LEGACY CONTENT

DEBUNKING
BOB LAZAR

1
00:00:05,430 --> 00:00:02,869
this program is a legacy program which

2
00:00:07,909 --> 00:00:05,440
was recorded some time ago

3
00:00:10,390 --> 00:00:07,919
views and subject matter are products of

4
00:00:13,030 --> 00:00:10,400
the time in which they were recorded and

5
00:00:25,670 --> 00:00:13,040
may not reflect current news or cultural

6
00:00:25,680 --> 00:00:30,710
yes

7
00:00:46,410 --> 00:00:32,030
uh

8
00:00:46,420 --> 00:00:56,630
[Music]

9
00:01:02,069 --> 00:00:59,670
welcome back my friends and welcome to

10
00:01:03,830 --> 00:01:02,079
another amazing episode of the midnight

11
00:01:06,630 --> 00:01:03,840
hour show

12
00:01:09,990 --> 00:01:06,640
i welcome old friends and want to take a

13
00:01:13,590 --> 00:01:10,000

moment to welcome all of my new friends

14

00:01:15,830 --> 00:01:13,600

listening on the fringe fm

15

00:01:17,830 --> 00:01:15,840

in honor of this very special night i'm

16

00:01:20,390 --> 00:01:17,840

bringing you some world premieres

17

00:01:24,070 --> 00:01:20,400

because tonight is the premiere episode

18

00:01:26,870 --> 00:01:24,080

of the midnight hour on the fringe fm

19

00:01:29,749 --> 00:01:26,880

but not just that tonight is also the

20

00:01:31,109 --> 00:01:29,759

premiere of season two of the midnight

21

00:01:31,990 --> 00:01:31,119

hour show

22

00:01:34,870 --> 00:01:32,000

and

23

00:01:36,069 --> 00:01:34,880

it is also the premiere of my special

24

00:01:39,109 --> 00:01:36,079

report

25

00:01:40,789 --> 00:01:39,119

into the bob lazar case

26

00:01:43,510 --> 00:01:40,799

folks i've been looking into this one

27

00:01:45,990 --> 00:01:43,520

for a long time and tonight i am going

28

00:01:48,469 --> 00:01:46,000

to share with you in a special report

29

00:01:52,789 --> 00:01:48,479

all about my investigation into this

30

00:01:55,030 --> 00:01:52,799

strange case of bob lazar area 51 and

31

00:02:02,069 --> 00:01:55,040

flying saucers

32

00:02:04,950 --> 00:02:02,079

[Music]

33

00:02:07,590 --> 00:02:04,960

did a rogue scientists really work on

34

00:02:10,949 --> 00:02:07,600

back engineering flying saucers for the

35

00:02:13,270 --> 00:02:10,959

united states government at area 51.

36

00:02:15,190 --> 00:02:13,280

does the government really have

37

00:02:17,910 --> 00:02:15,200

recovered flying saucers that they're

38

00:02:19,830 --> 00:02:17,920

back engineering

39

00:02:22,390 --> 00:02:19,840

does the government know

40

00:02:24,630 --> 00:02:22,400

about alien visitations

41

00:02:26,390 --> 00:02:24,640

did bob lazar really work on back

42

00:02:28,630 --> 00:02:26,400

engineering

43

00:02:31,509 --> 00:02:28,640

some kind of alien spacecraft the

44

00:02:33,270 --> 00:02:31,519

government has housed at a secret base

45

00:02:35,030 --> 00:02:33,280

called s4

46

00:02:38,390 --> 00:02:35,040

inside

47

00:02:42,550 --> 00:02:40,949

did he think that this information

48

00:02:45,110 --> 00:02:42,560

should be public

49

00:02:47,990 --> 00:02:45,120

so much so that he was willing to risk

50

00:02:51,990 --> 00:02:48,000

his life his reputation

51
00:02:54,949 --> 00:02:52,000
and his career to become a whistleblower

52
00:02:56,869 --> 00:02:54,959
is he really a whistleblower

53
00:03:02,470 --> 00:02:56,879
or my friends

54
00:03:07,110 --> 00:03:05,030
some time ago an investigative filmmaker

55
00:03:09,350 --> 00:03:07,120
promised the world that we were finally

56
00:03:10,630 --> 00:03:09,360
gonna get the truth about the bob lazar

57
00:03:12,949 --> 00:03:10,640
case

58
00:03:14,309 --> 00:03:12,959
but what did we get folks did we get the

59
00:03:24,949 --> 00:03:14,319
truth

60
00:03:25,910 --> 00:03:24,959
was very conveniently slanted to sell a

61
00:03:31,750 --> 00:03:25,920
film

62
00:03:35,110 --> 00:03:31,760
worth of evidence that bob lazar is a

63
00:03:37,830 --> 00:03:35,120

liar and a fraud and a con man

64

00:03:40,470 --> 00:03:37,840

not only that i know ten people

65

00:03:42,550 --> 00:03:40,480

personally including myself

66

00:03:44,390 --> 00:03:42,560

who sent him information while he was

67

00:03:46,550 --> 00:03:44,400

making the film

68

00:03:48,949 --> 00:03:46,560

i have all that information

69

00:03:51,589 --> 00:03:48,959

guess how much of all of that

70

00:03:54,550 --> 00:03:51,599

information that nine or ten other

71

00:03:57,509 --> 00:03:54,560

people that i know plus me sent him made

72

00:04:00,149 --> 00:03:57,519

it into that so-called documentary

73

00:04:01,670 --> 00:04:00,159

that's right folks none of it none of it

74

00:04:03,589 --> 00:04:01,680

made it in

75

00:04:05,589 --> 00:04:03,599

why did someone produce something

76

00:04:07,670 --> 00:04:05,599

calling it a documentary

77

00:04:08,789 --> 00:04:07,680

when they only told one side of the

78

00:04:10,710 --> 00:04:08,799

story

79

00:04:13,670 --> 00:04:10,720

why did a so-called documentary

80

00:04:15,429 --> 00:04:13,680

filmmaker purposely ignore

81

00:04:17,509 --> 00:04:15,439

all of that evidence that people were

82

00:04:19,909 --> 00:04:17,519

sending him i know people sent him that

83

00:04:21,670 --> 00:04:19,919

evidence i trust those people that sent

84

00:04:24,950 --> 00:04:21,680

him all that evidence

85

00:04:26,950 --> 00:04:24,960

why would he ignore all of that folks

86

00:04:29,990 --> 00:04:26,960

well tonight

87

00:04:33,749 --> 00:04:30,000

we just might find out

88

00:04:36,310 --> 00:04:33,759

i have to be very clear in stating

89

00:04:39,110 --> 00:04:36,320

that i believe that documentary

90

00:04:42,710 --> 00:04:39,120

filmmaker left all that evidence out for

91

00:04:45,350 --> 00:04:42,720

one specific reason and that is money

92

00:04:47,830 --> 00:04:45,360

money folks follow the money

93

00:04:49,909 --> 00:04:47,840

there's no story if you just create a

94

00:04:52,150 --> 00:04:49,919

documentary saying this man was a fraud

95

00:04:54,469 --> 00:04:52,160

and a liar and a con man

96

00:04:57,830 --> 00:04:54,479

this is only going to sell if people

97

00:04:59,510 --> 00:04:57,840

believe that story just may be true

98

00:05:02,310 --> 00:04:59,520

and for all i know

99

00:05:04,310 --> 00:05:02,320

maybe it is true but leaving out

100

00:05:05,270 --> 00:05:04,320

30 years worth of evidence that it's not

101
00:05:06,550 --> 00:05:05,280
true

102
00:05:07,590 --> 00:05:06,560
seems to me

103
00:05:09,590 --> 00:05:07,600
to be

104
00:05:11,670 --> 00:05:09,600
a bad thing to do if you're going to

105
00:05:15,749 --> 00:05:11,680
call yourself an investigative

106
00:05:18,310 --> 00:05:15,759
journalist or a documentary filmmaker

107
00:05:19,670 --> 00:05:18,320
i wanted to be sure my friends that i

108
00:05:21,909 --> 00:05:19,680
would have no

109
00:05:24,550 --> 00:05:21,919
financial motive either way

110
00:05:27,909 --> 00:05:24,560
so tonight i made sure there's not going

111
00:05:29,830 --> 00:05:27,919
to be any ads i have no financial motive

112
00:05:31,110 --> 00:05:29,840
that filmmaker brought you his version

113
00:05:33,270 --> 00:05:31,120

of the truth

114

00:05:36,310 --> 00:05:33,280

tonight i'm going to bring you my

115

00:05:38,070 --> 00:05:36,320

version of the truth about bob lazar

116

00:05:41,029 --> 00:05:38,080

and it's very important that i just

117

00:05:43,990 --> 00:05:41,039

point out one important fact

118

00:05:46,070 --> 00:05:44,000

some people have a very important

119

00:05:48,710 --> 00:05:46,080

motive called money

120

00:05:50,550 --> 00:05:48,720

to bring you their version of the truth

121

00:05:52,390 --> 00:05:50,560

about bob lazar

122

00:05:54,390 --> 00:05:52,400

i don't have that handicap folks i have

123

00:05:56,629 --> 00:05:54,400

no financial stake in the bob lazar

124

00:05:59,670 --> 00:05:56,639

story whatsoever there's no ads on

125

00:06:02,230 --> 00:05:59,680

tonight's show even i'm making nothing

126
00:06:04,230 --> 00:06:02,240
from bringing you the truth tonight

127
00:06:06,390 --> 00:06:04,240
but i think it's important

128
00:06:08,230 --> 00:06:06,400
that people know the truth

129
00:06:11,029 --> 00:06:08,240
don't you want to know the truth

130
00:06:16,950 --> 00:06:11,039
tonight i'm gonna bring it to you

131
00:06:20,550 --> 00:06:19,749
i first heard the bob lazar story when i

132
00:06:24,070 --> 00:06:20,560
was

133
00:06:26,790 --> 00:06:24,080
just a child really just a little boy

134
00:06:28,390 --> 00:06:26,800
and i was into science fiction and model

135
00:06:31,350 --> 00:06:28,400
rockets and

136
00:06:33,270 --> 00:06:31,360
uh you know i was more than a bit of a

137
00:06:35,110 --> 00:06:33,280
science nerd

138
00:06:38,710 --> 00:06:35,120

i had

139

00:06:40,550 --> 00:06:38,720

my own interest in flying saucers

140

00:06:42,950 --> 00:06:40,560

because i saw something once when i was

141

00:06:43,749 --> 00:06:42,960

10 years old

142

00:06:48,070 --> 00:06:43,759

and

143

00:06:49,990 --> 00:06:48,080

since i saw that thing i wanted to know

144

00:06:52,390 --> 00:06:50,000

what it was

145

00:06:54,950 --> 00:06:52,400

was the thing that i saw

146

00:06:58,150 --> 00:06:54,960

an alien spacecraft

147

00:07:01,189 --> 00:06:58,160

that question haunted me

148

00:07:03,589 --> 00:07:01,199

but i didn't really ever get the answers

149

00:07:04,629 --> 00:07:03,599

at least i felt i would never get the

150

00:07:07,990 --> 00:07:04,639

answers

151
00:07:10,550 --> 00:07:08,000
until along comes bob lazar

152
00:07:12,950 --> 00:07:10,560
telling his fantastic story

153
00:07:14,550 --> 00:07:12,960
about being

154
00:07:16,550 --> 00:07:14,560
a senior

155
00:07:19,990 --> 00:07:16,560
level physicist

156
00:07:22,790 --> 00:07:20,000
at a top secret base called s4

157
00:07:27,270 --> 00:07:22,800
located 15 miles

158
00:07:30,469 --> 00:07:29,589
i gotta tell you when this story came

159
00:07:32,070 --> 00:07:30,479
out

160
00:07:34,629 --> 00:07:32,080
i thought

161
00:07:38,230 --> 00:07:34,639
that i had finally gotten the answer

162
00:07:44,550 --> 00:07:42,070
i got so into the story that i devoured

163
00:07:45,670 --> 00:07:44,560

everything that i could find

164

00:07:48,550 --> 00:07:45,680

about

165

00:07:51,589 --> 00:07:48,560

bob lazar and the story

166

00:07:53,670 --> 00:07:51,599

i followed it intensely and closely for

167

00:07:55,350 --> 00:07:53,680

quite some time

168

00:07:57,270 --> 00:07:55,360

but you know

169

00:07:59,430 --> 00:07:57,280

you

170

00:08:01,990 --> 00:07:59,440

i suppose

171

00:08:03,990 --> 00:08:02,000

at some point the story kind of dried up

172

00:08:05,589 --> 00:08:04,000

and bob lazar

173

00:08:07,909 --> 00:08:05,599

jesse as he

174

00:08:10,550 --> 00:08:07,919

just as quickly as he

175

00:08:13,589 --> 00:08:10,560

jumped out of the shadows and told this

176
00:08:15,270 --> 00:08:13,599
incredible story he jumped back into the

177
00:08:17,909 --> 00:08:15,280
shadows

178
00:08:19,350 --> 00:08:17,919
and the story kind of died

179
00:08:22,150 --> 00:08:19,360
a slow death

180
00:08:24,710 --> 00:08:22,160
but people were always still interested

181
00:08:27,189 --> 00:08:24,720
in the story

182
00:08:28,869 --> 00:08:27,199
and to this day i'm still interested in

183
00:08:31,830 --> 00:08:28,879
this story

184
00:08:34,310 --> 00:08:31,840
i want to know if it's true folks

185
00:08:36,070 --> 00:08:34,320
did this man really work on captured

186
00:08:38,310 --> 00:08:36,080
flying saucers for the united states

187
00:08:41,190 --> 00:08:38,320
government

188
00:08:43,750 --> 00:08:41,200

i wanted to find out the truth

189

00:08:46,150 --> 00:08:43,760

and when an investigative filmmaker and

190

00:08:48,630 --> 00:08:46,160

documentary maker came along and said

191

00:08:51,829 --> 00:08:48,640

that we were finally gonna get the truth

192

00:08:53,750 --> 00:08:51,839

i gotta tell you i was very excited

193

00:08:55,910 --> 00:08:53,760

because i thought

194

00:08:58,310 --> 00:08:55,920

that after 30 years

195

00:08:59,829 --> 00:08:58,320

bob lazar was finally going to come out

196

00:09:01,110 --> 00:08:59,839

and tell us

197

00:09:03,509 --> 00:09:01,120

the truth

198

00:09:05,430 --> 00:09:03,519

i thought that there would be

199

00:09:09,110 --> 00:09:05,440

some incredible proof

200

00:09:11,190 --> 00:09:09,120

to his story and his claims

201
00:09:15,430 --> 00:09:11,200
but that my friends

202
00:09:20,550 --> 00:09:16,870
what we got

203
00:09:21,590 --> 00:09:20,560
is what i believe to just be a pro bob

204
00:09:23,190 --> 00:09:21,600
lazar

205
00:09:25,829 --> 00:09:23,200
propaganda piece

206
00:09:28,790 --> 00:09:25,839
created for the sole purpose of selling

207
00:09:33,430 --> 00:09:30,630
we

208
00:09:36,550 --> 00:09:33,440
all of us that wanted to hear the truth

209
00:09:38,710 --> 00:09:36,560
of this story did wait 30 years to get

210
00:09:40,470 --> 00:09:38,720
the truth so when somebody came along

211
00:09:42,790 --> 00:09:40,480
promising us that there'd be all of

212
00:09:44,790 --> 00:09:42,800
these new bombshells and we'd finally

213
00:09:46,470 --> 00:09:44,800

get the truth

214

00:09:48,630 --> 00:09:46,480

we all listened

215

00:09:51,190 --> 00:09:48,640

and many of us

216

00:09:52,949 --> 00:09:51,200

listened with our wallets

217

00:09:54,710 --> 00:09:52,959

and we shelled out the ten or twenty

218

00:09:55,910 --> 00:09:54,720

dollars i don't even remember what it

219

00:09:58,949 --> 00:09:55,920

cost

220

00:10:01,269 --> 00:09:58,959

to purchase this film

221

00:10:03,829 --> 00:10:01,279

and i gotta tell you that

222

00:10:05,910 --> 00:10:03,839

of all the people that i know that are

223

00:10:09,350 --> 00:10:05,920

interested in this subject i can't think

224

00:10:10,790 --> 00:10:09,360

of one person that was either satisfied

225

00:10:12,150 --> 00:10:10,800

with that film

226

00:10:14,230 --> 00:10:12,160

or

227

00:10:16,470 --> 00:10:14,240

that was happy

228

00:10:17,910 --> 00:10:16,480

that that film was made

229

00:10:19,670 --> 00:10:17,920

most of the people that i know

230

00:10:21,670 --> 00:10:19,680

especially those that are intentionally

231

00:10:24,310 --> 00:10:21,680

interested in this subject and

232

00:10:25,509 --> 00:10:24,320

especially in this bob lazar case

233

00:10:28,630 --> 00:10:25,519

came away

234

00:10:31,269 --> 00:10:28,640

hugely disappointed

235

00:10:32,470 --> 00:10:31,279

there was almost no new information

236

00:10:33,590 --> 00:10:32,480

in this film

237

00:10:35,990 --> 00:10:33,600

there was

238

00:10:37,750 --> 00:10:36,000

some information about a hand scanner

239

00:10:38,790 --> 00:10:37,760

but that exchange went something like

240

00:10:41,110 --> 00:10:38,800

this

241

00:10:43,190 --> 00:10:41,120

bob lazar had mentioned that at the top

242

00:10:45,030 --> 00:10:43,200

secret base where he worked there was a

243

00:10:48,150 --> 00:10:45,040

special kind of hand scanner that you

244

00:10:51,190 --> 00:10:48,160

had to use to gain entry

245

00:10:53,190 --> 00:10:51,200

and this filmmaker found

246

00:10:55,990 --> 00:10:53,200

another

247

00:10:57,910 --> 00:10:56,000

government location or secret

248

00:10:58,949 --> 00:10:57,920

government facility that used a hand

249

00:11:01,269 --> 00:10:58,959

scanner

250

00:11:03,030 --> 00:11:01,279

and had a picture of it and in the film

251
00:11:04,470 --> 00:11:03,040
he just showed bob lazar a picture of it

252
00:11:06,470 --> 00:11:04,480
and said is this the hand scanner and

253
00:11:08,069 --> 00:11:06,480
bubbles are yeah yeah that was the hand

254
00:11:10,470 --> 00:11:08,079
scanner i didn't think i'd ever see that

255
00:11:13,350 --> 00:11:10,480
again you found it

256
00:11:15,509 --> 00:11:13,360
that was it i mean that really was the

257
00:11:17,670 --> 00:11:15,519
only new information that we got and i

258
00:11:19,350 --> 00:11:17,680
have to say after all the hype and

259
00:11:22,870 --> 00:11:19,360
hubbub about this

260
00:11:24,949 --> 00:11:22,880
and how much this film was promoted as

261
00:11:28,150 --> 00:11:24,959
finally bringing us the truth about bob

262
00:11:31,110 --> 00:11:28,160
lazar that's all we got that's it that's

263
00:11:32,870 --> 00:11:31,120

the only new thing that we got

264

00:11:36,389 --> 00:11:32,880

i have to tell you that

265

00:11:38,790 --> 00:11:36,399

i was tremendously let down and i had

266

00:11:42,790 --> 00:11:38,800

previously promoted that filmmaker's

267

00:11:45,670 --> 00:11:42,800

work on some of my previous shows

268

00:11:47,509 --> 00:11:45,680

i uh spoke to him

269

00:11:48,550 --> 00:11:47,519

i don't want to say many times several

270

00:11:49,509 --> 00:11:48,560

times

271

00:11:51,030 --> 00:11:49,519

um

272

00:11:52,470 --> 00:11:51,040

you know i don't know how many times but

273

00:11:54,230 --> 00:11:52,480

he and i uh

274

00:11:55,350 --> 00:11:54,240

talked back and forth on facebook or

275

00:11:56,550 --> 00:11:55,360

twitter

276

00:11:59,990 --> 00:11:56,560

and

277

00:12:01,990 --> 00:12:00,000

after the after the film came out

278

00:12:04,230 --> 00:12:02,000

i was very

279

00:12:07,110 --> 00:12:04,240

i don't want to say i was angry

280

00:12:08,790 --> 00:12:07,120

anger is a very strong word right

281

00:12:11,509 --> 00:12:08,800

i don't believe i was angry i believe

282

00:12:14,310 --> 00:12:11,519

that i was extremely disappointed

283

00:12:17,269 --> 00:12:14,320

in the film and the contents of the film

284

00:12:20,550 --> 00:12:17,279

and the lack of any new information

285

00:12:21,430 --> 00:12:20,560

i was also very troubled by the fact

286

00:12:32,150 --> 00:12:21,440

that

287

00:12:33,670 --> 00:12:32,160

and i mean good information

288

00:12:34,629 --> 00:12:33,680

good research

289

00:12:37,670 --> 00:12:34,639

good

290

00:12:39,509 --> 00:12:37,680

evidence evidence folks that's what the

291

00:12:41,910 --> 00:12:39,519

film lacked

292

00:12:44,069 --> 00:12:41,920

mostly we just got a retelling of the

293

00:12:45,590 --> 00:12:44,079

same story that we heard 30 years ago

294

00:12:47,990 --> 00:12:45,600

from bob lazar

295

00:12:49,350 --> 00:12:48,000

with a few new twists and turns

296

00:12:50,829 --> 00:12:49,360

that we're going to find out tonight

297

00:12:54,069 --> 00:12:50,839

were largely

298

00:12:56,870 --> 00:12:54,079

manufactured to sell a film

299

00:13:00,069 --> 00:12:56,880

so being disappointed

300

00:13:02,710 --> 00:13:00,079

i uh and having previously spoke to him

301
00:13:04,389 --> 00:13:02,720
a bunch of times on social media

302
00:13:06,629 --> 00:13:04,399
you know

303
00:13:08,310 --> 00:13:06,639
as the hype of this film was going

304
00:13:10,069 --> 00:13:08,320
you know he was posting stuff on social

305
00:13:11,990 --> 00:13:10,079
media about

306
00:13:13,829 --> 00:13:12,000
this or that

307
00:13:14,790 --> 00:13:13,839
and i posted

308
00:13:18,710 --> 00:13:14,800
uh

309
00:13:21,030 --> 00:13:18,720
some questions and i just got really

310
00:13:23,590 --> 00:13:21,040
nasty response from the filmmaker and so

311
00:13:25,990 --> 00:13:23,600
did a lot of people folks

312
00:13:28,710 --> 00:13:26,000
and then finally

313
00:13:32,230 --> 00:13:28,720

i made some mention

314

00:13:33,430 --> 00:13:32,240

that this filmmaker had investigated

315

00:13:34,949 --> 00:13:33,440

this case

316

00:13:38,230 --> 00:13:34,959

and had access

317

00:13:40,870 --> 00:13:38,240

access like no one ever got

318

00:13:43,829 --> 00:13:40,880

folks nobody gets to interview bob lazar

319

00:13:45,350 --> 00:13:43,839

nobody gets to talk to bob lazar

320

00:13:47,670 --> 00:13:45,360

nobody

321

00:13:49,509 --> 00:13:47,680

this filmmaker got access to bob lazar

322

00:13:50,870 --> 00:13:49,519

his friends his family

323

00:13:52,310 --> 00:13:50,880

his files

324

00:13:54,389 --> 00:13:52,320

everything

325

00:13:55,910 --> 00:13:54,399

and i found that a bit curious to begin

326

00:13:56,710 --> 00:13:55,920

with

327

00:13:58,949 --> 00:13:56,720

but

328

00:14:01,509 --> 00:13:58,959

when you see the film and you realize

329

00:14:02,470 --> 00:14:01,519

that not one hard ball question was

330

00:14:04,069 --> 00:14:02,480

asked

331

00:14:06,230 --> 00:14:04,079

it becomes

332

00:14:07,269 --> 00:14:06,240

very obvious why

333

00:14:09,990 --> 00:14:07,279

perhaps

334

00:14:12,550 --> 00:14:10,000

this filmmaker and no one else got that

335

00:14:14,949 --> 00:14:12,560

level of access to bob lazar

336

00:14:16,949 --> 00:14:14,959

i believe bob lazar knew this guy's not

337

00:14:18,069 --> 00:14:16,959

going to ask me any hard questions

338

00:14:19,590 --> 00:14:18,079

there's not going to be any gotcha

339

00:14:21,030 --> 00:14:19,600

moments he's not going to do a great

340

00:14:22,230 --> 00:14:21,040

deal of research and find new

341

00:14:25,269 --> 00:14:22,240

information

342

00:14:27,269 --> 00:14:25,279

he's just going to retell my story

343

00:14:29,509 --> 00:14:27,279

and i got to tell you folks it was just

344

00:14:32,150 --> 00:14:29,519

a tremendous letdown to me

345

00:14:33,670 --> 00:14:32,160

so back to the social media

346

00:14:36,150 --> 00:14:33,680

i posted

347

00:14:37,990 --> 00:14:36,160

as a reply to some social media posts

348

00:14:41,269 --> 00:14:38,000

that he made

349

00:14:44,470 --> 00:14:41,279

what a bunch of missed opportunities

350

00:14:47,990 --> 00:14:44,480

that he missed in this film specifically

351
00:14:49,590 --> 00:14:48,000
he interviewed bob lazar's mother

352
00:14:51,030 --> 00:14:49,600
and in the interview

353
00:14:53,189 --> 00:14:51,040
he didn't ask

354
00:14:55,829 --> 00:14:53,199
bob lazar's mother if bob lazar

355
00:14:58,629 --> 00:14:55,839
remembered him going to mit or caltech

356
00:15:00,310 --> 00:14:58,639
or attended bob lazar's graduation from

357
00:15:02,629 --> 00:15:00,320
mit or caltech

358
00:15:05,350 --> 00:15:02,639
which i think is a fair question to ask

359
00:15:08,550 --> 00:15:05,360
this man's mother because after all bob

360
00:15:11,590 --> 00:15:08,560
lazar had been swearing up down left

361
00:15:15,030 --> 00:15:11,600
right and sideways for 30 years that he

362
00:15:17,030 --> 00:15:15,040
went to caltech and mit and they somehow

363
00:15:19,030 --> 00:15:17,040

the men in black came and erased his

364

00:15:21,509 --> 00:15:19,040

records

365

00:15:23,590 --> 00:15:21,519

that's ludicrous folks it can't happen

366

00:15:26,069 --> 00:15:23,600

he would have such a huge legal case

367

00:15:27,829 --> 00:15:26,079

against mit and caltech if they ever try

368

00:15:29,910 --> 00:15:27,839

to do something like that

369

00:15:32,389 --> 00:15:29,920

it's not true folks it never happened

370

00:15:34,790 --> 00:15:32,399

nobody erased this man's records he

371

00:15:37,749 --> 00:15:34,800

never went to caltech and he never went

372

00:15:41,189 --> 00:15:37,759

to mit people have confirmed this

373

00:15:44,790 --> 00:15:41,199

multiple multiple ways but my point

374

00:15:46,710 --> 00:15:44,800

with what i posted to this filmmaker was

375

00:15:50,389 --> 00:15:46,720

why didn't you ask his mother

376

00:15:53,189 --> 00:15:50,399

to caltech or mit he's been lying about

377

00:15:55,749 --> 00:15:53,199

it for 30 years i don't about you but my

378

00:15:57,590 --> 00:15:55,759

mother knows where i went to school

379

00:16:00,069 --> 00:15:57,600

my mother can confirm or deny where i

380

00:16:03,189 --> 00:16:00,079

went to school if asked

381

00:16:05,670 --> 00:16:03,199

so my point was either

382

00:16:07,509 --> 00:16:05,680

this filmmaker never bothered to ask

383

00:16:09,670 --> 00:16:07,519

those questions when he's the only

384

00:16:11,430 --> 00:16:09,680

person that's ever been given access to

385

00:16:15,030 --> 00:16:11,440

bob lazar's mother

386

00:16:17,350 --> 00:16:15,040

or he did ask that question folks

387

00:16:19,590 --> 00:16:17,360

he did ask that question and he just

388

00:16:22,790 --> 00:16:19,600

didn't like the answer he got so he

389

00:16:25,509 --> 00:16:22,800
purposefully left it out of the film

390

00:16:27,670 --> 00:16:25,519
he even commented about this

391

00:16:29,590 --> 00:16:27,680
on another show and made disparaging

392

00:16:32,069 --> 00:16:29,600
remarks about the question that i asked

393

00:16:36,069 --> 00:16:32,079
about bob lazar's mother and why he

394

00:16:37,990 --> 00:16:36,079
didn't ask about bob lazar's education

395

00:16:40,310 --> 00:16:38,000
and what he said was how does this guy

396

00:16:42,470 --> 00:16:40,320
know what questions i i asked

397

00:16:43,430 --> 00:16:42,480
maybe i did ask her that

398

00:16:46,069 --> 00:16:43,440
really

399

00:16:47,749 --> 00:16:46,079
then if you did ask her that why would

400

00:16:49,350 --> 00:16:47,759
you leave it out of the film

401
00:16:51,110 --> 00:16:49,360
there's only two possibilities here

402
00:16:53,509 --> 00:16:51,120
folks

403
00:16:55,430 --> 00:16:53,519
that this filmmaker asked the question

404
00:16:56,550 --> 00:16:55,440
and didn't like the answer and cut it

405
00:16:57,430 --> 00:16:56,560
from the film

406
00:17:00,310 --> 00:16:57,440
or

407
00:17:02,470 --> 00:17:00,320
he never even thought to bother to ask

408
00:17:05,029 --> 00:17:02,480
this man's mother who's been lying for

409
00:17:07,230 --> 00:17:05,039
30 years about his education if she

410
00:17:08,949 --> 00:17:07,240
remembers him going to those schools

411
00:17:11,990 --> 00:17:08,959
[Music]

