

THE UFO REPORT WITH

**ERICA
WILKES**

Truth Seekers

1
00:02:43,990 --> 00:00:15,870

[Music]

2
00:02:47,110 --> 00:02:44,000

greetings and salutations friends and

3
00:02:49,589 --> 00:02:47,120

welcome back to truth seekers i am your

4
00:02:50,470 --> 00:02:49,599

host as always stephen campion bringing

5
00:02:52,790 --> 00:02:50,480

you

6
00:02:55,430 --> 00:02:52,800

uh some of the strangest mysteries on

7
00:02:58,070 --> 00:02:55,440

the internet and uh you all know we do

8
00:03:00,630 --> 00:02:58,080

this a lot we cover the ufo topic

9
00:03:02,790 --> 00:03:00,640

uh honestly i'm not sure how much longer

10
00:03:05,110 --> 00:03:02,800

i'm gonna keep covering the ufo topic

11
00:03:07,190 --> 00:03:05,120

considering how it's kind of imploding

12
00:03:07,990 --> 00:03:07,200

in on itself lately

13
00:03:11,270 --> 00:03:08,000

um

14

00:03:13,190 --> 00:03:11,280

but i wanted a chance to talk to

15

00:03:15,350 --> 00:03:13,200

some people and continue these ufo

16

00:03:16,710 --> 00:03:15,360

reports and maybe bring in a different

17

00:03:19,190 --> 00:03:16,720

perspective

18

00:03:22,149 --> 00:03:19,200

and certainly maybe some with much more

19

00:03:25,350 --> 00:03:22,159

experience into investigating and

20

00:03:26,869 --> 00:03:25,360

researching this phenomenon than me

21

00:03:28,949 --> 00:03:26,879

so

22

00:03:29,830 --> 00:03:28,959

we're going to continue to do that

23

00:03:31,589 --> 00:03:29,840

uh

24

00:03:33,750 --> 00:03:31,599

i have been pleased and delighted to

25

00:03:35,910 --> 00:03:33,760

have some of the best guests

26
00:03:37,509 --> 00:03:35,920
and people that you know i make lists of

27
00:03:39,190 --> 00:03:37,519
people that i would really like to talk

28
00:03:41,430 --> 00:03:39,200
to and tonight's guest

29
00:03:44,309 --> 00:03:41,440
is has been on my list for quite some

30
00:03:46,630 --> 00:03:44,319
time she has a very no-nonsense approach

31
00:03:49,110 --> 00:03:46,640
and is willing to go after the truth

32
00:03:51,509 --> 00:03:49,120
even if it's an ugly one

33
00:03:53,670 --> 00:03:51,519
so without further ado tonight uh

34
00:03:56,229 --> 00:03:53,680
welcome to the ufo report we'll bring in

35
00:03:58,789 --> 00:03:56,239
our special guests here from ufos

36
00:04:00,789 --> 00:03:58,799
declassified erica lukes

37
00:04:01,750 --> 00:04:00,799
hello and finally we actually get to

38
00:04:04,630 --> 00:04:01,760

talk

39

00:04:06,630 --> 00:04:04,640

on camera it's a miracle i know it's

40

00:04:07,910 --> 00:04:06,640

like a fun video chat but i'm going to

41

00:04:11,190 --> 00:04:07,920

share it with the world because i'm

42

00:04:12,710 --> 00:04:11,200

selfish and stupid like that

43

00:04:14,070 --> 00:04:12,720

i do this all the time some of my

44

00:04:15,990 --> 00:04:14,080

friends are like can't we just talk on

45

00:04:17,430 --> 00:04:16,000

the phone and i'm like no whatever we're

46

00:04:19,749 --> 00:04:17,440

going to talk about other people are

47

00:04:21,909 --> 00:04:19,759

going to want to hear this you know what

48

00:04:24,070 --> 00:04:21,919

it's true and i mean and you and i have

49

00:04:25,909 --> 00:04:24,080

had great conversations you know off the

50

00:04:28,390 --> 00:04:25,919

air and and things and i've followed

51
00:04:29,830 --> 00:04:28,400
your work and i i love your sense of

52
00:04:32,550 --> 00:04:29,840
humor and the way

53
00:04:33,830 --> 00:04:32,560
you know you you call people on on on

54
00:04:35,670 --> 00:04:33,840
their nonsense

55
00:04:37,510 --> 00:04:35,680
you know which i think is important you

56
00:04:39,510 --> 00:04:37,520
know i love well you're doing your fair

57
00:04:41,990 --> 00:04:39,520
share of that lately and i noticed that

58
00:04:44,550 --> 00:04:42,000
i think you're doing more of it lately i

59
00:04:46,550 --> 00:04:44,560
think than you have in the in the past

60
00:04:49,830 --> 00:04:46,560
you know and your coverage has sort of

61
00:04:51,510 --> 00:04:49,840
gone a similar art to me i think because

62
00:04:54,070 --> 00:04:51,520
we're playing these midnight irish show

63
00:04:56,469 --> 00:04:54,080

replays which are from six years ago

64

00:04:58,070 --> 00:04:56,479

and when i hear the difference in my

65

00:05:01,029 --> 00:04:58,080

level of belief

66

00:05:04,070 --> 00:05:01,039

of some of these topics and cases and

67

00:05:06,550 --> 00:05:04,080

things versus now i'm a little shocked

68

00:05:08,230 --> 00:05:06,560

that i i've gone that far

69

00:05:10,310 --> 00:05:08,240

you know people people beat me up like

70

00:05:12,870 --> 00:05:10,320

oh he's a heartless skeptic i didn't

71

00:05:14,469 --> 00:05:12,880

start out that way you know well that's

72

00:05:16,230 --> 00:05:14,479

the funny thing i mean it's like and i

73

00:05:17,830 --> 00:05:16,240

in fact i was talking to somebody who's

74

00:05:19,909 --> 00:05:17,840

just started to follow my work and he's

75

00:05:22,710 --> 00:05:19,919

like well you had your show and you were

76

00:05:25,510 --> 00:05:22,720

on with a bunch of skeptics just like

77

00:05:27,270 --> 00:05:25,520

no those are actually realists they're

78

00:05:29,749 --> 00:05:27,280

people that you know

79

00:05:31,590 --> 00:05:29,759

have have looked into this for so long

80

00:05:34,629 --> 00:05:31,600

that they realize there's a lot of you

81

00:05:36,870 --> 00:05:34,639

know 99 of its absolute garbage and and

82

00:05:38,710 --> 00:05:36,880

i hate to say that and yeah we have been

83

00:05:41,270 --> 00:05:38,720

on a similar path

84

00:05:43,029 --> 00:05:41,280

and discovery process and i think it's

85

00:05:45,749 --> 00:05:43,039

it's you know i'm grateful that i've

86

00:05:48,070 --> 00:05:45,759

been able to do that and to have

87

00:05:50,950 --> 00:05:48,080

the people behind the scenes helping me

88

00:05:52,710 --> 00:05:50,960

with the historical kind of uh

89

00:05:54,070 --> 00:05:52,720

aspect of things because and you've got

90

00:05:55,510 --> 00:05:54,080

scott brown

91

00:05:57,670 --> 00:05:55,520

and i love scott and i've gotta yeah he

92

00:06:00,469 --> 00:05:57,680

is amazing shout out to scott scott a

93

00:06:02,790 --> 00:06:00,479

great researcher and he is uh

94

00:06:04,710 --> 00:06:02,800

he is very tenacious when he starts

95

00:06:06,309 --> 00:06:04,720

digging into a subject and i love and

96

00:06:08,309 --> 00:06:06,319

respect that

97

00:06:10,309 --> 00:06:08,319

and i love and respect scott he's you

98

00:06:12,309 --> 00:06:10,319

guys make a good team thank you thank

99

00:06:14,469 --> 00:06:12,319

you even though i thought he took my job

100

00:06:16,629 --> 00:06:14,479

i was like i should have got that gig

101
00:06:18,390 --> 00:06:16,639
who's this scott britt when you did that

102
00:06:21,029 --> 00:06:18,400
i mean you're used to scott brown you

103
00:06:23,029 --> 00:06:21,039
can film be my gig exactly you could

104
00:06:24,950 --> 00:06:23,039
feel i mean he's he's pretty wonderful

105
00:06:27,510 --> 00:06:24,960
you know i think between him uh scott

106
00:06:29,270 --> 00:06:27,520
and mario who i both met in the field

107
00:06:31,749 --> 00:06:29,280
and things that have been a couple of my

108
00:06:33,189 --> 00:06:31,759
really closest allies and that's that's

109
00:06:34,469 --> 00:06:33,199
an important thing when you're in a

110
00:06:35,909 --> 00:06:34,479
field as you know

111
00:06:37,189 --> 00:06:35,919
where you have people that are

112
00:06:39,670 --> 00:06:37,199
constantly

113
00:06:41,749 --> 00:06:39,680

you know um trying to degrade you you've

114

00:06:42,629 --> 00:06:41,759

got the online trolls you've got people

115

00:06:45,189 --> 00:06:42,639

that are

116

00:06:47,510 --> 00:06:45,199

you know i mean this is a hard hard area

117

00:06:48,390 --> 00:06:47,520

to be in and i think a lot of people

118

00:06:50,870 --> 00:06:48,400

don't

119

00:06:53,110 --> 00:06:50,880

understand that but they quickly

120

00:06:54,629 --> 00:06:53,120

get their backsides handed to them and

121

00:06:57,029 --> 00:06:54,639

figure it out and they either can deal

122

00:06:58,790 --> 00:06:57,039

with it or not and it's yeah i've seen a

123

00:07:01,350 --> 00:06:58,800

lot of i've seen a lot of people start a

124

00:07:03,990 --> 00:07:01,360

ufo podcast in the past five years and

125

00:07:05,589 --> 00:07:04,000

almost none of them are still here

126

00:07:07,749 --> 00:07:05,599

you know what i mean like it seems like

127

00:07:09,110 --> 00:07:07,759

that the subjects got hugely popular and

128

00:07:10,870 --> 00:07:09,120

a lot of people said you know i'm really

129

00:07:13,110 --> 00:07:10,880

into this i'm gonna do a podcast and

130

00:07:16,469 --> 00:07:13,120

then a year later they're like i had

131

00:07:18,309 --> 00:07:16,479

enough this is crazy yeah and that's sad

132

00:07:21,270 --> 00:07:18,319

because it should be you know it should

133

00:07:23,189 --> 00:07:21,280

be a fun there should be some fun to it

134

00:07:26,309 --> 00:07:23,199

i'm trying to keep it fun that's why no

135

00:07:29,749 --> 00:07:27,110

lord

136

00:07:31,990 --> 00:07:29,759

let's have yeah let's have like a fun

137

00:07:33,430 --> 00:07:32,000

one and not so see and sometimes i get a

138

00:07:35,430 --> 00:07:33,440

little too serious

139

00:07:37,350 --> 00:07:35,440

when i'm just hammering away on fake

140

00:07:38,710 --> 00:07:37,360

things constantly i go you know i have

141

00:07:40,710 --> 00:07:38,720

to remind myself there's still good

142

00:07:43,350 --> 00:07:40,720

researchers out there and there's still

143

00:07:45,110 --> 00:07:43,360

people that are you know

144

00:07:47,029 --> 00:07:45,120

enough interested in this to care about

145

00:07:49,670 --> 00:07:47,039

the truth and not you know fairy tale

146

00:07:51,589 --> 00:07:49,680

stories but i wanted to ask you

147

00:07:53,350 --> 00:07:51,599

because i've never heard why

148

00:07:55,430 --> 00:07:53,360

you you seem

149

00:07:56,469 --> 00:07:55,440

similarly obsessed with this topic that

150

00:07:58,550 --> 00:07:56,479

i am

151

00:08:01,510 --> 00:07:58,560

what is it that got you so interested

152

00:08:03,110 --> 00:08:01,520

and started down this rabbit hole

153

00:08:05,029 --> 00:08:03,120

well you know i've been a nerd my whole

154

00:08:07,830 --> 00:08:05,039

life and i

155

00:08:09,430 --> 00:08:07,840

nerd flag you know proudly and so i

156

00:08:11,589 --> 00:08:09,440

remember being i have a hard time

157

00:08:13,430 --> 00:08:11,599

believing that no you look more like you

158

00:08:15,510 --> 00:08:13,440

were the cheerleader girl

159

00:08:16,950 --> 00:08:15,520

or something then this is a funny story

160

00:08:18,869 --> 00:08:16,960

my grandmother

161

00:08:20,710 --> 00:08:18,879

sixth grade halloween dressed me as a

162

00:08:23,830 --> 00:08:20,720

gnome and i was a foot taller than any

163

00:08:26,150 --> 00:08:23,840

of the girls with glasses and braces and

164

00:08:27,350 --> 00:08:26,160

my meanjo green you know jersey on i

165

00:08:29,990 --> 00:08:27,360

mean i was

166

00:08:32,149 --> 00:08:30,000

you know like gigantic

167

00:08:33,589 --> 00:08:32,159

things oh my gosh i'll find it remember

168

00:08:35,829 --> 00:08:33,599

well she passed away but i know that

169

00:08:37,990 --> 00:08:35,839

she's oh sorry you know that she was

170

00:08:39,430 --> 00:08:38,000

probably laughing hysterically you know

171

00:08:41,110 --> 00:08:39,440

when i'm standing there posing as a

172

00:08:43,750 --> 00:08:41,120

garden gnome and

173

00:08:45,030 --> 00:08:43,760

and you know things and i'm i'm with the

174

00:08:47,990 --> 00:08:45,040

all the girls dressed as cute

175

00:08:49,829 --> 00:08:48,000

cheerleaders and i'm this awkward oaf

176

00:08:51,829 --> 00:08:49,839

you know it was like i was just that's

177

00:08:53,590 --> 00:08:51,839

that was me i was the girl back in in

178

00:08:55,269 --> 00:08:53,600

grade school where i'm like okay meet me

179

00:08:56,949 --> 00:08:55,279

out on the track after school and i'm

180

00:08:59,670 --> 00:08:56,959

going to kick your butt

181

00:09:02,310 --> 00:08:59,680

and when i had my vans on and my you

182

00:09:04,550 --> 00:09:02,320

know 501s with the split up the side and

183

00:09:06,630 --> 00:09:04,560

i would so ufos just became an extension

184

00:09:08,470 --> 00:09:06,640

of your nerdy and geeky other interests

185

00:09:10,790 --> 00:09:08,480

like maybe science fiction and some

186

00:09:12,070 --> 00:09:10,800

other stuff you were into yep so i you

187

00:09:13,670 --> 00:09:12,080

know i mean i picked up a book off the

188

00:09:15,910 --> 00:09:13,680

grade school off the shelf in the grade

189

00:09:17,509 --> 00:09:15,920

school library and it was dale white

190

00:09:19,990 --> 00:09:17,519

you know is there something up there and

191

00:09:22,389 --> 00:09:20,000

i just looked at this you know cover and

192

00:09:24,150 --> 00:09:22,399

i'm like you know whoa what is this and

193

00:09:26,630 --> 00:09:24,160

it was you know and then and then it was

194

00:09:28,949 --> 00:09:26,640

a you know book about bigfoot or a book

195

00:09:30,470 --> 00:09:28,959

about ghosts and and i always was

196

00:09:32,710 --> 00:09:30,480

fascinated by

197

00:09:35,750 --> 00:09:32,720

by the unknown by that you know part of

198

00:09:37,750 --> 00:09:35,760

us and battlestar galactica and

199

00:09:39,350 --> 00:09:37,760

obviously

200

00:09:41,910 --> 00:09:39,360

not that i'm showing my age at all but i

201
00:09:44,070 --> 00:09:41,920
mean it's just like some of these um

202
00:09:45,829 --> 00:09:44,080
some of these shows and then the x-files

203
00:09:47,829 --> 00:09:45,839
and and things and so it was always

204
00:09:50,949 --> 00:09:47,839
really fascinating for me and i love

205
00:09:53,670 --> 00:09:50,959
that that aspect of exploring mysteries

206
00:09:55,990 --> 00:09:53,680
and understanding that we're not ex

207
00:09:57,670 --> 00:09:56,000
we're not we don't know everything

208
00:10:00,310 --> 00:09:57,680
you know there are things that are

209
00:10:02,790 --> 00:10:00,320
learning about you know our reality

210
00:10:04,389 --> 00:10:02,800
about our planet about the solar system

211
00:10:06,470 --> 00:10:04,399
i mean we will always be making

212
00:10:08,150 --> 00:10:06,480
discoveries and so i can't

213
00:10:09,990 --> 00:10:08,160

sit here and tell anybody that this is

214

00:10:12,550 --> 00:10:10,000

where it begins and ends

215

00:10:15,190 --> 00:10:12,560

there's a mystery out there or right

216

00:10:16,470 --> 00:10:15,200

here that we agree on you know and so

217

00:10:19,110 --> 00:10:16,480

and how do we

218

00:10:20,389 --> 00:10:19,120

how do we get to how do we

219

00:10:22,310 --> 00:10:20,399

you know especially now that you and i

220

00:10:24,230 --> 00:10:22,320

have been we've kind of jumped down a

221

00:10:25,430 --> 00:10:24,240

couple rabbit holes how do we get

222

00:10:27,030 --> 00:10:25,440

through that

223

00:10:29,590 --> 00:10:27,040

and try to find

224

00:10:31,670 --> 00:10:29,600

the truth instead of jumping on the

225

00:10:33,030 --> 00:10:31,680

bandwagon with people that have inserted

226

00:10:34,870 --> 00:10:33,040

narratives

227

00:10:38,150 --> 00:10:34,880

into the the subject so they can make

228

00:10:40,870 --> 00:10:38,160

money and and no money's a big thing we

229

00:10:42,630 --> 00:10:40,880

got to get them ufo dollars and you and

230

00:10:44,069 --> 00:10:42,640

i are you know what i've been thinking

231

00:10:46,949 --> 00:10:44,079

about lately i've been thinking that

232

00:10:49,269 --> 00:10:46,959

some things just aren't fair because it

233

00:10:51,350 --> 00:10:49,279

seems like that there's some there

234

00:10:53,910 --> 00:10:51,360

should be two classifications of people

235

00:10:55,190 --> 00:10:53,920

that are uf so-called ufo researchers or

236

00:10:56,630 --> 00:10:55,200

authors lectures whatever you want to

237

00:10:58,470 --> 00:10:56,640

call ufo people there should be

238

00:10:59,990 --> 00:10:58,480

classifications because

239

00:11:03,350 --> 00:11:00,000

there are some people that are willing

240

00:11:06,150 --> 00:11:03,360

to just use fake sources dead sources

241

00:11:08,470 --> 00:11:06,160

child molester sources murderer sources

242

00:11:11,030 --> 00:11:08,480

for alien stories right and they get

243

00:11:12,949 --> 00:11:11,040

huge numbers make lots more money than

244

00:11:15,110 --> 00:11:12,959

someone like you or i because we have

245

00:11:17,269 --> 00:11:15,120

this particular handicap like we're not

246

00:11:19,750 --> 00:11:17,279

willing to go to do that

247

00:11:22,230 --> 00:11:19,760

you know but at some point you you had

248

00:11:23,990 --> 00:11:22,240

it go from just reading these things and

249

00:11:25,750 --> 00:11:24,000

researching these things to injecting

250

00:11:28,550 --> 00:11:25,760

yourself and becoming more part of the

251
00:11:31,350 --> 00:11:28,560
story how did that begin you know what i

252
00:11:32,870 --> 00:11:31,360
i did i um and i just want to say that

253
00:11:34,310 --> 00:11:32,880
hello to everybody in the chat room i

254
00:11:36,949 --> 00:11:34,320
mean i you've got a great group of

255
00:11:39,590 --> 00:11:36,959
people here so it's really fun to see

256
00:11:41,590 --> 00:11:39,600
yes and i wanted to mention that i i

257
00:11:43,910 --> 00:11:41,600
screwed up and i spelled her name with k

258
00:11:45,990 --> 00:11:43,920
we fixed it i apologize names are

259
00:11:48,389 --> 00:11:46,000
important i don't know why but to me in

260
00:11:50,230 --> 00:11:48,399
my brain you were erica with a k

261
00:11:52,870 --> 00:11:50,240
because that's more exotic or something

262
00:11:54,949 --> 00:11:52,880
i don't know okay

263
00:11:57,110 --> 00:11:54,959

but no we fixed it though thank you no

264

00:11:58,949 --> 00:11:57,120

that i appreciate that and um you know i

265

00:12:00,069 --> 00:11:58,959

i i did go

266

00:12:01,509 --> 00:12:00,079

i mean i

267

00:12:03,269 --> 00:12:01,519

i used to love i mean there was a period

268

00:12:06,470 --> 00:12:03,279

of time when i loved you know the

269

00:12:08,629 --> 00:12:06,480

paranormal i mean i was i went i went to

270

00:12:10,790 --> 00:12:08,639

the whaley house you know 15 years ago

271

00:12:12,389 --> 00:12:10,800

when i rented the whole thing

272

00:12:13,430 --> 00:12:12,399

and oh that's amazing a group of my

273

00:12:15,030 --> 00:12:13,440

friends this is when they were still

274

00:12:17,110 --> 00:12:15,040

doing this took a group of my friends

275

00:12:18,870 --> 00:12:17,120

and and the tour guide locked us in

276

00:12:21,590 --> 00:12:18,880

there and said good luck turned off the

277

00:12:23,990 --> 00:12:21,600

lights and i mean we just had

278

00:12:25,910 --> 00:12:24,000

and so i love you know i love and i went

279

00:12:28,870 --> 00:12:25,920

over to ireland i had to go over there

280

00:12:30,550 --> 00:12:28,880

for some business to england and then i

281

00:12:32,790 --> 00:12:30,560

went to ireland with my girlfriends and

282

00:12:34,310 --> 00:12:32,800

we stayed in all the haunted castles

283

00:12:36,949 --> 00:12:34,320

down the middle of ireland and so we

284

00:12:39,670 --> 00:12:36,959

were in leb castle we were in kennedy

285

00:12:41,990 --> 00:12:39,680

castle and i was oh that's cool

286

00:12:44,069 --> 00:12:42,000

gosh it was so much fun just to hear

287

00:12:45,910 --> 00:12:44,079

hear the stories but then to hear

288

00:12:47,590 --> 00:12:45,920

you know well we actually did this for

289

00:12:49,030 --> 00:12:47,600

tourism

290

00:12:50,949 --> 00:12:49,040

you know

291

00:12:52,710 --> 00:12:50,959

to get people to stay at the hotel so we

292

00:12:55,190 --> 00:12:52,720

just made all this stuff up about the

293

00:12:56,790 --> 00:12:55,200

ghosts so people will come and stay here

294

00:12:57,910 --> 00:12:56,800

that's what some of them are it was

295

00:12:59,590 --> 00:12:57,920

pretty funny but he was but he was

296

00:13:01,670 --> 00:12:59,600

honest a different i mean so i

297

00:13:04,310 --> 00:13:01,680

appreciated that but i mean i i thought

298

00:13:06,190 --> 00:13:04,320

that was a fun fascinating thing and

299

00:13:10,470 --> 00:13:06,200

then i um in

300

00:13:11,910 --> 00:13:10,480

2013 i had a series of of

301
00:13:14,150 --> 00:13:11,920
strange sightings over the salt lake

302
00:13:17,110 --> 00:13:14,160
valley and and i wanted to know what

303
00:13:19,110 --> 00:13:17,120
that was about and so i became

304
00:13:20,790 --> 00:13:19,120
active and mufon

305
00:13:23,590 --> 00:13:20,800
and then i became the state director for

306
00:13:24,870 --> 00:13:23,600
mufon and then

307
00:13:28,310 --> 00:13:24,880
you know what

308
00:13:30,150 --> 00:13:28,320
hey i have repented and and done all

309
00:13:32,790 --> 00:13:30,160
that i could do but i mean i began very

310
00:13:33,670 --> 00:13:32,800
quickly noticing in mufon you know first

311
00:13:35,430 --> 00:13:33,680
of all

312
00:13:38,550 --> 00:13:35,440
in utah there was

313
00:13:40,629 --> 00:13:38,560

a lack of of data which i found very

314

00:13:42,629 --> 00:13:40,639

interesting and elaine douglas who was

315

00:13:44,710 --> 00:13:42,639

the state director before

316

00:13:45,910 --> 00:13:44,720

i became state director she passed away

317

00:13:48,310 --> 00:13:45,920

but she had

318

00:13:51,670 --> 00:13:48,320

experienced some things she she felt

319

00:13:54,230 --> 00:13:51,680

like that she was being monitored

320

00:13:55,670 --> 00:13:54,240

she was also doing a lot of digging into

321

00:13:58,550 --> 00:13:55,680

robert bigelow

322

00:14:00,069 --> 00:13:58,560

and digging into mufon's connection with

323

00:14:01,189 --> 00:14:00,079

bigelow

324

00:14:02,870 --> 00:14:01,199

and

325

00:14:04,389 --> 00:14:02,880

that was a very interesting thing so i

326

00:14:06,710 --> 00:14:04,399

took over for her and i noticed that

327

00:14:09,110 --> 00:14:06,720

there were cases that were missing

328

00:14:11,430 --> 00:14:09,120

um cases had been changed

329

00:14:13,829 --> 00:14:11,440

um i wasn't being told you know if i

330

00:14:15,910 --> 00:14:13,839

would ask jan harzan okay what have you

331

00:14:19,189 --> 00:14:15,920

done after 50 years with all the data

332

00:14:21,110 --> 00:14:19,199

where is it what have you guys done

333

00:14:22,949 --> 00:14:21,120

well i mean it was nothing

334

00:14:25,750 --> 00:14:22,959

you know i mean yeah and i've heard

335

00:14:27,430 --> 00:14:25,760

varying reports of like somebody got

336

00:14:28,870 --> 00:14:27,440

metal samples or something like that and

337

00:14:31,189 --> 00:14:28,880

they didn't even care

338

00:14:32,870 --> 00:14:31,199

