

# GARY ARNOLD

**GHOSTS, SPIRITS AND EVP'S**

*Truth Seekers*

1  
00:02:10,229 --> 00:00:49,860

[Music]

2  
00:02:15,830 --> 00:02:13,830  
greetings and salutations uh old friends

3  
00:02:17,589 --> 00:02:15,840  
and hopefully some new friends tonight

4  
00:02:19,990 --> 00:02:17,599  
we're gonna be covering something that

5  
00:02:22,550 --> 00:02:20,000  
uh we covered once before with my friend

6  
00:02:25,830 --> 00:02:22,560  
dan hogan who is into

7  
00:02:28,309 --> 00:02:25,840  
ghosts and spirits and evps that was our

8  
00:02:31,190 --> 00:02:28,319  
first investigation into the phenomenon

9  
00:02:33,589 --> 00:02:31,200  
of evps now for those unaware

10  
00:02:35,110 --> 00:02:33,599  
evp stands for electronic voice

11  
00:02:37,430 --> 00:02:35,120  
phenomenon

12  
00:02:39,270 --> 00:02:37,440  
which is very interesting to me and i

13  
00:02:41,030 --> 00:02:39,280

sort of follow this kind of stuff on

14

00:02:45,110 --> 00:02:41,040  
different social media and people

15

00:02:46,949 --> 00:02:45,120  
posting videos and audio of these evp

16

00:02:48,150 --> 00:02:46,959  
uh recordings

17

00:02:50,470 --> 00:02:48,160  
essentially there's all different

18

00:02:52,150 --> 00:02:50,480  
methods for doing it some people

19

00:02:55,350 --> 00:02:52,160  
record from

20

00:02:58,710 --> 00:02:55,360  
uh just a regular recorder they will ask

21

00:03:02,149 --> 00:02:58,720  
questions to the ghosts or spirits or

22

00:03:04,790 --> 00:03:02,159  
demons i guess you know the entities in

23

00:03:07,830 --> 00:03:04,800  
a certain area they will ask questions

24

00:03:09,990 --> 00:03:07,840  
try to interact with while recording

25

00:03:12,229 --> 00:03:10,000  
and in many cases of people that i have

26

00:03:14,149 --> 00:03:12,239

talked to they don't hear anything

27

00:03:16,790 --> 00:03:14,159

but they have the recorder running and

28

00:03:18,470 --> 00:03:16,800

then after the session they will go and

29

00:03:21,430 --> 00:03:18,480

go through the recording

30

00:03:24,550 --> 00:03:21,440

and see if there if anything

31

00:03:26,149 --> 00:03:24,560

pops up audio wise or voice wise

32

00:03:28,630 --> 00:03:26,159

very interesting to me that i know a

33

00:03:31,110 --> 00:03:28,640

friend of mine uh in europe

34

00:03:33,589 --> 00:03:31,120

who happens to be german and

35

00:03:35,990 --> 00:03:33,599

he does it and the ghosts in the area

36

00:03:39,030 --> 00:03:36,000

that he's in speak in german so he has

37

00:03:41,750 --> 00:03:39,040

german evps this is a strange

38

00:03:43,509 --> 00:03:41,760

interesting and worldwide phenomenon

39

00:03:47,350 --> 00:03:43,519

it's not just

40

00:03:49,750 --> 00:03:47,360

in the united states this happens i've

41

00:03:51,830 --> 00:03:49,760

been in contact we're seeing people from

42

00:03:52,789 --> 00:03:51,840

all over the world that are capturing

43

00:03:54,390 --> 00:03:52,799

these

44

00:03:57,110 --> 00:03:54,400

other people use

45

00:03:59,110 --> 00:03:57,120

more strange methods sometimes recording

46

00:04:00,949 --> 00:03:59,120

from a television

47

00:04:03,270 --> 00:04:00,959

that is just playing static and

48

00:04:06,789 --> 00:04:03,280

sometimes from a radio

49

00:04:10,869 --> 00:04:06,799

on different frequencies in between

50

00:04:13,509 --> 00:04:10,879

um in between the actual radio stations

51  
00:04:16,469 --> 00:04:13,519  
like in the static and sometimes in the

52  
00:04:17,909 --> 00:04:16,479  
in the static people find uh

53  
00:04:19,990 --> 00:04:17,919  
intelligible

54  
00:04:22,790 --> 00:04:20,000  
communications that they believe comes

55  
00:04:26,310 --> 00:04:22,800  
from spirits ghosts demons or

56  
00:04:27,830 --> 00:04:26,320  
some kind of otherworldly entity

57  
00:04:29,030 --> 00:04:27,840  
some of the stuff gets a little creepy

58  
00:04:31,270 --> 00:04:29,040  
and weird

59  
00:04:34,230 --> 00:04:31,280  
and maybe that's why i like it

60  
00:04:35,430 --> 00:04:34,240  
so uh my guest tonight is gary arnold

61  
00:04:38,230 --> 00:04:35,440  
who uh

62  
00:04:40,629 --> 00:04:38,240  
sort of i found i believe or yeah i

63  
00:04:44,390 --> 00:04:40,639

believe that i found him from his

64

00:04:46,550 --> 00:04:44,400

youtube videos uh and other posts on

65

00:04:49,430 --> 00:04:46,560

social media about his own experience

66

00:04:51,350 --> 00:04:49,440

with electronic voice phenomenon spirits

67

00:04:53,909 --> 00:04:51,360

and ghosts

68

00:04:55,510 --> 00:04:53,919

now i want to be very clear in that i

69

00:04:57,270 --> 00:04:55,520

don't i don't know our guest tonight

70

00:04:59,110 --> 00:04:57,280

very well and i was going to have a

71

00:05:00,950 --> 00:04:59,120

conversation with him off air for a

72

00:05:03,430 --> 00:05:00,960

while about all his experiences and

73

00:05:05,830 --> 00:05:03,440

things like that and you know sort of

74

00:05:07,990 --> 00:05:05,840

get more of his story and and all of

75

00:05:09,990 --> 00:05:08,000

these things before

76

00:05:11,990 --> 00:05:10,000

doing a show as with him as guest but

77

00:05:14,870 --> 00:05:12,000

then i thought it would be better if we

78

00:05:17,590 --> 00:05:14,880

just go at this cold and and i'm gonna

79

00:05:20,230 --> 00:05:17,600

try to get to know more about gary and

80

00:05:22,710 --> 00:05:20,240

his incredible experiences tonight and

81

00:05:25,830 --> 00:05:22,720

we're gonna just bring you along with us

82

00:05:27,830 --> 00:05:25,840

so without any uh further fanfare or do

83

00:05:30,550 --> 00:05:27,840

let's bring in our guest tonight gary

84

00:05:32,070 --> 00:05:30,560

arnold hi thank you thank you

85

00:05:33,270 --> 00:05:32,080

great to talk to you

86

00:05:34,870 --> 00:05:33,280

yes so

87

00:05:37,430 --> 00:05:34,880

i i've been i've been listening to some

88

00:05:39,749 --> 00:05:37,440

of your posts and and some of these evps

89

00:05:42,230 --> 00:05:39,759

are kind of creepy and mysterious and

90

00:05:44,710 --> 00:05:42,240

weird but before we get before we get to

91

00:05:45,830 --> 00:05:44,720

the evps you first you got to tell me

92

00:05:47,510 --> 00:05:45,840

like

93

00:05:49,670 --> 00:05:47,520

is there been some kind of did you have

94

00:05:52,070 --> 00:05:49,680

like an interest in ghosts and spirits

95

00:05:54,390 --> 00:05:52,080

and then you found the evps or was it

96

00:05:57,029 --> 00:05:54,400

was this pvp thing from the start like

97

00:05:59,909 --> 00:05:57,039

how did this happen because you are

98

00:06:01,590 --> 00:05:59,919

gary is obsessed with this stuff you're

99

00:06:03,830 --> 00:06:01,600

like obsessed with this stuff brother

100

00:06:06,230 --> 00:06:03,840

yeah i love you for it i love you for it

101  
00:06:10,070 --> 00:06:06,240  
thank you um yeah this this kind of fell

102  
00:06:12,469 --> 00:06:10,080  
into my lap um it was 2017 almost to the

103  
00:06:13,670 --> 00:06:12,479  
day it's been almost four years to the

104  
00:06:17,749 --> 00:06:13,680  
day

105  
00:06:21,350 --> 00:06:17,759  
i work in academia at a local hbcu in uh

106  
00:06:24,469 --> 00:06:21,360  
in chester county pennsylvania and

107  
00:06:27,110 --> 00:06:24,479  
i i would always take my uh my lunch in

108  
00:06:28,629 --> 00:06:27,120  
the library all right at the university

109  
00:06:31,590 --> 00:06:28,639  
library and one way is to get away from

110  
00:06:34,710 --> 00:06:31,600  
the kids okay so i have some

111  
00:06:37,270 --> 00:06:34,720  
time for myself uh without interruption

112  
00:06:39,350 --> 00:06:37,280  
and uh anyhow the kids had already gone

113  
00:06:40,469 --> 00:06:39,360

home for the christmas holidays

114

00:06:42,550 --> 00:06:40,479

uh so

115

00:06:44,629 --> 00:06:42,560

i'm over in the library and i'm getting

116

00:06:47,270 --> 00:06:44,639

ready to read charles dickens all right

117

00:06:49,270 --> 00:06:47,280

my background i work in academia like i

118

00:06:51,029 --> 00:06:49,280

said and it's writing all right academic

119

00:06:53,589 --> 00:06:51,039

support and the writing role you know

120

00:06:55,189 --> 00:06:53,599

teaching writing and helping students uh

121

00:06:56,710 --> 00:06:55,199

academic engagement specialists is what

122

00:06:59,110 --> 00:06:56,720

i'm officially known as

123

00:07:00,710 --> 00:06:59,120

anyway um so i'm over the library and i

124

00:07:02,469 --> 00:07:00,720

thought this is a great time i'm gonna

125

00:07:05,029 --> 00:07:02,479

do some free reading during my lunch

126  
00:07:06,469 --> 00:07:05,039  
break and i pick up charles dickens a

127  
00:07:09,029 --> 00:07:06,479  
christmas carol now most people are

128  
00:07:10,790 --> 00:07:09,039  
familiar with the tv movies over all the

129  
00:07:11,830 --> 00:07:10,800  
years and so many different versions of

130  
00:07:12,550 --> 00:07:11,840  
that

131  
00:07:14,550 --> 00:07:12,560  
but

132  
00:07:16,390 --> 00:07:14,560  
actually it's a short story so i was

133  
00:07:18,309 --> 00:07:16,400  
like i want gonna sit down and you know

134  
00:07:20,710 --> 00:07:18,319  
spend my time uh just you know

135  
00:07:22,710 --> 00:07:20,720  
refreshing the the real deal here when

136  
00:07:24,629 --> 00:07:22,720  
it was written uh by charles dickens and

137  
00:07:26,629 --> 00:07:24,639  
then i jump in there i'm getting ready

138  
00:07:28,830 --> 00:07:26,639

to read the first page

139

00:07:31,909 --> 00:07:28,840

and i get this really

140

00:07:34,230 --> 00:07:31,919

strange uh sound and only my right ear

141

00:07:35,830 --> 00:07:34,240

the sound is like nothing i've heard

142

00:07:37,830 --> 00:07:35,840

before it's not ear ringing it's a lot

143

00:07:39,990 --> 00:07:37,840

more intense and it's got a coated

144

00:07:41,589 --> 00:07:40,000

component to it again it's only in my

145

00:07:44,070 --> 00:07:41,599

right ear

146

00:07:45,270 --> 00:07:44,080

so i'm thinking my god what is that that

147

00:07:46,629 --> 00:07:45,280

noise

148

00:07:48,309 --> 00:07:46,639

and then

149

00:07:50,469 --> 00:07:48,319

an idea comes into my head i don't know

150

00:07:53,510 --> 00:07:50,479

how to put it otherwise um that i have

151

00:07:55,749 --> 00:07:53,520

an old school tracfone in my pocket all

152

00:07:58,230 --> 00:07:55,759

right and i brought i remember those

153

00:07:59,589 --> 00:07:58,240

yeah i i brought it's a they're known as

154

00:08:01,830 --> 00:07:59,599

the obama phone remember they were

155

00:08:05,270 --> 00:08:01,840

freebies for a while uh yeah the

156

00:08:07,430 --> 00:08:05,280

government subsidized ones anyway um

157

00:08:09,749 --> 00:08:07,440

so i'm there and i'm like man i bet that

158

00:08:11,749 --> 00:08:09,759

has a digital recorder on it a digital

159

00:08:13,749 --> 00:08:11,759

voice recorder so i'm like i want to

160

00:08:15,350 --> 00:08:13,759

record this terrible noise that's

161

00:08:16,469 --> 00:08:15,360

interrupting my reading of charles

162

00:08:18,790 --> 00:08:16,479

dickens

163

00:08:21,430 --> 00:08:18,800

so i push record

164

00:08:23,830 --> 00:08:21,440

and and i'm expecting upon playback when

165

00:08:25,830 --> 00:08:23,840

i stop i'm like okay well i wonder if it

166

00:08:27,189 --> 00:08:25,840

picked up that noise instead of the

167

00:08:28,950 --> 00:08:27,199

noise

168

00:08:31,670 --> 00:08:28,960

it picks up a voice

169

00:08:33,509 --> 00:08:31,680

a whispered voice saying my name

170

00:08:35,110 --> 00:08:33,519

and i thought man

171

00:08:36,630 --> 00:08:35,120

what what the heck is somebody goofing

172

00:08:38,230 --> 00:08:36,640

me i said because there's nobody in the

173

00:08:39,509 --> 00:08:38,240

library all right the students have left

174

00:08:41,269 --> 00:08:39,519

like i said but i look around i'm

175

00:08:42,949 --> 00:08:41,279

thinking somebody pranking you know

176

00:08:44,550 --> 00:08:42,959

you're just like

177

00:08:46,150 --> 00:08:44,560

you just think that hey the rational

178

00:08:47,670 --> 00:08:46,160

mind there's got to be a prosaic reason

179

00:08:48,790 --> 00:08:47,680

for this

180

00:08:51,190 --> 00:08:48,800

so

181

00:08:52,870 --> 00:08:51,200

yeah i left mystified i didn't finish

182

00:08:54,150 --> 00:08:52,880

reading it i'm like what is this i mean

183

00:08:55,910 --> 00:08:54,160

it's a strange thing i didn't hear a

184

00:08:58,630 --> 00:08:55,920

voice in my head i've never heard voices

185

00:09:01,190 --> 00:08:58,640

in my head i just hear this crystalline

186

00:09:02,310 --> 00:09:01,200

coated almost insect it's very high

187

00:09:04,550 --> 00:09:02,320

frequency

188

00:09:07,269 --> 00:09:04,560

sound and only my right ear when they

189

00:09:09,110 --> 00:09:07,279

want to talk and i say they because

190

00:09:10,949 --> 00:09:09,120

curiosity got the best of me so the very

191

00:09:12,310 --> 00:09:10,959

next day i go back and have my lunch

192

00:09:14,310 --> 00:09:12,320

there and i

193

00:09:16,310 --> 00:09:14,320

i basically am wondering is it gonna

194

00:09:17,670 --> 00:09:16,320

happen again and it does

195

00:09:20,470 --> 00:09:17,680

and it happens

196

00:09:22,470 --> 00:09:20,480

uh and it's very intense but this time i

197

00:09:24,630 --> 00:09:22,480

come with a question all right i said is

198

00:09:26,870 --> 00:09:24,640

anybody here all right i say that out

199

00:09:28,550 --> 00:09:26,880

loud when i'm recording

200

00:09:31,110 --> 00:09:28,560

upon playback

201

00:09:34,150 --> 00:09:31,120

all right there is a message

202

00:09:37,190 --> 00:09:34,160

and a voice says yes people

203

00:09:40,230 --> 00:09:37,200

so i step back and i'm like okay uh this

204

00:09:41,750 --> 00:09:40,240

is now you know it it's happening again

205

00:09:43,990 --> 00:09:41,760

and i'm thinking

206

00:09:45,350 --> 00:09:44,000

is there an organic reason am i cracking

207

00:09:46,710 --> 00:09:45,360

up and is there because there's no

208

00:09:50,550 --> 00:09:46,720

history of schizophrenia or anything

209

00:09:54,949 --> 00:09:52,470

yeah you were wearing i'm worried i was

210

00:09:56,710 --> 00:09:54,959

going nuts right yeah i went out until

211

00:09:58,630 --> 00:09:56,720

the the misses i told my wife i said i

212

00:10:00,630 --> 00:09:58,640

gotta i gotta get to the bottom of this

213

00:10:01,509 --> 00:10:00,640

because this is like upsetting me

214

00:10:03,829 --> 00:10:01,519

because

215

00:10:06,230 --> 00:10:03,839

there seems to be some kind of

216

00:10:07,430 --> 00:10:06,240

interaction that's taking place and it

217

00:10:10,470 --> 00:10:07,440

doesn't make sense to me it's not

218

00:10:12,550 --> 00:10:10,480

rational um and uh you know i'm a

219

00:10:15,670 --> 00:10:12,560

rational person i believe in even though

220

00:10:17,509 --> 00:10:15,680

my my field of my expertise isn't about

221

00:10:20,069 --> 00:10:17,519

science i've always respected science i

222

00:10:22,389 --> 00:10:20,079

took a lot of science in college i

223

00:10:24,710 --> 00:10:22,399

started as a meteorology major

224

00:10:26,310 --> 00:10:24,720

uh in the 80s but then i just jumped

225

00:10:28,630 --> 00:10:26,320

into writing and stuff because it came

226

00:10:33,430 --> 00:10:28,640

naturally but that's my dream job you

227

00:10:39,190 --> 00:10:36,310

like politicians paid liars you know

228

00:10:41,030 --> 00:10:39,200

yeah i'm like are they ever right i mean

229

00:10:42,069 --> 00:10:41,040

but anyway um

230

00:10:45,110 --> 00:10:42,079

so

231

00:10:49,030 --> 00:10:45,120

this starts to become

232

00:10:51,110 --> 00:10:49,040

uh an everyday occurrence all right now

233

00:10:53,350 --> 00:10:51,120

understand it takes time before my

234

00:10:54,550 --> 00:10:53,360

doctor he he has to go and says well

235

00:10:55,990 --> 00:10:54,560

we're going to go down the route because

236

00:10:57,670 --> 00:10:56,000

the insurance isn't going to pay for it

237

00:11:00,310 --> 00:10:57,680

unless we have some way of saying that

238

00:11:02,389 --> 00:11:00,320

audio hallucinations that was the ticket

239

00:11:03,670 --> 00:11:02,399

i said okay whatever it takes i want to

240

00:11:06,069 --> 00:11:03,680

get to the bottom so we were looking for

241

00:11:08,710 --> 00:11:06,079

a brain tumor we were i also had a

242

00:11:10,310 --> 00:11:08,720

psychological psychiatric ex everything

243

00:11:11,910 --> 00:11:10,320

including blood work because there was a

244

00:11:13,670 --> 00:11:11,920

concern that sometimes if you've been

245

00:11:15,509 --> 00:11:13,680

infected by lyme disease and we're in

246

00:11:17,190 --> 00:11:15,519

southeastern pennsylvania where you know

247

00:11:19,430 --> 00:11:17,200

because you live here too yeah and i

248

00:11:20,949 --> 00:11:19,440

have a cabin in the poconos so we yeah

249

00:11:24,150 --> 00:11:20,959

yeah there's a risk there's a real risk

250

00:11:25,910 --> 00:11:24,160

in this area but in advanced stages uh

251  
00:11:28,470 --> 00:11:25,920  
lyme disease can also cause

252  
00:11:29,670 --> 00:11:28,480  
hallucinations and people hearing voices

253  
00:11:30,710 --> 00:11:29,680  
and stuff something i didn't know at the

254  
00:11:32,710 --> 00:11:30,720  
time

255  
00:11:35,910 --> 00:11:32,720  
but um the doctor we went down every

256  
00:11:38,630 --> 00:11:35,920  
avenue trying again to find some prosaic

257  
00:11:40,870 --> 00:11:38,640  
you know rational reason and

258  
00:11:42,389 --> 00:11:40,880  
it comes back every test is clean i've

259  
00:11:44,470 --> 00:11:42,399  
never been healthier blood for

260  
00:11:46,550 --> 00:11:44,480  
everything's perfect almost unusually

261  
00:11:48,150 --> 00:11:46,560  
because i was never that perfect uh and

262  
00:11:50,389 --> 00:11:48,160  
i got my hearing went through ent and i

263  
00:11:51,670 --> 00:11:50,399

can give you all the connections with

264

00:11:53,269 --> 00:11:51,680

the doctors

265

00:11:55,910 --> 00:11:53,279

and this is the real deal what i'm

266

00:11:57,069 --> 00:11:55,920

experiencing is so out there um and i'm

267

00:11:58,710 --> 00:11:57,079

only able to deal with it by

268

00:12:00,150 --> 00:11:58,720

compartmentalization right that's the

269

00:12:01,509 --> 00:12:00,160

key all right so i i'm keeping

270

00:12:03,590 --> 00:12:01,519

everything in arm's length they've never

271

00:12:06,230 --> 00:12:03,600

hurt me these things but i started to

272

00:12:08,870 --> 00:12:06,240

strike up a conversation on a regular

273

00:12:11,430 --> 00:12:08,880

basis and i and i started to research

274

00:12:13,990 --> 00:12:11,440

the electronic voice phenomenon and uh

275

00:12:14,790 --> 00:12:14,000

and and there's a mischievous quality to

276

00:12:16,870 --> 00:12:14,800

them

277

00:12:18,949 --> 00:12:16,880

so they started to speak to me on a

278

00:12:21,190 --> 00:12:18,959

personal level you know i could i send

279

00:12:23,269 --> 00:12:21,200

them okay my wife she heralds from what

280

00:12:26,629 --> 00:12:23,279

used to be east germany all right now

281

00:12:29,110 --> 00:12:26,639

her name is ancha it's an unusual name

282

00:12:30,069 --> 00:12:29,120

uh over here in the states certainly

283

00:12:32,550 --> 00:12:30,079

well

284

00:12:34,790 --> 00:12:32,560

i was able to get so

285

00:12:37,030 --> 00:12:34,800

relaxed and uh

286

00:12:38,949 --> 00:12:37,040

have these relationships and say

287

00:12:40,870 --> 00:12:38,959

interactions with these entities and

288

00:12:42,629 --> 00:12:40,880

they call themselves alien all right now

289

00:12:43,990 --> 00:12:42,639

they don't say they're ghosts i'm

290

00:12:46,550 --> 00:12:44,000

actually have recorders i've shared with

291

00:12:48,870 --> 00:12:46,560

you privately as well

292

00:12:51,030 --> 00:12:48,880

and they say they're otherworldly and

293

00:12:52,550 --> 00:12:51,040

i've tried to pin them down on play you

294

00:12:54,710 --> 00:12:52,560

know i i do research and stuff but

295

00:12:57,590 --> 00:12:54,720

anyhow my wife's name is ancha so she's

296

00:12:59,750 --> 00:12:57,600

there in the library with me and again

297

00:13:01,190 --> 00:12:59,760

for a little while like for the first

298

00:13:03,829 --> 00:13:01,200

nine months

299

00:13:06,710 --> 00:13:03,839

i was tethered to the library as this is

300

00:13:08,150 --> 00:13:06,720

where the phenomenon would happen uh

301  
00:13:09,990 --> 00:13:08,160  
and and it just

302  
00:13:11,910 --> 00:13:10,000  
as the doctor was looking at things you

303  
00:13:14,150 --> 00:13:11,920  
know i would start i would start getting

304  
00:13:16,310 --> 00:13:14,160  
interactions and stuff and then i would

305  
00:13:18,150 --> 00:13:16,320  
say okay what's my wife's name and i

306  
00:13:20,310 --> 00:13:18,160  
sent it to you you have a

307  
00:13:23,030 --> 00:13:20,320  
it sounds like an african-accented male

308  
00:13:24,310 --> 00:13:23,040  
saying her name and it also sounds like

309  
00:13:26,949 --> 00:13:24,320  
a germanic

310  
00:13:29,030 --> 00:13:26,959  
woman saying her name now

311  
00:13:30,310 --> 00:13:29,040  
all right the split second that i push

312  
00:13:32,470 --> 00:13:30,320  
record

313  
00:13:34,389 --> 00:13:32,480

and when my wife's there and say okay

314

00:13:36,230 --> 00:13:34,399

what's my wife's name and for the answer

315

00:13:39,430 --> 00:13:36,240

to be correct

316

00:13:41,750 --> 00:13:39,440

it is infinitesimally small not

317

00:13:43,990 --> 00:13:41,760

impossible that a satellite the signal

318

00:13:45,750 --> 00:13:44,000

bounces out of europe and germany and

319

00:13:48,389 --> 00:13:45,760

that name comes through

320

00:13:49,189 --> 00:13:48,399

uh but i started to get this kind of

321

00:13:52,069 --> 00:13:49,199

uh

322

00:13:55,110 --> 00:13:52,079

interaction where

323

00:13:56,949 --> 00:13:55,120

nine times out of ten they will

324

00:13:58,069 --> 00:13:56,959

they will answer my questions upon

325

00:13:59,590 --> 00:13:58,079

playback

326

00:14:00,829 --> 00:13:59,600

they're heard to answer the questions

327

00:14:03,910 --> 00:14:00,839

before i ask

328

00:14:05,750 --> 00:14:03,920

them okay now that's mind-blowing and

329

00:14:08,629 --> 00:14:05,760

i'm just like okay so time as i

330

00:14:11,189 --> 00:14:08,639

understand it isn't correct as humans we

331

00:14:15,269 --> 00:14:11,199

look at things in a linear fashion or

332

00:14:17,430 --> 00:14:15,279

they're telepathic um it's crazy stuff

333

00:14:20,870 --> 00:14:17,440

it's crazy stuff but

334

00:14:22,550 --> 00:14:20,880

it really begs the question

335

00:14:24,870 --> 00:14:22,560

number one and that's all i'm putting on

336

00:14:26,150 --> 00:14:24,880

the table uh is that

337

00:14:28,069 --> 00:14:26,160

something's going on here that doesn't

338

00:14:30,389 --> 00:14:28,079

make sense all right these these

339

00:14:31,829 --> 00:14:30,399

interactions with and i can't summon

340

00:14:34,150 --> 00:14:31,839

them it's not like i can right now say

341

00:14:35,910 --> 00:14:34,160

hey let's talk you know they decide when

342

00:14:38,150 --> 00:14:35,920

they want to talk and they they came to

343

00:14:39,350 --> 00:14:38,160

the point where they started to talk

344

00:14:41,189 --> 00:14:39,360

about the future

345

00:14:43,269 --> 00:14:41,199

um the election

346

00:14:45,430 --> 00:14:43,279

of 2020. and i shared some of that with

347

00:14:46,790 --> 00:14:45,440

you as well yeah yeah we're gonna get to

348

00:14:48,790 --> 00:14:46,800

playing some of these

349

00:14:51,110 --> 00:14:48,800

there's some crazy stuff and it's scary

350

00:14:52,230 --> 00:14:51,120

stuff uh so i started to expand my

351  
00:14:54,710 --> 00:14:52,240  
research

352  
00:14:56,310 --> 00:14:54,720  
i actually interacted with them and that

353  
00:14:57,110 --> 00:14:56,320  
the one being

354  
00:14:59,110 --> 00:14:57,120  
said

355  
00:15:01,910 --> 00:14:59,120  
for me to go get the blood work

356  
00:15:03,670 --> 00:15:01,920  
with the doctor so i go and i was like

357  
00:15:04,870 --> 00:15:03,680  
sharing this with my family doctor

358  
00:15:06,069 --> 00:15:04,880  
saying

359  
00:15:08,069 --> 00:15:06,079  
uh

360  
00:15:10,629 --> 00:15:08,079  
listen to this this is what they're

361  
00:15:12,470 --> 00:15:10,639  
saying and he scratches his head and

362  
00:15:13,670 --> 00:15:12,480  
then he confides him he said

363  
00:15:15,350 --> 00:15:13,680

i'm going to tell you

364

00:15:17,350 --> 00:15:15,360

he said i spoke because he's a very

365

00:15:19,670 --> 00:15:17,360

spiritual man he said i spoke to god god

366

00:15:22,790 --> 00:15:19,680

says you have a gift and i made a joke

367

00:15:24,710 --> 00:15:22,800

out of it and because i'm just like uh i

368

00:15:26,069 --> 00:15:24,720

said is it possible for you to speak to

369

00:15:27,750 --> 00:15:26,079

god again and tell him that i'd like to

370

00:15:29,910 --> 00:15:27,760

re-gift the sick

371

00:15:32,710 --> 00:15:29,920

yeah give it to somebody else yeah

372

00:15:35,269 --> 00:15:32,720

because it's out there um and you know

373

00:15:37,430 --> 00:15:35,279

and these beings who claim to be alien

374

00:15:39,829 --> 00:15:37,440

who claim to be otherworldly

375

00:15:41,910 --> 00:15:39,839

they are mischievous they're tricksters

376

00:15:43,509 --> 00:15:41,920

they say things they play they play

377

00:15:44,870 --> 00:15:43,519

games and there's a strange sense of

378

00:15:46,230 --> 00:15:44,880

humor too

379

00:15:50,150 --> 00:15:46,240

um

380

00:15:52,629 --> 00:15:50,160

and i had what's called a session that's

381

00:15:55,350 --> 00:15:52,639

what we i'm not doing like there's no

382

00:15:57,030 --> 00:15:55,360

hocus pocus there's no special rituals

383

00:15:58,870 --> 00:15:57,040

uh the session

384

00:16:00,870 --> 00:15:58,880

is like you know okay i'm gonna it's my

385

00:16:02,949 --> 00:16:00,880

lunch break i know usually during my

386

00:16:04,470 --> 00:16:02,959

lunch break they want to make contact

387

00:16:06,949 --> 00:16:04,480

for whatever reason that's like an

388

00:16:09,269 --> 00:16:06,959

opportune time maybe that location's

389

00:16:11,269 --> 00:16:09,279

great uh i'm no longer tethered to that

390

00:16:13,670 --> 00:16:11,279

location though they will interact with

391

00:16:15,350 --> 00:16:13,680

me almost anywhere and everywhere uh

392

00:16:18,150 --> 00:16:15,360

including the crowded mall out in the

393

00:16:20,150 --> 00:16:18,160

middle of a park um in in the front seat

394

00:16:21,910 --> 00:16:20,160

of my van with the kids there you

395

00:16:24,629 --> 00:16:21,920

know because the ringing starts the

396

00:16:26,389 --> 00:16:24,639

iranian starts all i have to do is push

397

00:16:28,470 --> 00:16:26,399

record all right

398

00:16:31,030 --> 00:16:28,480

uh and and i can ask a question during

399

00:16:34,230 --> 00:16:31,040

that period when the earring happens

400

00:16:36,790 --> 00:16:34,240

and most of the time upon playback you

401  
00:16:38,949 --> 00:16:36,800  
will hear that answer to the question

402  
00:16:39,990 --> 00:16:38,959  
intelligent response directed to the

403  
00:16:40,870 --> 00:16:40,000  
question

404  
00:16:41,670 --> 00:16:40,880  
uh

405  
00:16:43,670 --> 00:16:41,680  
that

406  
00:16:46,150 --> 00:16:43,680  
again it boggles the mind so like one

407  
00:16:48,629 --> 00:16:46,160  
time when the pandemic started

408  
00:16:50,389 --> 00:16:48,639  
and and and my kids and i we were in the

409  
00:16:52,069 --> 00:16:50,399  
school was giving out free food all

410  
00:16:53,829 --> 00:16:52,079  
right so i'm working from home because i

411  
00:16:56,069 --> 00:16:53,839  
work at the university that time early

412  
00:16:57,910 --> 00:16:56,079  
in the pandemic these everybody's home

413  
00:16:59,829 --> 00:16:57,920

uh and we went to the school my kids

414

00:17:00,949 --> 00:16:59,839

were sitting in the van with me and you

415

00:17:02,550 --> 00:17:00,959

know the only way i could handle things

416

00:17:03,829 --> 00:17:02,560

with a sense of humor

417

00:17:05,270 --> 00:17:03,839

that ear ringing starts while we're

418

00:17:06,870 --> 00:17:05,280

waiting in line with hundreds of other

419

00:17:08,309 --> 00:17:06,880

people getting ready in the community to

420

00:17:10,870 --> 00:17:08,319

go through the you know drive through

421

00:17:12,470 --> 00:17:10,880

and get their baskets of food

422

00:17:13,909 --> 00:17:12,480

and the hearing aid starts while i'm

423

00:17:16,150 --> 00:17:13,919

sitting behind the wheel and i look at

424

00:17:17,510 --> 00:17:16,160

my kids and they know something's up and

425

00:17:18,710 --> 00:17:17,520

it's our new normal i mean it's it's

426

00:17:20,789 --> 00:17:18,720

