# HOW

LEGACY CONTENT

004 Ghosts and Demons with John Ventre

1  
00:00:05,430 --> 00:00:02,869  
this program is a legacy program which

2  
00:00:07,909 --> 00:00:05,440  
was recorded some time ago

3  
00:00:10,390 --> 00:00:07,919  
views and subject matter are products of

4  
00:00:13,030 --> 00:00:10,400  
the time in which they were recorded and

5  
00:00:15,930 --> 00:00:13,040  
may not reflect current news or cultural

6  
00:00:33,910 --> 00:00:15,940  
stances

7  
00:00:33,920 --> 00:00:37,140  
so

8  
00:01:02,310 --> 00:00:46,710  
[Music]

9  
00:01:05,840 --> 00:01:02,320  
[Applause]

10  
00:01:11,150 --> 00:01:08,290  
[Music]

11  
00:01:17,830 --> 00:01:11,160  
[Applause]

12  
00:01:45,670 --> 00:01:18,980  
so

13  
00:02:15,540 --> 00:01:45,680

[Music]

14

00:02:22,420 --> 00:02:15,550

[Applause]

15

00:02:25,280 --> 00:02:22,430

[Music]

16

00:02:48,070 --> 00:02:25,290

[Applause]

17

00:02:54,070 --> 00:02:51,190

well greetings and salutations

18

00:02:55,910 --> 00:02:54,080

and welcome back my friends to another

19

00:02:58,470 --> 00:02:55,920

exciting edition

20

00:03:00,869 --> 00:02:58,480

of the mystery man show

21

00:03:02,470 --> 00:03:00,879

this is the midnight hour where we

22

00:03:05,750 --> 00:03:02,480

explore

23

00:03:08,550 --> 00:03:05,760

all the things paranormal

24

00:03:10,790 --> 00:03:08,560

and we investigate for you

25

00:03:12,229 --> 00:03:10,800

some of the greatest mysteries on planet

26

00:03:13,990 --> 00:03:12,239

earth

27

00:03:17,670 --> 00:03:14,000

and some of the greatest mysteries that

28

00:03:19,990 --> 00:03:17,680

i've ever heard of involve ghosts and

29

00:03:23,589 --> 00:03:20,000

demons

30

00:03:26,070 --> 00:03:23,599

is there really an afterlife and if so

31

00:03:28,390 --> 00:03:26,080

can the people that have

32

00:03:31,750 --> 00:03:28,400

let's say passed over

33

00:03:34,630 --> 00:03:31,760

kind of reach back into the land of the

34

00:03:37,830 --> 00:03:34,640

living and communicate or

35

00:03:41,270 --> 00:03:37,840

somehow affect this world still

36

00:03:43,350 --> 00:03:41,280

and even more scary what about demons

37

00:03:45,910 --> 00:03:43,360

because we hear a lot of stories about

38

00:03:49,030 --> 00:03:45,920

hauntings where people say well that's

39

00:03:51,030 --> 00:03:49,040

not a human entity or ghost

40

00:03:53,190 --> 00:03:51,040

that is a demon

41

00:03:56,070 --> 00:03:53,200

and those tend to be

42

00:03:59,750 --> 00:03:56,080

the cases of the most severe

43

00:04:00,789 --> 00:03:59,760

and scary honestly uh phenomenon that

44

00:04:02,869 --> 00:04:00,799

happens

45

00:04:04,949 --> 00:04:02,879

and so i have a particular interest in

46

00:04:06,789 --> 00:04:04,959

that kind of stuff

47

00:04:08,309 --> 00:04:06,799

and there are people who study this

48

00:04:11,190 --> 00:04:08,319

stuff

49

00:04:13,030 --> 00:04:11,200

and more particularly study

50

00:04:16,150 --> 00:04:13,040

the the science

51

00:04:18,469 --> 00:04:16,160

of demonology

52

00:04:20,310 --> 00:04:18,479

naming them

53

00:04:21,830 --> 00:04:20,320

learning about them and their

54

00:04:22,629 --> 00:04:21,840

capabilities

55

00:04:29,749 --> 00:04:22,639

and

56

00:04:32,469 --> 00:04:29,759

these uh parapsychologists kind of are

57

00:04:35,590 --> 00:04:32,479

fighting demons to get demons out of

58

00:04:38,870 --> 00:04:35,600

people's houses or to get demons

59

00:04:41,670 --> 00:04:38,880

you know to stop oppressing someone

60

00:04:44,710 --> 00:04:41,680

and even more interesting to me is

61

00:04:45,830 --> 00:04:44,720

the phenomenon of possession

62

00:04:48,150 --> 00:04:45,840

because

63

00:04:50,550 --> 00:04:48,160

i mean that is really a scary thing

64

00:04:51,670 --> 00:04:50,560

imagine a demon coming and possessing

65

00:04:58,790 --> 00:04:51,680

you

66

00:05:02,070 --> 00:04:58,800

and forcing their will upon the world

67

00:05:03,909 --> 00:05:02,080

through your physical body

68

00:05:05,670 --> 00:05:03,919

is that even possible

69

00:05:08,550 --> 00:05:05,680

i mean i'm not sure

70

00:05:11,350 --> 00:05:08,560

i i've heard and read of so many

71

00:05:14,790 --> 00:05:11,360

different cases but tonight we're gonna

72

00:05:19,270 --> 00:05:14,800

get uh an inside view into things like

73

00:05:22,950 --> 00:05:19,280

ghosts and more importantly demons

74

00:05:24,950 --> 00:05:22,960

from somebody that has studied them for

75

00:05:27,270 --> 00:05:24,960

many years now

76  
00:05:29,909 --> 00:05:27,280  
and he's a person that is well respected

77  
00:05:31,029 --> 00:05:29,919  
in paranormal circles because of his

78  
00:05:31,830 --> 00:05:31,039  
work

79  
00:05:33,830 --> 00:05:31,840  
with

80  
00:05:39,830 --> 00:05:33,840  
uh

81  
00:05:43,670 --> 00:05:39,840  
study of ufos

82  
00:05:45,510 --> 00:05:43,680  
you may have seen tonight's guest on the

83  
00:05:50,310 --> 00:05:45,520  
ufo hunters

84  
00:05:53,270 --> 00:05:50,320  
or ufos over pittsburgh his own show

85  
00:05:54,950 --> 00:05:53,280  
this man has spent his uh

86  
00:05:57,430 --> 00:05:54,960  
life really

87  
00:05:59,350 --> 00:05:57,440  
dedicated to investigating paranormal

88  
00:06:00,710 --> 00:05:59,360

things

89

00:06:03,670 --> 00:06:00,720

but

90

00:06:06,230 --> 00:06:03,680

the most interesting thing i think about

91

00:06:09,029 --> 00:06:06,240

tonight's show is that tonight for the

92

00:06:13,029 --> 00:06:09,039

first time ever he's going to share his

93

00:06:16,230 --> 00:06:13,039

own personal experience in dealing with

94

00:06:17,430 --> 00:06:16,240

some kind of strange spiritual

95

00:06:20,390 --> 00:06:17,440

ghostly

96

00:06:21,990 --> 00:06:20,400

or even he believes

97

00:06:23,990 --> 00:06:22,000

demonic

98

00:06:26,790 --> 00:06:24,000

entities

99

00:06:27,830 --> 00:06:26,800

which affected his life

100

00:06:30,469 --> 00:06:27,840

in

101  
00:06:32,150 --> 00:06:30,479  
not exactly a positive light as you

102  
00:06:35,189 --> 00:06:32,160  
could imagine

103  
00:06:37,350 --> 00:06:35,199  
and so here's a person who has spent

104  
00:06:39,350 --> 00:06:37,360  
an incredible amount of time

105  
00:06:40,629 --> 00:06:39,360  
dealing with and investigating the

106  
00:06:43,670 --> 00:06:40,639  
paranormal

107  
00:06:48,550 --> 00:06:43,680  
having his own sort of strange spiritual

108  
00:06:51,749 --> 00:06:48,560  
ghostly or let's say demonic experiences

109  
00:06:54,390 --> 00:06:51,759  
and i think he's the best person

110  
00:06:57,510 --> 00:06:54,400  
that i could possibly trust

111  
00:06:59,589 --> 00:06:57,520  
to tell us about these things because

112  
00:07:01,589 --> 00:06:59,599  
not only has he spent a great deal of

113  
00:07:04,309 --> 00:07:01,599

time investigating all kinds of

114

00:07:07,270 --> 00:07:04,319

different paranormal phenomenon

115

00:07:08,469 --> 00:07:07,280

but he had his own personal experiences

116

00:07:10,550 --> 00:07:08,479

with this

117

00:07:13,029 --> 00:07:10,560

and that's what separates him from some

118

00:07:14,870 --> 00:07:13,039

of these people that are just talking

119

00:07:18,870 --> 00:07:14,880

this man had his own personal

120

00:07:22,710 --> 00:07:18,880

experiences with let's say

121

00:07:24,870 --> 00:07:22,720

i don't know being haunted or

122

00:07:27,189 --> 00:07:24,880

oppressed or

123

00:07:31,510 --> 00:07:27,199

somehow affected by

124

00:07:35,029 --> 00:07:31,520

spiritual entities that were outside of

125

00:07:38,469 --> 00:07:35,039

let's say our own dimension

126

00:07:40,469 --> 00:07:38,479

and how he dealt with this phenomenon is

127

00:07:41,589 --> 00:07:40,479

very interesting to me

128

00:07:44,950 --> 00:07:41,599

because

129

00:07:46,469 --> 00:07:44,960

you know some people would just move

130

00:07:48,869 --> 00:07:46,479

when they thought they had a haunted

131

00:07:52,070 --> 00:07:48,879

house or some people would just

132

00:07:55,830 --> 00:07:52,080

kind of run away and uh you know not

133

00:07:56,830 --> 00:07:55,840

really confront the situation

134

00:07:59,990 --> 00:07:56,840

but this

135

00:08:01,990 --> 00:08:00,000

guy i got it i gotta say this guy's got

136

00:08:04,309 --> 00:08:02,000

huge balls because i don't know that i

137

00:08:06,309 --> 00:08:04,319

would have those kind of balls

138

00:08:07,189 --> 00:08:06,319

when confronted with this kind of uh

139

00:08:09,510 --> 00:08:07,199

power

140

00:08:12,950 --> 00:08:09,520

paranormal phenomenon

141

00:08:15,110 --> 00:08:12,960

and strange occurrences and you know it

142

00:08:16,950 --> 00:08:15,120

goes beyond the range of maybe this is

143

00:08:19,110 --> 00:08:16,960

just a coincidence

144

00:08:20,869 --> 00:08:19,120

or maybe this is squirrels up in the

145

00:08:23,749 --> 00:08:20,879

attic

146

00:08:26,309 --> 00:08:23,759

he faced some really strange

147

00:08:28,390 --> 00:08:26,319

phenomenon that couldn't be explained

148

00:08:31,430 --> 00:08:28,400

away by normal

149

00:08:32,870 --> 00:08:31,440

natural means and not only did he face

150

00:08:36,149 --> 00:08:32,880

these things

151  
00:08:38,389 --> 00:08:36,159  
but he developed a line of attacks sort

152  
00:08:41,190 --> 00:08:38,399  
of to

153  
00:08:42,149 --> 00:08:41,200  
i suppose fight these things out of his

154  
00:08:44,149 --> 00:08:42,159  
life

155  
00:08:45,190 --> 00:08:44,159  
and that's where he's at right now at a

156  
00:08:46,470 --> 00:08:45,200  
point of

157  
00:08:47,430 --> 00:08:46,480  
you know

158  
00:08:56,310 --> 00:08:47,440  
i

159  
00:08:59,509 --> 00:08:56,320  
he truly feels that he was

160  
00:09:02,150 --> 00:08:59,519  
i suppose affected by

161  
00:09:03,350 --> 00:09:02,160  
what can only be described as demonic

162  
00:09:04,630 --> 00:09:03,360  
forces

163  
00:09:07,509 --> 00:09:04,640

which

164

00:09:08,870 --> 00:09:07,519

ask any paranormal investigator is much

165

00:09:12,630 --> 00:09:08,880

worse than

166

00:09:15,509 --> 00:09:12,640

you know a ghostly infestation

167

00:09:17,190 --> 00:09:15,519

because as he'll explain to us

168

00:09:18,870 --> 00:09:17,200

during this interview

169

00:09:19,990 --> 00:09:18,880

you know there's a huge difference

170

00:09:22,389 --> 00:09:20,000

between

171

00:09:25,350 --> 00:09:22,399

someone who has a house that is maybe

172

00:09:28,949 --> 00:09:25,360

affected by the spirits of

173

00:09:30,949 --> 00:09:28,959

once human people

174

00:09:32,550 --> 00:09:30,959

you know

175

00:09:35,750 --> 00:09:32,560

that are

176

00:09:37,829 --> 00:09:35,760

i suppose still drawn to that location

177

00:09:41,590 --> 00:09:37,839

or whatever the case may be but there's

178

00:09:44,310 --> 00:09:41,600

a huge distinction between

179

00:09:46,470 --> 00:09:44,320

once human people

180

00:09:47,670 --> 00:09:46,480

that have passed on and are still

181

00:09:50,949 --> 00:09:47,680

somewhat

182

00:09:53,269 --> 00:09:50,959

affecting this world or you know trying

183

00:09:54,310 --> 00:09:53,279

to communicate with this world

184

00:09:56,550 --> 00:09:54,320

and

185

00:09:58,630 --> 00:09:56,560

demonic entities

186

00:10:02,310 --> 00:09:58,640

there's a huge distinction between the

187

00:10:04,949 --> 00:10:02,320

two and the level of disturbance that

188

00:10:08,230 --> 00:10:04,959

that these two separate and and

189

00:10:09,030 --> 00:10:08,240

completely different entities cause

190

00:10:13,590 --> 00:10:09,040

is

191

00:10:14,170 --> 00:10:13,600

anybody that has to deal with stuff like

192

00:10:15,670 --> 00:10:14,180

this

193

00:10:19,990 --> 00:10:15,680

[Applause]