and and uh he wanted them to do like

339

00:14:35,350 --> 00:14:32,880

some kind of scientific analysis on the

340

00:14:36,470 --> 00:14:35,360

metal samples his name escapes me and i

341

00:14:38,710 --> 00:14:36,480

apologize

342

00:14:40,550 --> 00:14:38,720

but it just seems so ridiculous and

343

00:14:42,470 --> 00:14:40,560

funny to me that some organization that

344

00:14:44,790 --> 00:14:42,480

wants to get to the truth behind the

345

00:14:46,870 --> 00:14:44,800

mystery may have metal samples from one

346

00:14:49,269 --> 00:14:46,880

of the craft and nobody and this guy's

347

00:14:50,949 --> 00:14:49,279

like calling up the chain going

348

00:14:52,470 --> 00:14:50,959

what are we doing here

349

00:14:53,910 --> 00:14:52,480

let's get these metal samples and they

350

00:14:55,030 --> 00:14:53,920

didn't want to do it they did not want

351
00:14:57,110 --> 00:14:55,040
to pay

352
00:14:59,189 --> 00:14:57,120
to get the metal samples analyzed or

353
00:15:01,189 --> 00:14:59,199
find out what they were or proved that

354
00:15:03,670 --> 00:15:01,199
they were of earthly origin or not or

355
00:15:06,069 --> 00:15:03,680
any of that and it struck me as funny

356
00:15:09,829 --> 00:15:06,079
and then the later revelations about

357
00:15:11,910 --> 00:15:09,839
jan harzian being a creeper you know

358
00:15:13,670 --> 00:15:11,920
it you know it's just not it's just not

359
00:15:16,310 --> 00:15:13,680
good and then they replace they've

360
00:15:18,470 --> 00:15:16,320
george jan harzone gets arrested for

361
00:15:20,470 --> 00:15:18,480
attempting to solicit sex from what he

362
00:15:22,310 --> 00:15:20,480
thought was a 13 year old girl i don't

363
00:15:24,710 --> 00:15:22,320

know what's going on with the case but

364

00:15:27,189 --> 00:15:24,720

then after that they give the reins to a

365

00:15:28,629 --> 00:15:27,199

guy who runs sex tours in las vegas

366

00:15:31,670 --> 00:15:28,639

where you can go

367

00:15:33,910 --> 00:15:31,680

bang your girlfriend on his airplane

368

00:15:35,030 --> 00:15:33,920

well right am i right like that's the

369

00:15:37,269 --> 00:15:35,040

new guy

370

00:15:39,269 --> 00:15:37,279

you know the new old guy he's been there

371

00:15:41,749 --> 00:15:39,279

for quite some time and and i think you

372

00:15:44,389 --> 00:15:41,759

can find different articles about him

373

00:15:46,069 --> 00:15:44,399

which i think is is fascinating flamingo

374

00:15:48,069 --> 00:15:46,079

air is the organization

375

00:15:50,389 --> 00:15:48,079

his group and he there's one specific

376

00:15:51,509 --> 00:15:50,399

article i think from about five or six

377

00:15:52,790 --> 00:15:51,519

years ago

378

00:15:54,150 --> 00:15:52,800

it might have been in vice magazine

379

00:15:56,150 --> 00:15:54,160

where he was interviewed and he was

380

00:15:57,670 --> 00:15:56,160

saying that he's taking kids on their

381

00:16:00,150 --> 00:15:57,680

first rides

382

00:16:01,670 --> 00:16:00,160

uh where they're you know i mean saying

383

00:16:03,509 --> 00:16:01,680

some things about well you could bring

384

00:16:05,670 --> 00:16:03,519

up you know your animal you know

385

00:16:07,990 --> 00:16:05,680

whatever you do behind closed the closed

386

00:16:09,990 --> 00:16:08,000

curtain is up to you and it was you know

387

00:16:12,470 --> 00:16:10,000

you read some of those quotes that are

388

00:16:14,710 --> 00:16:12,480

out there and you think

389

00:16:16,389 --> 00:16:14,720

okay i certainly you know hopefully

390

00:16:19,110 --> 00:16:16,399

wouldn't be saying things like that in

391

00:16:20,550 --> 00:16:19,120

public and and you know why in the world

392

00:16:22,389 --> 00:16:20,560

when you had

393

00:16:25,269 --> 00:16:22,399

that the arrest of jan harzan and then

394

00:16:26,310 --> 00:16:25,279

the the that person who was chosen to

395

00:16:28,470 --> 00:16:26,320

replace

396

00:16:30,629 --> 00:16:28,480

him in the middle of a scandal

397

00:16:32,629 --> 00:16:30,639

uh there's a guy that's great yeah he

398

00:16:34,710 --> 00:16:32,639

had some connection to the sex industry

399

00:16:36,949 --> 00:16:34,720

which is fine look i'm fine with that

400

00:16:39,030 --> 00:16:36,959

but putting that guy in charge right

401
00:16:41,269 --> 00:16:39,040
after a sex scandal in your

402
00:16:41,990 --> 00:16:41,279
international organization

403
00:16:46,310 --> 00:16:42,000
is

404
00:16:48,150 --> 00:16:46,320
think but you know what i think the

405
00:16:50,389 --> 00:16:48,160
thing that's so crazy is it works

406
00:16:52,870 --> 00:16:50,399
because nobody said anything and the

407
00:16:55,110 --> 00:16:52,880
handful of people that have said things

408
00:16:57,269 --> 00:16:55,120
have been you know people that are not

409
00:16:59,189 --> 00:16:57,279
you know i mean

410
00:17:01,269 --> 00:16:59,199
like us that get harassed and bullied

411
00:17:02,949 --> 00:17:01,279
and you know whatever to all this crap

412
00:17:04,549 --> 00:17:02,959
and and so it's because we bother to

413
00:17:05,669 --> 00:17:04,559

talk about it i think it's an important

414

00:17:07,189 --> 00:17:05,679

issue though and it's something that

415

00:17:09,029 --> 00:17:07,199

should be discussed

416

00:17:11,350 --> 00:17:09,039

and another issue is

417

00:17:13,669 --> 00:17:11,360

where does all this money go you get you

418

00:17:15,350 --> 00:17:13,679

got paid to play in that and they take

419

00:17:17,189 --> 00:17:15,360

money from people they give you a little

420

00:17:19,510 --> 00:17:17,199

paper that says you're now a ufo

421

00:17:22,150 --> 00:17:19,520

investigator if you take a class with

422

00:17:24,870 --> 00:17:22,160

them and you know you pay your dues

423

00:17:27,750 --> 00:17:24,880

every year and like i i don't know what

424

00:17:29,110 --> 00:17:27,760

the where the money goes or you know

425

00:17:30,549 --> 00:17:29,120

you know i think it's interesting and i

426

00:17:32,070 --> 00:17:30,559

think that's one thing that they could

427

00:17:34,070 --> 00:17:32,080

have i mean there are a lot of you can

428

00:17:36,230 --> 00:17:34,080

hide a lot of things and that was

429

00:17:38,150 --> 00:17:36,240

another area that that elaine douglas

430

00:17:39,110 --> 00:17:38,160

was interested in because she felt that

431

00:17:41,750 --> 00:17:39,120

there was

432

00:17:42,710 --> 00:17:41,760

something going on with the financial

433

00:17:44,630 --> 00:17:42,720

aspect

434

00:17:46,310 --> 00:17:44,640

and and mufon might have been doing

435

00:17:48,310 --> 00:17:46,320

things that weren't up to snuff and

436

00:17:49,750 --> 00:17:48,320

those were her beliefs and feelings and

437

00:17:51,350 --> 00:17:49,760

interestingly enough i was supposed to

438

00:17:53,830 --> 00:17:51,360

inherit all of her

439

00:17:56,390 --> 00:17:53,840

archive all of her work and that was

440

00:17:59,029 --> 00:17:56,400

thwarted by jan harzan and another

441

00:18:00,789 --> 00:17:59,039

person who stepped in at the last minute

442

00:18:02,630 --> 00:18:00,799

and took all of all of

443

00:18:05,350 --> 00:18:02,640

her work and they're sitting in the

444

00:18:06,549 --> 00:18:05,360

basement god knows you know doing what

445

00:18:08,070 --> 00:18:06,559

um

446

00:18:09,750 --> 00:18:08,080

keeping people safe

447

00:18:11,750 --> 00:18:09,760

they're burning it that's what they're

448

00:18:14,630 --> 00:18:11,760

doing yeah i mean so it was just

449

00:18:17,270 --> 00:18:14,640

fascinating

450

00:18:18,870 --> 00:18:17,280

yeah who knows but i think that it it

451
00:18:20,110 --> 00:18:18,880
you know it's interesting you have you

452
00:18:22,950 --> 00:18:20,120
know these different there it's a

453
00:18:24,549 --> 00:18:22,960
non-profit i mean there it's you got

454
00:18:25,750 --> 00:18:24,559
you know the organization

455
00:18:27,750 --> 00:18:25,760
here and then you've got all these

456
00:18:29,909 --> 00:18:27,760
chapters that are supposed to be non

457
00:18:31,430 --> 00:18:29,919
nonprofits and they can do

458
00:18:33,590 --> 00:18:31,440
whatever they want there's really not a

459
00:18:35,350 --> 00:18:33,600
lot of people holding

460
00:18:37,590 --> 00:18:35,360
at the upper levels holding these

461
00:18:39,990 --> 00:18:37,600
chapters accountable or

462
00:18:42,710 --> 00:18:40,000
holding them to specific guidelines that

463
00:18:44,710 --> 00:18:42,720

if i had an organization i would be

464

00:18:47,190 --> 00:18:44,720

making sure that my organization and the

465

00:18:49,270 --> 00:18:47,200

people involved were were upholding

466

00:18:51,430 --> 00:18:49,280

certain ethical and and

467

00:18:52,789 --> 00:18:51,440

moral guidelines you know that's what

468

00:18:54,390 --> 00:18:52,799

you do for the integrity in a

469

00:18:56,630 --> 00:18:54,400

professional business world is what you

470

00:18:59,669 --> 00:18:56,640

do for the integrity of an organization

471

00:19:00,870 --> 00:18:59,679

i would not be supporting racists uh or

472

00:19:05,110 --> 00:19:00,880

people that

473

00:19:09,430 --> 00:19:07,830

things and that was another scandal that

474

00:19:11,190 --> 00:19:09,440

somebody had made

475

00:19:12,310 --> 00:19:11,200

i'm not gonna mention his name whatever

476

00:19:14,150 --> 00:19:12,320

you know

477

00:19:16,310 --> 00:19:14,160

i i i

478

00:19:18,789 --> 00:19:16,320

haven't spoken to him since that you

479

00:19:21,510 --> 00:19:18,799

know and uh that's another scandal i

480

00:19:23,590 --> 00:19:21,520

suppose so so but i guess after a while

481

00:19:25,110 --> 00:19:23,600

and move after being a part of mufon

482

00:19:27,110 --> 00:19:25,120

yourself you just said this isn't

483

00:19:29,909 --> 00:19:27,120

something i want to invest time or money

484

00:19:31,990 --> 00:19:29,919

in anymore you know what i was i had

485

00:19:33,510 --> 00:19:32,000

some really interesting experiences and

486

00:19:36,150 --> 00:19:33,520

i think if you go out if you i know if

487

00:19:40,230 --> 00:19:36,160

you go out there and google uh mufon

488

00:19:42,390 --> 00:19:40,240

and uh um gosh was it newsweek magazine

489

00:19:43,990 --> 00:19:42,400

mufon newsweek you'll find an article

490

00:19:45,590 --> 00:19:44,000

where it was quoted

491

00:19:47,430 --> 00:19:45,600

back when the scandal happened with john

492

00:19:49,190 --> 00:19:47,440

ventry and that was that gives a little

493

00:19:52,310 --> 00:19:49,200

bit of my background of why

494

00:19:54,950 --> 00:19:52,320

i chose to let to leave the organization

495

00:19:57,430 --> 00:19:54,960

with uh quite the bang you know me i'm

496

00:19:59,430 --> 00:19:57,440

such a quiet demure little flower if

497

00:20:00,710 --> 00:19:59,440

something happens i'd definitely cower

498

00:20:02,230 --> 00:20:00,720

in the corner

499

00:20:04,310 --> 00:20:02,240

and don't talk about it but this was

500

00:20:06,149 --> 00:20:04,320

this was important and i also want to

501
00:20:09,510 --> 00:20:06,159
just go on there and say that i did

502
00:20:10,950 --> 00:20:09,520
recently two weeks ago i spoke for uh

503
00:20:13,110 --> 00:20:10,960
mufon

504
00:20:14,549 --> 00:20:13,120
i found an article and you spoke for

505
00:20:16,149 --> 00:20:14,559
them they're still on friends well

506
00:20:18,870 --> 00:20:16,159
because you know what well there are

507
00:20:21,830 --> 00:20:18,880
some chapters that i have a lot that i

508
00:20:23,350 --> 00:20:21,840
really i like uh and they're good people

509
00:20:24,390 --> 00:20:23,360
running the organization i think they

510
00:20:26,070 --> 00:20:24,400
understand

511
00:20:27,270 --> 00:20:26,080
that or the the chapter and i think they

512
00:20:28,789 --> 00:20:27,280
understand that there are things that

513
00:20:32,070 --> 00:20:28,799

are are wrong

514

00:20:33,669 --> 00:20:32,080

uh there and so uh yeah it's as long as

515

00:20:34,950 --> 00:20:33,679

people are willing to acknowledge that

516

00:20:36,710 --> 00:20:34,960

there's problems that should be

517

00:20:39,110 --> 00:20:36,720

addressed i don't see you know you

518

00:20:40,950 --> 00:20:39,120

shouldn't have to like not speak to

519

00:20:42,950 --> 00:20:40,960

somebody just because they're a member

520

00:20:44,549 --> 00:20:42,960

or whatever but you should be free to

521

00:20:46,070 --> 00:20:44,559

express your opinions about that

522

00:20:47,750 --> 00:20:46,080

organization that they're a part of

523

00:20:49,830 --> 00:20:47,760

without getting in a fight or an

524

00:20:51,909 --> 00:20:49,840

argument right right you would think and

525

00:20:54,070 --> 00:20:51,919

i i mean it just goes back to leadership

526
00:20:55,990 --> 00:20:54,080
again you know you have to have strong

527
00:20:59,270 --> 00:20:56,000
leaders um

528
00:21:01,669 --> 00:20:59,280
and and i think that mufon

529
00:21:04,149 --> 00:21:01,679
highlights the organization highlights

530
00:21:07,270 --> 00:21:04,159
the type of field that we're in

531
00:21:10,950 --> 00:21:07,280
um it's a field full of people who are

532
00:21:13,029 --> 00:21:10,960
misogynistic who are racist who are uh

533
00:21:15,909 --> 00:21:13,039
you know i mean really there's some real

534
00:21:16,870 --> 00:21:15,919
problems anti-semites i i mean it's

535
00:21:18,710 --> 00:21:16,880
they're

536
00:21:21,830 --> 00:21:18,720
people that are distrusting of the

537
00:21:24,470 --> 00:21:21,840
government they're all sorts of um

538
00:21:27,270 --> 00:21:24,480

interesting people that gravitate to

539

00:21:30,390 --> 00:21:27,280

the subject and as a result

540

00:21:33,669 --> 00:21:30,400

these i think people get manipulated and

541

00:21:35,510 --> 00:21:33,679

push down roads for a specific agenda

542

00:21:36,950 --> 00:21:35,520

and i i think that to me is very

543

00:21:38,789 --> 00:21:36,960

frightening and that's something that i

544

00:21:39,830 --> 00:21:38,799

i will always continue to talk about

545

00:21:42,390 --> 00:21:39,840

because

546

00:21:44,149 --> 00:21:42,400

this is the the prime place to

547

00:21:45,350 --> 00:21:44,159

manipulate

548

00:21:48,149 --> 00:21:45,360

people

549

00:21:50,310 --> 00:21:48,159

and it's not good and unless we start

550

00:21:52,710 --> 00:21:50,320

pulling our head out we're we're going

551
00:21:55,029 --> 00:21:52,720
to see a lot more damage

552
00:21:58,390 --> 00:21:55,039
as a result and i also think and i talk

553
00:21:59,750 --> 00:21:58,400
about as you know my show a lot about

554
00:22:01,510 --> 00:21:59,760
some of the different conferences and

555
00:22:03,190 --> 00:22:01,520
people that are speaking

556
00:22:05,590 --> 00:22:03,200
and people that are promoting these

557
00:22:07,110 --> 00:22:05,600
cult-like belief systems and you have

558
00:22:09,270 --> 00:22:07,120
people that have had

559
00:22:10,630 --> 00:22:09,280
sightings that are very profound and

560
00:22:13,830 --> 00:22:10,640
traumatic

561
00:22:15,750 --> 00:22:13,840
and and they're struggling to make

562
00:22:17,909 --> 00:22:15,760
sense of what they've seen

563
00:22:20,310 --> 00:22:17,919

and they end up you know like some of us

564

00:22:23,830 --> 00:22:20,320

we we end up turning to the ufo

565

00:22:25,270 --> 00:22:23,840

community and the ufo community is is

566

00:22:26,710 --> 00:22:25,280

full of people that have maybe have

567

00:22:27,430 --> 00:22:26,720

mental illness

568

00:22:31,909 --> 00:22:27,440

and

569

00:22:35,270 --> 00:22:33,510

i know that you get some of the same

570

00:22:36,950 --> 00:22:35,280

kind of emails that i get for people

571

00:22:38,230 --> 00:22:36,960

that want to tell you their story and

572

00:22:40,230 --> 00:22:38,240

some of it is

573

00:22:41,669 --> 00:22:40,240

like please you know seek a mental

574

00:22:43,110 --> 00:22:41,679

health professional

575

00:22:45,830 --> 00:22:43,120

you know there's like

576

00:22:47,909 --> 00:22:45,840

targeted individuals kind of fall in and

577

00:22:49,510 --> 00:22:47,919

right and it is sad i mean and to me

578

00:22:51,110 --> 00:22:49,520

it's like when i go to

579

00:22:53,510 --> 00:22:51,120

you know when i when i was still on the

580

00:22:54,549 --> 00:22:53,520

speaking circuit

581

00:22:55,990 --> 00:22:54,559

um

582

00:22:58,149 --> 00:22:56,000

because now i'm on the

583

00:23:00,710 --> 00:22:58,159

b list not even the b list i'm way down

584

00:23:03,510 --> 00:23:00,720

there um but you know yeah but have you

585

00:23:05,669 --> 00:23:03,520

heard of ufo hot because i got to tell

586

00:23:07,029 --> 00:23:05,679

you if you've been to a ufo conference

587

00:23:08,950 --> 00:23:07,039

you you know

588

00:23:10,630 --> 00:23:08,960

it's a different world there and like

589

00:23:13,750 --> 00:23:10,640

you know

590

00:23:15,590 --> 00:23:13,760

to what are you talking about b-list you

591

00:23:16,870 --> 00:23:15,600

got to be a-list on everyone just

592

00:23:17,990 --> 00:23:16,880

because you know

593

00:23:19,590 --> 00:23:18,000

no no no

594

00:23:22,950 --> 00:23:19,600

some of these people that are in there

595

00:23:24,789 --> 00:23:22,960

talking no trust me i have i i have i've

596

00:23:27,430 --> 00:23:24,799

been on stage with them and i think some

597

00:23:29,909 --> 00:23:27,440

of them are good people but i think

598

00:23:32,310 --> 00:23:29,919

for the most part it's it's a collective

599

00:23:35,350 --> 00:23:32,320

group of people who have made money off

600

00:23:37,669 --> 00:23:35,360

the subject off of spinning narratives

601
00:23:39,750 --> 00:23:37,679
and off of creating an atmosphere that

602
00:23:41,750 --> 00:23:39,760
is really unhealthy and and like i

603
00:23:43,830 --> 00:23:41,760
mentioned you go to these conferences

604
00:23:45,990 --> 00:23:43,840
and you see people who've had ufo

605
00:23:48,149 --> 00:23:46,000
experiences and they're there to try to

606
00:23:50,310 --> 00:23:48,159
understand and here they are being

607
00:23:51,990 --> 00:23:50,320
pushed into a conference room where

608
00:23:54,870 --> 00:23:52,000
every morning at 6 30 you're going to do

609
00:23:57,029 --> 00:23:54,880
a daily meditation and a group hypnosis

610
00:23:58,230 --> 00:23:57,039
and then the people there you know the

611
00:24:01,190 --> 00:23:58,240
people that are going to tell you that

612
00:24:03,909 --> 00:24:01,200
you are special that you have uh you

613
00:24:06,310 --> 00:24:03,919

know that you you are receiving messages

614

00:24:07,990 --> 00:24:06,320
from benevolent space brothers

615

00:24:09,590 --> 00:24:08,000
and things and that you know you're here

616

00:24:11,669 --> 00:24:09,600
to save the planet

617

00:24:13,590 --> 00:24:11,679
but yet make sure you don't wear a mask

618

00:24:15,110 --> 00:24:13,600
and make sure you don't take the vaccine

619

00:24:28,950 --> 00:24:15,120
you know and so it's like oh we don't

620

00:24:32,950 --> 00:24:31,190
right exactly exactly exactly and i

621

00:24:35,029 --> 00:24:32,960
think that's the thing that is

622

00:24:37,430 --> 00:24:35,039
you know you know yeah there's this

623

00:24:39,110 --> 00:24:37,440
weird subset in there that's somehow

624

00:24:40,870 --> 00:24:39,120
infiltrated

625

00:24:42,230 --> 00:24:40,880
it's always been it has always been

626

00:24:45,669 --> 00:24:42,240

there and i will tell you well i would

627

00:24:48,070 --> 00:24:45,679

say think no you see i did a sort of

628

00:24:50,470 --> 00:24:48,080

just in my own mind analysis of these

629

00:24:52,549 --> 00:24:50,480

issues and just decided that a lot of

630

00:24:55,190 --> 00:24:52,559

these people are very distrustful of the

631

00:24:56,630 --> 00:24:55,200

government so it's almost natural that

632

00:24:58,470 --> 00:24:56,640

they would be against something that the

633

00:25:01,110 --> 00:24:58,480

government is telling you to do even if

634

00:25:04,470 --> 00:25:01,120

science supports this is probably for

635

00:25:06,950 --> 00:25:04,480

most people a good idea you know

636

00:25:09,750 --> 00:25:06,960

and i've never understood the coverings

637

00:25:12,549 --> 00:25:09,760

because to me it's like it can't hurt if

638

00:25:14,070 --> 00:25:12,559

it can't hurt i'm okay with it i still

639

00:25:17,110 --> 00:25:14,080

to this day even though they're not

640

00:25:19,750 --> 00:25:17,120

required in my area if i'm going indoors

641

00:25:22,870 --> 00:25:19,760

anywhere i put one on i think it's just

642

00:25:24,870 --> 00:25:22,880

smart people do that i mean i mean it's

643

00:25:27,669 --> 00:25:24,880

i'm loving this though because

644

00:25:30,230 --> 00:25:27,679

since this began i think that i got a

645

00:25:32,070 --> 00:25:30,240

slight sore throat once

646

00:25:34,789 --> 00:25:32,080

and that's it i know i didn't i used to

647

00:25:36,710 --> 00:25:34,799

get sick i used to get colds and flus

648

00:25:38,710 --> 00:25:36,720

and get sick four or five times a year

649

00:25:39,430 --> 00:25:38,720

because i have children that you know

650

00:25:42,710 --> 00:25:39,440

they

651
00:25:45,990 --> 00:25:42,720
bring it home and then you get it and i

652
00:25:48,630 --> 00:25:46,000
have not gotten majorly sick we're ill

653
00:25:50,549 --> 00:25:48,640
since this began and but then i'm also

654
00:25:52,390 --> 00:25:50,559
taking a lot of supplements vitamin d

655
00:25:53,430 --> 00:25:52,400
and zinc and all these other supplements

656
00:25:55,190 --> 00:25:53,440
every day

657
00:25:57,190 --> 00:25:55,200
try to get my immune system up maybe

658
00:25:58,230 --> 00:25:57,200
that i don't know what happened but i'm

659
00:26:00,549 --> 00:25:58,240
liking it

660
00:26:02,149 --> 00:26:00,559
well i i am too and i think you know for

661
00:26:03,750 --> 00:26:02,159
me it's just like i

662
00:26:05,830 --> 00:26:03,760
i think you know and i have friends i

663
00:26:07,590 --> 00:26:05,840

mean i have a pilates studio i'm in the

664

00:26:09,029 --> 00:26:07,600

health and wellness and you know

665

00:26:12,310 --> 00:26:09,039

industry i love

666

00:26:14,390 --> 00:26:12,320

uh you know i love i mean i meditation i

667

00:26:16,390 --> 00:26:14,400

think there's so many cool

668

00:26:18,149 --> 00:26:16,400

aspects to things you know and yeah but

669

00:26:20,470 --> 00:26:18,159

it's like stay in your lane right if i

670

00:26:23,190 --> 00:26:20,480

go to a ufo conference i want to hear

671

00:26:25,430 --> 00:26:23,200

about ufos i want to hear about this new

672

00:26:27,669 --> 00:26:25,440

age gobbledygook fortunately it's all

673

00:26:28,870 --> 00:26:27,679

it's all mixed in it's awesome

674

00:26:30,789 --> 00:26:28,880

i've always been there if you just go

675

00:26:32,630 --> 00:26:30,799

back and and i can sit back here and

676

00:26:34,990 --> 00:26:32,640

i've got a whole whole thing of fate

677

00:26:37,430 --> 00:26:35,000

