

1383

00:56:09,030 --> 00:56:05,760

go

1384

00:56:11,510 --> 00:56:09,040

give him this little bag of chips

1385

00:56:13,510 --> 00:56:11,520

i can't even eat a bag of chips my kids

1386

00:56:16,069 --> 00:56:13,520

they're like vultures

1387

00:56:17,430 --> 00:56:16,079

and forget drinks i've been thirsty

1388

00:56:19,670 --> 00:56:17,440

since my son was born

1389

00:56:21,510 --> 00:56:19,680

my first son he sees you with a drink he

1390

00:56:23,349 --> 00:56:21,520

just comes over and grabs it like

1391

00:56:28,710 --> 00:56:23,359

thanks for the soda dad or whatever

1392

00:56:32,069 --> 00:56:31,349

terry joyce terry joyce likes that meal

1393

00:56:35,270 --> 00:56:32,079

too

1394

00:56:37,270 --> 00:56:35,280

fried chicken yum uh eat them often yeah

1395

00:56:38,870 --> 00:56:37,280

i don't know what it is i it was

1396

00:56:41,030 --> 00:56:38,880

probably

1397

00:56:42,829 --> 00:56:41,040

growing up a starving artist and eating

1398

00:56:46,309 --> 00:56:42,839

so many ramen noodles

1399

00:56:49,430 --> 00:56:46,319

right oh fried chicken yum

1400

00:56:51,670 --> 00:56:49,440

genesis genie's ass

1401  
00:56:52,789 --> 00:56:51,680  
that's a strange thing says i eat them

1402  
00:56:55,109 --> 00:56:52,799  
often yeah

1403  
00:56:56,950 --> 00:56:55,119  
i think for me it was growing up a

1404  
00:56:58,630 --> 00:56:56,960  
starving artist and always eating ramen

1405  
00:57:00,470 --> 00:56:58,640  
noodles and spaghetti

1406  
00:57:02,789 --> 00:57:00,480  
that when there was a day that you got

1407  
00:57:05,430 --> 00:57:02,799  
some meat that was a good day

1408  
00:57:07,589 --> 00:57:05,440  
and there used to be like those hungry

1409  
00:57:09,349 --> 00:57:07,599  
man dinners was my go-to like if i had a

1410  
00:57:11,190 --> 00:57:09,359  
couple extra bucks that week and

1411  
00:57:12,470 --> 00:57:11,200  
could eat something other than ramen

1412  
00:57:16,789 --> 00:57:12,480  
noodles right and

1413  
00:57:18,390 --> 00:57:16,799

canned soup i sure don't miss being poor

1414

00:57:19,910 --> 00:57:18,400

but i'll tell you what

1415

00:57:21,750 --> 00:57:19,920

my wife cooks so good that i'm putting

1416

00:57:22,870 --> 00:57:21,760

on weight and this pandemic has not been

1417

00:57:24,870 --> 00:57:22,880

good for me

1418

00:57:26,950 --> 00:57:24,880

i've always been super thin and i think

1419

00:57:29,030 --> 00:57:26,960

it's a combination of too much beer

1420

00:57:30,230 --> 00:57:29,040

and too much comfort food like her mac

1421

00:57:32,470 --> 00:57:30,240

and cheese and

1422

00:57:33,430 --> 00:57:32,480

and all these delicious meals that she

1423

00:57:35,670 --> 00:57:33,440

makes

1424

00:57:36,710 --> 00:57:35,680

now she's back to work and i'm cooking

1425

00:57:39,510 --> 00:57:36,720

every day so

1426

00:57:41,270 --> 00:57:39,520

i probably lose weight because i don't

1427

00:57:43,109 --> 00:57:41,280

cook nearly as good as her

1428

00:57:45,589 --> 00:57:43,119

you know i'm working on it though i keep

1429

00:57:49,510 --> 00:57:45,599

trying to learn uh

1430

00:57:54,710 --> 00:57:49,520

yeah love lipton's you know uh

1431

00:57:57,510 --> 00:57:54,720

i think that's uh

1432

00:57:58,470 --> 00:57:57,520

yeah when i do have to drink bottle tea

1433

00:58:00,870 --> 00:57:58,480

i think that's

1434

00:58:02,309 --> 00:58:00,880

i think this is lipton right that's what

1435

00:58:04,950 --> 00:58:02,319

i drink

1436

00:58:08,630 --> 00:58:04,960

when i have to drink bottled but mostly

1437

00:58:10,309 --> 00:58:08,640

i make homemade with lemon and sugar aj

1438

00:58:12,789 --> 00:58:10,319

so i'm glad that you could all join us

1439

00:58:14,069 --> 00:58:12,799

here i wanted to take some time to read

1440

00:58:16,069 --> 00:58:14,079

this corners report

1441

00:58:17,589 --> 00:58:16,079

try to set the record straight for the

1442

00:58:19,750 --> 00:58:17,599

benefit

1443

00:58:24,150 --> 00:58:19,760

of the memory of mr mccandless and his

1444

00:58:28,069 --> 00:58:26,069

and i want to encourage you friends if

1445

00:58:29,910 --> 00:58:28,079

you see somebody like kerry cassidy or

1446

00:58:32,950 --> 00:58:29,920

robert morningstar

1447

00:58:35,670 --> 00:58:32,960

if you see them spouting these lies

1448

00:58:37,030 --> 00:58:35,680

link them to this video you know put a

1449

00:58:39,829 --> 00:58:37,040

reply to their video

1450

00:58:40,710 --> 00:58:39,839

talking smack and giving people fantasy

1451  
00:58:43,670 --> 00:58:40,720  
fairy tales

1452  
00:58:45,589 --> 00:58:43,680  
and link this video so that people can

1453  
00:58:47,910 --> 00:58:45,599  
honestly hear the truth

1454  
00:58:49,190 --> 00:58:47,920  
and you know it's important to me i

1455  
00:58:52,630 --> 00:58:49,200  
didn't know this man well

1456  
00:58:55,030 --> 00:58:52,640  
but i did feel a strange sort of uh

1457  
00:58:56,630 --> 00:58:55,040  
i thought of duty like somebody's gotta

1458  
00:58:58,789 --> 00:58:56,640  
do this somebody's gotta

1459  
00:58:59,829 --> 00:58:58,799  
tell people the truth all these people

1460  
00:59:05,109 --> 00:58:59,839  
are out there

1461  
00:59:07,589 --> 00:59:05,119  
profiting from this tragic man's suicide

1462  
00:59:08,309 --> 00:59:07,599  
it's crazy all around arbiter this is

1463  
00:59:10,630 --> 00:59:08,319

crazy

1464

00:59:12,710 --> 00:59:10,640

celestial seasonings tea has ties to a

1465

00:59:15,270 --> 00:59:12,720

cult i've never heard that in my life

1466

00:59:17,349 --> 00:59:15,280

that's crazy really

1467

00:59:18,549 --> 00:59:17,359

i think my wife has some of that stuff i

1468

00:59:19,190 --> 00:59:18,559

think we have some of that here at the

1469

00:59:23,109 --> 00:59:19,200

cabin

1470

00:59:27,670 --> 00:59:23,119

orbiter that's crazy

1471

00:59:29,270 --> 00:59:27,680

yeah and i also wanted to mention uh

1472

00:59:31,349 --> 00:59:29,280

people asked me like what's going on

1473

00:59:32,470 --> 00:59:31,359

with your schedule how come there wasn't

1474

00:59:34,950 --> 00:59:32,480

a show yesterday

1475

00:59:36,069 --> 00:59:34,960

and all right listen i'm always honest

1476

00:59:37,430 --> 00:59:36,079

with my audience i'm gonna tell you the

1477

00:59:39,190 --> 00:59:37,440

honest-to-god truth

1478

00:59:40,470 --> 00:59:39,200

these children are killing me they're

1479

00:59:42,390 --> 00:59:40,480

kicking my ass

1480

00:59:44,230 --> 00:59:42,400

and i have to get up early now when my

1481

00:59:44,950 --> 00:59:44,240

wife was working from home i could get

1482

00:59:46,470 --> 00:59:44,960

up at noon

1483

00:59:48,390 --> 00:59:46,480

she didn't care she took care of the

1484

00:59:49,829 --> 00:59:48,400

kids until i got up right

1485

00:59:51,510 --> 00:59:49,839

but now that she's going to work at

1486

00:59:54,390 --> 00:59:51,520

eight o'clock i got

1487

00:59:56,470 --> 00:59:54,400

i got to be up so uh i'm having a real

1488

00:59:58,470 --> 00:59:56,480

hard time

1489

01:00:00,069 --> 00:59:58,480

and uh anybody that's ever you know

1490

01:00:02,630 --> 01:00:00,079

spent any time with two boys

1491

01:00:03,670 --> 01:00:02,640

especially i guess girls are just as

1492

01:00:06,390 --> 01:00:03,680

hard but

1493

01:00:07,910 --> 01:00:06,400

these kids are like every time i swear

1494

01:00:10,390 --> 01:00:07,920

every time i sit down

1495

01:00:11,190 --> 01:00:10,400

like right they want something i get it

1496

01:00:14,870 --> 01:00:11,200

for them

1497

01:00:16,789 --> 01:00:14,880

you know then i sit down daddy

1498

01:00:18,069 --> 01:00:16,799

i want cookies so then i gotta get up

1499

01:00:18,549 --> 01:00:18,079

and get him the cookies five minutes

1500

01:00:21,030 --> 01:00:18,559

later

1501

01:00:21,589 --> 01:00:21,040

you know daddy i need a drink i'm

1502

01:00:23,670 --> 01:00:21,599

thirsty

1503

01:00:25,190 --> 01:00:23,680

so then i gotta get up i just spend my

1504

01:00:27,349 --> 01:00:25,200

whole day doing laps

1505

01:00:28,630 --> 01:00:27,359

to the kitchen i'm the snack [h\_\_h]

