

BOB LAZAR

THE DEFINITIVE PROOF
HE NEVER WORKED AT

A R E A

Truth Seekers

1
00:00:07,340 --> 00:00:28,830
[Music]

2
00:00:49,910 --> 00:00:31,710
so

3
00:02:06,830 --> 00:01:10,830
[Music]

4
00:02:15,520 --> 00:02:08,550
so

5
00:03:30,830 --> 00:02:27,470
[Music]

6
00:03:50,250 --> 00:03:33,720
so

7
00:04:27,270 --> 00:04:05,880
[Music]

8
00:04:36,310 --> 00:04:30,310
greetings and salutations friends

9
00:04:42,790 --> 00:04:40,629
you are all most welcome here

10
00:04:43,990 --> 00:04:42,800
i'm not even quite sure where to begin

11
00:04:47,749 --> 00:04:44,000
tonight

12
00:04:49,990 --> 00:04:47,759
but i'm going to give it a try here

13
00:04:50,870 --> 00:04:50,000

there's a famous poster i put it up

14

00:04:54,469 --> 00:04:50,880

tonight

15

00:04:57,270 --> 00:04:54,479

i want to believe and i do

16

00:04:57,670 --> 00:04:57,280

i still want to believe but finding so

17

00:05:02,150 --> 00:04:57,680

many

18

00:05:05,029 --> 00:05:02,160

con artists fakers hoaxers fake stories

19

00:05:06,150 --> 00:05:05,039

or even just people carefully crafting

20

00:05:08,390 --> 00:05:06,160

their stories and

21

00:05:09,510 --> 00:05:08,400

purposefully leaving out evidence that

22

00:05:12,870 --> 00:05:09,520

the story

23

00:05:19,189 --> 00:05:12,880

may in fact be fake is just too much for

24

00:05:23,270 --> 00:05:22,070

most roads in this ufo thing lead

25

00:05:26,070 --> 00:05:23,280

nowhere

26
00:05:26,710 --> 00:05:26,080
you'll chase your shadows for years and

27
00:05:30,390 --> 00:05:26,720
never

28
00:05:31,110 --> 00:05:30,400
come to the truth but along the way you

29
00:05:34,950 --> 00:05:31,120
will find

30
00:05:38,790 --> 00:05:34,960
lies heaped upon lies

31
00:05:41,430 --> 00:05:38,800
and fake stories galore or like a dog

32
00:05:42,950 --> 00:05:41,440
chasing his tail you'll just never get

33
00:05:44,790 --> 00:05:42,960
anywhere

34
00:05:46,469 --> 00:05:44,800
and that is where i have found myself

35
00:05:48,390 --> 00:05:46,479
lately and why

36
00:05:51,749 --> 00:05:48,400
i want to cover other topics and get

37
00:05:54,790 --> 00:05:51,759
away from this ufo insanity

38
00:05:55,990 --> 00:05:54,800

the truth is i suppose this journey and

39

00:05:58,550 --> 00:05:56,000

the revelation

40

00:05:59,029 --> 00:05:58,560

that many or most of these stories are

41

00:06:03,029 --> 00:05:59,039

indeed

42

00:06:13,670 --> 00:06:06,629

it's taken its toll on my belief

43

00:06:17,350 --> 00:06:15,990

on this journey i have become a hero to

44

00:06:20,230 --> 00:06:17,360

some

45

00:06:21,350 --> 00:06:20,240

and in truth a villain to others and

46

00:06:25,110 --> 00:06:21,360

here my friends

47

00:06:27,990 --> 00:06:25,120

is the strange place where i find myself

48

00:06:29,830 --> 00:06:28,000

all i wanted to do was share my journey

49

00:06:32,070 --> 00:06:29,840

and i have been sharing it with the

50

00:06:34,230 --> 00:06:32,080

world for years

51
00:06:35,909 --> 00:06:34,240
so tonight will once again be talking

52
00:06:38,790 --> 00:06:35,919
about bob lazar

53
00:06:40,870 --> 00:06:38,800
a story i've been following heavily

54
00:06:43,510 --> 00:06:40,880
since 1989.

55
00:06:45,189 --> 00:06:43,520
bob lazar told an incredible story of

56
00:06:49,270 --> 00:06:45,199
being a scientist and working

57
00:06:52,469 --> 00:06:49,280
on alien spacecraft at area 51

58
00:06:56,469 --> 00:06:52,479
and wow what an extraordinary story

59
00:06:59,189 --> 00:06:56,479
it is but is the story really true

60
00:07:00,230 --> 00:06:59,199
i used to think so i loved this story

61
00:07:02,950 --> 00:07:00,240
growing up

62
00:07:03,350 --> 00:07:02,960
but the more you dig into the story and

63
00:07:05,510 --> 00:07:03,360

dig

64

00:07:06,710 --> 00:07:05,520

into bob lazar the more evidence you

65

00:07:10,790 --> 00:07:06,720

find that lazar

66

00:07:13,110 --> 00:07:10,800

is a complete total fraud and by the way

67

00:07:16,070 --> 00:07:13,120

it is a hundred percent verifiable that

68

00:07:17,510 --> 00:07:16,080

bob lazar is a convicted pimp i'm going

69

00:07:18,629 --> 00:07:17,520

to tell you something that you should

70

00:07:21,350 --> 00:07:18,639

already know folks

71

00:07:21,830 --> 00:07:21,360

you can't trust anything a pimp says

72

00:07:24,629 --> 00:07:21,840

pimps

73

00:07:25,990 --> 00:07:24,639

lie and manipulate people that's what

74

00:07:28,629 --> 00:07:26,000

pimps do

75

00:07:30,550 --> 00:07:28,639

and friends high level scientists don't

76

00:07:32,469 --> 00:07:30,560

just wake up one day and think

77

00:07:33,909 --> 00:07:32,479

you know what i'm gonna start a

78

00:07:36,390 --> 00:07:33,919

whorehouse

79

00:07:37,189 --> 00:07:36,400

scientists don't do that friends but

80

00:07:41,589 --> 00:07:37,199

maybe

81

00:07:44,950 --> 00:07:41,599

and manipulate people

82

00:07:46,550 --> 00:07:44,960

do the lies well the lies start right at

83

00:07:48,790 --> 00:07:46,560

the start of the story

84

00:07:51,029 --> 00:07:48,800

the lies begin with his education bob

85

00:07:52,950 --> 00:07:51,039

lazar was not a scientist

86

00:07:54,710 --> 00:07:52,960

his educational claims have been found

87

00:07:56,790 --> 00:07:54,720

to be completely fake

88

00:07:58,629 --> 00:07:56,800

from his fake undergraduate degree from

89

00:08:01,189 --> 00:07:58,639

pacific university

90

00:08:01,909 --> 00:08:01,199

which is a degree mill you know where

91

00:08:03,990 --> 00:08:01,919

you buy

92

00:08:07,749 --> 00:08:04,000

fake degrees you know to hang on your

93

00:08:10,070 --> 00:08:07,759

wall and fool your stupid friends with

94

00:08:11,110 --> 00:08:10,080

friends prestigious schools like caltech

95

00:08:13,589 --> 00:08:11,120

and mit

96

00:08:15,189 --> 00:08:13,599

don't let people into master's programs

97

00:08:17,830 --> 00:08:15,199

if all they have

98

00:08:19,990 --> 00:08:17,840

is taking a few electronics classes at

99

00:08:21,830 --> 00:08:20,000

their local community college

100

00:08:23,909 --> 00:08:21,840

and they have a fake bachelor's degree

101
00:08:26,390 --> 00:08:23,919
that they bought online

102
00:08:28,390 --> 00:08:26,400
i verified this with both mit and

103
00:08:31,270 --> 00:08:28,400
caltech admissions people

104
00:08:32,310 --> 00:08:31,280
both stated there's no way bob would get

105
00:08:34,870 --> 00:08:32,320
into any

106
00:08:36,469 --> 00:08:34,880
master's program at either school with a

107
00:08:40,790 --> 00:08:36,479
fake

108
00:08:42,949 --> 00:08:40,800
degree mill

109
00:08:44,949 --> 00:08:42,959
further caltech never even had a

110
00:08:47,350 --> 00:08:44,959
master's degree program in electronics

111
00:08:48,389 --> 00:08:47,360
technology as lazar claimed at the time

112
00:08:51,509 --> 00:08:48,399
he claimed to go

113
00:08:53,670 --> 00:08:51,519

there if you get a master's degree also

114

00:08:56,070 --> 00:08:53,680

you have to write a master's thesis

115

00:08:57,110 --> 00:08:56,080

no one can find either of bob's master's

116

00:08:58,710 --> 00:08:57,120

thesis

117

00:09:01,190 --> 00:08:58,720

and i've challenged jeremy corbell and

118

00:09:01,990 --> 00:09:01,200

bob lazar to post copies of his master's

119

00:09:05,269 --> 00:09:02,000

thesis

120

00:09:06,710 --> 00:09:05,279

they haven't yet and they won't because

121

00:09:09,350 --> 00:09:06,720

those masters thesis

122

00:09:11,269 --> 00:09:09,360

my friends don't exist he never wrote

123

00:09:11,750 --> 00:09:11,279

them because he was never in a master's

124

00:09:14,470 --> 00:09:11,760

degree

125

00:09:16,470 --> 00:09:14,480

program and just to be clear friends no

126
00:09:17,750 --> 00:09:16,480
one writes a master's thesis and can't

127
00:09:19,269 --> 00:09:17,760
produce a copy

128
00:09:21,030 --> 00:09:19,279
it's incredibly hard work and some

129
00:09:21,990 --> 00:09:21,040
people spend years on their master's

130
00:09:24,230 --> 00:09:22,000
thesis

131
00:09:25,269 --> 00:09:24,240
the fact that he doesn't have copies of

132
00:09:28,150 --> 00:09:25,279
or cannot produce

133
00:09:29,590 --> 00:09:28,160
copies to me is a hundred percent proof

134
00:09:31,750 --> 00:09:29,600
his educational claims are all

135
00:09:33,350 --> 00:09:31,760
fabrications and that's besides just

136
00:09:34,310 --> 00:09:33,360
calling the schools and checking and

137
00:09:38,310 --> 00:09:34,320
finding out

138
00:09:40,150 --> 00:09:38,320

he never went to any of them but wait

139

00:09:42,070 --> 00:09:40,160

the government wiped his background in

140

00:09:46,070 --> 00:09:42,080

education to discredit him

141

00:09:48,630 --> 00:09:46,080

some say well there was also no mention

142

00:09:50,230 --> 00:09:48,640

of lazar in any caltech or mit yearbook

143

00:09:52,070 --> 00:09:50,240

for so for us to believe

144

00:09:54,550 --> 00:09:52,080

like michael schrack correctly pointed

145

00:09:56,470 --> 00:09:54,560

out that the men in black

146

00:09:58,949 --> 00:09:56,480

they would have had to crawl into every

147

00:09:59,670 --> 00:09:58,959

dusty attic every garage every storage

148

00:10:01,910 --> 00:09:59,680

locker of

149

00:10:04,710 --> 00:10:01,920

every single person who went to those

150

00:10:06,470 --> 00:10:04,720

schools at the time lazar claimed to

151
00:10:07,910 --> 00:10:06,480
they'd have to steal out the yearbooks

152
00:10:09,990 --> 00:10:07,920
mentioning lazar

153
00:10:11,590 --> 00:10:10,000
and replace them with fakes deleting

154
00:10:13,990 --> 00:10:11,600
every mention of him

155
00:10:15,350 --> 00:10:14,000
folks that's not just improbable doing

156
00:10:18,550 --> 00:10:15,360
that i believe would be

157
00:10:20,310 --> 00:10:18,560
impossible well wait

158
00:10:21,829 --> 00:10:20,320
maybe he just lied about his education

159
00:10:24,150 --> 00:10:21,839
to get a good job

160
00:10:24,870 --> 00:10:24,160
fair point but it still means that the

161
00:10:27,590 --> 00:10:24,880
entire

162
00:10:30,150 --> 00:10:27,600
story of his starts with a lie the whole

163
00:10:32,790 --> 00:10:30,160

story starts with him being a scientist

164

00:10:34,230 --> 00:10:32,800

friends he is not now nor has he ever

165

00:10:37,509 --> 00:10:34,240

been a scientist

166

00:10:39,509 --> 00:10:37,519

though he is a convicted pimp being a

167

00:10:40,470 --> 00:10:39,519

scientist requires at least one real

168

00:10:45,670 --> 00:10:40,480

degree

169

00:10:48,310 --> 00:10:45,680

unless you count the fake bachelor's

170

00:10:51,350 --> 00:10:48,320

degree he bought from a degree mill

171

00:10:53,269 --> 00:10:51,360

no bob was never a scientist but there

172

00:10:54,069 --> 00:10:53,279

is ample and convincing evidence that

173

00:10:56,630 --> 00:10:54,079

bob lazar

174

00:10:58,829 --> 00:10:56,640

was just an electronics technician who

175

00:11:00,150 --> 00:10:58,839

worked on radiation health monitoring

176
00:11:03,030 --> 00:11:00,160
equipment

177
00:11:03,350 --> 00:11:03,040
but wait bob worked as a scientist at

178
00:11:05,350 --> 00:11:03,360
los

179
00:11:07,750 --> 00:11:05,360
alamos his name was in the phone book

180
00:11:09,509 --> 00:11:07,760
after all yes it was and next to his

181
00:11:11,990 --> 00:11:09,519
name were the initials km

182
00:11:14,310 --> 00:11:12,000
which stands for kirk meyer at the time

183
00:11:15,670 --> 00:11:14,320
kirk meyer provided subcontractors to

184
00:11:18,389 --> 00:11:15,680
that lab

185
00:11:19,509 --> 00:11:18,399
but they only ever supplied low-level

186
00:11:23,990 --> 00:11:19,519
technicians

187
00:11:27,430 --> 00:11:24,000
and things like that

188
00:11:30,790 --> 00:11:27,440

kirk meyer never provided physicists

189

00:11:32,710 --> 00:11:30,800

or scientists to los alamos not when bob

190

00:11:33,910 --> 00:11:32,720

claimed to work there and never at any

191

00:11:37,590 --> 00:11:33,920

other time either

192

00:11:40,790 --> 00:11:37,600

they only supplied low-level technicians

193

00:11:42,870 --> 00:11:40,800

to these labs not scientists

194

00:11:45,030 --> 00:11:42,880

bob also recounted installing a

195

00:11:45,990 --> 00:11:45,040

satellite dish at los alamos in one

196

00:11:49,350 --> 00:11:46,000

interview

197

00:11:51,269 --> 00:11:49,360

folks senior staff level physicists

198

00:11:52,550 --> 00:11:51,279

would not waste their time installing

199

00:11:55,829 --> 00:11:52,560

satellite dishes

200

00:11:57,350 --> 00:11:55,839

who does that electronics technicians do

201

00:12:00,550 --> 00:11:57,360

and that's what bob was

202

00:12:02,550 --> 00:12:00,560

a low-level electronics technician john

203

00:12:03,750 --> 00:12:02,560

lear also talked about bob lazar having

204

00:12:05,910 --> 00:12:03,760

a contract to work on

205

00:12:07,590 --> 00:12:05,920

alpha monitors radiation health

206

00:12:09,990 --> 00:12:07,600

monitoring equipment

207

00:12:11,910 --> 00:12:10,000

folks physicists do not generally do

208

00:12:13,990 --> 00:12:11,920

electronics technician work

209

00:12:16,389 --> 00:12:14,000

they're doing much more important things

210

00:12:18,790 --> 00:12:16,399

electronics technicians do that

211

00:12:20,069 --> 00:12:18,800

so that is more evidence bob was not a

212

00:12:23,190 --> 00:12:20,079

scientist

213

00:12:24,870 --> 00:12:23,200

but an electronics technician but what

214

00:12:27,750 --> 00:12:24,880

about s4

215

00:12:28,949 --> 00:12:27,760

folks there is ample and convincing

216

00:12:32,069 --> 00:12:28,959

evidence including

217

00:12:34,230 --> 00:12:32,079

recent flyovers with pictures

218

00:12:36,310 --> 00:12:34,240

that prove that there is literally

219

00:12:38,550 --> 00:12:36,320

nothing there

220

00:12:40,470 --> 00:12:38,560

bob claimed that he rode a bus there

221

00:12:42,629 --> 00:12:40,480

from area 51 proper

222

00:12:44,310 --> 00:12:42,639

but friends you'll hear tonight with the

223

00:12:46,069 --> 00:12:44,320

evidence that we present that there is

224

00:12:48,230 --> 00:12:46,079

barely a road there

225

00:12:50,150 --> 00:12:48,240

and no bus could ever make it through

226

00:12:52,949 --> 00:12:50,160

the sand the rocks and that dirt

227

00:12:55,110 --> 00:12:52,959

road that lead to the area he claimed

228

00:12:56,069 --> 00:12:55,120

the ultra secret base housing the flying

229

00:12:59,670 --> 00:12:56,079

saucers

230

00:13:01,430 --> 00:12:59,680

was at so tonight friends we're going to

231

00:13:03,350 --> 00:13:01,440

be sharing an incredibly

232

00:13:04,870 --> 00:13:03,360

important interview i think this is the

233

00:13:07,910 --> 00:13:04,880

most important interview

234

00:13:10,069 --> 00:13:07,920

i've heard on this case in a decade

235

00:13:10,949 --> 00:13:10,079

this interview was conducted by victor

236

00:13:13,030 --> 00:13:10,959

cagliaro

237

00:13:15,030 --> 00:13:13,040

who you may remember we've had as a

238

00:13:17,190 --> 00:13:15,040

guest here previously

239

00:13:19,190 --> 00:13:17,200

one of the most popular guests i've ever

240

00:13:19,990 --> 00:13:19,200

had because the research he presented as

241

00:13:23,269 --> 00:13:20,000

a guest here was

242

00:13:24,790 --> 00:13:23,279

incredible and tonight tonight he is

243

00:13:27,750 --> 00:13:24,800

letting us

244

00:13:30,069 --> 00:13:27,760

he is letting me share this interview

245

00:13:32,069 --> 00:13:30,079

with all of you

246

00:13:34,710 --> 00:13:32,079

victor conducted this incredible

247

00:13:35,269 --> 00:13:34,720

interview with former area 51 security

248

00:13:38,389 --> 00:13:35,279

guard

249

00:13:40,310 --> 00:13:38,399

fred dunham and i want to thank victor

250

00:13:41,509 --> 00:13:40,320

for allowing us to share it and talk

251
00:13:43,590 --> 00:13:41,519
about it

252
00:13:45,110 --> 00:13:43,600
because i truly think this is the most

253
00:13:48,230 --> 00:13:45,120
important interview

254
00:13:50,710 --> 00:13:48,240
about the bob lazar case ever i feel it

255
00:13:52,790 --> 00:13:50,720
conclusively proves that bob lazar was

256
00:13:56,069 --> 00:13:52,800
never in area 51

257
00:13:58,790 --> 00:13:56,079
and his stories about s4 were just that

258
00:14:00,710 --> 00:13:58,800
fabricated fantasies with no basis in

259
00:14:03,430 --> 00:14:00,720
reality

260
00:14:05,829 --> 00:14:03,440
and you see unlike bob lazar the claims

261
00:14:07,990 --> 00:14:05,839
made by fred dunham can be verified

262
00:14:09,670 --> 00:14:08,000
he was indeed employed as a security

263
00:14:12,790 --> 00:14:09,680

guard at area 51

264

00:14:14,629 --> 00:14:12,800

during the 1980s and early 1990s

265

00:14:15,990 --> 00:14:14,639

we can find evidence of this in the form

266

00:14:18,870 --> 00:14:16,000

of records he could provide

267

00:14:20,949 --> 00:14:18,880

but also in court documents because you

268

00:14:22,790 --> 00:14:20,959

see sadly mr dunham was one of those

269

00:14:25,829 --> 00:14:22,800

area 51 employees that

270

00:14:29,350 --> 00:14:25,839

sued the government over health problems

271

00:14:33,269 --> 00:14:29,360

caused by the now infamous area 51

272

00:14:36,870 --> 00:14:33,279

burn pits as an area 51 security guard

273

00:14:38,949 --> 00:14:36,880

mr dunham had access to and had been to

274

00:14:41,829 --> 00:14:38,959

all areas of the base

275

00:14:43,910 --> 00:14:41,839

this man is a real incredible source and

276

00:14:45,590 --> 00:14:43,920

tonight we will hear some amazing

277

00:14:48,150 --> 00:14:45,600

evidence from this man

278

00:14:49,350 --> 00:14:48,160

that bob lazar not only didn't work at

279

00:14:52,069 --> 00:14:49,360

area 51

280

00:14:53,750 --> 00:14:52,079

but that he never ever even stepped foot

281

00:14:56,069 --> 00:14:53,760

on the base

282

00:14:58,310 --> 00:14:56,079

further we will hear that the location

283

00:14:59,509 --> 00:14:58,320

bob lazar claimed to be the ultra secret

284

00:15:03,189 --> 00:14:59,519

s4 base

285

00:15:05,350 --> 00:15:03,199

well friends there is nothing there

286

00:15:07,990 --> 00:15:05,360

and there was nothing there at the time

287

00:15:11,350 --> 00:15:08,000

bob lazar claimed to have worked there

288

00:15:14,550 --> 00:15:11,360

on alien flying saucers

289

00:15:16,629 --> 00:15:14,560

so i'm going to put my fair use banner

290

00:15:19,750 --> 00:15:16,639

up even though we do have permission

291

00:15:22,790 --> 00:15:19,760

uh to uh share this

292

00:15:24,310 --> 00:15:22,800

incredible interview tonight but i

293

00:15:26,389 --> 00:15:24,320

and i do want to mention that i'm going

294

00:15:29,829 --> 00:15:26,399

to play the interview and unlike

295

00:15:31,990 --> 00:15:29,839

usually when we play you know something

296

00:15:34,069 --> 00:15:32,000

from someone we stop it every so often

297

00:15:35,189 --> 00:15:34,079

and quite honestly i find myself just

298

00:15:37,910 --> 00:15:35,199

stopping the video

299

00:15:38,870 --> 00:15:37,920

for the purposes of fair use and the

300

00:15:41,030 --> 00:15:38,880

algorithm

301
00:15:43,350 --> 00:15:41,040
but in this case victor cagliari has

302
00:15:43,990 --> 00:15:43,360
given us total permission to air this

303
00:15:46,949 --> 00:15:44,000
interview

304
00:15:48,389 --> 00:15:46,959
do commentary on it talk about it so i'm

305
00:15:52,710 --> 00:15:48,399
really going to try

306
00:15:57,350 --> 00:15:55,110
video and by the way i i'm a terrible

307
00:16:00,150 --> 00:15:57,360
show host i forgot to put a link to the

308
00:16:00,870 --> 00:16:00,160
to the uh interview in the description i

309
00:16:03,189 --> 00:16:00,880
will do that

310
00:16:04,550 --> 00:16:03,199
as soon as i possibly can after we get

311
00:16:06,949 --> 00:16:04,560
the interview

312
00:16:09,110 --> 00:16:06,959
uh the taped interview started sharing

313
00:16:10,949 --> 00:16:09,120

here

314

00:16:12,629 --> 00:16:10,959

so i'm going to try to not interrupt

315

00:16:14,629 --> 00:16:12,639

very much there's a it's an hour

316

00:16:15,110 --> 00:16:14,639

interview but it really the first 40

317

00:16:17,430 --> 00:16:15,120

minutes

318

00:16:19,189 --> 00:16:17,440

is what is important to bob lazar the

319

00:16:20,389 --> 00:16:19,199

last 20 minutes or so of the interview

320

00:16:21,430 --> 00:16:20,399

and i encourage you to listen to the

321

00:16:24,710 --> 00:16:21,440

whole thing

322

00:16:25,430 --> 00:16:24,720

are about mr dunham's uh problems health

323

00:16:27,749 --> 00:16:25,440

problems

324

00:16:28,470 --> 00:16:27,759

and and fight with the government over

325

00:16:32,069 --> 00:16:28,480

these

326

00:16:35,269 --> 00:16:32,079

burn pits at area 51.

327

00:16:37,430 --> 00:16:35,279

so let's see friends we are going to

328

00:16:39,670 --> 00:16:37,440

share my screen make sure i share my

329

00:16:45,110 --> 00:16:39,680

audio

330

00:16:49,910 --> 00:16:47,829

okay and thanks once again to victor

331

00:16:51,430 --> 00:16:49,920

colliero this really is an incredibly

332

00:16:54,710 --> 00:16:51,440

important interview

333

00:16:57,110 --> 00:16:54,720

let's get into it friends this is the

334

00:16:59,350 --> 00:16:57,120

evidence that jeremy corbell

335

00:17:00,230 --> 00:16:59,360

george knapp and bob lazar don't want

336

00:17:03,350 --> 00:17:00,240

you to hear

337

00:17:03,990 --> 00:17:03,360

a real area 51 security guard who worked

338

00:17:05,590 --> 00:17:04,000

there

339

00:17:07,669 --> 00:17:05,600

all through the time that bob claimed to

340

00:17:11,029 --> 00:17:07,679

have worked there for a very short time

341

00:17:14,069 --> 00:17:11,039

this man worked there for 10 years this

342

00:17:24,549 --> 00:17:14,079

interview is incredible friends let's

343

00:17:32,310 --> 00:17:28,309

hello friend can you hear me

344

00:17:34,710 --> 00:17:32,320

yeah cool

345

00:17:36,549 --> 00:17:34,720

yeah my name's uh victor i'm doing a

346

00:17:38,310 --> 00:17:36,559

little uh

347

00:17:40,789 --> 00:17:38,320

independent documentary if you like

348

00:17:43,990 --> 00:17:40,799

about um

349

00:17:47,830 --> 00:17:44,000

oh area 51 bob lazar

350

00:17:51,590 --> 00:17:47,840

things like that papoose yeah

351
00:17:55,029 --> 00:17:51,600
so i've heard yep go on i'm aware

352
00:17:58,830 --> 00:17:55,039
yeah go ahead yeah so i heard that

353
00:18:01,510 --> 00:17:58,840
you worked out in area 51 um

354
00:18:04,870 --> 00:18:01,520
and for about 10 years

355
00:18:06,470 --> 00:18:04,880
10 years what what time period did you

356
00:18:08,870 --> 00:18:06,480
work out there

357
00:18:10,070 --> 00:18:08,880
excuse me now oh what years did you work

358
00:18:16,150 --> 00:18:10,080
out there

359
00:18:21,590 --> 00:18:16,160
uh from 1981 to 92.

