LEGACY CONTENT
009
IS BIGFOOT AN ALIEN?
- WITH STAN GORDON

1
00:00:05,430 --> 00:00:02,869
this program is a legacy program which

2
00:00:07,909 --> 00:00:05,440
was recorded some time ago

3
00:00:10,390 --> 00:00:07,919
views and subject matter are products of

4
00:00:13,030 --> 00:00:10,400
the time in which they were recorded and

5
00:00:31,589 --> 00:00:13,040
may not reflect current news or cultural

6
00:01:59,350 --> 00:00:34,550
me

7
00:02:04,550 --> 00:02:01,990
greetings and salutations fellow true

8
00:02:05,429 --> 00:02:04,560
seekers and welcome back to the midnight

9
00:02:08,389 --> 00:02:05,439
hour

10
00:02:10,790 --> 00:02:08,399
my name is stephen cambion also known as

11
00:02:15,110 --> 00:02:10,800
the mystery man bringing you another

12
00:02:19,670 --> 00:02:17,110
now tonight my friends we're going to be

13
00:02:21,430 --> 00:02:19,680

talking about another great mystery

14

00:02:23,030 --> 00:02:21,440

because that's what we do here at the

15

00:02:25,510 --> 00:02:23,040

midnight hour

16

00:02:27,670 --> 00:02:25,520

but not just a great mystery

17

00:02:29,910 --> 00:02:27,680

two great mysteries really

18

00:02:33,670 --> 00:02:29,920

because tonight my friends we're gonna

19

00:02:37,030 --> 00:02:33,680

be talking about the legendary bigfoot

20

00:02:40,070 --> 00:02:37,040

sasquatch but not just bigfoot we're

21

00:02:42,790 --> 00:02:40,080

going to be discussing bigfoot and

22

00:02:47,670 --> 00:02:42,800

bigfoot's possible relation

23

00:02:49,350 --> 00:02:47,680

to ufos and extraterrestrial spacecraft

24

00:02:51,030 --> 00:02:49,360

what do you think

25

00:02:53,750 --> 00:02:51,040

is bigfoot

26

00:02:55,750 --> 00:02:53,760

an unknown primate running around in the

27

00:02:59,030 --> 00:02:55,760

forests of the pacific northwest in

28

00:03:03,030 --> 00:03:01,110

is it a ghost or some sort of

29

00:03:06,229 --> 00:03:03,040

interdimensional creature

30

00:03:09,710 --> 00:03:06,239

or like my guest tonight do you believe

31

00:03:11,990 --> 00:03:09,720

that bigfoot might possibly be either an

32

00:03:12,790 --> 00:03:12,000

extraterrestrial himself

33

00:03:15,390 --> 00:03:12,800

or

34

00:03:20,070 --> 00:03:15,400

be somehow related to the

35

00:03:24,630 --> 00:03:22,309

i'm not sure what to think myself my

36

00:03:26,309 --> 00:03:24,640

friends but i invite you tonight on an

37

00:03:29,190 --> 00:03:26,319

incredible journey

38

00:03:35,110 --> 00:03:29,200

is bigfoot an extraterrestrial

39

00:03:42,869 --> 00:03:39,670

tonight my friends my guests will be

40

00:03:45,630 --> 00:03:42,879

probably the world's foremost expert on

41

00:03:48,949 --> 00:03:45,640

connecting bigfoot to ufos and

42

00:03:50,869 --> 00:03:48,959

extraterrestrial spacecraft his name is

43

00:03:52,710 --> 00:03:50,879

stan gordon

44

00:03:54,949 --> 00:03:52,720

now he's been on the show before because

45

00:03:57,910 --> 00:03:54,959

he also happens to be an expert on the

46

00:04:00,070 --> 00:03:57,920

kecksburg ufo incident but tonight we're

47

00:04:03,589 --> 00:04:00,080

going to be discussing all of his

48

00:04:07,229 --> 00:04:03,599

research into bigfoot and bigfoot's

49

00:04:10,070 --> 00:04:07,239

possible relationship with ufos and

50

00:04:12,869 --> 00:04:10,080

extraterrestrial spacecraft

51
00:04:16,069 --> 00:04:12,879
as stan gordon this expert researcher

52
00:04:18,789 --> 00:04:16,079
cracked the case and actually proven

53
00:04:22,870 --> 00:04:18,799
that bigfoot has some relation

54
00:04:25,189 --> 00:04:22,880
to ufos and extraterrestrial spacecraft

55
00:04:26,830 --> 00:04:25,199
ladies and gentlemen i think this is an

56
00:04:30,390 --> 00:04:26,840
incredible

57
00:04:31,590 --> 00:04:30,400
intriguing twist on the whole bigfoot

58
00:04:34,230 --> 00:04:31,600
legend

59
00:04:35,430 --> 00:04:34,240
it's a seldom thought about thing

60
00:04:38,710 --> 00:04:35,440
what if

61
00:04:41,909 --> 00:04:38,720
that hairy beast in that forest is

62
00:04:45,110 --> 00:04:41,919
working for other extraterrestrials was

63
00:04:48,790 --> 00:04:45,120

created by other extraterrestrials or is

64

00:04:51,909 --> 00:04:48,800

somehow the servitor race to the greys

65

00:04:53,590 --> 00:04:51,919

or some other master extraterrestrial

66

00:04:56,629 --> 00:04:53,600

race

67

00:04:58,710 --> 00:04:56,639

that employs bigfoot to do

68

00:05:00,550 --> 00:04:58,720

their dirty work

69

00:05:03,270 --> 00:05:00,560

does this sound a little too far out for

70

00:05:05,510 --> 00:05:03,280

you because it kind of does for me

71

00:05:06,950 --> 00:05:05,520

but once you get into it

72

00:05:09,430 --> 00:05:06,960

you'll find

73

00:05:10,469 --> 00:05:09,440

that some of the proof of this

74

00:05:11,990 --> 00:05:10,479

is

75

00:05:13,830 --> 00:05:12,000

incredible

76

00:05:15,590 --> 00:05:13,840

and tonight my friends we're going to

77

00:05:18,710 --> 00:05:15,600

fully explore this with one of the

78

00:05:19,909 --> 00:05:18,720

world's most leading experts into this

79

00:05:25,590 --> 00:05:19,919

theory

80

00:05:28,230 --> 00:05:25,600

on the legend of bigfoot

81

00:05:30,870 --> 00:05:28,240

let's get into it but before we do my

82

00:05:33,749 --> 00:05:30,880

friends i do have some announcements

83

00:05:35,990 --> 00:05:33,759

some of our previous shows or other

99

00:06:13,909 --> 00:06:11,199

shows that we have produced

100

00:06:16,629 --> 00:06:13,919

i am also incredibly excited to announce

101

00:06:18,870 --> 00:06:16,639

that all the parts are finally in place

102

00:06:21,830 --> 00:06:18,880

and true to the original concept of our

103

00:06:25,670 --> 00:06:21,840

show the midnight hour we will soon be

104

00:06:27,029 --> 00:06:25,680

broadcasting our show weekly once a week

105

00:06:28,710 --> 00:06:27,039

at midnight

106

00:06:30,870 --> 00:06:28,720

now the details are still a little

107

00:06:33,670 --> 00:06:30,880

sketchy and up in the air but we're

108

00:06:35,590 --> 00:06:33,680

working really hard to make this happen

109

00:06:37,830 --> 00:06:35,600

so that we can fulfill the original

110

00:06:39,430 --> 00:06:37,840

concept of the show which is the

111

00:06:41,029 --> 00:06:39,440

midnight hour

112

00:06:43,210 --> 00:06:41,039

so welcome once again fellow

113

00:06:45,909 --> 00:06:43,220

truthseekers to the midnight hour

114

00:06:48,790 --> 00:06:45,919

[Music]

115

00:06:50,230 --> 00:06:48,800

now i have to tell you my fellow true

116

00:06:52,309 --> 00:06:50,240

seeking friends

117

00:06:55,110 --> 00:06:52,319

that when i first heard

118

00:06:57,270 --> 00:06:55,120

this kind of theory that bigfoot was an

119

00:06:58,950 --> 00:06:57,280

extraterrestrial

120

00:07:00,629 --> 00:06:58,960

or

121

00:07:02,230 --> 00:07:00,639

you know i guess that all bigfoots are

122

00:07:04,870 --> 00:07:02,240

extraterrestrials

123

00:07:07,830 --> 00:07:04,880

or that bigfoot was somehow related to

124

00:07:09,189 --> 00:07:07,840

the extraterrestrial phenomenon or ufo

125

00:07:10,870 --> 00:07:09,199

phenomenon

126

00:07:14,469 --> 00:07:10,880

i got to tell you the truth

127

00:07:16,710 --> 00:07:14,479

my [h__h] meter went off the charts

128

00:07:18,390 --> 00:07:16,720

because i kind of think this is two

129

00:07:19,749 --> 00:07:18,400

strange

130

00:07:21,990 --> 00:07:19,759

things

131

00:07:23,029 --> 00:07:22,000

that don't really have a relationship to

132

00:07:24,870 --> 00:07:23,039

each other

133

00:07:27,189 --> 00:07:24,880

or do they

134

00:07:29,110 --> 00:07:27,199

so i started to look into it and then i

135

00:07:31,430 --> 00:07:29,120

remembered that

136

00:07:33,510 --> 00:07:31,440

bigfoot is mentioned in

137

00:07:35,990 --> 00:07:33,520

probably three or four different books

138

00:07:38,870 --> 00:07:36,000

that i have on ufos

139

00:07:39,589 --> 00:07:38,880

and so i went back to my books and sort

140

00:07:42,710 --> 00:07:39,599

of

141

00:07:45,270 --> 00:07:42,720

you know rifled through everything going

142

00:07:48,309 --> 00:07:45,280

what is the connection here

143

00:07:50,629 --> 00:07:48,319

and then i found what the connection was

144

00:07:51,670 --> 00:07:50,639

because it turns out my friends

145

00:07:55,990 --> 00:07:51,680

that

146

00:07:59,589 --> 00:07:56,000

is a flap

147

00:08:02,070 --> 00:07:59,599

of bigfoot sightings there is

148

00:08:05,909 --> 00:08:02,080

also in connection to that

149

00:08:08,150 --> 00:08:05,919

bigfoot sighting flap a flap of ufo

150

00:08:10,150 --> 00:08:08,160

sightings in other words

151
00:08:13,350 --> 00:08:10,160
if a bunch of people start seeing

152
00:08:15,990 --> 00:08:13,360
bigfoot in a certain area

153
00:08:17,510 --> 00:08:16,000
either the same or separate people

154
00:08:21,589 --> 00:08:17,520
are also

155
00:08:24,469 --> 00:08:21,599
seeing ufos and lights in the sky and

156
00:08:26,550 --> 00:08:24,479
strange aerial phenomenon

157
00:08:28,790 --> 00:08:26,560
and it's at the same time that people

158
00:08:30,309 --> 00:08:28,800
are seeing bigfoot

159
00:08:31,830 --> 00:08:30,319
now sometimes

160
00:08:33,909 --> 00:08:31,840
people will see

161
00:08:35,190 --> 00:08:33,919
lights in the sky or some kind of

162
00:08:38,070 --> 00:08:35,200
strange

163
00:08:40,870 --> 00:08:38,080

aerial phenomenon or unknown flying

164

00:08:45,190 --> 00:08:40,880

objects in the sky and on the same day

165

00:08:47,509 --> 00:08:45,200

or night see a bigfoot creature

166

00:08:49,430 --> 00:08:47,519

and that my friends is why

167

00:08:51,910 --> 00:08:49,440

bigfoot is mentioned in several

168

00:08:54,389 --> 00:08:51,920

different ufo books that i had

169

00:08:56,550 --> 00:08:54,399

and i kind of forgot about that

170

00:08:58,550 --> 00:08:56,560

you know you know you go reading through

171

00:09:01,829 --> 00:08:58,560

this ufo book and and you know they

172

00:09:04,230 --> 00:09:01,839

mentioned oh people saw ufos and then

173

00:09:05,910 --> 00:09:04,240

the next night people saw

174

00:09:09,030 --> 00:09:05,920

a bigfoot creature

175

00:09:11,590 --> 00:09:09,040

you know around their home in the same

176

00:09:13,670 --> 00:09:11,600

time frame that they saw ufo the day

177

00:09:15,750 --> 00:09:13,680

before or the same day

178

00:09:18,230 --> 00:09:15,760

so then i started thinking like

179

00:09:20,710 --> 00:09:18,240

that's pretty amazing and it's pretty

180

00:09:24,389 --> 00:09:20,720

incredible that somebody would see two

181

00:09:26,710 --> 00:09:24,399

incredibly legendary things like a ufo

182

00:09:28,550 --> 00:09:26,720

and a bigfoot creature in the same day

183

00:09:29,990 --> 00:09:28,560

or same night

184

00:09:31,750 --> 00:09:30,000

to me

185

00:09:35,509 --> 00:09:31,760

there's some meat on the bones there if

186

00:09:37,990 --> 00:09:35,519

that's the case and we have incredibly

187

00:09:39,670 --> 00:09:38,000

you know credible witnesses that are

188

00:09:40,790 --> 00:09:39,680

reporting this

189

00:09:43,269 --> 00:09:40,800

so

190

00:09:45,509 --> 00:09:43,279

i decided that i can't just let the

191

00:09:49,670 --> 00:09:45,519

[h__h] meter go off the charts when i

192

00:09:50,470 --> 00:09:49,680

hear something like a theory like this

193

00:09:59,509 --> 00:09:50,480

i

194

00:10:02,470 --> 00:09:59,519

lately

195

00:10:04,389 --> 00:10:02,480

i have been in contact with a lot of

196

00:10:06,150 --> 00:10:04,399

different guests that we've you know we

197

00:10:09,990 --> 00:10:06,160

just had a guest on our show talking

198

00:10:12,790 --> 00:10:10,000

about alien abductions and alien hybrids

199

00:10:14,470 --> 00:10:12,800

uh well we just recorded the interview

200

00:10:15,350 --> 00:10:14,480

and we're going to be broadcasting that

201
00:10:17,509 --> 00:10:15,360
soon

202
00:10:19,990 --> 00:10:17,519
and honestly that was one thing again

203
00:10:22,389 --> 00:10:20,000
that i thought this is crazy and there's

204
00:10:24,069 --> 00:10:22,399
no proof of any of this but i have to

205
00:10:25,350 --> 00:10:24,079
say i came away from the interview

206
00:10:28,150 --> 00:10:25,360
thinking

207
00:10:30,790 --> 00:10:28,160
i'm a little too skeptical sometimes so

208
00:10:33,269 --> 00:10:30,800
i've i've decided that i'm gonna work a

209
00:10:34,150 --> 00:10:33,279
little harder at keeping an open mind

210
00:10:39,670 --> 00:10:34,160
and

211
00:10:43,350 --> 00:10:39,680
evidence is there then you can't

212
00:10:46,230 --> 00:10:43,360
so quickly dismiss things it's not it's

213
00:10:48,150 --> 00:10:46,240

not right to do that you have to keep an

214

00:10:50,069 --> 00:10:48,160

open mind if you're going to investigate

215

00:10:51,990 --> 00:10:50,079

these things and that's the point of the

216

00:10:52,790 --> 00:10:52,000

show i want to investigate these things

217

00:10:55,350 --> 00:10:52,800

for

218

00:10:57,829 --> 00:10:55,360

all of you my friends and fellow truth

219

00:11:00,870 --> 00:10:57,839

seekers and try to bring you some of the

220

00:11:02,310 --> 00:11:00,880

best evidence for these things

221

00:11:04,470 --> 00:11:02,320

so

222

00:11:06,470 --> 00:11:04,480

like i said i've been working really

223

00:11:09,269 --> 00:11:06,480

hard on doing that

224

00:11:11,190 --> 00:11:09,279

and on this theory that bigfoot is

225

00:11:13,590 --> 00:11:11,200

somehow related to ufos and

226

00:11:14,389 --> 00:11:13,600

extraterrestrials

227

00:11:16,630 --> 00:11:14,399

you know

228

00:11:19,910 --> 00:11:16,640

i started reading everything that i

229

00:11:23,190 --> 00:11:19,920

could find and i have found an

230

00:11:25,110 --> 00:11:23,200

abundance of evidence that links

231

00:11:30,150 --> 00:11:25,120

bigfoot and ufos

232

00:11:32,310 --> 00:11:30,160

you'll find

233

00:11:34,630 --> 00:11:32,320

the same

234

00:11:37,829 --> 00:11:34,640

kind of evidence that i have been

235

00:11:39,990 --> 00:11:37,839

struggling with here to go through

236

00:11:42,790 --> 00:11:40,000

now i always joke about going down a

237

00:11:46,710 --> 00:11:42,800

rabbit hole and if you want to go down a

238

00:11:50,710 --> 00:11:46,720

true rabbit hole of crazy paranormal

239

00:11:54,829 --> 00:11:50,720

phenomenon then i invite you to google

240

00:11:56,470 --> 00:11:54,839

search bigfoot and ufos or bigfoot

241

00:12:00,069 --> 00:11:56,480

extraterrestrials and you're going to

242

00:12:02,069 --> 00:12:00,079

find all kinds of witness testimony and

243

00:12:03,590 --> 00:12:02,079

case studies and all kinds of

244

00:12:06,470 --> 00:12:03,600

strangeness

245

00:12:09,910 --> 00:12:06,480

it's amazing how many things you can

246

00:12:12,069 --> 00:12:09,920

find that relate bigfoot to ufos or

247

00:12:13,750 --> 00:12:12,079

extraterrestrials

248

00:12:16,629 --> 00:12:13,760

so

249

00:12:20,150 --> 00:12:16,639

having heard about this theory and then

250

00:12:20,870 --> 00:12:20,160

uh also you know starting to look into

251

00:12:23,670 --> 00:12:20,880

it

252

00:12:26,230 --> 00:12:23,680

one person's name kept coming up and

253

00:12:28,310 --> 00:12:26,240

that is my guest tonight

254

00:12:30,230 --> 00:12:28,320

and i thought wow that's that's pretty

255

00:12:32,710 --> 00:12:30,240

awesome because we've had him on the

256

00:12:35,030 --> 00:12:32,720

show before so maybe i could reach out

257

00:12:36,150 --> 00:12:35,040

to him and get him to talk about this

258

00:12:40,949 --> 00:12:36,160

theory

259

00:12:42,230 --> 00:12:40,959

in

260

00:12:44,310 --> 00:12:42,240

i have to say

261

00:12:46,069 --> 00:12:44,320

that uh he's one of my favorite

262

00:12:49,030 --> 00:12:46,079

investigators because he's kind of

263

00:12:51,190 --> 00:12:49,040

fact-based and also he's out there on

264

00:12:53,670 --> 00:12:51,200

the ground like some people are what i

265

00:12:55,750 --> 00:12:53,680

call armchair investigators you know

266

00:12:57,590 --> 00:12:55,760

they just go on the internet and then

267

00:12:59,509 --> 00:12:57,600

they form their opinions and they start

268

00:13:01,750 --> 00:12:59,519

talking about things like they have some

269

00:13:03,350 --> 00:13:01,760

firsthand knowledge of it

270

00:13:05,670 --> 00:13:03,360

and uh

271

00:13:06,550 --> 00:13:05,680

that's really not what my guest tonight

272

00:13:08,629 --> 00:13:06,560

does

273

00:13:11,750 --> 00:13:08,639

stan gordon is

274

00:13:14,710 --> 00:13:11,760

an a field investigator this guy goes

275

00:13:15,990 --> 00:13:14,720

out and interviews people when these

276

00:13:17,110 --> 00:13:16,000

things happen

277

00:13:19,269 --> 00:13:17,120

and he

278

00:13:21,670 --> 00:13:19,279

you know goes through the fields that

279

00:13:24,790 --> 00:13:21,680

they saw the bigfoot in and

280

00:13:25,990 --> 00:13:24,800

gets drawings of the craft and documents

281

00:13:28,310 --> 00:13:26,000

everything

282

00:13:30,069 --> 00:13:28,320

stan gordon has been doing this

283

00:13:32,069 --> 00:13:30,079

longer than i've been alive so i have

284

00:13:33,829 --> 00:13:32,079

incredible amount of respect for him and

285

00:13:37,350 --> 00:13:33,839

admiration for the things that he's

286

00:13:40,310 --> 00:13:37,360

tried to do and for the research that

287

00:13:43,110 --> 00:13:40,320

he's tried to bring to the forefront

288

00:13:45,189 --> 00:13:43,120

and share with people

289

00:13:47,110 --> 00:13:45,199

this guy's got a hotline that just like

290

00:13:50,310 --> 00:13:47,120

it's a phone that just rings in his

291

00:13:53,750 --> 00:13:50,320

house and if people see some ufo or a

292

00:13:56,389 --> 00:13:53,760

bigfoot or some kind of paranormal thing

293

00:13:57,750 --> 00:13:56,399

including ghosts or any really anything

294

00:14:00,470 --> 00:13:57,760

paranormal

295

00:14:02,550 --> 00:14:00,480

they can call his hotline and

296

00:14:04,389 --> 00:14:02,560

stan gordon will go out to their house

297

00:14:06,790 --> 00:14:04,399

and interview them and talk to them

298

00:14:09,590 --> 00:14:06,800

about it and try to get them some kind

299

00:14:11,269 --> 00:14:09,600

of answers about what's been going on

300

00:14:14,069 --> 00:14:11,279

and to be honest with you

301

00:14:16,629 --> 00:14:14,079

in this world that we have right now in

302

00:14:18,870 --> 00:14:16,639

the in the paranormal field it just

303

00:14:21,590 --> 00:14:18,880

seems to me that we have an incredible

304

00:14:23,189 --> 00:14:21,600

amount of storytelling [h__h] artists

305

00:14:25,670 --> 00:14:23,199

and i hate that

306

00:14:27,430 --> 00:14:25,680

listen i don't want to get negative

307

00:14:31,430 --> 00:14:27,440

but we just had

308

00:14:32,790 --> 00:14:31,440

a mufon conference last year for 2017

309

00:14:35,990 --> 00:14:32,800

where they had

310

00:14:38,069 --> 00:14:36,000

a conference on the secret space program

311

00:14:40,310 --> 00:14:38,079

and i gotta tell you that after having

312

00:14:42,470 --> 00:14:40,320

john ventry who is another person that i

313

00:14:44,550 --> 00:14:42,480

respect a lot on my show

314

00:14:47,030 --> 00:14:44,560

i really truly considered becoming a

315

00:14:49,189 --> 00:14:47,040

member of mufon and trying to become a

316

00:14:51,990 --> 00:14:49,199

field investigator maybe or get deeper

317

00:14:54,870 --> 00:14:52,000

into mufon but after i saw what they

318

00:14:57,590 --> 00:14:54,880

just did having uh i don't know a

319

00:15:00,150 --> 00:14:57,600

storytelling session instead of a real

320

00:15:02,629 --> 00:15:00,160

ufo conference this is supposed to be a

321

00:15:05,350 --> 00:15:02,639

scientific organization and they had

322

00:15:06,949 --> 00:15:05,360

these people stand there and tell these

323

00:15:10,310 --> 00:15:06,959

stories

324

00:15:12,470 --> 00:15:10,320

so basically mufon just took everybody's

325

00:15:13,829 --> 00:15:12,480

money because to be a member of mufon

326

00:15:16,230 --> 00:15:13,839

you got to contribute a little bit of

327

00:15:18,389 --> 00:15:16,240

money that's how the system works and

328

00:15:20,230 --> 00:15:18,399

hey listen i'm fine with kicking a

329

00:15:21,910 --> 00:15:20,240

couple of bucks for an organization that

330

00:15:23,590 --> 00:15:21,920

i think is doing good

331

00:15:26,150 --> 00:15:23,600

but if they're going to take my couple

332

00:15:28,790 --> 00:15:26,160

of bucks and pay a bunch of storytellers

333

00:15:30,150 --> 00:15:28,800

at a so-called scientific conference on

334

00:15:32,710 --> 00:15:30,160

ufology

335

00:15:36,069 --> 00:15:32,720

i got a problem with that

336

00:15:41,110 --> 00:15:37,269

some people

337

00:15:43,110 --> 00:15:41,120

to be lecturers at their conference

338

00:15:44,870 --> 00:15:43,120

for 2017

339

00:15:47,430 --> 00:15:44,880

you know i know i'm a little behind but

340

00:15:49,590 --> 00:15:47,440

i'm still catching up here on it because

341

00:15:51,910 --> 00:15:49,600

it's so shocking to me that they did

342

00:15:54,949 --> 00:15:51,920

this that it took me some time to really

343

00:15:55,990 --> 00:15:54,959

die think about it and digest it

344

00:15:58,790 --> 00:15:56,000

they took

345

00:16:00,790 --> 00:15:58,800

you know they have to take member dues

346

00:16:03,030 --> 00:16:00,800

to pay these people

347

00:16:06,069 --> 00:16:03,040

and they paid

348

00:16:08,710 --> 00:16:06,079

really three storytellers

349

00:16:11,350 --> 00:16:08,720

who have zero evidence of anything

350

00:16:13,910 --> 00:16:11,360

they're talking about zero proof of

351

00:16:16,470 --> 00:16:13,920

anything they're talking about

352

00:16:18,710 --> 00:16:16,480

zero documents that

353

00:16:20,829 --> 00:16:18,720

would back up anything they're talking

354

00:16:23,189 --> 00:16:20,839

about zero

355

00:16:24,629 --> 00:16:23,199

corroboration about anything they're

356

00:16:27,110 --> 00:16:24,639

talking about

357

00:16:29,749 --> 00:16:27,120

three people were paid by mufon to come

358

00:16:32,230 --> 00:16:29,759

there and tell ridiculous stories

359

00:16:35,110 --> 00:16:32,240

these stories ranged from

360

00:16:37,430 --> 00:16:35,120

i time traveled when i was a child

361

00:16:40,069 --> 00:16:37,440

i you know

362

00:16:42,710 --> 00:16:40,079

one guy is talking about he took a

363

00:16:43,910 --> 00:16:42,720

teleport system to mars with barack

364

00:16:45,749 --> 00:16:43,920

obama

365

00:16:47,509 --> 00:16:45,759

i mean really

366

00:16:49,829 --> 00:16:47,519

you you're

367

00:16:51,910 --> 00:16:49,839

people are contributing to mufon and

368

00:16:53,030 --> 00:16:51,920

they're paying somebody to go to their

369

00:16:56,550 --> 00:16:53,040

national

370

00:16:57,990 --> 00:16:56,560

year yearly conference who's saying

371

00:17:23,189 --> 00:16:58,000

i

372

00:17:25,110 --> 00:17:23,199

because you know

373

00:17:26,549 --> 00:17:25,120

their only explanation is well we're

374

00:17:29,110 --> 00:17:26,559

putting this information out there and

375

00:17:30,789 --> 00:17:29,120

people can form their own opinions no

376

00:17:32,710 --> 00:17:30,799

this is [h__h]

377

00:17:34,549 --> 00:17:32,720

and then we have you know i'm not even

378

00:17:37,430 --> 00:17:34,559

going to name them because i don't want

379

00:17:38,789 --> 00:17:37,440

to contribute to their fame because

380

00:17:41,190 --> 00:17:38,799

that's all they're looking for they're

381

00:17:43,110 --> 00:17:41,200

looking for money and fame but then we

382

00:17:45,270 --> 00:17:43,120

got another guy who's

383

00:17:48,310 --> 00:17:45,280

claiming that

384

00:17:50,070 --> 00:17:48,320

he had a nordic alien secretary who is

385

00:17:51,669 --> 00:17:50,080

giving him secrets and telling him what

386

00:17:53,430 --> 00:17:51,679

to say and

387

00:17:57,750 --> 00:17:53,440

reptilian

388

00:18:00,870 --> 00:17:57,760

nazi ufo craft and and and again

389

00:18:03,510 --> 00:18:00,880

all this other crap and

390

00:18:05,430 --> 00:18:03,520

that guy's got a doctor now making foia

391

00:18:06,390 --> 00:18:05,440

requests trying to back up what he's

392

00:18:07,350 --> 00:18:06,400

saying

393

00:18:09,669 --> 00:18:07,360

and

394

00:18:10,789 --> 00:18:09,679

what i have to say about that is

395

00:18:14,070 --> 00:18:10,799

all that

396

00:18:16,310 --> 00:18:14,080

doctor a phd

397

00:18:19,510 --> 00:18:16,320

which really is piled high and deep and

398

00:18:22,070 --> 00:18:19,520

[h__h] that's that's with that doctor

399

00:18:25,350 --> 00:18:22,080

there's a doctor at the mufon conference

400

00:18:27,190 --> 00:18:25,360

saying well i i did these foia requests

401

00:18:30,070 --> 00:18:27,200

and you know

402

00:18:32,390 --> 00:18:30,080

we've proven uh much of his uh

403

00:18:35,190 --> 00:18:32,400

statements no you proved that he worked

404

00:18:38,310 --> 00:18:35,200

for the military he could have been a

405

00:18:40,150 --> 00:18:38,320

dishwasher on a navy ship

406

00:18:42,310 --> 00:18:40,160

for his entire

407

00:18:44,870 --> 00:18:42,320

navy career

408

00:18:47,110 --> 00:18:44,880

you didn't prove that he somehow had

409

00:18:49,190 --> 00:18:47,120

access to reptilian

410

00:18:51,510 --> 00:18:49,200

nazi ufo

411

00:18:52,630 --> 00:18:51,520

flying saucers because that's what he's

412

00:18:53,430 --> 00:18:52,640

claiming

413

00:18:55,669 --> 00:18:53,440

or

414

00:18:57,590 --> 00:18:55,679

any of his ridiculous claims you just

415

00:18:59,029 --> 00:18:57,600

proved that he was in the military good

416

00:19:00,789 --> 00:18:59,039

for you you proved that he was in the

417

00:19:03,270 --> 00:19:00,799

military

418

00:19:06,710 --> 00:19:03,280

that's some [h__h] and the fact that

419

00:19:09,350 --> 00:19:06,720

mufon is taking members money and paying

420

00:19:10,710 --> 00:19:09,360

idiots like this

421

00:19:16,230 --> 00:19:10,720

to

422

00:19:17,830 --> 00:19:16,240

conference is completely and absolutely

423

00:19:18,789 --> 00:19:17,840

ridiculous

424

00:19:20,230 --> 00:19:18,799

and

425

00:19:23,110 --> 00:19:20,240

they lost

426

00:19:25,669 --> 00:19:23,120

every little bit of respect and dignity

427

00:19:27,510 --> 00:19:25,679

that they once had by doing this and i

428

00:19:29,750 --> 00:19:27,520

want to call on their leadership you can

429

00:19:32,950 --> 00:19:29,760

contact me you can come on this show and

430

00:19:35,909 --> 00:19:32,960

try to explain to me and my listeners

431

00:19:38,070 --> 00:19:35,919

why you allowed three idiots to go to

432

00:19:41,110 --> 00:19:38,080

your national conference and sell

433

00:19:43,430 --> 00:19:41,120

[h__\h] and worse yet you took the

434

00:19:45,430 --> 00:19:43,440

money of the people that contribute to

435

00:19:46,630 --> 00:19:45,440

your organization and paid these

436

00:19:48,710 --> 00:19:46,640

[h__\h]

