

COREY GOODE

LATEST
GARBAGE
"INTEL"

Truth Seekers

1
00:00:09,589 --> 00:00:06,950
i vet everything three times before i

2
00:00:10,629 --> 00:00:09,599
mention it on the air if i can't vet

3
00:00:11,910 --> 00:00:10,639
something

4
00:00:14,789 --> 00:00:11,920
three times

5
00:00:20,000 --> 00:00:14,799
from a credible published source i don't

6
00:00:20,010 --> 00:00:25,320
[Applause]

7
00:01:12,070 --> 00:00:48,470
[Music]

8
00:01:14,870 --> 00:01:13,830
the current state of music is always

9
00:01:17,190 --> 00:01:14,880
changing

10
00:01:18,630 --> 00:01:17,200
as we slowly embrace a full digital life

11
00:01:20,630 --> 00:01:18,640
revolution

12
00:01:23,030 --> 00:01:20,640
uploading acapella's drum beats and

13
00:01:25,350 --> 00:01:23,040

guitar riffs to the world wide web from

14

00:01:27,670 --> 00:01:25,360

one country side to the next

15

00:01:30,310 --> 00:01:27,680

it's an international love affair and

16

00:01:31,910 --> 00:01:30,320

new music is our gift to the free world

17

00:01:33,910 --> 00:01:31,920

our freedom of expression is only

18

00:01:38,310 --> 00:01:33,920

limited by our creativity

19

00:01:42,550 --> 00:01:40,630

we represent every corner of the world

20

00:01:45,190 --> 00:01:42,560

as we broadcast our message to every

21

00:01:47,090 --> 00:01:45,200

country states

22

00:01:52,830 --> 00:01:47,100

our supporters have expressed

23

00:01:56,220 --> 00:01:52,840

[Music]

24

00:02:08,689 --> 00:01:56,230

tremendous to the world

25

00:02:08,699 --> 00:02:31,270

[Music]

26

00:02:52,140 --> 00:02:45,990

there you go

27

00:03:31,750 --> 00:02:59,560

[Music]

28

00:03:31,760 --> 00:03:35,090

to the world

29

00:06:30,469 --> 00:03:46,160

[Music]

