

STEVEN CAMBIAN IS

THE MYSTERY MAN

THE

MIDNIGHT

HOW

LEGACY CONTENT

002 An interview with John Ventre

1
00:00:05,430 --> 00:00:02,869
this program is a legacy program which

2
00:00:07,909 --> 00:00:05,440
was recorded some time ago

3
00:00:10,390 --> 00:00:07,919
views and subject matter are products of

4
00:00:13,030 --> 00:00:10,400
the time in which they were recorded and

5
00:00:16,730 --> 00:00:13,040
may not reflect current news or cultural

6
00:00:16,740 --> 00:00:49,350
[Music]

7
00:00:55,270 --> 00:00:53,270
greetings and salutations and welcome to

8
00:00:56,830 --> 00:00:55,280
another exciting edition

9
00:00:58,630 --> 00:00:56,840
of the mystery man

10
00:01:00,310 --> 00:00:58,640
show

11
00:01:01,750 --> 00:01:00,320
because who better

12
00:01:04,950 --> 00:01:01,760
than a magician

13
00:01:07,670 --> 00:01:04,960

a man trained in the art of deception

14

00:01:09,030 --> 00:01:07,680

to peel back the layers and investigate

15

00:01:11,910 --> 00:01:09,040

for you

16

00:01:13,270 --> 00:01:11,920

some of the greatest mysteries on planet

17

00:01:15,270 --> 00:01:13,280

earth

18

00:01:17,270 --> 00:01:15,280

tonight

19

00:01:22,870 --> 00:01:17,280

we are once again talking about one of

20

00:01:27,670 --> 00:01:26,550

are alien craft

21

00:01:30,469 --> 00:01:27,680

visiting

22

00:01:31,749 --> 00:01:30,479

my home state of pennsylvania

23

00:01:34,870 --> 00:01:31,759

tonight

24

00:01:36,069 --> 00:01:34,880

we're going to get an amazing insight

25

00:01:38,630 --> 00:01:36,079

into

26
00:01:42,710 --> 00:01:38,640
some of the ufo phenomenon that goes on

27
00:01:48,310 --> 00:01:44,950
because here in the united states

28
00:01:51,109 --> 00:01:48,320
there is one amazing group that

29
00:01:55,109 --> 00:01:51,119
investigates all of the ufo phenomenon

30
00:01:57,510 --> 00:01:55,119
and they are a non-profit

31
00:01:59,749 --> 00:01:57,520
civilian run organization since the

32
00:02:01,990 --> 00:01:59,759
government doesn't seem to care

33
00:02:04,630 --> 00:02:02,000
to investigate these things

34
00:02:07,510 --> 00:02:04,640
and bring you the truth

35
00:02:10,790 --> 00:02:07,520
luckily there is mufon

36
00:02:12,150 --> 00:02:10,800
the mutual ufo network

37
00:02:15,190 --> 00:02:12,160
and tonight

38
00:02:17,430 --> 00:02:15,200

we're gonna get to talk to john ventry

39

00:02:18,630 --> 00:02:17,440

now you may have seen john on

40

00:02:19,670 --> 00:02:18,640

uh

41

00:02:21,430 --> 00:02:19,680

i don't know

42

00:02:23,030 --> 00:02:21,440

he's been on so many television shows

43

00:02:25,270 --> 00:02:23,040

you may have seen him on

44

00:02:28,869 --> 00:02:25,280

anderson cooper live

45

00:02:32,230 --> 00:02:28,879

where he debated the ufo phenomenon and

46

00:02:33,830 --> 00:02:32,240

a topic with a skeptic

47

00:02:36,309 --> 00:02:33,840

[Music]

48

00:02:37,990 --> 00:02:36,319

you may have seen him on ufo hunters on

49

00:02:39,589 --> 00:02:38,000

the history channel

50

00:02:42,150 --> 00:02:39,599

and also

51
00:02:43,589 --> 00:02:42,160
the amazing and one of my favorite new

52
00:02:47,030 --> 00:02:43,599
shows

53
00:02:50,470 --> 00:02:47,040
and that is hanger one the ufo files

54
00:02:52,869 --> 00:02:50,480
which are cases taken directly from

55
00:02:56,070 --> 00:02:52,879
the mufon archives

56
00:02:57,910 --> 00:02:56,080
which john of course uh you know has

57
00:02:59,750 --> 00:02:57,920
full access to

58
00:03:03,030 --> 00:02:59,760
he's one of their lead investigators

59
00:03:04,470 --> 00:03:03,040
he's one of their most outspoken

60
00:03:05,750 --> 00:03:04,480
uh

61
00:03:09,589 --> 00:03:05,760
i guess

62
00:03:12,470 --> 00:03:09,599
outspoken investigators as far as

63
00:03:14,710 --> 00:03:12,480

you know this whole phenomenon

64

00:03:18,949 --> 00:03:14,720

and he has investigated some of the most

65

00:03:20,869 --> 00:03:18,959

incredible cases in my local area so we

66

00:03:23,110 --> 00:03:20,879

are pleased and delighted to have him

67

00:03:25,190 --> 00:03:23,120

with us this evening

68

00:03:26,789 --> 00:03:25,200

but before that

69

00:03:28,470 --> 00:03:26,799

i thought we could talk about some of

70

00:03:30,229 --> 00:03:28,480

the other things that i've been looking

71

00:03:32,470 --> 00:03:30,239

into

72

00:03:34,550 --> 00:03:32,480

here in the mystery man show

73

00:03:36,149 --> 00:03:34,560

anything mysterious

74

00:03:38,470 --> 00:03:36,159

is on the table

75

00:03:41,110 --> 00:03:38,480

and so when it comes to ufos

76

00:03:42,550 --> 00:03:41,120

we've been focused on

77

00:03:44,390 --> 00:03:42,560

investigating

78

00:03:47,680 --> 00:03:44,400

and looking into

79

00:03:54,550 --> 00:03:47,690

some documents and document research

80

00:03:57,910 --> 00:03:56,149

and so some of the documents we've been

81

00:04:01,270 --> 00:03:57,920

looking into are

82

00:04:03,270 --> 00:04:01,280

uh you know these documents that are

83

00:04:06,070 --> 00:04:03,280

supposedly leaked

84

00:04:10,309 --> 00:04:06,949

you know

85

00:04:11,830 --> 00:04:10,319

sent to ufo investigators or

86

00:04:12,949 --> 00:04:11,840

somehow

87

00:04:15,750 --> 00:04:12,959

wrenched

88

00:04:17,430 --> 00:04:15,760

from the arms of that

89

00:04:18,710 --> 00:04:17,440

government

90

00:04:21,349 --> 00:04:18,720

secrecy

91

00:04:23,030 --> 00:04:21,359

that we're all so aware of now

92

00:04:26,070 --> 00:04:23,040

you know i've been looking into this for

93

00:04:28,550 --> 00:04:26,080

quite some time now and the more i do

94

00:04:30,790 --> 00:04:28,560

the more i find that our government the

95

00:04:32,950 --> 00:04:30,800

united states government

96

00:04:36,469 --> 00:04:32,960

does everything they can

97

00:04:40,230 --> 00:04:36,479

to keep the truth from the public

98

00:04:42,710 --> 00:04:40,240

there's been so many examples of

99

00:04:44,550 --> 00:04:42,720

uh some incredible ufo cases where the

100

00:04:45,590 --> 00:04:44,560

u.s government

101
00:04:47,510 --> 00:04:45,600
came in

102
00:04:48,710 --> 00:04:47,520
cordoned off the area

103
00:04:50,950 --> 00:04:48,720
took over

104
00:04:53,110 --> 00:04:50,960
and then later clamped down and said oh

105
00:04:54,950 --> 00:04:53,120
nothing happened

106
00:04:57,270 --> 00:04:54,960
but luckily

107
00:04:59,270 --> 00:04:57,280
there have been times where

108
00:05:00,469 --> 00:04:59,280
some of these documents

109
00:05:02,390 --> 00:05:00,479
uh

110
00:05:03,510 --> 00:05:02,400
from either people that worked for the

111
00:05:06,469 --> 00:05:03,520
government

112
00:05:11,110 --> 00:05:06,479
were directly involved or were you know

113
00:05:15,670 --> 00:05:11,120

somehow involved in this ufo seen here

114

00:05:18,550 --> 00:05:15,680

those documents oftentimes have got now

115

00:05:20,390 --> 00:05:18,560

now there are some incredibly

116

00:05:22,070 --> 00:05:20,400

easy to

117

00:05:24,070 --> 00:05:22,080

spot

118

00:05:26,710 --> 00:05:24,080

proven frauds

119

00:05:28,390 --> 00:05:26,720

the carrot documents come to mind

120

00:05:30,150 --> 00:05:28,400

these are documents that were supposed

121

00:05:33,749 --> 00:05:30,160

to show

122

00:05:35,189 --> 00:05:33,759

anti-gravity technology craft flying in

123

00:05:37,189 --> 00:05:35,199

the sky

124

00:05:40,390 --> 00:05:37,199

that were supposed to be back engineered

125

00:05:42,710 --> 00:05:40,400

from ufo captured craft

126
00:05:43,670 --> 00:05:42,720
but when people looked at them

127
00:05:47,029 --> 00:05:43,680
they were

128
00:05:48,950 --> 00:05:47,039
very clearly and quickly shown to be

129
00:05:51,350 --> 00:05:48,960
cgi hacks

130
00:05:53,430 --> 00:05:51,360
you know somebody in photoshop took some

131
00:05:55,909 --> 00:05:53,440
pictures of some bicycles and some

132
00:05:56,790 --> 00:05:55,919
circular like objects

133
00:06:01,270 --> 00:05:56,800
and

134
00:06:03,350 --> 00:06:01,280
made composite uh i guess components

135
00:06:04,950 --> 00:06:03,360
and brought them all together

136
00:06:06,790 --> 00:06:04,960
and then

137
00:06:09,110 --> 00:06:06,800
placed them in

138
00:06:10,710 --> 00:06:09,120

a separate picture that was taken in the

139

00:06:11,590 --> 00:06:10,720

skyline

140

00:06:13,510 --> 00:06:11,600

and

141

00:06:16,390 --> 00:06:13,520

you know these documents were released

142

00:06:19,029 --> 00:06:16,400

and and supposed to show these craft

143

00:06:21,110 --> 00:06:19,039

flying but they were made of

144

00:06:22,710 --> 00:06:21,120

bicycle parts

145

00:06:26,070 --> 00:06:22,720

and you've got people like linda molten

146

00:06:29,270 --> 00:06:26,080

howe and some of the other ufo hucksters

147

00:06:30,550 --> 00:06:29,280

running around selling this as

148

00:06:33,029 --> 00:06:30,560

true

149

00:06:36,469 --> 00:06:33,039

ufo documents leaked by a government

150

00:06:38,710 --> 00:06:36,479

agent but that is completely

151
00:06:42,309 --> 00:06:38,720
totally

152
00:06:46,550 --> 00:06:44,230
and so it's a little bit sad that we

153
00:06:48,469 --> 00:06:46,560
have people out there so willing to

154
00:06:49,510 --> 00:06:48,479
believe anything

155
00:06:51,270 --> 00:06:49,520
i mean

156
00:06:53,990 --> 00:06:51,280
i always say i'm one of those people

157
00:06:55,029 --> 00:06:54,000
that i truly and and totally want to

158
00:06:56,309 --> 00:06:55,039
believe

159
00:06:58,469 --> 00:06:56,319
that there are

160
00:07:00,950 --> 00:06:58,479
intelligent

161
00:07:03,270 --> 00:07:00,960
extraterrestrials out there somewhere in

162
00:07:05,510 --> 00:07:03,280
the universe to me the universe is just

163
00:07:07,990 --> 00:07:05,520

so huge and so vast that it would be a

164

00:07:10,230 --> 00:07:08,000

complete and total waste of space if we

165

00:07:12,070 --> 00:07:10,240

were the only intelligent beings

166

00:07:13,830 --> 00:07:12,080

so i truly believe that somewhere out

167

00:07:16,550 --> 00:07:13,840

there there are

168

00:07:17,430 --> 00:07:16,560

intelligent beings

169

00:07:19,589 --> 00:07:17,440

but

170

00:07:21,510 --> 00:07:19,599

you know quite honestly when it comes to

171

00:07:24,469 --> 00:07:21,520

these documents that are so-called

172

00:07:26,790 --> 00:07:24,479

leaked documents

173

00:07:28,390 --> 00:07:26,800

we have some people

174

00:07:31,029 --> 00:07:28,400

who make their living

175

00:07:33,430 --> 00:07:31,039

and i cited linda molten hal and uh

176
00:07:36,790 --> 00:07:33,440
let's say stan romanek is another great

177
00:07:41,830 --> 00:07:39,270
there are people out there

178
00:07:44,950 --> 00:07:41,840
who are willing to accept anything that

179
00:07:46,230 --> 00:07:44,960
they get as true and proof look here's

180
00:07:48,790 --> 00:07:46,240
the proof

181
00:07:49,749 --> 00:07:48,800
here's a document leaked by a government

182
00:07:51,830 --> 00:07:49,759
agent

183
00:07:53,670 --> 00:07:51,840
no corroboration

184
00:07:54,950 --> 00:07:53,680
obvious cgi

185
00:07:58,469 --> 00:07:54,960
hey

186
00:07:59,990 --> 00:07:58,479
this is complete and totally true it's

187
00:08:01,029 --> 00:08:00,000
not fake

188
00:08:02,869 --> 00:08:01,039

well

189

00:08:05,189 --> 00:08:02,879

anybody that

190

00:08:06,070 --> 00:08:05,199

listen i happen to be a computer science

191

00:08:08,150 --> 00:08:06,080

student

192

00:08:11,430 --> 00:08:08,160

some people don't know that about me

193

00:08:12,629 --> 00:08:11,440

i mean it's kind of odd you know

194

00:08:15,589 --> 00:08:12,639

primarily

195

00:08:19,270 --> 00:08:17,029

i'm a magician

196

00:08:21,350 --> 00:08:19,280

so i do magic shows

197

00:08:22,950 --> 00:08:21,360

very trained in the art of deception and

198

00:08:25,589 --> 00:08:22,960

misdirection and

199

00:08:27,990 --> 00:08:25,599

how to fool people

200

00:08:30,629 --> 00:08:28,000

i i don't know maybe i take for granted

201
00:08:32,870 --> 00:08:30,639
that training and that ability to see

202
00:08:34,550 --> 00:08:32,880
through deception but when i see some of

203
00:08:36,070 --> 00:08:34,560
these documents and some of the other

204
00:08:38,709 --> 00:08:36,080
things that people

205
00:08:41,509 --> 00:08:38,719
report as fact

206
00:08:44,949 --> 00:08:41,519
i i just kind of cringe because i i look

207
00:08:47,430 --> 00:08:44,959
i see through it so easily and and

208
00:08:49,269 --> 00:08:47,440
i have a big problem and and we talked

209
00:08:51,750 --> 00:08:49,279
about that in a previous show about the

210
00:08:53,829 --> 00:08:51,760
ufo hucksters with people like stan

211
00:08:56,550 --> 00:08:53,839
romanek or people like linda mullen hal

212
00:08:59,190 --> 00:08:56,560
running around going hey look at these

213
00:09:03,910 --> 00:08:59,200

carrot documents

214

00:09:06,870 --> 00:09:03,920

and uh hey this is proof of of ufos and

215

00:09:09,750 --> 00:09:06,880

this is proof of alien contact and the

216

00:09:11,190 --> 00:09:09,760

government back engineering alien craft

217

00:09:14,630 --> 00:09:11,200

to make these

218

00:09:16,870 --> 00:09:14,640

uh anti-gravity technology drones that

219

00:09:18,470 --> 00:09:16,880

we're seeing in these pictures

220

00:09:21,430 --> 00:09:18,480

except this

221

00:09:23,350 --> 00:09:21,440

miss lindemon hell those pictures are

222

00:09:25,430 --> 00:09:23,360

obvious fakes

223

00:09:28,150 --> 00:09:25,440

and maybe it's my background being a

224

00:09:29,350 --> 00:09:28,160

magician and seeing through deception so

225

00:09:31,110 --> 00:09:29,360

easily

226

00:09:34,070 --> 00:09:31,120

maybe it's some of my training in

227

00:09:35,910 --> 00:09:34,080

computer science because

228

00:09:37,750 --> 00:09:35,920

you know uh like i said a lot of people

229

00:09:39,829 --> 00:09:37,760

don't know that that i i'm also a

230

00:09:41,430 --> 00:09:39,839

computer science student like extremely

231

00:09:43,190 --> 00:09:41,440

part-time i take like one class a

232

00:09:45,430 --> 00:09:43,200

semester it's going to take me like

233

00:09:47,509 --> 00:09:45,440

another eight years to get a degree

234

00:09:49,590 --> 00:09:47,519

uh at the rate that i'm going but i'm

235

00:09:52,150 --> 00:09:49,600

still going i happen to be a lifelong

236

00:09:53,990 --> 00:09:52,160

computerist kind of guy like a just

237

00:09:55,190 --> 00:09:54,000

computer hobbyist

238

00:09:57,910 --> 00:09:55,200

and

239

00:10:01,190 --> 00:09:57,920

you know i've done 3d renders myself

240

00:10:03,430 --> 00:10:01,200

i've done a lot of different creative

241

00:10:04,870 --> 00:10:03,440

projects that use graphics

242

00:10:06,949 --> 00:10:04,880

and i can look at these pictures and

243

00:10:08,069 --> 00:10:06,959

tell you with a hundred

244

00:10:10,389 --> 00:10:08,079

percent

245

00:10:13,590 --> 00:10:10,399

degree of certainty that these pictures

246

00:10:15,590 --> 00:10:13,600

are completely and totally false

247

00:10:16,710 --> 00:10:15,600

these pictures are complete and total

248

00:10:18,150 --> 00:10:16,720

frauds

249

00:10:20,630 --> 00:10:18,160

and the fact that somebody like linda

250

00:10:22,630 --> 00:10:20,640

mullen hal would run around

251
00:10:24,790 --> 00:10:22,640
getting paid lecture fees

252
00:10:26,550 --> 00:10:24,800
because that's what it's all about go on

253
00:10:28,230 --> 00:10:26,560
take the money and run

254
00:10:29,910 --> 00:10:28,240
linda gone

255
00:10:31,590 --> 00:10:29,920
i don't know did she ever give that

256
00:10:32,550 --> 00:10:31,600
money back

257
00:10:33,590 --> 00:10:32,560
when

258
00:10:35,350 --> 00:10:33,600
i don't know

259
00:10:37,430 --> 00:10:35,360
you know

260
00:10:38,949 --> 00:10:37,440
three four at least

261
00:10:40,710 --> 00:10:38,959
image analysts

262
00:10:42,949 --> 00:10:40,720
looked at those pictures and said that

263
00:10:45,269 --> 00:10:42,959

they were complete and total frauds i

264

00:10:46,870 --> 00:10:45,279

wonder if miss howe

265

00:10:48,310 --> 00:10:46,880

took the time

266

00:10:51,509 --> 00:10:48,320

the energy

267

00:10:54,389 --> 00:10:51,519

and you know quite honestly the

268

00:10:55,269 --> 00:10:54,399

good ethics to apologize for what she

269

00:10:56,150 --> 00:10:55,279

did

270

00:10:59,110 --> 00:10:56,160

taken

271

00:11:00,389 --> 00:10:59,120

all this money because the truth is when

272

00:11:03,509 --> 00:11:00,399

that was uh

273

00:11:06,310 --> 00:11:03,519

you know a new thing she took a whole

274

00:11:08,230 --> 00:11:06,320

bunch of money to run around and talk

275

00:11:09,350 --> 00:11:08,240

about these things

276

00:11:11,030 --> 00:11:09,360

but

277

00:11:12,630 --> 00:11:11,040

they turned out to be complete and total

278

00:11:14,389 --> 00:11:12,640

frauds

279

00:11:16,150 --> 00:11:14,399

now at the time

280

00:11:18,150 --> 00:11:16,160

when it first came out she was running

281

00:11:19,910 --> 00:11:18,160

around taking all this money

282

00:11:21,350 --> 00:11:19,920

she

283

00:11:24,310 --> 00:11:21,360

you know

284

00:11:28,150 --> 00:11:24,320

presented those things as facts

285

00:11:31,829 --> 00:11:28,160

and to me that is a crime it's a felony

286

00:11:33,350 --> 00:11:31,839

it's a felony to take money from people

287

00:11:36,550 --> 00:11:33,360

and tell

288

00:11:39,269 --> 00:11:36,560

fairy tales about things that you know

289

00:11:41,430 --> 00:11:39,279

or any reasonable person that did even

290

00:11:45,750 --> 00:11:41,440

the least bit of investigation would

291

00:11:47,990 --> 00:11:45,760

know are complete and total frauds

292

00:11:49,030 --> 00:11:48,000

but she did she took the money and she

293

00:11:50,069 --> 00:11:49,040

ran

294

00:11:51,910 --> 00:11:50,079

and

295

00:11:54,310 --> 00:11:51,920

you know it's unfortunate but that's

296

00:11:57,430 --> 00:11:54,320

just the way that it is

297

00:12:01,990 --> 00:11:57,440

and so the carrot documents to me

298

00:12:03,190 --> 00:12:02,000

complete total frauds some you know

299

00:12:05,190 --> 00:12:03,200

some person

300

00:12:07,590 --> 00:12:05,200

wanted to create a hoax

301

00:12:09,030 --> 00:12:07,600

made some real nice documents

302

00:12:11,590 --> 00:12:09,040

created some

303

00:12:14,389 --> 00:12:11,600

i i have to say they're well done fake

304

00:12:16,710 --> 00:12:14,399

pictures but they're still fake pictures

305

00:12:19,910 --> 00:12:16,720

and to me i always come back to this

306

00:12:21,910 --> 00:12:19,920

time and time and time again

307

00:12:24,949 --> 00:12:21,920

i want to know the truth

308

00:12:28,389 --> 00:12:24,959

if there's really alien extraterrestrial

309

00:12:31,190 --> 00:12:28,399

visitors visiting our planet i want to

310

00:12:34,629 --> 00:12:31,200

know that i want to know the truth

311

00:12:37,110 --> 00:12:34,639

so when some of these ufo hucksters

312

00:12:38,870 --> 00:12:37,120

and by the way all of these pictures and

313

00:12:40,230 --> 00:12:38,880

the documents and everything were sent

314

00:12:42,790 --> 00:12:40,240

to miss hal

315

00:12:45,030 --> 00:12:42,800

and earth files and these other

316

00:12:48,230 --> 00:12:45,040

entities completely and totally and

317

00:12:49,430 --> 00:12:48,240

honest anonymously so you nobody could

318

00:12:51,670 --> 00:12:49,440

verify

319

00:12:54,550 --> 00:12:51,680

that a real person center these for all

320

00:12:57,430 --> 00:12:54,560

we know she sent them to herself she

321

00:13:00,389 --> 00:12:57,440

could have created them for all we know

322

00:13:02,310 --> 00:13:00,399

it's completely and totally

323

00:13:03,990 --> 00:13:02,320

a fraud

324

00:13:06,870 --> 00:13:04,000

and that's unfortunate because like i

325

00:13:09,430 --> 00:13:06,880

said i want to know the truth if there's

326

00:13:11,350 --> 00:13:09,440

really alien extraterrestrials out there

327

00:13:13,190 --> 00:13:11,360

i want to know it i want to know we're

328

00:13:14,870 --> 00:13:13,200

not alone in the universe

329

00:13:17,110 --> 00:13:14,880

i truly believe we're not but i'd like

330

00:13:19,350 --> 00:13:17,120

to know it for a fact and if our

331

00:13:21,590 --> 00:13:19,360

government really does know the truth

332

00:13:24,230 --> 00:13:21,600

and is keeping it from us then i'm

333

00:13:27,110 --> 00:13:24,240

pissed off and i want to know the truth

334

00:13:28,870 --> 00:13:27,120

who are they to keep this this is

335

00:13:31,509 --> 00:13:28,880

if it's true

336

00:13:34,069 --> 00:13:31,519

would be the most life-changing

337

00:13:36,150 --> 00:13:34,079

mind-altering experience in human

338

00:13:37,990 --> 00:13:36,160

history we'd finally get to know that

339

00:13:40,150 --> 00:13:38,000

there are other races

340

00:13:42,710 --> 00:13:40,160

out there in the universe and that they

341

00:13:43,990 --> 00:13:42,720

have visited us

342

00:13:46,710 --> 00:13:44,000

but

343

00:13:49,110 --> 00:13:46,720

like i said we have these ufo hucksters

344

00:13:51,189 --> 00:13:49,120

and they're making a nice living i'd

345

00:13:54,310 --> 00:13:51,199

like to publicly challenge miss hal and

346

00:13:56,550 --> 00:13:54,320

ask her how much did you make last year

347

00:13:58,710 --> 00:13:56,560

selling [h__\h] because that's what she

348

00:14:01,030 --> 00:13:58,720

does she sells [h__\h]

