00:00:39,570 --> 00:00:37,750

[Music]

2  
00:00:47,830 --> 00:00:39,580

so

3  
00:02:49,990 --> 00:01:02,810

[Music]

4  
00:02:52,949 --> 00:02:50,000  
greetings and salutations and welcome

5  
00:02:54,550 --> 00:02:52,959  
back friends uh this is a truth seekers

6  
00:02:56,790 --> 00:02:54,560  
ufo report

7  
00:02:59,990 --> 00:02:56,800  
uh which we like to do

8  
00:03:02,710 --> 00:03:00,000  
as often as possible uh the problem

9  
00:03:04,229 --> 00:03:02,720  
lately can be getting good guests

10  
00:03:06,390 --> 00:03:04,239  
now we've had a lot of people that just

11  
00:03:07,110 --> 00:03:06,400  
talked about ufos but i thought it would

12  
00:03:09,190 --> 00:03:07,120  
be

13  
00:03:11,270 --> 00:03:09,200

interesting to have somebody here that's

14

00:03:13,670 --> 00:03:11,280

actually capturing

15

00:03:16,309 --> 00:03:13,680

ufos on video

16

00:03:18,550 --> 00:03:16,319

uh and and so i've been watching this

17

00:03:21,030 --> 00:03:18,560

unidentified s4 channel

18

00:03:22,550 --> 00:03:21,040

who has also uh fed some of his videos

19

00:03:24,309 --> 00:03:22,560

into the huge

20

00:03:25,190 --> 00:03:24,319

monster channels

21

00:03:26,789 --> 00:03:25,200

um

22

00:03:29,270 --> 00:03:26,799

like

23

00:03:30,710 --> 00:03:29,280

a third phase of moon

24

00:03:33,350 --> 00:03:30,720

uh

25

00:03:35,270 --> 00:03:33,360

yeah he's capturing some stuff so i i

26

00:03:38,309 --> 00:03:35,280

wanted to talk to him about

27

00:03:40,309 --> 00:03:38,319

um what kind of equipment he's using and

28

00:03:41,830 --> 00:03:40,319

how much time is he spending sky

29

00:03:43,589 --> 00:03:41,840

watching to catch some of these things

30

00:03:44,869 --> 00:03:43,599

because he seems to be getting

31

00:03:47,030 --> 00:03:44,879

uh

32

00:03:49,030 --> 00:03:47,040

luckier than i am

33

00:03:51,430 --> 00:03:49,040

at getting things on film

34

00:03:57,190 --> 00:03:51,440

uh yeah and that's

35

00:04:01,910 --> 00:03:59,429

good evening how are you can you hear me

36

00:04:02,869 --> 00:04:01,920

yeah you got an echo no headphones

37

00:04:04,869 --> 00:04:02,879

no

38

00:04:07,190 --> 00:04:04,879

let me see hang on give me one second

39

00:04:08,789 --> 00:04:07,200

i'll get it set all right sure yeah yeah

40

00:04:10,149 --> 00:04:08,799

no problem i'm going to mute him while

41

00:04:13,030 --> 00:04:10,159

he finds some headphones up in the

42

00:04:16,229 --> 00:04:13,040

meantime i'm going to put

43

00:04:16,239 --> 00:04:23,749

yeah just bear with me

44

00:04:26,550 --> 00:04:24,550

yeah

45

00:04:28,469 --> 00:04:26,560

try echo cancellation but in the me

46

00:04:30,870 --> 00:04:28,479

he'll be bringing his headphones

47

00:04:33,430 --> 00:04:30,880

in the meantime uh maybe i'll throw him

48

00:04:35,909 --> 00:04:33,440

out of here and i will play

49

00:04:37,909 --> 00:04:35,919

i'm gonna cite fair use and play one of

50

00:04:39,749 --> 00:04:37,919

his videos here

51

00:04:43,510 --> 00:04:39,759

uh

52

00:04:45,830 --> 00:04:43,520

just bear with me

53

00:04:47,909 --> 00:04:45,840

yeah this one's pretty

54

00:04:48,790 --> 00:04:47,919

pretty interesting i really like this

55

00:04:50,950 --> 00:04:48,800

one

56

00:05:04,790 --> 00:04:50,960

uh and this eclipse from where third

57

00:05:10,230 --> 00:05:07,110

look at that

58

00:05:12,390 --> 00:05:10,240

that is pretty freaky

59

00:05:15,029 --> 00:05:12,400

looks like a door cam video almost go

60

00:05:17,749 --> 00:05:15,039

again a ring camera captures something

61

00:05:21,590 --> 00:05:17,759

on camera could this be the infamous

62

00:05:24,550 --> 00:05:21,600

tr3b well this is questions that we need

63

00:05:26,870 --> 00:05:24,560

answers to and i want to thank anthony

64

00:05:30,070 --> 00:05:26,880

simpler he has a youtube channel called

65

00:05:32,150 --> 00:05:30,080

the unidentifieds4 and he's allowed us

66

00:05:33,029 --> 00:05:32,160

permission to share this with you and

67

00:05:35,350 --> 00:05:33,039

we're

68

00:05:37,670 --> 00:05:35,360

grateful for other youtubers reaching

69

00:05:40,629 --> 00:05:37,680

out to third phase of moon to get down

70

00:05:42,950 --> 00:05:40,639

to the bottom of this mystery and also

71

00:05:46,469 --> 00:05:42,960

this video came from kevin

72

00:05:48,550 --> 00:05:46,479

barrett and we're appreciating kevin for

73

00:05:49,670 --> 00:05:48,560

getting this footage out so people could

74

00:05:51,189 --> 00:05:49,680

see this

75

00:05:52,629 --> 00:05:51,199

the tr3b

76

00:05:55,510 --> 00:05:52,639

is a mystery out there we've been

77

00:05:58,469 --> 00:05:55,520

bringing this um phenomenon to you for

78

00:06:01,110 --> 00:05:58,479

over a decade we've had photographs and

79

00:06:04,870 --> 00:06:01,120

videos submitted to us from across the

80

00:06:08,870 --> 00:06:04,880

country i believe the tr-3b is built by

81

00:06:10,870 --> 00:06:08,880

us okay i guess that's enough anthony uh

82

00:06:13,029 --> 00:06:10,880

86

00:06:24,950 --> 00:06:21,440

to work out a pair of headphones or some

129

00:08:26,950 --> 00:08:25,360

kind of tech issue there so we apologize

130

00:08:28,469 --> 00:08:26,960

my our favorite guys in this field of

135

00:08:44,550 --> 00:08:42,159

nuts and crooks

136

00:08:46,150 --> 00:08:44,560

well i'm glad that we can differentiate

137

00:08:49,190 --> 00:08:46,160

me from the nuts

138

00:08:51,190 --> 00:08:49,200

and the crooks right yeah

139

00:08:53,350 --> 00:08:51,200

absolutely and i'm glad that you are

140

00:08:55,750 --> 00:08:53,360

here

141

00:08:58,710 --> 00:08:55,760

00:09:12,630 --> 00:09:11,279

it's always good to see people from all

149

00:09:14,949 --> 00:09:12,640

uh

156  
00:09:33,750 --> 00:09:30,959  
think we got it though

157  
00:09:35,110 --> 00:09:33,760  
because i can put on um

158  
00:09:37,269 --> 00:09:35,120  
i could put on

159  
00:09:40,310 --> 00:09:37,279  
echo well we did have echo cancellation

160  
00:09:42,870 --> 00:09:40,320  
on so maybe that won't help

161  
00:09:47,829 --> 00:09:42,880  
so we're waiting for anthony to join us

162  
00:09:52,310 --> 00:09:48,829

talking about being captain america you

188

00:11:11,430 --> 00:11:10,240

know being a super soldier with all

189

00:11:13,350 --> 00:11:11,440

these other people who think they're

190

00:11:15,910 --> 00:11:13,360

super soldiers isn't that that is james

191

00:11:18,389 --> 00:11:15,920

rick right the super soldier channel

192

00:11:21,190 --> 00:11:18,399

that is a bizarro world mike gimbelli

193

00:11:22,389 --> 00:11:21,200

and i'm not so sure uh what's up with

194

00:11:25,030 --> 00:11:22,399

that

195

00:11:28,389 --> 00:11:25,040

and uh we'll see i think we have uh

196

00:11:30,949 --> 00:11:28,399

anthony here now there you go anthony

197

00:11:32,949 --> 00:11:30,959

sorry about that

198

00:11:35,509 --> 00:11:32,959

i'm in new jersey for the holidays and

199

00:11:38,710 --> 00:11:35,519

the computer i'm using won't allow me to

200

00:11:40,949 --> 00:11:38,720

use the uh the air bars yeah and the

201  
00:11:43,269 --> 00:11:40,959  
wi-fi on some of the older ones yeah no

202  
00:11:47,110 --> 00:11:43,279  
no worries no worries

203  
00:11:48,790 --> 00:11:47,120  
so we showed this uh this one video and

204  
00:11:52,710 --> 00:11:48,800  
you know i don't know third phase is

205  
00:11:54,710 --> 00:11:52,720  
saying it's a tr3b but yeah uh i'm going

206  
00:11:56,790 --> 00:11:54,720  
to share it again and i want you to tell

207  
00:11:58,470 --> 00:11:56,800  
me where did you come across this video

208  
00:12:00,710 --> 00:11:58,480  
that you didn't film this but somebody

209  
00:12:02,150 --> 00:12:00,720  
sent it to you or no this was sent from

210  
00:12:04,069 --> 00:12:02,160  
uh

211  
00:12:07,030 --> 00:12:04,079  
england actually

212  
00:12:08,949 --> 00:12:07,040  
by a gentleman named matt dardy and

213  
00:12:11,030 --> 00:12:08,959

kevin uh barrett

214

00:12:13,110 --> 00:12:11,040

they had sent it to me and they wanted

215

00:12:16,389 --> 00:12:13,120

to get it out there because neither of

216

00:12:18,230 --> 00:12:16,399

them had a youtube channel at the time

217

00:12:20,150 --> 00:12:18,240

so uh they were watching my channel they

218

00:12:22,230 --> 00:12:20,160

asked if i would do it for them

219

00:12:24,470 --> 00:12:22,240

and uh once i put it up they said do you

220

00:12:26,389 --> 00:12:24,480

know anybody else with big youtube

221

00:12:28,550 --> 00:12:26,399

channels you can send a tailor

222

00:12:31,190 --> 00:12:28,560

so i sent that over to blake and brent

223

00:12:31,910 --> 00:12:31,200

and i sent it over to richard uh on goof

224

00:12:33,350 --> 00:12:31,920

on

225

00:12:35,269 --> 00:12:33,360

and a couple other people and then it

226

00:12:38,230 --> 00:12:35,279

just took off like lightning yeah but

227

00:12:40,310 --> 00:12:38,240

thanks for sending it to me bro

228

00:12:41,829 --> 00:12:40,320

i didn't know that you played uh yeah

229

00:12:43,750 --> 00:12:41,839

sometimes

230

00:12:46,310 --> 00:12:43,760

sure this is an interesting video but

231

00:12:47,670 --> 00:12:46,320

you know i disagree about tr3b i think

232

00:12:50,629 --> 00:12:47,680

they just saw three lights and they're

233

00:12:52,550 --> 00:12:50,639

like oh tr3b because

234

00:12:54,790 --> 00:12:52,560

they slowed it down and over here once

235

00:12:56,629 --> 00:12:54,800

it gets to the end of the frame or end

236

00:12:58,870 --> 00:12:56,639

of the clip it seems like the lights

237

00:13:01,030 --> 00:12:58,880

move and if that was one static craft

238

00:13:02,629 --> 00:13:01,040

with three lights on it it would be

239

00:13:05,590 --> 00:13:02,639

stationary right

240

00:13:09,829 --> 00:13:07,590

i rotated think it's three

241

00:13:12,389 --> 00:13:09,839

lights in formation i'm not too sure

242

00:13:13,670 --> 00:13:12,399

about a tr three big because yeah there

243

00:13:15,990 --> 00:13:13,680

you could definitely see the light

244

00:13:17,350 --> 00:13:16,000

moving uh the bottom one moves

245

00:13:18,870 --> 00:13:17,360

i believe

246

00:13:21,269 --> 00:13:18,880

yeah you should be able to see it and it

247

00:13:23,670 --> 00:13:21,279

should blot out the sky behind it i

248

00:13:25,430 --> 00:13:23,680

would i would assume i don't know

249

00:13:26,870 --> 00:13:25,440

but still interesting footage what do

250

00:13:30,069 --> 00:13:26,880

you what do you think it is i mean it

251

00:13:31,910 --> 00:13:30,079

could this could be japanese lanterns

252

00:13:33,030 --> 00:13:31,920

i don't think it's japanese lanterns

253

00:13:34,870 --> 00:13:33,040

because uh

254

00:13:37,110 --> 00:13:34,880

they usually blow all over the place

255

00:13:39,910 --> 00:13:37,120

they never stay in formation

256

00:13:41,590 --> 00:13:39,920

uh it could be helicopters but uh i

257

00:13:43,110 --> 00:13:41,600

don't see you know faa lights of

258

00:13:44,870 --> 00:13:43,120

anything it looks too close yeah it

259

00:13:49,509 --> 00:13:44,880

looks too close to be helicopters looks

260

00:13:54,470 --> 00:13:51,750

it looks like 20 or 30 feet above the

261

00:13:56,790 --> 00:13:54,480

light the lamp post here right it's

262

00:13:58,230 --> 00:13:56,800

really hard to uh determine with the rim

263

00:14:00,470 --> 00:13:58,240

camera footage

264

00:14:03,430 --> 00:14:00,480

uh because you know they have no sound

265

00:14:06,470 --> 00:14:03,440

so you can't ascertain if they have uh

266

00:14:08,710 --> 00:14:06,480

you know any rotor noise or any drone

267

00:14:11,990 --> 00:14:08,720

noise or anything of that nature but i

268

00:14:14,069 --> 00:14:12,000

don't see any faa lights on there do you

269

00:14:15,750 --> 00:14:14,079

no i don't see the flashing faa lights

270

00:14:18,389 --> 00:14:15,760

so i would think it wasn't some kind of

271

00:14:21,110 --> 00:14:18,399

conventional aircraft at the very least

272

00:14:24,470 --> 00:14:21,120

right i captured something very similar

273

00:14:27,509 --> 00:14:24,480

not too long ago on my channel uh it was

274

00:14:29,829 --> 00:14:27,519

three lights uh information like that

275

00:14:32,310 --> 00:14:29,839

and they did some pretty wild maneuvers

276

00:14:34,550 --> 00:14:32,320

it was also on third phase alone most of

277

00:14:36,870 --> 00:14:34,560

the crafts that are up there usually do

278

00:14:38,790 --> 00:14:36,880

travel in threes like that i've been

279

00:14:42,069 --> 00:14:38,800

noticing that quite a bit

280

00:14:46,710 --> 00:14:44,629

with the same thing oh yeah we could see

281

00:14:48,790 --> 00:14:46,720

if we could share that you have uh you

282

00:14:52,069 --> 00:14:48,800

have captured some

283

00:14:54,150 --> 00:14:52,079

i guess uh ufo footage right um

284

00:14:56,389 --> 00:14:54,160

tons

285

00:14:59,750 --> 00:14:56,399

and how do you get so lucky because i

286

00:15:02,069 --> 00:14:59,760

tried and i i don't see very much well

287

00:15:05,350 --> 00:15:02,079

when i had my regular camera when i had

288

00:15:08,150 --> 00:15:05,360

my regular canon camera uh i wasn't so

289

00:15:09,509 --> 00:15:08,160

lucky and then i upgraded to the uh

290

00:15:11,990 --> 00:15:09,519

psionics

291

00:15:13,910 --> 00:15:12,000

the color night vision

292

00:15:15,350 --> 00:15:13,920

and you can see things with the color

293

00:15:17,269 --> 00:15:15,360

night vision that you can't see with

294

00:15:19,269 --> 00:15:17,279

your regular eyes you know don't forget

295

00:15:20,470 --> 00:15:19,279

your eyes only see so far into a

296

00:15:22,870 --> 00:15:20,480

spectrum

297

00:15:24,470 --> 00:15:22,880

so uh i'm not going to explain it to you

298

00:15:26,470 --> 00:15:24,480

you know no yeah it's just like a night

299

00:15:28,470 --> 00:15:26,480

vision yeah right if this highlighter

300

00:15:31,110 --> 00:15:28,480

was your eye length you know you're only

301  
00:15:33,590 --> 00:15:31,120  
seeing the tip you know what i mean so

302  
00:15:37,509 --> 00:15:33,600  
the psionics help you to see into a

303  
00:15:40,949 --> 00:15:39,030  
yeah and here's you doing some sky

304  
00:15:42,790 --> 00:15:40,959  
watching and capturing some yeah and

305  
00:15:46,310 --> 00:15:42,800  
this was uh this was last night it was

306  
00:15:48,470 --> 00:15:46,320  
four days it was about 26 degrees out

307  
00:15:51,590 --> 00:15:48,480  
about seven hours you're out there

308  
00:15:52,829 --> 00:15:51,600  
freezing looking for the aliens bro

309  
00:15:54,470 --> 00:15:52,839  
i want the

310  
00:15:56,069 --> 00:15:54,480  
truth

311  
00:15:57,670 --> 00:15:56,079  
how did you uh how did you get started

312  
00:16:00,389 --> 00:15:57,680  
in this rabbit hole though

313  
00:16:02,870 --> 00:16:00,399

well when i when i was 13 years old i

314

00:16:06,150 --> 00:16:02,880

was an avid dirt bike rider

315

00:16:08,949 --> 00:16:06,160

and i was out in the woods all day

316

00:16:10,550 --> 00:16:08,959

into the early evening and it was about

317

00:16:12,710 --> 00:16:10,560

five o'clock

318

00:16:13,670 --> 00:16:12,720

the winter time just started getting

319

00:16:15,509 --> 00:16:13,680

dusk

320

00:16:16,470 --> 00:16:15,519

and i had stopped my bike to check for

321

00:16:19,189 --> 00:16:16,480

gas

322

00:16:22,389 --> 00:16:19,199

and i just happened to look above me

323

00:16:25,670 --> 00:16:22,399

and i noticed a gigantic

324

00:16:27,990 --> 00:16:25,680

craft in the sky now at 13 years old the

325

00:16:29,670 --> 00:16:28,000

first thing you say to yourself is wow

326

00:16:32,389 --> 00:16:29,680

the military got some pretty cool

327

00:16:39,189 --> 00:16:36,230

you know but the craft looked like glass

328

00:16:41,030 --> 00:16:39,199

like black glass and i've never seen

329

00:16:42,470 --> 00:16:41,040

anything like that before and it made

330

00:16:46,710 --> 00:16:42,480

absolutely

331

00:16:50,710 --> 00:16:46,720

no sound um i heard a very low hum

332

00:16:53,269 --> 00:16:50,720

and i just stared at it to me it felt

333

00:16:55,509 --> 00:16:53,279

like hours but it must have been a good

334

00:16:57,509 --> 00:16:55,519

i'd say seven to ten minutes

335

00:16:58,870 --> 00:16:57,519

and then the craft took off at a high

336

00:17:01,509 --> 00:16:58,880

rate of speed

337

00:17:03,350 --> 00:17:01,519

and uh my mind was blown away you know i

338

00:17:04,710 --> 00:17:03,360

ran home to tell my parents what i just

339

00:17:06,470 --> 00:17:04,720

seen and they're like yeah you're out of

340

00:17:07,429 --> 00:17:06,480

your mind you see the ufo yeah right

341

00:17:10,150 --> 00:17:07,439

okay

342

00:17:12,949 --> 00:17:10,160

and uh but that sparked my fascination

343

00:17:15,110 --> 00:17:12,959

with the subject and ever since then

344

00:17:16,710 --> 00:17:15,120

it's it's just been nothing but buying

345

00:17:19,829 --> 00:17:16,720

camera after camera trying to get the

346

00:17:20,789 --> 00:17:19,839

best and uh i fell in love with the

347

00:17:22,630 --> 00:17:20,799

subject

348

00:17:25,590 --> 00:17:22,640

uh somebody asked you where you grew up

349

00:17:27,270 --> 00:17:25,600

at annie kurtz i uh i grew up in staten

350

00:17:29,350 --> 00:17:27,280

island new york you gotta be in new york

351

00:17:31,669 --> 00:17:29,360

yeah i was thinking between your

352

00:17:33,110 --> 00:17:31,679

terrible new york accent in my terrible

353

00:17:35,029 --> 00:17:33,120

philadelphia accent people are gonna

354

00:17:35,990 --> 00:17:35,039

think they're listening to a rocky movie

355

00:17:37,909 --> 00:17:36,000

tonight

356

00:17:39,430 --> 00:17:37,919

hey yo adrian

357

00:17:40,870 --> 00:17:39,440

i grew up right in that neighborhood by

358

00:17:42,549 --> 00:17:40,880

the way in philly

359

00:17:44,310 --> 00:17:42,559

you see these objects right here there's

360

00:17:47,510 --> 00:17:44,320

three there also

361

00:17:50,789 --> 00:17:47,520

so this is comic on staten island to see

362

00:17:54,789 --> 00:17:53,190

it's definitely weird right

363

00:17:56,789 --> 00:17:54,799

did i capture some stuff though and it

364

00:17:58,390 --> 00:17:56,799

turned out to be uh those turn out to be

365

00:18:01,270 --> 00:17:58,400

geese one time

366

00:18:03,590 --> 00:18:01,280

no actually i have these on here

367

00:18:05,510 --> 00:18:03,600

oh on this one yeah uh that you could

368

00:18:06,630 --> 00:18:05,520

tell what these uh with this camera is

369

00:18:07,669 --> 00:18:06,640

so easy

370

00:18:09,590 --> 00:18:07,679

you know

371

00:18:11,590 --> 00:18:09,600

they just the way they fly and

372

00:18:13,590 --> 00:18:11,600

everything so i always try to throw that

373

00:18:15,510 --> 00:18:13,600

in because you'll always get that those

374

00:18:18,230 --> 00:18:15,520

people that are like oh it's ghee so

375

00:18:19,190 --> 00:18:18,240

it's this it's that bird

376

00:18:21,510 --> 00:18:19,200

yeah

377

00:18:25,190 --> 00:18:21,520

theoretically look man i don't know when

378

00:18:27,830 --> 00:18:25,200

i say ufo i i mean the actual definition

379

00:18:29,669 --> 00:18:27,840

of the word you don't mean a unified

380

00:18:31,430 --> 00:18:29,679

to me it's unidentified

381

00:18:34,789 --> 00:18:31,440

i'm not saying it's aliens i'm just

382

00:18:37,350 --> 00:18:34,799

saying to me it's unidentified

383

00:18:40,549 --> 00:18:37,360

yeah and uh there's this other one here

384

00:18:43,430 --> 00:18:40,559

where it's like pulsating this ufo

385

00:18:45,909 --> 00:18:43,440

right uh that object um

386

00:18:47,909 --> 00:18:45,919

normally i keep a laptop outside with me

387

00:18:49,669 --> 00:18:47,919

i have radar going so i could tell the

388

00:18:52,789 --> 00:18:49,679

flight uh faa

389

00:18:54,710 --> 00:18:52,799

flights uh spacex where the satellites

390

00:18:56,870 --> 00:18:54,720

are you know the satellite level that's

391

00:18:59,350 --> 00:18:56,880

good so you can eliminate all the normal

392

00:19:01,430 --> 00:18:59,360

right i eliminated all the possibilities

393

00:19:05,909 --> 00:19:01,440

um at first i thought maybe it was the

394

00:19:07,029 --> 00:19:05,919

iss but the iss at that time was down uh

395

00:19:08,390 --> 00:19:07,039

on the other side of the world by

396

00:19:11,350 --> 00:19:08,400

australia

397

00:19:13,430 --> 00:19:11,360

so i have no idea what that object was

398

00:19:14,950 --> 00:19:13,440

but i just stood on yeah what if they

399

00:19:17,830 --> 00:19:14,960

are aliens though you think it's a good

400

00:19:20,070 --> 00:19:17,840

idea shining a laser beam at them

401

00:19:22,230 --> 00:19:20,080

i'm just asking yeah

402

00:19:23,830 --> 00:19:22,240

like imagine if you're an alien man

403

00:19:25,190 --> 00:19:23,840

right imagine if you're an alien and

404

00:19:27,830 --> 00:19:25,200

you're visiting earth and you're trying

405

00:19:29,750 --> 00:19:27,840

to pilot your spaceship in some

406

00:19:32,549 --> 00:19:29,760

you know planet you've never been to and

407

00:19:34,870 --> 00:19:32,559

there's this guy this j.o from staten

408

00:19:36,870 --> 00:19:34,880

island shooting laser pointers at you

409

00:19:43,430 --> 00:19:36,880

hey what's the worst that happened

410

00:19:46,630 --> 00:19:44,789

but that's that looks like a pretty

411

00:19:49,190 --> 00:19:46,640

bright one that you got i have one but

412

