

UFO RESEARCH RESOURCES

PART ONE

Truth Seekers

1
00:02:08,790 --> 00:00:22,320

[Music]

2
00:02:14,070 --> 00:02:11,589

greetings and salutations friends and

3
00:02:16,229 --> 00:02:14,080

welcome back to truth seekers

4
00:02:19,030 --> 00:02:16,239

i'm your host stephen campion bringing

5
00:02:23,910 --> 00:02:22,550

some resources tonight for a change

6
00:02:25,350 --> 00:02:23,920

you know i've been getting a lot of

7
00:02:27,670 --> 00:02:25,360

emails lately

8
00:02:28,790 --> 00:02:27,680

from people interested in ufos

9
00:02:30,630 --> 00:02:28,800

and

10
00:02:33,030 --> 00:02:30,640

uh especially people that are interested

11
00:02:35,430 --> 00:02:33,040

in ufos who don't want

12
00:02:37,589 --> 00:02:35,440

the fairy tales and the fake stories and

13
00:02:39,990 --> 00:02:37,599

the fake sources

14

00:02:42,150 --> 00:02:40,000

and the fake ufo clowns running around

15

00:02:44,630 --> 00:02:42,160

selling fake ufo stories people want to

16

00:02:46,070 --> 00:02:44,640

know who they can trust to be telling

17

00:02:47,270 --> 00:02:46,080

them the truth

18

00:02:48,710 --> 00:02:47,280

um

19

00:02:51,030 --> 00:02:48,720

maybe chalk it up to having a show

20

00:02:53,589 --> 00:02:51,040

called truth seekers people

21

00:02:55,750 --> 00:02:53,599

sometimes think i'm the arbiter of truth

22

00:02:57,830 --> 00:02:55,760

which is really not accurate i'm just a

23

00:03:00,869 --> 00:02:57,840

seeker of truth

24

00:03:02,229 --> 00:03:00,879

but there are good resources that are

25

00:03:04,790 --> 00:03:02,239

out there

26
00:03:06,710 --> 00:03:04,800
for people who aren't interested in the

27
00:03:09,190 --> 00:03:06,720
ufo hucksters

28
00:03:09,910 --> 00:03:09,200
selling fairy tales but rather want to

29
00:03:13,110 --> 00:03:09,920
get

30
00:03:13,990 --> 00:03:13,120
more accurate information

31
00:03:16,070 --> 00:03:14,000
now

32
00:03:18,070 --> 00:03:16,080
i've heard a lot of chatter lately

33
00:03:21,509 --> 00:03:18,080
directed against people who are

34
00:03:25,190 --> 00:03:21,519
skeptical of ufo stories

35
00:03:27,589 --> 00:03:25,200
but some of that chatter was directed at

36
00:03:30,550 --> 00:03:27,599
me and others who

37
00:03:32,470 --> 00:03:30,560
routinely go through stories point out

38
00:03:34,550 --> 00:03:32,480

the factual inaccuracies

39

00:03:36,229 --> 00:03:34,560

or just straight prove that they're fake

40

00:03:39,990 --> 00:03:36,239

stories

41

00:03:40,789 --> 00:03:40,000

and i i don't understand the criticism

42

00:03:45,430 --> 00:03:40,799

of

43

00:03:48,470 --> 00:03:45,440

research or reporting

44

00:03:51,030 --> 00:03:48,480

because essentially what people who are

45

00:03:52,949 --> 00:03:51,040

you know attacking skeptical people are

46

00:03:55,270 --> 00:03:52,959

doing is saying

47

00:03:56,949 --> 00:03:55,280

we want to believe our fairy tales stop

48

00:03:59,030 --> 00:03:56,959

telling people they're not true with

49

00:04:00,789 --> 00:03:59,040

your facts and your evidence

50

00:04:02,149 --> 00:04:00,799

because it's not helpful

51

00:04:04,070 --> 00:04:02,159

but generally

52

00:04:07,270 --> 00:04:04,080

it's not helpful to the people that are

53

00:04:09,270 --> 00:04:07,280

selling the fake stories

54

00:04:11,190 --> 00:04:09,280

but this is where we find ourselves this

55

00:04:13,030 --> 00:04:11,200

strange sort of place

56

00:04:16,310 --> 00:04:13,040

you know there's no there's no

57

00:04:19,590 --> 00:04:16,320

subculture in the world like this

58

00:04:21,590 --> 00:04:19,600

where a bunch of uh quite honestly a lot

59

00:04:23,670 --> 00:04:21,600

of delusional

60

00:04:27,430 --> 00:04:23,680

people who are

61

00:04:29,510 --> 00:04:27,440

perhaps lacking something in their life

62

00:04:31,350 --> 00:04:29,520

are so desperate to believe some of

63

00:04:35,670 --> 00:04:31,360

these stories that they attack the

64

00:04:39,510 --> 00:04:36,790

now

65

00:04:41,749 --> 00:04:39,520

sorry not sorry but i believe that

66

00:04:43,909 --> 00:04:41,759

people that prove that many of these

67

00:04:45,749 --> 00:04:43,919

stories are fake shouldn't be attacked

68

00:04:48,390 --> 00:04:45,759

but rather applauded

69

00:04:53,990 --> 00:04:48,400

for doing the work to show the story is

70

00:04:58,710 --> 00:04:56,070

people have said the ufo community is

71

00:05:00,550 --> 00:04:58,720

divisive uh i'd say it's a little more

72

00:05:02,310 --> 00:05:00,560

than divisive

73

00:05:04,550 --> 00:05:02,320

uh it is

74

00:05:06,790 --> 00:05:04,560

it is a bunch of people arguing that's

75

00:05:08,710 --> 00:05:06,800

what the ufo community is you've got

76

00:05:10,070 --> 00:05:08,720

skeptics on one side you've got true

77

00:05:11,670 --> 00:05:10,080

believers on the other side and then

78

00:05:13,590 --> 00:05:11,680

you've got a lot of people in between

79

00:05:15,110 --> 00:05:13,600

who pick the one the stories that they

80

00:05:15,909 --> 00:05:15,120

find credible

81

00:05:20,070 --> 00:05:15,919

and

82

00:05:21,510 --> 00:05:20,080

others

83

00:05:23,670 --> 00:05:21,520

somewhere in the middle will pick

84

00:05:25,909 --> 00:05:23,680

different stories you know and these

85

00:05:27,430 --> 00:05:25,919

even those people attack each other

86

00:05:29,510 --> 00:05:27,440

because

87

00:05:31,430 --> 00:05:29,520

one may believe one story but not

88

00:05:33,270 --> 00:05:31,440

another story somebody talks about so

89

00:05:36,230 --> 00:05:33,280

they go back and forth

90

00:05:40,790 --> 00:05:36,240

the the skeptics and the true believers

91

00:05:43,590 --> 00:05:40,800

though those arguments are amazing

92

00:05:45,510 --> 00:05:43,600

uh you know sometimes i find myself just

93

00:05:47,830 --> 00:05:45,520

reading some of these twitter threads

94

00:05:50,550 --> 00:05:47,840

where people are just

95

00:05:52,390 --> 00:05:50,560

nasty attacking each other

96

00:05:55,270 --> 00:05:52,400

simply because they disagree

97

00:05:57,430 --> 00:05:55,280

about a ufo story which is

98

00:05:58,469 --> 00:05:57,440

incredibly funny to me

99

00:05:59,350 --> 00:05:58,479

um

100

00:06:00,790 --> 00:05:59,360

and

101
00:06:02,309 --> 00:06:00,800
recently

102
00:06:04,950 --> 00:06:02,319
this is

103
00:06:08,230 --> 00:06:04,960
my gosh

104
00:06:12,150 --> 00:06:08,240
earlier tonight one of the best

105
00:06:14,390 --> 00:06:12,160
this is one of the best examples of the

106
00:06:16,230 --> 00:06:14,400
venomous nastiness

107
00:06:17,189 --> 00:06:16,240
in the ufo communities that i've ever

108
00:06:20,629 --> 00:06:17,199
seen

109
00:06:22,309 --> 00:06:20,639
this is one of the best examples

110
00:06:25,990 --> 00:06:22,319
of

111
00:06:28,469 --> 00:06:26,000
story

112
00:06:30,390 --> 00:06:28,479
getting just attacked incredibly

113
00:06:31,749 --> 00:06:30,400

viciously

114

00:06:35,110 --> 00:06:31,759

recently

115

00:06:37,909 --> 00:06:35,120

uh john greenwald from the black vault

116

00:06:40,150 --> 00:06:37,919

who is one of the last few people in the

117

00:06:42,550 --> 00:06:40,160

ufo community that i still will listen

118

00:06:44,550 --> 00:06:42,560

to or trust when he says something i

119

00:06:45,590 --> 00:06:44,560

believe it because he does very good

120

00:06:47,990 --> 00:06:45,600

research

121

00:06:50,390 --> 00:06:48,000

and it also should be mentioned that

122

00:06:52,150 --> 00:06:50,400

john from the black vault is

123

00:06:54,870 --> 00:06:52,160

um

124

00:06:57,350 --> 00:06:54,880

he's very professional

125

00:07:00,070 --> 00:06:57,360

compared to someone like me right

126

00:07:03,990 --> 00:07:00,080

i'm very rough around the edges you know

127

00:07:06,710 --> 00:07:04,000

and i uh sometimes say things very nasty

128

00:07:08,870 --> 00:07:06,720

and i'm gruff and i'm uh you know

129

00:07:11,510 --> 00:07:08,880

argumentative when i've caught someone

130

00:07:13,589 --> 00:07:11,520

straight lying through their teeth i

131

00:07:15,110 --> 00:07:13,599

i kick them in their teeth why are you

132

00:07:17,270 --> 00:07:15,120

lying through your teeth

133

00:07:19,909 --> 00:07:17,280

and then i attack them

134

00:07:22,629 --> 00:07:19,919

somewhat nastily sometimes

135

00:07:24,469 --> 00:07:22,639

call it a sense of righteous indignation

136

00:07:28,629 --> 00:07:24,479

or anger that these people are

137

00:07:30,710 --> 00:07:28,639

misleading people lying to people but no

138

00:07:33,670 --> 00:07:30,720

john from the black vault if if you've

139

00:07:35,830 --> 00:07:33,680

never listened to him just trust me he

140

00:07:38,629 --> 00:07:35,840

is very measured

141

00:07:41,110 --> 00:07:38,639

in what he says publicly

142

00:07:43,110 --> 00:07:41,120

he is and he's very professional and

143

00:07:44,790 --> 00:07:43,120

fair he doesn't go off

144

00:07:47,110 --> 00:07:44,800

telling people you know they could suck

145

00:07:49,670 --> 00:07:47,120

a dick or anything like stuff i say you

146

00:07:50,869 --> 00:07:49,680

know he's very he's more like a

147

00:07:55,270 --> 00:07:50,879

like

148

00:07:56,230 --> 00:07:55,280

he's so

149

00:07:58,710 --> 00:07:56,240

you know

150

00:08:01,670 --> 00:07:58,720

matter-of-fact and he's very measured in

151

00:08:04,309 --> 00:08:01,680

what he says but recently

152

00:08:07,029 --> 00:08:04,319

john did a broadcast where he said

153

00:08:10,070 --> 00:08:07,039

that he did not believe dr eric davis

154

00:08:13,350 --> 00:08:10,080

briefed anybody about alien crash

155

00:08:15,270 --> 00:08:13,360

retrievals in a classified setting

156

00:08:18,390 --> 00:08:15,280

he just said he doesn't believe that he

157

00:08:22,070 --> 00:08:18,400

did that and boy

158

00:08:26,869 --> 00:08:22,080

that's when things got ugly friends oh

159

00:08:29,270 --> 00:08:26,879

gosh this is crazy what so

160

00:08:31,430 --> 00:08:29,280

john said he didn't believe that dr eric

161

00:08:32,630 --> 00:08:31,440

davis briefed

162

00:08:34,550 --> 00:08:32,640

people

163

00:08:36,709 --> 00:08:34,560

in a classified settings about alien

164

00:08:38,389 --> 00:08:36,719
crash retrievals and he gave his

165

00:08:39,350 --> 00:08:38,399
reasonings for why he didn't believe

166

00:08:42,149 --> 00:08:39,360
that

167

00:08:43,829 --> 00:08:42,159
and they were very

168

00:08:46,310 --> 00:08:43,839
fair

169

00:08:48,070 --> 00:08:46,320
you know assertions on his part i

170

00:08:50,389 --> 00:08:48,080
thought and so did many

171

00:08:51,910 --> 00:08:50,399
but dr eric davis didn't like what he

172

00:08:52,710 --> 00:08:51,920
said one bit

173

00:08:55,110 --> 00:08:52,720
and

174

00:08:57,910 --> 00:08:55,120
you know what you gotta oh geez let's

175

00:09:03,110 --> 00:08:59,829
so this is eric davis

176
00:09:06,550 --> 00:09:03,120
dr eric davis you know the guy who said

177
00:09:08,710 --> 00:09:06,560
that you know he met with uh

178
00:09:11,190 --> 00:09:08,720
he met with

179
00:09:12,150 --> 00:09:11,200
admiral wilson and then admiral wilson

180
00:09:13,670 --> 00:09:12,160
said

181
00:09:15,670 --> 00:09:13,680
these notes are a work of fiction i've

182
00:09:18,389 --> 00:09:15,680
never met the man

183
00:09:20,790 --> 00:09:18,399
you know the man who er dr eric davis

184
00:09:22,470 --> 00:09:20,800
who for some reason this guy's some big

185
00:09:24,550 --> 00:09:22,480
hero and everybody thinks he knows all

186
00:09:26,710 --> 00:09:24,560
the secrets about where those bodies are

187
00:09:29,350 --> 00:09:26,720
and the biological samples and the

188
00:09:31,509 --> 00:09:29,360

crashed ufos he knows about that but why

189

00:09:32,870 --> 00:09:31,519

doesn't he spill the beans

190

00:09:34,790 --> 00:09:32,880

right

191

00:09:36,790 --> 00:09:34,800

eric davis says a lot of stuff but he's

192

00:09:39,110 --> 00:09:36,800

never provided any proof for the things

193

00:09:40,710 --> 00:09:39,120

that he says so i think it's very fair

194

00:09:43,350 --> 00:09:40,720

in saying really

195

00:09:45,829 --> 00:09:43,360

you briefed people about alien crash

196

00:09:49,829 --> 00:09:45,839

retrievals you briefed senators and

197

00:09:49,839 --> 00:09:54,310

i'd you know

198

00:09:58,070 --> 00:09:56,150

yeah

199

00:10:01,030 --> 00:09:58,080

dr eric davis claims that he briefed

200

00:10:03,990 --> 00:10:01,040

senators about in a classified

201
00:10:06,790 --> 00:10:04,000
briefing about alien crash retrievals

202
00:10:07,590 --> 00:10:06,800
and vehicles not of this earth

203
00:10:09,829 --> 00:10:07,600
well

204
00:10:13,829 --> 00:10:09,839
i would just like to submit to dr eric

205
00:10:16,710 --> 00:10:13,839
davis and remind everybody that

206
00:10:20,550 --> 00:10:16,720
mr davis can prove his claims here very

207
00:10:22,790 --> 00:10:20,560
very easily he can find a senator who i

208
00:10:23,670 --> 00:10:22,800
can call and will go on the record and

209
00:10:26,310 --> 00:10:23,680
say

210
00:10:28,230 --> 00:10:26,320
i was in a classified briefing that dr

211
00:10:31,430 --> 00:10:28,240
eric davis gave

212
00:10:33,750 --> 00:10:31,440
about alien crash retrievals after all

213
00:10:36,630 --> 00:10:33,760

eric davis you put that statement out

214

00:10:39,030 --> 00:10:36,640

there to new york times reporters

215

00:10:41,030 --> 00:10:39,040

now a senator can't tell you what was in

216

00:10:44,710 --> 00:10:41,040

a classified briefing but they can tell

217

00:10:47,910 --> 00:10:44,720

you whether or not they attended one

218

00:10:49,430 --> 00:10:47,920

run by dr eric davis and i'm

219

00:10:52,630 --> 00:10:49,440

i'm betting

220

00:10:55,269 --> 00:10:52,640

that no senator will ever go on record

221

00:10:57,910 --> 00:10:55,279

and admit that they were in a classified

222

00:10:59,750 --> 00:10:57,920

briefing that dr eric davis ran on alien

223

00:11:02,230 --> 00:10:59,760

crash retrievals

224

00:11:03,670 --> 00:11:02,240

this is just another case of dr eric

225

00:11:06,069 --> 00:11:03,680

davis's

226

00:11:07,590 --> 00:11:06,079

story time hour just like the wilson

227

00:11:08,389 --> 00:11:07,600

documents

228

00:11:10,470 --> 00:11:08,399

and

229

00:11:13,350 --> 00:11:10,480

nobody can prove or disprove that this

230

00:11:15,430 --> 00:11:13,360

is real or not real right

231

00:11:17,269 --> 00:11:15,440

these guys like to pretend that they

232

00:11:19,269 --> 00:11:17,279

know all these secrets and they're so

233

00:11:22,150 --> 00:11:19,279

above everybody else they don't know

234

00:11:24,870 --> 00:11:22,160

anything more than you do

235

00:11:26,630 --> 00:11:24,880

and they play these games like dr davis

236

00:11:28,870 --> 00:11:26,640

plays this game he likes people to

237

00:11:31,990 --> 00:11:28,880

believe that he's in the know

238

00:11:33,190 --> 00:11:32,000

he has top secret knowledge about ufos

239

00:11:34,870 --> 00:11:33,200

so anyway

240

00:11:37,110 --> 00:11:34,880

john from the black vault said he didn't

241

00:11:39,350 --> 00:11:37,120

believe that dr eric davis

242

00:11:41,509 --> 00:11:39,360

briefed anybody in a classified setting

243

00:11:43,430 --> 00:11:41,519

about alien crash retrievals i agree

244

00:11:47,030 --> 00:11:43,440

with john from the black vault

245

00:11:50,310 --> 00:11:47,040

that is an asinine statement to make

246

00:11:51,110 --> 00:11:50,320

if you can't prove it dr eric davis so i

247

00:11:53,110 --> 00:11:51,120

say

248

00:11:55,110 --> 00:11:53,120

don't go on the internet and trash

249

00:11:56,389 --> 00:11:55,120

people who don't believe your story

250

00:11:58,710 --> 00:11:56,399

prove them wrong

251
00:12:00,949 --> 00:11:58,720
show us the evidence that you did that

252
00:12:02,389 --> 00:12:00,959
show us the proof that you did that or

253
00:12:04,150 --> 00:12:02,399
are you just lying through your teeth

254
00:12:06,069 --> 00:12:04,160
and making up stories

255
00:12:08,949 --> 00:12:06,079
right so you can feel important you're

256
00:12:10,629 --> 00:12:08,959
some ufo big wig but this is what he

257
00:12:13,190 --> 00:12:10,639
said in response to john he said

258
00:12:15,670 --> 00:12:13,200
greenwald jr should be very careful

259
00:12:17,670 --> 00:12:15,680
about who he calls a liar in public the

260
00:12:19,670 --> 00:12:17,680
many individuals on the two senate

261
00:12:22,550 --> 00:12:19,680
committee who attended my briefings know

262
00:12:24,790 --> 00:12:22,560
the facts as does a dod component staff

263
00:12:26,389 --> 00:12:24,800

that was directly involved plus the

264

00:12:28,389 --> 00:12:26,399

invited guests

265

00:12:30,629 --> 00:12:28,399

great dr eric davis so you should be

266

00:12:33,110 --> 00:12:30,639

able to let either me or john from the

267

00:12:35,269 --> 00:12:33,120

black vault or any person who covers

268

00:12:37,509 --> 00:12:35,279

these topics speak to those two senate

269

00:12:39,350 --> 00:12:37,519

committees or members of them

270

00:12:41,750 --> 00:12:39,360

and verify that what you're saying is

271

00:12:43,829 --> 00:12:41,760

true and accurate

272

00:12:46,069 --> 00:12:43,839

right we should be able to talk to

273

00:12:47,829 --> 00:12:46,079

uh the dod

274

00:12:49,350 --> 00:12:47,839

component staff

275

00:12:51,829 --> 00:12:49,360

that was directly involved in this

276

00:12:54,310 --> 00:12:51,839

briefing one of them should be able to

277

00:12:57,269 --> 00:12:54,320

verify that your story's real and not

278

00:12:59,670 --> 00:12:57,279

made up garbage why don't you prove the

279

00:13:01,829 --> 00:12:59,680

story and let somebody get an on the

280

00:13:04,470 --> 00:13:01,839

record comment that proves that what you

281

00:13:07,430 --> 00:13:04,480

said is true and not a fairy tale

282

00:13:11,350 --> 00:13:07,440

eric davis

283

00:13:13,750 --> 00:13:11,360

okay let's see he goes on to say

284

00:13:15,190 --> 00:13:13,760

and keane and blumenthal also know the

285

00:13:17,269 --> 00:13:15,200

facts

286

00:13:19,190 --> 00:13:17,279

they have to check and verify their

287

00:13:21,829 --> 00:13:19,200

facts before the new york times editor

288

00:13:23,990 --> 00:13:21,839

gave approval to publish their july 23rd

289

00:13:27,110 --> 00:13:24,000

2020 article

290

00:13:29,190 --> 00:13:27,120

uh yeah and we all know how many things

291

00:13:31,590 --> 00:13:29,200

that the new york times articles got

292

00:13:33,509 --> 00:13:31,600

wrong now they got

293

00:13:35,590 --> 00:13:33,519

the whole original new york times

294

00:13:37,829 --> 00:13:35,600

article about atip was completely and

295

00:13:40,150 --> 00:13:37,839

totally factually inaccurate who fed

296

00:13:42,389 --> 00:13:40,160

them those fake facts apparently lou

297

00:13:45,110 --> 00:13:42,399

elizondo but nobody seems to want to ask

298

00:13:47,350 --> 00:13:45,120

lou elizondo why did he feed fake facts

299

00:13:50,150 --> 00:13:47,360

to new york times reporters

300

00:13:51,990 --> 00:13:50,160

and get everything so incredibly wrong

301
00:13:54,310 --> 00:13:52,000
but okay

302
00:13:56,150 --> 00:13:54,320
goes on to say so in effect greenwald jr

303
00:13:58,949 --> 00:13:56,160
is calling keen and blumenthal and the

304
00:14:01,430 --> 00:13:58,959
new york times liars too

305
00:14:03,670 --> 00:14:01,440
well let's see their sources let's see

306
00:14:08,310 --> 00:14:03,680
blumenthal and keane show us who they

307
00:14:11,269 --> 00:14:08,320
verified your story dr eric davis about

308
00:14:13,990 --> 00:14:11,279
briefing members of senate and congress

309
00:14:15,829 --> 00:14:14,000
about alien crash retrievals let's talk

310
00:14:18,230 --> 00:14:15,839
to keane let's talk to blumenthal let's

311
00:14:21,189 --> 00:14:18,240
have them share their sources with us so

312
00:14:23,670 --> 00:14:21,199
we can verify this isn't a fairy tale

313
00:14:25,670 --> 00:14:23,680

it goes on to say greenwald jr is a

314

00:14:27,829 --> 00:14:25,680

know-it-all liar suffering from

315

00:14:29,910 --> 00:14:27,839

dunning-kruger effect because lying

316

00:14:32,750 --> 00:14:29,920

makes him feel better about himself

317

00:14:35,110 --> 00:14:32,760

since his work is so inconsequential

318

00:14:36,389 --> 00:14:35,120

inconsequential and irrelevant to the

319

00:14:38,470 --> 00:14:36,399

scientific

320

00:14:40,629 --> 00:14:38,480

and intelligence gathering analysis

321

00:14:43,670 --> 00:14:40,639

quest of discovering the origin nature

322

00:14:44,629 --> 00:14:43,680

and purpose of uap visitations

323

00:14:47,350 --> 00:14:44,639

well

324

00:14:49,990 --> 00:14:47,360

many would argue that he is a pioneer in

325

00:14:51,030 --> 00:14:50,000

his field and has done more

326

00:14:59,269 --> 00:14:51,040

to

327

00:15:01,269 --> 00:14:59,279

anyone else on earth so that's a crazy

328

