00:00:40,740 --> 00:00:22,010

so

3
00:02:05,910 --> 00:00:51,350

[Music]

4
00:02:10,949 --> 00:02:08,469
well greetings and salutations friends

5
00:02:13,910 --> 00:02:10,959
and uh good afternoon i can't tell you

6
00:02:15,750 --> 00:02:13,920
how excited i am about today's show now

7
00:02:18,390 --> 00:02:15,760
i realize that to some of you today's

8
00:02:20,630 --> 00:02:18,400
topic may seem a little bit out of our

9
00:02:22,949 --> 00:02:20,640
usual wheelhouse after all we usually

10
00:02:25,110 --> 00:02:22,959
cover conspiracies here but lately i've

11
00:02:26,869 --> 00:02:25,120
been thinking that we have been ignoring

12
00:02:29,350 --> 00:02:26,879
and not covering what is perhaps the

13
00:02:31,270 --> 00:02:29,360

biggest conspiracy of our lifetime and

14

00:02:32,550 --> 00:02:31,280

it's a conspiracy that can be proven

15

00:02:35,110 --> 00:02:32,560

true

16

00:02:37,509 --> 00:02:35,120

that is that the mainstream media along

17

00:02:39,190 --> 00:02:37,519

with big tech and big corporations have

18

00:02:41,910 --> 00:02:39,200

been colluding with our government to

19

00:02:44,309 --> 00:02:41,920

lie to us and manipulate us for years

20

00:02:46,630 --> 00:02:44,319

maybe decades but there is some good

21

00:02:49,350 --> 00:02:46,640

news because while the mainstream media

22

00:02:51,830 --> 00:02:49,360

lies and dies a slow death a new

23

00:02:54,229 --> 00:02:51,840

independent media is emerging that is

24

00:02:55,670 --> 00:02:54,239

thriving people are hungry for the truth

25

00:02:58,550 --> 00:02:55,680

and people are tired of being

26

00:03:01,190 --> 00:02:58,560

manipulated and tired of all the lies

27

00:03:03,430 --> 00:03:01,200

now one of the most successful people

28

00:03:05,509 --> 00:03:03,440

that i know of in that space is today's

29

00:03:07,990 --> 00:03:05,519

guest ian crossland

30

00:03:10,309 --> 00:03:08,000

ian is a musician artist free speech and

31

00:03:12,949 --> 00:03:10,319

freedom advocate free and open source

32

00:03:15,910 --> 00:03:12,959

software advocate blockchain advocate he

33

00:03:16,710 --> 00:03:15,920

is the co-founder of minds.com one of

34

00:03:19,190 --> 00:03:16,720

them

35

00:03:21,830 --> 00:03:19,200

and he is one of the co-hosts of tim

36

00:03:24,390 --> 00:03:21,840

cass irl an independent news and

37

00:03:27,509 --> 00:03:24,400

commentary show that is right now

38

00:03:29,990 --> 00:03:27,519

actually beating cnn in live viewers and

39

00:03:31,990 --> 00:03:30,000

that is amazing why is the mainstream

40

00:03:34,470 --> 00:03:32,000

media dying a slow death even while

41

00:03:37,110 --> 00:03:34,480

being propped up by big tech big pharma

42

00:03:40,470 --> 00:03:37,120

big money and our big government

43

00:03:42,390 --> 00:03:40,480

let's get into it let's welcome our

44

00:03:44,309 --> 00:03:42,400

guest ian crossland

45

00:03:46,949 --> 00:03:44,319

good to have you here mr crosslink good

46

00:03:48,710 --> 00:03:46,959

to see you man so happy to have you here

47

00:03:50,309 --> 00:03:48,720

there's so much to get into there's so

48

00:03:53,270 --> 00:03:50,319

much to talk about

49

00:03:55,589 --> 00:03:53,280

but i i thought we would just begin with

50

00:03:59,429 --> 00:03:55,599

the last few years of of the mainstream

51
00:04:02,070 --> 00:03:59,439
media my favorite of these things uh was

52
00:04:03,190 --> 00:04:02,080
mostly peaceful protests

53
00:04:05,429 --> 00:04:03,200
uh

54
00:04:07,429 --> 00:04:05,439
i just i don't i don't understand mostly

55
00:04:09,910 --> 00:04:07,439
peaceful protest and here we see an

56
00:04:12,149 --> 00:04:09,920
example of that

57
00:04:14,070 --> 00:04:12,159
there's buildings burning behind the

58
00:04:16,789 --> 00:04:14,080
reporter and he's standing there with a

59
00:04:19,590 --> 00:04:16,799
straight face on cnn

60
00:04:21,189 --> 00:04:19,600
uh saying we're having mostly peaceful

61
00:04:24,390 --> 00:04:21,199
protests here

62
00:04:27,430 --> 00:04:24,400
what is your take on on the outright

63
00:04:30,469 --> 00:04:27,440

lies and manipulation that the media has

64

00:04:32,790 --> 00:04:30,479

been pushing for years now um it was

65

00:04:35,030 --> 00:04:32,800

it's shocking when i first found out

66

00:04:36,270 --> 00:04:35,040

they were doing it i was

67

00:04:38,150 --> 00:04:36,280

like

68

00:04:40,550 --> 00:04:38,160

obliteratingly shocked i guess it was

69

00:04:41,990 --> 00:04:40,560

like 2006 or seven you know i started

70

00:04:43,830 --> 00:04:42,000

making youtube videos and then all of a

71

00:04:45,749 --> 00:04:43,840

sudden people started commenting like

72

00:04:47,830 --> 00:04:45,759

you don't know about the federal reserve

73

00:04:49,189 --> 00:04:47,840

yet you're gonna learn about the federal

74

00:04:51,110 --> 00:04:49,199

reserve i'm like what are these guys

75

00:04:52,950 --> 00:04:51,120

talking about the creature from tickle

76

00:04:54,550 --> 00:04:52,960

island yeah yeah they're like ian it's

77

00:04:56,629 --> 00:04:54,560

the world's not what you think there's

78

00:04:58,469 --> 00:04:56,639

something bigger going on there's the

79

00:04:59,830 --> 00:04:58,479

government the media and i'm like what

80

00:05:01,830 --> 00:04:59,840

and then i found out operation

81

00:05:03,670 --> 00:05:01,840

mockingbird like you see the cia's been

82

00:05:06,390 --> 00:05:03,680

working with media for how about

83

00:05:07,350 --> 00:05:06,400

operation midnight climax what's that

84

00:05:09,590 --> 00:05:07,360

one about

85

00:05:11,590 --> 00:05:09,600

midnight climax is where they got a

86

00:05:13,909 --> 00:05:11,600

bunch of hookers and started

87

00:05:16,629 --> 00:05:13,919

houses and then they were dosing people

88

00:05:19,029 --> 00:05:16,639

unknowingly with lsd

89

00:05:20,390 --> 00:05:19,039

uh for blackmail material and to see

90

00:05:22,550 --> 00:05:20,400

what would happen

91

00:05:24,950 --> 00:05:22,560

operation i think i've heard that

92

00:05:26,790 --> 00:05:24,960

charles manson was involved in that yeah

93

00:05:29,270 --> 00:05:26,800

that's a real thing operation midnight

94

00:05:31,270 --> 00:05:29,280

cl midnight climax they had hookers in

95

00:05:33,670 --> 00:05:31,280

lsd and they were unknowingly dosing

96

00:05:35,270 --> 00:05:33,680

people in san francisco i think they had

97

00:05:37,029 --> 00:05:35,280

a place set up in san francisco where

98

00:05:39,830 --> 00:05:37,039

they were bringing yes dosing them and

99

00:05:42,230 --> 00:05:39,840

then telling them god knows what you see

100

00:05:44,469 --> 00:05:42,240

people like manson coming out i think um

101
00:05:46,710 --> 00:05:44,479
with timothy mcveigh was he involved in

102
00:05:49,189 --> 00:05:46,720
that as well yeah and the unabomber as

103
00:05:51,670 --> 00:05:49,199
well the unabomber was involved in a cia

104
00:05:54,070 --> 00:05:51,680
program that involved lsd in his college

105
00:05:55,990 --> 00:05:54,080
years before he became the una bomber

106
00:05:57,590 --> 00:05:56,000
ted kabinsky yeah you want to talk about

107
00:05:58,950 --> 00:05:57,600
media manipulation i wonder how far i

108
00:06:01,510 --> 00:05:58,960
mean i feel like it goes back to the

109
00:06:03,510 --> 00:06:01,520
dawn of man when they'd be like seeding

110
00:06:05,510 --> 00:06:03,520
propaganda it probably in the beginning

111
00:06:07,430 --> 00:06:05,520
it probably started with lies like

112
00:06:09,029 --> 00:06:07,440
verbal like telling a lie and then that

113
00:06:10,469 --> 00:06:09,039

would get spread around the court and

114

00:06:12,309 --> 00:06:10,479

then around the city and then they would

115

00:06:13,270 --> 00:06:12,319

all believe that the king was dead or

116

00:06:15,189 --> 00:06:13,280

something

117

00:06:17,749 --> 00:06:15,199

and then it started as soon as writing

118

00:06:20,309 --> 00:06:17,759

was involved i i imagine forged writing

119

00:06:21,029 --> 00:06:20,319

i mean forgery has been a huge part of

120

00:06:26,950 --> 00:06:21,039

of

121

00:06:30,469 --> 00:06:26,960

and i don't trust the cia we see uh we

122

00:06:33,029 --> 00:06:30,479

see even even here we have uh we have

123

00:06:35,749 --> 00:06:33,039

there's a long history of the cia

124

00:06:37,430 --> 00:06:35,759

employing people in the media you know

125

00:06:39,189 --> 00:06:37,440

they have a network of several hundred

126
00:06:41,510 --> 00:06:39,199
foreign individuals around the world who

127
00:06:42,870 --> 00:06:41,520
provide intelligence for the cia but

128
00:06:45,350 --> 00:06:42,880
more than that

129
00:06:47,270 --> 00:06:45,360
here they say approximately 50 agency

130
00:06:49,189 --> 00:06:47,280
assets are individual american

131
00:06:51,830 --> 00:06:49,199
journalists what are american

132
00:06:53,749 --> 00:06:51,840
journalists doing even working for the

133
00:06:54,629 --> 00:06:53,759
cia

134
00:07:00,710 --> 00:06:54,639
that's

135
00:07:02,790 --> 00:07:00,720
yeah it's the world we're in right now

136
00:07:05,189 --> 00:07:02,800
but you know i did say in the beginning

137
00:07:06,790 --> 00:07:05,199
here that there's some good news and i i

138
00:07:09,189 --> 00:07:06,800

want to talk about this because this

139

00:07:11,670 --> 00:07:09,199

blew my mind i didn't realize it and i

140

00:07:13,830 --> 00:07:11,680

and i thought this can't be right i

141

00:07:16,710 --> 00:07:13,840

because i've heard that uh tim on your

142

00:07:18,790 --> 00:07:16,720

show saying you know we're beating cnn's

143

00:07:19,749 --> 00:07:18,800

live numbers and i went and looked it

144

00:07:21,589 --> 00:07:19,759

all up

145

00:07:24,070 --> 00:07:21,599

and the truth is that you guys are

146

00:07:26,950 --> 00:07:24,080

beating even their best show hosts with

147

00:07:28,710 --> 00:07:26,960

live views but they're still uh doing

148

00:07:30,870 --> 00:07:28,720

well with numbers on youtube because

149

00:07:32,309 --> 00:07:30,880

they're artificially propped up they get

150

00:07:34,710 --> 00:07:32,319

the front page

151

00:07:36,469 --> 00:07:34,720

you know and and the

152

00:07:37,670 --> 00:07:36,479

big tech keeps propping them up and

153

00:07:39,990 --> 00:07:37,680

propping them up and they're also

154

00:07:42,790 --> 00:07:40,000

propped up by big pharma ads and all

155

00:07:45,510 --> 00:07:42,800

these other huge money interests but

156

00:07:46,790 --> 00:07:45,520

somehow your your show an independent

157

00:07:49,189 --> 00:07:46,800

media show

158

00:07:52,070 --> 00:07:49,199

is somehow beating the live numbers of

159

00:07:54,710 --> 00:07:52,080

cnn and that's amazing right yeah it's

160

00:07:57,510 --> 00:07:54,720

it speaks to the format for sure

161

00:07:59,350 --> 00:07:57,520

uh i i don't like watching

162

00:08:01,350 --> 00:07:59,360

i mean i don't hate okay i shouldn't

163

00:08:03,589 --> 00:08:01,360

just generally say i hate scripted media

164

00:08:05,670 --> 00:08:03,599

you know a good movie that's scripted is

165

00:08:07,029 --> 00:08:05,680

awesome but like news stuff where

166

00:08:08,469 --> 00:08:07,039

they're reading off of prompters you

167

00:08:09,909 --> 00:08:08,479

know it's my biggest problem with trump

168

00:08:12,150 --> 00:08:09,919

but one probably my biggest problem with

169

00:08:14,550 --> 00:08:12,160

trump was when the day he got elected

170

00:08:17,029 --> 00:08:14,560

the day he he got sworn in i think he

171

00:08:19,270 --> 00:08:17,039

gave a speech and and went on book like

172

00:08:20,790 --> 00:08:19,280

he had been off book for his entire yeah

173

00:08:22,950 --> 00:08:20,800

and you could see him looking back and

174

00:08:25,029 --> 00:08:22,960

forth to the teleprompters during that

175

00:08:27,189 --> 00:08:25,039

speech and it was off-putting it wasn't

176

00:08:29,270 --> 00:08:27,199

like yeah exactly i it wasn't the trump

177

00:08:31,110 --> 00:08:29,280

i wanted it wasn't the trump that i've i

178

00:08:32,630 --> 00:08:31,120

didn't vote for him at the time but

179

00:08:35,589 --> 00:08:32,640

like it wasn't a trump i was like

180

00:08:37,589 --> 00:08:35,599

expecting and needed out of that guy

181

00:08:40,949 --> 00:08:37,599

when he went on book and like got

182

00:08:43,909 --> 00:08:40,959

got co-opted by that machine that media

183

00:08:46,070 --> 00:08:43,919

machine that cnn's part of that like att

184

00:08:48,230 --> 00:08:46,080

owns cnn like

185

00:08:49,990 --> 00:08:48,240

the uh how connected are the phone we

186

00:08:51,670 --> 00:08:50,000

know the phone companies will give like

187

00:08:53,350 --> 00:08:51,680

the cia

188

00:08:54,870 --> 00:08:53,360

phone records when they're asking for it

189

00:08:58,310 --> 00:08:54,880

that's a t

190

00:09:00,230 --> 00:08:58,320

so google so google so will your isp

191

00:09:02,550 --> 00:09:00,240

your isp will give up your internet

192

00:09:04,870 --> 00:09:02,560

search history and actually the uh the

193

00:09:07,509 --> 00:09:04,880

congress voted some years ago i remember

194

00:09:10,470 --> 00:09:07,519

reading and being horrified

195

00:09:12,470 --> 00:09:10,480

the the congress voted that isps can

196

00:09:13,990 --> 00:09:12,480

sell your internet search history to

197

00:09:16,389 --> 00:09:14,000

whoever they want

198

00:09:17,910 --> 00:09:16,399

and and i wanted to say why don't all

199

00:09:19,990 --> 00:09:17,920

those congress people that voted for

200

00:09:22,949 --> 00:09:20,000

this have to show us their internet

201
00:09:26,470 --> 00:09:22,959
search history before they sell or allow

202
00:09:30,310 --> 00:09:28,550
uh that would be nice

203
00:09:32,550 --> 00:09:30,320
and you're a big supporter of open

204
00:09:35,350 --> 00:09:32,560
source software and i've heard you talk

205
00:09:37,750 --> 00:09:35,360
about a lot of things especially

206
00:09:41,269 --> 00:09:37,760
with the elections right like why don't

207
00:09:43,030 --> 00:09:41,279
we what you've suggested this why is the

208
00:09:45,110 --> 00:09:43,040
software that runs our elections

209
00:09:46,230 --> 00:09:45,120
proprietary and nobody's allowed to look

210
00:09:49,590 --> 00:09:46,240
at it

211
00:09:51,509 --> 00:09:49,600
dude why does the cia set up secret lsd

212
00:09:53,590 --> 00:09:51,519
sites and dota

213
00:09:54,550 --> 00:09:53,600

i know

214

00:09:59,590 --> 00:09:54,560

why

215

00:10:01,509 --> 00:09:59,600

proprietary canadian software i think

216

00:10:05,590 --> 00:10:01,519

they have an american uh

217

00:10:07,110 --> 00:10:05,600

subsidiary headquarters yeah they might

218

00:10:09,110 --> 00:10:07,120

have had hq in america too so i don't

219

00:10:10,150 --> 00:10:09,120

know calling them canadian is accurate

220

00:10:12,069 --> 00:10:10,160

but uh

221

00:10:13,829 --> 00:10:12,079

dude you want to

222

00:10:15,110 --> 00:10:13,839

vote have a trusted system where we all

223

00:10:16,630 --> 00:10:15,120

decide to vote but then it goes into a

224

00:10:17,910 --> 00:10:16,640

machine that's calculating it and we

225

00:10:20,710 --> 00:10:17,920

don't know what the calculations are

226

00:10:22,470 --> 00:10:20,720

doing like it could be doing anything

227

00:10:24,790 --> 00:10:22,480

and nobody's allowed to see the software

228

00:10:26,949 --> 00:10:24,800

we can't read the code that's insane for

229

00:10:29,350 --> 00:10:26,959

a democratic election that's com no it's

230

00:10:31,509 --> 00:10:29,360

backwards it's yeah and but open source

231

00:10:33,910 --> 00:10:31,519

would solve this problem because anybody

232

00:10:34,949 --> 00:10:33,920

would be able to look at the code and

233

00:10:36,790 --> 00:10:34,959

see

234

00:10:37,910 --> 00:10:36,800

how the votes are being tabulated

235

00:10:40,230 --> 00:10:37,920

whatever

236

00:10:41,910 --> 00:10:40,240

aggregation is being done

237

00:10:44,310 --> 00:10:41,920

how it's being how the votes are being

238

00:10:47,190 --> 00:10:44,320

sent to a central office that is you

239

00:10:49,350 --> 00:10:47,200

know tabulating each state for example

240

00:10:50,790 --> 00:10:49,360

we don't know how any of this works

241

00:10:52,550 --> 00:10:50,800

we're just supposed to trust that

242

00:10:55,670 --> 00:10:52,560

they're doing it the right way and

243

00:10:57,430 --> 00:10:55,680

that's crazy nice nuts and if you open

244

00:11:00,470 --> 00:10:57,440

it which you should do open source the

245

00:11:02,230 --> 00:11:00,480

code of the voting machines um you got

246

00:11:04,230 --> 00:11:02,240

to pick a code

247

00:11:06,790 --> 00:11:04,240

that makes it stay open source because

248

00:11:08,069 --> 00:11:06,800

if you take like an uh a code like that

249

00:11:10,069 --> 00:11:08,079

there are certain types of open code

250

00:11:11,509 --> 00:11:10,079

that someone could take a copy of the

251
00:11:14,230 --> 00:11:11,519
machine and then change it a little bit

252
00:11:15,990 --> 00:11:14,240
and make it proprietary again legally so

253
00:11:18,030 --> 00:11:16,000
you want to have a license yeah you want

254
00:11:20,550 --> 00:11:18,040
to make the license copy left like uh

255
00:11:22,710 --> 00:11:20,560
agpl3 so that if someone takes the code

256
00:11:23,829 --> 00:11:22,720
from the machines and tweaks it it has

257
00:11:26,150 --> 00:11:23,839
to stay

258
00:11:28,310 --> 00:11:26,160
free and open and open yeah those are

259
00:11:30,949 --> 00:11:28,320
the those are the code uh those are the

260
00:11:32,790 --> 00:11:30,959
ones to go for the licenses to go for

261
00:11:34,790 --> 00:11:32,800
yeah and you've also suggested that the

262
00:11:36,310 --> 00:11:34,800
big social media giants should be forced

263
00:11:38,150 --> 00:11:36,320

to open source their codes so that

264

00:11:40,150 --> 00:11:38,160

anybody can compete with them yeah i

265

00:11:41,829 --> 00:11:40,160

think instead of like if we're gonna do

266

00:11:43,509 --> 00:11:41,839

some sort of anti-trust breaking up the

267

00:11:45,269 --> 00:11:43,519

company doesn't make much sense to me at

268

00:11:47,030 --> 00:11:45,279

this point since i feel like the the

269

00:11:48,870 --> 00:11:47,040

actors would still have access to the

270

00:11:49,990 --> 00:11:48,880

code like if you broke facebook into

271

00:11:52,150 --> 00:11:50,000

instagram

272

00:11:54,629 --> 00:11:52,160

uh facebook prime facebook messenger

273

00:11:56,550 --> 00:11:54,639

whatsapp yes and a new meta that's a new

274

00:11:57,910 --> 00:11:56,560

whole new nightmare

275

00:12:00,790 --> 00:11:57,920

they would still have access to that

276

00:12:02,790 --> 00:12:00,800

code a lot of those developers um so

277

00:12:04,310 --> 00:12:02,800

that they could rebuild it elsewhere

278

00:12:07,430 --> 00:12:04,320

so you really need to do something with

279

00:12:09,430 --> 00:12:07,440

the code not not the

280

00:12:10,629 --> 00:12:09,440

not not the not the corporate structure

281

00:12:12,230 --> 00:12:10,639

i don't want i don't want the government

282

00:12:13,590 --> 00:12:12,240

to come in and tell them hey you have to

283

00:12:15,269 --> 00:12:13,600

you have to let these people in or you

284

00:12:16,790 --> 00:12:15,279

can't let these people in

285

00:12:18,389 --> 00:12:16,800

i'd rather the government's hands off

286

00:12:20,389 --> 00:12:18,399

and interestingly you're one of the

287

00:12:22,470 --> 00:12:20,399

founders of minds which i think has an

288

00:12:24,710 --> 00:12:22,480

interesting way of going about social