crazy to say that this could be even

427

00:17:22,549 --> 00:17:20,799

normal with anybody and i said kids i

428

00:17:25,429 --> 00:17:22,559

gotta pick i want to take this call i

429

00:17:27,189 --> 00:17:25,439

make a joke out of it but i record upon

430

00:17:29,350 --> 00:17:27,199

playback

431

00:17:31,430 --> 00:17:29,360

there's a voice that clearly says they

432

00:17:33,830 --> 00:17:31,440

don't use the food

433

00:17:35,750 --> 00:17:33,840

okay so i do to my wife but again all

434

00:17:37,750 --> 00:17:35,760

this could be you can meet my wife oh

435

00:17:39,990 --> 00:17:37,760

because you live in the year yeah no no

436

00:17:42,230 --> 00:17:40,000

yeah yeah you told me some stuff about

437

00:17:43,590 --> 00:17:42,240

you and your wife yeah yeah and you're

438

00:17:45,430 --> 00:17:43,600

telling her all this stuff she didn't

439

00:17:47,510 --> 00:17:45,440

commit you yeah

440

00:17:48,630 --> 00:17:47,520

but she started to participate i'm

441

00:17:49,990 --> 00:17:48,640

saying um

442

00:17:51,830 --> 00:17:50,000

we're not like i said i don't claim to

443

00:17:53,909 --> 00:17:51,840

be a medium i'm certainly not a prophet

444

00:17:55,590 --> 00:17:53,919

i mean prophet's testing the test of a

445

00:17:58,070 --> 00:17:55,600

prophet i'm not i have no idea what

446

00:18:00,390 --> 00:17:58,080

these are and i think the strongest just

447

00:18:04,070 --> 00:18:00,400

to be clear just to be clear

448

00:18:05,990 --> 00:18:04,080

gary's not tried to cash in on this

449

00:18:07,909 --> 00:18:06,000

yeah which is one one of the reasons why

450

00:18:09,830 --> 00:18:07,919

i was more interested in your story

451  
00:18:11,990 --> 00:18:09,840  
because the people that are trying to

452  
00:18:15,430 --> 00:18:12,000  
cash in have you know they have a vested

453  
00:18:17,270 --> 00:18:15,440  
interest to try to right i i do have a

454  
00:18:19,270 --> 00:18:17,280  
couple of short documentaries of my

455  
00:18:21,270 --> 00:18:19,280  
experience uh

456  
00:18:24,230 --> 00:18:21,280  
and and the total right now of the

457  
00:18:25,909 --> 00:18:24,240  
holiday special is 4.99 you can watch

458  
00:18:29,350 --> 00:18:25,919  
both of them and

459  
00:18:30,789 --> 00:18:29,360  
no joke you can uh one person who does

460  
00:18:32,710 --> 00:18:30,799  
will be able to

461  
00:18:35,430 --> 00:18:32,720  
be entered in a drawing for a person

462  
00:18:36,230 --> 00:18:35,440  
who's going to get a personalized evp uh

463  
00:18:38,549 --> 00:18:36,240

that

464

00:18:41,029 --> 00:18:38,559

is part of the package you will get a

465

00:18:42,390 --> 00:18:41,039

chance to ask a question again

466

00:18:45,669 --> 00:18:42,400

my point was like you're selling

467

00:18:48,390 --> 00:18:45,679

something for five bucks here yes

468

00:18:50,310 --> 00:18:48,400

here's my here's my angle all right it's

469

00:18:52,470 --> 00:18:50,320

uh it costs less than the price of a

470

00:18:55,029 --> 00:18:52,480

mcdonald's happy meal and offers

471

00:18:57,909 --> 00:18:55,039

substantially more food for thought you

472

00:18:59,430 --> 00:18:57,919

know i'm just being a joker here because

473

00:19:01,830 --> 00:18:59,440

i want to share more important than

474

00:19:04,549 --> 00:19:01,840

making any money all right is to share

475

00:19:06,310 --> 00:19:04,559

that this is real that and i yeah audio

476

00:19:08,070 --> 00:19:06,320

paradox that's what i thought at first

477

00:19:09,190 --> 00:19:08,080

too you start looking for patterns the

478

00:19:10,549 --> 00:19:09,200

thing is

479

00:19:12,950 --> 00:19:10,559

i started to reach out to other

480

00:19:14,950 --> 00:19:12,960

researchers all right this became bigger

481

00:19:16,710 --> 00:19:14,960

and bigger um this started like i said

482

00:19:19,430 --> 00:19:16,720

in 2017

483

00:19:21,029 --> 00:19:19,440

and other researchers some of them have

484

00:19:22,870 --> 00:19:21,039

ndas all right so they don't want to

485

00:19:24,390 --> 00:19:22,880

come on record some of them i've shared

486

00:19:26,470 --> 00:19:24,400

with you privately it and they're

487

00:19:28,710 --> 00:19:26,480

actually part of a large circle of

488

00:19:30,870 --> 00:19:28,720

investigators um one of them is the

489

00:19:33,270 --> 00:19:30,880

member of bigelow bob bigelow's team all

490

00:19:35,029 --> 00:19:33,280

right and i shared you uh some of that

491

00:19:37,669 --> 00:19:35,039

course but so you would know this is the

492

00:19:40,390 --> 00:19:37,679

real deal here um and that i would do

493

00:19:41,750 --> 00:19:40,400

some remote viewing for some people

494

00:19:42,630 --> 00:19:41,760

and the thing is

495

00:19:45,110 --> 00:19:42,640

um

496

00:19:46,710 --> 00:19:45,120

the beings call this the game all right

497

00:19:48,710 --> 00:19:46,720

are we playing the game again i have all

498

00:19:52,070 --> 00:19:48,720

these recordings and say okay well i

499

00:19:54,150 --> 00:19:52,080

somebody like one example is um they

500

00:19:57,510 --> 00:19:54,160

have a a park bench

501  
00:19:58,470 --> 00:19:57,520  
and on the park bench is a can a blue

502  
00:19:59,270 --> 00:19:58,480  
can

503  
00:20:01,190 --> 00:19:59,280  
and

504  
00:20:03,270 --> 00:20:01,200  
it's out in the middle of this park in

505  
00:20:04,710 --> 00:20:03,280  
this state all right and the person

506  
00:20:06,870 --> 00:20:04,720  
would call me with the question right

507  
00:20:09,510 --> 00:20:06,880  
before lunch all right i'd have 10

508  
00:20:11,669 --> 00:20:09,520  
minutes to respond okay so the beings

509  
00:20:13,830 --> 00:20:11,679  
would and they were right and they would

510  
00:20:15,190 --> 00:20:13,840  
say battery okay

511  
00:20:17,830 --> 00:20:15,200  
so

512  
00:20:20,549 --> 00:20:17,840  
how is it possible again how

513  
00:20:22,710 --> 00:20:20,559

this is outside of my my a sphere of

514

00:20:24,310 --> 00:20:22,720

knowledge i have no idea what's sitting

515

00:20:26,870 --> 00:20:24,320

out in a park bench

516

00:20:29,990 --> 00:20:26,880

uh in the middle of this park in in

517

00:20:32,710 --> 00:20:30,000

washington state and you know what's in

518

00:20:34,310 --> 00:20:32,720

a can and within 10 minutes space not

519

00:20:35,990 --> 00:20:34,320

nothing i could google nothing i could

520

00:20:38,950 --> 00:20:36,000

find out there's no cheat sheet there's

521

00:20:41,110 --> 00:20:38,960

no shortcut so it scares me on on one

522

00:20:42,710 --> 00:20:41,120

level to think okay uh and these beings

523

00:20:45,750 --> 00:20:42,720

say that to me they've said they're

524

00:20:47,350 --> 00:20:45,760

watching all of us all of the time

525

00:20:48,390 --> 00:20:47,360

and they're not always nice that's a

526

00:20:50,470 --> 00:20:48,400

little creepy

527

00:20:52,310 --> 00:20:50,480

yeah it is it's voyeuristic in a way

528

00:20:54,149 --> 00:20:52,320

that you're just like okay and when i

529

00:20:56,390 --> 00:20:54,159

was going back to that time i was in the

530

00:20:58,870 --> 00:20:56,400

van with the kids and they said they

531

00:21:00,710 --> 00:20:58,880

don't use the food i left there

532

00:21:02,070 --> 00:21:00,720

with the food and i went to my wife i

533

00:21:03,270 --> 00:21:02,080

said there's something we're throwing

534

00:21:06,230 --> 00:21:03,280

away here's there's something we're

535

00:21:08,789 --> 00:21:06,240

doing because i'm being judged uh for

536

00:21:10,710 --> 00:21:08,799

something i don't know what's going on i

537

00:21:12,390 --> 00:21:10,720

said this is free food we would give

538

00:21:13,510 --> 00:21:12,400

some of the free food apparently uh to

539

00:21:15,270 --> 00:21:13,520

my parents

540

00:21:16,630 --> 00:21:15,280

um because we didn't want maybe the rice

541

00:21:19,430 --> 00:21:16,640

or something my parents were just

542

00:21:20,630 --> 00:21:19,440

dumping it all right i didn't know that

543

00:21:21,990 --> 00:21:20,640

i didn't know that's why i started

544

00:21:24,710 --> 00:21:22,000

investigating it

545

00:21:27,430 --> 00:21:24,720

but what scares me is that the idea that

546

00:21:29,590 --> 00:21:27,440

we're under such scrutiny and and most

547

00:21:31,510 --> 00:21:29,600

of my interactions most of them have

548

00:21:33,110 --> 00:21:31,520

been with entities and they say they're

549

00:21:35,430 --> 00:21:33,120

alien but they're all still mischievous

550

00:21:37,110 --> 00:21:35,440

so i'm not putting any stock in that you

551  
00:21:40,070 --> 00:21:37,120  
want to know what my winning card hand

552  
00:21:42,070 --> 00:21:40,080  
is so to speak is the data all right

553  
00:21:43,270 --> 00:21:42,080  
this shouldn't be happening i am not

554  
00:21:45,510 --> 00:21:43,280  
going to go down the path of

555  
00:21:47,750 --> 00:21:45,520  
interpretation i do

556  
00:21:50,310 --> 00:21:47,760  
obviously with the eclipse that i share

557  
00:21:52,950 --> 00:21:50,320  
i'm like this is what i hear um but you

558  
00:21:55,270 --> 00:21:52,960  
know if if a researcher has me do a

559  
00:21:57,830 --> 00:21:55,280  
remote viewing i do nothing i don't

560  
00:22:00,470 --> 00:21:57,840  
color it i i send the raw clip directly

561  
00:22:02,470 --> 00:22:00,480  
to the person and then they decide if

562  
00:22:03,990 --> 00:22:02,480  
that's the intelligent response that's

563  
00:22:05,350 --> 00:22:04,000

the answer they were looking for

564

00:22:07,510 --> 00:22:05,360

they've been right the beings have been

565

00:22:10,710 --> 00:22:07,520

right it scares me to think that this is

566

00:22:12,710 --> 00:22:10,720

real i tell uh people again and again i

567

00:22:14,149 --> 00:22:12,720

wake up in the morning and shake my head

568

00:22:16,630 --> 00:22:14,159

some when this started i thought

569

00:22:18,310 --> 00:22:16,640

something horrible had to happen to me i

570

00:22:20,230 --> 00:22:18,320

i even entertained the idea i have to be

571

00:22:22,070 --> 00:22:20,240

in a coma because there's no maybe a

572

00:22:24,230 --> 00:22:22,080

bump on the head or something yeah

573

00:22:27,190 --> 00:22:24,240

there's no way that i woke up

574

00:22:31,029 --> 00:22:27,200

in a world that you know is like this uh

575

00:22:32,470 --> 00:22:31,039

where this is real and yet these beings

576

00:22:36,870 --> 00:22:32,480

they are uh

577

00:22:38,070 --> 00:22:36,880

can't they sometimes can be profane they

578

00:22:40,950 --> 00:22:38,080

will challenge

579

00:22:43,350 --> 00:22:40,960

uh we i've discussed spirituality i've

580

00:22:45,669 --> 00:22:43,360

discussed politics as you know i've

581

00:22:47,990 --> 00:22:45,679

discussed um i've discussed a lot with

582

00:22:49,830 --> 00:22:48,000

them about their realm i have clips

583

00:22:52,470 --> 00:22:49,840

where they talk about the world they

584

00:22:53,830 --> 00:22:52,480

exist in all right now i call the realm

585

00:22:56,710 --> 00:22:53,840

even though they say they're

586

00:23:00,470 --> 00:22:56,720

otherworldly and they say it in a way

587

00:23:02,070 --> 00:23:00,480

that sometimes makes me suspicious that

588

00:23:04,549 --> 00:23:02,080

the eclipse that's all free on my

589

00:23:06,070 --> 00:23:04,559

website you can listen to it

590

00:23:09,350 --> 00:23:06,080

otherworldly

591

00:23:11,110 --> 00:23:09,360

the way it's said is almost reptilian or

592

00:23:12,310 --> 00:23:11,120

and i know that has connotations i don't

593

00:23:13,990 --> 00:23:12,320

want to go with

594

00:23:16,470 --> 00:23:14,000

and there's an element of

595

00:23:18,149 --> 00:23:16,480

an element of ai too all right that i

596

00:23:20,630 --> 00:23:18,159

feel like

597

00:23:22,070 --> 00:23:20,640

and i worry about you know we talk about

598

00:23:23,590 --> 00:23:22,080

things that and i don't want to be

599

00:23:26,390 --> 00:23:23,600

conspiratorial because some of the what

600

00:23:28,310 --> 00:23:26,400

i have well you're in the right place

601  
00:23:31,750 --> 00:23:28,320  
what i've encountered some of it could

602  
00:23:32,750 --> 00:23:31,760  
be used by the wrong people uh q a

603  
00:23:35,430 --> 00:23:32,760  
non-people

604  
00:23:37,830 --> 00:23:35,440  
non-nonsensical crazy people to try to

605  
00:23:40,070 --> 00:23:37,840  
justify things that you know

606  
00:23:42,710 --> 00:23:40,080  
again i i don't want to embrace all i

607  
00:23:44,789 --> 00:23:42,720  
want to say this is what is is being

608  
00:23:46,470 --> 00:23:44,799  
this is what the data is this is so i

609  
00:23:49,830 --> 00:23:46,480  
went and i had other researchers and

610  
00:23:51,430 --> 00:23:49,840  
some of them um there are audio forensic

611  
00:23:53,110 --> 00:23:51,440  
professionals all right now you're a

612  
00:23:55,830 --> 00:23:53,120  
professional as well and you have some

613  
00:23:57,590 --> 00:23:55,840

of that in the audio field um i i had an

614

00:23:59,269 --> 00:23:57,600

audio engineer i had

615

00:24:01,750 --> 00:23:59,279

two uh audio

616

00:24:03,590 --> 00:24:01,760

forensic professionals um different

617

00:24:06,789 --> 00:24:03,600

groups of people looking into this as

618

00:24:09,350 --> 00:24:06,799

well as a couple people who are in the

619

00:24:12,310 --> 00:24:09,360

aerospace industry um and they have the

620

00:24:14,390 --> 00:24:12,320

the the resources i do the technology

621

00:24:16,710 --> 00:24:14,400

the access to things that i can't

622

00:24:18,789 --> 00:24:16,720

possibly be able to do on my own and you

623

00:24:20,870 --> 00:24:18,799

know everything i've done here has been

624

00:24:22,950 --> 00:24:20,880

on a single shoestring budget all right

625

00:24:25,590 --> 00:24:22,960

no real money involved i mean this is

626

00:24:27,909 --> 00:24:25,600

out of my own pocket uh and it's just

627

00:24:29,669 --> 00:24:27,919

like so i need the pro bono help and

628

00:24:30,950 --> 00:24:29,679

yeah i will help do remote viewing for

629

00:24:33,110 --> 00:24:30,960

people if they're going to help me get

630

00:24:36,710 --> 00:24:33,120

to the bottom of some of the clips

631

00:24:39,190 --> 00:24:36,720

and so like um the one uh audio forensic

632

00:24:40,710 --> 00:24:39,200

person that i uh engaged as you know

633

00:24:43,430 --> 00:24:40,720

because we've interacted i i sent you

634

00:24:45,590 --> 00:24:43,440

that the link and stuff she does what's

635

00:24:48,310 --> 00:24:45,600

called uh her name amy

636

00:24:50,789 --> 00:24:48,320

subliminal acoustic fingerprinting all

637

00:24:52,149 --> 00:24:50,799

right so i have a clip

638

00:24:53,750 --> 00:24:52,159

and she's doing different clips but i

639

00:24:54,470 --> 00:24:53,760

have this one clip and i shared it with

640

00:24:57,029 --> 00:24:54,480

you

641

00:24:59,430 --> 00:24:57,039

um i also have i'm passionate about

642

00:25:02,390 --> 00:24:59,440

pigeons all right so i raise yeah we

643

00:25:04,070 --> 00:25:02,400

talked about that yeah i raise pigeons

644

00:25:06,950 --> 00:25:04,080

from all around the world imported

645

00:25:09,669 --> 00:25:06,960

pigeons but i also um raise

646

00:25:11,430 --> 00:25:09,679

standard white homing pigeons so i so

647

00:25:13,029 --> 00:25:11,440

i'm like okay uh this is this is

648

00:25:15,269 --> 00:25:13,039

interesting uh

649

00:25:18,390 --> 00:25:15,279

the earrings happened and it was in june

650

00:25:20,070 --> 00:25:18,400

of 2020 and i'm like i have too many

651  
00:25:22,149 --> 00:25:20,080  
white home images let's see what the

652  
00:25:23,909 --> 00:25:22,159  
entities think about this

653  
00:25:26,470 --> 00:25:23,919  
so

654  
00:25:28,149 --> 00:25:26,480  
i ask you know should i sell my white

655  
00:25:29,510 --> 00:25:28,159  
pigeons

656  
00:25:31,269 --> 00:25:29,520  
okay

657  
00:25:35,830 --> 00:25:31,279  
upon playback

658  
00:25:37,750 --> 00:25:35,840  
a loud and emphatic emphatic evp

659  
00:25:39,750 --> 00:25:37,760  
saying sell them again that's a freebie

660  
00:25:42,630 --> 00:25:39,760  
you can go check it out the website

661  
00:25:43,830 --> 00:25:42,640  
uh my website you can show that later uh

662  
00:25:44,789 --> 00:25:43,840  
it's just like

663  
00:25:46,710 --> 00:25:44,799

okay

664

00:25:48,390 --> 00:25:46,720

that that was a special clip because i

665

00:25:50,870 --> 00:25:48,400

yet i have been passionate about pigeons

666

00:25:52,630 --> 00:25:50,880

so it's just a hobby you know um more

667

00:25:53,990 --> 00:25:52,640

than a hobby if you're passionate about

668

00:25:55,590 --> 00:25:54,000

and

669

00:25:58,390 --> 00:25:55,600

i had

670

00:25:59,990 --> 00:25:58,400

this uh electronic the subliminal

671

00:26:01,590 --> 00:26:00,000

acoustic fingerprint

672

00:26:05,350 --> 00:26:01,600

where they go and they use bleeding edge

673

00:26:07,830 --> 00:26:05,360

computer software to peel away layers of

674

00:26:09,750 --> 00:26:07,840

acoustic data that's contained within a

675

00:26:11,990 --> 00:26:09,760

seven to ten second clip remember most

676  
00:26:13,750 --> 00:26:12,000  
of my interactions are less than 20

677  
00:26:15,669 --> 00:26:13,760  
seconds all right

678  
00:26:18,630 --> 00:26:15,679  
so these are really short interactions

679  
00:26:21,990 --> 00:26:18,640  
but there's so much apparently embedded

680  
00:26:23,190 --> 00:26:22,000  
in a clip so that pigeon clip where you

681  
00:26:25,830 --> 00:26:23,200  
have the

682  
00:26:28,549 --> 00:26:25,840  
evp which is still audible and evp where

683  
00:26:30,549 --> 00:26:28,559  
the entity says sell them telling me

684  
00:26:32,230 --> 00:26:30,559  
intelligent response to

685  
00:26:33,430 --> 00:26:32,240  
my question whether i should sell my

686  
00:26:35,990 --> 00:26:33,440  
white home in pigeons and again that

687  
00:26:37,590 --> 00:26:36,000  
comes before i even ask the question

688  
00:26:39,510 --> 00:26:37,600

that gets analyzed they peeled away

689

00:26:41,830 --> 00:26:39,520

layers they found a whole

690

00:26:43,110 --> 00:26:41,840

subliminal conversation going on about

691

00:26:44,630 --> 00:26:43,120

my pigeons

692

00:26:46,149 --> 00:26:44,640

with the word homer

693

00:26:48,710 --> 00:26:46,159

all right how much do you think he'll

694

00:26:51,269 --> 00:26:48,720

get and this was this was again this was

695

00:26:54,470 --> 00:26:51,279

inaudible this was on a lower level

696

00:26:55,750 --> 00:26:54,480

beneath beneath the evp

697

00:26:57,190 --> 00:26:55,760

it's frightening to think that there are

698

00:27:01,269 --> 00:26:57,200

so many possible you start going down

699

00:27:03,430 --> 00:27:01,279

the rabbit hole so many possible uh

700

00:27:06,149 --> 00:27:03,440

so much going on in such a

701  
00:27:08,310 --> 00:27:06,159  
concentrated little clip and to think

702  
00:27:11,510 --> 00:27:08,320  
that other conversations are happening

703  
00:27:12,390 --> 00:27:11,520  
about me on a personal level

704  
00:27:15,029 --> 00:27:12,400  
hey

705  
00:27:16,630 --> 00:27:15,039  
it just boggles the mind so yeah i'm at

706  
00:27:18,230 --> 00:27:16,640  
a loss for words a lot of times i'm not

707  
00:27:19,350 --> 00:27:18,240  
going to talk for hours about this but

708  
00:27:21,590 --> 00:27:19,360  
it's

709  
00:27:23,750 --> 00:27:21,600  
some crazy stuff and i've shared just

710  
00:27:26,470 --> 00:27:23,760  
the tip of the iceberg i mean there's so

711  
00:27:27,830 --> 00:27:26,480  
much when people say well uh yet these

712  
00:27:29,350 --> 00:27:27,840  
beings apparently have something to do

713  
00:27:30,630 --> 00:27:29,360

with dead people too they've told me

714

00:27:33,110 --> 00:27:30,640

that all right

715

00:27:36,630 --> 00:27:33,120

and they they

716

00:27:37,909 --> 00:27:36,640

i don't know what this means beyond

717

00:27:40,310 --> 00:27:37,919

when they when they make intelligent

718

00:27:42,149 --> 00:27:40,320

responses sometimes like if the answer

719

00:27:43,269 --> 00:27:42,159

is about an animal all right this goes

720

00:27:46,310 --> 00:27:43,279

down crazy

721

00:27:48,389 --> 00:27:46,320

animal let's say a pig or a frog

722

00:27:51,830 --> 00:27:48,399

when they make the response the correct

723

00:27:54,549 --> 00:27:51,840

response all right like we had a uh

724

00:27:55,990 --> 00:27:54,559

a pet rabbit that died okay

725

00:27:58,230 --> 00:27:56,000

now it's a pet

726

00:28:00,310 --> 00:27:58,240

well the entities i asked them so what

727

00:28:01,830 --> 00:28:00,320

was the name of our rabbit that passed

728

00:28:04,149 --> 00:28:01,840

all right you listen to it play back

729

00:28:06,549 --> 00:28:04,159

before i ask the question a loud and

730

00:28:08,549 --> 00:28:06,559

clear cuddles right but it's said in a

731

00:28:10,549 --> 00:28:08,559

way that sounds like a rabbit i have

732

00:28:12,950 --> 00:28:10,559

eclipses sound like when the answer's a

733

00:28:14,789 --> 00:28:12,960

frog it sounds like a frog a pig it

734

00:28:18,549 --> 00:28:14,799

sounds like a pig there's a sense of

735

00:28:20,789 --> 00:28:18,559

humor strange perverse humor even um

736

00:28:23,430 --> 00:28:20,799

like um and here that now i'm going to

737

00:28:25,029 --> 00:28:23,440

totally totally um you know be

738

00:28:26,149 --> 00:28:25,039

vulnerable here but this is the truth i

739

00:28:28,310 --> 00:28:26,159

want you guys to understand this the

740

00:28:29,750 --> 00:28:28,320

environment is truth it's so outlandish

741

00:28:31,269 --> 00:28:29,760

again the only way i can handle this is

742

00:28:33,269 --> 00:28:31,279

compartmentalization i have a normal

743

00:28:36,310 --> 00:28:33,279

life i only devote so much time to this

744

00:28:37,430 --> 00:28:36,320

but this is some super wu crazy stuff so

745

00:28:39,350 --> 00:28:37,440

um

746

00:28:40,310 --> 00:28:39,360

all right so i'm sick right before i had

747

00:28:42,230 --> 00:28:40,320

a session

748

00:28:43,430 --> 00:28:42,240

and that's with an interaction where you

749

00:28:46,230 --> 00:28:43,440

kind of like this is when they're going

750

00:28:47,990 --> 00:28:46,240

to do their thing and make my ear

751  
00:28:50,230 --> 00:28:48,000  
strangely ring

752  
00:28:51,190 --> 00:28:50,240  
i was i had some food that made me very

753  
00:28:52,230 --> 00:28:51,200  
gassy

754  
00:28:54,070 --> 00:28:52,240  
okay

755  
00:28:56,470 --> 00:28:54,080  
so

756  
00:28:59,269 --> 00:28:56,480  
flatulence yes and i ripped a big one

757  
00:29:01,350 --> 00:28:59,279  
all right there's no one around so

758  
00:29:03,669 --> 00:29:01,360  
i get ready for the session

759  
00:29:05,029 --> 00:29:03,679  
upon the recording you have a female

760  
00:29:07,350 --> 00:29:05,039  
voice saying

761  
00:29:08,870 --> 00:29:07,360  
he let us stinker

762  
00:29:09,590 --> 00:29:08,880  
okay

763  
00:29:12,870 --> 00:29:09,600

so

764

00:29:16,070 --> 00:29:12,880

concerned about the minutia of what

765

00:29:20,470 --> 00:29:16,080

we're doing that they even know

766

00:29:22,549 --> 00:29:20,480

that i ripped one i farted right there

767

00:29:24,149 --> 00:29:22,559

just just just

768

00:29:26,630 --> 00:29:24,159

wrap your brain around just for a minute

769

00:29:29,909 --> 00:29:26,640

it is so beyond the pale there's a sense

770

00:29:31,750 --> 00:29:29,919

of humor that is that is like okay

771

00:29:33,590 --> 00:29:31,760

maybe that is the common denominator

772

00:29:35,669 --> 00:29:33,600

that is the bridge that we can use to

773

00:29:37,430 --> 00:29:35,679

build some kind of interaction that has

774

00:29:40,710 --> 00:29:37,440

substance because they say where they

775

00:29:43,510 --> 00:29:40,720

are they don't eat all right um and they

776

00:29:45,590 --> 00:29:43,520

did they i i guess i sent you some clips

777

00:29:47,590 --> 00:29:45,600

uh prior to this interview i mean and i

778

00:29:50,870 --> 00:29:47,600

have all the raw clips believe me i am

779

00:29:51,990 --> 00:29:50,880

willing to put it on the table my role

780

00:29:53,590 --> 00:29:52,000

clips

781

00:29:55,669 --> 00:29:53,600

everything that i have and then there's

782

00:29:57,190 --> 00:29:55,679

over fifteen hundred and going eighteen

783

00:29:59,430 --> 00:29:57,200

hundred of them now actually yeah and

784

00:30:01,350 --> 00:29:59,440

just for the benefit of the audience

785

00:30:03,510 --> 00:30:01,360

gary will be giving me some of the raw

786

00:30:05,510 --> 00:30:03,520

recordings that we're then gonna analyze

787

00:30:07,590 --> 00:30:05,520

and then have him come back sometime and

788

00:30:09,669 --> 00:30:07,600

and talk about the raw recordings

789

00:30:11,269 --> 00:30:09,679

absolutely i will i may be able to

790

00:30:14,710 --> 00:30:11,279

enhance or

791

00:30:16,630 --> 00:30:14,720

pull additional data from his data you

792

00:30:18,470 --> 00:30:16,640

got i'm interested in doing that but for

793

00:30:21,190 --> 00:30:18,480

tonight we're going to be playing his

794

00:30:23,190 --> 00:30:21,200

yes somewhat edited or you know he he

795

00:30:25,750 --> 00:30:23,200

has to do some editing and put these

796

00:30:27,590 --> 00:30:25,760

things together so that he makes sense

797

00:30:29,269 --> 00:30:27,600

and we'll be uh playing some of those

798

00:30:32,230 --> 00:30:29,279

for you guys tonight

799

00:30:34,470 --> 00:30:32,240

but we will also then be uh taking the

800

00:30:36,310 --> 00:30:34,480

raw recordings

801  
00:30:38,630 --> 00:30:36,320  
as well as he can give them to me that

802  
00:30:41,909 --> 00:30:38,640  
sounds dirty

803  
00:30:44,310 --> 00:30:41,919  
gary's gonna give me give me it raw okay

804  
00:30:45,990 --> 00:30:44,320  
you're gonna be giving it to me raw

805  
00:30:48,070 --> 00:30:46,000  
and then i am gonna take those

806  
00:30:48,870 --> 00:30:48,080  
recordings i'm gonna load them into my

807  
00:30:50,710 --> 00:30:48,880  
uh

808  
00:30:52,789 --> 00:30:50,720  
digital audio workstation software i'm

809  
00:30:55,830 --> 00:30:52,799  
going to see if i can

810  
00:30:58,070 --> 00:30:55,840  
make them clearer cleaner in some cases

811  
00:31:00,230 --> 00:30:58,080  
enhance you know compress

812  
00:31:01,430 --> 00:31:00,240  
you know make louder

813  
00:31:04,070 --> 00:31:01,440

because

814

00:31:05,830 --> 00:31:04,080

with several other people that did evps

815

00:31:07,909 --> 00:31:05,840

i have done that and

816

00:31:10,710 --> 00:31:07,919

there's a huge difference between edited

817

00:31:11,830 --> 00:31:10,720

and unedited sometimes the unedited it's

818

00:31:14,389 --> 00:31:11,840

very

819

00:31:16,470 --> 00:31:14,399

you know that that effect where

820

00:31:18,549 --> 00:31:16,480

is your mind just filling in the blanks

821

00:31:21,110 --> 00:31:18,559

or is there a pattern that your mind is

822

00:31:22,710 --> 00:31:21,120

making out of nonsense but in my

823

00:31:23,990 --> 00:31:22,720

experience once you

824

00:31:26,230 --> 00:31:24,000

you know

825

00:31:28,789 --> 00:31:26,240

maximize the loudness

826

00:31:31,509 --> 00:31:28,799

maybe eq add a little bit of clarity to

827

00:31:33,750 --> 00:31:31,519

it which is really not much enhancement

828

00:31:35,990 --> 00:31:33,760

the what is being said becomes

829

00:31:37,909 --> 00:31:36,000

incredibly clear and easier to

830

00:31:40,710 --> 00:31:37,919

distinguish so i'm interested in doing

831

00:31:42,549 --> 00:31:40,720

that yeah thank you i mean i said i have

832

00:31:45,269 --> 00:31:42,559

nothing to hide i i want to get to the

833

00:31:46,789 --> 00:31:45,279

bottom of this mystery i do uh as

834

00:31:48,310 --> 00:31:46,799

another hobby i like to play chess i

835

00:31:50,950 --> 00:31:48,320

like to solve puzzles

836

00:31:53,909 --> 00:31:50,960

the electronic voice phenomenon is an

837

00:31:56,470 --> 00:31:53,919

enigma worthy of investigation i think

838

00:31:57,350 --> 00:31:56,480

there's a i think there's a potential as

839

00:31:59,110 --> 00:31:57,360

well

840

00:32:01,190 --> 00:31:59,120

and i don't want to scare people because

841

00:32:03,509 --> 00:32:01,200

i know in some of my interviews before

842

00:32:04,710 --> 00:32:03,519

radio station stuff people get scared

843

00:32:07,350 --> 00:32:04,720

and the audience and they don't

844

00:32:09,269 --> 00:32:07,360

understand something um and you know i

845

00:32:11,990 --> 00:32:09,279

was gonna ask you because you mentioned

846

00:32:13,990 --> 00:32:12,000

a bunch of times that they are uh

847

00:32:15,430 --> 00:32:14,000

they are they have a sense of humor

848

00:32:17,750 --> 00:32:15,440

there's someone like

849

00:32:19,110 --> 00:32:17,760

pranking you or being tricksters because

850

00:32:22,630 --> 00:32:19,120

there's a whole

851  
