

DAVID WILCOCK

VICTIM OF A SCAM HIMSELF?

REPORT SCAM

Truth Seekers

FRESH

1
00:01:48,389 --> 00:00:43,290
[Music]

2
00:01:48,399 --> 00:01:51,830
so

3
00:01:51,840 --> 00:02:06,069
[Music]

4
00:02:06,079 --> 00:02:13,230
oh

5
00:02:26,900 --> 00:02:25,890
[Music]

6
00:03:04,750 --> 00:02:26,910
[Applause]

7
00:03:05,020 --> 00:03:04,760
[Music]

8
00:03:14,670 --> 00:03:05,030
[Applause]

9
00:03:14,980 --> 00:03:14,680
[Music]

10
00:03:16,510 --> 00:03:14,990
[Applause]

11
00:03:18,790 --> 00:03:16,520
[Music]

12
00:03:50,710 --> 00:03:18,800
[Applause]

13
00:03:50,720 --> 00:03:54,330

so

14

00:03:54,340 --> 00:03:58,260

[Music]

15

00:04:02,950 --> 00:04:00,280

[Applause]

16

00:04:04,550 --> 00:04:02,960

[Music]

17

00:04:07,350 --> 00:04:04,560

[Applause]

18

00:04:09,830 --> 00:04:07,360

[Music]

