

COREY GOODE

**EVEN MORE
GARBAGE**

Truth Seekers

1
00:02:14,550 --> 00:00:25,710

[Music]

2
00:02:20,150 --> 00:02:17,350

greetings and salutations friends and

3
00:02:23,670 --> 00:02:20,160

welcome back to truth seekers boy what

4
00:02:24,710 --> 00:02:23,680

an exciting time it is

5
00:02:27,030 --> 00:02:24,720

because

6
00:02:29,750 --> 00:02:27,040

it's that time of the year

7
00:02:31,190 --> 00:02:29,760

when the con artists and the grifters

8
00:02:33,350 --> 00:02:31,200

get desperate

9
00:02:34,790 --> 00:02:33,360

and they start pumping out their

10
00:02:37,350 --> 00:02:34,800

desperate

11
00:02:39,910 --> 00:02:37,360

stuff

12
00:02:43,589 --> 00:02:39,920

so tonight we'll be covering everyone's

13
00:02:46,390 --> 00:02:43,599

favorite alien information garbage man

14

00:02:48,550 --> 00:02:46,400

cory the garbage man good

15

00:02:49,750 --> 00:02:48,560

i gotta say friends that his latest

16

00:02:52,390 --> 00:02:49,760

garbage

17

00:02:55,589 --> 00:02:52,400

leaves a lot to be desired

18

00:02:58,390 --> 00:02:55,599

uh i just can't believe that it has

19

00:03:01,190 --> 00:02:58,400

gotten this bad with him

20

00:03:05,030 --> 00:03:01,200

he went from being on a multi-million

21

00:03:07,990 --> 00:03:05,040

dollar streaming platform to making

22

00:03:10,550 --> 00:03:08,000

stupid videos with speech hello you know

23

00:03:13,270 --> 00:03:10,560

the robot voice

24

00:03:15,110 --> 00:03:13,280

and uh we're gonna talk about why that

25

00:03:17,910 --> 00:03:15,120

may be tonight

26
00:03:20,710 --> 00:03:17,920
so welcome to the show friends welcome

27
00:03:22,949 --> 00:03:20,720
to truth seekers

28
00:03:25,750 --> 00:03:22,959
and uh

29
00:03:28,309 --> 00:03:25,760
just in case uh you

30
00:03:29,110 --> 00:03:28,319
are wondering we are testing out some of

31
00:03:32,789 --> 00:03:29,120
our

32
00:03:34,710 --> 00:03:32,799
new set pieces and things like that this

33
00:03:37,589 --> 00:03:34,720
evening

34
00:03:38,390 --> 00:03:37,599
i have been slowly doing these upgrades

35
00:03:40,789 --> 00:03:38,400
to

36
00:03:43,270 --> 00:03:40,799
our meager studio here for quite some

37
00:03:46,470 --> 00:03:43,280
time and i want to thank all you

38
00:03:48,789 --> 00:03:46,480

super chat donators uh

39

00:03:51,110 --> 00:03:48,799

and your

40

00:03:54,070 --> 00:03:51,120

let's see

41

00:03:55,670 --> 00:03:54,080

paypal donators and patreon supporters

42

00:03:57,990 --> 00:03:55,680

because

43

00:04:00,710 --> 00:03:58,000

yeah i'm trying a new mic stand tonight

44

00:04:04,869 --> 00:04:00,720

there six cents so

45

00:04:06,630 --> 00:04:04,879

let's try that maybe that will be better

46

00:04:10,149 --> 00:04:06,640

uh

47

00:04:12,470 --> 00:04:10,159

yeah so corey goode is off on a tear

48

00:04:14,789 --> 00:04:12,480

he is uh

49

00:04:17,670 --> 00:04:14,799

for those who don't know corey good came

50

00:04:19,830 --> 00:04:17,680

uh onto the scene five years ago with

51
00:04:21,349 --> 00:04:19,840
some fantastical stories about being a

52
00:04:24,790 --> 00:04:21,359
time traveling

53
00:04:26,629 --> 00:04:24,800
alien battling earth galactic savior

54
00:04:29,430 --> 00:04:26,639
and uh you know some kind of space

55
00:04:30,390 --> 00:04:29,440
prophet because all the aliens only talk

56
00:04:31,670 --> 00:04:30,400
to him

57
00:04:34,230 --> 00:04:31,680
and we're going to talk about some of

58
00:04:37,030 --> 00:04:34,240
this stuff tonight because in his latest

59
00:04:39,510 --> 00:04:37,040
few videos he is telling everyone

60
00:04:41,189 --> 00:04:39,520
that you should not accept information

61
00:04:42,550 --> 00:04:41,199
about aliens

62
00:04:45,030 --> 00:04:42,560
and all that

63
00:04:46,870 --> 00:04:45,040

or the secret space program from anyone

64

00:04:48,710 --> 00:04:46,880

but him

65

00:04:50,230 --> 00:04:48,720

um

66

00:04:52,390 --> 00:04:50,240

yeah

67

00:04:55,430 --> 00:04:52,400

let me just check something real quick

68

00:04:58,469 --> 00:04:55,440

here friends just to make sure

69

00:05:01,270 --> 00:04:58,479

yeah i guess uh

70

00:05:03,430 --> 00:05:01,280

see i can explain later why we had i had

71

00:05:05,430 --> 00:05:03,440

to change the mic stand and that changes

72

00:05:07,670 --> 00:05:05,440

everything apparently but i think it

73

00:05:10,950 --> 00:05:07,680

will be okay we will struggle through

74

00:05:12,469 --> 00:05:10,960

remember we do this show live warts and

75

00:05:14,390 --> 00:05:12,479

all

76
00:05:15,749 --> 00:05:14,400
and so here we are

77
00:05:18,870 --> 00:05:15,759
um

78
00:05:24,390 --> 00:05:21,350
corey good started out uh

79
00:05:26,629 --> 00:05:24,400
with the support of a multi-million

80
00:05:28,550 --> 00:05:26,639
dollar streaming platform

81
00:05:30,710 --> 00:05:28,560
and they pumped a huge amount of money

82
00:05:34,550 --> 00:05:30,720
into him and his fake i think big

83
00:05:39,029 --> 00:05:36,550
and because of that corey good rose to

84
00:05:41,350 --> 00:05:39,039
this meteoric level of fame where he was

85
00:05:43,029 --> 00:05:41,360
on par with all the other ufo

86
00:05:46,469 --> 00:05:43,039
celebrities that had been doing this for

87
00:05:50,550 --> 00:05:46,479
a decade before him in a very short time

88
00:05:53,830 --> 00:05:50,560

in uh months after his uh coming out as

89

00:05:55,830 --> 00:05:53,840

uh you know basically buck rogers

90

00:05:57,749 --> 00:05:55,840

um you know if you're unfamiliar with

91

00:06:00,070 --> 00:05:57,759

corey good story basically he's buck

92

00:06:01,029 --> 00:06:00,080

rogers he time traveled

93

00:06:02,950 --> 00:06:01,039

right

94

00:06:04,230 --> 00:06:02,960

and he was in a secret space program

95

00:06:06,550 --> 00:06:04,240

saving earth

96

00:06:08,390 --> 00:06:06,560

right with the there's an alliance of

97

00:06:11,670 --> 00:06:08,400

good guy aliens and then there's the

98

00:06:14,309 --> 00:06:11,680

dark alliance of the bad guy aliens

99

00:06:17,510 --> 00:06:14,319

uh it's a pretty ridiculous story

100

00:06:19,670 --> 00:06:17,520

but for tonight's purposes i i want to i

101
00:06:20,390 --> 00:06:19,680
just want to talk about the contrast

102
00:06:22,309 --> 00:06:20,400
because

103
00:06:25,510 --> 00:06:22,319
when this guy came out

104
00:06:27,270 --> 00:06:25,520
a gaia incorporated which is a streaming

105
00:06:28,309 --> 00:06:27,280
platform uh

106
00:06:30,550 --> 00:06:28,319
full of

107
00:06:32,390 --> 00:06:30,560
started out as yoga and new age stuff

108
00:06:34,390 --> 00:06:32,400
and then it got into aliens because they

109
00:06:35,510 --> 00:06:34,400
figured that was a big cash cow it was

110
00:06:37,909 --> 00:06:35,520
for them

111
00:06:39,749 --> 00:06:37,919
they dumped millions of dollars into

112
00:06:40,710 --> 00:06:39,759
this clown corey good

113
00:06:42,629 --> 00:06:40,720

uh

114

00:06:44,469 --> 00:06:42,639

the full court press and they ran a lot

115

00:06:47,270 --> 00:06:44,479

of ufo conferences so of course he was

116

00:06:49,189 --> 00:06:47,280

booked at all those this guy got huge in

117

00:06:51,110 --> 00:06:49,199

a very short amount of time

118

00:06:52,629 --> 00:06:51,120

there was only one problem with corey

119

00:06:53,990 --> 00:06:52,639

goode

120

00:06:57,350 --> 00:06:54,000

he had a hundred

121

00:06:59,830 --> 00:06:57,360

million stories about aliens and he had

122

00:07:01,110 --> 00:06:59,840

absolutely zero proof of anything that

123

00:07:02,469 --> 00:07:01,120

he talked about

124

00:07:04,309 --> 00:07:02,479

and of course

125

00:07:05,270 --> 00:07:04,319

that got people

126

00:07:06,629 --> 00:07:05,280

upset

127

00:07:08,390 --> 00:07:06,639

some people

128

00:07:10,790 --> 00:07:08,400

including richard dolan and others who

129

00:07:14,309 --> 00:07:10,800

have been around on the on the ufo

130

00:07:16,070 --> 00:07:14,319

grifting alien scene for quite some time

131

00:07:17,749 --> 00:07:16,080

that got people upset because they were

132

00:07:19,990 --> 00:07:17,759

like hey we've been here for 10 years

133

00:07:22,309 --> 00:07:20,000

and we're not making his kind of a money

134

00:07:24,390 --> 00:07:22,319

right uh and this is speculation on my

135

00:07:26,950 --> 00:07:24,400

part but it's informed speculation based

136

00:07:29,990 --> 00:07:26,960

on uh the fact that i've covered this

137

00:07:30,710 --> 00:07:30,000

and and followed this clown and the and

138

00:07:36,309 --> 00:07:30,720

and

139

00:07:37,830 --> 00:07:36,319
reaction to his meteoric rise

140

00:07:39,670 --> 00:07:37,840
since it began

141

00:07:41,749 --> 00:07:39,680
right

142

00:07:43,510 --> 00:07:41,759
and what can i say

143

00:07:48,869 --> 00:07:43,520
uh

144

00:07:50,230 --> 00:07:48,879
let me check something one one second

145

00:07:52,869 --> 00:07:50,240
friends

146

00:07:54,710 --> 00:07:52,879
i will check on the audio again

147

00:07:57,430 --> 00:07:54,720
because these are you guys that are

148

00:08:00,710 --> 00:07:57,440
audio files right

149

00:08:03,029 --> 00:08:00,720
i love the audio files

150

00:08:04,390 --> 00:08:03,039
let me check i will check

151
00:08:07,270 --> 00:08:04,400
i will check

152
00:08:09,830 --> 00:08:07,280
see what's going on maybe i need to uh i

153
00:08:11,350 --> 00:08:09,840
did plug and unplug my mic too when i'm

154
00:08:12,869 --> 00:08:11,360
setting up this new stance there may be

155
00:08:13,670 --> 00:08:12,879
something that i need to hurry up and

156
00:08:23,830 --> 00:08:13,680
fix

157
00:08:23,840 --> 00:08:33,269
oh no

158
00:08:36,870 --> 00:08:34,949
yeah i think the audio is fine it's just

159
00:08:39,589 --> 00:08:36,880
that i don't have the microphone right

160
00:08:40,709 --> 00:08:39,599
in my face and we'll see why i don't in

161
00:08:42,070 --> 00:08:40,719
a moment

162
00:08:43,829 --> 00:08:42,080
so back to

163
00:08:46,870 --> 00:08:43,839

our topic tonight

164

00:08:49,590 --> 00:08:46,880

which is corey good's latest garbage so

165

00:08:52,150 --> 00:08:49,600

after years of having a whole bunch of

166

00:08:53,829 --> 00:08:52,160

money pumped into him

167

00:08:58,790 --> 00:08:53,839

and

168

00:09:00,150 --> 00:08:58,800

this meteoric rise what we get is

169

00:09:03,910 --> 00:09:00,160

we get

170

00:09:09,430 --> 00:09:05,670

as far as

171

00:09:10,870 --> 00:09:09,440

you know he got huge very quickly

172

00:09:12,550 --> 00:09:10,880

uh and then

173

00:09:15,030 --> 00:09:12,560

everything started falling apart for

174

00:09:17,269 --> 00:09:15,040

corey good because he started attacking

175

00:09:20,230 --> 00:09:17,279

anybody that said his buck rogers space

176

00:09:22,870 --> 00:09:20,240

fantasy stories in secret messaging

177

00:09:24,870 --> 00:09:22,880

groups on facebook and he planned

178

00:09:27,110 --> 00:09:24,880

all these campaigns against people who

179

00:09:29,670 --> 00:09:27,120

said his stories weren't real

180

00:09:31,829 --> 00:09:29,680

then gaia corporation who he worked for

181

00:09:33,269 --> 00:09:31,839

started bringing in other talent and he

182

00:09:34,829 --> 00:09:33,279

didn't like that

183

00:09:38,150 --> 00:09:34,839

so

184

00:09:38,949 --> 00:09:38,160

uh jeez man you guys with your audio

185

00:09:40,310 --> 00:09:38,959

look

186

00:09:42,070 --> 00:09:40,320

here

187

00:09:45,990 --> 00:09:42,080

is this better

188

00:09:50,870 --> 00:09:47,829

it's just a little bit of mic distance

189

00:09:54,389 --> 00:09:50,880

but i have to change the mic setup

190

00:09:56,949 --> 00:09:54,399

because of the camera setup otherwise

191

00:10:00,310 --> 00:09:56,959

i can explain it let's let's explain

192

00:11:45,430 --> 00:10:00,320

here we're going to do it right now

193

00:11:49,670 --> 00:11:46,790

all right so

194

00:11:51,750 --> 00:11:49,680

now you see why i had to change the mic

195

00:11:54,150 --> 00:11:51,760

placement because

196

00:11:56,550 --> 00:11:54,160

before there was this huge arm here

197

00:11:57,509 --> 00:11:56,560

which would cover a new set piece which

198

00:11:58,790 --> 00:11:57,519

is this

199

00:12:01,910 --> 00:11:58,800

screen that's going to be playing

200

00:12:04,470 --> 00:12:01,920

animations or parts of our presentations

201
00:12:06,710 --> 00:12:04,480
or whatever it is that we use so i had

202
00:12:08,629 --> 00:12:06,720
to change the mic setting and everybody

203
00:12:11,430 --> 00:12:08,639
where the mic sits and everybody loses

204
00:12:13,829 --> 00:12:11,440
their mind

205
00:12:16,629 --> 00:12:13,839
i guess people get used to everything

206
00:12:19,110 --> 00:12:16,639
sounding a certain way and i did in my

207
00:12:20,470 --> 00:12:19,120
defense i once everything was set and

208
00:12:22,389 --> 00:12:20,480
everybody stopped

209
00:12:23,670 --> 00:12:22,399
because people complain especially audio

210
00:12:24,470 --> 00:12:23,680
files

211
00:12:41,269 --> 00:12:24,480
i

212
00:12:43,269 --> 00:12:41,279
a desk mounted stand

213
00:12:45,350 --> 00:12:43,279

and if it's a little bit over here i

214

00:12:47,269 --> 00:12:45,360

didn't think that it would be a big deal

215

00:12:48,870 --> 00:12:47,279

but apparently it is

216

00:12:50,230 --> 00:12:48,880

so for now

217

00:12:51,509 --> 00:12:50,240

we're gonna do this

218

00:13:00,230 --> 00:12:51,519

i'm just gonna

219

00:13:01,670 --> 00:13:00,240

in in my face for today so there you go

220

00:13:04,389 --> 00:13:01,680

it's out of the

221

00:13:06,550 --> 00:13:04,399

view and it's still right in my face but

222

00:13:09,590 --> 00:13:06,560

now i'm gonna sit here and be

223

00:13:11,430 --> 00:13:09,600

uh not very comfortable tonight

224

00:13:13,670 --> 00:13:11,440

we'll figure this out after the show

225

00:13:16,550 --> 00:13:13,680

that's what i that's what i'll say

226

00:13:21,430 --> 00:13:19,030

yeah denman is still complaining you're

227

00:13:23,350 --> 00:13:21,440

still complaining

228

00:13:25,750 --> 00:13:23,360

i sound far away

229

00:13:27,990 --> 00:13:25,760

nothing changed the microphone didn't

230

00:13:29,030 --> 00:13:28,000

change all we changed was the microphone

231

00:13:30,629 --> 00:13:29,040

stand

232

00:13:32,870 --> 00:13:30,639

there used to be a microphone right in

233

00:13:36,310 --> 00:13:32,880

my face all i did is change the

234

00:13:38,629 --> 00:13:37,430

so

235

00:13:40,230 --> 00:13:38,639

we're just gonna have to deal with it

236

00:13:43,910 --> 00:13:40,240

for tonight

237

00:13:47,750 --> 00:13:45,910

if i have to i'll put it back the way it

238

00:13:49,590 --> 00:13:47,760

was and we'll forget about new set

239

00:13:50,870 --> 00:13:49,600
pieces but you know it's kind of

240

00:13:53,750 --> 00:13:50,880
important

241

00:13:55,750 --> 00:13:53,760
that we expand the set and

242

00:13:57,269 --> 00:13:55,760
the camera new cameras and all this

243

00:13:59,110 --> 00:13:57,279
other stuff

244

00:14:01,189 --> 00:13:59,120
but i don't want to do that of course at

245

00:14:03,269 --> 00:14:01,199
the expense of uh

246

00:14:05,590 --> 00:14:03,279
of the sound quality so

247

00:14:07,430 --> 00:14:05,600
you know we'll have to work on that

248

00:14:09,590 --> 00:14:07,440
i'll have to figure out a way to get the

249

00:14:11,350 --> 00:14:09,600
mic in my face maybe we'll do a boom

250

00:14:15,990 --> 00:14:11,360
stand from the top and it'll be right in

251
00:14:21,030 --> 00:14:17,990
no we don't have six views of my head

252
00:14:34,310 --> 00:14:21,040
yet we're still working on uh

253
00:14:39,750 --> 00:14:36,389
yeah we don't have the six views up yet

254
00:14:42,150 --> 00:14:39,760
i think we have uh four now

255
00:14:45,910 --> 00:14:42,160
and uh you know i'm still trying to uh

256
00:14:48,069 --> 00:14:45,920
get a few more going uh it's been very

257
00:14:51,110 --> 00:14:48,079
challenging um

258
00:14:54,389 --> 00:14:51,120
but we're gonna default to

259
00:14:56,550 --> 00:14:54,399
we're gonna try to stop worrying about

260
00:14:58,790 --> 00:14:56,560
stop worrying about the set and the set

261
00:15:01,030 --> 00:14:58,800
pieces and whatever

262
00:15:03,590 --> 00:15:01,040
uh so the microphones right in my face

263
00:15:05,910 --> 00:15:03,600

i'll try to talk right into it for you

264

00:15:07,590 --> 00:15:05,920

audio files

265

00:15:09,269 --> 00:15:07,600

and let's get back to the show and

266

00:15:13,590 --> 00:15:09,279

forget about the production stuff for

267

00:15:16,230 --> 00:15:13,600

now i'll deal with this after so

268

00:15:17,750 --> 00:15:16,240

corey good meteoric rise and then

269

00:15:19,590 --> 00:15:17,760

meteoric fall

270

00:15:22,230 --> 00:15:19,600

because corey good started attacking

271

00:15:23,910 --> 00:15:22,240

everyone including his employer which is

272

00:15:27,030 --> 00:15:23,920

no surprise because his employer

273

00:15:29,110 --> 00:15:27,040

previous to gaia uh he got in such a big

274

00:15:31,189 --> 00:15:29,120

argument and fight with that they got a

275

00:15:32,710 --> 00:15:31,199

lifetime restraining order issued

276

00:15:34,790 --> 00:15:32,720

against him

277

00:15:36,550 --> 00:15:34,800

so

278

00:15:38,069 --> 00:15:36,560

what a uh

279

00:15:39,430 --> 00:15:38,079

what a terrible

280

00:15:42,710 --> 00:15:39,440

terrible

281

00:15:50,310 --> 00:15:42,720

person this guy is in my view it's my

282

00:15:55,189 --> 00:15:52,550

that's spooky you know what do i gotta

283

00:15:56,870 --> 00:15:55,199

share my screen and prove it to you

284

00:16:03,509 --> 00:15:56,880

maybe there's something

285

00:16:26,629 --> 00:16:05,990

i just reconnected the microphone let me

286

00:16:31,590 --> 00:16:28,790

yeah so i've redone the mic it's the

287

00:16:34,310 --> 00:16:31,600

right mic spooky i can show you on my

288

00:16:49,030 --> 00:16:34,320

screen it's the usb microphone that's

289

00:16:56,790 --> 00:16:51,829

oh god i'm ready to just kill this whole

290

00:16:56,800 --> 00:17:05,029

it'll be fine

291

00:17:09,270 --> 00:17:06,789

nothing changed except for the

292

00:17:13,510 --> 00:17:09,280

microphone stand and everybody loses

293

00:17:28,390 --> 00:17:15,189

yeah

294

00:17:30,070 --> 00:17:28,400

it does sound a little tinny today maybe

295

00:17:31,750 --> 00:17:30,080

there's a little bit of like

296

00:17:33,029 --> 00:17:31,760

just from plugging and unplugging the

297

00:17:36,150 --> 00:17:33,039

microphone

298

00:17:40,070 --> 00:17:38,150

got tinny or

299

00:17:42,070 --> 00:17:40,080

sounds a little more distant

300

00:17:44,310 --> 00:17:42,080

yeah let's just get back to the show

301

00:17:46,390 --> 00:17:44,320

i'll fix this after the show

302

00:17:54,950 --> 00:17:46,400

trust me this is not the worst this show

303

00:18:01,750 --> 00:17:57,430

yeah and and now what what's going to go

304

00:18:05,750 --> 00:18:04,070

it's it's spooky i'm going to tell you

305

00:18:07,830 --> 00:18:05,760

for the 10th time

306

00:18:08,630 --> 00:18:07,840

stop messaging me

307

00:18:10,470 --> 00:18:08,640

look

308

00:18:12,150 --> 00:18:10,480

i go to audio

309

00:18:36,230 --> 00:18:12,160

default

310

00:18:39,430 --> 00:18:37,350

you know what we're going to do we're

311

00:18:41,510 --> 00:18:39,440

going to play a musical guest and i'll

312

00:18:43,029 --> 00:18:41,520

try to sort out the microphone issue and

313

00:18:43,830 --> 00:18:43,039

come back

314

00:18:46,390 --> 00:18:43,840

uh

315

00:18:48,150 --> 00:18:46,400

one second

316

00:18:51,430 --> 00:18:48,160

this will be a fun show i have to edit

317

00:18:53,830 --> 00:18:51,440

the first half hour out

318

00:19:02,789 --> 00:18:53,840

these things happen live show works in

319

00:19:06,070 --> 00:19:04,070

all right we're going to play a musical

320

00:19:07,669 --> 00:19:06,080

guest and when we come back hopefully

321

00:19:09,430 --> 00:19:07,679

i'll have the microphone issue sorted

322

00:19:17,910 --> 00:19:09,440

out thank you

323

00:19:59,300 --> 00:19:44,870

[Music]

324

00:20:38,149 --> 00:19:59,310

so

325

00:21:00,960 --> 00:20:38,159

[Music]

326
00:21:15,270 --> 00:21:00,970
me

327
00:21:33,590 --> 00:21:17,260
get away

328
00:21:33,600 --> 00:21:38,070
is

329
00:21:38,080 --> 00:21:46,149
[Music]

330
00:21:46,159 --> 00:21:51,380
is

331
00:22:12,200 --> 00:22:08,950
[Music]

332
00:22:25,590 --> 00:22:12,210
all right here we go

333
00:22:41,990 --> 00:22:25,600
[Music]

334
00:23:21,020 --> 00:22:43,930
is

335
00:23:55,990 --> 00:23:25,510
[Music]

336
00:24:01,029 --> 00:23:57,250
[Applause]