194

00:10:22,069 --> 00:10:20,000

so tonight's expert guest is john ventry

195

00:10:23,590 --> 00:10:22,079

who has been on a whole bunch of

196

00:10:26,550 --> 00:10:23,600

different television shows you may have

197

00:10:28,230 --> 00:10:26,560

seen him on ufo hanger one

198

00:10:30,470 --> 00:10:28,240

you may have seen him on ufos over

199

00:10:33,670 --> 00:10:30,480

pittsburgh his own show

200

00:10:35,430 --> 00:10:33,680

about ufos and the ufo phenomenon

201  
00:10:37,990 --> 00:10:35,440  
but tonight he's going to be talking

202  
00:10:40,470 --> 00:10:38,000  
mostly about

203  
00:10:43,590 --> 00:10:40,480  
demons and demonology and his own

204  
00:10:45,430 --> 00:10:43,600  
experience with what he believes to be

205  
00:10:47,750 --> 00:10:45,440  
demonic entities

206  
00:10:50,150 --> 00:10:47,760  
but before we get to that i am gonna

207  
00:10:52,550 --> 00:10:50,160  
have to ask him some questions about

208  
00:10:55,110 --> 00:10:52,560  
general ufo stuff because that's one of

209  
00:10:55,910 --> 00:10:55,120  
my major interests so please bear with

210  
00:10:57,750 --> 00:10:55,920  
us

211  
00:11:00,630 --> 00:10:57,760  
as we begin the interview we'll talk

212  
00:11:04,389 --> 00:11:00,640  
about ufos but we'll get into this

213  
00:11:06,470 --> 00:11:04,399

whole experience that he had with demons

214

00:11:11,990 --> 00:11:06,480

as the interview progresses without

215

00:11:14,790 --> 00:11:12,829

yeah

216

00:11:17,910 --> 00:11:14,800

i i've

217

00:11:20,150 --> 00:11:17,920

looked into so many ufo things but i i

218

00:11:22,230 --> 00:11:20,160

have to admit that i'm not big on the

219

00:11:23,269 --> 00:11:22,240

abduction thing

220

00:11:25,990 --> 00:11:23,279

i've

221

00:11:28,550 --> 00:11:26,000

read a whole bunch of stuff but to me a

222

00:11:30,310 --> 00:11:28,560

lot of the abduction thing is it's

223

00:11:32,310 --> 00:11:30,320

somebody telling a story with no

224

00:11:33,350 --> 00:11:32,320

corroboration no

225

00:11:35,670 --> 00:11:33,360

you know

226

00:11:37,829 --> 00:11:35,680

no proof i even heard

227

00:11:40,150 --> 00:11:37,839

one of the guys i i kept trying to get

228

00:11:42,150 --> 00:11:40,160

on my show is this david jacobs because

229

00:11:44,790 --> 00:11:42,160

he was a temple university professor

230

00:11:46,949 --> 00:11:44,800

yeah yeah i'm right in philadelphia

231

00:11:49,590 --> 00:11:46,959

and one of the things that he said is

232

00:11:51,829 --> 00:11:49,600

that he has some of his people that he's

233

00:11:52,710 --> 00:11:51,839

working with that get abducted once a

234

00:11:54,550 --> 00:11:52,720

week

235

00:11:57,350 --> 00:11:54,560

and i wanted to ask him then why don't

236

00:11:59,829 --> 00:11:57,360

you set up a video camera

237

00:12:02,069 --> 00:11:59,839

you know and and just monitor that

238

00:12:04,310 --> 00:12:02,079

person for a few weeks and we can get

239

00:12:06,949 --> 00:12:04,320

some proof of this thing but he's never

240

00:12:07,750 --> 00:12:06,959

done that it's just hypnotic regression

241

00:12:09,910 --> 00:12:07,760

and

242

00:12:12,710 --> 00:12:09,920

stories of this stuff i believe that

243

00:12:14,710 --> 00:12:12,720

people are genuinely having some kind of

244

00:12:16,870 --> 00:12:14,720

experience but i don't

245

00:12:19,590 --> 00:12:16,880

i don't know that it's

246

00:12:21,670 --> 00:12:19,600

necessarily extraterrestrials coming out

247

00:12:22,629 --> 00:12:21,680

of flying saucers and abducting these

248

00:12:25,670 --> 00:12:22,639

people

249

00:12:27,670 --> 00:12:25,680

but i've left the possibility open

250

00:12:30,069 --> 00:12:27,680

and you have some interesting theories

251

00:12:31,750 --> 00:12:30,079

about what it could actually be

252

00:12:33,670 --> 00:12:31,760

yeah i actually do and you know uh

253

00:12:36,389 --> 00:12:33,680

jacobs he spoke in philly at my

254

00:12:39,670 --> 00:12:36,399

conference in october he just spoke uh

255

00:12:42,550 --> 00:12:39,680

in april at my eerie conference and i

256

00:12:44,790 --> 00:12:42,560

agree with a lot of his research but i

257

00:12:47,190 --> 00:12:44,800

don't agree with the source of the

258

00:12:49,670 --> 00:12:47,200

abductions he claims these are

259

00:12:52,790 --> 00:12:49,680

extraterrestrials and they're breeding

260

00:12:55,030 --> 00:12:52,800

hybrids who are now hubrids

261

00:12:57,509 --> 00:12:55,040

which are mostly human and and being

262

00:13:01,190 --> 00:12:57,519

controlled and infiltrating everything

263

00:13:04,710 --> 00:13:01,200

and i view it as something else i see

264

00:13:07,750 --> 00:13:04,720

this as a malevolent inter-dimensional

265

00:13:10,150 --> 00:13:07,760

entity and i think that uh

266

00:13:12,389 --> 00:13:10,160

it's more along the biblical lines of

267

00:13:14,069 --> 00:13:12,399

nephilim is it's what it is now it's

268

00:13:15,829 --> 00:13:14,079

probably all the same stuff but we're

269

00:13:17,750 --> 00:13:15,839

calling it different things

270

00:13:19,750 --> 00:13:17,760

and uh you know so some of the things

271

00:13:21,269 --> 00:13:19,760

that you know in my mind i look i've

272

00:13:22,790 --> 00:13:21,279

done some research and i give a real

273

00:13:25,990 --> 00:13:22,800

good presentation i'm going to be doing

274

00:13:28,629 --> 00:13:26,000

it in philly uh this october

275

00:13:31,910 --> 00:13:28,639

on my haunted experiences

276

00:13:33,590 --> 00:13:31,920

and uh how i think this relates to your

277

00:13:35,110 --> 00:13:33,600

abductions now

278

00:13:36,949 --> 00:13:35,120

thirty percent of people have had a

279

00:13:38,870 --> 00:13:36,959

paranormal experience

280

00:13:41,829 --> 00:13:38,880

fourteen percent of people have seen the

281

00:13:44,550 --> 00:13:41,839

ufo and just under three percent believe

282

00:13:48,550 --> 00:13:44,560

they've been abducted when you look at

283

00:13:50,150 --> 00:13:48,560

paranormal contact the positive contact

284

00:13:52,870 --> 00:13:50,160

has always been

285

00:13:56,069 --> 00:13:52,880

near death experiences almost always

286

00:13:58,710 --> 00:13:56,079

positive encounters with nordics or

287

00:14:00,389 --> 00:13:58,720

angels have always been positive on the

288

00:14:02,470 --> 00:14:00,399

negative side

289

00:14:05,670 --> 00:14:02,480

encounters with the grays

290

00:14:08,710 --> 00:14:05,680

bigfoot shadow people slenderman

291

00:14:10,470 --> 00:14:08,720

reptilians and insectoids are always

292

00:14:12,550 --> 00:14:10,480

negative

293

00:14:14,870 --> 00:14:12,560

yeah well i i guess that stands to

294

00:14:17,110 --> 00:14:14,880

reason because you have these nordics or

295

00:14:19,750 --> 00:14:17,120

angels that are always described as you

296

00:14:21,110 --> 00:14:19,760

know bloody human blue-eyed extremely

297

00:14:23,189 --> 00:14:21,120

attractive

298

00:14:26,310 --> 00:14:23,199

yeah and and then you have these other

299

00:14:28,629 --> 00:14:26,320

entities that come across as almost a

300

00:14:31,189 --> 00:14:28,639

horror movie you know yeah

301  
00:14:33,269 --> 00:14:31,199  
absolutely and they come from see i i

302  
00:14:36,550 --> 00:14:33,279  
believe this is an inter-dimensional

303  
00:14:38,470 --> 00:14:36,560  
thing uh and and i don't i don't believe

304  
00:14:41,030 --> 00:14:38,480  
any longer that they actually fly here

305  
00:14:42,629 --> 00:14:41,040  
in a nuts and bolts ship i think this is

306  
00:14:45,110 --> 00:14:42,639  
an interdimensional thing even though

307  
00:14:48,550 --> 00:14:45,120  
there has to be life out there there's

308  
00:14:50,470 --> 00:14:48,560  
8.8 billion earth-like planets just in

309  
00:14:52,790 --> 00:14:50,480  
the milky way galaxy

310  
00:14:54,389 --> 00:14:52,800  
so there has to be a life out there but

311  
00:14:56,790 --> 00:14:54,399  
i think what we're encountering

312  
00:14:58,949 --> 00:14:56,800  
encountering is

313  
00:15:01,189 --> 00:14:58,959

is inter-dimensional and i think there's

314

00:15:03,590 --> 00:15:01,199

a malevolent group and they're that

315

00:15:05,829 --> 00:15:03,600

hates us and there's this uh guardian

316

00:15:07,670 --> 00:15:05,839

group that that protects us i really

317

00:15:10,389 --> 00:15:07,680

believe that 100

318

00:15:13,030 --> 00:15:10,399

and uh so so you know what i what i did

319

00:15:14,550 --> 00:15:13,040

was i said okay let's i spent almost two

320

00:15:17,829 --> 00:15:14,560

years now

321

00:15:19,590 --> 00:15:17,839

looking at demonology exorcism

322

00:15:21,670 --> 00:15:19,600

paranormal stuff

323

00:15:23,430 --> 00:15:21,680

and uh you know i've come up with a lot

324

00:15:25,670 --> 00:15:23,440

of good information and i'm about ready

325

00:15:26,629 --> 00:15:25,680

to publish a book probably in july on

326

00:15:27,590 --> 00:15:26,639

this

327

00:15:29,910 --> 00:15:27,600

that's really going to tell you

328

00:15:32,470 --> 00:15:29,920

everything you need to know about uh

329

00:15:34,069 --> 00:15:32,480

demonology and interdimensional type

330

00:15:35,509 --> 00:15:34,079

spirits but

331

00:15:37,269 --> 00:15:35,519

but here's just some stuff maybe you

332

00:15:38,230 --> 00:15:37,279

know there's some other shows and maybe

333

00:15:42,389 --> 00:15:38,240

you don't

334

00:15:45,350 --> 00:15:42,399

ghosts right ghosts are basically human

335

00:15:48,790 --> 00:15:45,360

spirits they died they have some sort of

336

00:15:51,749 --> 00:15:48,800

unfinished business they're not able to

337

00:15:53,110 --> 00:15:51,759

move large objects they can move smaller

338

00:15:54,710 --> 00:15:53,120

items

339

00:15:56,870 --> 00:15:54,720

you know they can move a piece of paper

340

00:15:58,790 --> 00:15:56,880

they maybe can hide your keys you know

341

00:16:01,910 --> 00:15:58,800

something like that uh when it happens

342

00:16:04,230 --> 00:16:01,920

but they are not powerful enough to uh

343

00:16:05,509 --> 00:16:04,240

you know throw uh tables around your

344

00:16:07,590 --> 00:16:05,519

kitchen and

345

00:16:10,389 --> 00:16:07,600

and and books and levitate and stuff

346

00:16:13,829 --> 00:16:10,399

that's not a ghost a ghost is pretty

347

00:16:16,710 --> 00:16:13,839

much lost it's here and the interesting

348

00:16:19,749 --> 00:16:16,720

thing is you cannot have an exorcism and

349

00:16:22,069 --> 00:16:19,759

get rid of a ghost they're not demonic

350

00:16:25,590 --> 00:16:22,079

the church cannot rid your house of a

351

00:16:27,269 --> 00:16:25,600

ghost you can ask it to go to the light

352

00:16:29,910 --> 00:16:27,279

if it doesn't want to it can stay

353

00:16:32,389 --> 00:16:29,920

forever you can have a poltergeist

354

00:16:33,829 --> 00:16:32,399

forever because they have free will

355

00:16:37,030 --> 00:16:33,839

they're just lost

356

00:16:41,430 --> 00:16:37,040

yeah i've i've heard that in a lot of my

357

00:16:43,829 --> 00:16:41,440

readings of just paranormal stuff that

358

00:16:46,629 --> 00:16:43,839

when somebody has a haunting in their

359

00:16:49,670 --> 00:16:46,639

home if it's low level not very

360

00:16:51,590 --> 00:16:49,680

malevolent you know it could be

361

00:16:53,829 --> 00:16:51,600

former resident of the home that is

362

00:16:56,629 --> 00:16:53,839

somehow still dwelling there

363

00:16:59,670 --> 00:16:56,639

as a ghost it's a former human spirit

364

00:17:02,389 --> 00:16:59,680

but the really serious scary stuff where

365

00:17:04,789 --> 00:17:02,399

there's really a huge amount of activity

366

00:17:08,309 --> 00:17:04,799

and all this other stuff turns out to be

367

00:17:10,390 --> 00:17:08,319

demonic usually yeah absolutely yeah and

368

00:17:12,390 --> 00:17:10,400

there's really three types of entities

369

00:17:14,549 --> 00:17:12,400

so you have ghosts the second one are

370

00:17:16,470 --> 00:17:14,559

elementals i mean you know like these

371

00:17:19,829 --> 00:17:16,480

are words i've heard but i couldn't tell

372

00:17:23,350 --> 00:17:19,839

you what they meant an elemental is a

373

00:17:26,309 --> 00:17:23,360

spirit from nature or animals

374

00:17:28,549 --> 00:17:26,319

right so white witches or wiccans they

375

00:17:30,870 --> 00:17:28,559

call upon elementals so these are

376

00:17:33,750 --> 00:17:30,880

spirits that are in nature and in

377

00:17:37,190 --> 00:17:33,760

animals so they call upon those

378

00:17:40,230 --> 00:17:37,200

inhuman spirits is the third type those

379

00:17:42,549 --> 00:17:40,240

are angels and demons

380

00:17:44,710 --> 00:17:42,559

black witches call upon

381

00:17:46,710 --> 00:17:44,720

inhuman spirits

382

00:17:48,710 --> 00:17:46,720

the demonic spirits

383

00:17:51,430 --> 00:17:48,720

now the interesting thing with this is

384

00:17:54,310 --> 00:17:51,440

when they appear they they usually

385

00:17:55,830 --> 00:17:54,320

cannot materialize a hundred percent

386

00:17:59,350 --> 00:17:55,840

that's why when you think about the

387

00:18:01,909 --> 00:17:59,360

ghost movies and stuff you've seen

388

00:18:05,110 --> 00:18:01,919

it'll be the head of the person the head

389

00:18:09,430 --> 00:18:05,120

in the body missing legs missing arms

390

00:18:10,789 --> 00:18:09,440

um the lower level uh demons can not

391

00:18:13,430 --> 00:18:10,799

they're not powerful enough to

392

00:18:16,390 --> 00:18:13,440

materialize a hundred percent there's

393

00:18:19,510 --> 00:18:16,400

always some body parts missing now the

394

00:18:20,710 --> 00:18:19,520

thing is there are demons and there are

395

00:18:23,590 --> 00:18:20,720

devils

396

00:18:27,270 --> 00:18:23,600

i thought the devil was one guy lucifer

397

00:18:29,990 --> 00:18:27,280

who became satan i i had no idea that

398

00:18:32,310 --> 00:18:30,000

there are multiple devils those are

399

00:18:34,070 --> 00:18:32,320

those higher level fallen angels and

400

00:18:36,630 --> 00:18:34,080

i'll get to that in a second

401

00:18:39,029 --> 00:18:36,640

they're much more powerful

402

00:18:42,710 --> 00:18:39,039

they can manipulate matter

403

00:18:45,990 --> 00:18:42,720

those can appear in full form they can

404

00:18:48,870 --> 00:18:46,000

appear as other creatures they can

405

00:18:51,590 --> 00:18:48,880

appear as ufos now that's interesting

406

00:18:52,710 --> 00:18:51,600

they're powerful enough to put a ufo in

407

00:18:55,510 --> 00:18:52,720

the sky

408

00:18:57,510 --> 00:18:55,520

on radar that can be seen

409

00:18:59,270 --> 00:18:57,520

and it's probably why a lot of these

410

00:19:01,830 --> 00:18:59,280

just blink out and we think they're

411

00:19:04,470 --> 00:19:01,840

cloaking and disappearing but there may

412

00:19:07,190 --> 00:19:04,480

be another answer to this

413

00:19:09,669 --> 00:19:07,200

so uh then what i did

414

00:19:12,470 --> 00:19:09,679

was i i went through

415

00:19:13,750 --> 00:19:12,480

demonology books and all my ufo

416

00:19:17,029 --> 00:19:13,760

knowledge

417

00:19:20,390 --> 00:19:17,039

and i put a list together a long list of

418

00:19:22,710 --> 00:19:20,400

markers or signs of the demonic and

419

00:19:25,270 --> 00:19:22,720

which ones overlap

420

00:19:26,870 --> 00:19:25,280

with ufo abductions

421

00:19:28,950 --> 00:19:26,880

so this will take me a few minutes just

422

00:19:31,510 --> 00:19:28,960

to run through i'll tell you where they

423

00:19:34,789 --> 00:19:31,520

fall in and i've had

424

00:19:38,470 --> 00:19:34,799

about 60 percent of these happen to me

425

00:19:42,549 --> 00:19:38,480

or my kids unfortunately the signs of a

426  
00:19:45,029 --> 00:19:42,559  
demonic encounter so um the ones that

427  
00:19:46,710 --> 00:19:45,039  
can be uh i'll tell you what they are

428  
00:19:49,909 --> 00:19:46,720  
all of a sudden the room gets cold

429  
00:19:53,590 --> 00:19:49,919  
that's demonic if you see white smoke or

430  
00:19:57,190 --> 00:19:53,600  
white orb that can be demonic or ufo

431  
00:20:00,630 --> 00:19:57,200  
if something writes backwards demonic

432  
00:20:03,830 --> 00:20:00,640  
if you get poked like needles poking you

433  
00:20:07,750 --> 00:20:03,840  
demonic you see a hairy creature it can

434  
00:20:08,789 --> 00:20:07,760  
be demonic or ufo if you're scratched or

435  
00:20:09,909 --> 00:20:08,799  
bitten

436  
00:20:11,990 --> 00:20:09,919  
demonic

437  
00:20:15,029 --> 00:20:12,000  
if you have difficulty breathing

438  
00:20:18,310 --> 00:20:15,039

pressure on your chest paralysis while

439

00:20:19,750 --> 00:20:18,320

awake or feeling an entity slipping in

440

00:20:23,190 --> 00:20:19,760

and out of you

441

00:20:24,789 --> 00:20:23,200

that can be demonic or ufo

442

00:20:27,990 --> 00:20:24,799

being able to speak in different

443

00:20:29,270 --> 00:20:28,000

languages or a guttural deep voice

444

00:20:32,630 --> 00:20:29,280

demonic

445

00:20:36,390 --> 00:20:32,640

having vivid lucid dreams waking up

446

00:20:39,669 --> 00:20:36,400

drenched in sweat demonic or ufo

447

00:20:41,750 --> 00:20:39,679

your dog becomes agitated or provoked

448

00:20:44,950 --> 00:20:41,760

demonic or ufo

449

00:20:46,710 --> 00:20:44,960

birds striking your windows or singing

450

00:20:48,470 --> 00:20:46,720

at night because birds don't sing at

451  
00:20:50,870 --> 00:20:48,480  
night demonic

452  
00:20:54,070 --> 00:20:50,880  
okay anything that happens in threes

453  
00:20:55,510 --> 00:20:54,080  
three knocks three footsteps three times

454  
00:20:58,230 --> 00:20:55,520  
demonic

455  
00:21:00,870 --> 00:20:58,240  
waking up between three and four am can

456  
00:21:04,549 --> 00:21:00,880  
be either demonic or ufo

457  
00:21:06,870 --> 00:21:04,559  
hearing a baby crying demonic tapping or

458  
00:21:08,149 --> 00:21:06,880  
scratching on the walls or ceiling

459  
00:21:10,549 --> 00:21:08,159  
demonic

460  
00:21:11,909 --> 00:21:10,559  
feeling you're being watched the monacle

461  
00:21:14,070 --> 00:21:11,919  
or ufo

462  
00:21:16,390 --> 00:21:14,080  
black or smoky

463  
00:21:19,430 --> 00:21:16,400

shape or a shadow type person

464

00:21:22,070 --> 00:21:19,440

demonic or ufo now get this one i never

465

00:21:24,549 --> 00:21:22,080

knew a spontaneous human combustion or

466

00:21:26,950 --> 00:21:24,559

spontaneous combustion where an object

467

00:21:30,310 --> 00:21:26,960

or a rug or something bursts into flames

468

00:21:31,750 --> 00:21:30,320

on its own that's clearly demonic and i

469

00:21:34,310 --> 00:21:31,760

never knew that spontaneous human

470

00:21:35,430 --> 00:21:34,320

combustion really was a demonic entity i

471

00:21:37,830 --> 00:21:35,440

always thought it was a chemical

472

00:21:39,909 --> 00:21:37,840

reaction in the person's body but that's

473

00:21:41,830 --> 00:21:39,919

actually a demonic entity and i'll give

474

00:21:42,789 --> 00:21:41,840

an example of that later that happened

475

00:21:45,350 --> 00:21:42,799

to me

476  
00:21:46,789 --> 00:21:45,360  
just recently uh last month

477  
00:21:48,789 --> 00:21:46,799  
um

478  
00:21:50,870 --> 00:21:48,799  
that's scary

479  
00:21:52,070 --> 00:21:50,880  
we've also heard

480  
00:21:53,270 --> 00:21:52,080  
that

481  
00:21:55,909 --> 00:21:53,280  
if you

482  
00:21:58,549 --> 00:21:55,919  
have a rotting smell

483  
00:22:01,750 --> 00:21:58,559  
or a smell of roses

484  
00:22:04,470 --> 00:22:01,760  
that's some indication of of either

485  
00:22:07,270 --> 00:22:04,480  
spiritual or demonic activity

486  
00:22:11,029 --> 00:22:07,280  
the roses are positive that's spiritual

487  
00:22:12,549 --> 00:22:11,039  
but that's angelic the rotting smell is

488  
00:22:14,789 --> 00:22:12,559

demonic

489

00:22:16,230 --> 00:22:14,799

okay

490

00:22:20,149 --> 00:22:16,240

i don't know where i left off here lots

491

00:22:22,070 --> 00:22:20,159

of time or memory can be ufo or demonic

492

00:22:25,110 --> 00:22:22,080

you see somebody standing at the foot of

493

00:22:27,430 --> 00:22:25,120

your bed ufo or demonic

494

00:22:30,710 --> 00:22:27,440

having flies in your house like a bunch

495

00:22:33,190 --> 00:22:30,720

of them is demonic

496

00:22:36,149 --> 00:22:33,200

somebody in your family gets targeted

497

00:22:38,710 --> 00:22:36,159

that's demonic or ufo you hear some sort

498

00:22:41,430 --> 00:22:38,720

of pounding or shaking or loud noises

499

00:22:44,710 --> 00:22:41,440

demonic or ufo

500

00:22:48,470 --> 00:22:44,720

large objects that move on their own or

501  
00:22:52,230 --> 00:22:48,480  
damaged broken thrown that's demonic

502  
00:22:54,870 --> 00:22:52,240  
personality changes demonic or ufo

503  
00:22:56,070 --> 00:22:54,880  
hearing voices of dead relatives is

504  
00:22:59,110 --> 00:22:56,080  
demonic

505  
00:23:01,830 --> 00:22:59,120  
uh telepathic messages or images in your

506  
00:23:04,630 --> 00:23:01,840  
mind demonic or ufo

507  
00:23:06,789 --> 00:23:04,640  
unable to wake someone from sleep that's

508  
00:23:09,510 --> 00:23:06,799  
demonic

509  
00:23:11,990 --> 00:23:09,520  
evil obscene thoughts and presence in

510  
00:23:15,029 --> 00:23:12,000  
your mind is demonic

511  
00:23:18,390 --> 00:23:15,039  
somebody being able to blurt out

512  
00:23:19,990 --> 00:23:18,400  
unconfessed sins like during an exorcism

513  
00:23:22,789 --> 00:23:20,000

is demonic

514

00:23:24,710 --> 00:23:22,799

losing faith or not attending church

515

00:23:28,390 --> 00:23:24,720

like after a divorce

516

00:23:31,990 --> 00:23:28,400

that happens in demonic and ufo cases

517

00:23:34,230 --> 00:23:32,000

car or electrical problems stalling

518

00:23:37,350 --> 00:23:34,240

is the moniker ufo

519

00:23:39,750 --> 00:23:37,360

out of body experience or levitating the

520

00:23:43,190 --> 00:23:39,760

monocle ufo

521

00:23:45,430 --> 00:23:43,200

sexual encounter pregnancy like hybrids

522

00:23:48,470 --> 00:23:45,440

the moniker ufo

523

00:23:52,549 --> 00:23:48,480

seeing an incubus gargoyle or reptile

524

00:23:55,430 --> 00:23:52,559

demonical ufo hive mentality demonic or

525

00:23:57,190 --> 00:23:55,440

ufo and the most important one is you

526

00:23:59,830 --> 00:23:57,200

can repel

527

00:24:02,310 --> 00:23:59,840

demonic or ufo

528

00:24:05,269 --> 00:24:02,320

by using the name of jesus christ now i

529

00:24:07,909 --> 00:24:05,279

find that list unbelievable

530

00:24:10,390 --> 00:24:07,919

but true yeah that's a it's a just an

531

00:24:12,470 --> 00:24:10,400

awful big list you know the only the

532

00:24:14,310 --> 00:24:12,480

only experience i ever had with ghosts

533

00:24:16,390 --> 00:24:14,320

or demonic entities or anything like

534

00:24:17,590 --> 00:24:16,400

that is that my wife and i are first

535

00:24:19,430 --> 00:24:17,600

home

536

00:24:21,909 --> 00:24:19,440

well you know we were just starting out

537

00:24:24,310 --> 00:24:21,919

we were on a real tight budget but

538

00:24:26,470 --> 00:24:24,320

we found this real cheap home

539

00:24:28,149 --> 00:24:26,480

and the downside was it was right across

540

00:24:30,470 --> 00:24:28,159

from a graveyard

541

00:24:32,710 --> 00:24:30,480

yeah but being in the city

542

00:24:34,710 --> 00:24:32,720

we went we looked at the place and we

543

00:24:37,510 --> 00:24:34,720

said look at that across the street

544

00:24:38,630 --> 00:24:37,520

there's parking like the whole street is

545

00:24:40,950 --> 00:24:38,640

empty

546

00:24:43,990 --> 00:24:40,960

and so we moved in there

547

00:24:47,110 --> 00:24:44,000

and honestly it became a joke after a

548

00:24:48,470 --> 00:24:47,120

while because we heard rapping tapping

549

00:24:50,149 --> 00:24:48,480

banging

550

00:24:52,390 --> 00:24:50,159

and uh

551

00:24:55,510 --> 00:24:52,400

we had a next-door neighbor and and i

552

00:24:56,950 --> 00:24:55,520

asked her i said

553

00:24:58,630 --> 00:24:56,960

don't take this the wrong way but are

554

00:25:01,110 --> 00:24:58,640

you banging at three o'clock in the

555

00:25:03,269 --> 00:25:01,120

morning on something or do you know you

556

00:25:04,310 --> 00:25:03,279

know what that noise is we're hearing

557

00:25:06,470 --> 00:25:04,320

she said

558

00:25:08,310 --> 00:25:06,480

oh yeah that's the that's your neighbors

559

00:25:11,590 --> 00:25:08,320

across the street i've been hearing it

560

00:25:14,630 --> 00:25:11,600

for years i have voices in my home i've

561

00:25:15,590 --> 00:25:14,640

seen shadows all these different things

562

00:25:18,549 --> 00:25:15,600

and

563

00:25:21,750 --> 00:25:18,559

you know i i i

564

00:25:25,029 --> 00:25:21,760

am as a science guy so i started busting

565

00:25:26,630 --> 00:25:25,039

out like emf meters and found all these

566

00:25:28,710 --> 00:25:26,640

strange things

567

00:25:31,590 --> 00:25:28,720

at different times

568

00:25:34,390 --> 00:25:31,600

but luckily in our case it was never

569

00:25:36,390 --> 00:25:34,400

malevolent there was never a malevolent

570

00:25:37,750 --> 00:25:36,400

intent it was almost like something was

571

00:25:41,350 --> 00:25:37,760

just trying to say

572

00:25:43,830 --> 00:25:41,360

hey we're here you know and we've had

573

00:25:47,669 --> 00:25:43,840

stuff fly off a table

574

00:25:50,630 --> 00:25:47,679

and break we had knocking and rapping

575

00:25:52,950 --> 00:25:50,640

and all these different things happen

576

00:25:55,029 --> 00:25:52,960

but it was never really to the level of

577

00:25:56,870 --> 00:25:55,039

malevolent and almost became a joke

578

00:25:59,510 --> 00:25:56,880

after a while between me and my wife

579

00:26:00,710 --> 00:25:59,520

like oh yeah that's i i said it was her

580

00:26:03,350 --> 00:26:00,720

dead friends

581

00:26:04,310 --> 00:26:03,360

street again

582

00:26:06,470 --> 00:26:04,320

you know

583

00:26:09,029 --> 00:26:06,480

but i i have to tell you

584

00:26:11,350 --> 00:26:09,039

when we moved out of there i was happy

585

00:26:14,390 --> 00:26:11,360

to to be because if it'll for even if

586

00:26:16,310 --> 00:26:14,400

it's not malevolent it scares you after

587

00:26:18,549 --> 00:26:16,320

a while three o'clock in the morning and

588

00:26:20,710 --> 00:26:18,559

something falls off a table

589

00:26:23,669 --> 00:26:20,720

you know for no reason

590

00:26:27,190 --> 00:26:23,679

and uh i heard whispering

591

00:26:30,310 --> 00:26:27,200

and all these different low-level sort

592

00:26:32,549 --> 00:26:30,320

of things going on but luckily it never

593

00:26:34,549 --> 00:26:32,559

got to the level of malevolent and

594

00:26:36,390 --> 00:26:34,559

before that experience i thought

595

00:26:39,590 --> 00:26:36,400

everybody talking about ghosts was full

596

00:26:40,390 --> 00:26:39,600

of [h\_\_\h] i thought this is all [h\_\_\h]