00:32:24,149 --> 00:32:22,640  
people

852  
00:32:26,630 --> 00:32:24,159  
there's several cases i could think of

853  
00:32:29,269 --> 00:32:26,640  
where somebody was getting phone calls

854  
00:32:30,870 --> 00:32:29,279  
from what sounded like a robot voice

855  
00:32:33,110 --> 00:32:30,880  
that was

856  
00:32:35,430 --> 00:32:33,120  
pranking them and and like being a

857  
00:32:37,350 --> 00:32:35,440  
trickster yeah so there's almost this

858  
00:32:40,389 --> 00:32:37,360  
there's this belief that there are these

859  
00:32:42,950 --> 00:32:40,399  
trickster entities somewhere in the

860  
00:32:45,269 --> 00:32:42,960  
ether out there that right enjoy

861  
00:32:47,110 --> 00:32:45,279  
interacting with and messing with humans

862  
00:32:48,070 --> 00:32:47,120  
and this might be one of those cases

863  
00:32:50,310 --> 00:32:48,080

where

864

00:32:52,710 --> 00:32:50,320

some entity or group of entities has

865

00:32:55,029 --> 00:32:52,720

targeted gary and just said let's mess

866

00:32:57,590 --> 00:32:55,039

with this guy right

867

00:33:00,789 --> 00:32:57,600

and a dovetail segue right from what you

868

00:33:03,110 --> 00:33:00,799

said targeted now again i have a very

869

00:33:05,590 --> 00:33:03,120

rational approach to life so this is

870

00:33:07,669 --> 00:33:05,600

something that to me is a real challenge

871

00:33:09,750 --> 00:33:07,679

so i try to say okay well and i don't

872

00:33:11,990 --> 00:33:09,760

want to again sound conspiratorial but i

873

00:33:14,549 --> 00:33:12,000

do believe especially in the era of

874

00:33:17,110 --> 00:33:14,559

havana syndrome i do believe that there

875

00:33:20,310 --> 00:33:17,120

could be some case to be made for some

876

00:33:25,029 --> 00:33:20,320

people being targeted um with microwaves

877

00:33:27,029 --> 00:33:25,039

or something uh ultrasonic or infrasonic

878

00:33:28,549 --> 00:33:27,039

there is a potential and i try to look

879

00:33:31,269 --> 00:33:28,559

at that as well one of the people i

880

00:33:32,789 --> 00:33:31,279

enlisted to evaluate the clips

881

00:33:33,669 --> 00:33:32,799

her specialty

882

00:33:35,430 --> 00:33:33,679

is

883

00:33:37,509 --> 00:33:35,440

you know people who are targeted

884

00:33:39,110 --> 00:33:37,519

individuals who claim to be targeted so

885

00:33:42,310 --> 00:33:39,120

she goes through and she's able to

886

00:33:45,669 --> 00:33:42,320

dissect the the audio around that if

887

00:33:47,909 --> 00:33:45,679

there is uh the potential for um maybe a

888

00:33:50,389 --> 00:33:47,919

nefarious actor or you know the group

889

00:33:52,630 --> 00:33:50,399

that is uh doing things experiments on p

890

00:33:54,549 --> 00:33:52,640

on american citizens um and maybe

891

00:33:56,870 --> 00:33:54,559

they're not maybe they're cia i mean

892

00:33:58,870 --> 00:33:56,880

although you know again i'm not pointing

893

00:34:01,509 --> 00:33:58,880

the finger at anyone i don't feel like

894

00:34:02,710 --> 00:34:01,519

it's a targeted thing um and the idea

895

00:34:04,389 --> 00:34:02,720

that these

896

00:34:07,590 --> 00:34:04,399

could these interactions if i was

897

00:34:09,349 --> 00:34:07,600

targeted could um somehow anticipate my

898

00:34:11,270 --> 00:34:09,359

questions and my thinking so then they

899

00:34:13,109 --> 00:34:11,280

could answer in

900

00:34:15,589 --> 00:34:13,119

prior to when i asked the question i

901  
00:34:17,270 --> 00:34:15,599  
mean i'm open-minded enough to say that

902  
00:34:18,389 --> 00:34:17,280  
is a possibility

903  
00:34:21,190 --> 00:34:18,399  
that maybe

904  
00:34:22,149 --> 00:34:21,200  
the whole thing is uh gray on deception

905  
00:34:24,230 --> 00:34:22,159  
uh

906  
00:34:26,230 --> 00:34:24,240  
and it is not because again they claim

907  
00:34:28,710 --> 00:34:26,240  
to be alien all right i have the clip

908  
00:34:30,470 --> 00:34:28,720  
they claim to be otherworldly they claim

909  
00:34:32,869 --> 00:34:30,480  
that they don't eat where they are could

910  
00:34:35,349 --> 00:34:32,879  
this just be something part of a larger

911  
00:34:36,710 --> 00:34:35,359  
uh psyops and everything going on with

912  
00:34:38,950 --> 00:34:36,720  
satellites and

913  
00:34:41,510 --> 00:34:38,960

the potential is there i mean i i i i

914

00:34:43,990 --> 00:34:41,520

know back in the 70s you go back uh

915

00:34:45,190 --> 00:34:44,000

they're definitely the cia 60s and 70s

916

00:34:47,030 --> 00:34:45,200

they had some

917

00:34:49,270 --> 00:34:47,040

some projects going on that relate to

918

00:34:52,470 --> 00:34:49,280

some some crazy uh stuff like this or

919

00:34:54,389 --> 00:34:52,480

seemingly crazy um but yeah there's a

920

00:34:57,270 --> 00:34:54,399

there's a thing there's a there's a

921

00:34:59,030 --> 00:34:57,280

thing called bone speakers

922

00:35:01,670 --> 00:34:59,040

and there's a there's an electronic

923

00:35:04,150 --> 00:35:01,680

method by which you can beam

924

00:35:06,790 --> 00:35:04,160

to a specific individual

925

00:35:08,870 --> 00:35:06,800

audio that only they're going to hear

926  
00:35:11,190 --> 00:35:08,880  
right in other words if you had a crowd

927  
00:35:12,710 --> 00:35:11,200  
of people it works with i think it works

928  
00:35:14,950 --> 00:35:12,720  
with like a laser

929  
00:35:17,510 --> 00:35:14,960  
to do the targeting of the individual

930  
00:35:20,630 --> 00:35:17,520  
but and then they load the

931  
00:35:22,630 --> 00:35:20,640  
audio onto the light beam which is you

932  
00:35:24,710 --> 00:35:22,640  
can make a light beam visible or

933  
00:35:26,870 --> 00:35:24,720  
invisible it doesn't have to be visible

934  
00:35:29,109 --> 00:35:26,880  
and they could in a crowd full of people

935  
00:35:31,030 --> 00:35:29,119  
they could just target one person

936  
00:35:32,710 --> 00:35:31,040  
shoot this beam at them with the audio

937  
00:35:33,670 --> 00:35:32,720  
signal loaded onto the beam at their

938  
00:35:35,829 --> 00:35:33,680

head

939

00:35:38,150 --> 00:35:35,839

and then they're they're going to hear

940

00:35:41,109 --> 00:35:38,160

things that no one else in the room is

941

00:35:42,790 --> 00:35:41,119

going to hear it's bizarro but this is

942

00:35:45,510 --> 00:35:42,800

some of the technology that's available

943

00:35:47,910 --> 00:35:45,520

and out there but that would not explain

944

00:35:50,550 --> 00:35:47,920

an audio recorder picking it up

945

00:35:52,390 --> 00:35:50,560

yeah and that's that's it and so i i i

946

00:35:55,270 --> 00:35:52,400

and have you tried different

947

00:35:58,630 --> 00:35:55,280

have you tried different audio recorders

948

00:36:02,069 --> 00:35:58,640

like recorders and i've actually um this

949

00:36:04,230 --> 00:36:02,079

this model is an alcatel a205g phone

950

00:36:05,589 --> 00:36:04,240

track phone right now this is an

951  
00:36:07,270 --> 00:36:05,599  
old-school device

952  
00:36:08,870 --> 00:36:07,280  
these are great because they still have

953  
00:36:10,630 --> 00:36:08,880  
a little bit of white noise some of the

954  
00:36:12,550 --> 00:36:10,640  
modern smartphones obviously the new

955  
00:36:15,910 --> 00:36:12,560  
algorithms and stuff totally eliminate

956  
00:36:16,870 --> 00:36:15,920  
white noise uh so i've had researchers

957  
00:36:17,589 --> 00:36:16,880  
have me

958  
00:36:19,670 --> 00:36:17,599  
put

959  
00:36:21,589 --> 00:36:19,680  
phones so many meters apart different

960  
00:36:24,790 --> 00:36:21,599  
makes and models

961  
00:36:27,270 --> 00:36:24,800  
have people simultaneously record all

962  
00:36:29,349 --> 00:36:27,280  
right the newer smartphones will not

963  
00:36:30,470 --> 00:36:29,359

pick up the signal i will not pick up

964

00:36:33,750 --> 00:36:30,480

the message

965

00:36:35,510 --> 00:36:33,760

older models like this one yes they do

966

00:36:37,589 --> 00:36:35,520

and so this is

967

00:36:40,470 --> 00:36:37,599

i say this is a prop but what the phone

968

00:36:43,190 --> 00:36:40,480

has my cherished phone at home uh that

969

00:36:45,190 --> 00:36:43,200

has most of the the evps that you know i

970

00:36:46,630 --> 00:36:45,200

it's like wow these are really cool and

971

00:36:50,790 --> 00:36:46,640

you know

972

00:36:52,470 --> 00:36:50,800

key but these also do it these when the

973

00:36:55,510 --> 00:36:52,480

signal happens i'm able to pick up i

974

00:36:57,829 --> 00:36:55,520

have evps from uh what about because

975

00:36:59,589 --> 00:36:57,839

what about because i have

976  
00:37:01,349 --> 00:36:59,599  
you know those old tape recorders that

977  
00:37:03,750 --> 00:37:01,359  
would sit on a table and you put the

978  
00:37:05,829 --> 00:37:03,760  
tape in it you yeah

979  
00:37:07,589 --> 00:37:05,839  
and they were like this big by this yeah

980  
00:37:09,190 --> 00:37:07,599  
yeah you know

981  
00:37:11,270 --> 00:37:09,200  
do would those do it

982  
00:37:12,950 --> 00:37:11,280  
yeah i haven't used those um because i

983  
00:37:15,270 --> 00:37:12,960  
got a bunch of those i just happen to

984  
00:37:17,990 --> 00:37:15,280  
have a box full of those don't

985  
00:37:20,550 --> 00:37:18,000  
way way back in the day people use those

986  
00:37:21,670 --> 00:37:20,560  
with old 8-bit computers so for some

987  
00:37:23,589 --> 00:37:21,680  
reason

988  
00:37:25,670 --> 00:37:23,599

just in case i ever need an 8-bit

989

00:37:27,829 --> 00:37:25,680

computer i have a box of those in my

990

00:37:29,109 --> 00:37:27,839

garage awesome and i was thinking of

991

00:37:31,510 --> 00:37:29,119

going

992

00:37:33,829 --> 00:37:31,520

the last time that we did a show on evps

993

00:37:35,190 --> 00:37:33,839

with my friend dan we we planned on all

994

00:37:37,190 --> 00:37:35,200

these things and we didn't get to them i

995

00:37:38,790 --> 00:37:37,200

was going to go put batteries in all

996

00:37:39,750 --> 00:37:38,800

these things make sure they work get

997

00:37:41,349 --> 00:37:39,760

tapes

998

00:37:43,750 --> 00:37:41,359

and i was going to go and just place the

999

00:37:45,030 --> 00:37:43,760

tape recorders all around the graveyard

1000

00:37:47,190 --> 00:37:45,040

and then i would be there in the

1001  
00:37:48,710 --> 00:37:47,200  
graveyard asking questions

1002  
00:37:50,710 --> 00:37:48,720  
and see what happens i'm still going to

1003  
00:37:53,349 --> 00:37:50,720  
try to do that right but i'd be

1004  
00:37:55,430 --> 00:37:53,359  
interested in doing the same thing with

1005  
00:37:56,470 --> 00:37:55,440  
you somewhere and say because you're a

1006  
00:37:59,510 --> 00:37:56,480  
magnet

1007  
00:38:01,190 --> 00:37:59,520  
you know of this stuff absolutely

1008  
00:38:03,190 --> 00:38:01,200  
and it's possible i mean other people

1009  
00:38:04,950 --> 00:38:03,200  
have said oh you're a medium and i've

1010  
00:38:07,270 --> 00:38:04,960  
had people and i'm gonna

1011  
00:38:09,430 --> 00:38:07,280  
i'm gonna again uh preempt any

1012  
00:38:11,190 --> 00:38:09,440  
discussion of this i mean people ask me

1013  
00:38:13,829 --> 00:38:11,200

they've had a son commit suicide or

1014

00:38:16,150 --> 00:38:13,839

something would you please try to cut no

1015

00:38:18,310 --> 00:38:16,160

i don't i don't do it i'm not gonna

1016

00:38:21,349 --> 00:38:18,320

think that's ethical yeah yeah and it's

1017

00:38:23,750 --> 00:38:21,359

not and it's just i i number one i i

1018

00:38:26,150 --> 00:38:23,760

don't feel comfortable um

1019

00:38:27,270 --> 00:38:26,160

i think that it's uh it's something that

1020

00:38:29,750 --> 00:38:27,280

you know

1021

00:38:32,470 --> 00:38:29,760

somebody died they passed um i don't

1022

00:38:33,270 --> 00:38:32,480

want to involve myself in that um

1023

00:38:34,790 --> 00:38:33,280

it's just

1024

00:38:36,710 --> 00:38:34,800

but it has happened more than once

1025

00:38:38,310 --> 00:38:36,720

already people read about because i've

1026  
00:38:40,470 --> 00:38:38,320  
been in the papers and stuff i've tried

1027  
00:38:42,870 --> 00:38:40,480  
to the grassroots up approach taking

1028  
00:38:45,589 --> 00:38:42,880  
this outlandish message to the people

1029  
00:38:47,829 --> 00:38:45,599  
now uh you know there are obstacles in

1030  
00:38:49,190 --> 00:38:47,839  
the way i mean i went just uh just over

1031  
00:38:50,710 --> 00:38:49,200  
a month ago i was meeting with josh

1032  
00:38:52,550 --> 00:38:50,720  
gates you know the discovery channel

1033  
00:38:54,950 --> 00:38:52,560  
travel channel uh

1034  
00:38:56,550 --> 00:38:54,960  
he's he's incredible and so there are

1035  
00:38:57,910 --> 00:38:56,560  
people out there who have the resources

1036  
00:38:59,589 --> 00:38:57,920  
again that's what i'm trying to do

1037  
00:39:01,910 --> 00:38:59,599  
trying to get the message to the people

1038  
00:39:04,630 --> 00:39:01,920

but i want to be data driven you know we

1039

00:39:06,950 --> 00:39:04,640

all know that the phenomenon is real all

1040

00:39:10,069 --> 00:39:06,960

right between uf because the people in

1041

00:39:12,150 --> 00:39:10,079

uf ufo twitter ufology i mean i interact

1042

00:39:14,310 --> 00:39:12,160

with some of them they actually help me

1043

00:39:17,190 --> 00:39:14,320

some of the report uh reports that i

1044

00:39:19,990 --> 00:39:17,200

have uh listed uh on with the second

1045

00:39:21,510 --> 00:39:20,000

documentary actually are done um by um

1046

00:39:24,150 --> 00:39:21,520

one of the people and you a prominent

1047

00:39:26,790 --> 00:39:24,160

person in ufo twitter um

1048

00:39:29,030 --> 00:39:26,800

uh so it is uh you know these

1049

00:39:31,190 --> 00:39:29,040

connections have worked because i'm not

1050

00:39:33,349 --> 00:39:31,200

asking for money they're not asking i

1051

00:39:35,030 --> 00:39:33,359

said i can do you a favor if you have

1052

00:39:37,349 --> 00:39:35,040

let's say i'm someone that you're

1053

00:39:39,829 --> 00:39:37,359

looking for which i did and you're aware

1054

00:39:41,670 --> 00:39:39,839

of that um i will i will ask the

1055

00:39:43,349 --> 00:39:41,680

entities if they know where this person

1056

00:39:46,310 --> 00:39:43,359

is who's on the run

1057

00:39:47,430 --> 00:39:46,320

uh so it is something that is doable um

1058

00:39:50,230 --> 00:39:47,440

but again

1059

00:39:51,510 --> 00:39:50,240

it's not about me and i want to go back

1060

00:39:53,349 --> 00:39:51,520

to this since people are like well it's

1061

00:39:56,230 --> 00:39:53,359

you you're the one no i'm the messenger

1062

00:39:59,910 --> 00:39:56,240

in a sense um i didn't ask to be

1063

00:40:02,870 --> 00:39:59,920

involved in this um it fell into my lap

1064

00:40:05,990 --> 00:40:02,880

and and there are days and it's just

1065

00:40:07,270 --> 00:40:06,000

uh it it's so crazy and i believe i

1066

00:40:09,589 --> 00:40:07,280

haven't even scratched the surface in

1067

00:40:14,630 --> 00:40:09,599

this conversation i mean it goes so far

1068

00:40:20,069 --> 00:40:16,950

beings that for the most part are

1069

00:40:23,589 --> 00:40:20,079

condescending at times cruel

1070

00:40:27,190 --> 00:40:23,599

all right who look at humanity in in a

1071

00:40:29,510 --> 00:40:27,200

we're down on the totem pole um and and

1072

00:40:30,950 --> 00:40:29,520

i have done i i've been offended by some

1073

00:40:32,870 --> 00:40:30,960

other answers i'm going to tell you

1074

00:40:35,510 --> 00:40:32,880

again making myself quite vulnerable

1075

00:40:37,670 --> 00:40:35,520

here but you know i want to be genuine

1076

00:40:39,190 --> 00:40:37,680

all right so i got offended by some of

1077

00:40:41,430 --> 00:40:39,200

the things that they were saying the

1078

00:40:43,990 --> 00:40:41,440

answers to questions um and the

1079

00:40:46,710 --> 00:40:44,000

vulgarity sometimes used

1080

00:40:48,309 --> 00:40:46,720

and and i i can cuss like a sailor too

1081

00:40:49,589 --> 00:40:48,319

the thing is i was just like that was

1082

00:40:51,670 --> 00:40:49,599

inappropriate

1083

00:40:54,470 --> 00:40:51,680

and so i said wait i don't have to deal

1084

00:40:55,990 --> 00:40:54,480

with this negativity anymore you know i

1085

00:40:57,990 --> 00:40:56,000

can't understand when the signal happens

1086

00:41:01,589 --> 00:40:58,000

i can never understand what it is in my

1087

00:41:04,870 --> 00:41:01,599

ear i only hear the noise so without the

1088

00:41:08,230 --> 00:41:04,880

pushing record to translate that

1089

00:41:10,550 --> 00:41:08,240

it all i get is an annoying noise and so

1090

00:41:11,910 --> 00:41:10,560

i said i said

1091

00:41:13,910 --> 00:41:11,920

uh i'm not going to indulge this

1092

00:41:16,390 --> 00:41:13,920

negativity anymore all right

1093

00:41:18,950 --> 00:41:16,400

this continues you know i have a life

1094

00:41:20,390 --> 00:41:18,960

and you know it's not about you

1095

00:41:22,230 --> 00:41:20,400

and

1096

00:41:23,829 --> 00:41:22,240

the next eight recordings like again in

1097

00:41:26,230 --> 00:41:23,839

person because you don't live that far

1098

00:41:28,150 --> 00:41:26,240

away the next eight recordings i have

1099

00:41:29,990 --> 00:41:28,160

apologies i have

1100

00:41:31,670 --> 00:41:30,000

imagine again i think this is all part

1101

00:41:32,870 --> 00:41:31,680

of a manipulation

1102

00:41:35,750 --> 00:41:32,880

but

1103

00:41:39,109 --> 00:41:35,760

we're sorry i'm so sorry we can you

1104

00:41:41,670 --> 00:41:39,119

imagine invisible entities

1105

00:41:43,829 --> 00:41:41,680

telling me they're sorry that's bizarre

1106

00:41:45,670 --> 00:41:43,839

it's beyond it's it's so insane and it's

1107

00:41:47,349 --> 00:41:45,680

ludicrous maybe they enjoy that

1108

00:41:49,109 --> 00:41:47,359

interaction and they were afraid that

1109

00:41:51,030 --> 00:41:49,119

you would ignore them

1110

00:41:53,750 --> 00:41:51,040

yeah and i i talked to somebody who had

1111

00:41:54,550 --> 00:41:53,760

a similar experience to you and he told

1112

00:41:58,230 --> 00:41:54,560

me

1113

00:42:00,309 --> 00:41:58,240

whatever the entities were that he

1114

00:42:03,910 --> 00:42:00,319

believes he was interacting with so he

1115

00:42:06,150 --> 00:42:03,920

decided that even if he heard them

1116

00:42:07,589 --> 00:42:06,160

he first of all he stopped recording

1117

00:42:10,150 --> 00:42:07,599

because they pissed him off or they

1118

00:42:12,470 --> 00:42:10,160

scared him and second of all he decided

1119

00:42:14,309 --> 00:42:12,480

that even if he believed he heard them

1120

00:42:17,030 --> 00:42:14,319

he would just ignore them so he ignored

1121

00:42:19,430 --> 00:42:17,040

them for like a month and they

1122

00:42:21,750 --> 00:42:19,440

plead it with him to interact with them

1123

00:42:23,349 --> 00:42:21,760

again much like your situation it's

1124

00:42:24,710 --> 00:42:23,359

crazy and

1125

00:42:27,109 --> 00:42:24,720

again i can't emphasize for your

1126  
00:42:29,030 --> 00:42:27,119  
audience enough it's it's so outlandish

1127  
00:42:30,950 --> 00:42:29,040  
i wouldn't believe i had tuned into this

1128  
00:42:33,190 --> 00:42:30,960  
i would say that guy's insane all right

1129  
00:42:35,030 --> 00:42:33,200  
yeah that's a little out there gary even

1130  
00:42:36,870 --> 00:42:35,040  
for me it's a little out there but i'm

1131  
00:42:37,589 --> 00:42:36,880  
bringing it to the audience yeah

1132  
00:42:40,550 --> 00:42:37,599  
yeah

1133  
00:42:42,550 --> 00:42:40,560  
and i'm telling you if i admit myself

1134  
00:42:44,710 --> 00:42:42,560  
five years ago before this happened that

1135  
00:42:46,950 --> 00:42:44,720  
me met with me today would say what on

1136  
00:42:48,710 --> 00:42:46,960  
earth are you talking about because i've

1137  
00:42:50,790 --> 00:42:48,720  
never believed in hocus pocus yeah i

1138  
00:42:53,030 --> 00:42:50,800

believe in god i was raised christian

1139

00:42:56,069 --> 00:42:53,040

but you know it's just like the idea of

1140

00:42:57,430 --> 00:42:56,079

uh you know god god is in god's realm

1141

00:42:58,550 --> 00:42:57,440

and we're here and we deal with our

1142

00:43:00,309 --> 00:42:58,560

problems and

1143

00:43:01,430 --> 00:43:00,319

for the most part you know we're left

1144

00:43:03,030 --> 00:43:01,440

alone

1145

00:43:05,030 --> 00:43:03,040

this is something totally different

1146

00:43:06,710 --> 00:43:05,040

where you have

1147

00:43:09,430 --> 00:43:06,720

beings who

1148

00:43:11,670 --> 00:43:09,440

seem beyond interested they're needy all

1149

00:43:13,910 --> 00:43:11,680

right they're they're incomplete without

1150

00:43:15,670 --> 00:43:13,920

being involved in our lives but it does

1151

00:43:17,430 --> 00:43:15,680

make me worry that there's

1152

00:43:19,829 --> 00:43:17,440

an adversarial relationship with our

1153

00:43:21,670 --> 00:43:19,839

species i'm putting it on the table

1154

00:43:23,750 --> 00:43:21,680

because i worry that maybe they've

1155

00:43:26,470 --> 00:43:23,760

whispered in the ears on a subconscious

1156

00:43:28,390 --> 00:43:26,480

or a subliminal level throughout

1157

00:43:30,069 --> 00:43:28,400

humanity's history and cause people to

1158

00:43:33,030 --> 00:43:30,079

make decisions

1159

00:43:35,030 --> 00:43:33,040

decisions that only hurt our species or

1160

00:43:36,950 --> 00:43:35,040

or for maybe maybe we're nothing but

1161

00:43:40,069 --> 00:43:36,960

toys or some kind of entertainment to

1162

00:43:41,990 --> 00:43:40,079

them i have felt that's crazy the one

1163

00:43:43,829 --> 00:43:42,000

the one if you go to my website as you

1164

00:43:45,910 --> 00:43:43,839

have and there's a clip on there with

1165

00:43:47,829 --> 00:43:45,920

the entity

1166

00:43:49,430 --> 00:43:47,839

because it was a part of a series but

1167

00:43:51,349 --> 00:43:49,440

i'm only putting the one on there where

1168

00:43:53,349 --> 00:43:51,359

the entity says

1169

00:43:55,190 --> 00:43:53,359

we're sorry

1170

00:43:56,870 --> 00:43:55,200

and then there's a space

1171

00:43:58,470 --> 00:43:56,880

of silence this is all they're in

1172

00:43:59,829 --> 00:43:58,480

recording the same recording again i

1173

00:44:01,190 --> 00:43:59,839

have the rule file you can analyze it

1174

00:44:02,230 --> 00:44:01,200

out the wazoo you're going to say oh my

1175

00:44:04,230 --> 00:44:02,240

god what does this mean i don't know

1176  
00:44:06,790 --> 00:44:04,240  
what it means and then there's a space

1177  
00:44:08,870 --> 00:44:06,800  
and then they say you're our favorite

1178  
00:44:11,349 --> 00:44:08,880  
what the heck now i i took it as a

1179  
00:44:14,710 --> 00:44:11,359  
obvious manipulation all right because

1180  
00:44:16,710 --> 00:44:14,720  
i'm nobody special i'm a regular joe you

1181  
00:44:18,309 --> 00:44:16,720  
know i'm happily married i got great

1182  
00:44:19,910 --> 00:44:18,319  
kids you know

1183  
00:44:22,790 --> 00:44:19,920  
i don't need this in my life and then

1184  
00:44:24,150 --> 00:44:22,800  
you have this game being played uh where

1185  
00:44:26,470 --> 00:44:24,160  
they're needy

1186  
00:44:28,470 --> 00:44:26,480  
and then they say you're our favorite

1187  
00:44:31,190 --> 00:44:28,480  
and they just say it in a way like i'm

1188  
00:44:32,870 --> 00:44:31,200

sorry we're sorry you're our favorite

1189

00:44:35,750 --> 00:44:32,880

like

1190

00:44:39,510 --> 00:44:35,760

entertainment but beyond that maybe even

1191

00:44:41,030 --> 00:44:39,520

pets toys toys to these beings and and i

1192

00:44:43,670 --> 00:44:41,040

asked them one time i said so what do

1193

00:44:46,150 --> 00:44:43,680

you want and again i can share every one

1194

00:44:48,230 --> 00:44:46,160

of these clips i will stand on the data

1195

00:44:48,950 --> 00:44:48,240

and i'm not interpretation don't get me

1196

00:44:50,470 --> 00:44:48,960

wrong

1197

00:44:53,270 --> 00:44:50,480

accuracy interpretation that's a whole

1198

00:44:55,109 --> 00:44:53,280

different ballgame i'm saying these

1199

00:44:56,230 --> 00:44:55,119

interactions should not be possible

1200

00:44:57,270 --> 00:44:56,240

according to our understanding of

1201  
00:44:58,630 --> 00:44:57,280  
science

1202  
00:45:05,829 --> 00:44:58,640  
and

1203  
00:45:06,790 --> 00:45:05,839  
everything

1204  
00:45:08,309 --> 00:45:06,800  
okay

1205  
00:45:10,550 --> 00:45:08,319  
what is that

1206  
00:45:13,750 --> 00:45:10,560  
you want my soul and can i ask you

1207  
00:45:16,870 --> 00:45:13,760  
because you you ever mentioned

1208  
00:45:19,589 --> 00:45:16,880  
let me ask you because you mentioned it

1209  
00:45:22,150 --> 00:45:19,599  
you mentioned your wife right yes and

1210  
00:45:23,990 --> 00:45:22,160  
and that your wife

1211  
00:45:25,430 --> 00:45:24,000  
went to this place where you were having

1212  
00:45:28,069 --> 00:45:25,440  
this interactions

1213  
00:45:30,390 --> 00:45:28,079

correct in the in the library yes did

1214

00:45:33,430 --> 00:45:30,400

she audibly hear the same things that

1215

00:45:34,950 --> 00:45:33,440

you audibly hear or did she only know

1216

00:45:39,190 --> 00:45:34,960

so

1217

00:45:41,109 --> 00:45:39,200

only you audibly hear this stuff yes

1218

00:45:43,270 --> 00:45:41,119

only i hear the signal she can be

1219

00:45:45,430 --> 00:45:43,280

sitting right next to me all right she

1220

00:45:47,589 --> 00:45:45,440

can push record that's not the point the

1221

00:45:48,710 --> 00:45:47,599

point is when the signal happens it's

1222

00:45:50,550 --> 00:45:48,720

available

1223

00:45:52,390 --> 00:45:50,560

to be recorded but she can't and no one

1224

00:45:54,470 --> 00:45:52,400

else can hear it we'd use different

1225

00:45:55,829 --> 00:45:54,480

meters because i thought the same thing

1226

00:45:57,510 --> 00:45:55,839

i said was this something that

1227

00:45:59,349 --> 00:45:57,520

somebody's beaming you know is this

1228

00:46:00,470 --> 00:45:59,359

something that you know

1229

00:46:01,430 --> 00:46:00,480

it was just like

1230

00:46:03,430 --> 00:46:01,440

to me

1231

00:46:05,270 --> 00:46:03,440

i believe in occam's razor right the

1232

00:46:07,430 --> 00:46:05,280

same thing the simplest explanation

1233

00:46:09,190 --> 00:46:07,440

usually the right one and you again i

1234

00:46:11,750 --> 00:46:09,200

joke with my my brother as well the

1235

00:46:13,349 --> 00:46:11,760

simplest explanation is i'm crazy

1236

00:46:15,829 --> 00:46:13,359

that's it you know

1237

00:46:17,510 --> 00:46:15,839

because it's gotta be but but it's it's

1238

00:46:19,030 --> 00:46:17,520

not and so i there's a sense of

1239

00:46:21,430 --> 00:46:19,040

disappointment because it'd be nice to

1240

00:46:23,270 --> 00:46:21,440

just have this figured out i i've told

1241

00:46:24,470 --> 00:46:23,280

different debunkers and there are people

1242

00:46:26,470 --> 00:46:24,480

out there and that's their job and i

1243

00:46:28,390 --> 00:46:26,480

understand i wanna i want people to you

1244

00:46:30,390 --> 00:46:28,400

know challenge me to you know i want the

1245

00:46:31,510 --> 00:46:30,400

truth i want to stand on the truth

1246

00:46:33,910 --> 00:46:31,520

i gotta say

1247

00:46:34,710 --> 00:46:33,920

gary was i told him i'm like just so you

1248

00:46:36,150 --> 00:46:34,720

know

1249

00:46:38,470 --> 00:46:36,160

i tend to

1250

00:46:40,630 --> 00:46:38,480

slant to be very skeptical of many

1251

00:46:44,630 --> 00:46:40,640

things though i have an interest i have

1252

00:46:47,109 --> 00:46:44,640

an interest but i generally go about

1253

00:46:49,109 --> 00:46:47,119

looking at these things and going

1254

00:46:52,390 --> 00:46:49,119

what can i eliminate here as a

1255

00:46:55,510 --> 00:46:52,400

possibility right before we jump to some

1256

00:46:57,829 --> 00:46:55,520

crazy interdimensional beings that

1257

00:47:00,150 --> 00:46:57,839

picked gary to communicate with you know

1258

00:47:01,829 --> 00:47:00,160

yeah and and that's it so that occam's

1259

00:47:05,270 --> 00:47:01,839

right a lot of people say that some of

1260

00:47:07,109 --> 00:47:05,280

this stuff is caused by baby monitors

1261

00:47:10,390 --> 00:47:07,119

aaron weird

1262

00:47:12,710 --> 00:47:10,400

radio anomalies or you know yeah and and

1263

00:47:14,790 --> 00:47:12,720

i i would love to have

1264

00:47:17,270 --> 00:47:14,800

this prozac reason so that i could sleep

1265

00:47:18,390 --> 00:47:17,280

better at night believe me um well we

1266

00:47:21,510 --> 00:47:18,400

can help you with that because i have

1267

00:47:23,670 --> 00:47:21,520

emf i have emf meters and i have we went

1268

00:47:26,069 --> 00:47:23,680

out we had a lot of equipment yeah we

1269

00:47:27,910 --> 00:47:26,079

went out got that stuff too i again i

1270