437

00:19:50,549 --> 00:19:48,720

what are you on drugs

438

00:19:53,029 --> 00:19:50,559

you're supposed to be a scientific

439

00:19:54,150 --> 00:19:53,039

organization dedicated to the study of

440

00:19:56,549 --> 00:19:54,160

this stuff

441

00:19:59,590 --> 00:19:56,559

you're not supposed to be paying idiots

442

00:20:02,950 --> 00:19:59,600

that are telling [h__\h] stories and

443

00:20:04,870 --> 00:20:02,960

have no proof whatsoever

444

00:20:07,270 --> 00:20:04,880

and then there's also the biggest

445

00:20:09,750 --> 00:20:07,280

[h__\h] artist in the field today and

446

00:20:11,590 --> 00:20:09,760

they employed this guy

447

00:20:14,710 --> 00:20:11,600

all i'm gonna say is that this person is

448

00:20:17,270 --> 00:20:14,720

on gaia tv telling all kinds of crazy

449

00:20:19,590 --> 00:20:17,280

stories about blue avian aliens and the

450

00:20:21,830 --> 00:20:19,600

fact that he somehow

451

00:20:24,630 --> 00:20:21,840

uh served in the secret space program

452

00:20:26,630 --> 00:20:24,640

for 20 years but then came back in time

453

00:20:28,549 --> 00:20:26,640

and they age regressed him so nobody

454

00:20:30,630 --> 00:20:28,559

knew he was gone for the entire time

455

00:20:34,149 --> 00:20:30,640

that he was doing all of this

456

00:20:37,029 --> 00:20:34,159

it's such [h__h] and he's on gaia tv

457

00:20:39,110 --> 00:20:37,039

being interviewed by a fake psychic

458

00:20:39,990 --> 00:20:39,120

[h__h] that took money from people

459

00:20:41,909 --> 00:20:40,000

giving

460

00:20:44,630 --> 00:20:41,919

fake psychic readings for years and

461

00:20:47,029 --> 00:20:44,640

years and to my knowledge still does

462

00:20:48,630 --> 00:20:47,039

and also claims to be edgar casey

463

00:20:50,950 --> 00:20:48,640

reincarnated

464

00:20:53,190 --> 00:20:50,960

come on guys really this is supposed to

465

00:20:55,750 --> 00:20:53,200

be a scientific organization and you're

466

00:20:59,830 --> 00:20:55,760

employing people like this

467

00:21:00,710 --> 00:20:59,840

what has this field devolved into

468

00:21:03,510 --> 00:21:00,720

the

469

00:21:05,430 --> 00:21:03,520

this is absolutely ridiculous that we

470

00:21:06,950 --> 00:21:05,440

even have to address this with the

471

00:21:10,310 --> 00:21:06,960

so-called leadership of this

472

00:21:12,789 --> 00:21:10,320

organization you know growing up i had

473

00:21:15,510 --> 00:21:12,799

respect for that organization but after

474

00:21:18,630 --> 00:21:15,520

i saw this i would never give them a

475

00:21:20,870 --> 00:21:18,640

penny of my money because i don't want

476
00:21:22,950 --> 00:21:20,880
them to turn around and give any of my

477
00:21:25,190 --> 00:21:22,960
money to a bunch of storytelling

478
00:21:27,350 --> 00:21:25,200
[h__h] artists fake psychic

479
00:21:29,990 --> 00:21:27,360
interviewed [h__h]

480
00:21:32,710 --> 00:21:30,000
this is ridiculous and i call on every

481
00:21:34,230 --> 00:21:32,720
mufon member to contact your leadership

482
00:21:35,750 --> 00:21:34,240
and tell them that this is not

483
00:21:38,470 --> 00:21:35,760
acceptable

484
00:21:41,590 --> 00:21:38,480
mufon in my view just lost

485
00:21:44,390 --> 00:21:41,600
every bit of credibility that they once

486
00:21:46,149 --> 00:21:44,400
might have had by doing something so

487
00:21:48,149 --> 00:21:46,159
ridiculous

488
00:21:51,430 --> 00:21:48,159

now to their credit

489

00:21:53,350 --> 00:21:51,440

they had a hero on that stage

490

00:21:56,950 --> 00:21:53,360

along with these [h__h] artists and i

491

00:21:59,510 --> 00:21:56,960

gotta say that i admire his courage

492

00:22:01,590 --> 00:21:59,520

and his conviction

493

00:22:04,549 --> 00:22:01,600

and that is richard dolan a real

494

00:22:05,590 --> 00:22:04,559

researcher author and historian

495

00:22:09,190 --> 00:22:05,600

now

496

00:22:11,110 --> 00:22:09,200

when i i suppose or i've heard

497

00:22:12,950 --> 00:22:11,120

uh with interviews from him when he

498

00:22:15,430 --> 00:22:12,960

heard that he was gonna have to be on a

499

00:22:17,990 --> 00:22:15,440

stage with these people he kind of lost

500

00:22:19,510 --> 00:22:18,000

his [h__h] and i would too how do you

501
00:22:21,110 --> 00:22:19,520
expect me to stand up here with these

502
00:22:24,149 --> 00:22:21,120
bunch of [h__\h] artists when i'm a

503
00:22:26,549 --> 00:22:24,159
serious researcher but to his credit

504
00:22:28,310 --> 00:22:26,559
richard dolan is one of my heroes he's

505
00:22:32,070 --> 00:22:28,320
always been one of my heroes and you

506
00:22:34,630 --> 00:22:32,080
know what he's even bigger hero of mine

507
00:22:37,350 --> 00:22:34,640
because what he did is he went to that

508
00:22:39,190 --> 00:22:37,360
conference anyway and they gave him

509
00:22:41,029 --> 00:22:39,200
the option they said well if you don't

510
00:22:44,070 --> 00:22:41,039
want to be on the panel and the debate

511
00:22:48,149 --> 00:22:44,080
you don't have to but richard dolan

512
00:22:50,630 --> 00:22:48,159
he's he's a rock star man he said no i

513
00:22:53,029 --> 00:22:50,640

have to i have to stand up here in this

514

00:22:55,110 --> 00:22:53,039

conference i can't let this go and

515

00:22:57,110 --> 00:22:55,120

richard dolan stood up there and

516

00:22:59,430 --> 00:22:57,120

basically called him [h__h] artists

517

00:23:02,870 --> 00:22:59,440

and i have to say that he's much more

518

00:23:05,590 --> 00:23:02,880

diplomatic and polite than i would be

519

00:23:08,230 --> 00:23:05,600

and i have to say also that my respect

520

00:23:09,990 --> 00:23:08,240

for this man richard dolan went up by a

521

00:23:12,230 --> 00:23:10,000

thousand percent because you have to

522

00:23:14,230 --> 00:23:12,240

realize that you know move on

523

00:23:17,190 --> 00:23:14,240

conferences is probably a good portion

524

00:23:18,789 --> 00:23:17,200

of his income he didn't need to do that

525

00:23:21,029 --> 00:23:18,799

he could have just kept his mouth shut

526

00:23:23,029 --> 00:23:21,039

and not said anything

527

00:23:25,510 --> 00:23:23,039

but good for him man

528

00:23:27,669 --> 00:23:25,520

and and i'm so glad that he did that you

529

00:23:30,710 --> 00:23:27,679

know like he had the courage and the

530

00:23:32,870 --> 00:23:30,720

conviction to stand up to that and say

531

00:23:34,230 --> 00:23:32,880

this is [h__h] and here's why this is

532

00:23:35,190 --> 00:23:34,240

[h__h]

533

00:23:37,510 --> 00:23:35,200

and he

534

00:23:40,149 --> 00:23:37,520

uh you know i'm sorry to keep keep

535

00:23:43,110 --> 00:23:40,159

dropping the [h__h] term he you should

536

00:23:46,070 --> 00:23:43,120

watch it on on youtube it's just search

537

00:23:47,990 --> 00:23:46,080

for 2017 mufon conference debate and

538

00:23:50,549 --> 00:23:48,000

you'll get to see richard dolan stand up

539

00:23:52,630 --> 00:23:50,559

to a bunch of [h__h] artists

540

00:23:54,789 --> 00:23:52,640

somebody needed to do that and you know

541

00:23:57,350 --> 00:23:54,799

what i don't think richard dolan's going

542

00:23:59,110 --> 00:23:57,360

to lose any income from having the

543

00:24:01,430 --> 00:23:59,120

courage and the conviction to do that i

544

00:24:03,430 --> 00:24:01,440

think he's going to gain income because

545

00:24:05,990 --> 00:24:03,440

everybody that i've talked to

546

00:24:07,110 --> 00:24:06,000

about this that's interested in this

547

00:24:10,310 --> 00:24:07,120

stuff

548

00:24:12,950 --> 00:24:10,320

has gained a thousand percent more

549

00:24:14,710 --> 00:24:12,960

respect for him he's our he was already

550

00:24:17,430 --> 00:24:14,720

well respected but the fact that he

551

00:24:19,990 --> 00:24:17,440

risked like future income to stand up

552

00:24:21,909 --> 00:24:20,000

and say this is crazy

553

00:24:23,830 --> 00:24:21,919

and there's no evidence for any of these

554

00:24:26,230 --> 00:24:23,840

claims that all these people are making

555

00:24:28,789 --> 00:24:26,240

and this isn't science man he didn't

556

00:24:31,510 --> 00:24:28,799

need to do that you know he didn't need

557

00:24:34,230 --> 00:24:31,520

to risk future income but he did

558

00:24:35,909 --> 00:24:34,240

and i gotta say it just made me respect

559

00:24:38,630 --> 00:24:35,919

him more

560

00:24:41,029 --> 00:24:38,640

now i guess i'm done ranting but the

561

00:24:42,870 --> 00:24:41,039

point of my rant is that

562

00:24:44,950 --> 00:24:42,880

there's too many things in this field

563

00:24:47,590 --> 00:24:44,960

that are just filled with [h__h]

564

00:24:50,149 --> 00:24:47,600

artists and we're gonna do our best not

565

00:24:53,909 --> 00:24:50,159

to give any [h__h] artists to stage

566

00:24:55,350 --> 00:24:53,919

here at the midnight hour show

567

00:24:57,190 --> 00:24:55,360

so tonight

568

00:24:59,990 --> 00:24:57,200

you know another part of my point is

569

00:25:02,230 --> 00:25:00,000

that we have stan gordon tonight and

570

00:25:04,549 --> 00:25:02,240

he's not a [h__h] artist this guy goes

571

00:25:07,350 --> 00:25:04,559

out into the field he has documented

572

00:25:10,710 --> 00:25:07,360

evidence he does all these case studies

573

00:25:13,430 --> 00:25:10,720

on each event that he investigates

574

00:25:15,909 --> 00:25:13,440

and and most of what he does is fact

575

00:25:17,510 --> 00:25:15,919

based and you know he takes the witness

576

00:25:19,590 --> 00:25:17,520

testimony and then he tries to

577

00:25:22,149 --> 00:25:19,600

corroborate it find

578

00:25:24,630 --> 00:25:22,159

other witnesses that saw the same thing

579

00:25:27,029 --> 00:25:24,640

that's the kind of research we need

580

00:25:29,269 --> 00:25:27,039

we do not need [h__\h] artists

581

00:25:31,110 --> 00:25:29,279

storytelling [h__\h]

582

00:25:33,830 --> 00:25:31,120

trying to suck money out of the

583

00:25:37,029 --> 00:25:33,840

community for telling stories

584

00:25:38,710 --> 00:25:37,039

we just can't have that it's not helpful

585

00:25:41,590 --> 00:25:38,720

to those of us who are trying to get to

586

00:25:43,430 --> 00:25:41,600

the truth of these things

587

00:25:45,990 --> 00:25:43,440

so

588

00:25:48,870 --> 00:25:46,000

i guess i should apologize for this long

589

00:25:51,430 --> 00:25:48,880

rant on [\h__\h] artists

590

00:25:52,789 --> 00:25:51,440

let's uh move on

591

00:25:55,669 --> 00:25:52,799

for our show

592

00:25:57,269 --> 00:25:55,679

and get to the meat of things that's

593

00:25:59,430 --> 00:25:57,279

right my friends

594

00:26:01,669 --> 00:25:59,440

now we're going to get to our guest

595

00:26:04,310 --> 00:26:01,679

our expert guest who is going to talk

596

00:26:07,029 --> 00:26:04,320

about bigfoot and his possible

597

00:26:09,350 --> 00:26:07,039

relationship to ufos and the

598

00:26:11,110 --> 00:26:09,360

extraterrestrial phenomenon

599

00:26:23,430 --> 00:26:11,120

so without further ado ladies and

600

00:26:28,390 --> 00:26:24,630

hello

601
00:26:30,710 --> 00:26:28,400
yep it's stan

602
00:26:32,470 --> 00:26:30,720
oh stan i'm sorry it's stephen hi steve

603
00:26:34,470 --> 00:26:32,480
how are you doing good i hope things

604
00:26:35,590 --> 00:26:34,480
settle down a little bit for you sorry

605
00:26:36,630 --> 00:26:35,600
yeah we're good

606
00:26:39,110 --> 00:26:36,640
we're good

607
00:26:40,870 --> 00:26:39,120
hey uh once you get to once you get this

608
00:26:42,470 --> 00:26:40,880
uh posted send me your link and i'll put

609
00:26:44,070 --> 00:26:42,480
on my website for you

610
00:26:47,590 --> 00:26:44,080
yeah that's awesome

611
00:26:50,070 --> 00:26:47,600
so i guess my first question would be

612
00:26:52,870 --> 00:26:50,080
how exactly did you get into bigfoot

613
00:26:54,549 --> 00:26:52,880

besides the ufo stuff

614

00:26:57,669 --> 00:26:54,559

well you know i started this back in

615

00:26:59,990 --> 00:26:57,679

1959 when i was 10 years old and how i

616

00:27:02,789 --> 00:27:00,000

got involved coincidentally my birthday

617

00:27:03,909 --> 00:27:02,799

is during the halloween season

618

00:27:05,909 --> 00:27:03,919

and

619

00:27:08,149 --> 00:27:05,919

as a birthday gift my parents gave me a

620

00:27:10,230 --> 00:27:08,159

new radio and i was tuning around the am

621

00:27:11,830 --> 00:27:10,240

radio dial that evening and

622

00:27:14,710 --> 00:27:11,840

there was some radio shows talking about

623

00:27:17,029 --> 00:27:14,720

unusual occurrences uh haunted houses

624

00:27:19,669 --> 00:27:17,039

and things that go bumping a night and

625

00:27:21,350 --> 00:27:19,679

ghosts and flying saucers and i was very

626

00:27:22,870 --> 00:27:21,360

curious as a child and i wanted to know

627

00:27:24,310 --> 00:27:22,880

if these stories were

628

00:27:25,830 --> 00:27:24,320

something that people were making up or

629

00:27:27,269 --> 00:27:25,840

there was some truth to them so i began

630

00:27:28,470 --> 00:27:27,279

to make a lot of trips to my local

631

00:27:29,990 --> 00:27:28,480

library

632

00:27:32,149 --> 00:27:30,000

and i began reading all the books they

633

00:27:34,870 --> 00:27:32,159

had on ufos and bigfoot and other

634

00:27:36,549 --> 00:27:34,880

strange things and uh started doing my

635

00:27:37,669 --> 00:27:36,559

research on

636

00:27:39,110 --> 00:27:37,679

things that were reported in

637

00:27:40,630 --> 00:27:39,120

pennsylvania and that's how it all

638

00:27:43,110 --> 00:27:40,640

started

639

00:27:44,789 --> 00:27:43,120

well that's great i i heard you you told

640

00:27:47,590 --> 00:27:44,799

a similar story about how you got into

641

00:27:48,470 --> 00:27:47,600

ufos but how specifically did you get

642

00:27:50,789 --> 00:27:48,480

into

643

00:27:53,269 --> 00:27:50,799

bigfoot cases

644

00:27:55,190 --> 00:27:53,279

well you know as as people were hearing

645

00:27:57,669 --> 00:27:55,200

about the fact that i was interested in

646

00:27:59,590 --> 00:27:57,679

these unusual reports around the area

647

00:28:03,350 --> 00:27:59,600

people are calling beginning to contact

648

00:28:04,950 --> 00:28:03,360

me about anything unusual and mostly ufo

649

00:28:07,909 --> 00:28:04,960

sightings but i was getting calls on all

650

00:28:09,510 --> 00:28:07,919

kind of phenomena from haunted houses to

651
00:28:10,710 --> 00:28:09,520
strange creature reports including

652
00:28:13,029 --> 00:28:10,720
bigfoot

653
00:28:16,389 --> 00:28:13,039
and um that's how it all began so in the

654
00:28:18,310 --> 00:28:16,399
late 60s i began to look into uh you

655
00:28:19,750 --> 00:28:18,320
know a lot of the bigfoot reports as

656
00:28:21,430 --> 00:28:19,760
well out in the field you know i started

657
00:28:25,110 --> 00:28:21,440
out in the field investigating all these

658
00:28:27,269 --> 00:28:25,120
phenomena after the kecks begins in 1965

659
00:28:28,630 --> 00:28:27,279
but my interest started you know years

660
00:28:31,190 --> 00:28:28,640
before that

661
00:28:32,710 --> 00:28:31,200
and again i i began to track down uh

662
00:28:34,870 --> 00:28:32,720
reports as i was hearing about them

663
00:28:36,310 --> 00:28:34,880

again to study the history of bigfoot in

664

00:28:38,870 --> 00:28:36,320

pennsylvania

665

00:28:40,470 --> 00:28:38,880

and um you know when you look into it i

666

00:28:42,549 --> 00:28:40,480

mean there's there were accounts going

667

00:28:44,950 --> 00:28:42,559

back to native americans and there was

668

00:28:46,870 --> 00:28:44,960

articles going back to the 1800s and

669

00:28:47,669 --> 00:28:46,880

some of the newspapers across the state

670

00:28:51,750 --> 00:28:47,679

so

671

00:28:53,350 --> 00:28:51,760

reported in the woods of pennsylvania

672

00:28:54,950 --> 00:28:53,360

for many many years

673

00:28:56,470 --> 00:28:54,960

well you know it's interesting that you

674

00:28:59,190 --> 00:28:56,480

mentioned that because

675

00:29:02,230 --> 00:28:59,200

i used to think that it was just pacific

676

00:29:04,950 --> 00:29:02,240

northwest was famous for this stuff but

677

00:29:06,630 --> 00:29:04,960

i happen to have a occasion myself and i

678

00:29:08,470 --> 00:29:06,640

don't want to say i saw a bigfoot but i

679

00:29:09,590 --> 00:29:08,480

was on the appalachian trail in the

680

00:29:11,909 --> 00:29:09,600

middle of

681

00:29:13,830 --> 00:29:11,919

upstate pennsylvania somewhere i

682

00:29:15,990 --> 00:29:13,840

couldn't even tell you exactly where but

683

00:29:19,029 --> 00:29:16,000

it was on the appalachian trail

684

00:29:20,230 --> 00:29:19,039

and we got rocks thrown into our camp

685

00:29:26,549 --> 00:29:20,240

and then

686

00:29:29,430 --> 00:29:26,559

from a very far distance i saw

687

00:29:31,510 --> 00:29:29,440

something hairy run off into the brush

688

00:29:33,750 --> 00:29:31,520

now was it a bigfoot i don't know but

689

00:29:35,990 --> 00:29:33,760

that made me look into this stuff and i

690

00:29:37,430 --> 00:29:36,000

had no idea that pennsylvania was such a

691

00:29:39,190 --> 00:29:37,440

hot spot

692

00:29:41,990 --> 00:29:39,200

yeah and in fact you know when i started

693

00:29:44,070 --> 00:29:42,000

this so many years ago i mean it it was

694

00:29:46,149 --> 00:29:44,080

apparent at that time that

695

00:29:48,389 --> 00:29:46,159

so many of the majority of really good

696

00:29:50,789 --> 00:29:48,399

bigfoot accounts were coming from

697

00:29:53,830 --> 00:29:50,799

pacific northwest and canada and areas

698

00:29:55,590 --> 00:29:53,840

along that line but now we seem to know

699

00:29:56,789 --> 00:29:55,600

from all the data that we've accumulated

700

00:29:58,789 --> 00:29:56,799

i mean i've interviewed hundreds of

701
00:30:01,110 --> 00:29:58,799
witnesses from pennsylvania who've been

702
00:30:03,830 --> 00:30:01,120
seeing these things uh again the late

703
00:30:05,190 --> 00:30:03,840
60s especially during the 1970s and

704
00:30:07,430 --> 00:30:05,200
since that time

705
00:30:09,269 --> 00:30:07,440
and i would say there's probably better

706
00:30:11,750 --> 00:30:09,279
documented probably more frequent

707
00:30:13,110 --> 00:30:11,760
bigfoot encounters in pennsylvania in

708
00:30:15,669 --> 00:30:13,120
the eastern part of the country than

709
00:30:18,950 --> 00:30:15,679
there is in the pacific northwest

710
00:30:21,269 --> 00:30:18,960
wow yeah i i never knew this myself but

711
00:30:23,190 --> 00:30:21,279
i i looked into it and then i've saw

712
00:30:25,510 --> 00:30:23,200
i've seen uh a whole bunch of different

713
00:30:27,190 --> 00:30:25,520

stories and do you think it's just any

714

00:30:29,510 --> 00:30:27,200

place that's very remote like the

715

00:30:31,350 --> 00:30:29,520

appalachian trail in pennsylvania

716

00:30:33,750 --> 00:30:31,360

i mean you could go for like i don't

717

00:30:36,389 --> 00:30:33,760

know how many miles before you saw a

718

00:30:38,630 --> 00:30:36,399

road or a car or any kind of

719

00:30:41,510 --> 00:30:38,640

civilization it's very remote do you

720

00:30:43,029 --> 00:30:41,520

think it's just wherever is remote

721

00:30:44,710 --> 00:30:43,039

well you know we have bigfoot reports

722

00:30:45,990 --> 00:30:44,720

from throughout the country and even now

723

00:30:47,430 --> 00:30:46,000

the country is something somewhat

724

00:30:48,310 --> 00:30:47,440

similar has been seen for years and

725

00:30:50,149 --> 00:30:48,320

years

726
00:30:52,870 --> 00:30:50,159
and so much of pennsylvania is covered

727
00:30:55,190 --> 00:30:52,880
with woods and forest but

728
00:30:57,190 --> 00:30:55,200
while a lot of bigfoot encounters occur

729
00:30:59,190 --> 00:30:57,200
in rural areas and in the woods and

730
00:31:00,789 --> 00:30:59,200
forests of pennsylvania

731
00:31:01,909 --> 00:31:00,799
there have been many many other

732
00:31:04,070 --> 00:31:01,919
sightings

733
00:31:05,909 --> 00:31:04,080
not really that far from populated areas

734
00:31:08,070 --> 00:31:05,919
and in fact in somewhat populated areas

735
00:31:09,269 --> 00:31:08,080
but generally where there is some woods

736
00:31:10,630 --> 00:31:09,279
nearby

737
00:31:12,470 --> 00:31:10,640
i mean there have been sightings in the

738
00:31:15,590 --> 00:31:12,480

suburbs of pittsburgh

739

00:31:17,509 --> 00:31:15,600

uh sightings outside of harrisburg

740

00:31:19,509 --> 00:31:17,519

you know many many populated areas even

741

00:31:21,190 --> 00:31:19,519

philadelphia has reported incidents like

742

00:31:23,430 --> 00:31:21,200

this and

743

00:31:26,070 --> 00:31:23,440

they're not so well known and you know

744

00:31:28,710 --> 00:31:26,080

these sightings go on all the time but

745

00:31:30,470 --> 00:31:28,720

there's really any publicity because you

746

00:31:31,990 --> 00:31:30,480

know as something i've been familiar

747

00:31:34,310 --> 00:31:32,000

with for years and years with any of

748

00:31:36,549 --> 00:31:34,320

these phenomena so many of the witnesses

749

00:31:38,950 --> 00:31:36,559

who see these things are still reluctant

750

00:31:40,230 --> 00:31:38,960

to report it now with ufo sightings

751
00:31:42,310 --> 00:31:40,240
you've got more and more people are

752
00:31:44,389 --> 00:31:42,320
coming forward and there's not as much

753
00:31:46,549 --> 00:31:44,399
ridicule as there used to be but still

754
00:31:48,630 --> 00:31:46,559
witnesses who see something very close

755
00:31:51,110 --> 00:31:48,640
up are still reluctant quite often to

756
00:31:52,630 --> 00:31:51,120
talk about it publicly but with bigfoot

757
00:31:54,789 --> 00:31:52,640
and other cryptids

758
00:31:56,870 --> 00:31:54,799
still very common for witnesses to

759
00:31:58,389 --> 00:31:56,880
contact me and other researchers and

760
00:32:00,070 --> 00:31:58,399
first thing they're saying is you know

761
00:32:02,149 --> 00:32:00,080
you can think i'm crazy but this is what

762
00:32:04,549 --> 00:32:02,159
i saw and don't use my name i mean

763
00:32:05,990 --> 00:32:04,559

that's very very common and so these

764

00:32:07,110 --> 00:32:06,000

people really have nothing to seek

765

00:32:08,389 --> 00:32:07,120

they're just trying to find out what

766

00:32:09,669 --> 00:32:08,399

they saw

767

00:32:11,509 --> 00:32:09,679

wow and

768

00:32:13,430 --> 00:32:11,519

how many cases a year do you think that

769

00:32:17,509 --> 00:32:13,440

you get reports of where you are because

770

00:32:20,310 --> 00:32:17,519

i should explain to my listeners that uh

771

00:32:22,789 --> 00:32:20,320

stan you're in a lot more

772

00:32:24,389 --> 00:32:22,799

more rural area than me where where

773

00:32:26,149 --> 00:32:24,399

exactly do you live and where are these

774

00:32:28,230 --> 00:32:26,159

reports coming from

775

00:32:31,990 --> 00:32:28,240

well i'm in westmoreland county so i'm

776

00:32:34,470 --> 00:32:32,000

about 30 miles uh east of pittsburgh

777

00:32:36,470 --> 00:32:34,480

and if you continue another 10 miles or

778

00:32:39,029 --> 00:32:36,480

so you start you're going down towards

779

00:32:41,029 --> 00:32:39,039

uh latrobe and up in the ligonier and

780

00:32:44,230 --> 00:32:41,039

you're in the vicinity of the

781

00:32:46,870 --> 00:32:44,240

famous chestnut ridge area the chestnut

782

00:32:49,430 --> 00:32:46,880

ridge is a mountain range that extends

783

00:32:51,350 --> 00:32:49,440

from preston county west virginia

784

00:32:53,509 --> 00:32:51,360

covers about a hundred miles and goes

785

00:32:55,830 --> 00:32:53,519

into westmoreland fayette and indiana

786

00:32:57,350 --> 00:32:55,840

county and southwest pa it is

787

00:32:59,350 --> 00:32:57,360

historically

788

00:33:00,630 --> 00:32:59,360

probably one of the most active areas in

789

00:33:03,110 --> 00:33:00,640

the country

790

00:33:05,430 --> 00:33:03,120

for repeated bigfoot sightings and other

791

00:33:07,990 --> 00:33:05,440

phenomena ufo sightings other cryptid

792

00:33:10,470 --> 00:33:08,000

encounters mystery booms all kind of

793

00:33:12,389 --> 00:33:10,480

anomalies occur and have historically

794

00:33:14,630 --> 00:33:12,399

been going on for many many years along

795

00:33:17,990 --> 00:33:14,640

the chestnut ridge especially in parts

796

00:33:20,310 --> 00:33:18,000

of westmore and fayette county

797

00:33:23,269 --> 00:33:20,320

wow and you've you've been on the ground

798

00:33:24,950 --> 00:33:23,279

and looked into the some of these cases

799

00:33:26,310 --> 00:33:24,960

oh my i've spent years you know i've

800

00:33:27,470 --> 00:33:26,320

been doing like i said i've been out in

801
00:33:30,710 --> 00:33:27,480
the field since

802
00:33:34,310 --> 00:33:30,720
1965 i had three volunteer research

803
00:33:36,549 --> 00:33:34,320
groups who were active beginning in 1970

804
00:33:37,269 --> 00:33:36,559
and continuing to i believe was the end

805
00:33:38,630 --> 00:33:37,279
of

806
00:33:40,070 --> 00:33:38,640
93

807
00:33:42,870 --> 00:33:40,080
and i've been working as an independent

808
00:33:44,870 --> 00:33:42,880
researcher since but my first group was

809
00:33:47,190 --> 00:33:44,880
called the westmoreland county ufo study

810
00:33:48,070 --> 00:33:47,200
group and it was kind of unique

811
00:33:49,830 --> 00:33:48,080
uh

812
00:33:52,230 --> 00:33:49,840
that was the original group and then

813
00:33:53,830 --> 00:33:52,240

they consisted of other groups but

814

00:33:55,830 --> 00:33:53,840

basically the majority of people

815

00:33:58,870 --> 00:33:55,840

involved were specialists we had

816

00:34:00,870 --> 00:33:58,880

scientists engineers technicians

817

00:34:02,470 --> 00:34:00,880

police officers former military

818

00:34:03,909 --> 00:34:02,480

intelligence people

819

00:34:06,389 --> 00:34:03,919

most of the people involved have some

820

00:34:08,869 --> 00:34:06,399

kind of specialized background and we

821

00:34:10,550 --> 00:34:08,879

did this around our regular jobs but we

822

00:34:12,389 --> 00:34:10,560

were responding the way i designed the

823

00:34:14,069 --> 00:34:12,399

group was to respond to these incidents

824

00:34:16,069 --> 00:34:14,079

24 hours a day

825

00:34:18,310 --> 00:34:16,079

and we did this in many many occasions

826

00:34:21,750 --> 00:34:18,320

and it started out small

827

00:34:23,990 --> 00:34:21,760

in 1970 here in the greensburg area that

828

00:34:27,990 --> 00:34:24,000

expanded to the pittsburgh area

829

00:34:30,069 --> 00:34:28,000

and um by 1973 we had expanded to cover

830

00:34:32,069 --> 00:34:30,079

the whole state of pennsylvania

831

00:34:34,310 --> 00:34:32,079

and it was amazing

832

00:34:36,230 --> 00:34:34,320

um the type of people who got involved

833

00:34:38,710 --> 00:34:36,240

dr heineck who was the air force

834

00:34:40,310 --> 00:34:38,720

consultant on ufos he kind he kind of

835

00:34:41,909 --> 00:34:40,320

gave it the title of

836

00:34:44,149 --> 00:34:41,919

um

837

00:34:46,550 --> 00:34:44,159

and it was a title we gave was the fact

838

00:34:49,030 --> 00:34:46,560

that so many of the people

839

00:34:50,790 --> 00:34:49,040

who got involved scientifically they did

840

00:34:52,230 --> 00:34:50,800

it anonymously because of their

841

00:34:54,869 --> 00:34:52,240

positions

842

00:34:56,790 --> 00:34:54,879

and uh that's very common

843

00:34:58,310 --> 00:34:56,800

so many of them if i had worked with me

844

00:35:00,230 --> 00:34:58,320

we're working do it the same way because

845

00:35:00,950 --> 00:35:00,240

we had people like from pittsburgh like

846

00:35:03,670 --> 00:35:00,960

from

847

00:35:05,910 --> 00:35:03,680

golf research westinghouse alcoa

848

00:35:08,150 --> 00:35:05,920

and many of these people spent a lot of

849

00:35:10,710 --> 00:35:08,160

time out in the field with me many came

850

00:35:13,270 --> 00:35:10,720

in very skeptical but after a period of

851
00:35:14,950 --> 00:35:13,280
months and years interviewing witnesses

852
00:35:17,589 --> 00:35:14,960
seeing the evidence we gathered seeing

853
00:35:18,710 --> 00:35:17,599
the patterns they realized like so many

854
00:35:21,109 --> 00:35:18,720
others that there was something out

855
00:35:23,430 --> 00:35:21,119
there we didn't have an explanation for

856
00:35:27,349 --> 00:35:23,440
well for these bigfoot cases have you

857
00:35:30,230 --> 00:35:27,359
gathered any photographic or

858
00:35:31,910 --> 00:35:30,240
any any kind of physical evidence oh

859
00:35:33,750 --> 00:35:31,920
yeah we over the years we've made many

860
00:35:35,349 --> 00:35:33,760
castle footprints

861
00:35:37,430 --> 00:35:35,359
you know took photographs of other

862
00:35:39,270 --> 00:35:37,440
physical evidence we found at the scene

863
00:35:41,349 --> 00:35:39,280

i mean there were so many reports the

864

00:35:43,589 --> 00:35:41,359

one book i wrote several years ago is

865

00:35:46,230 --> 00:35:43,599

called silent invasion the pennsylvania

866

00:35:49,270 --> 00:35:46,240

ufo bigfoot casebook which focuses on

867

00:35:50,950 --> 00:35:49,280

this this biggest outbreak in history of

868

00:35:54,950 --> 00:35:50,960

ufo and bigfoot sightings which happened

869

00:35:57,109 --> 00:35:54,960

here in pennsylvania from 1973 to 1974.

