

THE

MIDNIGHT

HOW

LEGACY CONTENT

001 The Kecksburg UFO Crash

with Stan Gordon.

STEVEN CAMBIAN IS:
THE MYSTERY MAN

1
00:00:05,430 --> 00:00:02,869
this program is a legacy program which

2
00:00:07,909 --> 00:00:05,440
was recorded some time ago

3
00:00:10,470 --> 00:00:07,919
views and subject matter are products of

4
00:00:13,030 --> 00:00:10,480
the time in which they were recorded and

5
00:00:14,070 --> 00:00:13,040
may not reflect current news or cultural

6
00:00:21,370 --> 00:00:14,080
stances

7
00:00:21,380 --> 00:00:31,750
[Music]

8
00:00:31,760 --> 00:00:47,029
foreign

9
00:00:47,039 --> 00:00:56,500
so

10
00:01:15,590 --> 00:01:10,150
[Music]

11
00:01:15,600 --> 00:01:29,830
so

12
00:01:29,840 --> 00:01:34,069
[Music]

13
00:01:40,310 --> 00:01:37,109

greetings and salutations

14

00:01:42,950 --> 00:01:40,320

and welcome to another exciting edition

15

00:01:45,670 --> 00:01:42,960

of the mystery man show

16

00:01:48,710 --> 00:01:45,680

i'm your host stephen cambion

17

00:01:51,510 --> 00:01:48,720

also known as the mystery man

18

00:01:53,350 --> 00:01:51,520

because who better than a magician

19

00:01:56,230 --> 00:01:53,360

a man of mystery

20

00:01:58,149 --> 00:01:56,240

a man trained in the art of deception

21

00:02:00,310 --> 00:01:58,159

to peel back the layers

22

00:02:04,069 --> 00:02:00,320

and investigate for you

23

00:02:05,590 --> 00:02:04,079

the greatest mysteries on planet earth

24

00:02:07,270 --> 00:02:05,600

tonight's show

25

00:02:09,910 --> 00:02:07,280

will feature

26

00:02:12,390 --> 00:02:09,920

the kecksburg ufo crash

27

00:02:14,710 --> 00:02:12,400

that reportedly happened december 9

28

00:02:17,190 --> 00:02:14,720

1965.

29

00:02:21,510 --> 00:02:17,200

did an alien spacecraft really crash

30

00:02:22,949 --> 00:02:21,520

land in some small sleepy town in 1965

31

00:02:24,949 --> 00:02:22,959

in pennsylvania

32

00:02:27,670 --> 00:02:24,959

and more importantly did the government

33

00:02:28,790 --> 00:02:27,680

capture it and cover it up

34

00:02:30,869 --> 00:02:28,800

join me

35

00:02:36,070 --> 00:02:30,879

as we investigate

36

00:02:41,509 --> 00:02:37,670

so the

37

00:02:46,229 --> 00:02:43,990

conspiracy theory about the kecksburg

38

00:02:48,790 --> 00:02:46,239

ufo incident is that multiple multiple

39

00:02:50,390 --> 00:02:48,800

witnesses reported seeing many military

40

00:02:52,949 --> 00:02:50,400

people in the area

41

00:02:53,910 --> 00:02:52,959

after the objects crashed

42

00:02:56,470 --> 00:02:53,920

and

43

00:02:58,070 --> 00:02:56,480

after that time

44

00:03:00,390 --> 00:02:58,080

people were

45

00:03:01,990 --> 00:03:00,400

you know told to stay away many people

46

00:03:03,030 --> 00:03:02,000

saw the actual

47

00:03:04,390 --> 00:03:03,040

object

48

00:03:06,309 --> 00:03:04,400

on the ground

49

00:03:08,949 --> 00:03:06,319

but were

50

00:03:11,910 --> 00:03:08,959

sort of pushed back away from the wooded

51
00:03:14,390 --> 00:03:11,920
area where the crash took place by

52
00:03:18,149 --> 00:03:14,400
people in military uniforms

53
00:03:21,670 --> 00:03:18,159
and later many many witnesses reported

54
00:03:23,670 --> 00:03:21,680
that a flatbed army truck

55
00:03:27,110 --> 00:03:23,680
with a large object on the back of it

56
00:03:29,670 --> 00:03:27,120
covered by a tarp and sort of

57
00:03:35,110 --> 00:03:32,470
just covered and covered with tarps and

58
00:03:38,070 --> 00:03:35,120
ropes and things

59
00:03:40,309 --> 00:03:38,080
i suppose so that no one could see

60
00:03:42,470 --> 00:03:40,319
what it actually was

61
00:03:44,470 --> 00:03:42,480
raced out of the area

62
00:03:48,949 --> 00:03:44,480
and many

63
00:03:49,990 --> 00:03:48,959

later said that it was heading towards a

64

00:03:53,990 --> 00:03:50,000

uh

65

00:03:55,429 --> 00:03:54,000

u.s military base in the area

66

00:03:58,309 --> 00:03:55,439

now there have been

67

00:04:00,470 --> 00:03:58,319

so many theories about what actually

68

00:04:03,750 --> 00:04:00,480

this object was

69

00:04:06,470 --> 00:04:03,760

the first and most dominant theory among

70

00:04:09,190 --> 00:04:06,480

the debunkers uh you know the people

71

00:04:11,509 --> 00:04:09,200

that stan friedman calls

72

00:04:15,350 --> 00:04:11,519

noisy negativists

73

00:04:17,749 --> 00:04:15,360

is that it was simply a very large

74

00:04:20,069 --> 00:04:17,759

meteor

75

00:04:22,069 --> 00:04:20,079

and this uh considering the

76

00:04:24,150 --> 00:04:22,079

the the

77

00:04:26,230 --> 00:04:24,160

descriptions

78

00:04:29,430 --> 00:04:26,240

seemed to fit because

79

00:04:30,469 --> 00:04:29,440

this was a fiery

80

00:04:32,070 --> 00:04:30,479

ball

81

00:04:34,070 --> 00:04:32,080

in the sky

82

00:04:36,230 --> 00:04:34,080

and it should also be noted that this

83

00:04:37,990 --> 00:04:36,240

object was not just seen above this

84

00:04:41,270 --> 00:04:38,000

little sleepy

85

00:04:43,430 --> 00:04:41,280

you know farm town in pennsylvania

86

00:04:45,909 --> 00:04:43,440

it was seen from canada

87

00:04:46,629 --> 00:04:45,919

on a path all the way to

88

00:04:49,110 --> 00:04:46,639

the

89

00:04:50,469 --> 00:04:49,120
eventual crash site in kecksburg

90

00:04:52,950 --> 00:04:50,479
pennsylvania

91

00:04:54,790 --> 00:04:52,960
and i have to say that this actual case

92

00:04:56,550 --> 00:04:54,800
has always been very near and dear to me

93

00:04:57,990 --> 00:04:56,560
and an interest to me

94

00:04:59,189 --> 00:04:58,000
and why is that

95

00:05:00,070 --> 00:04:59,199
it's because

96

00:05:02,390 --> 00:05:00,080
you know

97

00:05:04,070 --> 00:05:02,400
i grew up in philadelphia pennsylvania

98

00:05:06,790 --> 00:05:04,080
so kecksburg is

99

00:05:08,629 --> 00:05:06,800
you know it's not an easy drive but i

100

00:05:11,110 --> 00:05:08,639
upon reading these

101
00:05:13,270 --> 00:05:11,120
reports and you know

102
00:05:16,230 --> 00:05:13,280
this this incident has been in many many

103
00:05:18,230 --> 00:05:16,240
books i drove out there i wanted to see

104
00:05:19,749 --> 00:05:18,240
this place

105
00:05:20,629 --> 00:05:19,759
and what you get when you get there is

106
00:05:23,110 --> 00:05:20,639
sort of

107
00:05:25,510 --> 00:05:23,120
almost the land of time for god i mean

108
00:05:29,189 --> 00:05:25,520
you know the people there very

109
00:05:31,830 --> 00:05:29,199
very simple lives and uh here we have

110
00:05:35,110 --> 00:05:31,840
you know there's farms and there's you

111
00:05:36,070 --> 00:05:35,120
know like a general store and a diner

112
00:05:39,749 --> 00:05:36,080
and like

113
00:05:41,350 --> 00:05:39,759

but it's just a sleepy tiny town that is

114

00:05:43,909 --> 00:05:41,360

mostly

115

00:05:48,070 --> 00:05:43,919

you know rolling green hills and there's

116

00:05:50,070 --> 00:05:48,080

cows off in some places and it's just it

117

00:05:51,430 --> 00:05:50,080

seems like a very unlikely place for

118

00:05:54,070 --> 00:05:51,440

some

119

00:05:55,590 --> 00:05:54,080

incredible incredible story like this to

120

00:05:56,950 --> 00:05:55,600

take place

121

00:05:58,790 --> 00:05:56,960

and yet it did

122

00:06:00,710 --> 00:05:58,800

and so

123

00:06:02,950 --> 00:06:00,720

i have always been fascinated with the

124

00:06:04,790 --> 00:06:02,960

story mostly because i got to see the

125

00:06:07,350 --> 00:06:04,800

actual place

126

00:06:09,510 --> 00:06:07,360

i got to see the crash site i got to

127

00:06:11,270 --> 00:06:09,520

speak to people

128

00:06:14,390 --> 00:06:11,280

who are still living in the area that

129

00:06:17,830 --> 00:06:14,400

were witnesses either to the fireball in

130

00:06:18,950 --> 00:06:17,840

the sky or i have even spoken to people

131

00:06:22,390 --> 00:06:18,960

that

132

00:06:23,590 --> 00:06:22,400

claimed to see the object on the ground

133

00:06:25,990 --> 00:06:23,600

now

134

00:06:30,469 --> 00:06:26,000

most descriptions say that the object on

135

00:06:32,629 --> 00:06:30,479

the ground was an acorn shaped metallic

136

00:06:34,790 --> 00:06:32,639

object about

137

00:06:35,670 --> 00:06:34,800

you know eight feet wide and eight feet

138

00:06:37,830 --> 00:06:35,680

high

139

00:06:39,749 --> 00:06:37,840

and there were hieroglyphics

140

00:06:41,430 --> 00:06:39,759

were what appeared to be some type of

141

00:06:43,909 --> 00:06:41,440

hieroglyphics

142

00:06:45,909 --> 00:06:43,919

written around the lower edge of this

143

00:06:47,029 --> 00:06:45,919

thing

144

00:06:48,629 --> 00:06:47,039

now

145

00:06:50,550 --> 00:06:48,639

the second theory

146

00:06:52,070 --> 00:06:50,560

or i should get back to the first theory

147

00:06:54,710 --> 00:06:52,080

the first theory

148

00:06:57,430 --> 00:06:54,720

by people who want to debunk it or say

149

00:06:58,230 --> 00:06:57,440

this was not an alien craft or any sort

150

00:07:00,629 --> 00:06:58,240

of

151
00:07:02,950 --> 00:07:00,639
um you know

152
00:07:04,070 --> 00:07:02,960
anything out of the ordinary

153
00:07:05,510 --> 00:07:04,080
most

154
00:07:08,950 --> 00:07:05,520
people

155
00:07:11,510 --> 00:07:08,960
say oh it was just a very large

156
00:07:13,749 --> 00:07:11,520
meteor and fireball in the sky that

157
00:07:15,589 --> 00:07:13,759
people saw that would sort of match a

158
00:07:17,830 --> 00:07:15,599
big meteor

159
00:07:19,670 --> 00:07:17,840
the problem is is there is multiple

160
00:07:22,550 --> 00:07:19,680
multiple witnesses

161
00:07:24,550 --> 00:07:22,560
that say that this thing was making 90

162
00:07:27,270 --> 00:07:24,560
degree turns

163
00:07:29,270 --> 00:07:27,280

and if you know anything about astronomy

164

00:07:33,270 --> 00:07:29,280

or about meteors

165

00:07:34,870 --> 00:07:33,280

meteors never ever make a 90 degree turn

166

00:07:37,830 --> 00:07:34,880

and the object

167

00:07:40,790 --> 00:07:37,840

from several witnesses

168

00:07:42,629 --> 00:07:40,800

they had said that this object made many

169

00:07:44,790 --> 00:07:42,639

90 degree turns

170

00:07:47,589 --> 00:07:44,800

one witness described that it it

171

00:07:49,909 --> 00:07:47,599

appeared as if the object was making 90

172

00:07:53,670 --> 00:07:49,919

degree turns

173

00:07:55,909 --> 00:07:53,680

flying back and forth in the sky

174

00:07:58,230 --> 00:07:55,919

looking or he

175

00:08:00,869 --> 00:07:58,240

assumed that it was looking for a

176

00:08:03,270 --> 00:08:00,879

suitable place to crash land

177

00:08:05,589 --> 00:08:03,280

no meteor does that

178

00:08:09,110 --> 00:08:05,599

many many witnesses have reported that

179

00:08:12,309 --> 00:08:09,120

the object was under intelligent control

180

00:08:14,629 --> 00:08:12,319

because of these 90 degree turns and i

181

00:08:17,909 --> 00:08:14,639

have to tell you i have seen my fair

182

00:08:20,150 --> 00:08:17,919

share of shooting stars or meteors i'm

183

00:08:22,469 --> 00:08:20,160

at avid camper i've been to some very

184

00:08:24,550 --> 00:08:22,479

remote places where

185

00:08:25,589 --> 00:08:24,560

you look up and you just see

186

00:08:27,830 --> 00:08:25,599

you know

187

00:08:30,469 --> 00:08:27,840

thousands tens of thousands hundreds of

188

00:08:32,469 --> 00:08:30,479

thousands of stars and if you look at a

189

00:08:35,350 --> 00:08:32,479

point in the sky long enough you will

190

00:08:36,550 --> 00:08:35,360

see a shooting star a pretty frequent

191

00:08:38,709 --> 00:08:36,560

occurrence

192

00:08:41,589 --> 00:08:38,719

i've never seen one turn i've never seen

193

00:08:43,269 --> 00:08:41,599

one do a 90 degree turn especially i've

194

00:08:45,030 --> 00:08:43,279

never seen one that appeared to be under

195

00:08:47,990 --> 00:08:45,040

intelligent control

196

00:08:51,030 --> 00:08:48,000

and they also appear to be very quick

197

00:08:53,350 --> 00:08:51,040

this object was reported flying

198

00:08:55,670 --> 00:08:53,360

from canada

199

00:08:56,790 --> 00:08:55,680

through you know the upper northern

200

00:09:01,110 --> 00:08:56,800

states

201
00:09:03,509 --> 00:09:01,120
towards pennsylvania for hours and hours

202
00:09:05,670 --> 00:09:03,519
i i don't believe that a meteor takes

203
00:09:07,910 --> 00:09:05,680
hours and hours to fall from the upper

204
00:09:10,630 --> 00:09:07,920
atmosphere into the ground

205
00:09:13,350 --> 00:09:10,640
so that theory was

206
00:09:16,470 --> 00:09:13,360
one that i never really believed based

207
00:09:17,670 --> 00:09:16,480
on the witness descriptions and based on

208
00:09:19,750 --> 00:09:17,680
uh

209
00:09:21,590 --> 00:09:19,760
the 90 degree turns that people had

210
00:09:22,949 --> 00:09:21,600
witnessed

211
00:09:25,670 --> 00:09:22,959
now

212
00:09:27,670 --> 00:09:25,680
it's also important to note

213
00:09:30,870 --> 00:09:27,680

that the second theory and this is one

214

00:09:32,470 --> 00:09:30,880

that i have always wondered about

215

00:09:33,590 --> 00:09:32,480

is that it was

216

00:09:42,470 --> 00:09:33,600

a

217

00:09:45,269 --> 00:09:42,480

come down

218

00:09:46,870 --> 00:09:45,279

now it's it's very very important to

219

00:09:48,870 --> 00:09:46,880

note that

220

00:09:52,070 --> 00:09:48,880

there was indeed a russian satellite

221

00:09:52,949 --> 00:09:52,080

that came down around the same time

222

00:09:55,350 --> 00:09:52,959

but

223

00:09:58,310 --> 00:09:55,360

many experts have done the trajectory

224

00:09:59,350 --> 00:09:58,320

done the math i'm not a math expert

225

00:10:02,470 --> 00:09:59,360

but

226

00:10:04,870 --> 00:10:02,480

many experts have debunked that theory

227

00:10:07,269 --> 00:10:04,880

saying you know that russian satellite

228

00:10:08,710 --> 00:10:07,279

would have went nowhere near

229

00:10:10,069 --> 00:10:08,720

this area

230

00:10:11,590 --> 00:10:10,079

but one of the things that's always been

231

00:10:14,310 --> 00:10:11,600

interesting to me is

232

00:10:16,550 --> 00:10:14,320

you have to consider the time

233

00:10:19,750 --> 00:10:16,560

at the time of this incident

234

00:10:22,550 --> 00:10:19,760

uh you know it was december 9th 1965.

235

00:10:23,350 --> 00:10:22,560

this is at the height of the cold war

236

00:10:25,750 --> 00:10:23,360

and

237

00:10:27,670 --> 00:10:25,760

whether you believe it or not it's been

238

00:10:30,550 --> 00:10:27,680

proven and there are

239

00:10:34,069 --> 00:10:30,560

uh documents which prove this

240

00:10:37,269 --> 00:10:34,079

there was a unit of the united states

241

00:10:38,470 --> 00:10:37,279

government whose sole responsibility was

242

00:10:41,030 --> 00:10:38,480

to

243

00:10:43,269 --> 00:10:41,040

recover any crashed

244

00:10:49,509 --> 00:10:43,279

space debris

245

00:10:50,310 --> 00:10:49,519

was from a russian

246

00:10:53,350 --> 00:10:50,320

uh

247

00:10:55,430 --> 00:10:53,360

a russian any kind of russian technology

248

00:10:57,910 --> 00:10:55,440

whether it would be a russian

249

00:11:00,069 --> 00:10:57,920

you know crash landed

250

00:11:02,470 --> 00:11:00,079

helicopter

251
00:11:04,710 --> 00:11:02,480
airplane jet

252
00:11:05,910 --> 00:11:04,720
experimental craft

253
00:11:10,630 --> 00:11:05,920
missile

254
00:11:13,269 --> 00:11:11,750
so one of the things that's always

255
00:11:15,670 --> 00:11:13,279
intrigued me is

256
00:11:17,590 --> 00:11:15,680
you know i talked to some government

257
00:11:19,430 --> 00:11:17,600
some people who were involved in

258
00:11:23,190 --> 00:11:19,440
government at the time

259
00:11:24,630 --> 00:11:23,200
and i asked them what would happen if

260
00:11:26,790 --> 00:11:24,640
let's just say

261
00:11:29,190 --> 00:11:26,800
for the sake of argument that this was

262
00:11:32,470 --> 00:11:29,200
actually a russian satellite

263
00:11:35,190 --> 00:11:32,480

what if a russian satellite you know

264

00:11:38,150 --> 00:11:35,200

had some kind of problems or

265

00:11:41,110 --> 00:11:38,160

you know its orbit decayed and it ended

266

00:11:43,990 --> 00:11:41,120

up entering re-entering the atmosphere

267

00:11:45,670 --> 00:11:44,000

and crash landed in a small sleepy town

268

00:11:47,990 --> 00:11:45,680

in pennsylvania

269

00:11:50,230 --> 00:11:48,000

what would the government do

270

00:11:53,590 --> 00:11:50,240

knowing that that was happening

271

00:11:55,430 --> 00:11:53,600

and a resounding amount of experts who

272

00:11:57,990 --> 00:11:55,440

have been involved in the government i

273

00:12:01,110 --> 00:11:58,000

talked to somebody at nasa

274

00:12:03,590 --> 00:12:01,120

i talked to somebody who was involved in

275

00:12:05,910 --> 00:12:03,600

air force army intelligence

276
00:12:07,670 --> 00:12:05,920
and a separate person in naval

277
00:12:09,509 --> 00:12:07,680
intelligence and a separate person in

278
00:12:11,910 --> 00:12:09,519
air force intelligence

279
00:12:14,310 --> 00:12:11,920
and every person that had worked for the

280
00:12:18,629 --> 00:12:14,320
government told me the same thing

281
00:12:20,949 --> 00:12:18,639
they would immediately uh go to the area

282
00:12:23,829 --> 00:12:20,959
and they would

283
00:12:25,269 --> 00:12:23,839
you know isolate the object from the

284
00:12:26,949 --> 00:12:25,279
surrounding uh

285
00:12:29,110 --> 00:12:26,959
towns people

286
00:12:30,710 --> 00:12:29,120
or you know any

287
00:12:33,670 --> 00:12:30,720
any kind of

288
00:12:34,790 --> 00:12:33,680

witnesses would be interviewed

289

00:12:37,350 --> 00:12:34,800

but then

290

00:12:38,629 --> 00:12:37,360

you know told not to to discuss the

291

00:12:41,269 --> 00:12:38,639

incident

292

00:12:42,230 --> 00:12:41,279

and every one of them told me the same

293

00:12:44,150 --> 00:12:42,240

thing

294

00:12:48,230 --> 00:12:44,160

that the the

295

00:12:49,590 --> 00:12:48,240

the units uh whether directed by the cia

296

00:12:52,550 --> 00:12:49,600

or you know

297

00:12:54,870 --> 00:12:52,560

any alphabet soup the nsa

298

00:12:57,190 --> 00:12:54,880

national security agency the cia central

299

00:12:59,110 --> 00:12:57,200

intelligence agency

300

00:13:03,190 --> 00:12:59,120

you know army intelligence air force

301
00:13:05,110 --> 00:13:03,200
intelligence naval intelligence whoever

302
00:13:06,870 --> 00:13:05,120
found out about a situation like that

303
00:13:10,150 --> 00:13:06,880
would immediately

304
00:13:12,550 --> 00:13:10,160
send units to recover that object

305
00:13:14,310 --> 00:13:12,560
and it would be a high priority to

306
00:13:16,150 --> 00:13:14,320
recover that object

307
00:13:19,190 --> 00:13:16,160
keep the

308
00:13:23,110 --> 00:13:19,200
details of the incident secret

309
00:13:24,949 --> 00:13:23,120
and take that object back to be analyzed

310
00:13:26,150 --> 00:13:24,959
now again it's very important to point

311
00:13:28,150 --> 00:13:26,160
out why

312
00:13:30,150 --> 00:13:28,160
why would this be done

313
00:13:32,310 --> 00:13:30,160

well it would be done because this was

314

00:13:33,190 --> 00:13:32,320

the height of the cold war

315

00:13:37,590 --> 00:13:33,200

and

316

00:13:39,670 --> 00:13:37,600

the space race was on this is 1965.