289

00:12:27,190 --> 00:12:24,720

media and you can actually be rewarded

290

00:12:29,670 --> 00:12:27,200

for your posts and people viewing your

291

00:12:31,910 --> 00:12:29,680

posts with crypto right that's a pretty

292

00:12:33,430 --> 00:12:31,920

innovative way how did you get involved

293

00:12:35,350 --> 00:12:33,440

with minds and why were you so

294

00:12:36,629 --> 00:12:35,360

passionate about trying to do something

295

00:12:41,069 --> 00:12:36,639

differently

296

00:12:44,310 --> 00:12:41,079

i got contacted by bill who's the ceo in

297

00:12:46,230 --> 00:12:44,320

2011 maybe 10 or 11. he was watching my

298

00:12:47,990 --> 00:12:46,240

youtube stuff and asked me if i want to

299

00:12:49,750 --> 00:12:48,000

come out and help him to connecticut and

300

00:12:53,430 --> 00:12:49,760

help him get a kick started

301
00:12:55,750 --> 00:12:53,440
get started so i did and i wasn't

302
00:12:57,750 --> 00:12:55,760
super passionate about

303
00:12:59,110 --> 00:12:57,760
software development or anything like

304
00:13:00,629 --> 00:12:59,120
that in the early days i was more like

305
00:13:03,829 --> 00:13:00,639
into acting and performance and

306
00:13:05,030 --> 00:13:03,839
production yeah i saw your imdb page

307
00:13:07,430 --> 00:13:05,040
yeah i was in

308
00:13:09,430 --> 00:13:07,440
of stuff in l.a yeah before youtube came

309
00:13:11,350 --> 00:13:09,440
along i was only out in l.a as because i

310
00:13:12,949 --> 00:13:11,360
was an actor

311
00:13:14,949 --> 00:13:12,959
youtube really changed like internet

312
00:13:16,629 --> 00:13:14,959
video changed the trajectory of my life

313
00:13:18,230 --> 00:13:16,639

in so many ways

314

00:13:19,750 --> 00:13:18,240

i didn't realize until i got started

315

00:13:22,790 --> 00:13:19,760

working on mines the importance of open

316

00:13:25,030 --> 00:13:22,800

source and free uh software code for the

317

00:13:27,590 --> 00:13:25,040

future of like ai you you make a

318

00:13:29,910 --> 00:13:27,600

proprietary software code ai it starts

319

00:13:32,550 --> 00:13:29,920

writing its own code in private and

320

00:13:34,310 --> 00:13:32,560

we're gonna get skynet really fast yeah

321

00:13:36,470 --> 00:13:34,320

i know i know some coders that are

322

00:13:38,230 --> 00:13:36,480

working on ai and then one of my friends

323

00:13:40,790 --> 00:13:38,240

admitted to me like he doesn't even know

324

00:13:43,030 --> 00:13:40,800

how some of his software is rewriting

325

00:13:45,110 --> 00:13:43,040

itself he can't even understand it it's

326

00:13:47,670 --> 00:13:45,120

like beyond him like some of the stuff

327

00:13:49,670 --> 00:13:47,680

that's going on with ai and ai is a big

328

00:13:52,470 --> 00:13:49,680

danger we've got neural linked next year

329

00:13:54,389 --> 00:13:52,480

going in people's brains

330

00:13:56,790 --> 00:13:54,399

but back to mind so it's interesting

331

00:13:58,629 --> 00:13:56,800

concept you get paid with cryptocurrency

332

00:14:01,990 --> 00:13:58,639

for people viewing your posts and people

333

00:14:03,269 --> 00:14:02,000

can tip you in crypto right yeah uh yeah

334

00:14:05,269 --> 00:14:03,279

i definitely think

335

00:14:07,430 --> 00:14:05,279

as we enter the metaverse or the the

336

00:14:08,310 --> 00:14:07,440

coming decades where we start to

337

00:14:11,350 --> 00:14:08,320

you know

338

00:14:13,509 --> 00:14:11,360

enter the meta verse and uh the big part

339

00:14:16,790 --> 00:14:13,519

of the metaverse's crypt is is economy

340

00:14:18,629 --> 00:14:16,800

economics we'll be like walking by and

341

00:14:20,230 --> 00:14:18,639

i'll see you and i'll like wave my hand

342

00:14:23,350 --> 00:14:20,240

and give you some crypto and then you

343

00:14:25,269 --> 00:14:23,360

like you know you can i go to a digital

344

00:14:27,509 --> 00:14:25,279

store in the metaverse and buy a red

345

00:14:29,829 --> 00:14:27,519

shirt for some crypto or

346

00:14:33,430 --> 00:14:29,839

people can pay me crypto to like stand

347

00:14:35,670 --> 00:14:33,440

outside their digital store and like

348

00:14:37,750 --> 00:14:35,680

i don't know hey hey it's ian crossland

349

00:14:39,670 --> 00:14:37,760

come stand outside my digital store and

350

00:14:41,750 --> 00:14:39,680

i'll pay you crypto and you're gonna

351
00:14:44,389 --> 00:14:41,760
hang out your avatar buy some virtual

352
00:14:45,509 --> 00:14:44,399
outfits for your avatar right

353
00:14:46,949 --> 00:14:45,519
this is the coming world that we're

354
00:14:48,870 --> 00:14:46,959
coming to and i got to tell you i'm a

355
00:14:51,670 --> 00:14:48,880
software guy and i'm like a technology

356
00:14:53,509 --> 00:14:51,680
guy but i'm terrified of nora link and

357
00:14:55,269 --> 00:14:53,519
the metaverse i think that

358
00:14:57,590 --> 00:14:55,279
there's a lot of problems we did a show

359
00:15:00,150 --> 00:14:57,600
last night on nor lincoln all the

360
00:15:02,470 --> 00:15:00,160
philosophical problems like you know

361
00:15:04,230 --> 00:15:02,480
what's to stop them from spying on your

362
00:15:08,550 --> 00:15:04,240
thoughts what's to stop them from you

363
00:15:12,629 --> 00:15:10,949

listening to your thoughts right and oh

364

00:15:14,230 --> 00:15:12,639

are you afraid about your car

365

00:15:15,910 --> 00:15:14,240

it might be old and dying and then

366

00:15:17,750 --> 00:15:15,920

they'll start serving you car ads

367

00:15:20,069 --> 00:15:17,760

constantly because that's on your mind

368

00:15:21,350 --> 00:15:20,079

you know there's a lot of things but

369

00:15:23,350 --> 00:15:21,360

mines is interesting in that it's

370

00:15:26,470 --> 00:15:23,360

different because it's blockchain based

371

00:15:29,350 --> 00:15:26,480

it's sort of open source model anybody

372

00:15:30,710 --> 00:15:29,360

could uh i suppose anybody could do

373

00:15:32,710 --> 00:15:30,720

something like

374

00:15:34,470 --> 00:15:32,720

what mines has already done based on

375

00:15:36,949 --> 00:15:34,480

mines and i love that like linux

376

00:15:39,030 --> 00:15:36,959

building on the shoulders of giants

377

00:15:40,790 --> 00:15:39,040

right yeah you could spin up a copy of

378

00:15:42,069 --> 00:15:40,800

mines right now if you wanted the code's

379

00:15:42,949 --> 00:15:42,079

on git lab

380

00:15:46,790 --> 00:15:42,959

um

381

00:15:49,030 --> 00:15:47,990

oh gosh i don't remember what i was

382

00:15:51,189 --> 00:15:49,040

gonna say

383

00:15:53,189 --> 00:15:51,199

maybe it's a bit like php social and

384

00:15:55,110 --> 00:15:53,199

some of the other open source social

385

00:15:57,430 --> 00:15:55,120

media network oh yeah

386

00:15:59,430 --> 00:15:57,440

it's not on the blockchain mines.com is

387

00:16:01,590 --> 00:15:59,440

not it's a centralized service but uh

388

00:16:03,189 --> 00:16:01,600

the tokens are on the blockchain mines

389

00:16:05,110 --> 00:16:03,199

is a tech company a good way to think of

390

00:16:07,509 --> 00:16:05,120

mines is it's a technology company and

391

00:16:10,069 --> 00:16:07,519

mines.com is like a piece of software

392

00:16:11,670 --> 00:16:10,079

that the tech company built

393

00:16:13,110 --> 00:16:11,680

called they also has the same name as

394

00:16:15,110 --> 00:16:13,120

the company

395

00:16:16,470 --> 00:16:15,120

yeah well very interesting software

396

00:16:19,269 --> 00:16:16,480

though and

397

00:16:21,509 --> 00:16:19,279

a big difference from the from the

398

00:16:23,350 --> 00:16:21,519

situation that you're in and isn't it

399

00:16:24,949 --> 00:16:23,360

strange now that we're pretty people are

400

00:16:27,269 --> 00:16:24,959

pretty much forced to use these

401
00:16:28,629 --> 00:16:27,279
platforms whether they want to or not

402
00:16:32,310 --> 00:16:28,639
you know like

403
00:16:34,389 --> 00:16:32,320
to in order to uh keep up with my

404
00:16:36,470 --> 00:16:34,399
family friends whatever like i have to

405
00:16:39,189 --> 00:16:36,480
be on facebook so i could see my you

406
00:16:41,110 --> 00:16:39,199
know my nephew's my nephew just had a

407
00:16:43,269 --> 00:16:41,120
baby to see the pictures i kind of have

408
00:16:47,030 --> 00:16:43,279
to be on facebook or we're almost forced

409
00:16:48,550 --> 00:16:47,040
into it there's no opting out right

410
00:16:50,629 --> 00:16:48,560
um

411
00:16:52,550 --> 00:16:50,639
it has its advantages that's for sure

412
00:16:55,189 --> 00:16:52,560
opting in definitely has its advantages

413
00:16:57,269 --> 00:16:55,199

staying connected i i'm kind of in every

414

00:16:59,269 --> 00:16:57,279

not every network but i'm on most

415

00:17:00,550 --> 00:16:59,279

networks i'm not on tick-tock

416

00:17:01,509 --> 00:17:00,560

i've heard a lot of stuff that that's

417

00:17:04,390 --> 00:17:01,519

like

418

00:17:05,750 --> 00:17:04,400

yeah i i yeah i'm not doing it either

419

00:17:07,909 --> 00:17:05,760

i'm not doing tick-tock either for that

420

00:17:09,909 --> 00:17:07,919

exact reason i don't mess with link

421

00:17:11,990 --> 00:17:09,919

linkedin i just don't get much out of it

422

00:17:13,829 --> 00:17:12,000

i never really got much out of it so you

423

00:17:15,189 --> 00:17:13,839

have a page though you do have a page

424

00:17:18,630 --> 00:17:15,199

but i guess you don't use it i'm in the

425

00:17:20,150 --> 00:17:18,640

same same boat yeah so your minds is

426

00:17:22,549 --> 00:17:20,160

interesting and that i think it may

427

00:17:24,549 --> 00:17:22,559

actually force some changes you know if

428

00:17:27,350 --> 00:17:24,559

enough people adopted i encourage people

429

00:17:29,350 --> 00:17:27,360

to adopt all platforms right now we're

430

00:17:30,830 --> 00:17:29,360

just adopting new video platforms that

431

00:17:33,430 --> 00:17:30,840

are sort of the

432

00:17:35,029 --> 00:17:33,440

alternatives it's interesting too about

433

00:17:35,750 --> 00:17:35,039

if we could get back to the media you

434

00:17:37,669 --> 00:17:35,760

know

435

00:17:39,190 --> 00:17:37,679

they lied to us about the gulf of tonkin

436

00:17:41,590 --> 00:17:39,200

they lied to us probably about the

437

00:17:43,590 --> 00:17:41,600

assassinations of jfk martin luther king

438

00:17:45,750 --> 00:17:43,600

malcolm x and moore they lied about

439

00:17:47,350 --> 00:17:45,760

weapons of mass destruction in iraq they

440

00:17:49,510 --> 00:17:47,360

probably lighter cover up many things

441

00:17:52,390 --> 00:17:49,520

about 911 they lied about russian

442

00:17:54,549 --> 00:17:52,400

collusion and trump uh let's see mostly

443

00:17:58,070 --> 00:17:54,559

peaceful protest recently

444

00:18:00,070 --> 00:17:58,080

all the lies about kyle rittenhouse uh

445

00:18:02,310 --> 00:18:00,080

i just couldn't believe how that went

446

00:18:04,789 --> 00:18:02,320

down and you guys covered that and sort

447

00:18:06,789 --> 00:18:04,799

of woke so many people up

448

00:18:08,789 --> 00:18:06,799

i agree with you guys like i know people

449

00:18:10,870 --> 00:18:08,799

that swore that kyle rittenhouse killed

450

00:18:14,310 --> 00:18:10,880

two black people

451
00:18:16,549 --> 00:18:14,320
because people reported that right the

452
00:18:18,470 --> 00:18:16,559
boldness of the lies it seems like

453
00:18:20,150 --> 00:18:18,480
they're getting bolder like as the

454
00:18:21,350 --> 00:18:20,160
manipulation works

455
00:18:23,830 --> 00:18:21,360
do you think that they're going to get

456
00:18:25,110 --> 00:18:23,840
bolder and worse with this stuff or is

457
00:18:27,029 --> 00:18:25,120
independent media going to be able to

458
00:18:28,870 --> 00:18:27,039
push them back

459
00:18:32,310 --> 00:18:28,880
oh that's a good question

460
00:18:35,750 --> 00:18:32,320
um well it seems it seems to be trending

461
00:18:38,230 --> 00:18:35,760
towards boldness i i was shocked the way

462
00:18:39,510 --> 00:18:38,240
that 911 was handled like it felt like

463
00:18:41,350 --> 00:18:39,520

the government wasn't really even

464

00:18:42,630 --> 00:18:41,360

involved in it they set up some weird

465

00:18:44,390 --> 00:18:42,640

commission and

466

00:18:47,909 --> 00:18:44,400

shipped off all the evidence like all

467

00:18:49,750 --> 00:18:47,919

that that rubble to china really fast

468

00:18:51,430 --> 00:18:49,760

like yeah it just didn't seem like they

469

00:18:53,350 --> 00:18:51,440

were

470

00:18:54,390 --> 00:18:53,360

that they wanted to figure out what

471

00:18:56,470 --> 00:18:54,400

happened

472

00:18:58,230 --> 00:18:56,480

and it was like kind of like rushed

473

00:19:00,470 --> 00:18:58,240

rushed to be finished

474

00:19:02,390 --> 00:19:00,480

uh i worked down there for like three

475

00:19:04,789 --> 00:19:02,400

three months and the the firemen be like

476

00:19:07,190 --> 00:19:04,799

there's molten steel flowing under the

477

00:19:10,230 --> 00:19:07,200

pile i'm like okay how did

478

00:19:13,350 --> 00:19:10,240

the airplane hit the buildings now

479

00:19:15,510 --> 00:19:13,360

there's molten steel flowing for for

480

00:19:16,789 --> 00:19:15,520

weeks under the building that just never

481

00:19:18,390 --> 00:19:16,799

made sense to me and then i started

482

00:19:19,830 --> 00:19:18,400

reading about like nano thermite in the

483

00:19:21,270 --> 00:19:19,840

dust

484

00:19:22,870 --> 00:19:21,280

that they how they got rid of you right

485

00:19:25,510 --> 00:19:22,880

they got rid of all the materials super

486

00:19:28,230 --> 00:19:25,520

quick so it seems like a media hack job

487

00:19:30,310 --> 00:19:28,240

again like a cover-up

488

00:19:32,070 --> 00:19:30,320

manipulation thing to get us into war

489

00:19:34,630 --> 00:19:32,080

like the gulf of tonkin

490

00:19:36,710 --> 00:19:34,640

i imagine and it was just so brazenly it

491

00:19:39,110 --> 00:19:36,720

feels like it was so brazenly done that

492

00:19:41,430 --> 00:19:39,120

now you see like these blatant just like

493

00:19:43,590 --> 00:19:41,440

ramming stuff down your throat like the

494

00:19:46,070 --> 00:19:43,600

russian gate crap

495

00:19:47,909 --> 00:19:46,080

i imagine that that companies like at t

496

00:19:51,110 --> 00:19:47,919

are going to keep doing this

497

00:19:53,750 --> 00:19:51,120

um and what i say at t i'm pointing at

498

00:19:56,710 --> 00:19:53,760

cnn it was owned by att so i the blame

499

00:19:58,150 --> 00:19:56,720

is at the foot of att on this one

500

00:20:00,789 --> 00:19:58,160

yeah i don't know

501
00:20:02,630 --> 00:20:00,799
how deep the ca the cia is involved in

502
00:20:04,630 --> 00:20:02,640
that right now it's they're pretty good

503
00:20:06,470 --> 00:20:04,640
at covering their tracks yeah and i

504
00:20:09,350 --> 00:20:06,480
remember the weapons of mass destruction

505
00:20:11,270 --> 00:20:09,360
they just beat that into our heads right

506
00:20:13,029 --> 00:20:11,280
it's just like every time he turned on

507
00:20:14,630 --> 00:20:13,039
the television at the time they've got

508
00:20:15,669 --> 00:20:14,640
weapons of mass destruction we've got to

509
00:20:17,190 --> 00:20:15,679
do something about it they've got

510
00:20:19,350 --> 00:20:17,200
weapons of mass destruction we've got to

511
00:20:21,029 --> 00:20:19,360
do something about this turns out they

512
00:20:23,110 --> 00:20:21,039
didn't have any of that

513
00:20:25,270 --> 00:20:23,120

yeah or maybe some people are like hey

514

00:20:26,870 --> 00:20:25,280

he did actually have weapons of mass

515

00:20:28,710 --> 00:20:26,880

destruction when they were talking about

516

00:20:30,470 --> 00:20:28,720

it i've never really seen evidence for

517

00:20:32,390 --> 00:20:30,480

it i think i heard that he had chemical

518

00:20:34,149 --> 00:20:32,400

weapon storage

519

00:20:35,990 --> 00:20:34,159

i i think they were gone by the time

520

00:20:37,590 --> 00:20:36,000

that our troops got there but there were

521

00:20:39,190 --> 00:20:37,600

he had already i know that he used

522

00:20:40,710 --> 00:20:39,200

chemical weapons on his own people at

523

00:20:43,190 --> 00:20:40,720

one point in time and that's when we

524

00:20:44,230 --> 00:20:43,200

were told iran iraq war yeah that's what

525

00:20:45,669 --> 00:20:44,240

we're told you're right i don't have

526
00:20:47,510 --> 00:20:45,679
verification of that so i don't know

527
00:20:49,590 --> 00:20:47,520
that to be true but it's interesting how

528
00:20:50,870 --> 00:20:49,600
the media just beat that drum along with

529
00:20:52,390 --> 00:20:50,880
the government weapons of mass

530
00:20:54,070 --> 00:20:52,400
destruction weapons of mass destruction

531
00:20:55,750 --> 00:20:54,080
we've got to do something about him we

532
00:20:57,510 --> 00:20:55,760
got to do something about him and the

533
00:20:59,270 --> 00:20:57,520
next thing you know we have halliburton

534
00:21:01,830 --> 00:20:59,280
and all of these corporations making

535
00:21:03,669 --> 00:21:01,840
billions of dollars in iraq and they

536
00:21:05,590 --> 00:21:03,679
still have uh

537
00:21:08,870 --> 00:21:05,600
control of some of the oil supplies in

538
00:21:11,029 --> 00:21:08,880

iraq exxonmobil comes in and all these

539

00:21:13,590 --> 00:21:11,039

multinational oil companies come in once

540

00:21:16,070 --> 00:21:13,600

the us is in control

541

00:21:16,870 --> 00:21:16,080

so for many it was about the oil right

542

00:21:19,430 --> 00:21:16,880

or

543

00:21:21,190 --> 00:21:19,440

the oil and the poppy the heroin that

544

00:21:22,789 --> 00:21:21,200

they were getting

545

00:21:25,190 --> 00:21:22,799

well that was afghanistan they got a lot

546

00:21:27,510 --> 00:21:25,200

of opioids out of afghanistan that it

547

00:21:29,750 --> 00:21:27,520

felt like one big job to me in a lot of

548

00:21:31,909 --> 00:21:29,760

ways they were like 911. let's go get

549

00:21:34,310 --> 00:21:31,919

him we got to go get saddam or i mean

550

00:21:36,230 --> 00:21:34,320

osama you're like what the hell is going

551

00:21:38,230 --> 00:21:36,240

on yeah we're like wait a minute uh

552

00:21:40,470 --> 00:21:38,240

there's no there's no clear-cut and

553

00:21:42,310 --> 00:21:40,480

direct evidence that saddam had anything

554

00:21:44,230 --> 00:21:42,320

to do with it now randy he was a bad guy

555

00:21:45,669 --> 00:21:44,240

he's terrible to his own people but

556

00:21:47,590 --> 00:21:45,679

sometimes i think we should just stay

557

00:21:49,510 --> 00:21:47,600

out of other conflicts and just worry

558

00:21:51,750 --> 00:21:49,520

about ourselves we've got veterans that

559

00:21:53,350 --> 00:21:51,760

are homeless can't get medical care

560

00:21:55,590 --> 00:21:53,360

we've got homeless people all over

561

00:21:56,710 --> 00:21:55,600

california right we've got poor people

562

00:21:58,310 --> 00:21:56,720

that are starving right in our own

563

00:22:00,230 --> 00:21:58,320

country maybe we ought to take care of

564

00:22:02,310 --> 00:22:00,240

our own people first before we get

565

00:22:04,710 --> 00:22:02,320

involved in foreign conflicts yeah i'd

566

00:22:07,190 --> 00:22:04,720

like to see the uh the u.s military used

567

00:22:08,149 --> 00:22:07,200

to build solar power water condensers i

568

00:22:09,990 --> 00:22:08,159

don't know if you've studied those

569

00:22:11,430 --> 00:22:10,000

things much i know exactly what that is

570

00:22:12,740 --> 00:22:11,440

they should be doing that in africa and

571

00:22:13,909 --> 00:22:12,750

foreign

572

00:22:16,549 --> 00:22:13,919

[Music]