870

00:35:59,109 --> 00:35:57,119

and luckily my first group was already

871

00:36:01,270 --> 00:35:59,119

set up and with my electronics

872

00:36:03,270 --> 00:36:01,280

background i set up an elaborate radio

873

00:36:05,829 --> 00:36:03,280

communication center in my home and i

874

00:36:07,589 --> 00:36:05,839

set up a two-way radio dispatch system

875

00:36:09,270 --> 00:36:07,599

so we could radio dispatch some of the

876

00:36:11,750 --> 00:36:09,280

investigators out to some of these areas

877

00:36:14,230 --> 00:36:11,760

very quickly and that came in very i

878

00:36:15,910 --> 00:36:14,240

have uh became very helpful over the

879

00:36:18,630 --> 00:36:15,920

times we were using this

880

00:36:21,750 --> 00:36:18,640

and uh this outbreak was just amazing i

881

00:36:23,910 --> 00:36:21,760

mean it started with this major ufo

882

00:36:25,990 --> 00:36:23,920

event that started january 1st and

883

00:36:27,829 --> 00:36:26,000

continued to the last day of the year

884

00:36:29,589 --> 00:36:27,839

with hundreds and hundreds of ufo

885

00:36:31,589 --> 00:36:29,599

sightings coming in and and of course

886

00:36:33,750 --> 00:36:31,599

you know i've said this many times in

887

00:36:36,550 --> 00:36:33,760

the past when i began to go out into the

888

00:36:38,630 --> 00:36:36,560

field at the same today a lot of cases

889

00:36:41,190 --> 00:36:38,640

whether it be a ufo or a bigfoot other

890

00:36:43,990 --> 00:36:41,200

paranormal incident they initially may

891

00:36:45,910 --> 00:36:44,000

seem very strange and unusual initially

892

00:36:48,230 --> 00:36:45,920

but when you take the time to properly

893

00:36:50,230 --> 00:36:48,240

investigate them many are determined to

894

00:36:51,829 --> 00:36:50,240

be either natural or man-made origin so

895

00:36:54,390 --> 00:36:51,839

there's a lot of things you can explain

896

00:36:56,390 --> 00:36:54,400

especially with ufo sightings and now

897

00:36:58,230 --> 00:36:56,400

you know besides the fact that we deal

898

00:37:00,230 --> 00:36:58,240

with natural phenomena such as stars and

899

00:37:02,470 --> 00:37:00,240

meteors and planets things like that

900

00:37:04,550 --> 00:37:02,480

that people misidentify now we've got to

901
00:37:07,829 --> 00:37:04,560
deal with the chinese lanterns remote

902
00:37:09,750 --> 00:37:07,839
control led helicopters

903
00:37:12,550 --> 00:37:09,760
drones that are flying around so that

904
00:37:14,630 --> 00:37:12,560
adds to the ufo reports would turn out

905
00:37:17,510 --> 00:37:14,640
to be ufo reports identified flying

906
00:37:19,990 --> 00:37:17,520
objects but year after year we're

907
00:37:22,790 --> 00:37:20,000
getting reports of large objects that

908
00:37:25,109 --> 00:37:22,800
are being seen some at very low level

909
00:37:27,270 --> 00:37:25,119
that you cannot easily dismiss

910
00:37:29,670 --> 00:37:27,280
but going back to that major way back in

911
00:37:31,829 --> 00:37:29,680
the 70s with all these ufo sightings and

912
00:37:33,670 --> 00:37:31,839
it was an amazing time i mean these

913
00:37:35,510 --> 00:37:33,680

objects whatever they were they were

914

00:37:37,990 --> 00:37:35,520

hovering low over roadways they were

915

00:37:39,829 --> 00:37:38,000

pacing cars there were landing reports

916

00:37:41,430 --> 00:37:39,839

where objects were on the ground it was

917

00:37:43,910 --> 00:37:41,440

just incredible

918

00:37:47,349 --> 00:37:43,920

cases we were investigating and then in

919

00:37:48,950 --> 00:37:47,359

the summer of 73 we had this major

920

00:37:51,990 --> 00:37:48,960

outbreak of bigfoot sightings which was

921

00:37:54,310 --> 00:37:52,000

unprecedented and it started

922

00:37:56,950 --> 00:37:54,320

um not far several miles from where i

923

00:37:58,710 --> 00:37:56,960

live in a rural area behind uh

924

00:38:00,470 --> 00:37:58,720

off of route 30 behind what was then the

925

00:38:02,710 --> 00:38:00,480

old green gay mall

926

00:38:05,190 --> 00:38:02,720

a lot of rural area a lot of woods

927

00:38:07,430 --> 00:38:05,200

around there at the time and i got a

928

00:38:10,950 --> 00:38:07,440

call from a relative of person the

929

00:38:13,510 --> 00:38:10,960

incident was on july 31st of 73

930

00:38:16,470 --> 00:38:13,520

i got the call on august the 7th

931

00:38:18,150 --> 00:38:16,480

and this man that evening was shaving in

932

00:38:19,750 --> 00:38:18,160

the bathroom was normal late at night

933

00:38:20,790 --> 00:38:19,760

the window was open the bathroom was

934

00:38:23,430 --> 00:38:20,800

warm

935

00:38:24,950 --> 00:38:23,440

and uh smelled this funny odor like a

936

00:38:26,790 --> 00:38:24,960

rotten cucumber and he turned around to

937

00:38:28,950 --> 00:38:26,800

look at the window and here in the

938

00:38:30,230 --> 00:38:28,960

winter these two huge glowing red eyes

939

00:38:31,670 --> 00:38:30,240

and the wind is eight feet off the

940

00:38:33,589 --> 00:38:31,680

ground

941

00:38:35,190 --> 00:38:33,599

and the guy ran into the room and called

942

00:38:36,550 --> 00:38:35,200

some of his relatives and they came in

943

00:38:38,470 --> 00:38:36,560

and they smelled the odor but whatever

944

00:38:40,150 --> 00:38:38,480

was in the window was gone

945

00:38:42,710 --> 00:38:40,160

and

946

00:38:44,470 --> 00:38:42,720

he had some physical problems maybe as a

947

00:38:47,270 --> 00:38:44,480

result of that went to the hospital when

948

00:38:49,270 --> 00:38:47,280

he got out a week later i went out to

949

00:38:50,950 --> 00:38:49,280

interview him and he was still shook up

950

00:38:53,349 --> 00:38:50,960

i interviewed some other family members

951
00:38:55,510 --> 00:38:53,359
as well found out some local boys had

952
00:38:57,109 --> 00:38:55,520
taken a shortcut to the mall several

953
00:38:59,349 --> 00:38:57,119
weeks before

954
00:39:00,790 --> 00:38:59,359
heard this commotion in the woods

955
00:39:02,310 --> 00:39:00,800
figured it was probably a deer so i

956
00:39:03,750 --> 00:39:02,320
began to throw some rocks in to scare

957
00:39:05,670 --> 00:39:03,760
the deer out

958
00:39:08,230 --> 00:39:05,680
however they were very surprised to see

959
00:39:09,750 --> 00:39:08,240
the seven eight foot tall hair covered

960
00:39:11,270 --> 00:39:09,760
creature with long arms swinging

961
00:39:12,470 --> 00:39:11,280
crossing the road going up behind the

962
00:39:14,630 --> 00:39:12,480
house

963
00:39:16,950 --> 00:39:14,640

so i interviewed those boys

964

00:39:18,310 --> 00:39:16,960

and um went up to look on the property

965

00:39:20,310 --> 00:39:18,320

got permission to look on the property

966

00:39:22,069 --> 00:39:20,320

and some of these boys followed me up

967

00:39:23,829 --> 00:39:22,079

and i'm looking around up there hoping

968

00:39:25,829 --> 00:39:23,839

maybe i'd find something wasn't very

969

00:39:27,750 --> 00:39:25,839

hopeful ground conditions weren't very

970

00:39:29,670 --> 00:39:27,760

good up on that hillside

971

00:39:31,430 --> 00:39:29,680

and spent some time up there and i'm

972

00:39:32,950 --> 00:39:31,440

about ready to leave

973

00:39:35,750 --> 00:39:32,960

when i turn around and look on the

974

00:39:39,430 --> 00:39:35,760

ground and here with a partial track and

975

00:39:41,910 --> 00:39:39,440

then another fair very clearly defined

976
00:39:44,470 --> 00:39:41,920
weirdest footprint i'd ever seen which

977
00:39:47,109 --> 00:39:44,480
was 13 inches long and eight inches wide

978
00:39:49,589 --> 00:39:47,119
and clearly three toed

979
00:39:51,030 --> 00:39:49,599
and i got on the radio called one of my

980
00:39:53,030 --> 00:39:51,040
assistants he came out and we took

981
00:39:54,870 --> 00:39:53,040
photographs and measurements made a cast

982
00:39:57,109 --> 00:39:54,880
of that footprint

983
00:39:59,349 --> 00:39:57,119
and while we're out there in the field

984
00:40:01,510 --> 00:39:59,359
and doing this research we get a radio

985
00:40:03,270 --> 00:40:01,520
call that one of our investigators

986
00:40:05,589 --> 00:40:03,280
almost to the ohio line but in

987
00:40:07,270 --> 00:40:05,599
pennsylvania that morning was investing

988
00:40:09,589 --> 00:40:07,280

in a case of something nine foot tall

989

00:40:11,910 --> 00:40:09,599

was looking in a window and police found

990

00:40:14,630 --> 00:40:11,920

very large footprints up in that area

991

00:40:17,270 --> 00:40:14,640

and so this began this major series of

992

00:40:19,270 --> 00:40:17,280

bigfoot events that would encompass a

993

00:40:21,069 --> 00:40:19,280

lot of southwest pa in other parts of

994

00:40:24,470 --> 00:40:21,079

the state for weeks and months into

995

00:40:26,710 --> 00:40:24,480

1974. it was just an amazing time to

996

00:40:29,030 --> 00:40:26,720

live through it was getting it took on a

997

00:40:30,309 --> 00:40:29,040

huge amount of media coverage both local

998

00:40:32,309 --> 00:40:30,319

and national at the time from our

999

00:40:33,910 --> 00:40:32,319

investigations

1000

00:40:36,550 --> 00:40:33,920

there are multitudes of bigfoot

1001
00:40:37,829 --> 00:40:36,560
sightings many in daylight maybe at very

1002
00:40:39,670 --> 00:40:37,839
close range

1003
00:40:41,190 --> 00:40:39,680
in some cases more than one creature

1004
00:40:43,190 --> 00:40:41,200
seen together

1005
00:40:45,030 --> 00:40:43,200
and there was many cases where there was

1006
00:40:47,510 --> 00:40:45,040
physical evidence uh trails of

1007
00:40:49,349 --> 00:40:47,520
footprints some cases which indicated

1008
00:40:51,109 --> 00:40:49,359
some great strength

1009
00:40:53,829 --> 00:40:51,119
where trees for small trees were

1010
00:40:55,589 --> 00:40:53,839
uprooted as one ran through a pine

1011
00:40:57,589 --> 00:40:55,599
forest out in derry township now we've

1012
00:40:58,710 --> 00:40:57,599
got photographs and trees were pulled

1013
00:41:02,550 --> 00:40:58,720

out

1014

00:41:04,870 --> 00:41:02,560

other things that we found at the scene

1015

00:41:06,870 --> 00:41:04,880

documented a lot of information it was

1016

00:41:09,430 --> 00:41:06,880

just an amazing time

1017

00:41:11,430 --> 00:41:09,440

and then it got much much stranger which

1018

00:41:14,470 --> 00:41:11,440

we can get into if you want to

1019

00:41:16,150 --> 00:41:14,480

um you know i i always absolutely and i

1020

00:41:18,470 --> 00:41:16,160

i wanted to ask you because you're one

1021

00:41:19,670 --> 00:41:18,480

of the people that talks about this ufo

1022

00:41:22,630 --> 00:41:19,680

connection

1023

00:41:25,190 --> 00:41:22,640

and you know i guess the the the major

1024

00:41:29,670 --> 00:41:25,200

theories of what this thing is is

1025

00:41:33,430 --> 00:41:31,750

you know some unknown creature that's

1026

00:41:35,670 --> 00:41:33,440

natural or

1027

00:41:38,349 --> 00:41:35,680

something worse

1028

00:41:40,309 --> 00:41:38,359

something uh

1029

00:41:42,710 --> 00:41:40,319

extraterrestrial maybe because of the

1030

00:41:44,550 --> 00:41:42,720

ufos that we see with it

1031

00:41:46,470 --> 00:41:44,560

well yeah here's here's what i stress

1032

00:41:48,950 --> 00:41:46,480

i'll get into how

1033

00:41:50,790 --> 00:41:48,960

i became a part of this theory and it's

1034

00:41:53,030 --> 00:41:50,800

something i was not looking forward to

1035

00:41:56,230 --> 00:41:53,040

and not expecting to come across

1036

00:41:57,829 --> 00:41:56,240

um i always felt from the time i got out

1037

00:41:59,270 --> 00:41:57,839

into the field initially from the

1038

00:42:00,790 --> 00:41:59,280

reports i heard initially from

1039

00:42:03,670 --> 00:42:00,800

pennsylvania and other parts of the

1040

00:42:05,990 --> 00:42:03,680

country that bigfoot if it existed and

1041

00:42:07,750 --> 00:42:06,000

the evidence i began to find suggestions

1042

00:42:09,030 --> 00:42:07,760

people were seeing something out there

1043

00:42:11,910 --> 00:42:09,040

that it was probably some type of

1044

00:42:14,069 --> 00:42:11,920

unknown primate so that was always the

1045

00:42:16,230 --> 00:42:14,079

main theory that i was looking into

1046

00:42:18,790 --> 00:42:16,240

until this series of events occurred in

1047

00:42:20,710 --> 00:42:18,800

73 and 74. so you know you got to

1048

00:42:23,030 --> 00:42:20,720

remember it's a different time period

1049

00:42:25,750 --> 00:42:23,040

there's no internet there's not a lot of

1050

00:42:26,790 --> 00:42:25,760

shows on tv at that time about bigfoot

1051
00:42:28,710 --> 00:42:26,800
um

1052
00:42:30,230 --> 00:42:28,720
people have to call the police to report

1053
00:42:32,390 --> 00:42:30,240
something if they were afraid or scared

1054
00:42:34,069 --> 00:42:32,400
of something going on and so many of

1055
00:42:36,710 --> 00:42:34,079
these reports were initially coming into

1056
00:42:37,829 --> 00:42:36,720
the police and in some cases they were

1057
00:42:39,109 --> 00:42:37,839
being referred to my group to

1058
00:42:42,390 --> 00:42:39,119
investigate

1059
00:42:44,230 --> 00:42:42,400
and so we were very very busy but as

1060
00:42:46,550 --> 00:42:44,240
more and more of these bigfoot reports

1061
00:42:48,950 --> 00:42:46,560
are coming in from widespread areas

1062
00:42:51,750 --> 00:42:48,960
some of the reports begin to get very

1063
00:42:53,750 --> 00:42:51,760

very strange for example

1064

00:42:55,270 --> 00:42:53,760

some of our teams get out to a sighting

1065

00:42:57,030 --> 00:42:55,280

location within minutes after it

1066

00:42:59,349 --> 00:42:57,040

occurred and there will be a series of

1067

00:43:00,630 --> 00:42:59,359

footprints that would just suddenly stop

1068

00:43:02,870 --> 00:43:00,640

and vanish when there should have been

1069

00:43:04,069 --> 00:43:02,880

more tracks that was something was very

1070

00:43:05,030 --> 00:43:04,079

unusual

1071

00:43:06,309 --> 00:43:05,040

um

1072

00:43:09,270 --> 00:43:06,319

one guy

1073

00:43:11,510 --> 00:43:09,280

i would say that's pretty unusual yeah

1074

00:43:12,870 --> 00:43:11,520

stan do you have me on a speakerphone no

1075

00:43:14,550 --> 00:43:12,880

why what's going on

1076

00:43:18,150 --> 00:43:14,560

oh no i'm getting a little bit of backup

1077

00:43:19,589 --> 00:43:18,160

it's okay okay and um anyhow

1078

00:43:22,069 --> 00:43:19,599

um

1079

00:43:24,150 --> 00:43:22,079

a man called us at that time and said he

1080

00:43:25,829 --> 00:43:24,160

had a fairly new car and he was riding

1081

00:43:27,750 --> 00:43:25,839

in a rural road and there's a large

1082

00:43:30,390 --> 00:43:27,760

hairy man-like creature ran out in front

1083

00:43:32,870 --> 00:43:30,400

of his car and at that point his his

1084

00:43:34,470 --> 00:43:32,880

motor began to sputter and as the thing

1085

00:43:36,710 --> 00:43:34,480

ran off into the woods everything came

1086

00:43:38,870 --> 00:43:36,720

back to normal and we thought that's

1087

00:43:41,349 --> 00:43:38,880

pretty strange and unusual and then we

1088

00:43:44,950 --> 00:43:41,359

began to get a pattern

1089

00:43:46,309 --> 00:43:44,960

of uh reports where for example people

1090

00:43:48,710 --> 00:43:46,319

would see

1091

00:43:51,109 --> 00:43:48,720

strange lights or strange objects in a

1092

00:43:52,309 --> 00:43:51,119

certain area and within minutes to hours

1093

00:43:54,390 --> 00:43:52,319

later

1094

00:43:56,230 --> 00:43:54,400

there would be a bigfoot sighting or

1095

00:43:58,630 --> 00:43:56,240

vice versa

1096

00:44:00,069 --> 00:43:58,640

and then we had some of the most amazing

1097

00:44:02,230 --> 00:44:00,079

cases

1098

00:44:04,790 --> 00:44:02,240

where ufos and bigfoot were seen

1099

00:44:06,550 --> 00:44:04,800

together at the same time in place

1100

00:44:08,150 --> 00:44:06,560

and here's what i want to stress you

1101

00:44:10,309 --> 00:44:08,160

know first of all there are many

1102

00:44:12,950 --> 00:44:10,319

theories of what the unknown category of

1103

00:44:14,790 --> 00:44:12,960

ufos are we just don't know for sure you

1104

00:44:17,030 --> 00:44:14,800

know some of the theories are that these

1105

00:44:18,790 --> 00:44:17,040

are extraterrestrial spacecraft and

1106

00:44:20,390 --> 00:44:18,800

maybe some of them are

1107

00:44:22,390 --> 00:44:20,400

you know the more i'm looking for this

1108

00:44:23,829 --> 00:44:22,400

phenomena the more i'm gearing towards

1109

00:44:26,550 --> 00:44:23,839

the possible dealing with something for

1110

00:44:27,990 --> 00:44:26,560

a better term that's interdimensional

1111

00:44:29,750 --> 00:44:28,000

that's something that comes into our

1112

00:44:31,030 --> 00:44:29,760

physical reality under certain

1113

00:44:33,349 --> 00:44:31,040

conditions

1114

00:44:35,589 --> 00:44:33,359

appears to be physically solid

1115

00:44:37,190 --> 00:44:35,599

and then it's just gone it appears and

1116

00:44:39,349 --> 00:44:37,200

disappears by the least physical

1117

00:44:41,109 --> 00:44:39,359

evidence physical traces you know are we

1118

00:44:43,829 --> 00:44:41,119

doing with time travelers unknown

1119

00:44:45,349 --> 00:44:43,839

natural phenomena we just don't know so

1120

00:44:48,230 --> 00:44:45,359

when i tell you about some of these

1121

00:44:50,230 --> 00:44:48,240

cases that i'll be mentioning to you

1122

00:44:52,550 --> 00:44:50,240

i'm not suggesting that bigfoot is an

1123

00:44:53,990 --> 00:44:52,560

alien maybe it is i'm not suggesting

1124

00:44:55,109 --> 00:44:54,000

that because i don't know what we're

1125

00:44:57,430 --> 00:44:55,119

dealing with we're dealing with

1126

00:44:59,510 --> 00:44:57,440

something and the more i look into it i

1127

00:45:01,990 --> 00:44:59,520

think it's a much more strange and much

1128

00:45:04,309 --> 00:45:02,000

more complex and many of us wish the

1129

00:45:06,069 --> 00:45:04,319

phenomena to be but i have to go where

1130

00:45:08,790 --> 00:45:06,079

the evidence leads us

1131

00:45:10,950 --> 00:45:08,800

and it's leading me to indicate that we

1132

00:45:12,390 --> 00:45:10,960

in some cases with bigfoot we may be

1133

00:45:14,550 --> 00:45:12,400

dealing with something that's other than

1134

00:45:15,829 --> 00:45:14,560

a normal flesh and blood animal so if

1135

00:45:17,349 --> 00:45:15,839

you want i'll be glad to tell you about

1136

00:45:19,510 --> 00:45:17,359

some of the cases

1137

00:45:22,150 --> 00:45:19,520

yeah and you know i i think that would

1138

00:45:24,950 --> 00:45:22,160

explain why uh maybe there's never been

1139

00:45:27,510 --> 00:45:24,960

bodies found or anything like that right

1140

00:45:30,710 --> 00:45:27,520

yep and i'll tell you about one specific

1141

00:45:31,670 --> 00:45:30,720

case which was the case that convinced

1142

00:45:35,589 --> 00:45:31,680

me

1143

00:45:38,550 --> 00:45:35,599

than a flesh blood animal but just to

1144

00:45:40,550 --> 00:45:38,560

give you an example of some of the cases

1145

00:45:43,030 --> 00:45:40,560

that you know we dealt with and

1146

00:45:44,710 --> 00:45:43,040

identities in deep great detail in my

1147

00:45:48,710 --> 00:45:44,720

silent invasion book

1148

00:45:50,950 --> 00:45:48,720

um but for example before i forget uh we

1149

00:45:52,950 --> 00:45:50,960

should have you mention what your

1150

00:45:54,710 --> 00:45:52,960

um

1164

00:46:24,230 --> 00:46:22,400

on amazon.com or barnesandnoble.com my

1165

00:46:26,630 --> 00:46:24,240

first book is called really mysterious

1166

00:46:29,190 --> 00:46:26,640

pennsylvania and it has a lot of case

1167

00:46:31,349 --> 00:46:29,200

where people are physically very close

1168

00:46:33,910 --> 00:46:31,359

to ufos and other cryptids such as

1169

00:46:35,510 --> 00:46:33,920

bigfoot gigantic bird sightings which

1170

00:46:37,990 --> 00:46:35,520

you get more and more of what you call

1171

00:46:40,150 --> 00:46:38,000

thunderbirds black panthers other

1172

00:46:42,150 --> 00:46:40,160

entities

1173

00:46:44,550 --> 00:46:42,160

my other book which is my favorite is

1174

00:46:47,190 --> 00:46:44,560

silent invasion the pennsylvania ufo

1175

00:46:50,870 --> 00:46:47,200

bigfoot casebook which focuses on this

1176

00:46:53,030 --> 00:46:50,880

major wave of ufo bigfoot case from 1973

1177

00:46:54,790 --> 00:46:53,040

and 74 we're talking about which has

1178

00:46:56,870 --> 00:46:54,800

some of the weirdest cases you ever read

1179

00:46:59,190 --> 00:46:56,880

about and it goes in a great detail

1180

00:47:01,670 --> 00:46:59,200

it's amazing story and then my newest

1181

00:47:03,910 --> 00:47:01,680

book is called astonishing encounters

1182

00:47:06,710 --> 00:47:03,920

pennsylvania's unknown creatures which

1183

00:47:09,829 --> 00:47:06,720

get us to many types of cryptids from

1184

00:47:12,470 --> 00:47:09,839

bigfoot to the giant birds to water

1185

00:47:14,309 --> 00:47:12,480

creatures to all kind of very very weird

1186

00:47:16,150 --> 00:47:14,319

entities and some of these i'll bet that

1187

00:47:18,069 --> 00:47:16,160

most people never even heard of before

1188

00:47:20,470 --> 00:47:18,079

so there's a very strange and some of

1189

00:47:22,270 --> 00:47:20,480

these are very recent cases as well so

1190

00:47:25,510 --> 00:47:22,280

they can go to amazon.com or

1191

00:47:27,430 --> 00:47:25,520

barnesandnoble.com to pick up the books

1192

00:47:29,349 --> 00:47:27,440

yeah you know i just interviewed stan

1193

00:47:30,230 --> 00:47:29,359

friedman and i never knew that if you

1194

00:47:31,670 --> 00:47:30,240

buy

1195

00:47:33,910 --> 00:47:31,680

his books from his website their

1196

00:47:37,109 --> 00:47:33,920

autograph and you too i got a bunch of

1197

00:47:39,030 --> 00:47:37,119

your books on amazon not knowing so if

1198

00:47:41,829 --> 00:47:39,040

anybody wants an autograph go direct to

1199

00:47:43,109 --> 00:47:41,839

the website right that's correct

1200

00:47:44,710 --> 00:47:43,119

awesome

1201
00:47:46,470 --> 00:47:44,720
and you were telling me that there have

1202
00:47:49,030 --> 00:47:46,480
been some you've been really busy with

1203
00:47:50,790 --> 00:47:49,040
some recent reports you want to tell us

1204
00:47:52,390 --> 00:47:50,800
something about that yeah do you want do

1205
00:47:53,829 --> 00:47:52,400
you want to talk more about the older

1206
00:47:55,750 --> 00:47:53,839
unusual reports first do you want to

1207
00:48:00,390 --> 00:47:55,760
talk about some reason yeah let's talk

1208
00:48:05,510 --> 00:48:02,870
okay well going back to that outbreak in

1209
00:48:08,549 --> 00:48:05,520
73 and 74. so here's some really

1210
00:48:11,349 --> 00:48:08,559
interesting cases uh for example uh one

1211
00:48:12,549 --> 00:48:11,359
of the first reports i got was in august

1212
00:48:14,150 --> 00:48:12,559
of 73

1213
00:48:15,750 --> 00:48:14,160

from a rural area

1214

00:48:17,750 --> 00:48:15,760

several miles from where i lived from

1215

00:48:20,150 --> 00:48:17,760

the person involved was a wife of a

1216

00:48:22,150 --> 00:48:20,160

prominent doctor she had seen a large

1217

00:48:23,670 --> 00:48:22,160

boomerang-shaped object hovering low

1218

00:48:26,630 --> 00:48:23,680

over the wooded area where she lived

1219

00:48:28,549 --> 00:48:26,640

that evening that afternoon and they had

1220

00:48:31,349 --> 00:48:28,559

never seen like it before then several

1221

00:48:33,510 --> 00:48:31,359

hours later she hears gunshots down the

1222

00:48:34,870 --> 00:48:33,520

street and finds out later that her

1223

00:48:37,349 --> 00:48:34,880

neighbor went out in the back to see

1224

00:48:39,430 --> 00:48:37,359

what was frightening the dog to see this

1225

00:48:41,190 --> 00:48:39,440

large hairy bigfoot-like thing chasing

1226

00:48:42,790 --> 00:48:41,200

their dog into the woods and fella

1227

00:48:44,950 --> 00:48:42,800

grabbed his gun started shooting at this

1228

00:48:46,710 --> 00:48:44,960

thing as it ran off into the woods

1229

00:48:48,549 --> 00:48:46,720

so we thought that's fascinating here

1230

00:48:49,510 --> 00:48:48,559

you have a ufo sighting a short time

1231

00:48:51,109 --> 00:48:49,520

later

1232

00:48:53,270 --> 00:48:51,119

in this area with this woman smelling

1233

00:48:54,230 --> 00:48:53,280

this rotten sulfur-like smell

1234

00:48:56,150 --> 00:48:54,240

that

1235

00:48:58,069 --> 00:48:56,160

she finds out about this bigfoot

1236

00:49:01,030 --> 00:48:58,079

encounter and then

1237

00:49:03,589 --> 00:49:01,040

september 27th up in beaver county north

1238

00:49:05,589 --> 00:49:03,599

of pittsburgh there's two women waiting

1239

00:49:06,950 --> 00:49:05,599

for a friend to pick them up

1240

00:49:09,510 --> 00:49:06,960

and

1241

00:49:11,030 --> 00:49:09,520

they see this huge hairy creature

1242

00:49:12,790 --> 00:49:11,040

covered with white hair you don't hear

1243

00:49:15,430 --> 00:49:12,800

about these white creatures quite often

1244

00:49:17,270 --> 00:49:15,440

but they still report on occasion

1245

00:49:19,750 --> 00:49:17,280

and here's this huge creature running

1246

00:49:22,870 --> 00:49:19,760

across the road towards the woods but in

1247

00:49:26,309 --> 00:49:22,880

one of its hands it was carrying a

1248

00:49:28,710 --> 00:49:26,319

sphere a ball of light into the woods

1249

00:49:30,390 --> 00:49:28,720

and a short time later an object comes

1250

00:49:32,390 --> 00:49:30,400

across the sky

1251
00:49:34,950 --> 00:49:32,400
and projects a beam of light down into

1252
00:49:37,190 --> 00:49:34,960
the woods where the creature ran into

1253
00:49:39,430 --> 00:49:37,200
so that was very fascinating

1254
00:49:41,910 --> 00:49:39,440
and then we had the case what i call the

1255
00:49:43,990 --> 00:49:41,920
case of all cases if you had asked me

1256
00:49:46,470 --> 00:49:44,000
what case stands out of the thousands of

1257
00:49:47,670 --> 00:49:46,480
cases i've investigated it would be this

1258
00:49:49,990 --> 00:49:47,680
one case

1259
00:49:52,069 --> 00:49:50,000
um i'll give you the basics of a report

1260
00:49:53,589 --> 00:49:52,079
we can talk for hours about this case

1261
00:49:55,510 --> 00:49:53,599
it's probably the strangest thing on

1262
00:49:56,870 --> 00:49:55,520
record

1263
00:49:58,630 --> 00:49:56,880

and you know one thing i want to point

1264

00:49:59,910 --> 00:49:58,640

out to you because i'm not sure if i did

1265

00:50:01,750 --> 00:49:59,920

you know in all the years i've been

1266

00:50:04,150 --> 00:50:01,760

doing this it's going on 57 years of

1267

00:50:06,470 --> 00:50:04,160

research now i have never personally

1268

00:50:08,230 --> 00:50:06,480

seen a ufo or bigfoot myself even though

1269

00:50:10,230 --> 00:50:08,240

i've seen a lot of evidence

1270

00:50:13,910 --> 00:50:10,240

but

1271

00:50:16,230 --> 00:50:13,920

didn't know that

1272

00:50:18,470 --> 00:50:16,240

you know my listeners knew that so isn't

1273

00:50:20,710 --> 00:50:18,480

that frustrating for you well i guess it

1274

00:50:22,790 --> 00:50:20,720

kind of keeps me skeptical

1275

00:50:24,870 --> 00:50:22,800

i've seen enough over the years with the

1276

00:50:26,470 --> 00:50:24,880

patterns and interviewing the witnesses

1277

00:50:28,790 --> 00:50:26,480

and seeing the evidence that i'm

1278

00:50:30,549 --> 00:50:28,800

convinced that yes while you can explain

1279

00:50:31,910 --> 00:50:30,559

many things there are definitely some

1280

00:50:33,829 --> 00:50:31,920

things out there we don't have

1281

00:50:36,390 --> 00:50:33,839

explanations for there's a lot of

1282

00:50:38,390 --> 00:50:36,400

mysteries out there but it keeps me

1283

00:50:39,510 --> 00:50:38,400

skeptical and maybe someday i'll be in

1284

00:50:41,990 --> 00:50:39,520

the right place at the right time and

1285

00:50:45,510 --> 00:50:42,000

have my own observation but this case

1286

00:50:48,150 --> 00:50:45,520

going back october 25th 1973 a lot of

1287

00:50:50,309 --> 00:50:48,160

ufo reports in that 24 hour period

1288

00:50:51,430 --> 00:50:50,319

coming in on my ufo hotline from across

1289

00:50:53,430 --> 00:50:51,440

the state

1290

00:50:55,990 --> 00:50:53,440

then about 10 30 that night i got a call

1291

00:50:58,630 --> 00:50:56,000

from a state trooper from the uniontown

1292

00:51:00,549 --> 00:50:58,640

barrett up in fayette county again

1293

00:51:03,349 --> 00:51:00,559

he had just come back from investigating

1294

00:51:05,270 --> 00:51:03,359

this multiple witness ufo landing

1295

00:51:07,109 --> 00:51:05,280

which involved two bigfoot in the field

1296

00:51:08,630 --> 00:51:07,119

at the same time

1297

00:51:10,230 --> 00:51:08,640

and he was

1298

00:51:12,230 --> 00:51:10,240

he thought that there was a good chance

1299

00:51:13,589 --> 00:51:12,240

something was stopping that pastor he

1300

00:51:16,230 --> 00:51:13,599

wanted me to send one of my teams up

1301

00:51:18,069 --> 00:51:16,240

there as soon as possible so it's late

1302

00:51:20,150 --> 00:51:18,079

in the evening but we did we assembled a

1303

00:51:22,150 --> 00:51:20,160

team we got our equipment together our

1304

00:51:23,190 --> 00:51:22,160

radiation gear our radios and other

1305

00:51:24,950 --> 00:51:23,200

equipment

1306

00:51:28,150 --> 00:51:24,960

found our way up to fayette county

1307

00:51:31,349 --> 00:51:28,160

during the early morning hours

1308

00:51:33,829 --> 00:51:31,359

met a key witness and his father

1309

00:51:36,870 --> 00:51:33,839

and but before that happened i had a

1310

00:51:39,430 --> 00:51:36,880

chance to talk with a state trooper in

1311

00:51:41,030 --> 00:51:39,440

detail and also one of the key witnesses

1312

00:51:43,510 --> 00:51:41,040

and what i learned was that about nine

1313

00:51:46,309 --> 00:51:43,520

o'clock about 15 people in that area in

1314

00:51:48,309 --> 00:51:46,319

that little row area they see this

1315

00:51:51,030 --> 00:51:48,319

object in the sky it's about as big as a

1316

00:51:52,710 --> 00:51:51,040

barn it's a bright red sphere

1317

00:51:55,510 --> 00:51:52,720

and it's about a hundred feet off the

1318

00:51:57,829 --> 00:51:55,520

ground and slowly making its way down

1319

00:51:59,589 --> 00:51:57,839

towards the pasture

1320

00:52:01,430 --> 00:51:59,599

um it's seen by

1321

00:52:02,390 --> 00:52:01,440

various people out there

1322

00:52:05,750 --> 00:52:02,400

and

1323

00:52:07,190 --> 00:52:05,760

son happened to be coming in to visit

1324

00:52:09,349 --> 00:52:07,200

him at the time and he sees this thing

1325

00:52:10,950 --> 00:52:09,359

as he's coming into his dad's form he

1326
00:52:12,870 --> 00:52:10,960
goes up to a neighbors and they watch

1327
00:52:13,990 --> 00:52:12,880
this thing looks like he's gonna land in

1328
00:52:16,470 --> 00:52:14,000
the pasture

1329
00:52:18,230 --> 00:52:16,480
so he and two young boys decide they're

1330
00:52:20,470 --> 00:52:18,240
gonna go up and see what's going on he

1331
00:52:22,630 --> 00:52:20,480
stops over his dad's farm

1332
00:52:24,309 --> 00:52:22,640
and grabs a 30 odd six and a handful of

1333
00:52:25,750 --> 00:52:24,319
ammunition

1334
00:52:27,349 --> 00:52:25,760
and they

1335
00:52:28,549 --> 00:52:27,359
go up towards the pasture i'm making

1336
00:52:30,230 --> 00:52:28,559
this breed because there's a lot of

1337
00:52:32,790 --> 00:52:30,240
details we're not getting not getting

1338
00:52:34,950 --> 00:52:32,800

into at this point anyhow

1339

00:52:36,549 --> 00:52:34,960

when they get up to the pasture

1340

00:52:38,790 --> 00:52:36,559

they're standing there in amazement

1341

00:52:41,109 --> 00:52:38,800

because about 250 feet away the objects

1342

00:52:43,349 --> 00:52:41,119

on the ground are right above it but now

1343

00:52:45,750 --> 00:52:43,359

it's not a complete sphere it's like a

1344

00:52:48,069 --> 00:52:45,760

big white dome about 100 feet or more in

1345

00:52:49,430 --> 00:52:48,079

diameter it's making this high-pitched

1346

00:52:52,069 --> 00:52:49,440

whining sound

1347

00:52:53,510 --> 00:52:52,079

glowing illuminating in the whole field

1348

00:52:56,150 --> 00:52:53,520

they hear they're hearing these loud

1349

00:52:58,230 --> 00:52:56,160

baby crying sounds the dogs around the

1350

00:52:59,910 --> 00:52:58,240

area are going crazy

1351
00:53:01,670 --> 00:52:59,920
and they're just standing there they

1352
00:53:05,030 --> 00:53:01,680
can't believe what they're seeing well

1353
00:53:05,910 --> 00:53:05,040
among that ammunition were two tracers

1354
00:53:07,430 --> 00:53:05,920
so

1355
00:53:09,030 --> 00:53:07,440
anybody that hunts out there know that

1356
00:53:11,349 --> 00:53:09,040
tracy just gives you like a luminous

1357
00:53:12,549 --> 00:53:11,359
forest and trail when it's shot

1358
00:53:15,030 --> 00:53:12,559
anyhow

1359
00:53:16,069 --> 00:53:15,040
standing there watching this object

1360
00:53:18,790 --> 00:53:16,079
and

1361
00:53:21,349 --> 00:53:18,800
their attention soon drawn about 75 feet

1362
00:53:23,910 --> 00:53:21,359
away to a barbed wire fence

1363
00:53:26,150 --> 00:53:23,920

because along that barbed wire fence

1364

00:53:28,069 --> 00:53:26,160

there's these two tall dark figures

1365

00:53:28,950 --> 00:53:28,079

slowly moving their direction one behind

1366

00:53:31,510 --> 00:53:28,960

the other

1367

00:53:33,510 --> 00:53:31,520

so the fence post is six feet tall the

1368

00:53:35,670 --> 00:53:33,520

one front about eight feet tall the one

1369

00:53:38,390 --> 00:53:35,680

behind is about seven feet tall

1370

00:53:40,390 --> 00:53:38,400

these things are bipedal they're upright

1371

00:53:42,790 --> 00:53:40,400

they're covered with long dark matted

1372

00:53:44,630 --> 00:53:42,800

hair they have large glowing green eyes

1373

00:53:47,910 --> 00:53:44,640

the eyes appear to be about the size of

1374

00:53:49,750 --> 00:53:47,920

a 50 cent piece glowing bloominess green

1375

00:53:52,549 --> 00:53:49,760

the arms are so long they're almost down

1376

00:53:54,390 --> 00:53:52,559

to the ground they have no neck

1377

00:53:56,950 --> 00:53:54,400

and they're making this whining baby

1378

00:53:59,190 --> 00:53:56,960

crying sound and they're slowly moving

1379

00:54:01,030 --> 00:53:59,200

towards these guys and the one guy one

1380

00:54:01,690 --> 00:54:01,040

kid is very very scared he runs out of

1381

00:54:02,950 --> 00:54:01,700

the field

1382

00:54:04,069 --> 00:54:02,960

[Music]

1383

00:54:06,630 --> 00:54:04,079

the other one's

1384

00:54:08,790 --> 00:54:06,640

the older fella shoot him shooting him

1385

00:54:10,710 --> 00:54:08,800

the guy finally takes a shot

1386

00:54:13,190 --> 00:54:10,720

he takes his first shot at the tracers

1387

00:54:15,750 --> 00:54:13,200

you've got that luminous trail

1388

00:54:18,309 --> 00:54:15,760

fires is the second shot

1389

00:54:20,630 --> 00:54:18,319

it's also a tracer but something really

1390

00:54:23,030 --> 00:54:20,640

amazing happens when he fires that

1391

00:54:26,069 --> 00:54:23,040

second tracer the largest other two

1392

00:54:28,630 --> 00:54:26,079

creatures left out this large whining

1393

00:54:31,829 --> 00:54:28,640

crying sound reaches out of hand as

1394

00:54:33,910 --> 00:54:31,839

though to grab at that tracer

1395

00:54:35,510 --> 00:54:33,920

and the moment it does that the object

1396

00:54:38,390 --> 00:54:35,520

and field vanishes

1397

00:54:40,789 --> 00:54:38,400

it doesn't take off it just disappears

1398

00:54:42,789 --> 00:54:40,799

well that's illumination

1399

00:54:43,910 --> 00:54:42,799

that's amazing so this guy

1400

00:54:46,710 --> 00:54:43,920

this guy

1401
00:54:48,630 --> 00:54:46,720
shot at the creatures themselves yeah

1402
00:54:50,309 --> 00:54:48,640
he's firing right into the creatures at

1403
00:54:52,309 --> 00:54:50,319
the same moment

1404
00:54:54,950 --> 00:54:52,319
now you're gonna forget now the second

1405
00:54:55,910 --> 00:54:54,960
shot was also just a tracer at that

1406
00:54:58,230 --> 00:54:55,920
point

1407
00:55:00,390 --> 00:54:58,240
well as soon as he fires that shot the

1408
00:55:02,870 --> 00:55:00,400
creep the object disappears the

1409
00:55:04,789 --> 00:55:02,880
creatures turn around started walking

1410
00:55:07,030 --> 00:55:04,799
along that fence line back towards the

1411
00:55:08,710 --> 00:55:07,040
woods and the guy starts firing live

1412
00:55:10,470 --> 00:55:08,720
ammo into them

1413
00:55:12,789 --> 00:55:10,480

and this fella told me for years and

1414

00:55:14,789 --> 00:55:12,799

years he said i'll never forget how the

1415

00:55:16,710 --> 00:55:14,799

biggest of the creatures stared at him

1416

00:55:18,789 --> 00:55:16,720

with those glowing green eyes as he's

1417

00:55:21,750 --> 00:55:18,799

firing live ammo into it and there

1418

00:55:23,510 --> 00:55:21,760

appears to be no no types of response or

1419

00:55:25,990 --> 00:55:23,520

not it's not injured

1420

00:55:27,910 --> 00:55:26,000

it doesn't they don't slow down at all

1421

00:55:29,990 --> 00:55:27,920

and at that point

1422

00:55:32,470 --> 00:55:30,000

after he fires his shots into him they

1423

00:55:33,829 --> 00:55:32,480

both run back to the truck go back to

1424

00:55:35,030 --> 00:55:33,839

the farmhouse tell the family what

1425

00:55:36,470 --> 00:55:35,040

happened

1426
00:55:37,670 --> 00:55:36,480
take them to a neighbor called the state

1427
00:55:40,309 --> 00:55:37,680
police

1428
00:55:42,549 --> 00:55:40,319
so when they when the trooper arrives 45

1429
00:55:44,069 --> 00:55:42,559
minutes later they go up into the field

1430
00:55:46,309 --> 00:55:44,079
with the troop car

1431
00:55:48,069 --> 00:55:46,319
they're looking around for evidence

1432
00:55:49,750 --> 00:55:48,079
and they go over the area where the

1433
00:55:52,190 --> 00:55:49,760
object had been on the ground and the

1434
00:55:55,589 --> 00:55:52,200
trooper told me the whole area was

1435
00:55:57,750 --> 00:55:55,599
self-luminescent and glowing about 150

1436
00:56:00,390 --> 00:55:57,760
feet in diameter the farm animals

1437
00:56:02,069 --> 00:56:00,400
wouldn't go into it he said if he had a

1438
00:56:03,589 --> 00:56:02,079

newspaper he could have sat down within

1439

00:56:05,750 --> 00:56:03,599

that area and read the newspaper from

1440

00:56:07,829 --> 00:56:05,760

the globe coming off the area

1441

00:56:10,309 --> 00:56:07,839

and that's just the short part of the

1442

00:56:11,589 --> 00:56:10,319

story it gets even stranger and stranger

1443

00:56:12,549 --> 00:56:11,599

which i'm not going to get into all

1444

00:56:14,069 --> 00:56:12,559

right now

1445

00:56:17,270 --> 00:56:14,079

but that was the

1446

00:56:19,910 --> 00:56:17,280

main case initially that convinced me

1447

00:56:21,750 --> 00:56:19,920

and my team that there was a lot more to

1448

00:56:24,150 --> 00:56:21,760

the ufo and bigfoot phenomena than any

1449

00:56:25,990 --> 00:56:24,160

of us had ever anticipated and now we

1450

00:56:27,510 --> 00:56:26,000

have to keep a much more open mind as to

1451

00:56:30,549 --> 00:56:27,520

what we are dealing with

1452

00:56:32,710 --> 00:56:30,559

and then this guy is

1453

00:56:34,309 --> 00:56:32,720

he wasn't he was close enough to shoot

1454

00:56:36,710 --> 00:56:34,319

at this thing

1455

00:56:38,870 --> 00:56:36,720

oh yeah i mean they were getting pretty

1456

00:56:41,990 --> 00:56:38,880

close to him and it was coming along the

1457

00:56:43,750 --> 00:56:42,000

fence line and he fired right into him

1458

00:56:45,430 --> 00:56:43,760

after he fired the tracy fired a lot of

1459

00:56:46,460 --> 00:56:45,440

ammo into him but there was no effect on

1460

00:56:47,910 --> 00:56:46,470

them

1461

00:56:49,270 --> 00:56:47,920

[Music]

