

DAVID WILCOCK

FREE ENERGY AND HOVER CARS? PART TWO

REPORT SCAM

Truth Seekers

1
00:02:03,990 --> 00:00:42,710
[Music]

2
00:02:10,309 --> 00:02:07,350
greetings and salutations friends

3
00:02:11,350 --> 00:02:10,319
and welcome back to truth seekers

4
00:02:12,869 --> 00:02:11,360
tonight

5
00:02:15,190 --> 00:02:12,879
we are going

6
00:02:18,140 --> 00:02:15,200
on the dark side

7
00:02:18,300 --> 00:02:18,150
welcome

8
00:02:48,309 --> 00:02:18,310
[Applause]

9
00:02:51,190 --> 00:02:48,319
[Music]

10
00:02:53,430 --> 00:02:51,200
greetings and salutations old friends

11
00:02:56,070 --> 00:02:53,440
and hopefully some new friends

12
00:02:57,589 --> 00:02:56,080
welcome back to truth seekers

13
00:03:01,030 --> 00:02:57,599

we are back

14

00:03:04,390 --> 00:03:01,040

for part two of our astonishing series

15

00:03:05,990 --> 00:03:04,400

on david wilcock and his various let's

16

00:03:08,309 --> 00:03:06,000

just say

17

00:03:10,550 --> 00:03:08,319

less than scrupulous

18

00:03:13,110 --> 00:03:10,560

business endeavors

19

00:03:15,589 --> 00:03:13,120

yesterday we began our coverage over uh

20

00:03:18,149 --> 00:03:15,599

david wilcox newest claims that he's

21

00:03:19,990 --> 00:03:18,159

going to have a hover car prototype

22

00:03:23,509 --> 00:03:20,000

ready within a year and you should buy

23

00:03:26,630 --> 00:03:23,519

his course on anti-gravity and also

24

00:03:29,270 --> 00:03:26,640

uh invest in his hover car and free

25

00:03:31,589 --> 00:03:29,280

energy company but before anybody parts

26

00:03:33,910 --> 00:03:31,599

with her hard-earned money

27

00:03:35,589 --> 00:03:33,920

i thought it was especially important

28

00:03:38,470 --> 00:03:35,599

that we present

29

00:03:40,869 --> 00:03:38,480

a history of some of the less than

30

00:03:42,789 --> 00:03:40,879

ethical things that david wilcock has

31

00:03:45,430 --> 00:03:42,799

been involved in

32

00:03:47,910 --> 00:03:45,440

and there are many to choose from so

33

00:03:51,030 --> 00:03:47,920

many in fact and we have covered so many

34

00:03:53,190 --> 00:03:51,040

of these various i'm calling them scams

35

00:03:54,949 --> 00:03:53,200

i believe that is a fair assessment of

36

00:03:57,990 --> 00:03:54,959

some of his business dealings calling

37

00:04:00,229 --> 00:03:58,000

them scams there were so many that we

38

00:04:02,390 --> 00:04:00,239

have covered previously and i realized

39

00:04:04,789 --> 00:04:02,400

that what we really needed to do is

40

00:04:07,509 --> 00:04:04,799

collect all of the data and the proof of

41

00:04:10,630 --> 00:04:07,519

these unethical business adventures of

42

00:04:12,789 --> 00:04:10,640

david wilcock over the years into one

43

00:04:14,789 --> 00:04:12,799

exciting presentation

44

00:04:16,390 --> 00:04:14,799

and i'm happy to say that thanks to the

45

00:04:18,870 --> 00:04:16,400

kindness and the generosity and the

46

00:04:20,789 --> 00:04:18,880

support of spooky please do buy her a

47

00:04:23,270 --> 00:04:20,799

coffee there's a link in the about

48

00:04:24,469 --> 00:04:23,280

section of our video for helping out

49

00:04:26,710 --> 00:04:24,479

um

50

00:04:29,030 --> 00:04:26,720

spooky helped me all day with this

51
00:04:30,950 --> 00:04:29,040
presentation to create these slides and

52
00:04:33,030 --> 00:04:30,960
genocide we've got slides for you

53
00:04:35,270 --> 00:04:33,040
tonight what an exciting night we

54
00:04:37,270 --> 00:04:35,280
finally get the slides that jonasside

55
00:04:38,710 --> 00:04:37,280
has been asking for

56
00:04:43,749 --> 00:04:38,720
so

57
00:04:45,909 --> 00:04:43,759
many things that i would call scams or

58
00:04:47,990 --> 00:04:45,919
things that appear to be scams

59
00:04:51,510 --> 00:04:48,000
using fake sources

60
00:04:52,550 --> 00:04:51,520
gofundme scams paypal donation scams all

61
00:04:55,110 --> 00:04:52,560
of which

62
00:04:58,230 --> 00:04:55,120
the internet never forgets now it's

63
00:05:00,710 --> 00:04:58,240

important that i point out that

64

00:05:03,830 --> 00:05:00,720

a lot of this information is

65

00:05:06,390 --> 00:05:03,840

being slowly purged from the internets

66

00:05:08,629 --> 00:05:06,400

david wilcock is deleting all of his

67

00:05:11,430 --> 00:05:08,639

facebook posts concerning

68

00:05:13,670 --> 00:05:11,440

uh the pete peterson

69

00:05:16,790 --> 00:05:13,680

gofundme scam

70

00:05:19,189 --> 00:05:16,800

his posts promoting that gofundme have

71

00:05:21,350 --> 00:05:19,199

been deleted from facebook and are

72

00:05:23,749 --> 00:05:21,360

unrecoverable as they were not crawled

73

00:05:25,350 --> 00:05:23,759

by way back machine but it's okay

74

00:05:27,830 --> 00:05:25,360

because we have the substantial and

75

00:05:30,070 --> 00:05:27,840

supportive proof of his involvement in

76
00:05:31,510 --> 00:05:30,080
that scam and we will present it to you

77
00:05:33,590 --> 00:05:31,520
tonight

78
00:05:36,070 --> 00:05:33,600
we've got the emory smith

79
00:05:38,950 --> 00:05:36,080
paypal donation scam we've got the

80
00:05:41,110 --> 00:05:38,960
convergence pictures llc

81
00:05:43,189 --> 00:05:41,120
invest in my film company that never

82
00:05:45,350 --> 00:05:43,199
made the film after four years of

83
00:05:48,150 --> 00:05:45,360
collecting donation scam

84
00:05:51,590 --> 00:05:48,160
now we've got what i call the david

85
00:05:53,909 --> 00:05:51,600
wilcox spiritual foundation charity scam

86
00:05:56,070 --> 00:05:53,919
in which for three or four years now he

87
00:05:58,870 --> 00:05:56,080
has collected charitable donations and

88
00:06:00,870 --> 00:05:58,880

has only shown us where the first year

89

00:06:02,309 --> 00:06:00,880

of donations went

90

00:06:04,150 --> 00:06:02,319

where he collected something like

91

00:06:06,629 --> 00:06:04,160

seventy thousand dollars and did not

92

00:06:08,550 --> 00:06:06,639

manage to perform any charitable acts

93

00:06:10,710 --> 00:06:08,560

with the seventy thousand dollars

94

00:06:13,110 --> 00:06:10,720

instead spending the money on things

95

00:06:15,430 --> 00:06:13,120

like travel expenses software and

96

00:06:18,309 --> 00:06:15,440

equipment and never actually doing any

97

00:06:20,790 --> 00:06:18,319

charitable work with seventy thousand

98

00:06:22,790 --> 00:06:20,800

dollars worth of charitable donations

99

00:06:24,550 --> 00:06:22,800

and my friends that is just the first

100

00:06:26,550 --> 00:06:24,560

year of charitable donations and the

101

00:06:28,790 --> 00:06:26,560

only year he disclosed

102

00:06:30,790 --> 00:06:28,800

which he's required to do by federal law

103

00:06:34,629 --> 00:06:30,800

how much he actually has collected in

104

00:06:35,510 --> 00:06:34,639

donations and where all the money went

105

00:06:37,430 --> 00:06:35,520

gee

106

00:06:41,510 --> 00:06:37,440

the

107

00:06:43,510 --> 00:06:41,520

many that we forgot to include some in

108

00:06:45,990 --> 00:06:43,520

the slide presentation so i apologize

109

00:06:49,350 --> 00:06:46,000

but we have also what i believe was a

110

00:06:52,150 --> 00:06:49,360

scam which is running a online course

111

00:06:53,990 --> 00:06:52,160

with danian brinkley claiming

112

00:06:55,670 --> 00:06:54,000

that daniel brinkley was gonna die any

113

00:06:57,270 --> 00:06:55,680

day now and you gotta hurry up and sign

114

00:06:59,749 --> 00:06:57,280

up for this course or it'll be gone and

115

00:07:01,909 --> 00:06:59,759

danny brinkley could die any minute

116

00:07:04,230 --> 00:07:01,919

well that turned out to be completely

117

00:07:06,390 --> 00:07:04,240

made up fairy tales and this man

118

00:07:09,029 --> 00:07:06,400

pretended i suppose that one of his

119

00:07:11,830 --> 00:07:09,039

friends was deathly ill in order to sell

120

00:07:14,710 --> 00:07:11,840

more online courses great guy david

121

00:07:18,070 --> 00:07:14,720

wilcock is such a spiritual man

122

00:07:20,870 --> 00:07:18,080

such a spiritual guru right

123

00:07:22,710 --> 00:07:20,880

that he's willing to lie through his

124

00:07:24,710 --> 00:07:22,720

fake teeth and say that his friend is

125

00:07:26,469 --> 00:07:24,720

about to die any minute

126

00:07:28,390 --> 00:07:26,479

by the way that guy daniel brinkley is

127

00:07:31,350 --> 00:07:28,400

still alive he's still posting facebook

128

00:07:33,189 --> 00:07:31,360

posts as of yesterday and the day before

129

00:07:35,029 --> 00:07:33,199

so he never he wasn't in any danger of

130

00:07:36,070 --> 00:07:35,039

dying and in fact

131

00:07:37,749 --> 00:07:36,080

uh we

132

00:07:39,430 --> 00:07:37,759

reached out to somebody that was in

133

00:07:41,670 --> 00:07:39,440

business with danny and brinkley ran a

134

00:07:43,350 --> 00:07:41,680

charity for veterans with daniel

135

00:07:45,589 --> 00:07:43,360

brinkley his partner

136

00:07:48,390 --> 00:07:45,599

who said that daniel brinkley although

137

00:07:49,749 --> 00:07:48,400

not in the best health he could not he

138

00:07:51,270 --> 00:07:49,759

does not

139

00:07:52,710 --> 00:07:51,280

have any

140

00:07:54,550 --> 00:07:52,720

terminal illness

141

00:07:57,589 --> 00:07:54,560

currently

142

00:08:00,150 --> 00:07:57,599

and or major health problems and he was

143

00:08:02,629 --> 00:08:00,160

not in any danger of dying anytime soon

144

00:08:04,550 --> 00:08:02,639

to the best of his partner's knowledge

145

00:08:07,510 --> 00:08:04,560

for those that don't know daniel

146

00:08:08,950 --> 00:08:07,520

brinkley is a great partner for david

147

00:08:11,110 --> 00:08:08,960

wilcock because daddy and brinkley

148

00:08:13,350 --> 00:08:11,120

claimed that he died not once but i

149

00:08:15,189 --> 00:08:13,360

believe four different times and it just

150

00:08:17,589 --> 00:08:15,199

so happens that every time he needed a

151

00:08:20,230 --> 00:08:17,599

new book he would die again and write

152

00:08:22,390 --> 00:08:20,240

about his new near-death experience we

153

00:08:25,350 --> 00:08:22,400

have covered daniel brinkley the man who

154

00:08:28,150 --> 00:08:25,360

died all the time uh on a previous show

155

00:08:30,309 --> 00:08:28,160

here and in that show we detailed how

156

00:08:32,949 --> 00:08:30,319

the doctor who attended him after his

157

00:08:34,469 --> 00:08:32,959

first near-death experience claims uh

158

00:08:36,709 --> 00:08:34,479

where he had a

159

00:08:38,550 --> 00:08:36,719

lightning strike hit him

160

00:08:40,790 --> 00:08:38,560

uh danny brinkley claimed that he woke

161

00:08:42,310 --> 00:08:40,800

up in the morgue with a toe tag on that

162

00:08:45,269 --> 00:08:42,320

never happened and the attending

163

00:08:47,750 --> 00:08:45,279

physician who treated him

164

00:08:50,389 --> 00:08:47,760

spoke to a reporter who said that never

165

00:08:52,470 --> 00:08:50,399

happened he never left his hospital bed

166

00:08:54,949 --> 00:08:52,480

in fact they don't believe that he was

167

00:08:57,430 --> 00:08:54,959

ever even truly unconscious during his

168

00:08:59,269 --> 00:08:57,440

hospital stay where he claimed he had a

169

00:09:01,110 --> 00:08:59,279

near-death experience and woke up in a

170

00:09:03,590 --> 00:09:01,120

morgue there's that

171

00:09:05,430 --> 00:09:03,600

right and david wilcock hooks up with

172

00:09:06,949 --> 00:09:05,440

him and starts selling a course that you

173

00:09:09,190 --> 00:09:06,959

gotta buy right away because daniel

174

00:09:11,750 --> 00:09:09,200

brinkley the guy who died four times may

175

00:09:13,990 --> 00:09:11,760

die a fifth time great

176
00:09:17,269 --> 00:09:14,000
so without further ado i'm gonna put up

177
00:09:20,470 --> 00:09:17,279
my fair use banner here uh just because

178
00:09:23,750 --> 00:09:20,480
we may be sharing uh some audio

179
00:09:26,070 --> 00:09:23,760
and videos that i think are important

180
00:09:28,150 --> 00:09:26,080
and we have to be sure that we cite fair

181
00:09:30,470 --> 00:09:28,160
use because this is a transformative

182
00:09:33,430 --> 00:09:30,480
work and we are educating the public and

183
00:09:35,910 --> 00:09:33,440
critiquing the video that we are sharing

184
00:09:37,910 --> 00:09:35,920
so this is certainly covered under fair

185
00:09:39,430 --> 00:09:37,920
use and allowable by law we will be

186
00:09:40,949 --> 00:09:39,440
critiquing the video discussing the

187
00:09:43,110 --> 00:09:40,959
contents with our live chat and

188
00:09:45,990 --> 00:09:43,120

educating the public with it this is the

189

00:09:48,790 --> 00:09:46,000

textbook definition of fair use we

190

00:09:51,829 --> 00:09:48,800

vigorously defend our right to use these

191

00:09:54,710 --> 00:09:51,839

clips in the spirit of fair use and

192

00:09:57,030 --> 00:09:54,720

lawyer letters are standing by for those

193

00:09:59,829 --> 00:09:57,040

stupid enough to falsely copyright or

194

00:10:01,750 --> 00:09:59,839

privacy strike me for the use of their

195

00:10:04,069 --> 00:10:01,760

materials a lot of these guys don't like

196

00:10:05,990 --> 00:10:04,079

it when you use their own clips to show

197

00:10:08,710 --> 00:10:06,000

what liars they are and they try to

198

00:10:10,470 --> 00:10:08,720

falsely strike you or you know whatever

199

00:10:12,949 --> 00:10:10,480

we have lawyer letters standing by so

200

00:10:15,269 --> 00:10:12,959

far i've won every frivolous or false

201
00:10:17,430 --> 00:10:15,279
copyright strike where we use something

202
00:10:19,670 --> 00:10:17,440
under fair use i think we're up to 13

203
00:10:21,509 --> 00:10:19,680
now so we've got good lawyer letters

204
00:10:24,069 --> 00:10:21,519
standing by if anybody wants to waste

205
00:10:26,630 --> 00:10:24,079
their time falsely copyright or privacy

206
00:10:29,670 --> 00:10:26,640
striking me for the use of these said

207
00:10:32,790 --> 00:10:29,680
materials now we are going to begin

208
00:10:35,350 --> 00:10:32,800
our presentation with a an edited video

209
00:10:37,509 --> 00:10:35,360
i edited several clips from a video

210
00:10:40,230 --> 00:10:37,519
where david wilcock was discussing time

211
00:10:42,150 --> 00:10:40,240
travel and its relevance today because

212
00:10:44,630 --> 00:10:42,160
in this video he talks about his hover

213
00:10:46,710 --> 00:10:44,640

car company this is several months ago

214

00:10:48,150 --> 00:10:46,720

but i thought it very relevant and why

215

00:10:50,790 --> 00:10:48,160

is that

216

00:10:52,870 --> 00:10:50,800

that is because in this very video david

217

00:10:55,590 --> 00:10:52,880

wilcox says that the people he's working

218

00:10:57,829 --> 00:10:55,600

on these hover cars with are associates

219

00:11:00,150 --> 00:10:57,839

of pete peterson but there's a huge

220

00:11:02,470 --> 00:11:00,160

problem with that pete peterson is a

221

00:11:04,710 --> 00:11:02,480

complete and total fraud and we've got

222

00:11:07,350 --> 00:11:04,720

the slides to prove it tonight pete

223

00:11:09,590 --> 00:11:07,360

peterson is a seat was a senile old man

224

00:11:12,870 --> 00:11:09,600

who made fantastical claims about being

225

00:11:14,630 --> 00:11:12,880

an early computer pioneer about working

226

00:11:17,190 --> 00:11:14,640

for the russian equivalent of nasa

227

00:11:19,269 --> 00:11:17,200

working for ronald reagan turns out all

228

00:11:21,829 --> 00:11:19,279

that is fake and he never did any of

229

00:11:23,670 --> 00:11:21,839

that his education is fake he's not a

230

00:11:26,470 --> 00:11:23,680

doctor even though they call him dr pete

231

00:11:29,509 --> 00:11:26,480

peterson his doctorate apparently came

232

00:11:31,110 --> 00:11:29,519

from a college that does not exist

233

00:11:33,110 --> 00:11:31,120

we've got to prove we'll be sharing it

234

00:11:33,910 --> 00:11:33,120

tonight but we're going to begin

235

00:11:36,470 --> 00:11:33,920

with

236

00:11:37,750 --> 00:11:36,480

this video file which is edit together

237

00:11:38,550 --> 00:11:37,760

statements

238

00:11:40,870 --> 00:11:38,560

um

239

00:11:42,790 --> 00:11:40,880

where he mentions that the new

240

00:11:44,630 --> 00:11:42,800

adventure he's starting with this hover

241

00:11:47,590 --> 00:11:44,640

car company he's doing it with

242

00:11:49,030 --> 00:11:47,600

associates of pete peterson

243

00:11:51,030 --> 00:11:49,040

but there's a big problem with that

244

00:11:53,670 --> 00:11:51,040

because how does a known

245

00:11:55,750 --> 00:11:53,680

guy with a fake education fake computer

246

00:11:58,710 --> 00:11:55,760

background who was performing pump and

247

00:12:00,230 --> 00:11:58,720

dump stock scams shortly before his

248

00:12:01,910 --> 00:12:00,240

death and other

249

00:12:03,829 --> 00:12:01,920

let's just say less than ethical

250

00:12:05,430 --> 00:12:03,839

business adventures

251
00:12:07,509 --> 00:12:05,440
how is

252
00:12:09,269 --> 00:12:07,519
working with that guy's associates gonna

253
00:12:11,350 --> 00:12:09,279
work out since he was a complete and

254
00:12:13,829 --> 00:12:11,360
total fraud with a fake education a fake

255
00:12:15,750 --> 00:12:13,839
background fake claimed credentials fake

256
00:12:16,629 --> 00:12:15,760
awards he claimed he won that he never

257
00:12:18,230 --> 00:12:16,639
did

258
00:12:19,829 --> 00:12:18,240
fake education

259
00:12:21,350 --> 00:12:19,839
great so now

260
00:12:23,990 --> 00:12:21,360
he admits in this video that the

261
00:12:25,910 --> 00:12:24,000
associates of pete peterson are the ones

262
00:12:29,269 --> 00:12:25,920
that are helping him create this free

263
00:12:31,670 --> 00:12:29,279

energy devices and these hover cars then

264

00:12:33,750 --> 00:12:31,680

he says that he's going to be using the

265

00:12:35,430 --> 00:12:33,760

patents that were recently released by

266

00:12:37,910 --> 00:12:35,440

salvador pi ass

267

00:12:40,069 --> 00:12:37,920

and the us navy to create the hover car

268

00:12:42,550 --> 00:12:40,079

but the problem is ask any scientist to

269

00:12:44,389 --> 00:12:42,560

look at those patents pete peterson

270

00:12:46,150 --> 00:12:44,399

claims the patents tell you exactly how

271

00:12:47,750 --> 00:12:46,160

it works the problem is that those

272

00:12:49,509 --> 00:12:47,760

patents were released

273

00:12:51,670 --> 00:12:49,519

over a year and a half ago maybe two

274

00:12:53,430 --> 00:12:51,680

years ago now and so far nobody's looked

275

00:12:55,190 --> 00:12:53,440

at the patent and created a free energy

276

00:12:57,350 --> 00:12:55,200

device or

277

00:12:59,190 --> 00:12:57,360

a working anti-gravity craft but david

278

00:13:01,030 --> 00:12:59,200

wilcock claims if you invest in his

279

00:13:02,790 --> 00:13:01,040

company he's going to be able to do it

280

00:13:05,269 --> 00:13:02,800

where every other real scientist that

281

00:13:08,150 --> 00:13:05,279

looked at those patents said there's no

282

00:13:09,110 --> 00:13:08,160

proof that this is a workable system

283

00:13:11,350 --> 00:13:09,120

great

284

00:13:13,750 --> 00:13:11,360

all right so we're caught up

285

00:13:18,470 --> 00:13:13,760

we're going to be uh

286

00:13:18,480 --> 00:13:22,389

hover car

287

00:13:22,399 --> 00:13:26,949

one second friends talk about it

288

00:13:29,910 --> 00:13:28,550

oh this shared video function never

289

00:13:31,750 --> 00:13:29,920

works so great

290

00:13:33,670 --> 00:13:31,760

we're getting pretty close

291

00:13:35,590 --> 00:13:33,680

um once we get to that point i can talk

292

00:13:37,110 --> 00:13:35,600

a lot more but uh

293

00:13:38,790 --> 00:13:37,120

several of pete peterson's former

294

00:13:40,949 --> 00:13:38,800

associates i'm working with on this and

295

00:13:44,710 --> 00:13:40,959

it's very very real

296

00:13:47,350 --> 00:13:44,720

so he's using associates of his

297

00:13:48,470 --> 00:13:47,360

former completely and totally fake

298

00:13:50,710 --> 00:13:48,480

source

299

00:13:52,949 --> 00:13:50,720

to create a hover car so this fake

300

00:13:55,189 --> 00:13:52,959

source with a fake education who was

301

00:13:56,870 --> 00:13:55,199

performing pump and dump scams

302

00:13:58,230 --> 00:13:56,880

uh

303

00:14:00,470 --> 00:13:58,240

yeah

304

00:14:03,030 --> 00:14:00,480

he's going to use that guys friends to

305

00:14:06,790 --> 00:14:03,040

create a hover car i wonder how that's

306

00:14:12,550 --> 00:14:06,800

going to work out for him i mean

307

00:14:12,560 --> 00:14:18,310

bear with

308

00:14:18,320 --> 00:14:25,990

one second

309

00:14:38,870 --> 00:14:27,030

oh

310

00:14:41,590 --> 00:14:40,550

good friends

311

00:14:45,430 --> 00:14:41,600

ah

312

00:14:48,310 --> 00:14:45,440

we are having uh stream yard issues here

313

00:14:58,230 --> 00:14:49,990

one second let me see if i can't get

314

00:15:02,389 --> 00:15:00,389

okay one second friends just bear with

315

00:15:06,790 --> 00:15:02,399

me i think the issue may be ram because

316

00:15:10,310 --> 00:15:06,800

i have a great deal of things open here

317

00:15:10,320 --> 00:15:16,150

one second here

318

00:15:19,829 --> 00:15:18,710

uh we expect that once we get financed

319

00:15:21,430 --> 00:15:19,839

hopefully

320

00:15:23,430 --> 00:15:21,440

that we'll have an operational working

321

00:15:24,949 --> 00:15:23,440

prototype within one year and that we

322

00:15:27,030 --> 00:15:24,959

could go into mass production within

323

00:15:29,430 --> 00:15:27,040

four years where you will have a hover

324

00:15:30,389 --> 00:15:29,440

car in your garage at an affordable

325

00:15:32,150 --> 00:15:30,399

price

326

00:15:34,710 --> 00:15:32,160

the company that i'm working with is one

327

00:15:36,550 --> 00:15:34,720

of about five that i've been briefed on

328

00:15:38,949 --> 00:15:36,560

that are all working on

329

00:15:40,550 --> 00:15:38,959

here we go again david wilcock i've said

330

00:15:43,430 --> 00:15:40,560

this before i'm going to say this many

331

00:15:46,629 --> 00:15:43,440

many times generals get briefings you

332

00:15:48,069 --> 00:15:46,639

don't get briefings buddy

333

00:15:55,430 --> 00:15:48,079

this and we're all in kind of like a

334

00:15:59,829 --> 00:15:57,990

yeah i'm sorry for these issues

335

00:16:00,710 --> 00:15:59,839

boy i was locked and loaded and ready to

336

00:16:05,269 --> 00:16:00,720

go

337

00:16:13,430 --> 00:16:08,150

justin kropka is here asking four slides

338

00:16:17,749 --> 00:16:15,749

just bear with me friends

339

00:16:20,829 --> 00:16:17,759

get ready to

340

00:16:23,189 --> 00:16:20,839

end this stream and start

341

00:16:25,910 --> 00:16:23,199

over but i don't want to do that because

342

00:16:28,629 --> 00:16:25,920

i have all of my tabs and all the things

343

00:16:33,189 --> 00:16:28,639

i need to share is is right here ready

344

00:16:33,199 --> 00:16:39,749

just stand by friends

345

00:16:43,269 --> 00:16:41,590

we're gonna

346

00:16:50,629 --> 00:16:43,279

give up on this video in a moment if

347

00:16:55,509 --> 00:16:53,749

and it appears uh night besides mine you

348

00:22:23,029 --> 00:16:55,519

should want to

349

00:22:27,029 --> 00:22:24,950

yeah i apologize for that friends we're

350

00:22:28,710 --> 00:22:27,039

having major technical issues here which

351
00:22:30,310 --> 00:22:28,720
is kind of funny to me so we're gonna

352
00:22:32,230 --> 00:22:30,320
forgo the

353
00:22:33,590 --> 00:22:32,240
the video that we're playing the video

354
00:22:35,430 --> 00:22:33,600
that we're playing the important part of

355
00:22:37,669 --> 00:22:35,440
the video is just to establish that he's

356
00:22:39,590 --> 00:22:37,679
saying that all of this information and

357
00:22:41,590 --> 00:22:39,600
technology to build the hover cars and

358
00:22:44,149 --> 00:22:41,600
the free energy devices

359
00:22:46,710 --> 00:22:44,159
are coming from associates of pete

360
00:22:48,630 --> 00:22:46,720
peterson who we can prove

361
00:22:51,990 --> 00:22:48,640
is a complete and total fraud and we're

362
00:22:57,750 --> 00:22:54,630
one second friends let me share my

363
00:22:59,510 --> 00:22:57,760

browser tab and thanks to spooky this uh

364

00:23:02,390 --> 00:22:59,520

slide presentation is called david

365

00:23:04,310 --> 00:23:02,400

wilcock and the saga of scams

366

00:23:06,390 --> 00:23:04,320

so here we go

367

00:23:08,870 --> 00:23:06,400

now it's important to realize that this

368

00:23:11,270 --> 00:23:08,880

entire hovercar free energy scam is

369

00:23:12,870 --> 00:23:11,280

built on pete peterson

370

00:23:15,669 --> 00:23:12,880

you may ask yourself who is pete

371

00:23:18,310 --> 00:23:15,679

peterson well here's some claims and

372

00:23:20,070 --> 00:23:18,320

some evidence about pete peterson the

373

00:23:21,430 --> 00:23:20,080

first claim

374

00:23:22,789 --> 00:23:21,440

that i came across that i found

375

00:23:24,390 --> 00:23:22,799

extremely suspect because i have a

376

00:23:26,070 --> 00:23:24,400

background in computer science and i've

377

00:23:27,430 --> 00:23:26,080

been a big computer nerd since i was

378

00:23:29,190 --> 00:23:27,440

eight years old

379

00:23:31,190 --> 00:23:29,200

is that pete peterson claims he was an

380

00:23:33,590 --> 00:23:31,200

early computer pioneer who beat apple

381

00:23:34,630 --> 00:23:33,600

commodore tandy and atari and more to

382

00:23:36,310 --> 00:23:34,640

market

383

00:23:37,669 --> 00:23:36,320

the first alphanumeric personal

384

00:23:39,830 --> 00:23:37,679

computer

385

00:23:41,510 --> 00:23:39,840

uh and he said that his

386

00:23:43,190 --> 00:23:41,520

computer was bought by all major

387

00:23:44,870 --> 00:23:43,200

universities and major business

388

00:23:47,029 --> 00:23:44,880

businesses

389

00:23:49,750 --> 00:23:47,039

so here's some evidence first of all i'm

390

00:23:51,830 --> 00:23:49,760

very familiar with early computers

391

00:23:53,430 --> 00:23:51,840

i never heard of his computer or his

392

00:23:55,430 --> 00:23:53,440

computer company which by the way

393

00:23:57,909 --> 00:23:55,440

laughingly his computer company was

394

00:23:59,110 --> 00:23:57,919

supposed to be called cyberdyne you know

395

00:24:01,110 --> 00:23:59,120

the same company that made the

396

00:24:03,750 --> 00:24:01,120

terminators great

397

00:24:05,669 --> 00:24:03,760

uh nothing suspect about that so the

398

00:24:07,909 --> 00:24:05,679

evidence is that we called 10 vintage

399

00:24:10,070 --> 00:24:07,919

computer museums all around the world

400

00:24:12,549 --> 00:24:10,080

and no one that i talked to ever heard

401
00:24:15,029 --> 00:24:12,559
of pete peterson his company or his

402
00:24:16,870 --> 00:24:15,039
personal computer

403
00:24:19,110 --> 00:24:16,880
further we talked to early computer

404
00:24:21,350 --> 00:24:19,120
pioneer david haney of commodore and

405
00:24:23,830 --> 00:24:21,360
amiga fame he never heard of pete his

406
00:24:25,830 --> 00:24:23,840
company or his computer and he says

407
00:24:28,070 --> 00:24:25,840
there would be record of this in a

408
00:24:30,789 --> 00:24:28,080
magazine article or some history

409
00:24:32,549 --> 00:24:30,799
supporting his claims and there is none

410
00:24:34,789 --> 00:24:32,559
so that's a good indication that all of

411
00:24:36,630 --> 00:24:34,799
his claims are fake and fraudulent

412
00:24:38,230 --> 00:24:36,640
further i asked every computer nerd i

413
00:24:40,870 --> 00:24:38,240

know if they ever heard of cyberdyne

414

00:24:43,190 --> 00:24:40,880

systems or an early 8-bit computer that

415

00:24:45,750 --> 00:24:43,200

this man created that beat commodore

416

00:24:47,750 --> 00:24:45,760

tandy atari apple and more to market

417

00:24:49,750 --> 00:24:47,760

nobody that i know out of all the

418

00:24:50,630 --> 00:24:49,760

computer people i know has ever heard of

419

00:24:52,310 --> 00:24:50,640

him

420

00:24:53,590 --> 00:24:52,320

now we get to the next claim of pete

421

00:25:01,750 --> 00:24:53,600

peterson

422

00:25:03,669 --> 00:25:01,760

invented and by the way david wilcock

423

00:25:05,990 --> 00:25:03,679

has been making money off of this fake

424

00:25:08,630 --> 00:25:06,000

source for years and years and years he

425

00:25:10,950 --> 00:25:08,640

did a gaia tv show with him he wrote a

426

00:25:13,110 --> 00:25:10,960

book about this guy's fake stories he

427

00:25:15,909 --> 00:25:13,120

got paid at conference conferences to

428

00:25:19,430 --> 00:25:15,919

talk and tell stories about this guy

429

00:25:21,350 --> 00:25:19,440

all of this guy's background education

430

00:25:23,750 --> 00:25:21,360

and claimed work history are completely

431

00:25:25,430 --> 00:25:23,760

and totally fake here's another claim he

432

00:25:27,909 --> 00:25:25,440

claims he invented a revolutionary

433

00:25:30,230 --> 00:25:27,919

central processor that had 40 cores and

434

00:25:31,590 --> 00:25:30,240

was 50 times faster than any available

435

00:25:33,990 --> 00:25:31,600

cpu

436

00:25:36,630 --> 00:25:34,000

now what's the evidence the evidence is

437

00:25:39,029 --> 00:25:36,640

that no evidence of this fictional cpu

438

00:25:40,950 --> 00:25:39,039

was ever mentioned in any magazine

439

00:25:43,750 --> 00:25:40,960

website that covers technology or

440

00:25:46,549 --> 00:25:43,760

computers anywhere there is no mention

441

00:25:49,269 --> 00:25:46,559

of this man or his claimed inventions

442

00:25:51,909 --> 00:25:49,279

anywhere on the internet except

443

00:25:54,390 --> 00:25:51,919

in a pump and dump scam that we found

444

00:25:57,430 --> 00:25:54,400

where he was hired on by a computer

445

00:25:59,990 --> 00:25:57,440

company a technology company

446

00:26:02,470 --> 00:26:00,000

and they pumped his big fake background

447

00:26:04,870 --> 00:26:02,480

in order i believe to inflate this the

448

00:26:06,870 --> 00:26:04,880

stock price and then after the stock

449

00:26:08,630 --> 00:26:06,880

price went through the roof the stocks

450

00:26:10,870 --> 00:26:08,640

were all sold off by the principles of

451
00:26:12,549 --> 00:26:10,880
the company this is my opinion

452
00:26:14,390 --> 00:26:12,559
and then the company went out of

453
00:26:17,269 --> 00:26:14,400
business it is a fact that they pumped

454
00:26:19,750 --> 00:26:17,279
this man this fake technology guru early

455
00:26:21,669 --> 00:26:19,760
computer pioneer that never was to

456
00:26:23,750 --> 00:26:21,679
investors claiming that he would

457
00:26:25,909 --> 00:26:23,760
revolutionize their company

458
00:26:28,470 --> 00:26:25,919
then the company went out of business

459
00:26:30,950 --> 00:26:28,480
shortly after hiring him and highly

460
00:26:32,789 --> 00:26:30,960
publicizing his hire as being game

461
00:26:36,149 --> 00:26:32,799
changing for their company

462
00:26:38,230 --> 00:26:36,159
this claim of 40 and 50 i'm sorry 40

463
00:26:39,269 --> 00:26:38,240

core processor 50 times faster than

464

00:26:41,909 --> 00:26:39,279

anything

465

00:26:45,110 --> 00:26:41,919

is likely another fake claim because had

466

00:26:48,390 --> 00:26:45,120

he really beat intel and amd and apple

467

00:26:51,430 --> 00:26:48,400

with cpu or silicon like that he would

468

00:26:54,390 --> 00:26:51,440

be a billionaire but instead he died

469

00:26:58,549 --> 00:26:54,400

penniless and broke

470

00:27:01,510 --> 00:26:58,559

this is the media g3 pump and dump scam

471

00:27:03,029 --> 00:27:01,520

media g3 welcomes dr pete peterson

472

00:27:05,750 --> 00:27:03,039

except there's a problem there he was

473

00:27:09,029 --> 00:27:05,760

not a real doctor his education and his

474

00:27:09,990 --> 00:27:09,039

claim doctorate degrees are all fake

475

00:27:12,230 --> 00:27:10,000

yeah

476

00:27:14,230 --> 00:27:12,240

uh a leading developer of broadband

477

00:27:15,990 --> 00:27:14,240

wireless products and services pleased

478

00:27:17,510 --> 00:27:16,000

to announce the appointment of dr pete

479

00:27:20,630 --> 00:27:17,520

peterson to the company's board of

480

00:27:21,990 --> 00:27:20,640

directors now again this is pr for

481

00:27:23,830 --> 00:27:22,000

investors

482

00:27:26,549 --> 00:27:23,840

this was put out in order to get

483

00:27:28,389 --> 00:27:26,559

investors to invest in their company

484

00:27:29,990 --> 00:27:28,399

based on their hiring of this early

485

00:27:35,830 --> 00:27:30,000

computer

486

00:27:37,590 --> 00:27:35,840

pioneer in fact he never did any of the

487

00:27:40,789 --> 00:27:37,600

things that he says on his resume that

488

00:27:43,110 --> 00:27:40,799

he did we checked into all of it

489

00:27:45,510 --> 00:27:43,120

this my friends is what is commonly

490

00:27:47,510 --> 00:27:45,520

known as a pump and dump scam

491

00:27:49,990 --> 00:27:47,520

so david wilcock is starting a new hover

492

00:27:52,230 --> 00:27:50,000

car company based on friends of this guy

493

00:27:53,909 --> 00:27:52,240

who was involved in a pump-a-dump scam

494

00:27:56,710 --> 00:27:53,919

who has a fake education and a

495

00:27:58,549 --> 00:27:56,720

completely totally made-up resume full

496

00:28:01,510 --> 00:27:58,559

of fake accomplishments that he never

497

00:28:03,830 --> 00:28:01,520

did great great it's looking real good

498

00:28:05,909 --> 00:28:03,840

for peop for david wilcox hover car

499

00:28:08,230 --> 00:28:05,919

company working with friends of this

500

00:28:11,190 --> 00:28:08,240

fraud to create a hover car

501
00:28:13,350 --> 00:28:11,200
sure and soliciting donations with

502
00:28:17,750 --> 00:28:13,360
friends of this guy who was previously

503
00:28:19,669 --> 00:28:17,760
involved in this pump and dump scam

504
00:28:21,990 --> 00:28:19,679
next claim of pete peterson this is

505
00:28:24,230 --> 00:28:22,000
great claimed degrees in electronics

506
00:28:26,230 --> 00:28:24,240
philosophy and physics from golden state

507
00:28:27,909 --> 00:28:26,240
university now known as stanford

508
00:28:35,269 --> 00:28:27,919
university

509
00:28:37,510 --> 00:28:35,279
