1  
00:02:31,290 --> 00:00:17,650  
[Music]

2  
00:02:39,230 --> 00:02:31,300  
[Applause]

3  
00:03:10,149 --> 00:02:39,240  
[Music]

4  
00:03:10,159 --> 00:03:14,120  
so

5  
00:04:18,870 --> 00:03:33,160  
[Music]

6  
00:04:20,629 --> 00:04:18,880  
welcome to cosmic disclosure i'm your

7  
00:04:23,830 --> 00:04:20,639  
host david wilcock and i'm here with

8  
00:04:27,030 --> 00:04:23,840  
corey goode the insiders insider can you

9  
00:04:29,749 --> 00:04:27,040  
tell us what you know about

10  
00:04:32,550 --> 00:04:29,759  
the awakening of the stasis being or

11  
00:04:34,310 --> 00:04:32,560  
beings that seems to have taken place

12  
00:04:36,150 --> 00:04:34,320  
why was the cabal interested in these

13  
00:04:38,870 --> 00:04:36,160

stasis beings

14

00:04:41,030 --> 00:04:38,880  
and what what happened when it woke up

15

00:04:43,189 --> 00:04:41,040  
just like when the spheres

16

00:04:45,270 --> 00:04:43,199  
started to appear in the solar system

17

00:04:47,270 --> 00:04:45,280  
they thought they were the sumerian

18

00:04:49,430 --> 00:04:47,280  
gods returned

19

00:04:52,310 --> 00:04:49,440  
the stasis beings were the sphere beings

20

00:04:53,110 --> 00:04:52,320  
oh yeah they also thought that

21

00:05:00,870 --> 00:04:53,120  
they

22

00:05:06,950 --> 00:05:01,909  
so

23

00:05:09,110 --> 00:05:06,960  
then this was a very major

24

00:05:11,990 --> 00:05:09,120  
disappointment why would they throw you

25

00:05:14,390 --> 00:05:12,000  
out here like a canary in the coal mine

26

00:05:16,070 --> 00:05:14,400

why wouldn't they deploy five different

27

00:05:18,710 --> 00:05:16,080

people that all know what you know at

28

00:05:21,350 --> 00:05:18,720

once for example i was told and i've

29

00:05:22,550 --> 00:05:21,360

expected before and now

30

00:05:25,350 --> 00:05:22,560

more

31

00:05:28,150 --> 00:05:25,360

to pop up and

32

00:05:29,590 --> 00:05:28,160

i'm challenging you now out there those

33

00:05:35,430 --> 00:05:29,600

who are out there

34

00:05:39,670 --> 00:05:37,590

today we have a special guest his name

35

00:05:41,430 --> 00:05:39,680

is jason rice and he claims to have been

36

00:05:43,510 --> 00:05:41,440

in the secret space program

37

00:05:46,070 --> 00:05:43,520

hey jason hello jay thank you for having

38

00:05:49,029 --> 00:05:46,080

me yeah it's great to have you why are

39

00:05:51,590 --> 00:05:49,039

you personally coming forward i'm coming

40

00:05:54,710 --> 00:05:51,600

forward now because

41

00:05:56,469 --> 00:05:54,720

there are thousands of others out there

42

00:05:58,629 --> 00:05:56,479

that have been through this

43

00:06:00,230 --> 00:05:58,639

that have gone on to 20 and back program

44

00:06:02,020 --> 00:06:00,240

and i'm not just talking about americans

45

00:06:05,990 --> 00:06:02,030

we're talking

46

00:06:10,150 --> 00:06:07,749

so

47

00:06:12,710 --> 00:06:10,160

part of perhaps why more people haven't

48

00:06:13,830 --> 00:06:12,720

come forward is just the severity

49

00:06:15,749 --> 00:06:13,840

of force

50

00:06:17,830 --> 00:06:15,759

and coercion that is used to try to stop

51

00:06:19,350 --> 00:06:17,840

this from getting out

52

00:06:20,790 --> 00:06:19,360

because i've spoken to several other

53

00:06:22,309 --> 00:06:20,800

people that know a lot of the same

54

00:06:26,150 --> 00:06:22,319

things that you know and none of them

55

00:06:29,670 --> 00:06:27,670

no one owns disclosure many people do

56

00:06:31,189 --> 00:06:29,680

not know who i am now this is jason rice

57

00:06:32,390 --> 00:06:31,199

speaking no one owns disclosure many

58

00:06:33,590 --> 00:06:32,400

people do not know who i am so let me

59

00:06:34,870 --> 00:06:33,600

share a few words of introduction my

60

00:06:36,230 --> 00:06:34,880

name's jason rice and i recently came

61

00:06:37,909 --> 00:06:36,240

into public awareness on the gaia series

62

00:06:39,189 --> 00:06:37,919

cosmic disclosure this is the platform

63

00:06:40,550 --> 00:06:39,199

that i chose to go public for the first

64

00:06:42,710 --> 00:06:40,560

time without my experiences in my lab

65

00:06:43,990 --> 00:06:42,720

and ssp programs and risk my personal

66

00:06:45,189 --> 00:06:44,000

safety and my professional life working

67

00:06:46,790 --> 00:06:45,199

as a multi-disciplined civil and

68

00:06:48,870 --> 00:06:46,800

electrical engineer for over 21 years i

69

00:06:49,990 --> 00:06:48,880

decided in 2017 to go public when

70

00:06:51,270 --> 00:06:50,000

deciding upon going public with my

71

00:06:53,110 --> 00:06:51,280

experiences i was fully aware of the

72

00:06:54,390 --> 00:06:53,120

potential ramifications from various

73

00:06:56,629 --> 00:06:54,400

government and non-government agencies

74

00:06:58,469 --> 00:06:56,639

involved with the ssp to the agency's

75

00:06:59,909 --> 00:06:58,479

typical whistleblower discredit playbook

76  
00:07:01,670 --> 00:06:59,919  
includes the usual media manipulation

77  
00:07:03,270 --> 00:07:01,680  
civil legal actions that's going to come

78  
00:07:05,029 --> 00:07:03,280  
into play in a few moments slander

79  
00:07:06,390 --> 00:07:05,039  
ridicule and even perhaps threats as a

80  
00:07:07,589 --> 00:07:06,400  
result of my coming forward jason rice

81  
00:07:09,350 --> 00:07:07,599  
goes on to say that i did not however

82  
00:07:11,510 --> 00:07:09,360  
imagine that another ssp veteran would

83  
00:07:13,110 --> 00:07:11,520  
fulfill the role of bullying civil legal

84  
00:07:15,270 --> 00:07:13,120  
action and manipulation of the

85  
00:07:17,350 --> 00:07:15,280  
alternative media to further a narrative

86  
00:07:19,029 --> 00:07:17,360  
agenda and or opinions what's this guy

87  
00:07:20,710 --> 00:07:19,039  
talking about another secret space

88  
00:07:23,830 --> 00:07:20,720

program veteran was it randy kramer was

89

00:07:25,350 --> 00:07:23,840

it andrew bouchago was it tony rodriguez

90

00:07:26,790 --> 00:07:25,360

was it ileana at awakening cosmic

91

00:07:28,469 --> 00:07:26,800

reality show on youtube no it was corey

92

00:07:31,270 --> 00:07:28,479

good the insider's insider so then we

93

00:07:34,150 --> 00:07:31,280

have from the oh this is a surprise

94

00:07:36,070 --> 00:07:34,160

yanero's law pc generous law

95

00:07:37,350 --> 00:07:36,080

i didn't realize that teresa inaris was

96

00:07:39,110 --> 00:07:37,360

a lawyer

97

00:07:41,189 --> 00:07:39,120

but maybe that's just a coincidence so

98

00:07:42,150 --> 00:07:41,199

it says here just like rice said october

99

00:07:44,869 --> 00:07:42,160

3rd

100

00:07:46,629 --> 00:07:44,879

2018 re unauthorized use of mr james

101  
00:07:48,790 --> 00:07:46,639  
quarry good's protected terms ssp 20 and

102  
00:07:49,749 --> 00:07:48,800  
back in related terms dear mr rice it's

103  
00:07:51,350 --> 00:07:49,759  
come to my attention that you've been

104  
00:07:53,189 --> 00:07:51,360  
using terms belonging to my client james

105  
00:07:54,790 --> 00:07:53,199  
cory good in various online and possibly

106  
00:07:55,909 --> 00:07:54,800  
otherwise broadcasts i want to just say

107  
00:07:57,430 --> 00:07:55,919  
all this terms of trademark by corey

108  
00:07:58,869 --> 00:07:57,440  
good corey good owns the whole gosh darn

109  
00:08:00,629 --> 00:07:58,879  
thing i claim no ownership i don't want

110  
00:08:01,909 --> 00:08:00,639  
him you may not be aware his lawyer goes

111  
00:08:03,990 --> 00:08:01,919  
on to say you may not be aware that mr

112  
00:08:05,749 --> 00:08:04,000  
good on certain common law rights and

113  
00:08:08,230 --> 00:08:05,759

pending federal trademark rights in the

114

00:08:09,270 --> 00:08:08,240

phrases ssp and 20 and back this letters

115

00:08:10,309 --> 00:08:09,280

to inform you of those rights and to

116

00:08:11,510 --> 00:08:10,319

apprise you that if you are to further

117

00:08:12,790 --> 00:08:11,520

participate in the broadcast or

118

00:08:14,230 --> 00:08:12,800

publication of material using these

119

00:08:15,830 --> 00:08:14,240

terms you're in violation of mr good's

120

00:08:17,990 --> 00:08:15,840

copyrights trademark rights and other

121

00:08:19,270 --> 00:08:18,000

existing ip intellectual property rights

122

00:08:20,710 --> 00:08:19,280

and that mr good will take any necessary

123

00:08:22,390 --> 00:08:20,720

precautions to protect these rights okay

124

00:08:25,270 --> 00:08:22,400

let's start telling truth daenerys law

125

00:08:26,469 --> 00:08:25,280

valerie inerra's wild esquire at the law

126

00:08:28,070 --> 00:08:26,479

i wonder if valerie and eris wilde

127

00:08:29,830 --> 00:08:28,080

esquires teresa you know divine

128

00:08:31,430 --> 00:08:29,840

emergency sister or something or mother

129

00:08:32,469 --> 00:08:31,440

cousin aunt maybe not there could be a

130

00:08:33,909 --> 00:08:32,479

total for instance it would it wouldn't

131

00:08:35,190 --> 00:08:33,919

be that obvious would it she goes on to

132

00:08:36,310 --> 00:08:35,200

say a universal swallow now quote to be

133

00:08:38,709 --> 00:08:36,320

completely clear this letter you firmly

134

00:08:40,630 --> 00:08:38,719

request that you refrain from one any

135

00:08:42,949 --> 00:08:40,640

use distribution production sale or

136

00:08:44,630 --> 00:08:42,959

advertising of his work relating to his

137

00:08:46,070 --> 00:08:44,640

testimony regarding return of the

138

00:08:48,710 --> 00:08:46,080

government's program sphere being

139

00:08:52,389 --> 00:08:48,720

alliance blue and countless other topics

140

00:08:54,470 --> 00:08:52,399

and areas of interest and um

141

00:08:56,389 --> 00:08:54,480

that's kind of like saying

142

00:08:59,030 --> 00:08:56,399

you're not even allowed to talk about

143

00:09:03,509 --> 00:09:01,110

it's time

144

00:09:04,550 --> 00:09:03,519

so the icc

145

00:09:07,750 --> 00:09:04,560

is

146

00:09:09,110 --> 00:09:07,760

your readers on the internet they're

147

00:09:10,790 --> 00:09:09,120

anticipating

148

00:09:11,910 --> 00:09:10,800

that you're like the first pebble of an

149

00:09:13,590 --> 00:09:11,920

avalanche

150

00:09:15,509 --> 00:09:13,600

that's going to hit them and they want

151

00:09:18,630 --> 00:09:15,519

to do this show for the alliance as a

152

00:09:19,750 --> 00:09:18,640

whole right and this was an anticipation

153

00:09:20,829 --> 00:09:19,760

also

154

00:09:25,110 --> 00:09:20,839

of

155

00:09:28,550 --> 00:09:25,120

these data dumps all highly encrypted

156

00:09:31,030 --> 00:09:28,560

snowden got a hold of that and

157

00:09:32,550 --> 00:09:31,040

booked it out of the u.s he appeared a

158

00:09:34,230 --> 00:09:32,560

few minutes later

159

00:09:36,389 --> 00:09:34,240

and said that

160

00:09:37,750 --> 00:09:36,399

that that was going to be approved but

161

00:09:41,430 --> 00:09:37,760

it was going to

162

00:09:45,269 --> 00:09:41,440

take about an hour to have everything

163

00:09:46,310 --> 00:09:45,279

cleared and the airspace cleared and

164

00:09:48,389 --> 00:09:46,320

have it all worked well you've heard it

165

00:09:50,470 --> 00:09:48,399

here this is cosmic disclosure very

166

00:09:52,790 --> 00:09:50,480

mind-blowing information and there's

167

00:09:55,430 --> 00:09:52,800

much much more where this came from

168

00:09:57,590 --> 00:09:55,440

we have 52 episodes and we may even be

169

00:09:59,350 --> 00:09:57,600

doing more past that point so every week

170

00:10:01,829 --> 00:09:59,360

you're going to be hearing fascinating

171

00:10:03,910 --> 00:10:01,839

stuff like this so please stay tuned i'm

172

00:10:08,210 --> 00:10:03,920

your host david wilcock and we thank you

173

00:10:08,220 --> 00:10:14,150

[Music]

