

WILLELLIS

THE GEORGIA GUIDESTONES

1
00:03:14,550 --> 00:00:52,840

[Music]

2
00:03:19,270 --> 00:03:16,949

greetings and salutations friends and

3
00:03:22,470 --> 00:03:19,280

welcome back to truth seekers

4
00:03:25,750 --> 00:03:22,480

tonight we're going to get to explore an

5
00:03:27,830 --> 00:03:25,760

enduring mystery that has captivated me

6
00:03:29,670 --> 00:03:27,840

since i first heard about it in the

7
00:03:32,470 --> 00:03:29,680

1980s

8
00:03:35,509 --> 00:03:32,480

apparently a strange and mysterious man

9
00:03:39,110 --> 00:03:35,519

walked into a granite supply company

10
00:03:41,990 --> 00:03:39,120

and ordered a very strange thing a huge

11
00:03:44,070 --> 00:03:42,000

granite monument

12
00:03:48,550 --> 00:03:44,080

later the monument would be placed on

13
00:03:51,030 --> 00:03:48,560

nearby farmland the monument itself and

14

00:03:54,229 --> 00:03:51,040

those responsible for it have remained

15

00:03:55,990 --> 00:03:54,239

an enduring mystery for decades now

16

00:03:57,350 --> 00:03:56,000

there are many theories about who the

17

00:03:58,630 --> 00:03:57,360

person is

18

00:03:59,830 --> 00:03:58,640

who

19

00:04:03,910 --> 00:03:59,840

commissioned

20

00:04:09,509 --> 00:04:05,270

but

21

00:04:12,149 --> 00:04:09,519

proof of who those people or person was

22

00:04:14,789 --> 00:04:12,159

who created the monument has so far been

23

00:04:16,390 --> 00:04:14,799

very elusive

24

00:04:19,030 --> 00:04:16,400

i've been following this story for a

25

00:04:20,949 --> 00:04:19,040

while but there's really not much to

26

00:04:23,189 --> 00:04:20,959

follow after you go down all the rabbit

27

00:04:24,390 --> 00:04:23,199

holes of who might have created the

28

00:04:30,390 --> 00:04:24,400

monument

29

00:04:31,270 --> 00:04:30,400

was created for

30

00:04:34,310 --> 00:04:31,280

it's

31

00:04:36,310 --> 00:04:34,320

a mystery wrapped in an enigma in and of

32

00:04:37,430 --> 00:04:36,320

itself

33

00:04:39,270 --> 00:04:37,440

recently

34

00:04:42,390 --> 00:04:39,280

i got a chance to talk to somebody with

35

00:04:44,469 --> 00:04:42,400

a great deal more knowledge than i

36

00:04:46,870 --> 00:04:44,479

about this strange and mysterious

37

00:04:47,830 --> 00:04:46,880

monument and he

38

00:04:50,870 --> 00:04:47,840

uh

39

00:04:53,749 --> 00:04:50,880

was covered in media

40

00:04:55,830 --> 00:04:53,759

for his involvement with these strange

41

00:04:56,710 --> 00:04:55,840

georgia

42

00:05:00,150 --> 00:04:56,720

so

43

00:05:01,749 --> 00:05:00,160

i have him standing by on the phone

44

00:05:04,150 --> 00:05:01,759

ladies and gentlemen let's please

45

00:05:06,310 --> 00:05:04,160

welcome standing by on the phone our

46

00:05:07,749 --> 00:05:06,320

guest tonight will

47

00:05:09,670 --> 00:05:07,759

will ellis

48

00:05:11,029 --> 00:05:09,680

are you with me will

49

00:05:13,430 --> 00:05:11,039

yes how's it going

50

00:05:16,550 --> 00:05:13,440

good hello good evening

51
00:05:18,550 --> 00:05:16,560
i'm glad that you could be here so i i

52
00:05:20,629 --> 00:05:18,560
don't even know where to begin i mean we

53
00:05:23,029 --> 00:05:20,639
we know that these georgia guide stones

54
00:05:24,550 --> 00:05:23,039
were created by someone who commissioned

55
00:05:26,550 --> 00:05:24,560
a granite company

56
00:05:28,390 --> 00:05:26,560
to do it the granite company didn't

57
00:05:30,230 --> 00:05:28,400
really want to do it so they quoted them

58
00:05:31,590 --> 00:05:30,240
something like three times the price it

59
00:05:33,670 --> 00:05:31,600
should have been and the person just

60
00:05:36,550 --> 00:05:33,680
accepted the quote

61
00:05:38,870 --> 00:05:36,560
and proceeded to pay them and so they

62
00:05:40,629 --> 00:05:38,880
made exactly what he wanted to his exact

63
00:05:42,629 --> 00:05:40,639

specifications

64

00:05:44,070 --> 00:05:42,639

then they delivered it to a site he

65

00:05:46,629 --> 00:05:44,080

apparently bought

66

00:05:47,590 --> 00:05:46,639

what is it like an acre of farmland near

67

00:05:52,469 --> 00:05:47,600

there

68

00:05:54,390 --> 00:05:52,479

1980

69

00:05:56,469 --> 00:05:54,400

am i correct so far

70

00:05:58,950 --> 00:05:56,479

yeah that's correct i mean

71

00:06:01,270 --> 00:05:58,960

you can go the name that the pseudonym

72

00:06:02,870 --> 00:06:01,280

uses are of course rc christian

73

00:06:05,749 --> 00:06:02,880

everybody knows that

74

00:06:07,350 --> 00:06:05,759

okay and the site you know

75

00:06:10,230 --> 00:06:07,360

it's i don't know

76

00:06:12,150 --> 00:06:10,240

it's maybe a quarter of an acre but

77

00:06:13,430 --> 00:06:12,160

the site is actually on someone else's

78

00:06:15,350 --> 00:06:13,440

property

79

00:06:16,790 --> 00:06:15,360

you know it's kind of

80

00:06:18,550 --> 00:06:16,800

farmland it's out in the middle of

81

00:06:21,189 --> 00:06:18,560

nowhere

82

00:06:23,029 --> 00:06:21,199

and across the street from the site is a

83

00:06:23,990 --> 00:06:23,039

geodesic dome

84

00:06:25,909 --> 00:06:24,000

that

85

00:06:28,870 --> 00:06:25,919

over the years there's probably been

86

00:06:31,270 --> 00:06:28,880

three more geodesic domes and huge radio

87

00:06:34,070 --> 00:06:31,280

towers you know

88

00:06:36,309 --> 00:06:34,080

and a little bit i'd say south of that

89

00:06:37,990 --> 00:06:36,319

site there's huge

90

00:06:39,430 --> 00:06:38,000

cell towers i mean the biggest cell

91

00:06:41,830 --> 00:06:39,440

towers i've ever seen

92

00:06:44,070 --> 00:06:41,840

just out of a field just

93

00:06:45,590 --> 00:06:44,080

propped up on a

94

00:06:46,550 --> 00:06:45,600

a huge tower

95

00:06:48,150 --> 00:06:46,560

you know

96

00:06:49,830 --> 00:06:48,160

nothing you've ever seen like a cell

97

00:06:50,870 --> 00:06:49,840

tower

98

00:06:52,790 --> 00:06:50,880

okay

99

00:06:54,589 --> 00:06:52,800

yeah so a lot along with the mystery of

100

00:06:56,790 --> 00:06:54,599

the actual guide stones there's a lot of

101
00:06:58,870 --> 00:06:56,800
conspiratorial weird stuff going on

102
00:07:00,550 --> 00:06:58,880
around there right

103
00:07:03,189 --> 00:07:00,560
well i mean you can start with the

104
00:07:05,189 --> 00:07:03,199
cherokee the cherokee nation say

105
00:07:07,830 --> 00:07:05,199
that that place is called the center of

106
00:07:10,230 --> 00:07:07,840
the earth it's maybe i don't know two

107
00:07:11,830 --> 00:07:10,240
miles from the georgia guidestones the

108
00:07:13,029 --> 00:07:11,840
cherokee nation say that's where they

109
00:07:15,110 --> 00:07:13,039
came from

110
00:07:17,029 --> 00:07:15,120
they had to go under the ground

111
00:07:19,749 --> 00:07:17,039
for a period of time i'm not sure how

112
00:07:20,790 --> 00:07:19,759
long but they have emerged from the

113
00:07:22,629 --> 00:07:20,800

earth

114

00:07:23,909 --> 00:07:22,639

whenever uh

115

00:07:24,710 --> 00:07:23,919

something happened on the surface of the

116

00:07:26,469 --> 00:07:24,720

earth

117

00:07:28,150 --> 00:07:26,479

so the cherokee nation called that place

118

00:07:30,629 --> 00:07:28,160

the center of the earth

119

00:07:34,309 --> 00:07:30,639

so it's kind of odd rc christian

120

00:07:36,629 --> 00:07:34,319

rosicrucian obviously yeah

121

00:07:38,550 --> 00:07:36,639

and picks the point that the cherokee

122

00:07:41,189 --> 00:07:38,560

nation the most holy spawn of the

123

00:07:42,309 --> 00:07:41,199

cherokee nation i mean you live in the

124

00:07:44,070 --> 00:07:42,319

southern

125

00:07:45,110 --> 00:07:44,080

the southeast of you know cherokee

126
00:07:47,029 --> 00:07:45,120
diesel

127
00:07:49,749 --> 00:07:47,039
so this spot is

128
00:07:51,350 --> 00:07:49,759
very like there's lay lines there's you

129
00:07:53,510 --> 00:07:51,360
know

130
00:07:57,589 --> 00:07:53,520
all sorts of goings on in the middle of

131
00:07:59,189 --> 00:07:57,599
nowhere georgia so you can start there

132
00:08:00,710 --> 00:07:59,199
you can really start anyway really yeah

133
00:08:02,070 --> 00:08:00,720
it really is in the middle of nowhere

134
00:08:04,070 --> 00:08:02,080
right i mean it's just what is around

135
00:08:07,110 --> 00:08:04,080
there because you're from that area and

136
00:08:09,029 --> 00:08:07,120
you've been to this guide stones uh many

137
00:08:11,430 --> 00:08:09,039
times i mean it's just farmland right

138
00:08:13,510 --> 00:08:11,440

and sleepy small town right

139

00:08:16,070 --> 00:08:13,520

well that's that's odd because i grew up

140

00:08:17,909 --> 00:08:16,080

in eastern alabama and you know i was

141

00:08:19,029 --> 00:08:17,919

raised in asia alabama i moved away you

142

00:08:21,270 --> 00:08:19,039

know

143

00:08:22,790 --> 00:08:21,280

the other parts of alabama and other

144

00:08:25,990 --> 00:08:22,800

parts of the country but

145

00:08:27,909 --> 00:08:26,000

never in my 20-something years of

146

00:08:29,749 --> 00:08:27,919

growing up here if i heard about it i

147

00:08:31,749 --> 00:08:29,759

only heard about it through

148

00:08:32,550 --> 00:08:31,759

the riddle that i sold

149

00:08:35,190 --> 00:08:32,560

that's

150

00:08:37,029 --> 00:08:35,200

if you want

151
00:08:40,230 --> 00:08:37,039
yeah yeah why don't you tell us where

152
00:08:41,269 --> 00:08:40,240
you where did your involvement in this

153
00:08:43,509 --> 00:08:41,279
story

154
00:08:45,190 --> 00:08:43,519
in these guides don't start like when

155
00:08:47,430 --> 00:08:45,200
did you first hear about it and then

156
00:08:49,030 --> 00:08:47,440
when did you first see it and what got

157
00:08:51,190 --> 00:08:49,040
you so interested

158
00:08:53,030 --> 00:08:51,200
in these guide stones

159
00:08:55,269 --> 00:08:53,040
all right well

160
00:08:57,829 --> 00:08:55,279
it was around the early 2000s let's see

161
00:08:59,590 --> 00:08:57,839
2004 2005 maybe

162
00:09:02,150 --> 00:08:59,600
i was part of like uh

163
00:09:04,070 --> 00:09:02,160

i don't know like just a forum

164

00:09:05,829 --> 00:09:04,080

and there was like anything else section

165

00:09:07,590 --> 00:09:05,839

of the forum or just you get those

166

00:09:09,430 --> 00:09:07,600

anything when you want and

167

00:09:11,030 --> 00:09:09,440

there was like a

168

00:09:12,870 --> 00:09:11,040

there's like a little section of that

169

00:09:14,949 --> 00:09:12,880

and it was

170

00:09:16,070 --> 00:09:14,959

mostly just innocent riddles or whatever

171

00:09:17,430 --> 00:09:16,080

but

172

00:09:19,430 --> 00:09:17,440

there was one riddle that came up one

173

00:09:21,990 --> 00:09:19,440

day and i solved it and the answer to it

174

00:09:25,269 --> 00:09:22,000

was the georgia guystones and i've never

175

00:09:28,150 --> 00:09:25,279

heard of it at the time you know i was

176

00:09:29,990 --> 00:09:28,160

early 20s 25

177

00:09:32,870 --> 00:09:30,000

and i'm like wait these things are like

178

00:09:34,389 --> 00:09:32,880

you know within six hours of me

179

00:09:36,710 --> 00:09:34,399

you know i've never heard these things

180

00:09:37,670 --> 00:09:36,720

so i look into them i'm like i'm going

181

00:09:39,590 --> 00:09:37,680

over there

182

00:09:40,550 --> 00:09:39,600

you know i'm gonna go check these things

183

00:09:43,350 --> 00:09:40,560

out

184

00:09:45,990 --> 00:09:43,360

so that's how i first heard of them was

185

00:09:49,509 --> 00:09:47,590

and the answer to the riddle was the

186

00:09:50,470 --> 00:09:49,519

guide stones that's interesting

187

00:09:52,310 --> 00:09:50,480

correct

188

00:09:56,070 --> 00:09:52,320

riddle being a mystery in and of itself

189

00:09:58,310 --> 00:09:56,080

sometimes and and this strange

190

00:10:00,030 --> 00:09:58,320

person named rc christian which a lot of

191

00:10:01,990 --> 00:10:00,040

people assume means

192

00:10:04,870 --> 00:10:02,000

rosicrucian right

193

00:10:06,470 --> 00:10:04,880

obviously yeah

194

00:10:07,910 --> 00:10:06,480

yeah do you know can you tell us a

195

00:10:10,870 --> 00:10:07,920

little bit about that

196

00:10:12,870 --> 00:10:10,880

about rosicrucianism and and what

197

00:10:15,269 --> 00:10:12,880

what is their beliefs and what is the

198

00:10:17,190 --> 00:10:15,279

connection

199

00:10:19,030 --> 00:10:17,200

i mean you

200

00:10:21,430 --> 00:10:19,040

you know the part of the

201
00:10:24,389 --> 00:10:21,440
nice templar you know the red the rosy

202
00:10:26,710 --> 00:10:24,399
cross the rc promise you know the cross

203
00:10:28,550 --> 00:10:26,720
in the middle of the crucifix jesus

204
00:10:30,389 --> 00:10:28,560
christ or whatever he was that's why you

205
00:10:32,150 --> 00:10:30,399
always see that the sacred heart it's

206
00:10:33,829 --> 00:10:32,160
got the rose

207
00:10:36,310 --> 00:10:33,839
yeah i grew up catholic so i've seen

208
00:10:37,910 --> 00:10:36,320
that a lot yeah there's tons of like you

209
00:10:40,710 --> 00:10:37,920
know

210
00:10:42,630 --> 00:10:40,720
symbology is more than words so you look

211
00:10:44,550 --> 00:10:42,640
at them like

212
00:10:46,310 --> 00:10:44,560
you know the crusades and the nice

213
00:10:48,710 --> 00:10:46,320

templar like i said the red and the

214

00:10:50,550 --> 00:10:48,720

white it's you know

215

00:10:52,069 --> 00:10:50,560

it's just something that a lot of people

216

00:10:54,150 --> 00:10:52,079

know that they read some [h__h] and you

217

00:10:56,150 --> 00:10:54,160

see it you know okay that's always a

218

00:10:57,829 --> 00:10:56,160

question

219

00:10:59,990 --> 00:10:57,839

when you get to the site

220

00:11:01,430 --> 00:11:00,000

when i got there and it's not there now

221

00:11:04,389 --> 00:11:01,440

when you get to the site it's boarded on

222

00:11:06,230 --> 00:11:04,399

three sides by holley bushes so that's

223

00:11:07,269 --> 00:11:06,240

instantly hollywood

224

00:11:09,590 --> 00:11:07,279

you know

225

00:11:11,750 --> 00:11:09,600

that's how the uh the druids they make

226

00:11:25,350 --> 00:11:11,760

their wands and holly bushes

227

00:11:28,389 --> 00:11:27,030

when i got there i see the holly bush is

228

00:11:30,550 --> 00:11:28,399

on three sides

229

00:11:32,389 --> 00:11:30,560

three sides is important

230

00:11:35,509 --> 00:11:32,399

it has to do with the flag and all that

231

00:11:39,190 --> 00:11:35,519

you know you see the cold

232

00:11:40,790 --> 00:11:39,200

friends on three sides of the flag

233

00:11:42,790 --> 00:11:40,800

yeah that's interesting so there's a lot

234

00:11:45,030 --> 00:11:42,800

of symbolism involved with this stuff

235

00:11:51,030 --> 00:11:45,040

that people keep noticing right

236

00:11:54,829 --> 00:11:53,750

okay you got the kryptos riddles you've

237

00:11:58,389 --> 00:11:54,839

heard

238

00:12:00,550 --> 00:11:58,399

of no oh yeah yeah i have but can you

239

00:12:02,389 --> 00:12:00,560

explain it for the audience a little bit

240

00:12:04,310 --> 00:12:02,399

well there's a sculpture outside the cia

241

00:12:06,629 --> 00:12:04,320

headquarters in dc it's got four

242

00:12:08,949 --> 00:12:06,639

different riddles on it

243

00:12:12,069 --> 00:12:08,959

so three of them have been some of so

244

00:12:13,910 --> 00:12:12,079

far and the fourth one remains and so

245

00:12:15,590 --> 00:12:13,920

but three of them they kind of lead to

246

00:12:17,509 --> 00:12:15,600

the fourth one it's like a progressive

247

00:12:18,629 --> 00:12:17,519

type of riddish

248

00:12:19,990 --> 00:12:18,639

deal

249

00:12:22,389 --> 00:12:20,000

and they always speak about something

250

00:12:24,790 --> 00:12:22,399

that's buried out somewhere

251

00:12:26,470 --> 00:12:24,800

and it's buried and there's

252

00:12:28,310 --> 00:12:26,480

certain because there's a room out there

253

00:12:30,310 --> 00:12:28,320

the chamber they talk about and they

254

00:12:31,350 --> 00:12:30,320

talk about removing a certain stone of a

255

00:12:33,190 --> 00:12:31,360

chamber

256

00:12:34,870 --> 00:12:33,200

and it brings in a light

257

00:12:36,389 --> 00:12:34,880

and you can actually see in the chamber

258

00:12:38,230 --> 00:12:36,399

and that's

259

00:12:39,910 --> 00:12:38,240

it's like like i said it's a progressive

260

00:12:43,030 --> 00:12:39,920

type of riddle

261

00:12:47,509 --> 00:12:45,509

yeah that's a little bizarre right

262

00:12:49,110 --> 00:12:47,519

yeah but it's out from the city

263

00:12:50,629 --> 00:12:49,120

headquarters so these people that take a

264

00:12:52,870 --> 00:12:50,639

break they go out and sit and look and

265

00:12:55,030 --> 00:12:52,880

they try to figure it out

266

00:12:56,870 --> 00:12:55,040

it's like lunch time let's let's figure

267

00:12:59,990 --> 00:12:56,880

out this riddle right yeah that's what

268

00:13:02,310 --> 00:13:00,000

they but that's part of it

269

00:13:03,110 --> 00:13:02,320

it's hard to explain way difficult it's

270

00:13:04,870 --> 00:13:03,120

like

271

00:13:07,030 --> 00:13:04,880

well i mean it's a car it's a culture of

272

00:13:08,710 --> 00:13:07,040

secrets so it would it would kind of

273

00:13:10,629 --> 00:13:08,720

stand a reason that they would be into

274

00:13:11,670 --> 00:13:10,639

riddles and codes and things like that

275

00:13:14,629 --> 00:13:11,680

right

276

00:13:17,670 --> 00:13:14,639

well the secret is

277

00:13:18,829 --> 00:13:17,680

the secret is they want you like

278

00:13:21,590 --> 00:13:18,839

they are

279

00:13:23,509 --> 00:13:21,600

just it's just universe it's like the

280

00:13:25,110 --> 00:13:23,519

universe is ever expanding it's never

281

00:13:26,870 --> 00:13:25,120

gonna you know decrease it's never

282

00:13:28,870 --> 00:13:26,880

expanding so this is one it's like a

283

00:13:30,550 --> 00:13:28,880

caring mistake

284

00:13:32,550 --> 00:13:30,560

it's wanting you to chase something and

285

00:13:34,470 --> 00:13:32,560

then there's something out there

286

00:13:37,670 --> 00:13:34,480

yeah i think maybe we should explore the

287

00:13:39,350 --> 00:13:37,680

inscriptions i can read some of them and

288

00:13:41,430 --> 00:13:39,360

i mean there's ten it's like ten

289

00:13:43,110 --> 00:13:41,440

commandments that are inscribed on these

290

00:13:45,590 --> 00:13:43,120

things which is bizarre

291

00:13:47,910 --> 00:13:45,600

this is this is from wikipedia a message

292

00:13:50,230 --> 00:13:47,920

consisting of a set of ten guidelines or

293

00:13:52,790 --> 00:13:50,240

principles is engraved on the georgia

294

00:13:55,189 --> 00:13:52,800

guidestones in eight different languages

295

00:13:57,030 --> 00:13:55,199

one language on each each face of the

296

00:13:59,189 --> 00:13:57,040

four large upright stones moving

297

00:14:00,790 --> 00:13:59,199

clockwise around the structure from due

298

00:14:03,670 --> 00:14:00,800

north these languages are english

299

00:14:06,310 --> 00:14:03,680

spanish swahili hindi

300

00:14:07,269 --> 00:14:06,320

hebrew arabic traditional chinese and

301
00:14:09,509 --> 00:14:07,279
russian

302
00:14:12,310 --> 00:14:09,519
and here's what the inscriptions say

303
00:14:16,310 --> 00:14:12,320
number one maintain humanity under

304
00:14:18,949 --> 00:14:16,320
500 is that 500 million i think 500

305
00:14:21,110 --> 00:14:18,959
million in perpetual balance with nature

306
00:14:23,509 --> 00:14:21,120
guide reproduction number two guide

307
00:14:25,910 --> 00:14:23,519
reproduction wisely improving fitness

308
00:14:28,629 --> 00:14:25,920
and diversity number three

309
00:14:31,350 --> 00:14:28,639
unite humanity with a

310
00:14:35,509 --> 00:14:31,360
living new language

311
00:14:38,389 --> 00:14:35,519
number four rule passion faith tradition

312
00:14:41,110 --> 00:14:38,399
and all things with tempered reason

313
00:14:44,230 --> 00:14:41,120

number five protect people and nations

314

00:14:47,189 --> 00:14:44,240

with fair laws and just courts number

315

00:14:49,910 --> 00:14:47,199

six let all nations rule internally

316

00:14:50,790 --> 00:14:49,920

resolving external disputes in a world

317

00:14:53,030 --> 00:14:50,800

court

318

00:14:54,710 --> 00:14:53,040

number seven avoid petty laws and

319

00:14:56,710 --> 00:14:54,720

useless officials

320

00:14:59,350 --> 00:14:56,720

number eight balance personal rights

321

00:15:02,150 --> 00:14:59,360

with social duties number nine

322

00:15:05,189 --> 00:15:02,160

prize truth beauty and love seeking

323

00:15:07,750 --> 00:15:05,199

harmony with the infinite and number 10

324

00:15:09,189 --> 00:15:07,760

be not a cancer on the earth leave room

325

00:15:12,470 --> 00:15:09,199

for nature

326

00:15:13,910 --> 00:15:12,480

so

327

00:15:15,990 --> 00:15:13,920

a lot of people

328

00:15:17,670 --> 00:15:16,000

say based on these inscriptions that

329

00:15:20,710 --> 00:15:17,680

this is supposed to be some kind of a

330

00:15:22,790 --> 00:15:20,720

guide for how to rebuild humanity

331

00:15:25,030 --> 00:15:22,800

after a catastrophic

332

00:15:27,350 --> 00:15:25,040

say thermonuclear war that destroys a

333

00:15:28,870 --> 00:15:27,360

lot of the population of earth or

334

00:15:31,269 --> 00:15:28,880

something like that well i mean what's

335

00:15:33,269 --> 00:15:31,279

your take on the inscriptions and what

336

00:15:35,110 --> 00:15:33,279

their meaning is

337

00:15:36,150 --> 00:15:35,120

i'm glad you said the last part of that

338

00:15:39,509 --> 00:15:36,160

it says

339

00:15:41,509 --> 00:15:39,519

you postulated maybe speculated