349

00:14:03,509 --> 00:14:01,040

and it's unfortunate so tonight we're to

350

00:14:05,350 --> 00:14:03,519

get to talk to john ventry who is

351

00:14:07,910 --> 00:14:05,360

completely and totally beyond your

352

00:14:10,949 --> 00:14:07,920

approach as far as [h__\h] goes because

353

00:14:13,430 --> 00:14:10,959

this guy does his due diligence i can't

354

00:14:15,189 --> 00:14:13,440

tell you enough how how much respect i

355

00:14:17,829 --> 00:14:15,199

have for this guy because

356

00:14:20,389 --> 00:14:17,839

he has done the hard work he does the

357

00:14:22,790 --> 00:14:20,399

freedom of information act stuff

358

00:14:26,389 --> 00:14:22,800

he corroborates things this guy is

359

00:14:30,150 --> 00:14:26,399

beating up like faa people going i want

360

00:14:31,269 --> 00:14:30,160

the radar tapes and you gotta admire a

361

00:14:33,670 --> 00:14:31,279

guy

362

00:14:36,389 --> 00:14:33,680

with balls like that like that's the

363

00:14:39,110 --> 00:14:36,399

kind of investigators that this

364

00:14:42,310 --> 00:14:39,120

community needs and it's unfortunate but

365

00:14:45,430 --> 00:14:42,320

you go to a ufo like convention and you

366

00:14:47,430 --> 00:14:45,440

see frauds like romanek and and linda

367

00:14:50,949 --> 00:14:47,440

moulton hale and all these other

368

00:14:52,870 --> 00:14:50,959

fake alien abductee people and

369

00:14:55,350 --> 00:14:52,880

it's just [h__h] and that's

370

00:14:56,710 --> 00:14:55,360

unfortunate because there are good

371

00:15:00,069 --> 00:14:56,720

people out there

372

00:15:03,110 --> 00:15:00,079

i have to say that uh mr john ventry is

373

00:15:05,590 --> 00:15:03,120

the pa state mufon director but beyond

374

00:15:08,069 --> 00:15:05,600

that uh he's really

375

00:15:09,110 --> 00:15:08,079

high ranking in that organization which

376

00:15:12,870 --> 00:15:09,120

is a

377

00:15:16,150 --> 00:15:12,880

it's a non-profit which is great so

378

00:15:18,629 --> 00:15:16,160

they those guys are the civilian ufo

379

00:15:21,110 --> 00:15:18,639

investigators and when somebody sees

380

00:15:24,550 --> 00:15:21,120

lights in the sky or says hey i saw a

381

00:15:26,629 --> 00:15:24,560

flying saucer if it seems like uh

382

00:15:28,710 --> 00:15:26,639

worthy of investigating those guys take

383

00:15:31,110 --> 00:15:28,720

their time their money and their energy

384

00:15:33,110 --> 00:15:31,120

and they go out into the field and they

385

00:15:35,910 --> 00:15:33,120

investigate these things and they try to

386

00:15:38,310 --> 00:15:35,920

get to the truth of what it is

387

00:15:39,430 --> 00:15:38,320

now quite often it does turn out to be

388

00:15:41,430 --> 00:15:39,440

some

389

00:15:44,150 --> 00:15:41,440

explainable event

390

00:15:46,150 --> 00:15:44,160

you know hey there was uh

391

00:15:48,150 --> 00:15:46,160

there was a bunch of helicopters in that

392

00:15:51,350 --> 00:15:48,160

area doing uh

393

00:15:53,670 --> 00:15:51,360

doing a training exercise and they had

394

00:15:55,350 --> 00:15:53,680

lights you know so there were some

395

00:15:57,269 --> 00:15:55,360

lights in the sky yeah but it turns out

396

00:15:58,310 --> 00:15:57,279

to be helicopters or whatever the case

397

00:16:00,470 --> 00:15:58,320

may be

398

00:16:03,110 --> 00:16:00,480

they're very truthful i have to say move

399

00:16:05,269 --> 00:16:03,120

on and what they find they don't invent

400

00:16:09,509 --> 00:16:05,279

things they don't

401
00:16:11,430 --> 00:16:09,519
um extrapolate they don't you know

402
00:16:12,230 --> 00:16:11,440
they don't embellish

403
00:16:14,710 --> 00:16:12,240
what

404
00:16:16,949 --> 00:16:14,720
the gist of the case is

405
00:16:19,509 --> 00:16:16,959
they are there to give us

406
00:16:21,829 --> 00:16:19,519
what is the truth of

407
00:16:24,550 --> 00:16:21,839
unexplained phenomenon in the skies and

408
00:16:26,310 --> 00:16:24,560
people like john ventry really they

409
00:16:27,509 --> 00:16:26,320
should be commended for the work that

410
00:16:30,310 --> 00:16:27,519
they do

411
00:16:32,310 --> 00:16:30,320
i mean uh john had a long and successful

412
00:16:33,189 --> 00:16:32,320
career in the private business world and

413
00:16:51,509 --> 00:16:33,199

i

414

00:16:52,629 --> 00:16:51,519

just gave up a few but

415

00:16:54,949 --> 00:16:52,639

you know

416

00:16:56,710 --> 00:16:54,959

this guy directs all of these different

417

00:16:59,189 --> 00:16:56,720

investigators that are running around

418

00:17:01,670 --> 00:16:59,199

trying to get to the truth of what's in

419

00:17:03,749 --> 00:17:01,680

our skies and i don't know about you but

420

00:17:05,829 --> 00:17:03,759

even from just like a security

421

00:17:08,549 --> 00:17:05,839

standpoint or from

422

00:17:10,069 --> 00:17:08,559

you know a national security standpoint

423

00:17:13,110 --> 00:17:10,079

if there's stuff

424

00:17:15,029 --> 00:17:13,120

that's flying around in our skies and we

425

00:17:17,590 --> 00:17:15,039

don't know what it is

426

00:17:19,429 --> 00:17:17,600

you know i think that's a problem

427

00:17:21,590 --> 00:17:19,439

and the fact that our government doesn't

428

00:17:24,710 --> 00:17:21,600

care enough to go investigate these

429

00:17:25,990 --> 00:17:24,720

things it's very troubling to me so i

430

00:17:28,150 --> 00:17:26,000

personally

431

00:17:29,909 --> 00:17:28,160

myself i'm very happy that we have

432

00:17:31,669 --> 00:17:29,919

something like mufon and especially

433

00:17:34,230 --> 00:17:31,679

somebody like john ventry who's going to

434

00:17:37,110 --> 00:17:34,240

run around and go look i'm going to get

435

00:17:39,990 --> 00:17:37,120

to the truth and to his credit john has

436

00:17:42,390 --> 00:17:40,000

done some incredible investigations

437

00:17:45,669 --> 00:17:42,400

and investigated some of the great

438

00:17:47,750 --> 00:17:45,679

mysteries here in some cases there was

439

00:17:51,110 --> 00:17:47,760

actual physical proof

440

00:17:53,909 --> 00:17:51,120

of some kind of phenomenon that happened

441

00:17:55,270 --> 00:17:53,919

and john tis credit was instrumental in

442

00:17:56,870 --> 00:17:55,280

that and he's been on television a

443

00:17:59,110 --> 00:17:56,880

couple of times talking about these

444

00:18:01,029 --> 00:17:59,120

specific cases where there was trace

445

00:18:03,590 --> 00:18:01,039

evidence left in

446

00:18:04,950 --> 00:18:03,600

a witnesses trees

447

00:18:05,909 --> 00:18:04,960

and

448

00:18:07,990 --> 00:18:05,919

i

449

00:18:10,549 --> 00:18:08,000

should also say that he's an excellent

450

00:18:12,150 --> 00:18:10,559

author he's got some great books out

451
00:18:14,150 --> 00:18:12,160
that you can get

452
00:18:16,789 --> 00:18:14,160
and if you really want to be fully

453
00:18:18,710 --> 00:18:16,799
informed about this ufo topic and the

454
00:18:21,190 --> 00:18:18,720
subject of ufos

455
00:18:23,430 --> 00:18:21,200
john is probably the best author that

456
00:18:25,270 --> 00:18:23,440
you should begin with if you don't have

457
00:18:27,190 --> 00:18:25,280
any ufo books

458
00:18:29,190 --> 00:18:27,200
he has

459
00:18:32,789 --> 00:18:29,200
written some incredible

460
00:18:35,029 --> 00:18:32,799
fact-based books that have corroboration

461
00:18:36,549 --> 00:18:35,039
and witnesses and

462
00:18:38,549 --> 00:18:36,559
are truthful

463
00:18:40,549 --> 00:18:38,559

he's not one of those ufo hucksters

464

00:18:42,390 --> 00:18:40,559

that's out there selling any story he

465

00:18:44,870 --> 00:18:42,400

can just to write a book

466

00:18:46,070 --> 00:18:44,880

honestly i think that john writes books

467

00:18:48,950 --> 00:18:46,080

based on

468

00:18:51,830 --> 00:18:48,960

you know his kind of insatiable need

469

00:18:52,789 --> 00:18:51,840

that i see in him to get to the truth

470

00:18:54,789 --> 00:18:52,799

which is

471

00:18:57,990 --> 00:18:54,799

something that i share

472

00:18:59,430 --> 00:18:58,000

i myself have the same thing going on if

473

00:19:01,190 --> 00:18:59,440

there's like i said if there's

474

00:19:04,230 --> 00:19:01,200

extraterrestrials out there i want to

475

00:19:06,789 --> 00:19:04,240

know you know what even if it's russian

476

00:19:09,029 --> 00:19:06,799

aircraft that are flying over our skies

477

00:19:11,590 --> 00:19:09,039

and our government don't know maybe they

478

00:19:13,909 --> 00:19:11,600

have some kind of advanced technology i

479

00:19:16,470 --> 00:19:13,919

want to know the truth

480

00:19:17,830 --> 00:19:16,480

and john like me i'm so happy to get to

481

00:19:19,590 --> 00:19:17,840

talk to him tonight because he's got

482

00:19:21,909 --> 00:19:19,600

that same kind of thing

483

00:19:24,070 --> 00:19:21,919

you know it's not sensationalized

484

00:19:27,190 --> 00:19:24,080

nonsense that he's selling that he knows

485

00:19:28,870 --> 00:19:27,200

is fraud fake [h__h]

486

00:19:30,950 --> 00:19:28,880

john's not one of those guys going

487

00:19:32,630 --> 00:19:30,960

around selling [h__h]

488

00:19:34,710 --> 00:19:32,640

and it's unfortunate but he doesn't get

489

00:19:36,110 --> 00:19:34,720

as much attention as some of the other

490

00:19:39,990 --> 00:19:36,120

people because they have this

491

00:19:43,430 --> 00:19:40,000

sensationalized stories full of [h__\h]

492

00:19:46,789 --> 00:19:43,440

so tonight i am incredibly honored and

493

00:19:48,710 --> 00:19:46,799

happy to present an amazing expert guest

494

00:19:50,549 --> 00:19:48,720

on the ufo field

495

00:19:52,789 --> 00:19:50,559

john ventry

496

00:19:54,789 --> 00:19:52,799

pa state mufon director

497

00:19:55,830 --> 00:19:54,799

television personality

498

00:19:57,830 --> 00:19:55,840

and

499

00:20:00,549 --> 00:19:57,840

incredible author

500

00:20:02,070 --> 00:20:00,559

ladies and gentlemen please welcome

501

00:20:06,950 --> 00:20:02,080

my guest tonight

502

00:20:09,909 --> 00:20:06,960

pa state mufon director john ventry

503

00:20:12,149 --> 00:20:09,919

john thanks for being on the show

504

00:20:13,990 --> 00:20:12,159

hey thanks for having me on steve

505

00:20:15,830 --> 00:20:14,000

you know the first question i wanted to

506

00:20:18,149 --> 00:20:15,840

ask you is a question i ask a lot of

507

00:20:20,390 --> 00:20:18,159

people that are into the ufo subject

508

00:20:22,710 --> 00:20:20,400

what got you started and what has kept

509

00:20:24,950 --> 00:20:22,720

you so fascinated over the years with

510

00:20:27,190 --> 00:20:24,960

the subject

511

00:20:29,909 --> 00:20:27,200

yeah you know steve i probably have a

512

00:20:31,350 --> 00:20:29,919

very different answer than anyone else

513

00:20:34,230 --> 00:20:31,360

you've had

514

00:20:35,590 --> 00:20:34,240

most of the people i know in mufon and

515

00:20:37,669 --> 00:20:35,600

in this field

516

00:20:39,669 --> 00:20:37,679

they had an interest in this as a 10

517

00:20:41,430 --> 00:20:39,679

year old you know for example stan

518

00:20:44,789 --> 00:20:41,440

gordon was 10 years old most of the

519

00:20:47,510 --> 00:20:44,799

mufon people were into this as kids and

520

00:20:50,710 --> 00:20:47,520

i never was to be honest with you i was

521

00:20:52,950 --> 00:20:50,720

a comic-con you know famous monsters of

522

00:20:55,350 --> 00:20:52,960

film land horror fan

523

00:20:57,830 --> 00:20:55,360

you know my whole life and i i got

524

00:21:00,789 --> 00:20:57,840

involved in this i was almost 40

525

00:21:03,029 --> 00:21:00,799

and what happened was i wanted to i was

526

00:21:04,710 --> 00:21:03,039

on a special assignment at work

527

00:21:07,029 --> 00:21:04,720

traveling around the country for 18

528

00:21:09,110 --> 00:21:07,039

months and it was really boring at night

529

00:21:11,750 --> 00:21:09,120

and on the weekends so i wanted to write

530

00:21:14,870 --> 00:21:11,760

a sci-fi book and i started

531

00:21:17,669 --> 00:21:14,880

investigating end time prophecies and i

532

00:21:21,750 --> 00:21:17,679

wrote a sci-fi novel based on the mayan

533

00:21:24,390 --> 00:21:21,760

calendar but while while i was doing it

534

00:21:27,350 --> 00:21:24,400

i kept coming across all these different

535

00:21:30,710 --> 00:21:27,360

cultures that talked about

536

00:21:32,789 --> 00:21:30,720

people on flying shields star people

537

00:21:36,710 --> 00:21:32,799

people from space you know whether it

538

00:21:38,870 --> 00:21:36,720

was the mayans that you know the chinese

539

00:21:41,510 --> 00:21:38,880

indians hope the indians etc so i said

540

00:21:43,350 --> 00:21:41,520

you know what i gotta look into this ufo

541

00:21:47,510 --> 00:21:43,360

thing as soon as i'm done with with the

542

00:21:49,590 --> 00:21:47,520

book and that was back in 96 uh 95

543

00:21:52,789 --> 00:21:49,600

and what i did was i joined mufapan in

544

00:21:54,710 --> 00:21:52,799

98 mainly because i used to watch that

545

00:21:57,029 --> 00:21:54,720

tv show sightings

546

00:21:59,029 --> 00:21:57,039

and anytime they talked about ufos they

547

00:21:59,750 --> 00:21:59,039

had the mufon investigator and i said

548

00:22:00,870 --> 00:21:59,760

well

549

00:22:02,549 --> 00:22:00,880

you know

550

00:22:04,630 --> 00:22:02,559

that was such a cool show i wish they'd

551
00:22:08,070 --> 00:22:04,640
bring it on dvd they never did you know

552
00:22:09,669 --> 00:22:08,080
i taped them i have them on uh vhs as a

553
00:22:10,830 --> 00:22:09,679
matter of fact as a side note before i

554
00:22:13,270 --> 00:22:10,840
finish how i got

555
00:22:14,070 --> 00:22:13,280
involved the virginia state director

556
00:22:16,789 --> 00:22:14,080
said

557
00:22:19,430 --> 00:22:16,799
that there was a film episode of the

558
00:22:22,230 --> 00:22:19,440
socorro new mexico case

559
00:22:25,029 --> 00:22:22,240
on sightings and nobody has been able to

560
00:22:27,510 --> 00:22:25,039
find it and it was the actual three

561
00:22:29,990 --> 00:22:27,520
spots that that craft had landed and

562
00:22:32,789 --> 00:22:30,000
made imprints so

563
00:22:35,110 --> 00:22:32,799

i went through my dvd uh vhs i should

564

00:22:37,110 --> 00:22:35,120

say and i found it and i copied it and i

565

00:22:39,190 --> 00:22:37,120

sent it to him so that was the case he

566

00:22:41,190 --> 00:22:39,200

was working on and nobody else the

567

00:22:43,270 --> 00:22:41,200

sightings wouldn't give him the footage

568

00:22:45,029 --> 00:22:43,280

but i had it so i sent it to him

569

00:22:47,110 --> 00:22:45,039

so i mean that's just a side note so

570

00:22:49,350 --> 00:22:47,120

what happened was um

571

00:22:52,149 --> 00:22:49,360

i started looking into ufos joined mufon

572

00:22:53,230 --> 00:22:52,159

in 98 and became a state director i

573

00:22:56,789 --> 00:22:53,240

think in

574

00:22:58,310 --> 00:22:56,799

2005 or or six and

575

00:23:00,789 --> 00:22:58,320

the thing is

576

00:23:03,430 --> 00:23:00,799

the more you look with this field the

577

00:23:05,270 --> 00:23:03,440

more you find i i'm just i can't pull

578

00:23:07,029 --> 00:23:05,280

out of it i said to people i want to

579

00:23:10,630 --> 00:23:07,039

pull away from this a little bit and not

580

00:23:12,710 --> 00:23:10,640

spend so much time on it and um

581

00:23:14,390 --> 00:23:12,720

you know it's like godfather three every

582

00:23:16,630 --> 00:23:14,400

time i want to pull out they pull me

583

00:23:18,789 --> 00:23:16,640

right back in

584

00:23:19,909 --> 00:23:18,799

way it's like down the rabbit hole you

585

00:23:21,510 --> 00:23:19,919

know

586

00:23:22,950 --> 00:23:21,520

i try myself i say all right i'm going

587

00:23:24,950 --> 00:23:22,960

to take a break from this stuff and then

588

00:23:27,270 --> 00:23:24,960

somebody will call me or email me with

589

00:23:30,549 --> 00:23:27,280

some case or some something that's going

590

00:23:32,549 --> 00:23:30,559

on you just can't stop

591

00:23:34,149 --> 00:23:32,559

do you think you ever get closer to the

592

00:23:36,710 --> 00:23:34,159

truth though because you've been doing

593

00:23:38,710 --> 00:23:36,720

this much longer than me

594

00:23:40,149 --> 00:23:38,720

yeah well you know let me answer that i

595

00:23:41,669 --> 00:23:40,159

just want to give you one other example

596

00:23:43,350 --> 00:23:41,679

i was just on the phone with my

597

00:23:45,909 --> 00:23:43,360

publisher uh

598

00:23:48,710 --> 00:23:45,919

20 minutes before the interview and we

599

00:23:51,510 --> 00:23:48,720

were talking about dating i had just met

600

00:23:55,350 --> 00:23:51,520

somebody and i texted him and said you

601
00:23:57,750 --> 00:23:55,360
know she she texted me not interested

602
00:23:59,830 --> 00:23:57,760
i spoke at the pittsburgh wizard world

603
00:24:02,310 --> 00:23:59,840
comic con two weeks ago right and i took

604
00:24:03,830 --> 00:24:02,320
her and she was so uncomfortable even

605
00:24:06,630 --> 00:24:03,840
though you know william shatner was

606
00:24:08,470 --> 00:24:06,640
there david duchovny the walking dead

607
00:24:10,149 --> 00:24:08,480
and she said to me you know when she

608
00:24:14,230 --> 00:24:10,159
left that i don't know if i want this in

609
00:24:17,669 --> 00:24:14,240
my life and i have lost here i'm serious

610
00:24:20,630 --> 00:24:17,679
i've lost five out of six dates

611
00:24:22,710 --> 00:24:20,640
as soon as the ufo topic comes up so you

612
00:24:25,430 --> 00:24:22,720
know you not only can't get away from

613
00:24:26,950 --> 00:24:25,440

this you can't hold on to a date i mean

614

00:24:28,950 --> 00:24:26,960

and he was laughing he says he has the

615

00:24:31,350 --> 00:24:28,960

same problem he used to be the chief

616

00:24:33,750 --> 00:24:31,360

investigator for mufon richard lange and

617

00:24:35,750 --> 00:24:33,760

he's my publisher and he goes as soon as

618

00:24:38,470 --> 00:24:35,760

ufos come up and we both said the same

619

00:24:39,909 --> 00:24:38,480

thing we gotta not mention it when you

620

00:24:41,590 --> 00:24:39,919

meet somebody you know when you go out

621

00:24:44,710 --> 00:24:41,600

on you even though you're proud of it

622

00:24:46,630 --> 00:24:44,720

you do the tv shows and books

623

00:24:48,710 --> 00:24:46,640

you know i don't think that's because

624

00:24:51,669 --> 00:24:48,720

that's there should be two separate

625

00:24:53,029 --> 00:24:51,679

classes though of ufo ufo people because

626

00:24:55,430 --> 00:24:53,039

i was just talking about this in a

627

00:24:58,070 --> 00:24:55,440

previous show there's some people and i

628

00:25:00,070 --> 00:24:58,080

call them like ufo hucksters

629

00:25:02,310 --> 00:25:00,080

and not not including you sir because

630

00:25:04,390 --> 00:25:02,320

you're like very factual that's why i

631

00:25:07,190 --> 00:25:04,400

like your stuff but there's some people

632

00:25:10,549 --> 00:25:07,200

that just they hear any story no

633

00:25:13,269 --> 00:25:10,559

corroboration no proof no trace evidence

634

00:25:16,470 --> 00:25:13,279

nothing they just go repeating these

635

00:25:18,870 --> 00:25:16,480

stories they don't verify things they

636

00:25:20,789 --> 00:25:18,880

don't get any kind of they don't do fact

637

00:25:23,029 --> 00:25:20,799

checking like like some of the stories

638

00:25:25,269 --> 00:25:23,039

like dan burrish and some other people

639

00:25:27,510 --> 00:25:25,279

you just go really the guy's not a

640

00:25:30,230 --> 00:25:27,520

doctor he's not you know he never went

641

00:25:32,230 --> 00:25:30,240

to any of these schools why why are

642

00:25:34,310 --> 00:25:32,240

people getting paid the lecture on this

643

00:25:36,950 --> 00:25:34,320

guy it doesn't make any sense if there

644

00:25:38,950 --> 00:25:36,960

was two separate classes i think a lot

645

00:25:40,710 --> 00:25:38,960

of the people rolling their eyes would

646

00:25:43,510 --> 00:25:40,720

stop because they have to know there's

647

00:25:46,950 --> 00:25:43,520

people like you and you know

648

00:25:49,269 --> 00:25:46,960

giving and staying gordon or you know

649

00:25:52,310 --> 00:25:49,279

you know stan friedman that have like

650

00:25:54,390 --> 00:25:52,320

factual evidence that's the stuff i like

651
00:25:56,149 --> 00:25:54,400
and want to get to

652
00:25:57,830 --> 00:25:56,159
well you know that's the newest book i

653
00:25:59,510 --> 00:25:57,840
wrote but you know it's and i even in

654
00:26:00,950 --> 00:25:59,520
the beginning of my intro in the book i

655
00:26:03,110 --> 00:26:00,960
say a little bit you know i don't want

656
00:26:04,710 --> 00:26:03,120
to go i don't want to get too pushy

657
00:26:07,269 --> 00:26:04,720
because you want people to read the book

658
00:26:09,029 --> 00:26:07,279
but you know i say that in my book that

659
00:26:10,870 --> 00:26:09,039
you know we have the problem with the

660
00:26:13,029 --> 00:26:10,880
field is that there are some people who

661
00:26:15,430 --> 00:26:13,039
believe everything you know and i give

662
00:26:17,510 --> 00:26:15,440
stan romanek as an example in my book i

663
00:26:18,789 --> 00:26:17,520

said you know look at what this guy

664

00:26:21,190 --> 00:26:18,799

you know he claims everything has

665

00:26:23,430 --> 00:26:21,200

happened to him and uh yet look at the

666

00:26:26,230 --> 00:26:23,440

you know you got him faking paranormal

667

00:26:27,510 --> 00:26:26,240

activity on on a one show you can find

668

00:26:30,070 --> 00:26:27,520

that on youtube

669

00:26:31,909 --> 00:26:30,080

um you know

670

00:26:33,669 --> 00:26:31,919

dan

671

00:26:35,669 --> 00:26:33,679

like it just

672

00:26:37,990 --> 00:26:35,679

i i don't understand and i think that

673

00:26:40,390 --> 00:26:38,000

the community itself should probably

674

00:26:43,269 --> 00:26:40,400

police these things don't hire that guy

675

00:26:45,190 --> 00:26:43,279

and and let him get paid to tell fairy

676
00:26:47,669 --> 00:26:45,200
tales but but people want to be able to

677
00:26:49,269 --> 00:26:47,679
you know i i agree you know

678
00:26:51,269 --> 00:26:49,279
you know

679
00:26:54,549 --> 00:26:51,279
and i had a personal experience with him

680
00:26:57,269 --> 00:26:54,559
i i i fell into the stan romanek uh

681
00:26:58,950 --> 00:26:57,279
you know drawer as a conference speaker

682
00:27:01,110 --> 00:26:58,960
and you know of course i had to fly his

683
00:27:02,789 --> 00:27:01,120
wife out too because she has to speak so

684
00:27:04,789 --> 00:27:02,799
you know i had to pay for two plane

685
00:27:06,630 --> 00:27:04,799
tickets he cancels

686
00:27:08,549 --> 00:27:06,640
you know he cancels on me and says he's

687
00:27:10,390 --> 00:27:08,559
got lyme disease and he's having his

688
00:27:12,149 --> 00:27:10,400

spleen out and i said okay so he

689

00:27:14,870 --> 00:27:12,159

cancelled he gave me a 30-day notice and

690

00:27:16,870 --> 00:27:14,880

he cancelled and then i found out a

691

00:27:19,110 --> 00:27:16,880

couple of days after my my pittsburgh

692

00:27:21,590 --> 00:27:19,120

conference he was in bucks county

693

00:27:23,990 --> 00:27:21,600

soliciting funds for himself at this big

694

00:27:26,310 --> 00:27:24,000

high dollar speed you know dinner that

695

00:27:27,909 --> 00:27:26,320

this millionaire had that's where he was

696

00:27:28,789 --> 00:27:27,919

so he there was no lyme disease there

697

00:27:31,269 --> 00:27:28,799

was no

698

00:27:33,750 --> 00:27:31,279

no spleen coming out you know

699

00:27:36,070 --> 00:27:33,760

this is this is who this guy is you know

700

00:27:37,750 --> 00:27:36,080

perhaps you know now he's up filed porn

701
00:27:40,070 --> 00:27:37,760
charges and stuff and he's saying they

702
00:27:43,510 --> 00:27:40,080
planted the evidence but but see people

703
00:27:45,110 --> 00:27:43,520
and it's amazing how many people i know

704
00:27:46,350 --> 00:27:45,120
believe him

705
00:27:49,190 --> 00:27:46,360
they believe this

706
00:27:50,950 --> 00:27:49,200
is that there's a there's a wide range

707
00:27:54,149 --> 00:27:50,960
of people into this subject and some

708
00:27:56,710 --> 00:27:54,159
people go way to the believer's side i'm

709
00:27:59,750 --> 00:27:56,720
i'm squarely in the middle like i i want

710
00:28:02,870 --> 00:27:59,760
to believe but give me some evidence

711
00:28:04,710 --> 00:28:02,880
and that's why i like your stuff uh

712
00:28:06,870 --> 00:28:04,720
i should mention that

713
00:28:08,950 --> 00:28:06,880

mr ventry was involved in

714

00:28:12,070 --> 00:28:08,960

some of my favorite cases right in my

715

00:28:14,230 --> 00:28:12,080

home state in pa because there was trace

716

00:28:16,470 --> 00:28:14,240

physical evidence can you tell us a

717

00:28:18,710 --> 00:28:16,480

little bit about that

718

00:28:21,510 --> 00:28:18,720

you know i think two of the best cases

719

00:28:23,590 --> 00:28:21,520

that we've had was in 2008 and you know

720

00:28:25,669 --> 00:28:23,600

it's funny everybody remembers

721

00:28:27,430 --> 00:28:25,679

stephensville because the year started

722

00:28:30,470 --> 00:28:27,440

with the stephensville case back in

723

00:28:33,269 --> 00:28:30,480

january but the year really ended with

724

00:28:34,710 --> 00:28:33,279

the bucks county pa cases you know

725

00:28:36,870 --> 00:28:34,720

really in the summer and towards the

726

00:28:38,630 --> 00:28:36,880

fall uh you know it started with

727

00:28:41,350 --> 00:28:38,640

stevensville it ended in pennsylvania

728

00:28:43,669 --> 00:28:41,360

but two of the best cases we had and

729

00:28:45,669 --> 00:28:43,679

they've been the the denise case has

730

00:28:47,909 --> 00:28:45,679

been on like five different shows and i

731

00:28:51,350 --> 00:28:47,919

did i went and did an anderson cooper

732

00:28:53,669 --> 00:28:51,360

show on that in 2012.