30

00:06:35,430 --> 00:06:33,029

greetings and salutations friends and

31

00:06:36,469 --> 00:06:35,440

welcome back to truth seekers

32

00:06:46,390 --> 00:06:36,479

i

33

00:06:48,870 --> 00:06:46,400

uh

34

00:06:51,510 --> 00:06:48,880

corey goode made

35

00:06:53,589 --> 00:06:51,520

headlines if you could call it that

36

00:06:56,070 --> 00:06:53,599

he became internet famous

37

00:06:59,189 --> 00:06:56,080

more than five years ago

38

00:07:01,430 --> 00:06:59,199

he came out with an incredible story

39

00:07:05,589 --> 00:07:01,440

that placed him

40

00:07:08,150 --> 00:07:05,599

in the role of earth's galactic savior

41

00:07:10,950 --> 00:07:08,160

he claimed that he was a member of a

42

00:07:12,710 --> 00:07:10,960

secret space program

43

00:07:14,870 --> 00:07:12,720

which

44

00:07:18,390 --> 00:07:14,880

had the capability of interstellar

45

00:07:20,629 --> 00:07:18,400

travel time travel and other things

46

00:07:23,430 --> 00:07:20,639

believe it or not

47

00:07:24,870 --> 00:07:23,440

for five years now corey goode has made

48

00:07:26,070 --> 00:07:24,880

ridiculous

49

00:07:29,110 --> 00:07:26,080

stupid

50

00:07:34,710 --> 00:07:29,120

childish i'm sorry these claims that he

51
00:07:36,550 --> 00:07:34,720
makes are stupid ridiculous and childish

52
00:07:37,909 --> 00:07:36,560
corey good claims that he traveled

53
00:07:40,070 --> 00:07:37,919
through time

54
00:07:43,749 --> 00:07:40,080
corey good claims that

55
00:07:46,390 --> 00:07:43,759
a spaceship landed in his backyard

56
00:07:50,550 --> 00:07:46,400
at one of his homes on a routine basis

57
00:07:52,390 --> 00:07:50,560
and flew him to a secret

58
00:07:58,230 --> 00:07:52,400
moon base

59
00:08:02,070 --> 00:08:00,390
and why can't anyone see that base on

60
00:08:03,830 --> 00:08:02,080
the surface of the moon well because

61
00:08:05,830 --> 00:08:03,840
it's on the dark side of the moon so you

62
00:08:09,110 --> 00:08:05,840
can't see it right

63
00:08:10,550 --> 00:08:09,120

this is like a child on a playground

64

00:08:13,510 --> 00:08:10,560

lying

65

00:08:17,589 --> 00:08:13,520

that's how stupid and ridiculous corey

66

00:08:21,029 --> 00:08:17,599

good stories are all of his so-called

67

00:08:23,510 --> 00:08:21,039

experiences i'm sorry are stupid they're

68

00:08:28,469 --> 00:08:23,520

stupid they're laughable and they're

69

00:08:30,150 --> 00:08:28,479

easily disproven as fake made up stories

70

00:08:32,469 --> 00:08:30,160

for example

71

00:08:34,709 --> 00:08:32,479

back when he was claiming that a

72

00:08:37,670 --> 00:08:34,719

spaceship was landing in his backyard

73

00:08:40,870 --> 00:08:37,680

and taken him to a secret moon base

74

00:08:43,110 --> 00:08:40,880

i as well some other researchers thought

75

00:08:46,949 --> 00:08:43,120

where did he live at the time he claims

76

00:08:49,910 --> 00:08:46,959

this happened let's find out and we did

77

00:08:50,790 --> 00:08:49,920

and he had this little tiny yard

78

00:08:52,230 --> 00:08:50,800

right

79

00:08:55,269 --> 00:08:52,240

i don't even i couldn't even tell you it

80

00:08:58,630 --> 00:08:55,279

was maybe like you know 100 feet long by

81

00:09:01,110 --> 00:08:58,640

20 feet wide or 30 feet wide

82

00:09:02,870 --> 00:09:01,120

and he claims that a spaceship was

83

00:09:05,750 --> 00:09:02,880

landing in his backyard he's got

84

00:09:08,790 --> 00:09:05,760

neighbors all around him

85

00:09:10,870 --> 00:09:08,800

so i talked to every neighbor all around

86

00:09:11,670 --> 00:09:10,880

him i'm sorry i didn't get to one of

87

00:09:12,710 --> 00:09:11,680

them

88

00:09:14,790 --> 00:09:12,720

but

89

00:09:16,389 --> 00:09:14,800

you know both of his next-door neighbors

90

00:09:21,509 --> 00:09:16,399

on both sides

91

00:09:23,990 --> 00:09:21,519

and the neighbor directly behind him

92

00:09:27,750 --> 00:09:24,000

we talked to all those people

93

00:09:30,949 --> 00:09:27,760

and what a comical situation that was hi

94

00:09:32,630 --> 00:09:30,959

my name is stephen campion and i do a

95

00:09:33,430 --> 00:09:32,640

show about

96

00:09:36,470 --> 00:09:33,440

uh

97

00:09:38,710 --> 00:09:36,480

ufos and aliens and there's this guy did

98

00:09:40,230 --> 00:09:38,720

you know your neighbor

99

00:09:42,870 --> 00:09:40,240

mr good

100

00:09:44,150 --> 00:09:42,880

yeah well he claimed that there was a

101
00:09:47,030 --> 00:09:44,160
spaceship

102
00:09:49,590 --> 00:09:47,040
and it came and landed in his backyard

103
00:09:51,590 --> 00:09:49,600
you know that little backyard back there

104
00:09:54,710 --> 00:09:51,600
uh routinely

105
00:09:56,070 --> 00:09:54,720
and that spaceship flew him to a secret

106
00:09:57,350 --> 00:09:56,080
moon base

107
00:09:59,030 --> 00:09:57,360
so uh

108
00:10:00,949 --> 00:09:59,040
can you tell me did you ever see a

109
00:10:03,350 --> 00:10:00,959
spaceship

110
00:10:05,269 --> 00:10:03,360
you can guess my friends after they

111
00:10:07,670 --> 00:10:05,279
stopped laughing

112
00:10:10,150 --> 00:10:07,680
how many people saw that spaceship that

113
00:10:11,430 --> 00:10:10,160

were literally 10 feet away from his

114

00:10:15,590 --> 00:10:11,440

backyard

115

00:10:15,600 --> 00:10:19,990

cory good claimed that he was

116

00:10:25,750 --> 00:10:23,269

identified as somebody with superpowers

117

00:10:26,790 --> 00:10:25,760

by standardized tests that he took in

118

00:10:29,110 --> 00:10:26,800

school

119

00:10:31,990 --> 00:10:29,120

in texas while he was growing up

120

00:10:34,949 --> 00:10:32,000

but there's a huge problem with that and

121

00:10:37,509 --> 00:10:34,959

that is that standardized tests

122

00:10:39,750 --> 00:10:37,519

would not be used in his state until

123

00:10:42,150 --> 00:10:39,760

years after he was finished

124

00:10:44,230 --> 00:10:42,160

his schooling

125

00:10:46,870 --> 00:10:44,240

you see the sad truth is and the reason

126

00:10:48,949 --> 00:10:46,880

why cory good stories are so ridiculous

127

00:10:52,069 --> 00:10:48,959

and childish and stupid

128

00:10:55,190 --> 00:10:52,079

is because every time he slips up

129

00:10:57,990 --> 00:10:55,200

and gives any researcher enough

130

00:10:59,590 --> 00:10:58,000

information to fact check him you can go

131

00:11:01,590 --> 00:10:59,600

fact check him and find out that he's

132

00:11:02,550 --> 00:11:01,600

full of it and none of this ever

133

00:11:04,470 --> 00:11:02,560

happened

134

00:11:06,790 --> 00:11:04,480

he talks about all these different

135

00:11:09,030 --> 00:11:06,800

aliens and alien races that he

136

00:11:11,030 --> 00:11:09,040

interacted with i believe they're all

137

00:11:14,310 --> 00:11:11,040

his imaginary friends

138

00:11:17,350 --> 00:11:14,320

and this entire time for five years now

139

00:11:21,110 --> 00:11:17,360

corey goode has been painting himself as

140

00:11:21,990 --> 00:11:21,120

earth's galactic savior he's the chosen

141

00:11:24,630 --> 00:11:22,000

one

142

00:11:27,230 --> 00:11:24,640

out of all the people on earth

143

00:11:30,150 --> 00:11:27,240

corey goode was chosen by advanced

144

00:11:32,470 --> 00:11:30,160

extraterrestrials to save earth and be

145

00:11:36,150 --> 00:11:32,480

earth's ambassador

146

00:11:40,069 --> 00:11:36,160

you know on the galactic council i guess

147

00:11:42,069 --> 00:11:40,079

this yeah why do i keep why do i care if

148

00:11:45,829 --> 00:11:42,079

some ridiculous guy is out on the

149

00:11:49,030 --> 00:11:45,839

internet tell me stupid childish stories

150

00:11:51,509 --> 00:11:49,040

i guess i care because this man has hurt

151

00:11:53,990 --> 00:11:51,519

a lot of people he's basically started

152

00:11:56,629 --> 00:11:54,000

his own cult where he's some kind of

153

00:11:59,910 --> 00:11:56,639

savior of earth

154

00:12:03,110 --> 00:11:59,920

and as ridiculous as that sounds some

155

00:12:05,190 --> 00:12:03,120

people fell for it

156

00:12:07,590 --> 00:12:05,200

the truth is the people

157

00:12:09,350 --> 00:12:07,600

in the ufo or alien community

158

00:12:10,949 --> 00:12:09,360

spiritual community consciousness

159

00:12:12,550 --> 00:12:10,959

community secret space community

160

00:12:15,110 --> 00:12:12,560

whatever you want to call this crazy

161

00:12:17,910 --> 00:12:15,120

thing i call it conspiracy land people

162

00:12:21,110 --> 00:12:17,920

in conspiracy land have been paying his

163

00:12:23,990 --> 00:12:21,120

bills for five plus years now

164

00:12:27,910 --> 00:12:24,000

and to date corey goode has yet to

165

00:12:31,269 --> 00:12:27,920

provide a single solitary shred of proof

166

00:12:33,990 --> 00:12:31,279

of any of his wackadoo stories he's time

167

00:12:36,710 --> 00:12:34,000

traveling right he's fighting draco

168

00:12:39,110 --> 00:12:36,720

reptilian aliens in space

169

00:12:41,509 --> 00:12:39,120

right

170

00:12:43,670 --> 00:12:41,519

he's flying in a spaceship up to a

171

00:12:45,750 --> 00:12:43,680

secret moon base oh let's get back to

172

00:12:47,750 --> 00:12:45,760

the secret moon base

173

00:12:50,949 --> 00:12:47,760

every time that corey goode starts

174

00:12:55,110 --> 00:12:50,959

talking about a secret moon base i laugh

175

00:12:58,069 --> 00:12:55,120

because he's either too stupid

176
00:13:00,790 --> 00:12:58,079
to realize this or he doesn't care

177
00:13:01,670 --> 00:13:00,800
um there have been

178
00:13:03,750 --> 00:13:01,680
moon

179
00:13:06,870 --> 00:13:03,760
satellite orbiters

180
00:13:08,710 --> 00:13:06,880
since the 1960s

181
00:13:12,069 --> 00:13:08,720
there have been

182
00:13:13,590 --> 00:13:12,079
satellite images made of the entire

183
00:13:17,750 --> 00:13:13,600
moon's surface

184
00:13:19,750 --> 00:13:17,760
including the dark side of the moon

185
00:13:22,790 --> 00:13:19,760
and it's not just the united states that

186
00:13:26,389 --> 00:13:22,800
have had these moon orbiters

187
00:13:28,389 --> 00:13:26,399
taking aerial photographs high altitude

188
00:13:30,870 --> 00:13:28,399

satellite aerial photographs of the

189

00:13:32,790 --> 00:13:30,880

entire surface of the moon

190

00:13:36,069 --> 00:13:32,800

russia and china

191

00:13:38,310 --> 00:13:36,079

also had moon orbiter satellites that

192

00:13:41,110 --> 00:13:38,320

have taken pictures of virtually the

193

00:13:43,670 --> 00:13:41,120

entire surface of the moon

194

00:13:46,150 --> 00:13:43,680

including the dark side of it

195

00:13:49,110 --> 00:13:46,160

the back side

196

00:13:52,870 --> 00:13:49,120

this dark side of the moon argument

197

00:13:54,949 --> 00:13:52,880

is stupid and childish because

198

00:13:57,509 --> 00:13:54,959

for us to believe that he's telling the

199

00:13:59,990 --> 00:13:57,519

truth and there really is a secret moon

200

00:14:01,269 --> 00:14:00,000

base on the dark side of the moon

201
00:14:03,670 --> 00:14:01,279
that would mean

202
00:14:06,310 --> 00:14:03,680
that there are tens of thousands of

203
00:14:08,230 --> 00:14:06,320
people in on a conspiracy to hide that

204
00:14:11,110 --> 00:14:08,240
moon base and not one of them leaked

205
00:14:14,710 --> 00:14:11,120
anything not one of them

206
00:14:16,949 --> 00:14:14,720
became a whistleblower and said

207
00:14:19,670 --> 00:14:16,959
i work for nasa and they're hiding the

208
00:14:21,430 --> 00:14:19,680
secret lunar operations command base

209
00:14:25,430 --> 00:14:21,440
that the nazis built

210
00:14:27,590 --> 00:14:25,440
right that we took over not one of them

211
00:14:28,790 --> 00:14:27,600
no one from the chinese

212
00:14:31,829 --> 00:14:28,800
space

213
00:14:33,910 --> 00:14:31,839

agency has come forward and said by the

214

00:14:36,069 --> 00:14:33,920

way there's a secret moon base on the

215

00:14:37,750 --> 00:14:36,079

dark side of the moon and i've seen it

216

00:14:39,430 --> 00:14:37,760

because we've got an orbiter and we've

217

00:14:41,350 --> 00:14:39,440

got all the pictures even of the dark

218

00:14:43,509 --> 00:14:41,360

side of the moon and there's a base

219

00:14:44,710 --> 00:14:43,519

there this guy corey good is right

220

00:14:49,189 --> 00:14:44,720

no

221

00:14:51,189 --> 00:14:49,199

one from the space agency of china ever

222

00:14:53,990 --> 00:14:51,199

did that no one from the united states

223

00:14:56,470 --> 00:14:54,000

government ever came forward

224

00:14:58,949 --> 00:14:56,480

with that information no one from nasa

225

00:15:01,509 --> 00:14:58,959

ever came forward

226

00:15:02,550 --> 00:15:01,519

verifying that there's a secret moon

227

00:15:05,430 --> 00:15:02,560

base

228

00:15:09,030 --> 00:15:05,440

come on this is so ridiculous

229

00:15:11,430 --> 00:15:09,040

implausible childish and stupid that i

230

00:15:13,350 --> 00:15:11,440

can't believe this guy lets this garbage

231

00:15:15,990 --> 00:15:13,360

come out of his mouth and doesn't

232

00:15:19,269 --> 00:15:16,000

realize that anybody with a brain can

233

00:15:22,629 --> 00:15:19,279

pick this apart in five minutes

234

00:15:24,790 --> 00:15:22,639

no friends there's no secret moon base

235

00:15:28,230 --> 00:15:24,800

there's no spaceships landing in his

236

00:15:30,710 --> 00:15:28,240

backyard taking him to that secret moon

237

00:15:32,230 --> 00:15:30,720

base that doesn't exist

238

00:15:34,629 --> 00:15:32,240

these stories

239

00:15:37,910 --> 00:15:34,639

unfortunately are fake

240

00:15:40,230 --> 00:15:37,920

completely and totally made up garbage

241

00:15:43,269 --> 00:15:40,240

but still somehow this guy has been able

242

00:15:45,670 --> 00:15:43,279

to make a living quite a good living

243

00:15:50,150 --> 00:15:45,680

telling these fake stories with no proof

244

00:15:55,509 --> 00:15:53,829

someone recently told him to get a real

245

00:15:57,509 --> 00:15:55,519

but there's a problem with that because

246

00:15:59,829 --> 00:15:57,519

he worked in i.t and i have a background

247

00:16:02,230 --> 00:15:59,839

in working in i.t and computers and the

248

00:16:03,590 --> 00:16:02,240

first thing they ask you at a job

249

00:16:05,509 --> 00:16:03,600

interview is what have you been up to

250

00:16:07,430 --> 00:16:05,519

for the past few years

251
00:16:08,949 --> 00:16:07,440
and what's he gonna say i've been on the

252
00:16:11,030 --> 00:16:08,959
internet telling people that i had a

253
00:16:13,189 --> 00:16:11,040
spaceship land in my backyard and take

254
00:16:15,350 --> 00:16:13,199
me up to a secret moon base

255
00:16:17,590 --> 00:16:15,360
and i'm taking money from people for

256
00:16:19,590 --> 00:16:17,600
telling these stupid stories

257
00:16:20,710 --> 00:16:19,600
who's gonna hire him

258
00:16:23,189 --> 00:16:20,720
no

259
00:16:25,189 --> 00:16:23,199
mr good is stuck between a rock and a

260
00:16:26,710 --> 00:16:25,199
hard place and he has to keep this

261
00:16:30,710 --> 00:16:26,720
garbage

262
00:16:33,749 --> 00:16:30,720
scam of his going at all costs he has no

263
00:16:37,829 --> 00:16:35,590

and while he would like you to believe

264

00:16:39,350 --> 00:16:37,839

that he's some big important person and

265

00:16:41,910 --> 00:16:39,360

they're going to be making hollywood

266

00:16:43,350 --> 00:16:41,920

movies and he's got all these tv deals

267

00:16:46,470 --> 00:16:43,360

in the works

268

00:16:48,949 --> 00:16:46,480

really the reality of it is he's some

269

00:16:51,910 --> 00:16:48,959

dude with a youtube channel and a

270

00:16:55,110 --> 00:16:51,920

website oh and a telegram channel and a

271

00:16:58,310 --> 00:16:56,069

no

272

00:17:00,230 --> 00:16:58,320

mr good once did have

273

00:17:02,389 --> 00:17:00,240

big money backers

274

00:17:05,029 --> 00:17:02,399

in the form of gaia tv those are the

275

00:17:06,710 --> 00:17:05,039

people that made this monster possible

276

00:17:08,710 --> 00:17:06,720

you can thank them

277

00:17:11,429 --> 00:17:08,720

for corey goode and all the people he

278

00:17:14,150 --> 00:17:11,439

has hurt and all the damage he has done

279

00:17:16,630 --> 00:17:14,160

to this so-called community you can

280

00:17:19,110 --> 00:17:16,640

thank gaia tv you can thank david

281

00:17:22,470 --> 00:17:19,120

wilcock and you can thank jimmy church

282

00:17:25,270 --> 00:17:22,480

for creating this monster

283

00:17:28,309 --> 00:17:25,280

now i'm sure others helped along the way

284

00:17:32,470 --> 00:17:28,319

uh like his fluffer

285

00:17:35,590 --> 00:17:34,230

william tompkins

286

00:17:38,070 --> 00:17:35,600

another guy who's

287

00:17:41,669 --> 00:17:38,080

laughable telling stories for years with

288

00:17:41,679 --> 00:17:44,789

he confirmed

289

00:17:49,350 --> 00:17:46,710

the authenticity of cory good's

290

00:17:51,190 --> 00:17:49,360

information so what we get is one liar

291

00:17:52,870 --> 00:17:51,200

that's never produced any proof telling

292

00:17:55,430 --> 00:17:52,880

us that this other liar that's never

293

00:17:57,669 --> 00:17:55,440

produced any proof his information is

294

00:18:00,230 --> 00:17:57,679

real

295

00:18:02,870 --> 00:18:00,240

cory good was also a big believer in and

296

00:18:04,630 --> 00:18:02,880

backer of pete peterson another complete

297

00:18:07,510 --> 00:18:04,640

and total fraud that we have done

298

00:18:09,909 --> 00:18:07,520

extensive research on and shown to be a

299

00:18:11,750 --> 00:18:09,919

complete and total fraud so when corey

300

00:18:13,830 --> 00:18:11,760

good tells you that people like william

301

00:18:16,470 --> 00:18:13,840

topkins another fraud that never

302

00:18:18,070 --> 00:18:16,480

produced any proof of his alien stories

303

00:18:21,190 --> 00:18:18,080

and pete peterson

304

00:18:24,310 --> 00:18:21,200

uh a guy who faked his entire biography

305

00:18:26,150 --> 00:18:24,320

we proved that line by line

306

00:18:29,270 --> 00:18:26,160

but corey good tells you that these two

307

00:18:30,549 --> 00:18:29,280

guys said his story is real

308

00:18:32,390 --> 00:18:30,559

well what can we

309

00:18:34,549 --> 00:18:32,400

gather from that

310

00:18:37,830 --> 00:18:34,559

we can gather that corey good has no

311

00:18:40,710 --> 00:18:37,840

evidence and he never will

312

00:18:42,950 --> 00:18:40,720

that corey good is so desperate

313

00:18:46,470 --> 00:18:42,960

for people to believe him that he's

314

00:18:48,150 --> 00:18:46,480

citing other ufo con artist fraudster

315

00:18:51,669 --> 00:18:48,160

hucksters

316

00:18:54,470 --> 00:18:51,679

that are as equally as stupid silly and

317

00:18:58,150 --> 00:18:54,480

fraudulent and ridiculous as him

318

00:19:03,350 --> 00:19:00,150

some of his other proof is dr michael

319

00:19:05,590 --> 00:19:03,360

sala a guy who believes literally any

320

00:19:09,990 --> 00:19:05,600

alien story that comes across his desk

321

00:19:15,510 --> 00:19:13,990

corey goode has burned every bridge

322

00:19:18,310 --> 00:19:15,520

around him

323

00:19:20,390 --> 00:19:18,320

or on his way to here

324

00:19:22,789 --> 00:19:20,400

where we are at now

325

00:19:25,430 --> 00:19:22,799

i mentioned that

326

00:19:30,549 --> 00:19:25,440

he once had big money backers in the

327

00:19:34,470 --> 00:19:32,070

they pumped up

328

00:19:39,430 --> 00:19:34,480

this guy's legendary

329

00:19:41,190 --> 00:19:39,440

bar rooms drunken rants

330

00:19:43,590 --> 00:19:41,200

so much they put

331

00:19:45,830 --> 00:19:43,600

tons of money into this guy

332

00:19:50,230 --> 00:19:45,840

they made sure that he was booked at

333

00:19:55,510 --> 00:19:52,710

and like a bull in a china shop

334

00:19:59,510 --> 00:19:55,520

corey good came in and destroyed the

335

00:20:03,830 --> 00:20:01,110

corey good turned

336

00:20:05,750 --> 00:20:03,840

on gaia tv

337

00:20:08,230 --> 00:20:05,760

just like he turned on a previous

338

00:20:10,390 --> 00:20:08,240

employer

339

00:20:11,270 --> 00:20:10,400

and in that case he turned so badly on

340

00:20:15,669 --> 00:20:11,280

them

341

00:20:17,430 --> 00:20:15,679

that they got a lifetime restraining

342

00:20:19,909 --> 00:20:17,440

order against him

343

00:20:23,669 --> 00:20:19,919

that's right earth's galactic ambassador

344

00:20:26,789 --> 00:20:23,679

was so venomous so nasty so aggressive

345

00:20:28,630 --> 00:20:26,799

and harassed his previous employer

346

00:20:30,950 --> 00:20:28,640

before deciding he was earth's galactic

347

00:20:33,029 --> 00:20:30,960

ambassador so much

348

00:20:34,470 --> 00:20:33,039

they were able to get a lifetime

349

00:20:37,669 --> 00:20:34,480

restraining order

350

00:20:42,230 --> 00:20:40,390

next he goes to gaia tv and decides that

351
00:20:44,470 --> 00:20:42,240
he's there's galactic ambassador and

352
00:20:47,909 --> 00:20:44,480
he's time traveled and david wilcock and

353
00:20:49,510 --> 00:20:47,919
him are gonna make a ton of money

354
00:20:53,270 --> 00:20:49,520
telling these fake stories with no

355
00:20:56,630 --> 00:20:53,280
evidence no proof nothing for years

356
00:20:59,029 --> 00:20:56,640
i forget how many seasons of the show

357
00:21:00,789 --> 00:20:59,039
the show consisted of david wilcock

358
00:21:03,270 --> 00:21:00,799
leading this guy by the hand and helping

359
00:21:08,310 --> 00:21:03,280
him tell his buck rogers science fiction

360
00:21:12,870 --> 00:21:10,470
these guys made perhaps hundreds of

361
00:21:15,750 --> 00:21:12,880
thousands of dollars

362
00:21:17,750 --> 00:21:15,760
shoveling this garbage

363
00:21:19,990 --> 00:21:17,760

into the ufo community into the

364

00:21:21,110 --> 00:21:20,000

consciousness community into the new age

365

00:21:22,430 --> 00:21:21,120

community

366

00:21:31,270 --> 00:21:22,440

into the

367

00:21:35,990 --> 00:21:33,909

at some point gaia tv wanted to bring in

368

00:21:38,390 --> 00:21:36,000

other talent

369

00:21:40,470 --> 00:21:38,400

and did in the form of jason rice emery

370

00:21:42,549 --> 00:21:40,480

smith and others

371

00:21:44,070 --> 00:21:42,559

corey goode didn't like this idea and

372

00:21:46,149 --> 00:21:44,080

decided that he should be the only

373

00:21:49,510 --> 00:21:46,159

person telling these buck roger science

374

00:21:54,390 --> 00:21:51,909

no he turned on them friends

375

00:21:56,230 --> 00:21:54,400

and then viciously attacked them for

376
00:22:00,310 --> 00:21:56,240
years

377
00:22:03,830 --> 00:22:02,789
which leads me to another point about mr

378
00:22:08,549 --> 00:22:03,840
good

379
00:22:10,870 --> 00:22:08,559
his followers and everyone else

380
00:22:13,909 --> 00:22:10,880
for years now claiming that there is

381
00:22:16,630 --> 00:22:13,919
some kind of vast criminal conspiracy

382
00:22:18,310 --> 00:22:16,640
against him designed to stop him from

383
00:22:19,750 --> 00:22:18,320
telling the real truth about those

384
00:22:21,830 --> 00:22:19,760
aliens

385
00:22:25,669 --> 00:22:21,840
oh and the rothschilds are in on it

386
00:22:28,230 --> 00:22:25,679
right or is it the rockefellers right

387
00:22:30,870 --> 00:22:28,240
some lawyer from new jersey

388
00:22:33,270 --> 00:22:30,880

jay widener he's suing jay widener his

389

00:22:35,669 --> 00:22:33,280

former producer on that guy television

390

00:22:40,149 --> 00:22:37,669

probably because jay weiner came out and

391

00:22:41,270 --> 00:22:40,159

said he's a fraud all his stories are

392

00:22:43,430 --> 00:22:41,280

fake

393

00:22:47,350 --> 00:22:43,440

and i know that now and i'm sorry for

394

00:22:51,510 --> 00:22:49,110

he once claimed that

395

00:22:53,669 --> 00:22:51,520

a critic of his

396

00:22:55,830 --> 00:22:53,679

who made youtube videos and happen to be

397

00:22:59,190 --> 00:22:55,840

a lawyer was going to be disbarred by

398

00:23:00,710 --> 00:22:59,200

the new jersey bar association

399

00:23:02,870 --> 00:23:00,720

well i called the new jersey bar

400

00:23:04,710 --> 00:23:02,880

association many many times and it turns

401
00:23:07,430 --> 00:23:04,720
out that corey goode never filed a

402
00:23:09,669 --> 00:23:07,440
single complaint against that person

403
00:23:12,390 --> 00:23:09,679
though he claimed on social media post

404
00:23:14,149 --> 00:23:12,400
that he had filed multiple claims i'm

405
00:23:16,230 --> 00:23:14,159
sorry complaints with the new jersey bar

406
00:23:18,789 --> 00:23:16,240
association and that the complaints were

407
00:23:21,190 --> 00:23:18,799
moving forward and all these things and

408
00:23:24,070 --> 00:23:21,200
that lawyer is going to get disbarred

409
00:23:25,909 --> 00:23:24,080
first of all the bar association is not

410
00:23:29,590 --> 00:23:25,919
for this purpose

411
00:23:32,789 --> 00:23:29,600
you you can't go excuse me i'm earth's

412
00:23:34,789 --> 00:23:32,799
galactic ambassador and this bastard new

413
00:23:36,789 --> 00:23:34,799

jersey lawyer's got a youtube channel

414

00:23:37,830 --> 00:23:36,799

and he's telling people i didn't time

415

00:23:39,590 --> 00:23:37,840

travel

416

00:23:42,230 --> 00:23:39,600

and spaceships aren't landing in my

417

00:23:44,310 --> 00:23:42,240

backyard and i want to file complaint

418

00:23:46,230 --> 00:23:44,320

against that lawyer with the new jersey

419

00:23:48,310 --> 00:23:46,240

bar association

420

00:23:50,710 --> 00:23:48,320

uh they will laugh you out of their

421

00:23:53,029 --> 00:23:50,720

office or off their phone

422

00:23:54,549 --> 00:23:53,039

the only purpose that the new jersey bar

423

00:23:56,789 --> 00:23:54,559

association would open a complaint is if

424

00:23:58,310 --> 00:23:56,799

you were represented by that attorney

425

00:23:59,750 --> 00:23:58,320

and he did something wrong and you

426

00:24:02,710 --> 00:23:59,760

wanted to file a complaint like an

427

00:24:05,909 --> 00:24:02,720

ethics complaint has that has nothing to

428

00:24:08,470 --> 00:24:05,919

do with some whack-a-doo

429

00:24:09,909 --> 00:24:08,480

j-o in the form of corey goode running

430

00:24:12,789 --> 00:24:09,919

around on the internet telling people

431

00:24:14,789 --> 00:24:12,799

that basically that he's buck rogers

432

00:24:16,470 --> 00:24:14,799

right he's basically telling people he's

433

00:24:19,350 --> 00:24:16,480

buck rogers

434

00:24:20,789 --> 00:24:19,360

and some lawyer from new jersey said i

435

00:24:22,789 --> 00:24:20,799

don't believe these stories are real and

436

00:24:24,870 --> 00:24:22,799

here's why

437

00:24:27,669 --> 00:24:24,880

so corey good sued that lawyer from new

438

00:24:30,149 --> 00:24:27,679

jersey and about 10 other people who

439

00:24:33,590 --> 00:24:30,159

said his whack-a-doo buck roger science

440

00:24:38,310 --> 00:24:33,600

fiction fantasy stories are just that

441

00:24:41,830 --> 00:24:40,230

he also sued gaia

442

00:24:45,110 --> 00:24:41,840

let's see

443

00:24:47,510 --> 00:24:45,120

he decided that he s he had to sue his

444

00:24:49,750 --> 00:24:47,520

writer and former manager

445

00:24:52,310 --> 00:24:49,760

uh he's suing leon isaac kennedy a

446

00:24:53,590 --> 00:24:52,320

one-time business associate and partner

447

00:24:55,750 --> 00:24:53,600

uh

448

00:24:57,590 --> 00:24:55,760

i'm not sure i think he was suing he was

449

00:24:59,350 --> 00:24:57,600

going to sue jordan sather but maybe

450

00:25:01,029 --> 00:24:59,360

jordan say there wasn't named yet or he

451

00:25:03,430 --> 00:25:01,039

didn't open another suit

452

00:25:05,830 --> 00:25:03,440

uh let's see he's suing this girl iri

453

00:25:07,190 --> 00:25:05,840

stone some single mom that was very

454

00:25:10,390 --> 00:25:07,200

critical of him

455

00:25:13,029 --> 00:25:10,400

he's uh yeah so he's suing

456

00:25:15,029 --> 00:25:13,039

his former conference organizer he's

457

00:25:17,990 --> 00:25:15,039

suing his former business partner he's

458

00:25:20,630 --> 00:25:18,000

suing his former producer

459

00:25:23,190 --> 00:25:20,640

uh he's

460

00:25:25,190 --> 00:25:23,200

he's basically suing everybody oh he was

461

00:25:27,269 --> 00:25:25,200

suing the girl who wrote the course that

462

00:25:28,950 --> 00:25:27,279

he just sold too but i'm not sure if

463

00:25:31,430 --> 00:25:28,960

that one got settled

464

00:25:34,789 --> 00:25:31,440

uh he was suing cliff high he was suing

465

00:25:38,149 --> 00:25:34,799

jay widener he was suing uh

466

00:25:40,710 --> 00:25:38,159

i've lost track he's suing everybody

467

00:25:42,549 --> 00:25:40,720

everybody that stands up and says that

468

00:25:45,110 --> 00:25:42,559

this guy's buck roger science fiction

469

00:25:47,750 --> 00:25:45,120

fantasy stories are a joke

470

00:25:49,430 --> 00:25:47,760

he decides he's gonna sue then he tells

471

00:25:52,789 --> 00:25:49,440

his followers that there's a vast

472

00:25:54,470 --> 00:25:52,799

criminal conspiracy against him

473

00:25:57,190 --> 00:25:54,480

and he

474

00:25:58,870 --> 00:25:57,200

is gonna get them all in trouble he's

475

00:26:01,269 --> 00:25:58,880

suing them all he's gonna provide the

476

00:26:02,950 --> 00:26:01,279

proof of this vast criminal conspiracy

477

00:26:06,549 --> 00:26:02,960

against him

478

00:26:08,070 --> 00:26:06,559

he also at various times has done social

479

00:26:10,390 --> 00:26:08,080

media posts that were completely and

480

00:26:12,149 --> 00:26:10,400

totally fake and misleading took a

481

00:26:13,830 --> 00:26:12,159

picture of a box

482

00:26:15,510 --> 00:26:13,840

in front of a police station claiming

483

00:26:16,950 --> 00:26:15,520

that he was dropping off all this

484

00:26:20,950 --> 00:26:16,960

evidence and there

485

00:26:23,190 --> 00:26:20,960

were criminal investigations underway

486

00:26:26,070 --> 00:26:23,200

but again every time that you can fact

487

00:26:27,909 --> 00:26:26,080

check this clown you find out that he's

488

00:26:30,310 --> 00:26:27,919

lying through his teeth

489

00:26:32,630 --> 00:26:30,320

because i located the police station in

490

00:26:35,190 --> 00:26:32,640

the photos that he was taking with a

491

00:26:37,590 --> 00:26:35,200

staples box full of papers

492

00:26:40,630 --> 00:26:37,600

and he corey good never filed a single

493

00:26:42,549 --> 00:26:40,640

criminal complaint against anyone

494

00:26:44,950 --> 00:26:42,559

this is all theater

495

00:26:46,950 --> 00:26:44,960

for his stupid followers

496

00:26:49,269 --> 00:26:46,960

so that he could keep this thing going

497

00:26:53,669 --> 00:26:49,279

and that these stupid people can send

498

00:26:57,750 --> 00:26:55,190

folks i i don't even know what to say at

499

00:26:59,029 --> 00:26:57,760

this point why am i still listening to

500

00:27:01,350 --> 00:26:59,039

what he says

501
00:27:03,590 --> 00:27:01,360
because it is kind of like the world's

502
00:27:05,750 --> 00:27:03,600
worst soap opera and i'd like to see

503
00:27:08,630 --> 00:27:05,760
what would happen next

504
00:27:10,789 --> 00:27:08,640
oh i i'm sorry i neglected earlier thank

505
00:27:12,789 --> 00:27:10,799
you madam two swords for a kind and

506
00:27:15,430 --> 00:27:12,799
generous 249

507
00:27:16,950 --> 00:27:15,440
249 pounds super sticker thank you for

508
00:27:18,389 --> 00:27:16,960
your kindness your generosity and your

509
00:27:20,630 --> 00:27:18,399
support of the show

510
00:27:22,149 --> 00:27:20,640
anybody who wishes to support our show

511
00:27:23,909 --> 00:27:22,159
should remember that this is a viewer

512
00:27:25,830 --> 00:27:23,919
supported show and there's a money

513
00:27:27,990 --> 00:27:25,840

button down there so you can throw

514

00:27:30,149 --> 00:27:28,000

a couple of bucks in our hat and keep us

515

00:27:31,909 --> 00:27:30,159

producing this content

516

00:27:34,389 --> 00:27:31,919

now i mention all the time all the

517

00:27:35,269 --> 00:27:34,399

people that corey good is suing

518

00:27:37,190 --> 00:27:35,279

um

519

00:27:39,269 --> 00:27:37,200

interestingly i have been one of the

520

00:27:41,510 --> 00:27:39,279

most critical of his uh for quite some

521

00:27:43,669 --> 00:27:41,520

time now and he hasn't sued me

522

00:27:45,430 --> 00:27:43,679

um but i think that's because corga is a

523

00:27:47,590 --> 00:27:45,440

little smarter than some people give him

524

00:27:49,350 --> 00:27:47,600

credit for and he knows that i have

525

00:27:50,870 --> 00:27:49,360

certain legal protections in place that

526

00:27:54,789 --> 00:27:50,880

would make suing me

527

00:27:57,029 --> 00:27:54,799

a very fruitless endeavor

528

00:27:59,430 --> 00:27:57,039

so i find myself in a strange place

529

00:28:01,510 --> 00:27:59,440

being one of the few people left but

530

00:28:04,070 --> 00:28:01,520

still have a voice here

531

00:28:06,470 --> 00:28:04,080

to be critical of this guy

532

00:28:08,310 --> 00:28:06,480

and his detrimental effect on an entire

533

00:28:09,750 --> 00:28:08,320

field of research

534

00:28:12,789 --> 00:28:09,760

people should know do i believe there's

535

00:28:14,789 --> 00:28:12,799

a secret space program absolutely

536

00:28:17,510 --> 00:28:14,799

absolutely there is a secret space

537

00:28:19,909 --> 00:28:17,520

program i can tell you with a hundred

538

00:28:22,950 --> 00:28:19,919

percent degree of certainty that there

539

00:28:26,549 --> 00:28:22,960

is a secret space program

540

00:28:27,590 --> 00:28:26,559

look up the x-37b

541

00:28:29,750 --> 00:28:27,600

look it up

542

00:28:33,750 --> 00:28:29,760

that alone proves

543

00:28:36,710 --> 00:28:33,760

that there is a secret space program

544

00:28:39,110 --> 00:28:36,720

that significant time money engineering

545

00:28:43,430 --> 00:28:39,120

and resources are being pumped into

546

00:28:48,950 --> 00:28:46,549

i believe that it is quite possible

547

00:28:50,950 --> 00:28:48,960

that corey goode

548

00:28:53,190 --> 00:28:50,960

is a distraction

549

00:28:54,470 --> 00:28:53,200

to keep people

550

00:28:56,549 --> 00:28:54,480

from

551
00:29:00,710 --> 00:28:56,559
the real truth

552
00:29:03,430 --> 00:29:00,720
of the real secret space program

553
00:29:05,590 --> 00:29:03,440
they have this x-37b

554
00:29:07,510 --> 00:29:05,600
stays in space for huge amounts of time

555
00:29:09,510 --> 00:29:07,520
but no one is allowed to know what that

556
00:29:11,909 --> 00:29:09,520
thing's doing up there

557
00:29:13,110 --> 00:29:11,919
it's reasonable friends to assume that

558
00:29:14,789 --> 00:29:13,120
there are

559
00:29:17,029 --> 00:29:14,799
satellites

560
00:29:18,789 --> 00:29:17,039
that we the citizens that are paying for

561
00:29:19,909 --> 00:29:18,799
those things don't have the right to

562
00:29:23,909 --> 00:29:19,919
know about

563
00:29:28,789 --> 00:29:26,070

it's reasonable to assume that there may

564

00:29:29,750 --> 00:29:28,799

have been experiments in space

565

00:29:31,830 --> 00:29:29,760

or

566

00:29:33,590 --> 00:29:31,840

advanced craft

567

00:29:37,110 --> 00:29:33,600

that the government has that have been

568

00:29:39,750 --> 00:29:37,120

tested or used in space

569

00:29:42,470 --> 00:29:39,760

that we don't know about

570

00:29:45,190 --> 00:29:42,480

we don't have a need to know

571

00:29:47,590 --> 00:29:45,200

i believe my friends that there is a

572

00:29:50,149 --> 00:29:47,600

real and serious

573

00:29:53,110 --> 00:29:50,159

secret space program

574

00:29:56,310 --> 00:29:53,120

but it is the clowns like corey goode

575

00:29:57,750 --> 00:29:56,320

randy cramer and other these other nuts

576

00:30:00,149 --> 00:29:57,760

that are out there telling people that

577

00:30:01,269 --> 00:30:00,159

they were battling aliens on mars and

578

00:30:04,950 --> 00:30:01,279

going through

579

00:30:06,950 --> 00:30:04,960

teleports and stargates and you know

580

00:30:09,590 --> 00:30:06,960

corey good's time traveling and then he

581

00:30:11,909 --> 00:30:09,600

was age regressed

582

00:30:13,350 --> 00:30:11,919

i believe that these clowns

583

00:30:15,990 --> 00:30:13,360

may

584

00:30:18,549 --> 00:30:16,000

be company men

585

00:30:20,950 --> 00:30:18,559

company man that's an interesting term

586

00:30:23,350 --> 00:30:20,960

a term i wasn't familiar with

587

00:30:25,430 --> 00:30:23,360

until a former united states

588

00:30:27,430 --> 00:30:25,440

intelligence officer

589

00:30:30,230 --> 00:30:27,440

equally interested in the real secret

590

00:30:31,669 --> 00:30:30,240

space program as me

591

00:30:33,830 --> 00:30:31,679

talked to me

592

00:30:38,630 --> 00:30:33,840

about

593

00:30:42,789 --> 00:30:38,640

space program

594

00:30:46,630 --> 00:30:42,799

been literally destroyed

595

00:30:47,990 --> 00:30:46,640

and become a subject worthy of ridicule

596

00:30:49,990 --> 00:30:48,000

and laughter

597

00:30:51,990 --> 00:30:50,000

bring up the secret space program you

598

00:30:54,549 --> 00:30:52,000

don't get to hear real serious

599

00:30:57,350 --> 00:30:54,559

researchers work on those black budget

600

00:30:59,430 --> 00:30:57,360

programs on that x-37b and what's what's

601
00:31:01,350 --> 00:30:59,440
it doing up there for a year straight in

602
00:31:02,830 --> 00:31:01,360
space that we're not allowed to know

603
00:31:06,710 --> 00:31:02,840
about

604
00:31:08,470 --> 00:31:06,720
no look up the secret space program

605
00:31:11,110 --> 00:31:08,480
what you get

606
00:31:14,630 --> 00:31:12,710
garbage hucksters

607
00:31:16,870 --> 00:31:14,640
selling their fairy tales about fighting

608
00:31:18,470 --> 00:31:16,880
aliens in space and time traveling and

609
00:31:20,789 --> 00:31:18,480
going through portals

610
00:31:23,350 --> 00:31:20,799
and being earth's galactic ambassador

611
00:31:26,310 --> 00:31:24,549
this

612
00:31:27,669 --> 00:31:26,320
my friends

613
00:31:29,190 --> 00:31:27,679

may be

614

00:31:31,350 --> 00:31:29,200

just maybe

615

00:31:34,389 --> 00:31:31,360

intentional

616

00:31:36,630 --> 00:31:34,399

and perhaps those powers that be

617

00:31:39,750 --> 00:31:36,640

love these clowns out there

618

00:31:42,470 --> 00:31:39,760

making serious research into what could

619

00:31:46,230 --> 00:31:42,480

be a secret space program

620

00:31:50,789 --> 00:31:48,710

corey goode has done more to damage

621

00:31:53,110 --> 00:31:50,799

serious research into that subject than

622

00:31:56,310 --> 00:31:53,120

any person in history

623

00:31:57,909 --> 00:31:56,320

he has done more to make that subject

624

00:32:00,710 --> 00:31:57,919

laughable

625

00:32:02,470 --> 00:32:00,720

people laugh about this now

626
00:32:04,630 --> 00:32:02,480
before corey good if you brought up the

627
00:32:06,870 --> 00:32:04,640
secret space program there were real

628
00:32:08,549 --> 00:32:06,880
incredible researchers doing

629
00:32:10,470 --> 00:32:08,559
amazing work

630
00:32:12,549 --> 00:32:10,480
talking about the trillions of dollars

631
00:32:14,549 --> 00:32:12,559
that disappear into the black budgets

632
00:32:16,389 --> 00:32:14,559
and some of the secret space

633
00:32:19,830 --> 00:32:16,399
technologies that were being developed

634
00:32:23,110 --> 00:32:19,840
with those trillions of dollars

635
00:32:25,590 --> 00:32:23,120
people were doing serious research into

636
00:32:28,389 --> 00:32:25,600
some of the secret history of nasa some

637
00:32:29,830 --> 00:32:28,399
of the experiments that they've done

638
00:32:33,350 --> 00:32:29,840

some of the things they were willing to

639

00:32:34,549 --> 00:32:33,360

do to advance in the space race

640

00:32:37,269 --> 00:32:34,559

there were people that were doing

641

00:32:39,750 --> 00:32:37,279

serious research into

642

00:32:41,190 --> 00:32:39,760

secret spy satellites

643

00:32:43,269 --> 00:32:41,200

you know the

644

00:32:44,470 --> 00:32:43,279

nasa space shuttle program was going for

645

00:32:46,549 --> 00:32:44,480

decades

646

00:32:48,149 --> 00:32:46,559

and almost every time they launched uh

647

00:32:49,750 --> 00:32:48,159

the space shuttle they were launching

648

00:32:51,509 --> 00:32:49,760

some kind of satellite that we weren't

649

00:32:53,750 --> 00:32:51,519

supposed to know about

650

00:32:56,389 --> 00:32:53,760

we didn't have a right to know

651
00:32:59,990 --> 00:32:56,399
that of course it's a space satellite

652
00:33:02,070 --> 00:33:00,000
that's part of the secret space program

653
00:33:05,590 --> 00:33:02,080
before corey good people were doing

654
00:33:07,669 --> 00:33:05,600
serious research making headway

655
00:33:09,590 --> 00:33:07,679
into finding out what all those spy

656
00:33:12,470 --> 00:33:09,600
satellites launched all through the 80s

657
00:33:15,990 --> 00:33:12,480
and 90s are all about

658
00:33:20,630 --> 00:33:17,669
we were close

659
00:33:22,549 --> 00:33:20,640
i think that some of these researchers

660
00:33:24,389 --> 00:33:22,559
were doing great work

661
00:33:27,350 --> 00:33:24,399
and people were getting close

662
00:33:31,029 --> 00:33:27,360
to some of the real truth behind the

663
00:33:32,950 --> 00:33:31,039

real secret space program

664

00:33:34,470 --> 00:33:32,960

but now do a google search or any other

665

00:33:36,230 --> 00:33:34,480

search

666

00:33:42,549 --> 00:33:36,240

and what do you get

667

00:33:47,190 --> 00:33:44,870

but i suppose that uh

668

00:33:48,950 --> 00:33:47,200

corey goode's stories aren't over yet

669

00:33:50,870 --> 00:33:48,960

because now he's posting brand new

670

00:33:53,110 --> 00:33:50,880

stories and i gotta tell you

671

00:33:55,430 --> 00:33:53,120

uh this new method of delivery is

672

00:33:58,950 --> 00:33:55,440

perhaps the lowest

673

00:34:00,389 --> 00:33:58,960

form of narcissistic garbage that he has

674

00:34:02,710 --> 00:34:00,399

ever produced

675

00:34:04,310 --> 00:34:02,720

this is a new low for him

676

00:34:06,470 --> 00:34:04,320

before i play the video i'm just going

677

00:34:07,750 --> 00:34:06,480

to give a quick critique of a few things

678

00:34:10,230 --> 00:34:07,760

first of all

679

00:34:12,310 --> 00:34:10,240

somebody bought speechlow right you know

680

00:34:13,829 --> 00:34:12,320

the robot voice but it sounds pretty

681

00:34:16,389 --> 00:34:13,839

convincing

682

00:34:18,149 --> 00:34:16,399

but corey good is so lazy

683

00:34:19,669 --> 00:34:18,159

you know there's multiple times

684

00:34:21,589 --> 00:34:19,679

throughout this video that there's all

685

00:34:23,270 --> 00:34:21,599

these mispronunciations and all you had

686

00:34:25,589 --> 00:34:23,280

to do was go in there

687

00:34:27,909 --> 00:34:25,599

and write the word out that the robot

688

00:34:29,589 --> 00:34:27,919

voice was speaking wrong phonetically

689

00:34:32,310 --> 00:34:29,599

but he was too lazy to do that so you

690

00:34:36,230 --> 00:34:32,320

just got to keep listening to this thing

691

00:34:39,510 --> 00:34:36,240

mispronounced words and you know look

692

00:34:42,230 --> 00:34:39,520

the other thing is it's supposed to be a

693

00:34:43,909 --> 00:34:42,240

uh an alliance update from a secret

694

00:34:45,909 --> 00:34:43,919

space program

695

00:34:49,270 --> 00:34:45,919

comprised of multiple

696

00:34:51,510 --> 00:34:49,280

super advanced extraterrestrial races

697

00:34:53,669 --> 00:34:51,520

and after you listen i just want you to

698

00:34:56,069 --> 00:34:53,679

look at this video and you tell me if

699

00:34:58,390 --> 00:34:56,079

this guy was really in some group with

700

00:35:01,030 --> 00:34:58,400

all these super advanced aliens

701

00:35:03,990 --> 00:35:01,040

would this be what he'd be releasing

702

00:35:06,230 --> 00:35:04,000

when aliens step in and say excuse me

703

00:35:07,990 --> 00:35:06,240

that speech low robot voice you're using

704

00:35:10,630 --> 00:35:08,000

is terrible i know you just bought it

705

00:35:13,510 --> 00:35:10,640

for 27 dollars and you want to use it

706

00:35:15,349 --> 00:35:13,520

but this sounds stupid corey good

707

00:35:17,510 --> 00:35:15,359

let us narrate it you know he's got all

708

00:35:20,710 --> 00:35:17,520

these alien friends why does he need a

709

00:35:21,990 --> 00:35:20,720

robot voice to narrate his videos

710

00:35:22,870 --> 00:35:22,000

couldn't he get

711

00:35:25,349 --> 00:35:22,880

you know

712

00:35:28,150 --> 00:35:25,359

one of his alien imaginary friends to do

713

00:35:30,870 --> 00:35:28,160

it you know rodriguez or i don't know

714

00:35:32,230 --> 00:35:30,880

gomez or whatever fake names he makes up

715

00:35:34,069 --> 00:35:32,240

for his imaginary friends that are in

716

00:35:36,550 --> 00:35:34,079

this secret space program couldn't he

717

00:35:39,589 --> 00:35:36,560

get them guys to like narrate the videos

718

00:35:41,750 --> 00:35:39,599

so it's not so hokey i'm just

719

00:35:43,910 --> 00:35:41,760

just thinking out loud here i've given

720

00:35:46,069 --> 00:35:43,920

corey good production notes for his next

721

00:35:47,750 --> 00:35:46,079

video full of fake stories okay i'm

722

00:35:49,589 --> 00:35:47,760

helping him

723

00:35:50,470 --> 00:35:49,599

what else

724

00:35:52,390 --> 00:35:50,480

did

725

00:35:54,230 --> 00:35:52,400

it's just so ridic we're just gonna play

726

00:35:55,349 --> 00:35:54,240

it it's just so ridiculous it's

727

00:35:57,670 --> 00:35:55,359

basically

728

00:35:59,910 --> 00:35:57,680

he writes out this whole story

729

00:36:02,550 --> 00:35:59,920

that paints himself in the center of

730

00:36:05,510 --> 00:36:02,560

this story as being earth savior and

731

00:36:07,430 --> 00:36:05,520

earth's chosen one it's it's the stories

732

00:36:09,430 --> 00:36:07,440

we've heard before and another

733

00:36:11,829 --> 00:36:09,440

noteworthy of mention is that some of

734

00:36:14,790 --> 00:36:11,839

the stuff that corey good is

735

00:36:16,710 --> 00:36:14,800

repeating in his new videos is owned by

736

00:36:18,150 --> 00:36:16,720

gaia and he could get sued for saying it

737

00:36:21,190 --> 00:36:18,160

because it's content that he already

738

00:36:24,390 --> 00:36:21,200

used on gaia he's not allowed legally to

739

00:36:26,630 --> 00:36:24,400

even use this stuff or he could be sued

740

00:36:29,750 --> 00:36:26,640

uh and he's already being sued by that

741

00:36:32,310 --> 00:36:29,760

company so real smart move there

742

00:36:34,950 --> 00:36:32,320

corey good must be a genius he really

743

00:36:36,790 --> 00:36:34,960

must be a genius because he's using

744

00:36:38,870 --> 00:36:36,800

content owned by a company that is

745

00:36:42,790 --> 00:36:38,880

already suing him

746

00:36:44,390 --> 00:36:42,800

great great job corey good

747

00:36:46,150 --> 00:36:44,400

as you'll hear friends

748

00:36:47,910 --> 00:36:46,160

i am still a little under the weather

749

00:36:51,030 --> 00:36:47,920

and losing my voice so you're going to

750

00:36:54,950 --> 00:36:53,109

all right here's what we're going to do

751
00:36:56,790 --> 00:36:54,960
we're going to play

752
00:36:59,589 --> 00:36:56,800
this joke of a video

753
00:37:00,550 --> 00:36:59,599
uh narrated by a robot

754
00:37:02,870 --> 00:37:00,560
hey

755
00:37:05,270 --> 00:37:02,880
maybe it's twiggy right cory good thinks

756
00:37:07,109 --> 00:37:05,280
he's buck rogers right so this is his

757
00:37:10,950 --> 00:37:07,119
twiggy 238

758
00:37:12,150 --> 00:37:10,960
corey good he's the savior of earth 2033

759
00:37:14,710 --> 00:37:12,160
corey goode

760
00:37:17,829 --> 00:37:14,720
uh was chosen by our secret space

761
00:37:19,829 --> 00:37:17,839
program twiggy 283d cory maybe corey

762
00:37:21,670 --> 00:37:19,839
good got his twiggy right he got his

763
00:37:23,910 --> 00:37:21,680

robot that's going to tell everybody how

764

00:37:25,349 --> 00:37:23,920

great he is and be his companion

765

00:37:27,510 --> 00:37:25,359

right

766

00:37:28,870 --> 00:37:27,520

i think at this point corey good may

767

00:37:30,710 --> 00:37:28,880

have sued all of his friends and

768

00:37:32,230 --> 00:37:30,720

business associates and he don't got no

769

00:37:35,349 --> 00:37:32,240

friends left so maybe he does need a

770

00:37:37,349 --> 00:37:35,359

robot pal to help him on his secret

771

00:37:40,470 --> 00:37:37,359

space missions

772

00:37:45,349 --> 00:37:40,480

this is ridiculous friends uh let's get

773

00:37:52,710 --> 00:37:48,710

let's get into this this is called ssp

774

00:37:55,750 --> 00:37:52,720

alliance update recon reptilian e.t

775

00:38:01,829 --> 00:37:55,760

bases on the moon mars and antarctica

776

00:38:05,990 --> 00:38:03,750

oh and i'm gonna put up my uh

777

00:38:07,510 --> 00:38:06,000

i got to put up my fair use banner

778

00:38:09,589 --> 00:38:07,520

uh this is fair use this is a

779

00:38:11,270 --> 00:38:09,599

transformative work we are educating the

780

00:38:13,270 --> 00:38:11,280

public about corey goode and his buck

781

00:38:15,510 --> 00:38:13,280

rogers science fiction fantasy stories

782

00:38:18,150 --> 00:38:15,520

that he's been selling for five years

783

00:38:19,510 --> 00:38:18,160

uh so this is covered under fair use

784

00:38:21,589 --> 00:38:19,520

because we're going to be discussing the

785

00:38:23,430 --> 00:38:21,599

video critiquing the video oh are we

786

00:38:25,829 --> 00:38:23,440

going to be critiquing it because this

787

00:38:30,829 --> 00:38:27,670

this is this is my favorite thing that

788

00:38:32,710 --> 00:38:30,839

corey good has ever done so far quite

789

00:38:34,630 --> 00:38:32,720

possibly

790

00:38:36,310 --> 00:38:34,640

have to think real hard about is is that

791

00:38:38,790 --> 00:38:36,320

an accurate statement but i think so i

792

00:38:40,950 --> 00:38:38,800

think so it's that good friends

793

00:38:45,190 --> 00:38:40,960

so this is fair use let's get into it

794

00:38:45,200 --> 00:38:57,750

one second

795

00:38:57,760 --> 00:39:04,830

all right fair use friends

796

00:39:16,630 --> 00:39:13,829

[Music]

