[Music]

2  
00:02:28,239 --> 00:02:39,630

so

3  
00:02:55,030 --> 00:02:50,920

[Music]

4  
00:03:07,100 --> 00:02:56,250

so

5  
00:03:07,110 --> 00:03:16,070

[Music]

6  
00:03:20,630 --> 00:03:18,390  
greetings and salutations friends and

7  
00:03:22,630 --> 00:03:20,640  
welcome back to truth seekers today i

8  
00:03:25,509 --> 00:03:22,640  
thought we would veer off of some of our

9  
00:03:28,309 --> 00:03:25,519  
usual subject matter and cover something

10  
00:03:31,509 --> 00:03:28,319  
that has been an enduring mystery for

11  
00:03:32,390 --> 00:03:31,519  
perhaps hundreds maybe even thousands of

12  
00:03:35,110 --> 00:03:32,400  
years

13  
00:03:36,390 --> 00:03:35,120

and that is the mystery of the bermuda

14

00:03:38,949 --> 00:03:36,400

triangle

15

00:03:41,830 --> 00:03:38,959

now i like many first heard about this

16

00:03:44,949 --> 00:03:41,840

as a child and i'm sure where i heard

17

00:03:48,229 --> 00:03:44,959

about it was in that time life book

18

00:03:49,110 --> 00:03:48,239

series uh

19

00:03:52,949 --> 00:03:49,120

there

20

00:03:53,750 --> 00:03:52,959

internet

21

00:03:56,949 --> 00:03:53,760

so

22

00:03:59,350 --> 00:03:56,959

in order to get your fix uh about the

23

00:04:01,670 --> 00:03:59,360

mysteries out there in the world

24

00:04:04,710 --> 00:04:01,680

there was a

25

00:04:07,429 --> 00:04:04,720

time life book series uh

26

00:04:08,789 --> 00:04:07,439

i'm going to share my screen

27

00:04:10,869 --> 00:04:08,799

and show you

28

00:04:13,270 --> 00:04:10,879

some of you i'm sure are old enough to

29

00:04:14,949 --> 00:04:13,280

remember these time life books

30

00:04:17,749 --> 00:04:14,959

and the one

31

00:04:20,789 --> 00:04:17,759

was mysterious places

32

00:04:23,590 --> 00:04:20,799

and the bermuda triangle for sure has

33

00:04:25,270 --> 00:04:23,600

been a mysterious place for

34

00:04:27,189 --> 00:04:25,280

many many years

35

00:04:29,430 --> 00:04:27,199

now it's interesting that many different

36

00:04:32,629 --> 00:04:29,440

writers and people who

37

00:04:37,110 --> 00:04:32,639

comment on this phenomenon

38

00:04:40,870 --> 00:04:37,990

one

39

00:04:42,629 --> 00:04:40,880

early article delineated the

40

00:04:46,230 --> 00:04:42,639

boundaries of the triangle giving its

41

00:04:49,990 --> 00:04:46,240

vertices as miami san juan puerto rico

42

00:04:51,909 --> 00:04:50,000

and bermuda but subsequent writers uh

43

00:04:53,430 --> 00:04:51,919

didn't necessarily follow this

44

00:04:56,390 --> 00:04:53,440

definition so it's a very loose

45

00:04:59,270 --> 00:04:56,400

definition of what defines what's in the

46

00:05:01,189 --> 00:04:59,280

triangle versus outside of the triangle

47

00:05:03,110 --> 00:05:01,199

some people define it as larger some

48

00:05:05,590 --> 00:05:03,120

people define it as smaller

49

00:05:07,830 --> 00:05:05,600

and some writers

50

00:05:09,430 --> 00:05:07,840

writing about the bermuda triangle

51  
00:05:11,430 --> 00:05:09,440  
have given different boundaries and

52  
00:05:13,830 --> 00:05:11,440  
vertices to the triangle

53  
00:05:15,270 --> 00:05:13,840  
with the total area varying from one

54  
00:05:18,150 --> 00:05:15,280  
point three

55  
00:05:20,469 --> 00:05:18,160  
thousand to thirty nine hundred

56  
00:05:23,749 --> 00:05:20,479  
kilometer or score

57  
00:05:27,510 --> 00:05:23,759  
five hundred thousand to one point five

58  
00:05:29,590 --> 00:05:27,520  
hundred thousand square miles

59  
00:05:31,749 --> 00:05:29,600  
some uh riders even stretch it as far as

60  
00:05:33,909 --> 00:05:31,759  
the irish coast which uh i don't

61  
00:05:35,590 --> 00:05:33,919  
understand but consequently the

62  
00:05:39,590 --> 00:05:35,600  
determination of which accidents

63  
00:05:41,189 --> 00:05:39,600

occurred inside the triangle and which

64

00:05:45,510 --> 00:05:41,199

incidents

65

00:05:47,029 --> 00:05:45,520

of lost or disappeared flights or ships

66

00:05:49,510 --> 00:05:47,039

or shipwrecks

67

00:05:52,550 --> 00:05:49,520

it really depends on

68

00:05:54,230 --> 00:05:52,560

who is writing the article which i find

69

00:05:55,990 --> 00:05:54,240

interesting so

70

00:05:58,390 --> 00:05:56,000

um

71

00:05:59,990 --> 00:05:58,400

i myself once traveling throughout the

72

00:06:02,390 --> 00:06:00,000

caribbean

73

00:06:04,950 --> 00:06:02,400

remembered the bermuda triangle asked

74

00:06:07,350 --> 00:06:04,960

many local guides

75

00:06:10,550 --> 00:06:07,360

on the boats that we were taking to go

76

00:06:12,629 --> 00:06:10,560

snorkeling or scuba diving or

77

00:06:15,350 --> 00:06:12,639

uh just sightseeing

78

00:06:17,830 --> 00:06:15,360

and uh was regaled with some amazing

79

00:06:20,070 --> 00:06:17,840

stories about just how many shipwrecks

80

00:06:21,909 --> 00:06:20,080

are out there in the middle of the

81

00:06:25,990 --> 00:06:21,919

bermuda triangle

82

00:06:28,950 --> 00:06:26,000

it's interesting to note that while many

83

00:06:31,749 --> 00:06:28,960

many scientists have put forth some sort

84

00:06:33,510 --> 00:06:31,759

of theories about what it is that is

85

00:06:35,830 --> 00:06:33,520

causing

86

00:06:38,469 --> 00:06:35,840

these strange disappearances and it's

87

00:06:39,749 --> 00:06:38,479

not just disappearances friends because

88

00:06:41,990 --> 00:06:39,759

along with

89

00:06:44,870 --> 00:06:42,000

the hundreds perhaps thousands of

90

00:06:47,430 --> 00:06:44,880

airplanes ships and boats which have

91

00:06:49,430 --> 00:06:47,440

mysteriously vanished inside this

92

00:06:52,710 --> 00:06:49,440

strange

93

00:06:54,230 --> 00:06:52,720

devil's triangle some have called it

94

00:06:56,070 --> 00:06:54,240

there are also

95

00:06:57,350 --> 00:06:56,080

tales of

96

00:06:58,710 --> 00:06:57,360

a more

97

00:07:00,070 --> 00:06:58,720

esoteric

98

00:07:03,909 --> 00:07:00,080

type

99

00:07:05,670 --> 00:07:03,919

tales of perhaps portals

100

00:07:08,870 --> 00:07:05,680

aliens

101  
00:07:10,469 --> 00:07:08,880  
and other strangeness high strangeness

102  
00:07:14,230 --> 00:07:10,479  
it's interesting to note that there are

103  
00:07:17,110 --> 00:07:14,240  
also a great deal of ufo reports

104  
00:07:18,230 --> 00:07:17,120  
within the triangle reported by

105  
00:07:20,070 --> 00:07:18,240  
fishermen

106  
00:07:23,589 --> 00:07:20,080  
uh longshoremen

107  
00:07:25,110 --> 00:07:23,599  
airplane mechani or airplane pilots

108  
00:07:29,589 --> 00:07:25,120  
and more

109  
00:07:32,790 --> 00:07:29,599  
it is a hotbed of ufo activity

110  
00:07:34,510 --> 00:07:32,800  
and one could wonder why is that now

111  
00:07:36,950 --> 00:07:34,520  
some have uh

112  
00:07:40,230 --> 00:07:36,960  
hypothesized that the

113  
00:07:42,710 --> 00:07:40,240

reason for so many ufo

114

00:07:44,230 --> 00:07:42,720

related sightings in that area is

115

00:07:46,150 --> 00:07:44,240

because of the strange weather

116

00:07:49,110 --> 00:07:46,160

phenomenon

117

00:07:51,990 --> 00:07:49,120

you know their every hurricane blows off

118

00:07:53,189 --> 00:07:52,000

of the african coast and heads towards

119

00:07:55,350 --> 00:07:53,199

florida

120

00:07:57,350 --> 00:07:55,360

many thankfully veer off

121

00:08:00,070 --> 00:07:57,360

but there is a great

122

00:08:01,350 --> 00:08:00,080

amount of thunderstorms

123

00:08:03,830 --> 00:08:01,360

while uh

124

00:08:05,990 --> 00:08:03,840

in the caribbean with my wife once we

125

00:08:08,469 --> 00:08:06,000

experienced some of those thunderstorms

126

00:08:11,350 --> 00:08:08,479

and they are hella crazy

127

00:08:13,830 --> 00:08:11,360

uh and i'm sure that many have witnessed

128

00:08:15,350 --> 00:08:13,840

the phenomenon known as ball lightning

129

00:08:18,790 --> 00:08:15,360

and this took it for

130

00:08:21,510 --> 00:08:18,800

um alien spacecraft or ufo or uap or

131

00:08:23,589 --> 00:08:21,520

something much more exotic than just

132

00:08:25,110 --> 00:08:23,599

weather phenomena

133

00:08:27,670 --> 00:08:25,120

now there are

134

00:08:29,990 --> 00:08:27,680

some famous stories of course that come

135

00:08:33,430 --> 00:08:30,000

out of the bermuda triangle one of the

136

00:08:35,350 --> 00:08:33,440

most famous is the flight of

137

00:08:38,630 --> 00:08:35,360

five

138

00:08:39,509 --> 00:08:38,640

officers on a training flight

139

00:08:42,469 --> 00:08:39,519

who

140

00:08:44,389 --> 00:08:42,479

mysteriously the

141

00:08:49,509 --> 00:08:44,399

their

142

00:08:51,670 --> 00:08:49,519

mysteriously went dead

143

00:08:53,670 --> 00:08:51,680

and it was a training mission

144

00:08:55,750 --> 00:08:53,680

which strangely it was a straight it was

145

00:08:57,750 --> 00:08:55,760

a training mission for advanced

146

00:09:00,470 --> 00:08:57,760

navigation

147

00:09:02,870 --> 00:09:00,480

all five of the airplanes

148

00:09:04,949 --> 00:09:02,880

are assumed to have run out of fuel

149

00:09:06,550 --> 00:09:04,959

trying to find their way back to the

150

00:09:10,230 --> 00:09:06,560

mainland

151  
00:09:12,710 --> 00:09:10,240  
apparently the main officer in charge of

152  
00:09:15,190 --> 00:09:12,720  
the the training flight

153  
00:09:16,389 --> 00:09:15,200  
lost his bearings after his compasses

154  
00:09:18,870 --> 00:09:16,399  
both of them

155  
00:09:20,630 --> 00:09:18,880  
two of them were on each of the aircraft

156  
00:09:22,870 --> 00:09:20,640  
so that's ten

157  
00:09:24,389 --> 00:09:22,880  
uh if each of these aircraft had two

158  
00:09:28,230 --> 00:09:24,399  
compasses

159  
00:09:30,630 --> 00:09:28,240  
i i'm assuming that some airplanes have

160  
00:09:33,110 --> 00:09:30,640  
two for one for backup

161  
00:09:36,070 --> 00:09:33,120  
all of them went dead

162  
00:09:38,230 --> 00:09:36,080  
now there's many theories about why

163  
00:09:40,870 --> 00:09:38,240

compasses are problematic

164

00:09:42,949 --> 00:09:40,880

within this bermuda triangle

165

00:09:44,389 --> 00:09:42,959

but in the case of this famous flight

166

00:09:47,590 --> 00:09:44,399

where five

167

00:09:49,750 --> 00:09:47,600

count of five airplanes went completely

168

00:09:52,949 --> 00:09:49,760

and totally missing

169

00:09:54,070 --> 00:09:52,959

their instruments and

170

00:09:56,470 --> 00:09:54,080

their

171

00:09:58,790 --> 00:09:56,480

compasses went completely dead they were

172

00:10:02,069 --> 00:09:58,800

completely unusable

173

00:10:04,710 --> 00:10:02,079

now ask any pilot many pilots

174

00:10:07,269 --> 00:10:04,720

fly by instruments you

175

00:10:09,030 --> 00:10:07,279

you know of course pay attention out the

176

00:10:11,430 --> 00:10:09,040

window and looking where you're flying

177

00:10:13,670 --> 00:10:11,440

but you're flying by instruments

178

00:10:15,829 --> 00:10:13,680

so of course it becomes extremely

179

00:10:17,509 --> 00:10:15,839

problematic if all of your instruments

180

00:10:19,990 --> 00:10:17,519

especially your compass and you don't

181

00:10:23,190 --> 00:10:20,000

even know which way is west east south

182

00:10:25,910 --> 00:10:23,200

north are gone

183

00:10:27,990 --> 00:10:25,920

there was an extensive investigation

184

00:10:29,829 --> 00:10:28,000

uh into

185

00:10:32,870 --> 00:10:29,839

that lost flight

186

00:10:34,230 --> 00:10:32,880

later it would be determined um that

187

00:10:35,509 --> 00:10:34,240

because the

188

00:10:37,269 --> 00:10:35,519

compasses

189

00:10:39,110 --> 00:10:37,279

went dead

190

00:10:41,430 --> 00:10:39,120

that it was not the fault of the

191

00:10:42,870 --> 00:10:41,440

commander of that mission

192

00:10:44,829 --> 00:10:42,880

subsequently

193

00:10:48,790 --> 00:10:44,839

the

194

00:10:51,190 --> 00:10:48,800

wreckage of those five airplanes was

195

00:10:53,910 --> 00:10:51,200

never found there was an extensive

196

00:10:55,670 --> 00:10:53,920

search and rescue operation finding not

197

00:10:58,389 --> 00:10:55,680

one survivor

198

00:11:01,030 --> 00:10:58,399

from that famous flight this happened of

199

00:11:04,310 --> 00:11:01,040

course in the 40s

200

00:11:07,110 --> 00:11:04,320

and the disappearances and strangeness

201  
00:11:08,949 --> 00:11:07,120  
in the bermuda triangle would continue

202  
00:11:11,430 --> 00:11:08,959  
to present day

203  
00:11:15,509 --> 00:11:11,440  
it's interesting to note that

204  
00:11:18,310 --> 00:11:15,519  
even in modern times

205  
00:11:21,590 --> 00:11:18,320  
some 60. i checked the statistics on

206  
00:11:24,550 --> 00:11:21,600  
this some 60 boats or ships

207  
00:11:27,110 --> 00:11:24,560  
and some five airplanes go missing in

208  
00:11:28,870 --> 00:11:27,120  
the bermuda triangle every year in

209  
00:11:30,710 --> 00:11:28,880  
modern times

210  
00:11:32,949 --> 00:11:30,720  
which uh is

211  
00:11:36,069 --> 00:11:32,959  
extremely strange to me

212  
00:11:38,870 --> 00:11:36,079  
that that many boats and air and

213  
00:11:42,630 --> 00:11:38,880

airplanes disappear every year and

214

00:11:44,630 --> 00:11:42,640

authorities largely really have no idea

215

00:11:46,630 --> 00:11:44,640

what the cause of these strange

216

00:11:48,069 --> 00:11:46,640

disappearances is

217

00:11:53,030 --> 00:11:48,079

or

218

00:11:56,230 --> 00:11:53,040

how best to prevent those strange

219

00:12:01,030 --> 00:11:59,670

while in the caribbean i uh

220

00:12:02,470 --> 00:12:01,040

got to

221

00:12:06,389 --> 00:12:02,480

get uh

222

00:12:08,790 --> 00:12:06,399

something of a souvenir in the form of a

223

00:12:11,430 --> 00:12:08,800

uh shipwreck map

224

00:12:13,269 --> 00:12:11,440

and it is amazing how many shipwrecks

225

00:12:15,990 --> 00:12:13,279

are out there

226

00:12:18,790 --> 00:12:16,000

equally amazing to me is how many

227

00:12:21,110 --> 00:12:18,800

ships go completely vanish off the face

228

00:12:22,230 --> 00:12:21,120

of the earth and their wrecks

229

00:12:26,069 --> 00:12:22,240

either

230

00:12:29,350 --> 00:12:26,079

or wreckage from them are never found

231

00:12:32,230 --> 00:12:29,360

but i suppose that my favorite uh of the

232

00:12:34,870 --> 00:12:32,240

stories out of the bermuda triangle

233

00:12:38,550 --> 00:12:34,880

is of course the story of

234

00:12:42,310 --> 00:12:38,560

uh pan am flight 914.