412
00:17:14,309 --> 00:17:12,000
shortly after i asked that question even

413
00:17:16,309 --> 00:17:14,319

after supporting this filmmaker through

414

00:17:17,350 --> 00:17:16,319

multiple projects and

415

00:17:19,750 --> 00:17:17,360

you know

416

00:17:21,590 --> 00:17:19,760

plugging his work many times

417

00:17:24,630 --> 00:17:21,600

guy was always too busy to come on my

418

00:17:27,510 --> 00:17:24,640

show but uh you know i was doing work

419

00:17:29,190 --> 00:17:27,520

related to some of his film topics and i

420

00:17:31,190 --> 00:17:29,200

always supported him

421

00:17:33,510 --> 00:17:31,200

i did not ask those questions to be

422

00:17:36,070 --> 00:17:33,520

disrespectful it wasn't personal i

423

00:17:38,390 --> 00:17:36,080

wasn't being vindictive or nasty in

424

00:17:41,110 --> 00:17:38,400

asking these questions these were real

425

00:17:43,750 --> 00:17:41,120

questions he and i had a relationship on

426
00:17:44,950 --> 00:17:43,760
social media and i thought that that was

427
00:17:46,789 --> 00:17:44,960
an okay

428
00:17:49,830 --> 00:17:46,799
point to make to him

429
00:17:52,390 --> 00:17:49,840
or question to ask

430
00:17:53,750 --> 00:17:52,400
but what i got folks is blocked on

431
00:17:54,549 --> 00:17:53,760
social media

432
00:17:56,630 --> 00:17:54,559
and

433
00:17:59,110 --> 00:17:56,640
you know lately there's been a lot of

434
00:18:02,230 --> 00:17:59,120
that going around

435
00:18:04,150 --> 00:18:02,240
and i have to say that i will never

436
00:18:05,270 --> 00:18:04,160
criticize someone

437
00:18:08,630 --> 00:18:05,280
for

438
00:18:10,150 --> 00:18:08,640

anything that i also do in other words

439

00:18:11,590 --> 00:18:10,160

i'm never going to say hey that guy

440

00:18:13,110 --> 00:18:11,600

drinks too much

441

00:18:15,110 --> 00:18:13,120

because i drink alcohol i'm never going

442

00:18:17,669 --> 00:18:15,120

to say yeah

443

00:18:19,830 --> 00:18:17,679

i'm not going to criticize someone for

444

00:18:22,070 --> 00:18:19,840

something that i also do

445

00:18:25,270 --> 00:18:22,080

so if i'm critical of that filmmaker for

446

00:18:26,549 --> 00:18:25,280

blocking me and i have to say i know

447

00:18:29,270 --> 00:18:26,559

at least

448

00:18:32,630 --> 00:18:29,280

15 other people that he blocked for

449

00:18:33,669 --> 00:18:32,640

asking questions about that film

450

00:18:36,230 --> 00:18:33,679

it's like

451
00:18:38,789 --> 00:18:36,240
trying to control the narrative he can't

452
00:18:40,950 --> 00:18:38,799
stand for people interested in his work

453
00:18:42,549 --> 00:18:40,960
to see those questions

454
00:18:44,390 --> 00:18:42,559
about all those things that he left out

455
00:18:47,029 --> 00:18:44,400
of the film so he just blocks people so

456
00:18:49,750 --> 00:18:47,039
that no one can see those questions

457
00:18:52,070 --> 00:18:49,760
being asked on his social media and i

458
00:18:54,150 --> 00:18:52,080
gotta say like i said i would not

459
00:18:58,710 --> 00:18:54,160
criticize him for that

460
00:19:04,950 --> 00:19:02,070
by and large i never ever block anyone

461
00:19:07,590 --> 00:19:04,960
on any of my social media pages now of

462
00:19:10,549 --> 00:19:07,600
course there are exceptions if there's

463
00:19:12,549 --> 00:19:10,559

some porn you know spam account on

464

00:19:13,830 --> 00:19:12,559

facebook send me messages i'll block

465

00:19:15,270 --> 00:19:13,840

that

466

00:19:17,590 --> 00:19:15,280

you know

467

00:19:19,990 --> 00:19:17,600

but by and large

468

00:19:22,310 --> 00:19:20,000

i don't try to control the narrative

469

00:19:23,110 --> 00:19:22,320

with my work folks

470

00:19:24,470 --> 00:19:23,120

if

471

00:19:25,669 --> 00:19:24,480

i present

472

00:19:28,390 --> 00:19:25,679

a show

473

00:19:30,870 --> 00:19:28,400

or anything really and someone has

474

00:19:33,669 --> 00:19:30,880

questions about it or

475

00:19:35,909 --> 00:19:33,679

uh you know maybe questions my judgment

476

00:19:39,270 --> 00:19:35,919

of something i said or the accuracy of

477

00:19:41,750 --> 00:19:39,280

something i said or did then i'm open to

478

00:19:44,070 --> 00:19:41,760

that debate

479

00:19:46,470 --> 00:19:44,080

and it's really really unfortunate and

480

00:19:49,029 --> 00:19:46,480

it's it's kind of sad that some people's

481

00:19:51,270 --> 00:19:49,039

work is apparently so bad

482

00:19:54,630 --> 00:19:51,280

that they cannot withstand

483

00:19:57,350 --> 00:19:54,640

real criticism especially if it's valid

484

00:19:59,510 --> 00:19:57,360

criticism most of the people that i know

485

00:20:00,470 --> 00:19:59,520

that were blocked by this filmmaker were

486

00:20:02,470 --> 00:20:00,480

asking

487

00:20:04,630 --> 00:20:02,480

real questions and i've seen a bunch of

488

00:20:06,149 --> 00:20:04,640

screenshots people have been sending me

489

00:20:09,510 --> 00:20:06,159

they weren't belligerent they weren't

490

00:20:11,190 --> 00:20:09,520

being nasty they honestly had a real

491

00:20:13,350 --> 00:20:11,200

question that they wanted answered about

492

00:20:15,270 --> 00:20:13,360

the bob lazar case and you know

493

00:20:18,149 --> 00:20:15,280

something pops up on

494

00:20:20,630 --> 00:20:18,159

this filmmaker social media and

495

00:20:22,149 --> 00:20:20,640

people will ask that question or say hey

496

00:20:24,630 --> 00:20:22,159

why didn't you ask this or why didn't

497

00:20:27,510 --> 00:20:24,640

you do that boom you're blocked because

498

00:20:29,590 --> 00:20:27,520

we can't have people asking questions

499

00:20:32,230 --> 00:20:29,600

that's trying to control the narrative

500

00:20:35,430 --> 00:20:32,240

of the story folks

501
00:20:37,590 --> 00:20:35,440
and i gotta say that is

502
00:20:40,789 --> 00:20:37,600
something that i hope to god i will

503
00:20:43,270 --> 00:20:40,799
never do or never have to do

504
00:20:45,830 --> 00:20:43,280
like i said i do not block now somebody

505
00:20:48,070 --> 00:20:45,840
is being real nasty and belligerent or

506
00:20:49,350 --> 00:20:48,080
you know using a lot of profanity or

507
00:20:52,710 --> 00:20:49,360
just being

508
00:20:55,110 --> 00:20:52,720
really uh i guess vindictive or

509
00:20:57,430 --> 00:20:55,120
or personally insulting about something

510
00:20:59,909 --> 00:20:57,440
that's not my work then yeah i guess i'd

511
00:21:01,110 --> 00:20:59,919
be free to block them but generally i

512
00:21:04,710 --> 00:21:01,120
don't

513
00:21:06,870 --> 00:21:04,720

i allow open debate about all of my work

514

00:21:08,549 --> 00:21:06,880

and tonight folks i'm going to present a

515

00:21:10,149 --> 00:21:08,559

great deal of my work about this bob

516

00:21:11,909 --> 00:21:10,159

lazar case i'm not going to block

517

00:21:13,510 --> 00:21:11,919

anybody if you're a believer bob lazar

518

00:21:15,750 --> 00:21:13,520

you can come to my twitter page you can

519

00:21:18,070 --> 00:21:15,760

come to my facebook page tell me i'm

520

00:21:20,070 --> 00:21:18,080

wrong but tell me why

521

00:21:25,190 --> 00:21:20,080

i will let

522

00:21:27,270 --> 00:21:25,200

questions and those people that don't

523

00:21:28,710 --> 00:21:27,280

are intellectual weaklings

524

00:21:30,870 --> 00:21:28,720

whose work

525

00:21:33,270 --> 00:21:30,880

cannot stand up to scrutiny

526

00:21:36,390 --> 00:21:33,280

tonight folks i'm going to give you

527

00:21:38,149 --> 00:21:36,400

a great deal of research and evidence

528

00:21:41,590 --> 00:21:38,159

and all the research and evidence that

529

00:21:43,270 --> 00:21:41,600

i've done into this case can absolutely

530

00:21:45,270 --> 00:21:43,280

stand up to scrutiny

531

00:21:46,870 --> 00:21:45,280

i don't mind to be i don't mind comments

532

00:21:48,870 --> 00:21:46,880

i don't mind questions i'm not going to

533

00:21:50,710 --> 00:21:48,880

block you for saying something that i

534

00:21:52,390 --> 00:21:50,720

disagree with

535

00:21:54,230 --> 00:21:52,400

and i think

536

00:21:56,870 --> 00:21:54,240

i just had to get that off my chest i

537

00:21:58,950 --> 00:21:56,880

think it's important that we realize

538

00:22:02,149 --> 00:21:58,960

this is some of the things that happen

539

00:22:05,990 --> 00:22:02,159

in our so-called community

540

00:22:07,909 --> 00:22:06,000

now i also have to get one more

541

00:22:08,710 --> 00:22:07,919

piece of personal business out of the

542

00:22:11,110 --> 00:22:08,720

way

543

00:22:14,310 --> 00:22:11,120

last week

544

00:22:16,230 --> 00:22:14,320

the ufo community lost uh living legend

545

00:22:18,549 --> 00:22:16,240

stan friedman

546

00:22:21,510 --> 00:22:18,559

and a lot of people know that i was a

547

00:22:23,750 --> 00:22:21,520

big fan of mr friedman and he was on my

548

00:22:25,430 --> 00:22:23,760

show previously and i had talked to him

549

00:22:28,310 --> 00:22:25,440

many many times and

550

00:22:29,270 --> 00:22:28,320

considered him a friend

551
00:22:31,190 --> 00:22:29,280
and so

552
00:22:33,830 --> 00:22:31,200
you know a lot of people are asking me

553
00:22:35,430 --> 00:22:33,840
questions about stanton friedman and

554
00:22:37,990 --> 00:22:35,440
his passing

555
00:22:40,789 --> 00:22:38,000
and i gotta say that i'm really

556
00:22:42,870 --> 00:22:40,799
it really hit me very hard

557
00:22:44,230 --> 00:22:42,880
because

558
00:22:46,470 --> 00:22:44,240
you know he

559
00:22:49,510 --> 00:22:46,480
went out of his way to help me become a

560
00:22:52,230 --> 00:22:49,520
better researcher and

561
00:22:53,590 --> 00:22:52,240
he and i talked about this case

562
00:22:55,669 --> 00:22:53,600
quite a lot

563
00:22:58,470 --> 00:22:55,679

and when i first started talking

564

00:23:00,950 --> 00:22:58,480

to mr friedman uh

565

00:23:01,990 --> 00:23:00,960

fairly frequently about the case i

566

00:23:04,470 --> 00:23:02,000

started

567

00:23:05,750 --> 00:23:04,480

digging into this bob lazar case and i

568

00:23:08,870 --> 00:23:05,760

was kind of

569

00:23:11,590 --> 00:23:08,880

on the side of uh

570

00:23:13,350 --> 00:23:11,600

you know this case must be true i wanted

571

00:23:14,950 --> 00:23:13,360

it to be true folks

572

00:23:16,630 --> 00:23:14,960

so every time i would find some kind of

573

00:23:18,390 --> 00:23:16,640

information that may support the bob

574

00:23:21,590 --> 00:23:18,400

lazar was telling the truth i would call

575

00:23:22,390 --> 00:23:21,600

up mr friedman and we would have a

576

00:23:24,870 --> 00:23:22,400

talk

577

00:23:26,070 --> 00:23:24,880

a spirited debate about the things that

578

00:23:27,909 --> 00:23:26,080

i found

579

00:23:29,750 --> 00:23:27,919

and quite often mr friedman would send

580

00:23:31,029 --> 00:23:29,760

me in some other directions

581

00:23:32,950 --> 00:23:31,039

and say

582

00:23:35,029 --> 00:23:32,960

you gotta keep digging kid

583

00:23:37,029 --> 00:23:35,039

he always called me kid and i'm gonna

584

00:23:38,870 --> 00:23:37,039

miss that

585

00:23:41,110 --> 00:23:38,880

so

586

00:23:44,789 --> 00:23:41,120

a lot of people are asking me

587

00:23:46,470 --> 00:23:44,799

uh about mr friedman and my relationship

588

00:23:47,830 --> 00:23:46,480

with him which

589

00:23:50,230 --> 00:23:47,840

i've shared

590

00:23:51,909 --> 00:23:50,240

i suppose all i really want to share

591

00:23:55,269 --> 00:23:51,919

about that

592

00:23:56,070 --> 00:23:55,279

personal connection that i had to him

593

00:23:57,990 --> 00:23:56,080

and

594

00:24:00,549 --> 00:23:58,000

other people like richard dolan did

595

00:24:03,669 --> 00:24:00,559

whole shows talking about the tremendous

596

00:24:05,029 --> 00:24:03,679

work that mr friedman did

597

00:24:07,430 --> 00:24:05,039

and

598

00:24:08,670 --> 00:24:07,440

what a void he has left

599

00:24:10,070 --> 00:24:08,680

and

600

00:24:12,710 --> 00:24:10,080

[Music]

601
00:24:14,710 --> 00:24:12,720
all of his contributions and

602
00:24:16,310 --> 00:24:14,720
those people said

603
00:24:18,950 --> 00:24:16,320
everything that can be said about him

604
00:24:21,029 --> 00:24:18,960
much better than i could ever say it

605
00:24:23,750 --> 00:24:21,039
so people were asking me if i was gonna

606
00:24:26,549 --> 00:24:23,760
do some story about stanton friedman or

607
00:24:29,269 --> 00:24:26,559
some kind of tribute and

608
00:24:31,110 --> 00:24:29,279
i gotta say like i said other people

609
00:24:33,029 --> 00:24:31,120
knew him much better than me

610
00:24:35,029 --> 00:24:33,039
and said all the things that could be

611
00:24:37,750 --> 00:24:35,039
said much better than me

612
00:24:40,630 --> 00:24:37,760
but i gave a lot of thought to what he

613
00:24:44,710 --> 00:24:41,510

and

614

00:24:47,510 --> 00:24:44,720

i came to this conclusion folks

615

00:24:48,390 --> 00:24:47,520

what mr freeman would like

616

00:24:49,909 --> 00:24:48,400

is

617

00:24:51,909 --> 00:24:49,919

for people

618

00:24:53,590 --> 00:24:51,919

to do good research

619

00:24:56,470 --> 00:24:53,600

to find the evidence

620

00:24:57,990 --> 00:24:56,480

that people don't want to be found

621

00:25:00,789 --> 00:24:58,000

and to present

622

00:25:02,070 --> 00:25:00,799

the facts and the evidence

623

00:25:05,110 --> 00:25:02,080

to the public

624

00:25:06,310 --> 00:25:05,120

whether they want to hear it or not

625

00:25:08,390 --> 00:25:06,320

and so

626
00:25:10,390 --> 00:25:08,400
in the best tribute

627
00:25:12,230 --> 00:25:10,400
to mr stan friedman that i could think

628
00:25:14,710 --> 00:25:12,240
of

629
00:25:17,350 --> 00:25:14,720
tonight my friends i'm going to dedicate

630
00:25:20,470 --> 00:25:17,360
this show that's going to be filled with

631
00:25:21,909 --> 00:25:20,480
facts and research and evidence

632
00:25:24,789 --> 00:25:21,919
to the memory

633
00:25:28,160 --> 00:25:24,799
of that living legend

634
00:25:33,110 --> 00:25:28,170
rest in peace stan freeman

635
00:25:36,549 --> 00:25:34,789
and now my friends

636
00:25:46,230 --> 00:25:36,559
without further ado

637
00:25:49,269 --> 00:25:47,590
now folks

638
00:25:51,510 --> 00:25:49,279

where to begin because we have so much

639

00:25:53,909 --> 00:25:51,520

to cover but i thought we'd begin with

640

00:25:56,470 --> 00:25:53,919

the low hanging fruit some of the easy

641

00:25:59,750 --> 00:25:56,480

things to prove or disprove and so we're

642

00:26:01,830 --> 00:25:59,760

going to begin with bob lazar's

643

00:26:04,230 --> 00:26:01,840

educational credentials

644

00:26:07,269 --> 00:26:04,240

for years and years and years bob lazar

645

00:26:08,789 --> 00:26:07,279

has sworn that he went to caltech and

646

00:26:10,630 --> 00:26:08,799

mit

647

00:26:13,750 --> 00:26:10,640

even when

648

00:26:16,710 --> 00:26:13,760

confronted with massive evidence that

649

00:26:18,870 --> 00:26:16,720

that is a lie he still stuck to his guns

650

00:26:20,950 --> 00:26:18,880

and swore that he went to caltech and

651
00:26:23,909 --> 00:26:20,960
mit

652
00:26:26,630 --> 00:26:23,919
now even though many other people have

653
00:26:30,310 --> 00:26:26,640
already called caltech and mit

654
00:26:33,510 --> 00:26:30,320
i wanted to know for myself so i of

655
00:26:37,750 --> 00:26:33,520
course also called caltech and mit

656
00:26:40,870 --> 00:26:37,760
and no folks there's zero records of bob

657
00:26:45,669 --> 00:26:40,880
lazar ever attending or graduating

658
00:26:47,990 --> 00:26:45,679
from caltech or mit as he described

659
00:26:50,070 --> 00:26:48,000
and in fact there's a great deal of

660
00:26:54,230 --> 00:26:50,080
evidence that he could never have

661
00:26:55,830 --> 00:26:54,240
attended either caltech or mit

662
00:26:57,909 --> 00:26:55,840
first of all

663
00:27:00,070 --> 00:26:57,919

he graduated in the bottom third of his

664

00:27:02,470 --> 00:27:00,080

class in high school

665

00:27:04,470 --> 00:27:02,480

that does not look good for him getting

666

00:27:06,470 --> 00:27:04,480

into a prestigious university like

667

00:27:08,390 --> 00:27:06,480

caltech or mit

668

00:27:10,470 --> 00:27:08,400

generally you have to be in the top 10

669

00:27:12,870 --> 00:27:10,480

percent of your class to get into either

670

00:27:16,149 --> 00:27:12,880

of those two organizations

671

00:27:18,830 --> 00:27:16,159

but there's more proof that he is lying

672

00:27:22,789 --> 00:27:18,840

both about going to caltech or

673

00:27:25,430 --> 00:27:22,799

mit bob lazar was arrested on pandering

674

00:27:28,549 --> 00:27:25,440

charges for apparently running

675

00:27:30,230 --> 00:27:28,559

a house of prostitution

676
00:27:31,750 --> 00:27:30,240
in

677
00:27:33,110 --> 00:27:31,760
nevada

678
00:27:35,750 --> 00:27:33,120
now

679
00:27:37,669 --> 00:27:35,760
apparently this was not a legal

680
00:27:38,630 --> 00:27:37,679
brothel

681
00:27:41,350 --> 00:27:38,640
and

682
00:27:42,230 --> 00:27:41,360
he was arrested

683
00:27:45,590 --> 00:27:42,240
and

684
00:27:48,310 --> 00:27:45,600
in the court documents he had to provide

685
00:27:49,590 --> 00:27:48,320
to the department of parole and

686
00:27:51,750 --> 00:27:49,600
probation

687
00:27:53,909 --> 00:27:51,760
all of his background information

688
00:27:55,269 --> 00:27:53,919

and in that in those court documents

689

00:27:58,470 --> 00:27:55,279

which i have

690

00:28:01,669 --> 00:27:58,480

he stated that his undergraduate degree

691

00:28:04,789 --> 00:28:01,679

where he got his bachelor's degree folks

692

00:28:07,430 --> 00:28:04,799

was pacifica university

693

00:28:09,990 --> 00:28:07,440

pacifica university my friends is a

694

00:28:11,669 --> 00:28:10,000

degree mill it's not a real school

695

00:28:13,669 --> 00:28:11,679

it's one of those places that you give a

696

00:28:15,269 --> 00:28:13,679

couple hundred bucks to and they give

697

00:28:17,029 --> 00:28:15,279

you a fancy degree

698

00:28:19,029 --> 00:28:17,039

that you can hang up on your wall and

699

00:28:21,190 --> 00:28:19,039

impress your stupid friends with it's

700

00:28:21,990 --> 00:28:21,200

not a real bachelor's degree

701
00:28:24,710 --> 00:28:22,000
but

702
00:28:28,470 --> 00:28:24,720
i wanted to be entirely sure

703
00:28:29,990 --> 00:28:28,480
so i called caltech and mit back

704
00:28:32,230 --> 00:28:30,000
and i explained that this person that

705
00:28:33,990 --> 00:28:32,240
claims to have been a student

706
00:28:35,430 --> 00:28:34,000
uh at your

707
00:28:37,909 --> 00:28:35,440
college

708
00:28:39,909 --> 00:28:37,919
claims that he got a degree mill degree

709
00:28:42,710 --> 00:28:39,919
from pacific university that was his

710
00:28:44,149 --> 00:28:42,720
undergraduate or bachelor's degree

711
00:28:45,990 --> 00:28:44,159
and i asked

712
00:28:48,950 --> 00:28:46,000
the admission people

713
00:28:52,389 --> 00:28:48,960

very carefully could anyone get into

714

00:28:55,430 --> 00:28:52,399

your college with a degree male degree

715

00:28:57,510 --> 00:28:55,440

from something like pacifica university

716

00:29:00,549 --> 00:28:57,520

and i gotta tell you it took quite a few

717

00:29:02,470 --> 00:29:00,559

phone calls especially with mit to get

718

00:29:04,710 --> 00:29:02,480

some cooperation from the admissions

719

00:29:05,750 --> 00:29:04,720

people because they're kind of confused

720

00:29:07,350 --> 00:29:05,760

what do you mean

721

00:29:10,070 --> 00:29:07,360

a degree mill you mean one of those

722

00:29:13,190 --> 00:29:10,080

things you just buy no you can't come to

723

00:29:17,029 --> 00:29:13,200

a master's program at mit

724

00:29:20,710 --> 00:29:17,039

by giving us

725

00:29:22,549 --> 00:29:20,720

a degree mill purchased [h__h] degree

726

00:29:25,510 --> 00:29:22,559

and that's a quote

727

00:29:28,149 --> 00:29:25,520

folks from an mit admissions person here

728

00:29:30,230 --> 00:29:28,159

that i have as a citable source you

729

00:29:32,549 --> 00:29:30,240

cannot get into mit

730

00:29:35,029 --> 00:29:32,559

or caltech

731

00:29:36,789 --> 00:29:35,039

with a degree meal degree that you

732

00:29:38,950 --> 00:29:36,799

purchased online

733

00:29:41,510 --> 00:29:38,960

it just doesn't happen folks he could

734

00:29:42,789 --> 00:29:41,520

not have gotten into either caltech or

735

00:29:45,990 --> 00:29:42,799

mit

736

00:29:48,470 --> 00:29:46,000

other people have verified various ways

737

00:29:50,230 --> 00:29:48,480

that he did not attend caltech or mit

738

00:29:52,389 --> 00:29:50,240

but i wanted to call them just to be

739

00:29:55,029 --> 00:29:52,399

sure and say could this person have

740

00:29:56,230 --> 00:29:55,039

gotten into your college with

741

00:29:58,870 --> 00:29:56,240

a degree

742

00:30:01,669 --> 00:29:58,880

an undergraduate degree

743

00:30:04,549 --> 00:30:01,679

from pacifica university

744

00:30:07,269 --> 00:30:04,559

and both caltech and mit both confirmed

745

00:30:09,669 --> 00:30:07,279

for me there is absolutely no way

746

00:30:13,029 --> 00:30:09,679

that you can get into a master's program

747

00:30:14,630 --> 00:30:13,039

with a degree mill degree period folks

748

00:30:16,549 --> 00:30:14,640

he could not have attended either

749

00:30:18,870 --> 00:30:16,559

caltech or mit

750

00:30:20,789 --> 00:30:18,880

with that sort of

751
00:30:22,470 --> 00:30:20,799
fake credential they checked these

752
00:30:24,950 --> 00:30:22,480
things folks

753
00:30:26,789 --> 00:30:24,960
those are both very prestigious colleges

754
00:30:28,310 --> 00:30:26,799
they don't just let anyone in that just

755
00:30:31,750 --> 00:30:28,320
bought a degree online for a couple

756
00:30:33,669 --> 00:30:31,760
hundred bucks it doesn't happen

757
00:30:35,350 --> 00:30:33,679
but

758
00:30:37,830 --> 00:30:35,360
i wanted to be sure to present to my

759
00:30:39,990 --> 00:30:37,840
listeners all of the evidence about his

760
00:30:41,430 --> 00:30:40,000
educational background being fake and

761
00:30:42,470 --> 00:30:41,440
fraudulent

762
00:30:44,549 --> 00:30:42,480
so

763
00:30:45,909 --> 00:30:44,559

i want to cite fair use here and play

764

00:30:48,149 --> 00:30:45,919

you some clips

765

00:30:49,990 --> 00:30:48,159

it's very important that i say that all

766

00:30:52,149 --> 00:30:50,000

these clips are out there in the public

767

00:30:55,269 --> 00:30:52,159

domain and we're going to be commenting

768

00:30:57,990 --> 00:30:55,279

on them and discussing them so

769

00:30:59,590 --> 00:30:58,000

fair use is fair game to play these

770

00:31:02,070 --> 00:30:59,600

clips folks

771

00:31:04,310 --> 00:31:02,080

so let's get to the clips

772

00:31:05,669 --> 00:31:04,320

and let's hear what other people close

773

00:31:07,909 --> 00:31:05,679

to this case

774

00:31:11,669 --> 00:31:07,919

or that have investigated this case very

775

00:31:14,389 --> 00:31:11,679

closely have had to say about bob lazar

776

00:31:17,029 --> 00:31:14,399

and his educational credentials and

777

00:31:22,310 --> 00:31:19,190

the question i had was what was the year

778

00:31:29,750 --> 00:31:22,320

of your graduation from mit and

779

00:31:34,470 --> 00:31:31,590

the year what was your graduation

780

00:31:39,110 --> 00:31:37,350

probably 82 because i think i left there

781

00:31:41,990 --> 00:31:39,120

i went to los alamos i went to los

782

00:31:46,630 --> 00:31:44,149

could you reveal some of the professors

783

00:31:48,389 --> 00:31:46,640

at mit and calton

784

00:31:50,549 --> 00:31:48,399

yeah if you want

785

00:31:55,190 --> 00:31:50,559

i don't have a list of them here dr

786

00:32:02,230 --> 00:31:57,750

hosefield was another

787

00:32:02,240 --> 00:32:13,430

[Applause]