magazines back there yeah the standing

678

00:26:38,950 --> 00:26:37,440

rock in the 50s and 60s with the

679

00:26:42,390 --> 00:26:38,960

contacts

680

00:26:43,590 --> 00:26:42,400

space brother let's meditate for peace

681

00:26:45,750 --> 00:26:43,600

i mean which is

682

00:26:48,149 --> 00:26:45,760

you know i mean

683

00:26:49,590 --> 00:26:48,159

it's but it's you know like i said and

684

00:26:51,350 --> 00:26:49,600

you look at the who's paying for

685

00:26:53,110 --> 00:26:51,360

advertising space

686

00:26:56,630 --> 00:26:53,120

in some of these magazines that have

687

00:26:58,630 --> 00:26:56,640

been there for 40 50 years and well

688

00:27:01,269 --> 00:26:58,640

i mean you know i could say a lot of

689

00:27:03,110 --> 00:27:01,279

cookie stuff yeah i mean and and a lot

690

00:27:04,950 --> 00:27:03,120

of uh things i'm not even gonna say

691

00:27:07,269 --> 00:27:04,960

because i'm already on the

692

00:27:09,190 --> 00:27:07,279

you know the bad girl list but i i think

693

00:27:12,070 --> 00:27:09,200

it's just important

694

00:27:14,390 --> 00:27:12,080

erica is a bad girl i know you hear that

695

00:27:15,830 --> 00:27:14,400

did you hear that i was yes i i've been

696

00:27:17,830 --> 00:27:15,840

caught i wanted to tell you something

697

00:27:19,590 --> 00:27:17,840

funny i had some other

698

00:27:22,310 --> 00:27:19,600

some other content create or something

699

00:27:23,990 --> 00:27:22,320

get made at me or something and uh he

700

00:27:26,789 --> 00:27:24,000

made a video saying that he was going to

701
00:27:27,830 --> 00:27:26,799
get me blacklisted from the entire ufo

702
00:27:29,269 --> 00:27:27,840
community

703
00:27:39,669 --> 00:27:29,279
and i felt like saying like do you know

704
00:27:44,789 --> 00:27:42,389
what a threat you must have been scared

705
00:27:46,710 --> 00:27:44,799
i'm so scared

706
00:27:49,430 --> 00:27:46,720
and i just want to say alien girl i love

707
00:27:51,510 --> 00:27:49,440
i think you rock too so just yeah we

708
00:27:53,510 --> 00:27:51,520
just had her last week and i'm happy to

709
00:27:55,830 --> 00:27:53,520
say that we helped her get a little bit

710
00:27:57,350 --> 00:27:55,840
of a bump i'm not taking any

711
00:27:59,510 --> 00:27:57,360
i'm not taking much credit for it but

712
00:28:00,870 --> 00:27:59,520
she got over her thousand magic youtube

713
00:28:02,710 --> 00:28:00,880

numbers that she needed to get so

714

00:28:03,909 --> 00:28:02,720

congratulations to alien girl because

715

00:28:06,230 --> 00:28:03,919

i'd like to see

716

00:28:08,389 --> 00:28:06,240

more women involved in this and more

717

00:28:10,549 --> 00:28:08,399

female perspectives

718

00:28:12,310 --> 00:28:10,559

at the risk of getting every time i say

719

00:28:14,470 --> 00:28:12,320

something like that somebody shows up in

720

00:28:16,950 --> 00:28:14,480

the comments going sipping much

721

00:28:18,870 --> 00:28:16,960

you know like some nasty you know

722

00:28:21,029 --> 00:28:18,880

oh i got called the soy boy too for

723

00:28:23,590 --> 00:28:21,039

hosting women here so

724

00:28:25,350 --> 00:28:23,600

boy there's that and anybody that knows

725

00:28:27,190 --> 00:28:25,360

what does that even mean i don't it

726

00:28:29,510 --> 00:28:27,200

means that you're like you know you eat

727

00:28:30,549 --> 00:28:29,520

a lot of soy i guess and you know you're

728

00:28:32,789 --> 00:28:30,559

like uh

729

00:28:34,789 --> 00:28:32,799

you're like a feminist male and i don't

730

00:28:36,789 --> 00:28:34,799

know oh okay okay sorry let's take a

731

00:28:39,190 --> 00:28:36,799

look at me it's taking me a minute it's

732

00:28:41,590 --> 00:28:39,200

a derogatory term yeah it's definitely

733

00:28:43,350 --> 00:28:41,600

derogatory term and i'm like okay i

734

00:28:45,430 --> 00:28:43,360

thought i did something good inviting

735

00:28:47,269 --> 00:28:45,440

women as well as men here right go get a

736

00:28:49,669 --> 00:28:47,279

[h__h] like i don't check tell me how it

737

00:28:51,669 --> 00:28:49,679

is i don't check anybody's uh you know

738

00:28:53,430 --> 00:28:51,679

private parts before booking them here

739

00:28:56,070 --> 00:28:53,440

so i don't know if i gotta

740

00:28:58,950 --> 00:28:56,080

ask permission right

741

00:29:03,029 --> 00:28:58,960

well it just goes to show how many what

742

00:29:04,470 --> 00:29:03,039

up weirdos bored people you know

743

00:29:06,070 --> 00:29:04,480

and you know i don't want to put you on

744

00:29:07,990 --> 00:29:06,080

the spot but we have to talk about some

745

00:29:09,990 --> 00:29:08,000

of this angelis stuff because people

746

00:29:11,750 --> 00:29:10,000

want an update and this could be a quick

747

00:29:14,789 --> 00:29:11,760

one so

748

00:29:16,630 --> 00:29:14,799

people are people are posting

749

00:29:18,630 --> 00:29:16,640

somebody's and i'm kind of upset not

750

00:29:21,830 --> 00:29:18,640

upset or angry at anybody but people are

751

00:29:24,230 --> 00:29:21,840

literally doxing some person who

752

00:29:26,549 --> 00:29:24,240

at first what there was a confirmation

753

00:29:28,230 --> 00:29:26,559

that that was the person and uh you know

754

00:29:29,830 --> 00:29:28,240

i spoke to him and i believe that was

755

00:29:32,310 --> 00:29:29,840

the person that she's referencing and

756

00:29:34,870 --> 00:29:32,320

now people are posting names and

757

00:29:37,990 --> 00:29:34,880

addresses and locations and she's saying

758

00:29:40,310 --> 00:29:38,000

no that's not the right mountain and uh

759

00:29:41,750 --> 00:29:40,320

doing a 180 on many other things so i

760

00:29:43,190 --> 00:29:41,760

don't know what to think of the story

761

00:29:44,789 --> 00:29:43,200

and how it's progressing but i do want

762

00:29:47,909 --> 00:29:44,799

to mention if you're one of those people

763

00:29:49,350 --> 00:29:47,919

posting some guy's address on twitter

764

00:29:50,789 --> 00:29:49,360

maybe don't do that because you don't

765

00:29:53,510 --> 00:29:50,799

know what kind of nutters you're going

766

00:29:55,510 --> 00:29:53,520

to draw to his home that's his home

767

00:29:57,590 --> 00:29:55,520

first of all and yeah and you wouldn't

768

00:30:01,190 --> 00:29:57,600

want people doing that to you you know i

769

00:30:03,110 --> 00:30:01,200

mean that's definitely not not a good

770

00:30:04,549 --> 00:30:03,120

good look but

771

00:30:06,710 --> 00:30:04,559

and i've had that i've had that happen

772

00:30:08,710 --> 00:30:06,720

i'm sure you have too i've had so many

773

00:30:10,710 --> 00:30:08,720

uh people

774

00:30:13,669 --> 00:30:10,720

over the years you know come out and

775

00:30:15,510 --> 00:30:13,679

talk about my family and and you know

776

00:30:17,669 --> 00:30:15,520

different things that are just you just

777

00:30:19,510 --> 00:30:17,679

sit there and go holy crap yeah i wanted

778

00:30:21,190 --> 00:30:19,520

to mention that too i can share an email

779

00:30:23,510 --> 00:30:21,200

with you later erica it's not that

780

00:30:25,750 --> 00:30:23,520

important but it is important because

781

00:30:28,149 --> 00:30:25,760

some people before this people started

782

00:30:31,350 --> 00:30:28,159

posting this information on twitter were

783

00:30:34,710 --> 00:30:31,360

very nasty to me in emails like can you

784

00:30:37,750 --> 00:30:34,720

uh give me the the location i won't tell

785

00:30:39,190 --> 00:30:37,760

anybody and i'm like i told this woman i

786

00:30:41,590 --> 00:30:39,200

gave her my word that i would not

787

00:30:44,310 --> 00:30:41,600

release any of the research that we had

788

00:30:46,389 --> 00:30:44,320

collectively the three three of us

789

00:30:47,190 --> 00:30:46,399

and and more really contributing to it

790

00:30:48,310 --> 00:30:47,200

but

791

00:30:52,789 --> 00:30:48,320

so

792

00:30:54,870 --> 00:30:52,799

that were like

793

00:30:57,509 --> 00:30:54,880

you don't really have this information

794

00:30:59,269 --> 00:30:57,519

but i sent it all to you right

795

00:31:00,870 --> 00:30:59,279

before they interview so just for

796

00:31:04,470 --> 00:31:00,880

verification

797

00:31:07,190 --> 00:31:04,480

this information is real and i had it at

798

00:31:09,830 --> 00:31:07,200

before the interview right correct so

799

00:31:12,870 --> 00:31:09,840

then we get nailed to

800

00:31:15,110 --> 00:31:12,880

is it the guy or is it not the guy

801
00:31:18,389 --> 00:31:15,120
and people are finding other guys that

802
00:31:20,470 --> 00:31:18,399
may be the guy but so far no one matches

803
00:31:22,870 --> 00:31:20,480
any of the things she talked about in so

804
00:31:25,269 --> 00:31:22,880
far as owning a construction company

805
00:31:28,230 --> 00:31:25,279
being very wealthy and

806
00:31:29,269 --> 00:31:28,240
being uh and owning a mountain on his

807
00:31:31,269 --> 00:31:29,279
property

808
00:31:33,430 --> 00:31:31,279
no other matches

809
00:31:35,509 --> 00:31:33,440
not that close of a match there's people

810
00:31:37,750 --> 00:31:35,519
that we've other people have found that

811
00:31:39,750 --> 00:31:37,760
own a construction company but that

812
00:31:42,389 --> 00:31:39,760
so far there's no proof that those

813
00:31:44,389 --> 00:31:42,399

individuals own a mountain so what do

814

00:31:47,430 --> 00:31:44,399

you make of all this back and forth and

815

00:31:48,870 --> 00:31:47,440

is this the guy is this not the guy

816

00:31:50,389 --> 00:31:48,880

there's other people by the way

817

00:31:52,630 --> 00:31:50,399

television producers that are

818

00:31:55,269 --> 00:31:52,640

threatening to fly drones over

819

00:31:57,909 --> 00:31:55,279

or are flying drones over for all i know

820

00:32:00,230 --> 00:31:57,919

the these people's property and i i

821

00:32:02,149 --> 00:32:00,240

don't know about the legalities of that

822

00:32:03,750 --> 00:32:02,159

you know what i will tell you that i

823

00:32:05,190 --> 00:32:03,760

have had so much of my own personal

824

00:32:07,590 --> 00:32:05,200

stuff going on

825

00:32:09,990 --> 00:32:07,600

that i have not paid attention

826

00:32:12,830 --> 00:32:10,000

um because i have to talk to scott too

827

00:32:14,870 --> 00:32:12,840

because he has some more information

828

00:32:17,029 --> 00:32:14,880

yeah developments yeah i have not that's

829

00:32:20,230 --> 00:32:17,039

not been my bag because i just you know

830

00:32:21,590 --> 00:32:20,240

for me um dealing with the skinwalker

831

00:32:23,430 --> 00:32:21,600

stuff and

832

00:32:26,230 --> 00:32:23,440

and how that's affected my life

833

00:32:28,070 --> 00:32:26,240

personally and yeah we can get into that

834

00:32:30,470 --> 00:32:28,080

we all have our focus and that seems to

835

00:32:32,149 --> 00:32:30,480

be a big focus of yours and that was and

836

00:32:34,230 --> 00:32:32,159

it will be because there's something

837

00:32:37,669 --> 00:32:34,240

rotten in denmark there rotten and

838

00:32:39,029 --> 00:32:37,679

roosevelt utah um but i you know that

839

00:32:41,029 --> 00:32:39,039

tell us a little bit about why you

840

00:32:43,590 --> 00:32:41,039

believe that there's tell us a little

841

00:32:45,029 --> 00:32:43,600

bit about your research into this why

842

00:32:47,909 --> 00:32:45,039

you believe that there's something not

843

00:32:49,830 --> 00:32:47,919

in there because i

844

00:32:52,549 --> 00:32:49,840

from from some of the things that i have

845

00:32:54,310 --> 00:32:52,559

found and this has never been my focus

846

00:32:56,789 --> 00:32:54,320

i've always went yeah

847

00:32:59,350 --> 00:32:56,799

uh you know indian reservation right

848

00:33:01,430 --> 00:32:59,360

nearby all these mountains uh maybe

849

00:33:04,389 --> 00:33:01,440

seismic activity maybe magnetic

850

00:33:06,389 --> 00:33:04,399

anomalies causing hallucinations

851

00:33:09,110 --> 00:33:06,399

uh maybe there's something really

852

00:33:11,110 --> 00:33:09,120

powerful crap yeah maybe people making

853

00:33:13,430 --> 00:33:11,120

up a bunch of stories maybe there's

854

00:33:15,430 --> 00:33:13,440

something to it but you know

855

00:33:18,070 --> 00:33:15,440

i don't see a billionaire studying it

856

00:33:19,750 --> 00:33:18,080

for years and then selling it

857

00:33:22,230 --> 00:33:19,760

as a good indication that there's a

858

00:33:24,950 --> 00:33:22,240

genuine phenomenon there worthy of

859

00:33:28,549 --> 00:33:24,960

keeping the place why did he offload it

860

00:33:30,310 --> 00:33:28,559

well i don't see a billionaire buying

861

00:33:32,310 --> 00:33:30,320

the property and doing absolutely

862

00:33:35,509 --> 00:33:32,320

nothing to study it

863

00:33:38,389 --> 00:33:35,519

and not only that but creating a myth a

864

00:33:40,230 --> 00:33:38,399

myth known as skinwalker ranch now uh

865

00:33:42,070 --> 00:33:40,240

you know i mean what what what what

866

00:33:43,750 --> 00:33:42,080

happened there was no equipment there

867

00:33:46,470 --> 00:33:43,760

there's there have been no i thought

868

00:33:47,990 --> 00:33:46,480

they were studying it

869

00:33:49,990 --> 00:33:48,000

that well i'm not quite sure what they

870

00:33:51,509 --> 00:33:50,000

were doing other than pretending we

871

00:33:53,590 --> 00:33:51,519

don't have no release we don't have any

872

00:33:56,389 --> 00:33:53,600

release data well i can tell you if i

873

00:33:58,549 --> 00:33:56,399

have if i had right over here by me or

874

00:34:01,590 --> 00:33:58,559

i've got a stack

875

00:34:04,789 --> 00:34:01,600

this big of the reports during the bas

876
00:34:07,430 --> 00:34:04,799
days from the security guards and other

877
00:34:08,869 --> 00:34:07,440
trained military professionals

878
00:34:10,950 --> 00:34:08,879
that were there and if that's the best

879
00:34:12,790 --> 00:34:10,960
that we've got to offer after 22 million

880
00:34:14,869 --> 00:34:12,800
then we are totally in trouble and we

881
00:34:16,069 --> 00:34:14,879
should be asking for an investigation to

882
00:34:18,310 --> 00:34:16,079
look into

883
00:34:20,389 --> 00:34:18,320
what happened at skinwalker ranch and i

884
00:34:22,230 --> 00:34:20,399
will say that i think we absolutely that

885
00:34:25,990 --> 00:34:22,240
there absolutely is something

886
00:34:28,149 --> 00:34:26,000
shady going on uh there is no there was

887
00:34:30,790 --> 00:34:28,159
no equipment you can hear from the

888
00:34:32,550 --> 00:34:30,800

testimony of dr eric davis you can hear

889

00:34:34,069 --> 00:34:32,560
from all of the people that were

890

00:34:35,109 --> 00:34:34,079
involved that they were never given good

891

00:34:37,909 --> 00:34:35,119
equipment

892

00:34:40,389 --> 00:34:37,919
um the cameras that were there what five

893

00:34:41,750 --> 00:34:40,399
or six of them

894

00:34:44,710 --> 00:34:41,760
you know yeah i mean there were fake

895

00:34:47,669 --> 00:34:44,720
fake cameras installed by uh

896

00:34:49,430 --> 00:34:47,679
security guards uh there the the cords

897

00:34:52,470 --> 00:34:49,440
were cut early out of the gate so you

898

00:34:53,750 --> 00:34:52,480
could never get any uh information but

899

00:34:55,349 --> 00:34:53,760
yet you have a lot of people that are

900

00:34:57,270 --> 00:34:55,359
making money and let me just ask you if

901
00:35:00,550 --> 00:34:57,280
this is a secretive

902
00:35:02,470 --> 00:35:00,560
uh study of something and we are keeping

903
00:35:04,310 --> 00:35:02,480
it out of the public then you don't

904
00:35:06,550 --> 00:35:04,320
write a book about it

905
00:35:08,790 --> 00:35:06,560
you don't have to write

906
00:35:11,430 --> 00:35:08,800
about it

907
00:35:13,430 --> 00:35:11,440
all of these people coming from all over

908
00:35:15,349 --> 00:35:13,440
and hey you know i mean spinning this

909
00:35:18,150 --> 00:35:15,359
myth and let me just say too

910
00:35:19,510 --> 00:35:18,160
yeah the the dino dino beaver uh charles

911
00:35:20,950 --> 00:35:19,520
is

912
00:35:23,510 --> 00:35:20,960
you know which i just love the dino

913
00:35:24,870 --> 00:35:23,520

beaver but you don't i mean it's like

914

00:35:26,310 --> 00:35:24,880

and then i was i've been thinking about

915

00:35:28,390 --> 00:35:26,320

this it's like we have people that you

916

00:35:29,750 --> 00:35:28,400

know you've got the skinwalker

917

00:35:35,510 --> 00:35:29,760

uh

918

00:35:37,030 --> 00:35:35,520

and people are

919

00:35:39,750 --> 00:35:37,040

in my last show people were a little

920

00:35:41,109 --> 00:35:39,760

upset because i was talking about this

921

00:35:42,829 --> 00:35:41,119

with relation to the new book

922

00:35:45,270 --> 00:35:42,839

skinwalkers at the

923

00:35:47,829 --> 00:35:45,280

pentagon um

924

00:35:48,710 --> 00:35:47,839

my eye roll should just say it all there

925

00:35:50,870 --> 00:35:48,720

um

926
00:35:52,950 --> 00:35:50,880
but you've got the fact that you know i

927
00:35:54,710 --> 00:35:52,960
mean it it it's like you're

928
00:35:57,589 --> 00:35:54,720
here you are oh you you're you know

929
00:36:00,310 --> 00:35:57,599
disrespecting native americans and their

930
00:36:02,150 --> 00:36:00,320
beliefs and skin walkers but yet then

931
00:36:03,910 --> 00:36:02,160
people turn around and say you know

932
00:36:06,150 --> 00:36:03,920
you're not supposed to even be uttering

933
00:36:08,310 --> 00:36:06,160
the name skin walker because that can

934
00:36:10,310 --> 00:36:08,320
bring all of this evil upon you and it's

935
00:36:13,030 --> 00:36:10,320
like well then why didn't you talk to

936
00:36:16,310 --> 00:36:13,040
bigelow kelleher and knapp and ask him

937
00:36:18,550 --> 00:36:16,320
why they're using skinwalker if this is

938
00:36:20,790 --> 00:36:18,560

so bad to utter the name they're calling

939

00:36:24,470 --> 00:36:20,800

their shine in a big old light down here

940

00:36:27,190 --> 00:36:24,480

to welcome in shape-shifting beings so

941

00:36:28,550 --> 00:36:27,200

why are people not questioning that

942

00:36:30,950 --> 00:36:28,560

you know i mean it's like a good point

943

00:36:32,390 --> 00:36:30,960

yeah the whole thing is is just the more

944

00:36:33,510 --> 00:36:32,400

you step back and look at it you just

945

00:36:36,470 --> 00:36:33,520

think

946

00:36:38,150 --> 00:36:36,480

really are you kidding me and yeah and

947

00:36:40,069 --> 00:36:38,160

i'd like to remind people that it was

948

00:36:42,069 --> 00:36:40,079

right it was 22 million dollars that

949

00:36:45,190 --> 00:36:42,079

they spent

950

00:36:48,230 --> 00:36:45,200

as a taxpayer dollars right

951
00:36:54,310 --> 00:36:48,240
on researching this ranch

952
00:36:58,630 --> 00:36:56,710
most of these claims it's all

953
00:37:01,510 --> 00:36:58,640
from what i've heard and experienced

954
00:37:03,030 --> 00:37:01,520
it's all just stories

955
00:37:05,190 --> 00:37:03,040
right

956
00:37:06,950 --> 00:37:05,200
well like the myth exactly what you're

957
00:37:08,710 --> 00:37:06,960
saying they've created their own myth

958
00:37:10,150 --> 00:37:08,720
you know i mean i

959
00:37:11,910 --> 00:37:10,160
and it's so hard because i know that

960
00:37:13,910 --> 00:37:11,920
there are places i've studied these

961
00:37:16,150 --> 00:37:13,920
places i've been to these places all

962
00:37:18,310 --> 00:37:16,160
over the world where you have certain

963
00:37:21,030 --> 00:37:18,320

types of phenomena that are taking

964

00:37:23,270 --> 00:37:21,040

allegedly taking place and i think

965

00:37:25,510 --> 00:37:23,280

for me perhaps

966

00:37:27,430 --> 00:37:25,520

that area um

967

00:37:28,390 --> 00:37:27,440

somebody really good with marketing

968

00:37:29,750 --> 00:37:28,400

somebody who was a really good

969

00:37:31,670 --> 00:37:29,760

storyteller

970

00:37:33,990 --> 00:37:31,680

knew how to go in and take a little bit

971

00:37:36,390 --> 00:37:34,000

of this mythology here

972

00:37:38,390 --> 00:37:36,400

and add the indian mythology

973

00:37:40,790 --> 00:37:38,400

i'm sorry native american pardon me

974

00:37:43,589 --> 00:37:40,800

please don't cancel me native american

975

00:37:46,230 --> 00:37:43,599

mythology gets folded into that right

976

00:37:48,069 --> 00:37:46,240

right local legends gets folded into

977

00:37:50,950 --> 00:37:48,079

this right and then you've got you know

978

00:37:53,349 --> 00:37:50,960

this you know these all of this other

979

00:37:55,190 --> 00:37:53,359

stuff so it was really a great

980

00:37:56,870 --> 00:37:55,200

myth that was created it was perfect

981

00:37:58,150 --> 00:37:56,880

marketing i mean you couldn't have done

982

00:37:58,950 --> 00:37:58,160

a better job

983

00:38:03,510 --> 00:37:58,960

to

984

00:38:05,430 --> 00:38:03,520

decade after decade make money

985

00:38:08,550 --> 00:38:05,440

for a few people

986

00:38:10,390 --> 00:38:08,560

and lord knows what's happening and you

987

00:38:11,349 --> 00:38:10,400

know are they using that as a cover to

988

00:38:14,150 --> 00:38:11,359

do

989

00:38:16,550 --> 00:38:14,160

things that are maybe a little bit more

990

00:38:18,470 --> 00:38:16,560

nefarious or is it a place where

991

00:38:20,630 --> 00:38:18,480

potentially or the area are they are

992

00:38:22,470 --> 00:38:20,640

they testing non-lethal weapons it is

993

00:38:24,950 --> 00:38:22,480

really interesting to note that some of

994

00:38:27,030 --> 00:38:24,960

the people involved with bigelow uh

995

00:38:28,790 --> 00:38:27,040

psychological warfare not only the

996

00:38:31,430 --> 00:38:28,800

weapons

997

00:38:33,670 --> 00:38:31,440

i have heard a terrible rumor many many

998

00:38:36,470 --> 00:38:33,680

times and some people firmly believe

999

00:38:40,390 --> 00:38:36,480

that skinwalker ranch is a psyop

1000

00:38:42,150 --> 00:38:40,400

psychological weapons testing range

1001

00:38:44,630 --> 00:38:42,160

i can believe that's where some of that

1002

00:38:46,230 --> 00:38:44,640

22 million dollars went let's see what

1003

00:38:47,829 --> 00:38:46,240

happens to these people when we show

1004

00:38:48,550 --> 00:38:47,839

them this or this

1005

00:38:50,150 --> 00:38:48,560

right

1006

00:38:51,349 --> 00:38:50,160

i mean it very well could be that

1007

00:38:52,710 --> 00:38:51,359

something that i've thought about

1008

00:38:54,710 --> 00:38:52,720

especially when you look at the assap

1009

00:38:56,470 --> 00:38:54,720

the solicitation sheet and

1010

00:38:57,430 --> 00:38:56,480

and what they were doing with do rf

1011

00:38:59,510 --> 00:38:57,440

weapons

1012

00:39:01,670 --> 00:38:59,520

you know all of these things i i think

1013

00:39:03,750 --> 00:39:01,680

it's you know that

1014

00:39:05,990 --> 00:39:03,760

and we have a huge military presence in

1015

00:39:07,349 --> 00:39:06,000

utah i mean we have the the one of the

1016

00:39:09,589 --> 00:39:07,359

