

STEVEN CAMBIAN IS:
THE MYSTERY MAN

LEGACY CONTENT
008

AN INTERVIEW WITH
RICK DOTY

1
00:00:05,430 --> 00:00:02,869
this program is a legacy program which

2
00:00:07,909 --> 00:00:05,440
was recorded some time ago

3
00:00:10,390 --> 00:00:07,919
views and subject matter are products of

4
00:00:13,030 --> 00:00:10,400
the time in which they were recorded and

5
00:00:21,510 --> 00:00:13,040
may not reflect current news or cultural

6
00:00:25,670 --> 00:00:24,630
greetings my fellow mystery loving

7
00:00:27,349 --> 00:00:25,680
friends

8
00:00:31,509 --> 00:00:27,359
and welcome

9
00:00:35,750 --> 00:00:31,519
thanks for joining us once again here

10
00:00:40,549 --> 00:00:36,950
tonight

11
00:00:42,549 --> 00:00:40,559
we are sort of broadcasting from a new

12
00:00:46,069 --> 00:00:42,559
home base

13
00:00:48,950 --> 00:00:46,079

a secret and secure location

14

00:00:51,189 --> 00:00:48,960

we are somewhere in the deep wooded

15

00:00:53,670 --> 00:00:51,199

mountains of pennsylvania

16

00:00:56,549 --> 00:00:53,680

and that's all i can say

17

00:00:59,110 --> 00:00:56,559

and my friends except for the sort of

18

00:01:01,430 --> 00:00:59,120

hillbilly ramshackle

19

00:01:03,029 --> 00:01:01,440

connection that we will have to upload

20

00:01:05,189 --> 00:01:03,039

this episode

21

00:01:07,670 --> 00:01:05,199

we are completely and totally off the

22

00:01:09,830 --> 00:01:07,680

grid here now

23

00:01:11,670 --> 00:01:09,840

i can think of no better place my

24

00:01:13,429 --> 00:01:11,680

friends than this

25

00:01:15,190 --> 00:01:13,439

mysterious place

26

00:01:17,910 --> 00:01:15,200

to bring you

27

00:01:19,030 --> 00:01:17,920

what is perhaps and i think will be for

28

00:01:21,510 --> 00:01:19,040

some time

29

00:01:24,469 --> 00:01:21,520

the greatest episode of the midnight

30

00:01:27,670 --> 00:01:24,479

hour that we have produced to date

31

00:01:32,149 --> 00:01:27,680

because tonight tonight i'm going to get

32

00:01:35,190 --> 00:01:32,159

to speak to none other than richard doty

33

00:01:37,990 --> 00:01:35,200

now if you look into ufos

34

00:01:41,109 --> 00:01:38,000

alien crash landings extraterrestrial

35

00:01:43,190 --> 00:01:41,119

visitations secret government projects

36

00:01:46,950 --> 00:01:43,200

government cover-ups

37

00:01:48,870 --> 00:01:46,960

this man's name comes up time and time

38

00:01:50,469 --> 00:01:48,880

and time again

39

00:01:52,710 --> 00:01:50,479

there was a time when i was reading a

40

00:01:55,510 --> 00:01:52,720

lot of books that i couldn't believe the

41

00:01:58,230 --> 00:01:55,520

number of times his name came up

42

00:01:59,350 --> 00:01:58,240

he has been featured in many films most

43

00:02:01,830 --> 00:01:59,360

notably

44

00:02:02,950 --> 00:02:01,840

the mirage men one of my personal

45

00:02:05,830 --> 00:02:02,960

favorites

46

00:02:08,229 --> 00:02:05,840

and also most recently

47

00:02:09,190 --> 00:02:08,239

he's been featured in steven greer's

48

00:02:11,430 --> 00:02:09,200

film

49

00:02:13,830 --> 00:02:11,440

unacknowledged

50

00:02:16,630 --> 00:02:13,840

so many times i've wondered this why

51
00:02:19,510 --> 00:02:16,640
does this man's name keep coming up in

52
00:02:22,869 --> 00:02:19,520
so many stories about ufos

53
00:02:25,030 --> 00:02:22,879
about aliens about alien crash landings

54
00:02:27,110 --> 00:02:25,040
about government cover-ups about

55
00:02:29,430 --> 00:02:27,120
conspiracies

56
00:02:31,670 --> 00:02:29,440
i have to admit that i've often thought

57
00:02:36,550 --> 00:02:31,680
if i could just get to talk to him i

58
00:02:42,229 --> 00:02:38,949
but the truth my friends

59
00:02:44,710 --> 00:02:42,239
especially when it comes to ufos and

60
00:02:46,390 --> 00:02:44,720
aliens and what the government really

61
00:02:49,750 --> 00:02:46,400
knows about this

62
00:02:52,869 --> 00:02:49,760
can be incredibly elusive

63
00:02:55,350 --> 00:02:52,879

thing has been called a hall of mirrors

64

00:02:57,350 --> 00:02:55,360
with a floor of quicksand

65

00:03:00,790 --> 00:02:57,360
and i think with good reason

66

00:03:03,670 --> 00:03:00,800
because it seems like the deeper you dig

67

00:03:06,229 --> 00:03:03,680
the more mysteries you find

68

00:03:08,470 --> 00:03:06,239
are extraterrestrial spacecraft really

69

00:03:09,430 --> 00:03:08,480
visiting earth and have been for some

70

00:03:11,430 --> 00:03:09,440
time

71

00:03:14,470 --> 00:03:11,440
and does the government know about it

72

00:03:16,070 --> 00:03:14,480
and have been covering it up

73

00:03:18,149 --> 00:03:16,080
have there been multiple

74

00:03:20,630 --> 00:03:18,159
extraterrestrial spacecraft that have

75

00:03:22,630 --> 00:03:20,640
somehow crash landed on earth

76

00:03:24,949 --> 00:03:22,640

that our government collected and

77

00:03:27,990 --> 00:03:24,959

covered up

78

00:03:30,710 --> 00:03:28,000

don't you want to know the truth

79

00:03:33,509 --> 00:03:30,720

i want to know the truth

80

00:03:36,229 --> 00:03:33,519

and for years as i read books that

81

00:03:38,550 --> 00:03:36,239

mentioned my guest tonight richard doty

82

00:03:40,390 --> 00:03:38,560

as i watched documentaries and films

83

00:03:43,030 --> 00:03:40,400

that featured him

84

00:03:44,630 --> 00:03:43,040

telling his version of the truth

85

00:03:46,770 --> 00:03:44,640

i reasoned

86

00:03:47,990 --> 00:03:46,780

that if i could just get this man alone

87

00:03:50,229 --> 00:03:48,000

[Music]

88

00:03:53,110 --> 00:03:50,239

i was sure somehow

89

00:03:57,190 --> 00:03:53,120

that i might be able to actually get to

90

00:03:58,390 --> 00:03:57,200

the truth of these important questions

91

00:04:00,949 --> 00:03:58,400

after all

92

00:04:03,509 --> 00:04:00,959

this man has been mentioned in so many

93

00:04:06,229 --> 00:04:03,519

stories about ufos aliens and

94

00:04:07,750 --> 00:04:06,239

extraterrestrial spacecraft

95

00:04:08,949 --> 00:04:07,760

and he also

96

00:04:11,110 --> 00:04:08,959

worked for

97

00:04:12,949 --> 00:04:11,120

the air force office of special

98

00:04:15,910 --> 00:04:12,959

investigation

99

00:04:18,629 --> 00:04:15,920

unlike many people in the ufo field his

100

00:04:20,229 --> 00:04:18,639

background can be verified

101

00:04:21,830 --> 00:04:20,239

anybody can check and find out he's

102

00:04:23,670 --> 00:04:21,840

telling the truth about

103

00:04:25,270 --> 00:04:23,680

where he worked and some of the things

104

00:04:28,310 --> 00:04:25,280

that he did

105

00:04:30,950 --> 00:04:28,320

my entire life i've been convinced that

106

00:04:33,909 --> 00:04:30,960

richard doty just might be the key

107

00:04:34,950 --> 00:04:33,919

to getting some form of disclosure some

108

00:04:38,230 --> 00:04:34,960

truth

109

00:04:40,469 --> 00:04:38,240

about ufos extraterrestrial spacecraft

110

00:04:41,749 --> 00:04:40,479

and what the government really does know

111

00:04:44,230 --> 00:04:41,759

about it

112

00:04:47,430 --> 00:04:44,240

tonight my fellow true seekers i'm so

113

00:04:48,230 --> 00:04:47,440

excited that i'm finally going to get my

114

00:04:50,790 --> 00:04:48,240

wish

115

00:04:53,110 --> 00:04:50,800

and to be able to get this man alone

116

00:04:55,990 --> 00:04:53,120

and find out what this well-connected

117

00:04:59,510 --> 00:04:56,000

former government insider really knows

118

00:05:01,749 --> 00:04:59,520

about ufos aliens extraterrestrial

119

00:05:03,189 --> 00:05:01,759

spacecraft and what the government knows

120

00:05:04,150 --> 00:05:03,199

about

121

00:05:05,990 --> 00:05:04,160

let's

122

00:05:08,870 --> 00:05:06,000

find out

123

00:05:11,830 --> 00:05:08,880

my guest tonight richard doty has been

124

00:05:13,430 --> 00:05:11,840

standing by on our mystery phone so

125

00:05:16,950 --> 00:05:13,440

without further ado

126

00:05:20,950 --> 00:05:18,710

so i don't i don't know where to begin

127

00:05:22,550 --> 00:05:20,960

but i think that the best question that

128

00:05:26,870 --> 00:05:22,560

i could ask you that i think i know the

129

00:05:31,830 --> 00:05:29,189

and that is are there things that are

130

00:05:33,909 --> 00:05:31,840

related to ufos and ets that you have

131

00:05:35,350 --> 00:05:33,919

never yet disclosed

132

00:05:37,909 --> 00:05:35,360

and if so

133

00:05:42,070 --> 00:05:37,919

when will you because tonight may be a

134

00:05:49,110 --> 00:05:44,310

uh there are a lot of things that i've

135

00:05:53,029 --> 00:05:51,029

a lot of

136

00:05:55,830 --> 00:05:53,039

operations that i

137

00:05:58,790 --> 00:05:55,840

completed during my career

138

00:06:00,870 --> 00:05:58,800

with osi that that remain classified

139

00:06:02,870 --> 00:06:00,880

that i haven't uh

140

00:06:04,790 --> 00:06:02,880

disclosed anybody

141

00:06:06,870 --> 00:06:04,800

well you're still under some kind of nda

142

00:06:08,870 --> 00:06:06,880

or like secrecy agreement right so you

143

00:06:10,790 --> 00:06:08,880

can talk about some things isn't that

144

00:06:12,870 --> 00:06:10,800

right

145

00:06:15,510 --> 00:06:12,880

well uh

146

00:06:18,309 --> 00:06:15,520

technically no because it was only for

147

00:06:21,189 --> 00:06:18,319

25 years

148

00:06:23,110 --> 00:06:21,199

but um

149

00:06:29,430 --> 00:06:23,120

i was

150

00:06:32,950 --> 00:06:29,440

and so some of that

151
00:06:35,830 --> 00:06:32,960
uh there was a somewhat of a gray area

152
00:06:38,390 --> 00:06:35,840
sorry i but there are some things that

153
00:06:40,629 --> 00:06:38,400
because of the nature of it i i'm not

154
00:06:42,550 --> 00:06:40,639
gonna i'm not gonna talk about it uh i'm

155
00:06:45,189 --> 00:06:42,560
not gonna talk about the uh

156
00:06:46,950 --> 00:06:45,199
what what happened what we did as i tell

157
00:06:49,830 --> 00:06:46,960
some people

158
00:06:51,990 --> 00:06:49,840
um

159
00:06:53,350 --> 00:06:52,000
be careful what you ask for because if

160
00:06:56,710 --> 00:06:53,360
you

161
00:06:59,110 --> 00:06:56,720
if i if i disclose things that uh

162
00:07:00,070 --> 00:06:59,120
that i had been privy to

163
00:07:02,150 --> 00:07:00,080

that are

164

00:07:03,189 --> 00:07:02,160

extremely sensitive

165

00:07:04,309 --> 00:07:03,199

or

166

00:07:10,469 --> 00:07:04,319

uh

167

00:07:12,150 --> 00:07:10,479

might you might that might affect you

168

00:07:15,110 --> 00:07:12,160

psychologically so

169

00:07:17,189 --> 00:07:15,120

i'm careful what i what i say

170

00:07:19,589 --> 00:07:17,199

regarding some really really deep dark

171

00:07:21,749 --> 00:07:19,599

secrets well that sounds like pretty

172

00:07:24,150 --> 00:07:21,759

powerful stuff that you must have so i

173

00:07:27,990 --> 00:07:24,160

guess the next question and this is

174

00:07:29,909 --> 00:07:28,000

really important to me because of just

175

00:07:32,469 --> 00:07:29,919

learning about your background and i'm

176

00:07:33,990 --> 00:07:32,479

really incredibly amazed by some of your

177

00:07:36,870 --> 00:07:34,000

history and your family's history and

178

00:07:39,110 --> 00:07:36,880

your background so i would ask you about

179

00:07:40,870 --> 00:07:39,120

grant cameron's book managing magic

180

00:07:43,350 --> 00:07:40,880

because in that book he writes that your

181

00:07:45,110 --> 00:07:43,360

uncle edward doty was an intelligence

182

00:07:48,150 --> 00:07:45,120

officer who was ahead of ufo

183

00:07:50,390 --> 00:07:48,160

investigations at holloman in the 50s

184

00:07:52,469 --> 00:07:50,400

a liaison officer with

185

00:07:55,270 --> 00:07:52,479

air force office of special intelligence

186

00:07:58,070 --> 00:07:55,280

for ufo investigations and also that

187

00:08:00,790 --> 00:07:58,080

your father charles doty was involved in

188

00:08:02,869 --> 00:08:00,800

ufo-related matters and new colonel lane

189

00:08:04,230 --> 00:08:02,879

edwards who's the air force figure

190

00:08:06,550 --> 00:08:04,240

behind bob

191

00:08:08,869 --> 00:08:06,560

emeniger's air force support ufo

192

00:08:11,990 --> 00:08:08,879

documentary and that's amazing to me

193

00:08:13,670 --> 00:08:12,000

when i when i i was already enamored and

194

00:08:14,710 --> 00:08:13,680

amazed with your career but when i heard

195

00:08:17,110 --> 00:08:14,720

about that

196

00:08:18,869 --> 00:08:17,120

you know so it's implied that both your

197

00:08:20,950 --> 00:08:18,879

father and your uncle were likely right

198

00:08:23,670 --> 00:08:20,960

into the government's secret program on

199

00:08:25,510 --> 00:08:23,680

ufos that in fact your family has been

200

00:08:28,150 --> 00:08:25,520

heavily involved in this thing for many

201
00:08:31,270 --> 00:08:28,160
years so can you confirm or deny these

202
00:08:38,310 --> 00:08:34,230
no they're they're uh they're correct my

203
00:08:40,790 --> 00:08:38,320
uncle edward was involved with

204
00:08:43,509 --> 00:08:40,800
the investigations of ufos

205
00:08:44,630 --> 00:08:43,519
uh at holloman and at the and two other

206
00:08:47,430 --> 00:08:44,640
bases

207
00:08:49,430 --> 00:08:47,440
he was involved with project blue book

208
00:08:51,350 --> 00:08:49,440
he was one of the chief investigators in

209
00:08:54,550 --> 00:08:51,360
new mexico actually that's just not just

210
00:08:57,509 --> 00:08:54,560
new mexico but in the southwest

211
00:09:00,389 --> 00:08:57,519
of ufo sightings he was

212
00:09:02,150 --> 00:09:00,399
my uncle wrote the report the classified

213
00:09:04,710 --> 00:09:02,160

report regarding the

214

00:09:07,110 --> 00:09:04,720

uh lonnie zamora incident near socorro

215

00:09:10,150 --> 00:09:07,120

new mexico in 1964.

