

MICHAEL HORN

USED A CONVICTED CHILD MOLESTER AS EVIDENCE OF LASER GUNS

Truth Seekers

1
00:00:03,270 --> 00:00:01,189

okay

2
00:00:05,030 --> 00:00:03,280

can i just go can i just ask about one

3
00:00:07,110 --> 00:00:05,040

other photo because i want to i want the

4
00:00:09,270 --> 00:00:07,120

same question is this a photo that billy

5
00:00:11,030 --> 00:00:09,280

meyer took and claims is real and that

6
00:00:12,629 --> 00:00:11,040

is the laser gun

7
00:00:13,830 --> 00:00:12,639

photo yes

8
00:00:15,509 --> 00:00:13,840

yes

9
00:00:17,670 --> 00:00:15,519

and what do you say about the person

10
00:00:20,710 --> 00:00:17,680

that found almost the exact

11
00:00:22,550 --> 00:00:20,720

laser gun toy made around the time the

12
00:00:24,470 --> 00:00:22,560

photograph was taken

13
00:00:26,150 --> 00:00:24,480

you'd think so do you where did you get

14

00:00:27,670 --> 00:00:26,160

that from because i'm going to tell you

15

00:00:29,189 --> 00:00:27,680

that that isn't true

16

00:00:31,269 --> 00:00:29,199

and i'm going to tell you hold on i'm

17

00:00:33,990 --> 00:00:31,279

going to find it here for you

18

00:00:35,990 --> 00:00:34,000

i think we might have a little something

19

00:00:37,430 --> 00:00:36,000

where that can be found yes i have a

20

00:00:38,950 --> 00:00:37,440

site that i can definitely source i

21

00:00:40,869 --> 00:00:38,960

don't have it in front of me so i

22

00:00:42,549 --> 00:00:40,879

apologize

23

00:00:44,950 --> 00:00:42,559

listen i appreciate you going through i

24

00:00:46,709 --> 00:00:44,960

only have a few just those few photos

25

00:00:48,630 --> 00:00:46,719

that i really had specific questions i'd

26
00:00:50,549 --> 00:00:48,640
like to ask you about the wedding cake

27
00:00:51,990 --> 00:00:50,559
thing too because that one i think is

28
00:00:54,869 --> 00:00:52,000
ridiculous

29
00:00:56,790 --> 00:00:54,879
we'll go back to that but let's do this

30
00:00:58,229 --> 00:00:56,800
and this is a little long but you asked

31
00:01:01,189 --> 00:00:58,239
for it and these people are saying it's

32
00:01:03,430 --> 00:01:01,199
a lie and all that so bear with me and

33
00:01:05,509 --> 00:01:03,440
uh this is from wendell stevens his

34
00:01:07,030 --> 00:01:05,519
books whatever you think of him he's a

35
00:01:10,230 --> 00:01:07,040
child molester you're going to say the

36
00:01:12,550 --> 00:01:10,240
child molester as a source hold on

37
00:01:14,390 --> 00:01:12,560
this is a man who along with two other

38
00:01:16,469 --> 00:01:14,400

michael if the best source you have is a

39

00:01:18,310 --> 00:01:16,479

child molester to defend your position

40

00:01:20,149 --> 00:01:18,320

no i'll let you use them i just want to

41

00:01:23,270 --> 00:01:20,159

be clear in that you're citing a child

42

00:01:25,749 --> 00:01:23,280

molester as a source

43

00:01:27,350 --> 00:01:25,759

hey if you knew the truth about

44

00:01:29,429 --> 00:01:27,360

everybody

45

00:01:30,789 --> 00:01:29,439

did you i i hope you never voted for

46

00:01:33,429 --> 00:01:30,799

bill clinton would you agree with me

47

00:01:35,190 --> 00:01:33,439

that a child molester cannot be trusted

48

00:01:37,109 --> 00:01:35,200

can you say can we agree on that let's

49

00:01:38,870 --> 00:01:37,119

get some common ground here

50

00:01:41,429 --> 00:01:38,880

you're citing a child molester as a

51

00:01:44,389 --> 00:01:41,439

source for proof i don't trust job

52

00:01:46,550 --> 00:01:44,399

molesters stephen i'm an investigator

53

00:01:48,469 --> 00:01:46,560