573

00:22:19,830 --> 00:22:16,559

all over the world talk about world

574

00:22:22,310 --> 00:22:19,840

peace and like establishing a good rep

575

00:22:24,230 --> 00:22:22,320

reputation for the united states

576

00:22:26,470 --> 00:22:24,240

yeah i mean if you give water to someone

577

00:22:28,789 --> 00:22:26,480

who's dying to thirst they're going to

578

00:22:30,789 --> 00:22:28,799

consider you a friend for a long time if

579

00:22:32,470 --> 00:22:30,799

you give food to a starving man or you

580

00:22:33,750 --> 00:22:32,480

teach them how to farm and be

581

00:22:36,070 --> 00:22:33,760

self-sufficient

582

00:22:38,230 --> 00:22:36,080

that's the good the good things that we

583

00:22:40,470 --> 00:22:38,240

should be doing instead of like let's

584

00:22:42,710 --> 00:22:40,480

just drop bombs on everybody

585

00:22:44,310 --> 00:22:42,720

you know that seems to be our only skill

586

00:22:47,270 --> 00:22:44,320

though we're good at dropping bombs on

587

00:22:48,950 --> 00:22:47,280

people northrop grumman

588

00:22:51,270 --> 00:22:48,960

yeah i've heard you talk about northrop

589

00:22:53,430 --> 00:22:51,280

grumman it's amazing they advertise on

590

00:22:55,990 --> 00:22:53,440

cnn i heard you guys talk about this

591

00:22:59,510 --> 00:22:56,000

like they're advertising fighter jets on

592

00:23:01,590 --> 00:22:59,520

cnn or playing their propaganda pieces

593

00:23:04,230 --> 00:23:01,600

about fighter jets they're developing on

594

00:23:05,990 --> 00:23:04,240

cnn and it's like who's watching cnn go

595

00:23:08,549 --> 00:23:06,000

and you know what i need i need a new

596

00:23:10,230 --> 00:23:08,559

fighter jet it doesn't make any sense

597

00:23:13,510 --> 00:23:10,240

that they're pumping millions of dollars

598

00:23:15,590 --> 00:23:13,520

into ads i know so to condition us right

599

00:23:16,950 --> 00:23:15,600

yeah i think so i haven't seen any of

600

00:23:19,190 --> 00:23:16,960

those commercials yet i just heard about

601
00:23:21,430 --> 00:23:19,200
those last night for the first time

602
00:23:23,750 --> 00:23:21,440
probably me too yeah i don't watch cnn

603
00:23:24,630 --> 00:23:23,760
anymore i try to avoid that at all costs

604
00:23:27,750 --> 00:23:24,640
so

605
00:23:29,909 --> 00:23:27,760
yeah and uh interestingly cnn recently

606
00:23:30,710 --> 00:23:29,919
fired chris cuomo and you guys covered

607
00:23:32,710 --> 00:23:30,720
that

608
00:23:35,270 --> 00:23:32,720
and now they may fire don lemon for

609
00:23:37,909 --> 00:23:35,280
doing dirty stuff as well using the

610
00:23:40,149 --> 00:23:37,919
network's resources to help jesse small

611
00:23:41,590 --> 00:23:40,159
it i mean who they're going to be left

612
00:23:43,750 --> 00:23:41,600
with like

613
00:23:44,950 --> 00:23:43,760

after those two are the two biggest guys

614

00:23:46,870 --> 00:23:44,960

right

615

00:23:49,430 --> 00:23:46,880

brian seltzer like how does that guy

616

00:23:53,269 --> 00:23:49,440

still have a job and that guy's so

617

00:23:55,669 --> 00:23:53,279

boring and like terrible oh jeez i know

618

00:23:58,149 --> 00:23:55,679

i don't really watch him

619

00:23:59,590 --> 00:23:58,159

uh yeah i catch clips sometimes and i

620

00:24:01,190 --> 00:23:59,600

laugh like that time somebody came on

621

00:24:03,029 --> 00:24:01,200

and called him out on his own show that

622

00:24:06,070 --> 00:24:03,039

was awesome

623

00:24:08,070 --> 00:24:06,080

yeah yeah who was that that was great i

624

00:24:10,390 --> 00:24:08,080

you know it makes me feel like the 80s i

625

00:24:13,990 --> 00:24:10,400

was born in 79 so i was kind of like a

626
00:24:16,950 --> 00:24:14,000
young guy in the 80s and i it this whole

627
00:24:19,909 --> 00:24:16,960
sting feels like cnn and brian stelter

628
00:24:22,149 --> 00:24:19,919
and feels like the big hair in the 80s

629
00:24:24,310 --> 00:24:22,159
do you remember that like yeah the metal

630
00:24:28,870 --> 00:24:24,320
chicks yeah and it would be this

631
00:24:30,950 --> 00:24:28,880
like overdone smelly big in the way

632
00:24:32,950 --> 00:24:30,960
thing and that's like what cnn feels

633
00:24:34,390 --> 00:24:32,960
like this whole

634
00:24:36,630 --> 00:24:34,400
cia

635
00:24:38,950 --> 00:24:36,640
op media op where they're trying to get

636
00:24:40,630 --> 00:24:38,960
people to go to war and confuse people

637
00:24:42,870 --> 00:24:40,640
it's just the

638
00:24:44,630 --> 00:24:42,880

80s all over again like this gross

639

00:24:46,390 --> 00:24:44,640

fakeness that i'm waiting

640

00:24:48,149 --> 00:24:46,400

it got shattered over this grunge rock

641

00:24:50,230 --> 00:24:48,159

or something something like that yeah

642

00:24:52,230 --> 00:24:50,240

grunge came along and got rid of that we

643

00:24:54,470 --> 00:24:52,240

need the grunge rock of media but you

644

00:24:55,669 --> 00:24:54,480

guys are part of the solution because

645

00:24:57,269 --> 00:24:55,679

that's interesting that you mentioned

646

00:24:59,750 --> 00:24:57,279

that because i have thought that like

647

00:25:01,190 --> 00:24:59,760

you watch you watch mainstream media and

648

00:25:03,909 --> 00:25:01,200

it's like everybody's perfectly

649

00:25:05,909 --> 00:25:03,919

manicured and makeup and hair perfect

650

00:25:09,110 --> 00:25:05,919

and green screens and artificial

651
00:25:11,110 --> 00:25:09,120
environment and and banners playing and

652
00:25:13,029 --> 00:25:11,120
there's like media media media and

653
00:25:14,870 --> 00:25:13,039
they're just pushing it down your throat

654
00:25:17,350 --> 00:25:14,880
and then a lot of the independent media

655
00:25:18,789 --> 00:25:17,360
that i love like joe rogan and you guys

656
00:25:21,590 --> 00:25:18,799
it's just

657
00:25:23,830 --> 00:25:21,600
real you guys are just sitting in a room

658
00:25:24,710 --> 00:25:23,840
and you're having a conversation and

659
00:25:27,110 --> 00:25:24,720
and it's

660
00:25:28,789 --> 00:25:27,120
comes off as more genuine right

661
00:25:31,350 --> 00:25:28,799
that's what it's about

662
00:25:33,190 --> 00:25:31,360
that's why i watched rogan's show for

663
00:25:34,950 --> 00:25:33,200

five years you know

664

00:25:37,510 --> 00:25:34,960

since he start more or less since he

665

00:25:39,190 --> 00:25:37,520

started a couple 100 episodes in or so

666

00:25:40,230 --> 00:25:39,200

it's that's the reality i mean that's

667

00:25:44,390 --> 00:25:40,240

what people

668

00:25:46,549 --> 00:25:44,400

good to get information for brian

669

00:25:50,070 --> 00:25:46,559

stelter once in a while if you don't

670

00:25:53,190 --> 00:25:51,669

it's not like

671

00:25:54,149 --> 00:25:53,200

i don't think it's healthy to listen to

672

00:25:55,350 --> 00:25:54,159

fake

673

00:25:57,110 --> 00:25:55,360

stuff

674

00:25:58,549 --> 00:25:57,120

a lot yeah it can't be good for your

675

00:26:00,549 --> 00:25:58,559

psyche to be listening and there's

676

00:26:02,230 --> 00:26:00,559

people that are like literally they just

677

00:26:05,110 --> 00:26:02,240

watch cnn and they believe everything

678

00:26:06,630 --> 00:26:05,120

cnn says oh god it's crazy you know and

679

00:26:08,950 --> 00:26:06,640

uh we should talk about the horse

680

00:26:11,510 --> 00:26:08,960

dewormer thing because that was great

681

00:26:13,430 --> 00:26:11,520

like you know and i know that joe rogan

682

00:26:15,430 --> 00:26:13,440

tim talked to joe rogan when you guys

683

00:26:18,070 --> 00:26:15,440

had the coveted scare in the house and

684

00:26:19,669 --> 00:26:18,080

stuff and and i you know

685

00:26:21,990 --> 00:26:19,679

and by the way i was praying for all you

686

00:26:23,750 --> 00:26:22,000

guys but you know

687

00:26:26,070 --> 00:26:23,760

joe's not a doctor but he says hey get a

688

00:26:28,710 --> 00:26:26,080

good doctor you know here's what i did

689

00:26:30,950 --> 00:26:28,720

it worked great for me tim does nearly

690

00:26:33,750 --> 00:26:30,960

the same thing works great for him and

691

00:26:35,909 --> 00:26:33,760

the media is slandering everybody using

692

00:26:38,470 --> 00:26:35,919

that protocol saying you know you're

693

00:26:40,630 --> 00:26:38,480

using horse dewormer and

694

00:26:42,870 --> 00:26:40,640

to his credit joe rogan calls out sanjay

695

00:26:45,110 --> 00:26:42,880

gupta like i got a prescription this

696

00:26:48,070 --> 00:26:45,120

came from a real doctor you know like

697

00:26:49,110 --> 00:26:48,080

this i can afford people medicine you

698

00:26:51,830 --> 00:26:49,120

know

699

00:26:54,549 --> 00:26:51,840

and be clear it's a hor it's a worm

700

00:26:56,710 --> 00:26:54,559

stunner it's not a d i mean you could

701
00:26:57,990 --> 00:26:56,720
call it the horses do eventually get the

702
00:27:01,029 --> 00:26:58,000
worms out of their system but that's

703
00:27:02,870 --> 00:27:01,039
because the ivermectin stuns the worms

704
00:27:04,789 --> 00:27:02,880
then the horse's body can destroy the

705
00:27:06,710 --> 00:27:04,799
worms so the horse's body is actually

706
00:27:09,269 --> 00:27:06,720
the deworming mechanism

707
00:27:11,350 --> 00:27:09,279
the medicine just stuns the worms yeah

708
00:27:13,669 --> 00:27:11,360
but for them to just to spin it that

709
00:27:15,669 --> 00:27:13,679
this is this is crazy this is a horse

710
00:27:18,389 --> 00:27:15,679
dewormer when people are getting a valid

711
00:27:20,549 --> 00:27:18,399
prescription from a medical professional

712
00:27:21,909 --> 00:27:20,559
it's just disingenuous it's like

713
00:27:23,190 --> 00:27:21,919

misleading

714

00:27:26,070 --> 00:27:23,200

it's like a kid in high school that

715

00:27:28,950 --> 00:27:26,080

tells lies about you to get a reaction

716

00:27:31,190 --> 00:27:28,960

yeah and it seems to me that the only uh

717

00:27:34,950 --> 00:27:31,200

remedy that they're willing to accept is

718

00:27:36,470 --> 00:27:34,960

is the you know uh coming from pfizer

719

00:27:39,110 --> 00:27:36,480

and the big tech companies that are

720

00:27:40,950 --> 00:27:39,120

paying them so maybe they have a vested

721

00:27:43,110 --> 00:27:40,960

financial interest to

722

00:27:45,269 --> 00:27:43,120

to discredit every other form of

723

00:27:46,950 --> 00:27:45,279

treatment right

724

00:27:49,990 --> 00:27:46,960

uh

725

00:27:52,149 --> 00:27:50,000

yeah maybe they do

726

00:27:53,110 --> 00:27:52,159

it's it's a and it's almost like a path

727

00:27:55,990 --> 00:27:53,120

of

728

00:27:58,549 --> 00:27:56,000

probably probability it seems like a lot

729

00:28:01,990 --> 00:27:58,559

of signs pointed that

730

00:28:03,990 --> 00:28:02,000

cnn is kind of doing the bidding of i

731

00:28:06,310 --> 00:28:04,000

mean at the very least a t and t which

732

00:28:08,010 --> 00:28:06,320

is connected with the cia which

733

00:28:09,590 --> 00:28:08,020

when you see fizer ads on

734

00:28:11,190 --> 00:28:09,600

735

00:28:12,789 --> 00:28:11,200

i haven't i i don't have a clip where i

736

00:28:14,230 --> 00:28:12,799

can pull up a fizer out on cnn but i'm

737

00:28:15,830 --> 00:28:14,240

pretty sure that they were on fire oh no

738

00:28:17,990 --> 00:28:15,840

they're they're loaded if you do watch

739

00:28:19,190 --> 00:28:18,000

cnn they're loaded it's like every

740

00:28:21,350 --> 00:28:19,200

commercial is

741

00:28:24,710 --> 00:28:21,360

is got a bunch of side effects it's

742

00:28:26,549 --> 00:28:24,720

either from pfizer's or you know lipitor

743

00:28:27,350 --> 00:28:26,559

all these different weird medications do

744

00:28:31,269 --> 00:28:27,360

you have

745

00:28:32,870 --> 00:28:31,279

i've never even heard of that like

746

00:28:34,789 --> 00:28:32,880

they're just it's almost like the drug

747

00:28:36,950 --> 00:28:34,799

companies are inventing

748

00:28:38,789 --> 00:28:36,960

afflictions and then giving you the cure

749

00:28:41,590 --> 00:28:38,799

they're generally inventing food they're

750

00:28:44,070 --> 00:28:41,600

inventing new types of chemicals like fi

751

00:28:46,070 --> 00:28:44,080

yellow five lake they've upgraded all

752

00:28:47,830 --> 00:28:46,080

their food colorings from yellow five

753

00:28:50,149 --> 00:28:47,840

and blue five down there yellow five

754

00:28:52,789 --> 00:28:50,159

lake and blue five lake it's like coal

755

00:28:54,870 --> 00:28:52,799

tar yellow five is coal tar

756

00:28:57,110 --> 00:28:54,880

uh and they put that in food and then

757

00:29:00,070 --> 00:28:57,120

when people start to go neurologically

758

00:29:01,669 --> 00:29:00,080

haywire they develop some other chemical

759

00:29:03,029 --> 00:29:01,679

drug that they

760

00:29:05,190 --> 00:29:03,039

try and fix

761

00:29:07,110 --> 00:29:05,200

why not just let it be its natural color

762

00:29:08,470 --> 00:29:07,120

of the food that it is right that'd be

763

00:29:10,389 --> 00:29:08,480

nice

764

00:29:12,470 --> 00:29:10,399

i know you're a big supporter of baking

765

00:29:14,149 --> 00:29:12,480

your own bread and i gotta tell you i

766

00:29:17,029 --> 00:29:14,159

started doing that and it is very

767

00:29:18,230 --> 00:29:17,039

therapeutic i make french paquettes and

768

00:29:20,630 --> 00:29:18,240

you know

769

00:29:22,149 --> 00:29:20,640

loaves of bread and and we know and i

770

00:29:23,510 --> 00:29:22,159

know what my children are eating so it

771

00:29:25,430 --> 00:29:23,520

makes me feel better i know there's

772

00:29:29,590 --> 00:29:25,440

nothing crazy in there it's flour and

773

00:29:31,830 --> 00:29:29,600

yeast and water and butter and you know

774

00:29:34,230 --> 00:29:31,840

yeah we should get back to that right oh

775

00:29:36,630 --> 00:29:34,240

yeah and i we may be that we have no

776

00:29:38,149 --> 00:29:36,640

choice as inflation i was thinking last

777

00:29:40,630 --> 00:29:38,159

night

778

00:29:42,789 --> 00:29:40,640

about a rumble you know rumble bought

779

00:29:44,870 --> 00:29:42,799

locals and i'm like yes oh yeah michael

780

00:29:46,389 --> 00:29:44,880

now microsoft's gonna buy rumble it's

781

00:29:47,750 --> 00:29:46,399

gonna for 40 billion and i threw that

782

00:29:50,870 --> 00:29:47,760

number out and i was like well maybe i'm

783

00:29:52,789 --> 00:29:50,880

being a bit uh hyperbolic with the 40

784

00:29:56,710 --> 00:29:52,799

billion number but and then i'm like

785

00:29:58,549 --> 00:29:56,720

actually in two two to six years

786

00:30:00,470 --> 00:29:58,559

with inflation going like it is you

787

00:30:02,710 --> 00:30:00,480

could have it'll be worth 80 billion

788

00:30:04,389 --> 00:30:02,720

maybe yeah you could have a 12 bag of

789

00:30:05,669 --> 00:30:04,399

bread and then i'm like wow this is

790

00:30:07,990 --> 00:30:05,679

where my train of thought was going with

791

00:30:09,669 --> 00:30:08,000

that is like 12 bags of bread at the

792

00:30:12,149 --> 00:30:09,679

store people are definitely going to be

793

00:30:13,430 --> 00:30:12,159

encouraged to buy flour and water and

794

00:30:15,510 --> 00:30:13,440

yeast

795

00:30:17,909 --> 00:30:15,520

and start making their own bread so the

796

00:30:19,669 --> 00:30:17,919

inflation is going crazy and oh i do

797

00:30:20,950 --> 00:30:19,679

have i do have something else to share

798

00:30:23,909 --> 00:30:20,960

that we could talk about this is

799

00:30:26,630 --> 00:30:23,919

interesting because we have uh

800

00:30:27,510 --> 00:30:26,640

we have recently uh

801
00:30:29,430 --> 00:30:27,520
got

802
00:30:31,510 --> 00:30:29,440
the the confirmation that the white

803
00:30:33,269 --> 00:30:31,520
house this is uh

804
00:30:35,190 --> 00:30:33,279
a great story media outlets meet with

805
00:30:37,510 --> 00:30:35,200
the white house to reshape coverage of

806
00:30:39,350 --> 00:30:37,520
biden administration so the white house

807
00:30:40,630 --> 00:30:39,360
have been hosting secret meetings with

808
00:30:42,710 --> 00:30:40,640
journalists

809
00:30:44,549 --> 00:30:42,720
in an effort to reshape coverage on the

810
00:30:46,070 --> 00:30:44,559
biden administration that they view to

811
00:30:46,870 --> 00:30:46,080
be unfair

812
00:30:49,350 --> 00:30:46,880
uh

813
00:30:52,070 --> 00:30:49,360

yet they want the journalists to paint a

814

00:30:54,230 --> 00:30:52,080

pretty picture of the terrible

815

00:30:56,710 --> 00:30:54,240

inflation that we have right and the

816

00:30:59,350 --> 00:30:56,720

terrible economy that we have

817

00:31:01,830 --> 00:30:59,360