00:15:03,590 --> 00:15:01,279

dig but okay

329

00:15:05,990 --> 00:15:03,600

next he says he also needs to seek

330

00:15:09,509 --> 00:15:06,000

medical attention right away to get

331

00:15:10,870 --> 00:15:09,519

treatment for his ongoing dick in mouth

332

00:15:13,590 --> 00:15:10,880

disease

333

00:15:14,870 --> 00:15:13,600

this is a scientist saying this about

334

00:15:17,030 --> 00:15:14,880

about a

335

00:15:19,189 --> 00:15:17,040

you know reporter and researcher

336

00:15:20,629 --> 00:15:19,199

a journalist right

337

00:15:23,030 --> 00:15:20,639

he's saying he has dick and mouth

338

00:15:25,350 --> 00:15:23,040

disease remember remember when i said

339

00:15:27,430 --> 00:15:25,360

how venomous this thing could be

340

00:15:29,030 --> 00:15:27,440

great

341

00:15:30,790 --> 00:15:29,040

eric davis goes on to say i've been

342

00:15:33,590 --> 00:15:30,800

working professionally in uap

343

00:15:35,430 --> 00:15:33,600

investigations and research plus non-uap

344

00:15:37,350 --> 00:15:35,440

related physics and engineering work in

345

00:15:39,749 --> 00:15:37,360

government contracting industry and

346

00:15:40,629 --> 00:15:39,759

academia long before greenwald jr came

347

00:15:42,710 --> 00:15:40,639

along

348

00:15:46,069 --> 00:15:42,720

and this is i love this and figured out

349

00:15:48,710 --> 00:15:46,079

how to monetize clickbait to his ufo

350

00:15:52,150 --> 00:15:48,720

foia documents blog because he couldn't

351

00:15:54,949 --> 00:15:52,160

cut it in the real working world

352

00:15:57,670 --> 00:15:54,959

great at the end of the day greenwald

353

00:16:00,069 --> 00:15:57,680

jr is a typical blogger an idiot with a

354

00:16:03,910 --> 00:16:00,079

computer and an opinion

355

00:16:07,749 --> 00:16:03,920

wow friends wow just wow

356

00:16:11,189 --> 00:16:08,949

like i said

357

00:16:12,870 --> 00:16:11,199

dr eric davis had two choices when

358

00:16:15,110 --> 00:16:12,880

somebody said that they didn't believe

359

00:16:17,829 --> 00:16:15,120

his story he could prove his story is

360

00:16:20,470 --> 00:16:17,839

real or he could go out and say the guy

361

00:16:23,749 --> 00:16:20,480

had dick and mouth disease and

362

00:16:25,749 --> 00:16:23,759

we see what this doctor chose to do

363

00:16:27,990 --> 00:16:25,759

what doctor goes around telling people

364

00:16:30,150 --> 00:16:28,000

they have dick and mouth disease what

365

00:16:32,150 --> 00:16:30,160

real distinguished scientist would say

366

00:16:34,870 --> 00:16:32,160

somebody's got dick and mouth disease

367

00:16:37,829 --> 00:16:34,880

this man is not a serious serious

368

00:16:39,670 --> 00:16:37,839

scientist he'd like you to believe he is

369

00:16:41,910 --> 00:16:39,680

right and yeah he's written some papers

370

00:16:42,790 --> 00:16:41,920

all scientists write papers

371

00:16:45,749 --> 00:16:42,800

but

372

00:16:47,829 --> 00:16:45,759

you know i think the us government

373

00:16:50,470 --> 00:16:47,839

wasted hundreds of thousands of dollars

374

00:16:52,710 --> 00:16:50,480

for one of his reports that was later

375

00:16:55,350 --> 00:16:52,720

called crackpot science

376

00:16:56,389 --> 00:16:55,360

this man has been on the take

377

00:16:58,790 --> 00:16:56,399

right

378

00:17:01,829 --> 00:16:58,800

trying to get money for crazy research

379

00:17:03,269 --> 00:17:01,839

that he does for 20 years that doesn't

380

00:17:05,429 --> 00:17:03,279

make him credible

381

00:17:08,150 --> 00:17:05,439

and it doesn't make him any kind of

382

00:17:10,230 --> 00:17:08,160

oracle of knowledge about ufos and

383

00:17:11,669 --> 00:17:10,240

aliens you know what i love about these

384

00:17:14,470 --> 00:17:11,679

guys i like to tell you that they know

385

00:17:16,309 --> 00:17:14,480

what they know the truth about aliens

386

00:17:17,029 --> 00:17:16,319

well then why don't you release what you

387

00:17:18,470 --> 00:17:17,039

know

388

00:17:20,870 --> 00:17:18,480

with proof

389

00:17:23,590 --> 00:17:20,880

right if you're saying you're briefing

390

00:17:25,669 --> 00:17:23,600

senators on alien crash retrievals that

391

00:17:27,829 --> 00:17:25,679

must mean that you're saying that there

392

00:17:30,150 --> 00:17:27,839

are alien crash retrievals and you're

393

00:17:32,710 --> 00:17:30,160

the guy that knows about it so tell us

394

00:17:34,950 --> 00:17:32,720

about it don't hide behind a foyer

395

00:17:36,150 --> 00:17:34,960

excuse me don't hide behind an nda or

396

00:17:38,870 --> 00:17:36,160

clearance

397

00:17:41,270 --> 00:17:38,880

right that's another garbage excuse that

398

00:17:42,470 --> 00:17:41,280

these guys like him and elizondo and put

399

00:17:44,390 --> 00:17:42,480

off use

400

00:17:46,390 --> 00:17:44,400

and oh put off

401
00:17:49,510 --> 00:17:46,400
for those that don't know put off once

402
00:17:52,390 --> 00:17:49,520
wasted millions of dollars studying

403
00:17:54,390 --> 00:17:52,400
psychics he declared yuri geller's

404
00:17:57,029 --> 00:17:54,400
psychic powers to be real and it would

405
00:17:59,110 --> 00:17:57,039
later be revealed by yuri geller himself

406
00:18:01,510 --> 00:17:59,120
that he just uses magic tricks he

407
00:18:04,070 --> 00:18:01,520
doesn't have any psychic powers in fact

408
00:18:06,950 --> 00:18:04,080
yuri geller is right now selling courses

409
00:18:10,630 --> 00:18:06,960
to magicians about how to do the tricks

410
00:18:12,630 --> 00:18:10,640
that he did to full idiot hal put off

411
00:18:15,510 --> 00:18:12,640
and every other scientist that declared

412
00:18:18,870 --> 00:18:15,520
his psychic powers were real so that's

413
00:18:20,630 --> 00:18:18,880

eric davis's boss a guy so stupid that

414

00:18:23,270 --> 00:18:20,640

he wasted hundreds of thousands of

415

00:18:25,750 --> 00:18:23,280

dollars and then declared a guy using

416

00:18:29,430 --> 00:18:25,760

magic tricks as having super powers

417

00:18:32,150 --> 00:18:29,440

that's eric davis boss right and eric

418

00:18:34,549 --> 00:18:32,160

davis himself the air force called

419

00:18:37,190 --> 00:18:34,559

the research he was doing crackpot

420

00:18:40,549 --> 00:18:37,200

research

421

00:18:43,270 --> 00:18:40,559

they said it wasn't science

422

00:18:46,390 --> 00:18:43,280

but this guy somehow has inserted

423

00:18:48,870 --> 00:18:46,400

himself into the wacky world of ufos and

424

00:18:51,510 --> 00:18:48,880

he wants everybody to believe that he

425

00:18:55,110 --> 00:18:51,520

knows where those alien bodies are show

426

00:18:57,990 --> 00:18:55,120

us the alien bodies eric davis stop

427

00:18:59,830 --> 00:18:58,000

with this garbage peddling of yours

428

00:19:02,230 --> 00:18:59,840

because until you provide proof

429

00:19:04,470 --> 00:19:02,240

everything that you've said so far

430

00:19:07,510 --> 00:19:04,480

and been involved with

431

00:19:08,470 --> 00:19:07,520

including the wilson documents is a big

432

00:19:11,669 --> 00:19:08,480

joke

433

00:19:15,990 --> 00:19:11,679

no proof for anything that has emanated

434

00:19:17,510 --> 00:19:16,000

from dr eric davis no proof of anything

435

00:19:20,789 --> 00:19:17,520

that he has said

436

00:19:23,590 --> 00:19:20,799

so his so-called contributions to the

437

00:19:25,510 --> 00:19:23,600

world of ufos is to muddy the waters

438

00:19:29,990 --> 00:19:25,520

with fake stories that can never be

439

00:19:33,750 --> 00:19:30,000

verified as actually true and he himself

440

00:19:35,669 --> 00:19:33,760

will hide behind ndas and clearances you

441

00:19:37,750 --> 00:19:35,679

know oh that that that's classified i

442

00:19:40,070 --> 00:19:37,760

can't talk about that

443

00:19:43,270 --> 00:19:40,080

instead of providing the proof of his

444

00:19:45,990 --> 00:19:43,280

fairy tale stories

445

00:19:48,150 --> 00:19:46,000

no friends dr eric davis isn't some

446

00:19:51,270 --> 00:19:48,160

high-ranking government scientist that

447

00:19:53,430 --> 00:19:51,280

knows all this stuff about ufos he's a

448

00:19:56,549 --> 00:19:53,440

crackpot scientist

449

00:19:58,390 --> 00:19:56,559

who did whack-a-doo research not real

450

00:19:59,909 --> 00:19:58,400

research whack-a-doo

451
00:20:03,590 --> 00:19:59,919
science that's what you could call what

452
00:20:05,350 --> 00:20:03,600
he looks into and all theoretical

453
00:20:07,270 --> 00:20:05,360
all theoretical everything he's ever

454
00:20:09,750 --> 00:20:07,280
done i've read some of his papers

455
00:20:10,950 --> 00:20:09,760
interesting thoughts and ideas but all

456
00:20:14,950 --> 00:20:10,960
theories

457
00:20:16,549 --> 00:20:14,960
working anything near as i could tell

458
00:20:18,070 --> 00:20:16,559
but that's my opinion and i could be

459
00:20:20,710 --> 00:20:18,080
wrong

460
00:20:23,190 --> 00:20:20,720
but he feels like he

461
00:20:25,190 --> 00:20:23,200
is the guy in the know about the aliens

462
00:20:28,149 --> 00:20:25,200
and the crash retrieval programs and he

463
00:20:29,510 --> 00:20:28,159

wants everybody to know that he

464

00:20:30,950 --> 00:20:29,520

is briefing

465

00:20:33,830 --> 00:20:30,960

senators

466

00:20:37,110 --> 00:20:33,840

in classified briefings about alien

467

00:20:39,430 --> 00:20:37,120

crash retrievals and craft not made on

468

00:20:42,630 --> 00:20:39,440

this earth

469

00:20:45,909 --> 00:20:42,640

he has provided not a single shred of

470

00:20:47,029 --> 00:20:45,919

evidence to back up his very fantastical

471

00:20:50,070 --> 00:20:47,039

claims

472

00:20:52,870 --> 00:20:50,080

no single government official has come

473

00:20:55,029 --> 00:20:52,880

forward and said yeah yeah he

474

00:20:57,430 --> 00:20:55,039

he told me about the aliens and the

475

00:21:00,950 --> 00:20:57,440

crashes and the crash retrievals i was

476
00:21:03,430 --> 00:21:00,960
in on that briefing he gave not one ever

477
00:21:06,710 --> 00:21:03,440
did that no one from the government can

478
00:21:09,350 --> 00:21:06,720
verify his wackadoo claims so it is

479
00:21:13,110 --> 00:21:09,360
within reason for john from the black

480
00:21:17,029 --> 00:21:13,120
vault or me or anybody else to say i

481
00:21:20,390 --> 00:21:17,039
don't believe you dr davis i do not

482
00:21:24,230 --> 00:21:22,149
i guess i'm gonna be coming down with

483
00:21:27,029 --> 00:21:24,240
dick and mouth disease next when he

484
00:21:29,350 --> 00:21:27,039
hears me uh saying these things but i'm

485
00:21:30,390 --> 00:21:29,360
okay with that

486
00:21:31,590 --> 00:21:30,400
let's have

487
00:21:34,230 --> 00:21:31,600
a fake

488
00:21:37,590 --> 00:21:34,240

alien scientist you know there's a real

489

00:21:39,270 --> 00:21:37,600

one jeremy rise but anyway uh let's have

490

00:21:40,630 --> 00:21:39,280

a fake

491

00:21:42,149 --> 00:21:40,640

you know

492

00:21:44,630 --> 00:21:42,159

a guy who's

493

00:21:47,350 --> 00:21:44,640

faking being like some

494

00:21:49,350 --> 00:21:47,360

x-files expert on aliens and crash

495

00:21:51,350 --> 00:21:49,360

retrievals for the government

496

00:21:53,830 --> 00:21:51,360

why does nobody from the government ever

497

00:21:55,270 --> 00:21:53,840

verify all these claims

498

00:21:57,510 --> 00:21:55,280

they won't

499

00:21:59,590 --> 00:21:57,520

and largely you heard i heard in an

500

00:22:01,750 --> 00:21:59,600

interview he just volunteers for these

501
00:22:05,029 --> 00:22:01,760
government programs it's not like they

502
00:22:08,549 --> 00:22:05,039
hired him to do this stuff he has some

503
00:22:11,350 --> 00:22:08,559
interest in ufos and involvement in this

504
00:22:13,909 --> 00:22:11,360
but i doubt he's briefing senators i

505
00:22:15,110 --> 00:22:13,919
highly doubt that anything that he says

506
00:22:17,110 --> 00:22:15,120
is true

507
00:22:19,350 --> 00:22:17,120
i mean we've got the wilson documents

508
00:22:20,950 --> 00:22:19,360
they're fake admiral wilson said they're

509
00:22:22,710 --> 00:22:20,960
fake but

510
00:22:25,110 --> 00:22:22,720
people like him and richard dolan are

511
00:22:27,430 --> 00:22:25,120
dumb enough to still keep following that

512
00:22:29,669 --> 00:22:27,440
dead you know keep riding that dead

513
00:22:30,950 --> 00:22:29,679

horse

514

00:22:31,830 --> 00:22:30,960

no

515

00:22:34,149 --> 00:22:31,840

but

516

00:22:35,270 --> 00:22:34,159

listen this is an example of the the

517

00:22:36,149 --> 00:22:35,280

toxic

518

00:22:42,549 --> 00:22:36,159

venom

519

00:22:44,789 --> 00:22:42,559

ufology you you you say and and listen

520

00:22:50,230 --> 00:22:44,799

it's very reasonable

521

00:22:52,310 --> 00:22:50,240

i don't believe this guy and here's why

522

00:22:53,590 --> 00:22:52,320

i mean i've outlined some reasons why i

523

00:22:55,750 --> 00:22:53,600

don't believe him

524

00:22:57,190 --> 00:22:55,760

it's very reasonable for somebody to say

525

00:22:58,870 --> 00:22:57,200

hey i don't believe the guy i'm not

526

00:23:02,230 --> 00:22:58,880

personally attacking

527

00:23:04,070 --> 00:23:02,240

dr eric davis i'm attacking his stories

528

00:23:06,230 --> 00:23:04,080

that he tells people

529

00:23:08,549 --> 00:23:06,240

because so far

530

00:23:10,710 --> 00:23:08,559

none of his stories

531

00:23:13,270 --> 00:23:10,720

and he look that's going out there on a

532

00:23:15,909 --> 00:23:13,280

limb you're telling the new york times i

533

00:23:19,029 --> 00:23:15,919

gave a classified briefing about alien

534

00:23:22,230 --> 00:23:19,039

crash retrievals and craft not made of

535

00:23:24,470 --> 00:23:22,240

on this earth to to

536

00:23:26,230 --> 00:23:24,480

government officials senators

537

00:23:28,310 --> 00:23:26,240

dod people

538

00:23:30,230 --> 00:23:28,320

that's a bold claim

539

00:23:32,310 --> 00:23:30,240

and i believe that that claim could

540

00:23:33,590 --> 00:23:32,320

easily be verified if he just gave us

541

00:23:35,029 --> 00:23:33,600

the names of the people that were in the

542

00:23:36,149 --> 00:23:35,039

briefing

543

00:23:37,750 --> 00:23:36,159

right and i'm sure i'm going to get

544

00:23:40,310 --> 00:23:37,760

attacked right oh he can't do that it

545

00:23:42,230 --> 00:23:40,320

was a classified briefing again

546

00:23:44,470 --> 00:23:42,240

anybody that's in a in a briefing

547

00:23:46,070 --> 00:23:44,480

they're allowed to acknowledge i believe

548

00:23:47,830 --> 00:23:46,080

they're allowed to acknowledge that they

549

00:23:50,390 --> 00:23:47,840

received it why won't anybody go on the

550

00:23:53,269 --> 00:23:50,400

record and back up what eric davis is

551
00:23:55,830 --> 00:23:53,279
saying about these briefings he gave

552
00:23:57,750 --> 00:23:55,840
why don't we get not one person we can't

553
00:23:59,190 --> 00:23:57,760
find one person that was in that

554
00:24:01,510 --> 00:23:59,200
briefing and we'll say yeah he did give

555
00:24:02,789 --> 00:24:01,520
us a briefing about aliens and ufos not

556
00:24:05,750 --> 00:24:02,799
of this earth

557
00:24:07,190 --> 00:24:05,760
right isn't that convenient right and

558
00:24:08,950 --> 00:24:07,200
and that's what these guys will do when

559
00:24:11,029 --> 00:24:08,960
you call them on their fairy tales and

560
00:24:12,549 --> 00:24:11,039
they're they start talking

561
00:24:14,789 --> 00:24:12,559
about well you don't understand how a

562
00:24:17,590 --> 00:24:14,799
classified world works

563
00:24:20,149 --> 00:24:17,600

sure sure it's a convenient excuse for

564

00:24:22,789 --> 00:24:20,159

them to continue to sell fairy tales and

565

00:24:25,269 --> 00:24:22,799

never provide evidence

566

00:24:28,390 --> 00:24:25,279

but that's where we find ourselves right

567

00:24:31,110 --> 00:24:28,400

in this ufo circus welcome to the circus

568

00:24:34,789 --> 00:24:31,120

friends right

569

00:24:36,630 --> 00:24:34,799

all right so on to tonight's topic

570

00:24:38,630 --> 00:24:36,640

i wanted to uh

571

00:24:40,549 --> 00:24:38,640

talk about some good resources for

572

00:24:42,470 --> 00:24:40,559

people especially if you're a little

573

00:24:45,350 --> 00:24:42,480

more on the skeptical side or you want

574

00:24:47,190 --> 00:24:45,360

to know what stories in ufo land are

575

00:24:49,510 --> 00:24:47,200

made up garbage

576

00:24:50,630 --> 00:24:49,520

uh because there's a few good resources

577

00:24:52,230 --> 00:24:50,640

out there

578

00:24:54,950 --> 00:24:52,240

uh that

579

00:24:58,310 --> 00:24:54,960

i have been following for a long time in

580

00:25:01,029 --> 00:24:58,320

some cases and this new one that i found

581

00:25:02,390 --> 00:25:01,039

which somebody sent me uh

582

00:25:03,510 --> 00:25:02,400

that one

583

00:25:08,950 --> 00:25:03,520

i

584

00:25:14,470 --> 00:25:08,960

gonna start

585

00:25:16,950 --> 00:25:14,480

with ufo watchdog

586

00:25:20,470 --> 00:25:16,960

for those of you unaware there's a

587

00:25:24,390 --> 00:25:20,480

website called ufo watchdog.com

588

00:25:26,149 --> 00:25:24,400

and they also have a blog the ufo

589

00:25:27,430 --> 00:25:26,159

watchdog blog

590

00:25:31,350 --> 00:25:27,440

and

591

00:25:35,750 --> 00:25:33,029

some of you may also be aware that i

592

00:25:38,390 --> 00:25:35,760

believe sean david morton sued ufo

593

00:25:41,350 --> 00:25:38,400

watchdog and ufo watchdog one so of

594

00:25:45,430 --> 00:25:41,360

course she's going to be covering him

595

00:25:47,830 --> 00:25:45,440

this is uh from one of his stories

596

00:25:49,669 --> 00:25:47,840

january 5th 2021

597

00:25:51,990 --> 00:25:49,679

bunk psychic released from prison and

598

00:25:54,070 --> 00:25:52,000

this is of course sean david morton at

599

00:25:56,310 --> 00:25:54,080

lax in los angeles after being released

600

00:25:58,870 --> 00:25:56,320

from federal prison

601
00:26:05,269 --> 00:25:58,880
and ufo watchdog writes

602
00:26:10,149 --> 00:26:07,110
pardon me friends tickle in my throat

603
00:26:12,230 --> 00:26:10,159
ufo watchdog writes

604
00:26:13,909 --> 00:26:12,240
bunk psychic and convicted fraudster

605
00:26:16,230 --> 00:26:13,919
sean david morton has been released from

606
00:26:17,990 --> 00:26:16,240
federal prison after serving 40 months

607
00:26:20,630 --> 00:26:18,000
of what was supposed to be a 72 month

608
00:26:22,870 --> 00:26:20,640
sentence stemming from multiple felony

609
00:26:24,630 --> 00:26:22,880
convictions that included defrauding the

610
00:26:26,870 --> 00:26:24,640
irs out of nearly

611
00:26:28,549 --> 00:26:26,880
half a million dollars and filing false

612
00:26:30,230 --> 00:26:28,559
tax returns

613
00:26:32,870 --> 00:26:30,240

morton and his wife were both convicted

614

00:26:34,870 --> 00:26:32,880

in 2017 for their involvement in not

615

00:26:36,310 --> 00:26:34,880

only defrauding the government but also

616

00:26:38,870 --> 00:26:36,320

their involvement in a strong man

617

00:26:41,430 --> 00:26:38,880

redemption scheme in which victims were

618

00:26:43,510 --> 00:26:41,440

conned into paying morton to file false

619

00:26:45,430 --> 00:26:43,520

bonds to pay off their debt

620

00:26:48,149 --> 00:26:45,440

morton's wife who was also convicted in

621

00:26:50,230 --> 00:26:48,159

the scheme served half of a 24-month

622

00:26:51,990 --> 00:26:50,240

sentence

623

00:26:53,430 --> 00:26:52,000

all the bonds submitted were rejected

624

00:26:55,110 --> 00:26:53,440

and the mortons received warnings from

625

00:26:57,669 --> 00:26:55,120

the state of california as well as the

626

00:26:59,190 --> 00:26:57,679

irs that the bonds were not legal in

627

00:27:01,430 --> 00:26:59,200

spite of these multiple warnings and

628

00:27:03,590 --> 00:27:01,440

having knowledge the bonds did not work

629

00:27:06,549 --> 00:27:03,600

the mortons continued charging people

630

00:27:08,870 --> 00:27:06,559

and filing the bogus bonds the new york

631

00:27:10,470 --> 00:27:08,880

times did an in-depth story about morton

632

00:27:12,310 --> 00:27:10,480

and the scam

633

00:27:14,310 --> 00:27:12,320

agents from the irs later served a

634

00:27:16,630 --> 00:27:14,320

search warrant on the apartment morton

635

00:27:18,470 --> 00:27:16,640

was residing in after being convicted

636

00:27:20,149 --> 00:27:18,480

morton failed to show up for sentencing

637

00:27:22,630 --> 00:27:20,159

hearing and both he and his wife were

638

00:27:26,630 --> 00:27:22,640

later apprehended at a hotel where

639

00:27:30,230 --> 00:27:28,230

while the federal bureau of prisons did

640

00:27:32,389 --> 00:27:30,240

not respond to a request for common

641

00:27:34,070 --> 00:27:32,399

comment morton likely was released due

642

00:27:35,830 --> 00:27:34,080

to the pandemic and the impact it is

643

00:27:37,350 --> 00:27:35,840

having on inmates and corrections staff

644

00:27:39,510 --> 00:27:37,360