00:19:50,230 --> 00:19:49,200

it's not that bright that's crazy bright

413

00:19:51,590 --> 00:19:50,240

beautiful

414

00:19:54,070 --> 00:19:51,600

and then

415

00:19:57,190 --> 00:19:54,080

not too long ago i was on the beach

416

00:20:00,549 --> 00:19:57,200

and uh the same night spacex uh rocket

417

00:20:01,669 --> 00:20:00,559

went off a couple months ago and an hour

418

00:20:04,230 --> 00:20:01,679

after

419

00:20:07,430 --> 00:20:04,240

i captured something that was just

420

00:20:09,750 --> 00:20:07,440

unbelievable big orange light in the sky

421

00:20:12,390 --> 00:20:09,760

had no idea what it was and this is the

422

00:20:13,430 --> 00:20:12,400

flock this is the flock of geese

423

00:20:16,470 --> 00:20:13,440

yeah

424

00:20:17,909 --> 00:20:16,480

i mean you can clearly tell

425

00:20:19,350 --> 00:20:17,919

the difference

426

00:20:21,590 --> 00:20:19,360

yeah and they normally have like a v

427

00:20:23,990 --> 00:20:21,600

formation sometimes these flocks of

428

00:20:26,789 --> 00:20:24,000

geese right and then that the the

429

00:20:27,990 --> 00:20:26,799

these are never in a perfect v formation

430

00:20:30,149 --> 00:20:28,000

i noticed

431

00:20:32,230 --> 00:20:30,159

there always have one straight line and

432

00:20:35,029 --> 00:20:32,240

one line that's a little cocked

433

00:20:37,110 --> 00:20:35,039

or they're always breaking formation uh

434

00:20:39,909 --> 00:20:37,120

but this is the season for migration to

435

00:20:41,510 --> 00:20:39,919

go down south so sure yeah so it's good

436

00:20:43,190 --> 00:20:41,520

though that you're like actively

437

00:20:44,549 --> 00:20:43,200

eliminated possibilities because i know

438

00:20:45,830 --> 00:20:44,559

too many people that make videos like

439

00:20:47,430 --> 00:20:45,840

this and they

440

00:20:49,510 --> 00:20:47,440

they kind of swear everything they see

441

00:20:51,110 --> 00:20:49,520

as aliens and

442

00:20:54,630 --> 00:20:51,120

you know i think it's important

443

00:20:56,230 --> 00:20:54,640

to separate the the terrestrial

444

00:20:58,070 --> 00:20:56,240

stuff because i'm not interested in any

445

00:21:00,070 --> 00:20:58,080

of that i'm not interested in balloons

446

00:21:02,470 --> 00:21:00,080

i'm not really interested in

447

00:21:04,230 --> 00:21:02,480

uh drones if i'm sure they're drones and

448

00:21:06,870 --> 00:21:04,240

i'm not interested in

449

00:21:08,070 --> 00:21:06,880

japanese lanterns balloons any of that

450

00:21:09,990 --> 00:21:08,080

satellites

451  
00:21:13,510 --> 00:21:10,000  
you know saturn

452  
00:21:15,750 --> 00:21:13,520  
misidentified stars or even sometimes at

453  
00:21:18,230 --> 00:21:15,760  
my cabin it's so high up that even a

454  
00:21:19,350 --> 00:21:18,240  
regular star sometimes can fool you oh

455  
00:21:22,390 --> 00:21:19,360  
absolutely

456  
00:21:24,870 --> 00:21:22,400  
yeah i was just up there by lake monroe

457  
00:21:26,390 --> 00:21:24,880  
and it's absolutely beautiful the night

458  
00:21:27,909 --> 00:21:26,400  
sky i mean

459  
00:21:30,070 --> 00:21:27,919  
i couldn't believe what it looked like

460  
00:21:32,070 --> 00:21:30,080  
up there yeah here you got two this is

461  
00:21:36,789 --> 00:21:32,080  
well one one's a plane

462  
00:21:40,549 --> 00:21:37,990  
yeah it looked like there was two of

463  
00:21:42,310 --> 00:21:40,559

those objects earlier in the in

464

00:21:45,029 --> 00:21:42,320

the film

465

00:21:48,149 --> 00:21:45,039

i i didn't i i i must have missed it but

466

00:21:49,350 --> 00:21:48,159

this one right here was not on any faa

467

00:21:51,190 --> 00:21:49,360

flight chart

468

00:21:53,750 --> 00:21:51,200

you know this one i would like to see

469

00:21:55,350 --> 00:21:53,760

you know you do do you have kids i do i

470

00:21:57,590 --> 00:21:55,360

have a son

471

00:22:00,310 --> 00:21:57,600

my kids have these balloons that have a

472

00:22:02,310 --> 00:22:00,320

little led in them that flash

473

00:22:03,750 --> 00:22:02,320

you ever see those of course

474

00:22:05,270 --> 00:22:03,760

this is the first thing i thought when i

475

00:22:07,270 --> 00:22:05,280

saw this that maybe somebody blew one up

476

00:22:09,110 --> 00:22:07,280

with helium and let it go and

477

00:22:12,070 --> 00:22:09,120

that's what you're looking at here you

478

00:22:13,750 --> 00:22:12,080

see the steady pattern that is on yeah

479

00:22:15,430 --> 00:22:13,760

that that doesn't look like a balloon

480

00:22:18,390 --> 00:22:15,440

flight path

481

00:22:19,430 --> 00:22:18,400

last night had to be about 35 to 40

482

00:22:21,669 --> 00:22:19,440

knots

483

00:22:24,549 --> 00:22:21,679

uh it was very very windy i'm sure you

484

00:22:27,029 --> 00:22:24,559

can hear it on the camera at times

485

00:22:28,950 --> 00:22:27,039

blinking liar wants to know he says i

486

00:22:31,110 --> 00:22:28,960

wonder how the geese feel about being

487

00:22:32,549 --> 00:22:31,120

lasered yeah that's another thing could

488

00:22:34,549 --> 00:22:32,559

you imagine you're just a goose and

489

00:22:37,270 --> 00:22:34,559

you're trying to fly south all of a

490

00:22:38,830 --> 00:22:37,280

sudden like yo what the hell dude but

491

00:22:42,789 --> 00:22:38,840

what i was trying to do

492

00:22:44,630 --> 00:22:42,799

is you're turning the geese blind bro

493

00:22:46,549 --> 00:22:44,640

that's a powerful laser you could be

494

00:22:48,230 --> 00:22:46,559

hitting them in their eyeballs well

495

00:22:50,230 --> 00:22:48,240

hopefully i didn't hurt any animals

496

00:22:51,750 --> 00:22:50,240

doing it but it's the science

497

00:22:53,830 --> 00:22:51,760

you know i was trying to see if the

498

00:22:56,310 --> 00:22:53,840

laser would scatter

499

00:22:59,029 --> 00:22:56,320

because i'm hitting the other objects

500

00:23:00,950 --> 00:22:59,039

and uh if they don't scatter

501  
00:23:02,149 --> 00:23:00,960  
and the geese gather well then i could

502  
00:23:03,990 --> 00:23:02,159  
you know kind of tell the difference

503  
00:23:05,029 --> 00:23:04,000  
when i uh use the laser you know what i

504  
00:23:07,510 --> 00:23:05,039  
mean

505  
00:23:10,789 --> 00:23:07,520  
yeah and you're also sharing some cool

506  
00:23:12,630 --> 00:23:10,799  
videos i love this uh this flying craft

507  
00:23:14,870 --> 00:23:12,640  
that you can you tell me a little more

508  
00:23:17,350 --> 00:23:14,880  
about this i'm gonna share it here okay

509  
00:23:18,390 --> 00:23:17,360  
this is the jetson one personal air

510  
00:23:20,710 --> 00:23:18,400  
vehicle

511  
00:23:22,230 --> 00:23:20,720  
unbelievable the reason that i'm so

512  
00:23:23,750 --> 00:23:22,240  
interested in this is because i'm

513  
00:23:25,750 --> 00:23:23,760

telling you the truth i was going to

514

00:23:28,230 --> 00:23:25,760

build something like this and i got as

515

00:23:30,789 --> 00:23:28,240

far as building the thing you sit in

516

00:23:34,149 --> 00:23:30,799

and then where i got stuck is i don't

517

00:23:36,310 --> 00:23:34,159

know enough about motors and propellers

518

00:23:38,390 --> 00:23:36,320

and everything so like buying a bunch of

519

00:23:39,830 --> 00:23:38,400

toy drone motors isn't going to get you

520

00:23:42,390 --> 00:23:39,840

off the ground if you're sitting in this

521

00:23:44,950 --> 00:23:42,400

thing but this guy manages to do this

522

00:23:47,029 --> 00:23:44,960

it's amazing yeah

523

00:23:49,590 --> 00:23:47,039

hey wilcox can probably help you fix

524

00:23:52,789 --> 00:23:51,269

yeah he's going to be the father of any

525

00:23:55,269 --> 00:23:52,799

gravity yeah

526

00:23:56,630 --> 00:23:55,279

i would be impressed even if wilcox

527

00:23:58,230 --> 00:23:56,640

produced something like this and he's

528

00:24:00,710 --> 00:23:58,240

not going to produce even how he has

529

00:24:02,470 --> 00:24:00,720

come up with something by this uh by now

530

00:24:05,510 --> 00:24:02,480

is mind-boggling

531

00:24:07,990 --> 00:24:05,520

something so simple to do

532

00:24:09,590 --> 00:24:08,000

yeah yeah it's simple it's so simple but

533

00:24:11,110 --> 00:24:09,600

if it was so simple everybody would

534

00:24:13,750 --> 00:24:11,120

already have a hovercraft and a free

535

00:24:15,350 --> 00:24:13,760

energy device very true but i'm saying

536

00:24:17,350 --> 00:24:15,360

you know you know the way he's talking

537

00:24:19,590 --> 00:24:17,360

you're gonna have a free energy device

538

00:24:21,350 --> 00:24:19,600

in your hover car so you'll never need

539

00:24:22,549 --> 00:24:21,360

power again once you buy a hover car

540

00:24:25,590 --> 00:24:22,559

from him

541

00:24:28,070 --> 00:24:25,600

great this thing is definitely fun man i

542

00:24:30,149 --> 00:24:28,080

can have a ball with that at my cabin

543

00:24:32,470 --> 00:24:30,159

this company actually uh reached out to

544

00:24:35,190 --> 00:24:32,480

me and asked me if i would be interested

545

00:24:37,750 --> 00:24:35,200

running a two-minute uh skit on my you

546

00:24:39,990 --> 00:24:37,760

know on my show uh to show off the new

547

00:24:42,310 --> 00:24:40,000

stuff that's coming out and of course i

548

00:24:44,070 --> 00:24:42,320

accept it because they just tell them

549

00:24:45,750 --> 00:24:44,080

i'll play their i'll play their video

550

00:24:48,070 --> 00:24:45,760

every show if they give me one of those

551  
00:24:52,390 --> 00:24:48,080  
bad boys oh man i could have got two of

552  
00:24:55,990 --> 00:24:54,230  
no i bet you this is oh yeah i bet

553  
00:24:58,390 --> 00:24:56,000  
that's a couple hundred a couple hundred

554  
00:25:00,390 --> 00:24:58,400  
grand probably

555  
00:25:01,909 --> 00:25:00,400  
that's amazing though

556  
00:25:05,029 --> 00:25:01,919  
i don't think they go any faster than

557  
00:25:08,149 --> 00:25:05,039  
about 50 miles an hour and uh i believe

558  
00:25:11,590 --> 00:25:08,159  
they say about 20 feet off the ground at

559  
00:25:16,390 --> 00:25:13,830  
yeah that's definitely fun this could be

560  
00:25:17,430 --> 00:25:16,400  
like a lot of fun at my cabin going down

561  
00:25:18,549 --> 00:25:17,440  
i saw

562  
00:25:20,149 --> 00:25:18,559  
absolutely

563  
00:25:22,230 --> 00:25:20,159

later in the video they show it going

564

00:25:24,549 --> 00:25:22,240

down like woodland trails and that's the

565

00:25:28,710 --> 00:25:24,559

first thing i thought like going dry you

566

00:25:33,350 --> 00:25:31,029

amazing and they they've got this thing

567

00:25:35,029 --> 00:25:33,360

obviously this isn't cgi this is real

568

00:25:36,870 --> 00:25:35,039

film no this is real

569

00:25:39,110 --> 00:25:36,880

right yeah real deal and they're not the

570

00:25:40,549 --> 00:25:39,120

only company uh doing it there's quite a

571

00:25:42,230 --> 00:25:40,559

few out there right now yeah there's a

572

00:25:45,190 --> 00:25:42,240

few developing things like this but some

573

00:25:46,149 --> 00:25:45,200

of them don't look really promising they

574

00:25:47,510 --> 00:25:46,159

look like

575

00:25:49,110 --> 00:25:47,520

you know

576

00:25:50,789 --> 00:25:49,120

kind of uh

577

00:25:52,470 --> 00:25:50,799

i'm sure they're all there's a lot of

578

00:25:54,870 --> 00:25:52,480

dudes on youtube just so you know

579

00:25:56,549 --> 00:25:54,880

building things like this or trying to

580

00:25:57,750 --> 00:25:56,559

i was watching tons of those videos when

581

00:25:59,909 --> 00:25:57,760

i was going to try to build something

582

00:26:01,990 --> 00:25:59,919

like this but i could never get

583

00:26:04,310 --> 00:26:02,000

past the motors and the lift like you

584

00:26:06,710 --> 00:26:04,320

need a hell of a motor to lift a person

585

00:26:09,190 --> 00:26:06,720

up oh definitely

586

00:26:11,269 --> 00:26:09,200

and then you also need a lot of micros

587

00:26:14,390 --> 00:26:11,279

you need a lot of microcontrollers too

588

00:26:16,070 --> 00:26:14,400

to control this the speed of each rotor

589

00:26:17,830 --> 00:26:16,080

to do the turning and all that kind of

590

00:26:20,390 --> 00:26:17,840

stuff right

591

00:26:22,789 --> 00:26:20,400

look at that man that's unbelievable

592

00:26:25,830 --> 00:26:22,799

amazing it's like it reminds me of the

593

00:26:27,830 --> 00:26:25,840

uh this the lanterns

594

00:26:32,149 --> 00:26:27,840

speeders from star wars yeah from the

595

00:26:40,470 --> 00:26:34,149

the jetson one

596

00:26:44,149 --> 00:26:41,990

yeah the only thing that freaks me out

597

00:26:45,830 --> 00:26:44,159

about this craft is golf a bit one of

598

00:26:48,310 --> 00:26:45,840

those propellers came loose and went

599

00:26:49,830 --> 00:26:48,320

flying there's no shielding on there

600

00:26:51,750 --> 00:26:49,840

yeah they should have a canopy or

601  
00:26:53,669 --> 00:26:51,760  
something to protect

602  
00:26:55,269 --> 00:26:53,679  
maybe a guard around the propellers i'm

603  
00:26:57,510 --> 00:26:55,279  
sure they're going to something yeah

604  
00:26:59,110 --> 00:26:57,520  
work out the kinks as they move along

605  
00:27:01,669 --> 00:26:59,120  
well you know they could easily put some

606  
00:27:03,909 --> 00:27:01,679  
kind of a saucer shaped you know

607  
00:27:06,870 --> 00:27:03,919  
very facade over this thing and you

608  
00:27:09,029 --> 00:27:06,880  
could really freak some people out

609  
00:27:11,029 --> 00:27:09,039  
very easily it looks like this would be

610  
00:27:15,190 --> 00:27:11,039  
tons of fun though you know and it's

611  
00:27:17,909 --> 00:27:16,470  
look at that land

612  
00:27:20,789 --> 00:27:17,919  
is that that's just how it lands just

613  
00:27:23,110 --> 00:27:20,799

drops right in there unbelievable right

614

00:27:25,190 --> 00:27:23,120

yeah yeah that is definitely cool it's

615

00:27:26,870 --> 00:27:25,200

amazing how far the technology has come

616

00:27:28,230 --> 00:27:26,880

in the past 30 years

617

00:27:30,310 --> 00:27:28,240

really is

618

00:27:32,310 --> 00:27:30,320

yeah i couldn't imagine i remember when

619

00:27:34,070 --> 00:27:32,320

i was a kid like i was begging my dad

620

00:27:36,789 --> 00:27:34,080

for like a remote control airplane or

621

00:27:37,669 --> 00:27:36,799

remote control helicopter those were

622

00:27:39,669 --> 00:27:37,679

like

623

00:27:41,990 --> 00:27:39,679

rich boy toys back then you couldn't get

624

00:27:44,149 --> 00:27:42,000

a remote control plane or helicopter for

625

00:27:45,990 --> 00:27:44,159

any kind of reasonable price now

626  
00:27:48,310 --> 00:27:46,000  
you know i i could buy my five-year-old

627  
00:27:50,389 --> 00:27:48,320  
the drone for like 30 bucks you know you

628  
00:27:52,870 --> 00:27:50,399  
can fly around the house it's amazing

629  
00:27:55,269 --> 00:27:52,880  
yeah i remember i remember asking my dad

630  
00:27:57,029 --> 00:27:55,279  
for a dirt bike when i was 13 and there

631  
00:27:58,789 --> 00:27:57,039  
were like three thousand dollars back

632  
00:28:00,470 --> 00:27:58,799  
then

633  
00:28:02,230 --> 00:28:00,480  
he was like you better get straight a's

634  
00:28:04,149 --> 00:28:02,240  
or that thing's getting cut halfway to

635  
00:28:04,950 --> 00:28:04,159  
chainsaw you fail anything that kind of

636  
00:28:07,029 --> 00:28:04,960  
money

637  
00:28:08,710 --> 00:28:07,039  
yeah i don't know my dad was cheap he

638  
00:28:10,070 --> 00:28:08,720

did everything if

639

00:28:11,750 --> 00:28:10,080

if it's like

640

00:28:13,029 --> 00:28:11,760

if he could it would be flea market

641

00:28:15,350 --> 00:28:13,039

stuff but he always try to

642

00:28:17,590 --> 00:28:15,360

overcompensate you know like

643

00:28:19,590 --> 00:28:17,600

yeah like uh i know you wanted a brand

644

00:28:21,350 --> 00:28:19,600

new bike but i got you three junkie

645

00:28:22,950 --> 00:28:21,360

bikes from the flea market and some

646

00:28:24,870 --> 00:28:22,960

spray paint

647

00:28:26,710 --> 00:28:24,880

you know like all right we'll fix it up

648

00:28:29,430 --> 00:28:26,720

i'll help you fix it up that's how my

649

00:28:31,430 --> 00:28:29,440

dad was or like busted computers you

650

00:28:34,070 --> 00:28:31,440

know i want a new i want a real computer

651

00:28:36,070 --> 00:28:34,080

dad no no no you'll learn more here

652

00:28:37,909 --> 00:28:36,080

we'll get these broken ones

653

00:28:39,750 --> 00:28:37,919

you know and you try to figure out how

654

00:28:41,750 --> 00:28:39,760

what's why it's broken try to get it

655

00:28:44,549 --> 00:28:41,760

working you know i'm like first of all

656

00:28:45,909 --> 00:28:44,559

it's from 1975 and i don't care if i get

657

00:28:47,909 --> 00:28:45,919

it working but

658

00:28:50,549 --> 00:28:47,919

yeah well that's your thing right you're

659

00:28:53,110 --> 00:28:50,559

a computer guy right yeah well i i guess

660

00:28:54,789 --> 00:28:53,120

i was before covid you know most of my

661

00:28:57,110 --> 00:28:54,799

business used to be fixing people's

662

00:28:59,029 --> 00:28:57,120

computers in-house

663

00:28:59,909 --> 00:28:59,039

at your door service in other words

664

00:29:01,909 --> 00:28:59,919

instead of

665

00:29:04,389 --> 00:29:01,919

taking your laptop somewhere they would

666

00:29:06,230 --> 00:29:04,399

just call my company and i would go and

667

00:29:08,470 --> 00:29:06,240

fix it right there and give them an

668

00:29:10,630 --> 00:29:08,480

invoice but because kovid nobody wants

669

00:29:18,149 --> 00:29:10,640

me anywhere near them you know

670

00:29:21,909 --> 00:29:20,310

but honestly it kind of it was good that

671

00:29:24,230 --> 00:29:21,919

that happened because

672

00:29:26,389 --> 00:29:24,240

i started my company to be a technology

673

00:29:28,789 --> 00:29:26,399

company so that i could develop

674

00:29:29,990 --> 00:29:28,799

computers and computer products and

675

00:29:31,190 --> 00:29:30,000

software

676

00:29:33,190 --> 00:29:31,200

and then

677

00:29:35,590 --> 00:29:33,200

you quickly figure out that that's a

678

00:29:38,950 --> 00:29:35,600

long road map to get to profitability

679

00:29:40,389 --> 00:29:38,960

doing that stuff so i kind of fell into

680

00:29:42,070 --> 00:29:40,399

well i'm great with fixing computers

681

00:29:43,830 --> 00:29:42,080

i'll just fix everybody you know and

682

00:29:45,830 --> 00:29:43,840

then it turned into i wasn't doing

683

00:29:48,149 --> 00:29:45,840

anything but you know

684

00:29:49,750 --> 00:29:48,159

and there's only so many laptop screens

685

00:29:52,230 --> 00:29:49,760

you can replace before you're sick of

686

00:29:54,549 --> 00:29:52,240

doing that every day you know so i'm

687

00:29:56,870 --> 00:29:54,559

kind of back to uh i'm kind of back to

688

00:29:58,950 --> 00:29:56,880

tinkering now and trying to get a

689

00:30:00,870 --> 00:29:58,960

product to sell

690

00:30:03,190 --> 00:30:00,880

and that's going good it's just

691

00:30:05,830 --> 00:30:03,200

like i said it's a slow road to

692

00:30:07,909 --> 00:30:05,840

some kind of profitability so but i'm

693

00:30:09,190 --> 00:30:07,919

glad though because it gave this code

694

00:30:11,830 --> 00:30:09,200

nightmare gave me an opportunity to

695

00:30:13,350 --> 00:30:11,840

start the show and work on this

696

00:30:14,470 --> 00:30:13,360

because you know you have a channel it

697

00:30:16,549 --> 00:30:14,480

takes

698

00:30:18,789 --> 00:30:16,559

everything and more to try to develop

699

00:30:21,430 --> 00:30:18,799

that channel that's right you know i

700

00:30:23,269 --> 00:30:21,440

only started it's not even a year yet i

701  
00:30:25,269 --> 00:30:23,279  
had this channel up and i've been very

702  
00:30:27,430 --> 00:30:25,279  
blessed thank god a lot of people have

703  
00:30:29,590 --> 00:30:27,440  
taken yeah you got more subs than me

704  
00:30:30,630 --> 00:30:29,600  
bastard yeah right look at that like i

705  
00:30:33,430 --> 00:30:30,640  
don't know i don't know how many

706  
00:30:37,029 --> 00:30:33,440  
starters or anything but i mean um i

707  
00:30:39,110 --> 00:30:37,039  
think i have 3700 but you're at like

708  
00:30:40,310 --> 00:30:39,120  
probably like a thousand more than you

709  
00:30:46,789 --> 00:30:40,320  
yeah

710  
00:30:48,470 --> 00:30:46,799  
thought about putting a lot of ufo

711  
00:30:51,269 --> 00:30:48,480  
footage on my channel but

712  
00:30:53,590 --> 00:30:51,279  
i just decided against it because

713  
00:30:55,669 --> 00:30:53,600

i'm not sure that there's a lot of value

714

00:30:58,230 --> 00:30:55,679

in some of the stuff if you can't prove

715

00:31:00,230 --> 00:30:58,240

you know prove what it is you know but

716

00:31:02,230 --> 00:31:00,240

you're right it's still mysterious and

717

00:31:03,430 --> 00:31:02,240

still people like to watch it it's like

718

00:31:05,269 --> 00:31:03,440

something that's just like that three

719

00:31:07,990 --> 00:31:05,279

lights video what the hell is that it's

720

00:31:10,789 --> 00:31:08,000

just cool who knows what it is who knows

721

00:31:13,909 --> 00:31:10,799

what it is it's a ufo that's what it is

722

00:31:16,950 --> 00:31:13,919

it's an identified flying object

723

00:31:19,029 --> 00:31:16,960

yeah and and uh i guess you can't i

724

00:31:21,269 --> 00:31:19,039

don't understand that the other people

725

00:31:23,029 --> 00:31:21,279

saying uap all the time now to me it's

726

00:31:25,669 --> 00:31:23,039