216

00:09:13,590 --> 00:09:10,160

well i've heard of that he investigated

217

00:09:16,230 --> 00:09:13,600

he investigated that that case

218

00:09:21,670 --> 00:09:16,240

so and he had been involved from

219

00:09:24,949 --> 00:09:21,680

the late 40s up until he retired in 60

220

00:09:28,389 --> 00:09:24,959

or 70 i believe you've retired in 72 or

221

00:09:30,230 --> 00:09:28,399

70 70 or 72 and i don't recall exactly

222

00:09:33,190 --> 00:09:30,240

but anyways he was involved

223

00:09:34,949 --> 00:09:33,200

in that or in

224

00:09:37,350 --> 00:09:34,959

some peripheral

225

00:09:40,070 --> 00:09:37,360

investigations regarding or offshoots

226

00:09:40,949 --> 00:09:40,080
from the project blue book era

227

00:09:43,110 --> 00:09:40,959
and

228

00:09:45,910 --> 00:09:43,120
my dad was

229

00:09:51,030 --> 00:09:48,550
well he was an intelligence officer

230

00:09:54,630 --> 00:09:51,040
other than other than korea

231

00:09:57,829 --> 00:09:54,640
where he flew and uh

232

00:10:00,150 --> 00:09:57,839
uh he was was an intelligence officer

233

00:10:01,590 --> 00:10:00,160
during his entire career

234

00:10:04,870 --> 00:10:01,600
and he was

235

00:10:06,630 --> 00:10:04,880
exposed to a number of cases involved

236

00:10:09,670 --> 00:10:06,640
involving ufos

237

00:10:11,829 --> 00:10:09,680
and can i just ask have you your father

238

00:10:13,910 --> 00:10:11,839

and your uncle ever sat together and

239

00:10:15,750 --> 00:10:13,920

talked about these things and what is

240

00:10:17,670 --> 00:10:15,760

what are those conversations like

241

00:10:19,430 --> 00:10:17,680

because it sounds to me like you and

242

00:10:25,509 --> 00:10:19,440

your whole family know more about this

243

00:10:29,910 --> 00:10:27,829

yes we did we we've sat down a couple

244

00:10:32,710 --> 00:10:29,920

times

245

00:10:34,949 --> 00:10:32,720

only once together

246

00:10:36,790 --> 00:10:34,959

and i was at a reunion where we sat down

247

00:10:38,870 --> 00:10:36,800

and talked about

248

00:10:40,150 --> 00:10:38,880

in great details about what each of them

249

00:10:44,150 --> 00:10:40,160

did

250

00:10:47,030 --> 00:10:44,160

and that was a number of years ago

251

00:10:50,790 --> 00:10:47,040

but i've sat down privately with with

252

00:10:53,750 --> 00:10:50,800

both my uncle my dad to discuss um

253

00:10:55,910 --> 00:10:53,760

some particular cases and and and then

254

00:10:58,069 --> 00:10:55,920

the subject in general

255

00:10:59,590 --> 00:10:58,079

that's amazing now i want to get this

256

00:11:02,150 --> 00:10:59,600

out of the way because

257

00:11:03,509 --> 00:11:02,160

anybody that that would hear that i'm

258

00:11:05,030 --> 00:11:03,519

going to talk to you

259

00:11:06,949 --> 00:11:05,040

want to want me to talk about the

260

00:11:09,269 --> 00:11:06,959

elephant in the room and that is the

261

00:11:11,030 --> 00:11:09,279

paul bennowitz case

262

00:11:13,190 --> 00:11:11,040

and and so

263

00:11:15,590 --> 00:11:13,200

i would say that you've been largely

264

00:11:17,670 --> 00:11:15,600

vilified in that case and yet you claim

265

00:11:18,870 --> 00:11:17,680

you're just doing your job and i believe

266

00:11:20,870 --> 00:11:18,880

that you were

267

00:11:22,630 --> 00:11:20,880

but do you think any of the decisions

268

00:11:24,230 --> 00:11:22,640

made by the government

269

00:11:26,069 --> 00:11:24,240

the air force of special intelligence

270

00:11:27,269 --> 00:11:26,079

who was your employer were wrong

271

00:11:28,870 --> 00:11:27,279

decisions

272

00:11:30,870 --> 00:11:28,880

that you had to carry out but in

273

00:11:34,150 --> 00:11:30,880

retrospect you know maybe you disagree

274

00:11:38,470 --> 00:11:35,829

in other words you were following orders

275

00:11:40,150 --> 00:11:38,480

and i agree that you know i i have

276

00:11:41,509 --> 00:11:40,160

family in the military when you're when

277

00:11:43,430 --> 00:11:41,519

you're ordered to do something you just

278

00:11:44,230 --> 00:11:43,440

do it you don't question it

279

00:11:46,150 --> 00:11:44,240

but

280

00:11:47,750 --> 00:11:46,160

hindsight is always 20 20. how do you

281

00:11:49,350 --> 00:11:47,760

feel about the decisions that they made

282

00:11:51,990 --> 00:11:49,360

and the orders that they gave you to do

283

00:11:55,350 --> 00:11:52,000

those things with him

284

00:11:56,790 --> 00:11:55,360

now that so much time has passed

285

00:12:00,069 --> 00:11:56,800

well uh

286

00:12:02,069 --> 00:12:00,079

taijai is always 2020 so i if i had

287

00:12:03,829 --> 00:12:02,079

to do it over again i would have

288

00:12:04,790 --> 00:12:03,839

requested some

289

00:12:07,190 --> 00:12:04,800

some

290

00:12:09,350 --> 00:12:07,200

changes in the assignment

291

00:12:12,470 --> 00:12:09,360

and some um

292

00:12:15,190 --> 00:12:12,480

a different strategy towards what our

293

00:12:17,430 --> 00:12:15,200

our goal was

294

00:12:19,509 --> 00:12:17,440

and and how we how we wanted to go about

295

00:12:23,190 --> 00:12:19,519

that but um

296

00:12:24,870 --> 00:12:23,200

i i it wasn't as complex as some people

297

00:12:27,269 --> 00:12:24,880

read into it

298

00:12:29,110 --> 00:12:27,279

paul was a believer in your opposed and

299

00:12:30,790 --> 00:12:29,120

paul was a believer in

300

00:12:31,670 --> 00:12:30,800

and what he was doing

301
00:12:34,150 --> 00:12:31,680
and

302
00:12:35,509 --> 00:12:34,160
he was thoroughly convinced without any

303
00:12:37,990 --> 00:12:35,519
of our

304
00:12:39,030 --> 00:12:38,000
urging he was thoroughly thoroughly

305
00:12:40,710 --> 00:12:39,040
convinced

306
00:12:41,910 --> 00:12:40,720
that what he

307
00:12:43,990 --> 00:12:41,920
obtained

308
00:12:46,790 --> 00:12:44,000
and the pictures that he took were of

309
00:12:50,150 --> 00:12:46,800
ufos or aets

310
00:12:53,350 --> 00:12:50,160
so all we had to do all i had to do was

311
00:12:55,430 --> 00:12:53,360
kind of urge him along uh to believing

312
00:12:57,829 --> 00:12:55,440
that because what but

313
00:12:58,949 --> 00:12:57,839

what a few people know

314

00:13:02,629 --> 00:12:58,959

is that

315

00:13:05,030 --> 00:13:02,639

paul had stumbled onto a classified

316

00:13:06,790 --> 00:13:05,040

project on kirtland

317

00:13:09,030 --> 00:13:06,800

and when

318

00:13:11,829 --> 00:13:09,040

paul first came to us

319

00:13:14,230 --> 00:13:11,839

and told us he was uh he came to us as a

320

00:13:16,230 --> 00:13:14,240

concerned citizen as a veteran he he was

321

00:13:19,430 --> 00:13:16,240

in that he was in the navy

322

00:13:21,190 --> 00:13:19,440

uh and he was concerned about what

323

00:13:23,750 --> 00:13:21,200

uh what he was

324

00:13:26,470 --> 00:13:23,760

obtaining what he was collecting

325

00:13:28,389 --> 00:13:26,480

through electronic means and and the

326

00:13:30,230 --> 00:13:28,399

photographs he had taken he was

327

00:13:31,990 --> 00:13:30,240

concerned that there was might be some

328

00:13:34,230 --> 00:13:32,000

threat against

329

00:13:36,230 --> 00:13:34,240

the kirtland air force base and so

330

00:13:39,110 --> 00:13:36,240

that's why he came to us

331

00:13:40,790 --> 00:13:39,120

and when we started investigating this

332

00:13:42,949 --> 00:13:40,800

we found out that

333

00:13:46,389 --> 00:13:42,959

what what paul actually

334

00:13:48,710 --> 00:13:46,399

did was he tapped into a classified

335

00:13:49,670 --> 00:13:48,720

national security agency

336

00:13:51,030 --> 00:13:49,680

uh

337

00:13:53,829 --> 00:13:51,040

a system

338

00:13:57,110 --> 00:13:53,839

that was located on the base

339

00:13:59,990 --> 00:13:59,030
exactly and so

340

00:14:01,509 --> 00:14:00,000
uh

341

00:14:04,710 --> 00:14:01,519
we didn't want him

342

00:14:06,710 --> 00:14:04,720
to think that he was uh

343

00:14:09,430 --> 00:14:06,720
that he had done that so we

344

00:14:11,829 --> 00:14:09,440
and he was convinced that what he tapped

345

00:14:14,470 --> 00:14:11,839
into was an et signal

346

00:14:17,829 --> 00:14:14,480
so we just can we just continue to

347

00:14:21,350 --> 00:14:17,839
to uh urge him to think that it was a et

348

00:14:23,829 --> 00:14:21,360
signal and not the actual nsa signal

349

00:14:26,230 --> 00:14:23,839
now what's interesting

350

00:14:28,310 --> 00:14:26,240
is is that some of the pictures that he

351
00:14:29,269 --> 00:14:28,320
took

352
00:14:32,870 --> 00:14:29,279
uh

353
00:14:34,550 --> 00:14:32,880
of objects around flying around kirtland

354
00:14:36,790 --> 00:14:34,560
uh

355
00:14:38,710 --> 00:14:36,800
some of them could be explained but some

356
00:14:40,949 --> 00:14:38,720
of them couldn't be

357
00:14:43,430 --> 00:14:40,959
and back in the um

358
00:14:45,030 --> 00:14:43,440
in the 80s early 80s

359
00:14:47,990 --> 00:14:45,040
the air force was

360
00:14:50,389 --> 00:14:48,000
experimenting with drones

361
00:14:52,870 --> 00:14:50,399
highly classified at the time

362
00:14:53,990 --> 00:14:52,880
and they were flying drones

363
00:14:55,990 --> 00:14:54,000

different

364

00:14:58,310 --> 00:14:56,000

types of drones

365

00:14:59,670 --> 00:14:58,320

and i don't know exactly the types but

366

00:15:01,030 --> 00:14:59,680

anyway there were different types of

367

00:15:03,030 --> 00:15:01,040

drones

368

00:15:04,550 --> 00:15:03,040

and some of the pictures that he took

369

00:15:07,350 --> 00:15:04,560

were of drones

370

00:15:09,269 --> 00:15:07,360

and and that's classified so

371

00:15:10,790 --> 00:15:09,279

we never told him

372

00:15:12,710 --> 00:15:10,800

you know their drones

373

00:15:16,629 --> 00:15:12,720

uh but we told them wow we don't know

374

00:15:18,230 --> 00:15:16,639

what they are they need to hear ufos

375

00:15:19,910 --> 00:15:18,240

this leads me to another important

376

00:15:21,110 --> 00:15:19,920

question about the whole paul benowitz

377

00:15:23,110 --> 00:15:21,120

affair

378

00:15:25,189 --> 00:15:23,120

and that's this in reading everything

379

00:15:27,670 --> 00:15:25,199

about it i always thought here's a guy

380

00:15:29,509 --> 00:15:27,680

who has government contracts with the

381

00:15:31,430 --> 00:15:29,519

air force or the government you know

382

00:15:33,350 --> 00:15:31,440

with through his company

383

00:15:35,189 --> 00:15:33,360

probably a somewhat patriotic guy like

384

00:15:37,749 --> 00:15:35,199

you said he was a concerned citizen came

385

00:15:40,389 --> 00:15:37,759

for forward to say hey look i'm seeing

386

00:15:41,990 --> 00:15:40,399

this this stuff in restricted airspace i

387

00:15:45,030 --> 00:15:42,000

took these pictures

388

00:15:47,430 --> 00:15:45,040

why the incredibly elaborate ruse and

389

00:15:50,550 --> 00:15:47,440

bringing in ufos and extraterrestrials

390

00:15:52,870 --> 00:15:50,560

and dulce bass and all of this stuff why

391

00:15:54,710 --> 00:15:52,880

didn't the air force just take him into

392

00:15:57,269 --> 00:15:54,720

confidence tell the truth and swear in

393

00:15:59,910 --> 00:15:57,279

the secrecy about what was really going

394

00:16:03,670 --> 00:16:01,590

well uh

395

00:16:06,150 --> 00:16:03,680

that was one of that would be one of the

396

00:16:07,430 --> 00:16:06,160

things i would probably have changed

397

00:16:11,030 --> 00:16:07,440

and i probably would have tried to

398

00:16:12,389 --> 00:16:11,040

convince my supervisors to do that but

399

00:16:15,590 --> 00:16:12,399

uh they

400

00:16:17,990 --> 00:16:15,600

when we found out that his company had

401
00:16:20,069 --> 00:16:18,000
the industrial security clearance and

402
00:16:22,629 --> 00:16:20,079
that he was making he was he had it had

403
00:16:25,189 --> 00:16:22,639
a secret clearance his company did he

404
00:16:27,269 --> 00:16:25,199
did his employees did

405
00:16:28,310 --> 00:16:27,279
was thunder scientific because he made

406
00:16:29,749 --> 00:16:28,320
parts for

407
00:16:33,910 --> 00:16:29,759
submarines

408
00:16:37,269 --> 00:16:33,920
we i

409
00:16:41,110 --> 00:16:37,279
proposed that to my supervisor

410
00:16:45,749 --> 00:16:43,749
other supervisors from washington

411
00:16:47,350 --> 00:16:45,759
sat down at the table to discuss the

412
00:16:50,069 --> 00:16:47,360
strategy on this

413
00:16:51,990 --> 00:16:50,079

he vernonly said no we're not going to

414

00:16:53,269 --> 00:16:52,000

brief him into it this is too highly

415

00:16:55,590 --> 00:16:53,279

classified

416

00:16:57,269 --> 00:16:55,600

and he doesn't have a need to know that

417

00:16:59,829 --> 00:16:57,279

and again one of my other one of my

418

00:17:01,509 --> 00:16:59,839

other questions was going to be and i i

419

00:17:02,629 --> 00:17:01,519

i really didn't think anybody ever asked

420

00:17:05,189 --> 00:17:02,639

you this that if it wasn't

421

00:17:07,590 --> 00:17:05,199

extraterrestrial spacecraft

422

00:17:08,789 --> 00:17:07,600

what was paul bennowitz seeing did you

423

00:17:10,390 --> 00:17:08,799

was it just the drones that the

424

00:17:13,510 --> 00:17:10,400

government wanted so desperately to

425

00:17:16,870 --> 00:17:15,029

some of them

426

00:17:19,189 --> 00:17:16,880

were drones they were

427

00:17:21,750 --> 00:17:19,199

clearly some of the photographs that he

428

00:17:25,029 --> 00:17:21,760

took were of drones they were recognized

429

00:17:27,350 --> 00:17:25,039

and identified as drones by

430

00:17:29,909 --> 00:17:27,360

other intelligence people but some of

431

00:17:32,789 --> 00:17:29,919

the some of the objects that he took

432

00:17:36,549 --> 00:17:32,799

photos of were not doing this

433

00:17:38,789 --> 00:17:36,559

in fact he took a series of photographs

434

00:17:41,510 --> 00:17:38,799

on a particular

435

00:17:44,390 --> 00:17:41,520

rainy night and there wasn't any drones

436

00:17:45,990 --> 00:17:44,400

flying during that time period

437

00:17:47,990 --> 00:17:46,000

and uh

438

00:17:49,190 --> 00:17:48,000

these these objects were

439

00:17:52,470 --> 00:17:49,200

large

440

00:17:54,150 --> 00:17:52,480

they were uh foster shaped

441

00:17:55,830 --> 00:17:54,160

and they were rather

442

00:17:57,110 --> 00:17:55,840

close to the base treatment of the

443

00:17:58,070 --> 00:17:57,120

curtain

444

00:17:58,950 --> 00:17:58,080

and

445

00:18:01,270 --> 00:17:58,960

when

446

00:18:03,590 --> 00:18:01,280

we set up the headquarters to be

447

00:18:05,830 --> 00:18:03,600

evaluated or identified

448

00:18:07,430 --> 00:18:05,840

uh they came back that these objects

449

00:18:09,830 --> 00:18:07,440

were not drones and they were not

450

00:18:12,390 --> 00:18:09,840

anything identifiable to the air force

451

00:18:14,710 --> 00:18:12,400

or any other military agency

452

00:18:16,390 --> 00:18:14,720

so we don't know what they were

453

00:18:17,270 --> 00:18:16,400

wow

454

00:18:19,750 --> 00:18:17,280

so

455

00:18:22,470 --> 00:18:19,760

you you you mentioned that your uncle

456

00:18:24,549 --> 00:18:22,480

was you know uh had some relation to

457

00:18:26,150 --> 00:18:24,559

holliman air force base

458

00:18:28,310 --> 00:18:26,160

did you guys ever talk about the

459

00:18:30,470 --> 00:18:28,320

holloman landings that are so famous in

460

00:18:32,710 --> 00:18:30,480

ufo mythology or do you know anything

461

00:18:34,310 --> 00:18:32,720

about that was is that a real story or

462

00:18:38,549 --> 00:18:34,320

is that a hoax or

463

00:18:43,750 --> 00:18:41,350

no it was real it was a real a real live

464

00:18:44,470 --> 00:18:43,760

incident uh bed

465

00:18:47,190 --> 00:18:44,480

well

466

00:18:50,150 --> 00:18:47,200

let me let me go back a little bit

467

00:18:53,350 --> 00:18:50,160

the lonnie zamora case where a craft

468

00:18:55,669 --> 00:18:53,360

landed near the coral

469

00:18:58,230 --> 00:18:55,679

was the same craft that was supposed to

470

00:18:59,190 --> 00:18:58,240

have landed down near parliament

471

00:19:00,950 --> 00:18:59,200

but

472

00:19:06,230 --> 00:19:00,960

there were

473

00:19:07,990 --> 00:19:06,240

that the craft the xp's got got the

474

00:19:09,909 --> 00:19:08,000

landing site long

475

00:19:11,190 --> 00:19:09,919

and that's another entire that would

476

00:19:13,510 --> 00:19:11,200

take another

477

00:19:16,710 --> 00:19:13,520

hours to discuss but

478

00:19:19,990 --> 00:19:16,720

anyway they landed at the wrong location

479

00:19:21,909 --> 00:19:20,000

and when uh they i guess figured it out

480

00:19:25,270 --> 00:19:21,919

on their own or

481

00:19:26,789 --> 00:19:25,280

what the however they they decided it

482

00:19:28,630 --> 00:19:26,799

was the wrong location

483

00:19:31,190 --> 00:19:28,640

they took off and landed at the right

484

00:19:33,510 --> 00:19:31,200

location if you if you look at the dates

485

00:19:35,270 --> 00:19:33,520

the dates are exactly the same

486

00:19:38,549 --> 00:19:35,280

that from the holloman case in the

487

00:19:40,310 --> 00:19:38,559

london samoa case april april 24th

488

00:19:42,390 --> 00:19:40,320

it never happened you've never connected

489

00:19:44,310 --> 00:19:42,400

those two that's amazing

490

00:19:46,310 --> 00:19:44,320

well that's some great information

491

00:19:47,510 --> 00:19:46,320

that's what that's what the that's what

492

00:19:49,669 --> 00:19:47,520

the uh

493

00:19:52,230 --> 00:19:49,679

uh that's what happened and the the date

494

00:19:55,270 --> 00:19:52,240

my michael spoke of it

495

00:19:57,029 --> 00:19:55,280

in detail to me years later

496

00:20:00,310 --> 00:19:57,039

and

497

00:20:04,230 --> 00:20:02,870

convinced that

498

00:20:06,630 --> 00:20:04,240

what they were

499

00:20:09,350 --> 00:20:06,640

they were coming back for were the

500

00:20:10,390 --> 00:20:09,360

the bodies of the

501
00:20:13,270 --> 00:20:10,400
of the

502
00:20:15,510 --> 00:20:13,280
et from the roswell crash site or corona

503
00:20:17,750 --> 00:20:15,520
crash site everybody calls it roswell

504
00:20:19,669 --> 00:20:17,760
but actually happened near cronin mexico

505
00:20:21,430 --> 00:20:19,679
yeah like in stan friedman's crashing

506
00:20:23,510 --> 00:20:21,440
corona

507
00:20:24,549 --> 00:20:23,520
and i i guess yeah i guess i would ask

508
00:20:27,270 --> 00:20:24,559
you that

509
00:20:29,750 --> 00:20:27,280
in relation to the holloman

510
00:20:31,029 --> 00:20:29,760
landing footage so many times the air

511
00:20:33,590 --> 00:20:31,039
force like the air force went to

512
00:20:35,510 --> 00:20:33,600
emanager with promises of providing that

513
00:20:36,950 --> 00:20:35,520

holloman landing footage

514

00:20:38,789 --> 00:20:36,960

and and a lot of people think that was

515

00:20:41,190 --> 00:20:38,799

part of an ongoing disclosure effort

516

00:20:43,830 --> 00:20:41,200

that by necessity you know they have to

517

00:20:45,190 --> 00:20:43,840

conceal classified information

518

00:20:46,710 --> 00:20:45,200

traditional leaking wouldn't work

519

00:20:48,549 --> 00:20:46,720

because of the secrecy agreements and

520

00:20:50,710 --> 00:20:48,559

the nda's you know people like you if

521

00:20:53,590 --> 00:20:50,720

they leaked this stuff would go to jail

522

00:20:55,350 --> 00:20:53,600

so are they is the government on purpose

523

00:20:57,350 --> 00:20:55,360

releasing real information via

524

00:20:59,590 --> 00:20:57,360

disinformation and via proxies and

525

00:21:03,110 --> 00:20:59,600

cutouts and some kind of effort at

526

00:21:08,630 --> 00:21:05,510

well i know at one time

527

00:21:10,549 --> 00:21:08,640

uh back in the uh 80s uh when i'm back

528

00:21:11,990 --> 00:21:10,559

in the late 70s when i was brief into

529

00:21:14,470 --> 00:21:12,000

the program

530

00:21:19,669 --> 00:21:14,480

one of the uh

531

00:21:23,510 --> 00:21:21,350

that i was given

532

00:21:25,590 --> 00:21:23,520

pertain to a disclosure that has started

533

00:21:28,070 --> 00:21:25,600

back in the early 50s

534

00:21:30,870 --> 00:21:28,080

it was more or less the test

535

00:21:33,350 --> 00:21:30,880

test of how people would react to

536

00:21:35,430 --> 00:21:33,360

the the information that we were in

537

00:21:37,750 --> 00:21:35,440

contact with extraterrestrials and they

538

00:21:40,870 --> 00:21:37,760

were there were the air force cooperated

539

00:21:41,669 --> 00:21:40,880

with movie producers and

540

00:21:44,549 --> 00:21:41,679

uh

541

00:21:46,070 --> 00:21:44,559

and and some some authors

542

00:21:49,270 --> 00:21:46,080

uh back then

543

00:21:50,470 --> 00:21:49,280

uh but for some reason along the way

544

00:21:53,909 --> 00:21:50,480

uh things

545

00:21:55,669 --> 00:21:53,919

clammed up in the the the the military

546

00:21:58,310 --> 00:21:55,679

uh

547

00:22:00,070 --> 00:21:58,320

stopped stopped cooperating now what

548

00:22:01,990 --> 00:22:00,080

they're doing today i don't know and

549

00:22:03,669 --> 00:22:02,000

maybe maybe there is i think

550

00:22:05,990 --> 00:22:03,679

i think uh

551
00:22:07,909 --> 00:22:06,000
my own personal opinion is that

552
00:22:09,029 --> 00:22:07,919
there is a disclosure

553
00:22:10,149 --> 00:22:09,039
uh

554
00:22:13,909 --> 00:22:10,159
process

555
00:22:16,870 --> 00:22:13,919
that is that started uh sometime back in

556
00:22:18,870 --> 00:22:16,880
the early 2000s and better that's

557
00:22:20,310 --> 00:22:18,880
continuing

558
00:22:22,470 --> 00:22:20,320
but the problem

559
00:22:24,470 --> 00:22:22,480
is that there's so much

560
00:22:25,350 --> 00:22:24,480
junk that's been

561
00:22:33,510 --> 00:22:25,360
uh

562
00:22:35,190 --> 00:22:33,520
fake

563
00:22:38,149 --> 00:22:35,200

ufo books or

564

00:22:40,630 --> 00:22:38,159

or of movies that portray things that

565

00:22:42,789 --> 00:22:40,640

aren't really accurate that it's really

566

00:22:44,549 --> 00:22:42,799

difficult for the government to come out

567

00:22:46,230 --> 00:22:44,559

and say well this is this is what

568

00:22:48,549 --> 00:22:46,240

happened here and this is what happened

569

00:22:50,230 --> 00:22:48,559

there because people are saying well

570

00:22:51,830 --> 00:22:50,240

they've already been brainwashed well i

571

00:22:52,789 --> 00:22:51,840

just read a book that says it happened

572

00:22:54,710 --> 00:22:52,799

this way

573

00:22:55,750 --> 00:22:54,720

i just saw a movie uh i just saw a

574

00:22:57,830 --> 00:22:55,760

special

575

00:23:00,149 --> 00:22:57,840

so there's so much junk that has been

576

00:23:02,870 --> 00:23:00,159

spread out there that it's

577

00:23:05,270 --> 00:23:02,880

it's it's difficult to to

578

00:23:07,029 --> 00:23:05,280

to hold a news conference and say

579

00:23:10,789 --> 00:23:07,039

forget everything you've learned or

580

00:23:11,909 --> 00:23:10,799

heard uh or saw or read this is the

581

00:23:13,029 --> 00:23:11,919

facts

582

00:23:14,870 --> 00:23:13,039

you know

583

00:23:18,549 --> 00:23:14,880

i guess i would i would also like to ask

584

00:23:20,630 --> 00:23:18,559

you on on this subject of disclosure

585

00:23:24,789 --> 00:23:20,640

that there's been some recent

586

00:23:26,950 --> 00:23:24,799

big news uh really uh through this to

587

00:23:28,710 --> 00:23:26,960

the stars academy and

588

00:23:30,789 --> 00:23:28,720

they're releasing gun camera footage

589

00:23:33,350 --> 00:23:30,799

something that they've never done but it

590

00:23:35,430 --> 00:23:33,360

seems to be a half effort like

591

00:23:37,029 --> 00:23:35,440

they say it's from the pentagon or

592

00:23:38,789 --> 00:23:37,039

department of defense and then people

593

00:23:41,190 --> 00:23:38,799

file for your request and they say we

594

00:23:42,710 --> 00:23:41,200

didn't release any of this stuff

595

00:23:44,710 --> 00:23:42,720

what do you think of the two stars

596

00:23:46,870 --> 00:23:44,720

academy and is this a real effort of

597

00:23:47,990 --> 00:23:46,880

disclosure is this a disinformation

598

00:23:48,870 --> 00:23:48,000

campaign

599

00:23:53,590 --> 00:23:48,880

or

600

00:23:55,830 --> 00:23:53,600

disclosure and this is just a trickling

601
00:23:58,390 --> 00:23:55,840
slow disclosure or confirmation as

602
00:24:02,470 --> 00:23:58,400
robert bigelow claimed a few years ago

603
00:24:08,630 --> 00:24:05,830
no i think there's a active effort

604
00:24:11,510 --> 00:24:08,640
but uh i'm no longer involved in the in

605
00:24:12,390 --> 00:24:11,520
the uh government so i i don't know what

606
00:24:17,029 --> 00:24:12,400
they're

607
00:24:20,789 --> 00:24:17,039
recent disclosure

608
00:24:22,630 --> 00:24:20,799
but i i i'm pretty positive that

609
00:24:24,230 --> 00:24:22,640
there's there's going to be eventual

610
00:24:25,750 --> 00:24:24,240
disclosure and i don't know how they're

611
00:24:26,549 --> 00:24:25,760
going to do it how they're going to work

612
00:24:28,870 --> 00:24:26,559
it

613
00:24:30,710 --> 00:24:28,880

because of all the brainwashing that has

614

00:24:33,110 --> 00:24:30,720

been done over the years

615

00:24:36,870 --> 00:24:33,120

from from

616

00:24:39,350 --> 00:24:36,880

people who write fictitious ufo books

617

00:24:41,269 --> 00:24:39,360

i spend most of my time going through

618

00:24:44,149 --> 00:24:41,279

garbage trying to get to some real

619

00:24:46,230 --> 00:24:44,159

information so i agree with you on that

620

00:24:48,789 --> 00:24:46,240

and another question i wanted to ask you

621

00:24:50,630 --> 00:24:48,799

about is just another famous story about

622

00:24:53,269 --> 00:24:50,640

nixon taking jack and gleason to see

623

00:24:54,630 --> 00:24:53,279

alien bodies in an air force base

624

00:24:58,870 --> 00:24:54,640

do you know anything about that or if

625

00:25:03,990 --> 00:25:02,630

well i i asked uh my uncle he he heard

626

00:25:06,310 --> 00:25:04,000

the story

627

00:25:08,070 --> 00:25:06,320

he knew nixon was

628

00:25:12,310 --> 00:25:08,080

intimately involved

629

00:25:14,070 --> 00:25:12,320

he he uh nixon was had been briefed

630

00:25:17,590 --> 00:25:14,080

nixon wanted to be briefed on every

631

00:25:20,070 --> 00:25:17,600

single ufo sighting or every every

632

00:25:21,350 --> 00:25:20,080

legitimate ufo case

633

00:25:23,510 --> 00:25:21,360

uh

634

00:25:25,669 --> 00:25:23,520

he um

635

00:25:27,029 --> 00:25:25,679

but that the incident involving jack at

636

00:25:28,870 --> 00:25:27,039

least as

637

00:25:30,230 --> 00:25:28,880

as far as i know

638

00:25:32,710 --> 00:25:30,240

really happened

639

00:25:35,190 --> 00:25:32,720

uh but of course that's i'm only getting

640

00:25:37,909 --> 00:25:35,200

it from a second a second party or third

641

00:25:40,149 --> 00:25:37,919

party i know obviously i wasn't around

642

00:25:41,669 --> 00:25:40,159

back in that those days so i don't

643

00:25:44,549 --> 00:25:41,679

really know what

644

00:25:47,430 --> 00:25:44,559

what uh whether it's factual or not but

645

00:25:49,909 --> 00:25:47,440

i heard it the story came from his widow

646

00:25:52,070 --> 00:25:49,919

who i didn't i just don't think she had

647

00:25:54,149 --> 00:25:52,080

any reason she wasn't looking for money

648

00:25:57,430 --> 00:25:54,159

or fame she didn't write a book

649

00:25:59,510 --> 00:25:57,440

or won a movie deal like people do today