337
00:24:04,710 --> 00:24:02,310
all right

338
00:24:06,789 --> 00:24:04,720

i think we sorted our issues so what i'm

339

00:24:09,990 --> 00:24:06,799

going to do is

340

00:24:12,070 --> 00:24:10,000

uh is everybody ready to get deja vu

341

00:24:15,029 --> 00:24:12,080

because here's what i'm going to do i am

342

00:24:16,070 --> 00:24:15,039

going it says usb condenser microphone

343

00:24:20,950 --> 00:24:16,080

now

344

00:24:23,830 --> 00:24:20,960

the levels are fine uh i am gonna start

345

00:24:25,669 --> 00:24:23,840

we'll start again and i'll cut this uh

346

00:24:27,269 --> 00:24:25,679

i'll mark it private i'll cut it and

347

00:24:28,789 --> 00:24:27,279

we'll start again

348

00:24:38,870 --> 00:24:28,799

so uh

349

00:24:43,269 --> 00:24:40,549

yeah let's try that again and take the

350

00:24:47,190 --> 00:24:43,279

banner down jeez boy man

351

00:24:49,510 --> 00:24:47,200

this is just one of those days

352

00:24:53,590 --> 00:24:49,520

we say we get it warts at all all right

353

00:24:59,190 --> 00:24:56,230

greetings and salutations and welcome

354

00:25:01,110 --> 00:24:59,200

back old friends and new friends welcome

355

00:25:03,190 --> 00:25:01,120

to truth seekers

356

00:25:05,909 --> 00:25:03,200

where we talk about some of the

357

00:25:06,950 --> 00:25:05,919

strangest people and stories on the

358

00:25:08,710 --> 00:25:06,960

internet

359

00:25:09,830 --> 00:25:08,720

and tonight's no different will be

360

00:25:12,549 --> 00:25:09,840

covering

361

00:25:16,630 --> 00:25:12,559

everyone's favorite alien information

362

00:25:18,630 --> 00:25:16,640

garbage man corey the garbage man good

363

00:25:20,630 --> 00:25:18,640

because tonight we'll be covering his

364

00:25:23,510 --> 00:25:20,640

latest intel

365

00:25:26,230 --> 00:25:23,520

uh yeah intelligence drop you know from

366

00:25:27,350 --> 00:25:26,240

the secret space command where he's buck

367

00:25:30,070 --> 00:25:27,360

rogers

368

00:25:31,909 --> 00:25:30,080

and he's trying to save earth

369

00:25:34,630 --> 00:25:31,919

and we'll talk about it friends and

370

00:25:39,029 --> 00:25:34,640

we'll be talking about his meteoric rise

371

00:25:44,710 --> 00:25:42,470

crashing and burning of late what can i

372

00:25:46,789 --> 00:25:44,720

say friends uh

373

00:25:49,750 --> 00:25:46,799

this is one of those stories that we've

374

00:25:53,669 --> 00:25:49,760

been following for quite some time and

375

00:25:55,909 --> 00:25:53,679

we will continue to cover

376

00:25:58,070 --> 00:25:55,919

it's one of those stories that i just

377

00:26:00,070 --> 00:25:58,080

can't stop watching

378

00:26:01,430 --> 00:26:00,080

it's kind of like a car crash right you

379

00:26:03,430 --> 00:26:01,440

don't want to see anybody get hurt but

380

00:26:07,830 --> 00:26:03,440

you can't help looking you just can't

381

00:26:12,070 --> 00:26:10,149

all right uh boy i want to thank

382

00:26:15,029 --> 00:26:12,080

everybody we've got a couple of super

383

00:26:16,470 --> 00:26:15,039

chats already uh one i missed from

384

00:26:18,789 --> 00:26:16,480

earlier

385

00:26:20,870 --> 00:26:18,799

uh let me check let me go all the way

386

00:26:22,470 --> 00:26:20,880

back so we check yeah i'll thank the

387

00:26:25,909 --> 00:26:22,480

super chatters here and then we'll get

388

00:26:28,710 --> 00:26:25,919

into our presentation sound is fine lfg

389

00:26:30,789 --> 00:26:28,720

we want the blue chickens thank you jmod

390

00:26:32,870 --> 00:26:30,799

and zt for your kind and generous is

391

00:26:33,909 --> 00:26:32,880

that new zealand two dollars thank you

392

00:26:38,310 --> 00:26:33,919

very much

393

00:26:40,390 --> 00:26:38,320

and marina mavro genus for a uh kind and

394

00:26:41,269 --> 00:26:40,400

generous two dollar super chat sound is

395

00:26:43,990 --> 00:26:41,279

fine

396

00:26:45,990 --> 00:26:44,000

carry on yeah i think i may have tried

397

00:26:47,909 --> 00:26:46,000

to do too much at once right we should

398

00:26:48,950 --> 00:26:47,919

have scaled in some of this stuff so

399

00:26:51,430 --> 00:26:48,960

it's not

400

00:26:55,669 --> 00:26:51,440

ten new things at one time that's what

401
00:26:58,310 --> 00:26:55,679
causes some of the technical issues

402
00:27:00,310 --> 00:26:58,320
mod nzt with another kind of generous i

403
00:27:01,750 --> 00:27:00,320
think that's 20 new zealand it's super

404
00:27:03,830 --> 00:27:01,760
annoying when you have to stop a show to

405
00:27:05,430 --> 00:27:03,840
cater to perfectionist when the audio is

406
00:27:07,190 --> 00:27:05,440
absolutely fine i'm listening on my cell

407
00:27:09,269 --> 00:27:07,200
phone and it's great long time watcher

408
00:27:11,830 --> 00:27:09,279
you show those blue chickens who's bossy

409
00:27:13,350 --> 00:27:11,840
well i appreciate that j mod nzt and

410
00:27:15,269 --> 00:27:13,360
thank you for your kindness

411
00:27:17,990 --> 00:27:15,279
your generosity and your support of the

412
00:27:19,830 --> 00:27:18,000
show and continued support of the show

413
00:27:22,590 --> 00:27:19,840

sally then

414

00:27:26,070 --> 00:27:22,600

uh then devoured with kind of generous

415

00:27:28,470 --> 00:27:26,080

9.99 says thanks for being real uh well

416

00:27:30,470 --> 00:27:28,480

i apologize i was losing my temper here

417

00:27:31,590 --> 00:27:30,480

because

418

00:27:32,870 --> 00:27:31,600

for those that don't know i've been

419

00:28:45,830 --> 00:27:32,880

working on this

420

00:28:48,389 --> 00:28:46,630

so

421

00:28:49,510 --> 00:28:48,399

we're going to forge ahead here that's

422

00:28:51,510 --> 00:28:49,520

what we're going to do and i want to

423

00:28:53,830 --> 00:28:51,520

thank uh everybody for their

424

00:28:55,190 --> 00:28:53,840

understanding of the strange

425

00:28:56,510 --> 00:28:55,200

issues

426
00:29:03,110 --> 00:28:56,520
and

427
00:29:06,470 --> 00:29:04,549
jeez

428
00:29:09,029 --> 00:29:06,480
check one

429
00:29:13,909 --> 00:29:09,039
yeah now it should be okay

430
00:29:17,190 --> 00:29:15,750
yeah maybe i'm trolling the audio files

431
00:29:19,830 --> 00:29:17,200
so we're going to try to keep things

432
00:29:22,470 --> 00:29:19,840
simple we're going to go back to uh you

433
00:29:24,710 --> 00:29:22,480
know our our roots here with just the

434
00:29:28,389 --> 00:29:24,720
original setup the original setup that

435
00:29:30,789 --> 00:29:28,399
we use and nothing uh more spectacular

436
00:29:33,669 --> 00:29:30,799
than that because apparently i need to

437
00:29:35,750 --> 00:29:33,679
do more testing and make sure all this

438
00:29:36,950 --> 00:29:35,760

works so

439

00:29:38,789 --> 00:29:36,960

we'll do that

440

00:29:40,950 --> 00:29:38,799

so let's get into it we're going to get

441

00:29:42,870 --> 00:29:40,960

into corey good for those who don't know

442

00:29:44,870 --> 00:29:42,880

corey good came out about six years ago

443

00:29:47,590 --> 00:29:44,880

with some fantastical story about being

444

00:29:49,590 --> 00:29:47,600

a time traveling space adventurer

445

00:29:51,510 --> 00:29:49,600

kind of like buck rogers you know he

446

00:29:54,470 --> 00:29:51,520

time travels and

447

00:29:56,389 --> 00:29:54,480

uh he got age regressed

448

00:29:57,430 --> 00:29:56,399

yeah it's that one camera angle you're

449

00:29:59,669 --> 00:29:57,440

right

450

00:30:02,070 --> 00:29:59,679

so i have to figure that out

451

00:30:03,510 --> 00:30:02,080

how to fix that it should still it

452

00:30:07,830 --> 00:30:03,520

should still

453

00:30:11,750 --> 00:30:10,070

yeah i'm gonna i'm not messing with any

454

00:30:14,310 --> 00:30:11,760

cameras we're just gonna do it old

455

00:30:17,269 --> 00:30:14,320

school tonight for one more show

456

00:30:19,430 --> 00:30:17,279

uh we've waited this long

457

00:30:23,350 --> 00:30:19,440

so i apologize for all the technical

458

00:30:24,789 --> 00:30:23,360

snafus will uh we're gonna go do this

459

00:30:28,230 --> 00:30:24,799

old school

460

00:30:29,510 --> 00:30:28,240

uh the way that we've been doing this

461

00:30:31,350 --> 00:30:29,520

so

462

00:30:35,190 --> 00:30:31,360

we're gonna go to cory good's video

463

00:30:39,990 --> 00:30:35,200

which is entitled ssp alliance update

464

00:30:49,430 --> 00:30:40,000

gray alien agenda revealed right

465

00:30:52,549 --> 00:30:50,789

first we're going to get our fair use

466

00:30:53,750 --> 00:30:52,559

banner up here

467

00:30:56,470 --> 00:30:53,760

you know there's something to be said

468

00:30:58,149 --> 00:30:56,480

for keeping things simple uh but you

469

00:31:00,710 --> 00:30:58,159

know i figured out a way to do these

470

00:31:02,389 --> 00:31:00,720

multi-cameras setup so i said yeah let's

471

00:31:05,110 --> 00:31:02,399

do that that would add some production

472

00:31:07,110 --> 00:31:05,120

value to the show but not if the show is

473

00:31:10,710 --> 00:31:07,120

going haywire every time you try to use

474

00:31:12,230 --> 00:31:10,720

these uh more advanced things right

475

00:31:13,750 --> 00:31:12,240

uh i don't want to do anything too

476

00:31:15,190 --> 00:31:13,760

complicated if it's just going to screw

477

00:31:15,990 --> 00:31:15,200

up the show

478

00:31:19,110 --> 00:31:16,000

so

479

00:31:20,389 --> 00:31:19,120

back to more testing thought we had it

480

00:31:22,789 --> 00:31:20,399

i guess not

481

00:31:25,029 --> 00:31:22,799

all right uh we're going to share

482

00:31:27,830 --> 00:31:25,039

first we're going to share my uh

483

00:31:29,830 --> 00:31:27,840

my fair use banner this is fair use

484

00:31:32,950 --> 00:31:29,840

a lot of these guys including corey good

485

00:31:33,750 --> 00:31:32,960

don't like it when you use their video

486

00:31:36,950 --> 00:31:33,760

and

487

00:31:38,789 --> 00:31:36,960

transformative work we're educating the

488

00:31:41,590 --> 00:31:38,799

public and we're going to be critiquing

489

00:31:48,230 --> 00:31:41,600

the video that we are sharing and this

490

00:31:54,149 --> 00:31:50,630

and again this is his video titled ssp

491

00:31:56,310 --> 00:31:54,159

alliance update gray alien agenda

492

00:32:00,149 --> 00:31:56,320

revealed

493

00:32:03,430 --> 00:32:00,159

abductions implants and soul jacking

494

00:32:05,190 --> 00:32:03,440

let's get into it friends

495

00:32:15,430 --> 00:32:05,200

now let's do this one more time to make

496

00:32:19,269 --> 00:32:17,110

all right here we go friends let's get

497

00:32:21,909 --> 00:32:19,279

into cory good's latest garbage false

498

00:32:25,029 --> 00:32:21,919

gifts and their broken promises much

499

00:32:27,750 --> 00:32:25,039

pain but still time believe there is

500

00:32:30,310 --> 00:32:27,760

good out there we oppose deception

501
00:32:31,990 --> 00:32:30,320
conduit closing

502
00:32:34,070 --> 00:32:32,000
and i love how corey good takes things

503
00:32:37,269 --> 00:32:34,080
that are already out there in the

504
00:32:41,110 --> 00:32:37,279
ether of you know aliens and ufos he's

505
00:32:43,110 --> 00:32:41,120
quoting a uh crop circle formation here

506
00:32:45,590 --> 00:32:43,120
that was supposed to be an answer to the

507
00:32:46,870 --> 00:32:45,600
arecibo message which was beamed out

508
00:32:49,190 --> 00:32:46,880
into space

509
00:32:52,230 --> 00:32:49,200
and it was a warning from aliens that

510
00:32:54,630 --> 00:32:52,240
some aliens are deceiving everyone

511
00:32:57,190 --> 00:32:54,640
i'm not sure that that crop circle

512
00:32:58,950 --> 00:32:57,200
formation has ever been proven to be a

513
00:32:59,830 --> 00:32:58,960

hoax but it's never been proven to be

514

00:33:01,909 --> 00:32:59,840

real

515

00:33:04,310 --> 00:33:01,919

so here's corey goode

516

00:33:06,149 --> 00:33:04,320

latching himself onto already existing

517

00:33:07,909 --> 00:33:06,159

mythology we've talked about this before

518

00:33:10,710 --> 00:33:07,919

if you want to convince people that your

519

00:33:12,950 --> 00:33:10,720

alien ufo information is real you got to

520

00:33:14,630 --> 00:33:12,960

put in stuff they already that these

521

00:33:16,230 --> 00:33:14,640

people already believe

522

00:33:18,070 --> 00:33:16,240

and a lot of people believe that that

523

00:33:19,830 --> 00:33:18,080

crop circle and message was really from

524

00:33:21,909 --> 00:33:19,840

aliens i don't

525

00:33:26,620 --> 00:33:21,919

um and most people with a brain don't

526

00:33:35,029 --> 00:33:31,970

[Music]

527

00:33:37,269 --> 00:33:35,039

and i gotta say after seeing these last

528

00:33:39,590 --> 00:33:37,279

two videos i'm wondering who it is that

529

00:33:41,269 --> 00:33:39,600

is doing this work for corey good

530

00:33:43,509 --> 00:33:41,279

if you could call this work it's like

531

00:33:45,590 --> 00:33:43,519

let's mix together a bunch of

532

00:33:47,430 --> 00:33:45,600

crappy animations

533

00:33:49,830 --> 00:33:47,440

and then the speech hello voice really

534

00:33:52,389 --> 00:33:49,840

gets me somebody bought speech hello and

535

00:33:53,990 --> 00:33:52,399

somebody needs to explain to me if this

536

00:33:56,630 --> 00:33:54,000

guy's really in contact with super

537

00:33:59,909 --> 00:33:56,640

advanced extraterrestrials right

538

00:34:01,669 --> 00:33:59,919

why would they just let him use a 20 app

539

00:34:04,470 --> 00:34:01,679

that anybody could buy on the internet

540

00:34:07,190 --> 00:34:04,480

to read his garbage information

541

00:34:09,349 --> 00:34:07,200

so-called intel on the internet when

542

00:34:11,750 --> 00:34:09,359

they get an alien to narrate it for him

543

00:34:14,470 --> 00:34:11,760

or somebody you know give him some money

544

00:34:17,109 --> 00:34:14,480

maybe so he could hire a human voice

545

00:34:18,310 --> 00:34:17,119

actor so just sound so stupid and

546

00:34:20,710 --> 00:34:18,320

robotic

547

00:34:24,710 --> 00:34:20,720

why would aliens let their

548

00:34:26,389 --> 00:34:24,720

chosen one use a 20 earth app to read

549

00:34:28,629 --> 00:34:26,399

their garbage information on the

550

00:34:31,589 --> 00:34:28,639

internet it makes no sense but welcome

551
00:34:35,399 --> 00:34:31,599
to the wacky world of corey the garbage

552
00:34:44,550 --> 00:34:35,409
man good here we go folks

553
00:34:49,510 --> 00:34:46,950
from chief of operations

554
00:34:51,109 --> 00:34:49,520
to all governments militaries and

555
00:34:53,430 --> 00:34:51,119
citizens of earth

556
00:34:55,750 --> 00:34:53,440
subject reconnaissance mission over the

557
00:34:58,550 --> 00:34:55,760
tall grave bases and the solar system

558
00:35:00,230 --> 00:34:58,560
lockdown this is an official ssp

559
00:35:02,150 --> 00:35:00,240
alliance release

560
00:35:05,030 --> 00:35:02,160
yeah uh so we're gonna back that up a

561
00:35:08,550 --> 00:35:05,040
little bit so according to corey goode

562
00:35:11,750 --> 00:35:08,560
this is from the chief of operations

563
00:35:14,310 --> 00:35:11,760

uh of this of a secret space program

564

00:35:16,790 --> 00:35:14,320

and they're putting this information out

565

00:35:19,990 --> 00:35:16,800

and this makes no sense if you've got a

566

00:35:21,990 --> 00:35:20,000

secret space program why would you post

567

00:35:23,190 --> 00:35:22,000

all this stuff about the secret space

568

00:35:26,150 --> 00:35:23,200

program

569

00:35:28,710 --> 00:35:26,160

on the internet for anybody to read or

570

00:35:29,670 --> 00:35:28,720

listen to this robot voice telling this

571

00:35:32,470 --> 00:35:29,680

story

572

00:35:34,230 --> 00:35:32,480

and who is the chief of operations well

573

00:35:36,150 --> 00:35:34,240

it's one of cory good's imaginary

574

00:35:38,150 --> 00:35:36,160

friends because nobody gets to talk to

575

00:35:40,390 --> 00:35:38,160

that chief of operations nobody gets to

576

00:35:42,550 --> 00:35:40,400

see a picture of him you know why

577

00:35:44,630 --> 00:35:42,560

because he doesn't exist because this is

578

00:35:45,910 --> 00:35:44,640

corey goode's land of garbage

579

00:35:48,069 --> 00:35:45,920

make-believe

580

00:35:50,950 --> 00:35:48,079

that's where we're at corey goode and

581

00:35:53,990 --> 00:35:50,960

his imaginary friends made this video

582

00:35:55,510 --> 00:35:54,000

about the secret space program hey dummy

583

00:35:58,069 --> 00:35:55,520

it's a secret you're not supposed to be

584

00:35:59,910 --> 00:35:58,079

blabbing it on the internet for money

585

00:36:03,430 --> 00:35:59,920

but he is down

586

00:36:06,069 --> 00:36:03,440

this is an official ssp alliance release

587

00:36:09,030 --> 00:36:06,079

the disclosures we have brought forward

588

00:36:12,230 --> 00:36:09,040

have been compromised fake secret space

589

00:36:14,710 --> 00:36:12,240

program veterans super soldier imposters

590

00:36:17,829 --> 00:36:14,720

and et contactees have released

591

00:36:20,230 --> 00:36:17,839

considerable misinformation oh

592

00:36:22,870 --> 00:36:20,240

super soldier and posters

593

00:36:25,030 --> 00:36:22,880

right he can't even get the stupid robot

594

00:36:27,030 --> 00:36:25,040

voice to read his text right you know

595

00:36:28,950 --> 00:36:27,040

how easy this is to fix i've said it

596

00:36:31,430 --> 00:36:28,960

before corey good you gotta spell it out

597

00:36:32,470 --> 00:36:31,440

phonetically for the robot voice to read

598

00:36:34,630 --> 00:36:32,480

it right

599

00:36:35,510 --> 00:36:34,640

spell it like it sounds

600

00:36:37,670 --> 00:36:35,520

right

601
00:36:40,470 --> 00:36:37,680
he can't even do that why would super

602
00:36:43,349 --> 00:36:40,480
advanced aliens pick this guy as a

603
00:36:46,790 --> 00:36:43,359
messenger and then let him use a crappy

604
00:36:49,829 --> 00:36:46,800
twenty dollar speech hello app to read

605
00:36:51,589 --> 00:36:49,839
this crap information when it doesn't

606
00:36:53,349 --> 00:36:51,599
make any sense and it can't even read

607
00:36:55,030 --> 00:36:53,359
the information right with super

608
00:36:57,510 --> 00:36:55,040
advanced aliens

609
00:36:58,470 --> 00:36:57,520
and an alliance of aliens trying to save

610
00:37:01,750 --> 00:36:58,480
earth

611
00:37:04,150 --> 00:37:01,760
pick this guy who's going to use a 20

612
00:37:07,190 --> 00:37:04,160
robot voice to read the information to

613
00:37:08,790 --> 00:37:07,200

all of earth sure that sounds plausible

614

00:37:10,870 --> 00:37:08,800

sure it does

615

00:37:12,710 --> 00:37:10,880

to keep humanity from fighting oh and

616

00:37:15,109 --> 00:37:12,720

you notice that thing about everybody

617

00:37:17,510 --> 00:37:15,119

else's misinformation all those super

618

00:37:20,310 --> 00:37:17,520

soldiers are fake all those other super

619

00:37:22,630 --> 00:37:20,320

space guys are fake for freedom with a

620

00:37:24,950 --> 00:37:22,640

full sense of security they are peddling

621

00:37:27,670 --> 00:37:24,960

the narrative that the mars colonies

622

00:37:29,589 --> 00:37:27,680

moon and antarctica bases have been

623

00:37:31,349 --> 00:37:29,599

liberated from the grey alien and

624

00:37:33,430 --> 00:37:31,359

reptilian forces

625

00:37:36,069 --> 00:37:33,440

to combat these counter-intelligence

626
00:37:38,310 --> 00:37:36,079
campaigns we are releasing a series of

627
00:37:41,430 --> 00:37:38,320
briefings straight from our highest

628
00:37:44,870 --> 00:37:41,440
ranking officers without intermediaries

629
00:37:47,349 --> 00:37:44,880
we yeah uh okay so can we meet any of

630
00:37:49,030 --> 00:37:47,359
those high-ranking officers in the

631
00:37:52,630 --> 00:37:49,040
secret space program

632
00:37:55,510 --> 00:37:52,640
of course not nobody we never get we

633
00:37:57,589 --> 00:37:55,520
never get to meet any of cory good's

634
00:37:59,750 --> 00:37:57,599
imaginary friends and he's got a whole

635
00:38:02,069 --> 00:37:59,760
bunch of them right gonzalez some other

636
00:38:03,910 --> 00:38:02,079
dude right mccooy

637
00:38:06,150 --> 00:38:03,920
they're so original that they named the

638
00:38:08,470 --> 00:38:06,160

doctor mccooy in their secret space

639

00:38:10,550 --> 00:38:08,480

program but nobody gets to see any of

640

00:38:12,310 --> 00:38:10,560

these people nobody gets to interview

641

00:38:14,150 --> 00:38:12,320

them or talk to them we're just supposed

642

00:38:15,750 --> 00:38:14,160

to take corey good's word for it that

643

00:38:18,150 --> 00:38:15,760

they're not his imaginary friends and

644

00:38:20,630 --> 00:38:18,160

that they actually exist because some

645

00:38:23,109 --> 00:38:20,640

robot voice reading text that apparently

646

00:38:25,510 --> 00:38:23,119

corey good wrote right somebody's got to

647

00:38:27,910 --> 00:38:25,520

write this garbage

648

00:38:29,910 --> 00:38:27,920

so corey good breaks this garbage and

649

00:38:31,589 --> 00:38:29,920

then it gets a robot to read it like

650

00:38:33,670 --> 00:38:31,599

this is going to be more convincing than

651
00:38:34,630 --> 00:38:33,680
me sitting on camera telling everybody

652
00:38:43,750 --> 00:38:34,640
this

653
00:38:46,390 --> 00:38:43,760
has reached such a level of incomplete

654
00:38:48,630 --> 00:38:46,400
and total garbage that he's too

655
00:38:50,550 --> 00:38:48,640
embarrassed to sit on camera and say

656
00:38:52,470 --> 00:38:50,560
this stuff that's what i think so he's

657
00:38:55,190 --> 00:38:52,480
gotta get a robot voice to read it

658
00:38:56,630 --> 00:38:55,200
because it's so stupid childish and

659
00:38:59,349 --> 00:38:56,640
ridiculous

660
00:39:00,390 --> 00:38:59,359
we strongly recommend that you disregard

661
00:39:03,030 --> 00:39:00,400
information

662
00:39:04,069 --> 00:39:03,040
that is not coming directly from us

663
00:39:07,510 --> 00:39:04,079

there you go

664

00:39:09,270 --> 00:39:07,520

this is right out of every cult handbook

665

00:39:12,630 --> 00:39:09,280

everybody else's information is

666

00:39:15,910 --> 00:39:12,640

inaccurate or wrong or not the whole

667

00:39:19,349 --> 00:39:15,920

truth only we have the truth

668

00:39:21,030 --> 00:39:19,359

this friends is a an act of desperation

669

00:39:22,870 --> 00:39:21,040

on corey good's part

670

00:39:26,230 --> 00:39:22,880

we talked about

671

00:39:28,310 --> 00:39:26,240

when gaia hired other talent

672

00:39:30,950 --> 00:39:28,320

to tell fake secret space program

673

00:39:33,030 --> 00:39:30,960

stories corey good lost his mind

674

00:39:34,950 --> 00:39:33,040

right started plotting against this

675

00:39:37,430 --> 00:39:34,960

multi-million dollar corporation that

676
00:39:39,030 --> 00:39:37,440
was employing him and paying him to tell

677
00:39:40,310 --> 00:39:39,040
his fake stories

678
00:39:45,190 --> 00:39:40,320
started this

679
00:39:47,349 --> 00:39:45,200
facebook group to bring down that whole

680
00:39:49,510 --> 00:39:47,359
company and any left in a blaze of glory

681
00:39:52,069 --> 00:39:49,520
with david wilcock

682
00:39:54,230 --> 00:39:52,079
this guy thinks that he should be the

683
00:39:56,870 --> 00:39:54,240
only idiot out there telling fake

684
00:39:59,430 --> 00:39:56,880
stories about aliens and he's going to

685
00:40:01,270 --> 00:39:59,440
tell everybody listening to him we

686
00:40:03,270 --> 00:40:01,280
strongly recommend that you disregard

687
00:40:04,630 --> 00:40:03,280
information that is not coming directly

688
00:40:05,510 --> 00:40:04,640

from us

689

00:40:08,550 --> 00:40:05,520

again

690

00:40:10,550 --> 00:40:08,560

corey good can't stand competition

691

00:40:12,150 --> 00:40:10,560

he doesn't want anybody else to be able

692

00:40:14,710 --> 00:40:12,160

to go around telling people that they're

693

00:40:17,270 --> 00:40:14,720

buck rogers except for him he's the only

694

00:40:20,230 --> 00:40:17,280

buck rogers that matters in the secret

695

00:40:21,990 --> 00:40:20,240

space program at time traveling space

696

00:40:22,950 --> 00:40:22,000

adventurer you know

697

00:40:25,990 --> 00:40:22,960

stuff

698

00:40:28,470 --> 00:40:26,000

even when other so-called whistleblowers

699

00:40:30,870 --> 00:40:28,480

came forward with similar stories to him

700

00:40:32,550 --> 00:40:30,880

uh that would seem to corroborate things

701

00:40:35,190 --> 00:40:32,560

that he would say he would say no

702

00:40:40,470 --> 00:40:37,829

in our last briefing we described the

703

00:40:43,190 --> 00:40:40,480

reconnaissance delegations observations

704

00:40:45,430 --> 00:40:43,200

of the reptilian base in antarctica we

705

00:40:48,390 --> 00:40:45,440

talked about their deep underground city

706

00:40:50,630 --> 00:40:48,400

castes feeding on luch and several races

707

00:40:53,109 --> 00:40:50,640

of different beings enslaved by the

708

00:40:55,589 --> 00:40:53,119

reptilians and their ai god

709

00:40:57,829 --> 00:40:55,599

yeah and let's back this up because look

710

00:41:02,550 --> 00:40:57,839

at this picture

711

00:41:05,190 --> 00:41:02,560

base in antarctica well it's not a

712

00:41:07,270 --> 00:41:05,200

picture it's a drawing do you know why

713

00:41:09,589 --> 00:41:07,280

because it doesn't exist except the

714

00:41:11,109 --> 00:41:09,599

corey good's imagination and i just want

715

00:41:13,270 --> 00:41:11,119

to say this i've said it before i'm

716

00:41:14,390 --> 00:41:13,280

going to say it again corey good you

717

00:41:16,470 --> 00:41:14,400

dummy

718

00:41:18,069 --> 00:41:16,480

there are

719

00:41:20,309 --> 00:41:18,079

touring companies

720

00:41:21,589 --> 00:41:20,319

right there our travel companies that

721

00:41:24,150 --> 00:41:21,599

will take you

722

00:41:26,550 --> 00:41:24,160

on an expedition to antarctica to

723

00:41:29,510 --> 00:41:26,560

anywhere in antarctica you want to go

724

00:41:31,670 --> 00:41:29,520

so if you really know where some base in

725

00:41:33,109 --> 00:41:31,680

antarctica is want to hop on a

726

00:41:34,470 --> 00:41:33,119

helicopter

727

00:41:37,510 --> 00:41:34,480

dress warm

728

00:41:39,750 --> 00:41:37,520

bring some cameras and show us the bass

729

00:41:42,470 --> 00:41:39,760

he never does and he never will because

730

00:41:44,950 --> 00:41:42,480

it doesn't exist and corey good so dumb

731

00:41:47,109 --> 00:41:44,960

that he thinks his followers are so dumb

732

00:41:49,109 --> 00:41:47,119

that no one will figure out that anybody

733

00:41:50,550 --> 00:41:49,119

can go to anywhere in antarctica just

734

00:41:52,870 --> 00:41:50,560

about anywhere

735

00:41:54,870 --> 00:41:52,880

right you can charter a helicopter and

736

00:41:57,270 --> 00:41:54,880

cory good's making hundreds of thousands

737

00:41:59,430 --> 00:41:57,280

of dollars selling this garbage if he's

738

00:42:01,990 --> 00:41:59,440

got hundreds of thousands of dollars he

739

00:42:03,829 --> 00:42:02,000

can hire a helicopter crew to take him

740

00:42:06,309 --> 00:42:03,839

right to where the aliens told him this

741

00:42:09,190 --> 00:42:06,319

reptilian base is and take some pictures

742

00:42:10,790 --> 00:42:09,200

but we never get that what do we get

743

00:42:12,710 --> 00:42:10,800

drawings of it

744

00:42:15,270 --> 00:42:12,720

because it doesn't exist

745

00:42:17,829 --> 00:42:15,280

accepting corey good's imagination

746

00:42:18,710 --> 00:42:17,839

enslaved by the reptilians and their ai

747

00:42:20,230 --> 00:42:18,720

god

748

00:42:22,470 --> 00:42:20,240

this briefing will cover the

749

00:42:25,910 --> 00:42:22,480

delegation's observations of the tall

750

00:42:28,630 --> 00:42:25,920

grey bases and the solar system lockdown

751
00:42:31,109 --> 00:42:28,640
tall grey aliens whose skin ranges from

752
00:42:33,670 --> 00:42:31,119
white to gray are frequently lumped into

753
00:42:36,710 --> 00:42:33,680
a gray alien category based on their

754
00:42:38,870 --> 00:42:36,720
classic gray alien looking physiology

755
00:42:41,349 --> 00:42:38,880
most aliens with variations of this

756
00:42:43,430 --> 00:42:41,359
physiology are not related they

757
00:42:46,230 --> 00:42:43,440
originate from and inhabit different

758
00:42:48,950 --> 00:42:46,240
locations in the universe okay and here

759
00:42:51,510 --> 00:42:48,960
again we don't get actual film of a real

760
00:42:53,990 --> 00:42:51,520
alien even though this clown claims that

761
00:42:56,790 --> 00:42:54,000
he talks to aliens all the time right

762
00:43:00,309 --> 00:42:56,800
look this is so stupid and so ridiculous

763
00:43:03,270 --> 00:43:00,319

at this point i i i want to tap out

764

00:43:04,790 --> 00:43:03,280

right when i can't but here's the deal

765

00:43:09,510 --> 00:43:04,800

if he really

766

00:43:10,710 --> 00:43:09,520

day couldn't he say look people are

767

00:43:11,589 --> 00:43:10,720

saying that i'm

768

00:43:14,069 --> 00:43:11,599

i'm

769

00:43:16,550 --> 00:43:14,079

telling buck rogers stories can i get my

770

00:43:19,349 --> 00:43:16,560

camera and get a selfie with you the

771

00:43:21,349 --> 00:43:19,359

aliens so that i can prove to everybody

772

00:43:23,990 --> 00:43:21,359

that i'm not just some clown telling

773

00:43:26,150 --> 00:43:24,000

fake stories that i'm not full of [\h__\h]