317

00:13:42,069 --> 00:13:39,680

and the people involved in our us

318

00:13:45,430 --> 00:13:42,079

government would love nothing more

319

00:13:47,350 --> 00:13:45,440

than hey let's take this soviet piece of

320

00:13:49,670 --> 00:13:47,360

technology and let's rip it apart and

321

00:13:51,910 --> 00:13:49,680

let's see what what do they have that we

322

00:13:54,069 --> 00:13:51,920

do not have

323

00:13:56,230 --> 00:13:54,079

so one of the things that has always

324

00:13:58,470 --> 00:13:56,240

uh sort of given me the doubt that this

325

00:14:01,269 --> 00:13:58,480

was an alien spacecraft is

326

00:14:03,269 --> 00:14:01,279

the confirmation from so many government

327

00:14:05,269 --> 00:14:03,279

people that i have spoken with

328

00:14:07,110 --> 00:14:05,279

who all agreed that

329

00:14:09,110 --> 00:14:07,120

the response

330

00:14:10,230 --> 00:14:09,120

that actually happened at kecksburg

331

00:14:12,629 --> 00:14:10,240

which is

332

00:14:14,069 --> 00:14:12,639

a bunch of army people went there with

333

00:14:17,030 --> 00:14:14,079

equipment and

334

00:14:19,590 --> 00:14:17,040

you know armed guards and you know they

335

00:14:21,509 --> 00:14:19,600

they cordoned off the area they pushed

336

00:14:23,269 --> 00:14:21,519

all the people back they they did

337

00:14:24,470 --> 00:14:23,279

interview some people

338

00:14:26,550 --> 00:14:24,480

and they said

339

00:14:27,509 --> 00:14:26,560

don't ever speak this again this never

340

00:14:30,470 --> 00:14:27,519

happened

341

00:14:32,710 --> 00:14:30,480

and uh you know reportedly they

342

00:14:35,590 --> 00:14:32,720

took that object and dumped it on top of

343

00:14:36,389 --> 00:14:35,600

a flatbed covered it with a tarp and

344

00:14:38,470 --> 00:14:36,399

and

345

00:14:40,550 --> 00:14:38,480

you know it got lost to history after

346

00:14:42,069 --> 00:14:40,560

that we don't know what happened to that

347

00:14:43,910 --> 00:14:42,079

object

348

00:14:44,710 --> 00:14:43,920

now there have been some other stories

349

00:14:47,829 --> 00:14:44,720

which

350

00:14:50,310 --> 00:14:47,839

came out after the fact uh about

351
00:14:51,430 --> 00:14:50,320
where it went and you know what they did

352
00:14:53,509 --> 00:14:51,440
with it

353
00:14:57,670 --> 00:14:53,519
and and that involved some strange

354
00:14:59,509 --> 00:14:57,680
stories about ceramic bricks

355
00:15:01,750 --> 00:14:59,519
so that leads us to

356
00:15:05,110 --> 00:15:01,760
so this so the first theory is this was

357
00:15:06,870 --> 00:15:05,120
simply a meteor a meteor crash landed

358
00:15:08,790 --> 00:15:06,880
and it was nothing it burned up and

359
00:15:10,629 --> 00:15:08,800
there was nothing left to it or almost

360
00:15:13,189 --> 00:15:10,639
nothing left to it

361
00:15:16,150 --> 00:15:13,199
once recovered it was simply you know

362
00:15:18,230 --> 00:15:16,160
a ball of rock that was very uh

363
00:15:21,110 --> 00:15:18,240

i guess scientifically interesting to an

364

00:15:23,509 --> 00:15:21,120

astronomer or to uh someone who studies

365

00:15:25,750 --> 00:15:23,519

space rocks but

366

00:15:29,030 --> 00:15:25,760

you know it was not it definitely not an

367

00:15:31,350 --> 00:15:29,040

alien spacecraft those people say

368

00:15:34,629 --> 00:15:31,360

so theory one

369

00:15:36,790 --> 00:15:34,639

okay this was simply a meteor very large

370

00:15:40,230 --> 00:15:36,800

fiery big meteor

371

00:15:43,030 --> 00:15:40,240

but it was simply a meteor

372

00:15:44,150 --> 00:15:43,040

theory two the prevailing uh second

373

00:15:47,910 --> 00:15:44,160

theory

374

00:15:52,470 --> 00:15:47,920

uh of the of the i would say you know uh

375

00:15:54,949 --> 00:15:52,480

four theories is that this was simply a

376

00:15:56,389 --> 00:15:54,959

russian satellite which went down in our

377

00:15:58,550 --> 00:15:56,399

government

378

00:16:02,310 --> 00:15:58,560

upon hearing of the crash went to

379

00:16:04,629 --> 00:16:02,320

investigate and went wow gold mines

380

00:16:06,389 --> 00:16:04,639

soviet technology let's take this thing

381

00:16:08,710 --> 00:16:06,399

back to our bases

382

00:16:11,189 --> 00:16:08,720

let's cover it in a hanger and let no

383

00:16:13,670 --> 00:16:11,199

one know we have it and let's rip it

384

00:16:16,310 --> 00:16:13,680

apart and see what secrets these soviets

385

00:16:17,670 --> 00:16:16,320

have that we do not have what is their

386

00:16:19,829 --> 00:16:17,680

technology

387

00:16:21,509 --> 00:16:19,839

so that's theory two

388

00:16:24,550 --> 00:16:21,519

and now we move on to

389

00:16:27,269 --> 00:16:24,560

the two most esoteric theories about

390

00:16:29,189 --> 00:16:27,279

what it was that crashed at kecksburg

391

00:16:31,030 --> 00:16:29,199

pennsylvania

392

00:16:33,910 --> 00:16:31,040

and theory three

393

00:16:36,790 --> 00:16:33,920

is uh one of my favorites because i have

394

00:16:38,790 --> 00:16:36,800

a big interest in history and the third

395

00:16:41,670 --> 00:16:38,800

theory is

396

00:16:42,870 --> 00:16:41,680

mostly made because of the comparison of

397

00:16:43,829 --> 00:16:42,880

what

398

00:16:52,710 --> 00:16:43,839

the

399

00:16:54,310 --> 00:16:52,720

and drew many of those people drew or

400

00:16:57,350 --> 00:16:54,320

sketched later

401
00:17:00,150 --> 00:16:57,360
and and said hey this is what i saw

402
00:17:03,430 --> 00:17:00,160
so the third theory is that

403
00:17:05,429 --> 00:17:03,440
and this one is is uh you know hard to

404
00:17:07,750 --> 00:17:05,439
wrap your mind around

405
00:17:10,069 --> 00:17:07,760
the third theory is that the object that

406
00:17:13,350 --> 00:17:10,079
crash landed was actually

407
00:17:16,470 --> 00:17:13,360
either the nazi bell

408
00:17:18,949 --> 00:17:16,480
which was a top secret nazi project that

409
00:17:21,350 --> 00:17:18,959
many say involve time travel and

410
00:17:22,870 --> 00:17:21,360
anti-gravity

411
00:17:29,830 --> 00:17:22,880
or

412
00:17:33,430 --> 00:17:29,840
you know a vehicle

413
00:17:36,310 --> 00:17:33,440

designed that was built and designed and

414

00:17:38,789 --> 00:17:36,320

based on the original nazi bell

415

00:17:40,230 --> 00:17:38,799

uh anti-gravity or

416

00:17:44,070 --> 00:17:40,240

you know

417

00:17:46,789 --> 00:17:44,080

sort of like a man-made flying saucer

418

00:17:47,990 --> 00:17:46,799

so some people say this was a reproduced

419

00:17:51,110 --> 00:17:48,000

vehicle

420

00:17:53,110 --> 00:17:51,120

that was being test flown and eventually

421

00:17:55,270 --> 00:17:53,120

uh somehow

422

00:17:57,669 --> 00:17:55,280

malfunctioned and crash landed in

423

00:18:05,750 --> 00:17:57,679

kecksburg pennsylvania on that

424

00:18:11,190 --> 00:18:08,710

i don't buy that i'm sorry but you know

425

00:18:12,470 --> 00:18:11,200

there are some similarities acorn-shaped

426
00:18:13,190 --> 00:18:12,480
craft

427
00:18:15,990 --> 00:18:13,200
um

428
00:18:19,270 --> 00:18:16,000
you know i don't believe that a

429
00:18:24,070 --> 00:18:19,280
top-secret government

430
00:18:27,270 --> 00:18:24,080
anti-gravity propulsion kind of a

431
00:18:28,710 --> 00:18:27,280
craft would be test flown over

432
00:18:31,350 --> 00:18:28,720
pennsylvania

433
00:18:33,029 --> 00:18:31,360
i just don't i don't see that as a

434
00:18:37,590 --> 00:18:33,039
viable

435
00:18:38,470 --> 00:18:37,600
answer to what actually happened

436
00:18:39,590 --> 00:18:38,480
now

437
00:18:44,549 --> 00:18:39,600
like the

438
00:18:47,190 --> 00:18:44,559

satellite theory however

439

00:18:48,950 --> 00:18:47,200

again speaking with government people

440

00:18:50,070 --> 00:18:48,960

and people have been involved in black

441

00:18:52,150 --> 00:18:50,080

projects

442

00:18:53,590 --> 00:18:52,160

you know when asked hey if you were

443

00:18:56,710 --> 00:18:53,600

flying some

444

00:18:58,630 --> 00:18:56,720

exotic propulsion you know experimental

445

00:19:00,710 --> 00:18:58,640

craft and it did happen to crash what

446

00:19:02,470 --> 00:19:00,720

would what would happen

447

00:19:05,029 --> 00:19:02,480

again the resounding answer from

448

00:19:06,390 --> 00:19:05,039

everyone i've spoken to has been

449

00:19:07,990 --> 00:19:06,400

that

450

00:19:09,590 --> 00:19:08,000

what happened at kecksburg would have

451
00:19:12,390 --> 00:19:09,600
been what happened we would cordon off

452
00:19:14,070 --> 00:19:12,400
the area we would send military people

453
00:19:16,310 --> 00:19:14,080
to recover the craft

454
00:19:18,549 --> 00:19:16,320
and we would push everybody back and we

455
00:19:21,750 --> 00:19:18,559
would try to keep what happened secret

456
00:19:23,430 --> 00:19:21,760
we and and i talked to one person in air

457
00:19:26,310 --> 00:19:23,440
force intelligence who said that they

458
00:19:28,070 --> 00:19:26,320
would put out whatever disinformation

459
00:19:30,390 --> 00:19:28,080
that they had to put out whether it's

460
00:19:32,230 --> 00:19:30,400
meteor hey this was a weather balloon

461
00:19:34,789 --> 00:19:32,240
this was swamp gas

462
00:19:36,470 --> 00:19:34,799
i mean atmospheric phenomenon whatever

463
00:19:39,270 --> 00:19:36,480

they had to say

464

00:19:41,590 --> 00:19:39,280

to sort of quiet down the public so that

465

00:19:44,150 --> 00:19:41,600

no one uh really knew what really

466

00:19:47,110 --> 00:19:44,160

happened they would do

467

00:19:49,190 --> 00:19:47,120

so the nazi bell theory you know i say

468

00:19:51,190 --> 00:19:49,200

go look at the nazi bell

469

00:19:53,750 --> 00:19:51,200

uh there's pictures on the internet just

470

00:19:56,150 --> 00:19:53,760

google nazi bell under images

471

00:19:59,110 --> 00:19:56,160

and then google kecksburg ufo under

472

00:20:01,270 --> 00:19:59,120

images and you'll see there is a really

473

00:20:04,830 --> 00:20:01,280

incredible uh

474

00:20:08,230 --> 00:20:04,840

incredible similarity between those two

475

00:20:10,549 --> 00:20:08,240

now strange strangely enough along with

476

00:20:13,350 --> 00:20:10,559

the nazi theory is you know a lot of

477

00:20:15,270 --> 00:20:13,360

really crazy stuff like somebody in

478

00:20:17,830 --> 00:20:15,280

during world war ii at the end of world

479

00:20:20,950 --> 00:20:17,840

war ii used that nazi craft and traveled

480

00:20:24,230 --> 00:20:20,960

through time and somehow uh you know

481

00:20:25,990 --> 00:20:24,240

they crashed in 1965 in kecksburg

482

00:20:28,070 --> 00:20:26,000

pennsylvania

483

00:20:30,070 --> 00:20:28,080

i i don't know i'm just a person that

484

00:20:32,149 --> 00:20:30,080

believes that you know incredible claims

485

00:20:35,909 --> 00:20:32,159

like that they require incredible proof

486

00:20:38,789 --> 00:20:35,919

and nobody has can prove anything

487

00:20:41,350 --> 00:20:38,799

anything even like that there's no

488

00:20:42,950 --> 00:20:41,360

you know documents there's no there's no

489

00:20:45,510 --> 00:20:42,960

you know it's not like witnesses saw

490

00:20:49,190 --> 00:20:45,520

some guys in nazi uniforms get out of

491

00:20:50,470 --> 00:20:49,200

this capsule and walk away or you know

492

00:20:52,470 --> 00:20:50,480

so

493

00:20:55,029 --> 00:20:52,480

the nazi bell theory while interesting

494

00:20:57,430 --> 00:20:55,039

to me because yeah hey i i think a lot

495

00:20:59,110 --> 00:20:57,440

of the nazi technology and the nazi

496

00:21:01,270 --> 00:20:59,120

saucers

497

00:21:02,470 --> 00:21:01,280

if you look into that are incredibly

498

00:21:04,630 --> 00:21:02,480

interesting

499

00:21:07,029 --> 00:21:04,640

and amazing like some of the things that

500

00:21:09,830 --> 00:21:07,039

those guys were working on in the 40s

501
00:21:10,630 --> 00:21:09,840
and the 30s it's amazing

502
00:21:12,630 --> 00:21:10,640
but

503
00:21:16,070 --> 00:21:12,640
i don't see any proof that really

504
00:21:17,110 --> 00:21:16,080
connected to the kecksburg ufo incident

505
00:21:19,669 --> 00:21:17,120
and so

506
00:21:22,470 --> 00:21:19,679
that theory is the least

507
00:21:24,870 --> 00:21:22,480
is the least plausible to me

508
00:21:27,909 --> 00:21:24,880
now the the final theory

509
00:21:32,310 --> 00:21:27,919
and uh again one of the most esoteric is

510
00:21:36,310 --> 00:21:33,510
now

511
00:21:39,669 --> 00:21:36,320
i have to say that i am totally

512
00:21:41,909 --> 00:21:39,679
fascinated by the ufo subjects and uh

513
00:21:43,510 --> 00:21:41,919

some of the stories that you hear

514

00:21:46,789 --> 00:21:43,520

but the problem that i have with the

515

00:21:49,190 --> 00:21:46,799

alien theory is that again there's no

516

00:21:50,710 --> 00:21:49,200

there's absolutely no proof

517

00:21:53,190 --> 00:21:50,720

that what crashed was an alien

518

00:21:54,870 --> 00:21:53,200

spacecraft other than the witness

519

00:21:57,270 --> 00:21:54,880

reports

520

00:21:59,669 --> 00:21:57,280

now i have to say that in some ufo

521

00:22:02,149 --> 00:21:59,679

circumstances there are radar tapes that

522

00:22:04,310 --> 00:22:02,159

prove that that object was moving at

523

00:22:08,070 --> 00:22:04,320

speeds that you know

524

00:22:10,950 --> 00:22:08,080

uh even even our fastest jets or fastest

525

00:22:13,750 --> 00:22:10,960

experimental craft cannot even approach

526
00:22:15,909 --> 00:22:13,760
or that they perform aerial maneuvers

527
00:22:16,710 --> 00:22:15,919
which are impossible

528
00:22:18,789 --> 00:22:16,720
but

529
00:22:20,470 --> 00:22:18,799
in the kecksburg uh

530
00:22:22,950 --> 00:22:20,480
incident there

531
00:22:25,830 --> 00:22:22,960
the the the reported

532
00:22:27,110 --> 00:22:25,840
witness testimony and

533
00:22:29,669 --> 00:22:27,120
everything just

534
00:22:31,909 --> 00:22:29,679
shows does not show

535
00:22:34,710 --> 00:22:31,919
a level of performance for the craft

536
00:22:36,870 --> 00:22:34,720
that would exceed anything earth-like

537
00:22:38,630 --> 00:22:36,880
because that's you know in some ufo

538
00:22:41,029 --> 00:22:38,640

cases that's that's the proof that

539

00:22:43,510 --> 00:22:41,039

people point to they say hey

540

00:22:44,310 --> 00:22:43,520

no human craft can move at the speed or

541

00:22:47,110 --> 00:22:44,320

make

542

00:22:48,470 --> 00:22:47,120

you know these these quick maneuvers now

543

00:22:50,310 --> 00:22:48,480

i will say that

544

00:22:54,630 --> 00:22:50,320

an ordinary

545

00:22:56,470 --> 00:22:54,640

degree turns and

546

00:22:59,830 --> 00:22:56,480

several witnesses again reported that

547

00:23:01,590 --> 00:22:59,840

the object made 90 degree turns

548

00:23:03,430 --> 00:23:01,600

and so

549

00:23:05,190 --> 00:23:03,440

this leads me to believe that hey maybe

550

00:23:07,029 --> 00:23:05,200

this was something extraterrestrial

551
00:23:09,350 --> 00:23:07,039
because our general

552
00:23:12,070 --> 00:23:09,360
you know a helicopter can make a 90

553
00:23:13,990 --> 00:23:12,080
degree terms but uh you know

554
00:23:16,310 --> 00:23:14,000
i think that people

555
00:23:17,350 --> 00:23:16,320
even in 1965 could tell the difference

556
00:23:21,990 --> 00:23:17,360
between

557
00:23:25,510 --> 00:23:22,000
a fiery glowing ball or orb or air crate

558
00:23:28,070 --> 00:23:25,520
excuse me air acorn shaped craft and a

559
00:23:28,870 --> 00:23:28,080
helicopter or uh

560
00:23:33,270 --> 00:23:28,880
a

561
00:23:36,470 --> 00:23:33,280
you know

562
00:23:39,029 --> 00:23:36,480
even in a small sleepy sort of farm town

563
00:23:41,909 --> 00:23:39,039

that time forgot people aren't that

564

00:23:43,350 --> 00:23:41,919

stupid they could tell the difference

565

00:23:46,230 --> 00:23:43,360

and

566

00:23:48,390 --> 00:23:46,240

you know i i it's difficult to ask

567

00:23:50,230 --> 00:23:48,400

government people hey what would happen

568

00:23:52,870 --> 00:23:50,240

if you thought an alien spacecraft

569

00:23:55,909 --> 00:23:52,880

landed but a few have told me the same

570

00:23:58,310 --> 00:23:55,919

thing with the with theory you know

571

00:23:59,190 --> 00:23:58,320

two and three they would they would go

572

00:24:02,310 --> 00:23:59,200

and

573

00:24:03,830 --> 00:24:02,320

cordon off the area again

574

00:24:06,230 --> 00:24:03,840

and they would want to recover that and

575

00:24:08,390 --> 00:24:06,240

they would want to dissect it and see

576
00:24:11,909 --> 00:24:08,400
what could be learned from that craft if

577
00:24:12,870 --> 00:24:11,919
it was indeed an alien spacecraft

578
00:24:14,310 --> 00:24:12,880
now

579
00:24:17,350 --> 00:24:14,320
one of the things that has always

580
00:24:18,549 --> 00:24:17,360
fascinated me is the hieroglyphics

581
00:24:21,190 --> 00:24:18,559
because

582
00:24:22,230 --> 00:24:21,200
if you consider the russian satellite

583
00:24:23,830 --> 00:24:22,240
theory

584
00:24:26,710 --> 00:24:23,840
i don't know go take a look at the

585
00:24:27,590 --> 00:24:26,720
russian language when written

586
00:24:29,990 --> 00:24:27,600
and

587
00:24:32,310 --> 00:24:30,000
i kind of think if you were a small town

588
00:24:33,990 --> 00:24:32,320

person it's not very cultured and you

589

00:24:37,269 --> 00:24:34,000

saw russian writing

590

00:24:40,710 --> 00:24:37,279

you might describe it as hieroglyphics

591

00:24:43,110 --> 00:24:40,720

but many people uh said that it was

592

00:24:45,190 --> 00:24:43,120

sort of like egyptian writing or

593

00:24:47,110 --> 00:24:45,200

egyptian hieroglyphics so that is our

594

00:24:49,510 --> 00:24:47,120

fourth theory that it was an alien

595

00:24:51,510 --> 00:24:49,520

spacecraft that landed

596

00:24:53,510 --> 00:24:51,520

but based on the size of it i have

597

00:24:56,870 --> 00:24:53,520

always wondered one thing

598

00:24:58,950 --> 00:24:56,880

i have wondered if it was perhaps uh you

599

00:25:01,350 --> 00:24:58,960

know being a star wars fan go look at

600

00:25:04,950 --> 00:25:01,360

the escape pod that the droids escaped

601
00:25:05,750 --> 00:25:04,960
that ship in at the beginning of episode

602
00:25:07,510 --> 00:25:05,760
um

603
00:25:11,110 --> 00:25:07,520
four you know

604
00:25:13,590 --> 00:25:11,120
uh the original star wars movie and

605
00:25:15,430 --> 00:25:13,600
go look at the bell craft it really

606
00:25:17,830 --> 00:25:15,440
there's some similarities there it

607
00:25:19,909 --> 00:25:17,840
always made me wonder

608
00:25:23,350 --> 00:25:19,919
what if that was sort of like an uh

609
00:25:24,310 --> 00:25:23,360
alien escape pod and the mothership

610
00:25:28,549 --> 00:25:24,320
you know

611
00:25:29,990 --> 00:25:28,559
and they needed to

612
00:25:32,950 --> 00:25:30,000
escape

613
00:25:36,149 --> 00:25:32,960

uh and so they got into this little pod

614

00:25:37,909 --> 00:25:36,159

that's five foot or so wide and you know

615

00:25:40,710 --> 00:25:37,919

eight foot high and

616

00:25:42,070 --> 00:25:40,720

and crash landed to earth

617

00:25:44,710 --> 00:25:42,080

but it's interesting to me that the

618

00:25:46,630 --> 00:25:44,720

witnesses you know they went

619

00:25:49,590 --> 00:25:46,640

very close to this thing a few feet away

620

00:25:53,190 --> 00:25:49,600

from it in some cases and they saw no

621

00:25:56,230 --> 00:25:53,200

um there was no sort of like hatch

622

00:25:57,510 --> 00:25:56,240

you know it didn't open no one came out

623

00:26:00,630 --> 00:25:57,520

and uh

624

00:26:03,350 --> 00:26:00,640

you know this is not a big large kind of

625

00:26:05,909 --> 00:26:03,360

a flying saucer this was an acorn shaped

626

00:26:07,750 --> 00:26:05,919

craft look like i am i mean i assume

627

00:26:09,830 --> 00:26:07,760

maybe one or two

628

00:26:13,669 --> 00:26:09,840

human-sized people could fit inside the

629

00:26:14,789 --> 00:26:13,679

craft and and not many more

630

00:26:16,870 --> 00:26:14,799

and so

631

00:26:19,909 --> 00:26:16,880

the the fourth theory that it was an

632

00:26:21,269 --> 00:26:19,919

alien spacecraft well you know i'm just

633

00:26:23,190 --> 00:26:21,279

one of those people that want to believe

634

00:26:26,070 --> 00:26:23,200

that there's aliens out there and you

635

00:26:28,470 --> 00:26:26,080

know be awesome if they visited us but

636

00:26:29,750 --> 00:26:28,480

i i don't know about this theory

637

00:26:32,230 --> 00:26:29,760

so

638

00:26:34,230 --> 00:26:32,240

the theory that i favor the most is the

639

00:26:35,510 --> 00:26:34,240

russian satellite because

640

00:26:37,830 --> 00:26:35,520

you can look at

641

00:26:39,430 --> 00:26:37,840

pictures of the of the actual russian

642

00:26:41,830 --> 00:26:39,440

satellite which

643

00:26:44,549 --> 00:26:41,840

which uh was reported to crash land

644

00:26:46,870 --> 00:26:44,559

around the same time same day

645

00:26:49,830 --> 00:26:46,880

or same you know general time frame

646

00:26:52,470 --> 00:26:49,840

within plus or minus 12 hours

647

00:26:54,950 --> 00:26:52,480

of the kecksburg incident this russian

648

00:26:57,430 --> 00:26:54,960

satellite crash landed

649

00:26:59,430 --> 00:26:57,440

you know that would be my pick

650

00:27:03,669 --> 00:26:59,440

that would be my

651
00:27:06,230 --> 00:27:03,679
from everything that i've seen

652
00:27:08,230 --> 00:27:06,240
investigated that would be my choice for

653
00:27:09,990 --> 00:27:08,240
what actually happened

654
00:27:11,350 --> 00:27:10,000
but

655
00:27:13,830 --> 00:27:11,360
as

656
00:27:17,190 --> 00:27:13,840
the layers of the onion get peeled we

657
00:27:20,310 --> 00:27:17,200
find new information that leads

658
00:27:22,870 --> 00:27:20,320
leads to the alien hypothesis quite

659
00:27:25,029 --> 00:27:22,880
frankly because

660
00:27:26,149 --> 00:27:25,039
many many people have disproven the

661
00:27:27,669 --> 00:27:26,159
russian

662
00:27:31,029 --> 00:27:27,679
satellite theory

663
00:27:34,549 --> 00:27:31,039

uh to a pretty convincing degree

664

00:27:38,389 --> 00:27:34,559

and even though that's still my main

665

00:27:40,710 --> 00:27:38,399

my main hypothesis for what happened

666

00:27:43,110 --> 00:27:40,720

because you know i believe in occam's

667

00:27:45,669 --> 00:27:43,120

razor in the absence of incredible proof

668

00:27:47,430 --> 00:27:45,679

you know the simplest explanation is

669

00:27:50,310 --> 00:27:47,440

probably true

670

00:27:52,870 --> 00:27:50,320

so if i had to choose one theory of what

671

00:27:54,950 --> 00:27:52,880

actually happened on that night

672

00:27:57,830 --> 00:27:54,960

you know which was really a fateful

673

00:28:01,590 --> 00:27:57,840

night though the whole town was involved

674

00:28:04,710 --> 00:28:01,600

on december 9 1965 and to this day the

675

00:28:06,789 --> 00:28:04,720

town is still known for this

676

00:28:10,549 --> 00:28:06,799

this little town 30 miles southeast of

677

00:28:14,230 --> 00:28:12,070

and it's interesting that they have a

678

00:28:15,830 --> 00:28:14,240

model of the crashed object object that

679

00:28:18,389 --> 00:28:15,840

was originally created for the show on

680

00:28:19,669 --> 00:28:18,399

soft mysteries and it's been on display

681

00:28:23,110 --> 00:28:19,679

uh

682

00:28:25,750 --> 00:28:23,120

in texburg near the fire station since

683

00:28:27,830 --> 00:28:25,760

since that series aired you know quite

684

00:28:30,149 --> 00:28:27,840

some time ago

685

00:28:32,230 --> 00:28:30,159

so what do you think happened that night

686

00:28:35,269 --> 00:28:32,240

what what what do you think is the most

687

00:28:37,669 --> 00:28:35,279

plausible excuse or plausible

688

00:28:39,830 --> 00:28:37,679

explanation for what happened

689

00:28:42,830 --> 00:28:39,840

you can look up on the internet the

690

00:28:43,990 --> 00:28:42,840

cosmos 96

691

00:28:45,350 --> 00:28:44,000

um and

692

00:28:47,190 --> 00:28:45,360

you know many people think that the

693

00:28:49,990 --> 00:28:47,200

object that crashed in kecksburg may

694

00:28:53,190 --> 00:28:50,000

have been debris from the cosmos uh 96

695

00:28:55,750 --> 00:28:53,200

which was a soviet satellite

696

00:28:57,990 --> 00:28:55,760

and cosmos had been known to be a bell

697

00:29:01,029 --> 00:28:58,000

or acorn shape similar to the object

698

00:29:02,789 --> 00:29:01,039

reported by eyewitnesses

699

00:29:05,190 --> 00:29:02,799

the problem again with that is that a

700

00:29:07,190 --> 00:29:05,200

1991 report the u.s space command

701
00:29:10,870 --> 00:29:07,200
concluded that cosmos 96 crashed in

702
00:29:12,710 --> 00:29:10,880
canada at 3 18 on december 9th

703
00:29:13,830 --> 00:29:12,720
and the keksburg incident

704
00:29:15,990 --> 00:29:13,840
you know

705
00:29:17,350 --> 00:29:16,000
was again december 9th but it was a

706
00:29:22,230 --> 00:29:17,360
little

707
00:29:26,230 --> 00:29:23,269
so

708
00:29:27,510 --> 00:29:26,240
i suppose i would ask you what do you

709
00:29:29,990 --> 00:29:27,520
think happened

710
00:29:33,029 --> 00:29:30,000
did an alien spacecraft really crash

711
00:29:34,470 --> 00:29:33,039
land in a sleepy small town in kecksburg

712
00:29:36,710 --> 00:29:34,480
pennsylvania

713
00:29:38,230 --> 00:29:36,720

in 1965

714

00:29:40,710 --> 00:29:38,240

more importantly did the government

715

00:29:43,190 --> 00:29:40,720

cover it up

716

00:29:45,350 --> 00:29:43,200

now to dig deeper into the kecksburg ufo

717

00:29:47,269 --> 00:29:45,360

crash we're going to talk to the one man

718

00:29:48,070 --> 00:29:47,279

who is the world's leading expert on

719

00:29:51,909 --> 00:29:48,080

this

720

00:29:54,549 --> 00:29:51,919

for decades

721

00:29:56,630 --> 00:29:54,559

he has talked to more witnesses dug

722

00:29:59,510 --> 00:29:56,640

deeper than anyone else and produced a

723

00:30:01,430 --> 00:29:59,520

groundbreaking documentary kecksburg the

724

00:30:03,269 --> 00:30:01,440

untold story

725

00:30:04,630 --> 00:30:03,279

which is the world's best documentary on

726

00:30:07,029 --> 00:30:04,640

this incident

727

00:30:09,830 --> 00:30:07,039

stan gordon is a former pa state

728

00:30:12,230 --> 00:30:09,840

director for the mutual ufo network he's

729

00:30:14,470 --> 00:30:12,240

an award-winning ufo investigator and

730

00:30:16,870 --> 00:30:14,480

lecturer he has appeared on local and

731

00:30:19,990 --> 00:30:16,880

national television countless times as a

732

00:30:22,350 --> 00:30:20,000

ufo expert you can visit his website at

733

00:30:25,110 --> 00:30:22,360

www.stan

734

00:30:26,789 --> 00:30:25,120

gordon.info for more information

735

00:30:28,230 --> 00:30:26,799

we are pleased and delighted to welcome

736

00:30:29,269 --> 00:30:28,240

the world's leading expert on this

737

00:30:32,070 --> 00:30:29,279

subject

738

00:30:34,630 --> 00:30:32,080

stan gordon lecturer documentary film

739

00:30:36,950 --> 00:30:34,640

producer and ufo investigator

740

00:30:40,389 --> 00:30:36,960

welcome my friends the world's leading

741

00:30:44,950 --> 00:30:40,399

expert on the kecksburg ufo incident

742

00:30:51,750 --> 00:30:48,230

i guess my first question would be

743

00:30:55,269 --> 00:30:51,760

what is it about the ufo subject that

744

00:30:57,430 --> 00:30:55,279

began to get you interested

745

00:30:59,350 --> 00:30:57,440

and what specifically about the

746

00:31:01,909 --> 00:30:59,360

kecksburg incident

747

00:31:03,669 --> 00:31:01,919

kept you coming back to that specific

748

00:31:05,990 --> 00:31:03,679

case

749

00:31:07,669 --> 00:31:06,000

well my interest began long time ago

750

00:31:09,190 --> 00:31:07,679

back when i was 10 years old back in

751
00:31:11,269 --> 00:31:09,200
1959

752
00:31:12,950 --> 00:31:11,279
and i can tell you in all the years i've

753
00:31:14,950 --> 00:31:12,960
been doing this now which will be 56

754
00:31:17,269 --> 00:31:14,960
years of research this year i have never

755
00:31:19,029 --> 00:31:17,279
personally seen a ufo or a bigfoot i've

756
00:31:20,310 --> 00:31:19,039
interviewed thousands of people but

757
00:31:23,190 --> 00:31:20,320
going back to

758
00:31:25,909 --> 00:31:23,200
1959 when i was 10 years old how i got

759
00:31:28,549 --> 00:31:25,919
involved was my birthday coincidentally

760
00:31:30,389 --> 00:31:28,559
is during how the halloween season

761
00:31:32,630 --> 00:31:30,399
and my parents decided to give me a

762
00:31:34,549 --> 00:31:32,640
birthday gift which was an am radio as a

763
00:31:37,110 --> 00:31:34,559

gift at that time period

764

00:31:38,870 --> 00:31:37,120

and how things transpired was i was

765

00:31:40,549 --> 00:31:38,880

tuning around on the am radio dial

766

00:31:43,029 --> 00:31:40,559

during that time period

767

00:31:44,950 --> 00:31:43,039

and because of halloween there were some

768

00:31:47,269 --> 00:31:44,960

talk radio shows and they were talking

769

00:31:49,830 --> 00:31:47,279

about strange happenings from haunted

770

00:31:52,310 --> 00:31:49,840

houses to flying saucers to

771

00:31:53,909 --> 00:31:52,320

strange animal sightings and i was

772

00:31:55,110 --> 00:31:53,919

curious

773

00:31:56,630 --> 00:31:55,120

and i wanted to know if these people

774

00:31:58,230 --> 00:31:56,640

were really making telling the truth and

775

00:32:00,230 --> 00:31:58,240

making these stories up

776

00:32:02,470 --> 00:32:00,240

so i began to make a lot of local trips

777

00:32:03,990 --> 00:32:02,480

to our library and read all the books

778

00:32:05,750 --> 00:32:04,000

they had available

779

00:32:07,509 --> 00:32:05,760

and i started scrutinizing the

780

00:32:09,029 --> 00:32:07,519

newspapers and i saw an article in the

781

00:32:10,710 --> 00:32:09,039

paper

782

00:32:11,909 --> 00:32:10,720

i would cut the article out make

783

00:32:13,190 --> 00:32:11,919

scrapbooks

784

00:32:14,789 --> 00:32:13,200

but if something would appear in the

785

00:32:17,029 --> 00:32:14,799

local paper that somebody claimed was

786

00:32:19,029 --> 00:32:17,039

seeing a ufo for example i called them

787

00:32:20,710 --> 00:32:19,039

on the telephone and interviewed them

788

00:32:22,070 --> 00:32:20,720

and wrote down the information kept in a

789

00:32:23,750 --> 00:32:22,080

file on it

790

00:32:25,909 --> 00:32:23,760

and as time went on my interest

791

00:32:27,509 --> 00:32:25,919

continued and then i was 16 years old in

792

00:32:28,630 --> 00:32:27,519

1965

793

00:32:30,389 --> 00:32:28,640

when the incident happened near

794

00:32:31,909 --> 00:32:30,399

kecksburg pa which is about 12 miles

795

00:32:32,710 --> 00:32:31,919

from where i live

796

00:32:34,149 --> 00:32:32,720

and

797

00:32:37,029 --> 00:32:34,159

basically

798

00:32:40,310 --> 00:32:37,039

you were in the perfect time and place

799

00:32:42,950 --> 00:32:40,320

to become uh interested in the kecksburg

800

00:32:44,549 --> 00:32:42,960

incident especially

801
00:32:45,509 --> 00:32:44,559
oh yeah there's no doubt about that i

802
00:32:47,110 --> 00:32:45,519
was

803
00:32:49,509 --> 00:32:47,120
in the right place at the right time i

804
00:32:51,029 --> 00:32:49,519
was still relatively young but i began

805
00:32:53,110 --> 00:32:51,039
basically the next day to start trying

806
00:32:56,149 --> 00:32:53,120
to get information on the case

807
00:32:58,070 --> 00:32:56,159
and uh so i've been pursuing it now this

808
00:33:00,789 --> 00:32:58,080
year of course will be 50 years

809
00:33:03,350 --> 00:33:00,799
50th anniversary coming up december 9th

810
00:33:04,310 --> 00:33:03,360
and uh i still on occasion i'm getting

811
00:33:06,149 --> 00:33:04,320
some leads i've got some very

812
00:33:09,509 --> 00:33:06,159
interesting leads in the last several

813
00:33:11,509 --> 00:33:09,519

months uh even very recently so there's

814

00:33:12,630 --> 00:33:11,519

still information out there

815

00:33:15,110 --> 00:33:12,640

and uh

816

00:33:17,830 --> 00:33:15,120

it's the case that you know many of ufo

817

00:33:19,590 --> 00:33:17,840

cases i investigate

818

00:33:21,669 --> 00:33:19,600

a high percentage of incidents i

819

00:33:24,149 --> 00:33:21,679

investigate whether it be ufos or

820

00:33:26,630 --> 00:33:24,159

cryptic creatures or other phenomena

821

00:33:28,470 --> 00:33:26,640

many things initially appear to be

822

00:33:30,149 --> 00:33:28,480

strange and unusual but when you take

823

00:33:31,830 --> 00:33:30,159

the time to follow up and investigate

824

00:33:33,029 --> 00:33:31,840

them the high percentage i'm going to

825

00:33:35,350 --> 00:33:33,039

determine to be either natural or

826

00:33:37,750 --> 00:33:35,360

man-made in origin so a lot of things

827

00:33:39,909 --> 00:33:37,760

over the years you can explain and and

828

00:33:41,909 --> 00:33:39,919

every year however there's ufo incidents

829

00:33:43,909 --> 00:33:41,919

that keep occurring that you could not

830

00:33:45,669 --> 00:33:43,919

so easily dismiss

831

00:33:47,430 --> 00:33:45,679

very credible people are still seeing

832

00:33:49,509 --> 00:33:47,440

things year after year which we

833

00:33:51,509 --> 00:33:49,519

apparently have no explanations for and

834

00:33:53,590 --> 00:33:51,519

the kexper gibson is one of those cases

835

00:33:54,630 --> 00:33:53,600

that there's still many unanswered

836

00:33:56,230 --> 00:33:54,640

questions

837

00:33:58,149 --> 00:33:56,240

there were hundreds of people involved

838

00:34:00,070 --> 00:33:58,159

in the case there's no doubt there was a

839

00:34:02,149 --> 00:34:00,080

military involvement uh with the

840

00:34:04,710 --> 00:34:02,159

incident something was removed from the

841

00:34:05,590 --> 00:34:04,720

site we knew it took it to an air base

842

00:34:07,509 --> 00:34:05,600

and

843

00:34:09,669 --> 00:34:07,519

there still remains again many questions

844

00:34:11,829 --> 00:34:09,679

we don't have answers for it yeah and i

845

00:34:13,349 --> 00:34:11,839

know there are so many people who are

846

00:34:15,990 --> 00:34:13,359

still living who are involved in that

847

00:34:18,069 --> 00:34:16,000

case and many citizens around

848

00:34:20,389 --> 00:34:18,079

pennsylvania across the country who are

849

00:34:22,869 --> 00:34:20,399

aware of this incident that are very

850

00:34:24,950 --> 00:34:22,879

hopeful that someday our government will

851
00:34:26,710 --> 00:34:24,960
open up their files and let people know

852
00:34:27,829 --> 00:34:26,720
the truth about whatever we recovered

853
00:34:29,750 --> 00:34:27,839
that day

854
00:34:31,510 --> 00:34:29,760
yeah that's one of the big questions

855
00:34:33,589 --> 00:34:31,520
that i have for you and some of the

856
00:34:36,550 --> 00:34:33,599
documentaries i've seen

857
00:34:39,190 --> 00:34:36,560
and everything there there was a big

858
00:34:41,589 --> 00:34:39,200
effort that was being undertaken with

859
00:34:44,069 --> 00:34:41,599
the freedom of information act and some

860
00:34:46,389 --> 00:34:44,079
other things to try to pry some

861
00:34:48,629 --> 00:34:46,399
documents from the government loose has

862
00:34:50,550 --> 00:34:48,639
there been any new developments on that

863
00:34:52,950 --> 00:34:50,560

front lately

864

00:34:54,550 --> 00:34:52,960

no not really and i think it's

865

00:34:57,430 --> 00:34:54,560

we're probably not going to get much

866

00:34:58,550 --> 00:34:57,440

more i mean i did multitudes and i

867

00:35:00,069 --> 00:34:58,560

should go back you know when you're

868

00:35:01,430 --> 00:35:00,079

ready and give you a little history

869

00:35:02,710 --> 00:35:01,440

about the case because there's probably

870

00:35:04,790 --> 00:35:02,720

people out there that don't know what

871

00:35:07,349 --> 00:35:04,800

we're even talking about and let's let's

872

00:35:08,310 --> 00:35:07,359

take a moment too to let our listeners

873

00:35:09,510 --> 00:35:08,320

know

874

00:35:11,910 --> 00:35:09,520

that

875

00:35:13,430 --> 00:35:11,920

in ufo circles i want to let my

876

00:35:16,470 --> 00:35:13,440

listeners know

877

00:35:19,990 --> 00:35:16,480

anytime this case gets mentioned

878

00:35:22,150 --> 00:35:20,000

mr gordon is the person that everybody

879

00:35:23,430 --> 00:35:22,160

mentions to me have you talked to stan

880

00:35:26,069 --> 00:35:23,440

gordon

881

00:35:29,910 --> 00:35:26,079

every person that i talk to about this

882

00:35:32,390 --> 00:35:29,920

case mentions mr gordon because he has

883

00:35:35,670 --> 00:35:32,400

more knowledge and expertise about this

884

00:35:37,670 --> 00:35:35,680

specific incident than anyone he has dug

885

00:35:39,750 --> 00:35:37,680

deeper so why don't you give us some

886

00:35:41,670 --> 00:35:39,760

background on the case for the benefit

887

00:35:42,870 --> 00:35:41,680

of our listeners

888

00:35:44,470 --> 00:35:42,880

all right well

889

00:35:47,510 --> 00:35:44,480

we could spend days and days talking

890

00:35:50,069 --> 00:35:47,520

about the case but just a rough scenario

891

00:35:52,630 --> 00:35:50,079

of the event how it all began for me it

892

00:35:55,030 --> 00:35:52,640

was a thursday night december 9th 1965.