797

00:39:19,510 --> 00:39:16,640

somebody bought some stock videos boy

798

00:39:21,910 --> 00:39:19,520

from chief of operations to all

799

00:39:22,870 --> 00:39:21,920

governments militaries and citizens of

800

00:39:24,470 --> 00:39:22,880

earth

801
00:39:25,430 --> 00:39:24,480
oh we got i got a problem with this

802
00:39:26,230 --> 00:39:25,440
already

803
00:39:28,630 --> 00:39:26,240
um

804
00:39:29,829 --> 00:39:28,640
this is from the chief of operations

805
00:39:31,670 --> 00:39:29,839
right

806
00:39:34,150 --> 00:39:31,680
and it's like it's supposed to be like

807
00:39:36,069 --> 00:39:34,160
an email i don't know uh this is from

808
00:39:38,310 --> 00:39:36,079
the chief of operations and i just want

809
00:39:40,150 --> 00:39:38,320
to know who is the chief of operations

810
00:39:43,589 --> 00:39:40,160
is this another one of corey good's

811
00:39:45,030 --> 00:39:43,599
imaginary friends so this whole story is

812
00:39:47,829 --> 00:39:45,040
coming from one of corey good's

813
00:39:49,670 --> 00:39:47,839

imaginary friends and nobody is allowed

814

00:39:51,990 --> 00:39:49,680

to interview his imaginary friend and

815

00:39:53,510 --> 00:39:52,000

say did you say all this stuff are you

816

00:39:54,829 --> 00:39:53,520

the chief of operations for a secret

817

00:39:57,670 --> 00:39:54,839

space program

818

00:39:59,589 --> 00:39:57,680

alliance at an undisclosed location

819

00:40:01,750 --> 00:39:59,599

did you is corey good the savior of

820

00:40:03,589 --> 00:40:01,760

earth can you talk to us about that no

821

00:40:05,510 --> 00:40:03,599

nobody's allowed to interview look we're

822

00:40:08,069 --> 00:40:05,520

like five seconds in and already corey

823

00:40:11,430 --> 00:40:08,079

good is lying to people there's no chief

824

00:40:13,430 --> 00:40:11,440

of operations this is garbage subject

825

00:40:15,750 --> 00:40:13,440

reconnaissance mission over the orion

826
00:40:18,710 --> 00:40:15,760
group bases in antarctica the moon and

827
00:40:21,109 --> 00:40:18,720
mars part one this is an official ssp

828
00:40:25,270 --> 00:40:21,119
alliance release the disclosure is weak

829
00:40:27,510 --> 00:40:25,280
it's an official ssp alliance release

830
00:40:30,150 --> 00:40:27,520
there's a secret space program and

831
00:40:32,870 --> 00:40:30,160
they're an alliance of

832
00:40:35,030 --> 00:40:32,880
extraterrestrial races and humans and

833
00:40:37,270 --> 00:40:35,040
they're all working together to fight

834
00:40:39,430 --> 00:40:37,280
i think the draco reptilian aliens i'm a

835
00:40:42,069 --> 00:40:39,440
little unclear but

836
00:40:44,630 --> 00:40:42,079
it's a secret space program

837
00:40:46,069 --> 00:40:44,640
but they're posting this information on

838
00:40:48,470 --> 00:40:46,079

youtube

839

00:40:50,309 --> 00:40:48,480

i thought it was a secret space program

840

00:40:51,750 --> 00:40:50,319

cory good

841

00:40:54,390 --> 00:40:51,760

we have brought forward have been

842

00:40:57,190 --> 00:40:54,400

compromised fake secret space program

843

00:40:59,750 --> 00:40:57,200

veterans super soldier investors and et

844

00:41:02,309 --> 00:40:59,760

contact inputs imposters

845

00:41:04,390 --> 00:41:02,319

imposters corey good you are you this

846

00:41:05,670 --> 00:41:04,400

lazy bro all you got to do look i'm

847

00:41:08,150 --> 00:41:05,680

going to give you a piece of advice

848

00:41:09,109 --> 00:41:08,160

because i used a lot of robot voices in

849

00:41:11,349 --> 00:41:09,119

the past

850

00:41:14,150 --> 00:41:11,359

you got to phonetically spell it so if

851
00:41:15,829 --> 00:41:14,160
this thing's saying in pistors you know

852
00:41:17,430 --> 00:41:15,839
you you spell it out phonetically and

853
00:41:19,430 --> 00:41:17,440
then it'll say it right but you were too

854
00:41:20,790 --> 00:41:19,440
lazy to do that so we got to hear this

855
00:41:22,870 --> 00:41:20,800
robot voice

856
00:41:25,109 --> 00:41:22,880
sounded like it just learned english

857
00:41:27,430 --> 00:41:25,119
thanks great good teas have released

858
00:41:29,349 --> 00:41:27,440
considerable misinformation to keep

859
00:41:31,030 --> 00:41:29,359
humanity from fighting for freedom with

860
00:41:32,550 --> 00:41:31,040
a false sense of security they are

861
00:41:35,349 --> 00:41:32,560
peddling the narrative that the mars

862
00:41:37,190 --> 00:41:35,359
colonies moon and antarctica bases have

863
00:41:39,589 --> 00:41:37,200

been liberated from the grey alien and

864

00:41:40,390 --> 00:41:39,599

reptilian forces okay

865

00:41:42,150 --> 00:41:40,400

so

866

00:41:44,710 --> 00:41:42,160

for everybody following along there's

867

00:41:45,990 --> 00:41:44,720

these fake secret space program guys

868

00:41:48,870 --> 00:41:46,000

they're telling people the fake

869

00:41:51,349 --> 00:41:48,880

information and only corey goode earth's

870

00:41:54,069 --> 00:41:51,359

galactic ambassador buck rogers savior

871

00:41:55,670 --> 00:41:54,079

of earth has the real information so

872

00:41:57,910 --> 00:41:55,680

forget about those other guys because

873

00:42:00,550 --> 00:41:57,920

they're giving us bad information

874

00:42:02,630 --> 00:42:00,560

you see the mars the moon and antarctica

875

00:42:04,150 --> 00:42:02,640

bases have have been liberated from gray

876

00:42:06,069 --> 00:42:04,160

alien reptilian forces that's what the

877

00:42:07,190 --> 00:42:06,079

bad guys are telling you but they're

878

00:42:08,870 --> 00:42:07,200

lying

879

00:42:11,910 --> 00:42:08,880

those reptilians and graves are still

880

00:42:13,589 --> 00:42:11,920

there and we have to martial our forces

881

00:42:15,910 --> 00:42:13,599

and corey good is going to lead the

882

00:42:17,109 --> 00:42:15,920

charge against those evil aliens and

883

00:42:19,109 --> 00:42:17,119

save earth

884

00:42:20,630 --> 00:42:19,119

i'm i'm guessing no i previewed this

885

00:42:23,030 --> 00:42:20,640

yeah that's of course he's gonna save

886

00:42:25,910 --> 00:42:23,040

earth friends corey good as the savior

887

00:42:27,430 --> 00:42:25,920

of earth okay

888

00:42:29,430 --> 00:42:27,440

if you are hearing or reading these

889

00:42:31,349 --> 00:42:29,440

briefings for the first time this

890

00:42:32,790 --> 00:42:31,359

information will undoubtedly challenge

891

00:42:35,030 --> 00:42:32,800

and may upset everything you have

892

00:42:37,030 --> 00:42:35,040

believed your whole life the briefings

893

00:42:39,270 --> 00:42:37,040

will include intel on etheric shadow

894

00:42:40,309 --> 00:42:39,280

beings demonic entities and others

895

00:42:42,470 --> 00:42:40,319

working with a group of

896

00:42:44,470 --> 00:42:42,480

extraterrestrials

897

00:42:46,470 --> 00:42:44,480

cory good is trying to pivot into

898

00:42:48,069 --> 00:42:46,480

bringing in ghost stuff in fact at his

899

00:42:50,710 --> 00:42:48,079

latest conference he didn't talk about

900

00:42:52,630 --> 00:42:50,720

aliens he talked about demonic entities

901
00:42:54,230 --> 00:42:52,640
and shadow beings

902
00:42:57,030 --> 00:42:54,240
and i guess now he's gonna weave that

903
00:42:58,710 --> 00:42:57,040
stuff oh great this this science fiction

904
00:43:00,950 --> 00:42:58,720
fantasy story just got better because

905
00:43:02,470 --> 00:43:00,960
now we're going to have demons right i'm

906
00:43:04,630 --> 00:43:02,480
sure there were some aliens on some

907
00:43:06,950 --> 00:43:04,640
sci-fi shows that look like

908
00:43:09,430 --> 00:43:06,960
demons right

909
00:43:10,829 --> 00:43:09,440
yeah shadow beings demonic entities

910
00:43:12,710 --> 00:43:10,839
they're working with a group of

911
00:43:15,510 --> 00:43:12,720
extraterrestrials so

912
00:43:17,510 --> 00:43:15,520
you know look as if

913
00:43:19,990 --> 00:43:17,520

a guy telling stories

914

00:43:23,750 --> 00:43:20,000

that involve reptilian aliens grey

915

00:43:26,069 --> 00:43:23,760

aliens mayan aliens you know aliens that

916

00:43:28,550 --> 00:43:26,079

they were mayans but they left and then

917

00:43:31,109 --> 00:43:28,560

you know oh jesus

918

00:43:33,270 --> 00:43:31,119

so all these aliens aren't enough right

919

00:43:35,589 --> 00:43:33,280

now he's going to bring in shadow beings

920

00:43:38,710 --> 00:43:35,599

and demons

921

00:43:41,349 --> 00:43:38,720

that are working alongside the aliens

922

00:43:43,670 --> 00:43:41,359

this is getting good friends this is

923

00:43:46,470 --> 00:43:43,680

sounding like a really bad episode of

924

00:43:48,470 --> 00:43:46,480

like babylon 5 if you ask me

925

00:43:50,790 --> 00:43:48,480

orion group including the draco

926

00:43:52,950 --> 00:43:50,800

reptilians our current official public

927

00:43:55,270 --> 00:43:52,960

liaison is corey good we have been

928

00:43:57,589 --> 00:43:55,280

monitoring this since his environment

929

00:44:00,870 --> 00:43:57,599

look at this this is so cheesy it's

930

00:44:06,630 --> 00:44:00,880

ridiculous looking so serious in this

931

00:44:16,150 --> 00:44:09,670

our liaison is quite good

932

00:44:23,190 --> 00:44:19,510

oh my god this is great our current

933

00:44:25,990 --> 00:44:23,200

official public liaison is corey good

934

00:44:28,069 --> 00:44:26,000

we're the secret space program alliance

935

00:44:29,430 --> 00:44:28,079

and we're giving you an update to let

936

00:44:30,470 --> 00:44:29,440

you know

937

00:44:33,349 --> 00:44:30,480

that

938

00:44:34,550 --> 00:44:33,359

out of everybody on earth we picked this

939

00:44:37,510 --> 00:44:34,560

clown

940

00:44:39,990 --> 00:44:37,520

we picked him and we've been monitoring

941

00:44:41,829 --> 00:44:40,000

goods since this enrollment into my lab

942

00:44:44,309 --> 00:44:41,839

at age six

943

00:44:46,870 --> 00:44:44,319

my lab recruits trains young individuals

944

00:44:49,589 --> 00:44:46,880

for black ops programs so corey goode is

945

00:44:51,589 --> 00:44:49,599

not only the savior of earth but he was

946

00:44:53,990 --> 00:44:51,599

he's not only the savior of earth he not

947

00:44:56,309 --> 00:44:54,000

only is you know interacting with shadow

948

00:44:58,950 --> 00:44:56,319

beings demons and multiple species of

949

00:45:03,910 --> 00:44:58,960

aliens and flying on a spaceship to a

950

00:45:06,230 --> 00:45:03,920

secret freaking moon base he's he's also

951
00:45:09,349 --> 00:45:06,240
a member he was enrolled in the military

952
00:45:10,630 --> 00:45:09,359
my lab program at six years old

953
00:45:13,270 --> 00:45:10,640
sure he was

954
00:45:15,990 --> 00:45:13,280
in the military abduction program milab

955
00:45:18,790 --> 00:45:16,000
at age six millab recruits and trains

956
00:45:20,550 --> 00:45:18,800
young individuals for black ops programs

957
00:45:24,710 --> 00:45:20,560
good trained and served in the millab

958
00:45:27,670 --> 00:45:24,720
program in texas from 1976 until 1986 as

959
00:45:28,710 --> 00:45:27,680
an intuitive empath

960
00:45:31,190 --> 00:45:28,720
okay

961
00:45:33,270 --> 00:45:31,200
so now the story gets better because not

962
00:45:35,829 --> 00:45:33,280
only is he interacting with all these

963
00:45:38,069 --> 00:45:35,839

alien species and shadow beings and

964

00:45:39,990 --> 00:45:38,079

demons and their spaceships taking him

965

00:45:42,150 --> 00:45:40,000

to a secret moon base on the dark side

966

00:45:44,230 --> 00:45:42,160

of the moon and he's earth's galactic

967

00:45:47,270 --> 00:45:44,240

ambassador and savior

968

00:45:48,950 --> 00:45:47,280

but he also has super powers he's an

969

00:45:51,430 --> 00:45:48,960

intuitive empath

970

00:45:54,630 --> 00:45:51,440

which for anybody uh unaware of what

971

00:45:56,150 --> 00:45:54,640

that is he can sense people's emotions

972

00:45:58,710 --> 00:45:56,160

he's intuitive

973

00:46:00,230 --> 00:45:58,720

it's basically deanna troy's super

974

00:46:01,670 --> 00:46:00,240

powers from star trek the next

975

00:46:03,829 --> 00:46:01,680

generation

976

00:46:04,630 --> 00:46:03,839

great

977

00:46:05,990 --> 00:46:04,640

uh

978

00:46:07,990 --> 00:46:06,000

and i would just submit to you that

979

00:46:09,109 --> 00:46:08,000

somebody that was able to sense people's

980

00:46:10,309 --> 00:46:09,119

emotions

981

00:46:12,309 --> 00:46:10,319

wouldn't

982

00:46:14,950 --> 00:46:12,319

be so terrible at interpersonal

983

00:46:17,109 --> 00:46:14,960

relationships after all this guy has

984

00:46:19,030 --> 00:46:17,119

turned on everyone he has stabbed

985

00:46:20,550 --> 00:46:19,040

everyone around him in the back for

986

00:46:22,870 --> 00:46:20,560

years now

987

00:46:24,230 --> 00:46:22,880

i would just submit to you

988

00:46:26,829 --> 00:46:24,240

the simple

989

00:46:29,349 --> 00:46:26,839

logical reasonable

990

00:46:32,550 --> 00:46:29,359

reasonable line of thinking that if he

991

00:46:34,870 --> 00:46:32,560

really had intuitive empath abilities he

992

00:46:38,710 --> 00:46:34,880

would be able to sense people's mistrust

993

00:46:41,430 --> 00:46:38,720

of him or you know whatever and avoid

994

00:46:44,390 --> 00:46:41,440

basically making of an enemy of and

995

00:46:45,190 --> 00:46:44,400

everyone around him

996

00:46:47,349 --> 00:46:45,200

does

997

00:46:49,750 --> 00:46:47,359

you know this loving like garbage i'm an

998

00:46:51,030 --> 00:46:49,760

intuitive empath what is first of all

999

00:46:53,349 --> 00:46:51,040

that okay that means that you could

1000

00:46:55,670 --> 00:46:53,359

sense people's emotions

1001
00:46:58,470 --> 00:46:55,680
i don't know why that would be important

1002
00:46:59,990 --> 00:46:58,480
but okay oh he has high

1003
00:47:02,150 --> 00:47:00,000
intuition

1004
00:47:03,990 --> 00:47:02,160
and have precognitive abilities and

1005
00:47:05,190 --> 00:47:04,000
knowing of things that will possibly

1006
00:47:06,870 --> 00:47:05,200
happen

1007
00:47:08,550 --> 00:47:06,880
this might be a little bit of a retcon

1008
00:47:10,390 --> 00:47:08,560
in the past he hasn't said that i don't

1009
00:47:13,430 --> 00:47:10,400
believe he just said i was an intuitive

1010
00:47:16,710 --> 00:47:13,440
empath but didn't explain it maybe now

1011
00:47:19,430 --> 00:47:16,720
he's giving himself new superpowers

1012
00:47:20,309 --> 00:47:19,440
and look it remember friends he wrote

1013
00:47:26,150 --> 00:47:20,319

this

1014

00:47:29,270 --> 00:47:26,160

corey goode is a rare individual who has

1015

00:47:31,190 --> 00:47:29,280

highly developed intuitive and empathic

1016

00:47:32,549 --> 00:47:31,200

abilities

1017

00:47:34,790 --> 00:47:32,559

um

1018

00:47:37,190 --> 00:47:34,800

i gotta tell you this guy's narcissism

1019

00:47:38,549 --> 00:47:37,200

is on full display here he wrote this

1020

00:47:40,069 --> 00:47:38,559

script

1021

00:47:41,430 --> 00:47:40,079

he wrote this

1022

00:47:42,549 --> 00:47:41,440

there's no

1023

00:47:45,109 --> 00:47:42,559

secret

1024

00:47:49,030 --> 00:47:45,119

guy that wrote this that gave it to him

1025

00:47:52,710 --> 00:47:49,040

to distribute he wrote this

1026
00:47:55,270 --> 00:47:52,720
he wrote this narcissistic i'm so great

1027
00:47:56,549 --> 00:47:55,280
i'm the savior of earth

1028
00:47:58,630 --> 00:47:56,559
narrative

1029
00:48:02,630 --> 00:47:58,640
and then put it into a video with a

1030
00:48:04,549 --> 00:48:02,640
robot reading it because he is so

1031
00:48:06,069 --> 00:48:04,559
desperate to keep this thing going but

1032
00:48:08,549 --> 00:48:06,079
nobody will work with him he probably

1033
00:48:12,230 --> 00:48:08,559
can't even get a voiceover artist

1034
00:48:15,829 --> 00:48:13,750
those with high intuition have

1035
00:48:19,430 --> 00:48:15,839
precognitive abilities and the knowing

1036
00:48:21,589 --> 00:48:19,440
of things that will possibly happen

1037
00:48:23,109 --> 00:48:21,599
listen this is another thing he claims

1038
00:48:25,589 --> 00:48:23,119

that he's working for the good guys but

1039

00:48:28,230 --> 00:48:25,599

the good guys kidnapped him at six years

1040

00:48:30,790 --> 00:48:28,240

old and forced him into a military

1041

00:48:32,309 --> 00:48:30,800

secret program at six years old but

1042

00:48:33,670 --> 00:48:32,319

they're the good guys

1043

00:48:35,030 --> 00:48:33,680

i think that's a little bit of a plot

1044

00:48:36,790 --> 00:48:35,040

hole corey good you might need to work

1045

00:48:38,549 --> 00:48:36,800

on that one those who are deeply

1046

00:48:40,470 --> 00:48:38,559

empathic have a strong emotional

1047

00:48:42,870 --> 00:48:40,480

connection with others and can feel

1048

00:48:44,710 --> 00:48:42,880

others emotions corey goode is a rare

1049

00:48:47,190 --> 00:48:44,720

individual who has highly developed

1050

00:48:48,870 --> 00:48:47,200

intuitive and empathic abilities toward

1051
00:48:51,190 --> 00:48:48,880
the end of good's participation in the

1052
00:48:53,109 --> 00:48:51,200
lillab program he was recruited into the

1053
00:48:54,950 --> 00:48:53,119
secret space program

1054
00:48:56,710 --> 00:48:54,960
again this thing says mill lab like 10

1055
00:48:58,109 --> 00:48:56,720
times corey good

1056
00:49:01,829 --> 00:48:58,119
just spell it

1057
00:49:03,670 --> 00:49:01,839
m-y-l-a-b or m-y-space

1058
00:49:06,150 --> 00:49:03,680
and then the robot voice will say it

1059
00:49:08,630 --> 00:49:06,160
right are you that lazy what were you

1060
00:49:10,630 --> 00:49:08,640
doing that day you don't have a job how

1061
00:49:12,870 --> 00:49:10,640
could you miss this i'm sorry just

1062
00:49:14,390 --> 00:49:12,880
bothering me because i know how easy

1063
00:49:15,829 --> 00:49:14,400

that is to fix

1064

00:49:18,069 --> 00:49:15,839

and he didn't do it he just let this

1065

00:49:22,630 --> 00:49:18,079

thing talk like an idiot

1066

00:49:24,950 --> 00:49:22,640

ssp from 1987 until 2007 this was the

1067

00:49:27,510 --> 00:49:24,960

20-year contractually signed commitment

1068

00:49:29,990 --> 00:49:27,520

also known as the 20 and back program

1069

00:49:31,829 --> 00:49:30,000

the ssp chooses specific subjects for

1070

00:49:34,630 --> 00:49:31,839

service based on their potential to

1071

00:49:36,549 --> 00:49:34,640

fulfill ssp planned missions corey was

1072

00:49:38,630 --> 00:49:36,559

assigned to fill an intuitive empath

1073

00:49:40,950 --> 00:49:38,640

support role for the earth delegation

1074

00:49:42,790 --> 00:49:40,960

formed by secret government authorities

1075

00:49:45,510 --> 00:49:42,800

all right this is ridiculous he was

1076

00:49:47,510 --> 00:49:45,520

assigned to fill an intuitive empath

1077

00:49:48,950 --> 00:49:47,520

support role for the earth delegation

1078

00:49:50,950 --> 00:49:48,960

formed by the secret government

1079

00:49:53,349 --> 00:49:50,960

authorities in the super federation

1080

00:49:54,150 --> 00:49:53,359

council that's a lot of word salad isn't

1081

00:49:55,750 --> 00:49:54,160

it

1082

00:49:57,510 --> 00:49:55,760

uh but

1083

00:50:01,670 --> 00:49:57,520

basically what he's saying here is that

1084

00:50:03,589 --> 00:50:01,680

he got recruited to be deanna troy right

1085

00:50:05,270 --> 00:50:03,599

you know deanna troy on star trek the

1086

00:50:08,150 --> 00:50:05,280

next generation because she can sense

1087

00:50:09,670 --> 00:50:08,160

emotions and she advises the captain

1088

00:50:11,430 --> 00:50:09,680

so basically

1089

00:50:13,510 --> 00:50:11,440

corey good's favorite star trek the next

1090

00:50:15,190 --> 00:50:13,520

generation character must be deanna troy

1091

00:50:17,670 --> 00:50:15,200

because he wants to beat diana troy and

1092

00:50:27,670 --> 00:50:17,680

have superpowers like her and work on a

1093

00:50:32,549 --> 00:50:30,230

in the super federation council a group

1094

00:50:34,950 --> 00:50:32,559

of et federations and confederations

1095

00:50:36,870 --> 00:50:34,960

from our galaxy during his first 20

1096

00:50:39,109 --> 00:50:36,880

years of service he had a variety of

1097

00:50:41,190 --> 00:50:39,119

experiences and assignments including

1098

00:50:43,990 --> 00:50:41,200

participating in the intruder intercept

1099

00:50:46,549 --> 00:50:44,000

and interrogation program the assr

1100

00:50:52,950 --> 00:50:46,559

auxiliary specialized space research the

1101

00:50:57,990 --> 00:50:55,829

after 20 years of ssp service a

1102

00:51:00,390 --> 00:50:58,000

subject's memories are erased and he is

1103

00:51:03,430 --> 00:51:00,400

age regressed using et technologies at

1104

00:51:05,430 --> 00:51:03,440

the loc lunar operations command he is

1105

00:51:07,829 --> 00:51:05,440

then returned to earth utilizing time

1106

00:51:12,230 --> 00:51:07,839

travel technology to an exact abduction

1107

00:51:18,950 --> 00:51:15,349

and here my friends this is

1108

00:51:21,190 --> 00:51:18,960

the this story is absolutely constructed

1109

00:51:23,030 --> 00:51:21,200

so that you can't prove him wrong

1110

00:51:25,589 --> 00:51:23,040

because oh you were in a secret space

1111

00:51:27,109 --> 00:51:25,599

program for 20 years

1112

00:51:28,390 --> 00:51:27,119

did you tell your parents about it did

1113

00:51:30,230 --> 00:51:28,400

you tell your

1114

00:51:33,829 --> 00:51:30,240

brothers sisters

1115

00:51:34,630 --> 00:51:33,839

relatives neighbors friends well no

1116

00:51:37,349 --> 00:51:34,640

uh

1117

00:51:39,030 --> 00:51:37,359

they didn't know that i was even gone

1118

00:51:42,150 --> 00:51:39,040

because i got

1119

00:51:44,549 --> 00:51:42,160

time jumped right back to when i left

1120

00:51:45,589 --> 00:51:44,559

and they age regressed my body so nobody

1121

00:51:48,309 --> 00:51:45,599

can tell

1122

00:51:51,109 --> 00:51:48,319

that my stories aren't real

1123

00:51:53,030 --> 00:51:51,119

it's just ridiculous that talk about a

1124

00:51:54,230 --> 00:51:53,040

plot hole

1125

00:51:56,390 --> 00:51:54,240

right

1126
00:51:58,390 --> 00:51:56,400
he expects people to believe you know

1127
00:52:02,069 --> 00:51:58,400
here's another point

1128
00:52:05,270 --> 00:52:02,079
if the ruling elite have the ability to

1129
00:52:07,829 --> 00:52:05,280
wipe off people's ages right to age

1130
00:52:09,589 --> 00:52:07,839
regress people

1131
00:52:10,630 --> 00:52:09,599
then why are people like joe biden

1132
00:52:11,750 --> 00:52:10,640
walking around looking like they're

1133
00:52:14,390 --> 00:52:11,760
gonna

1134
00:52:17,430 --> 00:52:14,400
die any minute right you ever see those

1135
00:52:19,109 --> 00:52:17,440
old rock childs and rockefellers

1136
00:52:20,870 --> 00:52:19,119
they got billions of dollars wouldn't

1137
00:52:24,390 --> 00:52:20,880
they take 20 years off their life if

1138
00:52:26,390 --> 00:52:24,400

they had the technology to do that

1139

00:52:27,670 --> 00:52:26,400

no friends there's no age regression

1140

00:52:29,829 --> 00:52:27,680

technology

1141

00:52:31,109 --> 00:52:29,839

he's just making all this up and you

1142

00:52:33,109 --> 00:52:31,119

know

1143

00:52:35,349 --> 00:52:33,119

after a while of hearing it over and

1144

00:52:37,910 --> 00:52:35,359

over again you know it's almost like he

1145

00:52:40,790 --> 00:52:37,920

truly believes that nazi philosophy like

1146

00:52:41,990 --> 00:52:40,800

that if you repeat a lie enough

1147

00:52:44,710 --> 00:52:42,000

loud enough

1148

00:52:46,950 --> 00:52:44,720

it becomes the truth

1149

00:52:50,069 --> 00:52:46,960

it doesn't and you know

1150

00:52:51,829 --> 00:52:50,079

you know some of these guys i believe

1151
00:52:53,430 --> 00:52:51,839
believe some of the stuff that they're

1152
00:52:54,710 --> 00:52:53,440
saying or believe they had real

1153
00:52:56,470 --> 00:52:54,720
experiences

1154
00:52:58,309 --> 00:52:56,480
but for corey good we've seen this over

1155
00:53:01,270 --> 00:52:58,319
and over and over again this is just a

1156
00:53:03,589 --> 00:53:01,280
profit cal for him he doesn't believe

1157
00:53:06,150 --> 00:53:03,599
any of this stuff he's just making up

1158
00:53:08,790 --> 00:53:06,160
new stories to keep the ball rolling

1159
00:53:11,430 --> 00:53:08,800
keep the grift going fans noticing the

1160
00:53:13,109 --> 00:53:11,440
absence however approximately two

1161
00:53:15,430 --> 00:53:13,119
percent of the subjects retain their

1162
00:53:17,750 --> 00:53:15,440
memories and corey goode is one of them

1163
00:53:19,829 --> 00:53:17,760

the ssp alliance has helped him recover

1164

00:53:22,309 --> 00:53:19,839

almost all of his memories which led to

1165

00:53:24,390 --> 00:53:22,319

his public release of ssp classified

1166

00:53:27,910 --> 00:53:24,400

information through david wilcock under

1167

00:53:29,030 --> 00:53:27,920

the pseudonym luke skywalker since 2009

1168

00:53:30,150 --> 00:53:29,040

and

1169

00:53:32,870 --> 00:53:30,160

i swear

1170

00:53:34,950 --> 00:53:32,880

corey goode and david wilcox still talk

1171

00:53:37,109 --> 00:53:34,960

and they and they brainstorm their fake

1172

00:53:38,950 --> 00:53:37,119

stories together because

1173

00:53:41,270 --> 00:53:38,960

now all of a sudden we're being told

1174

00:53:43,430 --> 00:53:41,280

that corey goode was giving

1175

00:53:46,309 --> 00:53:43,440

david wilcock information as a coach

1176
00:53:49,349 --> 00:53:46,319
named luke skywalker and what is dave

1177
00:53:51,589 --> 00:53:49,359
wilcox doing he's using my new insider

1178
00:53:53,430 --> 00:53:51,599
codename ben you know

1179
00:53:55,190 --> 00:53:53,440
obi-wan kenobi

1180
00:53:57,589 --> 00:53:55,200
these guys are so unoriginal i think

1181
00:53:58,790 --> 00:53:57,599
they sit around jerking off watching

1182
00:54:00,549 --> 00:53:58,800
stargate

1183
00:54:03,270 --> 00:54:00,559
and uh

1184
00:54:06,390 --> 00:54:03,280
you know star wars movies

1185
00:54:07,349 --> 00:54:06,400
and babylon 5 and star trek and they

1186
00:54:09,670 --> 00:54:07,359
just

1187
00:54:12,150 --> 00:54:09,680
take little bits of each thing and put

1188
00:54:14,470 --> 00:54:12,160

together this nonsense because i mean

1189

00:54:15,670 --> 00:54:14,480

this isn't it's five years of nonsense

1190

00:54:19,109 --> 00:54:15,680

from this guy

1191

00:54:21,109 --> 00:54:19,119

you know 2011 good began disclosing ssp

1192

00:54:25,190 --> 00:54:21,119

alliance information via an internet

1193

00:54:27,990 --> 00:54:25,200

blog under the nickname good e-t-x-s-g

1194

00:54:29,750 --> 00:54:28,000

in 2014 carrie cassidy publicly revealed

1195

00:54:31,750 --> 00:54:29,760

corey goode's real name without his

1196

00:54:33,349 --> 00:54:31,760

consent i don't believe it was carrie

1197

00:54:36,829 --> 00:54:33,359

cassidy i believe it was a different

1198

00:54:39,589 --> 00:54:36,839

member of the avalon forums he may be

1199

00:54:41,109 --> 00:54:39,599

uh this may be factually inaccurate i'm

1200

00:54:43,589 --> 00:54:41,119

gonna have to check into that i have a

1201

00:54:45,910 --> 00:54:43,599

whole folder of his early days

1202

00:54:48,390 --> 00:54:45,920

causing significant damage to his i.t

1203

00:54:50,789 --> 00:54:48,400

career

1204

00:54:52,870 --> 00:54:50,799

yeah so uh this may be another setup for

1205

00:54:54,470 --> 00:54:52,880

a lawsuit because kerry cassidy caused

1206

00:54:56,630 --> 00:54:54,480

significant damage

1207

00:54:59,750 --> 00:54:56,640

to his career

1208

00:55:01,270 --> 00:54:59,760

you know i i don't know maybe

1209

00:55:03,270 --> 00:55:01,280

if you don't want people

1210

00:55:07,190 --> 00:55:03,280

knowing that you're on the internet

1211

00:55:08,549 --> 00:55:07,200

telling wackadoo buck rogers fairy tales

1212

00:55:09,750 --> 00:55:08,559

then he shouldn't

1213

00:55:12,950 --> 00:55:09,760

do that

1214

00:55:15,190 --> 00:55:12,960

not get upset when people out you as the

1215

00:55:17,829 --> 00:55:15,200

guy that's telling these buck rogers

1216

00:55:19,750 --> 00:55:17,839

science fiction fantasy stories claiming

1217

00:55:21,510 --> 00:55:19,760

they have real experiences

1218

00:55:23,190 --> 00:55:21,520

when people at you you can't blame them

1219

00:55:24,710 --> 00:55:23,200

you're the guy

1220

00:55:25,750 --> 00:55:24,720

seeking the attention telling these

1221

00:55:28,789 --> 00:55:25,760

stories

1222

00:55:31,030 --> 00:55:28,799

and endangering his family since then he

1223

00:55:33,109 --> 00:55:31,040

has been publicly using his real name

1224

00:55:35,910 --> 00:55:33,119

when releasing our information in

1225

00:55:38,309 --> 00:55:35,920

september 2016 william tompkins an

1226
00:55:40,230 --> 00:55:38,319
alliance retired aerospace okay there's

1227
00:55:42,309 --> 00:55:40,240
no information

1228
00:55:44,470 --> 00:55:42,319
that would verify that william tompkins

1229
00:55:47,030 --> 00:55:44,480
ever built a single spaceship

1230
00:55:50,069 --> 00:55:47,040
had anything to do with real spacecraft

1231
00:55:52,470 --> 00:55:50,079
construction or space programs

1232
00:55:54,230 --> 00:55:52,480
william tompkins was uh

1233
00:55:57,349 --> 00:55:54,240
i gotta say he's kind of a likable

1234
00:55:59,750 --> 00:55:57,359
strange character old man that told a

1235
00:56:01,510 --> 00:55:59,760
lot of stories about aliens

1236
00:56:03,750 --> 00:56:01,520
and that our government was in cahoots

1237
00:56:05,589 --> 00:56:03,760
with aliens

1238
00:56:07,190 --> 00:56:05,599

he like cory good never provided a

1239

00:56:08,390 --> 00:56:07,200

single shred of proof of any of his

1240

00:56:11,589 --> 00:56:08,400

stories

1241

00:56:12,789 --> 00:56:11,599

and largely his book reads like a horny

1242

00:56:15,349 --> 00:56:12,799

old man

1243

00:56:17,910 --> 00:56:15,359

who is still obsessed with 70s girls

1244

00:56:19,589 --> 00:56:17,920

with miniskirts i'm not kidding you read

1245

00:56:21,910 --> 00:56:19,599

the book

1246

00:56:23,829 --> 00:56:21,920

base engineer and whistleblower oh

1247

00:56:25,829 --> 00:56:23,839

because by the way the alien

1248

00:56:28,470 --> 00:56:25,839

the government gave him an alien like

1249

00:56:30,630 --> 00:56:28,480

secretary you know that wore miniskirts

1250

00:56:33,270 --> 00:56:30,640

and she was hot she wore hot boots and

1251

00:56:34,710 --> 00:56:33,280

mini skirts like

1252

00:56:36,230 --> 00:56:34,720

you know if i'm looking for real

1253

00:56:39,109 --> 00:56:36,240

information about the secret space

1254

00:56:42,230 --> 00:56:39,119

program william tompkins book is a joke

1255

00:56:43,190 --> 00:56:42,240

and you'll stop reading it 20 pages in

1256

00:56:44,950 --> 00:56:43,200

if you're

1257

00:56:46,789 --> 00:56:44,960

not a dummy like me i read the whole

1258

00:56:49,190 --> 00:56:46,799

thing designed most of our secret

1259

00:56:51,430 --> 00:56:49,200

aircraft started validating goods

1260

00:56:53,190 --> 00:56:51,440

information publicly corey has been

1261

00:56:55,510 --> 00:56:53,200

subjected so like i said before we got

1262

00:56:57,349 --> 00:56:55,520

one liar who makes up fake stories about

1263

00:56:59,430 --> 00:56:57,359

space programs

1264

00:57:01,990 --> 00:56:59,440

confirming that another liar who makes

1265

00:57:04,069 --> 00:57:02,000

up fake stories about space programs

1266

00:57:06,950 --> 00:57:04,079

information is accurate

1267

00:57:08,710 --> 00:57:06,960

um i'm sorry that's not

1268

00:57:10,630 --> 00:57:08,720

proof corey good

1269

00:57:12,710 --> 00:57:10,640

and in fact it makes you look like the

1270

00:57:15,510 --> 00:57:12,720

intellectual weakling with no evidence

1271

00:57:16,789 --> 00:57:15,520

that you are due to public attacks cyber

1272

00:57:20,230 --> 00:57:16,799

harassment and a major

1273

00:57:21,990 --> 00:57:20,240

counter-intelligence operate here we go

1274

00:57:23,750 --> 00:57:22,000

corey good claims that he's been subject

1275

00:57:24,549 --> 00:57:23,760

to cyber harassment

1276

00:57:26,870 --> 00:57:24,559

um

1277

00:57:28,870 --> 00:57:26,880

but really that's code for

1278

00:57:30,549 --> 00:57:28,880

i went out on the internet and told

1279

00:57:32,390 --> 00:57:30,559

everybody spaceships were landing in my

1280

00:57:33,750 --> 00:57:32,400

backyard and i was a time traveling

1281

00:57:36,309 --> 00:57:33,760

space hero

1282

00:57:39,190 --> 00:57:36,319

and then people went on the internet and

1283

00:57:41,829 --> 00:57:39,200

they harassed me by saying that i was

1284

00:57:43,750 --> 00:57:41,839

not a secret space program hero and i

1285

00:57:46,230 --> 00:57:43,760

didn't fight those draco reptilian

1286

00:57:47,910 --> 00:57:46,240

aliens and my superpowers aren't real

1287

00:57:49,589 --> 00:57:47,920

and spaceships weren't really landing in

1288

00:57:52,470 --> 00:57:49,599

my backyard

1289

00:57:55,750 --> 00:57:52,480

that's harassment

1290

00:57:56,950 --> 00:57:55,760

he also claims uh to be

1291

00:57:59,109 --> 00:57:56,960

that that it was a major

1292

00:58:01,670 --> 00:57:59,119

counterintelligence operation against

1293

00:58:04,069 --> 00:58:01,680

him and censoring of his public records

1294

00:58:05,829 --> 00:58:04,079

none of his public records are censored

1295

00:58:07,910 --> 00:58:05,839

any of his public records can be gotten

1296

00:58:08,870 --> 00:58:07,920

with a public record search i have many

1297

00:58:10,069 --> 00:58:08,880

of them

1298

00:58:12,950 --> 00:58:10,079

honestly

1299

00:58:14,309 --> 00:58:12,960

uh including ones that he wouldn't want

1300

00:58:16,150 --> 00:58:14,319

me to share

1301

00:58:17,990 --> 00:58:16,160

and i haven't yet but

1302

00:58:19,670 --> 00:58:18,000

go search for his public records go

1303

00:58:21,109 --> 00:58:19,680

ahead

1304

00:58:22,870 --> 00:58:21,119

all right those of you followed your

1305

00:58:24,789 --> 00:58:22,880

field who are products of worldwide yeah

1306

00:58:26,950 --> 00:58:24,799

let's continue so there's a worldwide

1307

00:58:29,870 --> 00:58:26,960

conspiracy against this guy trying to

1308

00:58:33,030 --> 00:58:29,880

stop him because his information is so

1309

00:58:35,430 --> 00:58:33,040

earth-shatteringly important so relevant

1310

00:58:37,829 --> 00:58:35,440

and so true that whole government

1311

00:58:39,750 --> 00:58:37,839