650

00:26:01,430 --> 00:25:59,520

she just told a lot of people this story

651

00:26:03,110 --> 00:26:01,440

and that's how it got out so i always

652

00:26:05,190 --> 00:26:03,120

thought that's got to be a real story

653

00:26:07,510 --> 00:26:05,200

because why would his widow just make up

654

00:26:09,190 --> 00:26:07,520

this story and a big thing of the story

655

00:26:10,870 --> 00:26:09,200

is that gleeson was so upset that he

656

00:26:13,590 --> 00:26:10,880

couldn't eat for days after that you

657

00:26:15,269 --> 00:26:13,600

know he liked to eat so

658

00:26:17,750 --> 00:26:15,279

i mean it's just a little caveat of the

659

00:26:20,710 --> 00:26:17,760

story but it's funny you know

660

00:26:23,029 --> 00:26:20,720

this amazing story well

661

00:26:25,029 --> 00:26:23,039

jackie one of the things that

662

00:26:28,390 --> 00:26:25,039

i i read some years

663

00:26:31,830 --> 00:26:28,400

later that is that jackie gleason

664

00:26:35,190 --> 00:26:31,840

privately told johnny carson about it

665

00:26:36,390 --> 00:26:35,200

and and john and but sworn to secrecy

666

00:26:38,870 --> 00:26:36,400

and

667

00:26:42,950 --> 00:26:38,880

after jackie had died

668

00:26:44,549 --> 00:26:42,960

johnny disclosed that to a a a retired

669

00:26:46,710 --> 00:26:44,559

air force colonel

670

00:26:47,510 --> 00:26:46,720

who he had on his show

671

00:26:49,510 --> 00:26:47,520

uh

672

00:26:51,590 --> 00:26:49,520

and i'm not sure how how this colonel

673

00:26:54,230 --> 00:26:51,600

got on the show but anyways

674

00:26:56,789 --> 00:26:54,240

johnny asked the colonel about it

675

00:26:58,310 --> 00:26:56,799

uh and the colonel said yes it did

676

00:27:01,190 --> 00:26:58,320

really happen but

677

00:27:03,190 --> 00:27:01,200

uh but not on not on the air it was you

678

00:27:05,669 --> 00:27:03,200

know behind the scenes

679

00:27:08,070 --> 00:27:05,679

and i heard that story too and uh i've

680

00:27:10,789 --> 00:27:08,080

heard from at least four people now five

681

00:27:12,950 --> 00:27:10,799

including you that that are in position

682

00:27:14,870 --> 00:27:12,960

to probably know that this story is real

683

00:27:17,269 --> 00:27:14,880

so that's amazing to get some kind of

684

00:27:21,590 --> 00:27:17,279

confirmation of such an incredible story

685

00:27:24,789 --> 00:27:21,600

taking place years and years ago

686

00:27:26,630 --> 00:27:24,799

yes yes yeah so you did mention that

687

00:27:30,710 --> 00:27:26,640

you're no longer active

688

00:27:32,470 --> 00:27:30,720

or operational and again you know i i

689

00:27:35,430 --> 00:27:32,480

have always objected to people kind of

690

00:27:37,350 --> 00:27:35,440

vilifying you and making you a bad guy

691

00:27:38,710 --> 00:27:37,360

in this whole field because i think

692

00:27:41,110 --> 00:27:38,720

you're one of the most knowledgeable

693

00:27:43,430 --> 00:27:41,120

people that are on planet earth about

694

00:27:45,909 --> 00:27:43,440

these things but some people

695

00:27:47,669 --> 00:27:45,919

say that you're still operational

696

00:27:49,430 --> 00:27:47,679

and so i wanted to ask you direct and

697

00:27:51,510 --> 00:27:49,440

straight out are you still engaged in

698

00:27:53,590 --> 00:27:51,520

any operational intelligence gathering

699

00:27:55,350 --> 00:27:53,600

or disinformation related activities

700

00:27:58,470 --> 00:27:55,360

official or unofficial

701
00:28:01,669 --> 00:27:58,480
relating to the subject of ufos

702
00:28:03,590 --> 00:28:01,679
no i'm not i'm a member of the

703
00:28:05,110 --> 00:28:03,600
of the retired intelligence officers

704
00:28:07,029 --> 00:28:05,120
association

705
00:28:09,590 --> 00:28:07,039
we meet uh

706
00:28:12,549 --> 00:28:09,600
once a year sometimes twice a year or at

707
00:28:15,029 --> 00:28:12,559
somebody's funeral that lately it's been

708
00:28:19,110 --> 00:28:15,039
somebody's funeral and we have a little

709
00:28:21,590 --> 00:28:19,120
group uh of uh intelligence officers who

710
00:28:23,990 --> 00:28:21,600
had had access to this

711
00:28:26,789 --> 00:28:24,000
information who had been involved in

712
00:28:28,230 --> 00:28:26,799
investigating of it and we meet and we

713
00:28:31,029 --> 00:28:28,240

sit and talk

714

00:28:33,430 --> 00:28:31,039

uh and and we discuss uh

715

00:28:35,750 --> 00:28:33,440

um

716

00:28:38,070 --> 00:28:35,760

investigations that each each of us had

717

00:28:40,470 --> 00:28:38,080

done some of the guys had

718

00:28:41,350 --> 00:28:40,480

older than me and had done things back

719

00:28:43,510 --> 00:28:41,360

in the

720

00:28:44,470 --> 00:28:43,520

50s and 60s that

721

00:28:48,070 --> 00:28:44,480

were

722

00:28:51,430 --> 00:28:48,080

are quite extraordinary and that

723

00:28:55,190 --> 00:28:51,440

we have only uh a couple

724

00:28:56,549 --> 00:28:55,200

that are recently retired that uh will

725

00:28:58,149 --> 00:28:56,559

or can

726

00:28:59,750 --> 00:28:58,159

talk to us because because we still we

727

00:29:00,870 --> 00:28:59,760

don't have any clearances anymore they

728

00:29:03,110 --> 00:29:00,880

still do

729

00:29:05,590 --> 00:29:03,120

and so they have to keep things

730

00:29:08,710 --> 00:29:05,600

uh sensitive so

731

00:29:10,630 --> 00:29:08,720

they do relate things uh

732

00:29:12,710 --> 00:29:10,640

not in details

733

00:29:14,789 --> 00:29:12,720

but more or less a summary of some of

734

00:29:17,350 --> 00:29:14,799

the things that they've done in the uh

735

00:29:18,710 --> 00:29:17,360

in the in the 90s and in the hundreds

736

00:29:21,909 --> 00:29:18,720

and 2000s

737

00:29:23,750 --> 00:29:21,919

and that are still showing that the

738

00:29:25,669 --> 00:29:23,760

government is still mistaking

739

00:29:27,909 --> 00:29:25,679

the incidents well we've just had

740

00:29:30,070 --> 00:29:27,919

confirmation that the pentagon is

741

00:29:32,470 --> 00:29:30,080

and i i guess another another question

742

00:29:33,909 --> 00:29:32,480

that's very important to get to

743

00:29:36,470 --> 00:29:33,919

there's so much to get to with you

744

00:29:39,510 --> 00:29:36,480

because your name comes up with in all

745

00:29:41,830 --> 00:29:39,520

different big stories in ufo mythology

746

00:29:43,669 --> 00:29:41,840

and lore every book that i've read on

747

00:29:45,590 --> 00:29:43,679

ufos mentions you

748

00:29:47,590 --> 00:29:45,600

in some story or another

749

00:29:49,669 --> 00:29:47,600

so i wanted to get to the mj 12

750

00:29:51,510 --> 00:29:49,679

documents but before i do

751
00:29:54,389 --> 00:29:51,520

i had a

752
00:29:56,070 --> 00:29:54,399

a very direct question and that is did

753
00:29:57,750 --> 00:29:56,080

the air force

754
00:29:59,909 --> 00:29:57,760

office of special intelligence who you

755
00:30:01,990 --> 00:29:59,919

worked for or any government agency to

756
00:30:06,470 --> 00:30:02,000

your knowledge create and distribute

757
00:30:07,669 --> 00:30:06,480

false leap documents to ufo researchers

758
00:30:11,029 --> 00:30:07,679

no

759
00:30:13,430 --> 00:30:11,039

never did

760
00:30:14,710 --> 00:30:13,440

but what now what about what they told

761
00:30:19,510 --> 00:30:14,720

you

762
00:30:21,990 --> 00:30:19,520

i hate to even get to this but people

763
00:30:24,230 --> 00:30:22,000

would really like to to know more about

764

00:30:25,590 --> 00:30:24,240

the story with linda malton how you

765

00:30:27,350 --> 00:30:25,600

sitting her down and putting her in a

766

00:30:29,590 --> 00:30:27,360

briefing room and giving her a dossier

767

00:30:31,590 --> 00:30:29,600

of information that you showed to her

768

00:30:34,149 --> 00:30:31,600

and she claims those documents mentioned

769

00:30:36,870 --> 00:30:34,159

that et's manipulated early man's dna to

770

00:30:38,870 --> 00:30:36,880

create homo sapiens

771

00:30:41,029 --> 00:30:38,880

first to your knowledge is that

772

00:30:42,789 --> 00:30:41,039

statement that she keeps making and has

773

00:30:44,149 --> 00:30:42,799

made for years about that dossier she

774

00:30:46,310 --> 00:30:44,159

was soon

775

00:30:48,630 --> 00:30:46,320

is it true or false that that dossier

776
00:30:50,630 --> 00:30:48,640
mentioned that et's manipulated man's

777
00:30:55,510 --> 00:30:50,640
dna and created homo sapiens because

778
00:31:02,230 --> 00:30:59,509
well it wasn't a dossier i i did provide

779
00:31:04,630 --> 00:31:02,240
we had an operation

780
00:31:06,389 --> 00:31:04,640
to obtain information from linda howell

781
00:31:10,310 --> 00:31:06,399
because she

782
00:31:12,630 --> 00:31:10,320
uh she had a number of sources in

783
00:31:14,230 --> 00:31:12,640
washington dc that was providing her

784
00:31:15,430 --> 00:31:14,240
information

785
00:31:16,389 --> 00:31:15,440
and

786
00:31:26,870 --> 00:31:16,399
we

787
00:31:28,230 --> 00:31:26,880
figure out

788
00:31:30,389 --> 00:31:28,240

a plan

789

00:31:33,830 --> 00:31:30,399

to uh

790

00:31:36,630 --> 00:31:33,840

to bring her in in the inside

791

00:31:39,590 --> 00:31:36,640

in order for her to open up to us

792

00:31:41,669 --> 00:31:39,600

now uh first of all i wasn't the only

793

00:31:43,350 --> 00:31:41,679

one involved in this there was a couple

794

00:31:45,430 --> 00:31:43,360

other people but my name of course is

795

00:31:47,029 --> 00:31:45,440

always mentioned because she brought it

796

00:31:50,389 --> 00:31:47,039

up but

797

00:31:51,669 --> 00:31:50,399

the the actual person who uh started

798

00:31:53,990 --> 00:31:51,679

this uh

799

00:31:55,669 --> 00:31:54,000

uh operation against women howell was

800

00:31:56,630 --> 00:31:55,679

somebody who was stationed

801
00:31:59,269 --> 00:31:56,640
back in

802
00:32:02,230 --> 00:31:59,279
new york's pity and

803
00:32:03,750 --> 00:32:02,240
he we were just uh

804
00:32:05,269 --> 00:32:03,760
a um

805
00:32:07,990 --> 00:32:05,279
assisting him

806
00:32:11,269 --> 00:32:08,000
in this in this investigation but

807
00:32:12,389 --> 00:32:11,279
so we did i did show her documents that

808
00:32:13,110 --> 00:32:12,399
they sent

809
00:32:17,269 --> 00:32:13,120
our

810
00:32:19,909 --> 00:32:17,279
and told me

811
00:32:21,110 --> 00:32:19,919
to let her read these uh intelligence

812
00:32:24,630 --> 00:32:21,120
reports

813
00:32:31,029 --> 00:32:27,110

but was this dossier just created

814

00:32:33,190 --> 00:32:31,039

fabrications or was this real nation no

815

00:32:35,269 --> 00:32:33,200

this was real absolutely

816

00:32:36,470 --> 00:32:35,279

it was real information right out of a

817

00:32:38,310 --> 00:32:36,480

briefing

818

00:32:40,149 --> 00:32:38,320

uh and we wanted

819

00:32:43,029 --> 00:32:40,159

and the reason we did this

820

00:32:45,590 --> 00:32:43,039

was we wanted to know if he had already

821

00:32:47,830 --> 00:32:45,600

had access to this the problem here is

822

00:32:49,509 --> 00:32:47,840

this you got to listen to this carefully

823

00:32:51,509 --> 00:32:49,519

okay

824

00:32:54,470 --> 00:32:51,519

the problem is this

825

00:32:57,269 --> 00:32:54,480

he already had access to classified

826

00:32:59,269 --> 00:32:57,279

information she already had a source in

827

00:33:01,509 --> 00:32:59,279

washington or or

828

00:33:03,509 --> 00:33:01,519

as we found out later more than one

829

00:33:04,630 --> 00:33:03,519

source that was providing her

830

00:33:07,750 --> 00:33:04,640

information

831

00:33:10,630 --> 00:33:07,760

now if we were to sit there and provide

832

00:33:12,310 --> 00:33:10,640

her false information then she's going

833

00:33:15,669 --> 00:33:12,320

to know or it's going to get very

834

00:33:16,470 --> 00:33:15,679

suspicious on why we were doing that

835

00:33:18,870 --> 00:33:16,480

so

836

00:33:20,950 --> 00:33:18,880

we had to we had to give her the real

837

00:33:22,950 --> 00:33:20,960

stuff let her read the real stuff we

838

00:33:25,190 --> 00:33:22,960

didn't give her anything we didn't allow

839

00:33:26,630 --> 00:33:25,200

her to take any notes she couldn't take

840

00:33:28,230 --> 00:33:26,640

any pictures

841

00:33:29,909 --> 00:33:28,240

everything was recorded through a

842

00:33:31,029 --> 00:33:29,919

one-way mirror so everything that

843

00:33:34,630 --> 00:33:31,039

happened

844

00:33:36,870 --> 00:33:34,640

was was on that videotape but why i i

845

00:33:39,590 --> 00:33:36,880

she was sitting across from me on a desk

846

00:33:41,430 --> 00:33:39,600

and i and i had this uh

847

00:33:43,990 --> 00:33:41,440

intelligence report in a folder and i

848

00:33:46,710 --> 00:33:44,000

handed it to her and i said

849

00:33:48,789 --> 00:33:46,720

miss power you can read this

850

00:33:50,710 --> 00:33:48,799

one time and then you pass it back to me

851
00:33:52,710 --> 00:33:50,720
and she did she read it

852
00:33:54,470 --> 00:33:52,720
she didn't take any notes

853
00:33:56,389 --> 00:33:54,480
or anything but she happens to have a

854
00:33:58,710 --> 00:33:56,399
photographic memory though i i don't

855
00:34:00,630 --> 00:33:58,720
know if you were exactly she does

856
00:34:02,149 --> 00:34:00,640
yeah she does and then she handed it

857
00:34:05,190 --> 00:34:02,159
back to me and she said this is

858
00:34:07,350 --> 00:34:05,200
fascinating and that's how the operation

859
00:34:09,909 --> 00:34:07,360
started and that's what my involvement

860
00:34:12,230 --> 00:34:09,919
in and with learning how i was all i had

861
00:34:14,550 --> 00:34:12,240
her and it was about a six page

862
00:34:16,069 --> 00:34:14,560
i believe it was a i think it was six

863
00:34:17,510 --> 00:34:16,079

page uh

864

00:34:19,190 --> 00:34:17,520

a document

865

00:34:21,270 --> 00:34:19,200

and and uh

866

00:34:22,389 --> 00:34:21,280

and so she read it and she handed it

867

00:34:25,109 --> 00:34:22,399

back to me and she said that's

868

00:34:27,190 --> 00:34:25,119

fascinating what more can you tell me

869

00:34:29,589 --> 00:34:27,200

and you know i said that's that's all i

870

00:34:33,270 --> 00:34:29,599

can tell you now linda but i maintain

871

00:34:36,550 --> 00:34:33,280

contact with her uh she

872

00:34:39,909 --> 00:34:36,560

called me or sent me letters or

873

00:34:41,669 --> 00:34:39,919

but i mean and but the real the real

874

00:34:43,030 --> 00:34:41,679

operation was occurring at another

875

00:34:45,430 --> 00:34:43,040

location

876

00:34:46,790 --> 00:34:45,440

so but i everything i showed you was

877

00:34:49,669 --> 00:34:46,800

fractured

878

00:34:51,030 --> 00:34:49,679

and i think i have to i have to ask you

879

00:34:53,349 --> 00:34:51,040

because a lot of people have said that

880

00:34:55,829 --> 00:34:53,359

that dossier that she was shown was

881

00:34:59,190 --> 00:34:55,839

amazingly similar to the mj 12 documents

882

00:35:00,069 --> 00:34:59,200

which would be released shortly after

883

00:35:02,790 --> 00:35:00,079

and

884

00:35:04,630 --> 00:35:02,800

i i know that for a fact you passed a

885

00:35:07,750 --> 00:35:04,640

polygraph exam where you said you did

886

00:35:10,230 --> 00:35:07,760

not show linda molten hale mj12

887

00:35:12,390 --> 00:35:10,240

documents so this wasn't mj 12 documents

888

00:35:14,230 --> 00:35:12,400

this was some other documents is that

889

00:35:17,109 --> 00:35:14,240

correct

890

00:35:18,790 --> 00:35:17,119

yes yes it was the other thing that i

891

00:35:21,430 --> 00:35:18,800

have to ask because a lot of people have

892

00:35:23,589 --> 00:35:21,440

told me i have to ask you this is as a

893

00:35:25,430 --> 00:35:23,599

as an air force sort of intelligence

894

00:35:27,109 --> 00:35:25,440

officer

895

00:35:28,870 --> 00:35:27,119

were you ever trained to be able to pass

896

00:35:30,870 --> 00:35:28,880

a polygraph

897

00:35:32,790 --> 00:35:30,880

even when lying or

898

00:35:34,230 --> 00:35:32,800

d did you really pass a polygraph

899

00:35:36,310 --> 00:35:34,240

because a lot of people say well he was

900

00:35:38,870 --> 00:35:36,320

trained he could pass a polygraph even

901
00:35:41,190 --> 00:35:38,880
if he was lying

902
00:35:42,870 --> 00:35:41,200
just another part of the vilifying of

903
00:35:44,390 --> 00:35:42,880
richard dodie i'm sorry but i have to

904
00:35:46,470 --> 00:35:44,400
ask you that you know a lot of people

905
00:35:49,670 --> 00:35:46,480
say yeah i understand and a lot of

906
00:35:52,230 --> 00:35:49,680
people also have blamed you for

907
00:35:54,470 --> 00:35:52,240
uh well i don't want to say blamed i i

908
00:35:57,829 --> 00:35:54,480
would say credited you

909
00:36:00,230 --> 00:35:57,839
for creating or disseminating or sending

910
00:36:01,829 --> 00:36:00,240
the mj12 documents you still deny that

911
00:36:03,670 --> 00:36:01,839
had anything to do with that isn't that

912
00:36:06,069 --> 00:36:03,680
correct

913
00:36:08,150 --> 00:36:06,079

the mj-12 documents i didn't have

914

00:36:09,750 --> 00:36:08,160

anything to do with it number first well

915

00:36:11,510 --> 00:36:09,760

let me go back to the polygraph part of

916

00:36:14,390 --> 00:36:11,520

it sure it is

917

00:36:16,390 --> 00:36:14,400

it is almost impossible i mean i i i

918

00:36:17,430 --> 00:36:16,400

think it is impossible

919

00:36:19,270 --> 00:36:17,440

to

920

00:36:20,470 --> 00:36:19,280

uh defeat

921

00:36:23,990 --> 00:36:20,480

a

922

00:36:24,870 --> 00:36:24,000

you by

923

00:36:42,950 --> 00:36:24,880

a

924

00:36:45,670 --> 00:36:42,960

intelligence community is extremely

925

00:36:48,150 --> 00:36:45,680

uh difficult to pass because

926

00:36:50,630 --> 00:36:48,160

of the of the methods they use

927

00:36:53,430 --> 00:36:50,640

to to administer it so

928

00:36:54,790 --> 00:36:53,440

for somebody on the outside to say oh

929

00:36:57,829 --> 00:36:54,800

yeah he can pass it you know he's

930

00:37:00,470 --> 00:36:57,839

trained to do it is absurd is that

931

00:37:01,589 --> 00:37:00,480

absolutely idiotic because it can't

932

00:37:03,109 --> 00:37:01,599

happen

933

00:37:06,230 --> 00:37:03,119

now

934

00:37:07,109 --> 00:37:06,240

on the other side of this um

935

00:37:12,870 --> 00:37:07,119

when

936

00:37:17,910 --> 00:37:12,880

released

937

00:37:21,030 --> 00:37:17,920

jamie sandera

938

00:37:23,589 --> 00:37:21,040

jamie chandira got them he got them from

939

00:37:26,950 --> 00:37:23,599

somebody in washington dc

940

00:37:28,310 --> 00:37:26,960

and then he i shared him with bill

941

00:37:29,510 --> 00:37:28,320

i have to stop you for a second because

942

00:37:32,069 --> 00:37:29,520

i'm sure people are aware of the

943

00:37:35,030 --> 00:37:32,079

sequence of events of how they got out

944

00:37:37,190 --> 00:37:35,040

first do you believe that they are

945

00:37:39,349 --> 00:37:37,200

actual real documents

946

00:37:41,109 --> 00:37:39,359

and i mean just the initial bunch

947

00:37:42,710 --> 00:37:41,119

because after that there was tons of

948

00:37:44,630 --> 00:37:42,720

them that were coming out and that a lot

949

00:37:46,630 --> 00:37:44,640

of them were suspect but the initial

950

00:37:48,630 --> 00:37:46,640

stuff that was sent to jamie chanderay

951
00:37:51,510 --> 00:37:48,640
and bill moore do you believe that they

952
00:37:54,710 --> 00:37:51,520
were actual real documents or do you

953
00:37:55,510 --> 00:37:54,720
believe they were fabrication

954
00:37:57,670 --> 00:37:55,520
well

955
00:37:59,829 --> 00:37:57,680
all i can say is that the information

956
00:38:01,910 --> 00:37:59,839
contained in those

957
00:38:04,230 --> 00:38:01,920
was was real information was it was

958
00:38:05,589 --> 00:38:04,240
accurate information now the document

959
00:38:07,270 --> 00:38:05,599
itself

960
00:38:11,750 --> 00:38:07,280
could be it could have been created by

961
00:38:13,349 --> 00:38:11,760
somebody else based on real information

962
00:38:16,710 --> 00:38:13,359
a lot of people have said that it would

963
00:38:19,190 --> 00:38:16,720

take an entire team of phd level

964

00:38:20,390 --> 00:38:19,200

document experts and history experts to

965

00:38:21,750 --> 00:38:20,400

fake those

966

00:38:23,910 --> 00:38:21,760

so i've always

967

00:38:25,990 --> 00:38:23,920

i've always leaned to the to

968

00:38:28,630 --> 00:38:26,000

to think my thinking on it is this

969

00:38:30,150 --> 00:38:28,640

either they're real or they were created

970

00:38:32,470 --> 00:38:30,160

by somebody who wanted to leak the

971

00:38:33,829 --> 00:38:32,480

information who falsified the documents

972

00:38:35,750 --> 00:38:33,839

so as not to

973

00:38:37,990 --> 00:38:35,760

you know violate any secrecy agreements

974

00:38:41,750 --> 00:38:38,000

but it would have taken an incredible

975

00:38:44,870 --> 00:38:41,760

team to do those documents so correct so

976

00:38:47,910 --> 00:38:44,880

even down to like you know the words for

977

00:38:50,390 --> 00:38:47,920

like uh a form of plastic in the in the

978

00:38:52,790 --> 00:38:50,400

50s was called something else and and

979

00:38:55,030 --> 00:38:52,800

all these tiny details and you know

980

00:38:57,030 --> 00:38:55,040

there's this website now

981

00:38:58,870 --> 00:38:57,040

and uh i don't have my notes in front of

982

00:39:00,150 --> 00:38:58,880

me but you know there's a father and son

983

00:39:01,910 --> 00:39:00,160

team that have been investigating this

984

00:39:04,069 --> 00:39:01,920

stuff forever so i've always leaned

985

00:39:06,550 --> 00:39:04,079

towards they've got to be real

986

00:39:09,910 --> 00:39:06,560

but they could be have been created by

987

00:39:11,430 --> 00:39:09,920

some team of experts i suppose but

988

00:39:12,550 --> 00:39:11,440

you're saying that the information they

989

00:39:15,109 --> 00:39:12,560

presented

990

00:39:16,790 --> 00:39:15,119

what about this uh special operations

991

00:39:18,470 --> 00:39:16,800

manual have you read that and what do

992

00:39:20,950 --> 00:39:18,480

you think of that because that seemed

993

00:39:24,230 --> 00:39:20,960

pretty like a pretty accurate document

994

00:39:28,470 --> 00:39:26,310

i was told i i didn't know anything

995

00:39:30,390 --> 00:39:28,480

about that until that i saw it and

996

00:39:32,550 --> 00:39:30,400

somebody uh when i i was in being

997

00:39:34,069 --> 00:39:32,560

interviewed a long time ago and somebody

998

00:39:36,069 --> 00:39:34,079

showed it to me

999

00:39:38,230 --> 00:39:36,079

um

1000

00:39:39,990 --> 00:39:38,240

it looks real but but i've never saw it

1001
00:39:42,790 --> 00:39:40,000
before

1002
00:39:44,230 --> 00:39:42,800
in my government duties so i can't say

1003
00:39:45,750 --> 00:39:44,240
that

1004
00:39:49,190 --> 00:39:45,760
one way or the other but it sure looks

1005
00:39:50,150 --> 00:39:49,200
real and i've had other people tell me

1006
00:39:53,430 --> 00:39:50,160
uh

1007
00:39:58,150 --> 00:39:53,440
that it was a real document so a real a

1008
00:40:01,910 --> 00:39:59,910
and i guess another question i wanted to

1009
00:40:04,309 --> 00:40:01,920
ask you is you you had a recent call

1010
00:40:06,550 --> 00:40:04,319
into another show and and uh you know

1011
00:40:08,790 --> 00:40:06,560
that created a big everybody was talking

1012
00:40:10,390 --> 00:40:08,800
about that which proves to me that

1013
00:40:12,950 --> 00:40:10,400

everybody still wants to hear from you

1014

00:40:14,309 --> 00:40:12,960

mr doty and one of the things that they

1015

00:40:15,990 --> 00:40:14,319

brought up

1016

00:40:18,550 --> 00:40:16,000

you know they brought in like an expert

1017

00:40:19,910 --> 00:40:18,560

to analyze your call and talk about it

1018

00:40:20,870 --> 00:40:19,920

and one of the things that he brought up

1019

00:40:23,270 --> 00:40:20,880

is that

1020

00:40:25,109 --> 00:40:23,280

you mentioned in that call that you were

1021

00:40:27,430 --> 00:40:25,119

briefed on roswell and roswell was a

1022

00:40:28,870 --> 00:40:27,440

real event and you saw a 16 millimeter

1023

00:40:30,950 --> 00:40:28,880

film as part of that

1024

00:40:33,829 --> 00:40:30,960

briefing can you tell us about that

1025

00:40:36,470 --> 00:40:33,839

roswell briefing and the film that you

1026

00:40:38,150 --> 00:40:36,480

saw what you were told and how that

1027

00:40:40,150 --> 00:40:38,160

briefing went because that's another

1028

00:40:44,309 --> 00:40:40,160

fascinating part of your history that

1029

00:40:48,470 --> 00:40:46,550

well the reason i was briefed in it

1030

00:40:51,270 --> 00:40:48,480

wasn't it wasn't just the roswell

1031

00:40:54,390 --> 00:40:51,280

incident i was briefed into the united

1032

00:40:57,109 --> 00:40:54,400

states involvement was extraterrestrial

1033

00:40:58,240 --> 00:40:57,119

and i i would brief into it because of

1034

00:41:01,109 --> 00:40:58,250

the uh

1035

00:41:04,150 --> 00:41:01,119

[Music]

1036

00:41:07,670 --> 00:41:04,160

we got a lot of background information

1037

00:41:08,870 --> 00:41:07,680

i'm sorry about that hold on one second

1038

00:41:11,190 --> 00:41:08,880

okay

1039

00:41:13,670 --> 00:41:11,200

i i was briefed into the program because

1040

00:41:15,070 --> 00:41:13,680

of the incident at kirtland i was a

1041

00:41:16,230 --> 00:41:15,080

counterintelligence officer

1042

00:41:18,950 --> 00:41:16,240

[Music]

1043

00:41:21,030 --> 00:41:18,960

my job was to investigate these type of

1044

00:41:21,910 --> 00:41:21,040

incidents but i had never been briefed

1045

00:41:24,870 --> 00:41:21,920

into

1046

00:41:27,589 --> 00:41:24,880

the u.s government's involvement with

1047

00:41:30,630 --> 00:41:27,599

ets or ufos

1048

00:41:32,550 --> 00:41:30,640

during my schooling or prior to the

1049

00:41:34,950 --> 00:41:32,560

incident involving

1050

00:41:36,870 --> 00:41:34,960

the coyote canyon

1051
00:41:38,790 --> 00:41:36,880
so i was

1052
00:41:40,630 --> 00:41:38,800
i received the briefing myself and

1053
00:41:43,510 --> 00:41:40,640
several others in the room

1054
00:41:46,309 --> 00:41:43,520
and in this briefing it talked about the

1055
00:41:49,750 --> 00:41:46,319
beginning which was ros level they took

1056
00:41:52,309 --> 00:41:49,760
the 16 millimeter film of the recovery

1057
00:41:55,349 --> 00:41:52,319
and that was the the roswell recovery

1058
00:41:56,150 --> 00:41:55,359
the second site in your corona

1059
00:41:57,990 --> 00:41:56,160
and

1060
00:42:00,230 --> 00:41:58,000
uh it showed

1061
00:42:02,390 --> 00:42:00,240
president truman being there

1062
00:42:03,990 --> 00:42:02,400
it showed the bodies

1063
00:42:06,470 --> 00:42:04,000

uh and so

1064

00:42:09,430 --> 00:42:06,480

that was the briefing that was just part

1065

00:42:12,069 --> 00:42:09,440

of the briefing the rest of it

1066

00:42:14,550 --> 00:42:12,079

excuse me dealt with uh

1067

00:42:18,230 --> 00:42:14,560

what what the us government learned

1068

00:42:19,349 --> 00:42:18,240

uh what cases and what types of ufos are

1069

00:42:20,550 --> 00:42:19,359

visiting

1070

00:42:22,150 --> 00:42:20,560

uh

1071

00:42:24,950 --> 00:42:22,160

planet earth

1072

00:42:26,790 --> 00:42:24,960

and so that was that was the briefing

1073

00:42:27,120 --> 00:42:26,800

can i stop you for a minute and just ask

1074

00:42:28,390 --> 00:42:27,130

you

1075

00:42:31,589 --> 00:42:28,400

[Music]