340

00:15:43,829 --> 00:15:41,519

it would be after some sort of event

341

00:15:46,710 --> 00:15:43,839

that happened right

342

00:15:48,470 --> 00:15:46,720

okay well it says maintain humanity

343

00:15:50,230 --> 00:15:48,480

the warriors didn't say bring down

344

00:15:52,710 --> 00:15:50,240

humanity to a level

345

00:15:55,910 --> 00:15:52,720

it doesn't say kill all these people

346

00:15:57,350 --> 00:15:55,920

it doesn't kill 7.5 billion people yeah

347

00:15:58,870 --> 00:15:57,360

some people are theorized that that's

348

00:16:01,509 --> 00:15:58,880

what that's what the people here want to

349

00:16:03,189 --> 00:16:01,519

do is population depopulation of the

350

00:16:05,509 --> 00:16:03,199

earth

351

00:16:07,350 --> 00:16:05,519

to me to me my understanding when i look

352

00:16:09,030 --> 00:16:07,360

at that it has maintained

353

00:16:10,870 --> 00:16:09,040

and like you said like the last part of

354

00:16:12,470 --> 00:16:10,880

what you said maybe there's something

355

00:16:14,150 --> 00:16:12,480

that happened

356

00:16:15,590 --> 00:16:14,160

and we need to chill for a minute we're

357

00:16:16,389 --> 00:16:15,600

like hold on

358

00:16:18,310 --> 00:16:16,399

okay

359

00:16:20,069 --> 00:16:18,320

let's let's let's balance ourselves for

360

00:16:22,150 --> 00:16:20,079

a little while maybe after we can see if

361

00:16:23,430 --> 00:16:22,160

we can balance ourselves because

362

00:16:25,990 --> 00:16:23,440

obviously in history it's happened

363

00:16:28,310 --> 00:16:26,000

before this is a

364

00:16:31,269 --> 00:16:28,320

population of humans dropped out maybe

365

00:16:31,990 --> 00:16:31,279

30 000. like that 10 000 maybe

366

00:16:33,829 --> 00:16:32,000

but

367

00:16:35,189 --> 00:16:33,839

maybe like you said something happens it

368

00:16:37,590 --> 00:16:35,199

says maintain

369

00:16:40,790 --> 00:16:37,600

doesn't kill people

370

00:16:42,710 --> 00:16:40,800

so and another thought on that

371

00:16:44,230 --> 00:16:42,720

if you look you say you got two commands

372

00:16:47,189 --> 00:16:44,240

right

373

00:16:50,710 --> 00:16:48,829

knock that first one

374

00:16:53,030 --> 00:16:50,720

out all right to forget about the

375

00:16:56,310 --> 00:16:53,040

population right the rest of them kind

376

00:16:57,749 --> 00:16:56,320

of makes sense you know

377

00:16:59,110 --> 00:16:57,759

strike that first one out don't look at

378

00:17:01,509 --> 00:16:59,120

the first one

379

00:17:02,949 --> 00:17:01,519

but that's the controversial one though

380

00:17:03,509 --> 00:17:02,959

who

381

00:17:06,470 --> 00:17:03,519

i cares

382

00:17:09,029 --> 00:17:06,480

in a machine shop i'm real like i'm a

383

00:17:10,710 --> 00:17:09,039

jurassic you can't manufacture a perfect

384

00:17:13,189 --> 00:17:10,720

piece right

385

00:17:15,350 --> 00:17:13,199

you can't you have tolerance

386

00:17:16,949 --> 00:17:15,360

when somebody says cut that at an inch

387

00:17:18,949 --> 00:17:16,959

i can cut as close to an inch as

388

00:17:21,350 --> 00:17:18,959

possible but there's no way i'm going to

389

00:17:23,990 --> 00:17:21,360

cut that right in an inch if i'm lucky

390

00:17:26,390 --> 00:17:24,000

maybe and i'm still off by

391

00:17:28,309 --> 00:17:26,400

what a thousands there's no way there's

392

00:17:29,270 --> 00:17:28,319

no way you can manufacture a perfect

393

00:17:31,350 --> 00:17:29,280

piece

394

00:17:33,190 --> 00:17:31,360

so it's intolerance or there's a

395

00:17:38,230 --> 00:17:33,200

tolerance and you can take some of those

396

00:17:41,110 --> 00:17:38,950

okay

397

00:17:43,190 --> 00:17:41,120

so the rest of them seem pretty harmless

398

00:17:45,669 --> 00:17:43,200

to me it's just like advice on how the

399

00:17:47,350 --> 00:17:45,679

world could be a better place but that

400

00:17:51,110 --> 00:17:47,360

first one has always been troubling to

401
00:17:54,470 --> 00:17:52,950
well that kind of leads into my point

402
00:17:56,950 --> 00:17:54,480
it'll kind of push the conversation

403
00:17:58,390 --> 00:17:56,960
further if you look on the

404
00:18:01,110 --> 00:17:58,400
don't look at the stones look at the

405
00:18:02,950 --> 00:18:01,120
information slab that's in the ground

406
00:18:05,270 --> 00:18:02,960
and it says uh

407
00:18:08,549 --> 00:18:05,280
produced by rc christian but in

408
00:18:10,710 --> 00:18:08,559
parentheses this is a pseudonym

409
00:18:12,710 --> 00:18:10,720
it doesn't say pseudonym

410
00:18:13,750 --> 00:18:12,720
yeah and there's also inscription let

411
00:18:18,070 --> 00:18:13,760
these

412
00:18:21,110 --> 00:18:18,080
be guidestones to an age of reason

413
00:18:23,029 --> 00:18:21,120

it says pseudonym that's a misspelling

414

00:18:24,549 --> 00:18:23,039

that was intentional

415

00:18:26,310 --> 00:18:24,559

you don't think that if they spent he

416

00:18:28,310 --> 00:18:26,320

said like like you said he had like

417

00:18:30,070 --> 00:18:28,320

three times as much as you know they

418

00:18:31,350 --> 00:18:30,080

don't want to pay three times much you

419

00:18:32,789 --> 00:18:31,360

don't think they made a misspelling on

420

00:18:34,789 --> 00:18:32,799

that whole slab they would have been

421

00:18:36,789 --> 00:18:34,799

like right scrap it flip it over

422

00:18:39,110 --> 00:18:36,799

wouldn't do it again

423

00:18:44,310 --> 00:18:39,120

no the misspelling was intentional

424

00:18:48,150 --> 00:18:45,990

why do you think that they misspelled it

425

00:18:49,909 --> 00:18:48,160

intentionally then because of the

426
00:18:50,789 --> 00:18:49,919
imperfection

427
00:18:53,190 --> 00:18:50,799
there's a

428
00:18:55,350 --> 00:18:53,200
it's a it's a philosophical like you

429
00:18:56,390 --> 00:18:55,360
can't manufacture a perfect piece

430
00:19:01,830 --> 00:18:56,400
you have to

431
00:19:03,590 --> 00:19:01,840
so more symbolism then that's that's why

432
00:19:04,470 --> 00:19:03,600
there's a cornerstone

433
00:19:06,630 --> 00:19:04,480
so

434
00:19:08,150 --> 00:19:06,640
i get there i see the imperfection and i

435
00:19:10,390 --> 00:19:08,160
look at those stones and i see that

436
00:19:11,510 --> 00:19:10,400
there's an imperfection on the northeast

437
00:19:12,950 --> 00:19:11,520
pillar

438
00:19:15,510 --> 00:19:12,960

if you look at the stones from like the

439

00:19:17,190 --> 00:19:15,520

80s but even a knife

440

00:19:19,510 --> 00:19:17,200

before i remove the stone there's an

441

00:19:20,950 --> 00:19:19,520

imperfection in it so that's the whole

442

00:19:23,190 --> 00:19:20,960

idea of a cornerstone it's like you

443

00:19:25,830 --> 00:19:23,200

build a building and you take the corner

444

00:19:27,430 --> 00:19:25,840

of it and you break it

445

00:19:28,950 --> 00:19:27,440

because you know you can't

446

00:19:31,029 --> 00:19:28,960

make a perfect piece

447

00:19:32,470 --> 00:19:31,039

so you break it

448

00:19:34,549 --> 00:19:32,480

intensely

449

00:19:35,909 --> 00:19:34,559

makes sense i guess yeah

450

00:19:38,630 --> 00:19:35,919

well

451
00:19:41,270 --> 00:19:38,640
yeah i mean if you want to it's people

452
00:19:42,310 --> 00:19:41,280
who are going in that building

453
00:19:44,470 --> 00:19:42,320
what do you think of the people who

454
00:19:45,669 --> 00:19:44,480
think that that that maybe this is just

455
00:19:47,830 --> 00:19:45,679
one big

456
00:19:50,710 --> 00:19:47,840
practical joke from somebody that likes

457
00:19:53,669 --> 00:19:50,720
mysteries and and strange things

458
00:19:55,990 --> 00:19:53,679
yeah you know i agree it's a joke but

459
00:19:57,190 --> 00:19:56,000
that's a joke it's like kill roy is the

460
00:20:01,029 --> 00:19:57,200
joke

461
00:20:02,710 --> 00:20:01,039
has got to be

462
00:20:07,430 --> 00:20:02,720
i don't know do you have any idea what

463
00:20:10,230 --> 00:20:08,870

yeah nobody's been able to tell me but

464

00:20:12,789 --> 00:20:10,240

i've heard people say it's in the

465

00:20:15,669 --> 00:20:12,799

hundreds of thousands of dollars

466

00:20:17,909 --> 00:20:15,679

they print some money

467

00:20:21,750 --> 00:20:17,919

they print the money too yeah

468

00:20:25,669 --> 00:20:23,590

yeah i wanted to ask you couldn't you

469

00:20:28,710 --> 00:20:25,679

track down the owner by who bought the

470

00:20:31,029 --> 00:20:28,720

actual property that it's on

471

00:20:33,270 --> 00:20:31,039

well the government owns the property

472

00:20:36,789 --> 00:20:33,280

based off of

473

00:20:38,870 --> 00:20:36,799

uh charges against myself

474

00:20:40,950 --> 00:20:38,880

yeah and uh yeah we're going to get into

475

00:20:43,590 --> 00:20:40,960

that

476

00:20:45,110 --> 00:20:43,600

but but but so

477

00:20:47,350 --> 00:20:45,120

somebody had to buy that property

478

00:20:49,270 --> 00:20:47,360

couldn't you search the property records

479

00:20:50,950 --> 00:20:49,280

to see who purchased the property before

480

00:20:52,710 --> 00:20:50,960

the stones was placed there in order to

481

00:20:54,950 --> 00:20:52,720

find out who the person behind these

482

00:20:56,870 --> 00:20:54,960

guide stones was

483

00:20:58,950 --> 00:20:56,880

well that goes back to the

484

00:21:09,110 --> 00:20:58,960

banker i forget his name

485

00:21:13,430 --> 00:21:11,350

yeah and also the granite the person who

486

00:21:16,070 --> 00:21:13,440

produced the actual stones refuses to

487

00:21:17,909 --> 00:21:16,080

release the real name or any records of

488

00:21:19,510 --> 00:21:17,919

the person that actually purchased them

489

00:21:22,549 --> 00:21:19,520

right

490

00:21:24,630 --> 00:21:22,559

yeah i have a connection to him as well

491

00:21:26,950 --> 00:21:24,640

i met him

492

00:21:29,029 --> 00:21:26,960

on a few occasions talked to him a

493

00:21:31,590 --> 00:21:29,039

couple of times

494

00:21:33,750 --> 00:21:31,600

and was was he unwilling to divulge to

495

00:21:35,270 --> 00:21:33,760

you the actual identity of this rc

496

00:21:39,110 --> 00:21:35,280

christian or

497

00:21:40,630 --> 00:21:39,120

i never really asked actually

498

00:21:42,230 --> 00:21:40,640

i'm gonna have to get that guy's uh

499

00:21:44,070 --> 00:21:42,240

business phone number i'll call him and

500

00:21:46,789 --> 00:21:44,080

ask him

501
00:21:48,710 --> 00:21:46,799
he's passed away oh is he yeah i think i

502
00:21:50,789 --> 00:21:48,720
heard that before too bad and then

503
00:21:52,710 --> 00:21:50,799
there's these weird alignments that the

504
00:21:53,990 --> 00:21:52,720
sun shines through in these as well

505
00:21:56,230 --> 00:21:54,000
right

506
00:21:57,590 --> 00:21:56,240
yeah there's a there's a hole drilled to

507
00:22:01,029 --> 00:21:57,600
the capstone

508
00:22:02,950 --> 00:22:01,039
that shines the light at noon

509
00:22:04,549 --> 00:22:02,960
and

510
00:22:05,510 --> 00:22:04,559
on the center color

511
00:22:07,510 --> 00:22:05,520
there's

512
00:22:08,950 --> 00:22:07,520
slits in it or the corners cut in that

513
00:22:10,710 --> 00:22:08,960

you can see yeah i'm showing an image of

514

00:22:11,669 --> 00:22:10,720

that right now with the sun shining

515

00:22:13,190 --> 00:22:11,679

through it

516

00:22:15,270 --> 00:22:13,200

yeah it shows

517

00:22:17,669 --> 00:22:15,280

the distance of the

518

00:22:19,909 --> 00:22:17,679

where the sun travels through the

519

00:22:21,510 --> 00:22:19,919

nose and the sounds also attracts the

520

00:22:26,149 --> 00:22:21,520

moon as well

521

00:22:29,909 --> 00:22:28,870

yeah and there's astronomic features uh

522

00:22:32,630 --> 00:22:29,919

channel

523

00:22:35,430 --> 00:22:32,640

through stone indicates celestial pole

524

00:22:37,350 --> 00:22:35,440

there's a horizontal slot that indicates

525

00:22:39,270 --> 00:22:37,360

annual travel of the sun

526

00:22:41,590 --> 00:22:39,280

there's a sunbeam through the capstone

527

00:22:42,870 --> 00:22:41,600

marks noon time throughout the year

528

00:22:45,110 --> 00:22:42,880

yeah that's when i was coming up there's

529

00:22:46,789 --> 00:22:45,120

a whole drill through the capstone that

530

00:22:48,870 --> 00:22:46,799

it shines on a

531

00:22:50,710 --> 00:22:48,880

portion of the ground that's kind of

532

00:22:52,710 --> 00:22:50,720

shaved smooth

533

00:22:55,190 --> 00:22:52,720

it'll mark the uh you know it's like a

534

00:22:57,669 --> 00:22:55,200

figure eight that had a limb of a son

535

00:22:59,669 --> 00:22:57,679

yeah and then there's uh there's a

536

00:23:01,510 --> 00:22:59,679

inscription about sponsors it says a

537

00:23:04,230 --> 00:23:01,520

small group of americans who seek the

538

00:23:05,909 --> 00:23:04,240

age of reason

539

00:23:08,070 --> 00:23:05,919

killing off like most of the world's

540

00:23:11,110 --> 00:23:08,080

population is the age of reason i'm a

541

00:23:13,029 --> 00:23:11,120

little that's a little makes me leery

542

00:23:15,350 --> 00:23:13,039

that's just the age of aquarius man i

543

00:23:21,270 --> 00:23:18,630

sun's moving in aquarius from pisces so

544

00:23:22,549 --> 00:23:21,280

it's the age of man is the age of reason

545

00:23:25,190 --> 00:23:22,559

you know man's starting to make the

546

00:23:27,669 --> 00:23:25,200

decisions on his own

547

00:23:30,070 --> 00:23:27,679

you know pisces some was in pisces for

548

00:23:33,510 --> 00:23:30,080

like 2 000 years and

549

00:23:35,190 --> 00:23:33,520

it's now moving in aquarius so

550

00:23:36,549 --> 00:23:35,200

interesting so

551
00:23:38,470 --> 00:23:36,559
you know

552
00:23:40,470 --> 00:23:38,480
i remember brad meltzer

553
00:23:41,590 --> 00:23:40,480
did uh did a show

554
00:23:45,029 --> 00:23:41,600
yeah

555
00:23:47,750 --> 00:23:45,039
did a show on this and and his feeling

556
00:23:48,950 --> 00:23:47,760
was that it was some sort of

557
00:23:50,710 --> 00:23:48,960
you know

558
00:23:52,870 --> 00:23:50,720
fear of the cold war because it was

559
00:23:54,549 --> 00:23:52,880
built in 1979 at the height of the cold

560
00:23:57,110 --> 00:23:54,559
war and maybe people thought that the

561
00:23:59,350 --> 00:23:57,120
earth would be devastated by nuclear war

562
00:24:02,149 --> 00:23:59,360
and this would serve as a calendar and a

563
00:24:03,590 --> 00:24:02,159

guide to rebuilding the devastated human

564

00:24:07,190 --> 00:24:03,600

civilization

565

00:24:11,430 --> 00:24:10,310

not really i mean that's just

566

00:24:13,750 --> 00:24:11,440

perhaps what you would call

567

00:24:15,590 --> 00:24:13,760

misinformation uh i don't trust brad

568

00:24:17,430 --> 00:24:15,600

nelson

569

00:24:19,669 --> 00:24:17,440

i mean

570

00:24:21,990 --> 00:24:19,679

i watched the show and he never really

571

00:24:23,510 --> 00:24:22,000

he never really discussed uh at the time

572

00:24:24,549 --> 00:24:23,520

when he made it the stone was already

573

00:24:27,350 --> 00:24:24,559

gone

574

00:24:29,750 --> 00:24:27,360

so him and jesse ventura

575

00:24:32,470 --> 00:24:29,760

and even alex jones to a point they

576

00:24:34,149 --> 00:24:32,480

don't really talk about it i mean

577

00:24:35,669 --> 00:24:34,159

you don't want him to talk about any of

578

00:24:37,269 --> 00:24:35,679

this yeah i mean the only thing i've

579

00:24:39,669 --> 00:24:37,279

ever seen on this is brad meltzer's

580

00:24:43,350 --> 00:24:39,679

decoded show did it and i've heard a few

581

00:24:47,110 --> 00:24:45,909

oh you're right on a conspiracy theory

582

00:24:49,750 --> 00:24:47,120

yeah yeah

583

00:24:51,269 --> 00:24:49,760

he won't talk about any of it it's just

584

00:24:53,029 --> 00:24:51,279

you know it's just

585

00:24:57,909 --> 00:24:53,039

wallpaper

586

00:25:00,789 --> 00:24:57,919

can describe it it's just you know

587

00:25:02,710 --> 00:25:00,799

i don't know it's just still in tom even

588

00:25:04,070 --> 00:25:02,720

even the cameras like they'll pan up and

589

00:25:06,870 --> 00:25:04,080

they won't show that stone that's

590

00:25:09,350 --> 00:25:06,880

missing they'll stop right before it

591

00:25:10,870 --> 00:25:09,360

what do i say what's

592

00:25:14,710 --> 00:25:10,880

what's the deal with that

593

00:25:18,070 --> 00:25:14,720

why is there a piece of it missing

594

00:25:18,789 --> 00:25:18,080

yeah we're going to get into that

595

00:25:20,070 --> 00:25:18,799

so

596

00:25:21,110 --> 00:25:20,080

you

597

00:25:22,870 --> 00:25:21,120

tell

598

00:25:25,110 --> 00:25:22,880

listen welcome you through this so there

599

00:25:27,110 --> 00:25:25,120

is some portion of this

600

00:25:30,870 --> 00:25:27,120

georgia guidestones monument that was

601
00:25:32,230 --> 00:25:30,880
removable somehow is that correct

602
00:25:35,110 --> 00:25:32,240
yeah if you look at like any of the

603
00:25:37,350 --> 00:25:35,120
pictures before 2009

604
00:25:39,269 --> 00:25:37,360
if you look at that northeast pillar

605
00:25:40,830 --> 00:25:39,279
you'll see up on the top

606
00:25:43,430 --> 00:25:40,840
on the very top where it touches the

607
00:25:47,590 --> 00:25:43,440
capstone there's a line a definitive

608
00:25:51,590 --> 00:25:50,710
anyone before 2009 on the english facing

609
00:25:53,510 --> 00:25:51,600
side

610
00:25:55,269 --> 00:25:53,520
yeah i'm having trouble finding that now

611
00:25:56,789 --> 00:25:55,279
unfortunately but so we'll just go with

612
00:25:57,909 --> 00:25:56,799
your description though

613
00:25:59,909 --> 00:25:57,919

so

614

00:26:01,029 --> 00:25:59,919

walk me through this you

615

00:26:02,789 --> 00:26:01,039

uh

616

00:26:04,549 --> 00:26:02,799

i don't want to get in any trouble you

617

00:26:06,230 --> 00:26:04,559

uh visited this

618

00:26:07,430 --> 00:26:06,240

i've been in shovel man it's all good

619

00:26:09,110 --> 00:26:07,440

yeah you

620

00:26:10,549 --> 00:26:09,120

you ended up getting arrested over these

621

00:26:12,070 --> 00:26:10,559

georgia guide stones and your

622

00:26:13,350 --> 00:26:12,080

involvement with them is that correct or

623

00:26:16,470 --> 00:26:13,360

am i wrong

624

00:26:18,070 --> 00:26:16,480

correct okay so you visited the georgia

625

00:26:19,909 --> 00:26:18,080

guidestone site

626
00:26:24,070 --> 00:26:19,919
and you removed

627
00:26:26,230 --> 00:26:24,080
or borrowed a portion that was removable

628
00:26:28,149 --> 00:26:26,240
correct um

629
00:26:32,470 --> 00:26:28,159
okay so

630
00:26:37,269 --> 00:26:34,870
uh let's see why questions have to do

631
00:26:40,310 --> 00:26:37,279
with antenna i think my intention is to

632
00:26:42,549 --> 00:26:40,320
move the stone was

633
00:26:44,789 --> 00:26:42,559
uh

634
00:26:47,350 --> 00:26:44,799
it's kind of a ritual i guess you can

635
00:26:49,110 --> 00:26:47,360
call it ritual

636
00:26:50,549 --> 00:26:49,120
okay so you borrowed a piece what did

637
00:26:52,149 --> 00:26:50,559
you do with the piece that you borrowed

638
00:26:54,549 --> 00:26:52,159

and how big was it oh wait i think i

639

00:26:58,070 --> 00:26:54,559

found the piece the cube has it got 14

640

00:26:59,990 --> 00:26:58,080

and 20 on on is it a cube no i know that

641

00:27:02,390 --> 00:27:00,000

that 2014 queue

642

00:27:04,549 --> 00:27:02,400

that's that's a total other story it was

643

00:27:07,110 --> 00:27:04,559

made by somebody else who was actually

644

00:27:09,909 --> 00:27:07,120

involved in what's going on but

645

00:27:11,590 --> 00:27:09,919

okay that was that was after that was

646

00:27:14,230 --> 00:27:11,600

so describe for me the piece that you

647

00:27:19,110 --> 00:27:14,240

removed though was it like a cube or a

648

00:27:24,870 --> 00:27:21,029

by six by six cube that had to be pretty

649

00:27:29,430 --> 00:27:27,669

i just broke the glue you broke the glue

650

00:27:31,590 --> 00:27:29,440

okay when the when that northeast pillar

651
00:27:33,510 --> 00:27:31,600
was manufactured what they did was they

652
00:27:36,070 --> 00:27:33,520
made the pillar and then they cut a

653
00:27:38,310 --> 00:27:36,080
piece out of it and they glued it back i

654
00:27:40,470 --> 00:27:38,320
see that i see the mist i see we're

655
00:27:42,310 --> 00:27:40,480
showing an image now of the

656
00:27:44,710 --> 00:27:42,320
of it with the with the cube missing so

657
00:27:47,190 --> 00:27:44,720
you took the cube

658
00:27:49,350 --> 00:27:47,200
out of there and what did you do with it

659
00:27:51,990 --> 00:27:49,360
i just held on to it you just held on to

660
00:27:53,190 --> 00:27:52,000
it and but somehow you got caught right

661
00:27:55,029 --> 00:27:53,200
and they knew that

662
00:27:57,350 --> 00:27:55,039
i took it back

663
00:27:59,430 --> 00:27:57,360

so you didn't get caught borrowing it

664

00:28:00,549 --> 00:27:59,440

you got caught taking it back is that

665

00:28:01,430 --> 00:28:00,559

correct

666

00:28:02,950 --> 00:28:01,440

all right

667

00:28:04,870 --> 00:28:02,960

wow

668

00:28:08,310 --> 00:28:04,880

and how how long did you have the piece

669

00:28:11,830 --> 00:28:09,669

four years

670

00:28:13,510 --> 00:28:11,840

wow so you held on to a piece of this

671

00:28:15,110 --> 00:28:13,520

thing for four

672

00:28:18,070 --> 00:28:15,120

years

673

00:28:19,269 --> 00:28:18,080

so you take this piece of this monument

674

00:28:21,350 --> 00:28:19,279

this cube

675

00:28:22,950 --> 00:28:21,360

and then

676
00:28:24,710 --> 00:28:22,960
yeah

677
00:28:26,870 --> 00:28:24,720
it relates to this when i when i had to

678
00:28:28,549 --> 00:28:26,880
go to a core knowledge [h__\h]