774

00:43:28,710 --> 00:43:26,160

of course he doesn't of course he does

775

00:43:31,589 --> 00:43:28,720

and he's always got some excuse for why

776

00:43:35,109 --> 00:43:31,599

he's got to show animations of things

777

00:43:37,190 --> 00:43:35,119

comic book drawings of things that don't

778

00:43:38,470 --> 00:43:37,200

ex you know you know what else is in

779

00:43:40,550 --> 00:43:38,480

comic books

780

00:43:43,190 --> 00:43:40,560

fiction things that don't exist get

781

00:43:45,990 --> 00:43:43,200

drawn in comic books

782

00:43:48,870 --> 00:43:46,000

and others although they look similar

783

00:43:51,349 --> 00:43:48,880

for example small gray aliens are bio

784

00:43:53,190 --> 00:43:51,359

androids that many extraterrestrial

785

00:43:56,309 --> 00:43:53,200

groups including the nordics and

786

00:43:58,630 --> 00:43:56,319

reptilians use as standard hardware akin

787

00:44:00,870 --> 00:43:58,640

to a personal computer to automate and

788

00:44:02,790 --> 00:44:00,880

complete tasks uh and i think this is

789

00:44:04,630 --> 00:44:02,800

supposed to be from corey goods this is

790

00:44:07,190 --> 00:44:04,640

pieces of cory good's comic book that

791

00:44:09,190 --> 00:44:07,200

he's been producing for five years

792

00:44:11,030 --> 00:44:09,200

uh i know some people that make comic

793

00:44:13,750 --> 00:44:11,040

books it doesn't take five years to make

794

00:44:16,069 --> 00:44:13,760

a single graphic novel and no matter

795

00:44:16,870 --> 00:44:16,079

what you're doing no matter how good

796

00:44:18,870 --> 00:44:16,880

you know

797

00:44:21,349 --> 00:44:18,880

i i know a guy that made a 100 page

798

00:44:23,109 --> 00:44:21,359

graphic novel in three months but corey

799

00:44:25,510 --> 00:44:23,119

goode has been milking this comic book

800

00:44:27,270 --> 00:44:25,520

for five years taking pre-orders he

801
00:44:29,910 --> 00:44:27,280
still has yet to deliver it last i

802
00:44:31,910 --> 00:44:29,920
checked but he keeps using pieces of it

803
00:44:34,870 --> 00:44:31,920
in his presentation

804
00:44:36,630 --> 00:44:34,880
and uh there's all kinds of controversy

805
00:44:38,870 --> 00:44:36,640
and rumors about the

806
00:44:41,270 --> 00:44:38,880
the comic book like

807
00:44:43,190 --> 00:44:41,280
i don't know i've heard and this again

808
00:44:45,270 --> 00:44:43,200
this is rumors that i've heard take from

809
00:44:47,109 --> 00:44:45,280
that what you will that

810
00:44:49,109 --> 00:44:47,119
uh the reason it's taking so long is

811
00:44:50,550 --> 00:44:49,119
because he doesn't pay the artists and

812
00:44:51,750 --> 00:44:50,560
there has been a whole bunch of

813
00:44:53,670 --> 00:44:51,760

different artists that were supposed to

814

00:44:54,630 --> 00:44:53,680

be working on this comic book for years

815

00:44:56,470 --> 00:44:54,640

now

816

00:44:57,990 --> 00:44:56,480

and suddenly they just stopped working

817

00:44:59,270 --> 00:44:58,000

on the project and nobody knows what

818

00:45:01,430 --> 00:44:59,280

happened

819

00:45:03,910 --> 00:45:01,440

the tall grays and reptilians are

820

00:45:06,630 --> 00:45:03,920

awesome here's the hot alien ant sharks

821

00:45:09,510 --> 00:45:06,640

well this isn't this isn't aliens this

822

00:45:12,069 --> 00:45:09,520

is the anshar which are future humans

823

00:45:14,630 --> 00:45:12,079

that live in honeycomb earth and he

824

00:45:16,630 --> 00:45:14,640

talks to them every day too

825

00:45:18,870 --> 00:45:16,640

but he can't get a picture with them

826

00:45:21,750 --> 00:45:18,880

he can't get a film right he's got to

827

00:45:24,309 --> 00:45:21,760

show us a comic book drawing of his

828

00:45:26,069 --> 00:45:24,319

anshar girlfriend who just happens to be

829

00:45:27,430 --> 00:45:26,079

hot blonde right

830

00:45:30,309 --> 00:45:27,440

sure

831

00:45:32,710 --> 00:45:30,319

alongside their allies tall nordic rogue

832

00:45:35,030 --> 00:45:32,720

federations who use the human looking

833

00:45:36,630 --> 00:45:35,040

extraterrestrials to trick humans into

834

00:45:37,910 --> 00:45:36,640

thinking they are interacting with

835

00:45:41,870 --> 00:45:37,920

angelic

836

00:45:49,670 --> 00:45:41,880

or advanced positive eti races

837

00:45:55,190 --> 00:45:52,550

in december 2017 good released

838

00:45:57,270 --> 00:45:55,200

information on the tall grays describing

839

00:45:59,589 --> 00:45:57,280

them as approximately eight feet tall

840

00:46:01,430 --> 00:45:59,599

leaders of the orion group controlled by

841

00:46:03,510 --> 00:46:01,440

the ai god

842

00:46:05,030 --> 00:46:03,520

yeah and uh if he's so concerned about

843

00:46:07,589 --> 00:46:05,040

an ai god

844

00:46:08,790 --> 00:46:07,599

why is he using a robot voice to read

845

00:46:10,470 --> 00:46:08,800

this stuff

846

00:46:12,150 --> 00:46:10,480

and uh there's somebody in the live chat

847

00:46:14,309 --> 00:46:12,160

saying whatever stephen can be in corey

848

00:46:17,349 --> 00:46:14,319

goode is earth ambassador to the secret

849

00:46:21,589 --> 00:46:20,069

i hope that they're being uh

850

00:46:25,750 --> 00:46:21,599

i hope that they're

851
00:46:30,069 --> 00:46:27,589
somebody else says corey good as a flip

852
00:46:32,470 --> 00:46:30,079
phone being beyond magic and all

853
00:46:35,430 --> 00:46:34,390
lauren henson the guy that i know he

854
00:46:37,349 --> 00:46:35,440
drew it

855
00:46:39,270 --> 00:46:37,359
there was a writer and an anchor but he

856
00:46:42,950 --> 00:46:39,280
did all the drawing in three months 100

857
00:46:44,790 --> 00:46:42,960
and some page graphic novel uh

858
00:46:46,069 --> 00:46:44,800
yeah maybe corey good's smartphone

859
00:46:47,990 --> 00:46:46,079
doesn't have a camera that's why he

860
00:46:50,870 --> 00:46:48,000
can't get us any pictures

861
00:46:53,910 --> 00:46:50,880
of of the of the aliens right it's

862
00:46:56,950 --> 00:46:53,920
always got to be drawings and and you

863
00:46:58,950 --> 00:46:56,960

know computer animations he can't he's

864

00:47:01,910 --> 00:46:58,960

been interacting with aliens for five

865

00:47:03,589 --> 00:47:01,920

years straight now on an almost daily or

866

00:47:09,589 --> 00:47:03,599

weekly basis but he can't get us a

867

00:47:13,349 --> 00:47:11,829

the programmer thinks corey and david's

868

00:47:14,710 --> 00:47:13,359

aliens are government agents

869

00:47:16,630 --> 00:47:14,720

experimenting with artificial

870

00:47:19,349 --> 00:47:16,640

intelligence uh

871

00:47:20,150 --> 00:47:19,359

maybe sure

872

00:47:22,790 --> 00:47:20,160

uh

873

00:47:27,430 --> 00:47:22,800

let's get let's keep going we gotta get

874

00:47:31,109 --> 00:47:29,109

what are we oh man we're only three

875

00:47:32,549 --> 00:47:31,119

minutes luckily he's doing short videos

876

00:47:34,150 --> 00:47:32,559

though so it won't take us all night to

877

00:47:36,710 --> 00:47:34,160

get through this garbage

878

00:47:39,030 --> 00:47:36,720

the orion group won the last timeline

879

00:47:40,870 --> 00:47:39,040

war during the pre-oh there's a timeline

880

00:47:42,549 --> 00:47:40,880

war that's news to me

881

00:47:44,470 --> 00:47:42,559

right

882

00:47:46,549 --> 00:47:44,480

pre-atomite solar event he's always

883

00:47:49,109 --> 00:47:46,559

talking about solar events too atomite

884

00:47:51,990 --> 00:47:49,119

solar event setting our 3d negative

885

00:47:54,069 --> 00:47:52,000

timeline then they help set up human

886

00:47:56,230 --> 00:47:54,079

leadership on earth with whom they made

887

00:47:58,470 --> 00:47:56,240

agreements regarding physical and

888

00:48:00,870 --> 00:47:58,480

spiritual experimentation

889

00:48:02,710 --> 00:48:00,880

the tall greys are the extraterrestrials

890

00:48:05,349 --> 00:48:02,720

who reached the technology sharing

891

00:48:07,750 --> 00:48:05,359

agreement with president eisenhower in

892

00:48:09,990 --> 00:48:07,760

february 1955

893

00:48:12,069 --> 00:48:10,000

they were also responsible for the town

894

00:48:14,630 --> 00:48:12,079

ix treaty formalizing the human

895

00:48:17,270 --> 00:48:14,640

abduction trade this loophole in the

896

00:48:19,750 --> 00:48:17,280

super federation code of conduct made

897

00:48:23,430 --> 00:48:19,760

humanity accountable and complicit in

898

00:48:25,750 --> 00:48:23,440

our role again he is weaving in existing

899

00:48:27,829 --> 00:48:25,760

ufo mythology there's an existing ufo

900

00:48:29,670 --> 00:48:27,839

mythology that eisenhower made some kind

901
00:48:32,150 --> 00:48:29,680
of deal with aliens that they could

902
00:48:33,670 --> 00:48:32,160
abduct so many people per year as long

903
00:48:34,950 --> 00:48:33,680
as they kept the list and gave it to the

904
00:48:37,829 --> 00:48:34,960
government

905
00:48:40,870 --> 00:48:37,839
and this is generally very

906
00:48:43,829 --> 00:48:40,880
accepted mythology in the land of ufos

907
00:48:46,390 --> 00:48:43,839
and aliens so he's always weaving in

908
00:48:48,710 --> 00:48:46,400
stuff that people already believe

909
00:48:50,549 --> 00:48:48,720
and then he tacks on some new stuff in

910
00:48:53,109 --> 00:48:50,559
there uh

911
00:48:55,190 --> 00:48:53,119
but using one fake story to reinforce

912
00:48:57,109 --> 00:48:55,200
your new fake story

913
00:48:58,870 --> 00:48:57,119

doesn't make your fake story any less

914

00:49:01,349 --> 00:48:58,880

fake corey good

915

00:49:03,190 --> 00:49:01,359

as willing participants to the tall grey

916

00:49:04,950 --> 00:49:03,200

agenda

917

00:49:07,270 --> 00:49:04,960

the presence and the description of the

918

00:49:09,829 --> 00:49:07,280

tall grays were confirmed by heather

919

00:49:12,230 --> 00:49:09,839

sertain the daughter of an ex-u.s air

920

00:49:14,549 --> 00:49:12,240

force military and a former lockheed

921

00:49:18,230 --> 00:49:14,559

martin employee named edward glenn

922

00:49:20,150 --> 00:49:18,240

sertain who passed away in july 2013.