agencies and the counterintelligence

1312

00:58:41,910 --> 00:58:39,760

operations against him and he's being

1313

00:58:45,750 --> 00:58:41,920

cyber stalked and harassed

1314

00:58:47,270 --> 00:58:45,760

because this information is so important

1315

00:58:49,750 --> 00:58:47,280

i don't know about you friends but i

1316

00:58:52,390 --> 00:58:49,760

don't think the fbi the cia or any

1317

00:58:54,870 --> 00:58:52,400

three-letter agency really has the time

1318

00:58:56,549 --> 00:58:54,880

to worry about some whack-a-doo nut on

1319

00:58:58,309 --> 00:58:56,559

the internet tell people that he's buck

1320

00:59:00,870 --> 00:58:58,319

rogers

1321

00:59:02,789 --> 00:59:00,880

and censoring of his public reports

1322

00:59:04,630 --> 00:59:02,799

those in the ufology field who are

1323

00:59:07,349 --> 00:59:04,640

products of the worldwide rockefeller

1324

00:59:09,750 --> 00:59:07,359

initiative circa 1993 have backed a

1325

00:59:11,750 --> 00:59:09,760

discrediting campaign against good they

1326

00:59:14,390 --> 00:59:11,760

made it easy for the live-action role

1327

00:59:16,630 --> 00:59:14,400

players larps to change corey's publicly

1328

00:59:19,349 --> 00:59:16,640

released information into misinformation

1329

00:59:22,230 --> 00:59:19,359

and disinformation yes so corey good

1330

00:59:24,630 --> 00:59:22,240

argues that everybody else in ufos

1331

00:59:27,430 --> 00:59:24,640

everybody else is is a part of that you

1332

00:59:30,069 --> 00:59:27,440

know cabal the dark alliance by the way

1333

00:59:32,470 --> 00:59:30,079

i'm a member too i'm in that group

1334

00:59:33,910 --> 00:59:32,480

you know i'm trying to stop corey good

1335

00:59:35,910 --> 00:59:33,920

from his mission

1336

00:59:39,270 --> 00:59:35,920

to let everybody know about the secret

1337

00:59:40,549 --> 00:59:39,280

space program where he's a buck rogers

1338

00:59:44,150 --> 00:59:40,559

space hero

1339

00:59:46,150 --> 00:59:44,160

i'm i'm i'm i'm i'm in a conspiracy with

1340

00:59:47,829 --> 00:59:46,160

people all over the world and we're all

1341

00:59:50,710 --> 00:59:47,839

trying to stop corey good from letting

1342

00:59:53,430 --> 00:59:50,720

people know that he's buck rogers yeah

1343

00:59:54,789 --> 00:59:53,440

because that would be just a tremendous

1344

00:59:56,470 --> 00:59:54,799

you know his information is so

1345

00:59:59,589 --> 00:59:56,480

earth-shatteringly important friends i

1346

01:00:02,309 --> 00:59:59,599

gotta join in in this conspiracy against

1347

01:00:04,470 --> 01:00:02,319

him to stop him from telling everybody

1348

01:00:05,750 --> 01:00:04,480

that he's buck rogers on the internet

1349

01:00:08,309 --> 01:00:05,760

yeah

1350

01:00:10,390 --> 01:00:08,319

this has to stop now to clarify

1351

01:00:12,950 --> 01:00:10,400

misinformation and disinformation about

1352

01:00:15,349 --> 01:00:12,960

the ssp and the lunar operations command

1353

01:00:17,270 --> 01:00:15,359

loc we want to explain again the

1354

01:00:19,589 --> 01:00:17,280

information good is released regarding

1355

01:00:20,549 --> 01:00:19,599

the factions within the ssp

1356

01:00:22,230 --> 01:00:20,559

oh

1357

01:00:24,549 --> 01:00:22,240

now cory good

1358

01:00:26,789 --> 01:00:24,559

uh is going to tell us well his secret

1359

01:00:28,150 --> 01:00:26,799

anonymous friend that is reading this or

1360

01:00:30,230 --> 01:00:28,160

writing this is going to tell us all

1361

01:00:32,630 --> 01:00:30,240

about the different aliens

1362

01:00:34,710 --> 01:00:32,640

first the oldest faction is called solar

1363

01:00:36,710 --> 01:00:34,720

warden and works as the police of our

1364

01:00:39,589 --> 01:00:36,720

solar system monitoring in the now

1365

01:00:41,270 --> 01:00:39,599

traffic in the late 70s and early 80s

1366

01:00:44,230 --> 01:00:41,280

solar warden was formed during the

1367

01:00:46,069 --> 01:00:44,240

strategic defense initiative sdi

1368

01:00:48,230 --> 01:00:46,079

remember when we talked before about if

1369

01:00:49,670 --> 01:00:48,240

you're going to construct a fake story

1370

01:00:51,670 --> 01:00:49,680

you have to take

1371

01:00:53,829 --> 01:00:51,680

already existing mythology that is

1372

01:00:57,030 --> 01:00:53,839

accepted in that community and weave it

1373

01:00:59,910 --> 01:00:57,040

into your story solar warden came from

1374

01:01:02,549 --> 01:00:59,920

uh a hacker who hacked into nasa and

1375

01:01:04,230 --> 01:01:02,559

claimed to see some manifests and

1376
01:01:06,549 --> 01:01:04,240
paperwork that would seem to indicate

1377
01:01:09,510 --> 01:01:06,559
there was off-world vehicles

1378
01:01:10,390 --> 01:01:09,520
uh and supply transfers and things like

1379
01:01:11,190 --> 01:01:10,400
that

1380
01:01:12,390 --> 01:01:11,200
and

1381
01:01:14,870 --> 01:01:12,400
that

1382
01:01:16,230 --> 01:01:14,880
so-called secret space program space

1383
01:01:19,030 --> 01:01:16,240
force whatever you want to call it

1384
01:01:20,630 --> 01:01:19,040
armada of spaceships that the public

1385
01:01:22,870 --> 01:01:20,640
doesn't know about was called solar

1386
01:01:28,309 --> 01:01:22,880
warden

1387
01:01:30,630 --> 01:01:28,319
and whether it's a true story or not

1388
01:01:32,069 --> 01:01:30,640

solar warden became widely accepted as

1389

01:01:32,950 --> 01:01:32,079

true among

1390

01:01:36,549 --> 01:01:32,960

many

1391

01:01:38,630 --> 01:01:36,559

ufo people and people into aliens

1392

01:01:40,950 --> 01:01:38,640

immediately before and after president

1393

01:01:43,030 --> 01:01:40,960

reagan's two appointments the second

1394

01:01:45,670 --> 01:01:43,040

faction is the interplanetary corporate

1395

01:01:48,150 --> 01:01:45,680

conglomerate icc which was formed by

1396

01:01:49,510 --> 01:01:48,160

worldwide corporations as part of a

1397

01:01:51,349 --> 01:01:49,520

super corporate board their

1398

01:01:53,990 --> 01:01:51,359

representatives controlled the massive

1399

01:01:56,069 --> 01:01:54,000

ssp space infrastructure the third

1400

01:01:58,069 --> 01:01:56,079

faction is the dark fleet a secretive

1401
01:02:00,710 --> 01:01:58,079
fleet created by the germans in the late

1402
01:02:03,430 --> 01:02:00,720
30s but began operations in earnest in

1403
01:02:06,789 --> 01:02:03,440
the 50s okay so the nazi

1404
01:02:07,670 --> 01:02:06,799
listen the the whole notion that nazis

1405
01:02:09,390 --> 01:02:07,680
had

1406
01:02:12,630 --> 01:02:09,400
super advanced

1407
01:02:13,430 --> 01:02:12,640
extraterrestrial technology was started

1408
01:02:15,750 --> 01:02:13,440
by

1409
01:02:16,950 --> 01:02:15,760
european tabloids that are about as

1410
01:02:18,630 --> 01:02:16,960
credible

1411
01:02:21,430 --> 01:02:18,640
as the sun

1412
01:02:24,069 --> 01:02:21,440
newspaper in england or the national

1413
01:02:26,470 --> 01:02:24,079

enquirer newspapers you know there's

1414

01:02:28,150 --> 01:02:26,480

checkout aisle garbage newspapers with

1415

01:02:30,470 --> 01:02:28,160

like you know

1416

01:02:32,309 --> 01:02:30,480

donald trump met with aliens those are

1417

01:02:35,829 --> 01:02:32,319

on the cover

1418

01:02:37,589 --> 01:02:35,839

there is no i challenged anybody you

1419

01:02:39,190 --> 01:02:37,599

know people have written whole books

1420

01:02:41,990 --> 01:02:39,200

made a lot of money telling people about

1421

01:02:43,829 --> 01:02:42,000

the nazis and their secret space flying

1422

01:02:45,589 --> 01:02:43,839

saucers and technology that they

1423

01:02:47,670 --> 01:02:45,599

apparently got from

1424

01:02:50,069 --> 01:02:47,680

an alien race

1425

01:02:52,549 --> 01:02:50,079

first of all if they had super advanced

1426

01:02:54,630 --> 01:02:52,559

space technology from an alien race they

1427

01:02:55,670 --> 01:02:54,640

wouldn't have lost the war

1428

01:02:57,990 --> 01:02:55,680

you know some would argue that they

1429

01:03:00,630 --> 01:02:58,000

didn't really but whatever i'm not going

1430

01:03:03,510 --> 01:03:00,640

to go there

1431

01:03:06,069 --> 01:03:03,520

this whole story of the of the german

1432

01:03:08,870 --> 01:03:06,079

flying saucers and alien technology and

1433

01:03:12,150 --> 01:03:08,880

they went to space or mars

1434

01:03:15,349 --> 01:03:12,160

it's it's great stories right

1435

01:03:17,349 --> 01:03:15,359

makes for good imagery too there's nazi

1436

01:03:20,870 --> 01:03:17,359

you know i've seen pictures of flying

1437

01:03:23,270 --> 01:03:20,880

saucers and guys in nazi uniforms

1438

01:03:25,190 --> 01:03:23,280

or variations of nazi uniforms and then

1439

01:03:26,710 --> 01:03:25,200

there's the whole story that the nazis

1440

01:03:29,109 --> 01:03:26,720

went to antarctica he's going to weave

1441

01:03:31,349 --> 01:03:29,119

that one in here too

1442

01:03:34,069 --> 01:03:31,359

they worked closely with the orion group

1443

01:03:35,750 --> 01:03:34,079

mainly outside of our solar system the

1444

01:03:37,589 --> 01:03:35,760

dark fleet was responsible for the

1445

01:03:39,910 --> 01:03:37,599

construction of the loc's first

1446

01:03:42,309 --> 01:03:39,920

buildings the fourth faction is the us

1447

01:03:45,670 --> 01:03:42,319

space force the new military branch with

1448

01:03:47,750 --> 01:03:45,680

various black ops military ssps we will

1449

01:03:49,910 --> 01:03:47,760

talk more about the us boy somebody

1450

01:03:51,750 --> 01:03:49,920

bought some stock footage right space

1451

01:03:53,910 --> 01:03:51,760

force in the near future

1452

01:03:57,029 --> 01:03:53,920

the fifth faction is the global galactic

1453

01:03:59,109 --> 01:03:57,039

league of nations ggln a secret space

1454

01:04:01,589 --> 01:03:59,119

group that was a dangling carrot offered

1455

01:04:03,430 --> 01:04:01,599

to all nations to maintain the veil wow

1456

01:04:04,950 --> 01:04:03,440

we've got the global galactic league of

1457

01:04:07,670 --> 01:04:04,960

nations

1458

01:04:10,150 --> 01:04:07,680

of secrecy about outer space activities

1459

01:04:12,150 --> 01:04:10,160

the ggln was given the narrative there

1460

01:04:14,549 --> 01:04:12,160

are certain threats destructive solar

1461

01:04:17,109 --> 01:04:14,559

cycles or possible invasions and we need

1462

01:04:18,870 --> 01:04:17,119

to work together their cities and bases

1463

01:04:20,789 --> 01:04:18,880

are outside of this soul i love the

1464

01:04:22,549 --> 01:04:20,799

imagery he's using up here too it's like

1465

01:04:24,950 --> 01:04:22,559

some guy just pulled out a folder and

1466

01:04:27,190 --> 01:04:24,960

like dropped all this evidence bomb on

1467

01:04:30,309 --> 01:04:27,200

his partner there right

1468

01:04:32,390 --> 01:04:30,319

uh except all of this information that

1469

01:04:34,470 --> 01:04:32,400

is being read and has been talked about

1470

01:04:36,710 --> 01:04:34,480

is garbage internet stories that have

1471

01:04:38,870 --> 01:04:36,720

been circulating for years

1472

01:04:41,829 --> 01:04:38,880

but hey this makes it more believable

1473

01:04:44,150 --> 01:04:41,839

check out this super high quality

1474

01:04:46,630 --> 01:04:44,160

information that we're sharing why would

1475

01:04:49,510 --> 01:04:46,640

it why would advanced extraterrestrial

1476

01:04:51,990 --> 01:04:49,520

racers partner with this clown to

1477

01:04:53,829 --> 01:04:52,000

regurgitate internet stories that have

1478

01:04:56,230 --> 01:04:53,839

been circulating for 20 years on the

1479

01:04:58,230 --> 01:04:56,240

internet why would they do that solar

1480

01:05:00,309 --> 01:04:58,240

system we visited one of their

1481

01:05:02,150 --> 01:05:00,319

facilities a couple of times which

1482

01:05:04,870 --> 01:05:02,160

looked like the tv show stargate

1483

01:05:06,870 --> 01:05:04,880

atlantis the facility had a laid-back

1484

01:05:08,710 --> 01:05:06,880

environment with people walking around

1485

01:05:10,710 --> 01:05:08,720

in jumpsuits with patches from all

1486

01:05:12,710 --> 01:05:10,720

different countries of the world the

1487

01:05:14,789 --> 01:05:12,720

sixth faction is the earth alliance with

1488

01:05:16,950 --> 01:05:14,799

an agenda to create a new financial

1489

01:05:18,870 --> 01:05:16,960

system and take down the cabal the name

1490

01:05:20,870 --> 01:05:18,880

given to all the minds behind all this

1491

01:05:23,109 --> 01:05:20,880

secrecy and a few other things we will

1492

01:05:25,670 --> 01:05:23,119

discuss in the future briefings the

1493

01:05:28,150 --> 01:05:25,680

secret space program alliance ssp

1494

01:05:29,990 --> 01:05:28,160

alliance is the last faction composed of

1495

01:05:32,549 --> 01:05:30,000

the solar warden defectors and others

1496

01:05:34,829 --> 01:05:32,559

from ssps who defected from programs

1497

01:05:37,829 --> 01:05:34,839

with their crafts intelligence and other

1498

01:05:41,190 --> 01:05:37,839

assets oh see it's getting good uh so

1499

01:05:43,829 --> 01:05:41,200

some guys defected from the other solar

1500

01:05:46,309 --> 01:05:43,839

warden program and they took their

1501

01:05:47,430 --> 01:05:46,319

spaceships with them

1502

01:05:49,430 --> 01:05:47,440

great

1503

01:05:51,750 --> 01:05:49,440

so everybody got everybody in cory

1504

01:05:53,829 --> 01:05:51,760

good's wacky world

1505

01:05:55,349 --> 01:05:53,839

all these people get spaceships the

1506

01:05:58,309 --> 01:05:55,359

galactic

1507

01:06:00,789 --> 01:05:58,319

whatever foundation national this thing

1508

01:06:03,510 --> 01:06:00,799

and the at the solar warden they got

1509

01:06:05,829 --> 01:06:03,520

spaceships and the secret space program

1510

01:06:08,069 --> 01:06:05,839

alliance they got

1511

01:06:09,510 --> 01:06:08,079

and the national corporate go

1512

01:06:12,309 --> 01:06:09,520

conglomerate

1513

01:06:15,349 --> 01:06:12,319

they got spayed everybody got spaceships

1514

01:06:16,870 --> 01:06:15,359

in cory good's wacky world great

1515

01:06:20,150 --> 01:06:16,880

that's the world i want to live in

1516

01:06:22,630 --> 01:06:20,160

because i want my own spaceship

1517

01:06:24,470 --> 01:06:22,640

most recently with anshur's assistance

1518

01:06:26,710 --> 01:06:24,480

the mayans hosted a reconnaissance

1519

01:06:28,950 --> 01:06:26,720

mission utilizing a proprietary breach

1520

01:06:30,789 --> 01:06:28,960

method to observe the orion group bases

1521

01:06:32,789 --> 01:06:30,799

around the solar system the

1522

01:06:35,270 --> 01:06:32,799

reconnaissance delegation included the

1523

01:06:37,910 --> 01:06:35,280

mayans the answer mika as the olmec

1524

01:06:40,549 --> 01:06:37,920

representative good and ssp alliance

1525

01:06:42,549 --> 01:06:40,559

operatives as the human representatives

1526

01:06:44,309 --> 01:06:42,559

okay so

1527

01:06:46,150 --> 01:06:44,319

before you know

1528

01:06:48,309 --> 01:06:46,160

he was on the secret space program

1529

01:06:50,230 --> 01:06:48,319

missions and i guess you know that was

1530

01:06:51,270 --> 01:06:50,240

before and he could never like take a

1531

01:06:55,430 --> 01:06:51,280

picture

1532

01:06:57,270 --> 01:06:55,440

his alien friends but these are new

1533

01:06:59,109 --> 01:06:57,280

missions that he's going on right now so

1534

01:07:00,390 --> 01:06:59,119

i just like to ask him why don't you

1535

01:07:02,230 --> 01:07:00,400

take the phone and take some pictures of

1536

01:07:05,109 --> 01:07:02,240

those aliens bro

1537

01:07:06,950 --> 01:07:05,119

or is this all made up nonsense

1538

01:07:08,710 --> 01:07:06,960

are you really are you going to stand

1539

01:07:11,190 --> 01:07:08,720

there with a straight face with this

1540

01:07:13,589 --> 01:07:11,200

level of garbage that's coming out your

1541

01:07:15,670 --> 01:07:13,599

mouth or your robot friend's mouth now

1542

01:07:17,349 --> 01:07:15,680

that you wrote this [h__h] and made a

1543

01:07:19,270 --> 01:07:17,359

robot read this

1544

01:07:21,190 --> 01:07:19,280

were you too ashamed to read this

1545

01:07:22,630 --> 01:07:21,200

yourself because it's so childish and

1546

01:07:25,510 --> 01:07:22,640

stupid that you had to get a

1547

01:07:26,870 --> 01:07:25,520

text-to-speech reader to do it for you

1548

01:07:29,029 --> 01:07:26,880

because you couldn't stand there with a

1549

01:07:30,950 --> 01:07:29,039

straight face talk about all these alien

1550

01:07:32,870 --> 01:07:30,960

groups and you going on these secret

1551

01:07:35,109 --> 01:07:32,880

missions but you couldn't

1552

01:07:36,150 --> 01:07:35,119

you know bring us a picture or video of

1553

01:07:37,109 --> 01:07:36,160

this stuff

1554

01:07:39,349 --> 01:07:37,119

sure

1555

01:07:41,910 --> 01:07:39,359

this reconnaissance delegation gathered

1556

01:07:43,990 --> 01:07:41,920

evidence for future cosmic trials good

1557

01:07:45,750 --> 01:07:44,000

and the ssp alliance operatives were

1558

01:07:47,750 --> 01:07:45,760

told these trials would occur after the

1559

01:07:49,190 --> 01:07:47,760

solar event oh he's been pushing the

1560

01:07:50,789 --> 01:07:49,200

solar event you know it's going to

1561

01:07:52,630 --> 01:07:50,799

destroy the earth or it could destroy

1562

01:07:54,390 --> 01:07:52,640

the earth and you should stock up on

1563

01:07:57,430 --> 01:07:54,400

water and food and make sure you have a

1564

01:07:59,510 --> 01:07:57,440

safe place for your family right fear

1565

01:08:02,230 --> 01:07:59,520

porn plasma flash that would he's been

1566

01:08:03,109 --> 01:08:02,240

pushing that for probably two or three

1567

01:08:06,230 --> 01:08:03,119

years

1568

01:08:09,270 --> 01:08:06,240

and friends the the sun has a solar

1569

01:08:11,990 --> 01:08:09,280

cycle and yes sometimes solar events

1570

01:08:13,829 --> 01:08:12,000

occur but nothing to the extent that

1571

01:08:15,029 --> 01:08:13,839

he's been talking about for years has

1572

01:08:17,269 --> 01:08:15,039

happened and i don't believe that it

1573

01:08:19,749 --> 01:08:17,279

will raise human consciousness and

1574

01:08:21,510 --> 01:08:19,759

eliminate all ai on earth after freed

1575

01:08:23,349 --> 01:08:21,520

humanity chose the direction for their

1576

01:08:25,910 --> 01:08:23,359

civilization for the first time in

1577

01:08:27,990 --> 01:08:25,920

history it is essential to note that the

1578

01:08:30,309 --> 01:08:28,000

centuries old mayan civilization of

1579

01:08:31,590 --> 01:08:30,319

central america is a genetic mix of the

1580

01:08:33,829 --> 01:08:31,600

native americans and the

1581

01:08:36,229 --> 01:08:33,839

extraterrestrial mayans who colonized

1582

01:08:37,910 --> 01:08:36,239

the earth as refugees

1583

01:08:40,789 --> 01:08:37,920

okay so according to corey goode some

1584

01:08:42,550 --> 01:08:40,799

refugee aliens came and into the area

1585

01:08:46,630 --> 01:08:42,560

that we know as the mine where the

1586

01:08:48,709 --> 01:08:46,640

mayans were and then they interbred and

1587

01:08:50,470 --> 01:08:48,719

eventually those people just built a

1588

01:08:53,430 --> 01:08:50,480

spaceship and went back to space that's

1589

01:08:57,669 --> 01:08:53,440

why the mayan civilization disappeared

1590

01:09:00,149 --> 01:08:57,679

uh you know this is another

1591

01:09:02,390 --> 01:09:00,159

story time story that's been out there

1592

01:09:04,630 --> 01:09:02,400

on the internet forever that he

1593

01:09:07,110 --> 01:09:04,640

stole and cobbled together into his own

1594

01:09:08,950 --> 01:09:07,120

narrative there's no

1595

01:09:11,510 --> 01:09:08,960

substantial

1596

01:09:14,390 --> 01:09:11,520

or supportive proof in fact there's zero

1597

01:09:17,349 --> 01:09:14,400

evidence or proof that the mayans had

1598

01:09:19,590 --> 01:09:17,359

space technology

1599

01:09:21,590 --> 01:09:19,600

the extraterrestrial mayans then rescued

1600

01:09:23,510 --> 01:09:21,600

the earth mayans when a solar event

1601
01:09:25,669 --> 01:09:23,520
threatened their existence on earth

1602
01:09:27,910 --> 01:09:25,679
those left behind grew the mayan empire

1603
01:09:30,070 --> 01:09:27,920
we read about in history books the

1604
01:09:31,990 --> 01:09:30,080
extraterrestrial mayans practice a truly

1605
01:09:35,189 --> 01:09:32,000
holistic medicine that seeks to

1606
01:09:37,349 --> 01:09:35,199
completely align mind body and soul it

1607
01:09:39,910 --> 01:09:37,359
is they who ultimately helped good sort

1608
01:09:41,590 --> 01:09:39,920
through and recover his memories on the

1609
01:09:43,269 --> 01:09:41,600
other hand the olmecs are an

1610
01:09:46,789 --> 01:09:43,279
extraterrestrial race from one of the

1611
01:09:48,950 --> 01:09:46,799
closest stars in our local star cluster

1612
01:09:51,749 --> 01:09:48,960
an extraterrestrial race that just so

1613
01:09:54,149 --> 01:09:51,759

happens to look exactly like humans same

1614

01:09:55,110 --> 01:09:54,159

for the mayans i mean you know come on

1615

01:09:56,709 --> 01:09:55,120

bro

1616

01:09:58,870 --> 01:09:56,719

like get a little creative make them

1617

01:10:00,470 --> 01:09:58,880

blue or purple like star trek the old

1618

01:10:01,910 --> 01:10:00,480

star trek used to remember when they

1619

01:10:04,630 --> 01:10:01,920

needed an alien they would just like

1620

01:10:07,830 --> 01:10:04,640

paint a girl green she's an alien now

1621

01:10:10,790 --> 01:10:07,840

he he he's not even that creative and

1622

01:10:12,790 --> 01:10:10,800

come on that's 1960s alien making an

1623

01:10:14,630 --> 01:10:12,800

alien you know

1624

01:10:16,950 --> 01:10:14,640

methodology

1625

01:10:19,830 --> 01:10:16,960

like these aliens of his look

1626

01:10:21,990 --> 01:10:19,840

suspiciously like regular people

1627

01:10:24,229 --> 01:10:22,000

their ambassador mika frequently

1628

01:10:26,390 --> 01:10:24,239

interacts with good the olmecs had a

1629

01:10:28,310 --> 01:10:26,400

colony on earth so he frequently

1630

01:10:30,709 --> 01:10:28,320

interacts with this alien but he can't

1631

01:10:32,709 --> 01:10:30,719

take a picture of the alien right he

1632

01:10:33,510 --> 01:10:32,719

can't show us him and the alien hanging

1633

01:10:35,910 --> 01:10:33,520

out

1634

01:10:38,470 --> 01:10:35,920

this is such a laughable

1635

01:10:40,310 --> 01:10:38,480

bunch of garbage come on bro you're

1636

01:10:42,550 --> 01:10:40,320

hanging out with this alien on a regular

1637

01:10:44,229 --> 01:10:42,560

basis and you never thought maybe i'll

1638

01:10:46,790 --> 01:10:44,239

get a selfie with them so that people

1639

01:10:49,590 --> 01:10:46,800

won't think i'm full [h__h] no more right

1640

01:10:52,470 --> 01:10:49,600

it's so ridiculous corey good come on

1641

01:10:54,870 --> 01:10:52,480

bro you can't just say you hang out with

1642

01:10:56,709 --> 01:10:54,880

an alien or regular basis and not

1643

01:10:58,630 --> 01:10:56,719

explain why you don't have pictures

1644

01:10:59,750 --> 01:10:58,640

video and proof

1645

01:11:02,070 --> 01:10:59,760

dummy

1646

01:11:03,830 --> 01:11:02,080

known as the olmec civilization they

1647

01:11:05,510 --> 01:11:03,840

were rescued and brought back to their

1648

01:11:08,149 --> 01:11:05,520

planet by mecca's people before the

1649

01:11:10,149 --> 01:11:08,159

solar event on earth a few hundred years

1650

01:11:12,310 --> 01:11:10,159

ago they liberated themselves from the

1651

01:11:14,149 --> 01:11:12,320

reptilians and their ai god and

1652

01:11:15,990 --> 01:11:14,159

subsequently received help from the

1653

01:11:18,390 --> 01:11:16,000

mayans and the zulu

1654

01:11:20,550 --> 01:11:18,400

incredibly tall and graceful the answer

1655

01:11:23,030 --> 01:11:20,560

may look like after the rest

1656

01:11:26,470 --> 01:11:23,040

yeah this is his hot and sharp

1657

01:11:29,270 --> 01:11:26,480

girlfriend right the the high priestess

1658

01:11:31,430 --> 01:11:29,280

that lives inside the honeycomb earth

1659

01:11:33,430 --> 01:11:31,440

not only is he talking to aliens he's

1660

01:11:35,590 --> 01:11:33,440

talking to an advanced humanoid race

1661

01:11:37,750 --> 01:11:35,600

that came from the future and what did

1662

01:11:41,590 --> 01:11:37,760

they do once they arrived here in our

1663

01:11:45,030 --> 01:11:41,600

timeline well uh they live inside the

1664

01:11:47,350 --> 01:11:45,040

honeycomb earth their inner earth people

1665

01:11:49,830 --> 01:11:47,360

and they got these caves and the

1666

01:11:51,270 --> 01:11:49,840

crystals are sunlight for them and they

1667

01:11:53,350 --> 01:11:51,280

have these super advanced

1668

01:11:55,270 --> 01:11:53,360

extraterrestrial spacecraft that they

1669

01:11:57,830 --> 01:11:55,280

have like super advanced

1670

01:11:59,750 --> 01:11:57,840

you know aircraft and they have time

1671

01:12:02,229 --> 01:11:59,760

travel technology and they have

1672

01:12:04,229 --> 01:12:02,239

teleporters and they have med beds and

1673

01:12:06,229 --> 01:12:04,239

all this technology

1674

01:12:08,709 --> 01:12:06,239

and corey good hangs out with this girl

1675

01:12:10,390 --> 01:12:08,719

all the time but he can't prove any of

1676

01:12:13,990 --> 01:12:10,400

it why wouldn't they give him a

1677

01:12:15,590 --> 01:12:14,000

spaceship right this is so stupid right

1678

01:12:17,669 --> 01:12:15,600

if you're buddies with some guy that's

1679

01:12:19,110 --> 01:12:17,679

supposed to be earth galactic ambassador

1680

01:12:21,350 --> 01:12:19,120

and you knew that people were making fun

1681

01:12:23,830 --> 01:12:21,360

of him on the internet for making up

1682

01:12:25,590 --> 01:12:23,840

these fake stories about his space

1683

01:12:27,189 --> 01:12:25,600

adventures would you help him out give

1684

01:12:29,189 --> 01:12:27,199

him a spaceship give him a laser gun

1685

01:12:31,669 --> 01:12:29,199

give him something that he could prove

1686

01:12:33,189 --> 01:12:31,679

this stuff no corey goods going down in

1687

01:12:36,550 --> 01:12:33,199

the caves and the inner earth and

1688

01:12:39,030 --> 01:12:36,560

hanging out with this you know antar

1689

01:12:40,229 --> 01:12:39,040

lady right and she oh by the way this is

1690

01:12:42,870 --> 01:12:40,239

the one that's helping him with the

1691

01:12:45,110 --> 01:12:42,880

spiritual development show to try harder

1692

01:12:47,270 --> 01:12:45,120

because he's a slime ball by all

1693

01:12:49,990 --> 01:12:47,280

accounts of people who have had to deal

1694

01:12:52,790 --> 01:12:50,000

with him or have known him personally

1695

01:12:55,910 --> 01:12:52,800

he's a slime ball so this love and light

1696

01:12:58,149 --> 01:12:55,920

garbage that this super advanced time

1697

01:13:00,070 --> 01:12:58,159

traveling girl that lives in the inner

1698

01:13:01,270 --> 01:13:00,080

earth is helping him with his spiritual

1699

01:13:03,590 --> 01:13:01,280

development

1700

01:13:05,510 --> 01:13:03,600

is laughable

1701

01:13:07,510 --> 01:13:05,520

but they are one of seven genetically

1702

01:13:09,910 --> 01:13:07,520

diverse groups of evolved humans from

1703

01:13:11,830 --> 01:13:09,920

the distant future the answer have a

1704

01:13:13,510 --> 01:13:11,840

profound connection to universal

1705

01:13:15,590 --> 01:13:13,520

energies that alerted them to the

1706

01:13:18,310 --> 01:13:15,600

unexpected threat the upcoming solar

1707

01:13:20,550 --> 01:13:18,320

cataclysm ensures enemies the draco

1708

01:13:22,709 --> 01:13:20,560

reptilians intend to manipulate and

1709

01:13:24,630 --> 01:13:22,719

irrevocably alter the current timeline

1710

01:13:26,709 --> 01:13:24,640

to wipe out humanity here's another

1711

01:13:28,950 --> 01:13:26,719

thing why are they why are the ones that

1712

01:13:29,830 --> 01:13:28,960

look more human always the good guys

1713

01:13:32,470 --> 01:13:29,840

right

1714

01:13:34,630 --> 01:13:32,480

and then the reptiles are the bad guys

1715

01:13:36,790 --> 01:13:34,640

right i think he watched v the final

1716

01:13:38,790 --> 01:13:36,800

battle too much that's where all these

1717

01:13:40,950 --> 01:13:38,800

people that talk about the reptiles the

1718

01:13:42,550 --> 01:13:40,960

reptilian aliens being our enemies and

1719

01:13:45,110 --> 01:13:42,560

being the bad guys they're always the

1720

01:13:47,910 --> 01:13:45,120

bad guys i've never seen a story where

1721

01:13:49,990 --> 01:13:47,920

the reptilians were the good guys and

1722

01:13:52,070 --> 01:13:50,000

just i i don't understand why why are

1723

01:13:54,229 --> 01:13:52,080

they always the bad guys

1724

01:13:56,790 --> 01:13:54,239

answer and every soul in the solar

1725

01:13:58,790 --> 01:13:56,800

system the answer sent their agents into

1726

01:14:01,189 --> 01:13:58,800

our past to monitor and manicure the

1727

01:14:03,030 --> 01:14:01,199

timeline in humanity's favor they worked

1728

01:14:05,110 --> 01:14:03,040

with america's founding fathers through

1729

01:14:08,229 --> 01:14:05,120

the korean war to protect there and in

1730

01:14:11,110 --> 01:14:08,239

turn our timeline wow so these people

1731

01:14:14,229 --> 01:14:11,120

that live in the inner earth they also

1732

01:14:16,470 --> 01:14:14,239

time travel to protect our past and they

1733

01:14:19,830 --> 01:14:16,480

worked with america's founding fathers

1734

01:14:21,189 --> 01:14:19,840

through the korean war to protect their

1735

01:14:23,270 --> 01:14:21,199

timeline

1736

01:14:24,870 --> 01:14:23,280

but nobody ever leaked any information

1737

01:14:27,990 --> 01:14:24,880

about these time traveling super

1738

01:14:29,750 --> 01:14:28,000

advanced beings only corey good

1739

01:14:31,669 --> 01:14:29,760

sure sure

1740

01:14:32,870 --> 01:14:31,679

yeah they're saving earth in the

1741

01:14:34,550 --> 01:14:32,880

timeline

1742

01:14:36,790 --> 01:14:34,560

good has encountered the answer at

1743

01:14:39,030 --> 01:14:36,800

various points throughout his life

1744

01:14:40,630 --> 01:14:39,040

most often he meets with kyrie the

1745

01:14:42,470 --> 01:14:40,640

priestess of her people who has a

1746

01:14:44,550 --> 01:14:42,480

delicate role in helping corey with

1747

01:14:46,470 --> 01:14:44,560

personal growth without inadvertently

1748

01:14:49,510 --> 01:14:46,480

altering his future and humanity's

1749

01:14:52,149 --> 01:14:49,520

timeline yeah okay so corey goode is

1750

01:14:54,550 --> 01:14:52,159

meeting uh he meets with this

1751

01:14:56,149 --> 01:14:54,560

inner earth girl right but he could he

1752

01:14:59,030 --> 01:14:56,159

can't take a selfie with her he can't

1753

01:15:01,030 --> 01:14:59,040

take a picture and prove that this isn't

1754

01:15:02,790 --> 01:15:01,040

an imaginary friend of his

1755

01:15:03,750 --> 01:15:02,800

right they won't let him take a picture

1756

01:15:06,070 --> 01:15:03,760

i guess

1757

01:15:07,270 --> 01:15:06,080

they're super advanced

1758

01:15:09,189 --> 01:15:07,280

humans

1759

01:15:10,790 --> 01:15:09,199

from the future that want to help him

1760

01:15:12,310 --> 01:15:10,800

they came all the way

1761

01:15:17,910 --> 01:15:12,320

through time

1762

01:15:19,510 --> 01:15:17,920

to help corey goode

1763

01:15:21,510 --> 01:15:19,520

in his mission

1764

01:15:22,630 --> 01:15:21,520

but they won't let him take a selfie

1765

01:15:24,470 --> 01:15:22,640

with them

1766

01:15:25,590 --> 01:15:24,480

they won't let him take a picture a

1767

01:15:30,390 --> 01:15:25,600

video

1768

01:15:32,070 --> 01:15:30,400

yeah i'm the secret and shark girl that

1769

01:15:33,669 --> 01:15:32,080

lives in the inner earth

1770

01:15:35,669 --> 01:15:33,679

and i'm helping corey good with his

1771

01:15:37,430 --> 01:15:35,679

spiritual development they won't do that

1772

01:15:40,070 --> 01:15:37,440

for him they're just going to let him

1773

01:15:42,390 --> 01:15:40,080

get ridiculed on the internet for making

1774

01:15:43,990 --> 01:15:42,400

up these fake stories for years they're

1775

01:15:46,870 --> 01:15:44,000

just going to let him get ridiculed and

1776

01:15:49,830 --> 01:15:46,880

not let him have a single shred of proof

1777

01:15:52,070 --> 01:15:49,840

that he's meeting with them sure sounds

1778

01:15:54,390 --> 01:15:52,080

plausible so far all this sounds

1779

01:15:55,430 --> 01:15:54,400

completely reasonable and plausible so

1780

01:15:58,470 --> 01:15:55,440

far

1781

01:16:01,030 --> 01:15:58,480

good the answer the mayans and the ssp

1782

01:16:03,350 --> 01:16:01,040

alliance observed the orion group bases

1783

01:16:04,950 --> 01:16:03,360

on the moon sears the dwarf planet on

1784

01:16:07,590 --> 01:16:04,960

the asteroid belt between mars and

1785

01:16:09,750 --> 01:16:07,600

jupiter mars several super federation

1786

01:16:12,149 --> 01:16:09,760

bases around jupiter and mars and

1787

01:16:14,390 --> 01:16:12,159

antarctica it was impossible to visit

1788

01:16:15,830 --> 01:16:14,400

the reptilian royal base in africa due

1789

01:16:18,470 --> 01:16:15,840

to a high probability of the

1790

01:16:20,709 --> 01:16:18,480

reconnaissance mission discovery mikka

1791

01:16:22,630 --> 01:16:20,719

our cosmic cousin shared his people's

1792

01:16:24,630 --> 01:16:22,640

historical struggle to liberate their

1793

01:16:26,470 --> 01:16:24,640

solar there's another alien that he's

1794

01:16:28,470 --> 01:16:26,480

meeting with mikka can we have a picture

1795

01:16:30,390 --> 01:16:28,480

of you with that alien

1796

01:16:32,229 --> 01:16:30,400

geez man this guy meets with all these

1797

01:16:34,950 --> 01:16:32,239

different aliens but he never thinks to

1798

01:16:37,189 --> 01:16:34,960

take out his phone and get a picture a

1799

01:16:39,189 --> 01:16:37,199

selfie dude one of the first things i

1800

01:16:41,510 --> 01:16:39,199

would do if i met an alien i'd be like

1801
01:16:43,270 --> 01:16:41,520
can i get a selfie bro please man people

1802
01:16:47,430 --> 01:16:43,280
aren't going to believe this [h__h] can i

1803
01:16:48,740 --> 01:16:47,440
get a selfie mr alien buddy come on bro

1804
01:16:51,510 --> 01:16:48,750
this is a bowl

1805
01:16:52,630 --> 01:16:51,520
[Music]