174

00:10:18,630 --> 00:10:16,389

we're going inside the secret space

175

00:10:20,630 --> 00:10:18,640

program yes we are

176

00:10:21,829 --> 00:10:20,640

greetings and salutations friends and

177

00:10:25,430 --> 00:10:21,839

welcome back

178

00:10:27,910 --> 00:10:25,440

so uh everybody's favorite ufo garbage

179

00:10:30,389 --> 00:10:27,920

peddler cory good is back with another

180

00:10:33,190 --> 00:10:30,399

update read to us by a robot voice

181

00:10:37,030 --> 00:10:33,200

because apparently corey goode is too

182

00:10:39,030 --> 00:10:37,040

lazy or too busy to appear on camera and

183

00:10:41,990 --> 00:10:39,040

read his followers his

184

00:10:44,389 --> 00:10:42,000

his stupid stories so what does he do he

185

00:10:46,949 --> 00:10:44,399

got speechless okay

186

00:10:48,949 --> 00:10:46,959

earth's galactic ambassador

187

00:10:51,190 --> 00:10:48,959

the savior of earth

188

00:10:54,389 --> 00:10:51,200

the best he could do to put out content

189

00:10:56,630 --> 00:10:54,399

is by speechlow and then write some

190

00:10:59,030 --> 00:10:56,640

stupid stories and get the robot voice

191

00:11:00,870 --> 00:10:59,040

to read it so he doesn't even have to be

192

00:11:03,269 --> 00:11:00,880

on camera anymore

193

00:11:07,430 --> 00:11:03,279

it's a brilliant plan

194

00:11:11,350 --> 00:11:07,440

but here friends we see the breakdown

195

00:11:15,190 --> 00:11:11,360

of corey goode's once influential

196

00:11:16,790 --> 00:11:15,200

uh influence on the world of ufos and

197

00:11:18,150 --> 00:11:16,800

alien talk

198

00:11:19,990 --> 00:11:18,160

because

199

00:11:23,030 --> 00:11:20,000

when he originally came out he was

200

00:11:25,750 --> 00:11:23,040

propped up by david wilcock he was

201  
00:11:28,710 --> 00:11:25,760  
propped up by gaia corporation he was

202  
00:11:31,670 --> 00:11:28,720  
propped up by jay widener his one-time

203  
00:11:34,470 --> 00:11:31,680  
show producer he was propped up by

204  
00:11:36,470 --> 00:11:34,480  
professional conference organizers he

205  
00:11:40,389 --> 00:11:36,480  
was propped up by professional

206  
00:11:43,030 --> 00:11:40,399  
documentary makers he was propped up by

207  
00:11:44,710 --> 00:11:43,040  
people who would write courses that he

208  
00:11:46,949 --> 00:11:44,720  
would then sell

209  
00:11:49,190 --> 00:11:46,959  
pretending they were his course but he

210  
00:11:52,790 --> 00:11:49,200  
didn't write anything in the course

211  
00:11:55,269 --> 00:11:52,800  
corey good once had uh i would say a

212  
00:11:57,590 --> 00:11:55,279  
good deal of power in this subject

213  
00:11:59,430 --> 00:11:57,600

matter however

214

00:12:01,590 --> 00:11:59,440

corey good screwed up

215

00:12:03,670 --> 00:12:01,600

and and here we see in this clip this

216

00:12:06,389 --> 00:12:03,680

excellent clip provided by spooky from

217

00:12:09,190 --> 00:12:06,399

out of context cw channel channel

218

00:12:12,150 --> 00:12:09,200

uh just how ridiculous and stupid corey

219

00:12:14,470 --> 00:12:12,160

good is because in one episode of cosmic

220

00:12:17,110 --> 00:12:14,480

disclosure he's challenging people to

221

00:12:18,949 --> 00:12:17,120

come forward and tell their stories but

222

00:12:20,710 --> 00:12:18,959

as soon as somebody did

223

00:12:23,670 --> 00:12:20,720

he threatened to sue them because they

224

00:12:27,110 --> 00:12:23,680

were using terms similar to him and he

225

00:12:28,470 --> 00:12:27,120

tried trademarking those terms ssp 20

226

00:12:35,269 --> 00:12:28,480

and back

227

00:12:39,110 --> 00:12:36,389

what

228

00:12:41,750 --> 00:12:39,120

has happened that has

229

00:12:45,430 --> 00:12:41,760

made corey good go from being one of the

230

00:12:46,230 --> 00:12:45,440

most influential people in this space

231

00:12:49,590 --> 00:12:46,240

to

232

00:12:52,710 --> 00:12:49,600

a nobody who is posting videos with a

233

00:12:54,790 --> 00:12:52,720

robot reading the freaking text like

234

00:12:56,949 --> 00:12:54,800

thousands of other youtube channels that

235

00:12:58,949 --> 00:12:56,959

nobody pays attention to i got to tell

236

00:13:01,190 --> 00:12:58,959

you friends as soon as i hear a robot

237

00:13:03,030 --> 00:13:01,200

voice on a video even if it's a subject

238

00:13:05,110 --> 00:13:03,040

i really want to hear about i just turn

239

00:13:07,590 --> 00:13:05,120

it off i can't i can't

240

00:13:09,910 --> 00:13:07,600

read the damn text you wrote yourself

241

00:13:13,190 --> 00:13:09,920

don't put it through a robot voice

242

00:13:15,269 --> 00:13:13,200

that's shitty and childish right

243

00:13:16,230 --> 00:13:15,279

maybe it's just me friends maybe it's

244

00:13:18,870 --> 00:13:16,240

just me

245

00:13:20,790 --> 00:13:18,880

but i can't stand that robot voice and

246

00:13:22,230 --> 00:13:20,800

now it would appear

247

00:13:25,430 --> 00:13:22,240

that

248

00:13:28,389 --> 00:13:25,440

corey good's uh only method apparently

249

00:13:30,069 --> 00:13:28,399

lately of putting out new information

250

00:13:31,670 --> 00:13:30,079

for his followers

251  
00:13:34,870 --> 00:13:31,680

is to go

252  
00:13:36,310 --> 00:13:34,880

and get a robot voice from speech hello

253  
00:13:37,670 --> 00:13:36,320

and then

254  
00:13:40,389 --> 00:13:37,680

write some stuff

255  
00:13:40,399 --> 00:13:43,829

some new stories

256  
00:13:49,829 --> 00:13:46,550

and then put it through the robot voice

257  
00:13:50,870 --> 00:13:49,839

who will then read it

258  
00:13:52,069 --> 00:13:50,880

and

259  
00:13:53,750 --> 00:13:52,079

we're going to get into it we're going

260  
00:13:57,910 --> 00:13:53,760

to we're going to play his latest

261  
00:14:00,629 --> 00:13:57,920

garbage video with the robot reading his

262  
00:14:02,550 --> 00:14:00,639

stupid stories it's like

263  
00:14:04,470 --> 00:14:02,560

i previewed this i didn't listen to the

264

00:14:05,910 --> 00:14:04,480

whole thing because it's just i

265

00:14:07,350 --> 00:14:05,920

i don't want to listen to it any more

266

00:14:09,350 --> 00:14:07,360

than i have to so we're going to listen

267

00:14:11,829 --> 00:14:09,360

to it we're going to comment we're going

268

00:14:14,870 --> 00:14:11,839

to put up our fair use banner after all

269

00:14:17,269 --> 00:14:14,880

this is a transformative work and we are

270

00:14:19,990 --> 00:14:17,279

critiquing the video that we are sharing

271

00:14:22,150 --> 00:14:20,000

uh we will be discussing it with the

272

00:14:24,310 --> 00:14:22,160

live chat we're educating the public and

273

00:14:26,470 --> 00:14:24,320

we're critiquing the video that we are

274

00:14:28,790 --> 00:14:26,480

sharing this is certainly covered under

275

00:14:31,189 --> 00:14:28,800

fair use and i still have those fair use

276

00:14:33,430 --> 00:14:31,199

legal letters standing by for anyone who

277

00:14:35,350 --> 00:14:33,440

uh would disagree with my assertion that

278

00:14:38,949 --> 00:14:35,360

this is fair use

279

00:14:41,430 --> 00:14:38,959

we have won everyone uh who ever filed a

280

00:14:43,990 --> 00:14:41,440

claim against us we file our legal

281

00:14:45,750 --> 00:14:44,000

letters and then we you know after short

282

00:14:49,670 --> 00:14:45,760

time that comes off

283

00:14:50,870 --> 00:14:49,680

and we are able to use it under fair use

284

00:14:53,030 --> 00:14:50,880

um

285

00:14:55,110 --> 00:14:53,040

it's important to note that like i said

286

00:14:57,110 --> 00:14:55,120

at one point corey good was very

287

00:14:59,030 --> 00:14:57,120

influential he had a lot of power in

288

00:15:01,910 --> 00:14:59,040

this thing but

289

00:15:03,829 --> 00:15:01,920

he screwed up he just screwed up and and

290

00:15:07,509 --> 00:15:03,839

not only did he screw up but he screwed

291

00:15:10,230 --> 00:15:07,519

up over and over and over and over again

292

00:15:14,389 --> 00:15:10,240

trying to manage his newfound fame and

293

00:15:16,230 --> 00:15:14,399

turn it into some kind of profit for him

294

00:15:18,230 --> 00:15:16,240

i mentioned that when he first came out

295

00:15:20,230 --> 00:15:18,240

he was propped up by all of these things

296

00:15:22,150 --> 00:15:20,240

he was propped up by a million dollar

297

00:15:23,750 --> 00:15:22,160

corporation putting a tv show together

298

00:15:25,110 --> 00:15:23,760

for him with david wilcock he was

299

00:15:26,470 --> 00:15:25,120

propped up by

300

00:15:28,150 --> 00:15:26,480

a very good

301

00:15:29,269 --> 00:15:28,160

video producer in the form of jay

302

00:15:31,430 --> 00:15:29,279

widener

303

00:15:33,110 --> 00:15:31,440

uh who had produced many documentaries

304

00:15:35,910 --> 00:15:33,120

about strange and

305

00:15:38,870 --> 00:15:35,920

esoteric conspiracy land topics before

306

00:15:40,949 --> 00:15:38,880

he was the producer of cosmic disclosure

307

00:15:43,189 --> 00:15:40,959

he had david wilcox support and

308

00:15:45,910 --> 00:15:43,199

assistance uh because those two were

309

00:15:47,509 --> 00:15:45,920

sort of like partners in slime you know

310

00:15:49,350 --> 00:15:47,519

david wilcock would ask the questions

311

00:15:51,590 --> 00:15:49,360

and corey good would tell his crazy

312

00:15:52,949 --> 00:15:51,600

stories with no evidence no proof

313

00:15:55,749 --> 00:15:52,959

nothing

314

00:15:57,509 --> 00:15:55,759

um but corey good screwed up

315