679
00:28:30,149 --> 00:28:28,559
the judge my walk in front of the judge

680
00:28:32,630 --> 00:28:30,159
he's like how did you cut that how did

681
00:28:35,750 --> 00:28:32,640
you make that precise cut without making

682
00:28:37,430 --> 00:28:35,760
a cut in the capstone

683
00:28:38,789 --> 00:28:37,440
because there's one part of it where you

684
00:28:40,870 --> 00:28:38,799
if you cut it

685
00:28:42,310 --> 00:28:40,880
you would have to cut into the countdown

686
00:28:47,350 --> 00:28:42,320
it would be a

687
00:28:49,990 --> 00:28:47,360
he's like how did you cut that without

688
00:28:52,470 --> 00:28:50,000

marking up the capstone

689

00:28:55,510 --> 00:28:52,480

well you want to tell us how you did it

690

00:29:10,389 --> 00:28:55,520

well i had to reply to fifth but i'll

691

00:29:15,909 --> 00:29:12,630

i didn't cut that

692

00:29:19,190 --> 00:29:17,669

it was like they like i said before that

693

00:29:20,630 --> 00:29:19,200

but they had so there was some kind of

694

00:29:22,710 --> 00:29:20,640

there was some kind of uh there was some

695

00:29:24,710 --> 00:29:22,720

kind of an adhesive that was keeping it

696

00:29:26,870 --> 00:29:24,720

together right and you just kind of

697

00:29:30,070 --> 00:29:26,880

separated the adhesive somehow with what

698

00:29:31,590 --> 00:29:30,080

a knife or a chisel or a chisel it took

699

00:29:34,710 --> 00:29:31,600

like two seconds

700

00:29:36,870 --> 00:29:34,720

it was ready to move

701
00:29:38,710 --> 00:29:36,880
so you take this thing so you take this

702
00:29:41,430 --> 00:29:38,720
cube this piece of this monument home

703
00:29:45,190 --> 00:29:41,440
and you keep it for four years and then

704
00:29:47,269 --> 00:29:45,200
why why did you decide to put it back

705
00:29:48,950 --> 00:29:47,279
well it's part of the ritual there's a

706
00:29:50,470 --> 00:29:48,960
three-phase ritual

707
00:29:52,789 --> 00:29:50,480
the first phase of the ritual is the

708
00:29:55,029 --> 00:29:52,799
removal of a stone

709
00:29:55,909 --> 00:29:55,039
it brings in the light

710
00:29:58,070 --> 00:29:55,919
so

711
00:29:59,190 --> 00:29:58,080
after the removal of a stone you bring

712
00:30:01,830 --> 00:29:59,200
it back

713
00:30:05,269 --> 00:30:01,840

and there's a death of the highest

714

00:30:09,590 --> 00:30:05,279

uh highest person in charge which

715

00:30:14,149 --> 00:30:11,909

but the second phase is the death of the

716

00:30:16,470 --> 00:30:14,159

highest and charge the third phase is

717

00:30:19,190 --> 00:30:16,480

the ark of the covenant

718

00:30:22,710 --> 00:30:20,870

that's why

719

00:30:23,909 --> 00:30:22,720

yeah and i'm looking at an article that

720

00:30:27,110 --> 00:30:23,919

was written

721

00:30:29,510 --> 00:30:27,120

uh in atlas obscuria and it says who

722

00:30:31,269 --> 00:30:29,520

stole a fragment of george's esoteric

723

00:30:33,510 --> 00:30:31,279

tablets

724

00:30:34,870 --> 00:30:33,520

in september the bizarre story of the

725

00:30:36,950 --> 00:30:34,880

georgia guidestones got a little

726

00:30:39,269 --> 00:30:36,960

stranger with the secret addition and

727

00:30:41,110 --> 00:30:39,279

public removal of a new stone cube

728

00:30:42,470 --> 00:30:41,120

fitted into the notch at the top of one

729

00:30:44,310 --> 00:30:42,480

granite slab

730

00:30:46,310 --> 00:30:44,320

the cube wore several inscriptions

731

00:30:48,389 --> 00:30:46,320

including the numbers 20 and 14 setting

732

00:30:51,909 --> 00:30:48,399

conspiracy theorists abuzz trying to

733

00:30:55,990 --> 00:30:54,389

uh often called the american stonehenge

734

00:31:00,549 --> 00:30:56,000

the 20 foot tall guide stones were built

735

00:31:03,190 --> 00:31:00,559

in 1980 by albertan granite association

736

00:31:09,029 --> 00:31:06,070

and this is this story is bizarre it's

737

00:31:10,870 --> 00:31:09,039

the the the monument is often defaced by

738

00:31:12,549 --> 00:31:10,880

people on all sides from christians to

739

00:31:14,470 --> 00:31:12,559

conspiracy theorists

740

00:31:15,830 --> 00:31:14,480

but conspiracy theories aside there are

741

00:31:18,310 --> 00:31:15,840

genuine mysteries involving the

742

00:31:20,710 --> 00:31:18,320

guidestones the most recent saga began

743

00:31:23,029 --> 00:31:20,720

back in 2009 when a six by six by six

744

00:31:25,190 --> 00:31:23,039

cube of granite was stolen

745

00:31:28,149 --> 00:31:25,200

from the top corner of one of the stones

746

00:31:31,430 --> 00:31:28,159

four years later in 2013 a man named

747

00:31:33,509 --> 00:31:31,440

william jeremy ellis that would be you

748

00:31:35,350 --> 00:31:33,519

was apprehended in the middle of the

749

00:31:37,430 --> 00:31:35,360

night while attempting to put the cube

750

00:31:39,590 --> 00:31:37,440

back into the monument he later

751
00:31:42,149 --> 00:31:39,600
explained that he had removed the stone

752
00:31:44,070 --> 00:31:42,159
for personal esoteric and numerological

753
00:31:44,950 --> 00:31:44,080
reasons and that he decided to return it

754
00:31:46,789 --> 00:31:44,960
because

755
00:31:49,110 --> 00:31:46,799
he didn't want that weight anymore the

756
00:31:50,549 --> 00:31:49,120
original cube was recovered

757
00:31:51,669 --> 00:31:50,559
and when people

758
00:31:53,669 --> 00:31:51,679
and when we spoke by phone at

759
00:31:55,269 --> 00:31:53,679
christopher cuba's executive vice

760
00:31:56,549 --> 00:31:55,279
president of elberton granite which is

761
00:31:58,549 --> 00:31:56,559
still in charge of maintaining the

762
00:32:00,710 --> 00:31:58,559
monument he confirmed that he is in

763
00:32:02,710 --> 00:32:00,720

possession of the original cube but that

764

00:32:04,710 --> 00:32:02,720

the company has not yet decided what to

765

00:32:06,789 --> 00:32:04,720

do with it

766

00:32:08,310 --> 00:32:06,799

so since 2009 there's been a small notch

767

00:32:10,470 --> 00:32:08,320

at the top of one of the guidestone

768

00:32:12,630 --> 00:32:10,480

monoliths the number this

769

00:32:13,909 --> 00:32:12,640

this summer a new cube suddenly appeared

770

00:32:17,110 --> 00:32:13,919

in the hole featuring numbers and

771

00:32:20,310 --> 00:32:17,120

letters carved into its space faces nm

772

00:32:21,830 --> 00:32:20,320

jam 16 8 20 and 14

773

00:32:23,750 --> 00:32:21,840

many new theories sprang up using

774

00:32:25,509 --> 00:32:23,760

numerology and other esoteric

775

00:32:27,509 --> 00:32:25,519

disciplines to draw links between the

776

00:32:30,230 --> 00:32:27,519

guide stones and all sorts of things the

777

00:32:32,310 --> 00:32:30,240

most extreme involves the simpsons

778

00:32:33,830 --> 00:32:32,320

the children's book curious george this

779

00:32:35,830 --> 00:32:33,840

is getting crazy

780

00:32:39,190 --> 00:32:35,840

and the september 11th attacks and the

781

00:32:41,350 --> 00:32:39,200

current outbreak of hobo ebola however

782

00:32:42,950 --> 00:32:41,360

last week a man named michael maslini

783

00:32:44,950 --> 00:32:42,960

made a video explaining that he was the

784

00:32:46,870 --> 00:32:44,960

one responsible he placed the cube there

785

00:32:50,389 --> 00:32:46,880

to commemorate his marriage to jennifer

786

00:32:51,830 --> 00:32:50,399

and masolini on august 6 2014. masolini

787

00:32:54,549 --> 00:32:51,840

happens to be a numerologist and

788

00:32:56,870 --> 00:32:54,559

conspiracy buff he's also friendly with

789

00:32:59,029 --> 00:32:56,880

william ellis since they met where else

790

00:33:00,630 --> 00:32:59,039

at the guidestones oh that's interesting

791

00:33:04,789 --> 00:33:00,640

so one of your friends

792

00:33:08,789 --> 00:33:06,549

okay a couple more things

793

00:33:12,389 --> 00:33:08,799

uh mr massamelli

794

00:33:14,470 --> 00:33:12,399

i mean he's probably gonna hear this so

795

00:33:16,870 --> 00:33:14,480

i'm gonna do my best he was there the

796

00:33:19,269 --> 00:33:16,880

night i was after him

797

00:33:20,870 --> 00:33:19,279

he was there the night i was

798

00:33:21,830 --> 00:33:20,880

i was there with him

799

00:33:23,110 --> 00:33:21,840

so

800

00:33:25,110 --> 00:33:23,120

that's one thing

801
00:33:31,029 --> 00:33:25,120
number two is

802
00:33:33,269 --> 00:33:31,039
that cube that 2014 [ʌ__\h] jm [ʌ__\h]

803
00:33:35,190 --> 00:33:33,279
he asked me to make it myself he was

804
00:33:36,710 --> 00:33:35,200
like can you make this for me

805
00:33:39,190 --> 00:33:36,720
i'm like dude i don't want nothing to do

806
00:33:41,430 --> 00:33:39,200
with that thing

807
00:33:43,909 --> 00:33:41,440
i think my part in this thing is dylan

808
00:33:45,509 --> 00:33:43,919
so this montanelli dude

809
00:33:46,950 --> 00:33:45,519
i know he's gonna be listening but

810
00:33:48,549 --> 00:33:46,960
whatever

811
00:33:53,269 --> 00:33:48,559
it's

812
00:33:54,230 --> 00:33:53,279
the site and when he did it he threw

813
00:33:55,990 --> 00:33:54,240

like

814

00:33:57,909 --> 00:33:56,000

rose petals out in front of them and

815

00:33:59,029 --> 00:33:57,919

they told my boy

816

00:34:01,750 --> 00:33:59,039

okay

817

00:34:03,509 --> 00:34:01,760

two weeks before i was apprehended is

818

00:34:05,190 --> 00:34:03,519

when i met the guy and i knew he was

819

00:34:08,069 --> 00:34:05,200

something was up with him

820

00:34:12,230 --> 00:34:09,669

it was just like he came up to me like

821

00:34:17,669 --> 00:34:12,240

hey man how's it going hello fellow cube

822

00:34:20,230 --> 00:34:18,550

so

823

00:34:22,230 --> 00:34:20,240

he's the one that really taught me into

824

00:34:25,270 --> 00:34:22,240

like coming back over there and come out

825

00:34:25,990 --> 00:34:25,280

like i was like oh what whatever

826

00:34:28,550 --> 00:34:26,000

so

827

00:34:29,829 --> 00:34:28,560

that dude is responsible for the 2014

828

00:34:32,389 --> 00:34:29,839

cuban

829

00:34:36,069 --> 00:34:34,310

i can't even describe it really it's

830

00:34:37,109 --> 00:34:36,079

total [h__\h]

831

00:34:39,030 --> 00:34:37,119

sorry

832

00:34:41,109 --> 00:34:39,040

no that's okay

833

00:34:44,629 --> 00:34:41,119

but like i said he asked me to make that

834

00:34:49,190 --> 00:34:47,109

okay so you made the cube for him or he

835

00:34:50,310 --> 00:34:49,200

no no he asked me to make it

836

00:34:52,069 --> 00:34:50,320

i'm like i don't want anything to do

837

00:34:53,829 --> 00:34:52,079

with it man

838

00:34:55,349 --> 00:34:53,839

so i guess he got somebody else to make

839

00:34:57,270 --> 00:34:55,359

it for him then right

840

00:34:58,150 --> 00:34:57,280

no he made it himself and if you look at

841

00:34:59,990 --> 00:34:58,160

it

842

00:35:02,470 --> 00:35:00,000

yeah like i said you got somebody else

843

00:35:04,310 --> 00:35:02,480

but if you look at it it sticks out it

844

00:35:05,910 --> 00:35:04,320

kind of stick it's kind of weird looking

845

00:35:07,589 --> 00:35:05,920

it kind of sticks out

846

00:35:09,030 --> 00:35:07,599

i don't know about a half inch but when

847

00:35:11,270 --> 00:35:09,040

i told him i was like hey man i'm not

848

00:35:14,550 --> 00:35:11,280

gonna do it but when you do haven't made

849

00:35:17,109 --> 00:35:14,560

check it out make a perfect 6x6 cube

850

00:35:19,030 --> 00:35:17,119

this is kind of important and i said

851
00:35:21,829 --> 00:35:19,040
take one corner of it and take a hammer

852
00:35:24,069 --> 00:35:21,839
and a chisel and break it

853
00:35:25,829 --> 00:35:24,079
so this goes back to the imperfection

854
00:35:27,510 --> 00:35:25,839
i was like dude

855
00:35:29,510 --> 00:35:27,520
take your perfect cube and break a

856
00:35:31,270 --> 00:35:29,520
corner out of it

857
00:35:33,510 --> 00:35:31,280
he didn't do that so it sticks out a

858
00:35:35,589 --> 00:35:33,520
little bit and

859
00:35:37,510 --> 00:35:35,599
the reason for that is when when they

860
00:35:38,310 --> 00:35:37,520
cut down like i said before when they

861
00:35:41,109 --> 00:35:38,320
cut

862
00:35:42,790 --> 00:35:41,119
that cube out and kind of refused it

863
00:35:47,109 --> 00:35:42,800

when you cut a stone like that you're

864

00:35:51,109 --> 00:35:48,630

a radius to it

865

00:35:52,790 --> 00:35:51,119

so it's not when a cube came out there

866

00:35:55,510 --> 00:35:52,800

was like one corner of it that had like

867

00:35:57,670 --> 00:35:55,520

a little a notch in it it's because

868

00:35:59,109 --> 00:35:57,680

the way the song was built

869

00:36:01,109 --> 00:35:59,119

when they cut it out

870

00:36:03,190 --> 00:36:01,119

there's an imperfection in it it all

871

00:36:05,030 --> 00:36:03,200

goes back from imperfection it comes

872

00:36:07,670 --> 00:36:05,040

back to the misspellings

873

00:36:10,790 --> 00:36:07,680

and even in the kryptos looking riddles

874

00:36:11,589 --> 00:36:10,800

there's a misfilling in the first one

875

00:36:14,150 --> 00:36:11,599

and

876

00:36:16,069 --> 00:36:14,160

it's always about imperfection take them

877

00:36:17,829 --> 00:36:16,079

take none of those commandments strike

878

00:36:20,950 --> 00:36:17,839

one of them

879

00:36:24,069 --> 00:36:22,710

yeah so let's get back to the reason

880

00:36:25,589 --> 00:36:24,079

that you

881

00:36:27,430 --> 00:36:25,599

you're you're kind of speaking in

882

00:36:29,990 --> 00:36:27,440

riddles which i understand this is a

883

00:36:32,870 --> 00:36:30,000

conspiracy land topic and and this is a

884

00:36:36,150 --> 00:36:32,880

strange and mysterious enduring mystery

885

00:36:38,470 --> 00:36:36,160

i mean you so you take this cube and you

886

00:36:39,829 --> 00:36:38,480

say you did it for a ritual like i don't

887

00:36:42,310 --> 00:36:39,839

understand you're talking about like a

888

00:36:44,390 --> 00:36:42,320

magic ritual or or what and what was the

889

00:36:45,670 --> 00:36:44,400

purpose of the ritual that you needed

890

00:36:46,630 --> 00:36:45,680

the cube for

891

00:36:49,430 --> 00:36:46,640

all right

892

00:36:51,990 --> 00:36:49,440

it's called a royal arch ritual

893

00:36:53,270 --> 00:36:52,000

and loosely i'm not a freemason but

894

00:36:55,270 --> 00:36:53,280

that's part of

895

00:36:57,750 --> 00:36:55,280

like a free basement ritual it's called

896

00:36:59,190 --> 00:36:57,760

the arch three phases

897

00:37:01,270 --> 00:36:59,200

the first phase is the removal of the

898

00:37:03,430 --> 00:37:01,280

stone like the initiate comes into a

899

00:37:04,230 --> 00:37:03,440

dark room and there's scrolls in front

900

00:37:06,069 --> 00:37:04,240

of him

901
00:37:08,069 --> 00:37:06,079
so you have to remove the stone out to

902
00:37:09,430 --> 00:37:08,079
seal to bring in the light to read the

903
00:37:12,710 --> 00:37:09,440
scrolls

904
00:37:16,630 --> 00:37:14,870
i just see it as a as it's like a

905
00:37:17,589 --> 00:37:16,640
metaphysical

906
00:37:19,430 --> 00:37:17,599
like

907
00:37:21,829 --> 00:37:19,440
ritual

908
00:37:24,310 --> 00:37:21,839
you know this isn't a blue ville but you

909
00:37:25,510 --> 00:37:24,320
know it's yeah oh you're you're you're

910
00:37:27,109 --> 00:37:25,520
in the right place to get into

911
00:37:29,030 --> 00:37:27,119
louisville it's okay i mean i'm just

912
00:37:31,190 --> 00:37:29,040
trying to understand the ritual that you

913
00:37:33,510 --> 00:37:31,200

did with this stone that you took and

914

00:37:35,349 --> 00:37:33,520

what was the purpose of the ritual

915

00:37:37,430 --> 00:37:35,359

okay so you wanted to bring the light in

916

00:37:39,109 --> 00:37:37,440

so you could read the scrolls what's in

917

00:37:40,550 --> 00:37:39,119

the scrolls and what is the purpose of

918

00:37:41,510 --> 00:37:40,560

the ritual

919

00:37:43,190 --> 00:37:41,520

okay well

920

00:37:45,190 --> 00:37:43,200

the day i removed it and i have a

921

00:37:47,510 --> 00:37:45,200

witness to it i was on top of these the

922

00:37:49,109 --> 00:37:47,520

guide stones and i had already removed

923

00:37:50,950 --> 00:37:49,119

the stone that was on the ground i was

924

00:37:53,829 --> 00:37:50,960

just kind of looking at what's going on

925

00:37:55,750 --> 00:37:53,839

and the cops pull up all right

926

00:37:57,589 --> 00:37:55,760

i'm like oh [\h__\h] you know i hadn't

927

00:37:59,430 --> 00:37:57,599

cleared this with anyone

928

00:38:02,069 --> 00:37:59,440

there's a rope water hanging down when

929

00:38:04,310 --> 00:38:02,079

i'm on top of this thing breaking [\h__\h]