and the evidence we found is that we

510
00:28:40,389 --> 00:28:37,520
checked with stanford university and

511
00:28:42,549 --> 00:28:40,399
there's no record of pete peterson

512
00:28:44,710 --> 00:28:42,559
at stanford at all his educational

513
00:28:47,190 --> 00:28:44,720

claims are all fake also check golden

514

00:28:48,710 --> 00:28:47,200

state university no record of pete or

515

00:28:51,830 --> 00:28:48,720

gary peterson it should be noted that

516

00:28:54,149 --> 00:28:51,840

his legal name was gary pete peterson

517

00:28:56,789 --> 00:28:54,159

checked under both names his education

518

00:28:58,870 --> 00:28:56,799

is completely and totally fake so him

519

00:29:01,830 --> 00:28:58,880

being a doctor completely and totally

520

00:29:03,909 --> 00:29:01,840

fake made-up claim and david wilcock

521

00:29:05,909 --> 00:29:03,919

always called them dr peterson right

522

00:29:08,549 --> 00:29:05,919

well not always he was called a pete but

523

00:29:11,350 --> 00:29:08,559

sometimes he referred to him as dr pete

524

00:29:13,269 --> 00:29:11,360

peterson when it was convenient to sell

525

00:29:17,029 --> 00:29:13,279

whatever garbage david wilcock was

526

00:29:19,510 --> 00:29:17,039

selling he said this guy was

527

00:29:21,750 --> 00:29:19,520

a doctor no he's not nobody can prove

528

00:29:24,230 --> 00:29:21,760

he's a doctor

529

00:29:27,510 --> 00:29:24,240

now here is the pete peterson gofundme

530

00:29:29,830 --> 00:29:27,520

scam which david wilcock heavily

531

00:29:31,669 --> 00:29:29,840

promoted on his social media

532

00:29:33,909 --> 00:29:31,679

here's a claim pete comes from a long

533

00:29:35,830 --> 00:29:33,919

line inventors including his grandfather

534

00:29:38,230 --> 00:29:35,840

who was tesla's right-hand engineer at

535

00:29:40,470 --> 00:29:38,240

the colorado laboratory known as mr do

536

00:29:42,630 --> 00:29:40,480

by president ronald reagan he is one of

537

00:29:44,389 --> 00:29:42,640

the top scientists technology problem

538

00:29:46,070 --> 00:29:44,399

solvers and is widely considered as the

539

00:29:48,389 --> 00:29:46,080

single most valuable and prolific

540

00:29:51,590 --> 00:29:48,399

inventor whose inventions remain highly

541

00:29:53,430 --> 00:29:51,600

classified this is lies right in the

542

00:29:54,789 --> 00:29:53,440

text body of the

543

00:30:00,310 --> 00:29:54,799

gofundme

544

00:30:02,710 --> 00:30:00,320

of claims about this man's home being

545

00:30:04,710 --> 00:30:02,720

invaded by deep state operatives who are

546

00:30:06,149 --> 00:30:04,720

destroying everything he owns and

547

00:30:07,830 --> 00:30:06,159

throwing them in

548

00:30:11,110 --> 00:30:07,840

dumpsters and rolling over them with

549

00:30:14,470 --> 00:30:11,120

bulldozers turns out that was a

550

00:30:17,350 --> 00:30:14,480

foreclosure a legal foreclosure had

551
00:30:19,350 --> 00:30:17,360
nothing nothing at all to do with the

552
00:30:21,269 --> 00:30:19,360
deep state or this man being a

553
00:30:23,830 --> 00:30:21,279
whistleblower he's not a whistleblower

554
00:30:25,990 --> 00:30:23,840
he's another in a long line of frauds

555
00:30:28,149 --> 00:30:26,000
that david wilcock has used to sell fake

556
00:30:29,990 --> 00:30:28,159
stories about aliens

557
00:30:32,149 --> 00:30:30,000
now here we go

558
00:30:34,070 --> 00:30:32,159
the gofundme scam

559
00:30:36,630 --> 00:30:34,080
and this has been

560
00:30:38,310 --> 00:30:36,640
jimmy church tried to scrub this episode

561
00:30:40,389 --> 00:30:38,320
from the internet because he does jimmy

562
00:30:41,190 --> 00:30:40,399
church doesn't want you to know that he

563
00:30:42,870 --> 00:30:41,200

let

564

00:30:48,830 --> 00:30:42,880

david wilcock

565

00:30:51,750 --> 00:30:48,840

promote an outright gofundme scam on his

566

00:30:53,590 --> 00:30:51,760

show that show david wilcock claimed

567

00:30:55,830 --> 00:30:53,600

death threats by phoning and writing

568

00:30:59,110 --> 00:30:55,840

blackmail efforts for over a million

569

00:31:02,389 --> 00:30:59,120

dollars possible attempted murderer

570

00:31:04,149 --> 00:31:02,399

by sabotaging his car breaks anonymous

571

00:31:06,149 --> 00:31:04,159

calls to child protective services

572

00:31:08,070 --> 00:31:06,159

saying corey goode are in imminent

573

00:31:10,470 --> 00:31:08,080

danger he created this narrative of some

574

00:31:12,789 --> 00:31:10,480

kind of deep state attack so that he

575

00:31:15,509 --> 00:31:12,799

could garner sympathy and get people to

576

00:31:18,710 --> 00:31:15,519

donate to his buddies he claims armed

577

00:31:20,950 --> 00:31:18,720

policemen were protecting the crime

578

00:31:22,549 --> 00:31:20,960

with the homeowner guaranteed 90 days in

579

00:31:24,950 --> 00:31:22,559

jail if it comes within a mile of the

580

00:31:27,029 --> 00:31:24,960

operation that's fake we talked to the

581

00:31:29,990 --> 00:31:27,039

local police officers who told me it was

582

00:31:34,470 --> 00:31:32,070

foreclosure on a home and we've got the

583

00:31:37,190 --> 00:31:34,480

foreclosure documents that i can share

584

00:31:39,350 --> 00:31:37,200

and show you i will link to them in the

585

00:31:41,509 --> 00:31:39,360

description of this video shortly after

586

00:31:43,430 --> 00:31:41,519

broadcast and you too can read the

587

00:31:45,110 --> 00:31:43,440

foreclosure documents and find out that

588

00:31:47,909 --> 00:31:45,120

this so-called deep state attack that

589

00:31:50,470 --> 00:31:47,919

david wilcock was pumping and asking for

590

00:31:53,430 --> 00:31:50,480

paypal donations for the text body in

591

00:31:57,750 --> 00:31:53,440

the gofundme is all lies

592

00:32:01,430 --> 00:31:59,669

david wilcox says they're just some of

593

00:32:05,190 --> 00:32:01,440

the actions we are calling the dark

594

00:32:09,509 --> 00:32:07,909

update a miraculous outpouring of your

595

00:32:11,590 --> 00:32:09,519

public support has appeared for pete

596

00:32:13,909 --> 00:32:11,600

peterson i am truly awed and humbled

597

00:32:16,870 --> 00:32:13,919

thank you an emergency fundraiser for

598

00:32:19,750 --> 00:32:16,880

pete is a vast unexpected purifying

599

00:32:22,710 --> 00:32:19,760

flame consuming the dark we met

600

00:32:24,230 --> 00:32:22,720

we may yet win this for him no at the

601
00:32:25,909 --> 00:32:24,240
time that david wilcox started

602
00:32:27,990 --> 00:32:25,919
soliciting paypal donations the

603
00:32:29,350 --> 00:32:28,000
foreclosure was already finished they

604
00:32:31,750 --> 00:32:29,360
were just giving him some time to get

605
00:32:34,230 --> 00:32:31,760
his junk out of the house

606
00:32:36,630 --> 00:32:34,240
before the bank you know cleaned it out

607
00:32:39,590 --> 00:32:36,640
and by the way his house was a complete

608
00:32:41,669 --> 00:32:39,600
and total hoarding nightmare mess there

609
00:32:44,549 --> 00:32:41,679
was nothing of value in that home and it

610
00:32:46,710 --> 00:32:44,559
was filled with bodies of dead cats and

611
00:32:49,190 --> 00:32:46,720
bottles of piss

612
00:32:51,430 --> 00:32:49,200
david wilcock on the jimmy church show

613
00:32:53,990 --> 00:32:51,440

no longer available said all the things

614

00:32:55,590 --> 00:32:54,000

he pete peterson owns which are worth in

615

00:32:57,990 --> 00:32:55,600

the millions of dollars which i was set

616

00:32:59,750 --> 00:32:58,000

to inherit that stuff it would have kept

617

00:33:01,990 --> 00:32:59,760

me financially solvent for the rest of

618

00:33:03,669 --> 00:33:02,000

my life so i gotta ask david wilcock

619

00:33:05,509 --> 00:33:03,679

because we've got eyewitness reports to

620

00:33:07,750 --> 00:33:05,519

what was actually in the house david

621

00:33:10,149 --> 00:33:07,760

wilcock and what was in the house was

622

00:33:12,149 --> 00:33:10,159

dead cats and bottles of piss what's

623

00:33:13,909 --> 00:33:12,159

worth millions of dollars there what are

624

00:33:16,389 --> 00:33:13,919

you inheriting are you inheriting the

625

00:33:19,110 --> 00:33:16,399

dead cats or are you inheriting the

626

00:33:21,990 --> 00:33:19,120

house full of bottles full of piss from

627

00:33:22,830 --> 00:33:22,000

a senile old man

628

00:33:24,710 --> 00:33:22,840

on

629

00:33:27,590 --> 00:33:24,720

divinecosmos.com it's posted david was

630

00:33:29,909 --> 00:33:27,600

set to inherit at least a portion of all

631

00:33:31,669 --> 00:33:29,919

these valuables

632

00:33:34,389 --> 00:33:31,679

now we have david wilcock promoting the

633

00:33:37,430 --> 00:33:34,399

gofundme scam on jimmy church's show and

634

00:33:41,190 --> 00:33:37,440

we are going to share that friends

635

00:33:46,389 --> 00:33:43,990

i have to find it and we will share it

636

00:33:48,950 --> 00:33:46,399

hopefully we're gonna have it look it

637

00:33:50,389 --> 00:33:48,960

appears as if using the share video

638

00:33:51,830 --> 00:33:50,399

function which is something i don't

639

00:33:54,389 --> 00:33:51,840

usually do i usually share from a

640

00:33:56,070 --> 00:33:54,399

browser tab is what caused our technical

641

00:33:59,110 --> 00:33:56,080

problems i'll be in touch with

642

00:34:00,789 --> 00:33:59,120

streamyard later i want to uh i want to

643

00:34:04,630 --> 00:34:00,799

thank you for your patience during our

644

00:34:06,230 --> 00:34:04,640

technical issues now let's

645

00:34:07,590 --> 00:34:06,240

we're going to stop that one and we're

646

00:34:09,669 --> 00:34:07,600

gonna share

647

00:34:12,470 --> 00:34:09,679

this has been all but scrubbed from the

648

00:34:14,790 --> 00:34:12,480

internet and this is a clip thank god

649

00:34:17,109 --> 00:34:14,800

somebody saved it i want to thank uh

650

00:34:19,190 --> 00:34:17,119

people from avalon forums who archived

651
00:34:21,589 --> 00:34:19,200
this section of

652
00:34:24,069 --> 00:34:21,599
david wilcock pumping this fake pete

653
00:34:25,909 --> 00:34:24,079
peterson gofundme scam which he claimed

654
00:34:27,909 --> 00:34:25,919
was a deep state attack turns out it's a

655
00:34:29,589 --> 00:34:27,919
run-of-the-mill foreclosure because pete

656
00:34:35,190 --> 00:34:29,599
peterson was a deadbeat and didn't pay

657
00:34:35,200 --> 00:34:39,669
all right one second friends

658
00:34:45,349 --> 00:34:42,710
all right and we have it

659
00:34:46,950 --> 00:34:45,359
jimmy church you tried to destroy the

660
00:34:49,430 --> 00:34:46,960
evidence that you

661
00:34:51,990 --> 00:34:49,440
allowed at the very least

662
00:34:53,430 --> 00:34:52,000
david wilcock to pump a completely and

663
00:34:54,550 --> 00:34:53,440

totally fake

664

00:34:57,829 --> 00:34:54,560

story

665

00:34:59,750 --> 00:34:57,839

and then solicit gofundme donations for

666

00:35:01,990 --> 00:34:59,760

his buddy to the tune of sixty thousand

667

00:35:03,829 --> 00:35:02,000

dollars you try to scrub this from the

668

00:35:05,990 --> 00:35:03,839

internet jimmy church because you don't

669

00:35:07,750 --> 00:35:06,000

want people to know and you have never

670

00:35:11,109 --> 00:35:07,760

even acknowledged that this happened

671

00:35:13,349 --> 00:35:11,119

instead choosing to delete those shows

672

00:35:15,990 --> 00:35:13,359

rather than owning up to your

673

00:35:19,270 --> 00:35:16,000

responsibility in helping david wilcox

674

00:35:21,589 --> 00:35:19,280

scam the community out of sixty thousand

675

00:35:24,390 --> 00:35:21,599

dollars worth of ill-gotten gains for a

676

00:35:26,950 --> 00:35:24,400

completely totally fake person with a

677

00:35:30,550 --> 00:35:26,960

completely totally fake sympathetic

678

00:35:32,310 --> 00:35:30,560

story of being under deep state attack

679

00:35:34,470 --> 00:35:32,320

i think it's important that we not

680

00:35:37,349 --> 00:35:34,480

forget jimmy church's role in this and

681

00:35:38,390 --> 00:35:37,359

we demand an apology for his part in

682

00:35:40,630 --> 00:35:38,400

this

683

00:35:42,230 --> 00:35:40,640

on saturday the day after my breaks go

684

00:35:43,829 --> 00:35:42,240

out on my car

685

00:35:44,710 --> 00:35:43,839

which certainly could be attempted

686

00:35:46,470 --> 00:35:44,720

murder

687

00:35:48,470 --> 00:35:46,480

it was right after the car went down the

688

00:35:49,829 --> 00:35:48,480

mountain later he said it was his wife's

689

00:35:51,990 --> 00:35:49,839

car not his

690

00:35:54,390 --> 00:35:52,000

great you can't even keep his fake story

691

00:35:55,670 --> 00:35:54,400

straight today i get this call from pete

692

00:35:57,190 --> 00:35:55,680

peterson

693

00:35:59,510 --> 00:35:57,200

saying that

694

00:36:00,710 --> 00:35:59,520

there are armed policemen surrounding

695

00:36:02,390 --> 00:36:00,720

his house

696

00:36:04,230 --> 00:36:02,400

and they're taking everything he owns

697

00:36:05,589 --> 00:36:04,240

and throwing it into dumpsters

698

00:36:07,670 --> 00:36:05,599

and when one of the neighbors came up

699

00:36:09,190 --> 00:36:07,680

and said what are you guys doing

700

00:36:11,430 --> 00:36:09,200

one of the cops told him that they've

701
00:36:12,470 --> 00:36:11,440
already got the whole dog in the dump

702
00:36:14,150 --> 00:36:12,480
they've already dug it out with

703
00:36:16,150 --> 00:36:14,160
bulldozers and that when they get this

704
00:36:18,230 --> 00:36:16,160
stuff they're gonna throw it in there

705
00:36:19,910 --> 00:36:18,240
drive over it with bulldozers

706
00:36:22,310 --> 00:36:19,920
and then fill it in

707
00:36:25,349 --> 00:36:22,320
i talked to the local police there was

708
00:36:27,190 --> 00:36:25,359
no bulldozers or dumpsters ever at oh

709
00:36:28,790 --> 00:36:27,200
there was one dumpster at the scene

710
00:36:30,710 --> 00:36:28,800
after the bank got tired of waiting for

711
00:36:33,670 --> 00:36:30,720
pete peterson to clean out the dead

712
00:36:37,030 --> 00:36:33,680
bodies of cats and bottles of of piss

713
00:36:39,030 --> 00:36:37,040

and various other hordy nightmare

714

00:36:41,430 --> 00:36:39,040

garbage that the house was filled floor

715

00:36:43,109 --> 00:36:41,440

to ceiling some rooms with but there was

716

00:36:44,950 --> 00:36:43,119

no bulldozers

717

00:36:47,030 --> 00:36:44,960

police did not tell neighbors that they

718

00:36:50,069 --> 00:36:47,040

were doing this this is a completely and

719

00:36:53,109 --> 00:36:50,079

totally fake made-up story pull it in

720

00:36:56,230 --> 00:36:53,119

pete peterson only two weeks ago

721

00:36:58,230 --> 00:36:56,240

there was a two two rounds of episodes

722

00:37:00,390 --> 00:36:58,240

of him on cosmic disclosure

723

00:37:02,950 --> 00:37:00,400

where he's revealing information

724

00:37:04,630 --> 00:37:02,960

so david wilcox suggests in this scam

725

00:37:06,470 --> 00:37:04,640

that because pete peterson went on

726

00:37:08,470 --> 00:37:06,480

cosmic disclosure and talked about

727

00:37:10,470 --> 00:37:08,480

aliens the government was attacking him

728

00:37:13,829 --> 00:37:10,480

and destroying his property for it

729

00:37:15,030 --> 00:37:13,839

completely totally ridiculous improbable

730

00:37:18,069 --> 00:37:15,040

not even

731

00:37:20,230 --> 00:37:18,079

possible you know there are laws you

732

00:37:21,670 --> 00:37:20,240

can't just invade somebody's home throw

733

00:37:24,069 --> 00:37:21,680

everything they own into dumpsters and

734

00:37:26,310 --> 00:37:24,079

roll over it with bulldozers by the way

735

00:37:27,990 --> 00:37:26,320

i talked to a woman who was curious and

736

00:37:29,349 --> 00:37:28,000

lived near pete peterson's home who went

737

00:37:32,150 --> 00:37:29,359

out there and talked to the people that

738

00:37:33,589 --> 00:37:32,160

were cleaning out the foreclosed home

739

00:37:35,270 --> 00:37:33,599

and that's where we got the information

740

00:37:37,990 --> 00:37:35,280

about all the dead cats and bottles of

741

00:37:39,750 --> 00:37:38,000

piss that totally validates everything

742

00:37:43,750 --> 00:37:39,760

cory has been saying

743

00:37:46,470 --> 00:37:43,760

now i i've got i've i have uh the

744

00:37:48,790 --> 00:37:46,480

this is david wilcock logic one fake

745

00:37:51,829 --> 00:37:48,800

source with a made up fake education

746

00:37:53,750 --> 00:37:51,839

with fake at uh fake military

747

00:37:55,510 --> 00:37:53,760

no i'm sorry i'm not clear on whether

748

00:37:57,670 --> 00:37:55,520

his his military service may have been

749

00:37:59,109 --> 00:37:57,680

correct but all of his educational

750

00:38:00,310 --> 00:37:59,119

claims are fake

751

00:38:02,230 --> 00:38:00,320

he claimed to work for the russian

752

00:38:04,550 --> 00:38:02,240

equivalent of nasa that was fake he

753

00:38:05,670 --> 00:38:04,560

claimed to win the order of lenin that

754

00:38:07,829 --> 00:38:05,680

was fake

755

00:38:09,750 --> 00:38:07,839

uh so a fake source

756

00:38:12,069 --> 00:38:09,760

verifies that everything corey good

757

00:38:14,790 --> 00:38:12,079

another fraud has been saying for 20 you

758

00:38:15,829 --> 00:38:14,800

know five years is true sure one fake

759

00:38:20,230 --> 00:38:15,839

source

760

00:38:23,349 --> 00:38:20,240

stories is not proof david wilcock

761

00:38:24,870 --> 00:38:23,359

that's weak e i'm pulling it up now

762

00:38:26,470 --> 00:38:24,880

so when i have it ready i'll let you

763

00:38:30,550 --> 00:38:26,480

know but i have

764

00:38:32,870 --> 00:38:30,560

the message that pete peterson left you

765

00:38:34,550 --> 00:38:32,880

um and if it's okay with you david i

766

00:38:36,310 --> 00:38:34,560

will actually i can absolutely play it

767

00:38:38,710 --> 00:38:36,320

it's a one-minute clip it's very

768

00:38:41,349 --> 00:38:38,720

relevant this is what i heard

769

00:38:42,550 --> 00:38:41,359

when i called up my voicemail

770

00:38:45,270 --> 00:38:42,560

and

771

00:38:46,790 --> 00:38:45,280

after i heard this i saved it

772

00:38:48,150 --> 00:38:46,800

and i called him and this is when we

773

00:38:50,310 --> 00:38:48,160

talked for an hour and i got the

774

00:38:52,230 --> 00:38:50,320

download on what was going on

775

00:38:54,069 --> 00:38:52,240

but i also saved the voicemail and so

776

00:38:56,390 --> 00:38:54,079

today i recorded it

777

00:38:58,069 --> 00:38:56,400

so that you guys can hear

778

00:39:00,230 --> 00:38:58,079

what it actually sounds like when

779

00:39:31,990 --> 00:39:00,240

something this real happens to somebody

780

00:39:35,750 --> 00:39:34,069

seconds tells me what's going on now i

781

00:39:37,750 --> 00:39:35,760

paused it when it said his phone number

782

00:39:40,310 --> 00:39:37,760

but otherwise this is exactly the way it

783

00:39:43,829 --> 00:39:40,320

sounded okay let me uh let me pull this

784

00:39:45,910 --> 00:39:43,839

up here it's uh it's pretty interesting

785

00:39:47,829 --> 00:39:45,920

sorry i didn't realize i was muted it's

786

00:39:50,790 --> 00:39:47,839

about uh

787

00:39:52,550 --> 00:39:50,800

it's pulling up now hold on

788

00:39:54,550 --> 00:39:52,560

what i mentioned is that david wilcock

789

00:39:56,470 --> 00:39:54,560

never visited the scene he just took his

790

00:39:57,910 --> 00:39:56,480

fake source's word for what was

791

00:40:00,310 --> 00:39:57,920

happening there

792

00:40:02,550 --> 00:40:00,320

and then ran on jimmy church to promote

793

00:40:04,150 --> 00:40:02,560

this gofundme scam and help his friend

794

00:40:06,150 --> 00:40:04,160

raise 60 000

795

00:40:07,910 --> 00:40:06,160

he was not there at the scene he just

796

00:40:09,510 --> 00:40:07,920

took his fake sources word for it you

797

00:40:11,190 --> 00:40:09,520

know the guy with the fake education and

798

00:40:13,109 --> 00:40:11,200

the fake computer company and the fake

799

00:40:15,270 --> 00:40:13,119

inventions that he never really invented

800

00:40:17,430 --> 00:40:15,280

yeah he took that guy's word for it sure

801
00:40:19,030 --> 00:40:17,440
deep state attack sure

802
00:40:21,750 --> 00:40:19,040
then press pound

803
00:40:24,309 --> 00:40:21,760
you have no new messages you have two

804
00:40:27,270 --> 00:40:24,319
saved voice messages main menu to review

805
00:40:30,870 --> 00:40:27,280
your messages press one

806
00:40:33,910 --> 00:40:30,880
voice message received at 6 14 p.m

807
00:40:37,750 --> 00:40:33,920
yesterday from

808
00:40:39,589 --> 00:40:37,760
oh this is steve peterson giving you

809
00:40:41,430 --> 00:40:39,599
wanted to let you know that they're

810
00:40:43,270 --> 00:40:41,440
planning to take everything out of my

811
00:40:45,270 --> 00:40:43,280
house and my trucks and trailers don't

812
00:40:47,030 --> 00:40:45,280
take them up to the dumps and they come

813
00:40:49,190 --> 00:40:47,040

hit the ground and look at all the pits

814

00:40:50,950 --> 00:40:49,200

and cover it over it's important to note

815

00:40:52,470 --> 00:40:50,960

that at the time this recording was made

816

00:40:54,470 --> 00:40:52,480

and the time that this show aired on

817

00:40:56,790 --> 00:40:54,480

jimmy church's show the foreclosure was

818

00:40:58,470 --> 00:40:56,800

already a finished deal so no amount of

819

00:40:59,270 --> 00:40:58,480

money could have saved pete peterson's

820

00:41:01,670 --> 00:40:59,280

home

821

00:41:04,790 --> 00:41:01,680

that my friends is the basis of a

822

00:41:06,790 --> 00:41:04,800

consumer fraud involving gofundme to say

823

00:41:08,309 --> 00:41:06,800

donate to this gofundme so we could save

824

00:41:10,390 --> 00:41:08,319

pete peterson's house when the

825

00:41:12,790 --> 00:41:10,400

foreclosure had already taken place and

826

00:41:13,829 --> 00:41:12,800

nothing on god's green earth no amount

827

00:41:15,990 --> 00:41:13,839

of money could have saved pete

828

00:41:19,030 --> 00:41:16,000

peterson's home

829

00:41:21,430 --> 00:41:19,040

it was already foreclosed

830

00:41:23,270 --> 00:41:21,440

that includes the on of my wife and my

831

00:41:25,430 --> 00:41:23,280

mother and

832

00:41:26,790 --> 00:41:25,440

all my radios this is a claim that pete

833

00:41:27,990 --> 00:41:26,800

peterson said

834

00:41:29,829 --> 00:41:28,000

he said

835

00:41:31,829 --> 00:41:29,839

that they were going to throw the ashes

836

00:41:33,670 --> 00:41:31,839

of his wife and his mother in a dumpster

837

00:41:36,309 --> 00:41:33,680

and run it over with bulldozers i talked

838

00:41:38,870 --> 00:41:36,319

to local police they were unaware of any

839

00:41:40,630 --> 00:41:38,880

urns in the property at the time of the

840

00:41:43,589 --> 00:41:40,640

foreclosure but certainly said they

841

00:41:45,510 --> 00:41:43,599

would never destroy someone's urns of a

842

00:41:47,530 --> 00:41:45,520

dead loved one that's just not something

843

00:41:58,950 --> 00:41:47,540

they would do

844

00:42:04,470 --> 00:42:01,510

anyway we live in america

845

00:42:08,790 --> 00:42:04,480

ussa

846

00:42:14,230 --> 00:42:11,910

so there we have it friends uh this is a

847

00:42:17,349 --> 00:42:14,240

short clip there's a longer version if

848

00:42:19,430 --> 00:42:17,359

anybody has the full version of david

849

00:42:21,349 --> 00:42:19,440

wilcox appearance on jimmy church

850

00:42:23,990 --> 00:42:21,359

promoting this scam please

851
00:42:26,069 --> 00:42:24,000
archive it send it send me a google

852
00:42:27,190 --> 00:42:26,079
drive link that would be very very

853
00:42:28,710 --> 00:42:27,200
helpful

854
00:42:32,870 --> 00:42:28,720
now we're going to continue with our

855
00:42:35,750 --> 00:42:32,880
slide presentation courtesy of

856
00:42:38,390 --> 00:42:35,760
courtesy of uh the kind help and

857
00:42:40,230 --> 00:42:38,400
assistance of spooky one second friends

858
00:42:42,470 --> 00:42:40,240
let's get back to the slide presentation

859
00:42:45,430 --> 00:42:42,480
i'm new with these so uh you'll have to

860
00:42:47,910 --> 00:42:45,440
bear with me

861
00:42:50,550 --> 00:42:47,920
all right so we're up to the we we've

862
00:42:52,550 --> 00:42:50,560
covered the pete peterson scam and also

863
00:42:54,230 --> 00:42:52,560

uh oh you know what i'm gonna share one

864

00:42:55,670 --> 00:42:54,240

more thing before we go to the back to

865

00:42:59,109 --> 00:42:55,680

the slides

866

00:43:00,550 --> 00:42:59,119

so bear with me as i find the it's this

867

00:43:02,150 --> 00:43:00,560

stuff is getting harder and harder to

868

00:43:03,910 --> 00:43:02,160

find so another reason i wanted to do

869

00:43:05,589 --> 00:43:03,920

this show tonight is to archive this

870

00:43:07,990 --> 00:43:05,599

stuff so that it would always be

871

00:43:10,390 --> 00:43:08,000

available for people who want to know

872

00:43:12,710 --> 00:43:10,400

more about the less than scrupulous

873

00:43:15,910 --> 00:43:12,720

business practices here

874

00:43:18,390 --> 00:43:15,920

of david wilcock

875

00:43:19,990 --> 00:43:18,400

here is the original gofundme

876
00:43:20,950 --> 00:43:20,000
55 000

877
00:43:21,829 --> 00:43:20,960
raised

878
00:43:24,309 --> 00:43:21,839
right

879
00:43:27,190 --> 00:43:24,319
whistleblower pete peterson but we've

880
00:43:31,190 --> 00:43:27,200
got to go to go back to read the

881
00:43:34,069 --> 00:43:31,200
uh the text of the of the the scam

882
00:43:35,750 --> 00:43:34,079
this was created august 17th 2017 but i

883
00:43:36,710 --> 00:43:35,760
assure you that everything in the text

884
00:43:37,510 --> 00:43:36,720
body

885
00:43:38,710 --> 00:43:37,520
uh

886
00:43:41,270 --> 00:43:38,720
of this

887
00:43:43,589 --> 00:43:41,280
donation scam was completely and totally

888
00:43:44,870 --> 00:43:43,599

factually inaccurate they said that his

889

00:43:50,550 --> 00:43:44,880

home

890

00:43:54,309 --> 00:43:50,560

said there was millions of dollars in

891

00:43:56,069 --> 00:43:54,319

equipment and scientific gear there no

892

00:43:58,069 --> 00:43:56,079

witnesses there said that the house was

893

00:43:58,950 --> 00:43:58,079

filled with trash

894

00:44:01,910 --> 00:43:58,960

so

895

00:44:04,069 --> 00:44:01,920

the entire text body of the gofundme

896

00:44:06,870 --> 00:44:04,079

based on lies friends

897

00:44:09,270 --> 00:44:06,880

that is the the textbook definition of

898

00:44:11,270 --> 00:44:09,280

consumer fraud involving a gofundme scam

899

00:44:13,750 --> 00:44:11,280

you can't write lies

900

00:44:16,150 --> 00:44:13,760

in the gofundme scam text body and then

901
00:44:16,950 --> 00:44:16,160
collect sixty thousand dollars and keep

902
00:44:18,470 --> 00:44:16,960
it

903
00:44:19,670 --> 00:44:18,480
uh

904
00:44:25,349 --> 00:44:19,680
this

905
00:44:28,390 --> 00:44:25,359
wilcock is you know involved in

906
00:44:31,349 --> 00:44:28,400
let's get back to our slide presentation

907
00:44:34,710 --> 00:44:31,359
uh david wilcock and the saga of scams

908
00:44:38,150 --> 00:44:34,720
this is our google slide presentation

909
00:44:40,470 --> 00:44:38,160
so the that's the first of many many

910
00:44:42,550 --> 00:44:40,480
scams that that david wilcock has been

911
00:44:44,390 --> 00:44:42,560
involved in where he's asking the public

912
00:44:47,030 --> 00:44:44,400
for money for completely and totally

913
00:44:47,910 --> 00:44:47,040

fake made up garbage right

914

00:44:49,510 --> 00:44:47,920

uh

915

00:44:53,349 --> 00:44:49,520

and then we have the pete peterson

916

00:44:54,230 --> 00:44:53,359

foreclosure documents uh which i can

917

00:44:56,550 --> 00:44:54,240

share

918

00:44:57,670 --> 00:44:56,560

i'm gonna provide a link

919

00:44:59,670 --> 00:44:57,680

uh

920

00:45:01,750 --> 00:44:59,680

i'm gonna provide a link

921

00:45:02,630 --> 00:45:01,760

to those in the description of the text

922

00:45:04,950 --> 00:45:02,640

body

923

00:45:06,710 --> 00:45:04,960

uh you'll have to forgive me

924

00:45:11,670 --> 00:45:06,720

because of our technical issues i had

925

00:45:15,190 --> 00:45:13,030

one second

926

00:45:16,870 --> 00:45:15,200

now

927

00:45:18,550 --> 00:45:16,880

pete peterson as far as the gofundme

928

00:45:20,390 --> 00:45:18,560

scam he didn't live in that house for

929

00:45:22,069 --> 00:45:20,400

well over a year because they'd already

930

00:45:23,750 --> 00:45:22,079

foreclosed on it he had a separate

931

00:45:27,430 --> 00:45:23,760

apartment that he pays for out of his

932

00:45:31,270 --> 00:45:29,349

and this is david wilcox claim

933

00:45:32,630 --> 00:45:31,280

nonetheless an entire lifetime his

934

00:45:34,790 --> 00:45:32,640

worldly possessions are still being

935

00:45:36,390 --> 00:45:34,800

stored in his house some were extremely

936

00:45:38,390 --> 00:45:36,400

valuable and again i would ask david

937

00:45:40,390 --> 00:45:38,400

wilcock what where was the value was it

938

00:45:42,230 --> 00:45:40,400

the body of all the dead cats or was it

939

00:45:44,550 --> 00:45:42,240

the bottles of piss or was it the

940

00:45:46,550 --> 00:45:44,560

newspapers trash magazines piled floor

941

00:45:48,309 --> 00:45:46,560

to ceiling in some rooms

942

00:45:49,990 --> 00:45:48,319

david wilcox says we knew something like

943

00:45:51,510 --> 00:45:50,000

this might happen if he lost the legal

944

00:45:53,190 --> 00:45:51,520

battles he was fighting there was no

945

00:45:54,309 --> 00:45:53,200

real legal battle in fact he didn't even

946

00:45:56,309 --> 00:45:54,319

show up to court for some of the

947

00:45:58,390 --> 00:45:56,319

foreclosure hearings he just let them

948

00:46:00,150 --> 00:45:58,400

foreclose on the house the bank begged

949

00:46:01,910 --> 00:46:00,160

him for over a year please get your

950

00:46:03,190 --> 00:46:01,920

stuff out of the house the foreclosure

951
00:46:04,790 --> 00:46:03,200
has taken place

952
00:46:06,550 --> 00:46:04,800
right

953
00:46:08,150 --> 00:46:06,560
he says he had effectively caught them

954
00:46:10,069 --> 00:46:08,160
in lies again and again committing

955
00:46:12,470 --> 00:46:10,079
unbelievable acts of fraud repeatedly so

956
00:46:15,829 --> 00:46:12,480
david wilcock is accusing the local

957
00:46:19,190 --> 00:46:15,839
police the local banks the local judge

958
00:46:21,589 --> 00:46:19,200
the local whole prosecutors the local

959
00:46:23,670 --> 00:46:21,599
you know public defenders everybody in

960
00:46:27,030 --> 00:46:23,680
pete peterson's local legal system is

961
00:46:29,030 --> 00:46:27,040
performing this conspiracy against pete

962
00:46:31,349 --> 00:46:29,040
peterson sure

963
00:46:33,109 --> 00:46:31,359

and if let me ask pete peterson claimed

964

00:46:34,950 --> 00:46:33,119

to be a ronald reagan science and

965

00:46:36,550 --> 00:46:34,960

technology advisor if that were true why

966

00:46:38,470 --> 00:46:36,560

wouldn't he call some powerful friends

967

00:46:40,630 --> 00:46:38,480

and get some help it's because he's a

968

00:46:41,910 --> 00:46:40,640

fraud friends

969

00:46:43,990 --> 00:46:41,920

we knew that if he ever did start

970

00:46:45,589 --> 00:46:44,000

removing items from the home they were

971

00:46:47,750 --> 00:46:45,599

required by law to place them into

972

00:46:49,990 --> 00:46:47,760

storage and by the way the local police

973

00:46:52,790 --> 00:46:50,000

i spoke to told me that anything

974

00:46:54,950 --> 00:46:52,800

salvageable that wasn't you know

975

00:46:56,630 --> 00:46:54,960

dead cats and bottles of piss they did

976

00:46:58,630 --> 00:46:56,640

put in a public storage and give him

977

00:47:04,150 --> 00:46:58,640

access to recover any any of his

978

00:47:08,150 --> 00:47:06,150

here's david wilcock i was set to

979

00:47:09,750 --> 00:47:08,160

inherit these items this is a very key

980

00:47:11,670 --> 00:47:09,760

point here there was nothing else like

981

00:47:12,790 --> 00:47:11,680

this in the horizon in my life this was

982

00:47:14,470 --> 00:47:12,800

it yeah

983

00:47:16,550 --> 00:47:14,480

david wilcock was waiting for his friend

984

00:47:18,790 --> 00:47:16,560

to die so he could collect millions in

985

00:47:21,190 --> 00:47:18,800

scientific equipment that didn't exist

986

00:47:23,030 --> 00:47:21,200

from a fake computer pioneer that never

987

00:47:24,950 --> 00:47:23,040

did anything he said he was gonna do

988

00:47:26,710 --> 00:47:24,960

great pete wanted me to have greater

989

00:47:28,710 --> 00:47:26,720

financial stability in the future after

990

00:47:31,270 --> 00:47:28,720

all i've done to help him over the years

991

00:47:33,430 --> 00:47:31,280

off when no one else would furthermore

992

00:47:35,589 --> 00:47:33,440

there is a dazzling wealth of classified

993

00:47:37,589 --> 00:47:35,599

information objects and documents in

994

00:47:39,990 --> 00:47:37,599

this collection far more than i can

995

00:47:42,150 --> 00:47:40,000

explain here it's hard to believe but

996

00:47:45,190 --> 00:47:42,160

it's true i love how he has to put that

997

00:47:47,510 --> 00:47:45,200

in bold right it's this story's true

998

00:47:50,790 --> 00:47:47,520

when this story is completely and

999

00:47:51,829 --> 00:47:50,800

totally fake now here's david wilcock

1000

00:47:54,710 --> 00:47:51,839

uh

1001
00:47:56,470 --> 00:47:54,720
accusing both the police and the judge

1002
00:47:58,390 --> 00:47:56,480
in this case of

1003
00:48:00,470 --> 00:47:58,400
provable crimes

1004
00:48:05,589 --> 00:48:00,480
right i tried to reach out to the judge

1005
00:48:09,750 --> 00:48:07,910
seizure of assets from an old california

1006
00:48:11,270 --> 00:48:09,760
address pete hasn't lived that in 18

1007
00:48:13,990 --> 00:48:11,280
years yeah when when you're doing a

1008
00:48:19,670 --> 00:48:14,000
foreclosure you serve every address you

1009
00:48:22,870 --> 00:48:20,630
now

1010
00:48:24,470 --> 00:48:22,880
we move on to the next scam

1011
00:48:26,230 --> 00:48:24,480
convergence well this was really before

1012
00:48:27,430 --> 00:48:26,240
the pete peterson scam because this is

1013
00:48:29,829 --> 00:48:27,440

back in

1014

00:48:32,309 --> 00:48:29,839
2009.