00:47:29,910 --> 00:47:27,920

want to know

1271

00:47:32,950 --> 00:47:29,920

what this is i mean i i've been studying

1272

00:47:34,470 --> 00:47:32,960

it for four years i don't understand how

1273

00:47:36,390 --> 00:47:34,480

and the other researchers i don't

1274

00:47:38,230 --> 00:47:36,400

understand remote viewing and i try to

1275

00:47:39,589 --> 00:47:38,240

say oh maybe there's a collective

1276

00:47:40,710 --> 00:47:39,599

consciousness you know you can get more

1277

00:47:42,870 --> 00:47:40,720

exotic and

1278

00:47:44,870 --> 00:47:42,880

and we're part of a universal mind and

1279

00:47:46,710 --> 00:47:44,880

of course you know by being tapped into

1280

00:47:49,349 --> 00:47:46,720

the universal mind i can connect with

1281

00:47:51,589 --> 00:47:49,359

somebody who can see what's on that

1282

00:47:53,829 --> 00:47:51,599

table in the park in washington state on

1283

00:47:56,069 --> 00:47:53,839

the other side of the the country to me

1284

00:47:58,309 --> 00:47:56,079

that's just it's out the more exotic it

1285

00:48:01,430 --> 00:47:58,319

becomes the more unlikely all right the

1286

00:48:03,190 --> 00:48:01,440

same thing so i i'm like okay so the

1287

00:48:05,270 --> 00:48:03,200

rational thing

1288

00:48:07,349 --> 00:48:05,280

if i ca if i can eliminate

1289

00:48:08,470 --> 00:48:07,359

audio paradolia which i have because

1290

00:48:10,309 --> 00:48:08,480

i've used

1291

00:48:12,150 --> 00:48:10,319

the computer software that's being used

1292

00:48:13,750 --> 00:48:12,160

by some of the researchers now

1293

00:48:15,430 --> 00:48:13,760

is now i understand you you're a

1294

00:48:18,309 --> 00:48:15,440

computer person's you know the person

1295

00:48:20,870 --> 00:48:18,319

who programs the computer there is uh

1296

00:48:23,349 --> 00:48:20,880

you know a certain bias no matter what

1297

00:48:25,589 --> 00:48:23,359

right even random numbers we we can you

1298

00:48:27,109 --> 00:48:25,599

know random number generators a lot of

1299

00:48:29,109 --> 00:48:27,119

those aren't real they're not based on

1300

00:48:31,510 --> 00:48:29,119

something that's completely random you

1301  
00:48:33,829 --> 00:48:31,520  
can have the one website um and they

1302  
00:48:35,030 --> 00:48:33,839  
they base it on static from

1303  
00:48:36,470 --> 00:48:35,040  
thunderstorms and stuff in the

1304  
00:48:38,390 --> 00:48:36,480  
atmosphere that becomes the thing that

1305  
00:48:40,549 --> 00:48:38,400  
they tie into to make it random

1306  
00:48:42,230 --> 00:48:40,559  
otherwise it's like pseudo-random the

1307  
00:48:43,589 --> 00:48:42,240  
same thing here um

1308  
00:48:44,710 --> 00:48:43,599  
all i want to do is get to the bottom of

1309  
00:48:47,190 --> 00:48:44,720  
the mystery

1310  
00:48:50,309 --> 00:48:47,200  
there's something about this that seems

1311  
00:48:51,829 --> 00:48:50,319  
to me as a layperson all right as a

1312  
00:48:53,829 --> 00:48:51,839  
layperson

1313  
00:48:55,109 --> 00:48:53,839

who is not you know

1314

00:48:56,470 --> 00:48:55,119

technical

1315

00:48:58,230 --> 00:48:56,480

that

1316

00:48:59,589 --> 00:48:58,240

the beings and i call them beings and

1317

00:49:01,349 --> 00:48:59,599

i'm doing it out of you know the

1318

00:49:03,430 --> 00:49:01,359

goodness of my heart because i have no

1319

00:49:06,309 --> 00:49:03,440

proof that they are beings all i have

1320

00:49:08,390 --> 00:49:06,319

proof is that i can take my phone or any

1321

00:49:11,430 --> 00:49:08,400

of these phones i can put it in a

1322

00:49:13,510 --> 00:49:11,440

faraday pouch and seal it and put my

1323

00:49:15,270 --> 00:49:13,520

hand on top through the pouch

1324

00:49:16,950 --> 00:49:15,280

to push record when it happens and the

1325

00:49:18,710 --> 00:49:16,960

signal funny i was going to ask that

1326  
00:49:21,990 --> 00:49:18,720  
because i have i i have something called

1327  
00:49:24,309 --> 00:49:22,000  
privacy pouches yeah this is not

1328  
00:49:26,870 --> 00:49:24,319  
which will block any electronic signals

1329  
00:49:28,150 --> 00:49:26,880  
coming in or out so i wanted to that

1330  
00:49:30,230 --> 00:49:28,160  
would be one of the experiments that i

1331  
00:49:33,510 --> 00:49:30,240  
wanted to do is i wanted to put your

1332  
00:49:35,430 --> 00:49:33,520  
your devices inside my privacy pouches

1333  
00:49:37,109 --> 00:49:35,440  
that make sure no

1334  
00:49:38,470 --> 00:49:37,119  
electronic

1335  
00:49:40,790 --> 00:49:38,480  
it's so weird we're having this weird

1336  
00:49:41,990 --> 00:49:40,800  
interference here yeah

1337  
00:49:44,309 --> 00:49:42,000  
a bunch of times we're gonna have to

1338  
00:49:45,430 --> 00:49:44,319

check that stuff for evp voices because

1339

00:49:46,630 --> 00:49:45,440

that keeps happening i don't hear

1340

00:49:47,750 --> 00:49:46,640

anything this is you know this is my

1341

00:49:49,910 --> 00:49:47,760

right ear i know it looks like it's my

1342

00:49:51,190 --> 00:49:49,920

left leg okay but yeah that was one of

1343

00:49:53,190 --> 00:49:51,200

the things i was going to suggest that

1344

00:49:54,870 --> 00:49:53,200

we block the you put it in a faraday

1345

00:49:57,109 --> 00:49:54,880

cage or block the device from

1346

00:49:59,349 --> 00:49:57,119

electronics coming in around and if it

1347

00:50:01,030 --> 00:49:59,359

still happens it's much more compelling

1348

00:50:02,950 --> 00:50:01,040

to me because yes

1349

00:50:06,470 --> 00:50:02,960

it couldn't be radio waves or baby

1350

00:50:08,309 --> 00:50:06,480

monitors in the area or seeing audios or

1351  
00:50:09,750 --> 00:50:08,319  
anything like that

1352  
00:50:12,950 --> 00:50:09,760  
anything you want to do i mean again the

1353  
00:50:15,109 --> 00:50:12,960  
tests i'm again i'm all about the truth

1354  
00:50:15,910 --> 00:50:15,119  
and the truth is something weird's going

1355  
00:50:18,230 --> 00:50:15,920  
on

1356  
00:50:20,150 --> 00:50:18,240  
uh and i put it in a faraday pouch we

1357  
00:50:21,270 --> 00:50:20,160  
still get the communication the

1358  
00:50:22,230 --> 00:50:21,280  
interaction

1359  
00:50:24,870 --> 00:50:22,240  
uh

1360  
00:50:27,270 --> 00:50:24,880  
it just doesn't make any sense so

1361  
00:50:30,069 --> 00:50:27,280  
i'm not one to say because science is

1362  
00:50:31,990 --> 00:50:30,079  
self-correcting self-adjusting you know

1363  
00:50:34,549 --> 00:50:32,000

the the the concepts that we have of

1364

00:50:36,069 --> 00:50:34,559

maybe uh time and stuff

1365

00:50:38,950 --> 00:50:36,079

at some point in the future will be

1366

00:50:41,109 --> 00:50:38,960

antiquated and obviously wrong but it

1367

00:50:43,030 --> 00:50:41,119

will always be self-adjusting so i

1368

00:50:44,390 --> 00:50:43,040

believe i believe

1369

00:50:45,190 --> 00:50:44,400

that uh

1370

00:50:48,790 --> 00:50:45,200

that

1371

00:50:51,190 --> 00:50:48,800

i can stand on all right it's the data

1372

00:50:53,829 --> 00:50:51,200

that this doesn't make sense

1373

00:50:55,829 --> 00:50:53,839

that these beings are able to anticipate

1374

00:50:57,910 --> 00:50:55,839

again i'm using beings in the general

1375

00:51:00,069 --> 00:50:57,920

sense whether they are energies whether

1376

00:51:03,430 --> 00:51:00,079

because i mean my co-workers here know

1377

00:51:06,309 --> 00:51:03,440

what i do on the side

1378

00:51:07,829 --> 00:51:06,319

so you're the nut you're the nut at work

1379

00:51:09,430 --> 00:51:07,839

gary that nut nutty's talking to the

1380

00:51:11,349 --> 00:51:09,440

aliens again

1381

00:51:13,109 --> 00:51:11,359

in the library over there

1382

00:51:14,950 --> 00:51:13,119

they know that as long as i don't raise

1383

00:51:16,549 --> 00:51:14,960

my hand and say this is where i work and

1384

00:51:19,190 --> 00:51:16,559

make it a an issue at work they don't

1385

00:51:20,390 --> 00:51:19,200

care sure yeah and my supervisor's like

1386

00:51:23,190 --> 00:51:20,400

she's all for she's watched the

1387

00:51:24,710 --> 00:51:23,200

documentaries this is exciting stuff

1388

00:51:28,230 --> 00:51:24,720

and i said i said you know if i could

1389

00:51:29,750 --> 00:51:28,240

hang my hat if i can hang my hat on

1390

00:51:31,270 --> 00:51:29,760

this that

1391

00:51:33,190 --> 00:51:31,280

there's something going on here that's

1392

00:51:35,990 --> 00:51:33,200

novel that's enough i'm going i'm going

1393

00:51:37,910 --> 00:51:36,000

to reel in like i said it's almost like

1394

00:51:39,510 --> 00:51:37,920

on my fishing line there's this trophy

1395

00:51:41,670 --> 00:51:39,520

fish all right i'm going to take my time

1396

00:51:44,630 --> 00:51:41,680

i'm in no rush i want the data and

1397

00:51:47,109 --> 00:51:44,640

that's why when my documentary says it's

1398

00:51:49,430 --> 00:51:47,119

called subterranean seance the evidence

1399

00:51:50,950 --> 00:51:49,440

speaks right it speaks it speaks for

1400

00:51:52,549 --> 00:51:50,960

itself all right

1401

00:51:54,309 --> 00:51:52,559

let me ask you i had some other

1402

00:51:55,589 --> 00:51:54,319

questions yes please

1403

00:51:57,750 --> 00:51:55,599

okay

1404

00:51:59,190 --> 00:51:57,760

when you you said that it used to be

1405

00:52:00,630 --> 00:51:59,200

only at this library that you were

1406

00:52:02,150 --> 00:52:00,640

getting these messages now you're saying

1407

00:52:04,870 --> 00:52:02,160

it could be it could be literally

1408

00:52:06,549 --> 00:52:04,880

anywhere yeah you could come like let's

1409

00:52:08,069 --> 00:52:06,559

let's say for example you came to my

1410

00:52:09,750 --> 00:52:08,079

home yep because that would be a

1411

00:52:11,990 --> 00:52:09,760

comfortable place to do it and i got all

1412

00:52:13,910 --> 00:52:12,000

these tape recorders digital recorders i

1413

00:52:15,589 --> 00:52:13,920

could lay out 20 different recorders and

1414

00:52:17,750 --> 00:52:15,599

put you in the middle of them sounds

1415

00:52:19,270 --> 00:52:17,760

good you could get you think you could

1416

00:52:22,710 --> 00:52:19,280

get the same effect oh yeah what

1417

00:52:25,349 --> 00:52:22,720

happened with me watching you yes

1418

00:52:27,270 --> 00:52:25,359

several years ago and this was um

1419

00:52:29,030 --> 00:52:27,280

it came to me i was like man every time

1420

00:52:31,589 --> 00:52:29,040

i have to go to the library

1421

00:52:33,829 --> 00:52:31,599

i ask them and can you just kind of

1422

00:52:35,829 --> 00:52:33,839

ballsy i said it's all right i said is

1423

00:52:38,710 --> 00:52:35,839

there a way that we don't have to limit

1424

00:52:41,430 --> 00:52:38,720

me to weekdays during my lunch break in

1425

00:52:43,750 --> 00:52:41,440

the library i said if you're real

1426

00:52:46,230 --> 00:52:43,760

and then the answer was yes we can come

1427

00:52:48,549 --> 00:52:46,240

with you and i said okay so i'm no

1428

00:52:49,750 --> 00:52:48,559

longer tethered to the library here uh

1429

00:52:52,150 --> 00:52:49,760

so it's happening do you think that's a

1430

00:52:53,910 --> 00:52:52,160

bad idea if they're demonic though

1431

00:52:56,230 --> 00:52:53,920

you're like yeah just come hang out with

1432

00:52:59,109 --> 00:52:56,240

me every day right home party come

1433

00:52:59,829 --> 00:52:59,119

forward no uh so you've you've read some

1434

00:53:01,030 --> 00:52:59,839

of

1435

00:53:04,309 --> 00:53:01,040

the stuff with skin walker the

1436

00:53:05,670 --> 00:53:04,319

hitchhiker uh idea these things follow

1437

00:53:07,829 --> 00:53:05,680

attached themselves

1438

00:53:09,829 --> 00:53:07,839

i invited the vampires

1439

00:53:11,990 --> 00:53:09,839

and and there's part of me that thinks

1440

00:53:15,030 --> 00:53:12,000

that there's a potential

1441

00:53:16,710 --> 00:53:15,040

again maybe i'm just again stretching it

1442

00:53:18,950 --> 00:53:16,720

i don't want to go beyond the data all

1443

00:53:21,670 --> 00:53:18,960

right but the potential

1444

00:53:24,470 --> 00:53:21,680

that these are some kind of psychic

1445

00:53:27,190 --> 00:53:24,480

vampires that they feed on emotion

1446

00:53:29,589 --> 00:53:27,200

energy uh but i don't get stressed i

1447

00:53:31,670 --> 00:53:29,599

mean i think maybe because i just i know

1448

00:53:33,670 --> 00:53:31,680

i found a few other weaknesses which you

1449

00:53:35,829 --> 00:53:33,680

can't i'll share privately there are

1450

00:53:36,630 --> 00:53:35,839

things about them that

1451  
00:53:38,710 --> 00:53:36,640  
they

1452  
00:53:39,750 --> 00:53:38,720  
number one i know how to get them so

1453  
00:53:42,150 --> 00:53:39,760  
that they're

1454  
00:53:43,750 --> 00:53:42,160  
they'll stop doing what they do if it's

1455  
00:53:46,549 --> 00:53:43,760  
annoying without having to say i'm not

1456  
00:53:48,790 --> 00:53:46,559  
going to talk to you anymore um

1457  
00:53:51,349 --> 00:53:48,800  
but they they're they're such needy

1458  
00:53:53,190 --> 00:53:51,359  
beings when i say that they they need to

1459  
00:53:55,510 --> 00:53:53,200  
be

1460  
00:53:58,790 --> 00:53:55,520  
acknowledged they want what they wanted

1461  
00:54:01,349 --> 00:53:58,800  
from me which i am obviously giving them

1462  
00:54:03,829 --> 00:54:01,359  
is recognition they want people

1463  
00:54:06,390 --> 00:54:03,839

general public to know that they exist

1464

00:54:08,309 --> 00:54:06,400

that's and it's crazy because one of the

1465

00:54:09,829 --> 00:54:08,319

early interviews i had and i said i'm

1466

00:54:12,470 --> 00:54:09,839

going to tell you it makes me think of

1467

00:54:14,870 --> 00:54:12,480

horton hears the who dr seuss i said i'm

1468

00:54:17,270 --> 00:54:14,880

not stupid i'm that stupid elephant

1469

00:54:19,109 --> 00:54:17,280

running around trying to convince

1470

00:54:20,950 --> 00:54:19,119

all the other animals in the forest hey

1471

00:54:22,870 --> 00:54:20,960

i hear something you know i mean

1472

00:54:25,270 --> 00:54:22,880

literally figured and it's just like and

1473

00:54:27,109 --> 00:54:25,280

i said i said i said dad what a terrible

1474

00:54:29,349 --> 00:54:27,119

job at it is that who put me on this

1475

00:54:31,750 --> 00:54:29,359

mission because you know i'm just like i

1476

00:54:34,230 --> 00:54:31,760

don't know why and then i've asked them

1477

00:54:36,230 --> 00:54:34,240

again and they say again you're our

1478

00:54:38,390 --> 00:54:36,240

favorite and i said come on that's such

1479

00:54:41,349 --> 00:54:38,400

a manipulative thing to say so everybody

1480

00:54:43,589 --> 00:54:41,359

wants to feel special i'm aware of that

1481

00:54:45,430 --> 00:54:43,599

i don't believe i'm special maybe that

1482

00:54:49,109 --> 00:54:45,440

makes me i don't know maybe because i

1483

00:54:52,870 --> 00:54:49,119

mean my wife said oh no you're too

1484

00:54:55,510 --> 00:54:52,880

whatever i mean i'm just like you know

1485

00:54:56,870 --> 00:54:55,520

i used to and i know

1486

00:54:58,630 --> 00:54:56,880

my wife she's like oh don't talk about

1487

00:55:01,190 --> 00:54:58,640

that i used to be in a band in the 90s

1488

00:55:03,349 --> 00:55:01,200

and stuff i used to enjoy uh bathing in

1489

00:55:05,030 --> 00:55:03,359

in in the recognition of when you're on

1490

00:55:07,270 --> 00:55:05,040

stage or when hearing yourself on the

1491

00:55:08,870 --> 00:55:07,280

radio a couple radio stations uh isn't

1492

00:55:10,950 --> 00:55:08,880

that funny though i did the same thing

1493

00:55:14,390 --> 00:55:10,960

but isn't it funny like after kids you

1494

00:55:20,230 --> 00:55:16,710

i've had two i've had plenty i've had

1495

00:55:23,750 --> 00:55:20,240

more than any man should have so i

1496

00:55:25,750 --> 00:55:23,760

so all that aside um you know i i don't

1497

00:55:28,309 --> 00:55:25,760

think they're really able to stroke my

1498

00:55:31,030 --> 00:55:28,319

ego by by saying certain things because

1499

00:55:34,309 --> 00:55:31,040

i'm like [h\_\_h] it i don't give a damn i

1500

00:55:37,510 --> 00:55:34,319

mean you need something from me i i'm

1501  
00:55:40,630 --> 00:55:37,520  
only going to give you 10 of my time my

1502  
00:55:42,470 --> 00:55:40,640  
awake time uh to to

1503  
00:55:45,190 --> 00:55:42,480  
figure out what you want to do with this

1504  
00:55:46,950 --> 00:55:45,200  
but it's crazy it's crazy stuff

1505  
00:55:49,670 --> 00:55:46,960  
uh you know when you're talking about

1506  
00:55:51,430 --> 00:55:49,680  
beings making jokes of flatulence and at

1507  
00:55:53,349 --> 00:55:51,440  
this but other times

1508  
00:55:56,630 --> 00:55:53,359  
talking about things that you know

1509  
00:56:00,230 --> 00:55:56,640  
are vulgar uh profane

1510  
00:56:02,390 --> 00:56:00,240  
religious i i tested on them one time i

1511  
00:56:04,230 --> 00:56:02,400  
read the lord's prayer

1512  
00:56:06,549 --> 00:56:04,240  
because i wanted to see is there you

1513  
00:56:08,390 --> 00:56:06,559

know what some people call demons here

1514

00:56:10,470 --> 00:56:08,400

um so i'm reading it

1515

00:56:12,950 --> 00:56:10,480

and the earrings starts

1516

00:56:15,270 --> 00:56:12,960

all right the strange coded crystalline

1517

00:56:18,230 --> 00:56:15,280

almost insect sound as i'm saying i push

1518

00:56:20,470 --> 00:56:18,240

record can hear my voice

1519

00:56:23,109 --> 00:56:20,480

and then upon playback

1520

00:56:25,109 --> 00:56:23,119

you hear the voice interrupt i don't

1521

00:56:25,910 --> 00:56:25,119

think so all right

1522

00:56:30,950 --> 00:56:25,920

like

1523

00:56:32,789 --> 00:56:30,960

consider it you know um

1524

00:56:34,309 --> 00:56:32,799

poetry in many ways you know talk about

1525

00:56:36,390 --> 00:56:34,319

what i'm saying

1526

00:56:38,230 --> 00:56:36,400

i i went to school and that's no matter

1527

00:56:40,470 --> 00:56:38,240

what even if you don't believe the bible

1528

00:56:42,710 --> 00:56:40,480

it's part of the influence on western

1529

00:56:44,309 --> 00:56:42,720

culture so i can say from literature you

1530

00:56:45,190 --> 00:56:44,319

know from a literary standpoint this is

1531

00:56:49,270 --> 00:56:45,200

important

1532

00:56:50,069 --> 00:56:49,280

and to find that kind of uh of like okay

1533

00:56:55,190 --> 00:56:50,079

no

1534

00:56:56,789 --> 00:56:55,200

that was the attitude and i'm like ah

1535

00:56:58,390 --> 00:56:56,799

this is so i don't really need to deal

1536

00:57:00,230 --> 00:56:58,400

with this i mean

1537

00:57:01,990 --> 00:57:00,240

you can create these little games and

1538

00:57:04,069 --> 00:57:02,000

that's what i think they love games and

1539

00:57:06,309 --> 00:57:04,079

they love they love um

1540

00:57:10,230 --> 00:57:06,319

because when when the united states

1541

00:57:11,109 --> 00:57:10,240

uh i was doing a remote view for

1542

00:57:17,430 --> 00:57:11,119

uh

1543

00:57:19,910 --> 00:57:17,440

group and can't say this person's name

1544

00:57:22,309 --> 00:57:19,920

and we were getting ready to um

1545

00:57:23,430 --> 00:57:22,319

we we struck and we knew iran was gonna

1546

00:57:25,109 --> 00:57:23,440

strike back

1547

00:57:27,190 --> 00:57:25,119

all right so you knew that night

1548

00:57:28,789 --> 00:57:27,200

when the missiles were flying and our

1549

00:57:30,789 --> 00:57:28,799

boys were huddling and

1550

00:57:33,109 --> 00:57:30,799

uh you know

1551  
00:57:35,510 --> 00:57:33,119  
some of them suffered concussions

1552  
00:57:37,750 --> 00:57:35,520  
but i did a remote view then because we

1553  
00:57:40,390 --> 00:57:37,760  
wanted to know

1554  
00:57:43,109 --> 00:57:40,400  
what iran would do after that

1555  
00:57:44,470 --> 00:57:43,119  
all right and uh anyhow

1556  
00:57:46,069 --> 00:57:44,480  
the message came back so that they're

1557  
00:57:48,309 --> 00:57:46,079  
aware of world events or they're

1558  
00:57:51,030 --> 00:57:48,319  
watching everything we're doing

1559  
00:57:53,510 --> 00:57:51,040  
i think they're instrumental in maybe

1560  
00:57:56,309 --> 00:57:53,520  
doing things to certain people like i'm

1561  
00:57:57,670 --> 00:57:56,319  
gonna say certain people in the world

1562  
00:57:59,750 --> 00:57:57,680  
are more

1563  
00:58:02,230 --> 00:57:59,760

uh influential

1564

00:58:03,990 --> 00:58:02,240

so so they can if they can whisper in

1565

00:58:05,109 --> 00:58:04,000

that person's ear and cause them to do

1566

00:58:06,870 --> 00:58:05,119

something

1567

00:58:09,430 --> 00:58:06,880

uh they can get a result that maybe it

1568

00:58:11,750 --> 00:58:09,440

takes more effort to maybe it doesn't

1569

00:58:13,030 --> 00:58:11,760

for the for the population most people

1570

00:58:14,630 --> 00:58:13,040

to be involved you know if you can have

1571

00:58:16,630 --> 00:58:14,640

your leaders screwed up then your

1572

00:58:19,430 --> 00:58:16,640

country you know look through history

1573

00:58:21,510 --> 00:58:19,440

you know whether it be rome or germany

1574

00:58:24,230 --> 00:58:21,520

a bad leader can lead a lot of people

1575

00:58:26,230 --> 00:58:24,240

astray um and that's the thing on that

1576

00:58:27,670 --> 00:58:26,240

one clip that i share with actually a

1577

00:58:31,109 --> 00:58:27,680

couple of them

1578

00:58:33,589 --> 00:58:31,119

in in 2019 pre pandemic my wife and i

1579

00:58:35,349 --> 00:58:33,599

we're in the library um

1580

00:58:36,870 --> 00:58:35,359

and uh you know we're the only ones

1581

00:58:40,309 --> 00:58:36,880

there and

1582

00:58:41,670 --> 00:58:40,319

um i asked about you know

1583

00:58:43,670 --> 00:58:41,680

what the future is going to be like with

1584

00:58:44,950 --> 00:58:43,680

the election and stuff i started having

1585

00:58:46,470 --> 00:58:44,960

some political yeah we're going to get

1586

00:58:47,589 --> 00:58:46,480

into that because i have some questions

1587

00:58:48,950 --> 00:58:47,599

about that well that's the first

1588

00:58:51,030 --> 00:58:48,960

question that i have here to play we

1589

00:58:53,430 --> 00:58:51,040

could get it for somebody

1590

00:58:55,510 --> 00:58:53,440

pre-pandemic and just just just so

1591

00:58:56,630 --> 00:58:55,520

everybody understands this is the first

1592

00:58:58,470 --> 00:58:56,640

this is a

1593

00:59:01,430 --> 00:58:58,480

sort of a part one of what we're

1594

00:59:02,710 --> 00:59:01,440

intending to do here yeah and uh gary to

1595

00:59:05,829 --> 00:59:02,720

his credit

1596

00:59:06,789 --> 00:59:05,839

has agreed to say here's all my raw data

1597

00:59:09,030 --> 00:59:06,799

and then

1598

00:59:10,710 --> 00:59:09,040

so far agreed that he will do one of

1599

00:59:11,670 --> 00:59:10,720

these sessions with me

1600

00:59:15,349 --> 00:59:11,680

present

1601  
00:59:17,589 --> 00:59:15,359  
with some of my equipment and we'll see

1602  
00:59:20,230 --> 00:59:17,599  
what happens

1603  
00:59:22,390 --> 00:59:20,240  
step towards towards a bigger sort of

1604  
00:59:24,150 --> 00:59:22,400  
bigger project

1605  
00:59:25,990 --> 00:59:24,160  
of covering this i'm very curious to see

1606  
00:59:27,829 --> 00:59:26,000  
if you can reproduce this

1607  
00:59:29,270 --> 00:59:27,839  
with me present and just to be clear i'm

1608  
00:59:30,230 --> 00:59:29,280  
not saying that you're faking it or

1609  
00:59:31,030 --> 00:59:30,240  
whatever

1610  
00:59:33,829 --> 00:59:31,040  
but

1611  
00:59:35,349 --> 00:59:33,839  
i'm gonna do everything that i can do

1612  
00:59:38,470 --> 00:59:35,359  
to make sure that

1613  
00:59:40,710 --> 00:59:38,480

uh i can be sure that you're not somehow

1614

00:59:41,750 --> 00:59:40,720

generating this or hoaxing it or what

1615

00:59:44,549 --> 00:59:41,760

whatever

1616

00:59:48,470 --> 00:59:44,559

absolutely i want i want you to actually

1617

00:59:50,789 --> 00:59:48,480

buy uh i know i'll i'll buy an unopened

1618

00:59:51,990 --> 00:59:50,799

uh phone of this man i can get one yeah

1619

00:59:54,630 --> 00:59:52,000

i can get one

1620

00:59:57,109 --> 00:59:54,640

look i'm telling you i will stand on

1621

00:59:59,990 --> 00:59:57,119

this phenomenon is so out there and they

1622

01:00:02,630 --> 01:00:00,000

they don't mind other people so i have

1623

01:00:04,789 --> 01:00:02,640

no problem i'm sure i will deliver and

1624

01:00:06,470 --> 01:00:04,799

you'll have something to talk about um

1625

01:00:09,190 --> 01:00:06,480

yeah they're gonna come back after we do

1626  
01:00:11,349 --> 01:00:09,200  
that yeah yeah oh yeah look like i said

1627  
01:00:13,510 --> 01:00:11,359  
this is a crazy stuff i it's only a

1628  
01:00:15,270 --> 01:00:13,520  
small part of my life and it's so weird

1629  
01:00:16,870 --> 01:00:15,280  
to find you because you're so close to

1630  
01:00:18,309 --> 01:00:16,880  
me like yeah

1631  
01:00:20,150 --> 01:00:18,319  
normally i find somebody like you and

1632  
01:00:21,990 --> 01:00:20,160  
they're like yeah fly out to california

1633  
01:00:23,750 --> 01:00:22,000  
and we'll you know i'm like yeah that's

1634  
01:00:26,390 --> 01:00:23,760  
kind of a hassle but you're a short

1635  
01:00:28,549 --> 01:00:26,400  
drive from me yeah you're 40 minutes 40

1636  
01:00:30,710 --> 01:00:28,559  
minutes away i mean it's it's a helping

1637  
01:00:32,150 --> 01:00:30,720  
to skip uh let's let's get to these

1638  
01:00:33,750 --> 01:00:32,160

clips sure

1639

01:00:35,349 --> 01:00:33,760

let's get to these clips

1640

01:00:37,270 --> 01:00:35,359

all right we're gonna the first one has

1641

01:00:39,349 --> 01:00:37,280

to do with the election which uh is

1642

01:00:40,870 --> 01:00:39,359

weird to me because they don't make an

1643

01:00:42,630 --> 01:00:40,880

accurate prediction

1644

01:00:44,230 --> 01:00:42,640

but i agree with what you said and by

1645

01:00:46,309 --> 01:00:44,240

the way we don't say that letter of the

1646

01:00:47,910 --> 01:00:46,319

alphabet here because uh

1647

01:00:50,789 --> 01:00:47,920

youtube doesn't like that letter of the

1648

01:00:52,870 --> 01:00:50,799

alphabet so the alphabet the alphabet

1649

01:00:55,030 --> 01:00:52,880

conspiracy people could interpret this

1650

01:00:57,030 --> 01:00:55,040

in a certain kind of a way and just to

1651  
01:00:58,870 --> 01:00:57,040  
be clear gary there was some other stuff

1652  
01:01:01,270 --> 01:00:58,880  
in this video which showed like riots

1653  
01:01:03,109 --> 01:01:01,280  
and violence i had to pick past that

1654  
01:01:06,230 --> 01:01:03,119  
because youtube doesn't like depictions

1655  
01:01:07,990 --> 01:01:06,240  
of you got it gross violence so i've got

1656  
01:01:09,430 --> 01:01:08,000  
this queued up this is the first one

1657  
01:01:10,789 --> 01:01:09,440  
where you ask who's going to win the

1658  
01:01:12,549 --> 01:01:10,799  
election

1659  
01:01:14,390 --> 01:01:12,559  
you've got it queued up

1660  
01:01:15,510 --> 01:01:14,400  
well i've got it queued up so that i

1661  
01:01:18,230 --> 01:01:15,520  
passed the

1662  
01:01:21,109 --> 01:01:18,240  
uh oh yeah sorry yeah yeah that's it i

1663  
01:01:22,950 --> 01:01:21,119

just said not to do that damn it damn it

1664

01:01:25,910 --> 01:01:22,960

all right here we go

1665

01:01:25,920 --> 01:01:37,589

who is going to win

1666

01:01:41,910 --> 01:01:39,750

i have headphones on so to me it seems

1667

01:01:44,150 --> 01:01:41,920

very clear that it's saying donald trump

1668

01:01:45,510 --> 01:01:44,160

but i'm curious what the live audience

1669

01:01:46,950 --> 01:01:45,520

thinks if they're not listening on

1670

01:01:49,990 --> 01:01:46,960

headphones and i'd have to listen to

1671

01:01:52,230 --> 01:01:50,000

this i have listened to this often and

1672

01:01:54,230 --> 01:01:52,240

with headphones off and on and i will

1673

01:01:56,390 --> 01:01:54,240

say the same thing about your apparent

1674

01:01:58,630 --> 01:01:56,400

captures that i have about others that

1675

01:02:02,069 --> 01:01:58,640

it's it's much easier to

1676  
01:02:03,270 --> 01:02:02,079  
discern it or to to hear the words that

1677  
01:02:04,470 --> 01:02:03,280  
you're saying it's saying with

1678  
01:02:06,470 --> 01:02:04,480  
headphones

1679  
01:02:08,470 --> 01:02:06,480  
and on open-air speakers it's a little

1680  
01:02:11,109 --> 01:02:08,480  
more difficult but i did sit with some

1681  
01:02:13,349 --> 01:02:11,119  
really good speakers in my basement

1682  
01:02:15,430 --> 01:02:13,359  
these big huge old sansui speakers i

1683  
01:02:17,349 --> 01:02:15,440  
have and it was very clear that

1684  
01:02:19,829 --> 01:02:17,359  
it appears to be saying donald trump

1685  
01:02:23,590 --> 01:02:19,839  
who's going to win the u.s presidential

1686  
01:02:23,590 --> 01:02:23,600  
election of 2020.

1687  
01:02:23,600 --> 01:02:28,630  
[Music]