360
00:18:25,430 --> 00:18:24,630
and uh what were you you were a security

361
00:18:28,549 --> 00:18:25,440
guard i think

362
00:18:32,150 --> 00:18:28,559
i think i read that right yes that's

363
00:18:37,830 --> 00:18:35,990

but the company that had the contract

364

00:18:41,860 --> 00:18:37,840

out there

365

00:18:44,630 --> 00:18:41,870

ended up getting a security contract

366

00:18:47,190 --> 00:18:44,640

[Music]

367

00:18:50,470 --> 00:18:47,200

and uh i think i saw somewhere where you

368

00:18:54,830 --> 00:18:50,480

had a license to kill

369

00:18:56,789 --> 00:18:54,840

well i you know that's a bunch of hype i

370

00:19:00,230 --> 00:18:56,799

think

371

00:19:12,630 --> 00:19:04,070

that was the rumor you know yeah

372

00:19:12,640 --> 00:19:16,789

98

373

00:19:16,799 --> 00:19:21,590

of everything that you've

374

00:19:32,310 --> 00:19:24,950

heard about this place

375

00:19:37,190 --> 00:19:34,710

i don't know if if five real estate five

376

00:19:41,190 --> 00:19:37,200

percent of it was real

377

00:19:44,070 --> 00:19:41,200

it would be amazing so i mean

378

00:19:44,710 --> 00:19:44,080

it's so much has been made out of this

379

00:19:48,310 --> 00:19:44,720

place

380

00:19:52,070 --> 00:19:48,320

yeah that is it's overhyped

381

00:19:55,750 --> 00:19:52,080

beyond belief and of course that's

382

00:19:59,430 --> 00:19:55,760

a product of the way that

383

00:20:02,549 --> 00:19:59,440

everything is nowadays everything is

384

00:20:05,350 --> 00:20:02,559

either full pedal of the metal

385

00:20:06,149 --> 00:20:05,360

or it's nothing you know i mean and this

386

00:20:10,149 --> 00:20:06,159

has turned into

387

00:20:17,990 --> 00:20:13,909

i mean it's it's ridiculous i i met with

388

00:20:25,190 --> 00:20:21,909

george i met with george knapp yep uh

389

00:20:27,669 --> 00:20:25,200

mm-hmm and this is after i

390

00:20:29,029 --> 00:20:27,679

i ceased working out there but i i met

391

00:20:33,270 --> 00:20:29,039

with george knapp in

392

00:20:34,149 --> 00:20:33,280

i don't know 1994 or something like that

393

00:20:36,390 --> 00:20:34,159

you know

394

00:20:38,549 --> 00:20:36,400

right when the stick of this bob lazar

395

00:20:42,630 --> 00:20:38,559

crap was happening

396

00:20:44,470 --> 00:20:42,640

and and i says we we met for breakfast

397

00:20:47,510 --> 00:20:44,480

at the pepper mill

398

00:20:50,230 --> 00:20:47,520

uh on the on the strip and he

399

00:20:51,190 --> 00:20:50,240

dropped in and we sat down and i'm

400

00:20:52,950 --> 00:20:51,200

talking to him and

401
00:20:54,789 --> 00:20:52,960
he says well i gotta know who you are

402
00:20:55,990 --> 00:20:54,799
you know if you're really real i showed

403
00:20:57,830 --> 00:20:56,000
him

404
00:20:59,270 --> 00:20:57,840
all these credentials that i had and he

405
00:21:02,470 --> 00:20:59,280
says well he says

406
00:21:05,750 --> 00:21:02,480
he says i believe you now he says and

407
00:21:07,909 --> 00:21:05,760
i told him i said look i said because

408
00:21:09,510 --> 00:21:07,919
because this is this george knapp guy is

409
00:21:13,110 --> 00:21:09,520
a character that

410
00:21:16,310 --> 00:21:13,120
has been in las vegas news forever

411
00:21:19,669 --> 00:21:16,320
yeah i mean when he first started

412
00:21:23,350 --> 00:21:19,679
he started at that station at cvs

413
00:21:28,830 --> 00:21:23,360

affiliate and and he's like

414

00:21:33,270 --> 00:21:31,430

um i'm sitting down with him i'm talking

415

00:21:36,310 --> 00:21:33,280

to a man to man i told

416

00:21:40,149 --> 00:21:36,320

george i said you got to protect

417

00:21:41,830 --> 00:21:40,159

your reputation here i says

418

00:21:45,990 --> 00:21:41,840

you're you're going off the line with

419

00:21:49,430 --> 00:21:46,000

this stuff about ufos and spacecraft and

420

00:21:51,830 --> 00:21:49,440

i says and you are so off base i says

421

00:21:53,590 --> 00:21:51,840

we have the biggest belly laugh about

422

00:21:55,669 --> 00:21:53,600

you

423

00:22:02,630 --> 00:21:55,679

every day of the week that we have to

424

00:22:09,110 --> 00:22:05,909

i said you were a joke

425

00:22:12,710 --> 00:22:09,120

and and i i just i told him i says

426

00:22:14,310 --> 00:22:12,720

for your own benefit i says you need to

427

00:22:16,549 --> 00:22:14,320

stop this because this is going to turn

428

00:22:19,590 --> 00:22:16,559

around and bite you in the butt

429

00:22:22,870 --> 00:22:19,600

you know yeah what did he say to that

430

00:22:26,549 --> 00:22:22,880

well he says well you know i believe

431

00:22:28,230 --> 00:22:26,559

bob and blah blah you know uh

432

00:22:29,590 --> 00:22:28,240

and he says do you know this other guy's

433

00:22:32,630 --> 00:22:29,600

name and i says you know i know

434

00:22:34,710 --> 00:22:32,640

i know this guy's name you know and uh

435

00:22:36,390 --> 00:22:34,720

he says well he says what do you think

436

00:22:39,350 --> 00:22:36,400

of that guy well i says

437

00:22:42,230 --> 00:22:39,360

uh i know one thing i said she's

438

00:22:52,830 --> 00:22:46,549

selling book league cable boxes

439

00:23:46,789 --> 00:23:43,190

know

440

00:23:51,510 --> 00:23:49,830

that was happening a lot of those guys

441

00:23:54,230 --> 00:23:51,520

who

442

00:23:56,630 --> 00:23:54,240

were in the knowing they had a lot of

443

00:23:59,269 --> 00:23:56,640

little things they did on the side for

444

00:24:00,070 --> 00:23:59,279

direct access to satellite dishes direct

445

00:24:02,310 --> 00:24:00,080

access

446

00:24:04,230 --> 00:24:02,320

table beating the cable encryption you

447

00:24:07,430 --> 00:24:04,240

know all kinds of you know so

448

00:24:09,110 --> 00:24:07,440

so so yeah the guy that that

449

00:24:10,630 --> 00:24:09,120

george nathan do you know this guy i

450

00:24:13,830 --> 00:24:10,640

said yeah i know

451
00:24:16,070 --> 00:24:13,840
you know he's a he's a technician and he

452
00:24:17,830 --> 00:24:16,080
runs a black market cable business you

453
00:24:24,950 --> 00:24:17,840
know

454
00:24:31,669 --> 00:24:24,960
you're

455
00:24:35,430 --> 00:24:34,630
yeah thanks for the save i i do this all

456
00:24:38,230 --> 00:24:35,440
the time

457
00:24:39,990 --> 00:24:38,240
friends i'm having uh nasal issues and

458
00:24:41,110 --> 00:24:40,000
i've been coughing and hacking a lot so

459
00:24:44,470 --> 00:24:41,120
i muted to

460
00:24:46,070 --> 00:24:44,480
to uh to be able to cough i really need

461
00:24:46,870 --> 00:24:46,080
a physical cough button but thank you

462
00:24:49,350 --> 00:24:46,880
very much

463
00:24:50,230 --> 00:24:49,360

so what i was saying uh all you missed

464

00:24:52,470 --> 00:24:50,240

is that i said

465

00:24:54,230 --> 00:24:52,480

here we see more evidence that bob lazar

466

00:24:56,310 --> 00:24:54,240

was an electronics technician because

467

00:24:56,870 --> 00:24:56,320

what senior staff level physicist do you

468

00:24:58,789 --> 00:24:56,880

know

469

00:25:00,070 --> 00:24:58,799

with two master's degrees that would

470

00:25:01,909 --> 00:25:00,080

spend his time making

471

00:25:03,190 --> 00:25:01,919

hot cable boxes for those that don't

472

00:25:04,630 --> 00:25:03,200

know at least in philadelphia they were

473

00:25:06,310 --> 00:25:04,640

called hot boxes

474

00:25:07,830 --> 00:25:06,320

instead of paying the cable company for

475

00:25:09,669 --> 00:25:07,840

all those premium channels

476
00:25:11,350 --> 00:25:09,679
you bought a hot box and it would let

477
00:25:14,789 --> 00:25:11,360
you watch all the channels

478
00:25:15,350 --> 00:25:14,799
this my friends is more proof that bob

479
00:25:17,590 --> 00:25:15,360
lazar

480
00:25:18,789 --> 00:25:17,600
was an electronics technician and not a

481
00:25:20,950 --> 00:25:18,799
scientist

482
00:25:22,549 --> 00:25:20,960
let's continue you have a reputation

483
00:25:23,669 --> 00:25:22,559
you're going to project guys you need to

484
00:25:27,110 --> 00:25:23,679
get off of this one

485
00:25:28,549 --> 00:25:27,120
you know why was nep asking about him

486
00:25:30,789 --> 00:25:28,559
anyway

487
00:25:31,669 --> 00:25:30,799
what's that now why was uh george nepal

488
00:25:34,549 --> 00:25:31,679

oh yeah yeah

489

00:25:35,190 --> 00:25:34,559

yeah i guess lazar and this guy ran

490

00:25:38,310 --> 00:25:35,200

together

491

00:25:38,870 --> 00:25:38,320

or you know they were you know blizzard

492

00:25:42,789 --> 00:25:38,880

used

493

00:25:45,269 --> 00:25:42,799

this guy's name as as

494

00:25:46,710 --> 00:25:45,279

a reference now here's the interesting

495

00:25:50,710 --> 00:25:46,720

thing about lazar

496

00:25:54,230 --> 00:25:50,720

yeah we i'm up at work

497

00:26:03,510 --> 00:25:58,630

the way the situation was we had

498

00:26:08,070 --> 00:26:03,520

a group of civilian contractors

499

00:26:16,310 --> 00:26:11,430

of the military

500

00:26:19,590 --> 00:26:16,320

and then we had the gs

501
00:26:23,830 --> 00:26:19,600
uh supervision

502
00:26:24,870 --> 00:26:23,840
and then we had united states air force

503
00:26:26,950 --> 00:26:24,880
supervision

504
00:26:28,870 --> 00:26:26,960
all right this that's how everything was

505
00:26:31,750 --> 00:26:28,880
layered i mean

506
00:26:32,230 --> 00:26:31,760
it was amazing the complicated things

507
00:26:35,750 --> 00:26:32,240
they

508
00:26:37,110 --> 00:26:35,760
did on the simplest of things i mean you

509
00:26:40,390 --> 00:26:37,120
know so

510
00:26:46,789 --> 00:26:43,909
me we wake up in in we're sitting there

511
00:26:48,230 --> 00:26:46,799
uh after uh dinner and we came from the

512
00:26:49,110 --> 00:26:48,240
mess hall and we're sitting around in

513
00:26:51,510 --> 00:26:49,120

the

514

00:26:52,950 --> 00:26:51,520

in this game room this hooch that we're

515

00:26:57,510 --> 00:26:52,960

sitting at

516

00:26:59,909 --> 00:26:57,520

and this we're watching the news

517

00:27:01,350 --> 00:26:59,919

and uh george knack comes on and he's

518

00:27:04,789 --> 00:27:01,360

just this thing

519

00:27:05,990 --> 00:27:04,799

he's talking about lazar yeah and

520

00:27:08,070 --> 00:27:06,000

i don't know if you ever saw the one

521

00:27:09,430 --> 00:27:08,080

there i guess they're in a vehicle or

522

00:27:11,269 --> 00:27:09,440

something and they're talking and you

523

00:27:12,630 --> 00:27:11,279

can't see lazar's face oh he's in

524

00:27:15,350 --> 00:27:12,640

silhouette and he's

525

00:27:16,310 --> 00:27:15,360

calling himself dennis yeah yeah so

526

00:27:17,750 --> 00:27:16,320

anyway so

527

00:27:20,470 --> 00:27:17,760

that that's that's the one who's on the

528

00:27:22,950 --> 00:27:20,480

tv and so

529

00:27:24,870 --> 00:27:22,960

me and the uh ga supervisor looked at

530

00:27:28,630 --> 00:27:24,880

one another

531

00:27:29,990 --> 00:27:28,640

and i said uh i won't use this guy's

532

00:27:31,269 --> 00:27:30,000

name because i think he's still alive

533

00:27:34,549 --> 00:27:31,279

but anyway i says

534

00:27:36,389 --> 00:27:34,559

hey i says why don't we go over you know

535

00:27:38,389 --> 00:27:36,399

i says you have to key to the

536

00:27:40,230 --> 00:27:38,399

to the badge office i said why don't we

537

00:27:43,510 --> 00:27:40,240

go in there

538

00:27:46,310 --> 00:27:43,520

get the eal out the entry

539

00:27:47,510 --> 00:27:46,320

authorization list because because we

540

00:27:49,190 --> 00:27:47,520

were all looking at each other and we

541

00:27:51,510 --> 00:27:49,200

said do you know anyone named

542

00:27:52,630 --> 00:27:51,520

lazar you know no one knew anyone named

543

00:27:57,029 --> 00:27:52,640

lazar

544

00:28:00,830 --> 00:27:57,039

so uh and that was our business you know

545

00:28:01,990 --> 00:28:00,840

aside from that i can't get into the

546

00:28:03,990 --> 00:28:02,000

details

547

00:28:05,590 --> 00:28:04,000

but we knew everything about everybody

548

00:28:09,990 --> 00:28:05,600

so anyway so

549

00:28:13,029 --> 00:28:10,000

we went over over to the badge office

550

00:28:16,389 --> 00:28:13,039

got the eal now

551
00:28:19,830 --> 00:28:16,399
open down these were a secured

552
00:28:23,029 --> 00:28:19,840
uh building inside of a secured vault

553
00:28:26,789 --> 00:28:23,039
you get this list out open it up

554
00:28:30,470 --> 00:28:26,799
go through the list alphabetical

555
00:28:34,549 --> 00:28:30,480
there's no listing for a lazar all right

556
00:28:36,310 --> 00:28:34,559
and that was that was the weekly eel

557
00:28:38,630 --> 00:28:36,320
because it varied by the week so then

558
00:28:42,070 --> 00:28:38,640
you're going to get the historical eal

559
00:28:45,510 --> 00:28:42,080
which which is everything from the

560
00:28:49,669 --> 00:28:45,520
last week to be that's my time

561
00:28:51,269 --> 00:28:49,679
real thick printout we went in there

562
00:28:53,430 --> 00:28:51,279
looked in the historical because we said

563
00:28:54,470 --> 00:28:53,440

we want to get to the to the historical

564

00:28:59,110 --> 00:28:54,480

eal

565

00:29:02,389 --> 00:28:59,120

before anyone can come in and

566

00:29:02,950 --> 00:29:02,399

dip it in you know and and redact

567

00:29:06,389 --> 00:29:02,960

something

568

00:29:09,110 --> 00:29:06,399

yeah we want to see we we were curious

569

00:29:11,269 --> 00:29:09,120

because we knew if this guy became a hot

570

00:29:13,269 --> 00:29:11,279

item they would just go in and

571

00:29:14,789 --> 00:29:13,279

probably take his name out of the eal

572

00:29:17,190 --> 00:29:14,799

you know yeah

573

00:29:18,870 --> 00:29:17,200

so we didn't want to see any anyone

574

00:29:21,350 --> 00:29:18,880

really

575

00:29:23,350 --> 00:29:21,360

corrupting our information it was and it

576
00:29:24,070 --> 00:29:23,360
was like 45 minutes later we were

577
00:29:29,350 --> 00:29:24,080
looking at

578
00:29:32,789 --> 00:29:29,360
the list no historical record

579
00:29:35,190 --> 00:29:32,799
of an individual name lazar yeah

580
00:29:36,230 --> 00:29:35,200
so so we looked at each other says he's

581
00:29:41,669 --> 00:29:36,240
complete fake

582
00:29:44,389 --> 00:29:41,679
yeah yeah because because r-e-a-l

583
00:29:45,669 --> 00:29:44,399
could the uh eal have uh real names or

584
00:29:49,750 --> 00:29:45,679
was it uh

585
00:29:49,760 --> 00:29:53,029
so friends

586
00:29:56,710 --> 00:29:55,909
it's a top secret base everyone who

587
00:29:59,830 --> 00:29:56,720
steps foot

588
00:30:02,870 --> 00:29:59,840

on the base or off the base is locked

589

00:30:06,470 --> 00:30:02,880

entering and exiting guess who's not in

590

00:30:10,149 --> 00:30:06,480

any of the logs according to a real

591

00:30:12,230 --> 00:30:10,159

area 51 security guard who we can verify

592

00:30:13,430 --> 00:30:12,240

worked there during these years bob

593

00:30:16,630 --> 00:30:13,440

lazar is not

594

00:30:18,149 --> 00:30:16,640

in any of the logs coming in or out of

595

00:30:21,430 --> 00:30:18,159

the base friends

596

00:30:24,789 --> 00:30:21,440

this story falls apart right there

597

00:30:26,710 --> 00:30:24,799

because maybe jeremy corbell and george

598

00:30:28,950 --> 00:30:26,720

knapp and bob lazar could tell me how he

599

00:30:31,750 --> 00:30:28,960

worked on alien spacecraft

600

00:30:34,070 --> 00:30:31,760

in area 51 if he never stepped foot on

601
00:30:35,830 --> 00:30:34,080
the base now there are those that argue

602
00:30:38,230 --> 00:30:35,840
will argue oh well he didn't work in

603
00:30:41,590 --> 00:30:38,240
area 51 he worked at the sub base

604
00:30:44,630 --> 00:30:41,600
s4 and we'll hear more about that but

605
00:30:46,950 --> 00:30:44,640
bob lazar claimed to fly in on the janet

606
00:30:49,990 --> 00:30:46,960
airlines to area 51 and then he was bus

607
00:30:54,149 --> 00:30:50,000
to s4 so he would still have been logged

608
00:30:58,230 --> 00:30:54,159
in to area 51 as entering the base

609
00:31:01,029 --> 00:30:58,240
by his real name and he wasn't

610
00:31:02,789 --> 00:31:01,039
there we have it friends smoking gun

611
00:31:09,909 --> 00:31:02,799
evidence that bob lazar

612
00:31:13,110 --> 00:31:12,470
each individual a good paragraph on each

613
00:31:16,710 --> 00:31:13,120

one of them

614

00:31:19,990 --> 00:31:16,720

so okay very detailed uh

615

00:31:27,830 --> 00:31:23,830

um so at that time and and another thing

616

00:31:31,590 --> 00:31:27,840

real was the master

617

00:31:35,669 --> 00:31:31,600

it had staffing for

618

00:31:42,710 --> 00:31:38,870

so any anyone who had access

619

00:31:44,389 --> 00:31:42,720

to site four uh

620

00:31:46,870 --> 00:31:44,399

not necessarily had access to our

621

00:31:48,789 --> 00:31:46,880

location but we had actually we had

622

00:31:50,470 --> 00:31:48,799

access to site four

623

00:31:53,269 --> 00:31:50,480

but they didn't have access to our

624

00:31:53,990 --> 00:31:53,279

location our location was more of a

625

00:31:57,029 --> 00:31:54,000

priority

626

00:31:59,750 --> 00:31:57,039

than site four so uh

627

00:32:01,430 --> 00:31:59,760

and so we had the data on every other

628

00:32:12,830 --> 00:32:01,440

individual site four

629

00:32:22,070 --> 00:32:15,590

so

630

00:32:24,789 --> 00:32:22,080

that was a a radar

631

00:32:25,269 --> 00:32:24,799

radar installation in turn of the test

632

00:32:28,310 --> 00:32:25,279

range

633

00:32:30,070 --> 00:32:28,320

sorry friends i did it again so the s4

634

00:32:33,669 --> 00:32:30,080

he's talking about is not

635

00:32:36,549 --> 00:32:33,679

bob lazar's fantasy s4 it's the real s4

636

00:32:38,630 --> 00:32:36,559

and uh it's not what bob lazar claims it

637

00:32:41,430 --> 00:32:38,640

to be and we'll hear more about that now

638

00:32:43,350 --> 00:32:41,440

is that right yeah that's all it is

639

00:32:47,269 --> 00:32:43,360

foreign technology

640

00:32:51,269 --> 00:32:49,669

russians radar and all that sort of

641

00:32:53,350 --> 00:32:51,279

stuff to test the signatures of the

642

00:32:56,870 --> 00:32:53,360

planes that used to fly

643

00:32:57,269 --> 00:32:56,880

yeah that just i think that's pretty

644

00:33:00,389 --> 00:32:57,279

much

645

00:33:02,630 --> 00:33:00,399

uh uh

646

00:33:04,230 --> 00:33:02,640

what has been published about the place

647

00:33:07,269 --> 00:33:04,240

and that's probably

648

00:33:09,509 --> 00:33:07,279

the truth without you know

649

00:33:11,430 --> 00:33:09,519

i i got to be very careful and i don't

650

00:33:13,190 --> 00:33:11,440

want to be and i'm

651

00:33:15,430 --> 00:33:13,200

i'm truthful i don't want to be

652

00:33:17,029 --> 00:33:15,440

quartered directly on any of this stuff

653

00:33:17,990 --> 00:33:17,039

because it's possible it still might be

654

00:33:21,430 --> 00:33:18,000

sensitive

655

00:33:33,590 --> 00:33:21,440

so that there was no site for it for

656

00:33:40,149 --> 00:33:36,630

iv was a

657

00:33:40,950 --> 00:33:40,159

place that existed on the opposite side

658

00:33:43,990 --> 00:33:40,960

of the

659

00:33:46,070 --> 00:33:44,000

you know like papoose lake yeah you know

660

00:33:47,430 --> 00:33:46,080

well i'm here to tell you that the only

661

00:33:50,830 --> 00:33:47,440

thing at papua's lake

662

00:33:53,990 --> 00:33:50,840

is a dry lake did you ever go to the who

663

00:34:01,830 --> 00:33:57,590

yeah did you ever go oh yeah there

664

00:34:05,269 --> 00:34:01,840

wasn't a piece

665

00:34:08,230 --> 00:34:05,279

of real estate a building

666

00:34:08,790 --> 00:34:08,240

that i didn't go into or have access to

667

00:34:13,990 --> 00:34:08,800

okay

668

00:34:20,710 --> 00:34:17,589

well anyway yes

669

00:34:24,710 --> 00:34:20,720

there was i'll tell you this

670

00:34:32,629 --> 00:34:28,230

it was used rarely

671

00:34:36,389 --> 00:34:32,639

they would people would come yes matthew

672

00:34:39,349 --> 00:34:36,399

people would come and we would activate

673

00:34:44,470 --> 00:34:39,359

yes it's in court documents

674

00:34:46,470 --> 00:34:44,480

and we would test things

675

00:34:53,030 --> 00:34:46,480

so there was some kind of device that

676
00:35:00,950 --> 00:34:56,310
yeah this place had a very very limited

677
00:35:04,550 --> 00:35:00,960
authorization the letter

678
00:35:06,230 --> 00:35:04,560
okay i okay i saw the letter

679
00:35:07,589 --> 00:35:06,240
because i used to carry the letter the

680
00:35:10,150 --> 00:35:07,599
with the with

681
00:35:11,109 --> 00:35:10,160
and on the letter was the list of names

682
00:35:15,190 --> 00:35:11,119
yeah

683
00:35:17,990 --> 00:35:15,200
the list of names was like 60 names

684
00:35:18,550 --> 00:35:18,000
these are the people entirely whose

685
00:35:21,030 --> 00:35:18,560
names

686
00:35:21,750 --> 00:35:21,040
was on who they had access to this

687
00:35:24,550 --> 00:35:21,760
program

688
00:35:25,750 --> 00:35:24,560

who could be in this particular building

689

00:35:29,670 --> 00:35:25,760

okay

690

00:35:31,589 --> 00:35:29,680

can you speak to uh can you speak about

691

00:35:33,190 --> 00:35:31,599

what the building's purpose was in

692

00:35:36,310 --> 00:35:33,200

roundabout ways or

693

00:35:42,630 --> 00:35:36,320

general ways well it was

694

00:35:47,030 --> 00:35:44,470

just call it electronic warfare that's

695

00:35:50,069 --> 00:35:47,040

all okay

696

00:35:53,910 --> 00:35:50,079

dude they had nothing to do with

697

00:35:57,270 --> 00:35:53,920

moon man like that just you know

698

00:35:59,750 --> 00:35:57,280

you know and i'm sure that that stuff

699

00:36:02,630 --> 00:35:59,760

yeah so bob bob basically said that

700

00:36:05,750 --> 00:36:04,950

a ufo base built into the side of the

701

00:36:08,870 --> 00:36:05,760

hill there

702

00:36:10,870 --> 00:36:08,880

on the east side of papoose lake

703

00:36:12,470 --> 00:36:10,880

yeah did you ever go into that area

704

00:36:15,589 --> 00:36:12,480

where he claimed there was that uh

705

00:36:18,470 --> 00:36:15,599

installation absolutely yes

706

00:36:20,790 --> 00:36:18,480

and it was just on on the on the if you

707

00:36:24,150 --> 00:36:20,800

if you have an aerial map of the place

708

00:36:28,150 --> 00:36:24,160

yeah it's look if you look to

709

00:36:31,430 --> 00:36:28,160

the range of mountains that is just uh

710

00:36:34,069 --> 00:36:31,440

it would be just east of the p1

711

00:36:35,670 --> 00:36:34,079

lake bed thanksgiving all right p1 is

712

00:36:39,990 --> 00:36:35,680

what you call the boost wasn't it

713

00:36:43,030 --> 00:36:40,000

yeah p1 yeah so so the p1 lake bed

714

00:36:47,030 --> 00:36:43,040

uh if you if you see the mountain range

715

00:36:50,390 --> 00:36:47,040

you can see this little dirt road

716

00:36:51,910 --> 00:36:50,400

that comes over comes around the lower

717

00:36:54,710 --> 00:36:51,920

south side of that mountain range and

718

00:36:57,910 --> 00:36:54,720

then intersects about in the middle

719

00:36:58,230 --> 00:36:57,920

of p1 lake bed okay that's that's where

720

00:37:02,630 --> 00:36:58,240

we

721

00:37:08,550 --> 00:37:05,910

shoot don't shoot house built there uh

722

00:37:09,990 --> 00:37:08,560

you know at all walls and and rooms and

723

00:37:10,790 --> 00:37:10,000

stuff where you could walk through it

724

00:37:14,870 --> 00:37:10,800

and

725

00:37:18,150 --> 00:37:14,880

too

726

00:37:19,030 --> 00:37:18,160

okay yeah so all right so that's where

727

00:37:21,030 --> 00:37:19,040

we had that

728

00:37:22,950 --> 00:37:21,040

set up right in there so that's the only

729

00:37:25,910 --> 00:37:22,960

thing that happened in p1 lake bed and

730

00:37:27,589 --> 00:37:25,920

it was you know no no hidden base in the

731

00:37:32,589 --> 00:37:27,599

side of the hill there

732

00:37:37,430 --> 00:37:32,599

no and and the uh the actual boundary

733

00:37:40,870 --> 00:37:37,440

between uh the two different

734

00:37:44,550 --> 00:37:40,880

uh areas or whatever you want to

735

00:37:45,190 --> 00:37:44,560

just this arbitrary line in the sand if

736

00:37:47,190 --> 00:37:45,200

you will

737

00:37:48,630 --> 00:37:47,200

right through the middle of p1 lake bed

738

00:37:50,230 --> 00:37:48,640

so

739

00:37:52,150 --> 00:37:50,240

you know more just a little bit to the

740

00:37:53,670 --> 00:37:52,160

west of the middle of the p1 lake bed

741

00:37:54,470 --> 00:37:53,680

was the actual boundary line that

742

00:37:57,829 --> 00:37:54,480

separated

743

00:37:59,510 --> 00:37:57,839

so that was like no man's land between

744

00:38:02,710 --> 00:37:59,520

because they were they they wanted to

745

00:38:04,710 --> 00:38:02,720

have complete isolation

746

00:38:06,550 --> 00:38:04,720

between the programs that were over

747

00:38:10,790 --> 00:38:06,560

there versus the programs that

748

00:38:14,310 --> 00:38:10,800

um were on our side so was papoose uh

749

00:38:16,870 --> 00:38:14,320

did they have any uh

750

00:38:18,950 --> 00:38:16,880

radiation issues i noticed that on the

751
00:38:21,349 --> 00:38:18,960
west side over the range on the west

752
00:38:24,230 --> 00:38:21,359
side was one of the main nuclear

753
00:38:26,470 --> 00:38:24,240
testing sites so was there any radiation

754
00:38:29,589 --> 00:38:26,480
issues

755
00:38:31,990 --> 00:38:29,599
so first we hear from this verified real

756
00:38:32,470 --> 00:38:32,000
area 51 security guard who spent time at

757
00:38:34,710 --> 00:38:32,480
the base

758
00:38:35,990 --> 00:38:34,720
10 years in fact and had been all over

759
00:38:38,470 --> 00:38:36,000
the base including

760
00:38:39,270 --> 00:38:38,480
this papoose lake area that there was

761
00:38:41,990 --> 00:38:39,280
nothing

762
00:38:42,790 --> 00:38:42,000
there just like the recent flyovers have

763
00:38:44,790 --> 00:38:42,800

shown

764

00:38:46,470 --> 00:38:44,800

that the place where bob lazar claims

765

00:38:47,430 --> 00:38:46,480

that there's a top secret base with

766

00:38:50,069 --> 00:38:47,440

hangers

767

00:38:51,190 --> 00:38:50,079

built into the mountain there's nothing

768

00:38:53,109 --> 00:38:51,200

there friends

769

00:38:54,630 --> 00:38:53,119

but besides there being absolutely

770

00:38:56,069 --> 00:38:54,640

nothing there there's a good reason

771

00:38:58,630 --> 00:38:56,079

there's nothing there and that is

772

00:39:00,550 --> 00:38:58,640

because of the radioactivity levels the

773

00:39:01,910 --> 00:39:00,560

radioactivity levels are so high that

774

00:39:03,510 --> 00:39:01,920

people could not spend

775

00:39:05,829 --> 00:39:03,520

long periods of time there without

776

00:39:10,069 --> 00:39:05,839

suffering major health risk

777

00:39:20,390 --> 00:39:10,079

and we're gonna hear more about that now

778

00:39:29,030 --> 00:39:24,550

you know you i'm gonna have to

779

00:39:36,630 --> 00:39:29,040

say i don't think that

780

00:39:42,310 --> 00:39:40,470

other than i know you know

781

00:39:44,150 --> 00:39:42,320

it's difficult you know when you talk

782

00:39:48,630 --> 00:39:44,160

about that place

783

00:39:52,310 --> 00:39:48,640

you got to understand there was

784

00:40:00,710 --> 00:39:56,790

uh airburst detonations

785

00:40:02,390 --> 00:40:00,720

of nuclear devices yep

786

00:40:04,309 --> 00:40:02,400

that's where they test it nuclear

787

00:40:06,870 --> 00:40:04,319

devices friends

788

00:40:07,750 --> 00:40:06,880

uh it's not it would not be a wise thing

789

00:40:10,069 --> 00:40:07,760

to put a base

790

00:40:11,190 --> 00:40:10,079

right where they once tested nuclear

791

00:40:14,470 --> 00:40:11,200

devices

792

00:40:16,150 --> 00:40:14,480

friends oh and look at that here matthew

793

00:40:19,270 --> 00:40:16,160

wright with a kind and generous super

794

00:40:19,670 --> 00:40:19,280

chat for 4.99 just so everybody knows we

795

00:40:21,670 --> 00:40:19,680

read

796

00:40:23,750 --> 00:40:21,680

every single super chat we acknowledge

797

00:40:25,270 --> 00:40:23,760

and thank every single super chat so get

798

00:40:27,750 --> 00:40:25,280

them in friends

799

00:40:28,950 --> 00:40:27,760

thank you matthew for your kindness your

800

00:40:31,030 --> 00:40:28,960

generosity

801
00:40:32,230 --> 00:40:31,040
and your support of the show it really

802
00:40:34,470 --> 00:40:32,240
does help

803
00:40:37,190 --> 00:40:34,480
you are helping us to do this important

804
00:40:39,990 --> 00:40:37,200
work to continue this important work

805
00:40:41,829 --> 00:40:40,000
and friends uh you are helping us to

806
00:40:44,870 --> 00:40:41,839
praise the cash so thank you

807
00:40:47,829 --> 00:40:44,880
matthew riot for your kind generation

808
00:40:53,180 --> 00:40:47,839
generosity and donation of 499. praise

809
00:41:06,390 --> 00:40:53,190
the cash friends

810
00:41:09,990 --> 00:41:08,230
thank you very much matthew much

811
00:41:12,230 --> 00:41:10,000
appreciate it

812
00:41:13,349 --> 00:41:12,240
uh to the east of that locate or to the

813
00:41:16,550 --> 00:41:13,359

west location

814

00:41:23,270 --> 00:41:19,589

now when you say was there any

815

00:41:30,790 --> 00:41:27,270

absolutely now

816

00:41:34,470 --> 00:41:30,800

to irradiate to work of the type

817

00:41:39,750 --> 00:41:34,480

that would be uh

818

00:41:43,349 --> 00:41:39,760

immediately harmful to you probably not

819

00:41:47,349 --> 00:41:43,359

uh if you if you were there

820

00:41:51,750 --> 00:41:47,359

like we were all all the time

821

00:41:54,950 --> 00:41:51,760

absolutely i like it yeah all right so

822

00:42:00,309 --> 00:41:54,960

uh you know then and

823

00:42:03,990 --> 00:42:02,870

that were in the hot spots and they had

824

00:42:06,550 --> 00:42:04,000

little fences around

825

00:42:09,990 --> 00:42:06,560

so and we had one of them right in the

826

00:42:10,000 --> 00:42:15,510

right in between uh

827

00:42:20,950 --> 00:42:18,790

well it's just north of the

828

00:42:23,349 --> 00:42:20,960

dry lake out in that flat right there

829

00:42:25,910 --> 00:42:23,359

there was a fencing area

830

00:42:26,870 --> 00:42:25,920

so friends the area where bob lazar

831

00:42:29,030 --> 00:42:26,880

claims that the

832

00:42:31,109 --> 00:42:29,040

ultra secret base where they kept the

833

00:42:33,109 --> 00:42:31,119

alien spacecraft couldn't have been

834

00:42:33,829 --> 00:42:33,119

there based on the radiation levels

835

00:42:35,829 --> 00:42:33,839

alone

836

00:42:36,950 --> 00:42:35,839

you can't have people working out there

837

00:42:39,109 --> 00:42:36,960

every day

838

00:42:41,750 --> 00:42:39,119

for prolonged periods of time or they

839

00:42:45,190 --> 00:42:41,760

would suffer serious health risks

840

00:42:47,030 --> 00:42:45,200

and thanks very much to ellen fox for a

841

00:42:50,069 --> 00:42:47,040

kind and generous purchase of a

842

00:42:51,910 --> 00:42:50,079

super sticker of 4.99 we appreciate your

843

00:42:53,030 --> 00:42:51,920

kindness your generosity and your

844

00:42:57,589 --> 00:42:53,040

support

845

00:42:58,710 --> 00:42:57,599

always helping us to praise the cash

846

00:43:03,109 --> 00:42:58,720

friend

847

00:43:06,230 --> 00:43:04,470

thank you for your kindness and your

848

00:43:08,230 --> 00:43:06,240

generosity and your continued support

849

00:43:10,309 --> 00:43:08,240

ellen much appreciated very generous of

850

00:43:13,589 --> 00:43:10,319

you

851

00:43:16,950 --> 00:43:13,599

it was an in

852

00:43:20,950 --> 00:43:16,960

an area where they had done uh

853

00:43:28,630 --> 00:43:20,960

a couple of safety experiments okay

854

00:43:33,109 --> 00:43:30,470

one of those a plutonium device and one

855

00:43:36,150 --> 00:43:33,119

of them was a uranium device

856

00:43:38,069 --> 00:43:36,160

suspended over 500 feet or so off of the

857

00:43:42,080 --> 00:43:38,079

ground

858

00:43:43,190 --> 00:43:42,090

and they were all encased in c4

859

00:43:45,670 --> 00:43:43,200

[Music]

860

00:43:48,870 --> 00:43:45,680

and they wanted to simulate uh what

861

00:43:57,349 --> 00:43:53,829

a rocket uh the ground to air rocket

862

00:44:01,750 --> 00:43:57,359

impacted an airplane that had a

863

00:44:07,510 --> 00:44:04,790

fully armed would it go nuclear

864

00:44:08,069 --> 00:44:07,520

you know would it would it go nuclear or

865

00:44:11,109 --> 00:44:08,079

would it just

866

00:44:13,990 --> 00:44:11,119

blow up yeah well they

867

00:44:15,349 --> 00:44:14,000

they did two tests with uh two different

868

00:44:19,829 --> 00:44:15,359

types of devices one

869

00:44:23,910 --> 00:44:22,309

they blew them into dust and they never

870

00:44:27,430 --> 00:44:23,920

they didn't go nuclear but

871

00:44:32,710 --> 00:44:27,440

but they spread all the components

872

00:44:36,710 --> 00:44:32,720

all the uranium 235 and the plutonium

873

00:44:42,069 --> 00:44:36,720

core vaporize that and

874

00:44:49,589 --> 00:44:45,030

we used to drive through that area all

875

00:44:56,309 --> 00:44:52,950

the one thing that you should know

876
00:45:00,309 --> 00:44:56,319
is out of the original

877
00:45:05,190 --> 00:45:00,319
uh contingent of

878
00:45:08,470 --> 00:45:05,200
contractors that work there uh

879
00:45:11,990 --> 00:45:08,480
we all started getting sick

880
00:45:12,710 --> 00:45:12,000
i would say what's number one all of us

881
00:45:14,630 --> 00:45:12,720
are dead

882
00:45:17,109 --> 00:45:14,640
there's only like three or four of us

883
00:45:19,829 --> 00:45:17,119
that are still alive

884
00:45:21,190 --> 00:45:19,839
now that being said some of them died

885
00:45:23,910 --> 00:45:21,200
from

886
00:45:25,030 --> 00:45:23,920
natural causes and some of them had the

887
00:45:28,470 --> 00:45:25,040
most

888
00:45:30,309 --> 00:45:28,480

uh weirdest diseases that you would

889

00:45:34,150 --> 00:45:30,319

think of

890

00:45:36,309 --> 00:45:34,160

so uh yeah there definitely was a hazard

891

00:45:38,790 --> 00:45:36,319

to your health working out there

892

00:45:40,069 --> 00:45:38,800

yeah the sad tragedy is that this

893

00:45:42,150 --> 00:45:40,079

gentleman fred dunham

894

00:45:44,470 --> 00:45:42,160

as well as many other people got sick

895

00:45:47,349 --> 00:45:44,480

from a combination of the radiation

896

00:45:48,309 --> 00:45:47,359

some believe and also the burn pits

897

00:45:50,630 --> 00:45:48,319

where they would burn

898

00:45:52,470 --> 00:45:50,640

all of this strange materials that they

899

00:45:54,710 --> 00:45:52,480

were developing for the stealth fighter

900

00:45:57,349 --> 00:45:54,720

and other black projects

901
00:45:59,510 --> 00:45:57,359
he is indeed suing the government we

902
00:46:02,630 --> 00:45:59,520
want to thank lord ludacris plaid

903
00:46:06,390 --> 00:46:02,640
love the avatar i love the love that

904
00:46:08,870 --> 00:46:06,400
chat room user id edoucher said s4 was

905
00:46:10,870 --> 00:46:08,880
a radar shack td barnes ii

906
00:46:13,430 --> 00:46:10,880
i agree with you lord ludicrous plaid

907
00:46:16,870 --> 00:46:13,440
many people have said that s4 was indeed

908
00:46:20,309 --> 00:46:16,880
a radar shack at uh

909
00:46:26,230 --> 00:46:23,510
tarnipok right but it definitely

910
00:46:29,190 --> 00:46:26,240
had nothing to do with bob lazar's fake

911
00:46:30,630 --> 00:46:29,200
flying saucer uh you know mechanic

912
00:46:33,670 --> 00:46:30,640
stories

913
00:46:36,630 --> 00:46:33,680

so you know this is this is the problem

914

00:46:36,950 --> 00:46:36,640

maybe bob lazar heard about a location

915

00:46:39,670 --> 00:46:36,960

called

916

00:46:40,630 --> 00:46:39,680

s4 and he used it in his story but that

917

00:46:43,349 --> 00:46:40,640

doesn't mean

918

00:46:45,910 --> 00:46:43,359

that he actually worked there and even

919

00:46:49,510 --> 00:46:45,920

if he did it's a radar

920

00:46:51,829 --> 00:46:49,520

it's a radar shack there's no alien

921

00:46:53,510 --> 00:46:51,839

spacecraft at that radar shack

922

00:46:54,950 --> 00:46:53,520

but thank you lord ludacris plaid for

923

00:46:56,309 --> 00:46:54,960

your kindness your generosity and your

924

00:46:58,150 --> 00:46:56,319

support as

925

00:47:00,790 --> 00:46:58,160

you are helping us continue this great

926
00:47:01,780 --> 00:47:00,800
work and praise the cash praise the cat

927
00:47:05,030 --> 00:47:01,790
cash friends

928
00:47:13,349 --> 00:47:05,040
[Music]