1015

00:48:35,430 --> 00:48:32,319
in 2000 uh

1016

00:48:38,790 --> 00:48:35,440
or actually i'm sorry in 2005

1017

00:48:41,750 --> 00:48:38,800
this post is from 2009 but in 2005

1018

00:48:43,910 --> 00:48:41,760
david wilcox announced the formation of

1019

00:48:45,589 --> 00:48:43,920
convergence pictures llc and was

1020

00:48:47,349 --> 00:48:45,599
soliciting donations but you had to

1021

00:48:50,230 --> 00:48:47,359
donate at least 10 thousand dollar

1022

00:48:53,190 --> 00:48:50,240
chunks so for four years david wilcock

1023

00:48:54,390 --> 00:48:53,200
collected donations and investments

1024

00:48:55,589 --> 00:48:54,400
from people

1025

00:48:57,829 --> 00:48:55,599
to create

1026
00:49:00,390 --> 00:48:57,839
a film called convergence with a company

1027
00:49:02,950 --> 00:49:00,400
called convergence pictures llc but

1028
00:49:06,150 --> 00:49:02,960
after collecting money from investors

1029
00:49:08,069 --> 00:49:06,160
for some four years he never ever

1030
00:49:09,990 --> 00:49:08,079
produced the film and i'd just like to

1031
00:49:12,069 --> 00:49:10,000
ask david wilcock you're

1032
00:49:13,750 --> 00:49:12,079
you're running a hover car company now

1033
00:49:16,230 --> 00:49:13,760
and you're going to ask for donations

1034
00:49:17,430 --> 00:49:16,240
can we get a full list and breakdown of

1035
00:49:19,990 --> 00:49:17,440
where all the

1036
00:49:21,750 --> 00:49:20,000
investment money and donations that you

1037
00:49:24,470 --> 00:49:21,760
apparently

1038
00:49:26,230 --> 00:49:24,480

lived off of for four years and never

1039

00:49:29,109 --> 00:49:26,240

made a film with where did all that

1040

00:49:31,829 --> 00:49:29,119

money go david wilcock

1041

00:49:34,230 --> 00:49:31,839

here's him pumping this investment scam

1042

00:49:36,549 --> 00:49:34,240

on his own website convergence is on the

1043

00:49:38,710 --> 00:49:36,559

brink of signing a major a plus caliber

1044

00:49:41,510 --> 00:49:38,720

screenwriter but we can use your help in

1045

00:49:44,390 --> 00:49:41,520

the meantime listen to david

1046

00:49:45,910 --> 00:49:44,400

on a radio show major new developments

1047

00:49:47,430 --> 00:49:45,920

with convergence as you may know i've

1048

00:49:49,510 --> 00:49:47,440

been developing the convergence film

1049

00:49:51,829 --> 00:49:49,520

with my partner billy blake for over

1050

00:49:54,390 --> 00:49:51,839

four years now we've seen highs and lows

1051
00:49:56,150 --> 00:49:54,400
and roughly 10 complete script rewrites

1052
00:49:57,430 --> 00:49:56,160
several of which i've done myself after

1053
00:49:59,430 --> 00:49:57,440
a massive study of the art of

1054
00:50:01,030 --> 00:49:59,440
screenwriting and included detailed

1055
00:50:03,670 --> 00:50:01,040
research in the best books available

1056
00:50:05,349 --> 00:50:03,680
over 15 in total so he took everybody's

1057
00:50:07,829 --> 00:50:05,359
money and he bought 15 books on

1058
00:50:09,829 --> 00:50:07,839
screenwriting and tried to write a

1059
00:50:11,589 --> 00:50:09,839
script for four years and he never

1060
00:50:13,430 --> 00:50:11,599
completed the film

1061
00:50:15,109 --> 00:50:13,440
here he says the film has already

1062
00:50:16,710 --> 00:50:15,119
transformed substantially starting out

1063
00:50:18,630 --> 00:50:16,720

as a documentary and evolving into a

1064

00:50:20,710 --> 00:50:18,640

dramatic thriller that takes the feel of

1065

00:50:22,870 --> 00:50:20,720

a da vinci code storyline but weaves in

1066

00:50:25,190 --> 00:50:22,880

the most incredible scientific data i've

1067

00:50:26,470 --> 00:50:25,200

put together we do feel very confident

1068

00:50:28,390 --> 00:50:26,480

that this is the best way to reach a

1069

00:50:29,270 --> 00:50:28,400

mass audience the knowledge we have to

1070

00:50:32,630 --> 00:50:29,280

share

1071

00:50:35,270 --> 00:50:32,640

come on friends this is crazy the fact

1072

00:50:37,510 --> 00:50:35,280

that this guy collected money

1073

00:50:39,750 --> 00:50:37,520

for a film project

1074

00:50:42,150 --> 00:50:39,760

for four years and he just kept the

1075

00:50:44,630 --> 00:50:42,160

money never explained where the money

1076

00:50:46,790 --> 00:50:44,640

went never explained where the film what

1077

00:50:48,710 --> 00:50:46,800

happened to the film he just kept four

1078

00:50:49,829 --> 00:50:48,720

years worth of collecting investors

1079

00:50:51,910 --> 00:50:49,839

money

1080

00:50:53,910 --> 00:50:51,920

though we were not going to public

1081

00:50:56,790 --> 00:50:53,920

yeah and now and then he's pumping this

1082

00:50:58,390 --> 00:50:56,800

investment scam saying that i've alluded

1083

00:51:00,230 --> 00:50:58,400

to the fact that a major heavyweight

1084

00:51:02,470 --> 00:51:00,240

talent may be about to join us within

1085

00:51:04,309 --> 00:51:02,480

this very month that we're not going to

1086

00:51:06,390 --> 00:51:04,319

publicly reveal his identity at this

1087

00:51:07,990 --> 00:51:06,400

stage he loves anonymous sources because

1088

00:51:10,630 --> 00:51:08,000

he could just make this stuff up and

1089

00:51:12,710 --> 00:51:10,640

claim that this stuff is happening we've

1090

00:51:15,829 --> 00:51:12,720

been we've caught he's been caught time

1091

00:51:18,069 --> 00:51:15,839

and time again with fake made-up sources

1092

00:51:20,069 --> 00:51:18,079

stupid names for people like he watched

1093

00:51:22,390 --> 00:51:20,079

uh toy story one night and decided he

1094

00:51:24,710 --> 00:51:22,400

had a new source named woody and a new

1095

00:51:26,870 --> 00:51:24,720

source named buzz i'm not making this up

1096

00:51:28,470 --> 00:51:26,880

this is all real

1097

00:51:30,549 --> 00:51:28,480

and he says we're not going to publicly

1098

00:51:32,069 --> 00:51:30,559

reveal his identity at this stage we can

1099

00:51:34,390 --> 00:51:32,079

now tell you that we're on the brink of

1100

00:51:36,069 --> 00:51:34,400

signing a highly in-demand contemporary

1101
00:51:37,670 --> 00:51:36,079
alias screenwriter who has worked with

1102
00:51:39,430 --> 00:51:37,680
spielberg and other academy

1103
00:51:42,230 --> 00:51:39,440
award-winning directors whose names are

1104
00:51:44,470 --> 00:51:42,240
instantly recognizable most importantly

1105
00:51:46,069 --> 00:51:44,480
we literally could have not have asked

1106
00:51:48,069 --> 00:51:46,079
for a better writer in terms of the

1107
00:51:49,990 --> 00:51:48,079
films he has done

1108
00:51:52,150 --> 00:51:50,000
as if it was the universe set us the

1109
00:51:54,230 --> 00:51:52,160
single best person for the job well

1110
00:51:55,910 --> 00:51:54,240
great so he he pumps this investment

1111
00:51:57,430 --> 00:51:55,920
scam saying that we've got this a-list

1112
00:51:59,349 --> 00:51:57,440
screenwriter but i'm not going to name

1113
00:52:05,430 --> 00:51:59,359

him and he's the perfect guy for the job

1114

00:52:10,069 --> 00:52:08,150

yeah and this this anonymous film

1115

00:52:11,990 --> 00:52:10,079

screenwriter that's an a-list celebrity

1116

00:52:12,870 --> 00:52:12,000

he's claiming he believes in what we are

1117

00:52:14,710 --> 00:52:12,880

doing

1118

00:52:16,950 --> 00:52:14,720

great great he believes in what you're

1119

00:52:20,790 --> 00:52:16,960

doing and i have one more thing to share

1120

00:52:23,030 --> 00:52:20,800

on this convergence pictures llc

1121

00:52:25,430 --> 00:52:23,040

uh

1122

00:52:30,549 --> 00:52:28,230

yeah it's the same post but he believes

1123

00:52:32,390 --> 00:52:30,559

in what we were doing look up to 35

1124

00:52:35,030 --> 00:52:32,400

people can join we are allowed to have

1125

00:52:36,470 --> 00:52:35,040

up to 35 investors for this project

1126
00:52:38,790 --> 00:52:36,480
anything above that is going to be

1127
00:52:40,549 --> 00:52:38,800
considered fraud by the sec which is why

1128
00:52:43,030 --> 00:52:40,559
we can't raise money in small increments

1129
00:52:45,430 --> 00:52:43,040
where people send in 500 in the lake

1130
00:52:47,829 --> 00:52:45,440
this ceiling is actually a good thing

1131
00:52:49,349 --> 00:52:47,839
yeah we have a small core of stage one

1132
00:52:51,589 --> 00:52:49,359
investors as they're called who has

1133
00:52:53,750 --> 00:52:51,599
financed the production and development

1134
00:52:56,069 --> 00:52:53,760
of convergence up until now

1135
00:52:58,309 --> 00:52:56,079
so he's got stage one investors that

1136
00:53:01,510 --> 00:52:58,319
have financed this project for four

1137
00:53:03,190 --> 00:53:01,520
years now where's the film david wilcock

1138
00:53:04,790 --> 00:53:03,200

the meaning behind stage one is simple

1139

00:53:06,470 --> 00:53:04,800

you get a significantly better deal in

1140

00:53:08,470 --> 00:53:06,480

terms of the percentage of returns by

1141

00:53:10,309 --> 00:53:08,480

investing at stage one than you do in

1142

00:53:12,230 --> 00:53:10,319

stage two or three there's people

1143

00:53:14,790 --> 00:53:12,240

complaining on the avalon forums that

1144

00:53:16,790 --> 00:53:14,800

were stage three investors that they

1145

00:53:19,829 --> 00:53:16,800

never got their money back or heard what

1146

00:53:21,589 --> 00:53:19,839

happened with their money or the film

1147

00:53:23,510 --> 00:53:21,599

we now have a locked script and a full

1148

00:53:25,430 --> 00:53:23,520

budget to take to our large investors

1149

00:53:26,790 --> 00:53:25,440

that's where we expect to see because

1150

00:53:27,510 --> 00:53:26,800

there is no end

1151
00:53:30,790 --> 00:53:27,520
and

1152
00:53:32,470 --> 00:53:30,800
what they are buying what are they

1153
00:53:34,549 --> 00:53:32,480
buying you living a millionaire's

1154
00:53:36,790 --> 00:53:34,559
lifestyle claiming to make a film for

1155
00:53:39,270 --> 00:53:36,800
four years when you make nothing did you

1156
00:53:41,670 --> 00:53:39,280
give any of the investors money back

1157
00:53:43,750 --> 00:53:41,680
has anybody contacted the sec about this

1158
00:53:45,829 --> 00:53:43,760
what is the statute of limitations on

1159
00:53:48,390 --> 00:53:45,839
running an investment scam

1160
00:53:51,030 --> 00:53:48,400
and right now david wilcock is starting

1161
00:53:53,829 --> 00:53:51,040
a new investment scam after he's already

1162
00:53:55,990 --> 00:53:53,839
run an investment scam for four years

1163
00:53:59,670 --> 00:53:56,000

collecting investment money for a film

1164

00:54:01,270 --> 00:53:59,680

he never produced

1165

00:54:02,630 --> 00:54:01,280

some lawyers actually have halted us for

1166

00:54:04,390 --> 00:54:02,640

what we are doing because the extra

1167

00:54:05,750 --> 00:54:04,400

bonus percentages of our stage one

1168

00:54:07,349 --> 00:54:05,760

investors

1169

00:54:09,430 --> 00:54:07,359

receive will come directly out of our

1170

00:54:11,910 --> 00:54:09,440

own portion of the revenue stream what a

1171

00:54:15,030 --> 00:54:11,920

great deal the minimum buy-in is reduced

1172

00:54:16,790 --> 00:54:15,040

to 10k so in order to invest in his film

1173

00:54:18,790 --> 00:54:16,800

company you just gotta give him ten

1174

00:54:21,190 --> 00:54:18,800

thousand dollars for the next two weeks

1175

00:54:23,030 --> 00:54:21,200

it's a limited time offer more on that

1176

00:54:24,710 --> 00:54:23,040

later

1177

00:54:26,309 --> 00:54:24,720

as you may know if you're a long-time or

1178

00:54:28,710 --> 00:54:26,319

in-depth reader of the site the last two

1179

00:54:30,309 --> 00:54:28,720

years our minimum buy-in has been 50k so

1180

00:54:31,589 --> 00:54:30,319

for a while he was telling people no in

1181

00:54:33,270 --> 00:54:31,599

order to invest in my company you have

1182

00:54:35,349 --> 00:54:33,280

to give me fifty thousand dollars then

1183

00:54:37,589 --> 00:54:35,359

he lowered it to ten thousand dollars

1184

00:54:40,230 --> 00:54:37,599

for a film that he would never

1185

00:54:41,510 --> 00:54:40,240

produce how very generous of you

1186

00:54:43,190 --> 00:54:41,520

and listen to this if you have an

1187

00:54:44,950 --> 00:54:43,200

underperforming investment or can jump

1188

00:54:47,109 --> 00:54:44,960

in and be involved we will be eternally

1189

00:54:49,349 --> 00:54:47,119

grateful to you yeah he's going to be

1190

00:54:51,030 --> 00:54:49,359

eternally grateful to you for giving you

1191

00:54:52,870 --> 00:54:51,040

for giving him free money because him

1192

00:54:55,510 --> 00:54:52,880

and his partner never produced anything

1193

00:54:57,990 --> 00:54:55,520

they didn't produce 30 seconds of a film

1194

00:55:01,430 --> 00:54:58,000

after collecting investment funds three

1195

00:55:03,349 --> 00:55:01,440

rounds of them for four plus years maybe

1196

00:55:06,150 --> 00:55:03,359

five years i'm not sure how long this

1197

00:55:07,670 --> 00:55:06,160

went on

1198

00:55:09,190 --> 00:55:07,680

he feels very confident that this is

1199

00:55:10,470 --> 00:55:09,200

going to work and it is one of several

1200

00:55:12,069 --> 00:55:10,480

substantial developments that have

1201
00:55:13,349 --> 00:55:12,079
suddenly burst into view at the same

1202
00:55:16,230 --> 00:55:13,359
time

1203
00:55:17,670 --> 00:55:16,240
yeah he's tr and he's working so hard

1204
00:55:20,069 --> 00:55:17,680
he's trying to work

1205
00:55:22,230 --> 00:55:20,079
past the point of illness

1206
00:55:23,589 --> 00:55:22,240
here find out more

1207
00:55:25,670 --> 00:55:23,599
if you're curious and would like to know

1208
00:55:27,190 --> 00:55:25,680
more email my partner billy blake

1209
00:55:28,549 --> 00:55:27,200
directly from there you'll get his phone

1210
00:55:30,390 --> 00:55:28,559
number and set up a time to talk where

1211
00:55:32,069 --> 00:55:30,400
we can answer any questions you have

1212
00:55:33,750 --> 00:55:32,079
which will include full disclosure of

1213
00:55:35,750 --> 00:55:33,760

the writer's identity for serious

1214

00:55:37,510 --> 00:55:35,760

contenders we would love to have you

1215

00:55:39,349 --> 00:55:37,520

join the team

1216

00:55:40,710 --> 00:55:39,359

what's the team david wilcock the team

1217

00:55:43,270 --> 00:55:40,720

is you and your buddy collecting money

1218

00:55:44,470 --> 00:55:43,280

for four years and never producing

1219

00:55:46,150 --> 00:55:44,480

anything

1220

00:55:48,069 --> 00:55:46,160

this never

1221

00:55:50,390 --> 00:55:48,079

came to fruition he never produced a

1222

00:55:53,430 --> 00:55:50,400

film he collected money for four or five

1223

00:55:57,510 --> 00:55:53,440

years three rounds of investment capital

1224

00:56:00,230 --> 00:55:57,520

and then never produced a film

1225

00:56:01,190 --> 00:56:00,240

to me that's clear-cut investment scam

1226

00:56:02,950 --> 00:56:01,200

but

1227

00:56:05,349 --> 00:56:02,960

what do i know i'm not a law enforcement

1228

00:56:08,069 --> 00:56:05,359

officer so let's go back to our slides

1229

00:56:10,470 --> 00:56:08,079

now friends uh and again we're citing

1230

00:56:14,150 --> 00:56:10,480

fair use as we're sharing portions of

1231

00:56:17,829 --> 00:56:16,309

oh okay i apologize we did have a slide

1232

00:56:19,349 --> 00:56:17,839

for the rest of the stuff but we read it

1233

00:56:22,150 --> 00:56:19,359

from his website it's okay and here's

1234

00:56:24,230 --> 00:56:22,160

convergence pictures llc

1235

00:56:25,910 --> 00:56:24,240

uh the two principles are david wilcock

1236

00:56:28,150 --> 00:56:25,920

from milton kentucky and william blake

1237

00:56:29,430 --> 00:56:28,160

from malibu california

1238

00:56:31,109 --> 00:56:29,440

uh

1239

00:56:33,510 --> 00:56:31,119
limited liability company filed on

1240

00:56:36,870 --> 00:56:33,520
november 14 2005.