788

00:32:17,110 --> 00:32:15,190

i did a lot of checking on bob i tried

789

00:32:20,149 --> 00:32:17,120

to meet with him twice i was supposed to

790

00:32:22,149 --> 00:32:20,159

on one occasion and he didn't go along i

791

00:32:23,909 --> 00:32:22,159

checked at mit i checked at caltech

792

00:32:25,590 --> 00:32:23,919

neither one ever heard of him well but

793

00:32:27,430 --> 00:32:25,600

the government wiped his records clean

794

00:32:30,389 --> 00:32:27,440

as the response i talked to the legal

795

00:32:32,389 --> 00:32:30,399

counsel at mit no way to do that i

796

00:32:33,190 --> 00:32:32,399

talked with the guy who has the degrees

797

00:32:35,110 --> 00:32:33,200

the

798

00:32:36,230 --> 00:32:35,120

commencement lists and all that sort of

799

00:32:38,310 --> 00:32:36,240

thing

800

00:32:40,630 --> 00:32:38,320

no mention of lazar none of the

801

00:32:42,710 --> 00:32:40,640

yearbooks show lazar

802

00:32:44,070 --> 00:32:42,720

you need it for a master's thesis uh

803

00:32:45,190 --> 00:32:44,080

well for a master's degree you need a

804

00:32:47,190 --> 00:32:45,200

thesis

805

00:32:49,909 --> 00:32:47,200

i talked to the guy who holds those no

806

00:32:52,310 --> 00:32:49,919

lazar he was asked to name

807

00:32:54,630 --> 00:32:52,320

some of his professors uh he named

808

00:32:57,110 --> 00:32:54,640

somebody bill somebody i won't use his

809

00:32:59,029 --> 00:32:57,120

name on here i checked on him was not a

810

00:33:00,149 --> 00:32:59,039

common name fortunately he was a

811

00:33:02,230 --> 00:33:00,159

physicist

812

00:33:04,710 --> 00:33:02,240

the only trouble is bob said he would

813

00:33:06,310 --> 00:33:04,720

remember him from caltech this

814

00:33:08,230 --> 00:33:06,320

individual bill

815

00:33:10,710 --> 00:33:08,240

never taught at caltech he only taught

816

00:33:12,789 --> 00:33:10,720

at pierce junior college now bob himself

817

00:33:14,870 --> 00:33:12,799

had mentioned pierce to me on the phone

818

00:33:17,029 --> 00:33:14,880

he did go there now that's in southern

819

00:33:18,389 --> 00:33:17,039

california but and he was going there at

820

00:33:22,149 --> 00:33:18,399

the same time that he was supposedly

821

00:33:23,590 --> 00:33:22,159

attending mit 2500 miles east of there

822

00:33:24,710 --> 00:33:23,600

one heck of a commute if you can go to

823

00:33:27,669 --> 00:33:24,720

mit

824

00:33:29,350 --> 00:33:27,679

you don't go to pierce junior college i

825

00:33:30,789 --> 00:33:29,360

checked with this high school he

826

00:33:33,269 --> 00:33:30,799

finished in the bottom third of his high

827

00:33:36,310 --> 00:33:33,279

school class you can't get into mit if

828

00:33:38,789 --> 00:33:36,320

you're outside usually the top 10 15 20

829

00:33:41,430 --> 00:33:38,799

of your class bottom third never his

830

00:33:44,870 --> 00:33:41,440

element 115 scheme won't work sounds

831

00:33:47,909 --> 00:33:44,880

good science fiction sincerity is not a

832

00:33:49,990 --> 00:33:47,919

check on truth

833

00:33:52,630 --> 00:33:50,000

he has never produced his original

834

00:33:55,350 --> 00:33:52,640

master's degree from either mit or

835

00:33:58,630 --> 00:33:55,360

caltech he's never produced it and every

836

00:34:00,470 --> 00:33:58,640

effort to locate those degrees has

837

00:34:02,230 --> 00:34:00,480

completely failed including the research

838

00:34:05,509 --> 00:34:02,240

by stanton friedman

839

00:34:08,230 --> 00:34:05,519

also i've got a copy of the mit yearbook

840

00:34:10,550 --> 00:34:08,240

during the early 1980s there's nothing

841

00:34:11,829 --> 00:34:10,560

there there's no name there's no picture

842

00:34:13,669 --> 00:34:11,839

he doesn't appear in any of the

843

00:34:16,550 --> 00:34:13,679

yearbooks so that's a red flag that we

844

00:34:19,430 --> 00:34:16,560

need to look at i've got a letter here

845

00:34:23,669 --> 00:34:19,440

to john andrews from robert keisler

846

00:34:26,069 --> 00:34:23,679

dated march 19 1990 talking about his

847

00:34:28,869 --> 00:34:26,079

efforts to find bob's

848

00:34:31,909 --> 00:34:28,879

magneto hydrodynamic master's thesis

849

00:34:34,710 --> 00:34:31,919

from mit and it says dear mr andrews i

850

00:34:38,629 --> 00:34:34,720

am sorry we are unable to locate a copy

851
00:34:41,669 --> 00:34:38,639
of mr robert scott lazar's thesis on mhd

852
00:34:44,069 --> 00:34:41,679
in our facility let's review this

853
00:34:46,470 --> 00:34:44,079
according to lazar then the government

854
00:34:49,510 --> 00:34:46,480
not only wiped out his degrees

855
00:34:51,510 --> 00:34:49,520
his both degrees they wiped out all of

856
00:34:55,190 --> 00:34:51,520
the yearbooks so in essence they had to

857
00:34:57,750 --> 00:34:55,200
crawl up into the dusty ceiling addicts

858
00:35:00,310 --> 00:34:57,760
of all the uh graduates from mit and

859
00:35:02,470 --> 00:35:00,320
steal the yearbooks out and then they

860
00:35:05,190 --> 00:35:02,480
also scrubbed his uh

861
00:35:07,430 --> 00:35:05,200
magneto hydrodynamic master thesis it's

862
00:35:09,510 --> 00:35:07,440
completely gone from every repository

863
00:35:12,310 --> 00:35:09,520

that just doesn't sound logical or

864

00:35:13,630 --> 00:35:12,320

reasonable to me

865

00:35:15,190 --> 00:35:13,640

it was

866

00:35:17,589 --> 00:35:15,200

1990.