923

00:49:21,990 --> 00:49:20,160

yeah and i don't know about this woman

924

00:49:24,470 --> 00:49:22,000

but people come out all the time and

925

00:49:25,750 --> 00:49:24,480

they may have some you know relationship

926

00:49:28,390 --> 00:49:25,760

with somebody that worked for the

927

00:49:30,390 --> 00:49:28,400

government somehow in the land of ufos

928

00:49:31,670 --> 00:49:30,400

if somebody's daddy worked for lockheed

929

00:49:33,270 --> 00:49:31,680

martin and they come out and start

930

00:49:34,710 --> 00:49:33,280

talking about aliens we're just supposed

931

00:49:37,829 --> 00:49:34,720

to believe them because their daddy

932

00:49:40,950 --> 00:49:37,839

worked for lockheed martin uh i don't

933

00:49:43,990 --> 00:49:40,960

subscribe to that philosophy or that

934

00:49:46,790 --> 00:49:44,000

methodology of discernment that is

935

00:49:49,510 --> 00:49:46,800

extremely flawed and stupid but corey

936

00:49:51,030 --> 00:49:49,520

good will use anything he can to try to

937

00:49:53,910 --> 00:49:51,040

push his agenda

938

00:49:55,750 --> 00:49:53,920

it doesn't matter if this girl's stories

939

00:49:57,589 --> 00:49:55,760

have never been vetted

940

00:49:59,510 --> 00:49:57,599

uh if she's

941

00:50:01,670 --> 00:49:59,520

you know telling the truth or not as

942

00:50:04,549 --> 00:50:01,680

long as she said it he can tack it on to

943

00:50:07,589 --> 00:50:04,559

his crazy bull story here

944

00:50:10,309 --> 00:50:07,599

the reptilians insectoids and rogue

945

00:50:12,950 --> 00:50:10,319

federation groups tall attractive human

946

00:50:15,190 --> 00:50:12,960

et's are the members of the orion group

947

00:50:17,349 --> 00:50:15,200

and report to the tall greys

948

00:50:19,750 --> 00:50:17,359

the tall greys oversee their joint

949

00:50:20,790 --> 00:50:19,760

efforts in fulfilling the ai god's

950

00:50:23,750 --> 00:50:20,800

agenda

951
00:50:25,750 --> 00:50:23,760
well ai gods

952
00:50:28,549 --> 00:50:25,760
yeah he's talked about this before which

953
00:50:29,829 --> 00:50:28,559
is absolutely ridiculous he's also said

954
00:50:32,309 --> 00:50:29,839
that uh

955
00:50:34,230 --> 00:50:32,319
there's an ai

956
00:50:35,510 --> 00:50:34,240
super intelligence that was running

957
00:50:38,150 --> 00:50:35,520
facebook

958
00:50:39,910 --> 00:50:38,160
and mining all this data yet he's still

959
00:50:42,230 --> 00:50:39,920
on facebook does anybody else think

960
00:50:43,990 --> 00:50:42,240
that's problematic if you really believe

961
00:50:47,510 --> 00:50:44,000
that there's some ai

962
00:50:49,829 --> 00:50:47,520
algorithm god that's running facebook

963
00:50:52,230 --> 00:50:49,839

and collecting everybody's information

964

00:50:54,470 --> 00:50:52,240

for some nefarious purpose would you be

965

00:50:56,069 --> 00:50:54,480

on facebook but he is

966

00:50:57,910 --> 00:50:56,079

it's been a lot on telegram lately and

967

00:50:59,750 --> 00:50:57,920

we're going to look into that as well

968

00:51:03,670 --> 00:50:59,760

some of the stuff that this clown posts

969

00:51:07,349 --> 00:51:03,680

on telegram is priceless

970

00:51:09,990 --> 00:51:07,359

as revealed by corey goode in july 2015

971

00:51:12,470 --> 00:51:10,000

there are 22 different genetic programs

972

00:51:15,430 --> 00:51:12,480

executed by various extraterrestrial

973

00:51:17,670 --> 00:51:15,440

races the tall grays were extensively

974

00:51:21,109 --> 00:51:17,680

involved in the genetic manipulation of

975

00:51:23,510 --> 00:51:21,119

life forms on earth again

976
00:51:25,990 --> 00:51:23,520
gray aliens or some kind of aliens

977
00:51:29,030 --> 00:51:26,000
genetically manipulating early homo

978
00:51:30,470 --> 00:51:29,040
sapiens is another pre-existing do you

979
00:51:33,109 --> 00:51:30,480
see what he's doing here he's just

980
00:51:35,510 --> 00:51:33,119
taking bits and pieces of pre-existing

981
00:51:37,510 --> 00:51:35,520
ufo and alien mythology that's already

982
00:51:40,390 --> 00:51:37,520
been out there for years and years

983
00:51:42,950 --> 00:51:40,400
and jamming it in his stories to try to

984
00:51:45,990 --> 00:51:42,960
make his stories more believable but

985
00:51:47,910 --> 00:51:46,000
again one fake unproven story i don't

986
00:51:49,750 --> 00:51:47,920
even want to say fake

987
00:51:52,230 --> 00:51:49,760
the fact that aliens genetically

988
00:51:54,150 --> 00:51:52,240

manipulate life forms on earth is

989

00:51:56,150 --> 00:51:54,160

somewhat accepted and believed in the

990

00:51:59,190 --> 00:51:56,160

ufo in the alien community but it's

991

00:52:01,750 --> 00:51:59,200

never been proven and i love this line

992

00:52:04,309 --> 00:52:01,760

as revealed by corey goode in july 2015

993

00:52:06,470 --> 00:52:04,319

there are 22 different genetic programs

994

00:52:09,829 --> 00:52:06,480

executed by various extraterrestrial

995

00:52:12,230 --> 00:52:09,839

racers does he give any sources any proof

996

00:52:14,309 --> 00:52:12,240

or any evidence of that statement

997

00:52:18,390 --> 00:52:14,319

no because in his

998

00:52:20,230 --> 00:52:18,400

delusional mentally ill possibly mind he

999

00:52:23,030 --> 00:52:20,240

thinks just saying that he said that in

1000

00:52:26,950 --> 00:52:23,040

july 2015 is proof enough he said it in

1001

00:52:29,430 --> 00:52:26,960

2015. it must be true no it isn't

1002

00:52:31,270 --> 00:52:29,440

don't you think that if there was

1003

00:52:34,390 --> 00:52:31,280

evidence or proof of genetic

1004

00:52:35,910 --> 00:52:34,400

manipulation of the human race that some

1005

00:52:38,950 --> 00:52:35,920

geneticist

1006

00:52:40,470 --> 00:52:38,960

some evolutionary biologist on planet

1007

00:52:41,750 --> 00:52:40,480

earth would

1008

00:52:46,069 --> 00:52:41,760

look over

1009

00:52:49,030 --> 00:52:46,079

our gene structure our dna

1010

00:52:49,829 --> 00:52:49,040

and tell the world that that's the case

1011

00:52:52,150 --> 00:52:49,839

but

1012

00:52:55,109 --> 00:52:52,160

no one has ever done that

1013

00:52:56,710 --> 00:52:55,119

so we're expected to believe that every

1014

00:53:00,069 --> 00:52:56,720

geneticist

1015

00:53:01,349 --> 00:53:00,079

every evolutionary biologist on planet

1016

00:53:03,030 --> 00:53:01,359

earth

1017

00:53:05,589 --> 00:53:03,040

just doesn't see the evidence or the

1018

00:53:07,510 --> 00:53:05,599

proof in the dna but cory good knows all

1019

00:53:09,750 --> 00:53:07,520

about it and he's going to share it with

1020

00:53:12,230 --> 00:53:09,760

you of course he always wants money to

1021

00:53:14,150 --> 00:53:12,240

share his information because we see the

1022

00:53:16,870 --> 00:53:14,160

quality of this information and by the

1023

00:53:18,950 --> 00:53:16,880

way look at this more episodes on

1024

00:53:21,670 --> 00:53:18,960

ascensionworks.tv

1025

00:53:25,030 --> 00:53:21,680

he thinks that this is broadcast quality

1026
00:53:26,710 --> 00:53:25,040
tv quality stuff that people should be

1027
00:53:30,470 --> 00:53:26,720
willing to shell out a monthly

1028
00:53:32,150 --> 00:53:30,480
membership to watch this garbage really

1029
00:53:33,990 --> 00:53:32,160
i can't believe that he thinks this is

1030
00:53:35,349 --> 00:53:34,000
good enough

1031
00:53:38,069 --> 00:53:35,359
it's great

1032
00:53:40,230 --> 00:53:38,079
they performed hands-on specimen and

1033
00:53:42,630 --> 00:53:40,240
data collections through physical

1034
00:53:45,430 --> 00:53:42,640
handling of the human body the tall

1035
00:53:47,270 --> 00:53:45,440
grays specimen and data collections

1036
00:53:49,589 --> 00:53:47,280
listen this is the truth seekers

1037
00:53:51,430 --> 00:53:49,599
exclusive but according to corey goode

1038
00:53:52,870 --> 00:53:51,440

the aliens are giving everybody hand

1039

00:53:54,549 --> 00:53:52,880

jobs okay

1040

00:53:56,470 --> 00:53:54,559

they're giving hand jobs hands-on

1041

00:53:59,910 --> 00:53:56,480

specimen and data collection they're

1042

00:54:02,390 --> 00:53:59,920

going around giving everybody hand jobs

1043

00:54:04,870 --> 00:54:02,400

and collecting specimens after giving

1044

00:54:06,549 --> 00:54:04,880

all us humans hand jobs these aliens

1045

00:54:08,470 --> 00:54:06,559

don't sound so bad they're giving out

1046

00:54:11,109 --> 00:54:08,480

handies

1047

00:54:13,829 --> 00:54:11,119

closely collaborated with the insectoid

1048

00:54:17,589 --> 00:54:13,839

and humanoid groups on different aspects

1049

00:54:20,150 --> 00:54:17,599

of the genetic and spiritual experiments

1050

00:54:22,870 --> 00:54:20,160

some abductees describe seeing tall at

1051
00:54:25,510 --> 00:54:22,880
the t's you can't even read this right

1052
00:54:28,069 --> 00:54:25,520
corey good fix this [\h__\h] get a better

1053
00:54:30,150 --> 00:54:28,079
speech low voice bro there's better

1054
00:54:32,390 --> 00:54:30,160
robot voices out there

1055
00:54:34,230 --> 00:54:32,400
right spend a couple dollars get a good

1056
00:54:36,710 --> 00:54:34,240
one that can actually read the text that

1057
00:54:39,510 --> 00:54:36,720
you feed it not sound like a stupid

1058
00:54:42,630 --> 00:54:39,520
robot reading your dumbass text

1059
00:54:44,230 --> 00:54:42,640
all greys and us military soldiers in

1060
00:54:47,109 --> 00:54:44,240
the abduction room

1061
00:54:49,109 --> 00:54:47,119
as we explained earlier the us military

1062
00:54:51,109 --> 00:54:49,119
and shadow government have agreements

1063
00:54:53,030 --> 00:54:51,119

which involve trading biological

1064

00:54:55,270 --> 00:54:53,040

specimens for extraterrestrial

1065

00:54:56,470 --> 00:54:55,280

technologies yeah and in order for that

1066

00:54:58,870 --> 00:54:56,480

to be true there would have to be

1067

00:55:00,309 --> 00:54:58,880

hundreds of people involved in a program

1068

00:55:03,430 --> 00:55:00,319

like that but nobody ever spilled the

1069

00:55:06,069 --> 00:55:03,440

beans right sure cory good during such

1070

00:55:09,030 --> 00:55:06,079

abductions the air force specialists in

1071

00:55:12,789 --> 00:55:09,040

the black military industrial complex

1072

00:55:15,270 --> 00:55:12,799

mic programs usually observe and keep a

1073

00:55:17,510 --> 00:55:15,280

detailed log of the individuals abducted

1074

00:55:19,750 --> 00:55:17,520

and tall grey activities involving the

1075

00:55:21,349 --> 00:55:19,760

abductions and again nobody ever blew

1076

00:55:23,349 --> 00:55:21,359

the whistle on a program like that

1077

00:55:25,430 --> 00:55:23,359

there's aliens abducting people all

1078

00:55:27,589 --> 00:55:25,440

around earth and the military industrial

1079

00:55:30,069 --> 00:55:27,599

complex knows about it but nobody ever

1080

00:55:32,549 --> 00:55:30,079

spilled the beans on that program nobody

1081

00:55:34,470 --> 00:55:32,559

ever outed that program

1082

00:55:36,789 --> 00:55:34,480

if if this were true it would be the

1083

00:55:39,030 --> 00:55:36,799

biggest story in human history don't you

1084

00:55:41,270 --> 00:55:39,040

think somebody would go to cnn or fox

1085

00:55:43,190 --> 00:55:41,280

news and tell them about it no they

1086

00:55:46,470 --> 00:55:43,200

never do they go to people like corey

1087

00:55:48,789 --> 00:55:46,480

goode or linda molten hal right

1088

00:55:50,630 --> 00:55:48,799

or some other nutter on the internet

1089

00:55:54,390 --> 00:55:50,640

that talks about aliens and doesn't care

1090

00:56:00,630 --> 00:55:57,589

sometimes ssp personnel are present on

1091

00:56:03,349 --> 00:56:00,640

these crafts but not very often as good

1092

00:56:05,670 --> 00:56:03,359

as reported previously the u.s military

1093

00:56:08,150 --> 00:56:05,680

discovered that the tall grays could not

1094

00:56:10,950 --> 00:56:08,160

be trusted early on necessitating

1095

00:56:13,349 --> 00:56:10,960

oversight once we developed our advanced

1096

00:56:15,589 --> 00:56:13,359

space programs and could deflect the

1097

00:56:18,549 --> 00:56:15,599

entry of unauthorized ships into our

1098

00:56:21,190 --> 00:56:18,559

space the tall greys had no choice but

1099

00:56:23,670 --> 00:56:21,200

to allow us military observers on board

1100

00:56:26,470 --> 00:56:23,680

their crafts okay so there's us military

1101

00:56:29,430 --> 00:56:26,480

observers on board spaceships

1102

00:56:31,990 --> 00:56:29,440

and again nobody ever spills the beans

1103

00:56:35,190 --> 00:56:32,000

there's no pictures of it there's no

1104

00:56:37,349 --> 00:56:35,200

videos of it there's no documents

1105

00:56:40,789 --> 00:56:37,359

proving it it's just corey good telling

1106

00:56:46,150 --> 00:56:43,270

good was shown the tall gray's bases on

1107

00:56:47,750 --> 00:56:46,160

the moon mars and deep underground on

1108

00:56:50,870 --> 00:56:47,760

and we've been over this before there

1109

00:56:52,630 --> 00:56:50,880

are orbiters that go around the moon

1110

00:56:54,630 --> 00:56:52,640

the chinese government has them the

1111

00:56:57,349 --> 00:56:54,640

russian government has them and the

1112

00:57:00,069 --> 00:56:57,359

united states government has them

1113

00:57:02,710 --> 00:57:00,079

i believe in even india might have a

1114

00:57:05,430 --> 00:57:02,720

mars uh i'm sorry might have a moon

1115

00:57:07,109 --> 00:57:05,440

orbiter satellite by now or they were

1116

00:57:09,829 --> 00:57:07,119

developing one

1117

00:57:12,870 --> 00:57:09,839

so in short there are satellite images

1118

00:57:16,710 --> 00:57:12,880

of the entire moon the far side of the

1119

00:57:22,150 --> 00:57:19,910

there's no bases on the moon there's no

1120

00:57:25,270 --> 00:57:22,160

evidence of artificial structures on the

1121

00:57:28,309 --> 00:57:25,280

moon unless you really really

1122

00:57:30,390 --> 00:57:28,319

uh want to stretch things and say oh you

1123

00:57:32,950 --> 00:57:30,400

know i'm seeing something that can't be

1124

00:57:35,589 --> 00:57:32,960

a natural formation and people do that

1125

00:57:37,990 --> 00:57:35,599

but there's no clear-cut evidence of any

1126

00:57:40,470 --> 00:57:38,000

bases on the moon

1127

00:57:42,390 --> 00:57:40,480

the orbiters the satellites that go

1128

00:57:44,789 --> 00:57:42,400

around the moon and take pictures of the

1129

00:57:47,349 --> 00:57:44,799

moon's surface constantly it's all on

1130

00:57:49,030 --> 00:57:47,359

nasa's website i believe that even the

1131

00:57:50,789 --> 00:57:49,040

russians and the chinese have public

1132

00:57:53,109 --> 00:57:50,799

websites where you could see

1133

00:57:54,870 --> 00:57:53,119

literally every inch of the moon that

1134

00:57:56,950 --> 00:57:54,880

has been imaged

1135

00:57:58,069 --> 00:57:56,960

kind of like google earth but for the

1136

00:58:00,309 --> 00:57:58,079

moon

1137

00:58:02,390 --> 00:58:00,319

and nobody's ever seen a base but we're

1138

00:58:04,870 --> 00:58:02,400

just supposed to trust cory good

1139

00:58:06,390 --> 00:58:04,880

and in order to believe cory good you

1140

00:58:09,030 --> 00:58:06,400

would have to believe that there's some

1141

00:58:11,190 --> 00:58:09,040

vast conspiracy and the entire chinese

1142

00:58:12,870 --> 00:58:11,200

government is in on it the entire

1143

00:58:15,109 --> 00:58:12,880

russian government is in on it and the

1144

00:58:17,030 --> 00:58:15,119

entire united states government is in on

1145

00:58:19,750 --> 00:58:17,040

it and they're all hiding the pictures

1146

00:58:24,549 --> 00:58:19,760

of those moon bases sure they are corey

1147

00:58:27,190 --> 00:58:24,559

good you just just childish and stupid

1148

00:58:30,150 --> 00:58:27,200

the reconnaissance delegation including

1149

00:58:33,109 --> 00:58:30,160

good the answer nikka the mayans and the

1150

00:58:35,990 --> 00:58:33,119

ssp alliance observed an enormous base

1151
00:58:38,150 --> 00:58:36,000
with thousands of tall grays on the moon

1152
00:58:39,109 --> 00:58:38,160
if there was an enormous base on the

1153
00:58:41,349 --> 00:58:39,119
moon

1154
00:58:43,510 --> 00:58:41,359
wouldn't astronomers

1155
00:58:46,390 --> 00:58:43,520
even amateur astronomers be able to see

1156
00:58:47,750 --> 00:58:46,400
it with their telescopes why does nobody

1157
00:58:49,990 --> 00:58:47,760
see this

1158
00:58:52,230 --> 00:58:50,000
moon base except for corey goode and his

1159
00:58:54,549 --> 00:58:52,240
imaginary friends look here's his

1160
00:58:56,710 --> 00:58:54,559
imaginary friends the anshar imaginary

1161
00:58:59,109 --> 00:58:56,720
friends the micah imaginary friends the

1162
00:59:01,910 --> 00:58:59,119
mayan imaginary friends and his secret

1163
00:59:03,510 --> 00:59:01,920

space program alliance imaginary friends

1164

00:59:05,430 --> 00:59:03,520

they all absorbed it

1165

00:59:07,109 --> 00:59:05,440

observed an enormous base

1166

00:59:09,349 --> 00:59:07,119

and there's thousands of tall grey

1167

00:59:11,750 --> 00:59:09,359

aliens on the moon but nobody's ever

1168

00:59:14,789 --> 00:59:11,760

seen it nobody's ever imaged it not one

1169

00:59:17,510 --> 00:59:14,799

photograph not one film nothing nothing

1170

00:59:19,829 --> 00:59:17,520

just the word of corey good hey corey

1171

00:59:22,230 --> 00:59:19,839

good you're the guy that flies around in

1172

00:59:23,829 --> 00:59:22,240

secret space program spaceships corey

1173

00:59:25,109 --> 00:59:23,839

good claimed that spaceships landed on

1174

00:59:30,150 --> 00:59:25,119

his backyard

1175

00:59:33,990 --> 00:59:30,160

moon base take a picture bro show us

1176
00:59:38,710 --> 00:59:36,470
they could see small grays and other

1177
00:59:41,510 --> 00:59:38,720
genetically engineered biological

1178
00:59:43,549 --> 00:59:41,520
machines doing physical work involving

1179
00:59:45,270 --> 00:59:43,559
four primary and many other

1180
00:59:48,309 --> 00:59:45,280
subcompartmentalized genetic and

1181
00:59:50,789 --> 00:59:48,319
spiritual programs they also found three

1182
00:59:53,109 --> 00:59:50,799
powerful devices that the answer said

1183
00:59:54,549 --> 00:59:53,119
would be destroyed by the upcoming solar

1184
00:59:55,589 --> 00:59:54,559
events

1185
00:59:58,150 --> 00:59:55,599
by the way

1186
01:00:00,710 --> 00:59:58,160
in this animation that's me explaining

1187
01:00:03,030 --> 01:00:00,720
to corey goode that he's an idiot just

1188
01:00:04,309 --> 01:00:03,040

want to put that out there he stole that

1189

01:00:05,910 --> 01:00:04,319

from me

1190

01:00:08,390 --> 01:00:05,920

that's why he blurred my face because

1191

01:00:11,510 --> 01:00:08,400

that's me trying to explain to people at

1192

01:00:13,829 --> 01:00:11,520

a ufo conference what an idiot

1193

01:00:15,910 --> 01:00:13,839

and how stupid and childish and

1194

01:00:17,430 --> 01:00:15,920

nonsensical corey good stories are

1195

01:00:19,270 --> 01:00:17,440

that's me in the animation just putting

1196

01:00:21,990 --> 01:00:19,280

that out there

1197

01:00:24,470 --> 01:00:22,000

the delegation witnessed tall grays

1198

01:00:27,109 --> 01:00:24,480

sending out drone ships operated by

1199

01:00:29,990 --> 01:00:27,119

small gray again if there's drone ships

1200

01:00:33,510 --> 01:00:30,000

flying between the moon and earth

1201
01:00:36,309 --> 01:00:33,520
amateur astronomers would see them would

1202
01:00:38,069 --> 01:00:36,319
image them would take pictures of them

1203
01:00:40,710 --> 01:00:38,079
there would be stuff all over the

1204
01:00:42,470 --> 01:00:40,720
internet if this was true but we never

1205
01:00:44,309 --> 01:00:42,480
get to that we're just supposed to take

1206
01:00:46,710 --> 01:00:44,319
his word for it

1207
01:00:49,829 --> 01:00:46,720
who conducted genetic and reproductive

1208
01:00:52,069 --> 01:00:49,839
experiments on humans with mic observers

1209
01:00:54,549 --> 01:00:52,079
on board most of these abduction

1210
01:00:57,270 --> 01:00:54,559
experiments took place aboard crafts but

1211
01:00:59,670 --> 01:00:57,280
in some cases humans were taken to deep

1212
01:01:01,990 --> 01:00:59,680
underground joined tall gray and human

1213
01:01:04,309 --> 01:01:02,000

earth bases the answer told the

1214

01:01:06,470 --> 01:01:04,319

delegation that the tall greys were

1215

01:01:08,789 --> 01:01:06,480

interfering in the natural spiritual

1216

01:01:11,750 --> 01:01:08,799

development of the earth as many souls

1217

01:01:14,150 --> 01:01:11,760

they abducted our star seeds

1218

01:01:17,030 --> 01:01:14,160

the tall greys monitored and manipulated

1219

01:01:18,870 --> 01:01:17,040

the abdictees via implants while sitting

1220

01:01:21,750 --> 01:01:18,880

in chairs with glowing orbs on the

1221

01:01:24,230 --> 01:01:21,760

armrests as control panels they would

1222

01:01:27,030 --> 01:01:24,240

abduct astral bodies during sleep to

1223

01:01:29,510 --> 01:01:27,040

download experiences and information and

1224

01:01:32,150 --> 01:01:29,520

implant energetic implants and eyes and

1225

01:01:34,630 --> 01:01:32,160

other body parts after stealing and

1226

01:01:36,150 --> 01:01:34,640

storing pieces of their astral bodies

1227

01:01:37,670 --> 01:01:36,160

and i love

1228

01:01:40,309 --> 01:01:37,680

this animation

1229

01:01:42,069 --> 01:01:40,319

somebody bought some dumb stock footage

1230

01:01:44,789 --> 01:01:42,079

and they thought well i already bought

1231

01:01:48,549 --> 01:01:44,799

this dumb stock footage i gotta use it

1232

01:01:50,230 --> 01:01:48,559

look at the quality of ascensionworks.tv

1233

01:01:53,670 --> 01:01:50,240

look what you're gonna get this looks

1234

01:01:56,230 --> 01:01:53,680

like some like art school performance

1235

01:01:58,870 --> 01:01:56,240

piece right the tall grays could use the

1236

01:02:01,750 --> 01:01:58,880

abdicatees as drones controlling their

1237

01:02:03,910 --> 01:02:01,760

behaviors and perception of reality they

1238

01:02:05,910 --> 01:02:03,920

would give the abductees distorted

1239

01:02:08,150 --> 01:02:05,920

information to pollute society and the

1240

01:02:09,589 --> 01:02:08,160

disclosure narrative and here we go

1241

01:02:12,069 --> 01:02:09,599

again

1242

01:02:13,910 --> 01:02:12,079

everybody else's every other alien

1243

01:02:16,789 --> 01:02:13,920

abductee or anybody else talking about

1244

01:02:19,109 --> 01:02:16,799

aliens their information is designed to

1245

01:02:20,630 --> 01:02:19,119

pollute society and the disclosure

1246

01:02:22,950 --> 01:02:20,640

narrative and the only information

1247

01:02:24,710 --> 01:02:22,960

that's real or correct is corey goods

1248

01:02:26,950 --> 01:02:24,720

sure it is

1249

01:02:29,750 --> 01:02:26,960

the tall greys use the same chair

1250

01:02:32,390 --> 01:02:29,760

devices to capture people in astral or

1251

01:02:34,630 --> 01:02:32,400

spirit form after death download their

1252

01:02:37,029 --> 01:02:34,640

experiences and information and take

1253

01:02:38,950 --> 01:02:37,039

fragments of their soul body they would

1254

01:02:40,710 --> 01:02:38,960

then how do you take a fragment of

1255

01:02:42,870 --> 01:02:40,720

somebody's soul body

1256

01:02:45,349 --> 01:02:42,880

you know sometimes he just puts out this

1257

01:02:47,910 --> 01:02:45,359

word salad nonsense and he doesn't even

1258

01:02:51,270 --> 01:02:47,920

explain it they're taking fragments of

1259

01:02:54,069 --> 01:02:51,280

soul bodies triage the souls using three

1260

01:02:56,470 --> 01:02:54,079

main devices and the tall grey command

1261

01:02:59,029 --> 01:02:56,480

and control center which good describes

1262

01:03:01,510 --> 01:02:59,039

in his original report the tall greys

1263

01:03:03,510 --> 01:03:01,520

sent most souls and soul fragments that

1264

01:03:06,150 --> 01:03:03,520

they intercepted back to earth to

1265

01:03:08,549 --> 01:03:06,160

reincarnate after energetic programming

1266

01:03:10,470 --> 01:03:08,559

or to realms created by the deceased

1267

01:03:14,069 --> 01:03:10,480

based on their religious and belief

1268

01:03:15,750 --> 01:03:14,079

systems heaven hell etc other souls that

1269

01:03:18,470 --> 01:03:15,760

were determined to be here to aid

1270

01:03:21,029 --> 01:03:18,480

humanity think star seeds were sent to

1271

01:03:23,510 --> 01:03:21,039

various star systems there were huge

1272

01:03:25,910 --> 01:03:23,520

areas with tall grays in stasis type

1273

01:03:27,990 --> 01:03:25,920

chambers whose souls were fragmented and

1274

01:03:30,150 --> 01:03:28,000

inserted into the light bodies of the

1275

01:03:32,069 --> 01:03:30,160

humans abducted in the astral to

1276

01:03:35,029 --> 01:03:32,079

influence them during new england oh

1277

01:03:37,990 --> 01:03:35,039

this is a bunch of word salad nonsense

1278

01:03:39,670 --> 01:03:38,000

okay so we've got tall grays and stasis

1279

01:03:41,349 --> 01:03:39,680

type chambers whose souls were

1280

01:03:43,270 --> 01:03:41,359

fragmented

1281

01:03:45,430 --> 01:03:43,280

whatever that means and inserted into

1282

01:03:47,510 --> 01:03:45,440

the light bodies of the humans abducted

1283

01:03:49,349 --> 01:03:47,520

in the astral so they have duck people

1284

01:03:51,270 --> 01:03:49,359

on the astral plane and they want to

1285

01:03:53,910 --> 01:03:51,280

influence them during new incarnation

1286

01:03:55,510 --> 01:03:53,920

this is such word salad nonsense what do

1287

01:03:57,910 --> 01:03:55,520

they do just get high and write a bunch

1288

01:03:59,190 --> 01:03:57,920

of words sell it nonsense incarnation

1289

01:04:01,510 --> 01:03:59,200

aliens

1290

01:04:03,349 --> 01:04:01,520

these are this is the quality of the

1291

01:04:04,549 --> 01:04:03,359

information that corey good wants you to

1292

01:04:10,069 --> 01:04:04,559

pay him for

1293

01:04:12,789 --> 01:04:10,079

salad bunch of nonsense

1294

01:04:15,670 --> 01:04:12,799

this is not i'm sorry there's this this

1295

01:04:16,309 --> 01:04:15,680

makes absolutely no sense soul fragments

1296

01:04:18,470 --> 01:04:16,319

and

1297

01:04:19,910 --> 01:04:18,480

the astral

1298

01:04:21,910 --> 01:04:19,920

jesus

1299

01:04:24,390 --> 01:04:21,920

are considered conscious energetic

1300

01:04:26,950 --> 01:04:24,400

implants which are similar to entity

1301

01:04:29,349 --> 01:04:26,960

attachments many of the humans tall

1302

01:04:31,829 --> 01:04:29,359

greys physically abduct are incarnated

1303

01:04:34,549 --> 01:04:31,839

tall greys allowing them to accomplish

1304

01:04:37,430 --> 01:04:34,559

their agenda without breaking any cosmic

1305

01:04:40,069 --> 01:04:37,440

agreements the delegation also observed

1306

01:04:42,789 --> 01:04:40,079

huge tanks with body parts floating in a

1307

01:04:45,670 --> 01:04:42,799

broth like amber fluid which tall grays

1308

01:04:47,829 --> 01:04:45,680

turned into a paste oh see

1309

01:04:50,309 --> 01:04:47,839

and you notice something else whatever

1310

01:04:52,069 --> 01:04:50,319

david wilcox starts talking about corey

1311

01:04:54,710 --> 01:04:52,079

goode suddenly starts talking about you

1312

01:04:57,190 --> 01:04:54,720

know the human milkshakes that they rub

1313

01:04:58,549 --> 01:04:57,200

all over their body and they use it for

1314

01:05:01,589 --> 01:04:58,559

nutrients

1315

01:05:03,990 --> 01:05:01,599

for sustenance corey goods got the same

1316

01:05:05,829 --> 01:05:04,000

garbage information that david wilcock

1317

01:05:10,150 --> 01:05:05,839

was pushing a few weeks ago or a month

1318

01:05:11,029 --> 01:05:10,160

ago the same exact storyline

1319

01:05:13,270 --> 01:05:11,039

maybe

1320

01:05:16,150 --> 01:05:13,280

those two clowns are either ripping each

1321

01:05:17,829 --> 01:05:16,160

other off or in collaboration with their

1322

01:05:19,829 --> 01:05:17,839

[h__\h] stories like did they get

1323

01:05:22,069 --> 01:05:19,839

together oh what are you bullshitting

1324

01:05:24,309 --> 01:05:22,079

about this week on the internet i'm

1325

01:05:25,990 --> 01:05:24,319

talking about gray aliens and how they

1326

01:05:27,670 --> 01:05:26,000

like human smoothies and they take it

1327

01:05:29,349 --> 01:05:27,680

and they rub it all over their body to

1328

01:05:31,589 --> 01:05:29,359

nourish themselves oh that sounds like

1329

01:05:35,270 --> 01:05:31,599

good [h__h] i'm gonna put that in my

1330

01:05:36,390 --> 01:05:35,280

secret space program astro not report

1331

01:05:38,150 --> 01:05:36,400

right

1332

01:05:40,549 --> 01:05:38,160

they would scrape their skin with a

1333

01:05:42,549 --> 01:05:40,559

knife and then rub the human paste on

1334

01:05:46,309 --> 01:05:42,559

the scraped area and absorb the

1335

01:05:48,390 --> 01:05:46,319

nutrients from the paste for sustenance

1336

01:05:51,029 --> 01:05:48,400

it is important to note that the super

1337

01:05:53,750 --> 01:05:51,039

federation manages all activities within

1338

01:05:56,470 --> 01:05:53,760

our galaxy including the orion group's

1339

01:05:58,150 --> 01:05:56,480

activities on earth however when the

1340

01:06:00,150 --> 01:05:58,160

earth reached a certain level of

1341

01:06:02,630 --> 01:06:00,160

awareness the new guardians of our

1342

01:06:05,109 --> 01:06:02,640

galaxy st well i think you may have a

1343

01:06:06,390 --> 01:06:05,119

marvel copyright claim on his hands

1344

01:06:08,470 --> 01:06:06,400

because he's saying

1345

01:06:10,470 --> 01:06:08,480

forget about marvel's guardians of the

1346

01:06:11,670 --> 01:06:10,480

galaxy there's new guardians of the

1347

01:06:13,990 --> 01:06:11,680

galaxy

1348

01:06:15,750 --> 01:06:14,000

step forward as facilitators of human

1349

01:06:17,430 --> 01:06:15,760

humanities independence and right to

1350

01:06:19,589 --> 01:06:17,440

manage our own genetic and spiritual

1351

01:06:22,230 --> 01:06:19,599

development stepped forward as the

1352

01:06:24,549 --> 01:06:22,240

facilitators of humanity's independence

1353

01:06:27,109 --> 01:06:24,559

and right to manage our own genetic and

1354

01:06:28,630 --> 01:06:27,119

spiritual development oh great so the

1355

01:06:29,990 --> 01:06:28,640

guardians of the galaxy are in this

1356

01:06:31,990 --> 01:06:30,000

story now

1357

01:06:33,990 --> 01:06:32,000

right but they're the new guardians of

1358

01:06:35,029 --> 01:06:34,000

the galaxy not the ones from the marvel

1359

01:06:37,589 --> 01:06:35,039

movie

1360

01:06:40,309 --> 01:06:37,599

but there's new ones right

1361

01:06:42,069 --> 01:06:40,319

the good guys that corey good is working

1362

01:06:44,950 --> 01:06:42,079

with he's working with the good guy

1363

01:06:46,390 --> 01:06:44,960

aliens sure he is

1364

01:06:48,870 --> 01:06:46,400
in 2018

1365

01:06:51,349 --> 01:06:48,880
sigmund sigmund he's mentioned this guy

1366

01:06:54,230 --> 01:06:51,359
a whole bunch of times right and then

1367

01:06:56,470 --> 01:06:54,240
this guy supposedly died this is another

1368

01:06:57,990 --> 01:06:56,480
one of his imaginary friends he claims

1369

01:07:00,309 --> 01:06:58,000
he was in the united states air force

1370

01:07:01,750 --> 01:07:00,319
but nobody's allowed to check why

1371

01:07:03,589 --> 01:07:01,760
because he won't release his name he

1372

01:07:06,309 --> 01:07:03,599
uses a fake name because this is one of

1373

01:07:08,950 --> 01:07:06,319
his anonymous sources a fake imaginary

1374

01:07:09,990 --> 01:07:08,960
friend of corey goods and don't you dare

1375

01:07:12,069 --> 01:07:10,000
ask

1376

01:07:14,870 --> 01:07:12,079

to interview that guy or verify his

1377

01:07:17,510 --> 01:07:14,880

military credentials or even verify if

1378

01:07:20,150 --> 01:07:17,520

this person actually exists in the real

1379

01:07:22,390 --> 01:07:20,160

world because he doesn't it's another

1380

01:07:25,510 --> 01:07:22,400

one of corey goode's imaginary friends

1381

01:07:28,470 --> 01:07:25,520

us air force mic lower level space

1382

01:07:30,630 --> 01:07:28,480

program officer who interrogated good

1383

01:07:33,029 --> 01:07:30,640

shared several hard drives containing

1384

01:07:36,069 --> 01:07:33,039

databases on the entire dark fleet with

1385

01:07:39,109 --> 01:07:36,079

the ssp alliance he was killed over this

1386

01:07:41,589 --> 01:07:39,119

information the icc used sigmund's

1387

01:07:43,910 --> 01:07:41,599

information to place the entire solar

1388

01:07:45,510 --> 01:07:43,920

system on lockdown to root out any

1389

01:07:46,630 --> 01:07:45,520

security threats

1390

01:07:48,630 --> 01:07:46,640

do we

1391

01:07:50,870 --> 01:07:48,640

notice anything he's been using the word

1392

01:07:52,710 --> 01:07:50,880

lockdown and that our solar system is on

1393

01:07:54,630 --> 01:07:52,720

lock down do you know when he started

1394

01:07:56,309 --> 01:07:54,640

using that terminology

1395

01:07:58,549 --> 01:07:56,319

right about the time that the health

1396

01:07:59,910 --> 01:07:58,559

crisis lockdowns began

1397

01:08:01,750 --> 01:07:59,920

suddenly

1398

01:08:04,150 --> 01:08:01,760

not only are we locked down on earth due

1399

01:08:06,789 --> 01:08:04,160

to a global pandemic but the aliens

1400

01:08:08,150 --> 01:08:06,799

locked down our entire solar system sure

1401
01:08:09,510 --> 01:08:08,160
they did

1402
01:08:12,150 --> 01:08:09,520
this is

1403
01:08:14,630 --> 01:08:12,160
and and here's another thing

1404
01:08:17,430 --> 01:08:14,640
this guy shared hard drives containing

1405
01:08:18,870 --> 01:08:17,440
databases of a dark fleet with the ssp

1406
01:08:22,149 --> 01:08:18,880
alliance why don't you share the hard

1407
01:08:23,990 --> 01:08:22,159
drives why isn't wikileaks posting the

1408
01:08:26,070 --> 01:08:24,000
information about the dark fleet is it

1409
01:08:28,709 --> 01:08:26,080
because those hard drives don't exist

1410
01:08:31,349 --> 01:08:28,719
just like this fake imaginary friend of

1411
01:08:34,630 --> 01:08:31,359
corey goods doesn't exist and why should

1412
01:08:35,749 --> 01:08:34,640
this guy corey good get a job bro get a

1413
01:08:40,309 --> 01:08:35,759

job

1414

01:08:42,550 --> 01:08:40,319

seven years now he's just been telling

1415

01:08:45,430 --> 01:08:42,560

these fake stories on the internet for

1416

01:08:48,070 --> 01:08:45,440

six or seven years he has an insatiable

1417

01:08:50,149 --> 01:08:48,080

appetite for money no amount of money is

1418

01:08:51,749 --> 01:08:50,159

ever enough for him and we'll talk about

1419

01:08:54,149 --> 01:08:51,759

that when we have a few more minutes of

1420

01:08:55,590 --> 01:08:54,159

this garbage intel to get through and

1421

01:08:58,709 --> 01:08:55,600

then we'll talk about some of the other

1422

01:09:03,590 --> 01:08:58,719

issues about mr good in his history of

1423

01:09:08,309 --> 01:09:05,829

in the next briefing we will cover the

1424

01:09:10,550 --> 01:09:08,319

reconnaissance delegation visits to the

1425

01:09:14,630 --> 01:09:10,560

interplanetary corporate conglomerate

1426
01:09:17,030 --> 01:09:14,640
icc bases on mars moon antarctica and

1427
01:09:18,870 --> 01:09:17,040
the super federation bases close to

1428
01:09:20,470 --> 01:09:18,880
jupiter and saturn

1429
01:09:22,789 --> 01:09:20,480
again

1430
01:09:25,349 --> 01:09:22,799
he's claiming there's bases on mars moon

1431
01:09:27,990 --> 01:09:25,359
the antarctica and jupiter close to

1432
01:09:30,390 --> 01:09:28,000
jupiter and saturn there's thousands

1433
01:09:32,550 --> 01:09:30,400
tens of thousands of amateur astronomers

1434
01:09:35,110 --> 01:09:32,560
all over earth who are always imaging

1435
01:09:36,149 --> 01:09:35,120
jupiter and saturn nobody's ever seen

1436
01:09:37,430 --> 01:09:36,159
bases

1437
01:09:39,269 --> 01:09:37,440
right

1438
01:09:41,189 --> 01:09:39,279

there is mars

1439

01:09:43,910 --> 01:09:41,199

rovers right now

1440

01:09:45,510 --> 01:09:43,920

running around the surface of mars mars

1441

01:09:47,110 --> 01:09:45,520

is interesting actually in that it's the

1442

01:09:51,110 --> 01:09:47,120

only planet that we know of that is

1443

01:09:53,349 --> 01:09:51,120

inhabited entirely by robotic drones

1444

01:09:55,189 --> 01:09:53,359

they don't see any bases but corey goode

1445

01:09:58,229 --> 01:09:55,199

is going to tell you there's bases

1446

01:10:00,950 --> 01:09:58,239

there's mars orbiters right now who are

1447

01:10:02,470 --> 01:10:00,960

surf who are imaging every inch of the

1448

01:10:04,390 --> 01:10:02,480

surface of mars

1449

01:10:05,990 --> 01:10:04,400

so again in order to believe corey good

1450

01:10:07,590 --> 01:10:06,000

you have to believe that all the

1451

01:10:11,030 --> 01:10:07,600

governments of the world are in on some

1452

01:10:12,870 --> 01:10:11,040

vast conspiracy to hide those mars

1453

01:10:15,110 --> 01:10:12,880

alien bases from

1454

01:10:17,030 --> 01:10:15,120

from earthlings but corey good's going

1455

01:10:20,070 --> 01:10:17,040

to tell you the truth about them sure he

1456

01:10:22,390 --> 01:10:20,080

is during several different excursions

1457

01:10:25,430 --> 01:10:22,400

most of which occurred between april and

1458

01:10:28,070 --> 01:10:25,440

august of 2021

1459

01:10:30,630 --> 01:10:28,080

remember in the end times even the elect

1460

01:10:32,550 --> 01:10:30,640

can be deceived discern now more than

1461

01:10:35,110 --> 01:10:32,560

ever

1462

01:10:37,830 --> 01:10:35,120

be patient be strong we are in this

1463

01:10:39,910 --> 01:10:37,840

together uh and that is a take off of

1464

01:10:43,030 --> 01:10:39,920

course of that letter of the alphabet

1465

01:10:44,870 --> 01:10:43,040

where we go on we go all trust the plan

1466

01:10:47,830 --> 01:10:44,880

right

1467

01:10:50,390 --> 01:10:47,840

and corey good's case it's trust to scan

1468

01:10:52,790 --> 01:10:50,400

uh he's going to be asking for money any

1469

01:10:54,550 --> 01:10:52,800

minute now any day now cory that's going

1470

01:10:56,400 --> 01:10:54,560

to have a new course that you got to buy

1471

01:11:01,270 --> 01:10:56,410

right now

1472

01:11:04,950 --> 01:11:01,280

[Music]

1473

01:11:06,790 --> 01:11:04,960

secret space program alliance update

1474

01:11:09,430 --> 01:11:06,800

look if there's really a secret space

1475

01:11:10,470 --> 01:11:09,440

program would you really create your own

1476

01:11:12,790 --> 01:11:10,480

seal

1477

01:11:14,709 --> 01:11:12,800

and put all this information in an

1478

01:11:16,229 --> 01:11:14,719

internet video

1479

01:11:18,470 --> 01:11:16,239

if it was secret

1480

01:11:20,390 --> 01:11:18,480

corey good is the worst secret space

1481

01:11:22,870 --> 01:11:20,400

program secret keeper i've ever heard in

1482

01:11:24,470 --> 01:11:22,880

my life because for seven years now he's

1483

01:11:26,709 --> 01:11:24,480

been telling people stories about this

1484

01:11:28,560 --> 01:11:26,719

secret space program that's supposed to

1485

01:11:34,070 --> 01:11:28,570

be secret right

1486

01:11:36,950 --> 01:11:35,110

this is

1487

01:11:38,870 --> 01:11:36,960

oh wait let's let's back it up a little

1488

01:11:41,189 --> 01:11:38,880

bit we want to hear the message from mr

1489

01:11:43,270 --> 01:11:41,199

good himself

1490

01:11:45,510 --> 01:11:43,280

this is corey good and this has been an

1491

01:11:46,470 --> 01:11:45,520

official secret space program alliance

1492

01:11:51,750 --> 01:11:46,480

update

1493

01:11:56,390 --> 01:11:54,390

it's an official secret space program

1494

01:11:58,709 --> 01:11:56,400

update not an unofficial one and

1495

01:12:01,030 --> 01:11:58,719

remember only he has got the real

1496

01:12:03,030 --> 01:12:01,040

information and ever even though he's

1497

01:12:04,950 --> 01:12:03,040

using a robot voice to read this

1498

01:12:06,950 --> 01:12:04,960

information out right

1499

01:12:09,189 --> 01:12:06,960

even though he can't give us any

1500

01:12:10,390 --> 01:12:09,199

evidence any proof of any of this [h__h]

1501
01:12:12,390 --> 01:12:10,400
that he's been talking about for the

1502
01:12:15,350 --> 01:12:12,400
past seven years let alone this new

1503
01:12:17,669 --> 01:12:15,360
stuff right what if how about we do this

1504
01:12:20,630 --> 01:12:17,679
corey good i'll give you a pass on the

1505
01:12:22,470 --> 01:12:20,640
last five or six years of your [h__h]