1241

00:56:38,470 --> 00:56:36,880
right now it is listed as inactive or

1242

00:56:40,950 --> 00:56:38,480
out of business

1243

00:56:43,349 --> 00:56:40,960
so collects investor money for four or

1244

00:56:46,950 --> 00:56:43,359
five years three rounds of investment

1245

00:56:49,349 --> 00:56:46,960
capital never ever produces a film and

1246

00:56:50,870 --> 00:56:49,359
the company goes belly up

1247

00:56:53,510 --> 00:56:50,880
could this be

1248

00:56:56,230 --> 00:56:53,520
a look into just what may happen with

1249

00:56:59,270 --> 00:56:56,240
david wilcox new invest in my hover car

1250

00:57:01,589 --> 00:56:59,280
company scam i have a feeling that

1251
00:57:02,950 --> 00:57:01,599
history repeats itself and if he was

1252
00:57:05,430 --> 00:57:02,960
able to

1253
00:57:07,270 --> 00:57:05,440
collect money for four or five years

1254
00:57:09,349 --> 00:57:07,280
and never explain where the money went

1255
00:57:11,349 --> 00:57:09,359
and owe more on that because he's he's

1256
00:57:12,390 --> 00:57:11,359
done the same thing with his wilcock

1257
00:57:14,710 --> 00:57:12,400
foundation

1258
00:57:16,390 --> 00:57:14,720
the david wilcox spiritual healing and

1259
00:57:18,710 --> 00:57:16,400
empowerment foundation we've covered

1260
00:57:20,230 --> 00:57:18,720
this previously he lists all he once

1261
00:57:22,630 --> 00:57:20,240
listed all these charities on the

1262
00:57:24,870 --> 00:57:22,640
wilcock foundation website that he said

1263
00:57:27,430 --> 00:57:24,880

his charities support it well there was

1264

00:57:29,589 --> 00:57:27,440

an elephant one a sloth one we called

1265

00:57:31,430 --> 00:57:29,599

all those charities none of them ever

1266

00:57:32,630 --> 00:57:31,440

received a dime from the wilcock

1267

00:57:36,069 --> 00:57:32,640

foundation

1268

00:57:39,030 --> 00:57:36,079

said no they kind of mean support like

1269

00:57:41,030 --> 00:57:39,040

they they did an interview with me to

1270

00:57:43,910 --> 00:57:41,040

help us get direct donations but they've

1271

00:57:45,750 --> 00:57:43,920

never directly donated i think that that

1272

00:57:47,910 --> 00:57:45,760

is extremely problematic if you're gonna

1273

00:57:50,309 --> 00:57:47,920

have a charity and list all these other

1274

00:57:52,309 --> 00:57:50,319

charities and tell people donate to us

1275

00:57:53,750 --> 00:57:52,319

because we support these charities

1276

00:57:55,270 --> 00:57:53,760

people are gonna assume that part of

1277

00:57:57,589 --> 00:57:55,280

their donation is going to those

1278

00:58:00,150 --> 00:57:57,599

charities and it never did

1279

00:58:01,829 --> 00:58:00,160

in fact the wilcox foundation collected

1280

00:58:03,990 --> 00:58:01,839

70 000

1281

00:58:05,750 --> 00:58:04,000

in their first year

1282

00:58:08,150 --> 00:58:05,760

and what did they do with all the money

1283

00:58:10,789 --> 00:58:08,160

they spent it on travel expenses

1284

00:58:12,549 --> 00:58:10,799

software and equipment and rent on a

1285

00:58:15,750 --> 00:58:12,559

very expensive

1286

00:58:16,630 --> 00:58:15,760

million dollar office or home but they

1287

00:58:19,030 --> 00:58:16,640

never

1288

00:58:23,030 --> 00:58:19,040

showed any charitable works that they

1289

00:58:25,670 --> 00:58:23,040

accomplished with 70 thousand dollars

1290

00:58:28,630 --> 00:58:25,680

now why is this important

1291

00:58:31,190 --> 00:58:28,640

this is important because this fits

1292

00:58:33,910 --> 00:58:31,200

david wilcox pattern perfectly

1293

00:58:37,030 --> 00:58:33,920

he pumped and he he ran that convergence

1294

00:58:39,829 --> 00:58:37,040

pictures llc invest in my film scam for

1295

00:58:40,950 --> 00:58:39,839

some four or five years right for let's

1296

00:58:42,870 --> 00:58:40,960

just give him the benefit of the doubt

1297

00:58:44,390 --> 00:58:42,880

and say four years he collected money

1298

00:58:46,630 --> 00:58:44,400

three rounds of investment never

1299

00:58:49,430 --> 00:58:46,640

produced the film suddenly that company

1300

00:58:52,470 --> 00:58:49,440

goes out of business and he's on to

1301

00:58:54,230 --> 00:58:52,480

collecting money in paypal or i'm sorry

1302

00:58:56,069 --> 00:58:54,240

in gofundme scams for him and his

1303

00:58:58,710 --> 00:58:56,079

buddies

1304

00:59:00,630 --> 00:58:58,720

when that is finished he starts a

1305

00:59:02,630 --> 00:59:00,640

charity

1306

00:59:05,349 --> 00:59:02,640

a 501c3

1307

00:59:07,670 --> 00:59:05,359

and then only files his first year

1308

00:59:11,750 --> 00:59:07,680

990 form which you're required to do by

1309

00:59:13,829 --> 00:59:11,760

law every year and this my friends

1310

00:59:16,230 --> 00:59:13,839

is interesting

1311

00:59:18,630 --> 00:59:16,240

because i have been pressuring him and

1312

00:59:20,470 --> 00:59:18,640

his accounting firm listed on his

1313

00:59:23,349 --> 00:59:20,480

charities website

1314

00:59:24,230 --> 00:59:23,359

as the accounting firm for quite some

1315

00:59:27,109 --> 00:59:24,240

time

1316

00:59:29,349 --> 00:59:27,119

and i have been asking for the 990 forms

1317

00:59:33,829 --> 00:59:29,359

for those that don't know the 990 forms

1318

00:59:36,549 --> 00:59:33,839

are the forms that you are required by

1319

00:59:38,710 --> 00:59:36,559

the irs to fill out every year it shows

1320

00:59:40,789 --> 00:59:38,720

the public how much money you collect it

1321

00:59:43,030 --> 00:59:40,799

and what you spend all the money on he's

1322

00:59:46,710 --> 00:59:43,040

had his charity for three years now

1323

00:59:49,270 --> 00:59:46,720

going on four and has only filed one 990

1324

00:59:51,589 --> 00:59:49,280

form which we described he collects 70

1325

00:59:54,150 --> 00:59:51,599

000 didn't do any charity with any of

1326

00:59:55,670 --> 00:59:54,160

that just set up an office bought a lot

1327

00:59:57,190 --> 00:59:55,680

of equipment and software a lot of

1328

00:59:59,829 --> 00:59:57,200

travel

1329

01:00:01,829 --> 00:59:59,839

and meal expenses right so i guess he's

1330

01:00:03,750 --> 01:00:01,839

eating super fancy dinners because there

1331

01:00:05,349 --> 01:00:03,760

was thousands and thousands of dollars

1332

01:00:07,510 --> 01:00:05,359

worth of travel

1333

01:00:10,630 --> 01:00:07,520

and entertainment expenses so with your

1334

01:00:12,630 --> 01:00:10,640

charitable donations he's traveling and

1335

01:00:14,870 --> 01:00:12,640

entertaining himself but he's not doing

1336

01:00:17,190 --> 01:00:14,880

any charitable work with the seventy

1337

01:00:19,829 --> 01:00:17,200

thousand dollars we know he collected in

1338

01:00:22,470 --> 01:00:19,839

the first year now this is where it gets

1339

01:00:24,230 --> 01:00:22,480

interesting i have been pressuring him

1340

01:00:27,190 --> 01:00:24,240

and his accountants i've sent 10

1341

01:00:29,270 --> 01:00:27,200

requests at least asking for the 990 for

1342

01:00:31,910 --> 01:00:29,280

him so that the public can know how much

1343

01:00:34,309 --> 01:00:31,920

money he collected in 2019 and what he

1344

01:00:36,309 --> 01:00:34,319

did with the money for his spiritual

1345

01:00:38,630 --> 01:00:36,319

charity how much money he collected in

1346

01:00:41,190 --> 01:00:38,640

2020 and what he did with all that money

1347

01:00:42,630 --> 01:00:41,200

for his spiritual charity him and his

1348

01:00:45,750 --> 01:00:42,640

wife run

1349

01:00:47,750 --> 01:00:45,760

they have ignored all my requests it is

1350

01:00:50,470 --> 01:00:47,760

federal law that they have to give the

1351

01:00:53,910 --> 01:00:50,480

990 form to anyone who requests it

1352

01:00:56,549 --> 01:00:53,920

within 30 days i've recently i've

1353

01:01:00,069 --> 01:00:56,559

checked every week with the irs.gov

1354

01:01:03,670 --> 01:01:00,079

website he has not filed his last two

1355

01:01:05,349 --> 01:01:03,680

years of 990 forms with the irs i

1356

01:01:08,230 --> 01:01:05,359

believe he is

1357

01:01:11,510 --> 01:01:08,240

in violation of federal law for for not

1358

01:01:14,230 --> 01:01:11,520

doing so and is also in danger of losing

1359

01:01:16,069 --> 01:01:14,240

his charitable status if you don't file

1360

01:01:19,270 --> 01:01:16,079

three of those in a row they

1361

01:01:20,789 --> 01:01:19,280

automatically pull your 501c3 license

1362

01:01:23,510 --> 01:01:20,799

and you can no longer take charitable

1363

01:01:26,630 --> 01:01:23,520

donations but here's what's interesting

1364

01:01:29,510 --> 01:01:26,640

after refusing to give me the 990 forms

1365

01:01:30,870 --> 01:01:29,520

as he he is required to do by federal

1366

01:01:34,309 --> 01:01:30,880

law

1367

01:01:36,870 --> 01:01:34,319

10 requests he won't tell me or anyone

1368

01:01:39,829 --> 01:01:36,880

who asks for it where all the money went

1369

01:01:42,309 --> 01:01:39,839

and what they spent it on now he's right

1370

01:01:45,270 --> 01:01:42,319

now starting a new

1371

01:01:47,589 --> 01:01:45,280

business for-profit business where he's

1372

01:01:48,710 --> 01:01:47,599

soliciting people for donations and

1373

01:01:50,710 --> 01:01:48,720

funding

1374

01:01:52,549 --> 01:01:50,720

and what happens right before he starts

1375

01:01:54,710 --> 01:01:52,559

the new

1376

01:01:57,510 --> 01:01:54,720

business soliciting donations and

1377

01:01:59,430 --> 01:01:57,520

investors from the public well he's been

1378

01:02:00,950 --> 01:01:59,440

pumping this wilcock foundation for the

1379

01:02:04,230 --> 01:02:00,960

past three years

1380

01:02:07,270 --> 01:02:04,240

now it appears that the donation links

1381

01:02:09,990 --> 01:02:07,280

are broken the site can't be reached

1382

01:02:12,710 --> 01:02:10,000

look at that interesting

1383

01:02:14,950 --> 01:02:12,720

and the donate button

1384

01:02:17,990 --> 01:02:14,960

we can't complete your donation this

1385

01:02:20,470 --> 01:02:18,000

organization's account is inactive

1386

01:02:23,349 --> 01:02:20,480

why is that and isn't it a little

1387

01:02:25,990 --> 01:02:23,359

suspect that right as he starts a new

1388

01:02:28,950 --> 01:02:26,000

business soliciting donations and

1389

01:02:32,069 --> 01:02:28,960

investment from the general public

1390

01:02:36,150 --> 01:02:33,990

money source that he's been pumping for

1391

01:02:38,950 --> 01:02:36,160

three years suddenly stops taking

1392

01:02:42,789 --> 01:02:38,960

donations charitable donations

1393

01:02:45,750 --> 01:02:42,799

it's as if he runs the course with these

1394

01:02:47,589 --> 01:02:45,760

send me free money things for years and

1395

01:02:50,549 --> 01:02:47,599

as soon as they're no longer working he

1396

01:02:51,589 --> 01:02:50,559

starts a new send me free money

1397

01:02:53,990 --> 01:02:51,599

scan

1398

01:02:57,829 --> 01:02:54,000

i'm calling these things scams until i'm

1399

01:03:01,190 --> 01:02:57,839

proven otherwise i feel confident in my

1400

01:03:05,109 --> 01:03:03,430

why would you suddenly stop taking

1401

01:03:07,829 --> 01:03:05,119

donations for your charitable

1402

01:03:10,150 --> 01:03:07,839

organization why would you refuse to

1403

01:03:12,470 --> 01:03:10,160

offer to the public as you're required

1404

01:03:14,390 --> 01:03:12,480

to by federal law the proof of how much

1405

01:03:17,190 --> 01:03:14,400

money you are collecting for your

1406

01:03:20,789 --> 01:03:17,200

charity and what you are spending the

1407

01:03:24,789 --> 01:03:22,230

now let's go back to our slide

1408

01:03:27,349 --> 01:03:24,799

presentation because we're not done

1409

01:03:29,510 --> 01:03:27,359

we are not done with the saga of david

1410

01:03:31,190 --> 01:03:29,520

wilcox scams friends it's just there's

1411

01:03:33,270 --> 01:03:31,200

so much

1412

01:03:35,670 --> 01:03:33,280

so now his spiritual healing and

1413

01:03:37,430 --> 01:03:35,680

empowerment i think that's going belly

1414

01:03:39,670 --> 01:03:37,440

up just like convergence pictures went

1415

01:03:41,670 --> 01:03:39,680

belly up before this he's no longer

1416

01:03:44,150 --> 01:03:41,680

taking those donations because now he

1417

01:03:47,510 --> 01:03:44,160

wants investors to invest in his hover

1418

01:03:51,029 --> 01:03:47,520

car and free energy company

1419

01:03:52,309 --> 01:03:51,039

here is his uh 2018 filing and we can

1420

01:03:55,510 --> 01:03:52,319

see look at this

1421

01:03:57,670 --> 01:03:55,520

look what he spent he collected 70 000

1422

01:04:00,950 --> 01:03:57,680

he refuses to release the filings for

1423

01:04:03,910 --> 01:04:00,960

2019 and 2020 what did he spend 70

1424

01:04:06,309 --> 01:04:03,920

thousand dollars he collected on well

1425

01:04:08,309 --> 01:04:06,319

look at this 10 000

1426

01:04:10,870 --> 01:04:08,319

in telephone expenses or is that

1427

01:04:13,589 --> 01:04:10,880

supplies yeah that's supplies he spent

1428

01:04:15,270 --> 01:04:13,599

10 thousand dollars on supplies

1429

01:04:16,069 --> 01:04:15,280

he spent

1430

01:04:20,630 --> 01:04:16,079

six

1431

01:04:23,109 --> 01:04:20,640

on software

1432

01:04:24,549 --> 01:04:23,119

research and development he spent

1433

01:04:26,069 --> 01:04:24,559

nineteen hundred and seventy five

1434

01:04:27,190 --> 01:04:26,079

dollars

1435

01:04:30,390 --> 01:04:27,200

wow

1436

01:04:33,510 --> 01:04:30,400

meals and entertainment he spent 4 000

1437

01:04:35,589 --> 01:04:33,520

of your charitable donations on meals

1438

01:04:38,069 --> 01:04:35,599

and entertainment friends i don't know

1439

01:04:39,510 --> 01:04:38,079

about you i don't have rich tastes but

1440

01:04:42,150 --> 01:04:39,520

how many times do you think you could

1441

01:04:43,750 --> 01:04:42,160

eat at a decent chain restaurant like

1442

01:04:45,829 --> 01:04:43,760

let's just slub it and even say

1443

01:04:47,990 --> 01:04:45,839

applebee's with four thousand dollars i

1444

01:04:50,309 --> 01:04:48,000

don't know when i go the four of us

1445

01:04:52,150 --> 01:04:50,319

me my wife and the kids it's like

1446

01:04:53,589 --> 01:04:52,160

you know sixty dollars

1447

01:04:54,390 --> 01:04:53,599

that's an awful lot of meals and

1448

01:04:56,549 --> 01:04:54,400

entertainment

1449

01:04:58,630 --> 01:04:56,559

four thousand dollars what is he eating

1450

01:05:01,109 --> 01:04:58,640

for four thousand dollars oh and you

1451

01:05:02,950 --> 01:05:01,119

paid his internet bills too

1452

01:05:05,750 --> 01:05:02,960

uh he bought computer supplies to the

1453

01:05:07,829 --> 01:05:05,760

tune of 759

1454

01:05:09,670 --> 01:05:07,839

bank fees oh look you're even paying

1455

01:05:12,549 --> 01:05:09,680

some of his auto expenses with your

1456

01:05:14,630 --> 01:05:12,559

charitable donations great

1457

01:05:16,549 --> 01:05:14,640

he charged you for the website design of

1458

01:05:19,109 --> 01:05:16,559

his charity right

1459

01:05:21,029 --> 01:05:19,119

he charged the charity for his telephone

1460

01:05:25,109 --> 01:05:21,039

expenses for the year

1461

01:05:27,430 --> 01:05:25,119

and here we see this is dated july 15th

1462

01:05:29,190 --> 01:05:27,440

and this is my last request and this is

1463

01:05:31,510 --> 01:05:29,200

to his accounting firm somebody that i

1464

01:05:33,829 --> 01:05:31,520

was talking to there named julissa i

1465

01:05:35,510 --> 01:05:33,839

said this is my second request with your

1466

01:05:37,430 --> 01:05:35,520

business that's his accounting firm for

1467

01:05:39,430 --> 01:05:37,440

the 990 forms for wilcox spiritual

1468

01:05:41,750 --> 01:05:39,440

healing foundation

1469

01:05:43,430 --> 01:05:41,760

which your company represents

1470

01:05:45,670 --> 01:05:43,440

my last request was made more than a

1471

01:05:47,670 --> 01:05:45,680

month ago june 8th i still have not

1472

01:05:49,990 --> 01:05:47,680

received these forms from you as far as

1473

01:05:52,710 --> 01:05:50,000

i know any charitable organization has

1474

01:05:54,549 --> 01:05:52,720

30 days to provide those upon request

1475

01:05:56,870 --> 01:05:54,559

previous to my request with you i have

1476

01:05:58,870 --> 01:05:56,880

emailed both david and elizabeth wilcock

1477

01:06:01,829 --> 01:05:58,880

and requested these forms for 2019 and

1478

01:06:04,150 --> 01:06:01,839

2020 i have also requested these forms

1479

01:06:06,069 --> 01:06:04,160

in their youtube comments section and by

1480

01:06:08,230 --> 01:06:06,079

using the contact forms on both their

1481

01:06:09,829 --> 01:06:08,240

website it will be very difficult for

1482

01:06:11,750 --> 01:06:09,839

them to claim that they did not get

1483

01:06:13,910 --> 01:06:11,760

these requests which i have carefully

1484

01:06:15,510 --> 01:06:13,920

documented for months and months now

1485

01:06:17,750 --> 01:06:15,520

please advise is your company just

1486

01:06:19,910 --> 01:06:17,760

refusing to provide these 990 forms i

1487

01:06:21,670 --> 01:06:19,920

have requested previously you promised

1488

01:06:24,069 --> 01:06:21,680

to get back to me and never did please

1489

01:06:26,470 --> 01:06:24,079

advise stephen cambion host of truth

1490

01:06:29,829 --> 01:06:26,480

seekers and no they never got back to me

1491

01:06:32,470 --> 01:06:29,839

and i i messaged him several more times

1492

01:06:34,950 --> 01:06:32,480

i made it a habit of messaging both

1493

01:06:37,190 --> 01:06:34,960

david wilcock and elizabeth wilcock and

1494

01:06:40,230 --> 01:06:37,200

the accounting firm once a month for the

1495

01:06:41,349 --> 01:06:40,240

past year i'd say nobody has ever gotten

1496

01:06:43,670 --> 01:06:41,359

back to me

1497

01:06:45,829 --> 01:06:43,680

david wilcock does not want you to know

1498

01:06:48,549 --> 01:06:45,839

what he spent all the money on look at

1499

01:06:50,870 --> 01:06:48,559

this four thousand dollars you spent he

1500

01:06:53,349 --> 01:06:50,880

spent four thousand dollars on furniture

1501

01:06:56,150 --> 01:06:53,359

out of his charitable donations

1502

01:07:01,670 --> 01:06:58,870

five thousand dollars on furniture

1503

01:07:04,309 --> 01:07:01,680

and fixtures machinery and equipment he

1504

01:07:06,309 --> 01:07:04,319

spent four thousand dollars roughly

1505

01:07:08,230 --> 01:07:06,319

so we see david wilcock collected

1506

01:07:09,750 --> 01:07:08,240

seventy thousand dollars and he just

1507

01:07:13,109 --> 01:07:09,760

spent all the money

1508

01:07:16,470 --> 01:07:13,119

on i suppose things he wanted new

1509

01:07:18,710 --> 01:07:16,480

furniture new supplies new software pay

1510

01:07:20,870 --> 01:07:18,720

my phone bill buy myself four thousand

1511

01:07:24,630 --> 01:07:20,880

dollars worth of meals and entertainment

1512

01:07:26,789 --> 01:07:24,640

now we see some window into what happens

1513

01:07:29,190 --> 01:07:26,799

when you give david wilcox some of your

1514

01:07:31,829 --> 01:07:29,200

money he's not feeding starving children

1515

01:07:35,029 --> 01:07:31,839

in africa friends he's spending the

1516

01:07:36,789 --> 01:07:35,039

money on himself it appears i don't see

1517

01:07:38,789 --> 01:07:36,799

any charitable work for the seventy

1518

01:07:40,870 --> 01:07:38,799

thousand dollars he created not one

1519

01:07:42,470 --> 01:07:40,880

thing did he do for charity he just

1520

01:07:44,710 --> 01:07:42,480

spent all the money on whatever he

1521

01:07:46,950 --> 01:07:44,720

wanted

1522

01:07:48,870 --> 01:07:46,960

but he wants you to invest right he

1523

01:07:50,710 --> 01:07:48,880

wants you to invest

1524

01:07:51,829 --> 01:07:50,720

okay and i do have to mention this liz

1525

01:07:53,829 --> 01:07:51,839

luery

1526

01:07:55,990 --> 01:07:53,839

because i should mention steena maria is

1527

01:07:58,069 --> 01:07:56,000

the person who uncovered david wilcox

1528

01:08:00,150 --> 01:07:58,079

starting his own charity she made a

1529

01:08:02,710 --> 01:08:00,160

video about it and what did she get

1530

01:08:04,870 --> 01:08:02,720

privacy strikes copyright strikes that

1531

01:08:06,470 --> 01:08:04,880

were invalid she was sharing public

1532

01:08:08,150 --> 01:08:06,480

records they tried to get her to take

1533

01:08:10,870 --> 01:08:08,160

the video down force her to take the

1534

01:08:12,710 --> 01:08:10,880

video down david elizabeth wilcock did

1535

01:08:14,549 --> 01:08:12,720

here's from stina maria when my video

1536

01:08:16,630 --> 01:08:14,559

first came out it was hit with privacy

1537

01:08:18,229 --> 01:08:16,640

violations from youtube i don't have

1538

01:08:20,070 --> 01:08:18,239

screens of those but they are in one of

1539

01:08:22,070 --> 01:08:20,080

the videos i think the video where i

1540

01:08:23,749 --> 01:08:22,080

spoke about cosmic secret

1541

01:08:25,910 --> 01:08:23,759

then when youtube didn't do anything

1542

01:08:28,789 --> 01:08:25,920

because it wasn't privacy violation

1543

01:08:30,470 --> 01:08:28,799

that's when liz laurie emailed me with a

1544

01:08:34,550 --> 01:08:30,480

cease and desist letter

1545

01:08:36,309 --> 01:08:34,560

so here is a very angry lawyer letter

1546

01:08:38,870 --> 01:08:36,319

you're hereby ordered to immediately

1547

01:08:41,430 --> 01:08:38,880

assist and assist unlawful activities

1548

01:08:42,550 --> 01:08:41,440

directed at my client corey goode

1549

01:08:44,870 --> 01:08:42,560

including

1550

01:08:47,430 --> 01:08:44,880

but not limited to business associates

1551

01:08:50,870 --> 01:08:47,440

as well as regards to him personally and

1552

01:08:53,669 --> 01:08:50,880

there's a separate cease and desist

1553

01:08:55,189 --> 01:08:53,679

ordered to where she's ordered to

1554

01:08:58,309 --> 01:08:55,199

immediately susan's assist all

1555

01:09:00,390 --> 01:08:58,319

defamatory harassing stalking

1556

01:09:02,950 --> 01:09:00,400

doxing cyber stalking she didn't do any

1557

01:09:05,189 --> 01:09:02,960

of those things uh for this is for her

1558

01:09:08,789 --> 01:09:05,199

clients david wilcock and this is liz

1559

01:09:10,870 --> 01:09:08,799

lori who wrote corey goode's

1560

01:09:13,349 --> 01:09:10,880

course that corey good sold and is right

1561

01:09:15,030 --> 01:09:13,359

now suing corey good to the best of my

1562

01:09:16,309 --> 01:09:15,040

recollection i don't know if that case

1563

01:09:17,990 --> 01:09:16,319

is over

1564

01:09:21,269 --> 01:09:18,000

i thought they settled but then somebody

1565

01:09:23,590 --> 01:09:21,279

told me that they refiled

1566

01:09:25,829 --> 01:09:23,600

and some final points to make friends

1567

01:09:27,430 --> 01:09:25,839

some final final points to make here and

1568

01:09:28,550 --> 01:09:27,440

that is this

1569

01:09:31,110 --> 01:09:28,560

uh

1570

01:09:33,269 --> 01:09:31,120

one second here friends

1571

01:09:35,590 --> 01:09:33,279

let me just check in there

1572

01:09:38,149 --> 01:09:35,600

i believe that may be of some importance

1573

01:09:39,510 --> 01:09:38,159

someone is pinging me

1574

01:09:41,749 --> 01:09:39,520

right

1575

01:09:45,030 --> 01:09:41,759

someone is pinging me

1576

01:09:48,950 --> 01:09:45,040

so liz luery threatens stina maria for

1577

01:09:53,590 --> 01:09:48,960

doing nothing but making uh

1578

01:09:57,110 --> 01:09:55,270

stina maria

1579

01:09:59,030 --> 01:09:57,120

got a

1580

01:10:00,870 --> 01:09:59,040

second she got two cease and desist

1581

01:10:03,030 --> 01:10:00,880