867

00:35:20,310 --> 00:35:17,599

i was working at cnn

868

00:35:23,190 --> 00:35:20,320

and i was a producer

869

00:35:27,510 --> 00:35:23,200

and i got a call in atlanta

870

00:35:30,710 --> 00:35:27,520

uh at cnn at my office from bob lazar so

871

00:35:32,310 --> 00:35:30,720

i went to las vegas i met with all of

872

00:35:34,470 --> 00:35:32,320

those guys

873

00:35:37,990 --> 00:35:34,480

and here is

874

00:35:41,109 --> 00:35:38,000

the moment of talking with bob lazar

875

00:35:42,950 --> 00:35:41,119

that is indelible in my mind

876

00:35:45,030 --> 00:35:42,960

and he had told me

877

00:35:47,589 --> 00:35:45,040

that when stanton friedman had

878

00:35:50,150 --> 00:35:47,599

questioned him about the fact that he

879

00:35:53,349 --> 00:35:50,160

had no degree from mit he said i never

880

00:35:54,230 --> 00:35:53,359

ever said i had a degree from mit

881

00:35:57,030 --> 00:35:54,240

or

882

00:36:01,030 --> 00:35:57,040

anything like that what happened linda

883

00:36:04,790 --> 00:36:01,040

is my i'm an adopted child

884

00:36:07,510 --> 00:36:04,800

and my parents uh lived in florida

885

00:36:09,750 --> 00:36:07,520

and they didn't make much money and i

886

00:36:11,510 --> 00:36:09,760

had gone to school with some buddies we

887

00:36:14,470 --> 00:36:11,520

liked electrical things we liked

888

00:36:17,270 --> 00:36:14,480

engineering we liked taking cars apart

889

00:36:20,790 --> 00:36:17,280

and some of my buddies got

890

00:36:24,310 --> 00:36:20,800

accepted to mit he said i drove up to

891

00:36:26,550 --> 00:36:24,320

see them as my friends and i went to

892

00:36:28,710 --> 00:36:26,560

one of their classes

893

00:36:30,310 --> 00:36:28,720

for a few days he would just go and sit

894

00:36:32,790 --> 00:36:30,320

and he said and i learned some things i

895

00:36:34,550 --> 00:36:32,800

became even more interested in having

896

00:36:36,069 --> 00:36:34,560

some kind of a career in which i would

897

00:36:38,630 --> 00:36:36,079

be dealing with electronic and

898

00:36:41,270 --> 00:36:38,640

engineering things and he said that's

899

00:36:43,349 --> 00:36:41,280

what i learned at mit i never told

900

00:36:45,670 --> 00:36:43,359

anybody i had a degree

901
00:36:47,030 --> 00:36:45,680
so it's clear from these clips folks

902
00:36:48,790 --> 00:36:47,040
let's just get that right out of the way

903
00:36:51,750 --> 00:36:48,800
this man completely and totally

904
00:36:53,829 --> 00:36:51,760
fabricated his education there's no way

905
00:36:56,069 --> 00:36:53,839
that he went to caltech there's no way

906
00:36:57,910 --> 00:36:56,079
that he went to mit and did you catch

907
00:36:59,990 --> 00:36:57,920
that clip of linda multn telling her

908
00:37:01,910 --> 00:37:00,000
story according to linda molten house

909
00:37:04,390 --> 00:37:01,920
first-hand account having spoken to bob

910
00:37:06,550 --> 00:37:04,400
lazar he claimed he never said that he

911
00:37:08,390 --> 00:37:06,560
went to mit

912
00:37:11,670 --> 00:37:08,400
which is strange because right from the

913
00:37:13,349 --> 00:37:11,680

first story about bob lazar

914

00:37:15,349 --> 00:37:13,359

it was reported that he claimed that he

915

00:37:16,870 --> 00:37:15,359

went to caltech or mit why would he tell

916

00:37:18,950 --> 00:37:16,880

somebody else that he never said that

917

00:37:20,630 --> 00:37:18,960

and he just sort of hung out at caltech

918

00:37:23,990 --> 00:37:20,640

and mit because he was interested in

919

00:37:26,150 --> 00:37:24,000

these things that part of the story is

920

00:37:27,990 --> 00:37:26,160

somewhat new most people haven't heard

921

00:37:29,910 --> 00:37:28,000

that account that he just sort of hung

922

00:37:31,589 --> 00:37:29,920

out at

923

00:37:33,990 --> 00:37:31,599

some of these colleges because he had an

924

00:37:35,670 --> 00:37:34,000

intense interest in his parents rapport

925

00:37:37,670 --> 00:37:35,680

i have some sympathy for

926
00:37:39,910 --> 00:37:37,680
went through something similar myself

927
00:37:41,670 --> 00:37:39,920
just sort of hang out you know you could

928
00:37:43,670 --> 00:37:41,680
just walk into a class if you're

929
00:37:45,109 --> 00:37:43,680
interested in it you know like i have a

930
00:37:47,270 --> 00:37:45,119
friend i'm like what class you're going

931
00:37:49,270 --> 00:37:47,280
to psychology yeah let's let's what

932
00:37:51,510 --> 00:37:49,280
class are you going to philosophy yeah

933
00:37:53,750 --> 00:37:51,520
let's go sit on a lecture

934
00:37:56,069 --> 00:37:53,760
now we're going to move on real quickly

935
00:37:57,510 --> 00:37:56,079
to cover the subject of his thesis no

936
00:38:00,069 --> 00:37:57,520
one has ever been able to find his

937
00:38:02,630 --> 00:38:00,079
thesis folks no one

938
00:38:05,670 --> 00:38:02,640

a thesis is something that you work on

939

00:38:07,990 --> 00:38:05,680

for years go ask anybody you know that

940

00:38:10,390 --> 00:38:08,000

has ever written a master's thesis if

941

00:38:12,069 --> 00:38:10,400

they have a copy i guarantee you that

942

00:38:14,710 --> 00:38:12,079

anybody that you know that has a

943

00:38:16,710 --> 00:38:14,720

master's degree can give you or get you

944

00:38:18,230 --> 00:38:16,720

a copy of their master's thesis

945

00:38:20,550 --> 00:38:18,240

bulbasaur has never been able to produce

946

00:38:22,470 --> 00:38:20,560

this thesis and i have to say we

947

00:38:25,829 --> 00:38:22,480

mentioned this filmmaker making this

948

00:38:28,550 --> 00:38:25,839

pro-lazar propaganda piece i asked him

949

00:38:30,470 --> 00:38:28,560

time and time and time again

950

00:38:31,910 --> 00:38:30,480

if you're going to do this film before

951
00:38:33,270 --> 00:38:31,920
the film was made i asked him this if

952
00:38:35,510 --> 00:38:33,280
you're going to do this film

953
00:38:37,510 --> 00:38:35,520
get a copy of his thesis ask him what

954
00:38:39,750 --> 00:38:37,520
happened to the thesis that mysteriously

955
00:38:41,510 --> 00:38:39,760
wasn't in the film folks no mention of

956
00:38:42,870 --> 00:38:41,520
the thesis that bob lazar claimed he

957
00:38:45,349 --> 00:38:42,880
wrote and i got to tell you that was a

958
00:38:48,470 --> 00:38:45,359
big red flag to me that this film was a

959
00:38:50,230 --> 00:38:48,480
con job we've mentioned that a filmmaker

960
00:38:52,630 --> 00:38:50,240
made a film and

961
00:38:55,030 --> 00:38:52,640
even interviewed bob azar's mother had

962
00:38:57,829 --> 00:38:55,040
access by the way to bob lazar's sister

963
00:39:00,150 --> 00:38:57,839

and either didn't bother to ask either

964

00:39:02,870 --> 00:39:00,160

bob lazar's mother and sister if he went

965

00:39:04,390 --> 00:39:02,880

to caltech or mit or he did ask those

966

00:39:06,150 --> 00:39:04,400

questions didn't like the answer because

967

00:39:08,069 --> 00:39:06,160

it didn't fit the narrative that he was

968

00:39:08,950 --> 00:39:08,079

didn't fit that story he was trying to

969

00:39:10,550 --> 00:39:08,960

sell

970

00:39:12,710 --> 00:39:10,560

so he left them out of the film those

971

00:39:14,710 --> 00:39:12,720

are the only two choices folks and again

972

00:39:16,550 --> 00:39:14,720

folks i asked this filmmaker before the

973

00:39:18,230 --> 00:39:16,560

film was made promised me that he would

974

00:39:20,150 --> 00:39:18,240

ask him about his thesis he didn't ask

975

00:39:22,950 --> 00:39:20,160

him about his thesis in the film so

976
00:39:25,349 --> 00:39:22,960
again either he didn't bother to ask him

977
00:39:28,310 --> 00:39:25,359
about this thesis or to produce it or he

978
00:39:31,030 --> 00:39:28,320
did and didn't like the answer didn't

979
00:39:32,710 --> 00:39:31,040
fit the story he was trying to sell once

980
00:39:34,790 --> 00:39:32,720
again we keep coming back to that folks

981
00:39:36,950 --> 00:39:34,800
because those are the only two choices

982
00:39:40,150 --> 00:39:36,960
for this lack of research this lack of

983
00:39:42,710 --> 00:39:40,160
effort or a purposeful and deliberate

984
00:39:45,109 --> 00:39:42,720
attempt to leave those parts of the

985
00:39:47,430 --> 00:39:45,119
story out of the film so that people

986
00:39:49,670 --> 00:39:47,440
would believe the story those are the

987
00:39:51,990 --> 00:39:49,680
only two choices folks a lot of people

988
00:39:54,069 --> 00:39:52,000

claim that the men in black the secret

989

00:39:57,270 --> 00:39:54,079

government people came and erased his

990

00:39:59,750 --> 00:39:57,280

mit records and his caltech records come

991

00:40:01,750 --> 00:39:59,760

on folks michael schratz right the men

992

00:40:04,230 --> 00:40:01,760

in black would have to go visit everyone

993

00:40:07,190 --> 00:40:04,240

that had a master's thesis that year get

994

00:40:10,230 --> 00:40:07,200

their yearbooks and erase bob lazar from

995

00:40:12,630 --> 00:40:10,240

that yearbook in somebody's dusty attic

996

00:40:14,069 --> 00:40:12,640

garage or basement so if you're going to

997

00:40:15,990 --> 00:40:14,079

believe that narrative that the men in

998

00:40:17,829 --> 00:40:16,000

black came and erased his educational

999

00:40:19,349 --> 00:40:17,839

credentials then you got to believe that

1000

00:40:21,910 --> 00:40:19,359

a bunch of men in black crawled into

1001
00:40:24,390 --> 00:40:21,920
everybody's attic basement and garage

1002
00:40:26,309 --> 00:40:24,400
stole their yearbook come on folks we've

1003
00:40:29,910 --> 00:40:26,319
wasted enough time on his education

1004
00:40:31,510 --> 00:40:29,920
education is a fraud folks it's fake

1005
00:40:33,829 --> 00:40:31,520
let's now the next big

1006
00:40:35,829 --> 00:40:33,839
claim that bob lazar made that people

1007
00:40:38,230 --> 00:40:35,839
love to argue about is that before he

1008
00:40:41,190 --> 00:40:38,240
worked at area 51 back engineering

1009
00:40:44,230 --> 00:40:41,200
flying saucers he worked at los alamos

1010
00:40:47,270 --> 00:40:44,240
national labs very prestigious lab

1011
00:40:50,230 --> 00:40:47,280
famous for working on secret projects

1012
00:40:52,790 --> 00:40:50,240
and there he was a senior

1013
00:40:54,870 --> 00:40:52,800

level physicist

1014

00:40:57,589 --> 00:40:54,880

and i got to tell you many people have

1015

00:40:59,109 --> 00:40:57,599

looked into this not one person has been

1016

00:41:02,390 --> 00:40:59,119

able to find proof

1017

00:41:05,430 --> 00:41:02,400

that he worked there as a senior level

1018

00:41:07,430 --> 00:41:05,440

physicist yes somebody found his name

1019

00:41:08,950 --> 00:41:07,440

in one of the phone books and next to

1020

00:41:13,109 --> 00:41:08,960

the

1021

00:41:14,550 --> 00:41:13,119

number to contact him at los alamos

1022

00:41:17,990 --> 00:41:14,560

national labs

1023

00:41:21,030 --> 00:41:18,000

were the letters k m which my friends

1024

00:41:23,670 --> 00:41:21,040

stand for kirk meyer

1025

00:41:26,710 --> 00:41:23,680

that means that bob lazar

1026
00:41:28,550 --> 00:41:26,720
maybe worked there but he was a

1027
00:41:31,589 --> 00:41:28,560
subcontractor

1028
00:41:34,470 --> 00:41:31,599
who actually worked for kirk meyer

1029
00:41:37,270 --> 00:41:34,480
as a subcontractor somewhere in some

1030
00:41:40,550 --> 00:41:37,280
capacity in the lab but it's important

1031
00:41:41,990 --> 00:41:40,560
that you realize that kirk meyer did not

1032
00:41:44,390 --> 00:41:42,000
subcontract

1033
00:41:45,750 --> 00:41:44,400
physicists or senior level physicists

1034
00:41:47,030 --> 00:41:45,760
for sure

1035
00:41:49,109 --> 00:41:47,040
to

1036
00:41:50,550 --> 00:41:49,119
los alamos national labs

1037
00:41:51,829 --> 00:41:50,560
no in fact

1038
00:41:55,030 --> 00:41:51,839

the only

1039

00:41:56,790 --> 00:41:55,040

type of people that kirk meyer

1040

00:42:00,230 --> 00:41:56,800

contracted

1041

00:42:03,990 --> 00:42:00,240

to work at los alamos were technicians

1042

00:42:06,150 --> 00:42:04,000

low low level technicians

1043

00:42:09,349 --> 00:42:06,160

now i have my own source

1044

00:42:11,270 --> 00:42:09,359

that worked at los alamos national lab

1045

00:42:12,790 --> 00:42:11,280

at the time that bob lazar claims to

1046

00:42:14,870 --> 00:42:12,800

have worked there

1047

00:42:17,750 --> 00:42:14,880

remembered bob lazar

1048

00:42:20,870 --> 00:42:17,760

and told me that bob lazar was a

1049

00:42:24,069 --> 00:42:20,880

technician who worked on radiation

1050

00:42:25,670 --> 00:42:24,079

health monitoring equipment

1051
00:42:26,390 --> 00:42:25,680
that's right folks

1052
00:42:28,309 --> 00:42:26,400
and

1053
00:42:30,390 --> 00:42:28,319
multiple people

1054
00:42:32,630 --> 00:42:30,400
have reported that bob lazar had some

1055
00:42:35,109 --> 00:42:32,640
kind of contracts with the government

1056
00:42:39,430 --> 00:42:35,119
working on these

1057
00:42:41,750 --> 00:42:39,440
radiation health monitoring equipment

1058
00:42:45,109 --> 00:42:41,760
but it's not just my own source we have

1059
00:42:47,630 --> 00:42:45,119
a second source who verifies

1060
00:42:49,990 --> 00:42:47,640
the same thing

1061
00:42:53,270 --> 00:42:50,000
astrophysicist dr

1062
00:42:56,470 --> 00:42:53,280
eric w davis

1063
00:42:59,349 --> 00:42:56,480

who's an actual real astrophysicist you

1064

00:43:01,910 --> 00:42:59,359

can verify that man's credentials you

1065

00:43:04,550 --> 00:43:01,920

could verify that that man worked on

1066

00:43:06,470 --> 00:43:04,560

secret projects and had

1067

00:43:09,270 --> 00:43:06,480

some sort of top secret clearance in

1068

00:43:12,470 --> 00:43:09,280

working on black government projects he

1069

00:43:13,990 --> 00:43:12,480

refutes bob lazar's claims of ever

1070

00:43:17,190 --> 00:43:14,000

having been

1071

00:43:19,589 --> 00:43:17,200

a physicist or a scientist at all at los

1072

00:43:22,630 --> 00:43:19,599

alamos national labs

1073

00:43:25,109 --> 00:43:22,640

this real doctor and astrophysicist

1074

00:43:27,190 --> 00:43:25,119

actually refutes that babozar ever

1075

00:43:29,750 --> 00:43:27,200

worked at area 51

1076
00:43:31,910 --> 00:43:29,760
and new people working there at the time

1077
00:43:35,670 --> 00:43:31,920
that bob claimed to have been

1078
00:43:38,069 --> 00:43:35,680
and in fact what he says is this

1079
00:43:40,710 --> 00:43:38,079
and this is a quote as if lazarus

1080
00:43:43,430 --> 00:43:40,720
verifiably false claims deserve a public

1081
00:43:45,510 --> 00:43:43,440
stage it was impossible for lazarus to do

1082
00:43:47,829 --> 00:43:45,520
phd level work

1083
00:43:49,670 --> 00:43:47,839
at los alamos national labs because he

1084
00:43:51,430 --> 00:43:49,680
only had a high school education with a

1085
00:43:54,390 --> 00:43:51,440
c average grade

1086
00:43:56,870 --> 00:43:54,400
thus he had no education or training to

1087
00:43:59,190 --> 00:43:56,880
be a scientist he did not take high

1088
00:44:02,069 --> 00:43:59,200

school physics his job

1089

00:44:04,390 --> 00:44:02,079

was as a radiation health monitor which

1090

00:44:07,510 --> 00:44:04,400

did not require security clearances so

1091

00:44:09,829 --> 00:44:07,520

he did not get access to area 51 since

1092

00:44:12,270 --> 00:44:09,839

his workstation was off-site

1093

00:44:15,190 --> 00:44:12,280

logistics support facility which is

1094

00:44:17,349 --> 00:44:15,200

unclassified mr davis also went on to

1095

00:44:18,950 --> 00:44:17,359

say he's also a convicted felon in the

1096

00:44:20,870 --> 00:44:18,960

state of nirvana

1097

00:44:23,589 --> 00:44:20,880

in civil society having been charged

1098

00:44:26,150 --> 00:44:23,599

with and convicted of a felony crime in

1099

00:44:29,030 --> 00:44:26,160

a court of law by one's peers directly

1100

00:44:31,829 --> 00:44:29,040

impugns one's credibility truthfulness

1101
00:44:33,589 --> 00:44:31,839
and obedience to the law he goes on to

1102
00:44:35,510 --> 00:44:33,599
say that these three items go to the

1103
00:44:39,190 --> 00:44:35,520
heart of why some people fail to earn

1104
00:44:41,109 --> 00:44:39,200
security clearances lazar never had

1105
00:44:44,790 --> 00:44:41,119
security clearances to begin with

1106
00:44:47,190 --> 00:44:44,800
because his job was at an unclassified

1107
00:44:49,589 --> 00:44:47,200
physically disconnected area 51

1108
00:44:50,550 --> 00:44:49,599
logistics support facility and did not

1109
00:44:52,630 --> 00:44:50,560
require

1110
00:44:54,470 --> 00:44:52,640
security clearances

1111
00:44:55,589 --> 00:44:54,480
so again just to recap i have my own

1112
00:44:58,069 --> 00:44:55,599
source

1113
00:44:59,510 --> 00:44:58,079

at los alamos national labs worked at

1114

00:45:01,910 --> 00:44:59,520

the time said

1115

00:45:03,430 --> 00:45:01,920

bob lazar was never a scientist

1116

00:45:06,150 --> 00:45:03,440

he worked as

1117

00:45:07,510 --> 00:45:06,160

he worked on radiation health monitoring

1118

00:45:08,470 --> 00:45:07,520

equipment

1119

00:45:10,309 --> 00:45:08,480

now

1120

00:45:12,390 --> 00:45:10,319

i always like to have multiple sources

1121

00:45:14,630 --> 00:45:12,400

so one source is not enough we have an

1122

00:45:16,309 --> 00:45:14,640

astrophysicist who worked on

1123

00:45:17,270 --> 00:45:16,319

top secret projects

1124

00:45:18,870 --> 00:45:17,280

who

1125

00:45:21,829 --> 00:45:18,880

verifies

1126

00:45:24,230 --> 00:45:21,839

the claim of my first source so we have

1127

00:45:27,589 --> 00:45:24,240

a second source saying he worked as a

1128

00:45:28,950 --> 00:45:27,599

radiation health monitor we've also got

1129

00:45:31,589 --> 00:45:28,960

a third source

1130

00:45:35,190 --> 00:45:31,599

to support that story because john lear

1131

00:45:38,069 --> 00:45:35,200

has mentioned many times that bob lazar

1132

00:45:39,430 --> 00:45:38,079

worked on this radiation monitoring

1133

00:45:43,990 --> 00:45:39,440

equipment

1134

00:45:46,790 --> 00:45:44,000

around area 51. so the claim

1135

00:45:48,069 --> 00:45:46,800

and claims that he was a senior level

1136

00:45:50,390 --> 00:45:48,079

physicist

1137

00:45:53,109 --> 00:45:50,400

at los alamos national lab are

1138

00:45:54,630 --> 00:45:53,119

absolutely and totally false

1139

00:45:57,430 --> 00:45:54,640

also

1140

00:45:59,670 --> 00:45:57,440

i have another source who

1141

00:46:02,470 --> 00:45:59,680

i can verify works at los alamos

1142

00:46:04,630 --> 00:46:02,480

national labs who was interested in this

1143

00:46:06,390 --> 00:46:04,640

case somewhat but didn't work there at

1144

00:46:08,390 --> 00:46:06,400

the time so she went to people that did

1145

00:46:09,430 --> 00:46:08,400

work there at the time to ask about bob

1146

00:46:11,030 --> 00:46:09,440

lazar

1147

00:46:14,710 --> 00:46:11,040

and what she got

1148

00:46:17,670 --> 00:46:14,720

was a lot of stories about how

1149

00:46:19,910 --> 00:46:17,680

people were shocked and surprised that

1150

00:46:22,230 --> 00:46:19,920

worked there at the time bob lazar did

1151
00:46:24,710 --> 00:46:22,240
because he had a story about him in the

1152
00:46:27,990 --> 00:46:24,720
local newspaper about his

1153
00:46:30,150 --> 00:46:28,000
jet powered car and in that article he

1154
00:46:32,230 --> 00:46:30,160
claimed that he was a physicist at los

1155
00:46:33,510 --> 00:46:32,240
alamos national labs the people that

1156
00:46:34,870 --> 00:46:33,520
worked there at the time were kind of

1157
00:46:36,309 --> 00:46:34,880
taken aback

1158
00:46:38,630 --> 00:46:36,319
why would this man say he was a

1159
00:46:40,390 --> 00:46:38,640
physicist he works on radiation health

1160
00:46:41,990 --> 00:46:40,400
monitoring equipment

1161
00:46:43,589 --> 00:46:42,000
i got that from a separate source that

1162
00:46:46,150 --> 00:46:43,599
people were shocked and amazed that bob

1163
00:46:48,069 --> 00:46:46,160

lazar was claiming to be a physicist

1164

00:46:50,069 --> 00:46:48,079

now this filmmaker came up with some dr

1165

00:46:52,630 --> 00:46:50,079

krangel guy who said oh yeah bob was a

1166

00:46:54,230 --> 00:46:52,640

physicist uh you know because and he was

1167

00:46:57,829 --> 00:46:54,240

definitely a scientist he had a pocket

1168

00:46:59,349 --> 00:46:57,839

protector and everything well friends if

1169

00:47:01,349 --> 00:46:59,359

pocket protector and looking like a

1170

00:47:03,589 --> 00:47:01,359

scientist is all it takes to declare

1171

00:47:06,230 --> 00:47:03,599

yourself a scientist then i'm one too

1172

00:47:07,829 --> 00:47:06,240

it's crazy folks this man was never a

1173

00:47:09,750 --> 00:47:07,839

senior level physicist he was never a

1174

00:47:12,150 --> 00:47:09,760

physicist he was never a scientist at

1175

00:47:14,550 --> 00:47:12,160

los alamos national lab he was a low

1176
00:47:16,710 --> 00:47:14,560
level technician he worked on radiation

1177
00:47:18,790 --> 00:47:16,720
health monitoring equipment that's what

1178
00:47:21,750 --> 00:47:18,800
he did at los alamos national labs so

1179
00:47:23,510 --> 00:47:21,760
when people like to throw los alamos out

1180
00:47:25,109 --> 00:47:23,520
and say well he worked at los alamos so

1181
00:47:27,510 --> 00:47:25,119
it stands to reason that he could get a

1182
00:47:28,950 --> 00:47:27,520
job at area 51. no folks

1183
00:47:32,230 --> 00:47:28,960
we have a real

1184
00:47:34,950 --> 00:47:32,240
doctor a real astrophysicist

1185
00:47:36,549 --> 00:47:34,960
his integrity is not in question

1186
00:47:39,750 --> 00:47:36,559
this doctor

1187
00:47:41,990 --> 00:47:39,760
eric w davis you can you can

1188
00:47:43,670 --> 00:47:42,000

check out his education you can call

1189

00:47:46,150 --> 00:47:43,680

every place that he said he got a degree

1190

00:47:48,309 --> 00:47:46,160

from and yes he did really get a degree

1191

00:47:50,710 --> 00:47:48,319

you can check his work history find out

1192

00:47:53,190 --> 00:47:50,720

about all the places that he worked

1193

00:47:55,030 --> 00:47:53,200

and tell that he's a man that has the

1194

00:47:56,470 --> 00:47:55,040

direct knowledge and experience to

1195

00:47:59,270 --> 00:47:56,480

comment

1196

00:48:01,430 --> 00:47:59,280

very intelligently on bob lazar he knew

1197

00:48:02,470 --> 00:48:01,440

people that worked there at the time

1198

00:48:05,109 --> 00:48:02,480

folks

1199

00:48:07,349 --> 00:48:05,119

and he refutes babazor's claims of ever

1200

00:48:10,390 --> 00:48:07,359

having been a real scientist at los

1201

00:48:11,910 --> 00:48:10,400

alamos or area 51 or anywhere

1202

00:48:14,069 --> 00:48:11,920

you know one of those people that still

1203

00:48:16,390 --> 00:48:14,079

cling to believe i would ask you

1204

00:48:18,710 --> 00:48:16,400

who are you going to believe a guy

1205

00:48:20,870 --> 00:48:18,720

who really did have top secret clearance

1206

00:48:23,510 --> 00:48:20,880

a guy who really did work on government

1207

00:48:25,510 --> 00:48:23,520

black projects a guy who

1208

00:48:27,430 --> 00:48:25,520

has a real education

1209

00:48:29,109 --> 00:48:27,440

a real master's degree that you can call

1210

00:48:30,790 --> 00:48:29,119

and verify he's telling the truth about

1211

00:48:32,390 --> 00:48:30,800

his education are you going to believe

1212

00:48:33,349 --> 00:48:32,400

that guy or you're going to believe bob

1213

00:48:37,750 --> 00:48:33,359

lazar

1214

00:48:39,670 --> 00:48:37,760

have turned out to be lies his education

1215

00:48:43,750 --> 00:48:39,680

is alive folks him claiming to be a

1216

00:48:45,829 --> 00:48:43,760

scientist at los alamos is a lie folks

1217

00:48:46,790 --> 00:48:45,839

which of these two men are you going to

1218

00:48:49,190 --> 00:48:46,800

believe

1219

00:48:51,430 --> 00:48:49,200

you know if you take dr eric davis's

1220

00:48:53,670 --> 00:48:51,440

testimony into account along with the

1221

00:48:55,670 --> 00:48:53,680

other sources that i found i know who i

1222

00:48:59,270 --> 00:48:55,680

believe and it's not

1223

00:49:03,829 --> 00:49:01,109

now let's move on to another claim that

1224

00:49:05,670 --> 00:49:03,839

mr lazar and his supporters have made

1225

00:49:08,390 --> 00:49:05,680

for quite some time and it's always

1226

00:49:10,870 --> 00:49:08,400

driven me crazy and that is

1227

00:49:13,270 --> 00:49:10,880

that bob lazar has to be a scientist

1228

00:49:14,950 --> 00:49:13,280

because he had a particle accelerator in

1229

00:49:18,390 --> 00:49:14,960

his bedroom

1230

00:49:20,870 --> 00:49:18,400

or babazar himself has made the claim

1231

00:49:22,069 --> 00:49:20,880

that he had a particle accelerator to

1232

00:49:25,910 --> 00:49:22,079

make

1233

00:49:27,670 --> 00:49:25,920

lithium hydride that he used in

1234

00:49:31,589 --> 00:49:27,680

his hydrogen

1235

00:49:33,190 --> 00:49:31,599

powered car projects bob lazar has uh

1236

00:49:36,230 --> 00:49:33,200

some videos you can

1237

00:49:37,990 --> 00:49:36,240

search for hydrogen powered car bob

1238

00:49:40,790 --> 00:49:38,000

lazar on youtube and see this video of

1239

00:49:41,910 --> 00:49:40,800

somebody interviewing him where he says

1240

00:49:45,190 --> 00:49:41,920

oh yeah

1241

00:49:47,630 --> 00:49:45,200

you know you can't make hydrogen-powered

1242

00:49:50,150 --> 00:49:47,640

cars easily because you need

1243

00:49:51,750 --> 00:49:50,160

lithium-hydride in order to store the

1244

00:49:53,270 --> 00:49:51,760

hydrogen in a fuel cell and the

1245

00:49:55,750 --> 00:49:53,280

government's made that illegal but it's

1246

00:49:58,230 --> 00:49:55,760

okay i got around that because if you

1247

00:50:01,190 --> 00:49:58,240

just have a particle accelerator you can

1248

00:50:02,710 --> 00:50:01,200

make all the lithium hydride that you

1249

00:50:04,069 --> 00:50:02,720

want

1250

00:50:05,510 --> 00:50:04,079

and i got to tell you

1251

00:50:08,309 --> 00:50:05,520

uh there's

1252

00:50:10,470 --> 00:50:08,319

a person named jeremy rice

1253

00:50:12,710 --> 00:50:10,480

better known as alien scientist that has

1254

00:50:14,790 --> 00:50:12,720

done much better work than anybody i

1255

00:50:16,150 --> 00:50:14,800

have seen on debunking bob lazar you

1256

00:50:17,910 --> 00:50:16,160

should check him out

1257

00:50:20,150 --> 00:50:17,920

uh by the way that's another person that

1258

00:50:22,150 --> 00:50:20,160

this filmmaker blocked for you know

1259

00:50:24,309 --> 00:50:22,160

presenting evidence and things we can't

1260

00:50:25,430 --> 00:50:24,319

have that it might screw up us selling

1261

00:50:27,589 --> 00:50:25,440

this story

1262

00:50:28,790 --> 00:50:27,599

jeremy rise also known as alien

1263

00:50:33,349 --> 00:50:28,800

scientist

1264

00:50:34,150 --> 00:50:33,359

he

1265

00:50:36,710 --> 00:50:34,160

is

1266

00:50:39,109 --> 00:50:36,720

has actually got a real physics degree

1267

00:50:41,990 --> 00:50:39,119

so he's been one of those people that

1268

00:50:44,150 --> 00:50:42,000

have been debunking bob lazar especially

1269

00:50:46,470 --> 00:50:44,160

in relation to all of his strange

1270

00:50:48,790 --> 00:50:46,480

scientific claims that never

1271

00:50:51,190 --> 00:50:48,800

really can be verified

1272

00:50:53,910 --> 00:50:51,200

so according to alien scientists you do

1273

00:50:55,990 --> 00:50:53,920

not need a particle accelerator to make

1274

00:50:56,870 --> 00:50:56,000

lithium hydride

1275

00:50:59,829 --> 00:50:56,880

and

1276

00:51:01,990 --> 00:50:59,839

worse than that if you did try to make

1277

00:51:05,589 --> 00:51:02,000

that material with

1278

00:51:08,230 --> 00:51:05,599

with an actual particle accelerator

1279

00:51:10,630 --> 00:51:08,240

and this is direct from alien scientist

1280

00:51:12,549 --> 00:51:10,640

who has a real degree in physics that

1281

00:51:14,630 --> 00:51:12,559

anybody can verify

1282

00:51:17,589 --> 00:51:14,640

if you try to make a gram of lithium

1283

00:51:20,309 --> 00:51:17,599

hydride in a particle accelerator it

1284

00:51:23,109 --> 00:51:20,319

would take over a thousand years you do

1285

00:51:25,670 --> 00:51:23,119

not need a particle accelerator to make

1286

00:51:28,309 --> 00:51:25,680

lithium hydride

1287

00:51:30,549 --> 00:51:28,319

and i gotta say folks this is

1288

00:51:32,630 --> 00:51:30,559

some of the mistakes that somebody who's

1289

00:51:35,109 --> 00:51:32,640

not a real scientist would make saying

1290

00:51:37,109 --> 00:51:35,119

this stuff claiming this stuff when

1291

00:51:38,950 --> 00:51:37,119

somebody that has a real degree in

1292

00:51:41,750 --> 00:51:38,960

physics can easily

1293

00:51:43,030 --> 00:51:41,760

say that's that's complete and total

1294

00:51:45,910 --> 00:51:43,040

[h__\h]