1506
01:12:23,350 --> 01:12:22,480
right i'll give you a complete total

1507
01:12:26,390 --> 01:12:23,360
pass

1508
01:12:27,910 --> 01:12:26,400
of all of the the bs fake stories that

1509
01:12:30,950 --> 01:12:27,920
you've been selling for the past five or

1510
01:12:33,750 --> 01:12:30,960
six years but how about going forward

1511
01:12:37,030 --> 01:12:33,760
you either get a job or you provide

1512
01:12:39,750 --> 01:12:37,040
proof of any of this nonsense or stop

1513
01:12:44,470 --> 01:12:39,760

taking people's money for nonsense what

1514

01:12:46,790 --> 01:12:44,480

value is he providing to the world right

1515

01:12:49,830 --> 01:12:46,800

what does he do every day

1516

01:12:51,750 --> 01:12:49,840

because he's making like one video

1517

01:12:55,110 --> 01:12:51,760

i don't know we'll we'll take a look at

1518

01:12:59,030 --> 01:12:57,110

this is corey goods this is corey good's

1519

01:13:00,630 --> 01:12:59,040

work week right

1520

01:13:01,990 --> 01:13:00,640

we're gonna take a look

1521

01:13:05,189 --> 01:13:02,000

and see

1522

01:13:07,669 --> 01:13:05,199

he's got his sphere being alliance

1523

01:13:10,550 --> 01:13:07,679

channel right

1524

01:13:12,790 --> 01:13:10,560

okay so in the past let's let's take a

1525

01:13:15,270 --> 01:13:12,800

look

1526

01:13:18,550 --> 01:13:15,280

in the past 30 days

1527

01:13:20,310 --> 01:13:18,560

30 days now corey goode has produced

1528

01:13:22,470 --> 01:13:20,320

three videos

1529

01:13:24,950 --> 01:13:22,480

two with the robot voice

1530

01:13:27,910 --> 01:13:24,960

oh i think three it's three now with the

1531

01:13:31,189 --> 01:13:29,030

oh no

1532

01:13:34,390 --> 01:13:31,199

two with the robot voice and one of them

1533

01:13:36,149 --> 01:13:34,400

is blue avians and the law of one course

1534

01:13:38,229 --> 01:13:36,159

excerpts which by the way he doesn't

1535

01:13:40,390 --> 01:13:38,239

have permission of the law of one

1536

01:13:44,070 --> 01:13:40,400

copyright holders to take money to teach

1537

01:13:46,310 --> 01:13:44,080

that information or courses on that book

1538

01:13:48,310 --> 01:13:46,320

or information so he's probably

1539

01:13:49,669 --> 01:13:48,320

violating their copyrights by taking

1540

01:13:51,830 --> 01:13:49,679

people's money

1541

01:13:53,910 --> 01:13:51,840

uh that was his latest course which by

1542

01:13:57,590 --> 01:13:53,920

the way again he didn't write his latest

1543

01:14:00,070 --> 01:13:57,600

course that he charged everybody 33 33

1544

01:14:01,590 --> 01:14:00,080

for he just took everybody's money and

1545

01:14:03,270 --> 01:14:01,600

then he refused to pay the girl that

1546

01:14:06,229 --> 01:14:03,280

developed all the course material and

1547

01:14:08,390 --> 01:14:06,239

gave it to him to run the course with

1548

01:14:10,709 --> 01:14:08,400

she sued him uh i'm not sure if they

1549

01:14:13,030 --> 01:14:10,719

settled it or what happened with that

1550

01:14:18,790 --> 01:14:16,149

corey goode his total output of of

1551

01:14:22,550 --> 01:14:18,800

anything has been three videos in the

1552

01:14:25,510 --> 01:14:22,560

past month the past 30 days

1553

01:14:27,189 --> 01:14:25,520

two of them are this like we've reviewed

1554

01:14:29,910 --> 01:14:27,199

tonight we reviewed both of them

1555

01:14:31,830 --> 01:14:29,920

actually this garbage so called intel

1556

01:14:34,310 --> 01:14:31,840

from a secret space program and his

1557

01:14:37,430 --> 01:14:34,320

imaginary friends that he'll never show

1558

01:14:39,590 --> 01:14:37,440

us never prove is real right

1559

01:14:41,990 --> 01:14:39,600

never show us a single picture there's

1560

01:14:43,590 --> 01:14:42,000

there's alien bases all over the place

1561

01:14:45,270 --> 01:14:43,600

they're on the moon they're on mars

1562

01:14:48,229 --> 01:14:45,280

they're they're close to saturn and

1563

01:14:50,149 --> 01:14:48,239

jupiter they're in antarctica but he's

1564

01:14:52,310 --> 01:14:50,159

not going to prove a single one actually

1565

01:14:55,350 --> 01:14:52,320

exists he's going to show you a drawing

1566

01:14:58,229 --> 01:14:55,360

of one in antarctica though but my point

1567

01:15:00,470 --> 01:14:58,239

is that corey good is such a lazy

1568

01:15:03,590 --> 01:15:00,480

loser slob

1569

01:15:07,030 --> 01:15:03,600

right maybe i shouldn't call him a loser

1570

01:15:08,630 --> 01:15:07,040

i just think he's a lazy slob because

1571

01:15:10,709 --> 01:15:08,640

what value

1572

01:15:12,229 --> 01:15:10,719

is he offering the world

1573

01:15:16,310 --> 01:15:12,239

right

1574

01:15:17,270 --> 01:15:16,320

if 30 days he's produced three videos

1575

01:15:18,229 --> 01:15:17,280

three

1576

01:15:21,189 --> 01:15:18,239

let's see

1577

01:15:24,870 --> 01:15:21,199

a 12 minute video an 11 minute video and

1578

01:15:27,270 --> 01:15:24,880

a 24 minute video

1579

01:15:29,189 --> 01:15:27,280

that's less than an hour of actual

1580

01:15:30,470 --> 01:15:29,199

content that he has produced

1581

01:15:33,189 --> 01:15:30,480

and did he

1582

01:15:33,990 --> 01:15:33,199

you know build a set did he

1583

01:15:36,709 --> 01:15:34,000

uh

1584

01:15:39,430 --> 01:15:36,719

i don't know write music for this no

1585

01:15:41,830 --> 01:15:39,440

uh he used a robot voice

1586

01:15:44,550 --> 01:15:41,840

like a speechload thing and

1587

01:15:47,430 --> 01:15:44,560

bought some stock footage

1588

01:15:49,910 --> 01:15:47,440

and crammed it all in videos a 12 minute

1589

01:15:52,550 --> 01:15:49,920

video an 11 minute video and this other

1590

01:15:54,550 --> 01:15:52,560

24 minute video that's what he's done

1591

01:15:56,229 --> 01:15:54,560

for the past 30 days

1592

01:15:59,270 --> 01:15:56,239

and i just want to appeal to the members

1593

01:16:00,950 --> 01:15:59,280

of the audience how much work have you

1594

01:16:03,430 --> 01:16:00,960

been required to do

1595

01:16:05,510 --> 01:16:03,440

to earn a living for the past 30 days

1596

01:16:07,750 --> 01:16:05,520

right what have you done for you

1597

01:16:11,510 --> 01:16:07,760

yourself and your family to earn a

1598

01:16:12,709 --> 01:16:11,520

living for the past 30 days right

1599

01:16:16,630 --> 01:16:12,719

most of you

1600

01:16:18,790 --> 01:16:16,640

have gone to work for 28 hour days

1601
01:16:22,550 --> 01:16:18,800
does anybody believe that it took corey

1602
01:16:24,630 --> 01:16:22,560
good 28 hour days to produce these

1603
01:16:26,709 --> 01:16:24,640
joke videos

1604
01:16:29,350 --> 01:16:26,719
right

1605
01:16:35,430 --> 01:16:32,070
he is

1606
01:16:39,110 --> 01:16:35,440
he has been living off of the charity of

1607
01:16:41,030 --> 01:16:39,120
ufo and alien believers for some six or

1608
01:16:41,830 --> 01:16:41,040
i think we're going on

1609
01:16:43,750 --> 01:16:41,840
uh

1610
01:16:46,550 --> 01:16:43,760
seven years now

1611
01:16:49,350 --> 01:16:46,560
and look at the quality of the work that

1612
01:16:51,510 --> 01:16:49,360
he actually does right

1613
01:16:53,590 --> 01:16:51,520

what work does he do

1614

01:16:54,550 --> 01:16:53,600

other people write his courses other

1615

01:16:56,790 --> 01:16:54,560

people

1616

01:16:59,030 --> 01:16:56,800

arrange and book his conferences now

1617

01:17:02,070 --> 01:16:59,040

because he sued the last people that you

1618

01:17:03,830 --> 01:17:02,080

know were doing something with that

1619

01:17:05,590 --> 01:17:03,840

we're going to share uh

1620

01:17:13,510 --> 01:17:05,600

we're going to share a couple of things

1621

01:17:17,750 --> 01:17:16,149

yeah chris johansen i appreciate your

1622

01:17:19,910 --> 01:17:17,760

offer but it was a

1623

01:17:21,669 --> 01:17:19,920

just a strange technical glitch tonight

1624

01:17:24,630 --> 01:17:21,679

that happened and uh

1625

01:17:26,630 --> 01:17:24,640

you know we'll be able to fix this

1626

01:17:28,550 --> 01:17:26,640

uh those tech issues but i appreciate

1627

01:17:31,189 --> 01:17:28,560

your offer of help thank you kindly for

1628

01:17:32,870 --> 01:17:31,199

your kindness and generosity and offer

1629

01:17:34,790 --> 01:17:32,880

to help

1630

01:17:37,350 --> 01:17:34,800

um i think we'll be able to figure it

1631

01:17:42,149 --> 01:17:39,189

all right i gotta find something right

1632

01:17:47,189 --> 01:17:42,159

here uh so please bear with me for

1633

01:17:51,030 --> 01:17:49,189

see if we can't

1634

01:17:53,510 --> 01:17:51,040

find something i think it's important

1635

01:17:56,550 --> 01:17:53,520

that we talk about uh

1636

01:17:58,790 --> 01:17:56,560

some things and what things

1637

01:18:00,550 --> 01:17:58,800

i wanted to talk about was

1638

01:18:03,430 --> 01:18:00,560

there is a

1639

01:18:05,270 --> 01:18:03,440

there's a new documentary

1640

01:18:06,229 --> 01:18:05,280

and i'm not a fan of it

1641

01:18:09,270 --> 01:18:06,239

um

1642

01:18:11,510 --> 01:18:09,280

but it was made by

1643

01:18:13,990 --> 01:18:11,520

roger ramseur

1644

01:18:16,630 --> 01:18:14,000

and a bunch of ufo celebrities

1645

01:18:18,550 --> 01:18:16,640

and corey good's not in it

1646

01:18:20,229 --> 01:18:18,560

and there's a reason for that

1647

01:18:22,470 --> 01:18:20,239

corey goode made the first two

1648

01:18:28,310 --> 01:18:22,480

documentaries uh what is it above

1649

01:18:31,669 --> 01:18:29,910

cosmic secret or something like that i

1650

01:18:33,590 --> 01:18:31,679

don't know i can't remember the titles

1651

01:18:35,990 --> 01:18:33,600

they were so forgettable in garbage but

1652

01:18:37,990 --> 01:18:36,000

uh the point being you know i don't need

1653

01:18:39,669 --> 01:18:38,000

to share anything here i was looking for

1654

01:18:42,229 --> 01:18:39,679

there's pictures

1655

01:18:45,270 --> 01:18:42,239

and i forgot to bookmark somebody posted

1656

01:18:46,470 --> 01:18:45,280

pictures of these people and uh they

1657

01:18:48,950 --> 01:18:46,480

included

1658

01:18:53,030 --> 01:18:50,550

i think it was rich dolan so i'm looking

1659

01:18:56,630 --> 01:18:53,040

on his twitter somebody posted pictures

1660

01:18:58,229 --> 01:18:56,640

of uh this observer's film being

1661

01:19:00,709 --> 01:18:58,239

recorded

1662

01:19:02,870 --> 01:19:00,719

and there was a picture of roger ramseur

1663

01:19:03,990 --> 01:19:02,880

there uh with the camera you know

1664

01:19:06,830 --> 01:19:04,000

filming

1665

01:19:09,270 --> 01:19:06,840

and so it's important to know

1666

01:19:11,430 --> 01:19:09,280

that corey good got cut out of that

1667

01:19:14,390 --> 01:19:11,440

project because he's suing

1668

01:19:17,189 --> 01:19:14,400

roger ramseur corey good is also suing

1669

01:19:20,070 --> 01:19:17,199

let's see his former producer of gaia tv

1670

01:19:22,310 --> 01:19:20,080

jay widener he's also suing uh you guys

1671

01:19:23,910 --> 01:19:22,320

know him as cw channel a lawyer from new

1672

01:19:25,510 --> 01:19:23,920

jersey who dared to go on the internet

1673

01:19:27,669 --> 01:19:25,520

and say his buck roger science fiction

1674

01:19:30,550 --> 01:19:27,679

fantasy stories weren't real

1675

01:19:31,669 --> 01:19:30,560

uh let's see he's also suing

1676

01:19:34,310 --> 01:19:31,679

uh

1677

01:19:37,030 --> 01:19:34,320

ari stone he's suing his former

1678

01:19:38,310 --> 01:19:37,040

conference organizer i believe his

1679

01:19:39,510 --> 01:19:38,320

former

1680

01:19:42,229 --> 01:19:39,520

uh

1681

01:19:44,790 --> 01:19:42,239

let's see his former

1682

01:19:47,830 --> 01:19:44,800

conference organizer adrian youngblood

1683

01:19:51,030 --> 01:19:47,840

is also getting sued by him right now

1684

01:19:54,390 --> 01:19:51,040

uh and let's see who else um

1685

01:19:58,790 --> 01:19:56,709

leon isaac kennedy a former business

1686

01:20:01,990 --> 01:19:58,800

partner of his

1687

01:20:04,149 --> 01:20:02,000

uh and interestingly

1688

01:20:06,229 --> 01:20:04,159

one person has had a lot to say about

1689

01:20:08,149 --> 01:20:06,239

the money situation and how cory good

1690

01:20:11,830 --> 01:20:08,159

doesn't pay anybody and that would be

1691

01:20:20,390 --> 01:20:15,110

think of

1692

01:20:24,870 --> 01:20:23,030

jordan sather has come out against both

1693

01:20:27,430 --> 01:20:24,880

corey goode and

1694

01:20:29,350 --> 01:20:27,440

david wilcock recently

1695

01:20:31,110 --> 01:20:29,360

stating that corey good never paid him

1696

01:20:35,189 --> 01:20:31,120

for all the work that he did on one of

1697

01:20:39,669 --> 01:20:37,110

it appears to be

1698

01:20:42,310 --> 01:20:39,679

a repeating pattern and this is just my

1699

01:20:44,310 --> 01:20:42,320

observations and my interpretation

1700

01:20:46,229 --> 01:20:44,320

take from that what you will

1701

01:20:47,910 --> 01:20:46,239

but it appears that corey goode is a

1702

01:20:49,750 --> 01:20:47,920

very greedy man

1703

01:20:52,629 --> 01:20:49,760

and he gets all these people to work for

1704

01:20:54,870 --> 01:20:52,639

him and with him and then he tries to

1705

01:20:57,030 --> 01:20:54,880

keep all the money because jordan sater

1706

01:20:59,030 --> 01:20:57,040

did an incredible amount of work in one

1707

01:21:01,430 --> 01:20:59,040

or both of those documentaries and corey

1708

01:21:02,709 --> 01:21:01,440

good never paid him a single dime that

1709

01:21:04,790 --> 01:21:02,719

he was due

1710

01:21:07,189 --> 01:21:04,800

claiming that the money is held up in

1711

01:21:09,669 --> 01:21:07,199

court uh when jordan sather at least

1712

01:21:11,990 --> 01:21:09,679

says that is not the case it's just

1713

01:21:13,990 --> 01:21:12,000

corey good decided to keep all the money

1714

01:21:15,830 --> 01:21:14,000

and he doesn't want to pay anybody last

1715

01:21:17,750 --> 01:21:15,840

i heard jordan sander was considering

1716

01:21:19,590 --> 01:21:17,760

getting a lawyer and suing to get his

1717

01:21:21,590 --> 01:21:19,600

money back

1718

01:21:23,189 --> 01:21:21,600

so you know

1719

01:21:24,870 --> 01:21:23,199

it's funny that

1720

01:21:26,470 --> 01:21:24,880

corey good had some good thing going

1721

01:21:28,390 --> 01:21:26,480

with this roger ramseur guy because

1722

01:21:30,790 --> 01:21:28,400

roger ramseur with jordan sather and

1723

01:21:32,310 --> 01:21:30,800

some others managed to produce two

1724

01:21:33,350 --> 01:21:32,320

documentaries which made a bunch of

1725

01:21:35,189 --> 01:21:33,360

money

1726

01:21:36,629 --> 01:21:35,199

uh but then cory good started suing

1727

01:21:37,910 --> 01:21:36,639

everybody trying to keep all the money

1728

01:21:40,070 --> 01:21:37,920

to himself

1729

01:21:42,390 --> 01:21:40,080

and he didn't want people to be paid

1730

01:21:44,390 --> 01:21:42,400

as uh the testimony of leon isaac

1731

01:21:46,629 --> 01:21:44,400

kennedy leon isaac kennedy came out and

1732

01:21:49,030 --> 01:21:46,639

said i was supposed to pay this guy and

1733

01:21:50,709 --> 01:21:49,040

this guy and this guy and cory good kept

1734

01:21:51,910 --> 01:21:50,719

saying no don't pay them

1735

01:21:53,350 --> 01:21:51,920

right

1736

01:21:55,270 --> 01:21:53,360

and that's why he suing leon isaac

1737

01:21:57,189 --> 01:21:55,280

kennedy because apparently leon isaac

1738

01:21:59,110 --> 01:21:57,199

kennedy did pay some of the people

1739

01:22:00,310 --> 01:21:59,120

because he felt like they earned it and

1740

01:22:02,390 --> 01:22:00,320

they were told they were getting paid

1741

01:22:03,910 --> 01:22:02,400

that money corey goode wanted to keep it

1742

01:22:06,229 --> 01:22:03,920

all for himself

1743

01:22:08,149 --> 01:22:06,239

but now we talked about his meteoric

1744

01:22:10,550 --> 01:22:08,159

rise to fame

1745

01:22:12,790 --> 01:22:10,560

and now we see this crash and burning

1746

01:22:15,189 --> 01:22:12,800

taking place because i mentioned he's

1747

01:22:17,030 --> 01:22:15,199

suing his former conference organizer

1748

01:22:19,430 --> 01:22:17,040

the person that wrote his courses that

1749

01:22:22,629 --> 01:22:19,440

he sells for 333 dollars either he's

1750

01:22:24,550 --> 01:22:22,639

suing or i believe she was suing him but

1751

01:22:27,430 --> 01:22:24,560

then i think that court case may have

1752

01:22:28,709 --> 01:22:27,440

gotten thrown out oh he was also suing

1753

01:22:30,709 --> 01:22:28,719

cliff high

1754

01:22:33,510 --> 01:22:30,719

uh for saying his buck rogers science

1755

01:22:36,070 --> 01:22:33,520

fiction fantasy stories are not real

1756

01:22:39,030 --> 01:22:37,830

all right i can't find the one thing i

1757

01:22:40,629 --> 01:22:39,040

was going to share so i'm going to share

1758

01:22:42,550 --> 01:22:40,639

one more thing and again this is his

1759

01:22:45,510 --> 01:22:42,560

public telegram

1760

01:22:48,709 --> 01:22:45,520

they talk about you know

1761

01:22:51,030 --> 01:22:48,719

crashing and burning

1762

01:22:53,110 --> 01:22:51,040

i love this i've talked about here we've

1763

01:22:55,270 --> 01:22:53,120

covered this here how many people is

1764

01:22:57,430 --> 01:22:55,280

corey good suing right now

1765

01:22:59,110 --> 01:22:57,440

everybody he used to work with he's

1766

01:22:59,990 --> 01:22:59,120

suing right now

1767

01:23:02,629 --> 01:23:00,000

right

1768

01:23:04,390 --> 01:23:02,639

and he's also suing all of his critics

1769

01:23:06,149 --> 01:23:04,400

people who dared to go on the internet

1770

01:23:08,470 --> 01:23:06,159

and say that his buck rogers science

1771

01:23:10,629 --> 01:23:08,480

fiction fantasy stories aren't real he's

1772

01:23:12,390 --> 01:23:10,639

suing a bunch of those people by the way

1773

01:23:13,189 --> 01:23:12,400

they threw out the case against cliff

1774

01:23:15,110 --> 01:23:13,199

high

1775

01:23:17,270 --> 01:23:15,120

i believe in a short time they will be

1776

01:23:19,750 --> 01:23:17,280

throwing out the case against

1777

01:23:22,790 --> 01:23:19,760

uh both jay widener and

1778

01:23:24,310 --> 01:23:22,800

cw channel so that means at least one of

1779

01:23:27,350 --> 01:23:24,320

his court cases you know the one where

1780

01:23:30,229 --> 01:23:27,360

he said there was rico and it's vast

1781

01:23:32,550 --> 01:23:30,239

criminal conspiracy against him he lied

1782

01:23:35,030 --> 01:23:32,560

and said the fbi was involved he lied

1783

01:23:36,550 --> 01:23:35,040

and said he had a cyber security firm

1784

01:23:38,390 --> 01:23:36,560

gathering all this evidence that he

1785

01:23:40,470 --> 01:23:38,400

would present in court then he hasn't

1786

01:23:42,550 --> 01:23:40,480

presented any of that evidence those

1787

01:23:44,550 --> 01:23:42,560

cases are getting thrown out one by one

1788

01:23:46,550 --> 01:23:44,560

because first of all they're ridiculous

1789

01:23:48,390 --> 01:23:46,560

and second of all he does not have

1790

01:23:50,870 --> 01:23:48,400

jurisdiction to sue people who live in

1791

01:23:52,709 --> 01:23:50,880

new jersey or some other state in his

1792

01:23:53,750 --> 01:23:52,719

home state of colorado but that's what

1793

01:23:56,310 --> 01:23:53,760

he did

1794

01:23:58,709 --> 01:23:56,320

because he's stupid and so is his lawyer

1795

01:24:01,270 --> 01:23:58,719

that's my take on it i'm allowed to have

1796

01:24:04,229 --> 01:24:01,280

an opinion and my opinion that is he is

1797

01:24:06,790 --> 01:24:04,239

stupid has been formed after watching

1798

01:24:09,189 --> 01:24:06,800

this clown for five or six years now the

1799

01:24:11,350 --> 01:24:09,199

things he does are stupid

1800

01:24:14,229 --> 01:24:11,360

all he had to do was play nice with the

1801
01:24:16,470 --> 01:24:14,239
other ufo celebrity dummies he couldn't

1802
01:24:19,750 --> 01:24:16,480
do that he had to

1803
01:24:20,870 --> 01:24:19,760
start doxing campaigns right

1804
01:24:24,629 --> 01:24:20,880
he had to

1805
01:24:27,430 --> 01:24:24,639
start meme campaigns right to discredit

1806
01:24:28,790 --> 01:24:27,440
people that were talking crap on him

1807
01:24:30,390 --> 01:24:28,800
and then when it comes to the people he

1808
01:24:32,790 --> 01:24:30,400
was working with

1809
01:24:34,870 --> 01:24:32,800
all he had to do was share the money

1810
01:24:37,189 --> 01:24:34,880
that's all he had to do is share the

1811
01:24:38,709 --> 01:24:37,199
money as he agreed to

1812
01:24:40,950 --> 01:24:38,719
but instead of doing that he just

1813
01:24:43,110 --> 01:24:40,960

decided he was going to sue everybody

1814

01:24:45,430 --> 01:24:43,120

and try to keep all the money again

1815

01:24:47,430 --> 01:24:45,440

that's my interpretation of it having

1816

01:24:50,709 --> 01:24:47,440

listened to the testimony of leon isaac

1817

01:24:53,030 --> 01:24:50,719

kennedy jordan sather adrian youngblood

1818

01:24:55,430 --> 01:24:53,040

and others and if you are interested in

1819

01:24:58,229 --> 01:24:55,440

that it's called the corey good

1820

01:25:00,390 --> 01:24:58,239

what was it the corey good uh some kind

1821

01:25:03,030 --> 01:25:00,400

of corey good project to hold him

1822

01:25:04,149 --> 01:25:03,040

accountable for his actions right

1823

01:25:07,110 --> 01:25:04,159

uh

1824

01:25:09,110 --> 01:25:07,120

and that is on our channel here just

1825

01:25:11,270 --> 01:25:09,120

look back it's a ways back

1826
01:25:13,430 --> 01:25:11,280
but for a couple years now corey good

1827
01:25:16,070 --> 01:25:13,440
has been suing everybody and look at

1828
01:25:19,189 --> 01:25:16,080
this telegram i focus my time on

1829
01:25:20,950 --> 01:25:19,199
positive and productive endeavors

1830
01:25:22,790 --> 01:25:20,960
this clown claims to be some kind of

1831
01:25:24,709 --> 01:25:22,800
spiritual guru

1832
01:25:26,629 --> 01:25:24,719
and i just want to put this out there

1833
01:25:28,790 --> 01:25:26,639
maybe just maybe

1834
01:25:30,310 --> 01:25:28,800
suing everybody you used to work with so

1835
01:25:32,790 --> 01:25:30,320
that you could keep all the money from

1836
01:25:33,830 --> 01:25:32,800
projects instead of paying them what

1837
01:25:37,110 --> 01:25:33,840
they were

1838
01:25:40,550 --> 01:25:37,120

be paid

1839

01:25:42,550 --> 01:25:40,560

maybe just maybe suing all those people

1840

01:25:44,550 --> 01:25:42,560

is not

1841

01:25:46,550 --> 01:25:44,560

a positive and productive endeavor to

1842

01:25:49,669 --> 01:25:46,560

focus your time on but that hasn't

1843

01:25:52,709 --> 01:25:49,679

stopped corey goode from suing everybody

1844

01:25:56,070 --> 01:25:54,550

and i happen to have some background

1845

01:25:57,750 --> 01:25:56,080

check information on corey good that

1846

01:25:59,830 --> 01:25:57,760

would seem to indicate that corey good

1847

01:26:00,870 --> 01:25:59,840

just doesn't like paying people money he

1848

01:26:02,470 --> 01:26:00,880

owes them

1849

01:26:05,189 --> 01:26:02,480

and i'll have to leave it at that until

1850

01:26:07,189 --> 01:26:05,199

we get a further exploitation here we go

1851

01:26:08,870 --> 01:26:07,199

again look at this

1852

01:26:10,709 --> 01:26:08,880

i treat

1853

01:26:12,550 --> 01:26:10,719

other it's supposed to be others he

1854

01:26:13,990 --> 01:26:12,560

can't even get that right i don't even

1855

01:26:15,030 --> 01:26:14,000

think he made this meme he probably just

1856

01:26:17,270 --> 01:26:15,040

shared it

1857

01:26:20,070 --> 01:26:17,280

i treat other the way i wish to be

1858

01:26:21,510 --> 01:26:20,080

treated really do you wish that all of

1859

01:26:23,510 --> 01:26:21,520

your business partners and everybody you

1860

01:26:25,350 --> 01:26:23,520

make documentaries with sue you to try

1861

01:26:27,510 --> 01:26:25,360

to keep more of the money

1862

01:26:29,030 --> 01:26:27,520

and give you less because that's what

1863

01:26:30,790 --> 01:26:29,040

you did to them

1864

01:26:33,910 --> 01:26:30,800

but you treat others the way that you

1865

01:26:36,870 --> 01:26:33,920

wish to be treated sure

1866

01:26:39,270 --> 01:26:36,880

oh now we get this this is great

1867

01:26:41,750 --> 01:26:39,280

uh the wandering star flagship commander

1868

01:26:43,669 --> 01:26:41,760

updates the ssp council on their visit

1869

01:26:46,870 --> 01:26:43,679

to the zulu planet did you know there's

1870

01:26:48,870 --> 01:26:46,880

a zulu planet of zulu african aliens

1871

01:26:50,470 --> 01:26:48,880

yeah and they're gonna tip the civil war

1872

01:26:52,790 --> 01:26:50,480

within the global galactic league of

1873

01:26:54,149 --> 01:26:52,800

nations this is a brief summary of an

1874

01:26:56,550 --> 01:26:54,159

upcoming report

1875

01:26:58,149 --> 01:26:56,560

again he mentions this guy gonzalez

1876

01:27:00,070 --> 01:26:58,159

another one of his imaginary friends

1877

01:27:01,750 --> 01:27:00,080

which he mentions all the time when he

1878

01:27:03,830 --> 01:27:01,760

needs an information source but doesn't

1879

01:27:06,390 --> 01:27:03,840

have a real one it's in his imaginary

1880

01:27:08,310 --> 01:27:06,400

friend gonzalez brought me up to the

1881

01:27:10,790 --> 01:27:08,320

minecraft where he had been performing

1882

01:27:12,790 --> 01:27:10,800

reconnaissance missions where the ssp

1883

01:27:14,629 --> 01:27:12,800

council was waiting for me why didn't

1884

01:27:16,709 --> 01:27:14,639

you take a picture dummy

1885

01:27:18,950 --> 01:27:16,719

why don't you take a video so why don't

1886

01:27:21,270 --> 01:27:18,960

you bring back some proof of your alien

1887

01:27:23,189 --> 01:27:21,280

space adventure he's claiming right here

1888

01:27:25,590 --> 01:27:23,199

he just went on a space adventure with

1889

01:27:28,149 --> 01:27:25,600

aliens and he's got zero proof for any

1890

01:27:28,159 --> 01:27:31,510

great

1891

01:27:35,910 --> 01:27:34,149

he attracts gentle loving and accepting

1892

01:27:38,470 --> 01:27:35,920

people look at that

1893

01:27:43,270 --> 01:27:40,950

i the only people i see him attracting

1894

01:27:46,390 --> 01:27:43,280

are fellow con artists and grifters in

1895

01:27:48,470 --> 01:27:46,400

the ufo and alien community and after

1896

01:27:50,870 --> 01:27:48,480

he's done attracting them

1897

01:27:52,310 --> 01:27:50,880

and sucking them dry for every bit of

1898

01:27:54,950 --> 01:27:52,320

work he could get out of them and then

1899

01:27:57,189 --> 01:27:54,960

not pay them for apparently

1900

01:27:59,110 --> 01:27:57,199

or things like that or hey make a

1901
01:28:01,350 --> 01:27:59,120
documentary with me and then i'm going

1902
01:28:03,430 --> 01:28:01,360
to keep all the money hey make a

1903
01:28:05,350 --> 01:28:03,440
conference a ufo conference with me a

1904
01:28:07,669 --> 01:28:05,360