1076
00:42:33,750 --> 00:42:31,599
when you experience this briefing what

1077
00:42:35,829 --> 00:42:33,760
what was going through your mind like

1078
00:42:37,910 --> 00:42:35,839
wasn't that sort of

1079
00:42:40,550 --> 00:42:37,920
changing your whole view of the world

1080
00:42:42,150 --> 00:42:40,560
and like how did you react to that even

1081
00:42:44,950 --> 00:42:42,160
you mentioned before psychologically

1082
00:42:47,829 --> 00:42:44,960
like how did you react to that once that

1083
00:42:51,190 --> 00:42:48,950
well

1084
00:42:54,150 --> 00:42:51,200
first of all i i never

1085
00:42:55,589 --> 00:42:54,160
had any inklings

1086
00:42:58,550 --> 00:42:55,599
about what had

1087
00:43:00,550 --> 00:42:58,560
had occurred i mean i spent

1088
00:43:02,870 --> 00:43:00,560

six months going to a counter a very

1089

00:43:05,109 --> 00:43:02,880

intensive counterintelligence school

1090

00:43:07,430 --> 00:43:05,119

in washington dc

1091

00:43:09,910 --> 00:43:07,440

learning all sorts of different things

1092

00:43:13,990 --> 00:43:09,920

uh but but but

1093

00:43:15,190 --> 00:43:14,000

they never ever mentioned ufos or ets in

1094

00:43:17,750 --> 00:43:15,200

in the school

1095

00:43:19,270 --> 00:43:17,760

they never ever mentioned it and and

1096

00:43:21,430 --> 00:43:19,280

prior to that

1097

00:43:23,670 --> 00:43:21,440

i was growing up

1098

00:43:26,390 --> 00:43:23,680

with a with a father that was in the air

1099

00:43:29,270 --> 00:43:26,400

force my brother was the ufo nut he

1100

00:43:30,710 --> 00:43:29,280

would buy these true magazines and and

1101

00:43:33,190 --> 00:43:30,720

books about

1102

00:43:35,589 --> 00:43:33,200

ufos and read them but i had no interest

1103

00:43:38,390 --> 00:43:35,599

whatsoever in in the subject

1104

00:43:40,950 --> 00:43:38,400

when i was told by my supervisor that i

1105

00:43:42,790 --> 00:43:40,960

was going to be briefed into a special

1106

00:43:44,470 --> 00:43:42,800

access program

1107

00:43:47,430 --> 00:43:44,480

and i went to a

1108

00:43:49,750 --> 00:43:47,440

location at curtin air force base uh air

1109

00:43:51,109 --> 00:43:49,760

force special security office to receive

1110

00:43:53,270 --> 00:43:51,119

this briefing

1111

00:43:55,510 --> 00:43:53,280

uh when they started it when the colonel

1112

00:43:58,230 --> 00:43:55,520

colonel got up there and introduced

1113

00:44:01,510 --> 00:43:58,240

himself and introduced the subject

1114

00:44:03,190 --> 00:44:01,520

i mean i had to pick myself like what

1115

00:44:05,430 --> 00:44:03,200

this is real i you know i was saying

1116

00:44:06,390 --> 00:44:05,440

this to myself all along even during the

1117

00:44:09,430 --> 00:44:06,400

briefing

1118

00:44:11,510 --> 00:44:09,440

this is real you know and i i actually

1119

00:44:12,950 --> 00:44:11,520

questioned it myself

1120

00:44:15,349 --> 00:44:12,960

is if

1121

00:44:16,710 --> 00:44:15,359

are they really giving us

1122

00:44:18,230 --> 00:44:16,720

and there were a number of other people

1123

00:44:19,990 --> 00:44:18,240

in the room

1124

00:44:24,870 --> 00:44:20,000

and i'm saying this myself are they

1125

00:44:27,510 --> 00:44:24,880

really giving us the facts or is this

1126

00:44:29,510 --> 00:44:27,520

is this not fact i mean yeah it was just

1127

00:44:31,030 --> 00:44:29,520

some kind of psychological test right

1128

00:44:32,550 --> 00:44:31,040

that's what would be

1129

00:44:35,510 --> 00:44:32,560

yeah you know that is this some kind of

1130

00:44:39,030 --> 00:44:35,520

test or something

1131

00:44:40,630 --> 00:44:39,040

i i that crossed my mind too but

1132

00:44:42,870 --> 00:44:40,640

when they started

1133

00:44:44,150 --> 00:44:42,880

when when he started uh

1134

00:44:47,030 --> 00:44:44,160

the uh

1135

00:44:47,829 --> 00:44:47,040

slide show and started showing

1136

00:44:49,190 --> 00:44:47,839

uh

1137

00:44:51,349 --> 00:44:49,200

crafts and

1138

00:44:52,790 --> 00:44:51,359

and project the classified portion of

1139

00:44:54,630 --> 00:44:52,800

project blue book

1140

00:44:56,550 --> 00:44:54,640

and then the roswell incident the

1141

00:44:59,109 --> 00:44:56,560

recovery of roswell

1142

00:45:01,430 --> 00:44:59,119

i never ever heard of roswell

1143

00:45:03,750 --> 00:45:01,440

uh incident i mean i i've never ever

1144

00:45:05,589 --> 00:45:03,760

heard of

1145

00:45:07,270 --> 00:45:05,599

do it recall what year about this was

1146

00:45:10,950 --> 00:45:07,280

just just ballpark

1147

00:45:12,710 --> 00:45:10,960

1979 79. so that was before the books

1148

00:45:14,390 --> 00:45:12,720

and the and everything in the resurgence

1149

00:45:16,069 --> 00:45:14,400

of roswell so yeah you're right you

1150

00:45:18,950 --> 00:45:16,079

you've probably never even heard of that

1151
00:45:21,190 --> 00:45:18,960
before

1152
00:45:22,470 --> 00:45:21,200
and and so i

1153
00:45:25,990 --> 00:45:22,480
uh

1154
00:45:28,150 --> 00:45:26,000
and i you couldn't take notes or

1155
00:45:30,150 --> 00:45:28,160
anything but it was just a briefing of

1156
00:45:31,190 --> 00:45:30,160
letting us know what the us government

1157
00:45:33,109 --> 00:45:31,200
would do

1158
00:45:36,069 --> 00:45:33,119
and and it was a pretty thorough

1159
00:45:38,390 --> 00:45:36,079
briefing class that i i guess maybe two

1160
00:45:40,069 --> 00:45:38,400
hours or so and at the end we had to

1161
00:45:42,230 --> 00:45:40,079
sign all these different

1162
00:45:43,910 --> 00:45:42,240
security pledges we had a

1163
00:45:46,710 --> 00:45:43,920

we had

1164

00:45:49,670 --> 00:45:46,720

another clearance level that we obtained

1165

00:45:50,870 --> 00:45:49,680

and and and so forth and so on so

1166

00:45:53,030 --> 00:45:50,880

i was

1167

00:45:55,430 --> 00:45:53,040

when i drove back

1168

00:45:57,349 --> 00:45:55,440

to my office i was uh

1169

00:45:59,589 --> 00:45:57,359

second guessing myself all the way like

1170

00:46:01,030 --> 00:45:59,599

wow this is really something

1171

00:46:02,550 --> 00:46:01,040

and it it

1172

00:46:05,510 --> 00:46:02,560

it uh

1173

00:46:07,030 --> 00:46:05,520

it puzzled me in a number of ways

1174

00:46:09,349 --> 00:46:07,040

of why

1175

00:46:11,750 --> 00:46:09,359

wasn't this stuff in the public i mean

1176

00:46:14,470 --> 00:46:11,760

why why why why how can the government

1177

00:46:16,870 --> 00:46:14,480

keep this secret that was my

1178

00:46:19,910 --> 00:46:16,880

we never had a chance to ask questions

1179

00:46:21,430 --> 00:46:19,920

but going back in the car by myself i'm

1180

00:46:24,550 --> 00:46:21,440

thinking

1181

00:46:26,790 --> 00:46:24,560

how can the government keep this secret

1182

00:46:30,150 --> 00:46:26,800

for so many years

1183

00:46:32,230 --> 00:46:30,160

and what i learned was that i was

1184

00:46:33,670 --> 00:46:32,240

they hadn't there was a lot of leaked

1185

00:46:34,390 --> 00:46:33,680

information over the years but i was

1186

00:46:36,069 --> 00:46:34,400

just

1187

00:46:37,430 --> 00:46:36,079

ignorant to it because i never followed

1188

00:46:38,950 --> 00:46:37,440

the subject

1189

00:46:41,190 --> 00:46:38,960

and some of the other people when i

1190

00:46:43,670 --> 00:46:41,200

started working with the other

1191

00:46:46,630 --> 00:46:43,680

agents involved in this

1192

00:46:47,750 --> 00:46:46,640

they they were more attuned

1193

00:46:50,550 --> 00:46:47,760

to being

1194

00:46:54,710 --> 00:46:50,560

educated in this area where i wasn't but

1195

00:46:57,190 --> 00:46:54,720

i i quickly became educated in it

1196

00:46:58,710 --> 00:46:57,200

well it's pretty amazing story

1197

00:47:00,230 --> 00:46:58,720

i i would think that your whole world

1198

00:47:02,309 --> 00:47:00,240

view changed because suddenly you know

1199

00:47:03,510 --> 00:47:02,319

there's life on other planets you know

1200

00:47:04,870 --> 00:47:03,520

they're visiting us you know the

1201
00:47:06,309 --> 00:47:04,880
government knows about it and is

1202
00:47:07,829 --> 00:47:06,319
covering it up

1203
00:47:10,710 --> 00:47:07,839
i can imagine that you had a pretty

1204
00:47:13,270 --> 00:47:10,720
crazy week ahead of that briefing just

1205
00:47:15,430 --> 00:47:13,280
in your own mind

1206
00:47:16,630 --> 00:47:15,440
well one of the things that concerned me

1207
00:47:23,750 --> 00:47:16,640
was

1208
00:47:25,750 --> 00:47:23,760
why are they coming here well are they

1209
00:47:26,870 --> 00:47:25,760
going to invade us uh i

1210
00:47:31,190 --> 00:47:26,880
you know i

1211
00:47:32,309 --> 00:47:31,200
different uh scenarios of why they're

1212
00:47:35,670 --> 00:47:32,319
coming here

1213
00:47:36,710 --> 00:47:35,680

and that was never actually answered uh

1214

00:47:39,829 --> 00:47:36,720

there were

1215

00:47:41,750 --> 00:47:39,839

some uh some information about

1216

00:47:45,270 --> 00:47:41,760

an exploration

1217

00:47:46,630 --> 00:47:45,280

or what the the the even one the one

1218

00:47:50,630 --> 00:47:46,640

that lived

1219

00:48:01,349 --> 00:47:51,349

the

1220

00:48:02,950 --> 00:48:01,359

picture was

1221

00:48:04,950 --> 00:48:02,960

and one of the things that

1222

00:48:08,390 --> 00:48:04,960

that

1223

00:48:10,790 --> 00:48:08,400

what i found out was it wasn't just one

1224

00:48:12,870 --> 00:48:10,800

alien race it was a number of different

1225

00:48:14,470 --> 00:48:12,880

alien races that had visited

1226

00:48:15,510 --> 00:48:14,480

and were visiting

1227

00:48:18,150 --> 00:48:15,520

and

1228

00:48:21,109 --> 00:48:18,160

not all of them were friendly

1229

00:48:23,349 --> 00:48:21,119

wow so that that uh kind of uh

1230

00:48:25,030 --> 00:48:23,359

you know i've often thought about like

1231

00:48:27,349 --> 00:48:25,040

there are people in the ufo field who

1232

00:48:28,309 --> 00:48:27,359

have this absolute belief

1233

00:48:31,589 --> 00:48:28,319

that

1234

00:48:34,950 --> 00:48:31,599

all extraterrestrials are are

1235

00:48:36,630 --> 00:48:34,960

you know uh beneficial and not not

1236

00:48:38,950 --> 00:48:36,640

at all

1237

00:48:41,670 --> 00:48:38,960

yeah they're all benevolent and and none

1238

00:48:43,829 --> 00:48:41,680

of them are aggressive or and it always

1239

00:48:45,430 --> 00:48:43,839

it always didn't ring true to me like

1240

00:48:46,549 --> 00:48:45,440

how can you make a blanket statement

1241

00:48:48,390 --> 00:48:46,559

like that

1242

00:48:49,990 --> 00:48:48,400

that all of them are benevolent or

1243

00:48:51,829 --> 00:48:50,000

malevolent you know i would think

1244

00:48:54,069 --> 00:48:51,839

there's got to be a mix of them and they

1245

00:48:56,390 --> 00:48:54,079

all have their own agendas and their own

1246

00:48:58,950 --> 00:48:56,400

you know priorities or reason for

1247

00:49:00,470 --> 00:48:58,960

visiting and and i was going to ask you

1248

00:49:02,150 --> 00:49:00,480

actually that leads into a question i

1249

00:49:03,270 --> 00:49:02,160

was going to ask you if you were ever

1250

00:49:05,990 --> 00:49:03,280

told

1251

00:49:09,829 --> 00:49:06,000

why they're coming here what they want

1252

00:49:14,710 --> 00:49:10,950

no

1253

00:49:16,549 --> 00:49:14,720

i was never told that by the government

1254

00:49:19,750 --> 00:49:16,559

i was told i was

1255

00:49:21,990 --> 00:49:19,760

i was uh told that by some other people

1256

00:49:23,270 --> 00:49:22,000

not officially uh people that had been

1257

00:49:26,309 --> 00:49:23,280

briefed

1258

00:49:29,270 --> 00:49:26,319

beyond my clearance

1259

00:49:30,710 --> 00:49:29,280

and and they told me that some of these

1260

00:49:34,309 --> 00:49:30,720

some of these uh

1261

00:49:36,470 --> 00:49:34,319

uh races of ets are extremely dangerous

1262

00:49:38,150 --> 00:49:36,480

and and that they're they're responsible

1263

00:49:40,630 --> 00:49:38,160

for abductions

1264

00:49:43,109 --> 00:49:40,640

they're responsible for the for the

1265

00:49:44,390 --> 00:49:43,119

travis walton case they were trapped i

1266

00:49:47,750 --> 00:49:44,400

mean there's all sorts of different

1267

00:49:51,270 --> 00:49:47,760

cases over the years that they've

1268

00:49:53,910 --> 00:49:51,280

these other these these hostile uh races

1269

00:49:56,390 --> 00:49:53,920

are responsible for it and so

1270

00:49:58,230 --> 00:49:56,400

uh and it's and it worries yeah i mean i

1271

00:50:00,069 --> 00:49:58,240

mean there's and then then i found out

1272

00:50:02,069 --> 00:50:00,079

some other things

1273

00:50:03,750 --> 00:50:02,079

uh during an investigation that i've

1274

00:50:06,069 --> 00:50:03,760

never disclosed and i'm not i'm not

1275

00:50:09,510 --> 00:50:06,079

about to because it's just it's just too

1276

00:50:10,950 --> 00:50:09,520

dramatic to even discuss

1277

00:50:11,750 --> 00:50:10,960

wow

1278

00:50:12,790 --> 00:50:11,760

so

1279

00:50:14,630 --> 00:50:12,800

i guess

1280

00:50:17,589 --> 00:50:14,640

another question that i've always had

1281

00:50:19,589 --> 00:50:17,599

and for somebody that's got such access

1282

00:50:21,589 --> 00:50:19,599

uh i think that you might be able to

1283

00:50:23,910 --> 00:50:21,599

shed some light on it is

1284

00:50:26,710 --> 00:50:23,920

why exactly do you think the government

1285

00:50:29,510 --> 00:50:26,720

has kept such a tight lid on things if

1286

00:50:31,589 --> 00:50:29,520

et craft are indeed visiting earth why

1287

00:50:35,190 --> 00:50:31,599

cover it up why not tell the public

1288

00:50:41,510 --> 00:50:38,230

well there are a lot of aspects to this

1289

00:50:43,510 --> 00:50:41,520

that you can't you can't disclose uh

1290

00:50:47,030 --> 00:50:43,520

because of the

1291

00:50:49,829 --> 00:50:47,040

of the danger factor and and uh an upset

1292

00:50:50,950 --> 00:50:49,839

in society if you if you were if you

1293

00:50:53,109 --> 00:50:50,960

were to tell

1294

00:50:55,829 --> 00:50:53,119

somebody that hey maybe jesus wasn't

1295

00:50:58,870 --> 00:50:55,839

really a religious person he was a space

1296

00:51:01,030 --> 00:50:58,880

person space man that came from uh you

1297

00:51:03,349 --> 00:51:01,040

know xavier meticulous or

1298

00:51:04,630 --> 00:51:03,359

some other planet and

1299

00:51:07,589 --> 00:51:04,640

you know that's gonna that's gonna

1300

00:51:11,030 --> 00:51:07,599

destroy people's beliefs and religion i

1301
00:51:13,990 --> 00:51:11,040
mean that's just an example but but

1302
00:51:15,829 --> 00:51:14,000
or if you tell them something about

1303
00:51:17,349 --> 00:51:15,839
alien racists

1304
00:51:19,510 --> 00:51:17,359
coming here

1305
00:51:22,069 --> 00:51:19,520
then they think of the word of worlds

1306
00:51:25,109 --> 00:51:22,079
and all those movies that came out about

1307
00:51:27,990 --> 00:51:25,119
invasions from the martians or or from

1308
00:51:29,990 --> 00:51:28,000
other races independence day

1309
00:51:30,870 --> 00:51:30,000
yeah independence day

1310
00:51:33,349 --> 00:51:30,880
so

1311
00:51:36,069 --> 00:51:33,359
it just it's just not

1312
00:51:38,710 --> 00:51:36,079
practical as far as i'm seeing see and i

1313
00:51:41,030 --> 00:51:38,720

think the government feels the same way

1314

00:51:42,470 --> 00:51:41,040

is disclosing this

1315

00:51:44,790 --> 00:51:42,480

you know if they held a news conference

1316

00:51:46,790 --> 00:51:44,800

right now in washington and sat for five

1317

00:51:49,109 --> 00:51:46,800

or six hours and disclosed

1318

00:51:50,150 --> 00:51:49,119

uh to the public everything the

1319

00:51:51,270 --> 00:51:50,160

government

1320

00:51:53,430 --> 00:51:51,280

knows about

1321

00:51:55,829 --> 00:51:53,440

this subject uh i think there would be

1322

00:51:58,150 --> 00:51:55,839

some some upset in society probably

1323

00:51:59,910 --> 00:51:58,160

stark stock market would crash

1324

00:52:02,069 --> 00:51:59,920

i mean there's all sorts of things that

1325

00:52:04,150 --> 00:52:02,079

could probably happen

1326
00:52:06,870 --> 00:52:04,160
okay that leads me to another general

1327
00:52:09,030 --> 00:52:06,880
question is were you ever given or had

1328
00:52:10,630 --> 00:52:09,040
access to information regarding ufo

1329
00:52:13,510 --> 00:52:10,640
crash retrievals

1330
00:52:15,750 --> 00:52:13,520
besides roswell i mean or

1331
00:52:18,710 --> 00:52:15,760
details regarding the government's back

1332
00:52:20,870 --> 00:52:18,720
engineering efforts of those of those

1333
00:52:22,630 --> 00:52:20,880
things that were retrieved or somehow

1334
00:52:25,349 --> 00:52:22,640
came into the possession of the

1335
00:52:29,990 --> 00:52:27,990
yes in the in the briefing in 79 it

1336
00:52:31,109 --> 00:52:30,000
talked about the retrieval of a number

1337
00:52:33,510 --> 00:52:31,119
of different

1338
00:52:34,549 --> 00:52:33,520

crafts and not just in the united states

1339

00:52:36,710 --> 00:52:34,559

and it

1340

00:52:42,230 --> 00:52:36,720

they it talked about

1341

00:52:47,030 --> 00:52:44,790

e.t crafts that have been recovered in

1342

00:52:50,230 --> 00:52:47,040

other parts of the world laos

1343

00:52:52,630 --> 00:52:50,240

uh france uh africa

1344

00:52:54,710 --> 00:52:52,640

uh inside the soviet union or former

1345

00:52:56,549 --> 00:52:54,720

soviet union

1346

00:52:57,990 --> 00:52:56,559

that leads me to another question that

1347

00:52:59,990 --> 00:52:58,000

leads me to another question about your

1348

00:53:01,990 --> 00:53:00,000

recent call into another show you

1349

00:53:03,109 --> 00:53:02,000

mentioned that roswell was real but

1350

00:53:05,829 --> 00:53:03,119

somehow

1351
00:53:08,549 --> 00:53:05,839
afterwards they analyzed everything you

1352
00:53:10,470 --> 00:53:08,559
said and were somehow perplexed that you

1353
00:53:13,030 --> 00:53:10,480
said roswell was real but you did not

1354
00:53:15,829 --> 00:53:13,040
mention aztec which was in the dossier

1355
00:53:17,589 --> 00:53:15,839
given to linda molten hale what can you

1356
00:53:19,510 --> 00:53:17,599
tell us about the aztec crash was that

1357
00:53:22,069 --> 00:53:19,520
real or a hoax and

1358
00:53:24,870 --> 00:53:22,079
what do you know about that

1359
00:53:26,549 --> 00:53:24,880
well all it said in all it said about

1360
00:53:27,990 --> 00:53:26,559
the aztec crash

1361
00:53:30,630 --> 00:53:28,000
is that said

1362
00:53:33,270 --> 00:53:30,640
a craft was recovered in ass

1363
00:53:35,670 --> 00:53:33,280

near aztec new mexico

1364

00:53:37,190 --> 00:53:35,680

that's it nothing else was ever

1365

00:53:39,349 --> 00:53:37,200

mentioned so

1366

00:53:42,710 --> 00:53:39,359

i'm not really sure if

1367

00:53:45,670 --> 00:53:42,720

i i initially thought that maybe the

1368

00:53:50,309 --> 00:53:45,680

the aztec craft

1369

00:53:52,549 --> 00:53:50,319

was part of the the uh crash that the

1370

00:53:57,190 --> 00:53:52,559

the crap that crashed

1371

00:53:59,750 --> 00:53:57,200

in ra and and crona and magdalena and

1372

00:54:01,829 --> 00:53:59,760

so that was just part of me talking that

1373

00:54:02,710 --> 00:54:01,839

i'm not sure really about the aztec

1374

00:54:03,990 --> 00:54:02,720

crash

1375

00:54:06,230 --> 00:54:04,000

because

1376

00:54:08,390 --> 00:54:06,240

i've never seen or other than the books

1377

00:54:09,349 --> 00:54:08,400

that were written about it

1378

00:54:13,589 --> 00:54:09,359

now

1379

00:54:15,589 --> 00:54:13,599

i ironically just recently a a a retired

1380

00:54:18,630 --> 00:54:15,599

colonel air force colonel

1381

00:54:21,829 --> 00:54:18,640

told me that he was and he's very icy in

1382

00:54:25,670 --> 00:54:21,839

his 90s or early 90s he told me that the

1383

00:54:29,030 --> 00:54:25,680

aztec was in fact real it did happen

1384

00:54:29,910 --> 00:54:29,040

and that uh

1385

00:54:32,470 --> 00:54:29,920

that

1386

00:54:34,390 --> 00:54:32,480

they recovered some bodies and

1387

00:54:36,390 --> 00:54:34,400

and that and

1388

00:54:38,870 --> 00:54:36,400

those bodies went

1389

00:54:42,069 --> 00:54:38,880

to another location

1390

00:54:45,109 --> 00:54:42,079

and uh so

1391

00:54:47,270 --> 00:54:45,119

but i just found that out just recently

1392

00:54:49,589 --> 00:54:47,280

so i i'm not gonna

1393

00:54:51,750 --> 00:54:49,599

sit here and talk to you about something

1394

00:54:53,829 --> 00:54:51,760

that i'm not really sure about i'm going

1395

00:54:55,109 --> 00:54:53,839

to tell you fast if you want to believe

1396

00:54:56,870 --> 00:54:55,119

it you can believe it if you don't

1397

00:54:58,710 --> 00:54:56,880

believe it you don't have to believe it

1398

00:55:00,309 --> 00:54:58,720

that's what i tell people i appreciate

1399

00:55:01,670 --> 00:55:00,319

it i appreciate you i appreciate your

1400

00:55:03,190 --> 00:55:01,680

honesty that's what we're trying to get

1401
00:55:04,950 --> 00:55:03,200
to we're trying to get to the truth of

1402
00:55:06,870 --> 00:55:04,960
this thing and i think like i keep

1403
00:55:09,030 --> 00:55:06,880
saying that you're in a position better

1404
00:55:11,270 --> 00:55:09,040
than most people to give true and

1405
00:55:12,549 --> 00:55:11,280
accurate information you know i don't

1406
00:55:14,390 --> 00:55:12,559
even want to mention his name but

1407
00:55:17,109 --> 00:55:14,400
there's somebody running around with a

1408
00:55:19,829 --> 00:55:17,119
tv show on the secret space program

1409
00:55:23,030 --> 00:55:19,839
telling all kinds of fantastic stories

1410
00:55:25,829 --> 00:55:23,040
with zero proof zero evidence zero

1411
00:55:27,750 --> 00:55:25,839
documentation to prove that he ever had

1412
00:55:29,589 --> 00:55:27,760
any part in any of this

1413
00:55:31,750 --> 00:55:29,599

it's not provable or disprovable

1414

00:55:34,069 --> 00:55:31,760

anything that he's saying all i'm asking

1415

00:55:35,430 --> 00:55:34,079

you to do is talk about

1416

00:55:37,589 --> 00:55:35,440

to your knowledge

1417

00:55:39,190 --> 00:55:37,599

and and i think you have a vast amount

1418

00:55:40,710 --> 00:55:39,200

of knowledge having been involved in

1419

00:55:42,950 --> 00:55:40,720

this for so long

1420

00:55:44,950 --> 00:55:42,960

i guess the other question is about the

1421

00:55:45,990 --> 00:55:44,960

back engineering efforts did you hear

1422

00:55:48,470 --> 00:55:46,000

about

1423

00:55:49,510 --> 00:55:48,480

any projects trying to back engineer

1424

00:55:52,710 --> 00:55:49,520

some of this stuff that they're

1425

00:55:54,390 --> 00:55:52,720

recovering and and how that was going or

1426

00:55:56,150 --> 00:55:54,400

did they not really get into that with

1427

00:55:59,349 --> 00:55:56,160

you

1428

00:56:02,309 --> 00:55:59,359

no i didn't have a

1429

00:56:04,710 --> 00:56:02,319

i need to know that i i can't discuss

1430

00:56:06,549 --> 00:56:04,720

the only thing that i that i had

1431

00:56:10,309 --> 00:56:06,559

some access to

1432

00:56:12,549 --> 00:56:10,319

was the cash landrum incident and uh

1433

00:56:15,190 --> 00:56:12,559

and and what had occurred

1434

00:56:17,270 --> 00:56:15,200

uh but but nothing in any great

1435

00:56:19,829 --> 00:56:17,280

technical details because i just wasn't

1436

00:56:21,829 --> 00:56:19,839

uh what i was an intelligence officer i

1437

00:56:23,990 --> 00:56:21,839

didn't i didn't have access to the

1438

00:56:25,990 --> 00:56:24,000

technical intelligence and that was a

1439

00:56:27,829 --> 00:56:26,000

different area well that case has always

1440

00:56:29,670 --> 00:56:27,839

been interesting to me because of the

1441

00:56:32,150 --> 00:56:29,680

physical effects of the of those

1442

00:56:35,349 --> 00:56:32,160

witnesses that got basically radiation

1443

00:56:39,109 --> 00:56:35,359

poisoning and also the report of the the

1444

00:56:40,789 --> 00:56:39,119

helicopters uh in pursuit of the craft

1445

00:56:42,069 --> 00:56:40,799

always led me to believe that that was

1446

00:56:43,589 --> 00:56:42,079

some sort of

1447

00:56:45,990 --> 00:56:43,599

government project and not

1448

00:56:48,630 --> 00:56:46,000

extraterrestrial what can you tell us to

1449

00:56:49,910 --> 00:56:48,640

shed light on that case

1450

00:56:51,510 --> 00:56:49,920

well it was it wasn't an

1451
00:56:53,270 --> 00:56:51,520
extraterrestrial crash but the

1452
00:56:57,109 --> 00:56:53,280
propulsion system

1453
00:56:59,670 --> 00:56:57,119
craft

1454
00:57:02,309 --> 00:56:59,680
we couldn't figure out how to how to

1455
00:57:04,390 --> 00:57:02,319
operate it was up in area 51

1456
00:57:06,870 --> 00:57:04,400
the craft was there they tried to

1457
00:57:09,270 --> 00:57:06,880
reverse engineer it and they just

1458
00:57:12,069 --> 00:57:09,280
couldn't get the the propulsion system

1459
00:57:14,950 --> 00:57:12,079
to work so they took the propulsion

1460
00:57:17,270 --> 00:57:14,960
system out they put an experimental

1461
00:57:19,510 --> 00:57:17,280