1295

00:51:47,990 --> 00:51:45,920

because folks he has a real education in

1296

00:51:49,750 --> 00:51:48,000

these things he knows about actual

1297

00:51:51,430 --> 00:51:49,760

particle accelerators and elements and

1298

00:51:53,910 --> 00:51:51,440

what it takes to make them in a real

1299

00:51:56,950 --> 00:51:53,920

particle accelerator and bob lazar never

1300

00:51:59,190 --> 00:51:56,960

got that actual education so when he's

1301
00:52:00,790 --> 00:51:59,200
interviewed he makes these fantastic

1302
00:52:03,510 --> 00:52:00,800
claims sometimes

1303
00:52:05,670 --> 00:52:03,520
and he makes these amateur hour mistakes

1304
00:52:07,430 --> 00:52:05,680
that a real scientist would never make

1305
00:52:09,589 --> 00:52:07,440
no folks you don't need a particle

1306
00:52:12,309 --> 00:52:09,599
accelerator to make this material that

1307
00:52:13,910 --> 00:52:12,319
he's talking about with his hydrogen car

1308
00:52:16,309 --> 00:52:13,920
it would take a thousand years for you

1309
00:52:18,630 --> 00:52:16,319
to make a gram of it even if you did

1310
00:52:19,750 --> 00:52:18,640
have a particle accelerator and many

1311
00:52:21,910 --> 00:52:19,760
people

1312
00:52:23,829 --> 00:52:21,920
refute that he's ever had a real

1313
00:52:26,390 --> 00:52:23,839

particle accelerator

1314

00:52:27,829 --> 00:52:26,400

first source that i have on that

1315

00:52:29,990 --> 00:52:27,839

is

1316

00:52:32,230 --> 00:52:30,000

again we're going to go back to dr eric

1317

00:52:34,630 --> 00:52:32,240

davis as

1318

00:52:36,230 --> 00:52:34,640

what most people would say is an expert

1319

00:52:38,069 --> 00:52:36,240

witness

1320

00:52:40,390 --> 00:52:38,079

and what he said is

1321

00:52:42,549 --> 00:52:40,400

nobody can put a particle accelerator in

1322

00:52:45,750 --> 00:52:42,559

their home unless their house or entire

1323

00:52:47,190 --> 00:52:45,760

property is dozens of square miles in

1324

00:52:49,030 --> 00:52:47,200

size

1325

00:52:53,270 --> 00:52:49,040

that's our first source our second

1326

00:52:55,670 --> 00:52:53,280

source and i have this in an email from

1327

00:52:58,829 --> 00:52:55,680

stanton friedman we were talking about

1328

00:53:00,870 --> 00:52:58,839

this issue i asked stan

1329

00:53:03,430 --> 00:53:00,880

friedman uh

1330

00:53:06,230 --> 00:53:03,440

some time ago in email

1331

00:53:08,470 --> 00:53:06,240

could you know because george knapp and

1332

00:53:10,150 --> 00:53:08,480

several other people have said bob lazar

1333

00:53:11,670 --> 00:53:10,160

has to be a scientist i mean the guy's

1334

00:53:13,190 --> 00:53:11,680

got a particle accelerator in his

1335

00:53:16,150 --> 00:53:13,200

bedroom could you have a particle

1336

00:53:16,950 --> 00:53:16,160

accelerator in your bedroom and here is

1337

00:53:19,349 --> 00:53:16,960

what

1338

00:53:20,630 --> 00:53:19,359

stanton friedman said

1339

00:53:23,670 --> 00:53:20,640

and i quote

1340

00:53:26,390 --> 00:53:23,680

you could have some very very tiny small

1341

00:53:28,710 --> 00:53:26,400

scale thing like a particle accelerator

1342

00:53:31,190 --> 00:53:28,720

but it would simply be a technology

1343

00:53:33,589 --> 00:53:31,200

demonstrator it could not do any useful

1344

00:53:35,670 --> 00:53:33,599

work in order to have a real particle

1345

00:53:37,030 --> 00:53:35,680

accelerator you would need a facility

1346

00:53:39,670 --> 00:53:37,040

that is

1347

00:53:44,069 --> 00:53:39,680

many square miles in

1348

00:53:47,030 --> 00:53:44,079

radius in order to do any useful work

1349

00:53:50,470 --> 00:53:47,040

with a real particle accelerator

1350

00:53:53,349 --> 00:53:50,480

bob lazar could not have a real particle

1351
00:53:55,829 --> 00:53:53,359
accelerator in his home or his bedroom

1352
00:53:57,750 --> 00:53:55,839
that would be capable of creating

1353
00:53:59,349 --> 00:53:57,760
anything

1354
00:54:01,670 --> 00:53:59,359
end quote

1355
00:54:04,870 --> 00:54:01,680
that's our second source folks

1356
00:54:06,470 --> 00:54:04,880
so all these people that keep on saying

1357
00:54:08,950 --> 00:54:06,480
including bob lazar that he has a

1358
00:54:10,710 --> 00:54:08,960
particle accelerator no folks that's a

1359
00:54:12,390 --> 00:54:10,720
fabrication he doesn't have a particle

1360
00:54:14,710 --> 00:54:12,400
accelerator at least not one that can

1361
00:54:17,990 --> 00:54:14,720
produce anything

1362
00:54:19,270 --> 00:54:18,000
useful he cannot just create elements in

1363
00:54:22,390 --> 00:54:19,280

his bedroom

1364

00:54:25,829 --> 00:54:22,400

he cannot create lithium hydride in the

1365

00:54:27,109 --> 00:54:25,839

quantities required to create lithium

1366

00:54:30,870 --> 00:54:27,119

hydride

1367

00:54:33,030 --> 00:54:30,880

power cells to power a vehicle he can't

1368

00:54:35,190 --> 00:54:33,040

do that with a homemade particle

1369

00:54:37,190 --> 00:54:35,200

accelerator in his bedroom

1370

00:54:38,950 --> 00:54:37,200

and for someone like george knapp or

1371

00:54:40,150 --> 00:54:38,960

anyone else is going to say he must be a

1372

00:54:42,150 --> 00:54:40,160

scientist he's got a particle

1373

00:54:44,309 --> 00:54:42,160

accelerator no no he doesn't have a real

1374

00:54:45,990 --> 00:54:44,319

particle accelerator he has a fantasy

1375

00:54:47,589 --> 00:54:46,000

made up particle accelerator he likes to

1376

00:54:49,829 --> 00:54:47,599

tell people as a particle accelerator

1377

00:54:52,549 --> 00:54:49,839

that's what i believe now that my

1378

00:54:55,109 --> 00:54:52,559

friends is my speculation

1379

00:54:57,589 --> 00:54:55,119

from everything you see about lazar

1380

00:55:00,230 --> 00:54:57,599

whether he's talking to a reporter about

1381

00:55:03,910 --> 00:55:00,240

his jet powered bicycle or his

1382

00:55:06,230 --> 00:55:03,920

jet-powered car he always embellishes to

1383

00:55:08,390 --> 00:55:06,240

an extreme degree like he'll give you

1384

00:55:09,750 --> 00:55:08,400

some little bit of science fact and then

1385

00:55:15,910 --> 00:55:09,760

embellish

1386

00:55:17,990 --> 00:55:15,920

has a particle accelerator in his home

1387

00:55:18,950 --> 00:55:18,000

or his bedroom no folks i believe that's

1388

00:55:21,349 --> 00:55:18,960

a lie

1389

00:55:24,710 --> 00:55:21,359

and we have three sources who say that

1390

00:55:27,589 --> 00:55:24,720

that claim is most likely a fabrication

1391

00:55:29,589 --> 00:55:27,599

all three of these men have real degrees

1392

00:55:32,390 --> 00:55:29,599

that you can verify all three of these

1393

00:55:35,190 --> 00:55:32,400

men are real scientists we have an

1394

00:55:37,430 --> 00:55:35,200

astrophysicist we have stan friedman

1395

00:55:40,630 --> 00:55:37,440

with degrees in nuclear physics who's

1396

00:55:42,549 --> 00:55:40,640

worked on real top secret projects

1397

00:55:44,789 --> 00:55:42,559

dr eric davis has worked on real top

1398

00:55:47,349 --> 00:55:44,799

secret projects we have jeremy rise who

1399

00:55:48,630 --> 00:55:47,359

has a real physics degree who has been

1400

00:55:51,430 --> 00:55:48,640

debunking

1401
00:55:53,670 --> 00:55:51,440
bob lazar's fake science claims for

1402
00:55:56,069 --> 00:55:53,680
years and years we have three sources

1403
00:55:57,990 --> 00:55:56,079
that say that these claims of him having

1404
00:56:00,710 --> 00:55:58,000
a particle accelerator

1405
00:56:03,270 --> 00:56:00,720
are it's a fabrication folks so who are

1406
00:56:05,349 --> 00:56:03,280
we going to believe these three sources

1407
00:56:07,430 --> 00:56:05,359
that all have real educations or are we

1408
00:56:09,829 --> 00:56:07,440
going to believe a fake scientist that

1409
00:56:11,430 --> 00:56:09,839
can't even provide his degree or his

1410
00:56:14,390 --> 00:56:11,440
thesis but he's going to say he went to

1411
00:56:16,710 --> 00:56:14,400
mit i know who i believe about the

1412
00:56:18,470 --> 00:56:16,720
particle accelerator claims

1413
00:56:19,589 --> 00:56:18,480

let's move on folks

1414

00:56:22,150 --> 00:56:19,599

now

1415

00:56:24,870 --> 00:56:22,160

the basis of bob azar's claims have

1416

00:56:27,270 --> 00:56:24,880

always been that he worked on top secret

1417

00:56:30,870 --> 00:56:27,280

classified government projects and he's

1418

00:56:32,549 --> 00:56:30,880

a whistleblower and he came out and told

1419

00:56:34,870 --> 00:56:32,559

the public the truth because he's a

1420

00:56:37,349 --> 00:56:34,880

whistleblower about these top secret

1421

00:56:40,789 --> 00:56:37,359

classified projects that he

1422

00:56:43,670 --> 00:56:40,799

got read into and he worked on

1423

00:56:44,390 --> 00:56:43,680

and i've always had a big problem

1424

00:56:47,430 --> 00:56:44,400

with

1425

00:56:48,950 --> 00:56:47,440

the claims that he is a whistleblower

1426

00:56:50,789 --> 00:56:48,960

because folks

1427

00:56:53,109 --> 00:56:50,799

there are real

1428

00:56:55,750 --> 00:56:53,119

whistleblowers that know about top

1429

00:56:56,870 --> 00:56:55,760

secret government projects and blow the

1430

00:56:59,430 --> 00:56:56,880

whistle

1431

00:57:01,589 --> 00:56:59,440

edward snowden comes to mind

1432

00:57:02,470 --> 00:57:01,599

and a few others

1433

00:57:05,510 --> 00:57:02,480

and

1434

00:57:08,710 --> 00:57:05,520

for those real whistleblowers there are

1435

00:57:11,270 --> 00:57:08,720

tremendous consequences for sharing

1436

00:57:14,150 --> 00:57:11,280

classified information

1437

00:57:16,150 --> 00:57:14,160

you can be criminally prosecuted edward

1438

00:57:18,390 --> 00:57:16,160

snowden has been

1439

00:57:21,670 --> 00:57:18,400

a fugitive

1440

00:57:23,990 --> 00:57:21,680

there were real consequences he deserves

1441

00:57:25,190 --> 00:57:24,000

the title whistleblower

1442

00:57:26,789 --> 00:57:25,200

because

1443

00:57:29,109 --> 00:57:26,799

he's a real

1444

00:57:31,430 --> 00:57:29,119

individual that had top secret

1445

00:57:33,670 --> 00:57:31,440

classified information that he shared

1446

00:57:36,470 --> 00:57:33,680

with the media and there were certainly

1447

00:57:39,910 --> 00:57:36,480

consequences for him

1448

00:57:42,150 --> 00:57:39,920

bob azar has claimed that he worked on

1449

00:57:44,150 --> 00:57:42,160

top secret classified projects and he

1450

00:57:46,789 --> 00:57:44,160

shared that information

1451

00:57:49,430 --> 00:57:46,799

i want to ask you

1452

00:57:51,030 --> 00:57:49,440

has bob lazar ever been prosecuted

1453

00:57:53,670 --> 00:57:51,040

for leaking

1454

00:57:56,309 --> 00:57:53,680

these so-called top secret classified

1455

00:57:58,870 --> 00:57:56,319

projects or information no folks he's

1456

00:58:01,109 --> 00:57:58,880

never been prosecuted and it's important

1457

00:58:03,990 --> 00:58:01,119

for us to realize that there are laws in

1458

00:58:05,990 --> 00:58:04,000

this country that would apply to him if

1459

00:58:08,230 --> 00:58:06,000

he was really

1460

00:58:10,390 --> 00:58:08,240

leaking classified information the

1461

00:58:11,910 --> 00:58:10,400

government would go after him folks

1462

00:58:15,109 --> 00:58:11,920

and i don't mean

1463

00:58:18,069 --> 00:58:15,119

go after him in the fictional way that

1464

00:58:18,870 --> 00:58:18,079

he has continued to portray himself

1465

00:58:20,950 --> 00:58:18,880

you know

1466

00:58:23,109 --> 00:58:20,960

he's told all these stories that people

1467

00:58:25,190 --> 00:58:23,119

were watching him and tapping his phone

1468

00:58:27,270 --> 00:58:25,200

and somebody shot at him

1469

00:58:29,589 --> 00:58:27,280

that's another point i'd like to make i

1470

00:58:32,309 --> 00:58:29,599

don't know if you've ever been shot at

1471

00:58:34,630 --> 00:58:32,319

but if you're shot at generally you will

1472

00:58:37,030 --> 00:58:34,640

make a police report you will report

1473

00:58:38,950 --> 00:58:37,040

that somebody was shooting a gun at you

1474

00:58:41,030 --> 00:58:38,960

or in your general direction

1475

00:58:43,589 --> 00:58:41,040

for years and years bob lazar has

1476

00:58:45,670 --> 00:58:43,599

claimed that he was driving in his car

1477

00:58:48,470 --> 00:58:45,680

and someone shot at him there's no

1478

00:58:50,549 --> 00:58:48,480

police report of it george knapp has

1479

00:58:51,829 --> 00:58:50,559

never come up with a police report of it

1480

00:58:53,750 --> 00:58:51,839

and i believe a lot of things about

1481

00:58:54,789 --> 00:58:53,760

george nat but he's nothing if not

1482

00:58:56,470 --> 00:58:54,799

thorough

1483

00:58:58,870 --> 00:58:56,480

i tried to check for a police report

1484

00:59:00,789 --> 00:58:58,880

came up empty i'm pretty sure folks

1485

00:59:02,829 --> 00:59:00,799

there is no police report of somebody

1486

00:59:05,829 --> 00:59:02,839

shooting at bob

1487

00:59:07,589 --> 00:59:05,839

lazar but more importantly folks the

1488

00:59:09,109 --> 00:59:07,599

point i'm trying to make is that if he

1489

00:59:10,950 --> 00:59:09,119

was really leaking

1490

00:59:12,710 --> 00:59:10,960

real top secret or classified

1491

00:59:15,349 --> 00:59:12,720

information there would definitely be

1492

00:59:19,510 --> 00:59:15,359

some legal consequences for him

1493

00:59:24,069 --> 00:59:19,520

in fact there is a law 18 u.s

1494

00:59:25,910 --> 00:59:24,079

code 798 which says that if you leak top

1495

00:59:29,349 --> 00:59:25,920

secret or classified government

1496

00:59:32,390 --> 00:59:29,359

information you are facing a felony and

1497

00:59:35,990 --> 00:59:32,400

10 years per count

1498

00:59:38,309 --> 00:59:36,000

for leaking that top secret material

1499

00:59:39,349 --> 00:59:38,319

and i have to say that

1500

00:59:41,670 --> 00:59:39,359

you know

1501

00:59:45,349 --> 00:59:41,680

with regard to the justice system

1502

00:59:46,390 --> 00:59:45,359

they are obliged to prosecute people for

1503

00:59:49,589 --> 00:59:46,400

doing this

1504

00:59:52,390 --> 00:59:49,599

no one has ever prosecuted bob lazar for

1505

00:59:55,109 --> 00:59:52,400

leaking any classified or top secret

1506

01:00:00,150 --> 00:59:58,069

so what's the story and

1507

01:00:01,109 --> 01:00:00,160

one further point i'd like to make is

1508

01:00:04,390 --> 01:00:01,119

that

1509

01:00:07,109 --> 01:00:04,400

if bob lazar was actually leaking top

1510

01:00:08,710 --> 01:00:07,119

secret classified information

1511

01:00:11,670 --> 01:00:08,720

it's not just him that would be

1512

01:00:15,670 --> 01:00:11,680

criminally prosecuted i suppose if you

1513

01:00:17,990 --> 01:00:15,680

look into 18 us code 793 which says if

1514

01:00:19,190 --> 01:00:18,000

you are in receipt of classified

1515

01:00:21,270 --> 01:00:19,200

material

1516

01:00:23,430 --> 01:00:21,280

and do not report it to the government

1517

01:00:25,510 --> 01:00:23,440

you too will go to jail

1518

01:00:27,349 --> 01:00:25,520

so i guess you know the first person

1519

01:00:29,109 --> 01:00:27,359

that bob lazar leaked all this

1520

01:00:31,829 --> 01:00:29,119

information he claims is classified and

1521

01:00:34,150 --> 01:00:31,839

top secret to would be george knapp

1522

01:00:35,910 --> 01:00:34,160

and i'm not sure what george knapp is up

1523

01:00:37,910 --> 01:00:35,920

to these days but i'm pretty sure that

1524

01:00:39,589 --> 01:00:37,920

he's not sitting in a federal prison for

1525

01:00:40,789 --> 01:00:39,599

having been in receipt of this

1526

01:00:43,190 --> 01:00:40,799

information

1527

01:00:46,789 --> 01:00:43,200

he's never been prosecuted for receiving

1528

01:00:48,950 --> 01:00:46,799

top secret or classified information

1529

01:00:51,109 --> 01:00:48,960

at all neither of these two have ever

1530

01:00:52,710 --> 01:00:51,119

been prosecuted even threatened with any

1531

01:00:54,950 --> 01:00:52,720

kind of prosecution

1532

01:00:56,870 --> 01:00:54,960

so what's the story

1533

01:00:58,230 --> 01:00:56,880

is bob lazar really leaking top secret

1534

01:01:00,150 --> 01:00:58,240

classified information the government's

1535

01:01:02,870 --> 01:01:00,160

just letting him they don't just let

1536

01:01:04,710 --> 01:01:02,880

people do that folks they prosecute you

1537

01:01:07,349 --> 01:01:04,720

like edward snowden

1538

01:01:10,150 --> 01:01:07,359

if you leak top secret information they

1539

01:01:11,670 --> 01:01:10,160

prosecute you if someone sends you top

1540

01:01:13,589 --> 01:01:11,680

secret information and you know that

1541

01:01:14,309 --> 01:01:13,599

it's top secret and classified and you

1542

01:01:16,470 --> 01:01:14,319

just

1543

01:01:19,109 --> 01:01:16,480

don't report it to the government you

1544

01:01:22,069 --> 01:01:19,119

too will be prosecuted george knapp

1545

01:01:23,829 --> 01:01:22,079

was never prosecuted

1546

01:01:26,069 --> 01:01:23,839

no one that bob lazar gave this

1547

01:01:27,670 --> 01:01:26,079

information to has ever ever been

1548

01:01:29,270 --> 01:01:27,680

prosecuted folks he's never been

1549

01:01:31,829 --> 01:01:29,280

prosecuted

1550

01:01:34,549 --> 01:01:31,839

kind of makes you go hmm doesn't it

1551

01:01:37,109 --> 01:01:34,559

is he really leaking top secret

1552

01:01:39,829 --> 01:01:37,119

real top secret information or is this

1553

01:01:42,069 --> 01:01:39,839

just a whole story just a fabrication

1554

01:01:44,870 --> 01:01:42,079

and that my friends may be why he was

1555

01:01:46,549 --> 01:01:44,880

never prosecuted as a so-called whistle

1556

01:01:49,190 --> 01:01:46,559

blower

1557

01:01:51,190 --> 01:01:49,200

and i gotta say i have problems also

1558

01:01:53,349 --> 01:01:51,200

with a lot of bob lazar's claims of

1559

01:01:55,109 --> 01:01:53,359

having worked on top secret classified

1560

01:01:57,029 --> 01:01:55,119

projects because the so-called proof

1561

01:01:59,510 --> 01:01:57,039

that he gave some of the proof that he

1562

01:02:03,430 --> 01:01:59,520

gave at the time that he was telling his

1563

01:02:06,309 --> 01:02:03,440

story was a fake security badge or let's

1564

01:02:09,109 --> 01:02:06,319

say allegedly fake security badge for

1565

01:02:12,309 --> 01:02:09,119

area 51 s4

1566

01:02:14,710 --> 01:02:12,319

which i have real problems with because

1567

01:02:17,670 --> 01:02:14,720

on that badge and also on the w-2 that

1568

01:02:19,750 --> 01:02:17,680

he supplied it says u.s department of

1569

01:02:23,510 --> 01:02:19,760

naval intelligence

1570

01:02:27,910 --> 01:02:23,520

and listen in the 1980s the department

1571

01:02:33,750 --> 01:02:30,630

see in 1947 the department of naval

1572

01:02:36,230 --> 01:02:33,760

intelligence became oni or the office of

1573

01:02:37,829 --> 01:02:36,240

naval intelligence that happened in 1947

1574

01:02:41,029 --> 01:02:37,839

folks long before

1575

01:02:41,829 --> 01:02:41,039

bob lazar started telling his story

1576

01:02:44,789 --> 01:02:41,839

and

1577

01:02:48,069 --> 01:02:44,799

there is no way a badge

1578

01:02:49,910 --> 01:02:48,079

for area 51 or a w-2 would use that

1579

01:02:51,750 --> 01:02:49,920

wrong terminology

1580

01:02:54,470 --> 01:02:51,760

and i have to say that

1581

01:02:56,470 --> 01:02:54,480

this little point is something that bob

1582

01:02:59,750 --> 01:02:56,480

lazar gets pissed at you know he says

1583

01:03:02,309 --> 01:02:59,760

people get lost in debating the minutia

1584

01:03:05,029 --> 01:03:02,319

and that's not important i'm afraid it

1585

01:03:06,150 --> 01:03:05,039

is important it's a very little thing

1586

01:03:08,950 --> 01:03:06,160

because

1587

01:03:12,069 --> 01:03:08,960

there is no way that a badge or a w-2

1588

01:03:13,510 --> 01:03:12,079

would use that wrong terminology

1589

01:03:15,029 --> 01:03:13,520

that is unless

1590

01:03:17,109 --> 01:03:15,039

those two

1591

01:03:19,670 --> 01:03:17,119

so-called pieces of evidence were frauds

1592

01:03:21,589 --> 01:03:19,680

and the person creating them used u.s

1593

01:03:23,829 --> 01:03:21,599

department of naval intelligence in

1594

01:03:25,270 --> 01:03:23,839

error instead of the office of naval

1595

01:03:27,430 --> 01:03:25,280

intelligence

1596

01:03:29,589 --> 01:03:27,440

you see this was before photoshop

1597

01:03:31,029 --> 01:03:29,599

but bob having owned a photography

1598

01:03:32,710 --> 01:03:31,039

business back then

1599

01:03:35,670 --> 01:03:32,720

he had the skills

1600

01:03:36,870 --> 01:03:35,680

the tools and the ability to manufacture

1601
01:03:39,029 --> 01:03:36,880
these fakes

1602
01:03:43,029 --> 01:03:39,039
he provided them

1603
01:03:44,710 --> 01:03:43,039
i took the w-2 to a forensic document

1604
01:03:49,589 --> 01:03:44,720
examiner

1605
01:03:51,990 --> 01:03:49,599
testified in many legal cases

1606
01:03:54,390 --> 01:03:52,000
and would be considered an expert in a

1607
01:03:56,630 --> 01:03:54,400
court of law and has been he looked at

1608
01:03:59,270 --> 01:03:56,640
this w-2 and told me that in his

1609
01:04:00,870 --> 01:03:59,280
professional opinion that w-2 was a

1610
01:04:02,700 --> 01:04:00,880
fraud

1611
01:04:05,029 --> 01:04:02,710
for two reasons first

1612
01:04:07,270 --> 01:04:05,039
[Music]

1613
01:04:09,990 --> 01:04:07,280

again there was no department of naval

1614

01:04:13,349 --> 01:04:10,000

intelligence in the 80s that was gone as

1615

01:04:15,349 --> 01:04:13,359

of 1947 it was on or the office of

1616

01:04:17,109 --> 01:04:15,359

naval intelligence

1617

01:04:19,990 --> 01:04:17,119

but the other thing that this forensic

1618

01:04:22,470 --> 01:04:20,000

document examiner told me is that if you

1619

01:04:24,309 --> 01:04:22,480

worked for the united states navy and

1620

01:04:27,510 --> 01:04:24,319

got a w-2

1621

01:04:30,630 --> 01:04:27,520

your w-2 would not say

1622

01:04:32,470 --> 01:04:30,640

uh in very specifics that you worked for

1623

01:04:33,510 --> 01:04:32,480

naval intelligence

1624

01:04:34,870 --> 01:04:33,520

whether

1625

01:04:36,789 --> 01:04:34,880

you want to call it department of naval

1626

01:04:38,710 --> 01:04:36,799

intelligence or to use the correct term

1627

01:04:40,710 --> 01:04:38,720

the office of naval intelligence your

1628

01:04:43,270 --> 01:04:40,720

w-2 would not say that you worked for

1629

01:04:44,069 --> 01:04:43,280

naval intelligence your w-2 would simply

1630

01:04:46,150 --> 01:04:44,079

say

1631

01:04:48,710 --> 01:04:46,160

u.s navy

1632

01:04:51,750 --> 01:04:48,720

that's what it would say on employer at

1633

01:04:53,029 --> 01:04:51,760

that time in 1988

1634

01:04:56,870 --> 01:04:53,039

89

1635

01:04:58,390 --> 01:04:56,880

when bob lazar came out with his story

1636

01:05:01,910 --> 01:04:58,400

so there's another

1637

01:05:04,069 --> 01:05:01,920

blaring mistake made by bob lazar who

1638

01:05:06,789 --> 01:05:04,079

supplied these w-2s

1639

01:05:08,390 --> 01:05:06,799

and said that they were genuine

1640

01:05:10,950 --> 01:05:08,400

another problem that people have pointed

1641

01:05:13,829 --> 01:05:10,960

out with the w-2 is look how much this

1642

01:05:17,029 --> 01:05:13,839

man who claims to have been a senior

1643

01:05:19,029 --> 01:05:17,039

staff physicist was making

1644

01:05:20,710 --> 01:05:19,039

look at the amount of money on the w-2

1645

01:05:22,789 --> 01:05:20,720

folks it's pitiful

1646

01:05:25,029 --> 01:05:22,799

a senior staff level physicist even at

1647

01:05:27,910 --> 01:05:25,039

that time would make a great deal more

1648

01:05:31,109 --> 01:05:27,920

money even for a single day's pay than

1649

01:05:33,750 --> 01:05:31,119

is listed on this man's fake w-2

1650

01:05:37,349 --> 01:05:33,760

so i say the w-2 is fake

1651

01:05:38,789 --> 01:05:37,359

i also showed the badge to

1652

01:05:40,870 --> 01:05:38,799

someone who

1653

01:05:43,029 --> 01:05:40,880

can be verified as a source that have

1654

01:05:45,349 --> 01:05:43,039

actually worked at area 51 who looked at

1655

01:05:47,270 --> 01:05:45,359

the badge and laughed and said that

1656

01:05:49,190 --> 01:05:47,280

security badge is a complete and total

1657

01:05:51,910 --> 01:05:49,200

fabrication

1658

01:05:54,789 --> 01:05:51,920

the security badge would not have been

1659

01:05:57,589 --> 01:05:54,799

issued by anyone other than the people

1660

01:06:00,549 --> 01:05:57,599

who are responsible for security

1661

01:06:01,510 --> 01:06:00,559

in and around area 51 and that is whack

1662

01:06:03,109 --> 01:06:01,520

and hud

1663

01:06:04,710 --> 01:06:03,119

so wouldn't say department of naval

1664

01:06:05,910 --> 01:06:04,720

intelligence audit it would be a

1665

01:06:07,910 --> 01:06:05,920

whack-and-hut

1666

01:06:10,789 --> 01:06:07,920

issued security badge

1667

01:06:11,829 --> 01:06:10,799

so here we have the w-2 the bob lazar

1668

01:06:13,670 --> 01:06:11,839

supplied

1669

01:06:15,430 --> 01:06:13,680

forensic document examiner looks at it

1670

01:06:16,710 --> 01:06:15,440

and says this is a complete and total

1671

01:06:19,190 --> 01:06:16,720

fake

1672

01:06:20,950 --> 01:06:19,200

we take the security badge that bubbles

1673

01:06:22,230 --> 01:06:20,960

our supply to somebody who actually

1674

01:06:23,990 --> 01:06:22,240

worked at

1675

01:06:27,829 --> 01:06:24,000

area 51

1676

01:06:30,069 --> 01:06:27,839

who said this security badge is fake

1677

01:06:31,910 --> 01:06:30,079

now a lot of people might not like my

1678

01:06:32,870 --> 01:06:31,920

second source who said the security

1679

01:06:33,990 --> 01:06:32,880

badge

1680

01:06:36,710 --> 01:06:34,000

is fake

1681

01:06:38,069 --> 01:06:36,720

and that source would be one richard

1682

01:06:39,130 --> 01:06:38,079

dodie

1683

01:06:41,430 --> 01:06:39,140

and richard doty

1684

01:06:43,430 --> 01:06:41,440

[Music]

1685

01:06:45,190 --> 01:06:43,440

this is a quote from him i was the

1686

01:06:48,230 --> 01:06:45,200

counterintelligence officer for the air

1687

01:06:52,549 --> 01:06:48,240

force flight test center area 51

1688

01:06:58,470 --> 01:06:55,190

these security badges are fake and are

1689

01:07:00,950 --> 01:06:58,480

not from the nevada test site or area 51

1690

01:07:02,630 --> 01:07:00,960

i can prove that i work there and here

1691

01:07:05,510 --> 01:07:02,640

are

1692

01:07:07,029 --> 01:07:05,520

scans of my security badges for the time

1693

01:07:09,910 --> 01:07:07,039

that i work there

1694

01:07:11,990 --> 01:07:09,920

and his badges folks look nothing like

1695

01:07:12,950 --> 01:07:12,000

this fake badge that bob lazar came up

1696

01:07:15,510 --> 01:07:12,960

with

1697

01:07:17,910 --> 01:07:15,520

which lends me which means we have two

1698

01:07:19,349 --> 01:07:17,920

sources that both looked at the security

1699

01:07:21,320 --> 01:07:19,359

badge and said it's a complete and total

1700

01:07:22,390 --> 01:07:21,330

fake and a fabrication now

1701

01:07:24,630 --> 01:07:22,400

[Music]