597

00:26:43,029 --> 00:26:40,400

but

598

00:26:44,230 --> 00:26:43,039

we lived there for a few years and

599

00:26:47,190 --> 00:26:44,240

it just kept

600

00:26:49,669 --> 00:26:47,200

the the the number of experiences you

601  
00:26:51,269 --> 00:26:49,679  
know wouldn't make a very exciting movie

602  
00:26:53,029 --> 00:26:51,279  
because we were kind of boring some of

603  
00:26:54,950 --> 00:26:53,039  
the stuff it wasn't very exciting

604  
00:26:57,350 --> 00:26:54,960  
whispers voices

605  
00:26:58,549 --> 00:26:57,360  
banging wrapping stuff falling off

606  
00:27:01,029 --> 00:26:58,559  
tables

607  
00:27:03,430 --> 00:27:01,039  
you know stuff moving a little bit

608  
00:27:04,149 --> 00:27:03,440  
and like you said almost mischievous

609  
00:27:07,110 --> 00:27:04,159  
like

610  
00:27:10,070 --> 00:27:07,120  
hiding your keys yeah stuff would move

611  
00:27:11,669 --> 00:27:10,080  
i'd go out for a half hour i'd come back

612  
00:27:13,110 --> 00:27:11,679  
and uh

613  
00:27:14,710 --> 00:27:13,120

you know like a

614

00:27:16,950 --> 00:27:14,720

bouquet of flowers that was on the

615

00:27:19,430 --> 00:27:16,960

kitchen table is now sitting in the

616

00:27:21,110 --> 00:27:19,440

middle of the living room floor

617

00:27:23,029 --> 00:27:21,120

you know

618

00:27:24,789 --> 00:27:23,039

and then i know come in and i'm like

619

00:27:27,190 --> 00:27:24,799

this is crazy but i would just put it

620

00:27:29,669 --> 00:27:27,200

back i wouldn't think very much of it

621

00:27:30,630 --> 00:27:29,679

except i can't explain what's going on

622

00:27:33,190 --> 00:27:30,640

here

623

00:27:35,269 --> 00:27:33,200

luckily it never it never

624

00:27:37,909 --> 00:27:35,279

got to be

625

00:27:40,070 --> 00:27:37,919

you know uh really negative

626  
00:27:43,350 --> 00:27:40,080  
yeah yeah well you know you mentioned

627  
00:27:45,350 --> 00:27:43,360  
that uh i live next to a cemetery here

628  
00:27:47,110 --> 00:27:45,360  
in in the pittsburgh area there's a

629  
00:27:50,149 --> 00:27:47,120  
cemetery right on the other side of my

630  
00:27:51,909 --> 00:27:50,159  
fence here and i've had all the things

631  
00:27:53,750 --> 00:27:51,919  
most of the things that you just said

632  
00:27:55,590 --> 00:27:53,760  
i've had so the day i moved in this

633  
00:27:57,350 --> 00:27:55,600  
house there was tapping in the wall and

634  
00:27:59,350 --> 00:27:57,360  
i'd go in the hallway in the spare

635  
00:28:01,269 --> 00:27:59,360  
bedroom and i'd say this is like just a

636  
00:28:03,669 --> 00:28:01,279  
wall a dividing wall how is there

637  
00:28:06,149 --> 00:28:03,679  
tapping there's no vent there there's no

638  
00:28:08,230 --> 00:28:06,159

638 piping and there's tapping i tap back it

639

00:28:09,669 --> 00:28:08,240

would stop and then it would start again

640

00:28:11,830 --> 00:28:09,679

you know like it had some sort of

641

00:28:14,310 --> 00:28:11,840

intelligence and that has happened with

642

00:28:16,230 --> 00:28:14,320

a number of other things and and the

643

00:28:17,990 --> 00:28:16,240

weird thing is when i bought this house

644

00:28:20,389 --> 00:28:18,000

this house was more expensive than i

645

00:28:22,149 --> 00:28:20,399

could afford so i told the real estate

646

00:28:23,990 --> 00:28:22,159

well let's go one level up and look for

647

00:28:24,870 --> 00:28:24,000

houses i found this one it was really

648

00:28:28,149 --> 00:28:24,880

nice

649

00:28:30,950 --> 00:28:28,159

and um when i got to the back door and i

650

00:28:33,750 --> 00:28:30,960

looked out the back door boom there was

651

00:28:35,750 --> 00:28:33,760

a flashback when i was a six seven

652

00:28:37,909 --> 00:28:35,760

eight-year-old kid i used to have these

653

00:28:40,230 --> 00:28:37,919

dreams i would be

654

00:28:43,190 --> 00:28:40,240

standing in the doorway and there was a

655

00:28:45,669 --> 00:28:43,200

beige brick wall to my left and i'm

656

00:28:47,029 --> 00:28:45,679

looking out at a cemetery and when i got

657

00:28:49,350 --> 00:28:47,039

to this house

658

00:28:50,950 --> 00:28:49,360

that was the view and i bought this

659

00:28:54,630 --> 00:28:50,960

house i actually got them to come down

660

00:28:56,789 --> 00:28:54,640

15 in the price i bought the house and

661

00:28:59,830 --> 00:28:56,799

that was the view i had seen as a little

662

00:29:02,789 --> 00:28:59,840

kid and i've told people i will never be

663

00:29:04,310 --> 00:29:02,799

leaving this house and i've been here 19

664

00:29:07,029 --> 00:29:04,320

years the longest i've ever lived

665

00:29:09,110 --> 00:29:07,039

anywhere and uh you know i

666

00:29:10,389 --> 00:29:09,120

really believe i i'm going to stay here

667

00:29:12,549 --> 00:29:10,399

and i got all the things i'll tell you

668

00:29:14,630 --> 00:29:12,559

as i get through this uh you know some

669

00:29:17,750 --> 00:29:14,640

other things i want to let you know

670

00:29:19,830 --> 00:29:17,760

sure sure yeah that's okay it's like a

671

00:29:22,549 --> 00:29:19,840

synchronicity moment

672

00:29:24,310 --> 00:29:22,559

when you have that experience like that

673

00:29:26,310 --> 00:29:24,320

and doesn't it make you think like well

674

00:29:29,029 --> 00:29:26,320

i this is the house i'm meant to be and

675

00:29:31,590 --> 00:29:29,039

then absolutely i was meant to be here

676  
00:29:33,510 --> 00:29:31,600  
and i i know i'm never going to move and

677  
00:29:35,909 --> 00:29:33,520  
you know even like at ups we get

678  
00:29:39,110 --> 00:29:35,919  
transferred every three to five years

679  
00:29:41,430 --> 00:29:39,120  
i had two transfers come through

680  
00:29:44,070 --> 00:29:41,440  
and both got cancelled mysteriously i

681  
00:29:46,389 --> 00:29:44,080  
don't know one other person at my level

682  
00:29:47,909 --> 00:29:46,399  
director level of management who was

683  
00:29:49,830 --> 00:29:47,919  
told they were transferred i was

684  
00:29:52,149 --> 00:29:49,840  
transferred to san francisco and then

685  
00:29:54,470 --> 00:29:52,159  
two years later transferred to

686  
00:29:57,110 --> 00:29:54,480  
the meadowlands new jersey and they both

687  
00:29:58,230 --> 00:29:57,120  
got cancelled within like two days i

688  
00:30:00,789 --> 00:29:58,240

don't know anyone else that that

689

00:30:03,510 --> 00:30:00,799

happened to then i stayed 15 years in

690

00:30:05,830 --> 00:30:03,520

one location but when i moved in i told

691

00:30:09,590 --> 00:30:05,840

people you watch i will never be leaving

692

00:30:11,830 --> 00:30:09,600

this house alive and i plan i i plan to

693

00:30:14,149 --> 00:30:11,840

retire i am retired now four years here

694

00:30:15,269 --> 00:30:14,159

and i i think this is the house i'll die

695

00:30:15,990 --> 00:30:15,279

in so

696

00:30:18,310 --> 00:30:16,000

so

697

00:30:20,310 --> 00:30:18,320

in my research then and it's important

698

00:30:21,669 --> 00:30:20,320

because there's a lot of things i didn't

699

00:30:24,389 --> 00:30:21,679

understand even though you know i went

700

00:30:26,870 --> 00:30:24,399

to catechism and i'm catholic and stuff

701  
00:30:29,590 --> 00:30:26,880  
yeah so i grew up catholic too so i have

702  
00:30:31,110 --> 00:30:29,600  
some background about demons and devils

703  
00:30:33,990 --> 00:30:31,120  
and demonology

704  
00:30:36,230 --> 00:30:34,000  
we had priests come in and teach us

705  
00:30:38,310 --> 00:30:36,240  
yeah stuff like that and but really it

706  
00:30:40,950 --> 00:30:38,320  
was it was uh

707  
00:30:43,750 --> 00:30:40,960  
the classes or or the talks that we were

708  
00:30:46,549 --> 00:30:43,760  
given were based on like hey stay away

709  
00:30:48,549 --> 00:30:46,559  
from the occult and here's why you know

710  
00:30:50,870 --> 00:30:48,559  
that scared the hell out of me i never

711  
00:30:52,549 --> 00:30:50,880  
touched a ouija board yeah

712  
00:30:54,630 --> 00:30:52,559  
that was a good thing that was a good

713  
00:30:56,870 --> 00:30:54,640

thing but you know it's like you hear

714

00:30:58,549 --> 00:30:56,880

about you know angels

715

00:31:00,470 --> 00:30:58,559

and i would say i would say to people

716

00:31:02,830 --> 00:31:00,480

what's an archangel like what the heck's

717

00:31:05,990 --> 00:31:02,840

an archangel you know how is that one

718

00:31:09,430 --> 00:31:06,000

stronger i didn't know any of this and

719

00:31:13,830 --> 00:31:09,440

what i recently found out there's nine

720

00:31:16,830 --> 00:31:13,840

types of angels each more powerful right

721

00:31:20,230 --> 00:31:16,840

so the top level your most

722

00:31:22,470 --> 00:31:20,240

powerful uh angel's spirit is the

723

00:31:25,029 --> 00:31:22,480

seraphim they're the pure light that's

724

00:31:27,190 --> 00:31:25,039

what lucifer was was a seraphim right

725

00:31:29,830 --> 00:31:27,200

below that is the cherubim they're the

726  
00:31:30,830 --> 00:31:29,840  
guardians of the gates of heaven below

727  
00:31:34,310 --> 00:31:30,840  
that is

728  
00:31:37,190 --> 00:31:34,320  
thrones thrones carry out god's orders

729  
00:31:40,789 --> 00:31:37,200  
okay that's the top three

730  
00:31:42,630 --> 00:31:40,799  
the next three are called dominions they

731  
00:31:45,830 --> 00:31:42,640  
regulate the angels

732  
00:31:47,590 --> 00:31:45,840  
virtues perform miracles so god tells

733  
00:31:50,710 --> 00:31:47,600  
them what to do they do it they perform

734  
00:31:53,350 --> 00:31:50,720  
miracles and then powers powers are the

735  
00:31:54,549 --> 00:31:53,360  
ones that fight they come back to fallen

736  
00:31:57,750 --> 00:31:54,559  
angels

737  
00:32:00,549 --> 00:31:57,760  
then you get to your bottom three

738  
00:32:01,590 --> 00:32:00,559

that is principalities who guard against

739

00:32:04,710 --> 00:32:01,600

evil

740

00:32:07,430 --> 00:32:04,720

archangels is number eight on the list

741

00:32:10,789 --> 00:32:07,440

they command god's army that's michael

742

00:32:13,110 --> 00:32:10,799

raphael uh and then the ninth level the

743

00:32:15,909 --> 00:32:13,120

lowest level are angels they guard

744

00:32:18,789 --> 00:32:15,919

humans they're guardian angels now the

745

00:32:21,990 --> 00:32:18,799

only problem is that when

746

00:32:25,029 --> 00:32:22,000

there was a rebellion in heaven

747

00:32:27,590 --> 00:32:25,039

lucifer took one third of the angels

748

00:32:29,190 --> 00:32:27,600

with him from all nine levels i never

749

00:32:31,350 --> 00:32:29,200

understood any of this

750

00:32:33,669 --> 00:32:31,360

and so i thought that i thought that the

751  
00:32:35,269 --> 00:32:33,679  
highest level of angel was archangel i

752  
00:32:37,190 --> 00:32:35,279  
thought those were

753  
00:32:39,190 --> 00:32:37,200  
generals that's that's interesting now i

754  
00:32:41,669 --> 00:32:39,200  
have to read more about that

755  
00:32:43,350 --> 00:32:41,679  
yeah i mean that's funny

756  
00:32:46,070 --> 00:32:43,360  
i just learned this in the last year

757  
00:32:48,870 --> 00:32:46,080  
there's nine levels so now let's talk

758  
00:32:52,470 --> 00:32:48,880  
about that same hierarchy with now with

759  
00:32:54,630 --> 00:32:52,480  
the demonic side lucifer's army right

760  
00:32:57,990 --> 00:32:54,640  
that top group

761  
00:32:59,190 --> 00:32:58,000  
the seraphim cherubim thrones

762  
00:33:00,310 --> 00:32:59,200  
are all

763  
00:33:02,630 --> 00:33:00,320

devils

764

00:33:05,990 --> 00:33:02,640

i thought that just lucifer was the

765

00:33:09,029 --> 00:33:06,000

devil i had no idea that that top three

766

00:33:11,750 --> 00:33:09,039

levels and i don't know how many are in

767

00:33:14,870 --> 00:33:11,760

that level or in those three how many

768

00:33:16,950 --> 00:33:14,880

are out there 20 50 100 but they

769

00:33:18,149 --> 00:33:16,960

actually have names for a lot of these

770

00:33:22,310 --> 00:33:18,159

because every

771

00:33:25,590 --> 00:33:22,320

the exorcist is trained he always asks

772

00:33:28,070 --> 00:33:25,600

who he's speaking to what your name is

773

00:33:30,070 --> 00:33:28,080

and they can then take them and put them

774

00:33:32,870 --> 00:33:30,080

in these classifications

775

00:33:34,389 --> 00:33:32,880

as far as uh you know who they are like

776

00:33:37,830 --> 00:33:34,399

lucifer

777

00:33:40,310 --> 00:33:37,840

biezebob uh sam jazza you know there

778

00:33:42,950 --> 00:33:40,320

there are different names and they know

779

00:33:44,149 --> 00:33:42,960

so those top three seraphim cherubim

780

00:33:46,630 --> 00:33:44,159

thrones

781

00:33:49,110 --> 00:33:46,640

they're all devils

782

00:33:51,990 --> 00:33:49,120

and you gotta think how powerful lucifer

783

00:33:53,909 --> 00:33:52,000

who's satan now how powerful he is

784

00:33:55,430 --> 00:33:53,919

because he was the top level

785

00:33:58,789 --> 00:33:55,440

he was one

786

00:34:01,190 --> 00:33:58,799

level below god so so he is extremely

787

00:34:02,870 --> 00:34:01,200

powerful so now you get to that middle

788

00:34:05,990 --> 00:34:02,880

three right

789

00:34:08,790 --> 00:34:06,000

those are not devils they're demons

790

00:34:12,869 --> 00:34:08,800

they're very powerful demons those are

791

00:34:15,270 --> 00:34:12,879

the dominions virtues and powers okay

792

00:34:17,190 --> 00:34:15,280

but they're demons they're not devils

793

00:34:18,829 --> 00:34:17,200

and then the bottom three levels

794

00:34:21,990 --> 00:34:18,839

principalities

795

00:34:23,589 --> 00:34:22,000

archangels and angels

796

00:34:27,190 --> 00:34:23,599

are the worker

797

00:34:30,149 --> 00:34:27,200

demons they are the ones that that cause

798

00:34:33,190 --> 00:34:30,159

infestation in your house the noises the

799

00:34:35,589 --> 00:34:33,200

moving of objects those are ain't those

800

00:34:38,069 --> 00:34:35,599

are demonic angels the demonic

801  
00:34:40,470 --> 00:34:38,079  
archangels are the ones that

802  
00:34:42,710 --> 00:34:40,480  
perpetrate the attacks on people the

803  
00:34:44,069 --> 00:34:42,720  
scratching the biting that's called

804  
00:34:47,030 --> 00:34:44,079  
oppression

805  
00:34:49,349 --> 00:34:47,040  
and the principalities and the powers

806  
00:34:53,109 --> 00:34:49,359  
are the ones once you've been beaten

807  
00:34:55,109 --> 00:34:53,119  
down and your mind is is broken from the

808  
00:34:56,470 --> 00:34:55,119  
attacks and the noises and the sleep

809  
00:34:58,790 --> 00:34:56,480  
deprivation

810  
00:35:00,390 --> 00:34:58,800  
it's the principalities and powers the

811  
00:35:02,630 --> 00:35:00,400  
demonic ones that

812  
00:35:05,190 --> 00:35:02,640  
come into you and possess you i didn't

813  
00:35:06,630 --> 00:35:05,200

know any of that i never knew any of

814

00:35:08,069 --> 00:35:06,640

that

815

00:35:09,510 --> 00:35:08,079

yeah i

816

00:35:11,910 --> 00:35:09,520

i mean i've always

817

00:35:14,150 --> 00:35:11,920

listened to stories of of possession

818

00:35:15,990 --> 00:35:14,160

things with great interest and and like

819

00:35:18,630 --> 00:35:16,000

you said i grew up catholic so i have

820

00:35:21,030 --> 00:35:18,640

some background into this but not that

821

00:35:23,510 --> 00:35:21,040

detailed that's a great explanation of a

822

00:35:25,349 --> 00:35:23,520

lot of this stuff yeah and i'm putting

823

00:35:27,109 --> 00:35:25,359

all of this in a book you know and it'll

824

00:35:29,510 --> 00:35:27,119

be out probably in july or august

825

00:35:31,270 --> 00:35:29,520

somewhere around there and i'm putting

826

00:35:33,750 --> 00:35:31,280

all my experiences which we'll talk

827

00:35:36,150 --> 00:35:33,760

about in a few minutes but i think this

828

00:35:38,390 --> 00:35:36,160

is going to be a great book

829

00:35:39,910 --> 00:35:38,400

on demonology in the paranormal

830

00:35:42,870 --> 00:35:39,920

everything because i when i get into

831

00:35:45,670 --> 00:35:42,880

something i get all the facts and i make

832

00:35:47,829 --> 00:35:45,680

it a manual of what you need to know to

833

00:35:49,349 --> 00:35:47,839

survive you know so then you know i'm

834

00:35:51,030 --> 00:35:49,359

looking at this thing and i've read

835

00:35:52,790 --> 00:35:51,040

different books

836

00:35:55,510 --> 00:35:52,800

and there's different types of events

837

00:35:57,349 --> 00:35:55,520

that take place right so

838

00:36:00,630 --> 00:35:57,359

the one thing that interests me and when

839

00:36:03,109 --> 00:36:00,640

i tell you my story it's basically um i

840

00:36:05,349 --> 00:36:03,119

think it's a generational thing the sins

841

00:36:07,430 --> 00:36:05,359

of the parents can be passed on to three

842

00:36:09,829 --> 00:36:07,440

or four generations and one of the

843

00:36:12,870 --> 00:36:09,839

things i read that's very disturbing is

844

00:36:13,750 --> 00:36:12,880

that they select you prior to birth

845

00:36:15,670 --> 00:36:13,760

and

846

00:36:18,230 --> 00:36:15,680

when they get to the third or fourth

847

00:36:20,310 --> 00:36:18,240

generation and there's a demonic entity

848

00:36:23,670 --> 00:36:20,320

attached to a person

849

00:36:24,550 --> 00:36:23,680

the rules are they can claim that family

850

00:36:28,550 --> 00:36:24,560

line

851  
00:36:31,030 --> 00:36:28,560  
for them and take it away from god and

852  
00:36:32,390 --> 00:36:31,040  
unless the person has the strong enough

853  
00:36:35,829 --> 00:36:32,400  
free will

854  
00:36:38,710 --> 00:36:35,839  
to uh break that chain and the family

855  
00:36:40,550 --> 00:36:38,720  
line and scary

856  
00:36:42,550 --> 00:36:40,560  
that's exactly where i'm at right now

857  
00:36:45,270 --> 00:36:42,560  
and i'll tell you my story and i am

858  
00:36:48,069 --> 00:36:45,280  
convinced this is generational but as

859  
00:36:49,990 --> 00:36:48,079  
far as events that take place uh four

860  
00:36:52,950 --> 00:36:50,000  
things that people need to know

861  
00:36:55,109 --> 00:36:52,960  
there are natural events that follow the

862  
00:36:56,230 --> 00:36:55,119  
laws of nature and science they're

863  
00:36:58,950 --> 00:36:56,240

natural

864

00:37:02,310 --> 00:36:58,960

the word i never knew which is the word

865

00:37:04,230 --> 00:37:02,320

that should be used is preternatural i

866

00:37:06,710 --> 00:37:04,240

never heard that before i've seen it

867

00:37:09,030 --> 00:37:06,720

recently in a couple of books i read

868

00:37:11,750 --> 00:37:09,040

but the word is preternatural

869

00:37:14,230 --> 00:37:11,760

those are unnatural acts like being able

870

00:37:17,030 --> 00:37:14,240

to levitate someone transforming into

871

00:37:19,069 --> 00:37:17,040

something else conjuring up spirits

872

00:37:21,030 --> 00:37:19,079

that's all called

873

00:37:24,310 --> 00:37:21,040

preternatural

874

00:37:26,870 --> 00:37:24,320

people use the word supernatural

875

00:37:29,829 --> 00:37:26,880

supernatural are the positive things

876

00:37:31,750 --> 00:37:29,839

they're miracles performed by god or as

877

00:37:34,310 --> 00:37:31,760

angels so anytime you use the word

878

00:37:35,510 --> 00:37:34,320

supernatural it should be in the good

879

00:37:39,109 --> 00:37:35,520

sense

880

00:37:41,190 --> 00:37:39,119

negative things are preternatural

881

00:37:42,630 --> 00:37:41,200

i never knew that and the word

882

00:37:45,990 --> 00:37:42,640

paranormal

883

00:37:47,190 --> 00:37:46,000

it means anything that's unexplained by

884

00:37:51,270 --> 00:37:47,200

science

885

00:37:53,030 --> 00:37:51,280

can't explain

886

00:37:55,589 --> 00:37:53,040

the parallel

887

00:37:57,349 --> 00:37:55,599

yeah yeah i've heard i've heard the term

888

00:37:59,829 --> 00:37:57,359

prader natural but i think it was in

889

00:38:02,390 --> 00:37:59,839

like a vampire story yeah

890

00:38:04,550 --> 00:38:02,400

i've seen it occasionally recently

891

00:38:06,870 --> 00:38:04,560

but it is the word that should be used

892

00:38:09,510 --> 00:38:06,880

in all of these tv shows like you know

893

00:38:10,710 --> 00:38:09,520

supernatural it's on tv right now the cw

894

00:38:12,550 --> 00:38:10,720

i think it's you know come on that

895

00:38:14,390 --> 00:38:12,560

should be called axle then it really

896

00:38:15,910 --> 00:38:14,400

should be called well maybe maybe not

897

00:38:17,270 --> 00:38:15,920

because they actually have angels in

898

00:38:19,190 --> 00:38:17,280

there that are helping them so maybe

899

00:38:22,390 --> 00:38:19,200

that's the good stuff but it's really

900

00:38:23,750 --> 00:38:22,400

pretty natural is the the negative stuff

901  
00:38:26,470 --> 00:38:23,760  
so uh

902  
00:38:29,589 --> 00:38:26,480  
so then i looked into exorcism

903  
00:38:32,630 --> 00:38:29,599  
and um exorcism well it was performed by

904  
00:38:36,710 --> 00:38:32,640  
jesus obviously but the vatican the

905  
00:38:41,190 --> 00:38:36,720  
church authorized exorcism in 1614.