733

00:28:55,590 --> 00:28:53,679

or know that you there was an episode of

734

00:29:02,149 --> 00:28:55,600

ufo hunters

735

00:29:03,909 --> 00:29:02,159

alien i can't remember the names of the

736

00:29:06,149 --> 00:29:03,919

shows i did i've done it about four

737

00:29:07,750 --> 00:29:06,159

times plus anderson cooper but the

738

00:29:11,990 --> 00:29:07,760

denise case

739

00:29:13,350 --> 00:29:12,000

was denise murter in levittown she uh

740

00:29:15,269 --> 00:29:13,360

four times

741

00:29:17,909 --> 00:29:15,279

saw a ufo

742

00:29:20,070 --> 00:29:17,919

the dog started barking like three three

743

00:29:22,310 --> 00:29:20,080

in the morning woke her up and she saw a

744

00:29:25,029 --> 00:29:22,320

triangular craft approaching

745

00:29:28,470 --> 00:29:25,039

and uh on one instance i think that was

746

00:29:31,029 --> 00:29:28,480

in may of 08 it dropped these metallic

747

00:29:33,269 --> 00:29:31,039

sprinkles into the tree in her yard and

748

00:29:35,990 --> 00:29:33,279

she was like amazed like what is and

749

00:29:39,350 --> 00:29:36,000

then it just pulled them right back up

750

00:29:41,350 --> 00:29:39,360

into the uh craft so what we did was

751

00:29:43,190 --> 00:29:41,360

myself and the investigator mostly

752

00:29:45,510 --> 00:29:43,200

investigated because i lived 300 miles

753

00:29:47,909 --> 00:29:45,520

from there you know he cut

754

00:29:49,909 --> 00:29:47,919

you know leaves and stuff off that tree

755

00:29:52,630 --> 00:29:49,919

plus a couple of sample trees in the

756

00:29:55,510 --> 00:29:52,640

yard and around the corner and only the

757

00:29:56,710 --> 00:29:55,520

tree in her yard had high levels of

758

00:30:00,870 --> 00:29:56,720

boron

759

00:30:03,190 --> 00:30:00,880

used in stealth aircraft well okay so

760

00:30:05,269 --> 00:30:03,200

now this thing doesn't reflect radar and

761

00:30:09,190 --> 00:30:05,279

probably neither did the craft reflect

762

00:30:11,110 --> 00:30:09,200

radar and uh it's used in paints and in

763

00:30:12,710 --> 00:30:11,120

nuclear reactors and stuff like that too

764

00:30:14,870 --> 00:30:12,720

but you know and i asked denise do you

765

00:30:16,630 --> 00:30:14,880

have like boron in your spice rack and

766

00:30:18,470 --> 00:30:16,640

she had no idea what i was talking about

767

00:30:21,830 --> 00:30:18,480

but you know she didn't sprinkle boron

768

00:30:24,630 --> 00:30:21,840

on her tree from the second story window

769

00:30:26,870 --> 00:30:24,640

so nobody can explain how boron got on

770

00:30:28,789 --> 00:30:26,880

that tree that uh

771

00:30:30,710 --> 00:30:28,799

you know that she said this happened and

772

00:30:33,510 --> 00:30:30,720

you know and i even asked the lab but i

773

00:30:35,590 --> 00:30:33,520

said you know boric acid is used in you

774

00:30:38,230 --> 00:30:35,600

know pesticides fertilizer stuff like

775

00:30:40,870 --> 00:30:38,240

that and she goes john if it was boric

776

00:30:43,669 --> 00:30:40,880

acid i would have listed boric acid it

777

00:30:46,389 --> 00:30:43,679

wasn't it was boron not boric acid you

778

00:30:48,950 --> 00:30:46,399

know so so it was a really good case

779

00:30:51,590 --> 00:30:48,960

even bill burns with ufo hunters they

780

00:30:52,710 --> 00:30:51,600

got a police sketch artist involved and

781

00:30:53,909 --> 00:30:52,720

uh

782

00:30:55,190 --> 00:30:53,919

you know they interviewed all the

783

00:30:56,549 --> 00:30:55,200

witnesses and they were like eight

784

00:30:58,710 --> 00:30:56,559

different witnesses

785

00:30:59,750 --> 00:30:58,720

and they drew uh you know what the craft

786

00:31:01,430 --> 00:30:59,760

looked like

787

00:31:03,909 --> 00:31:01,440

and you know the pictures were all

788

00:31:05,509 --> 00:31:03,919

similar so you know with ufo hunters

789

00:31:07,750 --> 00:31:05,519

they they said that that was what

790

00:31:10,549 --> 00:31:07,760

happened and uh you know we did ufos

791

00:31:12,549 --> 00:31:10,559

over earth which was the show uh right

792

00:31:14,630 --> 00:31:12,559

as we were doing this investigation

793

00:31:16,710 --> 00:31:14,640

mufon's doing their first tv series

794

00:31:18,630 --> 00:31:16,720

called ufos over earth they did two

795

00:31:20,230 --> 00:31:18,640

episodes they needed a third one so

796

00:31:22,470 --> 00:31:20,240

we're in the middle of this and and they

797

00:31:24,230 --> 00:31:22,480

got involved which was good

798

00:31:27,110 --> 00:31:24,240

because they actually had the money to

799

00:31:28,789 --> 00:31:27,120

pay for some of these lab analysis and

800

00:31:32,149 --> 00:31:28,799

and different things and then we had

801
00:31:34,149 --> 00:31:32,159
also dr professor levingood good

802
00:31:35,269 --> 00:31:34,159
he did an analysis and he said the

803
00:31:38,310 --> 00:31:35,279
leaves

804
00:31:40,149 --> 00:31:38,320
were subject to high heat or radiation

805
00:31:41,990 --> 00:31:40,159
they were emitting an enzyme called

806
00:31:44,470 --> 00:31:42,000
anthocyanine

807
00:31:46,950 --> 00:31:44,480
which is a natural admitting enzyme when

808
00:31:49,269 --> 00:31:46,960
they they're it's under radiation or or

809
00:31:50,710 --> 00:31:49,279
microwaves and uh so he's you know so

810
00:31:52,870 --> 00:31:50,720
he's saying something strange was

811
00:31:55,110 --> 00:31:52,880
happening with these leaves also and and

812
00:31:57,830 --> 00:31:55,120
what happened afterwards

813
00:32:00,230 --> 00:31:57,840

the landlord cut the tree down it was

814

00:32:01,509 --> 00:32:00,240

about a year later because he i guess he

815

00:32:03,190 --> 00:32:01,519

saw the tv show he didn't want the

816

00:32:04,710 --> 00:32:03,200

attention in the neighborhood and people

817

00:32:11,190 --> 00:32:04,720

coming

818

00:32:13,430 --> 00:32:11,200

know hanging out at the house and stuff

819

00:32:15,430 --> 00:32:13,440

like that so he cut he cut the tree down

820

00:32:18,230 --> 00:32:15,440

but that was a really good case and uh

821

00:32:20,870 --> 00:32:18,240

you know the other case that i think is

822

00:32:23,350 --> 00:32:20,880

just as good but we've only done one two

823

00:32:25,509 --> 00:32:23,360

well two times ufos of earth and then on

824

00:32:29,190 --> 00:32:25,519

close to encounters so we did both these

825

00:32:31,590 --> 00:32:29,200

cases on close encounters on on vigorous

826

00:32:34,789 --> 00:32:31,600

discovery science just earlier this year

827

00:32:38,789 --> 00:32:34,799

actually but the other case was uh cliff

828

00:32:40,549 --> 00:32:38,799

and cliff is a retired uh

829

00:32:43,190 --> 00:32:40,559

builder a beautiful house probably a

830

00:32:44,950 --> 00:32:43,200

three million dollar home so

831

00:32:47,190 --> 00:32:44,960

again

832

00:32:49,029 --> 00:32:47,200

three in the morning dog barking wakes

833

00:32:50,950 --> 00:32:49,039

him up same as denise

834

00:32:52,630 --> 00:32:50,960

and the first time he looks out he's

835

00:32:55,909 --> 00:32:52,640

laying in bed he looks out his window he

836

00:32:56,950 --> 00:32:55,919

sees this dark like cloud moving really

837

00:32:58,710 --> 00:32:56,960

slow

838

00:33:00,710 --> 00:32:58,720

towards the house so he gets up he looks

839

00:33:01,990 --> 00:33:00,720

out his window and he sees what he

840

00:33:05,909 --> 00:33:02,000

thinks is a

841

00:33:07,909 --> 00:33:05,919

six-sided craft just moving real slow he

842

00:33:09,350 --> 00:33:07,919

said like 20 miles an hour he says what

843

00:33:12,070 --> 00:33:09,360

you know he doesn't hear anything he

844

00:33:14,310 --> 00:33:12,080

says this can't be a plane it's too slow

845

00:33:16,870 --> 00:33:14,320

and it goes over his house so it happens

846

00:33:18,630 --> 00:33:16,880

again the second time again the dog

847

00:33:21,590 --> 00:33:18,640

wakes him up same thing like denise

848

00:33:24,389 --> 00:33:21,600

every time the dog woke woke her up same

849

00:33:25,909 --> 00:33:24,399

thing with him and the second time he

850

00:33:27,669 --> 00:33:25,919

got his wife

851
00:33:30,149 --> 00:33:27,679
and they went outside and there was a

852
00:33:31,190 --> 00:33:30,159
heat lightning storm so he said john i

853
00:33:34,630 --> 00:33:31,200
look up

854
00:33:37,590 --> 00:33:34,640
and it the heat lightning flashes

855
00:33:39,269 --> 00:33:37,600
he says i see this six-sided craft as

856
00:33:42,149 --> 00:33:39,279
clear as daylight when the lightning

857
00:33:43,909 --> 00:33:42,159
goes off and he says it's it's you know

858
00:33:47,029 --> 00:33:43,919
it's thick it's got these

859
00:33:49,669 --> 00:33:47,039
you know protrusions on it uh windows

860
00:33:53,269 --> 00:33:49,679
and he says they it looks like six

861
00:33:55,110 --> 00:33:53,279
triangular craft that are all docked

862
00:33:56,710 --> 00:33:55,120
creating the six sides and he says when

863
00:33:59,269 --> 00:33:56,720

the lightning went off you could see

864

00:34:00,870 --> 00:33:59,279

through the seams you know you could see

865

00:34:03,269 --> 00:34:00,880

the lightning like they were they were

866

00:34:05,830 --> 00:34:03,279

docked into this you know six-sided

867

00:34:07,830 --> 00:34:05,840

docking station so uh you know it's a

868

00:34:10,149 --> 00:34:07,840

really good case and what again the

869

00:34:12,550 --> 00:34:10,159

investigator he goes down to gets

870

00:34:15,510 --> 00:34:12,560

cleared and goes to the philly airport

871

00:34:17,750 --> 00:34:15,520

they let him in he says what he has they

872

00:34:19,589 --> 00:34:17,760

pull it up on radar and says yeah at 4

873

00:34:21,270 --> 00:34:19,599

20 in the morning on whatever the date

874

00:34:24,629 --> 00:34:21,280

was uh

875

00:34:26,869 --> 00:34:24,639

april 28th may 16th i can't remember um

876

00:34:29,349 --> 00:34:26,879

you know we had a large craft with no

877

00:34:32,069 --> 00:34:29,359

transponder come on the screen and then

878

00:34:34,869 --> 00:34:32,079

it veered off to the northeast exactly

879

00:34:37,270 --> 00:34:34,879

what cliff told us you know which was

880

00:34:39,909 --> 00:34:37,280

amazing we but the thing that happens

881

00:34:42,149 --> 00:34:39,919

after that is i said okay

882

00:34:43,589 --> 00:34:42,159

we need to get the uh

883

00:34:46,069 --> 00:34:43,599

we need to get the radar we need to get

884

00:34:48,790 --> 00:34:46,079

a confirmation from the faa even though

885

00:34:51,109 --> 00:34:48,800

they verbally told us that at the tower

886

00:34:53,990 --> 00:34:51,119

so i filed a freedom of information act

887

00:34:56,470 --> 00:34:54,000

and uh they said there's uh it's beyond

888

00:34:57,349 --> 00:34:56,480

the record retention period of 45 days

889

00:34:59,349 --> 00:34:57,359

so

890

00:35:01,349 --> 00:34:59,359

the investigator files when i file one i

891

00:35:02,870 --> 00:35:01,359

file another one i file an appeal they

892

00:35:04,790 --> 00:35:02,880

keep saying it's it's you know it's

893

00:35:06,950 --> 00:35:04,800

beyond the period

894

00:35:09,270 --> 00:35:06,960

so one of our mufon people i spoke to

895

00:35:11,990 --> 00:35:09,280

him and he tells me the procedure for

896

00:35:14,550 --> 00:35:12,000

record retention i email them at the

897

00:35:16,950 --> 00:35:14,560

philly tower i get a response back says

898

00:35:20,230 --> 00:35:16,960

i run an efficient office and yes i do

899

00:35:23,349 --> 00:35:20,240

have the radar so she sends it to me so

900

00:35:25,829 --> 00:35:23,359

she sends me uh two discs

901
00:35:27,910 --> 00:35:25,839
that look like cds but you can't read

902
00:35:31,030 --> 00:35:27,920
them because you need the raptor program

903
00:35:34,069 --> 00:35:31,040
from the faa so i sent it to our guy in

904
00:35:36,630 --> 00:35:34,079
denver he has a contact they read it he

905
00:35:39,190 --> 00:35:36,640
replies back and he says that uh

906
00:35:40,390 --> 00:35:39,200
this these discs have been copied over

907
00:35:42,470 --> 00:35:40,400
you know almost like they've been

908
00:35:44,550 --> 00:35:42,480
tampered with where they they're copied

909
00:35:48,630 --> 00:35:44,560
over and corrupted but he says i'm able

910
00:35:51,829 --> 00:35:48,640
to pull six screens of radar paints that

911
00:35:54,710 --> 00:35:51,839
show uh an object objects with no

912
00:35:58,390 --> 00:35:54,720
transponder on it you know so so here i

913
00:36:00,710 --> 00:35:58,400

got the faa saying that there's nothing

914

00:36:02,950 --> 00:36:00,720

and i've got her telling me there is and

915

00:36:04,790 --> 00:36:02,960

she sends it to me and i got her email

916

00:36:07,430 --> 00:36:04,800

and everything so it really shows what

917

00:36:09,510 --> 00:36:07,440

happens with the uh with the radar you

918

00:36:10,950 --> 00:36:09,520

know dealing with the faa and the other

919

00:36:12,630 --> 00:36:10,960

thing i learned recently too is that

920

00:36:14,790 --> 00:36:12,640

stevensville case

921

00:36:17,430 --> 00:36:14,800

someone there at the airport helped uh

922

00:36:19,030 --> 00:36:17,440

mufon on that and provided the radar

923

00:36:23,030 --> 00:36:19,040

that showed the six

924

00:36:26,710 --> 00:36:23,040

f-16s of chasing the ufo that person was

925

00:36:29,030 --> 00:36:26,720

reprimanded and uh and really from you

926
00:36:30,790 --> 00:36:29,040
know that point on the they started to

927
00:36:33,190 --> 00:36:30,800
take a stance against

928
00:36:36,150 --> 00:36:33,200
providing the freedom of information act

929
00:36:39,030 --> 00:36:36,160
radar we had a case uh in delaware

930
00:36:41,270 --> 00:36:39,040
recently and they gave us the radar now

931
00:36:44,550 --> 00:36:41,280
get this we got

932
00:36:46,630 --> 00:36:44,560
we got a squadron of ufos right they

933
00:36:49,030 --> 00:36:46,640
were seen in the sky like these orange

934
00:36:50,630 --> 00:36:49,040
orbs there was a bunch of them like

935
00:36:52,550 --> 00:36:50,640
eight or nine

936
00:36:55,349 --> 00:36:52,560
and they're in the sky so we get the

937
00:36:57,990 --> 00:36:55,359
radar the radar shows a small plane like

938
00:37:00,310 --> 00:36:58,000

a cessna flying right at them and on

939

00:37:02,790 --> 00:37:00,320

radar it shows the plane veering off to

940

00:37:05,109 --> 00:37:02,800

the left to get out of the way right

941

00:37:08,390 --> 00:37:05,119

where those these ufos are and we got it

942

00:37:10,550 --> 00:37:08,400

you know we got that on radar so uh what

943

00:37:14,230 --> 00:37:10,560

happened was that radar was through the

944

00:37:17,030 --> 00:37:14,240

military not through the fda so

945

00:37:19,270 --> 00:37:17,040

the faa finds out that we're getting

946

00:37:21,190 --> 00:37:19,280

radar and i've got it in my book

947

00:37:22,470 --> 00:37:21,200

actually the actual name of who we went

948

00:37:24,790 --> 00:37:22,480

to with the military

949

00:37:27,109 --> 00:37:24,800

they shut that branch down

950

00:37:29,990 --> 00:37:27,119

now no longer allowing them to give

951
00:37:32,790 --> 00:37:30,000
radar you have to go through the faa and

952
00:37:34,790 --> 00:37:32,800
not to the military to get the radar so

953
00:37:36,790 --> 00:37:34,800
since that point they have shut it down

954
00:37:38,710 --> 00:37:36,800
and you can't get right on so basically

955
00:37:42,230 --> 00:37:38,720
freedom of information act for radar

956
00:37:44,790 --> 00:37:42,240
with the faa i mean it's a joke uh

957
00:37:46,710 --> 00:37:44,800
yeah and i filed a complaint too

958
00:37:48,870 --> 00:37:46,720
we don't have it we don't have it it's

959
00:37:51,510 --> 00:37:48,880
past it's past the date we can get it

960
00:37:53,750 --> 00:37:51,520
for you sorry and if you hadn't been to

961
00:37:55,430 --> 00:37:53,760
your credit you were very persistent

962
00:37:57,190 --> 00:37:55,440
because you knew it was there but if you

963
00:37:59,670 --> 00:37:57,200

hadn't been so persistent you wouldn't

964

00:38:01,109 --> 00:37:59,680

have got any of that information now

965

00:38:03,270 --> 00:38:01,119

i think the

966

00:38:04,550 --> 00:38:03,280

information act is is kind of been

967

00:38:06,950 --> 00:38:04,560

castrated

968

00:38:09,270 --> 00:38:06,960

like you can file you can file them they

969

00:38:11,910 --> 00:38:09,280

don't have to give you anything i filed

970

00:38:15,430 --> 00:38:11,920

a whole bunch of stuff on kecksburg got

971

00:38:17,430 --> 00:38:15,440

nothing nothing nothing back nothing we

972

00:38:19,510 --> 00:38:17,440

don't have any if we don't have any you

973

00:38:21,750 --> 00:38:19,520

have like a hundred witnesses seeing

974

00:38:23,829 --> 00:38:21,760

military people in that case

975

00:38:27,190 --> 00:38:23,839

we don't have any record of anything on

976

00:38:32,550 --> 00:38:28,950

the other thing they're doing is they're

977

00:38:34,870 --> 00:38:32,560

charging you so on this radar um we we

978

00:38:37,670 --> 00:38:34,880

paid 95

979

00:38:39,430 --> 00:38:37,680

to get the radar and this is a second

980

00:38:42,310 --> 00:38:39,440

case now not that first one they gave us

981

00:38:44,230 --> 00:38:42,320

we had another case that we we had to go

982

00:38:46,630 --> 00:38:44,240

through the saa and because this other

983

00:38:49,670 --> 00:38:46,640

branch was shut down and we had another

984

00:38:52,390 --> 00:38:49,680

good case and uh they said well it's 95

985

00:38:54,150 --> 00:38:52,400

so i wrote him a check for 95 move on pa

986

00:38:56,310 --> 00:38:54,160

that's why we hold these conferences to

987

00:38:57,829 --> 00:38:56,320

raise money right so i write him a check

988

00:38:58,710 --> 00:38:57,839

for 95

989

00:39:00,950 --> 00:38:58,720

and

990

00:39:03,349 --> 00:39:00,960

they sent us a disc

991

00:39:05,829 --> 00:39:03,359

and again what they did was they deleted

992

00:39:08,950 --> 00:39:05,839

the column with the radar paints which

993

00:39:10,230 --> 00:39:08,960

to me is illegal and the disk was so

994

00:39:12,470 --> 00:39:10,240

huge

995

00:39:13,910 --> 00:39:12,480

if the information was there there was

996

00:39:15,589 --> 00:39:13,920

no way of finding it and they did it

997

00:39:17,910 --> 00:39:15,599

deliberately they absolutely did it

998

00:39:20,150 --> 00:39:17,920

deliberately the amount of data on this

999

00:39:22,790 --> 00:39:20,160

disc was incredible and they deleted the

1000

00:39:24,950 --> 00:39:22,800

column with the radar panes so we have a

1001
00:39:26,630 --> 00:39:24,960
real problem in this country right now

1002
00:39:28,790 --> 00:39:26,640
with the freedom of information act

1003
00:39:31,270 --> 00:39:28,800
especially from the faa they are

1004
00:39:33,190 --> 00:39:31,280
deliberately once they know who you are

1005
00:39:35,670 --> 00:39:33,200
and smooth on pa they're not going to

1006
00:39:38,150 --> 00:39:35,680
cooperate with you and to me in my mind

1007
00:39:39,190 --> 00:39:38,160
it's illegal i filed the complaint on it

1008
00:39:41,349 --> 00:39:39,200
i said

1009
00:39:43,430 --> 00:39:41,359
in the very least i want my 95 dollars

1010
00:39:45,910 --> 00:39:43,440
back because you didn't comply you need

1011
00:39:48,390 --> 00:39:45,920
to send it to me in a word document or

1012
00:39:49,430 --> 00:39:48,400
something that's readable i never got an

1013
00:39:50,710 --> 00:39:49,440

answer

1014

00:39:53,670 --> 00:39:50,720

wow

1015

00:39:55,030 --> 00:39:53,680

you know i was going to go

1016

00:39:56,550 --> 00:39:55,040

the next thing i was going to ask you

1017

00:39:59,349 --> 00:39:56,560

are our listeners

1018

00:40:02,550 --> 00:39:59,359

might be familiar with the the uf or

1019

00:40:04,790 --> 00:40:02,560

excuse me the hanger one ufo show

1020

00:40:06,870 --> 00:40:04,800

i was going to ask you is there really a

1021

00:40:09,349 --> 00:40:06,880

warehouse somewhere or is that kind of a

1022

00:40:11,670 --> 00:40:09,359

dramatized view you know that warehouse

1023

00:40:14,309 --> 00:40:11,680

i'm always like wow i'd love to go dig

1024

00:40:17,430 --> 00:40:14,319

through that place do you guys have like

1025

00:40:20,230 --> 00:40:17,440

a storage facility somewhere where a lot

1026

00:40:21,829 --> 00:40:20,240

of this information is

1027

00:40:24,069 --> 00:40:21,839

yeah the one they show you on the show

1028

00:40:26,870 --> 00:40:24,079

is the real hanger it's in Cincinnati at

1029

00:40:29,030 --> 00:40:26,880

lunken airport uh that's where the

1030

00:40:30,950 --> 00:40:29,040

headquarters was when Dave McDonald was

1031

00:40:32,550 --> 00:40:30,960

in charge and that's when the show

1032

00:40:34,630 --> 00:40:32,560

started so they went and they filmed it

1033

00:40:37,589 --> 00:40:34,640

that's hanger one that's the real hanger

1034

00:40:39,670 --> 00:40:37,599

where evidence and the files dramatized

1035

00:40:41,589 --> 00:40:39,680

i didn't think that was a real plus

1036

00:40:44,550 --> 00:40:41,599

that's amazing

1037

00:40:46,870 --> 00:40:44,560

yeah the inside is dramatized that's

1038

00:40:49,349 --> 00:40:46,880

filmed in a warehouse

1039

00:40:51,510 --> 00:40:49,359

a record retention warehouse

1040

00:40:52,870 --> 00:40:51,520

you know because you have to you have to

1041

00:40:54,230 --> 00:40:52,880

have the right setting and the lighting

1042

00:40:55,030 --> 00:40:54,240

and everything

1043

00:40:57,109 --> 00:40:55,040

yeah

1044

00:40:59,510 --> 00:40:57,119

but the outside but to know there is an

1045

00:41:01,750 --> 00:40:59,520

actual place where you guys keep all

1046

00:41:03,829 --> 00:41:01,760

these files and all this information

1047

00:41:06,150 --> 00:41:03,839

that's pretty amazing

1048

00:41:08,790 --> 00:41:06,160

yeah now what happened was two years ago

1049

00:41:12,950 --> 00:41:08,800

right after the show aired season one

1050

00:41:15,589 --> 00:41:12,960

we moved jan tarzan took over so um the

1051
00:41:17,510 --> 00:41:15,599
warehouse wrecked retention moved from

1052
00:41:20,309 --> 00:41:17,520
cincinnati to

1053
00:41:21,990 --> 00:41:20,319
orange county california and uh so it's

1054
00:41:23,990 --> 00:41:22,000
there somewhere but you know they're not

1055
00:41:26,150 --> 00:41:24,000
gonna change season two of the tv show

1056
00:41:27,750 --> 00:41:26,160
and now show you a different warehouse

1057
00:41:29,829 --> 00:41:27,760
so they stuck with the one that we

1058
00:41:32,390 --> 00:41:29,839
started with when we started filming but

1059
00:41:34,470 --> 00:41:32,400
there is uh in california it's being you

1060
00:41:35,990 --> 00:41:34,480
know that's where the records are and

1061
00:41:38,309 --> 00:41:36,000
you know really anything that's more

1062
00:41:40,950 --> 00:41:38,319
recent with sightings are is is

1063
00:41:42,150 --> 00:41:40,960

computerized you know uh there was a

1064

00:41:45,750 --> 00:41:42,160

time

1065

00:41:49,430 --> 00:41:45,760

yeah i mean it was our first 60 years uh

1066

00:41:51,270 --> 00:41:49,440

50 years uh you know we were uh on paper

1067

00:41:52,990 --> 00:41:51,280

and there were all paper documents but

1068

00:41:55,270 --> 00:41:53,000

really since i think about

1069

00:41:57,349 --> 00:41:55,280

2008 or nine

1070

00:41:59,910 --> 00:41:57,359

when jane's carry-on was in there he

1071

00:42:02,150 --> 00:41:59,920

computerized the whole system so you

1072

00:42:04,309 --> 00:42:02,160

know the last five six seven years is

1073

00:42:06,150 --> 00:42:04,319

all on computer but the older records

1074

00:42:07,990 --> 00:42:06,160

are are on paper

1075

00:42:09,990 --> 00:42:08,000

well and i was going to ask you if you

1076

00:42:13,190 --> 00:42:10,000

could tell us about your latest book the

1077

00:42:15,990 --> 00:42:13,200

case for ufos

1078

00:42:19,910 --> 00:42:16,000

okay what i did was is you know i i have

1079

00:42:22,790 --> 00:42:19,920

18 years of in this field and i took

1080

00:42:25,349 --> 00:42:22,800

i've always kept track of little known

1081

00:42:27,589 --> 00:42:25,359

facts and the history and all of that

1082

00:42:28,470 --> 00:42:27,599

and i decided to put it all together in

1083

00:42:32,630 --> 00:42:28,480

a book

1084

00:42:35,270 --> 00:42:32,640

and uh so to me this is the uh

1085

00:42:37,750 --> 00:42:35,280

best tool for a new investigator or

1086

00:42:39,109 --> 00:42:37,760

somebody that's interested in ufos i

1087

00:42:41,270 --> 00:42:39,119

think if you read my book you would

1088

00:42:44,069 --> 00:42:41,280

learn everything you need to know about

1089

00:42:46,550 --> 00:42:44,079

the history of ufos i have you know a

1090

00:42:49,190 --> 00:42:46,560

chapter on quotes from all uh famous

1091

00:42:51,109 --> 00:42:49,200

people generals politicians

1092

00:42:53,030 --> 00:42:51,119

but the best part i think even though i

1093

00:42:55,109 --> 00:42:53,040

wrote a chapter called the case for ufos

1094

00:42:57,750 --> 00:42:55,119

and it runs through the history

1095

00:42:59,750 --> 00:42:57,760

really from ancient aliens on

1096

00:43:01,750 --> 00:42:59,760

i have a chapter in there which i'm most

1097

00:43:02,950 --> 00:43:01,760

proud of called do you know should you

1098

00:43:04,710 --> 00:43:02,960

know

1099

00:43:06,710 --> 00:43:04,720

when i was at ups i was the head of

1100

00:43:08,950 --> 00:43:06,720

security for pennsylvania west virginia

1101

00:43:10,870 --> 00:43:08,960

virginia plus i was the head of public

1102

00:43:13,349 --> 00:43:10,880

affairs too for the three states and or

1103

00:43:15,589 --> 00:43:13,359

our guy from dc public affairs used to

1104

00:43:17,349 --> 00:43:15,599

always come in and quiz us do you know

1105

00:43:19,990 --> 00:43:17,359

should you know about how congress works

1106

00:43:22,230 --> 00:43:20,000

etc and i like that term so i used it

1107

00:43:24,950 --> 00:43:22,240

for my chapter and what i've done is

1108

00:43:27,510 --> 00:43:24,960

take all these little known facts i

1109

00:43:29,990 --> 00:43:27,520

think there's 254 of them they make up a

1110

00:43:32,390 --> 00:43:30,000

chapter and it's like each one is three

1111

00:43:33,750 --> 00:43:32,400

four lines of you know did you know this

1112

00:43:36,069 --> 00:43:33,760

did you know that like you know for

1113

00:43:39,190 --> 00:43:36,079

example uh

1114

00:43:40,470 --> 00:43:39,200

the term uh flying saucer is credited to

1115

00:43:41,750 --> 00:43:40,480

kenneth arnold

1116

00:43:44,390 --> 00:43:41,760

wrong

1117

00:43:46,069 --> 00:43:44,400

in my book the first time flying saucer

1118

00:43:49,190 --> 00:43:46,079

was in print was in

1119

00:43:50,550 --> 00:43:49,200

uh texas i think 1878 my list a guy's

1120

00:43:51,990 --> 00:43:50,560

name and everything it was in a

1121

00:43:55,030 --> 00:43:52,000

newspaper the guy called it a flying

1122

00:43:57,670 --> 00:43:55,040

saucer so it's all little known facts

1123

00:43:59,589 --> 00:43:57,680

like that but it's in chronological

1124

00:44:02,230 --> 00:43:59,599

order and if you read through that you

1125

00:44:03,589 --> 00:44:02,240

get a history of ufos and these are the

1126
00:44:05,910 --> 00:44:03,599
things that

1127
00:44:07,270 --> 00:44:05,920
i've come across in different books

1128
00:44:09,430 --> 00:44:07,280
and articles and it's all the

1129
00:44:10,950 --> 00:44:09,440
little-known facts

1130
00:44:13,030 --> 00:44:10,960
well i never knew that i always thought

1131
00:44:16,630 --> 00:44:13,040
it was kenneth arnold he said

1132
00:44:18,390 --> 00:44:16,640
everybody's wrong on that it's i think

1133
00:44:19,589 --> 00:44:18,400
yeah i think the guy's name was martin

1134
00:44:24,710 --> 00:44:19,599
and it was in

1135
00:44:27,109 --> 00:44:24,720
newspaper and it's all in my book and

1136
00:44:29,750 --> 00:44:27,119
it's it was the term flying saucer was

1137
00:44:30,790 --> 00:44:29,760
used so i mean then the whole chapter is

1138
00:44:32,870 --> 00:44:30,800

full of

1139

00:44:36,069 --> 00:44:32,880

little-known facts like you know people

1140

00:44:39,270 --> 00:44:36,079

say why don't pilots uh you know report

1141

00:44:41,589 --> 00:44:39,280

ufos well and i've come across no other

1142

00:44:42,270 --> 00:44:41,599

ufologist that knows this

1143

00:44:43,910 --> 00:44:42,280

in

1144

00:44:44,630 --> 00:44:43,920

1954

1145

00:44:53,430 --> 00:44:44,640

the

1146

00:44:55,510 --> 00:44:53,440

restrictions on commercial pilots

1147

00:45:00,150 --> 00:44:55,520

this was in place for four years from

1148

00:45:01,430 --> 00:45:00,160

1954 to 1958 you could report a ufo

1149

00:45:03,349 --> 00:45:01,440

internally

1150

00:45:05,910 --> 00:45:03,359

to united american airlines you could

1151

00:45:08,870 --> 00:45:05,920

not go to the press if you went to the

1152

00:45:11,430 --> 00:45:08,880

media on a ufo sighting as a commercial

1153

00:45:14,710 --> 00:45:11,440

pilot you were subject to a ten thousand

1154

00:45:16,630 --> 00:45:14,720

dollar fine and um you know what i think

1155

00:45:18,870 --> 00:45:16,640

it was five years in prison i've got it

1156

00:45:22,069 --> 00:45:18,880

all in book and you can be prosecuted

1157

00:45:24,309 --> 00:45:22,079