00:15:59,590 --> 00:15:57,519

because he couldn't he couldn't play

316

00:16:02,150 --> 00:15:59,600

nice with the other grifters and con

317

00:16:04,790 --> 00:16:02,160

artists in on this thing i'm not saying

318

00:16:06,150 --> 00:16:04,800

they're all connors but a lot well

319

00:16:07,269 --> 00:16:06,160

yeah

320

00:16:09,590 --> 00:16:07,279

uh

321

00:16:11,189 --> 00:16:09,600

buyer beware that's what i could say if

322

00:16:13,189 --> 00:16:11,199

you're gonna listen to anything out of

323

00:16:14,310 --> 00:16:13,199

corey good or any of his

324

00:16:16,710 --> 00:16:14,320

you know

325

00:16:19,509 --> 00:16:16,720

uh contemporaries garbage information

326

00:16:21,430 --> 00:16:19,519

buyer beware be careful and don't give

327

00:16:23,990 --> 00:16:21,440

him any money whatever you do because

328

00:16:25,430 --> 00:16:24,000

it's just not this is garbage it's not

329

00:16:27,749 --> 00:16:25,440

worth it

330

00:16:29,670 --> 00:16:27,759

coryko does not have any secret intel

331

00:16:31,350 --> 00:16:29,680

he's not talking to aliens or inner

332

00:16:34,470 --> 00:16:31,360

earth people he's talking to his

333

00:16:36,310 --> 00:16:34,480

imaginary friends he gets together and

334

00:16:39,910 --> 00:16:36,320

him and his imaginary friends make up

335

00:16:43,269 --> 00:16:39,920

stories and this becomes so childish and

336

00:16:46,310 --> 00:16:43,279

it has gotten to the level of ridiculous

337

00:16:48,949 --> 00:16:46,320

childishness it reminds me of a

338

00:16:51,269 --> 00:16:48,959

uh like a five-year-old on a playground

339

00:16:54,629 --> 00:16:51,279

telling you a story you know

340

00:16:57,350 --> 00:16:54,639

and then uh i flew in a rocket ship and

341

00:16:58,310 --> 00:16:57,360

then i met the aliens on the moon base

342

00:17:03,509 --> 00:16:58,320

and then

343

00:17:05,829 --> 00:17:03,519

so where did corey good screw up he

344

00:17:08,470 --> 00:17:05,839

screwed up by going after all the people

345

00:17:11,270 --> 00:17:08,480

that were once propping him up and he is

346

00:17:13,990 --> 00:17:11,280

currently right now suing everybody

347

00:17:17,350 --> 00:17:14,000

corey goode is suing his former employee

348

00:17:19,270 --> 00:17:17,360

in the form of gaia tv he's suing them

349

00:17:21,669 --> 00:17:19,280

he's suing his former

350

00:17:23,750 --> 00:17:21,679

television show producer because that

351

00:17:26,230 --> 00:17:23,760

guy had the audacity to come out after

352

00:17:28,630 --> 00:17:26,240

making all that garbage and say this is

353

00:17:30,789 --> 00:17:28,640

garbage corey good's fake he just makes

354

00:17:32,789 --> 00:17:30,799

all this [h\_\_\h] up his own television

355

00:17:35,190 --> 00:17:32,799

producer came out and said

356

00:17:37,430 --> 00:17:35,200

this guy's fake as a three dollar bill

357

00:17:40,070 --> 00:17:37,440

he just makes all this [h\_\_\h] up

358

00:17:42,150 --> 00:17:40,080

and what did that guy get for it he got

359

00:17:44,070 --> 00:17:42,160

sued by cory good

360

00:17:46,470 --> 00:17:44,080

let's see i mentioned that he had

361

00:17:48,870 --> 00:17:46,480

professional conference organizers

362

00:17:52,070 --> 00:17:48,880

organizing live events for him to make

363

00:17:54,150 --> 00:17:52,080

all this money on yeah he sued them too

364

00:17:57,510 --> 00:17:54,160

uh adrian youngblood

365

00:17:59,029 --> 00:17:57,520

who ran some conferences and put him on

366

00:18:01,909 --> 00:17:59,039

the stage as the star of those

367

00:18:02,710 --> 00:18:01,919

conferences how did he repay her he sued

368

00:18:04,549 --> 00:18:02,720

her

369

00:18:06,789 --> 00:18:04,559

uh i mentioned that he had professional

370

00:18:09,590 --> 00:18:06,799

documentary filmmakers that were making

371

00:18:11,909 --> 00:18:09,600

documentaries with and for him and

372

00:18:15,430 --> 00:18:11,919

putting him in as the star what did he

373

00:18:18,150 --> 00:18:15,440

do to those people he sued them in court

374

00:18:21,029 --> 00:18:18,160

yeah great guy great guy

375

00:18:23,750 --> 00:18:21,039

um then there was a woman named liz

376

00:18:25,590 --> 00:18:23,760

laurie who was writing wrote the course

377

00:18:28,230 --> 00:18:25,600

that he was selling

378

00:18:30,390 --> 00:18:28,240

saying this is my new course from corey

379

00:18:31,590 --> 00:18:30,400

goode but he didn't write it somebody

380

00:18:34,310 --> 00:18:31,600

else did

381

00:18:36,230 --> 00:18:34,320

and you know late corey good is so lazy

382

00:18:39,350 --> 00:18:36,240

he can't even write the course that he's

383

00:18:43,029 --> 00:18:39,360

gonna sell to people for some 333

384

00:18:46,549 --> 00:18:43,039

dollars and liz laurie at least um she

385

00:18:48,470 --> 00:18:46,559

claimed that they made over 750 000 on

386

00:18:51,190 --> 00:18:48,480

that course and then corey goode

387

00:18:53,909 --> 00:18:51,200

wouldn't pay her her percentage so what

388

00:18:56,630 --> 00:18:53,919

happens liz laurie sue's corey good or

389

00:18:59,830 --> 00:18:56,640

was it corey good liz lori or did they

390

00:19:03,430 --> 00:18:59,840

settle i'm not up to date on the on this

391

00:19:05,590 --> 00:19:03,440

uh saga this legal saga of corey good

392

00:19:07,510 --> 00:19:05,600

suing everybody that helped make him

393

00:19:10,150 --> 00:19:07,520

successful

394

00:19:13,510 --> 00:19:10,160

and one would have to ask themselves you

395

00:19:16,150 --> 00:19:13,520

know at some point right people have to

396

00:19:17,110 --> 00:19:16,160

look at this from an outsider looking in

397

00:19:19,350 --> 00:19:17,120

and say

398

00:19:20,549 --> 00:19:19,360

are all these people that helped corey

399

00:19:23,350 --> 00:19:20,559

good

400

00:19:26,630 --> 00:19:23,360

become rich and famous are all those

401  
00:19:28,310 --> 00:19:26,640  
people the problem or is he oh he's also

402  
00:19:30,549 --> 00:19:28,320  
suing his former business partner who

403  
00:19:33,110 --> 00:19:30,559  
was trying to get him hollywood deals he

404  
00:19:36,070 --> 00:19:33,120  
screwed that one up too

405  
00:19:38,630 --> 00:19:36,080  
in the form of leon isaac kennedy

406  
00:19:40,310 --> 00:19:38,640  
who looks like the cult 45 guy you know

407  
00:19:42,470 --> 00:19:40,320  
anyway uh

408  
00:19:45,029 --> 00:19:42,480  
he's suing that guy too

409  
00:19:48,070 --> 00:19:45,039  
um he's also i i suppose he's threatened

410  
00:19:50,150 --> 00:19:48,080  
to sue other people he's also suing some

411  
00:19:51,110 --> 00:19:50,160  
of his detractors he was suing cliff

412  
00:19:54,630 --> 00:19:51,120  
high

413  
00:19:56,630 --> 00:19:54,640

um and he's suing airy stone and he's

414

00:19:58,150 --> 00:19:56,640

also suing that lawyer from new jersey

415

00:20:00,310 --> 00:19:58,160

c.w channer

416

00:20:01,909 --> 00:20:00,320

all and those people are getting sued

417

00:20:03,990 --> 00:20:01,919

all of them because they had the

418

00:20:06,950 --> 00:20:04,000

audacity to go on the internet and make

419

00:20:09,110 --> 00:20:06,960

fun of his stupid space stories

420

00:20:11,830 --> 00:20:09,120

but here we are and this is where we

421

00:20:14,310 --> 00:20:11,840

find ourselves and now

422

00:20:16,710 --> 00:20:14,320

corey good having burned every bridge

423

00:20:18,789 --> 00:20:16,720

that people laid for him i mean people

424

00:20:22,149 --> 00:20:18,799

were putting work in to make this guy

425

00:20:25,350 --> 00:20:22,159

something important and special and it's

426

00:20:29,029 --> 00:20:25,360

a sad state of existence but for a time

427

00:20:31,190 --> 00:20:29,039

he was very influential he could wield

428

00:20:32,710 --> 00:20:31,200

huge speaking fees

429

00:20:34,310 --> 00:20:32,720

he was

430

00:20:35,750 --> 00:20:34,320

one of the stars at all these big

431

00:20:37,750 --> 00:20:35,760

conferences

432

00:20:39,510 --> 00:20:37,760

until he burned all those bridges and he

433

00:20:41,830 --> 00:20:39,520

was no longer welcome at any of the

434

00:20:43,029 --> 00:20:41,840

major conferences then he has to get a

435

00:20:45,669 --> 00:20:43,039

professional

436

00:20:48,549 --> 00:20:45,679

conference organizer event planner in

437

00:20:51,190 --> 00:20:48,559

the form of adrian youngblood to make

438

00:20:54,870 --> 00:20:51,200

conferences for him to star at and then

439

00:20:56,470 --> 00:20:54,880

he burnt that bridge too and he sued her

440

00:20:58,789 --> 00:20:56,480

it's interesting from this clip we

441

00:21:01,029 --> 00:20:58,799

played earlier uh that

442

00:21:02,870 --> 00:21:01,039

he he put out the call he challenged

443

00:21:05,510 --> 00:21:02,880

other people with stories

444

00:21:07,110 --> 00:21:05,520

similar to his to come on out blow the

445

00:21:09,110 --> 00:21:07,120

whistle like me

446

00:21:11,510 --> 00:21:09,120

and as soon as somebody did in the form

447

00:21:15,110 --> 00:21:11,520

of jason rice what happened to that guy

448

00:21:18,070 --> 00:21:15,120

well he got doxed stalked threatened

449

00:21:19,830 --> 00:21:18,080

intimidated with legal threats cory

450

00:21:21,990 --> 00:21:19,840

could threaten to sue him

451  
00:21:25,510 --> 00:21:22,000  
people called his employer and harassed

452  
00:21:27,669 --> 00:21:25,520  
his employer so much so that jason rice

453  
00:21:29,350 --> 00:21:27,679  