1688  
01:02:34,069 --> 01:02:31,430

so there we go there's the first one but

1689

01:02:36,069 --> 01:02:34,079

why do you think then that they got the

1690

01:02:38,950 --> 01:02:36,079

prediction wrong

1691

01:02:41,109 --> 01:02:38,960

all right so as you know um i

1692

01:02:42,630 --> 01:02:41,119

had to swap out the actual answer comes

1693

01:02:44,150 --> 01:02:42,640

before the question in the raw clip

1694

01:02:44,950 --> 01:02:44,160

which of course i can share with you any

1695

01:02:47,029 --> 01:02:44,960

time

1696

01:02:49,349 --> 01:02:47,039

um why that's what i don't understand

1697

01:02:52,069 --> 01:02:49,359

they answer the question before you

1698

01:02:54,630 --> 01:02:52,079

before utilize it so you just think of a

1699

01:02:57,029 --> 01:02:54,640

question and they answer it yes correct

1700

01:02:59,430 --> 01:02:57,039

okay so again are they telepathic i

1701

01:03:01,270 --> 01:02:59,440

don't know um because i've done research

1702

01:03:03,029 --> 01:03:01,280

for other people outside of my knowledge

1703

01:03:05,109 --> 01:03:03,039

base that they're getting those answers

1704

01:03:07,990 --> 01:03:05,119

right so that tells me maybe it's way

1705

01:03:11,750 --> 01:03:08,000

beyond just me um maybe i'm a focal

1706

01:03:14,309 --> 01:03:11,760

point in some other sense but so i think

1707

01:03:16,470 --> 01:03:14,319

i think and this is just my take on it

1708

01:03:19,190 --> 01:03:16,480

um and uh there are people out there

1709

01:03:21,829 --> 01:03:19,200

that do believe he won all right um

1710

01:03:25,190 --> 01:03:21,839

crazy people um we don't hear we don't

1711

01:03:27,990 --> 01:03:25,200

hear just from ai algorithm gods uh

1712

01:03:29,430 --> 01:03:28,000

youtube we we stand by the results of

1713

01:03:30,710 --> 01:03:29,440

the actual

1714

01:03:32,950 --> 01:03:30,720

right right

1715

01:03:35,750 --> 01:03:32,960

yeah i buried the clip i was told to

1716

01:03:37,430 --> 01:03:35,760

bury that when

1717

01:03:40,230 --> 01:03:37,440

because they said to be problematic

1718

01:03:41,430 --> 01:03:40,240

remember this this was recorded in

1719

01:03:43,190 --> 01:03:41,440

september

1720

01:03:45,190 --> 01:03:43,200

2020. this was the question on

1721

01:03:47,430 --> 01:03:45,200

everybody's mind so i said i'm going to

1722

01:03:48,630 --> 01:03:47,440

ask all right now earlier what you

1723

01:03:51,029 --> 01:03:48,640

didn't show

1724

01:03:53,190 --> 01:03:51,039

is an entity saying and that was

1725

01:03:55,750 --> 01:03:53,200

recorded in 2019

1726

01:03:57,430 --> 01:03:55,760

pre-pandemic which again mystified me

1727

01:04:00,309 --> 01:03:57,440

the entity said

1728

01:04:01,750 --> 01:04:00,319

makes it hell for voting nobody knew

1729

01:04:03,750 --> 01:04:01,760

what does that mean it makes it hell for

1730

01:04:05,510 --> 01:04:03,760

voting at the time i'm like wow that

1731

01:04:08,230 --> 01:04:05,520

just sounds crazy i mean most of the

1732

01:04:09,990 --> 01:04:08,240

stuff sounds crazy but um

1733

01:04:12,069 --> 01:04:10,000

and then the pandemic comes and then you

1734

01:04:13,270 --> 01:04:12,079

realize people are you know sheltering

1735

01:04:15,670 --> 01:04:13,280

in place and everything and you start

1736

01:04:17,510 --> 01:04:15,680

realizing maybe there is a problem

1737

01:04:19,910 --> 01:04:17,520

uh with you know the way things will

1738

01:04:21,670 --> 01:04:19,920

happen when it comes to voting luckily

1739

01:04:23,670 --> 01:04:21,680

mail-in voting came along and people

1740

01:04:26,069 --> 01:04:23,680

were able to you know to to get their

1741

01:04:28,230 --> 01:04:26,079

votes out there and still get counted

1742

01:04:29,510 --> 01:04:28,240

but there was definitely and i i i'm

1743

01:04:30,870 --> 01:04:29,520

going to say

1744

01:04:33,990 --> 01:04:30,880

my feeling

1745

01:04:36,150 --> 01:04:34,000

is that our democracy came the closest

1746

01:04:38,710 --> 01:04:36,160

certainly during my lifetime to a

1747

01:04:39,430 --> 01:04:38,720

disaster within the last degree of that

1748

01:04:40,630 --> 01:04:39,440

yeah

1749

01:04:43,670 --> 01:04:40,640

and i think

1750

01:04:45,190 --> 01:04:43,680

it will only bear

1751

01:04:47,430 --> 01:04:45,200

the people who

1752

01:04:49,829 --> 01:04:47,440

think that was an innocent display on

1753

01:04:53,270 --> 01:04:49,839

january 6th

1754

01:04:55,510 --> 01:04:53,280

are lost the that is not the way

1755

01:04:56,630 --> 01:04:55,520

our democracy works i mean it may be

1756

01:04:58,230 --> 01:04:56,640

when you talk about revolutions and

1757

01:05:01,589 --> 01:04:58,240

stuff but there was nothing that was

1758

01:05:02,950 --> 01:05:01,599

deserving to sacrifice our democracy for

1759

01:05:06,069 --> 01:05:02,960

one man

1760

01:05:08,230 --> 01:05:06,079

all right so um and that's all he ego he

1761

01:05:10,230 --> 01:05:08,240

was quick to stab pence right in the

1762

01:05:12,069 --> 01:05:10,240

back too so

1763

01:05:15,109 --> 01:05:12,079

that was funny i'm telling her like it

1764

01:05:17,510 --> 01:05:15,119

is but the entities

1765

01:05:19,109 --> 01:05:17,520

seem set on either playing a game and i

1766

01:05:21,430 --> 01:05:19,119

said it again i want to preface this

1767

01:05:23,270 --> 01:05:21,440

they're mischievous do not believe in

1768

01:05:24,309 --> 01:05:23,280

the accuracy even though i asked the

1769

01:05:28,549 --> 01:05:24,319

question

1770

01:05:30,549 --> 01:05:28,559

they gave an intelligent response to the

1771

01:05:31,750 --> 01:05:30,559

question

1772

01:05:35,109 --> 01:05:31,760

and

1773

01:05:37,349 --> 01:05:35,119

you know a fast way for me to be hated

1774

01:05:38,789 --> 01:05:37,359

or loved by 50 million people was to

1775

01:05:40,309 --> 01:05:38,799

take a stand on this and make it as

1776

01:05:42,069 --> 01:05:40,319

public as possible

1777

01:05:43,750 --> 01:05:42,079

because you know some people would be

1778

01:05:45,910 --> 01:05:43,760

like oh my god there's the truth or the

1779

01:05:47,990 --> 01:05:45,920

oh my god that guy is in league with the

1780

01:05:49,829 --> 01:05:48,000

devil you know i mean he's trying to

1781

01:05:52,069 --> 01:05:49,839

cause more chaos so i stepped back i

1782

01:05:54,230 --> 01:05:52,079

buried and i shared with you

1783

01:05:55,750 --> 01:05:54,240

uh but you know because i i'm not saying

1784

01:05:59,349 --> 01:05:55,760

that it's not a harmless clip even right

1785

01:06:02,069 --> 01:05:59,359

now the idea that there are invisible

1786

01:06:03,349 --> 01:06:02,079

entities or claim to be otherworldly

1787

01:06:06,789 --> 01:06:03,359

or alien

1788

01:06:08,710 --> 01:06:06,799

willing to divulge a secret or even stir

1789

01:06:10,309 --> 01:06:08,720

up more chaos by

1790

01:06:12,789 --> 01:06:10,319

telling a lie

1791

01:06:14,950 --> 01:06:12,799

that goes back to what the hell are they

1792

01:06:16,789 --> 01:06:14,960

that's what matters here you know is

1793

01:06:18,390 --> 01:06:16,799

there an agenda is there an adversary

1794

01:06:20,390 --> 01:06:18,400

relationship are they playing an f in

1795

01:06:23,430 --> 01:06:20,400

game with us and if they are we need to

1796

01:06:26,390 --> 01:06:23,440

figure a way to deal with that because

1797

01:06:28,230 --> 01:06:26,400

that's a sobering thought um so yeah

1798

01:06:31,109 --> 01:06:28,240

there's a certain gravity to what i'm

1799

01:06:32,950 --> 01:06:31,119

trying to uh to convey here there are

1800

01:06:34,870 --> 01:06:32,960

jokes there are there's a sense of humor

1801

01:06:36,789 --> 01:06:34,880

that at times is twisted

1802

01:06:40,230 --> 01:06:36,799

and there are other times when it's

1803

01:06:41,270 --> 01:06:40,240

downright cruel and and perhaps

1804

01:06:44,230 --> 01:06:41,280

uh

1805

01:06:47,270 --> 01:06:44,240

is a destabilizing element that is

1806

01:06:49,349 --> 01:06:47,280

trying to

1807

01:06:51,589 --> 01:06:49,359

one hand get recognized they exist on

1808

01:06:53,270 --> 01:06:51,599

another hand yeah and interfere with and

1809

01:06:55,430 --> 01:06:53,280

mess with us yeah yeah on another hand

1810

01:06:56,870 --> 01:06:55,440

demonstrate that they can do things to

1811

01:06:59,190 --> 01:06:56,880

stir the pot

1812

01:07:01,270 --> 01:06:59,200

so you know you hear people like lou

1813

01:07:03,829 --> 01:07:01,280

to uh you know you hear people uh talk

1814

01:07:06,309 --> 01:07:03,839

about a threat narrative there could be

1815

01:07:08,309 --> 01:07:06,319

such a thing uh if if they

1816

01:07:10,950 --> 01:07:08,319

even if they're not extraterrestrial

1817

01:07:13,349 --> 01:07:10,960

even if they're just energies that are

1818

01:07:16,069 --> 01:07:13,359

floating around somehow through accident

1819

01:07:17,510 --> 01:07:16,079

i hope not by design that i stumbled

1820

01:07:19,270 --> 01:07:17,520

across this

1821

01:07:21,990 --> 01:07:19,280

and i don't know what to do except to

1822

01:07:23,349 --> 01:07:22,000

say hey you guys out here's the data

1823

01:07:24,549 --> 01:07:23,359

please and that's what i want you to do

1824

01:07:28,230 --> 01:07:24,559

because the more people i can get

1825

01:07:30,069 --> 01:07:28,240

involved to to look at the same data and

1826

01:07:32,069 --> 01:07:30,079

to come to conclusions and if they're

1827

01:07:34,069 --> 01:07:32,079

the same conclusions to have a consensus

1828

01:07:35,829 --> 01:07:34,079

that's what science is about science

1829

01:07:38,230 --> 01:07:35,839

repeatability scientific method i

1830

01:07:40,549 --> 01:07:38,240

believe in peer review i want to take

1831

01:07:41,750 --> 01:07:40,559

this i'm not keeping this to myself if i

1832

01:07:43,750 --> 01:07:41,760

go down the history books there's

1833

01:07:45,910 --> 01:07:43,760

another kenneth arnold with no relation

1834

01:07:46,789 --> 01:07:45,920

to me even though my name's gary arnold

1835

01:07:48,950 --> 01:07:46,799

um

1836

01:07:50,630 --> 01:07:48,960

but but if i can get the credit in a

1837

01:07:52,390 --> 01:07:50,640

sense that hey this guy got the ball

1838

01:07:53,990 --> 01:07:52,400

rolling so people you know realize that

1839

01:07:55,990 --> 01:07:54,000

hey we're definitely something's going

1840

01:07:59,430 --> 01:07:56,000

on here we're not alone or something is

1841

01:08:02,069 --> 01:07:59,440

impinging upon our reality all right

1842

01:08:04,309 --> 01:08:02,079

now i want to be fair there are a few

1843

01:08:06,549 --> 01:08:04,319

voices that i say voices there are a few

1844

01:08:09,029 --> 01:08:06,559

voices that seem to be benevolent that

1845

01:08:10,630 --> 01:08:09,039

seem to be uplifting that seem to

1846

01:08:11,510 --> 01:08:10,640

promote hope

1847

01:08:12,950 --> 01:08:11,520

all right

1848

01:08:15,670 --> 01:08:12,960

so are these

1849

01:08:17,990 --> 01:08:15,680

what classic people

1850

01:08:20,070 --> 01:08:18,000

and yesteryear would call angels yeah

1851

01:08:21,269 --> 01:08:20,080

good and bad you know fallen angels for

1852

01:08:22,390 --> 01:08:21,279

the best yeah it could be it could be

1853

01:08:24,309 --> 01:08:22,400

all the above it could be

1854

01:08:26,630 --> 01:08:24,319

interdimensional beings angels and

1855

01:08:28,630 --> 01:08:26,640

humans yeah all contacting you

1856

01:08:30,070 --> 01:08:28,640

yes so it's made me more of a person of

1857

01:08:31,910 --> 01:08:30,080

faith in the sense that well yeah i

1858

01:08:34,309 --> 01:08:31,920

can't i can't claim ignorance anymore i

1859

01:08:35,910 --> 01:08:34,319

can't claim that i i don't sense that

1860

01:08:37,910 --> 01:08:35,920

there's something going on the people in

1861

01:08:39,910 --> 01:08:37,920

the live chat are asking to hear more so

1862

01:08:41,110 --> 01:08:39,920

let's why don't we get yes

1863

01:08:42,550 --> 01:08:41,120

we have several

1864

01:08:44,789 --> 01:08:42,560

we're not gonna

1865

01:08:47,669 --> 01:08:44,799

gary's got a monstrous collection of

1866

01:08:50,229 --> 01:08:47,679

these i'm just saying the ones

1867

01:08:53,349 --> 01:08:50,239

are not the some of the private ones yet

1868

01:08:55,749 --> 01:08:53,359

but we'll be sharing more of that uh in

1869

01:08:57,590 --> 01:08:55,759

time so this is uh

1870

01:09:00,630 --> 01:08:57,600

this is another one

1871

01:09:02,950 --> 01:09:00,640

uh let's share this make sure the volume

1872

01:09:14,550 --> 01:09:02,960

is cranked and we'll see what the live

1873

01:09:14,560 --> 01:09:20,149

let's play it again

1874

01:09:24,630 --> 01:09:22,550

that's creepy it sounds almost robotic

1875

01:09:26,149 --> 01:09:24,640

yes it does

1876

01:09:28,229 --> 01:09:26,159

like ai

1877

01:09:30,789 --> 01:09:28,239

it's i i uh

1878

01:09:32,470 --> 01:09:30,799

gary i i had a huge interest in robots

1879

01:09:35,229 --> 01:09:32,480

and i used to even work at the drexel

1880

01:09:39,510 --> 01:09:35,239

robotics lab that sounds to me like in

1881

01:09:41,749 --> 01:09:39,520

1988 or 19 early 1990s uh text-to-speech

1882

01:09:44,149 --> 01:09:41,759

voice that's what it sounds like to me

1883

01:09:49,910 --> 01:09:44,159

it does to me

1884

01:09:55,430 --> 01:09:50,870

yeah

1885

01:09:58,149 --> 01:09:55,440

answers coming first i asked the

1886

01:10:00,310 --> 01:09:58,159

question after the answer

1887

01:10:01,990 --> 01:10:00,320

but you're thinking of the ant are you

1888

01:10:04,229 --> 01:10:02,000

thinking of the question and then they

1889

01:10:05,750 --> 01:10:04,239

answer you and then you ask it i don't

1890

01:10:07,510 --> 01:10:05,760

understand why you would do that though

1891

01:10:09,910 --> 01:10:07,520

why would you just not

1892

01:10:10,790 --> 01:10:09,920

yeah all i do and here's the ammo all

1893

01:10:12,390 --> 01:10:10,800

right

1894

01:10:15,270 --> 01:10:12,400

strange signal comes

1895

01:10:17,110 --> 01:10:15,280

i take the phone all right i push the

1896

01:10:18,149 --> 01:10:17,120

record button on the digital voice

1897

01:10:19,910 --> 01:10:18,159

recorder

1898

01:10:21,030 --> 01:10:19,920

i say that whatever question pops into

1899

01:10:22,709 --> 01:10:21,040

my head

1900

01:10:24,950 --> 01:10:22,719

and then upon playback

1901

01:10:28,310 --> 01:10:24,960

the answer to my question

1902

01:10:30,870 --> 01:10:28,320

oh okay so after playback yeah so every

1903

01:10:33,110 --> 01:10:30,880

time but do you audibly hear the answer

1904

01:10:34,870 --> 01:10:33,120

after you ask the question no you don't

1905

01:10:36,390 --> 01:10:34,880

either you won't know

1906

01:10:37,910 --> 01:10:36,400

on the table

1907

01:10:40,310 --> 01:10:37,920

this is the translator i call it the

1908

01:10:43,110 --> 01:10:40,320

conduit you know um this is

1909

01:10:44,149 --> 01:10:43,120

without this i could not interact uh and

1910

01:10:45,350 --> 01:10:44,159

understand what they're saying and

1911

01:10:46,870 --> 01:10:45,360

wanting to say

1912

01:10:53,350 --> 01:10:46,880

let's play this one let's play this one

1913

01:10:58,070 --> 01:10:55,510

are you otherworldly

1914

01:11:00,390 --> 01:10:58,080

or up a dimensional

1915

01:11:01,110 --> 01:11:00,400

yeah that's that one's creepy

1916

01:11:02,870 --> 01:11:01,120

yeah

1917

01:11:04,709 --> 01:11:02,880

and

1918

01:11:06,630 --> 01:11:04,719

what i did see some of the tests that

1919

01:11:07,910 --> 01:11:06,640

were set up that i would ask the same

1920

01:11:10,070 --> 01:11:07,920

question

1921

01:11:12,070 --> 01:11:10,080

and i have different selection different

1922

01:11:14,229 --> 01:11:12,080

order let's say i had three uh things to

1923

01:11:16,229 --> 01:11:14,239

choose from for and different order so

1924

01:11:18,310 --> 01:11:16,239

will they always select the same thing

1925

01:11:19,910 --> 01:11:18,320

if you change the order they do so it's

1926

01:11:22,550 --> 01:11:19,920

like the now

1927

01:11:24,709 --> 01:11:22,560

i'm not offering the or because when i

1928

01:11:26,630 --> 01:11:24,719

say or something else they don't say

1929

01:11:28,149 --> 01:11:26,640

there's something else all right

1930

01:11:30,709 --> 01:11:28,159

somebody just

1931

01:11:33,270 --> 01:11:30,719

let's go brandon

1932

01:11:34,149 --> 01:11:33,280

there's there's some ornery people

1933

01:11:36,550 --> 01:11:34,159

but

1934

01:11:38,550 --> 01:11:36,560

yeah i just uh you know you gotta have a

1935

01:11:39,669 --> 01:11:38,560

sense of humor i think there's a serious

1936

01:11:42,870 --> 01:11:39,679

quality here we need to get to the

1937

01:11:44,630 --> 01:11:42,880

bottom of this um again i'm so open to

1938

01:11:46,390 --> 01:11:44,640

sharing with you because especially your

1939

01:11:49,350 --> 01:11:46,400

local and you do have the credentials

1940

01:11:51,030 --> 01:11:49,360

yeah and honestly gary i i i liked

1941

01:11:53,110 --> 01:11:51,040

knowing that you were local and also

1942

01:11:54,950 --> 01:11:53,120

that you were willing to because some

1943

01:11:56,229 --> 01:11:54,960

guys come to me with claims and then as

1944

01:11:57,990 --> 01:11:56,239

soon as they realize that i'm going to

1945

01:11:59,430 --> 01:11:58,000

start grilling them and and i mean that

1946

01:12:01,590 --> 01:11:59,440

in a polite way i hope we can be

1947

01:12:02,709 --> 01:12:01,600

friendly about it you know but i want to

1948

01:12:03,830 --> 01:12:02,719

make sure

1949

01:12:04,790 --> 01:12:03,840

that this is

1950

01:12:07,030 --> 01:12:04,800

not

1951

01:12:09,189 --> 01:12:07,040

you know that this is on the level and

1952

01:12:11,669 --> 01:12:09,199

all these things and is very open to it

1953

01:12:13,350 --> 01:12:11,679

he's like i'll give you everything i got

1954

01:12:15,350 --> 01:12:13,360

you know and now he's like you can

1955

01:12:17,590 --> 01:12:15,360

record with me you can be there when we

1956

01:12:19,510 --> 01:12:17,600

do this session yeah we're gonna do this

1957

01:12:22,229 --> 01:12:19,520

let's get into some of the other clips

1958

01:12:24,310 --> 01:12:22,239

we have several to share here sure which

1959

01:12:25,669 --> 01:12:24,320

are very very interesting

1960

01:12:27,669 --> 01:12:25,679

uh

1961

01:12:29,189 --> 01:12:27,679

and it's probably a bad idea to listen

1962

01:12:30,790 --> 01:12:29,199

to this stuff real late at night after

1963

01:12:31,830 --> 01:12:30,800

you've been watching horror movies i did

1964

01:12:33,669 --> 01:12:31,840

that

1965

01:12:36,470 --> 01:12:33,679

guys sending me all these links and i

1966

01:12:38,709 --> 01:12:36,480

watched uh oh i watched the fourth kind

1967

01:12:40,310 --> 01:12:38,719

which i forgot that i seen it before and

1968

01:12:41,990 --> 01:12:40,320

it's a terrible movie but it is kind of

1969

01:12:43,750 --> 01:12:42,000

creepy and scary and then i was

1970

01:12:46,709 --> 01:12:43,760

listening to this stuff bit idea let's

1971

01:12:46,719 --> 01:12:52,790

let me get play that one again

1972

01:12:58,870 --> 01:12:55,270

where are you are you

1973

01:13:00,390 --> 01:12:58,880

in a room are you

1974

01:13:03,030 --> 01:13:00,400

in a different

1975

01:13:05,990 --> 01:13:03,040

context are you even here present with

1976

01:13:08,630 --> 01:13:06,000

me in this location or are you somewhere

1977

01:13:10,310 --> 01:13:08,640

all together uh other

1978

01:13:12,709 --> 01:13:10,320

yeah and it sounds like it says all

1979

01:13:14,149 --> 01:13:12,719

together yep and

1980

01:13:20,390 --> 01:13:14,159

here let's let's let the audience hear

1981

01:13:24,550 --> 01:13:22,470

and let me ask you do they always do the

1982

01:13:26,470 --> 01:13:24,560

same sequence where

1983

01:13:28,630 --> 01:13:26,480

the the answer comes before the question

1984

01:13:30,149 --> 01:13:28,640

on the recording every single time they

1985

01:13:32,229 --> 01:13:30,159

do that

1986

01:13:33,590 --> 01:13:32,239

it would make it easier if they did nine

1987

01:13:35,590 --> 01:13:33,600

times out of ten and that's no

1988

01:13:37,750 --> 01:13:35,600

exaggeration nine times out of ten they

1989

01:13:39,669 --> 01:13:37,760

do all right but there are a few times

1990

01:13:41,350 --> 01:13:39,679

when they will answer after so i'm like

1991

01:13:43,430 --> 01:13:41,360

why is this the exception is this

1992

01:13:45,910 --> 01:13:43,440

question something different i mean does

1993

01:13:47,590 --> 01:13:45,920

it deserve a different kind of uh you

1994

01:13:49,030 --> 01:13:47,600

know scrutiny

1995

01:13:51,189 --> 01:13:49,040

but no

1996

01:13:53,510 --> 01:13:51,199

it's not universal but it's most of the

1997

01:13:55,910 --> 01:13:53,520

time i mean i'm talking about 90 of the

1998

01:13:59,030 --> 01:13:55,920

time they will answer an intelligent

1999

01:14:01,030 --> 01:13:59,040

response we heard before my question so

2000

01:14:02,550 --> 01:14:01,040

i don't know

2001

01:14:03,750 --> 01:14:02,560

let's get to this next one because this

2002

01:14:04,709 --> 01:14:03,760

is interesting because this is where

2003

01:14:06,470 --> 01:14:04,719

they

2004

01:14:09,189 --> 01:14:06,480

you you talked about this one i want to

2005

01:14:12,830 --> 01:14:09,199

let our audience hear it uh without you

2006

01:14:17,030 --> 01:14:14,950

influencing oh

2007

01:14:20,950 --> 01:14:17,040

tell me what are you

2008

01:14:23,510 --> 01:14:21,910

so

2009

01:14:24,790 --> 01:14:23,520

tell me

2010

01:14:27,350 --> 01:14:24,800

that's weird you're getting that weird

2011

01:14:29,110 --> 01:14:27,360

interference yeah

2012

01:14:30,790 --> 01:14:29,120

we're gonna check that for evps they

2013

01:14:32,630 --> 01:14:30,800

might be messing with us right now they

2014

01:14:34,470 --> 01:14:32,640

could be

2015

01:14:35,990 --> 01:14:34,480

let's play this again and i'm gonna play

2016

01:14:41,630 --> 01:14:36,000

this in full though

2017

01:14:44,950 --> 01:14:42,870

[Music]

2018

01:14:46,630 --> 01:14:44,960

tell me what are you

2019

01:14:48,470 --> 01:14:46,640

are you spirit

2020

01:14:51,430 --> 01:14:48,480

are you alien

2021

01:14:54,550 --> 01:14:52,790

that's weird

2022

01:14:56,630 --> 01:14:54,560

yeah let me let me try this one more

2023

01:14:59,189 --> 01:14:56,640

time

2024

01:15:06,870 --> 01:14:59,199

one moment

2025

01:15:11,669 --> 01:15:07,830

so

2026

01:15:13,510 --> 01:15:11,679

tell me what are you are you spirit

2027

01:15:21,270 --> 01:15:13,520

are you alien

2028

01:15:26,310 --> 01:15:24,790

yeah that's bizarre yeah and that again

2029

01:15:28,709 --> 01:15:26,320

that

2030

01:15:29,910 --> 01:15:28,719

i offered them a selection

2031

01:15:31,270 --> 01:15:29,920

all right so they could have said

2032

01:15:32,630 --> 01:15:31,280

something else if they're not alien

2033

01:15:34,310 --> 01:15:32,640

again

2034

01:15:36,310 --> 01:15:34,320

accuracy and interpretation i'm not

2035

01:15:39,750 --> 01:15:36,320

really going to go there but sounds like

2036

01:15:41,350 --> 01:15:39,760

alien to me um and the voice i can even

2037

01:15:43,430 --> 01:15:41,360

tell you where i was

2038

01:15:46,149 --> 01:15:43,440

my kids were playing tennis

2039

01:15:47,910 --> 01:15:46,159

all right uh i was outside under this

2040

01:15:50,070 --> 01:15:47,920

big tree i sent you the i think a

2041

01:15:52,950 --> 01:15:50,080

picture of me standing there

2042

01:15:56,550 --> 01:15:52,960

i have a

2043

01:15:58,630 --> 01:15:56,560

shirt that i created it's a d-o-n and

2044

01:16:02,149 --> 01:15:58,640

then american flag tea it's supposed to

2045

01:16:03,750 --> 01:16:02,159

be don t don't you know and it says but

2046

01:16:06,470 --> 01:16:03,760

don't even go there is basically what it

2047

01:16:08,390 --> 01:16:06,480

you know so uh it was making a political

2048

01:16:09,750 --> 01:16:08,400

statement but anyhow

2049

01:16:10,709 --> 01:16:09,760

i'm sitting there the air ringing i'm

2050

01:16:12,630 --> 01:16:10,719

staying i'm standing there next to the

2051

01:16:14,470 --> 01:16:12,640

tree the ear ringing happens my kids are

2052

01:16:17,830 --> 01:16:14,480

playing tennis

2053

01:16:19,510 --> 01:16:17,840

i ask the question what they are and

2054

01:16:22,950 --> 01:16:19,520

upon play back there it is i'm like oh

2055

01:16:24,790 --> 01:16:22,960

my gosh this is great this is you know

2056

01:16:27,189 --> 01:16:24,800

there was uh

2057

01:16:29,189 --> 01:16:27,199

kind of a euphoria because i i was like

2058

01:16:30,550 --> 01:16:29,199

wow they say they're alien you know

2059

01:16:32,709 --> 01:16:30,560

they've said before they're otherworldly

2060

01:16:34,550 --> 01:16:32,719

but now they're kind of confirming again

2061

01:16:36,229 --> 01:16:34,560

yeah so it's like you know i keep

2062

01:16:38,550 --> 01:16:36,239

thinking in the back of my mind man this

2063

01:16:40,470 --> 01:16:38,560

is the moment that i could say

2064

01:16:42,550 --> 01:16:40,480

contact with an alien

2065

01:16:44,630 --> 01:16:42,560

even though it's a sense of humor that i

2066

01:16:47,110 --> 01:16:44,640

have to have too and maybe maybe

2067

01:16:48,630 --> 01:16:47,120

somebody said you know you're just kind

2068

01:16:50,790 --> 01:16:48,640

of off the wall enough that you don't

2069

01:16:52,149 --> 01:16:50,800

take this seriously maybe they find that

2070

01:16:54,229 --> 01:16:52,159

interesting

2071

01:16:55,910 --> 01:16:54,239

i don't know i don't know

2072

01:16:58,310 --> 01:16:55,920

it's not about some people i'm sure some

2073

01:17:00,630 --> 01:16:58,320

people will be afraid and freaked out

2074

01:17:01,990 --> 01:17:00,640

and you seem to be welcoming it which

2075

01:17:04,149 --> 01:17:02,000

makes me think you should talk to a

2076

01:17:06,709 --> 01:17:04,159

priest just in case i mean i grew up

2077

01:17:07,669 --> 01:17:06,719

catholic i'm not i'm not joking gary

2078

01:17:09,350 --> 01:17:07,679

like

2079

01:17:11,510 --> 01:17:09,360

you don't want to invite you don't want

2080

01:17:14,149 --> 01:17:11,520

to invite unknown entities into your

2081

01:17:17,110 --> 01:17:14,159

life if you're not 100 sure that they're

2082

01:17:19,110 --> 01:17:17,120

not demonic so i was a little concerned

2083

01:17:20,870 --> 01:17:19,120

you're like yeah come hang out you know

2084

01:17:21,669 --> 01:17:20,880

don't just bother me at lunch like you

2085

01:17:24,149 --> 01:17:21,679

know

2086

01:17:26,229 --> 01:17:24,159

i i agree

2087

01:17:27,990 --> 01:17:26,239

just out of an abundance of caution i

2088

01:17:30,229 --> 01:17:28,000

would i would take some of this to a

2089

01:17:34,390 --> 01:17:30,239

priest and see what he says yeah i'm i'm

2090

01:17:35,990 --> 01:17:34,400

a spiritual person i i do still um pray

2091

01:17:38,149 --> 01:17:36,000

and uh here's another one that you

2092

01:17:44,149 --> 01:17:38,159

mentioned uh during our talk and we're

2093

01:17:50,070 --> 01:17:48,149

should i sell my white pigeons

2094

01:17:51,910 --> 01:17:50,080

i think you should sell them

2095

01:17:57,510 --> 01:17:51,920

yeah i did sell them not because they

2096

01:17:57,520 --> 01:18:02,070

should i sell my white pigeons

2097

01:18:07,030 --> 01:18:04,870

wow that's bizarre everything everything

2098

01:18:09,590 --> 01:18:07,040

yeah everything i have is time stamped

2099

01:18:12,070 --> 01:18:09,600

all right so and you know even though

2100

01:18:14,070 --> 01:18:12,080

this old tracfone there is a lot of

2101  
01:18:15,750 --> 01:18:14,080  
metadata that you can extract the

2102  
01:18:18,070 --> 01:18:15,760  
researchers and stuff that clip as i

2103  
01:18:20,229 --> 01:18:18,080  
said earlier was comprehensively

2104  
01:18:22,790 --> 01:18:20,239  
analyzed with computer software bleeding

2105  
01:18:26,390 --> 01:18:22,800  
edge computer software that looked for

2106  
01:18:29,510 --> 01:18:26,400  
subliminal components as well uh and it

2107  
01:18:32,229 --> 01:18:29,520  
just when they peel it away and you have

2108  
01:18:33,830 --> 01:18:32,239  
before you even hear selam the split

2109  
01:18:35,510 --> 01:18:33,840  
second before that

2110  
01:18:37,590 --> 01:18:35,520  
it says

2111  
01:18:39,350 --> 01:18:37,600  
what kind of pigeon does he have

2112  
01:18:41,350 --> 01:18:39,360  
is it a homer how much do you think

2113  
01:18:43,910 --> 01:18:41,360

he'll get this is all happening

2114

01:18:46,709 --> 01:18:43,920

lickety-split i mean right before

2115

01:18:49,110 --> 01:18:46,719

the evp so subliminal messages then the

2116

01:18:51,189 --> 01:18:49,120

audible evp which is emphatic you heard

2117

01:18:53,830 --> 01:18:51,199

it most most people agree that's a class

2118

01:18:55,990 --> 01:18:53,840

a evp that that sounds like selling and

2119

01:18:58,070 --> 01:18:56,000

then you have my question that's that's

2120

01:18:59,910 --> 01:18:58,080

one again i'm passionate about pigeons

2121

01:19:02,390 --> 01:18:59,920

but that's a near and dear clip because

2122

01:19:04,630 --> 01:19:02,400

i'm like wow there's a lot going on here

2123

01:19:06,310 --> 01:19:04,640

and uh interesting

2124

01:19:08,149 --> 01:19:06,320

yeah picks with a good

2125

01:19:09,430 --> 01:19:08,159

point he says can we uh all take

2126

01:19:11,030 --> 01:19:09,440

seriously that there are tens of

2127

01:19:12,950 --> 01:19:11,040

thousands of our fellow humans that may

2128

01:19:13,990 --> 01:19:12,960

be dealing with similar experiences

2129

01:19:15,669 --> 01:19:14,000

imagine

2130

01:19:17,510 --> 01:19:15,679

and uh you know

2131

01:19:19,350 --> 01:19:17,520

one of the things that i

2132

01:19:21,110 --> 01:19:19,360

uh

2133

01:19:24,310 --> 01:19:21,120

one of the things that these specific

2134

01:19:26,149 --> 01:19:24,320

evps reminded me of is the mothman

2135

01:19:27,030 --> 01:19:26,159

and and uh

2136

01:19:29,430 --> 01:19:27,040

how

2137

01:19:31,270 --> 01:19:29,440

people were experiencing similar

2138

01:19:35,510 --> 01:19:31,280

electronic voice

2139

01:19:37,750 --> 01:19:35,520

people that were experiencing the

2140

01:19:39,910 --> 01:19:37,760

mothman which many people think are some

2141

01:19:43,030 --> 01:19:39,920

sort of interdimensional being it just

2142

01:19:45,750 --> 01:19:43,040

has a it rings like the descriptions

2143

01:19:47,590 --> 01:19:45,760

that i have heard of people who claim

2144

01:19:49,350 --> 01:19:47,600

that after seeing mothman started

2145

01:19:52,070 --> 01:19:49,360

getting phone calls

2146

01:19:53,350 --> 01:19:52,080

with these weird electronic voices and

2147

01:19:56,149 --> 01:19:53,360

things like that

2148

01:19:59,830 --> 01:19:56,159

it's bizarro that it would be sort of

2149

01:20:02,470 --> 01:19:59,840

robotic or electronic sounding right

2150

01:20:04,229 --> 01:20:02,480

you know let's do this this one is uh

2151  
01:20:07,110 --> 01:20:04,239  
probably my favorite one i like this one

2152  
01:20:08,480 --> 01:20:07,120  
the best it's i don't know why but let's

2153  
01:20:09,750 --> 01:20:08,490  
take a listen friends

2154  
01:20:11,750 --> 01:20:09,760  
[Applause]

2155  
01:20:13,590 --> 01:20:11,760  
tell me

2156  
01:20:17,189 --> 01:20:13,600  
what do you eat

2157  
01:20:21,669 --> 01:20:18,950  
tell me

2158  
01:20:22,629 --> 01:20:21,679  
what do you eat

2159  
01:20:24,390 --> 01:20:22,639  
tell me

2160  
01:20:26,870 --> 01:20:24,400  
seems very clear but this one sounds

2161  
01:20:28,070 --> 01:20:26,880  
more like a feminine voice to me it does

2162  
01:20:30,149 --> 01:20:28,080  
and

2163  
01:20:31,189 --> 01:20:30,159

if you look at the documentary we have

2164

01:20:33,430 --> 01:20:31,199

the uh

2165

01:20:35,750 --> 01:20:33,440

one analysis where they actually uh

2166

01:20:38,149 --> 01:20:35,760

suggest gender and that would be a

2167

01:20:40,470 --> 01:20:38,159

feminine and maybe even a child

2168

01:20:42,790 --> 01:20:40,480

yeah and so i've asked the question i'll

2169

01:20:44,709 --> 01:20:42,800

give your audience a little glimpse i

2170

01:20:45,750 --> 01:20:44,719

said is there an age distinction where

2171

01:20:47,189 --> 01:20:45,760

you are

2172

01:20:48,149 --> 01:20:47,199

all right

2173

01:20:50,390 --> 01:20:48,159

no

2174

01:20:51,910 --> 01:20:50,400

so again

2175

01:20:53,750 --> 01:20:51,920

i would have thought there is because it

2176  
01:20:55,430 --> 01:20:53,760  
sounds childlike and i have a few yeah i

2177  
01:20:56,950 --> 01:20:55,440  
didn't think child like i thought i

2178  
01:20:58,830 --> 01:20:56,960  
thought female let's listen to it one

2179  
01:21:02,550 --> 01:20:58,840  
more

2180  
01:21:05,510 --> 01:21:03,860  
what do you eat

2181  
01:21:07,430 --> 01:21:05,520  
[Applause]