1506

01:00:30,630 --> 01:00:28,640

that's it that's what i

1507

01:00:32,230 --> 01:00:30,640

am for these children i'm the guy that

1508

01:00:33,349 --> 01:00:32,240

gets them the drinks the snacks and

1509

01:00:35,990 --> 01:00:33,359

their meals

1510

01:00:36,950 --> 01:00:36,000

right and i'm very popular when i have

1511

01:00:39,430 --> 01:00:36,960

food for them

1512

01:00:41,270 --> 01:00:39,440

right and there's two kids they eat like

1513

01:00:43,109 --> 01:00:41,280

horses they really eat like horses

1514

01:00:44,710 --> 01:00:43,119

they're always grazing they gotta have

1515

01:00:46,309 --> 01:00:44,720

chips now we wanna

1516

01:00:48,309 --> 01:00:46,319

oh can we have some cookies can we have

1517

01:00:49,910 --> 01:00:48,319

some milk with the cookies you know

1518

01:00:52,069 --> 01:00:49,920

uh the other one starts asking for

1519

01:00:54,549 --> 01:00:52,079

milkshakes i'm like

1520

01:00:56,230 --> 01:00:54,559

what do you think i just like i can just

1521

01:00:58,470 --> 01:00:56,240

whip up a milkshake right here

1522

01:00:59,750 --> 01:00:58,480

or you know uh chocolate milk strawberry

1523

01:01:02,789 --> 01:00:59,760

milk whatever

1524

01:01:04,950 --> 01:01:02,799

it's never easy but

1525

01:01:06,230 --> 01:01:04,960

i didn't realize how good i had it while

1526

01:01:08,710 --> 01:01:06,240

my wife was home

1527

01:01:09,270 --> 01:01:08,720

because i could sleep till noon or 1a

1528

01:01:11,349 --> 01:01:09,280

p.m

1529

01:01:13,589 --> 01:01:11,359

whatever and then i could get up and i

1530

01:01:15,670 --> 01:01:13,599

still felt pretty rested by 9 or 10

1531

01:01:18,150 --> 01:01:15,680

o'clock at night to do the show

1532

01:01:19,990 --> 01:01:18,160

but now if i got to get up at 8 or 9

1533

01:01:22,390 --> 01:01:20,000

o'clock in the morning by the time nine

1534

01:01:24,069 --> 01:01:22,400

o'clock comes i'm like oh man i can't i

1535

01:01:25,670 --> 01:01:24,079

can't do a two-hour show i just don't

1536

01:01:27,030 --> 01:01:25,680

have it in me but

1537

01:01:28,950 --> 01:01:27,040

i'm going to try to convince my

1538

01:01:30,789 --> 01:01:28,960

five-year-old that nap time is a good

1539

01:01:32,470 --> 01:01:30,799

idea because if i could get a nap in

1540

01:01:35,030 --> 01:01:32,480

like in the afternoon

1541

01:01:36,630 --> 01:01:35,040

i'd be all right so i'm trying to adjust

1542

01:01:38,390 --> 01:01:36,640

to this new schedule and

1543

01:01:40,470 --> 01:01:38,400

more responsibility with the children

1544

01:01:41,750 --> 01:01:40,480

which i'm not complaining about i'm

1545

01:01:45,349 --> 01:01:41,760

their father

1546

01:01:46,870 --> 01:01:45,359

you know it's just as it's a shock to

1547

01:01:48,950 --> 01:01:46,880

the system when you haven't

1548

01:01:49,990 --> 01:01:48,960

i have not been solely responsible for

1549

01:01:52,390 --> 01:01:50,000

them all day for

1550

01:01:54,069 --> 01:01:52,400

more than a year my wife has been home

1551

01:01:57,270 --> 01:01:54,079

and now that she's gone

1552

01:01:59,109 --> 01:01:57,280

oh man and uh

1553

01:02:00,710 --> 01:01:59,119

yeah it's been pretty rough but i'm

1554

01:02:03,829 --> 01:02:00,720

adjusting i'm i'm

1555

01:02:06,470 --> 01:02:03,839

you know i don't know i'm trying to

1556

01:02:08,069 --> 01:02:06,480

take the younger one on some errands and

1557

01:02:09,990 --> 01:02:08,079

things like we went to the store but

1558

01:02:12,470 --> 01:02:10,000

that always turns into let's go to a toy

1559

01:02:15,510 --> 01:02:12,480

store daddy and then that's 40 bucks

1560

01:02:17,349 --> 01:02:15,520

every time i take them with me so

1561

01:02:21,510 --> 01:02:17,359

i don't know if running errands with him

1562

01:02:22,710 --> 01:02:21,520

is a good idea right

1563

01:02:24,630 --> 01:02:22,720

all right so we're going to do some

1564

01:02:26,710 --> 01:02:24,640

shout outs i don't know how far back we

1565

01:02:29,029 --> 01:02:26,720

can go but shout out to rogue status

1566

01:02:30,630 --> 01:02:29,039

who was our sole benefactor tonight with

1567

01:02:33,430 --> 01:02:30,640

a kind and generous 20

1568

01:02:33,990 --> 01:02:33,440

super chat donations busting my balls

1569

01:02:36,630 --> 01:02:34,000

saying

1570

01:02:38,309 --> 01:02:36,640

uh nobody likes this show uh and for

1571

01:02:40,549 --> 01:02:38,319

those that don't know he's from philly

1572

01:02:43,670 --> 01:02:40,559

i'm from philly that's how philly guys

1573

01:02:45,670 --> 01:02:43,680

express uh you know affection

1574

01:02:47,750 --> 01:02:45,680

if i bust your balls it means i like you

1575

01:02:49,829 --> 01:02:47,760

so i don't take offense

1576

01:02:51,750 --> 01:02:49,839

somebody once emailed me when you said

1577

01:02:52,309 --> 01:02:51,760

something nasty rogue status like who's

1578

01:02:55,829 --> 01:02:52,319

that guy

1579

01:02:57,670 --> 01:02:55,839

just busting balls so

1580

01:02:59,270 --> 01:02:57,680

so shout out to rogue status shout out

1581

01:03:01,270 --> 01:02:59,280

to reem c welcome to the show

1582

01:03:03,190 --> 01:03:01,280

shout out to lee veltman welcome to the

1583

01:03:05,029 --> 01:03:03,200

show shout out to the ice machine

1584

01:03:06,470 --> 01:03:05,039

who is making their appearance shout out

1585

01:03:09,670 --> 01:03:06,480

to

1586

01:03:12,710 --> 01:03:09,680

melisa steve ronan is here tim elf

1587

01:03:16,309 --> 01:03:12,720

is here f craft 72 is here

1588

01:03:19,670 --> 01:03:16,319

uh charles from project camelot

1589

01:03:23,190 --> 01:03:19,680

is here all around arbiter is here

1590

01:03:26,309 --> 01:03:23,200

reemsie uh i saw

1591

01:03:27,990 --> 01:03:26,319

oh reemsie with a fi i thought there's

1592

01:03:29,510 --> 01:03:28,000

reemsy with a kind and generous five

1593

01:03:31,029 --> 01:03:29,520

dollar super sticker thank you for your

1594

01:03:31,829 --> 01:03:31,039

kindness your generosity and your

1595

01:03:37,910 --> 01:03:31,839

support

1596

01:03:40,470 --> 01:03:37,920

always throwing us a couple of bucks

1597

01:03:42,390 --> 01:03:40,480

which i truly truly appreciate

1598

01:03:44,150 --> 01:03:42,400

thank you for kindness your generosity

1599

01:03:46,150 --> 01:03:44,160

and your support reebz and thank you for

1600

01:03:49,990 --> 01:03:46,160

helping us to praise the cash

1601  
01:03:54,789 --> 01:03:53,270  
raise you guys from the guys thank you

1602  
01:03:56,740 --> 01:03:54,799  
for your kindness

1603  
01:04:06,950 --> 01:03:56,750  
thank you for your generosity

1604  