1462

00:56:51,270 --> 00:56:49,280

wow

1463

00:56:54,870 --> 00:56:51,280

and and that but that's

1464

00:56:57,349 --> 00:56:54,880

that's was interesting however then as

1465

00:56:59,190 --> 00:56:57,359

time goes on and more and more reports

1466

00:57:01,750 --> 00:56:59,200

continue to come in

1467

00:57:05,109 --> 00:57:01,760

then we had the case that convinced me

1468

00:57:06,870 --> 00:57:05,119

that again bigfoot in some cases may not

1469

00:57:08,870 --> 00:57:06,880

be flesh and blood which is why there's

1470

00:57:10,710 --> 00:57:08,880

no bodies and i'll be glad to tell you

1471

00:57:12,630 --> 00:57:10,720

that story if you like yeah i've always

1472

00:57:15,270 --> 00:57:12,640

thought it was interesting that there's

1473

00:57:17,510 --> 00:57:15,280

no bodies there's never body they never

1474

00:57:19,270 --> 00:57:17,520

found bones i mean occasionally somebody

1475

00:57:21,030 --> 00:57:19,280

finds dna or

1476

00:57:23,270 --> 00:57:21,040

hair but it always turns out to be a

1477

00:57:24,710 --> 00:57:23,280

known animal or something like that what

1478

00:57:26,549 --> 00:57:24,720

are you making

1479

00:57:29,190 --> 00:57:26,559

and i've been saying that for years and

1480

00:57:30,870 --> 00:57:29,200

and it's not just with bigfoot i mean if

1481

00:57:33,030 --> 00:57:30,880

you look into some of the cases my new

1482

00:57:36,069 --> 00:57:33,040

book astonishing encounters there's

1483

00:57:37,829 --> 00:57:36,079

other cryptids in there which suggests

1484

00:57:40,150 --> 00:57:37,839

they're also not a normal flesh and

1485

00:57:42,230 --> 00:57:40,160

bloody animal so we may be dealing with

1486

00:57:44,470 --> 00:57:42,240

a phenomena again

1487

00:57:46,069 --> 00:57:44,480

that under certain conditions

1488

00:57:48,630 --> 00:57:46,079

and maybe there's certain areas where

1489

00:57:50,710 --> 00:57:48,640

this is more prevalent than these things

1490

00:57:52,549 --> 00:57:50,720

come into our physical environment

1491

00:57:54,710 --> 00:57:52,559

they're seen by people they look

1492

00:57:56,470 --> 00:57:54,720

physically solid at times they leave

1493

00:57:58,549 --> 00:57:56,480

physical evidence and then they're gone

1494

00:58:00,789 --> 00:57:58,559

they come and they go where do they come

1495

00:58:02,789 --> 00:58:00,799

from where do they go but here's here's

1496

00:58:04,870 --> 00:58:02,799

the case that really convinced me there

1497

00:58:07,990 --> 00:58:04,880

was something going on with bigfoot that

1498

00:58:11,510 --> 00:58:08,000

may be other than a zoological specimen

1499

00:58:13,349 --> 00:58:11,520

february 6 1974 back up in the mountains

1500

00:58:14,150 --> 00:58:13,359

of fayette county again

1501

00:58:16,230 --> 00:58:14,160

um

1502

00:58:18,150 --> 00:58:16,240

some missiles will remember the time

1503

00:58:21,030 --> 00:58:18,160

period because we had gas rationing

1504

00:58:23,030 --> 00:58:21,040

going on national trucker strike there

1505

00:58:24,390 --> 00:58:23,040

was violence on the roadways across the

1506

00:58:27,030 --> 00:58:24,400

country you might remember that in the

1507

00:58:29,589 --> 00:58:27,040

news i don't know what your age is

1508

00:58:31,990 --> 00:58:29,599

but anyhow it was a big time for people

1509

00:58:33,270 --> 00:58:32,000

who were living and i couldn't get up to

1510

00:58:34,630 --> 00:58:33,280

the scene to the next morning because i

1511

00:58:37,430 --> 00:58:34,640

couldn't get gas

1512

00:58:39,430 --> 00:58:37,440

because of the because of the situation

1513

00:58:41,829 --> 00:58:39,440

in pennsylvania with the strike the

1514

00:58:44,470 --> 00:58:41,839

state police and the national guard were

1515

00:58:45,990 --> 00:58:44,480

patrolling together they both responded

1516

00:58:49,430 --> 00:58:46,000

to this incident

1517

00:58:51,510 --> 00:58:49,440

this is february 6 1974

1518

00:58:54,470 --> 00:58:51,520

deep in the mountains of fayette county

1519

00:58:56,470 --> 00:58:54,480

not that far from ohio pile and and the

1520

00:58:58,710 --> 00:58:56,480

story focuses on a woman who lived in

1521

00:59:01,430 --> 00:58:58,720

the woods all her life she was a very

1522

00:59:03,270 --> 00:59:01,440

good shot knew animals very well really

1523

00:59:05,349 --> 00:59:03,280

didn't fear much of anything she's

1524

00:59:07,109 --> 00:59:05,359

sitting in a room at home they're good

1525

00:59:09,190 --> 00:59:07,119

with a gun i would say don't you think

1526

00:59:10,549 --> 00:59:09,200

so like a good guy again

1527

00:59:12,470 --> 00:59:10,559

i would think a lot of the people that

1528

00:59:14,710 --> 00:59:12,480

live in rural areas are good with the

1529

00:59:16,870 --> 00:59:14,720

gun right oh yeah well these people will

1530

00:59:18,950 --> 00:59:16,880

wake deep in the mountains yeah so she's

1531

00:59:21,190 --> 00:59:18,960

sitting there and she's watching

1532

00:59:23,510 --> 00:59:21,200

television and she hears this noise out

1533

00:59:24,870 --> 00:59:23,520

on her porch she had some pop cans out

1534

00:59:27,430 --> 00:59:24,880

there and someone was knocking the pop

1535

00:59:29,670 --> 00:59:27,440

cans around well she previously had had

1536

00:59:31,910 --> 00:59:29,680

a pack of wild dogs come through and she

1537

00:59:33,430 --> 00:59:31,920

figured maybe the dogs are back so she

1538

00:59:35,670 --> 00:59:33,440

thought you know what i'll just grab my

1539

00:59:36,950 --> 00:59:35,680

shotgun and i'll load one chamber and

1540

00:59:40,150 --> 00:59:36,960

i'll shoot over here he hasn't scared

1541

00:59:41,589 --> 00:59:40,160

the dogs away so she grabs her shotgun

1542

00:59:43,670 --> 00:59:41,599

loads a chamber

1543

00:59:45,829 --> 00:59:43,680

walks over to the door walks over to the

1544

00:59:48,309 --> 00:59:45,839

wall turns on the switch for the porch

1545

00:59:51,430 --> 00:59:48,319

light goes over to the front porch door

1546

00:59:53,990 --> 00:59:51,440

opens it and steps out

1547

00:59:56,309 --> 00:59:54,000

but there's no dogs but just a few feet

1548

00:59:58,470 --> 00:59:56,319

in front of her is this huge hairy

1549

01:00:00,870 --> 00:59:58,480

creature with his arms straight up over

1550

01:00:03,190 --> 01:00:00,880

his head almost like it's surrendering

1551
01:00:04,710 --> 01:00:03,200
and what does she do she fires right

1552
01:00:06,549 --> 01:00:04,720
into it

1553
01:00:07,750 --> 01:00:06,559
she says there's this bright flash of

1554
01:00:10,069 --> 01:00:07,760
light

1555
01:00:11,910 --> 01:00:10,079
like a strobe line a camera or a flash

1556
01:00:13,430 --> 01:00:11,920
on the camera and it disappears right in

1557
01:00:14,950 --> 01:00:13,440
front of her

1558
01:00:16,870 --> 01:00:14,960
you know it was interesting too and i

1559
01:00:18,390 --> 01:00:16,880
interviewed her numerous times and

1560
01:00:20,150 --> 01:00:18,400
others interviewed her

1561
01:00:21,670 --> 01:00:20,160
she never had recorded a bigfoot she

1562
01:00:22,549 --> 01:00:21,680
said it looked like a great big hairy

1563
01:00:24,870 --> 01:00:22,559

ape

1564

01:00:27,109 --> 01:00:24,880

and the rest of the story is after she

1565

01:00:28,870 --> 01:00:27,119

fired that shot her in-laws lived a

1566

01:00:29,910 --> 01:00:28,880

hundred feet away they heard the gunshot

1567

01:00:31,190 --> 01:00:29,920

and called and asked him what she's

1568

01:00:33,270 --> 01:00:31,200

shooting at

1569

01:00:35,589 --> 01:00:33,280

she told them the son-in-law grabs his

1570

01:00:37,990 --> 01:00:35,599

pistol starts his mate awakening is

1571

01:00:39,670 --> 01:00:38,000

making his way up towards the home

1572

01:00:41,829 --> 01:00:39,680

sees some figures in the distance

1573

01:00:43,430 --> 01:00:41,839

running up the road and as he gets

1574

01:00:45,109 --> 01:00:43,440

closer he said he's surrounded by four

1575

01:00:47,430 --> 01:00:45,119

or five hairy people with eyes like

1576

01:00:49,750 --> 01:00:47,440

holes of fire and starts firing right

1577

01:00:52,069 --> 01:00:49,760

into him and runs into the cabin home

1578

01:00:54,069 --> 01:00:52,079

and they look out the window and about

1579

01:00:56,069 --> 01:00:54,079

the same time there's this large object

1580

01:00:58,870 --> 01:00:56,079

they said like a big christmas ornament

1581

01:01:00,870 --> 01:00:58,880

hovering over the woods at the same time

1582

01:01:03,510 --> 01:01:00,880

wow

1583

01:01:05,589 --> 01:01:03,520

well anyhow i i interviewed the maine

1584

01:01:07,109 --> 01:01:05,599

state trooper the investigating officer

1585

01:01:09,349 --> 01:01:07,119

and the next day

1586

01:01:11,349 --> 01:01:09,359

and he said i don't know what happened

1587

01:01:13,510 --> 01:01:11,359

up there but it's something very very

1588

01:01:15,829 --> 01:01:13,520

strange was happening on that property

1589

01:01:18,150 --> 01:01:15,839

he based that on something that i have

1590

01:01:20,069 --> 01:01:18,160

seen in my investigators in some cases

1591

01:01:22,549 --> 01:01:20,079

with the animal reactions

1592

01:01:23,589 --> 01:01:22,559

people can be faked and fooled animals

1593

01:01:25,910 --> 01:01:23,599

can't

1594

01:01:28,630 --> 01:01:25,920

and in this situation

1595

01:01:31,270 --> 01:01:28,640

the horses and the cattle and the dogs

1596

01:01:33,109 --> 01:01:31,280

in particular acting very very strange

1597

01:01:34,470 --> 01:01:33,119

they had several big dogs i think one

1598

01:01:36,870 --> 01:01:34,480

was eskimos

1599

01:01:38,950 --> 01:01:36,880

spits i think there was a shepherd i

1600

01:01:41,430 --> 01:01:38,960

can't remember but then i remember the

1601
01:01:43,270 --> 01:01:41,440
trooper telling me when he got up there

1602
01:01:45,750 --> 01:01:43,280
and everything was quiet the dogs

1603
01:01:47,829 --> 01:01:45,760
wouldn't bark they wouldn't make a sound

1604
01:01:49,829 --> 01:01:47,839
they were just scared petrified he said

1605
01:01:53,349 --> 01:01:49,839
to one of the dogs who's inside of a

1606
01:01:55,190 --> 01:01:53,359
shelter or a cage and he opened it up to

1607
01:01:56,710 --> 01:01:55,200
try to get let the dog out and the dog

1608
01:01:59,029 --> 01:01:56,720
wouldn't even move the dog should have

1609
01:02:00,549 --> 01:01:59,039
ripped his arm off the dog wouldn't move

1610
01:02:02,470 --> 01:02:00,559
and he said he's never said anything

1611
01:02:03,990 --> 01:02:02,480
like it before how the animal is

1612
01:02:07,190 --> 01:02:04,000
reacting and he was convinced something

1613
01:02:09,510 --> 01:02:07,200

very odd it happened at the scene

1614

01:02:11,670 --> 01:02:09,520

wow you know but just to play devil's

1615

01:02:13,349 --> 01:02:11,680

advocate though how many of these cases

1616

01:02:16,069 --> 01:02:13,359

that you've investigated was their

1617

01:02:17,109 --> 01:02:16,079

footprints or other physical evidence

1618

01:02:19,270 --> 01:02:17,119

because

1619

01:02:22,069 --> 01:02:19,280

what a lot of people say

1620

01:02:23,670 --> 01:02:22,079

that are sort of naysayers is that it's

1621

01:02:25,029 --> 01:02:23,680

a lot of stories and not a lot of

1622

01:02:27,510 --> 01:02:25,039

evidence

1623

01:02:29,430 --> 01:02:27,520

well first of all you got to realize

1624

01:02:30,549 --> 01:02:29,440

these reports are coming in widespread

1625

01:02:32,470 --> 01:02:30,559

areas

1626
01:02:35,829 --> 01:02:32,480
they weren't you know summoned reports

1627
01:02:37,589 --> 01:02:35,839
got in the paper after they occurred

1628
01:02:38,870 --> 01:02:37,599
but many of the reports were never

1629
01:02:40,870 --> 01:02:38,880
publicized the majority of them were

1630
01:02:43,029 --> 01:02:40,880
never publicized they were coming from

1631
01:02:44,630 --> 01:02:43,039
people who wanted no publicity

1632
01:02:46,630 --> 01:02:44,640
while some areas while there was

1633
01:02:47,910 --> 01:02:46,640
sometimes certain areas like in derry

1634
01:02:50,309 --> 01:02:47,920
township where there are numerous

1635
01:02:52,549 --> 01:02:50,319
different people reporting a lot of odd

1636
01:02:55,589 --> 01:02:52,559
things on their different properties

1637
01:02:56,950 --> 01:02:55,599
99 of the people wanted no publicity so

1638
01:02:59,270 --> 01:02:56,960

nobody knew who they were they had

1639

01:03:00,549 --> 01:02:59,280

nothing to gain i mean we were on the

1640

01:03:02,230 --> 01:03:00,559

scene or the police are on the scene

1641

01:03:04,470 --> 01:03:02,240

within minutes to hours after it

1642

01:03:06,390 --> 01:03:04,480

occurred so we're able to document this

1643

01:03:08,950 --> 01:03:06,400

very quickly and document what's going

1644

01:03:11,430 --> 01:03:08,960

on you got to remember i had scientists

1645

01:03:13,430 --> 01:03:11,440

and engineers and trained investigators

1646

01:03:16,710 --> 01:03:13,440

with me or police out there in a lot of

1647

01:03:18,710 --> 01:03:16,720

cases i had an anthropologist with us

1648

01:03:20,870 --> 01:03:18,720

we knew how to differentiate between

1649

01:03:22,710 --> 01:03:20,880

real tracks and fake tracks and yeah

1650

01:03:24,549 --> 01:03:22,720

once the news got out there were some

1651
01:03:26,390 --> 01:03:24,559
hoaxes and they were very apparent i

1652
01:03:27,750 --> 01:03:26,400
mean you could tell the difference in

1653
01:03:30,069 --> 01:03:27,760
the weight the

1654
01:03:31,750 --> 01:03:30,079
the structure the way the toes spread

1655
01:03:33,190 --> 01:03:31,760
underground conditions i mean we knew

1656
01:03:34,630 --> 01:03:33,200
what to look for

1657
01:03:36,549 --> 01:03:34,640
you know one of the things i always

1658
01:03:39,349 --> 01:03:36,559
thought was interesting was the dermal

1659
01:03:40,230 --> 01:03:39,359
ridges on some of those prints

1660
01:03:43,190 --> 01:03:40,240
or

1661
01:03:45,990 --> 01:03:43,200
you know sometimes there's actual like

1662
01:03:48,309 --> 01:03:46,000
almost like a fingerprint the the uh the

1663
01:03:51,029 --> 01:03:48,319

pattern of a of a print of a bottom of

1664

01:03:53,430 --> 01:03:51,039

somebody's foot in these big huge tracks

1665

01:03:55,349 --> 01:03:53,440

that's kind of hard to fake isn't it

1666

01:03:57,430 --> 01:03:55,359

yeah it is and it depends on the ground

1667

01:04:00,069 --> 01:03:57,440

condition i mean some of ours was in

1668

01:04:02,309 --> 01:04:00,079

dirt and mud you know clay all kind of

1669

01:04:04,390 --> 01:04:02,319

different conditions so it just depended

1670

01:04:05,910 --> 01:04:04,400

but some of the tracks i mean in some of

1671

01:04:08,069 --> 01:04:05,920

the tracks you actually like the bone

1672

01:04:10,470 --> 01:04:08,079

structure you can see you can see the

1673

01:04:13,270 --> 01:04:10,480

depth of the toe i mean it was really

1674

01:04:15,750 --> 01:04:13,280

amazing some of these cases and and we

1675

01:04:17,270 --> 01:04:15,760

had some interesting cases where we had

1676

01:04:19,109 --> 01:04:17,280

some hair samples that may have been

1677

01:04:20,950 --> 01:04:19,119

significant but unfortunately back in

1678

01:04:22,069 --> 01:04:20,960

that time period there was no dna

1679

01:04:24,230 --> 01:04:22,079

testing

1680

01:04:25,670 --> 01:04:24,240

and we had one case um

1681

01:04:27,190 --> 01:04:25,680

and and i mentioned all this in my in

1682

01:04:30,390 --> 01:04:27,200

the silent invasion book and go into

1683

01:04:32,630 --> 01:04:30,400

detail about this one case um there was

1684

01:04:34,630 --> 01:04:32,640

involved some hair samples um which was

1685

01:04:36,870 --> 01:04:34,640

a pretty significant bigfoot case so

1686

01:04:38,630 --> 01:04:36,880

there was a terrible odor to it

1687

01:04:40,950 --> 01:04:38,640

and um

1688

01:04:42,549 --> 01:04:40,960

through another group we had

1689

01:04:44,150 --> 01:04:42,559

they had contact with two of the leading

1690

01:04:45,990 --> 01:04:44,160

scientists in the field at the same time

1691

01:04:46,789 --> 01:04:46,000

and they were limited to what they could

1692

01:04:47,589 --> 01:04:46,799

do

1693

01:04:49,990 --> 01:04:47,599

but

1694

01:04:51,910 --> 01:04:50,000

it was the only hair sample that it was

1695

01:04:54,150 --> 01:04:51,920

so close to human but they couldn't be

1696

01:04:55,990 --> 01:04:54,160

sure if it was human or not as i recall

1697

01:04:57,589 --> 01:04:56,000

and then another incident

1698

01:04:59,829 --> 01:04:57,599

i remember getting a call from the state

1699

01:05:01,430 --> 01:04:59,839

police up in indiana county where there

1700

01:05:02,950 --> 01:05:01,440

have been a lot of bigfoot sightings and

1701
01:05:05,750 --> 01:05:02,960
this was an incident where there was a

1702
01:05:07,910 --> 01:05:05,760
report of a bigfoot being shot

1703
01:05:09,589 --> 01:05:07,920
on a roadway and there was blood spots

1704
01:05:11,910 --> 01:05:09,599
on the road they thought

1705
01:05:14,150 --> 01:05:11,920
and they called my team up

1706
01:05:15,510 --> 01:05:14,160
and that was a distance away but we got

1707
01:05:16,789 --> 01:05:15,520
there late in the evening and we got

1708
01:05:18,789 --> 01:05:16,799
there with a whole lot of people there

1709
01:05:20,630 --> 01:05:18,799
to meet us different people who had been

1710
01:05:22,710 --> 01:05:20,640
seeing things up there

1711
01:05:24,789 --> 01:05:22,720
state troopers i got there before we did

1712
01:05:26,230 --> 01:05:24,799
and this thing had been before we got to

1713
01:05:29,270 --> 01:05:26,240

this was at a

1714

01:05:31,510 --> 01:05:29,280

rural area it was like an apple orchard

1715

01:05:33,589 --> 01:05:31,520

and these people just picked uh several

1716

01:05:36,150 --> 01:05:33,599

baskets of big fresh apples and this

1717

01:05:37,670 --> 01:05:36,160

thing came up on their back porch that

1718

01:05:39,910 --> 01:05:37,680

evening was taking whole apples and

1719

01:05:42,710 --> 01:05:39,920

popping hole apples in its mouth

1720

01:05:44,390 --> 01:05:42,720

and uh this thing to make the story sort

1721

01:05:46,630 --> 01:05:44,400

of walked around the front of the house

1722

01:05:48,470 --> 01:05:46,640

walked across the road and when the guy

1723

01:05:49,910 --> 01:05:48,480

had a clear shot he took a shot at this

1724

01:05:52,549 --> 01:05:49,920

thing as he ran into the woods and made

1725

01:05:55,190 --> 01:05:52,559

this terrible screaming sound

1726

01:05:57,190 --> 01:05:55,200

and he thought he had hit it uh with his

1727

01:05:59,109 --> 01:05:57,200

gunshot because it looked like blood

1728

01:06:00,630 --> 01:05:59,119

spots on the road so there was some

1729

01:06:03,029 --> 01:06:00,640

apple on the road and what looked like

1730

01:06:05,109 --> 01:06:03,039

blood spots the state police took the

1731

01:06:06,470 --> 01:06:05,119

apple with them but they left the blood

1732

01:06:08,870 --> 01:06:06,480

spots for us

1733

01:06:10,390 --> 01:06:08,880

we sent it to

1734

01:06:12,549 --> 01:06:10,400

the specialist again through this other

1735

01:06:15,109 --> 01:06:12,559

group and the closest thing they came up

1736

01:06:17,270 --> 01:06:15,119

with was it was apple juice mixed with

1737

01:06:19,430 --> 01:06:17,280

saliva it was not blood

1738

01:06:22,150 --> 01:06:19,440

oh that's too bad i really hope that you

1739

01:06:24,390 --> 01:06:22,160

got some bigfoot dna or some other proof

1740

01:06:25,990 --> 01:06:24,400

like that

1741

01:06:28,230 --> 01:06:26,000

but you know again you know one of the

1742

01:06:30,789 --> 01:06:28,240

things after so many bigfoot reports

1743

01:06:33,190 --> 01:06:30,799

year after year this goes on every year

1744

01:06:34,950 --> 01:06:33,200

in pennsylvania many many other parts of

1745

01:06:37,349 --> 01:06:34,960

the state many other parts of the

1746

01:06:40,950 --> 01:06:37,359

country other countries as well and

1747

01:06:43,270 --> 01:06:40,960

still no bodies you know very little

1748

01:06:45,510 --> 01:06:43,280

really good physical evidence

1749

01:06:47,829 --> 01:06:45,520

something just doesn't make any sense

1750

01:06:49,829 --> 01:06:47,839

you know after so many many years of

1751

01:06:52,150 --> 01:06:49,839

site going back to native americans if

1752

01:06:55,029 --> 01:06:52,160

this was a normal flushing blood animal

1753

01:06:57,029 --> 01:06:55,039

surely by now we'd have a body

1754

01:06:59,270 --> 01:06:57,039

i have a i have a native american friend

1755

01:07:01,109 --> 01:06:59,280

who i talked to about this and of course

1756

01:07:04,230 --> 01:07:01,119

the native americans call him you know

1757

01:07:06,630 --> 01:07:04,240

hairy man of the forest or sasquatch and

1758

01:07:09,270 --> 01:07:06,640

i asked him why is there ever any bodies

1759

01:07:12,309 --> 01:07:09,280

or why isn't there bones dna or physical

1760

01:07:14,789 --> 01:07:12,319

evidence and what he told me is that for

1761

01:07:16,309 --> 01:07:14,799

centuries his people have known

1762

01:07:17,670 --> 01:07:16,319

that this creature walks with the

1763

01:07:18,710 --> 01:07:17,680

spirits

1764

01:07:22,630 --> 01:07:18,720

yeah

1765

01:07:25,029 --> 01:07:22,640

different tribes around the country and

1766

01:07:27,029 --> 01:07:25,039

we hear about that these things appear

1767

01:07:29,910 --> 01:07:27,039

more spiritual in nature not a physical

1768

01:07:31,829 --> 01:07:29,920

entity and you know more and more you

1769

01:07:33,910 --> 01:07:31,839

have to wonder you know does this fit

1770

01:07:36,309 --> 01:07:33,920

into the interdimensional theory like i

1771

01:07:37,910 --> 01:07:36,319

said i i have never seen one i've

1772

01:07:39,589 --> 01:07:37,920

interviewed hundreds of witnesses i've

1773

01:07:42,230 --> 01:07:39,599

seen a lot of evidence

1774

01:07:44,789 --> 01:07:42,240

i was very much convinced for years that

1775

01:07:46,710 --> 01:07:44,799

this was an unknown primate but now

1776

01:07:48,950 --> 01:07:46,720

looking more and more at the data and so

1777

01:07:50,630 --> 01:07:48,960

many cases i've come across and

1778

01:07:53,029 --> 01:07:50,640

there's so many strange aspects to it

1779

01:07:55,270 --> 01:07:53,039

you know i started writing about the

1780

01:07:58,230 --> 01:07:55,280

ufos and the bigfoot and the fact that

1781

01:08:01,190 --> 01:07:58,240

sometimes in some cases and it's not in

1782

01:08:03,349 --> 01:08:01,200

the majority cases but it may well be

1783

01:08:04,950 --> 01:08:03,359

there's a lot more of these type of

1784

01:08:06,309 --> 01:08:04,960

incidents going on around the country

1785

01:08:08,390 --> 01:08:06,319

and around the world

1786

01:08:10,870 --> 01:08:08,400

than we're hearing about because what i

1787

01:08:13,270 --> 01:08:10,880

learned years and years ago is that

1788

01:08:15,510 --> 01:08:13,280

many other ufo bigfoot researchers were

1789

01:08:18,229 --> 01:08:15,520

aware of these type of cases where there

1790

01:08:19,910 --> 01:08:18,239

was a ufo bigfoot scene together or in

1791

01:08:21,749 --> 01:08:19,920

certain areas you would have a ufo

1792

01:08:24,229 --> 01:08:21,759

sightings and bigfoot activity or vice

1793

01:08:26,070 --> 01:08:24,239

versa but so many that were reluctant to

1794

01:08:27,510 --> 01:08:26,080

publish it because they're afraid of

1795

01:08:28,709 --> 01:08:27,520

being ridiculed by their peers they

1796

01:08:30,709 --> 01:08:28,719

wouldn't do it

1797

01:08:33,510 --> 01:08:30,719

and i've i've heard that for years and

1798

01:08:35,269 --> 01:08:33,520

years in more recent years i'm seeing

1799

01:08:37,269 --> 01:08:35,279

more and more people in both fields

1800

01:08:39,669 --> 01:08:37,279

especially the bigfoot field beginning

1801
01:08:41,189 --> 01:08:39,679
to question the same things that i have

1802
01:08:43,189 --> 01:08:41,199
and are beginning to look into the

1803
01:08:45,269 --> 01:08:43,199
possibility of maybe some of these

1804
01:08:46,229 --> 01:08:45,279
theories are not so far-fetched after

1805
01:08:47,510 --> 01:08:46,239
all

1806
01:08:49,669 --> 01:08:47,520
and you know one thing that's been

1807
01:08:51,189 --> 01:08:49,679
coming up more and more in recent years

1808
01:08:53,590 --> 01:08:51,199
is that i've been hearing from bigfoot

1809
01:08:55,110 --> 01:08:53,600
researchers and from bigfoot groups

1810
01:08:57,269 --> 01:08:55,120
they're going out in the areas where

1811
01:08:59,110 --> 01:08:57,279
there's a history of bigfoot encounters

1812
01:09:01,189 --> 01:08:59,120