893

00:35:57,430 --> 00:35:55,040

i'm 16 years old i'm already interested

894

00:35:59,829 --> 00:35:57,440

in the ufo subject i'm tuned they came

895

00:36:01,910 --> 00:35:59,839

into kdk radio in pittsburgh because

896

00:36:04,069 --> 00:36:01,920

they had a very popular radio talk show

897

00:36:05,990 --> 00:36:04,079

called contact and the host of the show

898

00:36:08,710 --> 00:36:06,000

that was late mike levine

899

00:36:11,190 --> 00:36:08,720

well the guest he had on was a name you

900

00:36:12,710 --> 00:36:11,200

might recognize with frank edwards who

901
00:36:15,030 --> 00:36:12,720
was a journalist who had written some

902
00:36:16,870 --> 00:36:15,040
books on strange unusual happenings and

903
00:36:18,870 --> 00:36:16,880
he was on as a guest so i was tuned in

904
00:36:20,310 --> 00:36:18,880
the radio show to listen to him see what

905
00:36:22,710 --> 00:36:20,320
he had to say

906
00:36:24,710 --> 00:36:22,720
well what turned out to be extremely

907
00:36:26,390 --> 00:36:24,720
interesting was that pretty much the

908
00:36:28,710 --> 00:36:26,400
entire program

909
00:36:30,790 --> 00:36:28,720
was focused on this news story that was

910
00:36:33,270 --> 00:36:30,800
just breaking open

911
00:36:35,670 --> 00:36:33,280
and it was about a ufo sighting about

912
00:36:38,710 --> 00:36:35,680
this brilliant fiery light fiery object

913
00:36:40,630 --> 00:36:38,720

that was seen from ontario canada over

914

00:36:41,990 --> 00:36:40,640

several states including michigan ohio

915

00:36:44,630 --> 00:36:42,000

pennsylvania

916

00:36:47,190 --> 00:36:44,640

and this occurred about 4 47 p.m in the

917

00:36:49,829 --> 00:36:47,200

pittsburgh area it's almost dark it's

918

00:36:51,750 --> 00:36:49,839

late afternoon and whatever the object

919

00:36:53,910 --> 00:36:51,760

was it apparently came in over the

920

00:36:56,390 --> 00:36:53,920

greater pittsburgh area because

921

00:36:58,230 --> 00:36:56,400

multitudes of people were jamming the

922

00:37:01,910 --> 00:36:58,240

phone lines at the pittsburgh area

923

00:37:03,990 --> 00:37:01,920

police and uh radio and tv stations in

924

00:37:06,550 --> 00:37:04,000

the newspapers calling in seeing this

925

00:37:08,069 --> 00:37:06,560

brilliant fiery object in the sky

926
00:37:09,270 --> 00:37:08,079
well there's a lot we didn't know at the

927
00:37:10,550 --> 00:37:09,280
time so what i'm telling you a little

928
00:37:13,510 --> 00:37:10,560
bit now is what i've learned over the

929
00:37:15,829 --> 00:37:13,520
past almost 50 years so that object

930
00:37:18,230 --> 00:37:15,839
whatever it was

931
00:37:19,430 --> 00:37:18,240
it continued out towards westmoreland

932
00:37:20,870 --> 00:37:19,440
county

933
00:37:23,430 --> 00:37:20,880
and it came in over the city of

934
00:37:25,349 --> 00:37:23,440
greensburg and then as it moved over

935
00:37:27,750 --> 00:37:25,359
greensburg it moved roughly out towards

936
00:37:28,870 --> 00:37:27,760
ralph 30 east but then it turned to the

937
00:37:30,950 --> 00:37:28,880
south

938
00:37:33,750 --> 00:37:30,960

and it was seen by numerous people along

939

00:37:36,790 --> 00:37:33,760

these little rural communities uh such

940

00:37:39,030 --> 00:37:36,800

as like pleasant unity marguerite

941

00:37:41,190 --> 00:37:39,040

norvell mammoth

942

00:37:42,710 --> 00:37:41,200

and it continued out towards the

943

00:37:44,870 --> 00:37:42,720

mountains out toward what they call

944

00:37:46,470 --> 00:37:44,880

laurelville and other people around

945

00:37:49,589 --> 00:37:46,480

there in the area who saw this thing

946

00:37:51,990 --> 00:37:49,599

said it kind of hesitated made a turn

947

00:37:54,470 --> 00:37:52,000

started to track back towards kecksburg

948

00:37:56,150 --> 00:37:54,480

made it made another turn then went down

949

00:37:57,829 --> 00:37:56,160

to the wooded ravine

950

00:37:59,670 --> 00:37:57,839

now the people who saw it go down into

951
00:38:01,750 --> 00:37:59,680
the wood of ravine said

952
00:38:04,550 --> 00:38:01,760
it did not come down at a real high rate

953
00:38:06,950 --> 00:38:04,560
of speed it did not come down like you

954
00:38:09,109 --> 00:38:06,960
would expect to see a meteor or reentry

955
00:38:11,270 --> 00:38:09,119
of space debris but it came down almost

956
00:38:13,670 --> 00:38:11,280
like it made a controlled landing

957
00:38:14,710 --> 00:38:13,680
yeah i was going to say that that that

958
00:38:16,870 --> 00:38:14,720
for me

959
00:38:19,589 --> 00:38:16,880
the eyewitness reports of the turning

960
00:38:23,109 --> 00:38:19,599
and everything it always made me think

961
00:38:25,990 --> 00:38:23,119
that the meteor theory is nonsense that

962
00:38:28,550 --> 00:38:26,000
and also how long

963
00:38:30,790 --> 00:38:28,560

did it take to come down would you say

964

00:38:33,430 --> 00:38:30,800

because as you said it was seen from

965

00:38:35,750 --> 00:38:33,440

canada the northern states all the way

966

00:38:38,390 --> 00:38:35,760

through pennsylvania and i just always

967

00:38:40,069 --> 00:38:38,400

thought a meteor comes straight down in

968

00:38:44,230 --> 00:38:40,079

a quick you know

969

00:38:45,670 --> 00:38:44,240

blast it doesn't take hours to come down

970

00:38:48,630 --> 00:38:45,680

now what did take hours it moved

971

00:38:51,670 --> 00:38:48,640

relatively quickly but not the speed you

972

00:38:54,150 --> 00:38:51,680

would have of a meteor and uh and i've

973

00:38:57,589 --> 00:38:54,160

interviewed witnesses now from ohio into

974

00:38:59,349 --> 00:38:57,599

the into the area not far from kecksburg

975

00:39:01,030 --> 00:38:59,359

where people saw this thing and told me

976

00:39:03,829 --> 00:39:01,040

that yes this thing was actually

977

00:39:05,589 --> 00:39:03,839

changing direction along its course as

978

00:39:07,750 --> 00:39:05,599

it was moving down towards pennsylvania

979

00:39:10,069 --> 00:39:07,760

towards the impact site talked a guy

980

00:39:11,270 --> 00:39:10,079

recently and saw it and like so many

981

00:39:13,670 --> 00:39:11,280

people you know every once in a while

982

00:39:16,230 --> 00:39:13,680

when i go and speak at public events

983

00:39:17,430 --> 00:39:16,240

i'll have some of these uh older timers

984

00:39:19,750 --> 00:39:17,440

come up to me

985

00:39:22,150 --> 00:39:19,760

who were either at the site or had seen

986

00:39:24,069 --> 00:39:22,160

it but never called in to report it

987

00:39:25,750 --> 00:39:24,079

because they thought that well you know

988

00:39:27,109 --> 00:39:25,760

probably everybody knows a story already

989

00:39:28,790 --> 00:39:27,119

so what they had really wasn't that

990

00:39:31,109 --> 00:39:28,800

important but a lot of people don't

991

00:39:33,109 --> 00:39:31,119

realize they may have little bits of

992

00:39:34,950 --> 00:39:33,119

information that can be very important

993

00:39:36,870 --> 00:39:34,960

and this one man told me very recently

994

00:39:39,510 --> 00:39:36,880

how yeah as a young boy he saw this

995

00:39:41,430 --> 00:39:39,520

thing coming in uh one of the suburbs of

996

00:39:43,750 --> 00:39:41,440

pittsburgh and how this thing while

997

00:39:45,910 --> 00:39:43,760

moving in this direction was

998

00:39:48,150 --> 00:39:45,920

going straight up and accelerated in

999

00:39:50,470 --> 00:39:48,160

height and then come down go back up

1000

00:39:53,030 --> 00:39:50,480

come back back down then continue on its

1001
00:39:54,790 --> 00:39:53,040
path because making movements completely

1002
00:39:57,190 --> 00:39:54,800
unlike that of a meteor

1003
00:39:59,109 --> 00:39:57,200
yeah that that is why i've always i mean

1004
00:40:00,470 --> 00:39:59,119
a lot of people just say hey it was a

1005
00:40:02,870 --> 00:40:00,480
meteor

1006
00:40:05,270 --> 00:40:02,880
i don't believe that because i've seen

1007
00:40:09,349 --> 00:40:05,280
meteors i've never seen a meteor make a

1008
00:40:11,750 --> 00:40:09,359
nine degree turn or change direction

1009
00:40:13,270 --> 00:40:11,760
yeah well let me let me just give you a

1010
00:40:14,870 --> 00:40:13,280
little bit more detail but what happened

1011
00:40:16,309 --> 00:40:14,880
that night because there's there's so

1012
00:40:18,309 --> 00:40:16,319
much and there's like you said we could

1013
00:40:20,069 --> 00:40:18,319

talk for days and days from

1014

00:40:21,670 --> 00:40:20,079

the hundreds of testimonies i've gotten

1015

00:40:23,829 --> 00:40:21,680

from eyewitnesses and people were

1016

00:40:25,670 --> 00:40:23,839

involved that night or had other

1017

00:40:28,390 --> 00:40:25,680

involvement in the case over the years

1018

00:40:31,510 --> 00:40:28,400

but you know as as this is unfolding on

1019

00:40:34,390 --> 00:40:31,520

kdk radio and other news that night

1020

00:40:36,470 --> 00:40:34,400

um you know they're taking the calls at

1021

00:40:39,030 --> 00:40:36,480

the station from people coming in

1022

00:40:40,630 --> 00:40:39,040

that this news is now breaking wire

1023

00:40:42,950 --> 00:40:40,640

stories are starting to come in from the

1024

00:40:44,069 --> 00:40:42,960

associated press and upi

1025

00:40:46,150 --> 00:40:44,079

um

1026

00:40:49,030 --> 00:40:46,160

they are interviewing eyewitnesses they

1027

00:40:51,270 --> 00:40:49,040

talk to pilots many many people who saw

1028

00:40:53,829 --> 00:40:51,280

this thing

1029

00:40:56,150 --> 00:40:53,839

in the later in the evening kdktv is

1030

00:40:58,470 --> 00:40:56,160

breaking in with live reports

1031

00:41:00,309 --> 00:40:58,480

that the military is now arriving in the

1032

00:41:01,829 --> 00:41:00,319

kecksburg area because apparently

1033

00:41:03,750 --> 00:41:01,839

whatever the object was that came over

1034

00:41:06,309 --> 00:41:03,760

the pittsburgh area fell to a wood

1035

00:41:08,470 --> 00:41:06,319

ravine in westmoreland county about 40

1036

00:41:10,870 --> 00:41:08,480

miles southeast of pittsburgh

1037

00:41:12,470 --> 00:41:10,880

and so of course nothing was a huge

1038

00:41:14,550 --> 00:41:12,480

media event

1039

00:41:17,270 --> 00:41:14,560

and and i wasn't aware really of the

1040

00:41:18,950 --> 00:41:17,280

scope of the coverage then at the time

1041

00:41:20,390 --> 00:41:18,960

it was happening

1042

00:41:22,630 --> 00:41:20,400

and most people weren't because we

1043

00:41:25,109 --> 00:41:22,640

really didn't even know how big it was

1044

00:41:27,349 --> 00:41:25,119

two years later but what we now know is

1045

00:41:29,589 --> 00:41:27,359

the fact that as this is being broadcast

1046

00:41:31,270 --> 00:41:29,599

all over the pittsburgh area hundreds of

1047

00:41:33,190 --> 00:41:31,280

people descend on this little farming

1048

00:41:35,510 --> 00:41:33,200

community to try to get a look at the

1049

00:41:37,510 --> 00:41:35,520

object down in the woods but not only

1050

00:41:39,270 --> 00:41:37,520

did you have all these people coming in

1051
00:41:41,430 --> 00:41:39,280
you had representatives from all the

1052
00:41:44,230 --> 00:41:41,440
pittsburgh news media from

1053
00:41:47,190 --> 00:41:44,240
reporters from pittsburgh radio and tv

1054
00:41:49,589 --> 00:41:47,200
and newspapers who came out themselves

1055
00:41:52,230 --> 00:41:49,599
and became part of the story because

1056
00:41:54,069 --> 00:41:52,240
they either observed the military or

1057
00:41:56,230 --> 00:41:54,079
military vehicles interacted with the

1058
00:41:58,550 --> 00:41:56,240
military or other authorities on the

1059
00:41:59,670 --> 00:41:58,560
scene so they became a part of the story

1060
00:42:01,829 --> 00:41:59,680
themselves

1061
00:42:02,710 --> 00:42:01,839
and as like i said there's so many

1062
00:42:04,390 --> 00:42:02,720
different

1063
00:42:06,710 --> 00:42:04,400

little you know experiences we had with

1064

00:42:08,710 --> 00:42:06,720

so many people and what they saw and

1065

00:42:10,150 --> 00:42:08,720

what they remember from that night and a

1066

00:42:12,150 --> 00:42:10,160

lot of people was a life-changing

1067

00:42:14,390 --> 00:42:12,160

experience but you know talking about a

1068

00:42:17,910 --> 00:42:14,400

meteor here's one example of one of the

1069

00:42:19,430 --> 00:42:17,920

eyewitness accounts this was um within a

1070

00:42:21,589 --> 00:42:19,440

probably within a couple miles before

1071

00:42:25,109 --> 00:42:21,599

the object fell so this is the little

1072

00:42:27,190 --> 00:42:25,119

area little uh town of norvelt outside

1073

00:42:29,589 --> 00:42:27,200

of kecksburg and there's a young boy the

1074

00:42:31,190 --> 00:42:29,599

late randy overley and randy's out there

1075

00:42:33,030 --> 00:42:31,200

playing that afternoon

1076

00:42:35,750 --> 00:42:33,040

and he hears like this this hissing

1077

00:42:38,150 --> 00:42:35,760

noise far in the distance and he looks

1078

00:42:41,030 --> 00:42:38,160

at out to the sky and he sees this

1079

00:42:43,190 --> 00:42:41,040

object slowly approaching far off and it

1080

00:42:45,829 --> 00:42:43,200

begins to move in his direction and it's

1081

00:42:47,670 --> 00:42:45,839

moving quite slowly he said it was

1082

00:42:49,670 --> 00:42:47,680

moving about the speed of an aircraft on

1083

00:42:51,750 --> 00:42:49,680

approach to an airport and it moves

1084

00:42:53,589 --> 00:42:51,760

about 200 feet over his head

1085

00:42:55,349 --> 00:42:53,599

so that he said to me he said i got such

1086

00:42:57,750 --> 00:42:55,359

a good look at this thing because i see

1087

00:42:59,829 --> 00:42:57,760

it approach me it passes right over my

1088

00:43:00,950 --> 00:42:59,839

head and i want it to continue as it

1089

00:43:02,710 --> 00:43:00,960

goes out towards the mountains of

1090

00:43:05,750 --> 00:43:02,720

laurelville and he said this thing is

1091

00:43:08,550 --> 00:43:05,760

like a big constructed acorn shaped

1092

00:43:10,630 --> 00:43:08,560

object kind of a brownish-grayish color

1093

00:43:12,630 --> 00:43:10,640

there's a vapor all around it there's

1094

00:43:14,550 --> 00:43:12,640

various color flames around and out of

1095

00:43:16,069 --> 00:43:14,560

the back of it it's making like this

1096

00:43:16,950 --> 00:43:16,079

hissing sound

1097

00:43:20,069 --> 00:43:16,960

and

1098

00:43:22,630 --> 00:43:20,079

he said it it's just one solid piece but

1099

00:43:24,630 --> 00:43:22,640

you can tell it was constructed he said

1100

00:43:27,190 --> 00:43:24,640

what i saw was something was moving very

1101
00:43:29,589 --> 00:43:27,200
slow it had been intelligently

1102
00:43:31,589 --> 00:43:29,599
manufactured by somebody but he had

1103
00:43:33,750 --> 00:43:31,599
never seen anything like it

1104
00:43:35,349 --> 00:43:33,760
and it continued out towards the

1105
00:43:37,589 --> 00:43:35,359
mountains of lauraville where other

1106
00:43:39,510 --> 00:43:37,599
people saw it so what we now know is

1107
00:43:41,030 --> 00:43:39,520
this and we didn't know this back in

1108
00:43:43,190 --> 00:43:41,040
that time you know

1109
00:43:45,030 --> 00:43:43,200
i've interviewed with

1110
00:43:45,829 --> 00:43:45,040
were involved that day

1111
00:43:53,510 --> 00:43:45,839
and

1112
00:43:55,589 --> 00:43:53,520
well you know you saw this you had this

1113
00:43:57,030 --> 00:43:55,599

great experience why didn't you call the

1114

00:43:58,630 --> 00:43:57,040

newspaper and tell them after you saw

1115

00:44:01,270 --> 00:43:58,640

the papers the next day and he said the

1116

00:44:03,510 --> 00:44:01,280

reason why we did because the next day

1117

00:44:05,430 --> 00:44:03,520

the newspaper is full of the story and

1118

00:44:07,510 --> 00:44:05,440

the official explanation is that people

1119

00:44:08,790 --> 00:44:07,520

saw a bright meteor in the sky and that

1120

00:44:10,550 --> 00:44:08,800

nothing fell

1121

00:44:12,390 --> 00:44:10,560

so after the authorities the government

1122

00:44:14,550 --> 00:44:12,400

saying was nothing on the ground and we

1123

00:44:16,550 --> 00:44:14,560

know what we saw we just you know we

1124

00:44:18,950 --> 00:44:16,560

told a few friends and a few relatives

1125

00:44:21,270 --> 00:44:18,960

we just kept our mouth shut for years

1126
00:44:23,030 --> 00:44:21,280
and and that's exactly what happened so

1127
00:44:24,870 --> 00:44:23,040
what we know is that

1128
00:44:27,030 --> 00:44:24,880
moments after it fell

1129
00:44:28,950 --> 00:44:27,040
some of the local people

1130
00:44:31,030 --> 00:44:28,960
hurried up down into the wood of ravine

1131
00:44:33,670 --> 00:44:31,040
to see what had fallen

1132
00:44:34,630 --> 00:44:33,680
and later that afternoon others began to

1133
00:44:36,550 --> 00:44:34,640
come in

1134
00:44:38,710 --> 00:44:36,560
here's the whole thing

1135
00:44:41,030 --> 00:44:38,720
you could not possibly see the impact

1136
00:44:43,430 --> 00:44:41,040
site from any of the surrounding hills

1137
00:44:44,870 --> 00:44:43,440
or roads it's down in the bottom of a

1138
00:44:46,790 --> 00:44:44,880

wooded ravine in the middle of the

1139

00:44:48,790 --> 00:44:46,800

thickly wooded area unless you were

1140

00:44:50,870 --> 00:44:48,800

standing at that spot you couldn't

1141

00:44:53,030 --> 00:44:50,880

possibly know where it came down

1142

00:44:54,550 --> 00:44:53,040

so some of those people saw it fall and

1143

00:44:55,750 --> 00:44:54,560

they hurried down on those woods and

1144

00:44:57,510 --> 00:44:55,760

some of those people knew the woods

1145

00:45:00,550 --> 00:44:57,520

because they had it down there and they

1146

00:45:02,150 --> 00:45:00,560

came across this large metallic acorn

1147

00:45:04,550 --> 00:45:02,160

shaped object

1148

00:45:06,950 --> 00:45:04,560

semi buried in the ground and how am i

1149

00:45:09,910 --> 00:45:06,960

amazing how amazing it must have been

1150

00:45:12,470 --> 00:45:09,920

for these kind of you know uh people

1151
00:45:15,510 --> 00:45:12,480
living in this small town to come down

1152
00:45:17,510 --> 00:45:15,520
into the wooded ravine and see

1153
00:45:20,309 --> 00:45:17,520
or be confronted what

1154
00:45:23,190 --> 00:45:20,319
with what could possibly be an aliens

1155
00:45:25,670 --> 00:45:23,200
alien spacecraft

1156
00:45:29,670 --> 00:45:25,680
and can you tell us about the witnesses

1157
00:45:30,790 --> 00:45:29,680
descriptions of of it on the ground

1158
00:45:32,470 --> 00:45:30,800
what they see again it's semi

1159
00:45:34,230 --> 00:45:32,480
semi-buried in the ground

1160
00:45:35,510 --> 00:45:34,240
it's about 10 to 12 feet or more in

1161
00:45:38,390 --> 00:45:35,520
length about eight to ten feet in

1162
00:45:40,550 --> 00:45:38,400
diameter but as witnesses said it's one

1163
00:45:43,270 --> 00:45:40,560

solid piece of metal it's kind of an off

1164

00:45:44,309 --> 00:45:43,280

gold bronze color but what's intriguing

1165

00:45:47,270 --> 00:45:44,319

is

1166

00:45:49,750 --> 00:45:47,280

it's shaped like a big acorn

1167

00:45:53,750 --> 00:45:49,760

but there's no weld marks no rivets no

1168

00:45:56,069 --> 00:45:53,760

seams no fuselage no windows no doors

1169

00:45:59,270 --> 00:45:56,079

at the back of the object like you would

1170

00:46:00,950 --> 00:45:59,280

have on an acorn and raised up area

1171

00:46:02,950 --> 00:46:00,960

raised up on that surface with these

1172

00:46:04,069 --> 00:46:02,960

unusual markings to look more like

1173

00:46:05,589 --> 00:46:04,079

symbols

1174

00:46:07,589 --> 00:46:05,599

than letters

1175

00:46:10,150 --> 00:46:07,599

and in fact one witness who was very

1176

00:46:12,150 --> 00:46:10,160

close to it that day that evening

1177

00:46:14,150 --> 00:46:12,160

spent years in the library trying to

1178

00:46:16,230 --> 00:46:14,160

look up ancient writings to see what

1179

00:46:17,670 --> 00:46:16,240

would be similar and he said the closest

1180

00:46:20,470 --> 00:46:17,680

he could find was ancient egyptian

1181

00:46:22,550 --> 00:46:20,480

hieroglyphics that's interesting and

1182

00:46:24,790 --> 00:46:22,560

this thing is big enough for a person to

1183

00:46:25,750 --> 00:46:24,800

move around the side of they said

1184

00:46:31,030 --> 00:46:25,760

and

1185

00:46:33,510 --> 00:46:31,040

interviewed people who are down there i

1186

00:46:35,670 --> 00:46:33,520

have stayed for some relatives of people

1187

00:46:37,750 --> 00:46:35,680

who are now deceased who apparently have

1188

00:46:40,069 --> 00:46:37,760

gone down into the woods one reportedly

1189

00:46:42,230 --> 00:46:40,079

was a young girl who went down soon

1190

00:46:43,270 --> 00:46:42,240

after it fell and supposedly touched the

1191

00:46:45,030 --> 00:46:43,280

object

1192

00:46:47,349 --> 00:46:45,040

and told her family once you at home

1193

00:46:49,109 --> 00:46:47,359

that was smooth with class

1194

00:46:50,630 --> 00:46:49,119

and

1195

00:46:51,990 --> 00:46:50,640

anyhow

1196

00:46:54,390 --> 00:46:52,000

one of the stories of course that's

1197

00:46:56,550 --> 00:46:54,400

interesting is and and i should go back

1198

00:46:57,990 --> 00:46:56,560

a little further you know for and i

1199

00:46:59,510 --> 00:46:58,000

should go back to a little more of the

1200

00:47:01,190 --> 00:46:59,520

beginning because of so much of the

1201

00:47:03,510 --> 00:47:01,200

story so i began to try to get

1202

00:47:04,870 --> 00:47:03,520

information the next day there was very

1203

00:47:07,109 --> 00:47:04,880

little information out there there were

1204

00:47:08,950 --> 00:47:07,119

very few names out there in the paper

1205

00:47:10,390 --> 00:47:08,960

uh i'm in the city this was out the

1206

00:47:12,470 --> 00:47:10,400

country really didn't know hardly

1207

00:47:14,710 --> 00:47:12,480

anybody around there tried to make some

1208

00:47:16,630 --> 00:47:14,720

calls talk to people people really were

1209

00:47:18,790 --> 00:47:16,640

reluctant to talk about it

1210

00:47:20,309 --> 00:47:18,800

say it was a period period of weeks and

1211

00:47:22,470 --> 00:47:20,319

months and years

1212

00:47:24,950 --> 00:47:22,480

that i began to gather information on

1213

00:47:26,470 --> 00:47:24,960

this case more and more i began to find

1214

00:47:27,750 --> 00:47:26,480

some people who were involved that night

1215

00:47:29,670 --> 00:47:27,760

i began to get

1216

00:47:31,270 --> 00:47:29,680

sometimes even anonymous leads or a lot

1217

00:47:33,829 --> 00:47:31,280

of mistakes from people who knew people

1218

00:47:35,510 --> 00:47:33,839

were involved and let me to find and dig

1219

00:47:37,910 --> 00:47:35,520

out some eyewitnesses

1220

00:47:39,589 --> 00:47:37,920

um i would get calls later from

1221

00:47:41,270 --> 00:47:39,599

relatives and friends and neighbors of

1222

00:47:44,710 --> 00:47:41,280

people who were involved

1223

00:47:45,990 --> 00:47:44,720

and i began to really see by the 1980s

1224

00:47:47,950 --> 00:47:46,000

that there was a heck of a lot more of

1225

00:47:51,270 --> 00:47:47,960

the story that we knew before back in

1226
00:47:52,549 --> 00:47:51,280
1965 and i began to really intensify my

1227
00:47:54,309 --> 00:47:52,559
investigation

1228
00:47:56,790 --> 00:47:54,319
and so you're going to credit you're

1229
00:47:59,589 --> 00:47:56,800
you're the person really responsible for

1230
00:48:02,549 --> 00:47:59,599
bringing out all of this eyewitness

1231
00:48:04,630 --> 00:48:02,559
testimony i mean i i've always thought

1232
00:48:07,589 --> 00:48:04,640
of all the things i've seen you done on

1233
00:48:09,829 --> 00:48:07,599
this case that if you hadn't done this

1234
00:48:11,910 --> 00:48:09,839
we wouldn't know anything it might have

1235
00:48:14,790 --> 00:48:11,920
ended with hey it was a meteor and it

1236
00:48:17,270 --> 00:48:14,800
and nothing came down so

1237
00:48:19,990 --> 00:48:17,280
you know to your credit you've brought

1238
00:48:22,710 --> 00:48:20,000

out so much

1239

00:48:25,349 --> 00:48:22,720

i appreciate it and you know it's one of

1240

00:48:27,670 --> 00:48:25,359

those cases that's so intriguing and has

1241

00:48:29,430 --> 00:48:27,680

so many aspects of mystery to it and

1242

00:48:32,710 --> 00:48:29,440

there's so many things we just don't

1243

00:48:34,710 --> 00:48:32,720

know but uh it was fascinating and so

1244

00:48:36,470 --> 00:48:34,720

anyhow as i'm testifying my

1245

00:48:38,150 --> 00:48:36,480

investigation and we had a pretty good

1246

00:48:40,470 --> 00:48:38,160

idea now the general area where this

1247

00:48:43,030 --> 00:48:40,480

thing came down we began to search that

1248

00:48:43,910 --> 00:48:43,040

area and my team found what appeared to

1249

00:48:46,150 --> 00:48:43,920

be

1250

00:48:48,549 --> 00:48:46,160

a pattern of tree damage down in that

1251

00:48:51,190 --> 00:48:48,559

wooded ravine we found a pattern of

1252

00:48:52,150 --> 00:48:51,200

trees knocked down top to trees broken

1253

00:48:54,630 --> 00:48:52,160

out

1254

00:48:56,549 --> 00:48:54,640

it was a a pretty good idea that there

1255

00:48:58,549 --> 00:48:56,559

was a trajectory or something had come

1256

00:49:01,270 --> 00:48:58,559

down so we had a pretty good idea where

1257

00:49:03,589 --> 00:49:01,280

something fell the big problem was we

1258

00:49:04,870 --> 00:49:03,599

had no eyewitnesses at that point who

1259

00:49:06,470 --> 00:49:04,880

had actually claimed to have seen the

1260

00:49:09,829 --> 00:49:06,480

object on the ground

1261

00:49:12,950 --> 00:49:09,839

so in the summer of 1987

1262

00:49:14,950 --> 00:49:12,960

i'm holding uh one of my very big

1263

00:49:17,589 --> 00:49:14,960

public ufo displays at the local

1264

00:49:19,990 --> 00:49:17,599

westmoreland mall it's a it was a very

1265

00:49:21,829 --> 00:49:20,000

very big big display we did for years

1266

00:49:22,790 --> 00:49:21,839

brought in thousands and thousands of

1267

00:49:25,109 --> 00:49:22,800

people

1268

00:49:26,309 --> 00:49:25,119

uh who had really interested in the case

1269

00:49:28,230 --> 00:49:26,319

it was great for the mall because it

1270

00:49:30,150 --> 00:49:28,240

brought a lot of traffic in and we did

1271

00:49:32,630 --> 00:49:30,160

it for a number of years and in august

1272

00:49:33,670 --> 00:49:32,640

in 87 what i have in this event we had a

1273

00:49:37,270 --> 00:49:33,680

little

1274

00:49:38,309 --> 00:49:37,280

information didn't have a lot on it at

1275

00:49:40,549 --> 00:49:38,319

the time

1276

00:49:42,790 --> 00:49:40,559

and a lot of people were mingling around

1277

00:49:44,230 --> 00:49:42,800

and i was out for lunch i believe and

1278

00:49:45,910 --> 00:49:44,240

one of my associates was there and he

1279

00:49:47,430 --> 00:49:45,920

was talking to a fellow and

1280

00:49:49,750 --> 00:49:47,440

this fellow in his family happened to

1281

00:49:51,270 --> 00:49:49,760

walk by and he's kind of listening in

1282

00:49:52,950 --> 00:49:51,280

and he said excuse me you talk about

1283

00:49:55,109 --> 00:49:52,960

that incident in keksburg and they said

1284

00:49:58,710 --> 00:49:55,119

yes he said i was on the search team

1285

00:50:00,790 --> 00:49:58,720

that found the object oh

1286

00:50:02,390 --> 00:50:00,800

immediately opened up my associate's

1287

00:50:04,150 --> 00:50:02,400

eyes and he pulled him off to the side

1288

00:50:06,630 --> 00:50:04,160

and they ran and got me

1289

00:50:08,549 --> 00:50:06,640

and that turned out to be jim ramansky

1290

00:50:10,549 --> 00:50:08,559

and jim um

1291

00:50:13,270 --> 00:50:10,559

never came forward until

1292