let's always i will never

727

00:31:27,430 --> 00:31:25,679

i will never say uap i mean there's a

728

00:31:31,990 --> 00:31:27,440

government term to me it'll always be

729

00:31:36,549 --> 00:31:33,269

about you

730

00:31:38,149 --> 00:31:36,559

yeah i i i just grew up with ufo

731

00:31:40,310 --> 00:31:38,159

what's wrong with that term what's wrong

732

00:31:41,750 --> 00:31:40,320

with that term is right yeah they i

733

00:31:43,029 --> 00:31:41,760

don't know why but they came up with

734

00:31:44,950 --> 00:31:43,039

this whole new term and you're right

735

00:31:46,789 --> 00:31:44,960

it's the government that uses that term

736

00:31:48,870 --> 00:31:46,799

uap

737

00:31:50,789 --> 00:31:48,880

like differentiation

738

00:31:53,350 --> 00:31:50,799

the government changes the nomenclature

739

00:31:54,710 --> 00:31:53,360

on things like they change toilet paper

740

00:31:55,909 --> 00:31:54,720

they just don't want the public to know

741

00:31:58,230 --> 00:31:55,919

what they're talking about so they're

742

00:32:00,310 --> 00:31:58,240

constantly changing it you know

743

00:32:02,870 --> 00:32:00,320

yeah did you see that new program and

744

00:32:04,470 --> 00:32:02,880

it's got a big long acronym and i

745

00:32:06,470 --> 00:32:04,480

thought the same thing somebody else

746

00:32:08,630 --> 00:32:06,480

tweeted like just what the ufo community

747

00:32:11,110 --> 00:32:08,640

needs another acronym

748

00:32:13,269 --> 00:32:11,120

and it's some big long one too it's like

749

00:32:15,269 --> 00:32:13,279

four or five letters you know i don't

750

00:32:16,470 --> 00:32:15,279

recall what it is off hand

751  
00:32:18,870 --> 00:32:16,480  
so do you think they're gonna do

752  
00:32:20,710 --> 00:32:18,880  
anything useful with that program or are

753  
00:32:23,669 --> 00:32:20,720  
they gonna just waste 20 million dollars

754  
00:32:25,110 --> 00:32:23,679  
again well i heard that uh sometime the

755  
00:32:26,789 --> 00:32:25,120  
end of this month was supposed to get

756  
00:32:29,669 --> 00:32:26,799  
some big news

757  
00:32:31,750 --> 00:32:29,679  
and uh if we do get big news i think

758  
00:32:34,149 --> 00:32:31,760  
it's gonna be one of two things

759  
00:32:37,110 --> 00:32:34,159  
either the space force is gonna get some

760  
00:32:38,389 --> 00:32:37,120  
technology that they can actually use in

761  
00:32:39,509 --> 00:32:38,399  
space

762  
00:32:41,830 --> 00:32:39,519  
or

763  
00:32:44,789 --> 00:32:41,840

uh we're gonna try to beat china on a

764

00:32:45,750 --> 00:32:44,799

hypersonic rocket if we have not already

765

00:32:47,350 --> 00:32:45,760

done it

766

00:32:48,630 --> 00:32:47,360

that might be the one of the two things

767

00:32:50,950 --> 00:32:48,640

that come out

768

00:32:53,269 --> 00:32:50,960

within the next month a hypersonic

769

00:32:56,630 --> 00:32:53,279

rocket can you explain what that is uh

770

00:32:59,029 --> 00:32:56,640

china developed a hypersonic missile uh

771

00:33:01,830 --> 00:32:59,039

it traveled around the world and i

772

00:33:03,110 --> 00:33:01,840

believe nine minutes uh it

773

00:33:05,190 --> 00:33:03,120

i may be wrong

774

00:33:06,870 --> 00:33:05,200

i think i heard about that yeah uh and

775

00:33:08,870 --> 00:33:06,880

uh it worked

776

00:33:11,750 --> 00:33:08,880

which is very frightening

777

00:33:13,190 --> 00:33:11,760

uh and and it makes me think to myself

778

00:33:14,870 --> 00:33:13,200

who allowed them to fly this thing

779

00:33:16,870 --> 00:33:14,880

around the world golf a bit of fell out

780

00:33:19,269 --> 00:33:16,880

of the sky and failed and it crashed

781

00:33:21,110 --> 00:33:19,279

into a country and that country had no

782

00:33:23,830 --> 00:33:21,120

idea that this thing was even

783

00:33:26,710 --> 00:33:23,840

up in its airspace you know that that's

784

00:33:30,230 --> 00:33:26,720

pretty scary to think about

785

00:33:32,230 --> 00:33:30,240

yeah i i i'm really and i used to be

786

00:33:33,909 --> 00:33:32,240

very interested in rockets

787

00:33:37,110 --> 00:33:33,919

when i was a kid i would build them and

788

00:33:39,909 --> 00:33:37,120

i even built my own engines you know

789

00:33:40,870 --> 00:33:39,919

it's funny like stump remover and uh and

790

00:33:42,950 --> 00:33:40,880

sugar

791

00:33:45,350 --> 00:33:42,960

they call it rocket candy

792

00:33:47,350 --> 00:33:45,360

and yeah you you make it and you jam it

793

00:33:49,029 --> 00:33:47,360

in the tube and you know i used to

794

00:33:50,870 --> 00:33:49,039

there's it's so funny you can't even buy

795

00:33:52,070 --> 00:33:50,880

the supplies to do this i have kids so i

796

00:33:54,630 --> 00:33:52,080

was thinking oh i'm going to make some

797

00:33:57,110 --> 00:33:54,640

rockets and shoot them off with my sons

798

00:33:59,669 --> 00:33:57,120

and i went to try to get fuse cord

799

00:34:02,310 --> 00:33:59,679

you can't get since 9 11 you can't get

800

00:34:07,029 --> 00:34:04,870

no fuse cord bro so i have to

801  
00:34:09,510 --> 00:34:07,039  
use those electronic detonators that are

802  
00:34:11,589 --> 00:34:09,520  
expensive you know that the it's just a

803  
00:34:13,589 --> 00:34:11,599  
detonator you stick in a 9-volt battery

804  
00:34:15,109 --> 00:34:13,599  
like the models use

805  
00:34:16,470 --> 00:34:15,119  
but i used to be really interested in

806  
00:34:18,550 --> 00:34:16,480  
rockets but then

807  
00:34:19,909 --> 00:34:18,560  
it's just kind of like boring technology

808  
00:34:21,589 --> 00:34:19,919  
after a while it's basically like

809  
00:34:23,589 --> 00:34:21,599  
sitting on a firecracker it doesn't

810  
00:34:25,510 --> 00:34:23,599  
interest me as much as it used to i'm

811  
00:34:27,990 --> 00:34:25,520  
more interested in more exotic things

812  
00:34:29,589 --> 00:34:28,000  
right like just one

813  
00:34:32,470 --> 00:34:29,599

like the jetson one or what the

814

00:34:34,389 --> 00:34:32,480

government may have or you know uh some

815

00:34:36,550 --> 00:34:34,399

of these

816

00:34:39,270 --> 00:34:36,560

alternative propulsion that may be out

817

00:34:40,629 --> 00:34:39,280

there that we don't know about

818

00:34:43,430 --> 00:34:40,639

we're not supposed to know about some of

819

00:34:46,149 --> 00:34:43,440

this stuff right

820

00:34:47,669 --> 00:34:46,159

you know i would love to know a fraction

821

00:34:50,310 --> 00:34:47,679

of what the government has in their

822

00:34:52,790 --> 00:34:50,320

arsenal just a tiny fraction

823

00:34:54,950 --> 00:34:52,800

of of what our tax dollars are going to

824

00:34:56,149 --> 00:34:54,960

just just give us a little something

825

00:35:00,069 --> 00:34:56,159

you know

826

00:35:02,470 --> 00:35:00,079

what you're working with let us feel

827

00:35:05,030 --> 00:35:02,480

safe now that we know that china has

828

00:35:07,030 --> 00:35:05,040

that hypersonic rocket well not only

829

00:35:08,950 --> 00:35:07,040

like just give us a little something

830

00:35:10,790 --> 00:35:08,960

to talk to jeremy rya's alien scientist

831

00:35:12,069 --> 00:35:10,800

about some of this electrogravitic

832

00:35:16,950 --> 00:35:12,079

technology

833

00:35:21,270 --> 00:35:18,470

it's amazing

834

00:35:22,870 --> 00:35:21,280

that they in the 50s

835

00:35:24,190 --> 00:35:22,880

everybody was convinced that they were

836

00:35:27,270 --> 00:35:24,200

going to have

837

00:35:29,430 --> 00:35:27,280

electrogravitic propulsion any day

838

00:35:31,910 --> 00:35:29,440

it was all over all of the technology

839

00:35:33,829 --> 00:35:31,920

magazines airplane magazines or

840

00:35:36,069 --> 00:35:33,839

periodicals at the time there was

841

00:35:37,829 --> 00:35:36,079

newspaper articles you know

842

00:35:38,950 --> 00:35:37,839

propulsion of the future would be

843

00:35:41,670 --> 00:35:38,960

electric

844

00:35:43,190 --> 00:35:41,680

and then it all disappeared it all

845

00:35:45,910 --> 00:35:43,200

disappeared and went into the black

846

00:35:47,109 --> 00:35:45,920

world and black budget projects and now

847

00:35:48,710 --> 00:35:47,119

nobody knows

848

00:35:50,950 --> 00:35:48,720

and that's the problem

849

00:35:53,510 --> 00:35:50,960

yeah and the technology that is known of

850

00:35:55,670 --> 00:35:53,520

that stuff is from 1950

851  
00:35:57,270 --> 00:35:55,680  
the experiments that were publicly done

852  
00:36:00,150 --> 00:35:57,280  
tea towns and brown and all these other

853  
00:36:01,750 --> 00:36:00,160  
things so i'm always curious why did

854  
00:36:04,710 --> 00:36:01,760  
that technology that everybody thought

855  
00:36:07,510 --> 00:36:04,720  
was so promising and we we had boeing

856  
00:36:09,670 --> 00:36:07,520  
lockheed all these all the major

857  
00:36:12,069 --> 00:36:09,680  
aircraft companies hughes aircraft they

858  
00:36:14,950 --> 00:36:12,079  
were all working skunk works they're all

859  
00:36:17,190 --> 00:36:14,960  
working on electrogravitic technology

860  
00:36:19,190 --> 00:36:17,200  
and then it all just disappeared well i

861  
00:36:20,790 --> 00:36:19,200  
actually went i actually believe they

862  
00:36:23,030 --> 00:36:20,800  
they came up with some didn't they come

863  
00:36:25,270 --> 00:36:23,040

up with the uh aurora

864

00:36:27,270 --> 00:36:25,280

yeah but that's still not a

865

00:36:29,270 --> 00:36:27,280

it that electro gravity

866

00:36:31,910 --> 00:36:29,280

a lot of people a lot of people claim

867

00:36:34,790 --> 00:36:31,920

that and it also has sort of pulsed the

868

00:36:36,790 --> 00:36:34,800

jet right because the smoke plume

869

00:36:39,750 --> 00:36:36,800

yeah it's like rings

870

00:36:42,630 --> 00:36:39,760

rings right so that would be your

871

00:36:45,030 --> 00:36:42,640

electro gravitic uh stature when it's

872

00:36:46,790 --> 00:36:45,040

taken off that would be his signature

873

00:36:49,750 --> 00:36:46,800

from what i understand

874

00:36:51,910 --> 00:36:49,760

yeah i i don't know but but the aurora

875

00:36:53,990 --> 00:36:51,920

is often talked about but never proven

876

00:36:54,950 --> 00:36:54,000

to exist but i'm sure that it has to

877

00:36:56,870 --> 00:36:54,960

because

878

00:36:59,829 --> 00:36:56,880

they didn't they didn't mothball the

879

00:37:02,390 --> 00:36:59,839

sr-71 and then not make it right

880

00:37:04,150 --> 00:37:02,400

something else absolutely not even with

881

00:37:07,190 --> 00:37:04,160

the advent of satellites which made

882

00:37:10,069 --> 00:37:07,200

spying a lot easier they still need to

883

00:37:11,750 --> 00:37:10,079

direct an aircraft where they want it to

884

00:37:14,230 --> 00:37:11,760

get certain

885

00:37:15,270 --> 00:37:14,240

intel and information so i'm sure that

886

00:37:17,589 --> 00:37:15,280

the

887

00:37:19,589 --> 00:37:17,599

something like an aurora has to exist we

888

00:37:22,230 --> 00:37:19,599

just don't know about it yet right it's

889

00:37:23,750 --> 00:37:22,240

going to stay in black budget projects

890

00:37:25,430 --> 00:37:23,760

until the time comes where they got to

891

00:37:26,230 --> 00:37:25,440

pull it out

892

00:37:28,390 --> 00:37:26,240

yeah

893

00:37:30,150 --> 00:37:28,400

what's really what's really aggravated

894

00:37:32,550 --> 00:37:30,160

me though so much

895

00:37:35,109 --> 00:37:32,560

is that the same 10 faces are always on

896

00:37:38,069 --> 00:37:35,119

the news you got your jeremy

897

00:37:40,630 --> 00:37:38,079

you got your dave wilcox you got your

898

00:37:42,390 --> 00:37:40,640

nick pope the joke i mean you got all

899

00:37:44,710 --> 00:37:42,400

these people out there all these

900

00:37:46,790 --> 00:37:44,720

[h\_\_\h] artists that's why i got into

901  
00:37:49,190 --> 00:37:46,800  
the field i said you know what if i

902  
00:37:50,950 --> 00:37:49,200  
could fill the real deal and i could

903  
00:37:53,349 --> 00:37:50,960  
show everybody that i'm not going to

904  
00:37:55,670 --> 00:37:53,359  
show fake stuff i'm going to show real

905  
00:37:58,390 --> 00:37:55,680  
stuff maybe i could be the next guy when

906  
00:37:59,349 --> 00:37:58,400  
these older guys retalia you know maybe

907  
00:38:01,670 --> 00:37:59,359  
i could

908  
00:38:04,069 --> 00:38:01,680  
get up there yeah

909  
00:38:05,910 --> 00:38:04,079  
not those old losers right out of the

910  
00:38:07,750 --> 00:38:05,920  
pool yeah

911  
00:38:09,829 --> 00:38:07,760  
it's time to get fresh i think it's time

912  
00:38:11,829 --> 00:38:09,839  
i think it's been time for these a lot

913  
00:38:13,430 --> 00:38:11,839

of these guys to go they made enough

914

00:38:15,910 --> 00:38:13,440

money some of them have made hundreds

915

00:38:17,750 --> 00:38:15,920

and hundreds of thousands of dollars

916

00:38:19,190 --> 00:38:17,760

and what have they done nothing what

917

00:38:20,470 --> 00:38:19,200

have they produced they lied to the

918

00:38:22,870 --> 00:38:20,480

public

919

00:38:24,870 --> 00:38:22,880

yeah that's what they all do i guess and

920

00:38:26,790 --> 00:38:24,880

you know you know what sucks is that you

921

00:38:29,109 --> 00:38:26,800

and i have this kind of handicap called

922

00:38:31,670 --> 00:38:29,119

morals right and ethics like i've

923

00:38:34,310 --> 00:38:31,680

watched a bunch of your videos and and

924

00:38:36,710 --> 00:38:34,320

uh you're you're you're never like

925

00:38:39,349 --> 00:38:36,720

like you could for some of these ufo

926

00:38:40,710 --> 00:38:39,359

videos tell people it's a scout ship

927

00:38:44,470 --> 00:38:40,720

it's a mother ship like some of these

928

00:38:46,710 --> 00:38:44,480

other clowns do and get a hundred more

929

00:38:49,190 --> 00:38:46,720

a hundred times more views if you

930

00:38:50,950 --> 00:38:49,200

embellished a little more about what i'm

931

00:38:52,790 --> 00:38:50,960

doing but you're very fact-based and

932

00:38:54,870 --> 00:38:52,800

here's the night that i recorded this

933

00:38:56,870 --> 00:38:54,880

and here's what's going on and i want to

934

00:39:00,470 --> 00:38:56,880

share this with you guys

935

00:39:02,550 --> 00:39:00,480

and that's it it's not like uh

936

00:39:05,030 --> 00:39:02,560

yeah it's not a hyped up bunch of

937

00:39:06,550 --> 00:39:05,040

nonsense and see that's a handicap

938

00:39:07,990 --> 00:39:06,560

though because these guys are willing to

939

00:39:10,150 --> 00:39:08,000

just lie through their teeth they're the

940

00:39:11,670 --> 00:39:10,160

ones making 100 times more money than

941

00:39:12,950 --> 00:39:11,680

either of us

942

00:39:15,109 --> 00:39:12,960

but you know what it's not about the

943

00:39:17,270 --> 00:39:15,119

money that's the problem it's really not

944

00:39:18,950 --> 00:39:17,280

about the money it's about getting the

945

00:39:21,030 --> 00:39:18,960

truth out there that's what i'm all

946

00:39:22,870 --> 00:39:21,040

about i want to get the truth out there

947

00:39:24,550 --> 00:39:22,880

i want to open the eyes to the world and

948

00:39:26,950 --> 00:39:24,560

say this is what it is

949

00:39:29,430 --> 00:39:26,960

we really do have other beings living on

950

00:39:30,550 --> 00:39:29,440

other planets this is real you know what

951  
00:39:32,550 --> 00:39:30,560  
i mean

952  
00:39:34,790 --> 00:39:32,560  
i wanna i wanna figure that out i wanna

953  
00:39:37,109 --> 00:39:34,800  
bring that to the world

954  
00:39:39,349 --> 00:39:37,119  
yeah so we have somebody asking for you

955  
00:39:41,190 --> 00:39:39,359  
to expand on real stuff instead of the

956  
00:39:43,349 --> 00:39:41,200  
malarkey i think people are probably

957  
00:39:45,349 --> 00:39:43,359  
sick of me uh it's like i beat a dead

958  
00:39:46,710 --> 00:39:45,359  
horse here these people already know

959  
00:39:49,109 --> 00:39:46,720  
that you know

960  
00:39:51,510 --> 00:39:49,119  
it's funny though sometimes i'm like god

961  
00:39:53,750 --> 00:39:51,520  
damn it david wilcock he just made

962  
00:39:56,390 --> 00:39:53,760  
another four hour video and i gotta

963  
00:39:58,550 --> 00:39:56,400

listen to all four hours of it why so i

964

00:40:00,790 --> 00:39:58,560

could go to my show and tell people who

965

00:40:03,030 --> 00:40:00,800

already know he's a liar that he's a

966

00:40:04,390 --> 00:40:03,040

liar again or still it's kind of

967

00:40:05,670 --> 00:40:04,400

ridiculous

968

00:40:07,430 --> 00:40:05,680

somebody just

969

00:40:10,710 --> 00:40:07,440

they should just sue him and get it over

970

00:40:14,069 --> 00:40:10,720

it he's clearly committing fraud

971

00:40:15,910 --> 00:40:14,079

yeah i you know i i've nobody sued him

972

00:40:17,750 --> 00:40:15,920

i've long thought that he's got to be

973

00:40:19,670 --> 00:40:17,760

connected to the government somehow and

974

00:40:22,069 --> 00:40:19,680

they're letting him go with these scams

975

00:40:24,390 --> 00:40:22,079

because they liked him spreading this

976

00:40:26,230 --> 00:40:24,400

alien garbage i mean after all the

977

00:40:27,510 --> 00:40:26,240

latest is that there's a secret space

978

00:40:29,510 --> 00:40:27,520

war and

979

00:40:35,910 --> 00:40:29,520

what is it reptilians and greys want to

980

00:40:35,920 --> 00:40:40,870

fresh meat

981

00:40:46,150 --> 00:40:44,150

it's so crazy right it is it's crazy

982

00:40:48,230 --> 00:40:46,160

that he has a huge following though look

983

00:40:50,150 --> 00:40:48,240

at the extent some of these lies go to

984

00:40:52,550 --> 00:40:50,160

though look at the what's his name that

985

00:40:54,630 --> 00:40:52,560

cut his fingers off uh yeah phil

986

00:40:57,670 --> 00:40:54,640

schneider yeah no schneider look at the

987

00:40:59,510 --> 00:40:57,680

extent that he went to to tell a story a

988

00:41:01,910 --> 00:40:59,520

[h\_\_h] story good story he would have

989

00:41:03,430 --> 00:41:01,920

made more money selling comic books but

990

00:41:05,270 --> 00:41:03,440

i mean

991

00:41:07,190 --> 00:41:05,280

you cut your fingers off to say you had

992

00:41:09,270 --> 00:41:07,200

an alien war

993

00:41:11,750 --> 00:41:09,280

the minute he said there was yeah but we

994

00:41:13,109 --> 00:41:11,760

don't know that he cut his fingers off

995

00:41:14,710 --> 00:41:13,119

we don't know that he cut his fingers

996

00:41:16,630 --> 00:41:14,720

off we don't know that he cut his

997

00:41:18,870 --> 00:41:16,640

fingers off just to tell the story or

998

00:41:21,030 --> 00:41:18,880

that he cut his fingers off

999

00:41:22,790 --> 00:41:21,040

for whatever reason and then years later

1000

00:41:25,109 --> 00:41:22,800

thought well this would be a good it was

1001  
00:41:27,589 --> 00:41:25,119  
like his super duper prover maneuver

1002  
00:41:29,510 --> 00:41:27,599  
right he would he would tell the story

1003  
00:41:31,750 --> 00:41:29,520  
and he would and he would hold his hand

1004  
00:41:33,109 --> 00:41:31,760  
back he wouldn't show his hand

1005  
00:41:34,950 --> 00:41:33,119  
and then when he got to the part of the

1006  
00:41:37,270 --> 00:41:34,960  
story about the battle with the aliens

1007  
00:41:39,030 --> 00:41:37,280  
he would say that the aliens shot him

1008  
00:41:41,829 --> 00:41:39,040  
with an energy weapon and melted his

1009  
00:41:45,030 --> 00:41:41,839  
fingers off and hold up his you know

1010  
00:41:46,790 --> 00:41:45,040  
fingerless thumbless hand yeah the claw

1011  
00:41:49,109 --> 00:41:46,800  
they weighed their hand in front of an

1012  
00:41:51,190 --> 00:41:49,119  
alien

1013  
00:41:53,990 --> 00:41:51,200

in one of his videos there's audible

1014

00:41:55,349 --> 00:41:54,000

gasps from the audience when he did that

1015

00:41:56,950 --> 00:41:55,359

yeah

1016

00:41:58,470 --> 00:41:56,960

it was like here's the super duper

1017

00:41:59,349 --> 00:41:58,480

prover maneuver

1018

00:42:01,190 --> 00:41:59,359

you know

1019

00:42:03,109 --> 00:42:01,200

and how many people bought tickets to

1020

00:42:05,510 --> 00:42:03,119

those shows how much money did that guy

1021

00:42:07,510 --> 00:42:05,520

make yeah and the funny thing is is like

1022

00:42:09,349 --> 00:42:07,520

i said these conference organizers are

1023

00:42:12,150 --> 00:42:09,359

in on it they're already

1024

00:42:15,750 --> 00:42:13,750

people who book

1025

00:42:18,390 --> 00:42:15,760

nick pope they know that he lied and he

1026  
00:42:19,829 --> 00:42:18,400  
never ran in a ufo program but he puts

1027  
00:42:22,150 --> 00:42:19,839  
butts in the seats

1028  
00:42:23,829 --> 00:42:22,160  
he was a horrified secretary wasn't he

1029  
00:42:26,069 --> 00:42:23,839  
yeah yeah but people want to hear him

1030  
00:42:28,550 --> 00:42:26,079  
talk about aliens so they they give him

1031  
00:42:30,230 --> 00:42:28,560  
a job i mean imagine that that dude must

1032  
00:42:32,390 --> 00:42:30,240  
be making bank 50 bucks for a

1033  
00:42:34,309 --> 00:42:32,400  
four-minute skype session

1034  
00:42:36,790 --> 00:42:34,319  
right 50 bucks

1035  
00:42:38,550 --> 00:42:36,800  
yeah for a four-minute skype

1036  
00:42:42,630 --> 00:42:38,560  
you can ask them a question

1037  
00:42:46,390 --> 00:42:44,470  
i may just do that record and ask him

1038  
00:42:48,470 --> 00:42:46,400

why he's a phony

1039

00:42:51,109 --> 00:42:48,480

i'll oh yeah i'll go halves i'll give

1040

00:42:54,950 --> 00:42:51,119

you 25.