01:04:11,510 --> 01:04:09,510  
other people say cash cow we don't have

1605  
01:04:14,069 --> 01:04:11,520  
a cash cow we have a cash clown

1606  
01:04:15,589 --> 01:04:14,079  
that helps us to praise the cash so

1607  
01:04:17,670 --> 01:04:15,599  
shout out to reemsey

1608  
01:04:18,630 --> 01:04:17,680  
and welcome to the show and thank griezy

1609  
01:04:20,950 --> 01:04:18,640  
for their

1610  
01:04:23,270 --> 01:04:20,960  
generosity and their support karen

1611  
01:04:24,950 --> 01:04:23,280  
conley is here

1612  
01:04:26,470 --> 01:04:24,960  
yeah and i agree with her statement

1613  
01:04:27,990 --> 01:04:26,480

thank you for calling the mail truly

1614

01:04:29,670 --> 01:04:28,000

disgusting yeah there's some things that

1615

01:04:31,349 --> 01:04:29,680

sent me off and this was one of them

1616

01:04:32,950 --> 01:04:31,359

karen conley but welcome to the show

1617

01:04:35,430 --> 01:04:32,960

thank you for kind

1618

01:04:37,029 --> 01:04:35,440

you're kinda your kind comments all

1619

01:04:40,150 --> 01:04:37,039

around arbiter is here

1620

01:04:42,230 --> 01:04:40,160

melisa is here if i call you out twice i

1621

01:04:43,510 --> 01:04:42,240

apologize this gets rough we can only go

1622

01:04:46,230 --> 01:04:43,520

so far back

1623

01:04:47,990 --> 01:04:46,240

miss peach is here welcome to the show

1624

01:04:50,230 --> 01:04:48,000

the genies ass is here welcome to the

1625

01:04:51,029 --> 01:04:50,240

show i saw out of context cw channel was

1626

01:04:53,750 --> 01:04:51,039

here earlier

1627

01:04:55,270 --> 01:04:53,760

welcome them to the show down jones

1628

01:04:57,589 --> 01:04:55,280

muller is here

1629

01:04:59,430 --> 01:04:57,599

we mentioned rogue status was here not

1630

01:05:01,109 --> 01:04:59,440

my rabbit hole with terry joyce

1631

01:05:02,710 --> 01:05:01,119

it's not my rabbit hole it's terry

1632

01:05:05,829 --> 01:05:02,720

joyce's rabbit hole

1633

01:05:08,870 --> 01:05:05,839

uh go subscribe over there she likes

1634

01:05:11,910 --> 01:05:08,880

fried chicken as well

1635

01:05:13,430 --> 01:05:11,920

oh man i'm gonna eat me some delicious

1636

01:05:15,190 --> 01:05:13,440

fried chicken after this and i'm gonna

1637

01:05:18,630 --> 01:05:15,200

cook it in a wood stove

1638

01:05:19,910 --> 01:05:18,640

uh terry joyce so it's better than a

1639

01:05:22,069 --> 01:05:19,920

microwave it's much better

1640

01:05:22,950 --> 01:05:22,079

if you have the time give it the half

1641

01:05:24,950 --> 01:05:22,960

hour in this

1642

01:05:26,230 --> 01:05:24,960

in the oven and i'm cooking in a wood

1643

01:05:29,349 --> 01:05:26,240

oven so uh

1644

01:05:29,829 --> 01:05:29,359

yeah we mentioned steve ronin we

1645

01:05:33,750 --> 01:05:29,839

mentioned

1646

01:05:35,430 --> 01:05:33,760

welcome to the show jolly bridge burners

1647

01:05:43,349 --> 01:05:35,440

here welcome to the show

1648

01:05:45,349 --> 01:05:43,359

okay today get everybody i think we got

1649

01:05:46,309 --> 01:05:45,359

everybody if i missed you just say hi in

1650

01:05:48,829 --> 01:05:46,319

the live chat

1651  
01:05:51,109 --> 01:05:48,839  
pbr street gang is here welcome to the

1652  
01:05:53,109 --> 01:05:51,119  
show

1653  
01:05:55,029 --> 01:05:53,119  
yeah i'm ashamed of carrie cassidy and

1654  
01:05:57,910 --> 01:05:55,039  
the crazy s

1655  
01:06:00,230 --> 01:05:57,920  
she spouts the morning star guy is just

1656  
01:06:03,349 --> 01:06:00,240  
another grifter yeah he seems to be

1657  
01:06:05,190 --> 01:06:03,359  
uh he seems to be an

1658  
01:06:07,029 --> 01:06:05,200  
equal opportunity grifter because he

1659  
01:06:09,109 --> 01:06:07,039  
also grips on psychic stuff

1660  
01:06:11,029 --> 01:06:09,119  
and remote viewing and stuff like that

1661  
01:06:13,750 --> 01:06:11,039  
he's not just a ufo con

1662  
01:06:14,710 --> 01:06:13,760  
artist apparently he's a you know

1663  
01:06:16,230 --> 01:06:14,720

multi-subject

1664

01:06:18,710 --> 01:06:16,240

con artist so good for robert

1665

01:06:19,510 --> 01:06:18,720

morningstar and by the way both robert

1666

01:06:21,349 --> 01:06:19,520

morningstar

1667

01:06:23,109 --> 01:06:21,359

and kerry cassidy are welcome to come on

1668

01:06:23,829 --> 01:06:23,119

the show and we can talk about their

1669

01:06:30,950 --> 01:06:23,839

story

1670

01:06:33,349 --> 01:06:30,960

no factual evidence included with their

1671

01:06:35,510 --> 01:06:33,359

ridiculous fantastical claims

1672

01:06:36,470 --> 01:06:35,520

or we could talk about my story which

1673

01:06:38,789 --> 01:06:36,480

you know

1674

01:06:40,710 --> 01:06:38,799

i talked to the coroner the coroner's

1675

01:06:41,910 --> 01:06:40,720

office i talked to the investigative

1676

01:06:43,910 --> 01:06:41,920

officer who found

1677

01:06:45,190 --> 01:06:43,920

mark mccandlish unresponsive and

1678

01:06:47,670 --> 01:06:45,200

deceased

1679

01:06:48,789 --> 01:06:47,680

and did the investigation related to his

1680

01:06:50,150 --> 01:06:48,799

suicide

1681

01:06:51,910 --> 01:06:50,160

i talked to the girl who runs the

1682

01:06:53,990 --> 01:06:51,920

coroner's office i got the coroner's

1683

01:06:55,910 --> 01:06:54,000

report we have facts and evidence carrie

1684

01:07:00,549 --> 01:06:55,920

cassidy and robert morningstar

1685

01:07:04,150 --> 01:07:00,559

and you have fantasies

1686

01:07:08,710 --> 01:07:07,029

says i'm so flippin broke well now i'm

1687

01:07:10,870 --> 01:07:08,720

not because i got your two dollars

1688

01:07:12,710 --> 01:07:10,880

ifgrav72 but thank you for your kindness

1689

01:07:14,950 --> 01:07:12,720

your generosity and your support

1690

01:07:16,069 --> 01:07:14,960

it really does help a long time show

1691

01:07:19,910 --> 01:07:16,079

supporter

1692

01:07:23,589 --> 01:07:19,920

and continued uh continued

1693

01:07:25,349 --> 01:07:23,599

support uh i love the fact that people

1694

01:07:27,349 --> 01:07:25,359

care enough to throw a couple of bucks

1695

01:07:30,549 --> 01:07:27,359

in the hat and to keep

1696

01:07:31,910 --> 01:07:30,559

us rolling along thank you fgraf72 for

1697

01:07:33,109 --> 01:07:31,920

your kindness your generosity and your

1698

01:07:35,990 --> 01:07:33,119

support for blessing

1699

01:07:38,069 --> 01:07:36,000

us and our show i send you and yours

1700

01:07:40,150 --> 01:07:38,079

blessings as well

1701

01:07:42,180 --> 01:07:40,160

thank you for helping us to praise the

1702

01:07:45,750 --> 01:07:42,190

cash friends praise the cash

1703

01:07:47,560 --> 01:07:45,760

[Music]