should journalists be colluding with the

818

00:31:03,590 --> 00:31:01,840

government to offer

819

00:31:05,750 --> 00:31:03,600

better coverage or more favorable

820

00:31:08,950 --> 00:31:05,760

coverage

821

00:31:13,190 --> 00:31:11,110

i mean it's a loaded question but it is

822

00:31:15,750 --> 00:31:13,200

because i'm i'm thinking like okay if i

823

00:31:18,549 --> 00:31:15,760

was the leader of a state

824

00:31:20,630 --> 00:31:18,559

how would i get my message out i mean

825

00:31:22,070 --> 00:31:20,640

today i'd make youtube videos or

826

00:31:24,710 --> 00:31:22,080

internet videos

827

00:31:26,789 --> 00:31:24,720

50 years ago i would have had to put my

828

00:31:28,789 --> 00:31:26,799

articles out through a newspaper

829

00:31:29,669 --> 00:31:28,799

or before they had like you know they

830

00:31:31,430 --> 00:31:29,679

have those things where they have the

831

00:31:33,750 --> 00:31:31,440

reporters come in and ask questions and

832

00:31:34,470 --> 00:31:33,760

so i get that the state needs some sort

833

00:31:37,669 --> 00:31:34,480

of

834

00:31:39,350 --> 00:31:37,679

outlet for its info but to

835

00:31:41,269 --> 00:31:39,360

is this stuff secret like are they

836

00:31:43,909 --> 00:31:41,279

secretly asking

837

00:31:45,430 --> 00:31:43,919

reporters to yeah sounds like they're

838

00:31:47,669 --> 00:31:45,440

they're making they're holding secret

839

00:31:50,230 --> 00:31:47,679

meetings with with members of the media

840

00:31:52,789 --> 00:31:50,240

to try to garner better coverage and it

841

00:31:54,310 --> 00:31:52,799

is a game of access right like if you're

842

00:31:56,630 --> 00:31:54,320

if you're going to do nothing but trash

843

00:31:58,630 --> 00:31:56,640

the administration trump did it it will

844

00:32:00,870 --> 00:31:58,640

cut you off and not let you in on the

845

00:32:02,870 --> 00:32:00,880

press briefings anymore you know so i

846

00:32:04,230 --> 00:32:02,880

guess it's a game of access it's a

847

00:32:06,149 --> 00:32:04,240

balancing act

848

00:32:07,990 --> 00:32:06,159

but i thought that a journalist's job

849

00:32:09,029 --> 00:32:08,000

was to hold people accountable in the

850

00:32:11,190 --> 00:32:09,039

government

851
00:32:13,350 --> 00:32:11,200
for their actions and to speak truth to

852
00:32:14,630 --> 00:32:13,360
power i mean maybe i'm an idealist but i

853
00:32:15,430 --> 00:32:14,640
think that's the way it's supposed to be

854
00:32:17,509 --> 00:32:15,440
not

855
00:32:19,750 --> 00:32:17,519
have secret meetings you know like hey

856
00:32:22,470 --> 00:32:19,760
what do you want us to report on tonight

857
00:32:24,549 --> 00:32:22,480
joe biden you know oh for sure the

858
00:32:26,830 --> 00:32:24,559
fourth estate they call it the news

859
00:32:29,750 --> 00:32:26,840
media

860
00:32:31,669 --> 00:32:29,760
uh i i mean i'm definitely err on the

861
00:32:34,310 --> 00:32:31,679
side that you should not be using the

862
00:32:36,710 --> 00:32:34,320
media to manipulate the public uh

863
00:32:38,789 --> 00:32:36,720

government should not be doing that but

864

00:32:40,389 --> 00:32:38,799

not i mean who am i to say for my ivory

865

00:32:41,990 --> 00:32:40,399

tower like i've never run a government

866

00:32:43,990 --> 00:32:42,000

before

867

00:32:46,149 --> 00:32:44,000

yeah i get that yeah you may have to

868

00:32:47,830 --> 00:32:46,159

like if we don't manipulate the crowd

869

00:32:49,430 --> 00:32:47,840

the crowd's going to consume us and then

870

00:32:51,110 --> 00:32:49,440

start its own government that's much

871

00:32:53,430 --> 00:32:51,120

worse than what we have right now so we

872

00:32:55,190 --> 00:32:53,440

need to like manipulate the plebs i

873

00:32:57,590 --> 00:32:55,200

think a lot about this now i used to

874

00:32:59,990 --> 00:32:57,600

think we're all equal we're all great

875

00:33:02,870 --> 00:33:00,000

and now i'm like i think some people are

876

00:33:04,630 --> 00:33:02,880

better or like more intelligent or like

877

00:33:06,950 --> 00:33:04,640

aware or

878

00:33:08,630 --> 00:33:06,960

kind or empathetic than other other

879

00:33:10,310 --> 00:33:08,640

people and it's not like that's always

880

00:33:12,549 --> 00:33:10,320

the way it is like this person's always

881

00:33:14,710 --> 00:33:12,559

gonna be better than that person but

882

00:33:17,269 --> 00:33:14,720

in a moment you take a snapshot and

883

00:33:18,149 --> 00:33:17,279

certain people are just fantastic

884

00:33:19,590 --> 00:33:18,159

so

885

00:33:20,950 --> 00:33:19,600

those people then become government

886

00:33:22,710 --> 00:33:20,960

leaders and then

887

00:33:24,870 --> 00:33:22,720

if you get a small group of fantastic

888

00:33:25,909 --> 00:33:24,880

people running your country or your

889

00:33:27,669 --> 00:33:25,919

state

890

00:33:29,509 --> 00:33:27,679

and all this horde of other humans that

891

00:33:31,750 --> 00:33:29,519

are just eating food and crapping on the

892

00:33:34,070 --> 00:33:31,760

ground and leave dirtying up the

893

00:33:36,310 --> 00:33:34,080

environment like

894

00:33:38,549 --> 00:33:36,320

what do you do yeah some of the elite

895

00:33:41,430 --> 00:33:38,559

call those people the worthless you know

896

00:33:43,669 --> 00:33:41,440

wow just there's those they look down on

897

00:33:45,909 --> 00:33:43,679

people that they don't view as

898

00:33:47,269 --> 00:33:45,919

productive or and i guess there's an

899

00:33:48,870 --> 00:33:47,279

argument to be made you know there's a

900

00:33:50,389 --> 00:33:48,880

lot of people that are like career

901
00:33:52,149 --> 00:33:50,399
welfare people

902
00:33:53,350 --> 00:33:52,159
you know they won't get a job they

903
00:33:55,669 --> 00:33:53,360
refuse to

904
00:33:57,590 --> 00:33:55,679
to work or be productive so i guess

905
00:34:00,149 --> 00:33:57,600
there's an argument for that but yeah

906
00:34:01,590 --> 00:34:00,159
this this media manipulation though i

907
00:34:03,909 --> 00:34:01,600
guess i didn't notice it when i was

908
00:34:06,870 --> 00:34:03,919
younger you know i thought okay this is

909
00:34:09,510 --> 00:34:06,880
the news and i didn't see the leaning

910
00:34:10,950 --> 00:34:09,520
the the the political bias

911
00:34:12,550 --> 00:34:10,960
you know i just thought this was the

912
00:34:14,470 --> 00:34:12,560
news remember when you were a kid and

913
00:34:16,470 --> 00:34:14,480

you watched the news with like your dad

914

00:34:18,629 --> 00:34:16,480

it was just like this is the news it was

915

00:34:20,389 --> 00:34:18,639

yeah was it different then or oh yeah

916

00:34:21,829 --> 00:34:20,399

just remember it different no it was way

917

00:34:25,030 --> 00:34:21,839

different before the internet was

918

00:34:27,109 --> 00:34:25,040

popular i i in the 90s growing up i

919

00:34:28,869 --> 00:34:27,119

remember the first iraq war and seeing

920

00:34:30,230 --> 00:34:28,879

the the news reporter sitting on top of

921

00:34:31,990 --> 00:34:30,240

the tank as it was driving through the

922

00:34:33,190 --> 00:34:32,000

desert they're like hey it wasn't so bad

923

00:34:35,190 --> 00:34:33,200

it was pretty but what they weren't

924

00:34:37,270 --> 00:34:35,200

showing this was like fallujah where

925

00:34:39,349 --> 00:34:37,280

they were dropping white phosphorus to

926

00:34:41,109 --> 00:34:39,359

it as an incandescent to light up the

927

00:34:42,950 --> 00:34:41,119

area but what they're actually doing is

928

00:34:45,030 --> 00:34:42,960

melting the skin of the civilians that

929

00:34:46,230 --> 00:34:45,040

the white phosphorus was touching and

930

00:34:47,829 --> 00:34:46,240

they would just use it they would just

931

00:34:49,669 --> 00:34:47,839

melt people with it talk about chemical

932

00:34:51,430 --> 00:34:49,679

warfare uh that was the american

933

00:34:52,710 --> 00:34:51,440

government using white phosphorus and

934

00:34:54,550 --> 00:34:52,720

fallujah

935

00:34:56,230 --> 00:34:54,560

they we didn't get that in the media so

936

00:34:57,910 --> 00:34:56,240

it wasn't until like loose change

937

00:34:59,510 --> 00:34:57,920

zeitgeist we got the shock and awe

938

00:35:00,630 --> 00:34:59,520

though remember yeah

939

00:35:02,069 --> 00:35:00,640

look at this

940

00:35:04,790 --> 00:35:02,079

show and look at all those missiles

941

00:35:06,870 --> 00:35:04,800

going on look at our tanks it was like a

942

00:35:08,950 --> 00:35:06,880

commercial for for

943

00:35:10,710 --> 00:35:08,960

northrop grumman or whoever i remember

944

00:35:13,430 --> 00:35:10,720

thinking that it reminded me of world

945

00:35:15,990 --> 00:35:13,440

war ii nazi propaganda films of like

946

00:35:18,390 --> 00:35:16,000

them marching with their tanks and the

947

00:35:21,030 --> 00:35:18,400

planes would fly over in another scene

948

00:35:23,109 --> 00:35:21,040

and it seemed to be propaganda to me the

949

00:35:25,750 --> 00:35:23,119

shock and awe thing yeah but they got us

950

00:35:27,589 --> 00:35:25,760

into the iraq war lying to us then they

951
00:35:29,910 --> 00:35:27,599
pumped up this shock and awe look how

952
00:35:31,750 --> 00:35:29,920
great our military is which i i do

953
00:35:32,710 --> 00:35:31,760
believe we do have the greatest military

954
00:35:34,950 --> 00:35:32,720
but

955
00:35:37,670 --> 00:35:34,960
to to manipulate the the will of the

956
00:35:39,510 --> 00:35:37,680
people to go into this place just for i

957
00:35:42,550 --> 00:35:39,520
guess financial reasons or whatever

958
00:35:45,030 --> 00:35:42,560
other you know halliburton made i i

959
00:35:48,069 --> 00:35:45,040
guess billions off

960
00:35:52,550 --> 00:35:49,750
is that a coincidence that the vice

961
00:35:54,470 --> 00:35:52,560
president's former company made billions

962
00:35:56,550 --> 00:35:54,480
off of a war that he

963
00:35:57,270 --> 00:35:56,560

propped up and helped start

964

00:36:35,030 --> 00:35:57,280

i

965

00:36:36,790 --> 00:36:35,040

me

966

00:36:39,349 --> 00:36:36,800

doing guard duty and there's a

967

00:36:40,390 --> 00:36:39,359

halliburton mechanic technician that's

968

00:36:42,790 --> 00:36:40,400

being paid

969

00:36:44,390 --> 00:36:42,800

twice three times five times as much as

970

00:36:46,390 --> 00:36:44,400

me to do the work i'm supposed to be

971

00:36:48,710 --> 00:36:46,400

doing and no one was ever held

972

00:36:51,589 --> 00:36:48,720

accountable for any of this

973

00:36:57,510 --> 00:36:51,599

kind of makes you sick you know

974

00:37:00,470 --> 00:36:58,710

i guess

975

00:37:02,470 --> 00:37:00,480

you know not i don't think any one of us

976
00:37:04,470 --> 00:37:02,480
can do it alone part of why i'm working

977
00:37:05,990 --> 00:37:04,480
on decentralized internet technology as

978
00:37:07,030 --> 00:37:06,000
long as people can keep talking about

979
00:37:08,790 --> 00:37:07,040
this stuff

980
00:37:10,870 --> 00:37:08,800
and spreading the information like the

981
00:37:12,230 --> 00:37:10,880
uh architects and engineers for 911

982
00:37:13,030 --> 00:37:12,240
truth i don't know if you ever saw their

983
00:37:14,790 --> 00:37:13,040
work

984
00:37:16,390 --> 00:37:14,800
yes absolutely they had some great

985
00:37:17,990 --> 00:37:16,400
videos on youtube

986
00:37:19,750 --> 00:37:18,000
for dec for over a decade they've had

987
00:37:21,670 --> 00:37:19,760
some great stuff up there where they

988
00:37:23,990 --> 00:37:21,680

went into like the evidence of 911 and

989

00:37:26,310 --> 00:37:24,000

all that and i've found that i think

990

00:37:28,390 --> 00:37:26,320

i've had a hard time finding it now that

991

00:37:30,390 --> 00:37:28,400

it's being said oh no

992

00:37:33,430 --> 00:37:30,400

you know you know jeremy rise alien

993

00:37:34,470 --> 00:37:33,440

scientist we're friends he he was a big

994

00:37:37,349 --> 00:37:34,480

early

995

00:37:40,470 --> 00:37:37,359

uh 911 truther and he did a lot of shows

996

00:37:42,069 --> 00:37:40,480

about that and he says it's all being

997

00:37:44,790 --> 00:37:42,079

systematically scrubbed from the

998

00:37:47,510 --> 00:37:44,800

internet it's all the 911 stuff is just

999

00:37:49,990 --> 00:37:47,520

slowly melting off of the internet and

1000

00:37:51,670 --> 00:37:50,000

he is even not quite sure why i started

1001
00:37:53,910 --> 00:37:51,680
looking into it and i can confirm what

1002
00:37:55,990 --> 00:37:53,920
he says like there's stuff that there

1003
00:37:58,069 --> 00:37:56,000
used to be blogs that are just gone now

1004
00:38:01,109 --> 00:37:58,079
there used to be videos all over youtube

1005
00:38:03,670 --> 00:38:01,119
about that subject they're all gone

1006
00:38:06,150 --> 00:38:03,680
or going you know

1007
00:38:08,550 --> 00:38:06,160
so decentralizing the net and making it

1008
00:38:10,710 --> 00:38:08,560
so no one person controls if those

1009
00:38:12,710 --> 00:38:10,720
videos can get seen i think that's

1010
00:38:13,910 --> 00:38:12,720
kind of the way that we'll be able to

1011
00:38:16,390 --> 00:38:13,920
combat

1012
00:38:18,390 --> 00:38:16,400
you know cia media manipulation in the

1013
00:38:21,190 --> 00:38:18,400

future or like ai

1014

00:38:23,430 --> 00:38:21,200

control of of deep fake media

1015

00:38:25,430 --> 00:38:23,440

which is inevitably coming oh that's

1016

00:38:28,470 --> 00:38:25,440

another problem that's coming real soon

1017

00:38:31,430 --> 00:38:28,480

we won't know who's who soon yeah what's

1018

00:38:34,390 --> 00:38:31,440

real or what's uh what's manufactured

1019

00:38:35,990 --> 00:38:34,400

like on the covington experience where

1020

00:38:37,829 --> 00:38:36,000

everyone thought he was guilty before

1021

00:38:39,270 --> 00:38:37,839

giving him a chance like if that that

1022

00:38:41,109 --> 00:38:39,280

we're gonna see deep fakes of like

1023

00:38:43,030 --> 00:38:41,119

people getting killed or people saying

1024

00:38:45,589 --> 00:38:43,040

stuff like the president saying

1025

00:38:48,310 --> 00:38:45,599

something of like a famous

1026

00:38:50,390 --> 00:38:48,320

guy doing something that's all fake

1027

00:38:52,390 --> 00:38:50,400

that's all yeah or a famous guy like

1028

00:38:54,069 --> 00:38:52,400

sexually assaulting somebody yeah or

1029

00:38:55,910 --> 00:38:54,079

something or like putin

1030

00:38:57,750 --> 00:38:55,920

threatening war you'll see like we'll

1031

00:38:59,910 --> 00:38:57,760

see a d pick of like an invasion and

1032

00:39:02,470 --> 00:38:59,920

then like go to people want to go to war

1033

00:39:04,870 --> 00:39:02,480

over what they think is real

1034

00:39:07,349 --> 00:39:04,880

and yeah you talked about decentralized

1035

00:39:09,990 --> 00:39:07,359

you talk about this decentralization and

1036

00:39:11,910 --> 00:39:10,000

you guys and a few other people

1037

00:39:14,150 --> 00:39:11,920

sort of woke me up to the fact that you

1038

00:39:16,069 --> 00:39:14,160

can't have you can't rely on one

1039

00:39:18,230 --> 00:39:16,079

platform so i want to thank you because

1040

00:39:20,870 --> 00:39:18,240

here's our distribution network

1041

00:39:23,030 --> 00:39:20,880

um we're everywhere or soon will be

1042

00:39:25,190 --> 00:39:23,040

starting monday we're going to be on uh

1043

00:39:26,790 --> 00:39:25,200

youtube twitch facebook live dailymotion

1044

00:39:28,950 --> 00:39:26,800

rumble bit you and i forgot to put them

1045

00:39:31,750 --> 00:39:28,960

on there but odyssey as well

1046

00:39:33,430 --> 00:39:31,760

so we're getting decentralized here and

1047

00:39:35,670 --> 00:39:33,440

uh that's

1048

00:39:37,109 --> 00:39:35,680

partly due to seeing you guys and other

1049

00:39:38,950 --> 00:39:37,119

big bigger

1050

00:39:42,069 --> 00:39:38,960

you know we're small fish here but you

1051
00:39:43,670 --> 00:39:42,079
know seeing you guys do that even said

1052
00:39:45,910 --> 00:39:43,680
made me say to myself we need to be

1053
00:39:49,190 --> 00:39:45,920
decentralized because if one

1054
00:39:50,790 --> 00:39:49,200
if one platform decides to stamp us out

1055
00:39:52,870 --> 00:39:50,800
we're okay we're

1056
00:39:55,109 --> 00:39:52,880
you know spread all over the internet

1057
00:39:58,630 --> 00:39:55,119
everywhere so thank you for that for

1058
00:40:00,310 --> 00:39:58,640
kind of waking me up you know yes

1059
00:40:01,270 --> 00:40:00,320
and i wanted to ask you a selfish

1060
00:40:04,710 --> 00:40:01,280
question

1061