propulsion system in which which was a

1462
00:57:21,910 --> 00:57:19,520
nuclear uh uh

1463
00:57:23,670 --> 00:57:21,920

generator type of and i and i'm not

1464

00:57:25,349 --> 00:57:23,680

technical so i can't i can't explain

1465

00:57:27,670 --> 00:57:25,359

exactly what it was but it has something

1466

00:57:29,190 --> 00:57:27,680

to do with nuclear propulsion and then

1467

00:57:30,470 --> 00:57:29,200

they flew it and they were flying it

1468

00:57:33,190 --> 00:57:30,480

from

1469

00:57:36,230 --> 00:57:33,200

area 51 nevada area all the way down to

1470

00:57:38,549 --> 00:57:36,240

uh to a base in texas

1471

00:57:41,030 --> 00:57:38,559

and along the way

1472

00:57:42,549 --> 00:57:41,040

the the craft experienced uh

1473

00:57:43,349 --> 00:57:42,559

some problems

1474

00:57:52,630 --> 00:57:43,359

and

1475

00:57:54,630 --> 00:57:52,640

government basically

1476

00:57:56,390 --> 00:57:54,640

admitted that when they let them go to

1477

00:57:57,910 --> 00:57:56,400

the hospital and treated them but they

1478

00:58:01,349 --> 00:57:57,920

and they didn't come out publicly and

1479

00:58:02,630 --> 00:58:01,359

say anything but as i was told they

1480

00:58:05,349 --> 00:58:02,640

called

1481

00:58:06,870 --> 00:58:05,359

as i was told i told this by the air

1482

00:58:09,190 --> 00:58:06,880

force that

1483

00:58:11,349 --> 00:58:09,200

the people involved in this were told it

1484

00:58:14,309 --> 00:58:11,359

was a military aircraft

1485

00:58:15,750 --> 00:58:14,319

they didn't say it was an atari

1486

00:58:18,230 --> 00:58:15,760

but what you're saying is that it was a

1487

00:58:20,549 --> 00:58:18,240

captured or a recovered et craft that

1488

00:58:22,549 --> 00:58:20,559

they somehow back engineered and and

1489

00:58:24,710 --> 00:58:22,559

hybridized with some kind of nuclear

1490

00:58:27,190 --> 00:58:24,720

propulsion system to get it to work and

1491

00:58:29,990 --> 00:58:27,200

this was a test flight that

1492

00:58:32,630 --> 00:58:30,000

that created this case

1493

00:58:34,549 --> 00:58:32,640

yes exactly yeah that's pretty amazing

1494

00:58:37,990 --> 00:58:34,559

and i and i was freaked into that so i

1495

00:58:40,470 --> 00:58:38,000

know i was fully briefed into that i was

1496

00:58:42,789 --> 00:58:40,480

peripherally in law involved in it

1497

00:58:44,789 --> 00:58:42,799

so i know about that but

1498

00:58:46,150 --> 00:58:44,799

now there's another case

1499

00:58:47,910 --> 00:58:46,160

that occurred

1500

00:58:50,390 --> 00:58:47,920

that some people have

1501

00:58:53,109 --> 00:58:50,400

have talked about up in nevada

1502

00:58:53,990 --> 00:58:53,119

which uh involved another k

1503

00:58:56,470 --> 00:58:54,000

they're

1504

00:58:58,630 --> 00:58:56,480

they some people are claiming i think

1505

00:59:01,030 --> 00:58:58,640

george snapped a specialness a long time

1506

00:59:03,670 --> 00:59:01,040

ago about about an incident happened in

1507

00:59:06,230 --> 00:59:03,680

uh near warm springs nevada where a

1508

00:59:07,829 --> 00:59:06,240

craft branded and irrigated some cattle

1509

00:59:09,030 --> 00:59:07,839

kill

1510

00:59:11,510 --> 00:59:09,040

radiation

1511

00:59:14,309 --> 00:59:11,520

and they're saying and according to what

1512

00:59:16,789 --> 00:59:14,319

was aired that was the same craft as a

1513

00:59:18,789 --> 00:59:16,799

cache lantern case but that wasn't it

1514

00:59:21,349 --> 00:59:18,799

was a different one

1515

00:59:22,710 --> 00:59:21,359

so i if you know about that case yeah

1516

00:59:25,190 --> 00:59:22,720

yeah i've heard of that case before a

1517

00:59:26,470 --> 00:59:25,200

big fan of george knapp here

1518

00:59:28,390 --> 00:59:26,480

and so

1519

00:59:30,230 --> 00:59:28,400

i guess

1520

00:59:32,309 --> 00:59:30,240

i'd like to get back to

1521

00:59:34,549 --> 00:59:32,319

something that you mentioned about the

1522

00:59:36,150 --> 00:59:34,559

ebe bodies

1523

00:59:39,109 --> 00:59:36,160

were you given access to information

1524

00:59:42,230 --> 00:59:39,119

about ebe bodies their storage locations

1525

00:59:45,190 --> 00:59:43,589

the only thing i

1526
00:59:47,270 --> 00:59:45,200
had access to one thing was in a

1527
00:59:48,390 --> 00:59:47,280
briefing film was that the

1528
00:59:49,990 --> 00:59:48,400
the uh

1529
00:59:52,390 --> 00:59:50,000
there were

1530
00:59:54,950 --> 00:59:52,400
five bodies recovered at the crash site

1531
00:59:57,510 --> 00:59:54,960
in corona near krona and those bodies

1532
01:00:01,430 --> 00:59:57,520
went to uh wright-patterson air force

1533
01:00:03,510 --> 01:00:01,440
base the live alien uh the evil one that

1534
01:00:06,789 --> 01:00:03,520
they they captured

1535
01:00:11,430 --> 01:00:06,799
uh went to uh los angeles they

1536
01:00:14,230 --> 01:00:11,440
initially went to uh i believe um

1537
01:00:16,789 --> 01:00:14,240
kirtland or back then of the sandia base

1538
01:00:20,069 --> 01:00:16,799

and then to the los angeles because that

1539

01:00:21,270 --> 01:00:20,079

was the safest and most secure as a

1540

01:00:22,230 --> 01:00:21,280

location in

1541

01:00:24,549 --> 01:00:22,240

planet

1542

01:00:26,069 --> 01:00:24,559

and were you given any information about

1543

01:00:29,510 --> 01:00:26,079

anything that they learned from the

1544

01:00:31,109 --> 01:00:29,520

living one or what happened to it

1545

01:00:32,150 --> 01:00:31,119

well yeah

1546

01:00:34,390 --> 01:00:32,160

yeah

1547

01:00:36,549 --> 01:00:34,400

it it

1548

01:00:37,910 --> 01:00:36,559

disclosed where it came from

1549

01:00:40,150 --> 01:00:37,920

and

1550

01:00:42,870 --> 01:00:40,160

approximately the the

1551

01:00:46,230 --> 01:00:42,880

time it took to travel from

1552

01:00:49,109 --> 01:00:46,240

one point uh from their planet to ours

1553

01:00:53,030 --> 01:00:49,119

that the that the uh uh

1554

01:00:54,309 --> 01:00:53,040

the even the this even his race had a

1555

01:00:57,109 --> 01:00:54,319

had some

1556

01:00:58,789 --> 01:00:57,119

satellite locations or satellite bases

1557

01:01:01,910 --> 01:00:58,799

in our solar system

1558

01:01:03,349 --> 01:01:01,920

that they use for refueling and use for

1559

01:01:04,549 --> 01:01:03,359

other things

1560

01:01:07,829 --> 01:01:04,559

um

1561

01:01:08,789 --> 01:01:07,839

and that the in general and anatomy of

1562

01:01:11,430 --> 01:01:08,799

the of

1563

01:01:15,109 --> 01:01:11,440

even though that had one

1564

01:01:16,230 --> 01:01:15,119

had one organ that was worked as a as a

1565

01:01:21,109 --> 01:01:16,240

lung

1566

01:01:24,710 --> 01:01:21,119

had a very very simple digestion system

1567

01:01:27,030 --> 01:01:24,720

uh and had sex that are male female

1568

01:01:29,030 --> 01:01:27,040

and had a very enlarged brain with a

1569

01:01:30,069 --> 01:01:29,040

number of different lobes more lobes

1570

01:01:31,750 --> 01:01:30,079

than me

1571

01:01:34,870 --> 01:01:31,760

it was basically the only the only

1572

01:01:36,230 --> 01:01:34,880

anatomy and physiology that i that i

1573

01:01:37,750 --> 01:01:36,240

learned

1574

01:01:39,349 --> 01:01:37,760

well and i'd like to get back to another

1575

01:01:41,990 --> 01:01:39,359

rumor about you

1576

01:01:44,549 --> 01:01:42,000

uh that i've heard that some people have

1577

01:01:46,870 --> 01:01:44,559

said that you worked for the cia in laos

1578

01:01:48,470 --> 01:01:46,880

before your air force work and i just

1579

01:01:50,630 --> 01:01:48,480

wanted to ask you straight out is this

1580

01:01:57,829 --> 01:01:50,640

true are you now or were you ever

1581

01:02:03,029 --> 01:01:59,910

um see how these stories about you get

1582

01:02:04,549 --> 01:02:03,039

going like it becomes fact

1583

01:02:07,029 --> 01:02:04,559

but nobody's ever asked you so i wanted

1584

01:02:09,510 --> 01:02:07,039

to ask you straight out before

1585

01:02:11,910 --> 01:02:09,520

air force officer special intelligence

1586

01:02:13,349 --> 01:02:11,920

were you were you a ceo or an asset

1587

01:02:14,630 --> 01:02:13,359

would you say that

1588

01:02:17,670 --> 01:02:14,640

no no

1589

01:02:19,670 --> 01:02:17,680

well i'd say i was in laos

1590

01:02:23,910 --> 01:02:19,680

uh in a

1591

01:02:29,670 --> 01:02:26,789

classified location in laos

1592

01:02:31,829 --> 01:02:29,680

where the cia was uh

1593

01:02:33,990 --> 01:02:31,839

was running the base

1594

01:02:36,789 --> 01:02:34,000

so but i didn't

1595

01:02:39,670 --> 01:02:36,799

actually working for them no i was not

1596

01:02:43,029 --> 01:02:39,680

working for the cia when i was i was

1597

01:02:46,230 --> 01:02:43,039

uh at a base where they were in charge

1598

01:02:47,430 --> 01:02:46,240

and we worked with them but but not not

1599

01:02:49,990 --> 01:02:47,440

for

1600

01:02:52,950 --> 01:02:50,000

now as far as uh

1601
01:02:55,510 --> 01:02:52,960
present day or or during my time in

1602
01:02:56,789 --> 01:02:55,520
intelligence you do realize

1603
01:02:58,470 --> 01:02:56,799
everybody still thinks that you're

1604
01:02:59,670 --> 01:02:58,480
somehow active nobody believes that

1605
01:03:01,510 --> 01:02:59,680
you're retired

1606
01:03:02,789 --> 01:03:01,520
i know that you're a state trooper for a

1607
01:03:04,549 --> 01:03:02,799
time

1608
01:03:06,390 --> 01:03:04,559
and i i always thought well it's going

1609
01:03:08,150 --> 01:03:06,400
to be pretty hard for him to maintain a

1610
01:03:11,510 --> 01:03:08,160
full-time job doing that and still be

1611
01:03:13,670 --> 01:03:11,520
some kind of secret agent spy ufo guy

1612
01:03:15,510 --> 01:03:13,680
but people are adamant that you're still

1613
01:03:17,829 --> 01:03:15,520

that you're still somehow active that

1614

01:03:20,630 --> 01:03:17,839

you're still manipulating people and all

1615

01:03:21,430 --> 01:03:20,640

these other things

1616

01:03:28,150 --> 01:03:21,440

no

1617

01:03:28,950 --> 01:03:28,160

government haven't in a number of years

1618

01:03:33,109 --> 01:03:28,960

i

1619

01:03:35,190 --> 01:03:33,119

government agency now

1620

01:03:38,150 --> 01:03:35,200

during my time as an intelligence

1621

01:03:40,390 --> 01:03:38,160

officer in the air force i did work with

1622

01:03:42,789 --> 01:03:40,400

i was trained by the cia

1623

01:03:45,510 --> 01:03:42,799

i was in europe where i was assigned to

1624

01:03:48,470 --> 01:03:45,520

a a unit that was uh

1625

01:03:50,150 --> 01:03:48,480

that that then then i did work for the

1626
01:03:51,270 --> 01:03:50,160
cia because they were in charge of the

1627
01:03:54,150 --> 01:03:51,280
team

1628
01:03:55,829 --> 01:03:54,160
and they had nothing to do with ufos

1629
01:03:57,750 --> 01:03:55,839
intelligence uh

1630
01:03:59,990 --> 01:03:57,760
and counterintelligence encountering us

1631
01:04:02,549 --> 01:04:00,000
now exactly what we did in europe

1632
01:04:03,349 --> 01:04:02,559
but so i didn't have anything to do with

1633
01:04:05,430 --> 01:04:03,359
uh

1634
01:04:08,549 --> 01:04:05,440
the cia since then

1635
01:04:11,829 --> 01:04:08,559
uh and um otherwise people are saying

1636
01:04:13,990 --> 01:04:11,839
and i have a i have a thorn in my side

1637
01:04:16,789 --> 01:04:14,000
his name is robert collins and he

1638
01:04:20,309 --> 01:04:16,799

he keeps telling people i work for dia

1639

01:04:22,630 --> 01:04:20,319

and i i was seen in vi headquarters and

1640

01:04:23,829 --> 01:04:22,640

all these all these lies that that are

1641

01:04:25,589 --> 01:04:23,839

just not true

1642

01:04:28,150 --> 01:04:25,599

yeah i've heard i've heard him talk

1643

01:04:30,390 --> 01:04:28,160

about you and it seems to me that

1644

01:04:32,870 --> 01:04:30,400

either he's uh

1645

01:04:34,950 --> 01:04:32,880

better informed than everyone else on on

1646

01:04:36,710 --> 01:04:34,960

the planet or that he did have some kind

1647

01:04:37,910 --> 01:04:36,720

of information but he's never been able

1648

01:04:40,309 --> 01:04:37,920

to provide

1649

01:04:42,789 --> 01:04:40,319

documentation or proof to back up most

1650

01:04:46,230 --> 01:04:42,799

of his claims so you're saying that he's

1651

01:04:48,390 --> 01:04:46,240

just i don't know making up stories or

1652

01:04:50,789 --> 01:04:48,400

yeah he's making up stories all right

1653

01:04:52,870 --> 01:04:50,799

i think he's psychotic i don't know he's

1654

01:04:55,510 --> 01:04:52,880

he he makes up so many different stories

1655

01:04:57,349 --> 01:04:55,520

about me claims that i co-authored a

1656

01:04:59,270 --> 01:04:57,359

book with him which i didn't co-author

1657

01:05:01,109 --> 01:04:59,280

any book yeah that was going to be that

1658

01:05:02,630 --> 01:05:01,119

was going to be my next thing that was a

1659

01:05:03,990 --> 01:05:02,640

big thing on the internet for a while i

1660

01:05:05,510 --> 01:05:04,000

remember that

1661

01:05:08,069 --> 01:05:05,520

when he came out with that book and he

1662

01:05:09,910 --> 01:05:08,079

put you as a co-author and then you said

1663

01:05:13,349 --> 01:05:09,920

i didn't co-author this book what do you

1664

01:05:15,029 --> 01:05:13,359

this you denied any involvement but he

1665

01:05:17,430 --> 01:05:15,039

somehow claimed that you co-authored the

1666

01:05:19,349 --> 01:05:17,440

book a lot of people have said that he

1667

01:05:21,109 --> 01:05:19,359

just used you as a source and then he

1668

01:05:22,470 --> 01:05:21,119

took it a little too far what do you

1669

01:05:24,549 --> 01:05:22,480

have to say about that book and your

1670

01:05:25,589 --> 01:05:24,559

involvement in it

1671

01:05:27,510 --> 01:05:25,599

well

1672

01:05:28,710 --> 01:05:27,520

some of the information in that book i

1673

01:05:30,710 --> 01:05:28,720

did provide

1674

01:05:33,270 --> 01:05:30,720

we worked together for a number of

1675

01:05:36,069 --> 01:05:33,280

probably two or two years three years

1676

01:05:37,510 --> 01:05:36,079

in the early 2000s it was a guy out of

1677

01:05:39,670 --> 01:05:37,520

los alamos

1678

01:05:41,270 --> 01:05:39,680

that that i introduced him to they

1679

01:05:43,190 --> 01:05:41,280

introduced collins to

1680

01:05:45,510 --> 01:05:43,200

and

1681

01:05:47,109 --> 01:05:45,520

he provided collins with a lot of

1682

01:05:49,510 --> 01:05:47,119

information and

1683

01:05:50,630 --> 01:05:49,520

allegedly that was factual that he put

1684

01:05:53,750 --> 01:05:50,640

in the book

1685

01:05:56,390 --> 01:05:53,760

but uh i didn't i mean everything that i

1686

01:05:58,390 --> 01:05:56,400

gave him was open source stuff that i

1687

01:06:00,630 --> 01:05:58,400

has already been out in the public

1688

01:06:02,470 --> 01:06:00,640

and that then

1689

01:06:04,230 --> 01:06:02,480

he told me he was going to write a book

1690

01:06:07,910 --> 01:06:04,240

and i said well good luck in writing the

1691

01:06:10,630 --> 01:06:07,920

book and when he published the book

1692

01:06:13,190 --> 01:06:10,640

uh i didn't realize it until he sent me

1693

01:06:14,870 --> 01:06:13,200

a copy that my name was on it and i i

1694

01:06:17,430 --> 01:06:14,880

immediately called him and said

1695

01:06:18,950 --> 01:06:17,440

robert i didn't co-author this we have

1696

01:06:21,910 --> 01:06:18,960

no contracts

1697

01:06:23,510 --> 01:06:21,920

together just for this book

1698

01:06:26,630 --> 01:06:23,520

and of course this is just a side note

1699

01:06:28,230 --> 01:06:26,640

but he kept all the money right

1700

01:06:29,670 --> 01:06:28,240

from the side exactly you never knew

1701

01:06:36,630 --> 01:06:29,680

around you with me

1702

01:06:39,589 --> 01:06:38,069

i think it couldn't have hurt to sell

1703

01:06:41,670 --> 01:06:39,599

the book to put your name on it maybe

1704

01:06:42,870 --> 01:06:41,680

that was his motivation i always look

1705

01:06:46,309 --> 01:06:42,880

follow the money when you're

1706

01:06:49,190 --> 01:06:46,319

investigating these things

1707

01:06:51,589 --> 01:06:49,200

yeah and he never gave me again he

1708

01:06:53,829 --> 01:06:51,599

client claims he had to cancel jack

1709

01:06:55,670 --> 01:06:53,839

that that but that was not for the book

1710

01:06:57,589 --> 01:06:55,680

it had nothing to do with the book he

1711

01:06:59,829 --> 01:06:57,599

asked me to do a number of things for

1712

01:07:01,990 --> 01:06:59,839

him out here in new mexico and i did and

1713

01:07:04,630 --> 01:07:02,000

he paid me for it and then he now he's

1714

01:07:06,870 --> 01:07:04,640

saying oh that check was uh payment on

1715

01:07:08,789 --> 01:07:06,880

the book which it wasn't because it was

1716

01:07:09,670 --> 01:07:08,799

just for the work that i did out here

1717

01:07:11,190 --> 01:07:09,680

for me

1718

01:07:13,510 --> 01:07:11,200

then i mean to do with it but it was way

1719

01:07:16,390 --> 01:07:13,520

before the book was ever published

1720

01:07:19,349 --> 01:07:16,400

and so i tried to sue him i went i hired

1721

01:07:21,510 --> 01:07:19,359

an attorney in ohio i went through the

1722

01:07:23,589 --> 01:07:21,520

the hoops but it was going to cost me

1723

01:07:26,630 --> 01:07:23,599

more money it was worth

1724

01:07:27,349 --> 01:07:26,640

to sue the idiot so i decided not to

1725

01:07:29,349 --> 01:07:27,359

yeah

1726

01:07:34,150 --> 01:07:29,359

lawyers always just make the most money

1727

01:07:38,950 --> 01:07:36,390

so your background as air force special

1728

01:07:41,589 --> 01:07:38,960

intelligence is not in dispute

1729

01:07:43,270 --> 01:07:41,599

everybody can verify your background as

1730

01:07:45,190 --> 01:07:43,280

being a hundred percent accurate and a

1731

01:07:47,109 --> 01:07:45,200

lot of people in the ufo field you can't

1732

01:07:49,190 --> 01:07:47,119

say that about you have these guys

1733

01:07:49,990 --> 01:07:49,200

running around saying they worked at s4

1734

01:07:52,470 --> 01:07:50,000

and then

1735

01:07:54,390 --> 01:07:52,480

their education doesn't pan out they

1736

01:07:56,150 --> 01:07:54,400

don't have employment records

1737

01:07:57,029 --> 01:07:56,160

but everything that that you're talking

1738

01:07:59,270 --> 01:07:57,039

about

1739

01:08:03,910 --> 01:07:59,280

i tend to believe because

1740

01:08:06,470 --> 01:08:05,029

that's right

1741

01:08:08,549 --> 01:08:06,480

absolutely yeah

1742

01:08:11,270 --> 01:08:08,559

i i'm proven

1743

01:08:12,950 --> 01:08:11,280

i've proved myself a number of times i

1744

01:08:15,029 --> 01:08:12,960

mean anybody can i mean there's been a

1745

01:08:17,349 --> 01:08:15,039

lot of people who look at my records

1746

01:08:19,669 --> 01:08:17,359

and can read them and see that i was at

1747

01:08:22,630 --> 01:08:19,679

area 51 i was at

1748

01:08:25,910 --> 01:08:22,640

at uh kartland i was in germany i was

1749

01:08:27,669 --> 01:08:25,920

here i did this i had these clearances

1750

01:08:29,349 --> 01:08:27,679

i had a guy that sent me i don't know

1751

01:08:31,510 --> 01:08:29,359

how he got it because he wasn't supposed

1752

01:08:34,950 --> 01:08:31,520

to get it but i got a guy

1753

01:08:35,749 --> 01:08:34,960

a few a couple years ago that sent me my

1754

01:08:38,870 --> 01:08:35,759

my

1755

01:08:40,390 --> 01:08:38,880

one a serial file which is the

1756

01:08:42,709 --> 01:08:40,400

the file that lists all your

1757

01:08:45,030 --> 01:08:42,719

classification all your clearances i

1758

01:08:47,189 --> 01:08:45,040

mean i i asked him and i don't know this

1759

01:08:48,789 --> 01:08:47,199

guy he just sent me an email and sent an

1760

01:08:51,349 --> 01:08:48,799

attachment to an email i said how did

1761

01:08:53,749 --> 01:08:51,359

you get this he said well somebody gave

1762

01:08:55,669 --> 01:08:53,759

it to me but he said

1763

01:08:57,510 --> 01:08:55,679

what does all these numbers mean i never

1764

01:08:59,030 --> 01:08:57,520

told him but i said well you're going to

1765

01:09:00,470 --> 01:08:59,040

have to do your own research because i

1766

01:09:03,510 --> 01:09:00,480

don't know who you are

1767

01:09:04,829 --> 01:09:03,520

but but he he said this to me and i

1768

01:09:07,030 --> 01:09:04,839

thought how did

1769

01:09:07,910 --> 01:09:07,040

anybody get this out of the government

1770

01:09:10,229 --> 01:09:07,920

but

1771

01:09:11,829 --> 01:09:10,239

obviously there's some way they did

1772

01:09:14,550 --> 01:09:11,839

what gets me is

1773

01:09:16,470 --> 01:09:14,560

these people out there that write books

1774

01:09:18,630 --> 01:09:16,480

that have never been in the military

1775

01:09:21,110 --> 01:09:18,640

never been in the intelligence community

1776

01:09:22,789 --> 01:09:21,120
never had a security clearance

1777

01:09:25,189 --> 01:09:22,799
uh

1778

01:09:26,630 --> 01:09:25,199
and and they write a book

1779

01:09:29,189 --> 01:09:26,640
based on

1780

01:09:32,390 --> 01:09:29,199
second and third party information and

1781

01:09:34,630 --> 01:09:32,400
they're the gods of the ufo community

1782

01:09:36,950 --> 01:09:34,640
and somebody like myself or or there's

1783

01:09:39,189 --> 01:09:36,960
others that have actually done these

1784

01:09:41,829 --> 01:09:39,199
things and went out there and and

1785

01:09:44,630 --> 01:09:41,839
investigated you opposed they're treated

1786

01:09:47,510 --> 01:09:44,640
and treated us like dirt because they

1787

01:09:50,550 --> 01:09:47,520
say we're disinformation or you're still

1788

01:09:52,709 --> 01:09:50,560

working for the agency or you're still

1789

01:09:55,590 --> 01:09:52,719

you're still involved in and trying to

1790

01:09:57,350 --> 01:09:55,600

trick people which is not true and and

1791

01:09:59,910 --> 01:09:57,360

when i when i try to speak i try to

1792

01:10:02,630 --> 01:09:59,920

speak at a u.s ufo convention

1793

01:10:04,550 --> 01:10:02,640

some years ago and and the people

1794

01:10:06,630 --> 01:10:04,560

basically ridiculed me saying i don't

1795

01:10:08,630 --> 01:10:06,640

think they want to hear you why would

1796

01:10:10,790 --> 01:10:08,640

they want to hear me

1797

01:10:13,590 --> 01:10:10,800

i'm telling the truth i'm only telling

1798

01:10:15,270 --> 01:10:13,600

you i know i'm not going to

1799

01:10:17,350 --> 01:10:15,280

i'm not going to go and speculate on

1800

01:10:19,510 --> 01:10:17,360

things that i don't know or i've never

1801
01:10:20,470 --> 01:10:19,520
seen or never had access to

1802
01:10:26,870 --> 01:10:20,480
and

1803
01:10:29,830 --> 01:10:26,880
private room with some people

1804
01:10:31,669 --> 01:10:29,840
that that we talked talked over

1805
01:10:34,310 --> 01:10:31,679
primarily wendell stephens at the time

1806
01:10:36,470 --> 01:10:34,320
he was a very good friend of mine

1807
01:10:37,910 --> 01:10:36,480
yeah i really i always i always liked

1808
01:10:39,590 --> 01:10:37,920
wendell stevens and i always thought

1809
01:10:42,229 --> 01:10:39,600
that he was kind of a straight shooter

1810
01:10:45,110 --> 01:10:42,239
and he never suffered from that ufo

1811
01:10:46,870 --> 01:10:45,120
uh disease that i think so many guys do

1812
01:10:49,030 --> 01:10:46,880
when they're on that circuit you know

1813
01:10:50,229 --> 01:10:49,040

they come out with some good information

1814

01:10:51,910 --> 01:10:50,239

and then

1815

01:10:53,750 --> 01:10:51,920

i guess people get tired of hearing the

1816

01:10:56,070 --> 01:10:53,760

same lecture over and over again so then

1817

01:10:58,070 --> 01:10:56,080

they invent new stories and new things

1818

01:10:59,830 --> 01:10:58,080

but wendell stevens was always on the

1819

01:11:01,510 --> 01:10:59,840

ground looking into stuff i disagree

1820

01:11:03,669 --> 01:11:01,520

with him on billy meyer and a lot of

1821

01:11:07,590 --> 01:11:03,679

stuff that he was into but i think he

1822

01:11:10,149 --> 01:11:08,470

well

1823

01:11:11,750 --> 01:11:10,159

i was actually involved in doing

1824

01:11:13,990 --> 01:11:11,760

moderate case but in germany and i was

1825

01:11:15,590 --> 01:11:14,000

basing there really can you tell us can

1826

01:11:17,510 --> 01:11:15,600

you tell us about that because to be

1827

01:11:19,750 --> 01:11:17,520

quite honest with you i think that billy

1828

01:11:21,590 --> 01:11:19,760

meyer is just looking for some cash i

1829

01:11:23,110 --> 01:11:21,600

never thought any that some of the

1830

01:11:25,189 --> 01:11:23,120

photos were

1831

01:11:28,149 --> 01:11:25,199

like i could do better knowing a little

1832

01:11:29,590 --> 01:11:28,159

bit about special effects that i do and

1833

01:11:32,149 --> 01:11:29,600

so many things that he kind of got

1834

01:11:33,590 --> 01:11:32,159

caught in that were like suspect but

1835

01:11:35,430 --> 01:11:33,600

what did you think of the whole billy

1836

01:11:37,189 --> 01:11:35,440

meyer case and what was your involvement

1837

01:11:40,390 --> 01:11:37,199

in it

1838

01:11:42,630 --> 01:11:40,400