1704

01:07:55,430 --> 01:07:47,570

against the guys

1705

01:08:03,750 --> 01:07:59,910

okay and i just happened to see uh

1706

01:08:06,069 --> 01:08:03,760

let's see v is here v is here

1707

01:08:07,670 --> 01:08:06,079

here and working forgive me you don't

1708

01:08:10,309 --> 01:08:07,680

need to apologize to me

1709

01:08:11,990 --> 01:08:10,319

i'm always happy to see v long time show

1710

01:08:14,230 --> 01:08:12,000

supporter thank you for showing up

1711

01:08:16,070 --> 01:08:14,240

all around arbiter with a kind and

1712

01:08:18,789 --> 01:08:16,080

generous two dollar super chat

1713

01:08:19,349 --> 01:08:18,799

again a long time show supporter really

1714

01:08:21,510 --> 01:08:19,359

really

1715

01:08:22,470 --> 01:08:21,520

uh means a lot to me that people

1716

01:08:25,590 --> 01:08:22,480

continue

1717

01:08:29,910 --> 01:08:25,600

to uh send me money uh and help

1718

01:08:32,950 --> 01:08:29,920

support the show i do have a uh

1719

01:08:35,829 --> 01:08:32,960

i'm getting blurry like bigfoot

1720

01:08:37,430 --> 01:08:35,839

i do have uh i do have some plans all

1721

01:08:38,470 --> 01:08:37,440

around arbiter and i'm gonna be sharing

1722

01:08:41,829 --> 01:08:38,480

them soon

1723

01:08:44,070 --> 01:08:41,839

but what i will say is that since we got

1724

01:08:45,189 --> 01:08:44,080

monetized i pretty much had everything

1725

01:08:46,870 --> 01:08:45,199

that we need

1726

01:08:49,430 --> 01:08:46,880

as far as equipment and things to run

1727

01:08:51,189 --> 01:08:49,440

the show so i've only spent very little

1728

01:08:53,030 --> 01:08:51,199

of this money that's coming in

1729

01:08:55,349 --> 01:08:53,040

i pay the stream yard that's twenty

1730

01:08:57,030 --> 01:08:55,359

dollars i pay speaker the seven dollars

1731

01:08:58,470 --> 01:08:57,040

so our bills here for the show are about

1732

01:09:00,870 --> 01:08:58,480

thirty dollars

1733

01:09:01,829 --> 01:09:00,880

i'm i paid that out of the show money

1734

01:09:04,789 --> 01:09:01,839

but every other

1735

01:09:05,669 --> 01:09:04,799

penny i'm saving for a very special

1736

01:09:07,749 --> 01:09:05,679

thing

1737

01:09:09,669 --> 01:09:07,759

and uh i'll be making an announcement

1738

01:09:10,550 --> 01:09:09,679

about that shortly but i want everybody

1739

01:09:12,390 --> 01:09:10,560

to know

1740

01:09:14,470 --> 01:09:12,400

that every dime that comes here is going

1741

01:09:16,390 --> 01:09:14,480

to a good cause to help the show

1742

01:09:17,749 --> 01:09:16,400

and this new planner idea that i have

1743

01:09:20,309 --> 01:09:17,759

should help the show more than

1744

01:09:21,990 --> 01:09:20,319

anything else i've done for the show and

1745

01:09:23,349 --> 01:09:22,000

is really going to be helpful so thank

1746

01:09:25,349 --> 01:09:23,359

everybody for their kindness their

1747

01:09:27,269 --> 01:09:25,359

generosity and their support

1748

01:09:35,440 --> 01:09:27,279

and thank you for helping us to praise

1749

01:09:40,630 --> 01:09:35,450

the cash friends

1750

01:09:44,709 --> 01:09:42,789

so thank you all around arbiter shout

1751

01:09:45,829 --> 01:09:44,719

out to all around arbiter big time show

1752

01:09:48,870 --> 01:09:45,839

supporter

1753

01:09:51,110 --> 01:09:48,880

uh and uh all-around arbiters always

1754

01:09:52,950 --> 01:09:51,120

retweeting things so i want to mention

1755

01:09:55,350 --> 01:09:52,960

oh let me try to get that down i want to

1756

01:09:56,709 --> 01:09:55,360

mention that there's two big ways to

1757

01:09:58,790 --> 01:09:56,719

support us the first way

1758

01:10:00,310 --> 01:09:58,800

of course is to throw money at me we

1759

01:10:02,149 --> 01:10:00,320

love it when people throw money at me

1760

01:10:04,310 --> 01:10:02,159

there's a money button down there

1761

01:10:06,229 --> 01:10:04,320

and you can send us any money you want

1762

01:10:06,950 --> 01:10:06,239

and youtube will convert it for us we

1763

01:10:11,990 --> 01:10:06,960

take

1764

01:10:15,430 --> 01:10:12,000

dollars british pounds

1765

01:10:18,550 --> 01:10:15,440

we had nope which is like money from

1766

01:10:20,630 --> 01:10:18,560

norwegian norwegian money i don't know

1767

01:10:22,709 --> 01:10:20,640

we take any money there's a money button

1768

01:10:24,630 --> 01:10:22,719

down there click the money button

1769

01:10:26,630 --> 01:10:24,640

send us whatever amount you wish and

1770

01:10:28,630 --> 01:10:26,640

whatever message we read every single

1771

01:10:30,310 --> 01:10:28,640

super chat and recognize every single

1772

01:10:33,990 --> 01:10:30,320

super chat

1773

01:10:35,669 --> 01:10:34,000

granted uh or failing that though

1774

01:10:37,430 --> 01:10:35,679

brother can you spare a dollar that's

1775

01:10:39,189 --> 01:10:37,440

why what we're out here

1776

01:10:41,350 --> 01:10:39,199

asking brother can you spare a dollar

1777

01:10:41,990 --> 01:10:41,360

and if not there is another great way to

1778

01:10:44,470 --> 01:10:42,000

help us

1779

01:10:45,910 --> 01:10:44,480

and that of course uh every good

1780

01:10:49,030 --> 01:10:45,920

youtuber will tell you this

1781

01:10:51,510 --> 01:10:49,040

is to like comment share

1782

01:10:52,870 --> 01:10:51,520

and subscribe hit the notification bell

1783

01:10:55,910 --> 01:10:52,880

smash that like button

1784

01:10:57,990 --> 01:10:55,920

leave us a comment leave us a

1785

01:11:00,390 --> 01:10:58,000

thumbs up leave us a thumbs down i don't

1786

01:11:00,790 --> 01:11:00,400

care all the youtube algorithm cares

1787

01:11:03,430 --> 01:11:00,800

about

1788

01:11:03,910 --> 01:11:03,440

is engagement right if the engagement's

1789

01:11:07,510 --> 01:11:03,920

good

1790

01:11:08,070 --> 01:11:07,520

youtube is happy so engage with us i try

1791

01:11:10,070 --> 01:11:08,080

to read

1792

01:11:11,510 --> 01:11:10,080

all of the youtube comments i reply to

1793

01:11:13,189 --> 01:11:11,520

many of them

1794

01:11:14,950 --> 01:11:13,199

as many as i can it's getting pretty

1795

01:11:18,149 --> 01:11:14,960

hairy in there lately

1796

01:11:19,830 --> 01:11:18,159

uh yeah and really it does help us

1797

01:11:21,510 --> 01:11:19,840

please like comment and subscribe

1798

01:11:23,669 --> 01:11:21,520

and send some of our video links to your

1799

01:11:25,189 --> 01:11:23,679

friends share our channel link on your

1800

01:11:27,189 --> 01:11:25,199

social media

1801

01:11:28,790 --> 01:11:27,199

and really thanks to each and every

1802

01:11:31,750 --> 01:11:28,800

person for helping us grow

1803

01:11:32,229 --> 01:11:31,760

i see your retweets i see people sharing

1804

01:11:35,430 --> 01:11:32,239

the show

1805

01:11:36,390 --> 01:11:35,440

on facebook i see people do that and you

1806

01:11:39,510 --> 01:11:36,400

have my

1807

01:11:41,270 --> 01:11:39,520

gratitude it really does help the show

1808

01:11:43,270 --> 01:11:41,280

and i just want to mention that we did

1809

01:11:45,590 --> 01:11:43,280

just reach a milestone

1810

01:11:46,709 --> 01:11:45,600

2 000 subscribers which i never thought

1811

01:11:48,390 --> 01:11:46,719

i would see

1812

01:11:49,830 --> 01:11:48,400