00:40:07,430 --> 00:40:04,720
um for those that are maybe uh beginning

1062
00:40:10,550 --> 00:40:07,440
their journey that you began so long ago

1063
00:40:12,309 --> 00:40:10,560

on youtube and independent media what

1064

00:40:14,630 --> 00:40:12,319

advice would you have for people today

1065

00:40:17,349 --> 00:40:14,640

that are trying to

1066

00:40:20,150 --> 00:40:17,359

get a bigger bullhorn you know and and

1067

00:40:21,670 --> 00:40:20,160

increase their audience and do a bigger

1068

00:40:23,990 --> 00:40:21,680

better show or

1069

00:40:26,550 --> 00:40:24,000

or just do this well what what advice

1070

00:40:28,950 --> 00:40:26,560

would you have um it's a different era

1071

00:40:31,670 --> 00:40:28,960

than 2006 when i started so the

1072

00:40:33,270 --> 00:40:31,680

techniques are slightly different

1073

00:40:34,630 --> 00:40:33,280

one thing to do

1074

00:40:37,349 --> 00:40:34,640

is

1075

00:40:39,190 --> 00:40:37,359

work with other creators when possible

1076

00:40:42,710 --> 00:40:39,200

do interviews like this

1077

00:40:44,630 --> 00:40:42,720

uh do montages with other people

1078

00:40:46,069 --> 00:40:44,640

post links to their stuff if you can

1079

00:40:47,829 --> 00:40:46,079

work it out so that they post link to

1080

00:40:51,990 --> 00:40:47,839

yours you post a link to theirs those

1081

00:40:54,069 --> 00:40:52,000

things make your channel get big fast um

1082

00:40:55,109 --> 00:40:54,079

also consistency

1083

00:40:57,190 --> 00:40:55,119

uh

1084

00:40:58,550 --> 00:40:57,200

and scheduling i didn't do that in the

1085

00:41:00,550 --> 00:40:58,560

early days which was just part of one

1086

00:41:02,390 --> 00:41:00,560

i'm having a problem with that yeah yeah

1087

00:41:03,589 --> 00:41:02,400

if you set schedules and let everyone

1088

00:41:05,990 --> 00:41:03,599

know ahead of time really good

1089

00:41:07,510 --> 00:41:06,000

communication through social media uh

1090

00:41:09,990 --> 00:41:07,520

people are pretty smart they follow the

1091

00:41:12,069 --> 00:41:10,000

links and we'll meet you there that can

1092

00:41:13,430 --> 00:41:12,079

hyper intensify your growth

1093

00:41:15,750 --> 00:41:13,440

rate

1094

00:41:17,510 --> 00:41:15,760

yeah i gotta i gotta i gotta nail down

1095

00:41:18,870 --> 00:41:17,520

the show time because we're trying to do

1096

00:41:21,430 --> 00:41:18,880

i don't know between three and five

1097

00:41:23,990 --> 00:41:21,440

shows a week but then i have kids and

1098

00:41:26,069 --> 00:41:24,000

sometimes i've got the kids and so uh

1099

00:41:27,910 --> 00:41:26,079

you know i go oh we're going live at

1100

00:41:29,910 --> 00:41:27,920

seven and then something happens you go

1101
00:41:31,349 --> 00:41:29,920
no i gotta do it at nine you know i

1102
00:41:33,030 --> 00:41:31,359
definitely have to do that you're

1103
00:41:34,470 --> 00:41:33,040
absolutely right because consistency is

1104
00:41:36,710 --> 00:41:34,480
the key if people know

1105
00:41:38,390 --> 00:41:36,720
like i know with your show i know where

1106
00:41:40,069 --> 00:41:38,400
you're going to be every night and i can

1107
00:41:41,670 --> 00:41:40,079
tune in you know sometimes i have to

1108
00:41:43,270 --> 00:41:41,680
catch the replay if i'm doing something

1109
00:41:45,670 --> 00:41:43,280
while you're live or

1110
00:41:47,670 --> 00:41:45,680
yeah consistency i know where to find

1111
00:41:49,829 --> 00:41:47,680
you and and where you'll be

1112
00:41:52,550 --> 00:41:49,839
and then very important the other piece

1113
00:41:53,910 --> 00:41:52,560

is marketing i in the early days i would

1114

00:41:56,630 --> 00:41:53,920

message

1115

00:41:59,430 --> 00:41:56,640

like i would go to a youtube video

1116

00:42:00,630 --> 00:41:59,440

uh like a blogger like boheme been going

1117

00:42:02,309 --> 00:42:00,640

with someone and i'd go to all the

1118

00:42:04,630 --> 00:42:02,319

people that would comment on one of his

1119

00:42:06,309 --> 00:42:04,640

video blogs and it was like a a video

1120

00:42:07,270 --> 00:42:06,319

that was a similar style to a video that

1121

00:42:09,270 --> 00:42:07,280

i make

1122

00:42:10,710 --> 00:42:09,280

and then honestly

1123

00:42:11,990 --> 00:42:10,720

i would go message all those people and

1124

00:42:14,069 --> 00:42:12,000

i'd send them a direct message and be

1125

00:42:15,750 --> 00:42:14,079

like hey check out my new video it's

1126
00:42:17,910 --> 00:42:15,760
about communication and then i'd put

1127
00:42:20,230 --> 00:42:17,920
like a link to it but that was that that

1128
00:42:21,829 --> 00:42:20,240
was the early marketing machine of

1129
00:42:22,790 --> 00:42:21,839
youtube it's kind of hard to do that now

1130
00:42:24,790 --> 00:42:22,800
because like you said that it's

1131
00:42:27,109 --> 00:42:24,800
considered spam a lot if you just send

1132
00:42:29,109 --> 00:42:27,119
people unsolicited messages but i think

1133
00:42:31,349 --> 00:42:29,119
engagement is good like somebody else

1134
00:42:33,510 --> 00:42:31,359
that's a content creator that's you know

1135
00:42:35,270 --> 00:42:33,520
got 10 tons more subs than me he goes

1136
00:42:36,790 --> 00:42:35,280
into groups

1137
00:42:38,390 --> 00:42:36,800
reddit groups where they'll let you a

1138
00:42:39,990 --> 00:42:38,400

lot of reddit groups won't let you post

1139

00:42:43,270 --> 00:42:40,000

youtube videos because they consider

1140

00:42:45,670 --> 00:42:43,280

anything you post spam or self promotion

1141

00:42:47,990 --> 00:42:45,680

but engagement he said go and engage

1142

00:42:50,390 --> 00:42:48,000

with the audience find audiences that

1143

00:42:52,550 --> 00:42:50,400

may like your content engage with them

1144

00:42:53,910 --> 00:42:52,560

every day spend a few hours

1145

00:42:56,710 --> 00:42:53,920

yeah and in the beginning i was going

1146

00:42:59,430 --> 00:42:56,720

from zero to 100 subscribers like i had

1147

00:43:00,710 --> 00:42:59,440

zero i had nothing so it was every day i

1148

00:43:02,950 --> 00:43:00,720

would maybe that maybe this is a big

1149

00:43:03,990 --> 00:43:02,960

hyperbox but i would go and and open up

1150

00:43:05,589 --> 00:43:04,000

like

1151

00:43:07,349 --> 00:43:05,599

a hundred different

1152

00:43:09,349 --> 00:43:07,359

people's i would contact like a hundred

1153

00:43:11,270 --> 00:43:09,359

people a day about it or like yeah and

1154

00:43:14,069 --> 00:43:11,280

figure it's maybe 10 we'll sign in every

1155

00:43:16,630 --> 00:43:14,079

day yeah every day every day yeah

1156

00:43:17,349 --> 00:43:16,640

consistent effort it became my job was

1157

00:43:19,910 --> 00:43:17,359

to

1158

00:43:21,510 --> 00:43:19,920

get people this content

1159

00:43:23,589 --> 00:43:21,520

and then of course the content itself

1160

00:43:26,150 --> 00:43:23,599

has got to be it can be whatever it is

1161

00:43:28,069 --> 00:43:26,160

you know lots of content can fly but i

1162

00:43:29,750 --> 00:43:28,079

think the genuine stuff is more exciting

1163

00:43:31,750 --> 00:43:29,760

personally

1164

00:43:34,470 --> 00:43:31,760

but i mean you could do crazy hilarious

1165

00:43:36,230 --> 00:43:34,480

scripted stuff as well

1166

00:43:37,990 --> 00:43:36,240

yeah i absolutely agree with you and i

1167

00:43:40,069 --> 00:43:38,000

noticed that you guys are branching out

1168

00:43:41,430 --> 00:43:40,079

and doing all these other new projects

1169

00:43:42,710 --> 00:43:41,440

and things like that hiring more

1170

00:43:44,309 --> 00:43:42,720

journalists

1171

00:43:45,829 --> 00:43:44,319

it's amazing to see

1172

00:43:47,829 --> 00:43:45,839

that you know

1173

00:43:49,510 --> 00:43:47,839

it's just it's inspiring to me to go

1174

00:43:51,510 --> 00:43:49,520

like you know these guys started a lot

1175

00:43:53,270 --> 00:43:51,520

like me they didn't you know

1176

00:43:55,510 --> 00:43:53,280

they didn't have billions of dollars or

1177

00:43:57,750 --> 00:43:55,520

some corporation paying them to do this

1178

00:43:59,270 --> 00:43:57,760

they just figured it out piece by piece

1179

00:44:00,470 --> 00:43:59,280

right

1180

00:44:03,030 --> 00:44:00,480

yep

1181

00:44:05,109 --> 00:44:03,040

yeah yourself man

1182

00:44:07,829 --> 00:44:05,119

well we're trying our best here you know

1183

00:44:09,829 --> 00:44:07,839

we're slowly growing so i can't complain

1184

00:44:11,990 --> 00:44:09,839

and we have sort of a handicap because

1185

00:44:14,470 --> 00:44:12,000

we cover conspiracies but from a sort of

1186

00:44:15,910 --> 00:44:14,480

skeptical angle sometimes and we bust a

1187

00:44:18,550 --> 00:44:15,920

lot of the frauds that are out there

1188

00:44:19,430 --> 00:44:18,560

selling fake stories and you know

1189

00:44:21,349 --> 00:44:19,440

so

1190

00:44:23,510 --> 00:44:21,359

we don't get too many of the woo people

1191

00:44:26,069 --> 00:44:23,520

and you know oh but a good example of

1192

00:44:28,470 --> 00:44:26,079

mainstream media lies is we did a story

1193

00:44:30,230 --> 00:44:28,480

on this nick pope who is a ufo expert

1194

00:44:32,230 --> 00:44:30,240

from

1195

00:44:34,309 --> 00:44:32,240

great britain and he claimed that he

1196

00:44:36,630 --> 00:44:34,319

worked for the british ministry of

1197

00:44:38,230 --> 00:44:36,640

defense investigating ufos

1198

00:44:40,230 --> 00:44:38,240

and we investigate that and found out

1199

00:44:43,109 --> 00:44:40,240

that he didn't investigate anything he

1200

00:44:44,550 --> 00:44:43,119

just sat at a desk

1201

00:44:46,630 --> 00:44:44,560

and he had very little to do with

1202

00:44:48,069 --> 00:44:46,640

anything ufos but he just lied about his

1203

00:44:50,870 --> 00:44:48,079

background and now he's all over

1204

00:44:53,589 --> 00:44:50,880

mainstream media as a ufo expert and

1205

00:44:56,230 --> 00:44:53,599

none of them take the time to vet him

1206

00:44:58,230 --> 00:44:56,240

and go yeah he never investigated any

1207

00:44:59,510 --> 00:44:58,240

ufos so he's not

1208

00:45:01,030 --> 00:44:59,520

you know telling the truth about his

1209

00:45:02,870 --> 00:45:01,040

background

1210

00:45:04,630 --> 00:45:02,880

this is another problem that they have

1211

00:45:06,390 --> 00:45:04,640

right they'll just put anybody up that

1212

00:45:07,990 --> 00:45:06,400

will have the talking points they want

1213

00:45:09,030 --> 00:45:08,000

right

1214

00:45:09,990 --> 00:45:09,040

yeah

1215

00:45:13,109 --> 00:45:10,000

especially when you're talking about

1216

00:45:14,870 --> 00:45:13,119

ufos i think that's a big

1217

00:45:16,309 --> 00:45:14,880

there's a lot of cover up when it comes

1218

00:45:18,230 --> 00:45:16,319

to

1219

00:45:19,349 --> 00:45:18,240

that here government technology i would

1220

00:45:21,349 --> 00:45:19,359

imagine

1221

00:45:22,550 --> 00:45:21,359

yeah me and jeremy are really big that's

1222

00:45:24,470 --> 00:45:22,560

mostly what

1223

00:45:29,030 --> 00:45:24,480

jeremy covers and what i cover is all

1224

00:45:32,550 --> 00:45:29,040

the ufo information past cases uh black

1225

00:45:34,309 --> 00:45:32,560

projects area 51 it's it's uh it's one

1226

00:45:36,710 --> 00:45:34,319

of my passions

1227

00:45:37,670 --> 00:45:36,720

i want to find out what's going on right

1228

00:45:40,069 --> 00:45:37,680

mm-hmm

1229

00:45:41,750 --> 00:45:40,079

talking plasma

1230

00:45:45,270 --> 00:45:41,760

yeah yeah have you studied that stuff at

1231

00:45:48,630 --> 00:45:45,280

all yes and uh mercury-based plasma

1232

00:45:50,550 --> 00:45:48,640

and you know mercury vortex plasma that

1233

00:45:52,790 --> 00:45:50,560

that's what a lot of people theorize

1234

00:45:54,950 --> 00:45:52,800

maybe mass cancellation that helps

1235

00:45:56,470 --> 00:45:54,960

things become lighter than

1236

00:45:58,390 --> 00:45:56,480

than they are

1237

00:46:00,870 --> 00:45:58,400

there's a lot of uh jeremy's doing like

1238

00:46:02,390 --> 00:46:00,880

he's got actual labs and stuff and a

1239

00:46:05,030 --> 00:46:02,400

bunch of scientists and they're trying

1240

00:46:06,950 --> 00:46:05,040

to figure it out and if i could pick one

1241

00:46:08,710 --> 00:46:06,960

guy on earth that may do it i'd pick

1242

00:46:10,870 --> 00:46:08,720

jeremy

1243

00:46:12,870 --> 00:46:10,880

he's the super pants all he thinks about

1244

00:46:14,630 --> 00:46:12,880

is like how do these things work let's

1245

00:46:17,190 --> 00:46:14,640

figure it out you know it's got whole

1246

00:46:18,550 --> 00:46:17,200

labs and stuff in new jersey

1247

00:46:21,349 --> 00:46:18,560

full of equipment

1248

00:46:23,670 --> 00:46:21,359

yeah guy is absolutely amazing and you

1249

00:46:25,270 --> 00:46:23,680

know also i wanted to one thing i wanted

1250

00:46:27,030 --> 00:46:25,280

to ask you is what is it like what is

1251
00:46:29,829 --> 00:46:27,040
the average day for ian like because

1252
00:46:32,069 --> 00:46:29,839
you're you're like a director of minds

1253
00:46:33,030 --> 00:46:32,079
which is a big technology company you're

1254
00:46:35,349 --> 00:46:33,040
on the

1255
00:46:37,670 --> 00:46:35,359
quite possibly the biggest podcast on

1256
00:46:41,030 --> 00:46:37,680
youtube now since joe rogan left

1257
00:46:42,710 --> 00:46:41,040
or the most highly rated right

1258
00:46:45,349 --> 00:46:42,720
what is an average day for you like like

1259
00:46:46,470 --> 00:46:45,359
how do you accomplish all this stuff

1260
00:46:47,510 --> 00:46:46,480
well

1261
00:46:55,349 --> 00:46:47,520
i

1262
00:46:58,069 --> 00:46:55,359
the day so

1263
00:47:00,309 --> 00:46:58,079

i rest before the show i'm usually wired

1264

00:47:01,990 --> 00:47:00,319

as hell after the show so i'm up late

1265

00:47:04,710 --> 00:47:02,000

and then i'm going to do a game with

1266

00:47:06,390 --> 00:47:04,720

some friends or i'll i'll read stuff or

1267

00:47:08,069 --> 00:47:06,400

i'll watch like a documentary or i'll

1268

00:47:11,270 --> 00:47:08,079

think about stuff or i'll write stuff

1269

00:47:13,589 --> 00:47:11,280

down um i take at least once a week i

1270

00:47:15,510 --> 00:47:13,599

take a meeting with team for open

1271

00:47:16,950 --> 00:47:15,520

network foundation

1272

00:47:19,109 --> 00:47:16,960

which is the charity that we started

1273

00:47:20,950 --> 00:47:19,119

which is building the decentralized

1274

00:47:22,150 --> 00:47:20,960

uh internet technology is basically

1275

00:47:24,470 --> 00:47:22,160

gonna

1276

00:47:25,990 --> 00:47:24,480

make you know patreon obsolete is the

1277

00:47:28,230 --> 00:47:26,000

idea make

1278

00:47:30,150 --> 00:47:28,240

subscribe star and all these companies

1279

00:47:31,910 --> 00:47:30,160

locals obsolete

1280

00:47:33,190 --> 00:47:31,920

that's about a wheat once a week

1281

00:47:34,470 --> 00:47:33,200

although that

1282

00:47:36,790 --> 00:47:34,480

is going to

1283

00:47:38,710 --> 00:47:36,800

be ramping up as the charity goes live

1284

00:47:40,549 --> 00:47:38,720

in january

1285

00:47:44,150 --> 00:47:40,559

and i'm not a big

1286

00:47:46,230 --> 00:47:44,160

corporate like guy meetings guy but it

1287

00:47:48,069 --> 00:47:46,240

has to happen so yeah

1288

00:47:49,190 --> 00:47:48,079

sometimes you gotta go well i gotta do

1289

00:47:51,349 --> 00:47:49,200

this george

1290

00:47:53,109 --> 00:47:51,359

last night i was like i like just being

1291

00:47:55,670 --> 00:47:53,119

warm and relaxing i'm like yeah well so

1292

00:47:57,510 --> 00:47:55,680

did george washington but and i'm sure

1293

00:47:59,190 --> 00:47:57,520

he really enjoyed being warm as he was

1294

00:48:01,750 --> 00:47:59,200

marching through trenton new jersey with

1295

00:48:03,030 --> 00:48:01,760

his trip so like we all make sacrifices

1296

00:48:05,349 --> 00:48:03,040

across them

1297

00:48:08,390 --> 00:48:05,359

yeah you gotta do it right i usually

1298

00:48:10,390 --> 00:48:08,400

sleep late and then get up

1299

00:48:12,230 --> 00:48:10,400

i let myself kind of wake up when i wake

1300

00:48:13,670 --> 00:48:12,240

up and then get ready for the show and

1301
00:48:15,430 --> 00:48:13,680
then do the show

1302
00:48:16,549 --> 00:48:15,440
stay up hang out with friends after the

1303
00:48:18,150 --> 00:48:16,559
show

1304
00:48:19,510 --> 00:48:18,160
that sounds like what i've been doing

1305
00:48:21,349 --> 00:48:19,520
because

1306
00:48:23,670 --> 00:48:21,359
might i used to do daddy daycare but my