929
00:47:16,069 --> 00:47:14,550
thank you for your kindness your

930
00:47:17,270 --> 00:47:16,079
generosity and your support much

931
00:47:19,829 --> 00:47:17,280
appreciate it lord

932
00:47:20,309 --> 00:47:19,839
ludacris plaid i think i saw a paper

933
00:47:22,230 --> 00:47:20,319
once

934
00:47:23,829 --> 00:47:22,240
where it was talking it was a paper

935
00:47:27,030 --> 00:47:23,839
about the cleanup of

936
00:47:29,670 --> 00:47:27,040
where they took off some of the top oh

937
00:47:31,270 --> 00:47:29,680
johnson's here old friend it wasn't it

938
00:47:33,750 --> 00:47:31,280

wasn't

939

00:47:35,190 --> 00:47:33,760

it was an area that was like i say it

940

00:47:38,309 --> 00:47:35,200

was just one area that

941

00:47:40,790 --> 00:47:38,319

they tried to clean up where they had

942

00:47:41,589 --> 00:47:40,800

blown those bombs off um it was just

943

00:47:45,030 --> 00:47:41,599

just north

944

00:47:48,230 --> 00:47:45,040

and west of the lake bed okay good point

945

00:47:49,750 --> 00:47:48,240

slinger that's out in that flat there

946

00:47:51,349 --> 00:47:49,760

that's that's the place that we drove

947

00:47:53,910 --> 00:47:51,359

through all the time yeah

948

00:47:55,030 --> 00:47:53,920

and and the dust from the when we first

949

00:47:58,630 --> 00:47:55,040

got there the dust

950

00:48:01,109 --> 00:47:58,640

from the vehicles we had were

951
00:48:05,349 --> 00:48:01,119
had multitude of holes i agree with that

952
00:48:10,470 --> 00:48:07,510
we had we had vehicles and that was that

953
00:48:13,790 --> 00:48:10,480
was in 1981

954
00:48:17,829 --> 00:48:13,800
we had vehicles that were

955
00:48:19,270 --> 00:48:17,839
1968 1968 vehicles

956
00:48:24,230 --> 00:48:19,280
they were right yes it is matthew

957
00:48:29,589 --> 00:48:27,910
they had to get workable vehicles

958
00:48:31,910 --> 00:48:29,599
out of the door i think so any fleet

959
00:48:37,510 --> 00:48:31,920
that was basically condemned

960
00:48:43,829 --> 00:48:40,230
in its infancy it was operating off of

961
00:48:47,510 --> 00:48:45,670
like the waste products of the federal

962
00:48:49,030 --> 00:48:47,520
government you know if

963
00:48:50,870 --> 00:48:49,040

if there was vehicles that were

964

00:48:53,910 --> 00:48:50,880

condemned in

965

00:48:55,829 --> 00:48:53,920

in one area that still might have

966

00:48:58,309 --> 00:48:55,839

three or four hundred thousand or three

967

00:49:00,790 --> 00:48:58,319

or four thousand miles left on them

968

00:49:01,990 --> 00:49:00,800

we would get them you know uh they would

969

00:49:04,790 --> 00:49:02,000

bring them in say oh here

970

00:49:05,910 --> 00:49:04,800

use this and use it until it falls apart

971

00:49:09,430 --> 00:49:05,920

because then

972

00:49:11,670 --> 00:49:09,440

you just threw it in a pit you know

973

00:49:12,549 --> 00:49:11,680

abandoned it anything that we did you

974

00:49:15,349 --> 00:49:12,559

know so

975

00:49:16,069 --> 00:49:15,359

so you never got anything it was brand

976

00:49:18,390 --> 00:49:16,079

new

977

00:49:19,510 --> 00:49:18,400

i agree matthew anything anything that

978

00:49:22,950 --> 00:49:19,520

you got was always

979

00:49:25,349 --> 00:49:22,960

used up or very nearly used up

980

00:49:27,030 --> 00:49:25,359

now that's that's like in the 80s it

981

00:49:30,549 --> 00:49:27,040

started to improve

982

00:49:32,309 --> 00:49:30,559

towards the start of the 90s but

983

00:49:33,750 --> 00:49:32,319

some new vehicles and stuff like that

984

00:49:35,270 --> 00:49:33,760

but yeah

985

00:49:36,950 --> 00:49:35,280

you just you know you just come in and

986

00:49:39,109 --> 00:49:36,960

you can

987

00:49:40,470 --> 00:49:39,119

cough you just cough up mud out of your

988

00:49:47,990 --> 00:49:40,480

lungs

989

00:49:52,230 --> 00:49:50,470

super super generous uh tractor basil

990

00:49:53,109 --> 00:49:52,240

why would you trash bob lazar because he

991

00:49:58,069 --> 00:49:53,119

ran a brothel

992

00:50:00,790 --> 00:49:58,079

isn't that any man's dream um

993

00:50:02,150 --> 00:50:00,800

i don't know maybe for some but for me i

994

00:50:04,150 --> 00:50:02,160

would think about the victims

995

00:50:05,270 --> 00:50:04,160

you know talk to some sex workers and

996

00:50:08,630 --> 00:50:05,280

tell me

997

00:50:11,670 --> 00:50:08,640

uh if they enjoyed that experience right

998

00:50:14,870 --> 00:50:11,680

get to know some strippers and tell me

999

00:50:19,910 --> 00:50:14,880

if they enjoy their jobs right and

1000

00:50:22,470 --> 00:50:19,920

of course i'm generalizing but uh

1001
00:50:23,030 --> 00:50:22,480
you know i myself would never become

1002
00:50:25,910 --> 00:50:23,040
involved

1003
00:50:26,710 --> 00:50:25,920
in that trade based on the uh the way

1004
00:50:29,670 --> 00:50:26,720
that the women

1005
00:50:31,670 --> 00:50:29,680
are usually exploited but that's my

1006
00:50:33,829 --> 00:50:31,680
personal belief that's my personal

1007
00:50:35,270 --> 00:50:33,839
ethics and morality some would say if

1008
00:50:36,950 --> 00:50:35,280
they agree to do it for money

1009
00:50:38,309 --> 00:50:36,960
especially like the legal brothels in

1010
00:50:41,829 --> 00:50:38,319
las vegas then

1011
00:50:42,549 --> 00:50:41,839
uh you know so be it but tractor basil

1012
00:50:45,750 --> 00:50:42,559
wow how

1013
00:50:49,030 --> 00:50:45,760

generous very very generous of you

1014

00:50:51,910 --> 00:50:49,040

uh yeah and to uh borrow a phrase from

1015

00:50:52,870 --> 00:50:51,920

uh rich from goof on mucho generoso

1016

00:50:54,470 --> 00:50:52,880

absolutely

1017

00:50:56,309 --> 00:50:54,480

well that is one of the biggest super

1018

00:50:57,990 --> 00:50:56,319

chats we've ever got

1019

00:51:00,069 --> 00:50:58,000

uh i want to thank you for your kindness

1020

00:51:01,349 --> 00:51:00,079

your generosity and support and for

1021

00:51:04,150 --> 00:51:01,359

helping us

1022

00:51:05,030 --> 00:51:04,160

of course to praise the cash praise the

1023

00:51:09,030 --> 00:51:05,040

cash friends

1024

00:51:10,790 --> 00:51:09,040

uh i am blown away by your generosity

1025

00:51:12,300 --> 00:51:10,800

tractor basil thank you for supporting

1026
00:51:19,750 --> 00:51:12,310
our show here

1027
00:51:33,430 --> 00:51:21,910
where'd you guys crazy guys crazy cash

1028
00:51:36,470 --> 00:51:33,440
thank you for your kindness

1029
00:51:38,210 --> 00:51:36,480
thank you for your generosity crazy cash

1030
00:51:46,390 --> 00:51:38,220
crazy cash raise the cash

1031
00:51:49,670 --> 00:51:48,309
so thank you tractor basil for your

1032
00:51:49,990 --> 00:51:49,680
kindness your generosity and your

1033
00:51:51,510 --> 00:51:50,000
support

1034
00:51:53,030 --> 00:51:51,520
of the show and thank you from our

1035
00:51:54,710 --> 00:51:53,040
little cash clown

1036
00:51:57,589 --> 00:51:54,720
uh who i'm sure is going to want to cut

1037
00:51:59,430 --> 00:51:57,599
of that he shook me down tractor basil

1038
00:52:01,349 --> 00:51:59,440

he wants to know what percentage

1039

00:52:03,190 --> 00:52:01,359

he gets because he's the one doing the

1040

00:52:04,630 --> 00:52:03,200

praising of the cash

1041

00:52:06,470 --> 00:52:04,640

thank you very much for your kindness

1042

00:52:08,069 --> 00:52:06,480

your generosity and support very much

1043

00:52:12,390 --> 00:52:08,079

appreciate it

1044

00:52:16,309 --> 00:52:12,400

let's get back to this interview friends

1045

00:52:17,190 --> 00:52:16,319

uh we've got about 10 10 minutes left

1046

00:52:20,710 --> 00:52:17,200

here

1047

00:52:21,349 --> 00:52:20,720

a piece of plutonium that is smaller

1048

00:52:25,670 --> 00:52:21,359

than

1049

00:52:28,870 --> 00:52:25,680

salt

1050

00:52:33,510 --> 00:52:28,880

yeah and you're you're you're dead

1051
00:52:35,270 --> 00:52:33,520
you know good

1052
00:52:36,710 --> 00:52:35,280
i'll change this i'll change the subject

1053
00:52:40,230 --> 00:52:36,720
i know it's probably a bit

1054
00:52:44,829 --> 00:52:40,240
sensitive for you um have you ever heard

1055
00:52:44,839 --> 00:52:47,990
um

1056
00:52:52,710 --> 00:52:49,750
not not to my knowledge those are

1057
00:52:54,230 --> 00:52:52,720
dancers tractor-based um

1058
00:52:57,349 --> 00:52:54,240
i understand you used to let off

1059
00:53:01,750 --> 00:53:00,230
now yeah i understand that you used to

1060
00:53:05,109 --> 00:53:01,760
let off a bit of steam and kick

1061
00:53:07,510 --> 00:53:05,119
uh shoot off their fireworks over in

1062
00:53:09,109 --> 00:53:07,520
area 51 or papoose or something i think

1063
00:53:13,030 --> 00:53:09,119

i read something like that

1064

00:53:14,150 --> 00:53:13,040

oh i don't know alien scientist is did

1065

00:53:17,430 --> 00:53:14,160

you ever meet the

1066

00:53:19,750 --> 00:53:17,440

bubbles up no no never

1067

00:53:21,829 --> 00:53:19,760

never seen it in my life but you have no

1068

00:53:25,030 --> 00:53:21,839

ob still read that

1069

00:53:28,710 --> 00:53:25,040

question but you know his story

1070

00:53:31,910 --> 00:53:28,720

no yeah i've heard of him

1071

00:53:34,950 --> 00:53:31,920

and uh i mean

1072

00:53:38,150 --> 00:53:34,960

this guy you know he

1073

00:53:40,230 --> 00:53:38,160

he got arrested here he's

1074

00:53:42,950 --> 00:53:40,240

hooked up somehow with some kind of

1075

00:53:46,549 --> 00:53:42,960

prostitution ring he he

1076
00:53:48,710 --> 00:53:46,559
he installed uh i don't know the alarm

1077
00:53:51,030 --> 00:53:48,720
system for

1078
00:53:51,829 --> 00:53:51,040
some call girls or something i don't

1079
00:53:54,069 --> 00:53:51,839
know he was

1080
00:53:56,069 --> 00:53:54,079
yeah actually the story about bob

1081
00:53:58,150 --> 00:53:56,079
lazar's involvement in the whorehouse

1082
00:54:00,069 --> 00:53:58,160
depends on who you ask

1083
00:54:01,829 --> 00:54:00,079
george knapp has said that he was full

1084
00:54:04,390 --> 00:54:01,839
partners in the whorehouse

1085
00:54:05,910 --> 00:54:04,400
and that he was upset with him because

1086
00:54:06,950 --> 00:54:05,920
that would ruin the credibility of the

1087
00:54:10,470 --> 00:54:06,960
story

1088
00:54:12,309 --> 00:54:10,480

bob at various times has claimed that he

1089

00:54:14,069 --> 00:54:12,319

uh had very little involvement he just

1090

00:54:16,230 --> 00:54:14,079

helped him with a security system

1091

00:54:18,150 --> 00:54:16,240

but you know according to george snapp

1092

00:54:29,030 --> 00:54:18,160

he was a full partner with a madam

1093

00:54:32,470 --> 00:54:30,470

better late than never scott thanks for

1094

00:54:35,829 --> 00:54:32,480

being here um

1095

00:54:40,230 --> 00:54:35,839

you ever see any weird craft not ufos i

1096

00:54:43,670 --> 00:54:41,910

it's a general question of what kind of

1097

00:54:46,710 --> 00:54:43,680

aircraft did you see flying out there

1098

00:54:50,630 --> 00:54:46,720

that you can disclose

1099

00:54:53,030 --> 00:54:50,640

anything that i saw out there's

1100

00:54:54,470 --> 00:54:53,040

been disclosed up to a point i think

1101
00:54:57,430 --> 00:54:54,480
yeah but nothing

1102
00:54:58,390 --> 00:54:57,440
you know nothing nothing any more

1103
00:55:00,950 --> 00:54:58,400
weirder than

1104
00:55:02,950 --> 00:55:00,960
than what you see out there in the

1105
00:55:06,150 --> 00:55:02,960
regular air force inventory you know

1106
00:55:09,030 --> 00:55:06,160
yeah it's uh 71 and that sort of stuff

1107
00:55:10,789 --> 00:55:09,040
yeah that nice i happened to to have

1108
00:55:13,750 --> 00:55:10,799
been

1109
00:55:14,950 --> 00:55:13,760
the the day that they took the last

1110
00:55:18,829 --> 00:55:14,960
flight

1111
00:55:22,789 --> 00:55:18,839
they flew uh sr from

1112
00:55:25,670 --> 00:55:22,799
uh just off the coast of la to

1113
00:55:27,349 --> 00:55:25,680

washington is and then they gave that

1114

00:55:31,190 --> 00:55:27,359

one to the

1115

00:55:34,309 --> 00:55:31,200

smithsonian um i

1116

00:55:36,069 --> 00:55:34,319

they happened to have before they

1117

00:55:39,510 --> 00:55:36,079

retired that plane

1118

00:55:41,270 --> 00:55:39,520

they they took off and uh

1119

00:55:44,230 --> 00:55:41,280

refueled and came over and did a couple

1120

00:55:46,309 --> 00:55:44,240

low flybys a couple of passes

1121

00:55:47,510 --> 00:55:46,319

uh put the guys that were up there

1122

00:55:48,950 --> 00:55:47,520

because that was

1123

00:55:51,430 --> 00:55:48,960

you know one of the things thanks for

1124

00:55:53,430 --> 00:55:51,440

watching in the past and

1125

00:55:55,829 --> 00:55:53,440

anyway they came they gave us a little

1126

00:55:57,589 --> 00:55:55,839

air show with it it was

1127

00:55:59,670 --> 00:55:57,599

you know five eight minutes they came

1128

00:56:02,470 --> 00:55:59,680

over a couple club eyes and

1129

00:56:03,270 --> 00:56:02,480

just an amazing aircraft just you know

1130

00:56:06,309 --> 00:56:03,280

just

1131

00:56:10,069 --> 00:56:06,319

they took it it came in over the

1132

00:56:11,349 --> 00:56:10,079

runway and went vertical and just enough

1133

00:56:14,549 --> 00:56:11,359

power so the thing

1134

00:56:16,470 --> 00:56:14,559

just stayed like a very slow rocket

1135

00:56:19,349 --> 00:56:16,480

going straight up in the air and

1136

00:56:20,710 --> 00:56:19,359

just kept going and going and going just

1137

00:56:24,789 --> 00:56:20,720

maintaining that really

1138

00:56:27,030 --> 00:56:24,799

slow up in the air like that and

1139

00:56:29,589 --> 00:56:27,040

and it just went up until it disappeared

1140

00:56:32,069 --> 00:56:29,599

and it flopped over on its back

1141

00:56:33,990 --> 00:56:32,079

you could see the the uh silhouette and

1142

00:56:37,270 --> 00:56:34,000

then flopped over us back and then

1143

00:56:41,750 --> 00:56:37,280

twisted over the right side and just

1144

00:56:43,750 --> 00:56:41,760

took off just so here's a real area 51

1145

00:56:45,829 --> 00:56:43,760

security guard did he see any alien

1146

00:56:49,270 --> 00:56:45,839

spacecraft or anything really exotic

1147

00:56:51,829 --> 00:56:49,280

no he saw the sr-71 once

1148

00:56:52,710 --> 00:56:51,839

and but that was about as exotic as it

1149

00:56:55,270 --> 00:56:52,720

got so

1150

00:56:57,510 --> 00:56:55,280

gee i guess no flying saucers being test

1151
00:57:00,390 --> 00:56:57,520
flown at area 51

1152
00:57:03,190 --> 00:57:00,400
as jeremy corbell bob lazar and george

1153
00:57:04,950 --> 00:57:03,200
knapp have claimed for years

1154
00:57:06,549 --> 00:57:04,960
and you know people will choose what

1155
00:57:09,510 --> 00:57:06,559
they want to believe

1156
00:57:10,630 --> 00:57:09,520
i suppose right but this man actually

1157
00:57:13,430 --> 00:57:10,640
worked there

1158
00:57:14,230 --> 00:57:13,440
for 10 years he'd been in all areas of

1159
00:57:18,309 --> 00:57:14,240
the base

1160
00:57:24,870 --> 00:57:21,349
did they uh conduct any uh nighttime

1161
00:57:26,470 --> 00:57:24,880
tests and uh yeah

1162
00:57:27,910 --> 00:57:26,480
it was there every every night do you

1163
00:57:28,390 --> 00:57:27,920

think that they were flying something

1164

00:57:31,990 --> 00:57:28,400

out there

1165

00:57:35,589 --> 00:57:32,000

or sure you know that was uh

1166

00:57:39,430 --> 00:57:37,430

of those items they were testing to say

1167

00:57:42,870 --> 00:57:39,440

we're you know all that thing about

1168

00:57:47,510 --> 00:57:45,670

that's that's whole that's part of that

1169

00:57:51,190 --> 00:57:47,520

old game you know that

1170

00:57:55,109 --> 00:57:51,200

that invisibility from

1171

00:57:57,109 --> 00:57:55,119

electronic surveillance and um

1172

00:57:58,950 --> 00:57:57,119

at night you're invisible you know

1173

00:58:00,870 --> 00:57:58,960

that's you know

1174

00:58:02,150 --> 00:58:00,880

they want to cook everything around as

1175

00:58:05,349 --> 00:58:02,160

best you can so

1176

00:58:07,030 --> 00:58:05,359

yeah everything was okay i basically

1177

00:58:07,990 --> 00:58:07,040

asked that because uh at one point

1178

00:58:11,190 --> 00:58:08,000

bubbles are

1179

00:58:12,950 --> 00:58:11,200

i was believers have said that uh

1180

00:58:15,109 --> 00:58:12,960

how did he know that there was going to

1181

00:58:18,630 --> 00:58:15,119

be lights above that area at

1182

00:58:20,309 --> 00:58:18,640

that particular night i'm just wondering

1183

00:58:22,870 --> 00:58:20,319

if there was lights there every night

1184

00:58:23,750 --> 00:58:22,880

so yeah that's because he took him out

1185

00:58:27,349 --> 00:58:23,760

there

1186

00:58:30,630 --> 00:58:27,359

when that particular aircraft was

1187

00:58:31,750 --> 00:58:30,640

737 coming in from las vegas at that

1188

00:58:33,430 --> 00:58:31,760

night

1189

00:58:35,190 --> 00:58:33,440

another person who believes that the

1190

00:58:36,150 --> 00:58:35,200

lights in the sky that bob lazar was

1191

00:58:38,470 --> 00:58:36,160

showing everybody

1192

00:58:39,829 --> 00:58:38,480

were simply the janet airlines flying

1193

00:58:42,390 --> 00:58:39,839

employees in

1194

00:58:43,270 --> 00:58:42,400

remember they were some incredible

1195

00:58:45,990 --> 00:58:43,280

distance from

1196

00:58:47,510 --> 00:58:46,000

area 51 when they were sitting there and

1197

00:58:49,750 --> 00:58:47,520

bob lazar was telling him c

1198

00:58:51,750 --> 00:58:49,760

that's the alien flying saucers they're

1199

00:58:55,510 --> 00:58:51,760

testing flying

1200

00:58:58,069 --> 00:58:55,520

and they believed them friends

1201
00:59:00,549 --> 00:58:58,079
and i want to stop this for a moment uh

1202
00:59:03,589 --> 00:59:00,559
victor cagliaro

1203
00:59:07,510 --> 00:59:03,599
with an incredible

1204
00:59:07,829 --> 00:59:07,520
boy police records say the police found

1205
00:59:11,190 --> 00:59:07,839
the

1206
00:59:13,589 --> 00:59:11,200
on it

1207
00:59:17,670 --> 00:59:13,599
so yeah he didn't just install cameras

1208
00:59:21,990 --> 00:59:20,150
he had also interviewed the hookers and

1209
00:59:24,710 --> 00:59:22,000
installed surveillance cams

1210
00:59:25,430 --> 00:59:24,720
in the trick rooms all was in the court

1211
00:59:28,870 --> 00:59:25,440
documents

1212
00:59:31,910 --> 00:59:28,880
wow so he put cameras in the rooms

1213
00:59:33,589 --> 00:59:31,920

yeah you talk about conflict of interest

1214

00:59:35,430 --> 00:59:33,599

right you catch people

1215

00:59:37,349 --> 00:59:35,440

some some of those guys may be married

1216

00:59:40,230 --> 00:59:37,359

some of those guys may be

1217

00:59:40,630 --> 00:59:40,240

city officials or politicians and you've

1218

00:59:43,109 --> 00:59:40,640

got

1219

00:59:45,430 --> 00:59:43,119

tape of them engaging in illicit sex

1220

00:59:48,069 --> 00:59:45,440

acts with prostitutes

1221

00:59:50,069 --> 00:59:48,079

very problematic uh why would bob lazar

1222

00:59:54,470 --> 00:59:50,079

do that

1223

00:59:57,030 --> 00:59:54,480

we can speculate i suppose right

1224

00:59:58,549 --> 00:59:57,040

uh and victor also chimes in the madam

1225

01:00:01,190 --> 00:59:58,559

he was in business and

1226

01:00:02,870 --> 01:00:01,200

also accused him of not paying her a

1227

01:00:06,069 --> 01:00:02,880

substantial amount of money

1228

01:00:08,069 --> 01:00:06,079

well that that kind of uh

1229

01:00:10,630 --> 01:00:08,079

you know is to be expected after all bob

1230

01:00:12,549 --> 01:00:10,640

lazar declared bankruptcy shortly before

1231

01:00:13,109 --> 01:00:12,559

coming out with his flying saucer alien

1232

01:00:17,109 --> 01:00:13,119

flying

1233

01:00:19,750 --> 01:00:17,119

stories and he never paid a bunch of his

1234

01:00:22,710 --> 01:00:19,760

creditors he owed everybody money

1235

01:00:23,910 --> 01:00:22,720

including pre past employees and i

1236

01:00:26,710 --> 01:00:23,920