930

00:38:05,430 --> 00:38:04,320

and the cops pull up and he pulls in

931

00:38:07,750 --> 00:38:05,440

he's like hey man you know what's

932

00:38:09,589 --> 00:38:07,760

illegal to be up there and i said well

933

00:38:12,550 --> 00:38:09,599

i'm working with

934

00:38:14,230 --> 00:38:12,560

uh a person i know

935

00:38:16,230 --> 00:38:14,240

kind of can leave your name out but i

936

00:38:18,150 --> 00:38:16,240

said i'm working with blink and he's

937

00:38:19,670 --> 00:38:18,160

like all right cool he turns around and

938

00:38:23,349 --> 00:38:19,680

walks

939

00:38:24,950 --> 00:38:23,359

my wife at the time and she's like it's

940

00:38:26,390 --> 00:38:24,960

illegal to be up there and he's like

941

00:38:29,670 --> 00:38:26,400

well

942

00:38:32,550 --> 00:38:29,680

yes and no he knows blank he knows mr

943

00:38:35,349 --> 00:38:32,560

and so and so so i'm leaving he got in

944

00:38:36,950 --> 00:38:35,359

his car and left

945

00:38:39,030 --> 00:38:36,960

so i'm on top of these things with a

946

00:38:41,270 --> 00:38:39,040

rope ladder hanging down

947

00:38:42,630 --> 00:38:41,280

yeah i saw the picture

948

00:38:45,510 --> 00:38:42,640

okay yeah yeah

949

00:38:47,589 --> 00:38:45,520

a car pulled up that night and

950

00:38:50,470 --> 00:38:47,599

okay well two weeks like i said two

951
00:38:53,670 --> 00:38:50,480
weeks before when i met mr massanelli

952
00:38:54,870 --> 00:38:53,680
so two weeks before that

953
00:38:56,390 --> 00:38:54,880
there's two different stone winds

954
00:38:59,430 --> 00:38:56,400
there's i was looking for something that

955
00:39:02,470 --> 00:38:59,440
was in a cornerstone you put in a a

956
00:39:04,550 --> 00:39:03,349
some

957
00:39:06,150 --> 00:39:04,560
coins

958
00:39:08,069 --> 00:39:06,160
uh a rose

959
00:39:10,630 --> 00:39:08,079
and a time capsule

960
00:39:12,550 --> 00:39:10,640
so in every course that we usually put

961
00:39:15,190 --> 00:39:12,560
in those four things so i'm looking for

962
00:39:17,109 --> 00:39:15,200
the time capsule i'm looking for

963
00:39:18,390 --> 00:39:17,119

the four things that are in there i've

964

00:39:19,990 --> 00:39:18,400

already removed the stone and i'm

965

00:39:22,630 --> 00:39:20,000

looking for the other one

966

00:39:24,150 --> 00:39:22,640

so two weeks before i was arrested

967

00:39:26,310 --> 00:39:24,160

we're on top of this thing same

968

00:39:28,150 --> 00:39:26,320

situation it's at night we got the rope

969

00:39:31,270 --> 00:39:28,160

letter hanging down with mr massinelli

970

00:39:34,150 --> 00:39:31,280

is up there with me we got like drills

971

00:39:36,310 --> 00:39:34,160

and lights and [h__\h] cops pull up

972

00:39:37,990 --> 00:39:36,320

they don't do anything

973

00:39:40,950 --> 00:39:38,000

okay they just look at us they shout the

974

00:39:43,910 --> 00:39:40,960

light and they move on

975

00:39:47,349 --> 00:39:43,920

like at least twice they do that

976

00:39:49,109 --> 00:39:47,359

so my article or we don't fund it and

977

00:39:51,270 --> 00:39:49,119

within those two weeks i figured out

978

00:39:53,109 --> 00:39:51,280

we're looking at the wrong spot

979

00:39:54,390 --> 00:39:53,119

we need to be looking at the foundation

980

00:39:56,310 --> 00:39:54,400

because the foundation is where the

981

00:39:58,390 --> 00:39:56,320

cornerstone does well it moves is called

982

00:40:00,390 --> 00:39:58,400

the chief cornerstone

983

00:40:01,670 --> 00:40:00,400

okay two there's two different stones

984

00:40:03,910 --> 00:40:01,680

there's cornerstone and the chief

985

00:40:04,870 --> 00:40:03,920

cornerstone one is at the bottom one is

986

00:40:08,829 --> 00:40:04,880

the top

987

00:40:13,109 --> 00:40:11,510

there two weeks later when i'm figuring

988

00:40:15,109 --> 00:40:13,119

it out when i'm like no we need to be

989

00:40:16,710 --> 00:40:15,119

thinking of the ground let's look at the

990

00:40:18,550 --> 00:40:16,720

cornerstone at the bottom that's where

991

00:40:20,390 --> 00:40:18,560

it is

992

00:40:30,710 --> 00:40:20,400

within five minutes the cops pull up and

993

00:40:34,069 --> 00:40:32,710

well that's interesting

994

00:40:36,309 --> 00:40:34,079

yeah so

995

00:40:37,750 --> 00:40:36,319

tell us about getting caught putting it

996

00:40:39,510 --> 00:40:37,760

back then

997

00:40:41,030 --> 00:40:39,520

i'm still a little unclear on the ritual

998

00:40:42,790 --> 00:40:41,040

or what kind of ritual you were trying

999

00:40:47,270 --> 00:40:42,800

to

1000

00:40:49,030 --> 00:40:47,280

you know it's a learning process you

1001
00:40:51,030 --> 00:40:49,040
know it's been what i was arrested in

1002
00:40:52,710 --> 00:40:51,040
2013 and it's been

1003
00:40:54,470 --> 00:40:52,720
eight years since then i've learned a

1004
00:40:55,349 --> 00:40:54,480
lot since then

1005
00:40:57,510 --> 00:40:55,359
and

1006
00:40:58,630 --> 00:40:57,520
at the time i'm just going with the flow

1007
00:41:01,030 --> 00:40:58,640
you know

1008
00:41:02,870 --> 00:41:01,040
i'm learning as i go this is this is a

1009
00:41:06,309 --> 00:41:02,880
riddle

1010
00:41:08,870 --> 00:41:06,319
there's it's still unsolved

1011
00:41:10,470 --> 00:41:08,880
i haven't figured out the solution to it

1012
00:41:12,950 --> 00:41:10,480
it's still out there

1013
00:41:14,150 --> 00:41:12,960

there's still something out there that

1014

00:41:15,750 --> 00:41:14,160

apparently

1015

00:41:18,829 --> 00:41:15,760

cia

1016

00:41:22,630 --> 00:41:18,839

thinks of it very highly

1017

00:41:26,790 --> 00:41:22,640

and it's buried out there somewhere

1018

00:41:29,910 --> 00:41:28,230

like i said i was going to be digging on

1019

00:41:32,069 --> 00:41:29,920

the ground that night

1020

00:41:34,230 --> 00:41:32,079

and within five minutes when i got there

1021

00:41:35,190 --> 00:41:34,240

no they stopped it

1022

00:41:37,430 --> 00:41:35,200

interesting

1023

00:41:39,510 --> 00:41:37,440

when on every previous point i was there

1024

00:41:42,550 --> 00:41:39,520

and the cops showed up and they just

1025

00:41:43,910 --> 00:41:42,560

kind of let me do what i'm doing

1026

00:41:46,550 --> 00:41:43,920

so

1027

00:41:59,910 --> 00:41:46,560

it out

1028

00:42:03,829 --> 00:42:01,750

okay so the answer to the riddle is

1029

00:42:05,349 --> 00:42:03,839

buried somewhere and you were trying to

1030

00:42:06,630 --> 00:42:05,359

solve the riddle right i mean that's

1031

00:42:09,030 --> 00:42:06,640

reasonable

1032

00:42:10,550 --> 00:42:09,040

that's the first three answers is

1033

00:42:12,550 --> 00:42:10,560

something to bring it up there even says

1034

00:42:13,910 --> 00:42:12,560

that it's buried up there's a chamber in

1035

00:42:15,670 --> 00:42:13,920

the room out there and you know the

1036

00:42:17,990 --> 00:42:15,680

point that crypto's riddle is when i

1037

00:42:20,470 --> 00:42:18,000

remove the stone from the upper left

1038

00:42:23,349 --> 00:42:20,480

i moved a corner from it i could see in

1039

00:42:27,670 --> 00:42:25,829

well that's interesting and then so four

1040

00:42:29,990 --> 00:42:27,680

years later you decide to take the stone

1041

00:42:30,870 --> 00:42:30,000

back and that's when you got arrested

1042

00:42:33,109 --> 00:42:30,880

correct

1043

00:42:35,510 --> 00:42:33,119

and i learned uh the person i was

1044

00:42:36,470 --> 00:42:35,520

working with is no longer here

1045

00:42:38,790 --> 00:42:36,480

which is

1046

00:42:40,790 --> 00:42:38,800

like i said phase two of the riddle

1047

00:42:45,589 --> 00:42:40,800

of the phase two of the ritual the royal

1048

00:42:49,510 --> 00:42:47,109

i'm sorry say that again the death of

1049

00:42:51,430 --> 00:42:49,520

what the highest the highest person in

1050

00:42:53,829 --> 00:42:51,440

charge who

1051
00:42:55,190 --> 00:42:53,839
if you want to look at freemasonry

1052
00:42:56,230 --> 00:42:55,200
wrong with death

1053
00:42:59,430 --> 00:42:56,240
okay

1054
00:43:00,790 --> 00:42:59,440
which is in the bible

1055
00:43:02,870 --> 00:43:00,800
so you

1056
00:43:04,790 --> 00:43:02,880
you you're trying to replace the stone

1057
00:43:06,630 --> 00:43:04,800
and what happens police come while

1058
00:43:08,550 --> 00:43:06,640
you're trying to replace the stone and

1059
00:43:10,710 --> 00:43:08,560
they arrest you no we're trying to

1060
00:43:12,309 --> 00:43:10,720
replace it

1061
00:43:14,550 --> 00:43:12,319
i'm looking in the ground for the other

1062
00:43:15,589 --> 00:43:14,560
stone like i said there's two of them

1063
00:43:16,950 --> 00:43:15,599

okay

1064

00:43:19,190 --> 00:43:16,960

there's a cornerstone and a chief

1065

00:43:20,870 --> 00:43:19,200

cornerstone

1066

00:43:23,589 --> 00:43:20,880

i mean like i said i was figuring i

1067

00:43:39,349 --> 00:43:23,599

figured it out

1068

00:43:42,870 --> 00:43:41,109

but my point is you you get you get

1069

00:43:45,030 --> 00:43:42,880

arrested while what you're digging for

1070

00:43:47,270 --> 00:43:45,040

this other cornerstone i didn't even

1071

00:43:49,750 --> 00:43:47,280

make it to that i had shovels and

1072

00:43:51,510 --> 00:43:49,760

pickaxes and everything

1073

00:43:53,190 --> 00:43:51,520

so they popped you before you started

1074

00:43:56,069 --> 00:43:53,200

digging right

1075

00:43:57,349 --> 00:43:56,079

within five minutes of me getting there

1076

00:43:59,030 --> 00:43:57,359

and like i said

1077

00:44:00,470 --> 00:43:59,040

the previous time before they showed up

1078

00:44:01,589 --> 00:44:00,480

they were like yeah what you're doing oh

1079

00:44:03,750 --> 00:44:01,599

that's cool

1080

00:44:09,030 --> 00:44:03,760

you're in the wrong spot as soon as i

1081

00:44:13,750 --> 00:44:11,670

okay so what happens you you get you get

1082

00:44:15,990 --> 00:44:13,760

arrested for what are they what were the

1083

00:44:17,910 --> 00:44:16,000

actual criminal charges trespassing or

1084

00:44:20,710 --> 00:44:17,920

defacing a public monument or something

1085

00:44:24,390 --> 00:44:20,720

or what what are the actual charges

1086

00:44:26,710 --> 00:44:24,400

correct uh trespassing uh

1087

00:44:27,670 --> 00:44:26,720

see destruction of government property

1088

00:44:29,270 --> 00:44:27,680

and

1089

00:44:31,510 --> 00:44:29,280

so they're saying that this is

1090

00:44:34,230 --> 00:44:31,520

government property then

1091

00:44:38,950 --> 00:44:36,309

yeah somebody asked you on what basis

1092

00:44:40,470 --> 00:44:38,960

did you decide that the government owns

1093

00:44:42,309 --> 00:44:40,480

either the land or the guide stone

1094

00:44:44,150 --> 00:44:42,319

somebody asked in the live chat

1095

00:44:45,589 --> 00:44:44,160

you you made that determination based on

1096

00:44:47,349 --> 00:44:45,599

the criminal charges because they

1097

00:44:49,829 --> 00:44:47,359

charged you with

1098

00:44:51,670 --> 00:44:49,839

destruction on government destruction of

1099

00:44:53,670 --> 00:44:51,680

government property so that's kind of an

1100

00:44:54,950 --> 00:44:53,680

admission that this is government owned

1101

00:44:56,950 --> 00:44:54,960

right

1102

00:44:58,630 --> 00:44:56,960

correct i would take it as that

1103

00:45:00,150 --> 00:44:58,640

trespassing on government property which

1104

00:45:02,550 --> 00:45:00,160

they dropped

1105

00:45:04,150 --> 00:45:02,560

so trespassing on government property

1106

00:45:07,349 --> 00:45:04,160

destruction of government property and

1107

00:45:09,190 --> 00:45:07,359

stealing from government property

1108

00:45:12,069 --> 00:45:09,200

with government

1109

00:45:14,230 --> 00:45:12,079

so what happens you spend a night or a

1110

00:45:17,349 --> 00:45:14,240

week in jail before you bail out or what

1111

00:45:20,710 --> 00:45:17,359

i'm curious i was in there for maybe a

1112

00:45:23,030 --> 00:45:20,720

week wow just because logistics

1113

00:45:25,990 --> 00:45:23,040

you know i was five hours away from home

1114

00:45:28,230 --> 00:45:26,000

oh yeah that makes somebody bailing you

1115

00:45:29,990 --> 00:45:28,240

out a little a little more complicated

1116

00:45:31,750 --> 00:45:30,000

so you get bailed out and then you go to

1117

00:45:34,069 --> 00:45:31,760

court over this right and what do you

1118

00:45:35,430 --> 00:45:34,079

plea do you plead guilty no contest did

1119

00:45:37,030 --> 00:45:35,440

you go to trial

1120

00:45:39,270 --> 00:45:37,040

what was that like

1121

00:45:42,069 --> 00:45:39,280

well there was a hearing i guess or

1122

00:45:43,589 --> 00:45:42,079

sentencing or and i just played fifth

1123

00:45:49,510 --> 00:45:43,599

every question i asked i played the

1124

00:45:54,950 --> 00:45:52,069

the judge asked me it would go to trial

1125

00:45:58,309 --> 00:45:54,960

which means possibility of jail times i

1126

00:46:00,950 --> 00:45:58,319

just took the probation and fled the fed

1127

00:46:03,349 --> 00:46:00,960

okay

1128

00:46:04,870 --> 00:46:03,359

so i gave you three years like probation

1129

00:46:06,710 --> 00:46:04,880

so you didn't actually do jail time

1130

00:46:08,710 --> 00:46:06,720

except for the week though i mean a week

1131

00:46:10,390 --> 00:46:08,720

is long enough if you ask me

1132

00:46:12,470 --> 00:46:10,400

correct but

1133

00:46:14,630 --> 00:46:12,480

the jail time was kind of weird the

1134

00:46:16,710 --> 00:46:14,640

whole town of elberton is weird

1135

00:46:19,829 --> 00:46:16,720

yeah i could imagine a little hick town

1136

00:46:21,270 --> 00:46:19,839

in georgia you know no offense to hicks

1137

00:46:22,069 --> 00:46:21,280

but you know what i mean it's just a

1138

00:46:23,030 --> 00:46:22,079

little

1139

00:46:24,710 --> 00:46:23,040

yeah

1140

00:46:28,630 --> 00:46:24,720

so

1141

00:46:30,550 --> 00:46:28,640

trial you get probation

1142

00:46:32,309 --> 00:46:30,560

and then what you just start researching

1143

00:46:34,470 --> 00:46:32,319

without

1144

00:46:36,150 --> 00:46:34,480

you continue to follow this riddle

1145

00:46:38,230 --> 00:46:36,160

trying to solve it without getting

1146

00:46:41,349 --> 00:46:38,240

yourself in more trouble right

1147

00:46:44,069 --> 00:46:41,359

correct based off of what i'm saying um

1148

00:46:46,069 --> 00:46:44,079

i guess we'll get to the other part

1149

00:46:48,230 --> 00:46:46,079

on top of the northeast pillar when i

1150

00:46:49,750 --> 00:46:48,240

was up there looking around

1151
00:46:51,270 --> 00:46:49,760
whatever

1152
00:46:55,190 --> 00:46:51,280
there's a

1153
00:46:58,870 --> 00:46:55,200
the northeast pillar

1154
00:47:01,990 --> 00:46:58,880
and next to the hole was a dish

1155
00:47:04,870 --> 00:47:02,000
like carved into it's like a bowl right

1156
00:47:07,910 --> 00:47:04,880
so it's carved into the granite and

1157
00:47:11,109 --> 00:47:07,920
next to the dish is like a keyhole it's

1158
00:47:12,870 --> 00:47:11,119
about eight inches deep

1159
00:47:14,470 --> 00:47:12,880
and it's not

1160
00:47:17,349 --> 00:47:14,480
it's not any kind of construction

1161
00:47:19,030 --> 00:47:17,359
element it's not like any kind of like

1162
00:47:20,790 --> 00:47:19,040
something that you use to pull on the

1163
00:47:21,990 --> 00:47:20,800

thing operating because it's not on any

1164

00:47:26,710 --> 00:47:22,000

other

1165

00:47:30,390 --> 00:47:28,309

okay so what do you think the purpose of

1166

00:47:33,030 --> 00:47:30,400

that is

1167

00:47:37,990 --> 00:47:36,470

well it's about ten commandments

1168

00:47:39,030 --> 00:47:38,000

you have ten commandments as soon as

1169

00:47:40,549 --> 00:47:39,040

done

1170

00:47:41,589 --> 00:47:40,559

i'll just get right to it there's a key

1171

00:47:43,349 --> 00:47:41,599

hole

1172

00:47:45,750 --> 00:47:43,359

which is like it's about eight like i

1173

00:47:48,309 --> 00:47:45,760

said eight inches deep into the ground

1174

00:47:49,109 --> 00:47:48,319

and the next two is a dish

1175

00:47:49,990 --> 00:47:49,119

so

1176

00:47:52,230 --> 00:47:50,000

maybe

1177

00:47:55,349 --> 00:47:52,240

perhaps this is my speculation a rod

1178

00:47:58,870 --> 00:47:57,270

some sort of substance goes into the

1179

00:48:00,870 --> 00:47:58,880

dish

1180

00:48:02,150 --> 00:48:00,880

well that's interesting so what purpose

1181

00:48:05,030 --> 00:48:02,160

do you think that would have though some

1182

00:48:07,190 --> 00:48:05,040

kind of ritualistic purpose

1183

00:48:09,270 --> 00:48:07,200

it was back to what i said it's the

1184

00:48:11,510 --> 00:48:09,280

first phase is removal of the stone the

1185

00:48:13,670 --> 00:48:11,520

second one is the death of the highest

1186

00:48:16,069 --> 00:48:13,680

dude and the third one is the ark of the

1187

00:48:18,470 --> 00:48:16,079

covenant

1188

00:48:21,030 --> 00:48:18,480

well it gets this is getting crazier and

1189

00:48:23,030 --> 00:48:21,040

crazier so this is my speculation of it

1190

00:48:24,230 --> 00:48:23,040

so okay look at the covenant supposedly

1191

00:48:25,990 --> 00:48:24,240

the remains

1192

00:48:27,589 --> 00:48:26,000

or what was said to be in the ark of the

1193

00:48:30,309 --> 00:48:27,599

covenant is a rod

1194

00:48:34,230 --> 00:48:30,319

and the flask of manna which is powder

1195

00:48:34,950 --> 00:48:34,240

and remains of ten commandments

1196

00:48:37,829 --> 00:48:34,960

on

1197

00:48:40,150 --> 00:48:37,839

commandments

1198

00:48:42,710 --> 00:48:40,160

a keyhole and a dish

1199

00:48:45,190 --> 00:48:42,720

that's not on the other ones

1200

00:48:48,870 --> 00:48:45,200

on the northeast corner

1201
00:48:51,030 --> 00:48:48,880
highly significant to those people

1202
00:48:53,109 --> 00:48:51,040
interesting so

1203
00:48:54,870 --> 00:48:53,119
you think that that if you put a rod in

1204
00:48:57,589 --> 00:48:54,880
there and some kind of substance in the

1205
00:48:58,790 --> 00:48:57,599
dish that something happens maybe

1206
00:49:00,230 --> 00:48:58,800
correct

1207
00:49:02,390 --> 00:49:00,240
what do you think happens like did

1208
00:49:05,030 --> 00:49:02,400
stones open up or something or

1209
00:49:06,069 --> 00:49:05,040
portal to another dimension i mean what

1210
00:49:08,230 --> 00:49:06,079
what

1211
00:49:10,710 --> 00:49:08,240
i have no clue that part of the real was

1212
00:49:12,390 --> 00:49:10,720
like not

1213
00:49:17,589 --> 00:49:12,400

it's

1214

00:49:19,430 --> 00:49:17,599

observation of you know what's going on

1215

00:49:21,910 --> 00:49:19,440

and have you seen the stain that was on

1216

00:49:23,109 --> 00:49:21,920

there it was like a stain yeah what was

1217

00:49:24,710 --> 00:49:23,119

that about

1218

00:49:26,790 --> 00:49:24,720

okay well if you look at the stain if

1219

00:49:29,349 --> 00:49:26,800

you look at it you just pause it look at

1220

00:49:31,990 --> 00:49:29,359

it look at the stills of it

1221

00:49:34,230 --> 00:49:32,000

it's simply pouring over that one corner

1222

00:49:35,109 --> 00:49:34,240

that northeast pillar what i'm talking

1223

00:49:37,349 --> 00:49:35,119

about

1224

00:49:39,670 --> 00:49:37,359

where i'll remove the stone it seemed to

1225

00:49:41,910 --> 00:49:39,680

flow right over that corner

1226

00:49:43,589 --> 00:49:41,920

and then cleaned it sent us but

1227

00:49:46,790 --> 00:49:43,599

before they cleaned it it was like just

1228

00:49:47,829 --> 00:49:46,800

black tar and like red reddish kind of

1229

00:49:48,790 --> 00:49:47,839

tent

1230

00:49:52,790 --> 00:49:48,800

yeah

1231

00:49:54,870 --> 00:49:52,800

corner

1232

00:49:56,790 --> 00:49:54,880

and we're looking at i'm i'm showing

1233

00:49:59,030 --> 00:49:56,800

images right now of all the people that

1234

00:50:00,710 --> 00:49:59,040

like graffiti on it there's like f the

1235

00:50:03,030 --> 00:50:00,720

nwo

1236

00:50:04,870 --> 00:50:03,040

the elite one eighty percent of us dead

1237

00:50:06,870 --> 00:50:04,880

sea number one

1238

00:50:08,950 --> 00:50:06,880

council on foreign relations is

1239

00:50:11,030 --> 00:50:08,960

controlled by the devil you will not

1240

00:50:14,069 --> 00:50:11,040

succeed jesus will

1241

00:50:15,589 --> 00:50:14,079

beat you satanist um is that's pretty

1242

00:50:17,589 --> 00:50:15,599

common occurrence do they think you

1243

00:50:21,430 --> 00:50:17,599

gotta like employ somebody to clean all

1244

00:50:24,230 --> 00:50:22,470

uh

1245

00:50:26,069 --> 00:50:24,240

somebody maintains this thing right they

1246

00:50:27,109 --> 00:50:26,079

clean it when people when people come

1247

00:50:28,870 --> 00:50:27,119

out

1248

00:50:30,230 --> 00:50:28,880

yeah of course

1249

00:50:32,150 --> 00:50:30,240

well that's interesting so they just

1250

00:50:34,470 --> 00:50:32,160

pressure wash the graffiti off every

1251

00:50:36,309 --> 00:50:34,480

once in a while i would assume right

1252

00:50:39,030 --> 00:50:36,319

yeah they've actually taken down the

1253

00:50:40,950 --> 00:50:39,040

holly bushes they put up a fence

1254

00:50:42,950 --> 00:50:40,960

interesting and this is somewhat of

1255

00:50:44,870 --> 00:50:42,960

course of a you know it's a little

1256

00:50:46,950 --> 00:50:44,880

nothing town in the middle of georgia

1257

00:50:49,750 --> 00:50:46,960

nowhere but this has become something of

1258

00:50:51,670 --> 00:50:49,760

a tourist attraction for them right

1259

00:50:52,549 --> 00:50:51,680

some people say that's why the stones

1260

00:50:55,510 --> 00:50:52,559

are there

1261

00:50:59,990 --> 00:50:58,069

it's all just yeah it's all just a goof

1262

00:51:02,390 --> 00:51:00,000

almost right just to get people to go to

1263

00:51:03,829 --> 00:51:02,400

the town and spend some money right

1264

00:51:06,150 --> 00:51:03,839

yeah yeah

1265

00:51:09,430 --> 00:51:06,160

some people think that and sure

1266

00:51:10,790 --> 00:51:09,440

maybe i mean it does do that i mean most

1267

00:51:13,030 --> 00:51:10,800

people that go there just kind of look

1268

00:51:14,470 --> 00:51:13,040

at it take pictures and spend money and

1269

00:51:16,069 --> 00:51:14,480

leave

1270

00:51:17,910 --> 00:51:16,079

yeah it's not much to see right you're

1271

00:51:19,990 --> 00:51:17,920

done in 10 minutes you you go to the

1272

00:51:21,430 --> 00:51:20,000

site you look at it you read the

1273

00:51:23,990 --> 00:51:21,440

inscriptions

1274

00:51:25,510 --> 00:51:24,000

you marvel at why somebody would spend

1275

00:51:27,430 --> 00:51:25,520

this kind of money to put a bunch of

1276

00:51:28,470 --> 00:51:27,440

granite blocks with inscriptions and

1277

00:51:30,470 --> 00:51:28,480

weird

1278

00:51:31,430 --> 00:51:30,480

symbolism on it and then you go home

1279

00:51:33,829 --> 00:51:31,440

right

1280

00:51:39,030 --> 00:51:36,470

that's that's fine that's you know

1281

00:51:43,270 --> 00:51:40,870

so it could just be one big booth to get

1282

00:51:46,230 --> 00:51:43,280

dumb tourists to spend money right

1283

00:51:48,150 --> 00:51:46,240

i mean that's a possibility right

1284

00:51:50,150 --> 00:51:48,160

yeah but i don't think so

1285

00:51:51,270 --> 00:51:50,160

obviously not obviously i don't think so

1286

00:51:52,309 --> 00:51:51,280

but

1287

00:51:54,309 --> 00:51:52,319

you know

1288

00:51:58,309 --> 00:51:54,319

i come from a different point of view

1289

00:52:02,069 --> 00:52:00,150

okay well here's another thing the

1290

00:52:04,870 --> 00:52:02,079

stones you know are the oracles you know

1291

00:52:06,150 --> 00:52:04,880

