UFO TALK WILLIAM PULLIN

1
00:00:05,430 --> 00:00:02,869
this program is a legacy program which

2
00:00:07,909 --> 00:00:05,440
was recorded some time ago

3
00:00:10,390 --> 00:00:07,919
views and subject matter are products of

4
00:00:13,030 --> 00:00:10,400
the time in which they were recorded and

5
00:00:29,750 --> 00:00:13,040
may not reflect current news or cultural

6
00:00:39,350 --> 00:00:36,150
[Music]

7
00:00:42,709 --> 00:00:39,360
welcome back my friends back to another

8
00:00:47,029 --> 00:00:42,719
amazing edition of the midnight hour

9
00:00:49,029 --> 00:00:47,039
i'm happy to say that some of you may be

10
00:00:52,630 --> 00:00:49,039
actually listening to the midnight hour

11
00:00:56,470 --> 00:00:52,640
show at midnight that's right

12
00:00:59,029 --> 00:00:56,480
midnight on the fringe fm

13
00:01:00,150 --> 00:00:59,039

that's when the midnight hour show takes

14

00:01:01,990 --> 00:01:00,160

place

15

00:01:04,149 --> 00:01:02,000

i'm so happy to be here with my new

16

00:01:05,590 --> 00:01:04,159

friends on the fringe fm

17

00:01:06,710 --> 00:01:05,600

you know lately

18

00:01:08,630 --> 00:01:06,720

um

19

00:01:11,670 --> 00:01:08,640

i've been going down all kinds of rabbit

20

00:01:14,630 --> 00:01:11,680

holes but i wanted to get back to

21

00:01:15,990 --> 00:01:14,640

some of the foundational cases of

22

00:01:17,270 --> 00:01:16,000

ufology

23

00:01:19,429 --> 00:01:17,280

and

24

00:01:20,630 --> 00:01:19,439

some of the cases that are the most

25

00:01:21,670 --> 00:01:20,640

credible

26

00:01:24,230 --> 00:01:21,680

and

27

00:01:27,030 --> 00:01:24,240

i wanted to bring on someone

28

00:01:29,749 --> 00:01:27,040

as a guest who could talk about

29

00:01:31,830 --> 00:01:29,759

those most credible cases those cases

30

00:01:35,109 --> 00:01:31,840

that actually have evidence

31

00:01:36,710 --> 00:01:35,119

and are very convincing and

32

00:01:38,469 --> 00:01:36,720

are

33

00:01:42,550 --> 00:01:38,479

i suppose

34

00:01:44,469 --> 00:01:42,560

some of the best cases of ufos or alien

35

00:01:47,540 --> 00:01:44,479

visitations

36

00:01:48,870 --> 00:01:47,550

that we have in that ufo file

37

00:01:49,749 --> 00:01:48,880

[Music]

38

00:01:55,749 --> 00:01:49,759

and

39

00:01:57,990 --> 00:01:55,759
with so many cases that just are

40

00:02:00,389 --> 00:01:58,000
incredible

41

00:02:02,550 --> 00:02:00,399
and fakes and frauds we've been over

42

00:02:03,350 --> 00:02:02,560
this folks you know how i feel about

43

00:02:05,030 --> 00:02:03,360
that

44

00:02:08,550 --> 00:02:05,040
i wanted to get back to some of the good

45

00:02:11,750 --> 00:02:08,560
cases right let's let's flip the coin

46

00:02:19,150 --> 00:02:11,760
here and get away from the negativity of

47

00:02:30,390 --> 00:02:24,270
[Music]

48

00:02:35,589 --> 00:02:33,110
in those cases that got me interested in

49

00:02:37,750 --> 00:02:35,599
those cases that i felt yeah there's

50

00:02:40,390 --> 00:02:37,760
something to this

51
00:02:42,949 --> 00:02:40,400
because there's some good cases folks

52
00:02:45,030 --> 00:02:42,959
there is some good evidence out there

53
00:02:48,470 --> 00:02:45,040
of both

54
00:02:51,110 --> 00:02:48,480
alien visitation maybe alien crash

55
00:02:52,710 --> 00:02:51,120
landings that our government covered up

56
00:02:54,390 --> 00:02:52,720
and

57
00:02:57,110 --> 00:02:54,400
these are the things

58
00:02:59,430 --> 00:02:57,120
that got me into this like i really

59
00:03:01,670 --> 00:02:59,440
don't want to spend my time

60
00:03:05,030 --> 00:03:01,680
just beating up on all the frauds and

61
00:03:06,470 --> 00:03:05,040
fakes and [h__\h] artists i i really i

62
00:03:09,190 --> 00:03:06,480
want to present to my listeners some of

63
00:03:11,270 --> 00:03:09,200

the good cases and why they're good

64

00:03:13,350 --> 00:03:11,280

cases and

65

00:03:15,190 --> 00:03:13,360

some of the good evidence and why this

66

00:03:15,990 --> 00:03:15,200

is good evidence

67

00:03:18,390 --> 00:03:16,000

because

68

00:03:21,350 --> 00:03:18,400

yeah i think i get sidetracked with all

69

00:03:23,430 --> 00:03:21,360

the bullshitter

70

00:03:24,390 --> 00:03:23,440

and i really

71

00:03:27,030 --> 00:03:24,400

like

72

00:03:28,869 --> 00:03:27,040

to once in a while remind myself there

73

00:03:31,190 --> 00:03:28,879

are good cases and there's good

74

00:03:34,550 --> 00:03:31,200

researchers out there that have good

75

00:03:35,509 --> 00:03:34,560

information about some of this stuff

76

00:03:37,110 --> 00:03:35,519

and

77

00:03:39,350 --> 00:03:37,120

you know it's kind of like trying to

78

00:03:42,050 --> 00:03:39,360

crawl through a landmine

79

00:03:54,869 --> 00:03:42,060

just trying to get to the good stuff

80

00:03:59,110 --> 00:03:56,510

as far as his

81

00:04:00,789 --> 00:03:59,120

[Music]

82

00:04:03,509 --> 00:04:00,799

personal knowledge

83

00:04:05,429 --> 00:04:03,519

and researching all these things

84

00:04:08,470 --> 00:04:05,439

to bring to some of the good cases some

85

00:04:11,429 --> 00:04:08,480

of the best cases some of the you know

86

00:04:13,190 --> 00:04:11,439

cases with evidence

87

00:04:14,440 --> 00:04:13,200

and so tonight we're going to talk to

88

00:04:23,600 --> 00:04:14,450

william

89

00:04:37,430 --> 00:04:25,910

[Music]

90

00:04:40,160 --> 00:04:37,440

all right first i'd like to see

91

00:04:43,040 --> 00:04:40,170

if you can tell me

92

00:04:53,110 --> 00:04:43,050

[Music]

93

00:04:54,950 --> 00:04:53,120

it wasn't until my college years in the

94

00:04:56,790 --> 00:04:54,960

late 80s early 90s

95

00:04:58,790 --> 00:04:56,800

that i really decided to look into what

96

00:04:59,670 --> 00:04:58,800

was going on or what what was not going

97

00:05:00,629 --> 00:04:59,680

on

98

00:05:02,629 --> 00:05:00,639

um

99

00:05:04,150 --> 00:05:02,639

so i actually took a trip to roswell to

100

00:05:06,070 --> 00:05:04,160

visit their museum

101

00:05:08,310 --> 00:05:06,080

not for any festival not for

102

00:05:10,070 --> 00:05:08,320

fun but simply to attack

103

00:05:11,270 --> 00:05:10,080

and look at the files and books and

104

00:05:13,909 --> 00:05:11,280

everything they have

105

00:05:15,749 --> 00:05:13,919

all the documentation and uh spent three

106

00:05:18,070 --> 00:05:15,759

months there this summer

107

00:05:19,670 --> 00:05:18,080

uh between semesters and

108

00:05:22,310 --> 00:05:19,680

i turned from a

109

00:05:24,950 --> 00:05:22,320

total skeptic to a

110

00:05:26,150 --> 00:05:24,960

a little less of a skeptic um

111

00:05:27,830 --> 00:05:26,160

i'm aware now there's something

112

00:05:29,590 --> 00:05:27,840

something that is transpiring

113

00:05:32,390 --> 00:05:29,600

no one knows what it is

114

00:05:33,909 --> 00:05:32,400

but something's going on um there's too

115

00:05:39,110 --> 00:05:33,919

much

116

00:05:41,110 --> 00:05:39,120

to be out there for it to be just

117

00:05:42,150 --> 00:05:41,120

non-existent so uh that kind of turned

118

00:05:44,469 --> 00:05:42,160

my mind

119

00:05:46,390 --> 00:05:44,479

a full 180 uh the way i look at it now

120

00:05:49,270 --> 00:05:46,400

so um

121

00:05:51,430 --> 00:05:49,280

you know now i've made some uh

122

00:05:53,110 --> 00:05:51,440

ill-advised attempts to work with some

123

00:05:54,390 --> 00:05:53,120

groups here in san antonio

124

00:05:56,150 --> 00:05:54,400

namely um

125

00:05:58,150 --> 00:05:56,160

the local mufon group and another ems

126
00:05:59,990 --> 00:05:58,160
data group those fell by the wayside so

127
00:06:01,110 --> 00:06:00,000
now i'm just doing my own thing

128
00:06:03,110 --> 00:06:01,120
um

129
00:06:04,629 --> 00:06:03,120
i started a new blog on facebook in

130
00:06:07,749 --> 00:06:04,639
early february

131
00:06:10,309 --> 00:06:07,759
and i hate to say it but like i've never

132
00:06:12,230 --> 00:06:10,319
heard anyone speak positively about

133
00:06:14,870 --> 00:06:12,240
their experience with that group what we

134
00:06:16,710 --> 00:06:14,880
get is people saying hey

135
00:06:18,550 --> 00:06:16,720
i have somebody that has medals can we

136
00:06:20,390 --> 00:06:18,560
get it analyzed and they don't ever get

137
00:06:22,309 --> 00:06:20,400
back to the investigator that seems

138
00:06:23,430 --> 00:06:22,319

crazy to me if you want the truth of

139

00:06:26,469 --> 00:06:23,440

this thing and here's somebody that can

140

00:06:28,469 --> 00:06:26,479

get medals from a witness

141

00:06:30,309 --> 00:06:28,479

why would they ignore the guy

142

00:06:32,469 --> 00:06:30,319

and there's a hundred other examples

143

00:06:35,029 --> 00:06:32,479

that i could give so you had a similar

144

00:06:36,469 --> 00:06:35,039

just bad experience trying to try to be

145

00:06:38,469 --> 00:06:36,479

a part of that group

146

00:06:40,390 --> 00:06:38,479

well i i've gone to some meetings in the

147

00:06:42,950 --> 00:06:40,400

last couple years not on a consistent

148

00:06:44,469 --> 00:06:42,960

basis but every so often it would go

149

00:06:46,230 --> 00:06:44,479

and um

150

00:06:47,670 --> 00:06:46,240

i was kind of aware that the the group

151
00:06:49,189 --> 00:06:47,680
of people that were going weren't really

152
00:06:50,629 --> 00:06:49,199
diverse

153
00:06:53,510 --> 00:06:50,639
you had the typical move home member

154
00:06:55,350 --> 00:06:53,520
which is basically white man over 50.