and i'm a research scientist and pardon

54

00:01:50,630 --> 00:01:48,479

me if you want to run [h__\h] arguments

55

00:01:51,830 --> 00:01:50,640

at me i'm just telling you what i feel

56

00:01:53,670 --> 00:01:51,840

if you want to go ahead with your

57

00:01:55,670 --> 00:01:53,680

argument using a child molester as a

58

00:01:57,030 --> 00:01:55,680

source you can go ahead and do that i'm

59

00:02:00,149 --> 00:01:57,040

just telling you what i feel you can go

60

00:02:02,069 --> 00:02:00,159

ahead with your argument then

61

00:02:03,350 --> 00:02:02,079

we're talking about a laser gun now

62

00:02:05,510 --> 00:02:03,360

right

63

00:02:07,510 --> 00:02:05,520

then talk about the laser clinton let's

64

00:02:09,830 --> 00:02:07,520

talk about it but i'm just saying you

65

00:02:11,830 --> 00:02:09,840

you know following please

66

00:02:14,949 --> 00:02:11,840

just hold that stuff

67

00:02:18,150 --> 00:02:14,959

because it's it's really unprofessional

68

00:02:20,470 --> 00:02:18,160

okay michael i will i will i will agree

69

00:02:22,550 --> 00:02:20,480

that i will not i won't go into that

70

00:02:24,229 --> 00:02:22,560

territory anymore you can talk about him

71

00:02:26,150 --> 00:02:24,239

any and use him as a source whatever you

72

00:02:28,550 --> 00:02:26,160

want to do i'm i just want to be clear

73

00:02:31,350 --> 00:02:28,560

in how i feel about him and and and

74

00:02:33,110 --> 00:02:31,360

people citing him as a source we're good

75

00:02:35,350 --> 00:02:33,120

let's go take a breath let's both take a

76

00:02:37,509 --> 00:02:35,360

breath and step back remember that we're

77

00:02:40,070 --> 00:02:37,519

trying to find common ground and i'm i'm

78

00:02:42,229 --> 00:02:40,080

only asking you questions professional

79

00:02:44,150 --> 00:02:42,239

okay

80

00:02:45,830 --> 00:02:44,160

do not leave children with him i don't

81

00:02:48,470 --> 00:02:45,840

know if the guy down the street doing

82

00:02:50,229 --> 00:02:48,480

people's taxes or the guy in the fixing

83

00:02:52,070 --> 00:02:50,239

cars as a child moisture and there's

84

00:02:54,309 --> 00:02:52,080

plenty of them that get out and they're

85

00:02:56,630 --> 00:02:54,319

people in all walks of life did the guy

86

00:02:57,990 --> 00:02:56,640

fix the damn car did he do the taxes now

87

00:03:00,070 --> 00:02:58,000

that doesn't mean i want to go to him

88

00:03:02,790 --> 00:03:00,080

now listen to what was said in this

89

00:03:05,190 --> 00:03:02,800

investigation by an investigator when i

90

00:03:05,990 --> 00:03:05,200

first saw these molesting investigator

91

00:03:09,430 --> 00:03:06,000

yes

92

00:03:11,110 --> 00:03:09,440

are you going to keep doing that no okay

93

00:03:13,910 --> 00:03:11,120

no i'm not afraid of what you know

94

00:03:15,030 --> 00:03:13,920

something about real life is messy

95

00:03:17,430 --> 00:03:15,040

stephen

96

00:03:20,070 --> 00:03:17,440

real life is messy but we choose we

97

00:03:22,070 --> 00:03:20,080

choose what sources to trust we choose

98

00:03:24,070 --> 00:03:22,080

we both have the we both have the right

99

00:03:25,670 --> 00:03:24,080

to choose which sources we trust that's

100

00:03:26,949 --> 00:03:25,680

awesome why don't you listen to the

101
00:03:29,430 --> 00:03:26,959
evidence

102
00:03:32,309 --> 00:03:29,440
really sincere and you go back and you

103
00:03:35,350 --> 00:03:32,319
tell me you know what what joe tisc that

104
00:03:37,350 --> 00:03:35,360
guy said is true

105
00:03:38,949 --> 00:03:37,360
i will i will admit this to you michael