uh i want to thank each and every one of

1813

01:11:52,390 --> 01:11:49,840

you for helping us to get there

1814

01:11:53,510 --> 01:11:52,400

this was a group effort it wasn't me i

1815

01:11:55,990 --> 01:11:53,520

didn't do very much

1816

01:11:57,350 --> 01:11:56,000

i was the host but uh i'm not much of a

1817

01:11:59,830 --> 01:11:57,360

show host without

1818

01:12:01,750 --> 01:11:59,840

a great audience and we have one of the

1819

01:12:04,310 --> 01:12:01,760

best audiences here

1820

01:12:06,310 --> 01:12:04,320

uh so oh also i want to remind everybody

1821

01:12:08,149 --> 01:12:06,320

listening in audio podcast land

1822

01:12:09,990 --> 01:12:08,159

if you're listening in audio podcast

1823

01:12:12,950 --> 01:12:10,000

land uh we're available

1824

01:12:13,830 --> 01:12:12,960

everywhere pods are cast uh you can get

1825

01:12:16,790 --> 01:12:13,840

us on on

1826  
01:12:18,310 --> 01:12:16,800  
apple podcasts and on speaker and on

1827  
01:12:21,510 --> 01:12:18,320  
iheartradio now

1828  
01:12:22,070 --> 01:12:21,520  
and amazon you can get our podcast

1829  
01:12:24,950 --> 01:12:22,080  
virtually

1830  
01:12:26,709 --> 01:12:24,960  
anywhere in audio format but you're

1831  
01:12:28,229 --> 01:12:26,719  
getting a replay you're not getting the

1832  
01:12:30,550 --> 01:12:28,239  
live show so if you're listening in

1833  
01:12:33,189 --> 01:12:30,560  
audio podcast land please do

1834  
01:12:33,669 --> 01:12:33,199  
go over to youtube put truth seekers one

1835  
01:12:35,510 --> 01:12:33,679  
word

1836  
01:12:37,430 --> 01:12:35,520  
in that search box look for the guy with

1837  
01:12:39,430 --> 01:12:37,440  
the weird sunglasses that would be me

1838  
01:12:41,270 --> 01:12:39,440

your host stephen cambion and click that

1839

01:12:43,350 --> 01:12:41,280

subscribe button hit the notification

1840

01:12:45,110 --> 01:12:43,360

bell you'll know about live shows

1841

01:12:47,270 --> 01:12:45,120

and you can come here and interact with

1842

01:12:49,430 --> 01:12:47,280

our live chat with us

1843

01:12:50,790 --> 01:12:49,440

i'm going to devote my full and total

1844

01:12:54,229 --> 01:12:50,800

attention to the live chat

1845

01:12:56,070 --> 01:12:54,239

now uh so

1846

01:12:57,750 --> 01:12:56,080

uh really if you're in audio podcast

1847

01:13:00,070 --> 01:12:57,760

land you're missing half of the fun and

1848

01:13:03,189 --> 01:13:00,080

that is interacting with our live

1849

01:13:04,950 --> 01:13:03,199

our live chat we take comments and

1850

01:13:05,750 --> 01:13:04,960

questions melisa is here and says every

1851

01:13:08,870 --> 01:13:05,760

time i

1852

01:13:11,030 --> 01:13:08,880

i hear morningstar i can't avoid

1853

01:13:13,270 --> 01:13:11,040

thinking of a certain biblical character

1854

01:13:14,310 --> 01:13:13,280

yeah i think that's a stage name i doubt

1855

01:13:18,310 --> 01:13:14,320

his real name

1856

01:13:22,070 --> 01:13:18,320

is morningstar right

1857

01:13:25,350 --> 01:13:22,080

uh oh terry joyce has a donut for

1858

01:13:27,990 --> 01:13:25,360

charles uh okay

1859

01:13:30,630 --> 01:13:28,000

what what did i miss i missed something

1860

01:13:34,470 --> 01:13:30,640

that they said

1861

01:13:36,229 --> 01:13:34,480

uh let's see oh man every time i have to

1862

01:13:38,870 --> 01:13:36,239

say this

1863

01:13:40,550 --> 01:13:38,880

giggin often it killed truthseekers you

1864

01:13:42,709 --> 01:13:40,560

sound like a wonderful father thanks for

1865

01:13:44,550 --> 01:13:42,719

keeping these hoaxers honest great show

1866

01:13:46,870 --> 01:13:44,560

as always cheers from

1867

01:13:48,149 --> 01:13:46,880

is that berlin i would think that you're

1868

01:13:57,750 --> 01:13:48,159

german

1869

01:13:58,950 --> 01:13:57,760

high school

1870

01:14:00,870 --> 01:13:58,960

i don't know what you know what i always

1871

01:14:02,470 --> 01:14:00,880

thought it was funny is like if you're

1872

01:14:04,149 --> 01:14:02,480

stupid

1873

01:14:06,630 --> 01:14:04,159

at least in catholics high school this

1874

01:14:09,110 --> 01:14:06,640

is the way it worked if you were stupid

1875

01:14:10,229 --> 01:14:09,120

uh or dumb or you know that that's

1876

01:14:13,270 --> 01:14:10,239

terrible thing to say

1877

01:14:15,030 --> 01:14:13,280

if you're not let's say mentally gifted

1878

01:14:17,189 --> 01:14:15,040

they put you in third track you don't

1879

01:14:19,189 --> 01:14:17,199

have to take a foreign language nothing

1880

01:14:20,630 --> 01:14:19,199

if you were smart you got penalized

1881

01:14:22,790 --> 01:14:20,640

because now you got to take

1882

01:14:24,310 --> 01:14:22,800

advanced algebra classes and foreign

1883

01:14:28,550 --> 01:14:24,320

languages and all this stuff

1884

01:14:30,870 --> 01:14:28,560

and the other kids uh they got out of it

1885

01:14:32,870 --> 01:14:30,880

and i was always pissed like i have no

1886

01:14:34,310 --> 01:14:32,880

desire to learn german why do i have to

1887

01:14:37,189 --> 01:14:34,320

learn german

1888

01:14:39,270 --> 01:14:37,199

it'll expand your you know i don't know

1889

01:14:42,070 --> 01:14:39,280

what excuse they gave me but it didn't

1890

01:14:43,669 --> 01:14:42,080

it didn't didn't resonate with me and to

1891

01:14:47,510 --> 01:14:43,679

this day i could barely speak a word of

1892

01:14:52,790 --> 01:14:51,030

yeah i thought it would be easy to take

1893

01:14:54,550 --> 01:14:52,800

german though because i speak a little

1894

01:14:56,390 --> 01:14:54,560

polish my father was polish my

1895

01:14:58,390 --> 01:14:56,400

grandparents were polish and i mean

1896

01:15:00,310 --> 01:14:58,400

right off the boat polish you know first

1897

01:15:03,750 --> 01:15:00,320

generation immigrants

1898

01:15:05,830 --> 01:15:03,760

and they spoke polish in the home but

1899

01:15:07,669 --> 01:15:05,840

my father for some reason didn't want us

1900

01:15:09,910 --> 01:15:07,679

speaking polish in the home

1901

01:15:11,750 --> 01:15:09,920

and my mother didn't speak polish so

1902

01:15:14,310 --> 01:15:11,760

growing up we all spoke english but

1903

01:15:15,750 --> 01:15:14,320

years later i i would regret that

1904

01:15:18,149 --> 01:15:15,760

because i could speak a little polish

1905

01:15:20,470 --> 01:15:18,159

and understand a little bit of it but

1906

01:15:21,750 --> 01:15:20,480

not much not as much as i would if we

1907

01:15:23,189 --> 01:15:21,760

would have been bilingual in our

1908

01:15:26,790 --> 01:15:23,199

household growing up

1909

01:15:30,950 --> 01:15:29,590

oh fgrf72 mentioning your soundtracks

1910

01:15:33,189 --> 01:15:30,960

rocks

1911

01:15:35,430 --> 01:15:33,199

mr cambion thank you for your patreon

1912

01:15:37,110 --> 01:15:35,440

uploads yes i uploaded two new songs

1913

01:15:38,790 --> 01:15:37,120

that i just completed

1914

01:15:40,310 --> 01:15:38,800

uh to patreon that's another way to

1915

01:15:42,229 --> 01:15:40,320

support a sign up for patreon it's a

1916

01:15:44,149 --> 01:15:42,239

buck a month you get a backstage pass i

1917

01:15:46,709 --> 01:15:44,159

post all my songs there

1918

01:15:47,669 --> 01:15:46,719