biggest concentrations largest

1017

00:39:12,870 --> 00:39:09,599

concentrations of military and defense

1018

00:39:15,510 --> 00:39:12,880

contractors in the in the country here

1019

00:39:18,069 --> 00:39:15,520

so wouldn't would we need real-life

1020

00:39:19,750 --> 00:39:18,079

places to test things or

1021

00:39:21,670 --> 00:39:19,760

could again that just be another myth

1022

00:39:23,030 --> 00:39:21,680

inserted into the narrative

1023

00:39:24,630 --> 00:39:23,040

to to

1024

00:39:27,430 --> 00:39:24,640

make money for people

1025

00:39:29,430 --> 00:39:27,440

to bring in like with dulce maybe

1026
00:39:30,790 --> 00:39:29,440
bringing in people into a community for

1027
00:39:32,470 --> 00:39:30,800
tourism

1028
00:39:33,829 --> 00:39:32,480
you know how can we

1029
00:39:34,710 --> 00:39:33,839
you know there's a

1030
00:39:37,190 --> 00:39:34,720
dying

1031
00:39:37,990 --> 00:39:37,200
a town that is is losing money because

1032
00:39:41,670 --> 00:39:38,000
the

1033
00:39:43,349 --> 00:39:41,680
resources are drying up so how do we

1034
00:39:45,750 --> 00:39:43,359
generate revenue

1035
00:39:47,190 --> 00:39:45,760
you know i guess create a place where

1036
00:39:49,670 --> 00:39:47,200
people are walking up to a gate and

1037
00:39:51,670 --> 00:39:49,680
getting their selfies taken it has

1038
00:39:54,310 --> 00:39:51,680

become something of a tourist attraction

1039

00:39:56,230 --> 00:39:54,320

for sure people i know i know somebody

1040

00:39:57,990 --> 00:39:56,240

that happened to be driving across

1041

00:39:59,510 --> 00:39:58,000

country and they made a point to stop

1042

00:40:02,310 --> 00:39:59,520

there and do the selfie in front of the

1043

00:40:04,470 --> 00:40:02,320

gates well i mean and me at skinwalker

1044

00:40:06,150 --> 00:40:04,480

ranch you know i mean trust me and

1045

00:40:07,829 --> 00:40:06,160

i've been there and done that multiple

1046

00:40:09,990 --> 00:40:07,839

times

1047

00:40:11,589 --> 00:40:10,000

you know with things and so i i totally

1048

00:40:13,829 --> 00:40:11,599

get it but i think

1049

00:40:15,750 --> 00:40:13,839

you know it is it's an interesting thing

1050

00:40:17,109 --> 00:40:15,760

and i think there's a lot going on could

1051
00:40:19,030 --> 00:40:17,119
they be putting things out there and

1052
00:40:21,829 --> 00:40:19,040
then seeing how people react like it's a

1053
00:40:23,670 --> 00:40:21,839
live-action kind of role-play thing

1054
00:40:25,589 --> 00:40:23,680
so and then you get into social media

1055
00:40:27,109 --> 00:40:25,599
groups and you say hey this is i saw

1056
00:40:29,270 --> 00:40:27,119
this at skinwalker ranch and then you

1057
00:40:30,470 --> 00:40:29,280
watch everybody the little wheels

1058
00:40:31,910 --> 00:40:30,480
turning and we're going to go out there

1059
00:40:32,950 --> 00:40:31,920
and then we're going to report this and

1060
00:40:35,270 --> 00:40:32,960
then

1061
00:40:37,589 --> 00:40:35,280
get a new tv show

1062
00:40:40,069 --> 00:40:37,599
i mean it's like your documentary you

1063
00:40:42,069 --> 00:40:40,079

know you're studying you're studying

1064

00:40:43,349 --> 00:40:42,079

people's behavior you know on that but

1065

00:40:45,510 --> 00:40:43,359

you know i think it's important when we

1066

00:40:48,309 --> 00:40:45,520

talk about so 22 million dollars of

1067

00:40:50,950 --> 00:40:48,319

taxpayer money was spent on this thing

1068

00:40:52,950 --> 00:40:50,960

if we add in it's got to be

1069

00:40:56,069 --> 00:40:52,960

a few million dollars that people have

1070

00:40:57,670 --> 00:40:56,079

made selling the myth of this place

1071

00:41:00,230 --> 00:40:57,680

so we're talking about you know

1072

00:41:02,630 --> 00:41:00,240

potentially i don't know 25 million

1073

00:41:05,190 --> 00:41:02,640

dollars sunk into this thing and i don't

1074

00:41:06,870 --> 00:41:05,200

know what we have to show for it except

1075

00:41:08,630 --> 00:41:06,880

somebody made an awful lot of money on

1076

00:41:10,790 --> 00:41:08,640

tv shows and book deals and

1077

00:41:12,390 --> 00:41:10,800

documentaries well i mean and then you

1078

00:41:15,190 --> 00:41:12,400

have some of the people that are

1079

00:41:17,190 --> 00:41:15,200

involved uh now in in

1080

00:41:19,829 --> 00:41:17,200

you know up in that area who have

1081

00:41:21,990 --> 00:41:19,839

families who are holding political uh

1082

00:41:24,150 --> 00:41:22,000

positions who are you know there's a

1083

00:41:26,550 --> 00:41:24,160

huge thing that you went to basin

1084

00:41:29,589 --> 00:41:26,560

railway where they're building this big

1085

00:41:31,910 --> 00:41:29,599

uh you know the infrastructure to take

1086

00:41:33,829 --> 00:41:31,920

the resources away

1087

00:41:36,069 --> 00:41:33,839

from there and transport them somewhere

1088

00:41:38,550 --> 00:41:36,079

else it's been very controversial

1089

00:41:39,990 --> 00:41:38,560

uh and things but there are people

1090

00:41:42,710 --> 00:41:40,000

who's who

1091

00:41:46,069 --> 00:41:42,720

benefit from that financially who are

1092

00:41:49,109 --> 00:41:46,079

involved with the ranch and

1093

00:41:50,630 --> 00:41:49,119

and things and so you've gotta not just

1094

00:41:53,109 --> 00:41:50,640

only the the fact that you've got this

1095

00:41:54,790 --> 00:41:53,119

paranormal myth and people potentially

1096

00:41:57,510 --> 00:41:54,800

making money off of books you've got the

1097

00:42:01,510 --> 00:41:57,520

fact that there are things going on in

1098

00:42:03,190 --> 00:42:01,520

the area with industry uh and and deals

1099

00:42:04,630 --> 00:42:03,200

that are being made and people that are

1100

00:42:07,190 --> 00:42:04,640

serving on

1101
00:42:09,270 --> 00:42:07,200
uh the governor's economic advisory

1102
00:42:10,710 --> 00:42:09,280
board who who you know i mean all of a

1103
00:42:13,030 --> 00:42:10,720
sudden you've got all of this money

1104
00:42:17,750 --> 00:42:13,040
being pumped into that area

1105
00:42:19,750 --> 00:42:17,760
you have uh covet funding that went into

1106
00:42:20,950 --> 00:42:19,760
you know helping to support businesses

1107
00:42:22,390 --> 00:42:20,960
up there that were only open three

1108
00:42:25,349 --> 00:42:22,400
months out of the year

1109
00:42:28,630 --> 00:42:25,359
when other small businesses in utah who

1110
00:42:30,710 --> 00:42:28,640
were struggling did not receive the ppe

1111
00:42:32,150 --> 00:42:30,720
funding and things like that and so

1112
00:42:33,910 --> 00:42:32,160
you've got a lot of you've got a lot

1113
00:42:35,910 --> 00:42:33,920

going on behind the scenes

1114

00:42:38,150 --> 00:42:35,920

and it isn't just about the paranormal

1115

00:42:42,829 --> 00:42:38,160

this is very political and

1116

00:42:45,829 --> 00:42:42,839

um like i said i think it's you know

1117

00:42:48,150 --> 00:42:45,839

ah yeah it's been interesting

1118

00:42:49,910 --> 00:42:48,160

it's it's a pandora's box when you start

1119

00:42:51,349 --> 00:42:49,920

getting further and further down the

1120

00:42:53,750 --> 00:42:51,359

rabbit hole because

1121

00:42:55,829 --> 00:42:53,760

if you just take an outsider's

1122

00:42:57,910 --> 00:42:55,839

perspective and just like watch the

1123

00:42:59,510 --> 00:42:57,920

documentaries about it or the television

1124

00:43:01,829 --> 00:42:59,520

show you go well maybe there's something

1125

00:43:03,750 --> 00:43:01,839

interesting happening here but it is

1126

00:43:06,630 --> 00:43:03,760

just a form of entertainment largely

1127

00:43:09,109 --> 00:43:06,640

because we never get to any data or any

1128

00:43:10,630 --> 00:43:09,119

any conclusions because you got to keep

1129

00:43:13,270 --> 00:43:10,640

it going to keep you know we're going to

1130

00:43:15,430 --> 00:43:13,280

get a new season of the tv show we're

1131

00:43:18,230 --> 00:43:15,440

gonna get another book deal maybe a new

1132

00:43:19,670 --> 00:43:18,240

documentary because you know and isn't

1133

00:43:21,990 --> 00:43:19,680

it interesting this book what did you

1134

00:43:24,710 --> 00:43:22,000

think of the revelations about

1135

00:43:27,670 --> 00:43:24,720

asap is the one that had all the funding

1136

00:43:29,910 --> 00:43:27,680

and atip who lou alizando worked for or

1137

00:43:31,589 --> 00:43:29,920

headed depending on who you ask or had

1138

00:43:33,030 --> 00:43:31,599

no involvement in depending on who in

1139

00:43:35,270 --> 00:43:33,040

the government you asked

1140

00:43:37,109 --> 00:43:35,280

had no funding at all

1141

00:43:39,190 --> 00:43:37,119

are they kind of throwing shade on louis

1142

00:43:41,510 --> 00:43:39,200

elizondo and the story so far that we've

1143

00:43:44,790 --> 00:43:41,520

been told well that very well could be

1144

00:43:46,790 --> 00:43:44,800

that shade is is uh

1145

00:43:49,270 --> 00:43:46,800

you know i mean there should seems to be

1146

00:43:51,430 --> 00:43:49,280

some somebody's lying either this jerry

1147

00:43:53,349 --> 00:43:51,440

person and george snapper lying about

1148

00:43:54,390 --> 00:43:53,359

the sequence of events that lou once

1149

00:43:56,790 --> 00:43:54,400

described

1150

00:43:59,190 --> 00:43:56,800

or louisando is lying i don't think that

1151

00:44:01,430 --> 00:43:59,200

they can both be telling the truth

1152

00:44:03,589 --> 00:44:01,440

but i've heard lewin interviews speak

1153

00:44:05,030 --> 00:44:03,599

very nicely about this other person but

1154

00:44:07,670 --> 00:44:05,040

i don't know if that's some form of

1155

00:44:09,349 --> 00:44:07,680

deflection because he knows that they

1156

00:44:10,950 --> 00:44:09,359

almost caught him with his pants down

1157

00:44:12,790 --> 00:44:10,960

because he's the source of the new york

1158

00:44:14,710 --> 00:44:12,800

times article he's the source of these

1159

00:44:16,950 --> 00:44:14,720

videos getting released he's been

1160

00:44:19,190 --> 00:44:16,960

profiting from those the release of that

1161

00:44:21,430 --> 00:44:19,200

taxpayer owned

1162

00:44:23,030 --> 00:44:21,440

property in the form of this video ever

1163

00:44:25,829 --> 00:44:23,040

since it was released i don't know about

1164

00:44:27,270 --> 00:44:25,839

the ethics and morality of that like

1165

00:44:28,230 --> 00:44:27,280

you know i mean

1166

00:44:30,710 --> 00:44:28,240

because

1167

00:44:33,270 --> 00:44:30,720

the example that i think is like could

1168

00:44:36,309 --> 00:44:33,280

what if somebody in the intelligence

1169

00:44:38,550 --> 00:44:36,319

community okayed the release of a a

1170

00:44:41,270 --> 00:44:38,560

video from desert storm

1171

00:44:43,109 --> 00:44:41,280

showing whatever you know attacks on

1172

00:44:44,710 --> 00:44:43,119

civilians or whatever

1173

00:44:46,630 --> 00:44:44,720

and then he quit the government and then

1174

00:44:48,309 --> 00:44:46,640

he profited from the release of that

1175

00:44:51,589 --> 00:44:48,319

video for the next five years he wrote a

1176
00:44:53,910 --> 00:44:51,599
book about that video he he uh you know

1177
00:44:55,270 --> 00:44:53,920
got a tv deal would that be an ethical

1178
00:44:56,790 --> 00:44:55,280
thing to do

1179
00:44:58,390 --> 00:44:56,800
and i don't think so that's just my

1180
00:45:00,790 --> 00:44:58,400
purpose i don't think so and i don't

1181
00:45:02,630 --> 00:45:00,800
think anybody that really had you know i

1182
00:45:05,589 --> 00:45:02,640
mean was as

1183
00:45:06,950 --> 00:45:05,599
is embedded in the government uh you

1184
00:45:09,430 --> 00:45:06,960
know you just don't

1185
00:45:10,470 --> 00:45:09,440
you don't sign your life away and make

1186
00:45:12,710 --> 00:45:10,480
oaths

1187
00:45:14,790 --> 00:45:12,720
uh to go out and kind of pull some of

1188
00:45:16,790 --> 00:45:14,800

this this stuff that we see i mean

1189

00:45:18,870 --> 00:45:16,800

people that hold these

1190

00:45:21,349 --> 00:45:18,880

secret top secret clearances people that

1191

00:45:23,030 --> 00:45:21,359

have been involved in things don't go

1192

00:45:24,390 --> 00:45:23,040

out there and broadcast things this is

1193

00:45:26,950 --> 00:45:24,400

very serious and there are a lot of

1194

00:45:28,790 --> 00:45:26,960

people's lives who are on the line

1195

00:45:31,030 --> 00:45:28,800

as a result of this and so i think you

1196

00:45:34,550 --> 00:45:31,040

have to to ask a lot of questions about

1197

00:45:36,630 --> 00:45:34,560

what the motivations are behind this and

1198

00:45:37,670 --> 00:45:36,640

it's usually money though we've seen a

1199

00:45:39,750 --> 00:45:37,680

lot of them

1200

00:45:43,030 --> 00:45:39,760

and with all the money you go

1201

00:45:44,870 --> 00:45:43,040

oh that's why he released that video

1202

00:45:47,109 --> 00:45:44,880

that's why he got that video released so

1203

00:45:48,870 --> 00:45:47,119

you can make some money off of it later

1204

00:45:50,630 --> 00:45:48,880

and then you know i think i think the

1205

00:45:52,710 --> 00:45:50,640

the funny thing is when you you know i

1206

00:45:55,030 --> 00:45:52,720

mean you also go out there and you you

1207

00:45:57,349 --> 00:45:55,040

really strategically listen to

1208

00:45:59,750 --> 00:45:57,359

the things that these people are saying

1209

00:46:03,430 --> 00:45:59,760

and you hear the way they're using

1210

00:46:04,950 --> 00:46:03,440

specific uh words specific phrases you

1211

00:46:08,630 --> 00:46:04,960

know you've got to distrust the

1212

00:46:10,630 --> 00:46:08,640

government we need to rise up we need to

1213

00:46:13,829 --> 00:46:10,640

you know yadda yadda yadda i mean it

1214

00:46:16,470 --> 00:46:13,839

it's it's about again promoting a

1215

00:46:18,710 --> 00:46:16,480

conspiracy culture a culture that is

1216

00:46:20,870 --> 00:46:18,720

distrusting the government and then we

1217

00:46:23,430 --> 00:46:20,880

can oh hey i might be thrown in the hat

1218

00:46:24,230 --> 00:46:23,440

to run for office you know i might be

1219

00:46:26,230 --> 00:46:24,240

doing

1220

00:46:28,230 --> 00:46:26,240

you know all of this you know stuff and

1221

00:46:30,710 --> 00:46:28,240

then i might get a speaking tour on all

1222

00:46:32,309 --> 00:46:30,720

the ufo conference circuits i might get

1223

00:46:33,829 --> 00:46:32,319

a book deal right

1224

00:46:35,589 --> 00:46:33,839

and you know i wanted to ask you because

1225

00:46:38,309 --> 00:46:35,599

you've been studying this phenomenon for

1226

00:46:40,470 --> 00:46:38,319

probably longer than me and and you have

1227

00:46:42,470 --> 00:46:40,480

some understanding of how things work

1228

00:46:45,109 --> 00:46:42,480

here and like i've never understood

1229

00:46:46,710 --> 00:46:45,119

something with these uh former

1230

00:46:49,510 --> 00:46:46,720

government people

1231

00:46:52,950 --> 00:46:49,520

suddenly you know finding religion i

1232

00:46:54,710 --> 00:46:52,960

guess or morality and saying you know

1233

00:46:57,910 --> 00:46:54,720

i've been uh one of the people keeping

1234

00:46:59,589 --> 00:46:57,920

these secrets but i'm going to tell i'm

1235

00:47:01,030 --> 00:46:59,599

going to bring about disclosure i'm

1236

00:47:03,190 --> 00:47:01,040

going to tell everybody the truth about

1237

00:47:05,910 --> 00:47:03,200

those aliens even though i never really

1238

00:47:09,670 --> 00:47:05,920

do tell the truth and you know cite my

1239

00:47:11,829 --> 00:47:09,680

ndas when when it's convenient to like

1240

00:47:13,750 --> 00:47:11,839

we've been taught that the government

1241

00:47:15,990 --> 00:47:13,760

has been keeping this thing secret for

1242

00:47:17,510 --> 00:47:16,000

70 years but now suddenly we're supposed

1243

00:47:20,470 --> 00:47:17,520

to believe that a bunch of people that

1244

00:47:22,069 --> 00:47:20,480

were formerly parts of this cog cons in

1245

00:47:24,230 --> 00:47:22,079

the wheel of this

1246

00:47:25,750 --> 00:47:24,240

of this nightmare machine are suddenly

1247

00:47:27,349 --> 00:47:25,760

going to come to

1248

00:47:29,349 --> 00:47:27,359

you know the table and bring us the

1249

00:47:31,990 --> 00:47:29,359

truth and i have a real problem with

1250

00:47:34,870 --> 00:47:32,000

this i do too i mean i as far as i'm

1251

00:47:37,190 --> 00:47:34,880

concerned if jeremy corbell is the

1252

00:47:39,349 --> 00:47:37,200

bringer of disclosure then just i am

1253

00:47:40,309 --> 00:47:39,359

going off world you know get me to that

1254

00:47:42,630 --> 00:47:40,319

freaking

1255

00:47:44,950 --> 00:47:42,640

jump room where i can go to mars

1256

00:47:46,790 --> 00:47:44,960

because it's like

1257

00:47:49,670 --> 00:47:46,800

you know that's just not not working for

1258

00:47:51,750 --> 00:47:49,680

me i mean if there was something truly

1259

00:47:53,270 --> 00:47:51,760

truly at play here and there was a

1260

00:47:55,430 --> 00:47:53,280

disclosure

1261

00:47:57,829 --> 00:47:55,440

uh happening we we wouldn't have the

1262

00:47:59,829 --> 00:47:57,839

people coming forward that are coming

1263

00:48:02,710 --> 00:47:59,839

coming forward to talk about it this

1264

00:48:03,750 --> 00:48:02,720

would be far more serious and they

1265

00:48:05,430 --> 00:48:03,760

certainly

1266

00:48:06,390 --> 00:48:05,440

wouldn't be going to conferences with

1267

00:48:08,390 --> 00:48:06,400

different people that have been

1268

00:48:09,910 --> 00:48:08,400

promoting a bunch of garbage

1269

00:48:12,069 --> 00:48:09,920

for 30 years

1270

00:48:14,150 --> 00:48:12,079

so yeah i just got in trouble on twitter

1271

00:48:16,549 --> 00:48:14,160

because i did open my mouth about

1272

00:48:18,470 --> 00:48:16,559

somebody did a ufo crash retrieval panel

1273

00:48:21,190 --> 00:48:18,480

with ufo jesus

1274

00:48:23,510 --> 00:48:21,200

and i just said nothing says serious

1275

00:48:25,510 --> 00:48:23,520

incredible research like having ufo

1276

00:48:26,630 --> 00:48:25,520

jesus on your panel

1277

00:48:29,349 --> 00:48:26,640

to talk about

1278

00:48:32,630 --> 00:48:29,359

ufo crashes you know like it's such a

1279

00:48:35,030 --> 00:48:32,640

circus anymore that i just and this

1280

00:48:36,950 --> 00:48:35,040

and the circus ring leaders are the ones

1281

00:48:38,630 --> 00:48:36,960

that are winning at the game because

1282

00:48:39,750 --> 00:48:38,640

they're just

1283

00:48:42,230 --> 00:48:39,760

out there

1284

00:48:45,270 --> 00:48:42,240

giving people the circus right well and

1285

00:48:48,630 --> 00:48:45,280

and this is why i am in i'm my my puppet

1286

00:48:50,710 --> 00:48:48,640

show is is currently in production

1287

00:48:53,510 --> 00:48:50,720

i've already done mine i know you added

1288

00:48:55,190 --> 00:48:53,520

one yeah i did i did and

1289

00:48:57,510 --> 00:48:55,200

it's great to blow off steam and it's

1290

00:48:59,270 --> 00:48:57,520

fun well i've got some things going on

1291

00:49:00,950 --> 00:48:59,280

because it's just like

1292

00:49:02,150 --> 00:49:00,960

you know you can just see you know it's

1293

00:49:04,630 --> 00:49:02,160

like the the

1294

00:49:06,470 --> 00:49:04,640

wizard of oz you've got this you know

1295

00:49:08,790 --> 00:49:06,480

little man behind a curtain who's

1296

00:49:11,510 --> 00:49:08,800

appearing to be much bigger and and all

1297

00:49:13,349 --> 00:49:11,520

of the flying monkeys and and you know i

1298

00:49:15,190 --> 00:49:13,359

mean i need more flying monkeys on my

1299

00:49:17,109 --> 00:49:15,200

show

1300

00:49:18,710 --> 00:49:17,119

people accuse me of running the circus

1301

00:49:21,270 --> 00:49:18,720

and i just want to point out in my

1302

00:49:22,150 --> 00:49:21,280

defense i'm not running the circus i'm

1303

00:49:27,589 --> 00:49:22,160

just

1304

00:49:32,069 --> 00:49:27,599

okay so well and you know i mean it's

1305

00:49:34,069 --> 00:49:32,079

it's funny it's like i i mean i i'm i've

1306

00:49:35,829 --> 00:49:34,079

if you go back and you listen to my very

1307

00:49:38,790 --> 00:49:35,839

first show

1308

00:49:42,069 --> 00:49:38,800

and you follow my work you you can see a

1309

00:49:44,309 --> 00:49:42,079

very candid and painful process

1310

00:49:45,030 --> 00:49:44,319

of me going through this you know where

1311

00:49:51,270 --> 00:49:45,040

i

1312

00:49:54,870 --> 00:49:51,280

you know and and

1313

00:49:56,630 --> 00:49:54,880

blindly following because i felt you

1314

00:49:58,150 --> 00:49:56,640

know honestly that this you know there

1315

00:50:00,470 --> 00:49:58,160

was something so cool and i'm a

1316

00:50:02,549 --> 00:50:00,480

supportive person you know i i want to

1317

00:50:05,750 --> 00:50:02,559

give people the benefit of the doubt and

1318

00:50:08,390 --> 00:50:05,760

i do and sometimes that is my to my

1319

00:50:09,510 --> 00:50:08,400

detriment obviously um

1320

00:50:11,109 --> 00:50:09,520

but

1321

00:50:12,630 --> 00:50:11,119

you know i've learned so much and it's

1322

00:50:14,150 --> 00:50:12,640

all out there go back and listen to it

1323

00:50:16,230 --> 00:50:14,160

i'm not a skeptic

1324

00:50:19,430 --> 00:50:16,240

but what i am is an intelligent human

1325

00:50:21,829 --> 00:50:19,440

being who was learned and who was seen

1326

00:50:23,670 --> 00:50:21,839

and who understands and has a

1327

00:50:26,549 --> 00:50:23,680

beautiful archive and i can look back at

1328

00:50:28,390 --> 00:50:26,559

the history and see the same grift being

1329

00:50:30,470 --> 00:50:28,400

repeated and

1330

00:50:32,870 --> 00:50:30,480

interestingly enough it's like what's

1331

00:50:34,710 --> 00:50:32,880

the time loop david talking about time

1332

00:50:37,270 --> 00:50:34,720

loops right now while he's pitching the

1333

00:50:41,510 --> 00:50:39,430

10 years ago he was pitching the same

1334

00:50:43,109 --> 00:50:41,520

garbage ten years ago

1335

00:50:45,349 --> 00:50:43,119

well you know and i have to say that

1336

00:50:47,990 --> 00:50:45,359

some of these people i've been at at

1337

00:50:48,870 --> 00:50:48,000

conferences with and i've seen

1338

00:50:50,790 --> 00:50:48,880

um

1339

00:50:51,750 --> 00:50:50,800

some of the shenanigans you've seen this

1340

00:50:54,549 --> 00:50:51,760

you know

1341

00:50:56,630 --> 00:50:54,559

god help me there's not enough freaking

1342

00:50:59,589 --> 00:50:56,640

therapy to get over some of those things

1343

00:51:01,589 --> 00:50:59,599

whatever but i think um

1344

00:51:04,230 --> 00:51:01,599

you know for me to be there's one

1345

00:51:05,750 --> 00:51:04,240

specific moment that really had an

1346

00:51:07,430 --> 00:51:05,760

impact on me i was speaking at a

1347

00:51:08,470 --> 00:51:07,440

conference and

1348

00:51:09,670 --> 00:51:08,480

i was

1349

00:51:10,470 --> 00:51:09,680

um

1350

00:51:12,390 --> 00:51:10,480