literally vanished from the internet oh

454  
00:21:30,870 --> 00:21:29,360  
and let's not forget the doxing of joe

455  
00:21:32,950 --> 00:21:30,880  
from the carolinas who you saw in this

456  
00:21:34,630 --> 00:21:32,960  
clip earlier i heard someone in the live

457  
00:21:35,669 --> 00:21:34,640  
chat mention that they miss him and so

458  
00:21:38,070 --> 00:21:35,679  
do i

459  
00:21:40,470 --> 00:21:38,080  
but joe from the carolinas just decided

460  
00:21:43,190 --> 00:21:40,480  
it's not worth getting harassed by a

461  
00:21:45,990 --> 00:21:43,200  
crazy ufo cult to talk about this stuff

462  
00:21:47,909 --> 00:21:46,000  
on the internet so he stopped

463  
00:21:50,630 --> 00:21:47,919

uh but we wish joe from the carolinas

464

00:21:53,110 --> 00:21:50,640

the very best i hope that he is doing

465

00:21:54,470 --> 00:21:53,120

well and uh we all miss you joe from the

466

00:21:56,789 --> 00:21:54,480

carolinas

467

00:21:59,909 --> 00:21:56,799

so what we see in these last couple of

468

00:22:01,350 --> 00:21:59,919

years is this steady decline of corey

469

00:22:04,630 --> 00:22:01,360

goode's once

470

00:22:06,549 --> 00:22:04,640

influence his once ability to command

471

00:22:07,830 --> 00:22:06,559

respect even

472

00:22:10,070 --> 00:22:07,840

i don't know that he was ever really

473

00:22:13,590 --> 00:22:10,080

respected but he was tolerated because

474

00:22:15,350 --> 00:22:13,600

he generated numbers so he i i've talked

475

00:22:17,430 --> 00:22:15,360

to a conference organizers like yeah i

476

00:22:19,510 --> 00:22:17,440

know his stories are stupid he doesn't

477

00:22:21,190 --> 00:22:19,520

have any proof but people shop to see

478

00:22:23,190 --> 00:22:21,200

him so i'm gonna book them

479

00:22:27,190 --> 00:22:23,200

and that's pretty much what what

480

00:22:29,510 --> 00:22:27,200

happened but as time went on and this

481

00:22:32,070 --> 00:22:29,520

man got caught in controversy after

482

00:22:35,029 --> 00:22:32,080

controversy after controversy which

483

00:22:37,029 --> 00:22:35,039

proved him to be a really despicable

484

00:22:39,990 --> 00:22:37,039

individual right

485

00:22:41,590 --> 00:22:40,000

uh he's going after everybody he's suing

486

00:22:42,549 --> 00:22:41,600

all these people who helped put him

487

00:22:44,950 --> 00:22:42,559

there

488

00:22:46,870 --> 00:22:44,960

nice guy so in his former television

489

00:22:48,710 --> 00:22:46,880

show he's suing his former producer his

490

00:22:50,390 --> 00:22:48,720

conference organizer the guy's making

491

00:22:53,029 --> 00:22:50,400

the documentaries you see what his

492

00:22:55,270 --> 00:22:53,039

former writer and manager roger ramsar

493

00:22:57,270 --> 00:22:55,280

his former business partner leon he's

494

00:22:59,190 --> 00:22:57,280

just suing everybody

495

00:23:01,350 --> 00:22:59,200

and by the way

496

00:23:04,230 --> 00:23:01,360

those frivolous stupid lawsuits have

497

00:23:05,750 --> 00:23:04,240

drug on in the court system for some i

498

00:23:08,710 --> 00:23:05,760

think we're up to two two and a half

499

00:23:10,789 --> 00:23:08,720

years now and so far not a single person

500

00:23:12,630 --> 00:23:10,799

has actually been in court we're still

501  
00:23:14,789 --> 00:23:12,640  
at the motion stage

502  
00:23:16,710 --> 00:23:14,799  
but this is what i believe cory good

503  
00:23:20,070 --> 00:23:16,720  
wanted to do he wanted to drag his

504  
00:23:22,710 --> 00:23:20,080  
detractors through long expensive

505  
00:23:25,990 --> 00:23:22,720  
protracted legal battles to shut them up

506  
00:23:27,510 --> 00:23:26,000  
and by and large in most cases it worked

507  
00:23:29,510 --> 00:23:27,520  
because most of the people he's suing

508  
00:23:31,110 --> 00:23:29,520  
just moved on and said it's not worth

509  
00:23:32,870 --> 00:23:31,120  
talking about this guy

510  
00:23:36,230 --> 00:23:32,880  
uh for all the legal hassles that it

511  
00:23:38,230 --> 00:23:36,240  
brings and the forms of harassment and

512  
00:23:40,789 --> 00:23:38,240  
cyber stalking and doxxing and

513  
00:23:43,510 --> 00:23:40,799

everything else that we have

514

00:23:45,750 --> 00:23:43,520

shown goes on behind the scenes with the

515

00:23:47,350 --> 00:23:45,760

cult of corey good

516

00:23:49,590 --> 00:23:47,360

so

517

00:23:51,669 --> 00:23:49,600

on to present times and corey good

518

00:23:54,390 --> 00:23:51,679

having lost that million dollar

519

00:23:56,630 --> 00:23:54,400

corporation that was propping him up

520

00:23:58,470 --> 00:23:56,640

because he's suing them and uh you know

521

00:23:59,990 --> 00:23:58,480

tried to destroy their stock price

522

00:24:02,549 --> 00:24:00,000

because he wasn't happy that they were

523

00:24:04,549 --> 00:24:02,559

hiring people like jason rice and other

524

00:24:06,470 --> 00:24:04,559

ssp whistleblowers to be on that

525

00:24:08,630 --> 00:24:06,480

television show he wanted to be the star

526  
00:24:10,870 --> 00:24:08,640  
and the only star couldn't take the

527  
00:24:12,870 --> 00:24:10,880  
competition

528  
00:24:16,470 --> 00:24:12,880  
we have seen him take actions against

529  
00:24:18,710 --> 00:24:16,480  
other people including emery smith

530  
00:24:20,149 --> 00:24:18,720  
and others that were taking part in that

531  
00:24:22,549 --> 00:24:20,159  
television show

532  
00:24:24,789 --> 00:24:22,559  
we saw david wilcock post his uh i don't

533  
00:24:26,310 --> 00:24:24,799  
know 10 page resignation letter claiming

534  
00:24:28,870 --> 00:24:26,320  
that gaia was some kind of evil

535  
00:24:30,710 --> 00:24:28,880  
luciferian organization then he walked

536  
00:24:34,470 --> 00:24:30,720  
that back

537  
00:24:36,470 --> 00:24:34,480  
but what we see is a comedy of

538  
00:24:38,230 --> 00:24:36,480

amateur hour errors

539

00:24:41,510 --> 00:24:38,240

after all if all these people are

540

00:24:43,590 --> 00:24:41,520

helping you and everybody's making money

541

00:24:45,669 --> 00:24:43,600

then what's the problem

542

00:24:47,909 --> 00:24:45,679

near as i can tell having studied this

543

00:24:49,269 --> 00:24:47,919

man and his business tactics and

544

00:24:52,149 --> 00:24:49,279

everything that went on in the past

545

00:24:53,110 --> 00:24:52,159

couple of years his major problem was

546

00:24:54,789 --> 00:24:53,120

greed

547

00:24:57,110 --> 00:24:54,799

because corey good would make deals with

548

00:24:59,430 --> 00:24:57,120

people okay you make this documentary

549

00:25:02,390 --> 00:24:59,440

we'll give you this much of a percentage

550

00:25:04,149 --> 00:25:02,400

on the documentary but i'm the star and

551  
00:25:06,950 --> 00:25:04,159  
people would do that and work with and

552  
00:25:09,029 --> 00:25:06,960  
for him putting in hundreds of hours of

553  
00:25:11,350 --> 00:25:09,039  
work that he never did

554  
00:25:13,350 --> 00:25:11,360  
corey goode by the way is also in my

555  
00:25:14,549 --> 00:25:13,360  
opinion one of the laziest people i've

556  
00:25:17,430 --> 00:25:14,559  
ever seen

557  
00:25:20,470 --> 00:25:17,440  
because and it is evidenced by his

558  
00:25:22,950 --> 00:25:20,480  
latest updates here which is literally a

559  
00:25:25,830 --> 00:25:22,960  
robot voice reading stupid stories he

560  
00:25:28,870 --> 00:25:25,840  
writes and a couple of uh

561  
00:25:31,750 --> 00:25:28,880  
stock video pieces that he loops

562  
00:25:33,750 --> 00:25:31,760  
along with his garbage

563  
00:25:36,310 --> 00:25:33,760

so

564

00:25:39,269 --> 00:25:36,320

where what where do we go from here

565

00:25:41,110 --> 00:25:39,279

except to sort of look at the slow

566

00:25:43,190 --> 00:25:41,120

steady decline

567

00:25:45,430 --> 00:25:43,200

of one corey good

568

00:25:48,149 --> 00:25:45,440

after all he's not welcome at any of the

569

00:25:49,669 --> 00:25:48,159

major conferences and good luck getting

570

00:25:51,350 --> 00:25:49,679

people to

571

00:25:53,430 --> 00:25:51,360

you know i i wish him the best of luck

572

00:25:55,110 --> 00:25:53,440

trying to get booked at conferences but

573

00:25:56,470 --> 00:25:55,120

as soon as conference organizers see

574

00:25:58,950 --> 00:25:56,480

that he's suing

575

00:26:02,070 --> 00:25:58,960

somebody else that he he worked for a

576

00:26:04,390 --> 00:26:02,080

conference and let's see he's suing his

577

00:26:06,630 --> 00:26:04,400

former employer in the form of gaia his

578

00:26:09,190 --> 00:26:06,640

former business partner his documentary

579

00:26:11,990 --> 00:26:09,200

filter he's suing everybody

580

00:26:14,149 --> 00:26:12,000

that's commonly called a litigious

581

00:26:16,070 --> 00:26:14,159

person

582

00:26:18,630 --> 00:26:16,080

i work on my vocabulary sometimes

583

00:26:20,310 --> 00:26:18,640

litigious it means somebody likes to sue

584

00:26:22,390 --> 00:26:20,320

people a lot

585

00:26:24,630 --> 00:26:22,400

and get involved in frivolous lawsuits

586

00:26:26,390 --> 00:26:24,640

to silence people

587

00:26:28,230 --> 00:26:26,400

no people don't want to work with a

588

00:26:29,669 --> 00:26:28,240

litigious person and take the risk of

589

00:26:30,789 --> 00:26:29,679

getting caught up in some kind of

590

00:26:32,470 --> 00:26:30,799

strange

591

00:26:35,510 --> 00:26:32,480

frivolous lawsuit

592

00:26:37,190 --> 00:26:35,520

so corey good is uh

593

00:26:40,310 --> 00:26:37,200