as i'm working on this new album and by

1919

01:15:49,669 --> 01:15:47,679

the way

1920

01:15:51,590 --> 01:15:49,679

when the album is finished everybody on

1921

01:15:54,310 --> 01:15:51,600

patreon is getting it for free

1922

01:15:56,310 --> 01:15:54,320

and then it's going to be available you

1923

01:15:56,870 --> 01:15:56,320

know on itunes and everywhere else for

1924

01:15:59,270 --> 01:15:56,880

purchase

1925

01:16:01,030 --> 01:15:59,280

but you patreon folks you pay your

1926

01:16:04,870 --> 01:16:01,040

dollar a month and you're going to get

1927

01:16:07,590 --> 01:16:04,880

the album for free and uh

1928

01:16:08,950 --> 01:16:07,600

yeah and i i gotta say too you know

1929

01:16:11,830 --> 01:16:08,960

thinking about mark's death

1930

01:16:13,510 --> 01:16:11,840

is sad but today i found out that one of

1931

01:16:15,750 --> 01:16:13,520

my old musician friends

1932

01:16:17,430 --> 01:16:15,760

uh passed away and this was back in

1933

01:16:19,270 --> 01:16:17,440

january and i didn't even know

1934

01:16:21,510 --> 01:16:19,280

because i i don't really speak to most

1935

01:16:23,110 --> 01:16:21,520

of my old musician friends anymore

1936

01:16:25,189 --> 01:16:23,120

but this guy and i had so many

1937

01:16:27,750 --> 01:16:25,199

adventures together

1938

01:16:28,310 --> 01:16:27,760

his name was tommy scars and he was the

1939

01:16:30,630 --> 01:16:28,320

singer

1940

01:16:31,510 --> 01:16:30,640

and songwriter of a band called scars

1941

01:16:34,070 --> 01:16:31,520

like these

1942

01:16:35,669 --> 01:16:34,080

and i just want to recognize him and say

1943

01:16:39,030 --> 01:16:35,679

uh i'll miss you brother

1944

01:16:40,550 --> 01:16:39,040

uh he and i had this i was never in his

1945

01:16:41,910 --> 01:16:40,560

band and he was never in my band because

1946

01:16:43,350 --> 01:16:41,920

he's a singer-songwriter and i'm a

1947

01:16:45,830 --> 01:16:43,360

singer-songwriter so

1948

01:16:47,910 --> 01:16:45,840

but our each of our bands would play

1949

01:16:49,189 --> 01:16:47,920

shows together like his band and my band

1950

01:16:52,070 --> 01:16:49,199

and maybe one other band

1951

01:16:53,910 --> 01:16:52,080

and one time we had this event where we

1952

01:16:57,189 --> 01:16:53,920

rented a u-haul

1953

01:17:00,310 --> 01:16:57,199

three bands and then we all we were like

1954

01:17:02,950 --> 01:17:00,320

16 or 17 or i don't know

1955

01:17:04,550 --> 01:17:02,960

maybe a little older than that maybe 18

1956

01:17:07,350 --> 01:17:04,560

but nobody had a car

1957

01:17:09,430 --> 01:17:07,360

so we rent a u-haul like one of those

1958

01:17:11,270 --> 01:17:09,440

panel trucks with no windows

1959

01:17:14,149 --> 01:17:11,280

and then we all put our gear in there

1960

01:17:16,390 --> 01:17:14,159

and then we rode 40 minutes to the show

1961

01:17:19,110 --> 01:17:16,400

in the back of a u-haul in the middle of

1962

01:17:20,550 --> 01:17:19,120

summer where it's 102 degrees in

1963

01:17:23,030 --> 01:17:20,560

philadelphia

1964

01:17:24,870 --> 01:17:23,040

we all back there in the in this u-haul

1965

01:17:26,990 --> 01:17:24,880

almost died a heat stroke

1966

01:17:28,790 --> 01:17:27,000

because it was 40 minutes in an

1967

01:17:31,910 --> 01:17:28,800

unair-conditioned

1968

01:17:36,709 --> 01:17:31,920

u-haul with no windows

1969

01:17:39,910 --> 01:17:36,719

but we survived uh tommy is survived by

1970

01:17:41,990 --> 01:17:39,920

two wonderful boys and his wife

1971

01:17:43,910 --> 01:17:42,000

and uh you know i want to offer them my

1972

01:17:44,470 --> 01:17:43,920

condolences and to all his friends and

1973

01:17:46,709 --> 01:17:44,480

family

1974

01:17:48,310 --> 01:17:46,719

the the guitar player michael lieb who

1975

01:17:50,790 --> 01:17:48,320

played on most of my last

1976

01:17:52,149 --> 01:17:50,800

project and may play on this one we

1977

01:17:54,709 --> 01:17:52,159

haven't spoken really

1978

01:17:55,910 --> 01:17:54,719

in a while uh you know i'm sure he's

1979

01:17:57,110 --> 01:17:55,920

heartbroken because that was a

1980

01:18:01,189 --> 01:17:57,120

songwriting partner

1981

01:18:03,270 --> 01:18:01,199

it's really really sad melisa

1982

01:18:04,950 --> 01:18:03,280

but you can both be stupid and also

1983

01:18:06,630 --> 01:18:04,960

smart and get the privileges

1984

01:18:08,229 --> 01:18:06,640

and bully others while also being

1985

01:18:10,709 --> 01:18:08,239

bullied by the nuns

1986

01:18:11,990 --> 01:18:10,719

stupidity comes in many ways yeah i just

1987

01:18:13,350 --> 01:18:12,000

always thought it was funny like

1988

01:18:15,030 --> 01:18:13,360

what you so you're telling me i'm

1989

01:18:16,950 --> 01:18:15,040

getting penalized and i have to take

1990

01:18:20,950 --> 01:18:16,960

really hard courses

1991

01:18:23,189 --> 01:18:20,960

and work harder because i'm smart thanks

1992

01:18:24,310 --> 01:18:23,199

yeah first track is no fun and my wife

1993

01:18:32,950 --> 01:18:24,320

was in first track too

1994

01:18:38,390 --> 01:18:35,430

all right arbiter says man versus food

1995

01:18:42,390 --> 01:18:40,630

terry uh charles says yeah terry i just

1996

01:18:43,430 --> 01:18:42,400

got up and running again two days ago so

1997

01:18:45,750 --> 01:18:43,440

it's a slog

1998

01:18:48,149 --> 01:18:45,760

lost some stuff forever though oh sounds

1999

01:18:50,390 --> 01:18:48,159

like a computer crash

2000

01:18:51,430 --> 01:18:50,400

backups backups backups oh i want to

2001

01:18:54,470 --> 01:18:51,440

mention this as well

2002

01:18:57,030 --> 01:18:54,480

i'm gonna go and take a look

2003

01:18:58,950 --> 01:18:57,040

i have uploaded all of the midnight hour

2004

01:19:00,630 --> 01:18:58,960

episodes to my google drive but the

2005

01:19:05,750 --> 01:19:00,640

problem is there's 45

2006

01:19:08,790 --> 01:19:08,070

it takes youtube days and days

2007

01:19:12,149 --> 01:19:08,800

apparently

2008

01:19:15,669 --> 01:19:12,159

to process all of those videos

2009

01:19:18,390 --> 01:19:15,679

so let me share this so you can see

2010

01:19:20,709 --> 01:19:18,400

what's going on

2011

01:19:22,229 --> 01:19:20,719

but there are some amazing interviews in

2012

01:19:22,790 --> 01:19:22,239

the midnight hour show for those that

2013

01:19:24,790 --> 01:19:22,800

don't know

2014

01:19:26,709 --> 01:19:24,800

before i ran the show truth seekers or

2015

01:19:28,390 --> 01:19:26,719

was the host here i was the host of a

2016

01:19:29,030 --> 01:19:28,400

show called the midnight hour which was

2017

01:19:31,669 --> 01:19:29,040

on

2018

01:19:32,310 --> 01:19:31,679

the fringe fm and other audio podcast

2019

01:19:35,430 --> 01:19:32,320

networks

2020

01:19:37,910 --> 01:19:35,440

every saturday night at midnight

2021

01:19:39,030 --> 01:19:37,920

and i did some amazing interviews for

2022

01:19:42,550 --> 01:19:39,040

the midnight hour show

2023

01:19:47,110 --> 01:19:42,560

including stan friedman stephen bassett

2024

01:19:50,200 --> 01:19:47,120

uh john mcafee and many others

2025

01:19:51,590 --> 01:19:50,210

and i am going to

2026

01:19:54,870 --> 01:19:51,600

[Music]