what oracle is yes for sure okay

1292

00:52:07,349 --> 00:52:06,160

if you're looking at the stones from

1293

00:52:09,430 --> 00:52:07,359

like if you're standing there just

1294

00:52:11,589 --> 00:52:09,440

looking at them they're split face they

1295

00:52:14,790 --> 00:52:11,599

kind of they're 19 foot tall they kind

1296

00:52:16,470 --> 00:52:14,800

of curve around each side so that's they

1297

00:52:17,990 --> 00:52:16,480

felt like in nature

1298

00:52:19,750 --> 00:52:18,000

if you look at on that kind of split

1299

00:52:21,349 --> 00:52:19,760

phase salad

1300

00:52:22,710 --> 00:52:21,359

they're phallic stones okay like

1301
00:52:25,430 --> 00:52:22,720
stonehenge

1302
00:52:27,670 --> 00:52:25,440
it's like a phallic like male masculine

1303
00:52:30,069 --> 00:52:27,680
looking thing

1304
00:52:30,829 --> 00:52:30,079
but it's also feminine because if you

1305
00:52:34,790 --> 00:52:30,839
look at

1306
00:52:36,630 --> 00:52:34,800
aspects of the stone we do four

1307
00:52:38,790 --> 00:52:36,640
different limbs right and there's one

1308
00:52:40,230 --> 00:52:38,800
center part

1309
00:52:42,150 --> 00:52:40,240
okay and there's a there's a hole

1310
00:52:44,710 --> 00:52:42,160
drilled in the center section that

1311
00:52:46,470 --> 00:52:44,720
points to polaris but don't start

1312
00:52:48,950 --> 00:52:46,480
so if you're standing there on the south

1313
00:52:51,829 --> 00:52:48,960

side of it looking up

1314

00:52:53,589 --> 00:52:51,839

towards the north you can see polaris

1315

00:52:55,190 --> 00:52:53,599

but if you look at it from a

1316

00:52:56,390 --> 00:52:55,200

metaphysical aspect how much i've

1317

00:52:59,109 --> 00:52:56,400

already explained

1318

00:53:00,710 --> 00:52:59,119

but that centerpiece isn't spawning it

1319

00:53:02,549 --> 00:53:00,720

has a hole drilled to it and it goes

1320

00:53:05,910 --> 00:53:02,559

from the north and the southwest

1321

00:53:08,950 --> 00:53:05,920

higher elevation from the north south

1322

00:53:10,630 --> 00:53:08,960

that's your digestive system that's your

1323

00:53:12,309 --> 00:53:10,640

that's your you know

1324

00:53:15,109 --> 00:53:12,319

what you eat there's a hole there's an

1325

00:53:17,910 --> 00:53:15,119

opening in your center spine

1326

00:53:19,430 --> 00:53:17,920

okay and there's four limbs right

1327

00:53:21,910 --> 00:53:19,440

it's kind of like the davinci drum right

1328

00:53:23,589 --> 00:53:21,920

here we've got the four of them's out

1329

00:53:25,349 --> 00:53:23,599

okay one

1330

00:53:26,950 --> 00:53:25,359

in the capstone there's a whole drill

1331

00:53:28,390 --> 00:53:26,960

through the center but it's not in the

1332

00:53:30,390 --> 00:53:28,400

center it's not it's a little bit on the

1333

00:53:31,750 --> 00:53:30,400

southern face inside

1334

00:53:33,430 --> 00:53:31,760

because of the center pillar it's kind

1335

00:53:34,549 --> 00:53:33,440

of clear that

1336

00:53:36,630 --> 00:53:34,559

so there's a hole in it that's your

1337

00:53:38,630 --> 00:53:36,640

navel

1338

00:53:40,069 --> 00:53:38,640

so if you look at if you're looking on

1339

00:53:42,150 --> 00:53:40,079

the southern side you look up and you

1340

00:53:44,710 --> 00:53:42,160

see that hole there's this there's a

1341

00:53:45,910 --> 00:53:44,720

shave smooth sport on spot on it and

1342

00:53:49,190 --> 00:53:45,920

it's kind of like got this little

1343

00:53:52,230 --> 00:53:51,270

so it's masculine and feminine at the

1344

00:53:53,990 --> 00:53:52,240

same time

1345

00:53:55,270 --> 00:53:54,000

type of deal it's like a body it's a

1346

00:53:56,870 --> 00:53:55,280

human body

1347

00:53:59,109 --> 00:53:56,880

pretty much well that's pretty

1348

00:54:02,390 --> 00:53:59,119

interesting so this thing is just filled

1349

00:54:03,270 --> 00:54:02,400

with symbolism and you you're mentioning

1350

00:54:05,510 --> 00:54:03,280

i guess

1351

00:54:07,589 --> 00:54:05,520

we should explore that a little bit so

1352

00:54:10,470 --> 00:54:07,599

this the guide stones are aligned with

1353

00:54:14,390 --> 00:54:10,480

the stars and the sun in a pretty

1354

00:54:17,030 --> 00:54:14,400

perfect precise manner right i mean

1355

00:54:18,870 --> 00:54:17,040

these had to be placed exactly in the

1356

00:54:20,549 --> 00:54:18,880

right place for these

1357

00:54:21,510 --> 00:54:20,559

astrological

1358

00:54:24,549 --> 00:54:21,520

you know

1359

00:54:27,190 --> 00:54:24,559

alignments to be there and for the

1360

00:54:31,430 --> 00:54:27,200

for the sun to go through the the center

1361

00:54:34,470 --> 00:54:33,430

now it's been said that this is supposed

1362

00:54:37,030 --> 00:54:34,480

to be

1363

00:54:38,470 --> 00:54:37,040

like a solar calendar

1364

00:54:41,190 --> 00:54:38,480

and some other things

1365

00:54:43,030 --> 00:54:41,200

right like

1366

00:54:44,789 --> 00:54:43,040

i'm a little confused as to why that

1367

00:54:46,950 --> 00:54:44,799

would be important but do you think it's

1368

00:54:49,109 --> 00:54:46,960

just part of the symbolism to align it

1369

00:54:50,710 --> 00:54:49,119

with the stars kind of like people talk

1370

00:54:52,950 --> 00:54:50,720

about the pyramids being aligned with

1371

00:54:54,309 --> 00:54:52,960

the stars

1372

00:54:55,430 --> 00:54:54,319

well it could be uh what you were

1373

00:54:57,030 --> 00:54:55,440

talking about

1374

00:54:58,390 --> 00:54:57,040

the very beginning there's some kind of

1375

00:55:00,630 --> 00:54:58,400

accident that happens

1376
00:55:01,750 --> 00:55:00,640
so we don't have digital launches or we

1377
00:55:03,190 --> 00:55:01,760
don't have

1378
00:55:04,789 --> 00:55:03,200
a way to keep

1379
00:55:06,630 --> 00:55:04,799
keep trying at least you'll know when

1380
00:55:08,390 --> 00:55:06,640
noon is every day right and have you

1381
00:55:09,990 --> 00:55:08,400
been there at noon when the sun shines

1382
00:55:10,870 --> 00:55:10,000
through there is it is it cool to see

1383
00:55:14,309 --> 00:55:10,880
that

1384
00:55:15,829 --> 00:55:14,319
yeah yeah it's cool

1385
00:55:17,349 --> 00:55:15,839
i think that would be the coolest part

1386
00:55:20,390 --> 00:55:17,359
you got to be there at noon to see the

1387
00:55:22,230 --> 00:55:20,400
sun shine through that keyhole thing

1388
00:55:24,069 --> 00:55:22,240

very interesting

1389

00:55:26,710 --> 00:55:24,079

it's definitely um

1390

00:55:27,990 --> 00:55:26,720

type of oracle-ish like future telling

1391

00:55:29,990 --> 00:55:28,000

like

1392

00:55:31,910 --> 00:55:30,000

maybe the digital goes down maybe all

1393

00:55:34,230 --> 00:55:31,920

your electrical goes out and they could

1394

00:55:35,510 --> 00:55:34,240

go back to the ark of the covenant which

1395

00:55:37,910 --> 00:55:35,520

my thing is

1396

00:55:38,789 --> 00:55:37,920

the covenant's a capacitor

1397

00:55:40,549 --> 00:55:38,799

because

1398

00:55:42,789 --> 00:55:40,559

i've heard that many many times or an

1399

00:55:44,150 --> 00:55:42,799

energy source yeah a lot of people think

1400

00:55:46,870 --> 00:55:44,160

the arc of the covenant might have had a

1401
00:55:48,390 --> 00:55:46,880
nuclear energy device in it somehow no

1402
00:55:49,670 --> 00:55:48,400
no

1403
00:55:51,349 --> 00:55:49,680
a bolt of lightning yeah well

1404
00:55:53,270 --> 00:55:51,359
religiously a bolt of lightning but i've

1405
00:55:54,549 --> 00:55:53,280
heard other people theorize that the ark

1406
00:55:55,829 --> 00:55:54,559
of the covenant might have been a

1407
00:55:58,390 --> 00:55:55,839
container for

1408
00:55:59,270 --> 00:55:58,400
a nuclear power source somehow

1409
00:56:01,030 --> 00:55:59,280
because

1410
00:56:02,950 --> 00:56:01,040
the effects when people

1411
00:56:07,030 --> 00:56:02,960
opened it you know they could get sick

1412
00:56:08,789 --> 00:56:07,040
and die quickly could be from radiation

1413
00:56:11,270 --> 00:56:08,799

a capacitor is not a battery a battery

1414

00:56:13,670 --> 00:56:11,280

you can you can keep going to it

1415

00:56:15,670 --> 00:56:13,680

it releases everything at once yeah it's

1416

00:56:17,589 --> 00:56:15,680

like yeah you can't you can't be next to

1417

00:56:19,270 --> 00:56:17,599

it

1418

00:56:20,870 --> 00:56:19,280

from one

1419

00:56:23,510 --> 00:56:20,880

one very small influence i don't think

1420

00:56:24,309 --> 00:56:23,520

you know it charges batteries but pushes

1421

00:56:25,589 --> 00:56:24,319

out

1422

00:56:27,510 --> 00:56:25,599

energy to

1423

00:56:28,950 --> 00:56:27,520

receivers so

1424

00:56:31,109 --> 00:56:28,960

and you could charge it up with a bolt

1425

00:56:33,190 --> 00:56:31,119

of lightning if you use a rod

1426

00:56:35,589 --> 00:56:33,200

if you want that rod with

1427

00:56:37,510 --> 00:56:35,599

you know gold cord or whatever and

1428

00:56:39,990 --> 00:56:37,520

charge it through the box maybe you have

1429

00:56:43,589 --> 00:56:40,000

two stones in there that no

1430

00:56:44,630 --> 00:56:43,599

separate ways like cassette player

1431

00:56:47,349 --> 00:56:44,640

uh

1432

00:56:49,349 --> 00:56:47,359

oh no that's

1433

00:56:50,630 --> 00:56:49,359

yeah and and you've been there a lot

1434

00:56:55,190 --> 00:56:50,640

like

1435

00:56:56,789 --> 00:56:55,200

wiccans and they do rituals and stuff

1436

00:56:58,710 --> 00:56:56,799

i've heard and

1437

00:56:59,910 --> 00:56:58,720

every single moment every full moon

1438

00:57:01,510 --> 00:56:59,920

there's a bunch of people there doing

1439

00:57:03,990 --> 00:57:01,520

rituals really

1440

00:57:06,230 --> 00:57:04,000

yes that's what do you think what is the

1441

00:57:08,470 --> 00:57:06,240

purpose of of them doing that what are

1442

00:57:12,230 --> 00:57:08,480

they what is the significance of holding

1443

00:57:16,870 --> 00:57:14,470

all right well from what i was told is

1444

00:57:21,030 --> 00:57:18,710

there's a there's a

1445

00:57:22,390 --> 00:57:21,040

so-called red wizard that stands on top

1446

00:57:25,270 --> 00:57:22,400

of the stones

1447

00:57:26,950 --> 00:57:25,280

he dresses in red and

1448

00:57:29,349 --> 00:57:26,960

he leads a procession

1449

00:57:31,349 --> 00:57:29,359

of what he calls or what they call white

1450

00:57:33,270 --> 00:57:31,359

tips people that dress in white it's

1451

00:57:34,950 --> 00:57:33,280

like germans

1452

00:57:37,349 --> 00:57:34,960

okay so there's people that dress in

1453

00:57:38,710 --> 00:57:37,359

white around the stones there's one guy

1454

00:57:40,470 --> 00:57:38,720

on top

1455

00:57:43,270 --> 00:57:40,480

that stands in red

1456

00:57:44,950 --> 00:57:43,280

they do it from the full moon because

1457

00:57:49,829 --> 00:57:44,960

the red represents

1458

00:57:53,030 --> 00:57:49,839

um a prick of blood when you like

1459

00:57:55,910 --> 00:57:53,040

the full moon is the ovulating uh

1460

00:57:57,589 --> 00:57:55,920

obviously one the undulating

1461

00:58:00,470 --> 00:57:57,599

egg so

1462

00:58:02,230 --> 00:58:00,480

and the white tips around it are the

1463

00:58:03,990 --> 00:58:02,240

sperm that are wanting to

1464

00:58:05,670 --> 00:58:04,000

pierce the moon

1465

00:58:07,990 --> 00:58:05,680

and the red represents the freaking

1466

00:58:09,589 --> 00:58:08,000

blood what happens when parents are

1467

00:58:12,630 --> 00:58:09,599

ovulating

1468

00:58:14,230 --> 00:58:12,640

so yeah they do whatever every full moon

1469

00:58:15,430 --> 00:58:14,240

you know that's interesting and somehow

1470

00:58:17,349 --> 00:58:15,440

they're allowed to just hold these

1471

00:58:20,390 --> 00:58:17,359

religious rituals there the police don't

1472

00:58:23,750 --> 00:58:20,400

interfere or care

1473

00:58:25,349 --> 00:58:23,760

that none of everybody's involved

1474

00:58:27,030 --> 00:58:25,359

so what do you think the whole town's in

1475

00:58:29,109 --> 00:58:27,040

on this somehow and they're the ones

1476

00:58:30,549 --> 00:58:29,119

doing the rituals

1477

00:58:33,510 --> 00:58:30,559

i know it

1478

00:58:36,150 --> 00:58:33,520

oh that's juicy so what the local police

1479

00:58:37,670 --> 00:58:36,160

the local the local government are in on

1480

00:58:39,910 --> 00:58:37,680

these rituals

1481

00:58:42,069 --> 00:58:39,920

all of them

1482

00:58:43,589 --> 00:58:42,079

interesting and what what what what do

1483

00:58:46,150 --> 00:58:43,599

you think they are are they like are

1484

00:58:53,990 --> 00:58:46,160

they like trying to be magicians or

1485

00:58:57,589 --> 00:58:55,990

there's many different names but the

1486

00:58:59,430 --> 00:58:57,599

names don't meet yet those are

1487

00:59:00,630 --> 00:58:59,440

christians

1488

00:59:02,150 --> 00:59:00,640

i mean

1489

00:59:15,510 --> 00:59:02,160

they're just they're trying to pierce

1490

00:59:18,710 --> 00:59:17,030

have you ever tried to confront the

1491

00:59:20,230 --> 00:59:18,720

local officials about what the purpose

1492

00:59:21,910 --> 00:59:20,240

of their rituals is or what they're

1493

00:59:25,589 --> 00:59:21,920

trying to accomplish with these rituals

1494

00:59:28,230 --> 00:59:25,599

or did you kind of just back off of that

1495

00:59:29,670 --> 00:59:28,240

they scared me

1496

00:59:33,349 --> 00:59:29,680

they scare you

1497

00:59:34,950 --> 00:59:33,359

well scared but you know

1498

00:59:36,150 --> 00:59:34,960

i see what they'll learn you know i

1499

00:59:38,150 --> 00:59:36,160

don't want to push up against them

1500

00:59:40,549 --> 00:59:38,160

unless i have

1501
00:59:42,630 --> 00:59:40,559
it's way behind me me just a long one

1502
00:59:44,309 --> 00:59:42,640
not gonna happen

1503
00:59:46,870 --> 00:59:44,319
so this story just gets stranger and

1504
00:59:49,589 --> 00:59:46,880
stranger so a mysterious

1505
00:59:51,349 --> 00:59:49,599
person or group of persons

1506
00:59:53,190 --> 00:59:51,359
paid to have this thing commissioned pay

1507
00:59:54,710 --> 00:59:53,200
to have it erected

1508
00:59:56,630 --> 00:59:54,720
and now you're you're telling me that

1509
00:59:59,510 --> 00:59:56,640
you believe that the local police and

1510
01:00:00,549 --> 00:59:59,520
government are in on some kind of

1511
01:00:03,829 --> 01:00:00,559
i don't know

1512
01:00:05,910 --> 01:00:03,839
is it masonic rituals satanic rituals

1513
01:00:08,069 --> 01:00:05,920

you say that it's just

1514

01:00:10,950 --> 01:00:08,079

i'm not saying they're in on it i'm

1515

01:00:11,829 --> 01:00:10,960

saying they know about it oh okay

1516

01:00:14,549 --> 01:00:11,839

and

1517

01:00:16,309 --> 01:00:14,559

it happens so i'm not saying everybody's

1518

01:00:18,150 --> 01:00:16,319

there with it but

1519

01:00:20,069 --> 01:00:18,160

they all know what happens if you drive

1520

01:00:21,829 --> 01:00:20,079

by there it's like it's not middle of

1521

01:00:23,910 --> 01:00:21,839

nowhere but to

1522

01:00:25,270 --> 01:00:23,920

maybe on a full moon well i'm glad you

1523

01:00:26,950 --> 01:00:25,280

told me this because i've been wanting

1524

01:00:28,870 --> 01:00:26,960

to visit there for a long time and i

1525

01:00:31,430 --> 01:00:28,880

think if i drive down i'm going to make

1526

01:00:34,390 --> 01:00:31,440

sure that i drive down

1527

01:00:36,069 --> 01:00:34,400

uh during a full moon and be there for

1528

01:00:40,950 --> 01:00:36,079

the full moon to watch

1529

01:00:44,950 --> 01:00:42,870

that could be my alex jones at the

1530

01:00:49,190 --> 01:00:44,960

bohemian grove moment man i can get them

1531

01:00:49,200 --> 01:00:52,390

yeah

1532

01:00:57,190 --> 01:00:54,710

he does the articles in the 2014 cube

1533

01:00:59,270 --> 01:00:57,200

that you talked about every now and then

1534

01:01:03,510 --> 01:00:59,280

like i want to go on that but

1535

01:01:07,990 --> 01:01:05,349

yeah somebody here in the live chat is

1536

01:01:10,390 --> 01:01:08,000

suggesting that i send a drone in

1537

01:01:12,870 --> 01:01:10,400

a camera drone right

1538

01:01:14,549 --> 01:01:12,880

yeah i mean i've talked about that how

1539

01:01:16,549 --> 01:01:14,559

many how many times have you been there

1540

01:01:18,870 --> 01:01:16,559

at the full moon though does this really

1541

01:01:20,150 --> 01:01:18,880

happen every single full moon there's a

1542

01:01:22,710 --> 01:01:20,160

bunch of like

1543

01:01:25,270 --> 01:01:22,720

people in robes doing a ritual there and

1544

01:01:26,870 --> 01:01:25,280

nobody got pictures

1545

01:01:29,910 --> 01:01:26,880

i won't clarify that i've never been

1546

01:01:31,670 --> 01:01:29,920

there but i've been told okay so the

1547

01:01:34,309 --> 01:01:31,680

second hand okay

1548

01:01:36,150 --> 01:01:34,319

the person that i was close with who i

1549

01:01:37,589 --> 01:01:36,160

told the cops i'm looking for and they

1550

01:01:40,150 --> 01:01:37,599

walked away

1551

01:01:41,510 --> 01:01:40,160

that's the person who told me about it

1552

01:01:43,670 --> 01:01:41,520

and

1553

01:01:45,910 --> 01:01:43,680

when i got out of jail on that bail

1554

01:01:49,030 --> 01:01:45,920

bondsman lady that they know she was

1555

01:01:50,390 --> 01:01:49,040

talking to me and my cousin was there

1556

01:01:51,109 --> 01:01:50,400

she was wanting to know what was going

1557

01:01:59,510 --> 01:01:51,119

on

1558

01:02:03,109 --> 01:01:59,520

yeah

1559

01:02:04,950 --> 01:02:03,119

i've heard of it but stranger things

1560

01:02:07,270 --> 01:02:04,960

have happened you know strange things

1561

01:02:08,710 --> 01:02:07,280

happen

1562

01:02:10,470 --> 01:02:08,720

for sure

1563

01:02:12,630 --> 01:02:10,480

i want to thank patrick sheehan for kind

1564

01:02:14,309 --> 01:02:12,640

of generous 4.99 super sticker thank you

1565

01:02:16,549 --> 01:02:14,319

for your kindness your generosity and

1566

01:02:19,109 --> 01:02:16,559

your support it really does help move

1567

01:02:21,109 --> 01:02:19,119

the show forward and and helps us to do

1568

01:02:24,069 --> 01:02:21,119

great content like this about strange

1569

01:02:27,109 --> 01:02:24,079

and mysterious and esoteric subjects

1570

01:02:29,029 --> 01:02:27,119

so will i got to ask you then

1571

01:02:30,789 --> 01:02:29,039

what's next for you are you really still

1572

01:02:32,870 --> 01:02:30,799

trying to solve this riddle uh you're

1573

01:02:33,750 --> 01:02:32,880

like you seem like really

1574

01:02:35,349 --> 01:02:33,760

like

1575

01:02:37,109 --> 01:02:35,359

i don't want to say obsessed with this

1576

01:02:39,109 --> 01:02:37,119

monument but it's taking up a lot of

1577

01:02:41,510 --> 01:02:39,119

your time and energy right and i mean

1578

01:02:43,430 --> 01:02:41,520

you got arrested over it so you have to

1579

01:02:46,829 --> 01:02:43,440

have a lot of passion to be willing to

1580

01:02:49,990 --> 01:02:46,839

risk a rest to solve this

1581

01:02:52,549 --> 01:02:50,000

mystery well i've never been there since

1582

01:02:54,870 --> 01:02:52,559

so since my you know court date or

1583

01:02:56,549 --> 01:02:54,880

whatever i've never been there since and

1584

01:02:57,990 --> 01:02:56,559

did they order you to stay away from it

1585

01:03:01,029 --> 01:02:58,000

or anything like that

1586

01:03:02,549 --> 01:03:01,039

no of course not no oh okay

1587

01:03:06,470 --> 01:03:02,559

but

1588

01:03:08,470 --> 01:03:06,480

i mean

1589

01:03:10,549 --> 01:03:08,480

it's always in my mind of course you

1590

01:03:12,069 --> 01:03:10,559

know when you have something like that

1591

01:03:15,349 --> 01:03:12,079

you spend a week in jail for something

1592

01:03:18,230 --> 01:03:15,359

over moving a piece of stone

1593

01:03:19,750 --> 01:03:18,240

yeah it's on my mind a lot you know

1594

01:03:21,349 --> 01:03:19,760

i thought about writing a book about it

1595

01:03:23,190 --> 01:03:21,359

actually

1596

01:03:24,950 --> 01:03:23,200

there was a movie made about it it's

1597

01:03:27,750 --> 01:03:24,960

called provenance

1598

01:03:28,950 --> 01:03:27,760

404. if you want to look that up

1599

01:03:32,230 --> 01:03:28,960

okay

1600

01:03:34,309 --> 01:03:32,240

providence 404 yeah tell us about that

1601
01:03:35,349 --> 01:03:34,319
okay well these dudes in

1602
01:03:41,430 --> 01:03:35,359
florida

1603
01:03:44,470 --> 01:03:41,440
was living at the time

1604
01:03:47,190 --> 01:03:44,480
these dudes made a movie about it um

1605
01:03:48,309 --> 01:03:47,200
georgia guy stones and a red wizard and

1606
01:03:51,990 --> 01:03:48,319
a cube

1607
01:03:58,390 --> 01:03:54,230
okay i think it's a provenance like with

1608
01:04:03,589 --> 01:04:00,710
so the biggest movie about the georgia

1609
01:04:05,109 --> 01:04:03,599
guy stones a dude is in jail

1610
01:04:06,069 --> 01:04:05,119
a red wizard

1611
01:04:08,870 --> 01:04:06,079
and

1612
01:04:10,150 --> 01:04:08,880
all kinds of crazy stuff

1613
01:04:12,549 --> 01:04:10,160

i got in touch with them when they were

1614

01:04:14,470 --> 01:04:12,559

making it i'm like hey man

1615

01:04:18,630 --> 01:04:14,480

this story sounds a little familiar

1616

01:04:20,789 --> 01:04:18,640

yeah i'm a guy in jail yeah right yeah

1617

01:04:23,510 --> 01:04:20,799

even the movie toaster is a red wizard

1618

01:04:25,109 --> 01:04:23,520

holding a cube

1619

01:04:26,950 --> 01:04:25,119

what is the name of the movie again is

1620

01:04:35,270 --> 01:04:26,960

providence

1621

01:04:38,710 --> 01:04:36,950

yeah i'm having trouble finding it it's

1622

01:04:40,069 --> 01:04:38,720

okay it's probably like a small indie

1623

01:04:42,789 --> 01:04:40,079

film right yeah it looks like it was

1624

01:04:43,990 --> 01:04:42,799

like andy film but it wasn't like uh

1625

01:04:46,309 --> 01:04:44,000

some kind of

1626

01:04:47,190 --> 01:04:46,319

best florida movie but

1627

01:04:48,390 --> 01:04:47,200

you know

1628

01:04:52,309 --> 01:04:48,400

these two

1629

01:04:57,750 --> 01:04:55,670

somebody owes you some money right

1630

01:04:59,190 --> 01:04:57,760

let me send you a link later

1631

01:05:00,710 --> 01:04:59,200

yeah i'm having trouble finding it i'd

1632

01:05:02,710 --> 01:05:00,720

like to i'd love to see that that would

1633

01:05:04,710 --> 01:05:02,720

be interesting so

1634

01:05:06,549 --> 01:05:04,720

you know like i said that like

1635

01:05:08,549 --> 01:05:06,559

you you haven't been back since your

1636

01:05:10,470 --> 01:05:08,559

arrest and all that stuff you know i

1637

01:05:12,230 --> 01:05:10,480

don't blame you that caused a lot of

1638

01:05:13,750 --> 01:05:12,240

trouble in your life i'm sure right i

1639

01:05:15,190 --> 01:05:13,760

mean

1640

01:05:18,630 --> 01:05:15,200

oh yeah but

1641

01:05:22,950 --> 01:05:18,640

it's all past everything's good but

1642

01:05:31,029 --> 01:05:24,470

i'm waiting on the rapture just like

1643

01:05:34,789 --> 01:05:31,829

yeah

1644

01:05:36,870 --> 01:05:34,799

so uh i don't know uh which is like do

1645

01:05:39,349 --> 01:05:36,880

you mind taking a few questions from the

1646

01:05:41,750 --> 01:05:39,359

live chat anybody with questions

1647

01:05:43,430 --> 01:05:41,760

from mr ellis it's not often we get

1648

01:05:45,349 --> 01:05:43,440

somebody that has this much knowledge

1649

01:05:46,950 --> 01:05:45,359

and expertise into one of these strange

1650

01:05:49,270 --> 01:05:46,960

and enduring mysteries and that would be

1651

01:05:52,470 --> 01:05:49,280

the georgia guidestones

1652

01:05:54,630 --> 01:05:52,480