searching and staking out areas looking

1813
01:09:03,510 --> 01:09:01,199

for bigfoot but instead of finding

1814

01:09:05,430 --> 01:09:03,520

bigfoot they're seeing strange lights or

1815

01:09:07,749 --> 01:09:05,440

strange objects and it just happened

1816

01:09:09,669 --> 01:09:07,759

again a couple weeks ago and it's a very

1817

01:09:11,590 --> 01:09:09,679

detailed bigfoot encounter which i'm

1818

01:09:13,990 --> 01:09:11,600

glad to talk to you about

1819

01:09:15,829 --> 01:09:14,000

yeah sure you know but before that i

1820

01:09:17,910 --> 01:09:15,839

wanted to ask you because i kind of

1821

01:09:20,470 --> 01:09:17,920

honestly make fun of some of these

1822

01:09:22,789 --> 01:09:20,480

bigfoot shows on tv because it seems

1823

01:09:24,309 --> 01:09:22,799

like they're just grasping at straws and

1824

01:09:27,030 --> 01:09:24,319

there's never any evidence and you can

1825

01:09:29,030 --> 01:09:27,040

watch 85 hours of that and honestly i

1826

01:09:31,590 --> 01:09:29,040

have and it seems like very little

1827

01:09:33,510 --> 01:09:31,600

evidence or even i believe some of those

1828

01:09:35,510 --> 01:09:33,520

shows is hoaxing evidence or near

1829

01:09:39,269 --> 01:09:35,520

encounters because they have to do that

1830

01:09:42,870 --> 01:09:41,189

well you know be honest i don't watch a

1831

01:09:44,630 --> 01:09:42,880

lot of the programs i don't really have

1832

01:09:45,590 --> 01:09:44,640

time um

1833

01:09:47,910 --> 01:09:45,600

you know

1834

01:09:50,470 --> 01:09:47,920

i i can tell you this there was a lot

1835

01:09:52,709 --> 01:09:50,480

more activity i mean we did a lot of

1836

01:09:54,709 --> 01:09:52,719

really detailed research in in the 70s

1837

01:09:56,550 --> 01:09:54,719

80s early 90s

1838

01:09:59,030 --> 01:09:56,560

and uh

1839

01:10:00,950 --> 01:09:59,040

we were finding a lot more evidence back

1840

01:10:02,630 --> 01:10:00,960

in here in those years i mean especially

1841

01:10:05,510 --> 01:10:02,640

back in the 70s we would find a lot more

1842

01:10:06,630 --> 01:10:05,520

evidence in more recent years it's very

1843

01:10:08,790 --> 01:10:06,640

rare

1844

01:10:10,709 --> 01:10:08,800

for us and i'm in touch with so many

1845

01:10:13,430 --> 01:10:10,719

other researchers in pennsylvania it's

1846

01:10:15,750 --> 01:10:13,440

very rare to go out and find any really

1847

01:10:17,270 --> 01:10:15,760

good solid physical evidence like we

1848

01:10:19,270 --> 01:10:17,280

used to accumulate over the years i mean

1849

01:10:21,110 --> 01:10:19,280

on occasion you'll get some footprints

1850

01:10:23,189 --> 01:10:21,120

or something else might turn up

1851

01:10:24,630 --> 01:10:23,199

you know but it's not like it used to be

1852

01:10:26,550 --> 01:10:24,640

for whatever reason

1853

01:10:28,630 --> 01:10:26,560

wow and did you ever find it or

1854

01:10:29,990 --> 01:10:28,640

do you have in your possession besides

1855

01:10:32,229 --> 01:10:30,000

the footprints i know you mentioned

1856

01:10:35,030 --> 01:10:32,239

those did you ever find or do you have

1857

01:10:37,189 --> 01:10:35,040

any hair samples or anything like that

1858

01:10:39,110 --> 01:10:37,199

all the ones we had back in the early

1859

01:10:40,550 --> 01:10:39,120

years were sent to labs and back then

1860

01:10:42,790 --> 01:10:40,560

unfortunately

1861

01:10:45,270 --> 01:10:42,800

the type of testing was a destructive

1862

01:10:47,430 --> 01:10:45,280

testing so they use the samples to

1863

01:10:49,350 --> 01:10:47,440

analyze but there's no more samples left

1864

01:10:51,110 --> 01:10:49,360

unfortunately and what were the results

1865

01:10:53,110 --> 01:10:51,120

of some of those tests

1866

01:10:55,990 --> 01:10:53,120

well again the majority of them were

1867

01:10:58,390 --> 01:10:56,000

identified as different types of rodents

1868

01:11:00,870 --> 01:10:58,400

or other animals but that one sample

1869

01:11:02,390 --> 01:11:00,880

that always kind of interested me was

1870

01:11:03,830 --> 01:11:02,400

that when it came back i can't remember

1871

01:11:06,070 --> 01:11:03,840

exactly how it was written i wrote it up

1872

01:11:07,990 --> 01:11:06,080

in my book but it was

1873

01:11:10,229 --> 01:11:08,000

so close to human but they couldn't be

1874

01:11:12,470 --> 01:11:10,239

100 sure it was human hair and we always

1875

01:11:14,310 --> 01:11:12,480

thought that was the one hair sample we

1876

01:11:16,149 --> 01:11:14,320

thought was significant

1877

01:11:17,430 --> 01:11:16,159

wow that's amazing and can you tell us

1878

01:11:18,709 --> 01:11:17,440

about this other case that you were

1879

01:11:20,790 --> 01:11:18,719

talking about

1880

01:11:23,270 --> 01:11:20,800

yeah well this just happened again back

1881

01:11:25,430 --> 01:11:23,280

in that area of fayette county which has

1882

01:11:27,590 --> 01:11:25,440

a lot of history of bigfoot sightings

1883

01:11:29,270 --> 01:11:27,600

for years and years and year after year

1884

01:11:31,830 --> 01:11:29,280

we're getting reports there as well as

1885

01:11:33,750 --> 01:11:31,840

other areas of pennsylvania but this

1886

01:11:35,270 --> 01:11:33,760

report just happened on may 10th so it's

1887

01:11:37,590 --> 01:11:35,280

just very recent

1888

01:11:39,750 --> 01:11:37,600

it initially was reported to one of my

1889

01:11:41,189 --> 01:11:39,760

research associates jim brown who lives

1890

01:11:42,070 --> 01:11:41,199

in fayette county

1891

01:11:43,590 --> 01:11:42,080

and

1892

01:11:45,430 --> 01:11:43,600

he wrote the report up on it you can go

1893

01:11:47,189 --> 01:11:45,440

to my website stan gordon dot inside

1894

01:11:48,229 --> 01:11:47,199

read the whole report

1895

01:11:49,830 --> 01:11:48,239

but

1896

01:11:52,790 --> 01:11:49,840

this was around 11 o'clock in the

1897

01:11:54,550 --> 01:11:52,800

evening this was in the area

1898

01:11:57,189 --> 01:11:54,560

of fayette county

1899

01:11:59,350 --> 01:11:57,199

and uh this was on a one of those rural

1900

01:12:00,709 --> 01:11:59,360

roads called mud pike

1901

01:12:03,030 --> 01:12:00,719

and um

1902

01:12:04,950 --> 01:12:03,040

this occurred

1903

01:12:07,669 --> 01:12:04,960

like i said around 11 o'clock on may the

1904

01:12:09,189 --> 01:12:07,679

10th it was a very very heavy rain at

1905

01:12:10,950 --> 01:12:09,199

the time

1906

01:12:13,669 --> 01:12:10,960

and

1907

01:12:15,189 --> 01:12:13,679

fellas were riding down the road

1908

01:12:16,950 --> 01:12:15,199

and

1909

01:12:18,630 --> 01:12:16,960

they saw at first what appeared to be a

1910

01:12:20,950 --> 01:12:18,640

large herring animal cross the road

1911

01:12:22,390 --> 01:12:20,960

walking upright did not see it very

1912

01:12:25,030 --> 01:12:22,400

clearly he could not rule out a bear

1913

01:12:27,110 --> 01:12:25,040

walking on hind legs but it did get the

1914

01:12:28,870 --> 01:12:27,120

attention of the people in the car and

1915

01:12:30,870 --> 01:12:28,880

they slowed down

1916

01:12:32,630 --> 01:12:30,880

um to a crawl as they passed air where

1917

01:12:34,149 --> 01:12:32,640

they saw it using a flashlight the

1918

01:12:35,910 --> 01:12:34,159

witness are trying to catch a glimpse of

1919

01:12:38,229 --> 01:12:35,920

it in the woods below but they did not

1920

01:12:40,550 --> 01:12:38,239

see it again but suddenly

1921

01:12:42,390 --> 01:12:40,560

a second creature came from the bank on

1922

01:12:44,550 --> 01:12:42,400

the left into the path of their car

1923

01:12:46,550 --> 01:12:44,560

about 20 feet ahead of them

1924

01:12:47,990 --> 01:12:46,560

the driver immediately slammed on his

1925

01:12:50,070 --> 01:12:48,000

brakes and stopped with the creature

1926

01:12:52,390 --> 01:12:50,080

clearly visible in the headlights 10 to

1927

01:12:54,310 --> 01:12:52,400

15 feet in front of the car

1928

01:12:56,870 --> 01:12:54,320

neither witness had a camera so no

1929

01:12:58,550 --> 01:12:56,880

photos were obtained unfortunately i and

1930

01:13:00,390 --> 01:12:58,560

jim asked them describe the creature

1931

01:13:02,550 --> 01:13:00,400

they said it was about seven feet high

1932

01:13:05,350 --> 01:13:02,560

standing upright on two legs with arms

1933

01:13:08,470 --> 01:13:05,360

well below the hips and stared directly

1934

01:13:10,550 --> 01:13:08,480

at the car the eyes glowed bright red it

1935

01:13:12,950 --> 01:13:10,560

was covered head to toe with long black

1936

01:13:14,950 --> 01:13:12,960

or very dark hair the hair was so long

1937

01:13:16,470 --> 01:13:14,960

that no facial features can be seen

1938

01:13:18,310 --> 01:13:16,480

besides the eyes

1939

01:13:20,229 --> 01:13:18,320

the body was covered to the point that

1940

01:13:22,470 --> 01:13:20,239

no uh sexual features could be

1941

01:13:24,870 --> 01:13:22,480

determined also another were the palms

1942

01:13:27,430 --> 01:13:24,880

of the tent which were arrows in black

1943

01:13:29,750 --> 01:13:27,440

no claws were observed the feet were not

1944

01:13:31,270 --> 01:13:29,760

seen at an angle of view

1945

01:13:33,270 --> 01:13:31,280

since the hood of the car blocked the

1946

01:13:35,990 --> 01:13:33,280

ability to see the ground at that close

1947

01:13:38,229 --> 01:13:36,000

of a distance they detected no odors or

1948

01:13:39,830 --> 01:13:38,239

sounds however the choir windows were up

1949

01:13:41,110 --> 01:13:39,840

and the rain was beating down hard on

1950

01:13:42,870 --> 01:13:41,120

the vehicle

1951

01:13:44,790 --> 01:13:42,880

the dry red stopped this car and the

1952

01:13:47,669 --> 01:13:44,800

creature froze watching them for a few

1953

01:13:50,229 --> 01:13:47,679

seconds at that point the driver put the

1954

01:13:52,630 --> 01:13:50,239

car in reverse and slowly started back

1955

01:13:54,870 --> 01:13:52,640

up the creature took a couple of steps

1956

01:13:57,030 --> 01:13:54,880

toward the car keep it about the same

1957

01:13:59,750 --> 01:13:57,040

distance away as before

1958

01:14:02,870 --> 01:13:59,760

the driver again stopped the car and the

1959

01:14:05,669 --> 01:14:02,880

creature did likewise a short time later

1960

01:14:08,310 --> 01:14:05,679

the driver put the car in a low in low

1961

01:14:10,630 --> 01:14:08,320

and began creeping toward the creature

1962

01:14:12,709 --> 01:14:10,640

the creature stood still and did not

1963

01:14:14,709 --> 01:14:12,719

move from the spot where it stopped

1964

01:14:17,750 --> 01:14:14,719

it did put its arms forward as if to

1965

01:14:20,070 --> 01:14:17,760

protect itself the car continued to move

1966

01:14:22,149 --> 01:14:20,080

forward very slow to the point where

1967

01:14:24,709 --> 01:14:22,159

both people in the car could feel the

1968

01:14:26,950 --> 01:14:24,719

car make contact with the creature it

1969

01:14:28,870 --> 01:14:26,960

put its arm out and placed his hand on

1970

01:14:31,350 --> 01:14:28,880

the front of the car

1971

01:14:33,189 --> 01:14:31,360

when the bumper was against

1972

01:14:35,830 --> 01:14:33,199

its

1973

01:14:37,910 --> 01:14:35,840

legs the driver stopped again and did

1974

01:14:39,430 --> 01:14:37,920

not try to force his way through the

1975

01:14:42,070 --> 01:14:39,440

driver said he was ready to shift to

1976

01:14:44,070 --> 01:14:42,080

reverse again and get the heck out of

1977

01:14:46,149 --> 01:14:44,080

there and it was at the point that the

1978

01:14:47,669 --> 01:14:46,159

creature moved his hands from the car

1979

01:14:49,750 --> 01:14:47,679

took about one step forward and

1980

01:14:51,830 --> 01:14:49,760

proceeded to walk into the woods below

1981

01:14:54,310 --> 01:14:51,840

the road that was the last time it was

1982

01:14:57,430 --> 01:14:54,320

seen the witnesses went home and he was

1983

01:14:59,189 --> 01:14:57,440

contacted next day through his website

1984

01:15:01,189 --> 01:14:59,199

very very interesting report he went and

1985

01:15:03,350 --> 01:15:01,199

interviewed these guys both separately

1986

01:15:05,750 --> 01:15:03,360

they both gave a very similar detailed

1987

01:15:08,310 --> 01:15:05,760

account and i can tell you jim brown is

1988

01:15:10,950 --> 01:15:08,320

a very good researcher he's open-minded

1989

01:15:13,110 --> 01:15:10,960

but very skeptical but he thought that

1990

01:15:15,110 --> 01:15:13,120

these guys were very credible

1991

01:15:17,350 --> 01:15:15,120

and he found no indication they want any

1992

01:15:21,910 --> 01:15:17,360

publicity whatsoever so the interesting

1993

01:15:29,750 --> 01:15:26,709

the local group um went up there and um

1994

01:15:31,669 --> 01:15:29,760

i'm trying to think of the name it's um

1995

01:15:32,790 --> 01:15:31,679

i'll think about here in a second

1996

01:15:34,630 --> 01:15:32,800

but

1997

01:15:36,310 --> 01:15:34,640

it was a loca one of the local new

1998

01:15:38,709 --> 01:15:36,320

bigfoot groups

1999

01:15:40,470 --> 01:15:38,719

went up to the area

2000

01:15:42,870 --> 01:15:40,480

and um

2001
01:15:44,310 --> 01:15:42,880
anyhow they they staked out the area

2002
01:15:46,070 --> 01:15:44,320
they had been up in that area before

2003
01:15:47,750 --> 01:15:46,080
because there had been a history

2004
01:15:49,750 --> 01:15:47,760
for years

2005
01:15:51,350 --> 01:15:49,760
of um

2006
01:15:52,550 --> 01:15:51,360
a bigfoot encounters in that general

2007
01:15:54,149 --> 01:15:52,560
area

2008
01:16:02,630 --> 01:15:54,159
and

2009
01:16:04,070 --> 01:16:02,640
there's an update report on that

2010
01:16:05,990 --> 01:16:04,080
and i'm trying to find it but anyhow

2011
01:16:07,990 --> 01:16:06,000
they're sticking out the area and i

2012
01:16:09,430 --> 01:16:08,000
believe they heard some odd sounds i

2013
01:16:10,870 --> 01:16:09,440

don't have the whole report here right

2014

01:16:11,990 --> 01:16:10,880

in front of me yet

2015

01:16:17,830 --> 01:16:12,000

um

2016

01:16:20,310 --> 01:16:17,840

saw some several of the witnesses saw

2017

01:16:21,990 --> 01:16:20,320

some very strange lights in the trees a

2018

01:16:23,990 --> 01:16:22,000

low to the ground

2019

01:16:25,350 --> 01:16:24,000

so here we go again

2020

01:16:27,669 --> 01:16:25,360

with um

2021

01:16:29,669 --> 01:16:27,679

the fact that

2022

01:16:32,790 --> 01:16:29,679

you have bigfoot activity and you have

2023

01:16:34,550 --> 01:16:32,800

bigfoot researchers going out

2024

01:16:38,310 --> 01:16:34,560

to that area

2025

01:16:39,750 --> 01:16:38,320

and um that's what it is anyhow um

2026

01:16:42,229 --> 01:16:39,760

the name of the new group is called the

2027

01:16:44,470 --> 01:16:42,239

pennsylvania crypto society

2028

01:16:46,070 --> 01:16:44,480

and um so they were out there and they

2029

01:16:48,630 --> 01:16:46,080

and they've written up some reports on

2030

01:16:51,430 --> 01:16:48,640

it now and several of them saw some very

2031

01:16:52,709 --> 01:16:51,440

unusual lights and again very similar to

2032

01:16:55,590 --> 01:16:52,719

what we've been hearing from recent

2033

01:16:57,350 --> 01:16:55,600

years of other bigfoot researchers uh

2034

01:16:59,990 --> 01:16:57,360

investigating a bigfoot and seeing

2035

01:17:02,070 --> 01:17:00,000

strange lights instead

2036

01:17:04,390 --> 01:17:02,080

yeah so again we have this ufo

2037

01:17:06,870 --> 01:17:04,400

connection with the bigfoot and you've

2038

01:17:10,390 --> 01:17:06,880

seen that how many times a lot of times

2039

01:17:11,990 --> 01:17:10,400

or is it rare or is it very common

2040

01:17:13,430 --> 01:17:12,000

uh can you irritate the question i

2041

01:17:15,430 --> 01:17:13,440

missed i'm sorry

2042

01:17:18,790 --> 01:17:15,440

what i wanted to say is that here again

2043

01:17:20,950 --> 01:17:18,800

we have the ufo connection to a bigfoot

2044

01:17:23,110 --> 01:17:20,960

sighting and do you see that a lot is

2045

01:17:24,630 --> 01:17:23,120

that very rare or is it very common in

2046

01:17:27,110 --> 01:17:24,640

your experience

2047

01:17:29,990 --> 01:17:27,120

well historically again

2048

01:17:31,590 --> 01:17:30,000

very few cases in general most bigfoot

2049

01:17:33,510 --> 01:17:31,600

settings have nothing to do with strange

2050

01:17:35,510 --> 01:17:33,520

lights or objects and most ufo sightings

2051
01:17:37,510 --> 01:17:35,520
have nothing to do with bigfoot however

2052
01:17:39,430 --> 01:17:37,520
there is a percentage reports like that

2053
01:17:40,790 --> 01:17:39,440
over the years there have been reports

2054
01:17:43,030 --> 01:17:40,800
throughout the country and many other

2055
01:17:45,030 --> 01:17:43,040
countries as well going back to at least

2056
01:17:47,030 --> 01:17:45,040
early 1970s so it's something that's

2057
01:17:49,270 --> 01:17:47,040
been going on but again as i mentioned

2058
01:17:51,350 --> 01:17:49,280
earlier what i found out is the fact

2059
01:17:53,430 --> 01:17:51,360
that there may be a lot more cases like

2060
01:17:54,870 --> 01:17:53,440
this but many researchers are electing

2061
01:17:57,189 --> 01:17:54,880
to publish it because they're afraid of

2062
01:17:59,510 --> 01:17:57,199
being ridiculed by their peers my

2063
01:18:01,430 --> 01:17:59,520

position is as an investigator i don't

2064

01:18:03,030 --> 01:18:01,440

have the answers this is where the

2065

01:18:04,630 --> 01:18:03,040

information is turning up and i'm

2066

01:18:07,110 --> 01:18:04,640

putting it out there for other people to

2067

01:18:08,470 --> 01:18:07,120

look at to learn from and to share and

2068

01:18:11,669 --> 01:18:08,480

hopefully if they have information

2069

01:18:13,750 --> 01:18:11,679

they'll let us know about it as well

2070

01:18:15,189 --> 01:18:13,760

laurel you know what i wanted to ask you

2071

01:18:17,669 --> 01:18:15,199

about because it was a case that i

2072

01:18:20,310 --> 01:18:17,679

followed really uh closely is this rick

2073

01:18:22,390 --> 01:18:20,320

dyer bigfoot body hoax this is the

2074

01:18:24,830 --> 01:18:22,400

second time this guy is claimed to have

2075

01:18:27,669 --> 01:18:24,840

a bigfoot body did you follow that at

2076

01:18:28,870 --> 01:18:27,679

all you know i i just basically read

2077

01:18:30,950 --> 01:18:28,880

what i'm reading the internet and what

2078

01:18:32,630 --> 01:18:30,960

i'm hearing i'm i'm so busy dealing with

2079

01:18:34,950 --> 01:18:32,640

just case in pennsylvania that's what i

2080

01:18:36,630 --> 01:18:34,960

generally focus on i like to deal with

2081

01:18:38,470 --> 01:18:36,640

things i have a firsthand knowledge of

2082

01:18:40,550 --> 01:18:38,480

and not second guess

2083

01:18:42,390 --> 01:18:40,560

sure sure well it's unfortunate though

2084

01:18:44,229 --> 01:18:42,400

for everybody that is seriously looking

2085

01:18:45,910 --> 01:18:44,239

into bigfoot that this guy keeps making

2086

01:18:48,870 --> 01:18:45,920

up these hoaxes because then people

2087

01:18:50,709 --> 01:18:48,880

think it's all fake and then you know uh

2088

01:18:53,350 --> 01:18:50,719

he tried to make a circus out of it like

2089

01:18:56,390 --> 01:18:53,360

a carnival attraction and it was it was

2090

01:19:00,790 --> 01:18:56,400

really just a you know uh

2091

01:19:04,630 --> 01:19:02,630

oh yeah and you know you hear the

2092

01:19:06,470 --> 01:19:04,640

stories over the years of things like

2093

01:19:08,950 --> 01:19:06,480

that i mean we've heard stories over the

2094

01:19:10,310 --> 01:19:08,960

years of you know allegedly uh

2095

01:19:12,470 --> 01:19:10,320

people shooting creatures in

2096

01:19:14,229 --> 01:19:12,480

pennsylvania and having bodies hidden

2097

01:19:15,510 --> 01:19:14,239

and you know we fought on

2098

01:19:17,030 --> 01:19:15,520

fought up with some of those over the

2099

01:19:19,350 --> 01:19:17,040

years and we've never been able to come

2100

01:19:21,510 --> 01:19:19,360

up with any any case that really had any

2101

01:19:23,030 --> 01:19:21,520

substance to it that i can think of

2102

01:19:25,189 --> 01:19:23,040

yeah that's unfortunate because

2103

01:19:27,030 --> 01:19:25,199

obviously if there was a body found that

2104

01:19:28,550 --> 01:19:27,040

would be conclusive proof that people

2105

01:19:30,950 --> 01:19:28,560

could study and

2106

01:19:32,630 --> 01:19:30,960

you know we would finally know the truth

2107

01:19:34,709 --> 01:19:32,640

right

2108

01:19:36,870 --> 01:19:34,719

well yeah if we had the body to study

2109

01:19:39,430 --> 01:19:36,880

that would definitely uh unlock much of

2110

01:19:41,590 --> 01:19:39,440

the mystery but uh i'm not so sure

2111

01:19:43,910 --> 01:19:41,600

that's going to happen anytime soon

2112

01:19:46,030 --> 01:19:43,920

and have you heard the the theory that

2113

01:19:47,590 --> 01:19:46,040

bigfoot could possibly be

2114

01:19:50,870 --> 01:19:47,600

gigantopithecus

2115

01:19:52,709 --> 01:19:50,880

like an existing surviving members of

2116

01:19:54,229 --> 01:19:52,719

that species

2117

01:19:56,310 --> 01:19:54,239

oh sure i mean that's been one of the

2118

01:19:58,390 --> 01:19:56,320

longest and oldest theories out there

2119

01:20:00,149 --> 01:19:58,400

and i was subscribing to a lot of that

2120

01:20:02,550 --> 01:20:00,159

back for many many years and i thought

2121

01:20:04,390 --> 01:20:02,560

that that could well be a possibility

2122

01:20:06,790 --> 01:20:04,400

but then when i when i deal with these

2123

01:20:09,189 --> 01:20:06,800

cases firsthand i interview the people

2124

01:20:11,830 --> 01:20:09,199

in all these cases of 70s and

2125

01:20:14,310 --> 01:20:11,840

cases since then which suggested there's

2126
01:20:16,390 --> 01:20:14,320
more to this we understand and some of

2127
01:20:18,790 --> 01:20:16,400
it is very strange and unusual and i can

2128
01:20:20,550 --> 01:20:18,800
tell you many bigfoot researchers around

2129
01:20:22,950 --> 01:20:20,560
the country in the last few years have

2130
01:20:24,229 --> 01:20:22,960
contacted me who are aware of stillmore

2131
01:20:25,830 --> 01:20:24,239
case in fact

2132
01:20:27,669 --> 01:20:25,840
a number of years ago i was asked to

2133
01:20:29,270 --> 01:20:27,679
give a lecture out of mcminnville oregon

2134
01:20:31,510 --> 01:20:29,280
and one at the big ufo festival out

2135
01:20:32,950 --> 01:20:31,520
there and i talked about the subject you

2136
01:20:34,790 --> 01:20:32,960
wrote those in bigfoot because i was

2137
01:20:35,510 --> 01:20:34,800
right in the middle of bigfoot country

2138
01:20:41,910 --> 01:20:35,520

and

2139

01:20:43,510 --> 01:20:41,920

probably gonna get some negativity you

2140

01:20:45,669 --> 01:20:43,520

know with my presentation and i was

2141

01:20:48,629 --> 01:20:45,679

extremely surprised because the response

2142

01:20:50,390 --> 01:20:48,639

was very very positive a lot of key

2143

01:20:52,229 --> 01:20:50,400

bigfoot researchers were there heard my

2144

01:20:54,070 --> 01:20:52,239

lecture and some talked to me then

2145

01:20:56,070 --> 01:20:54,080

others contacted me later and they said

2146

01:20:58,070 --> 01:20:56,080

they were so glad that i brought this

2147

01:21:00,149 --> 01:20:58,080

out because the same thing had been

2148

01:21:01,990 --> 01:21:00,159

happening for years in their area they

2149

01:21:04,070 --> 01:21:02,000

heard the same reports of disappearing

2150

01:21:05,990 --> 01:21:04,080

footprints people shooting these things

2151
01:21:08,310 --> 01:21:06,000
and the creatures disappeared but they

2152
01:21:09,669 --> 01:21:08,320
were so reluctant to talk about it

2153
01:21:11,910 --> 01:21:09,679
uh because they're afraid of being

2154
01:21:15,270 --> 01:21:11,920
ridiculed so i think there may be a lot

2155
01:21:17,350 --> 01:21:15,280
more out there than we're aware of and

2156
01:21:19,590 --> 01:21:17,360
hopefully we'll hear more about it

2157
01:21:22,229 --> 01:21:19,600
wow and you know i guess one of the

2158
01:21:23,910 --> 01:21:22,239
other things i wanted to ask you is that

2159
01:21:26,149 --> 01:21:23,920
you're right i think like a lot more

2160
01:21:27,990 --> 01:21:26,159
researchers are coming out and saying

2161
01:21:30,629 --> 01:21:28,000
that there could be the possibility that

2162
01:21:33,910 --> 01:21:30,639
it is an actual unknown creature out

2163
01:21:35,350 --> 01:21:33,920

there an unknown hominid species

2164

01:21:37,100 --> 01:21:35,360

have you heard

2165

01:21:38,790 --> 01:21:37,110

some of the theories about that

2166

01:21:40,550 --> 01:21:38,800

[Music]