19

00:04:11,830 --> 00:04:09,840

greetings and salutations and welcome

20

00:04:15,270 --> 00:04:11,840

back to truth seekers

21

00:04:18,870 --> 00:04:15,280

friends i am here to uh

22

00:04:20,949 --> 00:04:18,880

bring a story of karma perhaps

23

00:04:23,990 --> 00:04:20,959

because many have wondered

24

00:04:26,070 --> 00:04:24,000

uh about the

25

00:04:28,550 --> 00:04:26,080

person that tonight's show is about that

26

00:04:31,189 --> 00:04:28,560

would be one david wilcock

27

00:04:33,510 --> 00:04:31,199

who is perhaps most famous if you could

28

00:04:36,310 --> 00:04:33,520

call it famous for being on the

29

00:04:37,749 --> 00:04:36,320

television show ancient aliens

30

00:04:39,990 --> 00:04:37,759

it's important

31

00:04:42,469 --> 00:04:40,000

to point out that the ancient alien

32

00:04:43,430 --> 00:04:42,479

theory has been largely debunked

33

00:04:46,550 --> 00:04:43,440

by

34

00:04:49,670 --> 00:04:46,560

uh serious researchers and serious

35

00:04:51,189 --> 00:04:49,680

scientists as being garbage

36

00:04:53,430 --> 00:04:51,199

but it didn't stop the history channel

37

00:04:56,950 --> 00:04:53,440

from making some uh what are they up to

38

00:04:59,270 --> 00:04:56,960

12 seasons about this flawed theory

39

00:05:00,230 --> 00:04:59,280

for those unaware the theory suggests

40

00:05:02,150 --> 00:05:00,240

that

41

00:05:04,390 --> 00:05:02,160

in ancient times

42

00:05:06,710 --> 00:05:04,400

aliens visited earth

43

00:05:09,749 --> 00:05:06,720

influenced humanity

44

00:05:11,909 --> 00:05:09,759

and in some portions of the story even

45

00:05:13,350 --> 00:05:11,919

genetically altered

46

00:05:15,990 --> 00:05:13,360

existing

47

00:05:18,390 --> 00:05:16,000

primates on planet earth

48

00:05:20,629 --> 00:05:18,400

which would then become the humans that

49

00:05:21,749 --> 00:05:20,639

we are now

50

00:05:24,790 --> 00:05:21,759

however

51
00:05:26,710 --> 00:05:24,800
this flawed theory that david wilcock

52
00:05:28,070 --> 00:05:26,720
was all up in

53
00:05:31,510 --> 00:05:28,080
uh

54
00:05:33,590 --> 00:05:31,520
is problematic at the very best

55
00:05:35,830 --> 00:05:33,600
first of all it's largely based on the

56
00:05:37,749 --> 00:05:35,840
work of zechariah sitchin and

57
00:05:41,350 --> 00:05:37,759
translations of

58
00:05:44,790 --> 00:05:41,360
ancient sumerian tablets that he had no

59
00:05:47,990 --> 00:05:44,800
qualifications to actually translate

60
00:05:50,070 --> 00:05:48,000
and i can show you chapter in verse

61
00:05:52,310 --> 00:05:50,080
proof that zechariah sitchin

62
00:05:55,189 --> 00:05:52,320
mistranslated many things in those

63
00:05:56,870 --> 00:05:55,199

tablets to fit his

64

00:05:59,029 --> 00:05:56,880

hypothesis

65

00:06:01,430 --> 00:05:59,039

which was that aliens

66

00:06:04,309 --> 00:06:01,440

somehow were involved with early human

67

00:06:07,270 --> 00:06:04,319

civilizations

68

00:06:08,230 --> 00:06:07,280

these theories are extremely flawed

69

00:06:09,830 --> 00:06:08,240

often

70

00:06:12,790 --> 00:06:09,840

faking evidence

71

00:06:13,990 --> 00:06:12,800

or connecting a great many disconnected

72

00:06:16,469 --> 00:06:14,000

dots

73

00:06:18,070 --> 00:06:16,479

to fit the theory

74

00:06:20,790 --> 00:06:18,080

one of my favorite things that the

75

00:06:23,110 --> 00:06:20,800

ancient alien theorists always do

76
00:06:26,629 --> 00:06:23,120
is claim that there are descriptions of

77
00:06:29,270 --> 00:06:26,639
flying saucers in ancient sanskrit

78
00:06:36,469 --> 00:06:30,469
writings

79
00:06:39,029 --> 00:06:36,479
and while there certainly are

80
00:06:42,230 --> 00:06:39,039
descriptions of mythological flying

81
00:06:45,830 --> 00:06:42,240
things like flying carpets in those

82
00:06:52,070 --> 00:06:47,590
mislead people

83
00:06:54,550 --> 00:06:52,080
citing a book that was channeled in 1956

84
00:06:57,749 --> 00:06:54,560
as evidence or proof

85
00:07:00,390 --> 00:06:57,759
that ancient people knew about flying

86
00:07:02,550 --> 00:07:00,400
saucers and anti-gravity technology and

87
00:07:04,790 --> 00:07:02,560
nuclear weapons and more

88
00:07:07,990 --> 00:07:04,800

again

89

00:07:10,469 --> 00:07:08,000

this is misleading at best it's lying at

90

00:07:11,270 --> 00:07:10,479

worst they lie to the audience and tell

91

00:07:13,270 --> 00:07:11,280

them

92

00:07:14,790 --> 00:07:13,280

there's flying saucers in these ancient

93

00:07:16,469 --> 00:07:14,800

vedic texts

94

00:07:19,510 --> 00:07:16,479

and then they show us a book that was

95

00:07:21,830 --> 00:07:19,520

channeled in 1950 and no one really

96

00:07:24,870 --> 00:07:21,840

knows the true author of

97

00:07:29,350 --> 00:07:26,870

the book is from 1950 that they all

98

00:07:31,189 --> 00:07:29,360

reference it's not an ancient book

99

00:07:33,749 --> 00:07:31,199

and it was a channeled book take from

100

00:07:35,670 --> 00:07:33,759

that what you will

101
00:07:39,270 --> 00:07:35,680
now do i believe that some so-called

102
00:07:40,390 --> 00:07:39,280
channeled information has value sure

103
00:07:42,309 --> 00:07:40,400
after all

104
00:07:43,830 --> 00:07:42,319
one could argue that some parts of the

105
00:07:45,430 --> 00:07:43,840
christian bible

106
00:07:49,110 --> 00:07:45,440
and jewish bible

107
00:07:50,869 --> 00:07:49,120
were inspired or channeled in some way

108
00:07:52,150 --> 00:07:50,879
or form

109
00:07:53,110 --> 00:07:52,160
many people

110
00:07:55,270 --> 00:07:53,120
find

111
00:07:59,029 --> 00:07:55,280
the urantia book to be

112
00:08:01,110 --> 00:07:59,039
spiritually helpful and enlightening

113
00:08:05,589 --> 00:08:01,120

many people find the law of one material

114

00:08:06,790 --> 00:08:05,599

which is also channeled to be valuable

115

00:08:09,270 --> 00:08:06,800

i can't

116

00:08:12,629 --> 00:08:09,280

take that value away if people find

117

00:08:14,550 --> 00:08:12,639

value in channeled work however using a

118

00:08:16,469 --> 00:08:14,560

channeled book as proof

119

00:08:19,990 --> 00:08:16,479

and lying to everyone and saying this is

120

00:08:23,830 --> 00:08:20,000

from ancient vedic text is misleading

121

00:08:25,270 --> 00:08:23,840

and stupid and childish these people

122

00:08:27,749 --> 00:08:25,280

that

123

00:08:29,510 --> 00:08:27,759

want to promote this so-called ancient

124

00:08:31,749 --> 00:08:29,520

aliens theory

125

00:08:33,909 --> 00:08:31,759

will use any

126

00:08:36,149 --> 00:08:33,919

deceptive means they can

127

00:08:37,430 --> 00:08:36,159

to convince people that this theory is

128

00:08:39,430 --> 00:08:37,440

real

129

00:08:41,190 --> 00:08:39,440

i don't believe that it is

130

00:08:45,030 --> 00:08:41,200

although i was once very interested in

131

00:08:47,030 --> 00:08:45,040

it myself as a young man

132

00:08:49,829 --> 00:08:47,040

however the deeper you dig into ancient

133

00:08:53,430 --> 00:08:49,839

alien theory and theorists

134

00:08:57,350 --> 00:08:54,710

i don't think that it's a credible

135

00:08:58,949 --> 00:08:57,360

theory i don't think there is

136

00:09:00,790 --> 00:08:58,959

real proof

137

00:09:02,870 --> 00:09:00,800

you know they often point to things like

138

00:09:04,870 --> 00:09:02,880

well we can't explain how these ancient

139

00:09:06,070 --> 00:09:04,880

people built this so it must have been

140

00:09:09,190 --> 00:09:06,080

aliens

141

00:09:10,150 --> 00:09:09,200

that's the gist of ancient alien theory

142

00:09:12,230 --> 00:09:10,160

well

143

00:09:13,590 --> 00:09:12,240

you know we we have these ancient ruins

144

00:09:15,110 --> 00:09:13,600

and we don't know how they cut these

145

00:09:17,030 --> 00:09:15,120

stones so

146

00:09:19,590 --> 00:09:17,040

must have been that they got help from

147

00:09:21,190 --> 00:09:19,600

aliens we're not sure how the pyramids

148

00:09:23,750 --> 00:09:21,200

were exactly built

149

00:09:25,990 --> 00:09:23,760

so must have been aliens help them build

150

00:09:28,389 --> 00:09:26,000

those pyramids it's kind of ridiculous

151

00:09:30,310 --> 00:09:28,399

the deeper that you get into it

152

00:09:33,269 --> 00:09:30,320

so one of the greatest

153

00:09:35,590 --> 00:09:33,279

heroes of the ancient alien theory which

154

00:09:37,110 --> 00:09:35,600

is largely garbage has been david

155

00:09:39,350 --> 00:09:37,120

wilcock

156

00:09:41,030 --> 00:09:39,360

who rose to fame being on the this

157

00:09:43,190 --> 00:09:41,040

history channel show

158

00:09:45,269 --> 00:09:43,200

if you could call it fame right i don't

159

00:09:49,430 --> 00:09:45,279

i don't think so i think he would be you

160

00:09:51,829 --> 00:09:49,440

know a c celebrity at best right

161

00:09:54,389 --> 00:09:51,839

maybe he has a future maybe don't take

162

00:09:55,829 --> 00:09:54,399

him on dancing with the stars

163

00:09:57,190 --> 00:09:55,839

probably not you have to be somewhat of

164

00:09:59,110 --> 00:09:57,200

a star though

165

00:10:01,430 --> 00:09:59,120

but david wilcock thinks that he's a big

166

00:10:03,670 --> 00:10:01,440

rock star of this thing right he's he's

167

00:10:04,870 --> 00:10:03,680

super famous and i guess to some extent

168

00:10:06,550 --> 00:10:04,880

maybe he is

169

00:10:08,470 --> 00:10:06,560

after all he's been able to scam the

170

00:10:10,949 --> 00:10:08,480

public out of literally millions of

171

00:10:13,910 --> 00:10:10,959

dollars for his garbage psychic

172

00:10:16,389 --> 00:10:13,920

predictions for his garbage theories for

173

00:10:17,509 --> 00:10:16,399

his garbage disconnected bundled

174

00:10:18,870 --> 00:10:17,519

together

175

00:10:21,269 --> 00:10:18,880

nonsense

176

00:10:23,430 --> 00:10:21,279

of garbage that was all scattered all

177

00:10:26,150 --> 00:10:23,440

over the internet that he you know

178

00:10:28,949 --> 00:10:26,160

combines into a powerpoint and somehow

179

00:10:31,190 --> 00:10:28,959

thinks you know he has the truth he

180

00:10:32,630 --> 00:10:31,200

doesn't

181

00:10:34,310 --> 00:10:32,640

now

182

00:10:36,470 --> 00:10:34,320

i mentioned that there's good news what

183

00:10:38,949 --> 00:10:36,480

is the good news well

184

00:10:41,670 --> 00:10:38,959

for years people have been watching

185

00:10:44,389 --> 00:10:41,680

david wilcox scam the public i have been

186

00:10:46,790 --> 00:10:44,399

watching david wilcox scam the public

187

00:10:49,030 --> 00:10:46,800

with his fake psychic predictions with

188

00:10:49,910 --> 00:10:49,040

his books full of fake information with

189

00:10:55,110 --> 00:10:49,920

his

190

00:10:57,670 --> 00:10:55,120

my favorite was in 2012 when he said

191

00:10:59,829 --> 00:10:57,680

we'd all get like bodies after 2012 came

192

00:11:01,750 --> 00:10:59,839

and we'd all get super powers

193

00:11:03,990 --> 00:11:01,760

yeah that didn't work out too well for

194

00:11:08,949 --> 00:11:05,990

later david wilcock would form something

195

00:11:12,389 --> 00:11:08,959

called convergence pictures llc and for

196

00:11:17,990 --> 00:11:15,190

ask for donations ask for investments

197

00:11:21,509 --> 00:11:18,000

into his new film company

198

00:11:23,829 --> 00:11:21,519

which was going to make the next big

199

00:11:26,470 --> 00:11:23,839

alien documentary

200

00:11:27,910 --> 00:11:26,480

so for two years he solicited donations

201
00:11:29,190 --> 00:11:27,920
in the form of ten thousand dollar

202
00:11:30,870 --> 00:11:29,200
chunks that's right you had to give him

203
00:11:33,990 --> 00:11:30,880
at least ten thousand dollars to become

204
00:11:36,069 --> 00:11:34,000
an investor in his film company

205
00:11:38,870 --> 00:11:36,079
and then after two years the film

206
00:11:42,150 --> 00:11:38,880
company went belly up before producing

207
00:11:44,069 --> 00:11:42,160
a single second of video content

208
00:11:45,509 --> 00:11:44,079
i'm not sure what happened to all that

209
00:11:47,190 --> 00:11:45,519
investor money

210
00:11:49,110 --> 00:11:47,200
but there have been various rumors that

211
00:11:51,430 --> 00:11:49,120
he just lived off of it for two years

212
00:11:53,190 --> 00:11:51,440
spent it all and then put the company

213
00:11:54,470 --> 00:11:53,200

belly up

214

00:11:56,710 --> 00:11:54,480

um

215

00:11:58,790 --> 00:11:56,720

now i i'd love to reach out to david

216

00:12:00,949 --> 00:11:58,800

wilcock and get some clarification where

217

00:12:03,030 --> 00:12:00,959

did all the money

218

00:12:05,110 --> 00:12:03,040

some say it was hundreds of thousands of

219

00:12:06,710 --> 00:12:05,120

dollars that he collected but i have no

220

00:12:08,870 --> 00:12:06,720

verification of that of course this is

221

00:12:11,590 --> 00:12:08,880

rumors and speculation people have

222

00:12:13,910 --> 00:12:11,600

speculated based on the number of people

223

00:12:16,389 --> 00:12:13,920

on avalon forums complaining about their

224

00:12:18,949 --> 00:12:16,399

investment what happened to their money

225

00:12:20,949 --> 00:12:18,959

may have been in the tune of ten tens or

226

00:12:22,470 --> 00:12:20,959

hundreds of thousands of dollars

227

00:12:24,470 --> 00:12:22,480

i'd like to know what happened to that

228

00:12:26,710 --> 00:12:24,480

money i'm sure so with the people that

229

00:12:27,829 --> 00:12:26,720

gave him that money

230

00:12:30,069 --> 00:12:27,839

next

231

00:12:31,910 --> 00:12:30,079

we get david wilcock and by the way his

232

00:12:33,509 --> 00:12:31,920

friend lulu who's in this video that

233

00:12:34,710 --> 00:12:33,519

we're going to share tonight

234

00:12:37,350 --> 00:12:34,720

posted

235

00:12:39,910 --> 00:12:37,360

an emergency message on gofundme about

236

00:12:42,550 --> 00:12:39,920

pete peterson you know one of his other

237

00:12:44,629 --> 00:12:42,560

fake insiders that was basically a

238

00:12:47,030 --> 00:12:44,639

senile old man who claimed to be ronald

239

00:12:48,150 --> 00:12:47,040

reagan science and technology advisor

240

00:12:50,150 --> 00:12:48,160

claimed to work for the russian

241

00:12:51,990 --> 00:12:50,160

equivalent of nasa claimed to be an

242

00:12:53,750 --> 00:12:52,000

early computer pioneer none of those

243

00:12:55,190 --> 00:12:53,760

things were true

244

00:12:57,110 --> 00:12:55,200

but lulu

245

00:12:59,509 --> 00:12:57,120

this person that works for david wilcock

246

00:13:01,190 --> 00:12:59,519

and david wilcox started a gofundme

247

00:13:02,949 --> 00:13:01,200

where they claimed that the deep state

248

00:13:05,430 --> 00:13:02,959

and the men in black and the government

249

00:13:08,310 --> 00:13:05,440

were throwing all of his belongings out

250

00:13:10,470 --> 00:13:08,320

of this house he owned and riding over

251
00:13:11,750 --> 00:13:10,480
them with bulldozers

252
00:13:13,750 --> 00:13:11,760
right

253
00:13:15,590 --> 00:13:13,760
none of that was true

254
00:13:17,990 --> 00:13:15,600
but that didn't stop david wilcock and

255
00:13:21,430 --> 00:13:18,000
this lulu person from collecting some

256
00:13:24,150 --> 00:13:21,440
sixty thousand dollars in gofundme money

257
00:13:26,470 --> 00:13:24,160
but the truth was that that home was

258
00:13:28,629 --> 00:13:26,480
already foreclosed on

259
00:13:30,069 --> 00:13:28,639
years before they started to go fund me

260
00:13:31,750 --> 00:13:30,079
to save his home

261
00:13:34,550 --> 00:13:31,760
no amount of money could have saved the

262
00:13:38,949 --> 00:13:34,560
home that was already foreclosed on that

263
00:13:40,550 --> 00:13:38,959

was yet another david wilcox scam

264

00:13:42,069 --> 00:13:40,560

next

265

00:13:45,430 --> 00:13:42,079

david wilcock

266

00:13:47,829 --> 00:13:45,440

did a paypal scam for his friend

267

00:13:49,829 --> 00:13:47,839

and another insider of his that is

268

00:13:52,069 --> 00:13:49,839

extremely problematic

269

00:13:54,949 --> 00:13:52,079

in the form of emory smith claiming that

270

00:13:57,030 --> 00:13:54,959

emory smith was under deep state attack

271

00:13:59,430 --> 00:13:57,040

and they ransacked his house and they

272

00:14:00,310 --> 00:13:59,440

left a bullet on his counter

273

00:14:02,470 --> 00:14:00,320

uh

274

00:14:04,389 --> 00:14:02,480

turns out that was all fake

275

00:14:06,949 --> 00:14:04,399

oh and uh emery smith was in the

276

00:14:08,389 --> 00:14:06,959

hospital because they hit him with some

277

00:14:10,310 --> 00:14:08,399

kind of a weapon

278

00:14:12,389 --> 00:14:10,320

an ice dart

279

00:14:16,389 --> 00:14:12,399

that poisoned him or something right

280

00:14:19,990 --> 00:14:17,590

now money

281

00:14:23,189 --> 00:14:20,000

well that scam that david wilcock

282

00:14:25,990 --> 00:14:23,199

started promoted and hosted on his

283

00:14:27,750 --> 00:14:26,000

website earned some fifty thousand

284

00:14:30,470 --> 00:14:27,760

dollars

285

00:14:32,710 --> 00:14:30,480

no one sure where that money went

286

00:14:34,310 --> 00:14:32,720

i would assume that he gave it to emery

287

00:14:36,389 --> 00:14:34,320

smith

288

00:14:38,069 --> 00:14:36,399

but one could also

289

00:14:40,150 --> 00:14:38,079

speculate that he kept part of that

290

00:14:43,829 --> 00:14:40,160

money for himself for helping emery

291

00:14:46,230 --> 00:14:43,839

smith advertise and promote that scam

292

00:14:48,310 --> 00:14:46,240

like to see a breakdown of all the money

293

00:14:49,829 --> 00:14:48,320

collected in the emery smith paypal

294

00:14:54,150 --> 00:14:49,839

donation scam

295

00:14:57,870 --> 00:14:55,670

next

296

00:15:01,990 --> 00:14:57,880

we get david wilcox

297

00:15:03,910 --> 00:15:02,000

501c3 his what i call his charity scam

298

00:15:06,550 --> 00:15:03,920

now we don't know how much money david

299

00:15:08,629 --> 00:15:06,560

wilcock collected in that scam we only

300

00:15:09,590 --> 00:15:08,639

know that in the first year that he ran

301
00:15:12,069 --> 00:15:09,600
that

302
00:15:14,710 --> 00:15:12,079
uh so-called charity he collected some

303
00:15:16,629 --> 00:15:14,720
seventy thousand dollars from the public

304
00:15:19,509 --> 00:15:16,639
and what did he do with that money

305
00:15:21,110 --> 00:15:19,519
well he spent it all on himself meals

306
00:15:23,670 --> 00:15:21,120
and entertainment

307
00:15:28,949 --> 00:15:23,680
vehicle expenses he had his charity

308
00:15:31,829 --> 00:15:30,470
expenses

309
00:15:33,189 --> 00:15:31,839
software

310
00:15:36,710 --> 00:15:33,199
equipment

311
00:15:38,389 --> 00:15:36,720
yeah so david wilcox starts a charity

312
00:15:40,230 --> 00:15:38,399
says he's going to do all these great

313
00:15:42,550 --> 00:15:40,240

charitable works and in the first year

314

00:15:48,230 --> 00:15:42,560

he collected seventy thousand dollars

315

00:15:53,110 --> 00:15:51,269

now it's very confusing are david wilcox

316

00:15:54,790 --> 00:15:53,120

youtube videos produced with the

317

00:15:56,870 --> 00:15:54,800

equipment that he bought with charitable

318

00:15:58,870 --> 00:15:56,880

donations and aren't those videos for

319

00:16:01,509 --> 00:15:58,880

profit considering they're monetized and

320

00:16:03,749 --> 00:16:01,519

have youtube ads on them and he is

321

00:16:06,389 --> 00:16:03,759

collecting super chat donations during

322

00:16:08,949 --> 00:16:06,399

those broadcasts

323

00:16:12,069 --> 00:16:08,959

at one point david wilcox seemed to

324

00:16:14,389 --> 00:16:12,079

indicate that all the money collected

325

00:16:15,670 --> 00:16:14,399

would be going into his charitable

326

00:16:17,269 --> 00:16:15,680

foundation

327

00:16:19,670 --> 00:16:17,279

you know the one where he collects 70

328

00:16:21,670 --> 00:16:19,680

000 doesn't pay any income tax and then

329

00:16:23,910 --> 00:16:21,680

spends all the money on himself

330

00:16:26,949 --> 00:16:23,920

yeah four thousand dollars as i recall

331

00:16:28,550 --> 00:16:26,959

for meals and entertainment must be nice

332

00:16:30,470 --> 00:16:28,560

i don't know uh

333

00:16:32,629 --> 00:16:30,480

maybe i'm cheap but i have a family of

334

00:16:33,509 --> 00:16:32,639

four and we could go to applebee's you

335

00:16:38,150 --> 00:16:33,519

know

336

00:16:40,870 --> 00:16:38,160

with four thousand dollars

337

00:16:42,310 --> 00:16:40,880

so i'd love to know where david wilcock

338

00:16:43,990 --> 00:16:42,320

was eating

339

00:16:46,710 --> 00:16:44,000

and what he was doing to entertain

340

00:16:47,590 --> 00:16:46,720

himself with four thousand dollars and

341

00:16:50,069 --> 00:16:47,600

why

342

00:16:52,150 --> 00:16:50,079

should people's charitable donations pay

343

00:16:54,230 --> 00:16:52,160

for his meals and his entertainment

344

00:16:57,030 --> 00:16:54,240

expenses

345

00:16:58,710 --> 00:16:57,040

now i'd also love to know what david

346

00:17:00,710 --> 00:16:58,720

wilcock collected in charitable

347

00:17:04,230 --> 00:17:00,720

donations for the next two years that

348

00:17:06,549 --> 00:17:04,240

his charity has been in effect but

349

00:17:09,029 --> 00:17:06,559

unfortunately david wilcock

350

00:17:11,829 --> 00:17:09,039

has refused to file the required

351
00:17:13,510 --> 00:17:11,839
paperwork with the irs showing exactly

352
00:17:16,549 --> 00:17:13,520
how much money he collected in

353
00:17:19,029 --> 00:17:16,559
charitable donations and what he did

354
00:17:20,949 --> 00:17:19,039
with all of said monies

355
00:17:22,470 --> 00:17:20,959
he filed the first year hasn't filed the

356
00:17:24,230 --> 00:17:22,480
next two years

357
00:17:27,429 --> 00:17:24,240
and now recently

358
00:17:29,830 --> 00:17:27,439
the ability to donate to his charity has

359
00:17:32,070 --> 00:17:29,840
been taken down by paypal

360
00:17:33,669 --> 00:17:32,080
not sure why that is but one can

361
00:17:36,070 --> 00:17:33,679
speculate

362
00:17:37,270 --> 00:17:36,080
that perhaps his charitable organization

363
00:17:39,669 --> 00:17:37,280

had their

364

00:17:41,590 --> 00:17:39,679

license to be a charity revoked for

365

00:17:45,029 --> 00:17:41,600

failure to file the required legal

366

00:17:46,789 --> 00:17:45,039

paperwork that the irs requires

367

00:17:48,950 --> 00:17:46,799

additionally

368

00:17:51,110 --> 00:17:48,960

david wilcock is required by law to

369

00:17:53,909 --> 00:17:51,120

furnish this paperwork to anyone who

370

00:17:56,710 --> 00:17:53,919

asks you all know i have asked him 50

371

00:17:59,029 --> 00:17:56,720

times at all different times in the past

372

00:18:00,950 --> 00:17:59,039

two years to give me the paperwork he

373

00:18:03,990 --> 00:18:00,960

has so far refused

374

00:18:05,830 --> 00:18:04,000

even his accounting firm refused to give

375

00:18:07,270 --> 00:18:05,840

me them he lists an accounting firm with

376

00:18:09,510 --> 00:18:07,280

his charity

377

00:18:11,590 --> 00:18:09,520

i called them they won't give me the

378

00:18:13,750 --> 00:18:11,600

paperwork

379

00:18:16,710 --> 00:18:13,760

so i'm not sure what kind of a

380

00:18:18,549 --> 00:18:16,720

professional accounting firm won't call

381

00:18:21,190 --> 00:18:18,559

somebody back who's making a legal

382

00:18:23,110 --> 00:18:21,200

request for documents related to a

383

00:18:25,029 --> 00:18:23,120

charity they represent

384

00:18:26,870 --> 00:18:25,039

i'm not sure what kind of reputable

385

00:18:29,510 --> 00:18:26,880

accounting firm would refuse to call

386

00:18:34,150 --> 00:18:29,520

somebody back or provide any answers

387

00:18:37,350 --> 00:18:35,190

next

388

00:18:39,270 --> 00:18:37,360

david wilcock has recently claimed that

389

00:18:41,830 --> 00:18:39,280

he put all the money he's been making

390

00:18:43,510 --> 00:18:41,840

from his courses in his videos into this

391

00:18:45,430 --> 00:18:43,520

new adventure

392

00:18:47,830 --> 00:18:45,440

where he's going to become

393

00:18:50,549 --> 00:18:47,840

the father of 80 gravity

394

00:18:51,830 --> 00:18:50,559

this is extremely problematic and scammy

395

00:18:54,390 --> 00:18:51,840

as well

396

00:18:56,789 --> 00:18:54,400

because friends you cannot take money

397

00:18:59,830 --> 00:18:56,799

from a charitable organization and then

398

00:19:02,070 --> 00:18:59,840

invest it in a for-profit company that

399

00:19:04,150 --> 00:19:02,080

would be illegal

400

00:19:07,510 --> 00:19:04,160

but we don't get any answers from david

401

00:19:08,950 --> 00:19:07,520

wilcock all we get is his

402

00:19:13,350 --> 00:19:08,960

ignoring

403

00:19:17,190 --> 00:19:14,789

though every once in a while he does

404

00:19:19,590 --> 00:19:17,200

sort of slip and mention something that

405

00:19:20,549 --> 00:19:19,600

i'm sure that he saw here on truth

406

00:19:21,830 --> 00:19:20,559

seekers

407

00:19:23,750 --> 00:19:21,840

i know from

408

00:19:26,630 --> 00:19:23,760

people he thinks are his friends that he

409

00:19:28,470 --> 00:19:26,640

watches this show every time that we

410

00:19:30,230 --> 00:19:28,480

talk about him

411

00:19:32,230 --> 00:19:30,240

maybe he takes notes on how to become a

412

00:19:34,150 --> 00:19:32,240

better scammer i'm giving him tips

413

00:19:36,230 --> 00:19:34,160

apparently you know on the things that

414

00:19:37,430 --> 00:19:36,240

he's doing that look too scammy

415

00:19:39,430 --> 00:19:37,440

and then he tries to make some

416

00:19:42,150 --> 00:19:39,440

adjustments i i don't know if that would

417

00:19:44,630 --> 00:19:42,160

be a fair assessment of the situation

418

00:19:50,950 --> 00:19:44,640

but it's reasonable speculation given a

419

00:19:54,789 --> 00:19:52,470

now

420

00:19:56,630 --> 00:19:54,799

we move on to the latest in what i'm

421

00:19:59,830 --> 00:19:56,640

calling a scam

422

00:20:01,270 --> 00:19:59,840

david wilcox latest course he says and i

423

00:20:03,110 --> 00:20:01,280

quote

424

00:20:05,590 --> 00:20:03,120

we're going to teach you the secrets of

425

00:20:07,510 --> 00:20:05,600

any gravity and free energy and then

426

00:20:09,430 --> 00:20:07,520

you'll be able to do it too

427

00:20:11,110 --> 00:20:09,440

unquote

428

00:20:13,350 --> 00:20:11,120

it's a very bold statement to tell

429

00:20:15,110 --> 00:20:13,360

people that if you just give me 333

430

00:20:17,590 --> 00:20:15,120

dollars i'm going to teach you the

431

00:20:20,390 --> 00:20:17,600

secrets of any gravity and free energy

432

00:20:21,510 --> 00:20:20,400

and you'll be able to do it too

433

00:20:24,230 --> 00:20:21,520

now

434

00:20:26,870 --> 00:20:24,240

uh i was on uh jeremy ride show alien

435

00:20:28,470 --> 00:20:26,880

scientist and they purchased uh david

436

00:20:30,710 --> 00:20:28,480

wilcox course

437

00:20:32,630 --> 00:20:30,720

and largely what i'm told the course is

438

00:20:35,590 --> 00:20:32,640

is a bunch of disconnected nonsense

439

00:20:37,270 --> 00:20:35,600

unproven theories and papers people have

440

00:20:39,510 --> 00:20:37,280

written that were scattered all over the

441

00:20:42,710 --> 00:20:39,520

internet none of which has been proven

442

00:20:45,830 --> 00:20:42,720

to be a workable solution to creating

443

00:20:47,990 --> 00:20:45,840

anti-gravity or free energy no david

444

00:20:50,710 --> 00:20:48,000

wilcock just cobbled together things

445

00:20:52,710 --> 00:20:50,720

that anybody can find on the internet

446

00:20:54,430 --> 00:20:52,720

put up some powerpoint slides and then

447

00:20:58,230 --> 00:20:54,440

charge people

448

00:21:00,230 --> 00:20:58,240

333 dollars for it

449

00:21:02,950 --> 00:21:00,240

david wilcock also in his latest course

450

00:21:05,190 --> 00:21:02,960

is claiming that humans can levitate

451
00:21:08,149 --> 00:21:05,200
and it's scientifically proven that

452
00:21:09,830 --> 00:21:08,159
humans can levitate

453
00:21:12,630 --> 00:21:09,840
now i'm sure that what he is referring

454
00:21:14,070 --> 00:21:12,640
to is the practice of yogic flying so

455
00:21:15,430 --> 00:21:14,080
i'm going to put up my fair use batter

456
00:21:18,549 --> 00:21:15,440
and i'm going to show you what david

457
00:21:20,070 --> 00:21:18,559
wilcock claims is levitating and please

458
00:21:21,830 --> 00:21:20,080
tell me in the comments does this look

459
00:21:23,909 --> 00:21:21,840
like levitating to you

460
00:21:25,909 --> 00:21:23,919
you let me know what you think

461
00:21:28,230 --> 00:21:25,919
is this

462
00:21:31,029 --> 00:21:28,240
proof that humans can levitate as david

463
00:21:33,190 --> 00:21:31,039

wilcox suggests i don't believe that it

464

00:21:44,549 --> 00:21:33,200

is let me get my fair use banner up

465

00:21:47,270 --> 00:21:46,070

and i apologize you'll have to excuse

466

00:21:48,630 --> 00:21:47,280

the dead air

467

00:21:51,029 --> 00:21:48,640

if there's dead air and you're listening

468

00:21:52,950 --> 00:21:51,039

in audio podcast land it will be because

469

00:21:55,669 --> 00:21:52,960

i am

470

00:21:59,510 --> 00:21:55,679

coughing and hacking terribly and muting

471

00:22:00,470 --> 00:21:59,520

myself so my apologies

472

00:22:02,549 --> 00:22:00,480

so

473

00:22:04,630 --> 00:22:02,559

we're going to share this video which is

474

00:22:07,590 --> 00:22:04,640

of yogic flying

475

00:22:10,390 --> 00:22:07,600

a practice of transcendental meditation

476
00:22:11,669 --> 00:22:10,400
which claims that people are levitating

477
00:22:14,149 --> 00:22:11,679
and flying

478
00:22:17,350 --> 00:22:14,159
and again i'm not going to judge it i'll

479
00:22:18,310 --> 00:22:17,360
let you the audience judge it

480
00:22:21,110 --> 00:22:18,320
is this

481
00:22:23,750 --> 00:22:21,120
people flying

482
00:22:37,510 --> 00:22:23,760
or is this

483
00:22:51,669 --> 00:22:39,750
let me try that one more time

484
00:22:57,510 --> 00:22:55,350
they are creating a instant

485
00:22:59,669 --> 00:22:57,520
powerful radiation

486
00:23:02,390 --> 00:22:59,679
from the universal field of the

487
00:23:04,310 --> 00:23:02,400
intelligence of nature the unified field

488
00:23:06,310 --> 00:23:04,320

of natural law

489

00:23:08,310 --> 00:23:06,320

and when there are so many together for

490

00:23:09,909 --> 00:23:08,320

example here in holland there are 400

491

00:23:13,590 --> 00:23:09,919

together

492

00:23:16,630 --> 00:23:13,600

when even 400 people in holland could do

493

00:23:19,430 --> 00:23:16,640

this together intensely stimulate the

494

00:23:22,710 --> 00:23:19,440

unity at the basis of all diversity

495

00:23:23,909 --> 00:23:22,720

through their blissful yogic practice

496

00:23:27,350 --> 00:23:23,919

it creates

497

00:23:29,669 --> 00:23:27,360

powerful coherence indomitable coherence

498

00:23:31,590 --> 00:23:29,679

that is harmony and peace in the

499

00:23:33,669 --> 00:23:31,600

national consciousness

500

00:23:38,149 --> 00:23:33,679

it creates an integrated national

501
00:23:43,669 --> 00:23:40,870
so i'm sorry friends uh if this is david

502
00:23:45,669 --> 00:23:43,679
wilcox proof that humans can levitate

503
00:23:46,870 --> 00:23:45,679
i want my money back

504
00:23:49,590 --> 00:23:46,880
again

505
00:23:51,830 --> 00:23:49,600
when he's selling his course for 333

506
00:23:55,350 --> 00:23:51,840
he's telling people that he will teach

507
00:23:58,070 --> 00:23:55,360
them proof that humans can levitate

508
00:23:59,830 --> 00:23:58,080
if that's the best proof that he has i

509
00:24:01,590 --> 00:23:59,840
think everybody should ask for their

510
00:24:11,510 --> 00:24:01,600
money back

511
00:24:16,310 --> 00:24:14,230
so pardon me again

512
00:24:19,669 --> 00:24:16,320
now we're going to go to

513
00:24:21,269 --> 00:24:19,679

sharon david wilcox latest video

514

00:24:38,310 --> 00:24:21,279

so bear with me while i get that up

515

00:24:44,830 --> 00:24:41,110

now this is from his public website

516

00:24:48,950 --> 00:24:47,430

um i'm still going to cite fair use this

517

00:24:50,870 --> 00:24:48,960

is fair use this is a transformative

518

00:24:52,789 --> 00:24:50,880

work we're educating the public about

519

00:24:54,630 --> 00:24:52,799

david wilcock and his latest course

520

00:24:56,149 --> 00:24:54,640

which i believe is a scam because he's

521

00:24:57,830 --> 00:24:56,159

telling people

522

00:24:59,750 --> 00:24:57,840

that he's going to teach them the

523

00:25:01,510 --> 00:24:59,760

secrets of any gravity and they'll be

524

00:25:03,750 --> 00:25:01,520

able to do it too the secrets of free

525

00:25:05,830 --> 00:25:03,760

energy and they'll be able to do it too

526

00:25:07,750 --> 00:25:05,840

so unless david wilcock can produce

527

00:25:10,149 --> 00:25:07,760

people that have taken his course that

528

00:25:12,549 --> 00:25:10,159

can build an anti-gravity engine or

529

00:25:15,750 --> 00:25:12,559

device and free energy device

530

00:25:18,549 --> 00:25:15,760

then i'm calling this a scam uh not

531

00:25:21,029 --> 00:25:18,559

sorry sorry not sorry

532

00:25:23,590 --> 00:25:21,039

that's a scam if you're telling people

533

00:25:25,190 --> 00:25:23,600

buy my course for 333 dollars i'll teach

534

00:25:27,510 --> 00:25:25,200