across the country

645

00:27:41,669 --> 00:27:39,520

during his time in prison morton filed a

646

00:27:43,029 --> 00:27:41,679

number of babbling incoherent briefings

647

00:27:45,430 --> 00:27:43,039

with the court to overturn his

648

00:27:48,630 --> 00:27:45,440

conviction and for his early release

649

00:27:50,789 --> 00:27:48,640

with every filing being denied morton

650

00:27:53,110 --> 00:27:50,799

also posted a story allegedly written by

651
00:27:55,909 --> 00:27:53,120
another inmate named fabian recounting

652
00:27:58,070 --> 00:27:55,919
what supposedly took place in prison

653
00:28:00,230 --> 00:27:58,080
including morton doing some matrix moves

654
00:28:03,510 --> 00:28:00,240
on another inmate and getting letters in

655
00:28:05,190 --> 00:28:03,520
prison from the white house

656
00:28:08,870 --> 00:28:05,200
it was not morton's first running with

657
00:28:10,549 --> 00:28:08,880
the law in 2013 the sec sued morton and

658
00:28:13,269 --> 00:28:10,559
his wife melissa for running what the

659
00:28:14,950 --> 00:28:13,279
sec called a psychic scheme

660
00:28:16,630 --> 00:28:14,960
with morton claiming he could make them

661
00:28:19,269 --> 00:28:16,640
rich by using his so-called psychic

662
00:28:22,470 --> 00:28:19,279
powers to predict the stock market

663
00:28:24,389 --> 00:28:22,480

over a hundred investors lost more than

664

00:28:26,789 --> 00:28:24,399

six million dollars and it was

665

00:28:28,870 --> 00:28:26,799

discovered the morton's moved funds into

666

00:28:30,549 --> 00:28:28,880

shell companies and used investor funds

667

00:28:31,750 --> 00:28:30,559

for personal expenses

668

00:28:33,510 --> 00:28:31,760

none of morton's stock market

669

00:28:35,990 --> 00:28:33,520

predictions came to pass and several

670

00:28:37,990 --> 00:28:36,000

investors lost their life savings with

671

00:28:38,950 --> 00:28:38,000

some suing in an attempt to get their

672

00:28:42,310 --> 00:28:38,960

money

673

00:28:44,549 --> 00:28:42,320

in 2003 morton attempted to sue ufo

674

00:28:46,389 --> 00:28:44,559

watchdog.com for one million dollars in

675

00:28:49,350 --> 00:28:46,399

damages when morton claimed he had been

676

00:28:51,350 --> 00:28:49,360

libeled in the ufo.com what

677

00:28:53,830 --> 00:28:51,360

investigation the shameless psychic and

678

00:28:55,350 --> 00:28:53,840

his prophecy of lies which exposed

679

00:28:57,430 --> 00:28:55,360

morton's false claims about his

680

00:28:59,269 --> 00:28:57,440

background in education

681

00:29:01,909 --> 00:28:59,279

morton was only required to prove a

682

00:29:03,990 --> 00:29:01,919

single claim by ufo watchdog.com was

683

00:29:05,269 --> 00:29:04,000

false and he failed to meet this low

684

00:29:07,669 --> 00:29:05,279

burden of proof

685

00:29:09,510 --> 00:29:07,679

the judge found for ufo watchdog.com and

686

00:29:11,430 --> 00:29:09,520

morton was ordered to pay

687

00:29:13,190 --> 00:29:11,440

sixteen thousand dollars to ufo

688

00:29:15,430 --> 00:29:13,200

watchdog.com

689

00:29:17,909 --> 00:29:15,440

in legal fees

690

00:29:19,590 --> 00:29:17,919

so remember i mentioned uh that if you

691

00:29:22,070 --> 00:29:19,600

really want to know the truth about some

692

00:29:23,669 --> 00:29:22,080

of these characters in ufo land you

693

00:29:26,070 --> 00:29:23,679

really need to go to some of the more

694

00:29:29,029 --> 00:29:26,080

skeptical sources

695

00:29:31,269 --> 00:29:29,039

and also ufo watchdog.com on his blog he

696

00:29:33,110 --> 00:29:31,279

talks all things ufos so sometimes i get

697

00:29:34,630 --> 00:29:33,120

like oh this is a good book

698

00:29:36,630 --> 00:29:34,640

you know he does book reviews and things

699

00:29:39,110 --> 00:29:36,640

like that as well so i can

700

00:29:41,909 --> 00:29:39,120

if you're interested in good resources

701
00:29:44,950 --> 00:29:41,919
this is a great

702
00:29:46,950 --> 00:29:44,960
website and also a great blog

703
00:29:49,269 --> 00:29:46,960
the blog tends to be a little more

704
00:29:52,830 --> 00:29:49,279
detailed in some of the stories here's a

705
00:29:55,750 --> 00:29:52,840
story on the phenomenon documentary

706
00:29:57,830 --> 00:29:55,760
um and uh you know his writing is very

707
00:29:59,430 --> 00:29:57,840
good and and i enjoy this blog so i

708
00:30:01,830 --> 00:29:59,440
wanted to share this for the people that

709
00:30:03,830 --> 00:30:01,840
are asking me for good resources

710
00:30:05,269 --> 00:30:03,840
and for people that you could

711
00:30:08,070 --> 00:30:05,279
uh

712
00:30:09,029 --> 00:30:08,080
actually trust are telling you the truth

713
00:30:12,950 --> 00:30:09,039

um

714

00:30:14,389 --> 00:30:12,960

yeah so uh here's triangle ufo video

715

00:30:16,789 --> 00:30:14,399

citing

716

00:30:19,110 --> 00:30:16,799

oh here's a whole story on the wilson

717

00:30:27,110 --> 00:30:19,120

documents

718

00:30:31,110 --> 00:30:28,310

yeah so

719

00:30:34,470 --> 00:30:31,120

this is a blog that i truly do enjoy and

720

00:30:36,549 --> 00:30:34,480

if you want to uh

721

00:30:39,350 --> 00:30:36,559

if you want to

722

00:30:42,710 --> 00:30:39,360

get a sense uh ufo watchdog does a great

723

00:30:45,750 --> 00:30:42,720

job also by the way on his website ufo

724

00:30:48,549 --> 00:30:45,760

watchdog.com you will find tremendous uh

725

00:30:50,310 --> 00:30:48,559

bunch of stories about the ufo con

726

00:30:53,830 --> 00:30:50,320

artists and grifters that have been

727

00:30:55,830 --> 00:30:53,840

caught conning scamming people

728

00:30:57,750 --> 00:30:55,840

and i think that that is a resource that

729

00:30:58,950 --> 00:30:57,760

people should read because people need

730

00:31:00,470 --> 00:30:58,960

to know

731

00:31:02,230 --> 00:31:00,480

um

732

00:31:03,669 --> 00:31:02,240

oh i'm sorry i missed it

733

00:31:06,310 --> 00:31:03,679

welcome to the show with a kind and

734

00:31:07,909 --> 00:31:06,320

generous 99 cent super sticker thank you

735

00:31:10,789 --> 00:31:07,919

for your kindness your generosity and

736

00:31:12,630 --> 00:31:10,799

your support it really does help move

737

00:31:14,310 --> 00:31:12,640

the ball forward here thank you welcome

738

00:31:16,470 --> 00:31:14,320

to the show long time supporter and a

739

00:31:18,310 --> 00:31:16,480

new chat room monitor uh thank you for

740

00:31:20,549 --> 00:31:18,320

being a chat room monitor we appreciate

741

00:31:22,149 --> 00:31:20,559

your help and support in all the live

742

00:31:23,350 --> 00:31:22,159

chats

743

00:31:26,389 --> 00:31:23,360

uh

744

00:31:27,909 --> 00:31:26,399

ufo knight says he is also an ex-cop too

745

00:31:31,190 --> 00:31:27,919

i don't know sean

746

00:31:33,269 --> 00:31:31,200

ufo watchdog or sean david morton

747

00:31:34,870 --> 00:31:33,279

i don't think sean david morton was but

748

00:31:36,389 --> 00:31:34,880

i could be wrong

749

00:31:38,389 --> 00:31:36,399

so

750

00:31:41,669 --> 00:31:38,399

the ufo watchdog.com is one of the

751
00:31:43,990 --> 00:31:41,679
things that really really woke me up uh

752
00:31:46,070 --> 00:31:44,000
initially you know i was much more of a

753
00:31:48,549 --> 00:31:46,080
true believer before before finding

754
00:31:50,710 --> 00:31:48,559
better resources i believed

755
00:31:53,190 --> 00:31:50,720
if somebody stood up at a ufo conference

756
00:31:54,710 --> 00:31:53,200
and started telling stories i i believe

757
00:31:56,149 --> 00:31:54,720
that they had researched the stories

758
00:31:58,950 --> 00:31:56,159
that they had evidence that they had

759
00:32:00,950 --> 00:31:58,960
proof you know only later did i learn

760
00:32:03,350 --> 00:32:00,960
that half of these people are just

761
00:32:05,590 --> 00:32:03,360
making up fake stories right and and

762
00:32:09,590 --> 00:32:05,600
whatever else

763
00:32:11,830 --> 00:32:09,600

it's amazing uh but ufo watchdog.com

764

00:32:14,149 --> 00:32:11,840

when i found that website i i you know i

765

00:32:16,870 --> 00:32:14,159

had suspicions that certain people were

766

00:32:17,909 --> 00:32:16,880

not very honest in the ufo community and

767

00:32:20,630 --> 00:32:17,919

i had

768

00:32:23,590 --> 00:32:20,640

an idea of who's those some of those

769

00:32:25,669 --> 00:32:23,600

people were but i didn't i wasn't that

770

00:32:27,750 --> 00:32:25,679

fully informed on each and and his

771

00:32:29,909 --> 00:32:27,760

website is incredible because he's got

772

00:32:31,830 --> 00:32:29,919

like a ufo hall of shame

773

00:32:34,950 --> 00:32:31,840

and he'll basically

774

00:32:36,230 --> 00:32:34,960

you know you go to that and then you get

775

00:32:38,470 --> 00:32:36,240

to see

776

00:32:40,149 --> 00:32:38,480

some of the things like linda bolton how

777

00:32:41,909 --> 00:32:40,159

getting caught with fake sources time

778

00:32:43,590 --> 00:32:41,919

and time again but he details it and

779

00:32:45,509 --> 00:32:43,600

gives the evidence of it

780

00:32:47,350 --> 00:32:45,519

like sean david morton running these

781

00:32:51,110 --> 00:32:47,360

psychic scams scamming people out of

782

00:32:52,549 --> 00:32:51,120

millions of dollars and you know

783

00:32:56,470 --> 00:32:52,559

it's all there

784

00:32:59,029 --> 00:32:56,480

now some of the information there is

785

00:33:01,830 --> 00:32:59,039

older but i'm glad that it's still there

786

00:33:04,389 --> 00:33:01,840

uh sixth sense kindly sharing the ufo

787

00:33:06,549 --> 00:33:04,399

watchdog website there it is i think

788

00:33:07,669 --> 00:33:06,559

it's a great resource and

789

00:33:09,750 --> 00:33:07,679

uh

790

00:33:11,590 --> 00:33:09,760

i think two of my favorite websites that

791

00:33:14,470 --> 00:33:11,600

still exist and there's some that are

792

00:33:17,430 --> 00:33:14,480

gone now are the blackvault.com and ufo

793

00:33:18,789 --> 00:33:17,440

watchdog.com in as far as this subject

794

00:33:19,830 --> 00:33:18,799

matter goes

795

00:33:21,430 --> 00:33:19,840

um

796

00:33:24,230 --> 00:33:21,440

so i think you should ch definitely

797

00:33:26,310 --> 00:33:24,240

check out his website and his blog is a

798

00:33:28,789 --> 00:33:26,320

great resource if you want to know more

799

00:33:29,590 --> 00:33:28,799

about this subject

800

00:33:37,110 --> 00:33:29,600

uh

801
00:33:37,120 --> 00:33:41,110
one second here

802
00:33:47,909 --> 00:33:44,470
bad ufos skeptic skepticism ufos and the

803
00:33:51,190 --> 00:33:49,110
yeah

804
00:33:53,909 --> 00:33:51,200
so

805
00:33:56,870 --> 00:33:53,919
it's interesting that this is uh bad

806
00:33:57,909 --> 00:33:56,880
ufos right it's a ufo

807
00:33:59,990 --> 00:33:57,919
site

808
00:34:01,190 --> 00:34:00,000
that's really dedicated to being very

809
00:34:05,110 --> 00:34:01,200
skeptical

810
00:34:06,630 --> 00:34:05,120
towards ufos and claims of people

811
00:34:08,869 --> 00:34:06,640
and it's interesting to me i've been

812
00:34:10,710 --> 00:34:08,879
following this blog for a while and one

813
00:34:12,869 --> 00:34:10,720

of the one of the questions that i

814

00:34:14,790 --> 00:34:12,879

submitted to kurt from

815

00:34:16,629 --> 00:34:14,800

theories of everything for travis walton

816

00:34:19,349 --> 00:34:16,639

he actually read and it was about his

817

00:34:21,990 --> 00:34:19,359

second abduction encounter that travis

818

00:34:24,389 --> 00:34:22,000

walton once claimed his girlfriend was

819

00:34:25,589 --> 00:34:24,399

pregnant before the encounter and that

820

00:34:27,829 --> 00:34:25,599

aliens

821

00:34:30,069 --> 00:34:27,839

stole the body during that encounter or

822

00:34:31,109 --> 00:34:30,079

excuse me stole the baby during that

823

00:34:32,389 --> 00:34:31,119

encounter

824

00:34:34,389 --> 00:34:32,399

and so

825

00:34:39,589 --> 00:34:34,399

it's pretty funny to see

826

00:34:41,510 --> 00:34:39,599

my question featured in bad ufos

827

00:34:44,550 --> 00:34:41,520

that was a little surreal for me because

828

00:34:48,069 --> 00:34:44,560

i had been following this uh blog for a

829

00:34:50,550 --> 00:34:48,079

long long time

830

00:34:52,230 --> 00:34:50,560

so we'll go to the top here

831

00:34:55,109 --> 00:34:52,240

uh

832

00:34:57,990 --> 00:34:55,119

and he breaks down specific cases here's

833

00:35:01,190 --> 00:34:58,000

an article on the o'hare airport ufo

834

00:35:03,510 --> 00:35:01,200

case is it still a great case

835

00:35:06,150 --> 00:35:03,520

um and oh i just wanted to mention that

836

00:35:08,150 --> 00:35:06,160

uh interestingly enough next wednesday

837

00:35:11,430 --> 00:35:08,160

november 3rd at 9pm we're going to be

838

00:35:14,230 --> 00:35:11,440

interviewing the writer of this blog

839

00:35:17,030 --> 00:35:14,240

and uh i i can't say how happy i'm that

840

00:35:19,109 --> 00:35:17,040

i'm going to get to do that so

841

00:35:22,150 --> 00:35:19,119

yeah here's blow up of

842

00:35:28,230 --> 00:35:24,870

very very interesting case

843

00:35:33,349 --> 00:35:30,630

yeah professional skeptic replies to

844

00:35:35,750 --> 00:35:33,359

kecksburg defense

845

00:35:38,470 --> 00:35:35,760

here's an article on the techsburg ufo

846

00:35:40,150 --> 00:35:38,480

crash on april 30th 2021 normally

847

00:35:42,630 --> 00:35:40,160

serious new yorker has dropped a very

848

00:35:45,109 --> 00:35:42,640

misleading article how the pentagon

849

00:35:47,430 --> 00:35:45,119

started taking ufos seriously

850

00:35:50,069 --> 00:35:47,440

it was very long authored by gideon

851

00:35:53,190 --> 00:35:50,079

lewis krauss a lot of it was about ufo

852

00:35:56,310 --> 00:35:53,200

promoter leslie keane and what wonderful

853

00:35:59,910 --> 00:35:56,320

things she has done to bring

854

00:36:01,829 --> 00:35:59,920

the really the reality of ufo dumb to

855

00:36:03,910 --> 00:36:01,839

the masses

856

00:36:06,630 --> 00:36:03,920

on may 8th i wrote a reply to his blog

857

00:36:09,109 --> 00:36:06,640

titled new york new york new yorkers

858

00:36:11,510 --> 00:36:09,119

credulous article on pentagon ufos it

859

00:36:12,630 --> 00:36:11,520

was in three parts and it was pretty

860

00:36:13,589 --> 00:36:12,640

long

861

00:36:16,230 --> 00:36:13,599

um

862

00:36:18,069 --> 00:36:16,240

but not so long as new york new yorker

863

00:36:21,270 --> 00:36:18,079

article the blog entry was reprinted in

864

00:36:23,829 --> 00:36:21,280

the skeptical inquirer

865

00:36:27,030 --> 00:36:23,839

this is this is great so here's where

866

00:36:29,589 --> 00:36:27,040

you get to to the reality of some of

867

00:36:31,109 --> 00:36:29,599

this ufo stuff so leslie keane you might

868

00:36:32,470 --> 00:36:31,119

know she was involved in this new york

869

00:36:34,710 --> 00:36:32,480

times article

870

00:36:36,710 --> 00:36:34,720

uh he

871

00:36:38,390 --> 00:36:36,720

knows all about leslie keane and some of

872

00:36:40,870 --> 00:36:38,400

the things that she has done in the past

873

00:36:43,510 --> 00:36:40,880

and let's hear about them leslie keane

874

00:36:46,790 --> 00:36:43,520

promoted uh patet

875

00:36:49,030 --> 00:36:46,800

retained ufo frodo from belgian

876

00:36:51,829 --> 00:36:49,040

belgium in her book but it's now a

877

00:36:54,150 --> 00:36:51,839

confessed hoax she and the experts at

878

00:36:56,950 --> 00:36:54,160

chili's c-e-f-a-a

879

00:37:00,230 --> 00:36:56,960

were fooled by a video of a fly buzzing

880

00:37:02,950 --> 00:37:00,240

around she suggested that this this was

881

00:37:04,069 --> 00:37:02,960

the case that ufo skeptics had been

882

00:37:06,550 --> 00:37:04,079

dreading

883

00:37:08,950 --> 00:37:06,560

no turned out to be a fly a few years

884

00:37:12,310 --> 00:37:08,960

later she promoted a second video from

885

00:37:13,589 --> 00:37:12,320

chile's cefaa that just shows a distant

886

00:37:15,990 --> 00:37:13,599

jet

887

00:37:17,990 --> 00:37:16,000

mick west even figured out which flight

888

00:37:20,069 --> 00:37:18,000

had been photographed so shout out to

889

00:37:21,030 --> 00:37:20,079

mick west

890

00:37:24,150 --> 00:37:21,040

next

891

00:37:27,190 --> 00:37:24,160

those glowing auras that are touted in

892

00:37:30,630 --> 00:37:27,200

keane's first new york times ufo article

893

00:37:32,310 --> 00:37:30,640

are simply photographic artifacts

894

00:37:36,069 --> 00:37:32,320

next she described how she was

895

00:37:38,470 --> 00:37:36,079

gobsmacked by a french report in 1999

896

00:37:40,790 --> 00:37:38,480

known as the cometa report showing how

897

00:37:43,190 --> 00:37:40,800

little she knows about the ufo field her

898

00:37:45,349 --> 00:37:43,200

fellow ufo proponent john alexander who

899

00:37:48,390 --> 00:37:45,359

played a big role in the pentagon's esp

900

00:37:49,950 --> 00:37:48,400

research described the kameta report as

901
00:37:52,390 --> 00:37:49,960
an embarrassment

902
00:37:53,829 --> 00:37:52,400
unsubstantiated data from questionable

903
00:37:56,710 --> 00:37:53,839
sources

904
00:37:59,190 --> 00:37:56,720
next keane's grossly keen grossly

905
00:38:01,510 --> 00:37:59,200
overstates the reliability of pilots

906
00:38:03,430 --> 00:38:01,520
accounts of ufos writing that pilots

907
00:38:05,510 --> 00:38:03,440
represents the world's most experienced

908
00:38:07,910 --> 00:38:05,520
and best trained observers of everything

909
00:38:10,069 --> 00:38:07,920
that flies these unique circumstances

910
00:38:12,470 --> 00:38:10,079
potentially transform any jet aircraft

911
00:38:15,030 --> 00:38:12,480
into a specialized flying laboratory for

912
00:38:18,630 --> 00:38:15,040
the study of rare anomalous phenomena

913
00:38:20,310 --> 00:38:18,640

however dr j allen heineck in the late

914

00:38:23,670 --> 00:38:20,320

u.s air force project blue book

915

00:38:25,430 --> 00:38:23,680

consultant came to the exact opposite

916

00:38:27,109 --> 00:38:25,440

conclusion

917

00:38:28,710 --> 00:38:27,119

saying surprisingly commercial and

918

00:38:34,790 --> 00:38:28,720

military pilots appear to make

919

00:38:39,349 --> 00:38:36,630

yeah and she's covering

920

00:38:42,390 --> 00:38:39,359

you know spiritualists and

921

00:38:44,630 --> 00:38:42,400

yeah so as i was saying though

922

00:38:47,670 --> 00:38:44,640

these some of these blogs are a good way

923

00:38:49,910 --> 00:38:47,680

to get to know people more you know you

924

00:38:51,990 --> 00:38:49,920

don't get any of this information you

925

00:38:54,550 --> 00:38:52,000

just get oh this new york times article

926

00:38:56,550 --> 00:38:54,560

by leslie keane

927

00:38:58,829 --> 00:38:56,560

i want to know that leslie keane has

928

00:39:02,390 --> 00:38:58,839

been fooled all these different times

929

00:39:05,109 --> 00:39:02,400

right and that to me tells me true

930

00:39:07,190 --> 00:39:05,119

believer right and then i know that she

931

00:39:08,950 --> 00:39:07,200

writes from a perspective of an absolute

932

00:39:11,109 --> 00:39:08,960

true believer she's looking at flies

933

00:39:12,870 --> 00:39:11,119

thinking they're ufos right she's

934

00:39:14,550 --> 00:39:12,880

looking at fake photos that are that are

935

00:39:15,510 --> 00:39:14,560

hoaxes and she can't figure out it's a

936

00:39:16,870 --> 00:39:15,520

hoax

937

00:39:18,230 --> 00:39:16,880

right she's

938

00:39:21,109 --> 00:39:18,240

believing

939

00:39:24,390 --> 00:39:21,119

videos or pictures of a distant jet is

940

00:39:27,670 --> 00:39:24,400

is a flying saucer ufo and it's not

941

00:39:30,550 --> 00:39:27,680

right or glowing auras are

942

00:39:33,270 --> 00:39:30,560

photographic artifacts

943

00:39:35,349 --> 00:39:33,280

these things need to be known if you're

944

00:39:36,390 --> 00:39:35,359

seriously interested in this subject you

945

00:39:40,069 --> 00:39:36,400

have to

946

00:39:43,030 --> 00:39:40,079

know who is sharing information because

947

00:39:45,030 --> 00:39:43,040

oftentimes the people who are at the top

948

00:39:48,069 --> 00:39:45,040

of this food chain sharing this

949

00:39:52,470 --> 00:39:48,079

information are very tainted

950

00:39:55,589 --> 00:39:52,480

and this is a clear example of that

951
00:39:56,710 --> 00:39:55,599
so yeah it's bad ufos

952
00:40:00,230 --> 00:39:56,720
spot

953
00:40:02,829 --> 00:40:00,240
and remember uh ufo watch ufo watchdog

954
00:40:06,630 --> 00:40:04,710
watchdog.blogspot.com but both these

955
00:40:07,990 --> 00:40:06,640
links will be in the description of our

956
00:40:10,309 --> 00:40:08,000
video here

957
00:40:12,630 --> 00:40:10,319
um next

958
00:40:14,470 --> 00:40:12,640
uh next is a new blog that i just

959
00:40:17,349 --> 00:40:14,480
recently discovered

960
00:40:18,680 --> 00:40:17,359
and uh it's from a viewer here

961
00:40:20,150 --> 00:40:18,690
now in uh

962
00:40:22,150 --> 00:40:20,160
[Music]