2167

01:21:42,550 --> 01:21:40,560

well i i think i'm pretty much hearing

2168

01:21:44,950 --> 01:21:42,560

the same species you know around the

2169

01:21:47,030 --> 01:21:44,960

same series for years and years but what

2170

01:21:50,470 --> 01:21:47,040

i am seeing in more here is the fact

2171

01:21:53,270 --> 01:21:50,480

that more some of the really hardcore

2172

01:21:54,950 --> 01:21:53,280

um bigfoot researchers who are always

2173

01:21:57,110 --> 01:21:54,960

very much convinced that it was unknown

2174

01:21:58,310 --> 01:21:57,120

species are beginning to question that

2175

01:22:00,470 --> 01:21:58,320

more and more

2176

01:22:02,149 --> 01:22:00,480

just like i have for years and asking

2177

01:22:03,750 --> 01:22:02,159

why there's no bodies and they're

2178

01:22:05,350 --> 01:22:03,760

beginning to wonder could there be

2179

01:22:06,629 --> 01:22:05,360

something else involved could there be

2180

01:22:09,110 --> 01:22:06,639

something for a better term

2181

01:22:10,390 --> 01:22:09,120

interdimensional for example

2182

01:22:12,070 --> 01:22:10,400

wow and

2183

01:22:14,070 --> 01:22:12,080

uh the other thing i wanted to ask you

2184

01:22:16,790 --> 01:22:14,080

about because i'm a huge fan of the

2185

01:22:19,030 --> 01:22:16,800

patterson gimlin film do you believe

2186

01:22:21,110 --> 01:22:19,040

that that's real and genuine footage or

2187

01:22:23,189 --> 01:22:21,120

do you believe that's a hoax

2188

01:22:25,189 --> 01:22:23,199

well you know i can only go by what i've

2189

01:22:27,910 --> 01:22:25,199

read for all these years and and i would

2190

01:22:28,950 --> 01:22:27,920

say that of all the bigfoot films that

2191

01:22:32,310 --> 01:22:28,960

i've seen

2192

01:22:34,950 --> 01:22:32,320

publicly and non-publicly i'd still say

2193

01:22:37,110 --> 01:22:34,960

i would say that that's probably the one

2194

01:22:39,270 --> 01:22:37,120

that is most consistent to me that

2195

01:22:40,870 --> 01:22:39,280

likely is probably real

2196

01:22:43,030 --> 01:22:40,880

the thing that always did it for me was

2197

01:22:44,470 --> 01:22:43,040

the breasts like i just don't i don't

2198

01:22:45,910 --> 01:22:44,480

understand if you were going to hoax

2199

01:22:49,030 --> 01:22:45,920

something that you would take the time

2200

01:22:50,629 --> 01:22:49,040

to create breasts on a creature

2201

01:22:52,470 --> 01:22:50,639

it doesn't matter yeah well again yeah

2202

01:22:54,950 --> 01:22:52,480

at that time period again you know the

2203

01:22:57,189 --> 01:22:54,960

the technology and what you would have

2204

01:22:58,709 --> 01:22:57,199

to have done and of course years later

2205

01:23:01,030 --> 01:22:58,719

now the technology is so much better

2206

01:23:02,950 --> 01:23:01,040

there's a lot more analysis can be done

2207

01:23:04,550 --> 01:23:02,960

so i think there's still a lot of

2208

01:23:07,350 --> 01:23:04,560

interest in that film

2209

01:23:09,590 --> 01:23:07,360

and i think that once again i keep open

2210

01:23:11,110 --> 01:23:09,600

mind all possibilities but i tend to

2211

01:23:13,430 --> 01:23:11,120

believe it's real

2212

01:23:16,070 --> 01:23:13,440

yeah i i i started believing it was real

2213

01:23:17,590 --> 01:23:16,080

when i saw the the recent analysis done

2214

01:23:20,790 --> 01:23:17,600

that it couldn't have been a guy in a

2215

01:23:22,550 --> 01:23:20,800

suit based on the gate and the walk and

2216

01:23:24,229 --> 01:23:22,560

the swinging of the arms and all these

2217

01:23:26,390 --> 01:23:24,239

different things like they and people

2218

01:23:28,149 --> 01:23:26,400

have tried to hoax it people and it just

2219

01:23:30,229 --> 01:23:28,159

looks stupid it looks like a guy in a

2220

01:23:32,149 --> 01:23:30,239

gorilla suit doesn't look anything like

2221

01:23:34,390 --> 01:23:32,159

the creature in the in the actual

2222

01:23:36,229 --> 01:23:34,400

patterson-gimlin film

2223

01:23:37,830 --> 01:23:36,239

oh yeah well that it's very interesting

2224

01:23:39,030 --> 01:23:37,840

but you know i got to go back to the

2225

01:23:41,270 --> 01:23:39,040

sightings just like the one we talked

2226

01:23:43,350 --> 01:23:41,280

about from two weeks ago and many many

2227

01:23:44,470 --> 01:23:43,360

of the cases that i have you know so

2228

01:23:46,709 --> 01:23:44,480

many of the bigfoot sightings of

2229

01:23:49,189 --> 01:23:46,719

pennsylvania are daylight sightings and

2230

01:23:51,910 --> 01:23:49,199

many of them are extremely close range

2231

01:23:53,430 --> 01:23:51,920

i'm talking within five 10 15 feet of

2232

01:23:55,110 --> 01:23:53,440

witnesses and those were mainly case

2233

01:23:57,669 --> 01:23:55,120

where they walked out in front of

2234

01:23:59,910 --> 01:23:57,679

vehicles many in daylight walked out

2235

01:24:01,350 --> 01:23:59,920

close to people's rural homes mobile

2236

01:24:02,550 --> 01:24:01,360

homes and they got a really good look at

2237

01:24:04,070 --> 01:24:02,560

these things

2238

01:24:05,430 --> 01:24:04,080

so you know a lot of these people are

2239

01:24:07,350 --> 01:24:05,440

seeing these things i mean they're

2240

01:24:09,510 --> 01:24:07,360

they're hunters they're people who are

2241

01:24:11,910 --> 01:24:09,520

familiar with the rural with royal

2242

01:24:13,830 --> 01:24:11,920

animals with bear and they know they're

2243

01:24:15,270 --> 01:24:13,840

seeing something and the physical

2244

01:24:17,110 --> 01:24:15,280

appearance of what they're describing is

2245

01:24:19,430 --> 01:24:17,120

unlike anything that we're

2246

01:24:21,430 --> 01:24:19,440

that should be out there and so many of

2247

01:24:22,790 --> 01:24:21,440

these are very very detailed accounts

2248

01:24:25,189 --> 01:24:22,800

and they're coming from very credible

2249

01:24:26,709 --> 01:24:25,199

people who in so many cases are really

2250

01:24:28,550 --> 01:24:26,719

reluctant even to tell me about what

2251

01:24:30,709 --> 01:24:28,560

they saw i mean they have nothing to

2252

01:24:32,790 --> 01:24:30,719

gain they want no publicity many of them

2253

01:24:34,870 --> 01:24:32,800

are generally frightened and many of

2254

01:24:36,390 --> 01:24:34,880

these people had a life-changing

2255

01:24:38,229 --> 01:24:36,400

experience because so many of these

2256

01:24:40,070 --> 01:24:38,239

people did not believe these things

2257

01:24:42,149 --> 01:24:40,080

could exist until they had their own

2258

01:24:44,149 --> 01:24:42,159

encounter well like i said i don't want

2259

01:24:45,669 --> 01:24:44,159

to say i saw a bigfoot but i think i had

2260

01:24:47,430 --> 01:24:45,679

it could have been a near encounter i

2261

01:24:49,990 --> 01:24:47,440

don't know what it was that i saw it was

2262

01:24:51,830 --> 01:24:50,000

too far away but later when i started

2263

01:24:54,070 --> 01:24:51,840

doing research into this and i and i

2264

01:24:55,910 --> 01:24:54,080

heard similar stories of like rocks

2265

01:24:58,149 --> 01:24:55,920

being thrown and i don't mean like

2266

01:25:00,550 --> 01:24:58,159

pebbles like these were like you know

2267

01:25:03,110 --> 01:25:00,560

like bowling ball sized rocks yeah

2268

01:25:04,709 --> 01:25:03,120

thrown right into the right by the fire

2269

01:25:06,629 --> 01:25:04,719

and and i mean i'm in the middle of the

2270

01:25:08,550 --> 01:25:06,639

woods by myself

2271

01:25:10,550 --> 01:25:08,560

scared like you wouldn't believe like

2272

01:25:12,790 --> 01:25:10,560

what the hell just happened i thought

2273

01:25:14,629 --> 01:25:12,800

and then i thought well it's somebody

2274

01:25:16,870 --> 01:25:14,639

pranking me there's all kinds of people

2275

01:25:19,189 --> 01:25:16,880

on the appalachian trail then i heard

2276

01:25:21,189 --> 01:25:19,199

this knocking and then like i said i

2277

01:25:23,189 --> 01:25:21,199

just saw something run and jump in the

2278

01:25:24,470 --> 01:25:23,199

brush and it didn't look like an animal

2279

01:25:26,310 --> 01:25:24,480

i know

2280

01:25:28,149 --> 01:25:26,320

and i and i continue to hear these

2281

01:25:30,229 --> 01:25:28,159

stories of people telling me about these

2282

01:25:32,470 --> 01:25:30,239

huge rocks i mean some that are too

2283

01:25:35,510 --> 01:25:32,480

heavy for a normal human to be able to

2284

01:25:37,030 --> 01:25:35,520

even pick up or throw any distance and

2285

01:25:38,870 --> 01:25:37,040

even the last few years i'm hearing

2286

01:25:40,550 --> 01:25:38,880

accounts like this from from people in

2287

01:25:43,189 --> 01:25:40,560

the woods and in fact people out on

2288

01:25:45,350 --> 01:25:43,199

boats off the shore and something

2289

01:25:47,669 --> 01:25:45,360

throwing these huge almost like borders

2290

01:25:49,750 --> 01:25:47,679

at them in the water

2291

01:25:51,430 --> 01:25:49,760

i guess it didn't like you being there

2292

01:25:53,350 --> 01:25:51,440

maybe that's what i thought later if it

2293

01:25:55,189 --> 01:25:53,360

was something you know and maybe it just

2294

01:25:57,910 --> 01:25:55,199

didn't like me in its territory or it's

2295

01:25:59,910 --> 01:25:57,920

a territorial thing something

2296

01:26:04,629 --> 01:25:59,920

it could well be but uh

2297

01:26:08,390 --> 01:26:06,229

and you told me that there's been a

2298

01:26:10,470 --> 01:26:08,400

recent wave in pennsylvania can you tell

2299

01:26:12,870 --> 01:26:10,480

me about the recent wave of activity

2300

01:26:14,870 --> 01:26:12,880

that you've been uh looking into

2301

01:26:16,629 --> 01:26:14,880

well i wouldn't call it a way but it's

2302

01:26:18,149 --> 01:26:16,639

been steady i mean since the first of

2303

01:26:20,070 --> 01:26:18,159

the year

2304

01:26:21,430 --> 01:26:20,080

i'm aware of several bigfoot sightings

2305

01:26:24,229 --> 01:26:21,440

one of the first

2306

01:26:26,709 --> 01:26:24,239

accounts actually occurred january 1st

2307

01:26:28,070 --> 01:26:26,719

of the year and this was uh

2308

01:26:29,590 --> 01:26:28,080

you know right around the holidays this

2309

01:26:31,430 --> 01:26:29,600

was a fellow who was just passing

2310

01:26:32,870 --> 01:26:31,440

through the area to visit relatives for

2311

01:26:35,270 --> 01:26:32,880

the whole day didn't live around here

2312

01:26:37,430 --> 01:26:35,280

from out of state and he was traveling

2313

01:26:40,149 --> 01:26:37,440

through the area early one morning

2314

01:26:41,990 --> 01:26:40,159

um outside of pittsburgh between

2315

01:26:43,270 --> 01:26:42,000

alleghey and westmoreland county in a

2316

01:26:43,990 --> 01:26:43,280

rural area

2317

01:26:45,910 --> 01:26:44,000

and

2318

01:26:48,550 --> 01:26:45,920

the cars in front of him were all moving

2319

01:26:50,149 --> 01:26:48,560

very slow around this bend and they were

2320

01:26:51,750 --> 01:26:50,159

slowing down as their headlights was

2321

01:26:54,629 --> 01:26:51,760

hitting something and as he goes around

2322

01:26:56,709 --> 01:26:54,639

the bend his headlight hits this huge

2323

01:26:59,110 --> 01:26:56,719

hairy creature with the headlights hid

2324

01:27:01,350 --> 01:26:59,120

first with these two huge glowing red

2325

01:27:02,790 --> 01:27:01,360

eyes off the ground and he got a good

2326

01:27:04,790 --> 01:27:02,800

look at this thing he said for only

2327

01:27:06,629 --> 01:27:04,800

probably several seconds probably six

2328

01:27:08,310 --> 01:27:06,639

six and a half feet tall

2329

01:27:10,390 --> 01:27:08,320

uh gave a detailed description i was

2330

01:27:11,990 --> 01:27:10,400

covered with long hair the glowing eyes

2331

01:27:13,350 --> 01:27:12,000

the long arms

2332

01:27:14,870 --> 01:27:13,360

and

2333

01:27:16,950 --> 01:27:14,880

he was just amazing he couldn't believe

2334

01:27:18,390 --> 01:27:16,960

what he saw and he said other people had

2335

01:27:20,709 --> 01:27:18,400

to seen it because they were slowing

2336

01:27:24,310 --> 01:27:20,719

down the watching before him

2337

01:27:26,070 --> 01:27:24,320

wow that's another amazing encounter

2338

01:27:27,669 --> 01:27:26,080

yeah and and there have been other

2339

01:27:30,070 --> 01:27:27,679

bigfoot reports including the one

2340

01:27:32,390 --> 01:27:30,080

recently but there's been quite a lot of

2341

01:27:34,390 --> 01:27:32,400

ufo activity already this year

2342

01:27:35,990 --> 01:27:34,400

uh we've had some of those mystery booms

2343

01:27:38,149 --> 01:27:36,000

being reported in different parts of the

2344

01:27:40,550 --> 01:27:38,159

state where like a localized shaking of

2345

01:27:42,070 --> 01:27:40,560

shook homes and pictures off of walls

2346

01:27:43,430 --> 01:27:42,080

and homes things like that that's even

2347

01:27:47,189 --> 01:27:43,440

been covered on several local news

2348

01:27:50,070 --> 01:27:47,199

around here and uh strange formations in

2349

01:27:51,510 --> 01:27:50,080

the field uh just a lot of weird stuff

2350

01:27:53,990 --> 01:27:51,520

going on already for this time of the

2351

01:27:55,669 --> 01:27:54,000

year yeah i never i never knew before

2352

01:27:57,830 --> 01:27:55,679

talking to you so much that there was so

2353

01:27:59,830 --> 01:27:57,840

much strange stuff in my home state of

2354

01:28:02,070 --> 01:27:59,840

pennsylvania you know you don't think

2355

01:28:04,229 --> 01:28:02,080

there's that much weirdness in one state

2356

01:28:06,390 --> 01:28:04,239

but i guess there is there is

2357

01:28:07,990 --> 01:28:06,400

oh yeah and it's again it's historical i

2358

01:28:10,070 --> 01:28:08,000

mean it's been going on for years and

2359

01:28:12,790 --> 01:28:10,080

years now you got to remember my hotline

2360

01:28:14,310 --> 01:28:12,800

has been over since 1969. it was only

2361

01:28:16,229 --> 01:28:14,320

one of the only places in the country

2362

01:28:17,350 --> 01:28:16,239

where you could report an incident and

2363

01:28:19,669 --> 01:28:17,360

we would have people actually

2364

01:28:22,629 --> 01:28:19,679

investigate it so that hotline has been

2365

01:28:24,709 --> 01:28:22,639

opened and still active since 1969. so

2366

01:28:26,070 --> 01:28:24,719

that may be one reason why we do get

2367

01:28:28,790 --> 01:28:26,080

more reports of some parts of

2368

01:28:30,950 --> 01:28:28,800

pennsylvania but historically there was

2369

01:28:32,790 --> 01:28:30,960

reports going on long before that and

2370

01:28:34,709 --> 01:28:32,800

they continue to be reported to myself

2371

01:28:36,390 --> 01:28:34,719

and other researchers across the state

2372

01:28:38,229 --> 01:28:36,400

all the time

2373

01:28:39,990 --> 01:28:38,239

wow and the other question i really

2374

01:28:42,629 --> 01:28:40,000

wanted to talk to you about or ask you

2375

01:28:44,070 --> 01:28:42,639

about is this melba ketchum study she

2376

01:28:46,629 --> 01:28:44,080

claims that she's

2377

01:28:49,270 --> 01:28:46,639

that bigfoot is legendary sasquatch is a

2378

01:28:51,669 --> 01:28:49,280

human relative that arose 15 000 years

2379

01:28:54,709 --> 01:28:51,679

ago as a hybrid cross of modern homo

2380

01:28:56,470 --> 01:28:54,719

sapiens with an unknown primate species

2381

01:28:57,990 --> 01:28:56,480

what do you think of her and her study

2382

01:29:00,149 --> 01:28:58,000

and her claims

2383

01:29:02,390 --> 01:29:00,159

i you know be honest with you i'm aware

2384

01:29:04,709 --> 01:29:02,400

of it i read it i've never met the uh

2385

01:29:06,229 --> 01:29:04,719

the person i i think the studies are

2386

01:29:08,390 --> 01:29:06,239

very interesting

2387

01:29:10,470 --> 01:29:08,400

uh but i really am not going to comment

2388

01:29:12,470 --> 01:29:10,480

because i'm not a specialist on that i

2389

01:29:14,229 --> 01:29:12,480

haven't really studied in great detail

2390

01:29:16,229 --> 01:29:14,239

i'm too busy just working on cases

2391

01:29:18,149 --> 01:29:16,239

coming in here on a regular basis

2392

01:29:19,750 --> 01:29:18,159

yeah i kind of know how you feel i'm on

2393

01:29:22,229 --> 01:29:19,760

the fence with her she's in my gray

2394

01:29:24,550 --> 01:29:22,239

basket because it seems like it's not

2395

01:29:25,910 --> 01:29:24,560

really a pure published review and

2396

01:29:28,149 --> 01:29:25,920

there's no real

2397

01:29:30,070 --> 01:29:28,159

she's not providing enough evidence for

2398

01:29:32,709 --> 01:29:30,080

me you know she just is making these

2399

01:29:34,629 --> 01:29:32,719

claims like a lot of people in in

2400

01:29:36,790 --> 01:29:34,639

paranormal research they just kind of

2401
01:29:38,390 --> 01:29:36,800
make make up some kind of story and

2402
01:29:41,430 --> 01:29:38,400
we're supposed to believe it i want to

2403
01:29:42,870 --> 01:29:41,440
see the data and see the tests that she

2404
01:29:44,390 --> 01:29:42,880
has and

2405
01:29:46,709 --> 01:29:44,400
also i want to see some kind of

2406
01:29:49,030 --> 01:29:46,719
prominence for where all these samples

2407
01:29:51,750 --> 01:29:49,040
came from

2408
01:29:53,510 --> 01:29:51,760
well you know i still get these reports

2409
01:29:56,149 --> 01:29:53,520
in i'm still out there investigating as

2410
01:29:57,910 --> 01:29:56,159
often as i can there's many researchers

2411
01:29:58,790 --> 01:29:57,920
and many research groups in pennsylvania

2412
01:30:02,870 --> 01:29:58,800
now

2413
01:30:05,270 --> 01:30:02,880

lot better and and we hear more about

2414

01:30:06,950 --> 01:30:05,280

these reports pretty often hopefully you

2415

01:30:08,390 --> 01:30:06,960

know we still may get to one of those

2416

01:30:10,629 --> 01:30:08,400

cases where we get some really good

2417

01:30:12,149 --> 01:30:10,639

physical evidence and you never know

2418

01:30:13,910 --> 01:30:12,159

that next phone call might be the case

2419

01:30:15,590 --> 01:30:13,920

that's going to solve the mystery

2420

01:30:16,709 --> 01:30:15,600

that's probably what keeps you going

2421

01:30:18,550 --> 01:30:16,719

isn't it

2422

01:30:20,629 --> 01:30:18,560

oh yeah yeah you just never know my

2423

01:30:23,750 --> 01:30:20,639

phones ring here day and night i get

2424

01:30:24,950 --> 01:30:23,760

calls constantly on recent past reports

2425

01:30:26,390 --> 01:30:24,960

and you're always hopeful it's going to

2426

01:30:28,229 --> 01:30:26,400

be that next call that's going to help

2427

01:30:29,990 --> 01:30:28,239

solve one of these mysteries

2428

01:30:32,149 --> 01:30:30,000

yeah it's amazing that you have been

2429

01:30:34,629 --> 01:30:32,159

doing this for this long that's a you've

2430

01:30:36,709 --> 01:30:34,639

had an amazing career looking into this

2431

01:30:38,629 --> 01:30:36,719

stuff i wanted to ask you too because i

2432

01:30:41,270 --> 01:30:38,639

saw you do you have a background in like

2433

01:30:43,270 --> 01:30:41,280

electronics and things like that as well

2434

01:30:45,590 --> 01:30:43,280

yeah i've worked electronics all my life

2435

01:30:47,270 --> 01:30:45,600

oh okay because that explains like uh

2436

01:30:49,189 --> 01:30:47,280

for my listeners that don't know when

2437

01:30:50,390 --> 01:30:49,199

you see stan in an interview i don't

2438

01:30:52,149 --> 01:30:50,400

know if that's your home or your

2439

01:30:54,229 --> 01:30:52,159

workshop but it seems like you're

2440

01:30:56,629 --> 01:30:54,239

surrounded by all these electronics and

2441

01:30:58,790 --> 01:30:56,639

some of those interviews and radio

2442

01:31:00,709 --> 01:30:58,800

equipment yeah stuff like that

2443

01:31:02,950 --> 01:31:00,719

yeah i've had for years and years that

2444

01:31:04,070 --> 01:31:02,960

started back when i had my first group i

2445

01:31:05,669 --> 01:31:04,080

have a very

2446

01:31:06,950 --> 01:31:05,679

very elaborate radio communication

2447

01:31:09,430 --> 01:31:06,960

center in my home and i still have it

2448

01:31:10,229 --> 01:31:09,440

today it's a hobby but also was very

2449

01:31:12,310 --> 01:31:10,239

very

2450

01:31:14,470 --> 01:31:12,320

uh something i needed to do when i had

2451

01:31:17,030 --> 01:31:14,480

my groups active and it's still a

2452

01:31:19,430 --> 01:31:17,040

resource for me uh for what what i do

2453

01:31:21,590 --> 01:31:19,440

collecting data and whatever and uh so

2454

01:31:23,990 --> 01:31:21,600

i'm still very interested in electronics

2455

01:31:27,189 --> 01:31:24,000

communications and it kind of correlates

2456

01:31:28,790 --> 01:31:27,199

with the different research i'm doing

2457

01:31:31,350 --> 01:31:28,800

yeah i guess it would help to be able to

2458

01:31:33,430 --> 01:31:31,360

know how to use like geiger counters and

2459

01:31:35,270 --> 01:31:33,440

thermal imaging and that kind of stuff

2460

01:31:36,870 --> 01:31:35,280

you use a lot of high-tech stuff in your

2461

01:31:39,110 --> 01:31:36,880

in your work don't you

2462

01:31:41,510 --> 01:31:39,120

well you know back in the day back back

2463

01:31:43,590 --> 01:31:41,520

in the 70s when we had the groups i mean

2464

01:31:44,950 --> 01:31:43,600

we had some equipment but there was a

2465

01:31:46,470 --> 01:31:44,960

lot of equipment that wasn't available

2466

01:31:47,750 --> 01:31:46,480

back in those days and a lot of the guys

2467

01:31:49,430 --> 01:31:47,760

in the group the engineers and

2468

01:31:50,790 --> 01:31:49,440

scientists we built a lot of our own

2469

01:31:53,510 --> 01:31:50,800

high-tech equipment because you couldn't

2470

01:31:54,870 --> 01:31:53,520

buy it so we made some uh you know some

2471

01:31:56,390 --> 01:31:54,880

early

2472

01:31:59,430 --> 01:31:56,400

type of equipment that worked pretty

2473

01:32:01,430 --> 01:31:59,440

well but we had like we had at times we

2474

01:32:04,229 --> 01:32:01,440

had night vision we had radiation

2475

01:32:06,390 --> 01:32:04,239

detection equipment uh metal detectors

2476
01:32:08,550 --> 01:32:06,400
magnetic detectors and some of the stuff

2477
01:32:11,270 --> 01:32:08,560
we built because we couldn't buy it

2478
01:32:12,950 --> 01:32:11,280
wow that's amazing and did you did you

2479
01:32:14,390 --> 01:32:12,960
ever use the geiger counters and stuff

2480
01:32:15,990 --> 01:32:14,400
like that at the at the bigfoot

2481
01:32:18,470 --> 01:32:16,000
sightings because i know that a lot of

2482
01:32:19,990 --> 01:32:18,480
people have reported radiation with ufo

2483
01:32:22,470 --> 01:32:20,000
sightings but what about bigfoot has

2484
01:32:24,070 --> 01:32:22,480
there ever been radiation reported from

2485
01:32:26,709 --> 01:32:24,080
bigfoot sightings

2486
01:32:29,110 --> 01:32:26,719
i've i've had it out on some cases where

2487
01:32:31,510 --> 01:32:29,120
we had a bigfoot ufo sighting

2488
01:32:34,310 --> 01:32:31,520

um i've never come across be honest with

2489

01:32:35,669 --> 01:32:34,320

you i have never the thousands of ufo

2490

01:32:38,709 --> 01:32:35,679

cases i've been involved with over the

2491

01:32:40,470 --> 01:32:38,719

years and many many investigations uh

2492

01:32:42,390 --> 01:32:40,480

we're landing sites are reported and

2493

01:32:44,149 --> 01:32:42,400

other evidence on the ground i never

2494

01:32:45,830 --> 01:32:44,159

found anything other than normal

2495

01:32:48,149 --> 01:32:45,840

background radiation we never had

2496

01:32:49,590 --> 01:32:48,159

anything abnormal

2497

01:32:51,830 --> 01:32:49,600

okay okay

2498

01:32:53,669 --> 01:32:51,840

and so uh you said you've been working

2499

01:32:54,870 --> 01:32:53,679

on these recent cases is there other

2500

01:32:57,030 --> 01:32:54,880

things that you've been working on

2501

01:32:59,110 --> 01:32:57,040

besides bigfoot lately

2502

01:33:01,350 --> 01:32:59,120

well yeah as i mentioned there's been

2503

01:33:02,470 --> 01:33:01,360

there's a lot of continuous ufo reports

2504

01:33:03,350 --> 01:33:02,480

coming in

2505

01:33:05,030 --> 01:33:03,360

um

2506

01:33:06,629 --> 01:33:05,040

last year right towards the end of the

2507

01:33:08,629 --> 01:33:06,639

year was very active especially

2508

01:33:09,510 --> 01:33:08,639

september october with many reports of

2509

01:33:11,590 --> 01:33:09,520

large

2510

01:33:13,990 --> 01:33:11,600

triangular boomerang shape shaped

2511

01:33:15,750 --> 01:33:14,000

objects being seen one case was very

2512

01:33:17,590 --> 01:33:15,760

interesting it was a daylight sighting

2513

01:33:19,750 --> 01:33:17,600

up in the mountains uh

2514

01:33:21,669 --> 01:33:19,760

and this fella was left around i think

2515

01:33:23,430 --> 01:33:21,679

11 o'clock in the morning beautiful day

2516

01:33:25,510 --> 01:33:23,440

sitting by his window having coffee and

2517

01:33:27,669 --> 01:33:25,520