well we we were

1839

01:11:45,030 --> 01:11:42,640

the swiss intelligence service asked us

1840

01:11:47,110 --> 01:11:45,040

to assist them on evaluating some

1841

01:11:48,550 --> 01:11:47,120

information regarding the subject of the

1842

01:11:51,830 --> 01:11:48,560

office

1843

01:11:54,390 --> 01:11:51,840

so i was in germany at the time

1844

01:11:56,950 --> 01:11:54,400

myself and another agent was sent down

1845

01:11:58,149 --> 01:11:56,960

to switzerland we met with a swiss and

1846

01:12:01,110 --> 01:11:58,159

tough people

1847

01:12:02,390 --> 01:12:01,120

and they laid out billy myers stuff

1848

01:12:03,510 --> 01:12:02,400

and

1849

01:12:04,870 --> 01:12:03,520

uh

1850

01:12:06,550 --> 01:12:04,880

they said well

1851
01:12:08,630 --> 01:12:06,560
you know he claims that he's had

1852
01:12:11,270 --> 01:12:08,640
contacts he did

1853
01:12:13,270 --> 01:12:11,280
uh he took these pictures and

1854
01:12:15,189 --> 01:12:13,280
so we went out and talked we went on an

1855
01:12:17,189 --> 01:12:15,199
interview i i was a german linguist so i

1856
01:12:18,550 --> 01:12:17,199
could i could speak german i was trained

1857
01:12:21,189 --> 01:12:18,560
in german linguist

1858
01:12:23,350 --> 01:12:21,199
so we went out there and we we spoke to

1859
01:12:25,830 --> 01:12:23,360
him and we interviewed him to his

1860
01:12:26,630 --> 01:12:25,840
intelligence that and nobody did who we

1861
01:12:27,510 --> 01:12:26,640
were

1862
01:12:29,189 --> 01:12:27,520
although

1863
01:12:31,189 --> 01:12:29,199

what was your impression what was your

1864

01:12:32,709 --> 01:12:31,199

impression of him and and

1865

01:12:35,270 --> 01:12:32,719

whether he was being truthful or not

1866

01:12:39,189 --> 01:12:35,280

about what he was doing

1867

01:12:41,430 --> 01:12:39,199

if you sat down and listened to him talk

1868

01:12:44,310 --> 01:12:41,440

you would want to believe everything he

1869

01:12:46,310 --> 01:12:44,320

told you i mean he was he was a very

1870

01:12:48,709 --> 01:12:46,320

forthright person

1871

01:12:51,669 --> 01:12:48,719

he was very articulate

1872

01:12:54,070 --> 01:12:51,679

uh he was very believable i mean really

1873

01:12:56,470 --> 01:12:54,080

believable in fact when we

1874

01:12:59,830 --> 01:12:56,480

we didn't have that we our first meeting

1875

01:13:01,430 --> 01:12:59,840

was not at his house it was in town at a

1876

01:13:02,950 --> 01:13:01,440

at a little

1877

01:13:05,030 --> 01:13:02,960

and we had a little room in the back

1878

01:13:06,310 --> 01:13:05,040

that we were talking to them about and

1879

01:13:08,550 --> 01:13:06,320

and boy

1880

01:13:10,229 --> 01:13:08,560

when i left there i told the swiss guy

1881

01:13:12,310 --> 01:13:10,239

the intelligence guy

1882

01:13:15,189 --> 01:13:12,320

man this guy is you know he's good i

1883

01:13:16,830 --> 01:13:15,199

mean i'm anxious to see what he has

1884

01:13:19,270 --> 01:13:16,840

well we went out to his

1885

01:13:20,709 --> 01:13:19,280

farm and he started

1886

01:13:22,229 --> 01:13:20,719

explaining where he took off these

1887

01:13:30,149 --> 01:13:22,239

pictures

1888

01:13:31,189 --> 01:13:30,159

and i'm no photo interpreter or photo

1889

01:13:33,110 --> 01:13:31,199

expert

1890

01:13:34,630 --> 01:13:33,120

but the first couple pictures he showed

1891

01:13:37,510 --> 01:13:34,640

us

1892

01:13:39,350 --> 01:13:37,520

i looked at the my the two swiss

1893

01:13:40,310 --> 01:13:39,360

intelligence officer and the other guy i

1894

01:13:42,390 --> 01:13:40,320

was with

1895

01:13:43,990 --> 01:13:42,400

and i just took my hand like

1896

01:13:47,430 --> 01:13:44,000

these are fakes

1897

01:13:50,950 --> 01:13:47,440

there's no way these are real and and so

1898

01:13:53,430 --> 01:13:50,960

he showed us a lot he we went outside

1899

01:13:55,830 --> 01:13:53,440

he showed us whether each one was taken

1900

01:13:57,830 --> 01:13:55,840

he went up to that that hill and said

1901

01:13:59,510 --> 01:13:57,840

that's where the alien

1902

01:14:02,149 --> 01:13:59,520

told him to go off the top who with the

1903

01:14:04,149 --> 01:14:02,159

pleiadians and so forth and

1904

01:14:04,870 --> 01:14:04,159

everything fit

1905

01:14:08,790 --> 01:14:04,880

and

1906

01:14:11,270 --> 01:14:08,800

what i didn't actually found in swiss

1907

01:14:12,830 --> 01:14:11,280

people noticed it later

1908

01:14:16,790 --> 01:14:12,840

was he had he had

1909

01:14:18,950 --> 01:14:16,800

wires that ran across from one location

1910

01:14:21,990 --> 01:14:18,960

to another probably

1911

01:14:23,750 --> 01:14:22,000

two three hundred foot long wires

1912

01:14:25,110 --> 01:14:23,760

uh well that's kind of all different

1913

01:14:27,350 --> 01:14:25,120

directions that's kind of a dead

1914

01:14:29,270 --> 01:14:27,360

giveaway of a hoax and you know it's

1915

01:14:31,669 --> 01:14:29,280

funny because when i was like i don't

1916

01:14:33,669 --> 01:14:31,679

know in high school i i remember reading

1917

01:14:35,350 --> 01:14:33,679

so much about this case

1918

01:14:37,830 --> 01:14:35,360

and and i looked at the photographs and

1919

01:14:39,350 --> 01:14:37,840

i thought this is like a hubcap and i

1920

01:14:41,350 --> 01:14:39,360

could build a model the only thing that

1921

01:14:43,189 --> 01:14:41,360

ever made me gave me doubts is like how

1922

01:14:44,070 --> 01:14:43,199

does a one-armed man do some of the

1923

01:14:45,830 --> 01:14:44,080

stuff

1924

01:14:48,070 --> 01:14:45,840

you know but i would say that a

1925

01:14:50,070 --> 01:14:48,080

determined one-armed man could do it i

1926

01:14:50,870 --> 01:14:50,080

would think you know it looked to me

1927

01:14:55,910 --> 01:14:50,880

like

1928

01:14:57,830 --> 01:14:55,920

miniature models hung on wires and

1929

01:15:00,149 --> 01:14:57,840

there's a guy on youtube that that has

1930

01:15:01,510 --> 01:15:00,159

recreated almost every photo and film

1931

01:15:02,709 --> 01:15:01,520

that he's ever done

1932

01:15:05,350 --> 01:15:02,719

which leads me to believe that it's

1933

01:15:07,270 --> 01:15:05,360

totally fake but what were what what was

1934

01:15:09,669 --> 01:15:07,280

the end result of that investigation you

1935

01:15:14,790 --> 01:15:12,630

well we we found that uh the first thing

1936

01:15:16,790 --> 01:15:14,800

i asked billy was where are these what

1937

01:15:19,270 --> 01:15:16,800

are these wires for

1938

01:15:20,310 --> 01:15:19,280

he said well i was going to erect

1939

01:15:21,990 --> 01:15:20,320

something

1940

01:15:24,470 --> 01:15:22,000

because they're going from one point to

1941

01:15:27,830 --> 01:15:24,480

another with with no noticeable reason

1942

01:15:31,189 --> 01:15:27,840

to be there there's no reason why these

1943

01:15:33,669 --> 01:15:31,199

wires would be strung all over the place

1944

01:15:35,270 --> 01:15:33,679

he said he was going to build something

1945

01:15:37,430 --> 01:15:35,280

and but he left it at that he didn't go

1946

01:15:40,070 --> 01:15:37,440

into any details about

1947

01:15:43,590 --> 01:15:40,080

what he was going to build or anything

1948

01:15:45,430 --> 01:15:43,600

like that so that led me to believe

1949

01:15:47,669 --> 01:15:45,440

the guy was he

1950

01:15:49,910 --> 01:15:47,679

he hoaxed all this stuff

1951

01:15:51,910 --> 01:15:49,920

and then

1952

01:15:53,510 --> 01:15:51,920

the swiss had some information about

1953

01:15:56,470 --> 01:15:53,520

this other guy

1954

01:15:57,669 --> 01:15:56,480

uh that had that probably was an

1955

01:15:59,189 --> 01:15:57,679

accomplice

1956

01:16:00,870 --> 01:15:59,199

and we went

1957

01:16:03,110 --> 01:16:00,880

uh this other guy lived some distance

1958

01:16:05,350 --> 01:16:03,120

away probably you know 10 or 12

1959

01:16:07,669 --> 01:16:05,360

kilometers from

1960

01:16:09,830 --> 01:16:07,679

about six or seven miles away from where

1961

01:16:12,229 --> 01:16:09,840

billy lived and we went to this guy's

1962

01:16:15,189 --> 01:16:12,239

house and i don't remember his name

1963

01:16:16,950 --> 01:16:15,199

he was very elusive he was he was very

1964

01:16:19,590 --> 01:16:16,960

protective of billy

1965

01:16:22,390 --> 01:16:19,600

and but he was he was elusive about what

1966

01:16:23,510 --> 01:16:22,400

you know swiss asks you did you

1967

01:16:25,510 --> 01:16:23,520

did you ever

1968

01:16:27,270 --> 01:16:25,520

see these things did you well why what

1969

01:16:29,270 --> 01:16:27,280

do you want to know he asked more

1970

01:16:31,110 --> 01:16:29,280

questions thus we did him so we didn't

1971

01:16:33,110 --> 01:16:31,120

get a whole lot out of him but

1972

01:16:35,910 --> 01:16:33,120

we know who his confidence was i mean

1973

01:16:37,110 --> 01:16:35,920

swiss intelligence did all we did at the

1974

01:16:40,630 --> 01:16:37,120

end was

1975

01:16:42,550 --> 01:16:40,640

we did i did a report uh evaluating what

1976

01:16:44,709 --> 01:16:42,560

information that swiss intelligence

1977

01:16:46,550 --> 01:16:44,719

wanted us to evaluate

1978

01:16:48,390 --> 01:16:46,560

and that's basically it that was a

1979

01:16:50,709 --> 01:16:48,400

one-time shot

1980

01:16:53,189 --> 01:16:50,719

but did a report the only time that i

1981

01:16:55,990 --> 01:16:53,199

knew that we ever got involved now maybe

1982

01:16:57,750 --> 01:16:56,000

we did later that i don't know about but

1983

01:16:59,030 --> 01:16:57,760

that's my involvement with the

1984

01:17:00,630 --> 01:16:59,040

billionaire

1985

01:17:02,550 --> 01:17:00,640

incident

1986

01:17:04,390 --> 01:17:02,560

wow that's pretty incredible like i said

1987

01:17:05,910 --> 01:17:04,400

your name comes up in every story i've

1988

01:17:07,830 --> 01:17:05,920

never heard your story in connection

1989

01:17:10,470 --> 01:17:07,840

with billy meyer but that's another big

1990

01:17:13,270 --> 01:17:10,480

huge case in ufology that you've been a

1991

01:17:18,470 --> 01:17:16,870

well a very small part and and and so

1992

01:17:19,830 --> 01:17:18,480

but what was the end result what did you

1993

01:17:21,030 --> 01:17:19,840

tell the swiss did you tell the swiss

1994

01:17:23,590 --> 01:17:21,040

that you thought he was hoaxing these

1995

01:17:25,750 --> 01:17:23,600

things yeah yeah exactly

1996

01:17:28,070 --> 01:17:25,760

uh our our photo interp our photo

1997

01:17:30,229 --> 01:17:28,080

specialists back in headquarters

1998

01:17:33,430 --> 01:17:30,239

uh said that these are all hope these

1999

01:17:35,030 --> 01:17:33,440

are all fakes and then and our one uh

2000

01:17:36,709 --> 01:17:35,040

really keen

2001

01:17:40,149 --> 01:17:36,719

uh photo interpreter

2002

01:17:41,510 --> 01:17:40,159

uh who just in fact hates but he just

2003

01:17:43,430 --> 01:17:41,520

passed away a few

2004

01:17:45,590 --> 01:17:43,440

months ago but he was

2005

01:17:47,830 --> 01:17:45,600

he explained exactly how it was how he

2006

01:17:49,270 --> 01:17:47,840

did it and what kind of cameras and the

2007

01:17:51,430 --> 01:17:49,280

betting on the cameras and all that

2008

01:17:53,830 --> 01:17:51,440

stuff so that that's

2009

01:17:55,350 --> 01:17:53,840

that's what our report was which was it

2010

01:17:56,470 --> 01:17:55,360

was a hoax

2011

01:17:59,270 --> 01:17:56,480

wow

2012

01:18:01,510 --> 01:17:59,280

okay so getting back to this you're

2013

01:18:03,669 --> 01:18:01,520

always the bad guy and i hate to keep

2014

01:18:06,070 --> 01:18:03,679

bringing up stuff that people have said

2015

01:18:07,669 --> 01:18:06,080

or spread negative stories about you but

2016

01:18:11,110 --> 01:18:07,679

i couldn't complete this interview

2017

01:18:13,750 --> 01:18:11,120

without getting into the serpo story

2018

01:18:15,830 --> 01:18:13,760

now you've also been blamed for

2019

01:18:17,030 --> 01:18:15,840

spreading the serpo story

2020

01:18:19,030 --> 01:18:17,040

and i have to tell you that everything

2021

01:18:20,709 --> 01:18:19,040

you told me so far i truly believe

2022

01:18:23,350 --> 01:18:20,719

you've been truthful about

2023

01:18:24,630 --> 01:18:23,360

but a couple of researchers have shown

2024

01:18:26,390 --> 01:18:24,640

one second

2025

01:18:27,990 --> 01:18:26,400

a couple of researchers have shown that

2026
01:18:29,350 --> 01:18:28,000
the files

2027
01:18:31,830 --> 01:18:29,360
that were sent

2028
01:18:34,070 --> 01:18:31,840
to this serpo person who

2029
01:18:35,990 --> 01:18:34,080
who spread all this information

2030
01:18:39,350 --> 01:18:36,000
were sent

2031
01:18:41,189 --> 01:18:39,360
through you because of ip matching

2032
01:18:44,310 --> 01:18:41,199
but i have to tell you that i went to

2033
01:18:46,310 --> 01:18:44,320
college for computer science so i

2034
01:18:49,910 --> 01:18:46,320
was very interested in the information

2035
01:18:52,229 --> 01:18:49,920
that they had and i looked at all of it

2036
01:18:55,270 --> 01:18:52,239
and what it showed is that

2037
01:18:57,830 --> 01:18:55,280
your ip number commented or talked you

2038
01:18:58,870 --> 01:18:57,840

know sent people emails as you richard

2039

01:19:01,990 --> 01:18:58,880

doty

2040

01:19:02,870 --> 01:19:02,000

but then your ip number also

2041

01:19:04,950 --> 01:19:02,880

sent

2042

01:19:06,830 --> 01:19:04,960

these serpo files

2043

01:19:08,390 --> 01:19:06,840

to this person

2044

01:19:11,510 --> 01:19:08,400

again

2045

01:19:13,270 --> 01:19:11,520

it was with your ip number

2046

01:19:14,870 --> 01:19:13,280

i've never known what to believe about

2047

01:19:17,270 --> 01:19:14,880

this so i just want to ask you straight

2048

01:19:19,590 --> 01:19:17,280

out did you create

2049

01:19:22,870 --> 01:19:19,600

send or have anything to do with this

2050

01:19:23,990 --> 01:19:22,880

serpo ufo story

2051
01:19:26,790 --> 01:19:24,000
no

2052
01:19:28,229 --> 01:19:26,800
and can is there any angler

2053
01:19:30,470 --> 01:19:28,239
i learned

2054
01:19:32,950 --> 01:19:30,480
of this

2055
01:19:35,669 --> 01:19:32,960
from victor martinez he was the one that

2056
01:19:37,750 --> 01:19:35,679
that first sent this stuff out victor

2057
01:19:40,870 --> 01:19:37,760
martinez and a

2058
01:19:42,070 --> 01:19:40,880
and a joe yeager those are the two key

2059
01:19:45,110 --> 01:19:42,080
names

2060
01:19:48,070 --> 01:19:45,120
in the circle

2061
01:19:52,070 --> 01:19:50,470
victor martinez shared a lot of

2062
01:19:53,990 --> 01:19:52,080
information with me

2063
01:19:57,270 --> 01:19:54,000

and with some other people

2064

01:19:58,709 --> 01:19:57,280

who were involved in the uh

2065

01:19:59,430 --> 01:19:58,719

in the uh

2066

01:20:01,990 --> 01:19:59,440

or

2067

01:20:04,790 --> 01:20:02,000

who were retired from the uh from the

2068

01:20:06,629 --> 01:20:04,800

intelligence of bia in particular

2069

01:20:08,229 --> 01:20:06,639

and

2070

01:20:09,510 --> 01:20:08,239

so

2071

01:20:10,629 --> 01:20:09,520

i had

2072

01:20:23,350 --> 01:20:10,639

i

2073

01:20:24,870 --> 01:20:23,360

but

2074

01:20:28,709 --> 01:20:24,880

i did not

2075

01:20:32,870 --> 01:20:28,719

at no way have i ever wrote or provided

2076

01:20:35,910 --> 01:20:32,880
or falsified or created this circle

2077

01:20:37,270 --> 01:20:35,920
story now i wish i would have

2078

01:20:39,910 --> 01:20:37,280
somebody

2079

01:20:42,950 --> 01:20:39,920
now if you ever read all that stuff

2080

01:20:44,709 --> 01:20:42,960
somebody would have been oh mr dodie

2081

01:20:45,910 --> 01:20:44,719
i've been writer i've read all of it and

2082

01:20:48,709 --> 01:20:45,920
that's what i was just going to say

2083

01:20:50,790 --> 01:20:48,719
whoever if the if those if if that whole

2084

01:20:52,470 --> 01:20:50,800
story is fake which honestly i would

2085

01:20:53,510 --> 01:20:52,480
tend to believe it's fake just based on

2086

01:20:55,030 --> 01:20:53,520
the fact

2087

01:20:56,550 --> 01:20:55,040
and for my listeners that don't know

2088

01:20:59,990 --> 01:20:56,560

about the serpo story if you don't know

2089

01:21:01,430 --> 01:21:00,000

about it just google serpo ufo or serpo

2090

01:21:03,750 --> 01:21:01,440

alien exchange

2091

01:21:05,990 --> 01:21:03,760

the story is basically

2092

01:21:08,310 --> 01:21:06,000

close encounters of the third kind

2093

01:21:09,990 --> 01:21:08,320

that these aliens came here they left

2094

01:21:12,470 --> 01:21:10,000

some of their people they took some of

2095

01:21:15,350 --> 01:21:12,480

our people and took them to their home

2096

01:21:17,110 --> 01:21:15,360

planet they spent some time there many

2097

01:21:19,350 --> 01:21:17,120

years and then came back later some of

2098

01:21:22,550 --> 01:21:19,360

them died there but it's just like

2099

01:21:25,030 --> 01:21:22,560

this thing reads like better than a good

2100

01:21:27,430 --> 01:21:25,040

science fiction novel if it's fake

2101
01:21:30,390 --> 01:21:27,440
whoever wrote it i think they should get

2102
01:21:32,070 --> 01:21:30,400
a prize it's so well written but i've

2103
01:21:34,229 --> 01:21:32,080
always thought exactly i've always

2104
01:21:36,790 --> 01:21:34,239
thought this this is kind of too far out

2105
01:21:39,510 --> 01:21:36,800
there they don't name names so there's

2106
01:21:41,430 --> 01:21:39,520
no way to verify or

2107
01:21:43,350 --> 01:21:41,440
there's no way to prove or disprove

2108
01:21:45,110 --> 01:21:43,360
anything in the serpo files and i've

2109
01:21:47,030 --> 01:21:45,120
been through all of them

2110
01:21:49,750 --> 01:21:47,040
and i can't prove or disprove anything

2111
01:21:52,229 --> 01:21:49,760
because they don't give names of people

2112
01:21:54,470 --> 01:21:52,239
and it's convenient that this story came

2113
01:21:56,950 --> 01:21:54,480

out after the last astronaut that

2114

01:21:59,430 --> 01:21:56,960

supposedly went to this alien planet in

2115

01:22:00,629 --> 01:21:59,440

this exchange program died so you can't

2116

01:22:02,229 --> 01:22:00,639

interview any of the guys that

2117

01:22:03,590 --> 01:22:02,239

supposedly went there

2118

01:22:06,229 --> 01:22:03,600

it's one of those things that can't be

2119

01:22:09,110 --> 01:22:06,239

proven or disproven but whoever wrote it

2120

01:22:11,189 --> 01:22:09,120

if somebody wrote it it's a tremendous

2121

01:22:13,430 --> 01:22:11,199

tremendous entertaining story but it

2122

01:22:15,189 --> 01:22:13,440

just seemed to me like this is too much

2123

01:22:17,430 --> 01:22:15,199

like copied directly from close

2124

01:22:19,510 --> 01:22:17,440

encounters of the third kind

2125

01:22:20,310 --> 01:22:19,520

but what i always wanted to ask you then

2126

01:22:23,910 --> 01:22:20,320

is

2127

01:22:26,149 --> 01:22:23,920

information that are claiming that you

2128

01:22:27,510 --> 01:22:26,159

sent it i mean there's a subject i'll

2129

01:22:29,910 --> 01:22:27,520

tell you what there's a such thing

2130

01:22:32,790 --> 01:22:29,920

called ip spoofing which means

2131

01:22:35,669 --> 01:22:32,800

mr doty if i wanted to fool somebody

2132

01:22:36,870 --> 01:22:35,679

that i was you sending an email i i

2133

01:22:38,310 --> 01:22:36,880

could do it but it would take somebody

2134

01:22:40,790 --> 01:22:38,320

tremendously knowledgeable about

2135

01:22:43,030 --> 01:22:40,800

computer science or the internet to do

2136

01:22:43,910 --> 01:22:43,040

it especially back then because back

2137

01:22:45,510 --> 01:22:43,920

then

2138

01:22:49,030 --> 01:22:45,520

there wasn't things that we have now

2139

01:22:50,550 --> 01:22:49,040

like ip hide or you know or those things

2140

01:22:53,350 --> 01:22:50,560

so

2141

01:22:54,950 --> 01:22:53,360

i have to tell you i i'm not sure that i

2142

01:22:57,030 --> 01:22:54,960

believe or disbelieve you that you

2143

01:22:57,830 --> 01:22:57,040

didn't send them from your home

2144

01:22:59,830 --> 01:22:57,840

but

2145

01:23:01,510 --> 01:22:59,840

it appears from the documents that i've

2146

01:23:03,350 --> 01:23:01,520

looked at and all of the computer

2147

01:23:05,669 --> 01:23:03,360

information that it was sent from your

2148

01:23:07,189 --> 01:23:05,679

home now that doesn't mean that it was

2149

01:23:09,590 --> 01:23:07,199

it means that

2150

01:23:11,110 --> 01:23:09,600

either it was or somebody made it appear

2151
01:23:13,669 --> 01:23:11,120
that it was

2152
01:23:15,510 --> 01:23:13,679
what do you have to say about that

2153
01:23:17,030 --> 01:23:15,520
why would somebody appear that you said

2154
01:23:19,669 --> 01:23:17,040
i tell you

2155
01:23:27,030 --> 01:23:25,030
it i can i can i can send an a a a email

2156
01:23:30,149 --> 01:23:27,040
even back then and that was back in that

2157
01:23:31,030 --> 01:23:30,159
was just it was just uh what 15 year old

2158
01:23:34,629 --> 01:23:31,040
10

2159
01:23:36,229 --> 01:23:34,639
was it 2005 something like 13 years ago

2160
01:23:39,270 --> 01:23:36,239
yeah something like

2161
01:23:41,030 --> 01:23:39,280
13 or 12 years ago

2162
01:23:43,110 --> 01:23:41,040
you can you could

2163
01:23:43,990 --> 01:23:43,120

dope uh you can uh

2164

01:23:46,470 --> 01:23:44,000

spook

2165

01:23:48,149 --> 01:23:46,480

an ip address back then

2166

01:23:51,830 --> 01:23:48,159

because what you're looking at is you're

2167

01:23:54,870 --> 01:23:51,840

looking at the actual uh just the email

2168

01:23:56,709 --> 01:23:54,880

printout of that to email from one one

2169

01:23:59,590 --> 01:23:56,719

place to another yeah the email header

2170

01:24:05,350 --> 01:24:01,110

somebody

2171

01:24:07,990 --> 01:24:05,360

said you gotta nail him on this because

2172

01:24:10,790 --> 01:24:08,000

this is 100 accurate information my

2173

01:24:12,310 --> 01:24:10,800

point was that i could spoof that i

2174

01:24:15,510 --> 01:24:12,320

could think that

2175

01:24:17,030 --> 01:24:15,520

that that he's sending emails anywhere i

2176

01:24:19,830 --> 01:24:17,040

could be richard dodie right now and

2177

01:24:22,070 --> 01:24:19,840

send an email to whoever i want

2178

01:24:24,470 --> 01:24:22,080

under his ip as long as i had an email

2179

01:24:26,950 --> 01:24:24,480

from i would need an email from you that

2180

01:24:28,870 --> 01:24:26,960

it was verified from you and by the way

2181

01:24:31,189 --> 01:24:28,880

i do have that just talking about our

2182

01:24:32,950 --> 01:24:31,199

show and scheduling the show so i could

2183

01:24:34,629 --> 01:24:32,960

do it somebody very knowledgeable and

2184

01:24:36,229 --> 01:24:34,639

computers could do it and i've also

2185

01:24:38,310 --> 01:24:36,239

heard that you are tremendously

2186

01:24:40,950 --> 01:24:38,320

technical and not giving credit for that

2187

01:24:43,590 --> 01:24:40,960

you're supposed to be a really tech whiz

2188

01:24:45,189 --> 01:24:43,600

guy especially no offense for being uh

2189

01:24:47,110 --> 01:24:45,199

you know shall we say a little more

2190

01:24:48,790 --> 01:24:47,120

veteran than some people that are good

2191

01:24:50,310 --> 01:24:48,800

with computers

2192

01:24:52,229 --> 01:24:50,320

so i don't know what to think about this

2193

01:24:53,910 --> 01:24:52,239

ip information that i wanted to ask you

2194

01:24:55,350 --> 01:24:53,920

about right

2195

01:24:57,990 --> 01:24:55,360

well you can believe what you want to

2196

01:24:59,189 --> 01:24:58,000

but i i actually try to file a lawsuit i

2197

01:25:04,550 --> 01:24:59,199

reported

2198

01:25:06,870 --> 01:25:04,560

that was doing that to me that was uh

2199

01:25:07,990 --> 01:25:06,880

and i've gotten an email from a person

2200

01:25:09,910 --> 01:25:08,000

saying

2201

01:25:11,910 --> 01:25:09,920

you're sending these out to people which

2202

01:25:13,750 --> 01:25:11,920

i didn't i wasn't sending anything out

2203

01:25:14,950 --> 01:25:13,760

and this was not it had nothing to do

2204

01:25:16,550 --> 01:25:14,960

with circle

2205

01:25:19,110 --> 01:25:16,560

it had something to do with ufos but not

2206

01:25:20,790 --> 01:25:19,120

circle and i and and i challenged him

2207

01:25:22,229 --> 01:25:20,800

about it and we got into a pissing

2208

01:25:24,390 --> 01:25:22,239

contest over

2209

01:25:26,790 --> 01:25:24,400

during email and finally

2210

01:25:28,790 --> 01:25:26,800

i just said you know what i worked at

2211

01:25:30,709 --> 01:25:28,800

the time i was working on a federal task

2212

01:25:32,550 --> 01:25:30,719

force and i said you know what yeah i'm

2213

01:25:34,709 --> 01:25:32,560

2301
01:29:01,110 --> 01:28:58,560
yeah my name's out there and they want

2302
01:29:03,910 --> 01:29:01,120
to want to blame me for things that i

2303
01:29:06,149 --> 01:29:03,920
had absolutely nothing to do with

2304
01:29:09,110 --> 01:29:06,159
and they did get me a couple

2305
01:29:10,709 --> 01:29:09,120
fbi investigations and

2306
01:29:12,550 --> 01:29:10,719