believe his parents

1237

01:00:29,270 --> 01:00:26,720

even he even owed his parents money that

1238

01:00:33,270 --> 01:00:29,280

was mentioned in the bankruptcy

1239

01:00:35,829 --> 01:00:33,280

wow great guy real some scientist

1240

01:00:37,190 --> 01:00:35,839

every night you mean the general you

1241

01:00:39,030 --> 01:00:37,200

mean the general thoughts

1242

01:00:41,109 --> 01:00:39,040

it would come in from vegas to there and

1243

01:00:43,829 --> 01:00:41,119

pick up people and take them back home

1244

01:00:45,510 --> 01:00:43,839

yeah you mean the jedi floods yeah yeah

1245

01:00:48,630 --> 01:00:45,520

that's what that was

1246

01:00:51,670 --> 01:00:48,640

jesus you know

1247

01:00:54,950 --> 01:00:51,680

and he's so so and that that thing

1248

01:00:58,150 --> 01:00:54,960

made as it came in it it

1249

01:01:00,870 --> 01:00:58,160

be was to go um

1250

01:01:02,470 --> 01:01:00,880

due north from like indian springs it

1251

01:01:05,510 --> 01:01:02,480

would go due north

1252

01:01:08,150 --> 01:01:05,520

and then it would turn on its

1253

01:01:09,430 --> 01:01:08,160

its landing lights halfway during that

1254

01:01:12,309 --> 01:01:09,440

that approach from

1255

01:01:13,430 --> 01:01:12,319

from north to halfway up that it would

1256

01:01:16,230 --> 01:01:13,440

turn

1257

01:01:17,349 --> 01:01:16,240

and go do east right with the slamming

1258

01:01:19,109 --> 01:01:17,359

lights on

1259

01:01:20,549 --> 01:01:19,119

then it would turn and then go through

1260

01:01:26,720 --> 01:01:20,559

north again

1261

01:01:26,730 --> 01:01:31,750

[Music]

1262

01:01:35,750 --> 01:01:34,309

and then it would turn and go due north

1263

01:01:36,710 --> 01:01:35,760

again and then it looked like it was

1264

01:01:39,109 --> 01:01:36,720

moving fast

1265

01:01:40,150 --> 01:01:39,119

you know so everywhere oh my look at

1266

01:01:43,270 --> 01:01:40,160

that you know

1267

01:01:45,270 --> 01:01:43,280

and all it's doing is you know

1268

01:01:46,309 --> 01:01:45,280

you see the bright landing light and

1269

01:01:49,829 --> 01:01:46,319

it's

1270

01:01:50,630 --> 01:01:49,839

coming right at you and that looks like

1271

01:01:52,950 --> 01:01:50,640

it's covering

1272

01:01:54,150 --> 01:01:52,960

you know and i used to come in every

1273

01:01:57,750 --> 01:01:54,160

night though

1274

01:02:01,029 --> 01:01:57,760

every night you know i mean yeah

1275

01:02:02,870 --> 01:02:01,039

some sometimes twice so this

1276

01:02:04,390 --> 01:02:02,880

right here friends destroys this

1277

01:02:06,069 --> 01:02:04,400

argument that some people have like well

1278

01:02:09,109 --> 01:02:06,079

how do you know about the test flights

1279

01:02:12,150 --> 01:02:09,119

friends they saw a light in the sky

1280

01:02:12,950 --> 01:02:12,160

they were miles away from the base they

1281

01:02:15,990 --> 01:02:12,960

could have been seeing

1282

01:02:18,549 --> 01:02:16,000

anything airplane lights

1283

01:02:19,270 --> 01:02:18,559

helicopter lights they literally could

1284

01:02:21,589 --> 01:02:19,280

have been seeing

1285

01:02:23,990 --> 01:02:21,599

anything from that distance away there's

1286

01:02:26,309 --> 01:02:24,000

no proof that bob lazar knew about any

1287

01:02:28,630 --> 01:02:26,319

flying saucer test flights

1288

01:02:29,990 --> 01:02:28,640

in fact we now have proof that he never

1289

01:02:31,990 --> 01:02:30,000

stepped foot on the base

1290

01:02:33,670 --> 01:02:32,000

so how would he know about test flights

1291

01:02:35,510 --> 01:02:33,680

being conducted at the base if he never

1292

01:02:38,630 --> 01:02:35,520

even stepped foot on the base

1293

01:02:41,190 --> 01:02:38,640

yeah and there used to be

1294

01:02:43,430 --> 01:02:41,200

aircraft tests as well pretty much every

1295

01:02:46,789 --> 01:02:43,440

night as well you say

1296

01:02:51,829 --> 01:02:46,799

yeah and in in the test articles

1297

01:02:55,270 --> 01:02:53,990

what kind of clearances and security

1298

01:02:59,750 --> 01:02:55,280

checks did you have to go through and

1299

01:03:05,750 --> 01:03:03,990

about keep connecting see we

1300

01:03:08,309 --> 01:03:05,760

we started out right when the reagan

1301
01:03:12,470 --> 01:03:08,319
administration started

1302
01:03:15,510 --> 01:03:12,480
and our paperwork was in

1303
01:03:19,349 --> 01:03:15,520
before reagan

1304
01:03:20,230 --> 01:03:19,359
actually took office but when he took

1305
01:03:24,150 --> 01:03:20,240
office

1306
01:03:28,829 --> 01:03:24,160
the priority came to

1307
01:03:31,670 --> 01:03:28,839
clear all his staff so that put us

1308
01:03:38,390 --> 01:03:31,680
back so it took

1309
01:03:42,630 --> 01:03:41,990
seven eight months wow here we have it

1310
01:03:44,950 --> 01:03:42,640
friends

1311
01:03:47,109 --> 01:03:44,960
uh bob lazar claimed to get his top

1312
01:03:48,950 --> 01:03:47,119
secret clearance allowing him to go on

1313
01:03:51,589 --> 01:03:48,960

the world's most secret base

1314

01:03:52,950 --> 01:03:51,599

in a few days or was it a week i can't

1315

01:03:56,390 --> 01:03:52,960

quite recall

1316

01:03:58,470 --> 01:03:56,400

but here we have a real area 51 employee

1317

01:03:59,750 --> 01:03:58,480

and i have other sources who told me a

1318

01:04:01,349 --> 01:03:59,760

similar time frame

1319

01:04:03,190 --> 01:04:01,359

takes at least six months to get all the

1320

01:04:04,230 --> 01:04:03,200

clearances before you can ever even step

1321

01:04:05,829 --> 01:04:04,240

foot on the base

1322

01:04:07,750 --> 01:04:05,839

but we're expected to believe a

1323

01:04:09,430 --> 01:04:07,760

convicted pimp well he wasn't a

1324

01:04:11,270 --> 01:04:09,440

convicted pimp at the time

1325

01:04:13,109 --> 01:04:11,280

but still we're expected to believe this

1326

01:04:16,150 --> 01:04:13,119

man with a questionable background

1327

01:04:18,789 --> 01:04:16,160

questionable educational credentials

1328

01:04:20,230 --> 01:04:18,799

that he got his top secret clearance in

1329

01:04:23,430 --> 01:04:20,240

less than a week

1330

01:04:25,750 --> 01:04:23,440

meanwhile real area 51 employees have

1331

01:04:27,510 --> 01:04:25,760

all told me it takes six months or more

1332

01:04:28,470 --> 01:04:27,520

for them to do all the background checks

1333

01:04:30,789 --> 01:04:28,480

in the vetting

1334

01:04:32,230 --> 01:04:30,799

and for you to get your clearance before

1335

01:04:35,990 --> 01:04:32,240

you are allowed

1336

01:04:40,630 --> 01:04:36,000

access to the base of

1337

01:04:43,510 --> 01:04:40,640

uh yeah we we uh

1338

01:04:45,990 --> 01:04:43,520

they basically paid us just to i agree

1339

01:04:48,069 --> 01:04:46,000

come down and sign a piece of paper

1340

01:04:50,230 --> 01:04:48,079

you know that wouldn't that cheats at

1341

01:04:53,990 --> 01:04:50,240

checkers okay from january

1342

01:04:57,910 --> 01:04:54,000

from january of uh 80

1343

01:05:00,549 --> 01:04:57,920

yeah to uh

1344

01:05:01,109 --> 01:05:00,559

like september yeah i agree tractor

1345

01:05:04,230 --> 01:05:01,119

basil

1346

01:05:07,750 --> 01:05:04,240

uh i was on full payroll and i

1347

01:05:11,829 --> 01:05:07,760

all i would do is drive down there sign

1348

01:05:13,829 --> 01:05:11,839

my name see if there was anything

1349

01:05:15,029 --> 01:05:13,839

and every day it was we got nothing for

1350

01:05:18,150 --> 01:05:15,039

you to go home you know

1351

01:05:23,750 --> 01:05:18,160

and and uh yeah so

1352

01:05:25,109 --> 01:05:23,760

we had i had paid like eight months

1353

01:05:27,430 --> 01:05:25,119

of course all that time they're running

1354

01:05:29,510 --> 01:05:27,440

the back good point chris you know

1355

01:05:31,510 --> 01:05:29,520

so seven months just for uh seven eight

1356

01:05:36,390 --> 01:05:31,520

months just for a security check

1357

01:05:40,470 --> 01:05:36,400

yeah and um

1358

01:05:43,829 --> 01:05:40,480

the clearance you got was a uh

1359

01:05:46,870 --> 01:05:43,839

a military grade clearance it was a

1360

01:05:49,990 --> 01:05:46,880

top secret clearance

1361

01:05:52,470 --> 01:05:50,000

and it had what they call an

1362

01:05:53,670 --> 01:05:52,480

sbi which is a security background

1363

01:05:58,309 --> 01:05:53,680

investigation

1364

01:06:01,910 --> 01:05:58,319

okay and then uh

1365

01:06:05,029 --> 01:06:04,150

in in in that particular mode when we

1366

01:06:08,390 --> 01:06:05,039

got accepted

1367

01:06:11,589 --> 01:06:08,400

and put in location then they would read

1368

01:06:15,910 --> 01:06:11,599

you in they would give you an sci

1369

01:06:17,990 --> 01:06:15,920

and then you had what they called a

1370

01:06:19,910 --> 01:06:18,000

special project or special program

1371

01:06:22,710 --> 01:06:19,920

access

1372

01:06:23,910 --> 01:06:22,720

and then because of the nature of what

1373

01:06:27,190 --> 01:06:23,920

we did

1374

01:06:29,829 --> 01:06:27,200

some of us had uh uh

1375

01:06:31,510 --> 01:06:29,839

crypto clearances but okay so just a

1376

01:06:33,829 --> 01:06:31,520

half books

1377

01:06:35,430 --> 01:06:33,839

what do you think of bob lazar's claim

1378

01:06:38,789 --> 01:06:35,440

that he had this

1379

01:06:41,990 --> 01:06:38,799

uh maj12 super

1380

01:06:47,349 --> 01:06:42,000

clearance that whole this this

1381

01:06:53,109 --> 01:06:47,359

is the biggest load of crap

1382

01:07:00,870 --> 01:06:57,510

you know now

1383

01:07:05,109 --> 01:07:00,880

i'm gonna tell you straight out yeah

1384

01:07:08,829 --> 01:07:07,270

that has to do with anything that has to

1385

01:07:11,430 --> 01:07:08,839

do with

1386

01:07:13,270 --> 01:07:11,440

extraterrestrial or anything like that

1387

01:07:15,349 --> 01:07:13,280

yeah

1388

01:07:17,109 --> 01:07:15,359

you know the the road to get back to

1389

01:07:20,390 --> 01:07:17,119

that he went like that

1390

01:07:23,109 --> 01:07:20,400

yeah is is atrocious gee

1391

01:07:24,549 --> 01:07:23,119

friends so there's no such thing as

1392

01:07:27,990 --> 01:07:24,559

majestic top

1393

01:07:31,430 --> 01:07:28,000

top secret and this from an actual

1394

01:07:32,950 --> 01:07:31,440

security guard at area 51. and

1395

01:07:34,870 --> 01:07:32,960

he believes that there's nothing

1396

01:07:37,190 --> 01:07:34,880

extraterrestrial or alien at the base

1397

01:07:39,589 --> 01:07:37,200

and he's been to every inch of it in his

1398

01:07:42,069 --> 01:07:39,599

10 years of time working there

1399

01:07:42,870 --> 01:07:42,079

now we're going to hear more substantial

1400

01:07:45,270 --> 01:07:42,880

proof

1401
01:07:46,630 --> 01:07:45,280
that bob lazar's story is completely and

1402
01:07:50,150 --> 01:07:46,640
totally bunk

1403
01:07:52,789 --> 01:07:50,160
because uh bob lazar claimed that he

1404
01:07:55,109 --> 01:07:52,799
drove and they drove him in a bus from

1405
01:07:58,470 --> 01:07:55,119
area 51 proper 15 miles

1406
01:08:00,549 --> 01:07:58,480
out to the papoose ultra secret s4 base

1407
01:08:02,390 --> 01:08:00,559
now we're going to hear why that is

1408
01:08:04,150 --> 01:08:02,400
impossible first of all he never stepped

1409
01:08:05,910 --> 01:08:04,160
foot on the base but even if he did he

1410
01:08:09,750 --> 01:08:05,920
couldn't have taken a bus here

1411
01:08:14,789 --> 01:08:09,760
to s4 and we're gonna hear why okay

1412
01:08:16,470 --> 01:08:14,799
you could no more get a bus of any type

1413
01:08:18,550 --> 01:08:16,480

up that road i mean there's a couple

1414

01:08:21,990 --> 01:08:18,560

spots in it that it

1415

01:08:22,309 --> 01:08:22,000

is tough you know there's there's no

1416

01:08:24,070 --> 01:08:22,319

good

1417

01:08:27,430 --> 01:08:24,080

maintained road that goes back in there

1418

01:08:30,630 --> 01:08:27,440

i mean is it unsealed dirt road is it

1419

01:08:31,110 --> 01:08:30,640

yeah it's just it's a very rough dirt

1420

01:08:37,189 --> 01:08:31,120

road

1421

01:08:43,829 --> 01:08:40,309

yeah no i agree i don't know

1422

01:08:46,870 --> 01:08:43,839

you know they yeah

1423

01:08:50,709 --> 01:08:46,880

i i'm conflicted you know this

1424

01:08:53,430 --> 01:08:50,719

the thing is i i really have a

1425

01:08:56,470 --> 01:08:53,440

a big heartburn about this situation

1426

01:09:03,110 --> 01:08:59,510

many of us got real sick yeah

1427

01:09:05,910 --> 01:09:03,120

because of it getting exposed to those

1428

01:09:06,630 --> 01:09:05,920

fumes from them burning that material

1429

01:09:13,269 --> 01:09:06,640

that

1430

01:09:15,189 --> 01:09:13,279

you know and and uh do you have some

1431

01:09:16,229 --> 01:09:15,199

kind of class action going on against

1432

01:09:20,070 --> 01:09:16,239

them or

1433

01:09:23,910 --> 01:09:20,080

well no the thing that that

1434

01:09:25,510 --> 01:09:23,920

is is something is is uh um

1435

01:09:27,110 --> 01:09:25,520

the actual individuals who are

1436

01:09:28,149 --> 01:09:27,120

responsible for that particular

1437

01:09:34,229 --> 01:09:28,159

installation

1438

01:09:37,510 --> 01:09:34,239

up until 1992 um

1439

01:09:41,669 --> 01:09:37,520

was the department of energy yeah

1440

01:09:44,070 --> 01:09:41,679

okay the the entity that was there

1441

01:09:46,149 --> 01:09:44,080

doing whatever they were doing nice to

1442

01:09:51,590 --> 01:09:46,159

see you rebecca

1443

01:09:58,229 --> 01:09:55,510

like a rancher huge father i'm saying

1444

01:09:59,270 --> 01:09:58,239

the the physical installation and the

1445

01:10:02,310 --> 01:09:59,280

property

1446

01:10:03,910 --> 01:10:02,320

at that time the real estate belonged to

1447

01:10:06,310 --> 01:10:03,920

the department of energy and they were

1448

01:10:09,830 --> 01:10:06,320

the individuals that were responsible

1449

01:10:14,390 --> 01:10:09,840

for what occurred there

1450

01:10:16,310 --> 01:10:14,400

yes friends so uh the rest of this

1451

01:10:18,149 --> 01:10:16,320

video which really i think anybody

1452

01:10:20,310 --> 01:10:18,159

interested in area 51 you really should

1453

01:10:22,870 --> 01:10:20,320

hear the whole thing but our

1454

01:10:24,070 --> 01:10:22,880

our real focus tonight was on this

1455

01:10:29,030 --> 01:10:24,080

incredible

1456

01:10:29,750 --> 01:10:29,040

bob lazar never stepped foot on area 51

1457

01:10:32,310 --> 01:10:29,760

that there's nothing

1458

01:10:32,790 --> 01:10:32,320

alien or extraterrestrial there that he

1459

01:10:35,590 --> 01:10:32,800

couldn't

1460

01:10:36,070 --> 01:10:35,600

have taken a bus to the area that he

1461

01:10:38,709 --> 01:10:36,080

said

1462

01:10:41,030 --> 01:10:38,719

he did because the road is so atrocious

1463

01:10:42,830 --> 01:10:41,040

that no bus could make it 15 miles

1464

01:10:45,830 --> 01:10:42,840

through this

1465

01:10:48,630 --> 01:10:45,840

rocky dirty dirt

1466

01:10:50,070 --> 01:10:48,640

road and calling it a road as a stretch

1467

01:10:51,910 --> 01:10:50,080

you could see it in satellite maps

1468

01:10:53,110 --> 01:10:51,920

there's no way a bus is making it

1469

01:10:55,590 --> 01:10:53,120

through there

1470

01:10:57,270 --> 01:10:55,600

so most of the relative relevant

1471

01:10:59,189 --> 01:10:57,280

information of this very important

1472

01:11:01,270 --> 01:10:59,199

interview concerning bob lazar

1473

01:11:02,470 --> 01:11:01,280

we have listened to now the rest of the

1474

01:11:05,350 --> 01:11:02,480

interview

1475

01:11:07,350 --> 01:11:05,360

majorly concerns uh this gentleman's

1476

01:11:09,669 --> 01:11:07,360

fight against the us government for his

1477

01:11:11,750 --> 01:11:09,679

health problems he is suing them

1478

01:11:13,350 --> 01:11:11,760

for having health problems related to

1479

01:11:16,229 --> 01:11:13,360

these burn pits

1480

01:11:17,990 --> 01:11:16,239

and that my friends may be a story for

1481

01:11:21,669 --> 01:11:18,000

another time

1482

01:11:23,030 --> 01:11:21,679

let's friends uh let me do this because

1483

01:11:25,510 --> 01:11:23,040

i think this is the most

1484

01:11:27,189 --> 01:11:25,520

important interview about area 51 that

1485

01:11:29,669 --> 01:11:27,199

i've heard in a decade

1486

01:11:30,709 --> 01:11:29,679

the most revealing especially when it

1487

01:11:34,149 --> 01:11:30,719

comes to the bob

1488

01:11:36,070 --> 01:11:34,159

lazar case and how ridiculous it is

1489

01:11:37,990 --> 01:11:36,080

for anybody to believe that bob lazar

1490

01:11:40,630 --> 01:11:38,000

worked there when

1491

01:11:43,110 --> 01:11:40,640

he's never stepped foot on the base

1492

01:11:45,510 --> 01:11:43,120

according to real area 51 security guard

1493

01:11:47,990 --> 01:11:45,520

here who has checked all the logs

1494

01:11:48,630 --> 01:11:48,000

friends it's a top secret base everyone

1495

01:11:51,350 --> 01:11:48,640

going in and

1496

01:11:53,430 --> 01:11:51,360

out of there i guarantee you is logged

1497

01:11:55,590 --> 01:11:53,440

bob lazar's name does not appear

1498

01:11:56,630 --> 01:11:55,600

in any of the records or the historical

1499

01:12:00,070 --> 01:11:56,640

records

1500

01:12:02,550 --> 01:12:00,080

period he never stepped foot on

1501

01:12:04,709 --> 01:12:02,560

area 51. here's what i'm going to do

1502

01:12:07,189 --> 01:12:04,719

because honestly i have to apologize to

1503

01:12:09,030 --> 01:12:07,199

mr cagliari i forgot to do this

1504

01:12:11,350 --> 01:12:09,040

terrible show host so we're going to

1505

01:12:14,149 --> 01:12:11,360

stop this here

1506

01:12:14,630 --> 01:12:14,159

just bear with me for a moment friends

1507

01:12:17,669 --> 01:12:14,640

because

1508

01:12:21,510 --> 01:12:17,679

i have to do this right now before

1509

01:12:30,070 --> 01:12:21,520

before friends i forget to do it

1510

01:12:33,510 --> 01:12:31,669

anthony purcell says that's what i'm

1511

01:12:35,510 --> 01:12:33,520

saying where is the super secret element

1512

01:12:37,030 --> 01:12:35,520

he stole and george knapp famously said

1513

01:12:38,550 --> 01:12:37,040

he knew where some of it was buried and

1514

01:12:40,310 --> 01:12:38,560

someday he's going to dig it up and

1515

01:12:41,830 --> 01:12:40,320

prove the whole story is real

1516

01:12:43,430 --> 01:12:41,840

sure he is he's been sitting on that for

1517

01:12:45,030 --> 01:12:43,440

35 years he has

1518

01:12:46,470 --> 01:12:45,040

absolute proof bob azar is telling the

1519

01:12:48,630 --> 01:12:46,480

truth he is absolute proof of

1520

01:12:49,830 --> 01:12:48,640

extraterrestrial visitation to earth

1521

01:12:51,590 --> 01:12:49,840

but he's not going to run with that

1522

01:12:52,870 --> 01:12:51,600

story he's just going to leave it buried

1523

01:12:54,709 --> 01:12:52,880

sure

1524

01:12:57,590 --> 01:12:54,719

all right friends so please bear with me

1525

01:13:00,310 --> 01:12:57,600

for just a moment

1526

01:13:01,590 --> 01:13:00,320

i am going to post the link here to the

1527

01:13:04,550 --> 01:13:01,600

to victor's original

1528

01:13:12,149 --> 01:13:04,560

interview in the description box below

1529

01:13:16,070 --> 01:13:14,550

and all those who are interested i

1530

01:13:16,790 --> 01:13:16,080

highly encourage you to listen to the

1531

01:13:19,430 --> 01:13:16,800

whole thing

1532

01:13:20,550 --> 01:13:19,440

i just thought that for purposes of time

1533

01:13:22,950 --> 01:13:20,560

tonight we would focus

1534

01:13:23,990 --> 01:13:22,960

solely on the evidence relevant to bob

1535

01:13:25,990 --> 01:13:24,000

lazar

1536

01:13:27,189 --> 01:13:26,000

i believe friends that this is

1537

01:13:29,669 --> 01:13:27,199

definitive proof

1538

01:13:31,350 --> 01:13:29,679

that bob lazar never ever stepped foot

1539

01:13:33,990 --> 01:13:31,360

on area 51.