906  
00:38:44,150 --> 00:38:41,200  
what i find interesting is up until 1990

907  
00:38:47,750 --> 00:38:44,160  
there were only about six exorcisms a

908  
00:38:52,470 --> 00:38:47,760  
year that was authorized by the church

909  
00:38:55,190 --> 00:38:52,480  
since 1990 there's about 1300 exorcisms

910  
00:38:58,390 --> 00:38:55,200  
a year think about that it went from a

911  
00:39:02,069 --> 00:38:58,400  
handful to out of control and you can't

912  
00:39:03,510 --> 00:39:02,079  
blame the movie exorcism that was 1973

913  
00:39:05,829 --> 00:39:03,520

the exorcist

914

00:39:07,910 --> 00:39:05,839

yeah yeah absolutely

915

00:39:13,990 --> 00:39:07,920

something changed

916

00:39:15,829 --> 00:39:14,000

now with vatican ii in 1968 they

917

00:39:18,790 --> 00:39:15,839

eliminated the saint michael prayer

918

00:39:20,550 --> 00:39:18,800

which is the prayer you need to combat

919

00:39:23,829 --> 00:39:20,560

these things

920

00:39:26,310 --> 00:39:23,839

they say there has to be an invitation

921

00:39:29,430 --> 00:39:26,320

you know it can be an interest in sci-fi

922

00:39:31,589 --> 00:39:29,440

horror stuff playing with a tarot luigi

923

00:39:34,310 --> 00:39:31,599

anything in the occult

924

00:39:36,710 --> 00:39:34,320

you basically invite these things in and

925

00:39:38,950 --> 00:39:36,720

most of the time unknowingly you've

926

00:39:41,349 --> 00:39:38,960

opened the door and invited them in and

927

00:39:43,589 --> 00:39:41,359

i think i've probably done that with my

928

00:39:46,470 --> 00:39:43,599

interest in sci-fi i used to have tarot

929

00:39:48,710 --> 00:39:46,480

cards uh you know i used to make models

930

00:39:51,270 --> 00:39:48,720

you know frankenstein all those things i

931

00:39:53,910 --> 00:39:51,280

think i inadvertently opened the door

932

00:39:57,510 --> 00:39:53,920

they say never to provoke them and never

933

00:40:00,630 --> 00:39:57,520

to communicate with them the problem is

934

00:40:02,630 --> 00:40:00,640

they pretend to be ghosts of relatives

935

00:40:04,550 --> 00:40:02,640

and when people hear the voice or see

936

00:40:08,069 --> 00:40:04,560

the person they think oh there's my

937

00:40:10,710 --> 00:40:08,079

grandmother it's not it's a demonic

938

00:40:13,589 --> 00:40:10,720

entity that's pretending to be a

939

00:40:16,069 --> 00:40:13,599

relative and then you invite them in so

940

00:40:17,990 --> 00:40:16,079

you never ever want to speak to them and

941

00:40:20,150 --> 00:40:18,000

that fact the only thing you should say

942

00:40:22,790 --> 00:40:20,160

to them when you see something like that

943

00:40:25,990 --> 00:40:22,800

or they talk to you is you you reply

944

00:40:28,550 --> 00:40:26,000

back to them say you love jesus say you

945

00:40:31,270 --> 00:40:28,560

love god if they won't do it they will

946

00:40:33,430 --> 00:40:31,280

leave that's how you repel them if they

947

00:40:35,910 --> 00:40:33,440

say yes i love jesus then you know

948

00:40:37,589 --> 00:40:35,920

you're dealing with a ghost and probably

949

00:40:40,150 --> 00:40:37,599

a ghost of a relative

950

00:40:41,910 --> 00:40:40,160

but that's the only way to stop them um

951  
00:40:43,910 --> 00:40:41,920  
interesting i've never heard that before

952  
00:40:46,550 --> 00:40:43,920  
yeah you know that uh

953  
00:40:49,589 --> 00:40:46,560  
catholic rite of exorcism though i have

954  
00:40:52,870 --> 00:40:49,599  
that i have a book that the priests use

955  
00:40:54,390 --> 00:40:52,880  
against shop actually like yeah

956  
00:40:55,670 --> 00:40:54,400  
catholic shop i just wanted to read the

957  
00:40:57,109 --> 00:40:55,680  
whole thing

958  
00:40:58,790 --> 00:40:57,119  
and uh

959  
00:41:01,990 --> 00:40:58,800  
you know it's very interesting to me

960  
00:41:06,630 --> 00:41:05,109  
sanction so few and now there's so many

961  
00:41:09,430 --> 00:41:06,640  
yeah i wouldn't think that it would go

962  
00:41:12,470 --> 00:41:09,440  
down because they would be saying you

963  
00:41:13,670 --> 00:41:12,480

know oh well this is mental illness or

964

00:41:16,069 --> 00:41:13,680

you know

965

00:41:17,190 --> 00:41:16,079

whatever the case may be but not demonic

966

00:41:18,550 --> 00:41:17,200

possession

967

00:41:20,550 --> 00:41:18,560

yeah it's interesting to me that it's

968

00:41:23,190 --> 00:41:20,560

gone up yeah it's gone up because

969

00:41:26,150 --> 00:41:23,200

something is changing in our society

970

00:41:28,390 --> 00:41:26,160

changing in the fabric of the world uh

971

00:41:31,190 --> 00:41:28,400

is absolutely they're getting stronger

972

00:41:32,870 --> 00:41:31,200

the demonic side is uh getting stronger

973

00:41:34,550 --> 00:41:32,880

now one of the things i already

974

00:41:36,870 --> 00:41:34,560

mentioned is

975

00:41:39,030 --> 00:41:36,880

and this is why it's important you know

976

00:41:41,109 --> 00:41:39,040

i like my kids go to

977

00:41:44,069 --> 00:41:41,119

a non-denominal church and they have

978

00:41:46,230 --> 00:41:44,079

music and big screens and it's to me

979

00:41:47,589 --> 00:41:46,240

it's it's religious entertainment but at

980

00:41:50,150 --> 00:41:47,599

least they go

981

00:41:51,990 --> 00:41:50,160

i still go catholic for a couple of

982

00:41:54,630 --> 00:41:52,000

reasons one

983

00:41:57,190 --> 00:41:54,640

it goes it catholic goes it's the oldest

984

00:42:00,470 --> 00:41:57,200

it goes back to jesus two

985

00:42:01,910 --> 00:42:00,480

they believe in uh exorcism they they

986

00:42:03,589 --> 00:42:01,920

actually

987

00:42:06,150 --> 00:42:03,599

they support the international

988

00:42:08,150 --> 00:42:06,160

association of exorcists most of the

989

00:42:11,910 --> 00:42:08,160

faith don't want anything to do with

990

00:42:14,309 --> 00:42:11,920

exorcism or about 40 of pastors and

991

00:42:16,309 --> 00:42:14,319

priests and other clergy

992

00:42:19,349 --> 00:42:16,319

don't really believe the devil and

993

00:42:21,430 --> 00:42:19,359

demons are real that's amazing they

994

00:42:24,309 --> 00:42:21,440

think it's just a story and they don't

995

00:42:27,670 --> 00:42:24,319

really think evil is an entity that's

996

00:42:30,630 --> 00:42:27,680

roaming around and the last part that's

997

00:42:33,270 --> 00:42:30,640

really important is you have to go to

998

00:42:35,349 --> 00:42:33,280

confession and this has been proven in

999

00:42:38,069 --> 00:42:35,359

exorcisms that

1000

00:42:40,790 --> 00:42:38,079

the demonic can see

1001  
00:42:43,270 --> 00:42:40,800  
your unconsent confessed sins the ones

1002  
00:42:45,910 --> 00:42:43,280  
you haven't repented and actually really

1003  
00:42:48,230 --> 00:42:45,920  
felt guilty and been forgiven of so if

1004  
00:42:51,030 --> 00:42:48,240  
you don't go to confession that's why

1005  
00:42:53,270 --> 00:42:51,040  
during an exorcism the demon will

1006  
00:42:55,750 --> 00:42:53,280  
blurt out something about you what

1007  
00:42:58,390 --> 00:42:55,760  
you've done or your family line

1008  
00:43:01,430 --> 00:42:58,400  
because they haven't been confessed and

1009  
00:43:03,750 --> 00:43:01,440  
repented so i stay catholic because i

1010  
00:43:06,069 --> 00:43:03,760  
feel this strong connection to that's

1011  
00:43:08,309 --> 00:43:06,079  
how you beat this thing you know but

1012  
00:43:09,589 --> 00:43:08,319  
they are interesting because i i've read

1013  
00:43:11,910 --> 00:43:09,599

a few different

1014

00:43:12,870 --> 00:43:11,920

possession cases

1015

00:43:14,550 --> 00:43:12,880

where

1016

00:43:17,109 --> 00:43:14,560

the people involved

1017

00:43:19,510 --> 00:43:17,119

they were protestant and and in two

1018

00:43:21,829 --> 00:43:19,520

cases i can recall

1019

00:43:24,710 --> 00:43:21,839

that their minister the the families

1020

00:43:26,470 --> 00:43:24,720

minister said you need a catholic priest

1021

00:43:28,309 --> 00:43:26,480

right they don't even want to deal with

1022

00:43:30,309 --> 00:43:28,319

it you've got to go to the catholics

1023

00:43:32,309 --> 00:43:30,319

they know how to deal with this thing so

1024

00:43:33,990 --> 00:43:32,319

yeah yeah there's some basis for that

1025

00:43:35,990 --> 00:43:34,000

yeah if you want it done right you need

1026  
00:43:36,710 --> 00:43:36,000  
a roman catholic priest and now the

1027  
00:43:39,270 --> 00:43:36,720  
thing

1028  
00:43:41,670 --> 00:43:39,280  
that's disappointing is

1029  
00:43:44,069 --> 00:43:41,680  
i've contacted my church

1030  
00:43:45,910 --> 00:43:44,079  
which i can almost see from my house i

1031  
00:43:47,990 --> 00:43:45,920  
hear the bells go off

1032  
00:43:49,589 --> 00:43:48,000  
and three times i've contacted them for

1033  
00:43:51,430 --> 00:43:49,599  
a house cleansing

1034  
00:43:52,870 --> 00:43:51,440  
and they don't reply they take my name

1035  
00:43:55,750 --> 00:43:52,880  
and number and they have they don't get

1036  
00:43:57,190 --> 00:43:55,760  
back to me and this is the same problem

1037  
00:43:59,190 --> 00:43:57,200  
uh believe it or not the county

1038  
00:44:00,550 --> 00:43:59,200

commissioner in allegheny county which

1039

00:44:02,309 --> 00:44:00,560

is pittsburgh

1040

00:44:04,150 --> 00:44:02,319

his house was haunted he wrote a book

1041

00:44:06,710 --> 00:44:04,160

the demon of brownsville road they're

1042

00:44:09,670 --> 00:44:06,720

actually foxes making a tv series out of

1043

00:44:12,069 --> 00:44:09,680

it and he said he had the same problem

1044

00:44:13,670 --> 00:44:12,079

his local church

1045

00:44:15,829 --> 00:44:13,680

didn't believe it or didn't want to get

1046

00:44:18,870 --> 00:44:15,839

involved or was afraid to get involved

1047

00:44:21,750 --> 00:44:18,880

because the exorcist or the priest takes

1048

00:44:24,309 --> 00:44:21,760

a lot of mental and physical abuse when

1049

00:44:27,109 --> 00:44:24,319

he comes up against these things and he

1050

00:44:29,030 --> 00:44:27,119

said he actually did find

1051

00:44:31,030 --> 00:44:29,040

um in pittsburgh

1052

00:44:33,510 --> 00:44:31,040

some priests that were trained and and

1053

00:44:36,150 --> 00:44:33,520

helped him out and that's probably my

1054

00:44:37,190 --> 00:44:36,160

next step when i get to shortly telling

1055

00:44:39,750 --> 00:44:37,200

you

1056

00:44:41,829 --> 00:44:39,760

go up the chain and get to the bishop of

1057

00:44:44,470 --> 00:44:41,839

your local area because i

1058

00:44:46,870 --> 00:44:44,480

listen i i like to joke and say i'm a

1059

00:44:48,069 --> 00:44:46,880

recovering catholic yeah and that's

1060

00:44:50,390 --> 00:44:48,079

because

1061

00:44:52,950 --> 00:44:50,400

when my father died he was a

1062

00:44:55,430 --> 00:44:52,960

like a volunteer at that church for many

1063

00:44:57,510 --> 00:44:55,440

many years the church the same place i

1064

00:45:00,790 --> 00:44:57,520

went to school and everything

1065

00:45:02,630 --> 00:45:00,800

and uh he he was dying in a hospice for

1066

00:45:05,430 --> 00:45:02,640

like six months and didn't put his

1067

00:45:07,270 --> 00:45:05,440

church envelopes in so when he died they

1068

00:45:09,190 --> 00:45:07,280

didn't want to bury him because he

1069

00:45:10,550 --> 00:45:09,200

missed six months of church envelopes

1070

00:45:12,550 --> 00:45:10,560

and that just turned me off to the

1071

00:45:14,550 --> 00:45:12,560

catholic church i said well we're all

1072

00:45:17,430 --> 00:45:14,560

about money you know

1073

00:45:19,270 --> 00:45:17,440

but i i've since come around and my

1074

00:45:20,950 --> 00:45:19,280

son's four uh

1075

00:45:22,950 --> 00:45:20,960

now he's going to be going to the same

1076

00:45:25,270 --> 00:45:22,960

school because it's simply the best

1077

00:45:27,430 --> 00:45:25,280

school so i made my peace with them and

1078

00:45:29,430 --> 00:45:27,440

even the priests there and

1079

00:45:30,829 --> 00:45:29,440

you know but they they tend to be not

1080

00:45:34,390 --> 00:45:30,839

very uh

1081

00:45:35,270 --> 00:45:34,400

responsive is but i've learned go up the

1082

00:45:37,109 --> 00:45:35,280

chain

1083

00:45:40,069 --> 00:45:37,119

if they're not going to help you who's

1084

00:45:41,670 --> 00:45:40,079

who is your direct superior if the

1085

00:45:43,910 --> 00:45:41,680

the person in charge of that church

1086

00:45:45,670 --> 00:45:43,920

won't help you go up the chain and

1087

00:45:47,430 --> 00:45:45,680

you'll find somebody somebody's going to

1088

00:45:49,589 --> 00:45:47,440

help you you know

1089

00:45:51,670 --> 00:45:49,599

and see i'm going to call them tomorrow

1090

00:45:53,270 --> 00:45:51,680

because that is exactly what i've

1091

00:45:55,829 --> 00:45:53,280

reasoned is

1092

00:45:57,349 --> 00:45:55,839

i'm not a member i go and i drop money

1093

00:45:59,829 --> 00:45:57,359

in the basket but they don't have me in

1094

00:46:01,829 --> 00:45:59,839

the registry so when i call for help

1095

00:46:04,470 --> 00:46:01,839

they go to their list and if you're not

1096

00:46:06,950 --> 00:46:04,480

a member they don't help you yeah i know

1097

00:46:08,950 --> 00:46:06,960

you really take attendance by the church

1098

00:46:10,790 --> 00:46:08,960

envelopes so if you're not putting a

1099

00:46:13,270 --> 00:46:10,800

church envelope with your team and the

1100

00:46:15,670 --> 00:46:13,280

20 bucks or whatever you're giving

1101

00:46:17,910 --> 00:46:15,680

you're not even on their radar now get

1102

00:46:20,230 --> 00:46:17,920

this i wrote them a check in november

1103

00:46:22,470 --> 00:46:20,240

for three thousand dollars and dropped

1104

00:46:24,550 --> 00:46:22,480

it in the basket

1105

00:46:27,030 --> 00:46:24,560

i didn't get a phone call they didn't

1106

00:46:29,510 --> 00:46:27,040

acknowledge it they just deposited it

1107

00:46:31,510 --> 00:46:29,520

right so here i am i'm a non-member

1108

00:46:33,670 --> 00:46:31,520

asking for help they have no record of

1109

00:46:35,510 --> 00:46:33,680

me yet i probably gave more to the

1110

00:46:37,589 --> 00:46:35,520

church than most any of their other

1111

00:46:38,790 --> 00:46:37,599

members did over the course of the year

1112

00:46:40,069 --> 00:46:38,800

so i'm actually going to call them

1113

00:46:43,349 --> 00:46:40,079

tomorrow and tell them that because

1114

00:46:44,630 --> 00:46:43,359

obviously you only react to the paying

1115

00:46:46,150 --> 00:46:44,640

customers

1116

00:46:48,230 --> 00:46:46,160

and i'll give them the check i'm

1117

00:46:50,230 --> 00:46:48,240

mentioning it but that's it and that's

1118

00:46:51,910 --> 00:46:50,240

that's worth it for them you know

1119

00:46:54,550 --> 00:46:51,920

and that's why people when you talk

1120

00:46:57,190 --> 00:46:54,560

about religion and you talk about this

1121

00:46:59,910 --> 00:46:57,200

and angels and demons that's why i want

1122

00:47:01,670 --> 00:46:59,920

to say malevolent interdimensional

1123

00:47:03,829 --> 00:47:01,680

entity because when you make it

1124

00:47:05,430 --> 00:47:03,839

religious people just have bad

1125

00:47:07,030 --> 00:47:05,440

experiences and i'm having a bad

1126

00:47:10,790 --> 00:47:07,040

experience right now with my local

1127

00:47:13,430 --> 00:47:10,800

church it's all about the money i truly

1128

00:47:15,430 --> 00:47:13,440

believe that i i've known you know i

1129

00:47:17,510 --> 00:47:15,440

went to catholic grade school catholic

1130

00:47:18,950 --> 00:47:17,520

high school i was educated by priests

1131

00:47:21,270 --> 00:47:18,960

and brothers

1132

00:47:22,630 --> 00:47:21,280

and nuns and and i truly believe that

1133

00:47:24,790 --> 00:47:22,640

those people

1134

00:47:27,349 --> 00:47:24,800

are good people that genuinely want to

1135

00:47:29,510 --> 00:47:27,359

help people but it's the administration

1136

00:47:31,990 --> 00:47:29,520

in these churches that is sometimes the

1137

00:47:34,150 --> 00:47:32,000

problem so you know yeah absolutely

1138

00:47:36,630 --> 00:47:34,160

appeal to some of the priests on a more

1139

00:47:37,589 --> 00:47:36,640

personal level tell them what's going on

1140

00:47:39,670 --> 00:47:37,599

you know

1141

00:47:42,309 --> 00:47:39,680

yeah absolutely

1142

00:47:45,109 --> 00:47:42,319

i know that there's there was one priest

1143

00:47:45,910 --> 00:47:45,119

in my local area who was famous

1144

00:47:49,750 --> 00:47:45,920

for

1145

00:47:51,510 --> 00:47:49,760

dealing with demonology and i wanted to

1146

00:47:53,750 --> 00:47:51,520

know this guy i didn't really get to

1147

00:47:56,069 --> 00:47:53,760

know him but you know so maybe in your

1148

00:47:58,790 --> 00:47:56,079

area there's a guy you know you just

1149

00:48:01,750 --> 00:47:58,800

gotta find that guy that one priest that

1150

00:48:03,510 --> 00:48:01,760

has that interest or experience

1151

00:48:05,829 --> 00:48:03,520

yeah there is and then in pittsburgh

1152

00:48:07,349 --> 00:48:05,839

about 30 miles away but i i'm going to

1153

00:48:09,589 --> 00:48:07,359

like you said go up the chain and i'm

1154

00:48:10,790 --> 00:48:09,599

going to tell them tomorrow what i think

1155

00:48:13,030 --> 00:48:10,800

about

1156

00:48:14,549 --> 00:48:13,040

the fact that they won't respond because

1157

00:48:16,150 --> 00:48:14,559

i'm not a member and i'm going to give

1158

00:48:18,150 --> 00:48:16,160

them the check number and date of my

1159

00:48:21,430 --> 00:48:18,160

three thousand dollar check and set up

1160

00:48:23,670 --> 00:48:21,440

their attention double write another one

1161

00:48:26,150 --> 00:48:23,680

yeah i will write another check i need

1162

00:48:28,230 --> 00:48:26,160

somebody to come here

1163

00:48:30,309 --> 00:48:28,240

you know but it's a shame that that's

1164

00:48:31,750 --> 00:48:30,319

what it's about so they won't they turn

1165

00:48:34,069 --> 00:48:31,760

the cheek and won't help you if you're

1166

00:48:36,870 --> 00:48:34,079

not showing them the green and that's a

1167

00:48:39,670 --> 00:48:36,880

problem but uh okay getting back to uh

1168

00:48:41,430 --> 00:48:39,680

exorcism um

1169

00:48:44,710 --> 00:48:41,440

when you

1170

00:48:47,030 --> 00:48:44,720

encounter these things you never say i

1171

00:48:49,270 --> 00:48:47,040

you have to remove the word hi

1172

00:48:50,870 --> 00:48:49,280

and you have to command it in the name

1173

00:48:52,390 --> 00:48:50,880

of jesus

1174

00:48:54,630 --> 00:48:52,400

that's the only way this works and i'll

1175

00:48:56,309 --> 00:48:54,640

give you an example later

1176

00:48:57,589 --> 00:48:56,319

now also reading through it they say

1177

00:48:59,349 --> 00:48:57,599

i've read a couple of different books

1178

00:49:01,990 --> 00:48:59,359

they say that they can take your body

1179

00:49:03,750 --> 00:49:02,000

over but not your soul i'm not 100

1180

00:49:06,710 --> 00:49:03,760

certain about that i think in the end

1181

00:49:09,030 --> 00:49:06,720

for some people they take your soul also

1182

00:49:12,390 --> 00:49:09,040

and you go that way instead of going up

1183

00:49:17,510 --> 00:49:14,710

stands to reason if they're if they have

1184

00:49:18,390 --> 00:49:17,520

that much effect on you in your life you

1185

00:49:20,630 --> 00:49:18,400

know

1186

00:49:22,790 --> 00:49:20,640

you mentioned something about uh you

1187

00:49:24,870 --> 00:49:22,800

know exorcisms going up and mental

1188

00:49:28,069 --> 00:49:24,880

illness well here's the thing if

1189

00:49:29,510 --> 00:49:28,079

somebody is mentally ill they respond to

1190

00:49:32,790 --> 00:49:29,520

medication

1191

00:49:35,510 --> 00:49:32,800

if you're possessed by an entity you you

1192

00:49:38,390 --> 00:49:35,520

don't respond to medication so and one

1193

00:49:41,510 --> 00:49:38,400

of the books i read said there should be

1194

00:49:43,910 --> 00:49:41,520

thousands and thousands of exorcisms be

1195

00:49:47,030 --> 00:49:43,920

being performed on mentally ill people

1196

00:49:49,190 --> 00:49:47,040

because that is their problem if the

1197

00:49:51,750 --> 00:49:49,200

medication doesn't work

1198

00:49:54,069 --> 00:49:51,760

it's most likely a possession

1199

00:49:57,349 --> 00:49:54,079

that's that's interesting

1200

00:49:59,990 --> 00:49:57,359

well yeah and i i've been in a we have

1201

00:50:02,790 --> 00:50:00,000

friends hospital here and uh

1202

00:50:05,910 --> 00:50:02,800

you know i had an occasion to visit

1203

00:50:07,670 --> 00:50:05,920

there not for myself of course but like

1204

00:50:09,109 --> 00:50:07,680

and i saw a lot of people that if you

1205

00:50:10,870 --> 00:50:09,119

didn't know

1206

00:50:12,630 --> 00:50:10,880

you know that you were in a mental

1207

00:50:15,349 --> 00:50:12,640

hospital i would say that person is

1208

00:50:18,069 --> 00:50:15,359

acting like they're possessed yeah

1209

00:50:20,309 --> 00:50:18,079

absolutely and and the last thing

1210

00:50:21,829 --> 00:50:20,319

very importantly when you go up against

1211

00:50:24,829 --> 00:50:21,839

these things

1212

00:50:27,589 --> 00:50:24,839

you got to realize they've been here

1213

00:50:29,030 --> 00:50:27,599

forever even if it's six thousand years

1214

00:50:31,270 --> 00:50:29,040

like the bible says

1215

00:50:33,910 --> 00:50:31,280

these things have roamed the earth as

1216

00:50:35,990 --> 00:50:33,920

long as we've been here so

1217

00:50:37,670 --> 00:50:36,000

they're very intelligent they're

1218

00:50:40,150 --> 00:50:37,680

physically when they take over a

1219

00:50:41,270 --> 00:50:40,160

person's body ex that you all of a

1220

00:50:43,589 --> 00:50:41,280

sudden you

1221

00:50:47,270 --> 00:50:43,599

multiply your strength by two three

1222

00:50:50,390 --> 00:50:47,280

times and they never forget they never

1223

00:50:54,069 --> 00:50:50,400

forgive because they hate humanity and

1224

00:50:56,710 --> 00:50:54,079

they always return stronger so when you

1225

00:50:59,109 --> 00:50:56,720

take them on you have to win

1226  
00:51:01,910 --> 00:50:59,119  
otherwise they come back with the next

1227  
00:51:03,589 --> 00:51:01,920  
level there's nine levels they come back

1228  
00:51:06,470 --> 00:51:03,599  
with the next level and i'm going to

1229  
00:51:08,470 --> 00:51:06,480  
tell you my story next yeah i'm anxious

1230  
00:51:12,069 --> 00:51:08,480  
to hear this now because this is a

1231  
00:51:14,710 --> 00:51:12,079  
personal experience yeah so i i gave you

1232  
00:51:17,270 --> 00:51:14,720  
all the information you need

1233  
00:51:19,430 --> 00:51:17,280  
on this topic now let's tell you what

1234  
00:51:22,150 --> 00:51:19,440  
happened to me and you know the thing

1235  
00:51:23,750 --> 00:51:22,160  
with me is these things happened

1236  
00:51:25,190 --> 00:51:23,760  
sporadically

1237  
00:51:27,430 --> 00:51:25,200  
over the years

1238  
00:51:29,829 --> 00:51:27,440

there'd be three four five years 16

1239

00:51:33,109 --> 00:51:29,839

years between things and most of them

1240

00:51:34,549 --> 00:51:33,119

were one-offs one time so you don't you

1241

00:51:36,309 --> 00:51:34,559

know you say okay whoa that was

1242

00:51:37,750 --> 00:51:36,319

interesting like if you all of a sudden

1243

00:51:39,829 --> 00:51:37,760

found the flowers in the middle of the

1244

00:51:41,990 --> 00:51:39,839

room then five years later you saw a

1245

00:51:43,750 --> 00:51:42,000

chair move and then five years later you

1246

00:51:45,750 --> 00:51:43,760

know you look at it and say holy [h\_\_h]

1247

00:51:48,829 --> 00:51:45,760

but but you know you don't have anything

1248

00:51:49,030 --> 00:51:48,839

it's so spread out that it doesn't seem

1249

00:51:52,150 --> 00:51:49,040

serious yeah so still with me and i've

1250

00:51:55,870 --> 00:51:54,390

gone back through my history

1251  
00:51:59,190 --> 00:51:55,880  
four years old

1252  
00:52:02,309 --> 00:51:59,200  
1961 i remember being in bed living in

1253  
00:52:05,910 --> 00:52:02,319  
an apartment in brooklyn and something

1254  
00:52:09,030 --> 00:52:05,920  
grabbed my feet and i screamed the door

1255  
00:52:10,950 --> 00:52:09,040  
opens my father my mother and my brother

1256  
00:52:12,870 --> 00:52:10,960  
are standing there and i thought my

1257  
00:52:15,349 --> 00:52:12,880  
brother did it and i saw him behind my

1258  
00:52:18,430 --> 00:52:15,359  
parents and i realized he wasn't in the

1259  
00:52:21,990 --> 00:52:18,440  
room so something grabbed my feet

1260  
00:52:23,589 --> 00:52:22,000  
1969 now it's eight years later right

1261  
00:52:27,990 --> 00:52:23,599  
i have an out-of-body experience i'm

1262  
00:52:29,750 --> 00:52:28,000  
living in richmond hill queens and um

1263  
00:52:30,710 --> 00:52:29,760

i remember about three four nights in a

1264

00:52:33,109 --> 00:52:30,720

row

1265

00:52:34,470 --> 00:52:33,119

every night i was anxious to go to bed

1266

00:52:36,150 --> 00:52:34,480

as soon as the sun went down like how

1267

00:52:38,950 --> 00:52:36,160

many 12 year olds and queens are looking

1268

00:52:41,510 --> 00:52:38,960

to go to bed i i can't wait to go to bed

1269

00:52:44,549 --> 00:52:41,520

because every night i'm outside and i'm

1270

00:52:48,069 --> 00:52:44,559

able to fly i'm flying above my

1271

00:52:50,549 --> 00:52:48,079

neighborhood i can see the houses of my

1272

00:52:53,829 --> 00:52:50,559

friends i'm above the trees and every

1273

00:52:55,990 --> 00:52:53,839

night i go a little further it lasts for

1274

00:52:59,190 --> 00:52:56,000

like i said about three or four nights

1275

00:53:01,349 --> 00:52:59,200

and that was it 1969 i was 12 years old

1276

00:53:03,750 --> 00:53:01,359

i mentioned that recurring dream that i

1277

00:53:04,710 --> 00:53:03,760

had of seeing the brick and the

1278

00:53:06,870 --> 00:53:04,720

in the

1279

00:53:08,109 --> 00:53:06,880

graveyard and which became the house i

1280

00:53:11,750 --> 00:53:08,119

ended up buying

1281

00:53:14,790 --> 00:53:11,760

1971 now so it's two years later

1282

00:53:16,950 --> 00:53:14,800

my grandmother passes away my parents my

1283

00:53:19,109 --> 00:53:16,960

brother sister they went to the hospital

1284

00:53:21,349 --> 00:53:19,119

i didn't go that night it was in jamaica

1285

00:53:24,790 --> 00:53:21,359

queens we're living on long island and

1286

00:53:27,510 --> 00:53:24,800

uh i i'm in my room and i hear a female

1287

00:53:30,150 --> 00:53:27,520

voice in the hallway in agony you know

1288

00:53:32,470 --> 00:53:30,160

kind of let out a scream he scared the

1289

00:53:35,829 --> 00:53:32,480

crap out of me i jumped up i locked my

1290

00:53:38,549 --> 00:53:35,839

bedroom door it definitely happened and

1291

00:53:40,710 --> 00:53:38,559

about my parents get home i didn't say

1292

00:53:42,069 --> 00:53:40,720

anything a couple hours later the call

1293

00:53:44,549 --> 00:53:42,079

comes from the hospital that my

1294

00:53:47,109 --> 00:53:44,559

grandmother passed away i guarantee you

1295

00:53:50,790 --> 00:53:47,119

that was her soul leaving the body

1296

00:53:53,589 --> 00:53:50,800

before the body died and i heard it okay

1297

00:53:54,950 --> 00:53:53,599

yeah so that's 1971. now two years later

1298

00:53:59,430 --> 00:53:54,960

and i guess like i said this happens

1299

00:54:01,910 --> 00:53:59,440

every few years two years later 1973.

1300

00:54:03,430 --> 00:54:01,920

okay 1973 the exorcist came out i

1301

00:54:06,790 --> 00:54:03,440

remember that movie is the only movie

1302

00:54:09,589 --> 00:54:06,800

that ever that ever scared me because i

1303

00:54:12,630 --> 00:54:09,599

knew that could happen to somebody the

1304

00:54:16,069 --> 00:54:12,640

exorcist right so uh we both had a huge

1305

00:54:18,230 --> 00:54:16,079

ufo wave across the country in 1973

1306

00:54:19,750 --> 00:54:18,240

up to mississippi across pennsylvania it

1307

00:54:22,470 --> 00:54:19,760

ended up in uh

1308

00:54:25,670 --> 00:54:22,480

in new hampshire but uh so i you know

1309

00:54:27,510 --> 00:54:25,680

i'm at this point uh 16 years old i just

1310

00:54:29,589 --> 00:54:27,520

played a bubble header or a softball i

1311

00:54:32,549 --> 00:54:29,599

remember it's like late afternoon

1312

00:54:36,549 --> 00:54:32,559

i laid down on my bed i was asleep this

1313

00:54:38,630 --> 00:54:36,559

was a lucid dream right but

1314

00:54:40,710 --> 00:54:38,640

i'm in my backyard

1315

00:54:42,789 --> 00:54:40,720

in my dream i opened up like the

1316

00:54:44,069 --> 00:54:42,799

basement door to go in

1317

00:54:46,309 --> 00:54:44,079

it's kind of like one of those storm

1318

00:54:49,430 --> 00:54:46,319

doors on an angle and i open it up and

1319

00:54:51,990 --> 00:54:49,440

it's a cave i go down the cave about two

1320

00:54:54,630 --> 00:54:52,000

three layer levels i can see the light

1321

00:54:56,710 --> 00:54:54,640

from the doorway something is coming up

1322

00:55:01,510 --> 00:54:56,720

from the lower levels up

1323

00:55:03,829 --> 00:55:01,520

i turn i'm running in slow motion right

1324

00:55:05,670 --> 00:55:03,839

this thing is behind me i can feel it

1325

00:55:08,549 --> 00:55:05,680

breathing on my back

1326  
00:55:11,270 --> 00:55:08,559  
you know and i'm saying to myself do not

1327  
00:55:14,309 --> 00:55:11,280  
turn and look at it if you look at it

1328  
00:55:17,990 --> 00:55:14,319  
you're not waking up from this dream

1329  
00:55:21,430 --> 00:55:18,000  
move do something i can see the doorway

1330  
00:55:24,470 --> 00:55:21,440  
i'm concentrating i move my hand i wake

1331  
00:55:27,270 --> 00:55:24,480  
up i'm telling you steve i sit up in bed

1332  
00:55:29,990 --> 00:55:27,280  
my heart is beating like 180 beats a

1333  
00:55:32,870 --> 00:55:30,000  
minute i'm covered in sweat i knew it

1334  
00:55:35,750 --> 00:55:32,880  
was a dream but it was such a lucid

1335  
00:55:38,789 --> 00:55:35,760  
dream i know if i turned around this was

1336  
00:55:40,630 --> 00:55:38,799  
satan or a demon or devil i would have

1337  
00:55:43,349 --> 00:55:40,640  
died in my dream right then i would have

1338  
00:55:45,670 --> 00:55:43,359

died in my sleep in my room now the

1339

00:55:48,470 --> 00:55:45,680

thing that happens also that i just

1340

00:55:52,950 --> 00:55:48,480

recently found out about from my sister

1341

00:55:54,630 --> 00:55:52,960

who i'm 16 she's 10 in 1973

1342

00:55:58,470 --> 00:55:54,640

in her room

1343

00:56:00,390 --> 00:55:58,480

she has an annabelle doll experience she

1344

00:56:03,670 --> 00:56:00,400

will not tell me the full story but

1345

00:56:05,829 --> 00:56:03,680

she'll say john don't ask me i'm telling

1346

00:56:07,750 --> 00:56:05,839

you i had this doll and i remember the

1347

00:56:09,670 --> 00:56:07,760

dollar was a blonde hair doll about

1348

00:56:12,470 --> 00:56:09,680

three feet tall

1349

00:56:15,430 --> 00:56:12,480

this thing moved walks talked it did

1350

00:56:18,069 --> 00:56:15,440

something like annabelle my sister is

1351

00:56:20,150 --> 00:56:18,079

petrified of that even when i tell her

1352

00:56:22,950 --> 00:56:20,160

my story i don't want to hear it she's

1353

00:56:24,230 --> 00:56:22,960

coming to visit in june she goes john

1354

00:56:25,910 --> 00:56:24,240

i'm not staying at your house we're

1355

00:56:27,510 --> 00:56:25,920

saying they're coming from long island

1356

00:56:29,270 --> 00:56:27,520

here to pittsburgh

1357

00:56:31,349 --> 00:56:29,280

they're staying in a hotel she won't

1358

00:56:33,190 --> 00:56:31,359

sleep in this house and she's got her 13

1359

00:56:35,670 --> 00:56:33,200

year old daughter with her

1360

00:56:37,670 --> 00:56:35,680

she is so petrified but she had an

1361

00:56:39,430 --> 00:56:37,680

annabelle doll experience the same time

1362

00:56:41,510 --> 00:56:39,440

i had that lucid dream

1363

00:56:47,430 --> 00:56:41,520

so

1364

00:56:49,910 --> 00:56:47,440

go by it's 1988.

1365

00:56:52,230 --> 00:56:49,920

and this may be nothing so my my high

1366

00:56:54,549 --> 00:56:52,240

school years my college years married

1367

00:56:56,549 --> 00:56:54,559

kids everything's fine nothing happens

1368

00:56:59,670 --> 00:56:56,559

we're still living on long island i'm

1369

00:57:02,630 --> 00:56:59,680

working for ups i go to europe

1370

00:57:05,510 --> 00:57:02,640

and it's 1988 i spend thanksgiving in

1371

00:57:08,309 --> 00:57:05,520

germany my wife is fuming at me

1372

00:57:10,390 --> 00:57:08,319

i get done a day early i try to switch

1373

00:57:13,910 --> 00:57:10,400

my flight a day early

1374

00:57:16,870 --> 00:57:13,920

out of london and um i tried to switch

1375

00:57:17,829 --> 00:57:16,880

it to pan am flight 103.

1376

00:57:22,390 --> 00:57:17,839

i did

1377

00:57:23,829 --> 00:57:22,400

switch because it was 600 to make the

1378

00:57:26,230 --> 00:57:23,839

plane switch and i knew the company

1379

00:57:29,030 --> 00:57:26,240

wouldn't pay for it so i fly back

1380

00:57:30,870 --> 00:57:29,040

december 22nd 1988.