1041

00:42:58,950 --> 00:42:56,710

yeah i don't know he blocked me because

1042

00:43:01,190 --> 00:42:58,960

i asked some questions and i asked the

1043

00:43:03,270 --> 00:43:01,200

questions respectfully like

1044

00:43:05,109 --> 00:43:03,280

yeah and jolly blocked me too she's

1045

00:43:06,790 --> 00:43:05,119

another one

1046

00:43:09,270 --> 00:43:06,800

yeah and people are sending me all kinds

1047

00:43:10,790 --> 00:43:09,280

of stuff about that and all i can say is

1048

00:43:12,470 --> 00:43:10,800

my defense is

1049

00:43:13,910 --> 00:43:12,480

you know i was kind of

1050

00:43:16,230 --> 00:43:13,920

i was kind of right where i'm at now

1051  
00:43:17,829 --> 00:43:16,240  
like just all bitter and jaded this is

1052  
00:43:19,670 --> 00:43:17,839  
too many there's too much of this stuff

1053  
00:43:21,270 --> 00:43:19,680  
is all fake and i don't care about this

1054  
00:43:22,470 --> 00:43:21,280  
anymore and then this story comes along

1055  
00:43:23,510 --> 00:43:22,480  
and i and everybody's talking about it

1056  
00:43:25,829 --> 00:43:23,520  
so i go

1057  
00:43:27,510 --> 00:43:25,839  
all right let's look into this one but i

1058  
00:43:30,390 --> 00:43:27,520  
knew how it was going to turn out now

1059  
00:43:32,790 --> 00:43:30,400  
she's we all did kick the can five more

1060  
00:43:35,030 --> 00:43:32,800  
what did she say now it's 20 27 there's

1061  
00:43:36,150 --> 00:43:35,040  
gonna be some solar event right and

1062  
00:43:38,230 --> 00:43:36,160  
people are saying that she's starting a

1063  
00:43:39,190 --> 00:43:38,240

doomsday cult i i don't know if that's

1064

00:43:41,510 --> 00:43:39,200

true

1065

00:43:43,510 --> 00:43:41,520

um

1066

00:43:45,270 --> 00:43:43,520

the blue chicken called

1067

00:43:48,710 --> 00:43:45,280

that that corey glue is a [\h\_\_\h]

1068

00:43:51,190 --> 00:43:48,720

artist so why not anjali start something

1069

00:43:52,390 --> 00:43:51,200

it's all [\h\_\_\h] it's all bs you know

1070

00:43:54,630 --> 00:43:52,400

that's that's what it comes down to

1071

00:43:57,190 --> 00:43:54,640

because if you really knew that there

1072

00:43:59,670 --> 00:43:57,200

was aliens in a cave i don't care who

1073

00:44:01,349 --> 00:43:59,680

you are you would be there tomorrow show

1074

00:44:03,030 --> 00:44:01,359

in the world no you wouldn't wait three

1075

00:44:04,150 --> 00:44:03,040

years i couldn't wait three i couldn't

1076

00:44:11,670 --> 00:44:04,160

wait three days

1077

00:44:16,230 --> 00:44:12,870

yeah

1078

00:44:18,630 --> 00:44:16,240

it's amazing though that like this

1079

00:44:22,550 --> 00:44:18,640

there seems to be these cycles right of

1080

00:44:24,390 --> 00:44:22,560

like oh no no a lot's going on and just

1081

00:44:26,390 --> 00:44:24,400

like you said earlier no offense but you

1082

00:44:29,430 --> 00:44:26,400

said earlier this people always say this

1083

00:44:31,910 --> 00:44:29,440

there's big news dropping soon

1084

00:44:33,430 --> 00:44:31,920

in ufos it's always

1085

00:44:36,309 --> 00:44:33,440

you know

1086

00:44:37,910 --> 00:44:36,319

this field goal is is right within reach

1087

00:44:40,309 --> 00:44:37,920

and we're going to get this big drop

1088

00:44:42,470 --> 00:44:40,319

soon and then it comes and it's it's

1089

00:44:44,630 --> 00:44:42,480

always a letdown yeah and then people

1090

00:44:46,230 --> 00:44:44,640

come up with these new things that say

1091

00:44:48,390 --> 00:44:46,240

you know corbell was pushing oh no

1092

00:44:50,550 --> 00:44:48,400

there's going to be a super clear

1093

00:44:53,270 --> 00:44:50,560

remember we heard there's going to be hd

1094

00:44:55,349 --> 00:44:53,280

government videos that are super clear

1095

00:44:57,670 --> 00:44:55,359

we never get them never get them people

1096

00:45:00,309 --> 00:44:57,680

are hyping that up i'd love to see some

1097

00:45:02,829 --> 00:45:00,319

hd i'm i'm still waiting to see

1098

00:45:05,270 --> 00:45:02,839

elizondo's 23 minute long

1099

00:45:06,390 --> 00:45:05,280

video you know i won't hold your breath

1100

00:45:07,910 --> 00:45:06,400

though

1101

00:45:11,349 --> 00:45:07,920

it's not gonna happen

1102

00:45:14,309 --> 00:45:11,359

yeah first of all the military has the

1103

00:45:15,510 --> 00:45:14,319

best technology in the world and you're

1104

00:45:17,510 --> 00:45:15,520

telling me that

1105

00:45:19,109 --> 00:45:17,520

they get the potato cameras yeah yeah

1106

00:45:20,870 --> 00:45:19,119

really

1107

00:45:22,710 --> 00:45:20,880

the cameras i'm using are better they

1108

00:45:26,230 --> 00:45:22,720

get better footage than with the

1109

00:45:29,030 --> 00:45:26,240

military showing us so it's all crap

1110

00:45:31,109 --> 00:45:29,040

yeah uh lee guy says ufo drop high noon

1111

00:45:33,670 --> 00:45:31,119

monetize your curiosity

1112

00:45:35,829 --> 00:45:33,680

yeah yeah and uh honestly some of that

1113

00:45:37,990 --> 00:45:35,839

jeremy corbell footage to me

1114

00:45:40,390 --> 00:45:38,000

was pretty laughable yours is more

1115

00:45:42,309 --> 00:45:40,400

compelling a lot of it is out of focus

1116

00:45:44,790 --> 00:45:42,319

airplanes what is this storm in the

1117

00:45:49,270 --> 00:45:44,800

russell rich giadano from goof on does

1118

00:45:54,069 --> 00:45:50,069

yeah

1119

00:45:59,589 --> 00:45:57,430

said that corbell was on tmz yesterday

1120

00:46:01,589 --> 00:45:59,599

and they called him a ufo expert i've

1121

00:46:04,710 --> 00:46:01,599

seen it i almost fell out of my chair

1122

00:46:06,390 --> 00:46:04,720

he's an expert yeah right i don't know

1123

00:46:08,950 --> 00:46:06,400

talking trash about that guy never gets

1124

00:46:17,030 --> 00:46:08,960

old but the guy doesn't even wear socks

1125

00:46:22,870 --> 00:46:20,230

oh that's great yeah and and hi to

1126  
00:46:25,349 --> 00:46:22,880  
transcary who's over in the twitch chat

1127  
00:46:27,670 --> 00:46:25,359  
probably by herself poor twitch twitch

1128  
00:46:29,030 --> 00:46:27,680  
isn't doing good what can i say i want

1129  
00:46:30,950 --> 00:46:29,040  
to remind people you can search for

1130  
00:46:32,470 --> 00:46:30,960  
truth seekers on odyssey now though

1131  
00:46:35,190 --> 00:46:32,480  
we're figuring out how we're going to be

1132  
00:46:37,270 --> 00:46:35,200  
live streaming to odyssey soon as well

1133  
00:46:39,990 --> 00:46:37,280  
and that girl jessica says it was

1134  
00:46:40,829 --> 00:46:40,000  
garbage i think referring to corbell's

1135  
00:46:43,589 --> 00:46:40,839  
uh

1136  
00:46:45,910 --> 00:46:43,599  
footage i mean you know what gets me is

1137  
00:46:48,950 --> 00:46:45,920  
that when when he gets this pyramid

1138  
00:46:51,190 --> 00:46:48,960

video that gets clearly shown to be

1139

00:46:54,069 --> 00:46:51,200

nothing out of the ordinary that the

1140

00:46:57,510 --> 00:46:54,079

light signature matches with faa lights

1141

00:46:59,990 --> 00:46:57,520

100 100 he doesn't come out and say

1142

00:47:02,870 --> 00:47:00,000

anything he just lets it ride and talks

1143

00:47:04,950 --> 00:47:02,880

about this new drop video that he's

1144

00:47:07,430 --> 00:47:04,960

gonna have and i also want to know how

1145

00:47:10,550 --> 00:47:07,440

is jeremy corbell getting

1146

00:47:13,270 --> 00:47:10,560

videos that the government owns can i

1147

00:47:17,990 --> 00:47:16,470

he's selling monetized views on videos

1148

00:47:20,230 --> 00:47:18,000

that he claims he's getting from the

1149

00:47:21,030 --> 00:47:20,240

government why does he get them and not

1150

00:47:23,510 --> 00:47:21,040

me

1151

00:47:25,910 --> 00:47:23,520

i wonder if jeremy corbell is hooked up

1152

00:47:27,510 --> 00:47:25,920

with some black budget program and he's

1153

00:47:30,390 --> 00:47:27,520

letting them he's telling them that hey

1154

00:47:32,150 --> 00:47:30,400

look if i put this footage on youtube

1155

00:47:33,750 --> 00:47:32,160

and we got a couple million hits we're

1156

00:47:36,150 --> 00:47:33,760

going to make a lot of money that can go

1157

00:47:37,910 --> 00:47:36,160

in to get funding that nobody's going to

1158

00:47:39,109 --> 00:47:37,920

the government's not going to trace and

1159

00:47:40,470 --> 00:47:39,119

that's probably how he's getting his

1160

00:47:43,270 --> 00:47:40,480

footage

1161

00:47:45,270 --> 00:47:43,280

i won't put it past him i just think i i

1162

00:47:47,349 --> 00:47:45,280

just think it's not fair how is he able

1163

00:47:49,750 --> 00:47:47,359

to legally sell

1164

00:47:51,589 --> 00:47:49,760

on his he's making money

1165

00:47:52,790 --> 00:47:51,599

with monetized views on his youtube

1166

00:47:54,950 --> 00:47:52,800

channel of

1167

00:47:56,470 --> 00:47:54,960

footage that he claims is from the

1168

00:47:58,710 --> 00:47:56,480

united states government so it belongs

1169

00:48:00,390 --> 00:47:58,720

to taxpayers that's right to me he

1170

00:48:03,109 --> 00:48:00,400

shouldn't have a right to make money off

1171

00:48:05,430 --> 00:48:03,119

of that i own that you own that we all

1172

00:48:07,270 --> 00:48:05,440

own that that's right i want my footage

1173

00:48:09,109 --> 00:48:07,280

damn it actually that reminds me you

1174

00:48:11,030 --> 00:48:09,119

know what i'm gonna do i'm gonna copy

1175

00:48:12,549 --> 00:48:11,040

those videos

1176

00:48:14,790 --> 00:48:12,559

off of his channel trying to take the

1177

00:48:16,390 --> 00:48:14,800

watermark off and then i'm gonna put it

1178

00:48:19,190 --> 00:48:16,400

right here i'm gonna monetize them and

1179

00:48:21,349 --> 00:48:19,200

put them on my channel

1180

00:48:23,190 --> 00:48:21,359

oh yeah well see then that's fair if he

1181

00:48:25,750 --> 00:48:23,200

can make money off of that all of us

1182

00:48:27,510 --> 00:48:25,760

should why not who was he he don't own

1183

00:48:28,950 --> 00:48:27,520

it it's a government property we all pay

1184

00:48:30,870 --> 00:48:28,960

taxes

1185

00:48:32,230 --> 00:48:30,880

i like this idea

1186

00:48:37,109 --> 00:48:32,240

yeah

1187

00:48:38,710 --> 00:48:37,119

have you looked have you followed this

1188

00:48:41,030 --> 00:48:38,720

galileo project because i'm a little

1189

00:48:43,430 --> 00:48:41,040

behind maybe you can help catch me up

1190

00:48:45,750 --> 00:48:43,440

the galileo project yeah i know this

1191

00:48:48,790 --> 00:48:45,760

abby lieb you know his astronomer and

1192

00:48:50,470 --> 00:48:48,800

he's the guy that with that you know

1193

00:48:51,829 --> 00:48:50,480

space rock that he thought might have

1194

00:48:53,750 --> 00:48:51,839

been an alien

1195

00:48:55,829 --> 00:48:53,760

pro spacecraft he's trying to get

1196

00:48:58,549 --> 00:48:55,839

together like uh i think it's a hundred

1197

00:49:00,309 --> 00:48:58,559

million dollars to try to find out about

1198

00:49:02,069 --> 00:49:00,319

alien life elsewhere

1199

00:49:03,109 --> 00:49:02,079

i believe that's what the project is and

1200

00:49:06,790 --> 00:49:03,119

he

1201  
00:49:08,549 --> 00:49:06,800  
you got veteran scientists that have

1202  
00:49:09,349 --> 00:49:08,559  
been trying to do this

1203  
00:49:12,549 --> 00:49:09,359  
for

1204  
00:49:22,230 --> 00:49:12,559  
40 50 years and they get no funding

1205  
00:49:26,230 --> 00:49:23,430  
i thought he just went to buy new

1206  
00:49:28,470 --> 00:49:26,240  
telescopes really expensive toys

1207  
00:49:30,470 --> 00:49:28,480  
and get somebody else to pay for it and

1208  
00:49:33,910 --> 00:49:30,480  
he could say well we're looking for ufos

1209  
00:49:37,430 --> 00:49:33,920  
so donate and now he's got now he's got

1210  
00:49:40,870 --> 00:49:37,440  
uh alexander and malin on his team

1211  
00:49:41,910 --> 00:49:40,880  
which right because that's the new tsa

1212  
00:49:43,109 --> 00:49:41,920  
uh

1213  
00:49:45,670 --> 00:49:43,119

those guys

1214

00:49:47,910 --> 00:49:45,680

that's el ellazano's new click

1215

00:49:49,829 --> 00:49:47,920

it's going to be what i view now

1216

00:49:53,510 --> 00:49:49,839

yeah and i never understood why nobody

1217

00:49:56,069 --> 00:49:53,520

asks or holds either melon or

1218

00:49:59,190 --> 00:49:56,079

alexander responsible for the money scam

1219

00:50:00,790 --> 00:49:59,200

grub scam that was ttsa like they just

1220

00:50:02,950 --> 00:50:00,800

get a pass they go on all these shows

1221

00:50:05,270 --> 00:50:02,960

nobody asks him about it but you know

1222

00:50:06,950 --> 00:50:05,280

and what happened to tom delong tom de

1223

00:50:08,870 --> 00:50:06,960

long was like the best interest sliced

1224

00:50:10,870 --> 00:50:08,880

bread when elizondo had him now you

1225

00:50:12,710 --> 00:50:10,880

don't even hear about him no more

1226

00:50:14,870 --> 00:50:12,720

yeah

1227

00:50:17,190 --> 00:50:14,880

i think he embarrassed them when he was

1228

00:50:18,390 --> 00:50:17,200

like on joe rogan showing joe rogan fake

1229

00:50:20,549 --> 00:50:18,400

videos

1230

00:50:22,630 --> 00:50:20,559

and not being able to and and saying

1231

00:50:24,710 --> 00:50:22,640

ridiculous stuff like tom delonge said

1232

00:50:27,109 --> 00:50:24,720

that they have some kind of material

1233

00:50:28,950 --> 00:50:27,119

that they could shoot you know with

1234

00:50:31,109 --> 00:50:28,960

electrons and it becomes lighter than

1235

00:50:33,910 --> 00:50:31,119

itself or so you know basically that

1236

00:50:35,990 --> 00:50:33,920

they have alien technology or something

1237

00:50:37,750 --> 00:50:36,000

and then we never see it we never see it

1238

00:50:39,510 --> 00:50:37,760

we hear stories but we never see it they

1239

00:50:40,710 --> 00:50:39,520

had oh and they had that whole warehouse

1240

00:50:44,150 --> 00:50:40,720

that was going to be

1241

00:50:45,109 --> 00:50:44,160

for storing these alien crash materials

1242

00:50:47,190 --> 00:50:45,119

right

1243

00:50:49,589 --> 00:50:47,200

but they're worried about tom delong you

1244

00:50:53,109 --> 00:50:49,599

got emery smith saying he dissected 3

1245

00:50:55,750 --> 00:50:53,119

000 uh aliens i mean give me a break

1246

00:50:57,589 --> 00:50:55,760

really oh no 3 000 tissue samples yeah

1247

00:50:59,589 --> 00:50:57,599

that's when he flipped it

1248

00:51:01,910 --> 00:50:59,599

and you know that's when he changed he

1249

00:51:04,470 --> 00:51:01,920

flipped the script uh initially it was

1250

00:51:09,030 --> 00:51:04,480

three thousand alien uh parts and body

1251

00:51:12,230 --> 00:51:10,870

he also said that he was a nasa

1252

00:51:14,390 --> 00:51:12,240

astronaut

1253

00:51:16,069 --> 00:51:14,400

right and his girlfriend said he was a

1254

00:51:18,549 --> 00:51:16,079

piece of garbage

1255

00:51:21,109 --> 00:51:18,559

and most recently he said that he was a

1256

00:51:22,950 --> 00:51:21,119

disabled vet which is a new claim that i

1257

00:51:25,589 --> 00:51:22,960

have not heard from him before

1258

00:51:28,470 --> 00:51:25,599

really well that's very easy to find out

1259

00:51:31,109 --> 00:51:28,480

you can uh get anybody's dd214 it's

1260

00:51:32,549 --> 00:51:31,119

public information it's like 50 bucks

1261

00:51:34,710 --> 00:51:32,559

you can find that anybody's

1262

00:51:37,270 --> 00:51:34,720

classification in the military right

1263

00:51:41,510 --> 00:51:39,510

if he truly was if he truly was a

1264

00:51:44,710 --> 00:51:41,520

disabled veteran he'd be getting a

1265

00:51:46,790 --> 00:51:44,720

disability check and i gotta wonder

1266

00:51:48,710 --> 00:51:46,800

how this how does disability feel about

1267

00:51:50,470 --> 00:51:48,720

him making thousands and thousands of

1268

00:51:52,549 --> 00:51:50,480

dollars talking about aliens on the

1269

00:51:54,470 --> 00:51:52,559

internet in addition to his disability

1270

00:51:55,670 --> 00:51:54,480

if he is getting a check

1271

00:51:57,829 --> 00:51:55,680

because if you're getting a disability

1272

00:52:00,470 --> 00:51:57,839

check you can't you can't

1273

00:52:02,790 --> 00:52:00,480

you know just go well i'm too disabled

1274

00:52:05,910 --> 00:52:02,800

to work but i'm gonna work on the

1275

00:52:08,870 --> 00:52:05,920

internet and sell alien [h\_\_h] stories

1276

00:52:11,109 --> 00:52:08,880

for thousands of dollars very true

1277

00:52:13,750 --> 00:52:11,119

yeah i i highly doubt it because if he's

1278

00:52:15,750 --> 00:52:13,760

getting any kind of disability even like

1279

00:52:17,430 --> 00:52:15,760

social security or anything like that

1280

00:52:19,270 --> 00:52:17,440

once they find out there's some kind of

1281

00:52:22,309 --> 00:52:19,280

major income coming in

1282

00:52:23,990 --> 00:52:22,319

they they cut you right off

1283

00:52:26,790 --> 00:52:24,000

yeah that's the way they work

1284

00:52:28,309 --> 00:52:26,800

yeah yeah i know a pi who's he worked

1285

00:52:29,829 --> 00:52:28,319

for insurance companies and that was

1286

00:52:30,950 --> 00:52:29,839

part of what he did is he went around

1287

00:52:32,950 --> 00:52:30,960

like

1288

00:52:34,470 --> 00:52:32,960

stalking people taking pictures of them

1289

00:52:35,670 --> 00:52:34,480

you know work in construction when they

1290

00:52:38,069 --> 00:52:35,680

were supposed to

1291

00:52:40,870 --> 00:52:38,079

be disabled with a bad back

1292

00:52:42,870 --> 00:52:40,880

and stuff like that you know

1293

00:52:45,109 --> 00:52:42,880

it happens people double they have a

1294

00:52:47,270 --> 00:52:45,119

they have a whole division allotted to

1295

00:52:49,829 --> 00:52:47,280

that all they do is sit outside your

1296

00:52:51,589 --> 00:52:49,839

home take pictures all day long

1297

00:52:53,589 --> 00:52:51,599

mikey and belly says take the money and

1298

00:52:55,990 --> 00:52:53,599

run that's how i feel this whole thing

1299

00:52:58,069 --> 00:52:56,000

is and me and you are doing it wrong

1300

00:53:00,150 --> 00:52:58,079

right we are doing it wrong but we're

1301  
00:53:01,829 --> 00:53:00,160  
being honest about it and i think that's

1302  
00:53:04,390 --> 00:53:01,839  
the most important i think that if you

1303  
00:53:06,470 --> 00:53:04,400  
stay honest as honest as you can be

1304  
00:53:07,910 --> 00:53:06,480  
you'll have long-term staying power

1305  
00:53:10,309 --> 00:53:07,920  
these people

1306  
00:53:11,990 --> 00:53:10,319  
that doesn't end well for for the corrie

1307  
00:53:13,030 --> 00:53:12,000  
good it doesn't

1308  
00:53:16,069 --> 00:53:13,040  
you know

1309  
00:53:17,990 --> 00:53:16,079  
like like i never want to be david

1310  
00:53:20,390 --> 00:53:18,000  
wilcox you know i never want to be

1311  
00:53:22,630 --> 00:53:20,400  
called out like that guy you know i i

1312  
00:53:24,630 --> 00:53:22,640  
would be so embarrassed

1313  
00:53:26,710 --> 00:53:24,640

that that half the world can't stand

1314

00:53:28,950 --> 00:53:26,720

that guy for the things that he's done i

1315

00:53:31,990 --> 00:53:28,960

i couldn't live with myself

1316

00:53:33,589 --> 00:53:32,000

so i read it it's i think that's why

1317

00:53:35,190 --> 00:53:33,599

that's why i keep checking in with that

1318

00:53:37,270 --> 00:53:35,200

guy though because like it's like what

1319

00:53:38,390 --> 00:53:37,280

the hell is this clay i'm going to say

1320

00:53:40,390 --> 00:53:38,400

next

1321

00:53:42,390 --> 00:53:40,400

it's just gets more and more ridiculous

1322

00:53:44,790 --> 00:53:42,400

now he's the father of any gravity and

1323

00:53:46,870 --> 00:53:44,800

uh right the archangel michael told them

1324

00:53:49,030 --> 00:53:46,880

that and he gave him all these new

1325

00:53:51,270 --> 00:53:49,040

prophecies and he's pivoting away from

1326

00:53:54,309 --> 00:53:51,280

aliens now it's angels that he's talking

1327

00:53:57,430 --> 00:53:54,319

to yeah i see angels every day but

1328

00:53:58,950 --> 00:53:57,440

they're tattooed to my arms

1329

00:54:00,549 --> 00:53:58,960

yeah cool

1330

00:54:02,230 --> 00:54:00,559

yeah i don't know i don't know how these

1331

00:54:04,309 --> 00:54:02,240

guys and and

1332

00:54:05,190 --> 00:54:04,319

somebody that's in the game

1333

00:54:07,670 --> 00:54:05,200

right

1334

00:54:09,430 --> 00:54:07,680

explained this to me said you you know

1335

00:54:11,430 --> 00:54:09,440

why they ignore all the critics and they

1336

00:54:13,750 --> 00:54:11,440

just keep going they're desperate to

1337

00:54:15,109 --> 00:54:13,760

just keep it going no matter what

1338

00:54:17,510 --> 00:54:15,119

happens

1339

00:54:20,150 --> 00:54:17,520

they got to keep it going that's right

1340

00:54:22,069 --> 00:54:20,160

2012 came and nobody got superpowers

1341

00:54:23,990 --> 00:54:22,079

let's go away for a few months hope

1342

00:54:25,270 --> 00:54:24,000

everybody forgets that that [h\_\_\h] i

1343

00:54:26,390 --> 00:54:25,280

said and i'll come back with new

1344

00:54:28,870 --> 00:54:26,400

[h\_\_\h]