for espionage that's how far the cia

1158

00:45:26,950 --> 00:45:24,319

went and this was on the books for four

1159

00:45:30,069 --> 00:45:26,960

years until the killian case captain

1160

00:45:33,349 --> 00:45:30,079

killian flying from newark to

1161

00:45:36,309 --> 00:45:33,359

detroit over pennsylvania saw a ufo and

1162

00:45:38,230 --> 00:45:36,319

he went public with it and

1163

00:45:40,550 --> 00:45:38,240

project blue book came back and said

1164

00:45:42,630 --> 00:45:40,560

that killian was a drunk he was drinking

1165

00:45:49,910 --> 00:45:42,640

before the flight and people knew him

1166

00:45:53,990 --> 00:45:52,150

yeah blue book what they did was a crime

1167

00:45:55,990 --> 00:45:54,000

i mean they even their own military

1168

00:45:58,069 --> 00:45:56,000

people they would they would completely

1169

00:45:59,349 --> 00:45:58,079

discredit them but killian went public

1170

00:46:00,470 --> 00:45:59,359

and he says you know what here i am at

1171

00:46:02,230 --> 00:46:00,480

the press conference

1172

00:46:04,309 --> 00:46:02,240

i'm telling you what i saw you want to

1173

00:46:06,069 --> 00:46:04,319

prosecute me go ahead they never did

1174

00:46:09,190 --> 00:46:06,079

prosecute him and the law dropped in

1175

00:46:11,349 --> 00:46:09,200

1958 they they didn't uh they didn't

1176

00:46:14,069 --> 00:46:11,359

they never really they never prosecuted

1177

00:46:16,470 --> 00:46:14,079

any pilot but what happens is they still

1178

00:46:20,150 --> 00:46:16,480

come down on pilots you remember the

1179

00:46:23,510 --> 00:46:20,160

japan airlines case uh captain ufo and

1180

00:46:25,510 --> 00:46:23,520

that guy was forced to retire

1181

00:46:27,430 --> 00:46:25,520

yeah yeah well yeah they gave him a desk

1182

00:46:29,270 --> 00:46:27,440

job once he reported it he got a desk

1183

00:46:31,030 --> 00:46:29,280

job until he retired he was never

1184

00:46:33,190 --> 00:46:31,040

allowed to fly again so you know they

1185

00:46:34,710 --> 00:46:33,200

send you the message if you do report it

1186

00:46:36,550 --> 00:46:34,720

and this is all the type of stuff that's

1187

00:46:38,069 --> 00:46:36,560

in my book it's you know that one

1188

00:46:39,109 --> 00:46:38,079

chapter i just mentioned do you know

1189

00:46:41,510 --> 00:46:39,119

should you know

1190

00:46:42,710 --> 00:46:41,520

um you know talks about what i just said

1191

00:46:44,950 --> 00:46:42,720

with the

1192

00:46:47,750 --> 00:46:44,960

commercial pilots and i give you all

1193

00:46:49,670 --> 00:46:47,760

these little known facts and that

1194

00:46:51,510 --> 00:46:49,680

chapter is loaded with stuff that i bet

1195

00:46:53,670 --> 00:46:51,520

you people don't know half of those

1196

00:46:55,270 --> 00:46:53,680

facts in that chapter

1197

00:46:57,030 --> 00:46:55,280

and it sounds like this if for my

1198

00:46:58,630 --> 00:46:57,040

listeners this is a great book if you're

1199

00:47:01,190 --> 00:46:58,640

just getting into the subject because it

1200

00:47:04,069 --> 00:47:01,200

does provide an overview of everything

1201
00:47:05,990 --> 00:47:04,079
it's not so focused on one specific case

1202
00:47:08,069 --> 00:47:06,000
it's kind of a great overview of

1203
00:47:09,910 --> 00:47:08,079
everything ufo

1204
00:47:11,190 --> 00:47:09,920
and the the other book yeah i didn't i

1205
00:47:13,190 --> 00:47:11,200
even thought

1206
00:47:15,190 --> 00:47:13,200
oh i'm sorry guys

1207
00:47:17,270 --> 00:47:15,200
yeah i said i even told mufon they

1208
00:47:19,270 --> 00:47:17,280
should uh they're going to carry it in

1209
00:47:21,349 --> 00:47:19,280
the uh their bookstore there on on the

1210
00:47:23,829 --> 00:47:21,359
website and i said we really should be

1211
00:47:25,589 --> 00:47:23,839
required reading for all the new field

1212
00:47:27,990 --> 00:47:25,599
investigators because i'm telling you

1213
00:47:31,030 --> 00:47:28,000

when i do something i'm very detailed

1214

00:47:33,190 --> 00:47:31,040

and i've researched this for 18 years

1215

00:47:35,430 --> 00:47:33,200

and this is everything i know

1216

00:47:36,630 --> 00:47:35,440

over 18 years is i put it all in this

1217

00:47:38,790 --> 00:47:36,640

book

1218

00:47:41,670 --> 00:47:38,800

it sounds like it sounds like uh

1219

00:47:43,349 --> 00:47:41,680

definitely on my reading list i did read

1220

00:47:46,069 --> 00:47:43,359

your other book that i wanted to talk to

1221

00:47:47,270 --> 00:47:46,079

you about because i'm from pennsylvania

1222

00:47:49,109 --> 00:47:47,280

and uh

1223

00:47:53,030 --> 00:47:49,119

so the kexpert case is one of my

1224

00:47:54,950 --> 00:47:53,040

favorites and also your book ufos over

1225

00:47:56,950 --> 00:47:54,960

pennsylvania can you tell us a little

1226

00:48:00,630 --> 00:47:56,960

bit about that book and why is

1227

00:48:02,950 --> 00:48:00,640

pennsylvania such a hot spot

1228

00:48:05,190 --> 00:48:02,960

it's actually amazing i just did a

1229

00:48:07,430 --> 00:48:05,200

rewrite what i did was when i uh

1230

00:48:10,790 --> 00:48:07,440

published case for ufos then what i did

1231

00:48:12,069 --> 00:48:10,800

was i went back to my pa book a ufo's

1232

00:48:14,870 --> 00:48:12,079

over pa

1233

00:48:17,349 --> 00:48:14,880

and i did a rewrite on it and i added 40

1234

00:48:19,829 --> 00:48:17,359

pages i deleted some stuff too that i

1235

00:48:21,349 --> 00:48:19,839

kind of moved into the case for ufo book

1236

00:48:23,910 --> 00:48:21,359

because i wanted each book to be

1237

00:48:26,230 --> 00:48:23,920

separate and so i did i did add the

1238

00:48:28,630 --> 00:48:26,240

chapter with recent cases over the last

1239

00:48:31,829 --> 00:48:28,640

two years the close encounter of the

1240

00:48:34,069 --> 00:48:31,839

third and fourth kind cases or in the

1241

00:48:35,589 --> 00:48:34,079

new ufos over pa so but if anybody

1242

00:48:36,390 --> 00:48:35,599

ordered it now they would get the new

1243

00:48:38,470 --> 00:48:36,400

book

1244

00:48:41,829 --> 00:48:38,480

but you know even on kindle we replaced

1245

00:48:44,309 --> 00:48:41,839

it on kindle but um pennsylvania's you

1246

00:48:46,870 --> 00:48:44,319

know it's kind of a strange place um

1247

00:48:49,829 --> 00:48:46,880

popular mechanics comes out with an

1248

00:48:53,030 --> 00:48:49,839

article a couple years ago talking about

1249

00:48:55,030 --> 00:48:53,040

the last 50 years what counties have the

1250

00:48:56,870 --> 00:48:55,040

most ufo sightings

1251
00:48:59,109 --> 00:48:56,880
and they list counties where major

1252
00:49:01,109 --> 00:48:59,119
cities are like la county was number one

1253
00:49:03,589 --> 00:49:01,119
but then they have a second list of

1254
00:49:05,510 --> 00:49:03,599
counties that don't have a major city in

1255
00:49:07,990 --> 00:49:05,520
the county and number one is

1256
00:49:09,589 --> 00:49:08,000
westmoreland county where i live and

1257
00:49:11,750 --> 00:49:09,599
numbered and stan gordon lives about two

1258
00:49:14,470 --> 00:49:11,760
miles that's convenient for you too i

1259
00:49:16,950 --> 00:49:14,480
guess right yeah i mean it's like

1260
00:49:19,510 --> 00:49:16,960
it's amazing and then number two now i

1261
00:49:21,750 --> 00:49:19,520
mean number uh in that top five is bucks

1262
00:49:23,750 --> 00:49:21,760
county has absolutely moved into the top

1263
00:49:26,230 --> 00:49:23,760

five you know it's probably number three

1264

00:49:28,630 --> 00:49:26,240

or so in the country now

1265

00:49:30,549 --> 00:49:28,640

i remember when that wave was going on i

1266

00:49:32,870 --> 00:49:30,559

actually drove out there with some

1267

00:49:34,549 --> 00:49:32,880

binoculars like so hoping to see

1268

00:49:36,630 --> 00:49:34,559

something but i didn't

1269

00:49:38,870 --> 00:49:36,640

can you tell us what

1270

00:49:41,030 --> 00:49:38,880

what did you get to about the bucks

1271

00:49:42,549 --> 00:49:41,040

county wave that's what people called it

1272

00:49:44,630 --> 00:49:42,559

when there was a whole bunch of

1273

00:49:46,710 --> 00:49:44,640

sightings in bucks county in a short

1274

00:49:48,309 --> 00:49:46,720

time frame

1275

00:49:50,470 --> 00:49:48,319

yeah well you know i'll tell you one

1276

00:49:53,430 --> 00:49:50,480

case we had which was great we had a

1277

00:49:56,790 --> 00:49:53,440

police officer put in a case that he was

1278

00:49:58,950 --> 00:49:56,800

he was on the radio with another cop

1279

00:50:01,109 --> 00:49:58,960

and they saw this ufo he said there were

1280

00:50:04,390 --> 00:50:01,119

six witnesses one was another police

1281

00:50:06,710 --> 00:50:04,400

officer he put in a great description

1282

00:50:09,349 --> 00:50:06,720

and everything right so what happened

1283

00:50:10,790 --> 00:50:09,359

was then i contacted his precinct

1284

00:50:12,630 --> 00:50:10,800

because we were doing the tv show and i

1285

00:50:14,470 --> 00:50:12,640

said here's a guy you want to

1286

00:50:16,630 --> 00:50:14,480

you know interview for the show

1287

00:50:19,030 --> 00:50:16,640

and the media supervisor gets back to me

1288

00:50:20,390 --> 00:50:19,040

spoke with the captain and said

1289

00:50:22,549 --> 00:50:20,400

uh no we're not going to make him

1290

00:50:24,710 --> 00:50:22,559

available and we're not going to do this

1291

00:50:26,790 --> 00:50:24,720

then i get a personal email from the

1292

00:50:28,710 --> 00:50:26,800

police officer saying this is not good

1293

00:50:31,670 --> 00:50:28,720

for my career i need to drop it right

1294

00:50:33,270 --> 00:50:31,680

now so you see the type of pressure

1295

00:50:35,589 --> 00:50:33,280

that's put on people whether you're a

1296

00:50:37,430 --> 00:50:35,599

policeman or whether you're you know in

1297

00:50:40,390 --> 00:50:37,440

the military or

1298

00:50:42,549 --> 00:50:40,400

or a commercial pilot uh you know

1299

00:50:45,589 --> 00:50:42,559

anybody who says this isn't real is nuts

1300

00:50:48,630 --> 00:50:45,599

it is absolutely real and but there's

1301

00:50:50,390 --> 00:50:48,640

see my question then becomes

1302

00:50:52,069 --> 00:50:50,400

what is it about this that you can't

1303

00:50:54,549 --> 00:50:52,079

tell us you know it's got to be more

1304

00:50:56,390 --> 00:50:54,559

than just the military technology which

1305

00:50:58,390 --> 00:50:56,400

i think is the main part the back

1306

00:51:00,470 --> 00:50:58,400

engineering but you know it's not like

1307

00:51:02,950 --> 00:51:00,480

we're keeping the secret from russia or

1308

00:51:05,510 --> 00:51:02,960

china they know they everything that we

1309

00:51:07,589 --> 00:51:05,520

monitor in the sky they monitor also

1310

00:51:10,790 --> 00:51:07,599

it's not a secret you know but but

1311

00:51:12,630 --> 00:51:10,800

there's something else to the question

1312

00:51:14,549 --> 00:51:12,640

you know what are they doing here where

1313

00:51:16,549 --> 00:51:14,559

are they from what's the origin of this

1314

00:51:18,470 --> 00:51:16,559

what's the agenda you know and i think

1315

00:51:20,950 --> 00:51:18,480

david jacobs just put out a new book i'm

1316

00:51:24,069 --> 00:51:20,960

hearing where it's pretty uh you know

1317

00:51:26,870 --> 00:51:24,079

he's pretty dire that he believes we've

1318

00:51:29,270 --> 00:51:26,880

absolutely been infiltrated with hybrids

1319

00:51:30,549 --> 00:51:29,280

and they've moved up into politics and

1320

00:51:32,390 --> 00:51:30,559

corporations and they're eventually

1321

00:51:33,829 --> 00:51:32,400

going to take the planet over you know

1322

00:51:35,910 --> 00:51:33,839

and um

1323

00:51:37,109 --> 00:51:35,920

you know so uh those are the type of

1324

00:51:38,069 --> 00:51:37,119

things that happens but there's

1325

00:51:45,349 --> 00:51:38,079

something

1326

00:51:47,750 --> 00:51:45,359

recently was that

1327

00:51:51,270 --> 00:51:47,760

the cia

1328

00:51:53,430 --> 00:51:51,280

back in the early 100 years ago the fbi

1329

00:51:56,390 --> 00:51:53,440

was investigating aleister crowley who

1330

00:51:59,190 --> 00:51:56,400

was a demonologist the cult you know

1331

00:52:02,950 --> 00:51:59,200

claimed to be the the antichrist and

1332

00:52:05,910 --> 00:52:02,960

what happened was he conjured up in 1918

1333

00:52:07,829 --> 00:52:05,920

an elemental you know a demon it looked

1334

00:52:10,230 --> 00:52:07,839

just like a gray except with small eyes

1335

00:52:11,750 --> 00:52:10,240

big head spindly body he drew a picture

1336

00:52:14,230 --> 00:52:11,760

of it it's out there

1337

00:52:15,270 --> 00:52:14,240

lamb is the name lam aleister crowley

1338

00:52:16,950 --> 00:52:15,280

i've heard that

1339

00:52:19,030 --> 00:52:16,960

a lot of people think that he wasn't

1340

00:52:20,710 --> 00:52:19,040

talking to demons he was talking to

1341

00:52:23,910 --> 00:52:20,720

extra dimensional

1342

00:52:24,549 --> 00:52:23,920

beings whether we call them older angels

1343

00:52:26,630 --> 00:52:24,559

or

1344

00:52:29,670 --> 00:52:26,640

and wasn't there a follower of his that

1345

00:52:33,109 --> 00:52:29,680

was a project paper clip guy that worked

1346

00:52:35,589 --> 00:52:33,119

on early nasa programs guy used to work

1347

00:52:37,430 --> 00:52:35,599

on rockets and then in his spare time he

1348

00:52:39,910 --> 00:52:37,440

was out in the desert with aleister

1349

00:52:42,069 --> 00:52:39,920

crowley trying to contact these extra

1350

00:52:43,270 --> 00:52:42,079

dimensional beings so that's a whole

1351
00:52:46,710 --> 00:52:43,280
interesting

1352
00:52:48,309 --> 00:52:46,720
that's a show crowley was

1353
00:52:51,270 --> 00:52:48,319
crowley was convinced that they were

1354
00:52:53,510 --> 00:52:51,280
demonic uh but the point but let me let

1355
00:52:56,630 --> 00:52:53,520
me just finish with what happens is that

1356
00:52:59,030 --> 00:52:56,640
the fbi turns it over to the cia the cia

1357
00:53:02,630 --> 00:52:59,040
forms a branch called the collins elite

1358
00:53:04,549 --> 00:53:02,640
that investigates demonology and ufos

1359
00:53:09,390 --> 00:53:04,559
now this is interesting

1360
00:53:11,750 --> 00:53:09,400
they conclude there are no ufos it's all

1361
00:53:12,710 --> 00:53:11,760
inter-dimensional entities that they

1362
00:53:14,630 --> 00:53:12,720
believe

1363
00:53:17,430 --> 00:53:14,640

are or demonic

1364

00:53:19,750 --> 00:53:17,440

so so you i had never heard this before

1365

00:53:21,589 --> 00:53:19,760

and uh you know that's the people can

1366

00:53:23,829 --> 00:53:21,599

look up the collins elite

1367

00:53:26,390 --> 00:53:23,839

but it makes you wonder what is the

1368

00:53:29,270 --> 00:53:26,400

origin of all of this you know i i think

1369

00:53:31,109 --> 00:53:29,280

we're dealing with two different

1370

00:53:33,589 --> 00:53:31,119

uh phenomenon

1371

00:53:37,109 --> 00:53:33,599

one is the explorer from space and i can

1372

00:53:38,870 --> 00:53:37,119

give you case after case like the 1973

1373

00:53:39,829 --> 00:53:38,880

ufo wave i even mentioned that in my

1374

00:53:43,990 --> 00:53:39,839

book

1375

00:53:47,109 --> 00:53:44,000

that ufo wave was absolutely a species

1376

00:53:49,030 --> 00:53:47,119

that showed up here pasagula

1377

00:53:52,710 --> 00:53:49,040

up the mississippi you know it went

1378

00:53:54,870 --> 00:53:52,720

across pennsylvania october 17th of 73

1379

00:53:57,109 --> 00:53:54,880

where the most abductions uh the most

1380

00:53:58,870 --> 00:53:57,119

sightings it was abs and the people that

1381

00:53:59,829 --> 00:53:58,880

described them they were in space suits

1382

00:54:02,230 --> 00:53:59,839

etc

1383

00:54:04,950 --> 00:54:02,240

that's one thing and and numerous other

1384

00:54:07,910 --> 00:54:04,960

cases and what's being seen in the sky

1385

00:54:09,270 --> 00:54:07,920

then you've got what i believe is the

1386

00:54:12,069 --> 00:54:09,280

grays

1387

00:54:14,950 --> 00:54:12,079

and the alien abduction phenomenon that

1388

00:54:17,030 --> 00:54:14,960

dr david jacobs talks about

1389

00:54:19,510 --> 00:54:17,040

i absolutely have to look into looking

1390

00:54:22,309 --> 00:54:19,520

at the picture of lamb that alistair

1391

00:54:24,549 --> 00:54:22,319

crowley uh drew that was the first time

1392

00:54:27,510 --> 00:54:24,559

a gray was ever drawn

1393

00:54:30,630 --> 00:54:27,520

and then reading on the demonic side

1394

00:54:32,549 --> 00:54:30,640

what they do with these late night alien

1395

00:54:34,230 --> 00:54:32,559

abduction at three in the morning with

1396

00:54:36,150 --> 00:54:34,240

the grays

1397

00:54:39,349 --> 00:54:36,160

that they it mirrors

1398

00:54:42,630 --> 00:54:39,359

demonic possession so i i think what we

1399

00:54:44,630 --> 00:54:42,640

got is an interdimensional entity

1400

00:54:46,470 --> 00:54:44,640

and there are probably good ones and bad

1401
00:54:48,549 --> 00:54:46,480
ones so you know it's funny when you say

1402
00:54:50,069 --> 00:54:48,559
angels of demons people roll their eyes

1403
00:54:51,589 --> 00:54:50,079
but if you just say that there's a

1404
00:54:54,470 --> 00:54:51,599
there's good ones and bad ones they

1405
00:54:55,990 --> 00:54:54,480
accept that you know and um

1406
00:54:58,069 --> 00:54:56,000
you know maybe that's where bigfoot

1407
00:55:00,069 --> 00:54:58,079
that's where all these poltergeists

1408
00:55:01,510 --> 00:55:00,079
ghosts that's where all that comes from

1409
00:55:03,510 --> 00:55:01,520
there's absolutely something

1410
00:55:05,829 --> 00:55:03,520
interdimensional going on but then

1411
00:55:07,510 --> 00:55:05,839
there's something else that's from space

1412
00:55:10,230 --> 00:55:07,520
that are explorers

1413
00:55:12,549 --> 00:55:10,240

and you know if it is demonic activity i

1414

00:55:15,190 --> 00:55:12,559

think these explorers have the same

1415

00:55:17,510 --> 00:55:15,200

problems that we have in dealing with

1416

00:55:18,470 --> 00:55:17,520

these entities that are interdimensional

1417

00:55:21,270 --> 00:55:18,480

but

1418

00:55:23,349 --> 00:55:21,280

there's definitely a an overlap and i

1419

00:55:25,990 --> 00:55:23,359

think that that late night

1420

00:55:29,589 --> 00:55:26,000

uh abduction that

1421

00:55:31,589 --> 00:55:29,599

jacob says is a hybrid program to take

1422

00:55:33,109 --> 00:55:31,599

the planet over

1423

00:55:34,950 --> 00:55:33,119

it may not be

1424

00:55:37,030 --> 00:55:34,960

extraterrestrials that may be these

1425

00:55:39,270 --> 00:55:37,040

demonic evil

1426

00:55:40,789 --> 00:55:39,280

uh you know entities from another

1427

00:55:42,710 --> 00:55:40,799

dimension i i believe there's two

1428

00:55:45,510 --> 00:55:42,720

different things the whole subject even

1429

00:55:47,589 --> 00:55:45,520

a little bit scarier for me

1430

00:55:49,349 --> 00:55:47,599

actually yeah

1431

00:55:51,190 --> 00:55:49,359

i think some things can't be explained

1432

00:55:53,750 --> 00:55:51,200

by just technology some of the

1433

00:55:56,870 --> 00:55:53,760

experiences people have had had seemed

1434

00:55:58,870 --> 00:55:56,880

to be like a spiritual almost experience

1435

00:56:00,150 --> 00:55:58,880

instead of like hey i saw some lights in

1436

00:56:02,470 --> 00:56:00,160

the sky

1437

00:56:03,990 --> 00:56:02,480

you know absolutely

1438

00:56:06,309 --> 00:56:04,000

yeah and you know and i and i've said

1439

00:56:08,870 --> 00:56:06,319

that to people and you know they get so

1440

00:56:11,990 --> 00:56:08,880

upset when i say we don't have the kind

1441

00:56:13,750 --> 00:56:12,000

of science that can explain this plus

1442

00:56:15,270 --> 00:56:13,760

you know science has blinded us on too

1443

00:56:17,750 --> 00:56:15,280

and they're more interested in grant

1444

00:56:20,950 --> 00:56:17,760

money and and their reputations to go

1445

00:56:23,670 --> 00:56:20,960

out on a limb but uh you have to realize

1446

00:56:25,829 --> 00:56:23,680

there's two separate things going on

1447

00:56:27,789 --> 00:56:25,839

one is an interdimensional and and i'm

1448

00:56:30,549 --> 00:56:27,799

telling you whether we got it

1449

00:56:32,630 --> 00:56:30,559

misidentified being angels guardian

1450

00:56:34,390 --> 00:56:32,640

angels and demons

1451

00:56:35,430 --> 00:56:34,400

there's there are entities that hate us

1452

00:56:36,789 --> 00:56:35,440

and there are entities that are

1453

00:56:39,109 --> 00:56:36,799

protecting us

1454

00:56:41,030 --> 00:56:39,119

and i think in in those 11 dimensions

1455

00:56:43,750 --> 00:56:41,040

that are out there you have all these

1456

00:56:45,430 --> 00:56:43,760

other creatures and i believe that 100

1457

00:56:46,870 --> 00:56:45,440

because i've had a ton of paranormal

1458

00:56:49,270 --> 00:56:46,880

stuff and i actually put that in the

1459

00:56:52,230 --> 00:56:49,280

last couple of chapters of my case for

1460

00:56:54,549 --> 00:56:52,240

ufos it's the last couple of chapters of

1461

00:56:56,950 --> 00:56:54,559

an alternative history of mankind i have

1462

00:56:59,030 --> 00:56:56,960

a chapter in there called uh my

1463

00:57:01,750 --> 00:56:59,040

paranormal experiences and i and then

1464

00:57:05,030 --> 00:57:01,760

they continued up until last year i i

1465

00:57:07,190 --> 00:57:05,040

put the last you know year or so of uh

1466

00:57:08,789 --> 00:57:07,200

of paranormal activity in this other

1467

00:57:11,030 --> 00:57:08,799

book too so if you read the two you'll

1468

00:57:12,950 --> 00:57:11,040

get uh you know two different totally

1469

00:57:15,190 --> 00:57:12,960

different views all alternative history

1470

00:57:17,349 --> 00:57:15,200

which is ancient alien stuff and in case

1471

00:57:20,789 --> 00:57:17,359

of ufos which is factual but the end of

1472

00:57:22,950 --> 00:57:20,799

each book i talk about the paranormal

1473

00:57:25,510 --> 00:57:22,960

yeah i was going to ask you about i have

1474

00:57:26,390 --> 00:57:25,520

a big interest in the genetic side of

1475

00:57:27,430 --> 00:57:26,400

that

1476

00:57:29,829 --> 00:57:27,440

story

1477

00:57:34,349 --> 00:57:29,839

john also and i should mention you can

1478

00:57:38,710 --> 00:57:35,589

www.johnventury.com it's

1479

00:57:42,870 --> 00:57:41,589

dot com he's got four great books there

1480

00:57:45,430 --> 00:57:42,880

i was going to ask you about the

1481

00:57:47,349 --> 00:57:45,440

alternative history of mankind do you

1482

00:57:50,150 --> 00:57:47,359

have some information about genetic

1483

00:57:51,910 --> 00:57:50,160

manipulation there because i've always

1484

00:57:53,109 --> 00:57:51,920

been interested in this because i don't

1485

00:57:55,990 --> 00:57:53,119

believe that

1486

00:57:58,309 --> 00:57:56,000

simply evolution explains everything

1487

00:58:00,710 --> 00:57:58,319

away

1488

00:58:03,030 --> 00:58:00,720

well you know in that book i make it

1489

00:58:05,270 --> 00:58:03,040

very clear and even in the case for ufos

1490

00:58:07,349 --> 00:58:05,280

i have a chapter on evolution in that

1491

00:58:09,670 --> 00:58:07,359

too i make it very clear that evolution

1492

00:58:11,990 --> 00:58:09,680

doesn't work it doesn't add up

1493

00:58:14,789 --> 00:58:12,000

it is the one theory that's taught in

1494

00:58:16,470 --> 00:58:14,799

schools that's completely wrong you know

1495

00:58:19,510 --> 00:58:16,480

and i can give you a bunch of examples

1496

00:58:22,390 --> 00:58:19,520

you know cro-magnon man shows up after

1497

00:58:24,870 --> 00:58:22,400

homo sapiens how is that evolution you

1498

00:58:26,710 --> 00:58:24,880

know out of the blue during the end of

1499

00:58:29,910 --> 00:58:26,720

the ice age there from

1500

00:58:33,589 --> 00:58:29,920

like 20 000 bc to 10 000 bc we have

1501

00:58:35,190 --> 00:58:33,599

another version of man that shows up uh

1502

00:58:37,109 --> 00:58:35,200

who is less

1503

00:58:38,630 --> 00:58:37,119

advanced than us but more advanced than

1504

00:58:40,309 --> 00:58:38,640

neanderthal

1505

00:58:42,549 --> 00:58:40,319

and he's only around for 10 000 years

1506

00:58:44,390 --> 00:58:42,559

that can't be that's not evolution

1507

00:58:47,030 --> 00:58:44,400

should have taken millions of years for

1508

00:58:50,549 --> 00:58:47,040

him to develop and it didn't he just

1509

00:58:54,230 --> 00:58:50,559

shows up in uh in in europe you know so

1510

00:58:56,150 --> 00:58:54,240

uh that doesn't work uh we have 226

1511

00:58:58,950 --> 00:58:56,160

chromosomes in us that are found in no

1512

00:59:01,430 --> 00:58:58,960

other primates we have 46 uh i mean

1513

00:59:04,150 --> 00:59:01,440

genes we have 46 chromosomes you know

1514

00:59:06,069 --> 00:59:04,160

other primates have 48

1515

00:59:07,829 --> 00:59:06,079

it just you know

1516

00:59:09,990 --> 00:59:07,839

all the proof is in my books but

1517

00:59:11,990 --> 00:59:10,000

evolution absolute then we back date

1518

00:59:14,390 --> 00:59:12,000

everything i read a good uh article and

1519

00:59:15,829 --> 00:59:14,400

i put it in my book um

1520

00:59:18,630 --> 00:59:15,839

where

1521

00:59:21,030 --> 00:59:18,640

the whole radiometric dating doesn't

1522

00:59:23,109 --> 00:59:21,040

work you know carbon dating works to

1523

00:59:26,549 --> 00:59:23,119

thirty thousand years and then they go

1524

00:59:29,109 --> 00:59:26,559

to radiometric dating but radiometric

1525

00:59:31,349 --> 00:59:29,119

carbon meteorometric dating only works

1526
00:59:34,230 --> 00:59:31,359
if you have a static environment we've

1527
00:59:37,670 --> 00:59:34,240
had asteroid strikes volcanoes

1528
00:59:43,109 --> 00:59:40,230
once you turn up the soil and the earth

1529
00:59:44,870 --> 00:59:43,119
radiometric dating doesn't work and this

1530
00:59:46,470 --> 00:59:44,880
professor wrote a book and i read it and

1531
00:59:49,349 --> 00:59:46,480
i put that in my book

1532
00:59:52,309 --> 00:59:49,359
why it doesn't work so uh what we do now

1533
00:59:55,190 --> 00:59:52,319
is all of the fines that are found we're

1534
00:59:57,349 --> 00:59:55,200
even back dating the older finds to fit

1535
00:59:58,630 --> 00:59:57,359
the evolutionary model it's it's

1536
01:00:00,150 --> 00:59:58,640
actually amazing

1537
01:00:02,870 --> 01:00:00,160
and this author even talks about the

1538
01:00:06,390 --> 01:00:02,880

whole out of africa theory which we did

1539

01:00:09,829 --> 01:00:06,400

not originate in africa the oldest genes

1540

01:00:11,030 --> 01:00:09,839

uh the oldest dna is from australia the

1541

01:00:13,990 --> 01:00:11,040

aboriginal

1542

01:00:16,870 --> 01:00:14,000

the uh genes and spain so spain and

1543

01:00:18,789 --> 01:00:16,880

australia have the oldest dna

1544

01:00:21,910 --> 01:00:18,799

the only reason they say

1545

01:00:25,349 --> 01:00:21,920

africa is the oldest is because there

1546

01:00:28,470 --> 01:00:25,359

are enzymes found in african dna that

1547

01:00:31,109 --> 01:00:28,480

are not found in any other um racial

1548

01:00:33,190 --> 01:00:31,119

group or on any other continent so they

1549

01:00:35,190 --> 01:00:33,200

say well if they got more we had to

1550

01:00:37,670 --> 01:00:35,200

start there and that's just not true

1551

01:00:41,030 --> 01:00:37,680

they know that the oldest dna is from

1552

01:00:42,630 --> 01:00:41,040

australia and spain not africa so

1553

01:00:45,030 --> 01:00:42,640

it's really interesting stuff and i put

1554

01:00:47,829 --> 01:00:45,040

i put a recap of that in my book how

1555

01:00:49,670 --> 01:00:47,839

science really lies and they back date

1556

01:00:51,670 --> 01:00:49,680

everything and when they find something

1557

01:00:55,430 --> 01:00:51,680

that's out of place you know like a gold

1558

01:00:57,990 --> 01:00:55,440

chain or a gold vase in a carbon in a uh

1559

01:01:00,390 --> 01:00:58,000

cold deposit they say it was either

1560

01:01:02,470 --> 01:01:00,400

planted there or they discard it or you

1561

01:01:04,870 --> 01:01:02,480

know bones they find these bones femurs

1562

01:01:07,589 --> 01:01:04,880

that are three feet long of humans for

1563

01:01:09,349 --> 01:01:07,599

giants you know uh in love

1564

01:01:10,870 --> 01:01:09,359

yeah and so they get rid of those

1565

01:01:12,950 --> 01:01:10,880

there's a lawsuit going on right now

1566

01:01:15,750 --> 01:01:12,960

it's going to supreme court against the

1567

01:01:17,910 --> 01:01:15,760

smithsonian that they have covered up

1568

01:01:20,630 --> 01:01:17,920

the fact that there are human there were

1569

01:01:22,549 --> 01:01:20,640

human giants on earth and the bones have

1570

01:01:25,589 --> 01:01:22,559

been found all over the world and i

1571

01:01:27,910 --> 01:01:25,599

think that one cave loveland uh nevada

1572

01:01:30,710 --> 01:01:27,920

where there's a whole cave of of them

1573

01:01:32,789 --> 01:01:30,720

and that's the one in particular

1574

01:01:34,470 --> 01:01:32,799

that they grabbed the bones like 10

1575

01:01:36,789 --> 01:01:34,480

different times there's newspaper

1576

01:01:39,109 --> 01:01:36,799

reports somebody from the smithsonian