235

00:12:45,829 --> 00:12:42,320

in july 1944 a pan am flight labeled

236

00:12:47,910 --> 00:12:45,839

flight 914 departed from new york city

237

00:12:50,550 --> 00:12:47,920

heading towards miami

238

00:12:53,030 --> 00:12:50,560

it's interesting to note that flight 914

239

00:12:54,069 --> 00:12:53,040

never sent out any sort of distress

240

00:12:56,550 --> 00:12:54,079

signal

241

00:13:00,550 --> 00:12:56,560

but the plane and 57

242

00:13:03,910 --> 00:13:00,560

and 57 passengers on board vanished

243

00:13:07,030 --> 00:13:04,710

now

244

00:13:08,710 --> 00:13:07,040

i'm not sure the accuracy of this story

245

00:13:10,069 --> 00:13:08,720

but i've heard it told many different

246

00:13:11,829 --> 00:13:10,079

times

247

00:13:14,470 --> 00:13:11,839

i suppose we could put on our list of

248

00:13:15,990 --> 00:13:14,480

things to do vetting parts of this story

249

00:13:19,110 --> 00:13:16,000

but it would appear

250

00:13:21,750 --> 00:13:19,120

that 37 years later the impossible

251  
00:13:26,310 --> 00:13:21,760  
seemed to happen

252  
00:13:32,310 --> 00:13:29,190  
in corusca's venezuela

253  
00:13:36,389 --> 00:13:32,320  
radar showed an empty sky

254  
00:13:38,069 --> 00:13:36,399  
but a plane got near to the airport and

255  
00:13:40,949 --> 00:13:38,079  
as it got nearer they realized that it

256  
00:13:42,870 --> 00:13:40,959  
was an old propeller driven plane the

257  
00:13:46,069 --> 00:13:42,880  
likes of which no one at that airport

258  
00:13:47,670 --> 00:13:46,079  
had seen in decades a prop driven

259  
00:13:49,990 --> 00:13:47,680  
passenger plane

260  
00:13:53,910 --> 00:13:50,000  
it seemed to be out of another

261  
00:13:59,430 --> 00:13:56,949  
now it is said that juan the lecardo and

262  
00:14:02,389 --> 00:13:59,440  
air traffic controller contacted the

263  
00:14:05,670 --> 00:14:02,399

pilot on radio

264

00:14:08,710 --> 00:14:05,680

asking the pilot to identify himself

265

00:14:11,030 --> 00:14:08,720

and the pilot replied 914 ready to touch

266

00:14:13,269 --> 00:14:11,040

down in miami

267

00:14:18,629 --> 00:14:13,279

this of course is as it was coming into

268

00:14:21,110 --> 00:14:18,639

land 1200 miles from miami in venezuela

269

00:14:24,150 --> 00:14:21,120

if this story is true then

270

00:14:28,230 --> 00:14:24,160

somehow this plane not only time

271

00:14:31,670 --> 00:14:28,240

traveled to 37 years later but also

272

00:14:35,269 --> 00:14:31,680

its location somehow teleported

273

00:14:39,670 --> 00:14:35,279

to some 1200 miles away from its last

274

00:14:42,470 --> 00:14:40,949

amazing

275

00:14:44,550 --> 00:14:42,480

that a flight controller would contact

276

00:14:46,790 --> 00:14:44,560

them and the pilot replied 914 ready to

277

00:14:47,990 --> 00:14:46,800

touch down in miami

278

00:14:50,069 --> 00:14:48,000

apparently

279

00:14:52,470 --> 00:14:50,079

if we are to believe this story uh the

280

00:14:55,829 --> 00:14:52,480

plane somehow traveled 37

281

00:14:58,470 --> 00:14:55,839

years in time and 1200 miles away from

282

00:15:02,230 --> 00:14:58,480

its last known location the plane

283

00:15:04,710 --> 00:15:02,240

touched down on the runway in venezuela

284

00:15:08,230 --> 00:15:04,720

and there are reports that staring

285

00:15:10,389 --> 00:15:08,240

out of the windows were people in

286

00:15:11,350 --> 00:15:10,399

clothing that would appear to be out of

287

00:15:13,910 --> 00:15:11,360

time

288

00:15:17,590 --> 00:15:13,920

staring in confusion at the modern

289

00:15:20,150 --> 00:15:17,600

airport and the modern airplanes

290

00:15:23,590 --> 00:15:20,160

taxiing around the runway around this

291

00:15:27,269 --> 00:15:25,509

the pilot

292

00:15:29,670 --> 00:15:27,279

called to the air traffic controllers

293

00:15:33,670 --> 00:15:29,680

and asked to confirm the date and the

294

00:15:36,150 --> 00:15:33,680

date was confirmed as may 21st 1992

295

00:15:38,470 --> 00:15:36,160

the pilot of this strange phantom plane

296

00:15:39,430 --> 00:15:38,480

plane apparently flung open a cockpit

297

00:15:41,990 --> 00:15:39,440

window

298

00:15:45,030 --> 00:15:42,000

claiming that he had to leave

299

00:15:47,509 --> 00:15:45,040

and uh waving around a clipboard which

300

00:15:50,710 --> 00:15:47,519

is strange and one page

301  
00:15:53,590 --> 00:15:50,720  
dropped from the airplane cockpit window

302  
00:15:55,110 --> 00:15:53,600  
or so it said

303  
00:15:55,990 --> 00:15:55,120  
the plane

304  
00:15:58,550 --> 00:15:56,000  
then

305  
00:16:00,629 --> 00:15:58,560  
said it had to be it had to go and it

306  
00:16:03,910 --> 00:16:00,639  
took off without warning and climbed

307  
00:16:05,910 --> 00:16:03,920  
away from the airport through the clouds

308  
00:16:08,629 --> 00:16:05,920  
the air traffic controller who had had

309  
00:16:11,189 --> 00:16:08,639  
that radio contact with the pilot rushed

310  
00:16:13,749 --> 00:16:11,199  
down to the tarmac

311  
00:16:16,310 --> 00:16:13,759  
and found that page and the page

312  
00:16:18,389 --> 00:16:16,320  
strangely was a calendar dating from

313  
00:16:21,110 --> 00:16:18,399

1955

314

00:16:22,470 --> 00:16:21,120

proponents of the story

315

00:16:24,310 --> 00:16:22,480

claim that

316

00:16:27,910 --> 00:16:24,320

it was somehow verified that this was

317

00:16:30,790 --> 00:16:27,920

indeed the missing flight 914

318

00:16:32,470 --> 00:16:30,800

from 37 years

319

00:16:34,150 --> 00:16:32,480

in the past

320

00:16:37,189 --> 00:16:34,160

so did the plane go through some sort of

321

00:16:39,829 --> 00:16:37,199

wormhole that changed its location both

322

00:16:42,470 --> 00:16:39,839

in time and space

323

00:16:45,030 --> 00:16:42,480

now if this were the only story of time

324

00:16:47,030 --> 00:16:45,040

travel or teleportation out of the

325

00:16:48,150 --> 00:16:47,040

bermuda triangle

326  
00:16:51,430 --> 00:16:48,160  
i would

327  
00:16:52,550 --> 00:16:51,440  
but there are multiple

328  
00:16:54,870 --> 00:16:52,560  
claims

329  
00:16:57,110 --> 00:16:54,880  
coming out of stories of the bermuda

330  
00:16:59,269 --> 00:16:57,120  
triangle where pilot one pilot in

331  
00:17:01,749 --> 00:16:59,279  
particular i recall claimed

332  
00:17:05,829 --> 00:17:01,759  
that he had somehow traveled 100 miles

333  
00:17:08,630 --> 00:17:05,839  
in just minutes and before doing that

334  
00:17:11,110 --> 00:17:08,640  
had seen some sort of strange for

335  
00:17:13,750 --> 00:17:11,120  
sort of portal forming in front of his

336  
00:17:16,470 --> 00:17:13,760  
airplane that he tried to avoid

337  
00:17:18,870 --> 00:17:16,480  
but kept jumping in front of him until

338  
00:17:19,990 --> 00:17:18,880

he was forced to go

339

00:17:22,069 --> 00:17:20,000

through it

340

00:17:24,150 --> 00:17:22,079

and somehow that pilot claimed that he

341

00:17:27,750 --> 00:17:24,160

had traveled 100 miles in just a few

342

00:17:33,750 --> 00:17:31,830

interestingly back to his flight 914

343

00:17:35,669 --> 00:17:33,760

their research aircraft at the time it

344

00:17:37,350 --> 00:17:35,679

disappeared also

345

00:17:39,669 --> 00:17:37,360

um

346

00:17:43,110 --> 00:17:39,679

sent out several search aircraft sent

347

00:17:47,430 --> 00:17:43,120

out looking for flight 914

348

00:17:50,310 --> 00:17:47,440

any survivors or its wreckage and that

349

00:17:52,070 --> 00:17:50,320

those search aircraft also disappeared

350

00:17:53,909 --> 00:17:52,080

vanished without a trace and were never

351  
00:17:54,950 --> 00:17:53,919  
found

352  
00:17:56,789 --> 00:17:54,960  
now

353  
00:17:59,990 --> 00:17:56,799  
there are some interesting theories

354  
00:18:03,270 --> 00:18:00,000  
about what has been uh the cause of the

355  
00:18:04,150 --> 00:18:03,280  
bermuda triangle's strange effects

356  
00:18:07,510 --> 00:18:04,160  
um

357  
00:18:10,549 --> 00:18:07,520  
and we will get into them the there's

358  
00:18:13,669 --> 00:18:10,559  
three theories that i hear the most

359  
00:18:16,070 --> 00:18:13,679  
the first is is the the strangest and

360  
00:18:17,350 --> 00:18:16,080  
most esoteric explanation

361  
00:18:19,430 --> 00:18:17,360  
and that is

362  
00:18:20,870 --> 00:18:19,440  
that somewhere within the bermuda

363  
00:18:23,909 --> 00:18:20,880

triangle

364

00:18:27,750 --> 00:18:23,919

are the remnants or remains of the

365

00:18:30,310 --> 00:18:27,760

ancient lost city of atlantis

366

00:18:33,830 --> 00:18:30,320

and some claim that there is some sort

367

00:18:35,750 --> 00:18:33,840

of strange technological device

368

00:18:38,070 --> 00:18:35,760

from the lost city of atlantis or the

369

00:18:40,549 --> 00:18:38,080

wreckage of the lost city of atlantis

370

00:18:43,350 --> 00:18:40,559

inside the bermuda triangle which is

371

00:18:45,510 --> 00:18:43,360

causing these strange effects

372

00:18:48,150 --> 00:18:45,520

now both ships

373

00:18:49,750 --> 00:18:48,160

boats and airplanes have reported

374

00:18:51,110 --> 00:18:49,760

for many years

375

00:18:51,990 --> 00:18:51,120

the compasses

376

00:18:53,669 --> 00:18:52,000

uh

377

00:18:57,750 --> 00:18:53,679

become useless

378

00:19:01,590 --> 00:18:57,760

or uh the needles start going haywire

379

00:19:04,310 --> 00:19:01,600

in certain areas of the bermuda triangle

380

00:19:07,029 --> 00:19:04,320

other ship captains boat captains and

381

00:19:08,789 --> 00:19:07,039

pilots have reported that all of their

382

00:19:11,430 --> 00:19:08,799

electrical instruments

383

00:19:13,830 --> 00:19:11,440

anything electrical dies

384

00:19:15,590 --> 00:19:13,840

except the engine in most cases which is

385

00:19:20,470 --> 00:19:15,600

strange so they're able to continue on

386

00:19:22,950 --> 00:19:21,590

without

387

00:19:25,669 --> 00:19:22,960

modern

388

00:19:27,190 --> 00:19:25,679

navigational tools like gps

389

00:19:28,630 --> 00:19:27,200

or or

390

00:19:31,590 --> 00:19:28,640

even

391

00:19:33,669 --> 00:19:31,600

something as low tech as a compass will

392

00:19:35,830 --> 00:19:33,679

also stop working

393

00:19:38,549 --> 00:19:35,840

it's often been suggested there are some

394

00:19:41,029 --> 00:19:38,559

sort of strange

395

00:19:43,590 --> 00:19:41,039

magnetic fields

396

00:19:46,230 --> 00:19:43,600

or electrical fields that cause some

397

00:19:47,190 --> 00:19:46,240

kind of interference with

398

00:19:49,590 --> 00:19:47,200

plane

399

00:19:52,630 --> 00:19:49,600

navigation electronics or boat

400

00:19:54,710 --> 00:19:52,640

navigation electronics

401  
00:19:57,029 --> 00:19:54,720  
i talked to uh

402  
00:20:02,950 --> 00:19:57,039  
one person who told me that everything

403  
00:20:09,350 --> 00:20:06,149  
and it wasn't until hours later

404  
00:20:11,990 --> 00:20:09,360  
that the instruments came back on

405  
00:20:14,950 --> 00:20:12,000  
that person believed that they had

406  
00:20:17,190 --> 00:20:14,960  
stumbled upon a bubble or

407  
00:20:20,149 --> 00:20:17,200  
area within the bermuda triangle where

408  
00:20:21,909 --> 00:20:20,159  
these strange effects take place

409  
00:20:25,270 --> 00:20:21,919  
interesting that he noted

410  
00:20:26,950 --> 00:20:25,280  
this area so as not to cross it again

411  
00:20:28,950 --> 00:20:26,960  
because

412  
00:20:31,270 --> 00:20:28,960  
i don't know how much experience any of

413  
00:20:33,110 --> 00:20:31,280

you have with boats but i have a good

414

00:20:35,669 --> 00:20:33,120

deal of experience my father was a boat

415

00:20:38,070 --> 00:20:35,679

guy had a big cabin cruiser for a time

416

00:20:40,149 --> 00:20:38,080

when we were growing up uh earlier than

417

00:20:42,310 --> 00:20:40,159

that we had a speed boat he had a few

418

00:20:44,070 --> 00:20:42,320

small sailboats

419

00:20:46,830 --> 00:20:44,080

mostly lake sail boats we never did

420

00:20:49,909 --> 00:20:46,840

anything big with a sailboat

421

00:20:52,149 --> 00:20:49,919

but one of the things when i i've been

422

00:20:54,230 --> 00:20:52,159

on a boat that is very scary to me is

423

00:20:55,830 --> 00:20:54,240

losing sight of the shoreline i don't

424

00:20:58,470 --> 00:20:55,840

like it

425

00:21:00,870 --> 00:20:58,480

to this day if i go on a boat i want to

426

00:21:03,750 --> 00:21:00,880

be able to still see land i do not want

427

00:21:05,750 --> 00:21:03,760

to see anything but open water

428

00:21:08,470 --> 00:21:05,760

it's interesting to note that many of

429

00:21:09,510 --> 00:21:08,480

these boat captains ship captains and

430

00:21:12,390 --> 00:21:09,520

pilots

431

00:21:15,430 --> 00:21:12,400

experience some form of

432

00:21:19,110 --> 00:21:16,630

problem

433

00:21:22,390 --> 00:21:19,120

they become disoriented

434

00:21:24,470 --> 00:21:22,400

unable to tell in pilots cases there are

435

00:21:26,310 --> 00:21:24,480

reports of pilots not being able to tell

436

00:21:27,750 --> 00:21:26,320

left from right and up and down up from

437

00:21:29,270 --> 00:21:27,760

down

438

00:21:31,029 --> 00:21:29,280

which certainly would make flying a

439

00:21:36,630 --> 00:21:31,039

plane a a

440

00:22:12,310 --> 00:21:37,750

i

441

00:22:14,149 --> 00:22:12,320

remember blue sky blue water

442

00:22:15,430 --> 00:22:14,159

it gets confusing very fast and i

443

00:22:17,669 --> 00:22:15,440

remember

444

00:22:19,909 --> 00:22:17,679

experiencing this myself and realizing

445

00:22:22,390 --> 00:22:19,919

that i could i was having difficulty

446

00:22:25,669 --> 00:22:22,400

telling where the horizon was

447

00:22:26,950 --> 00:22:25,679

this certainly may complicate people

448

00:22:29,510 --> 00:22:26,960

especially when they're forced to

449

00:22:31,750 --> 00:22:29,520

navigate without any instruments

450

00:22:33,830 --> 00:22:31,760

now certainly at night you can you can

451  
00:22:35,909 --> 00:22:33,840  
navigate by stars

452  
00:22:38,789 --> 00:22:35,919  
if there's a clear sky

453  
00:22:41,430 --> 00:22:38,799  
but florida is known to have

454  
00:22:43,270 --> 00:22:41,440  
an incredible amount of strange cloud

455  
00:22:45,350 --> 00:22:43,280  
formations that could be

456  
00:22:46,390 --> 00:22:45,360  
100 miles wide

457  
00:22:50,789 --> 00:22:46,400  
so

458  
00:22:53,270 --> 00:22:50,799  
and boat captains have been caught

459  
00:22:55,110 --> 00:22:53,280  
out in the bermuda triangle at night

460  
00:22:57,430 --> 00:22:55,120  
with the cloud cover so

461  
00:22:59,190 --> 00:22:57,440  
thick they couldn't see the stars to use

462  
00:23:02,230 --> 00:22:59,200  
those to navigate

463  
00:23:04,630 --> 00:23:02,240

it's very dangerous area especially with

464

00:23:07,110 --> 00:23:04,640

these strange electrical and magnetic

465

00:23:08,789 --> 00:23:07,120

anomalies which apparently cause

466

00:23:10,870 --> 00:23:08,799

or can cause

467

00:23:13,510 --> 00:23:10,880

people's instruments to just stop

468

00:23:18,149 --> 00:23:14,710

uh

469

00:23:19,669 --> 00:23:18,159

so the theories what we have

470

00:23:21,750 --> 00:23:19,679

many different theories i mentioned the

471

00:23:22,789 --> 00:23:21,760

first one which to me is a stretch but

472

00:23:25,029 --> 00:23:22,799

okay

473

00:23:27,110 --> 00:23:25,039

um i know i i heard somebody in the live

474

00:23:28,870 --> 00:23:27,120

chat mentioned there is a dark

475

00:23:29,750 --> 00:23:28,880

journalist and others have done a lot of

476  
00:23:32,470 --> 00:23:29,760  
work

477  
00:23:35,430 --> 00:23:32,480  
showing the incredible amount of

478  
00:23:37,270 --> 00:23:35,440  
apparent ancient ruins that are within

479  
00:23:40,390 --> 00:23:37,280  
that area

480  
00:23:43,430 --> 00:23:40,400  
many of which have not really been fully

481  
00:23:44,549 --> 00:23:43,440  
explored or investigated to my knowledge

482  
00:23:48,710 --> 00:23:44,559  
by

483  
00:23:53,669 --> 00:23:50,390  
it's interesting to note that edgar

484  
00:23:56,390 --> 00:23:53,679  
casey famously places uh the lost city

485  
00:23:58,390 --> 00:23:56,400  
of atlantis at the bimini road which is

486  
00:23:59,750 --> 00:23:58,400  
of course nearby

487  
00:24:07,110 --> 00:23:59,760  
so

488  
00:24:12,710 --> 00:24:07,120

portal

489

00:24:15,190 --> 00:24:12,720

in the bermuda triangle

490

00:24:17,350 --> 00:24:15,200

uh i see allison roberts is here and

491

00:24:20,390 --> 00:24:17,360

mentioning magnetic fields and weather

492

00:24:22,630 --> 00:24:20,400

yes another explanation is extreme

493

00:24:25,110 --> 00:24:22,640

weather patterns

494

00:24:26,950 --> 00:24:25,120

ever been to florida i highly encourage

495

00:24:29,269 --> 00:24:26,960

you to take some boat rides and if

496

00:24:32,149 --> 00:24:29,279

you're lucky on one of those boat rides

497

00:24:36,710 --> 00:24:32,159

you'll see a florida thunderstorm a good

498

00:24:40,950 --> 00:24:38,549

it was a little scary

499

00:24:43,990 --> 00:24:40,960

but uh you know it wasn't raining long

500

00:24:46,070 --> 00:24:44,000

and we were back to shore you know

501  
00:24:48,070 --> 00:24:46,080  
we actually went on a uh well that was

502  
00:24:50,390 --> 00:24:48,080  
in florida that was

503  
00:24:52,549 --> 00:24:50,400  
at the caribbean but we went to uh swim

504  
00:24:54,549 --> 00:24:52,559  
with sharks and there's a big

505  
00:24:55,350 --> 00:24:54,559  
thunderstorm so

506  
00:24:57,510 --> 00:24:55,360  
we

507  
00:24:59,590 --> 00:24:57,520  
the boat captain and the

508  
00:25:01,830 --> 00:24:59,600  
you know like the tour company decided

509  
00:25:04,149 --> 00:25:01,840  
to call it because it was very dangerous

510  
00:25:06,230 --> 00:25:04,159  
that bad of a thunderstorm

511  
00:25:08,390 --> 00:25:06,240  
um and i remember being happy to get

512  
00:25:10,070 --> 00:25:08,400  
back to that shore but in some cases

513  
00:25:12,230 --> 00:25:10,080

imagine being in the middle of a huge

514

00:25:14,470 --> 00:25:12,240

storm like that all your instruments go

515

00:25:16,789 --> 00:25:14,480

you can't see the shoreline or know

516

00:25:18,630 --> 00:25:16,799

which way you have to turn to go to the

517

00:25:22,470 --> 00:25:18,640

shore

518

00:25:23,750 --> 00:25:22,480

and your compass is dead on top of that

519

00:25:25,909 --> 00:25:23,760

this may

520

00:25:28,149 --> 00:25:25,919

my friends be the cause for the many

521

00:25:29,269 --> 00:25:28,159

ships that go completely and totally

522

00:25:31,350 --> 00:25:29,279

missing

523

00:25:33,430 --> 00:25:31,360

it's also interesting to note to me that

524

00:25:34,789 --> 00:25:33,440

just how many shipwrecks there are in

525

00:25:36,789 --> 00:25:34,799

that area

526  
00:25:37,990 --> 00:25:36,799  
there are more shipwrecks in the bermuda