106
00:03:41,270 --> 00:03:38,959
i will admit this to you every time

107
00:03:44,309 --> 00:03:41,280
somebody cites him as a source i turn

108
00:03:46,390 --> 00:03:44,319
off i'm sorry i apologize

109
00:03:49,430 --> 00:03:46,400
it's just that's just the way i feel

110
00:03:52,869 --> 00:03:49,440
about it and and so i have not exposed

111
00:03:55,110 --> 00:03:52,879
myself to a lot of what he has found i

112
00:03:56,869 --> 00:03:55,120
will admit that freely because because

113
00:03:59,350 --> 00:03:56,879

of this situation so

114

00:04:01,110 --> 00:03:59,360

i apologize and like i said let's both

115

00:04:02,789 --> 00:04:01,120

take a step back and take a breath we're

116

00:04:04,869 --> 00:04:02,799

trying to find common ground i'm just

117

00:04:07,190 --> 00:04:04,879

asking questions let's get into the

118

00:04:09,190 --> 00:04:07,200

laser gun photo then here it is when i

119

00:04:11,350 --> 00:04:09,200

first saw these laser pistol photos i

120

00:04:13,350 --> 00:04:11,360

had serious misgivings about them and

121

00:04:15,670 --> 00:04:13,360

the whole story of the so-called ancient

122

00:04:17,990 --> 00:04:15,680

weapon but then edward meyer took me to

123

00:04:20,069 --> 00:04:18,000

a place in the frat nature preserve near

124

00:04:22,230 --> 00:04:20,079

hinville where he had tested the first

125

00:04:24,950 --> 00:04:22,240

one he showed me a seared line of

126

00:04:27,590 --> 00:04:24,960

vegetation that went in a true straight

127

00:04:29,909 --> 00:04:27,600

line until it struck an embankment and

128

00:04:32,550 --> 00:04:29,919

stopped he showed me another and then a

129

00:04:35,270 --> 00:04:32,560

limb high above our heads on a tall tree

130

00:04:38,310 --> 00:04:35,280

over 60 feet tall that was severed

131

00:04:40,629 --> 00:04:38,320

cleanly at a place about 45 feet above

132

00:04:42,710 --> 00:04:40,639

the ground and 20 feet out from the

133

00:04:45,030 --> 00:04:42,720

trunk where the branch was about one

134

00:04:46,629 --> 00:04:45,040

inch in diameter the severed part of the

135

00:04:48,469 --> 00:04:46,639

branch was still lying on the ground

136

00:04:51,030 --> 00:04:48,479

where it had fallen and i picked it up

137

00:04:52,870 --> 00:04:51,040

and examined it it was severed cleanly

138

00:04:54,550 --> 00:04:52,880

without any fraying but the most

139

00:04:57,189 --> 00:04:54,560

noticeable thing about it was the thin

140

00:04:59,030 --> 00:04:57,199

layer of seared wood at the break the

141

00:05:01,189 --> 00:04:59,040

charring was no more than one inch to

142

00:05:03,430 --> 00:05:01,199

one and a quarter inches deep into the

143

00:05:05,510 --> 00:05:03,440

wood all the way through the branch and

144

00:05:07,670 --> 00:05:05,520

the searing of the bark was likewise

145

00:05:09,749 --> 00:05:07,680

very narrow at the break and so sudden

146

00:05:13,270 --> 00:05:09,759

and quick that the sap in the bark did

147

00:05:15,350 --> 00:05:13,280

not bubble out and run certainly no no i

148

00:05:17,590 --> 00:05:15,360

i take it back i have definitely heard

149

00:05:18,950 --> 00:05:17,600

this whole explanation

150

00:05:21,430 --> 00:05:18,960

several times

151

00:05:23,029 --> 00:05:21,440

i i have heard that have you seen the

152

00:05:25,430 --> 00:05:23,039

hole in the tree yes but what i've

153

00:05:28,070 --> 00:05:25,440

wondered is what i've wondered is

154

00:05:29,909 --> 00:05:28,080

yes i've seen a picture i believe

155

00:05:32,230 --> 00:05:29,919

i believe i've seen a photograph of it