1702

01:07:26,870 --> 01:07:24,640

one of the other points uh that i wanted

1703

01:07:29,190 --> 01:07:26,880

to talk to richard dodie about is that

1704

01:07:31,829 --> 01:07:29,200

bob lazar telling his story about area

1705

01:07:34,470 --> 01:07:31,839

51 and working on these flying saucers

1706

01:07:37,109 --> 01:07:34,480

said that at some point in time

1707

01:07:39,589 --> 01:07:37,119

before i got there the russians

1708

01:07:43,270 --> 01:07:39,599

and the u.s military were cooperating

1709

01:07:45,510 --> 01:07:43,280

working at s4 in area 51

1710

01:07:47,750 --> 01:07:45,520

on these flying saucers and a

1711

01:07:49,910 --> 01:07:47,760

breakthrough was made and the russians

1712

01:07:52,230 --> 01:07:49,920

left or were no longer welcome in the

1713

01:07:54,069 --> 01:07:52,240

project or you know they clamped down on

1714

01:07:56,789 --> 01:07:54,079

security and they no longer wanted the

1715

01:07:58,470 --> 01:07:56,799

russians around this top secret flying

1716

01:08:00,069 --> 01:07:58,480

saucer project

1717

01:08:01,750 --> 01:08:00,079

i thought that was crazy because you

1718

01:08:04,309 --> 01:08:01,760

have to remember

1719

01:08:06,470 --> 01:08:04,319

during this time in the late 80s it was

1720

01:08:08,950 --> 01:08:06,480

the height of the cold war and it just

1721

01:08:10,710 --> 01:08:08,960

seemed strange to me that

1722

01:08:13,910 --> 01:08:10,720

the us government would just let

1723

01:08:15,510 --> 01:08:13,920

russians into their most top secret

1724

01:08:18,390 --> 01:08:15,520

military

1725

01:08:20,149 --> 01:08:18,400

base in the country area 51 they're just

1726

01:08:22,630 --> 01:08:20,159

going to let some russians in

1727

01:08:25,510 --> 01:08:22,640

and share information with the russians

1728

01:08:27,349 --> 01:08:25,520

it seemed like again another amateur

1729

01:08:29,829 --> 01:08:27,359

hour mistake that someone that didn't

1730

01:08:31,349 --> 01:08:29,839

think through their story very well or

1731

01:08:33,510 --> 01:08:31,359

take into account

1732

01:08:35,349 --> 01:08:33,520

the paranoia and the lengths that the

1733

01:08:38,630 --> 01:08:35,359

government went to

1734

01:08:41,510 --> 01:08:38,640

to keep russian spies away from

1735

01:08:43,110 --> 01:08:41,520

us military installations

1736

01:08:45,990 --> 01:08:43,120

somebody that didn't think through their

1737

01:08:47,510 --> 01:08:46,000

story might come up with that

1738

01:08:50,829 --> 01:08:47,520

story

1739

01:08:54,070 --> 01:08:50,839

and not realize how ludicrous it sounds

1740

01:08:55,430 --> 01:08:54,080

so i went to richard doty

1741

01:08:58,309 --> 01:08:55,440

who was

1742

01:09:00,309 --> 01:08:58,319

worked for the air force office of

1743

01:09:02,470 --> 01:09:00,319

special investigation and here's what he

1744

01:09:04,470 --> 01:09:02,480

said i was counterintelligence officer

1745

01:09:06,950 --> 01:09:04,480

for the air force flight test center

1746

01:09:08,470 --> 01:09:06,960

area 51 in the mid

1747

01:09:11,030 --> 01:09:08,480

1980s

1748

01:09:13,510 --> 01:09:11,040

i can assure you no russians were ever

1749

01:09:15,269 --> 01:09:13,520

allowed anywhere near the base it was my

1750

01:09:19,030 --> 01:09:15,279

job to keep them away

1751

01:09:21,030 --> 01:09:19,040

i can i cannot account for what happened

1752

01:09:23,349 --> 01:09:21,040

uh later

1753

01:09:26,229 --> 01:09:23,359

but never during my watch where any

1754

01:09:28,309 --> 01:09:26,239

russians allowed anywhere near area 51

1755

01:09:29,990 --> 01:09:28,319

or the nevada test site

1756

01:09:32,149 --> 01:09:30,000

and again he shows me the badges these

1757

01:09:34,470 --> 01:09:32,159

are the badges for nevada test site and

1758

01:09:36,709 --> 01:09:34,480

area 51 i can prove that i worked there

1759

01:09:37,910 --> 01:09:36,719

unlike some others

1760

01:09:40,229 --> 01:09:37,920

and

1761

01:09:43,189 --> 01:09:40,239

i have to say like i agree with richard

1762

01:09:46,789 --> 01:09:45,590

there's no way that the u.s government

1763

01:09:49,990 --> 01:09:46,799

just let

1764

01:09:51,590 --> 01:09:50,000

russians in to area 51 to work on some

1765

01:09:54,149 --> 01:09:51,600

top secret project

1766

01:09:56,550 --> 01:09:54,159

it's just not plausible folks i believe

1767

01:09:58,310 --> 01:09:56,560

that was another fabrication from bob

1768

01:09:59,990 --> 01:09:58,320

lazar

1769

01:10:02,390 --> 01:10:00,000

and these are things

1770

01:10:04,950 --> 01:10:02,400

that anybody can check i mean you can

1771

01:10:07,990 --> 01:10:04,960

find somebody that worked at area 51 in

1772

01:10:10,709 --> 01:10:08,000

a security capacity and asked them

1773

01:10:14,310 --> 01:10:10,719

would russians be allowed in area 51. i

1774

01:10:17,350 --> 01:10:14,320

found one other source who worked in the

1775

01:10:19,910 --> 01:10:17,360

worked in a security capacity

1776

01:10:21,590 --> 01:10:19,920

in and around area 51

1777

01:10:24,950 --> 01:10:21,600

for wackenhut

1778

01:10:26,709 --> 01:10:24,960

and told me that any claims of any

1779

01:10:29,110 --> 01:10:26,719

russian

1780

01:10:30,950 --> 01:10:29,120

scientists agents

1781

01:10:33,590 --> 01:10:30,960

any russian nationals

1782

01:10:35,350 --> 01:10:33,600

any one that was a soviet national

1783

01:10:36,870 --> 01:10:35,360

remember the soviet union was comprised

1784

01:10:38,870 --> 01:10:36,880

of many different countries it wasn't

1785

01:10:41,110 --> 01:10:38,880

just russia but anybody that was

1786

01:10:42,870 --> 01:10:41,120

connected to the soviet union according

1787

01:10:45,590 --> 01:10:42,880

to this source would not be allowed

1788

01:10:48,950 --> 01:10:45,600

anywhere near area 51 folks so bob

1789

01:10:50,709 --> 01:10:48,960

lazar's claim that the russians and

1790

01:10:52,630 --> 01:10:50,719

the united states people were working

1791

01:10:53,750 --> 01:10:52,640

together on these flying saucers before

1792

01:10:56,070 --> 01:10:53,760

he got there

1793

01:10:58,229 --> 01:10:56,080

is a complete and total fabrication

1794

01:11:00,870 --> 01:10:58,239

folks

1795

01:11:03,350 --> 01:11:00,880

to get to

1796

01:11:05,270 --> 01:11:03,360

is the one that bothers me the most

1797

01:11:06,950 --> 01:11:05,280

and it's been made over and over again

1798

01:11:09,510 --> 01:11:06,960

by bob lazar

1799

01:11:12,950 --> 01:11:09,520

babazar repeated it in this recent

1800

01:11:15,669 --> 01:11:12,960

so-called documentary film and in that

1801
01:11:19,590 --> 01:11:15,679
film he states that he doesn't get any

1802
01:11:21,110 --> 01:11:19,600
money from this he has no reason to lie

1803
01:11:21,910 --> 01:11:21,120
and

1804
01:11:23,990 --> 01:11:21,920
that

1805
01:11:26,149 --> 01:11:24,000
my friends is in and of itself one of

1806
01:11:27,350 --> 01:11:26,159
the biggest lies that bob lazar has ever

1807
01:11:29,669 --> 01:11:27,360
told

1808
01:11:31,830 --> 01:11:29,679
in connection to this story bob lazar

1809
01:11:33,430 --> 01:11:31,840
claims he's never made any money from

1810
01:11:36,070 --> 01:11:33,440
this story

1811
01:11:38,470 --> 01:11:36,080
but i have proof that time and time

1812
01:11:41,669 --> 01:11:38,480
again babazor has made money from his

1813
01:11:44,310 --> 01:11:41,679

story babazar has tried to cash in every

1814

01:11:46,790 --> 01:11:44,320

chance he got it just didn't quite work

1815

01:11:49,590 --> 01:11:46,800

out the way that he wanted

1816

01:11:52,229 --> 01:11:49,600

let me explain

1817

01:11:53,669 --> 01:11:52,239

right after bob lazar came out with his

1818

01:11:56,390 --> 01:11:53,679

story

1819

01:11:58,229 --> 01:11:56,400

i mentioned that i was really interested

1820

01:11:59,830 --> 01:11:58,239

in this story

1821

01:12:03,030 --> 01:11:59,840

there was

1822

01:12:05,590 --> 01:12:03,040

ads in the back of some of my father's

1823

01:12:07,669 --> 01:12:05,600

magazines my father got popular science

1824

01:12:09,510 --> 01:12:07,679

popular mechanics and a bunch of other

1825

01:12:12,390 --> 01:12:09,520

magazines like that

1826

01:12:16,310 --> 01:12:12,400

and in the back of those magazines

1827

01:12:18,550 --> 01:12:16,320

was an ad for the lazar tape and experts

1828

01:12:20,709 --> 01:12:18,560

from the government bible

1829

01:12:22,709 --> 01:12:20,719

and there's a picture of bob lazar's

1830

01:12:24,310 --> 01:12:22,719

claimed flying saucer that he worked on

1831

01:12:27,750 --> 01:12:24,320

the sport model

1832

01:12:29,990 --> 01:12:27,760

and it says this is the information

1833

01:12:32,950 --> 01:12:30,000

and the us government has gone to great

1834

01:12:36,870 --> 01:12:32,960

lengths to keep it from you

1835

01:12:39,110 --> 01:12:36,880

you can change all that for just 29.95

1836

01:12:41,669 --> 01:12:39,120

plus 350 shipping and handling in the

1837

01:12:45,510 --> 01:12:41,679

continental united states make checks

1838

01:12:48,390 --> 01:12:45,520

payable to tridot productions ltd

1839

01:12:49,350 --> 01:12:48,400

las vegas nevada

1840

01:12:51,350 --> 01:12:49,360

so

1841

01:12:52,950 --> 01:12:51,360

it's just funny to me that this guy

1842

01:12:55,030 --> 01:12:52,960

keeps going around saying i've never

1843

01:12:58,070 --> 01:12:55,040

made any money from this

1844

01:13:00,550 --> 01:12:58,080

i remember as well as many other people

1845

01:13:03,189 --> 01:13:00,560

that i've spoken to remember these ads

1846

01:13:05,430 --> 01:13:03,199

being in the back of science magazines

1847

01:13:07,510 --> 01:13:05,440

and technology magazines you know there

1848

01:13:08,630 --> 01:13:07,520

were classified ads and he would put

1849

01:13:12,229 --> 01:13:08,640

this ad

1850

01:13:15,350 --> 01:13:12,239

and this company tri dot productions uh

1851
01:13:17,270 --> 01:13:15,360
was run with him and his good friend who

1852
01:13:19,750 --> 01:13:17,280
has been a huge supporter of his story

1853
01:13:20,790 --> 01:13:19,760
gene huff those two ran that

1854
01:13:24,070 --> 01:13:20,800
company

1855
01:13:26,870 --> 01:13:24,080
and made this vhs tape and yes my

1856
01:13:28,630 --> 01:13:26,880
friends i begged my parents and my

1857
01:13:30,870 --> 01:13:28,640
father can i

1858
01:13:33,110 --> 01:13:30,880
you know cut grass what do i have to do

1859
01:13:34,950 --> 01:13:33,120
to get this 29.95

1860
01:13:37,350 --> 01:13:34,960
i got to see this tape and my father

1861
01:13:38,630 --> 01:13:37,360
help me send away for it we got the tape

1862
01:13:43,750 --> 01:13:38,640
and

1863
01:13:46,709 --> 01:13:43,760

again

1864

01:13:48,390 --> 01:13:46,719

it's called the lazar tape excerpts from

1865

01:13:50,390 --> 01:13:48,400

the government bible

1866

01:13:52,870 --> 01:13:50,400

and many people have digitized it and

1867

01:13:55,030 --> 01:13:52,880

uploaded to youtube you can watch it too

1868

01:13:57,270 --> 01:13:55,040

but my point is that right from the very

1869

01:14:00,630 --> 01:13:57,280

start of his story

1870

01:14:03,430 --> 01:14:00,640

he tried to sell the story for 29.95

1871

01:14:06,470 --> 01:14:03,440

plus 350 shipping and handling

1872

01:14:07,910 --> 01:14:06,480

many people were taken in and bought

1873

01:14:08,870 --> 01:14:07,920

that tape

1874

01:14:15,669 --> 01:14:08,880

i

1875

01:14:17,430 --> 01:14:15,679

gene huff

1876

01:14:19,030 --> 01:14:17,440

will return my phone calls because i

1877

01:14:20,950 --> 01:14:19,040

wanted to ask them how many of those

1878

01:14:23,510 --> 01:14:20,960

tapes were sold how much money did you

1879

01:14:25,990 --> 01:14:23,520

make selling that tape and by the way

1880

01:14:29,510 --> 01:14:26,000

folks they sold that tape for years and

1881

01:14:32,229 --> 01:14:29,520

years and years so bob lazar right from

1882

01:14:33,830 --> 01:14:32,239

the very start tried to cash in

1883

01:14:35,189 --> 01:14:33,840

i mentioned gene huff

1884

01:14:38,390 --> 01:14:35,199

gene huff

1885

01:14:41,189 --> 01:14:38,400

describes himself as a screenwriter

1886

01:14:43,510 --> 01:14:41,199

but so far the only

1887

01:14:46,470 --> 01:14:43,520

script that i've been able to verify

1888

01:14:48,950 --> 01:14:46,480

that he wrote is the bob lazar story bob

1889

01:14:50,870 --> 01:14:48,960

lazar and him besides selling this tape

1890

01:14:52,630 --> 01:14:50,880

in the back of science magazines at the

1891

01:14:54,870 --> 01:14:52,640

time bob came out with his incredible

1892

01:14:57,430 --> 01:14:54,880

story try to cash in that way try to

1893

01:14:59,830 --> 01:14:57,440

cash in in an even bigger way because

1894

01:15:01,669 --> 01:14:59,840

this story was huge folks it was all

1895

01:15:03,910 --> 01:15:01,679

over the news and bob was on a bunch of

1896

01:15:06,390 --> 01:15:03,920

different television shows for quite a

1897

01:15:08,709 --> 01:15:06,400

while after promoting the story

1898

01:15:10,950 --> 01:15:08,719

and jean huff and him the entire time

1899

01:15:13,350 --> 01:15:10,960

were writing a hollywood screenplay and

1900

01:15:15,350 --> 01:15:13,360

trying to sell it to hollywood but that

1901

01:15:16,790 --> 01:15:15,360

never quite worked out

1902

01:15:21,350 --> 01:15:16,800

so

1903

01:15:23,350 --> 01:15:21,360

videotape on how these flying saucers

1904

01:15:26,149 --> 01:15:23,360

work and his experience

1905

01:15:28,470 --> 01:15:26,159

at area 51 he definitely sold that tape

1906

01:15:30,310 --> 01:15:28,480

for 29.95 folks and

1907

01:15:32,950 --> 01:15:30,320

uh even back then

1908

01:15:35,270 --> 01:15:32,960

a big you know ad in the back of a

1909

01:15:37,030 --> 01:15:35,280

magazine was not a cheap thing if they

1910

01:15:39,750 --> 01:15:37,040

were doing all that advertising they

1911

01:15:42,070 --> 01:15:39,760

were selling these tapes folks

1912

01:15:44,470 --> 01:15:42,080

and for him to continually say i never

1913

01:15:45,910 --> 01:15:44,480

made any money from this story

1914

01:15:48,630 --> 01:15:45,920

he tried to cash in right from the very

1915

01:15:51,110 --> 01:15:48,640

start then him and gene huff try to cash

1916

01:15:53,030 --> 01:15:51,120

in and sell a hollywood screenplay but

1917

01:15:56,709 --> 01:15:53,040

apparently

1918

01:15:59,750 --> 01:15:56,719

it was never picked up or purchased

1919

01:16:01,669 --> 01:15:59,760

and here's another thing folks

1920

01:16:03,750 --> 01:16:01,679

many people may remember who were

1921

01:16:06,790 --> 01:16:03,760

interested in bob lazar in his story and

1922

01:16:09,189 --> 01:16:06,800

this is another thing that i bought

1923

01:16:11,030 --> 01:16:09,199

there was a testers model

1924

01:16:14,470 --> 01:16:11,040

and that model

1925

01:16:17,830 --> 01:16:14,480

was a model of the flying saucer that

1926

01:16:21,189 --> 01:16:17,840

babazar claims that he worked on at area

1927

01:16:24,070 --> 01:16:21,199

51 the so-called sport model

1928

01:16:27,430 --> 01:16:24,080

and you can still find them on ebay

1929

01:16:29,189 --> 01:16:27,440

it's called area s4 ufo revealed that it

1930

01:16:31,510 --> 01:16:29,199

comes in a box you know a bunch of

1931

01:16:34,390 --> 01:16:31,520

pieces

1932

01:16:37,510 --> 01:16:34,400

i bought that too folks yes i guess bob

1933

01:16:38,790 --> 01:16:37,520

lazar got me for more than the 29.95 as

1934

01:16:40,149 --> 01:16:38,800

a child

1935

01:16:41,990 --> 01:16:40,159

and i gotta say that's one of the things

1936

01:16:44,229 --> 01:16:42,000

i've been thinking about this guy tells

1937

01:16:46,709 --> 01:16:44,239

this fantastic story and he's got

1938

01:16:49,189 --> 01:16:46,719

science nerd kids like me all over the

1939

01:16:52,709 --> 01:16:49,199

country maybe even the world sending

1940

01:16:54,229 --> 01:16:52,719

away their hard-earned 29.95 to view

1941

01:16:56,790 --> 01:16:54,239

this tape

1942

01:16:59,430 --> 01:16:56,800

it's just it doesn't strike me as a very

1943

01:17:01,270 --> 01:16:59,440

ethical thing to do if you really did do

1944

01:17:03,110 --> 01:17:01,280

this stuff and work on flying saucers

1945

01:17:06,470 --> 01:17:03,120

would you be you know

1946

01:17:08,870 --> 01:17:06,480

basically taking money from children

1947

01:17:11,030 --> 01:17:08,880

to sell them your tape is that something

1948

01:17:13,270 --> 01:17:11,040

that a real whistleblower would do i i

1949

01:17:16,950 --> 01:17:13,280

don't i don't know i haven't seen like

1950

01:17:19,110 --> 01:17:16,960

the chelsea manning 29.95

1951

01:17:21,189 --> 01:17:19,120

dvd you know that she's selling i

1952

01:17:24,310 --> 01:17:21,199

haven't seen the edward snowden

1953

01:17:26,709 --> 01:17:24,320

uh 29.95 dvd that he's selling of his

1954

01:17:28,229 --> 01:17:26,719

experience i mean maybe he's

1955

01:17:29,590 --> 01:17:28,239

trying to do something to earn a living

1956

01:17:32,229 --> 01:17:29,600

for himself being a fugitive from

1957

01:17:34,310 --> 01:17:32,239

justice but it just seems crazy to me

1958

01:17:35,270 --> 01:17:34,320

that this guy's claiming never made any

1959

01:17:37,510 --> 01:17:35,280

money

1960

01:17:40,070 --> 01:17:37,520

and i

1961

01:17:42,310 --> 01:17:40,080

remember vividly

1962

01:17:45,110 --> 01:17:42,320

sending away my money and getting that

1963

01:17:46,550 --> 01:17:45,120

tape i also remember vividly

1964

01:17:49,189 --> 01:17:46,560

my father

1965

01:17:51,350 --> 01:17:49,199

taking me to a toy and hobby and train

1966

01:17:52,070 --> 01:17:51,360

store that he used to like

1967

01:17:54,390 --> 01:17:52,080

and

1968

01:17:56,390 --> 01:17:54,400

we were like we had to

1969

01:17:58,310 --> 01:17:56,400

ask them to get that model they didn't

1970

01:18:00,229 --> 01:17:58,320

have it and we came back a few weeks

1971

01:18:01,990 --> 01:18:00,239

later and i got the model and i took it

1972

01:18:04,070 --> 01:18:02,000

home and i put it together

1973

01:18:05,910 --> 01:18:04,080

and to be honest i don't remember how

1974

01:18:07,590 --> 01:18:05,920

much that model was but

1975

01:18:09,669 --> 01:18:07,600

considering how cheap i remember my

1976

01:18:10,470 --> 01:18:09,679

father being it had to be under 20 but

1977

01:18:13,189 --> 01:18:10,480

still

1978

01:18:14,790 --> 01:18:13,199

uh

1979

01:18:15,990 --> 01:18:14,800

so

1980

01:18:18,310 --> 01:18:16,000

he

1981

01:18:21,270 --> 01:18:18,320

of course was paid something from

1982

01:18:22,229 --> 01:18:21,280

testers model corporation

1983

01:18:26,149 --> 01:18:22,239

for

1984

01:18:28,709 --> 01:18:26,159

licensing them to sell his area 51

1985

01:18:31,910 --> 01:18:28,719

flying saucer model there's another way

1986

01:18:34,950 --> 01:18:31,920

that he made money from his story

1987

01:18:38,390 --> 01:18:34,960

and i gotta tell you folks i tried to

1988

01:18:41,030 --> 01:18:38,400

verify with testers corporation how much

1989

01:18:41,990 --> 01:18:41,040

money bob lazar made with that model

1990

01:18:44,470 --> 01:18:42,000

deal

1991

01:18:46,950 --> 01:18:44,480

but i contacted the public

1992

01:18:48,950 --> 01:18:46,960

uh relations person there who was less

1993

01:18:51,110 --> 01:18:48,960

than helpful when he heard that i was

1994

01:18:52,790 --> 01:18:51,120

asking him about a flying saucer model

1995

01:18:54,790 --> 01:18:52,800

they made

1996

01:18:57,990 --> 01:18:54,800

many years ago

1997

01:19:00,709 --> 01:18:58,000

so uh i talked to michael stratt who has

1998

01:19:03,750 --> 01:19:00,719

all of john andrews i believe his name

1999

01:19:05,430 --> 01:19:03,760

is papers uh who was the guy who

2000

01:19:07,350 --> 01:19:05,440

actually sat down with bob lazar and

2001

01:19:09,910 --> 01:19:07,360

designed the model who worked at

2002

01:19:11,510 --> 01:19:09,920

tester's model corporation and he worked

2003

01:19:13,270 --> 01:19:11,520

on many different

2004

01:19:15,430 --> 01:19:13,280

projects including like

2005

01:19:17,110 --> 01:19:15,440

a model of the black bird or a model of

2006

01:19:19,990 --> 01:19:17,120

the stealth bomber that

2007

01:19:21,270 --> 01:19:20,000

you know testers were selling models for

2008

01:19:23,430 --> 01:19:21,280

and

2009

01:19:25,430 --> 01:19:23,440

i've gotten conflicting information

2010

01:19:28,470 --> 01:19:25,440

because besides michael stratt who has

2011

01:19:30,630 --> 01:19:28,480

the information from john andrews i got

2012

01:19:33,110 --> 01:19:30,640

another source which i found that worked

2013

01:19:36,310 --> 01:19:33,120

at testers model corporation at the time

2014

01:19:38,950 --> 01:19:36,320

who is now retired who would speak to me

2015

01:19:41,750 --> 01:19:38,960

my own source told me that testers model

2016

01:19:44,470 --> 01:19:41,760

corporation made over a million of those

2017

01:19:46,550 --> 01:19:44,480

models those models were in every twain

2018

01:19:48,709 --> 01:19:46,560

hobby store in the united states in

2019

01:19:51,110 --> 01:19:48,719

stock for quite some time

2020

01:19:53,350 --> 01:19:51,120

those were in well i don't want to say

2021

01:19:54,950 --> 01:19:53,360

every toy hobby shop they were in most

2022

01:19:57,189 --> 01:19:54,960

of the toy and hobby shops in the

2023

01:19:59,189 --> 01:19:57,199

country especially the bigger chains

2024

01:20:01,910 --> 01:19:59,199

they were in toys r us they were in

2025

01:20:04,390 --> 01:20:01,920

kitty city that's what he told me

2026

01:20:07,669 --> 01:20:04,400

and i remember that being a child and

2027

01:20:10,390 --> 01:20:07,679

being in both toys r us and kitty city

2028

01:20:13,669 --> 01:20:10,400

and yes seeing that model in the model

2029

01:20:16,310 --> 01:20:13,679

section he also told me that bob lazar

2030

01:20:21,189 --> 01:20:16,320

got a royalty for each

2031

01:20:24,070 --> 01:20:21,199

model sold and he got paid an initial

2032

01:20:26,550 --> 01:20:24,080

advance to sit down with john andrews

2033

01:20:29,510 --> 01:20:26,560

and design this model

2034

01:20:31,669 --> 01:20:29,520

now it's important that i mention uh i

2035

01:20:32,550 --> 01:20:31,679

did mention michael stratt and michael

2036

01:20:34,870 --> 01:20:32,560

schrad

2037

01:20:37,270 --> 01:20:34,880

got back to me through a private message

2038

01:20:40,870 --> 01:20:37,280

and said i do not have any original

2039

01:20:43,590 --> 01:20:40,880

paperwork on the exact sports model

2040

01:20:45,510 --> 01:20:43,600

model sales figures but i can tell you

2041

01:20:47,110 --> 01:20:45,520

that testers sold

2042

01:20:49,430 --> 01:20:47,120

less

2043

01:20:52,550 --> 01:20:49,440

of that model than the stealth aircraft

2044

01:20:56,550 --> 01:20:52,560

model designed also by john andrews

2045

01:20:58,709 --> 01:20:56,560

that model sold over a million copies

2046

01:21:00,470 --> 01:20:58,719

so honestly i'm not quite sure how much

2047

01:21:03,110 --> 01:21:00,480

bob lazar made

2048

01:21:04,310 --> 01:21:03,120

from this model project

2049

01:21:06,950 --> 01:21:04,320

but

2050

01:21:08,790 --> 01:21:06,960

both sources that i've gotten seemed to

2051
01:21:10,070 --> 01:21:08,800
conclude that yes he made money from

2052
01:21:12,550 --> 01:21:10,080
that model

2053
01:21:13,669 --> 01:21:12,560
now i wanted to be sure and i wanted to

2054
01:21:16,070 --> 01:21:13,679
verify

2055
01:21:18,550 --> 01:21:16,080
these two sources so i reached out to

2056
01:21:20,390 --> 01:21:18,560
media contacts for testers model

2057
01:21:22,550 --> 01:21:20,400
corporation which is actually owned by

2058
01:21:24,709 --> 01:21:22,560
rust-oleum paint company

2059
01:21:27,030 --> 01:21:24,719
and i got to tell you i talk about

2060
01:21:28,390 --> 01:21:27,040
sometimes people are very helpful you

2061
01:21:30,709 --> 01:21:28,400
reach out to them you get a lot of

2062
01:21:32,629 --> 01:21:30,719
excellent help and advice

2063
01:21:34,310 --> 01:21:32,639

the public relations contact at

2064

01:21:35,910 --> 01:21:34,320

rustoleum

2065

01:21:39,430 --> 01:21:35,920

as soon as you heard what i what

2066

01:21:41,830 --> 01:21:39,440

information i wanted was very very

2067

01:21:43,669 --> 01:21:41,840

argumentative and difficult with me i

2068

01:21:45,110 --> 01:21:43,679

was very respectful in my approach i

2069

01:21:46,709 --> 01:21:45,120

really tried to get the information

2070

01:21:48,149 --> 01:21:46,719

explained to him here's my two sources

2071

01:21:49,189 --> 01:21:48,159

here's what they said can you please

2072

01:21:51,270 --> 01:21:49,199

verify

2073

01:21:52,870 --> 01:21:51,280

you know how much did babazor make what

2074

01:21:54,950 --> 01:21:52,880

was the financial arrangement and i

2075

01:21:56,870 --> 01:21:54,960

realized that this is 20 or 30 year old

2076

01:21:59,750 --> 01:21:56,880

well it's 30 year old uh

2077

01:22:01,030 --> 01:21:59,760

probably 30 year old information but

2078

01:22:03,030 --> 01:22:01,040

i thought that his company had a

2079

01:22:05,110 --> 01:22:03,040

responsibility especially with him being

2080

01:22:07,189 --> 01:22:05,120

the public relations guy

2081

01:22:09,350 --> 01:22:07,199

and the media relations person to give

2082

01:22:11,270 --> 01:22:09,360

me the proper information so that i can

2083

01:22:13,110 --> 01:22:11,280

inform you my listeners what the truth

2084

01:22:15,110 --> 01:22:13,120

is about how much money did bob lazar

2085

01:22:17,750 --> 01:22:15,120

make on this model

2086

01:22:19,229 --> 01:22:17,760

uh this man's name is vincent

2087

01:22:21,750 --> 01:22:19,239

pierre

2088

01:22:24,550 --> 01:22:21,760

p-i-e-r-r-i you can go to rust-oleum's

2089

01:22:26,790 --> 01:22:24,560

website and click on contact us

2090

01:22:28,709 --> 01:22:26,800

and for media contacts that's the person

2091

01:22:31,030 --> 01:22:28,719

you're supposed to contact that's who i

2092

01:22:32,070 --> 01:22:31,040

contacted first of all

2093

01:22:33,669 --> 01:22:32,080

uh

2094

01:22:35,990 --> 01:22:33,679

he made me

2095

01:22:39,350 --> 01:22:36,000

call him back several several times and

2096

01:22:41,270 --> 01:22:39,360

then i did and uh when i told him who i

2097

01:22:43,750 --> 01:22:41,280

was that i had a show

2098

01:22:45,430 --> 01:22:43,760

he basically said you're not major media

2099

01:22:47,430 --> 01:22:45,440

i don't need to speak to you and hung up

2100

01:22:49,189 --> 01:22:47,440

on me so then i called him back and i

2101
01:22:50,790 --> 01:22:49,199
said look i'm really sorry maybe we got

2102
01:22:52,950 --> 01:22:50,800
off the wrong foot i really need this

2103
01:22:55,030 --> 01:22:52,960
information can you please help me and

2104
01:22:57,910 --> 01:22:55,040
he said you have to submit a request in

2105
01:23:00,470 --> 01:22:57,920
writing so i emailed him i got his email

2106
01:23:02,229 --> 01:23:00,480
address uh from the company i emailed

2107
01:23:04,390 --> 01:23:02,239
him the request in writing i could read

2108
01:23:06,709 --> 01:23:04,400
it to you but again i just asked him can

2109
01:23:08,950 --> 01:23:06,719
he please verify for me how much babazon

2110
01:23:11,110 --> 01:23:08,960
was paid for these testers models how

2111
01:23:13,350 --> 01:23:11,120
many tester models were sold was he

2112
01:23:15,910 --> 01:23:13,360
given a royalty did he get in advance i

2113
01:23:18,149 --> 01:23:15,920

wanted to verify my source who worked

2114

01:23:20,310 --> 01:23:18,159

there at tester's model corporation

2115

01:23:22,229 --> 01:23:20,320

which by the way they did verify i

2116

01:23:24,390 --> 01:23:22,239

verified that guy's employment did work

2117

01:23:26,310 --> 01:23:24,400

for tesla's model corporation that's the

2118

01:23:28,390 --> 01:23:26,320

source who told me that over a million

2119

01:23:31,030 --> 01:23:28,400

models were made and bob lazar got a

2120

01:23:32,629 --> 01:23:31,040

cash advance uh to sit down with john

2121

01:23:36,310 --> 01:23:32,639

andrews and design the model and then he

2122

01:23:39,110 --> 01:23:36,320

got paid a royalty per model sold

2123

01:23:41,750 --> 01:23:39,120

so this vincent payeri was very very

2124

01:23:42,870 --> 01:23:41,760

difficult would not help me said you

2125

01:23:44,550 --> 01:23:42,880

have to

2126

01:23:47,350 --> 01:23:44,560

be a major of the major

2127

01:23:49,669 --> 01:23:47,360

you know be a member of the major media

2128

01:23:51,189 --> 01:23:49,679

like cnn then i'll speak to you i don't

2129

01:23:52,550 --> 01:23:51,199

need to speak to you you do a little

2130

01:23:53,830 --> 01:23:52,560

radio show

2131

01:23:55,430 --> 01:23:53,840

you know

2132

01:23:57,030 --> 01:23:55,440

i call the guy back

2133

01:23:59,030 --> 01:23:57,040

and again he was very very difficult he

2134

01:24:01,510 --> 01:23:59,040

said if you submit a request in writing

2135

01:24:03,430 --> 01:24:01,520

i'll get back to you i submitted

2136

01:24:04,310 --> 01:24:03,440

three or four emails which i have copies

2137

01:24:06,390 --> 01:24:04,320

of

2138

01:24:08,790 --> 01:24:06,400

time stamped dated return receipt

2139

01:24:10,149 --> 01:24:08,800

requested he opened all of them didn't

2140

01:24:12,950 --> 01:24:10,159

get back to me

2141

01:24:14,790 --> 01:24:12,960

uh you know so finally i call him again

2142

01:24:17,350 --> 01:24:14,800

and he said no no

2143

01:24:19,189 --> 01:24:17,360

not email you have to submit an actual

2144

01:24:21,430 --> 01:24:19,199

written letter

2145

01:24:24,229 --> 01:24:21,440

and so i got the address and i sent the

2146

01:24:26,070 --> 01:24:24,239

same requests three or four times

2147

01:24:27,910 --> 01:24:26,080

and he still wouldn't get back to me i

2148

01:24:31,510 --> 01:24:27,920

called this man one more time and he was

2149

01:24:33,350 --> 01:24:31,520

very nasty to me and refused to help me

2150

01:24:35,350 --> 01:24:33,360

so i just want to say that if any of my