2027

01:19:58,630 --> 01:19:54,880

be sharing the uh

2028

01:20:02,070 --> 01:19:58,640

all 45 of the midnight hour episodes

2029

01:20:03,270 --> 01:20:02,080

with uh with the patreon supporters

2030

01:20:05,189 --> 01:20:03,280

first but then they'll be

2031

01:20:06,950 --> 01:20:05,199

here on the on this website but see

2032

01:20:08,470 --> 01:20:06,960

here's the issue

2033

01:20:10,070 --> 01:20:08,480

every one of those that you see is red

2034

01:20:11,910 --> 01:20:10,080

is not yet processed by

2035

01:20:13,110 --> 01:20:11,920

youtube so they won't play and you have

2036

01:20:15,990 --> 01:20:13,120

to download them

2037

01:20:16,470 --> 01:20:16,000

and you know every one of them is like i

2038

01:20:20,149 --> 01:20:16,480

don't know

2039

01:20:21,830 --> 01:20:20,159

500 600 megs so nobody wants to download

2040

01:20:23,189 --> 01:20:21,840

all that so i have to wait a few more

2041

01:20:25,830 --> 01:20:23,199

days to share these

2042

01:20:26,629 --> 01:20:25,840

on patreon until they're all processed

2043

01:20:29,350 --> 01:20:26,639

you see the ones

2044

01:20:31,669 --> 01:20:29,360

with with the play those are processed

2045

01:20:33,669 --> 01:20:31,679

and will play

2046

01:20:35,750 --> 01:20:33,679

but all the ones in red you'd you'd have

2047

01:20:38,229 --> 01:20:35,760

to download to watch them

2048

01:20:40,229 --> 01:20:38,239

and uh the total collection is something

2049

01:20:42,470 --> 01:20:40,239

like 25 gigs

2050

01:20:44,629 --> 01:20:42,480

and i know that nobody wants to download

2051

01:20:45,990 --> 01:20:44,639

25 gigs so i'm gonna wait a few more

2052

01:20:49,030 --> 01:20:46,000

days until these have finished

2053

01:20:51,189 --> 01:20:49,040

processing and are all playable and at

2054

01:20:53,669 --> 01:20:51,199

that point i will certainly

2055

01:20:54,790 --> 01:20:53,679

share them on patreon anybody on patreon

2056

01:20:58,629 --> 01:20:54,800

you get to listen to them

2057

01:21:00,070 --> 01:20:58,639

ad free and and they'll always be there

2058

01:21:02,390 --> 01:21:00,080

on patreon as a patreon

2059

01:21:04,390 --> 01:21:02,400

benefit everybody else you might have to

2060

01:21:05,910 --> 01:21:04,400

sit through some ads especially in audio

2061

01:21:08,950 --> 01:21:05,920

podcast land we're going to be

2062

01:21:11,270 --> 01:21:08,960

uh we're going to be sending them

2063

01:21:12,950 --> 01:21:11,280

through the audio podcast network all 45

2064

01:21:15,030 --> 01:21:12,960

episodes and we're going to be posting

2065

01:21:19,750 --> 01:21:15,040

all 45 episodes

2066

01:21:24,070 --> 01:21:21,750

grand master uv is here welcome to the

2067

01:21:26,070 --> 01:21:24,080

show so stephen cambrian

2068

01:21:27,510 --> 01:21:26,080

it's cambium but that's fine what

2069

01:21:31,669 --> 01:21:27,520

genetics do you have

2070

01:21:33,350 --> 01:21:31,679

bro i'm half polish and half irish which

2071

01:21:35,189 --> 01:21:33,360

is a dangerous combination because i

2072

01:21:37,830 --> 01:21:35,199

always like to say i'm half drunk and

2073

01:21:40,310 --> 01:21:37,840

half stupid

2074

01:21:41,270 --> 01:21:40,320

i love polish jokes though post jokes

2075

01:21:42,950 --> 01:21:41,280

are awesome

2076

01:21:44,709 --> 01:21:42,960

and uh you know if people know you're

2077

01:21:45,910 --> 01:21:44,719

polish they won't tell you polish jokes

2078

01:21:48,709 --> 01:21:45,920

but i still hear some

2079

01:21:50,310 --> 01:21:48,719

anyway my favorite one is did you hear

2080

01:21:51,910 --> 01:21:50,320

about the pollock that died raking

2081

01:21:55,189 --> 01:21:51,920

leaves

2082

01:21:59,910 --> 01:21:58,149

oh there's a million polish jokes right

2083

01:22:02,229 --> 01:21:59,920

and he says awesome bro

2084

01:22:03,030 --> 01:22:02,239

yeah it was it was weird growing up too

2085

01:22:05,110 --> 01:22:03,040

because

2086

01:22:07,110 --> 01:22:05,120

the irish people drink whiskey and the

2087

01:22:09,590 --> 01:22:07,120

polish people drink vodka

2088

01:22:10,149 --> 01:22:09,600

and at family parties everybody was just

2089

01:22:12,629 --> 01:22:10,159

getting

2090

01:22:23,350 --> 01:22:12,639

ripped right and and they try to out do

2091

01:22:29,189 --> 01:22:27,270

okay so all right orbiter likes to watch

2092

01:22:32,550 --> 01:22:29,199

competitive eating videos

2093

01:22:33,750 --> 01:22:32,560

okay i like that chinese girl do you

2094

01:22:35,110 --> 01:22:33,760

know who i'm talking about all around

2095

01:22:36,950 --> 01:22:35,120

arbiter she wins

2096

01:22:38,310 --> 01:22:36,960

she wins the philadelphia wing bowl

2097

01:22:40,550 --> 01:22:38,320

every year she did

2098

01:22:42,149 --> 01:22:40,560

she's this little like five foot hundred

2099

01:22:43,110 --> 01:22:42,159

pound chinese girl and she could eat

2100

01:22:45,669 --> 01:22:43,120

wings

2101  
01:22:51,750 --> 01:22:45,679  
more and faster than big fat men i

2102  
01:22:56,229 --> 01:22:54,470  
sorry for my loss yeah you know i didn't

2103  
01:22:58,310 --> 01:22:56,239  
i feel bad that i didn't even know about

2104  
01:23:01,510 --> 01:22:58,320  
it because i knew him for

2105  
01:23:03,510 --> 01:23:01,520  
25 years you know and uh

2106  
01:23:05,110 --> 01:23:03,520  
just now finding out because somebody

2107  
01:23:06,550 --> 01:23:05,120  
sent me

2108  
01:23:08,390 --> 01:23:06,560  
i didn't even know that he had died

2109  
01:23:09,030 --> 01:23:08,400  
somebody sent me like hey go to this

2110  
01:23:10,950 --> 01:23:09,040  
benefit

2111  
01:23:13,030 --> 01:23:10,960  
concert this weekend are you you're

2112  
01:23:15,270 --> 01:23:13,040  
going right and i felt bad because i

2113  
01:23:16,310 --> 01:23:15,280

already had made plans and i couldn't

2114

01:23:18,070 --> 01:23:16,320

make it

2115

01:23:19,750 --> 01:23:18,080

and i didn't even know that he had

2116

01:23:23,189 --> 01:23:19,760

passed away and he was

2117

01:23:25,910 --> 01:23:23,199

my age so pretty young to just

2118

01:23:26,229 --> 01:23:25,920

so he had a sudden heart attack and died

2119

01:23:27,430 --> 01:23:26,239

and

2120

01:23:29,430 --> 01:23:27,440

you know in thinking about mark

2121

01:23:31,830 --> 01:23:29,440

mccandless and my friend here

2122

01:23:33,669 --> 01:23:31,840

it just reminds me like how mortal we

2123

01:23:36,149 --> 01:23:33,679

are and that's kind of sad

2124

01:23:38,070 --> 01:23:36,159

right and it's disturbing once in a

2125

01:23:41,110 --> 01:23:38,080

while i wonder how we all don't go

2126  
01:23:43,110 --> 01:23:41,120  
crazy just with the sheer knowledge that

2127  
01:23:46,149 --> 01:23:43,120  
one day we're gonna die

2128  
01:23:47,990 --> 01:23:46,159  
i mean it's

2129  
01:23:49,830 --> 01:23:48,000  
just a weird thing to think about right

2130  
01:23:52,870 --> 01:23:49,840  
i try not to think about it

2131  
01:23:55,430 --> 01:23:52,880  
and uh i think most of us do right we

2132  
01:23:58,470 --> 01:23:55,440  
don't think about death until we have to

2133  
01:24:01,669 --> 01:23:58,480  
i think most uh most people don't

2134  
01:24:04,709 --> 01:24:01,679  
um but as for me i'm real big on

2135  
01:24:06,149 --> 01:24:04,719  
finishing things like dreams this cabin

2136  
01:24:08,950 --> 01:24:06,159  
i'm sitting in

2137  
01:24:10,229 --> 01:24:08,960  
a few years ago this was dirt there was

2138  
01:24:12,790 --> 01:24:10,239

nothing here

2139

01:24:13,590 --> 01:24:12,800

i built every inch of this cabin with

2140

01:24:17,030 --> 01:24:13,600

blood sweat

2141

01:24:20,950 --> 01:24:17,040

and tears and a lot of trash picking

2142

01:24:23,750 --> 01:24:20,960

in job site dumpsters and you know uh

2143

01:24:24,629 --> 01:24:23,760

boy the windows i was picking windows

2144

01:24:29,669 --> 01:24:24,639

out of the trash

2145

01:24:32,229 --> 01:24:29,679

of the trash anything i could get

2146

01:24:32,950 --> 01:24:32,239

so a few short years ago this cabin was

2147

01:24:35,350 --> 01:24:32,960

not here

2148

01:24:36,790 --> 01:24:35,360

this was a dream of mine a lifetime goal

2149

01:24:40,870 --> 01:24:36,800

of mine

2150

01:24:43,030 --> 01:24:40,880

i needed to i needed to do it i felt

2151

01:24:44,790 --> 01:24:43,040

like i had to build a cabin

2152

01:24:46,229 --> 01:24:44,800

right because it's just something that's

2153

01:24:48,070 --> 01:24:46,239

i've always wanted to do

2154

01:24:49,910 --> 01:24:48,080

and i'm happy to say that i did it now

2155

01:24:52,310 --> 01:24:49,920

it's off my bucket list

2156

01:24:53,669 --> 01:24:52,320

and i've got other things that i want to

2157

01:24:59,590 --> 01:24:53,679

do before i croak

2158

01:25:01,189 --> 01:24:59,600

that i really want to work on right

2159

01:25:04,149 --> 01:25:01,199

her name miss jonassite is here welcome

2160

01:25:06,629 --> 01:25:04,159

to the show since blonde gets

2161

01:25:08,550 --> 01:25:06,639

padded sheets off jokes yeah blondes get

2162

01:25:14,229 --> 01:25:08,560

a lot of jokes my wife is blonde so i

2163

01:25:17,590 --> 01:25:17,030

melissa says i love i share that with

2164

01:25:25,510 --> 01:25:17,600

you

2165

01:25:26,950 --> 01:25:25,520

i want to thank each and every one of

2166

01:25:30,070 --> 01:25:26,960

you guys for joining us

2167

01:25:33,110 --> 01:25:30,080

i am gonna go get my get my eat on

2168

01:25:35,669 --> 01:25:33,120

i'm eating some fried chicken

2169

01:25:36,310 --> 01:25:35,679

which is one of my favorite things if if

2170

01:25:38,229 --> 01:25:36,320

anybody

2171

01:25:40,550 --> 01:25:38,239

wants to get me a gift you get me a

2172

01:25:42,550 --> 01:25:40,560

bucket of fried chicken

2173

01:25:43,830 --> 01:25:42,560

maybe not soon soon i'm going on a diet

2174

01:25:46,149 --> 01:25:43,840

and i'm not going to be able to eat this

2175

01:25:47,430 --> 01:25:46,159

stuff i'm going to go on low carb diet

2176  
01:25:49,270 --> 01:25:47,440  
which is going to be terrible because

2177  
01:25:51,350 --> 01:25:49,280  
i'm not going to be able to drink beer

2178  
01:25:53,350 --> 01:25:51,360  
or eat pizza and those are two of my

2179  
01:25:54,629 --> 01:25:53,360  
favorite things and so is fried chicken

2180  
01:25:56,310 --> 01:25:54,639  
and that's a lot of carbs with the

2181  
01:25:58,709 --> 01:25:56,320  
breeding and you know

2182  
01:26:00,950 --> 01:25:58,719  
i don't know i guess i'll be eating

2183  
01:26:02,950 --> 01:26:00,960  
grilled chicken instead but

2184  