secret space program conference and then

1905
01:28:09,430 --> 01:28:07,679
i'm going to demand that i get to keep

1906
01:28:11,669 --> 01:28:09,440
all the money and you get nothing for

1907
01:28:13,750 --> 01:28:11,679
all your time energy and dedication that

1908
01:28:15,910 --> 01:28:13,760
you put into a project

1909
01:28:17,189 --> 01:28:15,920
this stuff that he posts on telegram is

1910
01:28:18,229 --> 01:28:17,199
priceless

1911
01:28:19,990 --> 01:28:18,239
right

1912
01:28:22,310 --> 01:28:20,000
media not supportive look

1913
01:28:25,350 --> 01:28:22,320

i see deep meaningful and authentic

1914

01:28:27,189 --> 01:28:25,360

relationships and then i sue them all

1915

01:28:29,990 --> 01:28:27,199

first i seek deep meaningful and

1916

01:28:31,830 --> 01:28:30,000

authentic relationships and then i sue

1917

01:28:34,790 --> 01:28:31,840

everybody because i'm a low-life

1918

01:28:36,950 --> 01:28:34,800

scumball that doesn't want to give up

1919

01:28:39,189 --> 01:28:36,960

any portion of the money to be made i

1920

01:28:41,189 --> 01:28:39,199

want to keep it all so i can keep living

1921

01:28:43,510 --> 01:28:41,199

a millionaire's lifestyle and never have

1922

01:28:44,790 --> 01:28:43,520

a job and only have to produce three

1923

01:28:46,950 --> 01:28:44,800

videos

1924

01:28:48,390 --> 01:28:46,960

in a month

1925

01:28:50,390 --> 01:28:48,400

friends i can tell you from looking at

1926

01:28:52,550 --> 01:28:50,400

those videos i mean i have a little

1927

01:28:54,870 --> 01:28:52,560

experience with video production those

1928

01:28:56,550 --> 01:28:54,880

are less than three days work so in the

1929

01:28:58,709 --> 01:28:56,560

last three and

1930

01:29:00,390 --> 01:28:58,719

that's being generous those are less

1931

01:29:02,310 --> 01:29:00,400

than three days work

1932

01:29:03,910 --> 01:29:02,320

right

1933

01:29:06,950 --> 01:29:03,920

so in the last

1934

01:29:07,910 --> 01:29:06,960

30 days corey good has worked right a

1935

01:29:10,950 --> 01:29:07,920

total

1936

01:29:14,070 --> 01:29:10,960

of maybe maybe three short days not even

1937

01:29:15,110 --> 01:29:14,080

full work days just short editing days

1938

01:29:17,189 --> 01:29:15,120

you know

1939

01:29:21,189 --> 01:29:17,199

write a [h__\h] script run it through

1940

01:29:23,510 --> 01:29:21,199

the robot voice put some uh you know

1941

01:29:26,470 --> 01:29:23,520

flashing stuff on the screen

1942

01:29:29,750 --> 01:29:26,480

uh we're gonna put in some stock footage

1943

01:29:31,669 --> 01:29:29,760

that we bought on stockfootage.com

1944

01:29:33,669 --> 01:29:31,679

and then we're gonna render it upload it

1945

01:29:35,990 --> 01:29:33,679

to youtube we'll be done in a half a day

1946

01:29:38,310 --> 01:29:36,000

really

1947

01:29:40,310 --> 01:29:38,320

this is who corey good is a guy who's

1948

01:29:41,750 --> 01:29:40,320

too lazy to work a real job and again

1949

01:29:44,149 --> 01:29:41,760

i'm going to ask everybody within the

1950

01:29:45,350 --> 01:29:44,159

sound of my voice how much did you have

1951
01:29:48,550 --> 01:29:45,360
to work

1952
01:29:50,870 --> 01:29:48,560
to support yourself and feed your family

1953
01:29:53,030 --> 01:29:50,880
in the past 30 days

1954
01:29:54,870 --> 01:29:53,040
i guarantee that most of my audience has

1955
01:29:57,030 --> 01:29:54,880
worked more than three half days or

1956
01:29:58,310 --> 01:29:57,040
three even let's be generous three full

1957
01:30:01,110 --> 01:29:58,320
days of work

1958
01:30:02,390 --> 01:30:01,120
in the past 30 days

1959
01:30:04,709 --> 01:30:02,400
i love this

1960
01:30:07,830 --> 01:30:04,719
he's posting this i love myself just as

1961
01:30:09,189 --> 01:30:07,840
i am corey goode you are a

1962
01:30:12,790 --> 01:30:09,199
pariah

1963
01:30:15,990 --> 01:30:12,800

on the ufo community you are a leech

1964

01:30:18,390 --> 01:30:16,000

on the ufo conspiracy alien

1965

01:30:20,149 --> 01:30:18,400

consciousness spirituality whatever you

1966

01:30:21,189 --> 01:30:20,159

want to call it community that's what

1967

01:30:23,830 --> 01:30:21,199

you are

1968

01:30:26,229 --> 01:30:23,840

so if you can love yourself

1969

01:30:28,390 --> 01:30:26,239

being a person who does nothing but use

1970

01:30:31,189 --> 01:30:28,400

people take advantage of people and

1971

01:30:33,350 --> 01:30:31,199

steal money from them for fake stories

1972

01:30:34,470 --> 01:30:33,360

and [h__h] and you can still love

1973

01:30:37,750 --> 01:30:34,480

yourself

1974

01:30:39,830 --> 01:30:37,760

then more power to your brother because

1975

01:30:42,310 --> 01:30:39,840

what do you what does he do does he wake

1976

01:30:45,510 --> 01:30:42,320

up every day in the morning and say i

1977

01:30:47,510 --> 01:30:45,520

did a good job yesterday lying to people

1978

01:30:49,350 --> 01:30:47,520

and stealing money from people for

1979

01:30:50,629 --> 01:30:49,360

stories that are fake that i can't prove

1980

01:30:51,990 --> 01:30:50,639

a real

1981

01:30:53,189 --> 01:30:52,000

and no one

1982

01:30:55,590 --> 01:30:53,199

you know

1983

01:30:58,629 --> 01:30:55,600

can disprove they're not real well we

1984

01:31:03,350 --> 01:31:01,270

this guy has children right what does he

1985

01:31:04,950 --> 01:31:03,360

tell his children are getting older now

1986

01:31:06,790 --> 01:31:04,960

from what i've seen

1987

01:31:09,110 --> 01:31:06,800

from what i gather

1988

01:31:12,070 --> 01:31:09,120

right teenage years his children are

1989

01:31:14,149 --> 01:31:12,080

getting to be teenage years old

1990

01:31:15,830 --> 01:31:14,159

you know what do you what does he tell

1991

01:31:16,950 --> 01:31:15,840

his children

1992

01:31:19,189 --> 01:31:16,960

like

1993

01:31:21,830 --> 01:31:19,199

uh daddy's gotta go make up some alien

1994

01:31:22,790 --> 01:31:21,840

stories so we could eat tonight

1995

01:31:24,390 --> 01:31:22,800

right

1996

01:31:25,910 --> 01:31:24,400

and he loves to take these lavish

1997

01:31:28,310 --> 01:31:25,920

vacations with his wife what does he

1998

01:31:30,470 --> 01:31:28,320

tell his wife oh she's in on the con

1999

01:31:32,550 --> 01:31:30,480

what does he tell his wife like i gotta

2000

01:31:34,390 --> 01:31:32,560

go make up some new fake alien stories

2001

01:31:36,470 --> 01:31:34,400

so that we can keep you know

2002

01:31:38,870 --> 01:31:36,480

swimming with dolphins in hawaii or

2003

01:31:41,350 --> 01:31:38,880

whatever it is these lavish vacations

2004

01:31:44,310 --> 01:31:41,360

flying in helicopters right for their

2005

01:31:45,590 --> 01:31:44,320

anniversary

2006

01:31:48,229 --> 01:31:45,600

this man

2007

01:31:52,629 --> 01:31:48,239

made people send him paypal donations

2008

01:31:57,350 --> 01:31:55,590

but he loves himself just as he is

2009

01:31:59,669 --> 01:31:57,360

look i don't know how corey good could

2010

01:32:02,310 --> 01:31:59,679

love himself and there's been various

2011

01:32:04,390 --> 01:32:02,320

rumors of i don't know drug use and

2012

01:32:07,270 --> 01:32:04,400

abuse i don't know if that's true

2013

01:32:09,990 --> 01:32:07,280

but one could speculate that if all you

2014

01:32:12,629 --> 01:32:10,000

do is lie to people on the internet

2015

01:32:15,110 --> 01:32:12,639

every day to earn a living that's got to

2016

01:32:17,350 --> 01:32:15,120

be corrosive to the soul and therefore

2017

01:32:19,590 --> 01:32:17,360

require a whole lot of

2018

01:32:20,950 --> 01:32:19,600

self-medication in the form of drugs and

2019

01:32:22,550 --> 01:32:20,960

alcohol

2020

01:32:25,510 --> 01:32:22,560

uh i don't know if that's true but if it

2021

01:32:27,669 --> 01:32:25,520

is i pray that he'll recover and you

2022

01:32:30,390 --> 01:32:27,679

know go do something meaningful with his

2023

01:32:34,149 --> 01:32:30,400

life besides lie to people for a living

2024

01:32:38,629 --> 01:32:35,110

uh

2025

01:32:42,390 --> 01:32:40,709

yeah his telegram is large i just like

2026
01:32:43,270 --> 01:32:42,400
these spiritual warrior things because

2027
01:32:44,270 --> 01:32:43,280
you know

2028
01:32:47,350 --> 01:32:44,280
this is from

2029
01:32:50,470 --> 01:32:47,360
ascensionworks.tv and all you know

2030
01:32:52,229 --> 01:32:50,480
i let go of my fears and insecurities

2031
01:32:53,750 --> 01:32:52,239
corey good did you let go of your fears

2032
01:32:55,910 --> 01:32:53,760
when you were working for gaia and they

2033
01:32:58,070 --> 01:32:55,920
were bringing in other talents

2034
01:33:00,470 --> 01:32:58,080
no you attacked those people you

2035
01:33:02,550 --> 01:33:00,480
threatened to quit and then you did

2036
01:33:06,830 --> 01:33:02,560
because you were so insecure you

2037
01:33:10,709 --> 01:33:06,840
couldn't take any competition corey good

2038
01:33:13,430 --> 01:33:10,719

right it's just the stuff that he says

2039

01:33:15,510 --> 01:33:13,440

on his public social media

2040

01:33:18,149 --> 01:33:15,520

and the stuff that he actually does it's

2041

01:33:19,990 --> 01:33:18,159

like one of these things is not like the

2042

01:33:23,669 --> 01:33:20,000

other right

2043

01:33:25,750 --> 01:33:23,679

and is he so disconnected from reality

2044

01:33:28,149 --> 01:33:25,760

at this point that he believes his own

2045

01:33:31,510 --> 01:33:30,470

he confronts his fears with strength and

2046

01:33:33,030 --> 01:33:31,520

courage

2047

01:33:35,270 --> 01:33:33,040

you know when he was afraid that he was

2048

01:33:36,629 --> 01:33:35,280

going to lose his job at gaia right or

2049

01:33:38,790 --> 01:33:36,639

when he was afraid he was going to have

2050

01:33:40,870 --> 01:33:38,800

to pay all those people that made that

2051
01:33:42,070 --> 01:33:40,880
documentary with him like he agreed to

2052
01:33:44,390 --> 01:33:42,080
pay them

2053
01:33:45,750 --> 01:33:44,400
did he confront those fears of strength

2054
01:33:47,750 --> 01:33:45,760
and courage no

2055
01:33:51,110 --> 01:33:47,760
he sued and attacked everybody so he

2056
01:33:53,430 --> 01:33:51,120
could keep all that beautiful ufo money

2057
01:33:57,669 --> 01:33:55,510
well as i remember as i recall david

2058
01:33:59,910 --> 01:33:57,679
wilcock got his money and corey good

2059
01:34:01,590 --> 01:33:59,920
sure got his money but nobody else did

2060
01:34:03,430 --> 01:34:01,600
right

2061
01:34:08,070 --> 01:34:03,440
i could be incorrect in that but i

2062
01:34:11,990 --> 01:34:10,229
oh look the intergalactic super

2063
01:34:13,590 --> 01:34:12,000

federation council and guardians of the

2064

01:34:16,470 --> 01:34:13,600

local galactic cust

2065

01:34:18,149 --> 01:34:16,480

cluster of 20 galaxies are going to meet

2066

01:34:20,229 --> 01:34:18,159

in our last meeting with the ssp

2067

01:34:22,470 --> 01:34:20,239

alliance the ansar the mayans and the

2068

01:34:24,310 --> 01:34:22,480

emmy were informed of a major

2069

01:34:27,030 --> 01:34:24,320

intergalactic meeting that will occur in

2070

01:34:28,870 --> 01:34:27,040

the near future oh look at the quality

2071

01:34:30,149 --> 01:34:28,880

of cory good's information he's telling

2072

01:34:33,189 --> 01:34:30,159

us all about

2073

01:34:35,669 --> 01:34:33,199

a super federation council of guardians

2074

01:34:38,070 --> 01:34:35,679

that are meeting in the galactic cluster

2075

01:34:40,550 --> 01:34:38,080

look at this garbage

2076

01:34:43,030 --> 01:34:40,560

it's like it's written by a 10 year old

2077

01:34:46,950 --> 01:34:43,040

that watched too much star trek and buck

2078

01:34:51,590 --> 01:34:49,590

corey goode is a brave light warrior i i

2079

01:34:54,390 --> 01:34:51,600

don't think so corey good i think you're

2080

01:34:57,910 --> 01:34:54,400

a coward and a weak wing because a real

2081

01:35:00,149 --> 01:34:57,920

man wouldn't con people or scam people

2082

01:35:03,910 --> 01:35:00,159

with fake stories about aliens to make

2083

01:35:06,390 --> 01:35:03,920

money that is a lazy slob thing to do a

2084

01:35:09,270 --> 01:35:06,400

real man would go out there and feed his

2085

01:35:12,070 --> 01:35:09,280

family in an honest and moral and

2086

01:35:14,550 --> 01:35:12,080

ethically right way

2087

01:35:17,030 --> 01:35:14,560

that's what a real man does that's what

2088

01:35:20,550 --> 01:35:17,040

a warrior especially a warrior with a

2089

01:35:22,310 --> 01:35:20,560

family does you get up you go to work

2090

01:35:24,709 --> 01:35:22,320

you earn that living

2091

01:35:27,430 --> 01:35:24,719

you don't just steal money from stupid

2092

01:35:30,950 --> 01:35:27,440

people telling fake stories you'll never

2093

01:35:33,430 --> 01:35:30,960

prove about aliens your clown

2094

01:35:35,910 --> 01:35:33,440

i gotta stop

2095

01:35:38,790 --> 01:35:35,920

oh he becomes stronger and wiser with

2096

01:35:41,350 --> 01:35:38,800

each new experience

2097

01:35:43,350 --> 01:35:41,360

yes he's becoming stronger and wiser

2098

01:35:45,270 --> 01:35:43,360

he's wising up on how to scam more

2099

01:35:49,350 --> 01:35:45,280

people with each new experience of

2100

01:35:53,590 --> 01:35:51,430

he got gaia for a whole lot of money

2101
01:35:56,070 --> 01:35:53,600
right then he got those clowns that made

2102
01:35:58,470 --> 01:35:56,080
that those documentaries with him for a

2103
01:36:00,629 --> 01:35:58,480
whole lot of money he is getting wiser

2104
01:36:03,350 --> 01:36:00,639
at conning people and stealing money

2105
01:36:06,470 --> 01:36:03,360
from everybody for his fake

2106
01:36:10,470 --> 01:36:08,550
oh i think i've had enough i think we're

2107
01:36:12,149 --> 01:36:10,480
tapping out here each day i become a

2108
01:36:13,830 --> 01:36:12,159
better version of me

2109
01:36:16,149 --> 01:36:13,840
corey good that shouldn't be too hard

2110
01:36:19,430 --> 01:36:16,159
because you're a slime ball bro

2111
01:36:21,750 --> 01:36:19,440
corey good is a big greasy slime ball

2112
01:36:23,990 --> 01:36:21,760
there i said it and you know i try to

2113
01:36:26,550 --> 01:36:24,000

not get personal or personally insulting

2114

01:36:28,550 --> 01:36:26,560

with this guy but i just can't help it

2115

01:36:31,430 --> 01:36:28,560

because i have seen the detrimental

2116

01:36:33,669 --> 01:36:31,440

effects that this guy has had on

2117

01:36:35,109 --> 01:36:33,679

believing brain

2118

01:36:41,750 --> 01:36:35,119

people

2119

01:36:43,910 --> 01:36:41,760

mental illness he takes advantage of

2120

01:36:45,590 --> 01:36:43,920

some people that are sending him money

2121

01:36:47,510 --> 01:36:45,600

are on disability

2122

01:36:49,830 --> 01:36:47,520

for various things including mental

2123

01:36:52,229 --> 01:36:49,840

illness does he care no he just takes

2124

01:36:55,109 --> 01:36:52,239

their money but every day he's becoming

2125

01:36:57,030 --> 01:36:55,119

a better version of me

2126

01:37:00,310 --> 01:36:57,040

if you've been

2127

01:37:03,109 --> 01:37:00,320

a bottom feeding slime ball disgusting

2128

01:37:06,870 --> 01:37:03,119

human being for five or six years

2129

01:37:09,430 --> 01:37:06,880

stealing money from vulnerable people

2130

01:37:11,510 --> 01:37:09,440

from damaged people from delusional

2131

01:37:14,310 --> 01:37:11,520

people for five or six years how could

2132

01:37:15,990 --> 01:37:14,320

you not become a better version of of

2133

01:37:18,870 --> 01:37:16,000

yourself corey good you want to become a

2134

01:37:21,590 --> 01:37:18,880

better version disappear

2135

01:37:24,149 --> 01:37:21,600

turn all of your social media off and go

2136

01:37:25,669 --> 01:37:24,159

get a job bro you want to feel better

2137

01:37:28,950 --> 01:37:25,679

about yourself and not need to

2138

01:37:30,310 --> 01:37:28,960

self-medicate yourself into oblivion get

2139

01:37:31,830 --> 01:37:30,320

a job bro

2140

01:37:32,830 --> 01:37:31,840

get a job

2141

01:37:34,629 --> 01:37:32,840

you'll feel

2142

01:37:36,229 --> 01:37:34,639

better

2143

01:37:37,590 --> 01:37:36,239

most people i would assume would feel

2144

01:37:39,430 --> 01:37:37,600

better right

2145

01:37:42,310 --> 01:37:39,440

you could have some value offer some

2146

01:37:44,950 --> 01:37:42,320

value to the world dude i don't care if

2147

01:37:47,669 --> 01:37:44,960

you flip burgers corey good that would

2148

01:37:52,390 --> 01:37:47,679

offer more value to the world than what

2149

01:37:55,990 --> 01:37:54,629

oh i think that's it oh no i forgive

2150

01:37:58,790 --> 01:37:56,000

myself

2151
01:38:00,709 --> 01:37:58,800
for the times i have been unloving

2152
01:38:03,669 --> 01:38:00,719
and he's forgiving himself for all the

2153
01:38:05,590 --> 01:38:03,679
people that he's suing corey good suing

2154
01:38:08,310 --> 01:38:05,600
people instead of paying them the money

2155
01:38:11,350 --> 01:38:08,320
you owe them that's an unloving act

2156
01:38:12,629 --> 01:38:11,360
suing critics instead of just accepting

2157
01:38:14,790 --> 01:38:12,639
that if you're going to tell whack and

2158
01:38:16,629 --> 01:38:14,800
do stories on the internet that tell

2159
01:38:18,709 --> 01:38:16,639
people you're buck rogers and you time

2160
01:38:22,229 --> 01:38:18,719
traveled there may be some critics

2161
01:38:24,149 --> 01:38:22,239
that'll go on the internet right

2162
01:38:25,910 --> 01:38:24,159
suing those critics just because they

2163
01:38:28,149 --> 01:38:25,920

were critical of your buck rogers

2164

01:38:30,550 --> 01:38:28,159

science fiction fantasy stories is an

2165

01:38:32,070 --> 01:38:30,560

unloving act but it's good that you can

2166

01:38:34,229 --> 01:38:32,080

forgive yourself

2167

01:38:35,750 --> 01:38:34,239

i hope all the people that you hurt

2168

01:38:38,950 --> 01:38:35,760

could forgive you

2169

01:38:42,470 --> 01:38:38,960

for being a slime ball and causing them

2170

01:38:44,229 --> 01:38:42,480

financial and emotional heartache

2171

01:38:46,149 --> 01:38:44,239

because you want to go on the internet

2172

01:38:49,669 --> 01:38:46,159

and tell buck rogers science fiction

2173

01:38:52,070 --> 01:38:49,679

fantasy stories unchallenged

2174

01:38:54,550 --> 01:38:52,080

it's not how this works corey good

2175

01:38:55,750 --> 01:38:54,560

you should expect some critics you dummy

2176

01:38:58,229 --> 01:38:55,760

if you're going to go on the internet

2177

01:39:01,590 --> 01:38:58,239

and tell these fantastical stories with

2178

01:39:04,790 --> 01:39:01,600

this utter nonchalance right he does it

2179

01:39:07,350 --> 01:39:04,800

with such nonchalance well uh last week

2180

01:39:10,149 --> 01:39:07,360

i met with the anchor you know the inner

2181

01:39:12,550 --> 01:39:10,159

earth honeycomb people and they told me

2182

01:39:14,950 --> 01:39:12,560

that i have to work on my chakras and

2183

01:39:14,960 --> 01:39:18,629

okay

2184

01:39:23,270 --> 01:39:21,669

he accepts that he is imperfect and yet

2185

01:39:25,590 --> 01:39:23,280

he is perfect

2186

01:39:27,109 --> 01:39:25,600

the perfect con artist

2187

01:39:29,750 --> 01:39:27,119

oh look at this

2188

01:39:32,550 --> 01:39:29,760

look at this this is from his comic book

2189

01:39:35,830 --> 01:39:32,560

this is great this is great

2190

01:39:37,750 --> 01:39:35,840

look it's him battling a reptilian alien

2191

01:39:39,830 --> 01:39:37,760

right and somehow even when he's in

2192

01:39:42,070 --> 01:39:39,840

space he has that same blue shirt that

2193

01:39:44,310 --> 01:39:42,080

he had on when he was on cosmic

2194

01:39:46,950 --> 01:39:44,320

disclosure you know stina maria proved

2195

01:39:48,790 --> 01:39:46,960

that they just take frames of corey good

2196

01:39:50,550 --> 01:39:48,800

from videos and run some kind of

2197

01:39:53,109 --> 01:39:50,560

photoshop filters on them to make this

2198

01:39:54,950 --> 01:39:53,119

comic book apparently

2199

01:39:56,790 --> 01:39:54,960

i don't think there's any artists left

2200

01:39:58,870 --> 01:39:56,800

working on that comic book from the

2201

01:40:01,910 --> 01:39:58,880

stuff that i'm seeing it looks like you

2202

01:40:05,590 --> 01:40:04,149

oh i think we got it all friends i think

2203

01:40:11,830 --> 01:40:05,600

we're gonna check out i think we're

2204

01:40:17,430 --> 01:40:15,109

oh yeah he posts all this fun new age

2205

01:40:23,270 --> 01:40:17,440

stuff and he doesn't live up to it he

2206

01:40:26,390 --> 01:40:24,470

glitch

2207

01:40:27,910 --> 01:40:26,400

says hey guys shout out to elrond

2208

01:40:30,070 --> 01:40:27,920

hubbard for hooking corey good up with

2209

01:40:34,390 --> 01:40:30,080

these amazing stories

2210

01:40:37,430 --> 01:40:34,400

uh yeah a lot of those uh stories uh

2211

01:40:39,510 --> 01:40:37,440

could belong in some of l ron hubbard's

2212

01:40:41,830 --> 01:40:39,520

science fiction fantasy stories annie

2213

01:40:43,030 --> 01:40:41,840

kurtz says he's been 20 and backed too

2214

01:40:44,229 --> 01:40:43,040

many times

2215

01:40:45,510 --> 01:40:44,239

all right so here's what we're going to

2216

01:40:46,629 --> 01:40:45,520

do

2217

01:40:48,470 --> 01:40:46,639

uh

2218

01:40:50,709 --> 01:40:48,480

we're going to take another short

2219

01:40:52,229 --> 01:40:50,719

musical break and then i'm going to come

2220

01:40:55,030 --> 01:40:52,239

back i'm going to read all the super

2221

01:40:56,950 --> 01:40:55,040

chats i may have missed some here

2222

01:40:58,790 --> 01:40:56,960

i'm going to read all the super chats so

2223

01:41:01,590 --> 01:40:58,800

if you have any super chats remember

2224

01:41:03,910 --> 01:41:01,600

we're a viewer supported show

2225

01:41:05,109 --> 01:41:03,920

unlike corey good we like to offer value

2226

01:41:06,950 --> 01:41:05,119

to people

2227

01:41:09,510 --> 01:41:06,960

and all the content that we do produce

2228

01:41:11,990 --> 01:41:09,520

here isn't always will be free you might

2229

01:41:13,189 --> 01:41:12,000

have to sit through a couple of ads

2230

01:41:15,910 --> 01:41:13,199

uh

2231

01:41:20,709 --> 01:41:18,629

but the content will always be free but

2232

01:41:22,629 --> 01:41:20,719

those who choose to support us there's a

2233

01:41:23,990 --> 01:41:22,639

money button down there you can hit that

2234

01:41:26,709 --> 01:41:24,000

money button

2235

01:41:28,550 --> 01:41:26,719

and send us any amount that you wish

2236

01:41:33,830 --> 01:41:28,560

um if you've never put your credit card

2237

01:41:36,950 --> 01:41:35,990

spooky says there's a rumor he uses

2238

01:41:46,310 --> 01:41:36,960

fiverr

2239

01:41:51,510 --> 01:41:48,070

good mike gambelli says check the

2240

01:41:53,109 --> 01:41:51,520

clowning good 20 and back rip on youtube

2241

01:41:54,229 --> 01:41:53,119

yeah i'll do that

2242

01:41:56,390 --> 01:41:54,239

so uh

2243

01:41:57,750 --> 01:41:56,400

once again here's here's a game plan

2244

01:41:59,270 --> 01:41:57,760

we've been here for an hour and 40

2245

01:42:00,790 --> 01:41:59,280

minutes i'm not sure how much longer

2246

01:42:02,070 --> 01:42:00,800

we're going to keep going

2247

01:42:03,910 --> 01:42:02,080

yeah but here's what i'm going to do

2248

01:42:05,990 --> 01:42:03,920

we're going to play a musical guest and

2249

01:42:07,510 --> 01:42:06,000

then when we come back i'm going to read

2250

01:42:09,109 --> 01:42:07,520

all the super chats

2251
01:42:11,590 --> 01:42:09,119
and there's other ways to support us you

2252
01:42:13,910 --> 01:42:11,600
can sign up on patreon or send us a

2253
01:42:15,510 --> 01:42:13,920
paypal donation if you send us a paypal

2254
01:42:17,270 --> 01:42:15,520
donation again the links in the about

2255
01:42:18,950 --> 01:42:17,280
section of the video and in the about

2256
01:42:21,350 --> 01:42:18,960
section of our channel here if you

2257
01:42:23,510 --> 01:42:21,360
happen to send a paypal donation

2258
01:42:25,669 --> 01:42:23,520
add a note and write whatever you want

2259
01:42:28,950 --> 01:42:25,679
and we shout it out here

2260
01:42:31,270 --> 01:42:28,960
uh on the show live and we thank each

2261
01:42:33,990 --> 01:42:31,280
and every person who sends a super chat

2262
01:42:35,750 --> 01:42:34,000
or who sends a paypal donation we're

2263
01:42:37,830 --> 01:42:35,760

real big on giving thanks to our

2264

01:42:39,830 --> 01:42:37,840

supporters we're a viewer supported show

2265

01:42:42,149 --> 01:42:39,840

but like i said our content is always

2266

01:42:44,470 --> 01:42:42,159

free but we do offer some value to the

2267

01:42:46,709 --> 01:42:44,480

world and if you agree with the value

2268

01:42:48,950 --> 01:42:46,719

that we offer the world and agree that

2269

01:42:50,870 --> 01:42:48,960

somebody should be on the internet

2270

01:42:53,030 --> 01:42:50,880

uh given the counterpoint to these

2271

01:42:54,470 --> 01:42:53,040

clowns arguments

2272

01:42:56,790 --> 01:42:54,480

while they're conning people out of

2273

01:42:59,430 --> 01:42:56,800

money for fake stories then please do

2274

01:43:02,470 --> 01:42:59,440

support us so when we come back we'll be

2275

01:43:05,510 --> 01:43:02,480

reading all the uh super chats

2276

01:43:07,030 --> 01:43:05,520

and uh i will dedicate my full and total

2277

01:43:09,430 --> 01:43:07,040

attention then

2278

01:43:11,350 --> 01:43:09,440

to the live chat as well

2279

01:43:20,480 --> 01:43:11,360

so we're gonna take a short break we'll

2280

01:43:20,490 --> 01:43:36,790

[Music]

2281

01:43:36,800 --> 01:43:43,030

what

2282

01:43:47,189 --> 01:43:44,470

[Music]

2283

01:43:50,149 --> 01:43:47,199

no matter what you see

2284

01:43:52,720 --> 01:43:50,159

no one's watching me

2285

01:44:04,390 --> 01:43:52,730

at least no

2286

01:44:11,109 --> 01:44:07,189

despite of all you great

2287

01:44:12,629 --> 01:44:11,119

i know that you'll be right at my side

2288

01:44:35,750 --> 01:44:12,639

love

2289

01:44:35,760 --> 01:44:44,760

you'll wonder just

2290

01:44:44,770 --> 01:44:51,430

[Music]

2291

01:44:51,440 --> 01:44:57,750

so much about me as well

2292

01:44:57,760 --> 01:45:03,990

[Music]

2293

01:45:04,000 --> 01:45:09,090

um

2294

01:45:31,430 --> 01:45:26,590

[Music]

2295

01:45:38,420 --> 01:45:31,440

i was young

2296

01:46:08,550 --> 01:45:49,530

[Music]

2297

01:46:08,560 --> 01:46:40,550

so much about me is

2298

01:46:40,560 --> 01:46:45,640

um

2299

01:46:45,650 --> 01:47:01,910

[Music]

2300

01:47:06,310 --> 01:47:03,750

and we are back friends i want to thank

2301

01:47:08,229 --> 01:47:06,320

jason paul elder uh he's one of the

2302

01:47:10,070 --> 01:47:08,239

people that i recorded at my studio in

2303

01:47:11,990 --> 01:47:10,080

philadelphia that one went back all the

2304

01:47:14,149 --> 01:47:12,000

way to 2005.