letters from liz luery

1582

01:10:04,149 --> 01:10:03,040

just a point of clarification

1583

01:10:07,110 --> 01:10:04,159

so

1584

01:10:09,189 --> 01:10:07,120

important

1585

01:10:11,750 --> 01:10:09,199

david wilcox newest

1586

01:10:13,030 --> 01:10:11,760

adventure is selling a course where he

1587

01:10:15,750 --> 01:10:13,040

claims he's going to teach you the

1588

01:10:18,630 --> 01:10:15,760

secrets of free energy and anti-gravity

1589

01:10:20,229 --> 01:10:18,640

for just 333 dollars

1590

01:10:22,870 --> 01:10:20,239

and we also

1591

01:10:25,430 --> 01:10:22,880

we also there's a big problem with this

1592

01:10:29,350 --> 01:10:27,669

there's a truth in advertising law it's

1593

01:10:31,430 --> 01:10:29,360

federal law in the united states which

1594

01:10:32,709 --> 01:10:31,440

says you can't outright lie in your

1595

01:10:35,030 --> 01:10:32,719

advertising

1596

01:10:36,550 --> 01:10:35,040

david wilcock outright lied in his

1597

01:10:41,430 --> 01:10:36,560

advertising

1598

01:10:44,149 --> 01:10:41,440

he said that this was a

1599

01:10:46,229 --> 01:10:44,159

special offer a limited time offer that

1600

01:10:49,030 --> 01:10:46,239

would expire at midnight pacific

1601
01:10:50,790 --> 01:10:49,040
standard time last night but we can look

1602
01:10:53,430 --> 01:10:50,800
on his website

1603
01:10:55,830 --> 01:10:53,440
and he just pushed the timer back

1604
01:10:56,950 --> 01:10:55,840
and is still collecting money for this

1605
01:10:58,470 --> 01:10:56,960
course

1606
01:11:01,350 --> 01:10:58,480
i believe right there

1607
01:11:04,310 --> 01:11:01,360
that is a violation of federal law the

1608
01:11:05,990 --> 01:11:04,320
truth in advertising laws you can't say

1609
01:11:08,310 --> 01:11:06,000
this is a limited time offer you've got

1610
01:11:10,550 --> 01:11:08,320
to sign up by midnight and then just

1611
01:11:13,270 --> 01:11:10,560
push the timer back and keep collecting

1612
01:11:14,390 --> 01:11:13,280
money this is the slimy kind of business

1613
01:11:17,430 --> 01:11:14,400

practices

1614

01:11:19,910 --> 01:11:17,440

that is the hallmark of a con artist a

1615

01:11:21,830 --> 01:11:19,920

con artist does that hurry up operators

1616

01:11:23,030 --> 01:11:21,840

are standing by limited time offer

1617

01:11:25,430 --> 01:11:23,040

you've got to sign up for the course

1618

01:11:28,870 --> 01:11:25,440

right away kind of like the david the

1619

01:11:30,630 --> 01:11:28,880

daniel brinkley pitch daniel brinkley

1620

01:11:32,149 --> 01:11:30,640

he's going to die any day

1621

01:11:34,310 --> 01:11:32,159

limited time offer you got to hurry up

1622

01:11:36,149 --> 01:11:34,320

and sign up for my course he tries to

1623

01:11:38,229 --> 01:11:36,159

create a sense of urgency so people

1624

01:11:40,470 --> 01:11:38,239

hurry up and part with their money

1625

01:11:42,149 --> 01:11:40,480

faster because they think

1626

01:11:43,750 --> 01:11:42,159

that it's some kind of limited time

1627

01:11:45,750 --> 01:11:43,760

thing it's not limited time he's going

1628

01:11:48,310 --> 01:11:45,760

to keep taking money for this right up

1629

01:11:50,950 --> 01:11:48,320

to the minute before the course begins

1630

01:11:52,870 --> 01:11:50,960

and that alone friends having stood

1631

01:11:54,470 --> 01:11:52,880

there in front of a camera and lied to

1632

01:11:57,189 --> 01:11:54,480

his fake teeth

1633

01:12:00,149 --> 01:11:57,199

saying this is a limited time offer is a

1634

01:12:03,430 --> 01:12:00,159

lie and is therefore against the federal

1635

01:12:06,470 --> 01:12:03,440

laws surrounding truth in advertising

1636

01:12:09,270 --> 01:12:06,480

that alone is illegal

1637

01:12:10,470 --> 01:12:09,280

but let's look friends and consider the

1638

01:12:13,189 --> 01:12:10,480

history

1639

01:12:15,830 --> 01:12:13,199

of the saga of scams that david wilcock

1640

01:12:17,430 --> 01:12:15,840

has been involved in for the past 10

1641

01:12:19,750 --> 01:12:17,440

plus years now

1642

01:12:21,189 --> 01:12:19,760

and ask ourselves this very important

1643

01:12:24,310 --> 01:12:21,199

question

1644

01:12:27,669 --> 01:12:24,320

what are the chances that people who

1645

01:12:29,830 --> 01:12:27,679

invest with david wilcox new adventure

1646

01:12:32,870 --> 01:12:29,840

to create hover cars and free energy

1647

01:12:34,950 --> 01:12:32,880

devices in his secret hangar are going

1648

01:12:37,750 --> 01:12:34,960

to get their money's worth are going to

1649

01:12:40,149 --> 01:12:37,760

be happy with their investment what are

1650

01:12:42,709 --> 01:12:40,159

the chances that david wilcock having

1651
01:12:45,350 --> 01:12:42,719
failed as a fake psychic having failed

1652
01:12:47,830 --> 01:12:45,360
as edgar casey reincarnated some would

1653
01:12:50,390 --> 01:12:47,840
say having failed as an author because

1654
01:12:53,590 --> 01:12:50,400
by multiple reports david wilcock buys

1655
01:12:57,430 --> 01:12:53,600
his own books in bulk to get themselves

1656
01:13:01,110 --> 01:12:57,440
higher on the the bestseller list

1657
01:13:05,270 --> 01:13:01,120
having failed at being a television show

1658
01:13:06,790 --> 01:13:05,280
host having failed at running a

1659
01:13:10,709 --> 01:13:06,800
film company

1660
01:13:13,110 --> 01:13:10,719
having failed at running a charity or

1661
01:13:14,709 --> 01:13:13,120
doing any charity for the perhaps

1662
01:13:16,790 --> 01:13:14,719
hundreds of thousands of dollars he

1663
01:13:19,990 --> 01:13:16,800

collected for his charity he was a

1664

01:13:21,750 --> 01:13:20,000

failure at running a charity what are

1665

01:13:24,709 --> 01:13:21,760

the odds friends

1666

01:13:27,110 --> 01:13:24,719

having failed so much he's a failure and

1667

01:13:29,510 --> 01:13:27,120

a reprehensible human being for running

1668

01:13:32,149 --> 01:13:29,520

a gofundme scam

1669

01:13:33,510 --> 01:13:32,159

oh and we have one final i i almost

1670

01:13:35,510 --> 01:13:33,520

forgot see

1671

01:13:37,270 --> 01:13:35,520

the david wilcock in the saga of scams

1672

01:13:39,430 --> 01:13:37,280

there's so many scams that you forget

1673

01:13:40,229 --> 01:13:39,440

some you forget some friends there's

1674

01:13:42,550 --> 01:13:40,239

just

1675

01:13:43,350 --> 01:13:42,560

too many scams and you end up forgetting

1676

01:13:47,430 --> 01:13:43,360

some

1677

01:13:50,390 --> 01:13:47,440

so let me not forget let me not forget

1678

01:13:53,430 --> 01:13:50,400

one more scam that david wilcock also

1679

01:13:56,390 --> 01:13:53,440

pumped up on jimmy church's radio show

1680

01:13:58,830 --> 01:13:56,400

and that is the emery smith

1681

01:14:02,870 --> 01:13:58,840

paypal donation

1682

01:14:04,310 --> 01:14:02,880

scam one second friends i have a an

1683

01:14:06,709 --> 01:14:04,320

article here

1684

01:14:09,350 --> 01:14:06,719

titled did emery smith smith trick

1685

01:14:14,630 --> 01:14:09,360

thousands to donate online over a

1686

01:14:18,709 --> 01:14:16,870

an insider has revealed the backstory

1687

01:14:20,709 --> 01:14:18,719

behind this photograph which was

1688

01:14:23,189 --> 01:14:20,719

allegedly used as part of a scheme to

1689

01:14:25,510 --> 01:14:23,199

raise between 50 and 70 thousand dollars

1690

01:14:27,430 --> 01:14:25,520

for emery smith who was claimed was the

1691

01:14:29,910 --> 01:14:27,440

victim of a deep state attack by the men

1692

01:14:33,430 --> 01:14:29,920

in black yes you've read that right on

1693

01:14:35,590 --> 01:14:33,440

december 29th 2017 david wilcock a

1694

01:14:37,830 --> 01:14:35,600

controversial speaker and author into

1695

01:14:39,830 --> 01:14:37,840

the new age and ufology field posted

1696

01:14:41,990 --> 01:14:39,840

what would end up being a 7 000 word

1697

01:14:44,790 --> 01:14:42,000

blog post which would generate almost 6

1698

01:14:46,870 --> 01:14:44,800

million views detailing an amazing story

1699

01:14:48,950 --> 01:14:46,880

of a shadowy deep state operatives who

1700

01:14:51,350 --> 01:14:48,960

were obviously trying to take out emery

1701

01:14:53,110 --> 01:14:51,360

smith and even kidnapped his dog and

1702

01:14:54,709 --> 01:14:53,120

this is from david wilcock emery smith

1703

01:14:57,189 --> 01:14:54,719

is in the emergency room for the second

1704

01:14:59,350 --> 01:14:57,199

time now in the last two days the sudden

1705

01:15:01,990 --> 01:14:59,360

helps collapse occurred right after

1706

01:15:04,310 --> 01:15:02,000

three black suvs drove up and ran off

1707

01:15:06,550 --> 01:15:04,320

with his beloved dog raven and what we

1708

01:15:08,229 --> 01:15:06,560

found out is no emery smith was drunk

1709

01:15:10,390 --> 01:15:08,239

and let his dog out the dog went on the

1710

01:15:12,470 --> 01:15:10,400

highway and got killed

1711

01:15:15,110 --> 01:15:12,480

he has a flu high fever and shortness of

1712

01:15:16,709 --> 01:15:15,120

breath please read this new article

1713

01:15:19,110 --> 01:15:16,719

immediately we are calling for your

1714

01:15:20,790 --> 01:15:19,120

prayers and of course your donations and

1715

01:15:22,790 --> 01:15:20,800

here is the blog post it's still

1716

01:15:26,149 --> 01:15:22,800

available now and so is the paypal

1717

01:15:27,910 --> 01:15:26,159

donation link et autopsy insider emery

1718

01:15:30,630 --> 01:15:27,920

smith hit with massive attack after

1719

01:15:32,709 --> 01:15:30,640

coming forward do you see this narrative

1720

01:15:35,030 --> 01:15:32,719

of him being under attack or having some

1721

01:15:37,189 --> 01:15:35,040

kind of vast importance in the

1722

01:15:39,590 --> 01:15:37,199

conspiracy world and the government is

1723

01:15:41,830 --> 01:15:39,600

always attacking him and his insiders

1724

01:15:43,270 --> 01:15:41,840

his insiders are frauds check out the

1725

01:15:44,950 --> 01:15:43,280

emery smith coverage that we did

1726

01:15:47,590 --> 01:15:44,960

previously to this

1727

01:15:49,910 --> 01:15:47,600

where his fiancée comes out and tells

1728

01:15:52,790 --> 01:15:49,920

the complete and total truth that he is

1729

01:15:54,550 --> 01:15:52,800

just a falling down drunk and he is not

1730

01:15:57,350 --> 01:15:54,560

any kind of a you know

1731

01:16:00,229 --> 01:15:57,360

truth teller he's not on missions it's

1732

01:16:03,990 --> 01:16:01,990

according to wilcox smith was a former

1733

01:16:06,149 --> 01:16:04,000

black ox program insider who worked for

1734

01:16:07,910 --> 01:16:06,159

secret biological facilities deep in the

1735

01:16:10,070 --> 01:16:07,920

new mexico desert and personally

1736

01:16:12,630 --> 01:16:10,080

autopsied about three thousand different

1737

01:16:15,189 --> 01:16:12,640

types of humanoid extraterrestrials sure

1738

01:16:16,790 --> 01:16:15,199

he did even even emery smith refutes

1739

01:16:18,550 --> 01:16:16,800

that claim he said it was three thousand

1740

01:16:19,669 --> 01:16:18,560

different tissue samples

1741

01:16:20,550 --> 01:16:19,679

yeah

1742

01:16:22,630 --> 01:16:20,560

so

1743

01:16:24,630 --> 01:16:22,640

here is uh

1744

01:16:26,470 --> 01:16:24,640

here is look at this palm springs just

1745

01:16:29,350 --> 01:16:26,480

picked up a dog from the middle of the

1746

01:16:31,669 --> 01:16:29,360

deena shore near san luis ray who was

1747

01:16:33,189 --> 01:16:31,679

railroaded by two cars just ahead of me

1748

01:16:34,709 --> 01:16:33,199

i can't take her for the night even due

1749

01:16:36,790 --> 01:16:34,719

to cats at home we'll be willing to drop

1750

01:16:38,630 --> 01:16:36,800

her off in the morning at the shelter so

1751

01:16:39,669 --> 01:16:38,640

somebody failed his dog that got hit by

1752

01:16:41,990 --> 01:16:39,679

a car

1753

01:16:43,750 --> 01:16:42,000

and here's emery smith

1754

01:16:45,510 --> 01:16:43,760

but if the deep state attacks not true

1755

01:16:47,430 --> 01:16:45,520

what really happened

1756

01:16:48,870 --> 01:16:47,440

the insider claims emery smith landed

1757

01:16:50,310 --> 01:16:48,880

himself in the hospital visit and that

1758

01:16:52,630 --> 01:16:50,320

would be points on the curve who he's

1759

01:16:55,510 --> 01:16:52,640

referencing here after a five-day bender

1760

01:16:57,990 --> 01:16:55,520

of insane alcoholism and drug abuse in

1761

01:16:59,590 --> 01:16:58,000

which the former associates said he sat

1762

01:17:01,110 --> 01:16:59,600

smith down advise him if he keeps up

1763

01:17:03,350 --> 01:17:01,120

like this he's going to end up kill

1764

01:17:05,669 --> 01:17:03,360

himself but what about the dog as the

1765

01:17:08,070 --> 01:17:05,679

insider describes it smith was drunk

1766

01:17:10,550 --> 01:17:08,080

again and he let the dog out at his car

1767

01:17:12,229 --> 01:17:10,560

park not far from his home he claims his

1768

01:17:14,149 --> 01:17:12,239

wife was actually the one who then found

1769

01:17:16,870 --> 01:17:14,159

a dog through the local facebook group

1770

01:17:19,189 --> 01:17:16,880

which the screen shot wilcock had posted

1771

01:17:21,189 --> 01:17:19,199

to his blog but all this is just one

1772

01:17:22,149 --> 01:17:21,199

anecdote covered in this insider's first

1773

01:17:24,229 --> 01:17:22,159

video

1774

01:17:25,750 --> 01:17:24,239

points on the curve and thank god we

1775

01:17:27,669 --> 01:17:25,760

saved some of that points on the curve

1776

01:17:29,350 --> 01:17:27,679

because his videos got he took all his

1777

01:17:31,830 --> 01:17:29,360

videos down

1778

01:17:33,750 --> 01:17:31,840

it essentially debunks most of wilcox 7

1779

01:17:35,270 --> 01:17:33,760

000 words on this blog post including

1780

01:17:36,870 --> 01:17:35,280

tales of smith when wilcock was

1781

01:17:39,189 --> 01:17:36,880

referring to him as unmasked source

1782

01:17:40,790 --> 01:17:39,199

named paul who had similar run-ins with

1783

01:17:43,110 --> 01:17:40,800

the deep state including the killing of

1784

01:17:45,189 --> 01:17:43,120

another of his dogs crashing his car and

1785

01:17:47,590 --> 01:17:45,199

even breaking into his home and leaving

1786

01:17:51,110 --> 01:17:47,600

a solitary armor-piercing bullet on his

1787

01:17:53,990 --> 01:17:51,120

counter as a warning so david wilcock

1788

01:17:55,830 --> 01:17:54,000

and this is authored by daniel james uh

1789

01:17:57,189 --> 01:17:55,840

which is funny because

1790

01:18:10,630 --> 01:17:57,199

i

1791

01:18:13,990 --> 01:18:10,640

yeah so here we go another paypal

1792

01:18:17,189 --> 01:18:14,000

donation scam that was promoted on jimmy

1793

01:18:19,750 --> 01:18:17,199

church's radio show that was filled 7

1794

01:18:21,430 --> 01:18:19,760

000 words of lies

1795

01:18:24,070 --> 01:18:21,440

right

1796

01:18:26,870 --> 01:18:24,080

and now he's on to the new scam

1797

01:18:30,550 --> 01:18:26,880

which is that he's gonna create hover

1798

01:18:32,870 --> 01:18:30,560

car technology and and he needs you to

1799

01:18:33,750 --> 01:18:32,880

buy his new course and give him a money

1800

01:18:36,790 --> 01:18:33,760

bomb

1801
01:18:38,310 --> 01:18:36,800
so that he can do what buy another four

1802
01:18:40,790 --> 01:18:38,320
thousand dollars worth of meals and

1803
01:18:43,270 --> 01:18:40,800
entertainment with your money

1804
01:18:44,229 --> 01:18:43,280
live his millionaires lifestyle he owns

1805
01:18:46,390 --> 01:18:44,239
two

1806
01:18:48,870 --> 01:18:46,400
he owns one million dollar mansion and

1807
01:18:49,750 --> 01:18:48,880
rents another million dollar mansion

1808
01:18:51,510 --> 01:18:49,760
right

1809
01:18:53,990 --> 01:18:51,520
driving around in a hundred thousand

1810
01:18:55,350 --> 01:18:54,000
dollar car at conferences maybe a rental

1811
01:18:56,310 --> 01:18:55,360
but it's still a hundred thousand dollar

1812
01:18:59,110 --> 01:18:56,320
car

1813
01:19:03,270 --> 01:18:59,120

and he needs your money

1814

01:19:06,709 --> 01:19:03,280

he needs your money to create hover cars

1815

01:19:09,350 --> 01:19:06,719

he needs your money to buy rich boy toys

1816

01:19:12,630 --> 01:19:09,360

like expensive computers expensive

1817

01:19:14,870 --> 01:19:12,640

software plug-ins four cameras so he can

1818

01:19:17,590 --> 01:19:14,880

have four camera angles expensive

1819

01:19:20,070 --> 01:19:17,600

studios so he can make his ego driven

1820

01:19:22,550 --> 01:19:20,080

narcissistic videos with four camera

1821

01:19:23,350 --> 01:19:22,560

angles while yelling at his wife

1822

01:19:27,110 --> 01:19:23,360

right

1823

01:19:31,350 --> 01:19:28,709

so

1824

01:19:33,270 --> 01:19:31,360

he says in his video my wife and i were

1825

01:19:35,189 --> 01:19:33,280

actually down to our last three thousand

1826

01:19:37,990 --> 01:19:35,199

dollars before we started this course so

1827

01:19:39,750 --> 01:19:38,000

it was a pretty dire situation you know

1828

01:19:41,990 --> 01:19:39,760

the way that it got timed which just

1829

01:19:43,510 --> 01:19:42,000

happened to work out so just when david

1830

01:19:45,350 --> 01:19:43,520

wilcock is down to his last three

1831

01:19:48,310 --> 01:19:45,360

thousand dollars he comes up with this

1832

01:19:49,990 --> 01:19:48,320

new idea that he within a year is going

1833

01:19:51,830 --> 01:19:50,000

to create a hover car prototype and

1834

01:19:54,310 --> 01:19:51,840

within four years there's going to be

1835

01:19:57,270 --> 01:19:54,320

affordable hover cars with free energy

1836

01:19:58,950 --> 01:19:57,280

engines he said that that anybody will

1837

01:19:59,990 --> 01:19:58,960

be able to purchase and put in their

1838

01:20:00,870 --> 01:20:00,000

garage

1839

01:20:03,189 --> 01:20:00,880

sure

1840

01:20:05,430 --> 01:20:03,199

also from david wilcox so this is real

1841

01:20:08,149 --> 01:20:05,440

uh you don't get unauthorized access to

1842

01:20:09,189 --> 01:20:08,159

military facilities this is our facility

1843

01:20:11,510 --> 01:20:09,199

we own

1844

01:20:13,510 --> 01:20:11,520

this okay

1845

01:20:15,110 --> 01:20:13,520

we actually paid for the whole thing

1846

01:20:17,510 --> 01:20:15,120

which suggests that he bought this

1847

01:20:19,430 --> 01:20:17,520

entire hangar cash and i got to tell you

1848

01:20:21,510 --> 01:20:19,440

hangers aren't cheap friends

1849

01:20:24,390 --> 01:20:21,520

where did the money come from for him to

1850

01:20:25,350 --> 01:20:24,400

purchase a hanger like that cash and can

1851
01:20:27,430 --> 01:20:25,360
we see

1852
01:20:30,070 --> 01:20:27,440
the records of the purchase so that we

1853
01:20:33,430 --> 01:20:30,080
know at least that part of your hover

1854
01:20:37,189 --> 01:20:33,440
car free energy plans are true and real

1855
01:20:38,709 --> 01:20:37,199
and you actually do own this place

1856
01:20:39,750 --> 01:20:38,719
he goes on to state in his video that

1857
01:20:41,270 --> 01:20:39,760
one of the things we're going to be

1858
01:20:43,830 --> 01:20:41,280
doing is creating thousands and

1859
01:20:45,590 --> 01:20:43,840
thousands of jobs again he's pulling on

1860
01:20:46,470 --> 01:20:45,600
people's heart strings invest in my

1861
01:20:49,189 --> 01:20:46,480
company

1862
01:20:52,550 --> 01:20:49,199
he states unequivocally in his video

1863
01:20:54,310 --> 01:20:52,560

that you if you buy his course you too

1864

01:20:56,790 --> 01:20:54,320

will be will know the secrets of

1865

01:20:59,270 --> 01:20:56,800

anti-gravity and free energy and i

1866

01:21:02,390 --> 01:20:59,280

submit to you friends that if any single

1867

01:21:04,310 --> 01:21:02,400

individual spends 333 for the course and

1868

01:21:06,390 --> 01:21:04,320

they are then not able to build a hover

1869

01:21:08,709 --> 01:21:06,400

car like he's promising you you'll

1870

01:21:11,910 --> 01:21:08,719

you'll know how to do then this my

1871

01:21:15,270 --> 01:21:11,920

friends is just another in a long line

1872

01:21:18,149 --> 01:21:15,280

of consumer fraud activity from david

1873

01:21:20,310 --> 01:21:18,159

wilcock now we have one final slide to

1874

01:21:22,950 --> 01:21:20,320

share here

1875

01:21:26,149 --> 01:21:22,960

who is ben ben is his mysterious source

1876

01:21:27,750 --> 01:21:26,159

that he says came from pete peterson

1877

01:21:29,590 --> 01:21:27,760

and in his video he says because i am

1878

01:21:31,669 --> 01:21:29,600

working on a hover car technology right

1879

01:21:33,189 --> 01:21:31,679

now i'm not joking i am not going to

1880

01:21:35,590 --> 01:21:33,199

talk about it until we've got something

1881

01:21:37,910 --> 01:21:35,600

for you well he's got nothing to show us

1882

01:21:40,149 --> 01:21:37,920

but an empty hanger and he's collecting

1883

01:21:42,550 --> 01:21:40,159

investor money and soliciting people to

1884

01:21:44,070 --> 01:21:42,560

buy a 333 dollar course

1885

01:21:47,350 --> 01:21:44,080

so that he could teach you the secrets

1886

01:21:49,030 --> 01:21:47,360

of any gravity and free energy

1887

01:21:50,709 --> 01:21:49,040

but hey we're getting pretty close once

1888

01:21:53,830 --> 01:21:50,719

we get to that point i could talk a lot

1889

01:21:55,910 --> 01:21:53,840

more but several of pete peterson's

1890

01:21:56,870 --> 01:21:55,920

former associates i am working with on

1891

01:22:01,430 --> 01:21:56,880

this

1892

01:22:04,950 --> 01:22:01,440

september 17th video

1893

01:22:08,470 --> 01:22:04,960

and i ask you friends if pete peterson

1894

01:22:10,550 --> 01:22:08,480

is a complete and total proven fraud

1895

01:22:13,350 --> 01:22:10,560

how does he have associates and what are

1896

01:22:15,189 --> 01:22:13,360

the odds that his associates are not

1897

01:22:16,070 --> 01:22:15,199

complete and total proven frauds like

1898

01:22:17,590 --> 01:22:16,080

him

1899

01:22:19,270 --> 01:22:17,600

david wilcock wants you to buy his

1900

01:22:20,629 --> 01:22:19,280

course based on his anonymous source

1901

01:22:22,470 --> 01:22:20,639

that he's not going to reveal until you

1902

01:22:24,149 --> 01:22:22,480

buy his course some people have

1903

01:22:26,310 --> 01:22:24,159

suggested that this source is david

1904

01:22:27,750 --> 01:22:26,320

adair but i don't think even david

1905

01:22:31,030 --> 01:22:27,760

wilcock would go to that level of

1906

01:22:32,950 --> 01:22:31,040

scamming us but you never know friends

1907

01:22:35,189 --> 01:22:32,960

it goes on to say you don't you you

1908

01:22:37,830 --> 01:22:35,199

won't want to miss this together ben and

1909

01:22:40,709 --> 01:22:37,840

i will appear side by side sharing new

1910

01:22:42,709 --> 01:22:40,719

insights about et's the technology that

1911

01:22:44,870 --> 01:22:42,719

is available for us to use right now and

1912

01:22:47,669 --> 01:22:44,880

how and why we are being called to meet

1913

01:22:49,430 --> 01:22:47,679

and combat what could be considered pure

1914

01:22:51,270 --> 01:22:49,440

evil at this time

1915

01:22:52,870 --> 01:22:51,280

i don't need to tell you that this is

1916

01:22:54,870 --> 01:22:52,880

urgent because i know you can feel

1917

01:22:56,950 --> 01:22:54,880

what's going on in the world right now

1918

01:22:58,870 --> 01:22:56,960

it all sounds very similar to the many

1919

01:23:01,590 --> 01:22:58,880

ancient prophecies i have been sharing

1920

01:23:03,510 --> 01:23:01,600

with you for well over two decades now

1921

01:23:05,510 --> 01:23:03,520

yeah the world's where a psychic who's