01:26:04,709 --> 01:26:02,960  
yeah i'm going to be doing this 75 heart

2185  
01:26:06,629 --> 01:26:04,719  
i think which is

2186  
01:26:09,189 --> 01:26:06,639  
an exercise fitness plan where you

2187  
01:26:10,870 --> 01:26:09,199  
exercise 45 minutes a day twice once

2188  
01:26:12,470 --> 01:26:10,880

you can do inside in the other 45

2189

01:26:14,229 --> 01:26:12,480  
minutes you got to do outside

2190

01:26:15,669 --> 01:26:14,239  
even if it's raining or snowing or

2191

01:26:19,110 --> 01:26:15,679  
whatever's going on

2192

01:26:20,950 --> 01:26:19,120  
and uh you go on a sensible diet and

2193

01:26:22,709 --> 01:26:20,960  
you know you're supposed to know alcohol

2194

01:26:23,910 --> 01:26:22,719  
i don't know if i might modify that to

2195

01:26:26,950 --> 01:26:23,920  
vodka is okay

2196

01:26:29,669 --> 01:26:26,960  
right vodka doesn't have a lot of

2197

01:26:31,350 --> 01:26:29,679  
calories in it does it i don't think so

2198

01:26:33,030 --> 01:26:31,360  
it's got to have less calories

2199

01:26:34,830 --> 01:26:33,040  
like if you drink a shot of vodka that's

2200

01:26:35,990 --> 01:26:34,840  
got to be less calories than a whole

2201

01:26:39,270 --> 01:26:36,000

beer

2202

01:26:40,629 --> 01:26:39,280

i would think so anyway so i'm glad that

2203

01:26:41,430 --> 01:26:40,639

we could come here i'm glad that we

2204

01:26:43,270 --> 01:26:41,440

could set this

2205

01:26:45,189 --> 01:26:43,280

the record straight especially for the

2206

01:26:46,149 --> 01:26:45,199

friends and family of mark mccandlish i

2207

01:26:48,070 --> 01:26:46,159

want to thank a few

2208

01:26:49,430 --> 01:26:48,080

of mark mccandless friends and family

2209

01:26:51,030 --> 01:26:49,440

who have reached out to me

2210

01:26:52,709 --> 01:26:51,040

i've some of them i've spoken with on

2211

01:26:54,310 --> 01:26:52,719

the phone some of them i've emailed or

2212

01:26:55,910 --> 01:26:54,320

corresponded with

2213

01:26:58,070 --> 01:26:55,920

and they've all been very supportive of

2214

01:26:59,830 --> 01:26:58,080

me doing this work to set the record

2215

01:27:01,910 --> 01:26:59,840

straight so that people understand that

2216

01:27:05,350 --> 01:27:01,920

what happened to mark mccandlish

2217

01:27:06,870 --> 01:27:05,360

was a tragic suicide um

2218

01:27:08,550 --> 01:27:06,880

you know and i'm going to keep him in my

2219

01:27:10,950 --> 01:27:08,560

thoughts and prayers i thought he was a

2220

01:27:11,910 --> 01:27:10,960

brilliant man he was incredibly talented

2221

01:27:14,070 --> 01:27:11,920

and the world

2222

01:27:16,070 --> 01:27:14,080

is going to miss him uh we had michael

2223

01:27:18,870 --> 01:27:16,080

schrad on our show who said that mark

2224

01:27:21,510 --> 01:27:18,880

mccandlish was insanely talented when it

2225

01:27:24,629 --> 01:27:21,520

came to drawing he'd never seen somebody

2226

01:27:27,350 --> 01:27:24,639

who could make photo realistic drawings

2227

01:27:29,110 --> 01:27:27,360

straight from memory with just a pencil

2228

01:27:31,990 --> 01:27:29,120

he was incredibly talented

2229

01:27:34,709 --> 01:27:32,000

i'm sad that he's gone i'm sad that he

2230

01:27:37,669 --> 01:27:34,719

took his own life

2231

01:27:39,270 --> 01:27:37,679

and i'm sad that the world will miss all

2232

01:27:39,990 --> 01:27:39,280

of his artwork that he could have

2233

01:27:42,070 --> 01:27:40,000

finished

2234

01:27:44,709 --> 01:27:42,080

uh with the remainder of his natural

2235

01:27:47,270 --> 01:27:44,719

life had he held on

2236

01:27:48,709 --> 01:27:47,280

my condolences to his friends his family

2237

01:27:51,430 --> 01:27:48,719

especially

2238

01:27:53,350 --> 01:27:51,440

and um you know my continued

2239

01:27:55,030 --> 01:27:53,360

condemnation goes out to all those

2240

01:27:56,149 --> 01:27:55,040

people who are going to invent fake

2241

01:27:58,550 --> 01:27:56,159

stories

2242

01:28:00,390 --> 01:27:58,560

and continue to claim that there was

2243

01:28:02,709 --> 01:28:00,400

some conspiracy around this

2244

01:28:05,270 --> 01:28:02,719

it's very clear-cut case of

2245

01:28:06,390 --> 01:28:05,280

self-inflicted gunshot wound and suicide

2246

01:28:16,310 --> 01:28:06,400

he

2247

01:28:19,830 --> 01:28:16,320

two-page suicide note detailing

2248

01:28:21,590 --> 01:28:19,840

who gets what um you know

2249

01:28:23,590 --> 01:28:21,600

but conspiracy land is still going to

2250

01:28:25,510 --> 01:28:23,600

probably argue with me

2251

01:28:26,950 --> 01:28:25,520

and i'm i'm prepared for that that's

2252

01:28:28,950 --> 01:28:26,960

fine but we have facts

2253

01:28:30,310 --> 01:28:28,960

we have evidence and most people have

2254

01:28:31,669 --> 01:28:30,320

fairy tales

2255

01:28:33,110 --> 01:28:31,679

so i'm glad that we could do this

2256

01:28:34,550 --> 01:28:33,120

tonight i'm glad that we could set the

2257

01:28:36,470 --> 01:28:34,560

record straight

2258

01:28:38,229 --> 01:28:36,480

i'm glad that you could all be here with

2259

01:28:39,990 --> 01:28:38,239

me to help set the record straight and i

2260

01:28:42,470 --> 01:28:40,000

want to encourage you especially for

2261

01:28:44,950 --> 01:28:42,480

this video share it on your social media

2262

01:28:47,430 --> 01:28:44,960

so that we can stop these people from

2263

01:28:50,629 --> 01:28:47,440

trying to profit from this tragic man's

2264

01:28:53,430 --> 01:28:50,639

this man's tragic suicide

2265

01:28:55,270 --> 01:28:53,440

boy you know this kind of thing really

2266

01:28:57,110 --> 01:28:55,280

burned me up and fired me up but i'm

2267

01:28:58,790 --> 01:28:57,120

glad that i got fired up because

2268

01:29:00,790 --> 01:28:58,800

it took a long time to get to all the

2269

01:29:03,110 --> 01:29:00,800

police in the corner and get the corners

2270

01:29:06,229 --> 01:29:03,120

report and all of these things

2271

01:29:08,310 --> 01:29:06,239

um i'm glad that i did this work i

2272

01:29:10,310 --> 01:29:08,320

consider this good work i consider this

2273

01:29:11,430 --> 01:29:10,320

a community service and somebody had to

2274

01:29:14,310 --> 01:29:11,440

do it and

2275

01:29:15,669 --> 01:29:14,320

i'm always kind of like if no one else

2276

01:29:18,390 --> 01:29:15,679

is going to do it then fine

2277

01:29:19,350 --> 01:29:18,400

let it be me i'll do it because somebody

2278

01:29:22,229 --> 01:29:19,360

had to do this

2279

01:29:23,990 --> 01:29:22,239

today and do the previous reports that

2280

01:29:27,590 --> 01:29:24,000

we did dispelling these rumors

2281

01:29:30,070 --> 01:29:27,600

and and these fairy tales right

2282

01:29:30,870 --> 01:29:30,080

so friends i'm always happy when there's

2283

01:29:33,030 --> 01:29:30,880

an audience

2284

01:29:34,149 --> 01:29:33,040

i'm here at the cabin by myself my wife

2285

01:29:35,430 --> 01:29:34,159

decided that she was going to come up

2286

01:29:39,189 --> 01:29:35,440

with the boys tomorrow

2287

01:29:41,189 --> 01:29:39,199

so i had to jump up here a little early

2288

01:29:42,870 --> 01:29:41,199

try to get a show in and do some things

2289

01:29:46,229 --> 01:29:42,880

before she gets here tomorrow

2290

01:29:47,990 --> 01:29:46,239

gonna have a fun night tonight

2291

01:29:50,149 --> 01:29:48,000

i want to thank each and every one of

2292

01:29:54,470 --> 01:29:50,159

you for joining us tonight

2293

01:29:56,149 --> 01:29:54,480

and um boy what else can i say

2294

01:29:57,669 --> 01:29:56,159

i'm hoping that there will be a couple

2295

01:30:00,550 --> 01:29:57,679

more shows before the week

2296

01:30:01,750 --> 01:30:00,560

is over um but you never know what is

2297

01:30:05,189 --> 01:30:01,760

going to happen

2298

01:30:07,030 --> 01:30:05,199

i'm here at the cabin feeling summertime

2299

01:30:08,550 --> 01:30:07,040

right last week we went to a carnival

2300

01:30:09,270 --> 01:30:08,560

this week we might go to another

2301

01:30:11,669 --> 01:30:09,280

carnival

2302

01:30:13,030 --> 01:30:11,679

who knows uh what plans my wife has for

2303

01:30:14,950 --> 01:30:13,040

me but

2304

01:30:16,950 --> 01:30:14,960

i am setting up see the problem with

2305

01:30:18,229 --> 01:30:16,960

doing shows here is i have two boys and

2306

01:30:19,510 --> 01:30:18,239

it sounds like a herd of elephants

2307

01:30:20,310 --> 01:30:19,520

everywhere in the cabin it's a small

2308

01:30:22,070 --> 01:30:20,320

cabin

2309

01:30:23,270 --> 01:30:22,080

so i could go in the other room but then

2310

01:30:24,709 --> 01:30:23,280

you could still hear them bouncing

2311

01:30:27,350 --> 01:30:24,719

around in here and screaming and

2312

01:30:29,350 --> 01:30:27,360

laughing and whatever

2313

01:30:31,189 --> 01:30:29,360

so i'm setting up the camping trailer to

2314

01:30:34,149 --> 01:30:31,199

be a temporary boy

2315

01:30:35,750 --> 01:30:34,159

i started right at the bottom right we

2316

01:30:38,070 --> 01:30:35,760

got this little dumpy

2317

01:30:39,510 --> 01:30:38,080

uh camping trailer next to the cabin

2318

01:30:41,189 --> 01:30:39,520

that i stayed in while building the

2319

01:30:43,510 --> 01:30:41,199

cabin and that's kind of like the guest

2320

01:30:45,830 --> 01:30:43,520

quarters when a guest comes to stay

2321

01:30:47,350 --> 01:30:45,840

it's tiny but it'll work and it'll be

2322

01:30:48,629 --> 01:30:47,360

away from the cabin so you shouldn't be

2323

01:30:50,470 --> 01:30:48,639

able to hear anyway

2324

01:30:52,390 --> 01:30:50,480

we're gonna have a new temporary true

2325

01:30:53,430 --> 01:30:52,400

seeker studio in the middle of the woods

2326

01:30:56,950 --> 01:30:53,440

here in the form of

2327

01:30:59,669 --> 01:30:56,960

this broken down camper but it'll work

2328

01:31:01,030 --> 01:30:59,679

it'll work friends we'll work with it uh

2329

01:31:02,709 --> 01:31:01,040

like i said i'm always happy when

2330

01:31:04,070 --> 01:31:02,719

there's an audience i want to thank each

2331

01:31:04,629 --> 01:31:04,080

and every one of you for coming here

2332

01:31:07,830 --> 01:31:04,639

tonight

2333

01:31:09,430 --> 01:31:07,840

and for being a part of mine uh yeah

2334

01:31:10,550 --> 01:31:09,440

until next time friends my name is

2335

01:31:12,790 --> 01:31:10,560

stephen cambion

2336

01:31:13,990 --> 01:31:12,800

good night and god bless you all

2337

01:31:16,480 --> 01:31:14,000

especially you

2338

01:31:56,830 --> 01:31:16,490

mr mccandless rest in peace

2339

01:32:40,810 --> 01:31:56,840

[Music]