156

00:05:34,150 --> 00:05:32,240

and my question about that is couldn't

157

00:05:36,070 --> 00:05:34,160

somebody have done that with a drill and

158

00:05:37,670 --> 00:05:36,080

a plumbing torch

159

00:05:39,430 --> 00:05:37,680

i'll jump down

160

00:05:41,830 --> 00:05:39,440

then there's the problem of the hole in

161

00:05:43,749 --> 00:05:41,840

the tree the tree was a good ten inches

162

00:05:45,830 --> 00:05:43,759

to twelve inches in diameter and the

163

00:05:48,469 --> 00:05:45,840

tree was green and full of stuff i got a

164

00:05:51,270 --> 00:05:48,479

16 inch drill i mean how would a man

165

00:05:53,110 --> 00:05:51,280

with one arm bore such a hole

166

00:05:55,350 --> 00:05:53,120

an auger bit would have been impossible

167

00:05:57,749 --> 00:05:55,360

because it would surely bind in a hole

168

00:06:00,629 --> 00:05:57,759

that long in a living tree how would

169

00:06:01,830 --> 00:06:00,639

meyer hold it so it was it was and then

170

00:06:03,670 --> 00:06:01,840

and then the other question about the

171

00:06:08,469 --> 00:06:03,680

laser gun so they gave him a laser gun

172

00:06:13,270 --> 00:06:10,469

and now god damn it listen to this stuff

173

00:06:15,270 --> 00:06:13,280

and stop giving me bs michael like i

174

00:06:16,870 --> 00:06:15,280

said let's take a breath

175

00:06:18,629 --> 00:06:16,880

something i'm just trying to i'm just

176

00:06:23,749 --> 00:06:18,639

the other questions

177

00:06:29,110 --> 00:06:26,710

where would he get an auger bit 12

178

00:06:31,029 --> 00:06:29,120

inches long by one inch in diameter a

179

00:06:33,110 --> 00:06:31,039

non-standard size that would have to be

180

00:06:34,150 --> 00:06:33,120

a special order and made up by a tool

181

00:06:35,830 --> 00:06:34,160

maker

182

00:06:38,150 --> 00:06:35,840

this would leave tracks that could be

183

00:06:40,230 --> 00:06:38,160

traced later and the hole in the tree

184

00:06:41,909 --> 00:06:40,240

had to be made in 20 minutes or less and

185

00:06:43,590 --> 00:06:41,919

all equipment removed and hidden never

186

00:06:45,830 --> 00:06:43,600

to be discovered again

187

00:06:48,469 --> 00:06:45,840

oh but there's more yes but he can't

188

00:06:50,950 --> 00:06:48,479

produce the laser gun why can't he

189

00:06:53,909 --> 00:06:50,960

produce the laser gun so we can examine

190

00:06:56,390 --> 00:06:53,919

it check out its technology maybe learn

191

00:06:59,270 --> 00:06:56,400

from it people don't jump through hoops

192

00:07:01,270 --> 00:06:59,280

just because brain dead human beings on

193

00:07:03,189 --> 00:07:01,280

earth decide brain daddy said he had a

194

00:07:04,790 --> 00:07:03,199

laser gun i'd like to take a look at the

195

00:07:07,350 --> 00:07:04,800

laser gun but there's a convenient

196

00:07:09,909 --> 00:07:07,360

explanation for why he can't let me look

197

00:07:12,790 --> 00:07:09,919

at the laser gun because you're a nobody

198

00:07:14,710 --> 00:07:12,800

in the overall scheme i'm a nobody i'm

199

00:07:16,390 --> 00:07:14,720

okay but so am i

200

00:07:18,150 --> 00:07:16,400

so we've been given you're saying you

201
00:07:20,309 --> 00:07:18,160
got listen this is like five-year-olds

202
00:07:21,990 --> 00:07:20,319
on a playground if five-year-olds on a

203
00:07:23,270 --> 00:07:22,000
playground if one five-year-old came up

204
00:07:26,070 --> 00:07:23,280
to a group of five-year-olds on a

205
00:07:28,070 --> 00:07:26,080
playground and said i got a laser gun

206
00:07:30,710 --> 00:07:28,080