00:50:14,870 --> 00:50:13,280

he he finally came out public when we

1293

00:50:17,510 --> 00:50:14,880

did the season premiere on the unsolved

1294

00:50:19,829 --> 00:50:17,520

mystery show back in 1990 which i did

1295

00:50:20,870 --> 00:50:19,839

see i remember that

1296

00:50:22,790 --> 00:50:20,880

and jim

1297

00:50:24,630 --> 00:50:22,800

had a very intriguing account then when

1298

00:50:25,910 --> 00:50:24,640

he talked over the first he said look i

1299

00:50:27,510 --> 00:50:25,920

don't want to get involved i don't want

1300

00:50:29,750 --> 00:50:27,520

to get publicly involved i don't want my

1301

00:50:31,670 --> 00:50:29,760

family involved he said i'll talk to you

1302

00:50:34,150 --> 00:50:31,680

and i'll tell you what i know

1303

00:50:36,549 --> 00:50:34,160

but he was not from kecksburg okay his

1304

00:50:39,109 --> 00:50:36,559

story was he was a young teenager

1305

00:50:41,109 --> 00:50:39,119

well 18 19 years old

1306

00:50:42,950 --> 00:50:41,119

and

1307

00:50:44,309 --> 00:50:42,960

he was a volunteer fireman from one of

1308

00:50:47,349 --> 00:50:44,319

the mutual aid fire companies here in

1309

00:50:49,589 --> 00:50:47,359

westmoreland county not from kecksburg

1310

00:50:50,870 --> 00:50:49,599

he said that his fire company had been

1311

00:50:53,270 --> 00:50:50,880

activated

1312

00:50:55,430 --> 00:50:53,280

that day to assist in a search with

1313

00:50:58,390 --> 00:50:55,440

other fire departments in the kecksburg

1314

00:50:59,829 --> 00:50:58,400

area for a possible downed aircraft

1315

00:51:01,349 --> 00:50:59,839

and other firemen have confirmed the

1316

00:51:04,309 --> 00:51:01,359

story to me by the way from other

1317

00:51:05,829 --> 00:51:04,319

departments so anyhow he and a small

1318

00:51:07,109 --> 00:51:05,839

group got into one of their fire

1319

00:51:08,630 --> 00:51:07,119

vehicles and they proceeded out to

1320

00:51:10,710 --> 00:51:08,640

kecksburg and they came to the kexpert

1321

00:51:13,109 --> 00:51:10,720

truck station where other firemen were

1322

00:51:14,710 --> 00:51:13,119

gathering and they were looking over a

1323

00:51:17,109 --> 00:51:14,720

map and they were setting up a grid

1324

00:51:19,750 --> 00:51:17,119

search of this large wooded area where

1325

00:51:22,470 --> 00:51:19,760

this thing reportedly had fallen

1326
00:51:23,990 --> 00:51:22,480
and jim didn't know the area he knew

1327
00:51:25,829 --> 00:51:24,000
hardly anybody was out there but he

1328
00:51:27,589 --> 00:51:25,839
remembered that evening

1329
00:51:29,270 --> 00:51:27,599
how they loaded him out of the farm up

1330
00:51:31,589 --> 00:51:29,280
these different trucks and left them off

1331
00:51:34,470 --> 00:51:31,599
at different locations along the woods

1332
00:51:35,670 --> 00:51:34,480
to to walk up into the large wooded area

1333
00:51:37,670 --> 00:51:35,680
where this thing reportedly fell and

1334
00:51:39,910 --> 00:51:37,680
they had walkie-talkies with them

1335
00:51:41,349 --> 00:51:39,920
and jim told me that he said i wasn't we

1336
00:51:42,950 --> 00:51:41,359
weren't out there that long we're just

1337
00:51:45,109 --> 00:51:42,960
getting to the woods and moving around

1338
00:51:47,750 --> 00:51:45,119

when we get a call over the radio that

1339

00:51:48,790 --> 00:51:47,760

this other team has found that the crash

1340

00:51:49,750 --> 00:51:48,800

site

1341

00:51:51,430 --> 00:51:49,760

so

1342

00:51:53,589 --> 00:51:51,440

he and a few of these guys they hurried

1343

00:51:55,190 --> 00:51:53,599

over to the area where the thing had

1344

00:51:57,109 --> 00:51:55,200

reportedly fallen these other guys are

1345

00:51:58,710 --> 00:51:57,119

over there and they're standing at a

1346

00:51:59,829 --> 00:51:58,720

little embankment down in the wooded

1347

00:52:00,870 --> 00:51:59,839

ravine

1348

00:52:02,790 --> 00:52:00,880

and

1349

00:52:04,950 --> 00:52:02,800

they're a few feet away from this very

1350

00:52:06,150 --> 00:52:04,960

strange looking object that semi-buried

1351
00:52:07,510 --> 00:52:06,160
in the ground

1352
00:52:09,990 --> 00:52:07,520
and they're going over there expecting

1353
00:52:11,589 --> 00:52:10,000
to see a crashed airplane

1354
00:52:13,430 --> 00:52:11,599
and what they felt was something unlike

1355
00:52:15,910 --> 00:52:13,440
anything he had ever seen before they

1356
00:52:18,710 --> 00:52:15,920
knew right away it was no meteorite they

1357
00:52:20,309 --> 00:52:18,720
knew this thing was constructed and jim

1358
00:52:21,510 --> 00:52:20,319
and the other farmer are kind of looking

1359
00:52:22,710 --> 00:52:21,520
around this thing and walking around

1360
00:52:24,790 --> 00:52:22,720
this thing and looking at the

1361
00:52:25,750 --> 00:52:24,800
hieroglyphics on it they're describing

1362
00:52:28,630 --> 00:52:25,760
it

1363
00:52:30,790 --> 00:52:28,640

when two men like two stern men and

1364

00:52:32,870 --> 00:52:30,800

trench coats with a geiger counter come

1365

00:52:34,470 --> 00:52:32,880

down through the woods they look around

1366

00:52:36,470 --> 00:52:34,480

they look at the object and they yell at

1367

00:52:38,549 --> 00:52:36,480

them say this area is now quarantined

1368

00:52:40,069 --> 00:52:38,559

you got to get out of here right behind

1369

00:52:41,190 --> 00:52:40,079

them are soldiers coming down through

1370

00:52:43,270 --> 00:52:41,200

the woods

1371

00:52:44,710 --> 00:52:43,280

and jim told me how the soldiers were so

1372

00:52:46,390 --> 00:52:44,720

close to the firemen that they were

1373

00:52:47,190 --> 00:52:46,400

shining their flashlight beat on each

1374

00:52:49,510 --> 00:52:47,200

other

1375

00:52:53,109 --> 00:52:49,520

well that's amazing i was just gonna ask

1376

00:52:55,750 --> 00:52:53,119

you about the the the point at which in

1377

00:52:57,349 --> 00:52:55,760

this incident that the government came

1378

00:53:01,670 --> 00:52:57,359

in and

1379

00:53:03,750 --> 00:53:01,680

you tell

1380

00:53:06,390 --> 00:53:03,760

what what was their experience with

1381

00:53:09,030 --> 00:53:06,400

these people because at this point the

1382

00:53:11,349 --> 00:53:09,040

government comes in and starts pushing

1383

00:53:13,430 --> 00:53:11,359

everyone back and taking control of the

1384

00:53:14,950 --> 00:53:13,440

crash site correct

1385

00:53:16,870 --> 00:53:14,960

yeah and there's and there's more to

1386

00:53:19,430 --> 00:53:16,880

this than we just talked about there's a

1387

00:53:21,190 --> 00:53:19,440

lot of things happen even before that

1388

00:53:23,190 --> 00:53:21,200

um

1389

00:53:25,030 --> 00:53:23,200

the the military

1390

00:53:27,270 --> 00:53:25,040

began to show up

1391

00:53:29,349 --> 00:53:27,280

during different times during uh the

1392

00:53:31,589 --> 00:53:29,359

evening they apparently were not coming

1393

00:53:33,190 --> 00:53:31,599

from the same location according to many

1394

00:53:35,670 --> 00:53:33,200

people who saw them coming into the area

1395

00:53:38,549 --> 00:53:35,680

that night there are some people however

1396

00:53:40,710 --> 00:53:38,559

who swear they began to see a small

1397

00:53:42,870 --> 00:53:40,720

military presence maybe let's say an

1398

00:53:45,190 --> 00:53:42,880

army jeep right around the area maybe

1399

00:53:46,950 --> 00:53:45,200

with an hour after itself and that's

1400

00:53:48,870 --> 00:53:46,960

very possible because they may have

1401

00:53:50,710 --> 00:53:48,880

alerted you know back a lot of people

1402

00:53:53,510 --> 00:53:50,720

remember but this is the early days of

1403

00:53:55,589 --> 00:53:53,520

the space program it's vietnam war and

1404

00:53:57,589 --> 00:53:55,599

there was a lot of military

1405

00:53:59,990 --> 00:53:57,599

installations all over pennsylvania and

1406

00:54:02,150 --> 00:54:00,000

ohio i mean there was armories you know

1407

00:54:03,829 --> 00:54:02,160

the national guard i mean there was all

1408

00:54:05,430 --> 00:54:03,839

kind of equipment installations all over

1409

00:54:07,829 --> 00:54:05,440

the pittsburgh area

1410

00:54:09,910 --> 00:54:07,839

so it may well have been that one of the

1411

00:54:12,230 --> 00:54:09,920

local units may have been advised of the

1412

00:54:13,990 --> 00:54:12,240

incident and a few personnel began to

1413

00:54:15,750 --> 00:54:14,000

move around to see if they can find

1414

00:54:17,750 --> 00:54:15,760

where the thing fell they could not

1415

00:54:19,990 --> 00:54:17,760

possibly have seen it from any of the

1416

00:54:21,750 --> 00:54:20,000

roads again unless some of that somebody

1417

00:54:23,750 --> 00:54:21,760

took them down to the site they could

1418

00:54:25,190 --> 00:54:23,760

not have known where to call

1419

00:54:27,349 --> 00:54:25,200

and

1420

00:54:30,549 --> 00:54:27,359

again there's so many different stories

1421

00:54:32,230 --> 00:54:30,559

about this um like i said after jim and

1422

00:54:33,829 --> 00:54:32,240

the other firemen

1423

00:54:35,910 --> 00:54:33,839

were told to leave the area they found

1424

00:54:37,430 --> 00:54:35,920

their way back to the little village of

1425

00:54:38,789 --> 00:54:37,440

kecksburg and they got back to the truck

1426

00:54:39,589 --> 00:54:38,799

station they said when they got back

1427

00:54:41,270 --> 00:54:39,599

there

1428

00:54:44,150 --> 00:54:41,280

the military and this is confirmed by

1429

00:54:46,309 --> 00:54:44,160

others had taken over the the small

1430

00:54:48,470 --> 00:54:46,319

kecksburg fire truck station as a

1431

00:54:50,390 --> 00:54:48,480

temporary command post they set up

1432

00:54:52,950 --> 00:54:50,400

sentries at the doorwood rifles they had

1433

00:54:55,109 --> 00:54:52,960

a lot of trucks out there they had taken

1434

00:54:56,789 --> 00:54:55,119

radio equipment other equipment inside

1435

00:54:59,190 --> 00:54:56,799

for communications

1436

00:55:00,549 --> 00:54:59,200

and that's just one of the many things

1437

00:55:02,630 --> 00:55:00,559

that people report around this little

1438

00:55:05,349 --> 00:55:02,640

village the whole point is there was

1439

00:55:07,589 --> 00:55:05,359

activity going on in different areas at

1440

00:55:09,910 --> 00:55:07,599

night and there's a few people say well

1441

00:55:11,349 --> 00:55:09,920

i was around and i saw nothing well if

1442

00:55:12,870 --> 00:55:11,359

you weren't at the right place at the

1443

00:55:15,990 --> 00:55:12,880

right time you couldn't have seen what

1444

00:55:16,950 --> 00:55:16,000

was going on for example exactly

1445

00:55:18,549 --> 00:55:16,960

um

1446

00:55:20,950 --> 00:55:18,559

on these little farming communities and

1447

00:55:23,030 --> 00:55:20,960

it's dark now okay so this is down in

1448

00:55:26,230 --> 00:55:23,040

the village which is way down over the

1449

00:55:28,470 --> 00:55:26,240

hill from up on the big top of the hill

1450

00:55:30,630 --> 00:55:28,480

that that road has now been nicknamed

1451
00:55:32,870 --> 00:55:30,640
media road that the the township called

1452
00:55:34,390 --> 00:55:32,880
and after the event that night and for

1453
00:55:36,470 --> 00:55:34,400
years and years they kept putting these

1454
00:55:37,990 --> 00:55:36,480
streets roadsides up media road and

1455
00:55:39,670 --> 00:55:38,000
people were coming and stealing them for

1456
00:55:41,190 --> 00:55:39,680
souvenirs

1457
00:55:43,270 --> 00:55:41,200
that's interesting

1458
00:55:45,589 --> 00:55:43,280
there were hundreds of people that night

1459
00:55:47,670 --> 00:55:45,599
on the high point that overlooks the

1460
00:55:49,589 --> 00:55:47,680
whole area and up there along that

1461
00:55:51,270 --> 00:55:49,599
narrow farm road is where hundreds of

1462
00:55:53,750 --> 00:55:51,280
people were where

1463
00:55:56,470 --> 00:55:53,760

state troopers and some military and

1464

00:55:58,309 --> 00:55:56,480

hundreds of civilians and reporters

1465

00:55:59,109 --> 00:55:58,319

that's where majority of them were that

1466

00:55:59,829 --> 00:55:59,119

night

1467

00:56:01,670 --> 00:55:59,839

so

1468

00:56:03,589 --> 00:56:01,680

they're they're looking they're on this

1469

00:56:05,750 --> 00:56:03,599

road which parallels the woods off to

1470

00:56:07,190 --> 00:56:05,760

the right and it's dark and they're

1471

00:56:08,470 --> 00:56:07,200

thinking this thing came down pretty

1472

00:56:09,349 --> 00:56:08,480

close to where they were down in the

1473

00:56:10,630 --> 00:56:09,359

woods

1474

00:56:12,390 --> 00:56:10,640

but they weren't allowed to get down

1475

00:56:14,309 --> 00:56:12,400

into the woods well what they didn't

1476
00:56:17,270 --> 00:56:14,319
know was that they actually had fallen

1477
00:56:18,950 --> 00:56:17,280
way on the opposite side of the woods

1478
00:56:20,870 --> 00:56:18,960
and it was down on the opposite side

1479
00:56:22,710 --> 00:56:20,880
where there was a farm lane a little

1480
00:56:24,390 --> 00:56:22,720
dirt farm lane

1481
00:56:26,870 --> 00:56:24,400
well that little farmland became

1482
00:56:29,349 --> 00:56:26,880
important because it was closer to the

1483
00:56:30,870 --> 00:56:29,359
impact site and a number of different

1484
00:56:33,109 --> 00:56:30,880
people during the evening found

1485
00:56:35,030 --> 00:56:33,119
themselves on that farm lane and that is

1486
00:56:36,230 --> 00:56:35,040
where most of the military activity was

1487
00:56:37,910 --> 00:56:36,240
taking place

1488
00:56:40,870 --> 00:56:37,920

where a lot of the equipment where

1489

00:56:43,109 --> 00:56:40,880

military trucks military personnel a lot

1490

00:56:45,109 --> 00:56:43,119

of them were over on that side

1491

00:56:46,789 --> 00:56:45,119

and um

1492

00:56:48,470 --> 00:56:46,799

there are again there's there's so many

1493

00:56:50,710 --> 00:56:48,480

different accounts from so many

1494

00:56:52,630 --> 00:56:50,720

different people of what they saw one

1495

00:56:54,950 --> 00:56:52,640

one of the interesting encounters from

1496

00:56:57,030 --> 00:56:54,960

the late jerry betters jerry betters was

1497

00:56:58,630 --> 00:56:57,040

a well-known jazz musician in the

1498

00:57:00,150 --> 00:56:58,640

pittsburgh during that time he used to

1499

00:57:01,829 --> 00:57:00,160

sing with like ella fitzgerald and

1500

00:57:04,789 --> 00:57:01,839

others and

1501
00:57:05,670 --> 00:57:04,799
he was i believe renting a farm

1502
00:57:07,670 --> 00:57:05,680
uh

1503
00:57:09,670 --> 00:57:07,680
at a location between pittsburgh and

1504
00:57:11,030 --> 00:57:09,680
greensboro at that time and like that

1505
00:57:12,870 --> 00:57:11,040
afternoon something that scared the

1506
00:57:13,910 --> 00:57:12,880
horses there was a bright flash or

1507
00:57:16,549 --> 00:57:13,920
something and something scared the

1508
00:57:17,750 --> 00:57:16,559
horses and soon after he heard reports

1509
00:57:20,630 --> 00:57:17,760
on the radio

1510
00:57:22,710 --> 00:57:20,640
that something had fallen from the sky

1511
00:57:24,150 --> 00:57:22,720
out near the kecksburg area and that the

1512
00:57:25,750 --> 00:57:24,160
military was

1513
00:57:27,910 --> 00:57:25,760

courting it off to look for this thing

1514

00:57:29,030 --> 00:57:27,920

so he got some of his friends to drive

1515

00:57:31,190 --> 00:57:29,040

them out to the area and they didn't

1516

00:57:33,349 --> 00:57:31,200

know where they were going but the

1517

00:57:35,430 --> 00:57:33,359

descriptions these people all gave and

1518

00:57:37,990 --> 00:57:35,440

certain details all point them to going

1519

00:57:39,910 --> 00:57:38,000

to that farm road that old farm lane

1520

00:57:42,549 --> 00:57:39,920

and so they go down this little farm

1521

00:57:45,589 --> 00:57:42,559

lane and he sees you know uh fire trucks

1522

00:57:46,630 --> 00:57:45,599

he sees military trucks soldiers

1523

00:57:48,950 --> 00:57:46,640

and

1524

00:57:51,670 --> 00:57:48,960

off to his left he's looking down

1525

00:57:54,390 --> 00:57:51,680

through the field and way down in and he

1526
00:57:56,549 --> 00:57:54,400
sees an army military flat that tractor

1527
00:57:58,710 --> 00:57:56,559
trailer with a big white star on it he

1528
00:58:01,109 --> 00:57:58,720
got a road to look at it and

1529
00:58:03,109 --> 00:58:01,119
the object is on the back of the trailer

1530
00:58:05,430 --> 00:58:03,119
part and there's a tarp on it but for

1531
00:58:07,750 --> 00:58:05,440
whatever reason the tarp at that point

1532
00:58:09,990 --> 00:58:07,760
was not completely covering the object

1533
00:58:12,150 --> 00:58:10,000
so he was able to see it

1534
00:58:14,069 --> 00:58:12,160
without the tarp on it so it's out of

1535
00:58:15,829 --> 00:58:14,079
the ground at that point and he goes on

1536
00:58:17,589 --> 00:58:15,839
and describes that

1537
00:58:19,510 --> 00:58:17,599
you know he said if i had ever seen a

1538
00:58:21,349 --> 00:58:19,520

ufo i always expect to look like what

1539

00:58:23,349 --> 00:58:21,359

you would think like a flying saucer

1540

00:58:25,349 --> 00:58:23,359

type shape he said this thing wasn't

1541

00:58:27,109 --> 00:58:25,359

like that at all and he goes on and

1542

00:58:29,349 --> 00:58:27,119

describes the old shape more like a big

1543

00:58:31,109 --> 00:58:29,359

acorn with the hieroglyphic markings at

1544

00:58:33,109 --> 00:58:31,119

the bottom

1545

00:58:35,990 --> 00:58:33,119

one of the things i always found

1546

00:58:39,109 --> 00:58:36,000

fascinating about this case is this

1547

00:58:42,630 --> 00:58:39,119

there were so many people involved and

1548

00:58:43,990 --> 00:58:42,640

yet the government simply said we looked

1549

00:58:46,069 --> 00:58:44,000

nothing fell

1550

00:58:47,750 --> 00:58:46,079

didn't recover anything

1551

00:58:50,549 --> 00:58:47,760

i mean how do you think they've been

1552

00:58:51,430 --> 00:58:50,559

able to keep what happened secret for so

1553

00:58:54,390 --> 00:58:51,440

long

1554

00:58:56,789 --> 00:58:54,400

or how how did they deny all of this

1555

00:58:57,910 --> 00:58:56,799

well i i don't think they or anybody

1556

00:59:00,789 --> 00:58:57,920

knew

1557

00:59:02,630 --> 00:59:00,799

just how big this was at the time i mean

1558

00:59:04,870 --> 00:59:02,640

you know when the military came in

1559

00:59:06,950 --> 00:59:04,880

there's no doubt the military could took

1560

00:59:09,109 --> 00:59:06,960

control of the operation i mean the

1561

00:59:10,789 --> 00:59:09,119

state police the firemen they were

1562

00:59:12,710 --> 00:59:10,799

closing off road they were helping with

1563

00:59:14,549 --> 00:59:12,720

traffic control they were helping to

1564

00:59:17,270 --> 00:59:14,559

stop individuals from going down into

1565

00:59:19,349 --> 00:59:17,280

the woods to see what this thing was

1566

00:59:21,190 --> 00:59:19,359

even though we know and i can tell you

1567

00:59:23,589 --> 00:59:21,200

stories about this and there was armed

1568

00:59:25,910 --> 00:59:23,599

soldiers around the woods and stopping

1569

00:59:28,470 --> 00:59:25,920

people who try to get down and stopping

1570

00:59:30,309 --> 00:59:28,480

them interestingly some of these people

1571

00:59:32,390 --> 00:59:30,319

have gone on public record

1572

00:59:34,230 --> 00:59:32,400

and said that soldiers actually aimed

1573

00:59:36,390 --> 00:59:34,240

their rifles at them

1574

00:59:38,549 --> 00:59:36,400

to stop from going down to the impact

1575

00:59:41,270 --> 00:59:38,559

site so where does that where did that

1576

00:59:43,030 --> 00:59:41,280

jurisdiction come from for soldiers to

1577

00:59:45,670 --> 00:59:43,040

come in on other people's private

1578

00:59:47,109 --> 00:59:45,680

property to keep all the civilians out

1579

00:59:49,109 --> 00:59:47,119

what was down there that they didn't

1580

00:59:51,750 --> 00:59:49,119

want anybody to see it had to be

1581

00:59:54,470 --> 00:59:51,760

something incredibly important

1582

00:59:57,430 --> 00:59:54,480

for them to go to that length to to aim

1583

00:59:58,789 --> 00:59:57,440

a gun at a u.s citizen

1584

01:00:00,150 --> 00:59:58,799

you know

1585

01:00:01,589 --> 01:00:00,160

yeah and it happened in more than one

1586

01:00:04,230 --> 01:00:01,599

situation for what we understand

1587

01:00:05,990 --> 01:00:04,240

including jerry betters when he and his

1588

01:00:08,390 --> 01:00:06,000

friends are on that road and they see

1589

01:00:10,549 --> 01:00:08,400

the flatbed and the flatbed truck is

1590

01:00:12,870 --> 01:00:10,559

apparently trying to climb get out of

1591

01:00:15,109 --> 01:00:12,880

the field climb up the hill it's having

1592

01:00:17,190 --> 01:00:15,119

trouble getting up there at that point

1593

01:00:18,710 --> 01:00:17,200

and at that point an army officer comes

1594

01:00:20,789 --> 01:00:18,720

down the road starts yelling at these

1595

01:00:22,390 --> 01:00:20,799

young soldiers get them out of here get

1596

01:00:23,990 --> 01:00:22,400

them out of here and all these young

1597

01:00:26,390 --> 01:00:24,000

soldiers aimed their rifles at them and

1598

01:00:28,069 --> 01:00:26,400

made them get out of the area so i mean

1599

01:00:29,349 --> 01:00:28,079

that was another situation where that

1600

01:00:30,230 --> 01:00:29,359

was reported

1601
01:00:32,630 --> 01:00:30,240
and

1602
01:00:35,349 --> 01:00:32,640
i don't think the military at that time

1603
01:00:36,390 --> 01:00:35,359
had any idea how many people were

1604
01:00:38,549 --> 01:00:36,400
involved

1605
01:00:40,549 --> 01:00:38,559
i mean there was so they had no idea and

1606
01:00:42,950 --> 01:00:40,559
i didn't know nor anybody else how many

1607
01:00:44,870 --> 01:00:42,960
individuals you know came down that you

1608
01:00:46,549 --> 01:00:44,880
know after it fell i mean we keep

1609
01:00:48,390 --> 01:00:46,559
hearing these stories there was

1610
01:00:50,630 --> 01:00:48,400
apparently quite a lot of people that

1611
01:00:52,470 --> 01:00:50,640
came in as news was breaking getting

1612
01:00:54,870 --> 01:00:52,480
down into the woods trying to get down

1613
01:00:58,789 --> 01:00:54,880

but once the military came in

1614

01:01:01,510 --> 01:00:58,799

that ended and they closed off that area

1615

01:01:04,789 --> 01:01:01,520

pretty good from all reports and yeah

1616

01:01:07,109 --> 01:01:04,799

intimidated people to keep away

1617

01:01:09,030 --> 01:01:07,119

and not only that they set up i believe

1618

01:01:11,349 --> 01:01:09,040

we know for sure one we believe they set

1619

01:01:13,430 --> 01:01:11,359

up two security perimeters around the

1620

01:01:15,670 --> 01:01:13,440

impact site down in the woods

1621

01:01:17,270 --> 01:01:15,680

so we've got that from people there were

1622

01:01:19,349 --> 01:01:17,280

people actually snuck down into the

1623

01:01:21,510 --> 01:01:19,359

woods what we understand and we're

1624

01:01:23,190 --> 01:01:21,520

hiding down there watching some of the

1625

01:01:25,109 --> 01:01:23,200

recovery operation which the military

1626
01:01:27,349 --> 01:01:25,119
never knew

1627
01:01:29,349 --> 01:01:27,359
well that's very interesting

1628
01:01:30,230 --> 01:01:29,359
and

1629
01:01:31,430 --> 01:01:30,240
so

1630
01:01:34,309 --> 01:01:31,440
after

1631
01:01:35,270 --> 01:01:34,319
it's seen on the flatbed covered in a

1632
01:01:39,510 --> 01:01:35,280
tarp

1633
01:01:41,670 --> 01:01:39,520
where do you believe it was taken

1634
01:01:44,430 --> 01:01:41,680
okay well i know quite i know for sure

1635
01:01:47,190 --> 01:01:44,440
where it was taken um in the summer of

1636
01:01:48,390 --> 01:01:47,200
1990 before we did the unsolved mystery

1637
01:01:50,630 --> 01:01:48,400
show

1638
01:01:52,950 --> 01:01:50,640

a man contacted me

1639

01:01:55,270 --> 01:01:52,960

and uh got to know him pretty well was

1640

01:01:57,349 --> 01:01:55,280

able to check his background out in fact

1641

01:01:58,870 --> 01:01:57,359

another well-known journalist got

1642

01:02:01,349 --> 01:01:58,880

involved in this and did interviews with

1643

01:02:03,109 --> 01:02:01,359

him checked us all out and you know

1644

01:02:04,549 --> 01:02:03,119

actually uh did a big feature story

1645

01:02:06,630 --> 01:02:04,559

about it

1646

01:02:08,549 --> 01:02:06,640

this witness does not want to go public

1647

01:02:10,230 --> 01:02:08,559

and one to remain anonymous which he

1648

01:02:11,750 --> 01:02:10,240

still does today

1649

01:02:14,230 --> 01:02:11,760

i could check i was able to check his

1650

01:02:16,390 --> 01:02:14,240

background and information out he did

1651

01:02:18,390 --> 01:02:16,400

not know that another individual

1652

01:02:20,150 --> 01:02:18,400

confirmed his story and they didn't know

1653

01:02:21,910 --> 01:02:20,160

each other

1654

01:02:23,670 --> 01:02:21,920

he told me that he was a part of the air

1655

01:02:25,029 --> 01:02:23,680

force security police

1656

01:02:27,109 --> 01:02:25,039

that guarded the object from

1657

01:02:29,510 --> 01:02:27,119

pennsylvania

1658

01:02:31,430 --> 01:02:29,520

when after it was recovered and it was

1659

01:02:33,109 --> 01:02:31,440

taken to lockport air force base near

1660

01:02:34,630 --> 01:02:33,119

columbus ohio

1661

01:02:36,549 --> 01:02:34,640

during the early morning hours of

1662

01:02:38,630 --> 01:02:36,559

december the 10th

1663

01:02:40,549 --> 01:02:38,640

now both of these people told me that

1664

01:02:42,710 --> 01:02:40,559

they brought the flatbed with the tarp

1665

01:02:44,950 --> 01:02:42,720

object on it through an entrance at the

1666

01:02:46,950 --> 01:02:44,960

base that they didn't normally use and

1667

01:02:48,789 --> 01:02:46,960

they backed it into a hangar

1668

01:02:51,190 --> 01:02:48,799

and they set up a security perimeter

1669

01:02:53,750 --> 01:02:51,200

around it and the security team was

1670

01:02:55,990 --> 01:02:53,760

given a shoot to kill order to anybody

1671

01:02:57,430 --> 01:02:56,000

approach that hangar without the proper

1672

01:03:00,390 --> 01:02:57,440

authority

1673

01:03:02,950 --> 01:03:00,400

allowed the proper clearance

1674

01:03:05,670 --> 01:03:02,960

again that would indicate this had to be

1675

01:03:07,750 --> 01:03:05,680

an object of extreme importance if

1676

01:03:09,190 --> 01:03:07,760

they're willing to shoot to kill

1677

01:03:11,190 --> 01:03:09,200

i mean

1678

01:03:13,190 --> 01:03:11,200

that's that's one of the fascinating

1679

01:03:16,230 --> 01:03:13,200

things about this case to me

1680

01:03:17,829 --> 01:03:16,240

how what lanes would they go to to keep

1681

01:03:20,390 --> 01:03:17,839

this secret

1682

01:03:22,549 --> 01:03:20,400

yeah and uh now he told me he didn't

1683

01:03:23,750 --> 01:03:22,559

stay on the team much longer but he

1684

01:03:25,750 --> 01:03:23,760

heard that

1685

01:03:27,109 --> 01:03:25,760

the journey continued for the tractor

1686

01:03:28,630 --> 01:03:27,119

trailer with the object that it

1687

01:03:30,710 --> 01:03:28,640

continued on the right patterson air

1688

01:03:33,190 --> 01:03:30,720

force base so

1689

01:03:34,390 --> 01:03:33,200

after the unsolved mysteries tv show

1690

01:03:36,309 --> 01:03:34,400

aired

1691

01:03:37,829 --> 01:03:36,319

multitudes of new information came in

1692

01:03:39,750 --> 01:03:37,839

from around the country

1693

01:03:40,950 --> 01:03:39,760

and it was fascinating some of the some

1694

01:03:42,950 --> 01:03:40,960

of these were people who lived in the

1695

01:03:44,710 --> 01:03:42,960

kecksbury area at the time and had moved