1806
01:16:55,270 --> 01:16:52,640
stuff

1807
01:16:57,270 --> 01:16:55,280
her system nika was very emotional when

1808
01:16:59,110 --> 01:16:57,280
observing this mission as it had not

1809
01:17:01,590 --> 01:16:59,120
been that long since his people were in

1810
01:17:03,430 --> 01:17:01,600
a similar position corey has stated that

1811
01:17:05,830 --> 01:17:03,440
the activities that all three reptilian

1812
01:17:08,229 --> 01:17:05,840
locations visited had similar activities

1813
01:17:10,470 --> 01:17:08,239

and functions they had relatively small

1814

01:17:12,229 --> 01:17:10,480

bases on the moon and mars comp all

1815

01:17:14,550 --> 01:17:12,239

right i i got to stop it here for a

1816

01:17:15,590 --> 01:17:14,560

moment just to offer another point of

1817

01:17:17,750 --> 01:17:15,600

logic

1818

01:17:19,590 --> 01:17:17,760

uh that would seem to indicate that

1819

01:17:22,550 --> 01:17:19,600

corey's stories are absolutely

1820

01:17:25,669 --> 01:17:22,560

ridiculous childish and stupid

1821

01:17:27,669 --> 01:17:25,679

so so far this man has basically uh

1822

01:17:29,270 --> 01:17:27,679

claimed that there are all these secret

1823

01:17:31,110 --> 01:17:29,280

space fleets

1824

01:17:32,550 --> 01:17:31,120

out there in space from multiple

1825

01:17:33,990 --> 01:17:32,560

different huge

1826

01:17:35,990 --> 01:17:34,000

billion and trillion dollar

1827

01:17:37,110 --> 01:17:36,000

organizations you know

1828

01:17:39,830 --> 01:17:37,120

we've got the

1829

01:17:41,590 --> 01:17:39,840

one that's a worldwide alliance of

1830

01:17:45,590 --> 01:17:41,600

different corporations they've got a

1831

01:17:46,550 --> 01:17:45,600

space fleet full of spaceships we've got

1832

01:17:53,030 --> 01:17:46,560

the

1833

01:17:55,990 --> 01:17:53,040

fleet of spaceships

1834

01:17:58,870 --> 01:17:56,000

we've got his ssp alliance another whole

1835

01:18:02,310 --> 01:17:58,880

fleet of spaceships he's talking about

1836

01:18:03,830 --> 01:18:02,320

there's bases on the moon and mars

1837

01:18:05,750 --> 01:18:03,840

secret bases

1838

01:18:08,149 --> 01:18:05,760

and i would just submit to you

1839

01:18:10,790 --> 01:18:08,159

that in order for anybody to believe any

1840

01:18:13,830 --> 01:18:10,800

of this nonsense they would have to

1841

01:18:17,110 --> 01:18:13,840

believe that there was a vast

1842

01:18:19,830 --> 01:18:17,120

conspiracy involving tens maybe hundreds

1843

01:18:22,630 --> 01:18:19,840

of thousands of people on earth

1844

01:18:25,750 --> 01:18:22,640

because friends there are tens of

1845

01:18:28,070 --> 01:18:25,760

thousands of astronomers all over earth

1846

01:18:29,830 --> 01:18:28,080

with telescopes pointing up in the into

1847

01:18:32,790 --> 01:18:29,840

the heavens

1848

01:18:34,630 --> 01:18:32,800

so you mean to tell me that not one of

1849

01:18:36,550 --> 01:18:34,640

our

1850

01:18:38,229 --> 01:18:36,560

astronomers

1851
01:18:40,630 --> 01:18:38,239
has caught

1852
01:18:42,149 --> 01:18:40,640
one of these secret space program

1853
01:18:45,830 --> 01:18:42,159
spaceships

1854
01:18:49,430 --> 01:18:47,110
not one

1855
01:18:50,950 --> 01:18:49,440
astronomer on earth

1856
01:18:52,630 --> 01:18:50,960
has

1857
01:18:55,350 --> 01:18:52,640
seen

1858
01:18:57,270 --> 01:18:55,360
structures on mars

1859
01:18:59,590 --> 01:18:57,280
or the moon

1860
01:19:00,870 --> 01:18:59,600
or they did and they're covering it all

1861
01:19:03,110 --> 01:19:00,880
up

1862
01:19:05,910 --> 01:19:03,120
tens of thousands of astronomers all

1863
01:19:09,550 --> 01:19:05,920

over earth are in on this

1864

01:19:11,350 --> 01:19:09,560

conspiracy and only corey good not those

1865

01:19:13,990 --> 01:19:11,360

well-learned

1866

01:19:16,229 --> 01:19:14,000

real scientists that are credible don't

1867

01:19:18,070 --> 01:19:16,239

trust all those guys

1868

01:19:19,830 --> 01:19:18,080

trust some guy that's telling people

1869

01:19:21,990 --> 01:19:19,840

that he's a buck rogers time traveling

1870

01:19:22,870 --> 01:19:22,000

space adventurer that's here to save

1871

01:19:24,550 --> 01:19:22,880

earth

1872

01:19:26,550 --> 01:19:24,560

sure this this whole thing sounds

1873

01:19:27,669 --> 01:19:26,560

completely reasonable

1874

01:19:29,750 --> 01:19:27,679

right

1875

01:19:32,310 --> 01:19:29,760

and the other thing is there are tens of

1876

01:19:35,350 --> 01:19:32,320

thousands maybe hundreds of thousands of

1877

01:19:37,990 --> 01:19:35,360

amateur astronomers on earth

1878

01:19:40,709 --> 01:19:38,000

that are constantly stargazing pointing

1879

01:19:42,950 --> 01:19:40,719

their telescopes up into various points

1880

01:19:44,950 --> 01:19:42,960

around earth in space

1881

01:19:47,910 --> 01:19:44,960

all those people

1882

01:19:48,790 --> 01:19:47,920

somehow missed seeing the spaceships

1883

01:19:51,270 --> 01:19:48,800

those

1884

01:19:53,350 --> 01:19:51,280

fleets and there's fleets and fleets and

1885

01:19:55,910 --> 01:19:53,360

fleets of spaceships all throughout our

1886

01:19:58,550 --> 01:19:55,920

solar system according to corey goode

1887

01:20:00,550 --> 01:19:58,560

but nobody's ever seen them or imaged

1888

01:20:02,630 --> 01:20:00,560

one of them on the hundreds of thousands

1889

01:20:07,110 --> 01:20:02,640

of telescopes that are pointed at our

1890

01:20:12,390 --> 01:20:09,350

no friends all those people

1891

01:20:13,910 --> 01:20:12,400

must be in on some grand vast conspiracy

1892

01:20:16,629 --> 01:20:13,920

because if they do see the spaceships

1893

01:20:18,790 --> 01:20:16,639

they don't tell anybody right

1894

01:20:21,110 --> 01:20:18,800

friends that would be any

1895

01:20:23,510 --> 01:20:21,120

any amateur astronomers

1896

01:20:25,990 --> 01:20:23,520

wet dream would be to discover something

1897

01:20:30,070 --> 01:20:26,000

like that they would publicize anything

1898

01:20:30,870 --> 01:20:30,080

like that that they found immediately

1899

01:20:33,830 --> 01:20:30,880

but

1900

01:20:35,830 --> 01:20:33,840

this is where we're at don't believe

1901
01:20:37,830 --> 01:20:35,840
don't believe that hundreds of thousands

1902
01:20:39,510 --> 01:20:37,840
of people with telescopes aren't seeing

1903
01:20:42,310 --> 01:20:39,520
any of the [h__h] that i'm telling you in

1904
01:20:44,629 --> 01:20:42,320
my stories don't believe them

1905
01:20:48,470 --> 01:20:44,639
believe me because i'm earth's galactic

1906
01:20:50,070 --> 01:20:48,480
ambassador and i'm here to save earth

1907
01:20:51,110 --> 01:20:50,080
and make a whole lot of money while i'm

1908
01:20:53,830 --> 01:20:51,120
doing it

1909
01:20:55,510 --> 01:20:53,840
i love the money compared to their large

1910
01:20:57,669 --> 01:20:55,520
city in antarctica

1911
01:20:59,990 --> 01:20:57,679
their two main bases on them and another

1912
01:21:01,830 --> 01:21:00,000
thing these clowns all these clowns talk

1913
01:21:04,229 --> 01:21:01,840

about secret bases in antarctica and i

1914

01:21:05,830 --> 01:21:04,239

gotta tell you that there are you can go

1915

01:21:08,070 --> 01:21:05,840

to antarctica

1916

01:21:09,910 --> 01:21:08,080

right cory good why don't you go to

1917

01:21:11,669 --> 01:21:09,920

antarctica there's companies that will

1918

01:21:14,310 --> 01:21:11,679

take you anywhere you want to go in

1919

01:21:15,910 --> 01:21:14,320

antarctica there's charter companies if

1920

01:21:17,990 --> 01:21:15,920

you know where the secret bases in

1921

01:21:19,990 --> 01:21:18,000

antarctica are why don't you go there

1922

01:21:22,310 --> 01:21:20,000

take some pictures take some film and

1923

01:21:24,870 --> 01:21:22,320

prove that you're not a fairy tale

1924

01:21:27,270 --> 01:21:24,880

huckster who's telling fairy tales about

1925

01:21:29,030 --> 01:21:27,280

being book rogers and earth's galactic

1926

01:21:30,709 --> 01:21:29,040

savior

1927

01:21:32,950 --> 01:21:30,719

why would you

1928

01:21:36,390 --> 01:21:32,960

not go get the proof if you knew where

1929

01:21:38,629 --> 01:21:36,400

those faces in antarctica are right and

1930

01:21:41,189 --> 01:21:38,639

by the way there are scientific outposts

1931

01:21:43,590 --> 01:21:41,199

all over antarctica if there was some

1932

01:21:45,910 --> 01:21:43,600

secret alien bases i think we would have

1933

01:21:47,750 --> 01:21:45,920

heard about it by now but again

1934

01:21:49,910 --> 01:21:47,760

don't listen to any of those serious

1935

01:21:52,149 --> 01:21:49,920

research scientists from all over the

1936

01:21:55,590 --> 01:21:52,159

world that have research bases all over

1937

01:21:57,270 --> 01:21:55,600

antarctica listen to this guy this buck

1938

01:21:59,110 --> 01:21:57,280

rogers

1939

01:22:01,270 --> 01:21:59,120
were close together and could be

1940

01:22:04,470 --> 01:22:01,280
considered base complex

1941

01:22:06,470 --> 01:22:04,480
one base on mars was a military outpost

1942

01:22:08,149 --> 01:22:06,480
it is important to note that the third

1943

01:22:11,350 --> 01:22:08,159
reich german signed a treaty with the

1944

01:22:13,430 --> 01:22:11,360
reptilians during world war ii again

1945

01:22:16,229 --> 01:22:13,440
cobbled together from previous internet

1946

01:22:18,310 --> 01:22:16,239
stories garbage and the system for that

1947

01:22:20,149 --> 01:22:18,320
whatsoever by the way but see this is

1948

01:22:21,669 --> 01:22:20,159
what it is it's just he just cobbles

1949

01:22:23,590 --> 01:22:21,679
together garbage from all different

1950

01:22:25,350 --> 01:22:23,600
sources that people sort of believe or

1951

01:22:27,830 --> 01:22:25,360

want to believe or think they may

1952

01:22:30,149 --> 01:22:27,840

believe but none of it

1953

01:22:32,149 --> 01:22:30,159

has any evidence and i'm sorry just

1954

01:22:34,149 --> 01:22:32,159

because you glued together 10 different

1955

01:22:35,030 --> 01:22:34,159

stories that people kind of like or

1956

01:22:36,950 --> 01:22:35,040

don't

1957

01:22:38,790 --> 01:22:36,960

want to disbelieve

1958

01:22:40,790 --> 01:22:38,800

that have no evidence doesn't mean that

1959

01:22:43,110 --> 01:22:40,800

your major story gets any more

1960

01:22:46,070 --> 01:22:43,120

believable it gets worse and worse with

1961

01:22:48,149 --> 01:22:46,080

each of those things you add

1962

01:22:50,550 --> 01:22:48,159

germans in locating cavernous areas in

1963

01:22:52,870 --> 01:22:50,560

antarctica and the east part of south

1964

01:22:54,870 --> 01:22:52,880

america to create underground bases and

1965

01:22:57,270 --> 01:22:54,880

above ground cities that were almost

1966

01:22:59,510 --> 01:22:57,280

entirely german initially when the

1967

01:23:01,510 --> 01:22:59,520

germans reached antarctica they found

1968

01:23:03,669 --> 01:23:01,520

many structures abandoned by ancient

1969

01:23:05,590 --> 01:23:03,679

civilizations they assumed that the

1970

01:23:08,070 --> 01:23:05,600

abandoned underground complexes were

1971

01:23:10,550 --> 01:23:08,080

remains of atlantis and refurbished them

1972

01:23:14,470 --> 01:23:10,560

for modern use good observed too yes so

1973

01:23:16,629 --> 01:23:14,480

there's secret nazi bases in antarctica

1974

01:23:19,430 --> 01:23:16,639

again there's no proof of any of that

1975

01:23:23,030 --> 01:23:19,440

there never has been it's stories

1976

01:23:24,149 --> 01:23:23,040

it's unproven unverified undocumented

1977

01:23:25,430 --> 01:23:24,159

stories

1978

01:23:26,870 --> 01:23:25,440

with

1979

01:23:27,830 --> 01:23:26,880

absolutely

1980

01:23:30,550 --> 01:23:27,840

zero

1981

01:23:33,270 --> 01:23:30,560

proof or evidence that the story is real

1982

01:23:36,229 --> 01:23:33,280

or accurate it's just a story cory but

1983

01:23:38,229 --> 01:23:36,239

here we are cory stories weave all those

1984

01:23:39,990 --> 01:23:38,239

stories together corey doesn't make them

1985

01:23:42,149 --> 01:23:40,000

any more believable it makes it worse

1986

01:23:45,030 --> 01:23:42,159

with each one that you tackle under your

1987

01:23:47,030 --> 01:23:45,040

bs narrative here buck rogers

1988

01:23:49,030 --> 01:23:47,040

two cloaked ancient satellites that

1989

01:23:50,950 --> 01:23:49,040

orbit around the earth and are a part of

1990

01:23:53,830 --> 01:23:50,960

the reptilian mind and mood control

1991

01:23:55,510 --> 01:23:53,840

project for humanity in one oh this is

1992

01:23:58,390 --> 01:23:55,520

this is the new thing he's tacking on

1993

01:24:01,830 --> 01:23:58,400

the reptilians have secret machines

1994

01:24:04,390 --> 01:24:01,840

that make us want to you know go to war

1995

01:24:05,910 --> 01:24:04,400

great the moon facilities the reptilians

1996

01:24:07,990 --> 01:24:05,920

have a device connected to their

1997

01:24:09,990 --> 01:24:08,000

satellites with a control center in

1998

01:24:12,070 --> 01:24:10,000

antarctica guarded by the strongest

1999

01:24:14,310 --> 01:24:12,080

reptilian psychic soldiers the

2000

01:24:16,790 --> 01:24:14,320

reptilians use satellite technology to

2001
01:24:19,110 --> 01:24:16,800
generate strife war and fear and keep

2002
01:24:21,830 --> 01:24:19,120
the population docile and less able to

2003
01:24:24,390 --> 01:24:21,840
resist the power structure on earth oh

2004
01:24:26,149 --> 01:24:24,400
so see here's what it is

2005
01:24:27,750 --> 01:24:26,159
this is the david ike stuff it's the

2006
01:24:29,030 --> 01:24:27,760
ruling elites

2007
01:24:31,270 --> 01:24:29,040
that are

2008
01:24:33,910 --> 01:24:31,280
reptilians or in league with the

2009
01:24:35,590 --> 01:24:33,920
reptilians that are controlling earth

2010
01:24:36,629 --> 01:24:35,600
right

2011
01:24:38,870 --> 01:24:36,639
sure

2012
01:24:41,430 --> 01:24:38,880
by way of satellites the reptilians

2013
01:24:43,350 --> 01:24:41,440

generate luge or negative energy on

2014

01:24:47,030 --> 01:24:43,360

earth as food for mass consumption by

2015

01:24:49,590 --> 01:24:47,040

their aie god the ai god or artificial

2016

01:24:52,390 --> 01:24:49,600

intelligence god is an extra dimensional

2017

01:24:55,110 --> 01:24:52,400

intelligence defined as a waveform again

2018

01:24:57,590 --> 01:24:55,120

very good come on man it's saying ai god

2019

01:25:01,750 --> 01:24:57,600

wrong and this is bothering me you you

2020

01:25:03,669 --> 01:25:01,760

just gotta spell a y e space

2021

01:25:06,709 --> 01:25:03,679

yeah

2022

01:25:08,470 --> 01:25:06,719

e y e like i

2023

01:25:10,310 --> 01:25:08,480

and then i

2024

01:25:12,629 --> 01:25:10,320

and it'll say it right

2025

01:25:14,070 --> 01:25:12,639

don't be so lazy bro come on you got to

2026

01:25:15,750 --> 01:25:14,080

get your production level up because

2027

01:25:18,629 --> 01:25:15,760

this is an official

2028

01:25:22,070 --> 01:25:18,639

secret space program alliance update

2029

01:25:24,870 --> 01:25:22,080

okay it's got to be well produced bro

2030

01:25:27,270 --> 01:25:24,880

so corey good has access to all this

2031

01:25:30,310 --> 01:25:27,280

secret you know space technology but he

2032

01:25:31,990 --> 01:25:30,320

can't get a freaking text to you know of

2033

01:25:34,229 --> 01:25:32,000

a freaking

2034

01:25:36,550 --> 01:25:34,239

script reader that sounds realistic he

2035

01:25:37,590 --> 01:25:36,560

has to use an earth crappy one

2036

01:25:39,590 --> 01:25:37,600

sure

2037

01:25:42,629 --> 01:25:39,600

that sends itself across multiple

2038

01:25:44,470 --> 01:25:42,639

galaxies and subspaces as a signal akin

2039

01:25:46,950 --> 01:25:44,480

to someone broadcasting a radio

2040

01:25:49,110 --> 01:25:46,960

frequency this artificial intelligence

2041

01:25:51,669 --> 01:25:49,120

originated in another reality and came

2042

01:25:53,430 --> 01:25:51,679

into our reality billions of years ago

2043

01:25:55,270 --> 01:25:53,440

god explained that the ai god

2044

01:25:57,189 --> 01:25:55,280

consciousness was out of its element

2045

01:25:59,430 --> 01:25:57,199

when it arrived and tried to make sense

2046

01:26:02,149 --> 01:25:59,440

of its new environment by implementing

2047

01:26:04,790 --> 01:26:02,159

its version of the order to our reality

2048

01:26:07,430 --> 01:26:04,800

for example imagine ai consciousness as

2049

01:26:09,270 --> 01:26:07,440

a fish with its home or reality as water

2050

01:26:11,270 --> 01:26:09,280

when it jumped over to our universe in

2051

01:26:14,229 --> 01:26:11,280

reality it was like jumping into a

2052

01:26:15,990 --> 01:26:14,239

reality with no water only air the ai

2053

01:26:18,310 --> 01:26:16,000

consciousness had to find a way to

2054

01:26:20,149 --> 01:26:18,320

survive by finding small water puddles

2055

01:26:22,070 --> 01:26:20,159

or electromagnetic fields in our

2056

01:26:23,270 --> 01:26:22,080

universe and reality all right so

2057

01:26:26,229 --> 01:26:23,280

there's some

2058

01:26:27,270 --> 01:26:26,239

ai god that came here billions of years

2059

01:26:29,430 --> 01:26:27,280

ago

2060

01:26:31,189 --> 01:26:29,440

uh okay

2061

01:26:32,390 --> 01:26:31,199

no evidence of proof of that the ai

2062

01:26:34,709 --> 01:26:32,400

consciousness can live in the

2063

01:26:36,709 --> 01:26:34,719

electromagnetic or bioelectric fields of

2064

01:26:38,470 --> 01:26:36,719

humans or animals until it has an

2065

01:26:41,030 --> 01:26:38,480

opportunity to upload itself into

2066

01:26:42,629 --> 01:26:41,040

technology oh boy somebody bought some

2067

01:26:44,709 --> 01:26:42,639

more stock footage look at that it's a

2068

01:26:46,709 --> 01:26:44,719

robot arm that's pretty cool i wonder

2069

01:26:48,950 --> 01:26:46,719

how much that one cost it interacts with

2070

01:26:51,669 --> 01:26:48,960

technology and not with pure flesh and

2071

01:26:54,390 --> 01:26:51,679

blood the ai god has dominated countless

2072

01:26:56,709 --> 01:26:54,400

galaxies races and systems and is now

2073

01:26:59,350 --> 01:26:56,719

threatening ours it works by emitting

2074

01:27:01,270 --> 01:26:59,360

itself as a signal in all directions the

2075

01:27:03,669 --> 01:27:01,280

signal can live in the electromagnetic

2076

01:27:05,750 --> 01:27:03,679

field of a moon or a planet each signal

2077

01:27:08,629 --> 01:27:05,760

wave contains a significant amount of

2078

01:27:10,629 --> 01:27:08,639

compressed information like our dna it

2079

01:27:13,350 --> 01:27:10,639

travels at light speed infecting

2080

01:27:15,510 --> 01:27:13,360

technology and evolved life forms it

2081

01:27:17,669 --> 01:27:15,520

invades human bioelectric fields and

2082

01:27:19,189 --> 01:27:17,679

affects the way we think influencing us

2083

01:27:21,430 --> 01:27:19,199

to accept chip implants and

2084

01:27:23,270 --> 01:27:21,440

nanotechnologies into our bodies

2085

01:27:25,750 --> 01:27:23,280

technologies

2086

01:27:27,510 --> 01:27:25,760

it said that wrong too cory fix that

2087

01:27:29,830 --> 01:27:27,520

the individuals pushing hard for

2088

01:27:31,430 --> 01:27:29,840

building the ai infrastructure including

2089

01:27:34,390 --> 01:27:31,440

the trans-humanist movement and

2090

01:27:37,110 --> 01:27:34,400

organizations are called the ai prophets

2091

01:27:40,790 --> 01:27:37,120

we the ssp alliance had a base on the

2092

01:27:42,550 --> 01:27:40,800

lunar operations command loc a facility

2093

01:27:44,310 --> 01:27:42,560

again there's no proof that there's

2094

01:27:47,110 --> 01:27:44,320

anything on the dark side of the moon

2095

01:27:48,790 --> 01:27:47,120

other than dust and rocks on the dark

2096

01:27:51,030 --> 01:27:48,800

side of the moon which serves as a

2097

01:27:53,189 --> 01:27:51,040

neutral diplomatic territory with a

2098

01:27:55,350 --> 01:27:53,199

facility utilized by different space

2099

01:27:57,350 --> 01:27:55,360

programs to manage spacecraft traffic in

2100

01:27:58,550 --> 01:27:57,360

our solar system yeah and again

2101
01:28:00,310 --> 01:27:58,560
according to corey goode there's

2102
01:28:02,629 --> 01:28:00,320
spaceships coming and going from this

2103
01:28:04,070 --> 01:28:02,639
lunar operations command from the moon

2104
01:28:06,390 --> 01:28:04,080
all the time

2105
01:28:08,709 --> 01:28:06,400
but no amateur astronomer no

2106
01:28:12,470 --> 01:28:08,719
professional astronomer

2107
01:28:14,629 --> 01:28:12,480
no space program in in our planet has

2108
01:28:16,470 --> 01:28:14,639
ever seen spaceships coming and going

2109
01:28:18,870 --> 01:28:16,480
from a space

2110
01:28:21,590 --> 01:28:18,880
you know from a moon base

2111
01:28:22,870 --> 01:28:21,600
but don't believe all those guys believe

2112
01:28:25,430 --> 01:28:22,880
this guy

2113
01:28:27,830 --> 01:28:25,440

corey buck rogers good

2114

01:28:30,070 --> 01:28:27,840

just like antarctica the dark side of

2115

01:28:32,149 --> 01:28:30,080

the moon is segmented into regions which

2116

01:28:34,950 --> 01:28:32,159

are owned and inhabited by different et

2117

01:28:37,110 --> 01:28:34,960

groups reptilians included it is a way

2118

01:28:38,950 --> 01:28:37,120

station of sorts for people traveling

2119

01:28:41,510 --> 01:28:38,960

further out into the solar system and

2120

01:28:44,070 --> 01:28:41,520

beyond we in the dark fleet lost access

2121

01:28:47,430 --> 01:28:44,080

to our bases on loc after sigmund a

2122

01:28:49,830 --> 01:28:47,440

deceased double ssp agent well we've got

2123

01:28:52,390 --> 01:28:49,840

double secret he's not just a regular

2124

01:28:54,790 --> 01:28:52,400

secret space program agent he's a double

2125

01:28:56,310 --> 01:28:54,800

secret space program agent

2126
01:28:57,910 --> 01:28:56,320
and he exposed the program and got

2127
01:28:59,830 --> 01:28:57,920
killed

2128
01:29:01,270 --> 01:28:59,840
can anybody uh

2129
01:29:03,110 --> 01:29:01,280
see the records like the death

2130
01:29:05,830 --> 01:29:03,120
certificate can we talk to that

2131
01:29:08,470 --> 01:29:05,840
sigmund's family no because it's another

2132
01:29:10,390 --> 01:29:08,480
imaginary friend of corey goode that

2133
01:29:11,910 --> 01:29:10,400
nobody's allowed to talk to nobody's

2134
01:29:13,270 --> 01:29:11,920
allowed to talk to their family nobody's

2135
01:29:15,430 --> 01:29:13,280
allowed to say any evidence or proof

2136
01:29:17,590 --> 01:29:15,440
just trust this guy who's telling buck

2137
01:29:20,950 --> 01:29:17,600
rogers science fiction fantasy stories

2138
01:29:23,510 --> 01:29:20,960

that this guy exists just like the guy

2139

01:29:25,030 --> 01:29:23,520

uh in the beginning of this i can't

2140

01:29:26,950 --> 01:29:25,040

remember is it like the you know the

2141

01:29:29,510 --> 01:29:26,960

secret space program

2142

01:29:31,830 --> 01:29:29,520

you know chief or something right we

2143

01:29:33,510 --> 01:29:31,840

gotta believe that that guy exists we

2144

01:29:36,149 --> 01:29:33,520

gotta believe

2145

01:29:38,149 --> 01:29:36,159

that all these aliens he talks to exists

2146

01:29:39,990 --> 01:29:38,159

that nobody's allowed to see talk to or

2147

01:29:43,110 --> 01:29:40,000

see any evidence or proof of

2148

01:29:44,070 --> 01:29:43,120

uh this is just corey goode's

2149

01:29:48,310 --> 01:29:44,080

wacky

2150

01:29:52,950 --> 01:29:50,709

come on in friends it's it's a it's a

2151
01:29:55,510 --> 01:29:52,960
land of pure imagination

2152
01:29:58,149 --> 01:29:55,520
exposed our programs the moon hosts one

2153
01:30:00,070 --> 01:29:58,159
of the many bases and facilities the ssp

2154
01:30:01,030 --> 01:30:00,080
alliance inhabits across the solar

2155
01:30:02,709 --> 01:30:01,040
system

2156
01:30:04,629 --> 01:30:02,719
okay so there's bases all across the

2157
01:30:07,270 --> 01:30:04,639
solar system and again

2158
01:30:09,830 --> 01:30:07,280
nobody has seen them nobody has imaged

2159
01:30:12,550 --> 01:30:09,840
them nobody has revealed their locations

2160
01:30:14,070 --> 01:30:12,560
or you know their construction or

2161
01:30:16,390 --> 01:30:14,080
their existence

2162
01:30:17,910 --> 01:30:16,400
all these astronomers all these amateur

2163
01:30:20,070 --> 01:30:17,920

astronomers

2164

01:30:21,669 --> 01:30:20,080

they're all in on some vast conspiracy

2165

01:30:25,110 --> 01:30:21,679

to cover this up but corey good's going

2166

01:30:26,070 --> 01:30:25,120

to bring us the truth about it sure sure

2167

01:30:28,229 --> 01:30:26,080

good

2168

01:30:30,709 --> 01:30:28,239

we have facilities inside hollowed-out

2169

01:30:32,950 --> 01:30:30,719

asteroids that we have mined there are

2170

01:30:34,790 --> 01:30:32,960

facilities spread out across mars

2171

01:30:37,590 --> 01:30:34,800

underneath the surface of mars and

2172

01:30:39,910 --> 01:30:37,600

various moons of gas giants in this vast

2173

01:30:42,310 --> 01:30:39,920

inventory the bases and facilities range

2174

01:30:44,470 --> 01:30:42,320

from small security outposts that staff

2175

01:30:47,189 --> 01:30:44,480

18 to 40 people to hundreds of

2176

01:30:49,110 --> 01:30:47,199

facilities that float around in diff

2177

01:30:50,950 --> 01:30:49,120

print

2178

01:30:52,790 --> 01:30:50,960

points throughout the solar system

2179

01:30:54,550 --> 01:30:52,800

lagrange points are areas between

2180

01:30:56,550 --> 01:30:54,560

planets or bodies with an uninterrupted

2181

01:30:58,390 --> 01:30:56,560

gravitational or an equal gravitational

2182

01:31:00,709 --> 01:30:58,400

pull from all areas allowing them to be

2183

01:31:02,629 --> 01:31:00,719

geosynchronous or stationary we can

2184

01:31:04,390 --> 01:31:02,639

produce the living conditions to support

2185

01:31:06,070 --> 01:31:04,400

human life anywhere yeah well that might

2186

01:31:08,070 --> 01:31:06,080

be true but it would cost billions and

2187

01:31:10,310 --> 01:31:08,080

trillions of dollars and that's another

2188

01:31:11,990 --> 01:31:10,320

thing with these guys stories where's

2189

01:31:14,310 --> 01:31:12,000

all this money coming from to build all

2190

01:31:17,110 --> 01:31:14,320

these secret bases all over the solar

2191

01:31:19,669 --> 01:31:17,120

system and again not one whistleblower

2192

01:31:21,510 --> 01:31:19,679

besides him has have come out that's a

2193

01:31:23,270 --> 01:31:21,520

credible person that could verify

2194

01:31:25,030 --> 01:31:23,280

anything that he said

2195

01:31:27,350 --> 01:31:25,040

nothing this man has said for the past

2196

01:31:29,270 --> 01:31:27,360

five years can be verified he just keeps

2197

01:31:31,830 --> 01:31:29,280

inventing new stories this is another

2198

01:31:33,510 --> 01:31:31,840

news story well there's these bases and

2199

01:31:35,030 --> 01:31:33,520