1577

01:01:41,430 --> 01:01:39,119

you know they come out and then those

1578

01:01:43,430 --> 01:01:41,440

bones disappear and nobody ever sees

1579

01:01:45,109 --> 01:01:43,440

them and they claim they don't have any

1580

01:01:46,549 --> 01:01:45,119

they claim that they don't have any

1581

01:01:48,309 --> 01:01:46,559

involved or

1582

01:01:50,150 --> 01:01:48,319

you know they sure never put any on

1583

01:01:52,309 --> 01:01:50,160

display

1584

01:01:54,470 --> 01:01:52,319

well you just look at you know the

1585

01:01:55,510 --> 01:01:54,480

little pin that giorgio wears on ancient

1586

01:01:57,670 --> 01:01:55,520

aliens

1587

01:01:59,589 --> 01:01:57,680

the one that shows the airplane right

1588

01:02:01,430 --> 01:01:59,599

the golden little air that's that's one

1589

01:02:02,950 --> 01:02:01,440

of my favorite things too explain that

1590

01:02:03,990 --> 01:02:02,960

when people say they don't believe in

1591

01:02:06,710 --> 01:02:04,000

ancient

1592

01:02:09,190 --> 01:02:06,720

astronaut theory or that humans have

1593

01:02:11,270 --> 01:02:09,200

technology that we've forgotten other

1594

01:02:13,029 --> 01:02:11,280

civilizations i asked them to explain

1595

01:02:14,789 --> 01:02:13,039

that one to me because somebody built a

1596

01:02:18,069 --> 01:02:14,799

model on that thing and it flies

1597

01:02:22,549 --> 01:02:19,990

that's in my alternative history of

1598

01:02:25,349 --> 01:02:22,559

mankind uh book because i go into all of

1599

01:02:27,430 --> 01:02:25,359

that history but here's for example

1600

01:02:29,670 --> 01:02:27,440

this is in the smithsonian it was found

1601
01:02:31,910 --> 01:02:29,680
in central america it's a thousand years

1602
01:02:33,910 --> 01:02:31,920
old it's a little gold what they thought

1603
01:02:35,990 --> 01:02:33,920
was a bug they thought they modeled

1604
01:02:38,630 --> 01:02:36,000
these little gold bugs and they made

1605
01:02:40,470 --> 01:02:38,640
them so an engineer takes a look at it

1606
01:02:42,549 --> 01:02:40,480
and he says hmm

1607
01:02:44,309 --> 01:02:42,559
this has a rudder there isn't a bug out

1608
01:02:45,910 --> 01:02:44,319
there alive that has a rudder sticking

1609
01:02:48,230 --> 01:02:45,920
straight up on the tail

1610
01:02:50,230 --> 01:02:48,240
so he goes and builds one and he took a

1611
01:02:52,710 --> 01:02:50,240
rubber band put a propeller on it

1612
01:02:53,990 --> 01:02:52,720
exactly to the dimensions and boom thing

1613
01:02:56,950 --> 01:02:54,000

flies

1614

01:02:59,589 --> 01:02:56,960

once they realized this was an ancient

1615

01:03:01,750 --> 01:02:59,599

airplane model those little golden ones

1616

01:03:04,789 --> 01:03:01,760

uh the smithsonian pulls it from the

1617

01:03:05,750 --> 01:03:04,799

shelves and no longer displays it so

1618

01:03:08,150 --> 01:03:05,760

that's

1619

01:03:10,230 --> 01:03:08,160

you know an example just like

1620

01:03:12,630 --> 01:03:10,240

the bones of the giants and all these

1621

01:03:13,829 --> 01:03:12,640

other fines that are completely covered

1622

01:03:15,750 --> 01:03:13,839

up

1623

01:03:16,390 --> 01:03:15,760

there's an effort to

1624

01:03:18,390 --> 01:03:16,400

have

1625

01:03:20,549 --> 01:03:18,400

consensus science

1626

01:03:22,549 --> 01:03:20,559

where this theory of evolution adds up

1627

01:03:23,829 --> 01:03:22,559

it absolutely don't we were either

1628

01:03:26,390 --> 01:03:23,839

created

1629

01:03:29,190 --> 01:03:26,400

by this interdimensional god

1630

01:03:31,270 --> 01:03:29,200

that we call god and jesus or we were

1631

01:03:33,829 --> 01:03:31,280

genetically engineered and you could

1632

01:03:35,829 --> 01:03:33,839

make a very strong case for both that

1633

01:03:37,589 --> 01:03:35,839

we've been interfered with over the

1634

01:03:39,510 --> 01:03:37,599

years and you can look at all the

1635

01:03:40,950 --> 01:03:39,520

ancient stuff like the pyramids you know

1636

01:03:43,990 --> 01:03:40,960

look at the pyramids

1637

01:03:45,349 --> 01:03:44,000

why are the first three pyramids in giza

1638

01:03:47,670 --> 01:03:45,359

perfect

1639

01:03:50,150 --> 01:03:47,680

and every pyramid we made

1640

01:03:52,470 --> 01:03:50,160

since then is falling apart not even

1641

01:03:55,190 --> 01:03:52,480

close to the original you know that that

1642

01:03:57,109 --> 01:03:55,200

would be like saying the edsel was the

1643

01:03:58,870 --> 01:03:57,119

best car ever made

1644

01:04:00,470 --> 01:03:58,880

and uh you know whatever you think the

1645

01:04:03,029 --> 01:04:00,480

best car is right now today is it's

1646

01:04:04,950 --> 01:04:03,039

falling apart makes no sense but that's

1647

01:04:06,549 --> 01:04:04,960

that's what you got

1648

01:04:12,549 --> 01:04:06,559

yeah because technology should improve

1649

01:04:16,390 --> 01:04:15,029

in order to create those pyramids

1650

01:04:19,270 --> 01:04:16,400

well you know i'll take a line from

1651
01:04:21,990 --> 01:04:19,280
president obama you didn't build that if

1652
01:04:23,750 --> 01:04:22,000
you got a pyramid you didn't build it

1653
01:04:26,230 --> 01:04:23,760
you know that's exactly the truth you

1654
01:04:28,470 --> 01:04:26,240
didn't build it so we didn't build those

1655
01:04:30,150 --> 01:04:28,480
well i i think that's one of the great

1656
01:04:33,109 --> 01:04:30,160
mysteries and i don't care what anybody

1657
01:04:35,829 --> 01:04:33,119
says they'd say well you know

1658
01:04:39,109 --> 01:04:35,839
they had ramps and like i just can't

1659
01:04:40,710 --> 01:04:39,119
imagine the the scale of that and the

1660
01:04:42,789 --> 01:04:40,720
same thing with the south american

1661
01:04:44,630 --> 01:04:42,799
pyramids it's just like the scale of

1662
01:04:46,870 --> 01:04:44,640
some people that didn't have wheels are

1663
01:04:47,750 --> 01:04:46,880

building this are you kidding me well

1664

01:04:49,829 --> 01:04:47,760

you know

1665

01:04:51,349 --> 01:04:49,839

we would never they say we never made

1666

01:04:52,950 --> 01:04:51,359

contact right

1667

01:04:54,950 --> 01:04:52,960

you know columbus was the first one here

1668

01:04:56,870 --> 01:04:54,960

which we know is not the truth the

1669

01:04:59,349 --> 01:04:56,880

vikings were here the chinese were on

1670

01:05:01,029 --> 01:04:59,359

the west coast but you know uh we'd

1671

01:05:03,109 --> 01:05:01,039

never made contact but yet there were

1672

01:05:05,589 --> 01:05:03,119

pyramids all over the world and if you

1673

01:05:07,109 --> 01:05:05,599

ask somebody what country what area of

1674

01:05:08,230 --> 01:05:07,119

the world has the most pyramids you know

1675

01:05:11,430 --> 01:05:08,240

they're going to say well the middle

1676

01:05:13,190 --> 01:05:11,440

east egypt is wrong it's central america

1677

01:05:16,630 --> 01:05:13,200

central america has a thousand there's

1678

01:05:19,190 --> 01:05:16,640

150 in egypt there's a thousand in in

1679

01:05:20,630 --> 01:05:19,200

central america so uh and then you know

1680

01:05:22,870 --> 01:05:20,640

there's so much that you can look back

1681

01:05:24,630 --> 01:05:22,880

at customs and and you know you go to

1682

01:05:27,029 --> 01:05:24,640

some places and there are carvings of

1683

01:05:29,109 --> 01:05:27,039

white people in africa you know that

1684

01:05:30,950 --> 01:05:29,119

goes back before anybody was there and

1685

01:05:31,910 --> 01:05:30,960

the same thing on these islands and you

1686

01:05:33,589 --> 01:05:31,920

know

1687

01:05:35,349 --> 01:05:33,599

there's one island that

1688

01:05:39,190 --> 01:05:35,359

has all the different racial groups

1689

01:05:41,029 --> 01:05:39,200

carved in on these stone faces on a wall

1690

01:05:43,349 --> 01:05:41,039

or how could that be the thing is like

1691

01:05:45,190 --> 01:05:43,359

eight thousand years old but yet we

1692

01:05:46,950 --> 01:05:45,200

didn't make contact back then because we

1693

01:05:49,190 --> 01:05:46,960

haven't seen it and they also have a

1694

01:05:51,910 --> 01:05:49,200

representation of what many people think

1695

01:05:52,950 --> 01:05:51,920

is a gray or an alien large head large

1696

01:05:56,150 --> 01:05:52,960

eyes

1697

01:05:59,270 --> 01:05:56,160

along with every race on earth

1698

01:06:01,430 --> 01:05:59,280

in one place makes no sense

1699

01:06:04,069 --> 01:06:01,440

yeah well you know our history doesn't

1700

01:06:06,630 --> 01:06:04,079

add up and you know you know i say i i

1701

01:06:09,190 --> 01:06:06,640

put in my book too that uh

1702

01:06:11,990 --> 01:06:09,200

if we wanted to teach people to think

1703

01:06:14,390 --> 01:06:12,000

just take the issue of evolution why

1704

01:06:16,710 --> 01:06:14,400

wouldn't you teach in a school and let

1705

01:06:19,190 --> 01:06:16,720

the peop the kids come to their own

1706

01:06:20,630 --> 01:06:19,200

conclusions there are three theories you

1707

01:06:22,630 --> 01:06:20,640

know one is the evolution that we've

1708

01:06:25,109 --> 01:06:22,640

been teaching the second one is the

1709

01:06:26,870 --> 01:06:25,119

ancient alien theory that we've been

1710

01:06:29,589 --> 01:06:26,880

genetically upgraded you know the

1711

01:06:31,990 --> 01:06:29,599

sitchin theory right and then the third

1712

01:06:34,710 --> 01:06:32,000

one is that we were created by a

1713

01:06:37,750 --> 01:06:34,720

superior being you know the god that

1714

01:06:40,549 --> 01:06:37,760

that of religion why wouldn't you just

1715

01:06:42,710 --> 01:06:40,559

teach the three let people reason

1716

01:06:45,029 --> 01:06:42,720

through the three and come to their own

1717

01:06:47,430 --> 01:06:45,039

conclusions that would be

1718

01:06:49,750 --> 01:06:47,440

you know what an advanced civilization

1719

01:06:52,470 --> 01:06:49,760

would do let you make the choice not

1720

01:06:53,829 --> 01:06:52,480

shove evolution down our throat which it

1721

01:06:54,870 --> 01:06:53,839

has been so

1722

01:06:58,069 --> 01:06:54,880

mis

1723

01:07:00,549 --> 01:06:58,079

disproven you can take all the evidence

1724

01:07:01,670 --> 01:07:00,559

for evolution and put it on your kitchen

1725

01:07:03,589 --> 01:07:01,680

table

1726

01:07:06,549 --> 01:07:03,599

and i'm telling you the truth seriously

1727

01:07:09,270 --> 01:07:06,559

but you're right you're absolutely it is

1728

01:07:12,309 --> 01:07:09,280

there is no fossil evidence that

1729

01:07:14,309 --> 01:07:12,319

anything ever turned into anything else

1730

01:07:17,270 --> 01:07:14,319

there are no there are no creatures that

1731

01:07:18,950 --> 01:07:17,280

are halfway between one and the other

1732

01:07:20,950 --> 01:07:18,960

turning into something else there is

1733

01:07:21,670 --> 01:07:20,960

none there is no fossil evidence for

1734

01:07:26,309 --> 01:07:21,680

that

1735

01:07:29,589 --> 01:07:26,319

whether it was to swim or to fly or to

1736

01:07:32,789 --> 01:07:29,599

run fast they're dead they become dinner

1737

01:07:34,950 --> 01:07:32,799

you know once whatever it was

1738

01:07:35,990 --> 01:07:34,960

just changed into a totally different

1739

01:07:37,670 --> 01:07:36,000

creature

1740

01:07:39,270 --> 01:07:37,680

it doesn't make any sense all those

1741

01:07:40,950 --> 01:07:39,280

years that you'd be crawling around on

1742

01:07:43,750 --> 01:07:40,960

your belly because you can't fly anymore

1743

01:07:45,349 --> 01:07:43,760

or swim or whatever you'd be eating so

1744

01:07:47,190 --> 01:07:45,359

you know and like i said there's no

1745

01:07:48,870 --> 01:07:47,200

fossil evidence for this stuff but you

1746

01:07:51,270 --> 01:07:48,880

know and i talked about that in my books

1747

01:07:52,789 --> 01:07:51,280

and both of them actually you know uh

1748

01:07:53,910 --> 01:07:52,799

but but you know the the alternative

1749

01:07:55,990 --> 01:07:53,920

history one i want to tell you a little

1750

01:07:57,349 --> 01:07:56,000

bit how that happened i had the cover of

1751

01:07:59,829 --> 01:07:57,359

the book first

1752

01:08:01,829 --> 01:07:59,839

i come across a picture of an alien

1753

01:08:04,069 --> 01:08:01,839

holding a human skull like the thinker

1754

01:08:05,670 --> 01:08:04,079

right so i look up the artist he's he's

1755

01:08:08,069 --> 01:08:05,680

in i didn't know he was in brazil but i

1756

01:08:09,910 --> 01:08:08,079

emailed him right and i asked him can i

1757

01:08:11,430 --> 01:08:09,920

use this as the cub first he let me use

1758

01:08:14,150 --> 01:08:11,440

it in uh

1759

01:08:16,229 --> 01:08:14,160

in one of my books apophis 2029 he just

1760

01:08:18,070 --> 01:08:16,239

lets me use the picture in one of the uh

1761

01:08:19,430 --> 01:08:18,080

chapters and i said i i love the

1762

01:08:21,189 --> 01:08:19,440

pictures and i said you know i'm writing

1763

01:08:23,030 --> 01:08:21,199

a new book and i use it as a cover

1764

01:08:24,630 --> 01:08:23,040

usually then you gotta pay the guy and

1765

01:08:26,630 --> 01:08:24,640

the guy goes nah you can use it he says

1766

01:08:28,709 --> 01:08:26,640

that's fine you know just credit me and

1767

01:08:31,269 --> 01:08:28,719

i did you know on the first page that it

1768

01:08:32,870 --> 01:08:31,279

was from him ralph damiani i didn't know

1769

01:08:34,950 --> 01:08:32,880

where he lives i said you know what i'll

1770

01:08:36,709 --> 01:08:34,960

comp you for my conferences my three

1771

01:08:38,950 --> 01:08:36,719

conferences in pittsburgh philly and

1772

01:08:40,470 --> 01:08:38,960

erie i'll comp you you can come and all

1773

01:08:43,189 --> 01:08:40,480

of that and the guy goes well it'll be a

1774

01:08:45,269 --> 01:08:43,199

little difficult i live in brazil

1775

01:08:46,950 --> 01:08:45,279

that's fine well he gave me let me use

1776

01:08:48,950 --> 01:08:46,960

that like you know he emailed me i saved

1777

01:08:50,870 --> 01:08:48,960

it really great picture

1778

01:08:54,309 --> 01:08:50,880

great picture you know even the other

1779

01:08:56,950 --> 01:08:54,319

picture by uh inside the book by sandeep

1780

01:08:59,110 --> 01:08:56,960

kara khan is his name uh he's in india

1781

01:09:01,990 --> 01:08:59,120

another guy in india and he let me use

1782

01:09:04,390 --> 01:09:02,000

the his pictures great picture of a ufo

1783

01:09:06,630 --> 01:09:04,400

like in the alps

1784

01:09:08,630 --> 01:09:06,640

crashed on its side broken open and

1785

01:09:09,910 --> 01:09:08,640

there's these guys in red suits and a

1786

01:09:11,590 --> 01:09:09,920

tractor

1787

01:09:13,430 --> 01:09:11,600

you know going into it it's in one of

1788

01:09:15,269 --> 01:09:13,440

the it's in two of my books actually he

1789

01:09:17,030 --> 01:09:15,279

let me use it in two of them uh but

1790

01:09:19,269 --> 01:09:17,040

great pictures so i had the cover of the

1791

01:09:21,510 --> 01:09:19,279

book right and then i was working on the

1792

01:09:24,070 --> 01:09:21,520

storyline which was all of the

1793

01:09:26,309 --> 01:09:24,080

alternative theories to everything you

1794

01:09:28,709 --> 01:09:26,319

know will you tell me something you know

1795

01:09:31,669 --> 01:09:28,719

apollo 11. i i have an alternative

1796

01:09:34,630 --> 01:09:31,679

theory 11 and 12 were staged 13 was the

1797

01:09:36,229 --> 01:09:34,640

first try that's why we had problems 14

1798

01:09:38,070 --> 01:09:36,239

was the first landing you know no matter

1799

01:09:40,229 --> 01:09:38,080

what it is the titanic

1800

01:09:41,829 --> 01:09:40,239

never hit an iceberg that was a uso

1801
01:09:43,669 --> 01:09:41,839
coming up out of the water clipped the

1802
01:09:45,189 --> 01:09:43,679
titanic and i give the reasons you know

1803
01:09:46,709 --> 01:09:45,199
jack the ripper

1804
01:09:49,269 --> 01:09:46,719
yeah i'm telling you compare jack the

1805
01:09:52,149 --> 01:09:49,279
ripper to animal mutilations jack the

1806
01:09:53,669 --> 01:09:52,159
ripper was a species that came here that

1807
01:09:56,550 --> 01:09:53,679
did the um

1808
01:10:00,390 --> 01:09:56,560
human mutilations there was no jack it

1809
01:10:03,270 --> 01:10:00,400
was aliens and it compares exactly to

1810
01:10:05,350 --> 01:10:03,280
you know the the lady that the uh animal

1811
01:10:06,950 --> 01:10:05,360
mutilations you know so i filled the

1812
01:10:08,709 --> 01:10:06,960
whole book with all these theories so

1813
01:10:11,669 --> 01:10:08,719

i'm trying to say how do i tell the

1814

01:10:12,550 --> 01:10:11,679

story now and what happened was i went

1815

01:10:14,709 --> 01:10:12,560

to

1816

01:10:17,990 --> 01:10:14,719

roswell for the first time a year and a

1817

01:10:20,310 --> 01:10:18,000

half ago and i'm writing the book what i

1818

01:10:22,550 --> 01:10:20,320

do is i take a vacation four or five of

1819

01:10:24,550 --> 01:10:22,560

them a year and i write while i'm laying

1820

01:10:26,550 --> 01:10:24,560

on the beach five times a day i go back

1821

01:10:28,229 --> 01:10:26,560

in i write for a half hour then i go get

1822

01:10:29,830 --> 01:10:28,239

ideas i go out to eat i go lay on the

1823

01:10:32,149 --> 01:10:29,840

beach sightseeing that's how i write my

1824

01:10:34,630 --> 01:10:32,159

books so um

1825

01:10:36,630 --> 01:10:34,640

i got all these theories i got to cover

1826

01:10:37,910 --> 01:10:36,640

i said how do i tell this story what do

1827

01:10:39,910 --> 01:10:37,920

i do here

1828

01:10:41,030 --> 01:10:39,920

so i swear to god i'm driving out of

1829

01:10:42,870 --> 01:10:41,040

roswell

1830

01:10:45,669 --> 01:10:42,880

i see this woman hitchhiking on the side

1831

01:10:47,990 --> 01:10:45,679

of the road and blonde a fairly

1832

01:10:49,669 --> 01:10:48,000

attractive woman she's got no bags she's

1833

01:10:51,350 --> 01:10:49,679

she's not even carrying a purse and

1834

01:10:53,750 --> 01:10:51,360

she's hitchhiking and i'm on the edge of

1835

01:10:55,830 --> 01:10:53,760

town i'm going to santa fe now so i'm

1836

01:10:57,990 --> 01:10:55,840

saying like where's this woman going

1837

01:10:59,750 --> 01:10:58,000

you know i didn't stop to pick her up

1838

01:11:02,070 --> 01:10:59,760

because i don't pick up hitchhikers but

1839

01:11:04,630 --> 01:11:02,080

i'm thinking then i said that's it

1840

01:11:07,669 --> 01:11:04,640

that's how i tell the story i picked the

1841

01:11:08,550 --> 01:11:07,679

woman up she's a hybrid unlike the david

1842

01:11:10,310 --> 01:11:08,560

jacob

1843

01:11:14,070 --> 01:11:10,320

hybrids that want to kill us this one's

1844

01:11:16,310 --> 01:11:14,080

a hybrid and she tells me the true story

1845

01:11:18,310 --> 01:11:16,320

of us that we were the genetic

1846

01:11:20,310 --> 01:11:18,320

engineering it's always been them

1847

01:11:22,630 --> 01:11:20,320

they've always been i think it is such a

1848

01:11:24,070 --> 01:11:22,640

great story it's a conversation

1849

01:11:26,790 --> 01:11:24,080

absolutely

1850

01:11:28,790 --> 01:11:26,800

yeah it's a conversation i could just

1851

01:11:30,709 --> 01:11:28,800

see that happening somebody picks up a

1852

01:11:33,350 --> 01:11:30,719

mysterious stranger

1853

01:11:35,189 --> 01:11:33,360

get to talk and that stranger decides to

1854

01:11:35,990 --> 01:11:35,199

tell them the truth

1855

01:11:39,350 --> 01:11:36,000

you know

1856

01:11:41,510 --> 01:11:39,360

you've got the dialogue back and forth

1857

01:11:43,189 --> 01:11:41,520

where she's telling you and i'm saying

1858

01:11:45,750 --> 01:11:43,199

wait a minute but science this or

1859

01:11:48,470 --> 01:11:45,760

religion this and she goes no none of

1860

01:11:50,310 --> 01:11:48,480

those this is what happened and i throw

1861

01:11:51,830 --> 01:11:50,320

all those theories and i think i'm

1862

01:11:53,830 --> 01:11:51,840

telling you you know at my conferences

1863

01:11:55,430 --> 01:11:53,840

where i saw my books here in pa i've had

1864

01:11:57,590 --> 01:11:55,440

people come up to me with all of my

1865

01:12:00,630 --> 01:11:57,600

books and said john you know every year

1866

01:12:03,110 --> 01:12:00,640

i've written one book a year really

1867

01:12:04,790 --> 01:12:03,120

six books in eight years but four in a

1868

01:12:06,470 --> 01:12:04,800

row for the last four years so the

1869

01:12:08,149 --> 01:12:06,480

people come to my conference they buy my

1870

01:12:09,990 --> 01:12:08,159

books and i said john that is the best

1871

01:12:13,430 --> 01:12:10,000

book i ever read whether it's the

1872

01:12:15,350 --> 01:12:13,440

apocalypse 2029 one guy told me i picked

1873

01:12:18,070 --> 01:12:15,360

that up he says i read it in one night

1874

01:12:20,149 --> 01:12:18,080

he says i could not put the book down it

1875

01:12:22,550 --> 01:12:20,159

was it's fast moving and i write like a

1876

01:12:24,550 --> 01:12:22,560

reporter i'm not flowery you know i

1877

01:12:27,270 --> 01:12:24,560

don't say you know you're kind of matter

1878

01:12:28,870 --> 01:12:27,280

of factual but i like that style you

1879

01:12:31,270 --> 01:12:28,880

know but it's still very entertaining

1880

01:12:33,270 --> 01:12:31,280

and you have a good like concept for for

1881

01:12:35,030 --> 01:12:33,280

how to tell the stories

1882

01:12:37,750 --> 01:12:35,040

i was going to ask you about the book

1883

01:12:41,430 --> 01:12:37,760

apophis 2029 a lot of people don't know

1884

01:12:44,070 --> 01:12:41,440

but that's apophis is a big asteroid and

1885

01:12:46,630 --> 01:12:44,080

people think that might be the uh

1886

01:12:48,870 --> 01:12:46,640

apocalypse asteroid can you tell us a

1887

01:12:50,950 --> 01:12:48,880

little bit about that book

1888

01:12:55,270 --> 01:12:50,960

yeah you know it's really interesting

1889

01:12:57,910 --> 01:12:55,280

because back in 2004 they discovered

1890

01:12:59,830 --> 01:12:57,920

this asteroid and no initially they said

1891

01:13:01,830 --> 01:12:59,840

it was a half mile and i just read

1892

01:13:04,709 --> 01:13:01,840

recently they've upgraded it to three

1893

01:13:06,709 --> 01:13:04,719

quarters of a mile now remember

1894

01:13:08,630 --> 01:13:06,719

anything over one mile

1895

01:13:11,110 --> 01:13:08,640

changes like the atmosphere of the

1896

01:13:13,030 --> 01:13:11,120

weather i mean you could have you know

1897

01:13:14,550 --> 01:13:13,040

non-stop rain you could have droughts

1898

01:13:17,110 --> 01:13:14,560

you could have whatever it does you

1899

01:13:20,229 --> 01:13:17,120

could be under a cloud of darkness for

1900

01:13:21,910 --> 01:13:20,239

three weeks so it's getting pretty big

1901

01:13:24,630 --> 01:13:21,920

now they've actually upgraded it but the

1902

01:13:26,870 --> 01:13:24,640

one thing they did was it had a three

1903

01:13:28,790 --> 01:13:26,880

percent chance of hitting us

1904

01:13:30,470 --> 01:13:28,800

in um

1905

01:13:33,669 --> 01:13:30,480

what happens is why i called the book

1906

01:13:38,550 --> 01:13:33,679

apophis 2029 into every seven years it

1907

01:13:41,590 --> 01:13:38,560

comes closer in 2029 it actually passes

1908

01:13:43,590 --> 01:13:41,600

earth and dips below our satellites

1909

01:13:48,870 --> 01:13:43,600

think about that that's like what's

1910

01:13:53,830 --> 01:13:52,149

it comes in below our satellites so

1911

01:13:56,070 --> 01:13:53,840

there's a big chance that the earth's

1912

01:13:57,669 --> 01:13:56,080

gravity could just pull it in right and

1913

01:13:59,590 --> 01:13:57,679

then we could that's the whole thing it

1914

01:14:01,110 --> 01:13:59,600

was a situation

1915

01:14:05,030 --> 01:14:01,120

yeah it wouldn't pull it in but it would

1916

01:14:06,630 --> 01:14:05,040

change its orbit for 20 uh 36 where it

1917

01:14:08,950 --> 01:14:06,640

could hit and that's what they're saying

1918

01:14:10,870 --> 01:14:08,960

is 2036

1919

01:14:14,229 --> 01:14:10,880

what hap whatever happens when it passes

1920

01:14:15,990 --> 01:14:14,239

in 29 it could hit or all it has to do

1921

01:14:18,310 --> 01:14:16,000

is hit a pebble out in space and it

1922

01:14:20,070 --> 01:14:18,320

would change its trajectory either miss

1923

01:14:21,910 --> 01:14:20,080

us by millions of miles or hit us you

1924

01:14:24,550 --> 01:14:21,920

know anything could happen but the thing

1925

01:14:28,070 --> 01:14:24,560

gets closer and closer every seven years

1926

01:14:29,189 --> 01:14:28,080

so what i did was i wrote a story where

1927

01:14:31,189 --> 01:14:29,199

and i don't want to tell you all the

1928

01:14:34,229 --> 01:14:31,199

details to it but i wrote a story where

1929

01:14:36,870 --> 01:14:34,239

it hits you know so it's a sci-fi novel

1930

01:14:39,510 --> 01:14:36,880

it's fast-paced there's four storylines

1931

01:14:41,270 --> 01:14:39,520

at the same time with four different you

1932

01:14:42,790 --> 01:14:41,280

know groups of people it's me and my

1933

01:14:44,310 --> 01:14:42,800

kids when i was living in jersey because

1934

01:14:45,990 --> 01:14:44,320

that's when i wrote it

1935

01:14:48,070 --> 01:14:46,000

years ago

1936

01:14:50,870 --> 01:14:48,080

you know we're trying to survive you got

1937

01:14:52,470 --> 01:14:50,880

the agents like uh mulder and scully

1938

01:14:54,950 --> 01:14:52,480

there's these two agents working for

1939

01:14:57,189 --> 01:14:54,960

homeland security that are investigating

1940

01:14:59,430 --> 01:14:57,199

because they find something after all

1941

01:15:02,229 --> 01:14:59,440

the devastation it doesn't

1942

01:15:04,470 --> 01:15:02,239

apophis is not an extinction event

1943

01:15:06,390 --> 01:15:04,480

it causes a lot of chaos and that's what

1944

01:15:07,669 --> 01:15:06,400

i have in my book but they find

1945

01:15:09,510 --> 01:15:07,679

something and i can't tell you what that

1946

01:15:12,870 --> 01:15:09,520

is or i give away the book

1947

01:15:14,709 --> 01:15:12,880

and it is a ufo storyline ending to my

1948

01:15:16,950 --> 01:15:14,719

to my book but there's four different

1949

01:15:19,270 --> 01:15:16,960

store reliance and uh it it it's

1950

01:15:23,030 --> 01:15:19,280

actually i believe my best

1951

01:15:24,630 --> 01:15:23,040

written book it's 400 pages and

1952

01:15:26,390 --> 01:15:24,640

like i said people read it and said they

1953

01:15:28,470 --> 01:15:26,400

can't put it down they have to read the

1954

01:15:30,390 --> 01:15:28,480

whole book in one night

1955

01:15:32,390 --> 01:15:30,400

that's the mark of the great book

1956

01:15:34,390 --> 01:15:32,400

exactly yeah and you know even the

1957

01:15:36,470 --> 01:15:34,400

alternative history i've had people come

1958

01:15:38,550 --> 01:15:36,480

up to me and said john i walk around

1959

01:15:41,590 --> 01:15:38,560

with this book and i tell people you got

1960

01:15:44,149 --> 01:15:41,600

to read this this is the truth about our

1961

01:15:46,070 --> 01:15:44,159

real uh beginnings so but here's the

1962

01:15:47,750 --> 01:15:46,080

thing though you take

1963

01:15:50,470 --> 01:15:47,760

alternative history

1964

01:15:53,430 --> 01:15:50,480

it more supports the vendang incition

1965

01:15:54,310 --> 01:15:53,440

all you know uh ancient alien theory but

1966

01:15:57,270 --> 01:15:54,320

then

1967

01:16:00,310 --> 01:15:57,280

my newest book case for ufos clearly

1968

01:16:02,470 --> 01:16:00,320

says that you know it's ufos but then

1969

01:16:04,830 --> 01:16:02,480

i give you those last couple of chapters

1970

01:16:06,870 --> 01:16:04,840

about the interdimensional the

1971

01:16:09,910 --> 01:16:06,880

paranormal things that have happened to

1972

01:16:12,709 --> 01:16:09,920

me and i kind of then say hmm

1973

01:16:15,270 --> 01:16:12,719

you know you have this dimension of

1974

01:16:17,750 --> 01:16:15,280

ent of entities that are malevolent and

1975

01:16:19,990 --> 01:16:17,760

helpful you know so so they're like you

1976

01:16:21,590 --> 01:16:20,000

get a completely different perspective

1977

01:16:23,910 --> 01:16:21,600

in my books almost like i got a split

1978

01:16:25,830 --> 01:16:23,920

personality i write one and totally

1979

01:16:27,270 --> 01:16:25,840

left-wing all right one it's totally

1980

01:16:29,910 --> 01:16:27,280

right-wing

1981

01:16:33,350 --> 01:16:29,920

that's cool i wanted to also mention

1982

01:16:35,110 --> 01:16:33,360

that uh mr ventry is the pa state mufon

1983

01:16:37,910 --> 01:16:35,120

director for those who don't know that's

1984

01:16:41,669 --> 01:16:37,920

the mutual ufo network that's a citizen

1985

01:16:44,390 --> 01:16:41,679

run group which investigates these ufo

1986

01:16:46,390 --> 01:16:44,400

uh incidents and there are there is two

1987

01:16:48,070 --> 01:16:46,400

upcoming conferences i'm going to try to

1988

01:16:50,470 --> 01:16:48,080

make because they're so close to home

1989

01:16:54,070 --> 01:16:50,480

the first is in philly it's friday and

1990

01:16:56,950 --> 01:16:54,080

saturday october 9th and 10th 2015 and

1991

01:16:59,750 --> 01:16:56,960

the next is in pittsburgh it's saturday

1992

01:17:01,669 --> 01:16:59,760

november 14th 2015.