uh put your questions in all caps

1653

01:05:56,390 --> 01:05:54,640

and i uh because of our situation here

1654

01:05:59,270 --> 01:05:56,400

i'll just have to read them to him but

1655

01:06:01,910 --> 01:05:59,280

that's fine so any questions lord

1656

01:06:04,150 --> 01:06:01,920

ludacris plaid asks will

1657

01:06:07,029 --> 01:06:04,160

does he think they want the time capsule

1658

01:06:11,829 --> 01:06:09,829

that's a good question um

1659

01:06:14,230 --> 01:06:11,839

it's been on you know it says time

1660

01:06:16,150 --> 01:06:14,240

capsule to be placed six feet below the

1661

01:06:19,270 --> 01:06:16,160

spot you know

1662

01:06:21,349 --> 01:06:19,280

no day to be opened on notice i think

1663

01:06:25,190 --> 01:06:21,359

when

1664

01:06:28,309 --> 01:06:25,200

from the cornerstone which is at the

1665

01:06:30,309 --> 01:06:28,319

bottom it has a date on it

1666

01:06:33,349 --> 01:06:30,319

so the date you remove the cornerstone

1667

01:06:35,990 --> 01:06:33,359

is when it's placed and

1668

01:06:37,029 --> 01:06:36,000

the date on a time capsule

1669

01:06:38,870 --> 01:06:37,039

is when

1670

01:06:40,549 --> 01:06:38,880

to be opened on and

1671

01:06:42,789 --> 01:06:40,559

say you remove the time capsule when the

1672

01:06:46,549 --> 01:06:42,799

dates like you know december

1673

01:06:48,230 --> 01:06:46,559

21st 2012 and it's already passed

1674

01:06:49,750 --> 01:06:48,240

and when you do you go ahead and open it

1675

01:06:50,950 --> 01:06:49,760

right

1676

01:06:52,630 --> 01:06:50,960

yeah so

1677

01:06:55,029 --> 01:06:52,640

that was my whole point when i got

1678

01:06:56,710 --> 01:06:55,039

arrested was to remove the time capsule

1679

01:06:58,829 --> 01:06:56,720

and put it over there when it needs to

1680

01:07:04,069 --> 01:06:58,839

be

1681

01:07:08,470 --> 01:07:06,309

if we can get there and open it sure

1682

01:07:10,069 --> 01:07:08,480

it's right i know where it is it's it's

1683

01:07:12,150 --> 01:07:10,079

right there so

1684

01:07:15,670 --> 01:07:12,160

and the date on it to be opened on is

1685

01:07:17,349 --> 01:07:15,680

i'm in the time capsule so

1686

01:07:19,589 --> 01:07:17,359

i'm boring anybody else getting a

1687

01:07:22,950 --> 01:07:19,599

resident that do not advise it

1688

01:07:26,069 --> 01:07:22,960

it's up to whenever they feel like that

1689

01:07:30,549 --> 01:07:28,390

spooky is asking how can we verify the

1690

01:07:32,230 --> 01:07:30,559

government versus will ellis charges for

1691

01:07:34,470 --> 01:07:32,240

destruction of government property

1692

01:07:36,230 --> 01:07:34,480

that's groundbreaking if true

1693

01:07:37,990 --> 01:07:36,240

i mean the court documents should be

1694

01:07:39,589 --> 01:07:38,000

public records spooky i could get them

1695

01:07:41,109 --> 01:07:39,599

not to answer for you will but what do

1696

01:07:42,710 --> 01:07:41,119

you think about that

1697

01:07:43,829 --> 01:07:42,720

yeah i'm sure that there's a court case

1698

01:07:46,309 --> 01:07:43,839

on it i actually want to get the

1699

01:07:47,589 --> 01:07:46,319

transcripts from on court

1700

01:07:49,430 --> 01:07:47,599

just so i can

1701

01:07:51,510 --> 01:07:49,440

kind of get at my own laugh at it just

1702

01:07:54,150 --> 01:07:51,520

by the questions the judge has asked me

1703

01:07:56,150 --> 01:07:54,160

it's funny

1704

01:07:57,750 --> 01:07:56,160

it was that that's got to be a surreal

1705

01:07:59,270 --> 01:07:57,760

experience so you're in a court and

1706

01:08:01,349 --> 01:07:59,280

they're asking all these questions and

1707

01:08:03,430 --> 01:08:01,359

you're just pleading the fifth

1708

01:08:04,950 --> 01:08:03,440

because it's like i can't answer he was

1709

01:08:06,390 --> 01:08:04,960

like why are these two holes drilled

1710

01:08:08,390 --> 01:08:06,400

into the side of it why do you drill

1711

01:08:10,390 --> 01:08:08,400

those two holes i'm like

1712

01:08:13,510 --> 01:08:10,400

i didn't those two holes were

1713

01:08:15,349 --> 01:08:13,520

gentlemen's like anchors for the clue

1714

01:08:17,030 --> 01:08:15,359

but if i would have said that

1715

01:08:18,789 --> 01:08:17,040

we're going to try i've been facing two

1716

01:08:22,470 --> 01:08:18,799

to 14 years

1717

01:08:23,269 --> 01:08:22,480

wow no no thank you i'm taking probation

1718

01:08:25,030 --> 01:08:23,279

yeah

1719

01:08:27,189 --> 01:08:25,040

i don't blame you

1720

01:08:28,709 --> 01:08:27,199

rogue status is here and says if it's on

1721

01:08:31,030 --> 01:08:28,719

government land wouldn't they need a

1722

01:08:32,709 --> 01:08:31,040

permit can't you look it up at city hall

1723

01:08:34,470 --> 01:08:32,719

or something

1724

01:08:35,510 --> 01:08:34,480

yes

1725

01:08:39,189 --> 01:08:35,520

and what

1726

01:08:40,789 --> 01:08:39,199

you have to go back to 79 or 78

1727

01:08:42,789 --> 01:08:40,799

yeah i mean i'm going to i'm going to

1728

01:08:44,550 --> 01:08:42,799

look into this and see if i can get the

1729

01:08:45,829 --> 01:08:44,560

the d transfer records because that

1730

01:08:48,789 --> 01:08:45,839

should tell us who purchased the

1731

01:08:51,590 --> 01:08:49,910

right

1732

01:08:53,829 --> 01:08:51,600

maybe it was bought as probably most

1733

01:08:55,430 --> 01:08:53,839

counties will sell you for a short

1734

01:08:57,829 --> 01:08:55,440

amount of money small amount of money

1735

01:08:59,669 --> 01:08:57,839

you can get any paperwork it's public

1736

01:09:01,669 --> 01:08:59,679

records but they normally they'll charge

1737

01:09:03,749 --> 01:09:01,679

you by the page or something you know

1738

01:09:05,510 --> 01:09:03,759

like they'll say oh that's seven pages

1739

01:09:06,950 --> 01:09:05,520

so that'll be 27

1740

01:09:08,309 --> 01:09:06,960

you know so i've done stuff like that

1741

01:09:10,630 --> 01:09:08,319

before

1742

01:09:12,309 --> 01:09:10,640

all counties are different and all

1743

01:09:13,990 --> 01:09:12,319

local governments are different but yeah

1744

01:09:16,229 --> 01:09:14,000

they they'll give it they'll give you

1745

01:09:18,870 --> 01:09:16,239

the documents if you ask for them

1746

01:09:22,390 --> 01:09:18,880

and i i'd be curious to see

1747

01:09:24,390 --> 01:09:22,400

what the d transfer in 1979 says about

1748

01:09:26,630 --> 01:09:24,400

who purchased the property

1749

01:09:28,789 --> 01:09:26,640

who the deed was transferred to

1750

01:09:29,990 --> 01:09:28,799

i don't know

1751

01:09:32,789 --> 01:09:30,000

yeah and uh

1752

01:09:35,349 --> 01:09:32,799

spooky uh mike gambelli is asking have

1753

01:09:37,510 --> 01:09:35,359

you investigated township meeting

1754

01:09:40,229 --> 01:09:37,520

minutes they might have records of

1755

01:09:46,390 --> 01:09:40,239

discussion discussing construction or

1756

01:09:49,990 --> 01:09:47,430

okay

1757

01:09:52,149 --> 01:09:50,000

fair enough spooky asks does

1758

01:10:01,510 --> 01:09:52,159

will know of anyone else with first-hand

1759

01:10:05,110 --> 01:10:03,430

not

1760

01:10:09,270 --> 01:10:05,120

no

1761

01:10:10,790 --> 01:10:09,280

mr masanelli you might be able to get

1762

01:10:14,470 --> 01:10:10,800

some

1763

01:10:18,070 --> 01:10:14,480

kind of good conversation from him but

1764

01:10:22,630 --> 01:10:19,350

yeah and do you know how i can get in

1765

01:10:27,350 --> 01:10:25,189

he has a youtube channel

1766

01:10:28,950 --> 01:10:27,360

okay i'll check him out yeah that's what

1767

01:10:30,310 --> 01:10:28,960

i'm asking because maybe we get him in

1768

01:10:31,910 --> 01:10:30,320

here and talk about this on another

1769

01:10:34,550 --> 01:10:31,920

night or something like that

1770

01:10:36,390 --> 01:10:34,560

yeah he has a facebook page um i guess i

1771

01:10:38,709 --> 01:10:36,400

guess you two are no longer like

1772

01:10:41,669 --> 01:10:38,719

friendly though or

1773

01:10:45,590 --> 01:10:44,390

i have no ill will towards them you know

1774

01:10:47,830 --> 01:10:45,600

but

1775

01:10:47,840 --> 01:10:53,110

it's just complicated i guess yeah

1776

01:10:58,149 --> 01:10:54,950

well i i don't know i want you to

1777

01:11:01,270 --> 01:10:58,159

comment on this uh elena peacock says it

1778

01:11:08,870 --> 01:11:01,280

was built by malthusians who really do

1779

01:11:14,790 --> 01:11:10,550

i couldn't answer that

1780

01:11:16,070 --> 01:11:14,800

to uh to the extent of wanting to reduce

1781

01:11:17,189 --> 01:11:16,080

the population i think if they would

1782

01:11:19,750 --> 01:11:17,199

have been willing to reduce the

1783

01:11:21,910 --> 01:11:19,760

population they would have said that

1784

01:11:23,189 --> 01:11:21,920

that's just my opinion it says and

1785

01:11:25,750 --> 01:11:23,199

i have a lot of friends who disagree

1786

01:11:27,110 --> 01:11:25,760

with me and that's cool but it says

1787

01:11:29,430 --> 01:11:27,120

maintain

1788

01:11:32,390 --> 01:11:29,440

it's not reduced not reduced yeah i mean

1789

01:11:33,830 --> 01:11:32,400

language is important yeah

1790

01:11:35,350 --> 01:11:33,840

you know

1791

01:11:37,510 --> 01:11:35,360

it goes back to the oracle thing i was

1792

01:11:39,030 --> 01:11:37,520

talking about like it's uh

1793

01:11:40,390 --> 01:11:39,040

and like you mentioned like maybe

1794

01:11:41,669 --> 01:11:40,400

there's something that happens maybe

1795

01:11:43,590 --> 01:11:41,679

there's

1796

01:11:47,830 --> 01:11:43,600

people that can see through it you know

1797

01:11:51,910 --> 01:11:49,830

i just don't think it's a depopulation

1798

01:11:54,070 --> 01:11:51,920

thing that's just my opinion

1799

01:11:54,870 --> 01:11:54,080

it's fine yeah plan d is asking sorry

1800

01:11:57,350 --> 01:11:54,880

but

1801
01:11:59,189 --> 01:11:57,360
he does not know the man name who made

1802
01:12:01,350 --> 01:11:59,199
payment for it no it's a mystery that's

1803
01:12:04,070 --> 01:12:01,360
why we're here plan d it's somebody

1804
01:12:05,510 --> 01:12:04,080
named rc christian purchased it

1805
01:12:09,189 --> 01:12:05,520
and that's a suit in him and nobody

1806
01:12:11,590 --> 01:12:09,199
knows his real identity uh rogue status

1807
01:12:13,590 --> 01:12:11,600
asks if it's government property or

1808
01:12:15,270 --> 01:12:13,600
comment you can comment on this he says

1809
01:12:18,709 --> 01:12:15,280
if it's government property they would

1810
01:12:20,470 --> 01:12:18,719
need a permit for a religious ceremony

1811
01:12:22,709 --> 01:12:20,480
did you check if anybody's filing

1812
01:12:23,990 --> 01:12:22,719
permits for religious ceremonies on the

1813
01:12:26,229 --> 01:12:24,000

on the

1814

01:12:26,950 --> 01:12:26,239

the you know full moons

1815

01:12:27,990 --> 01:12:26,960

no

1816

01:12:29,510 --> 01:12:28,000

that's all

1817

01:12:31,750 --> 01:12:29,520

conjecture from

1818

01:12:33,750 --> 01:12:31,760

the person i know oh

1819

01:12:35,669 --> 01:12:33,760

okay fair fair enough and uh lord

1820

01:12:38,070 --> 01:12:35,679

ludacris platt asked

1821

01:12:39,990 --> 01:12:38,080

is the goal to find the capsule open it

1822

01:12:42,550 --> 01:12:40,000

and perform the ritual to unlock

1823

01:12:43,750 --> 01:12:42,560

whatever it unlocks and bring in a new

1824

01:12:45,830 --> 01:12:43,760

error

1825

01:12:47,510 --> 01:12:45,840

yes i would i would agree to strongly

1826

01:12:49,350 --> 01:12:47,520

yes

1827

01:12:51,750 --> 01:12:49,360

my personal opinion from what i've seen

1828

01:12:54,070 --> 01:12:51,760

and people i know yes

1829

01:12:55,510 --> 01:12:54,080

and that's very interesting in my

1830

01:12:56,870 --> 01:12:55,520

opinion that involves the ark of the

1831

01:12:58,310 --> 01:12:56,880

covenant

1832

01:13:00,630 --> 01:12:58,320

so there's a connection to the ark of

1833

01:13:02,950 --> 01:13:00,640

the covenant and your your basis for

1834

01:13:04,870 --> 01:13:02,960

that belief is just the symbolism on the

1835

01:13:06,229 --> 01:13:04,880

stones that relate to the ark of the

1836

01:13:07,270 --> 01:13:06,239

covenant

1837

01:13:09,430 --> 01:13:07,280

it's

1838

01:13:10,870 --> 01:13:09,440

a bunch of lines intersecting at a

1839

01:13:11,910 --> 01:13:10,880

certain point

1840

01:13:15,270 --> 01:13:11,920

okay so

1841

01:13:18,470 --> 01:13:15,280

talking about ley lines right

1842

01:13:21,189 --> 01:13:18,480

holes and dishes

1843

01:13:23,750 --> 01:13:21,199

stones and time capsules and

1844

01:13:25,910 --> 01:13:23,760

cherokees and it's just a bunch of and

1845

01:13:27,189 --> 01:13:25,920

the guy who i know i'm

1846

01:13:28,550 --> 01:13:27,199

talking about he mentioned the red

1847

01:13:29,430 --> 01:13:28,560

wizard and stuff he mentioned the ley

1848

01:13:31,110 --> 01:13:29,440

lines

1849

01:13:34,470 --> 01:13:31,120

if you look on the

1850

01:13:35,990 --> 01:13:34,480

the misspelling and all the time capsule

1851

01:13:37,590 --> 01:13:36,000

dates there's certain lines and the

1852

01:13:39,030 --> 01:13:37,600

grooves in the ground

1853

01:13:40,709 --> 01:13:39,040

and we sat there and talked about it for

1854

01:13:42,709 --> 01:13:40,719

like 10 minutes he said what do you

1855

01:13:44,709 --> 01:13:42,719

think calls those grooves on my maybe

1856

01:13:50,070 --> 01:13:44,719

magnetic lines

1857

01:13:53,990 --> 01:13:52,070

well it's pretty interesting many

1858

01:13:57,270 --> 01:13:54,000

many structures are built on ley lines

1859

01:13:59,030 --> 01:13:57,280

like the pyramids and stonehenge right

1860

01:14:02,310 --> 01:13:59,040

yeah i think that's a

1861

01:14:05,590 --> 01:14:02,320

definitely some sort of no point on the

1862

01:14:05,600 --> 01:14:08,390

interesting

1863

01:14:11,990 --> 01:14:10,790

so it goes back to the chimney

1864

01:14:13,510 --> 01:14:12,000

they say they

1865

01:14:18,310 --> 01:14:13,520

had to go down there and that's where

1866

01:14:22,229 --> 01:14:20,390

so what's next do you have any plans for

1867

01:14:25,270 --> 01:14:22,239

new ideas to try to solve some of these

1868

01:14:27,110 --> 01:14:25,280

mysteries or or are you just like

1869

01:14:29,430 --> 01:14:27,120

waiting for something new to happen so

1870

01:14:31,270 --> 01:14:29,440

there's new evidence to

1871

01:14:33,510 --> 01:14:31,280

go through right now i don't have any

1872

01:14:34,630 --> 01:14:33,520

plans i just live day to day you know

1873

01:14:36,950 --> 01:14:34,640

just

1874

01:14:38,310 --> 01:14:36,960

doing my thing um

1875

01:14:39,830 --> 01:14:38,320

well i mean you're obviously still

1876

01:14:41,750 --> 01:14:39,840

interested right

1877

01:14:43,350 --> 01:14:41,760

yeah it's it's always in the back of my

1878

01:14:45,430 --> 01:14:43,360

head but i'm just

1879

01:14:47,910 --> 01:14:45,440

you know i'm not actively playing any

1880

01:14:49,669 --> 01:14:47,920

kind of role in it you know

1881

01:14:51,590 --> 01:14:49,679

kind of a dead end now though isn't it

1882

01:14:54,390 --> 01:14:51,600

like unless there's some kind of new

1883

01:14:56,630 --> 01:14:54,400

development in the story right no no

1884

01:14:59,430 --> 01:14:56,640

it's never a dead end it's always you

1885

01:15:03,110 --> 01:15:00,790

there's always something out there you

1886

01:15:04,310 --> 01:15:03,120

know it's like universe

1887

01:15:06,709 --> 01:15:04,320

there's there's always something to

1888

01:15:08,149 --> 01:15:06,719

change it's i think it's healthy

1889

01:15:10,870 --> 01:15:08,159

to a degree you know don't let it

1890

01:15:12,709 --> 01:15:10,880

consume you but there's always something

1891

01:15:14,550 --> 01:15:12,719

out there that's pushing you forward you

1892

01:15:15,350 --> 01:15:14,560

know keeping you going

1893

01:15:20,390 --> 01:15:15,360

you know

1894

01:15:23,910 --> 01:15:20,400

no i know that

1895

01:15:25,910 --> 01:15:23,920

i'm children i've have a grandchild too

1896

01:15:28,310 --> 01:15:25,920

other things keep me busy but

1897

01:15:30,870 --> 01:15:28,320

you know it's there

1898

01:15:33,590 --> 01:15:32,149

well so

1899

01:15:35,830 --> 01:15:33,600

i guess i guess the other question i

1900

01:15:37,669 --> 01:15:35,840

would ask is what do you what do you say

1901
01:15:39,669 --> 01:15:37,679
to the people who are convinced because

1902
01:15:41,669 --> 01:15:39,679
i know a few

1903
01:15:43,350 --> 01:15:41,679
and maybe they're a little paranoid but

1904
01:15:45,510 --> 01:15:43,360
what do you say to the people that are

1905
01:15:47,669 --> 01:15:45,520
absolutely convinced that this is like a

1906
01:15:50,070 --> 01:15:47,679
new world order thing and they really do

1907
01:15:52,950 --> 01:15:50,080
want to depopulate us and

1908
01:15:55,350 --> 01:15:52,960
this is some kind of a symbol of the you

1909
01:15:59,270 --> 01:15:57,350
like the rich elite that want to kill

1910
01:16:01,669 --> 01:15:59,280
off a bunch of people and have the earth

1911
01:16:04,070 --> 01:16:01,679
to themselves and all these conspiracies

1912
01:16:06,470 --> 01:16:04,080
surrounding it

1913
01:16:07,830 --> 01:16:06,480

um my best answer for that is the

1914

01:16:10,149 --> 01:16:07,840

imperfection

1915

01:16:12,070 --> 01:16:10,159

you can't manufacture a perfect piece

1916

01:16:14,149 --> 01:16:12,080

you can't make the perfect plan

1917

01:16:16,790 --> 01:16:14,159

there's holes in your plans

1918

01:16:18,310 --> 01:16:16,800

if you you create world domination for

1919

01:16:21,430 --> 01:16:18,320

evil yeah

1920

01:16:23,189 --> 01:16:21,440

it's not gonna happen it's going to be

1921

01:16:24,070 --> 01:16:23,199

in the universe i go back to universe

1922

01:16:27,030 --> 01:16:24,080

and

1923

01:16:28,550 --> 01:16:27,040

universe creation winds over destruction

1924

01:16:31,990 --> 01:16:28,560

only coming

1925

01:16:34,310 --> 01:16:32,000

like 50.1 to 49.9

1926

01:16:36,229 --> 01:16:34,320

i don't care what your best plan is

1927

01:16:38,470 --> 01:16:36,239

there's a hole in it

1928

01:16:40,390 --> 01:16:38,480

there's nothing solid

1929

01:16:41,430 --> 01:16:40,400

you know it's

1930

01:16:43,590 --> 01:16:41,440

you know they want to reduce the

1931

01:16:45,990 --> 01:16:43,600

population well let's find against it

1932

01:16:48,070 --> 01:16:46,000

let's look here's a perfect example i

1933

01:16:50,149 --> 01:16:48,080

can go up there right now and risk going

1934

01:16:53,750 --> 01:16:50,159

back to jail i'll edge three more a

1935

01:16:55,990 --> 01:16:53,760

comma and three more zeros than that

1936

01:16:58,709 --> 01:16:56,000

so maintaining the humanity of 500

1937

01:16:58,719 --> 01:17:13,030

i changed their plan with that

1938

01:17:17,750 --> 01:17:15,510

lord ludacris platt is here welcome lord

1939

01:17:20,870 --> 01:17:17,760

ludicrous vlad and has a very good

1940

01:17:22,390 --> 01:17:20,880

question he asks why has no one else

1941

01:17:24,390 --> 01:17:22,400

found the capsule

1942

01:17:26,149 --> 01:17:24,400

is a selected person supposed to be the

1943

01:17:29,990 --> 01:17:26,159

one to find it like a divine

1944

01:17:32,070 --> 01:17:30,000

intervention type thing

1945

01:17:33,110 --> 01:17:32,080

well they're watching

1946

01:17:34,790 --> 01:17:33,120

they

1947

01:17:36,790 --> 01:17:34,800

like i said i was there that night i had

1948

01:17:38,070 --> 01:17:36,800

shovels and big taxes in my jeep ready

1949

01:17:40,950 --> 01:17:38,080

to go

1950

01:17:42,390 --> 01:17:40,960

and there we go

1951

01:17:43,430 --> 01:17:42,400

do you think that somebody tipped them

1952

01:17:46,149 --> 01:17:43,440

off that you were going to do what you

1953

01:17:46,159 --> 01:17:51,270

i was there with mr mason

1954

01:17:51,280 --> 01:17:58,229

out of nowhere two weeks before

1955

01:18:01,990 --> 01:18:00,470

yeah and uh somebody here with a comment

1956

01:18:04,950 --> 01:18:02,000

the sixth sense commenting that the

1957

01:18:07,030 --> 01:18:04,960

owner the previous owner of the property

1958

01:18:08,550 --> 01:18:07,040

wayne mullinex was paid five thousand

1959

01:18:11,430 --> 01:18:08,560

dollars for the site and granted

1960

01:18:13,350 --> 01:18:11,440

lifetime cattle rights on the land

1961

01:18:15,270 --> 01:18:13,360

yes so that's the previous owner though

1962

01:18:16,310 --> 01:18:15,280

we don't know who the current owner is

1963

01:18:17,750 --> 01:18:16,320

but

1964

01:18:19,270 --> 01:18:17,760

uh will here

1965

01:18:21,590 --> 01:18:19,280

says that he was charged with

1966

01:18:22,870 --> 01:18:21,600

destruction of government property

1967

01:18:24,470 --> 01:18:22,880

so that would indicate that the

1968

01:18:26,790 --> 01:18:24,480

government owns it

1969

01:18:29,110 --> 01:18:26,800

which is bizarro i'm going to call that

1970

01:18:31,270 --> 01:18:29,120

township tomorrow and see if they'll

1971

01:18:32,950 --> 01:18:31,280

what they'll say

1972

01:18:36,470 --> 01:18:32,960

get the court number or get the case

1973

01:18:37,510 --> 01:18:36,480

numbers it should be public record

1974

01:18:41,350 --> 01:18:37,520

like i said i wanted to get the

1975

01:18:43,910 --> 01:18:41,360

transcripts to i mean

1976

01:18:46,070 --> 01:18:43,920

redstorm 1 is here and has a comment and

1977

01:18:48,229 --> 01:18:46,080

i'd like you to to

1978

01:18:50,390 --> 01:18:48,239

react to this comment says

1979

01:18:53,669 --> 01:18:50,400

the capsules are kept secret only for

1980

01:18:55,110 --> 01:18:53,679

select few to know exactly where it is

1981

01:18:58,390 --> 01:18:55,120

do you believe that a select few people

1982

01:19:03,750 --> 01:18:58,400

know exactly where this capsule is

1983

01:19:09,590 --> 01:19:06,830

do you want to search enough for it

1984

01:19:10,310 --> 01:19:09,600

yeah do you want to put enough time into

1985

01:19:16,229 --> 01:19:10,320

it

1986

01:19:17,590 --> 01:19:16,239

of watching like

1987

01:19:19,430 --> 01:19:17,600

like they're putting this thing out

1988

01:19:21,990 --> 01:19:19,440

there and they want to see where you're

1989

01:19:25,590 --> 01:19:22,000

at or see who

1990

01:19:27,030 --> 01:19:25,600

who's paying enough attention who's

1991

01:19:28,630 --> 01:19:27,040

new care

1992

01:19:34,310 --> 01:19:28,640

yeah this is a good

1993

01:19:39,830 --> 01:19:37,669

i wonder if the masonic chapters around

1994

01:19:41,830 --> 01:19:39,840

there have any information

1995

01:19:44,310 --> 01:19:41,840

seeing as how their symbol is there for

1996

01:19:46,149 --> 01:19:44,320

all to see have you inquired with the

1997

01:19:47,669 --> 01:19:46,159

local mason

1998

01:19:49,910 --> 01:19:47,679

you know uh

1999

01:19:51,510 --> 01:19:49,920

lodges and see if they have any

2000

01:19:56,229 --> 01:19:51,520

information or

2001
01:19:57,189 --> 01:19:56,239
knowledge about this mysterious monument

2002
01:20:00,310 --> 01:19:57,199
yeah

2003
01:20:10,310 --> 01:20:00,320
within my local not not local albertson

2004
01:20:15,430 --> 01:20:12,390
what do they have any insight to share

2005
01:20:18,629 --> 01:20:15,440
with you what did they say

2006
01:20:23,510 --> 01:20:18,639
uh to quote the worship master my local

2007
01:20:29,270 --> 01:20:25,430
well that's interesting and all i had to

2008
01:20:34,870 --> 01:20:30,790
that was maybe

2009
01:20:38,950 --> 01:20:34,880
a month before i was arrested so

2010
01:20:43,669 --> 01:20:39,990
i was

2011
01:20:45,830 --> 01:20:43,679