1540

01:13:34,950 --> 01:13:34,000

now you can see my previous videos here

1541

01:13:37,430 --> 01:13:34,960

we've done

1542

01:13:38,390 --> 01:13:37,440

many different explorations into this

1543

01:13:41,270 --> 01:13:38,400

case

1544

01:13:41,669 --> 01:13:41,280

and each time i do that we tend to find

1545

01:13:45,350 --> 01:13:41,679

more

1546

01:13:46,229 --> 01:13:45,360

evidence that supports the argument that

1547

01:13:49,669 --> 01:13:46,239

bob lazar

1548

01:13:52,310 --> 01:13:49,679

was an opportunist bankrupt fraud

1549

01:13:54,550 --> 01:13:52,320

who created this story to make money

1550

01:13:57,270 --> 01:13:54,560

after all it should also be noted

1551

01:13:59,189 --> 01:13:57,280

that right before bob lazar came out

1552

01:14:01,030 --> 01:13:59,199

with his story he and jean huff did a

1553

01:14:01,669 --> 01:14:01,040

real estate appraisal at john lear's

1554

01:14:04,149 --> 01:14:01,679

house

1555

01:14:05,189 --> 01:14:04,159

and what did gene huff get for that he

1556

01:14:08,709 --> 01:14:05,199

got traded

1557

01:14:11,510 --> 01:14:08,719

all of john lear's material on

1558

01:14:12,470 --> 01:14:11,520

billy meyer and friends it's no

1559

01:14:19,590 --> 01:14:12,480

coincidence

1560

01:14:20,310 --> 01:14:19,600

bob lazar's flying saucer he claimed to

1561

01:14:23,590 --> 01:14:20,320

work on

1562

01:14:26,790 --> 01:14:23,600

looks virtually identical to

1563

01:14:30,310 --> 01:14:26,800

the flying saucers that billy meyer his

1564

01:14:32,070 --> 01:14:30,320

beam ship right and bob lazar

1565

01:14:33,830 --> 01:14:32,080

and jean hoff sat around watching all

1566

01:14:36,229 --> 01:14:33,840

those billy meyer videos

1567

01:14:37,910 --> 01:14:36,239

and going through all those billy meyer

1568

01:14:40,149 --> 01:14:37,920

books and pictures

1569

01:14:41,110 --> 01:14:40,159

and suddenly bob lazar is working at

1570

01:14:42,870 --> 01:14:41,120

area 51

1571

01:14:45,510 --> 01:14:42,880

working on a spaceship that looks

1572

01:14:47,110 --> 01:14:45,520

exactly like billy myers and billy meyer

1573

01:14:50,870 --> 01:14:47,120

is a complete and total

1574

01:14:53,030 --> 01:14:50,880

proven hoaxer fraudster so

1575

01:14:54,550 --> 01:14:53,040

you know i find that compelling evidence

1576

01:14:56,550 --> 01:14:54,560

gee right before

1577

01:14:58,950 --> 01:14:56,560

he comes out with a story gene huff and

1578

01:15:00,149 --> 01:14:58,960

him get all the billy meyer material

1579

01:15:02,470 --> 01:15:00,159

from john lear

1580

01:15:04,390 --> 01:15:02,480

and john lear has said a lot of stuff

1581

01:15:05,750 --> 01:15:04,400

one other point i just want to make sure

1582

01:15:07,669 --> 01:15:05,760

that i make is that

1583

01:15:09,030 --> 01:15:07,679

since the beginning of this bob lazar

1584

01:15:09,990 --> 01:15:09,040

and his supporters have claimed that he

1585

01:15:12,270 --> 01:15:10,000

doesn't make any money

1586

01:15:13,750 --> 01:15:12,280

from this friends he sold a video for

1587

01:15:15,350 --> 01:15:13,760

29.95 called

1588

01:15:17,270 --> 01:15:15,360

excerpts from the government bible it's

1589

01:15:18,310 --> 01:15:17,280

here on our channel you can watch it for

1590

01:15:20,790 --> 01:15:18,320

free

1591

01:15:22,310 --> 01:15:20,800

but when i was a kid i got robbed for i

1592

01:15:24,550 --> 01:15:22,320

think 29.95

1593

01:15:27,750 --> 01:15:24,560

plus shipping and handling i ordered the

1594

01:15:29,990 --> 01:15:27,760

video came on vhs it was in the back of

1595

01:15:31,030 --> 01:15:30,000

i'm not sure if it was omni or popular

1596

01:15:33,830 --> 01:15:31,040

science magazine

1597

01:15:35,990 --> 01:15:33,840

in the classifieds learn the truth about

1598

01:15:39,430 --> 01:15:36,000

the ufo cover-up

1599

01:15:41,030 --> 01:15:39,440

and so bob lazar owes me 29.95

1600

01:15:42,470 --> 01:15:41,040

because i don't believe that his story

1601

01:15:44,310 --> 01:15:42,480

is true and by the way i want the

1602

01:15:47,189 --> 01:15:44,320

interest too it's been a long time bob

1603

01:15:49,669 --> 01:15:47,199

lazar you owe me 29.95

1604

01:15:51,430 --> 01:15:49,679

next bob lazar cashed in with testers

1605

01:15:53,350 --> 01:15:51,440

model corporation and he got

1606

01:15:54,870 --> 01:15:53,360

a substantial upfront payment for

1607

01:15:56,950 --> 01:15:54,880

allowing them to make a model

1608

01:15:58,950 --> 01:15:56,960

of the alien flying saucer he claims he

1609

01:16:01,669 --> 01:15:58,960

worked on and he got a royalty

1610

01:16:02,470 --> 01:16:01,679

for each unit sold various sources have

1611

01:16:06,470 --> 01:16:02,480

told me

1612

01:16:10,070 --> 01:16:06,480

they sold millions of that model

1613

01:16:10,950 --> 01:16:10,080

next very recently for the 25th

1614

01:16:13,830 --> 01:16:10,960

anniversary

1615

01:16:15,910 --> 01:16:13,840

george knapp got bob lazar a huge payout

1616

01:16:19,510 --> 01:16:15,920

and he appeared at a conference

1617

01:16:23,430 --> 01:16:19,520

and was paid a whopping 25 000

1618

01:16:25,669 --> 01:16:23,440

fee for one appearance now to his credit

1619

01:16:29,110 --> 01:16:25,679

i suppose bob azar never did

1620

01:16:30,950 --> 01:16:29,120

really work a lot of ufo conferences

1621

01:16:33,270 --> 01:16:30,960

i think that he was working a bigger

1622

01:16:35,030 --> 01:16:33,280

angle like the hollywood screenplay that

1623

01:16:37,669 --> 01:16:35,040

he and jean huff tried to sell

1624

01:16:39,510 --> 01:16:37,679

to hollywood but that didn't work out

1625

01:16:41,910 --> 01:16:39,520

and most recently friends

1626

01:16:43,910 --> 01:16:41,920

i'm told from several sources and i

1627

01:16:44,310 --> 01:16:43,920

can't there's no way for me to verify

1628

01:16:46,070 --> 01:16:44,320

this

1629

01:16:47,350 --> 01:16:46,080

but i'm just going to say it and you can

1630

01:16:51,350 --> 01:16:47,360

believe what you will

1631

01:16:54,390 --> 01:16:51,360

do your own research but tom delong

1632

01:16:57,030 --> 01:16:54,400

is the publisher of bob lazar's new book

1633

01:16:58,790 --> 01:16:57,040

right but tom delong tried to hide that

1634

01:16:59,590 --> 01:16:58,800

he was the publisher at least i believe

1635

01:17:01,350 --> 01:16:59,600

that he did

1636

01:17:03,910 --> 01:17:01,360

because a brand new publisher came out

1637

01:17:05,830 --> 01:17:03,920

of nowhere to publish bob lazar's book

1638

01:17:07,189 --> 01:17:05,840

and myself and many other people checked

1639

01:17:10,070 --> 01:17:07,199

on that website and we

1640

01:17:12,709 --> 01:17:10,080

found out that the register of the

1641

01:17:15,990 --> 01:17:12,719

publisher's website for bob lazar's book

1642

01:17:18,229 --> 01:17:16,000

was indeed tom delong's sister now

1643

01:17:20,149 --> 01:17:18,239

i'm told from several people and there's

1644

01:17:22,390 --> 01:17:20,159

lots of rumors floating around about how

1645

01:17:24,149 --> 01:17:22,400

much money bob lazar got paid

1646

01:17:26,070 --> 01:17:24,159

but i've been told by many people and

1647

01:17:26,709 --> 01:17:26,080

heard many rumors that it is seven

1648

01:17:30,149 --> 01:17:26,719

figures

1649

01:17:33,030 --> 01:17:30,159

a million plus he got paid for that book

1650

01:17:34,950 --> 01:17:33,040

the book deal and uh you know it's

1651
01:17:35,350 --> 01:17:34,960
reasonable to assume that that may be

1652
01:17:37,270 --> 01:17:35,360
true

1653
01:17:38,470 --> 01:17:37,280
because shortly after bob lazar's book

1654
01:17:41,030 --> 01:17:38,480
came out he bought

1655
01:17:42,630 --> 01:17:41,040
something like a half million dollar new

1656
01:17:44,870 --> 01:17:42,640
home

1657
01:17:46,070 --> 01:17:44,880
and property with multiple outbuildings

1658
01:17:49,350 --> 01:17:46,080
etc

1659
01:17:51,430 --> 01:17:49,360
uh not a cheap new house you know half a

1660
01:17:53,270 --> 01:17:51,440
million dollars is a lot of money

1661
01:17:55,430 --> 01:17:53,280
for bob lazar to just suddenly come up

1662
01:17:57,830 --> 01:17:55,440
with and buy a new home

1663
01:17:59,430 --> 01:17:57,840

now in his defense you know maybe he

1664

01:18:00,229 --> 01:17:59,440

just put a down payment down he's got a

1665

01:18:03,189 --> 01:18:00,239

big mortgage

1666

01:18:05,510 --> 01:18:03,199

i don't know but bob lazar won't answer

1667

01:18:06,229 --> 01:18:05,520

any questions about how much money he's

1668

01:18:08,149 --> 01:18:06,239

made

1669

01:18:09,750 --> 01:18:08,159

with these stories george knapp

1670

01:18:11,270 --> 01:18:09,760

certainly won't answer any questions

1671

01:18:12,070 --> 01:18:11,280

about how much money he's made with

1672

01:18:15,189 --> 01:18:12,080

these stories

1673

01:18:15,830 --> 01:18:15,199

and jeremy corbell won't answer any

1674

01:18:17,830 --> 01:18:15,840

questions

1675

01:18:19,669 --> 01:18:17,840

about how much money he's made selling

1676

01:18:22,630 --> 01:18:19,679

this story

1677

01:18:23,590 --> 01:18:22,640

so what we get friends is the supporters

1678

01:18:26,149 --> 01:18:23,600

of bob lazar

1679

01:18:27,750 --> 01:18:26,159

all making money you know and they love

1680

01:18:30,709 --> 01:18:27,760

to attack people who present

1681

01:18:31,590 --> 01:18:30,719

evidence that babazar may be not telling

1682

01:18:35,030 --> 01:18:31,600

the truth

1683

01:18:38,229 --> 01:18:35,040

and there's there's certainly

1684

01:18:40,229 --> 01:18:38,239

a lie of omission thing going on like

1685

01:18:42,070 --> 01:18:40,239

maybe george knapp's not lying to you

1686

01:18:43,590 --> 01:18:42,080

he tells a compelling story i've

1687

01:18:46,149 --> 01:18:43,600

listened to almost every

1688

01:18:47,910 --> 01:18:46,159

george knapp giving a lecture or talking

1689

01:18:48,709 --> 01:18:47,920

about this case or doing a story about

1690

01:18:51,910 --> 01:18:48,719

this case

1691

01:18:53,510 --> 01:18:51,920

for 35 years he's very convincing but

1692

01:18:54,149 --> 01:18:53,520

one problem i always have with george

1693

01:18:56,630 --> 01:18:54,159

knapp is

1694

01:18:58,310 --> 01:18:56,640

we've heard in this interview of an area

1695

01:19:01,830 --> 01:18:58,320

51 security guard

1696

01:19:04,550 --> 01:19:01,840

knapp and says

1697

01:19:05,510 --> 01:19:04,560

george knapp you may not want to get get

1698

01:19:07,590 --> 01:19:05,520

in with this guy

1699

01:19:10,229 --> 01:19:07,600

it'll damage your reputation we checked

1700

01:19:11,350 --> 01:19:10,239

the area 51 logs of everybody going in

1701

01:19:14,229 --> 01:19:11,360

and out and

1702

01:19:15,669 --> 01:19:14,239

bob lazar is not on the list so he's

1703

01:19:18,470 --> 01:19:15,679

fake he's a fraud he

1704

01:19:18,870 --> 01:19:18,480

never ever worked at area 51 let alone

1705

01:19:23,430 --> 01:19:18,880

ever

1706

01:19:27,189 --> 01:19:23,440

this guy tells george knapp

1707

01:19:30,470 --> 01:19:27,199

did george knapp ever report that

1708

01:19:33,750 --> 01:19:30,480

of course not because george knapp

1709

01:19:38,550 --> 01:19:33,760

jeremy corbell and bob lazar

1710

01:19:41,030 --> 01:19:38,560

never show people the evidence

1711

01:19:43,030 --> 01:19:41,040

the counter argument here they're all

1712

01:19:43,830 --> 01:19:43,040

pro lazar he's telling the truth and we

1713

01:19:46,630 --> 01:19:43,840

believe him

1714

01:19:47,430 --> 01:19:46,640

he must be telling the truth for various

1715

01:19:50,870 --> 01:19:47,440

weak

1716

01:19:53,510 --> 01:19:50,880

evidence reasons why

1717

01:19:55,910 --> 01:19:53,520

no friends bob lazar cannot prove that

1718

01:19:57,350 --> 01:19:55,920

he ever worked at area 51 and in fact

1719

01:20:00,950 --> 01:19:57,360

there is substantial

1720

01:20:04,229 --> 01:20:00,960

definitive supportive evidence that he

1721

01:20:06,550 --> 01:20:04,239

never worked at area 51 and we've heard

1722

01:20:07,270 --> 01:20:06,560

just some of it tonight and friends it

1723

01:20:09,430 --> 01:20:07,280

would take me

1724

01:20:10,870 --> 01:20:09,440

five hours to go through all of the

1725

01:20:14,310 --> 01:20:10,880

other evidence but there is

1726

01:20:17,110 --> 01:20:14,320

other videos here on my channel

1727

01:20:18,950 --> 01:20:17,120

now there is uh something that i need to

1728

01:20:21,189 --> 01:20:18,960

do

1729

01:20:22,149 --> 01:20:21,199

there's one final point some of you may

1730

01:20:26,550 --> 01:20:22,159

have seen

1731

01:20:29,590 --> 01:20:26,560

our uh previous video today

1732

01:20:31,510 --> 01:20:29,600

we did a video today which was all about

1733

01:20:33,669 --> 01:20:31,520

another one of jeremy corbell's fake

1734

01:20:34,470 --> 01:20:33,679

stories i believe that bob lazar is a

1735

01:20:36,470 --> 01:20:34,480

fake story

1736

01:20:38,149 --> 01:20:36,480

i'm entitled to my opinion and my

1737

01:20:38,950 --> 01:20:38,159

opinion is that bob lazar is a fake

1738

01:20:41,350 --> 01:20:38,960

story

1739

01:20:43,030 --> 01:20:41,360

and the only people that are telling you

1740

01:20:44,709 --> 01:20:43,040

that bob lazar is telling the truth

1741

01:20:46,870 --> 01:20:44,719

are people with a direct financial

1742

01:20:49,110 --> 01:20:46,880

motive to continue selling a story who

1743

01:20:50,950 --> 01:20:49,120

have been selling a story for years

1744

01:20:52,550 --> 01:20:50,960

as in the case of george knapp and

1745

01:20:55,030 --> 01:20:52,560

jeremy corbell

1746

01:20:56,550 --> 01:20:55,040

they're making money selling this story

1747

01:20:59,270 --> 01:20:56,560

right

1748

01:20:59,990 --> 01:20:59,280

so they're telling you the story is real

1749

01:21:02,149 --> 01:21:00,000

while at the same

1750

01:21:03,669 --> 01:21:02,159

time leaving out all the evidence that

1751

01:21:05,270 --> 01:21:03,679

the story may be fake

1752

01:21:07,030 --> 01:21:05,280

why don't they be fair and present

1753

01:21:09,030 --> 01:21:07,040

evidence like we did tonight

1754

01:21:10,629 --> 01:21:09,040

why don't they be fair and talk about

1755

01:21:13,510 --> 01:21:10,639

this kind of evidence

1756

01:21:15,430 --> 01:21:13,520

no friends if you're bold enough to ask

1757

01:21:16,229 --> 01:21:15,440

these important questions to either

1758

01:21:18,310 --> 01:21:16,239

george knapp

1759

01:21:19,270 --> 01:21:18,320

good luck reaching bob lazar nobody gets

1760

01:21:22,870 --> 01:21:19,280

access

1761

01:21:24,149 --> 01:21:22,880

or uh jeremy corbell you'll get blocked

1762

01:21:26,470 --> 01:21:24,159

on social media

1763

01:21:27,910 --> 01:21:26,480

actually that's not accurate i have a

1764

01:21:29,189 --> 01:21:27,920

little more respect for george and app

1765

01:21:31,750 --> 01:21:29,199

because george knapp will at least

1766

01:21:32,870 --> 01:21:31,760

engage with you he'll answer questions

1767

01:21:35,030 --> 01:21:32,880

sometimes he'll

1768

01:21:35,990 --> 01:21:35,040

comment on something that you found or

1769

01:21:38,149 --> 01:21:36,000

did

1770

01:21:40,229 --> 01:21:38,159

uh usually to tell you how wrong you are

1771

01:21:42,870 --> 01:21:40,239

but at least george knapp is open to a

1772

01:21:45,990 --> 01:21:42,880

conversation and he does not block me

1773

01:21:47,669 --> 01:21:46,000

or you know i've had several heated

1774

01:21:50,149 --> 01:21:47,679

exchanges with george knapp most

1775

01:21:52,629 --> 01:21:50,159

recently when we investigated the claim

1776

01:21:54,149 --> 01:21:52,639

that the bob lazar's business was being

1777

01:21:55,510 --> 01:21:54,159

raided so that they could find the

1778

01:21:58,629 --> 01:21:55,520

element 115

1779

01:22:01,030 --> 01:21:58,639

no friends it was a murder investigation

1780

01:22:03,030 --> 01:22:01,040

it had nothing to do with bob lazar's

1781

01:22:04,149 --> 01:22:03,040

flying saucer stories and we talked to

1782

01:22:06,709 --> 01:22:04,159

the sheriff

1783

01:22:08,629 --> 01:22:06,719

who disputed an incredible amount of

1784

01:22:11,830 --> 01:22:08,639

things that both george knapp

1785

01:22:13,189 --> 01:22:11,840

and jeremy corbell said happened during

1786

01:22:16,229 --> 01:22:13,199

that raid

1787

01:22:17,430 --> 01:22:16,239

none of that happened it's a fantasy and

1788

01:22:19,990 --> 01:22:17,440

they used

1789

01:22:21,750 --> 01:22:20,000

you know it was very uh very

1790

01:22:24,709 --> 01:22:21,760

opportunistic

1791

01:22:26,870 --> 01:22:24,719

jeremy corbell used a real fbi raid on

1792

01:22:27,669 --> 01:22:26,880

bob lazar's business to help sell his

1793

01:22:29,669 --> 01:22:27,679

film

1794

01:22:31,990 --> 01:22:29,679

gee they raided his business and there

1795

01:22:33,590 --> 01:22:32,000

was 40 agents going through every inch

1796

01:22:35,590 --> 01:22:33,600

of the place no that didn't happen there

1797

01:22:38,229 --> 01:22:35,600

was 10 or 11 agents

1798

01:22:39,910 --> 01:22:38,239

right and they didn't go through every

1799

01:22:41,750 --> 01:22:39,920

inch they went there they got the sales

1800

01:22:44,390 --> 01:22:41,760

records they were after

1801

01:22:46,229 --> 01:22:44,400

uh bob lazar was selling a rare

1802

01:22:48,950 --> 01:22:46,239

radioactive element that may

1803

01:22:49,350 --> 01:22:48,960

or may not have let's just say allegedly

1804

01:22:53,189 --> 01:22:49,360

been

1805

01:22:55,590 --> 01:22:53,199

involved in a murder case right

1806

01:22:56,790 --> 01:22:55,600

so you know we've got the people here

1807

01:22:59,030 --> 01:22:56,800

that are

1808

01:23:00,149 --> 01:22:59,040

always selling the story they won't give

1809

01:23:02,470 --> 01:23:00,159

you the

1810

01:23:04,390 --> 01:23:02,480

the counter argument they won't show you

1811

01:23:06,629 --> 01:23:04,400

the other side of the coin

1812

01:23:08,149 --> 01:23:06,639

and i think it's about time that

1813

01:23:10,870 --> 01:23:08,159

somebody did

1814

01:23:11,430 --> 01:23:10,880

show you the other side of the coin now

1815

01:23:13,510 --> 01:23:11,440

uh

1816

01:23:15,430 --> 01:23:13,520

jeremy corbell has also been involved in

1817

01:23:17,830 --> 01:23:15,440

another story that i believe is a

1818

01:23:20,310 --> 01:23:17,840

complete and total fantasy and fake

1819

01:23:21,750 --> 01:23:20,320

and that is the c i deathbed confession

1820

01:23:24,790 --> 01:23:21,760

him and richard dolan

1821

01:23:28,709 --> 01:23:24,800

did that story and it involves a man

1822

01:23:31,669 --> 01:23:28,719

cooper a source that the queen

1823

01:23:33,830 --> 01:23:31,679

of fake sources linda molten hal milked

1824

01:23:36,310 --> 01:23:33,840

for years all throughout the 90s doing

1825

01:23:40,070 --> 01:23:36,320

all these interviews with him

1826

01:23:41,830 --> 01:23:40,080

friends most

1827

01:23:43,430 --> 01:23:41,840

you know i'll be fair and say some of

1828

01:23:45,990 --> 01:23:43,440

linda milton howe's sources

1829

01:23:48,550 --> 01:23:46,000

are completely totally made up you know

1830

01:23:50,149 --> 01:23:48,560

her spartan 1 and spartan 2 or spartan 8

1831

01:23:51,270 --> 01:23:50,159

i don't know how many spartans she has

1832

01:23:53,110 --> 01:23:51,280

now it sounds like

1833

01:23:55,510 --> 01:23:53,120

every time she needs a new story to sell

1834

01:23:57,910 --> 01:23:55,520

she invents a new spartan guy

1835

01:23:58,950 --> 01:23:57,920

uh they were claimed to be navy seals

1836

01:24:02,229 --> 01:23:58,960

turns out that they

1837

01:24:04,229 --> 01:24:02,239

were never in the navy so it's not a

1838

01:24:04,629 --> 01:24:04,239

stretch to believe that linda moulton

1839

01:24:07,270 --> 01:24:04,639

has

1840

01:24:09,110 --> 01:24:07,280

sources many of which have fake military

1841

01:24:09,830 --> 01:24:09,120

backgrounds and this cooper being one of

1842

01:24:13,750 --> 01:24:09,840

her sources

1843

01:24:16,470 --> 01:24:13,760

is a fraud now i have said

1844

01:24:18,629 --> 01:24:16,480

uh you know and i've asked richard dolan

1845

01:24:20,229 --> 01:24:18,639

i try to ask him directly through emails

1846

01:24:21,910 --> 01:24:20,239

and tweets and other things he's never

1847

01:24:23,669 --> 01:24:21,920

answered answered my question

1848

01:24:26,229 --> 01:24:23,679

so you could see a previous video we did

1849

01:24:28,070 --> 01:24:26,239

today we got somebody else to ask him

1850

01:24:28,629 --> 01:24:28,080

the questions that he will never answer

1851
01:24:30,709 --> 01:24:28,639
from me

1852
01:24:32,310 --> 01:24:30,719
and he appeared on this theories of

1853
01:24:33,750 --> 01:24:32,320
everything show and i want to thank kurt

1854
01:24:35,830 --> 01:24:33,760
he's a very courageous

1855
01:24:37,110 --> 01:24:35,840
young man asked him some very hard

1856
01:24:39,750 --> 01:24:37,120
questions

1857
01:24:40,550 --> 01:24:39,760
and in that interview now it's important

1858
01:24:43,270 --> 01:24:40,560
to remember that

1859
01:24:43,990 --> 01:24:43,280
richard dolan says in this video that

1860
01:24:46,950 --> 01:24:44,000
corbell and him

1861
01:24:48,629 --> 01:24:46,960
made he was in the military he is who he

1862
01:24:51,910 --> 01:24:48,639
says he is

1863
01:24:55,910 --> 01:24:51,920

he worked for the cia so i say where

1864

01:24:57,910 --> 01:24:55,920

where's the proof now uh interestingly

1865

01:24:59,830 --> 01:24:57,920

earlier i want to remind just in case

1866

01:25:02,229 --> 01:24:59,840

he's watching mr corbell

1867

01:25:03,510 --> 01:25:02,239

you blocked me some time ago because you

1868

01:25:05,350 --> 01:25:03,520

didn't like

1869

01:25:07,350 --> 01:25:05,360

the questions that i was asking about

1870

01:25:09,350 --> 01:25:07,360

your bob lazar so-called documentary

1871

01:25:10,950 --> 01:25:09,360

that i believe to be a pro-lazar

1872

01:25:13,750 --> 01:25:10,960

propaganda piece

1873

01:25:15,270 --> 01:25:13,760

uh solely designed he's not corbell

1874

01:25:16,629 --> 01:25:15,280

you're not after the truth you're after

1875

01:25:18,629 --> 01:25:16,639

selling the story

1876

01:25:20,390 --> 01:25:18,639

if you were after the truth you would

1877

01:25:22,550 --> 01:25:20,400

have presented all the evidence that bob

1878

01:25:24,950 --> 01:25:22,560

lazar's education is fake and it's

1879

01:25:26,149 --> 01:25:24,960

it's out there and it's been out there

1880

01:25:27,430 --> 01:25:26,159

for years

1881

01:25:29,990 --> 01:25:27,440

you would have presented all the

1882

01:25:31,590 --> 01:25:30,000

evidence that he didn't work at los

1883

01:25:33,590 --> 01:25:31,600

almos as a scientist he was an

1884

01:25:35,030 --> 01:25:33,600

electronics technician that evidence has

1885

01:25:36,229 --> 01:25:35,040

been out there for years why didn't you

1886

01:25:39,510 --> 01:25:36,239

include that

1887

01:25:42,470 --> 01:25:39,520

in your documentary right

1888

01:25:43,189 --> 01:25:42,480

it's it's a lie by omission friends it

1889

01:25:47,110 --> 01:25:43,199

is a lie

1890

01:25:50,229 --> 01:25:47,120

by omission uh but uh you know there's

1891

01:25:51,750 --> 01:25:50,239

this video that we made recently uh and

1892

01:25:53,990 --> 01:25:51,760

what we did is we

1893

01:25:55,350 --> 01:25:54,000

uh went back and forth between richard

1894

01:25:57,270 --> 01:25:55,360

dolan saying

1895

01:25:58,950 --> 01:25:57,280

this man was in the military this man is

1896

01:26:02,149 --> 01:25:58,960

who he says he is

1897

01:26:04,550 --> 01:26:02,159

to dolan's recent interview where he was

1898

01:26:08,070 --> 01:26:04,560

asked about this and confronted

1899

01:26:09,430 --> 01:26:08,080

and he said richard dolan said i i never

1900

01:26:11,990 --> 01:26:09,440

did a background check

1901

01:26:13,430 --> 01:26:12,000

i never yeah i didn't vet him no you

1902

01:26:16,390 --> 01:26:13,440

know somebody asked me to do the

1903

01:26:18,709 --> 01:26:16,400

interview and he blamed other people

1904

01:26:21,189 --> 01:26:18,719

for what just may be one of the biggest

1905

01:26:23,590 --> 01:26:21,199

fake stories in ufo land

1906

01:26:24,229 --> 01:26:23,600

so you know and it was me who asked the

1907

01:26:25,910 --> 01:26:24,239

questions

1908

01:26:27,830 --> 01:26:25,920

he was on another show the other show

1909

01:26:28,629 --> 01:26:27,840

host offered to ask some questions from

1910

01:26:31,669 --> 01:26:28,639

me

1911

01:26:33,750 --> 01:26:31,679

and did so uh richard dolan also took

1912

01:26:35,590 --> 01:26:33,760

what is it about 25 or 30 minutes to

1913

01:26:37,030 --> 01:26:35,600

explain why the wilson documents aren't

1914

01:26:38,470 --> 01:26:37,040

fake i'm sorry

1915

01:26:40,310 --> 01:26:38,480

but the person mentioned in those

1916

01:26:42,070 --> 01:26:40,320

documents claims they are completely and

1917

01:26:42,629 --> 01:26:42,080

totally fictitious and he couldn't even

1918

01:26:44,070 --> 01:26:42,639

have been

1919

01:26:45,910 --> 01:26:44,080

in the state at the time that the

1920

01:26:48,790 --> 01:26:45,920

meetings in the wilson documents

1921

01:26:49,110 --> 01:26:48,800

were supposedly supposed to take place

1922

01:26:51,350 --> 01:26:49,120

so

1923

01:26:53,110 --> 01:26:51,360

anyway i want to remind jeremy corbell

1924

01:26:54,629 --> 01:26:53,120

you can't tweet at me when you've

1925

01:26:56,310 --> 01:26:54,639

blocked me i won't see it

1926

01:26:58,550 --> 01:26:56,320

and i can't reply to you when you've

1927

01:26:59,430 --> 01:26:58,560

blocked me i won't be able to you won't

1928

01:27:02,550 --> 01:26:59,440

see it

1929

01:27:04,790 --> 01:27:02,560

uh but somebody else sent me this and

1930

01:27:06,149 --> 01:27:04,800

and this is jeremy corbell's comment on

1931

01:27:09,510 --> 01:27:06,159

our uh

1932

01:27:13,189 --> 01:27:09,520

on our video our previous video here

1933

01:27:14,390 --> 01:27:13,199

uh one second friends uh a little out of

1934

01:27:15,910 --> 01:27:14,400

sorts let me get this

1935

01:27:18,070 --> 01:27:15,920

and share it with you because it's

1936

01:27:19,990 --> 01:27:18,080

important so we did a video earlier

1937

01:27:22,229 --> 01:27:20,000

today titled did richard dolan and

1938

01:27:24,870 --> 01:27:22,239

jeremy corbell use a fake source to sell

1939

01:27:28,470 --> 01:27:24,880

a fake story

1940

01:27:29,910 --> 01:27:28,480

and jeremy corbell uh replied not to me

1941

01:27:31,750 --> 01:27:29,920

but to somebody else

1942

01:27:33,910 --> 01:27:31,760

but i guess he's including me but since

1943

01:27:34,950 --> 01:27:33,920

he blocked me i can't see him tweeting

1944

01:27:37,990 --> 01:27:34,960

me

1945

01:27:40,390 --> 01:27:38,000