2151

01:24:37,910 --> 01:24:35,360

listeners really want to know for

2152

01:24:40,470 --> 01:24:37,920

absolute certain we have some idea here

2153

01:24:42,470 --> 01:24:40,480

from my two sources that bob lazar made

2154

01:24:44,229 --> 01:24:42,480

a bunch of money on this tester's model

2155

01:24:46,870 --> 01:24:44,239

but we don't know for sure and this

2156

01:24:48,550 --> 01:24:46,880

vincent prairie i never do this but

2157

01:24:50,629 --> 01:24:48,560

considering the way that he treated me i

2158

01:24:52,070 --> 01:24:50,639

think it's only fair uh he's the public

2159

01:24:53,669 --> 01:24:52,080

relations head

2160

01:24:55,830 --> 01:24:53,679

this is his phone number if you want to

2161

01:24:59,189 --> 01:24:55,840

know i encourage you call him his phone

2162

01:25:00,870 --> 01:24:59,199

number is 847 8162

2163

01:25:02,709 --> 01:25:00,880

tell him stephen from the midnight hours

2164

01:25:05,430 --> 01:25:02,719

sent you i'm the guy that he wouldn't

2165

01:25:07,270 --> 01:25:05,440

help with this information and uh if you

2166

01:25:08,950 --> 01:25:07,280

can't get a hold of him at the business

2167

01:25:13,830 --> 01:25:08,960

line there you can call his cell phone

2168

01:25:15,270 --> 01:25:13,840

here's his cell phone it's 847 997

2169

01:25:16,950 --> 01:25:15,280

make sure you tell them that steven from

2170

01:25:19,669 --> 01:25:16,960

the midnight hour send them all these

2171

01:25:22,310 --> 01:25:19,679

written requests and you'd also like to

2172

01:25:24,070 --> 01:25:22,320

know how much money bob lazar made from

2173

01:25:25,750 --> 01:25:24,080

the testers model

2174

01:25:28,229 --> 01:25:25,760

now folks there's one more thing that i

2175

01:25:30,790 --> 01:25:28,239

wanted to mention in regard to bob lazar

2176

01:25:33,030 --> 01:25:30,800

making money from telling his story and

2177

01:25:33,830 --> 01:25:33,040

that is that babazar

2178

01:25:35,750 --> 01:25:33,840

uh

2179

01:25:38,950 --> 01:25:35,760

i guess to his credit he doesn't run

2180

01:25:42,070 --> 01:25:38,960

around and do the ufo conference circuit

2181

01:25:43,590 --> 01:25:42,080

i think that he's smart to not do that

2182

01:25:45,030 --> 01:25:43,600

because

2183

01:25:47,270 --> 01:25:45,040

you know there's many guys running

2184

01:25:51,430 --> 01:25:47,280

around making very little money doing

2185

01:25:57,270 --> 01:25:54,950

did appear at the 2015 international ufo

2186

01:25:59,430 --> 01:25:57,280

congress in fact he was the big star

2187

01:26:01,350 --> 01:25:59,440

right he was the one that was going to

2188

01:26:02,470 --> 01:26:01,360

help them sell all the tickets to this

2189

01:26:05,030 --> 01:26:02,480

thing

2190

01:26:07,990 --> 01:26:05,040

and i have confirmed with a source close

2191

01:26:10,149 --> 01:26:08,000

to the 2015 international ufo congress

2192

01:26:15,350 --> 01:26:10,159

that bob lazar was paid

2193

01:26:20,310 --> 01:26:17,830

so when bob lazar says he has no reason

2194

01:26:23,189 --> 01:26:20,320

to lie and he never makes any money from

2195

01:26:26,149 --> 01:26:23,199

telling his story well we have at least

2196

01:26:30,310 --> 01:26:26,159

one instance at the 2015 international

2197

01:26:32,149 --> 01:26:30,320

ufo congress where bob lazar was paid

2198

01:26:34,229 --> 01:26:32,159

ten thousand dollars

2199

01:26:35,990 --> 01:26:34,239

to tell his story

2200

01:26:37,590 --> 01:26:36,000

now i thought that number seemed high

2201

01:26:40,070 --> 01:26:37,600

but i asked around to a bunch of

2202

01:26:42,229 --> 01:26:40,080

different conference organizers and yes

2203

01:26:43,510 --> 01:26:42,239

some of the big stars in so-called

2204

01:26:46,070 --> 01:26:43,520

ufology

2205

01:26:49,030 --> 01:26:46,080

uh especially for an important event or

2206

01:26:52,470 --> 01:26:49,040

important appearance can demand

2207

01:26:54,629 --> 01:26:52,480

that high of an appearance fee and that

2208

01:26:57,910 --> 01:26:54,639

my friends is what bob lazar was

2209

01:27:00,870 --> 01:26:57,920

reportedly paid to appear at that

2210

01:27:02,870 --> 01:27:00,880

conference ten thousand dollars

2211

01:27:05,590 --> 01:27:02,880

so we've got him right from the very

2212

01:27:07,669 --> 01:27:05,600

beginning selling that tape

2213

01:27:09,990 --> 01:27:07,679

we've got him cutting deals with testers

2214

01:27:12,229 --> 01:27:10,000

model corporation

2215

01:27:13,830 --> 01:27:12,239

and getting a royalty for

2216

01:27:15,510 --> 01:27:13,840

what is reported to be

2217

01:27:17,910 --> 01:27:15,520

either almost a million or over a

2218

01:27:20,229 --> 01:27:17,920

million of those models sold plus an

2219

01:27:22,790 --> 01:27:20,239

advance to sit down with john andrews

2220

01:27:25,110 --> 01:27:22,800

and design the model

2221

01:27:28,950 --> 01:27:25,120

and we've got him debt to rights getting

2222

01:27:32,229 --> 01:27:28,960

paid a very large speaking fee

2223

01:27:35,350 --> 01:27:32,239

or appearance fee to appear at the 2015

2224

01:27:36,310 --> 01:27:35,360

international ufo congress

2225

01:27:41,510 --> 01:27:36,320

so

2226

01:27:43,350 --> 01:27:41,520

lie or make up these stories and he

2227

01:27:44,709 --> 01:27:43,360

doesn't make any money from telling

2228

01:27:46,310 --> 01:27:44,719

these stories

2229

01:27:48,950 --> 01:27:46,320

it's a lie folks it's a complete and

2230

01:27:51,430 --> 01:27:48,960

total lie and these are just a few

2231

01:27:53,510 --> 01:27:51,440

examples i'm sure there's more

2232

01:27:55,590 --> 01:27:53,520

i'm sure there's more folks

2233

01:27:57,590 --> 01:27:55,600

he also tried to cash in and sell

2234

01:28:00,149 --> 01:27:57,600

hollywood screenplay it just hasn't

2235

01:28:01,750 --> 01:28:00,159

worked out so far for him now let's move

2236

01:28:03,830 --> 01:28:01,760

on to something that i think is very

2237

01:28:06,149 --> 01:28:03,840

important and that is

2238

01:28:09,270 --> 01:28:06,159

some of the descriptions of things that

2239

01:28:12,470 --> 01:28:09,280

bob lazar has described he's drawn

2240

01:28:14,870 --> 01:28:12,480

like that area 51 s4

2241

01:28:17,510 --> 01:28:14,880

sport model flying saucer

2242

01:28:19,189 --> 01:28:17,520

if you go and google s4

2243

01:28:21,030 --> 01:28:19,199

bob lazar flying saucer you're going to

2244

01:28:22,950 --> 01:28:21,040

quickly get an image for it

2245

01:28:25,350 --> 01:28:22,960

if you go and google

2246

01:28:28,390 --> 01:28:25,360

billy meyer flying saucer you're going

2247

01:28:29,990 --> 01:28:28,400

to get nearly the exact same image

2248

01:28:32,310 --> 01:28:30,000

i always thought folks that that was

2249

01:28:35,910 --> 01:28:32,320

very curious and then we come to find

2250

01:28:36,790 --> 01:28:35,920

out that the reason that bob lazar

2251

01:28:39,189 --> 01:28:36,800

met

2252

01:28:39,990 --> 01:28:39,199

john lear to begin with is because he

2253

01:28:43,030 --> 01:28:40,000

went

2254

01:28:45,510 --> 01:28:43,040

to john lear's house with gene huff who

2255

01:28:48,709 --> 01:28:45,520

is going to do a real estate appraisal

2256

01:28:52,310 --> 01:28:48,719

on john lear's home in exchange for

2257

01:28:55,430 --> 01:28:52,320

getting all of john lear's stuff

2258

01:28:57,669 --> 01:28:55,440

john lear has spoken in some detail

2259

01:28:59,430 --> 01:28:57,679

about billy meyer

2260

01:29:01,110 --> 01:28:59,440

john lear believes that billy meyer is a

2261

01:29:03,990 --> 01:29:01,120

genuine case

2262

01:29:06,709 --> 01:29:04,000

i think that most people

2263

01:29:08,470 --> 01:29:06,719

really know that billy meyer is a

2264

01:29:11,030 --> 01:29:08,480

complete and total fraud

2265

01:29:13,590 --> 01:29:11,040

who put models of flying saucers you

2266

01:29:16,390 --> 01:29:13,600

know up on strings and we've previously

2267

01:29:17,669 --> 01:29:16,400

reported on that uh on previous episodes

2268

01:29:20,709 --> 01:29:17,679

of my show

2269

01:29:22,629 --> 01:29:20,719

he's been thoroughly debunked as a fraud

2270

01:29:25,990 --> 01:29:22,639

and a hoaxer but it's important to

2271

01:29:27,990 --> 01:29:26,000

realize that for some reason bob lazar's

2272

01:29:31,270 --> 01:29:28,000

flying saucer

2273

01:29:33,910 --> 01:29:31,280

bears an uncanny resemblance to

2274

01:29:34,870 --> 01:29:33,920

one of billy meyer's flying saucer

2275

01:29:37,189 --> 01:29:34,880

models

2276

01:29:39,350 --> 01:29:37,199

in fact they look identical bubbles or

2277

01:29:40,950 --> 01:29:39,360

even comments on it oh yeah it looks

2278

01:29:42,390 --> 01:29:40,960

just like billy myers yeah that's

2279

01:29:44,390 --> 01:29:42,400

strange

2280

01:29:45,270 --> 01:29:44,400

and this my friends

2281

01:29:48,229 --> 01:29:45,280

is

2282

01:29:50,870 --> 01:29:48,239

more than a coincidence considering that

2283

01:29:53,270 --> 01:29:50,880

babazar and jean huff got all the billy

2284

01:29:54,550 --> 01:29:53,280

meyer tapes including

2285

01:29:56,870 --> 01:29:54,560

you know

2286

01:29:58,870 --> 01:29:56,880

all of the films of the flying saucers

2287

01:30:00,310 --> 01:29:58,880

that billy meyer was supposed to be

2288

01:30:02,870 --> 01:30:00,320

filming

2289

01:30:07,510 --> 01:30:02,880

again those are frauds folks but

2290

01:30:10,550 --> 01:30:09,430

sat around i suppose watching those

2291

01:30:13,750 --> 01:30:10,560

tapes

2292

01:30:16,149 --> 01:30:13,760

and there was also documentation where

2293

01:30:18,629 --> 01:30:16,159

billy meyer describes the propulsion

2294

01:30:20,950 --> 01:30:18,639

system of the flying saucer that i

2295

01:30:23,350 --> 01:30:20,960

believe that bob lazar copied to make

2296

01:30:24,950 --> 01:30:23,360

his sport model and billy myers flying

2297

01:30:28,070 --> 01:30:24,960

saucer also

2298

01:30:30,629 --> 01:30:28,080

conveniently used an anti-gravity

2299

01:30:32,229 --> 01:30:30,639

propulsion system that was powered by

2300

01:30:34,870 --> 01:30:32,239

antimatter

2301

01:30:38,070 --> 01:30:34,880

so not only does it look identical to

2302

01:30:41,110 --> 01:30:38,080

billy meyer's fake fraudulent

2303

01:30:43,830 --> 01:30:41,120

ufo that was actually you know

2304

01:30:45,110 --> 01:30:43,840

a model that he made and hung up on a

2305

01:30:46,870 --> 01:30:45,120

string

2306

01:30:49,830 --> 01:30:46,880

it's been proven time and time again

2307

01:30:52,070 --> 01:30:49,840

that billy meyer was a fake and a fraud

2308

01:30:54,709 --> 01:30:52,080

not only is the flying saucer look

2309

01:30:56,950 --> 01:30:54,719

identical to bob lazar's flying saucer

2310

01:30:59,110 --> 01:30:56,960

but the way the power system worked in

2311

01:31:01,910 --> 01:30:59,120

bob lazar's flying saucer was very very

2312

01:31:02,629 --> 01:31:01,920

close to what billy myers said and there

2313

01:31:04,629 --> 01:31:02,639

is

2314

01:31:08,470 --> 01:31:04,639

text transcripts of billy meyer

2315

01:31:11,669 --> 01:31:08,480

describing the anti-matter propulsion

2316

01:31:13,830 --> 01:31:11,679

system the anti-matter power system that

2317

01:31:15,110 --> 01:31:13,840

powered the beam ship

2318

01:31:19,910 --> 01:31:15,120

it's too

2319

01:31:21,990 --> 01:31:19,920

than a coincidence

2320

01:31:24,790 --> 01:31:22,000

i don't have proof of this but it's just

2321

01:31:26,629 --> 01:31:24,800

something that i want you to think about

2322

01:31:28,870 --> 01:31:26,639

and let's also think about all the times

2323

01:31:32,550 --> 01:31:28,880

bob lazar has been caught in outright

2324

01:31:34,950 --> 01:31:32,560

lies generally bob lazar will not give

2325

01:31:36,550 --> 01:31:34,960

interviews and he will certainly not

2326

01:31:38,310 --> 01:31:36,560

give interviews unless he has the

2327

01:31:39,669 --> 01:31:38,320

questions in advance so he can prepare

2328

01:31:41,430 --> 01:31:39,679

his answers

2329

01:31:42,790 --> 01:31:41,440

that's something that i've heard don't

2330

01:31:43,669 --> 01:31:42,800

know if it's true

2331

01:31:45,350 --> 01:31:43,679

but

2332

01:31:47,669 --> 01:31:45,360

bob lazar was on

2333

01:31:49,990 --> 01:31:47,679

an episode of larry king

2334

01:31:51,510 --> 01:31:50,000

where viewers were sending in questions

2335

01:31:53,510 --> 01:31:51,520

and i gotta say

2336

01:31:55,590 --> 01:31:53,520

i was so happy to hear

2337

01:31:59,430 --> 01:31:55,600

that at least two of the questions bob

2338

01:32:02,870 --> 01:31:59,440

was asked he completely and totally

2339

01:32:05,990 --> 01:32:02,880

proved himself to be a fraud a fake and

2340

01:32:08,310 --> 01:32:06,000

a liar i caught this i'm not sure that

2341

01:32:09,189 --> 01:32:08,320

other people did but

2342

01:32:11,430 --> 01:32:09,199

let's

2343

01:32:13,510 --> 01:32:11,440

let you listen to the first question

2344

01:32:16,070 --> 01:32:13,520

that i think proves him a fraud a fake

2345

01:32:17,830 --> 01:32:16,080

and a liar and i'm going to tell you why

2346

01:32:19,830 --> 01:32:17,840

let's listen to the first question it's

2347

01:32:22,790 --> 01:32:19,840

about gravity waves

2348

01:32:25,510 --> 01:32:22,800

bob if a spacecraft distorted space time

2349

01:32:27,669 --> 01:32:25,520

in order to travel massive distances

2350

01:32:30,310 --> 01:32:27,679

assuming they don't make any arduously

2351

01:32:32,629 --> 01:32:30,320

large number of tiny jumps would you

2352

01:32:35,669 --> 01:32:32,639

expect such distortion to cause

2353

01:32:38,790 --> 01:32:35,679

detectable gravity waves yes i actually

2354

01:32:41,030 --> 01:32:38,800

i i would depending on the direction the

2355

01:32:43,270 --> 01:32:41,040

craft is traveling yeah i would imagine

2356

01:32:44,390 --> 01:32:43,280

we would be able to detect some gravity

2357

01:32:46,870 --> 01:32:44,400

waves

2358

01:32:49,750 --> 01:32:46,880

while so once bob lazar and i actually

2359

01:32:51,510 --> 01:32:49,760

agree on something he's right if a craft

2360

01:32:53,669 --> 01:32:51,520

worked in the way that bob lazar

2361

01:32:54,629 --> 01:32:53,679

described the craft that he worked on

2362

01:32:57,750 --> 01:32:54,639

worked

2363

01:33:00,310 --> 01:32:57,760

we would absolutely be able to detect

2364

01:33:02,229 --> 01:33:00,320

those gravity waves

2365

01:33:04,790 --> 01:33:02,239

but there's a big problem with bob

2366

01:33:07,350 --> 01:33:04,800

lazar's story of how this alien

2367

01:33:09,830 --> 01:33:07,360

spacecraft he claims he worked on he

2368

01:33:11,030 --> 01:33:09,840

claims he viewed tests of

2369

01:33:12,790 --> 01:33:11,040

worked

2370

01:33:13,990 --> 01:33:12,800

we would be able to detect those gravity

2371

01:33:17,110 --> 01:33:14,000

waves

2372

01:33:19,830 --> 01:33:17,120

i have to tell you folks about something

2373

01:33:22,950 --> 01:33:19,840

called ligo the laser

2374

01:33:29,430 --> 01:33:24,950

i have to tell you folks about something

2375

01:33:32,390 --> 01:33:29,440

called ligo l-i-g-o the laser

2376

01:33:33,750 --> 01:33:32,400

interferometer gravitational wave

2377

01:33:36,550 --> 01:33:33,760

observatory

2378

01:33:38,390 --> 01:33:36,560

this is something that we have we have

2379

01:33:41,669 --> 01:33:38,400

an observatory that is

2380

01:33:43,510 --> 01:33:41,679

the sole purpose is to detect and study

2381

01:33:46,870 --> 01:33:43,520

gravity waves

2382

01:33:49,270 --> 01:33:46,880

and if a craft operated the way that bob

2383

01:33:51,350 --> 01:33:49,280

lazar claims the flying saucers he

2384

01:33:53,750 --> 01:33:51,360

worked on operated we would be able to

2385

01:33:56,709 --> 01:33:53,760

detect those gravity waves even bob

2386

01:33:59,110 --> 01:33:56,719

lazar when asked the question

2387

01:34:01,270 --> 01:33:59,120

from a viewer of larry king's show

2388

01:34:03,750 --> 01:34:01,280

agreed yes we would be able to detect

2389

01:34:05,510 --> 01:34:03,760

those gravity waves

2390

01:34:08,629 --> 01:34:05,520

i wanted to be sure

2391

01:34:09,669 --> 01:34:08,639

so i called ligo and talked to some very

2392

01:34:12,149 --> 01:34:09,679

kind

2393

01:34:14,550 --> 01:34:12,159

astrophysicists and physicists who

2394

01:34:15,669 --> 01:34:14,560

worked there

2395

01:34:17,030 --> 01:34:15,679

one of them

2396

01:34:19,430 --> 01:34:17,040

was even

2397

01:34:23,189 --> 01:34:19,440

kind enough to review

2398

01:34:26,310 --> 01:34:23,199

bob lazar's so-called science

2399

01:34:29,750 --> 01:34:26,320

he called me back and i have to say

2400

01:34:31,350 --> 01:34:29,760

this is a real scientist who works at

2401

01:34:33,669 --> 01:34:31,360

ligo

2402

01:34:36,550 --> 01:34:33,679

and he told me

2403

01:34:39,270 --> 01:34:36,560

that in his professional opinion

2404

01:34:41,350 --> 01:34:39,280

bob lazar science is science fiction

2405

01:34:43,030 --> 01:34:41,360

it's not real folks

2406

01:34:45,109 --> 01:34:43,040

and here's why

2407

01:34:47,030 --> 01:34:45,119

if bob lazar is telling the truth about

2408

01:34:48,629 --> 01:34:47,040

how these craft these so-called flying

2409

01:34:51,910 --> 01:34:48,639

saucers operated

2410

01:34:54,709 --> 01:34:51,920

then ligo would be able to detect them

2411

01:34:57,669 --> 01:34:54,719

traveling through space anywhere

2412

01:35:01,030 --> 01:34:57,679

anywhere near our solar system

2413

01:35:01,990 --> 01:35:01,040

their observatory has a massive reach

2414

01:35:03,910 --> 01:35:02,000

folks

2415

01:35:06,950 --> 01:35:03,920

they've never detected

2416

01:35:08,390 --> 01:35:06,960

detectable gravity waves in our own

2417

01:35:11,270 --> 01:35:08,400

solar system

2418

01:35:14,709 --> 01:35:11,280

and they've certainly never detected

2419

01:35:18,870 --> 01:35:14,719

gravity waves in earth's atmosphere

2420

01:35:20,870 --> 01:35:18,880

bob lazar claimed that these craft

2421

01:35:23,109 --> 01:35:20,880

distorted space-time

2422

01:35:25,510 --> 01:35:23,119

and generated gravity waves that's how

2423

01:35:26,870 --> 01:35:25,520

they operated this is bob lazar's own

2424

01:35:28,870 --> 01:35:26,880

claims folks

2425

01:35:31,350 --> 01:35:28,880

and a real scientist that works at a

2426

01:35:33,830 --> 01:35:31,360

real scientific organization and

2427

01:35:36,629 --> 01:35:33,840

observatory that is designed

2428

01:35:39,030 --> 01:35:36,639

specifically to study

2429

01:35:40,830 --> 01:35:39,040

gravity waves says that bob lazar

2430

01:35:44,629 --> 01:35:40,840

science

2431

01:35:47,030 --> 01:35:44,639

is and bob lazarus claims that any

2432

01:35:50,229 --> 01:35:47,040

so-called flying saucer or experimental

2433

01:35:52,070 --> 01:35:50,239

craft that used gravity waves or

2434

01:35:54,550 --> 01:35:52,080

time-space distortion

2435

01:35:56,870 --> 01:35:54,560

to propel the craft

2436

01:35:58,310 --> 01:35:56,880

is a complete and total science fiction

2437

01:36:01,270 --> 01:35:58,320

fantasy

2438

01:36:04,790 --> 01:36:01,280

this is a real scientist folks who works

2439

01:36:07,030 --> 01:36:04,800

at ligo studying gravity waves he says

2440

01:36:08,629 --> 01:36:07,040

that if a craft such as bob lazar

2441

01:36:11,750 --> 01:36:08,639

describes

2442

01:36:13,510 --> 01:36:11,760

ever was test flown in our atmosphere

2443

01:36:15,990 --> 01:36:13,520

they would certainly have detected those

2444

01:36:18,870 --> 01:36:16,000

gravity waves and they never have

2445

01:36:21,669 --> 01:36:18,880

if a craft such as bob lazar describes

2446

01:36:24,390 --> 01:36:21,679

ever traveled anywhere near anywhere

2447

01:36:27,030 --> 01:36:24,400

near he said our solar system

2448

01:36:28,070 --> 01:36:27,040

then ligo that observatory would

2449

01:36:32,709 --> 01:36:28,080

certainly

2450

01:36:34,310 --> 01:36:32,719

that time space distortion

2451

01:36:36,709 --> 01:36:34,320

would have detected

2452

01:36:38,550 --> 01:36:36,719

those gravity waves and they never ever

2453

01:36:40,629 --> 01:36:38,560

have folks

2454

01:36:42,550 --> 01:36:40,639

that's the end of the story a real

2455

01:36:43,990 --> 01:36:42,560

scientist looked at his so-called

2456

01:36:45,830 --> 01:36:44,000

propulsion system and said it's a

2457

01:36:47,910 --> 01:36:45,840

science fiction fantasy and he has

2458

01:36:48,709 --> 01:36:47,920

actual scientific evidence to back him

2459

01:36:52,070 --> 01:36:48,719

up

2460

01:36:53,990 --> 01:36:52,080

if a flying saucer or any craft really

2461

01:36:56,229 --> 01:36:54,000

worked that way they would have detected

2462

01:37:00,310 --> 01:36:56,239

it and they never have folks it's a

2463

01:37:02,070 --> 01:37:00,320

fantasy a fraud a fake a con

2464

01:37:04,390 --> 01:37:02,080

let's move on to the next question that

2465

01:37:05,510 --> 01:37:04,400

he was asked and this one is even more

2466

01:37:08,310 --> 01:37:05,520

shocking

2467

01:37:10,950 --> 01:37:08,320

how big would a spacecraft from area 51

2468

01:37:14,310 --> 01:37:10,960

that the reverse engineering was done on

2469

01:37:16,149 --> 01:37:14,320

i think it was about 52 feet in diameter

2470

01:37:18,149 --> 01:37:16,159

and ladies and gentlemen i have to say

2471

01:37:21,669 --> 01:37:18,159

when i heard bob lazar answer this

2472

01:37:23,750 --> 01:37:21,679

question i almost fell off my chair

2473

01:37:25,510 --> 01:37:23,760

this is another one of those

2474

01:37:28,550 --> 01:37:25,520

little things

2475

01:37:30,390 --> 01:37:28,560

that bob lazar says people get lost in

2476

01:37:31,669 --> 01:37:30,400

the minutia

2477

01:37:33,350 --> 01:37:31,679

right

2478

01:37:34,550 --> 01:37:33,360

it's a little thing how big was the

2479

01:37:37,109 --> 01:37:34,560

craft

2480

01:37:39,990 --> 01:37:37,119

but it's a big thing it's a really big

2481

01:37:42,629 --> 01:37:40,000

thing that bob lazar says that the craft

2482

01:37:47,510 --> 01:37:42,639

the flying saucers that he worked on

2483

01:37:49,750 --> 01:37:47,520

at area 51 were 52 feet in diameter

2484

01:37:51,030 --> 01:37:49,760

because this my friends this little

2485

01:37:56,709 --> 01:37:51,040

thing

2486

01:37:59,590 --> 01:37:56,719

what a complete and total liar and fraud

2487

01:38:01,590 --> 01:37:59,600

and fake bob lazar is

2488

01:38:05,109 --> 01:38:01,600

he's saying that the craft that he

2489

01:38:08,390 --> 01:38:05,119

worked on were 52 feet in diameter

2490

01:38:09,669 --> 01:38:08,400

now i'm not a senior staff level

2491

01:38:11,750 --> 01:38:09,679

physicist

2492

01:38:15,430 --> 01:38:11,760

i'm not even that good at math

2493

01:38:17,270 --> 01:38:15,440

but i can do third grade math

2494

01:38:19,669 --> 01:38:17,280

and i gotta tell you that anybody that

2495

01:38:22,709 --> 01:38:19,679

can do third grade math can tell that

2496

01:38:25,350 --> 01:38:22,719

bob lazar is a liar just based on how he

2497

01:38:27,350 --> 01:38:25,360

answered this question that he was asked

2498

01:38:28,629 --> 01:38:27,360

on this larry king show about how big

2499

01:38:30,709 --> 01:38:28,639

the craft are

2500

01:38:32,470 --> 01:38:30,719

and here's why

2501

01:38:35,030 --> 01:38:32,480

i mentioned

2502

01:38:37,109 --> 01:38:35,040

my intense interest in his story and how

2503

01:38:39,510 --> 01:38:37,119

i have been collecting things for a very

2504

01:38:41,189 --> 01:38:39,520

very long time

2505

01:38:44,550 --> 01:38:41,199

and i'm sure

2506

01:38:46,629 --> 01:38:44,560

that at some point i had drawings that

2507

01:38:49,990 --> 01:38:46,639

bob lazar made when he first came out

2508

01:38:51,910 --> 01:38:50,000

with a story about the hangar bay doors

2509

01:38:55,430 --> 01:38:51,920

but i had to be sure

2510

01:38:57,590 --> 01:38:55,440

so i went to the man who knows

2511

01:38:59,189 --> 01:38:57,600

dan benkert who's one of the most

2512

01:39:02,950 --> 01:38:59,199

knowledgeable people i know about the

2513

01:39:04,550 --> 01:39:02,960

bob lazar case shout out to dan bankert

2514

01:39:06,790 --> 01:39:04,560

and i asked him

2515

01:39:08,470 --> 01:39:06,800

didn't bob lazar

2516

01:39:10,629 --> 01:39:08,480

do some drawings

2517

01:39:12,629 --> 01:39:10,639

and say how big the hangar bay doors

2518

01:39:14,470 --> 01:39:12,639

were

2519

01:39:16,790 --> 01:39:14,480

and i gotta tell you

2520

01:39:20,470 --> 01:39:16,800

the man who knows solar marshall came

2521

01:39:22,709 --> 01:39:20,480

through and he sent me once again

2522

01:39:23,830 --> 01:39:22,719

those original drawings that bob lazar

2523

01:39:24,830 --> 01:39:23,840

made

2524

01:39:26,870 --> 01:39:24,840

that had

2525

01:39:29,590 --> 01:39:26,880

some scribbles

2526
01:39:32,070 --> 01:39:29,600
about dimensions

2527
01:39:34,310 --> 01:39:32,080
and folks here's where it gets

2528
01:39:37,189 --> 01:39:34,320
completely convincing that bob lazar is

2529
01:39:38,629 --> 01:39:37,199
full of [h__\h] and here's why

2530
01:39:43,270 --> 01:39:38,639
in

2531
01:39:45,669 --> 01:39:43,280
can tell the bubbles are made of the

2532
01:39:47,669 --> 01:39:45,679
so-called base where he worked on these

2533
01:39:50,310 --> 01:39:47,679
alien flying saucers

2534
01:39:53,590 --> 01:39:50,320
he drew

2535
01:39:56,149 --> 01:39:53,600
the facility and the hangar bay doors

2536
01:39:59,109 --> 01:39:56,159
and included in that drawing that was

2537
01:40:02,470 --> 01:39:59,119
drawn by bob lazar

2538
01:40:04,070 --> 01:40:02,480

he says that the hangar bay doors were

2539

01:40:05,750 --> 01:40:04,080

40 feet

2540

01:40:07,590 --> 01:40:05,760

wide

2541

01:40:10,070 --> 01:40:07,600

now like i said folks

2542

01:40:12,470 --> 01:40:10,080

i'm not a physicist i'm not even that

2543

01:40:13,669 --> 01:40:12,480

good at math but i can do third grade

2544

01:40:15,510 --> 01:40:13,679

math

2545

01:40:16,790 --> 01:40:15,520

so i'm going to ask you a very important

2546

01:40:20,629 --> 01:40:16,800

question

2547

01:40:25,750 --> 01:40:20,639

how does a 52 foot diameter spacecraft

2548

01:40:27,910 --> 01:40:25,760

get in and out of a 40-foot hangar door

2549

01:40:30,070 --> 01:40:27,920

now i wanted to be absolutely certain so

2550

01:40:32,629 --> 01:40:30,080

i went on a hunt and i probably had to

2551

01:40:33,910 --> 01:40:32,639

waste a great deal of time listening to

2552

01:40:36,790 --> 01:40:33,920

i don't know

2553

01:40:38,950 --> 01:40:36,800

so many hours of bob lazar

2554

01:40:41,910 --> 01:40:38,960

and interviews with him where he

2555

01:40:43,350 --> 01:40:41,920

basically proved himself a liar because

2556

01:40:46,149 --> 01:40:43,360

my friends

2557

01:40:47,189 --> 01:40:46,159

if the craft was 52 feet in diameter

2558

01:40:51,910 --> 01:40:47,199

multiple

2559

01:40:55,270 --> 01:40:51,920

hangar bay doors as being

2560

01:40:57,189 --> 01:40:55,280

less than 52 feet most often he said

2561

01:41:00,149 --> 01:40:57,199

they were 40 feet wide

2562

01:41:01,350 --> 01:41:00,159

there's no way folks that a 52

2563

01:41:04,790 --> 01:41:01,360

foot

2564

01:41:06,950 --> 01:41:04,800

aircraft drone airplane flying saucer

2565

01:41:09,189 --> 01:41:06,960

there's nothing that's 52 feet in

2566

01:41:10,950 --> 01:41:09,199

diameter that's going to fit out of a

2567

01:41:11,990 --> 01:41:10,960

40-foot hangar door

2568

01:41:14,629 --> 01:41:12,000

this is

2569

01:41:17,510 --> 01:41:14,639

one of those minutiae those things he

2570

01:41:19,270 --> 01:41:17,520

doesn't want you to be concerned with

2571

01:41:21,669 --> 01:41:19,280

but what do you think don't you think

2572

01:41:23,189 --> 01:41:21,679

this little detail is important

2573

01:41:25,430 --> 01:41:23,199

i think it proves him a complete and

2574

01:41:27,830 --> 01:41:25,440

total fraud and a liar

2575

01:41:30,070 --> 01:41:27,840

but let's move on to one more claim he's

2576

01:41:32,550 --> 01:41:30,080

made that i can easily prove is a

2577

01:41:34,390 --> 01:41:32,560

complete and total lie

2578

01:41:36,550 --> 01:41:34,400

and it's good that i can prove it a lie

2579

01:41:39,830 --> 01:41:36,560

because this claim is about

2580

01:41:41,910 --> 01:41:39,840

bob lazar passing lie detector tests

2581

01:41:44,550 --> 01:41:41,920

and many of his supporters including

2582

01:41:46,629 --> 01:41:44,560

george knapp and others

2583

01:41:48,310 --> 01:41:46,639

there was even an article

2584

01:41:50,870 --> 01:41:48,320

that came out around the time of this

2585

01:41:53,669 --> 01:41:50,880

so-called documentary film which claimed

2586

01:41:55,030 --> 01:41:53,679

that bob lazar passed four lie detector

2587

01:41:56,070 --> 01:41:55,040

tests

2588

01:41:58,310 --> 01:41:56,080

but

2589

01:42:00,790 --> 01:41:58,320

no one has been able to find any lie

2590

01:42:03,030 --> 01:42:00,800

detector test that he took other than

2591

01:42:05,669 --> 01:42:03,040

the lie detector test administered by

2592

01:42:07,510 --> 01:42:05,679

one terry tavernetti

2593

01:42:08,390 --> 01:42:07,520

who was a retired cop

2594

01:42:11,430 --> 01:42:08,400

who

2595

01:42:14,229 --> 01:42:11,440

not by chance folks happens to be

2596

01:42:16,550 --> 01:42:14,239

or happened to be at the time a very

2597

01:42:19,109 --> 01:42:16,560

close friend of george knapp

2598

01:42:20,950 --> 01:42:19,119

and at the time that this lie detector

2599

01:42:23,030 --> 01:42:20,960

test was administered

2600

01:42:25,350 --> 01:42:23,040

it was after bob lazar initially came

2601
01:42:27,590 --> 01:42:25,360
out with his story and

2602
01:42:29,910 --> 01:42:27,600
some of the researchers began to poke

2603
01:42:31,510 --> 01:42:29,920
hole after hole after hole in bob

2604
01:42:33,510 --> 01:42:31,520
lazar's story

2605
01:42:36,229 --> 01:42:33,520
and many people have said that this lie

2606
01:42:37,510 --> 01:42:36,239
detector test thing was a sham