2305

01:47:17,109 --> 01:47:14,159

it seems like just yesterday

2306

01:47:19,189 --> 01:47:17,119

he walked in my studio

2307

01:47:20,790 --> 01:47:19,199

interesting guy he walked my studio with

2308

01:47:23,510 --> 01:47:20,800

a guitar

2309

01:47:26,229 --> 01:47:23,520

and a keyboard workstation

2310

01:47:27,669 --> 01:47:26,239

and said i want to record an album and i

2311

01:47:33,510 --> 01:47:27,679

said

2312

01:47:35,109 --> 01:47:33,520

band and it was interesting

2313

01:47:38,310 --> 01:47:35,119

getting to record him taught me that i

2314

01:47:39,669 --> 01:47:38,320

could do that myself as well

2315

01:47:41,430 --> 01:47:39,679

so

2316

01:47:43,910 --> 01:47:41,440

here we are we're back i'm gonna

2317

01:47:46,149 --> 01:47:43,920

dedicate my full and total attention to

2318

01:47:48,470 --> 01:47:46,159

uh the live chat now

2319

01:47:50,470 --> 01:47:48,480

and uh

2320

01:47:51,990 --> 01:47:50,480

oh man the tech stuff continues there's

2321

01:47:53,910 --> 01:47:52,000

supposed to be a monitor right in front

2322

01:47:56,550 --> 01:47:53,920

of me with the live chat

2323

01:47:58,629 --> 01:47:56,560

and it just stopped working

2324

01:48:01,350 --> 01:47:58,639

right before the music ended

2325

01:48:03,830 --> 01:48:01,360

so what can i say friends i have a lot

2326
01:48:06,790 --> 01:48:03,840
of more testing to do i thought we were

2327
01:48:08,310 --> 01:48:06,800
ready i thought that we had uh worked

2328
01:48:10,709 --> 01:48:08,320
out all the glitches i was very

2329
01:48:12,709 --> 01:48:10,719
confident starting the show tonight but

2330
01:48:14,229 --> 01:48:12,719
it's all good i i've said this before

2331
01:48:15,910 --> 01:48:14,239
i'm going to say it again

2332
01:48:17,189 --> 01:48:15,920
this is a live show you get at warts and

2333
01:48:19,430 --> 01:48:17,199
all but what i'm going to do is i'm

2334
01:48:22,070 --> 01:48:19,440
going to download i'll mark this stream

2335
01:48:24,310 --> 01:48:22,080
private i'm going to download it cut the

2336
01:48:25,270 --> 01:48:24,320
beginning with all the audio glitches

2337
01:48:26,070 --> 01:48:25,280
and

2338
01:48:28,390 --> 01:48:26,080

um

2339

01:48:29,990 --> 01:48:28,400

only upload the the portion where we did

2340

01:48:32,390 --> 01:48:30,000

the coverage tonight

2341

01:48:33,350 --> 01:48:32,400

so i apologize for that

2342

01:48:35,350 --> 01:48:33,360

um

2343

01:48:37,430 --> 01:48:35,360

six design is right on top of things

2344

01:48:38,709 --> 01:48:37,440

sharing jason paul elder's youtube

2345

01:48:40,310 --> 01:48:38,719

channel if you want to hear more from

2346

01:48:41,430 --> 01:48:40,320

him old friend of mine

2347

01:48:42,950 --> 01:48:41,440

um

2348

01:48:49,750 --> 01:48:42,960

yeah

2349

01:48:52,310 --> 01:48:49,760

i'm gonna try to stick uh

2350

01:48:53,750 --> 01:48:52,320

you know i uh

2351

01:48:55,430 --> 01:48:53,760

we have i'm not gonna explain the

2352

01:48:57,510 --> 01:48:55,440

technical end of it but we have this

2353

01:48:58,709 --> 01:48:57,520

janky way of doing this multi-camera

2354

01:49:01,109 --> 01:48:58,719

setup now

2355

01:49:04,790 --> 01:49:01,119

and uh everything connected to the main

2356

01:49:06,149 --> 01:49:04,800

pc works fine no issues but then i got

2357

01:49:07,590 --> 01:49:06,159

the bright idea that we were going to

2358

01:49:10,310 --> 01:49:07,600

start connecting

2359

01:49:11,750 --> 01:49:10,320

from other computers as a guest and that

2360

01:49:13,669 --> 01:49:11,760

would give us even more camera angle

2361

01:49:15,109 --> 01:49:13,679

that doesn't work so well so

2362

01:49:17,669 --> 01:49:15,119

back to the drawing board we're going to

2363

01:49:19,910 --> 01:49:17,679

see if we can't fix some of these issues

2364

01:49:21,589 --> 01:49:19,920

and uh yeah

2365

01:49:24,229 --> 01:49:21,599

but it is what it is thank you for

2366

01:49:26,310 --> 01:49:24,239

bearing with me through it right

2367

01:49:29,669 --> 01:49:26,320

archaic revival is here and says do you

2368

01:49:32,149 --> 01:49:29,679

think it was aliens uh maybe

2369

01:49:35,350 --> 01:49:32,159

maybe it was

2370

01:49:37,109 --> 01:49:35,360

i'm not quite sure

2371

01:49:39,350 --> 01:49:37,119

yes moody mongol there needs to be more

2372

01:49:41,669 --> 01:49:39,360

foreheads in this live stream

2373

01:49:43,910 --> 01:49:41,679

you know it's a small room so trying to

2374

01:49:44,950 --> 01:49:43,920

figure out how to do multiple camera

2375

01:49:47,990 --> 01:49:44,960

angles

2376

01:49:49,830 --> 01:49:48,000

is has been pretty challenging and

2377

01:49:52,390 --> 01:49:49,840

actually i'm already annoyed with this

2378

01:49:54,390 --> 01:49:52,400

camera angle because

2379

01:49:56,709 --> 01:49:54,400

i have to look at the camera

2380

01:49:59,030 --> 01:49:56,719

but i have to read the live chat which

2381

01:50:01,270 --> 01:49:59,040

is difficult so i'm probably going to

2382

01:50:03,109 --> 01:50:01,280

switch

2383

01:50:04,629 --> 01:50:03,119

yeah archaic revival might be the black

2384

01:50:05,990 --> 01:50:04,639

helicopters

2385

01:50:08,830 --> 01:50:06,000

right

2386

01:50:11,589 --> 01:50:08,840

yeah i am good thank you thank you very

2387

01:50:15,750 --> 01:50:11,599

much and mark tirana is here it says

2388

01:50:17,430 --> 01:50:15,760

lh308 stroker turbo 409 inch i don't

2389

01:50:18,709 --> 01:50:17,440

know what he's talking about some car

2390

01:50:21,030 --> 01:50:18,719

stuff

2391

01:50:23,030 --> 01:50:21,040

um so any questions

2392

01:50:24,709 --> 01:50:23,040

for me please put it in live chat and

2393

01:50:26,709 --> 01:50:24,719

yes please stop swearing in the live

2394

01:50:28,550 --> 01:50:26,719

chat because the youtube algorithm does

2395

01:50:31,589 --> 01:50:28,560

not like that yeah

2396

01:50:34,470 --> 01:50:31,599

doesn't like that one bit

2397

01:50:37,109 --> 01:50:34,480

so we're going to come back over

2398

01:50:39,830 --> 01:50:37,119

come back over to this one right because

2399

01:50:41,350 --> 01:50:39,840

uh the darker it gets the more handsome

2400

01:50:42,390 --> 01:50:41,360

i become

2401

01:50:44,310 --> 01:50:42,400

um

2402

01:50:47,189 --> 01:50:44,320

and what can i say we tried real hard to

2403

01:50:48,149 --> 01:50:47,199

get this live uh multi-camera setup to

2404

01:50:50,550 --> 01:50:48,159

work

2405

01:50:52,229 --> 01:50:50,560

and it failed miserably at the beginning

2406

01:50:53,990 --> 01:50:52,239

of the stream but i'm gonna keep things

2407

01:50:56,550 --> 01:50:54,000

simple for right now

2408

01:50:59,109 --> 01:50:56,560

and uh we should be okay

2409

01:51:01,109 --> 01:50:59,119

so any questions or comments for me

2410

01:51:03,189 --> 01:51:01,119

uh please put them in all capital

2411

01:51:04,229 --> 01:51:03,199

letters otherwise we're gonna bounce on

2412

01:51:07,189 --> 01:51:04,239

out of here

2413

01:51:08,870 --> 01:51:07,199

no aliens nothing to see here oh i did

2414

01:51:10,390 --> 01:51:08,880

want to uh thank

2415

01:51:13,510 --> 01:51:10,400

we're gonna check in with the paypal

2416

01:51:15,109 --> 01:51:13,520

donators let me check back in make sure

2417

01:51:17,109 --> 01:51:15,119

i think we've read all of the super

2418

01:51:20,870 --> 01:51:17,119

chats uh let me

2419

01:51:22,470 --> 01:51:20,880

let me check on that just to be sure

2420

01:51:23,669 --> 01:51:22,480

yes we've read all the super chats for

2421

01:51:24,950 --> 01:51:23,679

tonight but i'm going to thank each

2422

01:51:28,149 --> 01:51:24,960

person again

2423

01:51:31,910 --> 01:51:28,159

thank you to sally van divord for kind

2424

01:51:34,310 --> 01:51:31,920

and generous 999 super chat jmod nzt for

2425

01:51:37,510 --> 01:51:34,320

kind and generous dollar

2426

01:51:40,470 --> 01:51:37,520

uh super chat marina member of genus and

2427

01:51:42,709 --> 01:51:40,480

j mod again uh

2428

01:51:45,270 --> 01:51:42,719

for kind and generous super chat

2429

01:51:47,669 --> 01:51:45,280

donation very kind and generous of you

2430

01:51:50,470 --> 01:51:47,679

we're gonna check in with the paypal

2431

01:51:52,550 --> 01:51:50,480

it's truesecretshow gmail.com if you

2432

01:51:55,510 --> 01:51:52,560

want to send us a paypal remember to

2433

01:51:57,150 --> 01:51:55,520

include a note uh with your

2434

01:51:58,950 --> 01:51:57,160

super chat uh and

2435

01:52:03,270 --> 01:51:58,960

[Music]