155
00:06:58,309 --> 00:06:55,360
and then you have the other half of the

156
00:07:01,029 --> 00:06:58,319
crowd would tend to be more diverse

157
00:07:02,950 --> 00:07:01,039
younger individuals more women

158
00:07:04,070 --> 00:07:02,960
people were that were a little more

159
00:07:07,270 --> 00:07:04,080
um

160
00:07:09,670 --> 00:07:07,280
social media or internet savvy

161
00:07:13,510 --> 00:07:09,680
and they clearly had a disconnect

162
00:07:15,830 --> 00:07:13,520
and then as a as an overall team

163
00:07:18,150 --> 00:07:15,840

a scientific grounded examination of the

164

00:07:20,629 --> 00:07:18,160

phenomenon was not in the cars

165

00:07:22,710 --> 00:07:20,639

they were very speculative they had

166

00:07:23,830 --> 00:07:22,720

features like alien of the month

167

00:07:25,350 --> 00:07:23,840

uh where they were talking about a

168

00:07:26,629 --> 00:07:25,360

different alien

169

00:07:28,230 --> 00:07:26,639

without bringing actually any

170

00:07:30,390 --> 00:07:28,240

information or any evidence to prove

171

00:07:32,390 --> 00:07:30,400

this actual alien exists it was just

172

00:07:33,830 --> 00:07:32,400

random speculation

173

00:07:35,830 --> 00:07:33,840

and then about four or five minutes of

174

00:07:38,230 --> 00:07:35,840

every meeting spent talking about

175

00:07:40,390 --> 00:07:38,240

the results of investigations

176

00:07:43,270 --> 00:07:40,400

uh which were very

177

00:07:45,990 --> 00:07:43,280

short short-winded

178

00:07:47,510 --> 00:07:46,000

their reports it wasn't it wasn't any

179

00:07:49,110 --> 00:07:47,520

seemed like it wasn't any scientific

180

00:07:51,189 --> 00:07:49,120

boots on the ground

181

00:07:52,469 --> 00:07:51,199

investigations going on

182

00:07:54,230 --> 00:07:52,479

um

183

00:07:56,390 --> 00:07:54,240

so they they actually

184

00:07:58,869 --> 00:07:56,400

uh elected me their vice president that

185

00:08:00,390 --> 00:07:58,879

lasted six weeks because in that six

186

00:08:01,589 --> 00:08:00,400

week period i was really pushing for a

187

00:08:04,150 --> 00:08:01,599

change

188

00:08:06,230 --> 00:08:04,160

to a more scientific examination and

189

00:08:08,710 --> 00:08:06,240

they that group was not

190

00:08:10,550 --> 00:08:08,720

open to that at all so i would always

191

00:08:13,350 --> 00:08:10,560

seem strange considering that's what

192

00:08:15,589 --> 00:08:13,360

they're supposed to be doing as far as i

193

00:08:20,469 --> 00:08:17,430

that's i think it's not the mission

194

00:08:21,909 --> 00:08:20,479

statement yeah pretty much yeah

195

00:08:24,790 --> 00:08:21,919

so uh no they're not following the

196

00:08:26,150 --> 00:08:24,800

mission statement at all no um

197

00:08:28,070 --> 00:08:26,160

which is unfortunate because there are

198

00:08:30,629 --> 00:08:28,080

some individuals in the group that

199

00:08:32,389 --> 00:08:30,639

do advocate that that approach

200

00:08:34,230 --> 00:08:32,399

and not the signs at the end all be all

201
00:08:36,469 --> 00:08:34,240
but it's a little less

202
00:08:39,589 --> 00:08:36,479
speculative um

203
00:08:41,589 --> 00:08:39,599
but uh that was not going to happen and

204
00:08:42,870 --> 00:08:41,599
one of the board of directors of mufon

205
00:08:45,509 --> 00:08:42,880
um

206
00:08:47,509 --> 00:08:45,519
tom whitmore lives here in san antonio

207
00:08:49,350 --> 00:08:47,519
and he's clearly not a grounded first

208
00:08:50,710 --> 00:08:49,360
person he's uh

209
00:08:54,710 --> 00:08:50,720
he's got an agenda i don't know what the

210
00:08:57,670 --> 00:08:54,720
agenda is but clearly my efforts were

211
00:08:59,350 --> 00:08:57,680
uh but it had with his agenda so there's

212
00:09:01,750 --> 00:08:59,360
a lot of controversy with this group

213
00:09:04,710 --> 00:09:01,760

from uh you know i heard they sold their

214

00:09:05,990 --> 00:09:04,720

files to uh bob bigelow at one point and

215

00:09:08,310 --> 00:09:06,000

then these were supposed to be

216

00:09:10,550 --> 00:09:08,320

confidential files so that's you know

217

00:09:12,550 --> 00:09:10,560

like if people are going to investigate

218

00:09:14,870 --> 00:09:12,560

something and you tell the witnesses

219

00:09:17,030 --> 00:09:14,880

this is a confidential report for our

220

00:09:19,670 --> 00:09:17,040

organization and then you sell that

221

00:09:21,509 --> 00:09:19,680

report to a third party

222

00:09:22,870 --> 00:09:21,519

i think there's some legal and at least

223

00:09:25,350 --> 00:09:22,880

ethical

224

00:09:27,269 --> 00:09:25,360

problems there and then honestly they

225

00:09:28,070 --> 00:09:27,279

lost me when they had

226

00:09:30,870 --> 00:09:28,080

that

227

00:09:31,829 --> 00:09:30,880

secret space conference with corey goode

228

00:09:34,550 --> 00:09:31,839

and uh

229

00:09:37,269 --> 00:09:34,560

oh yeah who is the other guy

230

00:09:38,470 --> 00:09:37,279

michael doctor michael sala which i

231

00:09:40,550 --> 00:09:38,480

don't know where that guy got his

232

00:09:41,269 --> 00:09:40,560

doctorate at but it seems like he's got

233

00:10:06,230 --> 00:09:41,279

a

234

00:10:07,590 --> 00:10:06,240

um

235

00:10:09,670 --> 00:10:07,600

you know my impression of the

236

00:10:11,750 --> 00:10:09,680

organization is that

237

00:10:13,509 --> 00:10:11,760

and i'm told i have many good friends

238

00:10:15,269 --> 00:10:13,519

that work for the organization but

239

00:10:17,430 --> 00:10:15,279

always at the local levels there are

240

00:10:21,030 --> 00:10:17,440

lots of local groups i can think of

241

00:10:22,470 --> 00:10:21,040

uh mufon in arizona los angeles mufon

242

00:10:24,310 --> 00:10:22,480

there are local groups that do some good

243

00:10:25,990 --> 00:10:24,320

work they do the best they can

244

00:10:27,910 --> 00:10:26,000

considering they get no support from the

245

00:10:29,590 --> 00:10:27,920

higher organization but the higher you

246

00:10:31,269 --> 00:10:29,600

go in the organization

247

00:10:33,190 --> 00:10:31,279

more the problems creep in and we're all

248

00:10:34,550 --> 00:10:33,200

aware of the problems and the symposium

249

00:10:36,389 --> 00:10:34,560

that year

250

00:10:38,949 --> 00:10:36,399

was those problems were on display

251
00:10:40,870 --> 00:10:38,959
they're clearly looking for membership

252
00:10:43,190 --> 00:10:40,880
so it seemed like they went the angle of

253
00:10:45,269 --> 00:10:43,200
let's let's have a cast of characters

254
00:10:47,590 --> 00:10:45,279
speaking at our symposium that is

255
00:10:50,550 --> 00:10:47,600
clearly going to bring in people

256
00:10:53,110 --> 00:10:50,560
which means bringing in membership uh

257
00:10:54,710 --> 00:10:53,120
yeah that was a horrible spectacle yeah

258
00:10:57,430 --> 00:10:54,720
i guess at the end of the day it's about

259
00:10:59,910 --> 00:10:57,440
how many how many membership

260
00:11:02,389 --> 00:10:59,920
packages they get filled out and that

261
00:11:03,750 --> 00:11:02,399
and checks you know because i know a

262
00:11:05,590 --> 00:11:03,760
bunch of people that kind of joined and

263
00:11:07,190 --> 00:11:05,600

then just never really did anything they

264

00:11:09,269 --> 00:11:07,200

just sent in their money

265

00:11:10,949 --> 00:11:09,279

and you get some kind of you know

266

00:11:12,790 --> 00:11:10,959

some kind of certificate calling you a

267

00:11:14,710 --> 00:11:12,800

field investigator or something like

268

00:11:16,550 --> 00:11:14,720

that you know and like you know it's

269

00:11:17,269 --> 00:11:16,560

just weird the whole thing is strange to

270

00:11:19,509 --> 00:11:17,279

me

271

00:11:20,550 --> 00:11:19,519

and i i just don't even follow what they

272

00:11:23,670 --> 00:11:20,560

do or

273

00:11:28,870 --> 00:11:26,310

and uh i'm with him yeah but i i keep

274

00:11:29,829 --> 00:11:28,880

track of what the local groups go doing

275

00:11:30,710 --> 00:11:29,839

um

276

00:11:33,350 --> 00:11:30,720

and

277

00:11:35,910 --> 00:11:33,360

you know in a week in a roundabout way

278

00:11:38,069 --> 00:11:35,920

through friends in the community uh i

279

00:11:40,790 --> 00:11:38,079

kind of i'm aware of what's going on

280

00:11:42,470 --> 00:11:40,800

with the higher organizations um

281

00:11:43,910 --> 00:11:42,480

but you're right it's clearly looking

282

00:11:46,310 --> 00:11:43,920

for membership and

283

00:11:48,550 --> 00:11:46,320

people join roof on whether on a very

284

00:11:52,069 --> 00:11:48,560

basic level and just put their money in

285

00:11:53,590 --> 00:11:52,079

there and then they get no return um

286

00:11:54,870 --> 00:11:53,600

and there's lots of there are field

287

00:11:57,670 --> 00:11:54,880

investigators

288

00:11:58,710 --> 00:11:57,680

um how many are highly qualified i don't

289

00:12:02,550 --> 00:11:58,720

know

290

00:12:03,990 --> 00:12:02,560

um the last i think was last december

291

00:12:06,629 --> 00:12:04,000

i was speaking to a friend that works

292

00:12:08,230 --> 00:12:06,639

for the houston mufon chapter uh a

293

00:12:10,790 --> 00:12:08,240

grounded scientific

294

00:12:11,829 --> 00:12:10,800

guy high integrity nice gentleman she

295

00:12:13,190 --> 00:12:11,839

told me there were eight fuel

296

00:12:14,150 --> 00:12:13,200

investigators for the entire state of

297

00:12:15,030 --> 00:12:14,160

texas

298

00:12:16,389 --> 00:12:15,040

eight

299

00:12:18,069 --> 00:12:16,399

wow that's pretty

300

00:12:19,829 --> 00:12:18,079

that's a big yeah i said my first

301

00:12:21,990 --> 00:12:19,839

thought was okay really

302

00:12:24,069 --> 00:12:22,000

i mean we have a we have a relatively

303

00:12:26,949 --> 00:12:24,079

large civilian organization and there

304

00:12:29,190 --> 00:12:26,959

are eight field investigators in texas

305

00:12:31,269 --> 00:12:29,200

and i am not going to assume all eight

306

00:12:34,870 --> 00:12:31,279

of those people are highly qualified

307

00:12:39,030 --> 00:12:36,389

yeah absolutely so i guess you just

308

00:12:40,550 --> 00:12:39,040

decided to go it alone and uh you you're

309

00:12:42,230 --> 00:12:40,560

probably better off right because you

310

00:12:45,509 --> 00:12:42,240

don't have to answer to anybody you just

311

00:12:49,509 --> 00:12:47,670

pretty much

312

00:12:51,190 --> 00:12:49,519

investigating this stuff you know you

313

00:12:52,629 --> 00:12:51,200

just kind of

314

00:12:54,150 --> 00:12:52,639

so tell me

315

00:12:56,550 --> 00:12:54,160

you know we've been spending a lot of

316

00:13:00,069 --> 00:12:56,560

time on my show just kind of busting

317

00:13:01,430 --> 00:13:00,079

frauds and hoaxers and and fakes and uh

318

00:13:03,509 --> 00:13:01,440

you know i think there's a place for

319

00:13:05,430 --> 00:13:03,519

that and somebody has to do it and it's

320

00:13:07,350 --> 00:13:05,440

and i always seem like you know i know

321

00:13:08,710 --> 00:13:07,360

there's others doing it but it just it

322

00:13:10,310 --> 00:13:08,720

just seems like i've been spending a

323

00:13:12,310 --> 00:13:10,320

great deal of my time

324

00:13:14,389 --> 00:13:12,320

doing that kind of stuff lately

325

00:13:15,829 --> 00:13:14,399

which i think has some value because

326

00:13:18,710 --> 00:13:15,839

people need to be informed that this

327

00:13:20,629 --> 00:13:18,720

person is a fraud and here's why

328

00:13:22,310 --> 00:13:20,639

but i wanted to get back to more

329

00:13:23,990 --> 00:13:22,320

credible cases

330

00:13:26,150 --> 00:13:24,000

and i know you're really really

331

00:13:27,750 --> 00:13:26,160

interested in roswell why don't you tell

332

00:13:29,829 --> 00:13:27,760

us some of the

333

00:13:31,430 --> 00:13:29,839

of the latest for roswell because i

334

00:13:32,310 --> 00:13:31,440

don't think that most people are up to

335

00:13:34,069 --> 00:13:32,320

date

336

00:13:37,030 --> 00:13:34,079

and i know that a lot of people are

337

00:13:39,590 --> 00:13:37,040

talking about that you know race racing

338

00:13:41,509 --> 00:13:39,600

the undertaker because all the witnesses

339

00:13:43,350 --> 00:13:41,519

are slowly dying off and there's not

340

00:13:45,189 --> 00:13:43,360

much left there

341

00:13:47,910 --> 00:13:45,199

but why don't you tell us

342

00:13:50,790 --> 00:13:47,920

about anything new or or what are some

343

00:13:52,629 --> 00:13:50,800

developments lately

344

00:13:54,069 --> 00:13:52,639

well you know to be really honest to be

345

00:13:55,910 --> 00:13:54,079

brutally honest there's nothing really

346

00:13:57,509 --> 00:13:55,920

new um

347

00:13:59,990 --> 00:13:57,519

the fact i can't i cannot think of a

348

00:14:01,430 --> 00:14:00,000

first-hand witness that's still alive

349

00:14:04,069 --> 00:14:01,440

and there's been no

350

00:14:05,750 --> 00:14:04,079

recovery of any kind of documentation

351

00:14:07,269 --> 00:14:05,760

um

352

00:14:08,470 --> 00:14:07,279

and this is my personal take and my

353

00:14:10,710 --> 00:14:08,480

personal take is pretty close to my

354

00:14:12,310 --> 00:14:10,720

professional take uh there's a core

355

00:14:13,350 --> 00:14:12,320

there's a core of

356

00:14:15,350 --> 00:14:13,360

evidence

357

00:14:17,910 --> 00:14:15,360

first-hand testimony from the military

358

00:14:19,750 --> 00:14:17,920

personnel that was there at the air base

359

00:14:21,910 --> 00:14:19,760

that cooperates

360

00:14:24,550 --> 00:14:21,920

the individuals cooperate each other

361

00:14:27,189 --> 00:14:24,560

uh the reaction of the military

362

00:14:28,550 --> 00:14:27,199

was interesting to say the least yeah i

363

00:14:29,509 --> 00:14:28,560

always thought it was great that they

364

00:14:31,269 --> 00:14:29,519

lied

365

00:14:33,430 --> 00:14:31,279

what i guess three times first they said

366

00:14:34,790 --> 00:14:33,440

it was that we covered a flying saucer

367

00:14:36,629 --> 00:14:34,800

then they said no it's just a weather

368

00:14:39,509 --> 00:14:36,639

balloon then we have the project mo

369

00:14:41,750 --> 00:14:39,519

mogul explanation so they've given three

370

00:14:44,150 --> 00:14:41,760

explanations so far the government as to

371

00:14:46,069 --> 00:14:44,160

what crashed there so i don't know why

372

00:14:47,670 --> 00:14:46,079

we should believe them because they

373

00:14:48,790 --> 00:14:47,680

change our story three times and i have

374

00:14:51,430 --> 00:14:48,800

a feeling they're going to change it

375

00:14:53,990 --> 00:14:51,440

again eventually

376

00:14:56,310 --> 00:14:54,000

yeah that's you hit the nail ahead i

377

00:14:57,509 --> 00:14:56,320

mean the mughal balloon scenario it has

378

00:14:59,590 --> 00:14:57,519

no water

379

00:15:01,829 --> 00:14:59,600

uh primarily because

380

00:15:03,750 --> 00:15:01,839

uh the dates don't match up the

381

00:15:05,110 --> 00:15:03,760

documentation shows there was no launch

382

00:15:06,790 --> 00:15:05,120

of a weather balloon

383

00:15:09,670 --> 00:15:06,800

during the dates in question

384

00:15:11,509 --> 00:15:09,680

so that kind of cast by the wayside

385

00:15:12,629 --> 00:15:11,519

the initial explanation was that it was

386

00:15:14,310 --> 00:15:12,639

a weather balloon that's so that's the

387

00:15:14,949 --> 00:15:14,320

explanation that graeme put forth over

388

00:15:17,110 --> 00:15:14,959

at

389

00:15:18,629 --> 00:15:17,120

carswell air force base or cars royal

390

00:15:21,110 --> 00:15:18,639

airfield excuse me

391

00:15:22,710 --> 00:15:21,120

uh this is pre-air force and um that

392

00:15:23,670 --> 00:15:22,720

doesn't hold water because why would you

393

00:15:25,350 --> 00:15:23,680

ship

394

00:15:27,910 --> 00:15:25,360

a weather balloon to right pat or to

395

00:15:29,350 --> 00:15:27,920

right field to have a reverse engineer

396

00:15:30,470 --> 00:15:29,360

it's a weather balloon

397

00:15:32,310 --> 00:15:30,480

and two

398

00:15:33,990 --> 00:15:32,320

you have high quality qualified

399

00:15:35,829 --> 00:15:34,000

intelligence officers

400

00:15:42,069 --> 00:15:35,839

at the only atomically armed base in the

401
00:15:45,350 --> 00:15:43,590
what a weather balloon is and the other

402
00:15:46,710 --> 00:15:45,360
thing always strange to me is that the

403
00:15:49,590 --> 00:15:46,720
debris field

404
00:15:52,150 --> 00:15:49,600
for a weather balloon would not be acres

405
00:15:53,990 --> 00:15:52,160
wide it just wouldn't be i mean you'd

406
00:15:56,230 --> 00:15:54,000
have some rubber and you'd have some you

407
00:15:59,350 --> 00:15:56,240
know you have rubber from the actual

408
00:16:02,310 --> 00:15:59,360
balloon maybe you know

409
00:16:05,350 --> 00:16:02,320
a radar reflector and that's it not

410
00:16:07,670 --> 00:16:05,360
not truckloads of debris

411
00:16:10,069 --> 00:16:07,680
no no the amount of material they that

412
00:16:12,310 --> 00:16:10,079
the witnesses described

413
00:16:14,870 --> 00:16:12,320

was too voluminous to be uh

414

00:16:15,910 --> 00:16:14,880

to be a weather balloon um

415

00:16:18,470 --> 00:16:15,920

you know

416

00:16:20,389 --> 00:16:18,480

and having said that that none of this

417

00:16:21,269 --> 00:16:20,399

gets into the extraterrestrial we can't

418

00:16:24,230 --> 00:16:21,279

prove

419

00:16:25,990 --> 00:16:24,240

divisionally it was an alien spacecraft

420

00:16:27,030 --> 00:16:26,000

but it's that that explanation is still

421

00:16:29,350 --> 00:16:27,040

on the table there's no other

422

00:16:32,629 --> 00:16:29,360

explanation that really fits the data

423

00:16:35,269 --> 00:16:32,639

um well how do you how do you feel about

424

00:16:36,470 --> 00:16:35,279

all the descriptions of people

425

00:16:37,990 --> 00:16:36,480

you know i know

426

00:16:39,430 --> 00:16:38,000

there's like you know what is it don

427

00:16:40,710 --> 00:16:39,440

schmidt or a few other people that have

428

00:16:42,310 --> 00:16:40,720

books out that

429

00:16:45,110 --> 00:16:42,320

say they've got witnesses that's all

430

00:16:46,790 --> 00:16:45,120

bodies or even a live alien how do you

431

00:16:48,710 --> 00:16:46,800

feel about those kind of witnesses and

432

00:16:50,550 --> 00:16:48,720

that kind of testimony

433

00:16:52,470 --> 00:16:50,560

well i know john and tom carrey have

434

00:16:54,230 --> 00:16:52,480

been chasing and finding second-hand

435

00:16:55,509 --> 00:16:54,240

witnesses as much as possible they're at

436

00:16:57,189 --> 00:16:55,519

the point where they're they're

437

00:16:59,189 --> 00:16:57,199

investigating and interviewing the

438

00:17:00,389 --> 00:16:59,199

families of the firsthand witnesses and

439

00:17:01,509 --> 00:17:00,399

that's pretty much all they can do and

440

00:17:03,590 --> 00:17:01,519

they're doing a great job doing that

441

00:17:04,549 --> 00:17:03,600

they're trying to turn over every stone

442

00:17:05,909 --> 00:17:04,559

um

443

00:17:08,230 --> 00:17:05,919

the individuals they claim they sell

444

00:17:10,069 --> 00:17:08,240

bodies uh there's military personnel

445

00:17:11,829 --> 00:17:10,079

that claim they did

446

00:17:13,110 --> 00:17:11,839

so that's that's generally firsthand

447

00:17:14,710 --> 00:17:13,120

testimony

448

00:17:17,029 --> 00:17:14,720

so on face value i would tend to believe

449

00:17:20,710 --> 00:17:17,039

those people um because again it was

450

00:17:24,710 --> 00:17:23,270

but i won't say definitively that that's

451
00:17:25,750 --> 00:17:24,720
the case because again we don't have a

452
00:17:28,230 --> 00:17:25,760
body

453
00:17:29,909 --> 00:17:28,240
uh but i i lean strongly toward the

454
00:17:31,669 --> 00:17:29,919
extraterrestrial

455
00:17:34,310 --> 00:17:31,679
but and that's kind of what we're living

456
00:17:36,310 --> 00:17:34,320
with right now so um

457
00:17:38,150 --> 00:17:36,320
unfortunately so far back in time uh

458
00:17:39,270 --> 00:17:38,160
everyone's passing away and like i think

459
00:17:40,789 --> 00:17:39,280
don smith

460
00:17:42,150 --> 00:17:40,799
said that to me roswell last year

461
00:17:44,070 --> 00:17:42,160
they're chasing the undertaker they're

462
00:17:45,990 --> 00:17:44,080
chasing time because time is the enemy

463
00:17:49,990 --> 00:17:46,000

everyone's passing away and this is an

464

00:17:52,390 --> 00:17:50,000

event that happened 72 years ago yeah

465

00:17:54,630 --> 00:17:52,400

what is it his book uh i think it's

466

00:17:57,029 --> 00:17:54,640

called children of roswell

467

00:17:59,430 --> 00:17:57,039

i think very interesting because

468

00:18:00,950 --> 00:17:59,440

you know i just don't one of the things

469

00:18:03,190 --> 00:18:00,960

that always got me about roswell is all

470

00:18:05,669 --> 00:18:03,200

the death bed confession stuff

471

00:18:07,270 --> 00:18:05,679

because i just don't believe that so

472

00:18:08,710 --> 00:18:07,280

many people

473

00:18:10,470 --> 00:18:08,720

in their last days on earth would

474

00:18:11,909 --> 00:18:10,480

suddenly make up a story about seeing

475

00:18:13,990 --> 00:18:11,919

alien bodies

476

00:18:16,070 --> 00:18:14,000

and he seems to find people whose

477

00:18:17,830 --> 00:18:16,080

children said that's exactly what some

478

00:18:19,750 --> 00:18:17,840

of these military guys said that they

479

00:18:21,990 --> 00:18:19,760

wanted their children to know we're not

480

00:18:24,070 --> 00:18:22,000

alone in the universe i saw the bodies

481

00:18:26,230 --> 00:18:24,080

it was they were extraterrestrials they

482

00:18:28,390 --> 00:18:26,240

were definitely not human i just don't

483

00:18:30,710 --> 00:18:28,400

believe that that more than one person i

484

00:18:33,590 --> 00:18:30,720

mean it's multiple deathbed confessions

485

00:18:35,190 --> 00:18:33,600

like that would just be made up like

486

00:18:37,510 --> 00:18:35,200

it just doesn't

487

00:18:38,870 --> 00:18:37,520

it doesn't yeah you have nothing to lose

488

00:18:39,990 --> 00:18:38,880

so you're not gonna be penalized by the

489

00:18:42,310 --> 00:18:40,000

government

490

00:18:44,630 --> 00:18:42,320

for your uh violating your security

491

00:18:46,549 --> 00:18:44,640

clearance or your your your oath of

492

00:18:48,070 --> 00:18:46,559

security or secrecy because you're about

493

00:18:51,510 --> 00:18:48,080

to pass away so

494

00:18:54,950 --> 00:18:53,350

you know it kind of is what it is i have

495

00:18:57,510 --> 00:18:54,960

a pretty high standard when i believe i

496

00:18:59,909 --> 00:18:57,520

i really stick to first-hand testimony

497

00:19:01,350 --> 00:18:59,919

that's it i really do i don't i don't i

498

00:19:03,750 --> 00:19:01,360

don't even attack anything other

499

00:19:05,029 --> 00:19:03,760

anything other first-hand but

500

00:19:08,950 --> 00:19:05,039

um

501
00:19:11,909 --> 00:19:08,960
when you have nothing to lose why lie

502
00:19:14,630 --> 00:19:11,919
it's like um an individual who's prison

503
00:19:16,470 --> 00:19:14,640
he's been in prison for 40 years he's a

504
00:19:17,750 --> 00:19:16,480
couple of years from dying

505
00:19:19,909 --> 00:19:17,760
and

506
00:19:21,590 --> 00:19:19,919
someone a lawyer will try to find

507
00:19:25,350 --> 00:19:21,600
evidence for another case and interview

508
00:19:26,950 --> 00:19:25,360
this gentleman or this person and

509
00:19:28,390 --> 00:19:26,960
that test when he holds a lot of water

510
00:19:30,070 --> 00:19:28,400
it may be pretty legitimate because this

511
00:19:31,830 --> 00:19:30,080
guy's not gonna lose

512
00:19:33,669 --> 00:19:31,840
he's in prison anyway he's already there

513
00:19:35,830 --> 00:19:33,679

there's no reason to lie he has nothing

514

00:19:37,430 --> 00:19:35,840

to lose there's no motivation to lie as

515

00:19:38,789 --> 00:19:37,440

opposed to

516

00:19:41,270 --> 00:19:38,799

an individual and we know a lot of

517

00:19:45,830 --> 00:19:41,280

individuals in the community that

518

00:19:49,350 --> 00:19:48,549

yeah they're selling something

519

00:19:51,029 --> 00:19:49,360

yeah

520

00:19:52,950 --> 00:19:51,039

there's an agenda they're selling

521

00:19:54,230 --> 00:19:52,960

something or they're trying to latch on

522

00:19:56,230 --> 00:19:54,240

to a

523

00:19:57,830 --> 00:19:56,240

case to make a day for themselves or

524

00:19:59,350 --> 00:19:57,840

they're trying to keep invitations going

525

00:20:00,950 --> 00:19:59,360

to the conferences

526

00:20:02,390 --> 00:20:00,960

yeah there's clearly motivation there

527

00:20:03,590 --> 00:20:02,400

and there's a lot of that in the

528

00:20:06,070 --> 00:20:03,600

community

529

00:20:07,990 --> 00:20:06,080

yeah i just said recently that i i go

530

00:20:10,310 --> 00:20:08,000

down a rabbit a lot of rabbit holes

531

00:20:12,230 --> 00:20:10,320

lately but unfortunately most of those

532

00:20:14,390 --> 00:20:12,240

rabbit holes are filled with [h__\h]