you know

1351

00:51:15,190 --> 00:51:12,400

a lovely time i was sitting there with

1352

00:51:17,349 --> 00:51:15,200

the only black man in ufology who i love

1353

00:51:18,790 --> 00:51:17,359

and who's been on my my show but we were

1354

00:51:20,069 --> 00:51:18,800

sitting there and he was speaking but we

1355

00:51:22,470 --> 00:51:20,079

were sitting back the news with my dear

1356

00:51:24,390 --> 00:51:22,480

friend craig lang who was passed away he

1357

00:51:25,750 --> 00:51:24,400

was an abduction abduction researcher

1358

00:51:27,349 --> 00:51:25,760

from mufon

1359

00:51:30,710 --> 00:51:27,359

and

1360

00:51:31,750 --> 00:51:30,720

there was a fellow uh jordan sather um

1361

00:51:35,270 --> 00:51:31,760

who was

1362

00:51:37,190 --> 00:51:35,280

doing stuff but he was kind of brought

1363

00:51:37,990 --> 00:51:37,200

in you know under

1364

00:51:39,829 --> 00:51:38,000

uh

1365

00:51:41,670 --> 00:51:39,839

you know the new age kind of thing and

1366

00:51:43,109 --> 00:51:41,680

he was there and he'd i had asked him

1367

00:51:45,349 --> 00:51:43,119

you know what are you we don't say that

1368

00:51:46,230 --> 00:51:45,359

letter of the alphabet here oh just so

1369

00:51:48,230 --> 00:51:46,240

you know

1370

00:51:50,710 --> 00:51:48,240

we just say the letter the alphabet

1371

00:51:53,349 --> 00:51:50,720

conspiracy okay youtube doesn't like

1372

00:51:56,630 --> 00:51:54,630

yeah i know what conference you're

1373

00:51:58,150 --> 00:51:56,640

talking about though it was like a

1374

00:52:00,309 --> 00:51:58,160

contact in the desert that he got

1375

00:52:02,150 --> 00:52:00,319

invited well it was a different

1376

00:52:04,470 --> 00:52:02,160

different one

1377

00:52:06,790 --> 00:52:04,480

yeah i was there and i watched um a

1378

00:52:09,030 --> 00:52:06,800

beautiful presentation about health and

1379

00:52:10,710 --> 00:52:09,040

wellness and all of these slides that

1380

00:52:13,670 --> 00:52:10,720

were just gorgeous i mean i wish i could

1381

00:52:15,990 --> 00:52:13,680

do a powerpoint um that was you know

1382

00:52:17,270 --> 00:52:16,000

that that together um but it was

1383

00:52:19,510 --> 00:52:17,280

interesting everything was black and

1384

00:52:21,910 --> 00:52:19,520

white until

1385

00:52:24,069 --> 00:52:21,920

you've got a scene of a crowd

1386

00:52:28,470 --> 00:52:24,079

and then you've got in color over to the

1387

00:52:32,950 --> 00:52:30,069

in color

1388

00:52:36,390 --> 00:52:32,960

and then you know three three uh slides

1389

00:52:37,349 --> 00:52:36,400

later there's a beautiful uh photo of

1390

00:52:39,030 --> 00:52:37,359

hitler

1391

00:52:41,190 --> 00:52:39,040

with a quote

1392

00:52:44,790 --> 00:52:41,200

you know from mein kampf and and i'm

1393

00:52:48,950 --> 00:52:47,190

what is he doing right i mean like i

1394

00:52:51,349 --> 00:52:48,960

mean it just i sat there and it made me

1395

00:52:52,710 --> 00:52:51,359

so physically ill i had to leave

1396

00:52:55,349 --> 00:52:52,720

because i just

1397

00:52:56,470 --> 00:52:55,359

thought um

1398

00:53:01,589 --> 00:52:56,480

this is

1399

00:53:03,829 --> 00:53:01,599

going to these conferences we are

1400

00:53:05,910 --> 00:53:03,839

getting you know i mean we're being sold

1401

00:53:07,750 --> 00:53:05,920

a bill of goods and yet we don't

1402

00:53:10,230 --> 00:53:07,760

understand how dangerous what we're

1403

00:53:12,630 --> 00:53:10,240

being told is and when you look at the

1404

00:53:14,390 --> 00:53:12,640

benevolent space brothers and you look

1405

00:53:15,670 --> 00:53:14,400

at their hand signals

1406

00:53:18,069 --> 00:53:15,680

and you look at the fact that there are

1407

00:53:20,870 --> 00:53:18,079

these tall nordics you know with blonde

1408

00:53:22,790 --> 00:53:20,880

hair and blue eyes who are superior i

1409

00:53:23,589 --> 00:53:22,800

mean you've got to kind of step back and

1410

00:53:25,270 --> 00:53:23,599

say

1411

00:53:28,549 --> 00:53:25,280

there's a problem here

1412

00:53:31,030 --> 00:53:28,559

and if we don't get that as grown adults

1413

00:53:32,309 --> 00:53:31,040

uh yes then i don't know what to tell

1414

00:53:34,150 --> 00:53:32,319

you good luck

1415

00:53:36,470 --> 00:53:34,160

but it's concerning you know some of

1416

00:53:38,470 --> 00:53:36,480

these conspiracy theorists you know i

1417

00:53:40,309 --> 00:53:38,480

don't think they care but they have i

1418

00:53:42,069 --> 00:53:40,319

think when you have a huge following

1419

00:53:44,230 --> 00:53:42,079

you've got a responsibility and they're

1420

00:53:46,630 --> 00:53:44,240

giving people health advice or they're

1421

00:53:48,470 --> 00:53:46,640

selling fake medical devices or you know

1422

00:53:50,950 --> 00:53:48,480

i love the med beds

1423

00:53:53,109 --> 00:53:50,960

the new med bed scams that's great

1424

00:53:55,430 --> 00:53:53,119

they're gonna take you up to a stargate

1425

00:53:57,990 --> 00:53:55,440

into a spaceship

1426
00:53:59,829 --> 00:53:58,000
and give you a med bed session for 250

1427
00:54:02,309 --> 00:53:59,839
but then at the end of the ad copy they

1428
00:54:03,109 --> 00:54:02,319
say it's just a skype call

1429
00:54:04,870 --> 00:54:03,119
so

1430
00:54:06,870 --> 00:54:04,880
there's that

1431
00:54:09,349 --> 00:54:06,880
but yeah these guys have sometimes these

1432
00:54:11,430 --> 00:54:09,359
people have huge followings and i worry

1433
00:54:13,109 --> 00:54:11,440
about their influence over people

1434
00:54:15,109 --> 00:54:13,119
especially when they're giving terrible

1435
00:54:16,390 --> 00:54:15,119
health advice or you know giving health

1436
00:54:18,549 --> 00:54:16,400
advice at all

1437
00:54:19,430 --> 00:54:18,559
you know or uh

1438
00:54:20,230 --> 00:54:19,440

you know

1439

00:54:22,069 --> 00:54:20,240

this

1440

00:54:24,230 --> 00:54:22,079

conspiracy mindset you know people have

1441

00:54:26,309 --> 00:54:24,240

been murdered over this because they get

1442

00:54:28,150 --> 00:54:26,319

too deep into it right right i mean

1443

00:54:29,510 --> 00:54:28,160

people people have committed suicide

1444

00:54:30,870 --> 00:54:29,520

people there have been a lot of really

1445

00:54:32,150 --> 00:54:30,880

negative things

1446

00:54:34,470 --> 00:54:32,160

um

1447

00:54:36,069 --> 00:54:34,480

you know that that have happened and i

1448

00:54:37,910 --> 00:54:36,079

just think people need to be aware of

1449

00:54:39,030 --> 00:54:37,920

that there's a really really really dark

1450

00:54:41,030 --> 00:54:39,040

side

1451
00:54:41,910 --> 00:54:41,040
of this and

1452
00:54:44,630 --> 00:54:41,920
and

1453
00:54:47,030 --> 00:54:44,640
light for

1454
00:54:50,390 --> 00:54:47,040
you know god's sakes run away it's not

1455
00:54:52,230 --> 00:54:50,400
the place no it's not you know and yeah

1456
00:54:54,470 --> 00:54:52,240
i love people like corey good you know

1457
00:54:57,589 --> 00:54:54,480
he's earth's galactic ambassador he was

1458
00:54:59,910 --> 00:54:57,599
chosen out of everybody on earth to be

1459
00:55:02,230 --> 00:54:59,920
this super advanced

1460
00:55:04,870 --> 00:55:02,240
intelligent species spokesperson on

1461
00:55:06,950 --> 00:55:04,880
earth and he's all loving light and be

1462
00:55:09,910 --> 00:55:06,960
of more service to others and all he

1463
00:55:12,870 --> 00:55:09,920

does is make up stories and sell garbage

1464

00:55:14,950 --> 00:55:12,880

to people and sue people who say his

1465

00:55:16,630 --> 00:55:14,960

stories are not true

1466

00:55:18,150 --> 00:55:16,640

you know there's people right now

1467

00:55:20,309 --> 00:55:18,160

getting sued

1468

00:55:21,990 --> 00:55:20,319

because they have the audacity to go on

1469

00:55:23,990 --> 00:55:22,000

the internet and say maybe he's not

1470

00:55:27,349 --> 00:55:24,000

really talking to bluebird aliens and

1471

00:55:30,390 --> 00:55:27,359

inner earth people so who's his lawyer

1472

00:55:33,190 --> 00:55:30,400

uh is this some danny sheen

1473

00:55:34,390 --> 00:55:33,200

no no it's uh it's a yaneros it's the

1474

00:55:37,030 --> 00:55:34,400

sister of

1475

00:55:39,990 --> 00:55:37,040

teresa narrows i think it's valerie in

1476

00:55:42,630 --> 00:55:40,000

arrows and she is suing all kinds of

1477

00:55:43,910 --> 00:55:42,640

people i think i can't i i lost track i

1478

00:55:46,230 --> 00:55:43,920

don't know how many people i think it's

1479

00:55:49,030 --> 00:55:46,240

like 10 10 people are being sued by gory

1480

00:55:51,750 --> 00:55:49,040

good at once his former business partner

1481

00:55:54,230 --> 00:55:51,760

his uh former uh conference organizer

1482

00:55:56,069 --> 00:55:54,240

he's suing her he's suing uh he's

1483

00:55:57,589 --> 00:55:56,079

threatening that he may sue jordan sater

1484

00:56:00,549 --> 00:55:57,599

or jordan say there's threatening and he

1485

00:56:02,069 --> 00:56:00,559

may sue him yeah yeah all the money he

1486

00:56:04,150 --> 00:56:02,079

didn't give jordan say there the money

1487

00:56:06,549 --> 00:56:04,160

from that one documentary

1488

00:56:08,630 --> 00:56:06,559

and uh yeah it's a big mess and then

1489

00:56:11,510 --> 00:56:08,640

he's suing some lawyer from new jersey

1490

00:56:13,510 --> 00:56:11,520

uh more commonly known as cw channel

1491

00:56:14,870 --> 00:56:13,520

because he had the audacity to just he

1492

00:56:17,430 --> 00:56:14,880

used to just do

1493

00:56:19,510 --> 00:56:17,440

um critique videos like corey good would

1494

00:56:21,589 --> 00:56:19,520

make a video cw channel would make a

1495

00:56:23,750 --> 00:56:21,599

video and go through the video and go

1496

00:56:25,829 --> 00:56:23,760

this is ridiculous and here's why you

1497

00:56:28,069 --> 00:56:25,839

know or point out like the stupid stuff

1498

00:56:29,750 --> 00:56:28,079

that he says was stupid like if

1499

00:56:31,430 --> 00:56:29,760

spaceships really were landed in his

1500

00:56:33,750 --> 00:56:31,440

backyard to take him to the lunar

1501

00:56:35,109 --> 00:56:33,760

command outpost somebody would have seen

1502

00:56:36,549 --> 00:56:35,119

a spaceship in his neighbor his

1503

00:56:39,190 --> 00:56:36,559

neighbors would have seen a spaceship

1504

00:56:41,829 --> 00:56:39,200

you know something but he just starts

1505

00:56:45,670 --> 00:56:41,839

suing people to stop anybody from being

1506

00:56:49,190 --> 00:56:47,430

and there's so many other important

1507

00:56:50,789 --> 00:56:49,200

things that really we need to get

1508

00:56:52,710 --> 00:56:50,799

through yeah in the middle of a global

1509

00:56:55,030 --> 00:56:52,720

pandemic right well people you know what

1510

00:56:59,510 --> 00:56:55,040

i'm saying is buck rogers space fantasy

1511

00:57:01,829 --> 00:56:59,520

stories aren't real having you know

1512

00:57:03,910 --> 00:57:01,839

going on let's just sue people that say

1513

00:57:05,510 --> 00:57:03,920

my buck rogers science fiction fantasy

1514

00:57:06,870 --> 00:57:05,520

stories i've been telling for five years

1515

00:57:08,789 --> 00:57:06,880

with no proof

1516

00:57:11,349 --> 00:57:08,799

aren't true and then there are people

1517

00:57:12,950 --> 00:57:11,359

that are being abused you know whether

1518

00:57:15,270 --> 00:57:12,960

with domestic abuse there are people

1519

00:57:17,190 --> 00:57:15,280

that are people

1520

00:57:19,109 --> 00:57:17,200

right there's so many other

1521

00:57:21,750 --> 00:57:19,119

forms there's so many other ways we

1522

00:57:24,069 --> 00:57:21,760

could use our judicial system than to

1523

00:57:25,829 --> 00:57:24,079

have these flagrant lawsuits

1524

00:57:27,349 --> 00:57:25,839

you know and that's really an insult on

1525

00:57:29,430 --> 00:57:27,359

people that are having some serious

1526

00:57:31,030 --> 00:57:29,440

issues and we have to deal with that

1527

00:57:35,190 --> 00:57:31,040

kind of crap being put in there i mean

1528

00:57:38,309 --> 00:57:36,950

i'm supposed to say audacity a lot

1529

00:57:41,910 --> 00:57:38,319

because everybody wants to take a hit or

1530

00:57:45,109 --> 00:57:43,829

you see this high quality audience we

1531

00:57:47,510 --> 00:57:45,119

have here they're all looking for an

1532

00:57:49,349 --> 00:57:47,520

excuse to get higher than they all

1533

00:57:50,630 --> 00:57:49,359

already are

1534

00:57:52,390 --> 00:57:50,640

right so

1535

00:57:54,309 --> 00:57:52,400

i i wanted to talk to you a bit about

1536

00:57:55,349 --> 00:57:54,319

some of your historical preservations i

1537

00:57:57,829 --> 00:57:55,359

know we're kind of running out of time

1538

00:58:00,390 --> 00:57:57,839

so i'll try to make it quick um

1539

00:58:02,710 --> 00:58:00,400

but you are real big on preserving the

1540

00:58:05,030 --> 00:58:02,720

history of some of this stuff to the

1541

00:58:07,270 --> 00:58:05,040

point of going when somebody dies or

1542

00:58:09,670 --> 00:58:07,280

when they you know to try to get their

1543

00:58:10,870 --> 00:58:09,680

research and digitize it right is that

1544

00:58:13,109 --> 00:58:10,880

what you're doing and making it

1545

00:58:14,710 --> 00:58:13,119

available for everybody i am and i

1546

00:58:16,710 --> 00:58:14,720

that's a public service i want to thank

1547

00:58:18,950 --> 00:58:16,720

you for because i love looking through

1548

00:58:20,470 --> 00:58:18,960

looking through papers and you know of

1549

00:58:21,990 --> 00:58:20,480

researchers

1550

00:58:23,750 --> 00:58:22,000

you know it's you never know what you're

1551

00:58:26,630 --> 00:58:23,760

going to find in there right it's like a

1552

00:58:28,710 --> 00:58:26,640

treasure hunt you know well i i started

1553

00:58:30,470 --> 00:58:28,720

gosh i mean i guess almost 10 years ago

1554

00:58:31,589 --> 00:58:30,480

i was

1555

00:58:33,910 --> 00:58:31,599

sent

1556

00:58:34,870 --> 00:58:33,920

a huge box i mean

1557

00:58:38,069 --> 00:58:34,880

from

1558

00:58:39,829 --> 00:58:38,079

keith chester who did a great book on

1559

00:58:41,270 --> 00:58:39,839

foo fighters and he's a brilliant

1560

00:58:43,430 --> 00:58:41,280

researcher he spent so much time at the

1561

00:58:45,670 --> 00:58:43,440

national archives and he didn't know me

1562

00:58:47,750 --> 00:58:45,680

but he had heard about me and so he sent

1563

00:58:50,309 --> 00:58:47,760

me all of these things and

1564

00:58:53,430 --> 00:58:50,319

i was you know i mean i opened that box

1565

00:58:54,950 --> 00:58:53,440

and i'm like oh my gosh this is how cool

1566

00:58:57,030 --> 00:58:54,960

is this and so

1567

00:58:57,910 --> 00:58:57,040

from from there i had people like fran

1568

00:59:00,789 --> 00:58:57,920

ridge

1569

00:59:03,349 --> 00:59:00,799

uh send me things uh jan aldrich barry

1570

00:59:05,910 --> 00:59:03,359

greenwood has been very instrumental in

1571

00:59:07,750 --> 00:59:05,920

helping me learn how to archive

1572

00:59:10,309 --> 00:59:07,760

and to preserve history and barry

1573

00:59:11,670 --> 00:59:10,319

greenwood is my mentor

1574

00:59:13,990 --> 00:59:11,680

you hear me talk about him he wrote

1575

00:59:17,270 --> 00:59:14,000

clear intent with his co-author larry

1576

00:59:18,789 --> 00:59:17,280

fawcett but i have now thanks to gordon

1577

00:59:22,230 --> 00:59:18,799

lore who used to be

1578

00:59:24,950 --> 00:59:22,240

with nycap back in the late 60s who also

1579

00:59:28,230 --> 00:59:24,960

donated his archive to me

1580

00:59:30,630 --> 00:59:28,240

i have the androphophiles rich vitello

1581

00:59:32,549 --> 00:59:30,640

has donated to me norm uh

1582

00:59:34,950 --> 00:59:32,559

anyone i mean i've had people from all

1583

00:59:37,829 --> 00:59:34,960

over who have sent things to me to be

1584

00:59:41,910 --> 00:59:37,839

preserved and i am i mean it's it's i've

1585

00:59:44,069 --> 00:59:41,920

got 70 70 bankers boxes full

1586

00:59:56,870 --> 00:59:44,079

of documents that have never been seen

1587

01:00:01,829 --> 00:59:59,030

one little thing here this is like the

1588

01:00:03,349 --> 01:00:01,839

catalina channel islands

1589

01:00:05,430 --> 01:00:03,359

uh cases

1590

01:00:07,670 --> 01:00:05,440

from uh i mean way back when so you've

1591

01:00:08,630 --> 01:00:07,680

got these things this is so cool i'm

1592

01:00:11,030 --> 01:00:08,640

like

1593

01:00:13,430 --> 01:00:11,040

original you know handwritten

1594

01:00:17,109 --> 01:00:13,440

notes about these stories their

1595

01:00:19,670 --> 01:00:17,119

communications uh from nycap from the

1596

01:00:22,470 --> 01:00:19,680

sheriff's department of los angeles

1597

01:00:24,230 --> 01:00:22,480

um all the paperwork i mean all of this

1598

01:00:25,910 --> 01:00:24,240

stuff that's a treasure trove i love

1599

01:00:28,789 --> 01:00:25,920

stuff like that especially historical

1600

01:00:30,390 --> 01:00:28,799

documents and police reports it is like

1601
01:00:31,829 --> 01:00:30,400
i'm telling you it is like so freaking

1602
01:00:34,390 --> 01:00:31,839
cool and then all of these

1603
01:00:37,430 --> 01:00:34,400
correspondence between hynek

1604
01:00:39,829 --> 01:00:37,440
and and and ruffle i made correspondence

1605
01:00:41,190 --> 01:00:39,839
with uh i mean jacques valet i've got

1606
01:00:42,870 --> 01:00:41,200
yeah back in the day people used to

1607
01:00:45,990 --> 01:00:42,880
write these snail mail letters there was

1608
01:00:48,309 --> 01:00:46,000
no email so that's so amazing i mean

1609
01:00:51,430 --> 01:00:48,319
i've got over 100 audio cassettes of her

1610
01:00:53,190 --> 01:00:51,440
interviewing people like jacques valet

1611
01:00:55,829 --> 01:00:53,200
different people for the book that she

1612
01:00:58,549 --> 01:00:55,839
wrote firestorm on the life of dr james

1613
01:01:00,789 --> 01:00:58,559

mcdonald and the autopsy reports when

1614

01:01:03,349 --> 01:01:00,799

she was doing it she was digging into

1615

01:01:05,109 --> 01:01:03,359

his death that was ruled a suicide she

1616

01:01:07,670 --> 01:01:05,119

thought there might have been foul play

1617

01:01:10,789 --> 01:01:07,680

involved but i mean it's just these

1618

01:01:13,270 --> 01:01:10,799

nobody has seen this and so for me to

1619

01:01:14,470 --> 01:01:13,280

hold this this kind of stuff in my hand

1620

01:01:16,230 --> 01:01:14,480

and to know that i have the

1621

01:01:17,349 --> 01:01:16,240

responsibility to make sure that this is

1622

01:01:18,549 --> 01:01:17,359

preserved

1623

01:01:20,230 --> 01:01:18,559

passed on

1624

01:01:22,789 --> 01:01:20,240

shared with people yeah i wouldn't want

1625

01:01:24,870 --> 01:01:22,799

to digitize 70 boxes of papers so good

1626

01:01:26,549 --> 01:01:24,880

luck you know what it's i've done a

1627

01:01:29,190 --> 01:01:26,559

little bit of time i'm doing a little

1628

01:01:31,349 --> 01:01:29,200

bit of time i've i'm getting my stride

1629

01:01:33,910 --> 01:01:31,359

gotta micromanage it do so much a week

1630

01:01:36,390 --> 01:01:33,920

right yeah and so you'll get through it

1631

01:01:38,950 --> 01:01:36,400

but it's just like i mean i i've learned

1632

01:01:42,069 --> 01:01:38,960

so much and it and i think it makes

1633

01:01:44,710 --> 01:01:42,079

people uncomfortable because i've got 60

1634

01:01:46,630 --> 01:01:44,720

years worth of correspondence

1635

01:01:48,950 --> 01:01:46,640

with some of these people who've been

1636

01:01:50,870 --> 01:01:48,960

promoting the same nonsense for a long

1637

01:01:52,789 --> 01:01:50,880

time

1638

01:01:54,789 --> 01:01:52,799

so you got some nuggets in there oh i've

1639

01:01:56,789 --> 01:01:54,799

got nuggets we've got a great question

1640

01:01:58,309 --> 01:01:56,799

because i'm not familiar matthew riot is

1641

01:01:59,510 --> 01:01:58,319

here thank you for the content yeah

1642

01:02:01,349 --> 01:01:59,520

super chat we're going to read all the

1643

01:02:03,829 --> 01:02:01,359

super chats after the interview but

1644

01:02:09,349 --> 01:02:03,839

what's erica's documentary on

1645

01:02:15,829 --> 01:02:12,630

so i i went over to norway um back in

1646

01:02:17,510 --> 01:02:15,839

2017 and went to this wonderful little

1647

01:02:19,109 --> 01:02:17,520

norwegian valley where they're doing the

1648

01:02:23,349 --> 01:02:19,119

most amazing

1649

01:02:25,750 --> 01:02:23,359

ufo research on the planet uh 35 years

1650

01:02:27,750 --> 01:02:25,760

plus and they actually have scientists

1651
01:02:30,390 --> 01:02:27,760
who are collecting data and amazingly

1652
01:02:31,910 --> 01:02:30,400
enough their cameras aren't getting cut

1653
01:02:33,910 --> 01:02:31,920
and things and they aren't sending up

1654
01:02:36,549 --> 01:02:33,920
dim wooded security guards to hide in

1655
01:02:39,190 --> 01:02:36,559
bushes in their ghillie suits to you

1656
01:02:41,670 --> 01:02:39,200
know scare oncoming people it's actually

1657
01:02:46,150 --> 01:02:44,230
so it's actually a scientific

1658
01:02:47,670 --> 01:02:46,160
uh process over there and so i went over

1659
01:02:49,990 --> 01:02:47,680
there and i filmed some of these things

1660
01:02:53,270 --> 01:02:50,000
and i do not matthew i don't i had bits

1661
01:02:55,270 --> 01:02:53,280
and pieces of what i filmed over there i

1662
01:02:57,750 --> 01:02:55,280
don't have the whole thing out there but

1663
01:02:59,190 --> 01:02:57,760

i will get get to that

1664

01:03:01,270 --> 01:02:59,200

um so

1665

01:03:03,349 --> 01:03:01,280

yeah she's a busy lady she's got pages

1666

01:03:05,750 --> 01:03:03,359

to digitize tapes to digitize matthew

1667

01:03:07,430 --> 01:03:05,760

wright is offering any cassettes

1668

01:03:09,190 --> 01:03:07,440

digitized let me know erica just got

1669

01:03:12,069 --> 01:03:09,200

done with a bunch myself for the discord

1670

01:03:13,510 --> 01:03:12,079

archive you know i could help you too

1671

01:03:15,670 --> 01:03:13,520

because that

1672

01:03:18,309 --> 01:03:15,680

would be great material for either of us

1673

01:03:20,630 --> 01:03:18,319

to share on our channels i know and i

1674

01:03:22,390 --> 01:03:20,640

love old interviews yeah you guys up i

1675

01:03:24,309 --> 01:03:22,400

mean there's nothing

1676

01:03:26,870 --> 01:03:24,319

like i mean i have an interview that i

1677

01:03:29,270 --> 01:03:26,880

will i mean it's just amazing between

1678

01:03:31,589 --> 01:03:29,280

and when she's talking to jacques valet

1679

01:03:33,349 --> 01:03:31,599

and jack ballet is very interested in

1680

01:03:35,430 --> 01:03:33,359

what anne had found out about the death

1681

01:03:38,309 --> 01:03:35,440

of dr james mcdonald

1682

01:03:41,210 --> 01:03:38,319

and so to hear their exchange and their

1683

01:03:43,190 --> 01:03:41,220

back and forth yeah and it's just like

1684

01:03:45,190 --> 01:03:43,200

[Music]