1696

01:03:46,630 --> 01:03:44,720

over the years but who were involved or

1697

01:03:49,510 --> 01:03:46,640

new people were involved some were

1698

01:03:51,430 --> 01:03:49,520

anonymous tips somewhere from supposed

1699

01:03:52,309 --> 01:03:51,440

military sources

1700

01:03:54,549 --> 01:03:52,319

and

1701

01:03:55,829 --> 01:03:54,559

others had information of

1702

01:03:57,270 --> 01:03:55,839

importance

1703

01:03:59,029 --> 01:03:57,280

and

1704

01:04:00,630 --> 01:03:59,039

one other person contacted me his name

1705

01:04:02,710 --> 01:04:00,640

was myron

1706

01:04:04,710 --> 01:04:02,720

and myron called me and after he saw the

1707

01:04:06,150 --> 01:04:04,720

tv show and he said i guess i'm allowed

1708

01:04:07,430 --> 01:04:06,160

to talk to you about it now since it's

1709

01:04:09,510 --> 01:04:07,440

on television i said what are you

1710

01:04:12,470 --> 01:04:09,520

talking about meyer he went on to tell

1711

01:04:13,750 --> 01:04:12,480

me how he worked for a large supply

1712

01:04:15,990 --> 01:04:13,760

house

1713

01:04:18,150 --> 01:04:16,000

in ohio at the time

1714

01:04:20,069 --> 01:04:18,160

and had a navy officer came to the

1715

01:04:22,950 --> 01:04:20,079

supply house

1716

01:04:25,670 --> 01:04:22,960

and ordered a very large quantity of a

1717

01:04:27,349 --> 01:04:25,680

special type of glazed engineering brick

1718

01:04:28,549 --> 01:04:27,359

to be taken to wright patterson air

1719

01:04:30,230 --> 01:04:28,559

force base

1720

01:04:33,349 --> 01:04:30,240

just probably two or three days after

1721

01:04:35,430 --> 01:04:33,359

the object had fallen to pennsylvania

1722

01:04:37,990 --> 01:04:35,440

and um

1723

01:04:40,630 --> 01:04:38,000

anyhow so meyer gave me a very detailed

1724

01:04:43,270 --> 01:04:40,640

account there was a second truck driver

1725

01:04:45,109 --> 01:04:43,280

involved he initially was reluctant to

1726

01:04:47,190 --> 01:04:45,119

talk about it but later he did he

1727

01:04:49,589 --> 01:04:47,200

confirmed to myself in the late len

1728

01:04:51,510 --> 01:04:49,599

stringfield a very good researcher who

1729

01:04:52,870 --> 01:04:51,520

did a lot of investigation on this with

1730

01:04:56,470 --> 01:04:52,880

me as well

1731

01:04:58,390 --> 01:04:56,480

and um so what we learned is that

1732

01:05:01,349 --> 01:04:58,400

the the other truck driver was there the

1733

01:05:02,710 --> 01:05:01,359

first day he took the first truckload of

1734

01:05:04,950 --> 01:05:02,720

bricks to write patterson he was

1735

01:05:06,069 --> 01:05:04,960

escorted in from the gate with an

1736

01:05:06,870 --> 01:05:06,079

officer

1737

01:05:09,029 --> 01:05:06,880

and

1738

01:05:10,870 --> 01:05:09,039

over to this warehouse building

1739

01:05:12,150 --> 01:05:10,880

interestingly when he was there the day

1740

01:05:14,549 --> 01:05:12,160

before

1741

01:05:16,470 --> 01:05:14,559

the flatbed trailer with the tarps

1742

01:05:18,390 --> 01:05:16,480

object on it was sitting there outside

1743

01:05:20,630 --> 01:05:18,400

of the trailer

1744

01:05:22,470 --> 01:05:20,640

and he said the way he said the shape

1745

01:05:24,309 --> 01:05:22,480

was somewhat like a big liberty bell was

1746

01:05:25,910 --> 01:05:24,319

only the tarp was over it was

1747

01:05:28,069 --> 01:05:25,920

interesting so he unloaded the bricks

1748

01:05:29,190 --> 01:05:28,079

and didn't do much anything else but the

1749

01:05:31,430 --> 01:05:29,200

next day

1750

01:05:33,589 --> 01:05:31,440

he and myron both took their truckloads

1751
01:05:35,430 --> 01:05:33,599
of bricks to the base they were escorted

1752
01:05:36,789 --> 01:05:35,440
in by a high-ranking military officer

1753
01:05:38,789 --> 01:05:36,799
and a driver

1754
01:05:41,750 --> 01:05:38,799
and paul just do your job don't be

1755
01:05:42,789 --> 01:05:41,760
looking around just get your work done

1756
01:05:44,789 --> 01:05:42,799
well

1757
01:05:46,950 --> 01:05:44,799
when they got there the flatbed was

1758
01:05:49,029 --> 01:05:46,960
still there but the object was not on it

1759
01:05:51,910 --> 01:05:49,039
just to tarp

1760
01:05:54,789 --> 01:05:51,920
so as the day goes on and they're doing

1761
01:05:56,710 --> 01:05:54,799
their work myron's curious because

1762
01:05:58,230 --> 01:05:56,720
here's these guys and white coveralls

1763
01:05:59,670 --> 01:05:58,240

that had some type of he couldn't

1764

01:06:01,910 --> 01:05:59,680

remember exactly where it was on it but

1765

01:06:03,910 --> 01:06:01,920

they were some type of navy emblem

1766

01:06:05,750 --> 01:06:03,920

and they had sidearms they had rubber

1767

01:06:07,109 --> 01:06:05,760

boots rubber gloves they were

1768

01:06:08,870 --> 01:06:07,119

occasionally changing they're out of

1769

01:06:10,549 --> 01:06:08,880

clothing they're going in and out of

1770

01:06:13,029 --> 01:06:10,559

this warehouse building

1771

01:06:15,270 --> 01:06:13,039

and he wanted to know what was in there

1772

01:06:16,950 --> 01:06:15,280

well when he didn't see anybody around

1773

01:06:19,029 --> 01:06:16,960

he made his way into that warehouse

1774

01:06:20,950 --> 01:06:19,039

building and he sees up in the

1775

01:06:22,390 --> 01:06:20,960

scaffolding there's ladders going up

1776

01:06:24,950 --> 01:06:22,400

here's this big

1777

01:06:26,870 --> 01:06:24,960

acorn shaped object described like

1778

01:06:29,190 --> 01:06:26,880

others kind of an off gold bronze color

1779

01:06:30,069 --> 01:06:29,200

with these hieroglyphic symbols at the

1780

01:06:31,829 --> 01:06:30,079

bottom

1781

01:06:33,430 --> 01:06:31,839

and these guys apparently are on the

1782

01:06:35,910 --> 01:06:33,440

ladder work on this and trying to get

1783

01:06:38,549 --> 01:06:35,920

inside of this thing and open it up

1784

01:06:40,470 --> 01:06:38,559

and i guess myron at some point begins

1785

01:06:41,990 --> 01:06:40,480

to ask some questions and these guys and

1786

01:06:44,309 --> 01:06:42,000

the governments have thought that he

1787

01:06:46,230 --> 01:06:44,319

must have clearance if he's here

1788

01:06:48,549 --> 01:06:46,240

yeah that's

1789

01:06:50,710 --> 01:06:48,559

questions and then they soon realized he

1790

01:06:53,670 --> 01:06:50,720

didn't have clearance and he was

1791

01:06:55,670 --> 01:06:53,680

threatened and he was told that

1792

01:06:57,029 --> 01:06:55,680

you know forget about what you've seen

1793

01:06:59,349 --> 01:06:57,039

we're going to put you in jail throw

1794

01:07:01,109 --> 01:06:59,359

away the keys but in 20 years this will

1795

01:07:03,589 --> 01:07:01,119

all be public knowledge

1796

01:07:06,230 --> 01:07:03,599

well of course that never happened yeah

1797

01:07:09,510 --> 01:07:06,240

it's unfortunate so you were able to

1798

01:07:12,870 --> 01:07:09,520

trace through eyewitness testimony the

1799

01:07:15,990 --> 01:07:12,880

object on the flatbed from kecksburg to

1800

01:07:18,950 --> 01:07:16,000

a military base in ohio and then on to

1801

01:07:20,950 --> 01:07:18,960

wright patterson and for those of my

1802

01:07:23,430 --> 01:07:20,960

listeners who don't know wright

1803

01:07:25,990 --> 01:07:23,440

patterson has been the subject of so

1804

01:07:28,390 --> 01:07:26,000

many conspiracy theories it may have

1805

01:07:30,549 --> 01:07:28,400

been involved in the roswell crash it

1806

01:07:33,109 --> 01:07:30,559

was like anything secret that the

1807

01:07:35,349 --> 01:07:33,119

government wanted to keep quiet

1808

01:07:37,510 --> 01:07:35,359

went to wright patterson and you were

1809

01:07:41,190 --> 01:07:37,520

able to trace this object than to write

1810

01:07:42,789 --> 01:07:41,200

patterson correct i know i knew exactly

1811

01:07:45,109 --> 01:07:42,799

what building was taken i mean i could

1812

01:07:46,870 --> 01:07:45,119

get there today if i had access to the

1813

01:07:49,349 --> 01:07:46,880

base now whether the object's still

1814

01:07:51,430 --> 01:07:49,359

there today we have no way of knowing um

1815

01:07:53,910 --> 01:07:51,440

wright patterson is historically

1816

01:07:55,589 --> 01:07:53,920

important with the ufo subject for a

1817

01:07:57,270 --> 01:07:55,599

couple reasons one

1818

01:07:59,589 --> 01:07:57,280

the air force was still officially

1819

01:08:01,510 --> 01:07:59,599

investigating ufo sightings under what

1820

01:08:04,069 --> 01:08:01,520

they called project blue book during the

1821

01:08:06,150 --> 01:08:04,079

kecksburg incident so

1822

01:08:08,390 --> 01:08:06,160

the headquarters from project blue book

1823

01:08:10,950 --> 01:08:08,400

was at wright-patterson air force base

1824

01:08:14,470 --> 01:08:10,960

the second thing is it also was the home

1825

01:08:17,030 --> 01:08:14,480

of ftd the foreign technology division

1826

01:08:18,709 --> 01:08:17,040

so this would be the the

1827

01:08:21,749 --> 01:08:18,719

technical

1828

01:08:23,349 --> 01:08:21,759

uh part of the air force that would deal

1829

01:08:25,590 --> 01:08:23,359

with analysis

1830

01:08:26,550 --> 01:08:25,600

of any type of object that fell from the

1831

01:08:28,709 --> 01:08:26,560

sky

1832

01:08:30,709 --> 01:08:28,719

so for example they were most interested

1833

01:08:33,430 --> 01:08:30,719

in any type of soviet space debris that

1834

01:08:35,510 --> 01:08:33,440

came down so it would go to ftd for

1835

01:08:38,470 --> 01:08:35,520

analysis and study because we wanted to

1836

01:08:40,470 --> 01:08:38,480

learn about the soviet technology so if

1837

01:08:42,630 --> 01:08:40,480

whether it was something soviet or

1838

01:08:44,229 --> 01:08:42,640

anything unusual thought from the sky

1839

01:08:46,789 --> 01:08:44,239

that would be the logical place for it

1840

01:08:49,110 --> 01:08:46,799

to go so our understanding is that some

1841

01:08:51,669 --> 01:08:49,120

of the roswell debris and possibly

1842

01:08:53,910 --> 01:08:51,679

debris from other other ufo incidents

1843

01:08:55,749 --> 01:08:53,920

that are not very well known

1844

01:08:57,030 --> 01:08:55,759

have also gone to wright patterson over

1845

01:08:59,910 --> 01:08:57,040

the years

1846

01:09:02,870 --> 01:08:59,920

and and so can we get back to what else

1847

01:09:04,630 --> 01:09:02,880

did this witness see inside the hangar

1848

01:09:07,189 --> 01:09:04,640

because that's uh

1849

01:09:08,470 --> 01:09:07,199

you know i've heard different parts of

1850

01:09:11,269 --> 01:09:08,480

this story

1851

01:09:14,309 --> 01:09:11,279

he saw the the object they were trying

1852

01:09:16,950 --> 01:09:14,319

to get in and what else did he see there

1853

01:09:19,749 --> 01:09:16,960

before he was pushed back

1854

01:09:21,269 --> 01:09:19,759

okay well i i think you probably

1855

01:09:23,590 --> 01:09:21,279

talking about

1856

01:09:25,030 --> 01:09:23,600

something he saw lying on a table and

1857

01:09:27,269 --> 01:09:25,040

this is something i've just talked on

1858

01:09:28,709 --> 01:09:27,279

more recent years and it's interesting

1859

01:09:31,189 --> 01:09:28,719

because you know

1860

01:09:33,030 --> 01:09:31,199

this is not like roswell where they

1861

01:09:36,070 --> 01:09:33,040

claim they saw actual dead

1862

01:09:38,309 --> 01:09:36,080

small alien bodies lying on the ground

1863

01:09:40,950 --> 01:09:38,319

we didn't have that in textbook there

1864

01:09:43,189 --> 01:09:40,960

have been rumors for years and years

1865

01:09:45,669 --> 01:09:43,199

that allegedly some bodies were found at

1866

01:09:48,070 --> 01:09:45,679

the site or somehow were associated with

1867

01:09:48,950 --> 01:09:48,080

the case but we never were able to find

1868

01:09:53,349 --> 01:09:48,960

any

1869

01:09:54,870 --> 01:09:53,359

reports however

1870

01:09:56,630 --> 01:09:54,880

there's some interesting things that

1871

01:09:58,709 --> 01:09:56,640

have surfaced for example

1872

01:10:01,910 --> 01:09:58,719

while i was filming my documentary kecks

1873

01:10:04,790 --> 01:10:01,920

per game told story back in 1996 and i

1874

01:10:06,229 --> 01:10:04,800

went to interview myron for the story

1875

01:10:08,790 --> 01:10:06,239

and if you've seen the video you see

1876

01:10:11,830 --> 01:10:08,800

that myron who is now deceased was in

1877

01:10:13,910 --> 01:10:11,840

very poor health he was on auction you

1878

01:10:15,430 --> 01:10:13,920

know he wasn't in good health at all and

1879

01:10:18,070 --> 01:10:15,440

when i got there

1880

01:10:19,669 --> 01:10:18,080

he kind of surprised me and he said i

1881

01:10:21,270 --> 01:10:19,679

have something else to tell you that i

1882

01:10:22,709 --> 01:10:21,280

didn't tell you before

1883

01:10:24,149 --> 01:10:22,719

and he said he had talked to his son

1884

01:10:25,830 --> 01:10:24,159

about it the night before and his son

1885

01:10:27,669 --> 01:10:25,840

said why are you gonna even bother and

1886

01:10:29,110 --> 01:10:27,679

tell him and he said because i may not

1887

01:10:30,790 --> 01:10:29,120

be here the next day i wanted to know

1888

01:10:33,510 --> 01:10:30,800

the whole story

1889

01:10:35,110 --> 01:10:33,520

so what myron told me was

1890

01:10:36,950 --> 01:10:35,120

when he went to that warehouse building

1891

01:10:39,189 --> 01:10:36,960

on brad patterson

1892

01:10:40,950 --> 01:10:39,199

he saw something else

1893

01:10:43,270 --> 01:10:40,960

and what he saw

1894

01:10:45,590 --> 01:10:43,280

um he said there was as he got as he

1895

01:10:47,110 --> 01:10:45,600

said it wasn't very well lit in there

1896

01:10:49,270 --> 01:10:47,120

but he said he could you know he could

1897

01:10:50,870 --> 01:10:49,280

see pretty well and he said there was a

1898

01:10:52,870 --> 01:10:50,880

workbench in there

1899

01:10:54,470 --> 01:10:52,880

and on that workbench

1900

01:10:56,630 --> 01:10:54,480

there was a body

1901

01:10:59,189 --> 01:10:56,640

but the body was covered over with like

1902

01:11:00,870 --> 01:10:59,199

a white cover white sheet and he said

1903

01:11:02,470 --> 01:11:00,880

the body i believe he feels like four

1904

01:11:04,790 --> 01:11:02,480

and a half possibly four and a half five

1905

01:11:06,550 --> 01:11:04,800

feet tall he estimated probably weighed

1906

01:11:08,630 --> 01:11:06,560

about 80 pounds

1907

01:11:09,830 --> 01:11:08,640

but what he said to me was he said all i

1908

01:11:12,550 --> 01:11:09,840

could see

1909

01:11:14,790 --> 01:11:12,560

was a left hand sticking out of the like

1910

01:11:16,870 --> 01:11:14,800

the cover and i said he saw what he said

1911

01:11:18,870 --> 01:11:16,880

with three index fingers

1912

01:11:20,310 --> 01:11:18,880

and it looked like he had lizard-like

1913

01:11:21,590 --> 01:11:20,320

skin

1914

01:11:24,310 --> 01:11:21,600

interesting he said that's all i could

1915

01:11:26,709 --> 01:11:24,320

see and i tried many times to get him to

1916

01:11:28,709 --> 01:11:26,719

change the story to exaggerate the story

1917

01:11:31,030 --> 01:11:28,719

and he said that's all i could see it

1918

01:11:33,750 --> 01:11:31,040

was a covered body with arm hanging down

1919

01:11:35,510 --> 01:11:33,760

with like three index fingers and he

1920

01:11:36,950 --> 01:11:35,520

kind of said and he was kind of serious

1921

01:11:38,390 --> 01:11:36,960

about he said i couldn't understand how

1922

01:11:40,390 --> 01:11:38,400

they could even unscrew a light bulb

1923

01:11:42,870 --> 01:11:40,400

with three fingers like that

1924

01:11:45,510 --> 01:11:42,880

and um so anyhow that was a kind of

1925

01:11:47,590 --> 01:11:45,520

interesting story well

1926

01:11:49,510 --> 01:11:47,600

then something else turned up

1927

01:11:52,390 --> 01:11:49,520

you know back uh

1928

01:11:55,750 --> 01:11:52,400

november of 2002 i believe it was that's

1929

01:11:58,310 --> 01:11:55,760

a sci-fi channel announced um that they

1930

01:12:00,630 --> 01:11:58,320

were going to support a very detailed

1931

01:12:01,750 --> 01:12:00,640

investigation of the kecksburg case

1932

01:12:03,430 --> 01:12:01,760

uh

1933

01:12:04,870 --> 01:12:03,440

and they were going to support a group

1934

01:12:06,070 --> 01:12:04,880

called the coalition for freedom of

1935

01:12:08,790 --> 01:12:06,080

information

1936

01:12:11,270 --> 01:12:08,800

which was being headed by investigative

1937

01:12:12,070 --> 01:12:11,280

journalist leslie kane yes i've seen

1938

01:12:15,430 --> 01:12:12,080

that

1939

01:12:17,669 --> 01:12:15,440

okay and uh so i you know we kind of

1940

01:12:19,430 --> 01:12:17,679

worked together to try and uncover

1941

01:12:21,669 --> 01:12:19,440

information on the case they were able

1942

01:12:23,669 --> 01:12:21,679

to get into some areas because of their

1943

01:12:25,830 --> 01:12:23,679

capabilities and i was limited to what i

1944

01:12:27,750 --> 01:12:25,840

could do and they were able to do some

1945

01:12:28,709 --> 01:12:27,760

things that i couldn't so we they was

1946

01:12:31,270 --> 01:12:28,719

really

1947

01:12:32,709 --> 01:12:31,280

searching the country for people who

1948

01:12:34,630 --> 01:12:32,719

were involved the people may have

1949

01:12:36,390 --> 01:12:34,640

knowledge for information on the case

1950

01:12:37,189 --> 01:12:36,400

and some very interesting things turned

1951

01:12:38,310 --> 01:12:37,199

up

1952

01:12:40,790 --> 01:12:38,320

um

1953

01:12:43,189 --> 01:12:40,800

as that began to make a lot of news

1954

01:12:44,709 --> 01:12:43,199

around this area and was getting making

1955

01:12:47,669 --> 01:12:44,719

a lot of

1956

01:12:50,550 --> 01:12:47,679

took very positive aspect to it many new

1957

01:12:52,310 --> 01:12:50,560

witnesses began to contact us and saying

1958

01:12:53,430 --> 01:12:52,320

well they'd be willing to tell the story

1959

01:12:55,189 --> 01:12:53,440

now that

1960

01:12:57,430 --> 01:12:55,199

even a more serious investigation was

1961

01:12:59,430 --> 01:12:57,440

being done on the case so i had a whole

1962

01:13:01,510 --> 01:12:59,440

list of people

1963

01:13:03,430 --> 01:13:01,520

and there was one name in particular

1964

01:13:05,990 --> 01:13:03,440

that i sought right away and it just

1965

01:13:08,870 --> 01:13:06,000

really hit me i called the seller joel

1966

01:13:11,030 --> 01:13:08,880

for a better name it's a pseudonym okay

1967

01:13:13,510 --> 01:13:11,040

and joel's name had come up i believe

1968

01:13:16,229 --> 01:13:13,520

was like 13 years before

1969

01:13:18,550 --> 01:13:16,239

as a person we had got a tip on

1970

01:13:21,270 --> 01:13:18,560

who reportedly was hiding down in the

1971

01:13:24,070 --> 01:13:21,280

woods when all this was going on

1972

01:13:26,149 --> 01:13:24,080

and uh so we had contacted him at that

1973

01:13:27,430 --> 01:13:26,159

time and he didn't deny it

1974

01:13:29,270 --> 01:13:27,440

he just said

1975

01:13:30,630 --> 01:13:29,280

he said he was afraid for him and his

1976

01:13:32,070 --> 01:13:30,640

family to get involved because he was

1977

01:13:33,750 --> 01:13:32,080

afraid the government might come after

1978

01:13:35,110 --> 01:13:33,760

him and he just didn't they he didn't

1979

01:13:37,350 --> 01:13:35,120

want to get involved his family didn't

1980

01:13:39,590 --> 01:13:37,360

want him involved so now here's his name

1981

01:13:41,990 --> 01:13:39,600

again years later

1982

01:13:43,830 --> 01:13:42,000

i contacted him right away

1983

01:13:44,870 --> 01:13:43,840

and made plans to come out to interview

1984

01:13:47,189 --> 01:13:44,880

him

1985

01:13:49,030 --> 01:13:47,199

and uh so i did do that and when i went

1986

01:13:51,030 --> 01:13:49,040

out to his home

1987

01:13:52,470 --> 01:13:51,040

he could tell he's pretty nervous

1988

01:13:54,390 --> 01:13:52,480

and he said look i was just gonna call

1989

01:13:55,990 --> 01:13:54,400

you and cancel it because my wife still

1990

01:13:57,830 --> 01:13:56,000

doesn't want me involved

1991

01:14:00,310 --> 01:13:57,840

so i was just gonna tell you not to buzz

1992

01:14:01,830 --> 01:14:00,320

and come out it was a very nice fella

1993

01:14:03,430 --> 01:14:01,840

and we sat there for a little bit and i

1994

01:14:06,709 --> 01:14:03,440

just gave him some general information

1995

01:14:08,310 --> 01:14:06,719

on the case and we started talking and

1996

01:14:11,110 --> 01:14:08,320

and as we're talking he said well you're

1997

01:14:12,870 --> 01:14:11,120

here about to tell you some of my story

1998

01:14:16,229 --> 01:14:12,880

well that led to numerous other

1999

01:14:17,990 --> 01:14:16,239

interviews and anyhow

2000

01:14:19,510 --> 01:14:18,000

you know as we're sitting there and he's

2001
01:14:20,550 --> 01:14:19,520
telling me the whole story he's telling

2002
01:14:22,070 --> 01:14:20,560
me

2003
01:14:23,669 --> 01:14:22,080
you know how he and his brother that

2004
01:14:25,669 --> 01:14:23,679
afternoon had seen the object coming

2005
01:14:27,750 --> 01:14:25,679
across the sky in the area how was

2006
01:14:28,709 --> 01:14:27,760
changing

2007
01:14:30,630 --> 01:14:28,719
and

2008
01:14:32,310 --> 01:14:30,640
later on he heard on the radio that the

2009
01:14:34,470 --> 01:14:32,320
thing had reportedly fallen into that

2010
01:14:36,149 --> 01:14:34,480
wooded ravine well he like many others

2011
01:14:38,229 --> 01:14:36,159
knew the area pretty well because he

2012
01:14:40,709 --> 01:14:38,239
hunted down there

2013
01:14:43,189 --> 01:14:40,719

and uh so he and his brother go out to

2014

01:14:44,390 --> 01:14:43,199

the area and there's some other people

2015

01:14:45,270 --> 01:14:44,400

starting to gather around there at the

2016

01:14:46,310 --> 01:14:45,280

time

2017

01:14:47,910 --> 01:14:46,320

and

2018

01:14:50,390 --> 01:14:47,920

he decides he wants to go down in the

2019

01:14:52,390 --> 01:14:50,400

woods to see if he can find this thing

2020

01:14:54,390 --> 01:14:52,400

so his brother wouldn't go and he goes

2021

01:14:56,870 --> 01:14:54,400

down into the woods he told me he had a

2022

01:14:58,470 --> 01:14:56,880

flashlight but he didn't he he knew how

2023

01:15:00,470 --> 01:14:58,480

to get down there he just went along the

2024

01:15:03,110 --> 01:15:00,480

border down through the woods and he saw

2025

01:15:04,790 --> 01:15:03,120

this like this arcing down in the woods

2026

01:15:06,550 --> 01:15:04,800

which is how some other witness was

2027

01:15:07,510 --> 01:15:06,560

founded that day like electrical arcing

2028

01:15:09,990 --> 01:15:07,520

down there

2029

01:15:11,110 --> 01:15:10,000

and just to make the story short he got

2030

01:15:13,350 --> 01:15:11,120

down there

2031

01:15:16,630 --> 01:15:13,360

he's he's was not that far from the

2032

01:15:18,470 --> 01:15:16,640

object but be in the trees in the shrubs

2033

01:15:20,310 --> 01:15:18,480

because other people began to come in

2034

01:15:22,870 --> 01:15:20,320

and he was hiding from them he saw

2035

01:15:24,950 --> 01:15:22,880

people's civilian clothes and then later

2036

01:15:26,870 --> 01:15:24,960

he began to see the military coming in

2037

01:15:28,950 --> 01:15:26,880

he's an army and air force personnel

2038

01:15:32,149 --> 01:15:28,960

down in the woods but he also says

2039

01:15:33,910 --> 01:15:32,159

something to me that was so intriguing

2040

01:15:36,390 --> 01:15:33,920

and it was so interesting the way he was

2041

01:15:39,110 --> 01:15:36,400

telling me the story and he said i just

2042

01:15:40,950 --> 01:15:39,120

don't understand why why there were

2043

01:15:42,229 --> 01:15:40,960

politicians or politicians down in the

2044

01:15:44,070 --> 01:15:42,239

woods i said what do you mean by that

2045

01:15:45,590 --> 01:15:44,080

and he said yeah and apparently it was

2046

01:15:47,110 --> 01:15:45,600

more than one of these guys and one guy

2047

01:15:49,110 --> 01:15:47,120

in particular he was talking about quite

2048

01:15:51,590 --> 01:15:49,120

a bit he said yeah he said the guy was

2049

01:15:53,430 --> 01:15:51,600

all dressed up in a suit he had a black

2050

01:15:55,110 --> 01:15:53,440

sun oil with a black tie and a black

2051

01:15:56,790 --> 01:15:55,120

dress hat and he was telling these

2052

01:15:58,630 --> 01:15:56,800

soldiers what to do

2053

01:16:00,229 --> 01:15:58,640

and he was taking all kind of pictures

2054

01:16:02,229 --> 01:16:00,239

he called the object otherwise the

2055

01:16:04,149 --> 01:16:02,239

hickey he said he was taking all kind of

2056

01:16:05,910 --> 01:16:04,159

pictures of hickey and the top of the

2057

01:16:08,709 --> 01:16:05,920

trees that were broken down the broken

2058

01:16:10,709 --> 01:16:08,719

down trees and the ground around it

2059

01:16:12,310 --> 01:16:10,719

and so he went in this really

2060

01:16:14,870 --> 01:16:12,320

fascinating account

2061

01:16:16,630 --> 01:16:14,880

but then as he's going into the story

2062

01:16:18,550 --> 01:16:16,640

and he said i'm still hiding there and i

2063

01:16:20,870 --> 01:16:18,560

had to keep moving back because these

2064

01:16:23,270 --> 01:16:20,880

soldiers kept coming in and they began

2065

01:16:24,709 --> 01:16:23,280

to set up a barrier perimeters around

2066

01:16:26,149 --> 01:16:24,719

there and i had to keep moving back so

2067

01:16:27,750 --> 01:16:26,159

they couldn't see me

2068

01:16:29,590 --> 01:16:27,760

and uh

2069

01:16:31,590 --> 01:16:29,600

of course it's dark but they had some of

2070

01:16:33,110 --> 01:16:31,600

the area illuminated down there

2071

01:16:35,910 --> 01:16:33,120

and he's watching all the stuff that's

2072

01:16:38,390 --> 01:16:35,920

going on and he tells me how he sees us

2073

01:16:40,550 --> 01:16:38,400

this high-ranking army officer jump on

2074

01:16:42,630 --> 01:16:40,560

top of the object

2075

01:16:44,390 --> 01:16:42,640

and this army officer had

2076

01:16:46,950 --> 01:16:44,400

he said it looks

2077

01:16:48,709 --> 01:16:46,960

metallic but it was like a long police's

2078

01:16:50,870 --> 01:16:48,719

billy club

2079

01:16:52,950 --> 01:16:50,880

and he said this officer

2080

01:16:55,830 --> 01:16:52,960

is on top of the object and all of a

2081

01:16:58,149 --> 01:16:55,840

sudden he strikes it real hard

2082

01:16:59,110 --> 01:16:58,159

and then all of a sudden he started to

2083

01:17:01,189 --> 01:16:59,120

quiver

2084

01:17:03,030 --> 01:17:01,199

his you can see the emotions changed in

2085

01:17:04,630 --> 01:17:03,040

them and he says i swear to god sir i

2086

01:17:06,870 --> 01:17:04,640

swear to god sir there was something

2087

01:17:09,350 --> 01:17:06,880

inside of that thing

2088

01:17:10,470 --> 01:17:09,360

and he goes on to describe to me he said

2089

01:17:12,630 --> 01:17:10,480

when he hit that thing almost

2090

01:17:14,310 --> 01:17:12,640

momentarily after he hit it a hatch

2091

01:17:16,950 --> 01:17:14,320

opened in the front of the object from

2092

01:17:19,110 --> 01:17:16,960

right to left and he said this long

2093

01:17:20,550 --> 01:17:19,120

elastic arm came up he said i couldn't

2094

01:17:22,470 --> 01:17:20,560

see it well from where i was but it was

2095

01:17:24,149 --> 01:17:22,480

like i want he said it was like silly

2096

01:17:25,350 --> 01:17:24,159

putty or some kind of material that his

2097

01:17:28,149 --> 01:17:25,360

kids used to play with and they were

2098

01:17:29,910 --> 01:17:28,159

little it was very long and elastic and

2099

01:17:31,750 --> 01:17:29,920