533

00:20:15,909 --> 00:20:14,400

and uh it's really you know if you're

534

00:20:17,430 --> 00:20:15,919

out there looking for good information

535

00:20:19,990 --> 00:20:17,440

it's discouraging because you have to

536

00:20:21,029 --> 00:20:20,000

separate so much crap from anything

537

00:20:22,470 --> 00:20:21,039

decent

538

00:20:23,990 --> 00:20:22,480

and it's discouraging that's why i was

539

00:20:25,830 --> 00:20:24,000

saying i wanted to have you on my show

540

00:20:27,430 --> 00:20:25,840

because i've been following you and i

541

00:20:29,190 --> 00:20:27,440

know you're very evidence-based and i

542

00:20:31,110 --> 00:20:29,200

want to get back to that

543

00:20:32,710 --> 00:20:31,120

so but besides roswell are there any

544

00:20:34,630 --> 00:20:32,720

other cases that you have a big interest

545

00:20:37,190 --> 00:20:34,640

in that you think are very credible or

546

00:20:39,110 --> 00:20:37,200

have some meat on the bones

547

00:20:44,230 --> 00:20:39,120

well you know the the coral landing case

548

00:20:47,350 --> 00:20:46,310

ben moss and tony angiola have done a

549

00:20:49,990 --> 00:20:47,360

lot of

550

00:20:51,990 --> 00:20:50,000

uh they made a herculean effort to

551
00:20:53,990 --> 00:20:52,000
re-examine that case it turns out zamora

552
00:20:55,430 --> 00:20:54,000
is not the only witness

553
00:20:57,190 --> 00:20:55,440
so he's gone from a single witness to a

554
00:20:58,390 --> 00:20:57,200
multiple witness case which adds a lot

555
00:21:00,630 --> 00:20:58,400
of strength to it

556
00:21:03,029 --> 00:21:00,640
unfortunately the three witnesses that

557
00:21:04,390 --> 00:21:03,039
they found they're not able to find them

558
00:21:06,870 --> 00:21:04,400
because these are three individuals that

559
00:21:08,870 --> 00:21:06,880
called the police station in socorro to

560
00:21:10,710 --> 00:21:08,880
report the craft unfortunately that

561
00:21:12,549 --> 00:21:10,720
policeman didn't take down their names

562
00:21:14,230 --> 00:21:12,559
or any contact information

563
00:21:19,190 --> 00:21:14,240

but

564

00:21:20,950 --> 00:21:19,200

phone call appeared in the fbi report

565

00:21:22,630 --> 00:21:20,960

filed by

566

00:21:26,149 --> 00:21:22,640

drawing a blank i think it's richard

567

00:21:27,830 --> 00:21:26,159

holder the fbi agent signed the case

568

00:21:29,830 --> 00:21:27,840

so

569

00:21:31,430 --> 00:21:29,840

that that call occurred that's not what

570

00:21:33,190 --> 00:21:31,440

he was given unfortunately because they

571

00:21:34,470 --> 00:21:33,200

coughed up the ball we can't find these

572

00:21:36,470 --> 00:21:34,480

people and we couldn't we could have

573

00:21:38,710 --> 00:21:36,480

found them then but everybody drove them

574

00:21:41,110 --> 00:21:38,720

all then from the air force to

575

00:21:43,270 --> 00:21:41,120

coral lorenzen and apro to

576

00:21:44,470 --> 00:21:43,280

uh allen heineck they all dropped the

577

00:21:45,909 --> 00:21:44,480

ball they all could have stopped these

578

00:21:47,990 --> 00:21:45,919

people out because the core was a tiny

579

00:21:48,870 --> 00:21:48,000

place you could have found these people

580

00:21:52,710 --> 00:21:48,880

they were

581

00:21:54,310 --> 00:21:52,720

of this craft whatever it was but

582

00:21:56,710 --> 00:21:54,320

that didn't happen so that case has

583

00:21:58,149 --> 00:21:56,720

gotten stronger um

584

00:22:00,630 --> 00:21:58,159

there are a few other ones uh i could

585

00:22:01,750 --> 00:22:00,640

think of level land in the 50s in texas

586

00:22:03,909 --> 00:22:01,760

um

587

00:22:05,669 --> 00:22:03,919

there was a multiple witness

588

00:22:09,350 --> 00:22:05,679

radar visual in

589

00:22:11,990 --> 00:22:09,360

england back in 56 in the same area as

590

00:22:13,669 --> 00:22:12,000

rendersome forest back in 1980 but this

591

00:22:14,630 --> 00:22:13,679

it had nothing to do with that case it

592

00:22:16,230 --> 00:22:14,640

just happened to be in the same

593

00:22:18,149 --> 00:22:16,240

geographical area

594

00:22:20,549 --> 00:22:18,159

but those are all multiple witness cases

595

00:22:22,070 --> 00:22:20,559

with with instrumentality

596

00:22:23,590 --> 00:22:22,080

uh they're trained observers which

597

00:22:24,950 --> 00:22:23,600

doesn't make them perfect but it makes

598

00:22:27,190 --> 00:22:24,960

them more

599

00:22:28,950 --> 00:22:27,200

informed about what's up in the air or

600

00:22:30,870 --> 00:22:28,960

what's not up to the air

601
00:22:32,950 --> 00:22:30,880
so those are some strong cases but you

602
00:22:35,430 --> 00:22:32,960
have to find those cases among

603
00:22:36,870 --> 00:22:35,440
the hundreds of others that

604
00:22:39,510 --> 00:22:36,880
you know i have no evidence no

605
00:22:40,789 --> 00:22:39,520
documentation no single witness

606
00:22:43,270 --> 00:22:40,799
whether the bunk door there's a bunch of

607
00:22:44,630 --> 00:22:43,280
red flags you're exactly right to find

608
00:22:46,710 --> 00:22:44,640
the

609
00:22:48,870 --> 00:22:46,720
real high quality

610
00:22:50,630 --> 00:22:48,880
cases that have some level of

611
00:22:51,990 --> 00:22:50,640
different different lines of evidence

612
00:22:54,070 --> 00:22:52,000
you have to swim through all these other

613
00:22:57,750 --> 00:22:54,080

chaff that's

614

00:23:00,390 --> 00:22:57,760

bs so it's it's it's discouraging and

615

00:23:01,750 --> 00:23:00,400

now i have to you know watch what rabbit

616

00:23:05,350 --> 00:23:01,760

holes i go down so i don't get

617

00:23:07,669 --> 00:23:05,360

surrounded by [h__h] constantly

618

00:23:08,470 --> 00:23:07,679

i get you man

619

00:23:09,909 --> 00:23:08,480

yeah

620

00:23:10,950 --> 00:23:09,919

i'm with him

621

00:23:13,830 --> 00:23:10,960

okay

622

00:23:15,750 --> 00:23:13,840

so i i heard you on another show talking

623

00:23:17,830 --> 00:23:15,760

about the bob lazar case and a lot of my

624

00:23:19,510 --> 00:23:17,840

listeners may not know this but

625

00:23:21,110 --> 00:23:19,520

when i was growing up that was the case

626

00:23:23,510 --> 00:23:21,120

that really got me interested and

627

00:23:25,350 --> 00:23:23,520

involved and excited and like man here's

628

00:23:27,669 --> 00:23:25,360

proof this guy worked on the flying

629

00:23:29,830 --> 00:23:27,679

saucers they can't they can't lie

630

00:23:32,470 --> 00:23:29,840

anymore you know and we're going to find

631

00:23:34,549 --> 00:23:32,480

out the truth and then i even found a

632

00:23:37,590 --> 00:23:34,559

witness which

633

00:23:41,750 --> 00:23:37,600

apparently flew into area 51 she worked

634

00:23:43,430 --> 00:23:41,760

at egng with uh with bob lazar and i

635

00:23:45,029 --> 00:23:43,440

went wow that's awesome so that's

636

00:23:48,149 --> 00:23:45,039

another

637

00:23:50,310 --> 00:23:48,159

and then it turns out that uh

638

00:23:51,430 --> 00:23:50,320

bob at least said that he never heard of

639

00:23:53,669 --> 00:23:51,440

that person

640

00:23:57,029 --> 00:23:53,679

but i verified that she indeed worked at

641

00:23:59,669 --> 00:23:57,039

engng so all the stuff with lazar is

642

00:24:01,990 --> 00:23:59,679

crazy because you know

643

00:24:04,070 --> 00:24:02,000

if if he was lying then he would just

644

00:24:06,710 --> 00:24:04,080

say yeah yeah that person flew into area

645

00:24:08,310 --> 00:24:06,720

51 with me and he at least from a third

646

00:24:10,470 --> 00:24:08,320

party i haven't heard it direct from him

647

00:24:12,470 --> 00:24:10,480

denied ever knowing her

648

00:24:14,230 --> 00:24:12,480

but i did all this checking and that

649

00:24:16,789 --> 00:24:14,240

person's family lived right near bob

650

00:24:18,710 --> 00:24:16,799

lazar's house at the time they said they

651
00:24:20,230 --> 00:24:18,720
you know bob his wife would come over

652
00:24:21,909 --> 00:24:20,240
and have dinner once in a while because

653
00:24:24,310 --> 00:24:21,919
they worked together

654
00:24:27,269 --> 00:24:24,320
at egng though which

655
00:24:29,029 --> 00:24:27,279
is weird you know and uh yeah and then

656
00:24:30,789 --> 00:24:29,039
we have this film that came out and i've

657
00:24:32,630 --> 00:24:30,799
been blocked by uh

658
00:24:34,950 --> 00:24:32,640
by uh the filmmaker

659
00:24:35,909 --> 00:24:34,960
jeremy corbell because i asked too many

660
00:24:37,269 --> 00:24:35,919
questions

661
00:24:39,110 --> 00:24:37,279
and apparently

662
00:24:40,710 --> 00:24:39,120
you know he's kind of like

663
00:24:43,430 --> 00:24:40,720

intellectual weakling that cannot

664

00:24:45,830 --> 00:24:43,440

withstand any debate because i know 10

665

00:24:47,510 --> 00:24:45,840

people now who have posted questions

666

00:24:49,510 --> 00:24:47,520

when he tweets something or posts

667

00:24:51,669 --> 00:24:49,520

something on facebook and they get

668

00:24:54,470 --> 00:24:51,679

instantly blocked

669

00:24:55,350 --> 00:24:54,480

yeah which i i don't feel real good

670

00:24:56,789 --> 00:24:55,360

about

671

00:24:58,230 --> 00:24:56,799

if there was

672

00:25:00,710 --> 00:24:58,240

especially calling yourself an

673

00:25:02,549 --> 00:25:00,720

investigative filmmaker because i might

674

00:25:04,549 --> 00:25:02,559

my whole problem with that film is that

675

00:25:06,630 --> 00:25:04,559

it seemed like he only

676
00:25:08,230 --> 00:25:06,640
showed one side of the story and that

677
00:25:09,990 --> 00:25:08,240
would be the side that

678
00:25:11,750 --> 00:25:10,000
indicates that bob lazar's telling the

679
00:25:13,430 --> 00:25:11,760
truth but there's 30 years worth of

680
00:25:15,269 --> 00:25:13,440
evidence that shows that he's lying

681
00:25:17,909 --> 00:25:15,279
about all kinds of stuff

682
00:25:19,430 --> 00:25:17,919
that just mysteriously got left out

683
00:25:20,710 --> 00:25:19,440
and then we also

684
00:25:23,190 --> 00:25:20,720
get this

685
00:25:25,590 --> 00:25:23,200
this plot device that oh

686
00:25:29,029 --> 00:25:25,600
we talked about this element 115 and the

687
00:25:30,310 --> 00:25:29,039
next day the fbi raided his office and

688
00:25:31,590 --> 00:25:30,320

they must have been after this element

689

00:25:34,149 --> 00:25:31,600

115

690

00:25:36,310 --> 00:25:34,159

that raid according to documents and

691

00:25:38,630 --> 00:25:36,320

paperwork had been in the works for

692

00:25:41,510 --> 00:25:38,640

weeks and weeks and weeks

693

00:25:44,310 --> 00:25:41,520

and it had to do with someone ordered

694

00:25:47,350 --> 00:25:44,320

thorium from bob zorr and then killed

695

00:25:50,070 --> 00:25:47,360

their wife with that thorium apparently

696

00:25:52,630 --> 00:25:50,080

and so they were there to

697

00:25:53,590 --> 00:25:52,640

find the sales records find a thorium or

698

00:25:56,310 --> 00:25:53,600

anything

699

00:25:58,470 --> 00:25:56,320

related to a murder investigation it had

700

00:26:00,870 --> 00:25:58,480

nothing to do with flying saucers and

701
00:26:02,630 --> 00:26:00,880
element 115 but in the film it was

702
00:26:04,230 --> 00:26:02,640
portrayed that that's why the fbi were

703
00:26:04,950 --> 00:26:04,240
there and that's

704
00:26:09,029 --> 00:26:04,960
it's

705
00:26:11,990 --> 00:26:09,039
dishonest at best to suggest that

706
00:26:14,230 --> 00:26:12,000
yeah yeah the best

707
00:26:17,190 --> 00:26:14,240
time i mean don't agree with that

708
00:26:19,510 --> 00:26:17,200
case and and about that film

709
00:26:21,510 --> 00:26:19,520
well you know when the story broke

710
00:26:23,430 --> 00:26:21,520
um it was covered in the media to some

711
00:26:25,830 --> 00:26:23,440
level uh it was embraced by a lot of

712
00:26:27,350 --> 00:26:25,840
people in the community um

713
00:26:30,070 --> 00:26:27,360

but as time went on

714

00:26:31,430 --> 00:26:30,080

and people who actually

715

00:26:33,750 --> 00:26:31,440

had a

716

00:26:35,110 --> 00:26:33,760

uh some level of integrity

717

00:26:37,430 --> 00:26:35,120

i guess said themselves you know i need

718

00:26:39,269 --> 00:26:37,440

to look into this is this guy's claims

719

00:26:40,950 --> 00:26:39,279

are they legitimate let's do a little

720

00:26:43,430 --> 00:26:40,960

basic homework let's check out his

721

00:26:45,750 --> 00:26:43,440

educational history let's check out his

722

00:26:47,430 --> 00:26:45,760

work history uh he clearly had to work

723

00:26:50,390 --> 00:26:47,440

to other

724

00:26:52,549 --> 00:26:50,400

uh scientifically slanted

725

00:26:55,110 --> 00:26:52,559

um

726

00:26:56,470 --> 00:26:55,120

establishments before you read one he

727

00:26:58,470 --> 00:26:56,480

just arrived there and started working

728

00:26:59,750 --> 00:26:58,480

on a flying saucer like he claimed there

729

00:27:00,789 --> 00:26:59,760

had to be a trail

730

00:27:02,630 --> 00:27:00,799

and

731

00:27:05,110 --> 00:27:02,640

there's been people have been unable to

732

00:27:07,350 --> 00:27:05,120

fund the trail it's as time has gone on

733

00:27:10,470 --> 00:27:07,360

and more red flies have come up

734

00:27:11,990 --> 00:27:10,480

it's clear that um he's not telling the

735

00:27:13,430 --> 00:27:12,000

truth

736

00:27:15,190 --> 00:27:13,440

um

737

00:27:16,470 --> 00:27:15,200

which and i don't mean to sound cynical

738

00:27:19,110 --> 00:27:16,480

but it doesn't surprise me at all i mean

739

00:27:22,149 --> 00:27:19,120

the ufo the history of ufos is loaded

740

00:27:23,430 --> 00:27:22,159

with individuals that simply lied

741

00:27:28,710 --> 00:27:23,440

or

742

00:27:30,230 --> 00:27:28,720

really transpired

743

00:27:31,590 --> 00:27:30,240

um

744

00:27:32,950 --> 00:27:31,600

but it brought a lot of people into the

745

00:27:35,110 --> 00:27:32,960

official community wasn't interested

746

00:27:37,190 --> 00:27:35,120

about it um

747

00:27:38,389 --> 00:27:37,200

and people i know some individuals that

748

00:27:41,190 --> 00:27:38,399

don't believe

749

00:27:42,630 --> 00:27:41,200

lazar like i do but have the same take

750

00:27:43,669 --> 00:27:42,640

like well i mean

751
00:27:45,669 --> 00:27:43,679
you know it brought people in the

752
00:27:46,789 --> 00:27:45,679
community and that was it and but above

753
00:27:48,789 --> 00:27:46,799
beyond that there's not much to the

754
00:27:50,070 --> 00:27:48,799
story you know and then people people

755
00:27:51,830 --> 00:27:50,080
around with it there was someone that's

756
00:27:53,830 --> 00:27:51,840
using area 51

757
00:27:54,870 --> 00:27:53,840
they're reverse engineering things that

758
00:27:56,470 --> 00:27:54,880
they said the other and every

759
00:27:58,870 --> 00:27:56,480
unidentified flying object that's over

760
00:28:00,310 --> 00:27:58,880
in las vegas or or nevada has to be

761
00:28:02,710 --> 00:28:00,320
alien spacecraft it has to originate

762
00:28:04,149 --> 00:28:02,720
from area 51. and there was this whole

763
00:28:05,269 --> 00:28:04,159

storyline

764

00:28:09,190 --> 00:28:05,279

uh

765

00:28:12,070 --> 00:28:09,200

lazar

766

00:28:15,350 --> 00:28:12,080

scenario yeah a lot of i think a lot of

767

00:28:17,510 --> 00:28:15,360

what i call ufo lure and myth

768

00:28:20,310 --> 00:28:17,520

original with that bob lazar story

769

00:28:22,950 --> 00:28:20,320

because it's convenient too like okay

770

00:28:25,269 --> 00:28:22,960

uh like you said they have aliens and

771

00:28:27,190 --> 00:28:25,279

flying saucers they take them to area 51

772

00:28:28,630 --> 00:28:27,200

and they reverse engineer them

773

00:28:30,389 --> 00:28:28,640

and

774

00:28:33,029 --> 00:28:30,399

i don't know there was a historian that

775

00:28:35,029 --> 00:28:33,039

walked through that s4 area

776

00:28:37,669 --> 00:28:35,039

and he even took a picture of himself

777

00:28:39,269 --> 00:28:37,679

right by that mountain where that secret

778

00:28:41,350 --> 00:28:39,279

base is supposed to be and you didn't

779

00:28:42,310 --> 00:28:41,360

see any hangar doors you didn't see

780

00:28:44,549 --> 00:28:42,320

anything

781

00:28:46,630 --> 00:28:44,559

and additionally greenpeace one time

782

00:28:48,549 --> 00:28:46,640

walked right through that area

783

00:28:50,230 --> 00:28:48,559

totally illegal to do that but they did

784

00:28:53,590 --> 00:28:50,240

a whole bunch of protesters walked

785

00:28:56,470 --> 00:28:53,600

through that area and nothing nobody saw

786

00:28:59,510 --> 00:28:56,480

this s4 base

787

00:29:02,630 --> 00:28:59,520

made me start questioning things um

788

00:29:05,590 --> 00:29:02,640

you know a great deal because

789

00:29:07,430 --> 00:29:05,600

it stands to reason that if this guy was

790

00:29:10,549 --> 00:29:07,440

if this historian guy

791

00:29:13,269 --> 00:29:10,559

who wanted to follow the

792

00:29:14,230 --> 00:29:13,279

the pioneers trail through that area you

793

00:29:17,350 --> 00:29:14,240

know

794

00:29:18,950 --> 00:29:17,360

uh was walking right by that mountain

795

00:29:20,470 --> 00:29:18,960

where this thing is supposed to be the

796

00:29:23,669 --> 00:29:20,480

secret base is supposed to be there

797

00:29:25,750 --> 00:29:23,679

would be security guards

798

00:29:27,430 --> 00:29:25,760

guarding that like bob lazar described

799

00:29:28,950 --> 00:29:27,440

nothing the guy just walked right

800

00:29:30,549 --> 00:29:28,960

through there

801
00:29:32,549 --> 00:29:30,559
yeah and a sad

802
00:29:34,149 --> 00:29:32,559
and to the his story is that a year

803
00:29:36,789 --> 00:29:34,159
later he died of

804
00:29:39,350 --> 00:29:36,799
a really virulent form of cancer because

805
00:29:41,669 --> 00:29:39,360
that area is so irradiated that even

806
00:29:43,110 --> 00:29:41,679
spending a few days there

807
00:29:44,950 --> 00:29:43,120
could kill you

808
00:29:47,029 --> 00:29:44,960
yeah

809
00:29:48,950 --> 00:29:47,039
and bob claims he's worked there i don't

810
00:29:50,310 --> 00:29:48,960
know on and off you know

811
00:29:51,510 --> 00:29:50,320
and there's all these people there i

812
00:29:53,990 --> 00:29:51,520
don't think that the government would

813
00:29:56,389 --> 00:29:54,000

put all these people in an area that is

814

00:29:58,870 --> 00:29:56,399

so irradiated that it would kill you

815

00:30:01,029 --> 00:29:58,880

spending a day or two there

816

00:30:02,710 --> 00:30:01,039

no and even if they did that would leave

817

00:30:04,389 --> 00:30:02,720

a paper trail you could find

818

00:30:06,389 --> 00:30:04,399

documentation of

819

00:30:08,789 --> 00:30:06,399

employees of

820

00:30:10,950 --> 00:30:08,799

the government slash military

821

00:30:12,710 --> 00:30:10,960

coming down with radiation sickness

822

00:30:14,310 --> 00:30:12,720

because of protracted amount of time

823

00:30:15,510 --> 00:30:14,320

they're working in everyone that's not

824

00:30:17,350 --> 00:30:15,520

the case

825

00:30:18,389 --> 00:30:17,360

uh again there's no documentation people

826

00:30:20,630 --> 00:30:18,399

believe

827

00:30:22,230 --> 00:30:20,640

uh ufos are extraordinary 51 how do we

828

00:30:23,590 --> 00:30:22,240

know well i hear statements like well i

829

00:30:26,070 --> 00:30:23,600

know they're there

830

00:30:27,830 --> 00:30:26,080

okay show me documentation

831

00:30:31,430 --> 00:30:27,840

show me multiple lines of testimony they

832

00:30:33,350 --> 00:30:31,440

can't but they use the term i know

833

00:30:35,269 --> 00:30:33,360

uh i can't tell you how much pushback i

834

00:30:36,789 --> 00:30:35,279

get from people in the community for

835

00:30:37,750 --> 00:30:36,799

saying things like you know i just don't

836

00:30:38,870 --> 00:30:37,760

know

837

00:30:40,470 --> 00:30:38,880

i'm not sure

838

00:30:43,029 --> 00:30:40,480

i can't definitely say

839

00:30:44,549 --> 00:30:43,039

yeah and then meanwhile there is a great

840

00:30:46,630 --> 00:30:44,559

deal of evidence that the foreign

841

00:30:49,830 --> 00:30:46,640

technology division of the armed

842

00:30:53,190 --> 00:30:49,840

services have taken a great deal of

843

00:30:56,149 --> 00:30:53,200

materials to wright patterson

844

00:30:57,830 --> 00:30:56,159

so i always thought that this area 51 is

845

00:30:58,870 --> 00:30:57,840

it's like a smoke screen that's not

846

00:31:00,149 --> 00:30:58,880

where they take it they take it to

847

00:31:01,750 --> 00:31:00,159

wright patterson

848

00:31:02,470 --> 00:31:01,760

or they used to i don't know that they

849

00:31:05,029 --> 00:31:02,480

still yeah that's certainly a

850

00:31:07,509 --> 00:31:05,039

possibility and sure yeah i mean

851
00:31:09,909 --> 00:31:07,519
area 51 is clearly a base

852
00:31:11,430 --> 00:31:09,919
we know it was it's a it's an area that

853
00:31:13,830 --> 00:31:11,440
they test

854
00:31:15,669 --> 00:31:13,840
uh new aircraft

855
00:31:17,509 --> 00:31:15,679
uh whether we've developed it or that

856
00:31:20,470 --> 00:31:17,519
we've been inspired by

857
00:31:21,750 --> 00:31:20,480
other sources being i.e soviet japanese

858
00:31:23,190 --> 00:31:21,760
chinese or

859
00:31:25,830 --> 00:31:23,200
extraterrestrial

860
00:31:28,149 --> 00:31:25,840
i have no idea but it's where we was

861
00:31:30,830 --> 00:31:28,159
where we built and tested

862
00:31:33,430 --> 00:31:30,840
newfangled aircraft

863
00:31:34,310 --> 00:31:33,440

um my personal take my personal belief

864

00:31:35,509 --> 00:31:34,320

is i don't think there's anything

865

00:31:37,029 --> 00:31:35,519

extraterrestrial there i don't think

866

00:31:38,630 --> 00:31:37,039

there's anything there

867

00:31:41,350 --> 00:31:38,640

now right harrison is different right

868

00:31:42,950 --> 00:31:41,360

harrison is where the military's reverse

869

00:31:44,870 --> 00:31:42,960

military's foreign technology division

870

00:31:47,430 --> 00:31:44,880

was based there

871

00:31:49,350 --> 00:31:47,440

and so that makes sense that if you

872

00:31:50,870 --> 00:31:49,360

recovered anything

873

00:31:52,389 --> 00:31:50,880

non-terrestrial that's what you were

874

00:31:53,750 --> 00:31:52,399

that's where you would send it because

875

00:31:55,269 --> 00:31:53,760

the facilities

876

00:31:56,870 --> 00:31:55,279

that have the capability of doing

877

00:31:57,909 --> 00:31:56,880

something with it

878

00:31:59,990 --> 00:31:57,919

are there

879

00:32:01,350 --> 00:32:00,000

uh i don't feel as as a species i don't

880

00:32:04,470 --> 00:32:01,360

feel we're smart enough to reverse

881

00:32:06,470 --> 00:32:04,480

engineer alien technology but that that

882

00:32:08,389 --> 00:32:06,480

is where they would send it

883

00:32:10,630 --> 00:32:08,399

uh if it's still there i have no idea i

884

00:32:12,549 --> 00:32:10,640

don't know but you know

885

00:32:14,389 --> 00:32:12,559

yeah i've always thought that uh

886

00:32:16,070 --> 00:32:14,399

just the just the

887

00:32:17,990 --> 00:32:16,080

arrogance to think that we could get

888

00:32:19,590 --> 00:32:18,000

something that advanced and just reverse

889

00:32:21,909 --> 00:32:19,600

engineer it it's kind of like

890

00:32:24,789 --> 00:32:21,919

you know uh i don't know giving uh

891

00:32:27,830 --> 00:32:24,799

giving like a a laptop to

892

00:32:29,110 --> 00:32:27,840

you know somebody from zero bc times and

893

00:32:29,990 --> 00:32:29,120

saying go ahead and figure out how that

894

00:32:32,950 --> 00:32:30,000

works

895

00:32:35,350 --> 00:32:32,960

you know yeah in a way there's just no

896

00:32:37,590 --> 00:32:35,360

way because it would just be two worlds

897

00:32:40,230 --> 00:32:37,600

away you know it's too many

898

00:32:41,750 --> 00:32:40,240

too many technological leaps way beyond

899

00:32:43,110 --> 00:32:41,760

it would just look like magic to them

900

00:32:45,350 --> 00:32:43,120

and that's how i think

901
00:32:46,870 --> 00:32:45,360
anything that we gather is probably just

902
00:32:49,269 --> 00:32:46,880
looks like magic to us i don't think we

903
00:32:52,630 --> 00:32:49,279
could figure out how it works

904
00:32:53,830 --> 00:32:52,640
i could be wrong but i don't think so

905
00:32:55,830 --> 00:32:53,840
no i'm really there yeah i don't think

906
00:32:58,389 --> 00:32:55,840
it's really there we could both be wrong

907
00:33:00,070 --> 00:32:58,399
but you know things like night vision

908
00:33:02,310 --> 00:33:00,080
goggles fiber optics things of that

909
00:33:03,509 --> 00:33:02,320
nature radar reflective skin on

910
00:33:04,789 --> 00:33:03,519
airplanes

911
00:33:07,909 --> 00:33:04,799
um

912
00:33:10,389 --> 00:33:07,919
can find

913
00:33:11,590 --> 00:33:10,399

to show the step-by-step development of

914

00:33:12,470 --> 00:33:11,600

these things

915

00:33:14,230 --> 00:33:12,480

and

916

00:33:16,389 --> 00:33:14,240

fiber optics was being developed prior

917

00:33:18,630 --> 00:33:16,399

to roswell yeah and then we get this

918

00:33:20,870 --> 00:33:18,640

book damn to roswell which claims all of

919

00:33:22,950 --> 00:33:20,880

this technology came from

920

00:33:26,630 --> 00:33:22,960

that

921

00:33:28,389 --> 00:33:26,640

twice and

922

00:33:30,230 --> 00:33:28,399

i did my homework and that those claims

923

00:33:32,789 --> 00:33:30,240

are not legitimate but they are believed

924

00:33:34,549 --> 00:33:32,799

by multiple people in the community

925

00:33:36,389 --> 00:33:34,559

uh

926
00:33:37,990 --> 00:33:36,399
that's a big problem i have with

927
00:33:39,190 --> 00:33:38,000
individuals and community i mean it's

928
00:33:40,630 --> 00:33:39,200
it's it's

929
00:33:42,149 --> 00:33:40,640
what happens is people get pigeonholed

930
00:33:43,590 --> 00:33:42,159
and they have their belief system their

931
00:33:45,029 --> 00:33:43,600
belief structure they believe in a book

932
00:33:46,149 --> 00:33:45,039
they believe in a case they believe in

933
00:33:48,389 --> 00:33:46,159
an author

934
00:33:50,830 --> 00:33:48,399
and no matter what evidence is put

935
00:33:53,029 --> 00:33:50,840
forward they're going to stick to their

936
00:33:53,990 --> 00:33:53,039
guns and believe in what they want to

937
00:33:55,669 --> 00:33:54,000
believe

938
00:33:57,430 --> 00:33:55,679

as opposed to

939

00:33:59,990 --> 00:33:57,440

and and this seems to be

940

00:34:01,990 --> 00:34:00,000

this seems to be uh a scenario that is

941

00:34:03,750 --> 00:34:02,000

looked out upon now but

942

00:34:05,350 --> 00:34:03,760

when a researcher has the ability to

943

00:34:07,590 --> 00:34:05,360

change his mind depending on what

944

00:34:09,270 --> 00:34:07,600

evidence has come forth

945

00:34:10,470 --> 00:34:09,280

that's a huge deal for me because you

946

00:34:12,550 --> 00:34:10,480

have the integrity that say you know i

947

00:34:15,349 --> 00:34:12,560

was wrong before new evidence came to

948

00:34:17,030 --> 00:34:15,359

light i changed my mind yeah never i

949

00:34:19,030 --> 00:34:17,040

think that's exactly how i felt with

950

00:34:20,710 --> 00:34:19,040

lazar and and i had to be honest with

951
00:34:23,190 --> 00:34:20,720
myself i had to do a lot of thinking

952
00:34:26,470 --> 00:34:23,200
about it and the evidence

953
00:34:28,869 --> 00:34:26,480
that he was lying is just too much for

954
00:34:29,829 --> 00:34:28,879
me yeah it just at a certain point it

955
00:34:31,589 --> 00:34:29,839
was like

956
00:34:33,349 --> 00:34:31,599
i really want to believe this and that's

957
00:34:35,510 --> 00:34:33,359
what it was i wanted to believe it i

958
00:34:37,669 --> 00:34:35,520
grew up with that story i always thought

959
00:34:39,109 --> 00:34:37,679
this is the greatest ufo story this guy

960
00:34:41,589 --> 00:34:39,119
worked on him and he can tell us how

961
00:34:43,990 --> 00:34:41,599
they work and what fuel system they use

962
00:34:46,069 --> 00:34:44,000
and what a great story but that's what

963
00:34:48,149 --> 00:34:46,079

it is that's all it is it's just a great

964

00:34:51,510 --> 00:34:48,159

story and now they're people are out

965

00:34:53,589 --> 00:34:51,520

there trying to sell that story again

966

00:34:54,629 --> 00:34:53,599

yes tell me clear the motivation the

967

00:34:56,310 --> 00:34:54,639

film

968

00:34:59,030 --> 00:34:56,320

that corvo made

969

00:35:01,510 --> 00:34:59,040

is clearly pro lazar

970

00:35:03,589 --> 00:35:01,520

why would you make a

971

00:35:05,589 --> 00:35:03,599

slanted documentary

972

00:35:07,349 --> 00:35:05,599

to disprove his claims that's not going

973

00:35:12,630 --> 00:35:07,359

to sell tickets

974

00:35:15,030 --> 00:35:12,640

lazar look at the scenario

975

00:35:17,270 --> 00:35:15,040

and that's what it was and that shows up

976
00:35:19,109 --> 00:35:17,280
in the behavior that corporal undertakes

977
00:35:21,030 --> 00:35:19,119
on facebook when he blocks people people

978
00:35:22,630 --> 00:35:21,040
ask legitimate questions i have yet to

979
00:35:24,069 --> 00:35:22,640
see corvo take

980
00:35:25,589 --> 00:35:24,079
well i know a couple of months he is

981
00:35:27,910 --> 00:35:25,599
some individuals attack him but the

982
00:35:28,950 --> 00:35:27,920
majority of questions that are opposed

983
00:35:31,109 --> 00:35:28,960
to him

984
00:35:33,910 --> 00:35:31,119
have been legitimate questions

985
00:35:38,230 --> 00:35:36,310
i i have to say that i i

986
00:35:41,589 --> 00:35:38,240
posed some very legitimate questions and

987
00:35:43,750 --> 00:35:41,599
i was respectful and i think that

988
00:35:45,510 --> 00:35:43,760

i think the question that i asked or the

989

00:35:46,790 --> 00:35:45,520

point that i raised that caused the

990

00:35:49,510 --> 00:35:46,800

blocking

991

00:35:50,390 --> 00:35:49,520

was that he interviewed bob lazar's

992

00:35:51,670 --> 00:35:50,400

mother

993

00:35:53,670 --> 00:35:51,680

in the film

994

00:35:56,069 --> 00:35:53,680

and for 30 years now bob lazar's been

995

00:35:58,069 --> 00:35:56,079

swearing no i really did go to mit even

996

00:36:01,270 --> 00:35:58,079

though nobody can verify it i did go to

997

00:36:03,990 --> 00:36:01,280

caltech even though nobody can verify it

998

00:36:05,270 --> 00:36:04,000

corbell had access to bob lazar's mother

999

00:36:06,069 --> 00:36:05,280

and sister

1000

00:36:07,750 --> 00:36:06,079

so

1001
00:36:09,430 --> 00:36:07,760
one of the things i would have asked

1002
00:36:11,190 --> 00:36:09,440
both of them is did you attend his

1003
00:36:13,910 --> 00:36:11,200
graduation do you remember him going to

1004
00:36:15,349 --> 00:36:13,920
mit or caltech yeah and he got pissed

1005
00:36:18,069 --> 00:36:15,359
and said how do you know i didn't ask

1006
00:36:21,030 --> 00:36:18,079
them that and then he blocked me so what

1007
00:36:23,270 --> 00:36:21,040
we have from corbell is two scenarios in

1008
00:36:25,670 --> 00:36:23,280
regard to that one point

1009
00:36:27,750 --> 00:36:25,680
either he didn't ask

1010
00:36:29,430 --> 00:36:27,760
because he he didn't want to know the

1011
00:36:31,270 --> 00:36:29,440
truth

1012
00:36:32,550 --> 00:36:31,280
which is kind of crazy if you're making

1013
00:36:34,710 --> 00:36:32,560

you know

1014

00:36:37,190 --> 00:36:34,720

a film about that guy

1015

00:36:39,349 --> 00:36:37,200

or he did ask and he didn't like the

1016

00:36:41,109 --> 00:36:39,359

answers that he got so he left that

1017

00:36:43,430 --> 00:36:41,119

information out of the film those are

1018

00:36:47,589 --> 00:36:43,440

the only two choices that there could be

1019

00:36:52,829 --> 00:36:49,990

my god tells me he didn't ask

1020

00:36:54,710 --> 00:36:52,839

of course i could be wrong

1021

00:36:55,750 --> 00:36:54,720

uh but regardless of whether he did or

1022

00:36:57,510 --> 00:36:55,760

not

1023

00:36:59,430 --> 00:36:57,520

if he got if he got the answer he didn't

1024

00:37:01,349 --> 00:36:59,440

want he clearly would not have included

1025

00:37:03,750 --> 00:37:01,359

that in the film

1026

00:37:06,470 --> 00:37:03,760

um

1027

00:37:08,390 --> 00:37:06,480

yeah it's yeah to call it to even

1028

00:37:10,470 --> 00:37:08,400

entertain the idea that that is an

1029

00:37:12,310 --> 00:37:10,480

objective examination of that case no

1030

00:37:14,069 --> 00:37:12,320

it's not at all i've heard that thrown

1031

00:37:16,150 --> 00:37:14,079

around but it isn't

1032

00:37:17,910 --> 00:37:16,160

yeah and there's there's other red flags

1033

00:37:19,589 --> 00:37:17,920

like you know people are saying

1034

00:37:21,510 --> 00:37:19,599

there was some article like well bob

1035

00:37:24,630 --> 00:37:21,520

lazar passed four lie detectors he

1036

00:37:27,589 --> 00:37:24,640

passed lie detectors administered to him

1037

00:37:29,829 --> 00:37:27,599

by a very close friend of george knapps

1038

00:37:32,550 --> 00:37:29,839

and i have film of that guy saying that

1039

00:37:34,470 --> 00:37:32,560

at first his answers were deceptive so

1040

00:37:35,670 --> 00:37:34,480

we restarted it

1041

00:37:37,750 --> 00:37:35,680

well then

1042

00:37:39,910 --> 00:37:37,760

how did he pass he failed the first time

1043

00:37:42,069 --> 00:37:39,920

then at the very least

1044

00:37:44,069 --> 00:37:42,079

he you know his answers were indicate

1045

00:37:46,390 --> 00:37:44,079

indicating deception that's what this

1046

00:37:47,910 --> 00:37:46,400

guy said on one documentary and then you

1047

00:37:49,910 --> 00:37:47,920

get another documentary and he's saying

1048

00:37:52,390 --> 00:37:49,920

oh he passed all of them so which is it

1049

00:37:53,990 --> 00:37:52,400

was he did he fail the first one and he

1050

00:37:54,790 --> 00:37:54,000

was deceptive and you gave him three

1051
00:37:55,510 --> 00:37:54,800
more

1052
00:37:57,829 --> 00:37:55,520
and

1053
00:37:58,550 --> 00:37:57,839
i had to reach out to some people that i

1054
00:38:00,390 --> 00:37:58,560
know

1055
00:38:02,950 --> 00:38:00,400
uh in law enforcement that administer

1056
00:38:04,870 --> 00:38:02,960
polygraphs and they all laughed at the

1057
00:38:07,829 --> 00:38:04,880
idea of giving someone four separate

1058
00:38:10,230 --> 00:38:07,839
polygraphs administered by one person

1059
00:38:12,470 --> 00:38:10,240
you don't do that you give the guy one

1060
00:38:14,390 --> 00:38:12,480
polygraph and you get the results if

1061
00:38:16,310 --> 00:38:14,400
he's deceptive in the first one you

1062
00:38:18,950 --> 00:38:16,320
don't give him a second one and give him

1063
00:38:19,990 --> 00:38:18,960

a chance to calm down and relax more or

1064

00:38:22,310 --> 00:38:20,000

whatever

1065

00:38:25,510 --> 00:38:22,320

and you have to pass the second

1066

00:38:27,270 --> 00:38:25,520

round of the same questions

1067

00:38:30,150 --> 00:38:27,280

yeah so we were talking about the lie

1068

00:38:32,470 --> 00:38:30,160

detector and you know like i said this

1069

00:38:36,230 --> 00:38:32,480

law enforcement is like you don't give

1070

00:38:38,230 --> 00:38:36,240

a guy for lie detector tests and

1071

00:38:40,150 --> 00:38:38,240

when people in the pro-lazar camp say

1072

00:38:41,109 --> 00:38:40,160

things like he passed four lie detector

1073

00:38:42,230 --> 00:38:41,119

tests

1074

00:38:44,630 --> 00:38:42,240

i say

1075

00:38:46,069 --> 00:38:44,640

okay where's the paperwork where were

1076

00:38:47,430 --> 00:38:46,079

the tests administered who was the

1077

00:38:52,710 --> 00:38:47,440

administer

1078

00:38:55,829 --> 00:38:52,720

and we never get that and

1079

00:38:57,270 --> 00:38:55,839

i have a feeling that we never will

1080

00:38:58,390 --> 00:38:57,280

oh we won't

1081

00:39:00,950 --> 00:38:58,400

no

1082

00:39:03,670 --> 00:39:02,069

well i took a picture of this you'll

1083

00:39:04,870 --> 00:39:03,680

follow when i related to my olynk to my

1084

00:39:07,270 --> 00:39:04,880

grandfather

1085

00:39:09,430 --> 00:39:07,280

and the picture just disappears not that

1086

00:39:11,030 --> 00:39:09,440

i would trust the ufo picture anyway but

1087

00:39:13,430 --> 00:39:11,040

it's it's always that

1088

00:39:15,190 --> 00:39:13,440

that evidence would really make a case

1089

00:39:17,910 --> 00:39:15,200

strong

1090

00:39:20,069 --> 00:39:17,920

never appears or when it's promised if

1091

00:39:20,950 --> 00:39:20,079

never that promises never

1092

00:39:22,390 --> 00:39:20,960

uh

1093

00:39:25,030 --> 00:39:22,400

they don't follow through it never

1094

00:39:26,950 --> 00:39:25,040

happens so i i can't imagine i would

1095

00:39:28,230 --> 00:39:26,960

love to be proven wrong but i can't

1096

00:39:31,030 --> 00:39:28,240

imagine that would ever come up that

1097

00:39:33,190 --> 00:39:31,040

paperwork no that won't appear

1098

00:39:35,589 --> 00:39:33,200

you know yeah i don't know i guess i

1099

00:39:37,670 --> 00:39:35,599

kind of had this hope that like you know

1100

00:39:39,190 --> 00:39:37,680

bob lazar got tired of like all the

1101
00:39:40,710 --> 00:39:39,200
people saying he was lying and he was

1102
00:39:42,870 --> 00:39:40,720
just going to go in this film and like

1103
00:39:45,430 --> 00:39:42,880
drop some element 115 on the table and

1104
00:39:46,310 --> 00:39:45,440
go there go you know there there's your

1105
00:39:49,109 --> 00:39:46,320
proof

1106
00:39:51,670 --> 00:39:49,119
now stop now stop you know calling me a

1107
00:39:53,030 --> 00:39:51,680
liar like that would have been worthy of

1108
00:39:56,150 --> 00:39:53,040
a film

1109
00:39:59,030 --> 00:39:56,160
but what we got is oh this this new hand

1110
00:40:00,390 --> 00:39:59,040
scanner which that's the only thing new

1111
00:40:02,390 --> 00:40:00,400
in 30 years

1112
00:40:04,630 --> 00:40:02,400
like corbell found some hand scanner and

1113
00:40:07,109 --> 00:40:04,640

said was this the hand scanner at s4 and

1114

00:40:09,750 --> 00:40:07,119

he said yeah yeah it was

1115

00:40:12,630 --> 00:40:09,760

you know like

1116

00:40:15,589 --> 00:40:12,640

that's pretty young it's pretty weak

1117

00:40:17,109 --> 00:40:15,599

yeah and even then if if that was

1118

00:40:18,550 --> 00:40:17,119

legitimate then i don't buy that for a

1119

00:40:20,710 --> 00:40:18,560

second but if it was it improved he

1120

00:40:22,790 --> 00:40:20,720

works error that still does not prove he

1121

00:40:24,150 --> 00:40:22,800

worked on flying saucers

1122

00:40:26,150 --> 00:40:24,160

no it proves that he works someplace

1123

00:40:27,430 --> 00:40:26,160

that had a hand scanner like that if he

1124

00:40:30,069 --> 00:40:27,440

is telling the truth about the hand

1125

00:40:32,950 --> 00:40:30,079

scanner yeah but maybe i'm crazy i

1126

00:40:35,670 --> 00:40:32,960

thought on that point that if i was

1127

00:40:37,190 --> 00:40:35,680

doing that and i had access to lazar

1128

00:40:39,030 --> 00:40:37,200

what i would have done is

1129

00:40:41,190 --> 00:40:39,040

i would have showed him

1130

00:40:43,109 --> 00:40:41,200

10 pictures of hand scanners and one of

1131

00:40:44,470 --> 00:40:43,119

them would have been a real one and the

1132

00:40:45,910 --> 00:40:44,480

other nine would have been fake and i

1133

00:40:47,589 --> 00:40:45,920

would have said pick out which one was

1134

00:40:49,270 --> 00:40:47,599

at s4

1135

00:40:51,109 --> 00:40:49,280

at least if you would have picked the

1136

00:40:53,270 --> 00:40:51,119

right one that would have been some kind

1137

00:40:54,950 --> 00:40:53,280

of evidence i guess but that's not what

1138

00:40:56,870 --> 00:40:54,960

happened corbell just went look at this

1139

00:40:59,510 --> 00:40:56,880

picture of this hand scanner is that

1140

00:41:03,030 --> 00:40:59,520

what you used yeah yeah that was it you

1141

00:41:08,069 --> 00:41:05,190

well yeah it was a direct reflection on

1142

00:41:08,790 --> 00:41:08,079

the integrity of the filmmaker

1143

00:41:11,910 --> 00:41:08,800

as

1144

00:41:13,829 --> 00:41:11,920

documentarian

1145

00:41:16,710 --> 00:41:13,839

your job is to search for the truth and

1146

00:41:17,910 --> 00:41:16,720

document that period regardless of your

1147

00:41:20,230 --> 00:41:17,920

point of view regardless of your

1148

00:41:23,030 --> 00:41:20,240

personal positions your job is to put

1149

00:41:24,790 --> 00:41:23,040

forth the facts and take four facts

1150

00:41:27,510 --> 00:41:24,800

as an investigative journalist or

1151
00:41:30,069 --> 00:41:27,520
whatever term you want to use

1152
00:41:31,410 --> 00:41:30,079
but the approach with lazar was clearly

1153
00:41:33,190 --> 00:41:31,420
to

1154
00:41:34,390 --> 00:41:33,200
[Applause]