527  
00:25:40,070 --> 00:25:38,000  
triangle

528  
00:25:42,390 --> 00:25:40,080  
than there are shipwrecks up and down

529  
00:25:43,350 --> 00:25:42,400  
the entire rest of the united states

530  
00:25:44,789 --> 00:25:43,360  
coast

531  
00:25:46,070 --> 00:25:44,799  
this is

532  
00:25:47,350 --> 00:25:46,080  
well known

533  
00:25:48,950 --> 00:25:47,360  
why

534  
00:25:50,950 --> 00:25:48,960  
are so many ships going down in the

535  
00:25:53,590 --> 00:25:50,960  
middle of the bermuda triangle and not

536  
00:25:56,470 --> 00:25:53,600  
so much further up the coast

537  
00:26:00,230 --> 00:25:56,480  
of the east coast in the atlantic ocean

538  
00:26:02,310 --> 00:26:00,240

again this is an enduring mystery uh and

539

00:26:03,830 --> 00:26:02,320

it's one that i have been following

540

00:26:07,110 --> 00:26:03,840

since childhood

541

00:26:08,149 --> 00:26:07,120

recently re-reminded of this by a viewer

542

00:26:09,830 --> 00:26:08,159

who said

543

00:26:11,430 --> 00:26:09,840

uh hey steve how come you've never

544

00:26:13,909 --> 00:26:11,440

talked about the bermuda triangle and

545

00:26:14,710 --> 00:26:13,919

the truth is uh it's been on my list we

546

00:26:16,710 --> 00:26:14,720

just

547

00:26:18,789 --> 00:26:16,720

never quite got to it following other

548

00:26:20,470 --> 00:26:18,799

stories but i thought this week would be

549

00:26:23,430 --> 00:26:20,480

a good time

550

00:26:25,029 --> 00:26:23,440

to try to cover something different

551  
00:26:28,230 --> 00:26:25,039  
now i realize a lot of people come here

552  
00:26:30,230 --> 00:26:28,240  
solely for uh ufo related content but

553  
00:26:32,070 --> 00:26:30,240  
more and more lately i've been thinking

554  
00:26:35,029 --> 00:26:32,080  
that we really do need to cover other

555  
00:26:38,230 --> 00:26:35,039  
topics and with you know

556  
00:26:42,630 --> 00:26:40,149  
with respect to anybody that's trying to

557  
00:26:43,669 --> 00:26:42,640  
do a show five days a week just covering

558  
00:26:46,390 --> 00:26:43,679  
that stuff

559  
00:26:48,070 --> 00:26:46,400  
there is not enough of that there is not

560  
00:26:50,470 --> 00:26:48,080  
enough

561  
00:26:52,230 --> 00:26:50,480  
that's my opinion after all you know

562  
00:26:53,510 --> 00:26:52,240  
we've got a whole bunch different ufo

563  
00:26:56,149 --> 00:26:53,520

shows

564

00:26:59,269 --> 00:26:56,159

spending days arguing about a pin on

565

00:27:01,190 --> 00:26:59,279

google maps that's how little new stuff

566

00:27:02,789 --> 00:27:01,200

is happening in that world

567

00:27:04,230 --> 00:27:02,799

and more and more lately i've been

568

00:27:06,789 --> 00:27:04,240

thinking that until

569

00:27:09,029 --> 00:27:06,799

somebody has actual evidence or proof

570

00:27:11,029 --> 00:27:09,039

that i don't want to chase my tail any

571

00:27:13,190 --> 00:27:11,039

more than i have to or chase shadows

572

00:27:15,190 --> 00:27:13,200

anymore than i have to

573

00:27:17,029 --> 00:27:15,200

um and you know best of luck to anybody

574

00:27:19,669 --> 00:27:17,039

who thinks hey there's plenty to talk

575

00:27:22,710 --> 00:27:19,679

about we can cover this six days a week

576

00:27:25,510 --> 00:27:22,720

good good for you but i see

577

00:27:27,350 --> 00:27:25,520

the desperation in some people to you

578

00:27:29,110 --> 00:27:27,360

know get something else to talk about

579

00:27:31,750 --> 00:27:29,120

for tonight and then tomorrow's another

580

00:27:34,470 --> 00:27:31,760

day now we're gonna have to stretch this

581

00:27:36,310 --> 00:27:34,480

nothing burger story for another night

582

00:27:38,230 --> 00:27:36,320

i i don't think that it's doing anybody

583

00:27:41,190 --> 00:27:38,240

any good stretching nothing burger

584

00:27:42,789 --> 00:27:41,200

stories uh that really almost don't

585

00:27:44,950 --> 00:27:42,799

warrant

586

00:27:46,149 --> 00:27:44,960

one night's coverage to me this this

587

00:27:48,149 --> 00:27:46,159

last story

588

00:27:49,669 --> 00:27:48,159

it didn't come it weren't at one night's

589

00:27:51,430 --> 00:27:49,679

coverage hey this interesting thing

590

00:27:53,110 --> 00:27:51,440

happened but here's why it's a garbage

591

00:27:55,029 --> 00:27:53,120

story move on

592

00:27:57,190 --> 00:27:55,039

uh some people are gonna cover that and

593

00:27:58,950 --> 00:27:57,200

keep covering it and keep covering it

594

00:28:00,950 --> 00:27:58,960

uh because there's there's there's

595

00:28:05,990 --> 00:28:00,960

nothing else new friends then that's the

596

00:28:07,669 --> 00:28:06,000

truth um and you know i i i realized in

597

00:28:09,430 --> 00:28:07,679

uh thinking about things over the

598

00:28:10,870 --> 00:28:09,440

weekend that i i don't want to be one of

599

00:28:12,950 --> 00:28:10,880

those people it's just like well let's

600

00:28:15,750 --> 00:28:12,960

just stretch this for another night try

601  
00:28:18,310 --> 00:28:15,760  
a new angle on this on this if the story

602  
00:28:20,389 --> 00:28:18,320  
was a nothing burger on the first night

603  
00:28:22,310 --> 00:28:20,399  
you know stretching it out for five days

604  
00:28:24,870 --> 00:28:22,320  
oh well this person said this or it

605  
00:28:26,710 --> 00:28:24,880  
might be this it might be that uh

606  
00:28:28,149 --> 00:28:26,720  
it's still gonna be a nothing burger

607  
00:28:31,269 --> 00:28:28,159  
after you've talked about it for five

608  
00:28:33,029 --> 00:28:31,279  
days right

609  
00:28:36,870 --> 00:28:33,039  
yes

610  
00:28:38,549 --> 00:28:36,880  
spooky i i agree 100 with spooky or our

611  
00:28:41,669 --> 00:28:38,559  
contributing producer here we're in

612  
00:28:44,230 --> 00:28:41,679  
agreement bob lazar is fake s4 is not

613  
00:28:46,710 --> 00:28:44,240

real and the pin is pointless case

614

00:28:48,710 --> 00:28:46,720

closed moving on and yes spooky

615

00:28:51,110 --> 00:28:48,720

correctly pointed out and i didn't i

616

00:28:53,029 --> 00:28:51,120

didn't verbalize this and i should have

617

00:28:54,870 --> 00:28:53,039

but spooky correctly pointed out that we

618

00:28:57,669 --> 00:28:54,880

were arguing

619

00:28:59,350 --> 00:28:57,679

a bunch of us spent days arguing about

620

00:29:01,590 --> 00:28:59,360

this story

621

00:29:03,830 --> 00:29:01,600

and the whole origin of the original

622

00:29:05,590 --> 00:29:03,840

story came from a convicted pimp fake

623

00:29:06,549 --> 00:29:05,600

scientist who's probably not telling the

624

00:29:08,310 --> 00:29:06,559

truth

625

00:29:10,549 --> 00:29:08,320

so to me after a while becomes

626

00:29:12,549 --> 00:29:10,559

ridiculous to argue about some on a

627

00:29:17,430 --> 00:29:12,559

google map when the original story came

628

00:29:18,310 --> 00:29:17,440

from a convicted you know fraud felon

629

00:29:21,350 --> 00:29:18,320

uh

630

00:29:24,070 --> 00:29:21,360

s4 is real but it's a radar shack on the

631

00:29:26,789 --> 00:29:24,080

tonopah test range it's not a flying

632

00:29:29,029 --> 00:29:26,799

saucer secret base there's no evidence

633

00:29:30,630 --> 00:29:29,039

there hasn't been evidence in 35 years

634

00:29:31,590 --> 00:29:30,640

that bob lazarus tell the truth so i

635

00:29:34,630 --> 00:29:31,600

think

636

00:29:36,149 --> 00:29:34,640

running with this pin story was kind of

637

00:29:39,029 --> 00:29:36,159

pointless

638

00:29:40,710 --> 00:29:39,039

right it's like well that liar may have

639

00:29:42,789 --> 00:29:40,720

been telling the truth because somebody

640

00:29:44,549 --> 00:29:42,799

labeled something on google maps it's

641

00:29:46,950 --> 00:29:44,559

garbage and then we find out who brought

642

00:29:48,549 --> 00:29:46,960

us the story and for anybody to suggest

643

00:29:51,269 --> 00:29:48,559

that a guy who wouldn't

644

00:29:54,310 --> 00:29:51,279

uh who would fake apparently or

645

00:29:56,870 --> 00:29:54,320

allegedly fake terminal cancer to steal

646

00:30:00,789 --> 00:29:56,880

money from a benefit

647

00:30:04,389 --> 00:30:00,799

wouldn't fake a pin on google maps is

648

00:30:07,510 --> 00:30:04,399

ridiculous and uh by the way

649

00:30:09,909 --> 00:30:07,520

i do want to mention that uh some people

650

00:30:11,990 --> 00:30:09,919

were entirely wrong when they made

651  
00:30:13,430 --> 00:30:12,000  
absolutist statements

652  
00:30:16,070 --> 00:30:13,440  
some people said

653  
00:30:19,110 --> 00:30:16,080  
there is absolutely no way that you can

654  
00:30:21,430 --> 00:30:19,120  
place a government pin

655  
00:30:24,389 --> 00:30:21,440  
without being a government employee

656  
00:30:27,510 --> 00:30:24,399  
and what we found out is that that is

657  
00:30:30,549 --> 00:30:27,520  
entirely not the case because here we

658  
00:30:31,830 --> 00:30:30,559  
have it's not up now but it was for a

659  
00:30:33,750 --> 00:30:31,840  
time

660  
00:30:37,029 --> 00:30:33,760  
it's not up now it's very important to

661  
00:30:37,830 --> 00:30:37,039  
point out it's not up now but it was

662  
00:30:40,470 --> 00:30:37,840  
because

663  
00:30:43,190 --> 00:30:40,480

what we found out is that yes anybody

664

00:30:46,389 --> 00:30:43,200

can place a government pin and label

665

00:30:48,070 --> 00:30:46,399

something anything they want

666

00:30:48,870 --> 00:30:48,080

here we have a long time friend of the

667

00:30:50,549 --> 00:30:48,880

show

668

00:30:52,310 --> 00:30:50,559

mario heat uh

669

00:30:54,870 --> 00:30:52,320

who placed

670

00:30:57,509 --> 00:30:54,880

a government pin here which says third

671

00:31:00,950 --> 00:30:57,519

phase of moon mbl

672

00:31:02,870 --> 00:31:00,960

uh but here's the problem the pin and

673

00:31:05,669 --> 00:31:02,880

the government the government pin and

674

00:31:08,230 --> 00:31:05,679

the label will stay up for a time

675

00:31:11,590 --> 00:31:08,240

but as soon as one other local guide

676  
00:31:14,470 --> 00:31:11,600  
flags that as not accurate the pin comes

677  
00:31:18,549 --> 00:31:16,710  
i believe that the correct procedure in

678  
00:31:20,470 --> 00:31:18,559  
order to do this is to register a

679  
00:31:22,070 --> 00:31:20,480  
business on google and then claim your

680  
00:31:23,190 --> 00:31:22,080  
business location

681  
00:31:26,789 --> 00:31:23,200  
now

682  
00:31:29,269 --> 00:31:26,799  
it's also important to note that

683  
00:31:31,830 --> 00:31:29,279  
mario heat this person just randomly

684  
00:31:33,909 --> 00:31:31,840  
used what appears to be a building

685  
00:31:35,590 --> 00:31:33,919  
which may have led to it getting flagged

686  
00:31:37,590 --> 00:31:35,600  
faster than usual

687  
00:31:38,710 --> 00:31:37,600  
when perhaps if you flag something out

688  
00:31:40,710 --> 00:31:38,720

in the middle of the desert that

689

00:31:43,110 --> 00:31:40,720

nobody's paying attention to it might

690

00:31:44,710 --> 00:31:43,120

stay up for a while

691

00:31:47,350 --> 00:31:44,720

so again

692

00:31:48,470 --> 00:31:47,360

anybody apparently can claim a business

693

00:31:51,029 --> 00:31:48,480

on uh

694

00:31:53,269 --> 00:31:51,039

register a business on google

695

00:31:55,909 --> 00:31:53,279

and then place

696

00:31:57,750 --> 00:31:55,919

claim their business location and label

697

00:32:00,149 --> 00:31:57,760

it anything they want and include a

698

00:32:02,950 --> 00:32:00,159

government pin if they so choose to but

699

00:32:05,509 --> 00:32:02,960

again the problem comes in when somebody

700

00:32:08,149 --> 00:32:05,519

else another local guide flags it is not

701  
00:32:09,029 --> 00:32:08,159  
accurate location then google maps takes

702  
00:32:09,830 --> 00:32:09,039  
it down

703  
00:32:12,149 --> 00:32:09,840  
so

704  
00:32:13,830 --> 00:32:12,159  
you know people are talking about

705  
00:32:15,669 --> 00:32:13,840  
misinformation or disinformation

706  
00:32:17,830 --> 00:32:15,679  
surrounding this thing the people

707  
00:32:19,509 --> 00:32:17,840  
pushing the story shouldn't be telling

708  
00:32:21,350 --> 00:32:19,519  
people factually inaccurate statements

709  
00:32:23,029 --> 00:32:21,360  
like you can't place a government pin if

710  
00:32:25,430 --> 00:32:23,039  
you're not a government employee

711  
00:32:28,389 --> 00:32:25,440  
now this may not have stayed stayed up

712  
00:32:30,549 --> 00:32:28,399  
but uh it's very clear that yes you can

713  
00:32:31,909 --> 00:32:30,559

so yeah we're gonna just try to move on

714

00:32:33,110 --> 00:32:31,919

from this story

715

00:32:35,350 --> 00:32:33,120

now

716

00:32:37,430 --> 00:32:35,360

back to uh and we're gonna try to make

717

00:32:39,909 --> 00:32:37,440

this quick show by the way because we

718

00:32:42,470 --> 00:32:39,919

are way far behind in some of our

719

00:32:44,230 --> 00:32:42,480

distribution so i've got to get some

720

00:32:46,149 --> 00:32:44,240

some of the audio podcasts back up to

721

00:32:47,590 --> 00:32:46,159

date and some other things uh later

722

00:32:49,110 --> 00:32:47,600

tonight

723

00:32:52,149 --> 00:32:49,120

uh so

724

00:32:54,310 --> 00:32:52,159

what we uh

725

00:32:57,269 --> 00:32:54,320

what we have with the bermuda triangle

726

00:32:59,590 --> 00:32:57,279

is some prevailing theories the first

727

00:33:01,990 --> 00:32:59,600

being and the most esoteric or woo

728

00:33:07,029 --> 00:33:02,000

explanation is that

729

00:33:12,789 --> 00:33:09,350

strange effects within the bermuda

730

00:33:18,470 --> 00:33:15,830

there being some unknown technology

731

00:33:20,389 --> 00:33:18,480

in the ruins of atlantis that is within

732

00:33:21,909 --> 00:33:20,399

that area

733

00:33:23,830 --> 00:33:21,919

now

734

00:33:25,990 --> 00:33:23,840

i love stories of atlantis because

735

00:33:28,149 --> 00:33:26,000

they're kind of out there and you know

736

00:33:29,509 --> 00:33:28,159

according to many so-called i always

737

00:33:32,789 --> 00:33:29,519

like it when somebody calls themselves

738

00:33:34,870 --> 00:33:32,799

an atlantis researcher

739

00:33:38,630 --> 00:33:34,880

there's very little

740

00:33:40,230 --> 00:33:38,640

out there you know plato talked about it

741

00:33:43,430 --> 00:33:40,240

in a

742

00:33:46,070 --> 00:33:43,440

famous historical text

743

00:33:48,389 --> 00:33:46,080

but other than that we don't get very

744

00:33:51,110 --> 00:33:48,399

much in the history books about this

745

00:33:53,350 --> 00:33:51,120

strange and mysterious place but i guess

746

00:33:54,950 --> 00:33:53,360

proponents of this of the atlantis

747

00:33:56,870 --> 00:33:54,960

explanation for everything say well

748

00:33:58,630 --> 00:33:56,880

that's because of the great flood and

749

00:34:01,190 --> 00:33:58,640

all that technology was lost and the

750

00:34:03,430 --> 00:34:01,200

history was lost so then we go on you

751

00:34:07,750 --> 00:34:03,440

know we have to we we have to do

752

00:34:08,790 --> 00:34:07,760

archaeological digs and find it and uh

753

00:34:10,230 --> 00:34:08,800

yeah

754

00:34:12,230 --> 00:34:10,240

okay

755

00:34:13,669 --> 00:34:12,240

i'm not so convinced but

756

00:34:16,550 --> 00:34:13,679

that's one of these theories that

757

00:34:19,589 --> 00:34:16,560

there's some sort of weird teleporting

758

00:34:21,270 --> 00:34:19,599

time travel crystal maybe technology

759

00:34:23,669 --> 00:34:21,280

under the ocean floor

760

00:34:25,109 --> 00:34:23,679

that is causing some of these strange

761

00:34:27,589 --> 00:34:25,119

effects

762

00:34:30,069 --> 00:34:27,599

uh i'm i'm i remain unconvinced about

763

00:34:31,829 --> 00:34:30,079

that theory now

764

00:34:35,750 --> 00:34:31,839

we go on to some other theories that are

765

00:34:38,389 --> 00:34:35,760

more scientific in nature

766

00:34:42,310 --> 00:34:38,399

one of them is that these strange things

767

00:34:43,430 --> 00:34:42,320

are caused by magnetite

768

00:34:44,869 --> 00:34:43,440

which is

769

00:34:46,790 --> 00:34:44,879

lodestone

770

00:34:48,950 --> 00:34:46,800

which is what

771

00:34:50,629 --> 00:34:48,960

first made humans discover

772

00:34:52,550 --> 00:34:50,639

magnetics

773

00:34:55,109 --> 00:34:52,560

um and i'm going to share my screen we

774

00:34:57,750 --> 00:34:55,119

can talk about magnetite there are

775

00:35:00,790 --> 00:34:57,760

apparently there are very large deposits

776  
00:35:02,710 --> 00:35:00,800  
of magnetite in that area and magnetite

777  
00:35:06,950 --> 00:35:02,720  
is a mineral and one of the main iron

778  
00:35:09,430 --> 00:35:06,960  
ores with the chemical formula  $FeO_2$

779  
00:35:11,829 --> 00:35:09,440  
it is one of the oxides of iron and is

780  
00:35:14,069 --> 00:35:11,839  
fairly magnetic it is attracted to a

781  
00:35:16,390 --> 00:35:14,079  
magnet and can be magnetized to become a

782  
00:35:18,630 --> 00:35:16,400  
permanent magnet itself it is the most

783  
00:35:21,030 --> 00:35:18,640  
magnet of all naturally occurring

784  
00:35:21,910 --> 00:35:21,040  
minerals on earth

785  
00:35:23,750 --> 00:35:21,920  
so

786  
00:35:25,589 --> 00:35:23,760  
what we have in the area the bermuda

787  
00:35:29,990 --> 00:35:25,599  
triangle is high

788  
00:35:32,630 --> 00:35:30,000

levels on the seabed floor of magnetite

789

00:35:35,589 --> 00:35:32,640

and this of course some scientists say

790

00:35:38,390 --> 00:35:35,599

is what causes compasses and other

791

00:35:40,310 --> 00:35:38,400

electronic devices to stop working

792

00:35:42,790 --> 00:35:40,320

there could be huge deposits of this

793

00:35:44,710 --> 00:35:42,800

stuff on the bottom of the sea floor you

794

00:35:47,349 --> 00:35:44,720

ride over it with your ship your boat or

795

00:35:49,829 --> 00:35:47,359

your airplane and suddenly your compass

796

00:35:52,310 --> 00:35:49,839

doesn't work and your instruments stop

797

00:35:54,470 --> 00:35:52,320

working and electronic devices in some

798

00:35:55,670 --> 00:35:54,480

cases completely and totally stop

799

00:35:57,190 --> 00:35:55,680

working

800

00:36:00,069 --> 00:35:57,200

could be that these

801  
00:36:03,510 --> 00:36:00,079  
deposits are creating very very strong

802  
00:36:08,550 --> 00:36:06,069  
and that is very interesting to me and

803  
00:36:11,190 --> 00:36:08,560  
it's of course more scientific than hey

804  
00:36:15,190 --> 00:36:11,200  
it's it's time travel teleportation

805  
00:36:18,950 --> 00:36:15,200  
devices from from magnetite

806  
00:36:22,630 --> 00:36:20,710  
and it's interesting too that some of

807  
00:36:24,550 --> 00:36:22,640  
these people who are

808  
00:36:26,790 --> 00:36:24,560  
you know like them crystal hippie

809  
00:36:28,870 --> 00:36:26,800  
[h\_\_\h]