it was like stretching and all he could

2100

01:17:34,149 --> 01:17:31,760

see in his position were like two

2101

01:17:36,390 --> 01:17:34,159

fingers over the hatch

2102

01:17:38,470 --> 01:17:36,400

and he said it was like a whirling sound

2103

01:17:41,910 --> 01:17:38,480

a light coming out of it as this has a

2104

01:17:43,990 --> 01:17:41,920

hatch open and then moments later

2105

01:17:45,669 --> 01:17:44,000

the hatch closed real hard metal on

2106

01:17:47,430 --> 01:17:45,679

metal you can hear it hitting

2107

01:17:48,630 --> 01:17:47,440

and he says there has to be another arm

2108

01:17:49,590 --> 01:17:48,640

there but i couldn't see it from my

2109

01:17:50,950 --> 01:17:49,600

position

2110

01:17:52,630 --> 01:17:50,960

and then and that officer started

2111

01:17:54,709 --> 01:17:52,640

screaming hurry up hurry up we don't

2112

01:17:56,070 --> 01:17:54,719

have much time and he describes how

2113

01:17:58,229 --> 01:17:56,080

these soldiers came over they start

2114

01:18:00,229 --> 01:17:58,239

digging around the object and how they

2115

01:18:02,149 --> 01:18:00,239

put this metal strapping on and how they

2116

01:18:04,070 --> 01:18:02,159

winched it over to the truck because you

2117

01:18:05,750 --> 01:18:04,080

couldn't take the flatbed truck down to

2118

01:18:08,229 --> 01:18:05,760

the impact site because all the trees

2119

01:18:10,149 --> 01:18:08,239

yeah so that's true over an area where

2120

01:18:11,270 --> 01:18:10,159

they could lift it onto the flatbed

2121

01:18:14,390 --> 01:18:11,280

truck

2122

01:18:15,350 --> 01:18:14,400

so now that that was really interesting

2123

01:18:17,590 --> 01:18:15,360

because

2124

01:18:19,669 --> 01:18:17,600

apparently he knew nothing about myron's

2125

01:18:21,350 --> 01:18:19,679

testimony or vice versa

2126

01:18:23,830 --> 01:18:21,360

and then

2127

01:18:26,229 --> 01:18:23,840

you've got to look at uh

2128

01:18:28,070 --> 01:18:26,239

bill weaver so bill weaver is a very

2129

01:18:29,189 --> 01:18:28,080

incredible witness billy was a young

2130

01:18:30,870 --> 01:18:29,199

teenager

2131

01:18:32,870 --> 01:18:30,880

who lived in the area at the time he had

2132

01:18:34,070 --> 01:18:32,880

his dad's nice car with him that evening

2133

01:18:37,110 --> 01:18:34,080

he was riding around listening on the

2134

01:18:38,790 --> 01:18:37,120

radio here's a this thing had fallen

2135

01:18:40,310 --> 01:18:38,800

over towards kecksburg and he knew the

2136

01:18:42,310 --> 01:18:40,320

area so he hurries over there there's

2137

01:18:44,229 --> 01:18:42,320

other people and he gets on that farm

2138

01:18:46,630 --> 01:18:44,239

lane that i told you about and he could

2139

01:18:48,630 --> 01:18:46,640

see this bright object down in the woods

2140

01:18:50,870 --> 01:18:48,640

so you get those big bright search light

2141

01:18:52,310 --> 01:18:50,880

outs from shining down on the woods and

2142

01:18:53,669 --> 01:18:52,320

other people standing looking at them

2143

01:18:55,830 --> 01:18:53,679

trying to get a better idea what this

2144

01:18:57,270 --> 01:18:55,840

thing is and this guy comes up out of

2145

01:18:59,030 --> 01:18:57,280

the woods and yells at him and tells him

2146

01:19:00,630 --> 01:18:59,040

to put the spotlight out

2147

01:19:02,709 --> 01:19:00,640

and they're they're not there that much

2148

01:19:05,830 --> 01:19:02,719

longer when a big white

2149

01:19:08,709 --> 01:19:05,840

box truck unmarked box truck pulls up

2150

01:19:10,229 --> 01:19:08,719

and out of that box truck are four men

2151
01:19:11,189 --> 01:19:10,239
in what they call moon suits like some

2152
01:19:12,390 --> 01:19:11,199
type of

2153
01:19:18,229 --> 01:19:12,400
protective

2154
01:19:20,470 --> 01:19:18,239
and out of the truck they took this like

2155
01:19:23,910 --> 01:19:20,480
big white box-shaped device by four by

2156
01:19:25,910 --> 01:19:23,920
five square on a stretcher like device

2157
01:19:27,430 --> 01:19:25,920
and the four guys carried it down

2158
01:19:29,830 --> 01:19:27,440
through the field down towards the

2159
01:19:32,950 --> 01:19:29,840
ravine where the thing had fallen

2160
01:19:35,030 --> 01:19:32,960
so this device this container is too

2161
01:19:37,270 --> 01:19:35,040
small for the object

2162
01:19:39,270 --> 01:19:37,280
so what were they going to put into that

2163
01:19:40,709 --> 01:19:39,280

box container and apparently from what

2164

01:19:43,430 --> 01:19:40,719

we understand there probably were two

2165

01:19:44,950 --> 01:19:43,440

box containers down there was seen

2166

01:19:47,270 --> 01:19:44,960

these are just some of the little

2167

01:19:49,590 --> 01:19:47,280

tidbits that we've learned

2168

01:19:51,350 --> 01:19:49,600

so now when you put these little story

2169

01:19:53,910 --> 01:19:51,360

these stories together

2170

01:19:55,830 --> 01:19:53,920

one begins to wonder you know if these

2171

01:19:57,590 --> 01:19:55,840

people are telling the truth

2172

01:19:58,950 --> 01:19:57,600

and i've never signed the indication

2173

01:20:00,709 --> 01:19:58,960

these people are trying to make up the

2174

01:20:02,709 --> 01:20:00,719

story

2175

01:20:04,709 --> 01:20:02,719

then you've got to wonder was there

2176

01:20:07,030 --> 01:20:04,719

something inside of this object

2177

01:20:09,510 --> 01:20:07,040

yeah and i've i've often wondered too

2178

01:20:11,350 --> 01:20:09,520

about deathbed sort of confessions

2179

01:20:13,750 --> 01:20:11,360

because you mentioned the one gentleman

2180

01:20:16,550 --> 01:20:13,760

like what what can motivate somebody

2181

01:20:20,070 --> 01:20:16,560

just make this up while they're in such

2182

01:20:22,709 --> 01:20:20,080

poor health it seems to me obvious that

2183

01:20:24,950 --> 01:20:22,719

some people in that situation of being

2184

01:20:25,910 --> 01:20:24,960

in such poor health want people know the

2185

01:20:27,910 --> 01:20:25,920

truth

2186

01:20:30,950 --> 01:20:27,920

while they are still here to give it to

2187

01:20:33,510 --> 01:20:30,960

us i don't see people making up

2188

01:20:36,550 --> 01:20:33,520

something like that

2189

01:20:38,390 --> 01:20:36,560

no and you know most of the people

2190

01:20:41,110 --> 01:20:38,400

don't want any publicity in fact the

2191

01:20:42,790 --> 01:20:41,120

high percentage of witnesses even today

2192

01:20:44,790 --> 01:20:42,800

that i've interviewed during the last

2193

01:20:46,790 --> 01:20:44,800

almost 50 years still don't want any

2194

01:20:48,950 --> 01:20:46,800

publicity so you got to remember during

2195

01:20:51,030 --> 01:20:48,960

that time period a lot of the witnesses

2196

01:20:54,629 --> 01:20:51,040

at night were young children or

2197

01:20:57,030 --> 01:20:54,639

teenagers well they grew up to be

2198

01:21:00,870 --> 01:20:57,040

professionals you know police officers

2199

01:21:03,110 --> 01:21:00,880

school teachers ceos educators one was a

2200

01:21:06,070 --> 01:21:03,120

district attorney you know a lot of

2201

01:21:08,229 --> 01:21:06,080

these are really really credible people

2202

01:21:09,750 --> 01:21:08,239

who even today really don't want

2203

01:21:12,629 --> 01:21:09,760

publicity

2204

01:21:14,790 --> 01:21:12,639

because of uh their their background and

2205

01:21:17,830 --> 01:21:14,800

yet what's so interesting is you know

2206

01:21:19,750 --> 01:21:17,840

over the years there were little details

2207

01:21:21,990 --> 01:21:19,760

that i didn't publicize

2208

01:21:23,669 --> 01:21:22,000

and so many of these people had no way

2209

01:21:25,750 --> 01:21:23,679

of knowing how they were confirming

2210

01:21:27,830 --> 01:21:25,760

other people's stories they couldn't

2211

01:21:29,430 --> 01:21:27,840

have known some of these details unless

2212

01:21:31,510 --> 01:21:29,440

they were at the scene that night and

2213

01:21:33,430 --> 01:21:31,520

saw what they saw

2214

01:21:34,950 --> 01:21:33,440

and and the interesting thing is this a

2215

01:21:36,790 --> 01:21:34,960

lot of people don't realize this you

2216

01:21:39,110 --> 01:21:36,800

hear all kinds of stories on tv shows

2217

01:21:40,790 --> 01:21:39,120

and radio shows that i do on the

2218

01:21:42,229 --> 01:21:40,800

internet and a lot of the details out

2219

01:21:44,070 --> 01:21:42,239

there unfortunately aren't real accurate

2220

01:21:46,149 --> 01:21:44,080

but you know one of the details is that

2221

01:21:47,910 --> 01:21:46,159

supposedly only one witness saw the

2222

01:21:50,229 --> 01:21:47,920

object on the ground that and that's not

2223

01:21:52,790 --> 01:21:50,239

the case for example when we first met

2224

01:21:54,390 --> 01:21:52,800

jim romanski back in 87 and again he's

2225

01:21:56,310 --> 01:21:54,400

not from kecksburg

2226

01:21:58,390 --> 01:21:56,320

but he said that he would go out to the

2227

01:22:00,390 --> 01:21:58,400

scene with us out in that wooded area to

2228

01:22:02,790 --> 01:22:00,400

try to find the impact site so this was

2229

01:22:04,550 --> 01:22:02,800

interesting okay we told him nothing

2230

01:22:06,149 --> 01:22:04,560

about the pattern of trees that we had

2231

01:22:08,149 --> 01:22:06,159

found told him nothing about where they

2232

01:22:11,270 --> 01:22:08,159

were what we knew

2233

01:22:12,950 --> 01:22:11,280

he remembered from years ago certain

2234

01:22:15,110 --> 01:22:12,960

characteristics certain details from

2235

01:22:17,110 --> 01:22:15,120

that night certain landmarks about what

2236

01:22:19,270 --> 01:22:17,120

he saw when he was going through that

2237

01:22:21,110 --> 01:22:19,280

wooded area

2238

01:22:23,189 --> 01:22:21,120

he walked around there for a long time

2239

01:22:24,629 --> 01:22:23,199

that day and then finally he said you

2240

01:22:26,950 --> 01:22:24,639

know what fellas i think we're right on

2241

01:22:28,790 --> 01:22:26,960

the spot and one of my assistants and i

2242

01:22:31,110 --> 01:22:28,800

remember we looked at each other just

2243

01:22:33,510 --> 01:22:31,120

smiling because it was right in the

2244

01:22:35,590 --> 01:22:33,520

immediate area where we felt the object

2245

01:22:36,830 --> 01:22:35,600

would have come down from the trajectory

2246

01:22:39,270 --> 01:22:36,840

we found

2247

01:22:41,189 --> 01:22:39,280

so it actually appeared to come down

2248

01:22:44,070 --> 01:22:41,199

what they call a dry wash so it's like a

2249

01:22:46,470 --> 01:22:44,080

a creek bed but there's no water unless

2250

01:22:48,550 --> 01:22:46,480

it's raining or snowing there's no

2251

01:22:50,229 --> 01:22:48,560

moisture no water coming through it

2252

01:22:52,229 --> 01:22:50,239

and at night to these people it looked

2253

01:22:54,470 --> 01:22:52,239

like a trench but it was actually it was

2254

01:22:56,870 --> 01:22:54,480

a dry wash it came down right in that

2255

01:23:01,590 --> 01:22:56,880

area so a year after that happens in

2256

01:23:03,830 --> 01:23:01,600

1988 i get a tip that another local man

2257

01:23:05,830 --> 01:23:03,840

had had seen the object kind of gone

2258

01:23:06,950 --> 01:23:05,840

down after it moments after it had

2259

01:23:09,189 --> 01:23:06,960

fallen

2260

01:23:11,669 --> 01:23:09,199

well that guy never publicly called

2261

01:23:13,350 --> 01:23:11,679

anybody and i we contacted him and it

2262

01:23:15,350 --> 01:23:13,360

was bill bully bush from mammoth right

2263

01:23:17,510 --> 01:23:15,360

over the hill and he didn't deny it he

2264

01:23:19,110 --> 01:23:17,520

just said hey i kept my mouth shut the

2265

01:23:22,310 --> 01:23:19,120

government said there was nothing there

2266

01:23:24,229 --> 01:23:22,320

i know what i saw i told my my my wife

2267

01:23:26,310 --> 01:23:24,239

my son when i went home in fact he said

2268

01:23:27,750 --> 01:23:26,320

i i later that evening i took my son

2269

01:23:29,350 --> 01:23:27,760

back out to the side i was going to take

2270

01:23:31,110 --> 01:23:29,360

him down there was a show to him by the

2271

01:23:32,709 --> 01:23:31,120

time we got there there were soldiers

2272

01:23:34,470 --> 01:23:32,719

with rifles posted all along the area

2273

01:23:36,790 --> 01:23:34,480

and i couldn't take him down

2274

01:23:39,030 --> 01:23:36,800

and uh but anyhow the interesting thing

2275

01:23:40,629 --> 01:23:39,040

is the year later

2276

01:23:43,189 --> 01:23:40,639

bill said he would take us down to the

2277

01:23:45,110 --> 01:23:43,199

spot we told him nothing about the other

2278

01:23:47,189 --> 01:23:45,120

witness from the year before

2279

01:23:48,550 --> 01:23:47,199

he took us down from the top of media

2280

01:23:50,470 --> 01:23:48,560

road what we now call meteoroid that

2281

01:23:52,550 --> 01:23:50,480

high overlap which was completely

2282

01:23:54,229 --> 01:23:52,560

different vantage point from the other

2283

01:23:55,110 --> 01:23:54,239

side of the woods where jim took us in

2284

01:23:58,149 --> 01:23:55,120

from

2285

01:24:00,310 --> 01:23:58,159

and so we go the whole way down through

2286

01:24:02,709 --> 01:24:00,320

the over the hill through the fields

2287

01:24:04,629 --> 01:24:02,719

through the valleys they're through the

2288

01:24:06,550 --> 01:24:04,639

woods until we get to the other side and

2289

01:24:09,270 --> 01:24:06,560

bill takes me over to a particular tree

2290

01:24:10,950 --> 01:24:09,280

he said i stood behind this tree and

2291

01:24:13,510 --> 01:24:10,960

shined my flashlight over there at the

2292

01:24:15,030 --> 01:24:13,520

object and he points at the exact same

2293

01:24:16,629 --> 01:24:15,040

spot that jim took us through the year

2294

01:24:18,070 --> 01:24:16,639

before from a completely different

2295

01:24:19,430 --> 01:24:18,080

perspective

2296

01:24:22,229 --> 01:24:19,440

and then

2297

01:24:24,470 --> 01:24:22,239

there was a little farmhouse that was

2298

01:24:26,870 --> 01:24:24,480

near that

2299

01:24:29,669 --> 01:24:26,880

that farmland i was telling you about it

2300

01:24:31,350 --> 01:24:29,679

was closest to the impact site well this

2301
01:24:33,430 --> 01:24:31,360
family was running that farmhouse and

2302
01:24:34,629 --> 01:24:33,440
apparently some of the military people

2303
01:24:37,030 --> 01:24:34,639
came in

2304
01:24:39,110 --> 01:24:37,040
that evening and asked permission to use

2305
01:24:40,790 --> 01:24:39,120
it guess was like a meeting place and

2306
01:24:42,870 --> 01:24:40,800
all through the evening

2307
01:24:44,310 --> 01:24:42,880
soldiers and other people and civilian

2308
01:24:46,310 --> 01:24:44,320
clothes were coming into meeting in

2309
01:24:47,910 --> 01:24:46,320
little groups apparently they were using

2310
01:24:50,310 --> 01:24:47,920
their telephone or reversing the phone

2311
01:24:52,310 --> 01:24:50,320
calls and these people had a bunch of

2312
01:24:54,310 --> 01:24:52,320
kids this is the hayes family

2313
01:24:55,350 --> 01:24:54,320

and young john hayes was among the other

2314

01:24:57,750 --> 01:24:55,360

kids

2315

01:24:59,590 --> 01:24:57,760

he was so excited because he couldn't

2316

01:25:01,270 --> 01:24:59,600

believe the soldiers in his house and

2317

01:25:03,350 --> 01:25:01,280

looking out the windows they see army

2318

01:25:05,430 --> 01:25:03,360

trucks and soldiers out there and they

2319

01:25:07,189 --> 01:25:05,440

see all the cars up on the hill

2320

01:25:09,030 --> 01:25:07,199

and these just fascinated but the

2321

01:25:11,669 --> 01:25:09,040

military asked the parents to send the

2322

01:25:13,510 --> 01:25:11,679

kids to bed well little john kept making

2323

01:25:15,830 --> 01:25:13,520

excuses he had to go to the bathroom so

2324

01:25:17,669 --> 01:25:15,840

he kept running up and down the steps

2325

01:25:20,470 --> 01:25:17,679

because he wanted what they were doing

2326

01:25:23,110 --> 01:25:20,480

and at one point he heard a conversation

2327

01:25:24,950 --> 01:25:23,120

that nasa would be arriving soon

2328

01:25:26,550 --> 01:25:24,960

and he said it wasn't long after there

2329

01:25:28,709 --> 01:25:26,560

was a knock on the door

2330

01:25:30,390 --> 01:25:28,719

and several guys in white moon suits and

2331

01:25:33,430 --> 01:25:30,400

maybe the same guy's bill saw up on a

2332

01:25:34,950 --> 01:25:33,440

hill and one had a nasa patch on

2333

01:25:37,030 --> 01:25:34,960

and

2334

01:25:38,870 --> 01:25:37,040

the next morning

2335

01:25:40,070 --> 01:25:38,880

young john and his brother go down to

2336

01:25:41,910 --> 01:25:40,080

the woods because they want to see

2337

01:25:44,149 --> 01:25:41,920

what's going on so you got to remember

2338

01:25:46,470 --> 01:25:44,159

the woods where this thing fell is their

2339

01:25:48,629 --> 01:25:46,480

playground they played down there every

2340

01:25:50,149 --> 01:25:48,639

day they knew every every inch of those

2341

01:25:51,990 --> 01:25:50,159

woods they knew when there's anything

2342

01:25:53,270 --> 01:25:52,000

different well the first thing they

2343

01:25:55,350 --> 01:25:53,280

realized when they get up the next

2344

01:25:57,270 --> 01:25:55,360

morning is the military had cut their

2345

01:25:58,709 --> 01:25:57,280

fence they had cows out there the

2346

01:26:00,950 --> 01:25:58,719

military had cut the fence against the

2347

01:26:02,629 --> 01:26:00,960

trucks down towards the impact site they

2348

01:26:04,149 --> 01:26:02,639

had to mend the fence

2349

01:26:05,990 --> 01:26:04,159

and they get down through the woods and

2350

01:26:08,070 --> 01:26:06,000

the first thing they say the trees are

2351

01:26:10,070 --> 01:26:08,080

all knocked down and damaged like young

2352

01:26:11,430 --> 01:26:10,080

john said to me said that sure wasn't

2353

01:26:12,709 --> 01:26:11,440

erosion it wasn't like that the day

2354

01:26:14,950 --> 01:26:12,719

before

2355

01:26:17,030 --> 01:26:14,960

and they're walking around there and he

2356

01:26:19,669 --> 01:26:17,040

found that area and he

2357

01:26:22,550 --> 01:26:19,679

also separately without us telling me he

2358

01:26:24,550 --> 01:26:22,560

took me exactly to the exam same spot

2359

01:26:25,910 --> 01:26:24,560

that bill and jim had taken me to

2360

01:26:27,830 --> 01:26:25,920

previously

2361

01:26:30,149 --> 01:26:27,840

so there was three people right there

2362

01:26:33,030 --> 01:26:30,159

that all took us to the same location to

2363

01:26:35,270 --> 01:26:33,040

add to that story that afternoon that

2364

01:26:36,550 --> 01:26:35,280

later that day he and his brothers are

2365

01:26:38,709 --> 01:26:36,560

walking through the woods they come

2366

01:26:39,990 --> 01:26:38,719

across a fella who has some kind of

2367

01:26:42,229 --> 01:26:40,000

instrument he wasn't sure it was a

2368

01:26:44,390 --> 01:26:42,239

geiger counter or metal detector and the

2369

01:26:45,669 --> 01:26:44,400

guy yells at the boys and tells them you

2370

01:26:47,669 --> 01:26:45,679

boys better get out of here because

2371

01:26:49,350 --> 01:26:47,679

there's a chance of radiation

2372

01:26:50,550 --> 01:26:49,360

so the boys ran home and asked their

2373

01:26:54,070 --> 01:26:50,560

mother what that meant because they know

2374

01:26:58,950 --> 01:26:56,390

well that's and and you know what's uh

2375

01:27:01,510 --> 01:26:58,960

interesting to me is that you have all

2376

01:27:04,790 --> 01:27:01,520

these separate witnesses taking you to

2377

01:27:07,750 --> 01:27:04,800

the same crash location and meanwhile

2378

01:27:10,790 --> 01:27:07,760

our government just says nothing crashed

2379

01:27:12,709 --> 01:27:10,800

nothing came down nothing was recovered

2380

01:27:14,950 --> 01:27:12,719

and here you have all these witnesses

2381

01:27:18,629 --> 01:27:14,960

taking you without knowing about each

2382

01:27:20,470 --> 01:27:18,639

other to the exact same spot exactly and

2383

01:27:22,390 --> 01:27:20,480

there's so many stories like so we just

2384

01:27:23,750 --> 01:27:22,400

began to touch on and i'd like to invite

2385

01:27:25,990 --> 01:27:23,760

all your listeners you know this year

2386

01:27:28,390 --> 01:27:26,000

being the 50th anniversary the expert

2387

01:27:31,030 --> 01:27:28,400

fire department is having her

2388

01:27:34,229 --> 01:27:31,040

excuse the annual kecksburg ufo festival

2389

01:27:36,470 --> 01:27:34,239

july 24th through the 26th but sunday

2390

01:27:38,709 --> 01:27:36,480

the 26th

2391

01:27:41,030 --> 01:27:38,719

is the big ufo conference which this

2392

01:27:42,629 --> 01:27:41,040

year it'll be a special event which

2393

01:27:46,629 --> 01:27:42,639

we're going to have a reunion of many

2394

01:27:48,149 --> 01:27:46,639

textbook witnesses do like a panel a q a

2395

01:27:50,149 --> 01:27:48,159

it's going to be all about the 50th

2396

01:27:52,149 --> 01:27:50,159

anniversary of kecksburg it's a great

2397

01:27:54,149 --> 01:27:52,159

weekend event it's free to the public

2398

01:27:55,590 --> 01:27:54,159

there's kind all kind of stuff for kids

2399

01:27:58,310 --> 01:27:55,600

they'll be all kind of paranormal and

2400

01:28:01,030 --> 01:27:58,320

ufo bigfoot researchers there i'll be

2401

01:28:03,510 --> 01:28:01,040

there all weekend uh doing book signings

2402

01:28:06,149 --> 01:28:03,520

and uh it's a great event it's on my

2403

01:28:07,590 --> 01:28:06,159

website which is stan gordon dot info

2404

01:28:09,189 --> 01:28:07,600

and they keep checking back there for

2405

01:28:12,229 --> 01:28:09,199

updated information

2406

01:28:15,270 --> 01:28:12,239

yeah i i plan on attending that myself

2407

01:28:17,669 --> 01:28:15,280

uh and and i you know i hope that uh

2408

01:28:19,990 --> 01:28:17,679

you'll be lecturing i want to invite all

2409

01:28:22,870 --> 01:28:20,000

my listeners to check out your website

2410

01:28:25,270 --> 01:28:22,880

because mr gordon does a lot of lectures

2411

01:28:27,430 --> 01:28:25,280

that you can attend if you're interested

2412

01:28:29,270 --> 01:28:27,440

in this subject

2413

01:28:32,390 --> 01:28:29,280

one of the other things i wanted to ask

2414

01:28:34,870 --> 01:28:32,400

you about though is the cosmos uh

2415

01:28:37,990 --> 01:28:34,880

satellite some people have said that

2416

01:28:42,149 --> 01:28:38,000

this was just the cosmos satellite can

2417

01:28:44,629 --> 01:28:42,159

you tell me what you know about that

2418

01:28:47,510 --> 01:28:44,639

well over the years

2419

01:28:49,830 --> 01:28:47,520

numerous people contacted me

2420

01:28:52,149 --> 01:28:49,840

saying they knew for certain what the

2421

01:28:53,510 --> 01:28:52,159

object was that thought keksburg

2422

01:28:55,270 --> 01:28:53,520

well

2423

01:28:57,669 --> 01:28:55,280

we've heard many stories and it goes

2424

01:28:59,510 --> 01:28:57,679

back to the time it happened

2425

01:29:01,910 --> 01:28:59,520

the first account we heard was an air

2426

01:29:03,830 --> 01:29:01,920

force officer told a a witness that

2427

01:29:05,750 --> 01:29:03,840

hegemony capsule had been expelled in

2428

01:29:06,629 --> 01:29:05,760

the area well we know that was not the

2429

01:29:07,590 --> 01:29:06,639

case

2430

01:29:10,310 --> 01:29:07,600

um

2431

01:29:13,110 --> 01:29:10,320

another person contacted me said he knew

2432

01:29:15,270 --> 01:29:13,120

that it was a projectile that was fired

2433

01:29:17,430 --> 01:29:15,280

from a giant gun from a railroad car in

2434

01:29:19,990 --> 01:29:17,440

canada another person said they were

2435

01:29:22,310 --> 01:29:20,000

certain it was a soviet icbm another

2436

01:29:25,030 --> 01:29:22,320

person thought it was a missile it goes

2437

01:29:27,669 --> 01:29:25,040

on and on and on when you look at all

2438

01:29:30,149 --> 01:29:27,679

these different theories it doesn't fit

2439

01:29:32,629 --> 01:29:30,159

with how this thing maneuvered what they

2440

01:29:34,390 --> 01:29:32,639

saw on the ground it just doesn't fit

2441

01:29:38,149 --> 01:29:34,400

with a lot of these different

2442

01:29:39,510 --> 01:29:38,159

explanations cosmos 96 was one of the

2443

01:29:42,310 --> 01:29:39,520

earlier

2444

01:29:44,310 --> 01:29:42,320

possible sources we were looking into

2445

01:29:47,430 --> 01:29:44,320

that might have connection with the case

2446

01:29:48,870 --> 01:29:47,440

because cosmos 96 was a soviet venus

2447

01:29:49,669 --> 01:29:48,880

probe

2448

01:29:51,430 --> 01:29:49,679

that

2449

01:29:53,910 --> 01:29:51,440

interestingly we entered the earth's

2450

01:29:55,669 --> 01:29:53,920

atmosphere on the same date as the

2451

01:29:58,470 --> 01:29:55,679

kecksburg incident

2452

01:30:00,950 --> 01:29:58,480

but as we dug further we found out that

2453

01:30:03,510 --> 01:30:00,960

you know cosmos 96 again with the venus

2454

01:30:05,590 --> 01:30:03,520

probe that sustained some

2455

01:30:08,870 --> 01:30:05,600

technical difficulties and re-enter the

2456

01:30:10,149 --> 01:30:08,880

atmosphere over canada about 3 18 a.m in

2457

01:30:12,629 --> 01:30:10,159

the morning

2458

01:30:14,310 --> 01:30:12,639

this event happened about 4 47 in the

2459

01:30:16,229 --> 01:30:14,320

afternoon

2460

01:30:18,229 --> 01:30:16,239

but we always wondered if there was any

2461

01:30:20,629 --> 01:30:18,239

connection between the two

2462

01:30:24,070 --> 01:30:20,639

i can tell you that as some of the media

2463

01:30:25,270 --> 01:30:24,080

was investigating uh this incident um

2464

01:30:26,870 --> 01:30:25,280

going back i'm starting to lose the

2465

01:30:28,470 --> 01:30:26,880

length of time now but probably back in

2466

01:30:31,110 --> 01:30:28,480

the 1980s

2467

01:30:33,030 --> 01:30:31,120

they talked they checked one reporter

2468

01:30:35,830 --> 01:30:33,040

checked with the soviet embassy and they

2469

01:30:37,750 --> 01:30:35,840

said that whatever failed kecksburg

2470

01:30:39,590 --> 01:30:37,760

had no direct connection between their

2471

01:30:41,350 --> 01:30:39,600

technology or anything they were

2472

01:30:44,070 --> 01:30:41,360

familiar with that had fallen

2473

01:30:46,470 --> 01:30:44,080

later in my investigation i made contact

2474

01:30:48,870 --> 01:30:46,480

with the russian space agency and they

2475

01:30:50,950 --> 01:30:48,880

also did respond to me and they said

2476

01:30:53,830 --> 01:30:50,960

there was no correlation between cosmos

2477

01:30:56,070 --> 01:30:53,840

96 and what fell in kecksburg

2478

01:30:58,310 --> 01:30:56,080

um

2479

01:31:00,310 --> 01:30:58,320

when leslie kane got involved with the

2480

01:31:02,149 --> 01:31:00,320

coalition of freedom information they

2481

01:31:03,669 --> 01:31:02,159

were able to make contact with two of

2482

01:31:05,590 --> 01:31:03,679

the world's leading experts on the

2483

01:31:07,110 --> 01:31:05,600

soviet space program

2484

01:31:08,629 --> 01:31:07,120

and

2485

01:31:11,830 --> 01:31:08,639

they were able to come up with a lot of

2486

01:31:13,510 --> 01:31:11,840

information first of all cosmos 96

2487

01:31:15,510 --> 01:31:13,520

was

2488

01:31:17,910 --> 01:31:15,520

a lot smaller physically than this

2489

01:31:19,350 --> 01:31:17,920

object it did not have any maneuverable

2490

01:31:21,110 --> 01:31:19,360

capabilities like this thing was

2491

01:31:23,110 --> 01:31:21,120

reported to have you know this is the

2492

01:31:25,189 --> 01:31:23,120

early days of the space program this is

2493

01:31:26,709 --> 01:31:25,199

1965.