you the secrets of any gravity and free

535

00:25:30,390 --> 00:25:27,520

energy and you'll be able to do it too

536

00:25:33,510 --> 00:25:30,400

and then nobody's able to do it then you

537

00:25:35,430 --> 00:25:33,520

just sold the public a scam

538

00:25:37,669 --> 00:25:35,440

and i want to thank cb for kind of

539

00:25:40,149 --> 00:25:37,679

generous five dollar

540

00:25:42,470 --> 00:25:40,159

super chat i bought his course and you

541

00:25:44,950 --> 00:25:42,480

can tell even his insider thinks will

542

00:25:47,110 --> 00:25:44,960

wilcock is full of bs at some points

543

00:25:49,029 --> 00:25:47,120

when the course is pathetic

544

00:25:50,950 --> 00:25:49,039

well glad for sure i'm glad you shared

545

00:25:53,909 --> 00:25:50,960

and if you could please email me at

546

00:25:55,909 --> 00:25:53,919

truthseekershow gmail.com and see if you

547

00:25:58,390 --> 00:25:55,919

can provide me with a breakdown of what

548

00:26:01,029 --> 00:25:58,400

it is that people get for the 333

549

00:26:03,430 --> 00:26:01,039

dollars i'm sorry that you were a victim

550

00:26:05,269 --> 00:26:03,440

of this consumer scam

551
00:26:07,190 --> 00:26:05,279
but i would advise you to contact your

552
00:26:08,549 --> 00:26:07,200
local law enforcement

553
00:26:10,630 --> 00:26:08,559
let them know that you want your money

554
00:26:12,710 --> 00:26:10,640
back and also contact your bank or your

555
00:26:14,470 --> 00:26:12,720
credit card that you paid for this with

556
00:26:16,789 --> 00:26:14,480
and let them know that you feel like you

557
00:26:18,870 --> 00:26:16,799
got scammed and you want your money back

558
00:26:21,110 --> 00:26:18,880
if everybody did that he would be forced

559
00:26:23,750 --> 00:26:21,120
to give refunds on this garbage consumer

560
00:26:24,950 --> 00:26:23,760
fraud scam that he is running and that

561
00:26:28,470 --> 00:26:24,960
would be

562
00:26:29,830 --> 00:26:28,480
fair you know if you're running a scam

563
00:26:30,870 --> 00:26:29,840

and people think feel like they got

564

00:26:32,789 --> 00:26:30,880

scammed and they didn't get their

565

00:26:34,549 --> 00:26:32,799

money's worth you should be forced to

566

00:26:37,190 --> 00:26:34,559

give them their money back

567

00:26:38,950 --> 00:26:37,200

but i believe he does say no refunds or

568

00:26:41,510 --> 00:26:38,960

something like that doesn't make it

569

00:26:44,549 --> 00:26:41,520

legal to scam people just because you

570

00:26:47,029 --> 00:26:44,559

say by the way if you feel scammed after

571

00:26:49,510 --> 00:26:47,039

you buy my scam course you can't get a

572

00:26:52,230 --> 00:26:49,520

refund because so i'm legally covered i

573

00:26:53,909 --> 00:26:52,240

can just scam you and keep your money i

574

00:26:55,190 --> 00:26:53,919

i don't think that's a valid legal

575

00:26:57,510 --> 00:26:55,200

argument but

576

00:26:59,430 --> 00:26:57,520

i'm no lawyer i would encourage you cb

577

00:27:01,430 --> 00:26:59,440

to go to local law enforcement let them

578

00:27:02,870 --> 00:27:01,440

know that you bought a course for 333

579

00:27:04,630 --> 00:27:02,880

dollars and the guy

580

00:27:05,990 --> 00:27:04,640

selling the course lied to you about

581

00:27:07,830 --> 00:27:06,000

what you would get for your money you

582

00:27:08,950 --> 00:27:07,840

don't feel like you got anywhere near

583

00:27:09,909 --> 00:27:08,960

what you're supposed to get for your

584

00:27:11,830 --> 00:27:09,919

money

585

00:27:14,390 --> 00:27:11,840

file a claim with your credit card file

586

00:27:15,909 --> 00:27:14,400

a claim with your bank telling them that

587

00:27:19,269 --> 00:27:15,919

you want them to charge back and get

588

00:27:21,269 --> 00:27:19,279

your money back everybody should do that

589

00:27:23,669 --> 00:27:21,279

thank you cb for your kindness your

590

00:27:27,510 --> 00:27:23,679

generosity and your support of the show

591

00:27:29,830 --> 00:27:27,520

i have this cued up now so that we uh i

592

00:27:31,110 --> 00:27:29,840

wanted to skip the first 12 minutes he

593

00:27:32,310 --> 00:27:31,120

doesn't really talk about anything

594

00:27:33,350 --> 00:27:32,320

relevant

595

00:27:35,750 --> 00:27:33,360

um

596

00:27:37,350 --> 00:27:35,760

but what i was talking about earlier is

597

00:27:38,470 --> 00:27:37,360

the good news here

598

00:27:40,789 --> 00:27:38,480

is that

599

00:27:43,190 --> 00:27:40,799

for years i have been watching david

600

00:27:46,470 --> 00:27:43,200

wilcox scammed the public with various

601
00:27:48,470 --> 00:27:46,480
different new age scams fake gofundme

602
00:27:51,510 --> 00:27:48,480
scams that were filled with lies the

603
00:27:54,149 --> 00:27:51,520
text body of the gofundme every word in

604
00:27:55,590 --> 00:27:54,159
it was lies we called the local police

605
00:27:58,070 --> 00:27:55,600
and verified that everything in that

606
00:27:59,909 --> 00:27:58,080
gofundme was lies we talked to the bank

607
00:28:03,430 --> 00:27:59,919
that did the foreclosure everything in

608
00:28:05,510 --> 00:28:03,440
that gofundme was lies so for years i've

609
00:28:07,190 --> 00:28:05,520
been watching david wilcox scam the

610
00:28:10,310 --> 00:28:07,200
public while living a millionaire's

611
00:28:13,029 --> 00:28:10,320
lifestyle buying million dollar mansions

612
00:28:15,510 --> 00:28:13,039
and providing no value to people just

613
00:28:18,470 --> 00:28:15,520

scamming people for let's say fake

614

00:28:20,630 --> 00:28:18,480

prophecies fake information

615

00:28:23,029 --> 00:28:20,640

fake clowns that claim to be some kind

616

00:28:25,669 --> 00:28:23,039

of insiders to a secret space program

617

00:28:28,630 --> 00:28:25,679

when really they're senile old men

618

00:28:31,269 --> 00:28:28,640

and anybody can pick apart people like

619

00:28:33,350 --> 00:28:31,279

pete peterson go through his biography

620

00:28:37,269 --> 00:28:33,360

and prove that everything in the man's

621

00:28:41,190 --> 00:28:37,279

biography was fake and manufactured

622

00:28:43,830 --> 00:28:41,200

embellished or just straight made up

623

00:28:45,990 --> 00:28:43,840

david wilcock charged people money to

624

00:28:48,470 --> 00:28:46,000

listen to stories of pete peterson

625

00:28:50,549 --> 00:28:48,480

claiming he was some government insider

626

00:28:53,510 --> 00:28:50,559

when the truth is he was a senile old

627

00:28:54,950 --> 00:28:53,520

man who died penniless in a state

628

00:28:57,269 --> 00:28:54,960

nursing home

629

00:29:00,149 --> 00:28:57,279

that's consumer fraud

630

00:29:01,909 --> 00:29:00,159

i watched as david wilcock scammed the

631

00:29:04,149 --> 00:29:01,919

public out of sixty thousand dollars in

632

00:29:06,470 --> 00:29:04,159

a gofundme scam

633

00:29:08,630 --> 00:29:06,480

with his friend lulu who posted it

634

00:29:11,269 --> 00:29:08,640

actually but she just copied and pasted

635

00:29:15,029 --> 00:29:11,279

it from his website or perhaps from the

636

00:29:18,950 --> 00:29:17,110

i watched as david wilcox scammed

637

00:29:21,669 --> 00:29:18,960

everybody with a paypal scam claiming

638

00:29:23,430 --> 00:29:21,679

emery smith was under deep state attack

639

00:29:26,230 --> 00:29:23,440

when the truth was he was in the

640

00:29:28,149 --> 00:29:26,240

hospital for alcohol poisoning and we

641

00:29:30,230 --> 00:29:28,159

get that revelation and proof from his

642

00:29:32,389 --> 00:29:30,240

former father-in-law

643

00:29:34,870 --> 00:29:32,399

the points on the curve guy he took down

644

00:29:37,029 --> 00:29:34,880

his uh youtube videos but there are

645

00:29:40,230 --> 00:29:37,039

still portions of them on our show where

646

00:29:42,310 --> 00:29:40,240

he details the entire scam that david

647

00:29:43,430 --> 00:29:42,320

wilcock and emery smith perpetrated on

648

00:29:45,430 --> 00:29:43,440

the public

649

00:29:47,350 --> 00:29:45,440

i watched as david wilcox scam the

650

00:29:50,149 --> 00:29:47,360

general public with convergence pictures

651
00:29:52,630 --> 00:29:50,159
llc collecting ten thousand dollar

652
00:29:55,669 --> 00:29:52,640
payments from investors for more than

653
00:29:57,510 --> 00:29:55,679
two years and never produced a film

654
00:30:00,870 --> 00:29:57,520
i watched as david wilcox started a

655
00:30:03,110 --> 00:30:00,880
charity and collected 70 000 the first

656
00:30:05,590 --> 00:30:03,120
year and spent all the money on himself

657
00:30:06,630 --> 00:30:05,600
and did not perform a single charitable

658
00:30:08,870 --> 00:30:06,640
event

659
00:30:10,630 --> 00:30:08,880
he did not perform anything he didn't he

660
00:30:11,909 --> 00:30:10,640
didn't make one peanut butter and jelly

661
00:30:13,350 --> 00:30:11,919
sandwich and give it to a homeless

662
00:30:15,750 --> 00:30:13,360
person with that seventy thousand

663
00:30:17,430 --> 00:30:15,760

dollars what did he do with the money

664

00:30:19,190 --> 00:30:17,440

four thousand dollars in meals and

665

00:30:21,029 --> 00:30:19,200

entertainment expenses we know he did

666

00:30:22,710 --> 00:30:21,039

that we know he bought a lot of software

667

00:30:25,510 --> 00:30:22,720

and things for himself

668

00:30:27,350 --> 00:30:25,520

but no out of seventy thousand dollars

669

00:30:29,430 --> 00:30:27,360

this man couldn't be bothered to make a

670

00:30:31,510 --> 00:30:29,440

single peanut butter and jelly sandwich

671

00:30:33,830 --> 00:30:31,520

to give to a homeless person

672

00:30:35,269 --> 00:30:33,840

or somebody in need

673

00:30:37,830 --> 00:30:35,279

so i ask you

674

00:30:40,149 --> 00:30:37,840

what charitable acts did david wilcock

675

00:30:42,230 --> 00:30:40,159

do or was this

676

00:30:45,110 --> 00:30:42,240

charity or so-called charity just

677

00:30:48,310 --> 00:30:45,120

another in a long line of consumer fraud

678

00:30:52,070 --> 00:30:48,320

scams run by david wilcock to give

679

00:30:54,870 --> 00:30:52,080

himself free money to spend

680

00:30:57,110 --> 00:30:54,880

so i've watched all of these scams

681

00:30:59,669 --> 00:30:57,120

wondering all the while

682

00:31:01,830 --> 00:30:59,679

how can he keep getting away with this

683

00:31:03,029 --> 00:31:01,840

how has law enforcement not become

684

00:31:04,870 --> 00:31:03,039

involved

685

00:31:06,950 --> 00:31:04,880

and i have to tell you that several

686

00:31:08,549 --> 00:31:06,960

people have theorized that he is

687

00:31:09,350 --> 00:31:08,559

somewhat connected

688

00:31:11,990 --> 00:31:09,360

with

689

00:31:13,990 --> 00:31:12,000

some three-letter agencies who like him

690

00:31:15,110 --> 00:31:14,000

out there telling these fake alien

691

00:31:16,470 --> 00:31:15,120

stories

692

00:31:18,230 --> 00:31:16,480

because if people are looking for the

693

00:31:21,350 --> 00:31:18,240

little green men that david wilcock

694

00:31:25,110 --> 00:31:21,360

keeps talking about they're not looking

695

00:31:27,350 --> 00:31:25,120

at the black budget projects the usaps

696

00:31:30,230 --> 00:31:27,360

the secret

697

00:31:32,789 --> 00:31:30,240

projects run by our government

698

00:31:35,190 --> 00:31:32,799

with exotic technology with drones with

699

00:31:37,029 --> 00:31:35,200

stealth blimps and more

700

00:31:39,190 --> 00:31:37,039

i believe that some faction of the

701
00:31:41,350 --> 00:31:39,200
united states government wants clowns

702
00:31:43,669 --> 00:31:41,360
like david wilcock

703
00:31:45,029 --> 00:31:43,679
like telling these stories

704
00:31:46,789 --> 00:31:45,039
because if people are looking for the

705
00:31:49,110 --> 00:31:46,799
little green men and think it's aliens

706
00:31:51,909 --> 00:31:49,120
they'll never get to the real truth much

707
00:31:54,230 --> 00:31:51,919
of it is stealth blimps drone technology

708
00:31:56,710 --> 00:31:54,240
exotic drones

709
00:31:58,789 --> 00:31:56,720
spy satellites and more that they don't

710
00:32:01,509 --> 00:31:58,799
want us to know about

711
00:32:03,590 --> 00:32:01,519
there has to be a reason friends

712
00:32:06,070 --> 00:32:03,600
why david wilcock has been able to

713
00:32:08,149 --> 00:32:06,080

continually scam the public out of

714

00:32:11,110 --> 00:32:08,159

hundreds and hundreds of thousands of

715

00:32:13,430 --> 00:32:11,120

dollars and never face any legal

716

00:32:16,149 --> 00:32:13,440

consequences so far there has to be a

717

00:32:18,470 --> 00:32:16,159

reason do i do i am i sure what that

718

00:32:20,630 --> 00:32:18,480

reason is i don't know but there's got

719

00:32:22,630 --> 00:32:20,640

to be a reason why this guy has been

720

00:32:24,870 --> 00:32:22,640

able to scam the public out of hundreds

721

00:32:27,430 --> 00:32:24,880

and hundreds of thousands of dollars and

722

00:32:29,750 --> 00:32:27,440

never face repercussions from law

723

00:32:31,990 --> 00:32:29,760

enforcement

724

00:32:33,669 --> 00:32:32,000

so i'm going to cite fair use we're

725

00:32:34,549 --> 00:32:33,679

going to be hearing from mr wilcock

726

00:32:37,509 --> 00:32:34,559

about

727

00:32:39,830 --> 00:32:37,519

his latest scam which is an aircraft

728

00:32:42,310 --> 00:32:39,840

company

729

00:32:43,990 --> 00:32:42,320

and in this it's great because i told

730

00:32:44,870 --> 00:32:44,000

you there was good news here's the good

731

00:32:47,110 --> 00:32:44,880

news

732

00:32:49,350 --> 00:32:47,120

david wilcock has made hundreds of

733

00:32:51,590 --> 00:32:49,360

thousands of dollars if not millions of

734

00:32:53,509 --> 00:32:51,600

dollars scamming the public with his

735

00:32:56,389 --> 00:32:53,519

fake psychic predictions with his fake

736

00:32:58,950 --> 00:32:56,399

psychic powers with his fake information

737

00:33:01,909 --> 00:32:58,960

with his fake insiders telling stories

738

00:33:04,470 --> 00:33:01,919

about aliens he has made literally

739

00:33:08,470 --> 00:33:04,480

millions of dollars scamming the public

740

00:33:14,070 --> 00:33:11,430

and i've often wondered is karma

741

00:33:16,710 --> 00:33:14,080

real in the universe because if it was

742

00:33:18,870 --> 00:33:16,720

david wilcock should face a karmic

743

00:33:20,950 --> 00:33:18,880

consequence

744

00:33:23,190 --> 00:33:20,960

and it would now appear that david

745

00:33:26,310 --> 00:33:23,200

wilcock is finally

746

00:33:29,269 --> 00:33:26,320

finally going to face his own

747

00:33:31,590 --> 00:33:29,279

karma for all the people that he stole

748

00:33:33,350 --> 00:33:31,600

money from over these years

749

00:33:35,430 --> 00:33:33,360

what is it 20 years now he's been doing

750

00:33:37,430 --> 00:33:35,440

this stealing money from people for his

751

00:33:41,190 --> 00:33:37,440

fake ass stories and his fake ass

752

00:33:43,590 --> 00:33:41,200

insiders and his fake ass super powers

753

00:33:46,549 --> 00:33:43,600

20 years good run

754

00:33:49,269 --> 00:33:46,559

but it would appear that the jig is up

755

00:33:51,909 --> 00:33:49,279

because apparently david wilcock who is

756

00:33:53,990 --> 00:33:51,919

so terrible at vetting people after all

757

00:33:56,710 --> 00:33:54,000

he's the genius who brought us uh let's

758

00:33:59,029 --> 00:33:56,720

see bill brock raider remember that guy

759

00:34:01,029 --> 00:33:59,039

court martial child molester yeah great

760

00:34:03,110 --> 00:34:01,039

vetting skills david wilcock

761

00:34:05,350 --> 00:34:03,120

you sat there and interviewed a child

762

00:34:07,350 --> 00:34:05,360

molester with carrie cassidy

763

00:34:08,710 --> 00:34:07,360

great great you're such a great

764

00:34:10,310 --> 00:34:08,720

researcher

765

00:34:11,669 --> 00:34:10,320

david wilcox vetting skills are so

766

00:34:12,790 --> 00:34:11,679

terrible that he brought us pete

767

00:34:15,030 --> 00:34:12,800

peterson

768

00:34:17,270 --> 00:34:15,040

a fake insider that never worked for the

769

00:34:19,030 --> 00:34:17,280

government when you look into it never

770

00:34:21,510 --> 00:34:19,040

works for the russian equivalent of nasa

771

00:34:24,149 --> 00:34:21,520

never was a computer pioneer never

772

00:34:26,389 --> 00:34:24,159

invented anything as david wilcock

773

00:34:28,069 --> 00:34:26,399

claimed he stole money from the public

774

00:34:29,990 --> 00:34:28,079

telling stories about that guy he wrote

775

00:34:31,030 --> 00:34:30,000

a whole book about that guy's fake

776

00:34:32,230 --> 00:34:31,040

stories

777

00:34:34,710 --> 00:34:32,240

i believe he should have to give all

778

00:34:36,629 --> 00:34:34,720

that money back here's the guy who

779

00:34:37,430 --> 00:34:36,639

brought us emery smith who claimed that

780

00:34:42,230 --> 00:34:37,440

he

781

00:34:45,589 --> 00:34:42,240

program and first david wilcock and him

782

00:34:47,270 --> 00:34:45,599

said they autopsied 3 000 aliens later

783

00:34:49,349 --> 00:34:47,280

they walked that back well emery smith

784

00:34:50,389 --> 00:34:49,359

did and said no it was 3 000 tissue

785

00:34:52,230 --> 00:34:50,399

samples

786

00:34:54,149 --> 00:34:52,240

turns out that emery smith is lying to

787

00:34:55,990 --> 00:34:54,159

everybody telling girls he's going on

788

00:34:58,470 --> 00:34:56,000

secret missions you know girls he's

789

00:35:00,230 --> 00:34:58,480

trying to bang great guy great guy that

790

00:35:03,349 --> 00:35:00,240

david wilcock brought our community

791

00:35:05,990 --> 00:35:03,359

great vetting skills david wilcock vets

792

00:35:07,750 --> 00:35:06,000

no one if somebody's telling stupid

793

00:35:10,390 --> 00:35:07,760

stories about aliens that he thinks he

794

00:35:12,230 --> 00:35:10,400

can make money from he runs with it he

795

00:35:13,990 --> 00:35:12,240

doesn't care if they're child molesters

796

00:35:17,190 --> 00:35:14,000

he doesn't care if they're falling down

797

00:35:18,630 --> 00:35:17,200

alcoholic drunks lying to people lying

798

00:35:22,230 --> 00:35:18,640

to women

799

00:35:24,310 --> 00:35:22,240

he's on secret missions in antarctica

800

00:35:26,470 --> 00:35:24,320

while he's drunk in his living room

801
00:35:28,550 --> 00:35:26,480
after drinking two bottles of vodka that

802
00:35:31,829 --> 00:35:28,560
day

803
00:35:32,710 --> 00:35:31,839
david wilcock also brought us corey good

804
00:35:37,270 --> 00:35:32,720
boy

805
00:35:40,710 --> 00:35:37,280
vetting skills you have david wilcock

806
00:35:43,030 --> 00:35:40,720
what great vetting skills you have now

807
00:35:45,589 --> 00:35:43,040
thinking about how great david wilcock

808
00:35:50,870 --> 00:35:45,599
is at vetting people or even just being

809
00:35:55,109 --> 00:35:52,950
it's reasonable to assume that david

810
00:35:57,670 --> 00:35:55,119
wilcock isn't

811
00:36:00,150 --> 00:35:57,680
the criminal mastermind i have sometimes

812
00:36:02,710 --> 00:36:00,160
thought that he was but rather that

813
00:36:04,630 --> 00:36:02,720

david wilcock is so desperate to believe

814

00:36:06,870 --> 00:36:04,640

in this garbage information that he will

815

00:36:10,310 --> 00:36:06,880

believe anybody david wilcock will

816

00:36:12,630 --> 00:36:10,320

believe a child molester if it fits with

817

00:36:14,870 --> 00:36:12,640

his worldview if it fits with his

818

00:36:17,349 --> 00:36:14,880

preconceived notions about aliens and

819

00:36:18,790 --> 00:36:17,359

ancient aliens and the secret government

820

00:36:20,470 --> 00:36:18,800

and the cabal

821

00:36:23,270 --> 00:36:20,480

who cares if the guy's a child molester

822

00:36:25,030 --> 00:36:23,280

he's saying things that i believe too

823

00:36:27,109 --> 00:36:25,040

who cares if the guys are falling down

824

00:36:30,550 --> 00:36:27,119

alcoholic drunk

825

00:36:32,790 --> 00:36:30,560

that is victimizing people for years i i

826

00:36:35,750 --> 00:36:32,800

i like his stories about autopsying

827

00:36:37,430 --> 00:36:35,760

aliens who cares if this is a senile old

828

00:36:39,750 --> 00:36:37,440

man and we've heard

829

00:36:41,510 --> 00:36:39,760

that pete peterson was so senile and

830

00:36:43,190 --> 00:36:41,520

making no sense that when he filmed

831

00:36:45,670 --> 00:36:43,200

episodes of cosmic disclosure with jay

832

00:36:47,589 --> 00:36:45,680

widener jay weiner had to spend tens of

833

00:36:48,630 --> 00:36:47,599

hours editing everything to try to make

834

00:36:50,870 --> 00:36:48,640

any of his

835

00:36:53,510 --> 00:36:50,880

bs stories make sense

836

00:36:55,750 --> 00:36:53,520

jay weiner believed that he was a senile

837

00:36:58,790 --> 00:36:55,760

old man that david wilcock was taking

838

00:37:00,870 --> 00:36:58,800

advantage of to make money

839

00:37:02,790 --> 00:37:00,880

and of course david wilcock brings us

840

00:37:04,950 --> 00:37:02,800

corey good what great vetting skills you

841

00:37:06,230 --> 00:37:04,960

had there buddy right

842

00:37:08,950 --> 00:37:06,240

but he didn't care because he knew he

843

00:37:10,790 --> 00:37:08,960

could make money off of the toxic

844

00:37:12,550 --> 00:37:10,800

corey good

845

00:37:15,109 --> 00:37:12,560

garbage

846

00:37:17,750 --> 00:37:15,119

but now it would appear that his vetting

847

00:37:19,109 --> 00:37:17,760

skills got put to the test yet again

848

00:37:21,190 --> 00:37:19,119

but this time

849

00:37:23,510 --> 00:37:21,200

david wilcock vetted a man

850

00:37:27,109 --> 00:37:23,520

who had a company called stavati

851
00:37:28,630 --> 00:37:27,119
aerospace since 1995 has not produced a

852
00:37:32,230 --> 00:37:28,640
single airplane

853
00:37:33,589 --> 00:37:32,240
and somehow david wilcock was convinced

854
00:37:35,430 --> 00:37:33,599
that this company was going to do

855
00:37:38,390 --> 00:37:35,440
amazing things even though they haven't

856
00:37:40,310 --> 00:37:38,400
produced a single airplane in 25 years

857
00:37:41,750 --> 00:37:40,320
being an airplane company

858
00:37:43,910 --> 00:37:41,760
kind of means you're supposed to be

859
00:37:46,470 --> 00:37:43,920
producing airplanes

860
00:37:48,150 --> 00:37:46,480
david wilcock has invested a great deal

861
00:37:50,390 --> 00:37:48,160
of his personal money

862
00:37:52,950 --> 00:37:50,400
i have it on good authority

863
00:37:54,790 --> 00:37:52,960

a source whose name i won't share

864

00:37:56,790 --> 00:37:54,800

because he's friends with david wilcock

865

00:37:58,230 --> 00:37:56,800

and has spoken to david wilcock about

866

00:38:00,069 --> 00:37:58,240

this you know and here's the thing david

867

00:38:01,750 --> 00:38:00,079

wilcock needs to be careful

868

00:38:03,190 --> 00:38:01,760

because these people that he thinks are

869

00:38:04,870 --> 00:38:03,200

his friends

870

00:38:06,950 --> 00:38:04,880

some of them hate his guts

871

00:38:08,710 --> 00:38:06,960

and some of them run to people like me

872

00:38:13,109 --> 00:38:08,720

to share information about what david

873

00:38:17,589 --> 00:38:15,270

at least two sources

874

00:38:21,349 --> 00:38:17,599

have independently confirmed for me that

875

00:38:24,069 --> 00:38:21,359

david wilcock has invested a huge chunk

876

00:38:26,230 --> 00:38:24,079

of his personal wealth into this company

877

00:38:28,710 --> 00:38:26,240

stavati aerospace

878

00:38:30,150 --> 00:38:28,720

why did he do that because he believes

879

00:38:32,950 --> 00:38:30,160

that him and this company are going to

880

00:38:35,109 --> 00:38:32,960

make hover cars right

881

00:38:37,349 --> 00:38:35,119

david wilcock has potentially put

882

00:38:40,550 --> 00:38:37,359

millions of his own money

883

00:38:43,750 --> 00:38:40,560

into this company that i believe

884

00:38:46,550 --> 00:38:43,760

is very clearly some sort of investment

885

00:38:47,829 --> 00:38:46,560

scam that's my opinion and speculation

886

00:38:48,710 --> 00:38:47,839

and my

887

00:38:50,790 --> 00:38:48,720

uh

888

00:38:53,109 --> 00:38:50,800

i suppose you could call it my analysis

889

00:38:55,670 --> 00:38:53,119

of that company having done

890

00:38:57,510 --> 00:38:55,680

uh several weeks worth of research into

891

00:38:59,510 --> 00:38:57,520

that company so far i believe that's an

892

00:39:01,829 --> 00:38:59,520

investment scam a company that hasn't

893

00:39:03,349 --> 00:39:01,839

produced an aircraft in 25 years but is

894

00:39:06,470 --> 00:39:03,359

still soliciting the public for

895

00:39:10,630 --> 00:39:08,550

what else could it be how do you keep a

896

00:39:12,790 --> 00:39:10,640

company afloat for 25 years and never

897

00:39:14,390 --> 00:39:12,800

turn a profit

898

00:39:15,750 --> 00:39:14,400

is it a ponzi scheme where they take

899

00:39:17,910 --> 00:39:15,760

people's money

900

00:39:19,030 --> 00:39:17,920

run the company never produce anything

901
00:39:22,230 --> 00:39:19,040
and then when they run out of that

902
00:39:24,710 --> 00:39:22,240
investors money they find a new investor

903
00:39:27,270 --> 00:39:24,720
david wilcock is the new mark

904
00:39:29,430 --> 00:39:27,280
and i got to tell you i think this if

905
00:39:31,589 --> 00:39:29,440
this works out the way that i feel it's

906
00:39:34,630 --> 00:39:31,599
going to i'm going to go out on a limb

907
00:39:36,310 --> 00:39:34,640
here and say that this new company david

908
00:39:38,790 --> 00:39:36,320
wilcock has invested all of his money

909
00:39:40,230 --> 00:39:38,800
into is never going to produce

910
00:39:41,910 --> 00:39:40,240
anything

911
00:39:44,550 --> 00:39:41,920
they're not going to produce free energy

912
00:39:47,990 --> 00:39:44,560
devices they're not going to produce any

913
00:39:49,829 --> 00:39:48,000

aircraft anti-gravity engines they're

914

00:39:51,990 --> 00:39:49,839

not going to produce hover cars they're

915

00:39:53,109 --> 00:39:52,000

not going to produce all these airplanes

916

00:39:54,069 --> 00:39:53,119

that they claim that they're going to

917

00:39:57,270 --> 00:39:54,079

produce

918

00:39:59,670 --> 00:39:57,280

it's just not going to happen

919

00:40:02,710 --> 00:39:59,680

and if that is indeed what happens then

920

00:40:04,470 --> 00:40:02,720

david wilcock will have lost millions of

921

00:40:06,069 --> 00:40:04,480

dollars of money

922

00:40:08,230 --> 00:40:06,079

but it will be the same millions of

923

00:40:10,790 --> 00:40:08,240

dollars of money that he generated by

924

00:40:12,870 --> 00:40:10,800

lying through his teeth to people for 20

925

00:40:15,910 --> 00:40:12,880

years by using

926

00:40:19,030 --> 00:40:15,920

child rapists as sources of his alien

927

00:40:22,550 --> 00:40:19,040

stories by using senile old men

928

00:40:24,870 --> 00:40:22,560

as sources for his alien stories

929

00:40:27,589 --> 00:40:24,880

by using people like corey goode who are

930

00:40:29,910 --> 00:40:27,599

now suing everybody in the ufo community

931

00:40:34,550 --> 00:40:29,920

that said his wackadoo buck rogers

932

00:40:38,390 --> 00:40:36,870

if david wilcock were to lose millions

933

00:40:40,630 --> 00:40:38,400

and millions of dollars

934

00:40:42,710 --> 00:40:40,640

of his own money

935

00:40:44,870 --> 00:40:42,720

i won't feel bad for him because after

936

00:40:47,109 --> 00:40:44,880

all look how he generated that millions

937

00:40:49,430 --> 00:40:47,119

and millions of dollars now let's get to

938

00:40:51,109 --> 00:40:49,440

the video so we're going to exceed a

939

00:40:53,510 --> 00:40:51,119

year's worth of weekly television

940

00:40:54,390 --> 00:40:53,520

episodes i'm sure by the time we get

941

00:40:56,309 --> 00:40:54,400

done

942

00:40:57,910 --> 00:40:56,319

and what's so amazing about this is

943

00:41:00,150 --> 00:40:57,920

you're getting to meet a brand new guy

944

00:41:01,510 --> 00:41:00,160

you're getting to meet a new insider

945

00:41:03,030 --> 00:41:01,520

who

946

00:41:04,550 --> 00:41:03,040

honestly you know some of the other

947

00:41:07,190 --> 00:41:04,560

insiders we've brought out ended up

948

00:41:08,309 --> 00:41:07,200

having you know kind of bizarre story

949

00:41:09,750 --> 00:41:08,319

lines and

950

00:41:11,829 --> 00:41:09,760

and they didn't handle

951

00:41:52,150 --> 00:41:11,839

the public necessarily as well as they

952

00:41:56,790 --> 00:41:54,790

ben has been a family man he's been

953

00:41:58,550 --> 00:41:56,800

married he has two kids

954

00:42:01,670 --> 00:41:58,560

he doesn't do any strange stuff he's

955

00:42:05,670 --> 00:42:03,829

yes i'm aware i'm sorry i forgot that i

956

00:42:07,670 --> 00:42:05,680

had muted myself i'm trying not to hack

957

00:42:10,309 --> 00:42:07,680

and cough all into the microphone

958

00:42:12,069 --> 00:42:10,319

uh so it would appear that he's taking a

959

00:42:14,309 --> 00:42:12,079

hit at corey good

960

00:42:15,750 --> 00:42:14,319

and uh i think that's funny but others

961

00:42:17,829 --> 00:42:15,760

have suggested that corey good has some

962

00:42:19,589 --> 00:42:17,839

kind of dirt on david wilcock which

963

00:42:21,589 --> 00:42:19,599

makes david wilcock easy for him to

964

00:42:23,829 --> 00:42:21,599

manipulate and get him to do things for

965

00:42:25,990 --> 00:42:23,839

him like appear at his events who knows

966

00:42:28,950 --> 00:42:26,000

guy who really really loves to make and

967

00:42:31,510 --> 00:42:28,960

talk about airplanes and spaceships

968

00:42:32,950 --> 00:42:31,520

and so uh it's an amazing opportunity to

969

00:42:34,710 --> 00:42:32,960

get to know somebody new and as i've

970

00:42:36,470 --> 00:42:34,720

been going through the videos

971

00:42:39,030 --> 00:42:36,480

one of the things i'm the most excited

972

00:42:41,030 --> 00:42:39,040

by is how many uh

973

00:42:43,030 --> 00:42:41,040

other topics that we talk about besides

974

00:42:44,790 --> 00:42:43,040

just what's on the website i mean

975

00:42:46,230 --> 00:42:44,800

i really do feel that by the time you

976
00:42:47,270 --> 00:42:46,240
get done watching this course you're

977
00:42:49,510 --> 00:42:47,280
gonna feel

978
00:42:51,670 --> 00:42:49,520
very confident that anti-gravity is

979
00:42:53,270 --> 00:42:51,680
achievable you'll have a really good

980
00:42:55,190 --> 00:42:53,280
idea of how it works

981
00:42:56,829 --> 00:42:55,200
and then when i go into week six i go

982
00:42:59,270 --> 00:42:56,839
into the human

983
00:43:01,190 --> 00:42:59,280
levitation yes and we've seen the human

984
00:43:02,550 --> 00:43:01,200
levitation earlier

985
00:43:04,470 --> 00:43:02,560
and i'm going to ask you please put it

986
00:43:06,309 --> 00:43:04,480
in the comments the the the people

987
00:43:09,030 --> 00:43:06,319
hopping on their butts

988
00:43:11,430 --> 00:43:09,040

in lotus position that we showed

989

00:43:13,270 --> 00:43:11,440

that's called yogic flying does that

990

00:43:15,349 --> 00:43:13,280

look like flying to you does that look

991

00:43:17,190 --> 00:43:15,359

like levitation to you or does that look

992

00:43:18,630 --> 00:43:17,200

like somebody hopping on their butts let

993

00:43:21,990 --> 00:43:18,640

me know what you think in the comments

994

00:43:23,589 --> 00:43:22,000

and and how this new science of

995

00:43:25,109 --> 00:43:23,599

when we really start to understand how

996

00:43:27,270 --> 00:43:25,119

anti-gravity works

997

00:43:28,950 --> 00:43:27,280

how would that apply to this concept of

998

00:43:31,109 --> 00:43:28,960

ascension because

999

00:43:33,750 --> 00:43:31,119

uh let's go over to wide shot here

1000

00:43:36,309 --> 00:43:33,760

if michael is telling us that uh

1001
00:43:38,069 --> 00:43:36,319
this whole thing that we're dealing with

1002
00:43:39,750 --> 00:43:38,079
is

1003
00:43:41,030 --> 00:43:39,760
not going to involve earth changes

1004
00:43:42,630 --> 00:43:41,040
that's one of the things that i find

1005
00:43:44,390 --> 00:43:42,640
incredibly interesting about the michael

1006
00:43:46,710 --> 00:43:44,400
prophecies and i think you're going to

1007
00:43:48,550 --> 00:43:46,720
want to see the book too and and

1008
00:43:50,069 --> 00:43:48,560
you know come up with your own ideas

1009
00:43:52,150 --> 00:43:50,079
yeah and for those unaware he's talking

1010
00:43:53,910 --> 00:43:52,160
about the archangel michael

1011
00:43:55,910 --> 00:43:53,920
is basically telling him that he's the

1012
00:43:57,030 --> 00:43:55,920
father of any gravity and keep going on

1013
00:43:59,589 --> 00:43:57,040

your current course and there's all

1014

00:44:02,150 --> 00:43:59,599

these prophecies

1015

00:44:04,790 --> 00:44:02,160

i think it's garbage and i think that

1016

00:44:05,750 --> 00:44:04,800

him using christian mythology imagery

1017

00:44:11,190 --> 00:44:05,760

and

1018

00:44:13,589 --> 00:44:11,200

of distancing himself from the blue

1019

00:44:16,150 --> 00:44:13,599

chicken cult and corey goode's spear

1020

00:44:18,390 --> 00:44:16,160

being nonsense and you know the blue

1021

00:44:20,230 --> 00:44:18,400

chicken aliens and all that stuff it's

1022

00:44:22,870 --> 00:44:20,240

about this because

1023

00:44:25,030 --> 00:44:22,880

as i've said before to see this many

1024

00:44:27,190 --> 00:44:25,040

time-looped prophecies into one moment