1685

01:03:46,309 --> 01:03:45,200

well very interesting and thank you for

1686

01:03:49,349 --> 01:03:46,319

the super chat we're going to read them

1687

01:03:51,910 --> 01:03:49,359

all after and uh you know

1688

01:03:53,670 --> 01:03:51,920

so you you're very busy with all this

1689

01:03:55,589 --> 01:03:53,680

stuff but i checked in with your show

1690

01:03:58,549 --> 01:03:55,599

i've been trying to keep up i know you

1691

01:04:00,230 --> 01:03:58,559

did this show on alien autopsy hoax

1692

01:04:01,990 --> 01:04:00,240

and uh i just want to mention that that

1693

01:04:03,750 --> 01:04:02,000

guy was supposed to give me an interview

1694

01:04:07,349 --> 01:04:03,760

years ago but decided i wasn't big

1695

01:04:09,109 --> 01:04:07,359

enough this uh spheros

1696

01:04:10,150 --> 01:04:09,119

so but i was glad somebody got the

1697

01:04:16,789 --> 01:04:10,160

interview

1698

01:04:19,910 --> 01:04:18,150

i don't know how to say his name can you

1699

01:04:22,390 --> 01:04:19,920

say his name

1700

01:04:24,150 --> 01:04:22,400

spyros bolaros who's a magician and is

1701

01:04:26,390 --> 01:04:24,160

one of the people that were totally in

1702

01:04:29,109 --> 01:04:26,400

on the hoax from the beginning of it

1703

01:04:30,390 --> 01:04:29,119

and he laid out the whole thing and i

1704

01:04:32,309 --> 01:04:30,400

don't understand

1705

01:04:34,710 --> 01:04:32,319

why this is popping back up again is

1706

01:04:37,190 --> 01:04:34,720

maybe it was true i thought that we've

1707

01:04:39,589 --> 01:04:37,200

been over this 100 times and everybody

1708

01:04:41,910 --> 01:04:39,599

knows that this was one of the greatest

1709

01:04:43,910 --> 01:04:41,920

alien ufo hoaxes the one that made them

1710

01:04:45,510 --> 01:04:43,920

more money than anybody

1711

01:04:48,230 --> 01:04:45,520

and the originator of the hoax is right

1712

01:04:50,470 --> 01:04:48,240

now selling one frame of the film that

1713

01:04:53,270 --> 01:04:50,480

he claims is the genuine from the

1714

01:04:55,190 --> 01:04:53,280

genuine film not the recreation for a

1715

01:04:57,589 --> 01:04:55,200

million dollars

1716

01:04:59,910 --> 01:04:57,599

what do you think about that

1717

01:05:01,670 --> 01:04:59,920

i think that clearly i'm going to be

1718

01:05:02,630 --> 01:05:01,680

putting some stuff up on ebay later

1719

01:05:04,069 --> 01:05:02,640

tonight

1720

01:05:05,270 --> 01:05:04,079

i don't know

1721

01:05:07,190 --> 01:05:05,280

yeah

1722

01:05:08,549 --> 01:05:07,200

you might have some you might have some

1723

01:05:11,109 --> 01:05:08,559

uh alien

1724

01:05:13,190 --> 01:05:11,119

films around i very well could you just

1725

01:05:15,349 --> 01:05:13,200

never all those archives yeah and

1726

01:05:17,430 --> 01:05:15,359

clearly just ridiculous this guy this

1727

01:05:19,349 --> 01:05:17,440

guy feels like i feel like that was a

1728

01:05:21,510 --> 01:05:19,359

completely greedy move because like how

1729

01:05:23,829 --> 01:05:21,520

many millions of dollars did that guy

1730

01:05:25,910 --> 01:05:23,839

already make on this hoax it's been

1731

01:05:28,309 --> 01:05:25,920

proven to be a hoax everybody knows it's

1732

01:05:30,950 --> 01:05:28,319

a hoax and then he's still going to push

1733

01:05:33,270 --> 01:05:30,960

one last payout he wants to get on this

1734

01:05:34,710 --> 01:05:33,280

and then retire even said it he did an

1735

01:05:36,710 --> 01:05:34,720

interview he's like yeah i just want to

1736

01:05:39,750 --> 01:05:36,720

get this last bit of money

1737

01:05:42,309 --> 01:05:39,760

and you know go retire

1738

01:05:45,029 --> 01:05:42,319

this is my last you know this was his

1739

01:05:46,789 --> 01:05:45,039

last dance i guess but it was funny well

1740

01:05:49,109 --> 01:05:46,799

i mean and he's still working it they're

1741

01:05:52,069 --> 01:05:49,119

still making money and and kalkorf did

1742

01:05:53,349 --> 01:05:52,079

yeah a lot of uh investigation on that

1743

01:05:55,190 --> 01:05:53,359

and things so

1744

01:05:57,029 --> 01:05:55,200

i mean it was yeah it's it's the whole

1745

01:05:58,230 --> 01:05:57,039

thing is such a trip but i guess you

1746

01:05:59,750 --> 01:05:58,240

know like i said when you go back and

1747

01:06:01,029 --> 01:05:59,760

you look at the core group of people

1748

01:06:02,230 --> 01:06:01,039

that have been

1749

01:06:03,029 --> 01:06:02,240

promoting

1750

01:06:04,710 --> 01:06:03,039

uh

1751

01:06:06,870 --> 01:06:04,720

this narrative and different narratives

1752

01:06:08,950 --> 01:06:06,880

that keep keep on going and keep on

1753

01:06:11,190 --> 01:06:08,960

going it's just like oh my gosh it's

1754

01:06:13,190 --> 01:06:11,200

ridiculous well you're gonna have to

1755

01:06:15,910 --> 01:06:13,200

help me answer this one because i'm

1756

01:06:18,470 --> 01:06:15,920

vaguely familiar but not very much any

1757

01:06:20,789 --> 01:06:18,480

thoughts on the 2019 bainbridge island

1758

01:06:23,270 --> 01:06:20,799

tic tac event if you are looking for

1759

01:06:24,470 --> 01:06:23,280

more info i put details here on youtube

1760

01:06:26,309 --> 01:06:24,480

thank you and thank you for the super

1761

01:06:27,910 --> 01:06:26,319

chat analysis rex much appreciated thank

1762

01:06:30,950 --> 01:06:27,920

you for the support

1763

01:06:33,109 --> 01:06:30,960

uh my take on that is that there's you

1764

01:06:36,549 --> 01:06:33,119

know uh

1765

01:06:39,190 --> 01:06:36,559

drone bases research bases not far away

1766

01:06:40,710 --> 01:06:39,200

from where this event took place so if i

1767

01:06:42,549 --> 01:06:40,720

had a guess

1768

01:06:44,150 --> 01:06:42,559

you know i'm still in the camp that

1769

01:06:46,950 --> 01:06:44,160

believes that some of this

1770

01:06:48,630 --> 01:06:46,960

most of this stuff is

1771

01:06:51,190 --> 01:06:48,640

one hand of the government not knowing

1772

01:06:53,510 --> 01:06:51,200

what the other hand is doing and i've

1773

01:06:55,670 --> 01:06:53,520

been told by people that i trust that

1774

01:06:56,950 --> 01:06:55,680

actually worked on some drone projects

1775

01:06:58,829 --> 01:06:56,960

that

1776

01:07:02,390 --> 01:06:58,839

when they're doing drone tests they

1777

01:07:04,230 --> 01:07:02,400

don't call everybody you know they don't

1778

01:07:06,309 --> 01:07:04,240

call the air force and say we're doing a

1779

01:07:08,549 --> 01:07:06,319

drone test right in these coordinates so

1780

01:07:10,470 --> 01:07:08,559

if you see anything weird that's us

1781

01:07:12,710 --> 01:07:10,480

they don't call the navy and say we're

1782

01:07:14,549 --> 01:07:12,720

testing drones over the water so if you

1783

01:07:16,470 --> 01:07:14,559

see anything weird that's us they don't

1784

01:07:17,510 --> 01:07:16,480

call the army

1785

01:07:19,670 --> 01:07:17,520

you know

1786

01:07:21,829 --> 01:07:19,680

they just do their tests right it's

1787

01:07:23,990 --> 01:07:21,839

shocking so a lot of this stuff i

1788

01:07:25,750 --> 01:07:24,000

believe is drone testing that is being

1789

01:07:26,630 --> 01:07:25,760

misidentified but what are your thoughts

1790

01:07:28,630 --> 01:07:26,640

on it

1791

01:07:30,470 --> 01:07:28,640

i think it's i think you're absolutely

1792

01:07:32,390 --> 01:07:30,480

spot on on that i mean of course there

1793

01:07:34,390 --> 01:07:32,400

are things that are being tested and

1794

01:07:36,230 --> 01:07:34,400

there's only a handful of people that

1795

01:07:37,990 --> 01:07:36,240

know about it that's that's just called

1796

01:07:39,750 --> 01:07:38,000

uh you know i mean

1797

01:07:42,470 --> 01:07:39,760

security

1798

01:07:45,190 --> 01:07:42,480

yeah i don't see anything in the footage

1799

01:07:47,109 --> 01:07:45,200

or any data that supports the argument

1800

01:07:49,829 --> 01:07:47,119

that these things are performing

1801

01:07:52,789 --> 01:07:49,839

maneuvers or doing you know

1802

01:07:55,029 --> 01:07:52,799

you know uh going so fast that no craft

1803

01:07:57,589 --> 01:07:55,039

on earth could as some people suggest

1804

01:07:59,510 --> 01:07:57,599

it's always like implied like well these

1805

01:08:01,750 --> 01:07:59,520

things did right angle turns nothing on

1806

01:08:04,710 --> 01:08:01,760

earth could do that

1807

01:08:07,270 --> 01:08:04,720

any hundred dollar camera drone can make

1808

01:08:09,670 --> 01:08:07,280

a 90 degree turn right

1809

01:08:11,349 --> 01:08:09,680

military one you know yeah right yeah

1810

01:08:12,710 --> 01:08:11,359

and i'll definitely check that out

1811

01:08:15,270 --> 01:08:12,720

because i have not really looked into

1812

01:08:17,590 --> 01:08:15,280

that so thanks for the

1813

01:08:19,829 --> 01:08:17,600

thanks for that yeah i agree with you i

1814

01:08:22,309 --> 01:08:19,839

could be misinformed and i i got that

1815

01:08:24,470 --> 01:08:22,319

one on my list to do a deep dive on but

1816

01:08:26,630 --> 01:08:24,480

as you can imagine anonymous rex

1817

01:08:29,189 --> 01:08:26,640

um there's only so much time in the day

1818

01:08:30,390 --> 01:08:29,199

and we're all focused on certain stories

1819

01:08:32,550 --> 01:08:30,400

that we

1820

01:08:34,229 --> 01:08:32,560

find you know for me it's like which

1821

01:08:36,149 --> 01:08:34,239

stories appeal most to me and that's

1822

01:08:37,510 --> 01:08:36,159

where i tend to focus

1823

01:08:39,510 --> 01:08:37,520

i'm going to check out your youtube

1824

01:08:40,870 --> 01:08:39,520

channel and i suggest everybody else do

1825

01:08:42,390 --> 01:08:40,880

because if you have more information i

1826

01:08:44,470 --> 01:08:42,400

would be happy to see it and i want to

1827

01:08:47,590 --> 01:08:44,480

remind everybody that we put erica

1828

01:08:49,590 --> 01:08:47,600

luke's uh ufo's declassified channel is

1829

01:08:54,149 --> 01:08:49,600

in the

1830

01:08:55,590 --> 01:08:54,159

description but your channel address is

1831

01:08:57,749 --> 01:08:55,600

in the description

1832

01:08:59,430 --> 01:08:57,759

so i apologize for that but it's

1833

01:09:00,229 --> 01:08:59,440

definitely you guys should definitely go

1834

01:09:03,030 --> 01:09:00,239

and

1835

01:09:05,430 --> 01:09:03,040

uh subscribe to her channel

1836

01:09:07,110 --> 01:09:05,440

her and scott do an amazing job

1837

01:09:10,070 --> 01:09:07,120

and i'm really impressed by their

1838

01:09:12,789 --> 01:09:10,080

coverage and by their objectivity

1839

01:09:14,470 --> 01:09:12,799

because most so many people in ufo land

1840

01:09:17,030 --> 01:09:14,480

they lose all objectivity all

1841

01:09:19,349 --> 01:09:17,040

discernment and everything's aliens

1842

01:09:20,390 --> 01:09:19,359

everything's proof disclosures coming in

1843

01:09:22,789 --> 01:09:20,400

every minute

1844

01:09:25,269 --> 01:09:22,799

if you like my coverage and you want to

1845

01:09:27,110 --> 01:09:25,279

hear someone else i think that they do a

1846

01:09:29,030 --> 01:09:27,120

great job of providing this balanced

1847

01:09:31,430 --> 01:09:29,040

coverage and let's get to the truth

1848

01:09:33,269 --> 01:09:31,440

regardless even if it's an ugly truth

1849

01:09:35,189 --> 01:09:33,279

you know because

1850

01:09:36,870 --> 01:09:35,199

eric is not winning any popularity

1851

01:09:38,789 --> 01:09:36,880

contests right now

1852

01:09:40,550 --> 01:09:38,799

giving people that truth and that's not

1853

01:09:42,149 --> 01:09:40,560

fair

1854

01:09:44,070 --> 01:09:42,159

you know what i'm definitely not but i

1855

01:09:45,749 --> 01:09:44,080

guess the the one good thing is there

1856

01:09:47,829 --> 01:09:45,759

are people that are reaching out to me

1857

01:09:49,910 --> 01:09:47,839

that are are paying attention that are

1858

01:09:52,470 --> 01:09:49,920

mainstream journalists that are people

1859

01:09:55,669 --> 01:09:52,480

from all over the world that you know

1860

01:09:58,390 --> 01:09:55,679

that are not in ufology that understand

1861

01:10:01,430 --> 01:09:58,400

that i'm doing something of merit

1862

01:10:04,310 --> 01:10:01,440

and you know so that to me gives that's

1863

01:10:06,390 --> 01:10:04,320

that's what i'm here for so i

1864

01:10:07,590 --> 01:10:06,400

that's that's great and i guess people

1865

01:10:14,229 --> 01:10:07,600

who

1866

01:10:15,430 --> 01:10:14,239

aren't necessarily telling the truth

1867

01:10:17,030 --> 01:10:15,440

because it makes them feel better and

1868

01:10:19,910 --> 01:10:17,040

maybe they get popularity points they

1869

01:10:23,910 --> 01:10:19,920

didn't get in high school then i guess

1870

01:10:25,189 --> 01:10:23,920

you know rock on we all have our

1871

01:10:29,030 --> 01:10:25,199

we

1872

01:10:31,189 --> 01:10:29,040

but i forget

1873

01:10:33,590 --> 01:10:31,199

those people are what i commonly call

1874

01:10:36,149 --> 01:10:33,600

the ufo circle jerk crowd

1875

01:10:38,070 --> 01:10:36,159

and that gets me in trouble but my is my

1876

01:10:41,189 --> 01:10:38,080

david holy water after thinking about

1877

01:10:43,189 --> 01:10:41,199

that one my but but see my whole premise

1878

01:10:46,310 --> 01:10:43,199

is this if if you're if you're a show

1879

01:10:48,310 --> 01:10:46,320

host or podcast host or whatever and you

1880

01:10:51,669 --> 01:10:48,320

have one of these ufo celebrities on who

1881

01:10:54,870 --> 01:10:51,679

has obviously used fake sources child

1882

01:10:56,229 --> 01:10:54,880

molester sources murderer sources dead

1883

01:10:57,910 --> 01:10:56,239

sources that they couldn't have

1884

01:10:59,270 --> 01:10:57,920

interviewed at the time they claimed to

1885

01:11:00,870 --> 01:10:59,280

have interviewed them because they died

1886

01:11:02,709 --> 01:11:00,880

six years prior

1887

01:11:04,550 --> 01:11:02,719

that you have a responsibility to ask

1888

01:11:06,790 --> 01:11:04,560

those ufo celebrities those hard

1889

01:11:08,470 --> 01:11:06,800

questions right and so many of these

1890

01:11:10,870 --> 01:11:08,480

people don't do it they do the ufo

1891

01:11:12,870 --> 01:11:10,880

circle jerk just let them talk

1892

01:11:15,030 --> 01:11:12,880

praise them and all their excellent work

1893

01:11:17,350 --> 01:11:15,040

for disclosure right

1894

01:11:19,590 --> 01:11:17,360

and and and on goes the circle jerk and

1895

01:11:21,430 --> 01:11:19,600

we get nowhere you know

1896

01:11:22,950 --> 01:11:21,440

you don't do that i want to make it very

1897

01:11:25,510 --> 01:11:22,960

clear

1898

01:11:28,229 --> 01:11:25,520

thank you not run ufo circle jerks on

1899

01:11:31,590 --> 01:11:28,239

her channel so we want to plug that

1900

01:11:33,750 --> 01:11:31,600

there is no ufo circle jerking going on

1901

01:11:34,790 --> 01:11:33,760

with erica that's good that's good to

1902

01:11:35,750 --> 01:11:34,800

know

1903

01:11:37,990 --> 01:11:35,760

i don't really make you feel

1904

01:11:39,510 --> 01:11:38,000

uncomfortable but it is funny someone

1905

01:11:41,110 --> 01:11:39,520

asked earlier i think this would be a

1906

01:11:44,470 --> 01:11:41,120

good one to end on because i know we're

1907

01:11:46,550 --> 01:11:44,480

over time and i apologize but you know

1908

01:11:49,189 --> 01:11:46,560

this is a great question somebody asked

1909

01:11:53,510 --> 01:11:49,199

earlier what is your favorite case

1910

01:11:57,669 --> 01:11:55,990

not to put you on the spot but

1911

01:11:58,950 --> 01:11:57,679

what is your favorite case

1912

01:11:59,910 --> 01:11:58,960

look at this

1913

01:12:01,270 --> 01:11:59,920

and why

1914

01:12:02,709 --> 01:12:01,280

hmm

1915

01:12:06,830 --> 01:12:02,719

um

1916

01:12:09,430 --> 01:12:06,840

you you know that it's uh wow

1917

01:12:10,950 --> 01:12:09,440

i write

1918

01:12:13,030 --> 01:12:10,960

i need to think about this because i'm

1919

01:12:15,990 --> 01:12:13,040

so jaded and cynical right now i'm just

1920

01:12:18,550 --> 01:12:16,000

like i know i have i i just decided on

1921

01:12:19,990 --> 01:12:18,560

roswell and the cash lander incident

1922

01:12:22,550 --> 01:12:20,000

myself because

1923

01:12:25,350 --> 01:12:22,560

those two haven't been disproven to my

1924

01:12:28,149 --> 01:12:25,360

satisfaction yet as being you know

1925

01:12:30,310 --> 01:12:28,159

nothing to see here you know and i guess

1926

01:12:32,390 --> 01:12:30,320

you know my my favorite case i can't

1927

01:12:34,390 --> 01:12:32,400

point to a you know case that's widely

1928

01:12:36,630 --> 01:12:34,400

known but what i can say

1929

01:12:38,870 --> 01:12:36,640

is you know when i will get this out

1930

01:12:40,709 --> 01:12:38,880

there and thank you for asking me about

1931

01:12:43,350 --> 01:12:40,719

the what happened in norway and some of

1932

01:12:46,229 --> 01:12:43,360

that video interview but i did interview

1933

01:12:48,550 --> 01:12:46,239

a man who was in his late 70s and he and

1934

01:12:51,110 --> 01:12:48,560

his his sister was a part of uh the

1935

01:12:52,709 --> 01:12:51,120

portal the heshtallin phenomena uh that

1936

01:12:55,510 --> 01:12:52,719

was a wonderful documentary and i

1937

01:12:58,070 --> 01:12:55,520

interviewed him with the help of erling

1938

01:12:59,669 --> 01:12:58,080

strand who translated for me and he

1939

01:13:01,590 --> 01:12:59,679

spoke about the different sightings he

1940

01:13:04,550 --> 01:13:01,600

had and how

1941

01:13:06,070 --> 01:13:04,560

how how kind of traumatized people were

1942

01:13:08,709 --> 01:13:06,080

and and things and that was a really

1943

01:13:10,390 --> 01:13:08,719

profound moment and i think

1944

01:13:13,430 --> 01:13:10,400

for me that's

1945

01:13:15,510 --> 01:13:13,440

where the great cases are and so it's

1946

01:13:16,310 --> 01:13:15,520

not one big case i can't you know point

1947

01:13:18,229 --> 01:13:16,320

two

1948

01:13:20,229 --> 01:13:18,239

to some of the lesser known ones are the

1949

01:13:21,910 --> 01:13:20,239

most interesting to me because it's new

1950

01:13:23,910 --> 01:13:21,920

to me you know

1951
01:13:26,709 --> 01:13:23,920
and it hasn't been proven to be garbage

1952
01:13:29,350 --> 01:13:26,719
yet so you get to do that whole dance

1953
01:13:30,950 --> 01:13:29,360
again until you decide

1954
01:13:32,630 --> 01:13:30,960
right

1955
01:13:34,390 --> 01:13:32,640
so what's coming up

1956
01:13:37,430 --> 01:13:34,400
what's coming up on your channel going

1957
01:13:38,470 --> 01:13:37,440
forward what are you guys playing lord

1958
01:13:40,149 --> 01:13:38,480
um

1959
01:13:42,229 --> 01:13:40,159
i know you're not playing in any ufo

1960
01:13:43,270 --> 01:13:42,239
circle jerks though so thank you thank

1961
01:13:46,790 --> 01:13:43,280
you

1962
01:13:49,270 --> 01:13:46,800
uh that

1963
01:13:51,270 --> 01:13:49,280

scott's always digging into something

1964

01:13:53,830 --> 01:13:51,280

and so are you so i'm curious to see

1965

01:13:55,590 --> 01:13:53,840

what you got he's pretty so annoying i

1966

01:13:58,550 --> 01:13:55,600

love scott

1967

01:14:00,870 --> 01:13:58,560

um yeah so so this week i'm interviewing

1968

01:14:02,630 --> 01:14:00,880

a fellow who just passed away i mean

1969

01:14:03,910 --> 01:14:02,640

actually i interviewed him two weeks ago

1970

01:14:06,790 --> 01:14:03,920

thank goodness

1971

01:14:08,630 --> 01:14:06,800

he is a poet a scholar he worked in

1972

01:14:11,590 --> 01:14:08,640

military intelligence and had a couple

1973

01:14:15,669 --> 01:14:11,600

very profound ufo sightings as a an

1974

01:14:17,510 --> 01:14:15,679

expert uh in the native american uh

1975

01:14:20,229 --> 01:14:17,520

culture here in utah and i interviewed

1976

01:14:22,390 --> 01:14:20,239

him two weeks ago oh that's interesting

1977

01:14:23,910 --> 01:14:22,400

and so he just passed away

1978

01:14:25,669 --> 01:14:23,920

uh last week

1979

01:14:28,950 --> 01:14:25,679

oh jeez and you interviewed him two

1980

01:14:30,950 --> 01:14:28,960

weeks ago yeah yeah i did so

1981

01:14:33,030 --> 01:14:30,960

i am going to be it was it was really

1982

01:14:34,790 --> 01:14:33,040

bizarre but it was a beautiful

1983

01:14:38,229 --> 01:14:34,800

interview he was such a such a was such

1984

01:14:40,790 --> 01:14:38,239

a lovely man an amazing uh spirit he had

1985

01:14:42,950 --> 01:14:40,800

done beautiful work he was he's he was

1986

01:14:44,550 --> 01:14:42,960

lds and

1987

01:14:46,149 --> 01:14:44,560

it was interesting to talk with him

1988

01:14:48,950 --> 01:14:46,159

about his faith

1989

01:14:50,790 --> 01:14:48,960

and about ufos and the unknown and

1990

01:14:53,110 --> 01:14:50,800

things and so that's that'll be coming

1991

01:14:55,189 --> 01:14:53,120

up this friday and i think that's to me

1992

01:14:56,709 --> 01:14:55,199

to to interview people like that and to

1993

01:15:00,310 --> 01:14:56,719

get there

1994

01:15:02,390 --> 01:15:00,320

to get them uh preserved their memories

1995

01:15:04,470 --> 01:15:02,400

this last testimony right thing right

1996

01:15:06,229 --> 01:15:04,480

yeah so that yeah and i want to mention

1997

01:15:09,110 --> 01:15:06,239

that we're doing these replays for my

1998

01:15:11,270 --> 01:15:09,120

old audio podcast radio show and this

1999

01:15:13,189 --> 01:15:11,280

thursday we're going to be airing my

2000

01:15:15,990 --> 01:15:13,199

interview with stan friedman which was

2001

01:15:17,510 --> 01:15:16,000

made not long before he died so that's

2002

01:15:19,590 --> 01:15:17,520

another one of those interviews that

2003

01:15:20,630 --> 01:15:19,600

most people haven't heard that one so

2004

01:15:24,229 --> 01:15:20,640

we're going to put it on the channel

2005

01:15:25,830 --> 01:15:24,239

here that's this thursday at uh 8 p.m

2006

01:15:27,110 --> 01:15:25,840

and that i feel the same way about that

2007

01:15:29,910 --> 01:15:27,120

i thought

2008

01:15:32,310 --> 01:15:29,920

i talked to him privately off air up a

2009

01:15:34,229 --> 01:15:32,320

whole bunch of times and i and then he

2010

01:15:36,149 --> 01:15:34,239

would always take my calls and i was a

2011

01:15:37,430 --> 01:15:36,159

nobody to him he didn't know who i was

2012

01:15:39,510 --> 01:15:37,440

when i first started calling him he just

2013

01:15:41,990 --> 01:15:39,520

had his phone number on his website and

2014

01:15:44,310 --> 01:15:42,000

i had questions about this or that and

2015

01:15:46,550 --> 01:15:44,320

he was always very kind to me but then

2016

01:15:47,669 --> 01:15:46,560

one day i got up the gumption to ask him

2017

01:15:49,350 --> 01:15:47,679

for the interview i didn't think he

2018

01:15:51,510 --> 01:15:49,360

would do it and just said

2019

01:15:53,590 --> 01:15:51,520

sure kid what time do you want to do it

2020

01:15:54,550 --> 01:15:53,600

and wait wait wait wait

2021

01:15:59,110 --> 01:15:54,560

yeah

2022

01:15:59,990 --> 01:15:59,120

uh about

2023

01:16:02,149 --> 01:16:00,000

uh

2024

01:16:04,550 --> 01:16:02,159

jeremy corbell and

2025

01:16:07,430 --> 01:16:04,560

and things and so and just the

2026

01:16:09,110 --> 01:16:07,440

kind of the the bob lazar the retelling

2027

01:16:10,550 --> 01:16:09,120

of the bob lazar thing so it was really

2028

01:16:13,189 --> 01:16:10,560

interesting so

2029

01:16:14,149 --> 01:16:13,199

yeah he uh he told me something that

2030

01:16:18,470 --> 01:16:14,159

not

2031

01:16:20,390 --> 01:16:18,480

i i won't always be here to set the

2032

01:16:22,149 --> 01:16:20,400

record straight so some of you younger

2033

01:16:24,790 --> 01:16:22,159

guys and researchers are going to have

2034

01:16:26,550 --> 01:16:24,800

to try to keep these people honest and

2035

01:16:29,270 --> 01:16:26,560

he told me and this stuck with me to

2036

01:16:31,270 --> 01:16:29,280

today he said i know it's hard because

2037

01:16:33,750 --> 01:16:31,280

people so desperately want to believe in

2038

01:16:35,669 --> 01:16:33,760

this bob lazar or other stories but the

2039

01:16:38,070 --> 01:16:35,679

facts are the facts

2040

01:16:40,390 --> 01:16:38,080

and and you know you can't argue with

2041

01:16:42,390 --> 01:16:40,400

them you can you cannot like them but

2042

01:16:45,510 --> 01:16:42,400

you can't argue with them kid you always

2043

01:16:47,030 --> 01:16:45,520

called me kid which is cute yeah

2044

01:16:48,790 --> 01:16:47,040

it's funny and i love

2045

01:16:50,550 --> 01:16:48,800

you know i think to me

2046

01:16:52,229 --> 01:16:50,560

whether i find the truth at the end of

2047

01:16:54,709 --> 01:16:52,239

the day or not

2048

01:16:55,669 --> 01:16:54,719

it's that the intimate conversations

2049

01:16:58,709 --> 01:16:55,679

i've had

2050

01:17:01,110 --> 01:16:58,719

with people getting people on the record

2051

01:17:02,950 --> 01:17:01,120

and preserving that and a little bit

2052

01:17:05,189 --> 01:17:02,960

about themselves so hopefully other

2053

01:17:08,070 --> 01:17:05,199

generations other people can learn when

2054

01:17:10,390 --> 01:17:08,080

they come into this that's a really cool

2055

01:17:12,390 --> 01:17:10,400

cool thing that keeps me going

2056

01:17:15,110 --> 01:17:12,400

yeah and uh sixth sense is kindly

2057

01:17:16,229 --> 01:17:15,120

sharing your erica luke's ufo classifier

2058

01:17:18,790 --> 01:17:16,239

you website

2059

01:17:20,310 --> 01:17:18,800

uh and and also the channel address is

2060

01:17:21,910 --> 01:17:20,320

right in the description of this video

2061

01:17:23,270 --> 01:17:21,920

so please go over there and let's get

2062

01:17:25,030 --> 01:17:23,280

her a bump

2063

01:17:27,669 --> 01:17:25,040

you know uh

2064

01:17:30,470 --> 01:17:27,679

it's well well deserved and uh and her

2065

01:17:31,669 --> 01:17:30,480

partner do an incredible job so i'm

2066

01:17:33,750 --> 01:17:31,679

going to throw you out of here but i

2067

01:17:35,430 --> 01:17:33,760

hope you won't be a stranger no i would

2068

01:17:37,830 --> 01:17:35,440

love to come back and then

2069

01:17:40,149 --> 01:17:37,840

i'd like you to be a yeah absolutely

2070

01:17:42,070 --> 01:17:40,159

let's do that and if you like i'll just

2071

01:17:43,510 --> 01:17:42,080

i could just uh give you the recording

2072

01:17:45,189 --> 01:17:43,520

to this and you're free to upload it to

2073

01:17:47,270 --> 01:17:45,199

your channel as well so we both get

2074

01:17:49,030 --> 01:17:47,280

content out of it absolutely we'll do it

2075

01:17:51,270 --> 01:17:49,040

thank you okay i'm going to throw you

2076

01:17:52,630 --> 01:17:51,280

out of here okay good evening thank you

2077

01:17:54,470 --> 01:17:52,640

absolutely and thanks guys thanks

2078

01:17:56,950 --> 01:17:54,480

everybody in chat you guys are awesome

2079

01:17:58,630 --> 01:17:56,960

so take care good night

2080

01:18:01,189 --> 01:17:58,640

all right friends what can i say what

2081

01:18:02,229 --> 01:18:01,199

what a great girl i'm glad that she's

2082

01:18:04,550 --> 01:18:02,239

out there

2083

01:18:06,950 --> 01:18:04,560

digging into some of this stuff

2084

01:18:09,830 --> 01:18:06,960

and is one of those people that are

2085

01:18:11,350 --> 01:18:09,840

grounded and you know cares about the

2086

01:18:14,310 --> 01:18:11,360

truth more than she cares about

2087

01:18:15,910 --> 01:18:14,320

perpetuating fantasies for people that

2088

01:18:18,070 --> 01:18:15,920

just want to believe

2089

01:18:19,750 --> 01:18:18,080

and it's interesting and you hear we

2090

01:18:22,310 --> 01:18:19,760

both kind of went through this similar

2091

01:18:24,630 --> 01:18:22,320

arc of you know you can see the

2092

01:18:26,470 --> 01:18:24,640

difference in both of our work as time

2093

01:18:29,510 --> 01:18:26,480

progressed for both of us

2094

01:18:32,630 --> 01:18:29,520

the more we dug the more cynical we both

2095

01:18:35,189 --> 01:18:32,640

got the more we dug the more

2096

01:18:37,110 --> 01:18:35,199

you know uh i i suppose the more our

2097

01:18:39,990 --> 01:18:37,120

cognitive dissonance started falling

2098

01:18:42,790 --> 01:18:40,000

away in our our

2099

01:18:44,870 --> 01:18:42,800

desperate want to believe that this is

2100

01:18:45,669 --> 01:18:44,880

all true started falling away and we got

2101

01:18:47,669 --> 01:18:45,679

more

2102

01:18:50,470 --> 01:18:47,679

practical going forward

2103

01:18:52,070 --> 01:18:50,480

i am going to go over and read the super

2104

01:18:53,990 --> 01:18:52,080

chats for those who don't know there is

2105

01:18:56,470 --> 01:18:54,000

a money button down there and you too

2106

01:18:59,189 --> 01:18:56,480

can hit that money button and support

2107

01:18:59,990 --> 01:18:59,199

our show you can also uh donate through

2108

01:19:02,470 --> 01:19:00,000

uh

2109

01:19:05,189 --> 01:19:02,480

there's a paypal donate button in the

2110

01:19:07,830 --> 01:19:05,199

about section of our channel here and in

2111

01:19:10,390 --> 01:19:07,840

the about section of the video here

2112

01:19:12,070 --> 01:19:10,400

finally you can join me on patreon for

2113

01:19:14,229 --> 01:19:12,080

as little as a dollar a month and you

2114

01:19:16,390 --> 01:19:14,239

get a bunch of behind the scenes

2115

01:19:19,669 --> 01:19:16,400

um

2116

01:19:20,870 --> 01:19:19,679

extra content that yeah it's uh it's on

2117

01:19:22,870 --> 01:19:20,880

patreon

2118

01:19:25,510 --> 01:19:22,880

just a mention that if anybody's having

2119

01:19:27,510 --> 01:19:25,520

a hard time and you'd like to patreon

2120

01:19:29,430 --> 01:19:27,520

extra content that we produce here every

2121

01:19:31,350 --> 01:19:29,440

month but you're having a rough time

2122

01:19:32,830 --> 01:19:31,360

hey uh i know it's rough out there so

2123

01:19:34,310 --> 01:19:32,840

just email me at

2124

01:19:36,709 --> 01:19:34,320

truthseekershow.gmail.com i keep a

2125

01:19:38,390 --> 01:19:36,719

spreadsheet of people's email addresses

2126

01:19:41,350 --> 01:19:38,400

that we send the patreon benefits for

2127

01:19:43,590 --> 01:19:41,360

free i listen i don't really

2128

01:19:45,189 --> 01:19:43,600

uh love having anything behind a paywall

2129

01:19:46,709 --> 01:19:45,199

even though it's only a dollar i realize

2130

01:19:48,470 --> 01:19:46,719

that some people are fans of the show

2131

01:19:50,149 --> 01:19:48,480

having a tough time and

2132

01:19:53,270 --> 01:19:50,159

you know we want to accommodate you so

2133

01:19:55,189 --> 01:19:53,280

just email me truthseekershow@gmail.com

2134

01:19:57,910 --> 01:19:55,199

also be sure to follow me on twitter

2135

01:19:59,350 --> 01:19:57,920

it's just my name at [stephencampion](https://www.instagram.com/stephencampion)