1307
00:48:26,150 --> 00:48:23,680
kids finally are both in school so you

1308
00:48:27,990 --> 00:48:26,160
know i usually do a late show and then

1309
00:48:30,230 --> 00:48:28,000
work on the show until three o'clock in

1310
00:48:31,430 --> 00:48:30,240
the morning and i'll sleep till noon

1311
00:48:33,270 --> 00:48:31,440
my wife deals with the kids in the

1312
00:48:35,109 --> 00:48:33,280
morning i just have to deal with them in

1313
00:48:37,910 --> 00:48:35,119

the afternoon and then i work on the

1314

00:48:39,910 --> 00:48:37,920

show and do the live show you know yeah

1315

00:48:41,190 --> 00:48:39,920

it becomes i could tell that you guys

1316

00:48:44,309 --> 00:48:41,200

put in

1317

00:48:48,549 --> 00:48:44,319

the whole focus of all you guys luke

1318

00:48:50,390 --> 00:48:48,559

you you know sour patch liz and tim is

1319

00:48:52,069 --> 00:48:50,400

you're all about like let's do a great

1320

00:48:54,390 --> 00:48:52,079

show every day and that's hard to do

1321

00:48:57,510 --> 00:48:54,400

that consistently isn't it it's great it

1322

00:48:59,670 --> 00:48:57,520

it is it's way easier with the team of

1323

00:49:00,470 --> 00:48:59,680

people that care and want to do it as

1324

00:49:02,630 --> 00:49:00,480

well

1325

00:49:04,390 --> 00:49:02,640

um as soon as you get like one other

1326

00:49:06,309 --> 00:49:04,400

person that's also interested in the

1327

00:49:07,750 --> 00:49:06,319

project and is gonna put forth as much

1328

00:49:09,829 --> 00:49:07,760

effort as you are

1329

00:49:12,069 --> 00:49:09,839

it gets so much easier

1330

00:49:14,309 --> 00:49:12,079

like yeah i saw that we have i have i

1331

00:49:16,309 --> 00:49:14,319

have a helper now so shout out to spooky

1332

00:49:17,990 --> 00:49:16,319

carrie who helps me with the graphics

1333

00:49:21,030 --> 00:49:18,000

and some of the video editing and she's

1334

00:49:22,710 --> 00:49:21,040

working she inspires me because she does

1335

00:49:24,630 --> 00:49:22,720

all this work and then i go

1336

00:49:25,990 --> 00:49:24,640

well i didn't do anything today i got to

1337

00:49:27,829 --> 00:49:26,000

do a whole bunch of work on the show

1338

00:49:29,190 --> 00:49:27,839

today because you know because she did

1339

00:49:31,510 --> 00:49:29,200

you know

1340

00:49:33,030 --> 00:49:31,520

so you're right that team is it's it's

1341

00:49:34,710 --> 00:49:33,040

it's more inspiring because you have

1342

00:49:37,190 --> 00:49:34,720

people working with you and keeping you

1343

00:49:39,430 --> 00:49:37,200

excited right yeah and the essence of

1344

00:49:40,390 --> 00:49:39,440

the show is communication

1345

00:49:43,589 --> 00:49:40,400

so

1346

00:49:46,069 --> 00:49:43,599

even if we have no topics and we just

1347

00:49:47,190 --> 00:49:46,079

want to talk about like

1348

00:49:50,390 --> 00:49:47,200

you know

1349

00:49:52,790 --> 00:49:50,400

abortion for two hours we can that's a

1350

00:49:55,190 --> 00:49:52,800

tough one pretty interesting yeah

1351
00:49:57,109 --> 00:49:55,200
yeah i mean just like we could go on for

1352
00:49:59,510 --> 00:49:57,119
like two hours about one of the nuances

1353
00:50:00,790 --> 00:49:59,520
of abortion i feel like with that that

1354
00:50:03,190 --> 00:50:00,800
crew

1355
00:50:05,349 --> 00:50:03,200
like yeah before that's very sure

1356
00:50:06,790 --> 00:50:05,359
yeah and i'm glad to see luke back is he

1357
00:50:09,030 --> 00:50:06,800
going to be staying long-term do you

1358
00:50:11,109 --> 00:50:09,040
think or oh luke can't be somebody asked

1359
00:50:12,470 --> 00:50:11,119
me somebody asked me to ask you is he

1360
00:50:14,630 --> 00:50:12,480
going to stay long term or is he going

1361
00:50:16,390 --> 00:50:14,640
to be kind of in and out that's luke's

1362
00:50:18,390 --> 00:50:16,400
choice i would imagine he would be in

1363
00:50:20,950 --> 00:50:18,400

and out he kind of he likes to travel

1364

00:50:23,750 --> 00:50:20,960

and explore and go and go places and the

1365

00:50:25,910 --> 00:50:23,760

show is not super mobile it's pretty

1366

00:50:28,150 --> 00:50:25,920

mobile though so yeah you guys got that

1367

00:50:30,870 --> 00:50:28,160

rv thing going that was amazing with

1368

00:50:33,430 --> 00:50:30,880

alex jones and what's is alex jones sort

1369

00:50:36,069 --> 00:50:33,440

of nutty in real life or is is is he

1370

00:50:39,270 --> 00:50:36,079

like he is on not at all no he's way

1371

00:50:40,630 --> 00:50:39,280

more toned down in real life yeah

1372

00:50:42,390 --> 00:50:40,640

gotta meet him

1373

00:50:44,630 --> 00:50:42,400

he's great he's just yeah i've been

1374

00:50:47,030 --> 00:50:44,640

watching him forever as well and it's

1375

00:50:47,750 --> 00:50:47,040

terrible to see him get stamped out

1376

00:50:51,910 --> 00:50:47,760

of

1377

00:50:54,230 --> 00:50:51,920

they tried to erase him but he's

1378

00:50:55,430 --> 00:50:54,240

surviving so god bless him right yeah

1379

00:50:57,910 --> 00:50:55,440

that was that gave me a lot of

1380

00:50:59,990 --> 00:50:57,920

motivation to to keep going

1381

00:51:01,829 --> 00:51:00,000

in the early days of mines not early but

1382

00:51:02,870 --> 00:51:01,839

like in the middle of the journey when

1383

00:51:05,910 --> 00:51:02,880

he got

1384

00:51:07,430 --> 00:51:05,920

got smashed it was like dude this is

1385

00:51:09,750 --> 00:51:07,440

this is not a joke man this is like

1386

00:51:11,990 --> 00:51:09,760

where they they get one person and then

1387

00:51:13,430 --> 00:51:12,000

some time goes by and it's like well

1388

00:51:15,750 --> 00:51:13,440

we had to do it it wasn't a big of a

1389

00:51:17,030 --> 00:51:15,760

deal and they were like oh you know well

1390

00:51:18,470 --> 00:51:17,040

it's kind of our thing we got rid of

1391

00:51:19,990 --> 00:51:18,480

alex jones so we're gonna get rid of

1392

00:51:22,150 --> 00:51:20,000

this guy and this guy and this guy and

1393

00:51:24,230 --> 00:51:22,160

it's like ah you know so it's only four

1394

00:51:25,910 --> 00:51:24,240

people it's a slippery slope yeah yeah i

1395

00:51:28,710 --> 00:51:25,920

think do you think that they might be

1396

00:51:30,390 --> 00:51:28,720

coming for crowder and you guys next no

1397

00:51:33,430 --> 00:51:30,400

i um

1398

00:51:35,430 --> 00:51:33,440

no tim's so well he's very careful and

1399

00:51:37,109 --> 00:51:35,440

he's very careful he's very careful yeah

1400

00:51:38,870 --> 00:51:37,119

he's incorrect

1401
00:51:41,109 --> 00:51:38,880
and getting sources and saying well

1402
00:51:43,910 --> 00:51:41,119
that's incorrect yeah like we'll we'll

1403
00:51:46,069 --> 00:51:43,920
get the youtube terms before the show

1404
00:51:48,230 --> 00:51:46,079
and know them and then talk about them

1405
00:51:50,470 --> 00:51:48,240
on the show so that we can tell

1406
00:51:52,069 --> 00:51:50,480
500 000 people that are on youtube like

1407
00:51:54,069 --> 00:51:52,079
these are the youtube terms of service

1408
00:51:55,750 --> 00:51:54,079
just so you know and this is how we're

1409
00:51:56,790 --> 00:51:55,760
going to avoid breaking those terms of

1410
00:51:59,349 --> 00:51:56,800
service

1411
00:52:01,030 --> 00:51:59,359
so the admins are like thank god

1412
00:52:02,710 --> 00:52:01,040
and

1413
00:52:05,030 --> 00:52:02,720

yeah i'm having a hard time with that

1414

00:52:06,150 --> 00:52:05,040

being a one-man army so here's what i do

1415

00:52:08,710 --> 00:52:06,160

i just say

1416

00:52:09,990 --> 00:52:08,720

uh youtube prefers or or has problems

1417

00:52:11,589 --> 00:52:10,000

with some people who talk about the

1418

00:52:14,069 --> 00:52:11,599

current health crisis so i'm not going

1419

00:52:15,750 --> 00:52:14,079

to talk about that youtube has had

1420

00:52:17,589 --> 00:52:15,760

problems with people talking about the

1421

00:52:19,750 --> 00:52:17,599

election so i'm just not going to talk

1422

00:52:21,670 --> 00:52:19,760

about that i just and it sucks to do

1423

00:52:23,589 --> 00:52:21,680

that but then i don't have to worry so

1424

00:52:26,150 --> 00:52:23,599

much like i can talk about aliens all i

1425

00:52:27,670 --> 00:52:26,160

want they don't care you know

1426

00:52:30,150 --> 00:52:27,680

it just make your life

1427

00:52:31,270 --> 00:52:30,160

easier because they change all the time

1428

00:52:33,270 --> 00:52:31,280

right

1429

00:52:36,069 --> 00:52:33,280

the terms change all the time they did

1430

00:52:38,630 --> 00:52:36,079

they just changed uh a few days ago i

1431

00:52:40,069 --> 00:52:38,640

haven't read the complete changes yet

1432

00:52:41,510 --> 00:52:40,079

either that's something that's

1433

00:52:42,710 --> 00:52:41,520

interesting is you'll get an email and

1434

00:52:44,630 --> 00:52:42,720

be like by the way the things that we

1435

00:52:46,549 --> 00:52:44,640

changed are like this this this and this

1436

00:52:48,630 --> 00:52:46,559

and you don't know like you don't see

1437

00:52:50,790 --> 00:52:48,640

the original and yeah what were they

1438

00:52:52,470 --> 00:52:50,800

before and what does the change mean and

1439

00:52:54,150 --> 00:52:52,480

what does that change mean for us and

1440

00:52:56,390 --> 00:52:54,160

it's sort of a producer of a show that's

1441

00:52:57,990 --> 00:52:56,400

difficult to manage all the time right

1442

00:52:59,670 --> 00:52:58,000

yeah

1443

00:53:01,349 --> 00:52:59,680

we used to write terms of service for

1444

00:53:02,390 --> 00:53:01,359

minds and it's like geez when we'd have

1445

00:53:04,870 --> 00:53:02,400

this like

1446

00:53:06,470 --> 00:53:04,880

15 page terms

1447

00:53:09,190 --> 00:53:06,480

document and then we'd go in and we'd

1448

00:53:11,910 --> 00:53:09,200

have to change some stuff and it's like

1449

00:53:13,670 --> 00:53:11,920

who's going to read this like

1450

00:53:14,870 --> 00:53:13,680

you can put you have so much liberty to

1451
00:53:16,870 --> 00:53:14,880
put whatever you want when you're

1452
00:53:19,030 --> 00:53:16,880
writing your your company's terms of

1453
00:53:20,470 --> 00:53:19,040
service as a social network like you can

1454
00:53:22,630 --> 00:53:20,480
be like

1455
00:53:24,230 --> 00:53:22,640
and if you step on this wrong we're

1456
00:53:25,670 --> 00:53:24,240
going to ban you and if you type this

1457
00:53:26,950 --> 00:53:25,680
word we're going to ban you and if you

1458
00:53:29,430 --> 00:53:26,960
say this we're going to ban you and we

1459
00:53:31,990 --> 00:53:29,440
can ban you for no reason at any time

1460
00:53:34,309 --> 00:53:32,000
and and it's totally legal they have all

1461
00:53:35,910 --> 00:53:34,319
the power all the power

1462
00:53:38,630 --> 00:53:35,920
yeah that's what worries me is if this

1463
00:53:41,270 --> 00:53:38,640

has become like the large portion of my

1464

00:53:43,270 --> 00:53:41,280

income what happens oh the letter of the

1465

00:53:45,510 --> 00:53:43,280

alphabet conspiracy you know that 17th

1466

00:53:47,829 --> 00:53:45,520

letter we don't even say the letter here

1467

00:53:49,910 --> 00:53:47,839

we don't even say the letter here oh i

1468

00:53:50,950 --> 00:53:49,920

don't you mean youtube doesn't like it

1469

00:53:52,790 --> 00:53:50,960

at all

1470

00:53:55,109 --> 00:53:52,800

and i had a guest say the letter once

1471

00:53:56,790 --> 00:53:55,119

and got a strike he just talked about

1472

00:53:58,870 --> 00:53:56,800

like he just mentioned it because

1473

00:54:01,190 --> 00:53:58,880

there's youtube algorithms listening for

1474

00:54:02,790 --> 00:54:01,200

stuff an actual strike

1475

00:54:04,549 --> 00:54:02,800

well not an actual strike i think i got

1476

00:54:06,309 --> 00:54:04,559

like a warning or something okay and

1477

00:54:07,910 --> 00:54:06,319

then down ranked the show gets down

1478

00:54:10,230 --> 00:54:07,920

right because you're talking about and

1479

00:54:12,309 --> 00:54:10,240

demonetized because he

1480

00:54:13,829 --> 00:54:12,319

has to mention so now i tell the guests

1481

00:54:14,870 --> 00:54:13,839

we don't talk about the health crisis we

1482

00:54:17,990 --> 00:54:14,880

don't talk about the letter of the

1483

00:54:19,910 --> 00:54:18,000

alphabet or the election because it just

1484

00:54:22,150 --> 00:54:19,920

you know yeah

1485

00:54:23,829 --> 00:54:22,160

i think if you bring a counterpoint to

1486

00:54:25,670 --> 00:54:23,839

it that's something that we've kind of

1487

00:54:27,430 --> 00:54:25,680

figured out and tim has hashed out with

1488

00:54:28,549 --> 00:54:27,440

i think with people at youtube i don't

1489

00:54:30,870 --> 00:54:28,559

know if he's actually talked to people

1490

00:54:32,309 --> 00:54:30,880

about it but if someone says something

1491

00:54:33,990 --> 00:54:32,319

about like the letter of the alphabet or

1492

00:54:36,069 --> 00:54:34,000

the medical crisis

1493

00:54:38,789 --> 00:54:36,079

and and one of us offers like a

1494

00:54:39,750 --> 00:54:38,799

condition counterpoint it's like well

1495

00:54:41,670 --> 00:54:39,760

yeah

1496

00:54:42,630 --> 00:54:41,680

you said that but the evidence shows

1497

00:54:44,789 --> 00:54:42,640

this

1498

00:54:46,630 --> 00:54:44,799

then youtube

1499

00:54:48,069 --> 00:54:46,640

yeah i see him and you guys do that all

1500

00:54:49,829 --> 00:54:48,079

the time if someone makes a statement

1501
00:54:51,589 --> 00:54:49,839
and no one counterpoints it and just

1502
00:54:53,430 --> 00:54:51,599
lets it fly then

1503
00:54:55,349 --> 00:54:53,440
the sensors will be like hey

1504
00:54:57,109 --> 00:54:55,359
this piece of this is misinformation it

1505
00:54:58,630 --> 00:54:57,119
wasn't countered oh that's what it was

1506
00:55:01,109 --> 00:54:58,640
uh they they mentioned the letter of the

1507
00:55:02,710 --> 00:55:01,119
alphabet in some kind of medical thing

1508
00:55:04,870 --> 00:55:02,720
or something and then it was like a

1509
00:55:07,190 --> 00:55:04,880
medical disinformation

1510
00:55:09,109 --> 00:55:07,200
combined conspiracies

1511
00:55:11,109 --> 00:55:09,119
yeah yeah there you go

1512
00:55:12,630 --> 00:55:11,119
well i know you're a very busy man so i

1513
00:55:14,230 --> 00:55:12,640

don't want to keep you

1514

00:55:16,309 --> 00:55:14,240

i want to thank you so much for doing

1515

00:55:18,390 --> 00:55:16,319

this can you tell me what what are you

1516

00:55:20,950 --> 00:55:18,400

you guys planning for the future because

1517

00:55:23,190 --> 00:55:20,960

tim kind of like he he talks about

1518

00:55:25,589 --> 00:55:23,200

you're hiring journalists and you guys

1519

00:55:27,349 --> 00:55:25,599

are building your own platform but where

1520

00:55:30,710 --> 00:55:27,359

do you see your show

1521

00:55:32,549 --> 00:55:30,720

and you in in a few years from now um

1522

00:55:34,549 --> 00:55:32,559

tim cass is doing great tim katz is

1523

00:55:36,470 --> 00:55:34,559

focusing on the journalists right now

1524

00:55:38,069 --> 00:55:36,480

and then we've built two other companies

1525

00:55:39,829 --> 00:55:38,079

there's the truth and media foundation

1526

00:55:41,190 --> 00:55:39,839

that's actually one of tim's charities

1527

00:55:42,710 --> 00:55:41,200

i'm not involved in that and that is

1528

00:55:44,470 --> 00:55:42,720

going to be fact checking the fact

1529

00:55:46,710 --> 00:55:44,480

checkers and fact checks

1530

00:55:50,470 --> 00:55:46,720

so funny that's so funny that he's doing

1531

00:55:53,910 --> 00:55:52,230

and then our other charity which i'm

1532

00:55:55,670 --> 00:55:53,920

involved tim and i are both managers of

1533

00:55:58,150 --> 00:55:55,680

called open network foundation which is

1534

00:55:59,990 --> 00:55:58,160

building the free software and basically

1535

00:56:01,430 --> 00:56:00,000

like a technology package that you'll be

1536

00:56:03,030 --> 00:56:01,440

able to download

1537

00:56:05,190 --> 00:56:03,040

install and run and then you'll have

1538

00:56:07,589 --> 00:56:05,200

like a dashboard where you can upload

1539

00:56:09,190 --> 00:56:07,599

videos to a server of your choice and

1540

00:56:11,270 --> 00:56:09,200

then people can

1541

00:56:13,270 --> 00:56:11,280

uh also get the package and then search

1542

00:56:15,270 --> 00:56:13,280

and find you and and subscribe to your

1543

00:56:17,270 --> 00:56:15,280

content and get access to your

1544

00:56:19,030 --> 00:56:17,280

you know your paid per view stuff and

1545