1025

00:44:29,670 --> 00:44:27,200

in a single document is unprecedented

1026

00:44:32,150 --> 00:44:29,680

except for the legend of

1027

00:44:33,270 --> 00:44:32,160

the sybil of kume which i don't even

1028

00:44:35,109 --> 00:44:33,280

most of us

1029

00:44:37,349 --> 00:44:35,119

nobody's ever really seen those books we

1030

00:44:39,190 --> 00:44:37,359

have to take it on faith that the sybil

1031

00:44:41,670 --> 00:44:39,200

of q may channel the future history of

1032

00:44:43,910 --> 00:44:41,680

rome chronologically and had many many

1033

00:44:45,990 --> 00:44:43,920

accurate hits in there

1034

00:44:47,910 --> 00:44:46,000

so that's kind of the the but you know

1035

00:44:49,349 --> 00:44:47,920

rome considered that document worth as

1036

00:44:51,990 --> 00:44:49,359

much as a whole

1037

00:44:53,589 --> 00:44:52,000

vault room full of gold so

1038

00:44:55,510 --> 00:44:53,599

to say that

1039

00:44:57,349 --> 00:44:55,520

that this is valuable to have these kind

1040

00:44:59,750 --> 00:44:57,359

of prophecies is an understatement

1041

00:45:02,309 --> 00:44:59,760

there's very few times in human history

1042

00:45:05,030 --> 00:45:02,319

where something of this kind of scope of

1043

00:45:06,150 --> 00:45:05,040

actual just basic prophecy accuracy has

1044

00:45:07,670 --> 00:45:06,160

happened

1045

00:45:09,270 --> 00:45:07,680

and it's very bizarre for it to have

1046

00:45:10,390 --> 00:45:09,280

happened to me especially considering

1047

00:45:12,710 --> 00:45:10,400

that

1048

00:45:14,230 --> 00:45:12,720

after 2000 i kind of stopped doing most

1049

00:45:16,550 --> 00:45:14,240

of these readings and and in fact

1050

00:45:26,710 --> 00:45:16,560

archangel michael said goodbye

1051
00:45:31,030 --> 00:45:29,109
he's never mentioned to my knowledge

1052
00:45:34,430 --> 00:45:31,040
channeling the archangel michael in the

1053
00:45:37,349 --> 00:45:34,440
year 2000 i looked over his ascension

1054
00:45:39,109 --> 00:45:37,359
2000.com website and all his writings i

1055
00:45:41,030 --> 00:45:39,119
don't see mention of the archangel

1056
00:45:42,710 --> 00:45:41,040
michael so is he just making this up

1057
00:45:44,950 --> 00:45:42,720
here it used to be that he was

1058
00:45:46,950 --> 00:45:44,960
channeling raw the egyptian god and

1059
00:45:49,270 --> 00:45:46,960
getting all his prophecies from ra the

1060
00:45:51,910 --> 00:45:49,280
egyptian god now he's pivoting and

1061
00:45:53,910 --> 00:45:51,920
claiming that he was getting prophetic

1062
00:45:56,309 --> 00:45:53,920
visions and information from the

1063
00:45:58,390 --> 00:45:56,319

archangel michael in the year 2000

1064

00:45:59,349 --> 00:45:58,400

though he does not provide any written

1065

00:46:01,349 --> 00:45:59,359

proof

1066

00:46:02,790 --> 00:46:01,359

that we can verify that he

1067

00:46:06,309 --> 00:46:02,800

wrote about those things in the year

1068

00:46:07,589 --> 00:46:06,319

2000 i think this is a retcon um but he

1069

00:46:09,990 --> 00:46:07,599

didn't really need to say anymore

1070

00:46:11,990 --> 00:46:10,000

because it's so amazing so

1071

00:46:13,990 --> 00:46:12,000

uh anyway elizabeth i kind of got lost

1072

00:46:15,829 --> 00:46:14,000

on what our questions okay well and also

1073

00:46:17,990 --> 00:46:15,839

uh disclosure in general i think one of

1074

00:46:20,390 --> 00:46:18,000

the questions was you know what is

1075

00:46:22,309 --> 00:46:20,400

disclosure just in general what is this

1076

00:46:24,309 --> 00:46:22,319

what no

1077

00:46:27,030 --> 00:46:24,319

i love how his wife has a manlier voice

1078

00:46:29,109 --> 00:46:27,040

than him just saying

1079

00:46:30,950 --> 00:46:29,119

in my understanding it's the disclosure

1080

00:46:33,190 --> 00:46:30,960

of a lot of information that's been

1081

00:46:34,470 --> 00:46:33,200

hidden from us um throughout

1082

00:46:36,790 --> 00:46:34,480

history

1083

00:46:38,950 --> 00:46:36,800

that um has been in some of the old

1084

00:46:41,109 --> 00:46:38,960

ancient history books like the presence

1085

00:46:44,870 --> 00:46:41,119

of extraterrestrials

1086

00:46:46,470 --> 00:46:44,880

uh genetic engineering of humanity um

1087

00:46:47,430 --> 00:46:46,480

you know lots of different things like

1088

00:46:50,470 --> 00:46:47,440

that so

1089

00:46:52,550 --> 00:46:50,480

there's no scientific proof that genetic

1090

00:46:55,030 --> 00:46:52,560

engineering of humans took place there's

1091

00:46:56,710 --> 00:46:55,040

some tantalizing maybe evidence if you

1092

00:47:00,309 --> 00:46:56,720

listen to the ancient

1093

00:47:03,349 --> 00:47:00,319

astronaut theorists or others and i do

1094

00:47:05,190 --> 00:47:03,359

i do agree that there are some

1095

00:47:08,069 --> 00:47:05,200

there are some unknowns when it comes to

1096

00:47:09,589 --> 00:47:08,079

human evolution like how did we just get

1097

00:47:12,390 --> 00:47:09,599

huge brains

1098

00:47:14,230 --> 00:47:12,400

so quickly well relatively quickly on an

1099

00:47:15,430 --> 00:47:14,240

evolutionary scale

1100

00:47:17,750 --> 00:47:15,440

and also

1101

00:47:20,470 --> 00:47:17,760

i've always had a problem with the fact

1102

00:47:22,950 --> 00:47:20,480

that humans lost their hair

1103

00:47:25,349 --> 00:47:22,960

only to then have to wear clothes

1104

00:47:27,430 --> 00:47:25,359

it doesn't make sense to me if if having

1105

00:47:29,829 --> 00:47:27,440

air would keep you warm in a cold

1106

00:47:31,349 --> 00:47:29,839

climate why would you lose all your hair

1107

00:47:33,109 --> 00:47:31,359

so of course there's questions about

1108

00:47:35,589 --> 00:47:33,119

human evolution but to jump right to

1109

00:47:37,510 --> 00:47:35,599

aliens genetically engineered us

1110

00:47:38,950 --> 00:47:37,520

with no evidence he's not going to cite

1111

00:47:41,589 --> 00:47:38,960

any evidence he's just going to repeat

1112

00:47:43,349 --> 00:47:41,599

that mantra his wife is because people

1113

00:47:45,430 --> 00:47:43,359

have been repeating that mantra for 20

1114

00:47:47,109 --> 00:47:45,440

30 years now but nobody's provided any

1115

00:47:49,910 --> 00:47:47,119

clear-cut scientific proof that that's

1116

00:47:54,390 --> 00:47:49,920

the case you can maybe just speak into

1117

00:48:00,630 --> 00:47:57,670

we do have a very interesting week five

1118

00:48:03,910 --> 00:48:00,640

module that is quite long um it's the

1119

00:48:06,470 --> 00:48:03,920

raw files are 114 gigabytes plus

1120

00:48:08,470 --> 00:48:06,480

like 60 gigabytes or something

1121

00:48:12,630 --> 00:48:08,480

so we're looking at

1122

00:48:16,950 --> 00:48:15,109

and in that whole thing

1123

00:48:18,069 --> 00:48:16,960

i keep trying to walk ben up to the line

1124

00:48:21,030 --> 00:48:18,079

because

1125

00:48:23,670 --> 00:48:21,040

as you all can kind of get and again

1126

00:48:25,349 --> 00:48:23,680

every time that he talks about ben i i

1127

00:48:27,430 --> 00:48:25,359

don't even know why he's still calling

1128

00:48:29,109 --> 00:48:27,440

the guy ben because everybody knows who

1129

00:48:29,990 --> 00:48:29,119

he's talking about he's talking about

1130

00:48:32,549 --> 00:48:30,000

chris

1131

00:48:35,829 --> 00:48:32,559

beskar the ceo of

1132

00:48:37,829 --> 00:48:35,839

stavatti aerospace ltd the company that

1133

00:48:40,230 --> 00:48:37,839

has been in business since 1995 and

1134

00:48:42,470 --> 00:48:40,240

never turned a profit near as i can tell

1135

00:48:44,470 --> 00:48:42,480

and never produced a single airplane or

1136

00:48:47,190 --> 00:48:44,480

airplane prototype that's who he's

1137

00:48:49,750 --> 00:48:47,200

talking about this ben is his obsession

1138

00:48:51,270 --> 00:48:49,760

with obi-wan kenobi ben kenobi

1139

00:48:52,870 --> 00:48:51,280

i don't know rather there's a lot of

1140

00:48:54,069 --> 00:48:52,880

stuff that he knows that he can't say

1141

00:48:57,349 --> 00:48:54,079

yet

1142

00:49:00,870 --> 00:48:59,030

at the risk of getting really close to

1143

00:49:02,309 --> 00:49:00,880

the edge let's just say that if he could

1144

00:49:04,069 --> 00:49:02,319

tell you everything that's happened to

1145

00:49:05,589 --> 00:49:04,079

him it would be just as good as any of

1146

00:49:07,190 --> 00:49:05,599

the other insiders i've brought out

1147

00:49:08,710 --> 00:49:07,200

before

1148

00:49:10,470 --> 00:49:08,720

all right that's about as much as i'm

1149

00:49:12,950 --> 00:49:10,480

gonna go towards it

1150

00:49:14,470 --> 00:49:12,960

uh because again we have to fight for

1151

00:49:16,710 --> 00:49:14,480

credibility so

1152

00:49:19,510 --> 00:49:16,720

what is disclosure well why did the

1153

00:49:22,150 --> 00:49:19,520

roswell crash get written off as well

1154

00:49:25,270 --> 00:49:22,160

after using child molesters as sources

1155

00:49:27,349 --> 00:49:25,280

after using senile old men as sources

1156

00:49:29,910 --> 00:49:27,359

now he's got a he's got to worry about

1157

00:49:31,670 --> 00:49:29,920

credibility where was his where was his

1158

00:49:33,510 --> 00:49:31,680

worry about credibility when he was

1159

00:49:35,829 --> 00:49:33,520

using a child molester

1160

00:49:37,910 --> 00:49:35,839

as a source of alien stories when he was

1161

00:49:40,069 --> 00:49:37,920

using a senile old man he was taken

1162

00:49:42,150 --> 00:49:40,079

advantage of as a source of alien

1163

00:49:44,549 --> 00:49:42,160

stories was that credible work david

1164

00:49:47,750 --> 00:49:44,559

balloon or swap gas the answer is there

1165

00:49:51,670 --> 00:49:47,760

was a big cover-up so we talk about the

1166

00:49:53,750 --> 00:49:51,680

uh cover-ups in the 1950s we bring out

1167

00:49:55,109 --> 00:49:53,760

major donald kehoe in his book flying

1168

00:49:57,990 --> 00:49:55,119

saucers

1169

00:49:59,750 --> 00:49:58,000

uh and we actually have a quote in there

1170

00:50:02,309 --> 00:49:59,760

from the air force confirming that they

1171

00:50:04,549 --> 00:50:02,319

were interplanetary in 1948

1172

00:50:07,109 --> 00:50:04,559

from the technical intelligence chief i

1173

00:50:10,950 --> 00:50:08,710

i know what

1174

00:50:13,270 --> 00:50:10,960

he's referencing there and uh they

1175

00:50:14,950 --> 00:50:13,280

didn't say that these are interplanetary

1176

00:50:16,230 --> 00:50:14,960

craft they listed

1177

00:50:19,109 --> 00:50:16,240

the possibility that their

1178

00:50:21,270 --> 00:50:19,119

interplanetary craft in that memo as one

1179

00:50:24,870 --> 00:50:21,280

of the possible explanations

1180

00:50:27,190 --> 00:50:24,880

for flying saucers they didn't say

1181

00:50:28,309 --> 00:50:27,200

definitively these are

1182

00:50:30,230 --> 00:50:28,319

these are

1183

00:50:31,910 --> 00:50:30,240

craft from another planet he's

1184

00:50:32,950 --> 00:50:31,920

stretching again

1185

00:50:35,190 --> 00:50:32,960

you know

1186

00:50:36,870 --> 00:50:35,200

fact-checking this clown is so easy he

1187

00:50:39,109 --> 00:50:36,880

just plays so fast and loose with the

1188

00:50:41,109 --> 00:50:39,119

facts and he doesn't think anybody knows

1189

00:50:42,630 --> 00:50:41,119

the sources that he uses these sources

1190

00:50:45,589 --> 00:50:42,640

are out there they're public knowledge

1191

00:50:48,790 --> 00:50:45,599

and information and twisting them to fit

1192

00:50:50,230 --> 00:50:48,800

your already established narrative and

1193

00:50:52,549 --> 00:50:50,240

conclusions

1194

00:50:53,510 --> 00:50:52,559

don't help anyone david for god's sake i

1195

00:50:56,069 --> 00:50:53,520

mean it's

1196

00:50:58,069 --> 00:50:56,079

this was this was very badly botched as

1197

00:51:00,309 --> 00:50:58,079

a cover-up and so

1198

00:51:01,109 --> 00:51:00,319

when we get the truth

1199

00:51:03,510 --> 00:51:01,119

uh

1200

00:51:07,190 --> 00:51:03,520

the the real payoff is gonna be the

1201
00:51:09,190 --> 00:51:07,200
technology that we can then use and so

1202
00:51:10,950 --> 00:51:09,200
what makes uh ben

1203
00:51:13,270 --> 00:51:10,960
whose real name is chris what makes

1204
00:51:16,309 --> 00:51:13,280
chris so extraordinary

1205
00:51:18,549 --> 00:51:16,319
is that because he worked in classified

1206
00:51:19,670 --> 00:51:18,559
aerospace and he talks very forthrightly

1207
00:51:21,190 --> 00:51:19,680
about what they've done with

1208
00:51:24,470 --> 00:51:21,200
metamaterials

1209
00:51:27,190 --> 00:51:24,480
and a lot of really interesting stuff um

1210
00:51:28,870 --> 00:51:27,200
he is in a position to say yeah you know

1211
00:51:30,470 --> 00:51:28,880
remember those smart glass pads you

1212
00:51:31,349 --> 00:51:30,480
always heard corey good talking about

1213
00:51:33,030 --> 00:51:31,359

well

1214

00:51:34,230 --> 00:51:33,040

he he just blurted this out in the

1215

00:51:37,589 --> 00:51:34,240

middle of one of the interviews yeah we

1216

00:51:38,630 --> 00:51:37,599

already have that so yeah apple had it

1217

00:51:40,309 --> 00:51:38,640

too

1218

00:51:42,870 --> 00:51:40,319

some 10 years ago

1219

00:51:44,950 --> 00:51:42,880

so uh did it come from aliens or did it

1220

00:51:47,109 --> 00:51:44,960

come from a little-known prototype that

1221

00:51:51,670 --> 00:51:47,119

apple was developing while they were

1222

00:51:52,870 --> 00:51:51,680

working on developing the ipad device

1223

00:51:55,190 --> 00:51:52,880

again

1224

00:51:57,190 --> 00:51:55,200

wilcox is fast and loose with the facts

1225

00:51:58,549 --> 00:51:57,200

he's attributing things to aliens when

1226
00:51:59,990 --> 00:51:58,559
they were earthly

1227
00:52:02,950 --> 00:52:00,000
technologies

1228
00:52:04,549 --> 00:52:02,960
and further there is zero

1229
00:52:06,470 --> 00:52:04,559
zero evidence i'm going to challenge

1230
00:52:09,910 --> 00:52:06,480
david wilcock you were right here on a

1231
00:52:12,150 --> 00:52:09,920
public video telling everybody that

1232
00:52:15,190 --> 00:52:12,160
this chris biscar

1233
00:52:18,549 --> 00:52:15,200
worked on secret classified projects

1234
00:52:20,390 --> 00:52:18,559
prove it prove it show us

1235
00:52:22,710 --> 00:52:20,400
who who gave him

1236
00:52:24,870 --> 00:52:22,720
access to classified projects who

1237
00:52:27,430 --> 00:52:24,880
employed him

1238
00:52:29,670 --> 00:52:27,440

working on classified projects

1239

00:52:32,470 --> 00:52:29,680

where was he employed where did he work

1240

00:52:34,790 --> 00:52:32,480

on classified projects friends there is

1241

00:52:36,950 --> 00:52:34,800

zero evidence and zero proof that this

1242

00:52:40,390 --> 00:52:36,960

christopher biscar ever worked on

1243

00:52:42,150 --> 00:52:40,400

anything classified or had top secret

1244

00:52:42,870 --> 00:52:42,160

clearance or whatever you want to call

1245

00:52:45,750 --> 00:52:42,880

it

1246

00:52:47,670 --> 00:52:45,760

he didn't not to not to my research he

1247

00:52:50,950 --> 00:52:47,680

didn't and i will admit that i could be

1248

00:52:52,230 --> 00:52:50,960

wrong but david wilcock is right here

1249

00:52:54,790 --> 00:52:52,240

telling people

1250

00:52:56,630 --> 00:52:54,800

that his new insider worked on top

1251
00:52:58,950 --> 00:52:56,640
secret classified

1252
00:53:00,390 --> 00:52:58,960
projects for the government

1253
00:53:02,790 --> 00:53:00,400
if that's not true

1254
00:53:04,309 --> 00:53:02,800
then taking 333 dollars while you're

1255
00:53:06,630 --> 00:53:04,319
telling people that this is true and

1256
00:53:09,589 --> 00:53:06,640
accurate information and you're lying to

1257
00:53:11,349 --> 00:53:09,599
them is consumer fraud mr wilcock so

1258
00:53:13,589 --> 00:53:11,359
when we make airplanes in our new

1259
00:53:16,309 --> 00:53:13,599
companies stavati aerospace we want to

1260
00:53:18,230 --> 00:53:16,319
make them with a holographic cockpit

1261
00:53:19,510 --> 00:53:18,240
with three-dimensional

1262
00:53:21,510 --> 00:53:19,520
color

1263
00:53:23,430 --> 00:53:21,520

visual displays that you can see and

1264

00:53:24,630 --> 00:53:23,440

interact with with your hands and that's

1265

00:53:26,950 --> 00:53:24,640

going to be the way we want the hover

1266

00:53:29,109 --> 00:53:26,960

cars to work too so

1267

00:53:30,710 --> 00:53:29,119

so with it's not enough that david

1268

00:53:32,950 --> 00:53:30,720

wilcox says that he's going to produce a

1269

00:53:35,270 --> 00:53:32,960

working hovercar prototype within one

1270

00:53:38,309 --> 00:53:35,280

year now his working

1271

00:53:40,630 --> 00:53:38,319

hovercar prototype is going to have 3d

1272

00:53:42,630 --> 00:53:40,640

holographic displays and controls that

1273

00:53:43,670 --> 00:53:42,640

you can work with your hands

1274

00:53:47,829 --> 00:53:43,680

it's getting

1275

00:53:49,750 --> 00:53:47,839

sorry but

1276
00:53:52,150 --> 00:53:49,760
he's not producing a working prototype

1277
00:53:55,589 --> 00:53:52,160
in a year let alone a working prototype

1278
00:53:57,510 --> 00:53:55,599
with a brand new 3d holographic you know

1279
00:53:59,910 --> 00:53:57,520
does he even read

1280
00:54:01,670 --> 00:53:59,920
science and technology magazines because

1281
00:54:04,069 --> 00:54:01,680
these things are five years off that

1282
00:54:07,270 --> 00:54:04,079
he's discussing they're not workable

1283
00:54:10,470 --> 00:54:07,280
technology yet david chris's input and

1284
00:54:12,950 --> 00:54:10,480
with you know the help of the military

1285
00:54:14,710 --> 00:54:12,960
what we've done is to then look at the

1286
00:54:17,190 --> 00:54:14,720
the gift box that they've actually

1287
00:54:18,950 --> 00:54:17,200
handed us because um the military has

1288
00:54:23,109 --> 00:54:18,960

already given us

1289

00:54:25,910 --> 00:54:23,119

a very fascinating body of data

1290

00:54:28,470 --> 00:54:25,920

and most of you are familiar with

1291

00:54:30,870 --> 00:54:28,480

the salvator pious patents which which

1292

00:54:33,190 --> 00:54:30,880

again we've been over there's no

1293

00:54:34,710 --> 00:54:33,200

scientific evidence or proof that those

1294

00:54:36,710 --> 00:54:34,720

devices work

1295

00:54:40,150 --> 00:54:36,720

if they did somebody would have built

1296

00:54:42,230 --> 00:54:40,160

one by now and shown it nobody built any

1297

00:54:44,789 --> 00:54:42,240

of those prototypes yet any of the

1298

00:54:47,670 --> 00:54:44,799

things from those patents

1299

00:54:50,230 --> 00:54:47,680

give them to a real physicist

1300

00:54:51,190 --> 00:54:50,240

or a real aerospace engineer and ask

1301
00:54:52,549 --> 00:54:51,200
them

1302
00:54:55,430 --> 00:54:52,559
if this is

1303
00:54:59,349 --> 00:54:55,440
workable technology or is this some kind

1304
00:55:02,870 --> 00:55:01,349
you can guess what answer you'll get he

1305
00:55:04,470 --> 00:55:02,880
keeps bringing up these

1306
00:55:09,589 --> 00:55:04,480
patents

1307
00:55:10,549 --> 00:55:09,599
also have workable prototypes attached

1308
00:55:12,470 --> 00:55:10,559
to them

1309
00:55:15,270 --> 00:55:12,480
there's no proof that those patents are

1310
00:55:17,510 --> 00:55:15,280
workable real technology that works

1311
00:55:19,670 --> 00:55:17,520
if they were why doesn't he build it and

1312
00:55:20,950 --> 00:55:19,680
show everybody something floating

1313
00:55:23,190 --> 00:55:20,960

why doesn't he build it and show

1314

00:55:24,789 --> 00:55:23,200

everybody a free energy device

1315

00:55:26,950 --> 00:55:24,799

because he can't because that

1316

00:55:28,309 --> 00:55:26,960

information is not real

1317

00:55:30,230 --> 00:55:28,319

i don't believe it's real and valid

1318

00:55:31,750 --> 00:55:30,240

information i don't know why

1319

00:55:33,829 --> 00:55:31,760

the patent office would even grant a

1320

00:55:36,309 --> 00:55:33,839

patent but they've granted many patents

1321

00:55:38,950 --> 00:55:36,319

for devices that had no

1322

00:55:41,910 --> 00:55:38,960

hope of ever working which are for

1323

00:55:44,549 --> 00:55:41,920

an alleged hybrid air underwater craft

1324

00:55:46,150 --> 00:55:44,559

or hawk hauc

1325

00:55:47,829 --> 00:55:46,160

they're saying that this thing will fly

1326

00:55:50,069 --> 00:55:47,839

through the air it'll fly through the

1327

00:55:52,150 --> 00:55:50,079

ocean it'll fly through lakes and it'll

1328

00:55:54,230 --> 00:55:52,160

fly through space all equally well it

1329

00:55:55,670 --> 00:55:54,240

does not use air it uses a gravitational

1330

00:55:57,910 --> 00:55:55,680

propulsion system

1331

00:55:59,190 --> 00:55:57,920

and they actually describe that in the

1332

00:56:01,190 --> 00:55:59,200

pattern and

1333

00:56:03,270 --> 00:56:01,200

the theoretical construct of how they

1334

00:56:04,630 --> 00:56:03,280

think it might work

1335

00:56:06,710 --> 00:56:04,640

so

1336

00:56:08,309 --> 00:56:06,720

then how they think it might work not

1337

00:56:10,069 --> 00:56:08,319

how it actually works or how they can

1338

00:56:12,390 --> 00:56:10,079

prove it works because they haven't

1339

00:56:14,710 --> 00:56:12,400

proved that it works and they won't

1340

00:56:16,710 --> 00:56:14,720

there's a less known uh disclosure that

1341

00:56:17,990 --> 00:56:16,720

was produced by the defense intelligence

1342

00:56:21,670 --> 00:56:18,000

agency

1343

00:56:23,349 --> 00:56:21,680

released to a man named anthony bregalia

1344

00:56:27,270 --> 00:56:23,359

and

1345

00:56:28,309 --> 00:56:27,280

the that material is 154 pages of very

1346

00:56:30,549 --> 00:56:28,319

bizarre

1347

00:56:32,789 --> 00:56:30,559

technical papers on

1348

00:56:35,109 --> 00:56:32,799

things like amorphous metals whatever

1349

00:56:37,829 --> 00:56:35,119

the heck that is metals that don't

1350

00:56:39,829 --> 00:56:37,839

have a typical molecular structure that

1351
00:56:41,910 --> 00:56:39,839
would make normal chemists and

1352
00:56:44,230 --> 00:56:41,920
scientists and physicists happy

1353
00:56:45,510 --> 00:56:44,240
they instead behave in a very strange

1354
00:56:47,190 --> 00:56:45,520
way where

1355
00:56:49,109 --> 00:56:47,200
it's as if their molecules have all

1356
00:56:51,510 --> 00:56:49,119
blended together

1357
00:56:54,950 --> 00:56:51,520
so we get really deeply into this topic

1358
00:56:56,470 --> 00:56:54,960
in in in the in the show um

1359
00:56:59,030 --> 00:56:56,480
these concepts of advanced meta

1360
00:57:01,109 --> 00:56:59,040
materials so so the dia said that these

1361
00:57:02,710 --> 00:57:01,119
meta materials can lead to things like

1362
00:57:04,870 --> 00:57:02,720
invisibility

1363
00:57:07,190 --> 00:57:04,880

uh anti-gravity

1364

00:57:09,109 --> 00:57:07,200
and a lot of other stuff including

1365

00:57:11,349 --> 00:57:09,119
energy production so

1366

00:57:13,270 --> 00:57:11,359
it's a very very interesting thing that

1367

00:57:15,990 --> 00:57:13,280
there are certain

1368

00:57:18,230 --> 00:57:16,000
coatings that we can put onto

1369

00:57:21,109 --> 00:57:18,240
airplanes or other craft

1370

00:57:23,430 --> 00:57:21,119
that appear to actually duct light out

1371

00:57:25,589 --> 00:57:23,440
of of visibility they duct it out they

1372

00:57:27,510 --> 00:57:25,599
take it somewhere else they absorb the

1373

00:57:30,549 --> 00:57:27,520
light and they they shoot it into

1374

00:57:33,030 --> 00:57:30,559
another plane of existence i think

1375

00:57:34,950 --> 00:57:33,040
uh so it's and we talk about the

1376
00:57:54,789 --> 00:57:34,960
philadelphia experiment he talks about

1377
00:57:59,510 --> 00:57:57,190
the philadelphia experiment is fake so

1378
00:58:03,109 --> 00:57:59,520
david wilcock bringing a

1379
00:58:05,190 --> 00:58:03,119
uh fake story in to sort of prove

1380
00:58:06,950 --> 00:58:05,200
that you know what you're talking about

1381
00:58:08,390 --> 00:58:06,960
is true and accurate

1382
00:58:10,870 --> 00:58:08,400
is ridiculous

1383
00:58:12,950 --> 00:58:10,880
stop using fake stories to prove your

1384
00:58:16,390 --> 00:58:12,960
own fake stories it doesn't help

1385
00:58:18,789 --> 00:58:16,400
anything and and why uh you know the the

1386
00:58:20,470 --> 00:58:18,799
sailors got embedded in the hull

1387
00:58:23,430 --> 00:58:20,480
you know so there's some very very

1388
00:58:25,430 --> 00:58:23,440

exciting classified type of intel that's

1389

00:58:26,710 --> 00:58:25,440

being put out we actually talk about

1390

00:58:30,470 --> 00:58:26,720

iridium

1391

00:58:33,109 --> 00:58:30,480

you're going to meet in there who filed

1392

00:58:34,710 --> 00:58:33,119

patents on iridium disappearing and

1393

00:58:36,470 --> 00:58:34,720

becoming weightless and becoming

1394

00:58:38,470 --> 00:58:36,480

invisible so

1395

00:58:40,470 --> 00:58:38,480

uh it's a it's a it's a real great load

1396

00:58:41,750 --> 00:58:40,480

of fun and then in week five we go

1397

00:58:43,829 --> 00:58:41,760

through

1398

00:58:46,549 --> 00:58:43,839

a tour of pyramids all over the world we

1399

00:58:49,589 --> 00:58:46,559

conclusively show the same architecture

1400

00:58:52,870 --> 00:58:49,599

that's on pyramids in mesoamerica

1401
00:58:55,910 --> 00:58:52,880
happening with pyramids in for example

1402
00:58:58,789 --> 00:58:55,920
cambodia and they're they're undeniable

1403
00:59:01,030 --> 00:58:58,799
we talk about each of the major types of

1404
00:59:03,190 --> 00:59:01,040
extraterrestrial looking ruins that have

1405
00:59:05,750 --> 00:59:03,200
been found where skeletons

1406
00:59:07,510 --> 00:59:05,760
or you know uh samples like this were

1407
00:59:11,109 --> 00:59:07,520
found somewhere

1408
00:59:13,750 --> 00:59:11,119
and uh we we also talk about how

1409
00:59:14,870 --> 00:59:13,760
all of this work that we're doing

1410
00:59:17,109 --> 00:59:14,880
uh

1411
00:59:18,390 --> 00:59:17,119
trends back to this idea of atlantis and

1412
00:59:19,910 --> 00:59:18,400
an ancient civilization

1413
00:59:21,670 --> 00:59:19,920

what's really there

1414

00:59:22,950 --> 00:59:21,680

was it in antarctica is there something

1415

00:59:23,990 --> 00:59:22,960

under the ice

1416

00:59:27,030 --> 00:59:24,000

were they

1417

00:59:28,870 --> 00:59:27,040

a solar system-wide civilization

1418

00:59:31,190 --> 00:59:28,880

oh man you got to bring everything in

1419

00:59:32,950 --> 00:59:31,200

when you're bullshitting you you know

1420

00:59:35,349 --> 00:59:32,960

you got to bring in the philadelphia

1421

00:59:37,190 --> 00:59:35,359

experiment you know drop that you got to

1422

00:59:39,190 --> 00:59:37,200

talk about antarctica and how there may

1423

00:59:41,430 --> 00:59:39,200

be something under the ice and you got

1424

00:59:43,510 --> 00:59:41,440

to bring in atlantis for the for the

1425

00:59:45,670 --> 00:59:43,520

crystal hippie chick believers right we

1426

00:59:47,829 --> 00:59:45,680

get into all these things and there's

1427

00:59:50,549 --> 00:59:47,839

there's a lot more to share this is

1428

00:59:52,630 --> 00:59:50,559

definitely not a full disclosure

1429

00:59:54,069 --> 00:59:52,640

but it's as much of a disclosure as we

1430

00:59:56,230 --> 00:59:54,079

can do right now

1431

00:59:57,589 --> 00:59:56,240

thank you elizabeth

1432

00:59:59,990 --> 00:59:57,599

welcome

1433

01:00:01,430 --> 01:00:00,000

and um here's a question here from

1434

01:00:03,990 --> 01:00:01,440

somebody which i think is really

1435

01:00:05,829 --> 01:00:04,000

important okay

1436

01:00:07,990 --> 01:00:05,839

this person says i'm hopeful for the

1437

01:00:09,910 --> 01:00:08,000

future but i'm lonely is there anything

1438

01:00:11,910 --> 01:00:09,920

mystical magical futuristic or

1439

01:00:14,309 --> 01:00:11,920

confidence boosting for all the

1440

01:00:17,670 --> 01:00:14,319

broken-hearted introverted kind souls

1441

01:00:20,230 --> 01:00:17,680

like me thank you so much be blessed

1442

01:00:21,270 --> 01:00:20,240

and i think that

1443

01:00:23,349 --> 01:00:21,280

and

1444

01:00:25,510 --> 01:00:23,359

here we see the perfect example of some

1445

01:00:28,950 --> 01:00:25,520

of david wilcox audience

1446

01:00:32,630 --> 01:00:28,960

lonely people seeking answers

1447

01:00:34,789 --> 01:00:32,640

and somehow they find this claim

1448

01:00:37,030 --> 01:00:34,799

and i feel for those people if you're

1449

01:00:39,190 --> 01:00:37,040

lonely if you're depressed

1450

01:00:41,510 --> 01:00:39,200

if you're anxiety ridden especially

1451

01:00:43,190 --> 01:00:41,520

given the current conditions in our

1452

01:00:45,270 --> 01:00:43,200

world

1453

01:00:47,750 --> 01:00:45,280

it's natural that you would reach out

1454

01:00:49,349 --> 01:00:47,760

and try to find

1455

01:00:51,270 --> 01:00:49,359

answers

1456

01:00:53,750 --> 01:00:51,280

but going to a guy who's been lying

1457

01:00:56,630 --> 01:00:53,760

through his fake teeth for 20 years for

1458

01:00:58,069 --> 01:00:56,640

some kind of spiritual answers is not

1459

01:00:59,270 --> 01:00:58,079

going to get you

1460

01:01:00,870 --> 01:00:59,280

any help

1461

01:01:02,630 --> 01:01:00,880

going to a guy who's been lying through

1462

01:01:05,190 --> 01:01:02,640

his fake teeth for 20 years stealing

1463

01:01:07,349 --> 01:01:05,200

money from people like you

1464

01:01:10,150 --> 01:01:07,359

is not going to help you giving this

1465

01:01:12,230 --> 01:01:10,160

clown money for his fake information his

1466

01:01:13,589 --> 01:01:12,240

fake insiders his child molesting

1467

01:01:14,390 --> 01:01:13,599

sources his

1468

01:01:17,990 --> 01:01:14,400

uh

1469

01:01:20,309 --> 01:01:18,000

you know criminal sources his senile

1470

01:01:22,150 --> 01:01:20,319

sources about aliens is not going to

1471

01:01:24,230 --> 01:01:22,160

give you any answers

1472

01:01:25,510 --> 01:01:24,240

all it's going to do is lighten your

1473

01:01:27,670 --> 01:01:25,520

bank account

1474

01:01:31,030 --> 01:01:27,680

and

1475

01:01:33,430 --> 01:01:31,040

that's sad this person is probably not

1476

01:01:34,630 --> 01:01:33,440

alone in feeling this i think oh yeah

1477

01:01:36,309 --> 01:01:34,640

well

1478

01:01:38,710 --> 01:01:36,319

ourselves included you know this is a

1479

01:01:41,109 --> 01:01:38,720

really really tough time

1480

01:01:43,430 --> 01:01:41,119

and somebody else also asked about the

1481

01:01:46,549 --> 01:01:43,440

veils lifting

1482

01:01:48,390 --> 01:01:46,559

and you know about you know do we have

1483

01:01:51,030 --> 01:01:48,400

technology to clean and purify the

1484

01:01:53,190 --> 01:01:51,040

oceans so there's a lot going on right

1485

01:01:55,190 --> 01:01:53,200

now and

1486

01:01:57,190 --> 01:01:55,200

you know many people in the spiritual

1487

01:01:58,549 --> 01:01:57,200

arena have been talking about the veils

1488

01:02:00,630 --> 01:01:58,559

thinning

1489

01:02:02,470 --> 01:02:00,640

and the ascension energies coming in and

1490

01:02:05,589 --> 01:02:02,480

all of this and what that does is it's

1491

01:02:07,190 --> 01:02:05,599

making certain things transparent

1492

01:02:11,109 --> 01:02:07,200

so what was

1493

01:02:12,630 --> 01:02:11,119

covered up before is now not covered up

1494

01:02:15,430 --> 01:02:12,640

so much and that

1495

01:02:17,430 --> 01:02:15,440

also means the squiggly things under the

1496

01:02:18,390 --> 01:02:17,440

rocks and so

1497

01:02:20,870 --> 01:02:18,400

when

1498

01:02:23,589 --> 01:02:20,880

a lot of sensitive souls see that

1499

01:02:24,870 --> 01:02:23,599

there's a shock you know and a sadness

1500

01:02:27,910 --> 01:02:24,880

to it

1501
01:02:30,069 --> 01:02:27,920
to you know for the world to know about

1502
01:02:32,470 --> 01:02:30,079
child trafficking and

1503
01:02:34,710 --> 01:02:32,480
and everything that goes with that has

1504
01:02:36,950 --> 01:02:34,720
been really jarring for a lot of people

1505
01:02:39,589 --> 01:02:36,960
uh one of the things that we talk about

1506
01:02:42,549 --> 01:02:39,599
in the disclosure is chris mentions that

1507
01:02:44,630 --> 01:02:42,559
we already have the technology to clean

1508
01:02:46,470 --> 01:02:44,640
up radiation from the oceans and to

1509
01:02:48,789 --> 01:02:46,480
clean up the garbage and all of this

1510
01:02:51,029 --> 01:02:48,799
stuff and what we're really doing is

1511
01:02:53,990 --> 01:02:51,039
we're focusing on

1512
01:02:55,670 --> 01:02:54,000
doing that as much as we can and getting

1513
01:02:58,150 --> 01:02:55,680

over the hurdles

1514

01:02:59,190 --> 01:02:58,160

and all the obstacles that come with it

1515

01:03:00,150 --> 01:02:59,200

so

1516

01:03:01,589 --> 01:03:00,160

what i

1517

01:03:03,349 --> 01:03:01,599

would like to say to this person is

1518

01:03:06,309 --> 01:03:03,359

there's a lot of really positive things

1519

01:03:09,910 --> 01:03:06,319

to focus on and right now it's really

1520

01:03:12,870 --> 01:03:09,920

important to choose to focus on positive

1521

01:03:15,430 --> 01:03:12,880

things because that's what really will

1522

01:03:18,309 --> 01:03:15,440

create those things around you because

1523

01:03:20,870 --> 01:03:18,319

the veils have thinned and