1922

01:23:07,110 --> 01:23:05,520

batting zero he can't show me one

1923

01:23:09,350 --> 01:23:07,120

clear-cut thing he predicted that

1924

01:23:12,070 --> 01:23:09,360

actually happened but i friends can show

1925

01:23:13,750 --> 01:23:12,080

you thousands of prophecies and

1926

01:23:16,550 --> 01:23:13,760

predictions he made that he failed

1927

01:23:18,390 --> 01:23:16,560

miserably at most notably he recently

1928

01:23:20,950 --> 01:23:18,400

predicted that donald trump would win

1929

01:23:22,629 --> 01:23:20,960

the election in a landslide

1930

01:23:25,030 --> 01:23:22,639

previous to the election he predicted

1931

01:23:27,189 --> 01:23:25,040

that that turned out to be fake

1932

01:23:29,270 --> 01:23:27,199

he predicted that joe biden would never

1933

01:23:31,189 --> 01:23:29,280

step foot in the white house that

1934

01:23:33,990 --> 01:23:31,199

prediction turned out to be fake and it

1935

01:23:34,709 --> 01:23:34,000

goes on and on and on i could cite for

1936

01:23:36,470 --> 01:23:34,719

you

1937

01:23:39,030 --> 01:23:36,480

thousands of predictions my favorite of

1938

01:23:41,430 --> 01:23:39,040

which he predicted before 2012 that we

1939

01:23:43,910 --> 01:23:41,440

would we would all get light bodies and

1940

01:23:45,189 --> 01:23:43,920

super powers friends

1941

01:23:46,470 --> 01:23:45,199

i don't know about you but i didn't get

1942

01:23:47,990 --> 01:23:46,480

in the super powers i'm kind of

1943

01:23:49,590 --> 01:23:48,000

disappointed i'm pissed off with david

1944

01:23:51,110 --> 01:23:49,600

wilcock i was waiting for my super

1945

01:23:53,750 --> 01:23:51,120

powers we were supposed to be able to

1946

01:23:56,070 --> 01:23:53,760

telepathically communicate levitate all

1947

01:23:57,270 --> 01:23:56,080

kinds of stuff teleport none of that

1948

01:24:00,310 --> 01:23:57,280

happened

1949

01:24:03,110 --> 01:24:00,320

but now he's going to tell you

1950

01:24:05,990 --> 01:24:03,120

that going from nothing but a patent

1951

01:24:08,310 --> 01:24:06,000

that he found on the internet which most

1952

01:24:10,950 --> 01:24:08,320

credible scientists will tell you is not

1953

01:24:13,669 --> 01:24:10,960

provable science that works he's gonna

1954

01:24:16,709 --> 01:24:13,679

within a within one year create a hover

1955

01:24:18,870 --> 01:24:16,719

car prototype and within four years be

1956

01:24:21,669 --> 01:24:18,880

full on manufacturing them all with

1957

01:24:23,990 --> 01:24:21,679

american parts with american workers

1958

01:24:26,629 --> 01:24:24,000

friends there's a chip shortage in the

1959

01:24:29,590 --> 01:24:26,639

world you can't produce

1960

01:24:31,590 --> 01:24:29,600

any technological device without silicon

1961

01:24:33,990 --> 01:24:31,600

and you're not getting american-made

1962

01:24:36,070 --> 01:24:34,000

silicon so that statement is false

1963

01:24:37,910 --> 01:24:36,080

misleading and a lie

1964

01:24:40,550 --> 01:24:37,920

you're he's not building any

1965

01:24:43,430 --> 01:24:40,560

technological device without foreign

1966

01:24:45,830 --> 01:24:43,440

silicon it won't happen i have a

1967

01:24:47,510 --> 01:24:45,840

background in computer science trust me

1968

01:24:49,910 --> 01:24:47,520

can you buy chips made in the united

1969

01:24:52,470 --> 01:24:49,920

states not really good ones not super

1970

01:24:57,590 --> 01:24:52,480

advanced ones and in fact all major car

1971

01:25:00,790 --> 01:24:57,600

manufacturers rely on foreign silicon

1972

01:25:03,750 --> 01:25:00,800

the silicon valley of asia is where the

1973

01:25:05,270 --> 01:25:03,760

chips are mostly manufactured so for him

1974

01:25:07,830 --> 01:25:05,280

to claim that he's going to do all this

1975

01:25:10,709 --> 01:25:07,840

with american parts and american labor

1976

01:25:12,390 --> 01:25:10,719

is misleading at best

1977

01:25:14,229 --> 01:25:12,400

and here we go if you step into this

1978

01:25:17,030 --> 01:25:14,239

course experience now before the timer

1979

01:25:19,110 --> 01:25:17,040

runs out or we hit capacity the timer

1980

01:25:21,830 --> 01:25:19,120

never ran out he just keeps resetting

1981

01:25:23,669 --> 01:25:21,840

the timer so this is false misleading

1982

01:25:24,790 --> 01:25:23,679

and false advertising and against the

1983

01:25:27,830 --> 01:25:24,800

law

1984

01:25:29,830 --> 01:25:27,840

because there is no timer running out

1985

01:25:31,669 --> 01:25:29,840

you just keep resetting the timer david

1986

01:25:35,350 --> 01:25:31,679

wilcock but he claims you'll receive an

1987

01:25:37,350 --> 01:25:35,360

exclusive two hour to insider vip with

1988

01:25:38,709 --> 01:25:37,360

ben and me ben's true identity will be

1989

01:25:40,550 --> 01:25:38,719

revealed to you

1990

01:25:42,629 --> 01:25:40,560

first during the course experience and

1991

01:25:44,950 --> 01:25:42,639

together we will answer all your

1992

01:25:47,110 --> 01:25:44,960

questions live the direct live session

1993

01:25:50,229 --> 01:25:47,120

with ben is only being offered to you an

1994

01:25:52,070 --> 01:25:50,239

insider to my community look at this

1995

01:25:55,270 --> 01:25:52,080

marketing garbage

1996

01:26:00,390 --> 01:25:55,280

and listen the offer will expire today

1997

01:26:03,590 --> 01:26:01,990

pacific time

1998

01:26:05,590 --> 01:26:03,600

but then he puts a note sale was

1999

01:26:08,390 --> 01:26:05,600

extended by request after this it will

2000

01:26:11,430 --> 01:26:08,400

expire friends you can check the website

2001
01:26:13,510 --> 01:26:11,440
right now the offer hasn't expired he

2002
01:26:15,510 --> 01:26:13,520
just keeps on moving

2003
01:26:21,270 --> 01:26:15,520
the timer

2004
01:26:25,990 --> 01:26:24,310
yeah and that alone friends is false

2005
01:26:28,629 --> 01:26:26,000
advertising and against the law you

2006
01:26:31,110 --> 01:26:28,639
can't say this is a limited time offer

2007
01:26:32,709 --> 01:26:31,120
and then just move the goal post you

2008
01:26:34,310 --> 01:26:32,719
can't do that

2009
01:26:36,629 --> 01:26:34,320
that is against the truth and

2010
01:26:39,590 --> 01:26:36,639
advertising laws in the united states

2011
01:26:42,550 --> 01:26:39,600
and it may be against international laws

2012
01:26:44,870 --> 01:26:42,560
because after all he is

2013
01:26:46,390 --> 01:26:44,880

he is selling his course to everyone in

2014

01:26:47,590 --> 01:26:46,400

the world not just the united states

2015

01:26:50,550 --> 01:26:47,600

citizens

2016

01:26:52,709 --> 01:26:50,560

so he may be in violation of advertising

2017

01:26:55,669 --> 01:26:52,719

laws in europe advertising laws in

2018

01:26:57,430 --> 01:26:55,679

australia advertising laws in france i

2019

01:26:59,990 --> 01:26:57,440

don't know russia

2020

01:27:02,790 --> 01:27:00,000

the soviet union uh you know uh soviet

2021

01:27:04,870 --> 01:27:02,800

soviet former soviet union countries

2022

01:27:10,310 --> 01:27:04,880

all of these countries many countries

2023

01:27:15,510 --> 01:27:13,430

oh extend it only for today

2024

01:27:16,950 --> 01:27:15,520

here he is he's still accepting he took

2025

01:27:19,590 --> 01:27:16,960

the timer down

2026

01:27:22,709 --> 01:27:19,600

but he's still accepting look days hours

2027

01:27:25,590 --> 01:27:22,719

minutes the timer's not working now

2028

01:27:27,590 --> 01:27:25,600

but you can still register

2029

01:27:29,189 --> 01:27:27,600

so he lied when he said that this was a

2030

01:27:31,189 --> 01:27:29,199

limited time offer because we could

2031

01:27:33,510 --> 01:27:31,199

register for this right now and i

2032

01:27:35,189 --> 01:27:33,520

guarantee that he will yeah there you go

2033

01:27:37,110 --> 01:27:35,199

you can register right now and he'll

2034

01:27:41,030 --> 01:27:37,120

take your money so that's false

2035

01:27:43,189 --> 01:27:41,040

advertising and a lie my friends a

2036

01:27:45,350 --> 01:27:43,199

outright lie

2037

01:27:47,270 --> 01:27:45,360

right on his public website which is not

2038

01:27:49,750 --> 01:27:47,280

very bright of him

2039

01:27:52,310 --> 01:27:49,760

because it's a public website this is

2040

01:27:53,669 --> 01:27:52,320

accessible by the public and also by law

2041

01:27:55,350 --> 01:27:53,679

enforcement

2042

01:27:57,189 --> 01:27:55,360

so

2043

01:27:59,830 --> 01:27:57,199

boyfriends what can i say we are going

2044

01:28:01,270 --> 01:27:59,840

to stop the screen right here i am we're

2045

01:28:03,350 --> 01:28:01,280

going to take a short break with a

2046

01:28:04,950 --> 01:28:03,360

musical guest because i got to blast the

2047

01:28:06,629 --> 01:28:04,960

air conditioner and when i come back

2048

01:28:07,910 --> 01:28:06,639

we're going to take comments questions

2049

01:28:10,149 --> 01:28:07,920

suggestions

2050

01:28:13,270 --> 01:28:10,159

from the live chat

2051
01:28:14,870 --> 01:28:13,280
so let me get rid of my fair use banner

2052
01:28:16,229 --> 01:28:14,880
and i once again want to thank spooky

2053
01:28:18,870 --> 01:28:16,239
for the help we've had our first

2054
01:28:20,870 --> 01:28:18,880
slideshow presentation and

2055
01:28:22,709 --> 01:28:20,880
jonas i don't even know if he's here but

2056
01:28:26,229 --> 01:28:22,719
he better watch this because he's been

2057
01:28:29,669 --> 01:28:27,590
okay

2058
01:28:31,510 --> 01:28:29,679
one second friends and if there's any

2059
01:28:33,189 --> 01:28:31,520
super chats we will address that when we

2060
01:28:35,910 --> 01:28:33,199
come back as well

2061
01:28:40,470 --> 01:28:38,390
we are going to play a musical guest

2062
01:28:42,390 --> 01:28:40,480
here

2063
01:28:43,990 --> 01:28:42,400

and blast this air conditioner i thought

2064

01:28:46,470 --> 01:28:44,000

i could make it through friends doesn't

2065

01:28:47,830 --> 01:28:46,480

look like it's going to make it

2066

01:28:50,470 --> 01:28:47,840

so we're going to blast the air

2067

01:28:52,390 --> 01:28:50,480

conditioner for a short time here

2068

01:28:54,550 --> 01:28:52,400

uh

2069

01:28:56,149 --> 01:28:54,560

and i will come back to answer and

2070

01:28:57,590 --> 01:28:56,159

devote my full and total attention to

2071

01:29:17,490 --> 01:28:57,600

the live chat

2072

01:29:29,870 --> 01:29:23,520

[Music]

2073

01:29:29,880 --> 01:29:35,100

remember just a thousand years

2074

01:30:08,550 --> 01:29:50,770

[Music]

2075

01:30:08,560 --> 01:30:13,890

is

2076
01:31:06,790 --> 01:30:30,470
[Music]

2077
01:31:20,770 --> 01:31:07,900
so

2078
01:31:20,780 --> 01:31:28,709
[Music]

2079
01:31:28,719 --> 01:31:36,229
is

2080
01:31:36,239 --> 01:31:48,040
foreign

2081
01:32:09,669 --> 01:31:53,620
[Music]

2082
01:32:09,679 --> 01:32:15,670
my

2083
01:32:15,680 --> 01:32:21,270
[Music]

2084
01:32:34,160 --> 01:32:23,070
so

2085
01:32:34,170 --> 01:32:51,669
[Music]

2086
01:32:51,679 --> 01:32:56,400
oh

2087
01:33:20,470 --> 01:32:58,790
[Music]

2088
01:33:27,669 --> 01:33:24,149

and we are back live broadcasting on

2089

01:33:29,430 --> 01:33:27,679

facebook twitch.tv and youtube and of

2090

01:33:31,830 --> 01:33:29,440

course recording our show for

2091

01:33:35,030 --> 01:33:31,840

distribution into the various podcast

2092

01:33:36,790 --> 01:33:35,040

networks that support our show

2093

01:33:38,550 --> 01:33:36,800

i want to remind anyone listening in

2094

01:33:40,229 --> 01:33:38,560

audio podcast land that you're missing

2095

01:33:42,550 --> 01:33:40,239

half the fun

2096

01:33:45,189 --> 01:33:42,560

we record the shows live and you are

2097

01:33:47,669 --> 01:33:45,199

listening to a repeat of course so if

2098

01:33:49,990 --> 01:33:47,679

you'd like to take part in our live chat

2099

01:33:53,110 --> 01:33:50,000

discussions please find us on youtube

2100

01:33:55,510 --> 01:33:53,120

just go to the youtube search bar search

2101
01:33:56,950 --> 01:33:55,520
for truth seekers one word look for that

2102
01:33:59,590 --> 01:33:56,960
strange guy with the sunglasses that

2103
01:34:00,390 --> 01:33:59,600
would be me your host stephen champion

2104
01:34:03,110 --> 01:34:00,400
and

2105
01:34:05,110 --> 01:34:03,120
click that subscribe button click that

2106
01:34:07,110 --> 01:34:05,120
notification bell and you too will know

2107
01:34:09,750 --> 01:34:07,120
when we're having a live chat and live

2108
01:34:12,470 --> 01:34:09,760
recording and you can come here and

2109
01:34:15,750 --> 01:34:12,480
become part of the story i highly

2110
01:34:17,189 --> 01:34:15,760
encourage you become part of the story

2111
01:34:18,709 --> 01:34:17,199
now we're going to be taking comments

2112
01:34:21,270 --> 01:34:18,719
questions and

2113
01:34:22,870 --> 01:34:21,280

um from the live chat and i'll devote my

2114

01:34:25,030 --> 01:34:22,880

full and total attention to the live

2115

01:34:27,350 --> 01:34:25,040

chat thank you guys for your patience in

2116

01:34:30,070 --> 01:34:27,360

our presentation of this presentation a

2117

01:34:32,310 --> 01:34:30,080

lot of data very data rich show

2118

01:34:35,350 --> 01:34:32,320

a lot of data to get through and i want

2119

01:34:36,709 --> 01:34:35,360

this stuff all on the record and i will

2120

01:34:39,990 --> 01:34:36,719

reveal more

2121

01:34:43,430 --> 01:34:40,000

about why i feel it's important to

2122

01:34:44,950 --> 01:34:43,440

carefully document all of these things

2123

01:34:46,629 --> 01:34:44,960

on a future show

2124

01:34:47,910 --> 01:34:46,639

but let's just say that i'm in contact

2125

01:34:49,350 --> 01:34:47,920

with some people

2126
01:34:51,510 --> 01:34:49,360
who

2127
01:34:53,030 --> 01:34:51,520
uh may be helping

2128
01:34:55,430 --> 01:34:53,040
to

2129
01:34:58,310 --> 01:34:55,440
do something about this

2130
01:35:01,990 --> 01:34:58,320
all of this including the most recent

2131
01:35:04,870 --> 01:35:02,000
of david wilcox business adventures

2132
01:35:07,830 --> 01:35:06,390
all right we've got rogue status here

2133
01:35:09,910 --> 01:35:07,840
with a question shouldn't he start with

2134
01:35:11,830 --> 01:35:09,920
hoverboards you mean proof of concept

2135
01:35:13,430 --> 01:35:11,840
than the car sure i would think you

2136
01:35:17,270 --> 01:35:13,440
would start with scale models but he

2137
01:35:20,390 --> 01:35:19,109
and if he can't show us a scale working

2138
01:35:22,070 --> 01:35:20,400

model

2139

01:35:24,070 --> 01:35:22,080

why should we invest

2140

01:35:25,669 --> 01:35:24,080

so he claimed that that hangar he bought

2141

01:35:27,990 --> 01:35:25,679

was the little one does he want to buy

2142

01:35:29,510 --> 01:35:28,000

one twice as big and have another big

2143

01:35:33,430 --> 01:35:29,520

rich boy toy that he's not going to do

2144

01:35:37,510 --> 01:35:34,950

mike gambelli says well the hanger

2145

01:35:40,550 --> 01:35:37,520

received a special delivery a box of d's

2146

01:35:43,510 --> 01:35:40,560

uh yeah i not that i'm sending him but i

2147

01:35:46,550 --> 01:35:43,520

may try to locate the i may try to

2148

01:35:47,830 --> 01:35:46,560

locate this right this so-called secret

2149

01:35:51,750 --> 01:35:47,840

location

2150

01:35:56,550 --> 01:35:54,149

genocide is here the mask the man who

2151

01:35:57,750 --> 01:35:56,560

demanded split slides and finally got

2152

01:36:00,229 --> 01:35:57,760

them i hope you're happy with your

2153

01:36:01,910 --> 01:36:00,239

slides genocide shout out to genocide

2154

01:36:03,430 --> 01:36:01,920

sixth sense reminding everyone please

2155

01:36:06,310 --> 01:36:03,440

use caps for questions we will get to

2156

01:36:08,870 --> 01:36:06,320

them the best we can thank you yes and i

2157

01:36:10,950 --> 01:36:08,880

did check in for uh super chats and we

2158

01:36:12,629 --> 01:36:10,960

have not had any so

2159

01:36:15,270 --> 01:36:12,639

we are going to bounce out of here soon

2160

01:36:17,669 --> 01:36:15,280

anybody with any super chats please do

2161

01:36:19,109 --> 01:36:17,679

throw them in the hat now so that we can

2162

01:36:21,750 --> 01:36:19,119

recognize you thank you for your

2163

01:36:23,270 --> 01:36:21,760

kindness your generosity and support

2164

01:36:25,590 --> 01:36:23,280

uh and

2165

01:36:28,310 --> 01:36:25,600

uh the other way to support us is to of

2166

01:36:30,310 --> 01:36:28,320

course please like comment and subscribe

2167

01:36:33,669 --> 01:36:30,320

send some of our video links to your

2168

01:36:36,470 --> 01:36:33,679

friends help us expand our reach here

2169

01:36:37,990 --> 01:36:36,480

and reach more people we consider it a

2170

01:36:40,470 --> 01:36:38,000

public service some of the things that

2171

01:36:41,430 --> 01:36:40,480

we do here which is to prevent or help

2172

01:36:43,109 --> 01:36:41,440

prevent

2173

01:36:46,550 --> 01:36:43,119

our community members from getting

2174

01:36:50,830 --> 01:36:46,560

scammed by these

2175

01:36:54,310 --> 01:36:52,470

okay

2176

01:36:56,629 --> 01:36:54,320

tractor basil says can you please make a

2177

01:36:58,149 --> 01:36:56,639

randy kramer mask well he's on my list

2178

01:37:00,390 --> 01:36:58,159

but he's kind of low it's kind of

2179

01:37:02,870 --> 01:37:00,400

punching down so i don't know

2180

01:37:04,229 --> 01:37:02,880

uh brock landers commenting that it can

2181

01:37:06,629 --> 01:37:04,239

be in nice slides but you're still

2182

01:37:08,790 --> 01:37:06,639

missing the three camera angles i know

2183

01:37:11,109 --> 01:37:08,800

i'm trying to do better we actually have

2184

01:37:13,109 --> 01:37:11,119

a multi-camera setup rock landers but i

2185

01:37:15,109 --> 01:37:13,119

haven't used it yet and we also have a

2186

01:37:17,189 --> 01:37:15,119

new audio mixer here that i haven't used

2187

01:37:19,189 --> 01:37:17,199

yet for various reasons we're still

2188

01:37:20,390 --> 01:37:19,199

trying to figure some of this technical

2189

01:37:22,149 --> 01:37:20,400

stuff out

2190

01:37:25,030 --> 01:37:22,159

benny grave rapper is here just says

2191

01:37:27,109 --> 01:37:25,040

rocco and steve yes i am always rocking

2192

01:37:29,990 --> 01:37:27,119

on the sixth sense reminding everybody

2193

01:37:31,189 --> 01:37:30,000

to like comment and subscribe

2194

01:37:33,750 --> 01:37:31,199

right

2195

01:37:37,109 --> 01:37:33,760

uh and let's see oh there we go with the

2196

01:37:39,350 --> 01:37:37,119

uh super chats are rolling in here

2197

01:37:41,109 --> 01:37:39,360

rogue status with a kind and generous 10

2198

01:37:43,590 --> 01:37:41,119

super chat donation says have i

2199

01:37:45,990 --> 01:37:43,600

mentioned i hate this stupid show yes

2200

01:37:48,950 --> 01:37:46,000

you have every time rogue status sends

2201

01:37:49,750 --> 01:37:48,960

me a super chat he insults my show but i

2202

01:37:51,510 --> 01:37:49,760

know

2203

01:37:53,109 --> 01:37:51,520

coming from philly just like he does

2204

01:37:55,590 --> 01:37:53,119

that that's a sign of affection among

2205

01:37:57,109 --> 01:37:55,600

philly boys busting balls so i'm okay

2206

01:37:59,669 --> 01:37:57,119

with it rogue status you can bust my

2207

01:38:03,030 --> 01:37:59,679

balls all you want as long as you always

2208

01:38:05,669 --> 01:38:03,040

send me some money while you are doing

2209

01:38:06,950 --> 01:38:05,679

it and we have another super chat

2210

01:38:11,510 --> 01:38:06,960

donation

2211

01:38:12,950 --> 01:38:11,520

patrick sheehan for 9.99

2212

01:38:14,790 --> 01:38:12,960

thank you very much for kindness your

2213

01:38:17,109 --> 01:38:14,800

generosity and support

2214

01:38:20,470 --> 01:38:17,119

that girl jessica says we love a seeker

2215

01:38:23,990 --> 01:38:22,550

genocide is never happy and genocide

2216

01:38:25,990 --> 01:38:24,000

says happy with the slides now where's

2217

01:38:28,470 --> 01:38:26,000

the three and camera angles and someone

2218

01:38:30,390 --> 01:38:28,480

for you to yell out of screen yeah i'm

2219

01:38:32,470 --> 01:38:30,400

gonna this is what i'm gonna do

2220

01:38:33,990 --> 01:38:32,480

i'm gonna have my son jonas so i just

2221

01:38:36,550 --> 01:38:34,000

sit here and i'm gonna yell at him like

2222

01:38:39,669 --> 01:38:36,560

get the slides up on screen come on

2223

01:38:43,750 --> 01:38:41,590

some ascendant master

2224

01:38:45,669 --> 01:38:43,760

uh he yells at his wife right and blames

2225

01:38:47,510 --> 01:38:45,679

his wife for technical problems i love

2226

01:38:48,470 --> 01:38:47,520

it i love it and another kind and

2227

01:38:51,830 --> 01:38:48,480

generous

2228

01:38:53,750 --> 01:38:51,840

super chat donation al warrior i think

2229

01:38:55,270 --> 01:38:53,760

first time donator i want to thank you

2230

01:38:56,950 --> 01:38:55,280

for your kindness your generosity and

2231

01:39:00,070 --> 01:38:56,960

your support with a kind and generous

2232

01:39:02,550 --> 01:39:00,080

five dollar super chat get those super

2233

01:39:05,990 --> 01:39:02,560

chats in friends because

2234

01:39:07,430 --> 01:39:06,000

by supporting the show you support this

2235

01:39:10,550 --> 01:39:07,440

work continuing

2236

01:39:13,030 --> 01:39:10,560

do you want to see this work continue i

2237

01:39:15,109 --> 01:39:13,040

sure want to see this work continue and

2238

01:39:17,189 --> 01:39:15,119

we are a viewer supported show

2239

01:39:19,910 --> 01:39:17,199

so your kindness your generosity and

2240

01:39:22,390 --> 01:39:19,920

your support really does help keep the

2241

01:39:24,709 --> 01:39:22,400

show moving forward i thought of how is

2242

01:39:26,390 --> 01:39:24,719

the best way to ask for money i'm i

2243

01:39:28,950 --> 01:39:26,400

wasn't sure how to do it so i thought

2244

01:39:29,910 --> 01:39:28,960

i'd let the experts ask for the money

2245

01:39:31,830 --> 01:39:29,920

right

2246

01:39:33,750 --> 01:39:31,840

and who's who's a better expert at

2247

01:39:35,830 --> 01:39:33,760

begging for money than televangelist

2248

01:39:38,310 --> 01:39:35,840

friends because

2249

01:39:40,709 --> 01:39:38,320

first of all we're gonna praise the cash

2250

01:39:43,189 --> 01:39:40,719

right after right after we remind people

2251

01:39:45,510 --> 01:39:43,199

that we are doing god's work here we are

2252

01:39:48,149 --> 01:39:45,520

keeping people honest we're revealing

2253

01:39:50,870 --> 01:39:48,159

the truth behind some of these scams

2254

01:39:52,950 --> 01:39:50,880

fairy tale hucksters fraudsters

2255

01:39:55,590 --> 01:39:52,960

and

2256

01:40:02,229 --> 01:39:55,600

personalities in the conspiracy

2257

01:40:05,750 --> 01:40:04,070

here's what i want you to do if the lord

2258

01:40:07,430 --> 01:40:05,760

is speaking to you

2259

01:40:08,470 --> 01:40:07,440

let's just bring some baskets down just

2260

01:40:10,470 --> 01:40:08,480

leave them there

2261

01:40:12,629 --> 01:40:10,480

i'm not finished

2262

01:40:14,310 --> 01:40:12,639

i got one more point to make this is

2263

01:40:15,430 --> 01:40:14,320

what i want you to do thank you miss

2264

01:40:16,950 --> 01:40:15,440

marguerita

2265

01:40:18,950 --> 01:40:16,960

i brought her because i want you to

2266

01:40:20,390 --> 01:40:18,960

understand that the work

2267

01:40:22,310 --> 01:40:20,400

must continue

2268

01:40:24,790 --> 01:40:22,320

this is not a plea for money it's a plea

2269

01:40:27,800 --> 01:40:24,800

for partnership so that we can be what

2270

01:40:31,149 --> 01:40:29,990

[Applause]