2494

01:31:28,550 --> 01:31:26,719

if you recall

2495

01:31:30,070 --> 01:31:28,560

almost everything that we were landing

2496

01:31:31,430 --> 01:31:30,080

in that time was coming down the ocean

2497

01:31:33,189 --> 01:31:31,440

of parachutes

2498

01:31:34,870 --> 01:31:33,199

and nobody by the way catch would ever

2499

01:31:37,110 --> 01:31:34,880

put a single parachute

2500

01:31:39,030 --> 01:31:37,120

and um so there was a lot of unanswered

2501

01:31:41,189 --> 01:31:39,040

questions but just to make the story

2502

01:31:43,110 --> 01:31:41,199

short in more recent years especially

2503

01:31:45,910 --> 01:31:43,120

since the coalition of freedom

2504

01:31:48,229 --> 01:31:45,920

information got involved uh that a lot

2505

01:31:51,830 --> 01:31:48,239

of new data came out which pretty much

2506

01:31:54,229 --> 01:31:51,840

eliminated cosmos 96 as being the uh

2507

01:31:54,950 --> 01:31:54,239

source of the kecksburg ufo that that

2508

01:31:57,110 --> 01:31:54,960

had

2509

01:32:01,030 --> 01:31:57,120

one other question then

2510

01:32:03,990 --> 01:32:01,040

you know i've seen a report i have one

2511

01:32:04,870 --> 01:32:04,000

that crash landed in canada

2512

01:32:08,470 --> 01:32:04,880

but

2513

01:32:10,950 --> 01:32:08,480

was debris recovered was it returned to

2514

01:32:12,470 --> 01:32:10,960

the soviet union because

2515

01:32:14,149 --> 01:32:12,480

you know i've also read there was a

2516

01:32:17,270 --> 01:32:14,159

treaty signed

2517

01:32:19,750 --> 01:32:17,280

that we were supposed to return any

2518

01:32:22,709 --> 01:32:19,760

crashed space debris to the country of

2519

01:32:26,070 --> 01:32:22,719

origin so if it really crash landed in

2520

01:32:28,709 --> 01:32:26,080

canada was there debris recovered

2521

01:32:31,270 --> 01:32:28,719

because for me that would confirm it

2522

01:32:34,470 --> 01:32:31,280

couldn't have been the cosmos

2523

01:32:36,629 --> 01:32:34,480

uh as far as i understand it just burned

2524

01:32:38,950 --> 01:32:36,639

up in the atmosphere over canada i've

2525

01:32:41,030 --> 01:32:38,960

never seen any and we look we've never

2526
01:32:44,709 --> 01:32:41,040
found any indication of any recovery of

2527
01:32:46,790 --> 01:32:44,719
any material the cosmos 96

2528
01:32:49,110 --> 01:32:46,800
we got records from

2529
01:32:50,470 --> 01:32:49,120
u.s space command

2530
01:32:52,550 --> 01:32:50,480
and uh

2531
01:32:55,110 --> 01:32:52,560
from the the navy

2532
01:32:57,990 --> 01:32:55,120
one of the navy facilities also you know

2533
01:32:58,709 --> 01:32:58,000
confirming that uh re-entry at the time

2534
01:33:00,229 --> 01:32:58,719
but

2535
01:33:01,750 --> 01:33:00,239
we've never found first of all we've

2536
01:33:03,270 --> 01:33:01,760
never found a paper trail for example

2537
01:33:05,110 --> 01:33:03,280
from the soviets

2538
01:33:07,350 --> 01:33:05,120

requesting

2539

01:33:09,750 --> 01:33:07,360

the return of something that fell in

2540

01:33:11,030 --> 01:33:09,760

pennsylvania and yes you know i don't

2541

01:33:12,709 --> 01:33:11,040

believe the treaty was then at that

2542

01:33:15,430 --> 01:33:12,719

point it was a u.n resolution at that

2543

01:33:17,189 --> 01:33:15,440

time later became a treaty but yeah

2544

01:33:18,709 --> 01:33:17,199

was that

2545

01:33:21,350 --> 01:33:18,719

if they had launched something in a

2546

01:33:22,790 --> 01:33:21,360

foreign u.s territory the agreement was

2547

01:33:25,590 --> 01:33:22,800

we would recover and give it back to

2548

01:33:28,070 --> 01:33:25,600

them and vice versa see that

2549

01:33:30,470 --> 01:33:28,080

that agreement has always been

2550

01:33:32,870 --> 01:33:30,480

interesting to me because i've talked to

2551
01:33:35,270 --> 01:33:32,880
people in the government you know who

2552
01:33:37,510 --> 01:33:35,280
said that could be what happened that

2553
01:33:41,030 --> 01:33:37,520
this russian satellite came down and

2554
01:33:42,310 --> 01:33:41,040
because the u.n you know agreement

2555
01:33:44,550 --> 01:33:42,320
our government

2556
01:33:46,470 --> 01:33:44,560
uh wanted to keep it secret because we

2557
01:33:48,550 --> 01:33:46,480
wanted to keep the thing and rip it

2558
01:33:52,390 --> 01:33:48,560
apart and see what we could learn from

2559
01:33:54,709 --> 01:33:52,400
it but i've uh seen these trajectory

2560
01:33:56,629 --> 01:33:54,719
reports and other things that led me to

2561
01:33:58,310 --> 01:33:56,639
believe that no it couldn't have been

2562
01:33:58,950 --> 01:33:58,320
the cosmos

2563
01:34:00,550 --> 01:33:58,960

and

2564

01:34:01,910 --> 01:34:00,560

you know it's just another layer of the

2565

01:34:03,830 --> 01:34:01,920

story

2566

01:34:05,830 --> 01:34:03,840

right and it's interesting like i said

2567

01:34:07,750 --> 01:34:05,840

it's there's too much to get into right

2568

01:34:09,430 --> 01:34:07,760

now there's a very good report out there

2569

01:34:11,110 --> 01:34:09,440

that leslie kane posted i believe

2570

01:34:13,030 --> 01:34:11,120

there's still a link on it active on my

2571

01:34:14,709 --> 01:34:13,040

website which is a conclusion of the

2572

01:34:17,669 --> 01:34:14,719

nasa lawsuit

2573

01:34:19,189 --> 01:34:17,679

and also she wrote a very very good very

2574

01:34:20,709 --> 01:34:19,199

detailed account of this talking about

2575

01:34:22,310 --> 01:34:20,719

all these areas

2576

01:34:24,229 --> 01:34:22,320

um

2577

01:34:26,629 --> 01:34:24,239

in one of the publications i believe was

2578

01:34:28,390 --> 01:34:26,639

a uar publication

2579

01:34:29,830 --> 01:34:28,400

for the center for ufo research several

2580

01:34:32,950 --> 01:34:29,840

years ago which you can still find

2581

01:34:34,470 --> 01:34:32,960

online very detailed but

2582

01:34:35,590 --> 01:34:34,480

what they found out more recent years

2583

01:34:39,030 --> 01:34:35,600

they were able to get some of the

2584

01:34:41,350 --> 01:34:39,040

orbital uh debris data and other data

2585

01:34:43,270 --> 01:34:41,360

concerning cosmos 96 and it's pretty

2586

01:34:45,350 --> 01:34:43,280

much been ruled out that that's what was

2587

01:34:46,390 --> 01:34:45,360

seen and fallen in pennsylvania that

2588

01:34:48,229 --> 01:34:46,400

afternoon

2589

01:34:49,830 --> 01:34:48,239

and

2590

01:34:52,390 --> 01:34:49,840

you know again

2591

01:34:54,149 --> 01:34:52,400

what eyewitnesses saw

2592

01:34:56,550 --> 01:34:54,159

did not fit with

2593

01:34:58,070 --> 01:34:56,560

what cosmos 96 would have looked like

2594

01:35:00,390 --> 01:34:58,080

size

2595

01:35:02,390 --> 01:35:00,400

some of the details of it if you look at

2596

01:35:04,709 --> 01:35:02,400

all the soviet stuff it's four rivets

2597

01:35:07,590 --> 01:35:04,719

and seams this thing wasn't that's

2598

01:35:09,830 --> 01:35:07,600

that's a point that uh also made me

2599

01:35:12,870 --> 01:35:09,840

disbelieve it could have been cosmos all

2600

01:35:14,390 --> 01:35:12,880

the all the eyewitnesses said there's no

2601

01:35:17,590 --> 01:35:14,400

rivets there's no

2602

01:35:20,149 --> 01:35:17,600

you know uh seams on the thing

2603

01:35:22,470 --> 01:35:20,159

and uh you know

2604

01:35:25,109 --> 01:35:22,480

i i don't know i always

2605

01:35:27,510 --> 01:35:25,119

think the simplest explanation must be

2606

01:35:30,149 --> 01:35:27,520

the answer so for a long time i thought

2607

01:35:33,350 --> 01:35:30,159

it was the cosmos but lately i've been

2608

01:35:35,990 --> 01:35:33,360

moving more towards the alien hypothesis

2609

01:35:38,709 --> 01:35:36,000

and so with that i want to ask you

2610

01:35:41,109 --> 01:35:38,719

because i've seen you talk about this on

2611

01:35:42,390 --> 01:35:41,119

so many different shows

2612

01:35:45,109 --> 01:35:42,400

you know and i don't want to put you on

2613

01:35:47,350 --> 01:35:45,119

the spot but what do you think the

2614

01:35:49,270 --> 01:35:47,360

object was

2615

01:35:51,590 --> 01:35:49,280

well i've answered this many times on

2616

01:35:53,590 --> 01:35:51,600

many different radio shows and i think

2617

01:35:55,510 --> 01:35:53,600

my opinion is that you know we've

2618

01:35:57,430 --> 01:35:55,520

eliminated a lot of possibilities

2619

01:35:59,430 --> 01:35:57,440

there's not a lot of things left because

2620

01:36:00,870 --> 01:35:59,440

there was a lot of things being launched

2621

01:36:03,030 --> 01:36:00,880

back in the early days of the space

2622

01:36:06,310 --> 01:36:03,040

program so we're either dealing with

2623

01:36:07,830 --> 01:36:06,320

something that was highly sophisticated

2624

01:36:10,390 --> 01:36:07,840

man-made

2625

01:36:12,070 --> 01:36:10,400

very very secretive that was

2626
01:36:13,109 --> 01:36:12,080
very very advanced for back in those

2627
01:36:15,109 --> 01:36:13,119
days

2628
01:36:17,990 --> 01:36:15,119
and whatever it was we it was a very

2629
01:36:19,910 --> 01:36:18,000
secretive program which we still have

2630
01:36:22,550 --> 01:36:19,920
never come to light which would be very

2631
01:36:24,310 --> 01:36:22,560
unusual because so many of the things so

2632
01:36:26,070 --> 01:36:24,320
many of the secret testing done by the

2633
01:36:29,590 --> 01:36:26,080
soviet the u.s since then has been

2634
01:36:31,109 --> 01:36:29,600
declassified it's become known

2635
01:36:32,550 --> 01:36:31,119
that's a possibility that there's

2636
01:36:33,830 --> 01:36:32,560
something very very secretive about that

2637
01:36:35,350 --> 01:36:33,840
we just don't know about or it's

2638
01:36:37,109 --> 01:36:35,360

extraterrestrial there's just not too

2639

01:36:39,109 --> 01:36:37,119

many things left

2640

01:36:40,870 --> 01:36:39,119

yeah that's that's what i keep coming

2641

01:36:41,990 --> 01:36:40,880

back to i mean

2642

01:36:43,830 --> 01:36:42,000

if it was

2643

01:36:46,470 --> 01:36:43,840

the other thing that i've always thought

2644

01:36:48,390 --> 01:36:46,480

is if this was a top secret exotic

2645

01:36:51,030 --> 01:36:48,400

propulsion craft

2646

01:36:53,510 --> 01:36:51,040

uh that did belong to the united states

2647

01:36:55,750 --> 01:36:53,520

or even a foreign government we would

2648

01:36:58,310 --> 01:36:55,760

have heard about it by now it would have

2649

01:37:00,709 --> 01:36:58,320

been declassified there'd be no reason

2650

01:37:03,430 --> 01:37:00,719

for continued secrecy i mean we're

2651
01:37:07,030 --> 01:37:03,440
talking 50 years of the government

2652
01:37:09,590 --> 01:37:07,040
saying nothing happened and it just

2653
01:37:10,629 --> 01:37:09,600
doesn't seem plausible to me that a top

2654
01:37:12,870 --> 01:37:10,639
secret

2655
01:37:16,390 --> 01:37:12,880
exotic propulsion craft would be test

2656
01:37:18,629 --> 01:37:16,400
flown over a farm town in pennsylvania

2657
01:37:21,030 --> 01:37:18,639
there's better places to do that don't

2658
01:37:23,030 --> 01:37:21,040
you think yeah well again you gotta

2659
01:37:25,270 --> 01:37:23,040
remember now it was seen over a very

2660
01:37:26,709 --> 01:37:25,280
widespread area from canada and over

2661
01:37:28,310 --> 01:37:26,719
several states

2662
01:37:29,990 --> 01:37:28,320
and uh

2663
01:37:32,629 --> 01:37:30,000

and of course officially it was not

2664

01:37:34,390 --> 01:37:32,639

being tracked but other sources over the

2665

01:37:35,750 --> 01:37:34,400

years suggested to me people who

2666

01:37:38,310 --> 01:37:35,760

reportedly were in the right position to

2667

01:37:40,709 --> 01:37:38,320

know it had been tracked for a very very

2668

01:37:42,550 --> 01:37:40,719

long distance by radar and that's why

2669

01:37:44,310 --> 01:37:42,560

the military units

2670

01:37:45,990 --> 01:37:44,320

uh were activated and got there so

2671

01:37:48,629 --> 01:37:46,000

quickly

2672

01:37:50,709 --> 01:37:48,639

that's amazing and stan i want to thank

2673

01:37:53,030 --> 01:37:50,719

you for being our guest it's been an

2674

01:37:55,350 --> 01:37:53,040

honor and a privilege to speak to you

2675

01:37:56,229 --> 01:37:55,360

because i've been so interested in this

2676

01:37:58,470 --> 01:37:56,239

case

2677

01:38:00,070 --> 01:37:58,480

mostly because of its proximity to my

2678

01:38:02,709 --> 01:38:00,080

hometown and

2679

01:38:05,270 --> 01:38:02,719

you have done such incredible work that

2680

01:38:07,750 --> 01:38:05,280

you should be commended because

2681

01:38:09,910 --> 01:38:07,760

all this information that you dug out

2682

01:38:11,350 --> 01:38:09,920

over the years would just be lost to

2683

01:38:13,590 --> 01:38:11,360

history

2684

01:38:15,669 --> 01:38:13,600

and then that leads me to another

2685

01:38:17,990 --> 01:38:15,679

question do you ever think that the

2686

01:38:20,629 --> 01:38:18,000

government is going to come clean about

2687

01:38:23,189 --> 01:38:20,639

what they did that day where they took

2688

01:38:26,070 --> 01:38:23,199

that object what it was do you think

2689

01:38:28,149 --> 01:38:26,080

we'll ever know the truth

2690

01:38:30,550 --> 01:38:28,159

i'm hopeful but very doubtful and

2691

01:38:32,629 --> 01:38:30,560

probably not my lifetime um unless

2692

01:38:35,189 --> 01:38:32,639

something happens or somebody out there

2693

01:38:37,510 --> 01:38:35,199

has some really good

2694

01:38:39,030 --> 01:38:37,520

information some physical evidence and i

2695

01:38:40,709 --> 01:38:39,040

really believe

2696

01:38:42,950 --> 01:38:40,719

from the information i've had over the

2697

01:38:44,709 --> 01:38:42,960

years even in recent years that somebody

2698

01:38:46,390 --> 01:38:44,719

out there has black and white

2699

01:38:48,070 --> 01:38:46,400

photographs the object down in the woods

2700

01:38:49,910 --> 01:38:48,080

that was taken at that time i've talked

2701
01:38:52,310 --> 01:38:49,920
to several people who have seen them

2702
01:38:54,149 --> 01:38:52,320
i've heard rumors of people who

2703
01:38:56,470 --> 01:38:54,159
you know may have had them or knew

2704
01:38:58,070 --> 01:38:56,480
people would have had them but we've

2705
01:38:59,910 --> 01:38:58,080
never been able to find them but i

2706
01:39:01,669 --> 01:38:59,920
believe somebody out there probably has

2707
01:39:03,109 --> 01:39:01,679
some really good physical evidence but

2708
01:39:06,390 --> 01:39:03,119
you know people still won't believe

2709
01:39:08,790 --> 01:39:06,400
pictures and you know if this was a u.s

2710
01:39:10,709 --> 01:39:08,800
a secret project or even with soviet

2711
01:39:13,109 --> 01:39:10,719
after 50 years now

2712
01:39:15,270 --> 01:39:13,119
is the technology has changed so much

2713
01:39:17,350 --> 01:39:15,280

why not just bring it out and show the

2714

01:39:19,430 --> 01:39:17,360

public what the government recovered and

2715

01:39:21,270 --> 01:39:19,440

just let the files and this case be

2716

01:39:23,750 --> 01:39:21,280

closed forever

2717

01:39:27,430 --> 01:39:23,760

it's interesting interesting to me that

2718

01:39:30,709 --> 01:39:27,440

you've never found or have you any

2719

01:39:34,629 --> 01:39:30,719

government sources or leaks because you

2720

01:39:37,430 --> 01:39:34,639

know from other uh incidents we get

2721

01:39:39,350 --> 01:39:37,440

somebody that was involved directly from

2722

01:39:40,550 --> 01:39:39,360

the army maybe

2723

01:39:43,830 --> 01:39:40,560

you know

2724

01:39:45,669 --> 01:39:43,840

40 years later they tell their story are

2725

01:39:48,310 --> 01:39:45,679

you still hopeful that you'll find

2726
01:39:50,870 --> 01:39:48,320
somebody with more direct knowledge from

2727
01:39:54,149 --> 01:39:50,880
the government as a source

2728
01:39:56,629 --> 01:39:54,159
well you know apparently at that time

2729
01:39:58,870 --> 01:39:56,639
there must have been a lot of power

2730
01:40:01,030 --> 01:39:58,880
because a lot of people have kept their

2731
01:40:03,510 --> 01:40:01,040
mouth shut for many many years yes i

2732
01:40:05,270 --> 01:40:03,520
have talked to military sources who have

2733
01:40:06,629 --> 01:40:05,280
who were involved in different aspects

2734
01:40:09,910 --> 01:40:06,639
of the event

2735
01:40:12,470 --> 01:40:09,920
but i've i did not talk to any let's say

2736
01:40:14,070 --> 01:40:12,480
any of the ground soldiers at the scene

2737
01:40:15,669 --> 01:40:14,080
over the years i've i've talked to

2738
01:40:17,990 --> 01:40:15,679

relatives of people who claim they had

2739

01:40:20,229 --> 01:40:18,000

relatives involved but most of people

2740

01:40:22,310 --> 01:40:20,239

are long deceased and they wouldn't talk

2741

01:40:24,709 --> 01:40:22,320

uh but yes i've gotten some interesting

2742

01:40:26,149 --> 01:40:24,719

information from other military sources

2743

01:40:27,910 --> 01:40:26,159

and uh

2744

01:40:29,109 --> 01:40:27,920

you know i've had anonymous tips i've

2745

01:40:31,350 --> 01:40:29,119

interviewed different people who are

2746

01:40:32,390 --> 01:40:31,360

involved in different aspects of it but

2747

01:40:34,470 --> 01:40:32,400

um

2748

01:40:36,229 --> 01:40:34,480

there's no doubt a lot of people who may

2749

01:40:37,430 --> 01:40:36,239

have known about this or involved

2750

01:40:38,629 --> 01:40:37,440

directly

2751
01:40:41,030 --> 01:40:38,639
we'll probably never hear from because a

2752
01:40:43,430 --> 01:40:41,040
lot of those people are long gone

2753
01:40:45,430 --> 01:40:43,440
yeah that's that's the unfortunate part

2754
01:40:47,669 --> 01:40:45,440
and the time window

2755
01:40:50,310 --> 01:40:47,679
kind of like what happened with roswell

2756
01:40:53,590 --> 01:40:50,320
you know there's there's a time window

2757
01:40:56,390 --> 01:40:53,600
here so i would encourage anybody that

2758
01:40:59,189 --> 01:40:56,400
is hearing this that has any information

2759
01:41:03,350 --> 01:40:59,199
you can contact stan at his website it's

2760
01:41:06,390 --> 01:41:03,360
stan gordon dot info and and he really

2761
01:41:08,790 --> 01:41:06,400
is this the the person that has the most

2762
01:41:11,350 --> 01:41:08,800
information on this so if you have any

2763
01:41:13,350 --> 01:41:11,360

direct knowledge of this incident and

2764

01:41:15,430 --> 01:41:13,360

you want to help find the truth because

2765

01:41:17,430 --> 01:41:15,440

that's what would we really you know i'd

2766

01:41:18,709 --> 01:41:17,440

like to get to i've been following this

2767

01:41:20,229 --> 01:41:18,719

story for

2768

01:41:22,709 --> 01:41:20,239

my whole life

2769

01:41:25,590 --> 01:41:22,719

so if you have any information

2770

01:41:28,229 --> 01:41:25,600

come forward you know now is the time

2771

01:41:30,310 --> 01:41:28,239

before it's lost to history i think the

2772

01:41:32,669 --> 01:41:30,320

american public deserve to know

2773

01:41:34,310 --> 01:41:32,679

especially if it's an

2774

01:41:36,950 --> 01:41:34,320

extraterrestrial

2775

01:41:39,350 --> 01:41:36,960

origin i mean we have the right to know

2776

01:41:42,470 --> 01:41:39,360

that we're not alone that's why this

2777

01:41:45,350 --> 01:41:42,480

case so fascinates me like i want to

2778

01:41:47,669 --> 01:41:45,360

know if that really happened i want to

2779

01:41:49,669 --> 01:41:47,679

know and i don't think our government or

2780

01:41:51,990 --> 01:41:49,679

anyone has the right to keep that from

2781

01:41:54,310 --> 01:41:52,000

us so if you have any direct knowledge

2782

01:41:57,189 --> 01:41:54,320

or even an indirect knowledge something

2783

01:42:01,030 --> 01:41:57,199

you think can help please contact stan

2784

01:42:03,590 --> 01:42:01,040

gordon at stan gordon dot info and if

2785

01:42:07,910 --> 01:42:03,600

you're interested

2786

01:42:11,510 --> 01:42:07,920

just by the way is email is p-a-u-f-o

2787

01:42:12,629 --> 01:42:11,520

at comcast.net that's the easiest email

2788

01:42:14,470 --> 01:42:12,639

to reach me

2789

01:42:16,629 --> 01:42:14,480

and um you know they can go to my

2790

01:42:17,590 --> 01:42:16,639

website get additional information also

2791

01:42:19,189 --> 01:42:17,600

you know

2792

01:42:21,990 --> 01:42:19,199

besides kecksburg i've worked on

2793

01:42:23,109 --> 01:42:22,000

thousands and thousands of ufo bigfoot

2794

01:42:24,470 --> 01:42:23,119

and strange creature case in

2795

01:42:27,750 --> 01:42:24,480

pennsylvania i've been out in the field

2796

01:42:29,910 --> 01:42:27,760

since 1965 still very actively getting

2797

01:42:31,830 --> 01:42:29,920

current reports over pennsylvania

2798

01:42:32,709 --> 01:42:31,840

reports come in all year round every

2799

01:42:34,709 --> 01:42:32,719

year

2800

01:42:35,669 --> 01:42:34,719

and you may be aware i've written two

2801
01:42:38,310 --> 01:42:35,679
books

2802
01:42:40,629 --> 01:42:38,320
uh one is really mysterious pennsylvania

2803
01:42:43,030 --> 01:42:40,639
the other one is silent invasion the

2804
01:42:46,149 --> 01:42:43,040
pennsylvania ufo bigfoot casebook which

2805
01:42:48,149 --> 01:42:46,159
has some amazing very bizarre stories

2806
01:42:50,709 --> 01:42:48,159
and incidents of pennsylvania and it

2807
01:42:52,229 --> 01:42:50,719
gets into some very odd aspects of

2808
01:42:53,709 --> 01:42:52,239
bigfoot why there's no bodies of

2809
01:42:56,790 --> 01:42:53,719
creatures they're available on

2810
01:42:57,590 --> 01:42:56,800
amazon.com as well as my website

2811
01:43:01,270 --> 01:42:57,600
yeah

2812
01:43:05,030 --> 01:43:01,280
i would encourage everyone uh also

2813
01:43:07,990 --> 01:43:05,040

stan has what is perhaps the best known

2814

01:43:10,870 --> 01:43:08,000

and best produced documentary on the

2815

01:43:13,830 --> 01:43:10,880

kecksburg in incident and it's available

2816

01:43:15,430 --> 01:43:13,840

on his website i highly recommend that

2817

01:43:17,350 --> 01:43:15,440

if you're interested in this case

2818

01:43:19,669 --> 01:43:17,360

there's more information in that

2819

01:43:22,629 --> 01:43:19,679

documentary and it'll just blow your

2820

01:43:25,590 --> 01:43:22,639

mind to see all the information that mr

2821

01:43:28,790 --> 01:43:25,600

gordon has been able to dig through and

2822

01:43:31,990 --> 01:43:28,800

dig out and get to the public

2823

01:43:34,390 --> 01:43:32,000