810  
00:36:29,990 --> 00:36:28,880  
some people that are very into crystals

811  
00:36:32,150 --> 00:36:30,000  
assign

812  
00:36:35,430 --> 00:36:32,160  
almost magical properties just like they

813  
00:36:38,150 --> 00:36:35,440

do crystals to magnetite again i'm i'm

814

00:36:40,069 --> 00:36:38,160

not convinced but

815

00:36:41,270 --> 00:36:40,079

but you know i just want to put that out

816

00:36:44,310 --> 00:36:41,280

there that some people think that

817

00:36:46,230 --> 00:36:44,320

magnetite has some sort of almost

818

00:36:47,829 --> 00:36:46,240

magical properties

819

00:36:49,109 --> 00:36:47,839

energy properties

820

00:36:51,109 --> 00:36:49,119

and i don't know

821

00:36:53,270 --> 00:36:51,119

so i'm just mentioning that because this

822

00:36:55,190 --> 00:36:53,280

is what some people think it's it's sort

823

00:36:57,589 --> 00:36:55,200

of like crystal it's got some kind of

824

00:36:59,109 --> 00:36:57,599

magical energy properties

825

00:37:02,150 --> 00:36:59,119

and for all i know it does and that's

826

00:37:05,270 --> 00:37:02,160

what's causing these strange anomalies

827

00:37:10,150 --> 00:37:06,630

the

828

00:37:15,030 --> 00:37:10,160

is

829

00:37:16,230 --> 00:37:15,040

be caused by

830

00:37:19,109 --> 00:37:16,240

gas

831

00:37:21,670 --> 00:37:19,119

erupting from the ocean floor and there

832

00:37:23,670 --> 00:37:21,680

have been you can search youtube there

833

00:37:25,990 --> 00:37:23,680

have been

834

00:37:27,910 --> 00:37:26,000

there is a view of this in almost every

835

00:37:29,910 --> 00:37:27,920

documentary if you watch any documentary

836

00:37:32,390 --> 00:37:29,920

on the bermuda triangle any more recent

837

00:37:35,190 --> 00:37:32,400

one anyway from maybe the late 90s

838

00:37:36,870 --> 00:37:35,200

forward they show an experiment where

839

00:37:39,430 --> 00:37:36,880

gas bubbles

840

00:37:42,230 --> 00:37:39,440

uh they put like a toy ship

841

00:37:43,829 --> 00:37:42,240

you know in a glass container

842

00:37:46,390 --> 00:37:43,839

and then they release methane gas

843

00:37:48,310 --> 00:37:46,400

bubbles and the ship sinks it loses

844

00:37:51,109 --> 00:37:48,320

buoyancy somehow

845

00:37:52,710 --> 00:37:51,119

and it sinks usually straight to the

846

00:37:55,030 --> 00:37:52,720

bottom

847

00:37:57,670 --> 00:37:55,040

which could also explain why there are

848

00:37:59,430 --> 00:37:57,680

so many ships and and

849

00:38:02,630 --> 00:37:59,440

boats that go completely and totally

850

00:38:06,230 --> 00:38:02,640

missing and zero wreckages ever found

851  
00:38:08,390 --> 00:38:06,240  
somehow this methane gas disrupts the

852  
00:38:09,829 --> 00:38:08,400  
the ship's ability to remain buoyant or

853  
00:38:12,790 --> 00:38:09,839  
floating

854  
00:38:15,510 --> 00:38:12,800  
uh flooding it with gas

855  
00:38:17,349 --> 00:38:15,520  
and bubbles which somehow

856  
00:38:20,230 --> 00:38:17,359  
i don't understand the physics of this

857  
00:38:24,150 --> 00:38:20,240  
but i've seen demonstrations of it so it

858  
00:38:26,069 --> 00:38:24,160  
it is a viable solution to some of this

859  
00:38:29,109 --> 00:38:26,079  
and there have been some scientific

860  
00:38:32,150 --> 00:38:29,119  
studies about methane gas deposits

861  
00:38:33,750 --> 00:38:32,160  
on the bottom of the ocean

862  
00:38:38,069 --> 00:38:33,760  
uh in that area

863  
00:38:40,470 --> 00:38:38,079

uh and also interesting to note that

864

00:38:42,790 --> 00:38:40,480

a lot of people who experience strange

865

00:38:47,109 --> 00:38:42,800

phenomenon within the bermuda triangle

866

00:38:49,030 --> 00:38:47,119

become confused disoriented and more

867

00:38:52,310 --> 00:38:49,040

if you were

868

00:38:54,470 --> 00:38:52,320

in a ship or on a boat and there is huge

869

00:38:57,589 --> 00:38:54,480

gas deposits of methane

870

00:38:58,550 --> 00:38:57,599

coming up from the ocean floor

871

00:39:00,550 --> 00:38:58,560

um

872

00:39:03,670 --> 00:39:00,560

that may be enough to disrupt your

873

00:39:05,829 --> 00:39:03,680

intake of oxygen for all i know and

874

00:39:07,829 --> 00:39:05,839

cause you to become confused

875

00:39:09,670 --> 00:39:07,839

after all uh

876

00:39:11,589 --> 00:39:09,680

people familiar with carbon monoxide

877

00:39:13,109 --> 00:39:11,599

poisoning will

878

00:39:15,030 --> 00:39:13,119

perhaps uh

879

00:39:16,310 --> 00:39:15,040

realize that some people

880

00:39:18,630 --> 00:39:16,320

when they're experiencing carbon

881

00:39:21,030 --> 00:39:18,640

monoxide become confused

882

00:39:22,230 --> 00:39:21,040

and disoriented because of lack of

883

00:39:25,030 --> 00:39:22,240

oxygen

884

00:39:27,670 --> 00:39:25,040

for all we know these methane deposits

885

00:39:30,150 --> 00:39:27,680

shoot up from the ocean floor

886

00:39:31,750 --> 00:39:30,160

and a large area of the ocean that any

887

00:39:33,670 --> 00:39:31,760

of these boats are in may be

888

00:39:35,670 --> 00:39:33,680

experiencing super high levels of

889

00:39:37,990 --> 00:39:35,680

methane and therefore low levels of

890

00:39:41,349 --> 00:39:38,000

oxygen which could cause

891

00:39:43,030 --> 00:39:41,359

some sort of disorientating or confused

892

00:39:45,670 --> 00:39:43,040

confusion effects

893

00:39:47,109 --> 00:39:45,680

because of the lack of oxygen

894

00:39:49,270 --> 00:39:47,119

yeah i would think that you would smell

895

00:39:51,910 --> 00:39:49,280

the methane but i'm not sure

896

00:39:55,349 --> 00:39:51,920

if that's the case uh tyler from the

897

00:39:56,470 --> 00:39:55,359

live chat is mentioning this smell that

898

00:39:57,670 --> 00:39:56,480

yeah who knows

899

00:40:00,150 --> 00:39:57,680

right

900

00:40:03,109 --> 00:40:00,160

and uh but it is an interesting theory

901  
00:40:06,630 --> 00:40:03,119  
and the fact that scientists have shown

902  
00:40:08,550 --> 00:40:06,640  
the effects that a large

903  
00:40:11,670 --> 00:40:08,560  
deposit of methane shooting from the

904  
00:40:12,870 --> 00:40:11,680  
ocean floor could actually sink a boat

905  
00:40:14,550 --> 00:40:12,880  
or ship

906  
00:40:17,270 --> 00:40:14,560  
i mean it would have to be a huge one

907  
00:40:18,470 --> 00:40:17,280  
but it's still very very interesting

908  
00:40:21,430 --> 00:40:18,480  
now

909  
00:40:24,790 --> 00:40:21,440  
so these theories

910  
00:40:26,470 --> 00:40:24,800  
majorly we have atlantis we have methane

911  
00:40:28,870 --> 00:40:26,480  
bubble explanation and we have the

912  
00:40:31,109 --> 00:40:28,880  
magnetite explanation but along with

913  
00:40:33,190 --> 00:40:31,119

that there is always

914

00:40:35,270 --> 00:40:33,200

people mentioning the strange weather

915

00:40:36,790 --> 00:40:35,280

phenomenon

916

00:40:37,990 --> 00:40:36,800

and

917

00:40:40,390 --> 00:40:38,000

once in a while there's a new

918

00:40:42,550 --> 00:40:40,400

documentary that claims

919

00:40:44,309 --> 00:40:42,560

we did it we solved the mystery of the

920

00:40:45,430 --> 00:40:44,319

bermuda triangle and i love how they

921

00:40:47,430 --> 00:40:45,440

always

922

00:40:50,069 --> 00:40:47,440

say it as a statement of fact

923

00:40:51,829 --> 00:40:50,079

and sure they'll show some convincing

924

00:40:55,190 --> 00:40:51,839

evidence that yeah this could be the

925

00:40:56,950 --> 00:40:55,200

cause of some of these strange effects

926  
00:40:58,790 --> 00:40:56,960  
but i always find it interesting that

927  
00:41:01,430 --> 00:40:58,800  
they just title it's almost like

928  
00:41:03,510 --> 00:41:01,440  
clickbait they yeah bermuda triangle

929  
00:41:04,710 --> 00:41:03,520  
mystery finally solved

930  
00:41:07,349 --> 00:41:04,720  
um

931  
00:41:10,550 --> 00:41:07,359  
maybe i don't think so

932  
00:41:11,829 --> 00:41:10,560  
but uh one recent uh one recent one i

933  
00:41:13,750 --> 00:41:11,839  
wanted to share i'm gonna share my

934  
00:41:14,550 --> 00:41:13,760  
screen this is a transformative work we

935  
00:41:15,430 --> 00:41:14,560  
are

936  
00:41:18,790 --> 00:41:15,440  
um

937  
00:41:23,430 --> 00:41:21,589  
here we go just such a headline experts

938  
00:41:25,270 --> 00:41:23,440

may have uncovered the mystery behind

939

00:41:27,270 --> 00:41:25,280

the bermuda triangle

940

00:41:28,790 --> 00:41:27,280

an upcoming science channel documentary

941

00:41:30,870 --> 00:41:28,800

claims to have uncovered the cause

942

00:41:33,589 --> 00:41:30,880

around the bermuda triangle's propensity

943

00:41:35,589 --> 00:41:33,599

for shipwrecks down planes and vanished

944

00:41:37,990 --> 00:41:35,599

aviation pioneers

945

00:41:40,870 --> 00:41:38,000

so what's to blame aliens an ancient

946

00:41:42,230 --> 00:41:40,880

curse or an illuminati conspiracy

947

00:41:43,829 --> 00:41:42,240

it turns out

948

00:41:46,390 --> 00:41:43,839

according to the science channel that

949

00:41:48,150 --> 00:41:46,400

the likely culprit is clouds

950

00:41:49,829 --> 00:41:48,160

according to meteorologists the bermuda

951  
00:41:51,109 --> 00:41:49,839  
triangle sees an unusual amount of

952  
00:41:52,790 --> 00:41:51,119  
hexagonal

953  
00:41:55,589 --> 00:41:52,800  
shaped clouds that could be up to 50

954  
00:41:57,510 --> 00:41:55,599  
miles across that cause localized high

955  
00:42:02,470 --> 00:41:57,520  
winds

956  
00:42:04,790 --> 00:42:02,480  
have met an unfortunate end within the

957  
00:42:08,069 --> 00:42:04,800  
million square miles of open city

958  
00:42:10,069 --> 00:42:08,079  
between bermuda florida and puerto rico

959  
00:42:12,790 --> 00:42:10,079  
however some experts aren't so sure that

960  
00:42:14,790 --> 00:42:12,800  
the mystery is solved nbc meteorologist

961  
00:42:17,030 --> 00:42:14,800  
kevin cool review saying that the

962  
00:42:18,790 --> 00:42:17,040  
hexagonal cloud shapes in bermuda are

963  
00:42:21,190 --> 00:42:18,800

not the cloud signature of what a

964

00:42:22,710 --> 00:42:21,200

microburst looks like

965

00:42:24,069 --> 00:42:22,720

and of course for more for the story you

966

00:42:25,190 --> 00:42:24,079

can visit this other article in the

967

00:42:27,750 --> 00:42:25,200

telegraph

968

00:42:29,910 --> 00:42:27,760

so a micro burst has been another

969

00:42:32,470 --> 00:42:29,920

explanation and what a microburst is is

970

00:42:33,349 --> 00:42:32,480

a tiny tiny storm front

971

00:42:35,030 --> 00:42:33,359

that

972

00:42:37,510 --> 00:42:35,040

will create

973

00:42:40,710 --> 00:42:37,520

high winds super high winds in a very

974

00:42:43,430 --> 00:42:40,720

small localized area

975

00:42:46,950 --> 00:42:43,440

people have also uh attributed that some

976

00:42:50,790 --> 00:42:46,960

of these may be due to water funnels or

977

00:42:52,309 --> 00:42:50,800

other strange meteorological phenomena

978

00:42:54,230 --> 00:42:52,319

um

979

00:42:57,510 --> 00:42:54,240

i remain uh

980

00:42:59,990 --> 00:42:57,520

open to any of the explanations being a

981

00:43:01,910 --> 00:43:00,000

possibility however i still

982

00:43:04,309 --> 00:43:01,920

uh i sort of lean against the atlantis

983

00:43:05,990 --> 00:43:04,319

it's a little too woo for me the latest

984

00:43:08,069 --> 00:43:06,000

explanation is like

985

00:43:10,470 --> 00:43:08,079

until somebody actually

986

00:43:11,990 --> 00:43:10,480

you know finds what we're sure is

987

00:43:13,430 --> 00:43:12,000

atlantis and i don't know how that's

988

00:43:14,710 --> 00:43:13,440

ever going to happen or if it's ever

989

00:43:15,510 --> 00:43:14,720

going to happen

990

00:43:17,829 --> 00:43:15,520

um

991

00:43:19,670 --> 00:43:17,839

you know it's just uh

992

00:43:22,630 --> 00:43:19,680

but this is this is

993

00:43:25,430 --> 00:43:22,640

i suppose this is the cause

994

00:43:28,150 --> 00:43:25,440

of a lot of speculation is that there

995

00:43:29,109 --> 00:43:28,160

are strange and mysterious things that

996

00:43:31,109 --> 00:43:29,119

happen

997

00:43:33,589 --> 00:43:31,119

in within this area

998

00:43:35,589 --> 00:43:33,599

so many ships lost so many airplanes

999

00:43:37,910 --> 00:43:35,599

lost people disappear without a trace

1000

00:43:40,870 --> 00:43:37,920

they never find bodies they never find

1001

00:43:42,470 --> 00:43:40,880

almost never find wreckage

1002

00:43:44,470 --> 00:43:42,480

it's interesting to note that that

1003

00:43:46,870 --> 00:43:44,480

flight of five airplanes that i

1004

00:43:48,870 --> 00:43:46,880

mentioned from 1945 which is always

1005

00:43:50,630 --> 00:43:48,880

cited almost first in every bermuda

1006

00:43:51,589 --> 00:43:50,640

triangle documentary

1007

00:43:54,630 --> 00:43:51,599

um

1008

00:43:56,230 --> 00:43:54,640

recently or more in more recent times a

1009

00:43:57,190 --> 00:43:56,240

few different people claimed to have

1010

00:44:00,069 --> 00:43:57,200

found

1011

00:44:01,829 --> 00:44:00,079

those five airplanes but in each case it

1012

00:44:03,589 --> 00:44:01,839

turned out to be incorrect

1013

00:44:04,550 --> 00:44:03,599

identification of

1014

00:44:06,550 --> 00:44:04,560

other

1015

00:44:08,550 --> 00:44:06,560

similar airplanes that went down and

1016

00:44:10,309 --> 00:44:08,560

were sitting on the ocean floor but not

1017

00:44:13,349 --> 00:44:10,319

these five

1018

00:44:15,589 --> 00:44:13,359

famous flight that was uh vanished in

1019

00:44:18,069 --> 00:44:15,599

the bermuda triangle

1020

00:44:19,349 --> 00:44:18,079

interesting that people

1021

00:44:21,270 --> 00:44:19,359

continue

1022

00:44:24,470 --> 00:44:21,280

to study these things though there are

1023

00:44:25,910 --> 00:44:24,480

people that go out every day and uh on

1024

00:44:27,589 --> 00:44:25,920

uncover

1025

00:44:30,870 --> 00:44:27,599

um

1026

00:44:32,950 --> 00:44:30,880

try and uncover i'm sorry the the

1027

00:44:36,630 --> 00:44:32,960

reason for this mystery

1028

00:44:39,589 --> 00:44:36,640

and this i suppose it's why uh

1029

00:44:42,150 --> 00:44:39,599

it's it's a it's just a great mystery

1030

00:44:43,589 --> 00:44:42,160

and will continue to be now i had some

1031

00:44:45,510 --> 00:44:43,599

stuff i was going to share but then i

1032

00:44:48,069 --> 00:44:45,520

realized it's from discover uk who

1033

00:44:50,630 --> 00:44:48,079

always copyright claims me and that was

1034

00:44:52,550 --> 00:44:50,640

an explanation of just how

1035

00:44:53,750 --> 00:44:52,560

methane um

1036

00:44:58,390 --> 00:44:53,760

releases

1037

00:45:00,790 --> 00:44:58,400

could cause a ship to to suddenly sink

1038

00:45:03,190 --> 00:45:00,800

with a demonstration i would advise you

1039

00:45:04,790 --> 00:45:03,200

to just look up methane gas bermuda

1040

00:45:07,030 --> 00:45:04,800

triangle put it in the youtube search

1041

00:45:08,710 --> 00:45:07,040

bar you'll find 20 videos

1042

00:45:09,990 --> 00:45:08,720

showing you that

1043

00:45:12,390 --> 00:45:10,000

we're going to err on the side of

1044

00:45:14,470 --> 00:45:12,400

caution considering current copyright

1045

00:45:16,150 --> 00:45:14,480

claim situation

1046

00:45:19,430 --> 00:45:16,160

and for those that have asked we do

1047

00:45:21,910 --> 00:45:19,440

still have a copyright strike against us

1048

00:45:23,670 --> 00:45:21,920

due to legal threats levied against us

1049

00:45:26,150 --> 00:45:23,680

i believe in error

1050

00:45:28,069 --> 00:45:26,160

we filed a counter notification and that

1051

00:45:30,470 --> 00:45:28,079

person making those false copyright

1052

00:45:32,390 --> 00:45:30,480

claims and issuing a hard strike on our

1053

00:45:33,670 --> 00:45:32,400

channel had 10 days to sue us in federal

1054

00:45:35,030 --> 00:45:33,680

court and prove

1055

00:45:37,430 --> 00:45:35,040

what they were saying was true and

1056

00:45:40,390 --> 00:45:37,440

accurate they chose not to do so

1057

00:45:44,390 --> 00:45:40,400

we still have a strike here and we still

1058

00:45:47,510 --> 00:45:44,400

have our four videos removed by youtube

1059

00:45:50,870 --> 00:45:47,520

i believe that this is due to uh youtube

1060

00:45:53,589 --> 00:45:50,880

having a backlog of these cases and uh

1061

00:45:56,950 --> 00:45:53,599

apparently uh in a short time

1062

00:45:59,109 --> 00:45:56,960

the strike should be removed and um

1063

00:46:02,150 --> 00:45:59,119

those four videos that were removed due

1064

00:46:04,150 --> 00:46:02,160

to legal threats will be replaced and

1065

00:46:05,829 --> 00:46:04,160

returned to our channel here

1066

00:46:07,829 --> 00:46:05,839

but in the meantime you can check out

1067

00:46:11,030 --> 00:46:07,839

our odyssey channel or our rumble

1068

00:46:13,190 --> 00:46:11,040

channel those so-called uh

1069

00:46:15,430 --> 00:46:13,200

too hot for youtube videos are still on

1070

00:46:17,270 --> 00:46:15,440

our alternate distribution points which

1071

00:46:19,589 --> 00:46:17,280

is more proof that the person who made

1072

00:46:21,190 --> 00:46:19,599

these claims against me

1073

00:46:22,790 --> 00:46:21,200

didn't really care about copyrights

1074

00:46:23,990 --> 00:46:22,800

because he only cared about copyrights

1075

00:46:26,069 --> 00:46:24,000

on youtube

1076  
00:46:28,230 --> 00:46:26,079  
apparently uh you know we can violate

1077  
00:46:31,349 --> 00:46:28,240  
copyrights all we want on our audio

1078  
00:46:33,430 --> 00:46:31,359  
podcast or you know for other video

1079  
00:46:34,710 --> 00:46:33,440  
distribution platforms and he doesn't

1080  
00:46:35,910 --> 00:46:34,720  
care

1081  
00:46:38,069 --> 00:46:35,920  
and that

1082  
00:46:40,870 --> 00:46:38,079  
it is what it is so

1083  
00:46:45,829 --> 00:46:42,870  
i did find a fun video that i am going

1084  
00:46:47,910 --> 00:46:45,839  
to share and uh this gentleman has a

1085  
00:46:50,309 --> 00:46:47,920  
paraglider and i wanted to be able to

1086  
00:46:52,150 --> 00:46:50,319  
just show you some of the area

1087  
00:46:53,990 --> 00:46:52,160  
and and also i just thought that this

1088  
00:46:56,870 --> 00:46:54,000

video was pretty interesting because

1089

00:46:59,990 --> 00:46:56,880

this guy's got balls

1090

00:47:01,510 --> 00:47:00,000

you would not catch me on a paraglider

1091

00:47:03,190 --> 00:47:01,520

something as flimsy as a power i don't

1092

00:47:04,790 --> 00:47:03,200

even want to fly through the bermuda

1093

00:47:06,470 --> 00:47:04,800

triangle or take a boat through the

1094

00:47:09,190 --> 00:47:06,480

bermuda triangle

1095

00:47:10,630 --> 00:47:09,200

uh this guy uh

1096

00:47:12,309 --> 00:47:10,640

we're gonna share my screen first i'm

1097

00:47:14,710 --> 00:47:12,319

gonna put up my fair use banner and once

1098

00:47:16,710 --> 00:47:14,720

again we're gonna uh cite fair use this

1099

00:47:18,790 --> 00:47:16,720

is transformative work we're educating

1100

00:47:19,750 --> 00:47:18,800

the public we are

1101

00:47:21,910 --> 00:47:19,760

uh

1102

00:47:23,990 --> 00:47:21,920

using this video and we will be

1103

00:47:25,750 --> 00:47:24,000

critiquing it and offering our

1104

00:47:27,270 --> 00:47:25,760

commentary and discussing it with the

1105

00:47:29,589 --> 00:47:27,280

live chat

1106

00:47:31,829 --> 00:47:29,599

this is certainly fair use and allowable

1107

00:47:33,750 --> 00:47:31,839

by law

1108

00:47:36,309 --> 00:47:33,760

all right

1109

00:47:38,390 --> 00:47:36,319

so this crazy guy has got a power a

1110

00:47:40,870 --> 00:47:38,400

power motor a paraglider for those who

1111

00:47:43,750 --> 00:47:40,880

don't know that's a parachute with the

1112

00:47:45,670 --> 00:47:43,760

engine you strap on your back basically

1113

00:47:48,069 --> 00:47:45,680

um

1114

00:47:50,309 --> 00:47:48,079

i'm sure it's fun right but uh i don't

1115

00:47:52,870 --> 00:47:50,319

think it's fun over the bermuda triangle

1116

00:47:55,030 --> 00:47:52,880

but i wanted to give you some view of

1117

00:47:57,750 --> 00:47:55,040

the florida coastline and this offers us

1118

00:47:59,030 --> 00:47:57,760

a good opportunity to do that so

1119

00:48:01,109 --> 00:47:59,040

um

1120

00:48:03,990 --> 00:48:01,119

we have uh

1121

00:48:06,309 --> 00:48:04,000

one second here i wanted to just mention

1122

00:48:07,829 --> 00:48:06,319

it's chucky wright's channel uh

1123

00:48:09,910 --> 00:48:07,839

hopefully he doesn't mind that we're

1124

00:48:11,990 --> 00:48:09,920

sharing his video he's got a bunch of

1125

00:48:14,150 --> 00:48:12,000

great flight videos on his youtube

1126  
00:48:17,030 --> 00:48:14,160  
channel really enjoyed some of his uh

1127  
00:48:21,990 --> 00:48:17,040  
videos when researching this story

1128  
00:48:25,750 --> 00:48:24,069  
here we have this guy flying right into

1129  
00:48:27,510 --> 00:48:25,760  
the verbena triangle from off the

1130  
00:48:29,349 --> 00:48:27,520  
bermuda coast and i just want to say

1131  
00:48:32,790 --> 00:48:29,359  
that this guy is

1132  
00:48:35,270 --> 00:48:32,800  
a lot more uh brave than i would i would

1133  
00:48:37,910 --> 00:48:35,280  
be nothing but a parachute and a little

1134  
00:48:40,470 --> 00:48:37,920  
motor with a few gallon tank of gas uh

1135  
00:48:42,710 --> 00:48:40,480  
uh you wouldn't catch me out there

1136  
00:48:44,790 --> 00:48:42,720  
[Music]