all of a sudden it got real dark like a

2518

01:33:29,910 --> 01:33:27,679

big dark cloud came over and he opened

2519

01:33:31,510 --> 01:33:29,920

the door and stepped outside and

2520

01:33:32,870 --> 01:33:31,520

hovering right above him he's right

2521

01:33:35,430 --> 01:33:32,880

underneath this thing about 500 feet

2522

01:33:37,110 --> 01:33:35,440

above him it's this huge solid black

2523

01:33:39,350 --> 01:33:37,120

triangular object

2524

01:33:41,910 --> 01:33:39,360

making no sound

2525

01:33:44,070 --> 01:33:41,920

his dog would refuse to go outside he

2526

01:33:46,550 --> 01:33:44,080

had a fully charged

2527

01:33:48,390 --> 01:33:46,560

phone with a camera mode in it he aimed

2528

01:33:51,350 --> 01:33:48,400

to take a picture and it completely

2529

01:33:53,110 --> 01:33:51,360

discharged instantly lost all its power

2530

01:33:55,110 --> 01:33:53,120

we've had other reports like that as

2531

01:33:57,270 --> 01:33:55,120

well in more recent years where people

2532

01:33:58,550 --> 01:33:57,280

tried to take pictures and the camera

2533

01:34:01,110 --> 01:33:58,560

would malfunction when they tried to

2534

01:34:03,110 --> 01:34:01,120

take a photograph of the object

2535

01:34:05,910 --> 01:34:03,120

wow i've i've been hearing a lot more

2536

01:34:07,430 --> 01:34:05,920

reports of these black triangles myself

2537

01:34:09,590 --> 01:34:07,440

do you

2538

01:34:11,750 --> 01:34:09,600

commonly people call are calling it a

2539

01:34:13,430 --> 01:34:11,760

tr-3b or something like that do you

2540

01:34:15,270 --> 01:34:13,440

think it's a government project or you

2541

01:34:16,629 --> 01:34:15,280

think it's interstellar or what do you

2542

01:34:18,390 --> 01:34:16,639

think those are

2543

01:34:20,229 --> 01:34:18,400

you know i've been getting reports on

2544

01:34:23,189 --> 01:34:20,239

these big triangles i'm going back to i

2545

01:34:25,590 --> 01:34:23,199

believe the east of 1970s they see them

2546

01:34:27,030 --> 01:34:25,600

for years and years you know in the last

2547

01:34:28,709 --> 01:34:27,040

20 or some years they're getting more

2548

01:34:29,590 --> 01:34:28,719

and more reports of these things being

2549

01:34:32,070 --> 01:34:29,600

seen

2550

01:34:34,310 --> 01:34:32,080

you know my feeling is that yes on

2551
01:34:36,790 --> 01:34:34,320
occasion there may be some type of a

2552
01:34:39,110 --> 01:34:36,800
black project some type of experimental

2553
01:34:40,709 --> 01:34:39,120
aircraft passing through pennsylvania

2554
01:34:42,790 --> 01:34:40,719
but you know they they have hundreds of

2555
01:34:44,470 --> 01:34:42,800
miles of restricted airspace in other

2556
01:34:47,350 --> 01:34:44,480
parts of the country where they can test

2557
01:34:49,590 --> 01:34:47,360
fly these objects there are way too many

2558
01:34:51,109 --> 01:34:49,600
sightings over populated areas you know

2559
01:34:52,870 --> 01:34:51,119
sightings over

2560
01:34:55,590 --> 01:34:52,880
major cities on the pennsylvania

2561
01:34:57,990 --> 01:34:55,600
turnpike hovering over people's yards

2562
01:35:00,709 --> 01:34:58,000
over over top of people at low level

2563
01:35:02,470 --> 01:35:00,719

there's no way in my mind that i can

2564

01:35:04,629 --> 01:35:02,480

conceive that the government is letting

2565

01:35:05,830 --> 01:35:04,639

these very large secrets of objects

2566

01:35:08,550 --> 01:35:05,840

being seen

2567

01:35:10,550 --> 01:35:08,560

on a regular basis and take a chance of

2568

01:35:12,390 --> 01:35:10,560

something like this being uh you know

2569

01:35:14,709 --> 01:35:12,400

falling to the ground or some accident

2570

01:35:16,390 --> 01:35:14,719

it just doesn't make any sense yeah i

2571

01:35:18,709 --> 01:35:16,400

tend to agree with you i think if they

2572

01:35:20,870 --> 01:35:18,719

were going to test an object or some

2573

01:35:23,189 --> 01:35:20,880

kind of exotic aircraft they wouldn't be

2574

01:35:25,510 --> 01:35:23,199

doing it over populated areas or major

2575

01:35:27,109 --> 01:35:25,520

cities but one thing that i come back to

2576

01:35:29,910 --> 01:35:27,119

time and time again is i talk to

2577

01:35:32,070 --> 01:35:29,920

somebody again this person's off the

2578

01:35:33,830 --> 01:35:32,080

record but he told me that

2579

01:35:36,629 --> 01:35:33,840

if the american people knew how many

2580

01:35:38,790 --> 01:35:36,639

drones were in the united states sky it

2581

01:35:40,149 --> 01:35:38,800

would make the snowden revelations look

2582

01:35:42,070 --> 01:35:40,159

timid

2583

01:35:44,070 --> 01:35:42,080

oh yeah that's a very possible i mean

2584

01:35:46,470 --> 01:35:44,080

i've i've been getting reports released

2585

01:35:48,470 --> 01:35:46,480

the last couple years of different types

2586

01:35:51,270 --> 01:35:48,480

of drones being reported as ufos around

2587

01:35:52,790 --> 01:35:51,280

the pittsburgh area so

2588

01:35:54,470 --> 01:35:52,800

i believe that uh there are there are

2589

01:35:56,310 --> 01:35:54,480

some trolls out there being flown around

2590

01:35:58,070 --> 01:35:56,320

by probably different uh at different

2591

01:35:59,189 --> 01:35:58,080

levels

2592

01:36:01,030 --> 01:35:59,199

yeah so i

2593

01:36:03,109 --> 01:36:01,040

you know some of the reports of the ufos

2594

01:36:05,030 --> 01:36:03,119

i think are government projects that

2595

01:36:06,070 --> 01:36:05,040

they don't want to acknowledge or these

2596

01:36:07,189 --> 01:36:06,080

drones

2597

01:36:10,229 --> 01:36:07,199

that they

2598

01:36:12,149 --> 01:36:10,239

and the other thing i always come back

2599

01:36:13,830 --> 01:36:12,159

to is the blackbird and the stealth

2600

01:36:16,870 --> 01:36:13,840

aircraft

2601
01:36:19,030 --> 01:36:16,880
that's 1970s technology that we got to

2602
01:36:21,030 --> 01:36:19,040
learn about 30 years later so it makes

2603
01:36:23,189 --> 01:36:21,040
me wonder what do they have right now

2604
01:36:25,510 --> 01:36:23,199
that we don't know about

2605
01:36:27,430 --> 01:36:25,520
oh yeah well you know you hear all kind

2606
01:36:29,430 --> 01:36:27,440
of stories out there and i have no doubt

2607
01:36:31,030 --> 01:36:29,440
over the years i'm sure in some

2608
01:36:32,310 --> 01:36:31,040
situations it could will have been a

2609
01:36:35,590 --> 01:36:32,320
government project some type of

2610
01:36:37,590 --> 01:36:35,600
experimental crap that people saw but if

2611
01:36:39,510 --> 01:36:37,600
you know if you go to the detail of some

2612
01:36:42,149 --> 01:36:39,520
of the ufo case i investigated which

2613
01:36:44,870 --> 01:36:42,159

have been very detailed daylight large

2614

01:36:46,870 --> 01:36:44,880

structured craft sometimes some type of

2615

01:36:49,590 --> 01:36:46,880

interaction with the environment

2616

01:36:51,669 --> 01:36:49,600

sometimes landings on the ground

2617

01:36:53,189 --> 01:36:51,679

and back you know in the 60s and 70s

2618

01:36:55,590 --> 01:36:53,199

you've got a lot of reports of landings

2619

01:36:57,270 --> 01:36:55,600

and and sometimes occupants or small

2620

01:36:59,669 --> 01:36:57,280

humanoid creatures being seen with some

2621

01:37:01,350 --> 01:36:59,679

of these crafts so some of them are very

2622

01:37:03,669 --> 01:37:01,360

interesting

2623

01:37:06,310 --> 01:37:03,679

yeah and i guess i would be remiss if i

2624

01:37:09,030 --> 01:37:06,320

didn't ask you about my favorite case of

2625

01:37:11,189 --> 01:37:09,040

ufos ever i know we did that whole show

2626

01:37:14,070 --> 01:37:11,199

on uh kecksburg

2627

01:37:16,310 --> 01:37:14,080

and my listeners uh i had so many emails

2628

01:37:18,390 --> 01:37:16,320

about that looking into it and wanting

2629

01:37:20,070 --> 01:37:18,400

more information so i sent them links to

2630

01:37:21,910 --> 01:37:20,080

some of your some of the stuff on

2631

01:37:24,629 --> 01:37:21,920

youtube but has there been any new

2632

01:37:25,750 --> 01:37:24,639

developments lately or any new evidence

2633

01:37:27,590 --> 01:37:25,760

in the case

2634

01:37:29,510 --> 01:37:27,600

well in the last you know last year was

2635

01:37:30,870 --> 01:37:29,520

the 50th anniversary

2636

01:37:33,109 --> 01:37:30,880

and

2637

01:37:35,030 --> 01:37:33,119

we i did get some very interesting new

2638

01:37:36,310 --> 01:37:35,040

leads on the case one was a military

2639

01:37:38,390 --> 01:37:36,320

source which

2640

01:37:40,629 --> 01:37:38,400

pretty much has indicated to me that

2641

01:37:43,109 --> 01:37:40,639

this was a legitimate source

2642

01:37:45,350 --> 01:37:43,119

um i know there was some other people

2643

01:37:46,870 --> 01:37:45,360

who after 50 years broke their silence

2644

01:37:49,510 --> 01:37:46,880

and gave me some very interesting

2645

01:37:51,750 --> 01:37:49,520

information which suggested which i've

2646

01:37:53,669 --> 01:37:51,760

heard for years that you know back at

2647

01:37:54,709 --> 01:37:53,679

the time in 65 when this happened now

2648

01:37:57,030 --> 01:37:54,719

you know you gotta remember there were

2649

01:37:58,709 --> 01:37:57,040

hundreds of people involved in this case

2650

01:38:00,229 --> 01:37:58,719

i mean we don't even know how many

2651
01:38:02,390 --> 01:38:00,239
witnesses i've interviewed hundreds of

2652
01:38:04,470 --> 01:38:02,400
people over the years but there were

2653
01:38:06,229 --> 01:38:04,480
many people came to the scene that that

2654
01:38:07,990 --> 01:38:06,239
day after hearing all the news uh

2655
01:38:09,990 --> 01:38:08,000
breaking about a ufo falling from the

2656
01:38:11,830 --> 01:38:10,000
sky their kecksburg pa and then the

2657
01:38:13,270 --> 01:38:11,840
military arriving on the scene the area

2658
01:38:13,990 --> 01:38:13,280
being cordoned off

2659
01:38:15,590 --> 01:38:14,000
so

2660
01:38:17,350 --> 01:38:15,600
there's no way the government could have

2661
01:38:19,189 --> 01:38:17,360
known at that time all the people who

2662
01:38:21,350 --> 01:38:19,199
were involved but it may well have been

2663
01:38:23,430 --> 01:38:21,360

for what we know that they didn't get

2664

01:38:25,109 --> 01:38:23,440

the certain individuals around the area

2665

01:38:27,270 --> 01:38:25,119

for whatever reason

2666

01:38:28,629 --> 01:38:27,280

and apparently you know some people

2667

01:38:29,830 --> 01:38:28,639

there may have been some threats to

2668

01:38:31,590 --> 01:38:29,840

people to keep their mouth shut and

2669

01:38:33,590 --> 01:38:31,600

that's what i've heard from some pretty

2670

01:38:35,750 --> 01:38:33,600

good sources now over the years but the

2671

01:38:37,030 --> 01:38:35,760

majority people think i've never gotten

2672

01:38:39,510 --> 01:38:37,040

to because they couldn't have known who

2673

01:38:41,030 --> 01:38:39,520

they were and a lot of these people even

2674

01:38:42,070 --> 01:38:41,040

today the majority of people i've

2675

01:38:44,470 --> 01:38:42,080

interviewed

2676
01:38:45,990 --> 01:38:44,480
have never gone public and then some

2677
01:38:47,830 --> 01:38:46,000
others have gone public and many

2678
01:38:49,030 --> 01:38:47,840
unfortunately are now deceased

2679
01:38:50,790 --> 01:38:49,040
but um

2680
01:38:53,270 --> 01:38:50,800
there is no doubt whatsoever that

2681
01:38:54,709 --> 01:38:53,280
something fell from the sky whatever it

2682
01:38:56,629 --> 01:38:54,719
was it was important enough for the

2683
01:38:59,350 --> 01:38:56,639
military to respond very quickly to the

2684
01:39:01,510 --> 01:38:59,360
scene they recovered the object it was

2685
01:39:03,830 --> 01:39:01,520
taken out in a large military flat that

2686
01:39:05,510 --> 01:39:03,840
tractor trailer with a tarp on it around

2687
01:39:07,669 --> 01:39:05,520
one o'clock in the morning the next

2688
01:39:10,470 --> 01:39:07,679

morning and we know it went to lockport

2689

01:39:12,629 --> 01:39:10,480

air force base near columbus ohio

2690

01:39:14,470 --> 01:39:12,639

and what i got from sources who were at

2691

01:39:17,510 --> 01:39:14,480

the base and now i have independent

2692

01:39:18,629 --> 01:39:17,520

sources um who all confirm this they're

2693

01:39:20,229 --> 01:39:18,639

different stories and none of these

2694

01:39:21,750 --> 01:39:20,239

people know each other as far as i know

2695

01:39:23,030 --> 01:39:21,760

and i'm pretty certain they never did

2696

01:39:25,510 --> 01:39:23,040

know each other

2697

01:39:28,390 --> 01:39:25,520

and um they all confirmed that they went

2698

01:39:30,310 --> 01:39:28,400

through a a gate not normally used at

2699

01:39:32,149 --> 01:39:30,320

the base during the early morning hours

2700

01:39:34,310 --> 01:39:32,159

they backed the flat that truck with the

2701

01:39:36,470 --> 01:39:34,320

object into a hangar they set up a

2702

01:39:38,950 --> 01:39:36,480

security perimeter they were given a

2703

01:39:41,590 --> 01:39:38,960

shoot to kill order do anybody approach

2704

01:39:43,109 --> 01:39:41,600

that hanger without the proper

2705

01:39:43,990 --> 01:39:43,119

security level

2706

01:39:45,510 --> 01:39:44,000

and

2707

01:39:46,870 --> 01:39:45,520

then it didn't stay in the base much

2708

01:39:48,790 --> 01:39:46,880

longer and continue on to wright

2709

01:39:51,910 --> 01:39:48,800

patterson air force base and then later

2710

01:39:53,270 --> 01:39:51,920

others who fought at the base contacted

2711

01:39:55,669 --> 01:39:53,280

me and told me exactly what building

2712

01:39:58,149 --> 01:39:55,679

they took it to and it was not anger 18

2713

01:40:00,709 --> 01:39:58,159

that you hear about a lot on television

2714

01:40:02,870 --> 01:40:00,719

wow and these new these news sources

2715

01:40:04,310 --> 01:40:02,880

like you mentioned one from military

2716

01:40:06,950 --> 01:40:04,320

sources there have been

2717

01:40:08,870 --> 01:40:06,960

new revelations or or new information

2718

01:40:10,470 --> 01:40:08,880

about what you know what it might have

2719

01:40:13,270 --> 01:40:10,480

been

2720

01:40:16,149 --> 01:40:13,280

i can't say new revelations but

2721

01:40:18,950 --> 01:40:16,159

gave me enough detail to confirm

2722

01:40:21,270 --> 01:40:18,960

that this person was directly involved

2723

01:40:22,550 --> 01:40:21,280

i was able to confirm what other people

2724

01:40:24,390 --> 01:40:22,560

had told me

2725

01:40:26,149 --> 01:40:24,400

and was able to give me some detailed

2726

01:40:28,870 --> 01:40:26,159

information what took place at the scene

2727

01:40:30,709 --> 01:40:28,880

which i already had known about but even

2728

01:40:32,310 --> 01:40:30,719

that person i told him some things later

2729

01:40:34,070 --> 01:40:32,320

after he talked to me that he didn't

2730

01:40:35,750 --> 01:40:34,080

know about and it confirmed a part of

2731

01:40:38,149 --> 01:40:35,760

his story so

2732

01:40:40,229 --> 01:40:38,159

i believe that it just adds more and

2733

01:40:43,830 --> 01:40:40,239

more information to the account

2734

01:40:45,830 --> 01:40:43,840

wow that's amazing and uh i i guess the

2735

01:40:47,750 --> 01:40:45,840

the other question that i would ask you

2736

01:40:48,470 --> 01:40:47,760

about is

2737

01:40:52,149 --> 01:40:48,480

where

2738

01:40:53,669 --> 01:40:52,159

case from here do you think it'll ever

2739

01:40:54,950 --> 01:40:53,679

be solved

2740

01:40:57,109 --> 01:40:54,960

well you know

2741

01:40:59,750 --> 01:40:57,119

you're i'm hopeful that you know

2742

01:41:02,229 --> 01:40:59,760

somebody out there is still living that

2743

01:41:04,470 --> 01:41:02,239

may have the evidence and close the case

2744

01:41:06,229 --> 01:41:04,480

i mean i have heard for years and years

2745

01:41:09,350 --> 01:41:06,239

and i've talked to people over the years

2746

01:41:10,870 --> 01:41:09,360

who told me that many years ago they saw

2747

01:41:12,550 --> 01:41:10,880

black and white photographs of the

2748

01:41:14,550 --> 01:41:12,560

object down in the woods that were taken

2749

01:41:15,910 --> 01:41:14,560

that day none of those pictures have

2750

01:41:18,790 --> 01:41:15,920

ever surfaced

2751

01:41:21,030 --> 01:41:18,800

rumors continue for years that some

2752

01:41:23,109 --> 01:41:21,040

families in this area have the pictures

2753

01:41:25,109 --> 01:41:23,119

but for whatever reason they've refused

2754

01:41:27,109 --> 01:41:25,119

to release them and we're just really

2755

01:41:29,270 --> 01:41:27,119

hopeful that you know maybe the next

2756

01:41:31,109 --> 01:41:29,280

generation of the family you know

2757

01:41:33,109 --> 01:41:31,119

knowing what's going on now will will

2758

01:41:34,629 --> 01:41:33,119

bring those pictures forward because

2759

01:41:35,669 --> 01:41:34,639

those pictures could help solve the

2760

01:41:37,270 --> 01:41:35,679

mystery

2761

01:41:39,109 --> 01:41:37,280

yeah that's pretty frustrating to me

2762

01:41:41,510 --> 01:41:39,119

that to know that sitting in somebody's

2763

01:41:43,510 --> 01:41:41,520

attic or junk drawer could be a roll of

2764

01:41:45,590 --> 01:41:43,520

film that could solve the whole mystery

2765

01:41:47,590 --> 01:41:45,600

because if we had pictures we could rule

2766

01:41:49,270 --> 01:41:47,600

out a lot of things i mean i don't know

2767

01:41:51,590 --> 01:41:49,280

if we could confirm it was alien

2768

01:41:54,550 --> 01:41:51,600

spacecraft from photos but we could say

2769

01:41:55,990 --> 01:41:54,560

it's not a satellite or something

2770

01:41:57,189 --> 01:41:56,000

that's right it would help to determine

2771

01:41:59,189 --> 01:41:57,199

if it was something man-made or

2772

01:42:02,310 --> 01:41:59,199

something extraterrestrial

2773

01:42:04,310 --> 01:42:02,320

wow and so

2774

01:42:05,990 --> 01:42:04,320

you keep looking into this into the

2775

01:42:07,430 --> 01:42:06,000

bigfoot cases

2776

01:42:09,109 --> 01:42:07,440

you said that you're leaning towards

2777

01:42:11,430 --> 01:42:09,119

it's something interdimensional you

2778

01:42:13,830 --> 01:42:11,440

don't believe that it's just a a

2779

01:42:17,189 --> 01:42:13,840

creature that's unknown out in the woods

2780

01:42:18,790 --> 01:42:17,199

an organic regular creature

2781

01:42:21,590 --> 01:42:18,800

well you know like i said i have to keep

2782

01:42:23,189 --> 01:42:21,600

an open mind all possibilities and

2783

01:42:25,270 --> 01:42:23,199

you know could there be more than one

2784

01:42:27,270 --> 01:42:25,280

species maybe maybe we're dealing more

2785

01:42:29,270 --> 01:42:27,280

than one thing but i've seen more and

2786

01:42:30,790 --> 01:42:29,280

more enough in different patterns and

2787

01:42:33,430 --> 01:42:30,800

different cases and even with other

2788

01:42:35,430 --> 01:42:33,440

cryptids now which suggests to me that

2789

01:42:37,350 --> 01:42:35,440

what we're dealing with has a physical

2790

01:42:38,310 --> 01:42:37,360

and a non-physical component to it which

2791

01:42:40,229 --> 01:42:38,320

is

2792

01:42:41,510 --> 01:42:40,239

yeah some of the cases i've talked about

2793

01:42:43,189 --> 01:42:41,520

and there's others i haven't told you

2794

01:42:45,270 --> 01:42:43,199

know we haven't talked about on the air

2795

01:42:46,950 --> 01:42:45,280

which again suggests that these some

2796

01:42:49,109 --> 01:42:46,960

cases these things appear to be other

2797

01:42:51,910 --> 01:42:49,119

than a normal flesh and blood animal

2798

01:42:53,910 --> 01:42:51,920

um i keep an open mind all possibilities

2799

01:42:55,350 --> 01:42:53,920

but i think we need to keep an open mind

2800

01:42:56,870 --> 01:42:55,360

and look into all the different aspects

2801

01:42:57,590 --> 01:42:56,880

of the phenomena

2802

01:43:01,590 --> 01:42:57,600

and

2803

01:43:03,430 --> 01:43:01,600

don't know if you've heard this but

2804

01:43:05,109 --> 01:43:03,440

what do you think of these theories that

2805

01:43:07,750 --> 01:43:05,119

there's some kind of interdimensional

2806

01:43:10,550 --> 01:43:07,760

gateway and what people are seeing is

2807

01:43:12,950 --> 01:43:10,560

sort of like a missing link or like a

2808

01:43:15,590 --> 01:43:12,960

you know some kind of a pre-human

2809

01:43:17,590 --> 01:43:15,600

creature from thousands of years ago

2810

01:43:19,830 --> 01:43:17,600

and i don't know like i've heard people

2811

01:43:22,709 --> 01:43:19,840

say that like you know worlds

2812

01:43:24,709 --> 01:43:22,719

are colliding or another time is being

2813

01:43:26,870 --> 01:43:24,719

viewed by these people when they see

2814

01:43:28,950 --> 01:43:26,880

these things

2815

01:43:31,030 --> 01:43:28,960

well again there are so many theories

2816

01:43:32,550 --> 01:43:31,040

out there and what some people have told

2817

01:43:34,229 --> 01:43:32,560

me is that especially up along the

2818

01:43:36,390 --> 01:43:34,239

chestnut ridge where so many settings

2819

01:43:38,790 --> 01:43:36,400

occur they swear they've seen something

2820

01:43:40,790 --> 01:43:38,800

like sometimes before text or some type

2821

01:43:43,109 --> 01:43:40,800

of like a doorway open

2822

01:43:44,709 --> 01:43:43,119

and you know the speculating that maybe

2823

01:43:47,750 --> 01:43:44,719

these things come in and out of that

2824

01:43:50,550 --> 01:43:47,760

opening one thing i discovered years ago

2825

01:43:53,109 --> 01:43:50,560

and i continue to see this is that many

2826

01:43:55,910 --> 01:43:53,119

low-level ufo encounters

2827

01:43:58,790 --> 01:43:55,920

many close-range bigfoot sightings many

2828

01:44:01,910 --> 01:43:58,800

other krypton crypt encounters occur in

2829

01:44:04,709 --> 01:44:01,920

the vicinity of high-energy sources so

2830

01:44:07,430 --> 01:44:04,719

they occur close by the power plants

2831

01:44:08,470 --> 01:44:07,440

high tension power lines gas wells gas

2832

01:44:09,590 --> 01:44:08,480

lines

2833

01:44:12,870 --> 01:44:09,600

uh

2834

01:44:15,669 --> 01:44:12,880

windmill farms now railroad tracks water

2835

01:44:17,990 --> 01:44:15,679

reservoirs in areas of energy i believe

2836

01:44:19,510 --> 01:44:18,000

for a long time there's a direct energy

2837

01:44:21,270 --> 01:44:19,520

connection related to a lot of these

2838

01:44:23,430 --> 01:44:21,280

phenomena

2839

01:44:25,430 --> 01:44:23,440

yeah that could be uh that could be

2840

01:44:27,910 --> 01:44:25,440

that's interesting to find that kind of

2841

01:44:29,990 --> 01:44:27,920

information because the data speaks

2842

01:44:33,750 --> 01:44:30,000

volumes i think more than some of the

2843

01:44:35,750 --> 01:44:33,760

first-hand accounts and stories that you

2844

01:44:37,430 --> 01:44:35,760

oh yeah well you know that's the whole

2845

01:44:39,030 --> 01:44:37,440

thing you know like i said you know i

2846

01:44:40,870 --> 01:44:39,040

have a lot of scientists and research

2847

01:44:43,109 --> 01:44:40,880

people who are very skeptical of these

2848

01:44:45,109 --> 01:44:43,119

reports and again i have never seen one

2849

01:44:48,310 --> 01:44:45,119

personally but i've seen the evidence

2850

01:44:49,750 --> 01:44:48,320

but after they spent years out some of

2851
01:44:52,310 --> 01:44:49,760
these guys spent years with me out in

2852
01:44:54,790 --> 01:44:52,320
the field they came in very skeptical

2853
01:44:57,270 --> 01:44:54,800
but as they had the opportunity to get

2854
01:44:59,669 --> 01:44:57,280
to the scene they saw the evidence at

2855
01:45:02,470 --> 01:44:59,679
the scene they interviewed the witnesses

2856
01:45:04,790 --> 01:45:02,480
they began over a period of time to see

2857
01:45:06,870 --> 01:45:04,800
the different patterns of the phenomena

2858
01:45:08,709 --> 01:45:06,880
they began to realize that there is

2859
01:45:10,870 --> 01:45:08,719
something going on here all these people

2860
01:45:13,109 --> 01:45:10,880
can't be wrong

2861
01:45:14,790 --> 01:45:13,119
yeah i think there's just so many and

2862
01:45:17,030 --> 01:45:14,800
and the thing that always gets me about

2863
01:45:19,109 --> 01:45:17,040

the bigfoot stories is that it's not a

2864

01:45:21,750 --> 01:45:19,119

recent phenomenon it's like it's not

2865

01:45:23,990 --> 01:45:21,760

like this started in the 1960s i have

2866

01:45:26,870 --> 01:45:24,000

some newspaper articles that are like

2867

01:45:28,229 --> 01:45:26,880

from the 1800s about about things like

2868

01:45:30,310 --> 01:45:28,239

this

2869

01:45:31,910 --> 01:45:30,320

exactly that's what i'm saying it's i

2870

01:45:32,950 --> 01:45:31,920

mean the native americans have talked

2871

01:45:34,390 --> 01:45:32,960

about it

2872

01:45:36,870 --> 01:45:34,400

it's in the papers like you said from

2873

01:45:38,550 --> 01:45:36,880