1381

00:57:33,030 --> 00:57:30,880

i get on the plane everyone's buzzing

1382

00:57:35,829 --> 00:57:33,040

about the flight the morning before that

1383

00:57:38,470 --> 00:57:35,839

blew up and that was my flight

1384

00:57:40,870 --> 00:57:38,480

that i could have got on i don't know if

1385

00:57:43,190 --> 00:57:40,880

that means anything it may not because

1386

00:57:44,950 --> 00:57:43,200

these things were happening to me prior

1387

00:57:46,870 --> 00:57:44,960

to that but

1388

00:57:50,789 --> 00:57:46,880

from that point on

1389

00:57:52,630 --> 00:57:50,799

it starts to change okay so so uh two

1390

00:57:54,549 --> 00:57:52,640

weeks later we get transferred to

1391

00:57:55,430 --> 00:57:54,559

oklahoma city

1392

00:57:57,030 --> 00:57:55,440

because

1393

00:57:59,430 --> 00:57:57,040

my wife wouldn't move to europe who was

1394

00:58:00,710 --> 00:57:59,440

supposed to move there for a big huge

1395

00:58:02,870 --> 00:58:00,720

promotion

1396

00:58:05,349 --> 00:58:02,880

with ups be in charge of security for

1397

00:58:07,589 --> 00:58:05,359

europe it didn't she wouldn't go so

1398

00:58:09,510 --> 00:58:07,599

we're in oklahoma

1399

00:58:11,670 --> 00:58:09,520

she's very unhappy her entire

1400

00:58:13,670 --> 00:58:11,680

personality changes and we talked about

1401

00:58:15,589 --> 00:58:13,680

personality change

1402

00:58:17,829 --> 00:58:15,599

she becomes somebody else she leaves me

1403

00:58:20,470 --> 00:58:17,839

three times in two years her whole

1404

00:58:23,190 --> 00:58:20,480

personality changes two things happen

1405

00:58:24,950 --> 00:58:23,200

there i hear a voice in the hallway i

1406

00:58:27,190 --> 00:58:24,960

remember i'm going to bed

1407

00:58:30,630 --> 00:58:27,200

and i hear a male voice it sounded like

1408

00:58:33,510 --> 00:58:30,640

an indian chant to me they went

1409

00:58:35,430 --> 00:58:33,520

like that really loud right and the

1410

00:58:37,910 --> 00:58:35,440

other thing that happened we were

1411

00:58:39,589 --> 00:58:37,920

watching tv and i remember it america's

1412

00:58:40,950 --> 00:58:39,599

funniest videos were sitting there

1413

00:58:43,190 --> 00:58:40,960

watching it

1414

00:58:45,349 --> 00:58:43,200

and we hear three footsteps upstairs the

1415

00:58:47,750 --> 00:58:45,359

kids are in bed they're three and five

1416

00:58:49,990 --> 00:58:47,760

they're in bed three footsteps then

1417

00:58:51,670 --> 00:58:50,000

three louder footsteps and i said to my

1418

00:58:53,109 --> 00:58:51,680

wife are the kids up

1419

00:58:55,829 --> 00:58:53,119

then three

1420

00:58:57,910 --> 00:58:55,839

banging footsteps that i couldn't jump

1421

00:59:00,470 --> 00:58:57,920

up and down and make this noise

1422

00:59:01,430 --> 00:59:00,480

i flew upstairs

1423

00:59:05,430 --> 00:59:01,440

the kids

1424

00:59:09,030 --> 00:59:05,440

and i checked under their beds every

1425

00:59:11,109 --> 00:59:09,040

closet the toy box nothing's up there

1426  
00:59:14,470 --> 00:59:11,119  
and you gotta watch for the threes three

1427  
00:59:15,510 --> 00:59:14,480  
footsteps three sets three times

1428  
00:59:18,630 --> 00:59:15,520  
and

1429  
00:59:21,109 --> 00:59:18,640  
now it begins okay my wife becomes

1430  
00:59:23,510 --> 00:59:21,119  
somebody else

1431  
00:59:26,470 --> 00:59:23,520  
she leads me basically in oklahoma

1432  
00:59:29,190 --> 00:59:26,480  
returns to long island i get ups to

1433  
00:59:31,349 --> 00:59:29,200  
transfer me back to new jersey so we're

1434  
00:59:33,670 --> 00:59:31,359  
about 100 miles away

1435  
00:59:36,789 --> 00:59:33,680  
she comes back for a year

1436  
00:59:39,829 --> 00:59:36,799  
and this house we move into

1437  
00:59:42,630 --> 00:59:39,839  
in 1991

1438  
00:59:44,630 --> 00:59:42,640

my kids now are being put and i didn't

1439

00:59:46,710 --> 00:59:44,640

know this until recently

1440

00:59:49,349 --> 00:59:46,720

they're being terrorized by some sort of

1441

00:59:51,349 --> 00:59:49,359

poltergeist demonic stuff

1442

00:59:54,230 --> 00:59:51,359

i'm being terrorized we move into the

1443

00:59:56,390 --> 00:59:54,240

house this is like a hell house

1444

00:59:58,630 --> 00:59:56,400

so this something's attached to me at

1445

01:00:01,750 --> 00:59:58,640

this point and i think been attached for

1446

01:00:03,670 --> 01:00:01,760

a long time so we move into this house

1447

01:00:05,910 --> 01:00:03,680

i'm telling you steve

1448

01:00:08,309 --> 01:00:05,920

i invite my parents over we're standing

1449

01:00:10,549 --> 01:00:08,319

in the den the doorway and the den goes

1450

01:00:13,750 --> 01:00:10,559

into the garage right my father says to

1451

01:00:15,990 --> 01:00:13,760

me john what is that noise i say dad the

1452

01:00:17,990 --> 01:00:16,000

moving boxes are in the garage you can

1453

01:00:20,630 --> 01:00:18,000

hear them sliding around the garage

1454

01:00:22,789 --> 01:00:20,640

floor on the cement he heard it

1455

01:00:24,230 --> 01:00:22,799

other people heard it i was hearing it

1456

01:00:26,390 --> 01:00:24,240

for weeks

1457

01:00:28,390 --> 01:00:26,400

you know and you know what a heavy box

1458

01:00:30,150 --> 01:00:28,400

on a cement floor sounds like very

1459

01:00:32,390 --> 01:00:30,160

distinctive right

1460

01:00:37,750 --> 01:00:35,270

now all kinds of things happen we hear a

1461

01:00:41,270 --> 01:00:37,760

rocking chair in the spare bedroom we

1462

01:00:43,430 --> 01:00:41,280

hear a baby crying there are shadows on

1463

01:00:45,430 --> 01:00:43,440

moving on the ceiling i have my my

1464

01:00:47,109 --> 01:00:45,440

sister and the family over they were the

1465

01:00:49,670 --> 01:00:47,119

first ones to see it john they were

1466

01:00:51,430 --> 01:00:49,680

screaming john come in here look at this

1467

01:00:53,910 --> 01:00:51,440

there's a shadow moving across the

1468

01:00:56,870 --> 01:00:53,920

ceiling i see it with my girlfriend

1469

01:00:59,829 --> 01:00:56,880

months later

1470

01:01:02,230 --> 01:00:59,839

my son he

1471

01:01:04,390 --> 01:01:02,240

he says that i would lay down at night

1472

01:01:06,870 --> 01:01:04,400

and hear a voice in the wall with behind

1473

01:01:09,349 --> 01:01:06,880

my head the headboard and it would say

1474

01:01:11,030 --> 01:01:09,359

i'm going to get you my daughter heard

1475

01:01:12,549 --> 01:01:11,040

the same things in the spare bedroom

1476

01:01:15,349 --> 01:01:12,559

with the rocking chair and the baby

1477

01:01:19,510 --> 01:01:15,359

crying uh my son

1478

01:01:21,349 --> 01:01:19,520

sees a creature walk down the hallway

1479

01:01:24,230 --> 01:01:21,359

uh like a hairy

1480

01:01:26,950 --> 01:01:24,240

like a bigfoot basically like like uh

1481

01:01:30,230 --> 01:01:26,960

mr you know that hairy creature that was

1482

01:01:34,549 --> 01:01:32,710

and i was sleeping one night i woke up

1483

01:01:36,630 --> 01:01:34,559

in the middle of the night there's a kid

1484

01:01:38,470 --> 01:01:36,640

standing at the foot of the bed i

1485

01:01:40,789 --> 01:01:38,480

thought it was my son he was about the

1486

01:01:43,430 --> 01:01:40,799

same age like 10 years old at this point

1487

01:01:45,910 --> 01:01:43,440

he had a bold cut haircut with blonde

1488

01:01:47,910 --> 01:01:45,920

hair just like my son and he was wearing

1489

01:01:50,470 --> 01:01:47,920

overalls and a plaid shirt i remember i

1490

01:01:52,390 --> 01:01:50,480

said coming to bed it was my son he laid

1491

01:01:54,309 --> 01:01:52,400

down i put my arm around him in the

1492

01:01:56,230 --> 01:01:54,319

morning i asked my girlfriend she goes

1493

01:01:59,109 --> 01:01:56,240

your kids didn't sleep over last night

1494

01:02:02,390 --> 01:01:59,119

it was as real as real can be that is

1495

01:02:04,069 --> 01:02:02,400

creepy i'm telling you i'm creepy

1496

01:02:06,150 --> 01:02:04,079

all the stuff that happened there and

1497

01:02:08,549 --> 01:02:06,160

then my daughter afterwards after i we

1498

01:02:11,270 --> 01:02:08,559

got divorced there and i moved to

1499

01:02:13,990 --> 01:02:11,280

pittsburgh my daughter said one day she

1500

01:02:16,390 --> 01:02:14,000

went with her friends back to the house

1501  
01:02:17,750 --> 01:02:16,400  
and she said dad all the lights were on

1502  
01:02:19,190 --> 01:02:17,760  
she's in the car with two of her

1503  
01:02:20,549 --> 01:02:19,200  
girlfriends and she wanted to show them

1504  
01:02:22,470 --> 01:02:20,559  
the old house because they're living in

1505  
01:02:24,069 --> 01:02:22,480  
a in a townhouse now and this was a

1506  
01:02:24,950 --> 01:02:24,079  
really big beautiful house with a

1507  
01:02:27,510 --> 01:02:24,960  
built-in

1508  
01:02:28,710 --> 01:02:27,520  
swimming pool and she goes dad we pull

1509  
01:02:30,549 --> 01:02:28,720  
up

1510  
01:02:32,470 --> 01:02:30,559  
every light in the house went off like

1511  
01:02:34,390 --> 01:02:32,480  
somebody threw the circuit breaker the

1512  
01:02:36,549 --> 01:02:34,400  
entire house went black she says they

1513  
01:02:39,270 --> 01:02:36,559

just whipped the car around and got out

1514

01:02:42,950 --> 01:02:39,280

of the neighborhood wow yeah and they

1515

01:02:46,470 --> 01:02:42,960

got out of there so 97 i moved to

1516

01:02:48,309 --> 01:02:46,480

the pittsburgh area to pennsylvania

1517

01:02:51,349 --> 01:02:48,319

that's where i write that first book i

1518

01:02:53,510 --> 01:02:51,359

get involved in ufos in in 98 i write

1519

01:02:56,309 --> 01:02:53,520

and start writing my book in 96 on the

1520

01:02:58,870 --> 01:02:56,319

mayan calendar the prophecy book but

1521

01:03:00,710 --> 01:02:58,880

what happens is and this is see this to

1522

01:03:01,670 --> 01:03:00,720

me is very

1523

01:03:06,630 --> 01:03:01,680

telling

1524

01:03:09,670 --> 01:03:06,640

99 so now i joined mufon in 98 in 99 i

1525

01:03:11,750 --> 01:03:09,680

go to my first ufo symposium the ufo

1526

01:03:13,910 --> 01:03:11,760

conference and

1527

01:03:16,710 --> 01:03:13,920

all kinds of things the big up until

1528

01:03:18,789 --> 01:03:16,720

that point the biggest attack on me

1529

01:03:22,789 --> 01:03:18,799

oppression takes place

1530

01:03:25,430 --> 01:03:22,799

in july 4th of 99. so what happens is i

1531

01:03:28,470 --> 01:03:25,440

go to the symposium in

1532

01:03:31,510 --> 01:03:28,480

over by washington dc northern virginia

1533

01:03:33,910 --> 01:03:31,520

i'm there and i'm single at this point

1534

01:03:36,069 --> 01:03:33,920

so i'm divorced this woman comes in i

1535

01:03:39,109 --> 01:03:36,079

remember it was like 11 o'clock

1536

01:03:40,870 --> 01:03:39,119

so she comes into the symposium

1537

01:03:43,029 --> 01:03:40,880

and she's really attractive but

1538

01:03:44,789 --> 01:03:43,039

different looking her facial features i

1539

01:03:47,029 --> 01:03:44,799

kept looking at her

1540

01:03:49,430 --> 01:03:47,039

i made sure at lunch i got behind her

1541

01:03:52,870 --> 01:03:49,440

online i had lunch with her

1542

01:03:55,829 --> 01:03:52,880

and she was pale as pale can be

1543

01:03:57,109 --> 01:03:55,839

red bloodshot gray eyes

1544

01:03:59,190 --> 01:03:57,119

i'm telling you there was something

1545

01:04:01,430 --> 01:03:59,200

about her like i'm thinking hybrid

1546

01:04:02,309 --> 01:04:01,440

there's something about this woman not

1547

01:04:06,470 --> 01:04:02,319

right

1548

01:04:08,150 --> 01:04:06,480

one i guess yeah i guess because they

1549

01:04:11,910 --> 01:04:08,160

would show up there right to find out

1550

01:04:13,910 --> 01:04:11,920

what we're thinking or to infiltrate but

1551

01:04:16,309 --> 01:04:13,920

so look at this i go back to the

1552

01:04:18,870 --> 01:04:16,319

symposium at one o'clock she showed up

1553

01:04:21,029 --> 01:04:18,880

at 11. she's not there at one and she

1554

01:04:22,950 --> 01:04:21,039

never comes back to the symposium who

1555

01:04:25,990 --> 01:04:22,960

pays to go to a symposium and you're

1556

01:04:28,710 --> 01:04:26,000

there for one hour and lunch two hours

1557

01:04:30,630 --> 01:04:28,720

and you you never return so

1558

01:04:32,230 --> 01:04:30,640

i it doesn't make any sense so i go home

1559

01:04:34,549 --> 01:04:32,240

during the lunch or what did you guys

1560

01:04:36,230 --> 01:04:34,559

talk about it was just small talk it was

1561

01:04:38,150 --> 01:04:36,240

just you know i was kind of like hitting

1562

01:04:39,829 --> 01:04:38,160

on her a little bit but i never saw

1563

01:04:42,230 --> 01:04:39,839

maybe i drove her off and she ran from

1564

01:04:44,230 --> 01:04:42,240

the symposium she maybe she was able to

1565

01:04:46,230 --> 01:04:44,240

she was able to read my mind and said

1566

01:04:48,069 --> 01:04:46,240

i'm getting out of here

1567

01:04:50,390 --> 01:04:48,079

yeah

1568

01:04:53,109 --> 01:04:50,400

but what happens though now and that may

1569

01:04:54,950 --> 01:04:53,119

be nothing right maybe she was albino i

1570

01:04:58,390 --> 01:04:54,960

don't know so

1571

01:04:59,349 --> 01:04:58,400

i leave i come home it's fourth of july

1572

01:05:01,029 --> 01:04:59,359

right

1573

01:05:02,150 --> 01:05:01,039

i didn't stay for the fireworks i get

1574

01:05:04,789 --> 01:05:02,160

home

1575

01:05:08,470 --> 01:05:04,799

now the next four nights i have some of

1576

01:05:10,150 --> 01:05:08,480

the worst lucid dreams possible i have

1577

01:05:13,670 --> 01:05:10,160

another out-of-body experience i'm

1578

01:05:15,029 --> 01:05:13,680

floating above my house this is exactly

1579

01:05:17,910 --> 01:05:15,039

30 years

1580

01:05:22,470 --> 01:05:17,920

after the first one i had in 1969 and

1581

01:05:24,950 --> 01:05:22,480

summer of 99 exactly 30 years later i'm

1582

01:05:26,630 --> 01:05:24,960

having these weird dreams there's that

1583

01:05:28,950 --> 01:05:26,640

hairy creature

1584

01:05:31,910 --> 01:05:28,960

standing by the side of my bed i'm

1585

01:05:33,990 --> 01:05:31,920

waking up swinging my fist at the air

1586

01:05:36,789 --> 01:05:34,000

because i noticed something in the room

1587

01:05:39,109 --> 01:05:36,799

there's such a feeling of a presence in

1588

01:05:40,950 --> 01:05:39,119

the room with me i didn't understand any

1589

01:05:42,870 --> 01:05:40,960

of this demonic stuff back then i didn't

1590

01:05:45,589 --> 01:05:42,880

start looking into it till recently and

1591

01:05:47,109 --> 01:05:45,599

i'll tell you why in a few minutes but

1592

01:05:49,349 --> 01:05:47,119

so i'm waking up

1593

01:05:51,750 --> 01:05:49,359

i can't sleep i'm waking up like every

1594

01:05:53,270 --> 01:05:51,760

hour because i noticed something in in

1595

01:05:55,750 --> 01:05:53,280

the house there's something in the room

1596

01:05:58,150 --> 01:05:55,760

with me i'm having these dreams i have a

1597

01:05:59,510 --> 01:05:58,160

pair of dopamines at the time

1598

01:06:03,349 --> 01:05:59,520

and the one

1599

01:06:05,430 --> 01:06:03,359

female she's 95 pounds all muscle i had

1600

01:06:07,430 --> 01:06:05,440

i'm having these dreams of the dog is

1601  
01:06:09,190 --> 01:06:07,440  
floating in the air and i remember the

1602  
01:06:11,589 --> 01:06:09,200  
room was like a

1603  
01:06:13,750 --> 01:06:11,599  
beige color there was no furniture no

1604  
01:06:17,349 --> 01:06:13,760  
nothing my dog's just floating in the

1605  
01:06:19,589 --> 01:06:17,359  
air sideways there's a kid there

1606  
01:06:21,990 --> 01:06:19,599  
poking the dog and i kept yelling at the

1607  
01:06:24,710 --> 01:06:22,000  
kid stop poking the dog stop poking the

1608  
01:06:27,750 --> 01:06:24,720  
dog and he opened the door but this kid

1609  
01:06:30,630 --> 01:06:27,760  
didn't look human he had big bulging

1610  
01:06:34,230 --> 01:06:30,640  
eyes he had straggly hair like hair

1611  
01:06:36,710 --> 01:06:34,240  
plugs he had huge popeye forearms and

1612  
01:06:38,390 --> 01:06:36,720  
the bone was sticking out of the elbow

1613  
01:06:40,230 --> 01:06:38,400

so you know so i'm starting to think

1614

01:06:42,390 --> 01:06:40,240

this is like an alien abduction and

1615

01:06:44,829 --> 01:06:42,400

these are some sort of hybrids and stuff

1616

01:06:49,430 --> 01:06:44,839

right so but the thing

1617

01:06:52,950 --> 01:06:49,440

is i also see another kid that's this

1618

01:06:55,029 --> 01:06:52,960

rat boy he he looks like nosferatu the

1619

01:06:57,510 --> 01:06:55,039

vampire but he's got these buck teeth in

1620

01:06:59,750 --> 01:06:57,520

the front and he has a face like a rat

1621

01:07:01,190 --> 01:06:59,760

boy and his hair is slicked back i

1622

01:07:05,029 --> 01:07:01,200

remember getting the impression like a

1623

01:07:07,829 --> 01:07:05,039

vampire like nosferatu and uh

1624

01:07:08,870 --> 01:07:07,839

it's funny though when i woke up i wrote

1625

01:07:10,630 --> 01:07:08,880

down

1626

01:07:13,270 --> 01:07:10,640

uh what i

1627

01:07:14,710 --> 01:07:13,280

what happened but i only wrote down the

1628

01:07:16,630 --> 01:07:14,720

rat boy

1629

01:07:19,430 --> 01:07:16,640

i didn't write down the other one the

1630

01:07:21,670 --> 01:07:19,440

other one was a memory that came back to

1631

01:07:23,750 --> 01:07:21,680

me like years later

1632

01:07:26,309 --> 01:07:23,760

when i thought about it it was the kid

1633

01:07:28,870 --> 01:07:26,319

with the bulging eyes i completely

1634

01:07:30,630 --> 01:07:28,880

forgot about the rat boy until i went

1635

01:07:32,470 --> 01:07:30,640

back to my notes and said wait a minute

1636

01:07:33,990 --> 01:07:32,480

yeah i remember that the rat boy was

1637

01:07:36,549 --> 01:07:34,000

there but not the other one so i don't

1638

01:07:38,470 --> 01:07:36,559

know what that means there's two kids

1639

01:07:40,150 --> 01:07:38,480

like one's a screen memory were they

1640

01:07:41,029 --> 01:07:40,160

both there i don't know what that what

1641

01:07:43,829 --> 01:07:41,039

it was

1642

01:07:45,109 --> 01:07:43,839

so so this goes on for about four nights

1643

01:07:46,950 --> 01:07:45,119

right

1644

01:07:49,510 --> 01:07:46,960

my girlfriend at the time

1645

01:07:53,190 --> 01:07:49,520

she actually went on the ufo website and

1646

01:07:56,069 --> 01:07:53,200

she goes john july 4th there's a ufo

1647

01:08:00,549 --> 01:07:56,079

sighting at penn state there's another

1648

01:08:02,710 --> 01:08:00,559

one at west virginia in uh wvu at

1649

01:08:05,430 --> 01:08:02,720

morgantown west virginia she goes your

1650

01:08:08,230 --> 01:08:05,440

house is in direct line with that

1651

01:08:09,910 --> 01:08:08,240

so that ufo from from penn state to

1652

01:08:12,309 --> 01:08:09,920

virginia would have flown right over my

1653

01:08:15,029 --> 01:08:12,319

house and that's when this uh this

1654

01:08:17,990 --> 01:08:15,039

encounter started right so here i am

1655

01:08:20,789 --> 01:08:18,000

thinking okay ufos went to a ufo

1656

01:08:21,749 --> 01:08:20,799

conference ufo abduction i speak to dr

1657

01:08:26,390 --> 01:08:21,759

david

1658

01:08:28,630 --> 01:08:26,400

you've told me this is not an abduction

1659

01:08:31,189 --> 01:08:28,640

they don't happen 30 years apart they

1660

01:08:32,630 --> 01:08:31,199

happened continuously

1661

01:08:35,749 --> 01:08:32,640

then he asked me other questions they

1662

01:08:37,669 --> 01:08:35,759

didn't add up he goes this is not a ufo

1663

01:08:40,229 --> 01:08:37,679

abduction so

1664

01:08:42,789 --> 01:08:40,239

that goes on for about uh four four

1665

01:08:46,349 --> 01:08:42,799

nights right

1666

01:08:50,229 --> 01:08:46,359

so then it it quiets down that's

1667

01:08:52,149 --> 01:08:50,239

1997. so seven years go by right so now

1668

01:08:54,309 --> 01:08:52,159

it's 2004.

1669

01:08:57,269 --> 01:08:54,319

i got this other girlfriend just moves

1670

01:08:59,669 --> 01:08:57,279

in with me probably in august of 04

1671

01:09:01,430 --> 01:08:59,679

and my kids are over and this is

1672

01:09:04,470 --> 01:09:01,440

interesting my son just recently said

1673

01:09:06,789 --> 01:09:04,480

this to me she said that do you realize

1674

01:09:09,349 --> 01:09:06,799

that most of the demonic stuff that's

1675

01:09:10,870 --> 01:09:09,359

happened has happened when the three of

1676

01:09:13,269 --> 01:09:10,880

us were together

1677

01:09:16,070 --> 01:09:13,279

right now in the divorce agreement i got

1678

01:09:17,349 --> 01:09:16,080

my kids at thanksgiving my ex always got

1679

01:09:19,349 --> 01:09:17,359

them at christmas because that's what

1680

01:09:21,349 --> 01:09:19,359

she wanted so i said okay

1681

01:09:22,950 --> 01:09:21,359

and whenever i was together with my kids

1682

01:09:25,110 --> 01:09:22,960

not all the time but you know it would

1683

01:09:28,070 --> 01:09:25,120

always be thanksgiving that we would

1684

01:09:31,110 --> 01:09:28,080

have the pre-turn natural stuff happen

1685

01:09:33,430 --> 01:09:31,120

so it's thanksgiving 2004. we have a

1686

01:09:35,669 --> 01:09:33,440

great day we go to bed watch the

1687

01:09:38,390 --> 01:09:35,679

football games turkey all of that we go

1688

01:09:41,430 --> 01:09:38,400

to bed around midnight right i'm in bed

1689

01:09:43,269 --> 01:09:41,440

i hear what i thought was my son

1690

01:09:45,910 --> 01:09:43,279

outside my bedroom door because i closed

1691

01:09:47,349 --> 01:09:45,920

the bedroom door right so now i wake up

1692

01:09:50,789 --> 01:09:47,359

in the morning and this is after

1693

01:09:52,870 --> 01:09:50,799

midnight i wake up in the morning and

1694

01:09:54,950 --> 01:09:52,880

my girlfriend worked in a

1695

01:09:56,390 --> 01:09:54,960

furniture store so she had to leave at

1696

01:09:58,390 --> 01:09:56,400

like 9 30

1697

01:10:00,790 --> 01:09:58,400

and she always used the bathroom hallway

1698

01:10:02,709 --> 01:10:00,800

because she had so much makeup and stuff

1699

01:10:04,870 --> 01:10:02,719

she didn't use the master bathroom she

1700

01:10:07,590 --> 01:10:04,880

kept her clothing in the spare bedroom

1701

01:10:09,270 --> 01:10:07,600

and used the spa the hallway bathroom so

1702

01:10:11,990 --> 01:10:09,280

i get up

1703

01:10:13,910 --> 01:10:12,000

i go into my bathroom i look on the

1704

01:10:16,950 --> 01:10:13,920

mirror this is two

1705

01:10:18,630 --> 01:10:16,960

giant arm and hand prints against the

1706

01:10:20,950 --> 01:10:18,640

glass and i have a picture of it and

1707

01:10:22,149 --> 01:10:20,960

it's in my book right now here's the

1708

01:10:24,550 --> 01:10:22,159

thing

1709

01:10:27,110 --> 01:10:24,560

when she gets home i left it there

1710

01:10:29,189 --> 01:10:27,120

she gets home we take her makeup and we

1711

01:10:32,470 --> 01:10:29,199

dusted it so now you can see it really

1712

01:10:34,390 --> 01:10:32,480

good right it's got six fingers

1713

01:10:37,910 --> 01:10:34,400

and what you see is

1714

01:10:41,669 --> 01:10:37,920

not the whole forearm the meat it's two

1715

01:10:45,669 --> 01:10:41,679

bones you see the two forearm bones on

1716

01:10:48,709 --> 01:10:45,679

the glass and a six fingered hand and i

1717

01:10:51,750 --> 01:10:48,719

measured it from finger tip to elbow was

1718

01:10:54,070 --> 01:10:51,760

three inches taller than me

1719

01:10:56,630 --> 01:10:54,080

and i couldn't lean over the counter put

1720

01:10:59,110 --> 01:10:56,640

my elbow and hand on the glass because

1721

01:11:01,830 --> 01:10:59,120

i'm not tall enough i'm six feet tall so

1722

01:11:04,870 --> 01:11:01,840

i'm saying whatever did this was about

1723

01:11:07,590 --> 01:11:04,880

seven feet tall and they're crossed and

1724

01:11:10,229 --> 01:11:07,600

so there's two hands six fingers and you

1725

01:11:12,630 --> 01:11:10,239

just see the bone of the of the forearm

1726

01:11:14,550 --> 01:11:12,640

so i grabbed my son

1727

01:11:16,149 --> 01:11:14,560

and i say to him nolan what were you

1728

01:11:18,390 --> 01:11:16,159

doing outside our bedroom door at

1729

01:11:21,110 --> 01:11:18,400

midnight and he looks at me and says dad

1730

01:11:23,590 --> 01:11:21,120

i heard you outside my bedroom at

1731

01:11:26,390 --> 01:11:23,600

midnight in the hallway something was in

1732

01:11:28,149 --> 01:11:26,400

the freaking hallway that night and put

1733

01:11:29,590 --> 01:11:28,159

these prints on

1734

01:11:31,910 --> 01:11:29,600

on the mirror

1735

01:11:33,669 --> 01:11:31,920

that's thanksgiving very creepy i'm

1736

01:11:35,590 --> 01:11:33,679

telling you it gets worse

1737

01:11:39,189 --> 01:11:35,600

this is this is not i haven't even got

1738

01:11:41,189 --> 01:11:39,199

to the good stuff yet right so now 2007

1739

01:11:44,790 --> 01:11:41,199

my father passes away

1740

01:11:47,669 --> 01:11:44,800

i'm laying in bed i see a flash of light

1741

01:11:51,030 --> 01:11:47,679

only in my left eye not my right eye

1742

01:11:53,350 --> 01:11:51,040

and it was this dark black as

1743

01:11:55,590 --> 01:11:53,360

black as black you ever want to see

1744

01:11:57,830 --> 01:11:55,600

tunnel with the most brilliant

1745

01:11:59,910 --> 01:11:57,840

electricity pouring out of it like a

1746

01:12:01,430 --> 01:11:59,920

fountain like if you were looking above

1747

01:12:04,070 --> 01:12:01,440

down at a fountain

1748

01:12:05,350 --> 01:12:04,080

fountain but brilliant multi-colored

1749

01:12:07,110 --> 01:12:05,360

electricity

1750

01:12:10,390 --> 01:12:07,120

all of a sudden something i'm laying in

1751

01:12:12,470 --> 01:12:10,400

bed my my arms are on my stomach crossed

1752

01:12:14,390 --> 01:12:12,480

something puts its hand on my forearm

1753

01:12:16,870 --> 01:12:14,400

and i can feel all the hairs on my arm

1754

01:12:20,550 --> 01:12:16,880

move so i believe that was my father

1755

01:12:23,270 --> 01:12:20,560

saying goodbye at that point you know

1756

01:12:24,630 --> 01:12:23,280

that's 0.709

1757

01:12:27,669 --> 01:12:24,640

now get this

1758

01:12:28,790 --> 01:12:27,679

it's five in the morning i suddenly wake

1759

01:12:30,630 --> 01:12:28,800

up

1760

01:12:33,270 --> 01:12:30,640

and my bed

1761

01:12:35,590 --> 01:12:33,280

is situated in my bedroom so i can see

1762

01:12:36,950 --> 01:12:35,600

right down the hallway to the attic door

1763

01:12:39,750 --> 01:12:36,960

and it's a finished attic you go

1764

01:12:41,830 --> 01:12:39,760

upstairs i wake up i look there's a

1765

01:12:43,510 --> 01:12:41,840

freaking guy standing there

1766

01:12:46,229 --> 01:12:43,520

ain't human

1767

01:12:49,510 --> 01:12:46,239

it's about seven feet tall

1768

01:12:52,070 --> 01:12:49,520

a very slender

1769

01:12:54,709 --> 01:12:52,080

has a like a 12 inch waist

1770

01:12:57,430 --> 01:12:54,719

very long arms and legs and it's frozen

1771

01:12:59,110 --> 01:12:57,440

standing there like in stride but it has

1772

01:13:01,110 --> 01:12:59,120

a square head

1773

01:13:02,390 --> 01:13:01,120

do you remember the movie district 9 the

1774

01:13:04,790 --> 01:13:02,400

prawns

1775

01:13:07,350 --> 01:13:04,800

yeah yeah that's exactly what it looked

1776

01:13:09,590 --> 01:13:07,360

like it was built like that with long

1777

01:13:11,590 --> 01:13:09,600

arms but a square head i got the

1778

01:13:13,110 --> 01:13:11,600

impression he was wearing a helmet but

1779

01:13:15,669 --> 01:13:13,120

the weird thing is

1780

01:13:17,990 --> 01:13:15,679

the stairway to the attic is look like

1781

01:13:20,310 --> 01:13:18,000

there's a light on in the attic and it's

1782

01:13:23,189 --> 01:13:20,320

standing there i'm telling you steve i'm

1783

01:13:25,669 --> 01:13:23,199

awake i'm looking at it i crawl to the

1784

01:13:28,550 --> 01:13:25,679

footboard i mean this is 20 seconds that

1785

01:13:31,750 --> 01:13:28,560

go by this thing is standing there it's

1786

01:13:35,430 --> 01:13:31,760

i'm awake it's there the weird thing is

1787

01:13:37,189 --> 01:13:35,440

my dog in the hallway sound asleep so i

1788

01:13:39,350 --> 01:13:37,199

say to myself okay

1789

01:13:40,790 --> 01:13:39,360

do i jump over the footboard and charge

1790

01:13:43,590 --> 01:13:40,800

down the hallway

1791

01:13:45,030 --> 01:13:43,600

or do i jump out of bed put the light on

1792

01:13:46,790 --> 01:13:45,040

i said you know my luck i jump over the

1793

01:13:48,790 --> 01:13:46,800

football i'm going to trip because

1794

01:13:50,790 --> 01:13:48,800

there's a little chair there and stuff

1795

01:13:52,950 --> 01:13:50,800

i step off turn the light on go over

1796

01:13:54,310 --> 01:13:52,960

there boom the attic lights out and it's

1797

01:13:55,990 --> 01:13:54,320

gone

1798

01:13:58,070 --> 01:13:56,000

i look in the hallway

1799

01:14:00,390 --> 01:13:58,080

my dog is sound asleep in the hallway

1800

01:14:02,390 --> 01:14:00,400

and i say to myself you know what this

1801  
01:14:03,990 --> 01:14:02,400  
thing was about this was taller than the

1802  
01:14:05,590 --> 01:14:04,000  
door frame

1803  
01:14:07,590 --> 01:14:05,600  
this was the thing that put those

1804  
01:14:10,390 --> 01:14:07,600  
handprints on my glass

1805  
01:14:13,110 --> 01:14:10,400  
because it was tall enough that was the

1806  
01:14:15,750 --> 01:14:13,120  
thing that visited me five years earlier

1807  
01:14:18,870 --> 01:14:15,760  
so so now

1808  
01:14:20,630 --> 01:14:18,880  
now things ramp up now it's april of

1809  
01:14:22,709 --> 01:14:20,640  
2010.