1137  
00:48:46,950 --> 00:48:44,800  
so we got about five miles to go off

1138  
00:48:48,950 --> 00:48:46,960

shore basically where that ship is out

1139

00:48:51,030 --> 00:48:48,960

way farther yeah so it begins off the

1140

00:48:53,190 --> 00:48:51,040

florida coast about five miles off off

1141

00:48:54,670 --> 00:48:53,200

of the florida coast

1142

00:48:57,430 --> 00:48:54,680

yeah about where that ship

1143

00:49:02,309 --> 00:48:57,440

is a little bit more once we get farther

1144

00:49:06,950 --> 00:49:04,150

well guys

1145

00:49:09,430 --> 00:49:06,960

we are officially out of the last ring

1146

00:49:11,829 --> 00:49:09,440

for height restrictions

1147

00:49:19,109 --> 00:49:11,839

so now we are able to kind of just push

1148

00:49:23,990 --> 00:49:21,589

yeah and notice the color of the water

1149

00:49:25,349 --> 00:49:24,000

like i said there is this strange effect

1150

00:49:26,630 --> 00:49:25,359

when you're in blue

1151  
00:49:28,309 --> 00:49:26,640  
water

1152  
00:49:30,390 --> 00:49:28,319  
with blue skies where you can actually

1153  
00:49:35,109 --> 00:49:30,400  
lose the horizon

1154  
00:49:39,030 --> 00:49:37,270  
3 000 foot is my limit

1155  
00:49:40,390 --> 00:49:39,040  
on this next ring so

1156  
00:49:42,150 --> 00:49:40,400  
we're sitting at a thousand feet right

1157  
00:49:44,069 --> 00:49:42,160  
now we got plenty more ground to cover

1158  
00:49:46,150 --> 00:49:44,079  
this is why it's important to stay

1159  
00:49:47,990 --> 00:49:46,160  
inside of the correct air spaces this

1160  
00:49:49,829 --> 00:49:48,000  
guy's probably flying at

1161  
00:49:51,349 --> 00:49:49,839  
30 something 100 feet maybe not he's

1162  
00:49:52,069 --> 00:49:51,359  
probably actually inside this air space

1163  
00:49:53,829 --> 00:49:52,079

but

1164

00:49:55,510 --> 00:49:53,839

we're both in the legal

1165

00:49:58,549 --> 00:49:55,520

open air space right now and each is

1166

00:50:00,630 --> 00:49:58,559

cruising and i'm just cruising i saw him

1167

00:50:02,950 --> 00:50:00,640

coming i dropped four or 500 feet when

1168

00:50:04,950 --> 00:50:02,960

he was probably about a mile out

1169

00:50:17,829 --> 00:50:04,960

and we're good because he's up there

1170

00:50:21,109 --> 00:50:19,430

that's how it's done you got to keep

1171

00:50:22,870 --> 00:50:21,119

your eyes peeled at all times this is

1172

00:50:25,109 --> 00:50:22,880

something that i've been actually proud

1173

00:50:27,109 --> 00:50:25,119

of myself for while flying pair voters

1174

00:50:29,190 --> 00:50:27,119

is constantly looking up for planes

1175

00:50:31,430 --> 00:50:29,200

constantly

1176

00:50:34,390 --> 00:50:31,440

well guys we are officially inside of

1177

00:50:36,390 --> 00:50:34,400

the bermuda triangle

1178

00:50:38,829 --> 00:50:36,400

we are literally out here in the side of

1179

00:50:45,109 --> 00:50:42,069

triangle little 360 panorama

1180

00:51:03,270 --> 00:50:46,790

you see a cruise ship up there in the

1181

00:51:48,870 --> 00:51:04,710

you can see the commercial airliner

1182

00:51:59,510 --> 00:51:50,549

this is it we freaking made it into the

1183

00:51:59,520 --> 00:52:05,190

pretty cool i mean i thought you're just

1184

00:52:10,470 --> 00:52:06,870

pretty interesting

1185

00:52:15,270 --> 00:52:13,109

you know uh one of the things is when

1186

00:52:17,510 --> 00:52:15,280

when you go out there there's not much

1187

00:52:19,510 --> 00:52:17,520

to see i mean it's just water right if

1188

00:52:22,790 --> 00:52:19,520

you go over

1189

00:52:24,549 --> 00:52:22,800

the uh the five miles from the coast you

1190

00:52:27,990 --> 00:52:24,559

could still see the coast so i felt like

1191

00:52:32,069 --> 00:52:30,069

yeah i i know the sound on the video was

1192

00:52:34,950 --> 00:52:32,079

low he was just talking about going over

1193

00:52:36,790 --> 00:52:34,960

the border of you know the edge the five

1194

00:52:40,950 --> 00:52:36,800

mile mark

1195

00:52:43,910 --> 00:52:40,960

the florida coast apparently you are in

1196

00:52:46,390 --> 00:52:43,920

the bermuda triangle and once when i was

1197

00:52:48,470 --> 00:52:46,400

in florida we're out on boats and yeah

1198

00:52:50,710 --> 00:52:48,480

you go over the five mile

1199

00:52:53,030 --> 00:52:50,720

thing and you're in the bermuda triangle

1200

00:52:55,270 --> 00:52:53,040

but right there it's it's not very scary

1201  
00:52:57,270 --> 00:52:55,280  
to me because if five miles you could

1202  
00:52:59,190 --> 00:52:57,280  
still look back and see the shore and

1203  
00:53:01,030 --> 00:52:59,200  
know where you're at and you don't get

1204  
00:53:02,630 --> 00:53:01,040  
those disoriented effects that you do

1205  
00:53:03,990 --> 00:53:02,640  
when you're surrounded by blue skies and

1206  
00:53:06,470 --> 00:53:04,000  
blue water

1207  
00:53:07,990 --> 00:53:06,480  
um i

1208  
00:53:09,030 --> 00:53:08,000  
um

1209  
00:53:28,710 --> 00:53:09,040  
i

1210  
00:53:30,470 --> 00:53:28,720  
myself now so

1211  
00:53:32,950 --> 00:53:30,480  
one of the things that

1212  
00:53:35,510 --> 00:53:32,960  
struck me was that it's it's not very

1213  
00:53:37,990 --> 00:53:35,520

scary being right on the edge of the

1214

00:53:39,990 --> 00:53:38,000

bermuda triangle because you can you can

1215

00:53:43,109 --> 00:53:40,000

look back and see

1216

00:53:43,990 --> 00:53:43,119

the shoreline so to me it wasn't scary

1217

00:53:46,150 --> 00:53:44,000

at all

1218

00:53:48,549 --> 00:53:46,160

you know if push came to shove i could

1219

00:53:51,670 --> 00:53:48,559

swim five miles right i don't know about

1220

00:53:54,309 --> 00:53:51,680

in shark infested waters but

1221

00:53:57,589 --> 00:53:54,319

but me i don't like that i have been on

1222

00:53:59,589 --> 00:53:57,599

the ocean in a boat

1223

00:54:01,510 --> 00:53:59,599

cabin cruisers both with my father and i

1224

00:54:03,270 --> 00:54:01,520

was in some called sea explorers which

1225

00:54:05,270 --> 00:54:03,280

is like

1226

00:54:06,549 --> 00:54:05,280

it's like boy scouts for people that

1227

00:54:08,549 --> 00:54:06,559

like boats

1228

00:54:11,670 --> 00:54:08,559

and i really want to be in it my dad

1229

00:54:14,710 --> 00:54:11,680

sort of made me me and my brother but

1230

00:54:17,349 --> 00:54:14,720

anyway we once took a cabin cruiser boat

1231

00:54:20,790 --> 00:54:17,359

back from the jersey shore

1232

00:54:23,430 --> 00:54:20,800

uh all the way down the coast of jersey

1233

00:54:25,349 --> 00:54:23,440

to pennsylvania coast up through the

1234

00:54:27,510 --> 00:54:25,359

delaware river

1235

00:54:29,750 --> 00:54:27,520

to take this boat

1236

00:54:31,990 --> 00:54:29,760

and moor it someplace

1237

00:54:34,549 --> 00:54:32,000

and

1238

00:54:37,030 --> 00:54:34,559

we had very very uh

1239

00:54:40,150 --> 00:54:37,040

bad weather the whole trip and i was

1240

00:54:42,549 --> 00:54:40,160

throwing up for about two days straight

1241

00:54:45,750 --> 00:54:42,559

uh and eating cold ham sandwiches it was

1242

00:54:47,270 --> 00:54:45,760

terrible but uh the one of the that was

1243

00:54:48,870 --> 00:54:47,280

one of the times that i've been out on

1244

00:54:51,349 --> 00:54:48,880

the open ocean

1245

00:54:52,630 --> 00:54:51,359

i don't know why i thought the best way

1246

00:54:54,390 --> 00:54:52,640

to navigate

1247

00:54:56,309 --> 00:54:54,400

back to the delaware river would just be

1248

00:54:57,910 --> 00:54:56,319

to hug the coastline

1249

00:54:59,750 --> 00:54:57,920

and but

1250

00:55:01,589 --> 00:54:59,760

for whatever reason the person the

1251  
00:55:02,950 --> 00:55:01,599  
captain the person in charge of the boat

1252  
00:55:05,910 --> 00:55:02,960  
who wasn't my father who's a friend of

1253  
00:55:08,150 --> 00:55:05,920  
my father's the the sea scout master

1254  
00:55:11,510 --> 00:55:08,160  
decided to drive us

1255  
00:55:13,910 --> 00:55:11,520  
10 or 15 or 20 miles out of shore

1256  
00:55:17,270 --> 00:55:13,920  
and then make the turn to go towards the

1257  
00:55:19,190 --> 00:55:17,280  
delaware river and i felt very uneasy in

1258  
00:55:20,710 --> 00:55:19,200  
fact every time i've ever been out on

1259  
00:55:23,589 --> 00:55:20,720  
open ocean and i couldn't see the

1260  
00:55:25,190 --> 00:55:23,599  
shoreline i felt very uneasy

1261  
00:55:27,670 --> 00:55:25,200  
but

1262  
00:55:29,589 --> 00:55:27,680  
in on the east coast

1263  
00:55:31,990 --> 00:55:29,599

at least in my experience when you're

1264

00:55:34,870 --> 00:55:32,000

out on jersey water or

1265

00:55:37,109 --> 00:55:34,880

pennsylvania water or delaware water or

1266

00:55:37,990 --> 00:55:37,119

maryland whatever

1267

00:55:41,270 --> 00:55:38,000

um

1268

00:55:42,710 --> 00:55:41,280

the the ocean is darker it's not

1269

00:55:45,270 --> 00:55:42,720

sky blue

1270

00:55:47,829 --> 00:55:45,280

so i think a leading cause of this

1271

00:55:50,549 --> 00:55:47,839

disorientation could also be the lack of

1272

00:55:52,950 --> 00:55:50,559

being able to tell the horizon

1273

00:55:54,950 --> 00:55:52,960

the blue water and blue sky merge and

1274

00:55:57,349 --> 00:55:54,960

you're not sure where the horizon is

1275

00:55:58,789 --> 00:55:57,359

it's very uh confusing

1276

00:55:59,829 --> 00:55:58,799

to your senses

1277

00:56:02,309 --> 00:55:59,839

um

1278

00:56:03,670 --> 00:56:02,319

anyway i don't like to this day i won't

1279

00:56:05,910 --> 00:56:03,680

go on a boat

1280

00:56:07,510 --> 00:56:05,920

if we're going to go so far out that the

1281

00:56:09,190 --> 00:56:07,520

i don't see the shore

1282

00:56:13,349 --> 00:56:09,200

i like to be able to know where i got to

1283

00:56:16,789 --> 00:56:14,069

uh

1284

00:56:18,870 --> 00:56:16,799

effluent for you is asking did i ever no

1285

00:56:21,349 --> 00:56:18,880

i wrote a greyhound halfway across the

1286

00:56:22,950 --> 00:56:21,359

country once not all the way but halfway

1287

00:56:24,710 --> 00:56:22,960

for sure

1288

00:56:27,670 --> 00:56:24,720

so uh

1289

00:56:31,270 --> 00:56:27,680

boy what can i say uh the mystery is an

1290

00:56:33,510 --> 00:56:31,280

enduring mystery for a reason is

1291

00:56:36,150 --> 00:56:33,520

the bermuda triangle strange effects

1292

00:56:37,990 --> 00:56:36,160

being caused by some sort of strange

1293

00:56:40,069 --> 00:56:38,000

ancient technology

1294

00:56:42,829 --> 00:56:40,079

ruins in that area that may be related

1295

00:56:46,470 --> 00:56:42,839

to atlantis or some other lost high-tech

1296

00:56:48,470 --> 00:56:46,480

civilization lost to history

1297

00:56:51,109 --> 00:56:48,480

is it the magnetite

1298

00:56:53,349 --> 00:56:51,119

the strange rock formations that are

1299

00:56:54,710 --> 00:56:53,359

magnetic causing strange magnetic

1300

00:56:57,510 --> 00:56:54,720

anomalies

1301  
00:57:00,150 --> 00:56:57,520  
and interfering with electrical devices

1302  
00:57:02,950 --> 00:57:00,160  
is it the weather phenomenon there

1303  
00:57:03,910 --> 00:57:02,960  
that causes this is it simply the fact

1304  
00:57:06,069 --> 00:57:03,920  
that

1305  
00:57:07,270 --> 00:57:06,079  
blue skies and blue

1306  
00:57:09,430 --> 00:57:07,280  
water

1307  
00:57:11,270 --> 00:57:09,440  
can disorient people and make them

1308  
00:57:13,589 --> 00:57:11,280  
unable to tell where the horizon is so

1309  
00:57:14,789 --> 00:57:13,599  
they make navigation errors

1310  
00:57:17,109 --> 00:57:14,799  
especially

1311  
00:57:17,990 --> 00:57:17,119  
they could make navigation errors

1312  
00:57:21,270 --> 00:57:18,000  
when

1313  
00:57:23,270 --> 00:57:21,280

the use of their own

1314

00:57:25,829 --> 00:57:23,280

navigation equipment their compasses

1315

00:57:27,910 --> 00:57:25,839

their gps their electrical devices all

1316

00:57:29,589 --> 00:57:27,920

fail and their radios fail so they can't

1317

00:57:31,829 --> 00:57:29,599

call for help

1318

00:57:33,670 --> 00:57:31,839

i believe that it may be a combination

1319

00:57:35,109 --> 00:57:33,680

of these things

1320

00:57:38,470 --> 00:57:35,119

and uh

1321

00:57:40,309 --> 00:57:38,480

but on and on we go and there are still

1322

00:57:42,950 --> 00:57:40,319

stories that come out of the bermuda

1323

00:57:45,589 --> 00:57:42,960

triangle every year

1324

00:57:47,740 --> 00:57:45,599

uh interestingly uh here's another one

1325

00:57:48,870 --> 00:57:47,750

of those stories about

1326

00:57:50,950 --> 00:57:48,880

[Music]

1327

00:57:59,910 --> 00:57:50,960

gas giants

1328

00:58:03,270 --> 00:58:01,589

do gas bubbles explain the mystery of

1329

00:58:05,030 --> 00:58:03,280

the bermuda triangle and again we're

1330

00:58:07,109 --> 00:58:05,040

going to cite fair use this is from the

1331

00:58:12,069 --> 00:58:07,119

guardian

1332

00:58:15,589 --> 00:58:13,910

apparently ships certainly could sink

1333

00:58:17,750 --> 00:58:15,599

suddenly if the water beneath them turn

1334

00:58:21,030 --> 00:58:17,760

to foam which these craters measuring up

1335

00:58:23,750 --> 00:58:21,040

to 45 meters deep and 800 meters wide

1336

00:58:25,510 --> 00:58:23,760

could be capable of doing

1337

00:58:26,950 --> 00:58:25,520

uh and then they go on dimensions so

1338

00:58:29,030 --> 00:58:26,960

that solves the mystery of the bermuda

1339

00:58:30,950 --> 00:58:29,040

triangle nope why not first it isn't

1340

00:58:33,589 --> 00:58:30,960

clear whether gas blowouts happen in the

1341

00:58:35,109 --> 00:58:33,599

triangle area second even if they did it

1342

00:58:36,950 --> 00:58:35,119

isn't clear how they would make planes

1343

00:58:38,390 --> 00:58:36,960

vanish from the sky above

1344

00:58:39,990 --> 00:58:38,400

third several of the incidents

1345

00:58:42,069 --> 00:58:40,000

attributed to the bermuda triangle

1346

00:58:44,309 --> 00:58:42,079

involved people vanishing from ships

1347

00:58:46,390 --> 00:58:44,319

rather than the whole ship vanishing

1348

00:58:48,390 --> 00:58:46,400

that's another thing a lot of people go

1349

00:58:50,710 --> 00:58:48,400

missing even if the ship doesn't

1350

00:58:52,630 --> 00:58:50,720

disappear people disappear off the ships

1351

00:58:55,349 --> 00:58:52,640

inside the bermuda triangle which is

1352

00:58:58,309 --> 00:58:55,359

another part of the strange phenomenon

1353

00:58:59,990 --> 00:58:58,319

that is the bermuda triangle

1354

00:59:02,150 --> 00:59:00,000

gotti's original articles and others

1355

00:59:03,750 --> 00:59:02,160

that follow it if were total cobblers

1356

00:59:05,750 --> 00:59:03,760

some supposedly vanished boats were

1357

00:59:07,030 --> 00:59:05,760

later found other vanishings such as the

1358

00:59:10,470 --> 00:59:07,040

disappearance

1359

00:59:13,190 --> 00:59:10,480

yes it was the 1945 of the five flight

1360

00:59:15,829 --> 00:59:13,200

19 training planes aren't just difficult

1361

00:59:18,309 --> 00:59:15,839

to explain they got lost and ran out of

1362

00:59:20,630 --> 00:59:18,319

fuel indeed boats and planes only vanish

1363

00:59:22,150 --> 00:59:20,640

in a bermuda triangle about as often as

1364

00:59:24,309 --> 00:59:22,160

they vanish everywhere else i believe

1365

00:59:25,750 --> 00:59:24,319

that to be inaccurate according to my

1366

00:59:27,990 --> 00:59:25,760

research but

1367

00:59:32,630 --> 00:59:28,000

again when you get into a great mystery

1368

00:59:35,030 --> 00:59:33,670

uh

1369

00:59:36,950 --> 00:59:35,040

i do say

1370

00:59:38,870 --> 00:59:36,960

did aliens make people believe that

1371

00:59:42,230 --> 00:59:38,880

ships were going missing in the west

1372

00:59:44,309 --> 00:59:42,240

atlantic attack the killer sea farts

1373

00:59:47,109 --> 00:59:44,319

yeah very interesting article

1374

00:59:50,630 --> 00:59:47,119

on whether or not the gases are what is

1375

00:59:53,349 --> 00:59:50,640

causing these strange phenomenon

1376

00:59:56,870 --> 00:59:53,359

and i had another story but i somehow

1377

01:00:00,950 --> 00:59:58,829

just bear with me

1378

01:00:04,150 --> 01:00:00,960

friends because like i said there's

1379

01:00:06,630 --> 01:00:04,160

always stories uh there's always stories

1380

01:00:08,390 --> 01:00:06,640

coming out of the bermuda triangle

1381

01:00:11,190 --> 01:00:08,400

that's an interesting place people are

1382

01:00:12,710 --> 01:00:11,200

aware of the strange happenings and the

1383

01:00:15,109 --> 01:00:12,720

mysteries

1384

01:00:17,349 --> 01:00:15,119

in the bermuda triangle so quite often

1385

01:00:18,710 --> 01:00:17,359

there are news stories uh that talk

1386

01:00:22,390 --> 01:00:18,720

about the mystery of the bermuda

1387

01:00:23,430 --> 01:00:22,400

triangle here we have a recent story

1388

01:00:25,670 --> 01:00:23,440

man

1389

01:00:27,829 --> 01:00:25,680

discovered clinging to his capsized boat

1390

01:00:29,829 --> 01:00:27,839

after being lost in the bermuda triangle

1391

01:00:32,870 --> 01:00:29,839

nearly 24 hours after being reported

1392

01:00:34,950 --> 01:00:32,880

lost at sea 62 year old florida man was

1393

01:00:36,390 --> 01:00:34,960

found clinging to the wreck of his

1394

01:00:38,309 --> 01:00:36,400

capsized boat

1395

01:00:40,150 --> 01:00:38,319

stuart b was spotted by the crew on

1396

01:00:43,430 --> 01:00:40,160

board the container ship

1397

01:00:47,750 --> 01:00:43,440

angelus some 86 miles wow

1398

01:00:50,069 --> 01:00:47,760

he was 86 miles off the coast of florida

1399

01:00:53,750 --> 01:00:50,079

near cape canaveral

1400

01:00:55,910 --> 01:00:53,760

holding firmly to the hull of his boat

1401

01:00:58,870 --> 01:00:55,920

the region conforms to the traditional

1402

01:01:00,150 --> 01:00:58,880

boundaries of the bermuda triangle so he

1403

01:01:02,470 --> 01:01:00,160

was definitely within the bermuda

1404

01:01:03,990 --> 01:01:02,480

triangle when his boat went missing

1405

01:01:05,670 --> 01:01:04,000

according to the us coast guard

1406

01:01:07,270 --> 01:01:05,680

authorities had been searching for signs

1407

01:01:11,750 --> 01:01:07,280

of the man since he was first reported

1408

01:01:17,270 --> 01:01:12,870

and here

1409

01:01:20,710 --> 01:01:18,470

one second

1410

01:01:21,589 --> 01:01:20,720

i'm going to share that from twitter so

1411

01:01:26,069 --> 01:01:21,599

we can

1412

01:01:31,750 --> 01:01:28,630

pretty interesting that guy is a very

1413

01:01:36,710 --> 01:01:31,760

lucky man because he's he was

1414

01:01:42,150 --> 01:01:39,589

he was clinging to

1415

01:01:44,549 --> 01:01:42,160

his capsized boat for some 24 hours

1416

01:01:45,829 --> 01:01:44,559

before he was located by a container

1417

01:01:46,789 --> 01:01:45,839

ship

1418

01:01:48,069 --> 01:01:46,799

um

1419

01:01:49,510 --> 01:01:48,079

and

1420

01:01:50,870 --> 01:01:49,520

here's a photo

1421

01:01:52,390 --> 01:01:50,880

of one of the people on the ship who

1422

01:01:54,150 --> 01:01:52,400

gave them some new clothes

1423

01:01:57,109 --> 01:01:54,160

it's nice to know they're still decent

1424

01:02:02,870 --> 01:01:57,119

humans on planet earth right

1425

01:02:06,630 --> 01:02:04,789

a fox news report said the person who

1426

01:02:08,549 --> 01:02:06,640

reported be missing became worried since

1427

01:02:10,710 --> 01:02:08,559

he didn't return by saturday after

1428

01:02:12,470 --> 01:02:10,720

leaving cape marina on friday b

1429

01:02:14,309 --> 01:02:12,480

typically didn't stay out at sea

1430

01:02:15,990 --> 01:02:14,319

overnight

1431

01:02:18,069 --> 01:02:16,000

dramatic photos shared by the coast

1432

01:02:19,829 --> 01:02:18,079

guard show bee swimming safety and

1433

01:02:22,309 --> 01:02:19,839

climbing aboard the container ship that

1434

01:02:24,069 --> 01:02:22,319

spotted him captain mark vian of the

1435

01:02:26,950 --> 01:02:24,079

coast guard's jacksonville sector was

1436

01:02:28,710 --> 01:02:26,960

grateful to all involved in bee's rescue

1437

01:02:30,390 --> 01:02:28,720

saving lives at sea is our highest

1438

01:02:32,470 --> 01:02:30,400

calling this is truly incredible outcome

1439

01:02:34,950 --> 01:02:32,480

that demonstrates the bond

1440

01:02:37,109 --> 01:02:34,960

among all matador mariners and our

1441

01:02:39,109 --> 01:02:37,119

community

1442

01:02:40,789 --> 01:02:39,119

the man's condition was immediately not

1443

01:02:43,109 --> 01:02:40,799

known but i think it's safe to say he is

1444

01:02:45,910 --> 01:02:43,119

more than relieved to be back on dry

1445

01:02:48,470 --> 01:02:45,920

land yeah so there we go

1446

01:02:49,829 --> 01:02:48,480

um and if you search bermuda triangle

1447

01:02:52,390 --> 01:02:49,839

today

1448

01:02:54,390 --> 01:02:52,400

this is an interesting google experiment

1449

01:02:56,230 --> 01:02:54,400

you will be surprised at the number of

1450

01:02:57,589 --> 01:02:56,240

stories that come out of the bermuda

1451

01:03:00,309 --> 01:02:57,599

triangle

1452

01:03:04,150 --> 01:03:02,470

more stories and more stories and more

1453

01:03:06,630 --> 01:03:04,160

stories

1454

01:03:10,549 --> 01:03:08,470

yes the urban way mentioning boats

1455

01:03:12,870 --> 01:03:10,559

capsized all over the world

1456

01:03:14,789 --> 01:03:12,880

i i absolutely agree with you it's it's

1457

01:03:17,109 --> 01:03:14,799

just something that happens but it's it

1458

01:03:20,470 --> 01:03:17,119

does seem statistically to happen

1459

01:03:22,230 --> 01:03:20,480

at a much higher clip in that area than

1460

01:03:23,829 --> 01:03:22,240

up the rest of the coastline at least

1461

01:03:26,069 --> 01:03:23,839

from the research that i've been able to

1462

01:03:28,230 --> 01:03:26,079

determine in statistics that we were

1463

01:03:29,270 --> 01:03:28,240

able to find about shipwrecks off of

1464

01:03:31,029 --> 01:03:29,280

each

1465

01:03:33,349 --> 01:03:31,039

uh state

1466

01:03:35,670 --> 01:03:33,359

coast in other words i looked up the

1467

01:03:38,309 --> 01:03:35,680

statistics for shipwrecks

1468

01:03:40,230 --> 01:03:38,319

lost ships and lost airplanes off of

1469

01:03:41,190 --> 01:03:40,240

each coastal state up and down the east

1470

01:03:43,589 --> 01:03:41,200

coast

1471

01:03:45,430 --> 01:03:43,599

and i think that it's pretty clear if

1472

01:03:48,950 --> 01:03:45,440

you do that that there is a

1473

01:03:51,990 --> 01:03:48,960

much huger amount in florida now

1474

01:03:54,069 --> 01:03:52,000

could this be

1475

01:03:56,069 --> 01:03:54,079

a nothing burger could be because

1476

01:03:58,390 --> 01:03:56,079

obviously there's a lot more boats in

1477

01:04:00,870 --> 01:03:58,400

florida sunny florida a lot more people

1478

01:04:02,069 --> 01:04:00,880

have personal pleasure craft and boats

1479

01:04:05,589 --> 01:04:02,079

and shipping

1480

01:04:07,430 --> 01:04:05,599

boats and um there's a lot more

1481

01:04:09,430 --> 01:04:07,440

there's ports in florida where shipping

1482

01:04:11,109 --> 01:04:09,440

container ships come in

1483

01:04:12,470 --> 01:04:11,119

um but then again there's ports in

1484

01:04:13,589 --> 01:04:12,480

philadelphia where shipping container

1485

01:04:16,150 --> 01:04:13,599

ships come in

1486

01:04:17,109 --> 01:04:16,160

and in many other coastal cities so who

1487

01:04:19,670 --> 01:04:17,119

knows

1488

01:04:21,270 --> 01:04:19,680

um it could be that there's just a hell

1489

01:04:23,190 --> 01:04:21,280

of a lot of boats in florida and a hell

1490

01:04:25,109 --> 01:04:23,200

of a lot of people going out on boats in

1491

01:04:26,710 --> 01:04:25,119

florida so statistically sure there's

1492

01:04:28,069 --> 01:04:26,720

going to be more shipwrecks there's

1493

01:04:29,990 --> 01:04:28,079

going to be more missing boats there's

1494

01:04:32,789 --> 01:04:30,000

going to be more boats to cap size due

1495

01:04:35,910 --> 01:04:32,799

to bad weather whatever the case may be

1496

01:04:38,390 --> 01:04:35,920

um you never know though right

1497

01:04:41,270 --> 01:04:38,400

i mean it's uh it's better to go to that

1498

01:04:42,789 --> 01:04:41,280

than to uh i suppose

1499

01:04:44,870 --> 01:04:42,799

air on the side of caution then go

1500

01:04:47,109 --> 01:04:44,880

straight to it's got to be time travel

1501  
01:04:48,950 --> 01:04:47,119  
teleportation devices from the ancient

1502  
01:04:50,870 --> 01:04:48,960  
city of atlantis

1503  
01:04:52,630 --> 01:04:50,880  
um again i've always thought that was a

1504  
01:04:54,789 --> 01:04:52,640  
bit of a stretch but that's something

1505  
01:04:56,710 --> 01:04:54,799  
that people always bring up when we talk

1506  
01:04:57,910 --> 01:04:56,720  
about the bermuda triangle

1507  
01:04:59,670 --> 01:04:57,920  
so

1508  
01:05:01,270 --> 01:04:59,680  
this is about all i have to share with

1509  
01:05:03,910 --> 01:05:01,280  
you friends we're going to call today's

1510  
01:05:06,069 --> 01:05:03,920  
presentation a quick one like i said i

1511  
01:05:07,430 --> 01:05:06,079  
do have a great deal of show business to

1512  
01:05:09,589 --> 01:05:07,440  
do off

1513  
01:05:11,349 --> 01:05:09,599

that doesn't involve broadcasting which

1514

01:05:13,589 --> 01:05:11,359

means trying to get caught up to our

1515

01:05:15,510 --> 01:05:13,599

audio podcasts were a bunch of shows

1516

01:05:17,750 --> 01:05:15,520

behind i know people have been messaging

1517

01:05:19,829 --> 01:05:17,760

me and uh that should be fixed tonight

1518

01:05:22,470 --> 01:05:19,839

as well as some other stupid issues that

1519

01:05:23,829 --> 01:05:22,480

we're gonna have to try to deal with

1520

01:05:25,190 --> 01:05:23,839

so

1521

01:05:27,349 --> 01:05:25,200

here's what we're gonna do friends we're

1522

01:05:28,789 --> 01:05:27,359

gonna take a short musical break and

1523

01:05:30,470 --> 01:05:28,799

when i return

1524

01:05:31,990 --> 01:05:30,480

we will be

1525

01:05:33,589 --> 01:05:32,000

uh

1526

01:05:35,029 --> 01:05:33,599

taking comments questions and

1527

01:05:37,349 --> 01:05:35,039

suggestions

1528

01:05:39,270 --> 01:05:37,359

for future shows from the live chat and

1529

01:05:41,510 --> 01:05:39,280

also reading any super chats don't

1530

01:05:43,829 --> 01:05:41,520

believe that we've gotten any tonight so

1531

01:05:45,349 --> 01:05:43,839

far but get those super chats in we will

1532

01:05:48,549 --> 01:05:45,359

be reading them

1533

01:06:01,470 --> 01:05:48,559

uh when we return

1534

01:06:17,270 --> 01:06:07,070

[Music]