1524

01:03:22,390 --> 01:03:20,880

what we focus on creates so much quicker

1525

01:03:25,670 --> 01:03:22,400

right now

1526

01:03:27,670 --> 01:03:25,680

and so it's about all of us in numbers

1527

01:03:30,150 --> 01:03:27,680

focusing on a positive world a positive

1528

01:03:32,630 --> 01:03:30,160

reality despite the fact that yes there

1529

01:03:33,910 --> 01:03:32,640

are other people focusing on negative

1530

01:03:36,789 --> 01:03:33,920

things

1531

01:03:42,150 --> 01:03:36,799

that's their free will so what we're

1532

01:03:45,990 --> 01:03:43,910

this is a whole lot of new age word

1533

01:03:47,589 --> 01:03:46,000

salad

1534

01:03:49,829 --> 01:03:47,599

and what are what are his wife's

1535

01:03:52,549 --> 01:03:49,839

qualifications to even answer questions

1536

01:03:55,670 --> 01:03:52,559

she's got black belts from a guy she was

1537

01:03:57,910 --> 01:03:55,680

banging before david wilcock in kung fu

1538

01:04:00,150 --> 01:03:57,920

from fake kung fu organizations that

1539

01:04:02,870 --> 01:04:00,160

aren't real or traditional kung fu from

1540

01:04:04,870 --> 01:04:02,880

china they're americanized joke kung fu

1541

01:04:07,109 --> 01:04:04,880

that that created black belts that don't

1542

01:04:09,510 --> 01:04:07,119

exist in other forms of kung fu that's

1543

01:04:11,670 --> 01:04:09,520

her qualifications for answering

1544

01:04:13,829 --> 01:04:11,680

spiritual questions she's got fake black

1545

01:04:16,470 --> 01:04:13,839

belts from a guy she used to bang before

1546

01:04:19,670 --> 01:04:16,480

david wilcox each one of us and every

1547

01:04:21,589 --> 01:04:19,680

person has this power to focus on

1548

01:04:25,109 --> 01:04:21,599

creating good in your life and focus on

1549

01:04:26,870 --> 01:04:25,119

the positive things that we have coming

1550

01:04:29,990 --> 01:04:26,880

the positive technologies which is

1551

01:04:33,430 --> 01:04:30,000

really what the disclosure is about

1552

01:04:36,069 --> 01:04:33,440

so i just wanted to speak into that and

1553

01:04:38,470 --> 01:04:36,079

say stay strong

1554

01:04:40,950 --> 01:04:38,480

go you know go to yoga go to things that

1555

01:04:42,390 --> 01:04:40,960

take your mind off of

1556

01:04:45,829 --> 01:04:42,400

thinking about

1557

01:04:48,390 --> 01:04:45,839

the the negative things go hiking and

1558

01:04:51,109 --> 01:04:48,400

really use that self-discipline to get

1559

01:04:54,230 --> 01:04:51,119

out there and focus on the good things

1560

01:04:56,150 --> 01:04:54,240

sure yeah well i'll add to that and say

1561

01:04:58,390 --> 01:04:56,160

that uh

1562

01:05:00,710 --> 01:04:58,400

if you're depressed and miserable about

1563

01:05:03,270 --> 01:05:00,720

what's going on then you haven't really

1564

01:05:07,430 --> 01:05:03,280

absorbed michael's lesson

1565

01:05:10,630 --> 01:05:09,510

what the law of one was telling us to

1566

01:05:12,630 --> 01:05:10,640

expect

1567

01:05:14,710 --> 01:05:12,640

we are going through this whole

1568

01:05:16,710 --> 01:05:14,720

ascension process now

1569

01:05:18,230 --> 01:05:16,720

so don't think that there's something

1570

01:05:19,510 --> 01:05:18,240

else that's going to come later that's

1571

01:05:22,870 --> 01:05:19,520

worse

1572

01:05:24,630 --> 01:05:22,880

no the worst part is now and the michael

1573

01:05:27,190 --> 01:05:24,640

stuff is telling us that this is very

1574

01:05:29,510 --> 01:05:27,200

quickly going to turn around so

1575

01:05:31,750 --> 01:05:29,520

try to understand the scope of how these

1576

01:05:33,349 --> 01:05:31,760

higher yeah the archangel

1577

01:05:35,750 --> 01:05:33,359

the archangel michael is telling him

1578

01:05:37,670 --> 01:05:35,760

that everything's going to turn around

1579

01:05:39,190 --> 01:05:37,680

just like raw told him that everything

1580

01:05:40,950 --> 01:05:39,200

was going to be different once the year

1581

01:05:43,270 --> 01:05:40,960

2000 hit

1582

01:05:44,710 --> 01:05:43,280

just like his fake psychic predictions

1583

01:05:47,190 --> 01:05:44,720

told everybody that we were all going to

1584

01:05:49,670 --> 01:05:47,200

get super powers and light bodies

1585

01:05:51,829 --> 01:05:49,680

do we see how he's always shoveling

1586

01:05:53,510 --> 01:05:51,839

opium at the hopeless

1587

01:05:55,109 --> 01:05:53,520

telling that things are going to improve

1588

01:05:58,789 --> 01:05:55,119

things are going to get better the

1589

01:06:01,109 --> 01:05:58,799

alliance is going to stop the evil cabal

1590

01:06:03,109 --> 01:06:01,119

it's specifically designed for hopeless

1591

01:06:04,470 --> 01:06:03,119

people to give them hope our beings work

1592

01:06:07,670 --> 01:06:04,480

they don't want

1593

01:06:10,549 --> 01:06:07,680

to just show up and manifest as beings

1594

01:06:12,710 --> 01:06:10,559

of light who give us advanced technology

1595

01:06:14,710 --> 01:06:12,720

they want us to be able to build our way

1596

01:06:16,150 --> 01:06:14,720

into this new world ourselves it's not

1597

01:06:18,309 --> 01:06:16,160

that they're not going to ever contact

1598

01:06:19,670 --> 01:06:18,319

us we're going to

1599

01:06:22,230 --> 01:06:19,680

no pollution

1600

01:06:23,109 --> 01:06:22,240

as elizabeth was saying uh we can create

1601

01:06:25,109 --> 01:06:23,119

these

1602

01:06:26,789 --> 01:06:25,119

uh things called charge clusters and run

1603

01:06:28,870 --> 01:06:26,799

them through radioactive material and it

1604

01:06:30,710 --> 01:06:28,880

deradiates the material very effectively

1605

01:06:33,109 --> 01:06:30,720

and very quickly

1606

01:06:34,950 --> 01:06:33,119

and so with with the hover car

1607

01:06:36,789 --> 01:06:34,960

technology you're looking at the

1608

01:06:39,750 --> 01:06:36,799

possibility of being able to travel

1609

01:06:42,549 --> 01:06:39,760

anywhere you want i mean this is

1610

01:06:44,630 --> 01:06:42,559

i look at the possibility when we get uh

1611

01:06:47,349 --> 01:06:44,640

free energy and anti-gravity technology

1612

01:06:49,589 --> 01:06:47,359

if let's say you have a hover car right

1613

01:06:50,950 --> 01:06:49,599

let's say your hover car

1614

01:06:52,950 --> 01:06:50,960

has

1615

01:06:54,710 --> 01:06:52,960

uh a power plant in it that will be

1616

01:06:57,029 --> 01:06:54,720

enough for all your energy needs

1617

01:06:58,870 --> 01:06:57,039

wherever you go then

1618

01:07:00,470 --> 01:06:58,880

you could bring a few other supplies you

1619

01:07:01,829 --> 01:07:00,480

could bring a little hot plate or some

1620

01:07:03,589 --> 01:07:01,839

cooking equipment that you could plug

1621

01:07:05,990 --> 01:07:03,599

into your hover car

1622

01:07:09,029 --> 01:07:06,000

you could bring uh you know you could

1623

01:07:11,829 --> 01:07:09,039

actually go into areas where nobody has

1624

01:07:14,069 --> 01:07:11,839

ever been because there's an incredible

1625

01:07:16,549 --> 01:07:14,079

amount of unobstructed and undeveloped

1626

01:07:17,990 --> 01:07:16,559

land in the world so with a hover car if

1627

01:07:20,069 --> 01:07:18,000

there were open borders or at least

1628

01:07:21,910 --> 01:07:20,079

within whatever country you're in

1629

01:07:23,829 --> 01:07:21,920

there's so many cool places you could go

1630

01:07:25,829 --> 01:07:23,839

and if you have your own energy

1631

01:07:27,430 --> 01:07:25,839

you could just decide to opt out of the

1632

01:07:29,190 --> 01:07:27,440

system you don't really need to have

1633

01:07:31,270 --> 01:07:29,200

money anymore you could go get your

1634

01:07:32,630 --> 01:07:31,280

hover car live somewhere in totally

1635

01:07:34,549 --> 01:07:32,640

remote area if that's what you want to

1636

01:07:36,309 --> 01:07:34,559

do find some island that nobody else is

1637

01:07:38,230 --> 01:07:36,319

on although those will probably get

1638

01:07:39,029 --> 01:07:38,240

grabbed up pretty quick

1639

01:07:41,430 --> 01:07:39,039

so

1640

01:07:43,750 --> 01:07:41,440

here we are again david wilcock is not

1641

01:07:45,910 --> 01:07:43,760

just promising people hover cars he's

1642

01:07:49,190 --> 01:07:45,920

promising them that your hover car will

1643

01:07:51,029 --> 01:07:49,200

have a free energy device as an engine

1644

01:07:52,630 --> 01:07:51,039

to provide all the power you could ever

1645

01:07:54,390 --> 01:07:52,640

need you won't have to work you won't

1646

01:07:56,789 --> 01:07:54,400

need money

1647

01:07:59,109 --> 01:07:56,799

i mean that's a pretty tall order david

1648

01:08:01,430 --> 01:07:59,119

wilcock and you're promising people that

1649

01:08:03,750 --> 01:08:01,440

this is what you're gonna give them

1650

01:08:05,190 --> 01:08:03,760

do you see the problem with this you got

1651

01:08:07,190 --> 01:08:05,200

your work cut out for you maybe you

1652

01:08:09,990 --> 01:08:07,200

don't have time to be making hundred

1653

01:08:12,470 --> 01:08:10,000

hundreds of hours of content about this

1654

01:08:14,470 --> 01:08:12,480

fake nonsense maybe you should be

1655

01:08:16,470 --> 01:08:14,480

you know building something because you

1656

01:08:18,950 --> 01:08:16,480

got what 10 months left to produce a

1657

01:08:20,470 --> 01:08:18,960

hover car a working prototype that now

1658

01:08:21,669 --> 01:08:20,480

you say is going to have holographic

1659

01:08:24,070 --> 01:08:21,679

controls

1660

01:08:24,870 --> 01:08:24,080

and a free energy device included with

1661

01:08:29,669 --> 01:08:24,880

it

1662

01:08:30,870 --> 01:08:29,679

and uh you know you could live very

1663

01:08:33,030 --> 01:08:30,880

comfortably

1664

01:08:34,390 --> 01:08:33,040

and not need money and have everything

1665

01:08:37,030 --> 01:08:34,400

you need so

1666

01:08:38,709 --> 01:08:37,040

it gives us a much you know anti-gravity

1667

01:08:40,630 --> 01:08:38,719

and free energy gives us a much much

1668

01:08:42,870 --> 01:08:40,640

greater level of freedom

1669

01:08:45,269 --> 01:08:42,880

and without being facetious i do truly

1670

01:08:46,149 --> 01:08:45,279

believe that we are on the cutting edge

1671

01:08:47,510 --> 01:08:46,159

of this

1672

01:08:48,950 --> 01:08:47,520

and so when you participate in the

1673

01:08:50,630 --> 01:08:48,960

disclosure you're actually getting to

1674

01:08:55,430 --> 01:08:50,640

see history in the making and that's

1675

01:09:01,349 --> 01:08:58,149

or we're getting to see your downfall

1676

01:09:03,110 --> 01:09:01,359

when you do not produce any of these

1677

01:09:05,990 --> 01:09:03,120

things that you're promising your

1678

01:09:07,189 --> 01:09:06,000

audience do you understand what a tall

1679

01:09:09,030 --> 01:09:07,199

order

1680

01:09:10,709 --> 01:09:09,040

you have

1681

01:09:12,149 --> 01:09:10,719

what kind of a corner you've backed

1682

01:09:14,070 --> 01:09:12,159

yourself into

1683

01:09:15,829 --> 01:09:14,080

if you don't produce a hover car with a

1684

01:09:17,829 --> 01:09:15,839

free energy device and a holographic

1685

01:09:19,749 --> 01:09:17,839

control system you're going to look like

1686

01:09:21,590 --> 01:09:19,759

a complete total liar

1687

01:09:23,749 --> 01:09:21,600

but you've been looking like a complete

1688

01:09:26,149 --> 01:09:23,759

and total liar for 20 years so i don't

1689

01:09:28,470 --> 01:09:26,159

think that that bothers him his ego is

1690

01:09:30,789 --> 01:09:28,480

so big that this clown who claims to

1691

01:09:33,030 --> 01:09:30,799

have a 180 iq by the way that would make

1692

01:09:35,030 --> 01:09:33,040

him smarter than einstein thinks that

1693

01:09:38,390 --> 01:09:35,040

he's going to be the father of any

1694

01:09:41,269 --> 01:09:38,400

gravity and free energy at the same time

1695

01:09:44,870 --> 01:09:42,709

you've got you have a nice list of

1696

01:09:46,789 --> 01:09:44,880

questions there do you want to look at

1697

01:09:48,950 --> 01:09:46,799

that list and see what

1698

01:09:50,709 --> 01:09:48,960

yeah he never takes questions and this

1699

01:09:51,990 --> 01:09:50,719

is great they're carefully you know

1700

01:09:53,910 --> 01:09:52,000

selected

1701

01:09:56,390 --> 01:09:53,920

questions from his true believer

1702

01:09:57,990 --> 01:09:56,400

followers if i was in there and i asked

1703

01:09:59,830 --> 01:09:58,000

him about all the scams he ran he

1704

01:10:02,870 --> 01:09:59,840

wouldn't answer any questions because

1705

01:10:05,270 --> 01:10:02,880

he's a coward and he won't he will not

1706

01:10:07,189 --> 01:10:05,280

engage with anybody who has valid

1707

01:10:08,790 --> 01:10:07,199

questions about all the scams he's run

1708

01:10:09,590 --> 01:10:08,800

in his life

1709

01:10:16,790 --> 01:10:09,600

at you

1710

01:10:20,390 --> 01:10:17,750

okay

1711

01:10:22,310 --> 01:10:20,400

this one's pretty good um

1712

01:10:24,470 --> 01:10:22,320

those of us who are not developing

1713

01:10:25,910 --> 01:10:24,480

information independently using our own

1714

01:10:28,310 --> 01:10:25,920

psychic abilities

1715

01:10:29,990 --> 01:10:28,320

are depending on those who are

1716

01:10:31,270 --> 01:10:30,000

to get a better picture of what is going

1717

01:10:33,669 --> 01:10:31,280

on around us

1718

01:10:36,709 --> 01:10:33,679

but how does one evaluate the various

1719

01:10:38,790 --> 01:10:36,719

different sources for reliability

1720

01:10:40,709 --> 01:10:38,800

i currently rely more heavily on data

1721

01:10:42,709 --> 01:10:40,719

achieved through direct human perception

1722

01:10:44,709 --> 01:10:42,719

remote viewing past life recalls why

1723

01:10:46,470 --> 01:10:44,719

should i believe other sources that

1724

01:10:49,750 --> 01:10:46,480

identify as e.t

1725

01:10:51,590 --> 01:10:49,760

higher dimensional or government insider

1726

01:10:53,669 --> 01:10:51,600

well again i think i think discernment

1727

01:10:55,430 --> 01:10:53,679

is very very important and yeah if

1728

01:10:57,430 --> 01:10:55,440

you're asking david wilcock what

1729

01:10:59,590 --> 01:10:57,440

information sources to trust

1730

01:11:01,910 --> 01:10:59,600

you're asking the wrong guy because this

1731

01:11:03,750 --> 01:11:01,920

guy trusts child molesters senile old

1732

01:11:07,030 --> 01:11:03,760

men and criminals

1733

01:11:09,590 --> 01:11:07,040

and uh con artists as his sources this

1734

01:11:11,750 --> 01:11:09,600

guy is so bad at vetting people in

1735

01:11:13,110 --> 01:11:11,760

research that he used a child molester

1736

01:11:16,870 --> 01:11:13,120

in an interview

1737

01:11:19,669 --> 01:11:16,880

he used a senile old man in interviews

1738

01:11:21,590 --> 01:11:19,679

talking about aliens asking him who you

1739

01:11:23,750 --> 01:11:21,600

should trust about

1740

01:11:25,590 --> 01:11:23,760

who who is trustworthy as far as sources

1741

01:11:29,110 --> 01:11:25,600

of information

1742

01:11:33,750 --> 01:11:29,120

it's not going to go well for you and

1743

01:11:37,030 --> 01:11:35,270

and we're going to get to the good stuff

1744

01:11:40,229 --> 01:11:37,040

where he talks about investing all of

1745

01:11:42,149 --> 01:11:40,239

his money with this new insider of his

1746

01:11:44,229 --> 01:11:42,159

chris beskar the guy who's been failing

1747

01:11:45,350 --> 01:11:44,239

at running an aerospace company for 25

1748

01:11:47,830 --> 01:11:45,360

years

1749

01:11:54,950 --> 01:11:47,840

uh yeah he's real proud of his moment of

1750

01:11:59,350 --> 01:11:57,350

all right remember is that

1751

01:12:01,030 --> 01:11:59,360

although nobody likes to spend money on

1752

01:12:02,709 --> 01:12:01,040

anything because we all we all have a

1753

01:12:05,510 --> 01:12:02,719

fixed amount of it and it keeps getting

1754

01:12:07,510 --> 01:12:05,520

reduced by food increases and embargoes

1755

01:12:10,630 --> 01:12:07,520

and all this crazy stuff

1756

01:12:12,790 --> 01:12:10,640

this is ammunition we are in a war here

1757

01:12:14,550 --> 01:12:12,800

and we are trying to save planet earth

1758

01:12:15,990 --> 01:12:14,560

from many different things that are

1759

01:12:17,830 --> 01:12:16,000

going on

1760

01:12:19,910 --> 01:12:17,840

and whether it's saving a country like

1761

01:12:21,669 --> 01:12:19,920

taiwan by giving them affordable uh

1762

01:12:23,510 --> 01:12:21,679

aircraft or whether it's

1763

01:12:25,110 --> 01:12:23,520

you know helping us to be able to fight

1764

01:12:27,590 --> 01:12:25,120

a space war that we probably are going

1765

01:12:29,990 --> 01:12:27,600

to need to be doing very soon

1766

01:12:33,030 --> 01:12:30,000

uh this is an investment in our future

1767

01:12:36,149 --> 01:12:33,040

it's an investment in humanities

1768

01:12:37,750 --> 01:12:36,159

yeah he's suggesting that giving him 333

1769

01:12:39,750 --> 01:12:37,760

dollars for this course is going to help

1770

01:12:41,430 --> 01:12:39,760

him save the world

1771

01:12:43,510 --> 01:12:41,440

because what did he do when he collected

1772

01:12:46,070 --> 01:12:43,520

seventy thousand dollars for a charity

1773

01:12:48,470 --> 01:12:46,080

he spent it on himself so anybody who

1774

01:12:50,630 --> 01:12:48,480

believes that giving this guy 333

1775

01:12:53,830 --> 01:12:50,640

dollars is an investment in humanity's

1776

01:12:55,830 --> 01:12:53,840

future is stupid it's an investment in

1777

01:12:58,070 --> 01:12:55,840

david wilcock continuing to live a

1778

01:13:00,149 --> 01:12:58,080

millionaire's lifestyle by the way in

1779

01:13:02,310 --> 01:13:00,159

that interview with mike adams he made

1780

01:13:05,189 --> 01:13:02,320

fun of people who had to eat from

1781

01:13:07,430 --> 01:13:05,199

dumpsters joking about let's do a

1782

01:13:10,310 --> 01:13:07,440

dumpster dive as a contest you know like

1783

01:13:12,550 --> 01:13:10,320

those people the homeless people

1784

01:13:14,149 --> 01:13:12,560

what kind of a spiritual guru makes fun

1785

01:13:16,630 --> 01:13:14,159

of people that have to dumpster dive and

1786

01:13:18,310 --> 01:13:16,640

eat out of dumpsters but here he is

1787

01:13:21,669 --> 01:13:18,320

telling everybody that if you just give

1788

01:13:23,669 --> 01:13:21,679

him 333 dollars he's going to create any

1789

01:13:25,189 --> 01:13:23,679

gravity and free energy and save the

1790

01:13:27,270 --> 01:13:25,199

human race

1791

01:13:29,590 --> 01:13:27,280

or if he's going to take that money and

1792

01:13:30,470 --> 01:13:29,600

spend it just like he did with the 70

1793

01:13:32,550 --> 01:13:30,480

000

1794

01:13:35,270 --> 01:13:32,560

he collected for his charity that he

1795

01:13:37,990 --> 01:13:35,280

never did any charitable works with

1796

01:13:39,750 --> 01:13:38,000

now investing in him is a fool's mission

1797

01:13:41,510 --> 01:13:39,760

what you're investing in is maybe he

1798

01:13:43,270 --> 01:13:41,520

could buy some new

1799

01:13:44,870 --> 01:13:43,280

fake teeth that cost even more than the

1800

01:13:47,590 --> 01:13:44,880

ones he has now maybe he'll get a gold

1801
01:13:50,149 --> 01:13:47,600
grill next right maybe he'll buy another

1802
01:13:51,830 --> 01:13:50,159
million dollar log cabin that's right

1803
01:13:54,790 --> 01:13:51,840
david wilcock bought a million dollar

1804
01:13:57,830 --> 01:13:54,800
log cabin with his ill-gotten gains

1805
01:14:00,550 --> 01:13:57,840
because nothing says manly like buying a

1806
01:14:03,270 --> 01:14:00,560
million-dollar log cabin mansion i've

1807
01:14:06,310 --> 01:14:03,280
said it before i'll say it again men

1808
01:14:08,470 --> 01:14:06,320
build cabins buy them

1809
01:14:12,390 --> 01:14:08,480
ascension really and and the michael

1810
01:14:17,270 --> 01:14:14,950
yeah here he mentions lulu the girl who

1811
01:14:19,510 --> 01:14:17,280
posted the gofundme scam is working for

1812
01:14:21,189 --> 01:14:19,520
him once again on this new scam and i

1813
01:14:23,910 --> 01:14:21,199

would just like to caution her you're

1814

01:14:25,910 --> 01:14:23,920

already probably in legal jeopardy over

1815

01:14:27,990 --> 01:14:25,920

that one scam you ran or helped david

1816

01:14:30,070 --> 01:14:28,000

wilcock run maybe you shouldn't be

1817

01:14:31,110 --> 01:14:30,080

involved with helping him run this new

1818

01:14:33,030 --> 01:14:31,120

scam

1819

01:14:35,350 --> 01:14:33,040

i i've never seen anything else like

1820

01:14:37,590 --> 01:14:35,360

this it's it's all written in a very

1821

01:14:38,790 --> 01:14:37,600

beautiful language and and so by the

1822

01:14:40,470 --> 01:14:38,800

time

1823

01:14:41,990 --> 01:14:40,480

we get to the point where i finish the

1824

01:14:43,669 --> 01:14:42,000

book and then i'm going to do the audio

1825

01:14:45,750 --> 01:14:43,679

version

1826

01:14:47,430 --> 01:14:45,760

i would expect that it will

1827

01:14:48,870 --> 01:14:47,440

listening to the audio version which may

1828

01:14:50,390 --> 01:14:48,880

not come out as quickly as the print

1829

01:14:52,070 --> 01:14:50,400

version that'll be the last big thing i

1830

01:14:54,709 --> 01:14:52,080

need to do

1831

01:14:57,510 --> 01:14:54,719

but when when we get there

1832

01:14:59,830 --> 01:14:57,520

hearing the the voice of michael reading

1833

01:15:01,830 --> 01:14:59,840

off these prophecies from 1999 knowing

1834

01:15:03,750 --> 01:15:01,840

that it's happening now

1835

01:15:05,350 --> 01:15:03,760

you will just cry and cry and cry and

1836

01:15:06,630 --> 01:15:05,360

cry and cry the whole

1837

01:15:08,470 --> 01:15:06,640

how are we going to hear the voice of

1838

01:15:10,470 --> 01:15:08,480

the archangel michael is that false

1839

01:15:12,229 --> 01:15:10,480

advertising too he just said that his

1840

01:15:14,390 --> 01:15:12,239

audio book is going to be voiced by the

1841

01:15:15,910 --> 01:15:14,400

voice of the archangel michael

1842

01:15:18,310 --> 01:15:15,920

can't wait to hear that voice of the

1843

01:15:20,229 --> 01:15:18,320

archangel michael you clown time because

1844

01:15:21,030 --> 01:15:20,239

what it shows us is god did not abandon

1845

01:15:22,790 --> 01:15:21,040

us

1846

01:15:24,390 --> 01:15:22,800

there is a god out there

1847

01:15:25,990 --> 01:15:24,400

that this is all being guarded and

1848

01:15:27,030 --> 01:15:26,000

protected and watched over very

1849

01:15:29,189 --> 01:15:27,040

carefully

1850

01:15:30,630 --> 01:15:29,199

uh this is this is close-up stuff man i

1851

01:15:32,149 --> 01:15:30,640

gotta be close up

1852

01:15:34,070 --> 01:15:32,159

we're we're being guided and watched

1853

01:15:35,270 --> 01:15:34,080

over very carefully we're being

1854

01:15:37,270 --> 01:15:35,280

protected

1855

01:15:40,470 --> 01:15:37,280

and we are not alone in the universe

1856

01:15:42,470 --> 01:15:40,480

this is as much proof as i've ever seen

1857

01:15:44,070 --> 01:15:42,480

and so all the uncertainty that we feel

1858

01:15:46,149 --> 01:15:44,080

about what's going to happen with you

1859

01:15:47,669 --> 01:15:46,159

know joe biden and the administration

1860

01:15:48,950 --> 01:15:47,679

and are they going to throw him out and

1861

01:15:51,110 --> 01:15:48,960

then put in harris or are they going to

1862

01:15:52,470 --> 01:15:51,120

get rid of harris and put in pelosi

1863

01:15:55,189 --> 01:15:52,480

what's going to happen where is this

1864

01:15:57,110 --> 01:15:55,199

going my god you know

1865

01:16:00,790 --> 01:15:57,120

look michael said there's not going to

1866

01:16:04,630 --> 01:16:03,110

this yeah and his prophetic information

1867

01:16:06,390 --> 01:16:04,640

is so great that one of his other

1868

01:16:07,590 --> 01:16:06,400

prophecies was that donald trump was

1869

01:16:09,590 --> 01:16:07,600

going to win

1870

01:16:12,470 --> 01:16:09,600

the last presidential

1871

01:16:14,229 --> 01:16:12,480

uh vote by a landslide

1872

01:16:16,229 --> 01:16:14,239

now we're supposed to believe that his

1873

01:16:18,550 --> 01:16:16,239

new prophetic source the archangel

1874

01:16:20,630 --> 01:16:18,560

michael has accurate information when

1875

01:16:23,669 --> 01:16:20,640

all of his other information has been so

1876

01:16:25,270 --> 01:16:23,679

incredibly fake and inaccurate

1877

01:16:27,510 --> 01:16:25,280

and again i bring up the test of a

1878

01:16:29,510 --> 01:16:27,520

prophet it's in the bible the testament

1879

01:16:31,669 --> 01:16:29,520

prophet states that one failed

1880

01:16:33,590 --> 01:16:31,679

prediction means that you are not a

1881

01:16:35,910 --> 01:16:33,600

prophet because god would not give a

1882

01:16:39,189 --> 01:16:35,920

profit fake information

1883

01:16:41,669 --> 01:16:39,199

maybe just maybe demons devils

1884

01:16:44,550 --> 01:16:41,679

or other negative spiritual entities

1885

01:16:45,910 --> 01:16:44,560

would give humans fake prophetic

1886

01:16:48,550 --> 01:16:45,920

information and maybe that's what's at

1887

01:16:50,870 --> 01:16:48,560

play here just my speculation

1888

01:16:52,709 --> 01:16:50,880

but none of david wilcox prophecies or

1889

01:16:55,350 --> 01:16:52,719

predictions ever come true which means

1890

01:16:58,390 --> 01:16:55,360

they're not coming from an angelic or

1891

01:17:00,950 --> 01:16:58,400

positive or god source they're coming

1892

01:17:03,350 --> 01:17:00,960

from an evil one this was a necessary

1893

01:17:06,470 --> 01:17:03,360

thing that we all had to go through

1894

01:17:09,110 --> 01:17:06,480

to foster our global awakening so

1895

01:17:10,870 --> 01:17:09,120

i'm very very grateful to

1896

01:17:12,470 --> 01:17:10,880

be able to have all this amazing

1897

01:17:14,630 --> 01:17:12,480

equipment you know i was able to set up

1898

01:17:16,630 --> 01:17:14,640

this three shot in one day

1899

01:17:18,310 --> 01:17:16,640

and so i've used this equipment to

1900

01:17:20,229 --> 01:17:18,320

really compete with hollywood on their

1901

01:17:21,590 --> 01:17:20,239

own terms you know we're we're not

1902

01:17:23,510 --> 01:17:21,600

coming in with crappy equipment we're

1903

01:17:26,790 --> 01:17:23,520

not coming in with crappy cameras we're

1904

01:17:28,709 --> 01:17:26,800

doing the best quality show that we can

1905

01:17:30,550 --> 01:17:28,719

by the way i'm able to do the same kind

1906

01:17:33,910 --> 01:17:30,560

of three camera shots that he's doing

1907

01:17:36,950 --> 01:17:33,920

right now and i did it with i i think

1908

01:17:40,790 --> 01:17:36,960

three thirty dollar webcams 1080p

1909

01:17:43,510 --> 01:17:40,800

webcams so you know i'm sorry mr wilcock

1910

01:17:45,510 --> 01:17:43,520

mr tech guy uh you know i don't care how

1911

01:17:47,350 --> 01:17:45,520

much money you spend it doesn't look

1912

01:17:49,830 --> 01:17:47,360

much better than mine and i spent 90

1913

01:17:52,870 --> 01:17:49,840

bucks i didn't spend thousands of

1914

01:17:56,070 --> 01:17:52,880

dollars of charity money to uh you know

1915

01:17:57,990 --> 01:17:56,080

buy tech toys for myself to do my show

1916

01:17:59,830 --> 01:17:58,000

and everything that i do i try to strive

1917

01:18:02,310 --> 01:17:59,840

for the highest possible quality and

1918

01:18:04,870 --> 01:18:02,320

perfection so that each new thing i do i

1919

01:18:06,630 --> 01:18:04,880

can say this is the best thing i've done

1920

01:18:08,149 --> 01:18:06,640

and for that same reason i do feel that

1921

01:18:09,189 --> 01:18:08,159

the disclosure is the best thing i've

1922

01:18:10,950 --> 01:18:09,199

done

1923

01:18:12,470 --> 01:18:10,960

i i create a quality standard you're

1924

01:18:14,070 --> 01:18:12,480

going to see in moment of truth where i

1925

01:18:15,910 --> 01:18:14,080

start downloading youtube videos and

1926

01:18:17,830 --> 01:18:15,920

adding a lot of b-roll and i've

1927

01:18:19,430 --> 01:18:17,840

continued that through the whole course

1928

01:18:21,590 --> 01:18:19,440

so it feels

1929

01:18:23,830 --> 01:18:21,600

more like a real documentary film which

1930

01:18:25,030 --> 01:18:23,840

it actually is it's a documentary film

1931

01:18:27,910 --> 01:18:25,040

series

1932

01:18:29,750 --> 01:18:27,920

in six week installments plus the all

1933

01:18:31,669 --> 01:18:29,760

these other things yeah and this is all

1934

01:18:33,110 --> 01:18:31,679

a pitch buy my course buy my course it's

1935

01:18:35,590 --> 01:18:33,120

so high quality

1936

01:18:37,990 --> 01:18:35,600

and i would just submit and suggest to

1937

01:18:39,830 --> 01:18:38,000

the audience that i don't think anybody

1938

01:18:42,950 --> 01:18:39,840

cares how good the video and audio

1939

01:18:45,990 --> 01:18:42,960

quality are if all of the content itself

1940

01:18:48,470 --> 01:18:46,000

is lies half truths cobbled together

1941

01:18:49,590 --> 01:18:48,480

garbage from all over the internet

1942

01:18:51,590 --> 01:18:49,600

prophetic

1943

01:18:53,669 --> 01:18:51,600

garbage that he says he's getting from

1944

01:18:55,590 --> 01:18:53,679

an angel that he can't prove he's

1945

01:18:57,350 --> 01:18:55,600

actually getting from an angel who cares

1946

01:19:00,550 --> 01:18:57,360

how high the quality of the video or the

1947

01:19:01,510 --> 01:19:00,560

audio is if it's all filled the content

1948

01:19:05,110 --> 01:19:01,520

of the

1949

01:19:07,430 --> 01:19:05,120

the content is all lies and garbage you

1950

01:19:09,030 --> 01:19:07,440

know you you could you can put what's

1951

01:19:12,550 --> 01:19:09,040

that saying you could put lipstick on a

1952

01:19:14,709 --> 01:19:12,560

pig it's still a pig david wilcock

1953

01:19:15,510 --> 01:19:14,719

it feels much more like that and less

1954

01:19:17,590 --> 01:19:15,520

like

1955

01:19:19,750 --> 01:19:17,600

oh yeah it's a video or oh yeah it's an

1956

01:19:22,550 --> 01:19:19,760

online course it's like no this is a

1957

01:19:24,310 --> 01:19:22,560

this is a film this is a an epic

1958

01:19:27,189 --> 01:19:24,320

documentary

1959

01:19:30,709 --> 01:19:27,199

on god the universe and everything hover

1960

01:19:33,590 --> 01:19:30,719

cars anti-gravity atlantis pyramids

1961

01:19:36,790 --> 01:19:33,600

extraterrestrial intelligence we we have

1962

01:19:39,750 --> 01:19:36,800

a new insider who has incredible

1963

01:19:41,110 --> 01:19:39,760

verifiable credentials as an aerospace

1964

01:19:43,110 --> 01:19:41,120

designer

1965

01:19:45,750 --> 01:19:43,120

yeah he has credentials as a guy who's

1966

01:19:47,590 --> 01:19:45,760

run a failed aerospace company for 25

1967

01:19:50,630 --> 01:19:47,600

years and has never produced a single

1968

01:19:51,830 --> 01:19:50,640

aircraft earlier in this broadcast you

1969

01:19:53,830 --> 01:19:51,840

said that he

1970

01:19:55,110 --> 01:19:53,840

worked for top secret government

1971

01:19:56,950 --> 01:19:55,120

projects and i would just like to

1972

01:19:59,430 --> 01:19:56,960

challenge you show us which top secret

1973

01:20:02,149 --> 01:19:59,440

government projects he worked for what

1974

01:20:03,510 --> 01:20:02,159

classified projects did he work for or

1975

01:20:04,709 --> 01:20:03,520

are you lying through your fake teeth

1976

01:20:06,310 --> 01:20:04,719

again

1977

01:20:09,990 --> 01:20:06,320

let's not get caught up in the fact that

1978

01:20:11,910 --> 01:20:10,000

stavani hasn't made anything yet

1979

01:20:14,310 --> 01:20:11,920

he's been listening to me

1980

01:20:17,350 --> 01:20:14,320

and his wife has been listening to me

1981

01:20:19,910 --> 01:20:17,360

and i think his wife has been on his ass

1982

01:20:23,189 --> 01:20:19,920

like david did you really give this

1983

01:20:25,910 --> 01:20:23,199

crisp scar all our money did he use a

1984

01:20:27,910 --> 01:20:25,920

million plus dollars of our money to buy

1985

01:20:29,830 --> 01:20:27,920

an airplane hangar because you think

1986

01:20:33,430 --> 01:20:29,840

he's gonna do something and we're gonna

1987

01:20:34,790 --> 01:20:33,440

make money out of this no

1988

01:20:36,950 --> 01:20:34,800

chris pascar

1989

01:20:39,030 --> 01:20:36,960

despite having an aircraft company for

1990

01:20:41,189 --> 01:20:39,040

25 years has not produced a single

1991

01:20:43,510 --> 01:20:41,199

prototype and we're going to see on his

1992

01:20:45,189 --> 01:20:43,520

website that he's lying right now to

1993

01:20:47,350 --> 01:20:45,199

people and investors and i'm going to

1994

01:20:49,189 --> 01:20:47,360

prove it to you in a short order the

1995

01:20:51,270 --> 01:20:49,199

only reason savati still exists is

1996

01:20:52,390 --> 01:20:51,280

because i kept it alive it was going to

1997

01:20:53,910 --> 01:20:52,400

die

1998

01:20:55,990 --> 01:20:53,920

there you go the company was going to go

1999

01:21:00,310 --> 01:20:56,000

out of business unless they got a huge

2000

01:21:04,470 --> 01:21:00,320

cash infusion from someone stupid

2001

01:21:06,550 --> 01:21:04,480

someone extremely naive extremely stupid

2002

01:21:09,830 --> 01:21:06,560

and extremely bad at research and