we don't want to see it why can't we see

207
00:07:33,350 --> 00:07:30,720
the laser gun he said he had a laser gun

208
00:07:36,070 --> 00:07:33,360
michael horn come on and you are using

209
00:07:38,390 --> 00:07:36,080
five-year-olds on a playground thinking

210
00:07:39,909 --> 00:07:38,400
that's the best analogy i could think of

211
00:07:41,350 --> 00:07:39,919
it's the best analogy i could think of

212
00:07:43,909 --> 00:07:41,360
and just like five-year-olds in a

213
00:07:46,790 --> 00:07:43,919

playground if that kid went i do got a

214

00:07:48,469 --> 00:07:46,800

laser gun but you can't see it

215

00:07:51,110 --> 00:07:48,479

all the all the five-year-olds would

216

00:07:53,110 --> 00:07:51,120

think he was lying so it's it's a it's a

217

00:07:53,909 --> 00:07:53,120

good analogy

218

00:07:56,629 --> 00:07:53,919

um

219

00:07:59,430 --> 00:07:56,639

it isn't a good analogy because you are

220

00:08:02,070 --> 00:07:59,440

still doing the same thing

221

00:08:04,390 --> 00:08:02,080

that everybody else does that wants that

222

00:08:06,950 --> 00:08:04,400

they won't you you might go i grew up

223

00:08:08,869 --> 00:08:06,960

with this story i wish it was true i

224

00:08:11,510 --> 00:08:08,879

wish it was true i grew up with the

225

00:08:13,830 --> 00:08:11,520

story i wanted to be true i wish that

226
00:08:15,990 --> 00:08:13,840
your way out of a paper bag here listen

227
00:08:18,550 --> 00:08:16,000
watch this then the hole in the tree

228
00:08:21,189 --> 00:08:18,560
which a man could insert his thumb into

229
00:08:22,309 --> 00:08:21,199
was not completely round inside but

230
00:08:25,189 --> 00:08:22,319
somewhat

231
00:08:27,909 --> 00:08:25,199
oval in some places like the hole made

232
00:08:29,589 --> 00:08:27,919
by pouring hot water into a snow bank

233
00:08:32,389 --> 00:08:29,599
and the charring through light and

234
00:08:35,190 --> 00:08:32,399
penetrating into the wood no more than

235
00:08:37,430 --> 00:08:35,200
one quarter inch or less was uniform

236
00:08:39,509 --> 00:08:37,440
throughout including the front entrance

237
00:08:42,149 --> 00:08:39,519
and the rear exit from the trunk and the

238
00:08:44,790 --> 00:08:42,159

dark soil behind the tree in line of

239

00:08:47,110 --> 00:08:44,800

sight through the hole was still smoking

240

00:08:48,710 --> 00:08:47,120

and fused i'm not taking anybody else's

241

00:08:50,710 --> 00:08:48,720

word for this because i was there a

242

00:08:54,150 --> 00:08:50,720

short time later and personally examined

243

00:08:55,670 --> 00:08:54,160

it all for myself now you don't like it

244

00:08:58,230 --> 00:08:55,680

it's not good enough because well you

245

00:09:00,150 --> 00:08:58,240

want the toy gun to appear they found

246

00:09:04,230 --> 00:09:00,160

out that when they went looking for the

247

00:09:06,310 --> 00:09:04,240

toy gun it didn't exist it didn't exist

248

00:09:09,430 --> 00:09:06,320

it didn't exist in sporting goods stores

249

00:09:11,110 --> 00:09:09,440

it didn't exist in toy stores it didn't

250

00:09:13,910 --> 00:09:11,120

exist in anywhere that they could find

251
00:09:15,750 --> 00:09:13,920
it and to this day nobody's produced so

252
00:09:17,990 --> 00:09:15,760
what's actually happening somebody's

253
00:09:20,829 --> 00:09:18,000
found that i saw i saw a side-by-side

254
00:09:23,509 --> 00:09:20,839
comparison was that inaccurate was that

255
00:09:25,430 --> 00:09:23,519
inaccurate you produced the side by side

256
00:09:27,910 --> 00:09:25,440
because i've seen every so-called side

257
00:09:31,110 --> 00:09:27,920