he's sort of reached an impasse here

594

00:26:42,149 --> 00:26:40,320

like i don't see a right

595

00:26:45,350 --> 00:26:42,159

i don't see a good path forward for him

596

00:26:46,789 --> 00:26:45,360

here all we see is a slow steady decline

597

00:26:49,990 --> 00:26:46,799

of corey good

598

00:26:52,390 --> 00:26:50,000

and new garbage stories and by the way

599

00:26:54,310 --> 00:26:52,400

i for one would like him to prove the

600

00:26:55,750 --> 00:26:54,320

stories he told five years ago that he

601  
00:26:57,590 --> 00:26:55,760  
still hasn't proven

602  
00:26:59,110 --> 00:26:57,600  
right or the stories that he told two

603  
00:27:01,029 --> 00:26:59,120  
years ago that he still hasn't proven

604  
00:27:02,230 --> 00:27:01,039  
three years ago four years ago a year

605  
00:27:03,909 --> 00:27:02,240  
ago

606  
00:27:05,430 --> 00:27:03,919  
and we have covered

607  
00:27:08,149 --> 00:27:05,440  
corey goode's a

608  
00:27:09,590 --> 00:27:08,159  
is abysmal psychic

609  
00:27:11,830 --> 00:27:09,600  
i guess they were psychic i don't know

610  
00:27:13,269 --> 00:27:11,840  
he's got super powers we have covered

611  
00:27:14,870 --> 00:27:13,279  
his a

612  
00:27:18,389 --> 00:27:14,880  
absolutely

613  
00:27:19,990 --> 00:27:18,399

ludicrous predictions for last year

614

00:27:22,230 --> 00:27:20,000

he made all these predictions in

615

00:27:23,990 --> 00:27:22,240

december 2020 about what was going to

616

00:27:25,669 --> 00:27:24,000

happen after

617

00:27:27,990 --> 00:27:25,679

in 2021

618

00:27:30,070 --> 00:27:28,000

guess that many of his predictions

619

00:27:32,470 --> 00:27:30,080

nothing nothing happened nothing that he

620

00:27:35,430 --> 00:27:32,480

said happened and he looks childish and

621

00:27:38,149 --> 00:27:35,440

stupid and foolish again because he

622

00:27:40,310 --> 00:27:38,159

tells everybody that his information is

623

00:27:42,389 --> 00:27:40,320

accurate why because he's in contact

624

00:27:45,110 --> 00:27:42,399

with super advanced extraterrestrial

625

00:27:47,590 --> 00:27:45,120

races and even whole uh you know

626

00:27:50,149 --> 00:27:47,600

galactic councils full of aliens because

627

00:27:52,710 --> 00:27:50,159

he's earth's galactic ambassador and i

628

00:27:55,909 --> 00:27:52,720

guess he goes to wherever they have the

629

00:27:57,909 --> 00:27:55,919

galactic meetings right he's got to go

630

00:27:58,950 --> 00:27:57,919

they get him in a spaceship i don't know

631

00:28:00,470 --> 00:27:58,960

if they do

632

00:28:01,190 --> 00:28:00,480

if he's still saying that but he used to

633

00:28:02,950 --> 00:28:01,200

say

634

00:28:05,190 --> 00:28:02,960

that they pick him up in a spaceship

635

00:28:06,950 --> 00:28:05,200

from his backyard and then he flies to a

636

00:28:09,669 --> 00:28:06,960

lunar moon base and then they take him

637

00:28:12,710 --> 00:28:09,679

from there to the galactic federation

638

00:28:15,510 --> 00:28:12,720

the council of of idiot aliens because

639

00:28:18,549 --> 00:28:15,520

you'd have to be an idiot of an alien to

640

00:28:22,149 --> 00:28:18,559

to choose this guy

641

00:28:26,230 --> 00:28:22,159

as earth's galactic ambassador this guy

642

00:28:28,710 --> 00:28:26,240

really that's the best aliens could do

643

00:28:31,430 --> 00:28:28,720

but here we see that the ridiculous

644

00:28:34,070 --> 00:28:31,440

stories that he told five years ago are

645

00:28:36,950 --> 00:28:34,080

are worthy of nothing more than mockery

646

00:28:40,070 --> 00:28:36,960

today that's how well they've aged there

647

00:28:41,830 --> 00:28:40,080

is hundreds of episodes of this clown

648

00:28:46,630 --> 00:28:41,840

sitting there telling stupid alien

649

00:28:48,789 --> 00:28:46,640

stories for years on gaia then after he

650

00:28:50,789 --> 00:28:48,799

splits with gaia we've got a whole bunch

651  
00:28:53,269 --> 00:28:50,799  
of other stupid stories that he told the

652  
00:28:56,470 --> 00:28:53,279  
conferences that are all stupid childish

653  
00:28:59,990 --> 00:28:56,480  
and worthy of mockery at this point but

654  
00:29:01,990 --> 00:29:00,000  
he's not done yet and perhaps because mr

655  
00:29:03,990 --> 00:29:02,000  
good is tied up

656  
00:29:06,149 --> 00:29:04,000  
he's tied up with legal stuff

657  
00:29:08,870 --> 00:29:06,159  
he's too busy to actually appear on

658  
00:29:10,789 --> 00:29:08,880  
videos himself so what's he going to do

659  
00:29:12,789 --> 00:29:10,799  
he's going to get a robot to read his

660  
00:29:14,230 --> 00:29:12,799  
stupid made-up stories for him so he

661  
00:29:16,149 --> 00:29:14,240  
doesn't even have to be in the videos

662  
00:29:18,549 --> 00:29:16,159  
anymore again

663  
00:29:21,510 --> 00:29:18,559

he's the laziest guy that i've ever seen

664

00:29:24,230 --> 00:29:21,520

in this ufo thing and also the least

665

00:29:26,630 --> 00:29:24,240

creative because every single thing that

666

00:29:29,909 --> 00:29:26,640

cory good talks about we can find where

667

00:29:31,510 --> 00:29:29,919

he got it it's all been out there before

668

00:29:33,029 --> 00:29:31,520

he doesn't have any secret knowledge

669

00:29:35,430 --> 00:29:33,039

he's just looking on the internet for

670

00:29:36,149 --> 00:29:35,440

stupid stories about aliens and nazis

671

00:29:39,830 --> 00:29:36,159

and

672

00:29:41,430 --> 00:29:39,840

regurgitate this [h\_\_h] put a different

673

00:29:42,230 --> 00:29:41,440

spin on it

674

00:29:43,750 --> 00:29:42,240

but

675

00:29:45,750 --> 00:29:43,760

hey

676

00:29:47,510 --> 00:29:45,760

this is where we're at and it's not like

677

00:29:50,070 --> 00:29:47,520

could you imagine corey good walking

678

00:29:52,230 --> 00:29:50,080

into a job interview you know uh

679

00:29:54,149 --> 00:29:52,240

especially he used to work in i.t

680

00:29:55,990 --> 00:29:54,159

apparently i worked in i.t the first

681

00:29:57,750 --> 00:29:56,000

thing they do is google you

682

00:30:00,230 --> 00:29:57,760

see what you've been up to

683

00:30:01,909 --> 00:30:00,240

and look at your social media accounts

684

00:30:04,070 --> 00:30:01,919

could you imagine corey goode walking

685

00:30:06,149 --> 00:30:04,080

into a job interview and and the

686

00:30:07,430 --> 00:30:06,159

interviewer like you know uh so what

687

00:30:08,789 --> 00:30:07,440

have you been doing for the past five

688

00:30:10,470 --> 00:30:08,799

years well

689

00:30:13,350 --> 00:30:10,480

uh i've been telling everybody about my

690

00:30:15,430 --> 00:30:13,360

secret space program and uh telling

691

00:30:17,430 --> 00:30:15,440

everybody about how i time traveled like

692

00:30:19,750 --> 00:30:17,440

buck rogers and saved earth from those

693

00:30:22,230 --> 00:30:19,760

draco reptilian aliens

694

00:30:24,070 --> 00:30:22,240

and i've been suing all my past

695

00:30:25,990 --> 00:30:24,080

employers but don't worry i won't sue

696

00:30:27,990 --> 00:30:26,000

you if you give me a job and i'm

697

00:30:29,510 --> 00:30:28,000

assuming my former business partners and

698

00:30:31,750 --> 00:30:29,520

the people who made the documentary with

699

00:30:34,310 --> 00:30:31,760

me my business partners that organized

700

00:30:36,310 --> 00:30:34,320

conferences i'm suing all those people

701  
00:30:39,510 --> 00:30:36,320  
and and i yeah and i've been telling

702  
00:30:40,549 --> 00:30:39,520  
stories about aliens and my secret space

703  
00:30:43,190 --> 00:30:40,559  
travel

704  
00:30:45,669 --> 00:30:43,200  
you know and my 20 and back you know

705  
00:30:48,070 --> 00:30:45,679  
they age regressed me with with the med

706  
00:30:50,389 --> 00:30:48,080  
bed and i time traveled

707  
00:30:52,470 --> 00:30:50,399  
that's what i've been doing

708  
00:30:55,510 --> 00:30:52,480  
after the interviewer would be done

709  
00:30:57,509 --> 00:30:55,520  
laughing i mean all uh all an employer

710  
00:30:59,509 --> 00:30:57,519  
has to hear is that you're suing a

711  
00:31:01,909 --> 00:30:59,519  
former employer and they're not

712  
00:31:05,909 --> 00:31:01,919  
interested trust me i know

713  
00:31:08,710 --> 00:31:05,919

you you are it it's very very

714

00:31:11,669 --> 00:31:08,720

dangerous to sue an employer for this

715

00:31:12,789 --> 00:31:11,679

for for many reasons but

716

00:31:14,789 --> 00:31:12,799

for the

717

00:31:16,950 --> 00:31:14,799

one reason in particular that that

718

00:31:19,750 --> 00:31:16,960

should always be avoided is that new

719

00:31:22,389 --> 00:31:19,760

employers do not want to hire somebody

720

00:31:24,870 --> 00:31:22,399

that's suing his former employer

721

00:31:27,509 --> 00:31:24,880

and those things become public so

722

00:31:30,389 --> 00:31:27,519

potential employers they know how to

723

00:31:32,549 --> 00:31:30,399

check for these things and they do

724

00:31:34,149 --> 00:31:32,559

so corey good stuff between a rock and a

725

00:31:36,630 --> 00:31:34,159

hard place because he's been telling

726

00:31:38,870 --> 00:31:36,640

alien stupid stories with no proof for

727

00:31:42,070 --> 00:31:38,880

five or six years now and he's got

728

00:31:44,789 --> 00:31:42,080

nowhere to go he's got no out there's no

729

00:31:47,269 --> 00:31:44,799

help for this he's got to keep this

730

00:31:49,590 --> 00:31:47,279

alien bunch of [h\_\_h] ball he's gotta

731

00:31:51,190 --> 00:31:49,600