2003

01:21:10,950 --> 01:21:09,840

extremely bad at vetting people

2004

01:21:12,709 --> 01:21:10,960

and

2005

01:21:15,030 --> 01:21:12,719

let's just call it being a good judge of

2006

01:21:17,270 --> 01:21:15,040

character the company was going out of

2007

01:21:18,390 --> 01:21:17,280

business unless they got a huge cash

2008

01:21:19,910 --> 01:21:18,400

injection

2009

01:21:21,590 --> 01:21:19,920

who gave them that

2010

01:21:23,910 --> 01:21:21,600

this clown did

2011

01:21:24,790 --> 01:21:23,920

and he deserves everything that happens

2012

01:21:27,590 --> 01:21:24,800

next

2013

01:21:30,790 --> 01:21:27,600

because the money that he gave chris

2014

01:21:33,430 --> 01:21:30,800

pascar was all gained by lying through

2015

01:21:34,390 --> 01:21:33,440

his fake teeth to people for 20 years so

2016

01:21:36,629 --> 01:21:34,400

i think

2017

01:21:39,750 --> 01:21:36,639

him investing all of his money with

2018

01:21:40,709 --> 01:21:39,760

another guy who may indeed be a con

2019

01:21:43,430 --> 01:21:40,719

artist

2020

01:21:45,270 --> 01:21:43,440

is karma and i didn't want to see that

2021

01:21:46,870 --> 01:21:45,280

happen so i decided that instead of

2022

01:21:48,950 --> 01:21:46,880

letting this company die

2023

01:21:50,470 --> 01:21:48,960

i would put my own money in

2024

01:21:51,350 --> 01:21:50,480

and make sure that we get this thing to

2025

01:21:53,189 --> 01:21:51,360

happen

2026

01:21:55,030 --> 01:21:53,199

and elizabeth has been fully on board

2027

01:21:57,030 --> 01:21:55,040

with me which is amazing that the two of

2028

01:21:58,550 --> 01:21:57,040

us are able

2029

01:22:00,149 --> 01:21:58,560

elizabeth

2030

01:22:03,030 --> 01:22:00,159

i'm going to talk to you right now

2031

01:22:05,350 --> 01:22:03,040

you're the wife okay honey

2032

01:22:07,110 --> 01:22:05,360

and i just want to say i have nothing

2033

01:22:08,790 --> 01:22:07,120

personally against you even though i

2034

01:22:10,390 --> 01:22:08,800

would say that you have incredibly

2035

01:22:12,310 --> 01:22:10,400

terrible taste in men

2036

01:22:14,709 --> 01:22:12,320

uh

2037

01:22:15,430 --> 01:22:14,719

but you know i forgive you for that you

2038

01:22:17,110 --> 01:22:15,440

know

2039

01:22:19,270 --> 01:22:17,120

but here's the thing

2040

01:22:22,709 --> 01:22:19,280

you're the wife honey you're supposed to

2041

01:22:26,550 --> 01:22:22,719

be the practical one the voice of reason

2042

01:22:29,110 --> 01:22:26,560

if you let your dumbass husband invest

2043

01:22:31,350 --> 01:22:29,120

millions of dollars with a company that

2044

01:22:33,030 --> 01:22:31,360

has never produced a single product in

2045

01:22:35,350 --> 01:22:33,040

25 years

2046

01:22:37,430 --> 01:22:35,360

honey why would you let your husband put

2047

01:22:39,270 --> 01:22:37,440

all of your money that's your money too

2048

01:22:40,870 --> 01:22:39,280

right you're married half that money

2049

01:22:43,189 --> 01:22:40,880

belongs to you as soon as you're married

2050

01:22:45,510 --> 01:22:43,199

to this guy

2051
01:22:48,629 --> 01:22:45,520
elizabeth why would you let your husband

2052
01:22:50,870 --> 01:22:48,639
invest in somebody that has been taking

2053
01:22:54,709 --> 01:22:50,880
investment dollars from people for 25

2054
01:22:57,910 --> 01:22:54,719
years but has never produced a single

2055
01:23:00,709 --> 01:22:57,920
product never produced a single airplane

2056
01:23:02,149 --> 01:23:00,719
a single prototype that has flown

2057
01:23:10,229 --> 01:23:02,159
why

2058
01:23:11,110 --> 01:23:10,239
you let this clown spend all of your

2059
01:23:13,830 --> 01:23:11,120
money

2060
01:23:15,350 --> 01:23:13,840
on this other clown this is not going to

2061
01:23:17,669 --> 01:23:15,360
work out well

2062
01:23:19,510 --> 01:23:17,679
i don't think you you grew up with money

2063
01:23:22,229 --> 01:23:19,520

right elizabeth you're from an affluent

2064

01:23:24,790 --> 01:23:22,239

rich family you've never right

2065

01:23:26,470 --> 01:23:24,800

you've never had real jobs right i just

2066

01:23:28,870 --> 01:23:26,480

i don't see you

2067

01:23:31,030 --> 01:23:28,880

like working at burger king to help you

2068

01:23:33,350 --> 01:23:31,040

and david making make ends meet when

2069

01:23:36,470 --> 01:23:33,360

you're broke as from giving this

2070

01:23:40,470 --> 01:23:36,480

fake aerospace company all of your money

2071

01:23:43,669 --> 01:23:40,480

and elizabeth i beg you please go and

2072

01:23:46,070 --> 01:23:43,679

look into the officers of this company

2073

01:23:48,550 --> 01:23:46,080

that you let david put perhaps millions

2074

01:23:51,030 --> 01:23:48,560

of dollars into go

2075

01:23:54,470 --> 01:23:51,040

look into the people involved with this

2076

01:23:57,189 --> 01:23:54,480

company besides your husband

2077

01:23:59,110 --> 01:23:57,199

look into their backgrounds

2078

01:24:01,110 --> 01:23:59,120

i think if you do that you're going to

2079

01:24:02,390 --> 01:24:01,120

be very surprised and you're going to be

2080

01:24:04,870 --> 01:24:02,400

very angry

2081

01:24:06,790 --> 01:24:04,880

with your husband for pumping money into

2082

01:24:09,110 --> 01:24:06,800

this company

2083

01:24:11,189 --> 01:24:09,120

we'll just begin with bill mcewen the

2084

01:24:12,629 --> 01:24:11,199

chief operating officer of the company

2085

01:24:13,910 --> 01:24:12,639

that you let your husband put tons of

2086

01:24:16,390 --> 01:24:13,920

money into

2087

01:24:19,110 --> 01:24:16,400

bill mcewen collected investor money

2088

01:24:21,189 --> 01:24:19,120

for creating a new amiga computer and

2089

01:24:23,750 --> 01:24:21,199

operating system for over 10 years he

2090

01:24:25,430 --> 01:24:23,760

produced nothing no one knows where all

2091

01:24:27,510 --> 01:24:25,440

that money went

2092

01:24:29,990 --> 01:24:27,520

that's the chief operating officer of

2093

01:24:31,990 --> 01:24:30,000

the company that you let your husband

2094

01:24:35,189 --> 01:24:32,000

put all this money into

2095

01:24:37,350 --> 01:24:35,199

i am appealing to you as a woman right

2096

01:24:39,910 --> 01:24:37,360

if i ever decided to invest money my

2097

01:24:41,669 --> 01:24:39,920

wife would have to sign off on it she's

2098

01:24:43,990 --> 01:24:41,679

an accountant by the way and she's very

2099

01:24:45,990 --> 01:24:44,000

practical she would do her due diligence

2100

01:24:47,590 --> 01:24:46,000

and she would research the company i

2101

01:24:51,270 --> 01:24:47,600

wanted to invest in

2102

01:24:53,189 --> 01:24:51,280

elizabeth did you research these people

2103

01:24:55,350 --> 01:24:53,199

that your husband is involved with

2104

01:24:58,310 --> 01:24:55,360

elizabeth did you research the chief

2105

01:25:00,470 --> 01:24:58,320

operating officer and look at his super

2106

01:25:03,750 --> 01:25:00,480

scammy past

2107

01:25:05,270 --> 01:25:03,760

did you look into this crisp scar

2108

01:25:07,189 --> 01:25:05,280

did you see proof that he worked on

2109

01:25:10,390 --> 01:25:07,199

classified projects like your husband is

2110

01:25:13,510 --> 01:25:10,400

claiming in public videos that he did

2111

01:25:16,149 --> 01:25:13,520

why elizabeth would you let your husband

2112

01:25:19,430 --> 01:25:16,159

endanger your financial future

2113

01:25:21,669 --> 01:25:19,440

by investing in this pie in the sky

2114

01:25:23,910 --> 01:25:21,679

garbage company that has never done

2115

01:25:28,070 --> 01:25:23,920

anything other than produce drawings of

2116

01:25:33,750 --> 01:25:30,629

but again elizabeth you've sat right by

2117

01:25:36,470 --> 01:25:33,760

mr wilcock since you married him helping

2118

01:25:38,709 --> 01:25:36,480

him run his consumer scams you know he's

2119

01:25:40,629 --> 01:25:38,719

selling fake information you know he's

2120

01:25:42,470 --> 01:25:40,639

using rapists

2121

01:25:44,070 --> 01:25:42,480

and uh

2122

01:25:45,590 --> 01:25:44,080

criminal

2123

01:25:49,830 --> 01:25:45,600

sociopaths

2124

01:25:51,830 --> 01:25:49,840

and senile old men to sell alien stories

2125

01:25:54,310 --> 01:25:51,840

did you speak up to him did you say

2126

01:25:55,750 --> 01:25:54,320

excuse me david i'm your wife and i

2127

01:25:58,229 --> 01:25:55,760

don't think that you should be taking

2128

01:26:00,390 --> 01:25:58,239

advantage of a senile old man

2129

01:26:01,990 --> 01:26:00,400

excuse me david i'm your wife and i

2130

01:26:04,709 --> 01:26:02,000

don't think that you

2131

01:26:07,270 --> 01:26:04,719

should be running paypal scams for a guy

2132

01:26:09,590 --> 01:26:07,280

who was in the hospital drunk

2133

01:26:11,910 --> 01:26:09,600

not under attack by the deep state

2134

01:26:13,270 --> 01:26:11,920

excuse me david i'm your wife and i

2135

01:26:16,550 --> 01:26:13,280

don't think that you should be starting

2136

01:26:18,870 --> 01:26:16,560

a charity and then collecting 70 000 and

2137

01:26:20,310 --> 01:26:18,880

just spending all the money on yourself

2138

01:26:22,229 --> 01:26:20,320

but then

2139

01:26:24,709 --> 01:26:22,239

i suppose you benefited from all those

2140

01:26:27,270 --> 01:26:24,719

scams didn't you elizabeth

2141

01:26:29,270 --> 01:26:27,280

you must be real proud of yourself

2142

01:26:30,950 --> 01:26:29,280

every night when you look in the mirror

2143

01:26:33,270 --> 01:26:30,960

you got to say to yourself me and my

2144

01:26:36,149 --> 01:26:33,280

husband did a great job scamming people

2145

01:26:38,229 --> 01:26:36,159

today selling them fake information

2146

01:26:39,910 --> 01:26:38,239

making promises that will never deliver

2147

01:26:49,430 --> 01:26:39,920

on

2148

01:26:52,149 --> 01:26:49,440

to get by lying to people

2149

01:26:54,629 --> 01:26:52,159

no i suppose that

2150

01:26:57,270 --> 01:26:54,639

it's not just david wilcock

2151
01:26:59,750 --> 01:26:57,280
that has some karma to pay here maybe

2152
01:27:02,470 --> 01:26:59,760
it's you as well because after all

2153
01:27:04,310 --> 01:27:02,480
the wilcox spiritual foundation in which

2154
01:27:07,030 --> 01:27:04,320
you raised at least seventy thousand

2155
01:27:09,750 --> 01:27:07,040
dollars your name was on as well

2156
01:27:10,790 --> 01:27:09,760
you and david wilcock ran that scam

2157
01:27:13,110 --> 01:27:10,800
together

2158
01:27:15,189 --> 01:27:13,120
and maybe it was you and david wilcock

2159
01:27:17,430 --> 01:27:15,199
that spent four thousand dollars of that

2160
01:27:19,750 --> 01:27:17,440
charity's money on meals and

2161
01:27:21,750 --> 01:27:19,760
entertainment did you enjoy those fancy

2162
01:27:22,790 --> 01:27:21,760
meals that four thousand dollars worth

2163
01:27:25,110 --> 01:27:22,800

of meals

2164

01:27:26,709 --> 01:27:25,120

that people's charitable donations paid

2165

01:27:28,950 --> 01:27:26,719

for you to eat

2166

01:27:30,870 --> 01:27:28,960

you should be ashamed of yourselves

2167

01:27:32,950 --> 01:27:30,880

you should be ashamed of yourself

2168

01:27:34,870 --> 01:27:32,960

miss just like your you should be

2169

01:27:36,310 --> 01:27:34,880

ashamed of your husband how do you live

2170

01:27:37,750 --> 01:27:36,320

with yourself

2171

01:27:39,830 --> 01:27:37,760

knowing that you and your husband do

2172

01:27:41,590 --> 01:27:39,840

this and steal money from people and

2173

01:27:42,709 --> 01:27:41,600

never do the things you say that you're

2174

01:27:44,470 --> 01:27:42,719

gonna do

2175

01:27:47,669 --> 01:27:44,480

you're gonna help the world with your

2176

01:27:49,910 --> 01:27:47,679

charity you helped no one but yourself

2177

01:27:51,189 --> 01:27:49,920

david and you spent all the money on

2178

01:27:54,310 --> 01:27:51,199

yourselves

2179

01:27:55,830 --> 01:27:54,320

you couldn't be bothered miss rich lady

2180

01:27:58,310 --> 01:27:55,840

to make a peanut butter and jelly

2181

01:28:00,310 --> 01:27:58,320

sandwich and go down to a town and feed

2182

01:28:03,030 --> 01:28:00,320

a homeless person with that seventy

2183

01:28:05,270 --> 01:28:03,040

thousand dollars instead you and david

2184

01:28:06,470 --> 01:28:05,280

wilcock ate four thousand dollars worth

2185

01:28:07,590 --> 01:28:06,480

of meals

2186

01:28:09,510 --> 01:28:07,600

paid for

2187

01:28:11,270 --> 01:28:09,520

by people who thought that you were

2188

01:28:13,430 --> 01:28:11,280

going to help people and do charitable

2189

01:28:15,030 --> 01:28:13,440

work so they gave you some seventy

2190

01:28:16,629 --> 01:28:15,040

thousand dollars

2191

01:28:18,950 --> 01:28:16,639

and where's the other two years worth of

2192

01:28:20,870 --> 01:28:18,960

money elizabeth do you think that you're

2193

01:28:23,189 --> 01:28:20,880

just gonna get away with this

2194

01:28:25,430 --> 01:28:23,199

your name is on all the paperwork if

2195

01:28:28,070 --> 01:28:25,440

there's any criminal proceedings you're

2196

01:28:30,550 --> 01:28:28,080

gonna be included in them

2197

01:28:32,149 --> 01:28:30,560

if there's any problems with the irs

2198

01:28:34,629 --> 01:28:32,159

you're going to be included with those

2199

01:28:37,350 --> 01:28:34,639

problems you were an officer of that

2200

01:28:38,790 --> 01:28:37,360

charity that collected all that money we

2201
01:28:40,790 --> 01:28:38,800
know you collected seventy thousand

2202
01:28:42,229 --> 01:28:40,800
dollars it's reasonable to assume that

2203
01:28:44,070 --> 01:28:42,239
in the next two years maybe you

2204
01:28:45,910 --> 01:28:44,080
collected another 70.

2205
01:28:47,430 --> 01:28:45,920
uh let's just be

2206
01:28:49,830 --> 01:28:47,440
fair and say what if you just collected

2207
01:28:51,189 --> 01:28:49,840
seventy thousand dollars a year

2208
01:28:52,950 --> 01:28:51,199
that would be two hundred and ten

2209
01:28:55,189 --> 01:28:52,960
thousand dollars that you have to

2210
01:28:58,070 --> 01:28:55,199
explain to the irs

2211
01:29:02,390 --> 01:28:58,080
to the public and possibly to someone in

2212
01:29:04,950 --> 01:29:02,400
law enforcement where 210 000 went

2213
01:29:07,510 --> 01:29:04,960

why would you let him give all your

2214

01:29:10,149 --> 01:29:07,520

money to this aerospace company that

2215

01:29:12,470 --> 01:29:10,159

hasn't produced anything

2216

01:29:14,709 --> 01:29:12,480

you're a woman warrior you can't stand

2217

01:29:17,189 --> 01:29:14,719

up for yourself we see how david treats

2218

01:29:19,669 --> 01:29:17,199

you while you're working for him

2219

01:29:21,350 --> 01:29:19,679

i do feel bad for her but i think that

2220

01:29:24,870 --> 01:29:21,360

she's about to get what she deserves as

2221

01:29:26,870 --> 01:29:24,880

well for helping david with his various

2222

01:29:28,229 --> 01:29:26,880

scams since they were married able to

2223

01:29:30,390 --> 01:29:28,239

see eye to eye

2224

01:29:32,390 --> 01:29:30,400

and agree that we're going to take

2225

01:29:34,390 --> 01:29:32,400

basically all of our money and spend it

2226

01:29:36,390 --> 01:29:34,400

on a very aggressive very high risk

2227

01:29:37,910 --> 01:29:36,400

investment but that's what we've done

2228

01:29:39,430 --> 01:29:37,920

and it looks like it's all going to work

2229

01:29:41,669 --> 01:29:39,440

out very well

2230

01:29:43,270 --> 01:29:41,679

so again i want to thank all you guys it

2231

01:29:44,790 --> 01:29:43,280

looks like it's all going to work out

2232

01:29:47,189 --> 01:29:44,800

very well is that what you tell your

2233

01:29:49,189 --> 01:29:47,199

wife david wilcock don't worry honey i

2234

01:29:50,149 --> 01:29:49,199

know i invested virtually all of our

2235

01:29:51,430 --> 01:29:50,159

money

2236

01:29:53,510 --> 01:29:51,440

into this

2237

01:29:55,189 --> 01:29:53,520

investment

2238

01:29:57,189 --> 01:29:55,199

into this company being run by a guy

2239

01:29:59,830 --> 01:29:57,199

that hasn't produced a single product in

2240

01:30:01,750 --> 01:29:59,840

25 years

2241

01:30:03,669 --> 01:30:01,760

but it's all gonna work out honey is

2242

01:30:05,590 --> 01:30:03,679

that what he tells you when you worry or

2243

01:30:06,790 --> 01:30:05,600

when you ask him what's going on with

2244

01:30:11,270 --> 01:30:06,800

all of our money

2245

01:30:13,189 --> 01:30:11,280

you miss wilcock i'd be on the phone

2246

01:30:14,790 --> 01:30:13,199

with that company tomorrow wanting a

2247

01:30:16,629 --> 01:30:14,800

full accounting breakdown of where your

2248

01:30:19,430 --> 01:30:16,639

money is what they're doing with it and

2249

01:30:21,110 --> 01:30:19,440

when you will start receiving money back

2250

01:30:23,910 --> 01:30:21,120

when are they going to turn a profit

2251

01:30:25,990 --> 01:30:23,920

when is your investment going to make a

2252

01:30:26,790 --> 01:30:26,000

profit because i don't believe it ever

2253

01:30:28,790 --> 01:30:26,800

will

2254

01:30:32,229 --> 01:30:28,800

miss wilcock i believe

2255

01:30:34,470 --> 01:30:32,239

that you two scammers got scammed and i

2256

01:30:36,870 --> 01:30:34,480

can't say i'm unhappy about it because

2257

01:30:39,189 --> 01:30:36,880

after all it appears as if the bulk of

2258

01:30:42,310 --> 01:30:39,199

all your fortunes were made lying to

2259

01:30:44,790 --> 01:30:42,320

people so maybe this is karma coming

2260

01:30:46,470 --> 01:30:44,800

back to bite both of you guys for being

2261

01:30:49,270 --> 01:30:46,480

here thank you lulu i know you're about

2262

01:30:51,030 --> 01:30:49,280

to have to leave uh sweetheart did you

2263

01:30:52,629 --> 01:30:51,040

want to say anything because i i don't

2264

01:30:54,629 --> 01:30:52,639

know if we want to keep going or if we

2265

01:30:57,189 --> 01:30:54,639

should stop with louis

2266

01:30:58,870 --> 01:30:57,199

that's up to you but there's a few uh

2267

01:31:01,750 --> 01:30:58,880

important things important point i'd

2268

01:31:04,310 --> 01:31:01,760

like to talk about and one is

2269

01:31:07,990 --> 01:31:04,320

just as david is saying like we believe

2270

01:31:10,229 --> 01:31:08,000

in chris so much and he has created

2271

01:31:13,590 --> 01:31:10,239

airplanes before we talk about that in

2272

01:31:16,550 --> 01:31:13,600

the course and his history of um

2273

01:31:18,390 --> 01:31:16,560

right we're not allowed to disclose

2274

01:31:20,550 --> 01:31:18,400

most of the important projects that he

2275

01:31:23,350 --> 01:31:20,560

did that cost billions of dollars

2276

01:31:25,189 --> 01:31:23,360

again that's a lie he's never been

2277

01:31:26,790 --> 01:31:25,199

involved chris pascar has never been

2278

01:31:29,350 --> 01:31:26,800

involved in any project that cost

2279

01:31:32,470 --> 01:31:29,360

billions of dollars and now david

2280

01:31:34,629 --> 01:31:32,480

wilcock is going to make excuses for why

2281

01:31:36,629 --> 01:31:34,639

no one can see any airplane that he

2282

01:31:37,910 --> 01:31:36,639

produced and elizabeth is sitting here

2283

01:31:40,470 --> 01:31:37,920

saying well he did produce some

2284

01:31:42,709 --> 01:31:40,480

airplanes we talk about it in the course

2285

01:31:45,830 --> 01:31:42,719

show us show us videos of airplanes he

2286

01:31:47,030 --> 01:31:45,840

produced flying elizabeth you can't it's

2287

01:31:49,510 --> 01:31:47,040

a lie

2288

01:31:51,750 --> 01:31:49,520

and if you believed him that both of you

2289

01:31:53,990 --> 01:31:51,760

are stupid because there's ample and

2290

01:31:57,110 --> 01:31:54,000

supportive evidence that this man has

2291

01:31:59,110 --> 01:31:57,120

been let's just say

2292

01:32:00,790 --> 01:31:59,120

playing loose with the facts and

2293

01:32:02,470 --> 01:32:00,800

promoting his company looking for

2294

01:32:04,149 --> 01:32:02,480

investors for years

2295

01:32:05,830 --> 01:32:04,159

did you know elizabeth that he once

2296

01:32:07,189 --> 01:32:05,840

claimed that he had a contract or was

2297

01:32:11,350 --> 01:32:07,199

getting a contract with the united

2298

01:32:12,709 --> 01:32:11,360

states army to produce a laser weapon

2299

01:32:15,510 --> 01:32:12,719

then

2300

01:32:18,550 --> 01:32:15,520

when some people who cover reporters who

2301
01:32:19,750 --> 01:32:18,560
cover the aerospace and defense uh

2302
01:32:20,870 --> 01:32:19,760
industries

2303
01:32:24,470 --> 01:32:20,880
pressed

2304
01:32:26,629 --> 01:32:24,480
mr pascar on the status of the weapon

2305
01:32:29,110 --> 01:32:26,639
the contracts

2306
01:32:31,430 --> 01:32:29,120
he had to admit that they never built it

2307
01:32:33,669 --> 01:32:31,440
then he scrubbed all mention of that

2308
01:32:36,070 --> 01:32:33,679
laser weapon and the army

2309
01:32:37,590 --> 01:32:36,080
interest in such a laser weapon from his

2310
01:32:39,510 --> 01:32:37,600
website

2311
01:32:41,590 --> 01:32:39,520
why would he do that elizabeth why would

2312
01:32:43,990 --> 01:32:41,600
he do that david wilcock it was it

2313
01:32:45,590 --> 01:32:44,000

because that product didn't exist just

2314

01:32:47,030 --> 01:32:45,600

like all these airplanes which we're

2315

01:32:48,070 --> 01:32:47,040

going to show in a short order don't

2316

01:32:49,669 --> 01:32:48,080

exist

2317

01:32:51,030 --> 01:32:49,679

he's even telling people that the first

2318

01:32:53,030 --> 01:32:51,040

flight of some of his models of

2319

01:32:55,590 --> 01:32:53,040

airplanes will take place this year

2320

01:32:56,870 --> 01:32:55,600

which means he has 50 days to finish

2321

01:32:59,270 --> 01:32:56,880

building them

2322

01:33:02,149 --> 01:32:59,280

test flight them and make videos and

2323

01:33:04,470 --> 01:33:02,159

show investors otherwise

2324

01:33:06,950 --> 01:33:04,480

uh that could be considered investment

2325

01:33:08,629 --> 01:33:06,960

fraud just from the information that he

2326

01:33:10,470 --> 01:33:08,639

has on his website

2327

01:33:12,950 --> 01:33:10,480

but yeah he has already done these

2328

01:33:14,550 --> 01:33:12,960

problems we talk about what he uh

2329

01:33:17,750 --> 01:33:14,560

could talk about

2330

01:33:19,830 --> 01:33:17,760

right and david and i um have so much

2331

01:33:23,110 --> 01:33:19,840

faith in him that we really have

2332

01:33:24,709 --> 01:33:23,120

basically put all our money into it um

2333

01:33:27,350 --> 01:33:24,719

and

2334

01:33:28,709 --> 01:33:27,360

i like how you're laughing now elizabeth

2335

01:33:30,310 --> 01:33:28,719

let me know if you're still laughing

2336

01:33:31,830 --> 01:33:30,320

about all that money that you gave this

2337

01:33:33,669 --> 01:33:31,840

guy in two years

2338

01:33:35,590 --> 01:33:33,679

i can't wait to see if you're still

2339

01:33:37,510 --> 01:33:35,600

laughing about it so it's not considered

2340

01:33:39,750 --> 01:33:37,520

smart investing but it is smart if you

2341

01:33:41,830 --> 01:33:39,760

want to live on earth and have a future

2342

01:33:43,669 --> 01:33:41,840

so that's why it's not it's not really

2343

01:33:45,189 --> 01:33:43,679

easy to like you know talk your wife

2344

01:33:47,110 --> 01:33:45,199

into something like that but no it

2345

01:33:51,270 --> 01:33:47,120

wasn't honestly

2346

01:33:53,590 --> 01:33:51,280

it's uh it's it's chris it's chris's um

2347

01:33:55,830 --> 01:33:53,600

genuineness of character

2348

01:33:58,470 --> 01:33:55,840

um there's a lot of things that you know

2349

01:34:01,830 --> 01:33:58,480

a lot of things that david and i have uh

2350

01:34:03,910 --> 01:34:01,840

spoken to with chris that is not on film

2351

01:34:06,390 --> 01:34:03,920

and we can't put on film there are

2352

01:34:07,189 --> 01:34:06,400

reasons why we have that much faith in

2353

01:34:10,070 --> 01:34:07,199

him

2354

01:34:11,270 --> 01:34:10,080

um there are reasons why we want to see

2355

01:34:13,110 --> 01:34:11,280

this kind of

2356

01:34:14,870 --> 01:34:13,120

technology come out yeah and i just want

2357

01:34:16,629 --> 01:34:14,880

to say elizabeth

2358

01:34:18,229 --> 01:34:16,639

your husband had an incredible amount of

2359

01:34:19,830 --> 01:34:18,239

faith in corey good how did that work

2360

01:34:21,750 --> 01:34:19,840

out for you guys

2361

01:34:23,750 --> 01:34:21,760

right was that a beneficial relationship

2362

01:34:25,590 --> 01:34:23,760

for you and your husband

2363

01:34:28,149 --> 01:34:25,600

i would venture to guess not out to the

2364

01:34:30,229 --> 01:34:28,159

world because we really love planet

2365

01:34:31,990 --> 01:34:30,239

earth and we're talking about

2366

01:34:35,110 --> 01:34:32,000

technologies that can clean up the

2367

01:34:36,390 --> 01:34:35,120

oceans and radiation and the trash

2368

01:34:38,229 --> 01:34:36,400

i'll leak out one little thing

2369

01:34:40,629 --> 01:34:38,239

sweetheart um

2370

01:34:43,430 --> 01:34:40,639

we can be correct

2371

01:34:46,070 --> 01:34:43,440

and accurate in saying that chris has

2372

01:34:48,070 --> 01:34:46,080

never traveled through a stargate portal

2373

01:34:49,590 --> 01:34:48,080

that would be correct and accurate

2374

01:34:51,109 --> 01:34:49,600

okay we can talk about

2375

01:34:52,310 --> 01:34:51,119

he does not want to do that and he has

2376

01:34:54,149 --> 01:34:52,320

not done that

2377

01:34:56,550 --> 01:34:54,159

which implies that this person had

2378

01:34:57,830 --> 01:34:56,560

access to stargate or teleportation

2379

01:35:00,709 --> 01:34:57,840

technology

2380

01:35:03,189 --> 01:35:00,719

which is probably a lie and

2381

01:35:05,030 --> 01:35:03,199

you get this this is the new excuse now

2382

01:35:07,030 --> 01:35:05,040

david wilcock and his wife have been

2383

01:35:09,910 --> 01:35:07,040

watching my show they've been watching

2384

01:35:11,430 --> 01:35:09,920

my coverage of this scammy aircraft

2385

01:35:12,149 --> 01:35:11,440

company that they gave all their money

2386

01:35:17,109 --> 01:35:12,159

to

2387

01:35:19,430 --> 01:35:17,119

the reason that nobody could see any

2388

01:35:21,430 --> 01:35:19,440

airplanes that this person developed in

2389

01:35:23,109 --> 01:35:21,440

these billion-dollar projects that they

2390

01:35:25,990 --> 01:35:23,119

claim he worked on is because they were

2391

01:35:27,669 --> 01:35:26,000

classified sure they were just like pete

2392

01:35:29,750 --> 01:35:27,679

peterson's adventures in space were

2393

01:35:32,149 --> 01:35:29,760

classified just like corey goode's

2394

01:35:33,350 --> 01:35:32,159

adventures in space were classified

2395

01:35:35,430 --> 01:35:33,360

right

2396

01:35:37,590 --> 01:35:35,440

just like the the child molester that

2397

01:35:39,990 --> 01:35:37,600

david wilcock interviewed with carrie

2398

01:35:41,990 --> 01:35:40,000

cassidy bill brock raider his his

2399

01:35:46,310 --> 01:35:42,000

military service can't be verified

2400

01:35:47,510 --> 01:35:46,320

because it was classified sure sure

2401

01:35:49,030 --> 01:35:47,520

okay

2402

01:35:51,510 --> 01:35:49,040

you might have gotten around other ways

2403

01:35:53,990 --> 01:35:51,520

let's just put it that way

2404

01:35:57,430 --> 01:35:54,000

so there you know we you know we believe

2405

01:35:59,030 --> 01:35:57,440

in him that way and uh so that's why we

2406

01:36:00,470 --> 01:35:59,040

have invested

2407

01:36:03,430 --> 01:36:00,480

um there

2408

01:36:05,109 --> 01:36:03,440

but also i wanted to talk about uh a

2409

01:36:07,189 --> 01:36:05,119

little bit about the grander picture too

2410

01:36:09,910 --> 01:36:07,199

because you were talking about archangel

2411

01:36:11,430 --> 01:36:09,920

michael and i have no idea if this is

2412

01:36:13,990 --> 01:36:11,440

going to speaker view or not anymore

2413

01:36:16,070 --> 01:36:14,000

because i know for a while it wasn't um

2414

01:36:18,149 --> 01:36:16,080

and i don't see it i see it on david but

2415

01:36:19,590 --> 01:36:18,159

anyway i might just

2416

01:36:22,070 --> 01:36:19,600

let me see if i can

2417

01:36:24,470 --> 01:36:22,080

click on you or what for a while it was

2418

01:36:26,390 --> 01:36:24,480

just stuck and it wasn't moving we're

2419

01:36:28,550 --> 01:36:26,400

not yeah the father of any gravity

2420

01:36:30,550 --> 01:36:28,560

doesn't know how to work video cameras

2421

01:36:32,229 --> 01:36:30,560

right he's going to invent anti-gravity

2422

01:36:33,830 --> 01:36:32,239

technology and he's going to invent free

2423

01:36:35,270 --> 01:36:33,840

energy and he can't work a freaking

2424

01:36:36,790 --> 01:36:35,280

webcam

2425

01:36:39,189 --> 01:36:36,800

sounds plausible

2426

01:36:40,790 --> 01:36:39,199

we're not total uh maps i just pinned

2427

01:36:42,870 --> 01:36:40,800

you i don't know if that happens

2428

01:36:46,470 --> 01:36:42,880

i have no idea but anyway

2429

01:36:49,109 --> 01:36:46,480

um the law of one talks about the earth

2430

01:36:51,270 --> 01:36:49,119

plane being called the choice

2431

01:36:52,390 --> 01:36:51,280

and so it's a place for us to make a

2432

01:36:55,590 --> 01:36:52,400

choice

2433

01:36:58,149 --> 01:36:55,600

what are we aligned with what are we

2434

01:37:00,629 --> 01:36:58,159

devoted to what do we devote our spirit

2435

01:37:03,270 --> 01:37:00,639

and our soul to and that

2436

01:37:05,910 --> 01:37:03,280

uh word sale at new age nonstance uh

2437

01:37:08,550 --> 01:37:05,920

from his wife and we're done here

2438

01:37:10,390 --> 01:37:08,560

majorly i wanted to point out that both

2439

01:37:12,550 --> 01:37:10,400

david wilcock and elizabeth wilcock are

2440

01:37:13,990 --> 01:37:12,560

saying that they have invested all of

2441

01:37:16,310 --> 01:37:14,000

their money

2442

01:37:19,189 --> 01:37:16,320

into this company and i can't tell you

2443

01:37:21,669 --> 01:37:19,199

how glad i am they did

2444

01:37:24,470 --> 01:37:21,679

can't tell you how great i am they did

2445

01:37:26,390 --> 01:37:24,480

uh thank you cb for kind and generous 20

2446

01:37:29,189 --> 01:37:26,400

donation who says too bad the most

2447

01:37:31,030 --> 01:37:29,199

fascinating phenomena in my opinion ufos

2448

01:37:33,350 --> 01:37:31,040

is full of so many morons and scam

2449

01:37:34,470 --> 01:37:33,360

artists it's just sad yeah it makes me

2450

01:37:36,310 --> 01:37:34,480

sad as well

2451

01:37:38,149 --> 01:37:36,320

and i believe that we missed another

2452

01:37:41,189 --> 01:37:38,159

super chat let me find it

2453

01:37:43,189 --> 01:37:41,199

um i apologize i get a little uh hyper

2454

01:37:44,950 --> 01:37:43,199

focused when i'm uh watching and

2455

01:37:47,830 --> 01:37:44,960

listening to the video

2456

01:37:51,109 --> 01:37:47,840

trying to think of things to comment and

2457

01:37:53,590 --> 01:37:51,119

provide commentary for

2458

01:37:55,510 --> 01:37:53,600

uh let me check we will read all the

2459

01:37:58,550 --> 01:37:55,520

super chats at the end of the show as

2460

01:38:02,709 --> 01:38:00,550

oh but we have marina

2461

01:38:04,390 --> 01:38:02,719

mavrogenis with a dollar 49 super

2462

01:38:05,830 --> 01:38:04,400

sticker thank you both for your kindness

2463

01:38:07,350 --> 01:38:05,840

your generosity

2464

01:38:09,590 --> 01:38:07,360
and your support this is a viewer

2465

01:38:12,709 --> 01:38:09,600
supported show so if you want to support

2466

01:38:17,510 --> 01:38:14,709
there is a money button down there in

2467

01:38:18,709 --> 01:38:17,520
the live chat you just hit that uh if

2468

01:38:19,990 --> 01:38:18,719
you haven't already you might have to

2469

01:38:22,470 --> 01:38:20,000
put credit card or debit card

2470

01:38:24,950 --> 01:38:22,480
information in once but then you can

2471

01:38:26,709 --> 01:38:24,960
assess any amount of money you wish so i

2472

01:38:29,109 --> 01:38:26,719
would highly encourage you to throw a

2473

01:38:31,830 --> 01:38:29,119
few bucks in our hat if you want to see

2474

01:38:34,310 --> 01:38:31,840
continued coverage of these and honest

2475

01:38:36,709 --> 01:38:34,320
coverage right nobody's bringing you

2476

01:38:40,149 --> 01:38:36,719

this information that we bring you

2477

01:38:41,590 --> 01:38:40,159

that is uh counter to the scam

2478

01:38:43,430 --> 01:38:41,600

you know uh

2479

01:38:45,350 --> 01:38:43,440

narrative that people are selling out

2480

01:38:47,430 --> 01:38:45,360

there and i think it's important and

2481

01:38:49,830 --> 01:38:47,440

valuable work i'm glad for so many

2482

01:38:51,830 --> 01:38:49,840

people all around the world who agree

2483

01:38:53,109 --> 01:38:51,840

that this is important work

2484

01:38:54,790 --> 01:38:53,119

uh and i want to thank you for your

2485

01:38:57,030 --> 01:38:54,800

kindness your generosity and your

2486

01:39:01,030 --> 01:38:57,040

support and for helping us to praise the

2487

01:39:05,910 --> 01:39:03,990

raise you guys crazy guys crazy cash

2488

01:39:08,229 --> 01:39:05,920

thank you for your kindness

2489

01:39:12,900 --> 01:39:08,239

thank you for your generosity

2490

01:39:25,830 --> 01:39:12,910

crazy cash crazy cash raise the cash

2491

01:39:27,830 --> 01:39:25,840

[Music]