1810  
01:14:25,750 --> 01:14:22,719  
i'm on the board of juvenile diabetes in

1811  
01:14:28,310 --> 01:14:25,760  
pittsburgh we go to the gala and we can

1812  
01:14:30,229 --> 01:14:28,320  
my kids went with me for the first time

1813  
01:14:33,189 --> 01:14:30,239

my son has juvenile diabetes so my

1814

01:14:35,430 --> 01:14:33,199

daughter's there his fiancee we get home

1815

01:14:38,630 --> 01:14:35,440

we go to bed it's after midnight april

1816

01:14:40,149 --> 01:14:38,640

24th to 2010. all of a sudden at about

1817

01:14:41,430 --> 01:14:40,159

four in the morning

1818

01:14:44,149 --> 01:14:41,440

my daughter

1819

01:14:45,910 --> 01:14:44,159

bursts into my room the door flies open

1820

01:14:47,030 --> 01:14:45,920

she's screaming dad dad you're not gonna

1821

01:14:48,070 --> 01:14:47,040

believe this i know you're not gonna

1822

01:14:49,910 --> 01:14:48,080

believe this you're not gonna believe

1823

01:14:52,149 --> 01:14:49,920

what just happened so i said vanessa

1824

01:14:53,030 --> 01:14:52,159

tell me what happened she goes dad i got

1825

01:14:55,030 --> 01:14:53,040

up

1826

01:14:57,430 --> 01:14:55,040

i went downstairs to get a bottle of

1827

01:15:00,070 --> 01:14:57,440

water there wasn't any i went to the

1828

01:15:02,550 --> 01:15:00,080

basement refrigerator she goes dad i

1829

01:15:05,030 --> 01:15:02,560

went downstairs there was something

1830

01:15:07,590 --> 01:15:05,040

standing behind me she says i could feel

1831

01:15:10,390 --> 01:15:07,600

it breathing on me it was right behind

1832

01:15:12,550 --> 01:15:10,400

me my hair and my back my neck stood up

1833

01:15:16,070 --> 01:15:12,560

she goes dad i went upstairs

1834

01:15:18,630 --> 01:15:16,080

i laid down my bed and boom she said

1835

01:15:21,189 --> 01:15:18,640

something laid on top of me and went

1836

01:15:23,590 --> 01:15:21,199

into me and she said it was painful

1837

01:15:25,830 --> 01:15:23,600

every muscle in her body

1838

01:15:28,310 --> 01:15:25,840

ached as the thing went into her she

1839

01:15:31,030 --> 01:15:28,320

goes i'm laying there on the ceiling are

1840

01:15:33,990 --> 01:15:31,040

these black shadows spinning around

1841

01:15:37,270 --> 01:15:34,000

flying around the ceiling she goes

1842

01:15:38,630 --> 01:15:37,280

it pulls out of me she goes she like

1843

01:15:41,350 --> 01:15:38,640

looks around

1844

01:15:43,830 --> 01:15:41,360

she's laying there it happens again she

1845

01:15:46,870 --> 01:15:43,840

says this time she's laying there she

1846

01:15:48,390 --> 01:15:46,880

says she can move her eyes she can see

1847

01:15:51,510 --> 01:15:48,400

in her mirror

1848

01:15:54,870 --> 01:15:51,520

a shadow person standing in the doorway

1849

01:15:58,709 --> 01:15:54,880

it says to the one that's in her

1850

01:16:00,630 --> 01:15:58,719

when you're done with her i want to try

1851

01:16:03,110 --> 01:16:00,640

out the other two

1852

01:16:05,270 --> 01:16:03,120

meaning my son and his fiancée wow

1853

01:16:07,750 --> 01:16:05,280

that's really creepy

1854

01:16:09,110 --> 01:16:07,760

and just from the wording i know she

1855

01:16:11,270 --> 01:16:09,120

didn't make it up

1856

01:16:13,350 --> 01:16:11,280

nobody would word it that way like you

1857

01:16:16,070 --> 01:16:13,360

want to try out my car you know when

1858

01:16:18,550 --> 01:16:16,080

you're done with her i want to try out

1859

01:16:20,390 --> 01:16:18,560

the other two and she goes dad when it

1860

01:16:23,350 --> 01:16:20,400

was in her two times

1861

01:16:24,310 --> 01:16:23,360

she said in her head it sounded like a

1862

01:16:27,030 --> 01:16:24,320

like a

1863

01:16:29,110 --> 01:16:27,040

like being in a crowded room like 40

1864

01:16:30,070 --> 01:16:29,120

different voices talking at the same

1865

01:16:32,550 --> 01:16:30,080

time

1866

01:16:34,470 --> 01:16:32,560

and it scared the crap out of her and

1867

01:16:35,750 --> 01:16:34,480

she said like me she was able to move

1868

01:16:37,830 --> 01:16:35,760

her hand

1869

01:16:39,669 --> 01:16:37,840

and and while it pulled out of her and

1870

01:16:41,910 --> 01:16:39,679

she said she was able then jumped up and

1871

01:16:44,310 --> 01:16:41,920

she said she ran down the hallway to my

1872

01:16:46,950 --> 01:16:44,320

room so then we go down the hallway

1873

01:16:49,030 --> 01:16:46,960

knock on my son's door wake them up she

1874

01:16:51,030 --> 01:16:49,040

tells her what happens i'm looking at

1875

01:16:53,189 --> 01:16:51,040

the fiance

1876

01:16:55,669 --> 01:16:53,199

she's sitting there she gets like all

1877

01:16:58,790 --> 01:16:55,679

pale and clammy she's swaying back and

1878

01:16:59,590 --> 01:16:58,800

forth she's saying i don't feel good

1879

01:17:02,390 --> 01:16:59,600

they

1880

01:17:04,550 --> 01:17:02,400

leave my son at like five in the morning

1881

01:17:07,350 --> 01:17:04,560

packs the bags and they drove back to

1882

01:17:09,910 --> 01:17:07,360

virginia and and they left the house so

1883

01:17:12,390 --> 01:17:09,920

that was in 20 and it's all true that

1884

01:17:14,550 --> 01:17:12,400

was in 2010 and my kids have had all the

1885

01:17:15,990 --> 01:17:14,560

paranormal stuff happen to them in that

1886

01:17:18,870 --> 01:17:16,000

house in new jersey because that's where

1887

01:17:22,149 --> 01:17:18,880

they stayed and then later moved into a

1888

01:17:24,390 --> 01:17:22,159

town house so now go out three years

1889

01:17:26,950 --> 01:17:24,400

it's again thanksgiving

1890

01:17:30,149 --> 01:17:26,960

2013 right

1891

01:17:31,590 --> 01:17:30,159

we're watching the football game

1892

01:17:34,470 --> 01:17:31,600

i don't think i ever want to come to

1893

01:17:36,470 --> 01:17:34,480

your house on thanksgiving yeah i know

1894

01:17:38,229 --> 01:17:36,480

it's like if you don't need if you don't

1895

01:17:39,910 --> 01:17:38,239

need the turkey you know i've heard i've

1896

01:17:43,110 --> 01:17:39,920

heard a lot of people

1897

01:17:47,110 --> 01:17:43,120

talking about experiences like this and

1898

01:17:50,310 --> 01:17:47,120

uh dates that are significant

1899

01:17:51,990 --> 01:17:50,320

let me get to the next this day yeah

1900

01:17:54,149 --> 01:17:52,000

sure and and there yeah i'll show you

1901

01:17:55,270 --> 01:17:54,159

the significance so now it's and i don't

1902

01:17:56,950 --> 01:17:55,280

want to run out of time here because

1903

01:17:59,750 --> 01:17:56,960

we're going almost two hours it's

1904

01:18:01,830 --> 01:17:59,760

thanksgiving 2013. we're watching the

1905

01:18:03,510 --> 01:18:01,840

football game i got a projector a home

1906

01:18:06,390 --> 01:18:03,520

theater projector on the ceiling the

1907

01:18:09,110 --> 01:18:06,400

screen comes down i'm standing there

1908

01:18:11,990 --> 01:18:09,120

at the at the receiver all of a sudden

1909

01:18:14,790 --> 01:18:12,000

my son says what's that we look up

1910

01:18:17,110 --> 01:18:14,800

something moves across the ceiling it's

1911

01:18:19,270 --> 01:18:17,120

like a snake goes right across the

1912

01:18:22,070 --> 01:18:19,280

projector light it's a very intense

1913

01:18:24,630 --> 01:18:22,080

light and you can see something just

1914

01:18:26,229 --> 01:18:24,640

move across the ceiling like a snake and

1915

01:18:28,630 --> 01:18:26,239

i think it was one of these these

1916

01:18:31,030 --> 01:18:28,640

minions one of these demonic spirits

1917

01:18:34,709 --> 01:18:31,040

moving across the ceiling so that's

1918

01:18:36,550 --> 01:18:34,719

that's 2013 right um

1919

01:18:38,709 --> 01:18:36,560

so you know at that same time i publish

1920

01:18:40,950 --> 01:18:38,719

an alternative history of mankind which

1921

01:18:42,709 --> 01:18:40,960

talks about us being genetically

1922

01:18:45,350 --> 01:18:42,719

engineered i don't know if that was

1923

01:18:47,590 --> 01:18:45,360

sacrilegious or not but

1924

01:18:50,709 --> 01:18:47,600

so now let's go to the most prominent

1925

01:18:52,470 --> 01:18:50,719

stuff that has really upset me

1926

01:18:53,990 --> 01:18:52,480

it's june 6

1927

01:18:56,950 --> 01:18:54,000

2014.