by side and they explain

258
00:09:32,230 --> 00:09:31,120
how this works that it isn't the same

259
00:09:33,190 --> 00:09:32,240
and they said

260
00:09:35,190 --> 00:09:33,200
you know

261
00:09:37,750 --> 00:09:35,200
one guy insisted the gun here is from

262
00:09:39,910 --> 00:09:37,760
here was a plastic toy weapon and it

263
00:09:42,070 --> 00:09:39,920

could be proved that the color of the

264

00:09:44,470 --> 00:09:42,080

muzzle of the weapon was the same color

265

00:09:46,949 --> 00:09:44,480

as the freshly painted red fence in

266

00:09:47,670 --> 00:09:46,959

meyer's yard also seen in the pictures

267

00:09:48,949 --> 00:09:47,680

okay

268

00:09:51,190 --> 00:09:48,959

one more question and i mean this

269

00:09:52,870 --> 00:09:51,200

sincerely so aliens give them the laser

270

00:09:55,590 --> 00:09:52,880

gun and he just takes it like in his

271

00:09:57,910 --> 00:09:55,600

backyard on a farm and and shoots a tree

272

00:09:58,949 --> 00:09:57,920

like what i don't i don't understand the

273

00:10:01,350 --> 00:09:58,959

logic

274

00:10:03,509 --> 00:10:01,360

and because you've got a construct in

275

00:10:05,829 --> 00:10:03,519

your mind that things have to happen a

276

00:10:07,430 --> 00:10:05,839

certain way just like seti does they

277

00:10:09,750 --> 00:10:07,440

think somebody's going to babble to them

278

00:10:12,470 --> 00:10:09,760

in mathematics and that's going to be

279

00:10:14,230 --> 00:10:12,480

contact while billy meyer for 77 years

280

00:10:16,389 --> 00:10:14,240

is talking to real people and they're

281

00:10:18,389 --> 00:10:16,399

doing it in german so he can understand

282

00:10:20,389 --> 00:10:18,399

it and transcribe it but you but why

283

00:10:22,710 --> 00:10:20,399

would super intelligent aliens just lend

284

00:10:24,870 --> 00:10:22,720

billy meyer a laser gun then

285

00:10:25,750 --> 00:10:24,880

i mean why would they do that why would

286

00:10:27,829 --> 00:10:25,760

they

287

00:10:29,990 --> 00:10:27,839

lend him a laser gun well it looks to me

288

00:10:32,069 --> 00:10:30,000

like it provoked some controversy don't

289

00:10:33,670 --> 00:10:32,079

you think let me finish this thing about

290

00:10:36,870 --> 00:10:33,680

the toy weapon

291

00:10:39,110 --> 00:10:36,880

because it was not seen to be true in

292

00:10:41,910 --> 00:10:39,120

the same photos of the fence was painted

293

00:10:44,150 --> 00:10:41,920

with a glossy blood red enamel whereas

294

00:10:46,389 --> 00:10:44,160

the muzzle of the weapon was a flat rosy

295

00:10:48,630 --> 00:10:46,399

red color and they had

296

00:10:51,110 --> 00:10:48,640

and nor did this guy know that we had

297

00:10:53,910 --> 00:10:51,120

been to every toy supplier in

298

00:10:56,389 --> 00:10:53,920

switzerland and failed to find any toy

299

00:10:58,550 --> 00:10:56,399

weapon anything like the laser pistol

300

00:11:00,870 --> 00:10:58,560

meyer photograph a search of sporting

301
00:11:02,949 --> 00:11:00,880
goods stores was equally fruitless to

302
00:11:04,870 --> 00:11:02,959
this day we've never found a match for

303
00:11:06,870 --> 00:11:04,880
that in other words whatever you think

304
00:11:09,590 --> 00:11:06,880
of the investigators or anything else

305
00:11:11,350 --> 00:11:09,600
they did an investigation and they did a

306
00:11:13,269 --> 00:11:11,360
very i mean all the people that

307
00:11:15,509 --> 00:11:13,279
participated there were many more people

308
00:11:17,509 --> 00:11:15,519
than wendell stephens and the two of

309
00:11:19,509 --> 00:11:17,519