1155
00:41:37,030 --> 00:41:34,400
confirm his story

1156
00:41:37,990 --> 00:41:37,040
to maintain that narrative yeah and the

1157
00:41:39,750 --> 00:41:38,000
only other

1158
00:41:43,190 --> 00:41:39,760
the other big problem that i have is

1159
00:41:45,349 --> 00:41:43,200
that no one gets access to bob lazar no

1160
00:41:48,069 --> 00:41:45,359
one i mean you can call yourself i

1161
00:41:49,109 --> 00:41:48,079
challenge everybody call his job united

1162
00:41:51,829 --> 00:41:49,119
nuclear

1163
00:41:53,910 --> 00:41:51,839

and ask if you can have even a 10-minute

1164

00:41:56,069 --> 00:41:53,920

interview you're not going to get it

1165

00:41:59,190 --> 00:41:56,079

nobody gets an interview

1166

00:42:02,470 --> 00:41:59,200

so i believe that the reason that this

1167

00:42:03,990 --> 00:42:02,480

filmmaker got such incredible access

1168

00:42:06,230 --> 00:42:04,000

was because

1169

00:42:08,550 --> 00:42:06,240

lazar knew like this guy's not gonna ask

1170

00:42:10,309 --> 00:42:08,560

me hardball questions he's not gonna

1171

00:42:12,230 --> 00:42:10,319

he's not gonna press

1172

00:42:14,470 --> 00:42:12,240

on all the inconsistencies in the

1173

00:42:15,430 --> 00:42:14,480

statements i've made over the years

1174

00:42:17,270 --> 00:42:15,440

and

1175

00:42:19,270 --> 00:42:17,280

so what we get is is some kind of

1176

00:42:21,589 --> 00:42:19,280

softball pro lazar

1177

00:42:24,390 --> 00:42:21,599

i call it a propaganda piece that's what

1178

00:42:27,030 --> 00:42:25,990

i agree pretty much

1179

00:42:28,550 --> 00:42:27,040

because you're controlling the narrative

1180

00:42:30,470 --> 00:42:28,560

you're controlling

1181

00:42:32,470 --> 00:42:30,480

you control the access to the individual

1182

00:42:34,550 --> 00:42:32,480

in question

1183

00:42:36,790 --> 00:42:34,560

you're not only not able to get any kind

1184

00:42:39,109 --> 00:42:36,800

of interviews uh it's it's

1185

00:42:41,270 --> 00:42:39,119

it's it's it's like comparing the apples

1186

00:42:42,950 --> 00:42:41,280

and oranges but it's the way the tsa

1187

00:42:44,390 --> 00:42:42,960

has been controlling the narrative they

1188

00:42:47,030 --> 00:42:44,400

give you drifter of grip they give you a

1189

00:42:48,710 --> 00:42:47,040

little bit of information

1190

00:42:51,829 --> 00:42:48,720

i was going to we should get into that

1191

00:42:57,589 --> 00:42:54,950

as soon as i heard about this tsa thing

1192

00:43:00,630 --> 00:42:57,599

and especially that it was being

1193

00:43:01,910 --> 00:43:00,640

spearheaded by tom delonge

1194

00:43:03,829 --> 00:43:01,920

you know and a lot of people give him a

1195

00:43:05,750 --> 00:43:03,839

lot of credit like he's always he was a

1196

00:43:07,190 --> 00:43:05,760

huge rock star he sold this many million

1197

00:43:09,990 --> 00:43:07,200

records and

1198

00:43:12,309 --> 00:43:10,000

that was that was a long time ago

1199

00:43:14,069 --> 00:43:12,319

and and it was stupid little teenage

1200

00:43:15,589 --> 00:43:14,079

girls that bought his records and

1201

00:43:17,670 --> 00:43:15,599

they've all grown up and they're not

1202

00:43:20,309 --> 00:43:17,680

buying his records anymore

1203

00:43:22,550 --> 00:43:20,319

so to me this is some kind of money grab

1204

00:43:24,550 --> 00:43:22,560

because i just keep coming back to this

1205

00:43:25,990 --> 00:43:24,560

if you really had all this proof and

1206

00:43:26,950 --> 00:43:26,000

evidence that he keeps claiming that he

1207

00:43:29,109 --> 00:43:26,960

has

1208

00:43:32,230 --> 00:43:29,119

why would you drip drip it out why would

1209

00:43:34,309 --> 00:43:32,240

you solicit people to to invest in your

1210

00:43:36,870 --> 00:43:34,319

company that's going to be making

1211

00:43:38,790 --> 00:43:36,880

fictional films and selling fiction

1212

00:43:40,710 --> 00:43:38,800

science fiction books and like it

1213

00:43:42,150 --> 00:43:40,720

doesn't make any sense to me i don't i

1214

00:43:43,109 --> 00:43:42,160

don't understand

1215

00:43:45,109 --> 00:43:43,119

and

1216

00:43:48,150 --> 00:43:45,119

that group of his is filled with former

1217

00:43:50,230 --> 00:43:48,160

cia people and call me kooky but i just

1218

00:43:53,990 --> 00:43:50,240

don't trust that a bunch of former cia

1219

00:43:56,550 --> 00:43:54,000

people are going to give us the truth

1220

00:43:58,870 --> 00:43:56,560

no i you know the way the

1221

00:44:00,309 --> 00:43:58,880

information they had the initial

1222

00:44:01,829 --> 00:44:00,319

release of information which was

1223

00:44:03,589 --> 00:44:01,839

connected to the

1224

00:44:07,109 --> 00:44:03,599

with the new york times article that

1225

00:44:09,190 --> 00:44:07,119

lizzie keen and uh co-writer released

1226

00:44:10,950 --> 00:44:09,200

and so they they had a

1227

00:44:12,230 --> 00:44:10,960

a release of some sort and i was waiting

1228

00:44:13,990 --> 00:44:12,240

for the other shoe to drop they never

1229

00:44:15,829 --> 00:44:14,000

did they started controlling the

1230

00:44:17,190 --> 00:44:15,839

narrative they started controlling

1231

00:44:19,270 --> 00:44:17,200

who you could interview and who couldn't

1232

00:44:21,190 --> 00:44:19,280

be interviewed um

1233

00:44:23,670 --> 00:44:21,200

and when de long comes out and when he's

1234

00:44:25,190 --> 00:44:23,680

interviewed uh he

1235

00:44:28,390 --> 00:44:25,200

doesn't sound credible he sounds

1236

00:44:31,430 --> 00:44:28,400

complete he sounds completely unaware of

1237

00:44:33,430 --> 00:44:31,440

the uh literature in a general way

1238

00:44:37,589 --> 00:44:33,440

and he sounds completely unqualified to

1239

00:44:39,589 --> 00:44:37,599

be talking about these points um

1240

00:44:41,750 --> 00:44:39,599

and again if you if you have the if you

1241

00:44:43,510 --> 00:44:41,760

have evidence of alien visitation if you

1242

00:44:44,950 --> 00:44:43,520

actually have physical evidence that

1243

00:44:48,069 --> 00:44:44,960

you're examining

1244

00:44:52,150 --> 00:44:50,230

why would you why would you control the

1245

00:44:53,910 --> 00:44:52,160

amount of information that is being

1246

00:44:56,550 --> 00:44:53,920

dolled out it sounds like it sounds like

1247

00:44:58,470 --> 00:44:56,560

the old soviet union i mean the ussr

1248

00:45:00,710 --> 00:44:58,480

used to control the media they would

1249

00:45:02,069 --> 00:45:00,720

control what the but the public knew

1250

00:45:05,589 --> 00:45:02,079

that's kind of what's happening here you

1251
00:45:07,349 --> 00:45:05,599
you control what the public knows

1252
00:45:09,349 --> 00:45:07,359
you're continuing you're continuing to

1253
00:45:11,109 --> 00:45:09,359
dangle a carrot in front of the horse

1254
00:45:12,630 --> 00:45:11,119
the horse is going to keep walking

1255
00:45:13,750 --> 00:45:12,640
beautifully they're going to keep

1256
00:45:15,670 --> 00:45:13,760
digging it up they're going to keep

1257
00:45:17,109 --> 00:45:15,680
eating this up because they get when it

1258
00:45:18,390 --> 00:45:17,119
gets quiet they give another little

1259
00:45:19,750 --> 00:45:18,400
release of information

1260
00:45:21,190 --> 00:45:19,760
and then everyone's talking about it

1261
00:45:22,950 --> 00:45:21,200
then it quiets down again and when it

1262
00:45:24,710 --> 00:45:22,960
gets quiet again they release a little

1263
00:45:27,030 --> 00:45:24,720

more information so they keep

1264

00:45:28,790 --> 00:45:27,040

giving out drift by drip by drip little

1265

00:45:30,550 --> 00:45:28,800

by little to maintain

1266

00:45:32,150 --> 00:45:30,560

the interest in what they're trying to

1267

00:45:33,190 --> 00:45:32,160

do or what they're saying they're trying

1268

00:45:35,030 --> 00:45:33,200

to do

1269

00:45:38,069 --> 00:45:35,040

um

1270

00:45:39,510 --> 00:45:38,079

people on facebook that that that

1271

00:45:40,950 --> 00:45:39,520

unfriended me

1272

00:45:44,150 --> 00:45:40,960

after i asked them why they would make

1273

00:45:46,309 --> 00:45:44,160

statements like 2018 is the euro ufo

1274

00:45:47,829 --> 00:45:46,319

and i said i said you know i'm 50 years

1275

00:45:50,069 --> 00:45:47,839

old i've been looking at this for almost

1276

00:45:52,870 --> 00:45:50,079

30 years and every year people say that

1277

00:45:55,910 --> 00:45:52,880

1989 was the year of the ufo 1994

1278

00:45:57,109 --> 00:45:55,920

2001 2005. it never comes to fruition

1279

00:46:01,109 --> 00:45:57,119

yeah

1280

00:46:05,030 --> 00:46:02,710

we're in the year of disclosure it's

1281

00:46:06,550 --> 00:46:05,040

going to happen and i remember um even

1282

00:46:08,630 --> 00:46:06,560

very critical

1283

00:46:11,430 --> 00:46:08,640

credible people that i followed for a

1284

00:46:13,349 --> 00:46:11,440

long time like in one case the guy

1285

00:46:16,069 --> 00:46:13,359

sort of said this is the first week

1286

00:46:18,150 --> 00:46:16,079

after disclosure and and then you know

1287

00:46:19,910 --> 00:46:18,160

for i don't know all this time now he's

1288

00:46:22,309 --> 00:46:19,920

still saying it's gonna happen any day

1289

00:46:23,670 --> 00:46:22,319

now folks you know and like we never get

1290

00:46:25,270 --> 00:46:23,680

it it never comes

1291

00:46:27,030 --> 00:46:25,280

it never happens

1292

00:46:28,870 --> 00:46:27,040

and the problem that i always have is

1293

00:46:31,349 --> 00:46:28,880

like follow the money like it doesn't

1294

00:46:32,950 --> 00:46:31,359

make any sense to me if you had absolute

1295

00:46:34,790 --> 00:46:32,960

proof of this stuff

1296

00:46:37,510 --> 00:46:34,800

you would be

1297

00:46:39,190 --> 00:46:37,520

remembered in history forever if you

1298

00:46:40,870 --> 00:46:39,200

disclose that stuff

1299

00:46:42,950 --> 00:46:40,880

yeah so

1300

00:46:44,630 --> 00:46:42,960

the money motive is like if you had the

1301
00:46:46,390 --> 00:46:44,640
goods you wouldn't be trying to get the

1302
00:46:48,870 --> 00:46:46,400
small money right now you'd go for the

1303
00:46:50,790 --> 00:46:48,880
big money drop the goods let everybody

1304
00:46:51,750 --> 00:46:50,800
know the truth and then you'll be the

1305
00:46:54,150 --> 00:46:51,760
huge

1306
00:46:56,710 --> 00:46:54,160
hero of that disclosure story

1307
00:46:57,829 --> 00:46:56,720
in in the history of the world forever

1308
00:46:59,829 --> 00:46:57,839
you know

1309
00:47:02,470 --> 00:46:59,839
yes yeah

1310
00:47:06,150 --> 00:47:04,150
yeah

1311
00:47:07,430 --> 00:47:06,160
well now we're going well now they're

1312
00:47:10,309 --> 00:47:07,440
gonna have this history they're gonna

1313
00:47:11,990 --> 00:47:10,319

have a tv show so that's kind of like

1314

00:47:13,670 --> 00:47:12,000

okay now they're gonna have a tv show

1315

00:47:15,109 --> 00:47:13,680

and and i've heard people saying well

1316

00:47:17,510 --> 00:47:15,119

that's where they're gonna start making

1317

00:47:20,230 --> 00:47:17,520

me all these disclosures yeah i guess i

1318

00:47:22,790 --> 00:47:20,240

i was just disappointed because at first

1319

00:47:24,150 --> 00:47:22,800

you know i thought well maybe this is

1320

00:47:26,150 --> 00:47:24,160

really going to happen and then

1321

00:47:28,069 --> 00:47:26,160

everybody is everybody else seems to

1322

00:47:29,829 --> 00:47:28,079

think it might happen soon and let's

1323

00:47:31,910 --> 00:47:29,839

follow this and i was following every

1324

00:47:32,790 --> 00:47:31,920

day waiting for something else to you

1325

00:47:34,390 --> 00:47:32,800

know

1326

00:47:37,030 --> 00:47:34,400

following every story that i could find

1327

00:47:39,670 --> 00:47:37,040

on that group and you know maybe even a

1328

00:47:41,349 --> 00:47:39,680

few others and i just seem like it just

1329

00:47:44,950 --> 00:47:41,359

pittered out now and now we're right

1330

00:47:46,870 --> 00:47:44,960

back to nothing a big nothing burger and

1331

00:47:49,190 --> 00:47:46,880

those videos that they released

1332

00:47:50,630 --> 00:47:49,200

now they're saying oh well the

1333

00:47:52,230 --> 00:47:50,640

you know we have proof that the

1334

00:47:53,589 --> 00:47:52,240

government did release them well first

1335

00:47:55,510 --> 00:47:53,599

the government said they didn't release

1336

00:47:57,670 --> 00:47:55,520

them now we're saying the government is

1337

00:48:00,870 --> 00:47:57,680

now saying they did release them so it's

1338

00:48:02,390 --> 00:48:00,880

just like smoke and mirrors and crazy

1339

00:48:04,069 --> 00:48:02,400

and i don't know i don't know what's

1340

00:48:05,030 --> 00:48:04,079

going to happen but it just doesn't look

1341

00:48:07,750 --> 00:48:05,040

like

1342

00:48:09,670 --> 00:48:07,760

it's going to happen in my lifetime

1343

00:48:11,670 --> 00:48:09,680

at all

1344

00:48:14,470 --> 00:48:11,680

yeah no i don't think it'll happen my

1345

00:48:15,910 --> 00:48:14,480

lifetime either no not at all um

1346

00:48:17,349 --> 00:48:15,920

what's scary is how quickly it's

1347

00:48:18,950 --> 00:48:17,359

embraced

1348

00:48:21,349 --> 00:48:18,960

people in the community

1349

00:48:23,349 --> 00:48:21,359

a story about disclosure or the tsa

1350

00:48:24,630 --> 00:48:23,359

scenario comes out or or the new story

1351

00:48:26,549 --> 00:48:24,640

about the navy

1352

00:48:28,710 --> 00:48:26,559

pilots and then the changes they're

1353

00:48:29,750 --> 00:48:28,720

making to

1354

00:48:31,670 --> 00:48:29,760

uh

1355

00:48:34,549 --> 00:48:31,680

collective information

1356

00:48:36,230 --> 00:48:34,559

yeah that kind of stuff and uh people

1357

00:48:37,670 --> 00:48:36,240

immediately trouble the bandwagon

1358

00:48:39,190 --> 00:48:37,680

instead of being cautious and saying you

1359

00:48:40,950 --> 00:48:39,200

know let me let me do some homework and

1360

00:48:42,549 --> 00:48:40,960

find where this

1361

00:48:43,990 --> 00:48:42,559

story came from who wrote this story

1362

00:48:46,069 --> 00:48:44,000

where is it was this

1363

00:48:47,910 --> 00:48:46,079

information legitimate no they just jump

1364

00:48:50,230 --> 00:48:47,920

on the bandwagon that's incredible story

1365

00:48:52,549 --> 00:48:50,240

that's great news this is the other

1366

00:48:54,309 --> 00:48:52,559

when the story may not be valid

1367

00:48:56,069 --> 00:48:54,319

but people don't do their homework they

1368

00:48:57,670 --> 00:48:56,079

don't use any critical thinking whether

1369

00:49:00,150 --> 00:48:57,680

it comes to

1370

00:49:01,190 --> 00:49:00,160

ufo cases in general testimony in

1371

00:49:02,390 --> 00:49:01,200

general

1372

00:49:08,309 --> 00:49:02,400

or

1373

00:49:10,390 --> 00:49:08,319

motivation

1374

00:49:12,710 --> 00:49:10,400

to release this

1375

00:49:14,390 --> 00:49:12,720

supposed information or story that gets

1376

00:49:17,990 --> 00:49:14,400

the ball rolling

1377

00:49:21,270 --> 00:49:19,829

that are really interested in ufos and

1378

00:49:24,390 --> 00:49:21,280

these subjects are kind of looking for

1379

00:49:26,069 --> 00:49:24,400

validation you know like i know for me

1380

00:49:28,870 --> 00:49:26,079

like that

1381

00:49:31,109 --> 00:49:28,880

you know like i was thinking like man if

1382

00:49:32,549 --> 00:49:31,119

this disclosure thing happens like a lot

1383

00:49:34,150 --> 00:49:32,559

of people that know me are going to have

1384

00:49:35,750 --> 00:49:34,160

to shut up because

1385

00:49:37,829 --> 00:49:35,760

i've been interested in this stuff and

1386

00:49:39,829 --> 00:49:37,839

talking about it and i've been saying

1387

00:49:43,030 --> 00:49:39,839

there's some truth to some of this stuff

1388

00:49:45,349 --> 00:49:43,040

is is real and everybody's like yeah you

1389

00:49:48,390 --> 00:49:45,359

know put your tin foil hat back on and

1390

00:49:50,790 --> 00:49:48,400

you're crazy and that's all fantasy and

1391

00:49:52,470 --> 00:49:50,800

if disclosure really happened you know

1392

00:49:53,750 --> 00:49:52,480

just like me all these people that have

1393

00:49:56,630 --> 00:49:53,760

been interested in this forever would

1394

00:49:59,990 --> 00:49:56,640

get that validation like see i was right

1395

00:50:04,230 --> 00:50:01,670

sure yeah that's well that's motivation

1396

00:50:06,549 --> 00:50:04,240

sure i think i think that would clearly

1397

00:50:07,990 --> 00:50:06,559

win a lot of arguments i mean i i i

1398

00:50:10,470 --> 00:50:08,000

can't i can't imagine the number of

1399

00:50:11,750 --> 00:50:10,480

times i've been told well knowing what

1400

00:50:13,589 --> 00:50:11,760

the right mind would even reported you

1401

00:50:15,270 --> 00:50:13,599

all inside him that's that's that's the

1402

00:50:17,030 --> 00:50:15,280

realm of idiots

1403

00:50:18,710 --> 00:50:17,040

and i immediately come back with so i

1404

00:50:19,910 --> 00:50:18,720

guess jimmy carter and ronald reagan

1405

00:50:22,309 --> 00:50:19,920

were indians

1406

00:50:24,069 --> 00:50:22,319

sure and they're like what i said well

1407

00:50:26,230 --> 00:50:24,079

based on the ufos

1408

00:50:28,230 --> 00:50:26,240

they came forward oh reagan did and

1409

00:50:30,230 --> 00:50:28,240

reagan talked about ufos barry goldwater

1410

00:50:31,670 --> 00:50:30,240

talked about ufos and of course jimmy

1411

00:50:34,390 --> 00:50:31,680

carter saw one those are those are three

1412

00:50:35,910 --> 00:50:34,400

guys that are politically very far apart

1413

00:50:37,589 --> 00:50:35,920

and i don't think whether your right

1414

00:50:38,870 --> 00:50:37,599

mind would call them fools or idiots

1415

00:50:40,950 --> 00:50:38,880

they may not agree with their political

1416

00:50:42,069 --> 00:50:40,960

stances but these are intelligent

1417

00:50:44,230 --> 00:50:42,079

individuals

1418

00:50:46,309 --> 00:50:44,240

but somebody makes statements somebody

1419

00:50:47,430 --> 00:50:46,319

randomly will say well only fools report

1420

00:50:49,109 --> 00:50:47,440

ufos

1421

00:50:50,790 --> 00:50:49,119

but this comes from usually individuals

1422

00:50:52,230 --> 00:50:50,800

are not aware of

1423

00:50:54,470 --> 00:50:52,240

what's actually been said what's

1424

00:50:57,270 --> 00:50:54,480

actually concerned and who has seen them

1425

00:50:58,390 --> 00:50:57,280

so um yeah so if disclosure happened

1426
00:51:00,870 --> 00:50:58,400
then it was

1427
00:51:02,549 --> 00:51:00,880
validation that that ufos are real and

1428
00:51:04,470 --> 00:51:02,559
we haven't visited

1429
00:51:05,670 --> 00:51:04,480
those kind of arguments would be one

1430
00:51:06,870 --> 00:51:05,680
immediately that would be a great

1431
00:51:09,430 --> 00:51:06,880
feeling

1432
00:51:10,950 --> 00:51:09,440
i wouldn't lie to you that i would be so

1433
00:51:13,670 --> 00:51:10,960
you know one of the one of the things

1434
00:51:16,630 --> 00:51:13,680
that made me start thinking more about

1435
00:51:18,950 --> 00:51:16,640
government projects and drones is that i

1436
00:51:20,870 --> 00:51:18,960
have this cabin and it's at the highest

1437
00:51:23,910 --> 00:51:20,880
elevation in the pocono mountains in

1438
00:51:25,349 --> 00:51:23,920

pennsylvania like the highest elevation

1439

00:51:27,750 --> 00:51:25,359

in pennsylvania

1440

00:51:29,990 --> 00:51:27,760

in the whole state and my cabin is right

1441

00:51:31,990 --> 00:51:30,000

near the sign it's like two miles from

1442

00:51:34,630 --> 00:51:32,000

the sign that basically says you're in

1443

00:51:36,390 --> 00:51:34,640

the highest elevation in the state

1444

00:51:37,430 --> 00:51:36,400

of pennsylvania

1445

00:51:38,470 --> 00:51:37,440

so

1446

00:51:40,549 --> 00:51:38,480

uh

1447

00:51:42,870 --> 00:51:40,559

some of the things that i see in the

1448

00:51:44,870 --> 00:51:42,880

skies up there now i don't want that

1449

00:51:46,790 --> 00:51:44,880

let's be very let me be very clear i

1450

00:51:48,549 --> 00:51:46,800

don't think they're extraterrestrials i

1451

00:51:50,549 --> 00:51:48,559

don't think they're aliens but they

1452

00:51:53,829 --> 00:51:50,559

definitely are ufos

1453

00:51:56,150 --> 00:51:53,839

we are i am so high up in the mountains

1454

00:51:58,549 --> 00:51:56,160

that you're so close to

1455

00:52:00,069 --> 00:51:58,559

you're so much higher than everyone else

1456

00:52:02,470 --> 00:52:00,079

on a clear night

1457

00:52:04,230 --> 00:52:02,480

i see all kinds of

1458

00:52:06,069 --> 00:52:04,240

lights in the sky small lights in the

1459

00:52:08,390 --> 00:52:06,079

sky flying around

1460

00:52:10,470 --> 00:52:08,400

and it's not it can't be all airplanes

1461

00:52:12,069 --> 00:52:10,480

there's not that many you know and it

1462

00:52:14,069 --> 00:52:12,079

can't be all satellites i use the

1463

00:52:16,630 --> 00:52:14,079

satellite tracking thing so i'm starting

1464

00:52:19,190 --> 00:52:16,640

to think that there are tons of drones

1465

00:52:20,790 --> 00:52:19,200

up there in our atmosphere that we don't

1466

00:52:22,390 --> 00:52:20,800

know about and we're not supposed to

1467

00:52:23,750 --> 00:52:22,400

know about

1468

00:52:26,790 --> 00:52:23,760

and that could be a large part of the

1469

00:52:29,510 --> 00:52:26,800

phenomenon but it's not very it's not a

1470

00:52:32,069 --> 00:52:29,520

very sexy explanation for what everyone

1471

00:52:34,069 --> 00:52:32,079

is seeing you know

1472

00:52:35,349 --> 00:52:34,079

no you're right yeah everyone

1473

00:52:36,870 --> 00:52:35,359

unfortunately

1474

00:52:39,030 --> 00:52:36,880

the general public

1475

00:52:40,870 --> 00:52:39,040

thinks that ufo means alien spacecraft

1476

00:52:43,349 --> 00:52:40,880

which it doesn't it certainly means

1477

00:52:45,589 --> 00:52:43,359

unidentified everyone everyone really

1478

00:52:46,790 --> 00:52:45,599

who's ever lived has seen the ufo

1479

00:52:49,030 --> 00:52:46,800

they see something in the air they can't

1480

00:52:51,030 --> 00:52:49,040

identify and most likely was

1481

00:52:53,109 --> 00:52:51,040

a lighted bug or a lightning or the

1482

00:52:56,390 --> 00:52:53,119

planet of venus or a drone or a

1483

00:52:58,470 --> 00:52:56,400

helicopter or whatever

1484

00:53:00,309 --> 00:52:58,480

sure yeah

1485

00:53:01,829 --> 00:53:00,319

the number is been that out

1486

00:53:03,270 --> 00:53:01,839

uh every

1487

00:53:04,950 --> 00:53:03,280

legitimate examination of this

1488

00:53:06,710 --> 00:53:04,960

phenomenon has come up with only five

1489

00:53:08,309 --> 00:53:06,720

percent unexplained

1490

00:53:10,069 --> 00:53:08,319

five to ten percent

1491

00:53:11,990 --> 00:53:10,079

so the vast majority of your voice in

1492

00:53:13,270 --> 00:53:12,000

your site are explainable after

1493

00:53:15,430 --> 00:53:13,280

investigation

1494

00:53:17,829 --> 00:53:15,440

isn't very sexy but that's what we're at

1495

00:53:19,270 --> 00:53:17,839

but unfortunately today people say well

1496

00:53:20,790 --> 00:53:19,280

you saw ufo you must see one of those

1497

00:53:22,309 --> 00:53:20,800

ufo cooks

1498

00:53:23,990 --> 00:53:22,319

no i simply saw something i couldn't

1499

00:53:25,270 --> 00:53:24,000

identify that doesn't mean i saw people

1500

00:53:30,630 --> 00:53:25,280

from venus

1501
00:53:34,309 --> 00:53:32,870
one of my first weekends one of my first

1502
00:53:35,750 --> 00:53:34,319
weekends up at the cabin where i had

1503
00:53:37,589 --> 00:53:35,760
this little telescope and i was looking

1504
00:53:38,710 --> 00:53:37,599
at some of these you know just looking

1505
00:53:40,790 --> 00:53:38,720
up and

1506
00:53:41,589 --> 00:53:40,800
even with the naked eye you can see

1507
00:53:44,390 --> 00:53:41,599
stuff

1508
00:53:45,190 --> 00:53:44,400
and i saw something that looked like a

1509
00:53:47,910 --> 00:53:45,200
big

1510
00:53:50,390 --> 00:53:47,920
you know bright light in the sky but way

1511
00:53:51,990 --> 00:53:50,400
way off in the distance up in the sky

1512
00:53:54,230 --> 00:53:52,000
and it turned out that was the

1513
00:53:56,150 --> 00:53:54,240

international space station

1514

00:53:57,589 --> 00:53:56,160

but i'm so high up in an elevation you

1515

00:54:00,069 --> 00:53:57,599

could almost see that thing with the

1516

00:54:02,950 --> 00:54:00,079

naked eye which is crazy

1517

00:54:04,950 --> 00:54:02,960

and you know if i was uh if i wasn't

1518

00:54:07,270 --> 00:54:04,960

grounded enough to go let's see what

1519

00:54:09,510 --> 00:54:07,280

this really is i i could have went to

1520

00:54:10,950 --> 00:54:09,520

that oh it must be aliens but you know

1521

00:54:11,750 --> 00:54:10,960

i'm very cautious with that kind of

1522

00:54:13,829 --> 00:54:11,760

stuff

1523

00:54:17,190 --> 00:54:13,839

turns out it was the international space

1524

00:54:19,109 --> 00:54:17,200

station and i've seen it 10 more times

1525

00:54:20,950 --> 00:54:19,119

up there just even with the naked eye

1526

00:54:23,109 --> 00:54:20,960

you can see it as a light in the sky way

1527

00:54:24,710 --> 00:54:23,119

high up there moving too quickly across

1528

00:54:27,109 --> 00:54:24,720

the sky to be

1529

00:54:28,549 --> 00:54:27,119

uh like an airplane or something else

1530

00:54:31,750 --> 00:54:28,559

and you could just you could see

1531

00:54:33,430 --> 00:54:31,760

satellites almost with a naked eye

1532

00:54:35,670 --> 00:54:33,440

but again they're just like a little dot

1533

00:54:38,710 --> 00:54:35,680

up in the sky moving too fast to be an

1534

00:54:40,549 --> 00:54:38,720

airplane or something you know so a lot

1535

00:54:42,630 --> 00:54:40,559

of things up in our sky that are

1536

00:54:44,549 --> 00:54:42,640

we don't we don't know what it is but

1537

00:54:47,030 --> 00:54:44,559

you have to be grounded and say let's

1538

00:54:50,549 --> 00:54:47,040

find out what it is not go straight to

1539

00:54:52,069 --> 00:54:50,559

the alien crazy hypothesis you know

1540

00:54:54,069 --> 00:54:52,079

because i know a few people that go

1541

00:54:56,150 --> 00:54:54,079

straight to that everything they say has

1542

00:54:58,950 --> 00:54:56,160

got to be an alien or a flag saucer it's

1543

00:55:00,870 --> 00:54:58,960

interdimensional that's why it's glowing

1544

00:55:03,030 --> 00:55:00,880

come on man well here i can see that

1545

00:55:05,349 --> 00:55:03,040

we're coming up on a break let's pause

1546

00:55:23,670 --> 00:55:05,359

for a break and station identification

1547

00:55:27,990 --> 00:55:25,510

welcome back to the midnight hour show

1548

00:55:29,510 --> 00:55:28,000

folks my guest is william poland and

1549

00:55:31,670 --> 00:55:29,520

william before the break we were talking

1550

00:55:34,309 --> 00:55:31,680

about how quickly people go right to the

1551

00:55:36,069 --> 00:55:34,319

alien hypothesis when they see a ufo can

1552

00:55:38,870 --> 00:55:36,079

you comment on that

1553

00:55:40,630 --> 00:55:38,880

i i know only a few

1554

00:55:45,270 --> 00:55:40,640

uh

1555

00:55:46,630 --> 00:55:45,280

instead of looking at the more possible

1556

00:55:48,470 --> 00:55:46,640

more likely

1557

00:55:50,630 --> 00:55:48,480

mundane explanations they jump into the

1558

00:55:51,829 --> 00:55:50,640

exotic immediately

1559

00:55:52,710 --> 00:55:51,839

um

1560

00:55:54,309 --> 00:55:52,720

and

1561

00:55:56,230 --> 00:55:54,319

i'm told by this i wrote about this my

1562

00:55:58,630 --> 00:55:56,240

blog that one of those individuals that

1563

00:56:01,910 --> 00:55:58,640

posted this on facebook she posted

1564

00:56:03,109 --> 00:56:01,920

uh some pictures that she saw she took

1565

00:56:04,549 --> 00:56:03,119

and she was convinced they were aliens

1566

00:56:05,990 --> 00:56:04,559

face crabs

1567

00:56:07,589 --> 00:56:06,000

turns out they weren't they were

1568

00:56:09,670 --> 00:56:07,599

helicopters at a

1569

00:56:11,589 --> 00:56:09,680

very very far enough distance that you

1570

00:56:13,670 --> 00:56:11,599

couldn't differentiate between

1571

00:56:23,510 --> 00:56:13,680

one you couldn't hear any sound and two

1572

00:56:29,109 --> 00:56:26,470

so i thought okay somebody that

1573

00:56:31,030 --> 00:56:29,119

ungrounded was working for mufon i found

1574

00:56:33,109 --> 00:56:31,040

that very troubling yeah the light in

1575

00:56:35,190 --> 00:56:33,119

the sky is exactly that to me i'm not

1576

00:56:36,069 --> 00:56:35,200

very interested in a light in the sky

1577

00:56:37,750 --> 00:56:36,079

you know

1578

00:56:39,510 --> 00:56:37,760

or or blurry

1579

00:56:40,870 --> 00:56:39,520

video of a light in the sky that's you

1580

00:56:42,789 --> 00:56:40,880

know

1581

00:56:44,630 --> 00:56:42,799

50 miles off in the distance it could be

1582

00:56:47,030 --> 00:56:44,640

anything it could be you know a player

1583

00:56:50,549 --> 00:56:47,040

it could be a chinese laner it could be

1584

00:56:52,470 --> 00:56:50,559

a satellite a drone anything

1585

00:56:54,710 --> 00:56:52,480

yeah

1586

00:56:56,390 --> 00:56:54,720

or or it could be an alien spacecraft

1587

00:56:59,910 --> 00:56:56,400

but you have to do your homework to

1588

00:57:01,910 --> 00:56:59,920

research to find out what it is if

1589

00:57:03,910 --> 00:57:01,920

if if the potential of it being

1590

00:57:05,030 --> 00:57:03,920

extraterrestrial still on the table then

1591

00:57:06,390 --> 00:57:05,040

that's fine

1592

00:57:08,710 --> 00:57:06,400

but you can't just jump to that

1593

00:57:10,630 --> 00:57:08,720

conclusion first that's not that's not

1594

00:57:12,010 --> 00:57:10,640

reasonable that's not

1595

00:57:13,510 --> 00:57:12,020

that's not grounded

1596

00:57:14,390 --> 00:57:13,520

[Music]