2182  
01:21:08,470 --> 01:21:07,440  
yeah i could hear it might be childlike

2183  
01:21:11,590 --> 01:21:08,480  
yeah

2184  
01:21:14,470 --> 01:21:11,600  
so if you think about cherubs you know

2185  
01:21:16,550 --> 01:21:14,480  
again we we see everything

2186  
01:21:19,590 --> 01:21:16,560  
through a filter a cultural bias that's

2187  
01:21:22,229 --> 01:21:19,600  
already there we can't easily escape so

2188  
01:21:23,030 --> 01:21:22,239

i hear it and maybe i hear and i think

2189

01:21:25,110 --> 01:21:23,040

of like

2190

01:21:26,629 --> 01:21:25,120

cherubs or you know

2191

01:21:28,950 --> 01:21:26,639

childlike angels

2192

01:21:31,510 --> 01:21:28,960

i don't know and that's that's where

2193

01:21:34,950 --> 01:21:31,520

it's so easy to wade out and go for that

2194

01:21:37,350 --> 01:21:34,960

super wu quality i'm not going to claim

2195

01:21:38,870 --> 01:21:37,360

anything beyond that the phenomenon

2196

01:21:41,910 --> 01:21:38,880

exists right

2197

01:21:45,350 --> 01:21:41,920

and it's obvious that the phenomenon is

2198

01:21:47,350 --> 01:21:45,360

100 in control of this situation they

2199

01:21:50,709 --> 01:21:47,360

present themselves as they want to be

2200

01:21:52,070 --> 01:21:50,719

heard their manipulative their humor uh

2201

01:21:54,229 --> 01:21:52,080

and just

2202

01:21:56,470 --> 01:21:54,239

i feel we're being manipulated i feel i

2203

01:21:58,229 --> 01:21:56,480

know i am and i laugh at it and i can

2204

01:21:59,430 --> 01:21:58,239

see through it and i think

2205

01:22:01,030 --> 01:21:59,440

i think um

2206

01:22:03,669 --> 01:22:01,040

like with the trump i mean you could

2207

01:22:06,310 --> 01:22:03,679

have the serious quality and again the

2208

01:22:08,310 --> 01:22:06,320

conversation runs the entire gamut where

2209

01:22:10,790 --> 01:22:08,320

you have

2210

01:22:12,870 --> 01:22:10,800

a quality that's strange

2211

01:22:15,270 --> 01:22:12,880

perversely humorous it's all about

2212

01:22:17,750 --> 01:22:15,280

flatulence and stuff um

2213

01:22:20,790 --> 01:22:17,760

and then you have

2214

01:22:23,590 --> 01:22:20,800

their ideas of about humanity uh and

2215

01:22:26,390 --> 01:22:23,600

looking down on us a lot of them uh and

2216

01:22:29,270 --> 01:22:26,400

and the almost i have one that they

2217

01:22:30,790 --> 01:22:29,280

laugh they laugh they make fun of our

2218

01:22:31,910 --> 01:22:30,800

species

2219

01:22:32,870 --> 01:22:31,920

and it's

2220

01:22:36,390 --> 01:22:32,880

it's

2221

01:22:38,709 --> 01:22:36,400

something i i again i i don't know i i'm

2222

01:22:40,709 --> 01:22:38,719

not gonna stake my claim

2223

01:22:42,550 --> 01:22:40,719

on anything beyond the evidence that's

2224

01:22:44,709 --> 01:22:42,560

what i can share with you you can be

2225

01:22:45,590 --> 01:22:44,719

there i can record stuff with you then

2226

01:22:47,910 --> 01:22:45,600

you can

2227

01:22:49,350 --> 01:22:47,920

hopefully dissect it like others have

2228

01:22:50,790 --> 01:22:49,360

and we can yeah one thing one thing i

2229

01:22:52,470 --> 01:22:50,800

would like to do is

2230

01:22:54,470 --> 01:22:52,480

i would like to do this recording

2231

01:22:56,550 --> 01:22:54,480

session with you but then

2232

01:22:59,030 --> 01:22:56,560

i want to take all of the tapes and i

2233

01:23:01,669 --> 01:22:59,040

don't want you to influence me you know

2234

01:23:04,390 --> 01:23:01,679

what the voice is saying right then i i

2235

01:23:06,629 --> 01:23:04,400

want to work on the audio files and then

2236

01:23:08,470 --> 01:23:06,639

see what do i think the voice is saying

2237

01:23:10,870 --> 01:23:08,480

before you even hear it

2238

01:23:13,350 --> 01:23:10,880

yeah and maybe get some other people to

2239

01:23:16,470 --> 01:23:13,360

also listen to what i do and say and ask

2240

01:23:17,750 --> 01:23:16,480

them what because let's say for example

2241

01:23:19,430 --> 01:23:17,760

people are saying in the chat that a lot

2242

01:23:21,430 --> 01:23:19,440

of people are hearing different things

2243

01:23:23,270 --> 01:23:21,440

which is a possibility so let's say for

2244

01:23:24,870 --> 01:23:23,280

example we you and i did a recording

2245

01:23:27,350 --> 01:23:24,880

session and then

2246

01:23:30,070 --> 01:23:27,360

i got 10 people to listen to the results

2247

01:23:32,229 --> 01:23:30,080

and and tell me what is the voice saying

2248

01:23:35,189 --> 01:23:32,239

okay if if eight of them say different

2249

01:23:36,550 --> 01:23:35,199

things and only two of them say the same

2250

01:23:39,350 --> 01:23:36,560

it's kind of like

2251

01:23:41,189 --> 01:23:39,360

that parabola effect you know

2252

01:23:43,350 --> 01:23:41,199

your mind is because our minds are

2253

01:23:45,350 --> 01:23:43,360

designed to sort of fill in the blanks

2254

01:23:48,149 --> 01:23:45,360

and make patterns out of

2255

01:23:49,750 --> 01:23:48,159

out of chaos absolutely and that's where

2256

01:23:52,070 --> 01:23:49,760

i go to

2257

01:23:53,510 --> 01:23:52,080

the touchstone that i'm using is i'm

2258

01:23:56,070 --> 01:23:53,520

going to give you

2259

01:23:58,790 --> 01:23:56,080

the raw data all right you do what you

2260

01:24:01,830 --> 01:23:58,800

want with it yeah right you come to it

2261

01:24:03,590 --> 01:24:01,840

that's fine uh i have taken my raw data

2262

01:24:06,070 --> 01:24:03,600

and i've given to others as well as i've

2263

01:24:09,030 --> 01:24:06,080

said um and

2264

01:24:12,229 --> 01:24:09,040

the one group they use software that's

2265

01:24:14,790 --> 01:24:12,239

objective the software unlike

2266

01:24:16,629 --> 01:24:14,800

human beings which come at distance

2267

01:24:18,149 --> 01:24:16,639

already have the preconceived notions

2268

01:24:21,350 --> 01:24:18,159

and i already have the idea of

2269

01:24:23,590 --> 01:24:21,360

vocabulary words the computers

2270

01:24:25,350 --> 01:24:23,600

are less i mean there's always a

2271

01:24:27,270 --> 01:24:25,360

programmer behind don't get me wrong i'm

2272

01:24:28,870 --> 01:24:27,280

a realist all right so even though you

2273

01:24:31,510 --> 01:24:28,880

can try to make something as random and

2274

01:24:34,550 --> 01:24:31,520

as uh objective there's probably still a

2275

01:24:36,790 --> 01:24:34,560

little bit of the person behind

2276

01:24:39,270 --> 01:24:36,800

whoever created the software i'm not

2277

01:24:41,910 --> 01:24:39,280

saying that we can't get uh

2278

01:24:43,270 --> 01:24:41,920

absolute the ideal 100 percent

2279

01:24:44,629 --> 01:24:43,280

objective

2280

01:24:47,669 --> 01:24:44,639

artificial intelligence has no

2281

01:24:49,189 --> 01:24:47,679

connection to humanity in that sense to

2282

01:24:51,270 --> 01:24:49,199

read something but the software is

2283

01:24:53,510 --> 01:24:51,280

pretty close right now um

2284

01:24:56,550 --> 01:24:53,520

i actually uh some of this stuff you

2285

01:24:58,629 --> 01:24:56,560

could send the the message to google

2286

01:25:00,390 --> 01:24:58,639

translate you ever hear that

2287

01:25:02,790 --> 01:25:00,400

so yeah that's one of the other things i

2288

01:25:04,310 --> 01:25:02,800

was going to suggest is that i have six

2289

01:25:06,149 --> 01:25:04,320

different kinds of voice recognition

2290

01:25:08,390 --> 01:25:06,159

software right right and i could run

2291

01:25:12,070 --> 01:25:08,400

this through all six of them and see

2292

01:25:14,550 --> 01:25:12,080

what is what is the ai algorithm that is

2293

01:25:16,229 --> 01:25:14,560

designed to detect

2294

01:25:18,950 --> 01:25:16,239

you know speech

2295

01:25:21,030 --> 01:25:18,960

right this this is saying you know right

2296

01:25:23,270 --> 01:25:21,040

that's one of the things i'd suggest

2297

01:25:25,430 --> 01:25:23,280

and you have this uh you have this

2298

01:25:28,070 --> 01:25:25,440

uh this is sort of a trailer or

2299

01:25:30,229 --> 01:25:28,080

something about subterranean seance

2300

01:25:32,149 --> 01:25:30,239

let's play that for the benefit of uh

2301

01:25:33,830 --> 01:25:32,159

people who may be more interested in

2302

01:25:37,510 --> 01:25:33,840

finding out more about

2303

01:25:39,830 --> 01:25:37,520

uh you're crazy i mean you're

2304

01:25:41,910 --> 01:25:39,840

this is nutty it is nutty but it's fun

2305

01:25:44,390 --> 01:25:41,920

right it's kind of like an interesting

2306

01:25:45,830 --> 01:25:44,400

fun nutty thing right yeah right my

2307

01:25:48,709 --> 01:25:45,840

nutty friend gary talks to

2308

01:25:49,669 --> 01:25:48,719

interdimensional beings to a 1989 cell

2309

01:25:56,229 --> 01:25:49,679

phone

2310

01:25:57,910 --> 01:25:56,239

to mid 2000's uh 2004 oh so 2005. yeah

2311

01:26:00,070 --> 01:25:57,920

all right this is the uh

2312

01:26:02,310 --> 01:26:00,080

this is the trailer for your your

2313

01:26:05,230 --> 01:26:02,320

documentary piece subterranean seance

2314

01:26:33,350 --> 01:26:05,240

the evidence speaks

2315

01:26:34,870 --> 01:26:33,360

[Music]