them lee and riddells were skeptics when

310
00:11:21,350 --> 00:11:19,519
they went over there but

311
00:11:22,949 --> 00:11:21,360
yeah and that that leads me to one other

312
00:11:23,910 --> 00:11:22,959
question about that documentary is a lot

313
00:11:26,389 --> 00:11:23,920

of people

314

00:11:28,630 --> 00:11:26,399

including you i believe have cited jim

315

00:11:30,550 --> 00:11:28,640

delatoso's image analysis and i have a

316

00:11:31,269 --> 00:11:30,560

huge problem with that because

317

00:11:32,230 --> 00:11:31,279

he

318

00:11:35,190 --> 00:11:32,240

just

319

00:11:37,190 --> 00:11:35,200

first of all like the the 1970s

320

00:11:39,269 --> 00:11:37,200

early 80s technology that he used to do

321

00:11:41,269 --> 00:11:39,279

that analysis and second of all you know

322

00:11:43,829 --> 00:11:41,279

he's been largely discredited with his

323

00:11:47,030 --> 00:11:43,839

analysis of the phoenix lights being

324

00:11:48,230 --> 00:11:47,040

completely and totally not science

325

00:11:50,150 --> 00:11:48,240

and so

326
00:11:51,509 --> 00:11:50,160
you know that's one of those things that

327
00:11:53,110 --> 00:11:51,519
always makes me

328
00:11:55,350 --> 00:11:53,120
something wrong every time or is he

329
00:11:57,190 --> 00:11:55,360
right every time how about neither well

330
00:11:58,550 --> 00:11:57,200
but here's here's here's my concern

331
00:12:00,710 --> 00:11:58,560
you've got you

332
00:12:01,829 --> 00:12:00,720
you like to cite like this is proof and

333
00:12:03,509 --> 00:12:01,839
you've got

334
00:12:04,870 --> 00:12:03,519
jim del tozo who

335
00:12:07,509 --> 00:12:04,880
your most

336
00:12:08,389 --> 00:12:07,519
professional image analyst would say

337
00:12:10,069 --> 00:12:08,399
he's

338
00:12:11,829 --> 00:12:10,079

you know it's junk science what he does

339

00:12:12,870 --> 00:12:11,839

it's not real science so that's you're

340

00:12:14,710 --> 00:12:12,880

saying that

341

00:12:16,389 --> 00:12:14,720

you have photographic proof that's

342

00:12:18,150 --> 00:12:16,399

that's the guy doing it and it's he's

343

00:12:19,430 --> 00:12:18,160

been largely discredited

344

00:12:22,230 --> 00:12:19,440

and then you're saying the laser gun's

345

00:12:24,069 --> 00:12:22,240

real i have a child molester that saw it

346

00:12:26,870 --> 00:12:24,079

there you go again it's very

347

00:12:28,949 --> 00:12:26,880

disingenuous thing to do you don't know

348

00:12:30,629 --> 00:12:28,959

that the people that you rely on maybe

349

00:12:32,550 --> 00:12:30,639

people in your own family are goddamn

350

00:12:34,230 --> 00:12:32,560

child molesters how would you know until

351
00:12:35,750 --> 00:12:34,240
they're outed maybe they've been living

352
00:12:37,110 --> 00:12:35,760
these wonderful saints

353
00:12:38,629 --> 00:12:37,120
i think you're missing the point my

354
00:12:40,870 --> 00:12:38,639
point is that you're citing these people

355
00:12:42,470 --> 00:12:40,880
as proof of your claims and once been

356
00:12:44,470 --> 00:12:42,480
largely discredited and the other one

357
00:12:46,629 --> 00:12:44,480
i'm not gonna say it again

358
00:12:48,389 --> 00:12:46,639
stephen if you're gonna do this no i

359
00:12:50,069 --> 00:12:48,399
just wanna move on

360
00:12:50,829 --> 00:12:50,079
i'm gonna give it plain and straight

361
00:12:55,269 --> 00:12:50,839
from the

362
00:12:58,470 --> 00:12:55,279
beginning an analysis using standard

363
00:13:00,629 --> 00:12:58,480

protocols for determining evidence shows

364

00:13:02,710 --> 00:13:00,639