963
00:40:23,910 --> 00:40:22,160

it's important that i disclose that this

964

00:40:26,309 --> 00:40:23,920

viewer sent me their blog and then said

965

00:40:28,550 --> 00:40:26,319

hey maybe you could talk about this

966

00:40:31,190 --> 00:40:28,560

and yeah after i checked out their blog

967

00:40:32,950 --> 00:40:31,200

i agreed to but they have sent me a big

968

00:40:34,710 --> 00:40:32,960

paypal donation

969

00:40:37,829 --> 00:40:34,720

so i'm just putting it out there i don't

970

00:40:38,950 --> 00:40:37,839

want anybody you know

971

00:40:41,990 --> 00:40:38,960

anyway

972

00:40:42,360 --> 00:40:42,000

they were kind enough to gift our show

973

00:40:43,589 --> 00:40:42,370

uh

974

00:40:45,990 --> 00:40:43,599

[Music]

975

00:40:46,870 --> 00:40:46,000

a nice donation and asked me if we would

976
00:40:48,790 --> 00:40:46,880
cover

977
00:40:51,349 --> 00:40:48,800
and and help them get the word out about

978
00:40:52,950 --> 00:40:51,359
their blog i think that is a fair and

979
00:40:54,630 --> 00:40:52,960
acceptable arrangement especially

980
00:40:56,710 --> 00:40:54,640
because i like their blog it's called

981
00:40:59,910 --> 00:40:56,720
super high def

982
00:41:02,630 --> 00:41:01,270
yeah so

983
00:41:08,309 --> 00:41:02,640
uh

984
00:41:10,390 --> 00:41:08,319
skeptically leaning a lot of this is

985
00:41:12,950 --> 00:41:10,400
almost thought experiments like here i

986
00:41:14,470 --> 00:41:12,960
like this one this blog

987
00:41:16,309 --> 00:41:14,480
alien worship

988
00:41:18,069 --> 00:41:16,319

would you sit next to an alien at a

989

00:41:19,829 --> 00:41:18,079

local house of worship

990

00:41:22,390 --> 00:41:19,839

what do aliens lend to faith

991

00:41:24,470 --> 00:41:22,400

organizations in 2014 pope francis

992

00:41:27,109 --> 00:41:24,480

shared his view about baptizing

993

00:41:29,430 --> 00:41:27,119

extraterrestrials yes green things with

994

00:41:30,790 --> 00:41:29,440

ears and a nose as suggested could be

995

00:41:32,950 --> 00:41:30,800

baptized

996

00:41:34,710 --> 00:41:32,960

how would the aliens get the money for

997

00:41:36,550 --> 00:41:34,720

tithing

998

00:41:38,790 --> 00:41:36,560

the event in and of itself doesn't

999

00:41:40,230 --> 00:41:38,800

necessarily cause such a great stir

1000

00:41:41,990 --> 00:41:40,240

after all it is part of the church's

1001
00:41:43,910 --> 00:41:42,000
responsibility to gain members for the

1002
00:41:45,990 --> 00:41:43,920
church and ultimately secure funds and

1003
00:41:47,829 --> 00:41:46,000
resources for the maintenance of the

1004
00:41:49,349 --> 00:41:47,839
structure some would argue that the

1005
00:41:51,109 --> 00:41:49,359
catholic church could benefit from

1006
00:41:52,710 --> 00:41:51,119
having a more reasonable approach to

1007
00:41:55,109 --> 00:41:52,720
aliens or what

1008
00:41:57,430 --> 00:41:55,119
is yet to be understood about the et

1009
00:41:59,349 --> 00:41:57,440
phenomenon it may benefit the church

1010
00:42:01,190 --> 00:41:59,359
greatly to not have such a strict

1011
00:42:02,470 --> 00:42:01,200
approach to aliens in order to add

1012
00:42:03,990 --> 00:42:02,480
members

1013
00:42:06,150 --> 00:42:04,000

there is precedent for the catholic

1014

00:42:07,270 --> 00:42:06,160

church somewhat bending the appearance

1015

00:42:13,430 --> 00:42:07,280

of

1016

00:42:15,030 --> 00:42:13,440

to join the catholic movement

1017

00:42:17,670 --> 00:42:15,040

it may help ease

1018

00:42:19,910 --> 00:42:17,680

conversion for those that are having

1019

00:42:21,829 --> 00:42:19,920

some level of difficulty with their new

1020

00:42:23,990 --> 00:42:21,839

or renewed catholic faith if they knew

1021

00:42:26,230 --> 00:42:24,000

that et's are accepted within the church

1022

00:42:27,510 --> 00:42:26,240

from arguably the highest authority on

1023

00:42:29,190 --> 00:42:27,520

earth

1024

00:42:31,030 --> 00:42:29,200

what has the pope added to the public

1025

00:42:33,349 --> 00:42:31,040

perception and acceptance of other types

1026
00:42:35,190 --> 00:42:33,359
of life forms if he has not identified

1027
00:42:36,710 --> 00:42:35,200
them as malevolent

1028
00:42:38,550 --> 00:42:36,720
how would he know

1029
00:42:40,390 --> 00:42:38,560
how would anyone know

1030
00:42:42,870 --> 00:42:40,400
would the thing be able to start its own

1031
00:42:45,270 --> 00:42:42,880
church would aliens of the female type

1032
00:42:46,390 --> 00:42:45,280
be able to hold high positions within

1033
00:42:48,150 --> 00:42:46,400
the church

1034
00:42:50,150 --> 00:42:48,160
if you find yourself in church sitting

1035
00:42:53,670 --> 00:42:50,160
next to an alien space person ask

1036
00:42:56,309 --> 00:42:53,680
yourself about those who have

1037
00:42:58,790 --> 00:42:56,319
not been accepted by the church

1038
00:43:01,430 --> 00:42:58,800

and why such an ease of acceptance for

1039

00:43:04,230 --> 00:43:01,440

out of this world ideas now versus let's

1040

00:43:06,390 --> 00:43:04,240

say same-sex partners while the word

1041

00:43:07,349 --> 00:43:06,400

alien sparks emotion at different levels

1042

00:43:09,990 --> 00:43:07,359

that would

1043

00:43:11,589 --> 00:43:10,000

would it benefit to welcome something

1044

00:43:13,910 --> 00:43:11,599

from another world or even another

1045

00:43:16,150 --> 00:43:13,920

dimension when political borders can

1046

00:43:17,750 --> 00:43:16,160

inform our opinions about our earth

1047

00:43:19,030 --> 00:43:17,760

neighbors

1048

00:43:21,109 --> 00:43:19,040

one of the things that i like about this

1049

00:43:23,430 --> 00:43:21,119

blog is like i said this is not some of

1050

00:43:25,270 --> 00:43:23,440

this is just thought experiments and uh

1051
00:43:27,430 --> 00:43:25,280
for those who don't know the catholic

1052
00:43:29,670 --> 00:43:27,440
church has done a great

1053
00:43:31,670 --> 00:43:29,680
a bunch of stuff about ufos first of all

1054
00:43:32,870 --> 00:43:31,680
coming out and saying that they would be

1055
00:43:33,750 --> 00:43:32,880
brothers

1056
00:43:35,270 --> 00:43:33,760
you know

1057
00:43:37,190 --> 00:43:35,280
it would only prove

1058
00:43:39,270 --> 00:43:37,200
god's greatness if we find other

1059
00:43:42,470 --> 00:43:39,280
civilizations and prove

1060
00:43:44,550 --> 00:43:42,480
you know that god uh you know

1061
00:43:46,950 --> 00:43:44,560
more than earth he created more than

1062
00:43:50,150 --> 00:43:46,960
heaven and earth maybe he created heaven

1063
00:43:51,829 --> 00:43:50,160

earth and 100 other planets like earth

1064

00:43:53,430 --> 00:43:51,839

who's to say

1065

00:43:55,270 --> 00:43:53,440

uh but interesting that the catholic

1066

00:43:59,109 --> 00:43:55,280

church has one of the biggest

1067

00:44:01,670 --> 00:43:59,119

observatories in the uh in the world

1068

00:44:03,510 --> 00:44:01,680

and they spend an awful lot of money on

1069

00:44:05,510 --> 00:44:03,520

scientific research

1070

00:44:06,950 --> 00:44:05,520

and astronomy which seems kind of

1071

00:44:10,630 --> 00:44:06,960

strange to me

1072

00:44:13,270 --> 00:44:10,640

because but then i think that

1073

00:44:15,190 --> 00:44:13,280

it's probably a good idea to not throw

1074

00:44:17,109 --> 00:44:15,200

science in the trash just because you're

1075

00:44:18,150 --> 00:44:17,119

religious or spiritual

1076

00:44:21,270 --> 00:44:18,160

you know

1077

00:44:23,990 --> 00:44:21,280

uh i happen to know a scientist who is a

1078

00:44:25,510 --> 00:44:24,000

devout devout christian and i always

1079

00:44:27,910 --> 00:44:25,520

thought that was a little bit odd being

1080

00:44:29,750 --> 00:44:27,920

a man of science but he just believes

1081

00:44:31,030 --> 00:44:29,760

that the

1082

00:44:33,990 --> 00:44:31,040

everything that he's learned about

1083

00:44:36,150 --> 00:44:34,000

science proves to him that this whole

1084

00:44:37,990 --> 00:44:36,160

world had to be intelligently designed

1085

00:44:40,230 --> 00:44:38,000

because everything works too perfectly

1086

00:44:42,950 --> 00:44:40,240

all the dials are too

1087

00:44:45,190 --> 00:44:42,960

set you know for this to be all an

1088

00:44:47,349 --> 00:44:45,200

accident he doesn't believe he believes

1089

00:44:48,950 --> 00:44:47,359

in big bang but he believes that

1090

00:44:51,990 --> 00:44:48,960

that god

1091

00:44:53,510 --> 00:44:52,000

you know willed the big bang into

1092

00:44:58,710 --> 00:44:53,520

existence

1093

00:45:03,109 --> 00:45:00,870

yeah and uh some of this other

1094

00:45:05,990 --> 00:45:03,119

there's another one on alien currency

1095

00:45:09,109 --> 00:45:06,000

and what would alien money be like right

1096

00:45:12,710 --> 00:45:11,030

here's another one that i really did

1097

00:45:15,589 --> 00:45:12,720

like

1098

00:45:16,950 --> 00:45:15,599

this is called roswell are quillians i

1099

00:45:19,190 --> 00:45:16,960

think that's how you say that the truth

1100

00:45:21,109 --> 00:45:19,200

about roswell and the aquarians the

1101
00:45:23,510 --> 00:45:21,119
truth about roswell some argue that the

1102
00:45:25,109 --> 00:45:23,520
truth about roswell reveals details of a

1103
00:45:27,910 --> 00:45:25,119
top secret project

1104
00:45:29,990 --> 00:45:27,920
at how many intersections of top secret

1105
00:45:31,750 --> 00:45:30,000
operations do things overlap the

1106
00:45:34,390 --> 00:45:31,760
original story of roswell roughly

1107
00:45:37,910 --> 00:45:34,400
includes details of a uap crashing in

1108
00:45:40,630 --> 00:45:37,920
new mexico with proof of alien existence

1109
00:45:43,349 --> 00:45:40,640
including accident victims and debris of

1110
00:45:45,589 --> 00:45:43,359
alien technology while some alien fans

1111
00:45:46,870 --> 00:45:45,599
rely on the details of roswell as

1112
00:45:48,230 --> 00:45:46,880
evidence

1113
00:45:52,630 --> 00:45:48,240

what

1114

00:45:55,109 --> 00:45:52,640
their disbelief some suggest that

1115

00:45:56,870 --> 00:45:55,119
roswell was part of project mogul others

1116

00:45:58,710 --> 00:45:56,880
assert that the descriptions of the

1117

00:46:00,790 --> 00:45:58,720
crash debris from roswell match the

1118

00:46:03,349 --> 00:46:00,800
specifications of testing equipment that

1119

00:46:05,109 --> 00:46:03,359
was manufactured for military business

1120

00:46:07,910 --> 00:46:05,119
the sensational stories surrounding

1121

00:46:09,829 --> 00:46:07,920
roswell have elevated the events to an

1122

00:46:12,150 --> 00:46:09,839
almost mythical status

1123

00:46:13,030 --> 00:46:12,160
apart from space ma

1124

00:46:15,510 --> 00:46:13,040
men

1125

00:46:16,870 --> 00:46:15,520
falling from the skies bodies broken on

1126
00:46:19,510 --> 00:46:16,880
impact

1127
00:46:21,589 --> 00:46:19,520
what we're left with is the possibility

1128
00:46:23,910 --> 00:46:21,599
of a toy company creating

1129
00:46:27,030 --> 00:46:23,920
very good toys for earth men but never

1130
00:46:28,950 --> 00:46:27,040
let a good ufo crash go to waste

1131
00:46:30,390 --> 00:46:28,960
while some believe that the publicity

1132
00:46:32,309 --> 00:46:30,400
surrounding roswell was not only

1133
00:46:34,790 --> 00:46:32,319
intended for american audiences but also

1134
00:46:37,510 --> 00:46:34,800
meant for a global audience considering

1135
00:46:39,589 --> 00:46:37,520
the beginning of the atomic age occurs

1136
00:46:42,710 --> 00:46:39,599
at the time of roswell it would have

1137
00:46:44,069 --> 00:46:42,720
been of ex would have been a strategic

1138
00:46:46,390 --> 00:46:44,079

advantage to be aligned with

1139

00:46:49,030 --> 00:46:46,400

extraterrestrials and technology

1140

00:46:51,270 --> 00:46:49,040

advanced beyond the potential enemy the

1141

00:46:53,750 --> 00:46:51,280

photos of men in military uniform

1142

00:46:56,630 --> 00:46:53,760

displaying crashed ufo parts had a big

1143

00:46:59,589 --> 00:46:56,640

impact the publicity alone could be

1144

00:47:02,150 --> 00:46:59,599

argued as an elaborate public relations

1145

00:47:04,630 --> 00:47:02,160

stunt the written word suggesting

1146

00:47:07,030 --> 00:47:04,640

extraterrestrial technology paired with

1147

00:47:08,230 --> 00:47:07,040

a convincing photograph has rippled over

1148

00:47:09,910 --> 00:47:08,240

time

1149

00:47:12,309 --> 00:47:09,920

in part one of the truth about roswell

1150

00:47:14,470 --> 00:47:12,319

we examined roswell as a publicity stunt

1151
00:47:16,390 --> 00:47:14,480
with a two-fold intention how would the

1152
00:47:18,950 --> 00:47:16,400
events surrounding roswell continue to

1153
00:47:22,390 --> 00:47:18,960
backfire not only was the atomic age

1154
00:47:24,390 --> 00:47:22,400
beginning to ramp up the age of uh

1155
00:47:26,390 --> 00:47:24,400
communism

1156
00:47:28,870 --> 00:47:26,400
came only years later answer the

1157
00:47:32,069 --> 00:47:28,880
question of its intent what does or is

1158
00:47:34,950 --> 00:47:32,079
it cosmeism

1159
00:47:38,790 --> 00:47:36,630
communism looked like in the west some

1160
00:47:40,069 --> 00:47:38,800
assert that roswell could act to support

1161
00:47:41,750 --> 00:47:40,079
the undermining

1162
00:47:46,150 --> 00:47:41,760
of democratic principles due to the

1163
00:47:48,150 --> 00:47:46,160

nature of roswell resembling

1164

00:47:50,470 --> 00:47:48,160

yeah i don't know that word

1165

00:47:54,950 --> 00:47:50,480

okay so as the globalists compete with

1166

00:47:59,510 --> 00:47:57,270

see page of technocratic traditionalism

1167

00:48:01,910 --> 00:47:59,520

into the diametrically opposed

1168

00:48:04,710 --> 00:48:01,920

democratic process if space exploration

1169

00:48:06,710 --> 00:48:04,720

demonstrates technological superiority

1170

00:48:08,790 --> 00:48:06,720

what would it be like if science was

1171

00:48:11,349 --> 00:48:08,800

repurposed for the benefit of the state

1172

00:48:12,309 --> 00:48:11,359

and global coordinated effort

1173

00:48:16,870 --> 00:48:12,319

in

1174

00:48:18,870 --> 00:48:16,880

human advancement science will only be

1175

00:48:23,030 --> 00:48:18,880

allowed to flourish only as it serves

1176

00:48:25,030 --> 00:48:23,040

the state under this technocratic system

1177

00:48:27,190 --> 00:48:25,040

so again it's just some interesting

1178

00:48:29,589 --> 00:48:27,200

thoughts about roswell some have many

1179

00:48:31,670 --> 00:48:29,599

have theorized that that was all a

1180

00:48:33,670 --> 00:48:31,680

publicity stunt to scare the russians

1181

00:48:34,950 --> 00:48:33,680

into believing that we had alien

1182

00:48:38,150 --> 00:48:34,960

technology

1183

00:48:39,910 --> 00:48:38,160

could very well be right could very well

1184

00:48:41,670 --> 00:48:39,920

be who knows

1185

00:48:44,230 --> 00:48:41,680

there's another

1186

00:48:45,349 --> 00:48:44,240

post on mayan aliens which i find

1187

00:48:47,190 --> 00:48:45,359

interesting

1188

00:48:48,710 --> 00:48:47,200

uh believe it or not a lot of people

1189

00:48:50,470 --> 00:48:48,720

think that the mayan civilization

1190

00:48:52,309 --> 00:48:50,480

disappeared because they got in a

1191

00:48:53,270 --> 00:48:52,319

spaceship and left earth and never came

1192

00:48:54,150 --> 00:48:53,280

back

1193

00:48:56,470 --> 00:48:54,160

um

1194

00:48:59,349 --> 00:48:56,480

interesting stuff

1195

00:49:03,030 --> 00:49:01,829

here's sort of a funny one about aliens

1196

00:49:05,190 --> 00:49:03,040

uh

1197

00:49:06,950 --> 00:49:05,200

and the reason why they suck you know i

1198

00:49:08,470 --> 00:49:06,960

would think the least of which would be

1199

00:49:12,069 --> 00:49:08,480

abducting people in the middle of the

1200

00:49:19,109 --> 00:49:15,910

and here's a article on bob lazar right

1201

00:49:25,750 --> 00:49:20,710

this is an article on

1202

00:49:32,309 --> 00:49:29,270

yeah interesting so anyway this is

1203

00:49:34,069 --> 00:49:32,319

super highdef.blogspot.com

1204

00:49:35,750 --> 00:49:34,079

we'll be reading more articles from

1205

00:49:38,309 --> 00:49:35,760

there in the future

1206

00:49:41,349 --> 00:49:38,319

maybe we'll every week we'll sort of do

1207

00:49:43,030 --> 00:49:41,359

blog reviews or or just share

1208

00:49:49,109 --> 00:49:43,040

information

1209

00:49:51,910 --> 00:49:49,119

but i wanted to uh i wanted to to show

1210

00:49:55,750 --> 00:49:51,920

people some resources so

1211

00:49:59,190 --> 00:49:55,760

uh there is uh the links to these in the

1212

00:50:01,829 --> 00:49:59,200

about section of our video here

1213

00:50:04,230 --> 00:50:01,839

um so now i'm going to dedicate my full

1214

00:50:07,190 --> 00:50:04,240

and total attention to the live chat we

1215

00:50:09,190 --> 00:50:07,200

haven't had too much of uh

1216

00:50:11,270 --> 00:50:09,200

discussion between me and the live chat

1217

00:50:13,190 --> 00:50:11,280

been so busy lately

1218

00:50:15,750 --> 00:50:13,200

so let's try to

1219

00:50:18,630 --> 00:50:15,760

spend some time to do that now

1220

00:50:20,870 --> 00:50:18,640

the sixth sense thumbs up yes please do

1221

00:50:22,950 --> 00:50:20,880

like comment subscribe and share these

1222

00:50:25,190 --> 00:50:22,960

videos and if you haven't already hit

1223

00:50:27,030 --> 00:50:25,200

that subscribe button and smash that

1224

00:50:29,030 --> 00:50:27,040

notification bell and you too will know

1225

00:50:31,670 --> 00:50:29,040

when we're having a live chat

1226

00:50:34,630 --> 00:50:31,680

and we'll be able to participate in our

1227

00:50:37,109 --> 00:50:34,640

live chats i want to mention uh there's

1228

00:50:38,790 --> 00:50:37,119

a few ways to support us you can hit

1229

00:50:41,589 --> 00:50:38,800

that money button down there in the live

1230

00:50:44,150 --> 00:50:41,599

chat throw money at us you can subscribe

1231

00:50:45,190 --> 00:50:44,160

to my patreon for as little as a dollar

1232

00:50:47,670 --> 00:50:45,200

a month

1233

00:50:50,470 --> 00:50:47,680

uh and also

1234

00:50:52,710 --> 00:50:50,480

you can make a paypal donation or buy me

1235

00:50:54,470 --> 00:50:52,720

a coffee all those links are in the

1236

00:50:56,150 --> 00:50:54,480

description below

1237

00:50:57,510 --> 00:50:56,160

uh and

1238

00:50:59,829 --> 00:50:57,520

we're gonna take some time for the live

1239

00:51:03,109 --> 00:50:59,839

chat and then i've got a video to share

1240

00:51:03,990 --> 00:51:03,119

from cary that's just funny

1241

00:51:06,829 --> 00:51:04,000

uh

1242

00:51:11,109 --> 00:51:06,839

she's doing this out of context cosmic

1243

00:51:16,069 --> 00:51:13,589

okay one second i want to thank i want

1244

00:51:17,510 --> 00:51:16,079

to take some time to thank uh the paypal

1245

00:51:21,190 --> 00:51:17,520

donators too

1246

00:51:23,349 --> 00:51:21,200

today uh uh we got a 10 paypal donation

1247

00:51:25,829 --> 00:51:23,359