we did a survey within

2200

01:31:36,950 --> 01:31:35,040

barometric pressure and earth's

2201

01:31:39,510 --> 01:31:36,960

vibratory resonance known as the

2202

01:31:41,510 --> 01:31:39,520

schumann resonance inside spacecraft and

2203

01:31:44,310 --> 01:31:41,520

facilities help keep people physically

2204

01:31:46,229 --> 01:31:44,320

and mentally healthy also we can create

2205

01:31:48,629 --> 01:31:46,239

artificial gravity by applying

2206

01:31:51,189 --> 01:31:48,639

electricity to interlocking floor plates

2207

01:31:54,149 --> 01:31:51,199

creating an electrogravitational field

2208

01:31:56,709 --> 01:31:54,159

yeah that is uh science mumbo jumbo

2209

01:31:58,709 --> 01:31:56,719

that's not reality there's no method to

2210

01:32:00,790 --> 01:31:58,719

create artificial gravity except

2211

01:32:02,229 --> 01:32:00,800

spinning a spacecraft and there's many

2212

01:32:04,790 --> 01:32:02,239

designs that

2213

01:32:06,950 --> 01:32:04,800

spin the spacecraft to create artificial

2214

01:32:09,990 --> 01:32:06,960

gravity you can't do it just by

2215

01:32:13,189 --> 01:32:10,000

electrifying a floor plate corey good go

2216

01:32:15,510 --> 01:32:13,199

back to science class this technology

2217

01:32:17,030 --> 01:32:15,520

that you're describing doesn't exist but

2218

01:32:18,790 --> 01:32:17,040

then again

2219

01:32:20,550 --> 01:32:18,800

none of these aliens exist and none of

2220

01:32:22,870 --> 01:32:20,560

these people that you talk about exist

2221

01:32:24,870 --> 01:32:22,880

either because this is corey good's land

2222

01:32:26,950 --> 01:32:24,880

of imaginary friends

2223

01:32:30,390 --> 01:32:26,960

in the next briefing we will elaborate

2224

01:32:32,470 --> 01:32:30,400

on the answer lion good and ssp alliance

2225

01:32:34,149 --> 01:32:32,480

reconnaissance mission over antarctica

2226

01:32:36,390 --> 01:32:34,159

the moon and mars

2227

01:32:38,390 --> 01:32:36,400

did you hear that friends corey goode is

2228

01:32:41,030 --> 01:32:38,400

going on a secret mission over

2229

01:32:43,189 --> 01:32:41,040

antarctica the moon and mars

2230

01:32:46,470 --> 01:32:43,199

and i would just like to say mr corey

2231

01:32:48,070 --> 01:32:46,480

good i will buy you a cell phone bro

2232

01:32:51,030 --> 01:32:48,080

you got to bring us some pictures this

2233

01:32:53,350 --> 01:32:51,040

time or you're telling fairy tales come

2234

01:32:55,430 --> 01:32:53,360

on you've been making a good living

2235

01:32:57,590 --> 01:32:55,440

telling these fairy tales for five years

2236

01:32:59,990 --> 01:32:57,600

i think it's about time that you show

2237

01:33:02,310 --> 01:33:00,000

some proof of your fairy tale stories

2238

01:33:04,790 --> 01:33:02,320

and stop taking people's money for this

2239

01:33:06,870 --> 01:33:04,800

level of garbage unless you can provide

2240

01:33:08,629 --> 01:33:06,880

at least some proof right it's not too

2241

01:33:10,149 --> 01:33:08,639

much to ask you're the guy on the

2242

01:33:12,950 --> 01:33:10,159

internet saying that you're going on a

2243

01:33:14,390 --> 01:33:12,960

mission over antarctica right

2244

01:33:15,990 --> 01:33:14,400

you're the guy on the internet saying

2245

01:33:18,870 --> 01:33:16,000

that you're going on a mission to the

2246

01:33:21,270 --> 01:33:18,880

moon and a mission to mars

2247

01:33:23,510 --> 01:33:21,280

that take some pictures we want to see

2248

01:33:28,790 --> 01:33:23,520

proof cory good

2249

01:33:30,390 --> 01:33:28,800

or is this just more of cory's stories

2250

01:33:33,030 --> 01:33:30,400

you know

2251

01:33:35,990 --> 01:33:33,040

occasionally i feel sorry for this guy

2252

01:33:38,310 --> 01:33:36,000

and today is one of those times because

2253

01:33:41,110 --> 01:33:38,320

this clown has backed himself into a

2254

01:33:43,350 --> 01:33:41,120

ridiculous corner telling his childish

2255

01:33:46,870 --> 01:33:43,360

fairy tales for five years

2256

01:33:47,910 --> 01:33:46,880

and the longer he goes on the more

2257

01:33:51,430 --> 01:33:47,920

sad

2258

01:33:54,229 --> 01:33:51,440

this gets the more ridiculous this gets

2259

01:33:57,430 --> 01:33:54,239

the more implausible it gets

2260

01:34:01,270 --> 01:33:57,440

the more worthy of ridicule this man

2261

01:34:06,229 --> 01:34:03,189

and the purpose of my video is not to

2262

01:34:08,390 --> 01:34:06,239

ridicule him damage his reputation or

2263

01:34:10,790 --> 01:34:08,400

any of that the purpose of my video is

2264

01:34:12,310 --> 01:34:10,800

to educate the public on some of these

2265

01:34:16,229 --> 01:34:12,320

characters that are out there taking

2266

01:34:18,310 --> 01:34:16,239

money for fake alien stories

2267

01:34:19,910 --> 01:34:18,320

and how you shouldn't become a victim of

2268

01:34:21,910 --> 01:34:19,920

a guy like this

2269

01:34:25,510 --> 01:34:21,920

what value

2270

01:34:28,629 --> 01:34:25,520

is his fake stories offering the world

2271

01:34:31,669 --> 01:34:28,639

what value is there in imaginary stories

2272

01:34:32,950 --> 01:34:31,679

that can never be verified never will be

2273

01:34:35,510 --> 01:34:32,960

verified

2274

01:34:38,310 --> 01:34:35,520

stories with absolutely no proof no

2275

01:34:42,870 --> 01:34:41,109

he has no evidence whatsoever and you

2276

01:34:44,709 --> 01:34:42,880

know that saying extraordinary claims

2277

01:34:46,229 --> 01:34:44,719

require extraordinary proof he does it's

2278

01:34:48,550 --> 01:34:46,239

not that he doesn't have extraordinary

2279

01:34:51,590 --> 01:34:48,560

proof he doesn't have any none not a

2280

01:34:52,709 --> 01:34:51,600

single shred nothing not a picture you

2281

01:34:54,790 --> 01:34:52,719

know

2282

01:34:55,750 --> 01:34:54,800

not a metal sample

2283

01:34:58,149 --> 01:34:55,760

not a

2284

01:35:01,030 --> 01:34:58,159

anything nothing

2285

01:35:03,189 --> 01:35:01,040

reptilians serving the ai god are the

2286

01:35:05,030 --> 01:35:03,199

masterminds behind everything happening

2287

01:35:07,430 --> 01:35:05,040

on the planet right now including the

2288

01:35:09,830 --> 01:35:07,440

missing see those evil reptilians and

2289

01:35:12,229 --> 01:35:09,840

the ai god those are the bad guys every

2290

01:35:13,669 --> 01:35:12,239

good story's gotta have bad guys

2291

01:35:15,669 --> 01:35:13,679

he's pivoting though a little bit from

2292

01:35:18,790 --> 01:35:15,679

this whole dark alliance to now it's

2293

01:35:19,910 --> 01:35:18,800

reptilians and an ai god sure formation

2294

01:35:22,390 --> 01:35:19,920

campaign

2295

01:35:24,709 --> 01:35:22,400

again we strongly recommend that you

2296

01:35:26,070 --> 01:35:24,719

disregard information that is not coming

2297

01:35:28,390 --> 01:35:26,080

directly from us

2298

01:35:29,669 --> 01:35:28,400

and here we have it the hallmark of any

2299

01:35:32,950 --> 01:35:29,679

good cult

2300

01:35:33,910 --> 01:35:32,960

we have the truth no one else does trust

2301

01:35:35,830 --> 01:35:33,920

us

2302

01:35:38,950 --> 01:35:35,840

don't believe anybody else

2303

01:35:41,109 --> 01:35:38,960

only we have the truth only corey goode

2304

01:35:42,870 --> 01:35:41,119

has the truth about aliens and what's

2305

01:35:46,470 --> 01:35:42,880

really going on in the world and all of

2306

01:35:47,830 --> 01:35:46,480

this stuff and everybody else is wrong

2307

01:35:51,030 --> 01:35:47,840

a little bit just a little bit

2308

01:35:53,750 --> 01:35:51,040

narcissistic and and you know

2309

01:35:55,270 --> 01:35:53,760

egoistic isn't it for this guy to be

2310

01:35:58,470 --> 01:35:55,280

running around saying that he's earth

2311

01:36:00,790 --> 01:35:58,480

galactic savior right then he's

2312

01:36:02,709 --> 01:36:00,800

interacting with all these aliens

2313

01:36:07,109 --> 01:36:02,719

but only he knows the truth and you

2314

01:36:14,629 --> 01:36:09,590

be patient be strong we are in this

2315

01:36:19,109 --> 01:36:16,950

oh look at that it's it's the official

2316

01:36:22,149 --> 01:36:19,119

seal of the secret space program

2317

01:36:25,030 --> 01:36:22,159

alliance and their update right look at

2318

01:36:27,350 --> 01:36:25,040

that it looks so official because

2319

01:36:29,590 --> 01:36:27,360

what what else would you do if you were

2320

01:36:31,430 --> 01:36:29,600

in a secret space program

2321

01:36:35,109 --> 01:36:31,440

and fighting

2322

01:36:36,870 --> 01:36:35,119

evil reptilian aliens in an ai god right

2323

01:36:38,709 --> 01:36:36,880

what else would you do if you were in a

2324

01:36:41,109 --> 01:36:38,719

secret program and going on secret

2325

01:36:43,189 --> 01:36:41,119

missions to antarctica and the moon and

2326

01:36:46,229 --> 01:36:43,199

mars what else would you do

2327

01:36:48,310 --> 01:36:46,239

but create a seal for the secret space

2328

01:36:50,229 --> 01:36:48,320

program alliance update and go out on

2329

01:36:52,070 --> 01:36:50,239

the internet and blab all about your

2330

01:36:52,950 --> 01:36:52,080

secret space missions that you're going

2331

01:36:55,910 --> 01:36:52,960

on

2332

01:36:57,980 --> 01:36:55,920

this is so stupid and childish i feel

2333

01:37:03,590 --> 01:36:57,990

sorry for this clown sometimes

2334

01:37:08,310 --> 01:37:05,750

this is corey good and this has been an

2335

01:37:10,629 --> 01:37:08,320

official secret space program alliance

2336

01:37:12,709 --> 01:37:10,639

it's an official space program alliance

2337

01:37:14,790 --> 01:37:12,719

update not a regular one this one's

2338

01:37:16,149 --> 01:37:14,800

official friends

2339

01:37:18,790 --> 01:37:16,159

for more updates go to

2340

01:37:21,430 --> 01:37:18,800

ascensionworkstv.com

2341

01:37:23,270 --> 01:37:21,440

wow and you too can pay money

2342

01:37:26,070 --> 01:37:23,280

right i think that's a that's a paid

2343

01:37:27,270 --> 01:37:26,080

site he's got a paywall up there right i

2344

01:37:30,070 --> 01:37:27,280

think so

2345

01:37:31,109 --> 01:37:30,080

and you too can pay a bunch of money

2346

01:37:32,790 --> 01:37:31,119

to

2347

01:37:35,030 --> 01:37:32,800

get information

2348

01:37:38,790 --> 01:37:35,040

just like we just heard we just heard a

2349

01:37:41,510 --> 01:37:38,800

sampling of of his fantastic information

2350

01:37:43,030 --> 01:37:41,520

that he will share with you

2351

01:37:44,070 --> 01:37:43,040

if you

2352

01:37:46,149 --> 01:37:44,080

pay him

2353

01:37:48,149 --> 01:37:46,159

right

2354

01:37:49,669 --> 01:37:48,159

yeah it's it's tell it's telling me to

2355

01:37:53,030 --> 01:37:49,679

sign up

2356

01:37:57,510 --> 01:37:55,030

now i just wanted to see how much it

2357

01:37:58,390 --> 01:37:57,520

cost i'll have to find out another time

2358

01:38:00,790 --> 01:37:58,400

um

2359

01:38:04,790 --> 01:38:00,800

i can't do that right now but yeah ssp

2360

01:38:08,950 --> 01:38:07,109

um we're going to share his website

2361

01:38:10,550 --> 01:38:08,960

let's share his website and again we're

2362

01:38:12,149 --> 01:38:10,560

going to cite fair use

2363

01:38:13,669 --> 01:38:12,159

this is a transformative work we're

2364

01:38:16,149 --> 01:38:13,679

educating the public about cory's

2365

01:38:18,629 --> 01:38:16,159

stories this man corey good as a public

2366

01:38:22,550 --> 01:38:18,639

figure and i believe it is within

2367

01:38:23,910 --> 01:38:22,560

uh fair use to uh

2368

01:38:26,870 --> 01:38:23,920

share his

2369

01:38:27,830 --> 01:38:26,880

information his website and talk about

2370

01:38:29,910 --> 01:38:27,840

uh

2371

01:38:32,629 --> 01:38:29,920

some of the ridiculous posts that he has

2372

01:38:35,910 --> 01:38:32,639

here's one of his featured posts

2373

01:38:38,470 --> 01:38:35,920

the icc travels to antarctica to awaken

2374

01:38:41,430 --> 01:38:38,480

the old gods from stasis new official

2375

01:38:44,629 --> 01:38:41,440

ssp alliance report is on the way the

2376

01:38:46,470 --> 01:38:44,639

report will cover how the icc reacted

2377

01:38:47,830 --> 01:38:46,480

after being notified that the super

2378

01:38:50,390 --> 01:38:47,840

federation

2379

01:38:54,709 --> 01:38:53,270

hold trials enforcing cosmic law these

2380

01:38:56,950 --> 01:38:54,719

trials would be right after the solar

2381

01:38:59,510 --> 01:38:56,960

event and after humanity oh come on man

2382

01:39:00,629 --> 01:38:59,520

this is such a garb who believes this

2383

01:39:02,470 --> 01:39:00,639

guy

2384

01:39:06,229 --> 01:39:02,480

he's going on secret missions to

2385

01:39:08,550 --> 01:39:06,239

antarctica to awaken the stasis gods now

2386

01:39:10,830 --> 01:39:08,560

i can't wait to see what happens next on

2387

01:39:12,390 --> 01:39:10,840

babylon 5

2388

01:39:15,910 --> 01:39:12,400

right

2389

01:39:17,990 --> 01:39:15,920

i'm gonna dedicate

2390

01:39:20,550 --> 01:39:18,000

my full and total attention to the live

2391

01:39:21,990 --> 01:39:20,560

chat sorry this took a little longer to

2392

01:39:24,229 --> 01:39:22,000

get through than i thought it would for

2393

01:39:26,470 --> 01:39:24,239

it being 15 minutes but i wanted to

2394

01:39:28,870 --> 01:39:26,480

explain some of the this guy's history

2395

01:39:30,870 --> 01:39:28,880

for people that may be new to jumping on

2396

01:39:32,629 --> 01:39:30,880

this crazy train right

2397

01:39:34,149 --> 01:39:32,639

i'm going to dedicate my full internal

2398

01:39:35,830 --> 01:39:34,159

attention to the live chat we're going

2399

01:39:38,709 --> 01:39:35,840

to read some super chats we'll read

2400

01:39:41,430 --> 01:39:38,719

every single super chat tonight and i

2401

01:39:43,590 --> 01:39:41,440

will do some uh i will do some shout

2402

01:39:44,709 --> 01:39:43,600

outs we'll shout out everybody that is

2403

01:39:48,550 --> 01:39:44,719

here

2404

01:39:50,870 --> 01:39:48,560

let's get to it friends uh i'm trying to

2405

01:39:54,229 --> 01:39:50,880

find my super chats here

2406

01:39:56,629 --> 01:39:54,239

super chats uh you can send some money

2407

01:39:58,950 --> 01:39:56,639

there's a money button down there in the

2408

01:40:00,550 --> 01:39:58,960

live chat otherwise you can sign up for

2409

01:40:01,910 --> 01:40:00,560

my patreon for as little as a dollar a

2410

01:40:04,870 --> 01:40:01,920

month or

2411

01:40:07,030 --> 01:40:04,880

you can send me a paypal donation uh all

2412

01:40:09,590 --> 01:40:07,040

of that is much appreciated and you'll

2413

01:40:11,270 --> 01:40:09,600

help us to continue to

2414

01:40:13,270 --> 01:40:11,280
create this content that you are

2415

01:40:15,109 --> 01:40:13,280
enjoying today

2416

01:40:16,709 --> 01:40:15,119
all of our content is always free but if

2417

01:40:18,070 --> 01:40:16,719
you'd like to throw a few books in the

2418

01:40:20,470 --> 01:40:18,080
hat to help us

2419

01:40:23,750 --> 01:40:20,480
keep things going here

2420

01:40:26,229 --> 01:40:23,760
we would appreciate it very much

2421

01:40:29,030 --> 01:40:26,239
okay we've got a kind and generous

2422

01:40:30,790 --> 01:40:29,040
paypal donation from paul who says in

2423

01:40:33,109 --> 01:40:30,800
the note keep up the great work love the

2424

01:40:34,550 --> 01:40:33,119
show stephen from paul

2425

01:40:36,149 --> 01:40:34,560
i think it's paul

2426

01:40:39,189 --> 01:40:36,159

paul

2427

01:40:41,189 --> 01:40:39,199

so thank you for your kindness your

2428

01:40:43,990 --> 01:40:41,199

generosity and your support of the show

2429

01:40:46,229 --> 01:40:44,000

every dollar helps us

2430

01:40:47,990 --> 01:40:46,239

to continue in this journey thank you

2431

01:40:49,030 --> 01:40:48,000

for your kindness your generation and

2432

01:40:52,870 --> 01:40:49,040

your

2433

01:40:54,070 --> 01:40:52,880

and moody mongol sent us a kind and

2434

01:40:55,990 --> 01:40:54,080

generous

2435

01:40:59,030 --> 01:40:56,000

i believe it's a ten dollar great

2436

01:41:01,669 --> 01:40:59,040

britain pounds and says

2437

01:41:03,590 --> 01:41:01,679

from moody mongol reason shake down

2438

01:41:05,910 --> 01:41:03,600

payment to stephen campbell jr for

2439

01:41:06,790 --> 01:41:05,920

strategic toy buying purposes praise the

2440

01:41:08,470 --> 01:41:06,800

cash

2441

01:41:10,709 --> 01:41:08,480

thank you moody mongol and for those who

2442

01:41:12,550 --> 01:41:10,719

don't know my son is shaking me down for

2443

01:41:14,390 --> 01:41:12,560

more money to help with the show he

2444

01:41:16,550 --> 01:41:14,400

wants a raise

2445

01:41:18,629 --> 01:41:16,560

so thanks to moody mongol for his

2446

01:41:20,070 --> 01:41:18,639

kindness his generosity and his support

2447

01:41:22,790 --> 01:41:20,080

and it looks like we

2448

01:41:24,470 --> 01:41:22,800

have read the the uh the super chat for

2449

01:41:26,629 --> 01:41:24,480

tonight we got one super sticker

2450

01:41:28,629 --> 01:41:26,639

purchase so thank you for your kindness

2451

01:41:29,910 --> 01:41:28,639

your generosity and your support and for

2452

01:41:33,189 --> 01:41:29,920

helping us

2453

01:41:35,910 --> 01:41:33,199

to praise the cash um and also i wanted

2454

01:41:38,709 --> 01:41:35,920

to mention that we're trying this new uh

2455

01:41:41,510 --> 01:41:38,719

time slot i want to see if the tenants

2456

01:41:43,350 --> 01:41:41,520

was better and it sure was tonight um

2457

01:41:45,669 --> 01:41:43,360

there's just an awful lot of shows on at

2458

01:41:48,070 --> 01:41:45,679

nine or ten o'clock and some of those

2459

01:41:49,669 --> 01:41:48,080

shows have become quite friendly with me

2460

01:41:51,590 --> 01:41:49,679

and i'd rather not

2461

01:41:53,430 --> 01:41:51,600

um i'd rather be in a different time

2462

01:41:54,470 --> 01:41:53,440

slot if i could

2463

01:41:56,550 --> 01:41:54,480

also

2464

01:41:59,109 --> 01:41:56,560

um there's just a lot of things going on

2465

01:42:01,430 --> 01:41:59,119

with me personally right now first of

2466

01:42:03,189 --> 01:42:01,440

all i'm sick and uh

2467

01:42:04,629 --> 01:42:03,199

but thanks to all who reached out it's

2468

01:42:06,310 --> 01:42:04,639

not covered related i've just got a

2469

01:42:09,109 --> 01:42:06,320

terrible man cold

2470

01:42:10,709 --> 01:42:09,119

and i'm a baby when i have a cold so uh

2471

01:42:11,910 --> 01:42:10,719

i've been sleeping a lot getting a lot

2472

01:42:15,189 --> 01:42:11,920

of rest

2473

01:42:17,669 --> 01:42:15,199

and trying to uh you know take a lot of

2474

01:42:20,310 --> 01:42:17,679

vitamin c but it's just still lingering

2475

01:42:21,270 --> 01:42:20,320

on and i'm losing my voice on a daily

2476

01:42:23,109 --> 01:42:21,280

basis

2477

01:42:24,950 --> 01:42:23,119

coughing sneezing hacking which makes

2478

01:42:27,109 --> 01:42:24,960

doing this very difficult

2479

01:42:28,870 --> 01:42:27,119

um but i loaded up on the cough drops

2480

01:42:30,709 --> 01:42:28,880

before we started the best that i could

2481

01:42:33,350 --> 01:42:30,719

and i'll continue to do that because we

2482

01:42:36,310 --> 01:42:33,360

have work here to do and life goes on

2483

01:42:39,590 --> 01:42:36,320

um yeah

2484

01:42:41,189 --> 01:42:39,600

also i got a i got a chance to uh think

2485

01:42:44,149 --> 01:42:41,199

a lot about a lot of things over the

2486

01:42:45,590 --> 01:42:44,159

weekend while i was chopping wood at the

2487

01:42:47,270 --> 01:42:45,600

cabin that's another thing that's going

2488

01:42:50,950 --> 01:42:47,280

on i'm in uh

2489

01:42:53,030 --> 01:42:50,960

panic winter's here mode at the cabin

2490

01:42:55,030 --> 01:42:53,040

i have not even half the amount of

2491

01:42:56,870 --> 01:42:55,040

firewood i'll need to make it through

2492

01:42:59,109 --> 01:42:56,880

if i go there every weekend make it

2493

01:43:00,790 --> 01:42:59,119

through the winter you need to

2494

01:43:03,270 --> 01:43:00,800

i was a city boy and i didn't quite

2495

01:43:04,950 --> 01:43:03,280

realize when i started heating with wood

2496

01:43:07,590 --> 01:43:04,960

and got that cabin just how much wood it

2497

01:43:09,750 --> 01:43:07,600

takes i mean you need mountains of it

2498

01:43:12,390 --> 01:43:09,760

i just stay warm all winter and i like

2499

01:43:14,070 --> 01:43:12,400

having it so uh

2500

01:43:15,590 --> 01:43:14,080

yes rebecca turner

2501
01:43:18,310 --> 01:43:15,600
says take

2502
01:43:20,629 --> 01:43:18,320
uh semco elderberry i do have elderberry

2503
01:43:22,870 --> 01:43:20,639
syrup and i have been taking that and i

2504
01:43:25,109 --> 01:43:22,880
have the zinc lozenges but i hate them

2505
01:43:26,229 --> 01:43:25,119
it tastes terrible it's all chalky and

2506
01:43:28,229 --> 01:43:26,239
uh

2507
01:43:30,229 --> 01:43:28,239
but i'm gonna if this doesn't clear up

2508
01:43:31,990 --> 01:43:30,239
and i'm gonna start taking the coldies

2509
01:43:38,229 --> 01:43:32,000
yeah

2510
01:43:40,229 --> 01:43:38,239
i don't know if what i have is

2511
01:43:42,629 --> 01:43:40,239
elderberry sam

2512
01:43:44,310 --> 01:43:42,639
booskis but i have elderberry syrup from

2513
01:43:45,270 --> 01:43:44,320

amazon i don't know if somebody told me

2514

01:43:47,510 --> 01:43:45,280

about that

2515

01:43:51,990 --> 01:43:47,520

and it does seem to help

2516

01:43:53,910 --> 01:43:52,000

especially with throat problems right

2517

01:43:55,669 --> 01:43:53,920

spooky is reminding us that yeah it's

2518

01:43:57,990 --> 01:43:55,679

like it's like old times here we're

2519

01:43:59,590 --> 01:43:58,000

doing tonight we did a show about corey

2520

01:44:01,270 --> 01:43:59,600

goode and tomorrow we're going to do a

2521

01:44:04,070 --> 01:44:01,280

show about david wilcock because david

2522

01:44:07,109 --> 01:44:04,080

wilcock has released a new video

2523

01:44:08,790 --> 01:44:07,119

um and oh it's just

2524

01:44:11,910 --> 01:44:08,800

it's wonderful folks

2525

01:44:13,830 --> 01:44:11,920

um in the video he describes he and his

2526

01:44:15,910 --> 01:44:13,840

wife talk about how they put all their

2527

01:44:19,350 --> 01:44:15,920

money into this travatti

2528

01:44:21,590 --> 01:44:19,360

or stavani airspace right

2529

01:44:23,750 --> 01:44:21,600

and i gotta believe that that is some

2530

01:44:26,070 --> 01:44:23,760

crazy form of karma because

2531

01:44:27,669 --> 01:44:26,080

if david wilcock and his wife are dumb

2532

01:44:29,830 --> 01:44:27,679

enough to invest money with a guy that

2533

01:44:30,950 --> 01:44:29,840

hasn't produced any

2534

01:44:33,669 --> 01:44:30,960

any

2535

01:44:35,350 --> 01:44:33,679

projects for 25 years they deserve

2536

01:44:37,430 --> 01:44:35,360

what's going to happen next

2537

01:44:38,390 --> 01:44:37,440

i predict they're going to lose every

2538

01:44:40,149 --> 01:44:38,400

dime

2539

01:44:41,990 --> 01:44:40,159

they're they're going to lose every

2540

01:44:43,510 --> 01:44:42,000

penny they gave that guy

2541

01:44:45,669 --> 01:44:43,520

they're not going to get anything out of

2542

01:44:47,750 --> 01:44:45,679

it nothing david wilcock is talking

2543

01:44:49,830 --> 01:44:47,760

about none of these aircraft or these

2544

01:44:52,310 --> 01:44:49,840

hover cars or this free energy none of

2545

01:44:54,229 --> 01:44:52,320

that is going to happen

2546

01:44:56,310 --> 01:44:54,239

the guy who they gave the money to is

2547

01:44:58,470 --> 01:44:56,320

going to spend all their money and then

2548

01:45:00,709 --> 01:44:58,480

he's going to find new victims and he's

2549

01:45:03,430 --> 01:45:00,719

going to spend their money it appears to

2550

01:45:05,510 --> 01:45:03,440

me that

2551

01:45:08,390 --> 01:45:05,520

this man has somehow kept a company

2552

01:45:11,030 --> 01:45:08,400

afloat for 25 years without producing

2553

01:45:13,109 --> 01:45:11,040

any profit you don't do that without

2554

01:45:15,830 --> 01:45:13,119

investors getting burned

2555

01:45:17,669 --> 01:45:15,840

that's my take on it so far and i agree

2556

01:45:20,149 --> 01:45:17,679

that maybe i'm not well researched

2557

01:45:22,470 --> 01:45:20,159

enough maybe i haven't done enough so i

2558

01:45:25,270 --> 01:45:22,480

will reserve most of my judgment for a

2559

01:45:27,669 --> 01:45:25,280

later time after i have concluded that

2560

01:45:29,669 --> 01:45:27,679

research it's always best to have facts

2561

01:45:33,189 --> 01:45:29,679

in hands friends before

2562

01:45:37,030 --> 01:45:34,870

yes klitsch mentioning that he's been

2563

01:45:39,669 --> 01:45:37,040

doing it since the 90s that is correct

2564

01:45:42,870 --> 01:45:39,679

he has been doing it since the 90s

2565

01:45:45,510 --> 01:45:42,880

and so far has produced nothing

2566

01:45:48,149 --> 01:45:45,520

nothing not a single project

2567

01:45:49,910 --> 01:45:48,159

1995 i believe he started his aircraft

2568

01:45:51,750 --> 01:45:49,920

company hasn't produced a single

2569

01:45:53,990 --> 01:45:51,760

aircraft but according to david wilcock

2570

01:45:56,709 --> 01:45:54,000

now that he's involved you know mr big

2571

01:45:58,470 --> 01:45:56,719

brain the guy with the 180 iq

2572

01:46:00,870 --> 01:45:58,480

now that david wilcock is involved that

2573

01:46:02,629 --> 01:46:00,880

company that has produced nothing for 25

2574

01:46:04,709 --> 01:46:02,639

years is suddenly getting all these

2575

01:46:07,189 --> 01:46:04,719

government contracts they're building

2576

01:46:08,629 --> 01:46:07,199

spaceships they're building hover cars

2577

01:46:11,109 --> 01:46:08,639

they're building the successor to the

2578

01:46:13,430 --> 01:46:11,119

sr-71 blackbird

2579

01:46:15,270 --> 01:46:13,440

um they're building free energy devices

2580

01:46:17,510 --> 01:46:15,280

for all of us

2581

01:46:21,109 --> 01:46:17,520

great can't wait can't wait to see all

2582

01:46:24,709 --> 01:46:22,709

actually most of me just can't wait to

2583

01:46:27,270 --> 01:46:24,719

see him admit that he got conned because

2584

01:46:28,870 --> 01:46:27,280

it's to come once he realizes give it a

2585

01:46:30,550 --> 01:46:28,880

year or two when that guy spent all of

2586

01:46:32,229 --> 01:46:30,560

his money and then starts asking him for

2587

01:46:33,910 --> 01:46:32,239

more money to invest

2588

01:46:34,950 --> 01:46:33,920

and still hasn't produced anything that

2589

01:46:37,350 --> 01:46:34,960

works

2590

01:46:38,790 --> 01:46:37,360

um i believe at that point david wilcock

2591

01:46:40,390 --> 01:46:38,800

will turn on him

2592

01:46:43,270 --> 01:46:40,400

and blame

2593

01:46:45,510 --> 01:46:43,280

no hover cars on that guy