2436

01:52:05,030 --> 01:52:03,280

i want to thank christine uh from uh

2437

01:52:06,790 --> 01:52:05,040

well i want to thank christine for kind

2438

01:52:08,709 --> 01:52:06,800

and generous fifty dollar paypal

2439

01:52:10,070 --> 01:52:08,719

generation very kind very generous of

2440

01:52:12,550 --> 01:52:10,080

you thank you for your kindness your

2441

01:52:15,990 --> 01:52:12,560

generosity and your support of the show

2442

01:52:17,430 --> 01:52:16,000

it really does help very much

2443

01:52:19,430 --> 01:52:17,440

now i'm uh

2444

01:52:20,629 --> 01:52:19,440

going to move this microphone closer to

2445

01:52:24,629 --> 01:52:20,639

me

2446

01:52:28,709 --> 01:52:26,870

you know hindsight is always 20 20 but

2447

01:52:30,790 --> 01:52:28,719

i've all but figured out where all the

2448

01:52:32,229 --> 01:52:30,800

technical glitches happen tonight and

2449

01:52:38,550 --> 01:52:32,239

we'll be uh

2450

01:52:42,310 --> 01:52:40,870

sire j long stroke i hate to hear that i

2451

01:52:43,910 --> 01:52:42,320

tried to send a super chat it didn't

2452

01:52:45,830 --> 01:52:43,920

work but i wanted to say thank you for

2453

01:52:47,109 --> 01:52:45,840

providing a counter narrative to the ufo

2454

01:52:49,750 --> 01:52:47,119

claims it's very important to stay

2455

01:52:51,510 --> 01:52:49,760

informed so certain people don't exploit

2456

01:52:55,030 --> 01:52:51,520

i agree

2457

01:52:57,350 --> 01:52:55,040

and thank you for at least attempting

2458

01:52:59,109 --> 01:52:57,360

you can send a paypal donation those

2459

01:53:01,589 --> 01:52:59,119

always work and there's a link to do

2460

01:53:03,350 --> 01:53:01,599

that in the description of the video

2461

01:53:05,430 --> 01:53:03,360

and if i miss thanking you on tonight's

2462

01:53:07,109 --> 01:53:05,440

broadcast i will thank you on the on the

2463

01:53:08,950 --> 01:53:07,119

following broadcast

2464

01:53:13,030 --> 01:53:08,960

glitch is asking your opinion on richard

2465

01:53:14,709 --> 01:53:13,040

hoagland he pushed the mars face uh for

2466

01:53:16,550 --> 01:53:14,719

years and years and years even after it

2467

01:53:18,390 --> 01:53:16,560

was proven to be fake

2468

01:53:20,149 --> 01:53:18,400

uh

2469

01:53:22,070 --> 01:53:20,159

he still kept pushing it he wouldn't let

2470

01:53:23,830 --> 01:53:22,080

it go because he had made tens of

2471

01:53:27,669 --> 01:53:23,840

thousands of dollars maybe hundreds of

2472

01:53:28,550 --> 01:53:27,679

thousands of dollars pushing the mars on

2473

01:53:30,310 --> 01:53:28,560

uh

2474

01:53:32,470 --> 01:53:30,320

the mars

2475

01:53:35,589 --> 01:53:32,480

the face on mars

2476
01:53:37,189 --> 01:53:35,599
conspiracy turned out to be just a trick

2477
01:53:38,790 --> 01:53:37,199
of light in shadows richard hoagland

2478
01:53:40,390 --> 01:53:38,800
would never let it go and for that i've

2479
01:53:42,149 --> 01:53:40,400
never really forgiven him

2480
01:53:44,629 --> 01:53:42,159
when you're wrong you should realize

2481
01:53:46,229 --> 01:53:44,639
that you're wrong super high def is here

2482
01:53:48,870 --> 01:53:46,239
good to see you will you be covering the

2483
01:53:51,990 --> 01:53:48,880
national cathedral event or anyone

2484
01:53:54,390 --> 01:53:52,000
um maybe it's on my list actually and

2485
01:53:55,430 --> 01:53:54,400
super high def for the super high def

2486
01:53:57,510 --> 01:53:55,440
blog

2487
01:54:01,270 --> 01:53:57,520
i'm going to go over here

2488
01:54:03,109 --> 01:54:01,280

and give you a moderator wrench if you

2489

01:54:05,030 --> 01:54:03,119

don't already have one

2490

01:54:07,510 --> 01:54:05,040

let me check in with the live chat i've

2491

01:54:08,470 --> 01:54:07,520

got to do that over here from

2492

01:54:11,990 --> 01:54:08,480

from the

2493

01:54:14,709 --> 01:54:12,000

actual live chat on youtube so

2494

01:54:16,550 --> 01:54:14,719

super high def

2495

01:54:18,950 --> 01:54:16,560

uh let me see if i can't give you a

2496

01:54:22,790 --> 01:54:18,960

wrench and then super high def is free

2497

01:54:23,750 --> 01:54:22,800

to we covered their blog before uh or if

2498

01:54:26,470 --> 01:54:23,760

uh

2499

01:54:28,070 --> 01:54:26,480

six cents can find it we can give them a

2500

01:54:30,790 --> 01:54:28,080

either we either i gotta give them a

2501

01:54:32,070 --> 01:54:30,800

wrench so they can put the link in or

2502

01:54:35,189 --> 01:54:32,080

um

2503

01:54:37,189 --> 01:54:35,199

maybe uh somebody can find the link

2504

01:54:39,510 --> 01:54:37,199

to your blog or you can just google

2505

01:54:41,109 --> 01:54:39,520

super high def blog aliens and you'll

2506

01:54:42,470 --> 01:54:41,119

probably find it

2507

01:54:45,750 --> 01:54:42,480

right

2508

01:54:47,750 --> 01:54:45,760

and uh whoa look at that oh kind and

2509

01:54:49,589 --> 01:54:47,760

generous of you very much

2510

01:54:52,149 --> 01:54:49,599

aximus row with kind and generous i

2511

01:54:53,669 --> 01:54:52,159

think that's 50 australian very very

2512

01:54:55,990 --> 01:54:53,679

generous of you thank you for kindness

2513

01:54:57,830 --> 01:54:56,000

your generosity and your support thanks

2514

01:54:59,350 --> 01:54:57,840

steven crew i came last friday to give

2515

01:55:01,350 --> 01:54:59,360

praise to the cash but there was no

2516

01:55:03,589 --> 01:55:01,360

super chat thanks for your work i

2517

01:55:04,629 --> 01:55:03,599

download and listen at work during the

2518

01:55:06,550 --> 01:55:04,639

week

2519

01:55:08,950 --> 01:55:06,560

uh act semester should always be a super

2520

01:55:12,070 --> 01:55:08,960

chat if there's a live show

2521

01:55:13,910 --> 01:55:12,080

uh i'm not sure why oh maybe it was just

2522

01:55:15,669 --> 01:55:13,920

an uploaded video

2523

01:55:17,350 --> 01:55:15,679

uh that you came for or there was no

2524

01:55:18,790 --> 01:55:17,360

show on friday but in either case i'm

2525

01:55:20,149 --> 01:55:18,800

glad that you're here

2526

01:55:22,149 --> 01:55:20,159

and i want to thank you for that

2527

01:55:24,470 --> 01:55:22,159

tremendous kindness generosity and

2528

01:55:27,669 --> 01:55:24,480

support in helping us to praise the cash

2529

01:55:29,270 --> 01:55:27,679

with 50 australian thank you very much

2530

01:55:31,830 --> 01:55:29,280

that is very very generous of you and

2531

01:55:32,790 --> 01:55:31,840

very generous of all of you super

2532

01:55:34,629 --> 01:55:32,800

chatters

2533

01:55:36,390 --> 01:55:34,639

we really appreciate it lincoln liar

2534

01:55:38,310 --> 01:55:36,400

says richard hoagland is still pushing

2535

01:55:39,910 --> 01:55:38,320

that bs

2536

01:55:41,229 --> 01:55:39,920

annie kurtz is here with the kylie

2537

01:55:44,229 --> 01:55:41,239

jenner's

2538

01:55:46,310 --> 01:55:44,239

5.4.99 super chat love to my favorite

2539

01:55:48,070 --> 01:55:46,320

live stream and chatters and their

2540

01:55:49,910 --> 01:55:48,080

foreheads

2541

01:55:51,589 --> 01:55:49,920

very nice of you annie kurtz thank you

2542

01:55:54,310 --> 01:55:51,599

for your kindness your generosity and

2543

01:55:55,910 --> 01:55:54,320

your support you know uh one thing i

2544

01:55:59,350 --> 01:55:55,920

will say is

2545

01:56:01,750 --> 01:55:59,360

this whole show was a cluster f

2546

01:56:03,589 --> 01:56:01,760

the first half hour like everything went

2547

01:56:05,589 --> 01:56:03,599

wrong the microphone didn't work the

2548

01:56:07,030 --> 01:56:05,599

cameras weren't working everything was

2549

01:56:08,229 --> 01:56:07,040

all screwed up

2550

01:56:10,470 --> 01:56:08,239

but

2551

01:56:12,709 --> 01:56:10,480

we calmed down we ground it

2552

01:56:16,310 --> 01:56:12,719

you know we just said we'll start over

2553

01:56:17,830 --> 01:56:16,320

it's okay and it was and uh boy there's

2554

01:56:19,669 --> 01:56:17,840

no other job on earth where you can go

2555

01:56:21,189 --> 01:56:19,679

and just screw everything up and still

2556

01:56:24,790 --> 01:56:21,199

get paid for the day

2557

01:56:26,790 --> 01:56:24,800

so i'm thankful for this situation

2558

01:56:29,189 --> 01:56:26,800

but that being said i hate technical

2559

01:56:30,470 --> 01:56:29,199

issues because honestly the people who

2560

01:56:32,790 --> 01:56:30,480

complain

2561

01:56:35,189 --> 01:56:32,800

uh a lot

2562

01:56:38,149 --> 01:56:35,199

they complain even if everything is

2563

01:56:39,510 --> 01:56:38,159

pretty close to perfect right so when

2564

01:56:43,589 --> 01:56:39,520

there is a show where everything's

2565

01:56:45,510 --> 01:56:43,599

screwed up oh it doesn't go good at all

2566

01:56:47,109 --> 01:56:45,520

but thank you annie kurtz for your

2567

01:56:48,709 --> 01:56:47,119

continuing support of the show for your

2568

01:56:51,189 --> 01:56:48,719

kindness your generosity and your

2569

01:56:53,510 --> 01:56:51,199

support we really do appreciate it and

2570

01:56:55,990 --> 01:56:53,520

there it is super high def thank you six

2571

01:56:57,990 --> 01:56:56,000

cents for your google skills there is

2572

01:56:59,669 --> 01:56:58,000

the super high def blog which you should

2573

01:57:01,990 --> 01:56:59,679

check out we'll be reading some more

2574

01:57:04,070 --> 01:57:02,000

articles from the super high def blog

2575

01:57:05,750 --> 01:57:04,080

probably this week thank you for

2576

01:57:07,910 --> 01:57:05,760

stopping in the live chat and reminding

2577

01:57:09,270 --> 01:57:07,920

me to do that

2578

01:57:12,070 --> 01:57:09,280

super high def

2579

01:57:13,669 --> 01:57:12,080

has a blog talking about aliens ufos and

2580

01:57:16,310 --> 01:57:13,679

a lot of philosophical stuff about

2581

01:57:19,030 --> 01:57:16,320

aliens and ufos that i enjoy and i think

2582

01:57:20,550 --> 01:57:19,040

you will enjoy so you should check it

2583

01:57:22,550 --> 01:57:20,560

out aximus rose says there was a

2584

01:57:25,109 --> 01:57:22,560

premiere last friday

2585

01:57:27,030 --> 01:57:25,119

um yeah i don't remember i don't recall

2586

01:57:29,189 --> 01:57:27,040

oh you're probably right yeah

2587

01:57:30,709 --> 01:57:29,199

uh that was the wilcock thing

2588

01:57:33,109 --> 01:57:30,719

i don't know if super chats weren't on

2589

01:57:35,589 --> 01:57:33,119

they should have been but uh in any case

2590

01:57:37,109 --> 01:57:35,599

thank you super high def thanking us uh

2591

01:57:38,629 --> 01:57:37,119

no thank you for your kindness and your

2592

01:57:40,390 --> 01:57:38,639

generosity and your support of the show

2593

01:57:43,030 --> 01:57:40,400

anything we can do to help you

2594

01:57:48,390 --> 01:57:43,040

i would be happy to do fgrf72 is here it

2595

01:57:53,189 --> 01:57:51,270

spooky i you know what no spooky here's

2596

01:57:54,709 --> 01:57:53,199

what i'm gonna do from now on

2597

01:57:56,870 --> 01:57:54,719

people don't know you're not here in the

2598

01:57:59,510 --> 01:57:56,880

room with me right i'm just gonna blame

2599

01:58:01,430 --> 01:57:59,520

it on spooky i'd be like spooky

2600

01:58:03,589 --> 01:58:01,440

spooky messed up the microphones that's

2601

01:58:06,149 --> 01:58:03,599

why nothing's working right tonight

2602

01:58:07,830 --> 01:58:06,159

spooky messed up all the microphones and

2603

01:58:10,950 --> 01:58:07,840

that's why i sound like i'm talking to

2604

01:58:13,350 --> 01:58:10,960

you through a fish tank tonight

2605

01:58:15,589 --> 01:58:13,360

and i apologize spooky was pissing me

2606

01:58:17,430 --> 01:58:15,599

off i'm like no it's the right mic it's

2607

01:58:19,109 --> 01:58:17,440

the right mic it's the right mic it was

2608

01:58:22,709 --> 01:58:19,119

the wrong mic

2609

01:58:24,229 --> 01:58:22,719

spooky was 100 right somehow

2610

01:58:25,830 --> 01:58:24,239

i don't i don't think i might have been

2611

01:58:28,709 --> 01:58:25,840

from switching back and forth between

2612

01:58:31,189 --> 01:58:28,719

these cameras somehow

2613

01:58:34,070 --> 01:58:31,199

our software decided that i wanted to

2614

01:58:35,510 --> 01:58:34,080

speak through uh you know a webcam

2615

01:58:36,629 --> 01:58:35,520

microphone

2616

01:58:39,030 --> 01:58:36,639

and not

2617

01:58:40,629 --> 01:58:39,040

through the the good microphone that's

2618

01:58:42,950 --> 01:58:40,639

in front of me so

2619

01:58:44,950 --> 01:58:42,960

and spooky knows this because she called

2620

01:58:47,350 --> 01:58:44,960

me on it before

2621

01:58:48,709 --> 01:58:47,360

there was a time before where i swore i

2622

01:58:50,790 --> 01:58:48,719

was talking to the microphone and i was

2623

01:58:52,390 --> 01:58:50,800

even banging on it i'm like no it's the

2624

01:58:54,229 --> 01:58:52,400

right mic it's the right mic it was the

2625

01:58:56,790 --> 01:58:54,239

wrong microphone i was speaking through

2626

01:58:58,550 --> 01:58:56,800

the webcam microphone and i had no idea

2627

01:58:59,990 --> 01:58:58,560

right

2628

01:59:02,070 --> 01:59:00,000

moody mongol says i just want you to

2629

01:59:03,510 --> 01:59:02,080

have the best show possible stephen well

2630

01:59:05,030 --> 01:59:03,520

thank you for that and i do want to

2631

01:59:08,550 --> 01:59:05,040

mention

2632

01:59:11,990 --> 01:59:08,560

uh you know largely we get all positive

2633

01:59:14,310 --> 01:59:12,000

we get very positive uh

2634

01:59:17,910 --> 01:59:14,320

emails and messages and things like that

2635

01:59:21,109 --> 01:59:19,030

yes so

2636

01:59:23,830 --> 01:59:21,119

this week somebody sent me a nasty

2637

01:59:25,830 --> 01:59:23,840

message about another show

2638

01:59:29,350 --> 01:59:25,840

and i don't know if they were from that

2639

01:59:30,950 --> 01:59:29,360

show i don't think so but they were like

2640

01:59:32,550 --> 01:59:30,960

this show's better than yours and they

2641

01:59:35,189 --> 01:59:32,560

have a thousand more subscribers than

2642

01:59:36,629 --> 01:59:35,199

you or 1500 more subscribers than you

2643

01:59:38,390 --> 01:59:36,639

and they get more views than you and

2644

01:59:39,430 --> 01:59:38,400

their shows more professional and all

2645

01:59:40,550 --> 01:59:39,440

this stuff

2646

01:59:42,310 --> 01:59:40,560

and then

2647

01:59:43,830 --> 01:59:42,320

you know i try not to let that stuff

2648

01:59:45,830 --> 01:59:43,840

bother me because it's just some

2649

01:59:47,510 --> 01:59:45,840

nameless faceless

2650

01:59:48,470 --> 01:59:47,520

email account that you've never seen

2651
01:59:49,589 --> 01:59:48,480
before

2652
01:59:51,109 --> 01:59:49,599
but

2653
01:59:53,589 --> 01:59:51,119
you know then come to look at that other

2654
01:59:56,310 --> 01:59:53,599
show and go uh this guy's got like 10

2655
01:59:58,709 --> 01:59:56,320
people helping him

2656
02:00:01,830 --> 01:59:58,719
and he's only slightly that show's only

2657
02:00:05,109 --> 02:00:01,840
slightly beating ours and they're ufo

2658
02:00:07,510 --> 02:00:05,119
circle jerkers so uh you know

2659
02:00:08,709 --> 02:00:07,520
sorry if you like ufo circle jerk shows

2660
02:00:10,950 --> 02:00:08,719
more than mine

2661
02:00:12,709 --> 02:00:10,960
uh we're doing fine here and i'm fine

2662
02:00:14,709 --> 02:00:12,719
with the um

2663
02:00:17,270 --> 02:00:14,719

i'm fine with the slow

2664

02:00:17,280 --> 02:00:22,229

progression of the show right

2665

02:00:25,430 --> 02:00:23,750

johnny t says oh no you're gonna have

2666

02:00:27,109 --> 02:00:25,440

them all coming

2667

02:00:29,030 --> 02:00:27,119

after you yeah

2668

02:00:31,350 --> 02:00:29,040

uh the sixth sense is i have a log of

2669

02:00:32,950 --> 02:00:31,360

all previous guests and links associated

2670

02:00:34,870 --> 02:00:32,960

you send it to me we'll post it

2671

02:00:36,070 --> 02:00:34,880

somewhere so that everybody can

2672

02:00:40,870 --> 02:00:36,080

uh

2673

02:00:46,070 --> 02:00:43,990

yeah i see spooky in the background

2674

02:00:48,070 --> 02:00:46,080

yeah um that's my new plan

2675

02:00:52,470 --> 02:00:48,080

you know what uh

2676

02:00:54,629 --> 02:00:52,480

i i it's so funny i i uh had a rock show

2677

02:00:57,030 --> 02:00:54,639

one time where the sound was absolutely

2678

02:00:59,589 --> 02:00:57,040

horrible and i kept apologizing to the

2679

02:01:01,510 --> 02:00:59,599

audience and then another band guy that

2680

02:01:03,510 --> 02:01:01,520

was there that wasn't playing that night

2681

02:01:05,350 --> 02:01:03,520

he was like what are you doing man

2682

02:01:07,750 --> 02:01:05,360

blame the sound guy

2683

02:01:09,910 --> 02:01:07,760

so from now on spooky's the sound guy

2684

02:01:12,870 --> 02:01:09,920

sound girl whatever

2685

02:01:15,750 --> 02:01:12,880

she's the audio engineer and if anything

2686

02:01:17,350 --> 02:01:15,760

ever goes on with the

2687

02:01:19,109 --> 02:01:17,360

sound system

2688

02:01:21,189 --> 02:01:19,119

the microphone doesn't work i'm going to

2689

02:01:23,109 --> 02:01:21,199

blame spooky from nail one i think

2690

02:01:27,589 --> 02:01:23,119

that's a good plan even though it's it's

2691

02:01:32,790 --> 02:01:29,510

johnny t says by their powers combined

2692

02:01:35,669 --> 02:01:32,800

they form captain douchebag

2693

02:01:37,270 --> 02:01:35,679

yeah there's an awful lot of that right

2694

02:01:39,350 --> 02:01:37,280

oh yes

2695

02:01:41,750 --> 02:01:39,360

mark tarana i want to thank mark toronto

2696

02:01:44,550 --> 02:01:41,760

we'll be covering a new story

2697

02:01:46,629 --> 02:01:44,560

on billy carson he's selling shares of

2698

02:01:49,350 --> 02:01:46,639

his business now

2699

02:01:51,030 --> 02:01:49,360

and i don't think it's legal mark tarana

2700

02:01:52,310 --> 02:01:51,040

we've looked into it i'm still looking

2701
02:01:55,109 --> 02:01:52,320
into it

2702
02:01:56,709 --> 02:01:55,119
um and we've got a show coming up if you

2703
02:01:58,950 --> 02:01:56,719
asked for it you're going to get it i'm

2704
02:02:00,390 --> 02:01:58,960
covering randy cramer the secret space

2705
02:02:01,750 --> 02:02:00,400
astronaut

2706
02:02:04,070 --> 02:02:01,760
you know the guy that claims he's a

2707
02:02:08,709 --> 02:02:04,080
marine but he he's never been in the

2708
02:02:13,270 --> 02:02:11,589
sire j longstroke uh welcome to the show

2709
02:02:15,270 --> 02:02:13,280
says yeah bro you do you who cares what

2710
02:02:16,310 --> 02:02:15,280
other people think i just thought it was

2711
02:02:18,390 --> 02:02:16,320
funny

2712
02:02:20,149 --> 02:02:18,400
that somebody out of nowhere this other

2713
02:02:21,109 --> 02:02:20,159

show like hit a certain milestone i

2714

02:02:23,270 --> 02:02:21,119

don't know

2715

02:02:24,790 --> 02:02:23,280

so many thousand subscribers recently or

2716

02:02:26,550 --> 02:02:24,800

something and they

2717

02:02:28,470 --> 02:02:26,560

somebody sent me a nasty message like

2718

02:02:30,470 --> 02:02:28,480

yeah they got to that and you haven't

2719

02:02:32,229 --> 02:02:30,480

yet or you know like okay

2720

02:02:35,270 --> 02:02:32,239

they got a lot of help and they do the

2721

02:02:36,629 --> 02:02:35,280

circle jerk for those who don't know

2722

02:02:38,790 --> 02:02:36,639

there's a whole lot of shows out there

2723

02:02:40,870 --> 02:02:38,800

that don't do what we do what they do is

2724

02:02:42,470 --> 02:02:40,880

they invite these ufo celebrity clowns

2725

02:02:44,390 --> 02:02:42,480

on you know guys like corey good or

2726

02:02:46,709 --> 02:02:44,400

these other clowns that tell fake

2727

02:02:49,109 --> 02:02:46,719

stories and they don't

2728

02:02:51,109 --> 02:02:49,119

press them on evidence or proof or

2729

02:02:52,790 --> 02:02:51,119

anything they just sit back

2730

02:02:54,790 --> 02:02:52,800

lick their buttoholes

2731

02:02:56,629 --> 02:02:54,800

and tell them how great they are and let

2732

02:02:58,229 --> 02:02:56,639

them tell their fake stories

2733

02:03:00,070 --> 02:02:58,239

if you're doing that you've got an

2734

02:03:02,470 --> 02:03:00,080

advantage that i don't have here because

2735

02:03:04,870 --> 02:03:02,480

we try to do good work here we don't do

2736

02:03:07,109 --> 02:03:04,880

the circle jerk so

2737

02:03:09,109 --> 02:03:07,119

uh yeah

2738

02:03:11,510 --> 02:03:09,119

i don't know what this is

2739

02:03:12,830 --> 02:03:11,520

can't stop pooping on butt says i am the

2740

02:03:15,030 --> 02:03:12,840

spirit of the god

2741

02:03:19,030 --> 02:03:15,040

steraculus summoned

2742

02:03:24,870 --> 02:03:19,040

yo [h__h] on the by corey good i

2743

02:03:29,510 --> 02:03:26,629

spooky if this is true when i tell you

2744

02:03:30,950 --> 02:03:29,520

listen to me yeah uh yeah i was in the

2745

02:03:33,669 --> 02:03:30,960

middle of the show and i'm like no it's

2746

02:03:35,750 --> 02:03:33,679

the right microphone because the text

2747

02:03:38,870 --> 02:03:35,760

line spooky looks very similar it says

2748

02:03:41,270 --> 02:03:38,880

usb microphone so i was going i'm on the

2749

02:03:44,790 --> 02:03:41,280

right microphone it's the usb microphone

2750

02:03:47,669 --> 02:03:44,800

but then it says usb microphone

2751
02:03:49,669 --> 02:03:47,679
and then logitech 922 or whatever the

2752
02:03:52,149 --> 02:03:49,679
webcam is so i thought

2753
02:03:54,229 --> 02:03:52,159
that we were right um

2754
02:03:56,229 --> 02:03:54,239
and again that's my fault we changed to

2755
02:03:57,669 --> 02:03:56,239
this other microphone stand i thought

2756
02:03:58,870 --> 02:03:57,679
everything would be fine i should have

2757
02:04:01,109 --> 02:03:58,880
tested

2758
02:04:02,870 --> 02:04:01,119
and uh yeah

2759
02:04:06,229 --> 02:04:02,880
yes moody mongol i definitely meant to

2760
02:04:07,430 --> 02:04:06,239
say lick their foreheads absolutely yeah

2761
02:04:09,830 --> 02:04:07,440
so

2762
02:04:12,229 --> 02:04:09,840
what can i say folks uh we gave this

2763
02:04:14,950 --> 02:04:12,239

multi-camera setup a try i'm gonna have

2764

02:04:22,310 --> 02:04:14,960

to do more testing and i also know what

2765

02:04:25,589 --> 02:04:24,709

one second

2766

02:04:27,910 --> 02:04:25,599

yeah

2767

02:04:30,310 --> 02:04:27,920

so i also know what i did with this

2768

02:04:32,629 --> 02:04:30,320

camera angle when i

2769

02:04:36,069 --> 02:04:32,639

i know what i did i know why i didn't

2770

02:04:39,830 --> 02:04:36,079

have audio on this camera angle um but

2771

02:04:41,510 --> 02:04:39,840

again i'm gonna go through all this and

2772

02:04:43,510 --> 02:04:41,520

and try to fix it

2773

02:04:46,310 --> 02:04:43,520

so it is what it is we've got the

2774

02:04:48,229 --> 02:04:46,320

multi-camera angles there was some weird

2775

02:04:50,870 --> 02:04:48,239

glitches and audio stuff going on

2776

02:04:52,390 --> 02:04:50,880

tonight we're just gonna keep

2777

02:04:54,470 --> 02:04:52,400

uh yeah

2778

02:04:57,830 --> 02:04:54,480

moody mongol says it

2779

02:04:59,109 --> 02:04:57,840

steve's new kryptonite mike's muted yeah

2780

02:05:01,350 --> 02:04:59,119

uh

2781

02:05:02,950 --> 02:05:01,360

yeah i got the left hand one working i

2782

02:05:06,149 --> 02:05:02,960

gotta get the right hand one that's the

2783

02:05:08,229 --> 02:05:06,159

last one over there spooky and then i

2784

02:05:10,470 --> 02:05:08,239

give up on using the guests

2785

02:05:11,669 --> 02:05:10,480

thing with multiple computers because

2786

02:05:13,990 --> 02:05:11,679

that just makes everything more

2787

02:05:16,950 --> 02:05:14,000

complicated i'm going to get a a really

2788

02:05:21,430 --> 02:05:19,830

a really good usb router and just try to

2789

02:05:23,270 --> 02:05:21,440

plug eight

2790

02:05:24,229 --> 02:05:23,280

cameras all over here into the one

2791

02:05:25,189 --> 02:05:24,239

machine

2792

02:05:27,910 --> 02:05:25,199

right

2793

02:05:29,589 --> 02:05:27,920

uh because it just makes things better

2794

02:05:31,990 --> 02:05:29,599

it just makes things easier it

2795

02:05:33,510 --> 02:05:32,000

definitely makes things easier

2796

02:05:36,470 --> 02:05:33,520

so

2797

02:05:38,310 --> 02:05:36,480

just more previews of the multi-cam

2798

02:05:40,310 --> 02:05:38,320

setup we're going to have this

2799

02:05:42,950 --> 02:05:40,320

monitor back here where we could use

2800

02:05:45,030 --> 02:05:42,960

that to play animations or i'm hoping to

2801

02:05:46,229 --> 02:05:45,040

get like a clicker so i could

2802

02:05:48,550 --> 02:05:46,239

uh put

2803

02:05:50,709 --> 02:05:48,560

the slides up there

2804

02:05:52,790 --> 02:05:50,719

uh and we'll see how that works out or

2805

02:05:54,790 --> 02:05:52,800

maybe that's not tight enough view i

2806

02:05:57,910 --> 02:05:54,800

don't know we're still working things

2807

02:05:59,109 --> 02:05:57,920

out here uh but

2808

02:06:03,189 --> 02:05:59,119

majorly

2809

02:06:05,830 --> 02:06:03,199

and we're going to move forward with

2810

02:06:07,589 --> 02:06:05,840

this multi-camera setup the way that it

2811

02:06:09,189 --> 02:06:07,599

is

2812

02:06:11,830 --> 02:06:09,199

dustin miles

2813

02:06:13,510 --> 02:06:11,840

the o says uh or is it due says

2814

02:06:14,950 --> 02:06:13,520

definitely adds to the production value

2815

02:06:16,550 --> 02:06:14,960

that's what i was thinking and believe

2816

02:06:18,069 --> 02:06:16,560

it or not dustin

2817

02:06:19,830 --> 02:06:18,079

um

2818

02:06:22,870 --> 02:06:19,840

nobody can tell me which one of these

2819

02:06:25,430 --> 02:06:22,880

cameras is the 200 logitech and which

2820

02:06:26,550 --> 02:06:25,440

one is the 20 chinese ones

2821

02:06:31,109 --> 02:06:26,560

that i got

2822

02:06:32,069 --> 02:06:31,119

um so i bought a bunch of 20 uh webcams

2823

02:06:34,470 --> 02:06:32,079

and

2824

02:06:37,350 --> 02:06:34,480

some of them are garbage

2825

02:06:38,550 --> 02:06:37,360

but some of them aren't too bad uh so

2826

02:06:40,629 --> 02:06:38,560

you know

2827

02:06:42,229 --> 02:06:40,639

they match almost so i had to go through

2828

02:06:43,830 --> 02:06:42,239

all these different webcams i asked

2829

02:06:45,669 --> 02:06:43,840

everybody i know they had an extra

2830

02:06:47,910 --> 02:06:45,679

webcam or webcam they weren't using to

2831

02:06:50,390 --> 02:06:47,920

lend me one and then i would try to

2832

02:06:51,990 --> 02:06:50,400

figure out how do you get these all to

2833

02:06:54,310 --> 02:06:52,000

look about the same with this weird

2834

02:06:56,790 --> 02:06:54,320

lighting that was the challenge but it's

2835

02:06:58,550 --> 02:06:56,800

definitely worked out i think i think

2836

02:07:01,669 --> 02:06:58,560

we've got it now

2837

02:07:03,830 --> 02:07:01,679

we've definitely got it so

2838

02:07:05,430 --> 02:07:03,840

so friends what can i say uh i'm happy

2839

02:07:06,709 --> 02:07:05,440

to have these new production pieces

2840

02:07:08,390 --> 02:07:06,719

because it does i think it adds

2841

02:07:10,069 --> 02:07:08,400

production value and we can you know

2842

02:07:13,030 --> 02:07:10,079

play these animations in the background

2843

02:07:16,470 --> 02:07:13,040

and different stuff like this uh yeah i

2844

02:07:17,750 --> 02:07:16,480

love it so far i really do like it

2845

02:07:18,550 --> 02:07:17,760

so

2846

02:07:24,229 --> 02:07:18,560

uh

2847

02:07:27,750 --> 02:07:24,239

bounce on out of here and i have a

2848

02:07:30,069 --> 02:07:27,760

wally wants a special forehead can uh

2849

02:07:31,910 --> 02:07:30,079

that's only a david wilcox show though

2850

02:07:33,510 --> 02:07:31,920

my forehead is definitely getting bigger

2851
02:07:35,430 --> 02:07:33,520
what can i say

2852
02:07:37,669 --> 02:07:35,440
but

2853
02:07:39,750 --> 02:07:37,679
i'm going to turn into an alien

2854
02:07:42,390 --> 02:07:39,760
yeah and then um

2855
02:07:45,589 --> 02:07:42,400
there is there is one other thing one

2856
02:07:47,669 --> 02:07:45,599
other uh production piece i guess um now

2857
02:07:48,790 --> 02:07:47,679
i'm really not sure if i want to do this

2858
02:07:51,109 --> 02:07:48,800
but

2859
02:07:53,030 --> 02:07:51,119
we're gonna see

2860
02:07:55,030 --> 02:07:53,040
i feel you know look everything already

2861
02:07:57,430 --> 02:07:55,040
went wrong i could cut this last part as

2862
02:08:05,270 --> 02:07:57,440
well too right

2863
02:08:05,280 --> 02:08:11,350

one second friends just bear with me

2864

02:08:17,830 --> 02:08:12,950

yeah i don't think that's what i wanted

2865

02:08:22,390 --> 02:08:19,750

we have a

2866

02:08:25,030 --> 02:08:22,400

filter set up now as well uh that is

2867

02:08:26,470 --> 02:08:25,040

working i think it's working

2868

02:08:29,270 --> 02:08:26,480

that's another one of those things it's

2869

02:08:31,350 --> 02:08:29,280

like well it works in the tests

2870

02:08:32,709 --> 02:08:31,360

i think it works

2871

02:08:39,030 --> 02:08:32,719

you know

2872

02:08:44,950 --> 02:08:42,709

the filter setup is definitely strange

2873

02:08:46,310 --> 02:08:44,960

um and i'm not sure what or if we're

2874

02:08:48,390 --> 02:08:46,320

going to use it or what we're going to

2875

02:08:52,390 --> 02:08:48,400

use it for

2876

02:08:59,669 --> 02:08:52,400

you know um but we'll give it a try

2877

02:08:59,679 --> 02:09:05,189

yeah so uh there we go

2878

02:09:09,270 --> 02:09:07,350

i mean it is a show about aliens after

2879

02:09:10,550 --> 02:09:09,280

all right it's definitely a show about

2880

02:09:12,709 --> 02:09:10,560

aliens

2881

02:09:16,470 --> 02:09:12,719

so i thought maybe we should have some

2882

02:09:20,390 --> 02:09:16,480

more aliens here right

2883

02:09:20,400 --> 02:09:24,790

cory good lies about us

2884

02:09:31,030 --> 02:09:27,270

david wilcock is lying we don't want to

2885

02:09:34,149 --> 02:09:31,040

eat you we don't want to eat you people

2886

02:09:40,629 --> 02:09:34,159

you people taste nasty

2887

02:09:44,310 --> 02:09:42,390

so these are some of the weirdness that

2888

02:09:46,950 --> 02:09:44,320

we've been uh

2889

02:09:49,109 --> 02:09:46,960

that we've been working on

2890

02:09:51,669 --> 02:09:49,119

uh so we've given everybody a preview of

2891

02:09:54,870 --> 02:09:51,679

some of the new production pieces here

2892

02:09:59,750 --> 02:09:54,880

um we've got more capabilities more

2893

02:10:01,270 --> 02:09:59,760

cameras more toys to uh enjoy and employ

2894

02:10:03,109 --> 02:10:01,280

in our show here

2895

02:10:06,310 --> 02:10:03,119

uh we're going to keep

2896

02:10:07,910 --> 02:10:06,320

we're going to keep working on it right

2897

02:10:09,510 --> 02:10:07,920

and uh

2898

02:10:11,589 --> 02:10:09,520

i want to thank spooky for trying to

2899

02:10:15,350 --> 02:10:11,599

save me from my audio problems but i

2900

02:10:20,470 --> 02:10:17,669

i listen to spooky about as well as i

2901

02:10:23,109 --> 02:10:20,480

listen to my wife right i'm like you're

2902

02:10:26,470 --> 02:10:25,030

they're always right we're dumb we

2903

02:10:28,790 --> 02:10:26,480

should just listen

2904

02:10:31,189 --> 02:10:28,800

right you just i gotta learn to listen

2905

02:10:33,350 --> 02:10:31,199

more and protest less

2906

02:10:35,350 --> 02:10:33,360

so uh what do we have coming up this

2907

02:10:37,750 --> 02:10:35,360

week we have randy kramer we have billy

2908

02:10:38,870 --> 02:10:37,760

carson and oh boy where do you see billy

2909

02:10:41,189 --> 02:10:38,880

carson's

2910

02:10:43,750 --> 02:10:41,199

girlfriend who runs his company's rap

2911

02:10:46,229 --> 02:10:43,760

sheet if you thought billy carson was a

2912

02:10:48,550 --> 02:10:46,239

criminal oh boy

2913

02:10:50,950 --> 02:10:48,560

it's going to be a banger friends so

2914

02:10:52,550 --> 02:10:50,960

we've got that coming up um

2915

02:10:54,390 --> 02:10:52,560

i've got some interviews coming up as

2916

02:10:56,229 --> 02:10:54,400

well i'm trying to get some people that

2917

02:10:57,350 --> 02:10:56,239

sort of bailed out of interviews before

2918

02:10:59,669 --> 02:10:57,360

the uh

2919

02:11:02,149 --> 02:10:59,679

before the holidays to come back and do

2920

02:11:04,950 --> 02:11:02,159

the interview uh this week or next week

2921

02:11:06,310 --> 02:11:04,960

we'll see how that pans out

2922

02:11:07,990 --> 02:11:06,320

i always say this friends i'm always

2923

02:11:10,310 --> 02:11:08,000

happy when there's an audience and thank

2924

02:11:12,069 --> 02:11:10,320

you so much for coming here tonight and

2925

02:11:14,550 --> 02:11:12,079

being a part of mine

2926

02:11:16,069 --> 02:11:14,560

uh no place that i would rather be even

2927

02:11:18,069 --> 02:11:16,079

one more we had a tough night at the

2928

02:11:20,149 --> 02:11:18,079

beginning here but i you know we pulled

2929

02:11:23,510 --> 02:11:20,159

it out that's the important part of a

2930

02:11:25,830 --> 02:11:23,520

live show did you salvage it by the end

2931

02:11:29,030 --> 02:11:25,840

and i think we did so thank you for

2932

02:11:31,350 --> 02:11:29,040

coming here and helping me do my thing

2933

02:11:33,430 --> 02:11:31,360

much appreciated and thanks for all the

2934

02:11:35,750 --> 02:11:33,440

kindness the generosity and the support

2935

02:11:37,750 --> 02:11:35,760

of the show i do want to remind you uh

2936

02:11:40,470 --> 02:11:37,760

that besides throwing money at us that's

2937

02:11:42,310 --> 02:11:40,480

one way to support us there is of course

2938

02:11:44,470 --> 02:11:42,320

another way to support us and that is to

2939

02:11:46,709 --> 02:11:44,480

like comment subscribe and share these

2940

02:11:48,390 --> 02:11:46,719

videos put them on your social media

2941

02:11:50,229 --> 02:11:48,400

send our channel link

2942

02:11:52,470 --> 02:11:50,239

send some video links to your friends

2943

02:11:55,189 --> 02:11:52,480

post them on facebook instagram twitter

2944

02:11:57,189 --> 02:11:55,199

i see all you people sharing it and i

2945

02:11:58,390 --> 02:11:57,199

love it it really does help us with the

2946

02:12:01,270 --> 02:11:58,400

algorithm

2947

02:12:02,229 --> 02:12:01,280

to rise in the search engine

2948

02:12:03,669 --> 02:12:02,239

um

2949

02:12:06,550 --> 02:12:03,679

and i want to remind everybody listening

2950

02:12:08,069 --> 02:12:06,560

in audio podcast land that

2951

02:12:10,149 --> 02:12:08,079

you're missing half the fun go over to

2952

02:12:11,750 --> 02:12:10,159

youtube search for truth seekers one

2953

02:12:13,189 --> 02:12:11,760

word look for me the strange guy with

2954

02:12:16,149 --> 02:12:13,199

the sunglasses

2955

02:12:18,069 --> 02:12:16,159

and find our channel smash the subscribe

2956

02:12:20,310 --> 02:12:18,079

button hit that notification bell and

2957

02:12:23,030 --> 02:12:20,320

you too can come here and take part in

2958

02:12:23,910 --> 02:12:23,040

our live interactive tapings that we do

2959

02:12:25,430 --> 02:12:23,920

here

2960

02:12:27,189 --> 02:12:25,440

all during the week

2961

02:12:29,350 --> 02:12:27,199

i'm trying to get a schedule down i

2962

02:12:32,149 --> 02:12:29,360

don't really have one so also be sure to

2963

02:12:33,669 --> 02:12:32,159

follow me at stevencambian on twitter it

2964

02:12:35,510 --> 02:12:33,679

really does help if you follow me on

2965

02:12:36,950 --> 02:12:35,520

twitter because i post and announce

2966

02:12:39,109 --> 02:12:36,960

everything there

2967

02:12:40,790 --> 02:12:39,119

generally a little ways before it

2968

02:12:42,709 --> 02:12:40,800

actually happens

2969

02:12:44,470 --> 02:12:42,719

and uh

2970

02:12:46,709 --> 02:12:44,480

that's the best way to know if there's a

2971

02:12:48,470 --> 02:12:46,719

show otherwise there should be a show

2972

02:12:50,629 --> 02:12:48,480

tomorrow night at 7 p.m and the

2973

02:12:53,430 --> 02:12:50,639

following night at 7 p.m tonight i had

2974

02:12:55,189 --> 02:12:53,440

some parent-teacher things to do so uh

2975

02:12:56,950 --> 02:12:55,199

you know things get pushed back but

2976

02:12:59,030 --> 02:12:56,960

that's the best part about doing uh

2977

02:13:01,189 --> 02:12:59,040

about being your own boss i can just say

2978

02:13:03,030 --> 02:13:01,199

i'm not working till this time it's

2979

02:13:04,390 --> 02:13:03,040

great um

2980

02:13:05,910 --> 02:13:04,400

and again

2981

02:13:07,430 --> 02:13:05,920

thank you to everyone for their kindness

2982

02:13:09,910 --> 02:13:07,440

their generosity and the support for the

2983

02:13:13,510 --> 02:13:09,920

super chats the paypal donators and the

2984

02:13:14,950 --> 02:13:13,520

patreon supporters i'll be doing the uh

2985

02:13:17,350 --> 02:13:14,960

we do a live

2986

02:13:20,229 --> 02:13:17,360

or excuse me we do a um

2987

02:13:21,910 --> 02:13:20,239

it's pre-recorded but a show journal

2988

02:13:23,669 --> 02:13:21,920

so i'll be sharing more of the

2989

02:13:24,870 --> 02:13:23,679

multi-camera setup we've got this one

2990

02:13:26,310 --> 02:13:24,880

almost done

2991

02:13:29,510 --> 02:13:26,320

and i'm going to work out some more bugs

2992

02:13:31,350 --> 02:13:29,520

tonight and tomorrow i'll do a video

2993

02:13:34,149 --> 02:13:31,360

of the show journal for the patreon

2994

02:13:35,189 --> 02:13:34,159

supporters and maybe do a patreon only

2995

02:13:36,790 --> 02:13:35,199

stream

2996

02:13:38,950 --> 02:13:36,800

uh you can support us on patreon for as

2997

02:13:40,870 --> 02:13:38,960

little as a buck a month thank you to

2998

02:13:41,990 --> 02:13:40,880

all your kind and generous patreon

2999

02:13:43,589 --> 02:13:42,000

supporters

3000

02:13:45,669 --> 02:13:43,599

we use that money basically to pay the

3001

02:13:47,109 --> 02:13:45,679

bills the software whatever that we need

3002

02:13:49,990 --> 02:13:47,119

the google space

3003

02:13:51,430 --> 02:13:50,000

drive space everything that we need here

3004

02:13:54,310 --> 02:13:51,440

monthly expenses comes out of the

3005

02:13:55,990 --> 02:13:54,320

patreon so you guys on patreon uh really

3006

02:13:57,830 --> 02:13:56,000

do help us keep the lights on here

3007

02:13:59,830 --> 02:13:57,840

literally thank you for your kindness

3008

02:14:01,430 --> 02:13:59,840

your generosity and support or thank

3009

02:14:03,350 --> 02:14:01,440

everybody for joining us tonight i would

3010

02:14:05,750 --> 02:14:03,360

like spooky for trying to tell me what i

3011

02:14:07,510 --> 02:14:05,760

was doing wrong and i'm sorry for not

3012

02:14:09,270 --> 02:14:07,520

listening

3013

02:14:10,790 --> 02:14:09,280

i'll try to listen more

3014

02:14:12,950 --> 02:14:10,800

until next time friends my name is

3015

02:14:15,350 --> 02:14:12,960

stephen cambion good night and god bless

3016

02:14:20,520 --> 02:14:15,360

all of you even you corey good i hope

3017

02:14:20,530 --> 02:14:49,669

[Music]

3018

02:14:49,679 --> 02:14:54,450

so

3019

02:15:15,050 --> 02:15:13,669

[Music]

3020

02:15:39,410 --> 02:15:15,060

so

3021

02:15:41,510 --> 02:15:39,420

[Music]

3022

02:15:44,360 --> 02:15:41,520

[Applause]

3023

02:16:28,950 --> 02:15:44,370

so

3024

02:16:57,959 --> 02:16:31,830

uh