00:56:20,309 --> 00:56:19,040

then they'll it'll network so a bunch of

1546

00:56:21,829 --> 00:56:20,319

people use the

1547

00:56:23,109 --> 00:56:21,839

con the program would be like

1548

00:56:28,309 --> 00:56:23,119

peer-to-peer

1549

00:56:30,630 --> 00:56:28,319

like a mesh network hosting thing

1550

00:56:31,910 --> 00:56:30,640

hosting is a big part of like that's a

1551
00:56:33,829 --> 00:56:31,920
big part of my thought process these

1552
00:56:36,789 --> 00:56:33,839
days is how are we going to host

1553
00:56:38,390 --> 00:56:36,799
i want to do a decentralized system but

1554
00:56:39,990 --> 00:56:38,400
i mean that means up here you could host

1555
00:56:42,069 --> 00:56:40,000
millions of videos if you had

1556
00:56:44,789 --> 00:56:42,079
peer-to-peer and nobody could ever take

1557
00:56:47,270 --> 00:56:44,799
it down really right library i think has

1558
00:56:49,190 --> 00:56:47,280
an interesting decentralized protocol so

1559
00:56:51,109 --> 00:56:49,200
that's something that that's basically

1560
00:56:52,309 --> 00:56:51,119
enveloping my life right now that and

1561
00:56:54,230 --> 00:56:52,319
the show

1562
00:56:55,510 --> 00:56:54,240
and and maybe another show we'll do

1563
00:56:58,150 --> 00:56:55,520

another show

1564

00:57:00,470 --> 00:56:58,160

um i don't want to overextend myself but

1565

00:57:03,030 --> 00:57:00,480

i think that's that's the goal for 2022

1566

00:57:05,109 --> 00:57:03,040

is open network foundation

1567

00:57:07,109 --> 00:57:05,119

yeah and i'll i'll get some information

1568

00:57:08,630 --> 00:57:07,119

from you and i i'd be happy to do a

1569

00:57:10,630 --> 00:57:08,640

whole show on that because i'm a big

1570

00:57:12,710 --> 00:57:10,640

believer in open source and and

1571

00:57:14,309 --> 00:57:12,720

especially we've got to decentralize

1572

00:57:16,950 --> 00:57:14,319

everything so that these companies have

1573

00:57:18,789 --> 00:57:16,960

less power over us content creators

1574

00:57:21,430 --> 00:57:18,799

so imagine if we all get together and

1575

00:57:22,390 --> 00:57:21,440

work to make that happen

1576

00:57:25,670 --> 00:57:22,400

yeah

1577

00:57:27,430 --> 00:57:25,680

better world for all of us right

1578

00:57:30,789 --> 00:57:27,440

yeah it gives people opportunity to

1579

00:57:34,870 --> 00:57:33,109

yeah and the system that we use to

1580

00:57:36,789 --> 00:57:34,880

communicate

1581

00:57:38,390 --> 00:57:36,799

yeah because it takes the power away

1582

00:57:41,270 --> 00:57:38,400

from the corporations they won't be able

1583

00:57:42,870 --> 00:57:41,280

to hold their platform over anybody if

1584

00:57:44,630 --> 00:57:42,880

everything is decentralized and people

1585

00:57:46,789 --> 00:57:44,640

can find you anywhere through this

1586

00:57:47,510 --> 00:57:46,799

through an app or through peer-to-peer

1587

00:57:52,789 --> 00:57:47,520

or

1588

00:57:55,349 --> 00:57:52,799

and maybe uh

1589

00:57:56,870 --> 00:57:55,359

and and also the financial end of it too

1590

00:57:59,589 --> 00:57:56,880

because i you've already done all this

1591

00:58:00,549 --> 00:57:59,599

stuff with minds with crypto awards you

1592

00:58:02,950 --> 00:58:00,559

know

1593

00:58:04,549 --> 00:58:02,960

if we if we can get rid of the the

1594

00:58:05,990 --> 00:58:04,559

financial control that some of these

1595

00:58:08,870 --> 00:58:06,000

platforms have

1596

00:58:11,030 --> 00:58:08,880

oh obsession with fiat yeah you gotta

1597

00:58:13,190 --> 00:58:11,040

i mean crypto dude we didn't barely even

1598

00:58:15,589 --> 00:58:13,200

talked about the fiat

1599

00:58:17,430 --> 00:58:15,599

conspiracy court the corporation the

1600

00:58:19,030 --> 00:58:17,440

federal reserve and the

1601
00:58:20,549 --> 00:58:19,040
like congress is supposed to control our

1602
00:58:22,950 --> 00:58:20,559
monetary supply they gave it away to the

1603
00:58:24,630 --> 00:58:22,960
federal reserve that's totally just a

1604
00:58:26,630 --> 00:58:24,640
bunch of just a bunch of rich guys got

1605
00:58:28,630 --> 00:58:26,640
together and figured it out though and

1606
00:58:31,030 --> 00:58:28,640
it made a private corporation that runs

1607
00:58:32,309 --> 00:58:31,040
that prints our money and lends it back

1608
00:58:34,069 --> 00:58:32,319
to the government

1609
00:58:36,150 --> 00:58:34,079
there's nothing wrong here though right

1610
00:58:38,230 --> 00:58:36,160
congress is basically shirked their

1611
00:58:39,510 --> 00:58:38,240
responsibility and so we have to do it

1612
00:58:40,390 --> 00:58:39,520
for them

1613
00:58:41,990 --> 00:58:40,400

and

1614

00:58:43,750 --> 00:58:42,000

i take control of the monetary supply

1615

00:58:45,270 --> 00:58:43,760

again there's no reason a rampant

1616

00:58:46,870 --> 00:58:45,280

corporation should be in control of our

1617

00:58:48,870 --> 00:58:46,880

monetary supply

1618

00:58:51,030 --> 00:58:48,880

no i see what you guys were showing some

1619

00:58:52,789 --> 00:58:51,040

chart of like the money supply and how

1620

00:58:53,589 --> 00:58:52,799

they're printing money like crazy that

1621

00:58:56,710 --> 00:58:53,599

is

1622

00:58:58,150 --> 00:58:56,720

scary the m1 money supply yeah they're

1623

00:59:00,069 --> 00:58:58,160

just printing trillions of dollars

1624

00:59:01,829 --> 00:59:00,079

billions of dollars trillions of dollars

1625

00:59:03,910 --> 00:59:01,839

and they wonder why

1626

00:59:06,390 --> 00:59:03,920

the value of the dollar is going to

1627

00:59:09,109 --> 00:59:06,400

weigh way down right yeah that's an

1628

00:59:11,190 --> 00:59:09,119

interesting uh graph the m1 money supply

1629

00:59:13,589 --> 00:59:11,200

graph because you see it when they

1630

00:59:16,390 --> 00:59:13,599

declared all of savings are now part of

1631

00:59:19,270 --> 00:59:16,400

the m1 money supply

1632

00:59:21,589 --> 00:59:19,280

and you see a lot a huge spike from like

1633

00:59:23,510 --> 00:59:21,599

12 billion or 12 trillion to like 20

1634

00:59:25,750 --> 00:59:23,520

trillion when they were like okay now

1635

00:59:28,230 --> 00:59:25,760

all this savings account is now part of

1636

00:59:31,270 --> 00:59:28,240

m1 money supply but then it's like they

1637

00:59:33,910 --> 00:59:31,280

did that here's the chart that's it

1638

00:59:35,510 --> 00:59:33,920

that first explosive vertical leap there

1639

00:59:36,230 --> 00:59:35,520

near the near the side where it like

1640

00:59:37,910 --> 00:59:36,240

just

1641

00:59:39,190 --> 00:59:37,920

jolts like three or four bars or it

1642

00:59:41,349 --> 00:59:39,200

starts to curve

1643

00:59:42,870 --> 00:59:41,359

um so they they introduce the savings

1644

00:59:45,589 --> 00:59:42,880

accounts into the m1 money supply and

1645

00:59:47,270 --> 00:59:45,599

jolts it but then that kind of masks

1646

00:59:48,789 --> 00:59:47,280

susan it kind of goes back to a 45

1647

00:59:49,589 --> 00:59:48,799

degree angle in the upper right there

1648

00:59:51,270 --> 00:59:49,599

but

1649

00:59:53,190 --> 00:59:51,280

that's compared to what it was before

1650

00:59:55,430 --> 00:59:53,200

that jolt which is like a 10 degree

1651
00:59:57,910 --> 00:59:55,440
angle

1652
01:00:00,870 --> 00:59:57,920
they're trying to mask that by

1653
01:00:03,030 --> 01:00:00,880
introducing the savings i think

1654
01:00:05,030 --> 01:00:03,040
so if you remove that jolt

1655
01:00:07,030 --> 01:00:05,040
there i i can't really mouse over but if

1656
01:00:08,710 --> 01:00:07,040
you remove that vertical jolt

1657
01:00:10,309 --> 01:00:08,720
you're just gonna see like from a 10

1658
01:00:13,270 --> 01:00:10,319
degree yeah it goes from like 10 degrees

1659
01:00:15,109 --> 01:00:13,280
to like 60 degree angle that's so crazy

1660
01:00:17,430 --> 01:00:15,119
so yeah they just decided that

1661
01:00:19,430 --> 01:00:17,440
everybody's savings account is now

1662
01:00:20,470 --> 01:00:19,440
in in the money supply

1663
01:00:24,549 --> 01:00:20,480

yeah

1664

01:00:25,430 --> 01:00:24,559

left and right for and you know what

1665

01:00:27,109 --> 01:00:25,440

always

1666

01:00:28,710 --> 01:00:27,119

fascinated me is that we used to be on a

1667

01:00:30,470 --> 01:00:28,720

gold standard and it's amazing to me

1668

01:00:33,430 --> 01:00:30,480

that used to be able to go into a bank

1669

01:00:35,109 --> 01:00:33,440

with 100 and say give me the gold

1670

01:00:37,109 --> 01:00:35,119

so it was bad our money used to be

1671

01:00:39,990 --> 01:00:37,119

backed by something there used to be a

1672

01:00:41,750 --> 01:00:40,000

back now it's just paper it's just this

1673

01:00:45,750 --> 01:00:41,760

is a dollar because we say it is it

1674

01:00:48,630 --> 01:00:45,760

doesn't make any sense to me right

1675

01:00:51,510 --> 01:00:48,640

it's not yeah it's

1676
01:00:54,230 --> 01:00:51,520
currency's interesting uh concepts the i

1677
01:00:56,069 --> 01:00:54,240
like i think electricity is currency

1678
01:00:57,430 --> 01:00:56,079
i heard you say this and i love this

1679
01:01:01,270 --> 01:00:57,440
idea

1680
01:01:02,950 --> 01:01:01,280
generates their own electricity

1681
01:01:05,430 --> 01:01:02,960
right what is it you carry around little

1682
01:01:07,750 --> 01:01:05,440
battery packs or credit oh energy

1683
01:01:09,829 --> 01:01:07,760
credits i've heard you say this kaiso

1684
01:01:11,910 --> 01:01:09,839
electric system the closing system

1685
01:01:14,230 --> 01:01:11,920
graphene clothing that's charging and

1686
01:01:15,750 --> 01:01:14,240
storing your electricity

1687
01:01:17,190 --> 01:01:15,760
yeah and if you go to the store i've

1688
01:01:18,150 --> 01:01:17,200

heard you talk about this this is a

1689

01:01:22,230 --> 01:01:18,160

great

1690

01:01:24,789 --> 01:01:22,240

your own power instead of using money

1691

01:01:26,390 --> 01:01:24,799

you go to the supermarket and you pay

1692

01:01:29,030 --> 01:01:26,400

them with some of the power that you've

1693

01:01:31,349 --> 01:01:29,040

generated at your home that makes a lot

1694

01:01:33,430 --> 01:01:31,359

of sense currency the word currency like

1695

01:01:36,150 --> 01:01:33,440

electrical current the electrical

1696

01:01:37,430 --> 01:01:36,160

currency is a real form of currency

1697

01:01:39,270 --> 01:01:37,440

so i i don't know if that's a

1698

01:01:41,109 --> 01:01:39,280

coincidence or what

1699

01:01:43,750 --> 01:01:41,119

but it looks like we're moving towards

1700

01:01:45,829 --> 01:01:43,760

that as currency and it's worth

1701

01:01:48,710 --> 01:01:45,839

something it's energy oh yeah you can

1702

01:01:50,309 --> 01:01:48,720

make water we can condense water with it

1703

01:01:53,430 --> 01:01:50,319

you can do a lot of stuff technically

1704

01:01:56,309 --> 01:01:53,440

you can atomically print oil and food if

1705

01:01:57,910 --> 01:01:56,319

you have the right machines

1706

01:01:59,829 --> 01:01:57,920

yeah that's a whole nother but that's a

1707

01:02:01,430 --> 01:01:59,839

whole other thing i know i wish we had

1708

01:02:03,670 --> 01:02:01,440

time to get into graphene because i'm

1709

01:02:05,829 --> 01:02:03,680

interested in that as well you're a big

1710

01:02:07,670 --> 01:02:05,839

you're like always mentioning graphene

1711

01:02:10,390 --> 01:02:07,680

right you think that there's a big

1712

01:02:12,069 --> 01:02:10,400

future in graphene isn't there yeah peak

1713

01:02:16,069 --> 01:02:12,079

graphing i think it's

1714

01:02:18,309 --> 01:02:16,079

uh projected about 2029 2028 2029 we're

1715

01:02:19,910 --> 01:02:18,319

gonna see like mass adoption of graphene

1716

01:02:22,230 --> 01:02:19,920

across the world at least that's where

1717

01:02:24,549 --> 01:02:22,240

the numbers are pointing for it to be as

1718

01:02:25,510 --> 01:02:24,559

of the last measurement i did like 2019

1719

01:02:27,109 --> 01:02:25,520

that's what it looked like we were

1720

01:02:28,309 --> 01:02:27,119

headed towards

1721

01:02:29,190 --> 01:02:28,319

dude

1722

01:02:31,109 --> 01:02:29,200

and

1723

01:02:33,029 --> 01:02:31,119

yeah graphing

1724

01:02:35,589 --> 01:02:33,039

graphing is going to change a lot about

1725

01:02:37,510 --> 01:02:35,599

a lot of things yeah i think it has it

1726

01:02:39,190 --> 01:02:37,520

has the it has the

1727

01:02:41,109 --> 01:02:39,200

potential to change a lot of things in

1728

01:02:43,589 --> 01:02:41,119

the world it's gonna be hard to monetize

1729

01:02:45,910 --> 01:02:43,599

that it's gonna be

1730

01:02:48,390 --> 01:02:45,920

yeah anybody will be able to do it

1731

01:02:51,270 --> 01:02:48,400

pure attitude power to the people just

1732

01:02:53,349 --> 01:02:51,280

carbon and and some some machinery to

1733

01:02:55,190 --> 01:02:53,359

manipulate carbon right yeah

1734

01:02:56,789 --> 01:02:55,200

turbostratic graphene is interesting

1735

01:02:58,870 --> 01:02:56,799

like they take flash graphene and they

1736

01:03:00,390 --> 01:02:58,880

take trash any kind of carbon trash and

1737

01:03:01,990 --> 01:03:00,400

then you hit it you like pulse it with

1738

01:03:04,470 --> 01:03:02,000

lasers and turn it into these like

1739

01:03:06,630 --> 01:03:04,480

turbostratic cards of graphene that like

1740

01:03:08,630 --> 01:03:06,640

fall on top of each other

1741

01:03:09,589 --> 01:03:08,640

and uh then if you can get them to i

1742

01:03:11,750 --> 01:03:09,599

don't know if you studied much about

1743

01:03:13,670 --> 01:03:11,760

twistrionic graphene where you put like

1744

01:03:15,430 --> 01:03:13,680

two no but i have seen some video of

1745

01:03:17,270 --> 01:03:15,440

them building things with graphene and

1746

01:03:17,990 --> 01:03:17,280

it's amazing to watch it's almost like

1747

01:03:20,789 --> 01:03:18,000

they're

1748

01:03:23,270 --> 01:03:20,799

able to build structures out of it

1749

01:03:25,990 --> 01:03:23,280

at a molecular or atomic level like

1750

01:03:28,069 --> 01:03:26,000

piece by piece little by little you know

1751

01:03:29,190 --> 01:03:28,079

sort of like 3d printing but with carbon

1752

01:03:31,670 --> 01:03:29,200

right

1753

01:03:33,750 --> 01:03:31,680

yeah you can do that when they when they

1754

01:03:36,789 --> 01:03:33,760

lay two layers of graphene on top of

1755

01:03:39,270 --> 01:03:36,799

each other and then twist the layers 1.1

1756

01:03:40,470 --> 01:03:39,280

degrees you get super conductivity and

1757

01:03:42,549 --> 01:03:40,480

now they're experimenting with like

1758

01:03:44,390 --> 01:03:42,559

twisting one layer 1.1 degrees and then

1759

01:03:47,029 --> 01:03:44,400

putting a third layer on top of that and

1760

01:03:49,029 --> 01:03:47,039

twisting that another 1.1 and getting

1761

01:03:50,390 --> 01:03:49,039

these wild

1762

01:03:52,069 --> 01:03:50,400

i'd have to pull up the article to

1763

01:03:53,829 --> 01:03:52,079

explain

1764

01:03:57,270 --> 01:03:53,839

it was more than just a superconductor i

1765

01:04:00,870 --> 01:03:59,349

gosh i i don't have that yeah oh it's

1766

01:04:02,630 --> 01:04:00,880

fascinating

1767

01:04:04,789 --> 01:04:02,640

right now yeah it's okay this is

1768

01:04:05,910 --> 01:04:04,799

fascinating stuff it's like cutting edge

1769

01:04:08,470 --> 01:04:05,920

science

1770

01:04:10,549 --> 01:04:08,480

emerging new technologies

1771

01:04:13,829 --> 01:04:10,559

uh that i hope will soon be available

1772

01:04:15,829 --> 01:04:13,839

for all of us so uh we we're a little

1773

01:04:17,109 --> 01:04:15,839

bit over time i apologize for that i

1774

01:04:18,630 --> 01:04:17,119

want to thank you so much for your time

1775

01:04:21,270 --> 01:04:18,640

and maybe sometime you'll come back and

1776

01:04:22,950 --> 01:04:21,280

we will talk about the the creature from

1777

01:04:24,789 --> 01:04:22,960

jekyll island we were going to do that

1778

01:04:26,870 --> 01:04:24,799

but i thought this mainstream media lies

1779

01:04:28,789 --> 01:04:26,880

was a better topic since you guys have

1780

01:04:30,789 --> 01:04:28,799

been covering so much of it

1781

01:04:32,789 --> 01:04:30,799

yeah sounds great man

1782

01:04:35,910 --> 01:04:32,799

okay well i want to thank you very much

1783

01:04:37,670 --> 01:04:35,920

i put uh where you can contact ian it's

1784

01:04:40,710 --> 01:04:37,680

ian crossland.net down in the

1785

01:04:42,789 --> 01:04:40,720

description of this video uh really guys

1786

01:04:45,109 --> 01:04:42,799

give him some support support his

1787