from david who says stephen any show

1248

00:51:28,470 --> 00:51:25,839

that tells me via david wilcock how to

1249

00:51:30,150 --> 00:51:28,480

catch a gray is worthy of support

1250

00:51:32,549 --> 00:51:30,160

they don't like sand who would have

1251
00:51:34,710 --> 00:51:32,559
thought grier's boldest liar award was

1252
00:51:36,549 --> 00:51:34,720
also a recent highlight hopefully more

1253
00:51:38,470 --> 00:51:36,559
categories will be covered thank you

1254
00:51:40,230 --> 00:51:38,480
david for your kindness your generosity

1255
00:51:41,750 --> 00:51:40,240
and your support it is much much

1256
00:51:44,710 --> 00:51:41,760
appreciated

1257
00:51:48,390 --> 00:51:46,470
and i think

1258
00:51:50,390 --> 00:51:48,400
i think we have yeah and we've already

1259
00:51:53,270 --> 00:51:50,400
read the rest of them for the week

1260
00:51:55,430 --> 00:51:53,280
so that was uh the only new one and i'll

1261
00:51:57,670 --> 00:51:55,440
be uh want to mention that we read each

1262
00:51:59,910 --> 00:51:57,680
and every single super chat here so if

1263
00:52:03,670 --> 00:51:59,920

you send a super chat we read it and we

1264

00:52:07,349 --> 00:52:05,829

v is here and says i really miss having

1265

00:52:10,230 --> 00:52:07,359

trick-or-treaters

1266

00:52:12,950 --> 00:52:10,240

egg my house

1267

00:52:15,589 --> 00:52:12,960

uh you know it's funny v i used to worry

1268

00:52:18,390 --> 00:52:15,599

every year uh yeah i still got makeup

1269

00:52:21,430 --> 00:52:18,400

all in my hair see that i was a zombie

1270

00:52:23,510 --> 00:52:21,440

earlier and i guess getting it out it's

1271

00:52:26,309 --> 00:52:23,520

like

1272

00:52:27,829 --> 00:52:26,319

yeah so uh anyway

1273

00:52:30,230 --> 00:52:27,839

i used to worry when we lived in the

1274

00:52:32,630 --> 00:52:30,240

city because mischief night was rough

1275

00:52:34,069 --> 00:52:32,640

like the kids around there were nasty

1276

00:52:36,549 --> 00:52:34,079

man they would throw bricks through

1277

00:52:39,030 --> 00:52:36,559

people's windshields and stuff

1278

00:52:40,870 --> 00:52:39,040

and just really destructive things

1279

00:52:43,190 --> 00:52:40,880

people would spray paint cars people

1280

00:52:46,630 --> 00:52:43,200

would spray paint your garage door

1281

00:52:49,109 --> 00:52:46,640

or your porch like you know you

1282

00:52:51,109 --> 00:52:49,119

it was bad on mischief night to the

1283

00:52:53,109 --> 00:52:51,119

point that i used to sit on the porch

1284

00:52:54,630 --> 00:52:53,119

and watch our house all night and i

1285

00:52:57,109 --> 00:52:54,640

hated that

1286

00:52:59,349 --> 00:52:57,119

and anyway uh

1287

00:53:01,990 --> 00:52:59,359

where i'm at now is very calm because

1288

00:53:04,069 --> 00:53:02,000

it's so calm here nothing happens no

1289

00:53:05,510 --> 00:53:04,079

kids are no gangs and kids are running

1290

00:53:07,750 --> 00:53:05,520

around throwing bricks through people's

1291

00:53:09,190 --> 00:53:07,760

windows so i guess my quality of life

1292

00:53:11,349 --> 00:53:09,200

has definitely increased since leaving

1293

00:53:13,109 --> 00:53:11,359

the city we went trick-or-treating

1294

00:53:15,589 --> 00:53:13,119

earlier today

1295

00:53:17,589 --> 00:53:15,599

and it was very very awesome

1296

00:53:18,870 --> 00:53:17,599

awesome awesome time

1297

00:53:21,030 --> 00:53:18,880

and uh

1298

00:53:22,950 --> 00:53:21,040

i really enjoyed myself my children

1299

00:53:24,549 --> 00:53:22,960

really enjoyed it it's just a great

1300

00:53:27,589 --> 00:53:24,559

neighborhood we live in with really

1301

00:53:29,190 --> 00:53:27,599

great people and uh you know i was

1302

00:53:31,030 --> 00:53:29,200

surprised because everybody in my

1303

00:53:32,069 --> 00:53:31,040

neighborhood is handing out full candy

1304

00:53:34,470 --> 00:53:32,079

bars

1305

00:53:36,870 --> 00:53:34,480

and where i'm from nobody

1306

00:53:38,630 --> 00:53:36,880

nobody hands out full-on candy bars are

1307

00:53:39,510 --> 00:53:38,640

you kidding me

1308

00:53:41,349 --> 00:53:39,520

so

1309

00:53:43,670 --> 00:53:41,359

we my kids had a great time there's

1310

00:53:45,030 --> 00:53:43,680

pictures uh by the way you should

1311

00:53:47,910 --> 00:53:45,040

if you want to keep up with the show and

1312

00:53:50,069 --> 00:53:47,920

me you should um follow me at

1313

00:53:52,470 --> 00:53:50,079

stevencambian on twitter

1314

00:53:53,510 --> 00:53:52,480

i posted some pictures of our house with

1315

00:53:56,549 --> 00:53:53,520

my

1316

00:53:59,910 --> 00:53:56,559

scary dolls and and vent puppets that we

1317

00:54:02,069 --> 00:53:59,920

put out front and also my kids uh

1318

00:54:05,190 --> 00:54:02,079

costumes and and me

1319

00:54:08,390 --> 00:54:05,200

my son decided i had to be a zombie

1320

00:54:13,750 --> 00:54:08,400

so i put on some zombie makeup for him

1321

00:54:17,510 --> 00:54:15,990

indigo ginzo says i had three kids

1322

00:54:26,230 --> 00:54:17,520

trick-or-treating the entire night how

1323

00:54:30,069 --> 00:54:28,390

well

1324

00:54:31,910 --> 00:54:30,079

indigo maybe many people aren't

1325

00:54:33,829 --> 00:54:31,920

trick-or-treating because of the current

1326

00:54:35,349 --> 00:54:33,839

health situation

1327

00:54:36,710 --> 00:54:35,359

i'm sorry about that

1328

00:54:39,589 --> 00:54:36,720

especially if you were looking forward

1329

00:54:40,870 --> 00:54:39,599

to that and only a few kids came right

1330

00:54:42,630 --> 00:54:40,880

we uh

1331

00:54:44,549 --> 00:54:42,640

are walking around with our kids so we

1332

00:54:46,710 --> 00:54:44,559

just put a table out in front of our

1333

00:54:48,950 --> 00:54:46,720

house with like take one and a big

1334

00:54:49,750 --> 00:54:48,960

bucket of candy

1335

00:54:51,349 --> 00:54:49,760

so

1336

00:54:53,510 --> 00:54:51,359

i don't know how many we had but i know

1337

00:54:56,069 --> 00:54:53,520

my wife had to refill the thing so we

1338

00:55:01,990 --> 00:54:56,079

had a good number you know probably 30

1339

00:55:05,430 --> 00:55:04,069

okay patrick sheehan with a kind and

1340

00:55:07,589 --> 00:55:05,440

generous

1341

00:55:08,950 --> 00:55:07,599

super chat says happy halloween to all

1342

00:55:11,430 --> 00:55:08,960

thank you for your kindness your

1343

00:55:13,829 --> 00:55:11,440

generosity and your support it is much

1344

00:55:15,829 --> 00:55:13,839

much appreciated we really do appreciate

1345

00:55:18,150 --> 00:55:15,839

uh every single person and we have annie

1346

00:55:19,030 --> 00:55:18,160

kurtz with kind and generous 4.99 super

1347

00:55:20,390 --> 00:55:19,040

chat

1348

00:55:22,309 --> 00:55:20,400

thank you for your kindness your

1349

00:55:24,150 --> 00:55:22,319

generosity and your support thanks

1350

00:55:26,470 --> 00:55:24,160

everybody for the paypal donations thank

1351
00:55:29,109 --> 00:55:26,480
you to the patreon supporters because

1352
00:55:32,710 --> 00:55:29,119
you guys help us to praise the cash

1353
00:55:35,589 --> 00:55:34,309
right you guys create the guys crazy

1354
00:55:37,910 --> 00:55:35,599
cash

1355
00:55:39,910 --> 00:55:37,920
thank you for your kindness thank you

1356
00:55:44,480 --> 00:55:39,920
for your generosity

1357
00:55:50,630 --> 00:55:44,490
crazy cash crazy cash raise the cash

1358
00:55:54,390 --> 00:55:52,870
so we have our cash clown

1359
00:55:57,430 --> 00:55:54,400
um

1360
00:55:59,510 --> 00:55:57,440
but earlier he was the class uh he was

1361
00:56:07,109 --> 00:55:59,520
the uh devil

1362
00:56:12,309 --> 00:56:08,950
my son zach looks so pissed in this

1363
00:56:17,750 --> 00:56:14,069

so happy halloween to all of you i hope

1364

00:56:19,349 --> 00:56:17,760

you all got uh either a trick or treat

1365

00:56:22,710 --> 00:56:19,359

uh

1366

00:56:26,870 --> 00:56:24,069

there we go

1367

00:56:29,270 --> 00:56:26,880

this is our cash clown he was the devil

1368

00:56:31,990 --> 00:56:29,280

and his son was my son zachary was a

1369

00:56:34,309 --> 00:56:32,000

skeleton and that's me

1370

00:56:37,349 --> 00:56:34,319

i tried to do zombie makeup my wife said

1371

00:56:39,510 --> 00:56:37,359

you look more like the joker

1372

00:56:41,910 --> 00:56:39,520

i needed more blood i think and ripped

1373

00:56:44,390 --> 00:56:41,920

up clothes but this was last minute so

1374

00:56:45,670 --> 00:56:44,400

but we had a really nice time

1375

00:56:48,309 --> 00:56:45,680

and uh

1376

00:56:50,230 --> 00:56:48,319

i hope that you and your family had a

1377

00:56:53,109 --> 00:56:50,240

nice time and made some memories today

1378

00:56:54,789 --> 00:56:53,119

as well um my wife is very big on this

1379

00:56:57,030 --> 00:56:54,799

stuff we've been carving pumpkins all

1380

00:57:02,150 --> 00:56:57,040

week and working on decorations and you

1381

00:57:06,150 --> 00:57:04,309

they're very lucky that my wife really

1382

00:57:08,309 --> 00:57:06,160

takes the time to make sure that each

1383

00:57:10,230 --> 00:57:08,319

and every holiday is very special for

1384

00:57:11,349 --> 00:57:10,240

them and create some special memories i

1385

00:57:12,390 --> 00:57:11,359

hope

1386

00:57:14,710 --> 00:57:12,400

and uh

1387

00:57:16,230 --> 00:57:14,720

they got so much candy that i'm sure i'm

1388

00:57:18,789 --> 00:57:16,240

going to be fighting with at least

1389

00:57:21,030 --> 00:57:18,799

xavier for days like because xavier is a

1390

00:57:23,349 --> 00:57:21,040

candy guy and a junk guy he

1391

00:57:26,390 --> 00:57:23,359

he would eat nothing but

1392

00:57:29,510 --> 00:57:26,400

junk food if he could

1393

00:57:31,349 --> 00:57:29,520

and uh it used to be that we put things

1394

00:57:32,870 --> 00:57:31,359

in the pantry but xavier has gotten a

1395

00:57:34,630 --> 00:57:32,880

little older and he figured out how to

1396

00:57:36,309 --> 00:57:34,640

get in the pantry now

1397

00:57:38,470 --> 00:57:36,319

so

1398

00:57:40,710 --> 00:57:38,480

i don't know you know

1399

00:57:41,829 --> 00:57:40,720

i just don't want him to just load up on

1400

00:57:43,750 --> 00:57:41,839

candy

1401

00:57:44,870 --> 00:57:43,760

and uh unfortunately he's not feeling

1402

00:57:46,390 --> 00:57:44,880

well

1403

00:57:48,069 --> 00:57:46,400

but it's not from eating too much candy

1404

00:57:50,230 --> 00:57:48,079

he wasn't feeling well before getting

1405

00:57:52,470 --> 00:57:50,240

any candy or going trick-or-treating

1406

00:57:54,630 --> 00:57:52,480

luckily he was able to get through the

1407

00:57:56,950 --> 00:57:54,640

trick-or-treating but then he's uh

1408

00:57:57,990 --> 00:57:56,960

was throwing up right afterwards when he

1409

00:57:59,829 --> 00:57:58,000

got home

1410

00:58:02,150 --> 00:57:59,839

and he said he was having headaches

1411

00:58:04,549 --> 00:58:02,160

earlier so he's staying home from school

1412

00:58:06,069 --> 00:58:04,559

tomorrow uh hopefully he'll be feeling

1413

00:58:08,309 --> 00:58:06,079

better fast

1414

00:58:10,870 --> 00:58:08,319

i hope you and your family uh had a

1415

00:58:12,710 --> 00:58:10,880

great halloween i sure did

1416

00:58:14,950 --> 00:58:12,720

that girl jessica says happy halloween

1417

00:58:16,710 --> 00:58:14,960

camping family thank you and happy

1418

00:58:21,430 --> 00:58:16,720

halloween to you

1419

00:58:24,870 --> 00:58:23,270

moody mogul says steven has the height

1420

00:58:27,670 --> 00:58:24,880

to pull off a reasonable lurch from the

1421

00:58:29,670 --> 00:58:27,680

adams family you rang yeah i ca i used

1422

00:58:31,589 --> 00:58:29,680

to get that a lot people call me lurch

1423

00:58:33,589 --> 00:58:31,599

especially when i had black hair

1424

00:58:36,069 --> 00:58:33,599

all black hair you know like i used to

1425

00:58:37,589 --> 00:58:36,079

have jet black hair blue black hair back

1426

00:58:39,589 --> 00:58:37,599

in the day

1427

00:58:41,589 --> 00:58:39,599

i got lurch a lot because i was so tall

1428

00:58:46,950 --> 00:58:41,599

especially if i was in a suit people

1429

00:58:50,390 --> 00:58:48,950

indigo ginzo yeah i'm fascinated by the

1430

00:58:51,910 --> 00:58:50,400

case one of the witnesses became an

1431

00:58:53,510 --> 00:58:51,920

artist later in life and her art is

1432

00:58:55,990 --> 00:58:53,520

chock full of alien beings that she

1433

00:58:57,990 --> 00:58:56,000

claimed inspired what she saw

1434

00:59:00,549 --> 00:58:58,000

interesting how people can have those

1435

00:59:03,030 --> 00:59:00,559

experiences and really their life their

1436

00:59:08,630 --> 00:59:03,040

lives really do change right

1437

00:59:11,910 --> 00:59:10,309

that girl jessica says oh not the day to

1438

00:59:14,150 --> 00:59:11,920

be sick it's good motivation for him to

1439

00:59:16,069 --> 00:59:14,160

get well asap yeah

1440

00:59:18,549 --> 00:59:16,079

i think he'll be all right he's he was

1441

00:59:20,069 --> 00:59:18,559

laying down earlier i asked him if he's

1442

00:59:20,870 --> 00:59:20,079

feeling a little better he says a little

1443

00:59:22,630 --> 00:59:20,880

bit

1444

00:59:24,549 --> 00:59:22,640

uh and i asked him if he had a tummy

1445

00:59:26,390 --> 00:59:24,559

ache because he threw up but he said no

1446

00:59:28,390 --> 00:59:26,400

he has a headache he's got a little bit

1447

00:59:31,270 --> 00:59:28,400

of a temperature so we're watching him

1448

00:59:36,309 --> 00:59:31,280

closely and we'll keep him home tomorrow

1449

00:59:45,190 --> 00:59:40,309

alien girl is here girl one one one

1450

00:59:52,789 --> 00:59:46,549

that called jessica mentioning the

1451

00:59:56,870 --> 00:59:54,150

you know i don't know why but i was

1452

00:59:57,829 --> 00:59:56,880

watching more david wilcock garbage

1453

01:00:00,150 --> 00:59:57,839

today

1454

01:00:04,950 --> 01:00:00,160

and uh oh man i can't believe how this

1455

01:00:09,030 --> 01:00:06,870

because

1456

01:00:10,309 --> 01:00:09,040

i gotta tell you friends

1457

01:00:12,150 --> 01:00:10,319

um

1458

01:00:15,030 --> 01:00:12,160

if i find out that he's telling people

1459

01:00:17,190 --> 01:00:15,040

that his business partner and new

1460

01:00:18,549 --> 01:00:17,200

insider built secret space program

1461

01:00:20,069 --> 01:00:18,559

spaceships

1462

01:00:21,510 --> 01:00:20,079

and he's telling people that behind the

1463

01:00:23,349 --> 01:00:21,520

paywall

1464

01:00:25,589 --> 01:00:23,359

that's outright consumer fraud if he

1465

01:00:27,589 --> 01:00:25,599

can't prove that guy built spaceships

1466

01:00:29,349 --> 01:00:27,599

and i think that's going to be extremely

1467

01:00:31,349 --> 01:00:29,359

problematic for him

1468

01:00:33,910 --> 01:00:31,359

so i'm anxiously awaiting

1469

01:00:37,030 --> 01:00:33,920

uh people reporting if he's doing that

1470

01:00:38,069 --> 01:00:37,040

or not i'm betting he is i am betting he

1471

01:00:39,750 --> 01:00:38,079

is

1472

01:00:42,549 --> 01:00:39,760

in the sixth sense sharing alien girl's

1473

01:00:45,109 --> 01:00:42,559

website remember she does have a uh

1474

01:00:48,150 --> 01:00:45,119

just search aliengirl111 on youtube

1475

01:00:50,309 --> 01:00:48,160

subscribe to her channel that would uh

1476

01:00:51,829 --> 01:00:50,319

good if you if you like this stuff

1477

01:00:53,190 --> 01:00:51,839

you'll love her channel they have a lot

1478

01:00:55,589 --> 01:00:53,200

of fun over there

1479

01:00:59,270 --> 01:00:55,599

uh i'm hoping that i'm gonna i'm gonna

1480

01:01:00,789 --> 01:00:59,280

be a guest there eventually soon i think

1481

01:01:02,789 --> 01:01:00,799

i have to uh

1482

01:01:03,750 --> 01:01:02,799

i think we have to work it out

1483

01:01:06,069 --> 01:01:03,760

right

1484

01:01:07,030 --> 01:01:06,079

alien girl i think so maybe next week

1485

01:01:08,789 --> 01:01:07,040

right

1486

01:01:10,470 --> 01:01:08,799

cosmic neighbors is here with the kind

1487

01:01:11,589 --> 01:01:10,480

and generous five dollar super sticker

1488

01:01:13,510 --> 01:01:11,599

thank you for your kindness your

1489

01:01:15,750 --> 01:01:13,520

generosity and your support

1490

01:01:17,829 --> 01:01:15,760

uh ron from cosmic neighbors is also

1491

01:01:20,069 --> 01:01:17,839

doing a great job so look up cosmic

1492

01:01:22,230 --> 01:01:20,079

neighbors on youtube go over there and

1493

01:01:24,470 --> 01:01:22,240

subscribe you'll be glad that you did

1494

01:01:27,430 --> 01:01:24,480

he's got a very balanced and rational

1495

01:01:30,230 --> 01:01:27,440

approach to his interest in these

1496

01:01:32,150 --> 01:01:30,240

esoteric topics and i for one find that

1497

01:01:33,910 --> 01:01:32,160

refreshing right

1498

01:01:35,910 --> 01:01:33,920

and uh

1499

01:01:38,950 --> 01:01:35,920

thank you for your kindness every dollar

1500

01:01:41,190 --> 01:01:38,960

really does help the show we uh i'm

1501
01:01:43,270 --> 01:01:41,200
finally doing it this week i have a ton

1502
01:01:44,870 --> 01:01:43,280
of studio upgrades you may notice some

1503
01:01:48,230 --> 01:01:44,880
new lights here

1504
01:01:51,109 --> 01:01:48,240
um we're still trying to cheat uh an

1505
01:01:53,349 --> 01:01:51,119
animated background here because stream

1506
01:01:54,470 --> 01:01:53,359
yard won't do it for us with the green

1507
01:01:56,309 --> 01:01:54,480
screen

1508
01:01:57,990 --> 01:01:56,319
but i've got a bunch of new lights new

1509
01:02:00,150 --> 01:01:58,000
backdrops this backdrop believe it or

1510
01:02:01,910 --> 01:02:00,160
not looks terrible

1511
01:02:03,510 --> 01:02:01,920
which is one of the weak reasons that i

1512
01:02:05,029 --> 01:02:03,520
keep it so dark in here it looks

1513
01:02:06,950 --> 01:02:05,039

terrible because it was right by the

1514

01:02:08,309 --> 01:02:06,960

window and the window was open and it

1515

01:02:10,069 --> 01:02:08,319

got all wet

1516

01:02:13,029 --> 01:02:10,079

and and anyway

1517

01:02:16,230 --> 01:02:13,039

got a new one bigger one to hang and

1518

01:02:18,710 --> 01:02:16,240

i've got all these studio upgrades to do

1519

01:02:19,430 --> 01:02:18,720

that i have been procrastinating on

1520

01:02:21,430 --> 01:02:19,440

we

1521

01:02:23,029 --> 01:02:21,440

added a mixer but then it turned out

1522

01:02:24,950 --> 01:02:23,039

that wasn't really

1523

01:02:27,190 --> 01:02:24,960

suitable for our purposes so that's

1524

01:02:29,670 --> 01:02:27,200

gotta be moved and go somewhere else

1525

01:02:32,829 --> 01:02:29,680

we've got new backdrops new lights

1526

01:02:35,670 --> 01:02:32,839

i've got new webcams and

1527

01:02:37,430 --> 01:02:35,680

new mounts for the webcams and we're

1528

01:02:38,950 --> 01:02:37,440

going to this multi-camera setup

1529

01:02:40,309 --> 01:02:38,960

eventually so

1530