uh and let's let's share what he said

1946

01:27:42,470 --> 01:27:40,400

friends

1947

01:27:44,149 --> 01:27:42,480

so in regard to the cia deathbed

1948

01:27:47,430 --> 01:27:44,159

confession video

1949

01:27:49,590 --> 01:27:47,440

and our uh assertion that they cannot

1950

01:27:50,470 --> 01:27:49,600

and will not prove that this man is who

1951

01:27:54,310 --> 01:27:50,480

he says he is

1952

01:27:56,470 --> 01:27:54,320

and it's very important i want the proof

1953

01:27:58,629 --> 01:27:56,480

of everything that you state it in the

1954

01:28:00,790 --> 01:27:58,639

video jeremy corbell

1955

01:28:02,310 --> 01:28:00,800

you guys said he was in the military he

1956

01:28:05,750 --> 01:28:02,320

worked for the c.i.a

1957

01:28:08,709 --> 01:28:05,760

this man is who he said he is

1958

01:28:10,870 --> 01:28:08,719

so i'm not the one telling the story

1959

01:28:13,270 --> 01:28:10,880

jeremy corbell says this is laughable

1960

01:28:13,990 --> 01:28:13,280

sad and desperate attention-seeking

1961

01:28:16,629 --> 01:28:14,000

horse you

1962

01:28:18,950 --> 01:28:16,639

know what so the premise is that the

1963

01:28:22,229 --> 01:28:18,960

witness wasn't in the military no

1964

01:28:23,189 --> 01:28:22,239

my major premise is that this man is not

1965

01:28:25,590 --> 01:28:23,199

who he says

1966

01:28:26,629 --> 01:28:25,600

he is you said that he was in the

1967

01:28:28,950 --> 01:28:26,639

military

1968

01:28:30,950 --> 01:28:28,960

you said that he worked for the cia and

1969

01:28:32,310 --> 01:28:30,960

so did richard dolan and apparently your

1970

01:28:35,910 --> 01:28:32,320

co-producer here

1971

01:28:38,229 --> 01:28:35,920

reuben langdon corbell goes on to say

1972

01:28:38,629 --> 01:28:38,239

and what proof do you base that nonsense

1973

01:28:42,550 --> 01:28:38,639

on

1974

01:28:45,990 --> 01:28:42,560

is a teachable moment

1975

01:28:49,189 --> 01:28:46,000

reuben langdon and i vetted his dd214

1976

01:28:50,950 --> 01:28:49,199

great great i'm so glad jeremy corbell

1977

01:28:51,669 --> 01:28:50,960

that you vetted him and his military

1978

01:28:54,870 --> 01:28:51,679

experience

1979

01:28:58,629 --> 01:28:54,880

is real and that i'm wrong i

1980

01:29:01,830 --> 01:28:58,639

can't or that i may be wrong i since you

1981

01:29:04,229 --> 01:29:01,840

vetted him in in 2014 uh

1982

01:29:05,990 --> 01:29:04,239

you vetted his dd214 well actually he

1983

01:29:06,950 --> 01:29:06,000

didn't say when he just says he vetted

1984

01:29:09,990 --> 01:29:06,960

the dd

1985

01:29:12,709 --> 01:29:10,000

214. great jeremy corbell post

1986

01:29:14,390 --> 01:29:12,719

it post the dd214 that for those that

1987

01:29:15,990 --> 01:29:14,400

don't know that's somebody's detailed

1988

01:29:17,750 --> 01:29:16,000

military records and it'll even say

1989

01:29:18,629 --> 01:29:17,760

where they were stationed what work they

1990

01:29:21,990 --> 01:29:18,639

did

1991

01:29:24,310 --> 01:29:22,000

all that kind of stuff so see

1992

01:29:25,430 --> 01:29:24,320

and jeremy corbell's wrong my presence

1993

01:29:27,430 --> 01:29:25,440

is not just that

1994

01:29:30,709 --> 01:29:27,440

he wasn't in the military my premise is

1995

01:29:33,189 --> 01:29:30,719

that this man is not who he says he is

1996

01:29:34,550 --> 01:29:33,199

you jeremy corbell and you richard dolan

1997

01:29:35,350 --> 01:29:34,560

say you have proof he was in the

1998

01:29:38,470 --> 01:29:35,360

military

1999

01:29:41,510 --> 01:29:38,480

great post it i can't wait to read those

2000

01:29:44,390 --> 01:29:41,520

documents and match up his dd214

2001
01:29:46,470 --> 01:29:44,400
to some of his claims made in your video

2002
01:29:49,669 --> 01:29:46,480
that you've been selling for years

2003
01:29:50,629 --> 01:29:49,679
and oh do you have pay stubs from the

2004
01:29:54,310 --> 01:29:50,639
cia

2005
01:29:56,310 --> 01:29:54,320
have that proof

2006
01:29:58,070 --> 01:29:56,320
since you're claiming this man is who he

2007
01:30:00,070 --> 01:29:58,080
says he is and and the whole premise of

2008
01:30:00,950 --> 01:30:00,080
your video is that he's a former cia

2009
01:30:02,709 --> 01:30:00,960
operative

2010
01:30:04,870 --> 01:30:02,719
on his deathbed giving a confession

2011
01:30:05,990 --> 01:30:04,880
about the aliens you have the proof he

2012
01:30:08,390 --> 01:30:06,000
worked for the cia

2013
01:30:10,390 --> 01:30:08,400

right did you file for request with the

2014

01:30:11,830 --> 01:30:10,400

government to verify his being employed

2015

01:30:14,310 --> 01:30:11,840

by the cia

2016

01:30:16,390 --> 01:30:14,320

and other claims he's made can't wait to

2017

01:30:18,870 --> 01:30:16,400

see those jeremy corbell oh

2018

01:30:19,510 --> 01:30:18,880

and he claims to have flown into area 51

2019

01:30:21,350 --> 01:30:19,520

right

2020

01:30:23,830 --> 01:30:21,360

so you've got copies of all the flight

2021

01:30:26,310 --> 01:30:23,840

logs with his name on them right

2022

01:30:27,430 --> 01:30:26,320

see friends every plane flying in or out

2023

01:30:29,110 --> 01:30:27,440

of area 51

2024

01:30:32,709 --> 01:30:29,120

and every person who's ever visited the

2025

01:30:34,550 --> 01:30:32,719

base is logged as we've heard tonight

2026

01:30:36,310 --> 01:30:34,560

and the flight logs would prove or

2027

01:30:37,910 --> 01:30:36,320

disprove those claims

2028

01:30:40,229 --> 01:30:37,920

but we've never seen the flight logs

2029

01:30:43,270 --> 01:30:40,239

from jeremy corbell and richard dolan

2030

01:30:44,470 --> 01:30:43,280

and if you ask me why we haven't seen

2031

01:30:46,950 --> 01:30:44,480

them it's because

2032

01:30:48,870 --> 01:30:46,960

that we never will because those flight

2033

01:30:51,750 --> 01:30:48,880

logs friends with that man's name on

2034

01:30:54,709 --> 01:30:51,760

them flying into or out of area 51

2035

01:30:56,629 --> 01:30:54,719

simply do not exist any records proving

2036

01:30:58,629 --> 01:30:56,639

that he worked for the cia

2037

01:31:00,229 --> 01:30:58,639

simply do not exist and i got to tell

2038

01:31:01,110 --> 01:31:00,239

you friends if he truly worked for the

2039

01:31:03,430 --> 01:31:01,120

cia

2040

01:31:05,110 --> 01:31:03,440

you'd be able to find some corroboration

2041

01:31:06,310 --> 01:31:05,120

some documents some proof that he

2042

01:31:08,709 --> 01:31:06,320

actually worked there

2043

01:31:10,390 --> 01:31:08,719

he'd be able to provide them i can't

2044

01:31:12,870 --> 01:31:10,400

wait to see this proof

2045

01:31:13,750 --> 01:31:12,880

richard dolan stood in front of cameras

2046

01:31:16,950 --> 01:31:13,760

and said

2047

01:31:19,189 --> 01:31:16,960

this man is who he said he was

2048

01:31:19,990 --> 01:31:19,199

so you richard dolan and you jeremy

2049

01:31:21,830 --> 01:31:20,000

corbell

2050

01:31:23,510 --> 01:31:21,840

you should be able to prove his military

2051
01:31:25,270 --> 01:31:23,520
claims and claims that he worked for the

2052
01:31:27,350 --> 01:31:25,280
cia right

2053
01:31:28,790 --> 01:31:27,360
selling a story where you claim this man

2054
01:31:31,350 --> 01:31:28,800
was in the military and worked for the

2055
01:31:32,149 --> 01:31:31,360
cia when you cannot indeed prove those

2056
01:31:35,189 --> 01:31:32,159
claims

2057
01:31:36,229 --> 01:31:35,199
is extremely problematic and in my

2058
01:31:38,310 --> 01:31:36,239
personal opinion

2059
01:31:39,830 --> 01:31:38,320
that could amount to consumer fraud

2060
01:31:42,149 --> 01:31:39,840
after all you're saying the story is

2061
01:31:44,709 --> 01:31:42,159
true and this man is who he says he is

2062
01:31:45,830 --> 01:31:44,719
you're claiming he worked for the cia

2063
01:31:47,990 --> 01:31:45,840

and the military

2064

01:31:49,270 --> 01:31:48,000

you made those claims you claimed this

2065

01:31:52,629 --> 01:31:49,280

was a true story

2066

01:31:55,189 --> 01:31:52,639

so i say fine prove this man

2067

01:31:56,790 --> 01:31:55,199

is who he said he was you guys have

2068

01:31:57,750 --> 01:31:56,800

already made all the money from that

2069

01:32:00,950 --> 01:31:57,760

project

2070

01:32:01,830 --> 01:32:00,960

it's about time you offer the proof that

2071

01:32:05,189 --> 01:32:01,840

that man

2072

01:32:08,629 --> 01:32:05,199

is who he says he was as you stated

2073

01:32:11,750 --> 01:32:08,639

in your video and with that friends

2074

01:32:11,990 --> 01:32:11,760

uh we will take a very short break and

2075

01:32:14,950 --> 01:32:12,000

then

2076

01:32:16,790 --> 01:32:14,960

we're going to uh oh super chat did i

2077

01:32:19,510 --> 01:32:16,800

miss one

2078

01:32:21,110 --> 01:32:19,520

oh there we go thank you very much lord

2079

01:32:24,070 --> 01:32:21,120

ludacris plaid

2080

01:32:24,709 --> 01:32:24,080

he says he hand drawn sports yeah he's

2081

01:32:26,709 --> 01:32:24,719

right now

2082

01:32:28,470 --> 01:32:26,719

that's another cash in bob lazar never

2083

01:32:30,149 --> 01:32:28,480

made any money from this

2084

01:32:32,310 --> 01:32:30,159

friends he's right now selling a

2085

01:32:34,629 --> 01:32:32,320

hand-drawn sports model poster for

2086

01:32:36,950 --> 01:32:34,639

ninety dollars and he'll sign it for you

2087

01:32:39,110 --> 01:32:36,960

i almost want to buy it but i don't want

2088

01:32:42,470 --> 01:32:39,120

to give this

2089

01:32:44,149 --> 01:32:42,480

person any more money yeah i definitely

2090

01:32:48,229 --> 01:32:44,159

don't want to give him any of my

2091

01:32:52,550 --> 01:32:50,629

uh and i want to thank victor cagliari

2092

01:32:53,189 --> 01:32:52,560

for being here and dropping lots of

2093

01:32:56,149 --> 01:32:53,199

knowledge

2094

01:32:57,590 --> 01:32:56,159

and fun facts uh yeah and this is

2095

01:32:59,430 --> 01:32:57,600

something that we talked about earlier

2096

01:33:00,550 --> 01:32:59,440

the court docs say bob got his degrees

2097

01:33:03,189 --> 01:33:00,560

from pacifica

2098

01:33:05,350 --> 01:33:03,199

university a correspondent school i

2099

01:33:06,470 --> 01:33:05,360

found a pacific university got shut down

2100

01:33:08,709 --> 01:33:06,480

for selling degrees

2101
01:33:10,149 --> 01:33:08,719
mike wallace on 60 minutes busted them

2102
01:33:11,030 --> 01:33:10,159
yeah it was a degree mill victor

2103
01:33:13,189 --> 01:33:11,040
cagliaro

2104
01:33:14,870 --> 01:33:13,199
and you can't get into mit or caltech

2105
01:33:15,669 --> 01:33:14,880
with a fake degree that you bought

2106
01:33:17,270 --> 01:33:15,679
online

2107
01:33:18,709 --> 01:33:17,280
from a company that got busted for

2108
01:33:21,270 --> 01:33:18,719
selling fake degrees

2109
01:33:24,229 --> 01:33:21,280
just doesn't happen i've talked to mit

2110
01:33:28,070 --> 01:33:26,390
admissions officers who both laughed at

2111
01:33:29,350 --> 01:33:28,080
the idea of anybody getting into a

2112
01:33:32,709 --> 01:33:29,360
master's program

2113
01:33:34,470 --> 01:33:32,719

with a degree from pacifica university

2114

01:33:36,070 --> 01:33:34,480

so friends we're going to take a very

2115

01:33:38,870 --> 01:33:36,080

very short break here

2116

01:33:40,790 --> 01:33:38,880

and we're going to do a musical guest

2117

01:33:44,229 --> 01:33:40,800

tonight

2118

01:33:46,229 --> 01:33:44,239

to give us a short break and then

2119

01:33:49,350 --> 01:33:46,239

when i come back i'm going to devote my

2120

01:33:52,229 --> 01:33:49,360

full and complete and total attention

2121

01:33:53,669 --> 01:33:52,239

to the live chat i think that would be a

2122

01:33:57,430 --> 01:33:53,679

good idea

2123

01:33:59,430 --> 01:33:57,440

so uh let me see friends

2124

01:34:04,470 --> 01:33:59,440

i'm trying to find one we haven't played

2125

01:34:06,709 --> 01:34:04,480

in a while

2126
01:34:08,709 --> 01:34:06,719
yeah we're gonna play uh my old friend

2127
01:34:11,590 --> 01:34:08,719
jason paul elder who used to record

2128
01:34:12,310 --> 01:34:11,600
at my studio so uh we're gonna play a

2129
01:34:18,480 --> 01:34:12,320
musical guest

2130
01:34:26,750 --> 01:34:18,490
we'll be right back friends

2131
01:34:30,830 --> 01:34:26,760
[Music]

2132
01:34:41,189 --> 01:34:31,860
passport

2133
01:34:48,950 --> 01:34:41,199
[Music]

2134
01:34:48,960 --> 01:34:56,629
it's just the way it has to be

2135
01:35:12,229 --> 01:35:00,149
you say our words mean something

2136
01:35:40,830 --> 01:35:27,980
how can i ever make me

2137
01:35:43,070 --> 01:35:40,840
[Music]

2138
01:36:03,170 --> 01:35:43,080

slightly

2139

01:37:16,160 --> 01:36:22,240

[Music]

2140

01:37:26,970 --> 01:37:16,170

[Applause]

2141

01:37:32,830 --> 01:37:26,980

[Music]

2142

01:37:32,840 --> 01:37:36,870

so

2143

01:38:28,310 --> 01:38:13,030

[Music]

2144

01:38:43,750 --> 01:38:30,850

it's just

2145

01:39:11,669 --> 01:38:43,760

[Music]

2146

01:39:15,910 --> 01:39:14,070

okay and we are back friends uh thanks

2147

01:39:16,550 --> 01:39:15,920

to my old friend jason paul elder for

2148

01:39:19,830 --> 01:39:16,560

lending me

2149

01:39:20,709 --> 01:39:19,840

some of his songs and uh being a musical

2150

01:39:23,669 --> 01:39:20,719

guest

2151
01:39:25,510 --> 01:39:23,679
much appreciated old friend jason paul

2152
01:39:27,750 --> 01:39:25,520
elder check out his music on youtube

2153
01:39:31,430 --> 01:39:27,760
just search by his name there

2154
01:39:33,030 --> 01:39:31,440
one of the uh really fun guys that used

2155
01:39:36,149 --> 01:39:33,040
to record at my studio

2156
01:39:37,750 --> 01:39:36,159
studio in philadelphia

2157
01:39:40,870 --> 01:39:37,760
and uh that's the reason i had to take a

2158
01:39:43,830 --> 01:39:40,880
break friends

2159
01:39:45,030 --> 01:39:43,840
i'm still having uh some nasal and sinus

2160
01:39:46,950 --> 01:39:45,040
issues and

2161
01:39:49,510 --> 01:39:46,960
throat issues i'm sure it's nothing

2162
01:39:53,990 --> 01:39:49,520
serious it's slowly slowly going away

2163
01:39:56,390 --> 01:39:54,000

but it's taking forever

2164

01:39:59,109 --> 01:39:56,400

kicks rocks is here and she's a music

2165

01:40:02,390 --> 01:40:01,430

says music is about to put me to sleep

2166

01:40:05,270 --> 01:40:02,400

cambian well

2167

01:40:06,470 --> 01:40:05,280

uh sometimes we play more rock and stuff

2168

01:40:08,070 --> 01:40:06,480

tonight uh

2169

01:40:10,149 --> 01:40:08,080

yeah i just happened to grab that one

2170

01:40:11,109 --> 01:40:10,159

sorry uh yeah check out some of his

2171

01:40:14,550 --> 01:40:11,119

other music

2172

01:40:16,070 --> 01:40:14,560

you might like it so friends i will

2173

01:40:17,669 --> 01:40:16,080

devote my full and total attention to

2174

01:40:18,229 --> 01:40:17,679

the live chat we could discuss tonight's

2175

01:40:21,590 --> 01:40:18,239

show or

2176
01:40:22,310 --> 01:40:21,600
anything anything that's reminding me to

2177
01:40:28,790 --> 01:40:22,320
take

2178
01:40:29,189 --> 01:40:28,800
uh yes i'm taking vitamin c zinc vitamin

2179
01:40:32,870 --> 01:40:29,199
d

2180
01:40:34,830 --> 01:40:32,880
other stuff just trying to knock it out

2181
01:40:36,790 --> 01:40:34,840
of me

2182
01:40:38,790 --> 01:40:36,800
matt mystic moon

2183
01:40:40,950 --> 01:40:38,800
asked me do i still record yes and in

2184
01:40:43,109 --> 01:40:40,960
fact if you sign up for my patreon

2185
01:40:45,189 --> 01:40:43,119
we do a few songs a month that are just

2186
01:40:47,830 --> 01:40:45,199
for the patreon supporters

2187
01:40:49,350 --> 01:40:47,840
uh go kick rocks that's much nicer says

2188
01:40:52,070 --> 01:40:49,360

nice relaxing song

2189

01:40:52,629 --> 01:40:52,080

yeah he tends to be that way his music

2190

01:40:54,229 --> 01:40:52,639

is

2191

01:40:56,149 --> 01:40:54,239

kind of relaxing it's good for like

2192

01:41:00,550 --> 01:40:56,159

lights and candles

2193

01:41:02,709 --> 01:41:00,560

and kick back and relax yeah

2194

01:41:04,550 --> 01:41:02,719

so any questions or comments for me i

2195

01:41:06,229 --> 01:41:04,560

want to publicly thank

2196

01:41:07,510 --> 01:41:06,239

victor cagliari and i'm not sure if he's

2197

01:41:08,470 --> 01:41:07,520

still in the live chat but i want to

2198

01:41:11,270 --> 01:41:08,480

thank him

2199

01:41:13,270 --> 01:41:11,280

for allowing us to share this very very

2200

01:41:16,470 --> 01:41:13,280

important evidence

2201

01:41:19,350 --> 01:41:16,480

and friends i want to ask you why

2202

01:41:20,950 --> 01:41:19,360

are george knapp and not and jeremy

2203

01:41:24,790 --> 01:41:20,960

corbell

2204

01:41:26,550 --> 01:41:24,800

and others who profit from the bob lazar

2205

01:41:28,070 --> 01:41:26,560

story why aren't they bringing you this

2206

01:41:31,109 --> 01:41:28,080

very important evidence

2207

01:41:35,109 --> 01:41:33,189

so wharton says philadelphia do you like

2208

01:41:36,390 --> 01:41:35,119

the flyers moves do you still have the

2209

01:41:39,510 --> 01:41:36,400

studio in philly

2210

01:41:43,189 --> 01:41:39,520

uh no solar warden i miss it a lot

2211

01:41:44,950 --> 01:41:43,199

um a few years ago you know when philly

2212

01:41:46,470 --> 01:41:44,960

started to get really bad with the crack

2213

01:41:49,510 --> 01:41:46,480

heads and the and the

2214

01:41:50,070 --> 01:41:49,520

dopers they were going to put solar

2215

01:41:53,270 --> 01:41:50,080

warden

2216

01:41:55,750 --> 01:41:53,280

a safe injection site just

2217

01:41:56,870 --> 01:41:55,760

about a mile and a half from my home and

2218

01:41:58,790 --> 01:41:56,880

studio

2219

01:41:59,990 --> 01:41:58,800

i had a home and next to it a separate

2220

01:42:01,830 --> 01:42:00,000

building with the commercial

2221

01:42:03,270 --> 01:42:01,840

recording studio for some time in

2222

01:42:06,229 --> 01:42:03,280

philadelphia

2223

01:42:06,950 --> 01:42:06,239

so when it started getting bad in that

2224

01:42:09,189 --> 01:42:06,960

area

2225

01:42:11,430 --> 01:42:09,199

i decided to cash everything out i sold

2226

01:42:12,629 --> 01:42:11,440

my home which was really my family's

2227

01:42:16,390 --> 01:42:12,639

home before me

2228

01:42:18,390 --> 01:42:16,400

my father bought that home in 1984

2229

01:42:20,470 --> 01:42:18,400

and i moved in with my mother after his

2230

01:42:22,149 --> 01:42:20,480

death to take care of the home and

2231

01:42:24,390 --> 01:42:22,159

because she was a career housewife so i

2232

01:42:26,390 --> 01:42:24,400

took care of her for some 20 years

2233

01:42:27,669 --> 01:42:26,400

then she passed away and there was

2234

01:42:29,750 --> 01:42:27,679

really no reason to

2235

01:42:32,310 --> 01:42:29,760

stay in that neighborhood it was getting

2236

01:42:34,390 --> 01:42:32,320

bad so we cashed out i sold both my home

2237

01:42:37,030 --> 01:42:34,400

and the recording studio

2238

01:42:38,870 --> 01:42:37,040

and moved to the suburbs we are now in

2239

01:42:41,109 --> 01:42:38,880

the suburbs of philadelphia

2240

01:42:43,270 --> 01:42:41,119

don't miss philadelphia one bit but i do

2241

01:42:44,790 --> 01:42:43,280

sure miss the studio and i may build a

2242

01:42:47,030 --> 01:42:44,800

new one

2243

01:42:49,109 --> 01:42:47,040

time will tell but i record songs every

2244

01:42:51,990 --> 01:42:49,119

month and they get posted on patreon

2245

01:42:53,109 --> 01:42:52,000

until an album is done so the patreon

2246

01:42:56,310 --> 01:42:53,119

people

2247

01:42:57,270 --> 01:42:56,320

are getting the album before it's

2248

01:42:59,830 --> 01:42:57,280

finished

2249

01:43:01,430 --> 01:42:59,840

in various forms and there's links in

2250

01:43:02,390 --> 01:43:01,440

the about section and links in the

2251

01:43:05,430 --> 01:43:02,400

descriptions

2252

01:43:07,109 --> 01:43:05,440

uh if you want to in the description of

2253

01:43:08,709 --> 01:43:07,119

this video if you want to sign up for a

2254

01:43:09,189 --> 01:43:08,719

patreon it's as little as a dollar a

2255

01:43:14,149 --> 01:43:09,199

month

2256

01:43:15,830 --> 01:43:14,159

things going on behind the scenes at the

2257

01:43:16,629 --> 01:43:15,840

show i've been posting these new

2258

01:43:20,310 --> 01:43:16,639

characters

2259

01:43:21,990 --> 01:43:20,320

including uh an update now we have jimmy

2260

01:43:25,109 --> 01:43:22,000

needs church as a character

2261

01:43:28,390 --> 01:43:25,119

and linda moulton howdy duty

2262

01:43:30,790 --> 01:43:28,400

and the people that are

2263

01:43:32,709 --> 01:43:30,800

on our patreon get to see those tests

2264

01:43:33,669 --> 01:43:32,719

it's sort of a backstage view before

2265

01:43:36,550 --> 01:43:33,679

things go live

2266

01:43:37,189 --> 01:43:36,560

in public here on our public stream you

2267

01:43:40,390 --> 01:43:37,199

guys

2268

01:43:44,550 --> 01:43:40,400

on patreon supporting me get

2269

01:43:47,669 --> 01:43:44,560

get uh to preview those things

2270

01:43:49,750 --> 01:43:47,679

uh so yeah

2271

01:43:51,669 --> 01:43:49,760

tractor basil says trash my boy david a

2272

01:43:53,270 --> 01:43:51,679

bear and i'll never

2273

01:43:55,030 --> 01:43:53,280

well now i'm gonna have to keep my mouth

2274

01:43:55,990 --> 01:43:55,040

shut about what i think about david

2275

01:44:00,229 --> 01:43:56,000

adair

2276

01:44:02,310 --> 01:44:00,239

but i do have a show coming up right

2277

01:44:04,310 --> 01:44:02,320

victor cagliari says come to australia

2278

01:44:04,950 --> 01:44:04,320

you can enjoy lockdowns every few weeks

2279

01:44:07,189 --> 01:44:04,960

yeah

2280

01:44:08,149 --> 01:44:07,199

i saw all those videos it's crazy over

2281

01:44:09,669 --> 01:44:08,159

there victor

2282

01:44:11,669 --> 01:44:09,679

have these guys have the people in

2283

01:44:13,189 --> 01:44:11,679

australia just like we've had enough

2284

01:44:15,510 --> 01:44:13,199

we're not taking this anymore

2285

01:44:17,590 --> 01:44:15,520

is that kind of where you guys are at

2286

01:44:21,510 --> 01:44:17,600

right

2287

01:44:23,030 --> 01:44:21,520

okay chaffa says victor collier you did

2288

01:44:23,510 --> 01:44:23,040

a phenomenal job of getting that

2289

01:44:26,470 --> 01:44:23,520

interview

2290

01:44:28,629 --> 01:44:26,480

i absolutely agree and shout out we

2291

01:44:31,430 --> 01:44:28,639

earlier shout out to dark sky files an

2292

01:44:32,790 --> 01:44:31,440

alien scientist is here saying rhode

2293

01:44:35,669 --> 01:44:32,800

island is bad in certain

2294

01:44:36,870 --> 01:44:35,679

areas too jeremy i want to move to the

2295

01:44:38,550 --> 01:44:36,880

cabin

2296

01:44:40,229 --> 01:44:38,560

we're in the middle of the woods you

2297

01:44:42,070 --> 01:44:40,239

know we've got neighbors but it's a

2298

01:44:43,750 --> 01:44:42,080

bunch of people that just decide to go

2299

01:44:46,310 --> 01:44:43,760

live in the middle of the woods

2300

01:44:47,030 --> 01:44:46,320

it's very like-minded people i got great

2301

01:44:50,229 --> 01:44:47,040

neighbors

2302

01:44:52,229 --> 01:44:50,239

great community there of people most of

2303

01:44:54,470 --> 01:44:52,239

which are trying to escape from the real

2304

01:44:57,430 --> 01:44:54,480

crap world that we live in and just

2305

01:44:58,550 --> 01:44:57,440

have a place off in the woods right i

2306

01:45:00,870 --> 01:44:58,560

want to live there

2307

01:45:02,149 --> 01:45:00,880

ideally or someplace like that and me

2308

01:45:04,709 --> 01:45:02,159

and my wife are thinking about

2309

01:45:06,790 --> 01:45:04,719

it and uh you know time will tell we're

2310

01:45:07,510 --> 01:45:06,800

very happy here in the suburbs but i'd

2311

01:45:11,189 --> 01:45:07,520

like to be

2312

01:45:11,750 --> 01:45:11,199

even more uh isolated and even the cabin

2313

01:45:14,709 --> 01:45:11,760

is not

2314

01:45:15,189 --> 01:45:14,719

as isolated as i'd like to be jeremy i

2315

01:45:17,750 --> 01:45:15,199

would

2316

01:45:19,590 --> 01:45:17,760

ideally i want to i want to live on 100

2317

01:45:21,270 --> 01:45:19,600

or 200 acres and put a

2318

01:45:23,590 --> 01:45:21,280

little cabin right in the middle of

2319

01:45:25,510 --> 01:45:23,600

those 100 or 200 acres

2320

01:45:28,629 --> 01:45:25,520

with a dirt road leading up to it and a

2321

01:45:33,189 --> 01:45:28,639

private gate and just

2322

01:45:36,550 --> 01:45:35,109

tractor basil says i want to smoke a

2323

01:45:40,310 --> 01:45:36,560

blood with big baddy

2324

01:45:42,070 --> 01:45:40,320

daddy bear david adair uh you know i

2325

01:45:43,990 --> 01:45:42,080

i'm not sure what to think about his

2326

01:45:46,310 --> 01:45:44,000

story it's a great story i

2327

01:45:47,830 --> 01:45:46,320

wish it's true i want it to be true kind

2328

01:45:50,870 --> 01:45:47,840

of like the bob lazar story

2329

01:45:52,070 --> 01:45:50,880

or the cia death bed confession story i

2330

01:45:56,470 --> 01:45:52,080

wish that was true

2331

01:45:58,390 --> 01:45:56,480

as well right but uh

2332

01:46:00,229 --> 01:45:58,400

you know you told me not to trash your

2333

01:46:03,189 --> 01:46:00,239

buddy david dear so i won't

2334

01:46:05,430 --> 01:46:03,199

but maybe on a future show uh we might

2335

01:46:07,270 --> 01:46:05,440

we might get to doing that

2336

01:46:09,189 --> 01:46:07,280

i want to check in with the super chats

2337

01:46:10,709 --> 01:46:09,199

just to make sure that we didn't miss

2338

01:46:12,229 --> 01:46:10,719

any of them i want everybody to know

2339

01:46:15,350 --> 01:46:12,239

that we read acknowledge

2340

01:46:18,149 --> 01:46:15,360

and thank every single person and i'm

2341

01:46:20,390 --> 01:46:18,159

going to re-read them tonight

2342

01:46:22,070 --> 01:46:20,400

just to be sure that i got every one of

2343

01:46:22,709 --> 01:46:22,080

you it looks like i did but i'm going to

2344

01:46:26,310 --> 01:46:22,719

read them

2345

01:46:27,910 --> 01:46:26,320

again and thank everyone once again

2346

01:46:30,229 --> 01:46:27,920

uh one second let me make sure there's

2347

01:46:30,709 --> 01:46:30,239

nothing there that i don't want anybody

2348

01:46:36,390 --> 01:46:30,719

to

2349

01:46:40,149 --> 01:46:38,229

all right so here as our kind and

2350

01:46:41,830 --> 01:46:40,159

generous super chat donators tonight

2351

01:46:44,709 --> 01:46:41,840

we're going to start with the first one

2352

01:46:47,430 --> 01:46:44,719

from matthew riot kind and generous 499

2353

01:46:49,750 --> 01:46:47,440

super chat you sunk my lazar battleship

2354

01:46:50,790 --> 01:46:49,760

ellen fox with the kind and generous 499

2355

01:46:53,990 --> 01:46:50,800

super chat

2356

01:46:56,950 --> 01:46:54,000

lord ludacris plaid saying edoucher

2357

01:46:58,550 --> 01:46:56,960

said s4 was a radar shack td barnes 2.