1928

01:18:59,430 --> 01:18:56,960

i text people i know i say today's the

1929

01:19:01,590 --> 01:18:59,440

20th anniversary of my divorce

1930

01:19:02,950 --> 01:19:01,600

so what do you think happens the

1931

01:19:05,750 --> 01:19:02,960

following night

1932

01:19:07,510 --> 01:19:05,760

after the 20th anniversary

1933

01:19:09,350 --> 01:19:07,520

there's a demonic entity in the house

1934

01:19:12,070 --> 01:19:09,360

and that's why these dates are important

1935

01:19:13,189 --> 01:19:12,080

thanksgiving and i later research and

1936

01:19:15,430 --> 01:19:13,199

find out

1937

01:19:17,910 --> 01:19:15,440

november is the peak month for demonic

1938

01:19:20,790 --> 01:19:17,920

activity from from halloween to

1939

01:19:22,950 --> 01:19:20,800

christmas but november being the peak so

1940

01:19:25,110 --> 01:19:22,960

i'm get this i'm sitting in the living

1941

01:19:27,830 --> 01:19:25,120

in the tv room with the watching the

1942

01:19:29,990 --> 01:19:27,840

baseball game my dog i have 108 pound

1943

01:19:31,669 --> 01:19:30,000

doberman he comes over and he's laying

1944

01:19:34,070 --> 01:19:31,679

on my legs

1945

01:19:36,950 --> 01:19:34,080

all of a sudden on the wall you it's the

1946

01:19:39,350 --> 01:19:36,960

loudest bang you ever want to hear the

1947

01:19:41,750 --> 01:19:39,360

dog and i both turned to the right at

1948

01:19:44,630 --> 01:19:41,760

the same second that we heard it the

1949

01:19:46,790 --> 01:19:44,640

picture on the wall flips up i got two

1950

01:19:49,189 --> 01:19:46,800

indian headdresses on both sides of the

1951

01:19:51,030 --> 01:19:49,199

picture you see the feathers blow side

1952

01:19:52,070 --> 01:19:51,040

to side right

1953

01:19:53,669 --> 01:19:52,080

so

1954

01:19:56,470 --> 01:19:53,679

actually what happened right before i

1955

01:19:58,550 --> 01:19:56,480

put the game on i went upstairs and i

1956

01:20:00,310 --> 01:19:58,560

always open the attic door at night and

1957

01:20:02,709 --> 01:20:00,320

there's a skylight with screens that

1958

01:20:06,629 --> 01:20:02,719

lets the cold air come in uh in the

1959

01:20:08,870 --> 01:20:06,639

evening the bathroom upstairs it stunk

1960

01:20:10,310 --> 01:20:08,880

like rotting flesh i thought the dog

1961

01:20:12,390 --> 01:20:10,320

went in there and did his business on

1962

01:20:15,430 --> 01:20:12,400

the floor or something

1963

01:20:17,590 --> 01:20:15,440

it absolutely reeked i closed it smelled

1964

01:20:19,910 --> 01:20:17,600

like a dead animal i put the fan on i

1965

01:20:21,669 --> 01:20:19,920

closed that door right so now the game's

1966

01:20:23,350 --> 01:20:21,679

over it's three hours later i go

1967

01:20:26,149 --> 01:20:23,360

upstairs

1968

01:20:29,350 --> 01:20:26,159

it still smells like a dead animal in

1969

01:20:33,110 --> 01:20:29,360

that room right so now i go i get to go

1970

01:20:35,510 --> 01:20:33,120

i go to bed and my dog all of a sudden i

1971

01:20:37,430 --> 01:20:35,520

see him like look he goes down the

1972

01:20:40,470 --> 01:20:37,440

hallway to the attic

1973

01:20:42,550 --> 01:20:40,480

the attic stairs he looks up he goes

1974

01:20:44,550 --> 01:20:42,560

ballistic like something is there at the

1975

01:20:46,870 --> 01:20:44,560

top of the stairs i'm telling you the

1976

01:20:49,270 --> 01:20:46,880

way he barked i know when he sees the

1977

01:20:52,790 --> 01:20:49,280

ups guy coming to the door and when he

1978

01:20:56,709 --> 01:20:52,800

just barks he went ballistic like he

1979

01:20:58,550 --> 01:20:56,719

sensed something so i go to bed the dog

1980

01:21:01,110 --> 01:20:58,560

sleeps on that chair right in front of

1981

01:21:03,669 --> 01:21:01,120

the footboard i can see his head i got

1982

01:21:06,229 --> 01:21:03,679

the news on all of a sudden in my

1983

01:21:08,709 --> 01:21:06,239

bathroom there's the loudest bang you

1984

01:21:10,470 --> 01:21:08,719

ever want to hear both the dog and i

1985

01:21:14,310 --> 01:21:10,480

return to the right same thing as

1986

01:21:15,830 --> 01:21:14,320

downstairs something's in the house so

1987

01:21:16,870 --> 01:21:15,840

the following day i start saying you

1988

01:21:19,669 --> 01:21:16,880

know what

1989

01:21:21,590 --> 01:21:19,679

i've never smelled anything like that i

1990

01:21:23,350 --> 01:21:21,600

called some of my ghost hunter friends

1991

01:21:25,830 --> 01:21:23,360

and they said john if it smells like

1992

01:21:28,229 --> 01:21:25,840

rotting flesh a dead body dead animal

1993

01:21:30,310 --> 01:21:28,239

you're dealing with a demonic entity now

1994

01:21:31,350 --> 01:21:30,320

this isn't a poltergeist this isn't a

1995

01:21:35,510 --> 01:21:31,360

ghost

1996

01:21:37,270 --> 01:21:35,520

now i get concerned all right so um i

1997

01:21:39,430 --> 01:21:37,280

start reading all the books i start my

1998

01:21:41,270 --> 01:21:39,440

research it's almost two years now in

1999

01:21:42,709 --> 01:21:41,280

two weeks it'll be two years that this

2000

01:21:45,030 --> 01:21:42,719

this happened right

2001

01:21:47,430 --> 01:21:45,040

so now what happens is

2002

01:21:49,750 --> 01:21:47,440

you know you got a guardian angel too i

2003

01:21:51,189 --> 01:21:49,760

meet this woman on a dating site and i

2004

01:21:53,189 --> 01:21:51,199

start telling her this is how i lose

2005

01:21:55,350 --> 01:21:53,199

most of my dates but you know i start

2006

01:21:57,910 --> 01:21:55,360

telling her what happened and she goes

2007

01:21:59,750 --> 01:21:57,920

john i'm coming over tomorrow she goes

2008

01:22:02,390 --> 01:21:59,760

i've dealt with this before and i said

2009

01:22:05,189 --> 01:22:02,400

oh my god this is an angel right she

2010

01:22:07,110 --> 01:22:05,199

comes over she brings her own holy water

2011

01:22:09,750 --> 01:22:07,120

and she knows all of the saint michael

2012

01:22:12,470 --> 01:22:09,760

prayers what to say all of that we go

2013

01:22:14,229 --> 01:22:12,480

room to room we put crosses over the

2014

01:22:16,470 --> 01:22:14,239

doors you know with holy water all of

2015

01:22:19,350 --> 01:22:16,480

that right so the house now it really

2016

01:22:22,470 --> 01:22:19,360

feels like refreshed you know so now

2017

01:22:24,870 --> 01:22:22,480

it's a couple of months later in october

2018

01:22:27,510 --> 01:22:24,880

all of a sudden i see my dog

2019

01:22:31,430 --> 01:22:27,520

he perks up he runs down to the front

2020

01:22:33,110 --> 01:22:31,440

door he is barking ballistic right

2021

01:22:35,669 --> 01:22:33,120

i have spotlights all around the house

2022

01:22:36,870 --> 01:22:35,679

nothing comes on i go downstairs to the

2023

01:22:40,950 --> 01:22:36,880

front door

2024

01:22:42,390 --> 01:22:40,960

i hear the loudest bang outside it

2025

01:22:45,669 --> 01:22:42,400

couldn't get in the house because of the

2026

01:22:47,590 --> 01:22:45,679

holy water in the prayers wow boom

2027

01:22:48,629 --> 01:22:47,600

right i mean i stepped back it was so

2028

01:22:50,950 --> 01:22:48,639

loud

2029

01:22:53,189 --> 01:22:50,960

the next morning i go to my computer

2030

01:22:56,470 --> 01:22:53,199

there's an email from my neighbor john

2031

01:22:58,070 --> 01:22:56,480

did you hear that noise at 10 33 last

2032

01:23:00,149 --> 01:22:58,080

night p.m

2033

01:23:03,030 --> 01:23:00,159

she said i thought a deer ran into the

2034

01:23:05,350 --> 01:23:03,040

garage door or a transformer exploded so

2035

01:23:09,590 --> 01:23:05,360

my neighbor heard it i'm telling you it

2036

01:23:12,550 --> 01:23:09,600

was that entity it couldn't get in right

2037

01:23:14,229 --> 01:23:12,560

so now it was angry oh it was angry

2038

01:23:17,030 --> 01:23:14,239

because it couldn't get in the house you

2039

01:23:19,430 --> 01:23:17,040

know so i've gone and got the uh the

2040

01:23:21,270 --> 01:23:19,440

medals blessed i buried them at the four

2041

01:23:22,790 --> 01:23:21,280

corners of the house

2042

01:23:23,990 --> 01:23:22,800

that hasn't helped

2043

01:23:27,669 --> 01:23:24,000

so

2044

01:23:30,629 --> 01:23:27,679

going back to church

2045

01:23:35,990 --> 01:23:33,270

so now it's thanksgiving of 2015 six

2046

01:23:37,910 --> 01:23:36,000

months ago right my daughter is living

2047

01:23:40,629 --> 01:23:37,920

in north carolina she says dad we're

2048

01:23:42,470 --> 01:23:40,639

flying up for thanksgiving and i thought

2049

01:23:44,709 --> 01:23:42,480

she was staying in my house

2050

01:23:47,750 --> 01:23:44,719

right so

2051

01:23:50,070 --> 01:23:47,760

i don't that monday of thanksgiving

2052

01:23:52,149 --> 01:23:50,080

right she's flying up wednesday i go

2053

01:23:55,750 --> 01:23:52,159

upstairs to go to bed i notice her

2054

01:23:57,830 --> 01:23:55,760

bedroom door is wide open i close it

2055

01:24:00,390 --> 01:23:57,840

held the door open that's never happened

2056

01:24:03,350 --> 01:24:00,400

in the 19 years i've lived here 18 years

2057

01:24:05,590 --> 01:24:03,360

right the door's wide open tuesday night

2058

01:24:07,910 --> 01:24:05,600

i go to bed i go upstairs again i look

2059

01:24:10,310 --> 01:24:07,920

down the hallway her bedroom door is

2060

01:24:12,070 --> 01:24:10,320

wide open they're sending me a message

2061

01:24:15,350 --> 01:24:12,080

that they know she's coming and they're

2062

01:24:17,189 --> 01:24:15,360

waiting for her right so now my daughter

2063

01:24:19,430 --> 01:24:17,199

calls me wednesday morning before she

2064

01:24:21,750 --> 01:24:19,440

flies out she goes dad we're not staying

2065

01:24:24,149 --> 01:24:21,760

with you her guardian angel is

2066

01:24:27,270 --> 01:24:24,159

protecting her she goes we're staying at

2067

01:24:29,350 --> 01:24:27,280

nolan's house my son moved from d.c

2068

01:24:31,830 --> 01:24:29,360

last july so they're staying at their

2069

01:24:33,669 --> 01:24:31,840

house and he his wife is her best friend

2070

01:24:35,270 --> 01:24:33,679

so and i was like kind of pissed at the

2071

01:24:37,590 --> 01:24:35,280

time i said you're here five nights

2072

01:24:38,709 --> 01:24:37,600

you're not staying here once she goes no

2073

01:24:41,110 --> 01:24:38,719

so now

2074

01:24:43,270 --> 01:24:41,120

it's i'm annoyed right but

2075

01:24:45,590 --> 01:24:43,280

all that week all of a sudden i'm going

2076

01:24:47,189 --> 01:24:45,600

into my bedroom every night something is

2077

01:24:49,430 --> 01:24:47,199

pricking me like a sewing needle

2078

01:24:52,070 --> 01:24:49,440

sticking me in my leg it was like holy

2079

01:24:55,030 --> 01:24:52,080

[h\_\_\h] what is that i laid down

2080

01:24:57,189 --> 01:24:55,040

yeah i lay down in bed something like

2081

01:24:59,430 --> 01:24:57,199

stabs me in the head in the forehead i

2082

01:25:02,070 --> 01:24:59,440

got up i looked in the mirror right and

2083

01:25:04,870 --> 01:25:02,080

and i said holy did i get bit by a bug i

2084

01:25:05,830 --> 01:25:04,880

sat i laid down again it was even worse

2085

01:25:09,350 --> 01:25:05,840

right

2086

01:25:11,990 --> 01:25:09,360

then what happened then this whole week

2087

01:25:12,790 --> 01:25:12,000

the tapping noises my son came over

2088

01:25:13,590 --> 01:25:12,800

right

2089

01:25:15,910 --> 01:25:13,600

and

2090

01:25:18,070 --> 01:25:15,920

i said listen to the wall she was ted

2091

01:25:20,149 --> 01:25:18,080

what is that i said

2092

01:25:21,669 --> 01:25:20,159

it's a tapping sound he goes oh it's got

2093

01:25:24,550 --> 01:25:21,679

to be your mouse or something it's the

2094

01:25:26,950 --> 01:25:24,560

heat i said no look this is an outside

2095

01:25:28,629 --> 01:25:26,960

wall there's brick on the other side it

2096

01:25:31,910 --> 01:25:28,639

don't matter what room you're in

2097

01:25:34,709 --> 01:25:31,920

bathroom tv room kitchen bedroom you

2098

01:25:37,270 --> 01:25:34,719

hear tapping in the walls right i'm

2099

01:25:40,550 --> 01:25:37,280

hearing movement in my ceiling like the

2100

01:25:42,550 --> 01:25:40,560

exorcist you know that that loud

2101  
01:25:45,510 --> 01:25:42,560  
noise in the ceiling like something is

2102  
01:25:48,310 --> 01:25:45,520  
sliding around moving i hear creaking

2103  
01:25:50,950 --> 01:25:48,320  
sounds then what happens after this is

2104  
01:25:53,110 --> 01:25:50,960  
going on now for a couple of weeks right

2105  
01:25:55,910 --> 01:25:53,120  
this is the sleep deprivation this is

2106  
01:25:58,070 --> 01:25:55,920  
the first stage of infestation before

2107  
01:25:59,669 --> 01:25:58,080  
they launch the physical attacks on you

2108  
01:26:01,990 --> 01:25:59,679  
well the poking is the physical that's

2109  
01:26:05,189 --> 01:26:02,000  
the oppression now a weak minded person

2110  
01:26:07,910 --> 01:26:05,199  
starts to break down at this point

2111  
01:26:09,510 --> 01:26:07,920  
i didn't realize in 99 all those lucid

2112  
01:26:11,830 --> 01:26:09,520  
dreams the

2113  
01:26:14,390 --> 01:26:11,840

hairy creature waking up

2114

01:26:16,070 --> 01:26:14,400

that was oppression and that was the

2115

01:26:17,110 --> 01:26:16,080

same thing

2116

01:26:19,270 --> 01:26:17,120

but

2117

01:26:20,310 --> 01:26:19,280

it's like it never got to me or anything

2118

01:26:22,070 --> 01:26:20,320

because

2119

01:26:25,270 --> 01:26:22,080

i think i didn't realize what was

2120

01:26:29,270 --> 01:26:25,280

happening this is now worse and this is

2121

01:26:31,830 --> 01:26:29,280

worse than what happened in june of 2014

2122

01:26:34,149 --> 01:26:31,840

because when they come back they come

2123

01:26:35,510 --> 01:26:34,159

back stronger with the next

2124

01:26:38,310 --> 01:26:35,520

level of

2125

01:26:41,270 --> 01:26:38,320

angel of demon i should say there's nine

2126

01:26:44,470 --> 01:26:41,280

levels so now it's no longer an

2127

01:26:46,709 --> 01:26:44,480

angel it's an archangel demonic entity

2128

01:26:49,350 --> 01:26:46,719

right so now get this

2129

01:26:50,390 --> 01:26:49,360

this has gone on for weeks now i go to

2130

01:26:53,750 --> 01:26:50,400

bed

2131

01:26:55,910 --> 01:26:53,760

the noises the tapping banging you hear

2132

01:26:58,470 --> 01:26:55,920

popping sounds tapping all around the

2133

01:27:01,030 --> 01:26:58,480

room different corners at the same time

2134

01:27:02,629 --> 01:27:01,040

right all of a sudden i hear

2135

01:27:27,030 --> 01:27:02,639

a

2136

01:27:29,510 --> 01:27:27,040

so it stops

2137

01:27:30,870 --> 01:27:29,520

i lay down you know and then obviously

2138

01:27:32,629 --> 01:27:30,880

you can't sleep

2139

01:27:33,910 --> 01:27:32,639

you know it's maybe 20 minutes later i

2140

01:27:37,750 --> 01:27:33,920

open my eyes

2141

01:27:39,270 --> 01:27:37,760

i sit up in my room it is pitch black i

2142

01:27:42,149 --> 01:27:39,280

said wait a minute there was like

2143

01:27:44,550 --> 01:27:42,159

moonlight coming in before now i have

2144

01:27:47,990 --> 01:27:44,560

never seen my room so dark

2145

01:27:51,510 --> 01:27:48,000

and i'm telling you steve the banging

2146

01:27:54,709 --> 01:27:51,520

the creaking right above me it was about

2147

01:27:56,709 --> 01:27:54,719

to launch an attack on me right so again

2148

01:27:59,030 --> 01:27:56,719

i commanded it in the name of jesus

2149

01:28:03,750 --> 01:27:59,040

christ i said all the things but i added

2150

01:28:07,189 --> 01:28:03,760

to it if you do not obey if you fail to

2151

01:28:10,229 --> 01:28:07,199

obey jesus christ you will go to the

2152

01:28:13,910 --> 01:28:10,239

lake of fire now instead of at the end

2153

01:28:16,390 --> 01:28:13,920

of days and steve as soon as i said that

2154

01:28:18,390 --> 01:28:16,400

all of a sudden i saw a light

2155

01:28:23,110 --> 01:28:18,400

all around me i looked

2156

01:28:24,790 --> 01:28:23,120

i saw a black veil lifting up and i saw

2157

01:28:26,790 --> 01:28:24,800

the moonlight come in the window to the

2158

01:28:29,669 --> 01:28:26,800

left of me the window to the right of me

2159

01:28:31,590 --> 01:28:29,679

down the hallway my bathroom and for two

2160

01:28:34,550 --> 01:28:31,600

seconds three seconds i could see this

2161

01:28:36,229 --> 01:28:34,560

black veil just lifting straight up over

2162

01:28:37,910 --> 01:28:36,239

me and it was gone

2163

01:28:43,350 --> 01:28:37,920

so

2164

01:28:45,590 --> 01:28:43,360  
in my left eye like when my father

2165

01:28:49,590 --> 01:28:45,600  
passed away not my right eye

2166

01:28:52,470 --> 01:28:49,600  
in my left eye there were three shadows

2167

01:28:54,790 --> 01:28:52,480  
circling the ceiling fan counter

2168

01:28:56,070 --> 01:28:54,800  
clockwise

2169

01:28:57,750 --> 01:28:56,080  
all right and it's always

2170

01:28:59,750 --> 01:28:57,760  
counterclockwise because that's demonic

2171

01:29:03,430 --> 01:28:59,760  
and it's always free to mock the holy

2172

01:29:06,310 --> 01:29:03,440  
trinity so so so in my mind

2173

01:29:08,870 --> 01:29:06,320  
this to me is proof

2174

01:29:12,310 --> 01:29:08,880  
that jesus christ is real and these

2175

01:29:14,470 --> 01:29:12,320  
demonic entities are real it only left

2176

01:29:17,430 --> 01:29:14,480

when i used his name

2177

01:29:19,990 --> 01:29:17,440

and uh and and when you do some of this

2178

01:29:22,070 --> 01:29:20,000

research like joe jordan

2179

01:29:25,270 --> 01:29:22,080

he found numerous

2180

01:29:27,590 --> 01:29:25,280

alien abduction cases that were repelled

2181

01:29:28,310 --> 01:29:27,600

with the name of jesus christ

2182

01:29:30,149 --> 01:29:28,320

so

2183

01:29:31,990 --> 01:29:30,159

you know i'm a born again christian now

2184

01:29:34,310 --> 01:29:32,000

i'm a totally different person than talk

2185

01:29:37,669 --> 01:29:34,320

to you in your last interview i go to

2186

01:29:40,709 --> 01:29:37,679

church almost every sunday

2187

01:29:43,910 --> 01:29:40,719

know go to confession i say my prayers i

2188

01:29:45,830 --> 01:29:43,920

gave this lecture two weeks ago in erie

2189

01:29:47,430 --> 01:29:45,840

at my conference two people came up to

2190

01:29:49,910 --> 01:29:47,440

me afterwards gave me their blessed

2191

01:29:52,709 --> 01:29:49,920

rosaries which hang on the headboard on

2192

01:29:55,830 --> 01:29:52,719

both sides of my bed and but it's not

2193

01:29:56,629 --> 01:29:55,840

gone this thing is still there it's very

2194

01:29:59,510 --> 01:29:56,639

weak

2195

01:30:01,910 --> 01:29:59,520

and the mistake i make the mistake i

2196

01:30:03,910 --> 01:30:01,920

make is i mock it and you're not

2197

01:30:06,310 --> 01:30:03,920

supposed to do that because i'll get

2198

01:30:08,229 --> 01:30:06,320

pissed i'm not afraid of it i even i

2199

01:30:09,910 --> 01:30:08,239

said to it in june when it made that

2200

01:30:12,070 --> 01:30:09,920

when it was there with the banging i

2201

01:30:14,470 --> 01:30:12,080

said show yourself i'll rip your throat

2202

01:30:17,669 --> 01:30:14,480

out i'm not afraid of it i'm angry at it

2203

01:30:20,310 --> 01:30:17,679

right so uh what i hear now is like

2204

01:30:23,270 --> 01:30:20,320

two weeks will go by and i'll lay in bed

2205

01:30:25,189 --> 01:30:23,280

and all of a sudden like last thursday i

2206

01:30:27,270 --> 01:30:25,199

heard or two weeks ago on thursday i

2207

01:30:29,270 --> 01:30:27,280

heard the movement in the ceiling

2208

01:30:31,110 --> 01:30:29,280

there's like these popping sounds all

2209

01:30:33,830 --> 01:30:31,120

around the room in the different corners

2210

01:30:37,590 --> 01:30:33,840

of the room you know i'll hear a very

2211

01:30:38,870 --> 01:30:37,600

weak tapping like uh about a month ago i

2212

01:30:42,870 --> 01:30:38,880

was

2213

01:30:45,189 --> 01:30:42,880

standing in the doorway because my dog

2214

01:30:48,149 --> 01:30:45,199

is there and all of a sudden i hear this

2215

01:30:50,470 --> 01:30:48,159

vibrating in the wall i mean and i think

2216

01:30:52,790 --> 01:30:50,480

the vibration has something to do with

2217

01:30:56,310 --> 01:30:52,800

these dimensions it's a vibrational type

2218

01:30:58,470 --> 01:30:56,320

thing inside a wall that's nothing but a

2219

01:31:00,390 --> 01:30:58,480

retaining wall a separation wall there's

2220

01:31:03,590 --> 01:31:00,400

nothing in it pipes

2221

01:31:05,510 --> 01:31:03,600

ducts nothing you hear also the heat is

2222

01:31:07,189 --> 01:31:05,520

vibrating real

2223

01:31:09,110 --> 01:31:07,199

fast

2224

01:31:11,910 --> 01:31:09,120

and it turns into this knocking sound

2225

01:31:14,310 --> 01:31:11,920

bang bang bang bang bang bang i

2226

01:31:17,110 --> 01:31:14,320

knock on the wall it stops two three

2227

01:31:19,910 --> 01:31:17,120

seconds later it starts up again and so

2228

01:31:21,990 --> 01:31:19,920

but it's there and it's weak and in fact

2229

01:31:24,310 --> 01:31:22,000

like last night i say my prayers so

2230

01:31:27,110 --> 01:31:24,320

every night before i go to bed our

2231

01:31:29,510 --> 01:31:27,120

father hail mary i asked

2232

01:31:31,189 --> 01:31:29,520

michael for his protection archangel

2233

01:31:32,470 --> 01:31:31,199

michael and then i say a few things to

2234

01:31:34,310 --> 01:31:32,480

jesus

2235

01:31:35,669 --> 01:31:34,320

the last couple of nights as soon as i

2236

01:31:37,990 --> 01:31:35,679

said that

2237

01:31:41,270 --> 01:31:38,000

you hear that movement in the ceiling

2238

01:31:43,030 --> 01:31:41,280

you hear a little popping sounds or or

2239

01:31:45,430 --> 01:31:43,040

a little knocking

2240

01:31:47,910 --> 01:31:45,440

very very weak i haven't gotten rid of

2241

01:31:49,910 --> 01:31:47,920

it i don't know if what's left behind is

2242

01:31:52,629 --> 01:31:49,920

the poltergeist that you can't get rid

2243

01:31:54,629 --> 01:31:52,639

of or it's one of these demonic entities

2244

01:31:57,110 --> 01:31:54,639

but it's being held at bay

2245

01:31:58,390 --> 01:31:57,120

by whoever my guardian angel is and i'll

2246

01:31:59,669 --> 01:31:58,400

tell you something else that happened

2247

01:32:01,590 --> 01:31:59,679

and this this

2248

01:32:04,790 --> 01:32:01,600

these things to me are absolute

2249

01:32:07,430 --> 01:32:04,800

confirmations that jesus is real this

2250

01:32:09,270 --> 01:32:07,440

whole angels and demon thing you can say

2251

01:32:10,149 --> 01:32:09,280

what you want roll your eyeballs it's

2252

01:32:12,870 --> 01:32:10,159

real

2253

01:32:15,030 --> 01:32:12,880

i go let my dog out this was about a

2254

01:32:17,510 --> 01:32:15,040

month ago right so i go in the basement

2255

01:32:18,950 --> 01:32:17,520

i always let him out the back door i'm

2256

01:32:21,669 --> 01:32:18,960

it's in the morning

2257

01:32:24,629 --> 01:32:21,679

i'm almost at the back door all of a

2258

01:32:27,830 --> 01:32:24,639

sudden i feel a hand on my head it was

2259

01:32:30,790 --> 01:32:27,840

three fingers large fingers and it just

2260

01:32:33,510 --> 01:32:30,800

went across my forehead and my head

2261

01:32:36,070 --> 01:32:33,520

it was like spongy but it was big

2262

01:32:37,189 --> 01:32:36,080

fingers i could feel it and i actually

2263

01:32:38,790 --> 01:32:37,199

said whoa

2264

01:32:41,110 --> 01:32:38,800

i turned the look at the ceiling i said

2265

01:32:44,550 --> 01:32:41,120

you can't do that

2266

01:32:46,550 --> 01:32:44,560

this is a real physical hand on my head

2267

01:32:48,470 --> 01:32:46,560

right and then so i left the dog then i

2268

01:32:49,590 --> 01:32:48,480

stayed in there and i said to myself why

2269

01:32:51,910 --> 01:32:49,600

you know

2270

01:32:54,390 --> 01:32:51,920

there was nothing negative to that i

2271

01:32:56,470 --> 01:32:54,400

said you know what that felt like it was

2272

01:32:58,629 --> 01:32:56,480

like the way i would pet the dog the way

2273

01:33:00,950 --> 01:32:58,639

i put my hand on one of my kids heads

2274

01:33:04,070 --> 01:33:00,960

when they were small i said john that

2275

01:33:08,310 --> 01:33:04,080

was a blessing you're a guardian angel

2276

01:33:11,510 --> 01:33:08,320

jesus somebody michael somebody said

2277

01:33:13,830 --> 01:33:11,520

you're doing good you're fighting back

2278

01:33:15,910 --> 01:33:13,840

you're repelling these things your mind

2279

01:33:17,910 --> 01:33:15,920

is thinking the way it should be and it

2280

01:33:20,790 --> 01:33:17,920

was to me it was a blessing the other

2281

01:33:23,030 --> 01:33:20,800

thing that happened was my dog

2282

01:33:25,270 --> 01:33:23,040

and two things couple things happen

2283

01:33:27,590 --> 01:33:25,280

get this when this was all going on and

2284

01:33:29,910 --> 01:33:27,600

i repelled it like that week that that

2285

01:33:31,669 --> 01:33:29,920

black veil disappeared

2286

01:33:33,270 --> 01:33:31,679

you know at night i'd say my prayers i'd

2287

01:33:37,510 --> 01:33:33,280

say things i said

2288

01:33:40,950 --> 01:33:37,520

jesus help my dog my dog protected me

2289

01:33:42,790 --> 01:33:40,960

my dog had the worst lyme disease i mean

2290

01:33:44,390 --> 01:33:42,800

it was horrible i thought i'd have to

2291

01:33:46,390 --> 01:33:44,400

put him down i even questioned now if

2292

01:33:48,470 --> 01:33:46,400

that was the lyme's disease or that

2293

01:33:50,709 --> 01:33:48,480

wasn't some entity taking it out on the

2294

01:33:52,950 --> 01:33:50,719

dog and

2295

01:33:55,750 --> 01:33:52,960

my dog became very vicious he bit me

2296

01:33:58,550 --> 01:33:55,760

twice recently about a year ago so i

2297

01:34:01,030 --> 01:33:58,560

said to jesus my dog protected me when

2298

01:34:04,149 --> 01:34:01,040

that entity was here he knew and he

2299

01:34:06,470 --> 01:34:04,159

protected me protect my dog help him

2300

01:34:08,070 --> 01:34:06,480

right a couple of days later i took him

2301

01:34:10,790 --> 01:34:08,080

to the vet

2302

01:34:13,430 --> 01:34:10,800

for another lyme disease test

2303

01:34:14,950 --> 01:34:13,440

the prior one came in at 35 and it has

2304

01:34:16,629 --> 01:34:14,960

to be under 30. otherwise you got to

2305

01:34:19,430 --> 01:34:16,639

give him all the medications again which

2306

01:34:21,830 --> 01:34:19,440

i did so now it's six months later i

2307

01:34:23,430 --> 01:34:21,840

take him back for the test came back at

2308

01:34:26,229 --> 01:34:23,440

zero

2309

01:34:28,790 --> 01:34:26,239

the dog not only doesn't have it anymore

2310

01:34:30,709 --> 01:34:28,800

he is the nicest most affectionate dog

2311

01:34:32,390 --> 01:34:30,719

you ever want to see my son even comes

2312

01:34:34,870 --> 01:34:32,400

over my kids are afraid of the dog they

2313

01:34:37,590 --> 01:34:34,880

like keep their hands away from him

2314

01:34:39,430 --> 01:34:37,600

is that your dog is like oh jesus this

2315

01:34:41,510 --> 01:34:39,440

is like a totally different dog i told

2316

01:34:42,709 --> 01:34:41,520

him what happened i asked jesus at the

2317

01:34:46,149 --> 01:34:42,719

same time

2318

01:34:47,750 --> 01:34:46,159

my mother is in the hospital

2319

01:34:50,229 --> 01:34:47,760

they thought it was kidney failure at

2320

01:34:51,109 --> 01:34:50,239

the same night i asked help my help my

2321

01:34:53,990 --> 01:34:51,119

dog

2322

01:34:55,910 --> 01:34:54,000

help my mother because she's dying it

2323

01:35:00,310 --> 01:34:55,920

turns out that it's a kidney infection

2324

01:35:04,149 --> 01:35:00,320

she's 100 cure now cured now no dialysis

2325

01:35:05,189 --> 01:35:04,159

i also said help my brother he had a

2326

01:35:08,070 --> 01:35:05,199

huge

2327

01:35:09,750 --> 01:35:08,080

tumor on his thyroid cancerous

2328

01:35:12,550 --> 01:35:09,760

they took it out

2329

01:35:15,430 --> 01:35:12,560

and for like a month he says john i'm

2330

01:35:17,270 --> 01:35:15,440

supposed to be on

2331

01:35:19,270 --> 01:35:17,280

medication because they removed my

2332

01:35:20,390 --> 01:35:19,280

thyroid he says everything's functioning

2333

01:35:23,030 --> 01:35:20,400

well

2334

01:35:25,669 --> 01:35:23,040

she says they don't understand it

2335

01:35:27,910 --> 01:35:25,679

so i asked jesus for three things help

2336

01:35:30,629 --> 01:35:27,920

my mother help my brother help my dog

2337

01:35:32,550 --> 01:35:30,639

all three of them have had great

2338

01:35:35,910 --> 01:35:32,560

experiences

2339

01:35:39,109 --> 01:35:35,920

based on what i said so in my mind i saw

2340

01:35:41,590 --> 01:35:39,119

a miracle i know what's real

2341

01:35:44,709 --> 01:35:41,600

i question now

2342

01:35:46,550 --> 01:35:44,719

the alien abduction that's the gray

2343

01:35:48,470 --> 01:35:46,560

the one that comes out of the corner of

2344

01:35:51,109 --> 01:35:48,480

your room at night at three in the

2345

01:35:53,430 --> 01:35:51,119

morning and does the same stuff like

2346

01:35:55,910 --> 01:35:53,440

when i read that list off to you uh

2347

01:35:57,350 --> 01:35:55,920

there were about sixty percent of those

2348

01:35:59,590 --> 01:35:57,360

factors

2349

01:36:01,990 --> 01:35:59,600

are the same between alien abduction and

2350

01:36:03,510 --> 01:36:02,000

demonic and i question that and let me

2351

01:36:06,790 --> 01:36:03,520

tell you one last thing before we run

2352

01:36:08,550 --> 01:36:06,800

out of time here now get this i i decide

2353

01:36:10,709 --> 01:36:08,560

to write a book and this is hugely

2354

01:36:12,950 --> 01:36:10,719

significant i'm writing a book i go to

2355

01:36:16,550 --> 01:36:12,960

myrtle beach to visit my daughter

2356

01:36:19,189 --> 01:36:16,560

it's april 20th of last month april 20th

2357

01:36:22,950 --> 01:36:19,199

2016. i'm writing the book it's called

2358

01:36:23,830 --> 01:36:22,960

the ufologist right i get home

2359

01:36:28,070 --> 01:36:23,840

now

2360

01:36:31,030 --> 01:36:28,080

i i well i had ordered a headstone a six

2361

01:36:33,109 --> 01:36:31,040

foot tall headstone it's the holy bible

2362

01:36:35,109 --> 01:36:33,119

with my name and all my stuff on there

2363

01:36:37,270 --> 01:36:35,119

they're installing it in that graveyard

2364

01:36:39,109 --> 01:36:37,280

right behind my house it's 20 feet from

2365

01:36:42,070 --> 01:36:39,119

my stockade fence i didn't know they

2366

01:36:44,870 --> 01:36:42,080

were doing that i get home i'm in my

2367

01:36:47,350 --> 01:36:44,880

house i'm not even home an hour i look

2368

01:36:49,590 --> 01:36:47,360

out into the backyard my half of my

2369

01:36:52,870 --> 01:36:49,600

backyard on the other side of my fence

2370

01:36:55,910 --> 01:36:52,880

line the wooded area burst into flames

2371

01:36:58,950 --> 01:36:55,920

i'm telling you 200 feet when up in

2372

01:37:02,310 --> 01:36:58,960

flames this is april this isn't july

2373

01:37:03,189 --> 01:37:02,320

when you have brush fires right

2374

01:37:05,270 --> 01:37:03,199

so

2375

01:37:07,189 --> 01:37:05,280

then i find out the guys i see these

2376

01:37:08,550 --> 01:37:07,199

three guys in the cemetery they call the

2377

01:37:11,350 --> 01:37:08,560

fire department i call the fire

2378

01:37:13,270 --> 01:37:11,360

department i find out they just finished

2379

01:37:15,270 --> 01:37:13,280

installing my headstone and i got

2380

01:37:18,390 --> 01:37:15,280

pictures of it it's very religious

2381

01:37:21,270 --> 01:37:18,400

headstone and i got pictures of the fire

2382

01:37:23,030 --> 01:37:21,280

every my my whole area behind right at

2383

01:37:25,270 --> 01:37:23,040

my fence line that never entered my

2384

01:37:29,030 --> 01:37:25,280

property it was behind my fence line

2385

01:37:30,790 --> 01:37:29,040

about 150 200 feet went up in flames

2386

01:37:33,830 --> 01:37:30,800

i think

2387

01:37:36,070 --> 01:37:33,840

it was these entities these malevolent

2388

01:37:38,070 --> 01:37:36,080

entities they didn't like the religious

2389

01:37:39,590 --> 01:37:38,080

headstone where i'm going to be buried

2390

01:37:42,229 --> 01:37:39,600

because i told you i'm never leaving

2391

01:37:45,030 --> 01:37:42,239

this house alive uh and they what

2392

01:37:47,510 --> 01:37:45,040

they're able to create this combustion

2393

01:37:50,310 --> 01:37:47,520

they do it in during exorcisms they do

2394

01:37:52,550 --> 01:37:50,320

it with people they do it with things

2395

01:37:55,030 --> 01:37:52,560

it's too much of a coincidence that they

2396

01:37:56,709 --> 01:37:55,040

installed my headstone i'm writing a

2397

01:37:58,629 --> 01:37:56,719

book to out this whole thing so

2398

01:38:01,430 --> 01:37:58,639

everybody's going to know this is real

2399

01:38:03,350 --> 01:38:01,440

and my backyard bursts into flames

2400

01:38:06,709 --> 01:38:03,360

plus i also had

2401

01:38:09,430 --> 01:38:06,719

for 19 months a family of these red

2402

01:38:12,070 --> 01:38:09,440

cardinals would fly into my windows

2403

01:38:13,590 --> 01:38:12,080

constantly people are here

2404

01:38:15,990 --> 01:38:13,600

and they said what is that look i said

2405

01:38:19,030 --> 01:38:16,000

look the bird is flying into the windows

2406

01:38:20,870 --> 01:38:19,040

that day that the fire started

2407

01:38:22,229 --> 01:38:20,880

it stopped and it hasn't happened for a

2408

01:38:23,430 --> 01:38:22,239

month

2409

01:38:26,070 --> 01:38:23,440

wow that's

2410

01:38:28,709 --> 01:38:26,080

kind of a strange sequence of events

2411

01:38:30,709 --> 01:38:28,719

that's yeah everything i've told you is

2412

01:38:32,870 --> 01:38:30,719

absolutely true

2413

01:38:35,189 --> 01:38:32,880

you're writing a book about this

2414

01:38:38,390 --> 01:38:35,199

yeah it'll be out yeah it'll be it'll be

2415

01:38:40,470 --> 01:38:38,400

out out this summer it's called the um

2416

01:38:42,149 --> 01:38:40,480

it's called the ufologist

2417

01:38:43,990 --> 01:38:42,159

well i've often thought that there's

2418

01:38:46,310 --> 01:38:44,000

some connection between this alien

2419

01:38:49,270 --> 01:38:46,320

abduction thing and and maybe something

2420

01:38:50,790 --> 01:38:49,280

interdimensional angels demons watchers

2421

01:38:52,550 --> 01:38:50,800

call it what you will

2422

01:38:54,310 --> 01:38:52,560

yeah i agree you have a unique

2423

01:38:55,910 --> 01:38:54,320

background to make these kind of

2424

01:38:58,790 --> 01:38:55,920

judgments on this

2425

01:38:59,590 --> 01:38:58,800

and i look forward to reading the book

2426

01:39:03,030 --> 01:38:59,600

yeah

2427

01:39:05,350 --> 01:39:03,040

soon all of the stuff is in it all the

2428

01:39:06,470 --> 01:39:05,360

evidence how to deal with it i think

2429

01:39:08,629 --> 01:39:06,480

it's going to be the best book on

2430

01:39:11,510 --> 01:39:08,639

demonology that's out there plus all my

2431

01:39:13,510 --> 01:39:11,520