1597

00:57:15,910 --> 00:57:14,400

you know

1598

00:57:17,589 --> 00:57:15,920

um

1599

00:57:18,950 --> 00:57:17,599

yeah

1600

00:57:21,430 --> 00:57:18,960

in my group on facebook and in my

1601
00:57:23,349 --> 00:57:21,440
interactions with people i get a ton of

1602
00:57:24,309 --> 00:57:23,359
emails and pushback saying you just

1603
00:57:26,150 --> 00:57:24,319
don't believe in aliens you don't

1604
00:57:27,430 --> 00:57:26,160
believe in ufos

1605
00:57:29,430 --> 00:57:27,440
uh

1606
00:57:31,109 --> 00:57:29,440
as if that should be a question one i

1607
00:57:32,390 --> 00:57:31,119
don't believe in ufos means that i

1608
00:57:34,230 --> 00:57:32,400
believe everything that's seen on the

1609
00:57:35,510 --> 00:57:34,240
air is identifiable

1610
00:57:37,430 --> 00:57:35,520
at first glance that's that's

1611
00:57:41,349 --> 00:57:37,440
unreasonable you know or i don't believe

1612
00:57:44,069 --> 00:57:41,359
in aliens i have to constantly um

1613
00:57:46,150 --> 00:57:44,079

defend my position you know i believe

1614

00:57:47,430 --> 00:57:46,160

alien be hesitation has taken place i

1615

00:57:49,589 --> 00:57:47,440

just don't feel it's anywhere near as

1616

00:57:50,630 --> 00:57:49,599

common as what's portrayed in the ufo

1617

00:57:52,230 --> 00:57:50,640

community

1618

00:57:55,430 --> 00:57:52,240

but because i don't embrace everything i

1619

00:57:58,470 --> 00:57:55,440

get pushed back yeah yeah i mean um

1620

00:58:00,710 --> 00:57:58,480

yeah it's crazy

1621

00:58:02,069 --> 00:58:00,720

well i was going to ask you a question

1622

00:58:03,750 --> 00:58:02,079

you said that you believe that there it

1623

00:58:05,109 --> 00:58:03,760

has been visitation

1624

00:58:07,030 --> 00:58:05,119

and this is something that has always

1625

00:58:09,190 --> 00:58:07,040

interested me

1626

00:58:11,109 --> 00:58:09,200

if if they are here and they are

1627

00:58:13,910 --> 00:58:11,119

visiting

1628

00:58:15,990 --> 00:58:13,920

why why would they be here because i've

1629

00:58:18,470 --> 00:58:16,000

often thought that if they if they are

1630

00:58:21,109 --> 00:58:18,480

visiting it's just an anthropology

1631

00:58:23,670 --> 00:58:21,119

project for them it's kind of like us

1632

00:58:26,230 --> 00:58:23,680

finding a tribe of primitives

1633

00:58:27,270 --> 00:58:26,240

in the south american you know jungle

1634

00:58:29,670 --> 00:58:27,280

somewhere

1635

00:58:31,349 --> 00:58:29,680

well we're in people to study them

1636

00:58:35,030 --> 00:58:31,359

because it'll tell us something about

1637

00:58:37,270 --> 00:58:35,040

our own origins that's my hypothesis but

1638

00:58:39,990 --> 00:58:37,280

what's yours

1639

00:58:40,950 --> 00:58:40,000

that's a logical take um

1640

00:58:43,750 --> 00:58:40,960

you know

1641

00:58:47,109 --> 00:58:43,760

none of our technology other than

1642

00:58:48,950 --> 00:58:47,119

television radio broadcasts

1643

00:58:51,990 --> 00:58:48,960

none of our technology is detectable

1644

00:58:54,150 --> 00:58:52,000

from extremely long distances

1645

00:58:55,349 --> 00:58:54,160

so unless they came across a broadcast

1646

00:58:57,349 --> 00:58:55,359

that we've given out we've been

1647

00:59:01,109 --> 00:58:57,359

broadcasting into space for about

1648

00:59:03,030 --> 00:59:01,119

i i guess around 90 100 years on them

1649

00:59:04,470 --> 00:59:03,040

probably longer than that

1650

00:59:05,990 --> 00:59:04,480

unless they came across a broadcast they

1651
00:59:07,829 --> 00:59:06,000
may have discovered this purely by

1652
00:59:09,670 --> 00:59:07,839
accident

1653
00:59:11,589 --> 00:59:09,680
and they discovered a species that had

1654
00:59:13,190 --> 00:59:11,599
some level of technology

1655
00:59:15,430 --> 00:59:13,200
that was very war-like and were still

1656
00:59:18,710 --> 00:59:15,440
war-like but they developed technology

1657
00:59:20,630 --> 00:59:18,720
more so than say an intellectual species

1658
00:59:21,990 --> 00:59:20,640
that did not uh

1659
00:59:23,030 --> 00:59:22,000
what comes to mind is like dolphins and

1660
00:59:24,309 --> 00:59:23,040
whales

1661
00:59:26,390 --> 00:59:24,319
very intelligent but they don't have

1662
00:59:28,150 --> 00:59:26,400
technology which doesn't make them less

1663
00:59:29,910 --> 00:59:28,160

intelligent than us it just means they

1664

00:59:31,190 --> 00:59:29,920

didn't develop technology it may be a

1665

00:59:34,549 --> 00:59:31,200

random thing

1666

00:59:37,349 --> 00:59:34,559

um so i i get that that we're

1667

00:59:39,030 --> 00:59:37,359

we're clearly not a threat to them

1668

00:59:41,190 --> 00:59:39,040

uh unless they landed here we probably

1669

00:59:42,789 --> 00:59:41,200

opened fire first but it may be that

1670

00:59:44,549 --> 00:59:42,799

they're just interested in us uh

1671

00:59:47,270 --> 00:59:44,559

intelligent life that's technologically

1672

00:59:49,510 --> 00:59:47,280

advanced may be a rare thing

1673

00:59:51,910 --> 00:59:49,520

so they may be just investigating us

1674

00:59:54,150 --> 00:59:51,920

first our technology and now

1675

00:59:55,430 --> 00:59:54,160

they want to know about us per se

1676

00:59:57,190 --> 00:59:55,440

um

1677

00:59:59,430 --> 00:59:57,200

but they may be intelligent enough to

1678

01:00:01,589 --> 00:59:59,440

not really interact with us because we

1679

01:00:03,430 --> 01:00:01,599

we've seen examples on earth that when

1680

01:00:04,710 --> 01:00:03,440

when a more developed

1681

01:00:06,309 --> 01:00:04,720

uh

1682

01:00:08,870 --> 01:00:06,319

part of a species has contact with the

1683

01:00:11,109 --> 01:00:08,880

less part the less developed part really

1684

01:00:12,870 --> 01:00:11,119

ceases to exist

1685

01:00:14,630 --> 01:00:12,880

so they're intelligent they would know

1686

01:00:16,630 --> 01:00:14,640

that direct interaction with us would

1687

01:00:18,789 --> 01:00:16,640

not be good for us so maybe that's the

1688

01:00:20,950 --> 01:00:18,799

motivation but we might both be wrong

1689

01:00:22,870 --> 01:00:20,960

we're applying human thinking to

1690

01:00:24,390 --> 01:00:22,880

extraterrestrials i always find it funny

1691

01:00:26,230 --> 01:00:24,400

when i hear somebody say well

1692

01:00:28,870 --> 01:00:26,240

extraterrestrials wouldn't do that how

1693

01:00:30,870 --> 01:00:28,880

would you possibly know by definition

1694

01:00:32,069 --> 01:00:30,880

they're alien therefore

1695

01:00:33,349 --> 01:00:32,079

we don't know how they think we don't

1696

01:00:35,030 --> 01:00:33,359

know they have morals we don't know if

1697

01:00:36,710 --> 01:00:35,040

they have religious beliefs we don't

1698

01:00:37,990 --> 01:00:36,720

know anything about them

1699

01:00:40,069 --> 01:00:38,000

uh

1700

01:00:42,390 --> 01:00:40,079

i i don't know but

1701

01:00:44,630 --> 01:00:42,400

but uh the idea that they're studying us

1702

01:00:46,789 --> 01:00:44,640

um that's logical that's a possibility

1703

01:00:48,710 --> 01:00:46,799

certainly

1704

01:00:49,670 --> 01:00:48,720

yeah that's kind of where i've been at

1705

01:00:50,630 --> 01:00:49,680

lately

1706

01:00:52,549 --> 01:00:50,640

but

1707

01:00:53,750 --> 01:00:52,559

you know the other thing i wanted to ask

1708

01:00:56,069 --> 01:00:53,760

you about is

1709

01:00:57,990 --> 01:00:56,079

you know all these reports of bodies and

1710

01:00:59,589 --> 01:00:58,000

things that wright patterson well what

1711

01:01:01,510 --> 01:00:59,599

do you think of all that stuff like all

1712

01:01:03,109 --> 01:01:01,520

the technologies taken there the bodies

1713

01:01:04,789 --> 01:01:03,119

were taken there do you think they

1714

01:01:09,430 --> 01:01:04,799

really have anything there

1715

01:01:12,549 --> 01:01:10,950

um

1716

01:01:14,870 --> 01:01:12,559

my my thought is that there's probably

1717

01:01:17,190 --> 01:01:14,880

been fewer than five legitimate ufo

1718

01:01:18,950 --> 01:01:17,200

crashes on the entire planet

1719

01:01:21,430 --> 01:01:18,960

i think that i think it's a very

1720

01:01:22,950 --> 01:01:21,440

extremely rare occurrence and if that

1721

01:01:25,349 --> 01:01:22,960

happened in the

1722

01:01:27,990 --> 01:01:25,359

boundaries of the united states

1723

01:01:29,829 --> 01:01:28,000

uh it would make logical sense to send

1724

01:01:31,109 --> 01:01:29,839

things to write patterson because that's

1725

01:01:33,270 --> 01:01:31,119

where

1726

01:01:34,470 --> 01:01:33,280

the ftv is for technology to business

1727

01:01:35,990 --> 01:01:34,480

that makes sense

1728

01:01:37,430 --> 01:01:36,000

um

1729

01:01:39,910 --> 01:01:37,440

i don't think we could version in here

1730

01:01:41,910 --> 01:01:39,920

any of it so um have we recovered

1731

01:01:43,829 --> 01:01:41,920

organic material

1732

01:01:45,910 --> 01:01:43,839

uh i.e bodies

1733

01:01:47,750 --> 01:01:45,920

uh there's testimony that suggests that

1734

01:01:49,109 --> 01:01:47,760

out of roswell and there's been other

1735

01:01:52,390 --> 01:01:49,119

cases where

1736

01:01:53,990 --> 01:01:52,400

people have claimed that um i think it's

1737

01:01:55,430 --> 01:01:54,000

a possibility

1738

01:01:56,710 --> 01:01:55,440

um

1739

01:01:58,150 --> 01:01:56,720

certainly in roswell it might be a

1740

01:01:59,109 --> 01:01:58,160

possibility

1741

01:02:02,710 --> 01:01:59,119

but

1742

01:02:06,789 --> 01:02:02,720

how do we prove that i i don't know

1743

01:02:10,470 --> 01:02:06,799

there's there's no way to do it um

1744

01:02:11,430 --> 01:02:10,480

but i would think that if we did

1745

01:02:13,270 --> 01:02:11,440

um

1746

01:02:13,990 --> 01:02:13,280

the us government or military would not

1747

01:02:15,670 --> 01:02:14,000

be

1748

01:02:17,510 --> 01:02:15,680

very open to sharing any of that

1749

01:02:19,190 --> 01:02:17,520

information either to other governments

1750

01:02:21,430 --> 01:02:19,200

or to its own public

1751

01:02:23,430 --> 01:02:21,440

so if if the government or military has

1752

01:02:25,270 --> 01:02:23,440

those things we'll never know for sure

1753

01:02:26,549 --> 01:02:25,280

we'll never really know

1754

01:02:28,950 --> 01:02:26,559

we may

1755

01:02:30,789 --> 01:02:28,960

believe in that scenario but we will

1756

01:02:31,910 --> 01:02:30,799

disclosure's right around the corner you

1757

01:02:33,510 --> 01:02:31,920

know

1758

01:02:37,190 --> 01:02:33,520

yeah

1759

01:02:39,109 --> 01:02:37,200

mentioned a couple of you think there's

1760

01:02:41,029 --> 01:02:39,119

a couple of credible crash

1761

01:02:42,630 --> 01:02:41,039

which which are they besides roswell

1762

01:02:44,950 --> 01:02:42,640

because i've looked into that that was a

1763

01:02:46,950 --> 01:02:44,960

big rabbit hole for me for years and uh

1764

01:02:49,349 --> 01:02:46,960

i came away thinking that

1765

01:02:50,630 --> 01:02:49,359

a lot of these stories of alien crashes

1766

01:02:52,309 --> 01:02:50,640

are

1767

01:02:55,270 --> 01:02:52,319

it's just like you said there's so many

1768

01:02:57,430 --> 01:02:55,280

stories and there's very few that are

1769

01:03:00,470 --> 01:02:57,440

actually credible so my belief is that

1770

01:03:03,750 --> 01:03:00,480

it might happen but it's very very rare

1771

01:03:06,549 --> 01:03:03,760

but which cases do you think are really

1772

01:03:09,829 --> 01:03:06,559

got some you know got some credible

1773

01:03:12,309 --> 01:03:09,839

witnesses or some some good information

1774

01:03:14,150 --> 01:03:12,319

as far as crashes go wait was it

1775

01:03:17,190 --> 01:03:14,160

specifically crashes my mind goes to

1776

01:03:18,710 --> 01:03:17,200

roswell my mind goes to sag harbor

1777

01:03:21,190 --> 01:03:18,720

because he had the canadians involved he

1778

01:03:22,870 --> 01:03:21,200

had the royal canadian mounted police

1779

01:03:24,309 --> 01:03:22,880

who had

1780

01:03:27,349 --> 01:03:24,319

multiple

1781

01:03:28,870 --> 01:03:27,359

uh non-civilian groups involved

1782

01:03:30,069 --> 01:03:28,880

nothing alienware was recovered but

1783

01:03:31,510 --> 01:03:30,079

there's a lot there's a lot of

1784

01:03:32,789 --> 01:03:31,520

documentation

1785

01:03:34,150 --> 01:03:32,799

from all these groups that they were

1786

01:03:35,270 --> 01:03:34,160

involved in a

1787

01:03:37,349 --> 01:03:35,280

event

1788

01:03:39,990 --> 01:03:37,359

that remains unexplained

1789

01:03:41,589 --> 01:03:40,000

uh roswell there's a shortage of

1790

01:03:43,190 --> 01:03:41,599

documentation

1791

01:03:45,910 --> 01:03:43,200

and only firsthand witnesses are pretty

1792

01:03:48,789 --> 01:03:45,920

much gone but they were all military

1793

01:03:50,230 --> 01:03:48,799

trained observers their stories

1794

01:03:51,510 --> 01:03:50,240

hold together

1795

01:03:52,549 --> 01:03:51,520

the reaction of the military and the

1796

01:03:54,870 --> 01:03:52,559

government

1797

01:03:56,789 --> 01:03:54,880

is interesting

1798

01:03:59,750 --> 01:03:56,799

beyond those two

1799

01:04:01,109 --> 01:03:59,760

um

1800

01:04:04,309 --> 01:04:01,119

i can't think of one that comes to mind

1801

01:04:05,910 --> 01:04:04,319

there's a strong case out of

1802

01:04:07,670 --> 01:04:05,920

i can't recall the date but it's out of

1803

01:04:10,870 --> 01:04:07,680

eastern russia it happened i think it

1804

01:04:13,589 --> 01:04:10,880

happened in the late 80s i believe um

1805

01:04:15,990 --> 01:04:13,599

in the kazakhstan area i'll i'll i've

1806

01:04:17,829 --> 01:04:16,000

got to do some research to refresh in my

1807

01:04:19,750 --> 01:04:17,839

head but

1808

01:04:22,390 --> 01:04:19,760

yeah that came to mind i can't recall

1809

01:04:24,069 --> 01:04:22,400

the name of it it's twist on mine but um

1810

01:04:25,349 --> 01:04:24,079

i just don't think they're being very

1811

01:04:27,750 --> 01:04:25,359

very many

1812

01:04:30,549 --> 01:04:27,760

there have been landings and socorro

1813

01:04:34,950 --> 01:04:30,559

comes to mind renfrewshire forest uh

1814

01:04:37,190 --> 01:04:34,960

uh leveling texas in 52 i believe uh but

1815

01:04:37,990 --> 01:04:37,200

are all those alien spacecraft we don't

1816

01:04:40,470 --> 01:04:38,000

know

1817

01:04:42,069 --> 01:04:40,480

uh but they're still unexplained

1818

01:04:43,670 --> 01:04:42,079

uh they're all multiple witness there's

1819

01:04:45,349 --> 01:04:43,680

documentation there

1820

01:04:47,750 --> 01:04:45,359

there's some level of physical evidence

1821

01:04:49,750 --> 01:04:47,760

and not pieces of the craft but there's

1822

01:04:52,069 --> 01:04:49,760

landing marks radiation traces burn

1823

01:04:53,829 --> 01:04:52,079

marks things of that nature so that's

1824

01:04:55,349 --> 01:04:53,839

evidence that something transpires some

1825

01:04:57,670 --> 01:04:55,359

event happened

1826

01:04:59,510 --> 01:04:57,680

as to the explanation for the event uh

1827

01:05:00,549 --> 01:04:59,520

we can't

1828

01:05:02,950 --> 01:05:00,559

uh

1829

01:05:04,150 --> 01:05:02,960

the trouble is with crashes and ufos

1830

01:05:06,829 --> 01:05:04,160

cases

1831

01:05:11,029 --> 01:05:06,839

there's rarely enough information to

1832

01:05:13,109 --> 01:05:11,039

definitively assign an explanation

1833

01:05:14,950 --> 01:05:13,119

that would be pro ufo pro alien

1834

01:05:17,270 --> 01:05:14,960

spacecraft

1835

01:05:19,270 --> 01:05:17,280

but there are cases out there because of

1836

01:05:21,750 --> 01:05:19,280

the lack of events

1837

01:05:23,589 --> 01:05:21,760

we can definitely say that that is a

1838

01:05:26,069 --> 01:05:23,599

hoax or it was a

1839

01:05:29,829 --> 01:05:26,079

helicopter or it was a

1840

01:05:32,150 --> 01:05:29,839

uh it was um whatever um

1841

01:05:34,789 --> 01:05:32,160

without a physical piece of a craft or

1842

01:05:37,589 --> 01:05:34,799

or or a body recovered we'll never be

1843

01:05:39,589 --> 01:05:37,599

able to say definitively okay this was

1844

01:05:41,510 --> 01:05:39,599

alien visitation

1845

01:05:43,109 --> 01:05:41,520

but there are cases where the evidence

1846

01:05:45,750 --> 01:05:43,119

and the testimony

1847

01:05:46,789 --> 01:05:45,760

strongly is subject to is suggestive of

1848

01:05:50,789 --> 01:05:46,799

it

1849

01:05:51,750 --> 01:05:50,799

of the craft and that's unfortunate but

1850

01:05:54,230 --> 01:05:51,760

yeah

1851
01:05:55,910 --> 01:05:54,240
crashes i think of you know shag harbor

1852
01:05:57,510 --> 01:05:55,920
roswell and a few other cases where

1853
01:05:58,789 --> 01:05:57,520
landings took place

1854
01:06:00,789 --> 01:05:58,799
and there's a few of the cases of

1855
01:06:04,230 --> 01:06:00,799
sardines that are pretty strong where

1856
01:06:05,990 --> 01:06:04,240
the crap didn't didn't land per se but

1857
01:06:07,670 --> 01:06:06,000
was seen in the air by multiple

1858
01:06:08,950 --> 01:06:07,680
witnesses their radar reasonable

1859
01:06:09,910 --> 01:06:08,960
evidence

1860
01:06:12,069 --> 01:06:09,920
uh

1861
01:06:14,069 --> 01:06:12,079
civilians and non-civilians taking part

1862
01:06:15,510 --> 01:06:14,079
of it law enforcement officials

1863
01:06:19,510 --> 01:06:15,520

so these are some pretty strong cases

1864

01:06:20,789 --> 01:06:19,520
out there but not that many really

1865

01:06:23,750 --> 01:06:20,799
but there's

1866

01:06:24,870 --> 01:06:23,760
huge numbers of cases where

1867

01:06:27,430 --> 01:06:24,880
um

1868

01:06:30,150 --> 01:06:27,440
it's not as strong so that's the

1869

01:06:32,230 --> 01:06:30,160
majority of the ufo literature is

1870

01:06:34,069 --> 01:06:32,240
cases that are not strong with a few

1871

01:06:36,390 --> 01:06:34,079
strongly peppered in there so that's

1872

01:06:38,789 --> 01:06:36,400
that's kind of what we have

1873

01:06:41,190 --> 01:06:38,799
yeah it's very tantalizing to go looking

1874

01:06:42,390 --> 01:06:41,200
into these things because like you know

1875

01:06:44,069 --> 01:06:42,400
what

1876

01:06:45,589 --> 01:06:44,079

you get you get the really good strong

1877

01:06:47,990 --> 01:06:45,599

cases where you go there's something

1878

01:06:49,829 --> 01:06:48,000

here and then but to get to that one

1879

01:06:50,630 --> 01:06:49,839

you've got to go through 25 that are

1880

01:06:52,870 --> 01:06:50,640

like

1881

01:06:54,549 --> 01:06:52,880

this guy's selling a book this guy's a

1882

01:06:57,029 --> 01:06:54,559

documentary

1883

01:06:59,510 --> 01:06:57,039

this guy's this guy's whole background

1884

01:07:02,470 --> 01:06:59,520

was made up and we can prove it he's not

1885

01:07:04,950 --> 01:07:02,480

who he says he was and uh you know

1886

01:07:06,870 --> 01:07:04,960

it's very discouraging i guess

1887

01:07:08,230 --> 01:07:06,880

there's this big money motivation i

1888

01:07:10,549 --> 01:07:08,240

don't understand some of these people

1889

01:07:12,789 --> 01:07:10,559

who think like i'm gonna get rich quick

1890

01:07:17,190 --> 01:07:12,799

and i'm gonna do it by claiming that uh

1891

01:07:19,430 --> 01:07:17,200

you know i'm a doctor and uh i worked on

1892

01:07:21,589 --> 01:07:19,440

alien spacecraft or whatever the case

1893

01:07:23,910 --> 01:07:21,599

may be and it's like yeah

1894

01:07:25,829 --> 01:07:23,920

most of these times it's i'm amazed at

1895

01:07:27,109 --> 01:07:25,839

how easily these people are proven

1896

01:07:29,670 --> 01:07:27,119

frauds

1897

01:07:30,470 --> 01:07:29,680

yet i'm i'm sort of disgusted that

1898

01:07:31,670 --> 01:07:30,480

people

1899

01:07:34,390 --> 01:07:31,680

still believe

1900

01:07:36,789 --> 01:07:34,400

these people and they're still happy

1901

01:07:39,109 --> 01:07:36,799

you know yeah let's listen to lecture

1902

01:07:41,349 --> 01:07:39,119

again or so you know like

1903

01:07:44,630 --> 01:07:41,359

you know

1904

01:07:47,109 --> 01:07:44,640

yeah i i i totally get that yeah i i

1905

01:07:49,109 --> 01:07:47,119

i got into an argument with a guy like

1906

01:07:50,470 --> 01:07:49,119

six seven years ago on facebook

1907

01:07:53,430 --> 01:07:50,480

not that long maybe four or five years

1908

01:07:56,230 --> 01:07:53,440

ago when i first got on facebook

1909

01:07:57,670 --> 01:07:56,240

the majority of my investigative career

1910

01:08:00,230 --> 01:07:57,680

when you go home anyway i wasn't on

1911

01:08:02,230 --> 01:08:00,240

social media not till like 2015 you know

1912

01:08:04,150 --> 01:08:02,240

i finally jump in

1913

01:08:05,670 --> 01:08:04,160

but the guy was giving me a hard time he

1914

01:08:07,270 --> 01:08:05,680

said well you claim to be a field

1915

01:08:10,309 --> 01:08:07,280

investigator

1916

01:08:11,430 --> 01:08:10,319

i said really where'd you see that he

1917

01:08:13,270 --> 01:08:11,440

said what do you say it all the time i

1918

01:08:15,349 --> 01:08:13,280

go no i don't

1919

01:08:16,950 --> 01:08:15,359

i'm a i'm a researcher

1920

01:08:19,430 --> 01:08:16,960

i'm an investigator

1921

01:08:20,870 --> 01:08:19,440

uh people some people call me historian

1922

01:08:23,110 --> 01:08:20,880

but i've never claimed to be a field

1923

01:08:24,550 --> 01:08:23,120

investigator i said show me that show me

1924

01:08:25,990 --> 01:08:24,560

wherever i've said that

1925

01:08:27,189 --> 01:08:26,000

he couldn't find any documentation he

1926

01:08:29,590 --> 01:08:27,199

couldn't find any single post on

1927

01:08:31,030 --> 01:08:29,600

facebook that i claimed that

1928

01:08:32,870 --> 01:08:31,040

and i said well follow through you're

1929

01:08:34,070 --> 01:08:32,880

claiming that i said this

1930

01:08:37,349 --> 01:08:34,080

i didn't

1931

01:08:38,470 --> 01:08:37,359

find the evidence find somewhere where

1932

01:08:40,630 --> 01:08:38,480

i have claimed to be a field

1933

01:08:42,709 --> 01:08:40,640

investigator what i do is i examine the

1934

01:08:44,870 --> 01:08:42,719

case to the field investigators have

1935

01:08:46,390 --> 01:08:44,880

finished and examine the examine the

1936

01:08:47,669 --> 01:08:46,400

data

1937

01:08:50,149 --> 01:08:47,679

i said but i told him i haven't done a

1938

01:08:53,189 --> 01:08:50,159

field investigation for eight years

1939

01:08:56,390 --> 01:08:53,199

and i'm pretty uh

1940

01:08:57,669 --> 01:08:56,400

firm about what titles are what uh what

1941

01:08:59,430 --> 01:08:57,679

title somebody will use when they

1942

01:09:00,870 --> 01:08:59,440

describe me and field investigator is

1943

01:09:01,990 --> 01:09:00,880

not one of them

1944

01:09:05,030 --> 01:09:02,000

not at all

1945

01:09:05,990 --> 01:09:05,040

the only the one that bothers me is ufo

1946

01:09:08,070 --> 01:09:06,000

expert

1947

01:09:09,669 --> 01:09:08,080

to me that's an oxymoron like how could

1948

01:09:12,950 --> 01:09:09,679

it be how could you be an expert in

1949

01:09:15,669 --> 01:09:12,960

enigma a problem that is not solved that

1950

01:09:17,269 --> 01:09:15,679

remains unidentified unexplained how can

1951

01:09:18,950 --> 01:09:17,279

you be an expert you can be an expert in

1952

01:09:20,630 --> 01:09:18,960

the data

1953

01:09:21,749 --> 01:09:20,640

but usually when i think of the word

1954

01:09:23,349 --> 01:09:21,759

expert i'll think of somebody who

1955

01:09:25,189 --> 01:09:23,359

actually has answers

1956

01:09:27,189 --> 01:09:25,199

and nobody has any answers to this to

1957

01:09:29,749 --> 01:09:27,199

this problem so

1958

01:09:31,669 --> 01:09:29,759

those two terms really bugged me

1959

01:09:35,590 --> 01:09:31,679

that's just a random i apologize yeah i

1960

01:09:37,349 --> 01:09:35,600

can imagine i i don't i don't know i i

1961

01:09:39,349 --> 01:09:37,359

just assumed that you were a researcher

1962

01:09:41,829 --> 01:09:39,359

i didn't really dig too deep into like

1963

01:09:43,829 --> 01:09:41,839

what to call you or you know but you

1964

01:09:45,910 --> 01:09:43,839

know you're definitely a researcher that

1965

01:09:49,189 --> 01:09:45,920

is more interested in the historical

1966

01:09:51,910 --> 01:09:49,199

perspective and in facts and figures and

1967

01:09:54,229 --> 01:09:51,920

documentation and credibility of the

1968

01:09:55,590 --> 01:09:54,239

cases not just

1969

01:09:58,390 --> 01:09:55,600

in other words you're not a [h__\h]

1970

01:10:01,750 --> 01:09:58,400

salesman so there's a badge of honor

1971

01:10:03,270 --> 01:10:01,760

everybody's heard it here first

1972

01:10:05,669 --> 01:10:03,280

you are definitely not a [h__\h]