1345

00:54:32,390 --> 00:54:28,880

because they know that they got steady

1346

00:54:34,790 --> 00:54:32,400

followers that are lonely old ladies and

1347

00:54:37,430 --> 00:54:34,800

just steady people that are gonna follow

1348

00:54:39,589 --> 00:54:37,440

and keep sending the money and they know

1349

00:54:41,670 --> 00:54:39,599

that money train will never end so they

1350

00:54:42,549 --> 00:54:41,680

gotta keep the bs rolling that's

1351

00:54:46,150 --> 00:54:42,559

somebody

1352

00:54:47,270 --> 00:54:46,160

that's wilcox crayon it's old hippie

1353

00:54:48,230 --> 00:54:47,280

chicks

1354

00:54:50,390 --> 00:54:48,240

oh

1355

00:54:51,990 --> 00:54:50,400

it's the same thing with the church

1356

00:54:55,910 --> 00:54:52,000

you know give give

1357

00:54:57,190 --> 00:54:55,920

give when you see those passes on tv

1358

00:54:59,510 --> 00:54:57,200

and then you catch up with him and the

1359

00:55:00,950 --> 00:54:59,520

pastor's driving a brand new rolls royce

1360

00:55:02,789 --> 00:55:00,960

and he's like you know i gotta drive

1361

00:55:05,030 --> 00:55:02,799

this rolls royce i gotta look good for

1362

00:55:06,789 --> 00:55:05,040

my church but uh you know then you got

1363

00:55:09,349 --> 00:55:06,799

some poor old lady that can't even feed

1364

00:55:11,190 --> 00:55:09,359

herself you know it's crazy

1365

00:55:13,430 --> 00:55:11,200

yeah even on a lower

1366

00:55:15,030 --> 00:55:13,440

level like i remember growing up my my

1367

00:55:16,789 --> 00:55:15,040

father's good friend was a minister and

1368

00:55:18,789 --> 00:55:16,799

somebody gave him a car

1369

00:55:20,870 --> 00:55:18,799

and it wasn't the greatest car but it

1370

00:55:23,349 --> 00:55:20,880

ran and it was decent

1371

00:55:25,270 --> 00:55:23,359

he sold it and then used that money and

1372

00:55:27,670 --> 00:55:25,280

some of his own money to buy like a

1373

00:55:29,270 --> 00:55:27,680

cadillac because you know i'm a minister

1374

00:55:32,829 --> 00:55:29,280

and i have to have a

1375

00:55:37,589 --> 00:55:35,270

yeah he just wrote a donkey bro he wrote

1376

00:55:39,270 --> 00:55:37,599

a donkey you know he didn't care about

1377

00:55:40,549 --> 00:55:39,280

the appearances i don't know i don't

1378

00:55:42,710 --> 00:55:40,559

know

1379

00:55:44,470 --> 00:55:42,720

i went to kazak school my entire life

1380

00:55:47,030 --> 00:55:44,480

and you know half the priests and

1381

00:55:49,270 --> 00:55:47,040

brothers were driving bicycles to school

1382

00:55:51,270 --> 00:55:49,280

yeah yeah me too i grew up i went to

1383

00:55:52,230 --> 00:55:51,280

catholic school we must have a similar

1384

00:55:54,630 --> 00:55:52,240

uh

1385

00:55:56,390 --> 00:55:54,640

torturing

1386

00:55:58,950 --> 00:55:56,400

my knuckles still hurt

1387

00:56:01,270 --> 00:55:58,960

yeah those nuns used to smack the crap

1388

00:56:03,349 --> 00:56:01,280

out of us man that's how i was when i

1389

00:56:05,430 --> 00:56:03,359

grew up if it wasn't the yardstick it

1390

00:56:08,390 --> 00:56:05,440

was an eraser you know

1391

00:56:10,549 --> 00:56:08,400

yeah so so this back to this uh this

1392

00:56:13,109 --> 00:56:10,559

galileo project i'm predicting a big

1393

00:56:15,910 --> 00:56:13,119

nothing burger from that i don't know

1394

00:56:17,829 --> 00:56:15,920

i i i don't know um audrey's got a lot

1395

00:56:19,270 --> 00:56:17,839

of back

1396

00:56:21,910 --> 00:56:19,280

he's got a lot of people backing him

1397

00:56:23,270 --> 00:56:21,920

right now a lot of money rolling in

1398

00:56:26,950 --> 00:56:23,280

yeah people are saying he's just looking

1399

00:56:30,870 --> 00:56:28,870

i mean who isn't looking for something

1400

00:56:31,829 --> 00:56:30,880

in the end the guy's writing the book of

1401

00:56:34,230 --> 00:56:31,839

course he's looking for as much

1402

00:56:36,710 --> 00:56:34,240

publicity as he's is going to get you

1403

00:56:38,710 --> 00:56:36,720

know every every podcast you see him on

1404

00:56:40,789 --> 00:56:38,720

he's got to be the center of attention

1405

00:56:42,549 --> 00:56:40,799

because the more attention that he gets

1406

00:56:45,109 --> 00:56:42,559

the better it looks for him or so he

1407

00:56:47,589 --> 00:56:45,119

thinks but i mean he's been babbling on

1408

00:56:49,750 --> 00:56:47,599

about a mova move for the longest time

1409

00:56:52,069 --> 00:56:49,760

the thing was just a speech rock you

1410

00:56:54,630 --> 00:56:52,079

know it wasn't it wasn't a ufo it was

1411

00:56:56,230 --> 00:56:54,640

just a a chunk of debris i'm still on

1412

00:56:57,910 --> 00:56:56,240

the fence about that i don't know some

1413

00:56:59,510 --> 00:56:57,920

of that stuff is like it's a little

1414

00:57:01,109 --> 00:56:59,520

compelling

1415

00:57:02,630 --> 00:57:01,119

i think i want to believe that it was

1416

00:57:04,150 --> 00:57:02,640

more than that but we all want to

1417

00:57:07,030 --> 00:57:04,160

believe that it was a you know

1418

00:57:08,549 --> 00:57:07,040

unidentified craft but

1419

00:57:09,750 --> 00:57:08,559

if they got close to earth don't you

1420

00:57:12,230 --> 00:57:09,760

think they would give us some kind of

1421

00:57:14,870 --> 00:57:12,240

signal yeah and he's the only he's the

1422

00:57:16,870 --> 00:57:14,880

only well-known or major astronomer that

1423

00:57:19,910 --> 00:57:16,880

thought that everybody else in that said

1424

00:57:22,390 --> 00:57:19,920

no no no it's a space rock it's because

1425

00:57:24,549 --> 00:57:22,400

the harvard title that makes him

1426

00:57:27,670 --> 00:57:24,559

credible you know if it was jeremy

1427

00:57:29,829 --> 00:57:27,680

corbell saying a movable was a was a you

1428

00:57:31,829 --> 00:57:29,839

know a spacecraft from a hundred million

1429

00:57:34,470 --> 00:57:31,839

years ago passing earth people would

1430

00:57:36,630 --> 00:57:34,480

have been like this guy's a quack

1431

00:57:38,789 --> 00:57:36,640

of course that somebody with the harvard

1432

00:57:40,470 --> 00:57:38,799

title before his name well this guy

1433

00:57:42,710 --> 00:57:40,480

could be credible you know

1434

00:57:45,270 --> 00:57:42,720

and that's what uh that's the scam that

1435

00:57:46,710 --> 00:57:45,280

put off and those guys used to do they

1436

00:57:49,030 --> 00:57:46,720

formed that thing and they called it the

1437

00:57:50,710 --> 00:57:49,040

stanford research institute

1438

00:57:53,430 --> 00:57:50,720

even though it had nothing to do with

1439

00:57:55,670 --> 00:57:53,440

stanford university i just named it that

1440

00:57:57,270 --> 00:57:55,680

so that it would sound credible

1441

00:57:59,190 --> 00:57:57,280

so they're like i'm the head of the

1442

00:58:01,430 --> 00:57:59,200

stanford research institute and people

1443

00:58:04,230 --> 00:58:01,440

went oh oh that's that's right because

1444

00:58:06,230 --> 00:58:04,240

they have the name and the titles

1445

00:58:08,789 --> 00:58:06,240

everybody thought like what it was

1446

00:58:10,630 --> 00:58:08,799

meanwhile he wasted millions of dollars

1447

00:58:12,870 --> 00:58:10,640

studying psychics and claiming that they

1448

00:58:15,510 --> 00:58:12,880

had real superpowers like yuri geller

1449

00:58:16,870 --> 00:58:15,520

who was using magic tricks to fool him

1450

00:58:20,069 --> 00:58:16,880

you know you're talking about the

1451

00:58:22,630 --> 00:58:20,079

spoonbender yeah yuri galler is

1452

00:58:26,230 --> 00:58:22,640

he was a stage magician before he was a

1453

00:58:29,510 --> 00:58:26,240

psychic and later in life more recently

1454

00:58:32,789 --> 00:58:29,520

he started working magic conventions and

1455

00:58:35,190 --> 00:58:32,799

selling a very expensive how to

1456

00:58:37,190 --> 00:58:35,200

do all his tricks dvd

1457

00:58:39,510 --> 00:58:37,200

to other magicians so he basically

1458

00:58:40,950 --> 00:58:39,520

admitted that he doesn't have psychic

1459

00:58:42,069 --> 00:58:40,960

powers it's all magic tricks and

1460

00:58:45,109 --> 00:58:42,079

conjuring

1461

00:58:47,349 --> 00:58:45,119

tricks from ages ago that he's using

1462

00:58:50,150 --> 00:58:47,359

but uh al put off swore that he had

1463

00:58:51,430 --> 00:58:50,160

super powers and and spent tons and tons

1464

00:58:54,630 --> 00:58:51,440

of money

1465

00:58:56,549 --> 00:58:54,640

on studying his superpowers the last the

1466

00:58:58,630 --> 00:58:56,559

last thing i heard about him was again

1467

00:59:04,630 --> 00:58:58,640

the guinness book of world records for

1468

00:59:08,230 --> 00:59:06,390

yeah he's always looking for publicity

1469

00:59:10,870 --> 00:59:08,240

for himself he he said he was going to

1470

00:59:13,589 --> 00:59:10,880

stop brexit with his superpowers and

1471

00:59:16,549 --> 00:59:13,599

stuff sure yes yeah yuri geller is a

1472

00:59:19,030 --> 00:59:16,559

hack uh you know i wanted to believe in

1473

00:59:20,470 --> 00:59:19,040

him growing up though but then uh

1474

00:59:22,069 --> 00:59:20,480

that you know

1475

00:59:23,990 --> 00:59:22,079

it just became clear after a while that

1476  
00:59:24,789 --> 00:59:24,000  
he was using magic tricks like everybody

1477  
00:59:26,789 --> 00:59:24,799  
else

1478  
00:59:29,270 --> 00:59:26,799  
and james randy if you look up james

1479  
00:59:31,990 --> 00:59:29,280  
randy yuri geller in google you'll find

1480  
00:59:34,870 --> 00:59:32,000  
a treasure trove of stories of james

1481  
00:59:37,510 --> 00:59:34,880  
randy just busting him out the wazoo for

1482  
00:59:39,910 --> 00:59:37,520  
all of his fakery and fraudery and

1483  
00:59:42,069 --> 00:59:39,920  
and randy revealed what he was actually

1484  
00:59:43,109 --> 00:59:42,079  
using to accomplish some of the stuff

1485  
00:59:45,670 --> 00:59:43,119  
you know

1486  
00:59:46,950 --> 00:59:45,680  
uh it's just amazing

1487  
00:59:48,870 --> 00:59:46,960  
but uh

1488  
00:59:51,270 --> 00:59:48,880

back to ufology what i can't seem to

1489

00:59:55,589 --> 00:59:51,280

wrap my head around is why is

1490

00:59:58,150 --> 00:59:55,599

cnn and fox and all these major networks

1491

01:00:01,190 --> 00:59:58,160

putting all these phonies on why does

1492

01:00:04,470 --> 01:00:01,200

gaia everybody on gaia tv

1493

01:00:07,349 --> 01:00:04,480

is if they're on gaia they're fake

1494

01:00:10,150 --> 01:00:07,359

i mean why are people flocking to that i

1495

01:00:12,870 --> 01:00:10,160

just i i can't wrap my head around it

1496

01:00:15,349 --> 01:00:12,880

you know why is fox news putting people

1497

01:00:16,950 --> 01:00:15,359

like jeremy corbell on air and making

1498

01:00:19,750 --> 01:00:16,960

him an expert

1499

01:00:22,390 --> 01:00:19,760

what expertise does he have

1500

01:00:23,750 --> 01:00:22,400

well he told them that he's a ufo expert

1501

01:00:26,069 --> 01:00:23,760

and that's good enough for a lot of

1502

01:00:28,470 --> 01:00:26,079

these producers that don't check or

1503

01:00:31,349 --> 01:00:28,480

vet anybody look at how many you know

1504

01:00:33,510 --> 01:00:31,359

like nick pope lied to larry king tv

1505

01:00:36,230 --> 01:00:33,520

show and said hey i ran this british

1506

01:00:38,470 --> 01:00:36,240

government uh ufo group they didn't

1507

01:00:39,910 --> 01:00:38,480

check they just went oh okay we'll have

1508

01:00:42,069 --> 01:00:39,920

you on as a guest

1509

01:00:44,230 --> 01:00:42,079

nobody checks you know i like to think

1510

01:00:46,950 --> 01:00:44,240

i'm an expert in a lot of things

1511

01:00:49,349 --> 01:00:46,960

you know uh throughout my career uh i

1512

01:00:51,270 --> 01:00:49,359

worked in law enforcement i i have

1513

01:00:52,870 --> 01:00:51,280

multiple certifications from the federal

1514

01:00:55,829 --> 01:00:52,880

government from fema

1515

01:00:57,990 --> 01:00:55,839

um and you know just different things uh

1516

01:01:00,390 --> 01:00:58,000

how to clean up radio and biological

1517

01:01:03,030 --> 01:01:00,400

waste and and all kinds of things and

1518

01:01:05,990 --> 01:01:03,040

guess i'm an expert in those subjects

1519

01:01:08,309 --> 01:01:06,000

but i'm not an expert per se in ufology

1520

01:01:11,430 --> 01:01:08,319

why because a ufo never landed in my

1521

01:01:13,589 --> 01:01:11,440

backyard i never took the thing apart i

1522

01:01:15,990 --> 01:01:13,599

never met aliens so you know you know

1523

01:01:17,990 --> 01:01:16,000

and neither has any of them so you know

1524

01:01:20,390 --> 01:01:18,000

how can you give them such a title you

1525

01:01:22,230 --> 01:01:20,400

know it's astonishing

1526

01:01:24,390 --> 01:01:22,240

i know and unfortunately we have these

1527

01:01:25,589 --> 01:01:24,400

ufo circle jerkers that i talk about all

1528

01:01:26,470 --> 01:01:25,599

the time

1529

01:01:27,589 --> 01:01:26,480

and

1530

01:01:33,829 --> 01:01:27,599

i

1531

01:01:35,750 --> 01:01:33,839

to somebody's show or channel

1532

01:01:36,789 --> 01:01:35,760

and then i look at the subscribers that

1533

01:01:39,990 --> 01:01:36,799

they got

1534

01:01:41,670 --> 01:01:40,000

and and i just i lose my mind and then i

1535

01:01:44,150 --> 01:01:41,680

look at their guests

1536

01:01:46,789 --> 01:01:44,160

and then i listen to some of it and i go

1537

01:01:50,390 --> 01:01:46,799

you didn't even ask this guy about all

1538

01:01:54,630 --> 01:01:52,710

nobody likes no hardball questions they

1539

01:01:56,309 --> 01:01:54,640

just do the ufos circle jerk give

1540

01:01:59,589 --> 01:01:56,319

everybody what they want

1541

01:02:00,630 --> 01:01:59,599

and uh and they their numbers go up and

1542

01:02:02,710 --> 01:02:00,640

up and up

1543

01:02:05,990 --> 01:02:02,720

because everybody's it's like a big

1544

01:02:07,829 --> 01:02:06,000

psyop game that everybody's playing like

1545

01:02:09,990 --> 01:02:07,839

let's all get together and talk about

1546

01:02:11,589 --> 01:02:10,000

ufos but we'll ignore all the elephants

1547

01:02:13,270 --> 01:02:11,599

in the room and this girl is going to

1548

01:02:15,109 --> 01:02:13,280

come on and tell us about her child

1549

01:02:16,230 --> 01:02:15,119

molester friend that was abducted by

1550

01:02:17,829 --> 01:02:16,240

aliens

1551

01:02:19,109 --> 01:02:17,839

and this guy's going to come on and

1552

01:02:21,109 --> 01:02:19,119

pretend to be

1553

01:02:23,589 --> 01:02:21,119

the british fox mulder

1554

01:02:25,430 --> 01:02:23,599

it's a bunch of larpers and

1555

01:02:26,630 --> 01:02:25,440

people that are living a fantasy life

1556

01:02:28,630 --> 01:02:26,640

and nobody

1557

01:02:30,630 --> 01:02:28,640

will talk about this who was it that

1558

01:02:32,470 --> 01:02:30,640

they said they had uh ufos picking them

1559

01:02:34,549 --> 01:02:32,480

up in the backyard of the house that's

1560

01:02:36,710 --> 01:02:34,559

corey good corey that's right yeah the

1561

01:02:38,630 --> 01:02:36,720

blue chicken cult guy but uh

1562

01:02:39,990 --> 01:02:38,640

unfortunately none of his neighbors oh

1563

01:02:42,710 --> 01:02:40,000

you reported that that none of his

1564

01:02:44,150 --> 01:02:42,720

neighbors ever uh seen any ufos landing

1565

01:02:45,990 --> 01:02:44,160

back there picking the chap up he

1566

01:02:48,069 --> 01:02:46,000

claimed that this little dark spaceship

1567

01:02:49,910 --> 01:02:48,079

was landing in his backyard so

1568

01:02:51,589 --> 01:02:49,920

i got the satellite maps and all the

1569

01:02:53,510 --> 01:02:51,599

addresses

1570

01:02:55,589 --> 01:02:53,520

of where he lived at the time

1571

01:02:57,910 --> 01:02:55,599

or claimed that that happened

1572

01:02:59,430 --> 01:02:57,920

and yeah we talked to all the neighbors

1573

01:03:01,990 --> 01:02:59,440

nobody saw a spaceship land in his

1574

01:03:04,150 --> 01:03:02,000

backyard and his backyard was so tiny

1575

01:03:05,029 --> 01:03:04,160

that when you saw how tiny his backyard

1576

01:03:07,349 --> 01:03:05,039

was

1577

01:03:09,430 --> 01:03:07,359

it's like really dude you're telling

1578

01:03:11,109 --> 01:03:09,440

people that a spaceship landed here in

1579

01:03:12,470 --> 01:03:11,119

your backyard that's like

1580

01:03:15,029 --> 01:03:12,480

it looked like

1581

01:03:17,190 --> 01:03:15,039

no bigger than some people's deck

1582

01:03:19,270 --> 01:03:17,200

or maybe like two of some people's deck

1583

01:03:20,630 --> 01:03:19,280

that was his whole backyard

1584

01:03:23,109 --> 01:03:20,640

really dude

1585

01:03:24,710 --> 01:03:23,119

a spaceship has landed here

1586

01:03:26,710 --> 01:03:24,720

but you know he doesn't think that

1587

01:03:27,670 --> 01:03:26,720

anybody will actually check on these

1588

01:03:29,670 --> 01:03:27,680

claims

1589

01:03:31,430 --> 01:03:29,680

one thing i know about corey good is he

1590

01:03:33,510 --> 01:03:31,440

crafts all the stories so that you can't

1591

01:03:35,750 --> 01:03:33,520

fact check anything he says

1592

01:03:37,349 --> 01:03:35,760

but once a while he slips up and he does

1593

01:03:39,270 --> 01:03:37,359

say something you can fact check and

1594

01:03:41,270 --> 01:03:39,280

when those times come

1595

01:03:42,309 --> 01:03:41,280

everything he says is a lie

1596

01:03:44,710 --> 01:03:42,319

you know

1597

01:03:47,510 --> 01:03:44,720

he was pulling this scam for a while

1598

01:03:49,029 --> 01:03:47,520

claiming that fbi was involved you know

1599

01:03:50,710 --> 01:03:49,039

because he's getting cyberstalked and

1600

01:03:52,549 --> 01:03:50,720

harassed and really it was people saying

1601

01:03:55,190 --> 01:03:52,559

this guy's a wackado his stories are

1602

01:03:57,029 --> 01:03:55,200

fake well the fbi does get involved for

1603

01:04:00,309 --> 01:03:57,039

uh cyber stuff

1604

01:04:02,870 --> 01:04:00,319

yeah but uh it never happened

1605

01:04:04,470 --> 01:04:02,880

fbi field offices that he claimed were

1606

01:04:05,589 --> 01:04:04,480

you know investigating all of his

1607

01:04:07,589 --> 01:04:05,599

critics and

1608

01:04:09,109 --> 01:04:07,599

they never heard of him he never filed

1609

01:04:10,870 --> 01:04:09,119

any complaints

1610

01:04:12,950 --> 01:04:10,880

you know it's all just theater for his

1611

01:04:14,309 --> 01:04:12,960

stupid the few people left that still

1612

01:04:16,630 --> 01:04:14,319

believe him

1613

01:04:19,270 --> 01:04:16,640

well i'll tell you what my my wife

1614

01:04:21,349 --> 01:04:19,280

jeannie and i uh we just bought a house

1615

01:04:23,510 --> 01:04:21,359

uh we're moving in in february

1616

01:04:25,510 --> 01:04:23,520

congratulations bro thank you very much

1617

01:04:26,549 --> 01:04:25,520

and i told her we have a fully finished

1618

01:04:29,510 --> 01:04:26,559

basement

1619

01:04:31,349 --> 01:04:29,520

so uh right now i'm in a i'm in a condo

1620

01:04:32,950 --> 01:04:31,359

so uh it's kind of hard to do things in

1621

01:04:34,789 --> 01:04:32,960

there but since i got the fully finished

1622

01:04:37,750 --> 01:04:34,799

basement i'm turning that into a full

1623

01:04:39,750 --> 01:04:37,760

studio and i'm just talking a podcast

1624

01:04:41,190 --> 01:04:39,760

myself every now and again and i'm going

1625

01:04:43,270 --> 01:04:41,200

to ask the hard questions i'm going to

1626

01:04:46,069 --> 01:04:43,280

get just what i need more competition

1627

01:04:47,829 --> 01:04:46,079

i'm against this plan no no no no i'm

1628

01:04:49,750 --> 01:04:47,839

not going to take any food off anybody

1629

01:04:51,109 --> 01:04:49,760

oh good for you go for it bro i got to

1630

01:04:53,029 --> 01:04:51,119

tell you i

1631

01:04:55,190 --> 01:04:53,039

want to ask these people the questions

1632

01:04:56,630 --> 01:04:55,200

that nobody else is asking i'm going to

1633

01:04:58,870 --> 01:04:56,640

go in there i'm going to start off all

1634

01:05:00,069 --> 01:04:58,880

nice and hey yeah

1635

01:05:02,069 --> 01:05:00,079

and you might be able to get away with

1636

01:05:03,190 --> 01:05:02,079

it before people knew about me they

1637

01:05:04,789 --> 01:05:03,200

didn't know

1638

01:05:06,309 --> 01:05:04,799

that i would ask them hard questions so

1639

01:05:08,950 --> 01:05:06,319

i got a few people

1640

01:05:10,710 --> 01:05:08,960

that agreed to an interview and kind of

1641

01:05:11,829 --> 01:05:10,720

regretted it when they realized like

1642

01:05:13,430 --> 01:05:11,839

uh-oh but

1643

01:05:14,950 --> 01:05:13,440

i'm gonna tell you what they're gonna

1644

01:05:16,230 --> 01:05:14,960

think they're gonna be talking just to

1645

01:05:17,510 --> 01:05:16,240

me and then the whole questions are

1646

01:05:19,589 --> 01:05:17,520

gonna come out and

1647

01:05:21,349 --> 01:05:19,599

holy [h\_\_\h] where did stephen kambian come

1648

01:05:24,309 --> 01:05:21,359

from and where did rich from goof on

1649

01:05:27,510 --> 01:05:26,069

yeah and we can see

1650

01:05:29,190 --> 01:05:27,520

we can see some

1651  
01:05:30,870 --> 01:05:29,200  
we could see some examples of what

1652  
01:05:32,710 --> 01:05:30,880  
happens to some of these guys when they

1653  
01:05:34,710 --> 01:05:32,720  
do get forced to answer a question from

1654  
01:05:38,230 --> 01:05:34,720  
somebody like me they lose their [h\_\_h]