experiences but and like when i give my

2432

01:39:17,109 --> 01:39:13,520

my lectures now and everything i want

2433

01:39:19,430 --> 01:39:17,119

people to know that uh this is real and

2434

01:39:22,149 --> 01:39:19,440

uh it happened to me i don't have any

2435

01:39:24,310 --> 01:39:22,159

i'm not worried about telling people

2436

01:39:25,669 --> 01:39:24,320

i do need to get that roman catholic

2437

01:39:28,149 --> 01:39:25,679

priest out here

2438

01:39:29,510 --> 01:39:28,159

to drive out i was i don't recommend

2439

01:39:32,390 --> 01:39:29,520

that and the other thing i would

2440

01:39:36,629 --> 01:39:32,400

recommend is to definitely have some of

2441

01:39:38,790 --> 01:39:36,639

those ghost hunter people with the gear

2442

01:39:42,149 --> 01:39:38,800

because i i don't know if you ever heard

2443

01:39:44,229 --> 01:39:42,159

but i have the the thing with the birds

2444

01:39:46,390 --> 01:39:44,239

flying into the window could be

2445

01:39:47,510 --> 01:39:46,400

electromagnetic

2446

01:39:49,189 --> 01:39:47,520

emf

2447

01:39:52,229 --> 01:39:49,199

yeah when there's a high concentration

2448

01:39:54,950 --> 01:39:52,239

of emf it screws with their you know how

2449

01:39:57,189 --> 01:39:54,960

birds have some kind of magnetic sense

2450

01:40:00,070 --> 01:39:57,199

oh absolutely yeah and so i've heard

2451  
01:40:02,229 --> 01:40:00,080  
when there's a big emf spike in your

2452  
01:40:05,830 --> 01:40:02,239  
home somewhere that can cause the birds

2453  
01:40:07,750 --> 01:40:05,840  
to do that and emf also causes

2454  
01:40:09,510 --> 01:40:07,760  
and listen i'm not trying to say this is

2455  
01:40:12,470 --> 01:40:09,520  
what it is but it's something that you

2456  
01:40:15,430 --> 01:40:12,480  
should eliminate emf

2457  
01:40:16,149 --> 01:40:15,440  
can cause all kinds of hallucinations

2458  
01:40:19,669 --> 01:40:16,159  
and

2459  
01:40:21,910 --> 01:40:19,679  
things

2460  
01:40:23,270 --> 01:40:21,920  
and any any of the ghost hunters that

2461  
01:40:25,350 --> 01:40:23,280  
i've met

2462  
01:40:27,830 --> 01:40:25,360  
they all have emf meters and you can

2463  
01:40:29,830 --> 01:40:27,840

even get an emf meter

2464

01:40:31,430 --> 01:40:29,840

on your cell phone yeah i would go to

2465

01:40:34,550 --> 01:40:31,440

your house and see if you can find a

2466

01:40:35,910 --> 01:40:34,560

spike area or yeah you know

2467

01:40:37,910 --> 01:40:35,920

you know what's funny is that when

2468

01:40:39,510 --> 01:40:37,920

you're going through this my son even

2469

01:40:41,510 --> 01:40:39,520

says like people said to me why didn't

2470

01:40:43,270 --> 01:40:41,520

you take pictures of the birds i took a

2471

01:40:45,270 --> 01:40:43,280

picture of fire why didn't you try to

2472

01:40:46,870 --> 01:40:45,280

use recorders and video and all of that

2473

01:40:49,510 --> 01:40:46,880

i said you know what when this is

2474

01:40:51,430 --> 01:40:49,520

happening to you

2475

01:40:53,030 --> 01:40:51,440

you're not interested in any of that the

2476

01:40:54,629 --> 01:40:53,040

only thing that interests me right now

2477

01:40:57,030 --> 01:40:54,639

is to get this thing out of my life and

2478

01:40:58,709 --> 01:40:57,040

get it out of my house i don't need

2479

01:41:00,950 --> 01:40:58,719

i agree with you if this was going on

2480

01:41:03,109 --> 01:41:00,960

especially you know i feel different i

2481

01:41:05,270 --> 01:41:03,119

think when i was younger and single i

2482

01:41:06,870 --> 01:41:05,280

would think well this is you know kind

2483

01:41:08,790 --> 01:41:06,880

of strange but i wouldn't be that

2484

01:41:11,030 --> 01:41:08,800

concerned but you know i have a wife and

2485

01:41:14,310 --> 01:41:11,040

kids and you know i wouldn't want that

2486

01:41:17,590 --> 01:41:14,320

kind of oppressive thing in my home

2487

01:41:18,390 --> 01:41:17,600

yeah and well for me i know that this is

2488

01:41:45,510 --> 01:41:18,400

a

2489

01:41:47,910 --> 01:41:45,520

books

2490

01:41:50,629 --> 01:41:47,920

they can claim your family line if it

2491

01:41:52,550 --> 01:41:50,639

goes three or four generations and i am

2492

01:41:54,870 --> 01:41:52,560

going to break it they are not going to

2493

01:41:55,830 --> 01:41:54,880

get my kids i will break this one way or

2494

01:41:58,149 --> 01:41:55,840

another

2495

01:42:00,709 --> 01:41:58,159

yeah i i've never heard that but i have

2496

01:42:03,750 --> 01:42:00,719

heard many people say that

2497

01:42:07,750 --> 01:42:05,590

belief that people have that the house

2498

01:42:10,149 --> 01:42:07,760

is haunted but the truth is it's not the

2499

01:42:11,990 --> 01:42:10,159

house that's on it it's the people it's

2500

01:42:14,390 --> 01:42:12,000

the person

2501  
01:42:16,390 --> 01:42:14,400  
you can move and it'll it'll just follow

2502  
01:42:18,229 --> 01:42:16,400  
you well it has from jersey from

2503  
01:42:19,910 --> 01:42:18,239  
oklahoma to jersey yeah it worked for

2504  
01:42:21,830 --> 01:42:19,920  
your whole story and i was thinking that

2505  
01:42:23,830 --> 01:42:21,840  
the whole time mother well this is

2506  
01:42:26,629 --> 01:42:23,840  
this is exactly what people talk about

2507  
01:42:28,629 --> 01:42:26,639  
the house is not on it the person is

2508  
01:42:30,550 --> 01:42:28,639  
yeah yeah i went to a

2509  
01:42:32,310 --> 01:42:30,560  
fundraiser for my local congressman and

2510  
01:42:34,470 --> 01:42:32,320  
there was a priest there and i started

2511  
01:42:36,070 --> 01:42:34,480  
to tell him a little bit and he said

2512  
01:42:38,790 --> 01:42:36,080  
that's exactly what he said to me he

2513  
01:42:40,470 --> 01:42:38,800

said it's not the house it's you they're

2514

01:42:42,390 --> 01:42:40,480

attached to you

2515

01:42:45,189 --> 01:42:42,400

so but i got to get one of these priests

2516

01:42:46,950 --> 01:42:45,199

to step up and come out here yeah i'm

2517

01:42:49,510 --> 01:42:46,960

sorry i wish i knew somebody i don't

2518

01:42:51,510 --> 01:42:49,520

anymore i'm just getting back to

2519

01:42:53,830 --> 01:42:51,520

the catholic church myself because my

2520

01:42:56,470 --> 01:42:53,840

son's going to go to catholic uh

2521

01:42:59,189 --> 01:42:56,480

pre-kindergarten because honestly that's

2522

01:43:01,430 --> 01:42:59,199

just the best place for him but yeah but

2523

01:43:02,870 --> 01:43:01,440

the catholics are uniquely qualified to

2524

01:43:05,350 --> 01:43:02,880

deal with that

2525

01:43:07,669 --> 01:43:05,360

and the other thing that i hear people

2526

01:43:09,990 --> 01:43:07,679

i always hear people would

2527

01:43:11,750 --> 01:43:10,000

talk about the sage brush you know they

2528

01:43:13,830 --> 01:43:11,760

make this thing that they burn the

2529

01:43:16,629 --> 01:43:13,840

native americans have done it

2530

01:43:18,790 --> 01:43:16,639

yeah something about sage clears

2531

01:43:21,510 --> 01:43:18,800

negative spiritual energy you might try

2532

01:43:23,750 --> 01:43:21,520

that i wish i had more suggestions for

2533

01:43:25,990 --> 01:43:23,760

you but i think the priest is your first

2534

01:43:27,830 --> 01:43:26,000

and best bet because

2535

01:43:29,270 --> 01:43:27,840

they know how to combat these things and

2536

01:43:31,510 --> 01:43:29,280

they have the

2537

01:43:33,830 --> 01:43:31,520

they have i i truly believe that the

2538

01:43:35,750 --> 01:43:33,840

vatican has all kinds of secret archives

2539

01:43:37,030 --> 01:43:35,760

on demonology and all these things and

2540

01:43:38,550 --> 01:43:37,040

they know more than they tell the

2541

01:43:41,109 --> 01:43:38,560

general public

2542

01:43:43,189 --> 01:43:41,119

absolutely equipped to help you you know

2543

01:43:45,350 --> 01:43:43,199

so i i would just keep asking priests

2544

01:43:46,149 --> 01:43:45,360

until somebody agreed to do it honestly

2545

01:43:48,149 --> 01:43:46,159

yeah

2546

01:43:50,870 --> 01:43:48,159

i i agree i agree and that's what that's

2547

01:43:53,510 --> 01:43:50,880

what i'm like taking my time here

2548

01:43:55,590 --> 01:43:53,520

because other people like joe jordan has

2549

01:43:58,470 --> 01:43:55,600

said to me all the power you need is

2550

01:44:00,629 --> 01:43:58,480

inside you these priests don't you don't

2551  
01:44:03,669 --> 01:44:00,639  
need to go outside and find someone else

2552  
01:44:04,550 --> 01:44:03,679  
to do it for you they say you have

2553  
01:44:08,950 --> 01:44:04,560  
you have

2554  
01:44:11,189 --> 01:44:08,960  
ability in you if you believe it and

2555  
01:44:13,750 --> 01:44:11,199  
then you can drive them out like i did

2556  
01:44:15,510 --> 01:44:13,760  
drive them out but they're not gone but

2557  
01:44:17,990 --> 01:44:15,520  
i don't know if this is the poltergeist

2558  
01:44:20,310 --> 01:44:18,000  
that can't be driven out or this is the

2559  
01:44:23,189 --> 01:44:20,320  
demonic entity you know so i don't know

2560  
01:44:25,350 --> 01:44:23,199  
what it is right now so um yeah but then

2561  
01:44:26,629 --> 01:44:25,360  
in my you know then i say to myself

2562  
01:44:28,390 --> 01:44:26,639  
what are you waiting for you're waiting

2563  
01:44:30,149 --> 01:44:28,400

for an actual physical attack where it

2564

01:44:32,070 --> 01:44:30,159

takes you and throws you across the room

2565

01:44:33,910 --> 01:44:32,080

or you feel your sheets get pulled off

2566

01:44:35,669 --> 01:44:33,920

you at night or you levitate and can't

2567

01:44:38,070 --> 01:44:35,679

move what are you waiting for get the

2568

01:44:40,390 --> 01:44:38,080

damn priest there now before the because

2569

01:44:42,950 --> 01:44:40,400

they always say when they come back they

2570

01:44:44,790 --> 01:44:42,960

come back stronger and i that they did

2571

01:44:46,470 --> 01:44:44,800

come back stronger and i don't think i

2572

01:44:48,390 --> 01:44:46,480

want to deal with them coming back even

2573

01:44:50,950 --> 01:44:48,400

stronger next time

2574

01:44:52,790 --> 01:44:50,960

yeah yeah it could be it could be you

2575

01:44:55,590 --> 01:44:52,800

know i've often heard that these things

2576

01:44:57,109 --> 01:44:55,600

go in cycles and i and i thought that

2577

01:44:59,590 --> 01:44:57,119

when you were telling your story it's

2578

01:45:01,270 --> 01:44:59,600

kind of like the the level of the

2579

01:45:03,830 --> 01:45:01,280

effects lesson

2580

01:45:06,070 --> 01:45:03,840

and then over time they get

2581

01:45:08,070 --> 01:45:06,080

more stronger and more stronger and more

2582

01:45:09,990 --> 01:45:08,080

stronger and then you beat it back and

2583

01:45:12,310 --> 01:45:10,000

they lessen it sounds like that's

2584

01:45:14,870 --> 01:45:12,320

exactly what you're going through yeah

2585

01:45:17,270 --> 01:45:14,880

a period of low activity this is the

2586

01:45:19,750 --> 01:45:17,280

time to attack them back i would think

2587

01:45:22,070 --> 01:45:19,760

yeah i agree that's exactly the way i

2588

01:45:23,510 --> 01:45:22,080

view it that if i don't get them out now

2589

01:45:26,070 --> 01:45:23,520

it's gone from

2590

01:45:28,390 --> 01:45:26,080

uh demonic angel to the demonic

2591

01:45:29,669 --> 01:45:28,400

archangel it's going to go to that next

2592

01:45:32,229 --> 01:45:29,679

level of

2593

01:45:33,830 --> 01:45:32,239

which is much more powerful

2594

01:45:35,669 --> 01:45:33,840

and i even say to people who are

2595

01:45:38,149 --> 01:45:35,679

interested in this

2596

01:45:41,030 --> 01:45:38,159

you know occasionally an exorcist has

2597

01:45:43,830 --> 01:45:41,040

done an exorcism and it was actually

2598

01:45:47,590 --> 01:45:43,840

satan or it was one of those top three

2599

01:45:51,510 --> 01:45:47,600

levels of a devil not a demon a devil

2600

01:45:53,189 --> 01:45:51,520

can you imagine how powerful that is i

2601

01:45:54,950 --> 01:45:53,199

don't want to ever face that i don't

2602

01:45:58,149 --> 01:45:54,960

ever want to deal with that i'm dealing

2603

01:45:59,109 --> 01:45:58,159

right now with low-level worker bees you

2604

01:46:01,030 --> 01:45:59,119

know

2605

01:46:02,550 --> 01:46:01,040

as far but they are much stronger than

2606

01:46:03,830 --> 01:46:02,560

us

2607

01:46:05,590 --> 01:46:03,840

yeah i mean uh

2608

01:46:06,629 --> 01:46:05,600

the story you told would scare the hell

2609

01:46:09,109 --> 01:46:06,639

out of me

2610

01:46:10,790 --> 01:46:09,119

yeah and if that's the low level you're

2611

01:46:12,470 --> 01:46:10,800

right i would i wouldn't want to see the

2612

01:46:15,189 --> 01:46:12,480

higher level stuff

2613

01:46:17,430 --> 01:46:15,199

yeah i agree so that's my story that's

2614

01:46:19,350 --> 01:46:17,440

you know right now uh when i give my

2615

01:46:22,070 --> 01:46:19,360

presentations and stuff i'm trying to

2616

01:46:24,709 --> 01:46:22,080

talk about how this demonology works how

2617

01:46:26,310 --> 01:46:24,719

this relates to um

2618

01:46:28,390 --> 01:46:26,320

what i believe is the gray alien

2619

01:46:30,550 --> 01:46:28,400

abduction and that's why when we talked

2620

01:46:32,550 --> 01:46:30,560

about that survey by the free group i

2621

01:46:34,550 --> 01:46:32,560

disagree there ain't nothing the only

2622

01:46:36,950 --> 01:46:34,560

good thing about this is it drove me

2623

01:46:38,790 --> 01:46:36,960

back to the church and i changed a lot

2624

01:46:42,310 --> 01:46:38,800

of the way i view things i view things

2625

01:46:44,310 --> 01:46:42,320

now through the eyes of my soul if you

2626

01:46:46,629 --> 01:46:44,320

say this if you do this

2627

01:46:48,870 --> 01:46:46,639

uh you know you could profit from it but

2628

01:46:51,910 --> 01:46:48,880

does that affect your soul is that a

2629

01:46:53,669 --> 01:46:51,920

plus or a minus you know

2630

01:46:55,669 --> 01:46:53,679

so that's how i view everything and

2631

01:46:56,470 --> 01:46:55,679

everything i do i give money to people

2632

01:46:59,830 --> 01:46:56,480

now

2633

01:47:02,390 --> 01:46:59,840

whatever is going to help i'm doing give

2634

01:47:05,270 --> 01:47:02,400

me all you want

2635

01:47:06,149 --> 01:47:05,280

i i do whatever is the right thing to do

2636

01:47:07,109 --> 01:47:06,159

now

2637

01:47:08,629 --> 01:47:07,119

sure

2638

01:47:10,390 --> 01:47:08,639

well i want to thank you for taking the

2639

01:47:12,790 --> 01:47:10,400

time to talk to us this is going to be

2640

01:47:15,030 --> 01:47:12,800

quite an amazing show

2641

01:47:18,229 --> 01:47:15,040

for anybody that has an interest and i

2642

01:47:19,590 --> 01:47:18,239

will uh give your website details and

2643

01:47:22,629 --> 01:47:19,600

and

2644

01:47:25,669 --> 01:47:22,639

ways for people to contact you because i

2645

01:47:27,430 --> 01:47:25,679

think you do amazing work

2646

01:47:28,950 --> 01:47:27,440

i appreciate it and you know we'll see

2647

01:47:31,590 --> 01:47:28,960

after a few weeks

2648

01:47:36,629 --> 01:47:31,600

if we got to 30 000 hits on it

2649

01:47:40,470 --> 01:47:38,550

well my friends what an incredible

2650

01:47:41,510 --> 01:47:40,480

interview

2651  
01:47:43,350 --> 01:47:41,520  
and you know

2652  
01:47:45,669 --> 01:47:43,360  
it's important to me that you're able to

2653  
01:47:47,270 --> 01:47:45,679  
get in touch with uh

2654  
01:47:49,669 --> 01:47:47,280  
my guests

2655  
01:47:51,350 --> 01:47:49,679  
because john's one of those open guys

2656  
01:47:53,189 --> 01:47:51,360  
like if you want to give them a call or

2657  
01:47:54,950 --> 01:47:53,199  
do you want to give them an email or you

2658  
01:47:56,709 --> 01:47:54,960  
want to send them a message it's very

2659  
01:47:59,910 --> 01:47:56,719  
easy to do that

2660  
01:48:03,669 --> 01:47:59,920  
you can reach them at [johnventury.com](http://johnventury.com)

2661  
01:48:07,910 --> 01:48:05,270  
dot

2662  
01:48:10,149 --> 01:48:07,920  
and more importantly than that

2663  
01:48:11,189 --> 01:48:10,159

i think it's important especially for my

2664

01:48:13,430 --> 01:48:11,199

local

2665

01:48:15,430 --> 01:48:13,440

listeners who live in philadelphia like

2666

01:48:17,669 --> 01:48:15,440

me that john's running the philadelphia

2667

01:48:19,270 --> 01:48:17,679

ufo conference at the sheraton bucks

2668

01:48:20,790 --> 01:48:19,280

county

2669

01:48:23,510 --> 01:48:20,800

hotel

2670

01:48:25,590 --> 01:48:23,520

and this is on friday and saturday

2671

01:48:28,310 --> 01:48:25,600

october 28th and 29th

2672

01:48:31,109 --> 01:48:28,320

there's going to be a huge

2673

01:48:33,510 --> 01:48:31,119

huge amount of incredible guests

2674

01:48:34,870 --> 01:48:33,520

we've got john ventry himself giving a

2675

01:48:37,270 --> 01:48:34,880

lecture

2676

01:48:40,229 --> 01:48:37,280

uh we've got dinner with major george

2677

01:48:42,310 --> 01:48:40,239

filer who talks about military ufo cases

2678

01:48:45,109 --> 01:48:42,320

rebecca hardcastle wright

2679

01:48:49,830 --> 01:48:45,119

he talks about exo consciousness daryl

2680

01:48:51,270 --> 01:48:49,840

sims uh he he is the alien hunter and

2681

01:48:52,550 --> 01:48:51,280

you may have heard about some of his

2682

01:48:55,350 --> 01:48:52,560

cases

2683

01:48:57,669 --> 01:48:55,360

we have david palades

2684

01:48:58,830 --> 01:48:57,679

the missing information

2685

01:49:00,629 --> 01:48:58,840

we have linda

2686

01:49:02,790 --> 01:49:00,639

zimmerman

2687

01:49:04,709 --> 01:49:02,800

talking about hudson valley and

2688

01:49:06,950 --> 01:49:04,719

different ufo cases

2689

01:49:08,310 --> 01:49:06,960

we have jen stein talking about crop

2690

01:49:10,229 --> 01:49:08,320

circles

2691

01:49:11,030 --> 01:49:10,239

ken pfeiffer

2692

01:49:13,030 --> 01:49:11,040

with

2693

01:49:14,709 --> 01:49:13,040

presenting a great deal of ufo pictures

2694

01:49:16,709 --> 01:49:14,719

and analysis

2695

01:49:18,790 --> 01:49:16,719

there's a private cocktail hour with

2696

01:49:19,669 --> 01:49:18,800

different speakers i mean this is going

2697

01:49:22,709 --> 01:49:19,679

to be

2698

01:49:25,189 --> 01:49:22,719

an incredibly fun event that is run by

2699

01:49:25,990 --> 01:49:25,199

mufon and john ventri

2700

01:49:27,830 --> 01:49:26,000

and

2701  
01:49:32,070 --> 01:49:27,840  
to get more information on that you can

2702  
01:49:37,750 --> 01:49:34,310  
and i'm going to put the flyer

2703  
01:49:39,189 --> 01:49:37,760  
uh in the video so you'll see exactly uh

2704  
01:49:41,669 --> 01:49:39,199  
what you're going to get

2705  
01:49:43,830 --> 01:49:41,679  
i highly recommend this i'm going to be

2706  
01:49:46,629 --> 01:49:43,840  
there myself kind of scoping out new

2707  
01:49:48,950 --> 01:49:46,639  
guests for my show and different stuff

2708  
01:49:52,390 --> 01:49:48,960  
and i think it's going to be an

2709  
01:49:53,669 --> 01:49:52,400  
incredible incredible thing to go and

2710  
01:49:56,390 --> 01:49:53,679  
and not

2711  
01:49:59,030 --> 01:49:56,400  
you know take a listen to if you're

2712  
01:50:00,950 --> 01:49:59,040  
interested in ufos and

2713  
01:50:01,830 --> 01:50:00,960

that kind of stuff

2714

01:50:03,750 --> 01:50:01,840

now

2715

01:50:05,589 --> 01:50:03,760

there's also the pittsburgh ufo

2716

01:50:08,310 --> 01:50:05,599

conference that's on sunday november

2717

01:50:10,629 --> 01:50:08,320

19th also run by john ventry at the

2718

01:50:12,470 --> 01:50:10,639

ramada inn in greensburg and they're

2719

01:50:15,750 --> 01:50:12,480

gonna have james krug

2720

01:50:17,189 --> 01:50:15,760

talking about apollo 20

2721

01:50:20,390 --> 01:50:17,199

20 right

2722

01:50:21,510 --> 01:50:20,400

is that math wrong not right

2723

01:50:24,310 --> 01:50:21,520

i don't know

2724

01:50:26,629 --> 01:50:24,320

go go listen to this lecture because i

2725

01:50:28,470 --> 01:50:26,639

think it's very interesting

2726

01:50:31,669 --> 01:50:28,480

um

2727

01:50:34,629 --> 01:50:31,679

there is a lecture by john ventry and

2728

01:50:36,070 --> 01:50:34,639

eichler about the kecksburg ufo case

2729

01:50:37,990 --> 01:50:36,080

being solved

2730

01:50:40,550 --> 01:50:38,000

i disagree with john on that but that's

2731

01:50:42,070 --> 01:50:40,560

okay and we're going to have bob crane

2732

01:50:46,070 --> 01:50:42,080

cranmer

2733

01:50:47,510 --> 01:50:46,080

about a demon of brownsville road case

2734

01:50:51,109 --> 01:50:47,520

we're going to have kathleen martin

2735

01:50:52,709 --> 01:50:51,119

talking about angels demons or et's

2736

01:50:54,790 --> 01:50:52,719

and most importantly we're going to have

2737

01:50:57,109 --> 01:50:54,800

stanton friedman talking about the

2738

01:50:58,870 --> 01:50:57,119

majestic 12 story it's going to be a

2739

01:51:03,189 --> 01:50:58,880

private cocktail hour with different

2740

01:51:06,390 --> 01:51:05,189

to pre-register or to get more

2741

01:51:09,109 --> 01:51:06,400

information

2742

01:51:11,750 --> 01:51:09,119

i can't tell you enough how much

2743

01:51:14,229 --> 01:51:11,760

i highly recommend this stuff run by

2744

01:51:16,870 --> 01:51:14,239

john ventry because he's got fact based

2745

01:51:19,510 --> 01:51:16,880

great lecturers he's got all these

2746

01:51:21,430 --> 01:51:19,520

different speakers and it's just a great

2747

01:51:22,950 --> 01:51:21,440

time

2748

01:51:25,990 --> 01:51:22,960

so if you're interested in the

2749

01:51:27,109 --> 01:51:26,000

paranormal and specifically and most

2750

01:51:30,070 --> 01:51:27,119

importantly

2751  
01:51:33,510 --> 01:51:30,080  
if you're interested in ufos or aliens

2752  
01:51:36,149 --> 01:51:33,520  
or the secret space program or

2753  
01:51:38,950 --> 01:51:36,159  
politics it's very important that you

2754  
01:51:40,550 --> 01:51:38,960  
you know do your due diligence

2755  
01:51:43,430 --> 01:51:40,560  
if you really want to know about these

2756  
01:51:46,229 --> 01:51:43,440  
things and take the time i mean it's a

2757  
01:51:48,629 --> 01:51:46,239  
great time take a weekend off and go to

2758  
01:51:50,470 --> 01:51:48,639  
one of these things because if you're

2759  
01:51:53,589 --> 01:51:50,480  
really interested in this stuff i have

2760  
01:51:54,709 --> 01:51:53,599  
to say that it's like a really fun time

2761  
01:51:57,189 --> 01:51:54,719  
to go

2762  
01:52:00,790 --> 01:51:57,199  
and listen to these different speakers

2763  
01:52:04,550 --> 01:52:00,800

maybe to buy some new books or videos

2764

01:52:06,550 --> 01:52:04,560

and really get fully informed because

2765

01:52:08,790 --> 01:52:06,560

i'm i'm one of those people that truly

2766

01:52:11,109 --> 01:52:08,800

believes that saying the truth is out

2767

01:52:13,830 --> 01:52:11,119

there but you have to go and you have to

2768

01:52:17,030 --> 01:52:13,840

look for it it's not going to find you

2769

01:52:19,189 --> 01:52:17,040

unless you go looking for it and uh john

2770

01:52:21,189 --> 01:52:19,199

ventry runs these

2771

01:52:22,550 --> 01:52:21,199

you know being a long-time member of

2772

01:52:23,430 --> 01:52:22,560

mufon

2773

01:52:24,950 --> 01:52:23,440

you know

2774

01:52:28,950 --> 01:52:24,960

uh

2775

01:52:30,790 --> 01:52:28,960

director and

2776  
01:52:31,990 --> 01:52:30,800  
you know kind of one of the big shots of

2777  
01:52:33,990 --> 01:52:32,000  
mufon

2778  
01:52:36,709 --> 01:52:34,000  
because of his television appearances

2779  
01:52:38,790 --> 01:52:36,719  
and i have to say you may have seen

2780  
01:52:41,109 --> 01:52:38,800  
john on so many different television

2781  
01:52:43,750 --> 01:52:41,119  
shows including on the discovery channel

2782  
01:52:45,030 --> 01:52:43,760  
he's been on anderson cooper he's been

2783  
01:52:47,990 --> 01:52:45,040  
on

2784  
01:52:50,390 --> 01:52:48,000  
you know the history channel and

2785  
01:52:52,070 --> 01:52:50,400  
all these different television shows and

2786  
01:52:54,470 --> 01:52:52,080  
that's because

2787  
01:52:56,390 --> 01:52:54,480  
this man is incredibly respected when it

2788  
01:52:57,750 --> 01:52:56,400

comes to the subject of ufos and the

2789

01:53:00,070 --> 01:52:57,760

paranormal

2790

01:53:02,390 --> 01:53:00,080

and so if you're going to

2791

01:53:04,790 --> 01:53:02,400

spend your hard-earned money and go to

2792

01:53:06,790 --> 01:53:04,800

one of these conferences don't go to one

2793

01:53:08,790 --> 01:53:06,800

of the really badly run ones because

2794

01:53:09,510 --> 01:53:08,800

i've been some of them and they're kind

2795

01:53:14,149 --> 01:53:09,520

of

2796

01:53:16,470 --> 01:53:14,159

like they have these

2797

01:53:18,550 --> 01:53:16,480

crazy people that say i got abducted by

2798

01:53:21,589 --> 01:53:18,560

aliens no proof no

2799

01:53:22,790 --> 01:53:21,599

no backup nothing and and uh you know

2800

01:53:25,510 --> 01:53:22,800

it's

2801

01:53:27,750 --> 01:53:25,520

some of these badly run ones

2802

01:53:29,830 --> 01:53:27,760

i don't know they they tend to seem like

2803

01:53:32,709 --> 01:53:29,840

just a bunch of guys that want to tell

2804

01:53:34,870 --> 01:53:32,719

some stories and get paid for it

2805

01:53:37,030 --> 01:53:34,880

but john runs some great ones and he's

2806

01:53:39,750 --> 01:53:37,040

got some of the most respected people

2807

01:53:41,189 --> 01:53:39,760

with him and that's the difference if

2808

01:53:42,470 --> 01:53:41,199

you're going to spend your money if

2809

01:53:44,950 --> 01:53:42,480

you're going to

2810

01:53:46,070 --> 01:53:44,960

take the time especially because time is

2811

01:53:48,070 --> 01:53:46,080

our most

2812

01:53:50,149 --> 01:53:48,080

valuable resource but if you're going to

2813

01:53:51,910 --> 01:53:50,159

take some time and really look into

2814

01:53:53,830 --> 01:53:51,920

these things that you're interested in

2815

01:53:55,830 --> 01:53:53,840

if you're listening to this show you're

2816

01:53:59,030 --> 01:53:55,840

probably interested in the paranormal or

2817

01:54:01,270 --> 01:53:59,040

ufos or aliens or that kind of stuff

2818

01:54:02,870 --> 01:54:01,280

i have to say that

2819

01:54:05,830 --> 01:54:02,880

going and seeing

2820

01:54:09,109 --> 01:54:05,840

and experiencing a conference run by

2821

01:54:11,189 --> 01:54:09,119

john ventry is worlds and worlds above

2822

01:54:14,149 --> 01:54:11,199

anything else you're going to get

2823

01:54:16,790 --> 01:54:14,159

and it's such a great value it's it's

2824

01:54:18,950 --> 01:54:16,800

very inexpensive to go to one of these

2825

01:54:20,950 --> 01:54:18,960

things that john runs he wants to make

2826

01:54:24,550 --> 01:54:20,960

it accessible to everyone because he

2827

01:54:26,790 --> 01:54:24,560

cares that people learn this information

2828

01:54:28,950 --> 01:54:26,800

and what a great guy john is for doing

2829

01:54:31,430 --> 01:54:28,960

that i want to congratulate him on these

2830

01:54:33,030 --> 01:54:31,440

conferences that he's been running

2831

01:54:34,950 --> 01:54:33,040

and i'm gonna

2832

01:54:36,709 --> 01:54:34,960

definitely be at the philadelphia one

2833

01:54:38,629 --> 01:54:36,719

because that's right in my hometown and

2834

01:54:40,390 --> 01:54:38,639

i'm really really hoping

2835

01:54:42,790 --> 01:54:40,400

because i got two kids and a lot of

2836

01:54:45,430 --> 01:54:42,800

responsibilities to get it

2837

01:54:47,109 --> 01:54:45,440

uh to get the free time to go to the one

2838

01:54:50,470 --> 01:54:47,119

in pittsburgh because i'd really like to

2839

01:54:51,990 --> 01:54:50,480

hear stan friedman speak in person

2840

01:54:54,470 --> 01:54:52,000

and he's got him

2841

01:54:56,709 --> 01:54:54,480

the godfather of ufology i mean what

2842

01:54:58,629 --> 01:54:56,719

gets better than that

2843

01:55:00,470 --> 01:54:58,639

this is one of the best

2844

01:55:03,430 --> 01:55:00,480

people you could ever hear talk about

2845

01:55:06,149 --> 01:55:03,440

the subject of ufos in stan freeman and

2846

01:55:07,270 --> 01:55:06,159

john venturi's got him on his pittsburgh

2847

01:55:09,910 --> 01:55:07,280

conference

2848

01:55:12,790 --> 01:55:09,920

what a great opportunity to hear

2849

01:55:14,550 --> 01:55:12,800

and learn and experience

2850

01:55:15,589 --> 01:55:14,560

some of this information that's out

2851  
01:55:17,510 --> 01:55:15,599  
there

2852  
01:55:19,270 --> 01:55:17,520  
it's very important that you avail

2853  
01:55:21,270 --> 01:55:19,280  
yourself of all the information that's

2854  
01:55:23,910 --> 01:55:21,280  
out there most importantly

2855  
01:55:25,430 --> 01:55:23,920  
is my show which i really started

2856  
01:55:27,830 --> 01:55:25,440  
because i wanted people to get some

2857  
01:55:30,470 --> 01:55:27,840  
information on this kind of stuff

2858  
01:55:32,870 --> 01:55:30,480  
and get fully informed

2859  
01:55:34,550 --> 01:55:32,880  
and i have to say that uh this has been

2860  
01:55:36,790 --> 01:55:34,560  
quite an adventure

2861  
01:55:38,790 --> 01:55:36,800  
but it's also been

2862  
01:55:41,270 --> 01:55:38,800  
quite a disappointment because i started

2863  
01:55:43,750 --> 01:55:41,280

this show because i started you know

2864

01:55:45,990 --> 01:55:43,760

honestly i i started the show because i

2865

01:55:47,669 --> 01:55:46,000

built a recording studio my home and i

2866

01:55:50,470 --> 01:55:47,679

thought would it be great if i could do

2867

01:55:53,830 --> 01:55:50,480

this radio show for my home

2868

01:55:57,189 --> 01:55:53,840

and i tried everything after doing some

2869

01:56:00,629 --> 01:55:57,199

let's say demos of my show here

2870

01:56:03,109 --> 01:56:00,639

and we got very little response from all

2871

01:56:04,390 --> 01:56:03,119

these paranormal radio network people

2872

01:56:06,709 --> 01:56:04,400

and all these

2873

01:56:09,350 --> 01:56:06,719

established people

2874

01:56:12,149 --> 01:56:09,360

you know internet paranormal podcast

2875

01:56:13,669 --> 01:56:12,159

networks and all this other stuff

2876  
01:56:15,990 --> 01:56:13,679  
you know i really thought we were going

2877  
01:56:18,229 --> 01:56:16,000  
to easily get on some of these networks

2878  
01:56:21,109 --> 01:56:18,239  
and we got on none of them

2879  
01:56:22,950 --> 01:56:21,119  
and i got a great deal of resistance

2880  
01:56:24,310 --> 01:56:22,960  
but then i look at the ratings and the

2881  
01:56:27,189 --> 01:56:24,320  
viewership

2882  
01:56:29,030 --> 01:56:27,199  
and the top guys on all of those

2883  
01:56:29,910 --> 01:56:29,040  
radio networks that i was trying to get

2884  
01:56:30,790 --> 01:56:29,920  
on

2885  
01:56:32,629 --> 01:56:30,800  
are

2886  
01:56:35,430 --> 01:56:32,639  
well under us

2887  
01:56:38,310 --> 01:56:35,440  
in fact we blow them away

2888  
01:56:40,149 --> 01:56:38,320

with 10 times more views so i just don't

2889

01:56:42,709 --> 01:56:40,159

get it

2890

01:56:44,470 --> 01:56:42,719

you know i'm a little disappointed but i

2891

01:56:46,790 --> 01:56:44,480

am determined to keep going because i

2892

01:56:48,390 --> 01:56:46,800

think this is something worth doing and

2893

01:56:51,109 --> 01:56:48,400

i guess i'd just like to know from those

2894

01:56:55,109 --> 01:56:51,119

people running these radio networks and

2895

01:56:57,990 --> 01:56:55,119

internet paranormal show networks like

2896

01:57:01,189 --> 01:56:58,000

i'm getting 10 times more views

2897

01:57:03,189 --> 01:57:01,199

and ratings than your top guys why am i

2898

01:57:04,149 --> 01:57:03,199

not welcome there

2899

01:57:06,550 --> 01:57:04,159

but

2900

01:57:08,550 --> 01:57:06,560

i have to say that i'm very committed to

2901  
01:57:10,790 --> 01:57:08,560  
continuing regardless of the lack of

2902  
01:57:12,550 --> 01:57:10,800  
support we've gotten from that so-called

2903  
01:57:15,589 --> 01:57:12,560  
community because

2904  
01:57:17,589 --> 01:57:15,599  
i i get emails every day and and the

2905  
01:57:20,709 --> 01:57:17,599  
listeners to

2906  
01:57:22,870 --> 01:57:20,719  
us being an independent entity have been

2907  
01:57:26,390 --> 01:57:22,880  
amazing so i'm going to keep going with

2908  
01:57:28,310 --> 01:57:26,400  
this because i believe in it and

2909  
01:57:30,310 --> 01:57:28,320  
we're just going to keep going we've got

2910  
01:57:32,709 --> 01:57:30,320  
some incredible new shows we've got one

2911  
01:57:34,950 --> 01:57:32,719  
on bigfoot we've got one on

2912  
01:57:37,669 --> 01:57:34,960  
uh psychic phenomenon and most

2913  
01:57:38,910 --> 01:57:37,679

importantly our season finale is on

2914

01:57:40,310 --> 01:57:38,920

finally debunking

2915

01:57:43,270 --> 01:57:40,320

[Music]

2916

01:57:46,790 --> 01:57:43,280

the alien interview

2917

01:57:50,830 --> 01:57:46,800

that dvd that special that tv special on

2918

01:57:54,070 --> 01:57:50,840

fox from the 1990s we have conclusively

2919

01:57:56,310 --> 01:57:54,080

proved or will prove that it was a hoax

2920

01:57:58,709 --> 01:57:56,320

no one else on any of these paranormal

2921

01:58:01,510 --> 01:57:58,719

shows is doing that

2922

01:58:02,870 --> 01:58:01,520

and i'm so proud because for our mystery

2923

01:58:05,589 --> 01:58:02,880

man show

2924

01:58:07,109 --> 01:58:05,599

season finale we're gonna blow the doors

2925

01:58:10,149 --> 01:58:07,119

off of that thing

2926

01:58:11,589 --> 01:58:10,159

for 25 plus years everybody in the ufo

2927

01:58:14,629 --> 01:58:11,599

community has

2928

01:58:17,910 --> 01:58:14,639

debated whether this was real or a hoax

2929

01:58:19,990 --> 01:58:17,920

or whether it was just a made-up event

2930

01:58:23,189 --> 01:58:20,000

we're going to bring you the truth

2931

01:58:25,589 --> 01:58:23,199

nobody for 25 plus years has been able

2932

01:58:28,229 --> 01:58:25,599

to do that conclusively

2933

01:58:30,149 --> 01:58:28,239

and we are gonna do it

2934

01:58:31,510 --> 01:58:30,159

so i would encourage you to keep

2935

01:58:33,990 --> 01:58:31,520

supporting us

2936

01:58:36,629 --> 01:58:34,000

share us on facebook share us on twitter

2937

01:58:39,030 --> 01:58:36,639

help us get more viewers i want to thank

2938

01:58:41,830 --> 01:58:39,040

you so much for joining us tonight and

2939

01:58:44,149 --> 01:58:41,840

remind you that the truth is always out

2940

01:58:45,430 --> 01:58:44,159

there you just have to know where to

2941

01:58:47,270 --> 01:58:45,440

look for it

2942

01:58:50,130 --> 01:58:47,280

thank you for joining us

2943

01:58:50,140 --> 01:59:17,510

[Music]

2944

01:59:17,520 --> 01:59:23,080

so

2945

01:59:35,450 --> 01:59:33,730

[Music]

2946

01:59:42,300 --> 01:59:35,460

[Applause]

2947

01:59:45,190 --> 01:59:42,310

[Music]