polygraphs but

2307
01:29:14,390 --> 01:29:12,560
i was cleared of everything i was never

2308
01:29:16,470 --> 01:29:14,400
prosecuted i've never been accused of a

2309
01:29:18,390 --> 01:29:16,480
crime i wish

2310
01:29:20,709 --> 01:29:18,400
i wish i was as smart as some of the

2311
01:29:22,470 --> 01:29:20,719
people out there think i am and i wish i

2312
01:29:24,629 --> 01:29:22,480
would have done the cheerful document

2313
01:29:27,669 --> 01:29:24,639

2326
01:29:54,550 --> 01:29:52,639
that another thing that contributed or

2327
01:29:57,350 --> 01:29:54,560
another thing that pointed to you being

2328
01:29:59,110 --> 01:29:57,360
the originator of the serpo case is that

2329
01:30:01,110 --> 01:29:59,120
when that was making the rounds in the

2330
01:30:01,910 --> 01:30:01,120
ufo community

2331
01:30:04,629 --> 01:30:01,920
and

2332
01:30:07,270 --> 01:30:04,639
people were doing lectures on the serpo

2333
01:30:09,430 --> 01:30:07,280
thing you were you were in the audience

2334
01:30:10,950 --> 01:30:09,440
and somehow people thought because you

2335
01:30:12,550 --> 01:30:10,960
were in the audience you were sitting

2336
01:30:14,950 --> 01:30:12,560
back and laughing

2337
01:30:17,510 --> 01:30:14,960
going i put this out and now people are

2338
01:30:18,550 --> 01:30:17,520

had he had a very highly classified

2364

01:31:23,830 --> 01:31:21,920

uh file that he had gotten from somebody

2365

01:31:25,910 --> 01:31:23,840

he wouldn't tell us where and we met in

2366

01:31:27,510 --> 01:31:25,920

his room that way he there was a but

2367

01:31:29,830 --> 01:31:27,520

there's several of us there was about 11

2368

01:31:32,149 --> 01:31:29,840

of us that met in the room and he showed

2369

01:31:34,470 --> 01:31:32,159

us this and he showed us a film

2370

01:31:36,310 --> 01:31:34,480

and that was i mean it's something

2371

01:31:37,430 --> 01:31:36,320

that's never been disclosed and probably

2372

01:31:39,350 --> 01:31:37,440

won't be

2373

01:31:40,950 --> 01:31:39,360

but and i've always wondered whatever

2374

01:31:42,709 --> 01:31:40,960

happened to the film whatever happened

2375

01:31:43,830 --> 01:31:42,719

all the information that wendell had but

2401
01:32:41,510 --> 01:32:38,239
and

2402
01:32:43,030 --> 01:32:41,520
one of the things that we did as

2403
01:32:45,030 --> 01:32:43,040
when we meet as a

2404
01:32:45,750 --> 01:32:45,040
retired intelligence officer association

2405
01:32:48,950 --> 01:32:45,760
is

2406
01:32:50,390 --> 01:32:48,960
in our little group within a subgroup

2407
01:32:55,750 --> 01:32:50,400
we

2408
01:32:57,030 --> 01:32:55,760
was what really happened

2409
01:32:59,990 --> 01:32:57,040
and what

2410
01:33:01,990 --> 01:33:00,000
what didn't i mean what what the the the

2411
01:33:03,830 --> 01:33:02,000
the false part of it was

2412
01:33:04,790 --> 01:33:03,840
and i'm not ready to discuss that yet

2413
01:33:06,310 --> 01:33:04,800

because

2414

01:33:07,669 --> 01:33:06,320

we're still

2415

01:33:08,709 --> 01:33:07,679

investigating it

2416

01:33:10,709 --> 01:33:08,719

but

2417

01:33:13,270 --> 01:33:10,719

one of the people that was involved in

2418

01:33:14,550 --> 01:33:13,280

this program is still alive

2419

01:33:16,470 --> 01:33:14,560

we found him

2420

01:33:18,950 --> 01:33:16,480

and i didn't find him but some some

2421

01:33:21,189 --> 01:33:18,960

people within a group found him

2422

01:33:24,070 --> 01:33:21,199

and interviewed him and this is just

2423

01:33:25,510 --> 01:33:24,080

recently it was well in january

2424

01:33:27,350 --> 01:33:25,520

so

2425

01:33:30,470 --> 01:33:27,360

there are i think

2426

01:33:32,790 --> 01:33:30,480

parts of this story that may be real

2427

01:33:33,750 --> 01:33:32,800

i mean and and probably a small part of

2428

01:33:36,790 --> 01:33:33,760

it

2429

01:33:41,110 --> 01:33:36,800

but not not the entire story i mean i

2430

01:33:43,750 --> 01:33:41,120

when when i when i first read this stuff

2431

01:33:46,950 --> 01:33:43,760

i told victor martinez joe yeager and

2432

01:33:49,350 --> 01:33:46,960

some of the other guys carl dale who was

2433

01:33:50,709 --> 01:33:49,360

intimate he carl dale still

2434

01:33:52,070 --> 01:33:50,719

well he doesn't anymore but he worked

2435

01:33:54,870 --> 01:33:52,080

for dia

2436

01:33:56,870 --> 01:33:54,880

and i i i flatly told him i said this

2437

01:33:59,350 --> 01:33:56,880

this is like a science fiction

2438

01:34:01,030 --> 01:33:59,360

uh book i mean this is this isn't real

2439

01:34:02,950 --> 01:34:01,040

that's me i know that's right

2440

01:34:04,870 --> 01:34:02,960

i thought it was a great story but i

2441

01:34:06,550 --> 01:34:04,880

didn't think that there was much to it

2442

01:34:08,790 --> 01:34:06,560

but you're saying that you've you've

2443

01:34:10,470 --> 01:34:08,800

been looking into it and there may be

2444

01:34:13,189 --> 01:34:10,480

something to this so i guess i gotta

2445

01:34:15,430 --> 01:34:13,199

keep it in my gray basket

2446

01:34:17,750 --> 01:34:15,440

oh there's and there's other people i

2447

01:34:20,070 --> 01:34:17,760

mean i know linda howell

2448

01:34:21,910 --> 01:34:20,080

presented something that had some

2449

01:34:24,709 --> 01:34:21,920

legitimacy to it

2450

01:34:26,790 --> 01:34:24,719

about this subject some years ago

2451
01:34:27,990 --> 01:34:26,800
and i think it was uh two or three years

2452
01:34:31,110 --> 01:34:28,000
afterwards

2453
01:34:34,629 --> 01:34:31,120
that we kind of

2454
01:34:35,430 --> 01:34:34,639
uh it kicked us off to doing something

2455
01:34:38,310 --> 01:34:35,440
uh

2456
01:34:41,109 --> 01:34:38,320
in line with what she had done to see if

2457
01:34:43,350 --> 01:34:41,119
we could trace it back to something

2458
01:34:45,510 --> 01:34:43,360
and we did in fact

2459
01:34:47,030 --> 01:34:45,520
we have documents

2460
01:34:48,550 --> 01:34:47,040
just telling a little bit we have

2461
01:34:50,790 --> 01:34:48,560
documents

2462
01:34:52,629 --> 01:34:50,800
and i and we didn't get up to foia we

2463
01:34:55,590 --> 01:34:52,639

got it through another source

2464

01:34:57,350 --> 01:34:55,600

that showed that there were people

2465

01:34:59,189 --> 01:34:57,360

confined at the united states this

2466

01:35:01,270 --> 01:34:59,199

married barracks of fort leavenworth

2467

01:35:03,430 --> 01:35:01,280

that weren't inmates but they were

2468

01:35:04,709 --> 01:35:03,440

intelligence officers and they were

2469

01:35:05,830 --> 01:35:04,719

confined

2470

01:35:09,109 --> 01:35:05,840

there

2471

01:35:10,070 --> 01:35:09,119

for a special assignment

2472

01:35:12,310 --> 01:35:10,080

so

2473

01:35:17,030 --> 01:35:12,320

who were they it didn't give a number of

2474

01:35:21,750 --> 01:35:19,270

unless you have to i would think

2475

01:35:23,350 --> 01:35:21,760

no exactly exactly yeah exactly i mean

2476

01:35:25,669 --> 01:35:23,360

i've never been there but yeah i can

2477

01:35:26,629 --> 01:35:25,679

imagine it's not a nice place to live

2478

01:35:30,709 --> 01:35:26,639

and

2479

01:35:31,750 --> 01:35:30,719

him but

2480

01:35:33,910 --> 01:35:31,760

so

2481

01:35:36,870 --> 01:35:33,920

we're still looking into it i i i think

2482

01:35:39,030 --> 01:35:36,880

that some of it a small portion might be

2483

01:35:41,590 --> 01:35:39,040

factual but the

2484

01:35:43,990 --> 01:35:41,600

the whole story i don't think is

2485

01:35:45,910 --> 01:35:44,000

and again you deny that it was you that

2486

01:35:46,550 --> 01:35:45,920

wrote it or that had anything to do with

2487

01:35:58,870 --> 01:35:46,560

it

2488

01:36:01,750 --> 01:35:58,880

i i think i know who probably did

2489

01:36:04,310 --> 01:36:01,760

and i think i know why

2490

01:36:07,510 --> 01:36:04,320

but it's very complex and i'm not about

2491

01:36:09,430 --> 01:36:07,520

to i'm not ready to disclose that

2492

01:36:11,270 --> 01:36:09,440

okay i guess

2493

01:36:12,709 --> 01:36:11,280

we have to move on and i would say that

2494

01:36:16,229 --> 01:36:12,719

the next thing that i really always

2495

01:36:18,070 --> 01:36:16,239

wanted to ask you about is the aviary

2496

01:36:19,430 --> 01:36:18,080

and your

2497

01:36:21,270 --> 01:36:19,440

part in that

2498

01:36:22,950 --> 01:36:21,280

you say that you came in was already

2499

01:36:25,189 --> 01:36:22,960

existing a lot of people say that you

2500

01:36:26,550 --> 01:36:25,199

had something to do with it that bill

2501

01:36:29,270 --> 01:36:26,560

moore was

2502

01:36:31,189 --> 01:36:29,280

really your asset as an intelligence

2503

01:36:32,470 --> 01:36:31,199

officer and it's a shame what happened

2504

01:36:34,390 --> 01:36:32,480

to bill moore

2505

01:36:35,189 --> 01:36:34,400

and and that whole story and a lot of

2506

01:36:36,870 --> 01:36:35,199

people

2507

01:36:38,950 --> 01:36:36,880

like grant cameron think that that was

2508

01:36:40,790 --> 01:36:38,960

an attempt at disclosure

2509

01:36:41,669 --> 01:36:40,800

giving him this information and all

2510

01:36:43,990 --> 01:36:41,679

these

2511

01:36:46,390 --> 01:36:44,000

sources and things like that

2512

01:36:48,070 --> 01:36:46,400

and you were kind of code named falcon

2513

01:36:50,470 --> 01:36:48,080

but you weren't the falcon isn't that

2514

01:36:52,470 --> 01:36:50,480

right because later somebody

2515

01:36:56,229 --> 01:36:52,480

gave the true identity or the so-called

2516

01:37:02,149 --> 01:36:58,629

the truth of the matter is

2517

01:37:04,790 --> 01:37:02,159

jamie shandira started the aviary

2518

01:37:08,229 --> 01:37:04,800

and along with

2519

01:37:10,550 --> 01:37:08,239

some others i had no idea

2520

01:37:13,030 --> 01:37:10,560

that avery existed until bill moore

2521

01:37:14,310 --> 01:37:13,040

brought it up to me and then jamie sat

2522

01:37:17,109 --> 01:37:14,320

down at a

2523

01:37:19,189 --> 01:37:17,119

cafe in i mean in a restaurant

2524

01:37:21,430 --> 01:37:19,199

in van nuys california

2525

01:37:23,030 --> 01:37:21,440

and gave me a list of all the aviaries

2526

01:37:25,510 --> 01:37:23,040

and i said what is this he said that's

2527

01:37:28,070 --> 01:37:25,520

what we're referring to everybody as

2528

01:37:29,109 --> 01:37:28,080

and i said who made this up and he years

2529

01:37:31,350 --> 01:37:29,119

he did

2530

01:37:33,109 --> 01:37:31,360

and i said well okay you know uh

2531

01:37:35,350 --> 01:37:33,119

you know okay if you guys want to prefer

2532

01:37:37,910 --> 01:37:35,360

that that's fine i didn't i never

2533

01:37:40,390 --> 01:37:37,920

participated i never sent anything out

2534

01:37:43,109 --> 01:37:40,400

calling each other bird names i never

2535

01:37:44,470 --> 01:37:43,119

did any of that that was all jamie

2536

01:37:47,109 --> 01:37:44,480

and bill moore

2537

01:37:48,950 --> 01:37:47,119

and joe jaeger those those are the the

2538

01:37:51,189 --> 01:37:48,960

main players in in

2539

01:37:52,470 --> 01:37:51,199

aviary and i had absolutely nothing to

2540

01:37:53,990 --> 01:37:52,480

do with it

2541

01:37:56,229 --> 01:37:54,000

well again you've been credited with

2542

01:37:57,590 --> 01:37:56,239

either creating it or starting it or

2543

01:37:59,030 --> 01:37:57,600

doing something

2544

01:38:07,990 --> 01:37:59,040

you know

2545

01:38:11,510 --> 01:38:09,590

well that's great that's why we're here

2546

01:38:13,109 --> 01:38:11,520

is to get to your side of the story

2547

01:38:15,109 --> 01:38:13,119

because i don't think

2548

01:38:16,870 --> 01:38:15,119

that anybody's heard your sided story on

2549

01:38:19,109 --> 01:38:16,880

so many of these things and again your

2550

01:38:21,030 --> 01:38:19,119

name comes up and all of these things

2551

01:38:23,590 --> 01:38:21,040

like the aviary and i grew up kind of

2552

01:38:26,149 --> 01:38:23,600

going ooh you know richard doty is the

2553

01:38:28,390 --> 01:38:26,159

falcon and it turns out it was somebody

2554

01:38:29,910 --> 01:38:28,400

else that was the falcon and you were

2555

01:38:35,109 --> 01:38:29,920

just had a peripheral sort of

2556

01:38:37,590 --> 01:38:36,070

yeah the

2557

01:38:39,669 --> 01:38:37,600

the felt because the real falcon has

2558

01:38:41,669 --> 01:38:39,679

already been identified and

2559

01:38:44,950 --> 01:38:41,679

a lot of people have verified it i mean

2560

01:38:46,629 --> 01:38:44,960

really legitimate ufo uh people have

2561

01:38:50,149 --> 01:38:46,639

verified it and

2562

01:38:52,550 --> 01:38:50,159

so and and so i you know i wasn't

2563

01:38:54,310 --> 01:38:52,560

uh i was credited with information

2564

01:38:57,350 --> 01:38:54,320

coming from the falcon

2565

01:38:58,950 --> 01:38:57,360

and i just let it rather than trying to

2566

01:39:01,109 --> 01:38:58,960

discredit the people who were saying

2567

01:39:02,870 --> 01:39:01,119

that i just let it let it go let them

2568

01:39:04,550 --> 01:39:02,880

think that i was about falcon but i

2569

01:39:06,790 --> 01:39:04,560

wasn't

2570

01:39:09,350 --> 01:39:06,800

wow and so just like

2571

01:39:11,590 --> 01:39:09,360

i mean if you go back to the ufo

2572

01:39:13,109 --> 01:39:11,600

the live program that they're i was just

2573

01:39:14,790 --> 01:39:13,119

going to ask you about that because

2574

01:39:16,310 --> 01:39:14,800

people have said that you were in the

2575

01:39:18,470 --> 01:39:16,320

audience is it true that you were in the

2576

01:39:21,030 --> 01:39:18,480

audience when they taped that absolutely

2577

01:39:23,109 --> 01:39:21,040

not that's been proven i mean i proved

2578

01:39:25,350 --> 01:39:23,119

this in a court of law

2579

01:39:27,510 --> 01:39:25,360

that i was at the state police academy

2580

01:39:28,950 --> 01:39:27,520

in santa fe during that time frame from

2581

01:39:33,590 --> 01:39:28,960

august

2582

01:39:35,669 --> 01:39:33,600

to the middle of december of 1988 that

2583

01:39:36,870 --> 01:39:35,679

was a i was a cadet in the police

2584

01:39:39,510 --> 01:39:36,880

academy

2585

01:39:43,109 --> 01:39:39,520

and i i mean my

2586

01:39:46,149 --> 01:39:43,119

instructors my fellow cadets verified

2587

01:39:49,189 --> 01:39:46,159

that and documents and so forth and so

2588

01:39:51,910 --> 01:39:49,199

on so i could not have ever been

2589

01:39:53,430 --> 01:39:51,920

in washington or i mean in

2590

01:39:55,030 --> 01:39:53,440

los angeles

2591

01:39:57,830 --> 01:39:55,040

uh

2592

01:39:58,790 --> 01:39:57,840

when this aired so that's been proven

2593

01:39:59,750 --> 01:39:58,800

wrong

2594

01:40:01,109 --> 01:39:59,760

okay

2595

01:40:03,030 --> 01:40:01,119

like i said that's what we're here to do

2596

01:40:04,629 --> 01:40:03,040

is to get to the truth one of the other

2597

01:40:06,550 --> 01:40:04,639

things that i think is very important to

2598

01:40:08,950 --> 01:40:06,560

ask you about we mentioned that recent

2599

01:40:11,270 --> 01:40:08,960

call-in you had to jimmy church's show

2600

01:40:13,189 --> 01:40:11,280

and how people were analyzing every word

2601
01:40:14,870 --> 01:40:13,199
you said and all of this stuff and one

2602
01:40:16,149 --> 01:40:14,880
of the things you touched on is that the

2603
01:40:17,910 --> 01:40:16,159
air force

2604
01:40:20,390 --> 01:40:17,920
office of special intelligence for which

2605
01:40:23,270 --> 01:40:20,400
you worked was sending you and other

2606
01:40:25,910 --> 01:40:23,280
agents out to ufo conferences

2607
01:40:27,750 --> 01:40:25,920
to learn about what the people in the

2608
01:40:30,629 --> 01:40:27,760
ufo field knew

2609
01:40:33,590 --> 01:40:30,639
can you talk a little bit about that

2610
01:40:35,030 --> 01:40:33,600
yeah absolutely that was that was uh

2611
01:40:36,709 --> 01:40:35,040
that's common

2612
01:40:38,629 --> 01:40:36,719
and they're still doing it today i mean

2613
01:40:41,109 --> 01:40:38,639

i go to ufo conventions i can pick the

2614

01:40:44,310 --> 01:40:41,119

intelligence officers out i i know and

2615

01:40:47,030 --> 01:40:44,320

look down guy he's in values intel

2616

01:40:49,109 --> 01:40:47,040

it's just common it's common practice to

2617

01:40:51,750 --> 01:40:49,119

go out and find out what

2618

01:40:54,149 --> 01:40:51,760

what information the ufo community has

2619

01:40:55,910 --> 01:40:54,159

what new information is being surfaced

2620

01:40:58,629 --> 01:40:55,920

are they are they

2621

01:41:01,270 --> 01:40:58,639

are the ufo community uh tapped into

2622

01:41:03,189 --> 01:41:01,280

some of our classified programs have

2623

01:41:05,510 --> 01:41:03,199

they taken pictures of a classified

2624

01:41:07,350 --> 01:41:05,520

drone are they doing this and that's

2625

01:41:09,030 --> 01:41:07,360

just that's what they're doing and

2626

01:41:10,790 --> 01:41:09,040

and that's i mean

2627

01:41:12,550 --> 01:41:10,800

i think the people should be thankful

2628

01:41:15,030 --> 01:41:12,560

that our government works that way and

2629

01:41:17,109 --> 01:41:15,040

they keep track of what's going on

2630

01:41:19,030 --> 01:41:17,119

and gathering the intelligence well one

2631

01:41:20,070 --> 01:41:19,040

point that uh somebody brought up is

2632

01:41:22,149 --> 01:41:20,080

that

2633

01:41:23,990 --> 01:41:22,159

you know i'm not sure so i'm just going

2634

01:41:26,550 --> 01:41:24,000

to ask you straight out

2635

01:41:28,790 --> 01:41:26,560

this is this is united states citizens

2636

01:41:31,910 --> 01:41:28,800

on united states soil at these ufo

2637

01:41:34,550 --> 01:41:31,920

conventions isn't it almost illegal to

2638

01:41:36,390 --> 01:41:34,560

be surveilling and reporting on

2639

01:41:37,990 --> 01:41:36,400

u.s citizens

2640

01:41:39,750 --> 01:41:38,000

private citizens

2641

01:41:43,350 --> 01:41:39,760

and how do you feel about that or your

2642

01:41:48,070 --> 01:41:45,510

there's nothing illegal

2643

01:41:51,510 --> 01:41:48,080

there's absolutely nothing illegal

2644

01:41:53,430 --> 01:41:51,520

about collecting information from open

2645

01:41:55,590 --> 01:41:53,440

and open public forum

2646

01:41:57,750 --> 01:41:55,600

the the these intelligence officers

2647

01:41:59,910 --> 01:41:57,760

didn't break into anybody's house they

2648

01:42:01,189 --> 01:41:59,920

didn't break in anybody's room they

2649

01:42:03,109 --> 01:42:01,199

didn't uh

2650

01:42:05,510 --> 01:42:03,119

break into the conference they they

2651
01:42:07,189 --> 01:42:05,520
bought tickets to go into the conference

2652
01:42:09,590 --> 01:42:07,199
uh

2653
01:42:11,910 --> 01:42:09,600
all these things have been

2654
01:42:13,990 --> 01:42:11,920
analyzed and cleared by

2655
01:42:17,270 --> 01:42:14,000
by supervisors at least when i was in

2656
01:42:19,669 --> 01:42:17,280
i'm not talking about now when i was in

2657
01:42:21,270 --> 01:42:19,679
uh we were we were tasked with going to

2658
01:42:23,109 --> 01:42:21,280
different places and

2659
01:42:25,350 --> 01:42:23,119
and collecting information and open

2660
01:42:27,270 --> 01:42:25,360
sources i mean if you're driving down

2661
01:42:29,590 --> 01:42:27,280
the road and you see somebody doing

2662
01:42:31,430 --> 01:42:29,600
something over the side of the road

2663
01:42:33,189 --> 01:42:31,440

and you report it

2664

01:42:35,350 --> 01:42:33,199

how can that be illegal

2665

01:42:36,310 --> 01:42:35,360

it's not illegal nothing nothing that we

2666

01:42:40,470 --> 01:42:36,320

did

2667

01:42:43,430 --> 01:42:40,480

illegal everything was sanctioned

2668

01:42:46,709 --> 01:42:43,440

we were federal agents uh we would if if

2669

01:42:48,390 --> 01:42:46,719

we had to uh get a search warrant or a

2670

01:42:50,629 --> 01:42:48,400

subpoena or something like that we'd do

2671

01:42:52,070 --> 01:42:50,639

that i mean and we did a lot of that

2672

01:42:54,709 --> 01:42:52,080

information and we did a lot of those

2673

01:42:56,790 --> 01:42:54,719

things too i mean to get into some place

2674

01:42:58,629 --> 01:42:56,800

to collect information or serve a

2675

01:42:59,669 --> 01:42:58,639

subpoena or a search warrant or

2676

01:43:02,709 --> 01:42:59,679

something

2677

01:43:05,750 --> 01:43:02,719

we did but just to go out to an open

2678

01:43:07,830 --> 01:43:05,760

public event and listen to people talk

2679

01:43:09,990 --> 01:43:07,840

and reporting it is not is that elected

2680

01:43:12,470 --> 01:43:10,000

against the law well i have heard in the

2681

01:43:14,390 --> 01:43:12,480

paul benowitz case that that guy's house

2682

01:43:16,550 --> 01:43:14,400

was wiretapped and that he had people

2683

01:43:19,189 --> 01:43:16,560

surveilling him what about that is was

2684

01:43:22,229 --> 01:43:20,790

well

2685

01:43:23,750 --> 01:43:22,239

that wasn't us

2686

01:43:26,229 --> 01:43:23,760

that was the national security

2687

01:43:28,870 --> 01:43:26,239

administration nsa

2688

01:43:30,070 --> 01:43:28,880

agency the nsa

2689

01:43:31,990 --> 01:43:30,080

uh

2690

01:43:34,550 --> 01:43:32,000

they were

2691

01:43:36,790 --> 01:43:34,560

uh collecting information on

2692

01:43:39,270 --> 01:43:36,800

paul benowitz unbeknownst to

2693

01:43:41,669 --> 01:43:39,280

to me and because i was the case agent

2694

01:43:43,750 --> 01:43:41,679

on and on that case

2695

01:43:47,189 --> 01:43:43,760

uh and and they were collecting

2696

01:43:49,510 --> 01:43:47,199

information now as far as breaking in

2697

01:43:52,470 --> 01:43:49,520

and wiretapping

2698

01:43:54,310 --> 01:43:52,480

i know nothing about i never did that

2699

01:43:59,030 --> 01:43:54,320

the only thing we did

2700

01:44:02,629 --> 01:43:59,040

was we uh we got permission from uh paul

2701

01:44:05,270 --> 01:44:02,639

to place a device on his computer

2702

01:44:07,990 --> 01:44:05,280

and and he gave us written permission to

2703

01:44:11,109 --> 01:44:08,000

do it i mean it wasn't we didn't do it

2704

01:44:13,430 --> 01:44:11,119

uh illegally and and we and we aim we

2705

01:44:14,550 --> 01:44:13,440

explained to him what why we were doing

2706

01:44:17,669 --> 01:44:14,560

it because

2707

01:44:20,390 --> 01:44:17,679

how he was collecting these images was

2708

01:44:23,189 --> 01:44:20,400

was very crude and we were we could do

2709

01:44:25,350 --> 01:44:23,199

it in a better manner and and and

2710

01:44:26,310 --> 01:44:25,360

everything that we were doing we shared

2711

01:44:27,189 --> 01:44:26,320

with him

2712

01:44:29,830 --> 01:44:27,199

so

2713

01:44:32,070 --> 01:44:29,840

well i would say most of what we did as

2714

01:44:34,709 --> 01:44:32,080

far as that we shared with him but we

2715

01:44:37,669 --> 01:44:34,719

got his permission to do it so

2716

01:44:39,830 --> 01:44:37,679

the wiretap that was found on his phone

2717

01:44:40,550 --> 01:44:39,840

and he found it because he he discovered

2718

01:44:45,510 --> 01:44:40,560

it

2719

01:44:47,270 --> 01:44:45,520

so

2720

01:44:49,350 --> 01:44:47,280

we didn't do it

2721

01:44:51,430 --> 01:44:49,360

but did you have knowledge that nsa was

2722

01:44:53,109 --> 01:44:51,440

surveilling him while you were involved

2723

01:44:56,070 --> 01:44:53,119

in him no you didn't have nothing yeah

2724

01:44:58,790 --> 01:44:56,080

absolutely not fact we caught

2725

01:44:59,830 --> 01:44:58,800

we were at paul's house in a rainy

2726

01:45:03,590 --> 01:44:59,840

uh

2727

01:45:05,830 --> 01:45:03,600

fall late fall night and and across the

2728

01:45:08,229 --> 01:45:05,840

street from paul's house

2729

01:45:09,830 --> 01:45:08,239

i saw myself in jerry miller the other

2730

01:45:12,149 --> 01:45:09,840

age the other person that was there with

2731

01:45:14,149 --> 01:45:12,159

us with me we looked across and we saw

2732

01:45:15,510 --> 01:45:14,159

some flashlights in the apartment across

2733

01:45:17,590 --> 01:45:15,520

the house across

2734

01:45:19,430 --> 01:45:17,600

the road from paul and i asked paul i

2735

01:45:21,669 --> 01:45:19,440

said is anybody living in the house

2736

01:45:23,109 --> 01:45:21,679

because i had i had previous knowledge

2737

01:45:24,950 --> 01:45:23,119

that nobody lived there

2738

01:45:26,790 --> 01:45:24,960

and he paul said no no there's nobody

2739

01:45:28,390 --> 01:45:26,800

living i said there was somebody's in

2740

01:45:29,270 --> 01:45:28,400

the house look at the flashlights over

2741

01:45:31,189 --> 01:45:29,280

there

2742

01:45:33,910 --> 01:45:31,199

so myself

2743

01:45:34,870 --> 01:45:33,920

and and i called a friend uh i called

2744

01:45:36,070 --> 01:45:34,880

the uh

2745

01:45:37,669 --> 01:45:36,080

officer from albuquerque police

2746

01:45:39,669 --> 01:45:37,679

department a detective to come over

2747

01:45:40,709 --> 01:45:39,679

there and and there was a uniform

2748

01:45:42,870 --> 01:45:40,719

officer

2749

01:45:45,109 --> 01:45:42,880

that came over and i went across the