1535

01:06:17,280 --> 01:06:49,490

locked away forever

1536

01:07:04,470 --> 01:06:51,690

[Applause]

1537

01:07:09,990 --> 01:07:06,950

i wish i could let go

1538

01:07:29,589 --> 01:07:10,000

and just walk out of this prison

1539

01:07:29,599 --> 01:08:02,330

there's nothing left

1540

01:08:02,340 --> 01:08:08,150

[Music]

1541

01:08:08,160 --> 01:08:14,789

little room

1542

01:08:14,799 --> 01:08:38,789

away

1543

01:08:38,799 --> 01:08:58,889

that is

1544

01:08:58,899 --> 01:09:10,390

[Applause]

1545

01:09:14,709 --> 01:09:12,149

and we're back friends and i notice

1546

01:09:17,510 --> 01:09:14,719

there's some uh really excellent

1547

01:09:19,590 --> 01:09:17,520

comments and uh suggestions

1548

01:09:21,990 --> 01:09:19,600

or comments and questions in the live

1549

01:09:23,910 --> 01:09:22,000

chat so we're gonna get to that and read

1550

01:09:25,430 --> 01:09:23,920

any super chats that we have to read a

1551

01:09:26,870 --> 01:09:25,440

few ways you could support the show one

1552

01:09:28,789 --> 01:09:26,880

of them is to join our patreon for as

1553

01:09:30,950 --> 01:09:28,799

little as a dollar a month you could set

1554

01:09:32,550 --> 01:09:30,960

a paypal donation or a super chat that

1555

01:09:34,550 --> 01:09:32,560

would be the money button down there and

1556

01:09:37,749 --> 01:09:34,560

throw a couple of bucks in our hat keep

1557

01:09:39,829 --> 01:09:37,759

us moving forward doing content like

1558

01:09:41,910 --> 01:09:39,839

this for you to enjoy

1559

01:09:45,669 --> 01:09:41,920

i'm gonna check in real quickly with the

1560

01:09:49,030 --> 01:09:45,679

uh with the paypal and yeah on uh

1561

01:09:50,630 --> 01:09:49,040

january 8th we have kind and generous

1562

01:09:52,229 --> 01:09:50,640

benefactor

1563

01:09:56,470 --> 01:09:52,239

and

1564

01:10:00,149 --> 01:09:59,110

who made a five dollar paypal donation

1565

01:10:02,149 --> 01:10:00,159

thank you for your kindness your

1566

01:10:04,149 --> 01:10:02,159

generosity and your support alan we

1567

01:10:05,910 --> 01:10:04,159

appreciate it this is a viewer supported

1568

01:10:08,470 --> 01:10:05,920

show one of the best ways you could

1569

01:10:10,149 --> 01:10:08,480

support the show is by making a paypal

1570

01:10:11,910 --> 01:10:10,159

donation joining our patreon for as

1571

01:10:14,830 --> 01:10:11,920

little as a dollar a month where we post

1572

01:10:17,189 --> 01:10:14,840

extra content patreon only streams and

1573

01:10:19,110 --> 01:10:17,199

more or

1574

01:10:21,189 --> 01:10:19,120

send us a super chat it's right down

1575

01:10:23,030 --> 01:10:21,199

there in the live chat the money button

1576  
01:10:24,310 --> 01:10:23,040  
you hit it hit whatever money you want

1577  
01:10:25,669 --> 01:10:24,320  
to send

1578  
01:10:27,110 --> 01:10:25,679  
don't worry about

1579  
01:10:28,870 --> 01:10:27,120  
whether you're in a foreign country

1580  
01:10:31,510 --> 01:10:28,880  
youtube handles all of that for us and

1581  
01:10:32,920 --> 01:10:31,520  
converts it to money we can use for the

1582  
01:10:37,189 --> 01:10:32,930  
show

1583  
01:10:40,149 --> 01:10:38,149  
okay

1584  
01:10:43,030 --> 01:10:40,159  
i'm not sure what this is about

1585  
01:10:45,590 --> 01:10:43,040  
nowadays some other hosts use shut to

1586  
01:10:47,350 --> 01:10:45,600  
start their shows with

1587  
01:10:48,470 --> 01:10:47,360  
i'm confused

1588  
01:10:49,990 --> 01:10:48,480

i heard

1589

01:10:52,550 --> 01:10:50,000  
somebody mentioned that there's a video

1590

01:10:53,430 --> 01:10:52,560  
on youtube where somebody tested

1591

01:10:57,590 --> 01:10:53,440  
whether

1592

01:10:59,910 --> 01:10:57,600  
uh let me see if i can find the comment

1593

01:11:01,590 --> 01:10:59,920  
yes unknown sender says somewhere on

1594

01:11:03,669 --> 01:11:01,600  
youtube was a video of a guy testing a

1595

01:11:05,590 --> 01:11:03,679  
plane engine if methane could stall it

1596

01:11:07,910 --> 01:11:05,600  
and i believe that you could

1597

01:11:10,630 --> 01:11:07,920  
right isn't that right unknown center or

1598

01:11:13,750 --> 01:11:10,640  
am i not remembering it correctly

1599

01:11:15,590 --> 01:11:13,760  
i believe that there has been tests to

1600

01:11:17,590 --> 01:11:15,600  
see if methane gas could stall an

1601

01:11:18,709 --> 01:11:17,600

airplane engine and it could possibly do

1602

01:11:19,990 --> 01:11:18,719

that

1603

01:11:21,830 --> 01:11:20,000

so

1604

01:11:24,550 --> 01:11:21,840

that could be another cause of the

1605

01:11:27,189 --> 01:11:24,560

strange disappearances of

1606

01:11:29,830 --> 01:11:27,199

you know five airplanes a year ago down

1607

01:11:31,830 --> 01:11:29,840

in that area i mean it is a big area

1608

01:11:33,590 --> 01:11:31,840

right it's like a million square miles i

1609

01:11:36,310 --> 01:11:33,600

think um

1610

01:11:41,110 --> 01:11:36,320

but who knows this is why it's a mystery

1611

01:11:45,990 --> 01:11:43,430

yeah have there been any uh cases of any

1612

01:11:47,189 --> 01:11:46,000

material experiencing jellification in

1613

01:11:48,870 --> 01:11:47,199

the triangle

1614

01:11:50,630 --> 01:11:48,880

that i'm not aware of

1615

01:11:52,950 --> 01:11:50,640

not aware of and victor cagliari

1616

01:11:55,750 --> 01:11:52,960

excellent researcher is here chiming in

1617

01:11:57,990 --> 01:11:55,760

on some of these bermuda triangle cases

1618

01:12:00,229 --> 01:11:58,000

there's many different cases

1619

01:12:04,470 --> 01:12:00,239

of strange and

1620

01:12:08,390 --> 01:12:06,550

please debunk the montauk project that

1621

01:12:11,110 --> 01:12:08,400

dumb story is making its round again

1622

01:12:13,030 --> 01:12:11,120

thank you lee guy yes i have plans we uh

1623

01:12:16,630 --> 01:12:13,040

we're going to bring cw channel here who

1624

01:12:17,990 --> 01:12:16,640

is a big um a big debunker of that he

1625

01:12:19,910 --> 01:12:18,000

has uh

1626

01:12:22,149 --> 01:12:19,920

done some pretty great

1627

01:12:23,750 --> 01:12:22,159

pieces on the montauk project basically

1628

01:12:25,510 --> 01:12:23,760

being guys that like to jerk off in

1629

01:12:26,470 --> 01:12:25,520

chairs and watch each other jerk off in

1630

01:12:28,550 --> 01:12:26,480

chairs

1631

01:12:30,709 --> 01:12:28,560

i always laugh anytime anybody covers

1632

01:12:32,950 --> 01:12:30,719

the montauk project seriously because i

1633

01:12:34,229 --> 01:12:32,960

know about that

1634

01:12:36,229 --> 01:12:34,239

i'm sorry

1635

01:12:37,430 --> 01:12:36,239

but if one of the tests that these guys

1636

01:12:41,110 --> 01:12:37,440

put you through

1637

01:12:43,030 --> 01:12:41,120

to uh prove if you were a montauk boy is

1638

01:12:44,950 --> 01:12:43,040

you gotta jerk off in a chair in front

1639

01:12:47,510 --> 01:12:44,960

of them i just don't think that the

1640

01:12:49,910 --> 01:12:47,520

montauk story has any credibility if

1641

01:12:51,590 --> 01:12:49,920

that's part of the story that's me i

1642

01:12:54,229 --> 01:12:51,600

sort of check out when dudes start

1643

01:12:57,189 --> 01:12:54,239

jerking off in front of each other in

1644

01:12:59,669 --> 01:12:57,199

you know reclining chairs

1645

01:13:00,709 --> 01:12:59,679

i just think that story is stupid

1646

01:13:02,550 --> 01:13:00,719

um

1647

01:13:04,790 --> 01:13:02,560

and by the way i had boots on the

1648

01:13:06,070 --> 01:13:04,800

groundly guy i've been there i climbed

1649

01:13:08,790 --> 01:13:06,080

the fence

1650

01:13:10,870 --> 01:13:08,800

uh that's i did it long

1651

01:13:13,030 --> 01:13:10,880

enough now that i can admit it you're

1652

01:13:15,189 --> 01:13:13,040

not allowed to climb the fence but i did

1653

01:13:17,430 --> 01:13:15,199

i was driving all the way there to stand

1654

01:13:20,149 --> 01:13:17,440

at a fence for a day

1655

01:13:22,070 --> 01:13:20,159

um and i found no evidence of any

1656

01:13:24,229 --> 01:13:22,080

underground structures i found a bunch

1657

01:13:25,830 --> 01:13:24,239

of abandoned decrepit buildings that

1658

01:13:28,310 --> 01:13:25,840

were falling apart

1659

01:13:30,790 --> 01:13:28,320

um which is why it's fenced off probably

1660

01:13:32,630 --> 01:13:30,800

still because it's dangerous

1661

01:13:35,430 --> 01:13:32,640

but i didn't find any

1662

01:13:37,830 --> 01:13:35,440

any caverns any tunnels any un

1663

01:13:39,430 --> 01:13:37,840

underground bases now

1664

01:13:41,270 --> 01:13:39,440

you know proponents of the story would

1665

01:13:44,310 --> 01:13:41,280

argue that's because you're not supposed

1666

01:13:46,070 --> 01:13:44,320

to find them their secret but

1667

01:13:48,070 --> 01:13:46,080

go do it that's what i would say to

1668

01:13:49,590 --> 01:13:48,080

anybody that doesn't believe somebody

1669

01:13:51,270 --> 01:13:49,600

that's actually been there walk the

1670

01:13:54,229 --> 01:13:51,280

grounds and not found anything go do it

1671

01:13:56,149 --> 01:13:54,239

yourself and you i believe

1672

01:13:58,709 --> 01:13:56,159

if you do that yourself you may be blown

1673

01:14:00,470 --> 01:13:58,719

away by the nothing burger that you get

1674

01:14:03,510 --> 01:14:00,480

when you actually go to the location

1675

01:14:07,430 --> 01:14:03,520

that the montauk base is supposed to be

1676

01:14:11,270 --> 01:14:09,750

tyler quick says anytime you throw off

1677

01:14:13,510 --> 01:14:11,280

the fuel air

1678

01:14:17,189 --> 01:14:13,520

the air fuel ratio in any internal

1679

01:14:18,790 --> 01:14:17,199

combustion engine it would stall

1680

01:14:20,390 --> 01:14:18,800

yeah could be

1681

01:14:22,630 --> 01:14:20,400

the urban way says don't smoke at the

1682

01:14:24,470 --> 01:14:22,640

triangle kaboom yeah that's another

1683

01:14:26,550 --> 01:14:24,480

possibility i mean

1684

01:14:28,709 --> 01:14:26,560

if there's enough methane gas and

1685

01:14:31,189 --> 01:14:28,719

there's combustion going on in the form

1686

01:14:34,390 --> 01:14:31,199

of like spark plugs or somebody smoking

1687

01:14:36,390 --> 01:14:34,400

or a spark from anything really

1688

01:14:39,270 --> 01:14:36,400

that could cause a fire on board a ship

1689

01:14:42,790 --> 01:14:39,280

and a big enough for you know dangerous

1690

01:14:44,790 --> 01:14:42,800

enough fire could certainly sink a ship

1691

01:14:47,350 --> 01:14:44,800

um

1692

01:14:51,990 --> 01:14:47,360

another possibility with the methane

1693

01:14:56,310 --> 01:14:54,310

mike ginbaly says great suggestion yeah

1694

01:14:57,830 --> 01:14:56,320

we've got montauk on our list we'll try

1695

01:14:59,669 --> 01:14:57,840

to do that for you league guy long time

1696

01:15:01,990 --> 01:14:59,679

supporter of the show

1697

01:15:05,830 --> 01:15:02,000

uh effluent for you says yes more debunk

1698

01:15:12,470 --> 01:15:09,189

and success kindly uh posting

1699

01:15:15,270 --> 01:15:12,480

methane the linchpin of the af447

1700

01:15:16,870 --> 01:15:15,280

tragedy oh i skipped this too thank you

1701

01:15:19,030 --> 01:15:16,880

kylie armstrong for kind of generous

1702

01:15:21,350 --> 01:15:19,040

two-pound super sticker thank you for

1703

01:15:22,870 --> 01:15:21,360

your kindness your generosity and your

1704

01:15:24,870 --> 01:15:22,880

support of the show

1705

01:15:26,470 --> 01:15:24,880

uh we're a viewer supported show so

1706

01:15:28,950 --> 01:15:26,480

everybody that throws a couple of bucks

1707

01:15:34,450 --> 01:15:28,960

in our hat is really helping us to

1708

01:15:34,460 --> 01:15:47,830

[Music]

1709

01:15:51,669 --> 01:15:49,350

craig william yeah let's see what's

1710

01:15:54,390 --> 01:15:51,679

happening in our ideas room miss olivia

1711

01:15:55,990 --> 01:15:54,400

yeah well hey if it works for him it's

1712

01:15:58,709 --> 01:15:56,000

going to work for me what's happening in

1713

01:16:00,310 --> 01:15:58,719

our live chat is always

1714

01:16:02,709 --> 01:16:00,320

i'm sure we read a lot more comments

1715

01:16:04,550 --> 01:16:02,719

than he does but in his defense

1716

01:16:09,189 --> 01:16:04,560

you know he's got thousands and

1717

01:16:13,910 --> 01:16:11,350

god bless them

1718

01:16:15,830 --> 01:16:13,920

moody mongol says fyi methane pockets

1719

01:16:17,910 --> 01:16:15,840

under the sea blocks of methane larger

1720

01:16:19,590 --> 01:16:17,920

than everest can break away from the sea

1721

01:16:20,550 --> 01:16:19,600

floor there's apparently one under the

1722

01:16:22,390 --> 01:16:20,560

triangle

1723

01:16:24,149 --> 01:16:22,400

they melt as they rise that's

1724

01:16:25,669 --> 01:16:24,159

interesting

1725

01:16:27,910 --> 01:16:25,679

and moody muggle goes on to say the

1726

01:16:30,390 --> 01:16:27,920

release gas can affect ships above they

1727

01:16:32,870 --> 01:16:30,400

sink the gas can raise into the

1728

01:16:34,310 --> 01:16:32,880

atmosphere and reflect affect planes

1729

01:16:35,830 --> 01:16:34,320

above too

1730

01:16:38,870 --> 01:16:35,840

wouldn't that be interesting if it's as

1731

01:16:42,470 --> 01:16:38,880

simple an explanation as methane but

1732

01:16:45,590 --> 01:16:42,480

methane uh moody mongol uh ex may

1733

01:16:47,830 --> 01:16:45,600

explain lost ships lost boats and lost

1734

01:16:50,149 --> 01:16:47,840

airplanes but it doesn't explain some of

1735

01:16:52,630 --> 01:16:50,159

these strange time travel stories that

1736

01:17:02,070 --> 01:16:52,640

seem to every so often come out of the

1737

01:17:06,870 --> 01:17:04,149

please air it says dear steven uh me

1738

01:17:09,430 --> 01:17:06,880

just wants to leave a big donkey

1739

01:17:11,830 --> 01:17:09,440

uh that we still have broodies like you

1740

01:17:15,030 --> 01:17:11,840

and jeremy rise in ufology

1741

01:17:18,950 --> 01:17:16,630

you know i took high school german

1742

01:17:21,030 --> 01:17:18,960

companies here so he said good night

1743

01:17:23,030 --> 01:17:21,040

everybody

1744

01:17:25,189 --> 01:17:23,040

and dr shane is like thank you right i

1745

01:17:26,630 --> 01:17:25,199

think i remember it's been a long time

1746

01:17:28,870 --> 01:17:26,640

since high school accomplished here by

1747

01:17:31,350 --> 01:17:28,880

the way i was terrible at german

1748

01:17:33,110 --> 01:17:31,360

somehow they made me take german uh and

1749

01:17:34,790 --> 01:17:33,120

i think that was because i was polish

1750

01:17:36,390 --> 01:17:34,800

and i guess they thought it'd be easier

1751

01:17:37,910 --> 01:17:36,400

for me but polish and german are two

1752

01:17:41,430 --> 01:17:37,920

different animals

1753

01:17:43,990 --> 01:17:41,440

and uh they're very very

1754

01:17:45,350 --> 01:17:44,000

almost no resemblance to each other i

1755

01:17:47,669 --> 01:17:45,360

found uh

1756

01:17:49,110 --> 01:17:47,679

polish to be a little easier for me but

1757

01:17:51,750 --> 01:17:49,120

maybe that's because growing up my

1758

01:17:53,910 --> 01:17:51,760

grandparents spoke polish and my my dad

1759

01:17:55,990 --> 01:17:53,920

and my aunts and uncles on my father's

1760

01:17:58,070 --> 01:17:56,000

side all spoke polish

1761

01:18:00,149 --> 01:17:58,080

but interestingly my father never wanted

1762

01:18:01,590 --> 01:18:00,159

me to speak polishing he always wanted

1763

01:18:03,430 --> 01:18:01,600

us to speak english in the home because

1764

01:18:05,590 --> 01:18:03,440

i think he was teased growing up he was

1765

01:18:08,070 --> 01:18:05,600

a first generation immigrant

1766

01:18:10,229 --> 01:18:08,080

and he was like you know kids are cool

1767

01:18:12,470 --> 01:18:10,239

so uh you know they call him a poll walk

1768

01:18:13,830 --> 01:18:12,480

and say he couldn't talk english

1769

01:18:15,669 --> 01:18:13,840

so

1770

01:18:17,189 --> 01:18:15,679

when he had kids he wanted us to just

1771

01:18:18,870 --> 01:18:17,199

speak english

1772

01:18:20,870 --> 01:18:18,880

i kind of regret that now i wish i would

1773

01:18:22,950 --> 01:18:20,880

have learned more polish i know just

1774

01:18:25,270 --> 01:18:22,960

enough to curse and ask where the

1775

01:18:27,669 --> 01:18:25,280

bathroom is or where a restaurant is

1776

01:18:34,870 --> 01:18:27,679

where the airport is that's about it and

1777

01:18:38,790 --> 01:18:36,630

blink and liar mentioning victor your

1778

01:18:40,709 --> 01:18:38,800

email interview is the best impromptu

1779

01:18:42,950 --> 01:18:40,719

serious investigative info that i've

1780

01:18:45,430 --> 01:18:42,960

been waiting for years to hear yeah a

1781

01:18:47,430 --> 01:18:45,440

friend of the show victor does great

1782

01:18:49,750 --> 01:18:47,440

investigative journalism work uh we're

1783

01:18:52,790 --> 01:18:49,760

hoping to have him on again here soon uh

1784

01:18:54,709 --> 01:18:52,800

i gotta get get with him off air

1785

01:18:56,709 --> 01:18:54,719

success reminding everybody chat please

1786

01:18:59,910 --> 01:18:56,719

use caps for comments enter questions

1787

01:19:03,990 --> 01:19:01,830

yeah the urban waste is never too late

1788

01:19:05,990 --> 01:19:04,000

to learn spanish every once in a

1789

01:19:07,590 --> 01:19:06,000

while i buy a course i was going to

1790

01:19:10,229 --> 01:19:07,600

learn spanish for a while because i

1791

01:19:11,590 --> 01:19:10,239

wanted to spend some time in mexico

1792

01:19:13,750 --> 01:19:11,600

um

1793

01:19:16,229 --> 01:19:13,760

but i i just i lose interest after a

1794

01:19:17,350 --> 01:19:16,239

while what i what i did do with that is

1795

01:19:19,189 --> 01:19:17,360

that i got

1796

01:19:21,350 --> 01:19:19,199

you know spanish learning tapes and i

1797

01:19:23,830 --> 01:19:21,360

put them on when i was driving somewhere

1798

01:19:25,189 --> 01:19:23,840

far like a two-hour ride and try to

1799

01:19:27,110 --> 01:19:25,199

repeat

1800

01:19:28,470 --> 01:19:27,120

it and learn spanish i learned a little

1801

01:19:30,470 --> 01:19:28,480

bit of spanish

1802

01:19:31,750 --> 01:19:30,480

maybe enough to get by but i'm certainly

1803

01:19:36,709 --> 01:19:31,760

not fluent and you're right it's never

1804

01:19:36,719 --> 01:19:39,110

yeah

1805

01:19:42,790 --> 01:19:40,950

william k says germany and poland just

1806

01:19:45,110 --> 01:19:42,800

don't mention the war yeah we're not

1807

01:19:49,030 --> 01:19:45,120

us polox are not big fans of those

1808

01:19:52,790 --> 01:19:50,790

moody mongol says the triangle i think

1809

01:19:54,709 --> 01:19:52,800

it's probably a few causes

1810

01:19:56,229 --> 01:19:54,719

including general accidents yeah there's

1811

01:19:57,590 --> 01:19:56,239

just so many more shifts so it would

1812

01:19:59,189 --> 01:19:57,600

stand to reason that there could be

1813

01:20:01,350 --> 01:19:59,199

general accidents

1814

01:20:03,430 --> 01:20:01,360

i wonder gases like methane could they

1815

01:20:05,510 --> 01:20:03,440

cause effect on humans when inhaled but

1816

01:20:07,590 --> 01:20:05,520

not time travel

1817

01:20:10,229 --> 01:20:07,600

yeah i don't know

1818

01:20:12,709 --> 01:20:10,239

maybe it is a combination of different

1819

01:20:14,390 --> 01:20:12,719

factors right maybe it's a combination

1820

01:20:15,830 --> 01:20:14,400

of different factors

1821

01:20:17,030 --> 01:20:15,840

including the

1822

01:20:19,430 --> 01:20:17,040

uh

1823

01:20:26,790 --> 01:20:19,440

including the

1824

01:20:28,070 --> 01:20:26,800

yeah who knows right

1825

01:20:30,229 --> 01:20:28,080

who knows

1826

01:20:32,229 --> 01:20:30,239

just to mention i didn't want to bother

1827

01:20:33,510 --> 01:20:32,239

spooky because i swore that spooky told

1828

01:20:36,629 --> 01:20:33,520

me uh

1829

01:20:38,629 --> 01:20:36,639

said spooky was taking today off so

1830

01:20:40,550 --> 01:20:38,639

i did the crappy thumbnail but spooky

1831

01:20:43,110 --> 01:20:40,560

still did a good one so thank you spooky

1832

01:20:45,910 --> 01:20:43,120

we'll put that up first chance i get

1833

01:20:47,910 --> 01:20:45,920

this is truth seekers uh continuing

1834

01:20:50,470 --> 01:20:47,920

series on enduring mysteries we are

1835

01:20:52,310 --> 01:20:50,480

exploring the great mystery of the

1836

01:20:54,070 --> 01:20:52,320

bermuda triangle

1837

01:20:56,229 --> 01:20:54,080

talking about some of the strange and

1838

01:20:58,229 --> 01:20:56,239

mysterious cases that have come out of

1839

01:21:02,149 --> 01:20:58,239

the bermuda triangle

1840

01:21:08,470 --> 01:21:02,159

and uh what may possibly be the cause of

1841

01:21:12,149 --> 01:21:10,470

yes blink and liar i would like that

1842

01:21:14,229 --> 01:21:12,159

victor i hope i'm hoping you're working

1843

01:21:19,430 --> 01:21:14,239

on a presentation for kambu and it's an

1844

01:21:22,629 --> 01:21:21,110

victor collier says i asked him not to

1845

01:21:24,310 --> 01:21:22,639

pass away without leaving the tape to

1846

01:21:26,550 --> 01:21:24,320

someone to release

1847

01:21:27,990 --> 01:21:26,560

to stop myths etc he said myths already

1848

01:21:30,390 --> 01:21:28,000

exist hillary has confirmed that the

1849

01:21:31,669 --> 01:21:30,400

transcript is very accurate uh yeah so

1850

01:21:34,790 --> 01:21:31,679

hopefully we'll know more about the

1851

01:21:37,350 --> 01:21:34,800

story that victor calario is working on

1852

01:21:39,750 --> 01:21:37,360

that girl jessica is late as usual but

1853

01:21:41,750 --> 01:21:39,760

you're uh always welcome always happy to

1854

01:21:45,990 --> 01:21:41,760

see you even if you're late i'm glad

1855

01:21:49,990 --> 01:21:47,750

uh so any more comments or questions for

1856

01:21:52,780 --> 01:21:50,000

me please put them in all caps

1857

01:21:55,030 --> 01:21:52,790

spooky says i click the buttons

1858

01:21:56,470 --> 01:21:55,040

[Music]