01:02:43,990 --> 01:02:40,319

thank you all for kindness your

1531

01:02:47,589 --> 01:02:45,029

uh

1532

01:02:50,630 --> 01:02:47,599

v what personal story did you want me to

1533

01:02:52,789 --> 01:02:50,640

share my own encounter uh is i've

1534

01:02:53,829 --> 01:02:52,799

already told the story

1535

01:02:56,470 --> 01:02:53,839

and i

1536

01:02:58,950 --> 01:02:56,480

rather not continually repeat myself for

1537

01:03:01,109 --> 01:02:58,960

those interested you can look for

1538

01:03:03,349 --> 01:03:01,119

my old channel the stephen champion

1539

01:03:05,589 --> 01:03:03,359

channel and there's a video there titled

1540

01:03:06,630 --> 01:03:05,599

encounter in the forest which tells my

1541

01:03:09,750 --> 01:03:06,640

personal

1542

01:03:11,829 --> 01:03:09,760

story of experiencing a ufo event

1543

01:03:14,150 --> 01:03:11,839

uh when i was a child and that my

1544

01:03:15,589 --> 01:03:14,160

friends is what got me started down this

1545

01:03:17,990 --> 01:03:15,599

rabbit hole

1546

01:03:20,230 --> 01:03:18,000

and uh to this day i'm not sure if i'm

1547

01:03:22,150 --> 01:03:20,240

thankful for that experience v or if i

1548

01:03:24,069 --> 01:03:22,160

hate that i had that experience because

1549

01:03:26,230 --> 01:03:24,079

if i think about all of the

1550

01:03:29,750 --> 01:03:26,240

hundreds and thousands of hours i have

1551

01:03:32,390 --> 01:03:29,760

put into uh researching this topic

1552

01:03:35,829 --> 01:03:32,400

you know i could have built a house

1553

01:03:37,750 --> 01:03:35,839

or something else with all of that time

1554

01:03:39,910 --> 01:03:37,760

um

1555

01:03:42,069 --> 01:03:39,920

lead guy says stephen we are we going to

1556

01:03:45,190 --> 01:03:42,079

have multiple camera angles yes yes

1557

01:03:47,589 --> 01:03:45,200

we're going to have at least uh

1558

01:03:49,750 --> 01:03:47,599

one two three

1559

01:03:51,109 --> 01:03:49,760

we're gonna have at least five cameras

1560

01:03:52,710 --> 01:03:51,119

here

1561

01:03:55,190 --> 01:03:52,720

uh

1562

01:03:56,710 --> 01:03:55,200

and there's reason that we're doing that

1563

01:03:58,789 --> 01:03:56,720

um

1564

01:04:02,230 --> 01:03:58,799

it's a long story but you know i have

1565

01:04:05,430 --> 01:04:02,240

this idea that we could also uh have

1566

01:04:08,870 --> 01:04:05,440

real guests here in the studio in person

1567

01:04:11,109 --> 01:04:08,880

imagine that i feel like the pandemics

1568

01:04:15,829 --> 01:04:11,119

hopefully winding down and people feel

1569

01:04:18,710 --> 01:04:15,839

safer and are safer to you know not

1570

01:04:19,910 --> 01:04:18,720

to meet together in person so

1571

01:04:20,950 --> 01:04:19,920

we may

1572

01:04:24,390 --> 01:04:20,960

uh

1573

01:04:25,750 --> 01:04:24,400

we may be having in studio guests and in

1574

01:04:28,150 --> 01:04:25,760

order to do that i either have to

1575

01:04:30,549 --> 01:04:28,160

rearrange everything right here

1576

01:04:31,990 --> 01:04:30,559

you know and move the cameras back or i

1577

01:04:33,750 --> 01:04:32,000

could just have multiple cameras and

1578

01:04:35,750 --> 01:04:33,760

multiple setups so that if we do have a

1579

01:04:37,750 --> 01:04:35,760

guess we can quickly just adjust and say

1580

01:04:38,870 --> 01:04:37,760

okay we'll use camera two for this

1581

01:04:40,390 --> 01:04:38,880

shower

1582

01:04:41,990 --> 01:04:40,400

we're not so much going to be doing that

1583

01:04:44,549 --> 01:04:42,000

david wilcock thing where we're just

1584

01:04:45,990 --> 01:04:44,559

changing camera angles every two minutes

1585

01:04:47,829 --> 01:04:46,000

for our ego

1586

01:04:51,349 --> 01:04:47,839

you know there's a practical purpose

1587

01:04:52,789 --> 01:04:51,359

behind me doing that right

1588

01:04:55,190 --> 01:04:52,799

yes i did

1589

01:04:57,190 --> 01:04:55,200

that we face moretz did you have any

1590

01:04:58,950 --> 01:04:57,200

vivid dreams after that experience yes i

1591

01:05:02,069 --> 01:04:58,960

dreamed of it over and over and over

1592

01:05:03,510 --> 01:05:02,079

again and it would wake me up in a jerk

1593

01:05:06,710 --> 01:05:03,520

like a nightmare

1594

01:05:09,990 --> 01:05:06,720

um and in the dreams it was like things

1595

01:05:11,829 --> 01:05:10,000

went further than just me seeing the ufo

1596

01:05:13,910 --> 01:05:11,839

you know like uh

1597

01:05:15,589 --> 01:05:13,920

it's hard to describe but like i i had

1598

01:05:17,589 --> 01:05:15,599

the sensation in the dreams of being

1599

01:05:19,190 --> 01:05:17,599

chased by the ufo

1600

01:05:21,029 --> 01:05:19,200

where that didn't happen in my real

1601
01:05:23,589 --> 01:05:21,039
world experience just

1602
01:05:24,549 --> 01:05:23,599
slowly hovered overhead and then darted

1603
01:05:26,950 --> 01:05:24,559
off

1604
01:05:29,510 --> 01:05:26,960
above the tree lines

1605
01:05:32,230 --> 01:05:29,520
um but in my dreams it was like i was

1606
01:05:34,870 --> 01:05:32,240
running through the woods and

1607
01:05:37,109 --> 01:05:34,880
something was chasing me and and i

1608
01:05:38,870 --> 01:05:37,119
believe in it was the ufo that was

1609
01:05:41,349 --> 01:05:38,880
chasing me and then i would like

1610
01:05:42,870 --> 01:05:41,359
fall off a cliff or fall down and wake

1611
01:05:45,109 --> 01:05:42,880
up at a jerk

1612
01:05:47,990 --> 01:05:45,119
and that happened

1613
01:05:50,309 --> 01:05:48,000

probably for years at least a few years

1614

01:05:53,270 --> 01:05:50,319

i had those vivid dreams and sometimes

1615

01:05:57,589 --> 01:05:53,280

it was just of the experience again and

1616

01:05:59,829 --> 01:05:57,599

not any any added bits or pieces

1617

01:06:01,190 --> 01:05:59,839

you know i've thought about many times

1618

01:06:03,589 --> 01:06:01,200

thought about having a hypnotic

1619

01:06:06,069 --> 01:06:03,599

regression but i'm a little skeptical of

1620

01:06:07,750 --> 01:06:06,079

that and i don't after so many years

1621

01:06:09,109 --> 01:06:07,760

especially i don't think there's any

1622

01:06:12,789 --> 01:06:09,119

additional

1623

01:06:15,910 --> 01:06:12,799

um details that could be gained from

1624

01:06:17,910 --> 01:06:15,920

having a hypnotic regression

1625

01:06:20,230 --> 01:06:17,920

andy curtis says me too i just sub to

1626
01:06:21,670 --> 01:06:20,240
cosmic neighbors yeah i'm fine with all

1627
01:06:23,510 --> 01:06:21,680
you guys subscribing to all these other

1628
01:06:25,430 --> 01:06:23,520
channels but you better still come here

1629
01:06:27,829 --> 01:06:25,440
right

1630
01:06:30,710 --> 01:06:27,839
now i believe that a rising tide raises

1631
01:06:33,270 --> 01:06:30,720
all ships and if i can help others get

1632
01:06:34,390 --> 01:06:33,280
their numbers up uh maybe others will

1633
01:06:35,510 --> 01:06:34,400
help me

1634
01:06:37,589 --> 01:06:35,520
get

1635
01:06:38,789 --> 01:06:37,599
our numbers up uh and speaking of that

1636
01:06:40,549 --> 01:06:38,799
tomorrow

1637
01:06:42,069 --> 01:06:40,559
i can't believe that it's actually a

1638
01:06:44,950 --> 01:06:42,079

reality but tomorrow we're gonna have

1639

01:06:48,069 --> 01:06:44,960

ian crossland from tim cast irl the

1640

01:06:50,309 --> 01:06:48,079

co-producer and co-host of timcast irl

1641

01:06:51,430 --> 01:06:50,319

they have over a million subscribers so

1642

01:06:53,270 --> 01:06:51,440

tomorrow we're going to have ian

1643

01:06:54,390 --> 01:06:53,280

crossland here talking about the federal

1644

01:06:56,069 --> 01:06:54,400

reserve

1645

01:06:57,750 --> 01:06:56,079

and i can't wait and for those who don't

1646

01:07:00,789 --> 01:06:57,760

know it's kind of a running joke if you

1647

01:07:03,190 --> 01:07:00,799

watch tim cast irl that ian crossland

1648

01:07:04,549 --> 01:07:03,200

will bring up the federal reserve

1649

01:07:06,710 --> 01:07:04,559

and then he'll start talking and then

1650

01:07:08,309 --> 01:07:06,720

they kind of you know

1651

01:07:10,230 --> 01:07:08,319

reel him back in

1652

01:07:11,990 --> 01:07:10,240

to stop talking about

1653

01:07:14,950 --> 01:07:12,000

the federal reserve and get back on the

1654

01:07:16,630 --> 01:07:14,960

major the main topic that evening but i

1655

01:07:19,029 --> 01:07:16,640

thought wow it would be great if i could

1656

01:07:20,789 --> 01:07:19,039

just finally hear everything that he has

1657

01:07:22,789 --> 01:07:20,799

all his thoughts on the federal reserve

1658

01:07:25,109 --> 01:07:22,799

and what it should be replaced with

1659

01:07:26,950 --> 01:07:25,119

and all of these things and certainly

1660

01:07:27,670 --> 01:07:26,960

i'm no expert but i've been reading up

1661

01:07:29,589 --> 01:07:27,680

and

1662

01:07:31,829 --> 01:07:29,599

if you don't know some of this stuff

1663

01:07:33,589 --> 01:07:31,839

about the federal reserve you should and

1664

01:07:36,309 --> 01:07:33,599

i'm glad that we get to do this tomorrow

1665

01:07:37,829 --> 01:07:36,319

as a public service as well

1666

01:07:39,510 --> 01:07:37,839

moody mongol says

1667

01:07:42,150 --> 01:07:39,520

stephen if you add

1668

01:07:44,470 --> 01:07:42,160

extra cam camera angles you will add a

1669

01:07:46,630 --> 01:07:44,480

90 degree chair swivel each time you

1670

01:07:48,230 --> 01:07:46,640

change camera view yeah i'm going to

1671

01:07:50,309 --> 01:07:48,240

have to do that really

1672

01:07:52,470 --> 01:07:50,319

go to this one over here this one over

1673

01:07:54,309 --> 01:07:52,480

here this one over here will look better

1674

01:07:55,589 --> 01:07:54,319

right that's basically what we're going

1675

01:07:57,910 --> 01:07:55,599

to have we're going gonna have side

1676

01:07:59,430 --> 01:07:57,920

cameras a front camera

1677

01:08:01,750 --> 01:07:59,440

maybe two

1678

01:08:03,430 --> 01:08:01,760

four five i don't know how many cameras

1679

01:08:05,029 --> 01:08:03,440

in total but i got a bunch of them in

1680

01:08:07,430 --> 01:08:05,039

boxes over here

1681

01:08:08,829 --> 01:08:07,440

and i got a bunch of extension

1682

01:08:11,109 --> 01:08:08,839

like usb

1683

01:08:12,069 --> 01:08:11,119

extensions because

1684

01:08:13,750 --> 01:08:12,079

um

1685

01:08:15,829 --> 01:08:13,760

oh i'm not going to get into the

1686

01:08:17,189 --> 01:08:15,839

technical side but yeah

1687

01:08:20,870 --> 01:08:17,199

i'm going to work on that tonight

1688

01:08:24,870 --> 01:08:22,630

cosmic neighbor says

1689

01:08:28,229 --> 01:08:24,880

i can't live stream because steven is on

1690

01:08:30,630 --> 01:08:28,239

live 22 hours a day hey listen we just

1691

01:08:32,630 --> 01:08:30,640

recently ron picked up our

1692

01:08:35,030 --> 01:08:32,640

our schedule tremendously i used to only

1693

01:08:36,630 --> 01:08:35,040

do two or three shows a week and that's

1694

01:08:39,510 --> 01:08:36,640

it right

1695

01:08:41,669 --> 01:08:39,520

uh

1696

01:08:43,590 --> 01:08:41,679

yeah and many people subscribing over to

1697

01:08:45,910 --> 01:08:43,600

alien girls channel and cosmic neighbors

1698

01:08:46,950 --> 01:08:45,920

channel happy to see that happy to see

1699

01:08:47,990 --> 01:08:46,960

that

1700

01:08:50,390 --> 01:08:48,000

yeah

1701

01:08:52,149 --> 01:08:50,400

changing the camera too

1702

01:08:56,709 --> 01:08:52,159

yes we're gonna have to work on that

1703

01:09:00,229 --> 01:08:58,630

have a drone fly over too maybe i should

1704

01:09:01,110 --> 01:09:00,239

have a drone with a camera on it and i

1705

01:09:02,950 --> 01:09:01,120

could just

1706

01:09:05,110 --> 01:09:02,960

i could program it to just fly in a

1707

01:09:12,149 --> 01:09:05,120

circle right and we could put that up

1708

01:09:15,110 --> 01:09:13,669

you're doing great stephen seriously

1709

01:09:18,829 --> 01:09:15,120

that's awesome

1710

01:09:20,709 --> 01:09:18,839

yeah and spooky wants you to subscribe

1711

01:09:23,110 --> 01:09:20,719

to

1712

01:09:24,390 --> 01:09:23,120

out of contact cw channel even though i

1713

01:09:26,630 --> 01:09:24,400

think she should start a new channel

1714

01:09:29,030 --> 01:09:26,640

adam contacts truth seekers

1715

01:09:31,110 --> 01:09:29,040

uh but you know

1716

01:09:33,669 --> 01:09:31,120

actually we're gonna i forgot to play

1717

01:09:34,870 --> 01:09:33,679

that video kari i'm gonna i'm gonna get

1718

01:09:36,309 --> 01:09:34,880

it

1719

01:09:38,070 --> 01:09:36,319

we're gonna play this video which i

1720

01:09:40,309 --> 01:09:38,080

think is funny instead of taking a

1721

01:09:44,309 --> 01:09:40,319

musical break tonight

1722

01:09:46,870 --> 01:09:44,319

uh we are gonna take a out of context

1723

01:09:50,470 --> 01:09:46,880

cosmic disclosure break

1724

01:09:52,149 --> 01:09:50,480

because this is gold friends it is gold

1725

01:09:54,390 --> 01:09:52,159

and and i want to make sure that i share

1726

01:09:56,870 --> 01:09:54,400

it you can go over and

1727

01:10:00,390 --> 01:09:56,880

subscribe to out of context cw channel

1728

01:10:02,310 --> 01:10:00,400

that's kari's channel uh where

1729

01:10:04,790 --> 01:10:02,320

card does great work just mixing a bunch

1730

01:10:09,750 --> 01:10:06,550

it's pretty interesting

1731

01:10:12,390 --> 01:10:09,760

so we're going to cite fair use

1732

01:10:14,870 --> 01:10:12,400

this is fair use this is transformative

1733

01:10:16,630 --> 01:10:14,880

work we're educating the public

1734

01:10:19,750 --> 01:10:16,640

uh and

1735

01:10:21,990 --> 01:10:19,760

uh using this for educational purposes

1736

01:10:24,390 --> 01:10:22,000

to educate people about how ridiculous

1737

01:10:26,950 --> 01:10:24,400

david wilcock and corey good and their

1738

01:10:28,830 --> 01:10:26,960

fake fairy tale stories are

1739

01:10:31,430 --> 01:10:28,840

anyway here we

1740

01:10:33,590 --> 01:10:31,440

go and i'm going to bounce out of here

1741

01:10:35,830 --> 01:10:33,600

while we play this actually

1742

01:10:37,990 --> 01:10:35,840

so uh i'm going to take a short break

1743

01:10:40,630 --> 01:10:38,000

we'll be back with more interaction with

1744

01:11:17,540 --> 01:10:40,640

the live chat when i return

1745

01:11:17,550 --> 01:11:21,750

[Music]

1746

01:11:26,470 --> 01:11:23,750

all right welcome to our show i'm david

1747

01:11:29,350 --> 01:11:26,480

wilcock and i'm here with the insider's

1748

01:11:31,590 --> 01:11:29,360

insider corey goode

1749

01:11:33,110 --> 01:11:31,600

so corey i've heard about these spheres

1750

01:11:34,870 --> 01:11:33,120

coming into our solar system from

1751

01:11:36,870 --> 01:11:34,880

several insiders

1752

01:11:39,270 --> 01:11:36,880

this is obviously a really

1753

01:11:41,270 --> 01:11:39,280

grandiose big deal

1754

01:11:43,430 --> 01:11:41,280

nobody thought anything of this size

1755

01:11:44,310 --> 01:11:43,440

would exist

1756

01:11:48,229 --> 01:11:44,320

they've

1757

01:11:51,830 --> 01:11:49,750

and

1758

01:11:54,630 --> 01:11:51,840

it turns out that

1759

01:11:57,110 --> 01:11:54,640

the secret space programs and even some

1760

01:11:58,420 --> 01:11:57,120

programs on earth in the

1761

01:12:00,229 --> 01:11:58,430

black ops programs

1762

01:12:04,149 --> 01:12:00,239

[Music]

1763

01:12:08,390 --> 01:12:06,950

region of space that we were entering in

1764

01:12:09,830 --> 01:12:08,400

the galaxy

1765

01:12:13,110 --> 01:12:09,840

and

1766

01:12:17,590 --> 01:12:16,470

what they had called super waves coming

1767

01:12:19,430 --> 01:12:17,600

towards

1768

01:12:25,590 --> 01:12:19,440

our solar system

1769

01:12:29,189 --> 01:12:27,830

changes in the sun and changes in all

1770

01:12:30,790 --> 01:12:29,199

the planets

1771

01:12:33,030 --> 01:12:30,800

occurring

1772

01:12:35,350 --> 01:12:33,040

since at least that time period if not

1773

01:12:37,030 --> 01:12:35,360

probably before did you ever get shown

1774

01:12:39,430 --> 01:12:37,040

what the matrix of spheres actually

1775

01:12:42,229 --> 01:12:39,440

looks like thousands of them do they

1776

01:12:44,470 --> 01:12:42,239

have a color or colors

1777

01:12:46,070 --> 01:12:44,480

indigo blue indigo another thing that

1778

01:12:48,390 --> 01:12:46,080

interests me is

1779

01:12:50,149 --> 01:12:48,400

if they're equidistantly spaced

1780

01:12:51,669 --> 01:12:50,159

you said that there's three sizes though

1781

01:12:53,189 --> 01:12:51,679

there's the moon there's neptune in

1782

01:12:54,870 --> 01:12:53,199

jupiter

1783

01:12:56,950 --> 01:12:54,880

is it that the bigger ones are closer to

1784

01:12:58,310 --> 01:12:56,960

the sun to absorb more energy or is

1785

01:12:59,990 --> 01:12:58,320

there a reason why there's different

1786

01:13:01,030 --> 01:13:00,000

sizes if they're all in the same spacing

1787

01:13:02,390 --> 01:13:01,040

of each other

1788

01:13:05,189 --> 01:13:02,400

i don't

1789

01:13:08,390 --> 01:13:05,199

know why you know this is me speculating

1790

01:13:09,750 --> 01:13:08,400

you know that she's speculating

1791

01:13:12,630 --> 01:13:09,760

that some sort of has some sort of

1792

01:13:15,030 --> 01:13:12,640

resonance purpose was there any evidence

1793

01:13:16,229 --> 01:13:15,040

that these sphere beings had ever even

1794

01:13:18,630 --> 01:13:16,239

tried

1795

01:13:20,790 --> 01:13:18,640

to contact our government at any time in

1796

01:13:21,830 --> 01:13:20,800

our recent history before when they just

1797

01:13:24,870 --> 01:13:21,840

showed up

1798

01:13:26,390 --> 01:13:24,880

recently not directly that i know of

1799

01:13:29,270 --> 01:13:26,400

could we just double click on that and

1800

01:13:31,510 --> 01:13:29,280

get a little more into that message

1801

01:13:34,790 --> 01:13:31,520

um i wouldn't go as far to speculate

1802

01:13:36,550 --> 01:13:34,800

that they are one of the two

1803

01:13:39,189 --> 01:13:36,560

sphere beings that haven't presented

1804

01:13:41,110 --> 01:13:39,199

themselves who who were these people

1805

01:13:41,830 --> 01:13:41,120

that showed up in the 1950s that said

1806

01:13:44,630 --> 01:13:41,840

this

1807

01:13:47,910 --> 01:13:44,640

i had no idea they wanted to have more

1808

01:13:51,750 --> 01:13:47,920

power and more weapons more technology

1809

01:13:54,960 --> 01:13:54,149

some reason why they chose the avian

1810

01:13:57,110 --> 01:13:54,970

form

1811

01:13:58,950 --> 01:13:57,120

[Music]

1812

01:14:00,470 --> 01:13:58,960

i have no idea why they chose the form

1813

01:14:03,110 --> 01:14:00,480

they did did they tell you that they

1814

01:14:05,350 --> 01:14:03,120

don't need to be in that form yes

1815

01:14:10,310 --> 01:14:05,360

they can

1816

01:14:10,320 --> 01:14:15,450

consciousness just by thinking it so

1817

01:14:20,870 --> 01:14:19,350

[Music]