2358

01:46:59,430 --> 01:46:58,560

yeah and check out alien scientist

2359

01:47:02,709 --> 01:46:59,440

channel because he

2360

01:47:06,070 --> 01:47:02,719

and uh solar marshall did

2361

01:47:08,149 --> 01:47:06,080

amazing deep dives into edoucher i

2362

01:47:10,950 --> 01:47:08,159

think edoucher was the real deal

2363

01:47:12,629 --> 01:47:10,960

when people ask me who i trust i i tend

2364

01:47:14,070 --> 01:47:12,639

to trust edgar fouche because his

2365

01:47:15,910 --> 01:47:14,080

background and where he worked could

2366

01:47:16,870 --> 01:47:15,920

actually be verified he really was in

2367

01:47:18,950 --> 01:47:16,880

the military

2368

01:47:21,270 --> 01:47:18,960

he really did work at these secret bases

2369

01:47:23,590 --> 01:47:21,280

and he really did have secret clearance

2370

01:47:25,270 --> 01:47:23,600

tractor basil why would you trash bob

2371

01:47:26,950 --> 01:47:25,280

lazar because he ran a brothel isn't

2372

01:47:29,910 --> 01:47:26,960

that every man's dream

2373

01:47:32,310 --> 01:47:29,920

well maybe for some and lord ludacris

2374

01:47:35,350 --> 01:47:32,320

plaid with another kind of generous

2375

01:47:37,830 --> 01:47:35,360

dollar 99 super chat saying he

2376

01:47:39,669 --> 01:47:37,840

sells oh babazar is selling hand-drawn

2377

01:47:42,470 --> 01:47:39,679

sports model poster right now

2378

01:47:44,390 --> 01:47:42,480

for 99. thank you all for your kindness

2379

01:47:45,510 --> 01:47:44,400

your generosity and your support it

2380

01:47:47,750 --> 01:47:45,520

means a lot to me

2381

01:47:49,030 --> 01:47:47,760

it helps keep the lights on here and

2382

01:47:51,189 --> 01:47:49,040

keep the show

2383

01:47:52,070 --> 01:47:51,199

moving forward every dollar helps

2384

01:47:53,910 --> 01:47:52,080

friends

2385

01:47:55,510 --> 01:47:53,920

uh we buy supplies with it we pay for

2386

01:47:57,669 --> 01:47:55,520

software we need

2387

01:47:59,669 --> 01:47:57,679

i'm i'm going to be purchasing some

2388

01:48:01,350 --> 01:47:59,679

stock video collections so that we can

2389

01:48:03,830 --> 01:48:01,360

sort of up our production game that's

2390

01:48:05,510 --> 01:48:03,840

coming out of the till here

2391

01:48:07,830 --> 01:48:05,520

it just gives me a little bit of money

2392

01:48:10,870 --> 01:48:07,840

to work with and so far

2393

01:48:12,629 --> 01:48:10,880

hey tonight i'm doing great thanks to

2394

01:48:14,310 --> 01:48:12,639

the kindness and generosity and support

2395

01:48:17,430 --> 01:48:14,320

of everybody tonight

2396

01:48:18,070 --> 01:48:17,440

i'm making better than taco bell wages

2397

01:48:19,750 --> 01:48:18,080

tonight

2398

01:48:21,430 --> 01:48:19,760

i think right we've been here for an

2399

01:48:23,750 --> 01:48:21,440

hour and 48 minutes

2400

01:48:24,470 --> 01:48:23,760

definitely better than taco bell wages

2401

01:48:27,990 --> 01:48:24,480

friends

2402

01:48:31,109 --> 01:48:28,000

what can i say uh what can i say

2403

01:48:31,669 --> 01:48:31,119

it's a good time for everybody uh for me

2404

01:48:34,790 --> 01:48:31,679

to thank

2405

01:48:36,629 --> 01:48:34,800

everybody and say praise the cash

2406

01:48:38,229 --> 01:48:36,639

friends thank you all for your kindness

2407

01:48:39,669 --> 01:48:38,239

your generosity and your support there's

2408

01:48:41,030 --> 01:48:39,679

a money button down there get them in

2409

01:48:46,070 --> 01:48:41,040

now we're not going to be here much

2410

01:48:47,590 --> 01:48:46,080

longer friends praise the cash

2411

01:48:50,870 --> 01:48:47,600

where'd you guys create the guys crazy

2412

01:48:53,990 --> 01:48:50,880

cash thank you for your kindness

2413

01:48:59,900 --> 01:48:54,000

thank you for your generosity crazy cash

2414

01:49:12,830 --> 01:48:59,910

crazy cash raise the cash

2415

01:49:15,210 --> 01:49:12,840

[Music]

2416

01:49:21,109 --> 01:49:15,220

cat

2417

01:49:25,270 --> 01:49:23,270

yeah that's how i feel tonight people

2418

01:49:27,030 --> 01:49:25,280

are just throwing money at me i'm so

2419

01:49:28,310 --> 01:49:27,040

thankful and i have an attitude of

2420

01:49:30,790 --> 01:49:28,320

gratitude

2421

01:49:31,990 --> 01:49:30,800

wow look at that when another show host

2422

01:49:33,750 --> 01:49:32,000

is sending you money

2423

01:49:35,350 --> 01:49:33,760

what can you say jeremy you didn't have

2424

01:49:38,229 --> 01:49:35,360

to do that you got a family

2425

01:49:38,470 --> 01:49:38,239

you know uh and but i truly appreciate

2426

01:49:41,990 --> 01:49:38,480

it

2427

01:49:43,990 --> 01:49:42,000

kind and generous

2428

01:49:46,470 --> 01:49:44,000

twenty dollar super chat and now we

2429

01:49:49,109 --> 01:49:46,480

gotta go back to the super chats

2430

01:49:50,709 --> 01:49:49,119

and say praise the cash thank you jeremy

2431

01:49:52,790 --> 01:49:50,719

i truly appreciate it

2432

01:49:54,470 --> 01:49:52,800

for those that don't know jeremy is the

2433

01:49:56,149 --> 01:49:54,480

smartest guy i know

2434

01:49:58,629 --> 01:49:56,159

literally like and i'm a computer

2435

01:50:01,270 --> 01:49:58,639

science guy i know some smart people

2436

01:50:02,550 --> 01:50:01,280

but jeremy starts talking about protons

2437

01:50:06,629 --> 01:50:02,560

and neutrons and

2438

01:50:10,470 --> 01:50:06,639

spin you know and gravitational vortexes

2439

01:50:13,750 --> 01:50:10,480

he's been into the ufo

2440

01:50:15,750 --> 01:50:13,760

uh phenomenon forever but his emphasis

2441

01:50:17,430 --> 01:50:15,760

is on the science behind the propulsion

2442

01:50:18,950 --> 01:50:17,440

systems and he's got this apec

2443

01:50:21,189 --> 01:50:18,960

conference and they're really going

2444

01:50:23,109 --> 01:50:21,199

after the secrets of any gravity

2445

01:50:24,550 --> 01:50:23,119

i hope he cracks the code thank you for

2446

01:50:25,430 --> 01:50:24,560

kindness your generosity and your

2447

01:50:31,510 --> 01:50:25,440

support

2448

01:50:36,830 --> 01:50:33,630

where'd you guys create the guys for his

2449

01:50:36,840 --> 01:50:39,990

cash

2450

01:50:43,270 --> 01:50:41,669

okay so we'll take some comments and

2451

01:50:44,950 --> 01:50:43,280

questions from the live chat

2452

01:50:46,470 --> 01:50:44,960

some conscious life expo is coming up

2453

01:50:48,629 --> 01:50:46,480

and then another one right after that

2454

01:50:51,669 --> 01:50:48,639

sure they will be praising the cash

2455

01:50:55,910 --> 01:50:51,679

yeah i don't work conferences so uh

2456

01:50:59,669 --> 01:50:58,550

tractor basil the kind and generous

2457

01:51:03,030 --> 01:50:59,679

dollar 29

2458

01:51:05,709 --> 01:51:03,040

super chat wow uh that that brings him

2459

01:51:08,149 --> 01:51:05,719

up to a grand total of something like

2460

01:51:11,189 --> 01:51:08,159

51.29 tonight most

2461

01:51:14,229 --> 01:51:11,199

kind and generous super chatter ever

2462

01:51:15,350 --> 01:51:14,239

so thank you uh very much and praise the

2463

01:51:21,189 --> 01:51:15,360

cash from

2464

01:51:23,669 --> 01:51:21,199

cash raise the cash raised cash

2465

01:51:24,470 --> 01:51:23,679

okay and i just want to remind people

2466

01:51:26,709 --> 01:51:24,480

you know

2467

01:51:27,750 --> 01:51:26,719

that we're doing god's work here so when

2468

01:51:30,709 --> 01:51:27,760

you donate

2469

01:51:32,950 --> 01:51:30,719

you are helping us to number one keep

2470

01:51:34,470 --> 01:51:32,960

some of these ufo celebrities honest

2471

01:51:36,950 --> 01:51:34,480

and i gotta tell you friends it's a

2472

01:51:38,070 --> 01:51:36,960

tough job but somebody's gotta do it

2473

01:51:39,510 --> 01:51:38,080

right and i'm

2474

01:51:42,070 --> 01:51:39,520

you know there are other people doing

2475

01:51:42,870 --> 01:51:42,080

this work but we are really trying to

2476

01:51:47,270 --> 01:51:42,880

push the ball

2477

01:51:49,109 --> 01:51:47,280

forward here and really really trying to

2478

01:51:54,550 --> 01:51:49,119

make it harder for people to sell fake

2479

01:52:01,030 --> 01:51:57,990

so what can i say friends uh

2480

01:52:02,709 --> 01:52:01,040

you know we really think

2481

01:52:05,109 --> 01:52:02,719

that throwing us a couple of bucks

2482

01:52:08,310 --> 01:52:05,119

really does help us right

2483

01:52:10,470 --> 01:52:08,320

and uh we

2484

01:52:11,669 --> 01:52:10,480

appreciate your kindness your generosity

2485

01:52:13,830 --> 01:52:11,679

and support

2486

01:52:15,910 --> 01:52:13,840

we're doing we're doing the work we need

2487

01:52:20,950 --> 01:52:15,920

to do here friends and you guys are all

2488

01:52:24,550 --> 01:52:22,870

here's what i want you to do if the lord

2489

01:52:26,229 --> 01:52:24,560

is speaking to you

2490

01:52:29,189 --> 01:52:26,239

let's just bring some baskets down just

2491

01:52:31,350 --> 01:52:29,199

leave from there i'm not finished

2492

01:52:32,550 --> 01:52:31,360

i got one more point to make this is

2493

01:52:34,950 --> 01:52:32,560

what i want you to do

2494

01:52:36,310 --> 01:52:34,960

thank you miss marguerita i brought her

2495

01:52:37,669 --> 01:52:36,320

because i want you to understand that

2496

01:52:40,229 --> 01:52:37,679

the work

2497

01:52:42,470 --> 01:52:40,239

must continue this is not a plea for

2498

01:52:44,310 --> 01:52:42,480

money it's a plea for partnership

2499

01:52:46,530 --> 01:52:44,320

so that we can be what we're supposed to

2500

01:52:52,070 --> 01:52:48,790

[Applause]