1973

01:10:08,470 --> 01:10:05,679

salesman and i like i said we've been

1974

01:10:10,790 --> 01:10:08,480

spending a lot of time here on our show

1975

01:10:12,709 --> 01:10:10,800

debunking [h__\h] salesmen

1976

01:10:15,189 --> 01:10:12,719

so you know it's good that we have

1977

01:10:18,149 --> 01:10:15,199

people like you also out there trying to

1978

01:10:19,830 --> 01:10:18,159

get to some form of truth

1979

01:10:20,790 --> 01:10:19,840

i appreciate that you know yeah it's

1980

01:10:22,390 --> 01:10:20,800

just

1981

01:10:25,110 --> 01:10:22,400

i'm looking for answers

1982

01:10:25,990 --> 01:10:25,120

i'm i'm very comfortable saying i don't

1983

01:10:31,030 --> 01:10:26,000

know

1984

01:10:32,390 --> 01:10:31,040

case let me do some research and get

1985

01:10:33,830 --> 01:10:32,400

back to you

1986

01:10:35,910 --> 01:10:33,840

people will ask me why

1987

01:10:37,590 --> 01:10:35,920

my take on the case and if i don't know

1988

01:10:38,790 --> 01:10:37,600

enough about it i won't give them a take

1989

01:10:40,950 --> 01:10:38,800

i'll say you know

1990

01:10:43,110 --> 01:10:40,960

i don't know i will do some research i'm

1991

01:10:45,750 --> 01:10:43,120

not going to give you an uninformed

1992

01:10:47,590 --> 01:10:45,760

opinion sure i will not do that

1993

01:10:49,669 --> 01:10:47,600

that that

1994

01:10:51,430 --> 01:10:49,679

as a researcher it believes me to really

1995

01:10:53,669 --> 01:10:51,440

know what i'm talking about if i if i'm

1996

01:10:55,590 --> 01:10:53,679

not versed in a certain case

1997

01:10:58,550 --> 01:10:55,600

i'm not going to make it my opinion no

1998

01:10:59,990 --> 01:10:58,560

because i don't have one yeah it's kind

1999

01:11:01,669 --> 01:11:00,000

of like you know it's kind of like most

2000

01:11:03,510 --> 01:11:01,679

people though they don't want to say i

2001

01:11:05,189 --> 01:11:03,520

don't know you know it's like you ever

2002

01:11:06,550 --> 01:11:05,199

been to a doctor and they don't know

2003

01:11:08,149 --> 01:11:06,560

what's wrong with you

2004

01:11:10,149 --> 01:11:08,159

they'll just keep guessing they're not

2005

01:11:13,189 --> 01:11:10,159

going to say oh yeah they're never going

2006

01:11:14,470 --> 01:11:13,199

to say i don't know you know

2007

01:11:15,750 --> 01:11:14,480

yeah you know and the other thing that

2008

01:11:18,070 --> 01:11:15,760

happens is people that are interested in

2009

01:11:19,110 --> 01:11:18,080

ufos they're afraid to ask questions

2010

01:11:20,870 --> 01:11:19,120

uh

2011

01:11:22,709 --> 01:11:20,880

when i grew up going to high school

2012

01:11:23,990 --> 01:11:22,719

college here in texas said

2013

01:11:25,669 --> 01:11:24,000

there's no such thing as a stupid

2014

01:11:27,270 --> 01:11:25,679

question if you don't know

2015

01:11:28,470 --> 01:11:27,280

the only way to find out is to ask

2016

01:11:30,310 --> 01:11:28,480

questions

2017

01:11:32,149 --> 01:11:30,320

but people in this community are

2018

01:11:33,270 --> 01:11:32,159

they're very uncomfortable in meeting

2019

01:11:34,630 --> 01:11:33,280

they don't know

2020

01:11:36,709 --> 01:11:34,640

i don't know why i don't know that's

2021

01:11:39,669 --> 01:11:36,719

human nature i don't know if that's a

2022

01:11:41,510 --> 01:11:39,679

statement on society in general but

2023

01:11:43,350 --> 01:11:41,520

we all need to know our stuff we all

2024

01:11:45,189 --> 01:11:43,360

need to be able to look at it look at

2025

01:11:46,950 --> 01:11:45,199

the information objectively and if we

2026

01:11:50,310 --> 01:11:46,960

don't have the

2027

01:11:52,070 --> 01:11:50,320

uh information at hand go find it

2028

01:11:53,830 --> 01:11:52,080

and and then

2029

01:11:55,350 --> 01:11:53,840

find out if it's the legitimate

2030

01:11:57,270 --> 01:11:55,360

information um

2031

01:11:59,430 --> 01:11:57,280

and if if it's not part of our field of

2032

01:12:01,590 --> 01:11:59,440

expertise then seek out individuals that

2033

01:12:04,229 --> 01:12:01,600

have that perspective i mean i can't

2034

01:12:05,430 --> 01:12:04,239

imagine investigating a case that

2035

01:12:06,630 --> 01:12:05,440

involves

2036

01:12:09,189 --> 01:12:06,640

let's say

2037

01:12:11,189 --> 01:12:09,199

high-level military documentation

2038

01:12:12,070 --> 01:12:11,199

and putting out my point of view on it

2039

01:12:14,229 --> 01:12:12,080

because

2040

01:12:15,669 --> 01:12:14,239

one i'm not an expert in military

2041

01:12:17,910 --> 01:12:15,679

documents

2042

01:12:19,510 --> 01:12:17,920

i went to college as an engineer

2043

01:12:22,310 --> 01:12:19,520

military documents is not my point of

2044

01:12:25,030 --> 01:12:22,320

view that's not my expertise therefore

2045

01:12:26,149 --> 01:12:25,040

i'm going to seek out somebody who knows

2046

01:12:32,390 --> 01:12:26,159

that

2047

01:12:34,070 --> 01:12:32,400

exactly what i do

2048

01:12:36,390 --> 01:12:34,080

you know like you know if i don't know i

2049

01:12:38,070 --> 01:12:36,400

got to find somebody that does you know

2050

01:12:40,149 --> 01:12:38,080

like you know because they feel better

2051
01:12:41,350 --> 01:12:40,159
peterson investigation and he's claiming

2052
01:12:44,870 --> 01:12:41,360
that he worked for the russian

2053
01:12:46,950 --> 01:12:44,880
equivalent of nasa and so that

2054
01:12:50,149 --> 01:12:46,960
investigating that i go well i don't

2055
01:12:50,870 --> 01:12:50,159
know anything about the russians went

2056
01:12:52,870 --> 01:12:50,880
so

2057
01:12:54,950 --> 01:12:52,880
it's funny i called the russian embassy

2058
01:12:57,590 --> 01:12:54,960
and asked them if there was somebody

2059
01:12:58,470 --> 01:12:57,600
that is you know knowledgeable about the

2060
01:13:00,790 --> 01:12:58,480
russian

2061
01:13:02,390 --> 01:13:00,800
space program in its history who could

2062
01:13:04,310 --> 01:13:02,400
check this person's claims they got me

2063
01:13:06,709 --> 01:13:04,320

in touch with a guy who was a world

2064

01:13:08,310 --> 01:13:06,719

renowned expert on all the history of

2065

01:13:12,149 --> 01:13:08,320

russia

2066

01:13:13,830 --> 01:13:12,159

uh

2067

01:13:15,270 --> 01:13:13,840

you know took a couple days to get back

2068

01:13:16,950 --> 01:13:15,280

to me because he wanted to be sure but

2069

01:13:19,350 --> 01:13:16,960

called me back and said this person has

2070

01:13:21,750 --> 01:13:19,360

never ever worked for any russian space

2071

01:13:24,070 --> 01:13:21,760

agency that i have found in any archive

2072

01:13:25,590 --> 01:13:24,080

anywhere and we have documents going

2073

01:13:29,590 --> 01:13:25,600

back you know

2074

01:13:31,030 --> 01:13:29,600

60 years you know 70 years

2075

01:13:32,950 --> 01:13:31,040

yeah that's what we need to do and

2076

01:13:34,470 --> 01:13:32,960

though you also think there's like i

2077

01:13:37,110 --> 01:13:34,480

also think that there's some kind of

2078

01:13:38,550 --> 01:13:37,120

weird cult like group dynamic going on

2079

01:13:41,110 --> 01:13:38,560

sometimes with some of this stuff and

2080

01:13:44,070 --> 01:13:41,120

like nobody wants to stand up and say

2081

01:13:45,590 --> 01:13:44,080

this guy is full of [h__h] and here's why

2082

01:13:47,110 --> 01:13:45,600

and i kind of reached a point where like

2083

01:13:49,350 --> 01:13:47,120

i'm not gonna be afraid to do that

2084

01:13:51,430 --> 01:13:49,360

anymore like i'm not just gonna go

2085

01:13:53,430 --> 01:13:51,440

around calling people [h__h] artists

2086

01:13:55,030 --> 01:13:53,440

but if i have evidence and proof that

2087

01:13:57,590 --> 01:13:55,040

proves that all their claims are

2088

01:14:01,750 --> 01:13:57,600

fraudulent and fake then i'm gonna say

2089

01:14:04,229 --> 01:14:01,760

that like and here's why you know yeah

2090

01:14:06,709 --> 01:14:04,239

you know you have to otherwise

2091

01:14:09,430 --> 01:14:06,719

the perception of the ufo community

2092

01:14:10,310 --> 01:14:09,440

one is that we practice pseudoscience

2093

01:14:11,510 --> 01:14:10,320

two

2094

01:14:13,990 --> 01:14:11,520

is that

2095

01:14:15,830 --> 01:14:14,000

we're populated by charlatans and liars

2096

01:14:18,709 --> 01:14:15,840

and hoaxers

2097

01:14:20,950 --> 01:14:18,719

and both those scenarios are true

2098

01:14:22,709 --> 01:14:20,960

therefore

2099

01:14:23,910 --> 01:14:22,719

individuals if we practice science if

2100

01:14:26,310 --> 01:14:23,920

there are individuals that practice

2101
01:14:28,149 --> 01:14:26,320
science they're not trying to hoax

2102
01:14:30,149 --> 01:14:28,159
people they're telling the truth to have

2103
01:14:32,390 --> 01:14:30,159
some level of integrity

2104
01:14:34,550 --> 01:14:32,400
those people have to stand up and say

2105
01:14:36,390 --> 01:14:34,560
you know this case is not legitimate

2106
01:14:38,550 --> 01:14:36,400
this researcher is not practicing

2107
01:14:40,630 --> 01:14:38,560
science this person is lying to the

2108
01:14:43,590 --> 01:14:40,640
public this person whatever the case may

2109
01:14:44,790 --> 01:14:43,600
be otherwise it's that kind of

2110
01:14:46,310 --> 01:14:44,800
behavior

2111
01:14:48,550 --> 01:14:46,320
hoaxing

2112
01:14:51,590 --> 01:14:48,560
charlatanism if that's a term if that

2113
01:14:53,669 --> 01:14:51,600

kind of scenario is is uh maintained in

2114

01:14:55,270 --> 01:14:53,679

the ufo community it makes us all look

2115

01:14:57,430 --> 01:14:55,280

bad

2116

01:14:59,590 --> 01:14:57,440

and will never be taken seriously

2117

01:15:01,430 --> 01:14:59,600

specifically by the by the uh

2118

01:15:03,350 --> 01:15:01,440

scientific community

2119

01:15:05,750 --> 01:15:03,360

um but until we start

2120

01:15:07,910 --> 01:15:05,760

until we become objective and grounded

2121

01:15:10,390 --> 01:15:07,920

and common sense and we we apply some

2122

01:15:12,790 --> 01:15:10,400

level of critical thinking we won't be

2123

01:15:15,510 --> 01:15:12,800

taken seriously i mean oh god critical

2124

01:15:17,830 --> 01:15:15,520

thinking is not used at all

2125

01:15:18,950 --> 01:15:17,840

when it comes to ufos except for set by

2126

01:15:21,350 --> 01:15:18,960

a few

2127

01:15:23,030 --> 01:15:21,360

individuals it really isn't and and

2128

01:15:25,990 --> 01:15:23,040

those individuals don't make the news

2129

01:15:27,750 --> 01:15:26,000

because they're not

2130

01:15:29,990 --> 01:15:27,760

embracing everything yeah that's so

2131

01:15:31,430 --> 01:15:30,000

sensational i heard a quote recently

2132

01:15:33,830 --> 01:15:31,440

that i thought was really funny somebody

2133

01:15:36,630 --> 01:15:33,840

said that the ufo community is filled

2134

01:15:40,550 --> 01:15:36,640

with frauds fakes hoaxers and liars and

2135

01:15:44,310 --> 01:15:42,390

yeah

2136

01:15:46,229 --> 01:15:44,320

they may be a bit harsh but

2137

01:15:47,990 --> 01:15:46,239

in a general way that can't they can

2138

01:15:49,830 --> 01:15:48,000

that can be considered as true yeah

2139

01:15:51,590 --> 01:15:49,840

there are a lot of hoaxers a lot a lot

2140

01:15:52,950 --> 01:15:51,600

of trolls in this in this community

2141

01:15:54,070 --> 01:15:52,960

there are a lot of

2142

01:15:55,350 --> 01:15:54,080

um

2143

01:15:57,430 --> 01:15:55,360

and i don't want to come off as being

2144

01:15:59,510 --> 01:15:57,440

too negative there are some great people

2145

01:16:01,110 --> 01:15:59,520

in this community

2146

01:16:02,790 --> 01:16:01,120

i should say that so yeah there are some

2147

01:16:04,790 --> 01:16:02,800

really really good people it's just that

2148

01:16:06,390 --> 01:16:04,800

you have to you have to learn who those

2149

01:16:09,110 --> 01:16:06,400

people are before you

2150

01:16:12,149 --> 01:16:09,120

lend them your ears so much

2151

01:16:13,030 --> 01:16:12,159

yeah and and as a general

2152

01:16:14,310 --> 01:16:13,040

now

2153

01:16:17,030 --> 01:16:14,320

we're both going to get emails about

2154

01:16:18,390 --> 01:16:17,040

this chapter after this broadcast but in

2155

01:16:20,310 --> 01:16:18,400

a general way

2156

01:16:21,910 --> 01:16:20,320

the individuals you don't hear about on

2157

01:16:24,229 --> 01:16:21,920

a consistent basis

2158

01:16:25,669 --> 01:16:24,239

are the ones that are more grounded

2159

01:16:27,189 --> 01:16:25,679

because they're not at every conference

2160

01:16:29,510 --> 01:16:27,199

they're not at every

2161

01:16:30,790 --> 01:16:29,520

podcast or every so

2162

01:16:32,870 --> 01:16:30,800

they're not pushing their books they're

2163

01:16:35,030 --> 01:16:32,880

not pushing the document documentary and

2164

01:16:36,870 --> 01:16:35,040

i use that term very loosely

2165

01:16:38,390 --> 01:16:36,880

they're doing their work quietly and

2166

01:16:40,070 --> 01:16:38,400

they're objective and they have

2167

01:16:41,430 --> 01:16:40,080

integrity and

2168

01:16:43,110 --> 01:16:41,440

that's it

2169

01:16:44,709 --> 01:16:43,120

but you don't hear about that very often

2170

01:16:46,229 --> 01:16:44,719

yeah i also think that the people that

2171

01:16:47,830 --> 01:16:46,239

are that grounded their stuff just

2172

01:16:50,630 --> 01:16:47,840

doesn't sell as well it's not a

2173

01:16:53,350 --> 01:16:50,640

sensational of the story no that's true

2174

01:16:55,590 --> 01:16:53,360

yeah it's a little bit more cerebral to

2175

01:16:58,470 --> 01:16:55,600

dig into all these documents and you

2176

01:17:00,870 --> 01:16:58,480

know find actual evidence it's not so

2177

01:17:03,270 --> 01:17:00,880

sensational some people are just

2178

01:17:04,870 --> 01:17:03,280

it just strikes me as like bad science

2179

01:17:06,390 --> 01:17:04,880

fiction stories people go to these

2180

01:17:08,229 --> 01:17:06,400

conferences they listen to somebody tell

2181

01:17:10,470 --> 01:17:08,239

this bad science fiction story they made

2182

01:17:13,669 --> 01:17:10,480

up that they're presenting is factual

2183

01:17:17,990 --> 01:17:16,790

i i can think of uh well let's see some

2184

01:17:19,189 --> 01:17:18,000

names uh

2185

01:17:21,030 --> 01:17:19,199

um

2186

01:17:24,310 --> 01:17:21,040

i can't recall the last time i i saw

2187

01:17:26,870 --> 01:17:24,320

kevin randall at a ufo conference

2188

01:17:28,550 --> 01:17:26,880

no it wasn't very incredible

2189

01:17:30,870 --> 01:17:28,560

yeah um

2190

01:17:32,870 --> 01:17:30,880

i was thinking of uh

2191

01:17:36,390 --> 01:17:32,880

robert powell who worked for years for

2192

01:17:40,470 --> 01:17:36,400

mufon and now mufon has kind of gone

2193

01:17:42,790 --> 01:17:40,480

become kind of a glorified cult he left

2194

01:17:45,669 --> 01:17:42,800

you'll hear him they they bail they are

2195

01:17:47,750 --> 01:17:45,679

not willing to be part of a

2196

01:17:49,750 --> 01:17:47,760

organization like that um

2197

01:17:52,630 --> 01:17:49,760

uh rich hoffman same thing they left

2198

01:17:53,910 --> 01:17:52,640

when the situation became

2199

01:17:55,350 --> 01:17:53,920

indefensible

2200

01:17:56,470 --> 01:17:55,360

they left because they have a level of

2201
01:17:59,189 --> 01:17:56,480
integrity

2202
01:18:01,430 --> 01:17:59,199
uh jim clarkson same thing left

2203
01:18:02,470 --> 01:18:01,440
uh erica luce she left

2204
01:18:04,149 --> 01:18:02,480
uh and

2205
01:18:06,070 --> 01:18:04,159
do i align myself with all those

2206
01:18:07,189 --> 01:18:06,080
individuals no they have different

2207
01:18:08,709 --> 01:18:07,199
different different points of view

2208
01:18:10,229 --> 01:18:08,719
different positions

2209
01:18:12,870 --> 01:18:10,239
but

2210
01:18:15,669 --> 01:18:12,880
when you're part of an organization

2211
01:18:17,590 --> 01:18:15,679
that has the issues that move on has

2212
01:18:19,350 --> 01:18:17,600
uh if you stay in the organization on

2213
01:18:21,510 --> 01:18:19,360

some level that's an endorsement of

2214

01:18:23,430 --> 01:18:21,520

what's happening

2215

01:18:24,390 --> 01:18:23,440

uh you're comfortable with what's going

2216

01:18:27,030 --> 01:18:24,400

on

2217

01:18:29,030 --> 01:18:27,040

uh if you have a high level of integrity

2218

01:18:32,070 --> 01:18:29,040

and things are going on

2219

01:18:34,630 --> 01:18:32,080

uh in that organization

2220

01:18:36,870 --> 01:18:34,640

your integrity demands that you leave

2221

01:18:37,990 --> 01:18:36,880

sure otherwise yeah that's the way it

2222

01:18:39,350 --> 01:18:38,000

works

2223

01:18:40,709 --> 01:18:39,360

but those individuals you don't hear

2224

01:18:42,470 --> 01:18:40,719

from them very often because they're not

2225

01:18:43,990 --> 01:18:42,480

selling a book they're not trying to

2226

01:18:45,830 --> 01:18:44,000
glorify their they're not trying to

2227

01:18:47,430 --> 01:18:45,840
further their own agenda

2228

01:18:49,189 --> 01:18:47,440
because they have integrity

2229

01:18:51,030 --> 01:18:49,199
and so there are lots of people like

2230

01:18:53,189 --> 01:18:51,040
that in the community but the ones that

2231

01:18:55,189 --> 01:18:53,199
make the news are the ones selling

2232

01:18:57,830 --> 01:18:55,199
something

2233

01:18:59,110 --> 01:18:57,840
yeah so

2234

01:19:02,149 --> 01:18:59,120
um

2235

01:19:04,070 --> 01:19:02,159
yeah it's crazy and this perception that

2236

01:19:05,350 --> 01:19:04,080
there's money in the ufo committee

2237

01:19:07,510 --> 01:19:05,360
there's money to be made well yeah

2238

01:19:09,830 --> 01:19:07,520

there's only there's money to be made i

2239

01:19:11,430 --> 01:19:09,840

mean i was speaking at a conference it's

2240

01:19:13,350 --> 01:19:11,440

paranormally it's a paranormal

2241

01:19:14,630 --> 01:19:13,360

conference it's not ufo specific but

2242

01:19:15,750 --> 01:19:14,640

it's happening here in san antonio in

2243

01:19:16,790 --> 01:19:15,760

september

2244

01:19:18,550 --> 01:19:16,800

and

2245

01:19:21,110 --> 01:19:18,560

i made a point of telling the organize

2246

01:19:23,830 --> 01:19:21,120

or the organizers now you realize i'm

2247

01:19:25,830 --> 01:19:23,840

donating my time

2248

01:19:27,669 --> 01:19:25,840

and they were willing to pay me for my

2249

01:19:30,149 --> 01:19:27,679

time i said no

2250

01:19:34,310 --> 01:19:30,159

no that is not going to happen

2251

01:19:35,910 --> 01:19:34,320

because i do not i will not accept

2252

01:19:38,390 --> 01:19:35,920

money for appearing in the ufo

2253

01:19:39,350 --> 01:19:38,400

conference no i won't that's a personal

2254

01:19:41,590 --> 01:19:39,360

choice

2255

01:19:43,669 --> 01:19:41,600

but i do not want to give the illusion

2256

01:19:46,310 --> 01:19:43,679

of having

2257

01:19:48,070 --> 01:19:46,320

somehow lost my integrity or

2258

01:19:49,590 --> 01:19:48,080

the illusion that while william pulling

2259

01:19:51,350 --> 01:19:49,600

the period of that conference the

2260

01:19:52,550 --> 01:19:51,360

motivation is money

2261

01:19:58,390 --> 01:19:52,560

no

2262

01:20:00,229 --> 01:19:58,400

like

2263

01:20:01,910 --> 01:20:00,239

some of the some of the things is all

2264

01:20:03,590 --> 01:20:01,920

about the money so that's a good way of

2265

01:20:05,669 --> 01:20:03,600

putting things off like look i don't

2266

01:20:08,390 --> 01:20:05,679

have any other motivation here i don't

2267

01:20:10,470 --> 01:20:08,400

have an ulterior motive called money

2268

01:20:11,510 --> 01:20:10,480

and yeah good for you for doing that you

2269

01:20:13,189 --> 01:20:11,520

know

2270

01:20:14,390 --> 01:20:13,199

it's funny there's

2271

01:20:15,750 --> 01:20:14,400

right now there's three other speakers

2272

01:20:17,910 --> 01:20:15,760

that are going to appear

2273

01:20:20,709 --> 01:20:17,920

another which are ufo related they're

2274

01:20:22,870 --> 01:20:20,719

all paranormal they're more paranormal

2275

01:20:24,550 --> 01:20:22,880

uh there's the subject matter of their

2276

01:20:26,390 --> 01:20:24,560

of their lectures will be more

2277

01:20:28,310 --> 01:20:26,400

paranormally slanted

2278

01:20:30,790 --> 01:20:28,320

and i can guarantee that

2279

01:20:33,030 --> 01:20:30,800

uh my table will be the least busy at

2280

01:20:36,310 --> 01:20:33,040

that conference

2281

01:20:40,870 --> 01:20:38,709

people are going to go to the

2282

01:20:42,229 --> 01:20:40,880

more exotic

2283

01:20:44,070 --> 01:20:42,239

out there

2284

01:20:47,750 --> 01:20:44,080

non-scientific

2285

01:20:48,870 --> 01:20:47,760

subject matter uh i'm too grounded i'm

2286

01:20:50,790 --> 01:20:48,880

too

2287

01:20:52,870 --> 01:20:50,800

boring because i'm

2288

01:20:54,709 --> 01:20:52,880

uh skeptical on some level

2289

01:20:56,790 --> 01:20:54,719

so my table will not be very crowded at

2290

01:20:58,709 --> 01:20:56,800

all yeah it's like i don't know if they

2291

01:20:59,830 --> 01:20:58,719

had that when you were a kid but we had

2292

01:21:01,510 --> 01:20:59,840

something like you know like the

2293

01:21:03,030 --> 01:21:01,520

national enquirer of the world weekly

2294

01:21:04,950 --> 01:21:03,040

news like you know

2295

01:21:07,030 --> 01:21:04,960

it's got me pregnant and

2296

01:21:09,030 --> 01:21:07,040

you know those sensational crazy stories

2297

01:21:10,149 --> 01:21:09,040

and that's what people want it's it's

2298

01:21:14,950 --> 01:21:10,159

what i call

2299

01:21:17,430 --> 01:21:14,960

i call it like you won't give me up your

2300

01:21:19,590 --> 01:21:17,440

guys entertainment here there's nothing

2301

01:21:21,510 --> 01:21:19,600

there's nothing valid or good or you

2302

01:21:23,669 --> 01:21:21,520

know there's nothing meaningful here

2303

01:21:25,590 --> 01:21:23,679

there's nothing of value

2304

01:21:27,590 --> 01:21:25,600

past yeah

2305

01:21:28,629 --> 01:21:27,600

if there is it's surrounded by all this

2306

01:21:29,430 --> 01:21:28,639

other stuff

2307

01:21:30,310 --> 01:21:29,440

so

2308

01:21:31,990 --> 01:21:30,320

uh

2309

01:21:33,590 --> 01:21:32,000

yeah yeah you're right there you vote

2310

01:21:35,030 --> 01:21:33,600

and that's yeah that's a that's a word

2311

01:21:36,550 --> 01:21:35,040

that's thrown around a lot that's a

2312

01:21:37,830 --> 01:21:36,560

horrible situation but that's that's

2313

01:21:39,750 --> 01:21:37,840

where we're at

2314

01:21:42,310 --> 01:21:39,760

a lot of this stuff is you voting it's

2315

01:21:43,669 --> 01:21:42,320

it's an effort to sell books sell

2316

01:21:46,870 --> 01:21:43,679

conference tickets

2317

01:21:48,950 --> 01:21:46,880

and to to keep

2318

01:21:50,629 --> 01:21:48,960

keep yourself in the limelight

2319

01:21:53,270 --> 01:21:50,639

as opposed to

2320

01:21:55,350 --> 01:21:53,280

legitimately looking for information on

2321

01:21:56,629 --> 01:21:55,360

this problem and trying to find some

2322

01:21:58,870 --> 01:21:56,639

answers

2323

01:22:02,870 --> 01:21:58,880

so it sounds people yeah infotainment

2324

01:22:06,310 --> 01:22:04,149

you know

2325

01:22:07,910 --> 01:22:06,320

well what is what the other thing i

2326

01:22:10,790 --> 01:22:07,920

wanted to ask you is what is it that

2327

01:22:13,270 --> 01:22:10,800

you've been up to recently and can you

2328

01:22:15,590 --> 01:22:13,280

tell people about your facebook page and

2329

01:22:17,270 --> 01:22:15,600

this that you started doing these new

2330

01:22:18,950 --> 01:22:17,280

like commentaries can you tell my

2331

01:22:20,070 --> 01:22:18,960

audience about that and where to find

2332

01:22:21,830 --> 01:22:20,080

you

2333

01:22:25,189 --> 01:22:21,840

oh yes

2334

01:22:27,110 --> 01:22:25,199

well um

2335

01:22:27,990 --> 01:22:27,120

yeah i appreciate that you're very kind

2336

01:22:30,310 --> 01:22:28,000

um

2337

01:22:33,590 --> 01:22:30,320

well you know after after my ill-advised

2338

01:22:35,510 --> 01:22:33,600

uh attempts to do research

2339

01:22:36,950 --> 01:22:35,520

to do field research with mufon and

2340

01:22:38,950 --> 01:22:36,960

another group

2341

01:22:41,350 --> 01:22:38,960

uh here in san antonio

2342

01:22:43,990 --> 01:22:41,360

i established my own personal blog on

2343

01:22:45,350 --> 01:22:44,000

february 4th it's called cleverly

2344

01:22:46,550 --> 01:22:45,360

william poland

2345

01:22:48,310 --> 01:22:46,560

it's where i

2346

01:22:49,669 --> 01:22:48,320

basically vocalize my thoughts and

2347

01:22:51,750 --> 01:22:49,679

opinions on

2348

01:22:53,350 --> 01:22:51,760

everything ufo related whether it's a

2349

01:22:54,790 --> 01:22:53,360

case or

2350

01:22:57,270 --> 01:22:54,800

the community

2351

01:22:59,189 --> 01:22:57,280

it's very subjective it's very personal

2352

01:23:01,189 --> 01:22:59,199

you can find me there on that page or

2353

01:23:02,470 --> 01:23:01,199

you can find my ufo interactive group

2354

01:23:05,350 --> 01:23:02,480

which is called

2355

01:23:07,350 --> 01:23:05,360

uh you for real and historical review

2356

01:23:08,790 --> 01:23:07,360

that's an objective look at what's been

2357

01:23:11,350 --> 01:23:08,800

reported

2358

01:23:13,430 --> 01:23:11,360

uh i do not advocate any points of view

2359

01:23:15,669 --> 01:23:13,440

or any positions in the group

2360

01:23:18,950 --> 01:23:15,679

it's simply the data and i let them i'll

2361

01:23:21,590 --> 01:23:18,960

let the members decide what they believe

2362

01:23:23,270 --> 01:23:21,600

but that group is subject to

2363

01:23:25,430 --> 01:23:23,280

seven or eight

2364

01:23:27,430 --> 01:23:25,440

uh important rules

2365

01:23:29,830 --> 01:23:27,440

that keep the group cordial and

2366

01:23:32,470 --> 01:23:29,840

objective as opposed to the rest of

2367

01:23:35,669 --> 01:23:32,480

social media which is pretty

2368

01:23:37,189 --> 01:23:35,679

it's pretty much a free-for-all so yeah

2369

01:23:39,830 --> 01:23:37,199

and i have to say that your group is

2370

01:23:41,510 --> 01:23:39,840

very fair and that when people post

2371

01:23:42,629 --> 01:23:41,520

as long as it's relevant to the group

2372

01:23:45,430 --> 01:23:42,639

and uh

2373

01:23:48,310 --> 01:23:45,440

and and you know then those posts are

2374

01:23:49,510 --> 01:23:48,320

posted because i i was on some other ufo

2375

01:23:52,470 --> 01:23:49,520

group that's like

2376

01:23:55,189 --> 01:23:52,480

some kind of news network for ufos

2377

01:23:57,750 --> 01:23:55,199

and i every time i would post there like

2378

01:23:59,750 --> 01:23:57,760

my posts never made it through

2379

01:24:00,950 --> 01:23:59,760

you know like the administrator or

2380

01:24:02,550 --> 01:24:00,960

whoever

2381

01:24:04,790 --> 01:24:02,560

you know page admin would just delete

2382

01:24:07,510 --> 01:24:04,800

the post and i was posting up news

2383

01:24:09,189 --> 01:24:07,520

articles i was posting links to my show

2384

01:24:12,310 --> 01:24:09,199

then you come to find out that that

2385

01:24:15,189 --> 01:24:12,320

whole group with like 60 000 members it

2386

01:24:17,910 --> 01:24:15,199

was a con it was just a group for this

2387

01:24:20,790 --> 01:24:17,920

person that has a podcast and his

2388

01:24:22,310 --> 01:24:20,800

podcast is heavily promoted there but

2389

01:24:23,270 --> 01:24:22,320

nobody else is allowed to post in there

2390

01:24:25,990 --> 01:24:23,280

even though it's supposed to be about

2391

01:24:27,990 --> 01:24:26,000

ufo news which is to me

2392

01:24:31,270 --> 01:24:28,000

there's another there's another can of

2393

01:24:33,030 --> 01:24:31,280

ufo [h__\h] for you you know

2394

01:24:34,709 --> 01:24:33,040

yeah it is i mean

2395

01:24:37,030 --> 01:24:34,719

um i mean

2396

01:24:39,750 --> 01:24:37,040

my in my you for real group there's only

2397

01:24:41,510 --> 01:24:39,760

two admins myself and another young

2398

01:24:44,070 --> 01:24:41,520

woman i just started working with

2399

01:24:45,430 --> 01:24:44,080

so i keep i do all the posts but i

2400

01:24:47,830 --> 01:24:45,440

encourage a lot of interaction and

2401

01:24:51,110 --> 01:24:47,840

commentary on my blog

2402

01:24:52,950 --> 01:24:51,120

is where i advertise for other

2403

01:24:55,510 --> 01:24:52,960

like-minded individuals when i call

2404

01:24:58,470 --> 01:24:55,520

people out it's much more open to

2405

01:25:01,430 --> 01:24:58,480

individuals contributing there in a i

2406

01:25:02,629 --> 01:25:01,440

guess a non-commentary way so but um

2407

01:25:04,229 --> 01:25:02,639

yeah there's a lot of groups out there

2408

01:25:05,910 --> 01:25:04,239

that just simply they clearly have an

2409

01:25:07,270 --> 01:25:05,920

agenda and my girl has an agenda my

2410

01:25:13,910 --> 01:25:07,280

agenda is

2411

01:25:15,830 --> 01:25:13,920

look at this problem without without

2412

01:25:17,910 --> 01:25:15,840

advocating my own personal

2413

01:25:20,709 --> 01:25:17,920

beliefs in it i mean it's kind of like a

2414

01:25:22,470 --> 01:25:20,719

journalistic standpoint approach is i'm

2415

01:25:25,189 --> 01:25:22,480

going to put out the data i'm going to

2416

01:25:27,510 --> 01:25:25,199

put out a summary of a case

2417

01:25:29,189 --> 01:25:27,520

what i think of what i think the

2418

01:25:32,229 --> 01:25:29,199

possible explanation

2419

01:25:34,790 --> 01:25:32,239

has no part of that what i think is is

2420

01:25:37,270 --> 01:25:34,800

not an issue i want the individuals the

2421

01:25:40,470 --> 01:25:37,280

members to think about the data and come

2422

01:25:41,830 --> 01:25:40,480

to their own conclusions about it um

2423

01:25:43,990 --> 01:25:41,840

but yeah there's a lot there's a lot of

2424

01:25:44,790 --> 01:25:44,000

bs out there where

2425

01:25:47,510 --> 01:25:44,800

the

2426

01:25:48,870 --> 01:25:47,520

groups and pages will

2427

01:25:52,310 --> 01:25:48,880

try to

2428

01:25:54,470 --> 01:25:52,320

advertise themselves as as whatever

2429

01:25:56,870 --> 01:25:54,480

but in reality it's a different thing

2430

01:25:59,270 --> 01:25:56,880

uh that happens a lot a lot

2431

01:26:02,390 --> 01:25:59,280

um i'm not i'm not a member of many ufo

2432

01:26:03,189 --> 01:26:02,400

groups and the ones i i am a member of i

2433

01:26:04,709 --> 01:26:03,199

never

2434

01:26:07,189 --> 01:26:04,719

contribute really i'm too busy with my

2435

01:26:08,550 --> 01:26:07,199

own stuff so um

2436

01:26:10,870 --> 01:26:08,560

but the group of the page is pretty much

2437

01:26:12,470 --> 01:26:10,880

what i do you know and now that i'm off

2438

01:26:14,149 --> 01:26:12,480

in the summertime i'll be

2439

01:26:16,550 --> 01:26:14,159

working more with that so

2440

01:26:17,750 --> 01:26:16,560

if i'm not online posting or writing a

2441

01:26:19,910 --> 01:26:17,760

blog

2442

01:26:22,070 --> 01:26:19,920

uh posting um

2443

01:26:24,070 --> 01:26:22,080

i'm reading a book or a paper or chasing

2444

01:26:25,030 --> 01:26:24,080

a photo something so

2445

01:26:27,030 --> 01:26:25,040

um

2446

01:26:29,510 --> 01:26:27,040

if it's not ufos it's

2447

01:26:31,350 --> 01:26:29,520

if i'm not working ufos i'm asleep

2448

01:26:33,510 --> 01:26:31,360

so that's kind of my life now yeah

2449

01:26:35,590 --> 01:26:33,520

you're definitely pretty into this stuff

2450

01:26:36,950 --> 01:26:35,600

which is why i wouldn't have you on

2451

01:26:39,270 --> 01:26:36,960

it's good to talk to somebody that

2452

01:26:40,870 --> 01:26:39,280

actually does actual real research and

2453

01:26:43,910 --> 01:26:40,880

has you know

2454

01:26:46,950 --> 01:26:43,920

critical thinking skills

2455

01:26:50,310 --> 01:26:46,960

that seems to be lacking you know

2456

01:26:54,070 --> 01:26:52,470

you and i are both pretty grounded

2457

01:26:55,830 --> 01:26:54,080

would we would we agree about every

2458

01:26:57,669 --> 01:26:55,840

single case of course not

2459

01:26:59,430 --> 01:26:57,679

but it's how we arrive there is what's

2460

01:27:01,910 --> 01:26:59,440

important i mean

2461

01:27:03,830 --> 01:27:01,920

you or i might have a different take on

2462

01:27:05,270 --> 01:27:03,840

on a certain case or a certain

2463

01:27:06,950 --> 01:27:05,280

researcher

2464

01:27:08,790 --> 01:27:06,960

uh but it wouldn't be from having

2465

01:27:10,709 --> 01:27:08,800

predisposed notions

2466

01:27:13,270 --> 01:27:10,719

it would be through

2467

01:27:15,830 --> 01:27:13,280

a somewhat objective look at the data

2468

01:27:17,590 --> 01:27:15,840

or some uh doing our homework background

2469

01:27:19,669 --> 01:27:17,600

checking our certain individual so we

2470

01:27:21,910 --> 01:27:19,679

would have arrived our position the

2471

01:27:23,030 --> 01:27:21,920

correct way unfortunately the ufo

2472

01:27:26,070 --> 01:27:23,040

community

2473

01:27:27,830 --> 01:27:26,080

individuals have their positions because

2474

01:27:30,229 --> 01:27:27,840

someone they like

2475

01:27:31,590 --> 01:27:30,239

had the same position or

2476

01:27:33,030 --> 01:27:31,600

they read a book somewhere and they

2477

01:27:35,590 --> 01:27:33,040

didn't bother checking the information

2478

01:27:37,270 --> 01:27:35,600

on the book is valid or they saw this

2479

01:27:39,110 --> 01:27:37,280

person at a conference and they liked

2480

01:27:39,990 --> 01:27:39,120

them so i'm going to like that case too

2481

01:27:42,709 --> 01:27:40,000

because

2482

01:27:45,350 --> 01:27:42,719

stan freeman liked it or or

2483

01:27:46,709 --> 01:27:45,360

corey good said this or whatever

2484

01:27:48,790 --> 01:27:46,719

that's not the way to arrive at your

2485

01:27:50,390 --> 01:27:48,800

position the way you arrive at your

2486

01:27:52,229 --> 01:27:50,400

position is do your homework

2487

01:27:54,310 --> 01:27:52,239

unfortunately that takes time and effort

2488

01:27:56,629 --> 01:27:54,320

and people don't do that

2489

01:27:57,750 --> 01:27:56,639

yeah yeah it's it's kind of funny too

2490

01:28:00,149 --> 01:27:57,760

like

2491

01:28:02,709 --> 01:28:00,159

stan freeman i had this pretty big huge

2492

01:28:04,950 --> 01:28:02,719

argument with him about bob lazar once

2493

01:28:06,229 --> 01:28:04,960

or twice uh like just personal

2494

01:28:09,270 --> 01:28:06,239

conversations

2495

01:28:11,990 --> 01:28:09,280

yeah on the phone and then as as i sort

2496

01:28:13,910 --> 01:28:12,000

of entered my awakening phase and went

2497

01:28:15,990 --> 01:28:13,920

you know i gotta look more into this you

2498

01:28:18,629 --> 01:28:16,000

know i'd call him and apologize and say

2499

01:28:20,709 --> 01:28:18,639

like and then he was really proud of the

2500

01:28:22,070 --> 01:28:20,719

things that i found that no one else had

2501
01:28:24,149 --> 01:28:22,080
found

2502
01:28:26,310 --> 01:28:24,159
you know and then it's just like this

2503
01:28:28,229 --> 01:28:26,320
guy pushed me in the right direction so

2504
01:28:30,470 --> 01:28:28,239
sometimes that could be good liking and

2505
01:28:33,270 --> 01:28:30,480
trusting a certain researcher like that

2506
01:28:35,270 --> 01:28:33,280
guy's so educated you know who am i to

2507
01:28:37,030 --> 01:28:35,280
tell him he's wrong you know

2508
01:28:37,830 --> 01:28:37,040
he's been out there in the field for you

2509
01:28:43,430 --> 01:28:37,840
know

2510
01:28:44,950 --> 01:28:43,440
so i had i had to go and apologize and

2511
01:28:47,189 --> 01:28:44,960
but like i said he was kind of like

2512
01:28:48,790 --> 01:28:47,199
really proud that i did that and i

2513
01:28:50,390 --> 01:28:48,800

showed him all the work that i did and i

2514

01:28:52,229 --> 01:28:50,400

sent him stuff and emails and here's

2515

01:28:54,550 --> 01:28:52,239

what i found and you know

2516

01:28:57,110 --> 01:28:54,560

and he and he said uh yeah good now that

2517

01:28:59,030 --> 01:28:57,120

you've looked into this and you know

2518

01:29:01,110 --> 01:28:59,040

done some critical thinking and actual

2519

01:29:02,629 --> 01:29:01,120

research you can draw a better

2520

01:29:04,629 --> 01:29:02,639

conclusion

2521

01:29:05,590 --> 01:29:04,639

but he didn't blame me for believing

2522

01:29:08,070 --> 01:29:05,600

there's a lot of people it's that

2523

01:29:09,430 --> 01:29:08,080

perspective you know i mean i i every

2524

01:29:12,149 --> 01:29:09,440

every year i'll go to roswell i talked

2525

01:29:13,990 --> 01:29:12,159

to don burleson who is a

2526
01:29:16,149 --> 01:29:14,000
university trained mathematician now

2527
01:29:18,950 --> 01:29:16,159
this is a guy who is

2528
01:29:21,590 --> 01:29:18,960
he he's so highly educated i love his

2529
01:29:22,450 --> 01:29:21,600
his numerically evidence-based approach

2530
01:29:23,669 --> 01:29:22,460
do you oppose

2531
01:29:26,149 --> 01:29:23,679
[Music]