i'm i'm not amazing but

2012
01:20:48,310 --> 01:20:45,840
it's in my timeline history you know

2013
01:20:49,430 --> 01:20:48,320

i know a few nations

2014

01:20:51,830 --> 01:20:49,440

i don't think it's going to find a

2015

01:20:54,470 --> 01:20:51,840

masonry now i don't think

2016

01:20:56,790 --> 01:20:54,480

i think masons know of it

2017

01:20:59,830 --> 01:20:56,800

you know they know of the what's the

2018

01:21:01,669 --> 01:20:59,840

happenings of it but they don't

2019

01:21:05,750 --> 01:21:01,679

like i said i think it's time out there

2020

01:21:07,270 --> 01:21:05,760

for anybody else to pick up on

2021

01:21:09,110 --> 01:21:07,280

i think anybody's

2022

01:21:10,870 --> 01:21:09,120

anybody's there to remove it like

2023

01:21:12,950 --> 01:21:10,880

somebody mentioned before the time

2024

01:21:15,830 --> 01:21:12,960

capsule you know there's certain people

2025

01:21:17,110 --> 01:21:15,840

who can move it well

2026

01:21:20,629 --> 01:21:17,120

they have to figure out where it is

2027

01:21:22,870 --> 01:21:21,910

yeah so

2028

01:21:24,310 --> 01:21:22,880

are you

2029

01:21:26,629 --> 01:21:24,320

how how would you feel if you found out

2030

01:21:27,590 --> 01:21:26,639

tomorrow that somebody that somebody

2031

01:21:29,590 --> 01:21:27,600

knew

2032

01:21:31,510 --> 01:21:29,600

uh you know

2033

01:21:33,590 --> 01:21:31,520

oh i love it i just want to keep up with

2034

01:21:35,750 --> 01:21:33,600

it see if he might see if those dates

2035

01:21:37,990 --> 01:21:35,760

are done

2036

01:21:39,990 --> 01:21:38,000

i don't care who it is

2037

01:21:41,669 --> 01:21:40,000

i want to thank i want to thank uh take

2038

01:21:43,669 --> 01:21:41,679

a moment to thank greg home for a kind

2039

01:21:45,590 --> 01:21:43,679

and generous dollar 99 super chat thank

2040

01:21:47,430 --> 01:21:45,600

you for supporting the show sorry if i

2041

01:21:48,790 --> 01:21:47,440

missed that earlier thank you for your

2042

01:21:50,470 --> 01:21:48,800

kindness your generosity and your

2043

01:21:52,950 --> 01:21:50,480

support of the show

2044

01:21:54,790 --> 01:21:52,960

uh amy collins made a good comment that

2045

01:21:57,350 --> 01:21:54,800

i want to get your reaction to amy

2046

01:21:58,709 --> 01:21:57,360

collins great great observation says

2047

01:22:03,510 --> 01:21:58,719

three words

2048

01:22:07,590 --> 01:22:05,510

okay yeah i've heard of that but i

2049

01:22:09,590 --> 01:22:07,600

haven't seen any kind of

2050

01:22:10,950 --> 01:22:09,600

data from that i haven't seen a raw data

2051

01:22:12,149 --> 01:22:10,960

from it

2052

01:22:13,510 --> 01:22:12,159

no

2053

01:22:16,070 --> 01:22:13,520

yeah i mean i would love to go out there

2054

01:22:17,750 --> 01:22:16,080

with it but it's very expensive you know

2055

01:22:19,990 --> 01:22:17,760

the machines to do that are very very

2056

01:22:21,830 --> 01:22:20,000

expensive i would assume so but you

2057

01:22:23,910 --> 01:22:21,840

might be able to pay somebody to go do

2058

01:22:25,590 --> 01:22:23,920

it and see if there is anything do you

2059

01:22:27,990 --> 01:22:25,600

believe there's something buried at the

2060

01:22:29,270 --> 01:22:28,000

site or very close to those stones

2061

01:22:31,830 --> 01:22:29,280

monument

2062

01:22:33,430 --> 01:22:31,840

yeah of course i think there's a couple

2063

01:22:35,270 --> 01:22:33,440

of rooms below it

2064

01:22:37,030 --> 01:22:35,280

oh there's rooms below it even what do

2065

01:22:38,470 --> 01:22:37,040

you believe

2066

01:22:40,310 --> 01:22:38,480

that's just my is

2067

01:22:43,910 --> 01:22:40,320

i understand it's speculation but you're

2068

01:22:45,910 --> 01:22:43,920

you're like the expert on this stuff

2069

01:22:48,629 --> 01:22:45,920

so i'd like to hear your speculation

2070

01:22:50,950 --> 01:22:48,639

about what may be under there

2071

01:22:52,390 --> 01:22:50,960

what i said

2072

01:22:56,550 --> 01:22:54,229

you know

2073

01:22:59,110 --> 01:22:56,560

okay well it's masculine so if you have

2074

01:23:01,189 --> 01:22:59,120

a masculine looking stonehenge phallic

2075

01:23:03,590 --> 01:23:01,199

looking split face

2076
01:23:09,830 --> 01:23:03,600
pillars type of steel above ground what

2077
01:23:12,149 --> 01:23:11,110
and what do you believe is in the two

2078
01:23:13,669 --> 01:23:12,159
rooms

2079
01:23:15,669 --> 01:23:13,679
well

2080
01:23:17,030 --> 01:23:15,679
just based off of the bible stuff and

2081
01:23:17,910 --> 01:23:17,040
the ark of the covenant stuff you would

2082
01:23:20,629 --> 01:23:17,920
have

2083
01:23:21,510 --> 01:23:20,639
the holy room and the holiest of holy

2084
01:23:22,550 --> 01:23:21,520
room

2085
01:23:25,110 --> 01:23:22,560
yeah

2086
01:23:26,709 --> 01:23:25,120
goes back to the cryptos you know

2087
01:23:29,350 --> 01:23:26,719
the three it solves riddles of the

2088
01:23:31,189 --> 01:23:29,360

cryptos speak of a chamber and a room

2089

01:23:32,870 --> 01:23:31,199

buried out there somewhere and like

2090

01:23:34,470 --> 01:23:32,880

there's a room that somebody has to move

2091

01:23:37,990 --> 01:23:34,480

the normal way

2092

01:23:39,830 --> 01:23:38,000

and see inside of another chamber

2093

01:23:41,430 --> 01:23:39,840

yeah and red storm one with a comment i

2094

01:23:43,990 --> 01:23:41,440

want to hear your reaction to says

2095

01:23:45,990 --> 01:23:44,000

masons are only a part of it

2096

01:23:48,550 --> 01:23:46,000

so you think masons are just a part of

2097

01:23:51,750 --> 01:23:48,560

this mystery and there's other i don't

2098

01:23:53,510 --> 01:23:51,760

know actors involved with this

2099

01:23:55,990 --> 01:23:53,520

yeah i mean you've got groups like the

2100

01:23:58,149 --> 01:23:56,000

druids those are christians

2101
01:23:59,910 --> 01:23:58,159
moon masons which

2102
01:24:00,709 --> 01:23:59,920
they call themselves moon basins but i'm

2103
01:24:02,390 --> 01:24:00,719
sure they're

2104
01:24:03,350 --> 01:24:02,400
a little different

2105
01:24:04,790 --> 01:24:03,360
there's

2106
01:24:08,310 --> 01:24:04,800
different sects of it but they're all

2107
01:24:11,590 --> 01:24:08,320
the same i mean it all goes back to

2108
01:24:14,149 --> 01:24:11,600
the same type of osiris uh set

2109
01:24:17,350 --> 01:24:14,159
you got two brothers facing almost

2110
01:24:18,790 --> 01:24:17,360
yeah cain and abel right yeah well

2111
01:24:20,229 --> 01:24:18,800
there you go

2112
01:24:21,990 --> 01:24:20,239
i mean there's different versions of the

2113
01:24:24,229 --> 01:24:22,000

canyon able story though that's that's

2114

01:24:25,750 --> 01:24:24,239

kind of a myth that has been in multiple

2115

01:24:27,430 --> 01:24:25,760

cultures

2116

01:24:30,070 --> 01:24:27,440

you know a brother killing another

2117

01:24:33,189 --> 01:24:30,080

brother

2118

01:24:34,950 --> 01:24:33,199

yeah i would think kane would be the red

2119

01:24:35,910 --> 01:24:34,960

be the red wizard

2120

01:24:37,750 --> 01:24:35,920

or

2121

01:24:38,709 --> 01:24:37,760

the embodiment of the red

2122

01:24:39,910 --> 01:24:38,719

so

2123

01:24:42,070 --> 01:24:39,920

you know

2124

01:24:43,750 --> 01:24:42,080

even the cherokee have an old type of

2125

01:24:45,189 --> 01:24:43,760

myth that two brothers are fighting over

2126

01:24:46,870 --> 01:24:45,199

a stone

2127

01:24:49,270 --> 01:24:46,880

it's not dragon

2128

01:24:50,149 --> 01:24:49,280

type of deal with it

2129

01:24:53,830 --> 01:24:50,159

yeah

2130

01:24:57,110 --> 01:24:53,840

so

2131

01:24:59,350 --> 01:24:57,120

you know i'm still at a loss for like

2132

01:25:01,669 --> 01:24:59,360

it is it's just a strange weird mystery

2133

01:25:03,430 --> 01:25:01,679

right it's like why did somebody spend

2134

01:25:04,790 --> 01:25:03,440

this much money to put this thing here

2135

01:25:06,790 --> 01:25:04,800

what is its purpose so you believe

2136

01:25:08,709 --> 01:25:06,800

there's rooms underneath that have some

2137

01:25:10,550 --> 01:25:08,719

significance to the ark of the covenant

2138

01:25:12,790 --> 01:25:10,560

or some connection to the ark of the

2139

01:25:14,629 --> 01:25:12,800

covenant

2140

01:25:16,790 --> 01:25:14,639

yeah that'll be my guess

2141

01:25:19,830 --> 01:25:16,800

you know just

2142

01:25:21,350 --> 01:25:19,840

maybe that uh that key hole that you

2143

01:25:23,270 --> 01:25:21,360

mentioned putting a rod in it and

2144

01:25:25,350 --> 01:25:23,280

whatever substance you need in the bowl

2145

01:25:27,110 --> 01:25:25,360

is the key to opening the rooms beneath

2146

01:25:28,790 --> 01:25:27,120

this thing

2147

01:25:29,590 --> 01:25:28,800

no i would think

2148

01:25:30,870 --> 01:25:29,600

what's

2149

01:25:35,350 --> 01:25:30,880

you know they all get covered like i

2150

01:25:38,149 --> 01:25:37,030

you know that's

2151

01:25:41,030 --> 01:25:38,159

that's

2152

01:25:43,110 --> 01:25:41,040

bluebell stuff but it's still weird the

2153

01:25:44,950 --> 01:25:43,120

keyhole on the dish isn't

2154

01:25:46,149 --> 01:25:44,960

on top of the other ones it's just on

2155

01:25:48,950 --> 01:25:46,159

one side

2156

01:25:51,030 --> 01:25:48,960

you know it's on that northeast side

2157

01:25:54,310 --> 01:25:51,040

the northeast is kind of this way for

2158

01:25:59,350 --> 01:25:56,470

material the ease to the spiritual

2159

01:26:01,750 --> 01:25:59,360

that's where the two meet

2160

01:26:03,750 --> 01:26:01,760

so there's obviously something to that

2161

01:26:09,750 --> 01:26:03,760

or they wouldn't have drilled a hole in

2162

01:26:14,070 --> 01:26:12,070

the lord ludicrous plaid is here and

2163

01:26:16,070 --> 01:26:14,080

says what was there before the guide

2164

01:26:17,750 --> 01:26:16,080

stones i believe it was just farmland

2165

01:26:28,870 --> 01:26:17,760

right will

2166

01:26:33,669 --> 01:26:30,629

let me hear you come your comment about

2167

01:26:35,270 --> 01:26:33,679

this uh lelana peacock is here and says

2168

01:26:37,270 --> 01:26:35,280

i also heard that there was a plan to

2169

01:26:39,189 --> 01:26:37,280

build another layer of stones to

2170

01:26:42,470 --> 01:26:39,199

surround the original guide stones in a

2171

01:26:45,590 --> 01:26:42,480

circle much like stonehenge not sure if

2172

01:26:47,990 --> 01:26:45,600

that is accurate have you heard that or

2173

01:26:50,229 --> 01:26:48,000

yeah i've heard that and that tends to

2174

01:26:53,270 --> 01:26:50,239

believe me there's it's underground it

2175

01:26:57,990 --> 01:26:55,189

it same way was watching the monument

2176

01:26:59,669 --> 01:26:58,000

they planned on building like uh

2177

01:27:02,149 --> 01:26:59,679

like two rooms underneath the washington

2178

01:27:03,990 --> 01:27:02,159

monument and there was like

2179

01:27:04,950 --> 01:27:04,000

the phallic washington monuments digging

2180

01:27:06,950 --> 01:27:04,960

up

2181

01:27:10,790 --> 01:27:06,960

yeah well i know for a fact that there's

2182

01:27:11,510 --> 01:27:10,800

a secret hidden room at mount rushmore

2183

01:27:12,390 --> 01:27:11,520

yeah

2184

01:27:15,510 --> 01:27:12,400

so

2185

01:27:17,110 --> 01:27:15,520

which is bizarre you know

2186

01:27:18,629 --> 01:27:17,120

it makes a little sense i mean

2187

01:27:20,550 --> 01:27:18,639

i always build this sound like looking

2188

01:27:25,669 --> 01:27:20,560

thing above ground and the

2189

01:27:30,229 --> 01:27:27,669

interesting so

2190

01:27:31,910 --> 01:27:30,239

yeah but what an enduring mystery right

2191

01:27:33,510 --> 01:27:31,920

and we're coming up on 90 minutes so i

2192

01:27:35,669 --> 01:27:33,520

think we're going to wrap things up here

2193

01:27:37,590 --> 01:27:35,679

will if you don't mind

2194

01:27:40,149 --> 01:27:37,600

i'm going to let you go and do a quick

2195

01:27:42,310 --> 01:27:40,159

wrap up and call it a show but i really

2196

01:27:44,950 --> 01:27:42,320

appreciate you coming on the show

2197

01:27:46,950 --> 01:27:44,960

because you have such a

2198

01:27:48,709 --> 01:27:46,960

a unique history with this strange

2199

01:27:51,350 --> 01:27:48,719

enduring mystery i mean after all you

2200

01:27:52,709 --> 01:27:51,360

got arrested over it and did a week in

2201

01:27:54,790 --> 01:27:52,719

jail

2202

01:27:56,470 --> 01:27:54,800

and you've been following i'm sure if

2203

01:27:58,550 --> 01:27:56,480

there was news that broke about the

2204

01:27:59,750 --> 01:27:58,560

guide stones tomorrow you would be up on

2205

01:28:02,229 --> 01:27:59,760

it you know you've been following this

2206

01:28:04,070 --> 01:28:02,239

thing for a long time

2207

01:28:06,390 --> 01:28:04,080

uh so it's your hope that somebody's

2208

01:28:07,910 --> 01:28:06,400

gonna find that other

2209

01:28:10,070 --> 01:28:07,920

you know

2210

01:28:11,590 --> 01:28:10,080

capsule and mystery will be solved do

2211

01:28:14,390 --> 01:28:11,600

you think this mystery will ever be

2212

01:28:15,430 --> 01:28:14,400

solved

2213

01:28:17,830 --> 01:28:15,440

um

2214

01:28:19,990 --> 01:28:17,840

yeah i do but i think

2215

01:28:24,629 --> 01:28:20,000

it'll solve itself in a weird kind of

2216

01:28:29,350 --> 01:28:27,430

it'll solve itself

2217

01:28:32,390 --> 01:28:29,360

yeah maybe if there's a maybe if china

2218

01:28:34,790 --> 01:28:32,400

goes to war with the us and nukes us all

2219

01:28:37,510 --> 01:28:34,800

we'll find out you that the stones were

2220

01:28:40,070 --> 01:28:37,520

for the the you know the human race to

2221

01:28:42,390 --> 01:28:40,080

rebuild and have a clock and a

2222

01:28:43,270 --> 01:28:42,400

calendar and things that's crazy

2223

01:28:44,709 --> 01:28:43,280

but

2224

01:28:46,310 --> 01:28:44,719

one surprise man in the world we're

2225

01:28:47,750 --> 01:28:46,320

living in

2226

01:28:51,270 --> 01:28:47,760

that's what i'm thinking it'll solve

2227

01:28:53,669 --> 01:28:51,280

itself you know it's kind of like a

2228

01:28:55,830 --> 01:28:53,679

i don't know it's what it was built for

2229

01:28:58,709 --> 01:28:55,840

it's

2230

01:29:00,629 --> 01:28:58,719

put into the test you know

2231

01:29:02,709 --> 01:29:00,639

yeah very very interesting well i want

2232

01:29:04,310 --> 01:29:02,719

to thank you for coming on the show and

2233

01:29:06,550 --> 01:29:04,320

i hope you won't be a stranger maybe

2234

01:29:08,310 --> 01:29:06,560

we'll do a follow-up sometime if there's

2235

01:29:10,550 --> 01:29:08,320

uh you know new things to talk about

2236

01:29:12,310 --> 01:29:10,560

when it comes to this you know you know

2237

01:29:17,110 --> 01:29:12,320

when the ships start flying around the

2238

01:29:25,430 --> 01:29:18,550

it wouldn't surprise me it's been a

2239

01:29:29,270 --> 01:29:26,870

all right well thank you very much will

2240

01:29:32,390 --> 01:29:29,280

you don't be a stranger okay

2241

01:29:34,470 --> 01:29:32,400

have a good night bye bye

2242

01:29:36,149 --> 01:29:34,480

all right friends that was very very

2243

01:29:37,750 --> 01:29:36,159

interesting i've wanted to do a show on

2244

01:29:39,350 --> 01:29:37,760

the georgia guidestones for quite some

2245

01:29:41,430 --> 01:29:39,360

time but i didn't

2246

01:29:43,830 --> 01:29:41,440

want to just talk myself because you

2247

01:29:46,790 --> 01:29:43,840

know my knowledge of this is from a few

2248

01:29:48,870 --> 01:29:46,800

documentaries i read one book on it and

2249

01:29:50,229 --> 01:29:48,880

uh brad meltzer is decoded on the

2250

01:29:52,390 --> 01:29:50,239

history channel

2251

01:29:55,669 --> 01:29:52,400

but what an interesting and enduring

2252

01:29:57,910 --> 01:29:55,679

mystery that the georgia guidestones are

2253

01:29:59,750 --> 01:29:57,920

uh i don't think that this mystery will

2254

01:30:01,110 --> 01:29:59,760

ever be solved unless somebody spills

2255

01:30:06,310 --> 01:30:01,120

the beans

2256

01:30:09,189 --> 01:30:06,320

the originator of the guide stones was

2257

01:30:11,430 --> 01:30:09,199

and maybe a family member that knew him

2258

01:30:13,590 --> 01:30:11,440

and why he really did this and what was

2259

01:30:17,270 --> 01:30:13,600

the symbolism and

2260

01:30:20,470 --> 01:30:17,280

you know maybe we'll get an answer to

2261

01:30:22,709 --> 01:30:20,480

this enduring mystery but until then

2262

01:30:26,310 --> 01:30:22,719

it will truly remember

2263

01:30:28,629 --> 01:30:26,320

it will truly pardon me remain a

2264

01:30:32,550 --> 01:30:28,639

an enduring mystery

2265

01:30:36,310 --> 01:30:32,560

and i do love a great mystery friends

2266

01:30:38,310 --> 01:30:36,320

so uh yeah uh

2267

01:30:40,790 --> 01:30:38,320

i want to thank somebody that sent me a

2268

01:30:42,870 --> 01:30:40,800

list of somebody on twitter made a list

2269

01:30:45,830 --> 01:30:42,880

of all the shows that cover ufos and we

2270

01:30:47,750 --> 01:30:45,840

weren't included um and and it just kind

2271

01:30:49,750 --> 01:30:47,760

of confirmed for me something that you

2272

01:30:52,790 --> 01:30:49,760

guys hear me say all the time

2273

01:30:57,350 --> 01:30:52,800

it's a big club and i ain't in it

2274

01:30:59,910 --> 01:30:57,360

but the person that compiled the list uh

2275

01:31:03,910 --> 01:30:59,920

replied to what i said on twitter

2276

01:31:05,990 --> 01:31:03,920

and so i apologize you know um

2277

01:31:07,750 --> 01:31:06,000

they're gonna put us on the list but

2278

01:31:09,750 --> 01:31:07,760

it's i'm still

2279

01:31:12,310 --> 01:31:09,760

it's still a big club and i still ain't

2280

01:31:13,830 --> 01:31:12,320

in it they might put me on the list

2281

01:31:15,189 --> 01:31:13,840

i thought it was very interesting that

2282

01:31:19,990 --> 01:31:15,199

they only left

2283

01:31:22,550 --> 01:31:20,000

a few people off uh they left off uh

2284

01:31:25,189 --> 01:31:22,560

rich from goof on me but then they did

2285

01:31:28,229 --> 01:31:25,199

also leave off these huge channels

2286

01:31:30,870 --> 01:31:28,239

like uh third phase of moon and i don't

2287

01:31:33,189 --> 01:31:30,880

think i saw secure team 10 on there

2288

01:31:34,950 --> 01:31:33,199

um and someone else commented that a

2289

01:31:37,270 --> 01:31:34,960

whole bunch of people on the list that

2290

01:31:40,149 --> 01:31:37,280

was compiled were all people that suck

2291

01:31:41,990 --> 01:31:40,159

up to david wilcock at conferences or

2292

01:31:43,270 --> 01:31:42,000

have promoted him or had him on their

2293

01:31:44,870 --> 01:31:43,280

show or

2294

01:31:46,550 --> 01:31:44,880

so there's that

2295

01:31:49,510 --> 01:31:46,560

um you know i

2296

01:31:52,149 --> 01:31:49,520

i i don't see any big conspiracy with us

2297

01:31:52,870 --> 01:31:52,159

not being included on the list uh after

2298

01:31:54,470 --> 01:31:52,880

all

2299

01:31:57,030 --> 01:31:54,480

we do take a little bit more of a

2300

01:31:58,950 --> 01:31:57,040

skeptical view and we make fun of this

2301
01:32:01,510 --> 01:31:58,960
thing we make and i don't think people

2302
01:32:02,550 --> 01:32:01,520
like it that we make fun of ufology and

2303
01:32:05,669 --> 01:32:02,560
the uh

2304
01:32:07,270 --> 01:32:05,679
you know the ufo dorks

2305
01:32:10,149 --> 01:32:07,280
the dork squad

2306
01:32:12,790 --> 01:32:10,159
uh that you know

2307
01:32:15,270 --> 01:32:12,800
but it is what it is so lead guy with a

2308
01:32:16,790 --> 01:32:15,280
kind and generous 499 super chat thank

2309
01:32:19,189 --> 01:32:16,800
you very much

2310
01:32:21,990 --> 01:32:19,199
stonehenge replica in alabama with

2311
01:32:23,910 --> 01:32:22,000
dinosaur statues google it it's awesome

2312
01:32:26,470 --> 01:32:23,920
i will do that lee guy but that's

2313
01:32:27,910 --> 01:32:26,480

probably a story for another time

2314

01:32:29,590 --> 01:32:27,920

i definitely want to thank you for your

2315

01:32:31,669 --> 01:32:29,600

kindness your generosity and your

2316

01:32:33,750 --> 01:32:31,679

support of the show it is much

2317

01:32:35,830 --> 01:32:33,760

appreciated and

2318

01:32:40,390 --> 01:32:35,840

uh thank you

2319

01:32:43,750 --> 01:32:40,400

one second friends here let's uh

2320

01:32:47,590 --> 01:32:45,510

so we've read all the super chats

2321

01:32:48,790 --> 01:32:47,600

already for tonight i want to thank

2322

01:32:51,189 --> 01:32:48,800

everybody for their kindness their

2323

01:32:52,790 --> 01:32:51,199

generosity and their support remind you

2324

01:32:53,669 --> 01:32:52,800

that there's a money button down there

2325

01:32:55,910 --> 01:32:53,679

and

2326

01:32:57,990 --> 01:32:55,920

you can use that to throw a few bucks in

2327

01:32:59,910 --> 01:32:58,000

our hat and support the show

2328

01:33:02,629 --> 01:32:59,920

uh the other thing you could do is

2329

01:33:04,550 --> 01:33:02,639

support us on patreon it's as little as

2330

01:33:05,910 --> 01:33:04,560

a dollar a month but i always say this

2331

01:33:07,750 --> 01:33:05,920

if you're having a really rough time

2332

01:33:09,270 --> 01:33:07,760

just email me at truthseeker show

2333

01:33:10,790 --> 01:33:09,280

gmail.com

2334

01:33:12,790 --> 01:33:10,800

if you're a big fan of the show please

2335

01:33:14,470 --> 01:33:12,800

don't let lack of a

2336

01:33:16,470 --> 01:33:14,480

dollar stop you from getting those

2337

01:33:18,310 --> 01:33:16,480

benefits just email me

2338

01:33:20,310 --> 01:33:18,320

and say you know something like having a

2339

01:33:21,669 --> 01:33:20,320

tough time i'd like the patreon benefits

2340

01:33:23,350 --> 01:33:21,679

and i'll put you on the spreadsheet i

2341

01:33:25,030 --> 01:33:23,360

send the patreon benefits to a bunch of

2342

01:33:26,870 --> 01:33:25,040

people every month that are in reduced

2343

01:33:28,709 --> 01:33:26,880

circumstances or whatever i don't need

2344

01:33:30,149 --> 01:33:28,719

to know what your situation is

2345

01:33:32,390 --> 01:33:30,159

just that you're having a tough time and

2346

01:33:34,390 --> 01:33:32,400

i want to include everybody

2347

01:33:36,070 --> 01:33:34,400

um i don't i'm not a big fan of putting

2348

01:33:37,669 --> 01:33:36,080

things behind a paywall even if it's

2349

01:33:40,390 --> 01:33:37,679

only a dollar

2350

01:33:42,629 --> 01:33:40,400

you know it's still a paywall

2351

01:33:45,510 --> 01:33:42,639

uh you can also send me a paypal

2352

01:33:46,870 --> 01:33:45,520

donation and i think i have somebody to

2353

01:33:50,550 --> 01:33:46,880

call

2354

01:33:53,270 --> 01:33:50,560

the links to make a paypal donation or

2355

01:33:55,990 --> 01:33:53,280

to join me on patreon are

2356

01:34:03,430 --> 01:33:56,000

down there in the

2357

01:34:06,470 --> 01:34:03,440

video and in the about section

2358

01:34:08,790 --> 01:34:06,480

so mikey uh sent us a kind and generous

2359

01:34:10,470 --> 01:34:08,800

two dollar paypal donation

2360

01:34:13,189 --> 01:34:10,480

and

2361

01:34:14,310 --> 01:34:13,199

let me check here i think

2362

01:34:16,790 --> 01:34:14,320

yeah

2363

01:34:18,790 --> 01:34:16,800

bill sent us a kind of generous 25

2364

01:34:21,510 --> 01:34:18,800

paypal donation recently as well so we

2365

01:34:24,470 --> 01:34:21,520

want to thank all of our kind generous

2366

01:34:26,950 --> 01:34:24,480

supporters and benefactors for helping

2367

01:34:32,170 --> 01:34:26,960

us friends to

2368

01:34:40,620 --> 01:34:37,990

[Music]