2316

01:26:36,390 --> 01:26:34,880

yeah interesting

2317

01:26:37,750 --> 01:26:36,400

one of many

2318

01:26:41,189 --> 01:26:37,760

many trailers

2319

01:26:43,270 --> 01:26:41,199

yeah thank you i again i i just

2320

01:26:45,750 --> 01:26:43,280

i just go for hey

2321

01:26:47,430 --> 01:26:45,760

there's the first documentary it's

2322

01:26:49,590 --> 01:26:47,440

called subterranean seance the evidence

2323

01:26:51,030 --> 01:26:49,600

speaks it's a little artsy fartsy if

2324

01:26:53,669 --> 01:26:51,040

anyone wants to watch that it's out

2325

01:26:55,270 --> 01:26:53,679

there um gum road is where you find

2326

01:26:57,430 --> 01:26:55,280

these because they give you the greatest

2327

01:26:58,550 --> 01:26:57,440

percentage back um

2328

01:27:09,030 --> 01:26:58,560

the

2329

01:27:11,510 --> 01:27:09,040

that i go through and like i said i've

2330

01:27:14,709 --> 01:27:11,520

had a prominent member of ufo twitter

2331

01:27:17,030 --> 01:27:14,719

i've had a couple of other people um

2332

01:27:19,669 --> 01:27:17,040

that also contribute to this uh who are

2333

01:27:22,790 --> 01:27:19,679

in the audio uh industry

2334

01:27:25,669 --> 01:27:22,800

uh you know this engineers uh i also

2335

01:27:28,310 --> 01:27:25,679

have uh a lot of these people one guys

2336

01:27:30,709 --> 01:27:28,320

with uh bob bigelow's group his team

2337

01:27:33,270 --> 01:27:30,719

so um this is all out there and i go

2338

01:27:34,950 --> 01:27:33,280

line by line through the reports and say

2339

01:27:36,870 --> 01:27:34,960

this is what the

2340

01:27:38,870 --> 01:27:36,880

software the computer software analyzing

2341

01:27:41,590 --> 01:27:38,880

this says

2342

01:27:45,350 --> 01:27:41,600

think about this a wave form

2343

01:27:48,149 --> 01:27:45,360

a sound wave can be analyzed just like

2344

01:27:50,709 --> 01:27:48,159

a picture a photograph pixel by pixel

2345

01:27:53,669 --> 01:27:50,719

and a computer can determine hey is this

2346

01:27:56,310 --> 01:27:53,679

has this been photoshopped is this legit

2347

01:27:57,910 --> 01:27:56,320

same thing the waveform they can see

2348

01:28:00,390 --> 01:27:57,920

what i've created you know what i what

2349

01:28:02,870 --> 01:28:00,400

i've recorded is genuine authentic yeah

2350

01:28:05,590 --> 01:28:02,880

i'll be able to tell if

2351

01:28:08,149 --> 01:28:05,600

if something was edited in i could tell

2352

01:28:10,310 --> 01:28:08,159

yeah this from my software and my

2353

01:28:12,149 --> 01:28:10,320

experience with yeah and like i said

2354

01:28:13,830 --> 01:28:12,159

i'll send you some stuff tomorrow i mean

2355

01:28:16,070 --> 01:28:13,840

if you supply the email

2356

01:28:18,790 --> 01:28:16,080

yeah absolutely yeah yeah and you can

2357

01:28:20,870 --> 01:28:18,800

then say my god i mean if this is now

2358

01:28:23,189 --> 01:28:20,880

again it doesn't it doesn't relate to

2359

01:28:24,790 --> 01:28:23,199

the accuracy or the interpretation

2360

01:28:27,189 --> 01:28:24,800

because that you know all i'm saying is

2361

01:28:28,950 --> 01:28:27,199

the data is genuine

2362

01:28:31,189 --> 01:28:28,960

whether trump

2363

01:28:35,030 --> 01:28:31,199

won the election or not is not

2364

01:28:38,390 --> 01:28:35,040

no he definitely he lost youtube he lost

2365

01:28:41,270 --> 01:28:38,400

yeah he lost yeah definitely lost

2366

01:28:43,189 --> 01:28:41,280

okay so the the one the the final

2367

01:28:44,149 --> 01:28:43,199

question that i i want to ask you though

2368

01:28:46,709 --> 01:28:44,159

is

2369

01:28:49,030 --> 01:28:46,719

because i'm sure that people are gonna

2370

01:28:52,550 --> 01:28:49,040

think this too i'm not the only one why

2371

01:28:54,629 --> 01:28:52,560

a cell phone from 2005 are you using

2372

01:28:56,790 --> 01:28:54,639

that as the recording device did you

2373

01:28:58,870 --> 01:28:56,800

never try other

2374

01:29:02,310 --> 01:28:58,880

like digital recorders should you get

2375

01:29:05,110 --> 01:29:02,320

similar results or no um

2376

01:29:08,830 --> 01:29:05,120

this and that again the cell phones of

2377

01:29:11,189 --> 01:29:08,840

this era pre-smartphone all right um

2378

01:29:13,030 --> 01:29:11,199

they this is what

2379

01:29:14,550 --> 01:29:13,040

i guess i can quote his name dave mason

2380

01:29:17,510 --> 01:29:14,560

are you familiar with him

2381

01:29:19,590 --> 01:29:17,520

not especially right now so he he's got

2382

01:29:21,189 --> 01:29:19,600

uh some non-disclosure agreements and

2383

01:29:22,310 --> 01:29:21,199

stuff

2384

01:29:44,390 --> 01:29:22,320

he

2385

01:29:47,110 --> 01:29:44,400

all right

2386

01:29:49,030 --> 01:29:47,120

when the entity speaks it's invisible

2387

01:29:51,270 --> 01:29:49,040

it's not this might suggest that that

2388

01:29:52,629 --> 01:29:51,280

what is happening is a flaw in that

2389

01:29:54,550 --> 01:29:52,639

phone and not

2390

01:29:57,990 --> 01:29:54,560

super casual that's what i'm saying

2391

01:29:58,790 --> 01:29:58,000

right but if you analyze the actual clip

2392

01:30:01,990 --> 01:29:58,800

you'll

2393

01:30:02,950 --> 01:30:02,000

as it was by these uh audio people

2394

01:30:05,669 --> 01:30:02,960

the uh

2395

01:30:07,510 --> 01:30:05,679

the clip itself there's nothing going on

2396

01:30:10,550 --> 01:30:07,520

that

2397

01:30:13,270 --> 01:30:10,560

would say oh he's trying to fake this or

2398

01:30:16,070 --> 01:30:13,280

and if it was a defect in the firm all

2399

01:30:17,910 --> 01:30:16,080

right well the defect wouldn't spit out

2400

01:30:18,830 --> 01:30:17,920

what seems to be intelligent responses

2401  
01:30:21,669 --> 01:30:18,840  
to

2402  
01:30:23,430 --> 01:30:21,679  
questions i'm saying they have computer

2403  
01:30:24,950 --> 01:30:23,440  
software that

2404  
01:30:27,910 --> 01:30:24,960  
i was surprised i didn't know that they

2405  
01:30:29,030 --> 01:30:27,920  
have software that goes beyond just

2406  
01:30:30,870 --> 01:30:29,040  
uh

2407  
01:30:34,070 --> 01:30:30,880  
just analyzing the waveform to the point

2408  
01:30:36,950 --> 01:30:34,080  
where it now suggests the likelihood of

2409  
01:30:39,350 --> 01:30:36,960  
what the response is

2410  
01:30:41,910 --> 01:30:39,360  
unlike human human beings when we speak

2411  
01:30:44,070 --> 01:30:41,920  
we use our larynx all right larnix and

2412  
01:30:44,950 --> 01:30:44,080  
uh the air flowing through

2413  
01:30:47,030 --> 01:30:44,960

uh

2414

01:30:49,189 --> 01:30:47,040

over the vocal cords

2415

01:30:51,590 --> 01:30:49,199

every one of these

2416

01:30:55,030 --> 01:30:51,600

these interactions the responses

2417

01:30:57,189 --> 01:30:55,040

are made in a way that is is not human

2418

01:30:59,510 --> 01:30:57,199

but there's nothing about it

2419

01:31:01,590 --> 01:30:59,520

the way the patterns they said is so

2420

01:31:04,709 --> 01:31:01,600

unique almost like

2421

01:31:06,149 --> 01:31:04,719

these are energy packets that they've

2422

01:31:07,030 --> 01:31:06,159

again i'm not a technical person you

2423

01:31:09,030 --> 01:31:07,040

have to

2424

01:31:11,830 --> 01:31:09,040

and yeah that they're like shooting into

2425

01:31:14,550 --> 01:31:11,840

the device yeah and and they

2426  
01:31:16,629 --> 01:31:14,560  
they i the second documentary actually

2427  
01:31:17,669 --> 01:31:16,639  
do a deconstruction

2428  
01:31:19,830 --> 01:31:17,679  
of

2429  
01:31:21,430 --> 01:31:19,840  
the model phone and then we get into the

2430  
01:31:23,910 --> 01:31:21,440  
parts and stuff and we're looking at it

2431  
01:31:25,990 --> 01:31:23,920  
i mean this is also a sense of the first

2432  
01:31:28,870 --> 01:31:26,000  
one was to artsy fartsy on the

2433  
01:31:30,790 --> 01:31:28,880  
subterranean sas but it has real evps

2434  
01:31:32,790 --> 01:31:30,800  
and it has a real analysis the second

2435  
01:31:34,950 --> 01:31:32,800  
one's about the reports and then what

2436  
01:31:37,110 --> 01:31:34,960  
the the scientists because these people

2437  
01:31:38,870 --> 01:31:37,120  
really um when you're you know audio

2438  
01:31:41,189 --> 01:31:38,880

forensic professional

2439

01:31:42,709 --> 01:31:41,199

uh you really are a scientist in that

2440

01:31:44,790 --> 01:31:42,719

sense that's your thing that you're

2441

01:31:46,629 --> 01:31:44,800

going about i understand i'm sure yes

2442

01:31:49,590 --> 01:31:46,639

yeah the process is in place use the

2443

01:31:51,830 --> 01:31:49,600

same process to analyze each clip so you

2444

01:31:53,750 --> 01:31:51,840

have comparison of you know the same

2445

01:31:55,669 --> 01:31:53,760

apples to apples this is how it's done

2446

01:31:57,430 --> 01:31:55,679

and you come to the same you know like

2447

01:31:58,790 --> 01:31:57,440

this is the way you put it in goes

2448

01:32:01,030 --> 01:31:58,800

through the scientific method of

2449

01:32:03,189 --> 01:32:01,040

investigating it in computer software

2450

01:32:05,590 --> 01:32:03,199

and at the end boom so they use

2451  
01:32:07,110 --> 01:32:05,600  
different software each one comes to the

2452  
01:32:10,149 --> 01:32:07,120  
same

2453  
01:32:13,030 --> 01:32:10,159  
conclusion that this is legitimate

2454  
01:32:15,110 --> 01:32:13,040  
authentic and that this is what it's

2455  
01:32:17,189 --> 01:32:15,120  
likely to be saying now the accuracy

2456  
01:32:19,510 --> 01:32:17,199  
even the computer will say 87 percent

2457  
01:32:20,629 --> 01:32:19,520  
chance that this word is trump all right

2458  
01:32:24,070 --> 01:32:20,639  
or 80

2459  
01:32:25,830 --> 01:32:24,080  
a 95 percent chance that that is solid

2460  
01:32:27,189 --> 01:32:25,840  
okay

2461  
01:32:29,430 --> 01:32:27,199  
here has a good

2462  
01:32:31,350 --> 01:32:29,440  
pixar has a good question he says can't

2463  
01:32:32,950 --> 01:32:31,360

uh voice analysis software basically

2464

01:32:34,709 --> 01:32:32,960

show that the assorted responses are not

2465

01:32:36,950 --> 01:32:34,719

random and structured yes

2466

01:32:39,910 --> 01:32:36,960

in some ways because

2467

01:32:41,750 --> 01:32:39,920

you know uh random noise looks a certain

2468

01:32:42,950 --> 01:32:41,760

way on a spectrograph

2469

01:32:44,550 --> 01:32:42,960

and

2470

01:32:47,510 --> 01:32:44,560

intelligently

2471

01:32:49,350 --> 01:32:47,520

created sound looks a different way

2472

01:32:51,830 --> 01:32:49,360

that's all i could say for now and then

2473

01:32:53,830 --> 01:32:51,840

we can get into more detail after i do

2474

01:32:55,510 --> 01:32:53,840

an analysis of

2475

01:32:57,990 --> 01:32:55,520

gary's existing

2476

01:33:00,550 --> 01:32:58,000

data and then but i'm more interested in

2477

01:33:02,709 --> 01:33:00,560

doing a secondary i'll get this exact

2478

01:33:05,350 --> 01:33:02,719

phone from ebay yeah because that will

2479

01:33:06,950 --> 01:33:05,360

be the control that but i i really want

2480

01:33:10,149 --> 01:33:06,960

to try

2481

01:33:12,550 --> 01:33:10,159

analog recorders sure laptops with

2482

01:33:14,229 --> 01:33:12,560

microphones hooked up essentially what

2483

01:33:15,990 --> 01:33:14,239

i'm going to do for the for the sake of

2484

01:33:17,590 --> 01:33:16,000

our audience and i don't want to put you

2485

01:33:18,790 --> 01:33:17,600

on the spot but this is what i would

2486

01:33:21,430 --> 01:33:18,800

plan

2487

01:33:23,830 --> 01:33:21,440

you bring your phone i'll have my phone

2488

01:33:25,590 --> 01:33:23,840

my modern phone and my ancient one that

2489

01:33:27,189 --> 01:33:25,600

you're gonna that i'm gonna get

2490

01:33:29,510 --> 01:33:27,199

then we're gonna have a whole bunch of

2491

01:33:30,550 --> 01:33:29,520

analog tape recorders sure then we're

2492

01:33:32,870 --> 01:33:30,560

gonna have

2493

01:33:34,310 --> 01:33:32,880

six or seven laptops with microphones

2494

01:33:35,270 --> 01:33:34,320

attached to them

2495

01:33:38,149 --> 01:33:35,280

and

2496

01:33:39,350 --> 01:33:38,159

see what happens

2497

01:33:41,910 --> 01:33:39,360

sure

2498

01:33:43,430 --> 01:33:41,920

if the if the actual voices are only

2499

01:33:46,390 --> 01:33:43,440

picked up on these

2500

01:33:48,790 --> 01:33:46,400

old phones then i'm gonna have to find

2501

01:33:51,110 --> 01:33:48,800

an expert on these old phones

2502

01:33:53,990 --> 01:33:51,120

to see if there is any

2503

01:33:56,229 --> 01:33:54,000

correlation between why are we getting

2504

01:33:58,390 --> 01:33:56,239

this recording on these phones and not

2505

01:34:00,790 --> 01:33:58,400

on any of the you know you know what i

2506

01:34:02,390 --> 01:34:00,800

mean yeah i'm gonna hurt gary i'm gonna

2507

01:34:04,310 --> 01:34:02,400

put him on the spot he's gonna be

2508

01:34:06,229 --> 01:34:04,320

sweating bullets like god damn i gotta

2509

01:34:07,590 --> 01:34:06,239

make these ghosts talk in front of steve

2510

01:34:09,510 --> 01:34:07,600

champion

2511

01:34:11,750 --> 01:34:09,520

it's gonna be fun i will say that i'll

2512

01:34:14,229 --> 01:34:11,760

buy some pizza we'll have a good time

2513

01:34:15,910 --> 01:34:14,239

they talk every day so if we spend and

2514

01:34:17,270 --> 01:34:15,920

i'm saying i know basically the time

2515

01:34:19,270 --> 01:34:17,280

that they speak yeah just do a couple

2516

01:34:20,470 --> 01:34:19,280

hours take a break do a session take a

2517

01:34:23,189 --> 01:34:20,480

break through a session and have some

2518

01:34:25,189 --> 01:34:23,199

pizza i said i'm so confident that you

2519

01:34:26,870 --> 01:34:25,199

are going to get what you're looking for

2520

01:34:29,110 --> 01:34:26,880

and it's going to open up a whole bunch

2521

01:34:31,350 --> 01:34:29,120

more questions but the more people

2522

01:34:33,510 --> 01:34:31,360

involved in this i've found i feel more

2523

01:34:35,510 --> 01:34:33,520

and more confident to stand on the data

2524

01:34:37,590 --> 01:34:35,520

so when you come out of this saying wow

2525

01:34:39,189 --> 01:34:37,600

man this is this is remarkable then

2526

01:34:40,950 --> 01:34:39,199

there's going to be one more person

2527

01:34:43,430 --> 01:34:40,960

that's going to be in my portfolio hey

2528

01:34:45,270 --> 01:34:43,440

this is remarkable this is interesting

2529

01:34:47,669 --> 01:34:45,280

uh this is extraordinary because that

2530

01:34:50,629 --> 01:34:47,679

you go back to that carl sagan quote

2531

01:34:52,229 --> 01:34:50,639

right right about the extraordinary

2532

01:34:53,669 --> 01:34:52,239

evidence

2533

01:34:56,550 --> 01:34:53,679

if you have an extraordinary claim you

2534

01:34:58,950 --> 01:34:56,560

better have the data to back it up

2535

01:35:01,669 --> 01:34:58,960

this is extraordinary so far i will say

2536

01:35:04,229 --> 01:35:01,679

that not only do you have a lot of data

2537

01:35:07,430 --> 01:35:04,239

but you're very open to people analyzing

2538

01:35:09,669 --> 01:35:07,440

it sure and in my experience

2539

01:35:13,510 --> 01:35:09,679

hoaxers when press gets somebody that

2540

01:35:15,750 --> 01:35:13,520

has the expertise to to catch them run

2541

01:35:17,430 --> 01:35:15,760

gary's not running don't give them that

2542

01:35:18,870 --> 01:35:17,440

no

2543

01:35:21,350 --> 01:35:18,880

we'll see what happens when i have them

2544

01:35:23,189 --> 01:35:21,360

sweating bullets in my in my rec room

2545

01:35:25,750 --> 01:35:23,199

with you i'm gonna surround them with

2546

01:35:26,870 --> 01:35:25,760

like 85 recording devices i'm going come

2547

01:35:29,750 --> 01:35:26,880

on dude

2548

01:35:31,669 --> 01:35:29,760

these aliens talking you do it because

2549

01:35:33,910 --> 01:35:31,679

we could even live stream that you know

2550

01:35:36,870 --> 01:35:33,920

yes he lives during the session and then

2551

01:35:40,070 --> 01:35:36,880

that sounds great to me i mean i

2552

01:35:42,470 --> 01:35:40,080

i want no stone unturned i want there to

2553

01:35:44,310 --> 01:35:42,480

be no doubt this is legit we don't

2554

01:35:46,790 --> 01:35:44,320

understand it yet doesn't mean we can't

2555

01:35:48,390 --> 01:35:46,800

understand it and with the more people

2556

01:35:50,149 --> 01:35:48,400

with more people

2557

01:35:52,310 --> 01:35:50,159

getting involved and that's what the

2558

01:35:54,390 --> 01:35:52,320

whole grassroots up campaign i'm trying

2559

01:35:56,390 --> 01:35:54,400

to put it out there so people can say

2560

01:35:57,830 --> 01:35:56,400

hey i'll help you out or let me look

2561

01:36:00,070 --> 01:35:57,840

into this for you yeah

2562

01:36:02,390 --> 01:36:00,080

somebody's asking you to do it right now

2563

01:36:04,390 --> 01:36:02,400

well i can't report that i can't summon

2564

01:36:06,550 --> 01:36:04,400

right this second i can't i don't sit

2565

01:36:08,470 --> 01:36:06,560

here and say hey right

2566

01:36:10,310 --> 01:36:08,480

it's never worked that way these aren't

2567

01:36:13,830 --> 01:36:10,320

like angels on coal

2568

01:36:15,750 --> 01:36:13,840

i mean or devils uh they but they do and

2569

01:36:17,270 --> 01:36:15,760

i can tell you basically

2570

01:36:18,629 --> 01:36:17,280

um

2571

01:36:21,270 --> 01:36:18,639

if we spend

2572

01:36:22,709 --> 01:36:21,280

a few hours of any afternoon

2573

01:36:24,790 --> 01:36:22,719

it will happen

2574

01:36:28,390 --> 01:36:24,800

i

2575

01:36:30,229 --> 01:36:28,400

uh

2576

01:36:31,430 --> 01:36:30,239

the high contrast and they stick

2577

01:36:33,109 --> 01:36:31,440

together you know what i'm going to do

2578

01:36:34,790 --> 01:36:33,119

is i'm going to lock up gary in my

2579

01:36:36,310 --> 01:36:34,800

basement he's not allowed to leave until

2580

01:36:39,990 --> 01:36:36,320

i hear these aliens talking on the

2581

01:36:43,350 --> 01:36:42,070

i'm telling you you're going to get some

2582

01:36:45,750 --> 01:36:43,360

great data

2583

01:36:48,629 --> 01:36:45,760

i think you're going to be impressed but

2584

01:36:50,390 --> 01:36:48,639

you know it is it is so crazy i don't

2585

01:36:51,910 --> 01:36:50,400

want you and some people

2586

01:36:54,310 --> 01:36:51,920

they get into it and then they get

2587

01:36:56,950 --> 01:36:54,320

disturbed by well what does this really

2588

01:36:59,350 --> 01:36:56,960

mean because it opens up a whole

2589

01:37:00,950 --> 01:36:59,360

you get into the vertigo free fall like

2590

01:37:03,030 --> 01:37:00,960

oh no what this is what does this mean

2591

01:37:05,189 --> 01:37:03,040

in my life you know what

2592

01:37:06,870 --> 01:37:05,199

the sense of humor if they if these

2593

01:37:08,790 --> 01:37:06,880

beings never expressed any sense of

2594

01:37:11,270 --> 01:37:08,800

humor i probably would have broken my

2595

01:37:15,189 --> 01:37:11,280

phone and stopped it's because there's

2596

01:37:16,709 --> 01:37:15,199

seems to be some level of of uh

2597

01:37:18,390 --> 01:37:16,719

i don't know

2598

01:37:20,310 --> 01:37:18,400

a common denominator we can have that we

2599

01:37:22,229 --> 01:37:20,320

can laugh about something now i'm not

2600

01:37:24,709 --> 01:37:22,239

into laughs about cruelty and stuff but

2601

01:37:25,910 --> 01:37:24,719

i don't know if sometimes

2602

01:37:27,750 --> 01:37:25,920

the beings

2603

01:37:29,270 --> 01:37:27,760

are calibrating and i say beings and

2604

01:37:31,350 --> 01:37:29,280

again i want your audience to understand

2605

01:37:33,510 --> 01:37:31,360

i have no evidence you know i can put in

2606

01:37:35,109 --> 01:37:33,520

a test tube saying this is a being and i

2607

01:37:36,870 --> 01:37:35,119

call them ethereal entities they call

2608

01:37:38,550 --> 01:37:36,880

themselves alien they say their other

2609

01:37:39,750 --> 01:37:38,560

world they don't see their ghosts they

2610

01:37:42,070 --> 01:37:39,760

don't say they're you know

2611

01:37:43,430 --> 01:37:42,080

interdimensional and they just call it

2612

01:37:45,350 --> 01:37:43,440

one of the things that worries me is

2613

01:37:46,870 --> 01:37:45,360

that demons often

2614

01:37:50,790 --> 01:37:46,880

masquerade as

2615

01:37:52,229 --> 01:37:50,800

other things george or spirits sure sure

2616

01:37:54,070 --> 01:37:52,239

look i believe in the democracy i know

2617

01:37:56,229 --> 01:37:54,080

one catholic priest that is convinced

2618

01:37:57,990 --> 01:37:56,239

that everybody that ever saw an alien or

2619

01:38:00,870 --> 01:37:58,000

had an alien abduction experience that

2620

01:38:03,430 --> 01:38:00,880

it was demons pretending to be aliens

2621

01:38:04,229 --> 01:38:03,440

it's always a possibility early believes

2622

01:38:05,910 --> 01:38:04,239

that

2623

01:38:08,950 --> 01:38:05,920

yeah he studied this stuff he's into

2624

01:38:11,750 --> 01:38:08,960

demonology and all this yeah so yeah

2625

01:38:13,590 --> 01:38:11,760

yeah i i again i won't discount anything

2626

01:38:16,070 --> 01:38:13,600

i'm saying they haven't hurt me or my

2627

01:38:17,750 --> 01:38:16,080

family they haven't now somebody put on

2628

01:38:20,149 --> 01:38:17,760

here why don't you ask them for the

2629

01:38:22,070 --> 01:38:20,159

winning powerball numbers so everybody i

2630

01:38:24,470 --> 01:38:22,080

was that was my last question

2631

01:38:26,149 --> 01:38:24,480

has everybody asked us i have

2632

01:38:27,350 --> 01:38:26,159

i have and you know what i got a

2633

01:38:28,550 --> 01:38:27,360

response

2634

01:38:31,430 --> 01:38:28,560

all right

2635

01:38:33,430 --> 01:38:31,440

impossible that's what they said so you

2636

01:38:35,030 --> 01:38:33,440

could i will send you you're like what

2637

01:38:36,950 --> 01:38:35,040

the hell i mean

2638

01:38:39,430 --> 01:38:36,960

now i also had

2639

01:38:41,510 --> 01:38:39,440

another one another clip

2640

01:38:43,030 --> 01:38:41,520

and i will send you this you analyze it

2641

01:38:46,550 --> 01:38:43,040

to the what to your

2642

01:38:48,390 --> 01:38:46,560

greatest whatever when we had the big um

2643

01:38:50,070 --> 01:38:48,400