keep pushing this [h\_\_h] ball all the

732

00:31:52,470 --> 00:31:51,200

way down the hill

733

00:31:55,110 --> 00:31:52,480

no matter what

734

00:31:57,350 --> 00:31:55,120

well now it would be up to him right he

735

00:31:59,750 --> 00:31:57,360

had an easy time getting that

736

00:32:01,750 --> 00:31:59,760

ball of bull down the hill when

737

00:32:03,350 --> 00:32:01,760

multi-million dollar corporations were

738

00:32:05,430 --> 00:32:03,360

propping him up when professional

739

00:32:07,990 --> 00:32:05,440

filmmakers making documentaries were

740

00:32:10,070 --> 00:32:08,000

propping him up when professional event

741

00:32:11,590 --> 00:32:10,080

planners and conference organizers were

742

00:32:13,909 --> 00:32:11,600

helping him

743

00:32:17,029 --> 00:32:13,919

uh when people involved in hollywood

744

00:32:20,310 --> 00:32:17,039

were helping him maybe get tv show deals

745

00:32:21,830 --> 00:32:20,320

or movie deals he had a lot of help all

746

00:32:23,909 --> 00:32:21,840

that help is gone

747

00:32:26,789 --> 00:32:23,919

now corey goods he's got to push that

748

00:32:29,029 --> 00:32:26,799

bull ball all the way back up the hill

749

00:32:31,830 --> 00:32:29,039

by himself and he's having a tough time

750

00:32:33,830 --> 00:32:31,840

doing it friends because this level of

751  
00:32:35,909 --> 00:32:33,840  
garbage that we're going to play tonight

752  
00:32:39,350 --> 00:32:35,919  
is why i keep calling him the garbage

753  
00:32:41,590 --> 00:32:39,360  
man of ufology because he's got nothing

754  
00:32:44,070 --> 00:32:41,600  
nothing he's so desperate he's he's

755  
00:32:45,110 --> 00:32:44,080  
posting bigfoot videos that are fake

756  
00:32:46,470 --> 00:32:45,120  
right now

757  
00:32:48,389 --> 00:32:46,480  
right

758  
00:32:49,590 --> 00:32:48,399  
my goodness

759  
00:32:51,590 --> 00:32:49,600  
so

760  
00:32:55,750 --> 00:32:51,600  
we're gonna share his latest important

761  
00:33:00,389 --> 00:32:58,230  
and you might ask yourself

762  
00:33:03,350 --> 00:33:00,399  
this sounds like an important update

763  
00:33:04,630 --> 00:33:03,360

after all it's coming from the commander

764

00:33:06,950 --> 00:33:04,640

after all

765

00:33:09,750 --> 00:33:06,960

the commander is giving us this update

766

00:33:11,830 --> 00:33:09,760

without intermediaries the video says

767

00:33:14,230 --> 00:33:11,840

and you may ask yourself whoa commander

768

00:33:16,630 --> 00:33:14,240

that sounds important hey corey good can

769

00:33:18,789 --> 00:33:16,640

we meet this mysterious secret space

770

00:33:21,269 --> 00:33:18,799

program fleet commander

771

00:33:23,430 --> 00:33:21,279

no because he's inquiry goods and matt

772

00:33:25,190 --> 00:33:23,440

this is corey good's imaginary commander

773

00:33:27,590 --> 00:33:25,200

friend okay

774

00:33:31,029 --> 00:33:27,600

it's just like a child on a playground

775

00:33:33,669 --> 00:33:31,039

it's that childish and stupid

776

00:33:37,509 --> 00:33:33,679

and you can't meet any of these people

777

00:33:38,710 --> 00:33:37,519

and again in this stupid robot voice red

778

00:33:41,110 --> 00:33:38,720

garbage

779

00:33:42,310 --> 00:33:41,120

intel report from corey goodwin gonna

780

00:33:44,870 --> 00:33:42,320

play

781

00:33:47,430 --> 00:33:44,880

you you can't

782

00:33:50,230 --> 00:33:47,440

prove or disprove any of this bs that

783

00:33:52,470 --> 00:33:50,240

he's saying and he offers zero evidence

784

00:33:54,549 --> 00:33:52,480

it's just a stupid story

785

00:33:57,029 --> 00:33:54,559

just like the stupid stories that he's

786

00:33:58,549 --> 00:33:57,039

been telling for five years now

787

00:34:01,029 --> 00:33:58,559

but this is where we're at and this is

788

00:34:02,710 --> 00:34:01,039

where we find ourselves and by the way i

789

00:34:05,029 --> 00:34:02,720

we covered this is i think this is the

790

00:34:07,269 --> 00:34:05,039

third one we covered and there's

791

00:34:09,510 --> 00:34:07,279

something real annoying here in that

792

00:34:11,909 --> 00:34:09,520

sometimes to get the robot voice to read

793

00:34:14,550 --> 00:34:11,919

words right you have to phonetically

794

00:34:17,109 --> 00:34:14,560

spell [h\_\_h] and he's so lazy he won't

795

00:34:20,950 --> 00:34:17,119

even phonetically fix things and make

796

00:34:23,589 --> 00:34:20,960

the robot voice read the stuff right so

797

00:34:25,909 --> 00:34:23,599

it's mispronouncing words and you know

798

00:34:27,909 --> 00:34:25,919

it's not that good a robot voice corey

799

00:34:30,550 --> 00:34:27,919

good and i would submit to you that if a

800

00:34:33,030 --> 00:34:30,560

man was really in contact with super

801  
00:34:34,550 --> 00:34:33,040  
advanced extraterrestrial aliens he

802  
00:34:37,190 --> 00:34:34,560  
would be able to get a better robot

803  
00:34:39,750 --> 00:34:37,200  
voice to read his [h\_\_\h] than speechlow

804  
00:34:41,589 --> 00:34:39,760  
for twenty dollars okay corey good get a

805  
00:34:44,149 --> 00:34:41,599  
better robot voice i'm sick of this

806  
00:34:46,829 --> 00:34:44,159  
robot voice sick of it

807  
00:34:51,109 --> 00:34:48,470  
now

808  
00:34:55,190 --> 00:34:51,119  
we're going to get to the main event

809  
00:34:55,200 --> 00:34:59,109  
from corey good

810  
00:35:10,069 --> 00:35:02,550  
i'm going to share my screen

811  
00:35:13,510 --> 00:35:11,510  
all right we're going to share my screen

812  
00:35:15,829 --> 00:35:13,520  
we're going to cite fair use this is a

813  
00:35:17,750 --> 00:35:15,839

transformative work

814

00:35:21,190 --> 00:35:17,760

we're educating the public

815

00:35:23,750 --> 00:35:21,200

about corey good's ssp alliance update

816

00:35:26,230 --> 00:35:23,760

the dark fleet and draco reptilian

817

00:35:27,750 --> 00:35:26,240

aliens

818

00:35:30,230 --> 00:35:27,760

i think he and carrie cassidy ought to

819

00:35:32,069 --> 00:35:30,240

get together on this

820

00:35:34,310 --> 00:35:32,079

all right friends let's get into this

821

00:35:36,230 --> 00:35:34,320

garbage

822

00:35:38,310 --> 00:35:36,240

and uh i haven't listened to this whole

823

00:35:40,310 --> 00:35:38,320

thing simply because i refuse to listen

824

00:35:43,030 --> 00:35:40,320

to this whole thing twice

825

00:35:44,870 --> 00:35:43,040

and here we see a uh

826

00:35:48,550 --> 00:35:44,880

at the beginning is

827

00:35:51,109 --> 00:35:48,560

a stolen image that he doesn't own

828

00:35:53,349 --> 00:35:51,119

of a crop circle that he didn't make

829

00:35:56,710 --> 00:35:53,359

and nobody could prove aliens made it

830

00:36:00,630 --> 00:35:58,790

be where the bearers of false gifts and

831

00:36:02,470 --> 00:36:00,640

their broken promises

832

00:36:04,310 --> 00:36:02,480

by the way that was one of the messages

833

00:36:06,390 --> 00:36:04,320

in this crop circle that he's now going

834

00:36:09,349 --> 00:36:06,400

to claim for his own and weave into his

835

00:36:10,230 --> 00:36:09,359

own stupid story much pain but still

836

00:36:12,870 --> 00:36:10,240

time

837

00:36:18,630 --> 00:36:12,880

believe there is good out there we

838

00:36:25,990 --> 00:36:21,050

oh the conduit's closing

839

00:36:29,829 --> 00:36:28,390

wow and look at this level of production

840

00:36:31,910 --> 00:36:29,839

that's got to be

841

00:36:34,109 --> 00:36:31,920

i don't know seven dollars worth of

842

00:36:36,069 --> 00:36:34,119

stock footage that he bought off of uh

843

00:36:39,360 --> 00:36:36,079

stockfootage.com or something man that

844

00:36:49,510 --> 00:36:39,370

is he is going all out with this

845

00:36:52,150 --> 00:36:50,310

from

846

00:36:54,710 --> 00:36:52,160

chief of operations oh i'm sorry it

847

00:36:56,310 --> 00:36:54,720

wasn't the commander it was the chief of

848

00:37:00,630 --> 00:36:56,320

operations

849

00:37:01,910 --> 00:37:00,640

is that like the master chief you know

850

00:37:04,470 --> 00:37:01,920

like halo

851

00:37:06,230 --> 00:37:04,480

i don't understand but this is the chief

852

00:37:08,150 --> 00:37:06,240

of operations

853

00:37:10,710 --> 00:37:08,160

so apparently cory is going to pretend

854

00:37:13,030 --> 00:37:10,720

that this stuff is not him writing this

855

00:37:16,230 --> 00:37:13,040

garbage right it's the chief of

856

00:37:18,710 --> 00:37:16,240

operations given this intel report

857

00:37:20,630 --> 00:37:18,720

can we meet the chief no no you can't

858

00:37:23,030 --> 00:37:20,640

meet the chief of operations you're not

859

00:37:25,030 --> 00:37:23,040

important enough only corey good can

860

00:37:28,150 --> 00:37:25,040

talk to the chief of operations or get

861

00:37:30,630 --> 00:37:28,160

intel or breed things oh this is another

862

00:37:31,670 --> 00:37:30,640

briefing from the chief of operations

863

00:37:33,430 --> 00:37:31,680

who i

864

00:37:35,750 --> 00:37:33,440

best that i could tell is one of cory

865

00:37:36,630 --> 00:37:35,760

good's imaginary friends

866

00:37:39,270 --> 00:37:36,640

two

867

00:37:40,390 --> 00:37:39,280

all governments militaries and citizens

868

00:37:42,390 --> 00:37:40,400

of earth

869

00:37:45,190 --> 00:37:42,400

all governments militaries and citizens

870

00:37:47,510 --> 00:37:45,200

of earth dude could you imagine a real

871

00:37:48,790 --> 00:37:47,520

military man sitting here and watching

872

00:37:50,310 --> 00:37:48,800

this [h\_\_\h]