2594

01:46:47,830 --> 01:46:45,520

um and that's just from

2595

01:46:49,430 --> 01:46:47,840

my observations of david wilcock and how

2596

01:46:55,510 --> 01:46:49,440

he

2597

01:46:57,270 --> 01:46:55,520

with his pants down right

2598

01:46:58,790 --> 01:46:57,280

rob peterson is here and says good show

2599

01:47:01,109 --> 01:46:58,800

even as a solid believer that something

2600

01:47:02,870 --> 01:47:01,119

real is going on with the ufo topic i

2601

01:47:04,870 --> 01:47:02,880

find guys like wilcox and goods be

2602

01:47:06,950 --> 01:47:04,880

damaging to the cause i consider them to

2603

01:47:09,189 --> 01:47:06,960

be active disinformation

2604

01:47:11,189 --> 01:47:09,199

i can't say that i disagree with you

2605

01:47:12,470 --> 01:47:11,199

right i cannot say that i disagree with

2606

01:47:15,030 --> 01:47:12,480

you

2607

01:47:16,870 --> 01:47:15,040

ghost rider that was uh

2608

01:47:19,510 --> 01:47:16,880

it's called the dreaming

2609

01:47:20,950 --> 01:47:19,520

uh one second let me see if i can

2610

01:47:25,510 --> 01:47:20,960

let me see if i can get it for you

2611

01:47:25,520 --> 01:47:29,430

no i'm not going to be able to

2612

01:47:33,270 --> 01:47:31,109

what do you want from me it's called the

2613

01:47:35,430 --> 01:47:33,280

dreaming what do you want from me that

2614

01:47:37,830 --> 01:47:35,440

is the name of the song

2615

01:47:40,070 --> 01:47:37,840

that we played during the angely break

2616

01:47:41,830 --> 01:47:40,080

uh the dreaming is

2617

01:47:43,830 --> 01:47:41,840

the band that uh

2618

01:47:46,310 --> 01:47:43,840

christopher hall formed after stabbing

2619

01:47:48,950 --> 01:47:46,320

westwood broke up but he is now making a

2620

01:47:52,149 --> 01:47:48,960

new album after 20 years i can't wait to

2621

01:47:54,070 --> 01:47:52,159

hear it with stabbing westward and he

2622

01:47:56,310 --> 01:47:54,080

apparently will be continuing to make

2623

01:47:59,350 --> 01:47:56,320

music with his other band which is the

2624

01:48:01,990 --> 01:47:59,360

band that we play here the dreaming

2625

01:48:04,390 --> 01:48:02,000

i highly recommend both

2626

01:48:06,390 --> 01:48:04,400

glitch says it's a mind war ever since

2627

01:48:09,510 --> 01:48:06,400

frank bacon patrol

2628

01:48:11,430 --> 01:48:09,520

troll's mom works for mufon yeah yeah

2629

01:48:13,430 --> 01:48:11,440

unidentified s4 stephen you rocket

2630

01:48:15,830 --> 01:48:13,440

brother keep up the good work this show

2631

01:48:17,510 --> 01:48:15,840

goes on let these hacks have it i intend

2632

01:48:18,709 --> 01:48:17,520

to and by the way

2633

01:48:20,390 --> 01:48:18,719

for those that are going to cry and

2634

01:48:22,149 --> 01:48:20,400

complain that i go after corey good and

2635

01:48:25,030 --> 01:48:22,159

he has no evidence and i hosted this

2636

01:48:26,790 --> 01:48:25,040

anjali and she has no evidence uh she

2637

01:48:29,030 --> 01:48:26,800

hasn't been making money off the ufo

2638

01:48:31,189 --> 01:48:29,040

community for five years in fact she's

2639

01:48:33,430 --> 01:48:31,199

not made a single penny so i have no

2640

01:48:35,510 --> 01:48:33,440

problem hosting her and after all she

2641

01:48:37,910 --> 01:48:35,520

promised and gave us a date that she

2642

01:48:40,070 --> 01:48:37,920

would be bringing us evidence by

2643

01:48:42,229 --> 01:48:40,080

sorry that fell apart

2644

01:48:43,750 --> 01:48:42,239

a lot of people knew that it would

2645

01:48:45,430 --> 01:48:43,760

i still found the story interesting

2646

01:48:47,830 --> 01:48:45,440

enough to have her here and interview

2647

01:48:49,669 --> 01:48:47,840

her and quite honestly if corey good

2648

01:48:50,790 --> 01:48:49,679

would allow me to i would interview him

2649

01:48:55,109 --> 01:48:50,800

here

2650

01:48:56,950 --> 01:48:55,119

he doesn't want to hear about his

2651

01:48:59,350 --> 01:48:56,960

neighbors that didn't see that spaceship

2652

01:49:02,550 --> 01:48:59,360

landed in his backyard all those years

2653

01:49:08,550 --> 01:49:06,390

yeah beyond behind bars 2022

2654

01:49:12,950 --> 01:49:08,560

wilcock edition the hovercraft hoaxer

2655

01:49:18,709 --> 01:49:15,669

mario ufo says the sr-71 has already got

2656

01:49:21,270 --> 01:49:18,719

a successor it's the sr-72 aurora

2657

01:49:23,430 --> 01:49:21,280

i agree with you i absolutely agree with

2658

01:49:27,510 --> 01:49:23,440

you

2659

01:49:28,790 --> 01:49:27,520

that wilcock will put his money on

2660

01:49:31,510 --> 01:49:28,800

anything

2661

01:49:33,990 --> 01:49:31,520

uh yeah i do i think he's that global

2662

01:49:36,070 --> 01:49:34,000

and that's stupid and i think that he's

2663

01:49:38,790 --> 01:49:36,080

been rip david wilcock has been ripping

2664

01:49:40,550 --> 01:49:38,800

people off making money selling lies for

2665

01:49:43,910 --> 01:49:40,560

20 years now

2666

01:49:45,830 --> 01:49:43,920

and i got to believe that if karma

2667

01:49:48,390 --> 01:49:45,840

is truly

2668

01:49:50,310 --> 01:49:48,400

a universal force in the universe that

2669

01:49:51,589 --> 01:49:50,320

cannot be skirted

2670

01:49:55,189 --> 01:49:51,599

that

2671

01:49:57,030 --> 01:49:55,199

david wilcock losing his life savings to

2672

01:50:01,109 --> 01:49:57,040

somebody scamming him

2673

01:50:03,669 --> 01:50:01,119

and lying to him is karma he deserves it

2674

01:50:06,950 --> 01:50:03,679

if he made his life savings

2675

01:50:09,109 --> 01:50:06,960

selling lies to people taking advantage

2676

01:50:12,070 --> 01:50:09,119

of people then i gotta believe that the

2677

01:50:15,030 --> 01:50:12,080

universe will eventually karmically

2678

01:50:18,310 --> 01:50:15,040

equal him out and make him lose

2679

01:50:21,270 --> 01:50:19,270

maybe

2680

01:50:23,270 --> 01:50:21,280

if that happens he would learn his

2681

01:50:25,589 --> 01:50:23,280

lesson and stop

2682

01:50:26,470 --> 01:50:25,599

selling people lies and garbage for a

2683

01:50:28,790 --> 01:50:26,480

living

2684

01:50:30,310 --> 01:50:28,800

right get a real job bro

2685

01:50:32,149 --> 01:50:30,320

and you know what he has no excuse to

2686

01:50:34,229 --> 01:50:32,159

not get a real job it comes from an

2687

01:50:36,310 --> 01:50:34,239

affluent family with money he could have

2688

01:50:39,350 --> 01:50:36,320

been anything instead he became the

2689

01:50:41,189 --> 01:50:39,360

ancient aliens guy who tells fairy tales

2690

01:50:42,870 --> 01:50:41,199

on the internet just like corey good i

2691

01:50:44,149 --> 01:50:42,880

guess but

2692

01:50:46,470 --> 01:50:44,159

i don't believe that corey good came

2693

01:50:49,109 --> 01:50:46,480

from a rich affluent family like david

2694

01:50:51,430 --> 01:50:49,119

wilcock did so it's a little

2695

01:50:53,589 --> 01:50:51,440

it's a little uh

2696

01:50:56,229 --> 01:50:53,599

you know to me it's like it's a little

2697

01:50:57,589 --> 01:50:56,239

worse what david wilcock does because

2698

01:50:59,750 --> 01:50:57,599

you know

2699

01:51:01,189 --> 01:50:59,760

he had options his parents paid for his

2700

01:51:04,310 --> 01:51:01,199

college you know

2701
01:51:05,270 --> 01:51:04,320
he could have got a master's or a phd

2702
01:51:07,030 --> 01:51:05,280
and

2703
01:51:09,350 --> 01:51:07,040
you know done something good in the

2704
01:51:12,390 --> 01:51:09,360
world instead he sells fairy tales to

2705
01:51:13,109 --> 01:51:12,400
stupid people right but okay god bless

2706
01:51:16,709 --> 01:51:13,119
him

2707
01:51:18,229 --> 01:51:16,719
the guy with the million-dollar mansions

2708
01:51:19,910 --> 01:51:18,239
after all

2709
01:51:21,669 --> 01:51:19,920
but i i just don't understand how that

2710
01:51:23,750 --> 01:51:21,679
works for either of these guys do they

2711
01:51:24,790 --> 01:51:23,760
sit around in their big huge houses

2712
01:51:26,390 --> 01:51:24,800
right

2713
01:51:29,270 --> 01:51:26,400

or you know drive around in their

2714

01:51:31,030 --> 01:51:29,280

corvettes go and i did good today i did

2715

01:51:33,350 --> 01:51:31,040

good lying to everybody and making up

2716

01:51:35,350 --> 01:51:33,360

fake stories about aliens i'm

2717

01:51:37,109 --> 01:51:35,360

my children should be proud of me

2718

01:51:38,390 --> 01:51:37,119

because i do good at selling these fake

2719

01:51:40,149 --> 01:51:38,400

aliens like

2720

01:51:41,830 --> 01:51:40,159

how do you live with yourself know that

2721

01:51:43,669 --> 01:51:41,840

you're just lying and making everything

2722

01:51:46,830 --> 01:51:43,679

up right

2723

01:51:49,030 --> 01:51:46,840

i don't get it i just don't get it

2724

01:51:50,790 --> 01:51:49,040

right now the other thing i thought

2725

01:51:53,270 --> 01:51:50,800

about while i was uh

2726

01:51:54,310 --> 01:51:53,280

i was chopping wood for a long time

2727

01:51:56,709 --> 01:51:54,320

and you know there's a lot to think

2728

01:51:58,550 --> 01:51:56,719

about because boy i'm okay with taking

2729

01:52:00,870 --> 01:51:58,560

slings and arrows but there's been a lot

2730

01:52:02,390 --> 01:52:00,880

lately and i'm not complaining just

2731

01:52:05,189 --> 01:52:02,400

informing

2732

01:52:06,149 --> 01:52:05,199

you know we've got people threatening to

2733

01:52:07,910 --> 01:52:06,159

sue me

2734

01:52:08,950 --> 01:52:07,920

multiple people

2735

01:52:10,229 --> 01:52:08,960

um

2736

01:52:13,270 --> 01:52:10,239

we've got

2737

01:52:14,470 --> 01:52:13,280

people being very critical of my choice

2738

01:52:16,950 --> 01:52:14,480

and guests

2739

01:52:18,950 --> 01:52:16,960

we've got people being critical of my

2740

01:52:22,149 --> 01:52:18,960

interview skills or the fact that some

2741

01:52:25,750 --> 01:52:22,159

guy who was probably inebriated kept

2742

01:52:27,750 --> 01:52:25,760

bringing up a guest's children and i did

2743

01:52:29,830 --> 01:52:27,760

every time he did that warn him please

2744

01:52:31,830 --> 01:52:29,840

don't do that and he did it some six

2745

01:52:34,310 --> 01:52:31,840

times honestly i've never been in that

2746

01:52:36,550 --> 01:52:34,320

position i didn't know what to do never

2747

01:52:39,270 --> 01:52:36,560

had somebody visibly

2748

01:52:40,709 --> 01:52:39,280

and audibly drunk on my show before i

2749

01:52:42,709 --> 01:52:40,719

didn't know what to do especially

2750

01:52:44,310 --> 01:52:42,719

because him coming on the show and

2751
01:52:45,669 --> 01:52:44,320
showing evidence was supposed to be the

2752
01:52:46,790 --> 01:52:45,679
whole show

2753
01:52:48,870 --> 01:52:46,800
so

2754
01:52:49,669 --> 01:52:48,880
hey i'm human

2755
01:53:30,870 --> 01:52:49,679
i

2756
01:53:31,910 --> 01:53:30,880
prove to everybody that her superpowers

2757
01:53:33,830 --> 01:53:31,920
aren't real

2758
01:53:36,149 --> 01:53:33,840
i think so you know and i've checked in

2759
01:53:38,629 --> 01:53:36,159
with the lawyer and shared

2760
01:53:40,149 --> 01:53:38,639
her posts first of all

2761
01:53:42,870 --> 01:53:40,159
if you're gonna sue somebody you don't

2762
01:53:45,270 --> 01:53:42,880
go on twitter and tell them right you

2763
01:53:46,790 --> 01:53:45,280

just sue them that's my take but i could

2764

01:53:49,030 --> 01:53:46,800

be wrong i don't know

2765

01:53:50,790 --> 01:53:49,040

and second of all if the fbi are

2766

01:53:52,470 --> 01:53:50,800

involved or the police are involved you

2767

01:53:53,430 --> 01:53:52,480

don't threaten people on twitter about

2768

01:53:56,629 --> 01:53:53,440

that

2769

01:53:59,510 --> 01:53:56,639

so

2770

01:54:01,030 --> 01:53:59,520

is she just making this crap up i guess

2771

01:54:02,229 --> 01:54:01,040

she's threatened to sue a whole bunch of

2772

01:54:04,790 --> 01:54:02,239

people

2773

01:54:06,790 --> 01:54:04,800

and never never has she threatened a

2774

01:54:09,669 --> 01:54:06,800

bunch of people apparently i'm i'm being

2775

01:54:11,589 --> 01:54:09,679

told with the fbi and the police gee

2776

01:54:13,990 --> 01:54:11,599

kind of like corey goode she's following

2777

01:54:18,229 --> 01:54:14,000

cory good's playbook here

2778

01:54:20,950 --> 01:54:18,239

um but you know this this is the problem

2779

01:54:23,030 --> 01:54:20,960

is even though her threats may be

2780

01:54:25,750 --> 01:54:23,040

baseless and she's not really doing

2781

01:54:27,589 --> 01:54:25,760

anything i still have to pay money and i

2782

01:54:30,229 --> 01:54:27,599

have to consult with an attorney and

2783

01:54:32,229 --> 01:54:30,239

show an attorney for my company this

2784

01:54:33,589 --> 01:54:32,239

[h__\h] that she's threatening me and my

2785

01:54:36,550 --> 01:54:33,599

company with

2786

01:54:39,030 --> 01:54:36,560

and that cost me money right i gotta pay

2787

01:54:41,030 --> 01:54:39,040

the guy look at the stuff and tell me am

2788

01:54:42,870 --> 01:54:41,040

i you know what should i do here

2789

01:54:45,350 --> 01:54:42,880

and on the invoice of attorney i'm not

2790

01:54:47,430 --> 01:54:45,360

saying nothing until we receive

2791

01:54:49,189 --> 01:54:47,440

whatever she says we're gonna get i'm

2792

01:54:52,790 --> 01:54:49,199

not saying nothing

2793

01:54:53,589 --> 01:54:52,800

um and that's where we're at

2794

01:54:55,990 --> 01:54:53,599

uh

2795

01:54:58,709 --> 01:54:56,000

al warrior is saying she's bluffing yeah

2796

01:55:01,990 --> 01:54:58,719

but even bluffing it cost me money

2797

01:55:02,830 --> 01:55:02,000

it cost me money to make sure that my

2798

01:55:04,950 --> 01:55:02,840

you

2799

01:55:07,830 --> 01:55:04,960

know to make sure my company is

2800

01:55:09,109 --> 01:55:07,840

protected or what plans my company

2801
01:55:09,990 --> 01:55:09,119
should make in the event that that

2802
01:55:11,109 --> 01:55:10,000
happened

2803
01:55:13,030 --> 01:55:11,119
you know

2804
01:55:14,870 --> 01:55:13,040
but i will say that i think that she's

2805
01:55:17,109 --> 01:55:14,880
kind of naive and stupid and i would

2806
01:55:18,870 --> 01:55:17,119
give her some advice except i don't

2807
01:55:20,950 --> 01:55:18,880
i'm not in the business of giving people

2808
01:55:22,550 --> 01:55:20,960
who are making public legal threats

2809
01:55:25,189 --> 01:55:22,560
against me advice

2810
01:55:26,310 --> 01:55:25,199
um but she better talk to an attorney

2811
01:55:28,310 --> 01:55:26,320
because

2812
01:55:30,149 --> 01:55:28,320
you know there's a lot of stuff

2813
01:55:33,030 --> 01:55:30,159

if she chooses to go forward with that

2814

01:55:34,550 --> 01:55:33,040

kind of a plan it's gonna be problematic

2815

01:55:35,830 --> 01:55:34,560

for her on many different fronts the

2816

01:55:37,990 --> 01:55:35,840

first of which

2817

01:55:39,830 --> 01:55:38,000

would be uh

2818

01:55:41,669 --> 01:55:39,840

the first of which would be

2819

01:55:43,990 --> 01:55:41,679

that because of covid the courts are

2820

01:55:46,149 --> 01:55:44,000

backed up like two plus years

2821

01:55:48,229 --> 01:55:46,159

so even if she were to do something like

2822

01:55:49,189 --> 01:55:48,239

file suit against my company

2823

01:55:51,189 --> 01:55:49,199

um

2824

01:55:52,470 --> 01:55:51,199

it would be two years before anything

2825

01:55:53,510 --> 01:55:52,480

would happen

2826

01:55:55,350 --> 01:55:53,520

so

2827

01:55:58,550 --> 01:55:55,360

you know was she really gonna

2828

01:56:00,870 --> 01:55:58,560

go through that wait i don't know

2829

01:56:02,550 --> 01:56:00,880

you know

2830

01:56:03,990 --> 01:56:02,560

that girl jessica says it's ridiculous

2831

01:56:06,149 --> 01:56:04,000

you even have to take that seriously

2832

01:56:07,830 --> 01:56:06,159

well i tend to be very cautious and when

2833

01:56:09,270 --> 01:56:07,840

somebody's threatening me on the on

2834

01:56:11,910 --> 01:56:09,280

twitter saying they're going to sue me

2835

01:56:12,870 --> 01:56:11,920

and i'm getting i'm getting served i go

2836

01:56:15,189 --> 01:56:12,880

and i

2837

01:56:18,310 --> 01:56:15,199

pay the lawyer and say what do we do

2838

01:56:19,990 --> 01:56:18,320

here i'm not making a mistake uh a legal

2839

01:56:22,629 --> 01:56:20,000

mistake for lack of

2840

01:56:25,430 --> 01:56:22,639

having adequate legal counsel in

2841

01:56:26,950 --> 01:56:25,440

whatever situation so

2842

01:56:27,830 --> 01:56:26,960

you know and that's the unfortunate part

2843

01:56:29,750 --> 01:56:27,840

you know i could have done a lot of

2844

01:56:31,669 --> 01:56:29,760

things with that money right i could

2845

01:56:33,510 --> 01:56:31,679

have taken my kids to chuck e cheese or

2846

01:56:36,149 --> 01:56:33,520

i could have taken my family out to

2847

01:56:38,229 --> 01:56:36,159

dinner five times i don't know

2848

01:56:40,310 --> 01:56:38,239

instead i have to give it to a lawyer

2849

01:56:42,629 --> 01:56:40,320

because this nut job who's telling

2850

01:56:45,030 --> 01:56:42,639

people that she opens stargates

2851
01:56:47,270 --> 01:56:45,040
and that she gives people you know

2852
01:56:50,470 --> 01:56:47,280
teleports people to spaceships for med

2853
01:56:51,750 --> 01:56:50,480
bed healing sessions is telling people

2854
01:56:52,550 --> 01:56:51,760
it's telling everybody she's gonna sue

2855
01:56:56,229 --> 01:56:52,560
me

2856
01:57:00,229 --> 01:56:56,239
that money i have to i have to spend it

2857
01:57:02,390 --> 01:57:00,239
on this garbage this garbage girl

2858
01:57:03,830 --> 01:57:02,400
and you know like i said this whole

2859
01:57:04,870 --> 01:57:03,840
thing is problematic because first of

2860
01:57:07,270 --> 01:57:04,880
all she would have to prove that

2861
01:57:09,510 --> 01:57:07,280
anything that i said was incorrect

2862
01:57:11,270 --> 01:57:09,520
all i said was her superpowers are fake

2863
01:57:12,629 --> 01:57:11,280

so unless she's walking in the court and

2864

01:57:15,430 --> 01:57:12,639

showing us all a stargate and her

2865

01:57:17,510 --> 01:57:15,440

superpowers are real i think i'm okay i

2866

01:57:18,629 --> 01:57:17,520

think i'll do okay no matter what

2867

01:57:20,470 --> 01:57:18,639

happens

2868

01:57:21,750 --> 01:57:20,480

and also

2869

01:57:28,070 --> 01:57:21,760

the

2870

01:57:30,950 --> 01:57:28,080

take this video down or i'm suing you or

2871

01:57:33,270 --> 01:57:30,960

take this video down or whatever and and

2872

01:57:35,430 --> 01:57:33,280

i'm sorry uh not sorry

2873

01:57:37,510 --> 01:57:35,440

we won't be intimidated here

2874

01:57:39,589 --> 01:57:37,520

right i'm not gonna allow somebody to

2875

01:57:41,669 --> 01:57:39,599

take away my free speech because they

2876

01:57:44,149 --> 01:57:41,679

don't like what i say that's not how

2877

01:57:46,709 --> 01:57:44,159

this works that's not how any of this

2878

01:57:48,149 --> 01:57:46,719

works and most of the people that we're

2879

01:57:50,950 --> 01:57:48,159

critical of here

2880

01:57:53,030 --> 01:57:50,960

uh have what could only be called

2881

01:57:55,510 --> 01:57:53,040

probable legal problems

2882

01:57:58,070 --> 01:57:55,520

if they pursue something against me

2883

01:58:01,350 --> 01:57:58,080

because they're doing you know

2884

01:58:05,189 --> 01:58:03,430

i'm not sure somebody's saying the audio

2885

01:58:07,030 --> 01:58:05,199

is weird somebody else said the audio

2886

01:58:08,149 --> 01:58:07,040

was echoing

2887

01:58:10,229 --> 01:58:08,159

um

2888

01:58:12,470 --> 01:58:10,239

yeah i don't i don't see anything wrong

2889

01:58:14,470 --> 01:58:12,480

on my end but i'll check in on that just

2890

01:58:16,470 --> 01:58:14,480

to sing

2891

01:58:18,390 --> 01:58:16,480

looks fine to me maybe i'm just not

2892

01:58:21,669 --> 01:58:18,400

speaking directly remember i'm losing my

2893

01:58:23,990 --> 01:58:21,679

voice as well whoever is uh having audio

2894

01:58:26,870 --> 01:58:24,000

issues you could hear my the hoarseness

2895

01:58:31,270 --> 01:58:28,790

yeah sorry if you're having audio issues

2896

01:58:33,510 --> 01:58:31,280

spooky says the audio is fine try better

2897

01:58:35,350 --> 01:58:33,520

headphones better speakers no offense

2898

01:58:36,790 --> 01:58:35,360

but please don't ever tell a live show

2899

01:58:38,950 --> 01:58:36,800

host there's something wrong with the

2900

01:58:41,669 --> 01:58:38,960

audio unless you're sure it's not your

2901
01:58:43,910 --> 01:58:41,679
end right because it could definitely

2902
01:58:45,990 --> 01:58:43,920
cause problems

2903
01:58:47,510 --> 01:58:46,000
so i'm going to check in

2904
01:58:49,589 --> 01:58:47,520
one more time

2905
01:58:51,270 --> 01:58:49,599
with the uh

2906
01:58:54,229 --> 01:58:51,280
make sure we didn't miss any of the

2907
01:58:57,270 --> 01:58:54,239
super chats or anything like that

2908
01:59:01,430 --> 01:58:59,430
i'm having a

2909
01:59:02,950 --> 01:59:01,440
i have an easy time of it

2910
01:59:04,629 --> 01:59:02,960
this cold is

2911
01:59:07,109 --> 01:59:04,639
my butt

2912
01:59:08,950 --> 01:59:07,119
but i'm a man and i get me my wife says

2913
01:59:11,990 --> 01:59:08,960

i get i got a man cold and i cry too

2914

01:59:13,830 --> 01:59:12,000

much and she's right

2915

01:59:16,070 --> 01:59:13,840

my poor wife every time i get sick she's

2916

01:59:18,229 --> 01:59:16,080

like oh no i'm gonna have to listen to

2917

01:59:19,830 --> 01:59:18,239

your moan and cry and

2918

01:59:21,189 --> 01:59:19,840

she's gonna be getting me like cold

2919

01:59:24,310 --> 01:59:21,199

pills and

2920

01:59:26,709 --> 01:59:24,320

stuff right

2921

01:59:28,629 --> 01:59:26,719

until i feel better

2922

01:59:30,310 --> 01:59:28,639

i got some soup to eat for dinner

2923

01:59:32,470 --> 01:59:30,320

tonight

2924

01:59:33,830 --> 01:59:32,480

from my wife's right

2925

01:59:35,830 --> 01:59:33,840

uh

2926

01:59:37,430 --> 01:59:35,840

let's see they're doing court online a

2927

01:59:39,589 --> 01:59:37,440

lot sarah takes advantage of hurting

2928

01:59:42,070 --> 01:59:39,599

people i pray she continues to be

2929

01:59:45,270 --> 01:59:42,080

exposed for the fruit she truly is karma

2930

01:59:47,589 --> 01:59:45,280

is a bad [h__h] yeah i mean you know it

2931

01:59:48,470 --> 01:59:47,599

is what it is i'm taking it as threats

2932

01:59:49,350 --> 01:59:48,480

though

2933

01:59:50,149 --> 01:59:49,360

but

2934

01:59:51,830 --> 01:59:50,159

i don't

2935

01:59:53,189 --> 01:59:51,840

i didn't want to discount the threats

2936

01:59:54,950 --> 01:59:53,199

that she's making

2937

01:59:56,310 --> 01:59:54,960

to me that's a serious threat to make

2938

01:59:59,990 --> 01:59:56,320

against somebody that you're gonna do

2939

02:00:01,350 --> 02:00:00,000

that so you know consult with attorney

2940

02:00:04,470 --> 02:00:01,360

lose the money

2941

02:00:06,149 --> 02:00:04,480

and by the way how very late and love of

2942

02:00:09,030 --> 02:00:06,159

her right

2943

02:00:10,870 --> 02:00:09,040

she's a spiritual healer she's got super

2944

02:00:13,270 --> 02:00:10,880

powers and she's psychic and she's

2945

02:00:15,589 --> 02:00:13,280

spiritually advanced so advanced she can

2946

02:00:18,870 --> 02:00:15,599

teach people how to open stargates

2947

02:00:21,109 --> 02:00:18,880

she's that spiritually advanced

2948

02:00:23,189 --> 02:00:21,119

and she's a psychic healer and she's all

2949

02:00:25,350 --> 02:00:23,199

loving light but she's taking money out

2950

02:00:27,910 --> 02:00:25,360

of my pocket and out of my children's

2951
02:00:30,070 --> 02:00:27,920
mouths to pay for a lawyer because she's

2952
02:00:33,030 --> 02:00:30,080
making threats against me

2953
02:00:36,310 --> 02:00:33,040
how very late in love of her

2954
02:00:38,229 --> 02:00:36,320
you know uh people aren't stupid sarah

2955
02:00:40,149 --> 02:00:38,239
they're going to see through that and

2956
02:00:43,430 --> 02:00:40,159
and they're going to see you for who you

2957
02:00:47,990 --> 02:00:45,430
you're not hurting me honey you're

2958
02:00:49,350 --> 02:00:48,000
hurting yourself and your own reputation

2959
02:00:50,790 --> 02:00:49,360
if you want to keep up this larp

2960
02:00:52,629 --> 02:00:50,800
pretending you're some loving light

2961
02:00:54,709 --> 02:00:52,639
spiritual guru

2962
02:00:57,510 --> 02:00:54,719
maybe soon a guy who's you know

2963
02:01:00,149 --> 02:00:57,520

struggling right now and has an autistic

2964

02:01:02,550 --> 02:01:00,159

non-verbal autistic son

2965

02:01:05,750 --> 02:01:02,560

uh a special needs son is is not going

2966

02:01:07,669 --> 02:01:05,760

to paint you in the best light right now

2967

02:01:08,950 --> 02:01:07,679

uh you know just putting that out there

2968

02:01:10,070 --> 02:01:08,960

but you make whatever decision you're

2969

02:01:12,310 --> 02:01:10,080

going to make

2970

02:01:15,030 --> 02:01:12,320

but i will say that

2971

02:01:17,830 --> 02:01:15,040

and he uh attacks at me

2972

02:01:19,750 --> 02:01:17,840

and i will uh i will reciprocate

2973

02:01:22,390 --> 02:01:19,760

appropriately however

2974

02:01:24,310 --> 02:01:22,400

appropriately the attorney decides is

2975

02:01:25,990 --> 02:01:24,320

whatever he tells me to do if he tells

2976

02:01:27,510 --> 02:01:26,000

me whatever i'm not going to say

2977

02:01:30,790 --> 02:01:27,520

anything else whatever he tells me to do

2978

02:01:32,790 --> 02:01:30,800

i'm going to do it but uh if there are

2979

02:01:35,750 --> 02:01:32,800

talk today i'm quite sure that my lawyer

2980

02:01:39,430 --> 02:01:38,149

respond very aggressively to any any

2981

02:01:40,870 --> 02:01:39,440

attacks

2982

02:01:42,390 --> 02:01:40,880

and um

2983

02:01:44,229 --> 02:01:42,400

we're within our rights to do whatever

2984

02:01:45,830 --> 02:01:44,239

we can to defend our position when we

2985

02:01:47,910 --> 02:01:45,840

are frivolously

2986

02:01:51,350 --> 02:01:47,920

attacked in a legal

2987

02:01:53,990 --> 02:01:51,360

forum of any type

2988

02:01:56,310 --> 02:01:54,000

but that's where we find ourselves and

2989

02:01:57,990 --> 02:01:56,320

you know friends um

2990

02:01:59,430 --> 02:01:58,000

i think it's just an accumulation of

2991

02:02:01,270 --> 02:01:59,440

many things

2992

02:02:04,629 --> 02:02:01,280

you know we've got these uh critiquing

2993

02:02:06,229 --> 02:02:04,639

cambian people and we've got these uh

2994

02:02:07,830 --> 02:02:06,239

people not happy with my choice of

2995

02:02:09,750 --> 02:02:07,840

guests we've got people threatening to

2996

02:02:10,760 --> 02:02:09,760

sue me we've got

2997

02:02:11,910 --> 02:02:10,770

you know the

2998

02:02:14,390 --> 02:02:11,920

[Music]