1993

01:17:03,750 --> 01:17:01,679

and these conferences have these great

1994

01:17:08,310 --> 01:17:03,760

lectures by all these experts the one in

1995

01:17:10,310 --> 01:17:08,320

philly will have uh dr david jacobs

1996

01:17:11,990 --> 01:17:10,320

as well as john ventry

1997

01:17:14,149 --> 01:17:12,000

and others our guest

1998

01:17:17,189 --> 01:17:14,159

and if you're interested in this subject

1999

01:17:19,189 --> 01:17:17,199

this is a this is a great place to go to

2000

01:17:21,430 --> 01:17:19,199

get all this information and hear some

2001

01:17:22,630 --> 01:17:21,440

great lectures and information that

2002

01:17:24,709 --> 01:17:22,640

you're not going to get from the

2003

01:17:26,550 --> 01:17:24,719

mainstream media you're not going to get

2004

01:17:27,990 --> 01:17:26,560

from the government that's for sure

2005

01:17:30,790 --> 01:17:28,000

could you tell us a little bit about the

2006

01:17:32,149 --> 01:17:30,800

conferences john yeah and you know what

2007

01:17:34,550 --> 01:17:32,159

what i want to say about them is you

2008

01:17:37,030 --> 01:17:34,560

know i pride myself on doing these

2009

01:17:39,350 --> 01:17:37,040

conferences uh at the lowest cost

2010

01:17:42,149 --> 01:17:39,360

possible and if you if you go to some of

2011

01:17:45,189 --> 01:17:42,159

the bigger conferences you're paying 239

2012

01:17:46,950 --> 01:17:45,199

dollars 259 dollars for a weekend and

2013

01:17:49,030 --> 01:17:46,960

you know the philly conference is friday

2014

01:17:51,030 --> 01:17:49,040

and saturday it's a hundred and five

2015

01:17:53,270 --> 01:17:51,040

dollars and you get two meals with that

2016

01:17:55,030 --> 01:17:53,280

which is incredible you have a cocktail

2017

01:17:57,830 --> 01:17:55,040

hour friday night with all hors

2018

01:18:00,070 --> 01:17:57,840

d'oeuvres and two speakers and then and

2019

01:18:02,709 --> 01:18:00,080

we're going to start off

2020

01:18:04,870 --> 01:18:02,719

with the true travis walton dvd it's new

2021

01:18:06,790 --> 01:18:04,880

by jen stein then you have two speakers

2022

01:18:09,750 --> 01:18:06,800

then on saturday you got richard dolan

2023

01:18:12,070 --> 01:18:09,760

myself paula harris michael barra nick

2024

01:18:14,950 --> 01:18:12,080

pope and then after that's a dinner

2025

01:18:17,830 --> 01:18:14,960

buffet with dr david jacobs all of that

2026

01:18:20,870 --> 01:18:17,840

seven speakers two meals for 105 dollars

2027

01:18:23,510 --> 01:18:20,880

that's unheard of and it's a great thing

2028

01:18:25,750 --> 01:18:23,520

for that in philly sometimes yeah i mean

2029

01:18:27,669 --> 01:18:25,760

the meals alone and you see i i make no

2030

01:18:29,990 --> 01:18:27,679

money on the meals it basically you're

2031

01:18:32,790 --> 01:18:30,000

getting the meals from my cost you know

2032

01:18:35,030 --> 01:18:32,800

which is in if which is in the

2033

01:18:37,110 --> 01:18:35,040

close to 60 dollars it costs just for

2034

01:18:39,189 --> 01:18:37,120

those meals without paying for the hotel

2035

01:18:41,350 --> 01:18:39,199

and the flights and the speaker fees so

2036

01:18:43,990 --> 01:18:41,360

i'm telling you we make about

2037

01:18:46,470 --> 01:18:44,000

three dollars a person on the 105. it

2038

01:18:49,189 --> 01:18:46,480

cost me 102. i'm telling you the truth

2039

01:18:49,990 --> 01:18:49,199

but my point is to get people to come

2040

01:18:52,550 --> 01:18:50,000

out

2041

01:18:54,390 --> 01:18:52,560

and learn and attend and buy the books

2042

01:18:55,669 --> 01:18:54,400

we're not doing it to make money but we

2043

01:18:58,070 --> 01:18:55,679

walk away with five hundred eight

2044

01:19:00,550 --> 01:18:58,080

hundred dollars um you know if you have

2045

01:19:03,350 --> 01:19:00,560

a bad conference you lose five hundred

2046

01:19:04,870 --> 01:19:03,360

and then like i should mention

2047

01:19:07,189 --> 01:19:04,880

unlike some conferences that are

2048

01:19:10,070 --> 01:19:07,199

strictly for the benefit of somebody's

2049

01:19:12,149 --> 01:19:10,080

profit these benefit mufon isn't that

2050

01:19:14,149 --> 01:19:12,159

right so that that money yeah absolutely

2051

01:19:16,229 --> 01:19:14,159

and that's what we do we we

2052

01:19:17,750 --> 01:19:16,239

to further that cause which is a great

2053

01:19:19,510 --> 01:19:17,760

cause

2054

01:19:22,070 --> 01:19:19,520

yeah and we use the money to buy

2055

01:19:23,990 --> 01:19:22,080

equipment geiger counters you know uh

2056

01:19:26,790 --> 01:19:24,000

whatever we might need everybody has a

2057

01:19:28,870 --> 01:19:26,800

little kit with gloves and and and paint

2058

01:19:31,350 --> 01:19:28,880

cans empty paint cans that have never

2059

01:19:34,149 --> 01:19:31,360

been used and you know and and the basic

2060

01:19:36,229 --> 01:19:34,159

equipment that we can give you uh we do

2061

01:19:38,310 --> 01:19:36,239

that and then we hold our meetings and

2062

01:19:41,430 --> 01:19:38,320

we buy lunch for our people and all of

2063

01:19:42,950 --> 01:19:41,440

that so uh you know all the all the uh

2064

01:19:44,550 --> 01:19:42,960

all of the uh

2065

01:19:45,910 --> 01:19:44,560

money that we raise

2066

01:19:48,149 --> 01:19:45,920

which you know we do to three

2067

01:19:50,390 --> 01:19:48,159

conferences we might make two two grand

2068

01:19:52,550 --> 01:19:50,400

on three conferences which is incredible

2069

01:19:54,709 --> 01:19:52,560

you know and most other conferences will

2070

01:19:56,950 --> 01:19:54,719

charge you a hundred dollars more for

2071

01:19:59,030 --> 01:19:56,960

the conference than we do and then

2072

01:20:00,550 --> 01:19:59,040

november 14th over in pittsburgh

2073

01:20:02,390 --> 01:20:00,560

westmoreland county

2074

01:20:04,790 --> 01:20:02,400

we we've done both of these for eight

2075

01:20:06,550 --> 01:20:04,800

years these conferences we've got stan

2076

01:20:08,470 --> 01:20:06,560

gordon talking about the 50th

2077

01:20:09,830 --> 01:20:08,480

anniversary of kecksburg yeah that's on

2078

01:20:18,189 --> 01:20:09,840

myself

2079

01:20:20,390 --> 01:20:18,199

then we have lauren coleman right

2080

01:20:23,510 --> 01:20:20,400

cryptozoology bigfoot we got phyllis

2081

01:20:25,430 --> 01:20:23,520

goldie the the editor and uh owner of

2082

01:20:27,750 --> 01:20:25,440

fate magazine talking about ghosts and

2083

01:20:29,590 --> 01:20:27,760

creatures and we got another speaker on

2084

01:20:31,830 --> 01:20:29,600

fallen angels and the nephilim and

2085

01:20:36,470 --> 01:20:31,840

another one on the spiritual mission of

2086

01:20:40,390 --> 01:20:36,480

uh et's and you know it's 20 you know 31

2087

01:20:43,590 --> 01:20:40,400

you get uh two four six speakers

2088

01:20:45,510 --> 01:20:43,600

uh lunches included and then you know

2089

01:20:46,870 --> 01:20:45,520

you can buy the dinner buffet with the

2090

01:20:49,030 --> 01:20:46,880

speakers in the question and answer

2091

01:20:52,470 --> 01:20:49,040

period so uh you know it's incredible

2092

01:20:55,030 --> 01:20:52,480

that's 55 for the whole day two meals

2093

01:20:56,070 --> 01:20:55,040

two meals and six speakers for 55

2094

01:20:58,470 --> 01:20:56,080

dollars

2095

01:21:00,149 --> 01:20:58,480

yeah sounds like a great value to me i'm

2096

01:21:01,510 --> 01:21:00,159

gonna try to make both and i hope you

2097

01:21:03,750 --> 01:21:01,520

can introduce me to some of your

2098

01:21:05,510 --> 01:21:03,760

speakers we could always use new guests

2099

01:21:07,189 --> 01:21:05,520

so that would be awesome yeah absolutely

2100

01:21:09,510 --> 01:21:07,199

there's some great people

2101
01:21:12,149 --> 01:21:09,520
that i've been uh i would love to meet

2102
01:21:14,790 --> 01:21:12,159
and uh and and hear speak live because

2103
01:21:17,669 --> 01:21:14,800
i've seen so many of them on youtube and

2104
01:21:19,910 --> 01:21:17,679
on these different shows

2105
01:21:23,110 --> 01:21:19,920
so i think that uh if you're interested

2106
01:21:25,830 --> 01:21:23,120
in in in the subject of ufos or some of

2107
01:21:28,470 --> 01:21:25,840
the more esoteric stuff like bigfoot and

2108
01:21:29,750 --> 01:21:28,480
nephilham and all these

2109
01:21:32,310 --> 01:21:29,760
cool stuff

2110
01:21:34,390 --> 01:21:32,320
you can attend these conferences and get

2111
01:21:37,270 --> 01:21:34,400
fully informed get some books get some

2112
01:21:39,430 --> 01:21:37,280
dvds and make sure that you support

2113
01:21:41,910 --> 01:21:39,440

john's books i only have

2114

01:21:44,310 --> 01:21:41,920

i'm going to get the other few but i i

2115

01:21:45,910 --> 01:21:44,320

have ufos over pennsylvania it's one of

2116

01:21:47,270 --> 01:21:45,920

my favorites because i'm from

2117

01:21:49,110 --> 01:21:47,280

pennsylvania

2118

01:21:51,590 --> 01:21:49,120

and you can order his excellent books at

2119

01:21:55,510 --> 01:21:51,600

his website johnventury.com

2120

01:21:59,910 --> 01:21:57,990

you can see him on hanger one

2121

01:22:01,270 --> 01:21:59,920

the ufo files

2122

01:22:04,390 --> 01:22:01,280

it's my understanding they're making

2123

01:22:06,229 --> 01:22:04,400

future episodes isn't that right john

2124

01:22:08,709 --> 01:22:06,239

well no they haven't told us about

2125

01:22:10,709 --> 01:22:08,719

season three yet it's incredible last

2126
01:22:12,950 --> 01:22:10,719
year at this point in september we were

2127
01:22:15,590 --> 01:22:12,960
filming season two and right now there's

2128
01:22:17,830 --> 01:22:15,600
been no determination on season three

2129
01:22:20,149 --> 01:22:17,840
yet we would we were history's highest

2130
01:22:22,470 --> 01:22:20,159
rated show on friday nights one and a

2131
01:22:24,629 --> 01:22:22,480
half million people watched the ratings

2132
01:22:27,189 --> 01:22:24,639
are higher than ancient aliens and no

2133
01:22:28,950 --> 01:22:27,199
word you know it it's kind of annoying

2134
01:22:31,110 --> 01:22:28,960
because i keep seeing new episodes of

2135
01:22:33,830 --> 01:22:31,120
ancient aliens coming out all summer and

2136
01:22:35,750 --> 01:22:33,840
nothing on hang on what i like i liked

2137
01:22:37,350 --> 01:22:35,760
ancient aliens when it started but it

2138
01:22:39,750 --> 01:22:37,360

seems to me they're just scraping the

2139

01:22:43,110 --> 01:22:39,760

bottom of the barrel mail like you know

2140

01:22:45,030 --> 01:22:43,120

ancient aliens and the civil war that

2141

01:22:46,790 --> 01:22:45,040

doesn't make any sense

2142

01:22:49,430 --> 01:22:46,800

you know and meanwhile you guys have

2143

01:22:53,270 --> 01:22:49,440

some fresh exciting content and more

2144

01:22:55,830 --> 01:22:53,280

modern stuff and trace evidence cases

2145

01:22:58,470 --> 01:22:55,840

and uh i i really enjoy the show i hope

2146

01:22:59,990 --> 01:22:58,480

it does get picked up for another season

2147

01:23:03,590 --> 01:23:00,000

because you guys have some matter of

2148

01:23:05,830 --> 01:23:03,600

facts stuff that just i love that show

2149

01:23:08,709 --> 01:23:05,840

yeah well here's something else i do a

2150

01:23:11,669 --> 01:23:08,719

tv show in pittsburgh only in pittsburgh

2151

01:23:13,990 --> 01:23:11,679

it's on public tv and it's called ufos

2152

01:23:15,590 --> 01:23:14,000

over pittsburgh twice a month uh the

2153

01:23:17,669 --> 01:23:15,600

west virginia state director fred

2154

01:23:20,070 --> 01:23:17,679

seluger and i we go into pittsburgh to

2155

01:23:22,470 --> 01:23:20,080

the studio and we film ufos over

2156

01:23:25,910 --> 01:23:22,480

pittsburgh it's a half hour ufo talk

2157

01:23:28,390 --> 01:23:25,920

show i love doing it i write the show i

2158

01:23:30,629 --> 01:23:28,400

get to guess and fred fred and i appear

2159

01:23:33,110 --> 01:23:30,639

in the show and they're on youtube you

2160

01:23:36,390 --> 01:23:33,120

can look up either ufos over pittsburgh

2161

01:23:39,030 --> 01:23:36,400

or john venturi on youtube and we've

2162

01:23:41,830 --> 01:23:39,040

done so far 24 episodes we do two every

2163

01:23:44,070 --> 01:23:41,840

month we've got 24 so far

2164

01:23:45,030 --> 01:23:44,080

and i'm telling you they are some of the

2165

01:23:46,790 --> 01:23:45,040

best

2166

01:23:50,229 --> 01:23:46,800

you know show

2167

01:23:51,910 --> 01:23:50,239

if this was on syndicated regular tv you

2168

01:23:54,950 --> 01:23:51,920

know it would be it would be like uh you

2169

01:23:56,790 --> 01:23:54,960

know anderson cooper innocent 360. it is

2170

01:23:59,590 --> 01:23:56,800

a great great show and you could just

2171

01:24:00,550 --> 01:23:59,600

look me up or or ufos over pittsburgh on

2172

01:24:02,629 --> 01:24:00,560

youtube

2173

01:24:04,550 --> 01:24:02,639

i'm always looking for new content every

2174

01:24:06,870 --> 01:24:04,560

time i think i've watched most of what's

2175

01:24:10,550 --> 01:24:06,880

on youtube i find something like that so

2176

01:24:11,990 --> 01:24:10,560

there's 24 episodes to walk to watch

2177

01:24:13,750 --> 01:24:12,000

that never mind there's some stuff

2178

01:24:15,830 --> 01:24:13,760

that's out there but it's good to know

2179

01:24:18,390 --> 01:24:15,840

and maybe if you need a guest i have

2180

01:24:20,149 --> 01:24:18,400

some special things that i can uh help

2181

01:24:22,229 --> 01:24:20,159

you with there i'd be happy to come in

2182

01:24:24,709 --> 01:24:22,239

for the weekend or something

2183

01:24:26,550 --> 01:24:24,719

that would be awesome you know we

2184

01:24:29,189 --> 01:24:26,560

what we did for the first time is we

2185

01:24:31,510 --> 01:24:29,199

skyped uh we skyped somebody in for the

2186

01:24:32,550 --> 01:24:31,520

last episode and it worked fine it was

2187

01:24:34,950 --> 01:24:32,560

clear

2188

01:24:37,030 --> 01:24:34,960

you know it wasn't all muffled and stuff

2189

01:24:38,470 --> 01:24:37,040

like that so now what we're going to

2190

01:24:40,950 --> 01:24:38,480

start doing is we're going to skype

2191

01:24:43,110 --> 01:24:40,960

somebody in for at least one of the two

2192

01:24:45,270 --> 01:24:43,120

episodes every month so we could put you

2193

01:24:46,870 --> 01:24:45,280

on the list of skype ease yeah that

2194

01:24:49,110 --> 01:24:46,880

would sound that would be great that

2195

01:24:50,790 --> 01:24:49,120

would be great do you have any other

2196

01:24:52,950 --> 01:24:50,800

projects that you're working on is there

2197

01:24:55,590 --> 01:24:52,960

going to be i heard you say you're done

2198

01:25:00,870 --> 01:24:55,600

writing books and i hope that's not the

2199

01:25:05,750 --> 01:25:03,110

yeah everybody has said that and uh i

2200

01:25:08,470 --> 01:25:05,760

say yeah i'm done and uh

2201

01:25:10,629 --> 01:25:08,480

idea like next month and you're not

2202

01:25:12,790 --> 01:25:10,639

going to write i'll write an article

2203

01:25:14,709 --> 01:25:12,800

i actually uh write some occasional

2204

01:25:16,229 --> 01:25:14,719

articles for seven different

2205

01:25:18,229 --> 01:25:16,239

publications

2206

01:25:19,510 --> 01:25:18,239

um i think there's three in england

2207

01:25:22,629 --> 01:25:19,520

although it's funny all the english

2208

01:25:24,790 --> 01:25:22,639

magazines there gary hesseltein phillip

2209

01:25:28,070 --> 01:25:24,800

mantle steve mara

2210

01:25:29,430 --> 01:25:28,080

i write for them and then in the us it's

2211

01:25:34,550 --> 01:25:29,440

uh

2212

01:25:36,709 --> 01:25:34,560

conspiracy journal and it's one other i

2213

01:25:38,550 --> 01:25:36,719

can't think what it is um i write this

2214

01:25:40,149 --> 01:25:38,560

seven magazines i'll write an article i

2215

01:25:42,149 --> 01:25:40,159

send it to them i send it to all seven

2216

01:25:44,470 --> 01:25:42,159

at the same time and they say here it is

2217

01:25:46,470 --> 01:25:44,480

it's free publish it if you want some do

2218

01:25:49,110 --> 01:25:46,480

some don't and the most they'll make it

2219

01:25:51,350 --> 01:25:49,120

into one or two you know of the seven so

2220

01:25:54,149 --> 01:25:51,360

if i get a new idea i will just send it

2221

01:25:57,669 --> 01:25:54,159

out in the form of an article but i'm

2222

01:25:58,629 --> 01:25:57,679

done writing uh i love writing you know

2223

01:26:00,790 --> 01:25:58,639

but

2224

01:26:04,070 --> 01:26:00,800

you know it's hard to explain i feel

2225

01:26:06,390 --> 01:26:04,080

like after 18 years i've come to my

2226

01:26:09,350 --> 01:26:06,400

conclusions i don't think i'm going to

2227

01:26:11,110 --> 01:26:09,360

learn anything else i put it all in the

2228

01:26:12,629 --> 01:26:11,120

case for ufos

2229

01:26:15,350 --> 01:26:12,639

you know and in my other books but the

2230

01:26:17,189 --> 01:26:15,360

case for ufos is the last one i think if

2231

01:26:19,910 --> 01:26:17,199

you read that you get everything to

2232

01:26:21,669 --> 01:26:19,920

understand this and and then i talk

2233

01:26:23,750 --> 01:26:21,679

about this interdimensional thing at the

2234

01:26:25,910 --> 01:26:23,760

end of my book and i'm very

2235

01:26:28,149 --> 01:26:25,920

definite you know talking about my

2236

01:26:30,070 --> 01:26:28,159

paranormal experiences there's a couple

2237

01:26:32,550 --> 01:26:30,080

of chapters on that

2238

01:26:35,669 --> 01:26:32,560

and uh you know so like i said i'm

2239

01:26:37,990 --> 01:26:35,679

convinced there are ambassadors and

2240

01:26:40,629 --> 01:26:38,000

scientists from space that come here and

2241

01:26:43,030 --> 01:26:40,639

have always come here from the beginning

2242

01:26:45,270 --> 01:26:43,040

probably for fifty thousand years and

2243

01:26:48,229 --> 01:26:45,280

then i'm convinced there's an

2244

01:26:51,830 --> 01:26:48,239

interdimensional entities that have been

2245

01:26:54,070 --> 01:26:51,840

the basis of religion legends everything

2246

01:26:56,550 --> 01:26:54,080

that every culture on every continent

2247

01:26:58,229 --> 01:26:56,560

has ever talked about which is similar i

2248

01:27:00,550 --> 01:26:58,239

believe there's this interdimensional

2249

01:27:02,870 --> 01:27:00,560

thing and i'm convinced of it and i'm

2250

01:27:05,430 --> 01:27:02,880

convinced that there's also

2251

01:27:08,149 --> 01:27:05,440

scientists from space and scientists and

2252

01:27:11,510 --> 01:27:08,159

ambassadors from space do not show up in

2253

01:27:13,830 --> 01:27:11,520

your bedroom at 3am hiding in the corner

2254

01:27:16,390 --> 01:27:13,840

i agree paralyze you

2255

01:27:19,110 --> 01:27:16,400

and that is a demonic

2256

01:27:24,070 --> 01:27:22,149

you know explain what's going on i i

2257

01:27:25,830 --> 01:27:24,080

totally and completely agree with you

2258

01:27:28,870 --> 01:27:25,840

because i think some people go one

2259

01:27:31,270 --> 01:27:28,880

theory or the other and they don't

2260

01:27:33,830 --> 01:27:31,280

allow for both i mean i think only both

2261

01:27:36,629 --> 01:27:33,840

could explain everything that's going on

2262

01:27:37,910 --> 01:27:36,639

you know that's my take you know that

2263

01:27:40,470 --> 01:27:37,920

yeah that and that's one of the things

2264

01:27:43,750 --> 01:27:40,480

i've experienced it's all or nothing why

2265

01:27:46,310 --> 01:27:43,760

is it all or nothing that you believe in

2266

01:27:48,390 --> 01:27:46,320

uh in jesus only you believe in

2267

01:27:50,950 --> 01:27:48,400

evolution only you believe in ancient

2268

01:27:52,950 --> 01:27:50,960

aliens only you we're dealing with at

2269

01:27:55,590 --> 01:27:52,960

least two if not three separate

2270

01:27:59,270 --> 01:27:55,600

phenomenon you know my conclusion is

2271

01:28:00,629 --> 01:27:59,280

this is an absolutely haunted planet

2272

01:28:02,709 --> 01:28:00,639

which would

2273

01:28:05,430 --> 01:28:02,719

with creatures from outer space coming

2274

01:28:07,510 --> 01:28:05,440

here for a long time and creatures from

2275

01:28:09,350 --> 01:28:07,520

dimensions coming here and for all i

2276

01:28:11,669 --> 01:28:09,360

know it could be us from the future

2277

01:28:13,990 --> 01:28:11,679

coming here i i was at the comic con and

2278

01:28:16,149 --> 01:28:14,000

this is funny a reporter for the local

2279

01:28:17,750 --> 01:28:16,159

tribune review says i'm going to contact

2280

01:28:20,070 --> 01:28:17,760

you in about a month i'm writing an

2281

01:28:21,669 --> 01:28:20,080

article in keksburg and he's i said fine

2282

01:28:23,590 --> 01:28:21,679

you know call me i gave him my card he

2283

01:28:25,590 --> 01:28:23,600

goes let me tell you my theory he says

2284

01:28:27,430 --> 01:28:25,600

these grays are from the future and i

2285

01:28:29,270 --> 01:28:27,440

said are they really and he goes yeah

2286

01:28:31,189 --> 01:28:29,280

now listen to this he says you got a

2287

01:28:33,189 --> 01:28:31,199

smartphone what happens is you're

2288

01:28:34,950 --> 01:28:33,199

sitting there staring at your your

2289

01:28:37,110 --> 01:28:34,960

smartphone and your apple and your

2290

01:28:39,189 --> 01:28:37,120

laptop and everything you're using two

2291

01:28:42,310 --> 01:28:39,199

fingers you still you end up losing the

2292

01:28:44,390 --> 01:28:42,320

use of of you know a five you only end

2293

01:28:46,870 --> 01:28:44,400

up using three so now you got three

2294

01:28:48,229 --> 01:28:46,880

fingers over you know years your eyes

2295

01:28:49,669 --> 01:28:48,239

get bigger because you're staring at

2296

01:28:52,149 --> 01:28:49,679

your device your head gets bigger

2297

01:28:54,070 --> 01:28:52,159

because your brain is not concentrating

2298

01:28:55,669 --> 01:28:54,080

but he made me laugh that he says yeah

2299

01:28:57,350 --> 01:28:55,679

and then you end up we look like grays

2300

01:29:00,229 --> 01:28:57,360

in the future that's us coming back

2301

01:29:02,709 --> 01:29:00,239

because of apple products

2302

01:29:04,950 --> 01:29:02,719

it's steve jobs fall

2303

01:29:06,950 --> 01:29:04,960

that's people are getting abducted

2304

01:29:09,590 --> 01:29:06,960

yeah yeah it's it's his fault but i

2305

01:29:11,189 --> 01:29:09,600

thought that was really funny but uh

2306

01:29:12,550 --> 01:29:11,199

people no i'm not going to write nothing

2307

01:29:14,550 --> 01:29:12,560

i've always appreciated your work

2308

01:29:17,270 --> 01:29:14,560

because you're kind of open-minded but

2309

01:29:19,110 --> 01:29:17,280

then factual like it's not just a story

2310

01:29:21,189 --> 01:29:19,120

with you there's here's the evidence to

2311

01:29:22,629 --> 01:29:21,199

go with what i'm saying

2312

01:29:24,790 --> 01:29:22,639

so yeah i don't

2313

01:29:26,950 --> 01:29:24,800

i appreciate it

2314

01:29:29,189 --> 01:29:26,960

yeah i don't flower anything up i'm not

2315

01:29:30,709 --> 01:29:29,199

descriptive like i said if i'm telling

2316

01:29:32,310 --> 01:29:30,719

you the thing came in and punched you in

2317

01:29:33,830 --> 01:29:32,320

the face you know it broke through the

2318

01:29:35,189 --> 01:29:33,840

window and punched me in the face i

2319

01:29:37,270 --> 01:29:35,199

don't say well it broke through the

2320

01:29:39,830 --> 01:29:37,280

window it was slowed open to get through

2321

01:29:41,590 --> 01:29:39,840

the glass the walls were green and it

2322

01:29:42,709 --> 01:29:41,600

smelled of frozen no i don't say that i

2323

01:29:44,629 --> 01:29:42,719

said came through the window and touched

2324

01:29:45,750 --> 01:29:44,639

me in the face

2325

01:29:48,229 --> 01:29:45,760

that's great

2326

01:29:50,310 --> 01:29:48,239

so i was i was asking earlier is there

2327

01:29:53,189 --> 01:29:50,320

some new projects are you just going on

2328

