25

00:01:18,469 --> 00:01:15,759

yes i think she was

26

00:01:21,030 --> 00:01:18,479

i think she was taken out all right what

27

00:01:22,950 --> 00:01:21,040

for one thing one thing they didn't even

28

00:01:24,950 --> 00:01:22,960

do a tribute to her at the oscars when

29

00:01:26,789 --> 00:01:24,960

she died that year it was like oh john

30

00:01:29,270 --> 00:01:26,799

rivers uh you know like she was on the

31

00:01:32,149 --> 00:01:29,280

cart red carpet for many years what are

32

00:01:34,870 --> 00:01:32,159

you wearing and all that kind of stuff

33

00:01:36,950 --> 00:01:34,880

joan joan rivers here's the deal joan

34

00:01:39,510 --> 00:01:36,960

rivers came out of it this you guys know

35

00:01:41,590 --> 00:01:39,520

this she came out of a limo and this guy

36

00:01:42,550 --> 00:01:41,600

and and apparently it was a wedding and

37

00:01:44,149 --> 00:01:42,560

and and

38

00:01:46,389 --> 00:01:44,159

the guy said oh

39

00:01:48,710 --> 00:01:46,399

do you would be great if we had a

40

00:01:50,630 --> 00:01:48,720

president that was gay and she turned to

41

00:01:52,149 --> 00:01:50,640

him and it didn't look like a joke to me

42

00:01:55,990 --> 00:01:52,159

she took him and she was oh honey we

43

00:01:59,830 --> 00:01:57,429

excuse me

44

00:02:02,870 --> 00:01:59,840

what and she looks around and she's oh

45

00:02:04,469 --> 00:02:02,880

yeah michelle is is is a [h__h]

46

00:02:07,910 --> 00:02:04,479

everybody knows everybody everybody

47

00:02:11,029 --> 00:02:07,920

knows everybody knows and she walked on

48

00:02:13,270 --> 00:02:11,039

and after that she was freaking dead

49

00:02:14,949 --> 00:02:13,280

because she was having a open like an

50

00:02:15,750 --> 00:02:14,959

elephant like she was just getting

51

00:02:17,990 --> 00:02:15,760

something

52

00:02:19,110 --> 00:02:18,000

like she was like she was the operation

53

00:02:21,949 --> 00:02:19,120

a day

54

00:02:23,510 --> 00:02:21,959

thing she went in i remember this right

55

00:02:25,350 --> 00:02:23,520

non-life-threatening

56

00:02:26,949 --> 00:02:25,360

minor things something with their throat

57

00:02:29,270 --> 00:02:26,959

was supposed to be in and out of the

58

00:02:31,509 --> 00:02:29,280

room you know it was like a walk-in like

59

00:02:34,150 --> 00:02:31,519

hot day hospital thing

60

00:02:36,550 --> 00:02:34,160

somebody else came in there said

61

00:02:38,790 --> 00:02:36,560

something else and then she was dead

62

00:02:41,750 --> 00:02:38,800

after that

63

00:02:43,830 --> 00:02:41,760

you know come on you know i it's just

64

00:02:46,630 --> 00:02:43,840

it's just not normal i'm hearing my

65

00:02:48,869 --> 00:02:46,640

feedback actually that's what i think my

66

00:02:50,390 --> 00:02:48,879

gut instinct is is she did something

67

00:02:53,270 --> 00:02:50,400

wrong she said something wrong she

68

00:02:54,790 --> 00:02:53,280

wouldn't apologize joan didn't apologize

69

00:02:56,869 --> 00:02:54,800

for things she goes i'm not gonna

70

00:02:58,949 --> 00:02:56,879

apologize you know and they they go oh

71

00:03:01,030 --> 00:02:58,959

joe you know apologies for your joke joe

72

00:03:03,750 --> 00:03:01,040

apologize for it well you know what she

73

00:03:06,470 --> 00:03:03,760

says i'm not gonna apologize apologize

74

00:03:08,869 --> 00:03:06,480

as a comedian i do respect that but i'm

75

00:03:10,390 --> 00:03:08,879

not sure it's worth dying for

76

00:03:12,869 --> 00:03:10,400

um but no

77

00:03:15,830 --> 00:03:12,879

whatever she did whatever she said

78

00:03:18,390 --> 00:03:15,840

either it okay maybe she maybe it was an

79

00:03:20,229 --> 00:03:18,400

accident maybe you know if there was no

80

00:03:22,550 --> 00:03:20,239

foul play in her death at all all right

81

00:03:25,190 --> 00:03:22,560

one in a trillion dollars

82

00:03:27,670 --> 00:03:25,200

but they totally dogged her they totally

83

00:03:29,750 --> 00:03:27,680

like it's like joan rivers oh yeah uh

84

00:03:31,509 --> 00:03:29,760

like she doesn't get the praise that

85

00:03:34,149 --> 00:03:31,519

everybody else does and oh by the way i

86

00:03:35,990 --> 00:03:34,159

r.i.p uh sidney poitier because he died

87

00:03:37,670 --> 00:03:36,000

89

00:03:42,949 --> 00:03:41,440

cancelled yeah i haven't seen yeah

90

00:03:45,190 --> 00:03:42,959