1818

01:14:23,030 --> 01:14:20,880

you said that when you had the

1819

01:14:24,870 --> 01:14:23,040

delegation the first meeting where you

1820

01:14:26,229 --> 01:14:24,880

spoke on their behalf

1821

01:14:27,189 --> 01:14:26,239

that they just appeared in the room

1822

01:14:29,270 --> 01:14:27,199

behind you

1823

01:14:31,669 --> 01:14:29,280

no normally there's some sort of

1824

01:14:33,430 --> 01:14:31,679

technology involved so

1825

01:14:36,070 --> 01:14:33,440

obviously

1826

01:14:38,630 --> 01:14:36,080

we're in a tangled area because they've

1827

01:14:40,870 --> 01:14:38,640

chosen you as a messenger and

1828

01:14:43,430 --> 01:14:40,880

clearly you're not an average guy you've

1829

01:14:45,030 --> 01:14:43,440

had this happen your whole life

1830

01:14:49,590 --> 01:14:45,040

when i found out it was a shared

1831

01:14:52,149 --> 01:14:49,600

experience with other people and

1832

01:14:54,310 --> 01:14:52,159

spoke with uh

1833

01:14:56,709 --> 01:14:54,320

who we call gonzalez who's been in

1834

01:14:57,910 --> 01:14:56,719

contact with them as much as i have

1835

01:15:02,630 --> 01:14:57,920

and

1836

01:15:04,870 --> 01:15:02,640

to him about me

1837

01:15:07,590 --> 01:15:04,880

you know it was

1838

01:15:08,950 --> 01:15:07,600

definitely a real experience when

1839

01:15:10,709 --> 01:15:08,960

they're talking with

1840

01:15:13,189 --> 01:15:10,719

members of the secret space program

1841

01:15:15,750 --> 01:15:13,199

alliance and they come and pick me up in

1842

01:15:17,430 --> 01:15:15,760

a physical craft and take me up to a

1843

01:15:19,030 --> 01:15:17,440

physical location

1844

01:15:21,110 --> 01:15:19,040

and

1845

01:15:23,430 --> 01:15:21,120

i'm having conversations with real

1846

01:15:24,550 --> 01:15:23,440

physical people

1847

01:15:25,990 --> 01:15:24,560

so

1848

01:15:28,470 --> 01:15:26,000

it's not like

1849

01:15:31,110 --> 01:15:28,480

i i don't channel

1850

01:15:33,590 --> 01:15:31,120

meditating

1851

01:15:35,510 --> 01:15:33,600

and what will that do

1852

01:15:36,550 --> 01:15:35,520

it will change the world one person at a

1853

01:15:39,350 --> 01:15:36,560

time

1854

01:15:42,149 --> 01:15:39,360

that's right being yourself

1855

01:15:44,470 --> 01:15:42,159

well it's a real honor to be able to get

1856

01:15:46,550 --> 01:15:44,480

this message out through you i've been

1857

01:15:47,910 --> 01:15:46,560

saying the same thing for a long time

1858

01:15:48,870 --> 01:15:47,920

but it's nice to hear it from somebody

1859

01:15:50,709 --> 01:15:48,880

else so

1860

01:15:53,510 --> 01:15:50,719

i hope you've been enjoying this uh i'm

1861

01:15:55,830 --> 01:15:53,520

david wilcock i'm here with corey goode

1862

01:15:57,830 --> 01:15:55,840

and we have barely even scratched the

1863

01:15:59,510 --> 01:15:57,840

surface of all the detail

1864

01:16:03,040 --> 01:15:59,520

of what you know from the space programs

1865

01:16:13,750 --> 01:16:03,050

we wanted to get into the message early

1866

01:16:18,709 --> 01:16:16,550

way to highlight the ridiculousness

1867

01:16:24,470 --> 01:16:18,719

yeah uh

1868

01:16:28,470 --> 01:16:25,990

yeah zach let me check though just to

1869

01:16:30,870 --> 01:16:28,480

make sure i'm gonna i i thought it was

1870

01:16:31,990 --> 01:16:30,880

called pre-op let me just check

1871

01:16:43,910 --> 01:16:32,000

i don't want it i don't want to be

1872

01:16:48,390 --> 01:16:46,630

yeah uh so they released that i i should

1873

01:16:49,510 --> 01:16:48,400

mention that they released this album

1874

01:16:51,430 --> 01:16:49,520

zach

1875

01:16:52,550 --> 01:16:51,440

and and they called it the pre-op

1876
01:16:55,910 --> 01:16:52,560
version

1877
01:16:58,310 --> 01:16:55,920
playing um

1878
01:16:59,189 --> 01:16:58,320
is the pre-op version and what they did

1879
01:17:04,470 --> 01:16:59,199
is

1880
01:17:05,669 --> 01:17:04,480
thing called the pre-op version

1881
01:17:09,030 --> 01:17:05,679
and

1882
01:17:12,149 --> 01:17:09,040
synthesizers added to it was really just

1883
01:17:15,270 --> 01:17:12,159
like a straight ahead rock band album

1884
01:17:17,350 --> 01:17:15,280
um that they did and then later

1885
01:17:19,990 --> 01:17:17,360
they did the same album

1886
01:17:22,390 --> 01:17:20,000
but with tons of synthesizers and

1887
01:17:24,470 --> 01:17:22,400
electronics and that was

1888
01:17:26,070 --> 01:17:24,480

called post-op

1889

01:17:28,630 --> 01:17:26,080

which is an interesting way to make a

1890

01:17:30,950 --> 01:17:28,640

record i think is to start it as just a

1891

01:17:33,270 --> 01:17:30,960

straight ahead rock band so yeah pre-op

1892

01:17:35,030 --> 01:17:33,280

and post-op

1893

01:17:36,630 --> 01:17:35,040

um yeah

1894

01:17:37,750 --> 01:17:36,640

we're etched in blood i think they

1895

01:17:39,830 --> 01:17:37,760

called it but

1896

01:17:41,830 --> 01:17:39,840

the fans called it post-op

1897

01:17:43,189 --> 01:17:41,840

because it was the same album but redone

1898

01:17:45,830 --> 01:17:43,199

right

1899

01:17:48,229 --> 01:17:45,840

and uh very interesting i'm friends with

1900

01:17:50,149 --> 01:17:48,239

walter flakus a little bit and i was

1901

01:17:52,070 --> 01:17:50,159

friends with christopher hall the singer

1902

01:17:54,229 --> 01:17:52,080

for a while while he was still on

1903

01:17:56,630 --> 01:17:54,239

facebook but then

1904

01:17:58,229 --> 01:17:56,640

and i don't blame him he sort of ghosted

1905

01:17:59,510 --> 01:17:58,239

himself from social media there was a

1906

01:18:01,030 --> 01:17:59,520

time when christopher hall from the

1907

01:18:03,990 --> 01:18:01,040

stabbing westward

1908

01:18:06,070 --> 01:18:04,000

was on facebook and twitter and and he

1909

01:18:07,590 --> 01:18:06,080

responded to everyone like people you

1910

01:18:08,790 --> 01:18:07,600

could message him and he would message

1911

01:18:11,510 --> 01:18:08,800

you back

1912

01:18:13,750 --> 01:18:11,520

um but he's since sort of pulled back

1913

01:18:16,229 --> 01:18:13,760

and disappeared from social media and i

1914

01:18:18,070 --> 01:18:16,239

can't say that i blame him um i heard

1915

01:18:19,830 --> 01:18:18,080

from others that it would take him 12

1916

01:18:21,430 --> 01:18:19,840

hours a day to read everybody's messages

1917

01:18:23,590 --> 01:18:21,440

and reply

1918

01:18:24,709 --> 01:18:23,600

and he was real big on replying to

1919

01:18:26,709 --> 01:18:24,719

everybody

1920

01:18:29,910 --> 01:18:26,719

so or it could take him that long you

1921

01:18:32,950 --> 01:18:29,920

know if if he went through every message

1922

01:18:34,870 --> 01:18:32,960

no but anyway interesting guy one of my

1923

01:18:36,470 --> 01:18:34,880

these these two guys christopher and

1924

01:18:37,990 --> 01:18:36,480

walter flakes were two of my heroes

1925

01:18:39,430 --> 01:18:38,000

growing up and it was great to get to

1926

01:18:42,550 --> 01:18:39,440

know them a little bit i still talk to

1927

01:18:43,830 --> 01:18:42,560

walter occasionally who's a rock dj

1928

01:18:46,149 --> 01:18:43,840

right now

1929

01:18:47,510 --> 01:18:46,159

uh as well as other things but they're

1930

01:18:49,110 --> 01:18:47,520

working on a

1931

01:18:51,910 --> 01:18:49,120

new stabbing westward album which will

1932

01:18:54,229 --> 01:18:51,920

be out shortly

1933

01:18:56,470 --> 01:18:54,239

yes and the sixth sense reminding people

1934

01:18:58,709 --> 01:18:56,480

the true seekers audio podcast link are

1935

01:19:00,550 --> 01:18:58,719

on speaker i want to remind everybody

1936

01:19:02,550 --> 01:19:00,560

that is listening in audio podcast lane

1937

01:19:04,870 --> 01:19:02,560

that you're missing half the fun please

1938

01:19:06,950 --> 01:19:04,880

do come over to youtube put truth

1939

01:19:08,709 --> 01:19:06,960

seekers in the search bar

1940

01:19:10,070 --> 01:19:08,719

and look for the guy with sunglasses

1941

01:19:12,390 --> 01:19:10,080

that would be me your host stephen

1942

01:19:14,550 --> 01:19:12,400

campbeen smash that subscribe button hit

1943

01:19:16,550 --> 01:19:14,560

that notification bell and you too can

1944

01:19:17,669 --> 01:19:16,560

come here and take part in our live

1945

01:19:20,390 --> 01:19:17,679

tapings

1946

01:19:22,470 --> 01:19:20,400

which are all recorded live here on

1947

01:19:24,630 --> 01:19:22,480

youtube with the benefit of the live

1948

01:19:25,750 --> 01:19:24,640

chat and all of the interaction of the

1949

01:19:28,310 --> 01:19:25,760

live chat

1950

01:19:30,470 --> 01:19:28,320

we have a great community here i and you

1951

01:19:33,830 --> 01:19:30,480

are most welcome to join us for the live

1952

01:19:35,590 --> 01:19:33,840

tapings i hope that you do that

1953

01:19:37,430 --> 01:19:35,600

moody mongol says another thing david

1954

01:19:40,070 --> 01:19:37,440

wilcock does when he gets low on money

1955

01:19:41,510 --> 01:19:40,080

he rents out his forehead as advertising

1956

01:19:43,990 --> 01:19:41,520

space uh

1957

01:19:47,350 --> 01:19:44,000

the forehead jokes never get old here

1958

01:19:51,990 --> 01:19:50,070

gobstopper here we go again says anytime

1959

01:19:53,110 --> 01:19:52,000

but not before head

1960

01:19:56,070 --> 01:19:53,120

yeah

1961

01:19:57,669 --> 01:19:56,080

v says i cut all my hair off really

1962

01:19:59,189 --> 01:19:57,679

that's interesting what did you get like

1963

01:20:00,630 --> 01:19:59,199

a pixie cut

1964

01:20:01,990 --> 01:20:00,640

my wife's always saying she's gonna do

1965

01:20:07,270 --> 01:20:02,000

that but i don't think i would like it

1966

01:20:10,390 --> 01:20:09,110

friend 72 is here it says happy

1967

01:20:13,590 --> 01:20:10,400

halloween

1968

01:20:16,070 --> 01:20:13,600

truth seekers like subscribe and share

1969

01:20:17,510 --> 01:20:16,080

yeah uh that is the other way the other

1970

01:20:19,270 --> 01:20:17,520

way in

1971

01:20:21,270 --> 01:20:19,280

if you if you don't want to throw money

1972

01:20:24,229 --> 01:20:21,280

at me the other way that you can help

1973

01:20:26,709 --> 01:20:24,239

our show here is to like

1974

01:20:28,310 --> 01:20:26,719

like comment subscribe and share share

1975

01:20:30,390 --> 01:20:28,320

these videos on your social media put

1976

01:20:33,030 --> 01:20:30,400

them on your twitter on your facebook

1977

01:20:35,910 --> 01:20:33,040

on your instagram it really does help us

1978

01:20:38,550 --> 01:20:35,920

to get more people to find out about our

1979

01:20:41,270 --> 01:20:38,560

show here and come be a part of it and i

1980

01:20:43,910 --> 01:20:41,280

appreciate and do i see you people on

1981

01:20:46,870 --> 01:20:43,920

twitter that are retweeting the shows or

1982

01:20:49,430 --> 01:20:46,880

posting the shows i see you people on

1983

01:20:51,350 --> 01:20:49,440

facebook who are doing it and you have

1984

01:20:52,709 --> 01:20:51,360

my thanks and gratitude it really does

1985

01:20:58,310 --> 01:20:52,719

help

1986

01:20:59,189 --> 01:20:58,320

favor in us and praise the ai algorithm

1987

01:21:01,910 --> 01:20:59,199

god

1988

01:21:04,229 --> 01:21:01,920

please find favor in us and

1989

01:21:06,470 --> 01:21:04,239

help us rise in the search engines help

1990

01:21:09,750 --> 01:21:06,480

us find more subscribers and more

1991

01:21:12,550 --> 01:21:09,760

viewers in google's name we pray amen

1992

01:21:14,550 --> 01:21:12,560

every day i say a prayer to that google

1993

01:21:17,350 --> 01:21:14,560

ai algorithm because my life is in its

1994

01:21:18,470 --> 01:21:17,360

hands if it finds favor in us the show

1995

01:21:23,270 --> 01:21:18,480

does well

1996

01:21:27,270 --> 01:21:25,270

so i'll take a little bit more time to

1997

01:21:28,790 --> 01:21:27,280

interact with the live chat any comments

1998

01:21:30,550 --> 01:21:28,800

or questions for me please put them in

1999

01:21:32,950 --> 01:21:30,560

all capital letters otherwise we're

2000

01:21:34,629 --> 01:21:32,960

going to be bouncing on out of here and

2001

01:21:36,390 --> 01:21:34,639

i think i'm going to go read my

2002

01:21:39,590 --> 01:21:36,400

children's candy which is a grand

2003

01:21:41,350 --> 01:21:39,600

tradition in my family

2004

01:21:42,950 --> 01:21:41,360

my dad used to get all the reese's

2005

01:21:44,709 --> 01:21:42,960

peanut butter cups

2006

01:21:46,470 --> 01:21:44,719

he really loved them he would sit with a

2007

01:21:49,189 --> 01:21:46,480

big glass of milk and he could eat ten

2008

01:21:51,510 --> 01:21:49,199

of them he was a big guy uh

2009

01:21:54,550 --> 01:21:51,520

you know uh

2010

01:21:56,629 --> 01:21:54,560

i used to but lucky for me i lucky i

2011

01:21:58,310 --> 01:21:56,639

didn't like i'm not a big fan of reese's

2012

01:22:00,870 --> 01:21:58,320

peanut butter cups i'm more of a just

2013

01:22:02,390 --> 01:22:00,880

straight chocolate guy right so i

2014

01:22:04,149 --> 01:22:02,400

wouldn't mind him taking them but it was

2015

01:22:06,149 --> 01:22:04,159

funny every year

2016

01:22:08,550 --> 01:22:06,159

my brother would hide his before he got

2017

01:22:13,830 --> 01:22:11,110

so i may raid my kids candy because i

2018

01:22:15,910 --> 01:22:13,840

saw some twix bars and some kitkats and

2019

01:22:17,270 --> 01:22:15,920

some hershey bars with almonds

2020

01:22:19,830 --> 01:22:17,280

and my favorite candy bar is probably

2021

01:22:22,870 --> 01:22:19,840

hershey bar with almonds so they may be

2022

01:22:24,709 --> 01:22:22,880

a few hershey bars with almonds short

2023

01:22:25,590 --> 01:22:24,719

tomorrow when they wake up

2024

01:22:28,390 --> 01:22:25,600

right

2025

01:22:30,390 --> 01:22:28,400

hey it's it's halloween what's halloween

2026

01:22:33,990 --> 01:22:30,400

without a little bit of uh

2027

01:22:37,430 --> 01:22:35,669

yes yeah

2028

01:22:40,149 --> 01:22:37,440

yeah my wife worries about the kid's

2029

01:22:42,870 --> 01:22:40,159

teeth and my poor dog my poor little dog

2030

01:22:44,070 --> 01:22:42,880

baxter just got a bunch of teeth pulled

2031

01:22:46,229 --> 01:22:44,080

because they were

2032

01:22:49,430 --> 01:22:46,239

like he had really bad teeth that breed

2033

01:22:50,390 --> 01:22:49,440

of uh dog i believe he's a toy yorkie

2034

01:22:52,149 --> 01:22:50,400

as

2035

01:22:54,790 --> 01:22:52,159

one of the things that they have is bad

2036

01:22:57,830 --> 01:22:54,800

teeth as they get older so

2037

01:23:01,830 --> 01:23:00,310

it's just it was sad because now he's uh

2038

01:23:03,510 --> 01:23:01,840

he's doing better this was a couple of

2039

01:23:04,950 --> 01:23:03,520

days ago he had to have surgery they

2040

01:23:06,470 --> 01:23:04,960

kind of put him out and pulled a bunch

2041

01:23:07,990 --> 01:23:06,480

of his teeth

2042

01:23:10,470 --> 01:23:08,000

um

2043

01:23:11,830 --> 01:23:10,480

yeah so my wife

2044

01:23:14,390 --> 01:23:11,840

worried about the dog's teeth worried

2045

01:23:15,830 --> 01:23:14,400

about the children's teeth

2046

01:23:17,430 --> 01:23:15,840

ghostwriter says yeah thanks for the

2047

01:23:18,870 --> 01:23:17,440

show great stuff

2048

01:23:21,270 --> 01:23:18,880

um

2049

01:23:23,510 --> 01:23:21,280

doughy face moretz asks say steve is

2050

01:23:26,229 --> 01:23:23,520

there a ufo alien related event you find

2051

01:23:28,390 --> 01:23:26,239

credible yeah i i we did an extensive

2052

01:23:30,550 --> 01:23:28,400

series on roswell i'm very interested in

2053

01:23:33,030 --> 01:23:30,560

roswell because it seems like roswell

2054

01:23:34,950 --> 01:23:33,040

has the most information it could

2055

01:23:37,510 --> 01:23:34,960

if you start tomorrow it could literally

2056

01:23:39,830 --> 01:23:37,520

take you years to digest all the

2057

01:23:41,669 --> 01:23:39,840

documentaries all the books all the

2058

01:23:44,950 --> 01:23:41,679

articles written about roswell over the

2059

01:23:46,310 --> 01:23:44,960

years it's just a very data rich event

2060

01:23:49,750 --> 01:23:46,320

um

2061

01:23:53,669 --> 01:23:49,760

so i like roswell and i lean towards the

2062

01:23:57,270 --> 01:23:53,679

alien hypothesis or extraterrestrial

2063

01:23:59,830 --> 01:23:57,280

cause of roswell um mostly because of

2064

01:24:00,950 --> 01:23:59,840

the testimony of many of the family

2065

01:24:03,270 --> 01:24:00,960

members

2066

01:24:06,149 --> 01:24:03,280

who claim they saw aliens and alien

2067

01:24:08,390 --> 01:24:06,159

bodies and this is detailed best in the

2068

01:24:09,270 --> 01:24:08,400

book children of roswell

2069

01:24:12,310 --> 01:24:09,280

um

2070

01:24:14,310 --> 01:24:12,320

i've always found their

2071

01:24:16,149 --> 01:24:14,320

people on their deathbed

2072

01:24:17,750 --> 01:24:16,159

you know telling these stories to be

2073

01:24:19,270 --> 01:24:17,760

very credible why would people just

2074

01:24:21,270 --> 01:24:19,280

start making up stories about seeing

2075

01:24:23,510 --> 01:24:21,280

aliens on their deathbed

2076

01:24:25,910 --> 01:24:23,520

or when they're ready to die

2077

01:24:27,830 --> 01:24:25,920

it doesn't make any sense to me i also

2078

01:24:29,430 --> 01:24:27,840

am a big fan of the cash land room

2079

01:24:31,510 --> 01:24:29,440

incident because there was physical

2080

01:24:35,030 --> 01:24:31,520

effects these people clearly suffered

2081

01:24:36,550 --> 01:24:35,040

from some sort of radiation poisoning

2082

01:24:37,830 --> 01:24:36,560

and there's more

2083

01:24:39,910 --> 01:24:37,840

but uh

2084

01:24:42,070 --> 01:24:39,920

you know there's uh i do like the

2085

01:24:43,990 --> 01:24:42,080

randall forest case however as soon as

2086

01:24:46,229 --> 01:24:44,000

they started with these binary messages

2087

01:24:47,910 --> 01:24:46,239

i started thinking this story

2088

01:24:49,830 --> 01:24:47,920

might not be credible

2089

01:24:51,510 --> 01:24:49,840

uh but there's many witnesses to it so i

2090

01:24:53,430 --> 01:24:51,520

find randallstrom to be very credible

2091

01:24:55,430 --> 01:24:53,440

but i think that maybe some people have

2092

01:24:59,189 --> 01:24:55,440

invented information

2093

01:25:02,229 --> 01:24:59,199

uh that they tacked on to the story

2094

01:25:04,470 --> 01:25:02,239

what other stories uh you know i do like

2095

01:25:07,350 --> 01:25:04,480

the uh

2096

01:25:09,830 --> 01:25:07,360

the story of the children that all saw

2097

01:25:13,510 --> 01:25:09,840

was that in africa right they all saw

2098

01:25:15,270 --> 01:25:13,520

ufos and aliens and even 20 years later

2099

01:25:17,669 --> 01:25:15,280

stand by their story

2100

01:25:19,830 --> 01:25:17,679

uh very very interesting

2101
01:25:21,750 --> 01:25:19,840
case to me with multiple witnesses i

2102
01:25:23,910 --> 01:25:21,760
also like the phoenix light lights case

2103
01:25:25,510 --> 01:25:23,920
because there are so many witnesses

2104
01:25:27,750 --> 01:25:25,520
and

2105
01:25:32,550 --> 01:25:27,760
the really dispute the

2106
01:25:34,550 --> 01:25:32,560
flare explanation when people say that

2107
01:25:36,149 --> 01:25:34,560
the craft that they saw was bigger than

2108
01:25:37,189 --> 01:25:36,159
a football field and blocked out the

2109
01:25:42,870 --> 01:25:37,199
stars

2110
01:25:45,030 --> 01:25:42,880
just see flares dropping and you would

2111
01:25:46,790 --> 01:25:45,040
see stars in the middle of this field of

2112
01:25:48,470 --> 01:25:46,800
flares dropping these people describe

2113
01:25:50,390 --> 01:25:48,480

something entirely different so i do

2114

01:25:52,149 --> 01:25:50,400

like the phoenix lights case

2115

01:25:54,709 --> 01:25:52,159

and hope that someday

2116

01:25:56,870 --> 01:25:54,719

more information will come

2117

01:25:58,709 --> 01:25:56,880

cosmic neighbors ron says when i start

2118

01:26:00,310 --> 01:25:58,719

doing my 3d print giveaways i'll make

2119

01:26:02,950 --> 01:26:00,320

sure to make you one

2120

01:26:04,629 --> 01:26:02,960

i want an alien head that hangs you you

2121

01:26:06,629 --> 01:26:04,639

were showing that was pretty cool

2122

01:26:08,149 --> 01:26:06,639

rebecca turner says my dog is 17 and

2123

01:26:09,750 --> 01:26:08,159

they can't do dental on him and his

2124

01:26:12,390 --> 01:26:09,760

breath could knock you out that that's

2125

01:26:14,470 --> 01:26:12,400

what was going on with my dog so

2126

01:26:16,310 --> 01:26:14,480

uh they pulled a bunch of his teeth he

2127

01:26:17,990 --> 01:26:16,320

also has bone cancer so that may be a

2128

01:26:19,430 --> 01:26:18,000

part of it's on his cheeks oh i'm sorry

2129

01:26:21,590 --> 01:26:19,440

to hear that rebecca

2130

01:26:24,229 --> 01:26:21,600

yeah we had a dog that died of a brain a

2131

01:26:31,830 --> 01:26:24,239

cancerous tumor on his back when i was

2132

01:26:35,830 --> 01:26:33,590

all right levine robert schaefer's bed

2133

01:26:38,390 --> 01:26:35,840

ufo's blog have you read cal course book

2134

01:26:39,910 --> 01:26:38,400

on roswell devastating critiques of many

2135

01:26:41,990 --> 01:26:39,920

of the witnesses who kept changing their

2136

01:26:43,030 --> 01:26:42,000

stories as they get paid more money over

2137

01:26:45,669 --> 01:26:43,040

the years

2138

01:26:47,990 --> 01:26:45,679

yeah but even discounting those are

2139

01:26:50,950 --> 01:26:48,000

there's still so many uh

2140

01:26:52,709 --> 01:26:50,960

credible witnesses that have never been

2141

01:26:55,990 --> 01:26:52,719

that have never changed their story that

2142

01:26:57,510 --> 01:26:56,000

have never been proven to be you know

2143

01:26:58,629 --> 01:26:57,520

telling a tall tale

2144

01:26:59,750 --> 01:26:58,639

so

2145

01:27:02,870 --> 01:26:59,760

i have

2146

01:27:06,790 --> 01:27:02,880

taken off those few that

2147

01:27:09,189 --> 01:27:06,800

you know can be proven that we're

2148

01:27:11,189 --> 01:27:09,199

trying to make money by attaching

2149

01:27:13,350 --> 01:27:11,199

themselves to the story and i still find

2150

01:27:15,990 --> 01:27:13,360

enough credible remaining witnesses to

2151

01:27:18,229 --> 01:27:16,000

find the alien hypothesis

2152

01:27:19,430 --> 01:27:18,239

believable to me and kalkwarf and i

2153

01:27:20,950 --> 01:27:19,440

disagree on

2154

01:27:23,189 --> 01:27:20,960

that um

2155

01:27:24,790 --> 01:27:23,199

we did this series on roswell and cal

2156