so please visit his website and and

2824

01:43:36,070 --> 01:43:34,400

support him because you know our

2825

01:43:38,709 --> 01:43:36,080

government's not going to tell you the

2826

01:43:41,910 --> 01:43:38,719

truth we need people like mr gordon

2827

01:43:43,910 --> 01:43:41,920

who's an award-winning ufo researcher to

2828

01:43:45,830 --> 01:43:43,920

bring us this information because we

2829

01:43:48,229 --> 01:43:45,840

have the right to know

2830

01:43:50,790 --> 01:43:48,239

and with that mr gordon i want to thank

2831

01:43:53,189 --> 01:43:50,800

you and i hope that you will return as a

2832

01:43:55,109 --> 01:43:53,199

guest and maybe we could do a show on

2833

01:43:57,669 --> 01:43:55,119

pennsylvania bigfoot sightings which

2834

01:43:59,430 --> 01:43:57,679

i've been following recently

2835

01:44:01,590 --> 01:43:59,440

that's fine steve i'm glad to do that

2836

01:44:03,109 --> 01:44:01,600

yeah there's a lot of history of bigfoot

2837

01:44:05,189 --> 01:44:03,119

sightings and

2838

01:44:07,109 --> 01:44:05,199

some of the evidence we found

2839

01:44:09,350 --> 01:44:07,119

is very very strange with bigfoot and

2840

01:44:10,709 --> 01:44:09,360

that's a whole different program yeah

2841

01:44:12,990 --> 01:44:10,719

absolutely

2842

01:44:23,710 --> 01:44:13,000

well thank you mr gordon

2843

01:44:23,720 --> 01:44:30,709

[Music]

2844

01:44:30,719 --> 01:44:36,020

one

2845

01:45:24,229 --> 01:44:48,690

[Music]

2846

01:45:30,870 --> 01:45:27,189

like any great mystery the kecksburg ufo

2847

01:45:35,109 --> 01:45:30,880

crash of december 9th 1965

2848

01:45:38,070 --> 01:45:35,119

has certainly survived the test of time

2849

01:45:39,189 --> 01:45:38,080

for almost 50 years now this incredible

2850

01:45:41,430 --> 01:45:39,199

mystery

2851
01:45:44,629 --> 01:45:41,440
has endured

2852
01:45:46,229 --> 01:45:44,639
my recent reinvestigation into this case

2853
01:45:48,790 --> 01:45:46,239
quite honestly

2854
01:45:51,350 --> 01:45:48,800
has left me with many more questions

2855
01:45:54,149 --> 01:45:51,360
than answers

2856
01:45:57,750 --> 01:45:54,159
there's so many aspects to this case

2857
01:46:01,109 --> 01:45:57,760
that it's difficult if not impossible

2858
01:46:05,270 --> 01:46:04,149
ah yes the truth

2859
01:46:09,510 --> 01:46:05,280
the truth

2860
01:46:11,430 --> 01:46:09,520
is often a very elusive thing

2861
01:46:12,790 --> 01:46:11,440
i've done my best to try to get to the

2862
01:46:14,870 --> 01:46:12,800
truth

2863
01:46:17,109 --> 01:46:14,880

but quite honestly

2864

01:46:18,790 --> 01:46:17,119

i don't feel that i do know the truth at

2865

01:46:20,709 --> 01:46:18,800

least not the whole truth

2866

01:46:22,709 --> 01:46:20,719

about what happened

2867

01:46:25,510 --> 01:46:22,719

on that fateful night

2868

01:46:27,990 --> 01:46:25,520

in a small town

2869

01:46:30,629 --> 01:46:28,000

of kecksburg pennsylvania

2870

01:46:32,950 --> 01:46:30,639

[Music]

2871

01:46:36,390 --> 01:46:32,960

while i don't know the whole truth

2872

01:46:39,430 --> 01:46:36,400

i do know one overwhelming truth

2873

01:46:41,750 --> 01:46:39,440

the truth that i've come back to again

2874

01:46:44,709 --> 01:46:41,760

and again and again

2875

01:46:46,709 --> 01:46:44,719

after everything that i've read

2876

01:46:48,229 --> 01:46:46,719

investigated

2877

01:46:50,470 --> 01:46:48,239

after all the people i've talked to

2878

01:46:52,709 --> 01:46:50,480

about this case

2879

01:46:54,790 --> 01:46:52,719

i've come back to one thing again and

2880

01:46:57,030 --> 01:46:54,800

again and again

2881

01:46:59,510 --> 01:46:57,040

and that is this

2882

01:47:02,550 --> 01:46:59,520

i may never find the truth

2883

01:47:06,390 --> 01:47:02,560

but one thing i know with a hundred

2884

01:47:15,590 --> 01:47:10,310

the truth well the truth is something

2885

01:47:20,070 --> 01:47:17,590

as we've heard earlier

2886

01:47:22,870 --> 01:47:20,080

the government first said

2887

01:47:25,510 --> 01:47:22,880

it was just a meteor

2888

01:47:29,430 --> 01:47:25,520

just a meteor we sent some people

2889

01:47:31,270 --> 01:47:29,440

to try to recover you know any debris

2890

01:47:33,350 --> 01:47:31,280

it burned up in the atmosphere we didn't

2891

01:47:35,830 --> 01:47:33,360

find anything

2892

01:47:38,229 --> 01:47:35,840

and that my friends is the truth that

2893

01:47:40,550 --> 01:47:38,239

the government tried to give us

2894

01:47:42,950 --> 01:47:40,560

and for many years the government

2895

01:47:46,709 --> 01:47:42,960

claimed that was the truth

2896

01:47:48,790 --> 01:47:46,719

but then strangely in 2005

2897

01:47:50,870 --> 01:47:48,800

the government changed their version of

2898

01:47:52,790 --> 01:47:50,880

the truth and said

2899

01:47:56,629 --> 01:47:52,800

based on some

2900

01:47:59,109 --> 01:47:56,639

metal samples that we've analyzed

2901

01:48:01,030 --> 01:47:59,119

what happened was

2902

01:48:02,950 --> 01:48:01,040

the crash of a russian satellite the

2903

01:48:05,830 --> 01:48:02,960

cosmos 96

2904

01:48:09,109 --> 01:48:05,840

and we have some metal debris

2905

01:48:11,990 --> 01:48:09,119

some small samples that were recovered

2906

01:48:14,470 --> 01:48:12,000

and that's what happened

2907

01:48:17,270 --> 01:48:14,480

but you see

2908

01:48:19,109 --> 01:48:17,280

based on my observation of this

2909

01:48:20,629 --> 01:48:19,119

being a magician

2910

01:48:23,109 --> 01:48:20,639

what i found

2911

01:48:25,910 --> 01:48:23,119

to be the truth or one truth that i

2912

01:48:28,149 --> 01:48:25,920

found about this case is this

2913

01:48:30,870 --> 01:48:28,159

our government a government which is

2914

01:48:33,669 --> 01:48:30,880

supposed to be of the people

2915

01:48:35,750 --> 01:48:33,679

by the people and for the people

2916

01:48:38,709 --> 01:48:35,760

lied to everyone

2917

01:48:40,629 --> 01:48:38,719

but not only did they did they lie

2918

01:48:42,709 --> 01:48:40,639

they used

2919

01:48:45,350 --> 01:48:42,719

one of the most classic techniques of

2920

01:48:47,510 --> 01:48:45,360

magicians

2921

01:48:49,910 --> 01:48:47,520

and this my friends is called

2922

01:48:51,669 --> 01:48:49,920

misdirection

2923

01:48:53,990 --> 01:48:51,679

it's a simple technique that all

2924

01:48:55,750 --> 01:48:54,000

magicians use

2925

01:48:57,109 --> 01:48:55,760

when they want to distract attention

2926

01:48:58,830 --> 01:48:57,119

away from

2927

01:49:01,830 --> 01:48:58,840

the

2928

01:49:03,590 --> 01:49:01,840

truth i've used it myself as a performer

2929

01:49:05,590 --> 01:49:03,600

many many times

2930

01:49:07,109 --> 01:49:05,600

and the technique works very simply like

2931

01:49:10,310 --> 01:49:07,119

this

2932

01:49:12,629 --> 01:49:10,320

if there is something i do not want

2933

01:49:15,510 --> 01:49:12,639

my audience to see

2934

01:49:17,430 --> 01:49:15,520

i give them something to see

2935

01:49:19,030 --> 01:49:17,440

something to distract them

2936

01:49:21,830 --> 01:49:19,040

while

2937

01:49:24,790 --> 01:49:21,840

something else is going on that i do not

2938

01:49:25,910 --> 01:49:24,800

want them to know about

2939

01:49:28,310 --> 01:49:25,920

and this

2940

01:49:29,750 --> 01:49:28,320

my friends is exactly what happened in

2941

01:49:31,350 --> 01:49:29,760

this case

2942

01:49:33,830 --> 01:49:31,360

because you see

2943

01:49:36,310 --> 01:49:33,840

while our government was engaging the

2944

01:49:38,870 --> 01:49:36,320

media and telling the public that this

2945

01:49:41,189 --> 01:49:38,880

was simply a meteor and we sent some

2946

01:49:44,950 --> 01:49:41,199

people to recover it and gee we're

2947

01:49:45,910 --> 01:49:44,960

really sorry we didn't find anything

2948

01:49:48,070 --> 01:49:45,920

others

2949

01:49:49,510 --> 01:49:48,080

were hard at work

2950

01:49:51,990 --> 01:49:49,520

because you see

2951
01:49:53,350 --> 01:49:52,000
while some government public information

2952
01:49:55,270 --> 01:49:53,360
officers

2953
01:49:58,550 --> 01:49:55,280
were telling the media

2954
01:50:00,149 --> 01:49:58,560
that this was simply a meteor

2955
01:50:01,510 --> 01:50:00,159
other agents

2956
01:50:04,470 --> 01:50:01,520
of the government

2957
01:50:06,790 --> 01:50:04,480
were hard at work

2958
01:50:08,229 --> 01:50:06,800
hard at work

2959
01:50:09,669 --> 01:50:08,239
cordoning off

2960
01:50:11,189 --> 01:50:09,679
the area

2961
01:50:12,950 --> 01:50:11,199
hard at work

2962
01:50:15,030 --> 01:50:12,960
pushing

2963
01:50:19,990 --> 01:50:15,040

any witnesses back

2964

01:50:24,310 --> 01:50:21,990

and while some government agents were

2965

01:50:26,310 --> 01:50:24,320

busy telling the media and the public

2966

01:50:27,750 --> 01:50:26,320

this was nothing important

2967

01:50:31,750 --> 01:50:27,760

nothing of note

2968

01:50:36,550 --> 01:50:34,470

others were hard at work

2969

01:50:38,629 --> 01:50:36,560

with armed guards

2970

01:50:41,510 --> 01:50:38,639

pointing rifles

2971

01:50:44,390 --> 01:50:41,520

right at the united states citizens that

2972

01:50:46,629 --> 01:50:44,400

were witnessing this event

2973

01:50:48,070 --> 01:50:46,639

i've come back to that point again and

2974

01:50:51,189 --> 01:50:48,080

again

2975

01:50:52,870 --> 01:50:51,199

because what could be so important

2976

01:50:54,790 --> 01:50:52,880

that our government the government

2977

01:50:57,589 --> 01:50:54,800

that's supposed to be of the people by

2978

01:50:59,910 --> 01:50:57,599

the people and for the people

2979

01:51:01,910 --> 01:50:59,920

would send armed guards

2980

01:51:04,950 --> 01:51:01,920

with rifles

2981

01:51:10,470 --> 01:51:07,669

to point those rifles at united states

2982

01:51:12,629 --> 01:51:10,480

citizens and intimidate them into

2983

01:51:15,589 --> 01:51:12,639

leaving the area

2984

01:51:20,550 --> 01:51:15,599

what could be so important

2985

01:51:22,790 --> 01:51:20,560

that later when the object was moved

2986

01:51:25,750 --> 01:51:22,800

soldiers were given the order that if

2987

01:51:26,870 --> 01:51:25,760

anyone tried to enter the area of that

2988

01:51:29,350 --> 01:51:26,880

object

2989

01:51:33,669 --> 01:51:29,360

that they had the authorization to shoot

2990

01:51:36,950 --> 01:51:35,750

now you see

2991

01:51:38,790 --> 01:51:36,960

as i said

2992

01:51:40,310 --> 01:51:38,800

the truth is a very elusive thing

2993

01:51:42,070 --> 01:51:40,320

sometimes

2994

01:51:44,390 --> 01:51:42,080

and i don't feel

2995

01:51:46,550 --> 01:51:44,400

that after everything that i've read and

2996

01:51:48,390 --> 01:51:46,560

seen and all the people that i've talked

2997

01:51:50,629 --> 01:51:48,400

to about this case

2998

01:51:52,470 --> 01:51:50,639

i still don't feel that i have gotten to

2999

01:51:55,270 --> 01:51:52,480

the truth

3000

01:51:58,470 --> 01:51:55,280

but i have gotten to one truth

3001
01:52:00,790 --> 01:51:58,480
and that truth is that our government

3002
01:52:04,470 --> 01:52:00,800
gave us no truth

3003
01:52:07,109 --> 01:52:04,480
absolutely no truth about this incident

3004
01:52:10,310 --> 01:52:07,119
because you see

3005
01:52:13,669 --> 01:52:10,320
after initially saying in 1965 that this

3006
01:52:15,910 --> 01:52:13,679
was simply a meteor crash in 2005 the

3007
01:52:17,830 --> 01:52:15,920
government changed their story and nasa

3008
01:52:21,109 --> 01:52:17,840
released a report stating that the

3009
01:52:22,790 --> 01:52:21,119
kecksburg ufo crash or incident was

3010
01:52:26,310 --> 01:52:22,800
caused by

3011
01:52:29,350 --> 01:52:26,320
the crash of a russian satellite

3012
01:52:33,510 --> 01:52:29,360
why would they contradict themselves

3013
01:52:37,510 --> 01:52:35,589

why would a new report state it wasn't a

3014

01:52:39,109 --> 01:52:37,520

meteor it was

3015

01:52:42,229 --> 01:52:39,119

a crashing

3016

01:52:47,109 --> 01:52:44,790

makes no sense

3017

01:52:48,629 --> 01:52:47,119

especially considering that many many

3018

01:52:50,229 --> 01:52:48,639

reports

3019

01:52:53,910 --> 01:52:50,239

trajectory

3020

01:52:56,870 --> 01:52:55,589

orbital path

3021

01:53:00,950 --> 01:52:56,880

information

3022

01:53:04,709 --> 01:53:00,960

that nasa

3023

01:53:06,390 --> 01:53:04,719

uh presented as truth

3024

01:53:08,629 --> 01:53:06,400

because you see

3025

01:53:11,589 --> 01:53:08,639

in my search for the truth

3026

01:53:14,709 --> 01:53:11,599

i found that there has been a lot of

3027

01:53:17,430 --> 01:53:14,719

different truths about this specific

3028

01:53:21,109 --> 01:53:19,910

you see you have the government's truth

3029

01:53:22,870 --> 01:53:21,119

which

3030

01:53:24,470 --> 01:53:22,880

quite honestly

3031

01:53:27,430 --> 01:53:24,480

is

3032

01:53:29,109 --> 01:53:27,440

no truth i mean nothing that they have

3033

01:53:31,030 --> 01:53:29,119

said

3034

01:53:33,189 --> 01:53:31,040

nothing that they have presented in

3035

01:53:34,950 --> 01:53:33,199

reports or

3036

01:53:36,870 --> 01:53:34,960

uh

3037

01:53:38,310 --> 01:53:36,880

just nothing that the government has

3038

01:53:41,189 --> 01:53:38,320

said

3039

01:53:42,950 --> 01:53:41,199

has rang true about the case

3040

01:53:45,430 --> 01:53:42,960

and then

3041

01:53:49,750 --> 01:53:45,440

there is a separate truth

3042

01:53:51,830 --> 01:53:49,760

the truth given by eyewitnesses

3043

01:53:54,310 --> 01:53:51,840

the truth of people

3044

01:53:56,550 --> 01:53:54,320

who saw the object

3045

01:53:59,270 --> 01:53:56,560

in the sky

3046

01:54:02,470 --> 01:53:59,280

apparently under intelligent control

3047

01:54:04,790 --> 01:54:02,480

turning and very slowly

3048

01:54:07,350 --> 01:54:04,800

coming to the ground

3049

01:54:09,510 --> 01:54:07,360

the truth of eyewitnesses who went down

3050

01:54:11,589 --> 01:54:09,520

into the wooded area

3051
01:54:14,709 --> 01:54:11,599
and saw the object

3052
01:54:17,189 --> 01:54:14,719
after it had crash-landed up close

3053
01:54:21,030 --> 01:54:17,199
on the ground

3054
01:54:22,550 --> 01:54:21,040
and the truth of a dying man

3055
01:54:25,350 --> 01:54:22,560
who said

3056
01:54:27,830 --> 01:54:25,360
he saw the object in the hangar that it

3057
01:54:30,390 --> 01:54:27,840
ended up in after it was

3058
01:54:33,350 --> 01:54:30,400
transported off by flatbed truck to a

3059
01:54:34,830 --> 01:54:33,360
nearby military base

3060
01:54:38,550 --> 01:54:34,840
the

3061
01:54:41,510 --> 01:54:38,560
truth of a dying man

3062
01:54:43,589 --> 01:54:41,520
sort of a deathbed confession of a man

3063
01:54:45,669 --> 01:54:43,599

who wanted to set the record straight

3064

01:54:47,589 --> 01:54:45,679

about what he had seen

3065

01:54:49,350 --> 01:54:47,599

and the truth

3066

01:54:53,109 --> 01:54:49,360

as he gave it

3067

01:54:55,589 --> 01:54:53,119

was that he saw that craft

3068

01:54:57,669 --> 01:54:55,599

and he saw

3069

01:54:59,270 --> 01:54:57,679

an extraterrestrial body

3070

01:55:03,990 --> 01:54:59,280

in the hangar

3071

01:55:08,390 --> 01:55:05,990

i'm a person who

3072

01:55:09,350 --> 01:55:08,400

desperately wants to believe

3073

01:55:13,189 --> 01:55:09,360

that we

3074

01:55:13,199 --> 01:55:16,550

and because of that

3075

01:55:16,560 --> 01:55:19,990

i want to know the truth

3076

01:55:27,030 --> 01:55:23,030

are we alone in the universe

3077

01:55:32,390 --> 01:55:27,040

or did some extraterrestrial crash land

3078

01:55:37,990 --> 01:55:35,669

in 1965

3079

01:55:39,189 --> 01:55:38,000

and has our government kept that truth

3080

01:55:43,750 --> 01:55:39,199

from us

3081

01:55:47,589 --> 01:55:44,870

again

3082

01:55:50,629 --> 01:55:47,599

i don't feel that i know the whole truth

3083

01:55:54,390 --> 01:55:50,639

but the truth that i know is this

3084

01:55:58,390 --> 01:55:54,400

our government still after almost 50

3085

01:56:00,310 --> 01:55:58,400

years has never told us the truth

3086

01:56:02,470 --> 01:56:00,320

i don't believe that all of these

3087

01:56:05,350 --> 01:56:02,480

eyewitnesses

3088

01:56:06,950 --> 01:56:05,360

who gave testimony are simply

3089

01:56:08,709 --> 01:56:06,960

delusional

3090

01:56:09,990 --> 01:56:08,719

mentally ill

3091

01:56:11,510 --> 01:56:10,000

or

3092

01:56:13,990 --> 01:56:11,520

you know

3093

01:56:16,070 --> 01:56:14,000

living in some fantasy world where they

3094

01:56:18,390 --> 01:56:16,080

put themselves central to some

3095

01:56:21,589 --> 01:56:18,400

incredible conspiracy

3096

01:56:23,990 --> 01:56:21,599

involving an extraterrestrial craft

3097

01:56:25,430 --> 01:56:24,000

crash landing in their town

3098

01:56:27,350 --> 01:56:25,440

too many people

3099

01:56:29,510 --> 01:56:27,360

were involved in this incident

3100

01:56:31,109 --> 01:56:29,520

for the government to effectively cover

3101

01:56:32,790 --> 01:56:31,119

it all up

3102

01:56:35,430 --> 01:56:32,800

to his credit

3103

01:56:37,669 --> 01:56:35,440

stan gordon has done more

3104

01:56:39,750 --> 01:56:37,679

to bring the truth of this subject to

3105

01:56:42,470 --> 01:56:39,760

light than anyone

3106

01:56:43,669 --> 01:56:42,480

and i in my recent investigation

3107

01:56:45,910 --> 01:56:43,679

really

3108

01:56:49,109 --> 01:56:45,920

can't dig any deeper than

3109

01:56:50,470 --> 01:56:49,119

stan gordon already has

3110

01:56:52,070 --> 01:56:50,480

to his credit

3111

01:56:54,550 --> 01:56:52,080

he has interviewed

3112

01:56:56,950 --> 01:56:54,560

so many witnesses and brought so much of

3113

01:56:59,430 --> 01:56:56,960

this information to the public that

3114

01:57:01,430 --> 01:56:59,440

again i would say i really believe that

3115

01:57:04,550 --> 01:57:01,440

he should be commended because he more

3116

01:57:07,830 --> 01:57:04,560

than anyone has done all he could

3117

01:57:11,430 --> 01:57:07,840

for years and years and years

3118

01:57:14,870 --> 01:57:11,440

almost 50 years since the very beginning

3119

01:57:18,310 --> 01:57:16,470

as for me

3120

01:57:20,229 --> 01:57:18,320

i just again

3121

01:57:22,229 --> 01:57:20,239

sort of resparked my interest in this

3122

01:57:25,189 --> 01:57:22,239

case and have tried to get to the truth

3123

01:57:27,030 --> 01:57:25,199

but i don't feel that i have

3124

01:57:29,109 --> 01:57:27,040

i do know

3125

01:57:31,030 --> 01:57:29,119

with some degree of certainty that this

3126
01:57:32,310 --> 01:57:31,040
was not

3127
01:57:34,229 --> 01:57:32,320
a meteor

3128
01:57:36,070 --> 01:57:34,239
it simply could not have been

3129
01:57:40,310 --> 01:57:36,080
a meteor

3130
01:57:42,229 --> 01:57:40,320
this was not a nazi bell

3131
01:57:45,189 --> 01:57:42,239
that theory never

3132
01:57:47,430 --> 01:57:45,199
really uh had any sort of proof or

3133
01:57:48,950 --> 01:57:47,440
direct evidence that would support that

3134
01:57:52,149 --> 01:57:48,960
claim

3135
01:57:54,790 --> 01:57:52,159
which really only leaves two things just

3136
01:57:57,109 --> 01:57:54,800
and i agree exactly with

3137
01:57:59,510 --> 01:57:57,119
what stan gordon has stated

3138
01:58:02,550 --> 01:57:59,520

it either had to have been

3139

01:58:04,790 --> 01:58:02,560

some sort of exotic propulsion craft a

3140

01:58:07,229 --> 01:58:04,800

top secret craft that was

3141

01:58:09,030 --> 01:58:07,239

you know worlds ahead of its time in

3142

01:58:10,470 --> 01:58:09,040

1965

3143

01:58:12,149 --> 01:58:10,480

or

3144

01:58:14,709 --> 01:58:12,159

it had to have been

3145

01:58:17,109 --> 01:58:14,719

an extraterrestrial craft

3146

01:58:19,669 --> 01:58:17,119

as far as it being some experimental top

3147

01:58:24,310 --> 01:58:19,679

secret craft

3148

01:58:25,589 --> 01:58:24,320

i just believe that cannot be the case

3149

01:58:29,430 --> 01:58:25,599

and this

3150

01:58:31,589 --> 01:58:29,440

my friends leaves me with the uneasy

3151
01:58:33,750 --> 01:58:31,599
final answer

3152
01:58:35,109 --> 01:58:33,760
from all the eyewitness testimony

3153
01:58:38,310 --> 01:58:35,119
especially

3154
01:58:40,390 --> 01:58:38,320
the the eyewitness testimony concerning

3155
01:58:42,950 --> 01:58:40,400
what was seen in the hangar with this

3156
01:58:44,790 --> 01:58:42,960
object where it eventually ended up

3157
01:58:46,830 --> 01:58:44,800
we are left with

3158
01:58:49,430 --> 01:58:46,840
the only

3159
01:58:50,709 --> 01:58:49,440
answer which could explain everything

3160
01:58:51,510 --> 01:58:50,719
that happened

3161
01:58:53,189 --> 01:58:51,520
and

3162
01:58:55,750 --> 01:58:53,199
which could fit with all of the

3163
01:58:57,669 --> 01:58:55,760

eyewitness testimony

3164

01:59:00,390 --> 01:58:57,679

and that is

3165

01:59:03,350 --> 01:59:00,400

an inconvenient truth at least for the

3166

01:59:06,470 --> 01:59:03,360

government who does not want to admit

3167

01:59:10,550 --> 01:59:06,480

the existence of extraterrestrials

3168

01:59:12,470 --> 01:59:10,560

especially extraterrestrials visiting us

3169

01:59:15,589 --> 01:59:12,480

and what we are left with

3170

01:59:18,550 --> 01:59:15,599

after almost 50 years of trying to get

3171

01:59:21,510 --> 01:59:18,560

to the real truth in this case

3172

01:59:27,189 --> 01:59:24,709

the uneasy realization

3173

01:59:28,709 --> 01:59:27,199

that we are all

3174

01:59:30,870 --> 01:59:28,719

victims

3175

01:59:32,550 --> 01:59:30,880

of a conspiracy

3176

01:59:34,870 --> 01:59:32,560

and a cover-up

3177

01:59:38,070 --> 01:59:34,880

by the united states government

3178

01:59:39,510 --> 01:59:38,080

who will apparently stop at nothing

3179

01:59:40,870 --> 01:59:39,520

to prevent

3180

01:59:42,629 --> 01:59:40,880

all of us

3181

01:59:50,229 --> 01:59:42,639

from knowing

3182

01:59:55,030 --> 01:59:53,430

i hope you will be joining us next time

3183

01:59:56,550 --> 01:59:55,040

i will be bringing you a new

3184

01:59:59,830 --> 01:59:56,560

investigation

3185

02:00:02,870 --> 01:59:59,840

into another of the greatest mysteries

3186

02:00:07,109 --> 02:00:05,189

until we meet again i'm stephen cambion

3187

02:00:09,910 --> 02:00:07,119

also known as the mystery man

3188

02:00:10,830 --> 02:00:09,920

reminding you to keep your eyes open