2532
01:29:27,510 --> 01:29:26,159
he has a point of view that i need to i

2533
01:29:29,189 --> 01:29:27,520
love to gravitate toward that and get

2534
01:29:30,709 --> 01:29:29,199
his his take

2535
01:29:31,830 --> 01:29:30,719
uh i spend a lot of time with don smith

2536
01:29:33,990 --> 01:29:31,840
because don smith doesn't believe

2537
01:29:35,110 --> 01:29:34,000
everything that comes down to pike

2538
01:29:36,830 --> 01:29:35,120

um

2539

01:29:39,030 --> 01:29:36,840

everyone seems to think he believes

2540

01:29:41,910 --> 01:29:39,040

wholeheartedly roswell was an alien

2541

01:29:43,510 --> 01:29:41,920

spacecraft he's only like at 75

2542

01:29:45,270 --> 01:29:43,520

he's he's not

2543

01:29:46,870 --> 01:29:45,280

fully convinced

2544

01:29:48,390 --> 01:29:46,880

you know i i have a lot of respect for

2545

01:29:50,709 --> 01:29:48,400

him because when this roswell slide

2546

01:29:52,390 --> 01:29:50,719

thing came out a lot of people attacked

2547

01:29:54,470 --> 01:29:52,400

him and uh

2548

01:29:56,870 --> 01:29:54,480

you know for jumping on that bandwagon

2549

01:29:58,229 --> 01:29:56,880

but his defense was look we had these

2550

01:30:00,310 --> 01:29:58,239

experts

2551

01:30:02,950 --> 01:30:00,320

and we you know we kind of like pay the

2552

01:30:04,310 --> 01:30:02,960

experts look at this and they all came

2553

01:30:07,669 --> 01:30:04,320

to

2554

01:30:09,110 --> 01:30:07,679

bad conclusions and and then he

2555

01:30:11,830 --> 01:30:09,120

to his credit

2556

01:30:14,629 --> 01:30:11,840

said i was wrong i made a mistake on

2557

01:30:16,950 --> 01:30:14,639

that and i fully admit and and i

2558

01:30:18,870 --> 01:30:16,960

understand people are upset but here's

2559

01:30:21,430 --> 01:30:18,880

why i came to those conclusions he

2560

01:30:23,510 --> 01:30:21,440

didn't just double down you know he was

2561

01:30:24,950 --> 01:30:23,520

willing to say i made a mistake as far

2562

01:30:26,950 --> 01:30:24,960

as that goes yeah

2563

01:30:28,550 --> 01:30:26,960

that that said he has a huge deal i mean

2564

01:30:30,070 --> 01:30:28,560

uh peter robinson does the same thing

2565

01:30:31,990 --> 01:30:30,080

kevin randle does the same thing they

2566

01:30:34,070 --> 01:30:32,000

they they were able to admit that when

2567

01:30:36,229 --> 01:30:34,080

they're wrong and reapply themselves to

2568

01:30:38,070 --> 01:30:36,239

the research

2569

01:30:40,870 --> 01:30:38,080

that doesn't happen very often

2570

01:30:43,270 --> 01:30:40,880

not at all uh researchers and officers

2571

01:30:44,790 --> 01:30:43,280

rarely if ever admit when they're wrong

2572

01:30:46,229 --> 01:30:44,800

and the ones that do

2573

01:30:48,229 --> 01:30:46,239

i immediately think okay this is a

2574

01:30:50,149 --> 01:30:48,239

person with a high level of integrity

2575

01:30:52,390 --> 01:30:50,159

that is willing to

2576

01:30:53,830 --> 01:30:52,400

absorb the backlash and say you know i

2577

01:30:55,590 --> 01:30:53,840

was just wrong

2578

01:30:57,910 --> 01:30:55,600

it's time to move on it's time to

2579

01:30:59,590 --> 01:30:57,920

reapply yeah that's exactly what don

2580

01:31:03,990 --> 01:30:59,600

smith did he just kind of yeah he does

2581

01:31:07,189 --> 01:31:05,590

but i will say that when i heard about

2582

01:31:09,030 --> 01:31:07,199

this roswell slide thing as soon as i

2583

01:31:10,629 --> 01:31:09,040

heard that this jaime moussan was

2584

01:31:11,750 --> 01:31:10,639

involved i said this is going to be a

2585

01:31:12,790 --> 01:31:11,760

hoax

2586

01:31:16,310 --> 01:31:12,800

yeah

2587

01:31:18,790 --> 01:31:16,320

little aliens that turned out to be a

2588

01:31:21,750 --> 01:31:18,800

spider monkey you know that he was

2589

01:31:23,350 --> 01:31:21,760

pushing for years and years like

2590

01:31:25,270 --> 01:31:23,360

you know yeah and now we have the

2591

01:31:26,870 --> 01:31:25,280

roswell slides that he was pushing for

2592

01:31:29,189 --> 01:31:26,880

years and years it turns out to be a

2593

01:31:31,189 --> 01:31:29,199

hoax

2594

01:31:32,149 --> 01:31:31,199

it's just kind of crazy that that guy

2595

01:31:35,430 --> 01:31:32,159

can still

2596

01:31:37,430 --> 01:31:35,440

run around and uh and make money

2597

01:31:39,189 --> 01:31:37,440

he's got a big show in mexico

2598

01:31:41,510 --> 01:31:39,199

still going on yeah

2599

01:31:43,030 --> 01:31:41,520

so yeah it's it's not surprising there

2600

01:31:45,669 --> 01:31:43,040

are people that will embrace that

2601
01:31:47,590 --> 01:31:45,679
wholeheartedly

2602
01:31:48,550 --> 01:31:47,600
and despite whatever evidence there is

2603
01:31:50,470 --> 01:31:48,560
to

2604
01:31:52,790 --> 01:31:50,480
debunk his claims

2605
01:31:56,470 --> 01:31:52,800
their belief in him will

2606
01:31:58,950 --> 01:31:56,480
be maintained that was all the time um

2607
01:32:01,030 --> 01:31:58,960
yeah it's uh

2608
01:32:03,030 --> 01:32:01,040
i try to gravitate and get the

2609
01:32:05,990 --> 01:32:03,040
perspective of researchers that respect

2610
01:32:06,870 --> 01:32:06,000
that are grounded and

2611
01:32:08,870 --> 01:32:06,880
uh

2612
01:32:10,709 --> 01:32:08,880
non-sensational they're they're

2613
01:32:12,550 --> 01:32:10,719

scientifically they're they're

2614

01:32:13,990 --> 01:32:12,560

they have a good level of integrity they

2615

01:32:15,110 --> 01:32:14,000

they know what they're talking about

2616

01:32:17,030 --> 01:32:15,120

they're willing to admit when they're

2617

01:32:19,110 --> 01:32:17,040

wrong and move forward they're willing

2618

01:32:21,830 --> 01:32:19,120

to change their mind as new evidence

2619

01:32:23,750 --> 01:32:21,840

comes forth comes coming to the floor

2620

01:32:27,110 --> 01:32:23,760

and are there many of those there's

2621

01:32:28,470 --> 01:32:27,120

quite a few but you gotta find them

2622

01:32:30,790 --> 01:32:28,480

but there's a lot of other ones that are

2623

01:32:33,830 --> 01:32:30,800

just out there to make a buck or sell a

2624

01:32:36,950 --> 01:32:35,669

claim to your researchers and they're

2625

01:32:41,189 --> 01:32:36,960

not

2626

01:32:43,350 --> 01:32:41,199

credentialed researchers and i don't

2627

01:32:45,430 --> 01:32:43,360

mean you need to i don't need i don't

2628

01:32:47,510 --> 01:32:45,440

mean to say you need a phd or a master's

2629

01:32:51,030 --> 01:32:47,520

degree you don't but you have to have a

2630

01:32:54,229 --> 01:32:51,040

level of integrity and experience

2631

01:32:57,270 --> 01:32:54,239

and perspective to have a level uh to to

2632

01:33:00,149 --> 01:32:57,280

have earned a level of respect

2633

01:33:02,310 --> 01:33:00,159

so sure and i think we're all we're all

2634

01:33:04,709 --> 01:33:02,320

in that like you're only as good as your

2635

01:33:06,149 --> 01:33:04,719

work like if your work is terrible

2636

01:33:07,750 --> 01:33:06,159

you know your money you pretty much

2637

01:33:10,149 --> 01:33:07,760

caught people with their pants down that

2638

01:33:12,390 --> 01:33:10,159

didn't even make a couple of phone calls

2639

01:33:14,149 --> 01:33:12,400

about a certain whistleblower before

2640

01:33:16,229 --> 01:33:14,159

deciding that he was a top secret

2641

01:33:17,750 --> 01:33:16,239

government insider whistleblower and

2642

01:33:19,750 --> 01:33:17,760

he's going to give us this information

2643

01:33:22,310 --> 01:33:19,760

you didn't even make a phone call to

2644

01:33:24,229 --> 01:33:22,320

verify the guy's education before you

2645

01:33:26,550 --> 01:33:24,239

ran with the story

2646

01:33:27,590 --> 01:33:26,560

that like i just i couldn't believe it i

2647

01:33:29,750 --> 01:33:27,600

couldn't believe it and i couldn't

2648

01:33:31,669 --> 01:33:29,760

believe how easy it was to prove that

2649

01:33:33,030 --> 01:33:31,679

the guy was a complete total fraud and a

2650

01:33:34,830 --> 01:33:33,040

con man

2651
01:33:37,750 --> 01:33:34,840
it's just crazy

2652
01:33:39,350 --> 01:33:37,760
yeah and again here we go we're selling

2653
01:33:41,430 --> 01:33:39,360
books we're selling

2654
01:33:43,030 --> 01:33:41,440
gaia tv appearances we're selling

2655
01:33:44,950 --> 01:33:43,040
ourselves at conferences talking about

2656
01:33:47,189 --> 01:33:44,960
this fake whistleblower

2657
01:33:47,910 --> 01:33:47,199
and uh there's never it just seems to me

2658
01:33:51,510 --> 01:33:47,920
that

2659
01:33:52,709 --> 01:33:51,520
because there's no consequences like no

2660
01:33:54,229 --> 01:33:52,719
matter how many times some of these

2661
01:33:55,990 --> 01:33:54,239
people get caught with their pants down

2662
01:33:58,390 --> 01:33:56,000
they're still hired at the conferences i

2663
01:34:00,390 --> 01:33:58,400

guess because they get numbers you know

2664

01:34:02,870 --> 01:34:00,400

and that's true that's so reasonable

2665

01:34:04,550 --> 01:34:02,880

that's like that's what it's about

2666

01:34:05,990 --> 01:34:04,560

it is

2667

01:34:10,550 --> 01:34:06,000

before

2668

01:34:12,470 --> 01:34:10,560

years ago decades ago

2669

01:34:13,910 --> 01:34:12,480

there's there's been this history of

2670

01:34:16,550 --> 01:34:13,920

certain ufo cases that have been

2671

01:34:18,950 --> 01:34:16,560

debunked and proven to be hoaxes and

2672

01:34:20,550 --> 01:34:18,960

then the community kind of lets it go

2673

01:34:22,709 --> 01:34:20,560

but then the rears just not going ahead

2674

01:34:24,149 --> 01:34:22,719

again it comes up again a few decades

2675

01:34:26,070 --> 01:34:24,159

later and then people have to spend time

2676

01:34:29,030 --> 01:34:26,080

to look at again it happens all the time

2677

01:34:30,470 --> 01:34:29,040

but now with the money issue

2678

01:34:32,390 --> 01:34:30,480

it's the same thing

2679

01:34:33,669 --> 01:34:32,400

uh no matter how much you try to debunk

2680

01:34:35,590 --> 01:34:33,679

something

2681

01:34:37,189 --> 01:34:35,600

or prove that this is not legitimate or

2682

01:34:38,870 --> 01:34:37,199

this person is not

2683

01:34:39,990 --> 01:34:38,880

who they say they are

2684

01:34:42,229 --> 01:34:40,000

um

2685

01:34:44,830 --> 01:34:42,239

that that evidence that has debunked

2686

01:34:46,870 --> 01:34:44,840

their claims or that case is not

2687

01:34:48,709 --> 01:34:46,880

believed um

2688

01:34:52,310 --> 01:34:48,719

is it's it's gotten worse now than

2689

01:34:56,790 --> 01:34:54,310

my inbox is really filled up with a lot

2690

01:34:59,030 --> 01:34:56,800

of uh cult like crazies they're calling

2691

01:35:01,750 --> 01:34:59,040

me everything from like a c i hate

2692

01:35:02,709 --> 01:35:01,760

information oh god

2693

01:35:06,550 --> 01:35:02,719

you know

2694

01:35:09,590 --> 01:35:06,560

i was put out there by the government to

2695

01:35:11,590 --> 01:35:09,600

to uh to ruin this man's reputation

2696

01:35:12,870 --> 01:35:11,600

because he's telling us

2697

01:35:14,709 --> 01:35:12,880

yeah come on

2698

01:35:17,189 --> 01:35:14,719

anybody that knows me knows me

2699

01:35:21,990 --> 01:35:17,199

i am not a fan of the federal government

2700

01:35:25,750 --> 01:35:23,990

well it's

2701
01:35:27,189 --> 01:35:25,760
what happens is when someone has a

2702
01:35:29,430 --> 01:35:27,199
different point of view

2703
01:35:30,310 --> 01:35:29,440
if they

2704
01:35:34,470 --> 01:35:30,320
if

2705
01:35:35,830 --> 01:35:34,480
gentlemanly discussion

2706
01:35:38,550 --> 01:35:35,840
i can totally respect their point of

2707
01:35:40,629 --> 01:35:38,560
view i may not agree

2708
01:35:42,390 --> 01:35:40,639
but we can agree to disagree

2709
01:35:43,669 --> 01:35:42,400
but when they when somebody has a

2710
01:35:45,830 --> 01:35:43,679
different point of view or doesn't

2711
01:35:47,590 --> 01:35:45,840
believe my take immediately goes to

2712
01:35:49,510 --> 01:35:47,600
character assassination

2713
01:35:53,109 --> 01:35:49,520

like okay well then there you have it

2714

01:35:57,109 --> 01:35:55,510

yeah i don't know you know i don't

2715

01:35:59,590 --> 01:35:57,119

really think that the

2716

01:36:01,910 --> 01:35:59,600

like i said if you have if you like stan

2717

01:36:03,590 --> 01:36:01,920

freeman says have facts in hand before

2718

01:36:04,709 --> 01:36:03,600

putting mouth in gear and that's what i

2719

01:36:06,390 --> 01:36:04,719

try to do

2720

01:36:08,709 --> 01:36:06,400

like all right i'm going to call this

2721

01:36:10,870 --> 01:36:08,719

person a fraud but i've got an ample

2722

01:36:13,109 --> 01:36:10,880

ample amount of evidence to prove what

2723

01:36:15,510 --> 01:36:13,119

i'm saying and you can believe me or you

2724

01:36:17,590 --> 01:36:15,520

can go on drinking the kool-aid

2725

01:36:19,189 --> 01:36:17,600

and a lot of people

2726

01:36:22,950 --> 01:36:19,199

a lot of people just choose to keep

2727

01:36:27,270 --> 01:36:24,629

i've been thinking a lot about all the

2728

01:36:28,950 --> 01:36:27,280

psychological aspects to all of this

2729

01:36:30,149 --> 01:36:28,960

because i just never really thought

2730

01:36:31,910 --> 01:36:30,159

about it from a psychological

2731

01:36:34,310 --> 01:36:31,920

perspective but yeah i've heard that

2732

01:36:35,590 --> 01:36:34,320

term hopium thrown around and that's

2733

01:36:37,590 --> 01:36:35,600

what these people are selling they're

2734

01:36:39,189 --> 01:36:37,600

selling this opium like i hope that

2735

01:36:41,189 --> 01:36:39,199

there's aliens i hope the government

2736

01:36:42,790 --> 01:36:41,199

knows about it they're covering it up

2737

01:36:45,189 --> 01:36:42,800

and if i just listen to this guy i get

2738

01:36:47,669 --> 01:36:45,199

that little injection of that opium and

2739

01:36:49,430 --> 01:36:47,679

i feel i feel better or you know i was

2740

01:36:51,270 --> 01:36:49,440

talking to another guest and i was

2741

01:36:53,669 --> 01:36:51,280

saying that for me a lot of this stuff

2742

01:36:56,229 --> 01:36:53,679

is like it's comforting to believe we're

2743

01:36:58,870 --> 01:36:56,239

not alone it's like it's like a bedtime

2744

01:37:00,310 --> 01:36:58,880

story it makes me feel comforted to know

2745

01:37:02,310 --> 01:37:00,320

that maybe they're out there maybe they

2746

01:37:04,550 --> 01:37:02,320

care about us maybe they're checking in

2747

01:37:07,270 --> 01:37:04,560

on us maybe they had some hand in our

2748

01:37:09,270 --> 01:37:07,280

creation it's very comforting so

2749

01:37:10,550 --> 01:37:09,280

psychologically there's a lot of reasons

2750

01:37:13,030 --> 01:37:10,560

why people are going to believe these

2751
01:37:14,950 --> 01:37:13,040
lies and these frauds and these hoaxers

2752
01:37:16,310 --> 01:37:14,960
i guess you just got to get to a point

2753
01:37:17,430 --> 01:37:16,320
of awakening though where you're going

2754
01:37:20,229 --> 01:37:17,440
to

2755
01:37:22,390 --> 01:37:20,239
use your discernment i like that term

2756
01:37:24,550 --> 01:37:22,400
actually i hate the term discernment

2757
01:37:27,270 --> 01:37:24,560
because it's just an excuse by some show

2758
01:37:28,870 --> 01:37:27,280
hosts and conference organizers that

2759
01:37:29,590 --> 01:37:28,880
know these people are frauds and they

2760
01:37:32,229 --> 01:37:29,600
say

2761
01:37:34,709 --> 01:37:32,239
well use your discernment and you decide

2762
01:37:36,470 --> 01:37:34,719
what to believe but we're gonna open

2763
01:37:38,390 --> 01:37:36,480

we're gonna have open and free thought

2764

01:37:39,270 --> 01:37:38,400

and let people speak

2765

01:37:41,109 --> 01:37:39,280

if

2766

01:37:43,109 --> 01:37:41,119

people have proven that they're frauds

2767

01:37:46,149 --> 01:37:43,119

they shouldn't be allowed to speak but

2768

01:37:48,550 --> 01:37:46,159

that's just my take

2769

01:37:50,310 --> 01:37:48,560

i get that yeah

2770

01:37:52,550 --> 01:37:50,320

might come to my discernment sounds like

2771

01:37:54,070 --> 01:37:52,560

a bad german middle band it really does

2772

01:37:56,390 --> 01:37:54,080

you know coming to read it or you

2773

01:37:59,109 --> 01:37:56,400

discernment um

2774

01:38:01,910 --> 01:37:59,119

no i yeah i i get you yeah there's

2775

01:38:03,109 --> 01:38:01,920

people are hoping to i i can't tell you

2776

01:38:05,510 --> 01:38:03,119

the amount of people that have made a

2777

01:38:07,430 --> 01:38:05,520

comment on my group not in a non-cordial

2778

01:38:09,669 --> 01:38:07,440

way but they'll comment about a poll

2779

01:38:11,990 --> 01:38:09,679

question i post about a certain case or

2780

01:38:13,910 --> 01:38:12,000

uh what's the ultimate explanation for

2781

01:38:15,990 --> 01:38:13,920

ufos or what have you and they'll say

2782

01:38:17,109 --> 01:38:16,000

something like well i know what i saw i

2783

01:38:18,229 --> 01:38:17,119

know what i saw i don't need an

2784

01:38:19,109 --> 01:38:18,239

explanation

2785

01:38:20,950 --> 01:38:19,119

or

2786

01:38:23,350 --> 01:38:20,960

well i believe this and i don't really

2787

01:38:25,270 --> 01:38:23,360

know i don't even know the facts

2788

01:38:26,870 --> 01:38:25,280

so they made up their mind

2789

01:38:28,310 --> 01:38:26,880

about what they believed they made up

2790

01:38:32,310 --> 01:38:28,320

their mind about what they saw they

2791

01:38:34,149 --> 01:38:32,320

already have uh they've stopped thinking

2792

01:38:34,950 --> 01:38:34,159

they made up their mind and that's it

2793

01:38:38,070 --> 01:38:34,960

and

2794

01:38:40,550 --> 01:38:38,080

that doesn't get us anywhere i mean

2795

01:38:42,470 --> 01:38:40,560

not questioning everything doesn't get

2796

01:38:44,790 --> 01:38:42,480

us anywhere we have to keep searching

2797

01:38:45,990 --> 01:38:44,800

and keep learning none of us knows

2798

01:38:47,910 --> 01:38:46,000

everything none of us knows all the

2799

01:38:49,750 --> 01:38:47,920

answers none of us knows

2800

01:38:51,109 --> 01:38:49,760

any of the answers we need to keep

2801

01:38:55,350 --> 01:38:51,119

looking

2802

01:38:56,870 --> 01:38:55,360

but but when individuals say well i know

2803

01:38:58,550 --> 01:38:56,880

okay well that means they're not looking

2804

01:39:00,629 --> 01:38:58,560

anymore they're not attempting to learn

2805

01:39:01,830 --> 01:39:00,639

anymore they may have their mind and

2806

01:39:02,870 --> 01:39:01,840

that's it

2807

01:39:05,590 --> 01:39:02,880

well

2808

01:39:07,189 --> 01:39:05,600

that that's not constructive at all

2809

01:39:09,350 --> 01:39:07,199

but you have a lot of that when it comes

2810

01:39:10,950 --> 01:39:09,360

to ufos and that's unfortunate

2811

01:39:13,030 --> 01:39:10,960

that's that's when you get into the cult

2812

01:39:14,950 --> 01:39:13,040

aspect of it that sounds like

2813

01:39:17,270 --> 01:39:14,960

individuals following a religion well i

2814

01:39:19,189 --> 01:39:17,280

am a belief i know

2815

01:39:20,390 --> 01:39:19,199

without an eye order of proof

2816

01:39:23,590 --> 01:39:20,400

uh they know

2817

01:39:24,709 --> 01:39:23,600

they believe which is fun but

2818

01:39:27,109 --> 01:39:24,719

again when you're trying to find

2819

01:39:28,870 --> 01:39:27,119

objective answers whether they agree

2820

01:39:30,229 --> 01:39:28,880

with our positions or not on a personal

2821

01:39:31,990 --> 01:39:30,239

level

2822

01:39:34,149 --> 01:39:32,000

people that know things and believe

2823

01:39:35,669 --> 01:39:34,159

things that that's not proof that

2824

01:39:38,830 --> 01:39:35,679

doesn't get us anywhere but that's

2825

01:39:40,149 --> 01:39:38,840

rampant in the ufo community

2826

01:39:41,750 --> 01:39:40,159

sure one of the other things i wanted to

2827

01:39:43,430 --> 01:39:41,760

ask you about is

2828

01:39:45,510 --> 01:39:43,440

if you believe that there are

2829

01:39:47,430 --> 01:39:45,520

extraterrestrial visitors

2830

01:39:51,270 --> 01:39:47,440

uh what

2831

01:39:54,950 --> 01:39:51,280

evidence or or have you given thought to

2832

01:39:56,310 --> 01:39:54,960

what is the propulsion system like and

2833

01:39:59,669 --> 01:39:56,320

is there any

2834

01:40:01,430 --> 01:39:59,679

evidentiary support for what it may be

2835

01:40:02,950 --> 01:40:01,440

that they're using to get here from

2836

01:40:05,910 --> 01:40:02,960

another star system because i've been

2837

01:40:10,070 --> 01:40:05,920

thinking about that a great deal

2838

01:40:12,310 --> 01:40:10,080

that's a good question um

2839

01:40:14,229 --> 01:40:12,320

i i can

2840

01:40:15,750 --> 01:40:14,239

we don't know what they use

2841

01:40:17,669 --> 01:40:15,760

i would safely assume they don't use

2842

01:40:18,950 --> 01:40:17,679

internal combustion engines no or

2843

01:40:20,790 --> 01:40:18,960

rockets

2844

01:40:23,030 --> 01:40:20,800

or fossil fuels

2845

01:40:24,709 --> 01:40:23,040

that doesn't mean they wouldn't but

2846

01:40:26,149 --> 01:40:24,719

likely they don't

2847

01:40:27,990 --> 01:40:26,159

so

2848

01:40:29,590 --> 01:40:28,000

um

2849

01:40:31,830 --> 01:40:29,600

according to the physical laws that we

2850

01:40:33,910 --> 01:40:31,840

know now and those are in flux because

2851

01:40:36,390 --> 01:40:33,920

we our scientific knowledge increases

2852

01:40:38,229 --> 01:40:36,400

the longer we're alive as a species

2853

01:40:39,910 --> 01:40:38,239

as far as we know now there's no way to

2854

01:40:41,750 --> 01:40:39,920

no way to defeat

2855

01:40:43,830 --> 01:40:41,760

the seed of light

2856

01:40:45,350 --> 01:40:43,840

therefore there is there neither needs

2857

01:40:47,189 --> 01:40:45,360

to be

2858

01:40:47,910 --> 01:40:47,199

and this is my own position there either

2859

01:40:49,669 --> 01:40:47,920

is

2860

01:40:52,550 --> 01:40:49,679

a physical laws we're not aware of or

2861

01:40:54,950 --> 01:40:52,560

some or some way around that speed limit

2862

01:40:57,669 --> 01:40:54,960

that they have figured out that we don't

2863

01:40:58,870 --> 01:40:57,679

so they're able to defeat the distances

2864

01:41:00,470 --> 01:40:58,880

to get here

2865

01:41:02,229 --> 01:41:00,480

and that's and that statement is

2866

01:41:04,229 --> 01:41:02,239

assuming they're extraterrestrial

2867

01:41:05,030 --> 01:41:04,239

assuming that they're not coming from

2868

01:41:07,030 --> 01:41:05,040

say

2869

01:41:09,189 --> 01:41:07,040

another dimension or through a time

2870

01:41:11,270 --> 01:41:09,199

portal or what have you it's actually

2871

01:41:13,189 --> 01:41:11,280

coming physically for our own universe

2872

01:41:15,189 --> 01:41:13,199

they would need to be able to defeat the

2873

01:41:17,750 --> 01:41:15,199

speed limit of the speed of light how

2874

01:41:19,109 --> 01:41:17,760

they would do that uh wormholes are

2875

01:41:19,910 --> 01:41:19,119

discussed

2876

01:41:22,229 --> 01:41:19,920

uh

2877

01:41:24,310 --> 01:41:22,239

folding space is discussed

2878

01:41:27,510 --> 01:41:24,320

um

2879

01:41:30,229 --> 01:41:27,520

but how they would do it i have no

2880

01:41:33,750 --> 01:41:30,239

idea um

2881

01:41:36,790 --> 01:41:33,760

now what's reported during the ufo cases

2882

01:41:39,270 --> 01:41:36,800

um electromagnetic electromagnetic