2750

01:45:47,350 --> 01:45:45,119

street and we confronted these two guys

2751

01:45:49,270 --> 01:45:47,360

coming out of this house

2752

01:45:51,270 --> 01:45:49,280

well they they

2753

01:45:52,229 --> 01:45:51,280

they rented the house

2754

01:45:56,070 --> 01:45:52,239

and

2755

01:45:59,189 --> 01:45:56,080

the rental vehicle

2756

01:46:01,830 --> 01:45:59,199

and we later figured out who rented them

2757

01:46:04,229 --> 01:46:01,840

nsa rented them employees out of denver

2758

01:46:05,510 --> 01:46:04,239

and when we confronted the guys they

2759

01:46:07,590 --> 01:46:05,520

they pull out their conditionals and

2760

01:46:09,030 --> 01:46:07,600

said we're nsa and i said what are you

2761

01:46:11,830 --> 01:46:09,040

doing here you said well we got a

2762

01:46:12,790 --> 01:46:11,840

surveillance population going on i said

2763

01:46:13,910 --> 01:46:12,800

where

2764

01:46:15,910 --> 01:46:13,920

he said well i can't tell you that

2765

01:46:18,390 --> 01:46:15,920

because you don't have a need to know

2766

01:46:20,870 --> 01:46:18,400

i mean so we figured out you know that

2767

01:46:22,470 --> 01:46:20,880

that it was paused well the next day i

2768

01:46:25,350 --> 01:46:22,480

went out to the base

2769

01:46:28,310 --> 01:46:25,360

and i went to the nsa security officer

2770

01:46:30,870 --> 01:46:28,320

for for the base and as they as security

2771

01:46:31,990 --> 01:46:30,880

personnel and i confronted him i said

2772

01:46:33,910 --> 01:46:32,000

what are you guys doing with paul

2773

01:46:35,590 --> 01:46:33,920

benowitz that's our case

2774

01:46:37,669 --> 01:46:35,600

he said well i can't i can't really

2775

01:46:39,109 --> 01:46:37,679

brief you in on it because i said no you

2776

01:46:41,030 --> 01:46:39,119

will brief me in on it because of our

2777

01:46:43,350 --> 01:46:41,040

case wow

2778

01:46:45,189 --> 01:46:43,360

and so so anyways

2779

01:46:48,470 --> 01:46:45,199

we got into somewhat of a fishing

2780

01:46:50,070 --> 01:46:48,480

contest and and and they they eventually

2781

01:46:50,950 --> 01:46:50,080

disclosed that they had a surveillance

2782

01:46:52,390 --> 01:46:50,960

on him

2783

01:46:54,310 --> 01:46:52,400

and so

2784

01:46:56,149 --> 01:46:54,320

they admitted to us but we had we had no

2785

01:46:58,550 --> 01:46:56,159

knowledge of it and we didn't want any

2786

01:47:01,109 --> 01:46:58,560

part of them because they were doing it

2787

01:47:02,070 --> 01:47:01,119

covertly or condescendingly we weren't

2788

01:47:03,669 --> 01:47:02,080

we were

2789

01:47:05,590 --> 01:47:03,679

everything was open

2790

01:47:07,590 --> 01:47:05,600

with paul they taught they never

2791

01:47:09,350 --> 01:47:07,600

interviewed paul and they really didn't

2792

01:47:11,669 --> 01:47:09,360

have a mandate

2793

01:47:13,750 --> 01:47:11,679

a jurisdictional mandate to do that we

2794

01:47:16,229 --> 01:47:13,760

did we were federal agents they weren't

2795

01:47:18,790 --> 01:47:16,239

they weren't law enforcement they they

2796

01:47:19,669 --> 01:47:18,800

shouldn't have been able to do that

2797

01:47:21,669 --> 01:47:19,679

but

2798

01:47:24,629 --> 01:47:21,679

somehow they did get a warrant they they

2799

01:47:26,149 --> 01:47:24,639

had a valid uh federal warrant

2800

01:47:28,390 --> 01:47:26,159

i don't know who got it for him whether

2801

01:47:30,790 --> 01:47:28,400

the fbi got it although the fbi agent

2802

01:47:32,790 --> 01:47:30,800

that worked with me on this case had no

2803

01:47:34,709 --> 01:47:32,800

knew nothing about it either

2804

01:47:36,390 --> 01:47:34,719

so

2805

01:47:38,070 --> 01:47:36,400

that's how nsa became

2806

01:47:40,070 --> 01:47:38,080

well i guess that explains that part of

2807

01:47:41,830 --> 01:47:40,080

the story you know and i also wanted to

2808

01:47:44,390 --> 01:47:41,840

ask you again in relation to a recent

2809

01:47:46,229 --> 01:47:44,400

call you made in you mentioned that air

2810

01:47:47,990 --> 01:47:46,239

force office of special intelligence

2811

01:47:50,070 --> 01:47:48,000

intelligence officers all these other

2812

01:47:51,109 --> 01:47:50,080

people are at ufo conferences and that

2813

01:47:52,950 --> 01:47:51,119

some of them

2814

01:47:54,390 --> 01:47:52,960

have people in the ufo community that

2815

01:47:57,109 --> 01:47:54,400

are assets

2816

01:48:00,550 --> 01:47:57,119

and you had bill moore as an asset and

2817

01:48:02,310 --> 01:48:00,560

maybe a few others and i suppose that

2818

01:48:05,669 --> 01:48:02,320

the people that were doing the same

2819

01:48:08,709 --> 01:48:05,679

thing you were had assets within the ufo

2820

01:48:10,629 --> 01:48:08,719

community and of course that can kind of

2821

01:48:13,189 --> 01:48:10,639

people kind of said well he said that

2822

01:48:15,270 --> 01:48:13,199

it's so paranoid in the ufo community

2823

01:48:17,350 --> 01:48:15,280

about who's you know working for the

2824

01:48:18,870 --> 01:48:17,360

government people are very interested in

2825

01:48:21,350 --> 01:48:18,880

this and you mentioned that there was a

2826
01:48:24,310 --> 01:48:21,360
few people including some people who

2827
01:48:25,990 --> 01:48:24,320
have very well known names that were

2828
01:48:27,109 --> 01:48:26,000
sort of working with or for the

2829
01:48:29,270 --> 01:48:27,119
government

2830
01:48:33,189 --> 01:48:29,280
can you elaborate on that at all because

2831
01:48:36,870 --> 01:48:33,199
people would really like you too

2832
01:48:40,070 --> 01:48:36,880
well there were there were um

2833
01:48:43,189 --> 01:48:40,080
there yeah we did have sources within

2834
01:48:45,510 --> 01:48:43,199
the ufo community uh i did bill moore

2835
01:48:47,750 --> 01:48:45,520
but bill moore actually started out as

2836
01:48:49,430 --> 01:48:47,760
being a a

2837
01:48:51,669 --> 01:48:49,440
asset for

2838
01:48:53,990 --> 01:48:51,679

an espionage operation not damaging it

2839

01:48:55,430 --> 01:48:54,000

with ufos initially and then it then

2840

01:48:58,629 --> 01:48:55,440

blossomed into

2841

01:49:00,390 --> 01:48:58,639

him being a member of a pro and

2842

01:49:03,350 --> 01:49:00,400

and so anyway

2843

01:49:04,870 --> 01:49:03,360

uh so that's how he was my asset

2844

01:49:08,149 --> 01:49:04,880

and there were there were a couple

2845

01:49:10,070 --> 01:49:08,159

others that i used uh that that were my

2846

01:49:11,109 --> 01:49:10,080

assets that were

2847

01:49:12,190 --> 01:49:11,119

involved in

2848

01:49:13,350 --> 01:49:12,200

ufo uh

2849

01:49:16,709 --> 01:49:13,360

[Music]

2850

01:49:19,350 --> 01:49:16,719

investigation either april and mufan

2851

01:49:22,229 --> 01:49:19,360

but uh and then i'm sure around the

2852

01:49:25,350 --> 01:49:22,239

country there were others used

2853

01:49:27,430 --> 01:49:25,360

they used the ufo uh

2854

01:49:29,430 --> 01:49:27,440

sources of information and that was

2855

01:49:31,270 --> 01:49:29,440

acceptable we weren't doing anything we

2856

01:49:33,990 --> 01:49:31,280

weren't wiretapping we were just

2857

01:49:35,830 --> 01:49:34,000

collecting information from them

2858

01:49:37,270 --> 01:49:35,840

do you think that still happens today

2859

01:49:40,149 --> 01:49:37,280

are there still people in the ufo

2860

01:49:41,589 --> 01:49:40,159

community today that were sort of

2861

01:49:43,589 --> 01:49:41,599

feeding information to government

2862

01:49:46,709 --> 01:49:43,599

sources

2863

01:49:48,950 --> 01:49:46,719

i'm not involved anymore i let me clear

2864

01:49:50,229 --> 01:49:48,960

something up you keep saying air force

2865

01:49:52,470 --> 01:49:50,239

office of and

2866

01:49:55,189 --> 01:49:52,480

intelligence air force officers i

2867

01:49:57,030 --> 01:49:55,199

apologize this this uh you know i always

2868

01:49:59,589 --> 01:49:57,040

have a problem with what i call alphabet

2869

01:50:01,990 --> 01:49:59,599

soup you know there's so many din

2870

01:50:03,910 --> 01:50:02,000

nsa you're you're entirely correct you

2871

01:50:05,350 --> 01:50:03,920

work for the air force office of special

2872

01:50:06,709 --> 01:50:05,360

intelligence and i apologize for

2873

01:50:08,950 --> 01:50:06,719

misspeaking that

2874

01:50:11,510 --> 01:50:08,960

a special investigation not intelligence

2875

01:50:15,189 --> 01:50:11,520

i'm sorry air force office of special

2876

01:50:18,950 --> 01:50:17,189

i have the i have the acronym in front

2877

01:50:19,550 --> 01:50:18,960

of me it's one of the alphabet soups you

2878

01:50:21,189 --> 01:50:19,560

know

2879

01:50:26,709 --> 01:50:21,199

a-o-f-s-i

2880

01:50:29,430 --> 01:50:28,070

i always call it alphabet i don't work

2881

01:50:32,790 --> 01:50:29,440

for the government

2882

01:50:35,350 --> 01:50:32,800

anymore and still i don't know what the

2883

01:50:37,830 --> 01:50:35,360

what the government's doing as far as

2884

01:50:38,790 --> 01:50:37,840

uh using uh people within the ufo

2885

01:50:40,550 --> 01:50:38,800

community

2886

01:50:42,790 --> 01:50:40,560

yes probably you didn't imagine there

2887

01:50:44,629 --> 01:50:42,800

was a bank there was a big name person

2888

01:50:46,070 --> 01:50:44,639

in the ufo community that's never been

2889

01:50:48,070 --> 01:50:46,080

revealed to have been a government

2890

01:50:50,390 --> 01:50:48,080

source and people are very curious as to

2891

01:50:51,669 --> 01:50:50,400

who that is and you know who it is and i

2892

01:50:53,910 --> 01:50:51,679

don't blame you if you don't want to

2893

01:50:57,189 --> 01:50:53,920

reveal that person but people want me to

2894

01:50:59,669 --> 01:50:57,199

ask you who that person is

2895

01:51:02,950 --> 01:50:59,679

well there's two there's two

2896

01:51:03,830 --> 01:51:02,960

big big big people within ufo community

2897

01:51:06,390 --> 01:51:03,840

that

2898

01:51:08,870 --> 01:51:06,400

i wouldn't trust with any information

2899

01:51:11,990 --> 01:51:08,880

because everything that

2900

01:51:15,189 --> 01:51:12,000

they get goes through the government and

2901
01:51:16,790 --> 01:51:15,199
i know today that they still are

2902
01:51:19,589 --> 01:51:16,800
and i i'm not going to disclose their

2903
01:51:21,669 --> 01:51:19,599
names on and and you know but but i

2904
01:51:24,390 --> 01:51:21,679
think there's some people within the ufo

2905
01:51:26,229 --> 01:51:24,400
community that that know that know who

2906
01:51:28,149 --> 01:51:26,239
they are

2907
01:51:29,510 --> 01:51:28,159
wow that's that's pretty uh that's

2908
01:51:32,790 --> 01:51:29,520
pretty

2909
01:51:34,070 --> 01:51:32,800
somebody's out there in the field and

2910
01:51:35,109 --> 01:51:34,080
they're really working for the

2911
01:51:36,470 --> 01:51:35,119
government

2912
01:51:37,750 --> 01:51:36,480
and their stuff is going through so i

2913
01:51:40,149 --> 01:51:37,760

wouldn't say they're working for the

2914

01:51:42,709 --> 01:51:40,159

government but i'm saying that that

2915

01:51:45,030 --> 01:51:42,719

they're cooperating it and i don't know

2916

01:51:46,950 --> 01:51:45,040

that they're actually working for one

2917

01:51:49,189 --> 01:51:46,960

or being paid or anything like that i

2918

01:51:50,870 --> 01:51:49,199

don't know that is this a situation is

2919

01:51:53,109 --> 01:51:50,880

this a situation like bill moore they're

2920

01:51:54,629 --> 01:51:53,119

doing that to get information from the

2921

01:51:56,790 --> 01:51:54,639

government or in the hopes of getting

2922

01:51:58,950 --> 01:51:56,800

information through the government so

2923

01:52:00,790 --> 01:51:58,960

they're cooperating yes

2924

01:52:03,510 --> 01:52:00,800

yes

2925

01:52:05,910 --> 01:52:03,520

i'm sure that these get people are

2926

01:52:07,109 --> 01:52:05,920

getting some bits and pieces

2927

01:52:10,310 --> 01:52:07,119

i think the government's probably

2928

01:52:13,189 --> 01:52:10,320

throwing them bits and pieces i i i

2929

01:52:15,030 --> 01:52:13,199

i'm sure of that but i'm not positive

2930

01:52:18,950 --> 01:52:15,040

but i i guess that's probably what's

2931

01:52:20,870 --> 01:52:18,960

happening but uh i i sat at a conference

2932

01:52:23,030 --> 01:52:20,880

ufo conference a couple years ago with

2933

01:52:23,990 --> 01:52:23,040

with this particular person

2934

01:52:26,790 --> 01:52:24,000

and he

2935

01:52:28,709 --> 01:52:26,800

he wasn't he didn't hide it with me i

2936

01:52:31,830 --> 01:52:28,719

mean he didn't hide the fact

2937

01:52:33,750 --> 01:52:31,840

that he had this person this person and

2938

01:52:35,189 --> 01:52:33,760

this person has real good friends within

2939

01:52:37,350 --> 01:52:35,199

dia

2940

01:52:39,750 --> 01:52:37,360

well you just put two two together

2941

01:52:41,350 --> 01:52:39,760

figure that out

2942

01:52:43,189 --> 01:52:41,360

wow that's pretty amazing and you know i

2943

01:52:44,629 --> 01:52:43,199

have to say it's been a pretty amazing

2944

01:52:46,310 --> 01:52:44,639

interview i want to thank you very much

2945

01:52:47,910 --> 01:52:46,320

for taking part in it and maybe this

2946

01:52:52,149 --> 01:52:47,920

will set the record straight for some of

2947

01:52:53,090 --> 01:52:52,159

your incredible history in this field

2948

01:52:54,550 --> 01:52:53,100

i hope so

2949

01:52:56,470 --> 01:52:54,560

[Music]

2950

01:53:00,709 --> 01:52:56,480

and with that

2951
01:53:03,669 --> 01:53:00,719
mr richard doty bit us farewell

2952
01:53:06,070 --> 01:53:03,679
and i have to say that i agree with him

2953
01:53:07,750 --> 01:53:06,080
i hope so too

2954
01:53:09,910 --> 01:53:07,760
i hope tonight's

2955
01:53:11,669 --> 01:53:09,920
exclusive interview with the midnight

2956
01:53:12,870 --> 01:53:11,679
hour show

2957
01:53:15,270 --> 01:53:12,880
will help

2958
01:53:17,270 --> 01:53:15,280
to set the record straight

2959
01:53:18,709 --> 01:53:17,280
for some of this man's incredible

2960
01:53:21,910 --> 01:53:18,719
history

2961
01:53:23,189 --> 01:53:21,920
in this incredible phenomenon

2962
01:53:28,390 --> 01:53:23,199
that we will

2963
01:53:33,350 --> 01:53:30,709

and my friends i have to take a moment

2964

01:53:35,189 --> 01:53:33,360

to make a very important announcement on

2965

01:53:38,470 --> 01:53:35,199

a previous episode

2966

01:53:41,270 --> 01:53:38,480

i mentioned that i would do this thing

2967

01:53:42,629 --> 01:53:41,280

on my own if that's what it took i would

2968

01:53:44,310 --> 01:53:42,639

go it alone

2969

01:53:46,550 --> 01:53:44,320

but i'm happy to say

2970

01:53:49,350 --> 01:53:46,560

that here at the midnight hour show

2971

01:53:52,870 --> 01:53:49,360

we are forging new friendships

2972

01:53:55,910 --> 01:53:52,880

new partnerships and we have gotten new

2973

01:53:59,270 --> 01:53:55,920

allies and the most important

2974

01:54:00,550 --> 01:53:59,280

of those new allies is my new consulting

2975

01:54:02,310 --> 01:54:00,560

producer

2976

01:54:08,229 --> 01:54:02,320

richard charles

2977

01:54:10,870 --> 01:54:08,239

for a lot of the questions that we asked

2978

01:54:14,310 --> 01:54:10,880

mr dodie tonight he's had a lifelong

2979

01:54:16,229 --> 01:54:14,320

interest in mr richard dodie and helped

2980

01:54:18,790 --> 01:54:16,239

me prepare for this interview and i have

2981

01:54:21,109 --> 01:54:18,800

to say it would not have gone this well

2982

01:54:24,149 --> 01:54:21,119

if not for his help and i'm so

2983

01:54:26,390 --> 01:54:24,159

incredibly thankful for having him now

2984

01:54:28,470 --> 01:54:26,400

on our team

2985

01:54:32,310 --> 01:54:28,480

my new consulting producer richard

2986

01:54:34,149 --> 01:54:32,320

charles was born in 1977 in oklahoma at

2987

01:54:37,750 --> 01:54:34,159

an early age developed an interest in

2988

01:54:39,589 --> 01:54:37,760

computers technology and the paranormal

2989

01:54:42,950 --> 01:54:39,599

having first discovered the subject of

2990

01:54:44,870 --> 01:54:42,960

ufos in his elementary school library in

2991

01:54:46,950 --> 01:54:44,880

the early 90s

2992

01:54:48,390 --> 01:54:46,960

he ran a computer bulletin board system

2993

01:54:50,229 --> 01:54:48,400

just like me

2994

01:54:52,950 --> 01:54:50,239

before the internet came along and made

2995

01:54:55,189 --> 01:54:52,960

eds's obsolete today

2996

01:54:59,109 --> 01:54:55,199

richard is still a computer hobbyist and

2997

01:55:01,990 --> 01:54:59,119

enjoys 20th century history with a focus

2998

01:55:04,709 --> 01:55:02,000

on the cold war clandestine services and

2999

01:55:08,070 --> 01:55:04,719

likes to explore alternative history

3000

01:55:11,589 --> 01:55:08,080

conspiracy theories and the paranormal

3001
01:55:13,109 --> 01:55:11,599
in 1997 he wrote an essay on others

3002
01:55:15,589 --> 01:55:13,119
unknown

3003
01:55:18,070 --> 01:55:15,599
in the oklahoma city bombing that was

3004
01:55:19,350 --> 01:55:18,080
published in the conspiracy scene the

3005
01:55:20,870 --> 01:55:19,360
conformist

3006
01:55:22,390 --> 01:55:20,880
which has since been turned into a

3007
01:55:24,310 --> 01:55:22,400
manuscript

3008
01:55:26,790 --> 01:55:24,320
and i have to say folks that the

3009
01:55:28,709 --> 01:55:26,800
universe really does work in strange and

3010
01:55:32,470 --> 01:55:28,719
mysterious ways

3011
01:55:36,149 --> 01:55:32,480
and then of nowhere the universe sent me

3012
01:55:38,470 --> 01:55:36,159
the best help that i could possibly get

3013
01:55:40,229 --> 01:55:38,480

to make the show

3014

01:55:41,910 --> 01:55:40,239

ten times better

3015

01:55:43,990 --> 01:55:41,920

out of nowhere

3016

01:55:46,149 --> 01:55:44,000

came this man

3017

01:55:48,950 --> 01:55:46,159

who was one of the most incredibly

3018

01:55:52,550 --> 01:55:48,960

well-read intelligent

3019

01:55:55,189 --> 01:55:52,560

researchers i've ever talked to or met

3020

01:55:56,550 --> 01:55:55,199

in my entire life and i need someone

3021

01:55:58,390 --> 01:55:56,560

like him

3022

01:56:00,470 --> 01:55:58,400

and so we talked

3023

01:56:02,629 --> 01:56:00,480

and then we got the opportunity to do

3024

01:56:04,790 --> 01:56:02,639

this richard doty interview

3025

01:56:07,030 --> 01:56:04,800

and to be quite honest

3026

01:56:09,750 --> 01:56:07,040

it was a lifelong ambition

3027

01:56:11,589 --> 01:56:09,760

to interview this richard doty and i

3028

01:56:13,350 --> 01:56:11,599

needed somebody to help me do all kinds

3029

01:56:15,830 --> 01:56:13,360

of research and help me come up with the

3030

01:56:18,629 --> 01:56:15,840

best questions and all this stuff and i

3031

01:56:20,790 --> 01:56:18,639

gotta say he stepped up to the plate

3032

01:56:23,270 --> 01:56:20,800

better than anybody i've ever worked

3033

01:56:25,350 --> 01:56:23,280

with in my entire life

3034

01:56:28,390 --> 01:56:25,360

tonight's show was so good because of

3035

01:56:29,830 --> 01:56:28,400

him and i'm so happy to have him so

3036

01:56:32,149 --> 01:56:29,840

ladies and gentlemen

3037

01:56:33,270 --> 01:56:32,159

let's all welcome my new consulting

3038

01:56:39,109 --> 01:56:33,280

producer

3039

01:56:42,470 --> 01:56:41,430

and so after the show

3040

01:56:44,790 --> 01:56:42,480

i suppose

3041

01:56:47,030 --> 01:56:44,800

after the interview

3042

01:56:49,270 --> 01:56:47,040

i went off

3043

01:56:52,470 --> 01:56:49,280

as i mentioned previously you know i'm

3044

01:56:55,750 --> 01:56:52,480

here in the mountains of pennsylvania

3045

01:56:57,270 --> 01:56:55,760

in the middle of a huge forest

3046

01:56:59,270 --> 01:56:57,280

then

3047

01:57:01,910 --> 01:56:59,280

after the interview

3048

01:57:03,910 --> 01:57:01,920

i played it back to myself

3049

01:57:06,149 --> 01:57:03,920

i put it on my phone

3050

01:57:08,830 --> 01:57:06,159

so i could listen to it

3051

01:57:10,390 --> 01:57:08,840

i put on some earbuds

3052

01:57:12,310 --> 01:57:10,400

and

3053

01:57:14,390 --> 01:57:12,320

like i said previously i'm here in the

3054

01:57:16,070 --> 01:57:14,400

mountains of pennsylvania

3055

01:57:19,430 --> 01:57:16,080

and so

3056

01:57:20,310 --> 01:57:19,440

i put that interview on my phone

3057

01:57:21,830 --> 01:57:20,320

and

3058

01:57:24,470 --> 01:57:21,840

i walked around

3059

01:57:26,709 --> 01:57:24,480

in this huge forest

3060

01:57:29,990 --> 01:57:26,719

in the mountains of pennsylvania

3061

01:57:30,870 --> 01:57:30,000

in one of the most highest elevations

3062

01:57:33,030 --> 01:57:30,880

uh

3063

01:57:34,470 --> 01:57:33,040

at least in my state maybe in the

3064

01:57:35,990 --> 01:57:34,480

country

3065

01:57:37,270 --> 01:57:36,000

you know i'm very high up in the

3066

01:57:40,149 --> 01:57:37,280

mountains

3067

01:57:42,310 --> 01:57:40,159

and the stars the stars you see here up

3068

01:57:44,310 --> 01:57:42,320

in the mountains are different ask

3069

01:57:47,589 --> 01:57:44,320

anybody who's been here

3070

01:57:50,229 --> 01:57:47,599

i mean you can look up and see a canopy

3071

01:57:52,709 --> 01:57:50,239

of thousands and thousands and thousands

3072

01:57:55,750 --> 01:57:52,719

of stars it feels like you can see the

3073

01:57:57,910 --> 01:57:55,760

entire universe from up here

3074

01:57:59,430 --> 01:57:57,920

and i stood on the top of the mountain

3075

01:58:01,510 --> 01:57:59,440

and i wondered

3076

01:58:03,990 --> 01:58:01,520

what if it was true

3077

01:58:06,470 --> 01:58:04,000

what if other intelligent races really

3078

01:58:08,629 --> 01:58:06,480

are visiting us or have been visiting us

3079

01:58:11,030 --> 01:58:08,639

for years and our government has been

3080

01:58:13,910 --> 01:58:11,040

covering it up what if our guest tonight

3081

01:58:15,910 --> 01:58:13,920

told us the truth and let go of some

3082

01:58:17,990 --> 01:58:15,920

long-held secrets that the government

3083

01:58:20,629 --> 01:58:18,000

has been keeping for ages

3084

01:58:22,950 --> 01:58:20,639

tonight standing on a mountain covered

3085

01:58:25,589 --> 01:58:22,960

in a canopy of thousands of stars i

3086

01:58:27,070 --> 01:58:25,599

looked out into the universe and thought

3087

01:58:29,270 --> 01:58:27,080

if we have been visited by

3088

01:58:31,750 --> 01:58:29,280

extraterrestrial races

3089

01:58:33,589 --> 01:58:31,760

then no man has the right to keep that

3090

01:58:36,070 --> 01:58:33,599

truth from us

3091

01:58:37,669 --> 01:58:36,080

we have to keep fighting my friends

3092

01:58:40,229 --> 01:58:37,679

because the truth

3093

01:58:43,589 --> 01:58:40,239

the truth may be out there but we have

3094

01:58:46,629 --> 01:58:43,599

to keep fighting for it

3095

01:58:48,709 --> 01:58:46,639

and i for one my friends i'm gonna keep

3096

01:58:52,070 --> 01:58:48,719

fighting for it i'm gonna keep up the

3097

01:58:55,510 --> 01:58:52,080

good fight but i invite you to come

3098

01:58:58,149 --> 01:58:55,520

along and join us in that fight

3099

01:59:00,709 --> 01:58:58,159

if you have some amazing information

3100

01:59:02,790 --> 01:59:00,719

hey reach out to us you can reach us on

3101
01:59:04,550 --> 01:59:02,800
our new facebook page just search for

3102
01:59:07,189 --> 01:59:04,560
the midnight hour

3103
01:59:09,109 --> 01:59:07,199
or you could message me

3104
01:59:11,430 --> 01:59:09,119
at stevencambian on facebook it's

3105
01:59:13,910 --> 01:59:11,440
probably the best way to reach us

3106
01:59:16,149 --> 01:59:13,920
we're looking for new guests new friends

3107
01:59:18,070 --> 01:59:16,159
and new allies in the fight for

3108
01:59:19,990 --> 01:59:18,080
disclosure and

3109
01:59:22,870 --> 01:59:20,000
to find the truth

3110
01:59:24,709 --> 01:59:22,880
tonight tonight i think that we got to

3111
01:59:27,510 --> 01:59:24,719
some of that truth

3112
01:59:30,950 --> 01:59:27,520
but as someone else once said

3113
01:59:32,709 --> 01:59:30,960

this field is a hall of mirrors with a

3114

01:59:34,870 --> 01:59:32,719

quick sand floor

3115

01:59:36,629 --> 01:59:34,880

you're never quite sure what's real or

3116

01:59:38,629 --> 01:59:36,639

what's an illusion

3117

01:59:41,750 --> 01:59:38,639

that's probably why

3118

01:59:45,270 --> 01:59:41,760

it fascinates me to this day

3119

01:59:47,270 --> 01:59:45,280

well my fellow true seekers our time is

3120

01:59:48,950 --> 01:59:47,280

now running short

3121

01:59:51,189 --> 01:59:48,960

my name is stephen kim

3122

01:59:52,550 --> 01:59:51,199

also known as the mystery man

3123

01:59:55,189 --> 01:59:52,560

reminding you

3124

01:59:56,629 --> 01:59:55,199

that in a time of universal deceit

3125

01:59:58,950 --> 01:59:56,639

telling the truth

3126

02:00:01,030 --> 01:59:58,960

is a revolutionary act

3127

02:00:03,510 --> 02:00:01,040

and if you're listening to this

3128

02:00:05,350 --> 02:00:03,520

you're a part of that revolution

3129

02:00:12,160 --> 02:00:05,360

until next time folks