1655  
01:05:40,710 --> 01:05:38,240  
it's so funny yeah i love it i love it i

1656  
01:05:43,430 --> 01:05:40,720  
gotta find more show hosts that have

1657  
01:05:45,029 --> 01:05:43,440  
an open mind because i've asked people

1658  
01:05:46,950 --> 01:05:45,039  
i've asked 10 different show hosts like

1659  
01:05:48,470 --> 01:05:46,960  
look just ask the ic's going to be on

1660  
01:05:51,349 --> 01:05:48,480  
your show just ask him this one question

1661  
01:05:52,950 --> 01:05:51,359  
for me please they give me excuses and

1662  
01:05:55,109 --> 01:05:52,960  
they do the circle jerk they won't even

1663  
01:05:56,390 --> 01:05:55,119

ask one question from me these cowards

1664

01:05:57,670 --> 01:05:56,400

right because some people are afraid

1665

01:05:59,190 --> 01:05:57,680

they'll never get them back on their

1666

01:06:00,710 --> 01:05:59,200

show again but why would you want

1667

01:06:02,630 --> 01:06:00,720

somebody like that back on your show

1668

01:06:04,710 --> 01:06:02,640

again you know the guy is lying or

1669

01:06:06,230 --> 01:06:04,720

making up his stories it has no value so

1670

01:06:08,309 --> 01:06:06,240

it's the whole purpose is to get these

1671

01:06:10,230 --> 01:06:08,319

[h\_\_\h] artists out of the field i

1672

01:06:12,309 --> 01:06:10,240

would just burn all the liars to the

1673

01:06:14,710 --> 01:06:12,319

ground and who cares burn all those

1674

01:06:16,309 --> 01:06:14,720

bridges don't let them be here anymore

1675

01:06:18,710 --> 01:06:16,319

they've made enough money lying to

1676

01:06:21,029 --> 01:06:18,720

people selling fake garbage you know

1677

01:06:23,910 --> 01:06:21,039

well i i give you a ton of credit

1678

01:06:26,470 --> 01:06:23,920

stephen i mean you are the you i call

1679

01:06:28,549 --> 01:06:26,480

you the ufology detective man

1680

01:06:30,950 --> 01:06:28,559

go out there you investigate man and you

1681

01:06:32,390 --> 01:06:30,960

tell me oh yeah i love it we have a good

1682

01:06:34,309 --> 01:06:32,400

time though but somebody's got to do

1683

01:06:37,430 --> 01:06:34,319

this

1684

01:06:39,670 --> 01:06:37,440

man and you do it very well

1685

01:06:41,750 --> 01:06:39,680

yeah well i guess

1686

01:06:42,710 --> 01:06:41,760

i just see through deception too easily

1687

01:06:44,230 --> 01:06:42,720

though

1688

01:06:48,630 --> 01:06:44,240

i used to

1689

01:06:50,230 --> 01:06:48,640

i was like shocked when i started

1690

01:06:52,230 --> 01:06:50,240

looking into some of these guys because

1691

01:06:54,069 --> 01:06:52,240

i thought well he said he was an

1692

01:06:56,150 --> 01:06:54,079

astronaut he wouldn't say that if he

1693

01:07:00,069 --> 01:06:56,160

wasn't a real astronaut that that would

1694

01:07:01,670 --> 01:07:00,079

be a crazy thing to do yeah

1695

01:07:04,069 --> 01:07:01,680

and then you look it up because there's

1696

01:07:05,750 --> 01:07:04,079

a list of all astronauts that have ever

1697

01:07:08,150 --> 01:07:05,760

been it's public

1698

01:07:09,990 --> 01:07:08,160

knowledge gee he's not on the list i

1699

01:07:13,190 --> 01:07:10,000

can't believe this guy just lied about

1700

01:07:14,230 --> 01:07:13,200

something that big you know yeah they do

1701  
01:07:15,510 --> 01:07:14,240  
and then when you and then when you

1702  
01:07:17,510 --> 01:07:15,520  
catch him in the light he's like yeah

1703  
01:07:19,109 --> 01:07:17,520  
you know i got thrown out day three but

1704  
01:07:21,750 --> 01:07:19,119  
but i was still an astronaut for three

1705  
01:07:23,750 --> 01:07:21,760  
days no they sealed my records because i

1706  
01:07:25,829 --> 01:07:23,760  
was working on classified space shuttle

1707  
01:07:28,950 --> 01:07:25,839  
missions no but nobody's records

1708  
01:07:32,230 --> 01:07:28,960  
concealed that's all [h\_\_h] yeah yeah

1709  
01:07:35,190 --> 01:07:32,240  
it's classified yeah so i want to know

1710  
01:07:37,589 --> 01:07:35,200  
like how how you you're you're

1711  
01:07:38,549 --> 01:07:37,599  
capturing a lot of uh strange things

1712  
01:07:42,069 --> 01:07:38,559  
like

1713  
01:07:43,910 --> 01:07:42,079

went out to film tonight for four hours

1714

01:07:46,230 --> 01:07:43,920

would you would you for sure get

1715

01:07:49,109 --> 01:07:46,240

something or i have no idea

1716

01:07:50,789 --> 01:07:49,119

really i get satellites all night long

1717

01:07:53,990 --> 01:07:50,799

uh but i mean

1718

01:07:56,710 --> 01:07:54,000

i'm outside for 10 to 14 hours sometimes

1719

01:07:59,750 --> 01:07:56,720

filming i i got cameras set up sometimes

1720

01:08:02,390 --> 01:07:59,760

all night long sometimes i go through 70

1721

01:08:03,750 --> 01:08:02,400

to 80 hours worth of footage uh just to

1722

01:08:05,349 --> 01:08:03,760

get one thing

1723

01:08:07,029 --> 01:08:05,359

all right well i feel better now then

1724

01:08:08,870 --> 01:08:07,039

because i thought you were just you know

1725

01:08:10,390 --> 01:08:08,880

it's not that i thought you were stephen

1726

01:08:13,510 --> 01:08:10,400

grier in these things

1727

01:08:14,870 --> 01:08:13,520

you know like yeah um come in aliens

1728

01:08:17,669 --> 01:08:14,880

come in aliens and then you get your

1729

01:08:19,669 --> 01:08:17,679

camera out and they're there

1730

01:08:21,510 --> 01:08:19,679

over my home no it's not like that at

1731

01:08:23,349 --> 01:08:21,520

all you know sometimes i go out for a

1732

01:08:26,229 --> 01:08:23,359

week at a time and i don't see anything

1733

01:08:29,110 --> 01:08:26,239

at all and uh you know sometimes you

1734

01:08:32,709 --> 01:08:31,269

yeah no it's nothing like that at all

1735

01:08:34,550 --> 01:08:32,719

yeah and i hope you'll keep us on the

1736

01:08:36,229 --> 01:08:34,560

list you know if you get some good

1737

01:08:38,390 --> 01:08:36,239

footage you can send it to me now that i

1738

01:08:40,550 --> 01:08:38,400

know absolutely yeah

1739

01:08:43,110 --> 01:08:40,560

i want to do a little more of that but

1740

01:08:45,110 --> 01:08:43,120

i'm leery of that because you see some

1741

01:08:46,550 --> 01:08:45,120

guys that put something on their channel

1742

01:08:47,990 --> 01:08:46,560

and they're and they're even honest

1743

01:08:49,510 --> 01:08:48,000

they're like i don't know i'm not sure

1744

01:08:51,910 --> 01:08:49,520

what this is but isn't this weird and

1745

01:08:53,749 --> 01:08:51,920

then and then like months later you find

1746

01:08:55,430 --> 01:08:53,759

out what it is and everybody attacks the

1747

01:08:58,229 --> 01:08:55,440

guy like you know

1748

01:08:59,030 --> 01:08:58,239

it's it's a strange situation like i you

1749

01:09:02,470 --> 01:08:59,040

know

1750

01:09:05,189 --> 01:09:02,480

my my personal footage is the footage uh

1751

01:09:07,269 --> 01:09:05,199

with the night vision psionics camera uh

1752

01:09:09,430 --> 01:09:07,279

other footage that's on my channel a lot

1753

01:09:11,269 --> 01:09:09,440

is sent in but i you know i have to

1754

01:09:15,189 --> 01:09:11,279

scrutinize it i have to put it through

1755

01:09:19,510 --> 01:09:17,269

because i you know i try my dance not to

1756

01:09:21,590 --> 01:09:19,520

put anything fake on my channel i just

1757

01:09:23,349 --> 01:09:21,600

don't believe in it

1758

01:09:25,110 --> 01:09:23,359

yeah and some channels have been built

1759

01:09:26,950 --> 01:09:25,120

on fake stuff and they don't care which

1760

01:09:29,910 --> 01:09:26,960

is and people love it

1761

01:09:32,470 --> 01:09:29,920

people love it yeah yeah look at the guy

1762

01:09:34,390 --> 01:09:32,480

that hooks the uh tr3b

1763

01:09:35,990 --> 01:09:34,400

on the aircraft carrier

1764

01:09:38,149 --> 01:09:36,000

on the history channel

1765

01:09:41,669 --> 01:09:38,159

oh yeah yeah that guy got millions of

1766

01:09:43,030 --> 01:09:41,679

views millions of years and that guy

1767

01:09:44,550 --> 01:09:43,040

i mean i couldn't believe the history

1768

01:09:47,430 --> 01:09:44,560

channel didn't pick up that the guy

1769

01:09:49,430 --> 01:09:47,440

actually put that that was cgi and

1770

01:09:52,550 --> 01:09:49,440

nobody picked up on that and the history

1771

01:09:56,070 --> 01:09:52,560

history channel still put it up and

1772

01:09:57,350 --> 01:09:56,080

they rectified it a few months later

1773

01:09:58,950 --> 01:09:57,360

yeah but by that time they've already

1774

01:10:00,550 --> 01:09:58,960

gotten the clicks

1775

01:10:02,310 --> 01:10:00,560

they already got the money yeah so who

1776

01:10:04,550 --> 01:10:02,320

cares if it's fake it's kind of like

1777

01:10:07,030 --> 01:10:04,560

this alien autopsy hoax

1778

01:10:08,550 --> 01:10:07,040

by the time that got out it as totally

1779

01:10:09,910 --> 01:10:08,560

fake that dude made millions and

1780

01:10:12,470 --> 01:10:09,920

millions of dollars so he didn't care he

1781

01:10:14,470 --> 01:10:12,480

was like yeah it's fake

1782

01:10:16,070 --> 01:10:14,480

thanks for the money suckers

1783

01:10:17,030 --> 01:10:16,080

thanks

1784

01:10:20,630 --> 01:10:17,040

yeah

1785

01:10:22,550 --> 01:10:20,640

again or did he hear he saw the nft of

1786

01:10:24,470 --> 01:10:22,560

one frame of that that he claimed was

1787

01:10:26,709 --> 01:10:24,480

from the real original one for a million

1788

01:10:29,590 --> 01:10:26,719

dollars or something really

1789

01:10:31,189 --> 01:10:29,600

amazing yeah i'll tell you now i got my

1790

01:10:32,870 --> 01:10:31,199

son involved

1791

01:10:36,149 --> 01:10:32,880

every night dad we're going out we're

1792

01:10:37,910 --> 01:10:36,159

going to film he loves it he's hooked

1793

01:10:41,669 --> 01:10:37,920

he loves the subject

1794

01:10:43,510 --> 01:10:41,679

my son could care less he's like wow

1795

01:10:45,030 --> 01:10:43,520

how old is your son

1796

01:10:48,149 --> 01:10:45,040

five the one that you're carrying so

1797

01:10:49,990 --> 01:10:48,159

you're still young my guy's 17 so

1798

01:10:52,229 --> 01:10:50,000

now he's out there you know he wants

1799

01:10:55,430 --> 01:10:53,990

i started having kids way too late i

1800

01:10:57,189 --> 01:10:55,440

should have started really early and

1801

01:11:00,070 --> 01:10:57,199

then i'd be done already

1802

01:11:05,350 --> 01:11:01,910

you're home for thanksgiving it's been

1803

01:11:06,709 --> 01:11:05,360

snack [h\_\_h] all day bro all day like i

1804

01:11:08,070 --> 01:11:06,719

want some cookies

1805

01:11:09,590 --> 01:11:08,080

getting the cookies as soon as you sit

1806

01:11:11,990 --> 01:11:09,600

down the other one's like can i have

1807

01:11:14,310 --> 01:11:12,000

some chips dad and i gonna get up sit

1808

01:11:16,870 --> 01:11:14,320

down get some juice

1809

01:11:19,110 --> 01:11:16,880

we have a drink yeah

1810

01:11:20,550 --> 01:11:19,120

those days are over thank god

1811

01:11:22,229 --> 01:11:20,560

for me anyway

1812

01:11:24,470 --> 01:11:22,239

my wife gets mad at me sometimes i just

1813

01:11:26,229 --> 01:11:24,480

put out a trough i just put out a buffet

1814

01:11:28,310 --> 01:11:26,239

like don't bug me there's crackers

1815

01:11:29,830 --> 01:11:28,320

cookies chips daddy's working

1816

01:11:30,790 --> 01:11:29,840

everything's here that you need don't

1817

01:11:33,830 --> 01:11:30,800

call me

1818

01:11:37,590 --> 01:11:33,840

yeah

1819

01:11:40,630 --> 01:11:37,600

don't care if they play with knives as

1820

01:11:42,630 --> 01:11:40,640

long as you're quiet

1821

01:11:44,149 --> 01:11:42,640

she worries sometimes i've seen i've

1822

01:11:45,830 --> 01:11:44,159

seen a photo in your cabin it's

1823

01:11:47,350 --> 01:11:45,840

beautiful man you did a great job yeah

1824

01:11:48,950 --> 01:11:47,360

yeah i'm still working on it i got so

1825

01:11:51,189 --> 01:11:48,960

much to do i got to try to hurry up

1826

01:11:52,790 --> 01:11:51,199

before the snow comes i got a little bit

1827

01:11:55,030 --> 01:11:52,800

of cement work in the back to do and a

1828

01:11:57,910 --> 01:11:55,040

little more insulated and insulating to

1829

01:11:59,270 --> 01:11:57,920

do but the good news is that middle room

1830

01:12:00,709 --> 01:11:59,280

i don't even need a fire in there

1831

01:12:03,350 --> 01:12:00,719

anymore i just need a little electric

1832

01:12:05,350 --> 01:12:03,360

heater and it heats the whole room

1833

01:12:06,070 --> 01:12:05,360

uh because it's so well insulated it's

1834

01:12:08,390 --> 01:12:06,080

like

1835

01:12:10,229 --> 01:12:08,400

a wood burning stove yeah

1836

01:12:12,229 --> 01:12:10,239

i have two i have a wood burning stove

1837

01:12:13,910 --> 01:12:12,239

in the living room that's like a pot

1838

01:12:14,709 --> 01:12:13,920

belly wood burning stove and then i have

1839

01:12:33,110 --> 01:12:14,719

a

1840

01:12:34,070 --> 01:12:33,120

will sometimes you know if it's like

1841

01:12:35,430 --> 01:12:34,080

uh

1842

01:12:38,630 --> 01:12:35,440

if it's like

1843

01:12:41,110 --> 01:12:38,640

you know 40 or 30 outside i don't need

1844

01:12:42,790 --> 01:12:41,120

it but if it gets zero i would i would

1845

01:12:44,790 --> 01:12:42,800

light a fire in there

1846

01:12:47,189 --> 01:12:44,800

it's just so well insulated that middle

1847

01:12:48,870 --> 01:12:47,199

room that just a little electric heater

1848

01:12:50,470 --> 01:12:48,880

it's like one of those heaters that's

1849

01:12:52,790 --> 01:12:50,480

more like it's like a hair dryer you

1850

01:12:53,990 --> 01:12:52,800

know it just blows out higher but just

1851

01:12:56,950 --> 01:12:54,000

yeah

1852

01:12:58,470 --> 01:12:56,960

we had propane up in our cabin but it

1853

01:13:00,790 --> 01:12:58,480

keeps it warm

1854

01:13:02,310 --> 01:13:00,800

i got a propane uh i got a propane

1855

01:13:05,430 --> 01:13:02,320

fireplace in the living room but i'm

1856

01:13:08,149 --> 01:13:05,440

cheap so i never light it

1857

01:13:09,990 --> 01:13:08,159

uh 25 pound tank is good well no if i

1858

01:13:11,830 --> 01:13:10,000

get there and it's cold i light it while

1859

01:13:13,270 --> 01:13:11,840

i get the wood stove to start and then i

1860

01:13:15,430 --> 01:13:13,280

turn it off as soon as the wood stove

1861

01:13:16,950 --> 01:13:15,440

gets going it was cold when i was up

1862

01:13:19,910 --> 01:13:16,960

there last week man i was walking

1863

01:13:24,310 --> 01:13:19,920

through the woods i i was i was about 16

1864

01:13:25,750 --> 01:13:24,320

miles out and it was cold man

1865

01:13:27,750 --> 01:13:25,760

yeah you were only a half hour or so

1866

01:13:29,270 --> 01:13:27,760

from my cabin i think yeah i'm right by

1867

01:13:31,590 --> 01:13:29,280

lake monroe

1868

01:13:34,070 --> 01:13:31,600

it's a half hour from my cabin yeah yeah

1869

01:13:36,709 --> 01:13:34,080

yeah you come visit sometime

1870

01:13:39,510 --> 01:13:36,719

i'd love to and be awesome

1871

01:13:41,350 --> 01:13:39,520

i'll teach you how to film some ufos

1872

01:13:43,510 --> 01:13:41,360

yeah bring your stuff i would love to

1873

01:13:45,430 --> 01:13:43,520

look up at the skies around the cabin

1874

01:13:47,189 --> 01:13:45,440

with those night vision things man that

1875

01:13:49,510 --> 01:13:47,199

was one of the best spot in the world is

1876

01:13:52,310 --> 01:13:49,520

up there to look man that uh elevation

1877

01:13:53,750 --> 01:13:52,320

is so high that you see a lot of stuff

1878

01:13:55,990 --> 01:13:53,760

in the skies

1879

01:13:57,590 --> 01:13:56,000

right over lake monroe you get that on a

1880

01:14:00,149 --> 01:13:57,600

clear night you get the effect of the

1881

01:14:01,430 --> 01:14:00,159

stars on the water it's beautiful

1882

01:14:03,030 --> 01:14:01,440

beautiful

1883

01:14:04,630 --> 01:14:03,040

yeah but it's definitely cold up there i

1884

01:14:06,310 --> 01:14:04,640

think it's going down to the 20s this

1885

01:14:07,990 --> 01:14:06,320

weekend so i think i'm bailing on this

1886

01:14:09,830 --> 01:14:08,000

weekend because the following weekend

1887

01:14:11,750 --> 01:14:09,840

it's going to be in the 40s yeah before

1888

01:14:13,830 --> 01:14:11,760

you know it'd be snowing

1889

01:14:16,390 --> 01:14:13,840

yeah and i hate that because my cabin's

1890

01:14:18,149 --> 01:14:16,400

on a dirt road so sometimes it's like

1891

01:14:19,830 --> 01:14:18,159

am i even going to be able to get in

1892

01:14:23,030 --> 01:14:19,840

from the middle yeah so it's mine it's

1893

01:14:26,310 --> 01:14:23,040

dirt and like little uh pebble rock

1894

01:14:28,229 --> 01:14:26,320

yeah yeah so i always am nervous like do

1895

01:14:30,070 --> 01:14:28,239

i even want to drive two hours and then

1896

01:14:31,990 --> 01:14:30,080

find out that i can't get into the cabin

1897

01:14:33,750 --> 01:14:32,000

but i i keep forgetting i want to get

1898

01:14:35,910 --> 01:14:33,760

like a sled because i could always just

1899

01:14:38,070 --> 01:14:35,920

park the main road and sled my ass in if

1900

01:14:40,070 --> 01:14:38,080

i have to you can always get a quad too

1901  
01:14:42,229 --> 01:14:40,080  
get yourself an etv to drive around when

1902  
01:14:44,470 --> 01:14:42,239  
you get up there yeah that's another

1903  
01:14:47,510 --> 01:14:44,480  
option that's another option one of my

1904  
01:14:49,189 --> 01:14:47,520  
neighbors a lot of my neighbors have uh

1905  
01:14:51,270 --> 01:14:49,199  
golf carts but that's no good in the

1906  
01:14:52,790 --> 01:14:51,280  
snow

1907  
01:14:53,910 --> 01:14:52,800  
but then the summer

1908  
01:14:56,229 --> 01:14:53,920  
to get around

1909  
01:14:58,709 --> 01:14:56,239  
there's there's different like fishing

1910  
01:15:00,630 --> 01:14:58,719  
little fishing ponds and a beaver dam so

1911  
01:15:03,189 --> 01:15:00,640  
people drive around and they go fishing

1912  
01:15:05,030 --> 01:15:03,199  
at this place and that place around

1913  
01:15:07,350 --> 01:15:05,040

around the dirt roads that we have there

1914

01:15:08,950 --> 01:15:07,360

the trails that we have but in this in

1915

01:15:09,750 --> 01:15:08,960

the winter

1916

01:15:11,750 --> 01:15:09,760

you know

1917

01:15:13,430 --> 01:15:11,760

i i you should have a four wheel drive

1918

01:15:15,110 --> 01:15:13,440

car to make it through there but i know

1919

01:15:18,149 --> 01:15:15,120

i just have traction control which is

1920

01:15:22,070 --> 01:15:19,830

so what do you have a cabin up there

1921

01:15:24,550 --> 01:15:22,080

or you rent one or something like that

1922

01:15:26,310 --> 01:15:24,560

we had property we just sold over by

1923

01:15:28,630 --> 01:15:26,320

camelback mountain

1924

01:15:30,870 --> 01:15:28,640

uh my grandmother had me she just passed

1925

01:15:32,709 --> 01:15:30,880

away not too long ago mr rest in peace

1926

01:15:33,830 --> 01:15:32,719

uh she had about three acres that we

1927

01:15:36,630 --> 01:15:33,840

just sold

1928

01:15:38,870 --> 01:15:36,640

and uh we got rid of that and now uh i'm

1929

01:15:41,430 --> 01:15:38,880