the 1800s they talk about seeing hairy

2874

01:45:41,430 --> 01:45:38,560

giants in the woods and big footprints

2875

01:45:43,590 --> 01:45:41,440

in the woods it's a long historical

2876

01:45:45,189 --> 01:45:43,600

phenomena the earliest first-hand

2877

01:45:47,109 --> 01:45:45,199

account that i have of a bigfoot

2878

01:45:49,990 --> 01:45:47,119

encounter it's very detailed goes back

2879

01:45:53,030 --> 01:45:50,000

to 1931 and of course where that's from

2880

01:45:54,709 --> 01:45:53,040

fayette county so again that those areas

2881

01:45:56,070 --> 01:45:54,719

have a lot of history of weird things

2882

01:45:56,950 --> 01:45:56,080

going on

2883

01:45:59,270 --> 01:45:56,960

wow

2884

01:46:01,669 --> 01:45:59,280

and and again with the with it's such a

2885

01:46:03,590 --> 01:46:01,679

mystery and it's it's it's really kind

2886

01:46:05,590 --> 01:46:03,600

of entertaining to keep looking into it

2887

01:46:08,149 --> 01:46:05,600

and i keep going back to it when i hear

2888

01:46:09,669 --> 01:46:08,159

some new report or news stories is that

2889

01:46:11,350 --> 01:46:09,679

what keeps you interested just the

2890

01:46:13,350 --> 01:46:11,360

mystery of it

2891

01:46:15,830 --> 01:46:13,360

well it is a mystery i i've been doing

2892

01:46:17,350 --> 01:46:15,840

this now it's been a lifetime interest a

2893

01:46:19,830 --> 01:46:17,360

lifetime pursuit

2894

01:46:21,430 --> 01:46:19,840

and the reports continue to come in you

2895

01:46:23,669 --> 01:46:21,440

know if you went for two three four

2896

01:46:25,430 --> 01:46:23,679

years and there's no reports coming in

2897

01:46:27,430 --> 01:46:25,440

and nothing new is happening but it's

2898

01:46:29,830 --> 01:46:27,440

ongoing it's all year round i get

2899

01:46:31,750 --> 01:46:29,840

reports all year round all hours in a

2900

01:46:33,910 --> 01:46:31,760

day and night in all type of weather

2901
01:46:35,910 --> 01:46:33,920
conditions from all types of people you

2902
01:46:38,229 --> 01:46:35,920
know people call me police officers i've

2903
01:46:40,790 --> 01:46:38,239
interviewed commercial military pilot

2904
01:46:43,750 --> 01:46:40,800
air traffic controllers state troopers

2905
01:46:46,149 --> 01:46:43,760
farmers doctors nurses children i mean

2906
01:46:47,510 --> 01:46:46,159
all kinds of people and i'm telling you

2907
01:46:49,270 --> 01:46:47,520
i look at some of these people some of

2908
01:46:51,430 --> 01:46:49,280
these people have tears in their eyes

2909
01:46:53,109 --> 01:46:51,440
they're so reluctant to talk about it

2910
01:46:55,109 --> 01:46:53,119
some of them were petrified and scared

2911
01:46:56,870 --> 01:46:55,119
to talk to hunters and spend years out

2912
01:46:58,070 --> 01:46:56,880
in the woods and after having a bigfoot

2913
01:47:00,470 --> 01:46:58,080

encounter would never go back in the

2914

01:47:03,109 --> 01:47:00,480

woods again people have life-changing

2915

01:47:05,109 --> 01:47:03,119

experiences and once again so many of

2916

01:47:06,950 --> 01:47:05,119

these people were non-believers so they

2917

01:47:08,870 --> 01:47:06,960

had their own encounter and they they

2918

01:47:10,870 --> 01:47:08,880

have trouble dealing with it

2919

01:47:12,229 --> 01:47:10,880

yeah you know i always think this too

2920

01:47:14,149 --> 01:47:12,239

like if somebody's trying to write a

2921

01:47:15,990 --> 01:47:14,159

book or sell something and they come up

2922

01:47:17,750 --> 01:47:16,000

with this story that's one thing but so

2923

01:47:19,669 --> 01:47:17,760

many of these people don't want anything

2924

01:47:22,390 --> 01:47:19,679

i mean they don't what possible benefit

2925

01:47:24,470 --> 01:47:22,400

could they have besides being ridiculed

2926

01:47:25,510 --> 01:47:24,480

to come forward with a story like this

2927

01:47:28,149 --> 01:47:25,520

you know

2928

01:47:30,310 --> 01:47:28,159

exactly exactly and i mean over the

2929

01:47:32,470 --> 01:47:30,320

years i mean i remember years ago i had

2930

01:47:35,189 --> 01:47:32,480

i had a group of commercial pilots and

2931

01:47:37,109 --> 01:47:35,199

met with me privately they all had very

2932

01:47:38,790 --> 01:47:37,119

close range encounters with ufos while

2933

01:47:40,149 --> 01:47:38,800

they were flying and they were all

2934

01:47:41,510 --> 01:47:40,159

reluctant to

2935

01:47:42,790 --> 01:47:41,520

file an official report because they

2936

01:47:45,109 --> 01:47:42,800

didn't want to lose their jobs and they

2937

01:47:47,590 --> 01:47:45,119

all knew what they saw i mean they had

2938

01:47:49,430 --> 01:47:47,600

no motive to make up these stories

2939

01:47:51,350 --> 01:47:49,440

yeah it's unfortunate but i've heard

2940

01:47:53,109 --> 01:47:51,360

that time and time again that especially

2941

01:47:56,149 --> 01:47:53,119

commercial pilots like they'll just get

2942

01:47:58,149 --> 01:47:56,159

grounded if they tell the story so they

2943

01:47:59,590 --> 01:47:58,159

just keep it to themselves you know

2944

01:48:01,530 --> 01:47:59,600

maybe until they're retired and then

2945

01:48:02,950 --> 01:48:01,540

they tell people what they saw

2946

01:48:05,590 --> 01:48:02,960

[Music]

2947

01:48:06,870 --> 01:48:05,600

yeah and you know now again you know not

2948

01:48:08,390 --> 01:48:06,880

that you can believe everything on the

2949

01:48:10,149 --> 01:48:08,400

internet but now you've got a lot more

2950

01:48:12,310 --> 01:48:10,159

resources you see what's going on around

2951
01:48:14,229 --> 01:48:12,320
the world i mean every day there's more

2952
01:48:15,750 --> 01:48:14,239
reports coming in from around the world

2953
01:48:16,950 --> 01:48:15,760
and some of these stories are very

2954
01:48:18,470 --> 01:48:16,960
interesting

2955
01:48:20,310 --> 01:48:18,480
some of them are going to be skeptical

2956
01:48:22,550 --> 01:48:20,320
about but it just shows you we're

2957
01:48:24,950 --> 01:48:22,560
dealing with an ongoing phenomena with

2958
01:48:27,750 --> 01:48:24,960
ufos and bigfoot encrypted and it's

2959
01:48:31,350 --> 01:48:27,760
unending it's always going on

2960
01:48:33,030 --> 01:48:31,360
yeah yeah and and it sure keeps you busy

2961
01:48:34,550 --> 01:48:33,040
you've been you told me you've been busy

2962
01:48:36,310 --> 01:48:34,560
lately right

2963
01:48:38,470 --> 01:48:36,320

it's it's all the time and like i said

2964

01:48:40,070 --> 01:48:38,480

this year's just been steady since the

2965

01:48:42,390 --> 01:48:40,080

first day of the year and it's just been

2966

01:48:44,229 --> 01:48:42,400

steady with reports coming in

2967

01:48:46,390 --> 01:48:44,239

well i can't thank you enough for taking

2968

01:48:48,470 --> 01:48:46,400

the time to talk to us again

2969

01:48:50,629 --> 01:48:48,480

about bigfoot it's been an honor and a

2970

01:48:53,430 --> 01:48:50,639

privilege to talk to you you're my

2971

01:48:54,950 --> 01:48:53,440

favorite home state researcher yeah and

2972

01:48:56,950 --> 01:48:54,960

i should mention for the benefit of my

2973

01:48:59,750 --> 01:48:56,960

listeners that stan gives some amazing

2974

01:49:02,149 --> 01:48:59,760

lectures on bigfoot and the kecksburg

2975

01:49:04,149 --> 01:49:02,159

incident and ufos and the paranormal in

2976

01:49:06,149 --> 01:49:04,159

general and again if you're interested

2977

01:49:08,950 --> 01:49:06,159

in this subject make sure you visit his

2978

01:49:10,790 --> 01:49:08,960

website at stan.gordon.info because he

2979

01:49:12,470 --> 01:49:10,800

2980

01:49:14,070 --> 01:49:12,480

and he'll autograph them for you on

2981

01:49:16,629 --> 01:49:14,080

request

2982

01:49:18,229 --> 01:49:16,639

that's right and um anyhow let's keep

2983

01:49:21,030 --> 01:49:18,239

checking the website for updates on

2984

01:49:23,109 --> 01:49:21,040

citing reports and events coming up

2985

01:49:25,270 --> 01:49:23,119

okay great thanks dan i appreciate you

2986

01:49:31,350 --> 01:49:25,280

2988

01:49:37,910 --> 01:49:37,040

that our time is once again running

2989

for another night of incredible

2994

01:49:53,030 --> 01:49:50,320

mysteries

2995

01:49:54,070 --> 01:49:53,040

i also want to once again thank my guest

2996

01:49:57,350 --> 01:49:54,080

tonight

2997

01:49:59,669 --> 01:49:57,360

mr stan gordon you can visit his website

2998

01:50:02,229 --> 01:49:59,679

and i encourage you to do that

3002
01:50:10,470 --> 01:50:07,920
as for me here on our show a lot of

3003
01:50:14,070 --> 01:50:10,480
people have been uh trying to

3004
01:50:16,870 --> 01:50:14,080
contact me uh to be possible guests or

3005
01:50:20,070 --> 01:50:16,880
to send me some documents or pictures of

3006
01:50:22,229 --> 01:50:20,080
ufos or strange creatures

3007
01:50:24,149 --> 01:50:22,239
and i wanted to just mention that really

3008
01:50:25,990 --> 01:50:24,159
the best way to get a hold of me is to

3009
01:50:28,149 --> 01:50:26,000
our facebook page

3010
01:50:30,390 --> 01:50:28,159
just search for the midnight hour or the

3011
01:50:32,550 --> 01:50:30,400
midnight hour show on facebook and you

3012
01:50:34,390 --> 01:50:32,560
will find our new facebook page please

3013
01:50:36,070 --> 01:50:34,400

do like our page

3014

01:50:37,830 --> 01:50:36,080

and if you want to send me a message you

3015

01:50:40,470 --> 01:50:37,840

can do it through there that's probably

3016

01:50:42,709 --> 01:50:40,480

the best way to reach me

3017

01:50:45,030 --> 01:50:42,719

or you could reach my consulting

3018

01:50:47,350 --> 01:50:45,040

producer also through there

3019

01:50:51,350 --> 01:50:47,360

mr richard charles who i'd also like to

3020

01:50:53,830 --> 01:50:51,360

thank for his help on the show

3021

01:50:56,390 --> 01:50:53,840

and a lot of people have been asking

3022

01:50:58,390 --> 01:50:56,400

what's in store what's next for the

3023

01:51:00,709 --> 01:50:58,400

midnight hour show

3024

01:51:02,310 --> 01:51:00,719

well i have to be honest

3025

01:51:04,310 --> 01:51:02,320

you know i mentioned this before but

3026

01:51:06,470 --> 01:51:04,320

when we started this show we're still in

3027

01:51:08,550 --> 01:51:06,480

pilot mode here we're still producing

3028

01:51:11,430 --> 01:51:08,560

pilot episodes and we'll continue to do

3029

01:51:13,510 --> 01:51:11,440

so for just a little bit longer but i'm

3030

01:51:15,669 --> 01:51:13,520

happy to say that we've been working

3031

01:51:16,709 --> 01:51:15,679

really hard on getting

3032

01:51:19,990 --> 01:51:16,719

more

3033

01:51:23,109 --> 01:51:20,000

widespread distribution in an easier

3034

01:51:25,990 --> 01:51:23,119

format i mean i'm one to think that

3035

01:51:28,790 --> 01:51:26,000

where we're at now is everybody can find

3036

01:51:30,790 --> 01:51:28,800

it but in order to spread

3037

01:51:33,750 --> 01:51:30,800

our show and

3038

01:51:35,350 --> 01:51:33,760

reach a greater audience of course we're

3039

01:51:37,109 --> 01:51:35,360

looking at all these different new

3040

01:51:38,870 --> 01:51:37,119

platforms and we're putting a lot of

3041

01:51:42,149 --> 01:51:38,880

things in place

3042

01:51:45,430 --> 01:51:42,159

that will vastly vastly increase

3043

01:51:48,310 --> 01:51:45,440

our listener base and our ease of you

3044

01:51:50,550 --> 01:51:48,320

know the ease at which you would find us

3045

01:51:52,790 --> 01:51:50,560

if you just google us on the internet so

3046

01:51:56,870 --> 01:51:52,800

we're working really hard on that and

3047

01:52:00,950 --> 01:51:58,629

and you know i also have to say that

3048

01:52:03,350 --> 01:52:00,960

every once in a while somebody asked me

3049

01:52:05,910 --> 01:52:03,360

why aren't you on so-and-so network or

3050

01:52:08,550 --> 01:52:05,920

so-and-so network and the truth is we

3051
01:52:11,430 --> 01:52:08,560
reached out to a bunch of those networks

3052
01:52:13,270 --> 01:52:11,440
after producing just a few episodes

3053
01:52:15,669 --> 01:52:13,280
and the initial reaction we got was

3054
01:52:19,109 --> 01:52:15,679
complete and total rejection and that's

3055
01:52:20,950 --> 01:52:19,119
sad but the news is not all bad

3056
01:52:22,709 --> 01:52:20,960
and listen i had a conversation with a

3057
01:52:24,470 --> 01:52:22,719
few of these organizations and one of

3058
01:52:26,870 --> 01:52:24,480
them was very reasonable and that's the

3059
01:52:28,470 --> 01:52:26,880
one that i want to be on and we're still

3060
01:52:30,390 --> 01:52:28,480
trying to work it out

3061
01:52:32,229 --> 01:52:30,400
but some of these other organizations

3062
01:52:33,589 --> 01:52:32,239
i'm just sure i don't want to be a part

3063
01:52:36,709 --> 01:52:33,599

of honestly

3064

01:52:39,030 --> 01:52:36,719

i they have hosts that had 100 or 200

3065

01:52:40,470 --> 01:52:39,040

listens and years of their stuff being

3066

01:52:42,390 --> 01:52:40,480

on the internet

3067

01:52:44,229 --> 01:52:42,400

and they had attitudes towards me and

3068

01:52:45,750 --> 01:52:44,239

told me everything that i was doing

3069

01:52:48,390 --> 01:52:45,760

wrong and why

3070

01:52:51,189 --> 01:52:48,400

my show would not be a good fit and why

3071

01:52:53,589 --> 01:52:51,199

my show will never work and why

3072

01:52:55,189 --> 01:52:53,599

i can't be a part of their prestigious

3073

01:52:58,310 --> 01:52:55,199

organization

3074

01:52:59,830 --> 01:52:58,320

it's a joke folks it's a total joke and

3075

01:53:01,669 --> 01:52:59,840

everybody is putting on airs and

3076

01:53:04,470 --> 01:53:01,679

pretending to be something they're not

3077

01:53:06,390 --> 01:53:04,480

and this is not new to me man i came up

3078

01:53:08,790 --> 01:53:06,400

in the entertainment field like you

3079

01:53:09,830 --> 01:53:08,800

think i haven't seen people who made

3080

01:53:10,790 --> 01:53:09,840

their whole

3081

01:53:13,830 --> 01:53:10,800

you know

3082

01:53:16,709 --> 01:53:13,840

image out of [h__h] before like that

3083

01:53:18,950 --> 01:53:16,719

that is not new to me that is not new to

3084

01:53:22,550 --> 01:53:18,960

me but the difference here the

3085

01:53:24,629 --> 01:53:22,560

difference here is that you could see

3086

01:53:26,790 --> 01:53:24,639

the difference between

3087

01:53:29,350 --> 01:53:26,800

somebody who just made up their image

3088

01:53:30,229 --> 01:53:29,360

out of [h__h] and somebody who's doing

3089

01:53:32,870 --> 01:53:30,239

well

3090

01:53:34,790 --> 01:53:32,880

because numbers do not lie

3091

01:53:38,310 --> 01:53:34,800

math doesn't lie

3092

01:53:41,910 --> 01:53:38,320

okay this is maybe it's 21st century

3093

01:53:44,310 --> 01:53:41,920

form of radio or audio entertainment but

3094

01:53:46,310 --> 01:53:44,320

it's still just like radio back in the

3095

01:53:48,390 --> 01:53:46,320

old days

3096

01:53:50,629 --> 01:53:48,400

ratings see that's what some of these

3097

01:53:52,629 --> 01:53:50,639

organizations didn't want to talk about

3098

01:53:54,709 --> 01:53:52,639

because you know we really thought the

3099

01:53:57,189 --> 01:53:54,719

way for us to go was to become a part of

3100

01:53:59,030 --> 01:53:57,199

some existing organization like this but

3101
01:54:01,350 --> 01:53:59,040
there was one in particular that talked

3102
01:54:02,310 --> 01:54:01,360
to me like i was a complete and total

3103
01:54:04,149 --> 01:54:02,320
idiot

3104
01:54:06,629 --> 01:54:04,159
they treated me

3105
01:54:09,109 --> 01:54:06,639
horribly they talked down to me they

3106
01:54:11,510 --> 01:54:09,119
were insulting they told me my show

3107
01:54:13,109 --> 01:54:11,520
would never work and here's all the

3108
01:54:14,149 --> 01:54:13,119
things you're doing wrong and all these

3109
01:54:16,310 --> 01:54:14,159
things

3110
01:54:18,070 --> 01:54:16,320
and i don't know but you know after

3111
01:54:19,990 --> 01:54:18,080
getting completely and totally rejected

3112
01:54:21,589 --> 01:54:20,000
by them i wanted to i looked into them a

3113
01:54:23,589 --> 01:54:21,599

little more you know because i thought

3114

01:54:25,750 --> 01:54:23,599

you know maybe they're right maybe i'm

3115

01:54:28,390 --> 01:54:25,760

not doing good enough to be a part of

3116

01:54:30,709 --> 01:54:28,400

their thing i'm you know and i started

3117

01:54:33,109 --> 01:54:30,719

doubting myself but then i looked into

3118

01:54:34,830 --> 01:54:33,119

their numbers the numbers folks the

3119

01:54:38,870 --> 01:54:34,840

numbers don't lie

3120

01:54:40,790 --> 01:54:38,880

because i think they have 10 or 12 hosts

3121

01:54:42,470 --> 01:54:40,800

that have shows that have been going on

3122

01:54:44,310 --> 01:54:42,480

for years and years and years so there

3123

01:54:45,270 --> 01:54:44,320

are existing shows

3124

01:54:47,350 --> 01:54:45,280

with

3125

01:54:48,950 --> 01:54:47,360

i would i would have assumed had some

3126

01:54:50,229 --> 01:54:48,960

kind of built-in listener base because

3127

01:54:51,669 --> 01:54:50,239

those shows have been going for years

3128

01:54:53,910 --> 01:54:51,679

and years and years

3129

01:54:56,149 --> 01:54:53,920

but then i looked at you know let's take

3130

01:54:59,030 --> 01:54:56,159

one month like let's take a month that i

3131

01:55:01,030 --> 01:54:59,040

released a show and let's uh

3132

01:55:02,709 --> 01:55:01,040

you know look at all the shows that

3133

01:55:04,709 --> 01:55:02,719

their hosts released

3134

01:55:06,149 --> 01:55:04,719

and what we found is

3135

01:55:09,669 --> 01:55:06,159

you could add up

3136

01:55:12,229 --> 01:55:09,679

the listens or the ratings from 10 or 12

3137

01:55:15,030 --> 01:55:12,239

of their hosts all the hosts on in their

3138

01:55:17,510 --> 01:55:15,040

organization for one episode and around

3139

01:55:20,229 --> 01:55:17,520

the same time frame i had an episode

3140

01:55:22,629 --> 01:55:20,239

and my one episode beat all 10 or 12 of

3141

01:55:24,470 --> 01:55:22,639

their hosts added together

3142

01:55:27,189 --> 01:55:24,480

and you know it's just this kind of

3143

01:55:29,270 --> 01:55:27,199

stuff just drives me crazy like this is

3144

01:55:30,550 --> 01:55:29,280

the this is an organization that's going

3145

01:55:32,550 --> 01:55:30,560

to treat me

3146

01:55:34,470 --> 01:55:32,560

so terribly that's going to talk down to

3147

01:55:36,149 --> 01:55:34,480

me like they're experts and how to do

3148

01:55:38,310 --> 01:55:36,159

this and i'm an idiot and i don't know

3149

01:55:40,550 --> 01:55:38,320

what i'm doing and i'm never you know

3150

01:55:42,790 --> 01:55:40,560

what i'm doing is never going to work

3151
01:55:45,910 --> 01:55:42,800
then somebody needs to explain to me why

3152
01:55:47,990 --> 01:55:45,920
i'm beating 10 or 12 of their hosts on a

3153
01:55:49,669 --> 01:55:48,000
per episode basis they can add up all 10

3154
01:55:51,669 --> 01:55:49,679
or 12 of their hosts and i still beat

3155
01:55:53,510 --> 01:55:51,679
their numbers by myself i don't

3156
01:55:54,950 --> 01:55:53,520
understand it folks

3157
01:55:57,109 --> 01:55:54,960
and you know what i'm just not going to

3158
01:55:59,669 --> 01:55:57,119
try to understand it we're going to keep

3159
01:56:02,390 --> 01:55:59,679
going and doing what we do and doing it

3160
01:56:05,030 --> 01:56:02,400
well and you know folks i had an

3161
01:56:08,229 --> 01:56:05,040
incredible mentor some time ago

3162
01:56:10,149 --> 01:56:08,239
who sadly has passed on but he had an

3163
01:56:12,790 --> 01:56:10,159

incredible saying that i will always

3164

01:56:15,109 --> 01:56:12,800

remember and i think it's relevant here

3165

01:56:17,430 --> 01:56:15,119

he used to tell me over and over again

3166

01:56:20,550 --> 01:56:17,440

it's always best to be the lion son it's

3167

01:56:21,990 --> 01:56:20,560

always best be a lion and eventually i

3168

01:56:23,589 --> 01:56:22,000

asked him what he meant because i just

3169

01:56:25,750 --> 01:56:23,599

didn't get it

3170

01:56:27,189 --> 01:56:25,760

then he told me why it's always best to

3171

01:56:29,830 --> 01:56:27,199

be the lion

3172

01:56:31,030 --> 01:56:29,840

because a lion does not ask permission

3173

01:56:33,669 --> 01:56:31,040

to win

3174

01:56:35,830 --> 01:56:33,679

a lion always wins because that's just

3175

01:56:38,310 --> 01:56:35,840

in the nature of the lion

3176
01:56:42,070 --> 01:56:38,320
the lion does not ask the permission of

3177
01:56:44,629 --> 01:56:42,080
the sheep to win a fight with a sheep he

3178
01:56:45,830 --> 01:56:44,639
just kills them and eats them because

3179
01:56:49,589 --> 01:56:45,840
that

3180
01:56:51,910 --> 01:56:49,599
is the nature of a lion a lion just

3181
01:56:54,229 --> 01:56:51,920
always wins

3182
01:56:57,750 --> 01:56:54,239
i gotta tell you folks that he was the

3183
01:56:59,910 --> 01:56:57,760
best teacher mentor and friend in the

3184
01:57:02,790 --> 01:56:59,920
entertainment field that i've ever had

3185
01:57:04,870 --> 01:57:02,800
in my entire life and i miss him with my

3186
01:57:06,310 --> 01:57:04,880
entire heart and soul

3187
01:57:08,390 --> 01:57:06,320
and every once in a while when i'm

3188
01:57:10,550 --> 01:57:08,400

feeling a little bit too challenged or

3189

01:57:13,189 --> 01:57:10,560

feeling down or beaten up or that the

3190

01:57:14,790 --> 01:57:13,199

odds are really stacked against me

3191

01:57:16,629 --> 01:57:14,800

i just remember him and some of the

3192

01:57:17,750 --> 01:57:16,639

things that he taught me and i smiled to

3193

01:57:21,270 --> 01:57:17,760

myself

3194

01:57:22,950 --> 01:57:21,280

and i remember to always be the lion and

3195

01:57:25,350 --> 01:57:22,960

that my friends is kind of where we're

3196

01:57:27,750 --> 01:57:25,360

at right now and you know what

3197

01:57:29,990 --> 01:57:27,760

i'm really good with that and though i'm

3198

01:57:31,750 --> 01:57:30,000

still a little bit in fight mode mostly

3199

01:57:34,229 --> 01:57:31,760

i'm in gratitude mode

3200

01:57:35,910 --> 01:57:34,239

and i want to thank you all you guys

3201

01:57:37,350 --> 01:57:35,920

that keep on tuning in they keep on

3202

01:57:39,669 --> 01:57:37,360

encouraging me

3203

01:57:41,430 --> 01:57:39,679

sending me information helping me get

3204

01:57:44,310 --> 01:57:41,440

new new guests

3205

01:57:46,470 --> 01:57:44,320

and especially my new consulting

3206

01:57:48,870 --> 01:57:46,480

producer richard charles who's largely

3207

01:57:50,629 --> 01:57:48,880

responsible for the success of this show

3208

01:57:53,510 --> 01:57:50,639

man i'm feeling you know somebody asked

3209

01:57:55,750 --> 01:57:53,520

me do you feel vindicated not really i

3210

01:57:58,870 --> 01:57:55,760

don't understand it that's how i feel

3211

01:58:01,510 --> 01:57:58,880

but mostly i feel gratitude towards all

3212

01:58:03,350 --> 01:58:01,520

my new friends and listeners who are

3213

01:58:06,070 --> 01:58:03,360

tuning in and supporting us and i want

3214

01:58:08,390 --> 01:58:06,080

to sincerely thank you for that coming

3215

01:58:11,430 --> 01:58:08,400

up we've got some incredible shows and i

3216

01:58:13,109 --> 01:58:11,440

hope that you will join us again for the

3217

01:58:16,149 --> 01:58:13,119

midnight hour

3218

01:58:17,350 --> 01:58:16,159

i'm stephen cambion also known as the

3219

01:58:20,550 --> 01:58:17,360

mystery man

3220

01:58:23,189 --> 01:58:20,560

your host here on the midnight hour

3221

01:58:24,310 --> 01:58:23,199

thanking you for tuning in and reminding

3222

01:58:27,030 --> 01:58:24,320

you

3223

01:58:29,030 --> 01:58:27,040

life

3224

01:58:31,270 --> 01:58:29,040

when you feel

3225

01:58:33,990 --> 01:58:31,280

that there are just too many tremendous

3226

01:58:37,350 --> 01:58:34,000

challenges ahead of you

3227

01:58:40,950 --> 01:58:37,360

when you feel like you just don't know

3228

01:58:43,430 --> 01:58:40,960

the right road to take

3229

01:58:46,310 --> 01:58:43,440

when you feel like the entire world has

3230

01:58:48,870 --> 01:58:46,320

told you you're gonna lose

3231

01:58:50,870 --> 01:58:48,880

when the whole world it seems has

3232

01:58:52,950 --> 01:58:50,880

counted you out

3233

01:58:54,470 --> 01:58:52,960

don't let that affect you

3234

01:58:56,310 --> 01:58:54,480

shake it off

3235

01:58:59,750 --> 01:58:56,320

smile to yourself

3236

01:59:01,750 --> 01:58:59,760

and remember remember my friends

3237

01:59:03,189 --> 01:59:01,760

to always

3238

01:59:04,149 --> 01:59:03,199

always

3239

01:59:05,910 --> 01:59:04,159

be

3240

01:59:08,629 --> 01:59:05,920

the lion

3241

01:59:12,310 --> 01:59:08,639

you'll be glad you did

3242

01:59:15,550 --> 01:59:12,320

till next time folks i'm stephen campion

3243

01:59:24,720 --> 01:59:15,560

good night