01:29:55,030 --> 01:29:53,199

with your with your pa investigations

2329

01:29:56,629 --> 01:29:55,040

when you get calls

2330

01:29:58,790 --> 01:29:56,639

or well

2331

01:30:00,550 --> 01:29:58,800

over the years i've had

2332

01:30:03,189 --> 01:30:00,560

i've had seven different states for

2333

01:30:04,310 --> 01:30:03,199

mufon i currently have four pennsylvania

2334

01:30:06,390 --> 01:30:04,320

delaware

2335

01:30:08,149 --> 01:30:06,400

uh maine and new hampshire i just

2336

01:30:11,350 --> 01:30:08,159

recently gave up from mountain rhode

2337

01:30:14,149 --> 01:30:11,360

island we promoted uh ken pfeiffer took

2338

01:30:16,629 --> 01:30:14,159

those i had west virginia i promoted

2339

01:30:20,229 --> 01:30:16,639

fred salud he took that so i still got

2340

01:30:21,669 --> 01:30:20,239

four i was the first multi-state mufon

2341

01:30:23,510 --> 01:30:21,679

state director

2342

01:30:25,510 --> 01:30:23,520

i'm still maybe the only one or one

2343

01:30:26,870 --> 01:30:25,520

other guy has one other state you know

2344

01:30:29,910 --> 01:30:26,880

but i got four

2345

01:30:31,510 --> 01:30:29,920

uh so i'm pretty busy with that and uh

2346

01:30:35,750 --> 01:30:31,520

you know i'm hoping for a season three

2347

01:30:41,030 --> 01:30:37,830

i keep telling headquarters

2348

01:30:43,110 --> 01:30:41,040

what we got to do is we have to

2349

01:30:44,310 --> 01:30:43,120

come out with a new show you know if

2350

01:30:46,629 --> 01:30:44,320

they don't want to pick it up call it

2351
01:30:48,709 --> 01:30:46,639
the m files let's compete with the

2352
01:30:50,470 --> 01:30:48,719
x-files call it the m-files for the

2353
01:30:52,070 --> 01:30:50,480
mufon files

2354
01:30:54,470 --> 01:30:52,080
and we do it that way you know we have

2355
01:30:56,229 --> 01:30:54,480
jan harzan and couple of us come in his

2356
01:30:57,430 --> 01:30:56,239
office and he hands us the case and

2357
01:30:59,110 --> 01:30:57,440
that's what the show is going to be

2358
01:31:01,510 --> 01:30:59,120
about and then we just do the same you

2359
01:31:03,510 --> 01:31:01,520
know file footage and what happened and

2360
01:31:05,750 --> 01:31:03,520
all of that but let's do it right and

2361
01:31:08,310 --> 01:31:05,760
call it the m-files compete with the

2362
01:31:10,310 --> 01:31:08,320
x-files because we're the real x-files

2363
01:31:13,510 --> 01:31:10,320

yeah you guys really are i mean you get

2364

01:31:15,990 --> 01:31:13,520

all the all the kind of strange esoteric

2365

01:31:17,910 --> 01:31:16,000

stuff it's not just ufos you guys get

2366

01:31:19,430 --> 01:31:17,920

like bigfoot reports and all kinds of

2367

01:31:21,189 --> 01:31:19,440

stuff don't you

2368

01:31:22,709 --> 01:31:21,199

yeah yeah we get we actually and you

2369

01:31:25,830 --> 01:31:22,719

know what and i'll be honest with you

2370

01:31:28,310 --> 01:31:25,840

you know we look i look at these reports

2371

01:31:29,350 --> 01:31:28,320

and you know the ce3s and fours and

2372

01:31:31,189 --> 01:31:29,360

stuff and

2373

01:31:33,350 --> 01:31:31,199

some of them they fall into the

2374

01:31:34,790 --> 01:31:33,360

paranormal area and all my investigators

2375

01:31:37,030 --> 01:31:34,800

say the same thing they said you know

2376

01:31:39,590 --> 01:31:37,040

this one's not ufo this thing is

2377

01:31:41,510 --> 01:31:39,600

paranormal this is a spirit this is a

2378

01:31:43,750 --> 01:31:41,520

poltergeist this is something else and

2379

01:31:44,470 --> 01:31:43,760

so we we end up getting all of that you

2380

01:31:45,669 --> 01:31:44,480

know

2381

01:31:47,669 --> 01:31:45,679

and and that's some of the stuff i

2382

01:31:50,149 --> 01:31:47,679

talked to about in the last few chapters

2383

01:31:52,070 --> 01:31:50,159

of case for ufos that there's a second

2384

01:31:54,709 --> 01:31:52,080

thing that goes on and it's not from

2385

01:31:56,310 --> 01:31:54,719

outer space uh but uh you know i don't

2386

01:31:58,310 --> 01:31:56,320

want to write any more books i've come

2387

01:31:59,430 --> 01:31:58,320

to my conclusions that there's we're

2388

01:32:04,149 --> 01:31:59,440

dealing with

2389

01:32:05,990 --> 01:32:04,159

interdimensional so i i think that you

2390

01:32:08,790 --> 01:32:06,000

know uh what i'm going to do is run my

2391

01:32:10,790 --> 01:32:08,800

three conferences i give eight or nine

2392

01:32:12,229 --> 01:32:10,800

different presentations that again

2393

01:32:14,390 --> 01:32:12,239

people come up to me and say that's the

2394

01:32:16,470 --> 01:32:14,400

best presentation i've ever heard most

2395

01:32:19,590 --> 01:32:16,480

factual most interesting you know

2396

01:32:21,430 --> 01:32:19,600

because it's it's all logical in order

2397

01:32:24,629 --> 01:32:21,440

factual just like when i was giving a

2398

01:32:26,950 --> 01:32:24,639

presentation at work you know you had to

2399

01:32:29,030 --> 01:32:26,960

you had to make your point and that's

2400

01:32:32,229 --> 01:32:29,040

what i do and i'll talk two hours three

2401
01:32:34,870 --> 01:32:32,239
hours on on whatever the subject is uh

2402
01:32:36,870 --> 01:32:34,880
although i don't go that long i can um

2403
01:32:38,550 --> 01:32:36,880
so i i want to give my you know tell you

2404
01:32:41,430 --> 01:32:38,560
my biggest disappointment let me tell

2405
01:32:42,550 --> 01:32:41,440
you this my biggest disappointment is

2406
01:32:45,510 --> 01:32:42,560
i've done

2407
01:32:47,030 --> 01:32:45,520
seven tv shows 50 episodes

2408
01:32:49,110 --> 01:32:47,040
and nobody

2409
01:32:50,870 --> 01:32:49,120
outside of pennsylvania and ohio asked

2410
01:32:52,550 --> 01:32:50,880
me to come speak at their conference and

2411
01:32:56,229 --> 01:32:52,560
there's not one

2412
01:32:58,629 --> 01:32:56,239
mufon investigator state director on the

2413
01:33:02,030 --> 01:32:58,639

conference circuit not one

2414

01:33:03,830 --> 01:33:02,040

the people that you pay to listen to are

2415

01:33:05,669 --> 01:33:03,840

historians

2416

01:33:07,669 --> 01:33:05,679

and researchers

2417

01:33:09,990 --> 01:33:07,679

not the people who actually did the

2418

01:33:10,870 --> 01:33:10,000

investigations like us and i find that

2419

01:33:12,870 --> 01:33:10,880

yes

2420

01:33:14,950 --> 01:33:12,880

i'd prefer to hear from you because like

2421

01:33:16,790 --> 01:33:14,960

i was saying i i know that some

2422

01:33:19,030 --> 01:33:16,800

conferences they're

2423

01:33:20,390 --> 01:33:19,040

they're hiring entertainers basically

2424

01:33:23,350 --> 01:33:20,400

these people that just

2425

01:33:25,990 --> 01:33:23,360

hey let me tell the story of you know uh

2426

01:33:28,229 --> 01:33:26,000

stan romanek or dan burrish and i'm

2427

01:33:29,510 --> 01:33:28,239

sitting there going i paid money for

2428

01:33:32,470 --> 01:33:29,520

this like

2429

01:33:34,950 --> 01:33:32,480

wait a minute no fact checking no

2430

01:33:36,790 --> 01:33:34,960

evidence no corroboration this is a

2431

01:33:39,750 --> 01:33:36,800

fairy tale and i didn't want to pay

2432

01:33:42,149 --> 01:33:39,760

money like me i want to get to the truth

2433

01:33:45,189 --> 01:33:42,159

so i'd rather hear from you you know

2434

01:33:48,229 --> 01:33:45,199

instead of some ufo hulkster is telling

2435

01:33:49,590 --> 01:33:48,239

stories and you know selling a dvd full

2436

01:33:51,510 --> 01:33:49,600

of lies

2437

01:33:53,669 --> 01:33:51,520

we need to get the investigators in

2438

01:33:55,910 --> 01:33:53,679

these conferences

2439

01:33:57,830 --> 01:33:55,920

yeah think about it how many of them out

2440

01:34:00,629 --> 01:33:57,840

there actually

2441

01:34:01,990 --> 01:34:00,639

was an original investigator or most of

2442

01:34:04,550 --> 01:34:02,000

them are looking up stuff on the

2443

01:34:06,550 --> 01:34:04,560

internet putting a presentation together

2444

01:34:08,550 --> 01:34:06,560

or they may have called somebody and

2445

01:34:10,950 --> 01:34:08,560

said well you know tell me about roswell

2446

01:34:12,950 --> 01:34:10,960

tell me what you saw or whatever for you

2447

01:34:14,629 --> 01:34:12,960

know very very few

2448

01:34:16,870 --> 01:34:14,639

they didn't speak to the witness in

2449

01:34:19,350 --> 01:34:16,880

person they didn't get the trace

2450

01:34:21,750 --> 01:34:19,360

evidence like you have in so many you

2451

01:34:23,830 --> 01:34:21,760

know in some of your cases

2452

01:34:25,750 --> 01:34:23,840

you know and i tell you that is my

2453

01:34:28,310 --> 01:34:25,760

biggest disappointment you know when i

2454

01:34:30,830 --> 01:34:28,320

wrote my first uh two books which were

2455

01:34:34,790 --> 01:34:30,840

novels on 12 21

2456

01:34:36,550 --> 01:34:34,800

2012 i had loads of invitations to go to

2457

01:34:38,470 --> 01:34:36,560

florida and i did you know i've traveled

2458

01:34:41,910 --> 01:34:38,480

around the country giving prayer i

2459

01:34:43,910 --> 01:34:41,920

became an expert on end time prophecy

2460

01:34:45,830 --> 01:34:43,920

and the mayan calendar i actually was

2461

01:34:49,109 --> 01:34:45,840

invited to go to chichen itza on

2462

01:34:50,950 --> 01:34:49,119

december 21st with greg braden and give

2463

01:34:53,270 --> 01:34:50,960

my presentations and everything because

2464

01:34:56,470 --> 01:34:53,280

i was on the anderson cooper show april

2465

01:34:58,149 --> 01:34:56,480

of 2012 and you know but now

2466

01:34:59,590 --> 01:34:58,159

in the ufo side even though i did the

2467

01:35:02,149 --> 01:34:59,600

bucks county and i've written these

2468

01:35:05,510 --> 01:35:02,159

other uh you know four books

2469

01:35:07,750 --> 01:35:05,520

uh nobody asked me yet i'm i think one

2470

01:35:10,070 --> 01:35:07,760

of the more dynamic speakers my

2471

01:35:12,629 --> 01:35:10,080

presentations are all you know

2472

01:35:14,550 --> 01:35:12,639

powerpoint with embedded video and all

2473

01:35:16,149 --> 01:35:14,560

of this stuff and uh

2474

01:35:19,270 --> 01:35:16,159

i don't get invited that's why i run my

2475

01:35:24,149 --> 01:35:21,510

if there's any ufo convention

2476

01:35:25,510 --> 01:35:24,159

uh people watching people who organize

2477

01:35:28,070 --> 01:35:25,520

these things

2478

01:35:30,950 --> 01:35:28,080

mr ventry is is one of the people you

2479

01:35:34,149 --> 01:35:30,960

need to have not a storyteller with no

2480

01:35:37,590 --> 01:35:34,159

facts and no you know not a ufo huckster

2481

01:35:39,590 --> 01:35:37,600

this guy's a pro he runs the state mufon

2482

01:35:41,910 --> 01:35:39,600

for all these different states

2483

01:35:44,950 --> 01:35:41,920

and and your books are excellent so i

2484

01:35:48,149 --> 01:35:44,960

would say if anybody wants to uh book mr

2485

01:35:54,109 --> 01:35:48,159

ventury you can contact him at www

2486

01:35:59,189 --> 01:35:57,109

j-o-h-n-v-e-n-t-r-e com you can also get

2487

01:36:01,990 --> 01:35:59,199

information on his upcoming conferences

2488

01:36:03,790 --> 01:36:02,000

there as well as order any of his books

2489

01:36:06,229 --> 01:36:03,800

you can order his books on

2490

01:36:07,669 --> 01:36:06,239

amazon.com if you have a kindle you can

2491

01:36:10,790 --> 01:36:07,679

get them as well

2492

01:36:12,550 --> 01:36:10,800

they're available in electronic form

2493

01:36:14,390 --> 01:36:12,560

i just want to thank you very much i've

2494

01:36:16,550 --> 01:36:14,400

seen you on so many different shows

2495

01:36:19,669 --> 01:36:16,560

including the anderson cooper which i

2496

01:36:20,950 --> 01:36:19,679

thought you won that debate hands down

2497

01:36:22,950 --> 01:36:20,960

and uh

2498

01:36:24,709 --> 01:36:22,960

and and hanger one is one of my favorite

2499

01:36:26,470 --> 01:36:24,719

shows it's been a pleasure to talk to

2500

01:36:28,310 --> 01:36:26,480

you i want to thank you for taking the

2501

01:36:30,550 --> 01:36:28,320

time with us

2502

01:36:33,350 --> 01:36:30,560

yeah yeah and uh you know anderson

2503

01:36:36,790 --> 01:36:33,360

cooper highly edited that show a lot of

2504

01:36:39,350 --> 01:36:36,800

what i said would say that because

2505

01:36:41,910 --> 01:36:39,360

stories of of the way that went

2506

01:36:45,830 --> 01:36:41,920

including from somebody that works for

2507

01:36:48,550 --> 01:36:45,840

him uh was sort of or works for cnn

2508

01:36:50,629 --> 01:36:48,560

told me about they they for those who

2509

01:36:52,950 --> 01:36:50,639

don't know mr bentry was on anderson

2510

01:36:54,629 --> 01:36:52,960

cooper and he was the ufo expert and

2511

01:36:57,990 --> 01:36:54,639

then they had a skeptic

2512

01:37:00,870 --> 01:36:58,000

and every time mr ventry said something

2513

01:37:03,430 --> 01:37:00,880

the audience applauded and got great you

2514

01:37:06,870 --> 01:37:03,440

know reaction and and people were

2515

01:37:09,990 --> 01:37:06,880

laughing at the skeptic and the finished

2516

01:37:12,790 --> 01:37:10,000

report was so edited they edited out all

2517

01:37:15,109 --> 01:37:12,800

the applause mr ventry got and the

2518

01:37:16,229 --> 01:37:15,119

laughter about the skeptic and they made

2519

01:37:18,070 --> 01:37:16,239

it look like

2520

01:37:20,310 --> 01:37:18,080

uh the skeptic

2521

01:37:22,470 --> 01:37:20,320

sort of got the upper hand in the debate

2522

01:37:25,350 --> 01:37:22,480

or the show and that's not the way it

2523

01:37:27,270 --> 01:37:25,360

went and that's unfortunate

2524

01:37:29,750 --> 01:37:27,280

well it was like it was like night and

2525

01:37:32,229 --> 01:37:29,760

day between filming it and saying yes i

2526

01:37:34,870 --> 01:37:32,239

put it to joe nickel my answers were all

2527

01:37:37,430 --> 01:37:34,880

good and then watching it you know a few

2528

01:37:39,430 --> 01:37:37,440

days later because it was pre-taped and

2529

01:37:41,669 --> 01:37:39,440

saying what happened i said this i said

2530

01:37:43,189 --> 01:37:41,679

that i said this i said that you know

2531

01:37:44,870 --> 01:37:43,199

you know and the applause for the

2532

01:37:47,669 --> 01:37:44,880

witnesses and the laughter of the

2533

01:37:49,270 --> 01:37:47,679

skeptic and it was all edited so you

2534

01:37:50,550 --> 01:37:49,280

know it's really shame but that's you

2535

01:37:52,310 --> 01:37:50,560

know that's what we're up against one

2536

01:37:54,229 --> 01:37:52,320

thing i do want to mention i'm doing a

2537

01:37:56,629 --> 01:37:54,239

ufo cruise

2538

01:37:58,870 --> 01:37:56,639

uh out of miami here next october

2539

01:38:00,550 --> 01:37:58,880

october 16th so you have to people have

2540

01:38:02,629 --> 01:38:00,560

to look for it we're trying to put

2541

01:38:04,870 --> 01:38:02,639

together three speakers it's a cruise

2542

01:38:07,109 --> 01:38:04,880

out of miami you know to puerto rico and

2543

01:38:08,709 --> 01:38:07,119

to the you know the caribbean and we're

2544

01:38:10,550 --> 01:38:08,719

going to give presentations and have

2545

01:38:12,470 --> 01:38:10,560

luncheons where we can discuss the whole

2546

01:38:14,709 --> 01:38:12,480

ufo thing but

2547

01:38:16,229 --> 01:38:14,719

that's coming next october and you know

2548

01:38:17,830 --> 01:38:16,239

i'll put something on my website when

2549

01:38:20,149 --> 01:38:17,840

it's finalized

2550

01:38:25,550 --> 01:38:20,159

okay well all this stuff can be found at

2551

01:38:29,669 --> 01:38:27,910

j-o-h-n-v-e-n-t-r-e dot com i highly

2552

01:38:31,350 --> 01:38:29,679

recommend his books

2553

01:38:33,510 --> 01:38:31,360

and if you're interested in the subject

2554

01:38:34,950 --> 01:38:33,520

you should check out his website

2555

01:38:37,350 --> 01:38:34,960

i want to thank you for taking the time

2556

01:38:39,189 --> 01:38:37,360

with us again john

2557

01:38:41,109 --> 01:38:39,199

all right thank you steve and let's do

2558

01:38:43,109 --> 01:38:41,119

this again let's do the paranormal next

2559

01:38:45,189 --> 01:38:43,119

time yeah i got some tails i'm going to

2560

01:38:47,030 --> 01:38:45,199

have stan gordon back to talk about

2561

01:38:48,470 --> 01:38:47,040

bigfoots in the paranormal we could do a

2562

01:38:53,270 --> 01:38:48,480

show with you as well that would be

2563

01:38:56,830 --> 01:38:55,270

well i have to say

2564

01:39:01,189 --> 01:38:56,840

what a great interview

2565

01:39:04,070 --> 01:39:01,199

right here's a man who has facts in hand

2566

01:39:06,070 --> 01:39:04,080

before putting his mouth in gear

2567

01:39:08,390 --> 01:39:06,080

john ventry is somebody that i deeply

2568

01:39:11,189 --> 01:39:08,400

respect because he actually takes the

2569

01:39:12,390 --> 01:39:11,199

time to investigate these things

2570

01:39:14,070 --> 01:39:12,400

and

2571

01:39:17,030 --> 01:39:14,080

really he's somebody that's trying to

2572

01:39:18,790 --> 01:39:17,040

get to the truth of what happened

2573

01:39:22,149 --> 01:39:18,800

and then everything that he does and all

2574

01:39:24,550 --> 01:39:22,159

the tv shows you see him on

2575

01:39:27,189 --> 01:39:24,560

the stuff that he talks about is very

2576

01:39:29,270 --> 01:39:27,199

fact-based

2577

01:39:32,550 --> 01:39:29,280

there's no conjecture there's no

2578

01:39:34,310 --> 01:39:32,560

embellishment there's no speculation

2579

01:39:44,550 --> 01:39:34,320

he

2580

01:39:46,950 --> 01:39:44,560

and i have to say that that's

2581

01:39:50,310 --> 01:39:46,960

something i deeply admire and respect

2582

01:39:52,310 --> 01:39:50,320

and that's something that i want

2583

01:39:54,709 --> 01:39:52,320

the people that are looking into these

2584

01:39:57,510 --> 01:39:54,719

things to do

2585

01:39:59,189 --> 01:39:57,520

and why is that

2586

01:40:02,229 --> 01:39:59,199

well it's very simple

2587

01:40:04,149 --> 01:40:02,239

i want to get to the truth

2588

01:40:06,390 --> 01:40:04,159

are there extraterrestrials in the

2589

01:40:09,830 --> 01:40:06,400

universe somewhere

2590

01:40:12,149 --> 01:40:09,840

other intelligent life

2591

01:40:14,790 --> 01:40:12,159

are they visiting us

2592

01:40:18,790 --> 01:40:14,800

are they monitoring us

2593

01:40:20,870 --> 01:40:18,800

did alien spacecraft crash land on earth

2594

01:40:24,790 --> 01:40:20,880

and more importantly

2595

01:40:26,550 --> 01:40:24,800

did our government cover it up

2596

01:40:30,629 --> 01:40:26,560

well i think some of the

2597

01:40:32,310 --> 01:40:30,639

stuff that john has done has proven that

2598

01:40:34,070 --> 01:40:32,320

there's at least a few government

2599

01:40:36,950 --> 01:40:34,080

agencies that

2600

01:40:38,790 --> 01:40:36,960

really don't want people to get to the

2601
01:40:40,390 --> 01:40:38,800
truth

2602
01:40:43,030 --> 01:40:40,400
and uh

2603
01:40:45,910 --> 01:40:43,040
the case of the radar tapes with john

2604
01:40:47,830 --> 01:40:45,920
i think is uh one of the best examples

2605
01:40:50,550 --> 01:40:47,840
of that

2606
01:40:52,629 --> 01:40:50,560
and so as much as i am discouraged by

2607
01:40:55,350 --> 01:40:52,639
those people out there

2608
01:40:58,310 --> 01:40:55,360
that i call ufo hucksters

2609
01:41:00,950 --> 01:40:58,320
making a buck selling [h__h]

2610
01:41:03,430 --> 01:41:00,960
there is also some extremely good people

2611
01:41:05,910 --> 01:41:03,440
in that community like john

2612
01:41:07,510 --> 01:41:05,920
who goes to the ends of the earth to get

2613
01:41:10,070 --> 01:41:07,520

to the truth

2614

01:41:12,470 --> 01:41:10,080

and present it to people to share with

2615

01:41:15,270 --> 01:41:12,480

people the things that he learns

2616

01:41:17,030 --> 01:41:15,280

during his incredible investigations

2617

01:41:18,629 --> 01:41:17,040

and if you ask me

2618

01:41:21,430 --> 01:41:18,639

that's exactly

2619

01:41:23,910 --> 01:41:21,440

what the ufo community needs it needs

2620

01:41:25,910 --> 01:41:23,920

more people who are focused on fact

2621

01:41:27,510 --> 01:41:25,920

based actual

2622

01:41:29,510 --> 01:41:27,520

you know boots on the ground

2623

01:41:32,870 --> 01:41:29,520

investigations

2624

01:41:35,189 --> 01:41:32,880

and less based on a bunch of stories and

2625

01:41:37,430 --> 01:41:35,199

[h__\h] and nonsense

2626

01:41:39,030 --> 01:41:37,440

and hey buy my book

2627

01:41:40,629 --> 01:41:39,040

full of [h__\h]

2628

01:41:43,350 --> 01:41:40,639

there are so many people in this

2629

01:41:45,990 --> 01:41:43,360

community that make it harder on

2630

01:41:47,109 --> 01:41:46,000

everyone who wants to really get to the

2631

01:41:49,270 --> 01:41:47,119

truth

2632

01:41:52,629 --> 01:41:49,280

and i think that is extremely

2633

01:41:55,189 --> 01:41:52,639

detrimental to the entire field

2634

01:41:57,510 --> 01:41:55,199

or extremely detrimental to anybody

2635

01:41:58,870 --> 01:41:57,520

who's interested in getting to the truth

2636

01:42:01,189 --> 01:41:58,880

of this stuff

2637

01:42:03,030 --> 01:42:01,199

i want to know the truth

2638

01:42:04,709 --> 01:42:03,040

you know if there's really alien

2639

01:42:07,350 --> 01:42:04,719

spacecraft

2640

01:42:09,750 --> 01:42:07,360

running around in our skies

2641

01:42:12,709 --> 01:42:09,760

i want to know

2642

01:42:14,229 --> 01:42:12,719

you know and and by the way if the truth

2643

01:42:15,830 --> 01:42:14,239

really is that it's a bunch of

2644

01:42:18,229 --> 01:42:15,840

experimental

2645

01:42:20,149 --> 01:42:18,239

government aircraft

2646

01:42:21,350 --> 01:42:20,159

doing tests

2647

01:42:23,590 --> 01:42:21,360

or

2648

01:42:25,189 --> 01:42:23,600

as i truly believe there's a whole lot

2649

01:42:27,270 --> 01:42:25,199

more drones running around in the

2650

01:42:30,550 --> 01:42:27,280

american skies than we would like to

2651

01:42:31,990 --> 01:42:30,560

believe if that's the truth

2652

01:42:33,350 --> 01:42:32,000

that's fine

2653

01:42:35,350 --> 01:42:33,360

uh you know

2654

01:42:37,590 --> 01:42:35,360

i want to know the truth and if it's a

2655

01:42:39,669 --> 01:42:37,600

bunch of drones built by the united

2656

01:42:41,109 --> 01:42:39,679

states government that are surveilling

2657

01:42:42,470 --> 01:42:41,119

our skies

2658

01:42:44,950 --> 01:42:42,480

that's fine

2659

01:42:46,629 --> 01:42:44,960

but i want to know that

2660

01:42:49,590 --> 01:42:46,639

if it's

2661

01:42:58,070 --> 01:42:49,600

something more

2662

01:43:00,310 --> 01:42:58,080

exotic like extraterrestrial spacecraft

2663

01:43:03,510 --> 01:43:00,320

then i want to know that truth

2664

01:43:05,270 --> 01:43:03,520

if there's really extraterrestrials

2665

01:43:08,229 --> 01:43:05,280

out there

2666

01:43:11,990 --> 01:43:08,239

and especially if they are visiting us

2667

01:43:14,790 --> 01:43:12,000

monitoring us maybe studying us

2668

01:43:17,990 --> 01:43:14,800

then i want to know that truth

2669

01:43:21,510 --> 01:43:18,000

and all of these ufo hucksters

2670

01:43:23,430 --> 01:43:21,520

and frauds and hoaxers are really just

2671

01:43:24,550 --> 01:43:23,440

muddying the waters

2672

01:43:25,830 --> 01:43:24,560

and they're

2673

01:43:28,550 --> 01:43:25,840

making

2674

01:43:31,030 --> 01:43:28,560

the entire field laughable

2675

01:43:33,430 --> 01:43:31,040

because of the crazy stories without any

2676

01:43:36,310 --> 01:43:33,440

corroboration because of the

2677

01:43:39,590 --> 01:43:36,320

claims made by these people that are

2678

01:43:40,950 --> 01:43:39,600

selling books and videos and

2679

01:43:42,470 --> 01:43:40,960

honestly

2680

01:43:44,550 --> 01:43:42,480

you know these are the people that are

2681

01:43:46,390 --> 01:43:44,560

selling [h__\h]

2682

01:43:47,990 --> 01:43:46,400

i don't want the [h__\h]