873

00:37:53,270 --> 00:37:50,320

how fast do you think they would turn

874

00:37:55,270 --> 00:37:53,280

this off and say this is stupid childish

875

00:37:57,349 --> 00:37:55,280

garbage nonsense

876

00:37:59,190 --> 00:37:57,359

but it's to all governments militaries

877

00:38:00,470 --> 00:37:59,200

and citizens of earth this is important

878

00:38:02,870 --> 00:38:00,480

information

879

00:38:05,990 --> 00:38:02,880

and look it says top secret so it must

880

00:38:07,589 --> 00:38:06,000

be it's classified beyond magic

881

00:38:10,150 --> 00:38:07,599

right

882

00:38:12,390 --> 00:38:10,160

and one would one might ask themselves

883

00:38:14,470 --> 00:38:12,400

if something is really top secret

884

00:38:17,589 --> 00:38:14,480

and he's releasing top secret

885

00:38:19,510 --> 00:38:17,599

information he'd be arrested immediately

886

00:38:22,069 --> 00:38:19,520

but this is the third top secret

887

00:38:23,910 --> 00:38:22,079

classified beyond magic briefing that

888

00:38:26,390 --> 00:38:23,920

corey goode has posted on a public

889

00:38:28,069 --> 00:38:26,400

youtube channel and so far he ain't

890

00:38:30,550 --> 00:38:28,079

gotten sued yet

891

00:38:32,630 --> 00:38:30,560

funny that oh he hasn't gotten arrested

892

00:38:35,670 --> 00:38:32,640

yet for releasing any top secret

893

00:38:37,910 --> 00:38:35,680

information that right there may be the

894

00:38:40,710 --> 00:38:37,920

tip off the cory good doesn't have top

895

00:38:42,950 --> 00:38:40,720

secret nothing this is stupid and child

896

00:38:45,270 --> 00:38:42,960

he's top secret corey good it's like

897

00:38:47,750 --> 00:38:45,280

james bond except he time travels like

898

00:38:49,910 --> 00:38:47,760

buck rogers and fights reptilian aliens

899

00:38:53,270 --> 00:38:49,920

in space and he's got access to top

900

00:38:54,950 --> 00:38:53,280

secret information sure he does subject

901  
00:38:56,390 --> 00:38:54,960  
the dark fleet and the drake are

902  
00:38:59,190 --> 00:38:56,400  
reptilians

903  
00:39:01,430 --> 00:38:59,200  
this is an official ssp alliance release

904  
00:39:03,190 --> 00:39:01,440  
well this isn't an unofficial ssp

905  
00:39:05,589 --> 00:39:03,200  
alliance release this is an official

906  
00:39:09,030 --> 00:39:05,599  
release because only corey goode can

907  
00:39:11,510 --> 00:39:09,040  
bring us official ssp information did

908  
00:39:14,710 --> 00:39:11,520  
you know that he says everybody else is

909  
00:39:16,550 --> 00:39:14,720  
lying but he's got the true and the real

910  
00:39:18,790 --> 00:39:16,560  
and the accurate information and

911  
00:39:22,069 --> 00:39:18,800  
everybody else is lying you know who

912  
00:39:23,910 --> 00:39:22,079  
else says that cults cults say

913  
00:39:26,470 --> 00:39:23,920

only we have the truth and everybody

914

00:39:28,630 --> 00:39:26,480

else only we have the truth you can only

915

00:39:31,270 --> 00:39:28,640

get the truth from us many many cults

916

00:39:33,910 --> 00:39:31,280

say that which is uh both frightening

917

00:39:35,670 --> 00:39:33,920

and concerning that he's now pivoted to

918

00:39:37,829 --> 00:39:35,680

trying to tell everybody that only he

919

00:39:42,790 --> 00:39:37,839

has the accurate correct information and

920

00:39:47,910 --> 00:39:45,430

to combat counter intelligence campaigns

921

00:39:50,390 --> 00:39:47,920

against the secret space program topic

922

00:39:52,230 --> 00:39:50,400

we are releasing a series of briefings

923

00:39:55,349 --> 00:39:52,240

straight from our highest ranking

924

00:39:57,030 --> 00:39:55,359

officers without intermediaries okay so

925

00:39:59,510 --> 00:39:57,040

can we talk to those highest ranking

926

00:40:01,430 --> 00:39:59,520

officers corey goode oh that's right

927

00:40:03,430 --> 00:40:01,440

they don't exist either none of them

928

00:40:05,670 --> 00:40:03,440

exist they're they're all cory goods

929

00:40:07,349 --> 00:40:05,680

imaginary friends corey good has

930

00:40:11,430 --> 00:40:07,359

imaginary friends

931

00:40:13,990 --> 00:40:11,440

uh like high-ranking officers and uh

932

00:40:18,470 --> 00:40:16,230

chiefs right

933

00:40:20,550 --> 00:40:18,480

and but nobody else is allowed to talk

934

00:40:22,950 --> 00:40:20,560

to those people only cory good is

935

00:40:24,950 --> 00:40:22,960

allowed to talk to those high-ranking

936

00:40:26,390 --> 00:40:24,960

officers that he's getting this

937

00:40:29,270 --> 00:40:26,400

information from

938

00:40:32,309 --> 00:40:29,280

not a single journalist on earth

939

00:40:34,870 --> 00:40:32,319

not a single youtuber content creator

940

00:40:38,069 --> 00:40:34,880

documentary filmmaker ufo

941

00:40:39,670 --> 00:40:38,079

uh investigator ssp researcher nobody's

942

00:40:41,109 --> 00:40:39,680

allowed to talk to these high-ranking

943

00:40:44,230 --> 00:40:41,119

officers

944

00:40:47,829 --> 00:40:44,240

do you know why because they don't exist

945

00:40:49,349 --> 00:40:47,839

this guy is so transparently childish

946

00:40:50,069 --> 00:40:49,359

and stupid

947

00:40:52,710 --> 00:40:50,079

but

948

00:40:54,309 --> 00:40:52,720

you know it is what it is and uh we got

949

00:40:57,750 --> 00:40:54,319

to make it through all right we're only

950

00:40:59,510 --> 00:40:57,760

a minute in and already it's not looking

951  
00:41:03,990 --> 00:40:59,520  
good

952  
00:41:09,670 --> 00:41:07,430  
secret space program alliance update

953  
00:41:11,430 --> 00:41:09,680  
right if it's a secret space program

954  
00:41:13,349 --> 00:41:11,440  
what are you doing on youtube tell

955  
00:41:15,190 --> 00:41:13,359  
everybody about it

956  
00:41:18,150 --> 00:41:15,200  
shouldn't that be against the secret

957  
00:41:20,550 --> 00:41:18,160  
space program code of secrecy i i don't

958  
00:41:23,109 --> 00:41:20,560  
know just just me

959  
00:41:25,670 --> 00:41:23,119  
we strongly recommend that you disregard

960  
00:41:27,990 --> 00:41:25,680  
information regarding the secret space

961  
00:41:31,190 --> 00:41:28,000  
program that is not coming directly from

962  
00:41:33,670 --> 00:41:31,200  
us and here we have it again

963  
00:41:34,710 --> 00:41:33,680

only corey goode

964

00:41:37,109 --> 00:41:34,720

is

965

00:41:39,270 --> 00:41:37,119

qualified to bring us secret space

966

00:41:41,109 --> 00:41:39,280

program information and look at the

967

00:41:44,230 --> 00:41:41,119

quality of the information that he

968

00:41:46,069 --> 00:41:44,240

brings us so far we're one minute in and

969

00:41:47,990 --> 00:41:46,079

we're up to

970

00:41:50,150 --> 00:41:48,000

well he's saying officers here so it

971

00:41:51,910 --> 00:41:50,160

would have to be two or more right

972

00:41:52,710 --> 00:41:51,920

and then we've got the chief in the

973

00:41:55,670 --> 00:41:52,720

first

974

00:41:58,230 --> 00:41:55,680

uh page here so that's three anonymous

975

00:41:59,990 --> 00:41:58,240

sources so far that corey good is using

976

00:42:02,230 --> 00:42:00,000

to put out this garbage

977

00:42:04,790 --> 00:42:02,240

and again nobody else is allowed to talk

978

00:42:05,990 --> 00:42:04,800

to those anonymous sources just corey

979

00:42:08,550 --> 00:42:06,000

good

980

00:42:11,990 --> 00:42:08,560

and i find it interesting that he is

981

00:42:13,829 --> 00:42:12,000

talking about disinformation here

982

00:42:15,910 --> 00:42:13,839

counterintelligence campaigns against

983

00:42:17,990 --> 00:42:15,920

the secret space program topic because

984

00:42:19,910 --> 00:42:18,000

did you know that many people secret

985

00:42:22,390 --> 00:42:19,920

space program researchers especially

986

00:42:24,150 --> 00:42:22,400

from before he was around has accused

987

00:42:26,069 --> 00:42:24,160

him of being a disinformation guy

988

00:42:28,309 --> 00:42:26,079

because people were making a great deal

989

00:42:30,230 --> 00:42:28,319

of progress on the secret space program

990

00:42:32,230 --> 00:42:30,240

topic people are starting to get really

991

00:42:33,990 --> 00:42:32,240

close to some really accurate

992

00:42:35,510 --> 00:42:34,000

information about what the united states

993

00:42:37,270 --> 00:42:35,520

government is hiding

994

00:42:39,190 --> 00:42:37,280

uh in their

995

00:42:41,270 --> 00:42:39,200

real secret space program and along

996

00:42:44,550 --> 00:42:41,280

comes corey good with all this time

997

00:42:48,150 --> 00:42:44,560

travel alien galactic council nonsense

998

00:42:50,309 --> 00:42:48,160

and made the subject worthy of mockery

999

00:42:52,470 --> 00:42:50,319

but now he's going to tell you that all

1000

00:42:54,550 --> 00:42:52,480

those other serious researchers that

1001  
00:42:58,390 --> 00:42:54,560  
have you know evidence

1002  
00:43:00,950 --> 00:42:58,400  
and uh you know documents and proof of

1003  
00:43:03,030 --> 00:43:00,960  
what they're talking about they're all

1004  
00:43:05,589 --> 00:43:03,040  
counter intelligence campaigns against

1005  
00:43:08,230 --> 00:43:05,599  
the secret space program topic and only

1006  
00:43:09,990 --> 00:43:08,240  
he has the real information the guy who

1007  
00:43:11,829 --> 00:43:10,000  
have been telling fairy tales for five

1008  
00:43:14,550 --> 00:43:11,839  
or six years now and hasn't produced a

1009  
00:43:17,030 --> 00:43:14,560  
single shred of proof