2492

01:39:29,590 --> 01:39:27,840

oh there we go sorry

2493

01:39:30,629 --> 01:39:29,600

i got thrown out of my own live stream

2494

01:39:33,270 --> 01:39:30,639

somehow

2495

01:39:36,070 --> 01:39:33,280

uh and we have another one i just saw

2496

01:39:37,750 --> 01:39:36,080

sorry i'm way far back in the chat

2497

01:39:39,750 --> 01:39:37,760

trying to get the uh you know i

2498

01:39:41,270 --> 01:39:39,760

apologize if i didn't get your super

2499

01:39:42,790 --> 01:39:41,280

chat up on the screen but we'll read

2500

01:39:45,030 --> 01:39:42,800

them all again

2501
01:39:46,229 --> 01:39:45,040
at the end just to make sure that we

2502
01:39:50,950 --> 01:39:46,239
have not

2503
01:39:52,950 --> 01:39:50,960
missing a five dollar one now

2504
01:39:55,990 --> 01:39:52,960
which i can't find to put up on the

2505
01:39:57,910 --> 01:39:56,000
screen my apologies once again uh but

2506
01:39:59,910 --> 01:39:57,920
it's from dorothy hawkins

2507
01:40:01,669 --> 01:39:59,920
uh who says the kind and generous five

2508
01:40:04,149 --> 01:40:01,679
dollar donation who says thank you for

2509
01:40:05,910 --> 01:40:04,159
pursuing truth in this field well thank

2510
01:40:08,310 --> 01:40:05,920
you for kindness your generosity and

2511
01:40:11,430 --> 01:40:08,320
your support every dollar that we get

2512
01:40:13,270 --> 01:40:11,440
you know goes back into the show and uh

2513
01:40:16,149 --> 01:40:13,280

you guys have my word

2514

01:40:17,189 --> 01:40:16,159

that i am not spending uh four thousand

2515

01:40:21,510 --> 01:40:17,199

dollars

2516

01:40:23,430 --> 01:40:21,520

of your money on meals and entertainment

2517

01:40:25,350 --> 01:40:23,440

first of all if i had four thousand

2518

01:40:27,350 --> 01:40:25,360

dollars i think meals and entertainment

2519

01:40:29,669 --> 01:40:27,360

would be the last thing that i would

2520

01:40:32,629 --> 01:40:29,679

spend five thousand dollars on

2521

01:40:33,990 --> 01:40:32,639

uh or four thousand dollars on uh i'm

2522

01:40:35,830 --> 01:40:34,000

cheap right

2523

01:40:39,189 --> 01:40:35,840

it's it's a lot for me to spring for

2524

01:40:40,709 --> 01:40:39,199

like burger king for the kids you know

2525

01:40:43,030 --> 01:40:40,719

i'm always like we got chicken nuggets

2526

01:40:46,070 --> 01:40:43,040

at home i got an air fryer just just

2527

01:40:50,470 --> 01:40:48,070

so thank you cb for kindness your

2528

01:40:53,189 --> 01:40:50,480

generosity your support for uh and and

2529

01:40:55,830 --> 01:40:53,199

thank you dorothy hawkins who also did

2530

01:40:57,990 --> 01:40:55,840

an amazing job doing transcripts of some

2531

01:40:59,910 --> 01:40:58,000

of our shows covering anjali and i want

2532

01:41:02,310 --> 01:40:59,920

to thank and recognize dorothy hawkins

2533

01:41:04,550 --> 01:41:02,320

for that and also thanks to

2534

01:41:06,629 --> 01:41:04,560

marina mavro genus i'll be thanking

2535

01:41:09,750 --> 01:41:06,639

everybody that throws a couple of bucks

2536

01:41:12,149 --> 01:41:09,760

in our hat um before the show ends we'll

2537

01:41:14,629 --> 01:41:12,159

read them all again uh that's what we do

2538

01:41:17,590 --> 01:41:14,639

here we like to read them all again oh

2539

01:41:19,590 --> 01:41:17,600

and there we go there's uh marina genus

2540

01:41:21,910 --> 01:41:19,600

with a kind and generous dollar 49 super

2541

01:41:23,910 --> 01:41:21,920

sticker long-time supporter of the show

2542

01:41:25,510 --> 01:41:23,920

continued supporter of the show

2543

01:41:27,669 --> 01:41:25,520

and there's goofon

2544

01:41:29,590 --> 01:41:27,679

uh with a kind and generous five dollar

2545

01:41:32,629 --> 01:41:29,600

donation i'm not sure how he's making

2546

01:41:34,470 --> 01:41:32,639

super chat donations to me um

2547

01:41:36,870 --> 01:41:34,480

when he's running a show right now i

2548

01:41:38,950 --> 01:41:36,880

believe himself but uh richmond goof on

2549

01:41:40,709 --> 01:41:38,960

says david wilcox a friggin alien who

2550

01:41:43,109 --> 01:41:40,719

doesn't know what the truth mean

2551
01:41:45,510 --> 01:41:43,119
hovering cars channeling areas he's a

2552
01:41:49,350 --> 01:41:45,520
number two in my world

2553
01:41:52,149 --> 01:41:49,360
and i think some of us got uh some

2554
01:41:53,910 --> 01:41:52,159
some kind of uh uh yeah we know what you

2555
01:41:55,590 --> 01:41:53,920
mean by number two

2556
01:41:57,430 --> 01:41:55,600
rich also says support the true secret

2557
01:41:59,590 --> 01:41:57,440
show he deserves it for his all his hard

2558
01:42:02,470 --> 01:41:59,600
work and best laugh on the net

2559
01:42:04,229 --> 01:42:02,480
yeah uh i i never knew that i had a

2560
01:42:05,030 --> 01:42:04,239
laugh that people enjoyed until i did

2561
01:42:07,750 --> 01:42:05,040
this

2562
01:42:10,149 --> 01:42:07,760
um on my radio show it was edited so i

2563
01:42:12,310 --> 01:42:10,159

don't think i really laughed very much

2564

01:42:16,310 --> 01:42:12,320

but since this is a live stream and i

2565

01:42:18,229 --> 01:42:16,320

like to laugh occasionally laugh right

2566

01:42:21,030 --> 01:42:18,239

out of mind is reminding us help us shut

2567

01:42:23,430 --> 01:42:21,040

down wilcox illegal 501c3 by reporting

2568

01:42:25,030 --> 01:42:23,440

him to irs.gov the more that report the

2569

01:42:26,390 --> 01:42:25,040

sooner he will be investigated blue

2570

01:42:28,470 --> 01:42:26,400

chickens are not a

2571

01:42:30,629 --> 01:42:28,480

religion he does no community service no

2572

01:42:32,229 --> 01:42:30,639

he does no charitable works with all the

2573

01:42:33,270 --> 01:42:32,239

money he collects he just spends it on

2574

01:42:34,390 --> 01:42:33,280

himself

2575

01:42:36,550 --> 01:42:34,400

right

2576

01:42:38,149 --> 01:42:36,560

kate schneider is here

2577

01:42:39,669 --> 01:42:38,159

and if that's the cage schneider i think

2578

01:42:41,750 --> 01:42:39,679

it is i haven't seen you in some time

2579

01:42:43,750 --> 01:42:41,760

it's good to see you here kate

2580

01:42:46,229 --> 01:42:43,760

says alien girl they do a lot of blow

2581

01:42:47,430 --> 01:42:46,239

too cocaine is a very powerful drug

2582

01:42:51,189 --> 01:42:47,440

right

2583

01:42:54,470 --> 01:42:53,189

goof on says i'm coming elizabeth this

2584

01:42:57,109 --> 01:42:54,480

is the big one

2585

01:43:02,709 --> 01:42:57,119

uh oh i'm not gonna comment on that but

2586

01:43:02,719 --> 01:43:06,229

oh no

2587

01:43:10,629 --> 01:43:08,390

yeah so uh we're gonna we're gonna cover

2588

01:43:12,070 --> 01:43:10,639

a few more things here before we end our

2589

01:43:13,030 --> 01:43:12,080

presentation

2590

01:43:14,550 --> 01:43:13,040

right

2591

01:43:16,310 --> 01:43:14,560

out of mind reminding people about the

2592

01:43:18,149 --> 01:43:16,320

copyright disclaimer

2593

01:43:20,229 --> 01:43:18,159

allowing for fair use everything we show

2594

01:43:21,830 --> 01:43:20,239

on our show is allowed under fair use

2595

01:43:25,270 --> 01:43:21,840

we're educating the public about david

2596

01:43:27,030 --> 01:43:25,280

wilcock and his various scams and uh you

2597

01:43:27,910 --> 01:43:27,040

know all the lies coming out of his fake

2598

01:43:33,109 --> 01:43:27,920

teeth

2599

01:43:37,109 --> 01:43:35,109

kate schneider says she's a sex energy

2600

01:43:38,950 --> 01:43:37,119

therapist or something along those lines

2601
01:43:40,709 --> 01:43:38,960
that what she was up to before they met

2602
01:43:45,590 --> 01:43:40,719
at least oh i never heard of that i know

2603
01:43:50,149 --> 01:43:47,750
she sounds like elizabeth holmes both

2604
01:43:51,590 --> 01:43:50,159
tenor and effect yeah maybe and there's

2605
01:43:54,149 --> 01:43:51,600
dorothy hawkins with the kind and

2606
01:43:55,990 --> 01:43:54,159
generous five dollar super chat hello

2607
01:43:57,830 --> 01:43:56,000
i'm getting lost in this live chat

2608
01:43:59,750 --> 01:43:57,840
trying to get oh we have a kind and

2609
01:44:02,070 --> 01:43:59,760
generous five dollar super chat from

2610
01:44:03,750 --> 01:44:02,080
sally van divord

2611
01:44:06,229 --> 01:44:03,760
oh what the hell you're my new favorite

2612
01:44:07,990 --> 01:44:06,239
show and a clown sticker thank you for

2613
01:44:10,709 --> 01:44:08,000

your kindness your generosity and your

2614

01:44:12,149 --> 01:44:10,719

support sally we really do appreciate it

2615

01:44:14,950 --> 01:44:12,159

i promise i won't spend your five

2616

01:44:16,870 --> 01:44:14,960

dollars on meals and entertainment

2617

01:44:18,070 --> 01:44:16,880

we do have some bills here to pay and by

2618

01:44:20,390 --> 01:44:18,080

the way i just want to mention that

2619

01:44:21,830 --> 01:44:20,400

we're going to be upgrading

2620

01:44:23,830 --> 01:44:21,840

there's two things in the works here

2621

01:44:25,189 --> 01:44:23,840

which is very exciting to me first of

2622

01:44:27,510 --> 01:44:25,199

all we're going to be upgrading stream

2623

01:44:29,350 --> 01:44:27,520

yard to the pro plan you know we have

2624

01:44:31,350 --> 01:44:29,360

the cheapest one which only lets you do

2625

01:44:33,350 --> 01:44:31,360

three streaming locations

2626

01:44:36,310 --> 01:44:33,360

um but i believe that the pro plan

2627

01:44:39,590 --> 01:44:36,320

allows you to stream to eight locations

2628

01:44:41,510 --> 01:44:39,600

so and also do 1080p so

2629

01:44:43,510 --> 01:44:41,520

well there's a few major upgrades in the

2630

01:44:46,070 --> 01:44:43,520

work for the the what i'm calling the

2631

01:44:48,550 --> 01:44:46,080

truth seekers distribution network

2632

01:44:51,030 --> 01:44:48,560

truthseekers is already available on all

2633

01:44:53,270 --> 01:44:51,040

major audio podcast platforms that means

2634

01:44:55,590 --> 01:44:53,280

spotify that means apple that means

2635

01:44:57,510 --> 01:44:55,600

amazon that means i heart radio

2636

01:44:59,510 --> 01:44:57,520

virtually anywhere that you get your

2637

01:45:01,189 --> 01:44:59,520

audio podcast just put in true seekers

2638

01:45:02,790 --> 01:45:01,199

look for me the guy with the sunglasses

2639

01:45:05,669 --> 01:45:02,800

and you'll find us

2640

01:45:08,709 --> 01:45:05,679

we also broadcast live here on youtube

2641

01:45:11,430 --> 01:45:08,719

on twitch and on facebook

2642

01:45:13,750 --> 01:45:11,440

but soon we'll be adding i believe it's

2643

01:45:17,030 --> 01:45:13,760

either three or five more streaming

2644

01:45:19,189 --> 01:45:17,040

locations that may mean bit shoot uh

2645

01:45:21,510 --> 01:45:19,199

that may mean odyssey uh you know i

2646

01:45:23,510 --> 01:45:21,520

don't know and also you may want to

2647

01:45:24,470 --> 01:45:23,520

check us out on odyssey because we have

2648

01:45:27,030 --> 01:45:24,480

begun

2649

01:45:28,870 --> 01:45:27,040

migrating our entire youtube channel

2650

01:45:31,109 --> 01:45:28,880

over on odyssey

2651

01:45:32,629 --> 01:45:31,119

and i'm very excited about being on

2652

01:45:34,950 --> 01:45:32,639

odyssey because it seems like a great

2653

01:45:38,390 --> 01:45:34,960

platform so far and

2654

01:45:40,709 --> 01:45:38,400

they backed up virtually our entire show

2655

01:45:43,270 --> 01:45:40,719

to their platform for some reason it

2656

01:45:45,030 --> 01:45:43,280

missed the last four

2657

01:45:46,790 --> 01:45:45,040

videos so i have to upload those

2658

01:45:48,870 --> 01:45:46,800

manually and as soon as i've done that

2659

01:45:50,629 --> 01:45:48,880

probably later tonight or tomorrow

2660

01:45:52,870 --> 01:45:50,639

i'll be sharing on my twitter please

2661

01:45:54,629 --> 01:45:52,880

follow me on twitter at stevencambian on

2662

01:45:57,030 --> 01:45:54,639

twitter i'll be sharing the link to

2663

01:45:59,590 --> 01:45:57,040

odyssey and you can enjoy all the the

2664

01:46:02,709 --> 01:45:59,600

seeker shows both on youtube

2665

01:46:04,629 --> 01:46:02,719

and on odyssey and unlike twitch

2666

01:46:07,109 --> 01:46:04,639

which only hosts about five shows and

2667

01:46:08,390 --> 01:46:07,119

they erase the late the older one to put

2668

01:46:10,870 --> 01:46:08,400

a new one

2669

01:46:13,510 --> 01:46:10,880

all every single truth seeker show ever

2670

01:46:15,350 --> 01:46:13,520

made will be available on odyssey uh

2671

01:46:17,990 --> 01:46:15,360

very shortly so i'm excited about the

2672

01:46:20,470 --> 01:46:18,000

upgrades and um your kind and generous

2673

01:46:22,070 --> 01:46:20,480

donations are what is allowing this

2674

01:46:24,790 --> 01:46:22,080

the super chats have picked up a little

2675

01:46:26,550 --> 01:46:24,800

bit so i can justify spending another 20

2676

01:46:29,030 --> 01:46:26,560

a month or whatever it is that stream

2677

01:46:31,430 --> 01:46:29,040

yard is charging us for those upgrades

2678

01:46:32,950 --> 01:46:31,440

not a big fan of uh pay by the month

2679

01:46:34,790 --> 01:46:32,960

software but streamer does most

2680

01:46:37,830 --> 01:46:34,800

everything that we need to do

2681

01:46:41,590 --> 01:46:37,840

so i'm happy that we get to do some

2682

01:46:43,270 --> 01:46:41,600

upgrades with some of this uh support

2683

01:46:45,189 --> 01:46:43,280

that people are giving us

2684

01:46:47,030 --> 01:46:45,199

i could also remind you that there's one

2685

01:46:48,790 --> 01:46:47,040

other way to support us which is well

2686

01:46:50,470 --> 01:46:48,800

two other ways three other ways you

2687

01:46:52,470 --> 01:46:50,480

could buy me a coffee the link is in the

2688

01:46:54,629 --> 01:46:52,480

description you can send a paypal

2689

01:46:57,030 --> 01:46:54,639

donation the link to do that is in the

2690

01:46:58,950 --> 01:46:57,040

description as well but please if you're

2691

01:47:01,430 --> 01:46:58,960

sending a paypal donation make sure that

2692

01:47:03,430 --> 01:47:01,440

you include your paypal user uh excuse

2693

01:47:05,430 --> 01:47:03,440

me your live chat

2694

01:47:07,590 --> 01:47:05,440

id because a lot of people are sending

2695

01:47:10,310 --> 01:47:07,600

me paypal donations with their real

2696

01:47:11,990 --> 01:47:10,320

names and not their chat room user id so

2697

01:47:13,030 --> 01:47:12,000

just add a note

2698

01:47:14,709 --> 01:47:13,040

and

2699

01:47:16,790 --> 01:47:14,719

you too

2700

01:47:17,990 --> 01:47:16,800

will be able to oh that girl jessica

2701
01:47:22,470 --> 01:47:18,000
look at this

2702
01:47:23,910 --> 01:47:22,480
supporters that we have here because i

2703
01:47:25,750 --> 01:47:23,920
just

2704
01:47:27,030 --> 01:47:25,760
i i didn't think there was any but i

2705
01:47:30,229 --> 01:47:27,040
checked in

2706
01:47:33,030 --> 01:47:30,239
uh we have a kind of generous uh six

2707
01:47:34,790 --> 01:47:33,040
dollar uh donation from

2708
01:47:37,669 --> 01:47:34,800
paul who says keep up the great work

2709
01:47:40,070 --> 01:47:37,679
love your show stephen from paul jay

2710
01:47:41,669 --> 01:47:40,080
uh we have threx with a kind and

2711
01:47:43,590 --> 01:47:41,679
generous

2712
01:47:45,350 --> 01:47:43,600
six dollar dinner let me get to this one

2713
01:47:47,750 --> 01:47:45,360

this is great with a kind of generous

2714

01:47:50,149 --> 01:47:47,760

six dollar and one cent donation who

2715

01:47:52,709 --> 01:47:50,159

says show us your tongue you reptilian

2716

01:47:54,149 --> 01:47:52,719

bastard all hail the dark fleet

2717

01:47:56,229 --> 01:47:54,159

well thank you for your kindness your

2718

01:47:58,070 --> 01:47:56,239

generosity and your support for x it

2719

01:47:59,910 --> 01:47:58,080

really does help move the show forward

2720

01:48:02,149 --> 01:47:59,920

we have that girl jessica

2721

01:48:04,790 --> 01:48:02,159

um longtime show supporter with another

2722

01:48:06,790 --> 01:48:04,800

kind and generous five dollar paypal

2723

01:48:08,470 --> 01:48:06,800

donation thank you that girl jessica for

2724

01:48:10,950 --> 01:48:08,480

your kindness your generosity and your

2725

01:48:12,950 --> 01:48:10,960

support and your continued support is

2726

01:48:15,750 --> 01:48:12,960

much much appreciated

2727

01:48:19,590 --> 01:48:15,760

uh then we have a kind and generous uh

2728

01:48:20,790 --> 01:48:19,600

donation from stacy uh with a kind and

2729

01:48:22,229 --> 01:48:20,800

generous

2730

01:48:24,470 --> 01:48:22,239

25

2731

01:48:26,629 --> 01:48:24,480

donation wow very very generous of you

2732

01:48:29,109 --> 01:48:26,639

stacy very generous of all of you but

2733

01:48:30,950 --> 01:48:29,119

especially generous stacy uh thank you

2734

01:48:34,390 --> 01:48:30,960

for your kindness your generosity and

2735

01:48:36,310 --> 01:48:34,400

your support and i see that you are in

2736

01:48:38,629 --> 01:48:36,320

new jersey and i just wanted to let you

2737

01:48:40,470 --> 01:48:38,639

know that i spent summers

2738

01:48:41,750 --> 01:48:40,480

very near where you live in new jersey

2739

01:48:43,430 --> 01:48:41,760

you happen to give me your shipping

2740

01:48:45,590 --> 01:48:43,440

address here which i'm not going to

2741

01:48:47,270 --> 01:48:45,600

share but i just want to share with you

2742

01:48:49,350 --> 01:48:47,280

that i spent every summer of my

2743

01:48:51,669 --> 01:48:49,360

childhood in browns mills new jersey

2744

01:48:53,750 --> 01:48:51,679

which is very close to where you are

2745

01:48:56,550 --> 01:48:53,760

and i used to drive through your town to

2746

01:48:58,629 --> 01:48:56,560

go to seaside heights with my parents

2747

01:49:01,270 --> 01:48:58,639

uh so interesting

2748

01:49:02,709 --> 01:49:01,280

you know uh it's a small world it's a

2749

01:49:04,149 --> 01:49:02,719

very small world stacey thank you for

2750

01:49:06,390 --> 01:49:04,159

your kindness your generosity and your

2751
01:49:08,149 --> 01:49:06,400
support so i have just a few more things

2752
01:49:11,189 --> 01:49:08,159
to share with you

2753
01:49:13,990 --> 01:49:11,199
uh and really some of this is not for my

2754
01:49:17,510 --> 01:49:14,000
benefit or the audience's benefit it is

2755
01:49:20,310 --> 01:49:17,520
for the benefit of uh

2756
01:49:23,430 --> 01:49:20,320
well to be honest elizabeth because i

2757
01:49:24,229 --> 01:49:23,440
want david wilcox wife elizabeth to know

2758
01:49:26,070 --> 01:49:24,239
what

2759
01:49:27,510 --> 01:49:26,080
his stupid husband just gave all their

2760
01:49:29,669 --> 01:49:27,520
money to

2761
01:49:31,430 --> 01:49:29,679
and i want to hopefully try to educate

2762
01:49:33,589 --> 01:49:31,440
her so that she can do something to get

2763
01:49:35,430 --> 01:49:33,599

back their money maybe or

2764

01:49:38,550 --> 01:49:35,440

uh yeah

2765

01:49:39,669 --> 01:49:38,560

okay so this is from apollo a site that

2766

01:49:41,510 --> 01:49:39,679

covers

2767

01:49:43,830 --> 01:49:41,520

uh different companies and can give you

2768

01:49:46,149 --> 01:49:43,840

company information

2769

01:49:48,629 --> 01:49:46,159

stavati aerospace details stavati

2770

01:49:50,229 --> 01:49:48,639

aerospace is an aircraft manufacturer

2771

01:49:52,550 --> 01:49:50,239

focused on the design and production of

2772

01:49:53,910 --> 01:49:52,560

military commercial and general aviation

2773

01:49:55,510 --> 01:49:53,920

aircraft

2774

01:49:57,189 --> 01:49:55,520

stravati was formed with a vision to

2775

01:49:59,030 --> 01:49:57,199

change the way aircraft are designed and

2776

01:50:00,709 --> 01:49:59,040

built in order to improve efficiency

2777

01:50:02,709 --> 01:50:00,719

quality safety and performance while

2778

01:50:04,229 --> 01:50:02,719

reducing the cost of ownership and

2779

01:50:06,870 --> 01:50:04,239

operation

2780

01:50:08,950 --> 01:50:06,880

but there's a real problem with calling

2781

01:50:11,270 --> 01:50:08,960

stavati aerospace an aircraft

2782

01:50:13,350 --> 01:50:11,280

manufacturer because not only have they

2783

01:50:15,510 --> 01:50:13,360

not manufactured any aircraft they've

2784

01:50:18,149 --> 01:50:15,520

never even built any

2785

01:50:21,030 --> 01:50:18,159

now this uh this

2786

01:50:24,149 --> 01:50:21,040

website says they have 12 employees

2787

01:50:27,030 --> 01:50:24,159

but if you look on there about stravati

2788

01:50:28,790 --> 01:50:27,040

on their company website

2789

01:50:33,750 --> 01:50:28,800

it appears as if

2790

01:50:35,430 --> 01:50:33,760

all their employees uh let me see 4 8 12

2791

01:50:36,709 --> 01:50:35,440

there's 16

2792

01:50:38,470 --> 01:50:36,719

listed

2793

01:50:40,629 --> 01:50:38,480

we're going to show you that

2794

01:50:43,030 --> 01:50:40,639

so let's share that this

2795

01:50:44,709 --> 01:50:43,040

information may be old and uh this one

2796

01:50:46,470 --> 01:50:44,719

website is claiming they have 12

2797

01:50:47,990 --> 01:50:46,480

employees

2798

01:50:51,030 --> 01:50:48,000

uh

2799

01:50:54,550 --> 01:50:51,040

but i i beg to differ because

2800

01:50:56,950 --> 01:50:54,560

here on their website uh they have let's

2801

01:50:59,189 --> 01:50:56,960

see 16 employees

2802

01:51:02,149 --> 01:50:59,199

and here's bill mcewen the king of

2803

01:51:04,229 --> 01:51:02,159

computer scammers that ran amiga

2804

01:51:06,550 --> 01:51:04,239

incorporated into the ground never

2805

01:51:08,390 --> 01:51:06,560

produced the amiga computer he promised

2806

01:51:09,910 --> 01:51:08,400

never produced the operating system he

2807

01:51:12,310 --> 01:51:09,920

promised in fact the people who did

2808

01:51:13,830 --> 01:51:12,320

wrote the operating system sued him and

2809

01:51:15,750 --> 01:51:13,840

won ownership

2810

01:51:18,229 --> 01:51:15,760

of that operating system because bill

2811

01:51:19,990 --> 01:51:18,239

mcewen owed them so much money at that

2812

01:51:22,229 --> 01:51:20,000

point that that was the settlement that

2813

01:51:25,030 --> 01:51:22,239

was reached bill mcewen took money for

2814

01:51:27,189 --> 01:51:25,040

investors for the amiga incorporated

2815

01:51:29,189 --> 01:51:27,199

company he was running claiming that

2816

01:51:31,830 --> 01:51:29,199

they would build a brand new amiga

2817

01:51:33,990 --> 01:51:31,840

computer and operating system that would

2818

01:51:36,950 --> 01:51:34,000

bring the amiga computer back into

2819

01:51:38,390 --> 01:51:36,960

prominence but he never did never

2820

01:51:40,470 --> 01:51:38,400

produced anything

2821

01:51:43,589 --> 01:51:40,480

but he did get sued by an awful lot of

2822

01:51:45,830 --> 01:51:43,599

people including people who invested

2823

01:51:48,149 --> 01:51:45,840

money with him and the family members of

2824

01:51:50,550 --> 01:51:48,159

people who invested money with him so

2825

01:51:52,950 --> 01:51:50,560

elizabeth just so you know

2826
01:51:54,390 --> 01:51:52,960
that company that your husband gave all

2827
01:51:56,709 --> 01:51:54,400
that money to

2828
01:51:59,350 --> 01:51:56,719
that is bill mcewen the chief operating

2829
01:52:01,270 --> 01:51:59,360
officer go check how many times he's

2830
01:52:04,070 --> 01:52:01,280
been sued

2831
01:52:07,430 --> 01:52:04,080
that's the quality of people that your

2832
01:52:09,830 --> 01:52:07,440
husband gave all that money to right

2833
01:52:12,229 --> 01:52:09,840
and here we have 16

2834
01:52:14,790 --> 01:52:12,239
people listed as employees

2835
01:52:16,709 --> 01:52:14,800
but none of these people are actually

2836
01:52:18,550 --> 01:52:16,719
people that will work in a plant or

2837
01:52:21,430 --> 01:52:18,560
assemble things

2838
01:52:24,149 --> 01:52:21,440

none of them uh even to

2839

01:52:25,270 --> 01:52:24,159

my knowledge so far in researching some

2840

01:52:27,510 --> 01:52:25,280

of these people

2841

01:52:29,589 --> 01:52:27,520

are actual engineers

2842

01:52:31,350 --> 01:52:29,599

i can't find any of these people who

2843

01:52:34,229 --> 01:52:31,360

have actually successfully built an

2844

01:52:35,350 --> 01:52:34,239

aircraft out of all of them

2845

01:52:38,070 --> 01:52:35,360

so

2846

01:52:39,589 --> 01:52:38,080

elizabeth your husband gave

2847

01:52:41,669 --> 01:52:39,599

all this money

2848

01:52:44,470 --> 01:52:41,679

to a company full of people with a

2849

01:52:45,589 --> 01:52:44,480

proven track record of nothing near as i

2850

01:52:47,510 --> 01:52:45,599

could tell

2851

01:52:49,669 --> 01:52:47,520

and hey i could be wrong

2852

01:52:51,910 --> 01:52:49,679

but when you take into account that

2853

01:52:54,229 --> 01:52:51,920

stavati aerospace has not produced a

2854

01:52:56,870 --> 01:52:54,239

single airplane and their chief

2855

01:52:59,510 --> 01:52:56,880

operating officer is bill mcewen

2856

01:53:01,990 --> 01:52:59,520

who most people in the computer

2857

01:53:05,030 --> 01:53:02,000

field will recognize as somebody that

2858

01:53:06,229 --> 01:53:05,040

ran a very very incredibly shady

2859

01:53:08,149 --> 01:53:06,239

operation

2860

01:53:09,990 --> 01:53:08,159

collecting tons of money in investments

2861

01:53:11,109 --> 01:53:10,000

and never producing the products that he

2862

01:53:13,990 --> 01:53:11,119

promised

2863

01:53:16,470 --> 01:53:14,000

gee maybe just maybe your husband should

2864

01:53:19,830 --> 01:53:16,480

have researched bill mcewen before he

2865

01:53:21,669 --> 01:53:19,840

gave him all of you and and his money

2866

01:53:23,910 --> 01:53:21,679

that might be a good idea

2867

01:53:25,109 --> 01:53:23,920

maybe he should have researched the

2868

01:53:26,790 --> 01:53:25,119

company

2869

01:53:27,669 --> 01:53:26,800

uh before

2870

01:53:33,270 --> 01:53:27,679

he

2871

01:53:35,510 --> 01:53:33,280

i mean it's just just my just my

2872

01:53:37,030 --> 01:53:35,520

take right

2873

01:53:38,229 --> 01:53:37,040

just my take

2874

01:53:40,470 --> 01:53:38,239

and here we see

2875

01:53:41,910 --> 01:53:40,480

a brief history of the company

2876

01:53:44,550 --> 01:53:41,920

and of course now i'm going to have

2877

01:53:45,990 --> 01:53:44,560

problems finding it but there is uh one

2878

01:53:48,229 --> 01:53:46,000

other thing that i really wanted to

2879

01:53:50,310 --> 01:53:48,239

share that is very telling

2880

01:53:51,830 --> 01:53:50,320

okay here we go i failed it of course i

2881

01:53:53,189 --> 01:53:51,840

find it right after i stop the screen

2882

01:53:55,030 --> 01:53:53,199

share so we're going to

2883

01:53:56,870 --> 01:53:55,040

cite fair use this is a public website

2884

01:53:59,109 --> 01:53:56,880

but we are still citing fair use we're

2885

01:54:01,830 --> 01:53:59,119

educating the public about the scammy

2886

01:54:04,229 --> 01:54:01,840

company that david wilcock is now

2887

01:54:05,910 --> 01:54:04,239

um oh that's the wrong one we're

2888

01:54:07,350 --> 01:54:05,920

educating the public about this company

2889

01:54:09,910 --> 01:54:07,360

that david wilcock has apparently

2890

01:54:11,589 --> 01:54:09,920

invested all of his and his wife's money

2891

01:54:14,470 --> 01:54:11,599

into

2892

01:54:16,550 --> 01:54:14,480

stavani aerospace so to see how we have

2893

01:54:19,030 --> 01:54:16,560

a problem with

2894

01:54:21,350 --> 01:54:19,040

this company misleading the public

2895

01:54:23,750 --> 01:54:21,360

misleading investors

2896

01:54:24,790 --> 01:54:23,760

right on their about to body

2897

01:54:27,430 --> 01:54:24,800

page

2898

01:54:29,109 --> 01:54:27,440

they show all these aircraft and look

2899

01:54:32,390 --> 01:54:29,119

what we see here

2900

01:54:34,790 --> 01:54:32,400

here is the sm-31 stiletto supersonic

2901
01:54:37,350 --> 01:54:34,800
trainer and light fighter and look what

2902
01:54:39,830 --> 01:54:37,360
it says its first flight will be in

2903
01:54:41,830 --> 01:54:39,840
2021.

2904
01:54:44,390 --> 01:54:41,840
so i just want to ask david wilcock and

2905
01:54:45,990 --> 01:54:44,400
his wife if the company that you gave

2906
01:54:49,109 --> 01:54:46,000
all your money to is saying that they

2907
01:54:51,669 --> 01:54:49,119
have this aircraft the sm-31 stiletto

2908
01:54:54,629 --> 01:54:51,679
supersonic trainer and light fighter and

2909
01:54:56,870 --> 01:54:54,639
its first flight will be in 2021

2910
01:54:58,550 --> 01:54:56,880
uh why did you guys show an empty

2911
01:55:01,030 --> 01:54:58,560
aircraft hangar couldn't you have at

2912
01:55:02,470 --> 01:55:01,040
least shown us that aircraft after all

2913
01:55:05,189 --> 01:55:02,480

i would assume that it has to be

2914

01:55:07,669 --> 01:55:05,199

assembled engineered and built already

2915

01:55:10,550 --> 01:55:07,679

and prototyped if it's first flight is

2916

01:55:12,390 --> 01:55:10,560

going to be in 2021

2917

01:55:14,149 --> 01:55:12,400

if you had an aircraft whose first

2918

01:55:15,830 --> 01:55:14,159

flight was going to be in 2021 wouldn't

2919

01:55:18,629 --> 01:55:15,840

you put it in that aircraft hangar would

2920

01:55:20,470 --> 01:55:18,639

you store it there when you show it to

2921

01:55:21,990 --> 01:55:20,480

people

2922

01:55:26,470 --> 01:55:22,000

or

2923

01:55:28,950 --> 01:55:26,480

all the other people involved in this

2924

01:55:31,589 --> 01:55:28,960

company have done nothing for 25 years

2925

01:55:35,669 --> 01:55:34,470

nice cgi drawings of airplanes that

2926

01:55:37,270 --> 01:55:35,679

don't exist

2927

01:55:39,030 --> 01:55:37,280

they haven't engineered them they

2928

01:55:41,270 --> 01:55:39,040

haven't prototyped them they haven't

2929

01:55:44,390 --> 01:55:41,280

test flown them

2930

01:55:47,189 --> 01:55:44,400

so far all we have from this company

2931

01:55:49,270 --> 01:55:47,199

is david wilcock 3d printing what

2932

01:55:51,750 --> 01:55:49,280

amounts to gi joe toys

2933

01:55:53,350 --> 01:55:51,760

in the form of little toy airplanes made

2934

01:55:55,030 --> 01:55:53,360

from a 3d printer

2935

01:55:57,830 --> 01:55:55,040

we've got the company telling you that

2936

01:56:00,870 --> 01:55:57,840

their sm-31 stiletos supersonic trainer

2937

01:56:03,430 --> 01:56:00,880

and light fighter from the 2021 for will

2938

01:56:05,669 --> 01:56:03,440

have its first flight in 2021 and i

2939

01:56:07,109 --> 01:56:05,679

would just submit to you elizabeth and

2940

01:56:09,189 --> 01:56:07,119

you david

2941

01:56:11,430 --> 01:56:09,199

where's that airplane at if its first

2942

01:56:15,430 --> 01:56:11,440

flight is in 2021

2943

01:56:17,910 --> 01:56:15,440

next we have the sn 27 machete turboprop

2944

01:56:21,430 --> 01:56:17,920

close air support again

2945

01:56:23,350 --> 01:56:21,440

listing its first flight as 2021.