the big powerball jackpot like a billion

2644

01:38:51,510 --> 01:38:50,080

dollars or something

2645

01:38:56,629 --> 01:38:51,520

i had

2646

01:38:58,709 --> 01:38:56,639

and and they said powerball numbers you

2647

01:38:59,910 --> 01:38:58,719

slick here's what they said go to the

2648

01:39:00,950 --> 01:38:59,920

lottery

2649

01:39:03,510 --> 01:39:00,960

all right

2650

01:39:05,189 --> 01:39:03,520

and then it sounds like powerball but i

2651  
01:39:07,109 --> 01:39:05,199  
stopped record

2652  
01:39:07,990 --> 01:39:07,119  
because the noise stopped so it says

2653  
01:39:09,430 --> 01:39:08,000  
power

2654  
01:39:10,229 --> 01:39:09,440  
and it does it doesn't say the complete

2655  
01:39:12,390 --> 01:39:10,239  
word

2656  
01:39:14,229 --> 01:39:12,400  
i will send you that you can now i went

2657  
01:39:17,350 --> 01:39:14,239  
and i played the ticket right you know

2658  
01:39:19,350 --> 01:39:17,360  
what i won seven dollars that's it now

2659  
01:39:21,830 --> 01:39:19,360  
is that a joke i mean there's a billion

2660  
01:39:23,430 --> 01:39:21,840  
dollar jackpot i won yeah i went to the

2661  
01:39:27,189 --> 01:39:23,440  
lottery because the yeah you're seven

2662  
01:39:29,510 --> 01:39:27,199  
dollars up don't be greedy gary yeah

2663  
01:39:31,910 --> 01:39:29,520

that's the sense of humor that i i

2664

01:39:33,430 --> 01:39:31,920

please give me the real numbers don't be

2665

01:39:36,070 --> 01:39:33,440

telling me go to lottery and i win seven

2666

01:39:38,629 --> 01:39:36,080

dollars i mean the odds are not that bad

2667

01:39:40,310 --> 01:39:38,639

that i'd win on my own you know just

2668

01:39:42,950 --> 01:39:40,320

that that's that's the that's the

2669

01:39:46,390 --> 01:39:42,960

twisted nature of what i've encountered

2670

01:39:48,390 --> 01:39:46,400

they say they're alien i want you to to

2671

01:39:49,750 --> 01:39:48,400

we'll set something up with a new year i

2672

01:39:52,550 --> 01:39:49,760

will come up there

2673

01:39:55,270 --> 01:39:52,560

you can do whatever tests and stuff we

2674

01:39:58,709 --> 01:39:55,280

will come up with a plan so that

2675

01:40:00,709 --> 01:39:58,719

you know you can be satisfied that it

2676  
01:40:02,390 --> 01:40:00,719  
was the scientific method that you used

2677  
01:40:05,430 --> 01:40:02,400  
and everything that there's no it's an

2678  
01:40:07,590 --> 01:40:05,440  
airtight case that whatever you get

2679  
01:40:09,270 --> 01:40:07,600  
it it's going to be i i believe it's

2680  
01:40:11,830 --> 01:40:09,280  
going to be remarkable and you know you

2681  
01:40:13,990 --> 01:40:11,840  
can take it and do whatever with it um

2682  
01:40:16,070 --> 01:40:14,000  
and i just

2683  
01:40:17,430 --> 01:40:16,080  
i i i shake my head in disbelief because

2684  
01:40:19,510 --> 01:40:17,440  
i can't even believe i'm having a

2685  
01:40:21,590 --> 01:40:19,520  
conversation i can't believe that i've

2686  
01:40:23,430 --> 01:40:21,600  
got people in this world that you know

2687  
01:40:26,229 --> 01:40:23,440  
i'm hoping that i'm encouraging people

2688  
01:40:28,470 --> 01:40:26,239

in the right way to be open-minded but

2689

01:40:31,510 --> 01:40:28,480

always skeptical that it's important you

2690

01:40:33,189 --> 01:40:31,520

don't be gullible i'm i i i first i look

2691

01:40:35,270 --> 01:40:33,199

yeah i believe in trust i believe in

2692

01:40:37,350 --> 01:40:35,280

trust but verify i try to stop people's

2693

01:40:39,270 --> 01:40:37,360

claims that they're being genuine first

2694

01:40:42,070 --> 01:40:39,280

i try to verify it or is this person

2695

01:40:44,149 --> 01:40:42,080

being genuine yeah and honestly it's

2696

01:40:45,750 --> 01:40:44,159

almost enough for me if i just believe

2697

01:40:48,149 --> 01:40:45,760

that they believe they're telling the

2698

01:40:49,990 --> 01:40:48,159

truth right even if i don't or i'm not

2699

01:40:52,310 --> 01:40:50,000

sure where they are as long as i know

2700

01:40:54,149 --> 01:40:52,320

that they believe and i feel that they

2701  
01:40:55,510 --> 01:40:54,159  
believe that they're having a genuine

2702  
01:40:58,390 --> 01:40:55,520  
experience and tell the truth i'll

2703  
01:41:01,109 --> 01:40:58,400  
listen and trust but i need to verify

2704  
01:41:03,109 --> 01:41:01,119  
and we need a lot of tests and i'm gonna

2705  
01:41:05,590 --> 01:41:03,119  
gary i'm gonna think about some of these

2706  
01:41:07,669 --> 01:41:05,600  
things excellent about what i can do

2707  
01:41:10,430 --> 01:41:07,679  
what scientific instruments i can use i

2708  
01:41:12,629 --> 01:41:10,440  
have evp meters i have uh

2709  
01:41:15,750 --> 01:41:12,639  
magnetometers and some other things and

2710  
01:41:18,310 --> 01:41:15,760  
we can have re so i'm a girl yet and i'm

2711  
01:41:19,510 --> 01:41:18,320  
gonna have all this gear around you

2712  
01:41:21,830 --> 01:41:19,520  
you're going to be

2713  
01:41:23,430 --> 01:41:21,840

hooked up like a cyborg almost we're

2714

01:41:25,510 --> 01:41:23,440

going to have all this stuff

2715

01:41:28,149 --> 01:41:25,520

maybe we'll live stream it or we'll just

2716

01:41:30,550 --> 01:41:28,159

record it and then you can come on and

2717

01:41:32,550 --> 01:41:30,560

we'll do another show i'll edit together

2718

01:41:34,550 --> 01:41:32,560

whatever you get and we'll talk about it

2719

01:41:35,990 --> 01:41:34,560

it's fascinating to me and interesting

2720

01:41:37,030 --> 01:41:36,000

and i i'm more than willing to lend my

2721

01:41:39,430 --> 01:41:37,040

time to

2722

01:41:41,669 --> 01:41:39,440

to investigate something like that nice

2723

01:41:43,189 --> 01:41:41,679

and believe me i'm all open to it so

2724

01:41:45,990 --> 01:41:43,199

yeah we'll get together with the new

2725

01:41:48,950 --> 01:41:46,000

year and we'll do why not do a live

2726

01:41:51,510 --> 01:41:48,960

stream too i mean i'm i'm so confident

2727

01:41:54,149 --> 01:41:51,520

that what i have discovered or whatever

2728

01:41:55,990 --> 01:41:54,159

has fallen into my lap is john

2729

01:41:57,510 --> 01:41:56,000

one other question is yes are you are

2730

01:42:13,270 --> 01:41:57,520

you okay if i have

2731

01:42:17,270 --> 01:42:15,270

this is we're laughing but this is

2732

01:42:20,149 --> 01:42:17,280

something that i truly believe

2733

01:42:22,629 --> 01:42:20,159

if there's a possibility of that this is

2734

01:42:25,109 --> 01:42:22,639

some sort of demonic activity or

2735

01:42:26,870 --> 01:42:25,119

entities or whatever i don't want to

2736

01:42:29,189 --> 01:42:26,880

welcome them in my home without the

2737

01:42:30,070 --> 01:42:29,199

proper protections in place

2738

01:42:32,550 --> 01:42:30,080

so

2739

01:42:34,870 --> 01:42:32,560

yeah and that might be a control too

2740

01:42:37,669 --> 01:42:34,880

what if what if let's say for example a

2741

01:42:40,310 --> 01:42:37,679

priest you know banishes any negative

2742

01:42:41,990 --> 01:42:40,320

entities or spirits from the from my

2743

01:42:44,390 --> 01:42:42,000

house or the area while you're trying to

2744

01:42:48,070 --> 01:42:44,400

do this and nothing happens that would

2745

01:42:49,830 --> 01:42:48,080

be interesting to me yeah right look i i

2746

01:42:52,149 --> 01:42:49,840

i'm like i said i'm a person of faith

2747

01:42:53,990 --> 01:42:52,159

when i say faith um

2748

01:42:55,669 --> 01:42:54,000

i believe god is bigger than all no i

2749

01:42:58,390 --> 01:42:55,679

don't take any chances with demons

2750

01:43:00,709 --> 01:42:58,400

brother no i don't i'm a catholic i was

2751

01:43:01,830 --> 01:43:00,719

an altar boy

2752

01:43:03,910 --> 01:43:01,840

okay

2753

01:43:05,350 --> 01:43:03,920

i'm going to tell you a little secret

2754

01:43:07,430 --> 01:43:05,360

the entities

2755

01:43:09,510 --> 01:43:07,440

that crave so much attention one of

2756

01:43:10,390 --> 01:43:09,520

their weaknesses besides that

2757

01:43:12,229 --> 01:43:10,400

is

2758

01:43:14,390 --> 01:43:12,239

when i've called them out and and

2759

01:43:15,189 --> 01:43:14,400

they've been offensive and i've said

2760

01:43:16,390 --> 01:43:15,199

how

2761

01:43:18,149 --> 01:43:16,400

threatening

2762

01:43:21,590 --> 01:43:18,159

are you when you're nothing but a

2763

01:43:23,990 --> 01:43:21,600

whisper to me and i have to amplify you

2764

01:43:26,310 --> 01:43:24,000

to really understand what you say in my

2765

01:43:29,109 --> 01:43:26,320

world yeah right in my world you don't

2766

01:43:31,590 --> 01:43:29,119

really have much substance and guess

2767

01:43:34,070 --> 01:43:31,600

what you know they back all so there's a

2768

01:43:35,030 --> 01:43:34,080

realization that no matter what they

2769

01:43:37,270 --> 01:43:35,040

haven't

2770

01:43:38,550 --> 01:43:37,280

manifested anything that would tell me

2771

01:43:40,790 --> 01:43:38,560

this is a threat

2772

01:43:42,070 --> 01:43:40,800

um and they they have been right about

2773

01:43:44,790 --> 01:43:42,080

some remote viewing which we can

2774

01:43:47,109 --> 01:43:44,800

incorporate some of that too next year

2775

01:43:49,270 --> 01:43:47,119

uh yeah that'd be great i mean

2776

01:43:51,189 --> 01:43:49,280

you know i'm willing to share well i

2777

01:43:52,390 --> 01:43:51,199

have some experiments too for that we

2778

01:43:54,070 --> 01:43:52,400

could try yeah

2779

01:43:56,470 --> 01:43:54,080

because you know we could we could hide

2780

01:43:58,470 --> 01:43:56,480

some things with the pictures that i

2781

01:43:59,430 --> 01:43:58,480

draw or with numbers and see if they

2782

01:44:03,590 --> 01:43:59,440

could get

2783

01:44:04,950 --> 01:44:03,600

yeah i know i know that your time is

2784

01:44:07,830 --> 01:44:04,960

short and so is mine i got to take my

2785

01:44:10,310 --> 01:44:07,840

car to mechanic to get inspected

2786

01:44:12,229 --> 01:44:10,320

the government has decided that i'm an

2787

01:44:14,229 --> 01:44:12,239

idiot and somebody else has to look at

2788

01:44:15,430 --> 01:44:14,239

my car and say it's safe to drive it

2789

01:44:17,430 --> 01:44:15,440

down the road

2790

01:44:19,590 --> 01:44:17,440

and then i have to pay for all this

2791

01:44:19,830 --> 01:44:19,600

stuff

2792

01:44:21,830 --> 01:44:19,840

we're so

2793

01:44:24,629 --> 01:44:21,840

pennsylvania i have to get mine done in

2794

01:44:26,149 --> 01:44:24,639

uh in april yeah mine's up at the end of

2795

01:44:27,750 --> 01:44:26,159

december but i want to get it done and

2796

01:44:29,590 --> 01:44:27,760

take care of it i need a couple tires

2797

01:44:31,189 --> 01:44:29,600

and some other stupid things that's what

2798

01:44:32,950 --> 01:44:31,199

they hit you with time that's the year

2799

01:44:35,189 --> 01:44:32,960

no that's the time when i do the main

2800

01:44:37,270 --> 01:44:35,199

you know like i put things off i got

2801

01:44:39,030 --> 01:44:37,280

these drive they must be dry rotted my

2802

01:44:41,669 --> 01:44:39,040

two front tires i got to pump up the

2803

01:44:43,350 --> 01:44:41,679

tires like every three days

2804

01:44:45,270 --> 01:44:43,360

they don't flatten all the way but they

2805

01:44:47,270 --> 01:44:45,280

go like halfway down i'm like god damn

2806

01:44:49,030 --> 01:44:47,280

it and i got an air pump in my car every

2807

01:44:52,310 --> 01:44:49,040

time i gotta go somewhere i'm like open

2808

01:44:53,990 --> 01:44:52,320

the damn tires i'm yeah gotta get it

2809

01:44:55,750 --> 01:44:54,000

but listen it was a pleasure talking to

2810

01:44:57,430 --> 01:44:55,760

you know i'm glad that we did it this

2811

01:44:59,669 --> 01:44:57,440

way and not like

2812

01:45:03,109 --> 01:44:59,679

rehearsed or talked oh i agree

2813

01:45:05,910 --> 01:45:03,119

pre-games we just this was raw and our

2814

01:45:08,470 --> 01:45:05,920

first real good conversation about these

2815

01:45:09,590 --> 01:45:08,480

things and i'm sure this is not the last

2816

01:45:12,470 --> 01:45:09,600

continue

2817

01:45:14,870 --> 01:45:12,480

i'm gonna re-label this two two notes

2818

01:45:16,870 --> 01:45:14,880

i'm gonna re-label this part one okay

2819

01:45:18,790 --> 01:45:16,880

i'm also a terrible show host and didn't

2820

01:45:20,550 --> 01:45:18,800

put your links in the description so

2821

01:45:22,709 --> 01:45:20,560

send me the links that you want to your

2822

01:45:24,709 --> 01:45:22,719

website your documentaries and your

2823

01:45:26,709 --> 01:45:24,719

youtube channel and i'll copy and paste

2824

01:45:29,350 --> 01:45:26,719

them into the description of this video

2825

01:45:30,790 --> 01:45:29,360

so within within a very short time it'll

2826

01:45:32,950 --> 01:45:30,800

all that information will be there and

2827

01:45:34,229 --> 01:45:32,960

you you all can follow gary and

2828

01:45:36,790 --> 01:45:34,239

hopefully you'll follow us on our

2829

01:45:39,109 --> 01:45:36,800

journey into this new investigation into

2830

01:45:40,310 --> 01:45:39,119

gary and his uh

2831

01:45:41,669 --> 01:45:40,320

evp

2832

01:45:42,470 --> 01:45:41,679

crazy stuff

2833

01:45:43,510 --> 01:45:42,480

yeah

2834

01:45:45,510 --> 01:45:43,520

all right i'm gonna throw you out of

2835

01:45:46,870 --> 01:45:45,520

here you have a good evening right and

2836

01:45:48,229 --> 01:45:46,880

happy holidays if i don't talk to you

2837

01:45:50,629 --> 01:45:48,239

but i'm sure we're going to talk we're

2838

01:45:51,590 --> 01:45:50,639

going to talk very soon happy holidays

2839

01:45:53,590 --> 01:45:51,600

anyway

2840

01:45:55,750 --> 01:45:53,600

all right thank you for your time gary

2841

01:45:58,310 --> 01:45:55,760

well this is a strange one

2842

01:46:00,870 --> 01:45:58,320

and i got to say i'm uh intrigued enough

2843

01:46:01,990 --> 01:46:00,880

to say i'm all chips in on this i'm all

2844

01:46:03,270 --> 01:46:02,000

chips in

2845

01:46:05,510 --> 01:46:03,280

i am gonna

2846

01:46:07,990 --> 01:46:05,520

come up with some i got some equipment

2847

01:46:09,669 --> 01:46:08,000

i've got recording devices i got a

2848

01:46:11,270 --> 01:46:09,679

priest that'll come here make sure this

2849

01:46:14,390 --> 01:46:11,280

is not demons

2850

01:46:17,030 --> 01:46:14,400

because i look i i joke a lot but i'm

2851

01:46:19,189 --> 01:46:17,040

not kidding you that i don't

2852

01:46:21,830 --> 01:46:19,199

i would not willingly

2853

01:46:23,350 --> 01:46:21,840

welcome something into my house that may

2854

01:46:24,790 --> 01:46:23,360

be demonic

2855

01:46:27,350 --> 01:46:24,800

so we're gonna have to take some

2856

01:46:28,629 --> 01:46:27,360

precautions just in case i i don't think

2857

01:46:31,669 --> 01:46:28,639

there's anything wrong with being

2858

01:46:34,629 --> 01:46:31,679

cautious in that regard and so i'm gonna

2859

01:46:35,910 --> 01:46:34,639

do that uh just a few notes i do have to

2860

01:46:40,149 --> 01:46:35,920

run here so

2861

01:46:42,950 --> 01:46:40,159

um i apologize uh for uh my lack of time

2862

01:46:44,629 --> 01:46:42,960

here but just a few notes somebody in

2863

01:46:46,390 --> 01:46:44,639

the live chat mentioned that i we took

2864

01:46:48,709 --> 01:46:46,400

away all the wrenches

2865

01:46:51,030 --> 01:46:48,719

and i you know i'm sorry if you're upset

2866

01:46:53,510 --> 01:46:51,040

about that especially if you are a good

2867

01:46:55,990 --> 01:46:53,520

chat room moderator but we had the wild

2868

01:46:58,229 --> 01:46:56,000

wild west going on and people were

2869

01:47:00,550 --> 01:46:58,239

muting people because they didn't like

2870

01:47:02,870 --> 01:47:00,560

somebody's opinion people were blocking

2871

01:47:05,109 --> 01:47:02,880

people that they didn't like in the live

2872

01:47:06,950 --> 01:47:05,119

chat so now the only chat room monitors

2873

01:47:09,830 --> 01:47:06,960

are going to be spooky and

2874

01:47:12,149 --> 01:47:09,840

the sixth sense going forward uh and the

2875

01:47:13,510 --> 01:47:12,159

sixth sense is angry and i apologize to

2876

01:47:14,629 --> 01:47:13,520

him several times

2877

01:47:18,070 --> 01:47:14,639

trying to

2878

01:47:19,510 --> 01:47:18,080

fix the problems and i didn't understand

2879

01:47:21,270 --> 01:47:19,520

what was happening and somebody else

2880

01:47:23,430 --> 01:47:21,280

told me something different but i trust

2881

01:47:25,750 --> 01:47:23,440

his judgment so we had to take away all

2882

01:47:27,750 --> 01:47:25,760

the wrenches all the moderators i and

2883

01:47:28,709 --> 01:47:27,760

i'm sorry but this is a necessary thing

2884

01:47:30,390 --> 01:47:28,719

because

2885

01:47:33,750 --> 01:47:30,400

everybody's opinion here is welcome and

2886

01:47:35,350 --> 01:47:33,760

i can't have personal disagreements like

2887

01:47:36,709 --> 01:47:35,360

you know i don't like what that guy said

2888

01:47:38,950 --> 01:47:36,719

i'm going to block him from the live

2889

01:47:40,950 --> 01:47:38,960

chat because i have a wrench and i'm a

2890

01:47:43,109 --> 01:47:40,960

moderator here and

2891

01:47:44,790 --> 01:47:43,119

in truth there was 50 moderators here

2892

01:47:47,109 --> 01:47:44,800

and things were getting crazy so we have

2893

01:47:47,990 --> 01:47:47,119

to do that uh finally

2894

01:47:50,070 --> 01:47:48,000

um

2895

01:47:51,830 --> 01:47:50,080

i will make some announcements uh you

2896

01:47:53,590 --> 01:47:51,840

know we do a show

2897

01:47:56,390 --> 01:47:53,600

we've been doing five or six a week

2898

01:47:59,189 --> 01:47:56,400

lately so i will keep you posted as we

2899

01:48:01,430 --> 01:47:59,199

get this part two together what we're

2900

01:48:04,070 --> 01:48:01,440

doing i'll be posting some things on

2901

01:48:05,830 --> 01:48:04,080

patreon uh some pictures of where i'm

2902

01:48:08,550 --> 01:48:05,840

gonna do the setup and all these other

2903

01:48:10,310 --> 01:48:08,560

things uh we're a viewer supported show

2904

01:48:11,830 --> 01:48:10,320

make sure that you uh

2905

01:48:13,430 --> 01:48:11,840

throw a couple of bucks in the hat if

2906

01:48:15,350 --> 01:48:13,440

you have them that would be good uh

2907

01:48:17,350 --> 01:48:15,360

there's a few ways to do that you can

2908

01:48:19,189 --> 01:48:17,360

send us a super chat

2909

01:48:20,550 --> 01:48:19,199

i don't believe that we got any tonight

2910

01:48:23,510 --> 01:48:20,560

let me just check in just to make sure

2911

01:48:25,189 --> 01:48:23,520

because we read every single super chat

2912

01:48:27,350 --> 01:48:25,199

that we get

2913

01:48:29,430 --> 01:48:27,360

and tonight we didn't get any and we

2914

01:48:31,350 --> 01:48:29,440

also read every single paypal donation

2915

01:48:33,270 --> 01:48:31,360

there's instructions on how to do that

2916

01:48:34,709 --> 01:48:33,280

in the live chat

2917

01:48:37,510 --> 01:48:34,719

or excuse me in the description of the

2918

01:48:39,669 --> 01:48:37,520

video if you are

2919

01:48:42,709 --> 01:48:39,679

if you

2920

01:48:43,910 --> 01:48:42,719

broadcast you can send a super chat if

2921

01:48:45,189 --> 01:48:43,920

you're not listening to the live

2922

01:48:47,590 --> 01:48:45,199

broadcast

2923

01:48:49,510 --> 01:48:47,600

uh you can always send a paypal donation

2924

01:48:51,669 --> 01:48:49,520

and don't and instructions to do that or

2925

01:48:53,910 --> 01:48:51,679

in the live chat just make sure that you

2926

01:48:56,310 --> 01:48:53,920

include your chat room user id also

2927

01:48:58,310 --> 01:48:56,320

finally uh the other way that you could

2928

01:49:00,629 --> 01:48:58,320

support us and this is just as important

2929

01:49:02,709 --> 01:49:00,639

as to like comment subscribe and share

2930

01:49:04,310 --> 01:49:02,719

make sure that you share these videos

2931

01:49:05,590 --> 01:49:04,320

share them on your social media if

2932

01:49:08,310 --> 01:49:05,600

you're friends with me on facebook and

2933

01:49:10,229 --> 01:49:08,320

you see the the video the facebook video

2934

01:49:13,109 --> 01:49:10,239

share that share the links to the

2935

01:49:15,510 --> 01:49:13,119

youtube video uh encourage friends to

2936

01:49:18,070 --> 01:49:15,520

like comment subscribe and share uh it

2937

01:49:19,990 --> 01:49:18,080

really does help the youtube algorithm

2938

01:49:22,310 --> 01:49:20,000

uh i want to thank my guest tonight gary

2939

01:49:24,149 --> 01:49:22,320

arnold very interesting guy uh then i'm

2940

01:49:25,910 --> 01:49:24,159

glad that i got a chance to uh get to

2941

01:49:27,990 --> 01:49:25,920

know better tonight and i'm glad that i

2942

01:49:30,870 --> 01:49:28,000

got to take you with me you always hear

2943

01:49:32,229 --> 01:49:30,880

me say this friends uh i'm always happy

2944

01:49:33,830 --> 01:49:32,239

when there's an audience and i'm very

2945

01:49:36,070 --> 01:49:33,840

fortunate in that every night that i

2946

01:49:38,950 --> 01:49:36,080

come here to do this people show up to

2947

01:49:42,070 --> 01:49:38,960

hear it to see it to take part in it to

2948

01:49:43,589 --> 01:49:42,080

interact with me and the guests and it

2949

01:49:45,750 --> 01:49:43,599

warms my heart that there's people all

2950

01:49:47,990 --> 01:49:45,760

over the world tuning in every night our

2951  
01:49:49,830 --> 01:49:48,000  
show continues to grow and it just keeps

2952  
01:49:52,390 --> 01:49:49,840  
getting bigger and better and i gotta

2953  
01:49:54,629 --> 01:49:52,400  
tell you i love it i love that you were

2954  
01:49:56,470 --> 01:49:54,639  
all here to witness this tonight

2955  
01:49:58,550 --> 01:49:56,480  
uh thank you for taking the time to be a

2956  
01:50:00,950 --> 01:49:58,560  
part of my audience so until next time

2957  
01:50:05,820 --> 01:50:00,960  
friends my name is steven cambion good

2958  
01:50:59,160 --> 01:50:58,070  
[Music]

2959  
01:51:38,709 --> 01:50:59,170  
so

2960  
01:51:40,420 --> 01:51:38,719  
[Music]

2961  
01:52:00,780 --> 01:51:40,430  
so

2962  
01:53:31,000 --> 01:52:51,780  
[Music]

2963  
01:54:00,590 --> 01:53:31,010

[Applause]