2683

01:43:50,550 --> 01:43:48,000

i want the truth

2684

01:43:51,510 --> 01:43:50,560

if there's trace evidence cases or

2685

01:43:53,669 --> 01:43:51,520

there's

2686

01:43:55,990 --> 01:43:53,679

you know some kind of debris or some

2687

01:43:57,590 --> 01:43:56,000

kind of metal film that's not made on

2688

01:44:00,790 --> 01:43:57,600

planet earth

2689

01:44:02,950 --> 01:44:00,800

then hell yeah i want to know about it i

2690

01:44:05,990 --> 01:44:02,960

want to get to that truth and people

2691

01:44:07,590 --> 01:44:06,000

like john to his credit

2692

01:44:08,470 --> 01:44:07,600

you know those are the people that we

2693

01:44:11,430 --> 01:44:08,480

need

2694

01:44:14,149 --> 01:44:11,440

people that are doing the hard work

2695

01:44:15,990 --> 01:44:14,159

and those foia requests

2696

01:44:17,510 --> 01:44:16,000

you know the freedom of information act

2697

01:44:19,430 --> 01:44:17,520

really should be called

2698

01:44:20,790 --> 01:44:19,440

you have no freedom unless we want you

2699

01:44:23,430 --> 01:44:20,800

to know act

2700

01:44:25,750 --> 01:44:23,440

because the government keeps

2701

01:44:27,109 --> 01:44:25,760

you know castrating that

2702

01:44:29,030 --> 01:44:27,119

law

2703

01:44:32,550 --> 01:44:29,040

and making it extremely difficult for

2704

01:44:35,590 --> 01:44:32,560

anybody to get any documents or anything

2705

01:44:38,790 --> 01:44:35,600

anything even nearing the truth of

2706

01:44:41,270 --> 01:44:38,800

historical facts that happened

2707

01:44:43,830 --> 01:44:41,280

over and over again they have blacked

2708

01:44:45,430 --> 01:44:43,840

out documents denied they had documents

2709

01:44:46,790 --> 01:44:45,440

and then been caught with their pants

2710

01:44:48,550 --> 01:44:46,800

down

2711

01:44:49,669 --> 01:44:48,560

you know when somebody

2712

01:44:52,790 --> 01:44:49,679

uh

2713

01:44:55,350 --> 01:44:52,800

my favorite is stan friedman who like he

2714

01:44:57,590 --> 01:44:55,360

you know he would file these

2715

01:44:58,709 --> 01:44:57,600

four requests and one agency of the

2716

01:45:00,870 --> 01:44:58,719

government would say we don't have

2717

01:45:03,030 --> 01:45:00,880

anything about that so then he'd file

2718

01:45:06,550 --> 01:45:03,040

the same request with a different agency

2719

01:45:07,350 --> 01:45:06,560

and find you know 50 documents

2720

01:45:10,470 --> 01:45:07,360

and

2721

01:45:13,030 --> 01:45:10,480

it's always funny to me like hey

2722

01:45:15,030 --> 01:45:13,040

one agency the government said we have

2723

01:45:16,950 --> 01:45:15,040

no documents so then you go to another

2724

01:45:17,830 --> 01:45:16,960

agency of the government you somehow

2725

01:45:20,470 --> 01:45:17,840

find

2726
01:45:22,950 --> 01:45:20,480
something like 50 documents that they

2727
01:45:26,790 --> 01:45:22,960
said they didn't have i don't know this

2728
01:45:28,709 --> 01:45:26,800
entire field of ufos it's it's really

2729
01:45:30,629 --> 01:45:28,719
i think the reason that it intrigues me

2730
01:45:33,510 --> 01:45:30,639
so much is because

2731
01:45:34,790 --> 01:45:33,520
of all the deception the disinformation

2732
01:45:36,310 --> 01:45:34,800
out there

2733
01:45:37,350 --> 01:45:36,320
and uh

2734
01:45:39,430 --> 01:45:37,360
and you know

2735
01:45:41,669 --> 01:45:39,440
the more you dig

2736
01:45:43,669 --> 01:45:41,679
the more mysterious things become

2737
01:45:46,390 --> 01:45:43,679
because you find

2738
01:45:49,510 --> 01:45:46,400

lie on top of lie and deception on top

2739

01:45:50,629 --> 01:45:49,520

of deception and disinformation and

2740

01:45:52,950 --> 01:45:50,639

you know

2741

01:45:56,149 --> 01:45:52,960

i mean there's been times when

2742

01:45:58,590 --> 01:45:56,159

bona fide ufo investigators were

2743

01:46:01,350 --> 01:45:58,600

revealed to be cia

2744

01:46:04,070 --> 01:46:01,360

disinformation agents and that's crazy

2745

01:46:06,070 --> 01:46:04,080

to me that the cia or our government

2746

01:46:08,390 --> 01:46:06,080

pays people to put out [h__\h]

2747

01:46:10,310 --> 01:46:08,400

information but they do

2748

01:46:12,950 --> 01:46:10,320

and this kind of stuff has been proven

2749

01:46:14,790 --> 01:46:12,960

time and time again but what's really

2750

01:46:17,830 --> 01:46:14,800

amazing to me

2751

01:46:21,109 --> 01:46:17,840

is that the so-called ufo community

2752

01:46:23,350 --> 01:46:21,119

somehow cannot police itself

2753

01:46:25,830 --> 01:46:23,360

and so we find these people that are out

2754

01:46:28,629 --> 01:46:25,840

there selling [h__\h] are getting paid

2755

01:46:31,430 --> 01:46:28,639

money to go to conferences and

2756

01:46:32,629 --> 01:46:31,440

you know quite honestly just spew

2757

01:46:35,510 --> 01:46:32,639

[h__\h]

2758

01:46:37,189 --> 01:46:35,520

stuff they know has been proven false

2759

01:46:40,550 --> 01:46:37,199

you know they show pictures that have

2760

01:46:43,109 --> 01:46:40,560

been proven to be fraudulent or

2761

01:46:45,189 --> 01:46:43,119

you know i've seen

2762

01:46:46,390 --> 01:46:45,199

i've seen lectures where people were

2763

01:46:48,629 --> 01:46:46,400

talking

2764

01:46:51,189 --> 01:46:48,639

about ufos and they would show pictures

2765

01:46:53,750 --> 01:46:51,199

in their presentations that

2766

01:46:55,590 --> 01:46:53,760

uh have been proven by optical

2767

01:46:57,750 --> 01:46:55,600

physicists and

2768

01:46:59,910 --> 01:46:57,760

image experts to be

2769

01:47:01,910 --> 01:46:59,920

complete and total frauds

2770

01:47:02,950 --> 01:47:01,920

and it makes me wonder like

2771

01:47:05,350 --> 01:47:02,960

why

2772

01:47:07,430 --> 01:47:05,360

would a ufo conference

2773

01:47:09,910 --> 01:47:07,440

where people are paying money to hear

2774

01:47:11,350 --> 01:47:09,920

good information about ufos

2775

01:47:15,189 --> 01:47:11,360

hire somebody

2776

01:47:17,590 --> 01:47:15,199

that they know is just selling [h__h]

2777

01:47:20,470 --> 01:47:17,600

and i you know i keep coming back to the

2778

01:47:21,430 --> 01:47:20,480

fact that you know i'm an entertainer

2779

01:47:23,910 --> 01:47:21,440

and

2780

01:47:26,629 --> 01:47:23,920

i know that people have an insatiable

2781

01:47:28,790 --> 01:47:26,639

desire to be entertained it's it's one

2782

01:47:31,590 --> 01:47:28,800

of the most important parts of human

2783

01:47:33,030 --> 01:47:31,600

nature think about this

2784

01:47:34,950 --> 01:47:33,040

if tomorrow

2785

01:47:37,830 --> 01:47:34,960

your house burned down

2786

01:47:39,510 --> 01:47:37,840

and you lost everything that you own

2787

01:47:41,270 --> 01:47:39,520

what would you do

2788

01:47:45,109 --> 01:47:41,280

i mean your first

2789

01:47:46,709 --> 01:47:45,119

your first priority would be to

2790

01:47:48,790 --> 01:47:46,719

i suppose

2791

01:47:50,470 --> 01:47:48,800

get a roof over your head

2792

01:47:52,310 --> 01:47:50,480

and get new clothes

2793

01:47:54,390 --> 01:47:52,320

and things like that

2794

01:47:57,910 --> 01:47:54,400

new shoes you know

2795

01:48:01,510 --> 01:47:57,920

but directly after your basic needs were

2796

01:48:03,030 --> 01:48:01,520

taken care of if you had lost everything

2797

01:48:04,950 --> 01:48:03,040

think about it

2798

01:48:07,510 --> 01:48:04,960

first you buy some clothes you get a

2799

01:48:09,350 --> 01:48:07,520

roof over your head directly after that

2800

01:48:11,990 --> 01:48:09,360

what would you do

2801

01:48:13,669 --> 01:48:12,000

well most people would buy

2802

01:48:16,790 --> 01:48:13,679

a tv

2803

01:48:19,270 --> 01:48:16,800

maybe a laptop or a computer or a tablet

2804

01:48:22,310 --> 01:48:19,280

so that you could stay connected

2805

01:48:24,470 --> 01:48:22,320

but these things like a tv and a laptop

2806

01:48:27,189 --> 01:48:24,480

and a computer

2807

01:48:30,390 --> 01:48:27,199

really if if you boil it down

2808

01:48:33,109 --> 01:48:30,400

or maybe uh maybe you would buy a

2809

01:48:35,270 --> 01:48:33,119

console to play video games

2810

01:48:38,790 --> 01:48:35,280

but still all of these things directly

2811

01:48:42,470 --> 01:48:38,800

after your basic needs are taken care of

2812

01:48:44,390 --> 01:48:42,480

your next thing would be to buy

2813

01:48:47,189 --> 01:48:44,400

something to keep yourself

2814

01:48:50,229 --> 01:48:47,199

entertained so i think a lot of these

2815

01:48:51,590 --> 01:48:50,239

ufo conference people realize that need

2816

01:48:53,510 --> 01:48:51,600

in people

2817

01:48:56,390 --> 01:48:53,520

people want to be entertained and and

2818

01:48:58,790 --> 01:48:56,400

hey so do i you know i love good movie i

2819

01:49:01,510 --> 01:48:58,800

love a good story i love great mysteries

2820

01:49:03,189 --> 01:49:01,520

i love a lot of different stuff

2821

01:49:04,310 --> 01:49:03,199

but when it comes to

2822

01:49:07,750 --> 01:49:04,320

you know

2823

01:49:09,270 --> 01:49:07,760

subjects like ghosts or ufos or bigfoot

2824

01:49:11,430 --> 01:49:09,280

or anything

2825

01:49:12,790 --> 01:49:11,440

related to mysteries because i love a

2826

01:49:15,350 --> 01:49:12,800

great mystery

2827

01:49:17,030 --> 01:49:15,360

you know that's me the mystery man

2828

01:49:19,750 --> 01:49:17,040

here

2829

01:49:23,669 --> 01:49:19,760

i want to know the truth

2830

01:49:25,830 --> 01:49:23,679

i mean great stories are one thing but

2831

01:49:27,830 --> 01:49:25,840

at the end of the day we really want to

2832

01:49:30,310 --> 01:49:27,840

get to the truth of

2833

01:49:32,229 --> 01:49:30,320

these incredible stories that everybody

2834

01:49:34,149 --> 01:49:32,239

hears

2835

01:49:36,950 --> 01:49:34,159

if i could say anything to the ufo

2836

01:49:40,229 --> 01:49:36,960

community i guess it would be hey you

2837

01:49:44,470 --> 01:49:40,239

know i i love to be entertained too we

2838

01:49:46,950 --> 01:49:44,480

all do but when it comes to this subject

2839

01:49:49,189 --> 01:49:46,960

i think it's so very important

2840

01:49:51,189 --> 01:49:49,199

that we don't lose sight of the fact

2841

01:49:53,189 --> 01:49:51,199

that most people that are interested in

2842

01:49:55,430 --> 01:49:53,199

this

2843

01:49:58,070 --> 01:49:55,440

they want to get to the truth

2844

01:50:02,470 --> 01:49:58,080

i mean it are these flying saucers or

2845

01:50:04,550 --> 01:50:02,480

ufos really extraterrestrial spacecraft

2846

01:50:07,430 --> 01:50:04,560

i want to know the truth

2847

01:50:11,750 --> 01:50:07,440

if that's what's going on

2848

01:50:15,109 --> 01:50:11,760

i want to know about it and

2849

01:50:18,310 --> 01:50:15,119

i think if we allow these ufo hucksters

2850

01:50:21,750 --> 01:50:18,320

and hoaxers and

2851
01:50:24,470 --> 01:50:21,760
you know outright frauds

2852
01:50:27,669 --> 01:50:24,480
including the so-called whistleblowers

2853
01:50:29,669 --> 01:50:27,679
that turn out to be total [h__h]

2854
01:50:33,830 --> 01:50:29,679
like dan burrish or

2855
01:50:35,990 --> 01:50:33,840
you know stan romanek and i don't know

2856
01:50:37,270 --> 01:50:36,000
i could think of 10 others

2857
01:50:39,669 --> 01:50:37,280
then

2858
01:50:41,589 --> 01:50:39,679
we are doing a disservice

2859
01:50:43,669 --> 01:50:41,599
to everyone

2860
01:50:45,990 --> 01:50:43,679
who is interested in this subject if we

2861
01:50:47,430 --> 01:50:46,000
allow those people

2862
01:50:48,629 --> 01:50:47,440
to

2863
01:50:51,189 --> 01:50:48,639

be

2864

01:50:53,109 --> 01:50:51,199

involved

2865

01:50:55,350 --> 01:50:53,119

so i would say

2866

01:50:57,990 --> 01:50:55,360

it's it's very important that if

2867

01:51:00,310 --> 01:50:58,000

somebody is a proven fraud

2868

01:51:02,390 --> 01:51:00,320

or a proven

2869

01:51:04,229 --> 01:51:02,400

i don't know hoaxer

2870

01:51:05,430 --> 01:51:04,239

or

2871

01:51:08,550 --> 01:51:05,440

you know

2872

01:51:11,270 --> 01:51:08,560

their credentials are fake

2873

01:51:15,189 --> 01:51:11,280

or they've been caught lying to the

2874

01:51:17,430 --> 01:51:15,199

general community over and over again

2875

01:51:20,470 --> 01:51:17,440

then i would say it's very important

2876

01:51:22,870 --> 01:51:20,480

that those people get pushed out

2877

01:51:24,149 --> 01:51:22,880

we all have to stand up and say you're

2878

01:51:25,189 --> 01:51:24,159

full of [h__\h]

2879

01:51:27,430 --> 01:51:25,199

you're

2880

01:51:30,070 --> 01:51:27,440

selling [h__\h] and we're not going to

2881

01:51:33,189 --> 01:51:30,080

tolerate that

2882

01:51:35,589 --> 01:51:33,199

so if you pay to go to a ufo conference

2883

01:51:37,669 --> 01:51:35,599

and one of those people is here

2884

01:51:39,350 --> 01:51:37,679

i'm sorry or there

2885

01:51:41,189 --> 01:51:39,360

selling [h__\h]

2886

01:51:43,990 --> 01:51:41,199

it's very important that you go to the

2887

01:51:45,350 --> 01:51:44,000

the people that ran that conference and

2888

01:51:49,669 --> 01:51:45,360

you

2889

01:51:51,109 --> 01:51:49,679

let's push those people out

2890

01:51:52,470 --> 01:51:51,119

so that maybe

2891

01:51:54,470 --> 01:51:52,480

just maybe

2892

01:51:56,550 --> 01:51:54,480

we get the good people

2893

01:51:58,790 --> 01:51:56,560

involved in this

2894

01:51:59,910 --> 01:51:58,800

the people with facts in hand the people

2895

01:52:02,790 --> 01:51:59,920

that have

2896

01:52:03,589 --> 01:52:02,800

trace evidence cases the people who have

2897

01:52:06,070 --> 01:52:03,599

done

2898

01:52:08,149 --> 01:52:06,080

their due diligence and have an

2899

01:52:09,350 --> 01:52:08,159

incredible amount of research behind

2900

01:52:12,149 --> 01:52:09,360

them

2901
01:52:15,910 --> 01:52:12,159
that proves what they're saying is

2902
01:52:16,870 --> 01:52:15,920
factual and researched and corroborated

2903
01:52:18,070 --> 01:52:16,880
and

2904
01:52:20,950 --> 01:52:18,080
you know

2905
01:52:22,229 --> 01:52:20,960
they have substantial things to share

2906
01:52:23,910 --> 01:52:22,239
with us

2907
01:52:25,189 --> 01:52:23,920
that's important

2908
01:52:27,430 --> 01:52:25,199
because

2909
01:52:29,030 --> 01:52:27,440
you know like my guest tonight a lot of

2910
01:52:30,550 --> 01:52:29,040
those people are getting pushed out of

2911
01:52:33,750 --> 01:52:30,560
the way

2912
01:52:34,950 --> 01:52:33,760
in favor of these sensationalized

2913
01:52:36,950 --> 01:52:34,960

you know

2914

01:52:38,950 --> 01:52:36,960

quite honestly idiots that are selling

2915

01:52:41,830 --> 01:52:38,960

[h__\h]

2916

01:52:43,510 --> 01:52:41,840

and it makes me sad honestly

2917

01:52:45,270 --> 01:52:43,520

because i look at some of the stuff and

2918

01:52:46,149 --> 01:52:45,280

i go really

2919

01:52:47,589 --> 01:52:46,159

really

2920

01:52:51,910 --> 01:52:47,599

you're paying money to go to a

2921

01:52:53,830 --> 01:52:51,920

conference to listen to this person talk

2922

01:52:55,430 --> 01:52:53,840

listen to this person lecture about a

2923

01:52:57,270 --> 01:52:55,440

bunch of [h__\h]

2924

01:52:59,430 --> 01:52:57,280

they have no evidence

2925

01:53:00,870 --> 01:52:59,440

they have no proof

2926

01:53:03,030 --> 01:53:00,880

you know

2927

01:53:05,270 --> 01:53:03,040

they have a bunch of uh let's say

2928

01:53:07,270 --> 01:53:05,280

anonymous sources that are feeding them

2929

01:53:09,270 --> 01:53:07,280

[h__h] and they're feeding it back to

2930

01:53:12,390 --> 01:53:09,280

the community and

2931

01:53:14,870 --> 01:53:12,400

you know i think it's a vicious cycle

2932

01:53:17,109 --> 01:53:14,880

and one of the things that's

2933

01:53:18,550 --> 01:53:17,119

really difficult about this whole field

2934

01:53:19,430 --> 01:53:18,560

is that

2935

01:53:21,589 --> 01:53:19,440

you know

2936

01:53:23,830 --> 01:53:21,599

go start researching go start reading

2937

01:53:26,550 --> 01:53:23,840

books go start watching videos on

2938

01:53:27,669 --> 01:53:26,560

youtube or vimeo or anything else

2939

01:53:29,030 --> 01:53:27,679

online

2940

01:53:31,270 --> 01:53:29,040

and

2941

01:53:33,189 --> 01:53:31,280

i've heard the expression

2942

01:53:34,470 --> 01:53:33,199

you have to separate the wheat from the

2943

01:53:36,149 --> 01:53:34,480

chef

2944

01:53:39,270 --> 01:53:36,159

and and that's

2945

01:53:40,390 --> 01:53:39,280

a good analogy there's so much [h__\h]

2946

01:53:41,910 --> 01:53:40,400

out there

2947

01:53:44,390 --> 01:53:41,920

that it becomes

2948

01:53:47,430 --> 01:53:44,400

almost impossible to get to anything

2949

01:53:48,550 --> 01:53:47,440

approaching factual information on this

2950

01:53:49,510 --> 01:53:48,560

subject

2951
01:53:51,669 --> 01:53:49,520
and

2952
01:53:54,470 --> 01:53:51,679
i you know i don't know what to do about

2953
01:53:56,470 --> 01:53:54,480
it except to encourage everyone

2954
01:53:58,629 --> 01:53:56,480
to say

2955
01:54:01,430 --> 01:53:58,639
let's all stand up and say we're not

2956
01:54:02,310 --> 01:54:01,440
gonna accept this anymore

2957
01:54:04,229 --> 01:54:02,320
like

2958
01:54:05,990 --> 01:54:04,239
i've had offers from

2959
01:54:08,550 --> 01:54:06,000
i don't know some

2960
01:54:10,709 --> 01:54:08,560
uh

2961
01:54:13,270 --> 01:54:10,719
ufo abductee

2962
01:54:14,550 --> 01:54:13,280
i've had another offer from

2963
01:54:18,310 --> 01:54:14,560

somebody that's supposed to be a

2964

01:54:20,229 --> 01:54:18,320

contactee of some alien i don't know

2965

01:54:22,550 --> 01:54:20,239

intelligence

2966

01:54:24,070 --> 01:54:22,560

but there's there's no

2967

01:54:26,790 --> 01:54:24,080

proof or

2968

01:54:28,070 --> 01:54:26,800

there's no uh

2969

01:54:32,310 --> 01:54:28,080

there's

2970

01:54:34,310 --> 01:54:32,320

or

2971

01:54:36,550 --> 01:54:34,320

you know i mean it's kind of like

2972

01:54:38,790 --> 01:54:36,560

religion do i just want to take it on

2973

01:54:39,910 --> 01:54:38,800

faith that this person is channeling an

2974

01:54:43,030 --> 01:54:39,920

alien

2975

01:54:44,870 --> 01:54:43,040

and writing down like predictions that

2976

01:54:47,270 --> 01:54:44,880

never come true or

2977

01:54:49,270 --> 01:54:47,280

predictions that were written after

2978

01:54:51,669 --> 01:54:49,280

the events happen

2979

01:54:53,430 --> 01:54:51,679

there's so much [h__h] in this field

2980

01:54:54,709 --> 01:54:53,440

and it's just disheartening to me

2981

01:54:56,790 --> 01:54:54,719

because

2982

01:54:58,870 --> 01:54:56,800

i spend a lot of time you know

2983

01:55:00,870 --> 01:54:58,880

researching things and

2984

01:55:03,669 --> 01:55:00,880

trying to learn new things

2985

01:55:05,750 --> 01:55:03,679

but a lot of my time is just spent going

2986

01:55:08,950 --> 01:55:05,760

well that guy's [h__h]

2987

01:55:11,030 --> 01:55:08,960

and sometimes you know you'll uh

2988

01:55:13,430 --> 01:55:11,040

hear a few lectures and you go wow this

2989

01:55:15,510 --> 01:55:13,440

guy's got some good stuff and then you

2990

01:55:17,750 --> 01:55:15,520

hear some other crazy [h__h] that they

2991

01:55:18,950 --> 01:55:17,760

were talking on some other lecture and

2992

01:55:20,790 --> 01:55:18,960

you get

2993

01:55:21,589 --> 01:55:20,800

discouraged and then that guy's got to

2994

01:55:23,750 --> 01:55:21,599

get

2995

01:55:25,910 --> 01:55:23,760

you know kind of stricken off your list

2996

01:55:27,990 --> 01:55:25,920

of people to listen to or try to get

2997

01:55:30,229 --> 01:55:28,000

information from because

2998

01:55:33,030 --> 01:55:30,239

you know that they're

2999

01:55:35,189 --> 01:55:33,040

out there selling [h__h]

3000

01:55:38,470 --> 01:55:35,199

so can you tell by now

3001
01:55:39,990 --> 01:55:38,480
do you know how i feel about this

3002
01:55:42,709 --> 01:55:40,000
well

3003
01:55:44,629 --> 01:55:42,719
i'm so tired of people

3004
01:55:47,030 --> 01:55:44,639
selling [h__\h]

3005
01:55:48,629 --> 01:55:47,040
wasting my time when i'm trying to learn

3006
01:55:53,270 --> 01:55:48,639
the truth

3007
01:55:54,709 --> 01:55:53,280
about this subject and and many others

3008
01:55:56,790 --> 01:55:54,719
i don't have time

3009
01:55:58,550 --> 01:55:56,800
to listen to some nut job that's trying

3010
01:56:00,950 --> 01:55:58,560
to sell a book

3011
01:56:02,950 --> 01:56:00,960
that doesn't want to have a job

3012
01:56:05,510 --> 01:56:02,960
you know who thinks hey maybe i'll make

3013
01:56:06,629 --> 01:56:05,520

up a big bunch of [h__h]

3014

01:56:10,070 --> 01:56:06,639

and then

3015

01:56:13,669 --> 01:56:12,310

don't have time for people like that

3016

01:56:15,910 --> 01:56:13,679

none of us do

3017

01:56:18,070 --> 01:56:15,920

and so those people really

3018

01:56:19,990 --> 01:56:18,080

you know i would say that we have to

3019

01:56:20,790 --> 01:56:20,000

start a new movement

3020

01:56:23,990 --> 01:56:20,800

to

3021

01:56:25,589 --> 01:56:24,000

get those people out of the community

3022

01:56:27,589 --> 01:56:25,599

and uh

3023

01:56:29,350 --> 01:56:27,599

you know it won't take much just push

3024

01:56:31,430 --> 01:56:29,360

those people out

3025

01:56:33,430 --> 01:56:31,440

and after a while people are gonna know

3026

01:56:34,550 --> 01:56:33,440

like well if i wanna

3027

01:56:36,149 --> 01:56:34,560

you know

3028

01:56:38,310 --> 01:56:36,159

get rich quick

3029

01:56:40,310 --> 01:56:38,320

selling a bunch of ufo [h__h] is

3030

01:56:41,830 --> 01:56:40,320

probably not a good way because people

3031

01:56:44,870 --> 01:56:41,840

are gonna call me

3032

01:56:48,149 --> 01:56:44,880

on that [h__h] and not let me make

3033

01:56:49,830 --> 01:56:48,159

money at lectures or ufo conventions or

3034

01:56:51,669 --> 01:56:49,840

make money selling books full of

3035

01:56:53,189 --> 01:56:51,679

[h__h] or

3036

01:56:56,390 --> 01:56:53,199

pictures that

3037

01:56:59,750 --> 01:56:56,400

i faked with you know a hubcap

3038

01:57:01,350 --> 01:56:59,760

because there's all this stuff out there

3039

01:57:03,669 --> 01:57:01,360

and the other part of me thinks the

3040

01:57:06,950 --> 01:57:03,679

government if they really are trying to

3041

01:57:09,830 --> 01:57:06,960

cover up any ufo secrets loves this [h__h]

3042

01:57:12,390 --> 01:57:09,840

i wouldn't be surprised if they straight

3043

01:57:15,189 --> 01:57:12,400

fund some of those people making fake

3044

01:57:16,070 --> 01:57:15,199

pictures fake videos

3045

01:57:18,550 --> 01:57:16,080

and

3046

01:57:21,589 --> 01:57:18,560

selling [h__h] because it muddies the

3047

01:57:24,629 --> 01:57:21,599

water if they're really trying to

3048

01:57:27,430 --> 01:57:24,639

conceal what they're doing and somebody

3049

01:57:29,750 --> 01:57:27,440

is selling fake [h__h] it just helps

3050

01:57:31,589 --> 01:57:29,760

the government's cause

3051
01:57:33,189 --> 01:57:31,599
and so now

3052
01:57:35,350 --> 01:57:33,199
i would ask you

3053
01:57:38,229 --> 01:57:35,360
you know email me

3054
01:57:39,910 --> 01:57:38,239
do you have some good evidence do you

3055
01:57:41,589 --> 01:57:39,920
have some

3056
01:57:43,990 --> 01:57:41,599
truth

3057
01:57:45,750 --> 01:57:44,000
that we here at the mystery man show can

3058
01:57:47,589 --> 01:57:45,760
present to our viewers

3059
01:57:48,629 --> 01:57:47,599
because i want to promise my viewers

3060
01:57:50,550 --> 01:57:48,639
this

3061
01:57:53,669 --> 01:57:50,560
i'm not going to sit

3062
01:57:56,229 --> 01:57:53,679
there and not ask questions

3063
01:57:57,109 --> 01:57:56,239

i've listened to a bunch of other shows

3064

01:57:58,950 --> 01:57:57,119

where

3065

01:58:01,109 --> 01:57:58,960

somebody is just

3066

01:58:03,270 --> 01:58:01,119

i don't know telling stories and the

3067

01:58:04,790 --> 01:58:03,280

host of the show just sits there and

3068

01:58:08,629 --> 01:58:04,800

doesn't

3069

01:58:09,750 --> 01:58:08,639

you know

3070

01:58:13,990 --> 01:58:09,760

doesn't

3071

01:58:16,310 --> 01:58:14,000

ask for evidence or any of that stuff

3072

01:58:18,070 --> 01:58:16,320

and i think we've had enough of that

3073

01:58:20,310 --> 01:58:18,080

in this field

3074

01:58:22,470 --> 01:58:20,320

so i'm here to promise you my listeners

3075

01:58:24,070 --> 01:58:22,480

that here at the mystery man show

3076

01:58:26,149 --> 01:58:24,080

we're going to do our due diligence

3077

01:58:27,430 --> 01:58:26,159

we're going to research our guests you

3078

01:58:30,790 --> 01:58:27,440

know i've had a lot of guests just

3079

01:58:32,830 --> 01:58:30,800

refuse to come on here because they know

3080

01:58:35,270 --> 01:58:32,840

i'm going to ask them the hard

3081

01:58:37,990 --> 01:58:35,280

questions and the people that are real

3082

01:58:40,229 --> 01:58:38,000

and have real information to share

3083

01:58:42,790 --> 01:58:40,239

and have done their research and have

3084

01:58:44,310 --> 01:58:42,800

something relevant to the field

3085

01:58:46,470 --> 01:58:44,320

they're going to know that this is a

3086

01:58:49,510 --> 01:58:46,480

good show to be on

3087

01:58:52,629 --> 01:58:49,520

but those fake fraudulent huckster

3088

01:58:53,830 --> 01:58:52,639

[h__h] that are selling [h__h]

3089

01:58:55,750 --> 01:58:53,840

they're not going to want to come on

3090

01:58:56,790 --> 01:58:55,760

this show

3091

01:58:59,189 --> 01:58:56,800

in fact

3092

01:59:01,350 --> 01:58:59,199

uh a whole bunch of them so far have to

3093

01:59:03,350 --> 01:59:01,360

you know refuse to come here

3094

01:59:04,709 --> 01:59:03,360

and there's a reason for that because

3095

01:59:06,870 --> 01:59:04,719

they're afraid of the questions i'm

3096

01:59:10,790 --> 01:59:06,880

going to ask them i've i you know kind

3097

01:59:14,310 --> 01:59:12,390

so

3098

01:59:16,390 --> 01:59:14,320

for tonight that's it for the mystery

3099

01:59:18,470 --> 01:59:16,400

man show i want to thank you for joining

3100

01:59:19,350 --> 01:59:18,480

me and welcome you

3101

01:59:21,910 --> 01:59:19,360

to

3102

01:59:25,350 --> 01:59:21,920

check out some other episodes

3103

01:59:26,870 --> 01:59:25,360

until next time i'm stephen cambion

3104

01:59:31,180 --> 01:59:26,880

the mystery man