1859

01:21:58,470 --> 01:21:56,480

well corbin says he just got the

1860

01:22:00,149 --> 01:21:58,480

notification yeah the best thing to do

1861

01:22:01,590 --> 01:22:00,159

and and you know what this partially is

1862

01:22:04,070 --> 01:22:01,600

my fault today is the first day i forgot

1863

01:22:05,990 --> 01:22:04,080

to post it on facebook in a long time

1864

01:22:09,430 --> 01:22:06,000

usually i post every show before they

1865

01:22:11,750 --> 01:22:09,440

happen both on my facebook wall and on

1866

01:22:14,229 --> 01:22:11,760

my twitter feed so make sure you follow

1867

01:22:16,550 --> 01:22:14,239

me at stevencambian on twitter if you

1868

01:22:18,310 --> 01:22:16,560

would like to know for sure when shows

1869

01:22:20,229 --> 01:22:18,320

are coming up because it seems pretty

1870

01:22:24,709 --> 01:22:20,239

clear that you can't always depend on

1871

01:22:27,590 --> 01:22:26,070

uh tyler

1872

01:22:29,990 --> 01:22:27,600

uh quick has asked me have you ever

1873

01:22:31,750 --> 01:22:30,000

looked into the philadelphia effect gel

1874

01:22:34,229 --> 01:22:31,760

jellification

1875

01:22:36,470 --> 01:22:34,239

no because i don't find the philadelphia

1876

01:22:38,950 --> 01:22:36,480

experiment credible the philadelphia

1877

01:22:41,189 --> 01:22:38,960

experiment and the montauk project were

1878

01:22:43,430 --> 01:22:41,199

both largely fictionalized

1879

01:22:45,189 --> 01:22:43,440

and there is very little if any

1880

01:22:47,750 --> 01:22:45,199

supportive evidence for the philadelphia

1881

01:22:49,669 --> 01:22:47,760

experiment being a real story in fact

1882

01:22:51,350 --> 01:22:49,679

the boat that they claimed was involved

1883

01:22:52,870 --> 01:22:51,360

was somewhere else entirely when they

1884

01:22:55,110 --> 01:22:52,880

said it was in philadelphia when it

1885

01:22:56,709 --> 01:22:55,120

wasn't and there's a lot of things that

1886

01:22:58,709 --> 01:22:56,719

point to the fact that that was a

1887

01:22:59,910 --> 01:22:58,719

made-up story designed to make money and

1888

01:23:02,390 --> 01:22:59,920

sell books

1889

01:23:03,750 --> 01:23:02,400

and it worked they sold an awful lot of

1890

01:23:07,110 --> 01:23:03,760

books

1891

01:23:09,510 --> 01:23:07,120

but provided an awful little bit if any

1892

01:23:11,430 --> 01:23:09,520

proof at all

1893

01:23:13,110 --> 01:23:11,440

moody mongol says the only natural time

1894

01:23:14,629 --> 01:23:13,120

travel hallucination cause i could think

1895

01:23:16,229 --> 01:23:14,639

of is earth lights they do cause

1896

01:23:18,790 --> 01:23:16,239

profound hallucinations when they are

1897

01:23:23,110 --> 01:23:18,800

close to humans

1898

01:23:23,120 --> 01:23:33,030

all effects people report

1899

01:23:37,750 --> 01:23:35,430

well glitched loop is

1900

01:23:40,149 --> 01:23:37,760

suggesting that edgar casings readings

1901

01:23:40,950 --> 01:23:40,159

are solid

1902

01:23:43,030 --> 01:23:40,960

i'm

1903

01:23:45,030 --> 01:23:43,040

edgar casey is now and will always

1904

01:23:46,950 --> 01:23:45,040

remain in my gray basket

1905

01:23:49,270 --> 01:23:46,960

there is certainly some compelling

1906

01:23:50,950 --> 01:23:49,280

information about him having some sort

1907

01:23:53,430 --> 01:23:50,960

of strange insight when he went into

1908

01:23:54,709 --> 01:23:53,440

these trances to be able to diagnose

1909

01:23:56,790 --> 01:23:54,719

people's medical

1910

01:23:59,510 --> 01:23:56,800

illnesses and things like that

1911

01:24:00,950 --> 01:23:59,520

or have some insight into future events

1912

01:24:03,030 --> 01:24:00,960

the thing that always gives me pause

1913

01:24:05,990 --> 01:24:03,040

about edgar cayce is that he wrote the

1914

01:24:07,350 --> 01:24:06,000

equivalent of 150 bibles worth of

1915

01:24:10,470 --> 01:24:07,360

predictions

1916

01:24:12,629 --> 01:24:10,480

so when you write that much uh it's kind

1917

01:24:15,270 --> 01:24:12,639

of easy for people to later connect the

1918

01:24:17,750 --> 01:24:15,280

dots uh you know it's the same thing

1919

01:24:19,350 --> 01:24:17,760

with nostradamus i think a lot of times

1920

01:24:21,270 --> 01:24:19,360

people are connecting dots that aren't

1921

01:24:25,510 --> 01:24:21,280

there i've heard

1922

01:24:28,310 --> 01:24:25,520

one quatrain of a nostradamus piece

1923

01:24:30,790 --> 01:24:28,320

explain four different modern events

1924

01:24:33,110 --> 01:24:30,800

that can't be right the quatrain should

1925

01:24:34,629 --> 01:24:33,120

explain one future event not four of

1926

01:24:37,270 --> 01:24:34,639

them but you'll see different people

1927

01:24:39,189 --> 01:24:37,280

claiming that this quatrain means this

1928

01:24:42,070 --> 01:24:39,199

and other people say no this quatrain is

1929

01:24:44,229 --> 01:24:42,080

about jfk's assassination no no it's

1930

01:24:46,629 --> 01:24:44,239

about the gulf war it depends on who you

1931

01:24:49,110 --> 01:24:46,639

ask and who the interpreter of these

1932

01:24:51,270 --> 01:24:49,120

so-called psychic predictions are

1933

01:24:53,270 --> 01:24:51,280

much can be

1934

01:24:55,590 --> 01:24:53,280

a lot of that

1935

01:24:57,830 --> 01:24:55,600

same phenomenon i think takes place with

1936

01:25:00,470 --> 01:24:57,840

edgar cayce people read through this

1937

01:25:05,189 --> 01:25:00,480

huge volume of writings and predictions

1938

01:25:10,470 --> 01:25:07,590

dkg custom says bermuda triangle is no

1939

01:25:12,709 --> 01:25:10,480

different from the rest of the world

1940

01:25:14,950 --> 01:25:12,719

not sure what you mean statistically

1941

01:25:16,629 --> 01:25:14,960

more ships do vanish there than most

1942

01:25:18,149 --> 01:25:16,639

other places in the united states at

1943

01:25:19,430 --> 01:25:18,159

least we can tell that through

1944

01:25:24,390 --> 01:25:19,440

statistics

1945

01:25:25,750 --> 01:25:24,400

but again that may be uh because um

1946

01:25:26,709 --> 01:25:25,760

that may be because they're just more

1947

01:25:28,709 --> 01:25:26,719

boots

1948

01:25:30,709 --> 01:25:28,719

moody mongol says earth lights are due

1949

01:25:32,950 --> 01:25:30,719

to plasma research around the world

1950

01:25:34,550 --> 01:25:32,960

still science not spoken about much but

1951

01:25:36,310 --> 01:25:34,560

the effects have been known for a long

1952

01:25:38,310 --> 01:25:36,320

time even in ancient history where they

1953

01:25:41,110 --> 01:25:38,320

were venerated yeah i

1954

01:25:43,110 --> 01:25:41,120

um i have seen videos of earthquake

1955

01:25:44,790 --> 01:25:43,120

lights and they're very interesting for

1956

01:25:46,950 --> 01:25:44,800

some reason

1957

01:25:50,149 --> 01:25:46,960

some sort of plasma balls of energy are

1958

01:25:52,229 --> 01:25:50,159

seen in the skies around earthquakes and

1959

01:25:55,270 --> 01:25:52,239

who knows what that's caused by friction

1960

01:25:57,030 --> 01:25:55,280

between the plates the tectonic plates i

1961

01:25:58,550 --> 01:25:57,040

i don't know what could cause that

1962

01:26:04,950 --> 01:25:58,560

magnetic

1963

01:26:06,629 --> 01:26:04,960

forth who knows uh moody mongol but

1964

01:26:08,229 --> 01:26:06,639

earth lights and earthquake lights are

1965

01:26:11,030 --> 01:26:08,239

another great mystery that we will

1966

01:26:13,189 --> 01:26:11,040

certainly be exploring here in due time

1967

01:26:15,350 --> 01:26:13,199

you know got it gotta get to the mall

1968

01:26:17,590 --> 01:26:15,360

eventually

1969

01:26:19,830 --> 01:26:17,600

yes tyler quick mentioning there is

1970

01:26:22,070 --> 01:26:19,840

another triangle called the dragon's

1971

01:26:23,750 --> 01:26:22,080

triangle which is on the other side of

1972

01:26:24,100 --> 01:26:23,760

the planet

1973

01:26:26,149 --> 01:26:24,110

uh

1974

01:26:28,550 --> 01:26:26,159

[Music]