01:04:46,789 --> 01:04:45,119

efforts because i think that he has some

1788

01:04:48,630 --> 01:04:46,799

amazing projects coming up and these

1789

01:04:51,029 --> 01:04:48,640

charities of his could really change

1790

01:04:53,349 --> 01:04:51,039

technology for all of us for the better

1791

01:04:55,910 --> 01:04:53,359

thanks ian thanks steven

1792

01:04:56,950 --> 01:04:55,920

all right boy what an amazing interview

1793

01:04:59,589 --> 01:04:56,960

that was

1794

01:05:01,670 --> 01:04:59,599

i uh have been a longtime supporter of

1795

01:05:03,510 --> 01:05:01,680

these guys and uh

1796

01:05:04,309 --> 01:05:03,520

i can't tell you how happy i am to get

1797

01:05:11,349 --> 01:05:04,319

to

1798

01:05:12,789 --> 01:05:11,359

stuff i am like open source software and

1799

01:05:15,349 --> 01:05:12,799

uh

1800

01:05:17,990 --> 01:05:15,359

emerging technologies

1801
01:05:19,829 --> 01:05:18,000
and a big supporter of free speech and

1802
01:05:22,390 --> 01:05:19,839
independent media

1803
01:05:24,710 --> 01:05:22,400
it's amazing to me that these guys by

1804
01:05:28,390 --> 01:05:24,720
themselves just built the show

1805
01:05:30,870 --> 01:05:28,400
uh that is right now beating cnn

1806
01:05:33,430 --> 01:05:30,880
in ratings imagine that

1807
01:05:34,829 --> 01:05:33,440
beating a mega corporation at its own

1808
01:05:37,670 --> 01:05:34,839
gain

1809
01:05:39,349 --> 01:05:37,680
right uh so we'll take some comments and

1810
01:05:40,789 --> 01:05:39,359
questions welcome to the show says great

1811
01:05:43,029 --> 01:05:40,799
discussion

1812
01:05:45,270 --> 01:05:43,039
uh kathy knight says great guests and

1813
01:05:48,549 --> 01:05:45,280

we'll read uh we're gonna read the super

1814

01:05:51,029 --> 01:05:48,559

chats i'm sorry um if i missed a few

1815

01:05:53,349 --> 01:05:51,039

during the interview i didn't want to

1816

01:05:55,670 --> 01:05:53,359

interrupt us to to stop every few

1817

01:05:57,990 --> 01:05:55,680

minutes to read them or

1818

01:05:59,349 --> 01:05:58,000

but we read every single super chat here

1819

01:06:01,910 --> 01:05:59,359

so if you want to support the show

1820

01:06:06,870 --> 01:06:01,920

there's a money button down there

1821

01:06:10,870 --> 01:06:08,710

and you can send any amount you wish or

1822

and uh throwing a few bucks in my hat

1874

01:08:11,510 --> 01:08:05,760

and

1875

01:08:14,390 --> 01:08:13,109

where'd you guys bring the guys crazy

1876

01:08:16,709 --> 01:08:14,400

1877

01:08:19,749 --> 01:08:16,719

thank you for your kindness thank you

1878

01:08:21,590 --> 01:08:19,759

for your generosity crazy cash crazy

1879

01:08:27,990 --> 01:08:21,600

cash raise the cash

1880

01:08:31,430 --> 01:08:29,749

what can i say life is sometimes a

1881

01:08:34,149 --> 01:08:31,440

circus and uh you can either be a

1882

01:08:35,510 --> 01:08:34,159

spectator or a ring master

1883

01:08:36,550 --> 01:08:35,520

everybody can

1884

01:08:42,229 --> 01:08:36,560

decide

1885

01:08:44,229 --> 01:08:42,239

uh yeah an unidentified s4 says praise

1886

01:08:45,829 --> 01:08:44,239

the cash yeah thank you for your

1887

01:08:47,110 --> 01:08:45,839

kindness your generosity and your

1888

01:08:49,510 --> 01:08:47,120

support

1889

01:08:51,349 --> 01:08:49,520

uh dot tester says very interesting

1890

01:08:53,669 --> 01:08:51,359

great guest thank you both well it was

1891

01:08:56,709 --> 01:08:53,679

my pleasure i've been watching tim

1892

01:08:58,070 --> 01:08:56,719

tim cass for uh quite some time now

1893

01:09:01,990 --> 01:08:58,080

i probably

1894

01:09:03,990 --> 01:09:02,000

not as long as many um but uh i think

1895

01:09:06,309 --> 01:09:04,000

they're doing a great job and i'm just

1896

01:09:09,269 --> 01:09:06,319

i'm just impressed from the perspective

1897

01:09:10,149 --> 01:09:09,279

of of uh independent content creators

1898

01:09:13,749 --> 01:09:10,159

know

1899

01:09:15,990 --> 01:09:13,759

me though these guys started from

1900

01:09:18,630 --> 01:09:16,000

nowhere you know i i think temple grew

1901
01:09:21,749 --> 01:09:18,640
up you know working class poor like me

1902
01:09:24,550 --> 01:09:21,759
um but he built this media empire of his

1903
01:09:26,630 --> 01:09:24,560
own and he did it on his own terms and

1904
01:09:29,430 --> 01:09:26,640
he did it without selling out to

1905
01:09:32,149 --> 01:09:29,440
corporate interests or big pharma and to

1906
01:09:33,749 --> 01:09:32,159
me that's impressive right

1907
01:09:36,149 --> 01:09:33,759
so any comments or questions for me

1908
01:09:38,149 --> 01:09:36,159
please put them in all caps or uh we are

1909
01:09:39,430 --> 01:09:38,159
going to be wrapping things up

1910
01:09:41,990 --> 01:09:39,440
shortly here

1911
01:09:44,309 --> 01:09:42,000
uh don't forget tonight we have a

1912
01:09:45,590 --> 01:09:44,319
midnight hour show replay and i believe

1913
01:09:47,349 --> 01:09:45,600

that will be it

1914

01:09:50,070 --> 01:09:47,359

um i'm not sure i have to check in with

1915

01:09:51,990 --> 01:09:50,080

kari either 8 or 9 p.m eastern standard

1916

01:09:53,269 --> 01:09:52,000

time tonight we'll have a replay i'll be

1917

01:09:56,390 --> 01:09:53,279

in the live chat

1918

01:09:57,990 --> 01:09:56,400

answering questions um

1919

01:09:58,950 --> 01:09:58,000

and um

1920

01:10:01,590 --> 01:09:58,960

and

1921

01:10:04,070 --> 01:10:01,600

yeah i'm going to be there to

1922

01:10:06,630 --> 01:10:04,080

answer any questions about the replay it

1923

01:10:08,790 --> 01:10:06,640

is a replay originally recorded in 2018

1924

01:10:11,430 --> 01:10:08,800

but

1925

01:10:12,870 --> 01:10:11,440

okay paul carter says you want to worry

1926

01:10:14,830 --> 01:10:12,880

about something and worry about

1927

01:10:17,189 --> 01:10:14,840

conscription and

1928

01:10:19,590 --> 01:10:17,199

cog yeah

1929

01:10:21,350 --> 01:10:19,600

yeah most major cities have free wood

1930

01:10:23,750 --> 01:10:21,360

pickups after they trim around city

1931

01:10:25,350 --> 01:10:23,760

sidewalks etc not mine

1932

01:10:27,910 --> 01:10:25,360

um i don't know what they do with that

1933

01:10:30,950 --> 01:10:27,920

stuff archaic revival but i do have

1934

01:10:32,550 --> 01:10:30,960

facebook there are facebook posts and

1935

01:10:35,590 --> 01:10:32,560

craigslist posts

1936

01:10:38,310 --> 01:10:35,600

um in my area people get trees cut down

1937

01:10:40,229 --> 01:10:38,320

on their property or whatever and

1938

01:10:42,390 --> 01:10:40,239

um there's two prices

1939

01:10:46,229 --> 01:10:42,400

that the tree guy will charge the first

1940

01:10:48,390 --> 01:10:46,239

price is i'm gonna cut up the tree

1941

01:10:50,709 --> 01:10:48,400

cut down the tree cut it up and take it

1942

01:10:54,229 --> 01:10:50,719

all with me the second price is i'm just

1943

01:10:55,669 --> 01:10:54,239

gonna cut up the tree and leave it and

1944

01:10:57,350 --> 01:10:55,679

put an ad somewhere and somebody will

1945

01:11:00,790 --> 01:10:57,360

come and take it so that's where i get a

1946

01:11:04,470 --> 01:11:02,470

spooky here says

1947

01:11:06,229 --> 01:11:04,480

continuity of government is no joke and

1948

01:11:09,110 --> 01:11:06,239

smash that

1949

01:11:11,510 --> 01:11:09,120

uh like button walt corbin is here for a

1950

01:11:12,950 --> 01:11:11,520

you never know

2005

01:13:29,430 --> 01:13:27,520

but uh we will definitely be doing a

2006

01:13:31,030 --> 01:13:29,440

patreon only stream we finally worked

2007

01:13:33,750 --> 01:13:31,040

that out and

2008

01:13:36,470 --> 01:13:33,760

um and we know what we're doing now last

2009

01:13:39,030 --> 01:13:36,480

time i made a lot of mistakes uh somehow

2010

01:13:41,270 --> 01:13:39,040

i put the live stream first i took it

2011

01:13:43,189 --> 01:13:41,280

down but i put the live stream on all

2012

01:13:46,149 --> 01:13:43,199

three platforms and then realized wait a

2013

01:13:48,630 --> 01:13:46,159

minute these this is supposed to be for

2014

01:13:50,149 --> 01:13:48,640

the patreon only and they were public

2015

01:13:51,830 --> 01:13:50,159

for the first 10 minutes but we took

2016

01:13:53,910 --> 01:13:51,840

those public ones down on twitch and

2017

01:13:56,229 --> 01:13:53,920

facebook live and now we figured it out

2018

01:13:58,229 --> 01:13:56,239

we only put up on youtube we market

2019

01:14:00,630 --> 01:13:58,239

private or unlisted i think

2020

01:14:02,950 --> 01:14:00,640

and then we share this the stream link

2021

01:14:05,030 --> 01:14:02,960

is going to be on the patreon uh just

2022

01:14:07,189 --> 01:14:05,040

look for my post so sometime this

2023

01:14:09,510 --> 01:14:07,199

weekend we'll be doing a patreon only

2024

01:14:11,430 --> 01:14:09,520

stream to thank those kind and generous

2025

01:14:14,630 --> 01:14:11,440

patreon supporters that give a dollar or

2026

01:14:16,310 --> 01:14:14,640

more a month and i always say this um i

2027

01:14:18,950 --> 01:14:16,320

don't want to exclude anybody that's a

2028

01:14:20,790 --> 01:14:18,960

big fan of the show for lack of a dollar

2029

01:14:22,709 --> 01:14:20,800

uh so if you don't have a dollar or more

2030

01:14:26,310 --> 01:14:22,719

a month to throw us on patreon just

2031

01:14:28,229 --> 01:14:26,320

email me at truthseekershow gmail.com

2032

01:14:30,550 --> 01:14:28,239

the link is in the description below to

2033

01:14:32,229 --> 01:14:30,560

email me just let me know hey i'm a big

2034

01:14:34,229 --> 01:14:32,239

fan of the show having a hard time can i

2035

01:14:36,550 --> 01:14:34,239

have the patreon links and i'll put you

2036

01:14:37,910 --> 01:14:36,560

on the list and we send those out every

2037

01:14:39,750 --> 01:14:37,920

month to people who are in reduced

2038

01:14:41,510 --> 01:14:39,760

circumstances and many of them when

2039

01:14:43,750 --> 01:14:41,520

their situation improves then they join

2040

01:14:45,830 --> 01:14:43,760

the patreon i'm good with that we don't

2041

01:14:47,910 --> 01:14:45,840

want to exclude you or anyone else for

2042

01:14:49,910 --> 01:14:47,920

lack of a couple of bucks i hate putting

2043

01:14:53,750 --> 01:14:49,920

things behind a paintball but you know

2044

01:14:55,830 --> 01:14:53,760

that in in this genre of uh business

2045

01:14:58,790 --> 01:14:55,840

that is unavoidable but we do our best

2046

01:15:00,950 --> 01:14:58,800

to try to accommodate everybody

2047

01:15:02,950 --> 01:15:00,960

uh look for me the guy with the

2131

01:18:03,510 --> 01:18:01,750

well friends

2132

01:18:05,669 --> 01:18:03,520

i've got a

2133

01:18:07,430 --> 01:18:05,679

amazing day so far

2134

01:18:09,990 --> 01:18:07,440

i really

2135

01:18:12,310 --> 01:18:10,000

i can't say enough how

2136

01:18:13,830 --> 01:18:12,320

pleased i am to get to to talk to

2137

01:18:16,470 --> 01:18:13,840

somebody like ian

2138

01:18:22,310 --> 01:18:18,470

have him here on my show

2139

01:18:24,950 --> 01:18:22,320

this may signal a change of sorts for us

2140

01:18:27,750 --> 01:18:24,960

that we don't have to stay

2141

01:18:29,750 --> 01:18:27,760

in i don't want to call it the ghetto of

2142

01:18:31,110 --> 01:18:29,760

conspiracy land but you know

2143

01:18:32,870 --> 01:18:31,120

um

2144

01:18:34,470 --> 01:18:32,880

my point is that we don't have to stay

2145

01:18:35,669 --> 01:18:34,480

in one lane here

2146

01:18:37,510 --> 01:18:35,679

you know

2147

01:18:39,189 --> 01:18:37,520

if there is good and interesting people

2148

01:18:40,390 --> 01:18:39,199

i want to talk to them

2149

01:18:44,310 --> 01:18:40,400

so

2150

01:18:46,950 --> 01:18:44,320

here that may be out of our usual

2151

01:18:48,790 --> 01:18:46,960

wheelhouse and i hope that's okay

2152

01:18:50,790 --> 01:18:48,800

because i truly believe that this will

2153

01:18:53,430 --> 01:18:50,800

help our show grow and expand to a

2154

01:18:54,950 --> 01:18:53,440

greater audience

2155

01:18:56,870 --> 01:18:54,960

and also

2156

01:18:59,669 --> 01:18:56,880

i don't want to

2157

01:19:00,870 --> 01:18:59,679

pigeonhole us to one topic one

2158

01:19:02,790 --> 01:19:00,880

thing

2159

01:19:05,110 --> 01:19:02,800

we're trying to broaden our horizons

2160

01:19:07,030 --> 01:19:05,120

here and i hope that you will indulge us

2161

01:19:08,790 --> 01:19:07,040

in doing so

2162

01:19:10,870 --> 01:19:08,800

alien busts that he made with his 3d

2261

01:23:19,510 --> 01:23:16,320

printer which is coincidentally the same

2262

01:23:21,750 --> 01:23:19,520

3d printer that he sent me i believe he

2263

01:23:24,229 --> 01:23:21,760

sent me a 3d printer very generous of

2264

01:23:27,590 --> 01:23:24,239

ron from cosmic neighbors and a robot

2265

01:23:31,189 --> 01:23:27,600

your kindness your generosity and your

2270

01:23:41,590 --> 01:23:40,080

support um except i'm a little pissed at

2271

01:23:43,510 --> 01:23:41,600

you because my kid keeps asking me to

2272

01:23:45,030 --> 01:23:43,520

build that robot

2273

01:23:46,950 --> 01:23:45,040

and i looked in the box and i went this

2274

01:23:48,870 --> 01:23:46,960

is gonna be a little complicated it's

2275

01:23:51,270 --> 01:23:48,880

going to take some time right but we'll

2276

01:23:53,430 --> 01:23:51,280

we'll get to it right

2277

songs

2367

01:27:35,110 --> 01:27:33,440

and i'm gonna get some shirts

2368

01:27:36,950 --> 01:27:35,120

let's go brandon

2369

01:27:39,750 --> 01:27:36,960

yeah absolutely

2370

01:27:41,350 --> 01:27:39,760

so what can i say folks uh

2371

01:27:43,830 --> 01:27:41,360

i had a great time doing this some of

2372

01:27:46,550 --> 01:27:43,840

these interviews i just i can't wait you

2373

01:27:47,590 --> 01:27:46,560

know i go this is gonna be fun you know

2374

01:27:49,110 --> 01:27:47,600

and uh

2375

01:27:50,390 --> 01:27:49,120

you know i think that translates well

2376

01:27:51,510 --> 01:27:50,400

like people know when you're having a

2377

01:27:54,229 --> 01:27:51,520

good time and you're having a good

2378

01:27:57,189 --> 01:27:54,239

conversation and it's not so

2379

01:27:58,390 --> 01:27:57,199

scripted or effort you know

2380

01:28:00,709 --> 01:27:58,400

like like

2381

01:28:03,030 --> 01:28:00,719

like uh like ian said during this it's

2382

01:28:05,350 --> 01:28:03,040

genuine it's real it's unscripted people

2383

01:28:07,110 --> 01:28:05,360

respond well to that

2384

01:28:09,669 --> 01:28:07,120

and uh

2385

01:28:12,709 --> 01:28:09,679

yeah i can't say uh that i disagree with

2386

01:28:14,629 --> 01:28:12,719

him i think unscripted is best uh

2387

01:28:16,550 --> 01:28:14,639

i think we do our best shows here when

2388

01:28:17,910 --> 01:28:16,560

you know i have some general ideas of

2389

01:28:19,270 --> 01:28:17,920

what the show's gonna go like but we

2390

01:28:22,470 --> 01:28:19,280

don't try to

2391

01:28:25,110 --> 01:28:22,480

you know massage it to death with pre

2392

01:28:27,350 --> 01:28:25,120

planning every little thing i like the

2393

01:28:28,870 --> 01:28:27,360

interviews where i just i write a list

2394

01:28:30,470 --> 01:28:28,880

of questions and some of them i get to

2395

01:28:33,110 --> 01:28:30,480

and some of them i don't i sort of jump

2396

01:28:35,189 --> 01:28:33,120

around and that's what we did today

2397

01:28:37,270 --> 01:28:35,199

worked out well i want to thank kari for

2398

01:28:39,430 --> 01:28:37,280

the thumbnail and for supporting doing

2399

01:28:41,270 --> 01:28:39,440

this today and

2400

01:28:43,910 --> 01:28:41,280

spooky's doing an amazing job there's

2401
01:28:45,110 --> 01:28:43,920
new stories coming up on billy carson

2402
01:28:47,750 --> 01:28:45,120
and on

2403
01:28:49,910 --> 01:28:47,760
uh corey good corey good bombshell is

2404
01:28:52,070 --> 01:28:49,920
coming friends it is coming

2405
01:28:54,470 --> 01:28:52,080
soon as early as next week i think we're

2406
01:28:56,470 --> 01:28:54,480
going to be running that so

2407
01:28:58,870 --> 01:28:56,480
what can i say that's my alarm telling

2408
01:29:01,030 --> 01:28:58,880
me it's time to pick up my child from uh

2409
01:29:02,950 --> 01:29:01,040
from the bus so i really do gotta bounce

2410
01:29:03,990 --> 01:29:02,960
out here right now we'll be back later

2411
01:29:06,149 --> 01:29:04,000
tonight

2412
01:29:07,750 --> 01:29:06,159
uh i believe at eight or nine pm i'll

2413
01:29:10,310 --> 01:29:07,760

have to check that but i will tweet it

2414