looking at new property up there but we

1930

01:15:43,270 --> 01:15:41,440

uh we airbnb

1931

01:15:45,750 --> 01:15:43,280

oh that's a good way to do it though you

1932

01:15:47,750 --> 01:15:45,760

know you make pretty good money uh

1933

01:15:48,870 --> 01:15:47,760

for for four nights you get about 600

1934

01:15:51,350 --> 01:15:48,880

bucks

1935

01:15:53,350 --> 01:15:51,360

yeah that's pretty good yeah

1936

01:15:56,149 --> 01:15:53,360

i was i was interested in buying another

1937

01:15:58,950 --> 01:15:56,159

plot to land somewhere near my cabin and

1938

01:15:59,910 --> 01:15:58,960

doing a new cabin that's just for that

1939

01:16:01,189 --> 01:15:59,920

because

1940

01:16:03,189 --> 01:16:01,199

yeah people come in from new york

1941

01:16:05,110 --> 01:16:03,199

they're more than willing to spend 150 a

1942

01:16:06,950 --> 01:16:05,120

night for like especially if it was

1943

01:16:07,830 --> 01:16:06,960

something cool like a log cabin you know

1944

01:16:09,990 --> 01:16:07,840

sure

1945

01:16:11,590 --> 01:16:10,000

especially something like yours

1946

01:16:14,149 --> 01:16:11,600

yeah they're paying for the novelty of

1947

01:16:16,229 --> 01:16:14,159

it right right right well real men build

1948

01:16:22,149 --> 01:16:16,239

their wood

1949

01:16:25,830 --> 01:16:23,430

i've been ongoing with that thing for

1950

01:16:27,430 --> 01:16:25,840

three years and i i still got another i

1951

01:16:30,070 --> 01:16:27,440

got to get a second wind because i got

1952

01:16:31,590 --> 01:16:30,080

to build one more room out the back

1953

01:16:33,030 --> 01:16:31,600

that's going to be like a bedroom

1954

01:16:34,709 --> 01:16:33,040

because i feel bad my wife's in there in

1955

01:16:36,709 --> 01:16:34,719

the kitchen room and it's got a pullout

1956

01:16:38,390 --> 01:16:36,719

couch but you know it's just too tight

1957

01:16:40,550 --> 01:16:38,400

with all the kids and all this stuff and

1958

01:16:41,830 --> 01:16:40,560

nobody likes the sleeping loft so i'm

1959

01:16:43,430 --> 01:16:41,840

going to build a bedroom out the back

1960

01:16:44,950 --> 01:16:43,440

and the front porch

1961

01:16:47,270 --> 01:16:44,960

and finish this sunroom and then that

1962

01:16:48,790 --> 01:16:47,280

whole cabin will be done yeah and uh it

1963

01:16:51,270 --> 01:16:48,800

can't come too soon because that thing

1964

01:16:52,709 --> 01:16:51,280

was like a 10 000 piece puzzle

1965

01:16:54,310 --> 01:16:52,719

you know

1966

01:16:55,830 --> 01:16:54,320

somebody's asking me if i caught a fish

1967

01:16:58,550 --> 01:16:55,840

there yeah there's a fishing pond right

1968

01:17:00,830 --> 01:16:58,560

near the cabin and there's three lakes

1969

01:17:04,149 --> 01:17:00,840

within a 10-minute drive from the cabin

1970

01:17:08,630 --> 01:17:04,159

so go fishing as much as

1971

01:17:11,990 --> 01:17:09,990

yeah fish

1972

01:17:14,229 --> 01:17:12,000

is that is that a public lake now or is

1973

01:17:16,070 --> 01:17:14,239

that a private lake it's a private lake

1974

01:17:18,229 --> 01:17:16,080

uh but they're all public entrances but

1975

01:17:19,750 --> 01:17:18,239

you need to permit

1976

01:17:23,189 --> 01:17:19,760

you need a permit just for the lake or a

1977

01:17:25,030 --> 01:17:23,199

fishing permit to fish you need a permit

1978

01:17:27,350 --> 01:17:25,040

okay

1979

01:17:28,709 --> 01:17:27,360

yeah i don't know i go to the state

1980

01:17:30,709 --> 01:17:28,719

the the state

1981

01:17:32,950 --> 01:17:30,719

parks near the cabin

1982

01:17:35,430 --> 01:17:32,960

like my cabin doesn't have a lot of land

1983

01:17:38,709 --> 01:17:35,440

but there's tons of uh

1984

01:17:41,189 --> 01:17:38,719

state parks and uh hunting state hunting

1985

01:17:44,470 --> 01:17:41,199

lands all around the cabins so

1986

01:17:45,350 --> 01:17:44,480

if you want to go hiking or whatever

1987

01:17:47,430 --> 01:17:45,360

you know

1988

01:17:49,189 --> 01:17:47,440

how far are you from uh camelback

1989

01:17:50,870 --> 01:17:49,199

mountain

1990

01:17:54,149 --> 01:17:50,880

yeah i don't know i i wouldn't know

1991

01:17:56,709 --> 01:17:54,159

offhand uh it's close though i think

1992

01:17:58,229 --> 01:17:56,719

i'd have to i'd have to like yeah by me

1993

01:17:59,750 --> 01:17:58,239

yeah not too far from me so you're not

1994

01:18:01,669 --> 01:17:59,760

too far from it

1995

01:18:03,189 --> 01:18:01,679

yeah i think it's a half hour or so yeah

1996

01:18:05,110 --> 01:18:03,199

about a half hour

1997

01:18:08,149 --> 01:18:05,120

if you know there's that place uh

1998

01:18:11,270 --> 01:18:08,159

kalahari it's like a water resort

1999

01:18:13,350 --> 01:18:11,280

i i'm right by that yeah

2000

01:18:15,270 --> 01:18:13,360

i'm 42 minutes away from camelback

2001

01:18:16,630 --> 01:18:15,280

mountain actually that's closer to my

2002

01:18:19,030 --> 01:18:16,640

house than it is

2003

01:18:22,390 --> 01:18:19,040

to the cabin almost or no it's it's just

2004

01:18:23,189 --> 01:18:22,400

you know it's more south than i am

2005

01:18:26,550 --> 01:18:23,199

okay

2006

01:18:29,590 --> 01:18:26,560

yeah my cabin's right right and uh i

2007

01:18:31,830 --> 01:18:29,600

don't know mount pocono is probably the

2008

01:18:34,390 --> 01:18:31,840

place that everybody knows near the tobi

2009

01:18:35,910 --> 01:18:34,400

hana it's near the tobi hana uh military

2010

01:18:38,790 --> 01:18:35,920

base as well so there's all this

2011

01:18:40,470 --> 01:18:38,800

military land that nobody uses

2012

01:18:41,350 --> 01:18:40,480

people hunt on

2013

01:18:42,310 --> 01:18:41,360

really

2014

01:18:49,110 --> 01:18:42,320

yeah

2015

01:18:51,350 --> 01:18:49,120

i love the way that you uh situated the

2016

01:18:53,510 --> 01:18:51,360

logs on your cabin you did them the

2017

01:18:54,950 --> 01:18:53,520

opposite way instead of long ways

2018

01:18:58,390 --> 01:18:54,960

there's a reason

2019

01:19:01,110 --> 01:18:58,400

because i'm building that whole place by

2020

01:19:04,470 --> 01:19:01,120

myself right and to build a cabin that

2021

01:19:05,189 --> 01:19:04,480

big with logs you need machinery you

2022

01:19:09,350 --> 01:19:05,199

need

2023

01:19:11,669 --> 01:19:09,360

everything else yeah

2024

01:19:13,910 --> 01:19:11,679

they wait yeah absolutely i almost just

2025

01:19:16,709 --> 01:19:13,920

doxed myself so let me uh

2026

01:19:18,709 --> 01:19:16,719

let me get that out

2027

01:19:19,990 --> 01:19:18,719

i always docks myself showing a map

2028

01:19:22,550 --> 01:19:20,000

because i was going to show you just

2029

01:19:25,430 --> 01:19:22,560

like the uh the overhead of

2030

01:19:27,510 --> 01:19:25,440

there's so many of these uh

2031

01:19:29,110 --> 01:19:27,520

there's so many this is right around my

2032

01:19:31,189 --> 01:19:29,120

cabin so look at all the lakes and

2033

01:19:36,470 --> 01:19:31,199

everything yeah it's just there's lakes

2034

01:19:41,430 --> 01:19:38,790

it's just everywhere within a within a

2035

01:19:43,110 --> 01:19:41,440

20-minute drive of my cabin is just all

2036

01:19:45,990 --> 01:19:43,120

these different lakes

2037

01:19:47,990 --> 01:19:46,000

it's just everywhere so yeah we

2038

01:19:50,550 --> 01:19:48,000

i finally got a fishing license this

2039

01:19:52,470 --> 01:19:50,560

year and didn't used to have a fish i

2040

01:19:54,709 --> 01:19:52,480

never had time but this year i was like

2041

01:19:56,550 --> 01:19:54,719

no i'm getting a fishing license

2042

01:19:59,350 --> 01:19:56,560

i hit you for i wouldn't eat you for 50

2043

01:20:01,350 --> 01:19:59,360

bucks i don't know it was like 30 or 35

2044

01:20:03,750 --> 01:20:01,360

with the trout stamp and i could

2045

01:20:05,830 --> 01:20:03,760

i just got the trout stamp because uh

2046

01:20:08,229 --> 01:20:05,840

you know there's trout in a in one of

2047

01:20:10,709 --> 01:20:08,239

the lakes nearby that they stock with

2048

01:20:12,629 --> 01:20:10,719

trout so i knew that would be like

2049

01:20:15,270 --> 01:20:12,639

you know worth the extra couple of

2050

01:20:17,270 --> 01:20:15,280

dollars it's so stupid uh you need a

2051

01:20:19,669 --> 01:20:17,280

license to catch fish

2052

01:20:22,390 --> 01:20:19,679

oh and this other fish you have to pay

2053

01:20:24,470 --> 01:20:22,400

us extra yeah it's better than the 300

2054

01:20:26,470 --> 01:20:24,480

ticket from the game warden i know and

2055

01:20:27,510 --> 01:20:26,480

they the reason that i get it is because

2056

01:20:32,790 --> 01:20:27,520

they

2057

01:20:34,470 --> 01:20:32,800

and uh and if you don't have a license

2058

01:20:36,950 --> 01:20:34,480

they take your rods

2059

01:20:39,750 --> 01:20:36,960

yeah and they give you a big ticket too

2060

01:20:41,270 --> 01:20:39,760

so it's kind of stupid but then i heard

2061

01:20:43,270 --> 01:20:41,280

i heard at least in my local

2062

01:20:44,790 --> 01:20:43,280

municipality if you pay they they let

2063

01:20:46,470 --> 01:20:44,800

you off the hook

2064

01:20:48,310 --> 01:20:46,480

like you'll go to court and they'll say

2065

01:20:50,550 --> 01:20:48,320

buy a license and you buy the license

2066

01:20:52,709 --> 01:20:50,560

and then they go get out of here

2067

01:20:54,310 --> 01:20:52,719

don't fish without one but it is like a

2068

01:20:55,189 --> 01:20:54,320

couple hundred dollars

2069

01:20:56,470 --> 01:20:55,199

you know

2070

01:20:58,629 --> 01:20:56,480

and then

2071

01:21:01,030 --> 01:20:58,639

there was uh there were some foreigners

2072

01:21:02,709 --> 01:21:01,040

that were fishing with nets that got the

2073

01:21:04,870 --> 01:21:02,719

game worms got them you can't think

2074

01:21:05,750 --> 01:21:04,880

that's illegal yeah you can't fish with

2075

01:21:08,229 --> 01:21:05,760

that

2076

01:21:09,910 --> 01:21:08,239

they're pulling in like 80 fish

2077

01:21:11,750 --> 01:21:09,920

and then the game works like what are

2078

01:21:13,990 --> 01:21:11,760

you doing bro where's your rods we don't

2079

01:21:18,070 --> 01:21:14,000

have rods we're using nets you can't use

2080

01:21:21,910 --> 01:21:21,110

they busted those guys yeah

2081

01:21:23,750 --> 01:21:21,920

yeah

2082

01:21:26,149 --> 01:21:23,760

and you know what i will say is if

2083

01:21:27,830 --> 01:21:26,159

somebody's truly hungry i would never i

2084

01:21:29,750 --> 01:21:27,840

would never be grudged in the fish you

2085

01:21:31,590 --> 01:21:29,760

could not definitely if you want you

2086

01:21:34,149 --> 01:21:31,600

know but i don't know why they were

2087

01:21:36,310 --> 01:21:34,159

fishing with nets but yeah well back to

2088

01:21:37,510 --> 01:21:36,320

ufos so

2089

01:21:38,629 --> 01:21:37,520

what are your plans for the future

2090

01:21:40,790 --> 01:21:38,639

you're gonna you're gonna move in your

2091

01:21:43,110 --> 01:21:40,800

new house and then you're gonna

2092

01:21:46,310 --> 01:21:43,120

you're gonna start at a studio and do

2093

01:21:48,950 --> 01:21:46,320

like a live stream show uh yeah uh maybe

2094

01:21:50,870 --> 01:21:48,960

once or twice a week i'll do a live

2095

01:21:52,790 --> 01:21:50,880

stream like a podcast

2096

01:21:54,950 --> 01:21:52,800

and uh try to get some guests that

2097

01:21:56,550 --> 01:21:54,960

everybody wants to have outed and ask

2098

01:21:58,709 --> 01:21:56,560

the hard questions and

2099

01:22:00,629 --> 01:21:58,719

good luck oh goodness

2100

01:22:01,669 --> 01:22:00,639

you know what you can do you can go

2101

01:22:03,270 --> 01:22:01,679

you know what you could do you could get

2102

01:22:05,030 --> 01:22:03,280

them in and then you could go i have a

2103

01:22:13,830 --> 01:22:05,040

special guest that would like to ask you

2104

01:22:18,070 --> 01:22:15,990

oh this stuff is so funny you know some

2105

01:22:19,750 --> 01:22:18,080

of this by the way dave steve campbell

2106

01:22:21,590 --> 01:22:19,760

has been trying to get you for 10 years

2107

01:22:23,189 --> 01:22:21,600

so uh i'm just going to let you have 15

2108

01:22:25,430 --> 01:22:23,199

minutes with him real quick

2109

01:22:26,709 --> 01:22:25,440

yeah good luck i don't i don't think he

2110

01:22:29,990 --> 01:22:26,719

goes on any show unless you have a

2111

01:22:31,990 --> 01:22:30,000

million subs you know really that guy

2112

01:22:33,750 --> 01:22:32,000

yeah i mean uh

2113

01:22:35,510 --> 01:22:33,760

i don't know he was on edge of wonder

2114

01:22:37,590 --> 01:22:35,520

which had like a hundred thousand i

2115

01:22:40,870 --> 01:22:37,600

think or something crazy and then this

2116

01:22:43,189 --> 01:22:40,880

mike adams has a huge following elizondo

2117

01:22:45,189 --> 01:22:43,199

goes on if you have like 300 subscribers

2118

01:22:47,270 --> 01:22:45,199

i noticed only if you're going to do the

2119

01:22:49,669 --> 01:22:47,280

circle jerk i know at least three or

2120

01:22:51,830 --> 01:22:49,679

four guys he won't go on like goof

2121

01:22:54,229 --> 01:22:51,840

listen if you get him on your channel

2122

01:22:56,390 --> 01:22:54,239

what's he going to do hang up on you and

2123

01:22:58,390 --> 01:22:56,400

leave you hanging and look like an idiot

2124

01:23:00,629 --> 01:22:58,400

no just never he'll answer the questions

2125

01:23:02,790 --> 01:23:00,639

and he'll never come back on again

2126

01:23:04,709 --> 01:23:02,800

yeah in my case he'll never come on i

2127

01:23:08,149 --> 01:23:04,719

asked him 10 times and i think that's

2128

01:23:11,669 --> 01:23:08,159

funny where he says he'll go on any show

2129

01:23:16,550 --> 01:23:13,510

you're on the blacklist

2130

01:23:17,910 --> 01:23:16,560

yeah the few people are

2131

01:23:20,390 --> 01:23:17,920

and then what's interesting is that a

2132

01:23:23,750 --> 01:23:20,400

few people are on the

2133

01:23:25,910 --> 01:23:23,760

the guys that are willing to play the

2134

01:23:27,750 --> 01:23:25,920

game just let me come on your show say

2135

01:23:28,950 --> 01:23:27,760

whatever i want don't ask me any hard

2136

01:23:31,350 --> 01:23:28,960

questions

2137

01:23:33,910 --> 01:23:31,360

those guys get the the bigger guests but

2138

01:23:36,470 --> 01:23:33,920

i'm so sick and tired that steven uh you

2139

01:23:37,510 --> 01:23:36,480

know you know i don't play that game i

2140

01:23:39,350 --> 01:23:37,520

don't want i don't want to hear it i

2141

01:23:40,790 --> 01:23:39,360

don't want to deal with it either come

2142

01:23:42,470 --> 01:23:40,800

on the show and ask the questions that

2143

01:23:44,709 --> 01:23:42,480

everybody wants you know to have

2144

01:23:47,189 --> 01:23:44,719

answered or don't come on the show

2145

01:23:49,750 --> 01:23:47,199

yeah i'm i'm okay with it what i decided

2146

01:23:51,590 --> 01:23:49,760

if anybody's afraid of questions

2147

01:23:52,790 --> 01:23:51,600

or afraid to come here

2148

01:23:55,270 --> 01:23:52,800

you know

2149

01:23:57,669 --> 01:23:55,280

it's their loss because i do pretty good

2150

01:24:00,149 --> 01:23:57,679

interview if people are you know

2151  
01:24:01,910 --> 01:24:00,159  
interested in what somebody has to say

2152  
01:24:05,189 --> 01:24:01,920  
i research all the guests i really try

2153  
01:24:06,070 --> 01:24:05,199  
hard you know to try to put on a good

2154  
01:24:07,990 --> 01:24:06,080  
show

2155  
01:24:09,830 --> 01:24:08,000  
these guys that won't or don't want to

2156  
01:24:11,510 --> 01:24:09,840  
come on they have a reason you know

2157  
01:24:13,669 --> 01:24:11,520  
because i'm not fitting in with their

2158  
01:24:15,669 --> 01:24:13,679  
agenda of whatever garbage they're

2159  
01:24:17,030 --> 01:24:15,679  
selling right

2160  
01:24:18,470 --> 01:24:17,040  
you know and i don't think it's too much

2161  
01:24:19,830 --> 01:24:18,480  
to ask like i said some of these people

2162  
01:24:22,390 --> 01:24:19,840  
are just they live in a delusional

2163  
01:24:24,629 --> 01:24:22,400

fantasy land where it's like oh you know

2164

01:24:26,950 --> 01:24:24,639

cover your ears when the when somebody

2165

01:24:28,470 --> 01:24:26,960

says that these people are liars even if

2166

01:24:30,870 --> 01:24:28,480

they are because we don't want to hear

2167

01:24:33,189 --> 01:24:30,880

it we like their stories about aliens

2168

01:24:35,270 --> 01:24:33,199

you know tommy t's asking what happened

2169

01:24:38,390 --> 01:24:35,280

to the edge of wonder dummies they had

2170

01:24:41,110 --> 01:24:38,400

their youtube channel deleted and

2171

01:24:43,910 --> 01:24:41,120

also their facebook groups deleted

2172

01:24:45,669 --> 01:24:43,920

because they were using bots

2173

01:24:48,229 --> 01:24:45,679

i'm not sure in the case of the youtube

2174

01:24:50,629 --> 01:24:48,239

videos uh i think they got deleted for

2175

01:24:51,830 --> 01:24:50,639

talking about medical disinformation

2176  
01:24:53,750 --> 01:24:51,840  
from youtube

2177  
01:24:55,110 --> 01:24:53,760  
and now they're uh i don't know where

2178  
01:24:56,470 --> 01:24:55,120  
they are

2179  
01:24:57,590 --> 01:24:56,480  
but if you're not on youtube you're

2180  
01:24:58,470 --> 01:24:57,600  
nowhere

2181  
01:25:00,390 --> 01:24:58,480  
and

2182  
01:25:02,070 --> 01:25:00,400  
when the edge of wonder is interesting

2183  
01:25:03,189 --> 01:25:02,080  
because they were funded by a chinese

2184  
01:25:04,709 --> 01:25:03,199  
cult

2185  
01:25:07,189 --> 01:25:04,719  
and these guys pretended to be

2186  
01:25:09,830 --> 01:25:07,199  
independent youtube creators and they

2187  
01:25:12,390 --> 01:25:09,840  
started their show with like 10 cameras

2188  
01:25:14,310 --> 01:25:12,400

super high production quality

2189

01:25:16,470 --> 01:25:14,320

you know so i knew something wasn't

2190

01:25:17,669 --> 01:25:16,480

right they had serious serious backing

2191

01:25:19,750 --> 01:25:17,679

yeah

2192

01:25:20,790 --> 01:25:19,760

and now they've gone away

2193

01:25:22,629 --> 01:25:20,800

and uh

2194

01:25:24,790 --> 01:25:22,639

god knows what a chinese cult would be

2195

01:25:27,350 --> 01:25:24,800

doing paying people to start a channel

2196

01:25:29,590 --> 01:25:27,360

to talk about ufos but that's what

2197

01:25:31,350 --> 01:25:29,600

happened it's very nice

2198

01:25:33,669 --> 01:25:31,360

it's the strange crazy world that we

2199

01:25:36,229 --> 01:25:33,679

live in yeah sure is

2200

01:25:38,310 --> 01:25:36,239

is there any uh of the ufo guys that you

2201

01:25:41,830 --> 01:25:38,320

do like and think are credible

2202

01:25:43,990 --> 01:25:41,840

left though any other ufo people that i

2203

01:25:44,950 --> 01:25:44,000

do like well i mean i like

2204

01:25:47,430 --> 01:25:44,960

uh

2205

01:25:48,870 --> 01:25:47,440

i mean mainstream or just anybody in

2206

01:25:51,700 --> 01:25:48,880

general yeah let's start there let's

2207

01:25:53,030 --> 01:25:51,710

start with the mainstream people

2208

01:25:57,270 --> 01:25:53,040

[Music]