1975

01:26:30,709 --> 01:26:28,560

off the coast of japan that's another

1976

01:26:33,110 --> 01:26:30,719

place that's like the bermuda triangle

1977

01:26:35,350 --> 01:26:33,120

where a large

1978

01:26:36,870 --> 01:26:35,360

amount of ships go missing and strange

1979

01:26:40,070 --> 01:26:36,880

things happen

1980

01:26:42,229 --> 01:26:40,080

could it be that these two places uh

1981

01:26:44,229 --> 01:26:42,239

one on one side of the of the globe and

1982

01:26:45,669 --> 01:26:44,239

one directly underneath on the other

1983

01:26:46,790 --> 01:26:45,679

side of the globe could be somewhat

1984

01:26:49,669 --> 01:26:46,800

connected

1985

01:26:52,629 --> 01:26:49,679

interesting uh that the coordinates

1986

01:26:53,910 --> 01:26:52,639

match up very well between the bermuda

1987

01:26:55,669 --> 01:26:53,920

triangle

1988

01:26:58,149 --> 01:26:55,679

off the coast of florida and the

1989

01:27:02,709 --> 01:26:58,159

so-called dragons triangle or dragon's

1990

01:27:12,229 --> 01:27:04,229

that girl jessica mentioning there's a

1991

01:27:15,590 --> 01:27:14,070

blink and lie are mentioning that yuri

1992

01:27:17,990 --> 01:27:15,600

geller was a magician nothing more

1993

01:27:20,390 --> 01:27:18,000

nothing less even cambium can bend

1994

01:27:22,790 --> 01:27:20,400

spoons yeah and we demonstrated how he

1995

01:27:24,629 --> 01:27:22,800

did some of his magic tricks here on a

1996

01:27:26,950 --> 01:27:24,639

previous show

1997

01:27:28,790 --> 01:27:26,960

um tommy t is asking for thoughts on

1998

01:27:29,830 --> 01:27:28,800

yuri geller it's interesting tommy t

1999

01:27:31,669 --> 01:27:29,840

that uh

2000

01:27:33,910 --> 01:27:31,679

though i never met him i have magician

2001

01:27:36,310 --> 01:27:33,920

friends that did and

2002

01:27:38,550 --> 01:27:36,320

it should really be noted that he even

2003

01:27:40,149 --> 01:27:38,560

gives himself the title magician now in

2004

01:27:41,990 --> 01:27:40,159

some of his latest

2005

01:27:43,430 --> 01:27:42,000

like when he's in a documentary they'll

2006

01:27:46,310 --> 01:27:43,440

say like

2007

01:27:47,990 --> 01:27:46,320

magician slash psychic so now he admits

2008

01:27:49,830 --> 01:27:48,000

that he's a magician

2009

01:27:52,149 --> 01:27:49,840

at the time he came out claiming to have

2010

01:27:53,910 --> 01:27:52,159

superpowers he would deny that he was

2011

01:27:56,950 --> 01:27:53,920

using magic tricks or that he was a

2012

01:27:58,950 --> 01:27:56,960

magician and it was proven people found

2013

01:28:01,590 --> 01:27:58,960

proof that before he decided he was a

2014

01:28:04,550 --> 01:28:01,600

psychic with super powers he was a stage

2015

01:28:06,629 --> 01:28:04,560

magician in israel and he did

2016

01:28:08,950 --> 01:28:06,639

you know making rabbits come out of the

2017

01:28:09,910 --> 01:28:08,960

hats and all that all the magic trick

2018

01:28:12,830 --> 01:28:09,920

stuff

2019

01:28:16,629 --> 01:28:12,840

yuri geller's uh

2020

01:28:20,870 --> 01:28:18,229

yuri geller

2021

01:28:23,430 --> 01:28:20,880

i believe took his knowledge of magic

2022

01:28:24,870 --> 01:28:23,440

tricks and uh turned it around and

2023

01:28:27,270 --> 01:28:24,880

pretended to have

2024

01:28:29,910 --> 01:28:27,280

psychic powers but he still used magic

2025

01:28:32,790 --> 01:28:29,920

tricks and years later in recent times

2026

01:28:35,350 --> 01:28:32,800

tommy t yuri geller has admitted

2027

01:28:37,350 --> 01:28:35,360

to other magicians that he just used

2028

01:28:42,870 --> 01:28:37,360

magic tricks for all that stuff

2029

01:28:45,590 --> 01:28:42,880

and he has even been at uh conferences

2030

01:28:47,350 --> 01:28:45,600

magician conferences organized by magic

2031

01:28:49,030 --> 01:28:47,360

magical fraternity groups like the

2032

01:28:50,709 --> 01:28:49,040

international brotherhood of magicians

2033

01:28:53,669 --> 01:28:50,719

and the society of american magicians

2034

01:28:55,270 --> 01:28:53,679

both of which i was once a member of

2035

01:28:57,270 --> 01:28:55,280

anyway he would go to their national

2036

01:28:59,669 --> 01:28:57,280

conventions and he was selling these

2037

01:29:01,430 --> 01:28:59,679

super expensive dvds i think they were

2038

01:29:02,149 --> 01:29:01,440

hundreds of dollars for a course from

2039

01:29:03,750 --> 01:29:02,159

him

2040

01:29:05,590 --> 01:29:03,760

where he would teach you

2041

01:29:07,669 --> 01:29:05,600

all the magic tricks that he used to do

2042

01:29:10,790 --> 01:29:07,679

all of his psychic tricks while he was a

2043

01:29:12,790 --> 01:29:10,800

famous so-called psychic i think that

2044

01:29:14,709 --> 01:29:12,800

alone makes it pretty clear that he

2045

01:29:16,629 --> 01:29:14,719

doesn't have superpowers or psychic

2046

01:29:18,070 --> 01:29:16,639

powers and that he was indeed just using

2047

01:29:21,110 --> 01:29:18,080

magic tricks

2048

01:29:23,750 --> 01:29:21,120

most good magicians can recreate

2049

01:29:26,790 --> 01:29:23,760

most of the things that yuri gellar did

2050

01:29:28,790 --> 01:29:26,800

uh with ease honestly

2051

01:29:30,950 --> 01:29:28,800

uh there's been

2052

01:29:33,110 --> 01:29:30,960

many different magicians most famously

2053

01:29:35,350 --> 01:29:33,120

the amazing randy would

2054

01:29:37,030 --> 01:29:35,360

could demonstrate every one of yuri

2055

01:29:41,830 --> 01:29:37,040

geller's magic tricks that he claimed

2056

01:29:46,070 --> 01:29:43,750

it was done by sleight of hand and

2057

01:29:49,030 --> 01:29:46,080

misdirection and typical magicians

2058

01:29:50,950 --> 01:29:49,040

tricks some of which you can buy at any

2059

01:29:52,950 --> 01:29:50,960

magic shop in the country most magic

2060

01:29:53,830 --> 01:29:52,960

shops are online now

2061

01:29:55,350 --> 01:29:53,840

but

2062

01:29:58,229 --> 01:29:55,360

you can go look up

2063

01:30:00,470 --> 01:29:58,239

bending spoons magic trick on google

2064

01:30:01,669 --> 01:30:00,480

you'll find 100 different magic shops

2065

01:30:03,590 --> 01:30:01,679

selling you

2066

01:30:04,629 --> 01:30:03,600

tricks and

2067

01:30:07,830 --> 01:30:04,639

methods

2068

01:30:09,669 --> 01:30:07,840

dvd teaching you how to do it or

2069

01:30:11,830 --> 01:30:09,679

what's called gimmicks a gimmick for

2070

01:30:13,830 --> 01:30:11,840

those who don't know is

2071

01:30:15,590 --> 01:30:13,840

a little device a secret device that a

2072

01:30:17,510 --> 01:30:15,600

magician will use to make a magical

2073

01:30:19,110 --> 01:30:17,520

effect happen could be

2074

01:30:20,950 --> 01:30:19,120

you know

2075

01:30:23,350 --> 01:30:20,960

a little device to bend a quarter in

2076

01:30:24,470 --> 01:30:23,360

your bare hands that you can conceal it

2077

01:30:25,990 --> 01:30:24,480

could be

2078

01:30:28,070 --> 01:30:26,000

all these different things it's called a

2079

01:30:29,270 --> 01:30:28,080

gimmick there's gimmicks to bend spoons

2080

01:30:31,510 --> 01:30:29,280

there's

2081

01:30:33,189 --> 01:30:31,520

um sleight of hand methods to bend

2082

01:30:36,709 --> 01:30:33,199

spoons i always thought it was kind of

2083

01:30:38,709 --> 01:30:36,719

funny you know somebody has superpowers

2084

01:30:41,830 --> 01:30:38,719

that's like the stupidest superpower

2085

01:30:44,390 --> 01:30:41,840

ever right can you fly no you got super

2086

01:30:47,189 --> 01:30:44,400

strength no can you turn invisible no oh

2087

01:30:49,990 --> 01:30:47,199

okay then what's your superpower well i

2088

01:30:51,830 --> 01:30:50,000

could bend spoons with my mind you know

2089

01:30:53,270 --> 01:30:51,840

it's like the most useless stupid

2090

01:30:55,430 --> 01:30:53,280

superpower but

2091

01:30:56,870 --> 01:30:55,440

yuri geller fooled millions of people

2092

01:30:59,669 --> 01:30:56,880

into believing that he had psychic

2093

01:31:01,270 --> 01:30:59,679

powers and he made millions of dollars

2094

01:31:03,110 --> 01:31:01,280

working for companies claiming that he

2095

01:31:05,830 --> 01:31:03,120

was going to show them exactly where oil

2096

01:31:08,070 --> 01:31:05,840

deposits or diamond deposits were

2097

01:31:11,990 --> 01:31:08,080

and his

2098

01:31:14,550 --> 01:31:12,000

success rate with that was really dismal

2099

01:31:16,550 --> 01:31:14,560

like a dismal failure

2100

01:31:19,990 --> 01:31:16,560

no better than guessing

2101

01:31:22,390 --> 01:31:20,000

uh esthetician proved that once

2102

01:31:24,390 --> 01:31:22,400

that his so-called psychic powers that

2103

01:31:27,590 --> 01:31:24,400

would let him locate oil

2104

01:31:29,830 --> 01:31:27,600

gas and diamond and gold deposits

2105

01:31:31,750 --> 01:31:29,840

were no better than any person off the

2106

01:31:32,790 --> 01:31:31,760

street just making random guesses on a

2107

01:31:34,709 --> 01:31:32,800

map

2108

01:31:36,790 --> 01:31:34,719

so it is what it is

2109

01:31:38,870 --> 01:31:36,800

and uh that's where we find ourselves i

2110

01:31:40,790 --> 01:31:38,880

know you're geller is he is a master

2111

01:31:42,310 --> 01:31:40,800

getting publicity for himself

2112

01:31:43,830 --> 01:31:42,320

the the latest i've heard from yuri

2113

01:31:47,350 --> 01:31:43,840

geller is now he's claiming that he's

2114

01:31:49,110 --> 01:31:47,360

going to remote view and find the

2115

01:31:51,510 --> 01:31:49,120

um

2116

01:31:54,709 --> 01:31:51,520

and find the ark of the covenant uh he's

2117

01:31:57,110 --> 01:31:54,719

always pushing sensational stories he

2118

01:31:59,669 --> 01:31:57,120

claimed that he was going to psychically

2119

01:32:02,229 --> 01:31:59,679

change and stop brexit from happening

2120

01:32:04,149 --> 01:32:02,239

that didn't work out

2121

01:32:05,990 --> 01:32:04,159

and many many other things it's like

2122

01:32:07,830 --> 01:32:06,000

whatever's going on in the news your

2123

01:32:08,790 --> 01:32:07,840

geller tries to get publicity for

2124

01:32:10,470 --> 01:32:08,800

himself

2125

01:32:12,629 --> 01:32:10,480

i don't know what he's been doing lately

2126  
01:32:14,870 --> 01:32:12,639  
i'd love to get an interview but i have

2127  
01:32:17,910 --> 01:32:14,880  
reached out to him three times

2128  
01:32:20,229 --> 01:32:17,920  
and even with the fact that he knows

2129  
01:32:21,990 --> 01:32:20,239  
some of

2130  
01:32:23,830 --> 01:32:22,000  
there's not saying seven degrees of

2131  
01:32:25,430 --> 01:32:23,840  
separation but if you're a magician

2132  
01:32:27,910 --> 01:32:25,440  
there's really only two degrees of

2133  
01:32:30,950 --> 01:32:27,920  
separation which means

2134  
01:32:32,709 --> 01:32:30,960  
if i don't personally know a magician

2135  
01:32:33,990 --> 01:32:32,719  
one of my friends does

2136  
01:32:36,390 --> 01:32:34,000  
that's how

2137  
01:32:38,070 --> 01:32:36,400  
a small subculture it is and everybody

2138  
01:32:41,030 --> 01:32:38,080

knows everybody in that strange

2139

01:32:44,550 --> 01:32:41,040

subculture so even

2140

01:32:46,790 --> 01:32:44,560

with mr geller knowing three or four of

2141

01:32:48,550 --> 01:32:46,800

friends of mine or former teachers of

2142

01:32:50,470 --> 01:32:48,560

mine i still couldn't get him to agree

2143

01:32:52,950 --> 01:32:50,480

to an interview and i thought that would

2144

01:32:55,110 --> 01:32:52,960

make him feel more comfortable like hey

2145

01:32:57,270 --> 01:32:55,120

uh i know you know so and so and so and

2146

01:32:59,030 --> 01:32:57,280

so and so and so and and uh you know i

2147

01:33:01,189 --> 01:32:59,040

was a stage magician and i met them here

2148

01:33:03,189 --> 01:33:01,199

and there and i'd like an interview

2149

01:33:05,910 --> 01:33:03,199

crickets never heard back from him now

2150

01:33:07,430 --> 01:33:05,920

again maybe he's a busy guy you know i

2151  
01:33:08,950 --> 01:33:07,440  
don't know what he's doing lately but i

2152  
01:33:10,870 --> 01:33:08,960  
would sure someday have given the

2153  
01:33:12,390 --> 01:33:10,880  
opportunity i would i would like to

2154  
01:33:14,709 --> 01:33:12,400  
interview him because i would like to

2155  
01:33:17,030 --> 01:33:14,719  
press him on the magician issue and see

2156  
01:33:18,709 --> 01:33:17,040  
if he will publicly admit because i've

2157  
01:33:20,790 --> 01:33:18,719  
heard him admit it

2158  
01:33:22,709 --> 01:33:20,800  
on uh video

2159  
01:33:24,950 --> 01:33:22,719  
and audio recordings while he didn't

2160  
01:33:26,070 --> 01:33:24,960  
know he was being recorded at a magic

2161  
01:33:27,910 --> 01:33:26,080  
conference

2162  
01:33:29,830 --> 01:33:27,920  
while he's selling his tricks to other

2163  
01:33:30,950 --> 01:33:29,840

magicians but i have never heard him

2164

01:33:32,310 --> 01:33:30,960

admit it

2165

01:33:34,229 --> 01:33:32,320

on the record

2166

01:33:35,750 --> 01:33:34,239

in a public forum

2167

01:33:37,030 --> 01:33:35,760

and i'd like to see if he would do that

2168

01:33:42,950 --> 01:33:37,040

or not

2169

01:33:46,629 --> 01:33:44,870

magicians destroyed atlantis according

2170

01:33:48,550 --> 01:33:46,639

to edgar cayce yeah

2171

01:33:50,629 --> 01:33:48,560

maybe they bored everybody to death with

2172

01:33:52,149 --> 01:33:50,639

card tricks glitch loop and everybody

2173

01:33:53,590 --> 01:33:52,159

just died because they were sick of

2174

01:33:54,709 --> 01:33:53,600

seeing card tricks

2175

01:33:57,350 --> 01:33:54,719

you know

2176

01:33:58,709 --> 01:33:57,360

a magician glitch loop that i always

2177

01:34:00,629 --> 01:33:58,719

hate it is

2178

01:34:02,149 --> 01:34:00,639

there every magician thinks that they're

2179

01:34:04,390 --> 01:34:02,159

so great at card tricks that they could

2180

01:34:06,310 --> 01:34:04,400

be entertaining for like two hours with

2181

01:34:08,790 --> 01:34:06,320

just a deck of cards and i gotta tell

2182

01:34:10,310 --> 01:34:08,800

you uh there's like two three people in

2183

01:34:12,229 --> 01:34:10,320

the world that could do that and you

2184

01:34:14,149 --> 01:34:12,239

ain't one of them and these guys are

2185

01:34:16,870 --> 01:34:14,159

just bored yet adapt with like pick a

2186

01:34:18,629 --> 01:34:16,880

chord i'm gonna find the chord ooh pick

2187

01:34:21,030 --> 01:34:18,639

a chord is that your chord oh shoot it's

2188

01:34:23,590 --> 01:34:21,040

not oh well transform it into like it's

2189

01:34:26,629 --> 01:34:23,600

after two or three is fine but after a

2190

01:34:28,629 --> 01:34:26,639

while like another one another one i i i

2191

01:34:30,790 --> 01:34:28,639

never did many card tricks

2192

01:34:32,950 --> 01:34:30,800

i do one or two really really i did one

2193

01:34:35,350 --> 01:34:32,960

or two really really well especially

2194

01:34:37,830 --> 01:34:35,360

just in case a paying client asked me to

2195

01:34:39,669 --> 01:34:37,840

see card tricks a lot of guys play poker

2196

01:34:41,109 --> 01:34:39,679

and they like to see a magician see how

2197

01:34:43,510 --> 01:34:41,119

good you are i was pretty good i could

2198

01:34:44,470 --> 01:34:43,520

do i could do one-handed cuts and you

2199

01:34:46,790 --> 01:34:44,480

know

2200

01:34:48,550 --> 01:34:46,800

and show off flipping the cards around

2201

01:34:50,229 --> 01:34:48,560

my fingers and stuff

2202

01:34:51,990 --> 01:34:50,239

sort of like a joke like nobody will

2203

01:34:54,390 --> 01:34:52,000

play poker with me i wonder why nobody

2204

01:34:56,790 --> 01:34:54,400

will let me deal you know but i would do

2205

01:34:59,030 --> 01:34:56,800

a few card tricks and no more

2206

01:35:01,030 --> 01:34:59,040

uh because people don't care about card

2207

01:35:02,149 --> 01:35:01,040

tricks that much

2208

01:35:03,669 --> 01:35:02,159

it's interesting to note that the

2209

01:35:05,990 --> 01:35:03,679

bermuda triangle if you line it up

2210

01:35:08,629 --> 01:35:06,000

correctly corresponds exactly to the

2211

01:35:12,149 --> 01:35:08,639

dimensions of mr wilcox forehead a

2212

01:35:13,830 --> 01:35:12,159

chance occurrence i think not yeah

2213

01:35:15,990 --> 01:35:13,840

million square miles that's a bit of a

2214

01:35:18,470 --> 01:35:16,000

stretch there moody mongol i would think

2215

01:35:25,669 --> 01:35:18,480

that is definitely a bit of a stretch

2216

01:35:29,510 --> 01:35:26,830

okay

2217

01:35:30,790 --> 01:35:29,520

so we've been here for an hour and 35

2218

01:35:32,310 --> 01:35:30,800

minutes friends and like i said i've got

2219

01:35:33,669 --> 01:35:32,320

a whole bunch of other stuff to do for

2220

01:35:35,350 --> 01:35:33,679

the show so i think we're going to call

2221

01:35:38,310 --> 01:35:35,360

this a short one now

2222

01:35:40,390 --> 01:35:38,320

i have a folder full of other stories

2223

01:35:42,470 --> 01:35:40,400

that came out of the bermuda triangle

2224

01:35:45,109 --> 01:35:42,480

that we haven't talked about maybe we'll

2225

01:35:46,629 --> 01:35:45,119

do a new series just called the bermuda

2226

01:35:48,390 --> 01:35:46,639

triangle report because apparently

2227

01:35:50,149 --> 01:35:48,400

there's always new

2228

01:35:52,550 --> 01:35:50,159

and interesting stories coming out of

2229

01:35:55,350 --> 01:35:52,560

the area the bermuda triangle and some

2230

01:35:57,270 --> 01:35:55,360

of them are uh really weird

2231

01:35:59,109 --> 01:35:57,280

i was a little you know i want to be a

2232

01:36:01,030 --> 01:35:59,119

little cautious not go with some of

2233

01:36:02,709 --> 01:36:01,040

these really woo out there stories

2234

01:36:04,310 --> 01:36:02,719

because i kind of look into them before

2235

01:36:06,790 --> 01:36:04,320

i just say

2236

01:36:09,350 --> 01:36:06,800

here's another here's a true story from

2237

01:36:11,350 --> 01:36:09,360

bermuda triangle that may be

2238

01:36:13,109 --> 01:36:11,360

bogus you know

2239

01:36:15,270 --> 01:36:13,119

so uh

2240

01:36:16,950 --> 01:36:15,280

yeah and success is reminding people

2241

01:36:19,189 --> 01:36:16,960

we're on rumble now you can go check out

2242

01:36:20,950 --> 01:36:19,199

some of our shows on rumble

2243

01:36:23,189 --> 01:36:20,960

but i would prefer if everybody watches

2244

01:36:24,950 --> 01:36:23,199

the shows on youtube most because here

2245

01:36:29,750 --> 01:36:24,960

we are monetized and it seems like these

2246

01:36:33,830 --> 01:36:31,430

these other distribution platforms are

2247

01:36:35,270 --> 01:36:33,840

long on promises but short on show me

2248

01:36:36,830 --> 01:36:35,280

the money

2249

01:36:39,270 --> 01:36:36,840

i think we've

2250

01:36:42,070 --> 01:36:39,280

made i don't know something like a grand

2251

01:36:44,390 --> 01:36:42,080

total of ten dollars between all of the

2252

01:36:46,310 --> 01:36:44,400

all video platforms which is really

2253

01:36:48,229 --> 01:36:46,320

nothing compared to youtube

2254

01:36:49,590 --> 01:36:48,239

but i'm i'm hopeful that things will

2255

01:36:51,910 --> 01:36:49,600

improve and we don't want to put all our

2256

01:36:53,669 --> 01:36:51,920

eggs in one basket given the current

2257

01:36:56,149 --> 01:36:53,679

conditions here

2258

01:36:57,990 --> 01:36:56,159

uh we want to keep our options open so

2259

01:36:59,830 --> 01:36:58,000

that we can be as many places as

2260

01:37:02,629 --> 01:36:59,840

possible so that as many people as

2261

01:37:05,109 --> 01:37:02,639

possible can also find us

2262

01:37:06,709 --> 01:37:05,119

so that's where we're at

2263

01:37:08,070 --> 01:37:06,719

so what can i say friends we're going to

2264

01:37:10,390 --> 01:37:08,080

call this one a short one i'm going to

2265

01:37:12,149 --> 01:37:10,400

try to tend to some show business that

2266

01:37:15,350 --> 01:37:12,159

i'm behind on

2267

01:37:16,870 --> 01:37:15,360

i'm a terrible show host

2268

01:37:18,390 --> 01:37:16,880

and uh

2269

01:37:20,070 --> 01:37:18,400

what do you always hear me say friends

2270

01:37:22,070 --> 01:37:20,080

you always hear me say that i'm always

2271

01:37:25,109 --> 01:37:22,080

happy when there's an audience today we

2272

01:37:27,510 --> 01:37:25,119

had a great one and for once we

2273

01:37:28,950 --> 01:37:27,520

uh veered off into other subjects which

2274

01:37:29,750 --> 01:37:28,960

is something that we desperately have to

2275

01:37:32,390 --> 01:37:29,760

do

2276

01:37:34,390 --> 01:37:32,400

can't stick to the same beat

2277

01:37:35,990 --> 01:37:34,400

things get very stagnant

2278

01:37:37,830 --> 01:37:36,000

and you know and i'm not saying this to

2279

01:37:39,669 --> 01:37:37,840

be critical of others but i just noticed

2280

01:37:41,830 --> 01:37:39,679

that some people are really stretching a

2281

01:37:44,790 --> 01:37:41,840

story pretty goddamn thing to just keep

2282

01:37:48,229 --> 01:37:44,800

going with another show and i i just

2283

01:37:50,070 --> 01:37:48,239

i refuse to become that right i just i i

2284

01:37:52,149 --> 01:37:50,080

got to

2285

01:37:53,990 --> 01:37:52,159

keep bringing you stories worth watching

2286

01:37:54,870 --> 01:37:54,000

i'm not going to stretch out a story and

2287

01:37:55,750 --> 01:37:54,880

use

2288

01:37:57,510 --> 01:37:55,760

you know

2289

01:37:59,669 --> 01:37:57,520

people are using all kinds of new metal

2290

01:38:01,669 --> 01:37:59,679

gymnastics to justify running with it

2291

01:38:03,590 --> 01:38:01,679

again it's just that there's nothing

2292

01:38:04,950 --> 01:38:03,600

there's nothing there's nothing to talk

2293

01:38:06,310 --> 01:38:04,960

about over there

2294

01:38:08,070 --> 01:38:06,320

so let's

2295

01:38:11,109 --> 01:38:08,080

i don't want to do that

2296

01:38:12,470 --> 01:38:11,119

and again i'm not i'm not being

2297

01:38:14,070 --> 01:38:12,480

you know to each their own everybody

2298

01:38:15,750 --> 01:38:14,080

gets to decide whatever whatever they

2299

01:38:17,750 --> 01:38:15,760

want to cover on their own show i don't

2300

01:38:19,109 --> 01:38:17,760

have the right to decide what somebody

2301

01:38:20,470 --> 01:38:19,119

covers but i have the right to decide

2302

01:38:22,310 --> 01:38:20,480

what i cover

2303

01:38:24,470 --> 01:38:22,320

and if there's nothing going on in a

2304

01:38:26,070 --> 01:38:24,480

certain area or beat that we usually

2305

01:38:28,470 --> 01:38:26,080

cover i'm going to cover something else

2306

01:38:31,590 --> 01:38:28,480

i think that's best and we have to

2307

01:38:32,629 --> 01:38:31,600

expand our horizons here grow our tent

2308

01:38:34,790 --> 01:38:32,639

and

2309

01:38:37,510 --> 01:38:34,800

interest more people than just people

2310

01:38:39,669 --> 01:38:37,520

into a very certain subculture of the

2311

01:38:42,390 --> 01:38:39,679

paranormal world i'm fascinated by

2312

01:38:44,950 --> 01:38:42,400

almost all things strange esoteric

2313

01:38:46,870 --> 01:38:44,960

mysterious or paranormal so i'm fine

2314

01:38:48,550 --> 01:38:46,880

with covering all of it and we kind of

2315

01:38:49,350 --> 01:38:48,560

lost sight of that because it seems like

2316

01:38:51,830 --> 01:38:49,360

uh

2317

01:38:53,189 --> 01:38:51,840

you get in this niche and go oh this is

2318

01:38:54,870 --> 01:38:53,199

what people are coming here to see we

2319

01:38:56,629 --> 01:38:54,880

want to give people what they want but

2320

01:38:58,870 --> 01:38:56,639

at the same time i don't want to become

2321

01:39:01,830 --> 01:38:58,880

a broken record repeating the same

2322

01:39:03,189 --> 01:39:01,840

garbage story five shows in a row

2323

01:39:04,310 --> 01:39:03,199

because there's nothing else to talk

2324

01:39:06,790 --> 01:39:04,320

about

2325

01:39:09,750 --> 01:39:06,800

we want to do our best here to bring you

2326

01:39:11,430 --> 01:39:09,760

new and interesting things to talk about

2327

01:39:12,790 --> 01:39:11,440

so you always hear me say this always

2328

01:39:14,310 --> 01:39:12,800

happy when there's an audience today we

2329

01:39:16,470 --> 01:39:14,320

had a great one friends i want to thank

2330

01:39:18,950 --> 01:39:16,480

all our kind and generous benefactors

2331

01:39:21,669 --> 01:39:18,960

super chatters patreon supporters

2332

01:39:24,390 --> 01:39:21,679

uh paypal donators and more and i want

2333

01:39:27,189 --> 01:39:24,400

to remind you one final thing

2334

01:39:29,750 --> 01:39:27,199

there is one other way uh to support us

2335

01:39:31,109 --> 01:39:29,760

and that is to like comment subscribe

2336

01:39:33,350 --> 01:39:31,119

and share and if you happen to be

2337

01:39:34,790 --> 01:39:33,360

listening in audio podcastly and realize

2338

01:39:37,430 --> 01:39:34,800

that this is

2339

01:39:38,950 --> 01:39:37,440

uh a replay that you're listening to if

2340

01:39:41,030 --> 01:39:38,960

you want to be part of the live

2341

01:39:43,990 --> 01:39:41,040

broadcast and the live tapings for the

2342

01:39:46,550 --> 01:39:44,000

audio podcast go on over to youtube put

2343

01:39:47,910 --> 01:39:46,560

truth seekers one word in the search bar

2344

01:39:49,590 --> 01:39:47,920

look for me the strange guy with

2345

01:39:51,430 --> 01:39:49,600

sunglasses i'll be the first search

2346

01:39:53,270 --> 01:39:51,440

result that comes up truth seekers one

2347

01:39:55,109 --> 01:39:53,280

word in the search bar go to

2348

01:39:57,109 --> 01:39:55,119

truthseeker's channel smash that

2349

01:39:58,790 --> 01:39:57,119

subscribe button hit that notification

2350

01:40:01,350 --> 01:39:58,800

bell and you too will know when we're

2351  
01:40:03,830 --> 01:40:01,360  
doing a live broadcast you can come over

2352  
01:40:05,430 --> 01:40:03,840  
here ask questions interact with this

2353  
01:40:07,910 --> 01:40:05,440  
great live chat

2354  
01:40:09,510 --> 01:40:07,920  
comments uh tell us what kind of shows

2355  
01:40:11,430 --> 01:40:09,520  
or stories you would like to see in the

2356  
01:40:12,629 --> 01:40:11,440  
future going forward here on truth

2357  
01:40:15,669 --> 01:40:12,639  
seekers

2358  
01:40:17,270 --> 01:40:15,679  
we value all of you

2359  
01:40:19,350 --> 01:40:17,280  
uh the other thing that you can do is

2360  
01:40:21,910 --> 01:40:19,360  
share these videos on your social media

2361  
01:40:23,510 --> 01:40:21,920  
put them on your facebook your instagram

2362  
01:40:25,669 --> 01:40:23,520  
anywhere that you can

2363  
01:40:27,990 --> 01:40:25,679

your facebook your your instagram your

2364

01:40:30,709 --> 01:40:28,000

twitter feed share these videos it

2365

01:40:33,990 --> 01:40:30,719

really does help us to expand our reach

2366

01:40:35,430 --> 01:40:34,000

find new audience members and more so

2367

01:40:36,950 --> 01:40:35,440

besides throwing a couple of bucks in

2368

01:40:38,390 --> 01:40:36,960

our hat that's the other thing that you

2369

01:40:40,390 --> 01:40:38,400

could do that would be really really

2370

01:40:41,189 --> 01:40:40,400

helpful to keep us

2371

01:40:43,510 --> 01:40:41,199

uh

2372

01:40:45,750 --> 01:40:43,520

creating this show

2373

01:40:47,189 --> 01:40:45,760

what else can i say i will be back

2374

01:40:50,870 --> 01:40:47,199

tomorrow

2375

01:40:53,590 --> 01:40:50,880

uh for another show uh which

2376

01:40:56,070 --> 01:40:53,600

we may or may not be you know

2377

01:40:58,470 --> 01:40:56,080

exploring new topics i'm hopeful that we

2378

01:41:00,310 --> 01:40:58,480

will i have many different

2379

01:41:01,669 --> 01:41:00,320

shows that were sort of half prepared

2380

01:41:04,709 --> 01:41:01,679

and never finished

2381

01:41:05,990 --> 01:41:04,719

so i am trying to get news stories to

2382

01:41:08,870 --> 01:41:06,000

bring you

2383

01:41:09,990 --> 01:41:08,880

uh about these strange and esoteric

2384

01:41:12,390 --> 01:41:10,000

subjects

2385

01:41:13,669 --> 01:41:12,400

so we're gonna bounce on out of here i

2386

01:41:15,189 --> 01:41:13,679

would thank each and every one of you

2387

01:41:17,030 --> 01:41:15,199

for joining us and especially thank all

2388

01:41:18,870 --> 01:41:17,040

you kind and generous benefactors

2389

01:41:20,550 --> 01:41:18,880

helping us this is a viewer supported

2390

01:41:21,669 --> 01:41:20,560

show you guys help make this show

2391

01:41:23,270 --> 01:41:21,679

possible

2392

01:41:25,669 --> 01:41:23,280

so until next time friends my name is

2393

01:41:29,490 --> 01:41:25,679

steven campion good night and god bless

2394

01:42:06,180 --> 01:41:49,880

[Music]

2395

01:42:20,149 --> 01:42:06,190

so

2396

01:42:49,830 --> 01:42:20,159

[Music]

2397

01:43:26,950 --> 01:42:49,840

[Applause]

2398

01:44:45,680 --> 01:43:54,780

[Music]

2399

01:45:01,510 --> 01:44:45,690

am i so broken

2400

01:45:24,629 --> 01:45:04,740

am i so big

2401  
01:45:29,990 --> 01:45:25,730  
place

2402  
01:45:31,660 --> 01:45:30,000  
[Music]

2403  
01:45:53,100 --> 01:45:31,670  
oh

2404  
01:45:55,580 --> 01:45:53,110  
[Music]

2405  
01:46:09,030 --> 01:45:55,590  
[Applause]

2406  
01:46:12,180 --> 01:46:09,040  
[Music]

2407  
01:46:15,030 --> 01:46:12,190  
i'm in a very dark

2408  
01:46:18,890 --> 01:46:15,040  
[Music]

2409  
01:46:20,080 --> 01:46:18,900  
i'm in a very dark

2410  
01:47:16,400 --> 01:46:20,090  
[Applause]