2369

01:34:47,430 --> 01:34:40,630

catch

2370

01:34:52,629 --> 01:34:50,310

where'd you guys crazy guys crazy cash

2371

01:34:54,629 --> 01:34:52,639

thank you for your kindness thank you

2372

01:34:59,190 --> 01:34:54,639

for your generosity

2373

01:35:13,669 --> 01:34:59,200

crazy cash crazy cash raise the cash

2374

01:35:18,149 --> 01:35:15,910

okay friends so

2375

01:35:20,790 --> 01:35:18,159

boy what can i say it has been a long

2376

01:35:22,470 --> 01:35:20,800

day today um

2377

01:35:24,790 --> 01:35:22,480

and you might want to check out that we

2378

01:35:26,870 --> 01:35:24,800

had uh something interesting happen

2379

01:35:28,470 --> 01:35:26,880

today and that is kurt from theories of

2380

01:35:31,270 --> 01:35:28,480

everything i want to thank him for

2381

01:35:35,270 --> 01:35:31,280

asking mr lou elizondo one of my

2382

01:35:37,590 --> 01:35:35,280

questions and uh that didn't go too well

2383

01:35:40,390 --> 01:35:37,600

mr elizondo appeared to not like my

2384

01:35:42,790 --> 01:35:40,400

question and then i got attacked for

2385

01:35:44,390 --> 01:35:42,800

hours on twitter with people

2386

01:35:46,229 --> 01:35:44,400

arguing with me

2387

01:35:48,390 --> 01:35:46,239

and i you know i've said it before but

2388

01:35:50,870 --> 01:35:48,400

then i forget and i start doing it again

2389

01:35:54,310 --> 01:35:50,880

and i'm gonna say it again i will not

2390

01:35:57,590 --> 01:35:54,320

argue with nameless faceless idiots on

2391

01:35:59,669 --> 01:35:57,600

twitter if you want me to respond to you

2392

01:36:01,189 --> 01:35:59,679

i want to know i'm talking who i'm

2393

01:36:02,709 --> 01:36:01,199

talking to

2394

01:36:05,109 --> 01:36:02,719

and

2395

01:36:06,310 --> 01:36:05,119

i'm not getting conspiratorial here when

2396

01:36:09,270 --> 01:36:06,320

i say

2397

01:36:13,510 --> 01:36:11,910

asking lou elizondo a question he really

2398

01:36:15,350 --> 01:36:13,520

doesn't want to answer

2399

01:36:17,350 --> 01:36:15,360

there's nothing wrong with that i'm only

2400

01:36:18,310 --> 01:36:17,360

asking questions

2401

01:36:20,470 --> 01:36:18,320

and

2402

01:36:23,910 --> 01:36:20,480

i find it really interesting

2403

01:36:26,310 --> 01:36:23,920

and see this adds to the conspiracy this

2404

01:36:29,030 --> 01:36:26,320

adds to the confusion and the mystery of

2405

01:36:31,510 --> 01:36:29,040

lou elizondo when anybody says anything

2406

01:36:33,189 --> 01:36:31,520

bad about lou elizondo all these twitter

2407

01:36:35,270 --> 01:36:33,199

trolls

2408

01:36:38,629 --> 01:36:35,280

that won't tell you who they are they've

2409

01:36:41,990 --> 01:36:38,639

got fake names you know weird profile

2410

01:36:43,590 --> 01:36:42,000

pictures the same thing we've saw before

2411

01:36:45,510 --> 01:36:43,600

they come out of the woodwork start

2412

01:36:48,470 --> 01:36:45,520

arguing with you attacking you and

2413

01:36:50,149 --> 01:36:48,480

attempting to bully you to shut you up

2414

01:36:53,189 --> 01:36:50,159

i'm not going to be shut up by a bunch

2415

01:36:55,830 --> 01:36:53,199

of twitter idiots that are such cowards

2416

01:36:58,870 --> 01:36:55,840

they won't show their name and face

2417

01:36:59,750 --> 01:36:58,880

my name and my face are on twitter when

2418

01:37:02,550 --> 01:36:59,760

you

2419

01:37:04,229 --> 01:37:02,560

see a message from me that's my name

2420

01:37:06,629 --> 01:37:04,239

that's my face

2421

01:37:10,950 --> 01:37:06,639

so you know some guy named too much

2422

01:37:13,109 --> 01:37:10,960

information or gray alien 77 with a

2423

01:37:16,149 --> 01:37:13,119

picture of a gray alien i'm not arguing

2424

01:37:17,109 --> 01:37:16,159

with fake people if you want to interact

2425

01:37:19,590 --> 01:37:17,119

with me

2426

01:37:21,590 --> 01:37:19,600

you will do me the same respect that i

2427

01:37:22,709 --> 01:37:21,600

you will give me the same respect that i

2428

01:37:25,270 --> 01:37:22,719

give you

2429

01:37:26,550 --> 01:37:25,280

when i tell you something you know

2430

01:37:29,830 --> 01:37:26,560

it's me

2431

01:37:32,470 --> 01:37:29,840

my name and my face telling you that

2432

01:37:35,350 --> 01:37:32,480

i'm not hiding behind a fake account a

2433

01:37:36,629 --> 01:37:35,360

fake name right

2434

01:37:41,350 --> 01:37:36,639

so

2435

01:37:43,669 --> 01:37:41,360

cowards or you know i got one guy that's

2436

01:37:45,990 --> 01:37:43,679

gotta it's it appears to be a real name

2437

01:37:48,709 --> 01:37:46,000

and he's telling me i'm a dod i work for

2438

01:37:51,430 --> 01:37:48,719

the department of defense you're wrong

2439

01:37:53,109 --> 01:37:51,440

great let's verify your employment he

2440

01:37:54,790 --> 01:37:53,119

doesn't want to do that he doesn't want

2441

01:37:56,550 --> 01:37:54,800

to provide proof that he actually works

2442

01:37:58,950 --> 01:37:56,560

for the department of defense he just

2443

01:38:00,950 --> 01:37:58,960

wants to tell me i'm wrong because some

2444

01:38:02,709 --> 01:38:00,960

random guy on twitter said he works for

2445

01:38:05,430 --> 01:38:02,719

the department of defense and he's an

2446

01:38:10,629 --> 01:38:08,229

great great pardon me

2447

01:38:12,229 --> 01:38:10,639

if i will get my information about

2448

01:38:14,790 --> 01:38:12,239

government pay

2449

01:38:16,390 --> 01:38:14,800

and how things work inside the

2450

01:38:18,229 --> 01:38:16,400

government from people

2451

01:38:21,189 --> 01:38:18,239

that i'm sure actually work for the

2452

01:38:24,629 --> 01:38:21,199

government not some rando on twitter who

2453

01:38:28,470 --> 01:38:24,639

says he does but won't prove it

2454

01:38:30,950 --> 01:38:28,480

lou elizondo has the same kind of army

2455

01:38:33,750 --> 01:38:30,960

of idiots that used to but we used to

2456

01:38:36,390 --> 01:38:33,760

call the tsa fanboys

2457

01:38:38,709 --> 01:38:36,400

he has the same arm there's it's not the

2458

01:38:41,430 --> 01:38:38,719

same people but it's like the same army

2459

01:38:44,790 --> 01:38:41,440

of idiots nameless faceless people that

2460

01:38:47,830 --> 01:38:44,800

will argue with you for 17 hours a day

2461

01:38:49,669 --> 01:38:47,840

about how wrong you are about tsa look

2462

01:38:53,109 --> 01:38:49,679

how that worked out where are all those

2463

01:38:55,189 --> 01:38:53,119

ttsa fanboys now now that it's pretty

2464

01:38:57,030 --> 01:38:55,199

clear that tom delong and his buddies

2465

01:38:58,790 --> 01:38:57,040

ran off with millions of dollars and

2466

01:38:59,910 --> 01:38:58,800

delivered next to nothing that they

2467

01:39:01,270 --> 01:38:59,920

promised

2468

01:39:03,590 --> 01:39:01,280

and by the way

2469

01:39:06,149 --> 01:39:03,600

that's some other questions that lou

2470

01:39:07,830 --> 01:39:06,159

elizondo should have to answer for hey

2471

01:39:09,990 --> 01:39:07,840

lou elizondo

2472

01:39:13,270 --> 01:39:10,000

your organization while you were a

2473

01:39:14,709 --> 01:39:13,280

member of it ttsa promised everybody

2474

01:39:16,870 --> 01:39:14,719

that they were going to build a

2475

01:39:19,030 --> 01:39:16,880

revolutionary spaceship

2476
01:39:21,270 --> 01:39:19,040
with a revolutionary power source that

2477
01:39:24,390 --> 01:39:21,280
would change the world while they were

2478
01:39:27,270 --> 01:39:24,400
soliciting millions of dollars in

2479
01:39:29,270 --> 01:39:27,280
investor money from the public

2480
01:39:30,950 --> 01:39:29,280
where's the spaceship

2481
01:39:34,229 --> 01:39:30,960
luellazondo

2482
01:39:37,109 --> 01:39:34,239
where's the spaceship tom delong

2483
01:39:38,950 --> 01:39:37,119
i don't see a spaceship lou elizondo

2484
01:39:41,270 --> 01:39:38,960
shouldn't you have to answer questions

2485
01:39:43,830 --> 01:39:41,280
about why the organization you were a

2486
01:39:45,030 --> 01:39:43,840
part of lied through their teeth to

2487
01:39:46,550 --> 01:39:45,040
everyone

2488
01:39:51,189 --> 01:39:46,560

and said they were going to build a

2489

01:39:53,669 --> 01:39:51,199

spaceship you guys promised a spaceship

2490

01:39:56,550 --> 01:39:53,679

and until i get a ride on the spaceship

2491

01:40:01,189 --> 01:39:56,560

with lou elizondo i'm going to be on his

2492

01:40:01,199 --> 01:40:05,430

now i'm getting a little upset

2493

01:40:10,310 --> 01:40:08,070

i have the right to ask lou elizondo

2494

01:40:13,510 --> 01:40:10,320

questions and the fact remains that

2495

01:40:16,070 --> 01:40:13,520

despite what lou elizondo says

2496

01:40:18,550 --> 01:40:16,080

about he'll go on any show

2497

01:40:20,709 --> 01:40:18,560

look at his reaction to one

2498

01:40:23,350 --> 01:40:20,719

question i have

2499

01:40:25,590 --> 01:40:23,360

i asked one question

2500

01:40:28,470 --> 01:40:25,600

through kurt at theories of everything

2501

01:40:31,750 --> 01:40:28,480

look at how he responded

2502

01:40:34,550 --> 01:40:31,760

it may after you see that video

2503

01:40:38,790 --> 01:40:34,560

become a little more clear

2504

01:40:42,149 --> 01:40:38,800

about why mr lou elizondo only does ufo

2505

01:40:44,629 --> 01:40:42,159

circle jerks with fans or people that

2506

01:40:48,229 --> 01:40:44,639

are not well informed enough

2507

01:40:50,629 --> 01:40:48,239

to really ask him the hard questions

2508

01:40:53,669 --> 01:40:50,639

that people need to ask him so you've

2509

01:40:55,510 --> 01:40:53,679

heard one of my questions asked to him

2510

01:40:58,390 --> 01:40:55,520

tonight we've heard a second question

2511

01:41:00,790 --> 01:40:58,400

asked to him hey lou elizondo where's

2512

01:41:03,510 --> 01:41:00,800

the spaceship that your organization

2513

01:41:05,270 --> 01:41:03,520

that you were a part of

2514

01:41:07,830 --> 01:41:05,280

where's the spaceship you promised

2515

01:41:10,709 --> 01:41:07,840

investors while you were taking money

2516

01:41:13,910 --> 01:41:10,719

here's another question lou elizondo you

2517

01:41:16,310 --> 01:41:13,920

were part of tsa what were you paid to

2518

01:41:18,390 --> 01:41:16,320

be a part of that organization how much

2519

01:41:20,790 --> 01:41:18,400

of the millions of dollars that was

2520

01:41:23,669 --> 01:41:20,800

collected did you receive in

2521

01:41:28,709 --> 01:41:23,679

compensation

2522

01:41:31,109 --> 01:41:28,719

for being on the history channel show

2523

01:41:32,870 --> 01:41:31,119

how much compensation are you receiving

2524

01:41:35,109 --> 01:41:32,880

for writing a book

2525

01:41:39,350 --> 01:41:35,119

and to be clear i have no problem with

2526

01:41:41,189 --> 01:41:39,360
mr lou elizondo making a living

2527

01:41:45,430 --> 01:41:41,199
selling ufo

2528

01:41:48,550 --> 01:41:45,440
stories or his expertise on ufos

2529

01:41:49,910 --> 01:41:48,560
but i have a real problem here the real

2530

01:41:52,390 --> 01:41:49,920
problem is that

2531

01:41:55,430 --> 01:41:52,400
despite what everybody will argue with

2532

01:42:02,070 --> 01:41:58,830
lou elizondo has yet to prove

2533

01:42:05,189 --> 01:42:02,080
definitively that he ran a program that

2534

01:42:07,270 --> 01:42:05,199
he said now i get it senator harry reid

2535

01:42:10,229 --> 01:42:07,280
wrote him a letter that said he ran the

2536

01:42:12,390 --> 01:42:10,239
program but now there's new revelations

2537

01:42:14,790 --> 01:42:12,400
about that program

2538

01:42:16,709 --> 01:42:14,800

in the form of a book by george knapp

2539

01:42:18,310 --> 01:42:16,719

and i got to tell you either george

2540

01:42:21,669 --> 01:42:18,320

knapp and the people he wrote the book

2541

01:42:24,629 --> 01:42:21,679

with or lou elizondo are lying and

2542

01:42:27,189 --> 01:42:24,639

misleading the public so which is it

2543

01:42:30,229 --> 01:42:27,199

mr elizondo is george knapp and his

2544

01:42:32,149 --> 01:42:30,239

friend that ran asap lying

2545

01:42:34,629 --> 01:42:32,159

or are you lying

2546

01:42:37,189 --> 01:42:34,639

you said you ran this government program

2547

01:42:39,030 --> 01:42:37,199

and now we get the revelation that there

2548

01:42:41,590 --> 01:42:39,040

was no funding for the government

2549

01:42:43,109 --> 01:42:41,600

program you claim that you ran

2550

01:42:45,189 --> 01:42:43,119

now

2551

01:42:48,070 --> 01:42:45,199

dr eric davis

2552

01:42:51,590 --> 01:42:48,080

claimed that he worked for atip

2553

01:42:53,910 --> 01:42:51,600

as a consultant for free

2554

01:42:55,430 --> 01:42:53,920

i want a clarification

2555

01:42:57,590 --> 01:42:55,440

how much

2556

01:43:00,310 --> 01:42:57,600

money were you paid to run the atip

2557

01:43:02,629 --> 01:43:00,320

program lou elizondo

2558

01:43:07,910 --> 01:43:02,639

and how could you be paid anything from

2559

01:43:12,070 --> 01:43:09,430

no

2560

01:43:14,709 --> 01:43:12,080

there are reasons that lou elizondo will

2561

01:43:18,709 --> 01:43:14,719

grant virtually everybody in the ufo

2562

01:43:21,270 --> 01:43:18,719

community an interview except for me

2563

01:43:24,149 --> 01:43:21,280

because most of these people in the ufo

2564

01:43:27,990 --> 01:43:24,159

community are big fans of his they want

2565

01:43:30,470 --> 01:43:28,000

to softball him with softball fan

2566

01:43:33,750 --> 01:43:30,480

questions they're big fans of his

2567

01:43:36,229 --> 01:43:33,760

they want to lick his ass and ask him

2568

01:43:39,830 --> 01:43:36,239

softball questions and tell him what a

2569

01:43:43,750 --> 01:43:39,840

big fan they are of him nobody will ask

2570

01:43:45,990 --> 01:43:43,760

him these tough questions apparently

2571

01:43:47,590 --> 01:43:46,000

except me

2572

01:43:49,350 --> 01:43:47,600

now it should be noted there's a few

2573

01:43:50,790 --> 01:43:49,360

other shows that i'm aware of that he he

2574

01:43:52,709 --> 01:43:50,800

won't do there

2575

01:43:55,030 --> 01:43:52,719

he won't do their show

2576

01:43:57,189 --> 01:43:55,040

and each of those shows are people that

2577

01:43:59,030 --> 01:43:57,199

i would trust to ask him these hard

2578

01:44:01,910 --> 01:43:59,040

questions

2579

01:44:04,870 --> 01:44:01,920

so people can argue with me on twitter

2580

01:44:07,750 --> 01:44:04,880

the fact remains that there is an

2581

01:44:12,149 --> 01:44:07,760

incredible amount of murkiness and

2582

01:44:14,709 --> 01:44:12,159

mystery and lack of clarity involving

2583

01:44:18,790 --> 01:44:14,719

mr lou elizondo he's an enigma and a

2584

01:44:24,790 --> 01:44:21,750

now it may be a harsh belief

2585

01:44:26,229 --> 01:44:24,800

but i'm entitled to my beliefs right

2586

01:44:29,189 --> 01:44:26,239

i believe

2587

01:44:31,750 --> 01:44:29,199

that mr lou elizondo accepting money

2588

01:44:34,550 --> 01:44:31,760

while he's standing up and saying i ran

2589

01:44:35,990 --> 01:44:34,560

this program atip and the government

2590

01:44:37,830 --> 01:44:36,000

disputes that

2591

01:44:40,709 --> 01:44:37,840

could be considered a form of consumer

2592

01:44:43,109 --> 01:44:40,719

fraud you're telling people i ran this

2593

01:44:45,510 --> 01:44:43,119

government program i was in charge of it

2594

01:44:47,430 --> 01:44:45,520

and you're accepting money

2595

01:44:49,910 --> 01:44:47,440

but the government says

2596

01:44:54,070 --> 01:44:49,920

some parts of the government say you had

2597

01:44:56,550 --> 01:44:54,080

had zero involvement in the atip program

2598

01:44:58,470 --> 01:44:56,560

others said that you had

2599

01:44:59,910 --> 01:44:58,480

some assignment in it

2600

01:45:03,750 --> 01:44:59,920

this is so

2601
01:45:08,709 --> 01:45:03,760
why is it so murky why can't we find one

2602
01:45:12,310 --> 01:45:10,390
john from the black vault went nuts

2603
01:45:14,310 --> 01:45:12,320
filing 40 requests he couldn't find

2604
01:45:16,310 --> 01:45:14,320
anything

2605
01:45:18,790 --> 01:45:16,320
that would prove

2606
01:45:21,030 --> 01:45:18,800
beyond a shadow of a doubt that lou

2607
01:45:23,270 --> 01:45:21,040
elizondo's claims are real

2608
01:45:26,070 --> 01:45:23,280
but here welcome to the circus called

2609
01:45:27,109 --> 01:45:26,080
ufos right it's like we get this guy bob

2610
01:45:29,189 --> 01:45:27,119
lazar

2611
01:45:31,669 --> 01:45:29,199
he's a physicist he's a government's

2612
01:45:33,510 --> 01:45:31,679
former government scientist

2613
01:45:35,830 --> 01:45:33,520

except he's not a scientist and you

2614

01:45:38,070 --> 01:45:35,840

can't verify anything about his

2615

01:45:40,229 --> 01:45:38,080

educational claims

2616

01:45:42,790 --> 01:45:40,239

this

2617

01:45:45,189 --> 01:45:42,800

intentional murkiness

2618

01:45:47,510 --> 01:45:45,199

and muddying the waters

2619

01:45:51,510 --> 01:45:47,520

is the hallmark of an intelligence

2620

01:45:56,470 --> 01:45:54,310

now i won't speculate further

2621

01:46:01,669 --> 01:45:56,480

it's enough that i've stated my belief

2622

01:46:01,679 --> 01:46:04,070

and

2623

01:46:07,189 --> 01:46:05,830

i'm gonna try to get to the bottom of

2624

01:46:10,870 --> 01:46:07,199

some of it

2625

01:46:16,070 --> 01:46:12,950

now

2626

01:46:18,070 --> 01:46:16,080

just as the fanboys of tsa

2627

01:46:20,229 --> 01:46:18,080

slithered away with their tail between

2628

01:46:23,189 --> 01:46:20,239

their legs when it became abundantly

2629

01:46:25,430 --> 01:46:23,199

clear that tsa was a money-grubbing

2630

01:46:27,830 --> 01:46:25,440

scam and they would never produce a

2631

01:46:30,390 --> 01:46:27,840

spaceship like they promised

2632

01:46:32,790 --> 01:46:30,400

these fanboys of lou elizondo

2633

01:46:35,030 --> 01:46:32,800

will go

2634

01:46:38,830 --> 01:46:35,040

whimpering away with their tail between

2635

01:46:41,109 --> 01:46:38,840

their legs in due time

2636

01:46:43,830 --> 01:46:41,119

because there is a great deal of

2637

01:46:46,070 --> 01:46:43,840

problems with mr lou elizondo

2638

01:46:47,590 --> 01:46:46,080

i should mention that he's

2639

01:46:49,030 --> 01:46:47,600

basically the source of the new york

2640

01:46:49,990 --> 01:46:49,040

times article that got all of this

2641

01:46:51,830 --> 01:46:50,000

started

2642

01:46:52,629 --> 01:46:51,840

and the new york times article we now

2643

01:46:55,750 --> 01:46:52,639

know

2644

01:46:57,590 --> 01:46:55,760

was extremely extremely

2645

01:47:00,149 --> 01:46:57,600

misleading

2646

01:47:01,990 --> 01:47:00,159

does he bear any responsibility for

2647

01:47:03,270 --> 01:47:02,000

misleading the public for the past four

2648

01:47:05,510 --> 01:47:03,280

years

2649

01:47:07,189 --> 01:47:05,520

after all he's the one

2650

01:47:09,189 --> 01:47:07,199

who

2651

01:47:11,109 --> 01:47:09,199

it's

2652

01:47:13,430 --> 01:47:11,119

the originator

2653

01:47:17,030 --> 01:47:13,440

some would say of that new york times

2654

01:47:22,310 --> 01:47:19,270

there is proof

2655

01:47:23,430 --> 01:47:22,320

in the form of a form that he filled out

2656

01:47:26,629 --> 01:47:23,440

himself

2657

01:47:30,950 --> 01:47:26,639

saying that he was a g15 there is proof

2658

01:47:35,189 --> 01:47:32,790

but so far

2659

01:47:37,750 --> 01:47:35,199

if you're trying to get to the bottom of

2660

01:47:40,070 --> 01:47:37,760

his claims to run the government's top

2661

01:47:43,430 --> 01:47:40,080

secret ufo program

2662

01:47:46,390 --> 01:47:43,440

all we get is murkiness muddiness and

2663

01:47:48,790 --> 01:47:46,400

confusion

2664

01:47:50,310 --> 01:47:48,800

confusing the enemy my friends is

2665

01:47:54,550 --> 01:47:50,320

exactly

2666

01:47:57,669 --> 01:47:54,560

what a counterintelligence officer does

2667

01:48:00,070 --> 01:47:57,679

confusing the enemy is what they do

2668

01:48:05,669 --> 01:48:00,080

and this man

2669

01:48:05,679 --> 01:48:09,109

and just as

2670

01:48:14,709 --> 01:48:12,629

the mythology of ufos have has always

2671

01:48:17,030 --> 01:48:14,719

taught us up until now

2672

01:48:18,950 --> 01:48:17,040

the government has held these secrets

2673

01:48:20,390 --> 01:48:18,960

for 70 years

2674

01:48:23,430 --> 01:48:20,400

but now

2675

01:48:24,470 --> 01:48:23,440

these fanboys of louisando expect us to

2676
01:48:27,350 --> 01:48:24,480
believe

2677
01:48:30,229 --> 01:48:27,360
that after 70 years of hiding the

2678
01:48:33,270 --> 01:48:30,239
biggest secret in human history

2679
01:48:36,790 --> 01:48:33,280
a former government counterintelligence

2680
01:48:37,830 --> 01:48:36,800
officer is going to bring us disclosure

2681
01:48:41,990 --> 01:48:37,840
sure

2682
01:48:44,070 --> 01:48:42,000
so

2683
01:48:47,750 --> 01:48:44,080
i've said my piece on this you can check

2684
01:48:49,430 --> 01:48:47,760
out the video of mr lou elizondo

2685
01:48:51,189 --> 01:48:49,440
answering my question

2686
01:48:53,669 --> 01:48:51,199
and let me know what you think in the

2687
01:48:55,910 --> 01:48:53,679
comments of that video

2688
01:48:57,910 --> 01:48:55,920

i've also just like to mention

2689

01:49:00,550 --> 01:48:57,920

uh that we're still trying to help alien

2690

01:49:03,510 --> 01:49:00,560

girl our guest from last night

2691

01:49:06,470 --> 01:49:03,520

to get to the magic numbers

2692

01:49:08,470 --> 01:49:06,480

so i've included her

2693

01:49:11,149 --> 01:49:08,480

uh you can go to

2694

01:49:13,669 --> 01:49:11,159

her channel it's aliengirl111 just put

2695

01:49:15,750 --> 01:49:13,679

aliengirl111 in the search bar

2696

01:49:17,750 --> 01:49:15,760

go there do me a favor and subscribe

2697

01:49:19,669 --> 01:49:17,760

she's trying really hard to get to the

2698

01:49:21,109 --> 01:49:19,679

youtube magic numbers and she deserves

2699

01:49:23,189 --> 01:49:21,119

it

2700

01:49:26,310 --> 01:49:23,199

do me a favor and do that let's see if

2701

01:49:27,030 --> 01:49:26,320

we can get her over the magic numbers

2702

01:49:28,950 --> 01:49:27,040

so

2703

01:49:31,350 --> 01:49:28,960

friends i've said my piece for tonight i

2704

01:49:33,750 --> 01:49:31,360

hope you guys are enjoying uh this week

2705

01:49:36,470 --> 01:49:33,760

of increased truth seekers content

2706

01:49:38,149 --> 01:49:36,480

because i am honestly exhausted

2707

01:49:39,589 --> 01:49:38,159

this is a lot harder than i thought it

2708

01:49:43,270 --> 01:49:39,599

was going to be

2709

01:49:45,990 --> 01:49:43,280

um but i'm i'm uh i'm thankful for the

2710

01:49:48,229 --> 01:49:46,000

opportunity to do this it has been uh it

2711

01:49:50,229 --> 01:49:48,239

has been a hard work

2712

01:49:51,830 --> 01:49:50,239

so far this week but it has been

2713

01:49:54,229 --> 01:49:51,840

incredibly

2714

01:49:56,950 --> 01:49:54,239

personally rewarding you know i feel

2715

01:49:57,750 --> 01:49:56,960

like i'm right where i need to be

2716

01:49:59,910 --> 01:49:57,760

and

2717

01:50:03,669 --> 01:49:59,920

you know if you think about it

2718

01:50:08,390 --> 01:50:06,070

that's priceless

2719

01:50:09,910 --> 01:50:08,400

so thank you all for coming i always say

2720

01:50:11,270 --> 01:50:09,920

this i'm always happy when there's an

2721

01:50:12,629 --> 01:50:11,280

audience thank you for coming here

2722

01:50:14,470 --> 01:50:12,639

tonight and being a part of mine i want

2723

01:50:16,229 --> 01:50:14,480

to thank my guests tonight mike ellis

2724

01:50:18,390 --> 01:50:16,239

who helped me explore an enduring

2725

01:50:20,229 --> 01:50:18,400

mystery that i've always loved

2726

01:50:21,910 --> 01:50:20,239

love a great mystery

2727

01:50:24,229 --> 01:50:21,920

so until next time friends my name is

2728

01:50:27,930 --> 01:50:24,239

stephen campion good night and god bless

2729

01:51:58,110 --> 01:51:18,910

[Music]

2730

01:52:32,400 --> 01:51:58,120

[Applause]