the meyer case is authentic that's the

365

00:13:05,430 --> 00:13:02,720

first thing you've yet to acknowledge

366

00:13:07,750 --> 00:13:05,440

that because you're not willing to go

367

00:13:09,509 --> 00:13:07,760

means motive and opportunity let me look

368

00:13:10,710 --> 00:13:09,519

at that i didn't see that article even

369

00:13:13,269 --> 00:13:10,720

though it's been on your website for two

370

00:13:15,030 --> 00:13:13,279

and a half years michael and uh i don't

371

00:13:17,190 --> 00:13:15,040

know i mean you're gonna i've been a

372

00:13:19,430 --> 00:13:17,200

little behind on the billy myer case

373

00:13:21,670 --> 00:13:19,440

well then you don't have what i will say

374

00:13:24,230 --> 00:13:21,680

is this what i will say is that you know

375

00:13:26,389 --> 00:13:24,240

i i'm trying to do my due diligence i'm

376

00:13:29,269 --> 00:13:26,399

trying to understand what to me has been

377

00:13:31,990 --> 00:13:29,279

a mystery since i was a child

378

00:13:34,710 --> 00:13:32,000

i loved i do i like this i love the

379

00:13:37,430 --> 00:13:34,720

story michael but forget the story where

380

00:13:38,870 --> 00:13:37,440

i'm at is where i'm at is still stephen

381

00:13:40,389 --> 00:13:38,880

do you understand

382

00:13:42,389 --> 00:13:40,399

this or not

383

00:13:44,310 --> 00:13:42,399

yeah i'm having a conversation with you

384

00:13:45,829 --> 00:13:44,320

here where you go into your feelings

385

00:13:46,790 --> 00:13:45,839

every two minutes then you wanted to you

386

00:13:50,389 --> 00:13:46,800

know

387

00:13:51,910 --> 00:13:50,399

it's possible he wasn't it's possible

388

00:13:54,150 --> 00:13:51,920

that what i was told by lee and brit

389

00:13:55,990 --> 00:13:54,160

elders and other people was he was told

390

00:13:57,509 --> 00:13:56,000

to shut the hell up or he was going to

391

00:13:59,670 --> 00:13:57,519

jail and they were going to put him

392

00:14:01,030 --> 00:13:59,680

there and that's what happened now i

393

00:14:02,949 --> 00:14:01,040

don't know that it's true and i don't

394

00:14:05,670 --> 00:14:02,959

know that he was a child moisture i have

395

00:14:07,430 --> 00:14:05,680

absolutely no truck no patience with

396

00:14:09,590 --> 00:14:07,440

child molesters i think they are the

397

00:14:11,990 --> 00:14:09,600

worst people in the world but i heard p

398

00:14:13,829 --> 00:14:12,000

and i knew wendell for 20 years pardon

399

00:14:16,069 --> 00:14:13,839

me with your you know your second and

400

00:14:17,110 --> 00:14:16,079

third hand information and if you're

401

00:14:18,949 --> 00:14:17,120

going to be in an international

402

00:14:20,949 --> 00:14:18,959

publication it's public records it's not

403

00:14:22,069 --> 00:14:20,959

second and third-hand information

404

00:14:24,550 --> 00:14:22,079

publicly

405

00:14:26,310 --> 00:14:24,560

first-hand court documents that i got

406

00:14:28,069 --> 00:14:26,320

here on him you know

407

00:14:30,150 --> 00:14:28,079

everything's true right you read it on

408

00:14:32,310 --> 00:14:30,160

that's the news that's the that's the

409

00:14:33,990 --> 00:14:32,320

news so it's obviously true right i mean

410

00:14:35,590 --> 00:14:34,000

i know that you know that it's true

411

00:14:37,189 --> 00:14:35,600

because okay well let's just say this

412

00:14:38,470 --> 00:14:37,199

anybody can read the court transcripts

413

00:14:40,949 --> 00:14:38,480

their public records and make their own

414

00:14:43,030 --> 00:14:40,959

determination of the of of the veracity