2209

01:26:00,390 --> 01:25:58,950

kate schneider's here

2210

01:26:01,830 --> 01:26:00,400

not really

2211

01:26:03,270 --> 01:26:01,840

okay how about some of the more

2212

01:26:09,510 --> 01:26:03,280

underground people

2213

01:26:11,110 --> 01:26:09,520

like the cousins brothers very much

2214

01:26:12,629 --> 01:26:11,120

uh your channel

2215

01:26:14,550 --> 01:26:12,639

uh i i just

2216

01:26:17,350 --> 01:26:14,560

and i find that we all flock to each

2217

01:26:18,149 --> 01:26:17,360

other which is really cool you know but

2218

01:26:22,709 --> 01:26:18,159

uh

2219

01:26:25,350 --> 01:26:22,719

may rest in peace he was a really

2220

01:26:27,430 --> 01:26:25,360

awesome mythologist i miss him i miss

2221

01:26:28,950 --> 01:26:27,440

him especially when i got a big scoop

2222

01:26:31,189 --> 01:26:28,960

because i used to call him up when i

2223

01:26:33,189 --> 01:26:31,199

found some really good nugget of

2224

01:26:35,189 --> 01:26:33,199

information that nobody knew

2225

01:26:36,550 --> 01:26:35,199

and talked to him about it and he he

2226

01:26:38,950 --> 01:26:36,560

would always be like

2227

01:26:40,390 --> 01:26:38,960

i'm all yours kid what do you got yeah

2228

01:26:41,430 --> 01:26:40,400

that's awesome i wish i would have got

2229

01:26:43,910 --> 01:26:41,440

that

2230

01:26:46,470 --> 01:26:43,920

you know yeah but uh definitely stanton

2231

01:26:48,310 --> 01:26:46,480

and uh uh

2232

01:26:50,629 --> 01:26:48,320

dr j allen heineck i would have loved to

2233

01:26:52,790 --> 01:26:50,639

have spoken too

2234

01:26:54,629 --> 01:26:52,800

yeah absolutely but uh you know other

2235

01:26:57,030 --> 01:26:54,639

than those two guys i mean i don't think

2236

01:26:59,910 --> 01:26:57,040

anybody out there today can hold the

2237

01:27:02,390 --> 01:26:59,920

candle to them to be honest with you

2238

01:27:03,430 --> 01:27:02,400

i mean a mainstream wise you know what i

2239

01:27:05,270 --> 01:27:03,440

mean

2240

01:27:06,870 --> 01:27:05,280

yeah it's interesting the cultural

2241

01:27:08,390 --> 01:27:06,880

differences because it was a different

2242

01:27:10,870 --> 01:27:08,400

time back then

2243

01:27:12,950 --> 01:27:10,880

and and uh you know coming off of world

2244

01:27:15,110 --> 01:27:12,960

war ii people really trusted the

2245

01:27:17,669 --> 01:27:15,120

government

2246

01:27:20,070 --> 01:27:17,679

so they had a real battle to convince

2247

01:27:22,550 --> 01:27:20,080

people that no the government can't be

2248

01:27:23,350 --> 01:27:22,560

trusted they lie to us all the time back

2249

01:27:25,189 --> 01:27:23,360

then

2250

01:27:26,709 --> 01:27:25,199

you know people were more patriotic and

2251

01:27:28,950 --> 01:27:26,719

believe that the government really

2252

01:27:30,310 --> 01:27:28,960

really could be trusted now i don't

2253

01:27:35,189 --> 01:27:30,320

think anybody

2254

01:27:37,430 --> 01:27:35,199

government at all anymore unfortunately

2255

01:27:39,430 --> 01:27:37,440

i i have to trust i happen to trust the

2256

01:27:40,950 --> 01:27:39,440

people that are boots on the ground you

2257

01:27:42,070 --> 01:27:40,960

know and my good friend i don't know if

2258

01:27:45,030 --> 01:27:42,080

he's still in the chat room my friend

2259

01:27:47,430 --> 01:27:45,040

mick from the uk skywatch explorer

2260

01:27:49,510 --> 01:27:47,440

he's out in the field all day he camps

2261

01:27:51,189 --> 01:27:49,520

out man in the wilderness in england

2262

01:27:52,629 --> 01:27:51,199

he's out there all the time filming

2263

01:27:54,310 --> 01:27:52,639

we're constantly throwing things back

2264

01:27:55,189 --> 01:27:54,320

and forth to each other he's got a great

2265

01:27:57,669 --> 01:27:55,199

channel

2266

01:27:59,510 --> 01:27:57,679

uh skywatch explorer yeah and i love the

2267

01:28:01,510 --> 01:27:59,520

fact that he's out there in the field

2268

01:28:03,910 --> 01:28:01,520

doing the work and that's what it's all

2269

01:28:05,669 --> 01:28:03,920

about is sharing your youtube channel

2270

01:28:08,709 --> 01:28:05,679

where everybody can find

2271

01:28:11,350 --> 01:28:08,719

uh or sharing your twitter but also just

2272

01:28:13,350 --> 01:28:11,360

put unidentified s4 in the search bar

2273

01:28:16,629 --> 01:28:13,360

i'm a terrible uh show host i'll do that

2274

01:28:19,270 --> 01:28:16,639

now and i'll put i'll put the link to uh

2275

01:28:20,709 --> 01:28:19,280

your youtube channel in the description

2276

01:28:22,310 --> 01:28:20,719

of this video

2277

01:28:25,189 --> 01:28:22,320

yeah it's the same name for everything

2278

01:28:27,510 --> 01:28:25,199

uh twitter instagram

2279

01:28:28,790 --> 01:28:27,520

youtube facebook it's all on identified

2280

01:28:31,510 --> 01:28:28,800

s4

2281

01:28:32,229 --> 01:28:31,520

that's interesting

2282

01:28:36,790 --> 01:28:32,239

what

2283

01:28:38,709 --> 01:28:36,800

use that s4 thing that's kind of ufo

2284

01:28:40,629 --> 01:28:38,719

mythology right the s4 basically right

2285

01:28:41,750 --> 01:28:40,639

where they work

2286

01:28:44,470 --> 01:28:41,760

originally originally was just

2287

01:28:46,550 --> 01:28:44,480

unidentified but uh you couldn't find

2288

01:28:48,629 --> 01:28:46,560

the channel for the life of me on

2289

01:28:50,950 --> 01:28:48,639

youtube nobody could find me because you

2290

01:28:53,030 --> 01:28:50,960

know how many unidentified

2291

01:28:55,990 --> 01:28:53,040

are out there so then i said you know

2292

01:28:59,030 --> 01:28:56,000

what uh s4 is pretty popular let me add

2293

01:29:00,950 --> 01:28:59,040

s4 that's nostalgic to ufology so i

2294

01:29:03,350 --> 01:29:00,960

added the s4 and and that helped out

2295

01:29:06,149 --> 01:29:03,360

quite a bit but uh i i would love for

2296

01:29:08,470 --> 01:29:06,159

the s4 facility to be real

2297

01:29:10,629 --> 01:29:08,480

as far as bubbles are goes

2298

01:29:11,910 --> 01:29:10,639

uh you know when i was young in the 90s

2299

01:29:14,790 --> 01:29:11,920

i thought the guy was the best thing

2300

01:29:16,390 --> 01:29:14,800

since sliced bread you know

2301

01:29:19,030 --> 01:29:16,400

when he came out with the story with the

2302

01:29:21,750 --> 01:29:19,040

sports model and he took george knapp

2303

01:29:23,590 --> 01:29:21,760

out there and a couple friends and uh on

2304

01:29:25,510 --> 01:29:23,600

wednesday nights i think it was tuesdays

2305

01:29:28,070 --> 01:29:25,520

and wednesdays and thursdays or whatever

2306

01:29:30,629 --> 01:29:28,080

it was and those ufos flew over the

2307

01:29:33,110 --> 01:29:30,639

exact times and days that he said they

2308

01:29:35,590 --> 01:29:33,120

were i mean i was enamored by the guy

2309

01:29:38,390 --> 01:29:35,600

uh yeah you know i thought it was

2310

01:29:40,149 --> 01:29:38,400

awesome and then as time went by

2311

01:29:42,790 --> 01:29:40,159

i mean his story never felt you know

2312

01:29:45,270 --> 01:29:42,800

never never deferred from his story

2313

01:29:47,910 --> 01:29:45,280

put uh you know when he was very jeremy

2314

01:29:49,430 --> 01:29:47,920

corbell on board and

2315

01:29:51,430 --> 01:29:49,440

i don't know it just he put a bit of

2316

01:29:52,390 --> 01:29:51,440

taste in my mouth after a while you know

2317

01:29:54,470 --> 01:29:52,400

what i mean

2318

01:29:57,350 --> 01:29:54,480

but then when they

2319

01:29:59,430 --> 01:29:57,360

they uh discovered element 115 then i

2320

01:30:01,750 --> 01:29:59,440

said to myself wow maybe this guy really

2321

01:30:03,110 --> 01:30:01,760

is credible again uh you know how would

2322

01:30:05,910 --> 01:30:03,120

he know that that was going to end up on

2323

01:30:08,310 --> 01:30:05,920

the periodic table of elements all these

2324

01:30:10,070 --> 01:30:08,320

years later you know so that was a

2325

01:30:11,669 --> 01:30:10,080

vindication yeah i thought that i

2326

01:30:14,709 --> 01:30:11,679

thought that too and so i learned that

2327

01:30:17,270 --> 01:30:14,719

that that element was predicted and even

2328

01:30:18,790 --> 01:30:17,280

on the element elemental

2329

01:30:22,390 --> 01:30:18,800

for 20 years

2330

01:30:25,350 --> 01:30:22,400

in books on chemistry from the 1970s

2331

01:30:26,950 --> 01:30:25,360

forward so it was kind of like they knew

2332

01:30:29,270 --> 01:30:26,960

eventually they're gonna they're gonna

2333

01:30:31,590 --> 01:30:29,280

crack it right and get it

2334

01:30:32,390 --> 01:30:31,600

so he could have knew that back then and

2335

01:30:33,990 --> 01:30:32,400

uh

2336

01:30:37,030 --> 01:30:34,000

i mean the only thing that i i like

2337

01:30:38,950 --> 01:30:37,040

about the guy is uh he he build a rocket

2338

01:30:41,350 --> 01:30:38,960

cause i mean i think that's that was

2339

01:30:43,910 --> 01:30:41,360

awesome about bob lazor but uh the whole

2340

01:30:46,470 --> 01:30:43,920

story i i just can't swallow it in good

2341

01:30:48,310 --> 01:30:46,480

faith unfortunately

2342

01:30:50,390 --> 01:30:48,320

yeah it looks like bob lazar did his

2343

01:30:51,910 --> 01:30:50,400

last big cash in getting a big book deal

2344

01:30:54,310 --> 01:30:51,920

from time to long

2345

01:30:55,430 --> 01:30:54,320

um so and nobody's heard from him since

2346

01:30:56,950 --> 01:30:55,440

uh

2347

01:30:59,270 --> 01:30:56,960

and every time you see bob lazar he's

2348

01:31:00,709 --> 01:30:59,280

like i need no money off this i make no

2349

01:31:02,709 --> 01:31:00,719

money off that

2350

01:31:04,629 --> 01:31:02,719

yeah okay that guy he did how many

2351

01:31:07,990 --> 01:31:04,639

movies he's making money

2352

01:31:12,470 --> 01:31:09,830

you know i i love the youtube

2353

01:31:14,229 --> 01:31:12,480

monetization they keep saying limited

2354

01:31:16,950 --> 01:31:14,239

apparently you and i

2355

01:31:19,110 --> 01:31:16,960

are limited because our content was

2356

01:31:20,550 --> 01:31:19,120

identified as not suitable for most

2357

01:31:23,189 --> 01:31:20,560

advertisers

2358

01:31:25,189 --> 01:31:23,199

just putting that out there

2359

01:31:26,950 --> 01:31:25,199

they put the yellow dollar sign yeah

2360

01:31:28,709 --> 01:31:26,960

yeah it's like you've not even done the

2361

01:31:29,990 --> 01:31:28,719

show yet how do you know it's not what

2362

01:31:32,310 --> 01:31:30,000

did we talk about that was so

2363

01:31:34,629 --> 01:31:32,320

controversial that most advertisers

2364

01:31:36,950 --> 01:31:34,639

would you know i think they just have

2365

01:31:39,350 --> 01:31:36,960

blackballed this whole topic we talked

2366

01:31:41,990 --> 01:31:39,360

about lu elizondo and jeremy corbell

2367

01:31:44,070 --> 01:31:42,000

that's what it is yeah they're they're

2368

01:31:45,990 --> 01:31:44,080

they're giving us the truth tax you got

2369

01:31:48,149 --> 01:31:46,000

to be so careful with youtube today

2370

01:31:49,669 --> 01:31:48,159

unfortunately you can't make any money

2371

01:31:51,750 --> 01:31:49,679

if you're telling people the truth you

2372

01:31:53,750 --> 01:31:51,760

know but meanwhile all these liars

2373

01:31:55,990 --> 01:31:53,760

they're you know they're making it

2374

01:31:57,270 --> 01:31:56,000

fortunate yeah i thought it was funny

2375

01:31:59,030 --> 01:31:57,280

too

2376

01:32:01,350 --> 01:31:59,040

somebody sent me a screenshot they were

2377

01:32:04,229 --> 01:32:01,360

watching some expose that i did on bob

2378

01:32:06,950 --> 01:32:04,239

lazar being a liar and the advertiser

2379

01:32:09,189 --> 01:32:06,960

was gaia tv advertising the bob lazar

2380

01:32:11,030 --> 01:32:09,199

documentary

2381

01:32:13,910 --> 01:32:11,040

i thought that was that is that not

2382

01:32:15,430 --> 01:32:13,920

ridiculous that's ridiculous

2383

01:32:20,550 --> 01:32:15,440

yeah

2384

01:32:22,070 --> 01:32:20,560

uh sometimes i i i do that what is it

2385

01:32:24,070 --> 01:32:22,080

what do they call that where you could

2386

01:32:28,709 --> 01:32:24,080

request a review

2387

01:32:29,510 --> 01:32:28,719

uh you got to go in the uh yeah i know i

2388

01:32:31,350 --> 01:32:29,520

do

2389

01:32:33,430 --> 01:32:31,360

i i will

2390

01:32:34,950 --> 01:32:33,440

because i mean i will when the show's

2391

01:32:36,870 --> 01:32:34,960

over though like i don't know how they

2392

01:32:38,550 --> 01:32:36,880

decide this before the show's even over

2393

01:32:41,430 --> 01:32:38,560

well because it's not a person that's

2394

01:32:42,470 --> 01:32:41,440

doing it of course

2395

01:32:47,110 --> 01:32:42,480

my life

2396

01:32:49,189 --> 01:32:47,120

right it's right ai

2397

01:32:51,669 --> 01:32:49,199

just like me the other day i put uh

2398

01:32:54,550 --> 01:32:51,679

music on one of my videos and it was

2399

01:32:58,629 --> 01:32:54,560

copyright free music for youtube

2400

01:33:00,390 --> 01:32:58,639

from youtube and uh i i got a copyright

2401

01:33:02,870 --> 01:33:00,400

strike thing uh like this is not a

2402

01:33:05,830 --> 01:33:02,880

copyright strike but the you know uh

2403

01:33:07,750 --> 01:33:05,840

monetize the video because the music and

2404

01:33:09,590 --> 01:33:07,760

i wrote them a letter i was like i got

2405

01:33:11,750 --> 01:33:09,600

the music from you so what are you

2406

01:33:13,270 --> 01:33:11,760

talking about it's your music that you

2407

01:33:14,310 --> 01:33:13,280

gave me to use

2408

01:33:16,229 --> 01:33:14,320

i know

2409

01:33:17,830 --> 01:33:16,239

you know it's even worse you know what's

2410

01:33:18,870 --> 01:33:17,840

even worse this is a big deal with

2411

01:33:20,629 --> 01:33:18,880

youtube

2412

01:33:22,390 --> 01:33:20,639

people sell what's called music

2413

01:33:24,390 --> 01:33:22,400

construction kits

2414

01:33:26,070 --> 01:33:24,400

and you can buy them at producer

2415

01:33:27,430 --> 01:33:26,080

websites and stuff like that but they

2416

01:33:29,590 --> 01:33:27,440

give you a bunch of loops like they'll

2417

01:33:32,149 --> 01:33:29,600

give you drum loops guitar loops bass

2418

01:33:33,510 --> 01:33:32,159

loops synthesizer loops and these are

2419

01:33:36,870 --> 01:33:33,520

construction kits and you put them

2420

01:33:38,709 --> 01:33:36,880

together to make music you know and if

2421

01:33:40,709 --> 01:33:38,719

you buy that construction kit it's

2422

01:33:42,550 --> 01:33:40,719

supposed to be royalty-free right if

2423

01:33:44,870 --> 01:33:42,560

somebody buys that construction kit and

2424

01:33:46,870 --> 01:33:44,880

then they copyright a song with the same

2425

01:33:49,990 --> 01:33:46,880

loops that you bought

2426

01:33:51,669 --> 01:33:50,000

youtube will flag your song it's hard to

2427

01:33:53,350 --> 01:33:51,679

explain does that make sense like yeah

2428

01:33:56,229 --> 01:33:53,360

it makes sense but if i use the same

2429

01:33:58,149 --> 01:33:56,239

construction kit that some other guy did

2430

01:33:59,430 --> 01:33:58,159

youtube is flagging me even though i

2431

01:34:02,629 --> 01:33:59,440

bought it and i'm supposed to have the

2432

01:34:03,910 --> 01:34:02,639

rights to use it royalty-free

2433

01:34:05,910 --> 01:34:03,920

i'll tell you what i'm gonna just start

2434

01:34:07,270 --> 01:34:05,920

doing my own music i'll put the light on

2435

01:34:10,550 --> 01:34:07,280

here for a second watch your eyes

2436

01:34:15,430 --> 01:34:13,030

oh look at that i got the whole studio

2437

01:34:18,149 --> 01:34:15,440

ready to go back in man drums guitars

2438

01:34:20,310 --> 01:34:18,159

everything oh your wife must love you we

2439

01:34:21,910 --> 01:34:20,320

could do it all

2440

01:34:23,110 --> 01:34:21,920

your wife better off doing it by

2441

01:34:24,870 --> 01:34:23,120

yourself you know what i mean and you're

2442

01:34:26,550 --> 01:34:24,880

gonna worry about i must love you yeah

2443

01:34:28,310 --> 01:34:26,560

that's what i do for a lot of it but i

2444

01:34:30,390 --> 01:34:28,320

gotta be careful i can't even use some

2445

01:34:31,990 --> 01:34:30,400

drum loops because somehow that will get

2446

01:34:33,270 --> 01:34:32,000

you flagged

2447

01:34:35,189 --> 01:34:33,280

somebody else

2448

01:34:36,709 --> 01:34:35,199

you can't even use some drum loops it's

2449

01:34:38,550 --> 01:34:36,719

ridiculous because that could get you

2450

01:34:40,629 --> 01:34:38,560

flagged because somebody else

2451  
01:34:41,590 --> 01:34:40,639  
owns the rights to them owns the rights

2452  
01:34:43,189 --> 01:34:41,600  
to the

2453  
01:34:46,229 --> 01:34:43,199  
that's the problem

2454  
01:34:48,629 --> 01:34:46,239  
or if you make a beat that sounds like

2455  
01:34:50,229 --> 01:34:48,639  
something uh that's already out there

2456  
01:34:51,109 --> 01:34:50,239  
deflecting for that too hey what's up

2457  
01:34:52,470 --> 01:34:51,119  
rich

2458  
01:34:55,270 --> 01:34:52,480  
yeah and there's something new they're

2459  
01:34:57,030 --> 01:34:55,280  
doing now if you talk over a piece of

2460  
01:34:58,790 --> 01:34:57,040  
music that they that they say are

2461  
01:34:59,669 --> 01:34:58,800  
copyrighted they give you half of their

2462  
01:35:01,109 --> 01:34:59,679  
money

2463  
01:35:02,790 --> 01:35:01,119

because then they say that's a cover

2464

01:35:03,510 --> 01:35:02,800

somehow

2465

01:35:06,070 --> 01:35:03,520

like

2466

01:35:07,990 --> 01:35:06,080

okay you know

2467

01:35:09,830 --> 01:35:08,000

yeah they don't make it easy here you

2468

01:35:11,669 --> 01:35:09,840

know to make a couple of bucks

2469

01:35:13,669 --> 01:35:11,679

it's it's rough

2470

01:35:15,189 --> 01:35:13,679

you know it's true

2471

01:35:17,830 --> 01:35:15,199

and i mean i don't even really do

2472

01:35:19,350 --> 01:35:17,840

anything right now where i get the super

2473

01:35:21,510 --> 01:35:19,360

chat or anything like that you know what

2474

01:35:23,350 --> 01:35:21,520

i mean again i make a couple bucks off

2475

01:35:25,669 --> 01:35:23,360

the adsense account which is like

2476

01:35:27,109 --> 01:35:25,679

nothing the best is when people hit me

2477

01:35:29,270 --> 01:35:27,119

up and they're like you're making all

2478

01:35:31,669 --> 01:35:29,280

this money off youtube i'm like really

2479

01:35:32,709 --> 01:35:31,679

am i i'm making pennies on a dollar

2480

01:35:33,510 --> 01:35:32,719

right now

2481

01:35:36,070 --> 01:35:33,520

yeah

2482

01:35:37,750 --> 01:35:36,080

fractions of pennies you know i'm doing

2483

01:35:39,270 --> 01:35:37,760

this because i love the subject that's

2484

01:35:41,669 --> 01:35:39,280

why i'm doing it it's not about the

2485

01:35:43,750 --> 01:35:41,679

money yeah that's how it is for me i

2486

01:35:45,910 --> 01:35:43,760

consider it a self-sustaining hobby

2487

01:35:47,430 --> 01:35:45,920

because like you know every once in a

2488

01:35:49,830 --> 01:35:47,440

while i get a couple of bucks i can buy

2489

01:35:51,350 --> 01:35:49,840

another microphone or buy another webcam

2490

01:35:53,030 --> 01:35:51,360

or something else that we need here

2491

01:35:55,590 --> 01:35:53,040

that's all we do here make the channel

2492

01:35:58,070 --> 01:35:55,600

that much better yeah but it's it's it

2493

01:36:00,149 --> 01:35:58,080

is better than working at taco bell 100

2494

01:36:02,229 --> 01:36:00,159

100

2495

01:36:04,390 --> 01:36:02,239

yeah that that pandemic you know this

2496

01:36:06,149 --> 01:36:04,400

health crisis screwed everything up so

2497

01:36:08,149 --> 01:36:06,159

it really did it said man to screw

2498

01:36:10,390 --> 01:36:08,159

everything up you're absolutely right

2499

01:36:11,910 --> 01:36:10,400

yeah think about it you used to make and

2500

01:36:14,149 --> 01:36:11,920

now you're down to this and you're like

2501  
01:36:16,390 --> 01:36:14,159  
look you just got to adapt and overcome

2502  
01:36:18,950 --> 01:36:16,400  
though i guess you know yeah

2503  
01:36:21,189 --> 01:36:18,960  
yeah but they say improvise modify adapt

2504  
01:36:22,709 --> 01:36:21,199  
and overcome

2505  
01:36:25,590 --> 01:36:22,719  
yeah well

2506  
01:36:29,270 --> 01:36:25,600  
well listen uh it's a holiday weekend

2507

well there we have it friends

2524

01:37:07,830 --> 01:37:05,840

uh and that girl jessica says great

2525

01:37:10,870 --> 01:37:07,840

guest and i agree

2526

01:37:12,709 --> 01:37:10,880

uh what can i say friends uh tomorrow is

2527

01:37:14,149 --> 01:37:12,719

thanksgiving i have many things to be

2528

01:37:15,189 --> 01:37:14,159

thankful for

2529

01:37:16,550 --> 01:37:15,199

um

2530

01:37:19,590 --> 01:37:16,560

and i gotta

2531

01:37:21,270 --> 01:37:19,600

meditate on that right uh it's easy to

2532

01:37:23,270 --> 01:37:21,280

get

2533

01:37:25,350 --> 01:37:23,280

bitter and angry with the world for

2534

01:37:27,270 --> 01:37:25,360

whatever reason

2535

01:37:28,950 --> 01:37:27,280

it's hard sometimes to remember to be

2536

01:37:30,629 --> 01:37:28,960

thankful i'm always thankful for

2537

01:37:31,990 --> 01:37:30,639

thanksgiving because thanksgiving really

2538

01:37:34,229 --> 01:37:32,000

does remind me

2539

01:37:35,590 --> 01:37:34,239

of how blessed that i am and how lucky

2540

01:37:36,790 --> 01:37:35,600

that i am

2541

01:37:38,629 --> 01:37:36,800

you know

2542

01:37:40,070 --> 01:37:38,639

realize that right now there are

2543

01:37:41,590 --> 01:37:40,080

homeless people

2544

01:37:43,590 --> 01:37:41,600

right now there are starving people

2545

01:37:45,109 --> 01:37:43,600

there are suffering people all around

2546

01:37:46,709 --> 01:37:45,119

the world

2547

01:37:48,390 --> 01:37:46,719

count your blessings if you're not one

2548

01:37:49,189 --> 01:37:48,400

of them

2549

01:37:51,510 --> 01:37:49,199

so

2550

01:37:53,910 --> 01:37:51,520

2551

01:37:56,550 --> 01:37:53,920

2555