01:27:26,870 --> 01:27:24,800

court just discounts

2157

01:27:28,709 --> 01:27:26,880

everybody's testimony and he can't do

2158

01:27:29,590 --> 01:27:28,719

that if you can prove their testimony is

2159

01:27:32,390 --> 01:27:29,600

false

2160

01:27:34,070 --> 01:27:32,400

great will take them out of the pile but

2161

01:27:35,590 --> 01:27:34,080

sometimes i think count paints with too

2162

01:27:38,870 --> 01:27:35,600

broad a brush

2163

01:27:40,950 --> 01:27:38,880

and uh you know there's nuance to this

2164

01:27:42,470 --> 01:27:40,960

sure you should take out anybody that

2165

01:27:43,830 --> 01:27:42,480

you can prove is

2166

01:27:46,870 --> 01:27:43,840

telling

2167

01:27:48,310 --> 01:27:46,880

fairy tales but you can't just throw

2168

01:27:50,629 --> 01:27:48,320

everybody in the same category because

2169

01:27:52,470 --> 01:27:50,639

you caught a few lying you can't say all

2170

01:27:54,790 --> 01:27:52,480

the witnesses are lying unless you prove

2171

01:27:57,910 --> 01:27:54,800

they're lying on a case-by-case basis

2172

01:28:03,270 --> 01:28:01,110

my opinion shag harbor and falcon lake

2173

01:28:04,870 --> 01:28:03,280

again yeah those two i like too i gotta

2174

01:28:07,669 --> 01:28:04,880

do more

2175

01:28:09,590 --> 01:28:07,679

more reading on those and research on

2176

01:28:11,270 --> 01:28:09,600

those before making any determination of

2177

01:28:16,950 --> 01:28:11,280

what i think but i think both of them

2178

01:28:21,270 --> 01:28:19,030

somebody wants ron from cosmic neighbors

2179

01:28:22,950 --> 01:28:21,280

to 3d print david wilcock foreheads i

2180

01:28:27,590 --> 01:28:22,960

don't think he has enough filament lee

2181

01:28:32,229 --> 01:28:29,990

sixth sense reminding everybody about uh

2182

01:28:34,709 --> 01:28:32,239

art levine's twit uh mental health

2183

01:28:36,390 --> 01:28:34,719

incorporated

2184

01:28:37,830 --> 01:28:36,400

he's the author of the book we recently

2185

01:28:39,830 --> 01:28:37,840

did a show with him on the opioid

2186

01:28:41,350 --> 01:28:39,840

epidemic that series will be continuing

2187

01:28:43,030 --> 01:28:41,360

i'm trying to schedule

2188

01:28:44,870 --> 01:28:43,040

some more interviews for the next few

2189

01:28:46,950 --> 01:28:44,880

weeks we're going to be doing a part two

2190

01:28:48,149 --> 01:28:46,960

with a minister who is an outreach

2191

01:28:50,390 --> 01:28:48,159

worker

2192

01:28:53,030 --> 01:28:50,400

who is really out there on the streets

2193

01:28:54,229 --> 01:28:53,040

trying to save opioid addicts every day

2194

01:28:55,510 --> 01:28:54,239

he does that

2195

01:28:57,910 --> 01:28:55,520

and i thought it would be good to hear

2196

01:29:01,189 --> 01:28:57,920

his perspective on the opioid epidemic

2197

01:29:03,110 --> 01:29:01,199

and what he's learned about

2198

01:29:05,110 --> 01:29:03,120

the whole situation

2199

01:29:07,669 --> 01:29:05,120

being an outreach worker

2200

01:29:09,590 --> 01:29:07,679

for many years and he has to my

2201
01:29:12,470 --> 01:29:09,600
knowledge saved many people got many

2202
01:29:14,870 --> 01:29:12,480
many people in rehab who

2203
01:29:17,990 --> 01:29:14,880
are doing great now so god bless guys

2204
01:29:20,629 --> 01:29:18,000
like him because he's really out there

2205
01:29:22,550 --> 01:29:20,639
in in opioid health

2206
01:29:25,590 --> 01:29:22,560
speaking to them he gives you know he

2207
01:29:27,830 --> 01:29:25,600
brings them food sometimes and

2208
01:29:29,510 --> 01:29:27,840
you know like toilet trees he brings

2209
01:29:31,830 --> 01:29:29,520
toiletries to some of these homeless

2210
01:29:33,350 --> 01:29:31,840
people they're living in tents because

2211
01:29:36,310 --> 01:29:33,360
you know if you're living in

2212
01:29:38,310 --> 01:29:36,320
those situations

2213
01:29:41,669 --> 01:29:38,320

that's big help somebody bringing you

2214

01:29:42,950 --> 01:29:41,679

food and toiletries and things and and

2215

01:29:44,310 --> 01:29:42,960

just caring

2216

01:29:45,189 --> 01:29:44,320

about you

2217

01:29:50,149 --> 01:29:45,199

and

2218

01:29:52,709 --> 01:29:51,669

patrick sheehan what's your opinion on

2219

01:29:54,790 --> 01:29:52,719

the true

2220

01:29:56,629 --> 01:29:54,800

trinity new mexico case discussed by

2221

01:29:58,149 --> 01:29:56,639

jacques villa in his new book i was

2222

01:29:59,990 --> 01:29:58,159

disappointed to see that because i don't

2223

01:30:03,030 --> 01:30:00,000

think that that case

2224

01:30:04,950 --> 01:30:03,040

is credible but i could be wrong and not

2225

01:30:06,709 --> 01:30:04,960

a big fan of that paula

2226

01:30:08,629 --> 01:30:06,719

right she believes everything she

2227

01:30:10,709 --> 01:30:08,639

believes billy meyer bob lazor she

2228

01:30:13,510 --> 01:30:10,719

believes every every story is true every

2229

01:30:16,470 --> 01:30:13,520

ufo story is true so if she's involved

2230

01:30:18,709 --> 01:30:16,480

i'm very uh

2231

01:30:20,629 --> 01:30:18,719

suspect of any story that she's involved

2232

01:30:23,830 --> 01:30:20,639

with her or is pushing because in my

2233

01:30:25,350 --> 01:30:23,840

experience she believes everyone

2234

01:30:26,629 --> 01:30:25,360

lee guy there would be some serious

2235

01:30:28,550 --> 01:30:26,639

climate change with the amount of

2236

01:30:29,669 --> 01:30:28,560

plastic i would need to melt for his

2237

01:30:33,910 --> 01:30:29,679

forehead

2238

01:30:35,830 --> 01:30:33,920

rebecca turner says i've been watching

2239

01:30:37,110 --> 01:30:35,840

dope sick good show yeah i watched the

2240

01:30:39,189 --> 01:30:37,120

first four

2241

01:30:41,189 --> 01:30:39,199

does anybody know in the live chat when

2242

01:30:42,950 --> 01:30:41,199

the next episodes of dopesick will be

2243

01:30:45,590 --> 01:30:42,960

released because

2244

01:30:49,030 --> 01:30:45,600

boy those first four i was glued to them

2245

01:30:49,830 --> 01:30:49,040

you know i binged them all four of them

2246

01:30:51,830 --> 01:30:49,840

um

2247

01:30:53,510 --> 01:30:51,840

and i was anxious to see what happens

2248

01:30:54,790 --> 01:30:53,520

next and they leave it on almost a

2249

01:30:56,390 --> 01:30:54,800

cliffhanger

2250

01:30:58,229 --> 01:30:56,400

and now i'm like

2251

01:31:00,310 --> 01:30:58,239

i gotta watch the rest when is the rest

2252

01:31:02,310 --> 01:31:00,320

coming i'm not sure haven't i haven't

2253

01:31:04,390 --> 01:31:02,320

even checked into it for about a week

2254

01:31:06,390 --> 01:31:04,400

but i i did check right after i watched

2255

01:31:07,990 --> 01:31:06,400

those four and there was no more

2256

01:31:09,910 --> 01:31:08,000

so i'm not sure when the rest will be

2257

01:31:11,910 --> 01:31:09,920

dropping but

2258

01:31:13,990 --> 01:31:11,920

dopesick is an excellent story and gives

2259

01:31:17,030 --> 01:31:14,000

it i think a really good

2260

01:31:19,189 --> 01:31:17,040

view into the opioid epidemic and all of

2261

01:31:25,110 --> 01:31:19,199

the corruption

2262

01:31:29,830 --> 01:31:27,350

yes the sixth sense says for those kind

2263

01:31:30,870 --> 01:31:29,840

of people every ufo story is potential

2264

01:31:32,870 --> 01:31:30,880

profit

2265

01:31:35,270 --> 01:31:32,880

money yeah

2266

01:31:40,709 --> 01:31:37,030

ghost rider says that's a very

2267

01:31:44,950 --> 01:31:42,709

oh lonnie zamora case yeah i think

2268

01:31:46,550 --> 01:31:44,960

that's another good one you know

2269

01:31:49,590 --> 01:31:46,560

i mean there are some that are that

2270

01:31:52,229 --> 01:31:49,600

remain to be good stories unfortunately

2271

01:31:54,950 --> 01:31:52,239

lately we've been getting a lot of these

2272

01:31:56,870 --> 01:31:54,960

old of the old stories being finally

2273

01:32:02,790 --> 01:31:56,880

proven to be hoaxes or most likely

2274

01:32:07,030 --> 01:32:05,189

another moody mongol

2275

01:32:09,350 --> 01:32:07,040

uh chick so

2276

01:32:11,110 --> 01:32:09,360

zula crater because that's

2277

01:32:12,790 --> 01:32:11,120

cause of the dinosaur's extinction its

2278

01:32:15,110 --> 01:32:12,800

shape corresponds with david wilcox

2279

01:32:17,110 --> 01:32:15,120

forehead chance i think not yeah like i

2280

01:32:19,510 --> 01:32:17,120

said

2281

01:32:21,590 --> 01:32:19,520

if you if you want to hear

2282

01:32:24,629 --> 01:32:21,600

a lots of david wilcock having a big

2283

01:32:29,350 --> 01:32:24,639

forehead jokes this is the place for you

2284

01:32:32,550 --> 01:32:30,790

any kirks

2285

01:32:35,189 --> 01:32:32,560

is asking where can you watch dope sick

2286

01:32:37,350 --> 01:32:35,199

you can watch it on hulu i happened

2287

01:32:38,790 --> 01:32:37,360

my wife happened to have hulu

2288

01:32:40,950 --> 01:32:38,800

but i think we're getting rid of it

2289

01:32:41,990 --> 01:32:40,960

because it was two dollars a month or

2290

01:32:43,669 --> 01:32:42,000

something like that and now they're

2291

01:32:46,310 --> 01:32:43,679

going to six dollars a month me and my

2292

01:32:47,750 --> 01:32:46,320

wife don't think that hulu is worth

2293

01:32:49,270 --> 01:32:47,760

anything more than two dollars a month

2294

01:32:51,510 --> 01:32:49,280

they force you to watch a lot of ads

2295

01:32:53,590 --> 01:32:51,520

which is annoying to me if i'm paying

2296

01:32:55,350 --> 01:32:53,600

for a service i shouldn't have to sit

2297

01:32:57,669 --> 01:32:55,360

through all these ads and you do it's

2298

01:33:01,590 --> 01:32:57,679

it's like network television amount of

2299

01:33:05,030 --> 01:33:03,750

alien interview have you read that book

2300

01:33:07,669 --> 01:33:05,040

you mean uh

2301
01:33:10,629 --> 01:33:07,679
the story of the nurse the roswell nurse

2302
01:33:12,790 --> 01:33:10,639
yes and i don't find it at all credible

2303
01:33:14,550 --> 01:33:12,800
and there's many many reasons for that

2304
01:33:16,550 --> 01:33:14,560
but i should probably keep my mouth shut

2305
01:33:19,350 --> 01:33:16,560
until i finished we have a i have a

2306
01:33:20,090 --> 01:33:19,360
folder full of research on that book

2307
01:33:21,430 --> 01:33:20,100
and

2308
01:33:24,310 --> 01:33:21,440
[Music]

2309
01:33:26,550 --> 01:33:24,320
we'll do a show about it

2310
01:33:29,189 --> 01:33:26,560
uh but in brief she claimed that she had

2311
01:33:31,110 --> 01:33:29,199
a perfect transcript of the the

2312
01:33:34,229 --> 01:33:31,120
interview she gave with the alien

2313
01:33:37,110 --> 01:33:34,239

you know 35 or 40 years after she did it

2314

01:33:38,870 --> 01:33:37,120

but the army made her move and changed

2315

01:33:40,870 --> 01:33:38,880

her name and changed her identity but

2316

01:33:43,590 --> 01:33:40,880

they somehow let her get out with the

2317

01:33:45,910 --> 01:33:43,600

transcript of this alien interview

2318

01:33:47,910 --> 01:33:45,920

i don't think so

2319

01:33:50,629 --> 01:33:47,920

but it's interesting that a lot of the

2320

01:33:53,830 --> 01:33:50,639

mythology presented in the in this alien

2321

01:33:58,310 --> 01:33:55,750

a lot of that mythology made its way

2322

01:34:00,310 --> 01:33:58,320

into other parts of ufology for example

2323

01:34:01,669 --> 01:34:00,320

anjali is saying something very very

2324

01:34:04,470 --> 01:34:01,679

similar that these grays are

2325

01:34:06,629 --> 01:34:04,480

non-biological and they're like you know

2326

01:34:08,310 --> 01:34:06,639

light beings and

2327

01:34:10,550 --> 01:34:08,320

yeah i don't know

2328

01:34:13,430 --> 01:34:10,560

uh it's interesting to see

2329

01:34:15,270 --> 01:34:13,440

that one story that's not proven makes

2330

01:34:16,830 --> 01:34:15,280

its way into another story that's not

2331

01:34:18,709 --> 01:34:16,840

proven

2332

01:34:21,750 --> 01:34:18,719

right

2333

01:34:24,870 --> 01:34:21,760

that's my secret cap i am forehead oh

2334

01:34:27,030 --> 01:34:24,880

you guys are terrible

2335

01:34:29,270 --> 01:34:27,040

yeah same it has some interesting points

2336

01:34:32,149 --> 01:34:29,280

of view yeah i believe that i believe

2337

01:34:34,390 --> 01:34:32,159

that i definitely believe that well

2338

01:34:37,110 --> 01:34:34,400

friends uh we're past an hour and a half

2339

01:34:38,629 --> 01:34:37,120

mark and once again i thought this would

2340

01:34:40,229 --> 01:34:38,639

be a short one

2341

01:34:41,910 --> 01:34:40,239

i had some time i wasn't going to do a

2342

01:34:43,350 --> 01:34:41,920

show today but i had some time and i

2343

01:34:44,709 --> 01:34:43,360

want to come here and spend some time

2344

01:34:46,870 --> 01:34:44,719

with you guys

2345

01:34:49,510 --> 01:34:46,880

and i'm glad that i did that so happy

2346

01:34:53,430 --> 01:34:49,520

halloween to all i hope you all

2347

01:34:55,910 --> 01:34:53,440

get uh some treats today and uh had some

2348

01:34:58,229 --> 01:34:55,920

fun times with your family

2349

01:35:01,430 --> 01:34:58,239

i sure did uh this is one of my favorite

2350

01:35:03,109 --> 01:35:01,440

halloweens ever just because

2351

01:35:06,390 --> 01:35:03,119

being out of the city and being here in

2352

01:35:09,109 --> 01:35:06,400

the suburbs it's just nicer you know

2353

01:35:11,430 --> 01:35:09,119

everybody's nice and happy you know they

2354

01:35:14,310 --> 01:35:11,440

were really nice to all the kids

2355

01:35:17,830 --> 01:35:14,320

all all the homeowners here seem to be

2356

01:35:20,310 --> 01:35:17,840

very nice and welcoming and you know

2357

01:35:22,709 --> 01:35:20,320

some even recognizing that we're new to

2358

01:35:25,270 --> 01:35:22,719

the neighborhood and asking us how long

2359

01:35:26,950 --> 01:35:25,280

we've been here and things like that

2360

01:35:30,149 --> 01:35:26,960

uh anyway

2361

01:35:31,910 --> 01:35:30,159

fun it's been a fun night and i don't

2362

01:35:33,830 --> 01:35:31,920

know halloween in the city always seems

2363

01:35:34,870 --> 01:35:33,840

stressful to me because

2364

01:35:36,709 --> 01:35:34,880

you know

2365

01:35:38,629 --> 01:35:36,719

your house gets mobbed with kids and you

2366

01:35:39,830 --> 01:35:38,639

need like hundreds and hundreds and

2367

01:35:42,229 --> 01:35:39,840

hundreds of

2368

01:35:44,470 --> 01:35:42,239

pieces of candy to give away and then in

2369

01:35:47,590 --> 01:35:44,480

my old neighborhood

2370

01:35:50,070 --> 01:35:47,600

this bothered me but children

2371

01:35:52,070 --> 01:35:50,080

people would come in vans

2372

01:35:53,350 --> 01:35:52,080

full of kids that didn't live in my

2373

01:35:55,350 --> 01:35:53,360

neighborhood

2374

01:35:57,270 --> 01:35:55,360

and uh i don't know something about that

2375

01:35:59,830 --> 01:35:57,280

bothered me i guess they didn't nobody

2376

01:36:01,510 --> 01:35:59,840

gave out candy in their neighborhoods

2377

01:36:03,350 --> 01:36:01,520

so they come to the neighborhoods where

2378

01:36:05,109 --> 01:36:03,360

people do give out candy

2379

01:36:07,109 --> 01:36:05,119

and i guess you know i won't begrudge a

2380

01:36:09,590 --> 01:36:07,119

piece of candy on halloween but it

2381

01:36:11,910 --> 01:36:09,600

always seemed funny to me and we had a

2382

01:36:14,470 --> 01:36:11,920

we had a like

2383

01:36:16,470 --> 01:36:14,480

buy so much candy and we would always

2384

01:36:17,750 --> 01:36:16,480

run out no matter how much we bought

2385

01:36:19,350 --> 01:36:17,760

because literally there would be

2386

01:36:20,629 --> 01:36:19,360

hundreds and hundreds and hundreds of

2387

01:36:22,870 --> 01:36:20,639

kids

2388

01:36:25,910 --> 01:36:22,880

some hundreds of which weren't from our

2389

01:36:28,790 --> 01:36:25,920

neighborhood they're busting or banned

2390

01:36:30,470 --> 01:36:28,800

in and uh

2391

01:36:32,390 --> 01:36:30,480

halloween in the city to me was always

2392

01:36:33,910 --> 01:36:32,400

weird and stressful first mischief night

2393

01:36:36,790 --> 01:36:33,920

you got to deal with that

2394

01:36:39,030 --> 01:36:36,800

and then halloween was so hectic and try

2395

01:36:41,510 --> 01:36:39,040

to take the kids trick-or-treating while

2396

01:36:43,510 --> 01:36:41,520

you have hundreds of kids coming to your

2397

01:36:45,830 --> 01:36:43,520

front door for candy

2398

01:36:47,510 --> 01:36:45,840

and uh yeah my mom while she was still

2399

01:36:48,629 --> 01:36:47,520

alive used to stay home and get out the

2400

01:36:51,990 --> 01:36:48,639

candy

2401

01:36:55,189 --> 01:36:52,000

get upset but i would tell her like mom

2402

01:36:57,109 --> 01:36:55,199

you gave out like 18 bags of candy like

2403

01:36:59,189 --> 01:36:57,119

what are you gonna do here you know like

2404

01:37:00,629 --> 01:36:59,199

do we need a tractor trailer load for

2405

01:37:04,229 --> 01:37:00,639

next year

2406

01:37:06,149 --> 01:37:04,239

you know but here things tend to be

2407

01:37:09,990 --> 01:37:06,159

just tend to be a little more laid back

2408

01:37:11,750 --> 01:37:10,000

and peaceful here and i like that um

2409

01:37:15,189 --> 01:37:11,760

that hectic hustle and bustle of the

2410

01:37:16,310 --> 01:37:15,199

city is not missed by me not at all

2411

01:37:20,790 --> 01:37:16,320

so

2412

01:37:22,149 --> 01:37:20,800

quality time with your family i sure did

2413

01:37:23,270 --> 01:37:22,159

today

2414

01:37:24,709 --> 01:37:23,280

um

2415

01:37:27,270 --> 01:37:24,719

tomorrow

2416

01:37:30,229 --> 01:37:27,280

2 p.m eastern standard time we will be

2417

01:37:33,430 --> 01:37:30,239

interviewing ian crossland of

2418

01:37:35,830 --> 01:37:33,440

tim cast irl i still can't believe that

2419

01:37:36,709 --> 01:37:35,840

that that actually is you know

2420

01:37:39,750 --> 01:37:36,719

booked

2421

01:37:42,629 --> 01:37:39,760

um but i'm taking advice from um

2422

01:37:45,910 --> 01:37:42,639

from a person who specializes in growing

2423

01:37:48,870 --> 01:37:45,920

shows and podcasts who told me

2424

01:37:51,109 --> 01:37:48,880

go make a list of 10 or 20 of your dream

2425

01:37:53,750 --> 01:37:51,119

guests and then go start asking them

2426

01:37:55,830 --> 01:37:53,760

you'll be surprised and the first time i

2427

01:37:57,270 --> 01:37:55,840

did that uh i just happened to be

2428

01:37:59,430 --> 01:37:57,280

reminded of being crosstalk because he

2429

01:38:01,430 --> 01:37:59,440

was an alien scientist i said i'm going

2430

01:38:04,229 --> 01:38:01,440

to try it i'm going to ask the worst you

2431

01:38:07,669 --> 01:38:04,239

could say is sorry i'm too busy whatever

2432

01:38:10,070 --> 01:38:07,679

i asked and he was happy to agree so

2433

01:38:11,830 --> 01:38:10,080

um and this is making me trust this

2434

01:38:13,350 --> 01:38:11,840

person who's giving me advice about

2435

01:38:15,270 --> 01:38:13,360

growing my show

2436

01:38:17,030 --> 01:38:15,280

much more i'm gonna try a lot more of

2437

01:38:19,030 --> 01:38:17,040

their strategies because

2438

01:38:21,189 --> 01:38:19,040

the first big piece of advice that that

2439

01:38:22,870 --> 01:38:21,199

this person gave me worked out great and

2440

01:38:23,750 --> 01:38:22,880

i'm sure will continue to work out great

2441

01:38:25,669 --> 01:38:23,760

for us

2442

01:38:28,070 --> 01:38:25,679

it's a tremendous opportunity for our

2443

01:38:30,070 --> 01:38:28,080

show here to interview a co-host of a

2444

01:38:32,070 --> 01:38:30,080

show with a million plus subscribers

2445

01:38:35,109 --> 01:38:32,080

it's gotta be good for us

2446

01:38:37,990 --> 01:38:35,119

so i'm gonna go uh now because i got to

2447

01:38:39,590 --> 01:38:38,000

go read up more on the federal reserve

2448

01:38:41,430 --> 01:38:39,600

like i said i know a lot about it but

2449

01:38:43,030 --> 01:38:41,440

i'm the expert

2450

01:38:45,350 --> 01:38:43,040

and i want to write out a really good

2451

01:38:47,830 --> 01:38:45,360

list of questions and

2452

01:38:50,470 --> 01:38:47,840

topics to explore mr crossland very

2453

01:38:53,430 --> 01:38:50,480

smart guy big supporter of open source

2454

01:38:55,350 --> 01:38:53,440

and founder of minds the alternative

2455

01:38:57,590 --> 01:38:55,360

social media platform which does not

2456

01:39:00,149 --> 01:38:57,600

believe in censorship so i'm excited

2457

01:39:03,030 --> 01:39:00,159

about tomorrow it's a big show for us i

2458

01:39:04,870 --> 01:39:03,040

hope you will be here to support us in

2459

01:39:06,550 --> 01:39:04,880

getting that big interview

2460

01:39:08,149 --> 01:39:06,560

um

2461

01:39:10,470 --> 01:39:08,159

and i want that kari for helping with

2462

01:39:13,030 --> 01:39:10,480

the graphics and uh

2463

01:39:15,830 --> 01:39:13,040

you know helping make that show uh the

2464

01:39:19,030 --> 01:39:15,840

best that it can be right

2465

01:39:20,310 --> 01:39:19,040

so that's where i'm at friends uh

2466

01:39:22,229 --> 01:39:20,320

like i said i wasn't even gonna do a

2467

01:39:24,470 --> 01:39:22,239

show today so i consider this a bonus

2468

01:39:27,189 --> 01:39:24,480

one right

2469

01:39:28,790 --> 01:39:27,199

uh so happy halloween

2470

01:39:31,109 --> 01:39:28,800

uh you always hear me say this i'm

2471

01:39:33,189 --> 01:39:31,119

always happy when there's an audience uh

2472

01:39:35,270 --> 01:39:33,199

and tonight we had a great one thank you

2473

01:39:37,830 --> 01:39:35,280

for coming here and being a part of this

2474

01:39:39,750 --> 01:39:37,840

audience uh it puts a smile on my face

2475

01:39:43,910 --> 01:39:39,760

to see so many more people in the live

2476

01:39:47,350 --> 01:39:45,590

what can i say

2477

01:39:51,030 --> 01:39:47,360

we're growing and i hope that we

2478

01:39:55,189 --> 01:39:52,629

it makes me feel good to know that all

2479

01:39:56,790 --> 01:39:55,199

the effort that we put in here is slowly

2480

01:39:58,870 --> 01:39:56,800

paying off

2481

01:40:01,270 --> 01:39:58,880

so until next time friends my name is

2482

01:40:03,109 --> 01:40:01,280

stephen champion

2483

01:40:13,990 --> 01:40:03,119

happy halloween

2484

01:40:14,000 --> 01:40:18,740

so

2485

01:40:18,750 --> 01:40:27,109

[Music]

2486

01:40:27,119 --> 01:40:34,800

so

2487

01:40:34,810 --> 01:40:40,950

[Music]

2488

01:41:23,270 --> 01:40:42,780

so

2489

01:41:24,740 --> 01:41:23,280

[Music]

2490

01:41:27,730 --> 01:41:24,750

so

2491

01:41:29,100 --> 01:41:27,740

[Music]

2492

01:42:07,750 --> 01:41:29,110

[Applause]