2271

01:40:33,270 --> 01:40:31,159

i just need

2272

01:40:35,430 --> 01:40:33,280

497 people

2273

01:40:36,550 --> 01:40:35,440

to say

2274

01:40:41,030 --> 01:40:36,560

i'll do it

2275

01:40:45,109 --> 01:40:42,950

i like being able to help others i like

2276

01:40:47,189 --> 01:40:45,119

being able to fulfill my dreams and you

2277

01:40:49,189 --> 01:40:47,199

know it takes money to do what we're

2278

01:40:50,950 --> 01:40:49,199

doing that's you know that's why god

2279

01:40:52,790 --> 01:40:50,960

gives you influence to help the world to

2280

01:40:54,310 --> 01:40:52,800

make make it a better place we don't ask

2281

01:40:56,310 --> 01:40:54,320

for money and people send in millions of

2282

01:40:57,830 --> 01:40:56,320

dollars to help us keep the broadcast on

2283

01:40:59,990 --> 01:40:57,840

the air i don't think there's anything

2284

01:41:02,550 --> 01:41:00,000

wrong with having a nice place to live

2285

01:41:04,310 --> 01:41:02,560

and being blessed and money should never

2286

01:41:06,629 --> 01:41:04,320

be the focus of your life if that's all

2287

01:41:07,830 --> 01:41:06,639

you're doing that's shallow you should

2288

01:41:11,690 --> 01:41:07,840

you know it should be

2289

01:41:21,590 --> 01:41:11,700

to be a blessing to others

2290

01:41:25,830 --> 01:41:23,910

that is god penetrating your heart it's

2291

01:41:27,430 --> 01:41:25,840

burning on the inside of you and you

2292

01:41:29,590 --> 01:41:27,440

need to make a vow of faith of a

2293

01:41:30,830 --> 01:41:29,600

thousand dollars oh bob couldn't you say

2294

01:41:34,229 --> 01:41:30,840

25

2295

01:41:37,030 --> 01:41:34,239

no you can't make a thousand dollar vow

2296

01:41:38,390 --> 01:41:37,040

of faith i'm saying in faith

2297

01:41:40,870 --> 01:41:38,400

so we got people that don't have

2298

01:41:42,390 --> 01:41:40,880

teenagers that have no hardly nothing

2299

01:41:43,830 --> 01:41:42,400

going for them got enough faith to make

2300

01:41:45,510 --> 01:41:43,840

a thousand dollar bow and send a little

2301

01:41:48,310 --> 01:41:45,520

five dollars here and ten dollars there

2302

01:41:51,189 --> 01:41:48,320

as god begins to move like a whirlwind

2303

01:41:53,910 --> 01:41:52,390

because they don't have that old

2304

01:41:56,070 --> 01:41:53,920

programming of religion well this isn't

2305

01:41:57,350 --> 01:41:56,080

the way we do it in my church forget

2306

01:41:59,430 --> 01:41:57,360

your church

2307

01:42:00,709 --> 01:41:59,440

i'm talking about what god says and if

2308

01:42:02,229 --> 01:42:00,719

you want the kind of miracles that are

2309

01:42:04,310 --> 01:42:02,239

in the bible you're going to have to do

2310

01:42:05,669 --> 01:42:04,320

what god said to do

2311

01:42:08,390 --> 01:42:05,679

and i've got the faith to believe

2312

01:42:10,709 --> 01:42:08,400

they'll come to pass this is hot soil

2313

01:42:13,030 --> 01:42:10,719

for anyone that's got the faith to sow

2314

01:42:14,629 --> 01:42:13,040

into it right now

2315

01:42:18,550 --> 01:42:14,639

i mean right now

2316

01:42:20,709 --> 01:42:18,560

part of your problem god's already

2317

01:42:23,590 --> 01:42:20,719

spoken a word to you and told you to do

2318

01:42:26,310 --> 01:42:23,600

it you need to do it right now

2319

01:42:28,149 --> 01:42:26,320

if you'll start now and get your seed of

2320

01:42:31,669 --> 01:42:28,159

faith into the ground it'll begin to

2321

01:42:33,669 --> 01:42:31,679

grow and god begin to begin to move

2322

01:42:35,669 --> 01:42:33,679

thank you lord thank you lord thank you

2323

01:42:37,430 --> 01:42:35,679

lord this is somebody's day of harvest

2324

01:42:39,750 --> 01:42:37,440

it's you see there's a time to fast and

2325

01:42:41,350 --> 01:42:39,760

the time to feast there's a time to soul

2326

01:42:42,790 --> 01:42:41,360

so there'll be a time to reap many

2327

01:42:44,470 --> 01:42:42,800

people want to reap and they want to

2328

01:42:46,310 --> 01:42:44,480

feast but they're not willing to pay the

2329

01:42:49,350 --> 01:42:46,320

price

2330

01:42:51,910 --> 01:42:49,360

to sow in order that they can refine you

2331

01:42:54,390 --> 01:42:51,920

can't see what's not seen until you let

2332

01:42:56,229 --> 01:42:54,400

go of what is seen and that's i'm

2333

01:42:58,070 --> 01:42:56,239

talking about your money because your

2334

01:42:59,669 --> 01:42:58,080

money is you it's your blood it's your

2335

01:43:01,270 --> 01:42:59,679

sweat your tears it's driving down the

2336

01:43:04,070 --> 01:43:01,280

freeways it's going to work it's

2337

01:43:06,550 --> 01:43:04,080

believing it's you

2338

01:43:08,310 --> 01:43:06,560

and letting go of it

2339

01:43:10,470 --> 01:43:08,320

makes room for the new lost wife didn't

2340

01:43:13,430 --> 01:43:10,480

want to go on and that was the end thank

2341

01:43:15,270 --> 01:43:13,440

you lord i have said your word and now

2342

01:43:16,870 --> 01:43:15,280

i'm going to pray for those that got the

2343

01:43:19,510 --> 01:43:16,880

faith to do something with what they

2344

01:43:21,510 --> 01:43:19,520

believe thank you jesus

2345

01:43:23,350 --> 01:43:21,520

here's a thousand dollar value thank you

2346

01:43:26,310 --> 01:43:23,360

lord thank you lord you say you want to

2347

01:43:27,510 --> 01:43:26,320

make a 500 vow then do it

2348

01:43:29,990 --> 01:43:27,520

then do it

2349

01:43:31,669 --> 01:43:30,000

if that takes faith for you

2350

01:43:34,229 --> 01:43:31,679

do it you will make a hundred dollar

2351

01:43:37,109 --> 01:43:34,239

hour to if that takes faith see i like a

2352

01:43:38,700 --> 01:43:37,119

thousand because i know i got you i got

2353

01:43:59,109 --> 01:43:38,710

you

2354

01:44:01,030 --> 01:43:59,119

cash

2355

01:44:03,350 --> 01:44:01,040

thank you for your kindness

2356

01:44:05,840 --> 01:44:03,360

thank you for your generosity

2357

01:44:12,149 --> 01:44:05,850

crazy cash crazy cash raise the cash

2358

01:44:15,670 --> 01:44:12,159

[Music]

2359

01:44:20,709 --> 01:44:15,680

where'd you guys crazy guys crazy cash

2360

01:44:22,790 --> 01:44:20,719

[Music]

2361

01:44:24,149 --> 01:44:22,800

praise the cash friends and thank you

2362

01:44:27,030 --> 01:44:24,159

for all that your kindness your

2363

01:44:29,830 --> 01:44:27,040

generosity and your support of the show

2364

01:44:33,109 --> 01:44:29,840

it really does help us to

2365

01:44:36,390 --> 01:44:33,119

keep doing this important work and you

2366

01:44:38,070 --> 01:44:36,400

have my kindness my generosity or i want

2367

01:44:41,510 --> 01:44:38,080

to thank you for your kindness your

2368

01:44:43,109 --> 01:44:41,520

generosity and your support

2369

01:44:44,470 --> 01:44:43,119

we have a question coming in from the

2370

01:44:47,590 --> 01:44:44,480

twitch chat

2371

01:44:49,109 --> 01:44:47,600

from lynette411 hello forget about dwc

2372

01:44:51,990 --> 01:44:49,119

and aliens what do you think about the

2373

01:44:53,750 --> 01:44:52,000

law of one i'm very suspect of channeled

2374

01:44:56,070 --> 01:44:53,760

material i don't

2375

01:44:57,830 --> 01:44:56,080

think that channel material

2376

01:44:59,830 --> 01:44:57,840

although it has some value and some

2377

01:45:03,510 --> 01:44:59,840

people certainly find value in channeled

2378

01:45:05,750 --> 01:45:03,520

material and it changes lives sometimes

2379

01:45:07,510 --> 01:45:05,760

i'm suspect of any channeled material

2380

01:45:09,350 --> 01:45:07,520

such as the urantia book or the law of

2381

01:45:11,669 --> 01:45:09,360

one because we essentially have to trust

2382

01:45:13,510 --> 01:45:11,679

that somebody truly is in communication

2383

01:45:15,510 --> 01:45:13,520

with an advanced

2384

01:45:16,629 --> 01:45:15,520

higher being who is channeling this

2385

01:45:18,950 --> 01:45:16,639

information

2386

01:45:21,830 --> 01:45:18,960

to us right

2387

01:45:23,270 --> 01:45:21,840

bernard konkin is here reminding people

2388

01:45:25,350 --> 01:45:23,280

that you need to get into cryptos to

2389

01:45:27,430 --> 01:45:25,360

stop giving youtube 30 of your donation

2390

01:45:29,430 --> 01:45:27,440

to receive 100 in currency that's

2391

01:45:32,550 --> 01:45:29,440

appreciating not hyperinflating i do

2392

01:45:34,550 --> 01:45:32,560

have a bernard conkin i have a crypto

2393

01:45:36,629 --> 01:45:34,560

wallet but there's uh almost nothing in

2394

01:45:38,390 --> 01:45:36,639

it so maybe we'll open up the crypto

2395

01:45:41,990 --> 01:45:38,400

wallet and allow people to donate

2396

01:45:44,950 --> 01:45:42,000

dogecoin or whatever coins they like my

2397

01:45:46,629 --> 01:45:44,960

my uh crypto wallet can accept any forms

2398

01:45:48,149 --> 01:45:46,639

of cryptocurrency

2399

01:45:50,390 --> 01:45:48,159

maybe we'll do that it's on my list of

2400

01:45:51,669 --> 01:45:50,400

things to do bernard konkin

2401

01:45:55,109 --> 01:45:51,679

so anymore

2402

01:45:56,870 --> 01:45:55,119

uh yeah zenzabal says cash is king yes

2403

01:45:58,870 --> 01:45:56,880

it is and i want to thank everybody

2404

01:46:00,470 --> 01:45:58,880

because every time that i've needed

2405

01:46:02,310 --> 01:46:00,480

something here at the show there was a

2406

01:46:04,629 --> 01:46:02,320

little bit of money in that patreon or

2407

01:46:07,030 --> 01:46:04,639

paypal account i want to remind people

2408

01:46:09,750 --> 01:46:07,040

you can donate by paypal

2409

01:46:12,470 --> 01:46:09,760

and then we don't pay the 30

2410

01:46:14,870 --> 01:46:12,480

right if you donate by paypal

2411

01:46:20,870 --> 01:46:14,880

we get to keep most of it

2412

01:46:25,430 --> 01:46:23,189

and i want to thank brock landers for

2413

01:46:28,070 --> 01:46:25,440

kind and generous did i miss some let me

2414

01:46:31,109 --> 01:46:28,080

let me make sure that i didn't miss some

2415

01:46:32,870 --> 01:46:31,119

yeah it looks like i did uh so

2416

01:46:34,709 --> 01:46:32,880

i'm going to just read them

2417

01:46:39,189 --> 01:46:34,719

all again because uh i'm getting

2418

01:46:43,109 --> 01:46:41,109

fcraft 72 of the kind and generous two

2419

01:46:45,109 --> 01:46:43,119

dollar donation saying the truth seekers

2420

01:46:47,510 --> 01:46:45,119

pulpit rogue status have i mentioned

2421

01:46:49,669 --> 01:46:47,520

this stupid i hate this stupid show kind

2422

01:46:52,470 --> 01:46:49,679

of generous 10 donation patrick sheehan

2423

01:46:54,229 --> 01:46:52,480

with 10 we have al warrior with a kind

2424

01:46:56,310 --> 01:46:54,239

and generous five dollar donation saying

2425

01:46:57,910 --> 01:46:56,320

keep up the good work bro

2426

01:47:00,229 --> 01:46:57,920

great thank you for your kindness we

2427

01:47:01,910 --> 01:47:00,239

have uh deviated with a kind and

2428

01:47:04,790 --> 01:47:01,920

generous five dollar donation saying

2429

01:47:07,590 --> 01:47:04,800

hover car cash brock landers with a kind

2430

01:47:09,430 --> 01:47:07,600

and generous 499 donation saying cool

2431

01:47:12,149 --> 01:47:09,440

show make sure the cash clown gets his

2432

01:47:14,470 --> 01:47:12,159

cut oh he listens sometimes he and he

2433

01:47:16,870 --> 01:47:14,480

hears the praises the cash and he goes

2434

01:47:18,870 --> 01:47:16,880

and he comes to me and he shakes me down

2435

01:47:21,189 --> 01:47:18,880

he comes up to me and he says daddy how

2436

01:47:25,030 --> 01:47:21,199

much money did you make did you use my

2437

01:47:27,189 --> 01:47:25,040

did you use me uh yeah so i helped right

2438

01:47:29,750 --> 01:47:27,199

so how much money did you make daddy he

2439

01:47:31,430 --> 01:47:29,760

shakes me down on a daily basis brock

2440

01:47:34,149 --> 01:47:31,440

landers don't worry about him i'm

2441

01:47:36,629 --> 01:47:34,159

teaching him to stand up for himself and

2442

01:47:38,870 --> 01:47:36,639

and take what you have earned right and

2443

01:47:39,669 --> 01:47:38,880

to earn a little bit of extra money he

2444

01:47:41,109 --> 01:47:39,679

has

2445

01:47:50,149 --> 01:47:41,119

uh

2446

01:47:52,310 --> 01:47:50,159

superhero stuff that he wanted he's

2447

01:47:54,709 --> 01:47:52,320

really into these imaginext toys they're

2448

01:47:55,590 --> 01:47:54,719

you know so we've been grabbing some for

2449

01:47:57,669 --> 01:47:55,600

him

2450

01:47:59,990 --> 01:47:57,679

uh doomsday he got doomsday and he's

2451
01:48:01,590 --> 01:48:00,000
having huge superhero battles where all

2452
01:48:04,149 --> 01:48:01,600
the justice league and the teen titans

2453
01:48:05,590 --> 01:48:04,159
and everybody has to stop day

2454
01:48:07,189 --> 01:48:05,600
and he's having a lot of fun with that

2455
01:48:08,709 --> 01:48:07,199
so thank you brock landers for your

2456
01:48:11,030 --> 01:48:08,719
kindness your generosity and support and

2457
01:48:14,229 --> 01:48:11,040
finally ricky aldrige with the kind and

2458
01:48:16,870 --> 01:48:14,239
generous five 499 donation saying give

2459
01:48:18,950 --> 01:48:16,880
him hell man don't mind if i do

2460
01:48:20,629 --> 01:48:18,960
thank you very much success reminding

2461
01:48:22,310 --> 01:48:20,639
people please use the caps for questions

2462
01:48:24,310 --> 01:48:22,320
we will get to as many as humanly

2463
01:48:26,149 --> 01:48:24,320

possible thank you

2464

01:48:28,709 --> 01:48:26,159

william pixley says this is awesome

2465

01:48:31,590 --> 01:48:28,719

thank you for the support william pixley

2466

01:48:33,350 --> 01:48:31,600

uh yeah blue shift radio is here shout

2467

01:48:35,030 --> 01:48:33,360

out to blue shift radio it says harvest

2468

01:48:36,870 --> 01:48:35,040

the cash

2469

01:48:39,030 --> 01:48:36,880

uh and bernard konkin is here

2470

01:48:42,149 --> 01:48:39,040

shamelessly self-promoting uh his

2471

01:48:45,669 --> 01:48:42,159

channel which focuses on many strange

2472

01:48:47,590 --> 01:48:45,679

sciences and and alchemy uh pretty

2473

01:48:50,310 --> 01:48:47,600

interesting stuff

2474

01:48:52,229 --> 01:48:50,320

uh and continuing to pump his show

2475

01:48:53,669 --> 01:48:52,239

rogue status says same scam different

2476

01:48:54,709 --> 01:48:53,679

gods

2477

01:49:01,990 --> 01:48:54,719

yeah

2478

01:49:04,310 --> 01:49:02,000

it's a harvest moon that's pretty cool i

2479

01:49:06,470 --> 01:49:04,320

hope there's still a full moon or

2480

01:49:08,070 --> 01:49:06,480

harvest moon this weekend because i will

2481

01:49:10,950 --> 01:49:08,080

be at the cabin which is a great place

2482

01:49:13,830 --> 01:49:10,960

to look at that super high elevation

2483

01:49:16,070 --> 01:49:13,840

super starry skies love it there

2484

01:49:17,830 --> 01:49:16,080

especially on on new moons though

2485

01:49:19,830 --> 01:49:17,840

because new moons it's super dark we

2486

01:49:21,350 --> 01:49:19,840

have no light pollution so we have a

2487

01:49:24,550 --> 01:49:21,360

great great

2488

01:49:30,709 --> 01:49:24,560

uh view of the milky way from the

2489

01:49:35,030 --> 01:49:33,350

i can definitely uh sympathize with this

2490

01:49:37,270 --> 01:49:35,040

one martin wright says

2491

01:49:39,030 --> 01:49:37,280

the wife already got my donation sir i

2492

01:49:40,390 --> 01:49:39,040

kind of like eating and stuff i

2493

01:49:42,390 --> 01:49:40,400

understand

2494

01:49:43,830 --> 01:49:42,400

and i noticed a huge drop off at nine

2495

01:49:46,390 --> 01:49:43,840

o'clock of live viewers people are

2496

01:49:48,070 --> 01:49:46,400

tuning in to goof on i'm gonna check in

2497

01:49:51,270 --> 01:49:48,080

over there and see

2498

01:49:54,229 --> 01:49:51,280

did mikey horn show up to goof on to do

2499

01:49:57,270 --> 01:49:54,239

the debate i i'm guessing that he didn't

2500

01:49:58,229 --> 01:49:57,280

i am guessing that he did another no

2501
01:50:01,189 --> 01:49:58,239
show

2502
01:50:07,030 --> 01:50:01,199
mikey the weasel horn

2503
01:50:10,870 --> 01:50:09,669
okay we're gonna check in with that

2504
01:50:13,589 --> 01:50:10,880
we're going to check in with that right

2505
01:50:15,910 --> 01:50:13,599
now oh look at that

2506
01:50:18,229 --> 01:50:15,920
world chaos 76 with a kind and generous

2507
01:50:21,189 --> 01:50:18,239
499 super chat saying praise truth

2508
01:50:22,870 --> 01:50:21,199
seekers and i say praise world chaos 76

2509
01:50:26,390 --> 01:50:22,880
for your kindness your generosity and

2510
01:50:28,550 --> 01:50:26,400
your support as you bless me and mine i

2511
01:50:32,070 --> 01:50:28,560
will likewise send out into the universe

2512
01:50:33,669 --> 01:50:32,080
blessings to you and yours worldchaos76

2513
01:50:35,910 --> 01:50:33,679

thank you for your kindness your

2514

01:50:38,770 --> 01:50:35,920

generosity and your support and helping

2515

01:50:44,709 --> 01:50:38,780

us to praise the cash friend

2516

01:50:48,709 --> 01:50:46,229

and i should mention we're working on

2517

01:50:51,350 --> 01:50:48,719

new bumpers with the cash clown so that

2518

01:50:54,550 --> 01:50:51,360

will be pretty interesting right

2519

01:50:57,510 --> 01:50:54,560

definitely be pretty interesting

2520

01:50:59,270 --> 01:50:57,520

and also i want to remind people

2521

01:51:02,070 --> 01:50:59,280

that we have

2522

01:51:04,470 --> 01:51:02,080

a way that you can not only help me but

2523

01:51:06,390 --> 01:51:04,480

also help

2524

01:51:07,910 --> 01:51:06,400

spooky who helps us with graphics helped

2525

01:51:09,510 --> 01:51:07,920

us with these slides and all the

2526

01:51:12,229 --> 01:51:09,520

graphics for the slides helped us

2527

01:51:13,189 --> 01:51:12,239

compile our research for hours and hours

2528

01:51:15,750 --> 01:51:13,199

today

2529

01:51:18,229 --> 01:51:15,760

right i'm going to be sending a

2530

01:51:20,870 --> 01:51:18,239

a coffee or two

2531

01:51:23,189 --> 01:51:20,880

over to spooky's buy me a coffee and

2532

01:51:25,270 --> 01:51:23,199

there is a link in the about section

2533

01:51:28,470 --> 01:51:25,280

where you too can buy spooky a coffee

2534

01:51:32,229 --> 01:51:28,480

for a few bucks and help her help me

2535

01:51:35,830 --> 01:51:32,239

which really really does help us here

2536

01:51:38,229 --> 01:51:35,840

and i just checked in with uh the goof

2537

01:51:40,149 --> 01:51:38,239

on stream and it appears as if mikey

2538

01:51:42,470 --> 01:51:40,159

horn is a no-show

2539

01:51:44,790 --> 01:51:42,480

uh so we're just gonna do a quick

2540

01:51:46,470 --> 01:51:44,800

checking in on that we're gonna check in

2541

01:51:49,350 --> 01:51:46,480

on that quickly

2542

01:51:52,310 --> 01:51:49,360

uh oh look at that vibe with me with a

2543

01:51:53,589 --> 01:51:52,320

kind and generous 9.99 super chat saying

2544

01:51:55,109 --> 01:51:53,599

great show

2545

01:51:56,870 --> 01:51:55,119

i want to thank you for your kindness

2546

01:51:58,550 --> 01:51:56,880

your generosity and your support vibe

2547

01:51:59,589 --> 01:51:58,560

with me we're friends on facebook

2548

01:52:02,629 --> 01:51:59,599

actually

2549

01:52:04,470 --> 01:52:02,639

um and i know i'm not sure if you do a

2550

01:52:06,149 --> 01:52:04,480

show or you just have a big interest in

2551
01:52:07,750 --> 01:52:06,159
these topics but you should message me

2552
01:52:09,430 --> 01:52:07,760
because i'm looking for upcoming guests

2553
01:52:11,189 --> 01:52:09,440
and i think you would make a great one

2554
01:52:13,830 --> 01:52:11,199
based on some of the facebook posts that

2555
01:52:16,229 --> 01:52:13,840
i see that you make so i want to thank

2556
01:52:19,830 --> 01:52:16,239
you for helping us to praise the cash

2557
01:52:37,270 --> 01:52:23,290
where'd you guys create the gas price

2558
01:52:39,990 --> 01:52:37,280
[Music]