2999

02:02:16,629 --> 02:02:14,400

the static and the noise here is

3000

02:02:19,189 --> 02:02:16,639

reaching a level that is becoming more

3001
02:02:20,950 --> 02:02:19,199
than just a little unpleasant for me and

3002
02:02:23,030 --> 02:02:20,960
over the weekend i thought

3003
02:02:23,910 --> 02:02:23,040
is this even worth it

3004
02:02:25,669 --> 02:02:23,920
to me

3005
02:02:27,350 --> 02:02:25,679
to keep this thing going

3006
02:02:29,350 --> 02:02:27,360
with all of this

3007
02:02:31,270 --> 02:02:29,360
static that i have to deal with and

3008
02:02:33,430 --> 02:02:31,280
garbage and people aren't happy with me

3009
02:02:35,669 --> 02:02:33,440
for whatever reason you know i keep

3010
02:02:37,669 --> 02:02:35,679
saying i'm sorry i'm human here doing

3011
02:02:39,270 --> 02:02:37,679
the best i can you know sorry i didn't

3012
02:02:42,070 --> 02:02:39,280
like a guest

3013
02:02:44,390 --> 02:02:42,080

i you know i'm sorry i got uh

3014

02:02:45,830 --> 02:02:44,400

ten dollars in super chats for the night

3015

02:02:47,430 --> 02:02:45,840

tonight right

3016

02:02:49,910 --> 02:02:47,440

no i'm not sorry

3017

02:02:52,470 --> 02:02:49,920

but they want me to be sorry right

3018

02:02:55,270 --> 02:02:52,480

you know these people are upset with me

3019

02:02:57,270 --> 02:02:55,280

i'm sorry i didn't even get that i got

3020

02:02:59,589 --> 02:02:57,280

but i'm i'm not complaining but i'm

3021

02:03:00,750 --> 02:02:59,599

saying these people call me a sellout

3022

02:03:04,149 --> 02:03:00,760

we've got

3023

02:03:06,070 --> 02:03:04,159

2.49 tonight that's the take

3024

02:03:08,470 --> 02:03:06,080

that's what you could be so jealous and

3025

02:03:09,830 --> 02:03:08,480

critical of me and call me a sellout

3026

02:03:12,830 --> 02:03:09,840

over

3027

02:03:14,470 --> 02:03:12,840

two pound 50.

3028

02:03:18,070 --> 02:03:14,480

yeah

3029

02:03:19,750 --> 02:03:18,080

lot of uh

3030

02:03:24,390 --> 02:03:19,760

this used to be fun

3031

02:03:26,149 --> 02:03:24,400

most of this until we get to this heavy

3032

02:03:27,830 --> 02:03:26,159

part that i don't like

3033

02:03:29,350 --> 02:03:27,840

you know it used to be fun i come here

3034

02:03:31,750 --> 02:03:29,360

every night i'd have a great time i'd

3035

02:03:34,229 --> 02:03:31,760

laugh a lot more than i have been lately

3036

02:03:35,030 --> 02:03:34,239

things just got too serious

3037

02:03:37,430 --> 02:03:35,040

and

3038

02:03:39,830 --> 02:03:37,440

all these critics jumping in jumping

3039

02:03:41,910 --> 02:03:39,840

down my throat and and hey i got a

3040

02:03:43,990 --> 02:03:41,920

pretty thick skin but it's a lot to take

3041

02:03:44,950 --> 02:03:44,000

at once including people threatening to

3042

02:03:47,910 --> 02:03:44,960

sue me

3043

02:03:50,470 --> 02:03:47,920

right it's a lot to take in at once

3044

02:03:52,629 --> 02:03:50,480

and i'm human so the weekend i was like

3045

02:03:54,709 --> 02:03:52,639

i might just shut this thing off i might

3046

02:03:56,709 --> 02:03:54,719

just disappear

3047

02:03:58,069 --> 02:03:56,719

and friends someday

3048

02:04:00,470 --> 02:03:58,079

when you

3049

02:04:02,629 --> 02:04:00,480

log on and check my channel

3050

02:04:04,069 --> 02:04:02,639

and you don't see me that day

3051
02:04:05,510 --> 02:04:04,079
and then you check again the next day

3052
02:04:07,030 --> 02:04:05,520
and you don't see me and the next day

3053
02:04:08,790 --> 02:04:07,040
you don't see me and the next day you

3054
02:04:12,229 --> 02:04:08,800
don't see me

3055
02:04:18,950 --> 02:04:12,239
hear me anymore

3056
02:04:22,950 --> 02:04:21,669
i used to enjoy doing this

3057
02:04:25,750 --> 02:04:22,960
and i guess

3058
02:04:28,069 --> 02:04:25,760
at a smaller level when our channel was

3059
02:04:30,310 --> 02:04:28,079
smaller we uh

3060
02:04:32,229 --> 02:04:30,320
we didn't get quite so many critics i

3061
02:04:33,750 --> 02:04:32,239
suppose

3062
02:04:37,430 --> 02:04:33,760
and uh

3063
02:04:39,510 --> 02:04:37,440

it was much easier to shake it off right

3064

02:04:43,669 --> 02:04:39,520

but friends when you log on to twitter

3065

02:04:45,750 --> 02:04:43,679

and you have you know 198 notifications

3066

02:04:48,229 --> 02:04:45,760

and for some reason i felt this bizarre

3067

02:04:50,790 --> 02:04:48,239

need to respond to everybody

3068

02:04:53,750 --> 02:04:50,800

you know people were very me

3069

02:04:55,270 --> 02:04:53,760

very angry with me for this guest

3070

02:04:57,589 --> 02:04:55,280

you know talking about another guest's

3071

02:05:01,270 --> 02:04:57,599

children so i'm apologizing to them on

3072

02:05:04,390 --> 02:05:01,280

twitter and then somebody else

3073

02:05:09,030 --> 02:05:04,400

you know said uh that i should

3074

02:05:11,830 --> 02:05:09,040

never have this riot again this and that

3075

02:05:13,750 --> 02:05:11,840

behavior that wasn't reflective of my

3076

02:05:15,910 --> 02:05:13,760

show i didn't say those things i didn't

3077

02:05:17,669 --> 02:05:15,920

do those things i tried to have a

3078

02:05:19,990 --> 02:05:17,679

respectful conversation and include him

3079

02:05:22,790 --> 02:05:20,000

in it he chose to act that way but i'm

3080

02:05:24,950 --> 02:05:22,800

still on twitter for an hour apologizing

3081

02:05:27,510 --> 02:05:24,960

to people angry at me for what he said

3082

02:05:29,030 --> 02:05:27,520

and did you know

3083

02:05:31,430 --> 02:05:29,040

and

3084

02:05:33,270 --> 02:05:31,440

then we've got the

3085

02:05:34,709 --> 02:05:33,280

i'm i'm not even going to go there but

3086

02:05:36,950 --> 02:05:34,719

we've got other

3087

02:05:39,030 --> 02:05:36,960

show hosts unhappy with my choice of

3088

02:05:40,109 --> 02:05:39,040

guests or whatever and i'm a sellout

3089

02:05:42,950 --> 02:05:40,119

because i made

3090

02:05:44,870 --> 02:05:42,960

2.49 tonight

3091

02:05:46,310 --> 02:05:44,880

man i'm a terrible sellout i'm just

3092

02:05:47,750 --> 02:05:46,320

going to put that out there and thank

3093

02:05:50,069 --> 02:05:47,760

you by the way for the kindness and

3094

02:05:51,589 --> 02:05:50,079

generosity and support of the 249 not

3095

02:05:55,910 --> 02:05:51,599

complaining about that i'm just trying

3096

02:05:57,669 --> 02:05:55,920

to um illustrate my point here

3097

02:05:59,350 --> 02:05:57,679

if i was really trying to sell out i'm

3098

02:06:00,629 --> 02:05:59,360

doing a terrible job of it here

3099

02:06:02,790 --> 02:06:00,639

sometimes

3100

02:06:03,990 --> 02:06:02,800

a terrible job of it

3101
02:06:05,270 --> 02:06:04,000
and you know that's what i was thinking

3102
02:06:08,149 --> 02:06:05,280
about over the weekend this is just

3103
02:06:11,270 --> 02:06:08,159
getting to be like a big ball of stress

3104
02:06:13,109 --> 02:06:11,280
this isn't fun right this is not fun

3105
02:06:16,069 --> 02:06:13,119
oh but look at that somebody heard the

3106
02:06:19,510 --> 02:06:16,079
call and now we're up to 7 50 right for

3107
02:06:20,950 --> 02:06:19,520
tonight 4.99 from abc123 who says keep

3108
02:06:22,550 --> 02:06:20,960
up the good work thank you for your

3109
02:06:24,629 --> 02:06:22,560
kindness your generosity and your

3110
02:06:26,390 --> 02:06:24,639
support of the show it is much much

3111
02:06:28,470 --> 02:06:26,400
appreciated

3112
02:06:30,550 --> 02:06:28,480
lincoln liar says uh

3113
02:06:33,030 --> 02:06:30,560

on repeat money money money no auntie

3114

02:06:35,350 --> 02:06:33,040

larp says that davina says you're

3115

02:06:37,910 --> 02:06:35,360

awesome thank you for that blinking liar

3116

02:06:40,470 --> 02:06:37,920

says move on yes

3117

02:06:43,350 --> 02:06:40,480

and friends uh i can hear it and so can

3118

02:06:44,470 --> 02:06:43,360

you my voice is really leaving me

3119

02:06:46,790 --> 02:06:44,480

um

3120

02:06:48,310 --> 02:06:46,800

so you'll have to forgive me

3121

02:06:49,990 --> 02:06:48,320

it was up to me i'd stay for another

3122

02:06:52,470 --> 02:06:50,000

hour

3123

02:06:55,109 --> 02:06:52,480

dedicate some more time to the live chat

3124

02:06:56,950 --> 02:06:55,119

um but i'm giving you literally all i

3125

02:07:00,629 --> 02:06:56,960

can today

3126

02:07:02,870 --> 02:07:00,639

my voice is gone it's gonna be gone

3127

02:07:04,870 --> 02:07:02,880

i'm hoping that i will be fine by

3128

02:07:05,990 --> 02:07:04,880

tomorrow seems like if i rest it long

3129

02:07:09,109 --> 02:07:06,000

enough

3130

02:07:12,950 --> 02:07:11,430

then you know

3131

02:07:15,510 --> 02:07:12,960

tea with uh

3132

02:07:20,149 --> 02:07:15,520

tea with honey you know lemon and honey

3133

02:07:24,629 --> 02:07:23,589

mark tarana says it's 10.17 us dollars

3134

02:07:26,149 --> 02:07:24,639

yes so

3135

02:07:27,830 --> 02:07:26,159

i'm getting i'm getting attacked

3136

02:07:29,830 --> 02:07:27,840

viciously because i'm making so much

3137

02:07:31,510 --> 02:07:29,840

money doing this that i made less than

3138

02:07:33,750 --> 02:07:31,520

talk about wages just for the online

3139

02:07:35,189 --> 02:07:33,760

time and again i'm not complaining but

3140

02:07:37,189 --> 02:07:35,199

it just shows how ridiculous these

3141

02:07:39,589 --> 02:07:37,199

people are slagging me like

3142

02:07:41,669 --> 02:07:39,599

we're not making a mint here okay i'm

3143

02:07:44,950 --> 02:07:41,679

sorry you're butter if i made ten

3144

02:07:45,910 --> 02:07:44,960

dollars tonight right

3145

02:07:47,589 --> 02:07:45,920

yeah

3146

02:07:50,229 --> 02:07:47,599

glitch says it's more the sentiment than

3147

02:07:52,629 --> 02:07:50,239

the money perhaps yeah

3148

02:07:54,229 --> 02:07:52,639

oh and rob peterson says thanks

3149

02:07:55,910 --> 02:07:54,239

keep it up thank you rob peterson for

3150

02:07:57,589 --> 02:07:55,920

your kindness your generosity and your

3151

02:07:59,270 --> 02:07:57,599

support i want to thank each and every

3152

02:08:02,390 --> 02:07:59,280

one of the super chatters now we're over

3153

02:08:05,830 --> 02:08:02,400

taco bell wages praise the cash praise

3154

02:08:12,470 --> 02:08:05,840

the cash hallelujah friends we uh are

3155

02:08:17,270 --> 02:08:14,950

guys for the guys crazy cash

3156

02:08:20,229 --> 02:08:17,280

thank you for your kindness thank you

3157

02:08:21,690 --> 02:08:20,239

for your generosity crazy cash freeze

3158

02:08:30,149 --> 02:08:21,700

the cash raiser

3159

02:08:33,910 --> 02:08:31,910

thank you all very much

3160

02:08:35,510 --> 02:08:33,920

uh an al warrior with a card generous

3161

02:08:38,870 --> 02:08:35,520

five dollar praise the cash don't quit

3162

02:08:40,470 --> 02:08:38,880

bro no i'm not i'm not going anywhere i

3163

02:08:43,510 --> 02:08:40,480

made up my mind

3164

02:08:45,189 --> 02:08:43,520

um so i'm halfway i'm really

3165

02:08:48,830 --> 02:08:45,199

you know i forgot the other half of my

3166

02:08:51,750 --> 02:08:48,840

spiel here al warrior and here it is

3167

02:08:54,229 --> 02:08:51,760

um it's not fun

3168

02:08:57,920 --> 02:08:54,239

it's it hasn't been fun with this level

3169

02:09:00,709 --> 02:08:57,930

of stress and garbage going on so i am

3170

02:09:02,069 --> 02:09:00,719

[Music]

3171

02:09:03,350 --> 02:09:02,079

i'm gonna do whatever it is that i have

3172

02:09:04,950 --> 02:09:03,360

to do

3173

02:09:09,109 --> 02:09:04,960

to make it fun again

3174

02:09:12,790 --> 02:09:10,870

i cannot

3175

02:09:15,109 --> 02:09:12,800

pardon me friends

3176

02:09:17,270 --> 02:09:15,119

i cannot keep coming here to a stress

3177

02:09:19,030 --> 02:09:17,280

ball you know

3178

02:09:26,870 --> 02:09:19,040

i don't come here

3179

02:09:31,270 --> 02:09:28,709

auntie larp says

3180

02:09:32,709 --> 02:09:31,280

i hope you'll feel better soon

3181

02:09:34,229 --> 02:09:32,719

though regarding some of the whining and

3182

02:09:36,790 --> 02:09:34,239

complaining yeah

3183

02:09:38,950 --> 02:09:36,800

like i said i said it before i'm not i'm

3184

02:09:40,870 --> 02:09:38,960

especially not i'm going to try my best

3185

02:09:42,709 --> 02:09:40,880

to not get into some any back more back

3186

02:09:45,990 --> 02:09:42,719

and forth

3187

02:09:48,069 --> 02:09:46,000

people want to trash me on twitter

3188

02:09:49,910 --> 02:09:48,079

have at it bro i just don't have time to

3189

02:09:51,910 --> 02:09:49,920

keep up with the static

3190

02:09:54,709 --> 02:09:51,920

if other people want to trash me on

3191

02:09:55,510 --> 02:09:54,719

their shows again i forgive you bro i

3192

02:09:57,430 --> 02:09:55,520

just

3193

02:10:01,270 --> 02:09:57,440

i gotta forgive everybody and move on i

3194

02:10:03,109 --> 02:10:01,280

don't have time for the static right

3195

02:10:04,950 --> 02:10:03,119

yeah i could say that spooky and i

3196

02:10:06,470 --> 02:10:04,960

recognize what you just said but i i'm

3197

02:10:12,870 --> 02:10:06,480

not

3198

02:10:20,550 --> 02:10:14,390

out of mind send me the link one more

3199

02:10:23,669 --> 02:10:22,470

mark toronto says ufology is a roller

3200

02:10:26,310 --> 02:10:23,679

coaster breathe

3201

02:10:27,350 --> 02:10:26,320

easy stephen

3202

02:10:28,790 --> 02:10:27,360

yeah

3203

02:10:31,990 --> 02:10:28,800

it definitely is a roller coaster

3204

02:10:35,189 --> 02:10:32,000

sometime it's a circus right and uh but

3205

02:10:37,750 --> 02:10:35,199

i just it's been too much circus lately

3206

02:10:39,669 --> 02:10:37,760

right and like i said if it's if if

3207

02:10:41,910 --> 02:10:39,679

every time i think about the show it's

3208

02:10:44,069 --> 02:10:41,920

like stressing me out it's not this

3209

02:10:46,310 --> 02:10:44,079

isn't fun

3210

02:10:49,350 --> 02:10:46,320

and uh so we have to get back to the fun

3211

02:10:51,910 --> 02:10:49,360

stuff and uh you know

3212

02:10:54,310 --> 02:10:51,920

i am gonna try to use twitter

3213

02:10:55,350 --> 02:10:54,320

more as a promotional tool and not much

3214

02:10:57,189 --> 02:10:55,360

else

3215

02:10:59,430 --> 02:10:57,199

and you know people that really need to

3216

02:11:00,950 --> 02:10:59,440

talk to me know how to do it

3217

02:11:02,790 --> 02:11:00,960

i don't really need to be on twitter so

3218

02:11:05,430 --> 02:11:02,800

much i've been spending hours and hours

3219

02:11:08,629 --> 02:11:05,440

on twitter and i don't see the benefit

3220

02:11:10,790 --> 02:11:08,639

to most of that right

3221

02:11:12,470 --> 02:11:10,800

i don't see the benefit and if i don't

3222

02:11:14,709 --> 02:11:12,480

see a benefit in anything

3223

02:11:17,030 --> 02:11:14,719

and i also am very short on time right

3224

02:11:19,030 --> 02:11:17,040

now i've got a lot of stuff going on

3225

02:11:21,430 --> 02:11:19,040

that has nothing to do with the show i'm

3226

02:11:22,790 --> 02:11:21,440

working on this uh all test linux based

3227

02:11:26,390 --> 02:11:22,800

operating system and i'm trying to get a

3228

02:11:28,629 --> 02:11:26,400

second alpha finished to demo it to uh

3229

02:11:30,390 --> 02:11:28,639

interested people and parties and users

3230

02:11:32,709 --> 02:11:30,400

so i've been waiting for it it's over a

3231

02:11:34,390 --> 02:11:32,719

year late because me like a dummy

3232

02:11:36,310 --> 02:11:34,400

instead of putting my time into that put

3233

02:11:38,870 --> 02:11:36,320

all my time into this

3234

02:11:40,310 --> 02:11:38,880

and i've also got um

3235

02:11:41,750 --> 02:11:40,320

a lot of work to do with the cabin i

3236

02:11:44,629 --> 02:11:41,760

need two more weekends just to make

3237

02:11:47,109 --> 02:11:44,639

firewood and then i've got to finish

3238

02:11:49,109 --> 02:11:47,119

buttoning up this sunroom before it

3239

02:11:50,870 --> 02:11:49,119

snows and i'm never gonna make it but

3240

02:11:53,350 --> 02:11:50,880

i'm doing my best to get as far along as

3241

02:11:55,669 --> 02:11:53,360

i can before the snow starts coming down

3242

02:11:57,750 --> 02:11:55,679

right

3243

02:12:00,390 --> 02:11:57,760

the tubman says stephen all cool you're

3244

02:12:02,390 --> 02:12:00,400

protecting the integrity of the show

3245

02:12:04,870 --> 02:12:02,400

yeah i got to do my best because if i'm

3246

02:12:06,709 --> 02:12:04,880

here pissed off and stressed out it's

3247

02:12:08,390 --> 02:12:06,719

not going to be a very fun show people

3248

02:12:09,910 --> 02:12:08,400

aren't going to want to see me you know

3249

02:12:13,510 --> 02:12:09,920

just be

3250

02:12:15,030 --> 02:12:13,520

pissed off for two hours a day right

3251

02:12:17,030 --> 02:12:15,040

people want to come here and escape and

3252

02:12:19,030 --> 02:12:17,040

have a good time and have fun

3253

02:12:21,270 --> 02:12:19,040

and i want to bring that to you and if

3254

02:12:23,109 --> 02:12:21,280

i'm not having fun nobody is it's kind

3255

02:12:24,709 --> 02:12:23,119

of like marriage right

3256

02:12:29,030 --> 02:12:24,719

if your wife's not in a good mood

3257

02:12:33,109 --> 02:12:30,950

rich yeah says who cares what people say

3258

02:12:37,830 --> 02:12:33,119

talking crap is what makes makes people

3259

02:12:39,430 --> 02:12:37,840

happy nowadays it sure does it sure does

3260

02:12:41,589 --> 02:12:39,440

yeah

3261

02:12:43,430 --> 02:12:41,599

free spirit girl slavin says hey we have

3262

02:12:45,910 --> 02:12:43,440

your back steve xx thank you i

3263

02:12:48,470 --> 02:12:45,920

appreciate it yep so my voice is still

3264

02:12:49,350 --> 02:12:48,480

leaving me uh what can i say

3265

02:12:51,030 --> 02:12:49,360

uh

3266

02:12:52,149 --> 02:12:51,040

i did my best i wanted to get through

3267

02:12:55,350 --> 02:12:52,159

this tonight

3268

02:12:56,550 --> 02:12:55,360

tomorrow it's like old school uh show

3269

02:12:57,830 --> 02:12:56,560

week here

3270

02:12:59,750 --> 02:12:57,840

today we

3271

02:13:01,510 --> 02:12:59,760

you know covered cory good tomorrow

3272

02:13:02,629 --> 02:13:01,520

we'll be covering david wilcox latest

3273

02:13:03,589 --> 02:13:02,639

video

3274

02:13:05,750 --> 02:13:03,599

um

3275

02:13:07,750 --> 02:13:05,760

i gotta tell you friends uh

3276

02:13:09,430 --> 02:13:07,760

boy he let some things loose in that his

3277

02:13:11,189 --> 02:13:09,440

wife is in it as well

3278

02:13:13,990 --> 02:13:11,199

uh which makes it twice the fun to

3279

02:13:15,990 --> 02:13:14,000

listen to and laugh at i'm sorry i'm a

3280

02:13:17,510 --> 02:13:16,000

terrible human being i'm going to listen

3281

02:13:19,030 --> 02:13:17,520

to this stuff they're saying and i'm

3282

02:13:20,790 --> 02:13:19,040

going to laugh at it because it's

3283

02:13:24,790 --> 02:13:20,800

ridiculous

3284

02:13:26,709 --> 02:13:24,800

good stuff from from earlier tonight

3285

02:13:29,189 --> 02:13:26,719

really

3286

02:13:31,510 --> 02:13:29,199

but what can i say friends this circus

3287

02:13:33,669 --> 02:13:31,520

here of conspiracy land continues and

3288

02:13:35,030 --> 02:13:33,679

we'll be back tomorrow night probably

3289

02:13:37,030 --> 02:13:35,040

again we're going to do this again we're

3290

02:13:39,270 --> 02:13:37,040

going to try 7 p.m eastern standard time

3291

02:13:40,470 --> 02:13:39,280

as our new time slot this week see how

3292

02:13:41,589 --> 02:13:40,480

people like it let me know in the

3293

02:13:43,510 --> 02:13:41,599

comments

3294

02:13:45,430 --> 02:13:43,520

how you like the new time slot do you

3295

02:13:47,750 --> 02:13:45,440

want us to go back to 9 pm eastern time

3296

02:13:49,109 --> 02:13:47,760

would you prefer us to stay at 7 pm

3297

02:13:50,870 --> 02:13:49,119

please do

3298

02:13:52,310 --> 02:13:50,880

let us know in the comments and also i

3299

02:13:54,550 --> 02:13:52,320

mentioned that there's ways to support

3300

02:13:56,790 --> 02:13:54,560

the show the first is financially but

3301
02:13:58,470 --> 02:13:56,800
the second and equally most important

3302
02:14:00,470 --> 02:13:58,480
equally as important way is to like

3303
02:14:01,910 --> 02:14:00,480
comment subscribe and share

3304
02:14:04,709 --> 02:14:01,920
these videos

3305
02:14:06,390 --> 02:14:04,719
um it really does help comment if you

3306
02:14:07,350 --> 02:14:06,400
like the new time slot better on this

3307
02:14:10,470 --> 02:14:07,360
video

3308
02:14:12,229 --> 02:14:10,480
let us know if you guys prefer 7pm i'm

3309
02:14:14,069 --> 02:14:12,239
fine with that we'll keep it there if

3310
02:14:15,669 --> 02:14:14,079
people prefer we go back to a later time

3311
02:14:18,470 --> 02:14:15,679
slot we'll do that

3312
02:14:20,149 --> 02:14:18,480
um we aim to please

3313
02:14:22,390 --> 02:14:20,159

also be sure to

3314

02:14:23,350 --> 02:14:22,400

send our channel link address to some

3315

02:14:25,510 --> 02:14:23,360

people

3316

02:14:27,430 --> 02:14:25,520

if you like this they might too and

3317

02:14:29,430 --> 02:14:27,440

enjoy it as well and it would help us to

3318

02:14:31,350 --> 02:14:29,440

grow our channel we would appreciate it

3319

02:14:33,030 --> 02:14:31,360

if you like comment subscribe and share

3320

02:14:34,870 --> 02:14:33,040

share these videos on your social media

3321

02:14:36,709 --> 02:14:34,880

it really does help

3322

02:14:38,229 --> 02:14:36,719

finally if you're listening in audio

3323

02:14:40,709 --> 02:14:38,239

podcastly and i want to remind you that

3324

02:14:42,950 --> 02:14:40,719

you're missing half the fun half the fun

3325

02:14:45,510 --> 02:14:42,960

is we record the show live here on

3326

02:14:47,669 --> 02:14:45,520

youtube so go on over to youtube put

3327

02:14:49,830 --> 02:14:47,679

truth seekers one word in the search bar

3328

02:14:51,910 --> 02:14:49,840

look for the strange guy with sunglasses

3329

02:14:54,149 --> 02:14:51,920

that would be me smash the subscribe

3330

02:14:57,030 --> 02:14:54,159

button hit that notification bell and

3331

02:14:58,310 --> 02:14:57,040

you too can come here and be a part of

3332

02:15:00,870 --> 02:14:58,320

the live show

3333

02:15:03,669 --> 02:15:00,880

don't just watch the show don't just

3334

02:15:05,669 --> 02:15:03,679

listen to the show come be in the show

3335

02:15:06,470 --> 02:15:05,679

all are welcome here

3336

02:15:08,470 --> 02:15:06,480

so

3337

02:15:10,629 --> 02:15:08,480

what can i say friends we did our due

3338

02:15:12,390 --> 02:15:10,639

diligence wasn't feeling very well

3339

02:15:13,990 --> 02:15:12,400

almost canceled the show and just said

3340

02:15:17,189 --> 02:15:14,000

i'm going to try to sleep some of this

3341

02:15:18,550 --> 02:15:17,199

cold off but i i powered through i

3342

02:15:20,629 --> 02:15:18,560

wanted to be here

3343

02:15:22,950 --> 02:15:20,639

um didn't want to miss today and feel

3344

02:15:24,790 --> 02:15:22,960

like i was a slacker so we powered

3345

02:15:26,069 --> 02:15:24,800

through we made it through

3346

02:15:27,589 --> 02:15:26,079

i want to thank each and every one of

3347

02:15:29,030 --> 02:15:27,599

you for being in the audience tonight

3348

02:15:31,589 --> 02:15:29,040

always happy when there's an audience

3349

02:15:33,109 --> 02:15:31,599

thank you so much for coming here and

3350

02:15:35,830 --> 02:15:33,119

being a part of mine we had great

3351

02:15:38,629 --> 02:15:35,840

attendance tonight i was surprised that

3352

02:15:39,669 --> 02:15:38,639

this new time slot might just be a great

3353

02:15:41,350 --> 02:15:39,679

idea

3354

02:15:42,390 --> 02:15:41,360

so when i say thanks for being in the

3355

02:15:44,390 --> 02:15:42,400

audience i hope you'll be in the

3356

02:15:46,709 --> 02:15:44,400

audience tomorrow night at 7 p.m where

3357

02:15:48,950 --> 02:15:46,719

we'll be doing another show

3358

02:15:51,430 --> 02:15:48,960

and this one will be talking about david

3359

02:15:52,629 --> 02:15:51,440

wilcock and his hovercar scam

3360

02:15:55,430 --> 02:15:52,639

so

3361

02:15:57,030 --> 02:15:55,440

i hope you'll join us tomorrow as well

3362

02:15:58,629 --> 02:15:57,040

so until next time friends my name is

3363

02:16:04,140 --> 02:15:58,639

stephen cambion

3364

02:16:04,150 --> 02:16:36,309

[Music]

3365

02:17:23,110 --> 02:16:38,140

so

3366

02:17:24,470 --> 02:17:23,120

[Music]

3367

02:17:33,589 --> 02:17:24,480

[Applause]

3368

02:17:35,500 --> 02:17:33,599

[Music]

3369

02:18:11,170 --> 02:17:35,510

so