2607
01:42:39,910 --> 01:42:37,520
not just me

2608
01:42:41,030 --> 01:42:39,920
other people have said that because at

2609
01:42:43,270 --> 01:42:41,040
the time

2610
01:42:45,590 --> 01:42:43,280
bob lazarus's story was falling apart they

2611
01:42:48,149 --> 01:42:45,600
needed something to bolster the story at

2612
01:42:50,870 --> 01:42:48,159
the time so along comes this terry

2613
01:42:54,070 --> 01:42:50,880

tabernetti to administer a polygraph

2614

01:42:56,870 --> 01:42:54,080

test the claims are that bob lazar

2615

01:42:58,470 --> 01:42:56,880

passed for lie detector tests

2616

01:43:00,709 --> 01:42:58,480

first of all there's conflicting

2617

01:43:04,629 --> 01:43:00,719

statements from terry tavernetti about

2618

01:43:06,149 --> 01:43:04,639

whether he passed the first test or not

2619

01:43:07,990 --> 01:43:06,159

in fact there are statements from this

2620

01:43:09,910 --> 01:43:08,000

terry tabernetti that would seem to

2621

01:43:12,070 --> 01:43:09,920

indicate the first test that he

2622

01:43:14,709 --> 01:43:12,080

administered bob lazar did very poorly

2623

01:43:17,510 --> 01:43:14,719

on and his answers were indicating

2624

01:43:19,430 --> 01:43:17,520

deception since this terry tavernetti

2625

01:43:21,910 --> 01:43:19,440

has never released the data from these

2626

01:43:24,390 --> 01:43:21,920

apparent four lie detector tests we can

2627

01:43:26,629 --> 01:43:24,400

only assume from his own statements that

2628

01:43:29,430 --> 01:43:26,639

bob lazar did very very poorly on the

2629

01:43:31,430 --> 01:43:29,440

first lie detector test and then

2630

01:43:33,910 --> 01:43:31,440

terry tavernetti administered three more

2631

01:43:35,189 --> 01:43:33,920

tests which he magically passed i don't

2632

01:43:37,109 --> 01:43:35,199

know about you folks but that doesn't

2633

01:43:39,750 --> 01:43:37,119

sound like standard practice so what i

2634

01:43:41,990 --> 01:43:39,760

did is i went to people in law

2635

01:43:44,149 --> 01:43:42,000

enforcement that administered polygraphs

2636

01:43:46,870 --> 01:43:44,159

every source that i went to told me

2637

01:43:49,270 --> 01:43:46,880

that giving a subject for lie detector

2638

01:43:51,350 --> 01:43:49,280

tests especially if he fails the first

2639

01:43:53,590 --> 01:43:51,360

lie detector test is absolutely

2640

01:43:55,430 --> 01:43:53,600

ludicrous you don't give somebody a lie

2641

01:43:56,629 --> 01:43:55,440

detector test they fail the first one

2642

01:43:59,030 --> 01:43:56,639

and then you say you know what let's

2643

01:44:01,030 --> 01:43:59,040

just keep going until you pass the test

2644

01:44:02,550 --> 01:44:01,040

that's not the way polygraphs work

2645

01:44:05,430 --> 01:44:02,560

usually

2646

01:44:07,990 --> 01:44:05,440

you get one test you fail the first test

2647

01:44:10,229 --> 01:44:08,000

it indicates deception you're a liar

2648

01:44:12,070 --> 01:44:10,239

that's it case closed they don't let you

2649

01:44:13,109 --> 01:44:12,080

keep taking the test until you pass it

2650

01:44:15,590 --> 01:44:13,119

folks

2651
01:44:18,149 --> 01:44:15,600
this terry tavernetti has never released

2652
01:44:20,070 --> 01:44:18,159
the data from these lie detector tests

2653
01:44:22,070 --> 01:44:20,080
the list of questions he's never

2654
01:44:23,830 --> 01:44:22,080
released the charts we've never gotten

2655
01:44:25,990 --> 01:44:23,840
to any of the data folks all we have is

2656
01:44:27,910 --> 01:44:26,000
his word close friend of george knapps

2657
01:44:29,910 --> 01:44:27,920
that administered to test we also have

2658
01:44:31,750 --> 01:44:29,920
his conflicting statements

2659
01:44:33,030 --> 01:44:31,760
why don't we stop for a second and take

2660
01:44:35,109 --> 01:44:33,040
a listen to those

2661
01:44:37,350 --> 01:44:35,119
if he's lying

2662
01:44:39,990 --> 01:44:37,360
uh he'd be in hollywood

2663
01:44:42,390 --> 01:44:40,000

because he gave absolutely no

2664

01:44:45,590 --> 01:44:42,400

physiological indications

2665

01:44:47,990 --> 01:44:45,600

of attempting deception

2666

01:44:49,910 --> 01:44:48,000

we started the first test and it went

2667

01:44:51,510 --> 01:44:49,920

exactly the way i thought it might be

2668

01:44:53,510 --> 01:44:51,520

was not doing well

2669

01:44:55,990 --> 01:44:53,520

he was reacting

2670

01:44:58,870 --> 01:44:56,000

to the relevant questions more than he

2671

01:45:01,270 --> 01:44:58,880

was to the control

2672

01:45:04,070 --> 01:45:01,280

type of questions which is indicative of

2673

01:45:06,229 --> 01:45:04,080

a person who is deceptive

2674

01:45:07,830 --> 01:45:06,239

because it's showing an emotion that he

2675

01:45:09,270 --> 01:45:07,840

does not feel comfortable with his

2676

01:45:11,270 --> 01:45:09,280

answers

2677

01:45:13,109 --> 01:45:11,280

so what i got to say folks is first of

2678

01:45:17,350 --> 01:45:13,119

all the conflicting statements that he's

2679

01:45:19,510 --> 01:45:17,360

made over time uh really sound fishy to

2680

01:45:21,189 --> 01:45:19,520

anybody that listens to them

2681

01:45:23,030 --> 01:45:21,199

either he passed four lie detective

2682

01:45:24,390 --> 01:45:23,040

tests or

2683

01:45:26,950 --> 01:45:24,400

he failed the first one and he gave him

2684

01:45:28,790 --> 01:45:26,960

three more which one is it

2685

01:45:30,550 --> 01:45:28,800

and it's also

2686

01:45:32,390 --> 01:45:30,560

strange to give somebody multiple

2687

01:45:34,790 --> 01:45:32,400

polygraph tests i checked with multiple

2688

01:45:36,470 --> 01:45:34,800

law enforcement officials i also called

2689

01:45:38,310 --> 01:45:36,480

the national polygraph examiner's

2690

01:45:40,149 --> 01:45:38,320

association who said that that would be

2691

01:45:41,990 --> 01:45:40,159

totally unethical to do you don't let

2692

01:45:43,910 --> 01:45:42,000

somebody fail the first one and just

2693

01:45:45,830 --> 01:45:43,920

give them more tests until they pass

2694

01:45:47,430 --> 01:45:45,840

that's not something you do and they

2695

01:45:49,350 --> 01:45:47,440

also said that from an ethical

2696

01:45:51,189 --> 01:45:49,360

standpoint if he had an existing

2697

01:45:53,030 --> 01:45:51,199

relationship with george knapp and they

2698

01:45:55,430 --> 01:45:53,040

were friends he should have recused

2699

01:45:57,270 --> 01:45:55,440

himself refused to do the polygraph and

2700

01:46:00,390 --> 01:45:57,280

pointed george knapp to an independent

2701
01:46:02,310 --> 01:46:00,400
polygraph examiner that he did not have

2702
01:46:04,070 --> 01:46:02,320
a friendship or existing relationship

2703
01:46:05,910 --> 01:46:04,080
with so that there would be no conflict

2704
01:46:08,470 --> 01:46:05,920
of interest issue there

2705
01:46:10,149 --> 01:46:08,480
but hey if bob lazar or his supporters

2706
01:46:12,390 --> 01:46:10,159
want to continue to say that bob lazar

2707
01:46:13,990 --> 01:46:12,400
passed four polygraphs

2708
01:46:15,990 --> 01:46:14,000
then i'm going to give them an

2709
01:46:18,310 --> 01:46:16,000
opportunity to do that and that's my

2710
01:46:22,149 --> 01:46:18,320
challenge i will pay for four

2711
01:46:24,830 --> 01:46:22,159
independent polygraph examiners to

2712
01:46:27,910 --> 01:46:24,840
give bob lazar four independent

2713
01:46:29,830 --> 01:46:27,920

polygraph lie detector tests

2714

01:46:31,910 --> 01:46:29,840
and these will be four separate

2715

01:46:34,229 --> 01:46:31,920
polygraph examiners

2716

01:46:36,550 --> 01:46:34,239
all giving him

2717

01:46:38,310 --> 01:46:36,560
the test that do not know george knapp

2718

01:46:40,870 --> 01:46:38,320
that do not know him that do not have

2719

01:46:43,750 --> 01:46:40,880
any ethical conflicts and i'll pay for

2720

01:46:44,790 --> 01:46:43,760
that if bob lazor will agree to do that

2721

01:46:46,390 --> 01:46:44,800
but

2722

01:46:48,149 --> 01:46:46,400
here's my prediction folks that will

2723

01:46:49,669 --> 01:46:48,159
never ever happen

2724

01:46:52,229 --> 01:46:49,679
now folks we're running out of time i

2725

01:46:55,109 --> 01:46:52,239
have just two final points to make and

2726

01:46:58,550 --> 01:46:55,119

the first point is on the location of s4

2727

01:47:01,270 --> 01:46:58,560

you can go use google maps you know and

2728

01:47:03,109 --> 01:47:01,280

go and try to find this base that's

2729

01:47:06,149 --> 01:47:03,119

supposed to be hidden on the side of a

2730

01:47:08,390 --> 01:47:06,159

mountain it never happened folks it's

2731

01:47:10,470 --> 01:47:08,400

not there there's nothing there it's a

2732

01:47:12,790 --> 01:47:10,480

nuclear wasteland

2733

01:47:14,629 --> 01:47:12,800

oh and that's something else i did i

2734

01:47:16,790 --> 01:47:14,639

called the atomic energy commission and

2735

01:47:19,109 --> 01:47:16,800

i asked them about radiation levels

2736

01:47:21,590 --> 01:47:19,119

right around the area i gave them gps

2737

01:47:23,910 --> 01:47:21,600

coordinates even where bob lazar claims

2738

01:47:26,390 --> 01:47:23,920

this base was do you know there's near

2739

01:47:27,910 --> 01:47:26,400

lethal radiation levels there

2740

01:47:31,750 --> 01:47:27,920

exposure

2741

01:47:33,270 --> 01:47:31,760

other words if you hung out there for a

2742

01:47:34,709 --> 01:47:33,280

few weeks

2743

01:47:36,790 --> 01:47:34,719

that would be a really stupid thing to

2744

01:47:38,470 --> 01:47:36,800

do folks in fact if the government was

2745

01:47:40,310 --> 01:47:38,480

stupid enough to put a base there and

2746

01:47:43,109 --> 01:47:40,320

send employees there there would be

2747

01:47:44,870 --> 01:47:43,119

lawsuit after lawsuit after lawsuit all

2748

01:47:46,870 --> 01:47:44,880

on the public record because the

2749

01:47:49,270 --> 01:47:46,880

government including the atomic energy

2750

01:47:52,390 --> 01:47:49,280

commission know that that area is a

2751
01:47:55,270 --> 01:47:52,400
nuclear wasteland it is an irradiated

2752
01:47:57,669 --> 01:47:55,280
desert right near where they did atomic

2753
01:48:00,310 --> 01:47:57,679
tests they would not put a base there

2754
01:48:02,870 --> 01:48:00,320
just for liability reasons alone

2755
01:48:04,550 --> 01:48:02,880
but it gets even better there's even

2756
01:48:06,709 --> 01:48:04,560
more proof that there's absolutely

2757
01:48:09,189 --> 01:48:06,719
nothing there and i gotta say this

2758
01:48:10,870 --> 01:48:09,199
excellent proof uh once again came from

2759
01:48:13,510 --> 01:48:10,880
the man who knows

2760
01:48:15,189 --> 01:48:13,520
dan banker dan banker

2761
01:48:16,950 --> 01:48:15,199
is the person that found the story of

2762
01:48:18,790 --> 01:48:16,960
jerry freeman

2763
01:48:22,470 --> 01:48:18,800

he was accredited archaeologist who

2764

01:48:25,830 --> 01:48:22,480

spent two entire days there

2765

01:48:27,669 --> 01:48:25,840

right where bob said that that base was

2766

01:48:29,910 --> 01:48:27,679

uh and

2767

01:48:31,510 --> 01:48:29,920

the picture he took

2768

01:48:32,470 --> 01:48:31,520

he took a picture of himself he took a

2769

01:48:33,430 --> 01:48:32,480

selfie

2770

01:48:36,709 --> 01:48:33,440

with

2771

01:48:37,830 --> 01:48:36,719

the mountain that bob lazar says as four

2772

01:48:40,229 --> 01:48:37,840

was at

2773

01:48:42,550 --> 01:48:40,239

right behind him in the background

2774

01:48:45,109 --> 01:48:42,560

he was looking for evidence of

2775

01:48:46,950 --> 01:48:45,119

the trek of the lost 49ers this guy was

2776

01:48:50,070 --> 01:48:46,960

an archaeologist and a historian and he

2777

01:48:53,750 --> 01:48:50,080

wanted to follow the path of the 49ers

2778

01:48:55,030 --> 01:48:53,760

and so he walked through that area

2779

01:48:58,229 --> 01:48:55,040

first of all

2780

01:48:59,830 --> 01:48:58,239

he was able to walk through that area

2781

01:49:02,550 --> 01:48:59,840

according to bob lazar there was

2782

01:49:04,470 --> 01:49:02,560

oppressive security all over the place

2783

01:49:06,229 --> 01:49:04,480

let me ask you guys a question if

2784

01:49:07,830 --> 01:49:06,239

there's really a top secret base there

2785

01:49:10,070 --> 01:49:07,840

and bob lazar says there was and there

2786

01:49:12,149 --> 01:49:10,080

was all this security would some guy

2787

01:49:14,070 --> 01:49:12,159

just be able to walk right through there

2788

01:49:15,750 --> 01:49:14,080

right up to that mountain where bob

2789

01:49:19,430 --> 01:49:15,760

lazar said those hangar doors were

2790

01:49:22,229 --> 01:49:19,440

hidden no folks it's a fake it's a fraud

2791

01:49:24,310 --> 01:49:22,239

there's no s4 there's nothing there

2792

01:49:26,550 --> 01:49:24,320

it's a fabrication and a fairy tale

2793

01:49:28,550 --> 01:49:26,560

folks now time is running short let's

2794

01:49:30,950 --> 01:49:28,560

move on to my last point

2795

01:49:33,270 --> 01:49:30,960

in the original screenplay that gene

2796

01:49:35,510 --> 01:49:33,280

huff wrote about the bob lazor story

2797

01:49:37,189 --> 01:49:35,520

there was multiple scenes and plot

2798

01:49:40,310 --> 01:49:37,199

devices used

2799

01:49:43,589 --> 01:49:40,320

about bob lazar stealing element 115 out

2800

01:49:45,510 --> 01:49:43,599

of area 51 and government agents coming

2801

01:49:48,550 --> 01:49:45,520

and raiding his home

2802

01:49:50,709 --> 01:49:48,560

and stealing that element 115 back

2803

01:49:52,709 --> 01:49:50,719

it's a very convenient way to explain

2804

01:49:55,030 --> 01:49:52,719

why bob lazar can't just throw this

2805

01:49:57,189 --> 01:49:55,040

element 115 down on the table and say

2806

01:49:59,189 --> 01:49:57,199

here's the proof [h__h]

2807

01:50:01,430 --> 01:49:59,199

it's great it's a plot device folks you

2808

01:50:03,109 --> 01:50:01,440

know what else uses plot devices

2809

01:50:05,589 --> 01:50:03,119

fiction stories

2810

01:50:08,149 --> 01:50:05,599

and so i was taken aback when this

2811

01:50:10,709 --> 01:50:08,159

so-called documentary film came out and

2812

01:50:13,669 --> 01:50:10,719

this filmmaker is either so lazy or so

2813

01:50:15,030 --> 01:50:13,679

stupid that he used the exact same plot

2814

01:50:17,109 --> 01:50:15,040

device

2815

01:50:19,510 --> 01:50:17,119

in the film he starts questioning bob

2816

01:50:21,990 --> 01:50:19,520

lazar about that element 115. you know

2817

01:50:25,109 --> 01:50:22,000

that flying saucer fuel that he

2818

01:50:26,950 --> 01:50:25,119

allegedly stole out of area 51

2819

01:50:28,709 --> 01:50:26,960

but he's too much of a coward or bob

2820

01:50:30,790 --> 01:50:28,719

lazar is too much of a coward to let us

2821

01:50:31,990 --> 01:50:30,800

know what bob lazar actually said so

2822

01:50:33,830 --> 01:50:32,000

they sort of

2823

01:50:35,830 --> 01:50:33,840

speed up and cover up what he said and

2824

01:50:38,629 --> 01:50:35,840

then we cut to the next scene which is

2825

01:50:41,430 --> 01:50:38,639

him the filmmaker talking to bob lazar

2826
01:50:42,709 --> 01:50:41,440
and bob lazar is saying there's 30 or 40

2827
01:50:45,030 --> 01:50:42,719
government agents here and they're

2828
01:50:47,430 --> 01:50:45,040
raiding my business and he's taking

2829
01:50:48,950 --> 01:50:47,440
pictures of people with fbi jackets on

2830
01:50:50,229 --> 01:50:48,960
and sending them to these to this

2831
01:50:51,270 --> 01:50:50,239
filmmaker

2832
01:50:57,910 --> 01:50:51,280
and

2833
01:50:59,990 --> 01:50:57,920
tried to tell everybody they've more

2834
01:51:02,390 --> 01:51:00,000
than implied on the larry king show bob

2835
01:51:04,310 --> 01:51:02,400
lazar and this filmmaker said they both

2836
01:51:06,470 --> 01:51:04,320
believe that they were there to steal

2837
01:51:08,070 --> 01:51:06,480
back that element 115

2838
01:51:08,950 --> 01:51:08,080

that they believe that he might still

2839

01:51:11,270 --> 01:51:08,960

have

2840

01:51:13,830 --> 01:51:11,280

it's the same plot device that jean huff

2841

01:51:14,870 --> 01:51:13,840

used in the original screenplay folks

2842

01:51:21,750 --> 01:51:14,880

it's

2843

01:51:23,510 --> 01:51:21,760

and i was sure when i saw this so-called

2844

01:51:26,310 --> 01:51:23,520

documentary that this was a complete and

2845

01:51:28,950 --> 01:51:26,320

total lie because bob lazar's business

2846

01:51:30,310 --> 01:51:28,960

has been raided multiple times

2847

01:51:32,950 --> 01:51:30,320

his business

2848

01:51:34,390 --> 01:51:32,960

it's almost like a normal thing for his

2849

01:51:36,470 --> 01:51:34,400

business to get rated because he's

2850

01:51:39,189 --> 01:51:36,480

selling all kinds of stuff

2851
01:51:41,750 --> 01:51:39,199
that kind of skirts on right on the edge

2852
01:51:44,310 --> 01:51:41,760
those gray areas of being legal to sell

2853
01:51:47,030 --> 01:51:44,320
he got rated one time years ago for

2854
01:51:49,270 --> 01:51:47,040
selling firework making material that he

2855
01:51:50,550 --> 01:51:49,280
did not have licenses to sell

2856
01:51:52,629 --> 01:51:50,560
so

2857
01:51:54,550 --> 01:51:52,639
i looked into this raid and it turns out

2858
01:51:56,950 --> 01:51:54,560
this raid had absolutely nothing to do

2859
01:52:00,470 --> 01:51:56,960
with flying saucer fuel folks or element

2860
01:52:03,430 --> 01:52:00,480
115 and this filmmaker and bob lazar

2861
01:52:06,550 --> 01:52:03,440
just used that fbi raid

2862
01:52:08,709 --> 01:52:06,560
as a plot device to help sell that film

2863
01:52:11,830 --> 01:52:08,719

it's [\h__\h] folks it had nothing to do

2864

01:52:14,870 --> 01:52:11,840

with element 115. the real story is that

2865

01:52:18,070 --> 01:52:14,880

someone ordered thorium from bob lazar's

2866

01:52:19,430 --> 01:52:18,080

business and then they killed their wife

2867

01:52:22,310 --> 01:52:19,440

with it so there's a murder

2868

01:52:24,229 --> 01:52:22,320

investigation going on and that

2869

01:52:27,189 --> 01:52:24,239

thorium was sent to another state not

2870

01:52:29,030 --> 01:52:27,199

where babazar lives so of course the fbi

2871

01:52:30,950 --> 01:52:29,040

is the federal law enforcement they're

2872

01:52:33,350 --> 01:52:30,960

going to be in on it because this

2873

01:52:35,510 --> 01:52:33,360

gentleman purchased this deadly

2874

01:52:39,350 --> 01:52:35,520

substance from bob lazar's business that

2875

01:52:41,910 --> 01:52:39,360

he killed his wife with the fbi

2876
01:52:44,070 --> 01:52:41,920
police local to the murder investigation

2877
01:52:46,629 --> 01:52:44,080
and the chief of police in the town

2878
01:52:48,149 --> 01:52:46,639
where bob lazar's business is

2879
01:52:49,830 --> 01:52:48,159
were there to do the raid they were

2880
01:52:51,030 --> 01:52:49,840
looking for the thorium

2881
01:52:53,510 --> 01:52:51,040
and they were looking for the sales

2882
01:52:55,430 --> 01:52:53,520
records to prove that this individual

2883
01:52:57,430 --> 01:52:55,440
ordered the thorium from bob lazar's

2884
01:52:59,030 --> 01:52:57,440
business that he killed his wife with

2885
01:53:00,790 --> 01:52:59,040
period

2886
01:53:04,629 --> 01:53:00,800
there's no men in black there's no

2887
01:53:06,070 --> 01:53:04,639
conspiracy there's no flying saucer fuel

2888
01:53:08,629 --> 01:53:06,080

folks

2889

01:53:09,910 --> 01:53:08,639

i wanted to be sure so here's what i did

2890

01:53:12,070 --> 01:53:09,920

i called up

2891

01:53:14,629 --> 01:53:12,080

the local law enforcement there because

2892

01:53:16,790 --> 01:53:14,639

bob lazar george knapp and this

2893

01:53:17,830 --> 01:53:16,800

filmmaker were claiming there were 40 or

2894

01:53:20,310 --> 01:53:17,840

more

2895

01:53:21,109 --> 01:53:20,320

agents government agents there and they

2896

01:53:23,270 --> 01:53:21,119

were

2897

01:53:26,709 --> 01:53:23,280

all looking through every inch of bob

2898

01:53:30,070 --> 01:53:26,719

lazar's business and all of these

2899

01:53:30,870 --> 01:53:30,080

fantastic tales okay so here's what i

2900

01:53:33,189 --> 01:53:30,880

did

2901
01:53:38,149 --> 01:53:33,199
i got an on the record source the chief

2902
01:53:40,550 --> 01:53:38,159
of police in bob lazar's local town

2903
01:53:42,030 --> 01:53:40,560
and that is chief dan

2904
01:53:44,070 --> 01:53:42,040
decourty

2905
01:53:45,510 --> 01:53:44,080
d-e-k-o-r-t-e now this is an

2906
01:53:48,790 --> 01:53:45,520
on-the-record source folks you can

2907
01:53:50,950 --> 01:53:48,800
believe bob lazar's fantastic [h__\h]

2908
01:53:53,189 --> 01:53:50,960
stories or you can believe

2909
01:53:55,830 --> 01:53:53,199
a man whose ethics are not in question

2910
01:53:57,750 --> 01:53:55,840
the chief of police in the local town

2911
01:54:00,390 --> 01:53:57,760
i asked him a lot of questions and he

2912
01:54:01,350 --> 01:54:00,400
was very very helpful here's what he

2913
01:54:04,390 --> 01:54:01,360

told me

2914

01:54:06,390 --> 01:54:04,400

there were not 30 or 40 agents there

2915

01:54:08,390 --> 01:54:06,400

that is a complete and total fabrication

2916

01:54:09,990 --> 01:54:08,400

folks that is a lie

2917

01:54:11,589 --> 01:54:10,000

there were 10

2918

01:54:13,750 --> 01:54:11,599

maybe 11

2919

01:54:15,430 --> 01:54:13,760

people there total

2920

01:54:17,350 --> 01:54:15,440

and here's the breakdown

2921

01:54:19,669 --> 01:54:17,360

there were three

2922

01:54:22,149 --> 01:54:19,679

local law enforcement agents from the

2923

01:54:23,589 --> 01:54:22,159

town in which the murder took place at

2924

01:54:27,109 --> 01:54:23,599

they were there

2925

01:54:29,510 --> 01:54:27,119

okay there were two guys in hazmat suits

2926

01:54:31,589 --> 01:54:29,520

yes the hazmat story was correct because

2927

01:54:32,470 --> 01:54:31,599

the fbi is not going to walk into some

2928

01:54:34,629 --> 01:54:32,480

place

2929

01:54:36,870 --> 01:54:34,639

like bob lazar where he has

2930

01:54:39,270 --> 01:54:36,880

radioactive materials

2931

01:54:42,310 --> 01:54:39,280

things you can poison people with all

2932

01:54:44,229 --> 01:54:42,320

kinds of dangerous chemicals they're not

2933

01:54:46,070 --> 01:54:44,239

going to just walk in there okay so yes

2934

01:54:48,310 --> 01:54:46,080

they had two guys in a hazmat suit there

2935

01:54:50,550 --> 01:54:48,320

and there was a hazmat van there or

2936

01:54:52,149 --> 01:54:50,560

truck uh i'm sorry i didn't clarify that

2937

01:54:54,470 --> 01:54:52,159

there was a hazmat vehicle there there

2938

01:54:57,109 --> 01:54:54,480

was two guys in hazmat suits who went in

2939

01:54:58,629 --> 01:54:57,119

before the actual raid was conducted

2940

01:55:01,109 --> 01:54:58,639

just to clear things and make sure it

2941

01:55:03,430 --> 01:55:01,119

was safe for the officers to go in there

2942

01:55:04,709 --> 01:55:03,440

so we have three local law enforcement

2943

01:55:06,470 --> 01:55:04,719

from the jurisdiction where the murder

2944

01:55:08,390 --> 01:55:06,480

took place we have two guys in hazmat

2945

01:55:12,149 --> 01:55:08,400

suits we have the chief of police that's

2946

01:55:14,390 --> 01:55:12,159

six and then there was four

2947

01:55:16,550 --> 01:55:14,400

well actually he wasn't sure he said i'm

2948

01:55:18,870 --> 01:55:16,560

really not sure i believe that there was

2949

01:55:20,870 --> 01:55:18,880

four but there may have been as many as

2950

01:55:23,589 --> 01:55:20,880

five that brings us up to a grand total

2951
01:55:25,669 --> 01:55:23,599
of 11 people conducting this raid so the

2952
01:55:27,910 --> 01:55:25,679
story that there was 30 or 40 people

2953
01:55:29,990 --> 01:55:27,920
there conducting this raid folks it's a

2954
01:55:31,350 --> 01:55:30,000
complete and total lie it's a

2955
01:55:33,430 --> 01:55:31,360
fabrication

2956
01:55:35,990 --> 01:55:33,440
now there's a story being told that

2957
01:55:37,830 --> 01:55:36,000
babazar said that these agents when they

2958
01:55:39,430 --> 01:55:37,840
were conducting the raid they repeated

2959
01:55:42,310 --> 01:55:39,440
the conversation he had about the

2960
01:55:44,470 --> 01:55:42,320
element 115 with this filmmaker verbatim

2961
01:55:46,870 --> 01:55:44,480
the chief of police absolutely refutes

2962
01:55:48,070 --> 01:55:46,880
that he says he was in

2963
01:55:50,950 --> 01:55:48,080

earshot

2964

01:55:53,669 --> 01:55:50,960

of bob lazar the entire time the raid

2965

01:55:56,709 --> 01:55:53,679

was taking place he said no federal

2966

01:55:58,470 --> 01:55:56,719

agent no law enforcement agent nobody

2967

01:56:02,390 --> 01:55:58,480

told him that he was under surveillance

2968

01:56:04,070 --> 01:56:02,400

he was not to the chief of police's

2969

01:56:06,629 --> 01:56:04,080

best knowledge under any kind of

2970

01:56:09,510 --> 01:56:06,639

surveillance no one heard a conversation

2971

01:56:11,270 --> 01:56:09,520

he had the day before no one repeated a

2972

01:56:13,669 --> 01:56:11,280

conversation to him

2973

01:56:16,470 --> 01:56:13,679

at the raid period it's a complete and

2974

01:56:18,550 --> 01:56:16,480

total lie folks no one repeated any

2975

01:56:21,109 --> 01:56:18,560

conversation this filmmaker had with bob

2976

01:56:23,350 --> 01:56:21,119

lazar there was not 30 or 40 agents

2977

01:56:25,430 --> 01:56:23,360

there this man was on the ground at the

2978

01:56:27,669 --> 01:56:25,440

raid the entire time he was in the

2979

01:56:29,430 --> 01:56:27,679

briefing for the raid he said nobody

2980

01:56:31,990 --> 01:56:29,440

mentioned anything about flying saucer

2981

01:56:33,750 --> 01:56:32,000

fuel nobody recovered anything about

2982

01:56:35,830 --> 01:56:33,760

flying saucer fuel nobody was told to

2983

01:56:37,830 --> 01:56:35,840

look for anything other than the records

2984

01:56:39,510 --> 01:56:37,840

they were there for and the thorium

2985

01:56:42,149 --> 01:56:39,520

folks it's a complete and total

2986

01:56:44,550 --> 01:56:42,159

fabrication to suggest anything else

2987

01:56:46,870 --> 01:56:44,560

they're just trying to sell a film

2988

01:56:51,109 --> 01:56:46,880

didn't happen folks it's a fabrication

2989

01:56:53,990 --> 01:56:51,119

it's another fairy tale from bob lazar

2990

01:56:56,550 --> 01:56:54,000

well folks what we're left with is a man

2991

01:57:00,310 --> 01:56:56,560

called bob lazar who came out with an

2992

01:57:02,629 --> 01:57:00,320

incredible story about back engineering

2993

01:57:04,470 --> 01:57:02,639

recovered flying saucers for the united

2994

01:57:06,470 --> 01:57:04,480

states government

2995

01:57:09,030 --> 01:57:06,480

and for 30 years now

2996

01:57:10,950 --> 01:57:09,040

i've wanted quite desperately to believe

2997

01:57:13,109 --> 01:57:10,960

that the story was true

2998

01:57:14,390 --> 01:57:13,119

for a time i did believe the story was

2999

01:57:17,350 --> 01:57:14,400

true

3000

01:57:19,589 --> 01:57:17,360

but the more layers of the story that

3001
01:57:22,390 --> 01:57:19,599
you peel back the more layers of

3002
01:57:24,709 --> 01:57:22,400
deception you find the more lies you

3003
01:57:25,750 --> 01:57:24,719
catch this man in and i don't know about

3004
01:57:27,910 --> 01:57:25,760
you

3005
01:57:31,510 --> 01:57:27,920
but in dealing with friends and

3006
01:57:33,589 --> 01:57:31,520
colleagues how many times will you let a

3007
01:57:35,910 --> 01:57:33,599
person lie to you before you stop

3008
01:57:38,149 --> 01:57:35,920
believing anything they say

3009
01:57:41,030 --> 01:57:38,159
and i know that many of the friends and

3010
01:57:43,109 --> 01:57:41,040
supporters of bob lazar and his story

3011
01:57:45,589 --> 01:57:43,119
will at least admit that his education

3012
01:57:47,990 --> 01:57:45,599
is fake but hey maybe he just lied about

3013
01:57:50,470 --> 01:57:48,000

that to get a good job if that was the

3014

01:57:53,430 --> 01:57:50,480

only lie i've ever caught him in i'd

3015

01:57:55,990 --> 01:57:53,440

give him a pass but the problem is folks

3016

01:57:57,669 --> 01:57:56,000

the deeper you dig the more lies you

3017

01:58:01,030 --> 01:57:57,679

catch this man in

3018

01:58:03,270 --> 01:58:01,040

and how many times how many times am i

3019

01:58:04,790 --> 01:58:03,280

gonna let bob lazar

3020

01:58:07,109 --> 01:58:04,800

get caught lying

3021

01:58:09,030 --> 01:58:07,119

before i finally say he's just a liar

3022

01:58:10,550 --> 01:58:09,040

and i'm not gonna believe anything that

3023

01:58:12,870 --> 01:58:10,560

he says

3024

01:58:14,790 --> 01:58:12,880

extraordinary claims require

3025

01:58:16,550 --> 01:58:14,800

extraordinary evidence

3026

01:58:18,870 --> 01:58:16,560

not only does bob lazar not have

3027

01:58:21,270 --> 01:58:18,880

extraordinary evidence he has almost no

3028

01:58:24,470 --> 01:58:21,280

evidence other than his story

3029

01:58:28,149 --> 01:58:24,480

he has fake educational credentials he

3030

01:58:31,270 --> 01:58:28,159

has a fake w-2 that he supplied he has a

3031

01:58:34,870 --> 01:58:31,280

fake security badge for a base he claims

3032

01:58:37,750 --> 01:58:34,880

he worked at that does not exist

3033

01:58:39,510 --> 01:58:37,760

until such time as bob lazar provides

3034

01:58:42,070 --> 01:58:39,520

actual evidence or proof

3035

01:58:45,270 --> 01:58:42,080

i'm gonna call [h__h] on the whole bob

3036

01:58:48,790 --> 01:58:45,280

lazar story and especially on anyone

3037

01:58:50,790 --> 01:58:48,800

trying to make money from his story

3038

01:58:52,629 --> 01:58:50,800

i want to thank each and every one of my

3039

01:58:55,270 --> 01:58:52,639

time folks i'm stephen campion also

3069

02:00:06,149 --> 02:00:03,119

known as the mystery man reminding you

3070

02:00:06,950 --> 02:00:06,159

that being angry at someone that lied to

3071

02:00:08,870 --> 02:00:06,960

you

3072

02:00:11,270 --> 02:00:08,880

can last a very

3073

02:00:13,109 --> 02:00:11,280

very long time

3074

02:00:16,310 --> 02:00:13,119

but being angry

3075

02:00:18,470 --> 02:00:16,320

about someone who told you the truth