2501

01:52:55,350 --> 01:52:52,080

i just need 497 people

2502

01:53:05,350 --> 01:52:55,360

to say i'll do it

2503

01:53:08,470 --> 01:53:07,510

and and friends of course i'm joking but

2504

01:53:11,990 --> 01:53:08,480

this this

2505

01:53:15,109 --> 01:53:12,000

uh these bumpers came from me

2506

01:53:17,350 --> 01:53:15,119

not quite knowing how to

2507

01:53:19,510 --> 01:53:17,360

ask for money and i thought who asks for

2508

01:53:26,870 --> 01:53:19,520

money better than everybody

2509

01:53:28,950 --> 01:53:26,880

right televangelists do

2510

01:53:31,750 --> 01:53:28,960

lord ludacris plaid with another kind

2511

01:53:34,790 --> 01:53:31,760

and generous donation of 1.99

2512

01:53:37,669 --> 01:53:34,800

edoucher had me at goggles yeah

2513

01:53:38,950 --> 01:53:37,679

he had me at the goggles too i know

2514

01:53:43,350 --> 01:53:38,960

exactly what you're talking about

2515

01:53:46,629 --> 01:53:43,360

actually he had me at him describing

2516

01:53:47,030 --> 01:53:46,639

that the us government had cpus that

2517

01:53:49,830 --> 01:53:47,040

were

2518

01:53:50,950 --> 01:53:49,840

far in advance of consumer cpus they

2519

01:53:53,990 --> 01:53:50,960

were like three times

2520

01:53:56,870 --> 01:53:54,000

faster or something like that

2521

01:53:59,430 --> 01:53:56,880

edoucher i believe was the real deal

2522

01:54:01,430 --> 01:53:59,440

his background could be verified his

2523

01:54:03,109 --> 01:54:01,440

military service could be verified and

2524

01:54:06,390 --> 01:54:03,119

hopefully someday

2525

01:54:07,030 --> 01:54:06,400

we will do a deep dive here and we will

2526

01:54:09,189 --> 01:54:07,040

cover

2527

01:54:11,350 --> 01:54:09,199

edgar fouche in the meantime lord

2528

01:54:13,189 --> 01:54:11,360

ludacris plaid thank you for kindness

2529

01:54:18,229 --> 01:54:13,199

your generosity and support and helping

2530

01:54:21,990 --> 01:54:19,830

where'd you guys play the guys crazy

2531

01:54:25,430 --> 01:54:22,000

cash thank you for your

2532

01:54:27,860 --> 01:54:25,440

kindness thank you for your generosity

2533

01:54:34,870 --> 01:54:27,870

crazy cash crazy cash raise the cash

2534

01:54:38,470 --> 01:54:36,950

thank you lord ludacris plaid very

2535

01:54:39,830 --> 01:54:38,480

generous of you very generous of

2536

01:54:42,149 --> 01:54:39,840

everybody tonight

2537

01:54:44,229 --> 01:54:42,159

i'm quite certain that this was the most

2538

01:54:45,430 --> 01:54:44,239

uh money we've ever collected in super

2539

01:54:46,870 --> 01:54:45,440

chats in one show

2540

01:54:49,030 --> 01:54:46,880

and i gotta tell you i'm happy about

2541

01:54:50,229 --> 01:54:49,040

that because i'm looking at some new

2542

01:54:53,270 --> 01:54:50,239

equipment

2543

01:54:55,350 --> 01:54:53,280

um and i mean i will

2544

01:54:57,430 --> 01:54:55,360

we'll talk about that on another show

2545

01:55:00,790 --> 01:54:57,440

matthew riot with a kind and generous

2546

01:55:03,430 --> 01:55:00,800

donation of 4.99 still gonna

2547

01:55:04,070 --> 01:55:03,440

but for a burp yeah i got him on my list

2548

01:55:06,149 --> 01:55:04,080

as well

2549

01:55:07,510 --> 01:55:06,159

absolutely matthew wright you want to

2550

01:55:11,030 --> 01:55:07,520

see us do a show on

2551

01:55:12,390 --> 01:55:11,040

dan burrish i uh there's many people

2552

01:55:14,550 --> 01:55:12,400

that worked on that case

2553

01:55:15,990 --> 01:55:14,560

or research that case that i know and i

2554

01:55:18,070 --> 01:55:16,000

could try to get some of them as

2555

01:55:21,360 --> 01:55:18,080

guests so thank you for your kindness

2556

01:55:27,430 --> 01:55:21,370

your generosity praise the cash matthew

2557

01:55:32,229 --> 01:55:30,390

my poor son right i want listen you know

2558

01:55:34,550 --> 01:55:32,239

i'm surprised i didn't get any hate mail

2559

01:55:35,669 --> 01:55:34,560

about me involving my son in in this

2560

01:55:38,070 --> 01:55:35,679

show and

2561

01:55:39,430 --> 01:55:38,080

and praising the cash but it's important

2562

01:55:41,830 --> 01:55:39,440

that i tell people

2563

01:55:43,830 --> 01:55:41,840

that the truth is that my son is

2564

01:55:47,030 --> 01:55:43,840

learning about earning money

2565

01:55:49,510 --> 01:55:47,040

and uh he likes uh you know

2566

01:55:51,189 --> 01:55:49,520

he likes clowns and things like that so

2567

01:55:52,870 --> 01:55:51,199

we came up with this idea

2568

01:55:55,109 --> 01:55:52,880

to teach him that you can't just keep

2569

01:55:57,350 --> 01:55:55,119

asking for toys every week and getting

2570

01:55:59,750 --> 01:55:57,360

new toys you have to

2571

01:56:01,270 --> 01:55:59,760

you have to earn them so i told him that

2572

01:56:02,790 --> 01:56:01,280

if he worked on the show

2573

01:56:04,229 --> 01:56:02,800

we would get him some new toys and we

2574

01:56:06,390 --> 01:56:04,239

have but i have a feeling there's some

2575

01:56:08,870 --> 01:56:06,400

new toys in his future because

2576

01:56:11,270 --> 01:56:08,880

people really like our little cash clown

2577

01:56:15,830 --> 01:56:13,510

ufo watchdog is here shout out to ufo

2578

01:56:17,189 --> 01:56:15,840

watchdog ufo watchdog are you a

2579

01:56:19,270 --> 01:56:17,199

moderator please

2580

01:56:20,950 --> 01:56:19,280

uh let me see here if you're not a

2581

01:56:23,750 --> 01:56:20,960

moderator i'm gonna make you one and i

2582

01:56:26,229 --> 01:56:23,760

want you to put your website in the

2583

01:56:28,310 --> 01:56:26,239

in the live chat because ufo watchdog is

2584

01:56:29,990 --> 01:56:28,320

one of the people that turned me on

2585

01:56:31,589 --> 01:56:30,000

to the fact that some of these people

2586

01:56:34,070 --> 01:56:31,599

are telling the truth

2587

01:56:35,910 --> 01:56:34,080

and friends believe it or not i used to

2588

01:56:37,750 --> 01:56:35,920

be a true believer and when i heard

2589

01:56:39,189 --> 01:56:37,760

somebody at a ufo conference stand up

2590

01:56:41,750 --> 01:56:39,199

and say that they were in the

2591

01:56:43,589 --> 01:56:41,760

the air force or navy or whatever i

2592

01:56:44,629 --> 01:56:43,599

believe that the conference organizer

2593

01:56:46,709 --> 01:56:44,639

vetted them

2594

01:56:48,149 --> 01:56:46,719

and they really were telling the truth i

2595

01:56:50,629 --> 01:56:48,159

had no idea

2596

01:56:53,270 --> 01:56:50,639

how many stolen valor frauds were out

2597

01:56:56,790 --> 01:56:53,280

there pretending to be military people

2598

01:57:01,430 --> 01:56:56,800

and there there we find

2599

01:57:04,629 --> 01:57:01,440

ufo watchdog uh i found his website

2600

01:57:07,669 --> 01:57:04,639

detailing many many of

2601
01:57:11,430 --> 01:57:07,679
these ufo hucksters fraudsters fakers

2602
01:57:11,750 --> 01:57:11,440
and liars and that's one of the things

2603
01:57:13,669 --> 01:57:11,760
that

2604
01:57:14,870 --> 01:57:13,679
turned me down the rabbit hole of like

2605
01:57:17,750 --> 01:57:14,880
oh my

2606
01:57:20,070 --> 01:57:17,760
how oh all these so many of these people

2607
01:57:20,470 --> 01:57:20,080
are lying why doesn't anybody fact check

2608
01:57:22,310 --> 01:57:20,480
them

2609
01:57:24,709 --> 01:57:22,320
ufo watch dog has been fact checking

2610
01:57:27,430 --> 01:57:24,719
them long before me

2611
01:57:28,390 --> 01:57:27,440
and i just now made you a moderator ufo

2612
01:57:31,189 --> 01:57:28,400
watchdog

2613
01:57:31,830 --> 01:57:31,199

so you can put your please do put your

2614

01:57:35,270 --> 01:57:31,840

website

2615

01:57:39,109 --> 01:57:35,280

address uh yeah ufo watchdog even got

2616

01:57:41,430 --> 01:57:39,119

sued for exposing someone wasn't that uh

2617

01:57:43,350 --> 01:57:41,440

gee i forget who it was sean david

2618

01:57:44,470 --> 01:57:43,360

morton wasn't he the guy who sued you or

2619

01:57:47,189 --> 01:57:44,480

was it somebody else

2620

01:57:48,390 --> 01:57:47,199

ufo watchdog and terrible that somebody

2621

01:57:50,390 --> 01:57:48,400

would do that

2622

01:57:51,669 --> 01:57:50,400

you know god forbid you tell people the

2623

01:57:54,149 --> 01:57:51,679

truth and screw up their

2624

01:57:55,109 --> 01:57:54,159

wallet and their cons right it's

2625

01:57:59,990 --> 01:57:55,119

terrible

2626
01:58:01,350 --> 01:58:00,000
share something from my twitter and this

2627
01:58:03,910 --> 01:58:01,360
relates to

2628
01:58:05,510 --> 01:58:03,920
this whole thing that just happened with

2629
01:58:09,030 --> 01:58:05,520
me richard dolan

2630
01:58:13,750 --> 01:58:11,109
and i'm going to make no apologies for

2631
01:58:18,310 --> 01:58:15,830
always remember friends misdirection

2632
01:58:19,990 --> 01:58:18,320
deception and subterfuge can be very

2633
01:58:22,790 --> 01:58:20,000
useful weapons of war

2634
01:58:23,750 --> 01:58:22,800
and magicians are learned experts at

2635
01:58:27,430 --> 01:58:23,760
these things

2636
01:58:29,510 --> 01:58:27,440
and more so sometimes

2637
01:58:30,550 --> 01:58:29,520
you know things may not be what they

2638
01:58:32,870 --> 01:58:30,560

actually appear

2639

01:58:36,950 --> 01:58:32,880

to be right they may not be what they

2640

01:58:41,350 --> 01:58:40,870

but illusions friends magicians can see

2641

01:58:44,390 --> 01:58:41,360

through

2642

01:58:45,510 --> 01:58:44,400

deception and illusions more easily than

2643

01:58:49,270 --> 01:58:45,520

most

2644

01:58:53,510 --> 01:58:49,280

and illusions can only last so long

2645

01:58:53,520 --> 01:58:57,669

one more thing i was going to share

2646

01:59:04,709 --> 01:59:00,709

one second friends let me get this

2647

01:59:09,030 --> 01:59:06,709

i mentioned the characters and the

2648

01:59:11,510 --> 01:59:09,040

patreon and we've been testing several

2649

01:59:15,350 --> 01:59:11,520

characters doing screen tests

2650

01:59:17,830 --> 01:59:15,360

right and here we are friends

2651
01:59:20,390 --> 01:59:17,840
linda moulton howdy duty is a new guest

2652
01:59:23,669 --> 01:59:20,400
host coming soon to truth seekers

2653
01:59:24,070 --> 01:59:23,679
right it took me three tries to get this

2654
01:59:25,990 --> 01:59:24,080
one

2655
01:59:28,390 --> 01:59:26,000
this is the third attempt at making a

2656
01:59:31,109 --> 01:59:28,400
linda molten hattie duty character

2657
01:59:32,870 --> 01:59:31,119
uh yeah and and actually the name linda

2658
01:59:34,709 --> 01:59:32,880
molten howdy duty is not mine i want to

2659
01:59:36,149 --> 01:59:34,719
thank rich from goofon came from him i

2660
01:59:37,830 --> 01:59:36,159
said wow that's a great

2661
01:59:40,709 --> 01:59:37,840
idea for a character can i use that name

2662
01:59:42,870 --> 01:59:40,719
he said sure own it bro go ahead

2663
01:59:44,870 --> 01:59:42,880

good guy and then besides linda martin

2664

01:59:47,109 --> 01:59:44,880

howdy duty screen tests on our patreon

2665

01:59:48,070 --> 01:59:47,119

we're also sharing these jimmy needs

2666

01:59:51,589 --> 01:59:48,080

church

2667

01:59:53,189 --> 01:59:51,599

character screen tests and uh i'm hoping

2668

02:00:00,390 --> 01:59:53,199

that these will be

2669

02:00:00,400 --> 02:00:09,669

one second did i miss one

2670

02:00:13,109 --> 02:00:11,430

yeah hold on friends i'm having a little

2671

02:00:14,790 --> 02:00:13,119

bit of trouble with my live chat oh

2672

02:00:16,910 --> 02:00:14,800

there we go lord ludacris plaid with

2673

02:00:19,510 --> 02:00:16,920

another kind and generous donation of

2674

02:00:22,070 --> 02:00:19,520

4.99 so where do you stand now

2675

02:00:23,510 --> 02:00:22,080

what percentage of people see are

2676

02:00:26,229 --> 02:00:23,520

military versus actual

2677

02:00:27,510 --> 02:00:26,239

unknown you know i believe that of all

2678

02:00:29,750 --> 02:00:27,520

the ufo reports

2679

02:00:31,589 --> 02:00:29,760

you know it's been said by many people

2680

02:00:33,669 --> 02:00:31,599

including blue book that 90

2681

02:00:34,790 --> 02:00:33,679

or more are explainable by weather

2682

02:00:38,149 --> 02:00:34,800

phenomenon

2683

02:00:41,229 --> 02:00:38,159

misidentified aircraft uh

2684

02:00:44,470 --> 02:00:41,239

the planet venus or other uh

2685

02:00:47,510 --> 02:00:44,480

astronomical sightings that are are

2686

02:00:49,109 --> 02:00:47,520

misconstrued as something otherworldly

2687

02:00:51,109 --> 02:00:49,119

i believe it's probably about ten

2688

02:00:53,350 --> 02:00:51,119

percent is truly unknown and if you

2689

02:00:56,550 --> 02:00:53,360

drill down on those you'll probably

2690

02:00:59,589 --> 02:00:56,560

get rid of another five percent of those

2691

02:01:00,629 --> 02:00:59,599

right so thanks for your kindness your

2692

02:01:03,589 --> 02:01:00,639

generosity

2693

02:01:08,310 --> 02:01:03,599

and your support lord ludacris plaid

2694

02:01:09,510 --> 02:01:08,320

helping us to praise the cash

2695

02:01:12,070 --> 02:01:09,520

where'd you guys create the guys

2696

02:01:13,109 --> 02:01:12,080

freezing cash thank you for your

2697

02:01:16,229 --> 02:01:13,119

kindness

2698

02:01:25,430 --> 02:01:16,239

thank you for your generosity crazy cash

2699

02:01:29,030 --> 02:01:26,950

and i apologize friends i'm going to

2700

02:01:32,229 --> 02:01:29,040

have to get some other bumpers because i

2701
02:01:32,629 --> 02:01:32,239
never anticipated uh having to do having

2702
02:01:35,669 --> 02:01:32,639
to

2703
02:01:36,709 --> 02:01:35,679
play those praised cash bumpers quite so

2704
02:01:40,470 --> 02:01:36,719
much

2705
02:01:41,750 --> 02:01:40,480
all in one show right

2706
02:01:43,830 --> 02:01:41,760
but thank you for kindness your

2707
02:01:44,390 --> 02:01:43,840
generosity and support every little bit

2708
02:01:47,030 --> 02:01:44,400
helps

2709
02:01:47,430 --> 02:01:47,040
uh and and and right now i'm going you

2710
02:01:49,030 --> 02:01:47,440
know

2711
02:01:52,390 --> 02:01:49,040
if there's something new for the show i

2712
02:01:57,750 --> 02:01:52,400
want to buy i can do that and not worry

2713
02:02:02,870 --> 02:02:00,950

ufo watchdog yeah so was

2714

02:02:03,990 --> 02:02:02,880

it was sean david morton right that sued

2715

02:02:05,589 --> 02:02:04,000

you for libel then he

2716

02:02:07,109 --> 02:02:05,599

ended up in federal prison for

2717

02:02:10,149 --> 02:02:07,119

investment scams

2718

02:02:12,229 --> 02:02:10,159

right and now he's a convicted felon and

2719

02:02:14,070 --> 02:02:12,239

ufo watchful do you know is he out i

2720

02:02:15,830 --> 02:02:14,080

thought he was out but then i think they

2721

02:02:17,430 --> 02:02:15,840

that he went back into prison for some

2722

02:02:19,910 --> 02:02:17,440

reason right

2723

02:02:22,390 --> 02:02:19,920

yeah ufo watchdog says he couldn't prove

2724

02:02:24,070 --> 02:02:22,400

one of his claims in court

2725

02:02:25,669 --> 02:02:24,080

yeah but i'm sure it was still costly

2726

02:02:27,750 --> 02:02:25,679

right john

2727

02:02:29,510 --> 02:02:27,760

trouts is here that's my brother-in-law

2728

02:02:32,550 --> 02:02:29,520

actually uh

2729

02:02:33,750 --> 02:02:32,560

pro wrestler at one time my

2730

02:02:35,350 --> 02:02:33,760

brother-in-law john

2731

02:02:37,189 --> 02:02:35,360

he just spent the weekend with us at the

2732

02:02:37,910 --> 02:02:37,199

cabin and there's a funny picture of my

2733

02:02:42,629 --> 02:02:37,920

son

2734

02:02:44,629 --> 02:02:42,639

machete

2735

02:02:45,990 --> 02:02:44,639

so that's their uncle booboo their

2736

02:02:47,990 --> 02:02:46,000

favorite uncle and xavier

2737

02:02:49,910 --> 02:02:48,000

loves to prank him so he's always asking

2738

02:02:50,550 --> 02:02:49,920

me to help him and my wife to help prank

2739

02:02:56,470 --> 02:02:50,560

him

2740

02:03:01,350 --> 02:02:58,950

alien scientist that clown kid is uber

2741

02:03:03,189 --> 02:03:01,360

creepy hey that's my son he's learning

2742

02:03:05,750 --> 02:03:03,199

to earn money right

2743

02:03:07,030 --> 02:03:05,760

you know better than me your boys are

2744

02:03:09,669 --> 02:03:07,040

older than me i think

2745

02:03:11,669 --> 02:03:09,679

they're older than mine uh jeremy those

2746

02:03:13,830 --> 02:03:11,679

toys get expensive so i'm trying to make

2747

02:03:16,390 --> 02:03:13,840

them work for things so he'll calm down

2748

02:03:18,550 --> 02:03:16,400

on asking for 8 million toys a week

2749

02:03:20,950 --> 02:03:18,560

i mentioned before he's been watching

2750

02:03:22,870 --> 02:03:20,960

toy what i call toy porn he just watches

2751

02:03:24,629 --> 02:03:22,880

these shows where they open toys talk

2752

02:03:26,550 --> 02:03:24,639

about toys play with toys

2753

02:03:28,629 --> 02:03:26,560

and then he wants them but he watches so

2754

02:03:37,109 --> 02:03:28,639

many of them that we can't keep up

2755

02:03:41,189 --> 02:03:40,390

all right so you know friends i think

2756

02:03:44,470 --> 02:03:41,199

that we

2757

02:03:46,149 --> 02:03:44,480

uh yeah matthew bryant says a ufo

2758

02:03:50,390 --> 02:03:46,159

scammer involved in real estate

2759

02:03:52,390 --> 02:03:50,400

scams never ufo watchdog says please

2760

02:03:54,709 --> 02:03:52,400

forgive my eight megabyte

2761

02:03:56,629 --> 02:03:54,719

my eight byte website from the 90s yeah

2762

02:03:56,950 --> 02:03:56,639

it's a little outdated but i'm glad it's

2763

02:03:58,629 --> 02:03:56,960

there

2764

02:04:00,950 --> 02:03:58,639
especially for historical purposes and

2765

02:04:02,709 --> 02:04:00,960
like i said it sure helped wake me up

2766

02:04:05,109 --> 02:04:02,719
so everybody has their place at the

2767

02:04:06,550 --> 02:04:05,119
table and by the way while i'm on that

2768

02:04:09,430 --> 02:04:06,560
subject i wanted to mention

2769

02:04:11,669 --> 02:04:09,440
uh you know that this is the time and

2770

02:04:14,790 --> 02:04:11,679
place that we find ourselves together in

2771

02:04:18,470 --> 02:04:14,800
and it's a special place to me but we're

2772

02:04:20,390 --> 02:04:18,480
going to be wrapping things up here

2773

02:04:22,830 --> 02:04:20,400
i could spend all night here you know i

2774

02:04:25,189 --> 02:04:22,840
love this place that i have found myself

2775

02:04:27,990 --> 02:04:25,199
in mostly because i

2776

02:04:28,709 --> 02:04:28,000

finally just took my place at the table

2777

02:04:31,270 --> 02:04:28,719

you see

2778

02:04:32,950 --> 02:04:31,280

along the way of this journey and you

2779

02:04:35,270 --> 02:04:32,960

guys have taken it with me

2780

02:04:37,109 --> 02:04:35,280

i learned a very important lesson and

2781

02:04:39,030 --> 02:04:37,119

that is

2782

02:04:41,270 --> 02:04:39,040

not to bother to ask for your place at

2783

02:04:43,350 --> 02:04:41,280

the table right

2784

02:04:44,709 --> 02:04:43,360

because all these ufo celebrities you

2785

02:04:47,910 --> 02:04:44,719

know the powers that be

2786

02:04:49,109 --> 02:04:47,920

at this table will always say no

2787

02:04:51,350 --> 02:04:49,119

they'll tell you you're not good enough

2788

02:04:52,069 --> 02:04:51,360

or smart enough or rich enough or you

2789

02:04:54,950 --> 02:04:52,079

haven't written enough

2790

02:04:57,189 --> 02:04:54,960

books or done enough lectures they will

2791

02:04:58,310 --> 02:04:57,199

always make excuses for why you don't

2792

02:05:01,109 --> 02:04:58,320

deserve a place

2793

02:05:01,750 --> 02:05:01,119

at their table and the truth is that

2794

02:05:03,750 --> 02:05:01,760

they will do

2795

02:05:04,790 --> 02:05:03,760

anything to stop you from taking a place

2796

02:05:07,350 --> 02:05:04,800

at their table

2797

02:05:08,550 --> 02:05:07,360

and having a voice there especially if

2798

02:05:14,069 --> 02:05:08,560

you've got information

2799

02:05:17,910 --> 02:05:15,910

especially if you're sharing information

2800

02:05:19,350 --> 02:05:17,920

that can shatter their often fake

2801
02:05:23,189 --> 02:05:19,360
stories

2802
02:05:24,629 --> 02:05:23,199
then they don't want you at their table

2803
02:05:27,109 --> 02:05:24,639
they won't accept you

2804
02:05:28,709 --> 02:05:27,119
instead they want to silence you and

2805
02:05:31,990 --> 02:05:28,719
censor you

2806
02:05:34,229 --> 02:05:32,000
i will not be silenced or censored

2807
02:05:35,030 --> 02:05:34,239
and along this journey my friends i

2808
02:05:38,069 --> 02:05:35,040
learned

2809
02:05:39,830 --> 02:05:38,079
no don't even bother to ask for your

2810
02:05:45,030 --> 02:05:39,840
place at the table

2811
02:05:46,629 --> 02:05:45,040
just take it and take it i did

2812
02:05:48,709 --> 02:05:46,639
and it's funny to me after i finally

2813
02:05:50,790 --> 02:05:48,719

just took my place at that table

2814

02:05:52,550 --> 02:05:50,800

and there was nothing left to stop me

2815

02:05:54,709 --> 02:05:52,560

funny that i'm now considering just

2816

02:05:58,709 --> 02:05:54,719

walking away from this whole

2817

02:06:00,950 --> 02:05:58,719

table of insanity forever like i said

2818

02:06:02,870 --> 02:06:00,960

you know researching ufos is like

2819

02:06:05,750 --> 02:06:02,880

chasing shadows

2820

02:06:06,790 --> 02:06:05,760

you just never quite get to any anything

2821

02:06:08,790 --> 02:06:06,800

meaningful

2822

02:06:09,990 --> 02:06:08,800

tantalizing evidence this might have

2823

02:06:11,910 --> 02:06:10,000

happened

2824

02:06:13,430 --> 02:06:11,920

tantalizing evidence this might have

2825

02:06:15,669 --> 02:06:13,440

happened but you never

2826

02:06:16,470 --> 02:06:15,679

get to the goods in the case of bob

2827

02:06:19,750 --> 02:06:16,480

lazar we

2828

02:06:22,069 --> 02:06:19,760

never get to the element 115 friends

2829

02:06:23,350 --> 02:06:22,079

we never get those satellite images

2830

02:06:25,510 --> 02:06:23,360

showing that

2831

02:06:27,270 --> 02:06:25,520

alien flying saucer base just as he

2832

02:06:28,229 --> 02:06:27,280

describes right there on that mountain

2833

02:06:33,030 --> 02:06:28,239

no

2834

02:06:36,229 --> 02:06:33,040

there because bob lazar is a fraud

2835

02:06:39,189 --> 02:06:36,239

and a fake and a convicted pimp and a

2836

02:06:45,109 --> 02:06:44,149

and anyone selling his story is

2837

02:06:48,390 --> 02:06:45,119

certainly

2838

02:06:48,790 --> 02:06:48,400

not without their own sins and maybe

2839

02:06:51,510 --> 02:06:48,800

just

2840

02:06:52,550 --> 02:06:51,520

maybe they're selling the story for

2841

02:06:54,629 --> 02:06:52,560

money

2842

02:06:55,750 --> 02:06:54,639

sometimes i wonder if even they believe

2843

02:06:59,030 --> 02:06:55,760

it

2844

02:07:01,669 --> 02:06:59,040

or do they know that the story is fake

2845

02:07:04,069 --> 02:07:01,679

but it'll sell so let's keep on selling

2846

02:07:08,870 --> 02:07:07,750

no friends i'm not asking for my place

2847

02:07:11,990 --> 02:07:08,880

at the table

2848

02:07:12,950 --> 02:07:12,000

i'm taking it and if they still try to

2849

02:07:15,430 --> 02:07:12,960

stop me

2850

02:07:16,550 --> 02:07:15,440

i'm going to build my own table i will

2851
02:07:19,109 --> 02:07:16,560
not be silenced

2852
02:07:19,990 --> 02:07:19,119
i will not be censored i will not be

2853
02:07:24,310 --> 02:07:20,000
stopped

2854
02:07:26,709 --> 02:07:24,320
in my efforts i will not be intimidated

2855
02:07:27,430 --> 02:07:26,719
threatened or harassed like many people

2856
02:07:29,430 --> 02:07:27,440
are

2857
02:07:31,189 --> 02:07:29,440
when they start standing up to this

2858
02:07:33,510 --> 02:07:31,199
fakery fraudery

2859
02:07:34,470 --> 02:07:33,520
that goes on in our so-called ufo

2860
02:07:35,830 --> 02:07:34,480
community let me tell you something

2861
02:07:37,510 --> 02:07:35,840
there's no community

2862
02:07:39,030 --> 02:07:37,520
there's a bunch of guys at the top of

2863
02:07:43,030 --> 02:07:39,040

this pyramid scheme

2864

02:07:45,750 --> 02:07:43,040

of fakery making tons of money

2865

02:07:47,270 --> 02:07:45,760

hanging out with criminals right people

2866

02:07:48,950 --> 02:07:47,280

they know are criminals working for

2867

02:07:51,990 --> 02:07:48,960

people they know are criminals

2868

02:07:52,950 --> 02:07:52,000

hocking fake stories people with fake

2869

02:07:54,629 --> 02:07:52,960

backgrounds and

2870

02:07:57,589 --> 02:07:54,639

fake employment histories they can't

2871

02:08:03,669 --> 02:07:57,599

prove it's a cesspool

2872

02:08:10,950 --> 02:08:07,430

like i said friends i want to believe

2873

02:08:12,390 --> 02:08:10,960

i guess that's why i'm still here

2874

02:08:14,069 --> 02:08:12,400

but lately i've been getting more and

2875

02:08:16,550 --> 02:08:14,079

more burnout and sad

2876

02:08:17,189 --> 02:08:16,560

that at every turn i find another fake

2877

02:08:19,830 --> 02:08:17,199

story

2878

02:08:21,830 --> 02:08:19,840

another fraud another profiteer selling

2879

02:08:23,350 --> 02:08:21,840

a questionable story let's just say

2880

02:08:26,550 --> 02:08:23,360

questionable story

2881

02:08:32,310 --> 02:08:30,310

no friends i don't know what will happen

2882

02:08:36,629 --> 02:08:32,320

next as far as me

2883

02:08:38,950 --> 02:08:36,639

but i do know that i'm not gonna ask

2884

02:08:40,229 --> 02:08:38,960

for my place at the table because that

2885

02:08:41,990 --> 02:08:40,239

would be foolish

2886

02:08:44,950 --> 02:08:42,000

they're never gonna let me sit at that

2887

02:08:47,669 --> 02:08:44,960

table so i'm just taking my place

2888

02:08:49,510 --> 02:08:47,679

and like it or not i'm here to stay and

2889

02:08:49,990 --> 02:08:49,520

some people are gonna have to deal with

2890

02:08:51,990 --> 02:08:50,000

me

2891

02:08:53,510 --> 02:08:52,000

you know throughout this journey i have

2892

02:08:57,189 --> 02:08:53,520

become

2893

02:09:03,990 --> 02:09:01,669

and for that i'm thankful

2894

02:09:04,950 --> 02:09:04,000

but the real truth is that i have become

2895

02:09:08,629 --> 02:09:04,960

a villain

2896

02:09:11,189 --> 02:09:08,639

to others people don't like

2897

02:09:11,830 --> 02:09:11,199

you know these comforting fairy tales

2898

02:09:16,550 --> 02:09:11,840

that they've

2899

02:09:19,030 --> 02:09:16,560

believed in for years people don't like

2900

02:09:20,629 --> 02:09:19,040

those illusions being shattered right

2901

02:09:23,669 --> 02:09:20,639

before their eyes

2902

02:09:24,790 --> 02:09:23,679

but everyone my friends everyone has

2903

02:09:28,390 --> 02:09:24,800

their place

2904

02:09:31,750 --> 02:09:28,400

at this table and maybe just maybe

2905

02:09:32,390 --> 02:09:31,760

that's my place and if it is then so be

2906

02:09:36,950 --> 02:09:32,400

it

2907

02:09:44,470 --> 02:09:40,149

let me help inform people let me help

2908

02:09:47,270 --> 02:09:44,480

people that are too quick to believe

2909

02:09:51,430 --> 02:09:47,280

these things without any

2910

02:09:58,470 --> 02:09:54,550

if

2911

02:10:00,550 --> 02:09:58,480

say

2912

02:10:02,069 --> 02:10:00,560

this story is not true or i believe this

2913

02:10:03,589 --> 02:10:02,079

story is not true because here's all the

2914

02:10:05,669 --> 02:10:03,599

evidence it's not true

2915

02:10:07,350 --> 02:10:05,679

friends the people selling these stories

2916

02:10:10,470 --> 02:10:07,360

aren't going to share that evidence with

2917

02:10:17,030 --> 02:10:15,109

i will so i welcome old friends

2918

02:10:18,310 --> 02:10:17,040

and i want to welcome anyone new give us

2919

02:10:19,750 --> 02:10:18,320

a chance

2920

02:10:21,669 --> 02:10:19,760

if you really want to get to the truth

2921

02:10:23,109 --> 02:10:21,679

behind these things you'll be glad that

2922

02:10:25,189 --> 02:10:23,119

you did and i want to

2923

02:10:27,270 --> 02:10:25,199

remind anybody listening in audio

2924

02:10:29,510 --> 02:10:27,280

podcast land you're missing half the fun

2925

02:10:31,510 --> 02:10:29,520

please go over to youtube

2926

02:10:32,870 --> 02:10:31,520

search for truth seekers one word look

2927

02:10:33,910 --> 02:10:32,880

for me the guy with the strange

2928

02:10:37,189 --> 02:10:33,920

sunglasses

2929

02:10:39,350 --> 02:10:37,199

click subscribe click

2930

02:10:41,510 --> 02:10:39,360

the notification bell you'll know about

2931

02:10:41,990 --> 02:10:41,520

our live shows and you too can come here

2932

02:10:43,830 --> 02:10:42,000

you've heard

2933

02:10:45,830 --> 02:10:43,840

all the audience interaction that we've

2934

02:10:48,709 --> 02:10:45,840

had tonight that's a huge

2935

02:10:50,310 --> 02:10:48,719

part of what we do here we welcome you

2936

02:10:52,790 --> 02:10:50,320

into our live chat

2937

02:10:55,189 --> 02:10:52,800

because unlike other intellectual

2938

02:10:56,149 --> 02:10:55,199

weaklings and cowards who simply block

2939

02:11:01,270 --> 02:10:56,159

people who ask

2940

02:11:06,229 --> 02:11:03,830

show them evidence that their stories

2941

02:11:09,189 --> 02:11:06,239

may be fake we don't block people here

2942

02:11:11,109 --> 02:11:09,199

we allow open and honest conversations

2943

02:11:12,470 --> 02:11:11,119

we want to have a conversation and all

2944

02:11:13,430 --> 02:11:12,480

these people that we talked about

2945

02:11:16,950 --> 02:11:13,440

tonight

2946

02:11:18,950 --> 02:11:16,960

george knapp jeremy corbell bob lazar

2947

02:11:20,390 --> 02:11:18,960

richard dolan you're all welcome to come

2948

02:11:23,830 --> 02:11:20,400

here and i will be

2949

02:11:25,430 --> 02:11:23,840

respectful and i will be very nice to

2950

02:11:27,350 --> 02:11:25,440

you

2951

02:11:28,870 --> 02:11:27,360

uh but it's certainly not my intention

2952

02:11:30,950 --> 02:11:28,880

to uh you know

2953

02:11:34,709 --> 02:11:30,960

corner somebody in into an interview

2954

02:11:37,750 --> 02:11:35,910

many of these people make their

2955

02:11:39,189 --> 02:11:37,760

decisions by show you know how many

2956

02:11:40,550 --> 02:11:39,199

subscribers oh you don't have enough

2957

02:11:41,030 --> 02:11:40,560

subscribers i'm not going to sell any

2958

02:11:43,669 --> 02:11:41,040

books

2959

02:11:45,350 --> 02:11:43,679

so they won't come here or at least

2960

02:11:47,990 --> 02:11:45,360

that's the excuse that i hear from

2961

02:11:48,790 --> 02:11:48,000

some of them my point being that here we

2962

02:11:51,589 --> 02:11:48,800

have honest

2963

02:11:52,470 --> 02:11:51,599

open discussions we look at all the

2964

02:11:58,950 --> 02:11:52,480

evidence

2965

02:12:00,790 --> 02:11:58,960

if the story may not be true because

2966

02:12:03,189 --> 02:12:00,800

we're selling this story

2967

02:12:05,350 --> 02:12:03,199

friends we're trying to get to the truth

2968

02:12:07,589 --> 02:12:05,360

i'm doing my very best here

2969

02:12:08,470 --> 02:12:07,599

and i have a lot of help i want to thank

2970

02:12:11,030 --> 02:12:08,480

immensely

2971

02:12:13,270 --> 02:12:11,040

uh victor colliero because this would

2972

02:12:16,629 --> 02:12:13,280

have been possible without his kindness

2973

02:12:18,390 --> 02:12:16,639

i had you know i was like victor please

2974

02:12:20,069 --> 02:12:18,400

you've got to let me share this and talk

2975

02:12:22,950 --> 02:12:20,079

about on my show it's just so

2976

02:12:23,910 --> 02:12:22,960

important right i think it's just that

2977

02:12:26,149 --> 02:12:23,920

important

2978

02:12:27,430 --> 02:12:26,159

and tonight we got to share it so very

2979

02:12:30,229 --> 02:12:27,440

special thanks to him

2980

02:12:31,990 --> 02:12:30,239

i think excellent work uh victor can

2981

02:12:32,790 --> 02:12:32,000

tell you in the live chat where you can

2982

02:12:34,550 --> 02:12:32,800

find more

2983

02:12:35,910 --> 02:12:34,560

and i did put the whole original

2984

02:12:38,950 --> 02:12:35,920

interview in

2985

02:12:43,270 --> 02:12:38,960

the description box here of the video

2986

02:12:46,870 --> 02:12:45,350

recognize those that are helping us

2987

02:12:49,430 --> 02:12:46,880

actually get to the truth

2988

02:12:51,430 --> 02:12:49,440

victor's not making a dime right he's

2989

02:12:52,550 --> 02:12:51,440

just personally interested and he wants

2990

02:12:55,589 --> 02:12:52,560

to get to the truth

2991

02:12:56,390 --> 02:12:55,599

and i gotta tell you a lot like me that

2992

02:12:59,350 --> 02:12:56,400

makes victor

2993

02:13:00,149 --> 02:12:59,360

a very dangerous man because he doesn't

2994

02:13:02,709 --> 02:13:00,159

neither

2995

02:13:04,550 --> 02:13:02,719

he or i we don't have and and some of us

2996

02:13:07,669 --> 02:13:04,560

out here researching these topics don't

2997

02:13:10,069 --> 02:13:07,679

have a financial motive to lie to you

2998

02:13:11,750 --> 02:13:10,079

and i reason friends we saw people

2999

02:13:13,430 --> 02:13:11,760

sending me some super chats tonight we

3000

02:13:14,069 --> 02:13:13,440

have some financial support here which

3001

02:13:16,550 --> 02:13:14,079

is great

3002

02:13:17,350 --> 02:13:16,560

because i reason that if these ufo

3003

02:13:20,229 --> 02:13:17,360

hucksters

3004

02:13:21,430 --> 02:13:20,239

and celebrities can make all this money

3005

02:13:24,390 --> 02:13:21,440

selling you lies

3006

02:13:25,910 --> 02:13:24,400

maybe some of us can make some money

3007

02:13:32,870 --> 02:13:25,920

trying to

3008

02:13:35,669 --> 02:13:32,880

help you see through those lies

3009

02:13:37,589 --> 02:13:35,679

and i'm glad that i could do this uh for

3010

02:13:39,109 --> 02:13:37,599

for you know i've been receiving so many

3011

02:13:41,109 --> 02:13:39,119

really nice comments lately i want to

3012

02:13:42,550 --> 02:13:41,119

thank everybody for their support

3013

02:13:43,990 --> 02:13:42,560

and their encouragement it really means

3014

02:13:44,870 --> 02:13:44,000

a lot to me because i've been out here

3015

02:13:48,470 --> 02:13:44,880

in the woods

3016

02:13:50,390 --> 02:13:48,480

for a long time a voice in the wind that

3017

02:13:52,950 --> 02:13:50,400

almost no one was hearing

3018

02:13:55,030 --> 02:13:52,960

but lately friends lately things are

3019

02:13:57,589 --> 02:13:55,040

changing and if you haven't noticed

3020

02:14:00,310 --> 02:13:57,599

as evidenced by our late our video we

3021

02:14:03,510 --> 02:14:00,320

posted earlier today of richard dolan

3022

02:14:05,270 --> 02:14:03,520

it's going to become increasingly more

3023

02:14:07,589 --> 02:14:05,280

and more difficult for these ufo

3024

02:14:10,790 --> 02:14:07,599

celebrities to ignore me

3025

02:14:13,270 --> 02:14:10,800

my evidence and my questions

3026

02:14:15,030 --> 02:14:13,280

all i want is a conversation why won't

3027

02:14:17,430 --> 02:14:15,040

they have a conversation

3028

02:14:18,390 --> 02:14:17,440

are they cowards are they intellectual

3029

02:14:20,790 --> 02:14:18,400

weaklings

3030

02:14:21,510 --> 02:14:20,800

whose stories are so weak they cannot

3031

02:14:24,629 --> 02:14:21,520

withstand

3032

02:14:28,149 --> 02:14:24,639

debate or conversation

3033

02:14:29,750 --> 02:14:28,159

about the evidence in those stories

3034

02:14:31,350 --> 02:14:29,760

kind of makes you wonder doesn't it

3035

02:14:33,350 --> 02:14:31,360

friends friends

3036

02:14:35,189 --> 02:14:33,360

uh i'm always happy when there's an

3037

02:14:37,189 --> 02:14:35,199

audience and i gotta tell you we had our

3038

02:14:38,390 --> 02:14:37,199

biggest audience live audience that

3039

02:14:41,750 --> 02:14:38,400

we've ever had

3040

02:14:44,310 --> 02:14:41,760

on any show tonight and uh boy

3041

02:14:45,669 --> 02:14:44,320

i can't tell you how happy i am when

3042

02:14:48,470 --> 02:14:45,679

there's an audience

3043

02:14:50,390 --> 02:14:48,480

and tonight we had a great one we

3044

02:14:52,310 --> 02:14:50,400

listened to a great interview

3045

02:14:54,470 --> 02:14:52,320

uh with help from a friend there victor

3046

02:14:56,550 --> 02:14:54,480

cagliari i think it's the most important

3047

02:14:57,990 --> 02:14:56,560

interview on area 51 that i've heard in

3048

02:15:00,069 --> 02:14:58,000

a decade

3049

02:15:02,069 --> 02:15:00,079

really is important work that he's doing

3050

02:15:02,950 --> 02:15:02,079

and so pleased that he would let us

3051

02:15:05,830 --> 02:15:02,960

share it here

3052

02:15:07,750 --> 02:15:05,840

on our show thank you again victor so

3053

02:15:11,109 --> 02:15:07,760

until next time friends

3054

02:15:13,990 --> 02:15:11,119

my name is steven cambion reminding you

3055

02:15:14,790 --> 02:15:14,000

that sometimes the truth is ugly but

3056

02:15:30,530 --> 02:15:14,800

it's still

3057

02:16:04,610 --> 02:16:02,830

[Music]

3058

02:16:36,600 --> 02:16:04,620

so

3059

02:16:59,959 --> 02:16:58,830

[Music]