2946

01:56:29,589 --> 01:56:23,360

wouldn't that aircraft be engineered

2947

01:56:34,149 --> 01:56:31,910

why would you show an empty airplane

2948

01:56:35,589 --> 01:56:34,159

hanger if you've got two models of

2949

01:56:38,390 --> 01:56:35,599

aircraft that you claim that your

2950

01:56:41,669 --> 01:56:38,400

company is going to be manufacturing

2951

01:56:43,109 --> 01:56:41,679

whose first flight is in the year 2021 i

2952

01:56:45,750 --> 01:56:43,119

mean we've got

2953

01:56:49,589 --> 01:56:45,760

something like

2954

01:56:52,310 --> 01:56:49,599

50 days 51 days perhaps left in 2021

2955

01:56:53,270 --> 01:56:52,320

yeah 2021 is going to be over soon

2956

01:56:55,430 --> 01:56:53,280

so

2957

01:56:57,109 --> 01:56:55,440

elizabeth and david wilcock that means

2958

01:56:58,709 --> 01:56:57,119

that your company that you've invested

2959

01:57:01,270 --> 01:56:58,719

all of your money into

2960

01:57:05,910 --> 01:57:01,280

has 50 days to show

2961

01:57:08,629 --> 01:57:05,920

build test fly all these two airplanes

2962

01:57:15,189 --> 01:57:08,639

or they're lying to investors and the

2963

01:57:18,149 --> 01:57:16,229

this

2964

01:57:21,270 --> 01:57:18,159

my friends is what

2965

01:57:23,669 --> 01:57:21,280

chris pascar has done for the past 25

2966

01:57:26,790 --> 01:57:23,679

years he's made nice drawings of

2967

01:57:28,790 --> 01:57:26,800

airplanes oh here we see the sm-39 razor

2968

01:57:30,870 --> 01:57:28,800

air dominance fighter

2969

01:57:32,310 --> 01:57:30,880

that one's not going to fly until 2028

2970

01:57:35,030 --> 01:57:32,320

but here we have

2971

01:57:36,390 --> 01:57:35,040

one that's supposed to fly in 2022 so

2972

01:57:39,030 --> 01:57:36,400

you have just

2973

01:57:41,589 --> 01:57:39,040

50 days in one year to make that a

2974

01:57:43,750 --> 01:57:41,599

reality or you're lying to investors and

2975

01:57:46,950 --> 01:57:43,760

lying to the public on your public

2976

01:57:52,550 --> 01:57:48,870

david and elizabeth wilcock don't

2977

01:57:54,550 --> 01:57:52,560

understand the ridiculousness of this

2978

01:57:57,350 --> 01:57:54,560

because surely

2979

01:57:59,030 --> 01:57:57,360

a reputable aerospace company who's

2980

01:58:00,790 --> 01:57:59,040

putting on their website that we have

2981

01:58:02,790 --> 01:58:00,800

these two airplanes whose first flight

2982

01:58:04,310 --> 01:58:02,800

is going to be in 2021

2983

01:58:07,189 --> 01:58:04,320

they'd be able to show us both those

2984

01:58:09,669 --> 01:58:07,199

airplanes right now not 3d printed toy

2985

01:58:11,189 --> 01:58:09,679

models that david wilcox showed us but

2986

01:58:12,870 --> 01:58:11,199

the real

2987

01:58:16,149 --> 01:58:12,880

aircraft

2988

01:58:19,430 --> 01:58:16,159

and they can and they won't because this

2989

01:58:22,390 --> 01:58:19,440

is the pattern of chris pascas hype hype

2990

01:58:23,910 --> 01:58:22,400

hype drawing drawing drawing and nothing

2991

01:58:26,550 --> 01:58:23,920

ever gets built

2992

01:58:28,870 --> 01:58:26,560

nothing ever gets manufactured nothing

2993

01:58:30,709 --> 01:58:28,880

ever gets test flown we just get some

2994

01:58:32,629 --> 01:58:30,719

pretty pictures of some cool looking

2995

01:58:34,870 --> 01:58:32,639

airplanes and i'll give them that that's

2996

01:58:37,990 --> 01:58:34,880

a cool looking airplanes but i could do

2997

01:58:40,470 --> 01:58:38,000

the same thing in blender doesn't mean

2998

01:58:42,070 --> 01:58:40,480

that i'm an aircraft uh you know

2999

01:58:48,229 --> 01:58:42,080

ceo

3000

01:58:49,910 --> 01:58:48,239

would be able to show you airplanes that

3001

01:58:52,229 --> 01:58:49,920

he designed

3002

01:58:53,750 --> 01:58:52,239

airplanes that he prototyped and test

3003

01:58:55,350 --> 01:58:53,760

flew

3004

01:58:57,830 --> 01:58:55,360

no friends

3005

01:58:59,589 --> 01:58:57,840

there is no

3006

01:59:02,149 --> 01:58:59,599

airplanes

3007

01:59:04,149 --> 01:59:02,159

in this company's future not real ones

3008

01:59:06,709 --> 01:59:04,159

anyway

3009

01:59:08,070 --> 01:59:06,719

do you guys have any idea i reached out

3010

01:59:10,870 --> 01:59:08,080

to a few people

3011

01:59:13,510 --> 01:59:10,880

uh one of which works at boeing

3012

01:59:15,430 --> 01:59:13,520

and i asked him how long does it take

3013

01:59:17,030 --> 01:59:15,440

from start to finish

3014

01:59:20,950 --> 01:59:17,040

to design

3015

01:59:23,109 --> 01:59:20,960

prototype and build a new airplane model

3016

01:59:23,910 --> 01:59:23,119

if your company wanted to do it and he

3017

01:59:25,750 --> 01:59:23,920

said

3018

01:59:27,830 --> 01:59:25,760

five years minimum

3019

01:59:28,629 --> 01:59:27,840

now he could be wrong

3020

01:59:30,950 --> 01:59:28,639

but

3021

01:59:33,430 --> 01:59:30,960

he really does work at boeing and i

3022

01:59:35,990 --> 01:59:33,440

could show you airplanes that that guy

3023

01:59:37,910 --> 01:59:36,000

helped develop he's a real person you

3024

01:59:40,149 --> 01:59:37,920

know he's not one of david wilcox

3025

01:59:41,270 --> 01:59:40,159

imaginary friends

3026
01:59:43,669 --> 01:59:41,280
he said

3027
01:59:46,229 --> 01:59:43,679
from start to finish it would take about

3028
01:59:48,390 --> 01:59:46,239
five years for even a company like

3029
01:59:49,830 --> 01:59:48,400
boeing with all of those

3030
01:59:52,709 --> 01:59:49,840
resources

3031
01:59:54,390 --> 01:59:52,719
all that brain power imagine

3032
01:59:57,030 --> 01:59:54,400
how smart

3033
01:59:59,270 --> 01:59:57,040
the engineers at boeing are when you

3034
02:00:02,070 --> 01:59:59,280
take them in total like they've got

3035
02:00:05,430 --> 02:00:02,080
hundreds and hundreds and hundreds of

3036
02:00:07,750 --> 02:00:05,440
aircraft engineers working for them

3037
02:00:10,149 --> 02:00:07,760
and even for boeing it would take five

3038
02:00:13,109 --> 02:00:10,159

years to design

3039

02:00:15,830 --> 02:00:13,119

build and test flight prototypes working

3040

02:00:18,629 --> 02:00:15,840

prototypes of new airplane designs

3041

02:00:21,030 --> 02:00:18,639

but somehow david wilcox company is

3042

02:00:22,870 --> 02:00:21,040

going to produce six different airplanes

3043

02:00:26,390 --> 02:00:22,880

in a few years

3044

02:00:27,430 --> 02:00:26,400

i'm sorry i called bs on that on that

3045

02:00:28,709 --> 02:00:27,440

claim

3046

02:00:31,189 --> 02:00:28,719

and uh

3047

02:00:33,109 --> 02:00:31,199

i certainly called bs on david wilcox

3048

02:00:35,830 --> 02:00:33,119

claim that they are going to produce

3049

02:00:37,510 --> 02:00:35,840

hover cars within one year a working

3050

02:00:39,669 --> 02:00:37,520

prototype hover car

3051
02:00:41,510 --> 02:00:39,679
right and besides what are the odds this

3052
02:00:43,669 --> 02:00:41,520
guy couldn't even make a standard

3053
02:00:44,950 --> 02:00:43,679
airplane but he's somehow going to

3054
02:00:47,830 --> 02:00:44,960
produce

3055
02:00:49,430 --> 02:00:47,840
an incredibly exotic thing like a hover

3056
02:00:51,430 --> 02:00:49,440
car

3057
02:00:53,350 --> 02:00:51,440
or is this going to be some kind of scam

3058
02:00:55,030 --> 02:00:53,360
where he's going to call it a hover car

3059
02:00:57,189 --> 02:00:55,040
but it's just going to use turbo props

3060
02:00:58,470 --> 02:00:57,199
or something to get it off the ground a

3061
02:00:59,510 --> 02:00:58,480
few feet

3062
02:01:01,109 --> 02:00:59,520
i don't know

3063
02:01:02,950 --> 02:01:01,119

rebecca turner commenting that her

3064

02:01:05,350 --> 02:01:02,960

stepdad was a senior engineer at boeing

3065

02:01:06,950 --> 02:01:05,360

yeah go ask him how long it takes to get

3066

02:01:09,830 --> 02:01:06,960

an aircraft from

3067

02:01:12,149 --> 02:01:09,840

you know a brand new aircraft from

3068

02:01:13,270 --> 02:01:12,159

nothing to prototype and test flight

3069

02:01:15,350 --> 02:01:13,280

stage

3070

02:01:17,430 --> 02:01:15,360

uh i asked a few people that i know work

3071

02:01:22,950 --> 02:01:17,440

for aircraft companies and most of them

3072

02:01:27,669 --> 02:01:25,589

yeah david quick take out a full-page ad

3073

02:01:29,750 --> 02:01:27,679

in aw and st

3074

02:01:32,229 --> 02:01:29,760

which is a magazine that covers the

3075

02:01:34,790 --> 02:01:32,239

aerospace and defense industry

3076

02:01:37,270 --> 02:01:34,800

so you can give 30 000 aerospace

3077

02:01:39,830 --> 02:01:37,280

engineers a laugh yeah but now and

3078

02:01:43,030 --> 02:01:41,030

elizabeth

3079

02:01:44,310 --> 02:01:43,040

your husband claimed that this guy chris

3080

02:01:47,430 --> 02:01:44,320

besgar

3081

02:01:49,430 --> 02:01:47,440

made 3 500 spaceships

3082

02:01:51,510 --> 02:01:49,440

and i would just submit to you elizabeth

3083

02:01:52,709 --> 02:01:51,520

ask chris pascar to show you proof of

3084

02:01:55,189 --> 02:01:52,719

that

3085

02:01:57,589 --> 02:01:55,199

back

3086

02:01:59,030 --> 02:01:57,599

this is not going to end well for chris

3087

02:02:01,109 --> 02:01:59,040

for uh for

3088

02:02:03,430 --> 02:02:01,119

david and elizabeth wilcock

3089

02:02:05,270 --> 02:02:03,440

they're going to lose their shirts

3090

02:02:06,870 --> 02:02:05,280

and i can't say that i'm

3091

02:02:08,629 --> 02:02:06,880

you know i'm not happy about that but

3092

02:02:10,629 --> 02:02:08,639

i'm not sad either

3093

02:02:12,470 --> 02:02:10,639

they made their money scamming people

3094

02:02:15,189 --> 02:02:12,480

and lying to people and selling fake

3095

02:02:17,350 --> 02:02:15,199

information and david wilcock

3096

02:02:20,310 --> 02:02:17,360

you know made his money interviewing

3097

02:02:22,950 --> 02:02:20,320

let's just say less than

3098

02:02:24,470 --> 02:02:22,960

trustworthy individuals telling alien

3099

02:02:26,229 --> 02:02:24,480

stories

3100

02:02:28,870 --> 02:02:26,239

essentially he scammed the public with

3101

02:02:30,229 --> 02:02:28,880

fake information for 20 years he scammed

3102

02:02:32,629 --> 02:02:30,239

the public with his fake psychic

3103

02:02:35,589 --> 02:02:32,639

superpowers for 20 years all of his

3104

02:02:37,910 --> 02:02:35,599

predictions failed in 2000. all of his

3105

02:02:39,669 --> 02:02:37,920

predictions failed in 2012

3106

02:02:41,589 --> 02:02:39,679

some of his latest predictions you know

3107

02:02:44,709 --> 02:02:41,599

about how trump was going to win the

3108

02:02:47,109 --> 02:02:44,719

election in a landslide that failed oh

3109

02:02:49,189 --> 02:02:47,119

or how about before the inauguration

3110

02:02:51,669 --> 02:02:49,199

david wilcock predicted that joe biden

3111

02:02:54,790 --> 02:02:51,679

would never step foot in the white house

3112

02:02:57,030 --> 02:02:54,800

well turns out that prediction was wrong

3113

02:02:58,709 --> 02:02:57,040

so for 20 years david wilcock and

3114

02:03:00,950 --> 02:02:58,719

recently for the last few years

3115

02:03:02,229 --> 02:03:00,960

elizabeth wilcock have been scamming the

3116

02:03:03,750 --> 02:03:02,239

public

3117

02:03:06,390 --> 02:03:03,760

out of money

3118

02:03:08,390 --> 02:03:06,400

and not doing or providing what they're

3119

02:03:11,430 --> 02:03:08,400

promising for years

3120

02:03:14,390 --> 02:03:11,440

so maybe it's karmic justice that these

3121

02:03:15,830 --> 02:03:14,400

people will lose their shirt lose their

3122

02:03:18,149 --> 02:03:15,840

life savings

3123

02:03:20,149 --> 02:03:18,159

to another scammer

3124

02:03:22,950 --> 02:03:20,159

then maybe they'll know how it feels

3125

02:03:25,030 --> 02:03:22,960

feels to be scammed out of money to be

3126

02:03:27,030 --> 02:03:25,040

promised all kinds of things

3127

02:03:29,430 --> 02:03:27,040

for somebody to take your money and not

3128

02:03:30,870 --> 02:03:29,440

give you back what they promised just

3129

02:03:31,750 --> 02:03:30,880

like you're doing with your current

3130

02:03:33,669 --> 02:03:31,760

course

3131

02:03:36,070 --> 02:03:33,679

because elizabeth your husband stood

3132

02:03:37,350 --> 02:03:36,080

there lying to his fake teeth

3133

02:03:39,109 --> 02:03:37,360

saying

3134

02:03:40,629 --> 02:03:39,119

if you buy my course

3135

02:03:43,669 --> 02:03:40,639

we're going to teach you the secrets of

3136

02:03:45,589 --> 02:03:43,679

any gravity and free energy and you'll

3137

02:03:46,950 --> 02:03:45,599

be able to do it too

3138

02:03:49,030 --> 02:03:46,960

that's a quote

3139

02:03:52,149 --> 02:03:49,040

from one of his sales pitches about this

3140

02:03:54,069 --> 02:03:52,159

course and i gotta ask you elizabeth

3141

02:03:56,550 --> 02:03:54,079

has anybody that's taken your course

3142

02:03:59,109 --> 02:03:56,560

been able to build a hover car or a free

3143

02:04:01,750 --> 02:03:59,119

energy device or an anti-gravity engine

3144

02:04:05,030 --> 02:04:01,760

based on what your husband taught them

3145

02:04:06,950 --> 02:04:05,040

if not then you just participated with

3146

02:04:09,109 --> 02:04:06,960

your husband in

3147

02:04:11,910 --> 02:04:09,119

consumer fraud

3148

02:04:14,550 --> 02:04:11,920

that's my take on it that is my analysis

3149

02:04:16,229 --> 02:04:14,560

of what is happening here and i stand by

3150

02:04:18,550 --> 02:04:16,239

it based on all the available

3151

02:04:20,950 --> 02:04:18,560

information that we have

3152

02:04:23,510 --> 02:04:20,960

david wilcock is running yet another

3153

02:04:25,990 --> 02:04:23,520

scam promising people things he will

3154

02:04:27,830 --> 02:04:26,000

never deliver on promising people he has

3155

02:04:30,629 --> 02:04:27,840

true information that will never be

3156

02:04:30,639 --> 02:04:35,510

and that's where we're at

3157

02:04:38,950 --> 02:04:37,109

so i'll take a few comments and

3158

02:04:40,709 --> 02:04:38,960

questions from the live chat otherwise

3159

02:04:42,550 --> 02:04:40,719

uh we are going to be

3160

02:04:44,069 --> 02:04:42,560

bouncing on out of here upload for you

3161

02:04:46,950 --> 02:04:44,079

says sometimes falling is really

3162

02:04:49,830 --> 02:04:46,960

ascending yeah uh i look forward to

3163

02:04:53,910 --> 02:04:49,840

watching david wilcox ascension into

3164

02:04:55,669 --> 02:04:53,920

aerospace history uh not gonna happen

3165

02:04:58,310 --> 02:04:55,679

you know it's just like

3166

02:05:00,470 --> 02:04:58,320

it's so stupid to me like

3167

02:05:03,109 --> 02:05:00,480

you know people's history and people's

3168

02:05:05,270 --> 02:05:03,119

track record means something david and

3169

02:05:08,229 --> 02:05:05,280

elizabeth wilcock and

3170

02:05:10,069 --> 02:05:08,239

if this guy told you oh i did produce

3171

02:05:11,109 --> 02:05:10,079

airplanes and spaceships but i can't

3172

02:05:14,310 --> 02:05:11,119

show you them because they were

3173

02:05:16,229 --> 02:05:14,320

classified then you got scammed

3174

02:05:19,030 --> 02:05:16,239

he's not working on billion dollar

3175

02:05:21,669 --> 02:05:19,040

projects he's not working on classified

3176

02:05:25,109 --> 02:05:21,679

projects he's giving you an excuse for

3177

02:05:27,990 --> 02:05:25,119

his 25 years of failure as he's taking

3178

02:05:30,629 --> 02:05:28,000

your money from you

3179

02:05:31,750 --> 02:05:30,639

you deserve whatever happens next

3180

02:05:33,430 --> 02:05:31,760

and hey

3181

02:05:35,109 --> 02:05:33,440

i could be wrong and next year we could

3182

02:05:38,709 --> 02:05:35,119

be seeing other cars and free energy

3183

02:05:40,629 --> 02:05:38,719

from david wilcock but i doubt it

3184

02:05:41,990 --> 02:05:40,639

and that's where we're at sixth sense

3185

02:05:43,589 --> 02:05:42,000

says no doubt our government is

3186

02:05:45,510 --> 02:05:43,599

sometimes just as silly as david the

3187

02:05:46,830 --> 02:05:45,520

forehead wilcock

3188

02:05:50,310 --> 02:05:46,840

sometimes

3189

02:05:52,629 --> 02:05:50,320

right professor johnson

3190

02:05:55,270 --> 02:05:52,639

poke lunge says when you crap hard

3191

02:05:56,229 --> 02:05:55,280

enough you become enlightened um i guess

3192

02:05:57,669 --> 02:05:56,239

so

3193

02:05:59,510 --> 02:05:57,679

kate schneider says i don't think she

3194

02:06:01,750 --> 02:05:59,520

cares i think she just sees the money

3195

02:06:04,069 --> 02:06:01,760

signs or at least the potential there i

3196

02:06:05,430 --> 02:06:04,079

mean certainly uh kate schneider if they

3197

02:06:07,030 --> 02:06:05,440

were to produce any of the things

3198

02:06:08,870 --> 02:06:07,040

they're promising they would be

3199

02:06:11,910 --> 02:06:08,880

millionaires or billionaires in a short

3200

02:06:13,510 --> 02:06:11,920

order but partnering with scammy people

3201

02:06:16,310 --> 02:06:13,520

that have scammed people before and

3202

02:06:18,069 --> 02:06:16,320

never produced anything for 25 years or

3203

02:06:19,189 --> 02:06:18,079

in the case of bill mcew in 10 plus

3204

02:06:21,510 --> 02:06:19,199

years

3205

02:06:23,189 --> 02:06:21,520

it doesn't look good that this is going

3206

02:06:26,310 --> 02:06:23,199

to work out in your favor but that's

3207

02:06:30,069 --> 02:06:28,470

cody uk says truth seekers i feel

3208

02:06:32,149 --> 02:06:30,079

somewhat sorry for elizabeth how could

3209

02:06:33,750 --> 02:06:32,159

she invest real money into these people

3210

02:06:34,950 --> 02:06:33,760

yeah i'm sure she's going to regret it

3211

02:06:36,709 --> 02:06:34,960

when they're broke

3212

02:06:38,709 --> 02:06:36,719

because that girl likes expensive things

3213

02:06:41,669 --> 02:06:38,719

she likes million dollar mansions and

3214

02:06:43,910 --> 02:06:41,679

and you know expensive cars and having

3215

02:06:45,750 --> 02:06:43,920

four thousand dollars in one year to

3216

02:06:47,669 --> 02:06:45,760

spend on meals and entertainment she

3217

02:06:48,950 --> 02:06:47,679

likes those expensive things

3218

02:06:52,950 --> 02:06:48,960

what's she gonna do when they can't

3219

02:06:54,629 --> 02:06:52,960

afford taco bell for date night right

3220

02:06:56,310 --> 02:06:54,639

it's it's well within the realm of

3221

02:06:58,069 --> 02:06:56,320

possibility that these two will go

3222

02:06:59,750 --> 02:06:58,079

completely broke have to start selling

3223

02:07:01,589 --> 02:06:59,760

off assets because

3224

02:07:03,430 --> 02:07:01,599

i'm going to go out on the limb here and

3225

02:07:05,030 --> 02:07:03,440

tell you that andrew baskara is not

3226

02:07:07,669 --> 02:07:05,040

suddenly going to become successful

3227

02:07:10,629 --> 02:07:07,679

after being a failure for 25 years

3228

02:07:11,750 --> 02:07:10,639

andrew biscar or i'm sorry chris pascar

3229

02:07:14,470 --> 02:07:11,760

is not going to suddenly become

3230

02:07:16,310 --> 02:07:14,480

successful after 25 years of promises

3231

02:07:17,830 --> 02:07:16,320

and hype and not delivering anything

3232

02:07:19,990 --> 02:07:17,840

he's not suddenly going to become

3233

02:07:22,470 --> 02:07:20,000

successful

3234

02:07:24,310 --> 02:07:22,480

and wilcock david and elizabeth wilcock

3235

02:07:25,750 --> 02:07:24,320

you're talking about all these contracts

3236

02:07:28,229 --> 02:07:25,760

you have with foreign governments did

3237

02:07:29,830 --> 02:07:28,239

you see the contracts did you call those

3238

02:07:31,350 --> 02:07:29,840

foreign governments to verify that those

3239

02:07:33,669 --> 02:07:31,360

contracts are real

3240

02:07:35,589 --> 02:07:33,679

or did you possibly get scammed into

3241

02:07:38,149 --> 02:07:35,599

giving this guy a whole bunch of your

3242

02:07:41,189 --> 02:07:38,159

money based on information that is not

3243

02:07:43,750 --> 02:07:41,199

quite accurate and elizabeth and david

3244

02:07:46,229 --> 02:07:43,760

wilcock i have to let you know that i

3245

02:07:48,629 --> 02:07:46,239

have a whole lot more information about

3246

02:07:50,709 --> 02:07:48,639

both biscar and others involved in that

3247

02:07:51,910 --> 02:07:50,719

company that i'm not sharing publicly

3248

02:07:53,750 --> 02:07:51,920

yet

3249

02:07:55,750 --> 02:07:53,760

but

3250

02:07:58,550 --> 02:07:55,760

i will tell you that i feel incredibly

3251

02:08:00,149 --> 02:07:58,560

confident in my in my analysis

3252

02:08:02,629 --> 02:08:00,159

of this situation

3253

02:08:04,790 --> 02:08:02,639

and what is likely to happen to your

3254

02:08:06,950 --> 02:08:04,800

money

3255

02:08:09,030 --> 02:08:06,960

and i will be releasing more information

3256

02:08:11,350 --> 02:08:09,040

but i'm very big you guys know i'm very

3257

02:08:13,030 --> 02:08:11,360

big on being very thorough

3258

02:08:14,950 --> 02:08:13,040

i don't want to

3259

02:08:16,709 --> 02:08:14,960

put math in gear before having facts in

3260

02:08:18,629 --> 02:08:16,719

hand so let's just say i have more

3261

02:08:27,270 --> 02:08:18,639

homework to do before i release the rest

3262

02:08:31,750 --> 02:08:29,589

so once that homework is done

3263

02:08:33,589 --> 02:08:31,760

i'll be releasing more substantial and

3264

02:08:34,870 --> 02:08:33,599

supportive evidence

3265

02:08:43,510 --> 02:08:34,880

that supports

3266

02:08:47,990 --> 02:08:46,470

the success says defense contracts

3267

02:08:51,350 --> 02:08:48,000

now that's funny

3268

02:08:55,430 --> 02:08:51,360

no it's kind of sad actually but

3269

02:08:59,750 --> 02:08:57,510

kate schneider he has good teeth but you

3270

02:09:10,290 --> 02:08:59,760

have the best eyebrows in the world i

3271

02:09:16,069 --> 02:09:13,510

[Music]

3272

02:09:23,750 --> 02:09:16,079

obscura says wilcox for long enough time

3273

02:09:27,589 --> 02:09:25,589

kate schneider says professor ha thanks

3274

02:09:29,669 --> 02:09:27,599

wilcox got another thing coming

3275

02:09:32,550 --> 02:09:29,679

with these eyebrows and yes they are far

3276

02:09:39,270 --> 02:09:32,560

away at the moment

3277

02:09:43,030 --> 02:09:40,870

i want to apologize once again if you're

3278

02:09:44,069 --> 02:09:43,040

hearing pauses in audio podcast land i

3279

02:09:47,030 --> 02:09:44,079

just don't want to be coughing and

3280

02:09:49,109 --> 02:09:47,040

hacking and sneezing into the microphone

3281

02:09:50,870 --> 02:09:49,119

so please forgive the dead air i want to

3282

02:09:52,550 --> 02:09:50,880

remind everybody if you're listening in

3283

02:09:54,790 --> 02:09:52,560

audio podcast land you're missing half

3284

02:09:57,270 --> 02:09:54,800

the fun please come over here to youtube

3285

02:09:59,030 --> 02:09:57,280

just pop over to youtube put truth

3286

02:10:00,629 --> 02:09:59,040

seekers in the search bar our channel

3287

02:10:03,109 --> 02:10:00,639

will pop right up meet with the

3288

02:10:05,350 --> 02:10:03,119

sunglasses smash the subscribe button

3289

02:10:07,830 --> 02:10:05,360

smash the notification bell and you too

3290

02:10:10,149 --> 02:10:07,840

can become a part of the story instead

3291

02:10:11,270 --> 02:10:10,159

of just listening to it or watching it

3292

02:10:14,550 --> 02:10:11,280

we welcome

3293

02:10:16,629 --> 02:10:14,560

you to become part of our live chat to

3294

02:10:18,950 --> 02:10:16,639

submit comments questions

3295

02:10:20,390 --> 02:10:18,960

and participate in the taping of the

3296

02:10:23,030 --> 02:10:20,400

show live if you're listening in audio

3297

02:10:24,950 --> 02:10:23,040

podcast land great but you're missing

3298

02:10:31,830 --> 02:10:24,960

half the fun which is the live

3299

02:10:35,669 --> 02:10:34,149

i also want to remind everybody

3300

02:10:36,550 --> 02:10:35,679

besides throwing a couple of bucks in my

3301

02:10:38,069 --> 02:10:36,560

ad

3302

02:10:39,189 --> 02:10:38,079

there's another way that you can support

3303

02:10:40,790 --> 02:10:39,199

us

3304

02:10:42,950 --> 02:10:40,800

and that is to like comment subscribe

3305

02:10:45,430 --> 02:10:42,960

and share share these videos on your

3306

02:10:47,910 --> 02:10:45,440

social media share the audio podcast on

3307

02:10:53,350 --> 02:10:47,920

your social social media

3308

02:10:57,350 --> 02:10:54,830

or

3309

02:10:59,430 --> 02:10:57,360

friends i suppose i'm going to bounce

3310

02:11:07,750 --> 02:10:59,440

out of here and go blow my

3311

02:11:10,310 --> 02:11:09,189

yeah i'm struggling not to be coughing

3312

02:11:12,709 --> 02:11:10,320

every few minutes here which is

3313

02:11:15,109 --> 02:11:12,719

difficult so

3314

02:11:16,390 --> 02:11:15,119

i don't know what it is with this cold

3315

02:11:18,790 --> 02:11:16,400

i've been getting plenty of rest i've

3316

02:11:20,069 --> 02:11:18,800

been sleeping more than i ever usually

3317

02:11:22,950 --> 02:11:20,079

do

3318

02:11:24,310 --> 02:11:22,960

taking naps trying to sleep it off

3319

02:11:26,310 --> 02:11:24,320

the best thing for your body when you're

3320

02:11:28,550 --> 02:11:26,320

sick is rest so

3321

02:11:31,030 --> 02:11:28,560

i'm trying to get plenty of rest thanks

3322

02:11:32,550 --> 02:11:31,040

to all who reached out to me but

3323

02:11:34,390 --> 02:11:32,560

i'm fairly certain this is just a

3324

02:11:37,270 --> 02:11:34,400

terrible man cold

3325

02:11:39,750 --> 02:11:37,280

uh and not covered related but thank you

3326

02:11:40,629 --> 02:11:39,760

for your concern

3327

02:11:42,550 --> 02:11:40,639

uh

3328

02:11:43,830 --> 02:11:42,560

yeah and sixth sense is reminding

3329

02:11:45,750 --> 02:11:43,840

everybody that you can support me on

3330

02:11:47,750 --> 02:11:45,760

patreon as well and to like share and

3331

02:11:50,870 --> 02:11:47,760

subscribe these videos

3332

02:11:53,589 --> 02:11:50,880

um yeah

3333

02:11:55,589 --> 02:11:53,599

bry is commenting six nice work on wayne

3334

02:11:58,550 --> 02:11:55,599

i hope you found out more

3335

02:12:00,149 --> 02:11:58,560

yes our own uh chat room mvp moderator

3336

02:12:02,310 --> 02:12:00,159

sixth sense is digging more into the

3337

02:12:04,470 --> 02:12:02,320

anjali story and we're gonna have them

3338

02:12:06,149 --> 02:12:04,480

on here to talk about that soon moody

3339

02:12:08,310 --> 02:12:06,159

mogul says thanks steve and get well

3340

02:12:10,470 --> 02:12:08,320

soon yeah i want to thank everybody for

3341

02:12:11,669 --> 02:12:10,480

participating thank everybody for coming

3342

02:12:13,589 --> 02:12:11,679

tonight

3343

02:12:15,030 --> 02:12:13,599

you always hear me say this friends i'm

3344

02:12:17,109 --> 02:12:15,040

always happy when there's an audience

3345

02:12:19,430 --> 02:12:17,119

tonight we had a great one thank you so

3346

02:12:21,430 --> 02:12:19,440

much for coming here and being a part of

3347

02:12:23,430 --> 02:12:21,440

mine

3348

02:12:26,149 --> 02:12:23,440

what else can i say i'm going to go hack

3349

02:12:28,709 --> 02:12:26,159

a half alone

3350

02:12:31,350 --> 02:12:28,719

i'm a terrible person when i have a cold

3351

02:12:33,109 --> 02:12:31,360

i i would rather i you know it's just

3352

02:12:35,350 --> 02:12:33,119

terrible because you just like i don't

3353

02:12:38,069 --> 02:12:35,360

feel so terrible but i feel terrible

3354

02:12:39,669 --> 02:12:38,079

enough and it's been a week already and

3355

02:12:41,750 --> 02:12:39,679

it's still here

3356

02:12:43,830 --> 02:12:41,760

so i'm hoping maybe i got one more week

3357

02:12:46,069 --> 02:12:43,840

of sniffing and coughing and hacking

3358

02:12:47,109 --> 02:12:46,079

and having throat problems and losing my

3359

02:12:48,390 --> 02:12:47,119

voice

3360

02:12:50,149 --> 02:12:48,400

um

3361

02:12:51,750 --> 02:12:50,159

hopefully it'll be over soon

3362

02:12:53,510 --> 02:12:51,760

so what can i say friends thanks for

3363

02:12:54,470 --> 02:12:53,520

coming here and helping me to struggle

3364

02:12:57,430 --> 02:12:54,480

through

3365

02:12:59,589 --> 02:12:57,440

to the other side

3366

02:13:02,470 --> 02:12:59,599

thank you so much for being here there's

3367

02:13:04,950 --> 02:13:02,480

no place i would rather be so until next

3368

02:13:07,830 --> 02:13:04,960

time friends my name is stephen campion

3369

02:13:09,750 --> 02:13:07,840

good night and god bless all of you

3370

02:13:11,189 --> 02:13:09,760

especially you elizabeth and david

3371

02:13:13,350 --> 02:13:11,199

wilcock

3372

02:13:15,350 --> 02:13:13,360

i really hope that you two don't have to

3373

02:13:16,629 --> 02:13:15,360

start dumpster diving

3374

02:13:18,790 --> 02:13:16,639

but if you do

3375

02:13:24,320 --> 02:13:18,800

i won't laugh at you about it

3376

02:13:49,750 --> 02:13:44,690

[Music]

3377

02:13:49,760 --> 02:13:54,300

so

3378

02:13:54,310 --> 02:14:03,270

[Music]

3379

02:14:17,830 --> 02:14:05,620

so

3380

02:14:18,930 --> 02:14:17,840

[Music]

3381

02:15:26,290 --> 02:14:18,940

so