2136

01:20:00,790 --> 01:19:59,360

on twitter

2137

01:20:01,590 --> 01:20:00,800

and finally

2138

01:20:03,270 --> 01:20:01,600

uh

2139

01:20:06,070 --> 01:20:03,280

we're gonna read these super chat

2140

01:20:07,590 --> 01:20:06,080

donations uh and yes i want to once

2141

01:20:09,590 --> 01:20:07,600

again remind people that this coming

2142

01:20:10,390 --> 01:20:09,600

thursday 8pm eastern time we're going to

2143

01:20:14,470 --> 01:20:10,400

have

2144

01:20:17,430 --> 01:20:14,480

a very little heard interview with uh

2145

01:20:20,229 --> 01:20:17,440

the late great stanton friedman who i

2146

01:20:22,470 --> 01:20:20,239

was a huge fan of uh and uh you know i'm

2147

01:20:25,669 --> 01:20:22,480

happy to say that i got to know him

2148

01:20:28,709 --> 01:20:25,679

uh pretty well before his passing and uh

2149

01:20:30,470 --> 01:20:28,719

and i'm a better person for it i'm

2150

01:20:32,550 --> 01:20:30,480

certainly a better researcher for some

2151
01:20:34,229 --> 01:20:32,560
of the things that he taught me

2152
01:20:36,390 --> 01:20:34,239
and uh

2153
01:20:38,229 --> 01:20:36,400
i'm gonna be

2154
01:20:40,790 --> 01:20:38,239
just happy that people can finally hear

2155
01:20:43,189 --> 01:20:40,800
that on a bigger platform you know on

2156
01:20:45,990 --> 01:20:43,199
the radio show the audio podcast i mean

2157
01:20:46,709 --> 01:20:46,000
a few people heard but not not many

2158
01:20:48,950 --> 01:20:46,719
so

2159
01:20:50,629 --> 01:20:48,960
tune in this thursday night 8 p.m

2160
01:20:52,870 --> 01:20:50,639
eastern standard time and we'll be

2161
01:20:55,350 --> 01:20:52,880
airing the full interview to our

2162
01:20:59,750 --> 01:20:55,360
interview with the legend himself the

2163
01:21:02,870 --> 01:21:01,350

so we're going to

2164

01:21:05,669 --> 01:21:02,880

let me go over to

2165

01:21:09,350 --> 01:21:07,350

let me look up the super chats i

2166

01:21:12,310 --> 01:21:09,360

apologize but it's a little distracting

2167

01:21:14,390 --> 01:21:12,320

to we read every super chat here so

2168

01:21:16,229 --> 01:21:14,400

that's weird because i'm trying to get

2169

01:21:18,149 --> 01:21:16,239

up oh maybe i have to refresh because i

2170

01:21:19,830 --> 01:21:18,159

know there was a few more

2171

01:21:20,550 --> 01:21:19,840

uh one we missed

2172

01:21:22,390 --> 01:21:20,560

but

2173

01:21:25,350 --> 01:21:22,400

there was a few more

2174

01:21:26,709 --> 01:21:25,360

so any super chats get them in now while

2175

01:21:30,070 --> 01:21:26,719

you can

2176

01:21:32,470 --> 01:21:30,080

i'm happy to read every we read each and

2177

01:21:33,830 --> 01:21:32,480

every single super chat here so we're

2178

01:21:35,510 --> 01:21:33,840

going to read the super chats then i'll

2179

01:21:37,430 --> 01:21:35,520

dedicate some time and attention to the

2180

01:21:39,590 --> 01:21:37,440

live chat with comments questions if you

2181

01:21:41,430 --> 01:21:39,600

have comments or questions for me

2182

01:21:43,110 --> 01:21:41,440

please get them in now put them in all

2183

01:21:45,030 --> 01:21:43,120

caps that lets me know that those

2184

01:21:48,070 --> 01:21:45,040

comments and questions are directed at

2185

01:21:49,270 --> 01:21:48,080

me and not someone else in the live chat

2186

01:21:51,350 --> 01:21:49,280

and lets me know that you have a

2187

01:21:53,189 --> 01:21:51,360

question or comment you want read or

2188

01:21:55,750 --> 01:21:53,199

talked about

2189

01:21:57,669 --> 01:21:55,760

and we welcome the participation of

2190

01:22:00,149 --> 01:21:57,679

everyone in the live chat

2191

01:22:03,189 --> 01:22:00,159

so this is our super

2192

01:22:06,310 --> 01:22:03,199

chat and stickers activity for the show

2193

01:22:07,910 --> 01:22:06,320

where we read anonymous rex uh

2194

01:22:10,470 --> 01:22:07,920

message but we'll read it again kind and

2195

01:22:11,990 --> 01:22:10,480

generous 499 any thoughts on the 2019

2196

01:22:13,510 --> 01:22:12,000

bainbridge island tic tac event if

2197

01:22:14,629 --> 01:22:13,520

you're looking for more info i'll put

2198

01:22:16,709 --> 01:22:14,639

details

2199

01:22:18,070 --> 01:22:16,719

up here on youtube thank you and yes i

2200

01:22:20,550 --> 01:22:18,080

encourage everybody i'm going to check

2201

01:22:23,030 --> 01:22:20,560

out anonymous rex and what has he got

2202

01:22:25,270 --> 01:22:23,040

uh picks with a kind and generous five

2203

01:22:26,709 --> 01:22:25,280

dollar super chat great guest praise the

2204

01:22:28,550 --> 01:22:26,719

cash thank you for your kindness your

2205

01:22:30,709 --> 01:22:28,560

generosity and your support

2206

01:22:33,750 --> 01:22:30,719

matthew riot with two of them a double

2207

01:22:35,430 --> 01:22:33,760

banger tonight kind and generous 4.99

2208

01:22:37,830 --> 01:22:35,440

uh reminding erica if she wants any

2209

01:22:39,510 --> 01:22:37,840

cassettes digitized let him know just

2210

01:22:41,430 --> 01:22:39,520

got done with the bunch myself for the

2211

01:22:42,950 --> 01:22:41,440

discord archive

2212

01:22:45,350 --> 01:22:42,960

and matthew riot with the kind of

2213

01:22:48,070 --> 01:22:45,360

generous additional second 499 super

2214

01:22:49,750 --> 01:22:48,080

chat says what's erica's documentary on

2215

01:22:51,830 --> 01:22:49,760

hashtale and call those it's still up

2216

01:22:53,350 --> 01:22:51,840

for free on youtube and she explained

2217

01:22:55,430 --> 01:22:53,360

there are some portions of that and

2218

01:22:57,110 --> 01:22:55,440

maybe she has to get the thing and glue

2219

01:22:59,830 --> 01:22:57,120

it together and uh

2220

01:23:03,430 --> 01:22:59,840

we'll work on that uh i'm not sure the

2221

01:23:05,350 --> 01:23:03,440

entire thing is up and marina mavrogenis

2222

01:23:07,350 --> 01:23:05,360

i'm so glad that i'm finally saying that

2223

01:23:09,110 --> 01:23:07,360

right on the first try every time marina

2224

01:23:11,270 --> 01:23:09,120

thank you for your continued kindness

2225

01:23:15,189 --> 01:23:11,280

generosity and your support of the show

2226

01:23:17,030 --> 01:23:15,199

i want to remind everybody that we are a

2227

01:23:18,950 --> 01:23:17,040

viewer-supported show and every dollar

2228

01:23:20,390 --> 01:23:18,960

goes back towards

2229

01:23:22,790 --> 01:23:20,400

uh

2230

01:23:24,709 --> 01:23:22,800

every dollar donated goes back towards

2231

01:23:27,430 --> 01:23:24,719

generating new content getting us the

2232

01:23:30,149 --> 01:23:27,440

software we need the equipment we need

2233

01:23:31,910 --> 01:23:30,159

uh paying for the cloud storage that we

2234

01:23:34,390 --> 01:23:31,920

need to do this work

2235

01:23:37,030 --> 01:23:34,400

it all goes back into the pile

2236

01:23:39,830 --> 01:23:37,040

uh that we use to

2237

01:23:43,189 --> 01:23:39,840

keep moving the show forward

2238

01:23:44,870 --> 01:23:43,199

so any questions or uh matthew ryan says

2239

01:23:46,870 --> 01:23:44,880

thanks for asking those can be my

2240

01:23:49,189 --> 01:23:46,880

pleasure absolutely

2241

01:23:51,270 --> 01:23:49,199

uh rebecca turner reminding everybody

2242

01:23:52,149 --> 01:23:51,280

that youtube's been weird all day every

2243

01:23:54,470 --> 01:23:52,159

pilot

2244

01:23:56,310 --> 01:23:54,480

notification i got today i got a 404

2245

01:23:57,669 --> 01:23:56,320

error when i clicked it anyone else had

2246

01:24:00,149 --> 01:23:57,679

that happen

2247

01:24:02,229 --> 01:24:00,159

have not heard that spooky reminding

2248

01:24:03,990 --> 01:24:02,239

somebody to call into the show that

2249

01:24:05,830 --> 01:24:04,000

might be difficult because i'm not sure

2250

01:24:09,430 --> 01:24:05,840

where my phone is and it's pretty dark

2251

01:24:12,310 --> 01:24:09,440

in here in case nobody uh noticed we got

2252

01:24:15,510 --> 01:24:12,320

these weird lights going again in fact i

2253

01:24:17,430 --> 01:24:15,520

got new weird lights

2254

01:24:19,910 --> 01:24:17,440

i really don't like

2255

01:24:21,830 --> 01:24:19,920

with uh with the software that we use

2256

01:24:24,229 --> 01:24:21,840

that we can't do an animated background

2257

01:24:26,229 --> 01:24:24,239

because after all it is a video show

2258

01:24:27,590 --> 01:24:26,239

and animated backgrounds are cool but

2259

01:24:29,669 --> 01:24:27,600

the green screen function in the

2260

01:24:31,350 --> 01:24:29,679

software we use doesn't allow animated

2261

01:24:34,229 --> 01:24:31,360

backgrounds i'm working on a way of

2262

01:24:36,470 --> 01:24:34,239

bridging in obs and doing it that way

2263

01:24:39,030 --> 01:24:36,480

but until then we're cheating and using

2264

01:24:40,950 --> 01:24:39,040

these animated weird lights

2265

01:24:43,669 --> 01:24:40,960

which i'm a big fan of some people don't

2266

01:24:44,790 --> 01:24:43,679

like to set this dark but trust me trust

2267

01:24:49,750 --> 01:24:44,800

me

2268

01:24:52,070 --> 01:24:49,760

i am in bright lights okay my mother

2269

01:24:53,590 --> 01:24:52,080

always said i had a face for radio

2270

01:24:55,110 --> 01:24:53,600

uh and by the way i want to remind

2271

01:24:57,350 --> 01:24:55,120

everybody if you're listening in audio

2272

01:24:59,830 --> 01:24:57,360

podcast land you are missing half the

2273

01:25:02,149 --> 01:24:59,840

fun please do come over to youtube put

2274

01:25:03,750 --> 01:25:02,159

true seekers in the search bar look for

2275

01:25:05,430 --> 01:25:03,760

the strange guy with sunglasses that

2276

01:25:08,870 --> 01:25:05,440

would be me your host stephen champion

2277

01:25:11,270 --> 01:25:08,880

and smash that subscribe button hit that

2278

01:25:12,950 --> 01:25:11,280

notification bell and you too will know

2279

01:25:16,070 --> 01:25:12,960

when we're doing a live show and you can

2280

01:25:18,709 --> 01:25:16,080

come here and be a part you hear we're

2281

01:25:21,110 --> 01:25:18,719

taking questions from the live chat

2282

01:25:22,870 --> 01:25:21,120

we are taking comments from the live

2283

01:25:24,470 --> 01:25:22,880

chat it's a very interactive show if

2284

01:25:26,790 --> 01:25:24,480

you're listening an audio podcast land

2285

01:25:28,470 --> 01:25:26,800

you get the show which i'm glad that

2286

01:25:30,870 --> 01:25:28,480

you're able to listen to there but

2287

01:25:32,149 --> 01:25:30,880

you're missing the live interaction so

2288

01:25:34,229 --> 01:25:32,159

if you want to be a part of this great

2289

01:25:36,790 --> 01:25:34,239

community come over here while we're

2290

01:25:38,550 --> 01:25:36,800

doing a live stream all the shows here

2291

01:25:41,270 --> 01:25:38,560

on truth seekers are recorded 100

2292

01:25:42,550 --> 01:25:41,280

percent live sometimes warts and all

2293

01:25:44,070 --> 01:25:42,560

strange things happen when you're

2294

01:25:46,310 --> 01:25:44,080

recording a live show

2295

01:25:49,350 --> 01:25:46,320

but we take the audio from the live show

2296

01:25:52,390 --> 01:25:49,360

and push it out into audio podcast land

2297

01:25:54,950 --> 01:25:52,400

so would really prefer it if you came

2298

01:25:56,709 --> 01:25:54,960

over here to youtube and smash that

2299

01:25:58,550 --> 01:25:56,719

subscribe button and we'll remind

2300

01:26:01,510 --> 01:25:58,560

everybody else that is listening either

2301

01:26:04,149 --> 01:26:01,520

on facebook or twitch or uh

2302

01:26:06,870 --> 01:26:04,159

on youtube if you haven't already please

2303

01:26:09,189 --> 01:26:06,880

do smash that subscribe button hit that

2304

01:26:11,430 --> 01:26:09,199

notification bell and come here and be

2305

01:26:15,030 --> 01:26:11,440

part of the discussion you too can

2306

01:26:17,189 --> 01:26:15,040

become a part of this story

2307

01:26:18,149 --> 01:26:17,199

uh i also want to remind everybody that

2308

01:26:19,669 --> 01:26:18,159

besides

2309

01:26:21,110 --> 01:26:19,679

throwing money at me the other way that

2310

01:26:24,070 --> 01:26:21,120

you can help is to like comment

2311

01:26:26,229 --> 01:26:24,080

subscribe and share these videos every

2312

01:26:27,750 --> 01:26:26,239

comment every video i pick my favorite

2313

01:26:30,229 --> 01:26:27,760

comment and pin it to the top so

2314

01:26:32,149 --> 01:26:30,239

everybody gets to read it uh

2315

01:26:33,830 --> 01:26:32,159

every comment really does help with the

2316

01:26:36,390 --> 01:26:33,840

algorithm it helps raise us in the

2317

01:26:39,669 --> 01:26:36,400

search engine and it helps the ai

2318

01:26:41,189 --> 01:26:39,679

algorithm youtube gods like us more see

2319

01:26:43,590 --> 01:26:41,199

every little bit of interaction so

2320

01:26:45,910 --> 01:26:43,600

please smash that like button

2321

01:26:48,390 --> 01:26:45,920

share these videos on your social media

2322

01:26:50,470 --> 01:26:48,400

subscribe hit the notification bell

2323

01:26:52,470 --> 01:26:50,480

and uh

2324

01:26:55,270 --> 01:26:52,480

that will help us my friends to get a

2325

01:26:57,030 --> 01:26:55,280

bigger bullhorn

2326

01:26:59,590 --> 01:26:57,040

so rebecca turner is saying goodnight to

2327

01:27:01,110 --> 01:26:59,600

everybody uh rebecca turner also said

2328

01:27:03,030 --> 01:27:01,120

good show stephen was interesting i

2329

01:27:05,350 --> 01:27:03,040

liked her i'll check out her show yeah i

2330

01:27:06,709 --> 01:27:05,360

encourage everybody to and i apologize

2331

01:27:08,550 --> 01:27:06,719

for two things

2332

01:27:10,709 --> 01:27:08,560

to erica first i spelled her name with a

2333

01:27:12,629 --> 01:27:10,719

k instead of a c and then i said ufos

2334

01:27:15,990 --> 01:27:12,639

declassified and well aware the name of

2335

01:27:20,149 --> 01:27:16,000

her show is ufos classified or should be

2336

01:27:22,310 --> 01:27:20,159

uh you know so i apologize just uh you

2337

01:27:25,430 --> 01:27:22,320

know slip of the tongue there

2338

01:27:28,790 --> 01:27:25,440

but uh my apologies her

2339

01:27:31,030 --> 01:27:28,800

her button her uh channel address is in

2340

01:27:33,350 --> 01:27:31,040

the about section of this video or this

2341

01:27:35,270 --> 01:27:33,360

podcast and you two can go over there

2342

01:27:37,030 --> 01:27:35,280

hit the subscribe button and the

2343

01:27:39,669 --> 01:27:37,040

notification bell and know when she's

2344

01:27:42,790 --> 01:27:39,679

doing a live stream i highly recommend

2345

01:27:44,070 --> 01:27:42,800

her and her partner scott do a great job

2346

01:27:49,350 --> 01:27:44,080

uh

2347

01:27:52,470 --> 01:27:49,360

that c.w chatter gave a heads up about

2348

01:27:56,790 --> 01:27:52,480

wednesday boy what can i say friends

2349

01:27:58,470 --> 01:27:56,800

uh we have a banger a banger of a show

2350

01:28:00,470 --> 01:27:58,480

coming your way

2351

01:28:03,750 --> 01:28:00,480

this wednesday night

2352

01:28:05,910 --> 01:28:03,760

uh at 5 00 p.m i know that's a weird

2353

01:28:07,110 --> 01:28:05,920

time for us we're normally at 9 00 p.m

2354

01:28:09,350 --> 01:28:07,120

but

2355

01:28:10,870 --> 01:28:09,360

it appears to be that

2356

01:28:14,790 --> 01:28:10,880

the

2357

01:28:17,590 --> 01:28:14,800

broadcast with which i believe are all

2358

01:28:19,270 --> 01:28:17,600

in england you know they can't do 9 p.m

2359

01:28:20,390 --> 01:28:19,280

because it's because of the time

2360

01:28:21,669 --> 01:28:20,400

difference

2361

01:28:24,149 --> 01:28:21,679

so

2362

01:28:26,070 --> 01:28:24,159

what we're doing is doing it at 5 p.m

2363

01:28:29,350 --> 01:28:26,080

eastern standard time

2364

01:28:33,110 --> 01:28:29,360

and this my friends uh is this wednesday

2365

01:28:34,070 --> 01:28:33,120

october 27th 2021 5 p.m eastern standard

2366

01:28:35,990 --> 01:28:34,080

time

2367

01:28:37,830 --> 01:28:36,000

and i said earlier not to be missed

2368

01:28:40,070 --> 01:28:37,840

we'll be holding a true seeker special

2369

01:28:42,709 --> 01:28:40,080

event and simulcast

2370

01:28:44,229 --> 01:28:42,719

there will be stunning new revelations

2371

01:28:47,110 --> 01:28:44,239

that will come

2372

01:28:49,750 --> 01:28:47,120

and you do not want to miss this one

2373

01:28:51,430 --> 01:28:49,760

friends we have got the wonderful and

2374

01:28:52,550 --> 01:28:51,440

incredible kevin moore from the kevin

2375

01:28:54,550 --> 01:28:52,560

moore show

2376

01:28:57,510 --> 01:28:54,560

we have got joining us on the panel for

2377

01:28:59,350 --> 01:28:57,520

the simulcast and seeker of truth

2378

01:29:02,149 --> 01:28:59,360

we have got of course myself stephen

2379

01:29:05,510 --> 01:29:02,159

champion of truth seekers here hosting

2380

01:29:08,390 --> 01:29:05,520

we've got terry joyce from not my rabbit

2381

01:29:11,590 --> 01:29:08,400

hole we've got tap from the alathia

2382

01:29:14,070 --> 01:29:11,600

project uh which is a channel that i'm

2383

01:29:16,390 --> 01:29:14,080

just now becoming acquainted with

2384

01:29:18,629 --> 01:29:16,400

and boy do i love some of the stuff i've

2385

01:29:21,270 --> 01:29:18,639

heard on that channel and of course

2386

01:29:23,990 --> 01:29:21,280

we've got our friend the man the myth

2387

01:29:27,110 --> 01:29:24,000

cw channel joining us and we will be

2388

01:29:28,070 --> 01:29:27,120

discussing the hidden truth behind simon

2389

01:29:30,229 --> 01:29:28,080

parks

2390

01:29:32,229 --> 01:29:30,239

i gotta tell you that this is a lot of

2391

01:29:34,790 --> 01:29:32,239

people contributing research and

2392

01:29:36,149 --> 01:29:34,800

materials that we will be sharing

2393

01:29:38,950 --> 01:29:36,159

some of which

2394

01:29:42,149 --> 01:29:38,960

no one has ever heard before some of

2395

01:29:44,790 --> 01:29:42,159

which no one has ever seen before

2396

01:29:46,870 --> 01:29:44,800

and i guarantee you friends especially

2397

01:29:47,830 --> 01:29:46,880

if you love gotcha moments

2398

01:29:50,229 --> 01:29:47,840

uh

2399

01:29:51,510 --> 01:29:50,239

this will be one that you do not want to

2400

01:29:53,830 --> 01:29:51,520

miss

2401

01:29:56,310 --> 01:29:53,840

we consider this work that we're doing

2402

01:29:59,830 --> 01:29:56,320

wednesday a public service and so does

2403

01:30:02,470 --> 01:29:59,840

everyone involved so important are are

2404

01:30:06,149 --> 01:30:02,480

these materials that we will be sharing

2405

01:30:09,030 --> 01:30:06,159

that we felt the need to band together

2406

01:30:11,110 --> 01:30:09,040

as a strange team of sorts

2407

01:30:14,310 --> 01:30:11,120

to get this

2408

01:30:15,990 --> 01:30:14,320

message amplified

2409

01:30:18,390 --> 01:30:16,000

uh we believe that everybody will be

2410

01:30:20,470 --> 01:30:18,400

sharing this broadcast on their specific

2411

01:30:22,229 --> 01:30:20,480

channels along with me hosting it here

2412

01:30:23,990 --> 01:30:22,239

on our channel

2413

01:30:25,910 --> 01:30:24,000

uh and

2414

01:30:27,350 --> 01:30:25,920

because we will be banding together i

2415

01:30:28,950 --> 01:30:27,360

think kevin moore has a hundred thousand

2416

01:30:32,070 --> 01:30:28,960

subscribers and seeker of truth like

2417

01:30:33,750 --> 01:30:32,080

thirty thousand you know um

2418

01:30:34,950 --> 01:30:33,760

see every channel has five i'm not sure

2419

01:30:37,510 --> 01:30:34,960

on the others

2420

01:30:39,110 --> 01:30:37,520

uh off hand we have three thousand we're

2421

01:30:42,070 --> 01:30:39,120

going to be

2422

01:30:45,510 --> 01:30:42,080

banding together to amplify

2423

01:30:48,070 --> 01:30:45,520

uh this message and these revelations

2424

01:30:50,629 --> 01:30:48,080

because i i believe we all feel it's so

2425

01:30:53,430 --> 01:30:50,639

important uh of work

2426

01:30:55,750 --> 01:30:53,440

um that we all need to do this band

2427

01:30:58,070 --> 01:30:55,760

together to help more people hurt about

2428

01:30:59,189 --> 01:30:58,080

it hear about this so that will be this

2429

01:31:01,669 --> 01:30:59,199

wednesday

2430

01:31:05,430 --> 01:31:01,679

5 p.m eastern standard time this is

2431

01:31:07,750 --> 01:31:05,440

going to be one banger i i'm telling you

2432

01:31:10,790 --> 01:31:07,760

this is one that you do not want to miss

2433

01:31:13,430 --> 01:31:10,800

the live event for live special event

2434

01:31:16,950 --> 01:31:13,440

this wednesday october 27th

2435

01:31:19,189 --> 01:31:16,960

2021 5 pm eastern time the hidden truth

2436

01:31:20,310 --> 01:31:19,199

behind simon parks

2437

01:31:21,990 --> 01:31:20,320

don't

2438