2883

01:41:40,390 --> 01:41:39,280

effects are fairly common when

2884

01:41:42,390 --> 01:41:40,400

our

2885

01:41:45,030 --> 01:41:42,400

earthly technology

2886

01:41:47,350 --> 01:41:45,040

comes into the proximity of ufo

2887

01:41:48,950 --> 01:41:47,360

especially when you're in automobiles

2888

01:41:50,950 --> 01:41:48,960

uh that seems to happen a lot that

2889

01:41:54,390 --> 01:41:50,960

happened to happen in leveling level in

2890

01:41:55,830 --> 01:41:54,400

texas cars would die and then start up

2891

01:41:57,669 --> 01:41:55,840

interestingly enough

2892

01:42:00,390 --> 01:41:57,679

yeah they yeah they would they would die

2893

01:42:03,189 --> 01:42:00,400

off but in level and texas the car

2894

01:42:04,390 --> 01:42:03,199

started up without any kind of

2895

01:42:06,550 --> 01:42:04,400

uh

2896

01:42:09,189 --> 01:42:06,560

effort from the people in the cars

2897

01:42:10,709 --> 01:42:09,199

nor did like the car would die and the

2898

01:42:12,310 --> 01:42:10,719

individual in the car wouldn't start the

2899

01:42:15,590 --> 01:42:12,320

key again the car started on its own

2900

01:42:16,310 --> 01:42:15,600

which is interesting in and of itself

2901
01:42:18,229 --> 01:42:16,320
but

2902
01:42:20,310 --> 01:42:18,239
what i find interesting is

2903
01:42:22,310 --> 01:42:20,320
okay there are cases of

2904
01:42:24,070 --> 01:42:22,320
aircraft military aircraft getting

2905
01:42:25,430 --> 01:42:24,080
fairly close to the ufo

2906
01:42:27,990 --> 01:42:25,440
and yet

2907
01:42:30,709 --> 01:42:28,000
and and the ufo seems to affect the

2908
01:42:35,109 --> 01:42:30,719
electronics of the aircraft i think i

2909
01:42:39,030 --> 01:42:37,030
yeah but what's interesting is there's

2910
01:42:42,070 --> 01:42:39,040
no case of a ufo

2911
01:42:44,229 --> 01:42:42,080
knocking out the engines of an aircraft

2912
01:42:47,189 --> 01:42:44,239
and if it knocks out the engines of

2913
01:42:48,310 --> 01:42:47,199

an automobile and affects it that way i

2914

01:42:50,090 --> 01:42:48,320

wonder why i wouldn't have knocked up

2915

01:42:52,229 --> 01:42:50,100

the engines of an aircraft

2916

01:42:53,910 --> 01:42:52,239

[Music]

2917

01:42:56,470 --> 01:42:53,920

i've always wondered about that

2918

01:42:59,430 --> 01:42:56,480

but as far as how they travel or what

2919

01:43:02,550 --> 01:42:59,440

their motor propulsion i i have no idea

2920

01:43:05,270 --> 01:43:02,560

which actually gets me out of grief

2921

01:43:07,109 --> 01:43:05,280

in my own group um

2922

01:43:09,109 --> 01:43:07,119

we were discussing my group the coral

2923

01:43:12,550 --> 01:43:09,119

lending case because the anniversary

2924

01:43:14,149 --> 01:43:12,560

passed on the uh on april 24th

2925

01:43:16,950 --> 01:43:14,159

and i had a member saying well they

2926

01:43:20,229 --> 01:43:16,960

don't use combustion engines

2927

01:43:21,830 --> 01:43:20,239

and my statement my response was i tend

2928

01:43:22,830 --> 01:43:21,840

to agree with that but how did you

2929

01:43:25,590 --> 01:43:22,840

arrive at your

2930

01:43:27,830 --> 01:43:25,600

position because you

2931

01:43:30,310 --> 01:43:27,840

we can safely assume they don't use

2932

01:43:32,310 --> 01:43:30,320

fossil fuels we can safely assume

2933

01:43:34,950 --> 01:43:32,320

they don't use combustion engines

2934

01:43:36,790 --> 01:43:34,960

but we don't know

2935

01:43:39,510 --> 01:43:36,800

for sure we don't know

2936

01:43:41,430 --> 01:43:39,520

we don't know with all capital k-n-o-w

2937

01:43:43,430 --> 01:43:41,440

we don't know therefore

2938

01:43:46,709 --> 01:43:43,440

we need to have we need to have arrived

2939

01:43:48,229 --> 01:43:46,719

in that position or that belief somehow

2940

01:43:50,950 --> 01:43:48,239

and i asked the individual how did they

2941

01:43:52,310 --> 01:43:50,960

arrive at that position and he asked me

2942

01:43:54,229 --> 01:43:52,320

is that a legitimate question mr

2943

01:43:55,830 --> 01:43:54,239

paulinho said yes it is

2944

01:43:57,669 --> 01:43:55,840

i just want to know i'm not being

2945

01:43:59,430 --> 01:43:57,679

sarcastic at all i just want to know his

2946

01:44:01,350 --> 01:43:59,440

thought process or i mean that was

2947

01:44:03,910 --> 01:44:01,360

probably the way i was thinking

2948

01:44:05,109 --> 01:44:03,920

i mean internal combustion engine is a

2949

01:44:07,030 --> 01:44:05,119

pretty

2950

01:44:09,350 --> 01:44:07,040

primitive way to travel

2951
01:44:10,950 --> 01:44:09,360
even today nowadays we've we've been

2952
01:44:13,030 --> 01:44:10,960
we've had

2953
01:44:14,470 --> 01:44:13,040
technology that has been far in advance

2954
01:44:16,629 --> 01:44:14,480
of internal investigative combustion

2955
01:44:19,030 --> 01:44:16,639
engines for almost 100 years and yet

2956
01:44:21,030 --> 01:44:19,040
we're not smart enough to start using it

2957
01:44:24,709 --> 01:44:21,040
but um

2958
01:44:26,390 --> 01:44:24,719
he didn't need a response so uh

2959
01:44:29,350 --> 01:44:26,400
and again like like you mentioned

2960
01:44:32,310 --> 01:44:29,360
earlier uh in the program uh alien

2961
01:44:34,629 --> 01:44:32,320
technology to us may look like magic

2962
01:44:36,070 --> 01:44:34,639
because it's so far in advance

2963
01:44:37,350 --> 01:44:36,080

um

2964

01:44:40,149 --> 01:44:37,360

i just don't think we could first

2965

01:44:41,990 --> 01:44:40,159

engineer it so whatever they're using

2966

01:44:43,910 --> 01:44:42,000

uh to us would look pretty bizarre it

2967

01:44:46,870 --> 01:44:43,920

would be like us taking

2968

01:44:48,790 --> 01:44:46,880

a vhs tape to say

2969

01:44:51,189 --> 01:44:48,800

uh leonardo da vinci

2970

01:45:02,629 --> 01:44:51,199

and ask him to decipher it

2971

01:45:06,790 --> 01:45:04,310

uh yeah i don't think so

2972

01:45:09,590 --> 01:45:06,800

i agree yeah i mean you take it you take

2973

01:45:11,109 --> 01:45:09,600

a vhs tape and people of a certain age

2974

01:45:13,189 --> 01:45:11,119

wouldn't know what that is but you take

2975

01:45:15,510 --> 01:45:13,199

a vhs tape back to davinci and ask him

2976

01:45:17,030 --> 01:45:15,520

to decipher it well there are two things

2977

01:45:18,550 --> 01:45:17,040

about the tape that he would need to

2978

01:45:20,470 --> 01:45:18,560

know that he wouldn't know

2979

01:45:23,430 --> 01:45:20,480

they're both invisible

2980

01:45:25,109 --> 01:45:23,440

electron uh elect electricity magnetism

2981

01:45:26,950 --> 01:45:25,119

he wouldn't be aware of those things

2982

01:45:29,030 --> 01:45:26,960

so he would be all his

2983

01:45:31,109 --> 01:45:29,040

the the knowledge he has at that point

2984

01:45:32,870 --> 01:45:31,119

in human history

2985

01:45:34,709 --> 01:45:32,880

is not far enough advanced for him to be

2986

01:45:36,149 --> 01:45:34,719

able to decipher it

2987

01:45:38,950 --> 01:45:36,159

and i think the same thing

2988

01:45:41,830 --> 01:45:38,960

if we recovered any alien technology

2989

01:45:43,430 --> 01:45:41,840

we at this point as a species

2990

01:45:44,950 --> 01:45:43,440

have not advanced far enough to be able

2991

01:45:46,550 --> 01:45:44,960

to decipher

2992

01:45:49,669 --> 01:45:46,560

alien technology now we've been able to

2993

01:45:51,270 --> 01:45:49,679

get we made it from this if we recovered

2994

01:45:53,109 --> 01:45:51,280

a whole craft

2995

01:45:55,189 --> 01:45:53,119

for the shape of the craft we may have

2996

01:45:57,350 --> 01:45:55,199

gotten ideas for

2997

01:46:00,070 --> 01:45:57,360

some of our advanced aircraft but that's

2998

01:46:01,109 --> 01:46:00,080

that's very speculative on my part

2999

01:46:02,870 --> 01:46:01,119

but

3000

01:46:05,590 --> 01:46:02,880

i i just don't think we're smart enough

3001

01:46:07,430 --> 01:46:05,600

as a species or advanced enough yet

3002

01:46:09,510 --> 01:46:07,440

to have deciphered

3003

01:46:11,910 --> 01:46:09,520

alien technology uh it's kind of like

3004

01:46:14,470 --> 01:46:11,920

what don smith said to me last year it's

3005

01:46:16,470 --> 01:46:14,480

a it's a cover-up of ignorance whatever

3006

01:46:18,310 --> 01:46:16,480

we were covered we're too ignorant to

3007

01:46:20,709 --> 01:46:18,320

decipher it an ignorant may be a strong

3008

01:46:24,070 --> 01:46:20,719

word but we're just not advanced enough

3009

01:46:26,709 --> 01:46:24,080

with time we may be but we need time

3010

01:46:28,550 --> 01:46:26,719

and we're not there yet uh but

3011

01:46:29,669 --> 01:46:28,560

we might be wrong but i i think we're

3012

01:46:32,229 --> 01:46:29,679

right

3013

01:46:34,629 --> 01:46:32,239

in that respect

3014

01:46:36,790 --> 01:46:34,639

yeah and and also i guess

3015

01:46:39,430 --> 01:46:36,800

it's important to mention that

3016

01:46:41,910 --> 01:46:39,440

there are stars in in our universe that

3017

01:46:43,910 --> 01:46:41,920

are i don't know millions and millions

3018

01:46:45,910 --> 01:46:43,920

of years older than our own

3019

01:46:48,390 --> 01:46:45,920

so some of these species may be

3020

01:46:50,629 --> 01:46:48,400

literally millions of years ahead of us

3021

01:46:52,950 --> 01:46:50,639

technology wise and we

3022

01:46:55,750 --> 01:46:52,960

i mean think about we we just entered

3023

01:46:58,470 --> 01:46:55,760

the atomic age you know

3024

01:47:01,189 --> 01:46:58,480

70 years ago or whatever like

3025

01:47:02,950 --> 01:47:01,199

we just got nuclear technology

3026

01:47:04,229 --> 01:47:02,960

so

3027

01:47:05,830 --> 01:47:04,239

and and think about all the

3028

01:47:09,030 --> 01:47:05,840

technological advancements we've had in

3029

01:47:10,310 --> 01:47:09,040

the past i don't know say 200 years we

3030

01:47:11,910 --> 01:47:10,320

went from horse and buggies to

3031

01:47:13,750 --> 01:47:11,920

automobiles and

3032

01:47:15,510 --> 01:47:13,760

the industrial revolution and then and

3033

01:47:18,550 --> 01:47:15,520

then the digital age and that was all

3034

01:47:20,390 --> 01:47:18,560

within 200 years like imagine a million

3035

01:47:22,950 --> 01:47:20,400

years of technological

3036

01:47:24,870 --> 01:47:22,960

evolution and what that would look like

3037

01:47:27,990 --> 01:47:24,880

you know

3038

01:47:31,669 --> 01:47:28,000

yeah i mean it's it's uh it's illogical

3039

01:47:33,400 --> 01:47:31,679

to assume that every civilization is

3040

01:47:34,470 --> 01:47:33,410

as old as us or as young as us

3041

01:47:35,510 --> 01:47:34,480

[Music]

3042

01:47:37,990 --> 01:47:35,520

it runs the gamut there are

3043

01:47:39,270 --> 01:47:38,000

civilizations out there that may be much

3044

01:47:41,669 --> 01:47:39,280

younger than we are

3045

01:47:43,510 --> 01:47:41,679

at a very much lower level of technology

3046

01:47:45,430 --> 01:47:43,520

they may be

3047

01:47:47,750 --> 01:47:45,440

you know uh uh

3048

01:47:50,470 --> 01:47:47,760

be uh maybe they may have technology

3049

01:47:51,830 --> 01:47:50,480

that is older or less advanced than say

3050

01:47:53,430 --> 01:47:51,840

the industrial revolution you're all

3051
01:47:55,430 --> 01:47:53,440
apparently or might be in the they might

3052
01:47:57,750 --> 01:47:55,440
be in the colonial or stone age as far

3053
01:47:59,270 --> 01:47:57,760
as we know some civilizations

3054
01:48:00,229 --> 01:47:59,280
and there may be civilizations that are

3055
01:48:02,709 --> 01:48:00,239
advanced

3056
01:48:05,109 --> 01:48:02,719
10 000 years a million years a billion

3057
01:48:06,870 --> 01:48:05,119
years i mean their stars may have

3058
01:48:08,550 --> 01:48:06,880
already gone supernova but they have

3059
01:48:09,910 --> 01:48:08,560
they may have been so advanced enough

3060
01:48:10,870 --> 01:48:09,920
that they were able to vacate their

3061
01:48:13,510 --> 01:48:10,880
planet

3062
01:48:15,109 --> 01:48:13,520
and prevent extinction yeah maybe find a

3063
01:48:17,270 --> 01:48:15,119

new one

3064

01:48:19,510 --> 01:48:17,280

yeah so we just don't know we can

3065

01:48:20,229 --> 01:48:19,520

speculate and assume

3066

01:48:23,910 --> 01:48:20,239

and

3067

01:48:26,149 --> 01:48:23,920

mean if if there are other other

3068

01:48:27,750 --> 01:48:26,159

civilizations out there

3069

01:48:28,629 --> 01:48:27,760

uh because of the age of the universe

3070

01:48:30,629 --> 01:48:28,639

because

3071

01:48:32,070 --> 01:48:30,639

some stars are first generation stars

3072

01:48:33,350 --> 01:48:32,080

and some we're not summer second and

3073

01:48:34,790 --> 01:48:33,360

third

3074

01:48:36,470 --> 01:48:34,800

we can safely assume that if

3075

01:48:38,229 --> 01:48:36,480

civilizations have evolved on those

3076

01:48:39,669 --> 01:48:38,239

stars or at least on planets around

3077

01:48:40,709 --> 01:48:39,679

those stars

3078

01:48:49,990 --> 01:48:40,719

they

3079

01:48:53,990 --> 01:48:52,229

that doesn't prevent their extinction

3080

01:48:55,750 --> 01:48:54,000

but it gives them the ability to

3081

01:48:57,270 --> 01:48:55,760

possibly avoid

3082

01:48:59,510 --> 01:48:57,280

going extinct because they can vacate

3083

01:49:01,430 --> 01:48:59,520

their planet which means they can

3084

01:49:04,390 --> 01:49:01,440

prolong their own existence which means

3085

01:49:06,550 --> 01:49:04,400

their technology would keep advancing

3086

01:49:08,149 --> 01:49:06,560

and if we saw their technology

3087

01:49:09,590 --> 01:49:08,159

and we wouldn't be able to wrap our head

3088

01:49:12,790 --> 01:49:09,600

around it

3089

01:49:14,629 --> 01:49:12,800

it would be so advanced

3090

01:49:16,149 --> 01:49:14,639

i think isaiah asimov said something

3091

01:49:18,070 --> 01:49:16,159

like that that alien technology would

3092

01:49:20,070 --> 01:49:18,080

look like magic to us the way our

3093

01:49:21,109 --> 01:49:20,080

technology looks like to somebody who's

3094

01:49:22,550 --> 01:49:21,119

say

3095

01:49:24,390 --> 01:49:22,560

uh

3096

01:49:28,470 --> 01:49:24,400

a native of the amazon rainforest

3097

01:49:32,629 --> 01:49:29,990

absolutely

3098

01:49:34,629 --> 01:49:32,639

yeah so and that's our own planet

3099

01:49:36,950 --> 01:49:34,639

uh how would technology look to us

3100

01:49:38,870 --> 01:49:36,960

that's a million years in advance that

3101
01:49:41,350 --> 01:49:38,880
that evolved on

3102
01:49:43,350 --> 01:49:41,360
another star system

3103
01:49:45,430 --> 01:49:43,360
how would we have any perspective

3104
01:49:46,950 --> 01:49:45,440
for that how would we be able to even

3105
01:49:49,189 --> 01:49:46,960
attempt

3106
01:49:51,669 --> 01:49:49,199
to reverse engineer that

3107
01:49:54,070 --> 01:49:51,679
i i just look i don't think we could

3108
01:49:56,629 --> 01:49:54,080
um i think the only way we would be able

3109
01:49:57,750 --> 01:49:56,639
to do that is if

3110
01:50:01,350 --> 01:49:57,760
we were

3111
01:50:04,790 --> 01:50:01,360
visited by uh an alien race that was not

3112
01:50:08,470 --> 01:50:06,629
uh but that's a very specific set of

3113
01:50:11,510 --> 01:50:08,480

circumstances i don't know if that would

3114

01:50:13,589 --> 01:50:11,520

be the case sure

3115

01:50:15,430 --> 01:50:13,599

may be willing to teach us

3116

01:50:17,109 --> 01:50:15,440

how their technology works

3117

01:50:19,270 --> 01:50:17,119

sure yeah we would still leave behind

3118

01:50:20,310 --> 01:50:19,280

the curve yeah let's say that we're like

3119

01:50:23,189 --> 01:50:20,320

oh

3120

01:50:25,430 --> 01:50:23,199

a 500 years ahead of us

3121

01:50:27,189 --> 01:50:25,440

uh which wouldn't be that's still a good

3122

01:50:29,510 --> 01:50:27,199

amount of time but

3123

01:50:32,470 --> 01:50:29,520

a 500 years there may be some aspects of

3124

01:50:34,709 --> 01:50:32,480

their technology we may be able to

3125

01:50:36,229 --> 01:50:34,719

uh wrap our head around

3126
01:50:38,950 --> 01:50:36,239
uh but

3127
01:50:39,830 --> 01:50:38,960
do we know that no we don't i mean

3128
01:50:43,589 --> 01:50:39,840
if

3129
01:50:46,070 --> 01:50:43,599
we have but

3130
01:50:48,629 --> 01:50:46,080
uh we have no idea what their level of

3131
01:50:50,390 --> 01:50:48,639
technology is it may be far far far

3132
01:50:52,870 --> 01:50:50,400
ahead of ours

3133
01:50:54,629 --> 01:50:52,880
or not we don't know um

3134
01:50:56,310 --> 01:50:54,639
but my gut tells me that we haven't we

3135
01:50:58,790 --> 01:50:56,320
have an outward version near any of that

3136
01:51:01,109 --> 01:50:58,800
stuff i just think it's too yeah i

3137
01:51:03,030 --> 01:51:01,119
always totally agree with you

3138
01:51:05,910 --> 01:51:03,040

well i want to thank you for taking the

3139

01:51:07,669 --> 01:51:05,920

time to have a talk with me and be on

3140

01:51:10,709 --> 01:51:07,679

the show you've given us a whole great

3141

01:51:12,390 --> 01:51:10,719

deal of things to think about

3142

01:51:17,109 --> 01:51:12,400

oh you are very welcome thanks for

3143

01:51:21,510 --> 01:51:18,550

well my friends

3144

01:51:22,709 --> 01:51:21,520

what an incredible interview

3145

01:51:24,709 --> 01:51:22,719

and i've got

3146

01:51:28,390 --> 01:51:24,719

a lot of new things to think about

3147

01:51:30,629 --> 01:51:28,400

thanks to my friend william pullen

3148

01:51:32,149 --> 01:51:30,639

he's a good researcher and he's got a

3149

01:51:35,910 --> 01:51:32,159

good mind

3150

01:51:38,390 --> 01:51:35,920

on these things and he keeps digging

3151

01:51:40,629 --> 01:51:38,400

and i gotta respect him for that

3152

01:51:43,189 --> 01:51:40,639

because i'm still here digging too

3153

01:51:44,790 --> 01:51:43,199

and it's nice to check in

3154

01:51:46,310 --> 01:51:44,800

with someone like him

3155

01:51:47,589 --> 01:51:46,320

who is still

3156

01:51:51,270 --> 01:51:47,599

out there

3157

01:51:53,750 --> 01:51:51,280

in the field he actually goes places and

3158

01:51:56,709 --> 01:51:53,760

investigates things

3159

01:51:57,990 --> 01:51:56,719

that's an amazing thing

3160

01:52:01,270 --> 01:51:58,000

and i think

3161

01:52:02,390 --> 01:52:01,280

we need a whole lot more of that going

3162

01:52:06,390 --> 01:52:02,400

on

3163

01:52:07,990 --> 01:52:06,400

to get to the truth of these things

3164

01:52:10,709 --> 01:52:08,000

i've also been thinking that we need a

3165

01:52:12,870 --> 01:52:10,719

whole lot more foyer requests

3166

01:52:16,550 --> 01:52:12,880

and

3167

01:52:18,229 --> 01:52:16,560

places like the black vault what a great

3168

01:52:21,109 --> 01:52:18,239

place to go to

3169

01:52:22,950 --> 01:52:21,119

if you're interested in these subjects

3170

01:52:24,950 --> 01:52:22,960

to see

3171

01:52:26,950 --> 01:52:24,960

in black and white

3172

01:52:30,310 --> 01:52:26,960

documents and

3173

01:52:31,669 --> 01:52:30,320

evidence and things that the government

3174

01:52:34,070 --> 01:52:31,679

knows

3175

01:52:36,870 --> 01:52:34,080

about this

3176
01:52:38,629 --> 01:52:36,880
a lot of this stuff

3177
01:52:42,310 --> 01:52:38,639
when you get to that

3178
01:52:45,109 --> 01:52:42,320
evidentiary support

3179
01:52:46,229 --> 01:52:45,119
as far as documents

3180
01:52:47,510 --> 01:52:46,239
almost

3181
01:52:49,990 --> 01:52:47,520
to me

3182
01:52:51,030 --> 01:52:50,000
proves conclusively that the government

3183
01:52:53,589 --> 01:52:51,040
knows

3184
01:52:56,790 --> 01:52:53,599
a whole lot more

3185
01:53:00,550 --> 01:52:56,800
about ufos and aliens

3186
01:53:03,350 --> 01:53:00,560
and their possible visitations to earth

3187
01:53:06,390 --> 01:53:03,360
then they are telling us

3188
01:53:09,270 --> 01:53:06,400

and this my friends is an incredibly

3189

01:53:12,870 --> 01:53:09,280

tantalizing thing

3190

01:53:16,149 --> 01:53:12,880

what if it were true

3191

01:53:17,830 --> 01:53:16,159

what if ufos are alien spacecraft not

3192

01:53:19,589 --> 01:53:17,840

all ufos

3193

01:53:21,750 --> 01:53:19,599

i like to uh

3194

01:53:22,790 --> 01:53:21,760

steal from stan friedman

3195

01:53:25,589 --> 01:53:22,800

you know some of them are weather

3196

01:53:28,629 --> 01:53:25,599

balloons don't care about those

3197

01:53:31,189 --> 01:53:28,639

some of them are

3198

01:53:33,270 --> 01:53:31,199

drones don't care about those

3199

01:53:35,910 --> 01:53:33,280

some of them are kites don't care about

3200

01:53:38,470 --> 01:53:35,920

those some of those ufo sightings are

3201
01:53:40,070 --> 01:53:38,480
the planet venus we don't care about

3202
01:53:41,830 --> 01:53:40,080
that

3203
01:53:43,510 --> 01:53:41,840
some of those sightings are

3204
01:53:45,990 --> 01:53:43,520
misidentified

3205
01:53:49,109 --> 01:53:46,000
aircraft like helicopters or airplanes

3206
01:53:51,510 --> 01:53:49,119
or normal things don't care about that

3207
01:53:54,149 --> 01:53:51,520
no i care about the ones

3208
01:53:55,750 --> 01:53:54,159
that maybe

3209
01:53:57,350 --> 01:53:55,760
underline maybe

3210
01:54:00,070 --> 01:53:57,360
50 times

3211
01:54:02,310 --> 01:54:00,080
alien spacecraft

3212
01:54:04,229 --> 01:54:02,320
those are the ones that i care about

3213
01:54:06,310 --> 01:54:04,239

those are the ufos

3214

01:54:10,310 --> 01:54:06,320

that i'm interested in i'm not

3215

01:54:15,669 --> 01:54:11,189

things

3216

01:54:18,950 --> 01:54:15,679

that are not alien spacecraft

3217

01:54:21,430 --> 01:54:18,960

so now that we get the focus down

3218

01:54:22,470 --> 01:54:21,440

i guess we can rule out

3219

01:54:24,950 --> 01:54:22,480

90

3220

01:54:27,350 --> 01:54:24,960

of ufo reports

3221

01:54:28,629 --> 01:54:27,360

it's the other 10

3222

01:54:31,990 --> 01:54:28,639

the

3223

01:54:36,870 --> 01:54:32,000

strange cases that just may be

3224

01:54:39,990 --> 01:54:36,880

that keep me interested and engaged and

3225

01:54:43,189 --> 01:54:40,000

still digging into this stuff

3226

01:54:45,910 --> 01:54:43,199

those are the ones i want to get to i

3227

01:54:47,430 --> 01:54:45,920

want to get to those great

3228

01:54:50,390 --> 01:54:47,440

reports

3229

01:54:52,870 --> 01:54:50,400

with witnesses and documents maybe

3230

01:54:56,870 --> 01:54:52,880

pictures maybe some video

3231

01:54:59,830 --> 01:54:56,880

i want to get to the good stuff folks

3232

01:55:00,870 --> 01:54:59,840

but it's hard because

3233

01:55:06,550 --> 01:55:00,880

it's

3234

01:55:07,990 --> 01:55:06,560

through a landmine to get to those good

3235

01:55:10,950 --> 01:55:08,000

cases

3236

01:55:13,750 --> 01:55:10,960

and i think tonight maybe we cleared the

3237

01:55:18,629 --> 01:55:13,760

land mine just a little bit

3238

01:55:22,070 --> 01:55:18,639

and maybe i can go forward and look into

3239

01:55:24,310 --> 01:55:22,080

cases that are worth listening to

3240

01:55:26,629 --> 01:55:24,320

i hope i get to do that and i hope you

3241

01:55:28,229 --> 01:55:26,639

come along with me for the ride

3242

01:55:31,430 --> 01:55:28,239

thanks for joining us tonight old

3243

01:55:34,790 --> 01:55:31,440

friends and welcome new friends from the

3244

01:55:36,950 --> 01:55:34,800

fringe fm please join me next saturday

3245

01:55:39,589 --> 01:55:36,960

night at midnight eastern standard time

3246

01:55:43,770 --> 01:55:39,599

for another edition of the midnight hour