2559
01:52:41,270 --> 01:52:40,000
yeah so you guys all have my attitude of

2560
01:52:43,589 --> 01:52:41,280
gratitude

2561
01:52:45,350 --> 01:52:43,599
uh there is a five dollar kind and

2562
01:52:46,629 --> 01:52:45,360
generous donation from wendell lambeau

2563
01:52:48,629 --> 01:52:46,639

thank you for your contribution keep

2564

01:52:50,950 --> 01:52:48,639

holding the frauds and fakes accountable

2565

01:52:52,709 --> 01:52:50,960

i will do so including all those who

2566

01:52:55,109 --> 01:52:52,719

enable them yes we've talked about on

2567

01:52:57,750 --> 01:52:55,119

our show tonight jimmy church never even

2568

01:52:59,669 --> 01:52:57,760

recognized that two outright scams

2569

01:53:01,750 --> 01:52:59,679

scamming our community members out of

2570

01:53:04,790 --> 01:53:01,760

over a hundred thousand dollars the two

2571

01:53:07,189 --> 01:53:04,800

scams together was promoted and

2572

01:53:09,990 --> 01:53:07,199

advertised by david wilcock well

2573

01:53:11,910 --> 01:53:10,000

promoted as the proper word on his show

2574

01:53:14,390 --> 01:53:11,920

he's never even acknowledged it he's

2575

01:53:16,790 --> 01:53:14,400

never apologized for it and i for one

2576

01:53:20,390 --> 01:53:16,800

think he should and it proves that david

2577

01:53:22,310 --> 01:53:20,400

wilcock and and uh jimmy church don't

2578

01:53:25,270 --> 01:53:22,320

care about our community

2579

01:53:28,310 --> 01:53:25,280

they view our community as a pool of

2580

01:53:30,470 --> 01:53:28,320

victims david wilcock views jimmy

2581

01:53:34,229 --> 01:53:30,480

church's entire audience as a pool of

2582

01:53:37,189 --> 01:53:34,239

victims and has taken his scams to that

2583

01:53:38,950 --> 01:53:37,199

pool of victims twice now

2584

01:53:41,109 --> 01:53:38,960

generating over a hundred thousand

2585

01:53:43,350 --> 01:53:41,119

dollars worth of ill-gotten gains for

2586

01:53:46,550 --> 01:53:43,360

him and his friends

2587

01:53:48,229 --> 01:53:46,560

great good job jimmy church so thank you

2588

01:53:50,310 --> 01:53:48,239

wendell lambeau for your kindness your

2589

01:53:57,510 --> 01:53:50,320

generosity and your support we

2590

01:54:01,750 --> 01:53:59,430

thank you for your kindness

2591

01:54:06,430 --> 01:54:01,760

thank you for your generosity

2592

01:54:12,669 --> 01:54:06,440

crazy cash crazy cash raise the cash

2593

01:54:18,070 --> 01:54:15,109

lynette411 says by the way can't praise

2594

01:54:20,070 --> 01:54:18,080

the cash on twitch i know that uh we are

2595

01:54:22,709 --> 01:54:20,080

still waiting for monetization on twitch

2596

01:54:24,790 --> 01:54:22,719

and have been since we started but we

2597

01:54:26,229 --> 01:54:24,800

will we will be doing twitch only

2598

01:54:28,790 --> 01:54:26,239

streams in an effort to get the

2599

01:54:30,310 --> 01:54:28,800

monetization turned on there so i can

2600

01:54:32,070 --> 01:54:30,320

make some money there

2601
01:54:34,310 --> 01:54:32,080
uh because if all these people can make

2602
01:54:36,070 --> 01:54:34,320
money selling fake stories and scams i

2603
01:54:37,830 --> 01:54:36,080
should be able to make money uh

2604
01:54:40,310 --> 01:54:37,840
revealing the truth behind these fake

2605
01:54:42,149 --> 01:54:40,320
stories and fake scams

2606
01:54:44,070 --> 01:54:42,159
uh yeah

2607
01:54:47,030 --> 01:54:44,080
so thank you for your kindness and your

2608
01:54:49,430 --> 01:54:47,040
offer i think if the twitch money was on

2609
01:54:50,870 --> 01:54:49,440
we would have some twitch money so we're

2610
01:54:52,310 --> 01:54:50,880
going to work on doing twitch only

2611
01:54:54,070 --> 01:54:52,320
streams in an effort we have to have

2612
01:54:56,310 --> 01:54:54,080
three average viewers on twitch for a

2613
01:54:57,990 --> 01:54:56,320

month and we can't do that we're getting

2614

01:55:00,470 --> 01:54:58,000

one or two over there

2615

01:55:03,990 --> 01:55:00,480

so it is a grind trying to get to the

2616

01:55:06,629 --> 01:55:04,000

twitch money we hit the subscriber count

2617

01:55:08,709 --> 01:55:06,639

six months ago right

2618

01:55:10,310 --> 01:55:08,719

big fat creep is here and says you

2619

01:55:13,830 --> 01:55:10,320

followed you need to clean up with all

2620

01:55:15,030 --> 01:55:13,840

these fake stories also yeah uh i agree

2621

01:55:17,430 --> 01:55:15,040

with you

2622

01:55:19,350 --> 01:55:17,440

rogue status saying gonna want to rent a

2623

01:55:20,950 --> 01:55:19,360

week at the cabin i'll holler good night

2624

01:55:22,229 --> 01:55:20,960

all well there's a there's a camping

2625

01:55:23,910 --> 01:55:22,239

trailer you can come and stay at the

2626
01:55:25,669 --> 01:55:23,920
cabin whenever you like for free rogue

2627
01:55:27,430 --> 01:55:25,679
status but just bear in mind that i put

2628
01:55:29,030 --> 01:55:27,440
everybody that comes there to work

2629
01:55:31,189 --> 01:55:29,040
because there's endless work building

2630
01:55:33,109 --> 01:55:31,199
this cabin to do so i have a tendency

2631
01:55:35,430 --> 01:55:33,119
when people visit to say hey you want to

2632
01:55:37,189 --> 01:55:35,440
help me with this roof

2633
01:55:39,109 --> 01:55:37,199
you want to help me carry this firewood

2634
01:55:41,109 --> 01:55:39,119
you want to help me split this firewood

2635
01:55:43,669 --> 01:55:41,119
stack this firewood uh do you want to

2636
01:55:46,070 --> 01:55:43,679
help me build this wall over here there

2637
01:55:47,510 --> 01:55:46,080
is an endless supply of work at the

2638
01:55:51,430 --> 01:55:47,520

cabin so i put people to work rope

2639

01:55:53,030 --> 01:55:51,440

status just know that and mark van

2640

01:55:54,790 --> 01:55:53,040

al stein is here a hundred thousand

2641

01:55:58,470 --> 01:55:54,800

dollars you could go hoverboarding with

2642

01:55:59,510 --> 01:55:58,480

cyree and david yeah i guess so

2643

01:56:02,550 --> 01:55:59,520

yeah

2644

01:56:04,709 --> 01:56:02,560

uh but i was mentioning uh that we were

2645

01:56:06,229 --> 01:56:04,719

checking in with the billy meyer with

2646

01:56:07,750 --> 01:56:06,239

the billy meyer

2647

01:56:10,149 --> 01:56:07,760

uh stream

2648

01:56:13,750 --> 01:56:10,159

taking place on goof on and it looks

2649

01:56:16,709 --> 01:56:13,760

like yes uh mikey the weasel horn has

2650

01:56:17,910 --> 01:56:16,719

once again for the third or maybe fourth

2651
01:56:20,390 --> 01:56:17,920
time now

2652
01:56:22,470 --> 01:56:20,400
requested and then weaseled out of a

2653
01:56:24,790 --> 01:56:22,480
debate with kalkorf

2654
01:56:26,870 --> 01:56:24,800
how convenient right and he's he's

2655
01:56:29,189 --> 01:56:26,880
having a fit right now

2656
01:56:31,270 --> 01:56:29,199
and he is uh

2657
01:56:33,109 --> 01:56:31,280
you know he's having a fit

2658
01:56:35,510 --> 01:56:33,119
writing all this garbage in his blog

2659
01:56:37,589 --> 01:56:35,520
posts about me and kalkorf and everybody

2660
01:56:40,950 --> 01:56:37,599
else that disagrees

2661
01:56:42,550 --> 01:56:40,960
and uh it's a laugh riot friends it is a

2662
01:56:45,350 --> 01:56:42,560
laugh right i'm trying to get my fair

2663
01:56:47,030 --> 01:56:45,360

use banner uh even though rich i don't

2664

01:56:48,550 --> 01:56:47,040

think rich would but this is fair use

2665

01:56:49,830 --> 01:56:48,560

this is a transformative work we're

2666

01:56:51,350 --> 01:56:49,840

educating the public and we're

2667

01:56:52,709 --> 01:56:51,360

discussing the video that we're going to

2668

01:56:55,589 --> 01:56:52,719

be sharing

2669

01:56:58,310 --> 01:56:55,599

uh so yeah let's see it's kalkwarf

2670

01:57:00,229 --> 01:56:58,320

giving i showed wendell these images

2671

01:57:02,470 --> 01:57:00,239

giving a presentation about what a fraud

2672

01:57:04,149 --> 01:57:02,480

billy meyer and mikey horn are

2673

01:57:05,589 --> 01:57:04,159

in front of everyone on stage i talked

2674

01:57:07,430 --> 01:57:05,599

about that in the book and i said hey

2675

01:57:09,589 --> 01:57:07,440

we've got a problem not only are these

2676
01:57:12,149 --> 01:57:09,599
models from the d martin show but the

2677
01:57:13,830 --> 01:57:12,159
camera optics are backwards um if

2678
01:57:15,669 --> 01:57:13,840
meyer's camera was jammed short of

2679
01:57:18,149 --> 01:57:15,679
infinity

2680
01:57:20,550 --> 01:57:18,159
after 2.8 the girl in the back should be

2681
01:57:22,149 --> 01:57:20,560
in focus more than the closer woman but

2682
01:57:23,830 --> 01:57:22,159
it's just the opposite i'm gonna push

2683
01:57:27,510 --> 01:57:23,840
this back a little bit and it shows you

2684
01:57:29,750 --> 01:57:27,520
how here we see here we see uh

2685
01:57:31,830 --> 01:57:29,760
here we see kalkorf just shredding

2686
01:57:34,390 --> 01:57:31,840
destroying mikey horn we have robert

2687
01:57:35,669 --> 01:57:34,400
rivas as well there uh with rich from

2688
01:57:37,589 --> 01:57:35,679

goofon

2689

01:57:39,589 --> 01:57:37,599

kalkorf could do an entire

2690

01:57:43,830 --> 01:57:39,599

presentation here fake ships of the

2691

01:57:46,709 --> 01:57:43,840

pleiades how to fake ufo photos great

2692

01:57:49,830 --> 01:57:46,719

cow course got the goods mikey horn was

2693

01:57:51,030 --> 01:57:49,840

a coward and did not show up to do the

2694

01:57:53,510 --> 01:57:51,040

debate

2695

01:57:55,270 --> 01:57:53,520

i for one predicted this i told rich

2696

01:57:56,709 --> 01:57:55,280

from goof on there's no way that mikey

2697

01:57:58,950 --> 01:57:56,719

horn is going to show up he's going to

2698

01:58:01,030 --> 01:57:58,960

weasel out of this just like he did on

2699

01:58:02,790 --> 01:58:01,040

my show he's going to blame you

2700

01:58:03,910 --> 01:58:02,800

he did everything i said he was going to

2701

01:58:06,229 --> 01:58:03,920

do

2702

01:58:07,830 --> 01:58:06,239

he started these blog posts claiming

2703

01:58:10,550 --> 01:58:07,840

that rich was biased and he would only

2704

01:58:12,870 --> 01:58:10,560

do the debate on his channel now

2705

01:58:15,589 --> 01:58:12,880

it is amazing friends that girl

2706

01:58:18,470 --> 01:58:15,599

jessica's here says sounds like a good

2707

01:58:20,709 --> 01:58:18,480

trade maybe it does yeah

2708

01:58:22,070 --> 01:58:20,719

so friends um

2709

01:58:25,589 --> 01:58:22,080

in closing

2710

01:58:28,070 --> 01:58:25,599

what i'd like to just say is that

2711

01:58:29,589 --> 01:58:28,080

we have detailed we have detailed

2712

01:58:32,790 --> 01:58:29,599

tonight friends

2713

01:58:35,589 --> 01:58:32,800

david wilcock and his saga of scams over

2714

01:58:38,070 --> 01:58:35,599

a 10-year period all of these

2715

01:58:41,589 --> 01:58:38,080

shady dealings that he has been involved

2716

01:58:44,550 --> 01:58:41,599

in using fake sources milking face fake

2717

01:58:47,910 --> 01:58:44,560

sources using pete peterson a senile old

2718

01:58:51,910 --> 01:58:47,920

man to sell fake alien stories on gaia

2719

01:58:55,189 --> 01:58:51,920

tv network running a gofundme scam for a

2720

01:58:57,189 --> 01:58:55,199

fake source who was experiencing a fake

2721

01:58:59,109 --> 01:58:57,199

deep state attack

2722

01:59:00,870 --> 01:58:59,119

in the same uh

2723

01:59:03,510 --> 01:59:00,880

in the same

2724

01:59:06,550 --> 01:59:03,520

appearance on jimmy church david wilcock

2725

01:59:08,790 --> 01:59:06,560

once claimed that they

2726

01:59:10,950 --> 01:59:08,800

the deep state

2727

01:59:12,790 --> 01:59:10,960

tried to kill him you know by messing

2728

01:59:13,830 --> 01:59:12,800

with his breaks

2729

01:59:15,430 --> 01:59:13,840

later

2730

01:59:17,589 --> 01:59:15,440

david wilcock claimed that they would

2731

01:59:20,070 --> 01:59:17,599

mess with the brakes on his wife's car

2732

01:59:23,030 --> 01:59:20,080

so which is it

2733

01:59:25,510 --> 01:59:23,040

so he was involved in this gofundme scam

2734

01:59:27,189 --> 01:59:25,520

then he was involved in the emery smith

2735

01:59:28,629 --> 01:59:27,199

i'm attacked by the deep state but

2736

01:59:31,510 --> 01:59:28,639

really i'm just in the hospital with

2737

01:59:34,629 --> 01:59:31,520

alcohol poisoning paypal scam we've seen

2738

01:59:36,790 --> 01:59:34,639

the convergence llc picture scam

2739

01:59:39,109 --> 01:59:36,800

we've seen the scam that he ran with

2740

01:59:40,950 --> 01:59:39,119

daniel blinkley brinkley the guy who

2741

01:59:42,709 --> 01:59:40,960

keeps dying and writing books about

2742

01:59:44,870 --> 01:59:42,719

having near-death experiences every time

2743

01:59:46,629 --> 01:59:44,880

he needs money claiming that that guy

2744

01:59:49,030 --> 01:59:46,639

was going to die any minute you got to

2745

01:59:52,229 --> 01:59:49,040

hurry up and sign up for my course

2746

01:59:53,990 --> 01:59:52,239

i believe that that is a scam

2747

01:59:55,910 --> 01:59:54,000

let's see we've seen

2748

01:59:58,390 --> 01:59:55,920

the

2749

02:00:00,270 --> 01:59:58,400

let's just say less than transparent

2750

02:00:02,790 --> 02:00:00,280

nature of his

2751
02:00:05,350 --> 02:00:02,800
501c3 charity where he's been collecting

2752
02:00:07,189 --> 02:00:05,360
money for some three or four years now

2753
02:00:09,510 --> 02:00:07,199
and only reported on what he collected

2754
02:00:11,669 --> 02:00:09,520
in the first year and refuses to report

2755
02:00:14,310 --> 02:00:11,679
on what he collected in subsequent years

2756
02:00:16,629 --> 02:00:14,320
or what he spent the money on but we get

2757
02:00:19,189 --> 02:00:16,639
some window into the mind of david

2758
02:00:20,149 --> 02:00:19,199
wilcock by looking at the first

2759
02:00:22,390 --> 02:00:20,159
year's

2760
02:00:24,950 --> 02:00:22,400
take he took in seventy thousand dollars

2761
02:00:27,430 --> 02:00:24,960
in donations what did he spend it on

2762
02:00:29,109 --> 02:00:27,440
himself four thousand dollars in meals

2763
02:00:30,709 --> 02:00:29,119

and entertainment five thousand dollars

2764

02:00:33,109 --> 02:00:30,719

for equipment

2765

02:00:34,950 --> 02:00:33,119

right software he's buying himself

2766

02:00:36,629 --> 02:00:34,960

software meals and entertainment to the

2767

02:00:38,070 --> 02:00:36,639

tune of four thousand dollars he's

2768

02:00:40,229 --> 02:00:38,080

buying himself five thousand dollars

2769

02:00:43,109 --> 02:00:40,239

worth of furniture he's paying rent on

2770

02:00:46,470 --> 02:00:43,119

an expensive million dollar home that he

2771

02:00:48,310 --> 02:00:46,480

claims is for his charity with your

2772

02:00:50,870 --> 02:00:48,320

money

2773

02:00:53,109 --> 02:00:50,880

now we get to this i'm going to build

2774

02:00:55,109 --> 02:00:53,119

hover cars you should invest money with

2775

02:00:56,229 --> 02:00:55,119

me so

2776
02:00:59,510 --> 02:00:56,239
i would

2777
02:01:01,189 --> 02:00:59,520
highly highly caution anybody who's

2778
02:01:02,950 --> 02:01:01,199
thinking about either buying a course

2779
02:01:05,750 --> 02:01:02,960
from david wilcock where he's going to

2780
02:01:08,310 --> 02:01:05,760
teach you the secrets of free energy and

2781
02:01:09,589 --> 02:01:08,320
you too can build a hover car for 333

2782
02:01:12,229 --> 02:01:09,599
dollars

2783
02:01:14,070 --> 02:01:12,239
or investing in his company he claims

2784
02:01:15,510 --> 02:01:14,080
will bring a working prototype of a

2785
02:01:18,070 --> 02:01:15,520
hover car

2786
02:01:19,030 --> 02:01:18,080
to reality in one year

2787
02:01:21,510 --> 02:01:19,040
friends

2788
02:01:23,589 --> 02:01:21,520

he's claiming he's going to do that with

2789

02:01:25,350 --> 02:01:23,599

pete peterson's former associates that

2790

02:01:27,910 --> 02:01:25,360

he's working with on this

2791

02:01:30,229 --> 02:01:27,920

pete peterson lied about being a ronald

2792

02:01:32,229 --> 02:01:30,239

reagan scientific technology advisor

2793

02:01:34,149 --> 02:01:32,239

pete peterson lied about his education

2794

02:01:36,470 --> 02:01:34,159

he lied about winning an order of merlin

2795

02:01:39,109 --> 02:01:36,480

award he lied about being an early

2796

02:01:42,709 --> 02:01:39,119

computer pioneer he lied about working

2797

02:01:45,430 --> 02:01:42,719

for the russian equivalent of nasa

2798

02:01:47,589 --> 02:01:45,440

but his associates are not going to lie

2799

02:01:50,790 --> 02:01:47,599

and they're going to share with david

2800

02:01:53,109 --> 02:01:50,800

wilcock the true secrets of anti-gravity

2801
02:01:55,669 --> 02:01:53,119
and free energy devices

2802
02:01:57,830 --> 02:01:55,679
and i just want to mention that i have

2803
02:01:59,910 --> 02:01:57,840
been following free energy scams since i

2804
02:02:01,830 --> 02:01:59,920
was some 12 years old and at 12 years

2805
02:02:03,510 --> 02:02:01,840
old was the victim of some of those

2806
02:02:05,270 --> 02:02:03,520
scams because i would buy plans on how

2807
02:02:08,229 --> 02:02:05,280
to build free energy

2808
02:02:10,070 --> 02:02:08,239
uh generators from ebay and i was good

2809
02:02:11,350 --> 02:02:10,080
with electronics and a soldering gun i

2810
02:02:12,790 --> 02:02:11,360
would try to build them they never

2811
02:02:15,270 --> 02:02:12,800
worked friends

2812
02:02:17,910 --> 02:02:15,280
i have followed free energy and free

2813
02:02:20,790 --> 02:02:17,920

energy scams since i was 12 years old

2814

02:02:22,790 --> 02:02:20,800

not one person ever creates a working

2815

02:02:23,910 --> 02:02:22,800

prototype that could be measured by real

2816

02:02:26,870 --> 02:02:23,920

science

2817

02:02:27,910 --> 02:02:26,880

as truly producing free energy david

2818

02:02:30,629 --> 02:02:27,920

wilcock

2819

02:02:32,709 --> 02:02:30,639

he says that he has a 180 iq which would

2820

02:02:34,950 --> 02:02:32,719

make him smarter than oh i don't know

2821

02:02:37,510 --> 02:02:34,960

neil degrasse tyson would make him

2822

02:02:40,149 --> 02:02:37,520

smarter than mickey okaku smarter than

2823

02:02:42,390 --> 02:02:40,159

elon musk and smarter

2824

02:02:44,950 --> 02:02:42,400

you guessed it friends smarter than

2825

02:02:46,709 --> 02:02:44,960

albert einstein he claims that he's

2826

02:02:47,750 --> 02:02:46,719

going to crack the code to this free

2827

02:02:48,870 --> 02:02:47,760

energy

2828

02:02:51,109 --> 02:02:48,880

and

2829

02:02:53,189 --> 02:02:51,119

if you invest in his company or by his

2830

02:02:54,870 --> 02:02:53,199

course he'll share with you the secrets

2831

02:02:57,510 --> 02:02:54,880

of free energy

2832

02:03:00,310 --> 02:02:57,520

i would submit to you that this is yet

2833

02:03:03,030 --> 02:03:00,320

another in a long line of shady business

2834

02:03:05,430 --> 02:03:03,040

deals some would call them scams that

2835

02:03:08,390 --> 02:03:05,440

david wilcock has run

2836

02:03:10,870 --> 02:03:08,400

i highly caution anybody please do not

2837

02:03:12,629 --> 02:03:10,880

give this man any money so that he could

2838

02:03:15,030 --> 02:03:12,639

buy more fake teeth

2839

02:03:17,589 --> 02:03:15,040

more makeup more cameras so he can have

2840

02:03:19,830 --> 02:03:17,599

six camera angles instead of four

2841

02:03:21,830 --> 02:03:19,840

so he could spend thousands of dollars

2842

02:03:24,390 --> 02:03:21,840

on meals and entertainment that's what

2843

02:03:27,990 --> 02:03:24,400

he's doing with your money friends

2844

02:03:30,310 --> 02:03:28,000

and based on his history i have

2845

02:03:32,470 --> 02:03:30,320

absolutely zero

2846

02:03:35,350 --> 02:03:32,480

zero confidence that he is going to

2847

02:03:37,510 --> 02:03:35,360

produce anything that works what i feel

2848

02:03:39,669 --> 02:03:37,520

is going to happen here and this is my

2849

02:03:42,390 --> 02:03:39,679

opinion and speculation but i'm entitled

2850

02:03:44,229 --> 02:03:42,400

to it is that david wilcock will repeat

2851
02:03:47,030 --> 02:03:44,239
his pattern of collecting money for

2852
02:03:48,870 --> 02:03:47,040
years for something and never

2853
02:03:50,709 --> 02:03:48,880
show us proof of it

2854
02:03:52,550 --> 02:03:50,719
he's done it with this pete peterson

2855
02:03:54,470 --> 02:03:52,560
gofundme scam

2856
02:03:56,709 --> 02:03:54,480
he's done it with the emery smith scam

2857
02:03:58,390 --> 02:03:56,719
he's done it with his charity he's been

2858
02:04:00,950 --> 02:03:58,400
collecting money for his charity for

2859
02:04:04,390 --> 02:04:00,960
almost four years now and he cannot show

2860
02:04:06,629 --> 02:04:04,400
us one hungry mouth he fed one

2861
02:04:07,750 --> 02:04:06,639
person that's about to be evicted that

2862
02:04:10,149 --> 02:04:07,760
he helped

2863
02:04:12,870 --> 02:04:10,159

get a place to live or he can't show us

2864

02:04:16,629 --> 02:04:12,880

one homeless person that he helped one

2865

02:04:18,950 --> 02:04:16,639

well he dug he cannot show us one

2866

02:04:21,030 --> 02:04:18,960

charitable act that he did

2867

02:04:23,350 --> 02:04:21,040

with his charitable foundation after

2868

02:04:25,669 --> 02:04:23,360

collecting money for some three or four

2869

02:04:28,229 --> 02:04:25,679

years and he refuses to disclose where

2870

02:04:30,550 --> 02:04:28,239

that money went so i would submit to you

2871

02:04:33,910 --> 02:04:30,560

friends that the likelihood that he's

2872

02:04:38,069 --> 02:04:33,920

going to come through with the truth

2873

02:04:42,629 --> 02:04:38,079

about free energy and anti-gravity is

2874

02:04:44,470 --> 02:04:42,639

zero he's going to repeat his pattern

2875

02:04:46,550 --> 02:04:44,480

leopards do not

2876

02:04:47,510 --> 02:04:46,560

lose their spots change their spots

2877

02:04:49,430 --> 02:04:47,520

friends

2878

02:04:51,510 --> 02:04:49,440

he's going to continue the pattern he's

2879

02:04:52,950 --> 02:04:51,520

going to collect money for that for as

2880

02:04:54,870 --> 02:04:52,960

long as he can

2881

02:04:57,109 --> 02:04:54,880

and then that company's gonna go belly

2882

02:04:59,750 --> 02:04:57,119

up just like his convergence pictures

2883

02:05:01,589 --> 02:04:59,760

llc company went belly up after he

2884

02:05:03,510 --> 02:05:01,599

collected money for that for four years

2885

02:05:06,149 --> 02:05:03,520

and never produced anything

2886

02:05:09,830 --> 02:05:06,159

david wilcock is a creature of habit he

2887

02:05:12,709 --> 02:05:09,840

is a sociopath or a he has narcissistic

2888

02:05:16,550 --> 02:05:12,719

personality disorder and feels that he

2889

02:05:18,629 --> 02:05:16,560

is too important to work for a living

2890

02:05:20,229 --> 02:05:18,639

and it is my hope

2891

02:05:22,310 --> 02:05:20,239

that law enforcement will become

2892

02:05:23,270 --> 02:05:22,320

involved here

2893

02:05:24,550 --> 02:05:23,280

because

2894

02:05:27,109 --> 02:05:24,560

this is

2895

02:05:29,510 --> 02:05:27,119

ridiculous that he has never been to my

2896

02:05:33,109 --> 02:05:29,520

knowledge either criminally prosecuted

2897

02:05:35,910 --> 02:05:33,119

or investigated for any of this activity

2898

02:05:36,870 --> 02:05:35,920

that we have shown here tonight with

2899

02:05:38,870 --> 02:05:36,880

valid

2900

02:05:41,510 --> 02:05:38,880

and convincing

2901
02:05:44,229 --> 02:05:41,520
overwhelmingly convincing evidence of

2902
02:05:45,830 --> 02:05:44,239
these being scams

2903
02:05:47,510 --> 02:05:45,840
so friends i'm going to bounce out of

2904
02:05:50,709 --> 02:05:47,520
here because i'd like to hear what

2905
02:05:51,589 --> 02:05:50,719
kalkorf is talking about over on goofon

2906
02:05:55,270 --> 02:05:51,599
uh

2907
02:05:56,870 --> 02:05:55,280
and and shredding mikey the weasel horn

2908
02:05:59,510 --> 02:05:56,880
i want to thank each and every one of

2909
02:06:01,430 --> 02:05:59,520
you especially those who contributed

2910
02:06:02,870 --> 02:06:01,440
some super chats we're going to check in

2911
02:06:04,629 --> 02:06:02,880
with the paypal

2912
02:06:06,629 --> 02:06:04,639
right now just to make sure we do not

2913
02:06:08,950 --> 02:06:06,639

have a paypal shout out to do if you'd

2914

02:06:11,189 --> 02:06:08,960

like to donate by paypal there's a link

2915

02:06:13,030 --> 02:06:11,199

in the description you just donate and

2916

02:06:16,229 --> 02:06:13,040

you add a note and anything you want me

2917

02:06:17,750 --> 02:06:16,239

to shout out and we do so so yeah no

2918

02:06:19,750 --> 02:06:17,760

paypal donations but i want to remind

2919

02:06:21,669 --> 02:06:19,760

you you can also sign up for our patreon

2920

02:06:24,149 --> 02:06:21,679

for as little as a dollar a month

2921

02:06:25,830 --> 02:06:24,159

but there's other ways to support us and

2922

02:06:27,990 --> 02:06:25,840

that my friends

2923

02:06:30,069 --> 02:06:28,000

would be of course what every good

2924

02:06:32,390 --> 02:06:30,079

youtuber knows and that is that i have

2925

02:06:35,189 --> 02:06:32,400

to appeal to you as my audience to like

2926

02:06:36,790 --> 02:06:35,199

comment subscribe and share these videos

2927

02:06:38,629 --> 02:06:36,800

it really does help raise us in the

2928

02:06:41,030 --> 02:06:38,639

search engine and i will say my daily

2929

02:06:42,470 --> 02:06:41,040

prayer to the google ai algorithm gods

2930

02:06:49,510 --> 02:06:42,480

please

2931

02:06:52,069 --> 02:06:49,520

our ai algorithm guide who are in the

2932

02:06:53,990 --> 02:06:52,079

cloud please find favorite in us raise

2933

02:06:56,149 --> 02:06:54,000

us in the search engine and help more

2934

02:06:59,350 --> 02:06:56,159

people find us so that our show will

2935

02:07:02,149 --> 02:06:59,360

continue to grow find favor in us

2936

02:07:04,229 --> 02:07:02,159

and do not strike us down

2937

02:07:07,510 --> 02:07:04,239

in google's name we pray amen so i've

2938

02:07:09,990 --> 02:07:07,520

said my prayer my hands are tied here my

2939

02:07:12,709 --> 02:07:10,000

life is in the hands of a google ai

2940

02:07:15,510 --> 02:07:12,719

algorithm if they like us we raising the

2941

02:07:17,589 --> 02:07:15,520

search engines if you subscribe if you

2942

02:07:19,910 --> 02:07:17,599

share if you click that notification

2943

02:07:22,870 --> 02:07:19,920

bell if you write a comment the google

2944

02:07:25,270 --> 02:07:22,880

ai algorithm loves it and i will love it

2945

02:07:27,750 --> 02:07:25,280

so please help us by doing some of that

2946

02:07:29,510 --> 02:07:27,760

it really does help

2947

02:07:31,189 --> 02:07:29,520

amy collins is here and says great show

2948

02:07:32,629 --> 02:07:31,199

steven superb graphics spooky see you

2949

02:07:34,709 --> 02:07:32,639

next time folks

2950

02:07:37,109 --> 02:07:34,719

great great good to see you

2951
02:07:39,910 --> 02:07:37,119
and i want to welcome lynette411 you can

2952
02:07:41,910 --> 02:07:39,920
go over next time please do come over to

2953
02:07:44,310 --> 02:07:41,920
youtube search truth seekers in the

2954
02:07:45,990 --> 02:07:44,320
youtube search bar one word and hit that

2955
02:07:48,229 --> 02:07:46,000
like button hit that subscribe button

2956
02:07:49,589 --> 02:07:48,239
come and be in our live chat and you too

2957
02:07:51,510 --> 02:07:49,599
can help us praise the cash and throw

2958
02:07:53,350 --> 02:07:51,520
some money in the form of super chats

2959
02:07:55,589 --> 02:07:53,360
over here since twitch won't let you do

2960
02:07:57,030 --> 02:07:55,599
it but thank you for holding down the

2961
02:07:58,629 --> 02:07:57,040
twitch live chat you're probably the

2962
02:08:01,270 --> 02:07:58,639
only one over there debbie walker is

2963
02:08:03,350 --> 02:08:01,280

here and says great show thank you

2964

02:08:04,629 --> 02:08:03,360

uh debbie walker commenting from our

2965

02:08:06,950 --> 02:08:04,639

facebook

2966

02:08:08,790 --> 02:08:06,960

live video great

2967

02:08:10,870 --> 02:08:08,800

crypto alchemist says giving you

2968

02:08:12,870 --> 02:08:10,880

multiple views and likes more accounts

2969

02:08:14,149 --> 02:08:12,880

more helping your algos thank you very

2970

02:08:15,830 --> 02:08:14,159

much

2971

02:08:17,510 --> 02:08:15,840

so i want to thank each and every one of

2972

02:08:19,270 --> 02:08:17,520

you for joining us

2973

02:08:22,950 --> 02:08:19,280

it has been my pleasure

2974

02:08:23,830 --> 02:08:22,960

to present for you

2975

02:08:26,149 --> 02:08:23,840

our

2976

02:08:28,310 --> 02:08:26,159

presentation tonight david wilcock and

2977

02:08:31,189 --> 02:08:28,320

his saga of scams

2978

02:08:33,189 --> 02:08:31,199

i consider this a work of

2979

02:08:34,229 --> 02:08:33,199

i consider this a public service we may

2980

02:08:37,030 --> 02:08:34,239

prevent

2981

02:08:38,709 --> 02:08:37,040

more people from becoming victims of

2982

02:08:42,470 --> 02:08:38,719

this

2983

02:08:43,669 --> 02:08:42,480

person who is an obvious predator

2984

02:08:44,870 --> 02:08:43,679

of people

2985

02:08:45,910 --> 02:08:44,880

who are

2986

02:08:49,750 --> 02:08:45,920

looking

2987

02:08:52,390 --> 02:08:49,760

for something right he prays on people

2988

02:08:57,510 --> 02:08:54,390

want to feel important you hear this

2989

02:08:59,750 --> 02:08:57,520

pitch become one of my insiders

2990

02:09:01,910 --> 02:08:59,760

right

2991

02:09:03,510 --> 02:09:01,920

it's absolutely disgusting to me that

2992

02:09:05,990 --> 02:09:03,520

somebody who professes to be some kind

2993

02:09:08,310 --> 02:09:06,000

of spiritual guru would be involved in

2994

02:09:10,709 --> 02:09:08,320

all of these scams and that my friends

2995

02:09:13,510 --> 02:09:10,719

is all the proof that you need that he

2996

02:09:16,149 --> 02:09:13,520

is not a spiritual guru

2997

02:09:17,669 --> 02:09:16,159

you will know them by their fruit

2998

02:09:20,470 --> 02:09:17,679

that's what it says in the bible about

2999

02:09:21,990 --> 02:09:20,480

real prophets he is not a real prophet

3000

02:09:23,589 --> 02:09:22,000

and he does not pass the test of a

3001

02:09:25,910 --> 02:09:23,599

prophet because the test of a prophet in

3002

02:09:28,310 --> 02:09:25,920

the bible clearly states that if you get

3003

02:09:29,750 --> 02:09:28,320

one prophecy wrong you are not a true

3004

02:09:32,390 --> 02:09:29,760

prophet because god would not get

3005

02:09:34,629 --> 02:09:32,400

anything wrong david wilcock has gotten

3006

02:09:36,790 --> 02:09:34,639

hundreds thousands of predictions wrong

3007

02:09:38,229 --> 02:09:36,800

over the years

3008

02:09:39,270 --> 02:09:38,239

and we

3009

02:09:41,750 --> 02:09:39,280

see

3010

02:09:44,550 --> 02:09:41,760

the fruit that his tree bears and it is

3011

02:09:47,189 --> 02:09:44,560

as rotten as him and as rotten as the

3012

02:09:49,910 --> 02:09:47,199

tree bearing the rotten fruit

3013

02:09:51,910 --> 02:09:49,920

rotten roots and a rotten tree will not

3014

02:09:53,750 --> 02:09:51,920

bear good fruit

3015

02:09:55,830 --> 02:09:53,760

he's rotten

3016

02:09:57,350 --> 02:09:55,840

so until next time friends this is

3017

02:09:59,350 --> 02:09:57,360

stephen cambion

3018

02:10:00,950 --> 02:09:59,360

reminding you

3019

02:10:03,350 --> 02:10:00,960

that sometimes

3020

02:10:04,790 --> 02:10:03,360

the truth is ugly

3021

02:10:10,460 --> 02:10:04,800

but it's still

3022

02:10:10,470 --> 02:10:49,189

[Music]

3023

02:10:49,199 --> 02:11:01,440

so

3024

02:11:37,870 --> 02:11:09,020

[Music]

3025

02:12:12,190 --> 02:11:40,620

[Applause]