01:31:22,950 --> 01:31:22,000

miss it folks

2439

01:31:25,030 --> 01:31:22,960

all right

2440

01:31:26,709 --> 01:31:25,040

so back to the live chat uh we'll take

2441

01:31:28,310 --> 01:31:26,719

some more comments and questions andrew

2442

01:31:30,149 --> 01:31:28,320

says thank you for being straightforward

2443

01:31:32,229 --> 01:31:30,159

honest human beings to you really enjoy

2444

01:31:35,030 --> 01:31:32,239

your show keep it going and thank you

2445

01:31:37,990 --> 01:31:35,040

well thank you for your kindness and for

2446

01:31:42,470 --> 01:31:40,310

encouraging words you know this is a

2447

01:31:44,149 --> 01:31:42,480

thankless job

2448

01:31:45,590 --> 01:31:44,159

and it's nice once in a while that

2449

01:31:47,830 --> 01:31:45,600

somebody lets me know that they

2450

01:31:49,430 --> 01:31:47,840

appreciate what i do the sixth sense

2451
01:31:52,709 --> 01:31:49,440
reminding everybody once again wednesday

2452
01:31:54,629 --> 01:31:52,719
october 27th 2021 5 pm eastern time

2453
01:31:56,470 --> 01:31:54,639
there's my twitter post

2454
01:31:59,110 --> 01:31:56,480
uh

2455
01:32:00,950 --> 01:31:59,120
advertising this wednesday show

2456
01:32:02,470 --> 01:32:00,960
and also success reminding everybody

2457
01:32:04,550 --> 01:32:02,480
about the kevin moore show youtube

2458
01:32:06,149 --> 01:32:04,560
channel you can put cw channelers and

2459
01:32:07,669 --> 01:32:06,159
everybody else is in there that you can

2460
01:32:08,790 --> 01:32:07,679
find quickly

2461
01:32:12,950 --> 01:32:08,800
uh

2462
01:32:15,030 --> 01:32:12,960
sixth sense will be wrapping things up

2463
01:32:19,270 --> 01:32:15,040

pragmatic says congrats on the creepiest

2464

01:32:22,070 --> 01:32:19,280

cw face at spooky yeah

2465

01:32:24,470 --> 01:32:22,080

uh yeah yeah and there's not my rabbit

2466

01:32:27,510 --> 01:32:24,480

hole with terry joyce uh

2467

01:32:29,030 --> 01:32:27,520

the youtube channel and it's the alithea

2468

01:32:32,070 --> 01:32:29,040

project is the other one that you might

2469

01:32:33,669 --> 01:32:32,080

be able to find uh sixth sense and m

2470

01:32:35,270 --> 01:32:33,679

seeker of truth i know that one's easy

2471

01:32:37,110 --> 01:32:35,280

to find just put m secret truth in the

2472

01:32:38,470 --> 01:32:37,120

search bar it'll pop right up but this

2473

01:32:41,510 --> 01:32:38,480

other one's kind of hard to spell and

2474

01:32:45,189 --> 01:32:41,520

say so give me a hand on that one would

2475

01:32:49,030 --> 01:32:47,030

out of mind says so moore is off the

2476

01:32:50,790 --> 01:32:49,040

douche nozzle list now hard to keep up

2477

01:32:53,110 --> 01:32:50,800

these days i don't know he's never been

2478

01:32:55,110 --> 01:32:53,120

on my douche nozzle list

2479

01:32:55,910 --> 01:32:55,120

i don't know if other people were uh you

2480

01:32:58,470 --> 01:32:55,920

know

2481

01:33:01,270 --> 01:32:58,480

uh putting him on that list he's not on

2482

01:33:03,910 --> 01:33:01,280

my dude he's always off the list

2483

01:33:05,510 --> 01:33:03,920

to me you know i talked to him today by

2484

01:33:07,990 --> 01:33:05,520

the way i want to thank kevin moore from

2485

01:33:10,470 --> 01:33:08,000

the kevin moore show who kindly offered

2486

01:33:12,390 --> 01:33:10,480

to let me host this special event and

2487

01:33:14,550 --> 01:33:12,400

and he's doing that to give me a hand he

2488

01:33:17,350 --> 01:33:14,560

really is and he should be recognized

2489

01:33:19,669 --> 01:33:17,360

for that uh because certainly him

2490

01:33:23,110 --> 01:33:19,679

letting me host with all of these other

2491

01:33:25,990 --> 01:33:23,120

channels boosting it um will be

2492

01:33:28,149 --> 01:33:26,000

beneficial for our channel and our

2493

01:33:30,870 --> 01:33:28,159

you know view count sub counts and hey

2494

01:33:32,709 --> 01:33:30,880

i'm saying this in full disclosure that

2495

01:33:34,310 --> 01:33:32,719

you know uh

2496

01:33:36,709 --> 01:33:34,320

kevin moore could have hosted on his own

2497

01:33:37,910 --> 01:33:36,719

channel but decided to let me do it

2498

01:33:39,669 --> 01:33:37,920

um

2499

01:33:41,990 --> 01:33:39,679

and then that's a great thing you know

2500

01:33:44,870 --> 01:33:42,000

he handed it off it's really his story

2501
01:33:46,550 --> 01:33:44,880
most of it and he's got a treasure trove

2502
01:33:49,510 --> 01:33:46,560
of materials

2503
01:33:51,270 --> 01:33:49,520
that he came across while researching

2504
01:33:54,229 --> 01:33:51,280
simon park's involvement in the mark

2505
01:33:56,390 --> 01:33:54,239
richards story and he thought that these

2506
01:33:59,110 --> 01:33:56,400
these materials and this stuff was so

2507
01:34:01,669 --> 01:33:59,120
important uh that were he wanted to put

2508
01:34:03,510 --> 01:34:01,679
together a special event to share it all

2509
01:34:05,990 --> 01:34:03,520
and there we have m seeker of truths

2510
01:34:08,229 --> 01:34:06,000
channel who will also be joining us for

2511
01:34:11,830 --> 01:34:08,239
this special event this wednesday night

2512
01:34:14,149 --> 01:34:11,840
at 5 p.m eastern standard time

2513
01:34:16,390 --> 01:34:14,159

no friends uh

2514

01:34:18,790 --> 01:34:16,400

you know you can go and spend your time

2515

01:34:20,070 --> 01:34:18,800

listening to a ufo circle jerk or you

2516

01:34:22,790 --> 01:34:20,080

could spend your time with real

2517

01:34:25,990 --> 01:34:22,800

researchers who have real facts and

2518

01:34:29,110 --> 01:34:26,000

evidence to share real revelations

2519

01:34:30,870 --> 01:34:29,120

that are important real work imagine

2520

01:34:33,270 --> 01:34:30,880

that we're not just going to sit around

2521

01:34:35,669 --> 01:34:33,280

and tell each other how great we are

2522

01:34:37,750 --> 01:34:35,679

uh we're not gonna just sit around and

2523

01:34:38,709 --> 01:34:37,760

softball questioning each other we're

2524

01:34:40,229 --> 01:34:38,719

gonna

2525

01:34:43,590 --> 01:34:40,239

come together

2526
01:34:46,950 --> 01:34:43,600
and do a very hard hitting impactful and

2527
01:34:48,229 --> 01:34:46,960
important expose on this very important

2528
01:34:50,390 --> 01:34:48,239
topic

2529
01:34:53,109 --> 01:34:50,400
uh and i and i hope that you will all

2530
01:34:55,189 --> 01:34:53,119
come and support us in doing so

2531
01:34:57,270 --> 01:34:55,199
dave tv i left for a minute and didn't

2532
01:35:00,149 --> 01:34:57,280
get to say goodbye to erica sorry about

2533
01:35:02,550 --> 01:35:00,159
that i'll pass it along to her uh dave

2534
01:35:04,870 --> 01:35:02,560
tv

2535
01:35:07,510 --> 01:35:04,880
yeah eric is great i want to thank her

2536
01:35:09,910 --> 01:35:07,520
again for doing for doing that doing

2537
01:35:10,790 --> 01:35:09,920
this tonight uh

2538
01:35:14,550 --> 01:35:10,800

yeah

2539

01:35:17,830 --> 01:35:14,560

the alathia project on youtube

2540

01:35:19,510 --> 01:35:17,840

uh yeah i heard him do this amazing

2541

01:35:22,229 --> 01:35:19,520

breakdown of some of the stuff that

2542

01:35:24,950 --> 01:35:22,239

simon parks is saying behind his paywall

2543

01:35:27,109 --> 01:35:24,960

oh boy is it good friends it is good

2544

01:35:30,709 --> 01:35:27,119

stuff when you hear

2545

01:35:33,350 --> 01:35:30,719

as if the stuff that simon park says in

2546

01:35:35,590 --> 01:35:33,360

public is not crazy enough

2547

01:35:37,109 --> 01:35:35,600

who would have guessed it that it gets

2548

01:35:39,830 --> 01:35:37,119

crazier

2549

01:35:40,950 --> 01:35:39,840

if you pay for the paywall right these

2550

01:35:42,950 --> 01:35:40,960

these

2551

01:35:45,590 --> 01:35:42,960

zoom you know

2552

01:35:47,990 --> 01:35:45,600

broadcast calls that he does

2553

01:35:53,910 --> 01:35:52,070

yes and uh tomorrow's show uh one second

2554

01:35:57,109 --> 01:35:53,920

friends uh let me just get into my

2555

01:35:59,750 --> 01:35:57,119

messages here because

2556

01:36:02,550 --> 01:35:59,760

yeah well just bear with me

2557

01:36:05,750 --> 01:36:02,560

yes we have another interview tomorrow

2558

01:36:06,709 --> 01:36:05,760

night at 9 00 pm and i'm trying to find

2559

01:36:08,950 --> 01:36:06,719

out

2560

01:36:10,870 --> 01:36:08,960

one second i have the uh i have the

2561

01:36:12,950 --> 01:36:10,880

whole breakdown of that that i can bring

2562

01:36:15,510 --> 01:36:12,960

you in the meantime comments questions

2563

01:36:17,669 --> 01:36:15,520

for me please put them in all caps

2564

01:36:20,390 --> 01:36:17,679

uh yes tomorrow we're gonna have another

2565

01:36:22,310 --> 01:36:20,400

bang-up show for you because uh listen

2566

01:36:24,070 --> 01:36:22,320

i'm good with let's bring some more

2567

01:36:25,910 --> 01:36:24,080

people here and hear other perspectives

2568

01:36:27,990 --> 01:36:25,920

on this phenomenon people want to hear

2569

01:36:29,750 --> 01:36:28,000

me do ufo coverage i decided the best

2570

01:36:31,189 --> 01:36:29,760

way i could do ufo coverage is to bring

2571

01:36:32,229 --> 01:36:31,199

people here

2572

01:36:34,070 --> 01:36:32,239

that

2573

01:36:36,390 --> 01:36:34,080

i feel are experts

2574

01:36:38,550 --> 01:36:36,400

that i'm somewhat familiar with

2575

01:36:42,149 --> 01:36:38,560

but not incredibly familiar with if at

2576

01:36:45,430 --> 01:36:42,159

all possible and pick their brain

2577

01:36:47,750 --> 01:36:45,440

so tomorrow night we have ryan stacy

2578

01:36:49,750 --> 01:36:47,760

and ryan stacy is from canada he's a

2579

01:36:51,990 --> 01:36:49,760

private investigator author citizen

2580

01:36:54,070 --> 01:36:52,000

journalist and an active canadian

2581

01:36:55,030 --> 01:36:54,080

ufologist in the canadian disclosure

2582

01:36:57,669 --> 01:36:55,040

movement

2583

01:36:59,910 --> 01:36:57,679

he's also a paranormal investigator the

2584

01:37:01,350 --> 01:36:59,920

formal national chief investigator from

2585

01:37:02,790 --> 01:37:01,360

mufan canada

2586

01:37:04,470 --> 01:37:02,800

and former director of field

2587

01:37:06,790 --> 01:37:04,480

investigator training for mufon

2588

01:37:08,629 --> 01:37:06,800

international

2589

01:37:11,669 --> 01:37:08,639

ryan is also the host of beyond the

2590

01:37:14,629 --> 01:37:11,679

tinfoil hat a podcast by the experiencer

2591

01:37:16,470 --> 01:37:14,639

support association

2592

01:37:24,870 --> 01:37:16,480

so we're going to be welcoming him

2593

01:37:27,990 --> 01:37:26,390

it's interesting

2594

01:37:31,990 --> 01:37:28,000

it will be interesting to get some new

2595

01:37:35,590 --> 01:37:33,910

our guest tomorrow night have been has

2596

01:37:38,310 --> 01:37:35,600

been deeply investigating this

2597

01:37:39,950 --> 01:37:38,320

phenomenon for quite some time

2598

01:37:42,229 --> 01:37:39,960

focusing most recently on the

2599

01:37:43,430 --> 01:37:42,239

experiencers and the experiencer

2600

01:37:46,470 --> 01:37:43,440

community

2601

01:37:48,709 --> 01:37:46,480

he does a uh sort of experience or

2602

01:37:50,950 --> 01:37:48,719

support network and we're going to hear

2603

01:37:52,390 --> 01:37:50,960

more about that tomorrow so thanks for

2604

01:37:55,270 --> 01:37:52,400

spooky for reminding me to plug

2605

01:38:01,109 --> 01:37:57,430

yes and there may be

2606

01:38:05,510 --> 01:38:02,870

there may be a show tomorrow we're

2607

01:38:07,189 --> 01:38:05,520

trying listen i gotta be honest and

2608

01:38:08,950 --> 01:38:07,199

speaking we should talk about these

2609

01:38:11,830 --> 01:38:08,960

things off air before we talk about them

2610

01:38:14,229 --> 01:38:11,840

on air but here we are so it's all good

2611

01:38:15,510 --> 01:38:14,239

i'm trying to get together another

2612

01:38:18,149 --> 01:38:15,520

sort of uh

2613

01:38:19,990 --> 01:38:18,159

quick analysis of some of the new claims

2614

01:38:21,910 --> 01:38:20,000

that david wilcock is making which are

2615

01:38:23,350 --> 01:38:21,920

very problematic essentially david

2616

01:38:25,590 --> 01:38:23,360

wilcock is saying

2617

01:38:26,870 --> 01:38:25,600

that his new hovercar

2618

01:38:28,229 --> 01:38:26,880

ceo

2619

01:38:30,870 --> 01:38:28,239

insider

2620

01:38:33,270 --> 01:38:30,880

uh who by the way ran an aviation

2621

01:38:34,310 --> 01:38:33,280

company for 25 years but hasn't managed

2622

01:38:39,189 --> 01:38:34,320

to

2623

01:38:41,910 --> 01:38:39,199

in 25 years of running an airplane

2624

01:38:44,390 --> 01:38:41,920

company according to david wilcock that

2625

01:38:45,510 --> 01:38:44,400

same guy built all kinds of spaceships

2626

01:38:47,109 --> 01:38:45,520

right

2627

01:38:49,590 --> 01:38:47,119

all kinds of spaceships and that's what

2628

01:38:51,270 --> 01:38:49,600

he's telling people apparently david

2629

01:38:54,149 --> 01:38:51,280

wilcock is telling people behind his

2630

01:38:56,870 --> 01:38:54,159

paywall if you sign up for the 333

2631

01:38:59,030 --> 01:38:56,880

course that his new insider ben who's

2632

01:38:59,830 --> 01:38:59,040

really just a failed aircraft company

2633

01:39:01,669 --> 01:38:59,840

guy

2634

01:39:04,149 --> 01:39:01,679

uh who ran a field aircraft company for

2635

01:39:05,990 --> 01:39:04,159

25 years and never turned a profit he's

2636

01:39:08,790 --> 01:39:06,000

telling everybody that guy built

2637

01:39:12,550 --> 01:39:08,800

spaceships for the secret space program

2638

01:39:14,550 --> 01:39:12,560

sure he did david wilcock sure he did uh

2639

01:39:16,229 --> 01:39:14,560

whenever i could get that together maybe

2640

01:39:18,390 --> 01:39:16,239

tomorrow maybe the next day but yes

2641

01:39:20,310 --> 01:39:18,400

we're going to try to pull some more

2642

01:39:23,189 --> 01:39:20,320

afternoon shows and by afternoon shows i

2643

01:39:24,790 --> 01:39:23,199

mean 1 p.m or so

2644

01:39:26,470 --> 01:39:24,800

you may have noticed that last week we

2645

01:39:30,709 --> 01:39:26,480

picked up our

2646

01:39:32,950 --> 01:39:30,719

that mean that means that we produced

2647

01:39:35,669 --> 01:39:32,960

more content last week than we have in

2648

01:39:38,390 --> 01:39:35,679

the in the history of the show

2649

01:39:40,390 --> 01:39:38,400

and we did that to see what would happen

2650

01:39:42,629 --> 01:39:40,400

and i got to tell you it was more or

2651
01:39:44,629 --> 01:39:42,639
less successful i was sad to see that

2652
01:39:47,189 --> 01:39:44,639
the very important show that i thought

2653
01:39:50,070 --> 01:39:47,199
was very important on the opioid crisis

2654
01:39:52,629 --> 01:39:50,080
did not do well in fact did about half

2655
01:39:55,270 --> 01:39:52,639
of the average views of our other videos

2656
01:39:56,870 --> 01:39:55,280
get but i understand it's off topic you

2657
01:39:59,030 --> 01:39:56,880
know other than that i thought we had a

2658
01:40:01,270 --> 01:39:59,040
bang-up week we put out a lot of great

2659
01:40:03,109 --> 01:40:01,280
content more interviews than ever in a

2660
01:40:05,990 --> 01:40:03,119
week and uh we're going to try to

2661
01:40:07,430 --> 01:40:06,000
continue that trend for one more week

2662
01:40:09,189 --> 01:40:07,440
and then we're going to take a step back

2663
01:40:11,350 --> 01:40:09,199

and decide if we're going to do five

2664

01:40:13,430 --> 01:40:11,360

shows a week or if we're going to do

2665

01:40:14,390 --> 01:40:13,440

two or three shows a week whatever works

2666

01:40:15,189 --> 01:40:14,400

best

2667

01:40:17,750 --> 01:40:15,199

for

2668

01:40:19,669 --> 01:40:17,760

the demand that we have i would like

2669

01:40:22,390 --> 01:40:19,679

nothing better i would do 10 shows a

2670

01:40:25,109 --> 01:40:22,400

week if i could if there was the demand

2671

01:40:27,109 --> 01:40:25,119

for it but it really is a matter of

2672

01:40:29,030 --> 01:40:27,119

supply and demand we don't want to over

2673

01:40:30,310 --> 01:40:29,040

supply when when there's not enough

2674

01:40:33,350 --> 01:40:30,320

demand

2675

01:40:35,270 --> 01:40:33,360

um so we're gonna have to do this we're

2676

01:40:37,270 --> 01:40:35,280

gonna do the full court press here for

2677

01:40:39,590 --> 01:40:37,280

you guys for one more week

2678

01:40:41,189 --> 01:40:39,600

so worst case scenario everybody that

2679

01:40:43,510 --> 01:40:41,199

really likes the show gets a bunch of

2680

01:40:45,350 --> 01:40:43,520

new shows and then we go back to our old

2681

01:40:47,189 --> 01:40:45,360

way of doing things which is just a few

2682

01:40:48,830 --> 01:40:47,199

live shows a week

2683

01:40:52,149 --> 01:40:48,840

but i'm hopeful that the numbers are

2684

01:40:53,750 --> 01:40:52,159

gonna an analysis of the numbers with

2685

01:40:56,550 --> 01:40:53,760

this full court press are going to

2686

01:40:58,950 --> 01:40:56,560

reveal to us that you can indeed

2687

01:40:59,669 --> 01:40:58,960

we can indeed do the five shows a week

2688

01:41:04,390 --> 01:40:59,679

and

2689

01:41:07,430 --> 01:41:04,400

loss

2690

01:41:10,070 --> 01:41:07,440

in per video views right

2691

01:41:13,510 --> 01:41:10,080

uh yeah so that's where we're at that's

2692

01:41:15,510 --> 01:41:13,520

the state of uh truth seekers and i also

2693

01:41:18,149 --> 01:41:15,520

want to mention that i've so far for

2694

01:41:21,669 --> 01:41:18,159

patreon i've posted two songs i'm going

2695

01:41:24,070 --> 01:41:21,679

to be doing the uh monthly video journal

2696

01:41:26,790 --> 01:41:24,080

early and we're going to try to

2697

01:41:28,709 --> 01:41:26,800

fit in also a patreon only stream which

2698

01:41:30,229 --> 01:41:28,719

is something that i keep failing at but

2699

01:41:32,950 --> 01:41:30,239

i'm determined we're going to pick a

2700

01:41:34,870 --> 01:41:32,960

time and date and i'll get it going and

2701

01:41:37,189 --> 01:41:34,880

that the link to the stream will be in

2702

01:41:39,189 --> 01:41:37,199

the patreon but again if you're really

2703

01:41:41,030 --> 01:41:39,199

having a tough time just send me a

2704

01:41:42,470 --> 01:41:41,040

message and let me know and i'll put you

2705

01:41:44,790 --> 01:41:42,480

on the list

2706

01:41:47,270 --> 01:41:44,800

to get the link as well

2707

01:41:48,629 --> 01:41:47,280

so that's where we're at friends

2708

01:41:50,629 --> 01:41:48,639

um

2709

01:41:52,390 --> 01:41:50,639

boy there's a lot of stuff that i would

2710

01:41:54,149 --> 01:41:52,400

like to talk about but i don't want to

2711

01:41:56,629 --> 01:41:54,159

cram it into this show

2712

01:42:00,390 --> 01:41:56,639

you know um

2713

01:42:01,830 --> 01:42:00,400

lots of drama rama going on uh and

2714

01:42:04,390 --> 01:42:01,840

i you know you guys know i'm always

2715

01:42:08,550 --> 01:42:04,400

honest and i talk about these things

2716

01:42:09,910 --> 01:42:08,560

very very uh publicly you know

2717

01:42:12,629 --> 01:42:09,920

there's stuff going on and people are

2718

01:42:15,510 --> 01:42:12,639

talking about x y or z or you know but

2719

01:42:17,109 --> 01:42:15,520

uh we'll save that for another time uh

2720

01:42:19,750 --> 01:42:17,119

it's been a very long day i'm gonna

2721

01:42:21,109 --> 01:42:19,760

bounce on out of here you always hear me

2722

01:42:22,709 --> 01:42:21,119

say this friends

2723

01:42:24,709 --> 01:42:22,719

i am always happy when there's an

2724

01:42:26,870 --> 01:42:24,719

audience and thank you for coming here

2725

01:42:28,790 --> 01:42:26,880

tonight and being a part of mine it has

2726

01:42:31,350 --> 01:42:28,800

been my pleasure no place that i would

2727

01:42:34,709 --> 01:42:31,360

rather be than right here with you

2728

01:42:37,030 --> 01:42:34,719

so i want to thank my guest erica luke

2729

01:42:39,189 --> 01:42:37,040

and i want to thank everybody in the

2730

01:42:41,750 --> 01:42:39,199

live chat for attending

2731

01:42:43,510 --> 01:42:41,760

uh make sure that you do go check out

2732

01:42:46,470 --> 01:42:43,520

erica luke's channel

2733

01:42:48,390 --> 01:42:46,480

it's in the description of the video

2734

01:42:50,229 --> 01:42:48,400

let's get her some new subscribers

2735

01:42:52,870 --> 01:42:50,239

friends if you like my work i'm

2736

01:42:55,430 --> 01:42:52,880

promising you you will most likely like

2737

01:42:57,189 --> 01:42:55,440

her and scott's excellent take on things

2738

01:42:59,510 --> 01:42:57,199

so until next time friends my name is

2739

01:43:03,270 --> 01:42:59,520

stephen cambion good night and god bless

2740

01:44:33,450 --> 01:43:15,830

[Music]

2741

01:45:09,410 --> 01:44:33,460

[Applause]