1010  
00:43:19,910 --> 00:43:17,040  
the disclosures we have brought forward

1011  
00:43:22,790 --> 00:43:19,920  
have been compromised fake secret space

1012  
00:43:24,710 --> 00:43:22,800  
program veterans super soldier imposters

1013  
00:43:27,270 --> 00:43:24,720

and et imposters

1014

00:43:30,750 --> 00:43:27,280

imposters corey good

1015

00:43:34,069 --> 00:43:30,760

you gotta you gotta do it like this

1016

00:43:35,670 --> 00:43:34,079

m-i-m-space p-o-s-t-e-r-s then the robot

1017

00:43:37,190 --> 00:43:35,680

voice will say it right i'm getting

1018

00:43:38,829 --> 00:43:37,200

tired of listening to this robot voice

1019

00:43:41,589 --> 00:43:38,839

saying

1020

00:43:44,230 --> 00:43:41,599

imposters right

1021

00:43:46,710 --> 00:43:44,240

stop being so lazy corey good take a

1022

00:43:47,910 --> 00:43:46,720

minute to make this robot voice say it

1023

00:43:50,630 --> 00:43:47,920

right you got to spell it out

1024

00:43:57,750 --> 00:43:50,640

phonetically so it doesn't say in best

1025

00:44:01,750 --> 00:43:59,349

yeah so there's

1026  
00:44:04,790 --> 00:44:01,760  
all the other people they're fake secret

1027  
00:44:07,190 --> 00:44:04,800  
space program veterans they're all fake

1028  
00:44:08,550 --> 00:44:07,200  
those other guys but corey good is the

1029  
00:44:12,309 --> 00:44:08,560  
real deal

1030  
00:44:14,390 --> 00:44:12,319  
as evidenced by his use of

1031  
00:44:16,390 --> 00:44:14,400  
three anonymous sources and zero

1032  
00:44:19,270 --> 00:44:16,400  
evidence or proof of anything that he's

1033  
00:44:21,510 --> 00:44:19,280  
talked about in the in this so far

1034  
00:44:23,910 --> 00:44:21,520  
but this is what we get garbage is a

1035  
00:44:26,150 --> 00:44:23,920  
garbage peddler these have released

1036  
00:44:28,230 --> 00:44:26,160  
considerable misinformation

1037  
00:44:30,710 --> 00:44:28,240  
to keep humanity from fighting for

1038  
00:44:32,390 --> 00:44:30,720

freedom with a full sense of security

1039

00:44:35,750 --> 00:44:32,400

they are peddling the narrative that the

1040

00:44:37,910 --> 00:44:35,760

mars colonies moon and antarctica bases

1041

00:44:40,150 --> 00:44:37,920

have been liberated from the grey alien

1042

00:44:43,030 --> 00:44:40,160

and reptilian forces okay and just a

1043

00:44:45,829 --> 00:44:43,040

note for people who don't follow alien

1044

00:44:48,150 --> 00:44:45,839

uh fake people who tell alien stories on

1045

00:44:49,510 --> 00:44:48,160

the internet yeah there's a faction of

1046

00:44:51,349 --> 00:44:49,520

some of these guys that are telling

1047

00:44:53,270 --> 00:44:51,359

everybody that the moon in antarctica

1048

00:44:55,430 --> 00:44:53,280

have all been liberated from the gray

1049

00:44:57,430 --> 00:44:55,440

aliens and reptilian forces and we're

1050

00:45:01,349 --> 00:44:57,440

pushing them back friends and we're

1051  
00:45:03,510 --> 00:45:01,359  
winning this war corey good's like no no

1052  
00:45:05,910 --> 00:45:03,520  
i gotta keep the war going so that i

1053  
00:45:07,910 --> 00:45:05,920  
could get more money to tell my stories

1054  
00:45:10,550 --> 00:45:07,920  
about what's really going on behind the

1055  
00:45:11,990 --> 00:45:10,560  
scenes sure

1056  
00:45:14,309 --> 00:45:12,000  
and the fact that

1057  
00:45:16,230 --> 00:45:14,319  
one guy telling stupid alien stories

1058  
00:45:19,030 --> 00:45:16,240  
with no evidence or proof is going to

1059  
00:45:21,030 --> 00:45:19,040  
have a beef and argue with another guy

1060  
00:45:22,870 --> 00:45:21,040  
telling stupid alien stories with no

1061  
00:45:25,589 --> 00:45:22,880  
proof over who's right

1062  
00:45:26,950 --> 00:45:25,599  
it it's just priceless to me and and uh

1063  
00:45:29,190 --> 00:45:26,960

recently

1064

00:45:30,550 --> 00:45:29,200

corey good's fluffer michael sala and

1065

00:45:32,630 --> 00:45:30,560

him split

1066

00:45:36,069 --> 00:45:32,640

and now michael salad doesn't believe

1067

00:45:37,750 --> 00:45:36,079

that his current information is real but

1068

00:45:40,470 --> 00:45:37,760

he's been selling his other garbage for

1069

00:45:41,829 --> 00:45:40,480

the past five or six years as real

1070

00:45:43,589 --> 00:45:41,839

michael sala

1071

00:45:46,069 --> 00:45:43,599

is supposed to be some kind of doctor i

1072

00:45:47,829 --> 00:45:46,079

think he's a doctor and he's got a phd

1073

00:45:51,430 --> 00:45:47,839

you know what that means piled higher

1074

00:45:53,910 --> 00:45:51,440

and deeper michael sala is a joke

1075

00:45:56,630 --> 00:45:53,920

he believes every alien story that

1076  
00:45:58,470 --> 00:45:56,640  
people tell him but suddenly even he

1077  
00:46:01,190 --> 00:45:58,480  
doesn't believe corey good anymore

1078  
00:46:03,750 --> 00:46:01,200  
that's how bad corey good stupid stories

1079  
00:46:07,829 --> 00:46:06,230  
in our last briefing we described the

1080  
00:46:10,710 --> 00:46:07,839  
liberation of

1081  
00:46:13,990 --> 00:46:10,720  
these are not briefings these are stupid

1082  
00:46:16,150 --> 00:46:14,000  
stories written by an a dummy with no

1083  
00:46:18,470 --> 00:46:16,160  
evidence and no proof that he gets a

1084  
00:46:19,750 --> 00:46:18,480  
robot to read this isn't a briefing

1085  
00:46:22,150 --> 00:46:19,760  
glory good

1086  
00:46:25,589 --> 00:46:22,160  
generals get briefings senators get

1087  
00:46:27,990 --> 00:46:25,599  
briefings military people congressmen

1088  
00:46:30,470 --> 00:46:28,000

presidents get briefings cory guns not

1089

00:46:33,109 --> 00:46:30,480

get briefings this is garbage

1090

00:46:35,270 --> 00:46:33,119

planet from the ai god and the orion

1091

00:46:37,430 --> 00:46:35,280

group and the similar events occurring

1092

00:46:39,670 --> 00:46:37,440

on earth we emphasize that the

1093

00:46:42,390 --> 00:46:39,680

liberation of earth will only happen

1094

00:46:45,190 --> 00:46:42,400

through our actions and on our terms we

1095

00:46:47,109 --> 00:46:45,200

are our own saviors in this briefing we

1096

00:46:49,510 --> 00:46:47,119

will focus on the dark fleet and the

1097

00:46:52,150 --> 00:46:49,520

draco reptilians oh that's good because

1098

00:46:54,309 --> 00:46:52,160

you know i i don't know about you guys

1099

00:46:56,870 --> 00:46:54,319

but going through life in my daily life

1100

00:46:58,550 --> 00:46:56,880

you know i i'm you know i'm worried

1101  
00:47:00,710 --> 00:46:58,560  
about a lot of things right that i

1102  
00:47:02,630 --> 00:47:00,720  
should be worried about like my children

1103  
00:47:04,069 --> 00:47:02,640  
and school getting shut down again and

1104  
00:47:05,750 --> 00:47:04,079  
going virtual

1105  
00:47:08,550 --> 00:47:05,760  
um worried about my

1106  
00:47:10,550 --> 00:47:08,560  
you know role as a father and providing

1107  
00:47:12,069 --> 00:47:10,560  
for my children and making sure there's

1108  
00:47:14,069 --> 00:47:12,079  
food on the table i'm worried about a

1109  
00:47:15,670 --> 00:47:14,079  
lot of things but you know you know what

1110  
00:47:17,670 --> 00:47:15,680  
really worries me

1111  
00:47:19,670 --> 00:47:17,680  
lately is i'm really worried about

1112  
00:47:22,870 --> 00:47:19,680  
what's going on with the dark fleet and

1113  
00:47:24,870 --> 00:47:22,880

the draco reptilian aliens that this guy

1114

00:47:26,549 --> 00:47:24,880

says are out there that nobody else you

1115

00:47:28,549 --> 00:47:26,559

know sees or can

1116

00:47:30,630 --> 00:47:28,559

have any evidence or proof of that's

1117

00:47:33,510 --> 00:47:30,640

what i spend my time worrying about the

1118

00:47:35,750 --> 00:47:33,520

dark fleet and draco reptilian aliens so

1119

00:47:37,430 --> 00:47:35,760

i'm real glad that corey good is here to

1120

00:47:38,950 --> 00:47:37,440

tell us the good news about what's going

1121

00:47:41,030 --> 00:47:38,960

on with the dark fleet and the draco

1122

00:47:43,829 --> 00:47:41,040

reptilians

1123

00:47:46,390 --> 00:47:43,839

we are working with ssp alliance council

1124

00:47:49,589 --> 00:47:46,400

members to release the actual program

1125

00:47:52,790 --> 00:47:49,599

name of the dark fleet ssp faction as

1126

00:47:55,109 --> 00:47:52,800

good first reported in 2015 dark fleet

1127

00:47:57,670 --> 00:47:55,119

was the alliance's name assigned to this

1128

00:47:59,910 --> 00:47:57,680

program to identify and discredit

1129

00:48:02,470 --> 00:47:59,920

individuals predicted to emerge with

1130

00:48:04,790 --> 00:48:02,480

testimonies mirrored to hijack goods

1131

00:48:06,870 --> 00:48:04,800

public narrative oh so see other people

1132

00:48:09,030 --> 00:48:06,880

are ripping off corey good

1133

00:48:11,829 --> 00:48:09,040

and he didn't rip nobody off even though

1134

00:48:14,630 --> 00:48:11,839

bill ryan and others have said that he

1135

00:48:15,670 --> 00:48:14,640

mined the avalon forums for all of his

1136

00:48:17,589 --> 00:48:15,680

stories

1137

00:48:19,829 --> 00:48:17,599

and he glued together bits of a whole

1138

00:48:23,750 --> 00:48:19,839

bunch of other people's experiences

1139

00:48:26,549 --> 00:48:23,760

nothing is original that he talked about

1140

00:48:28,870 --> 00:48:26,559

but he didn't rip nobody off right but

1141

00:48:31,430 --> 00:48:28,880

everybody else is ripping off him and

1142

00:48:33,349 --> 00:48:31,440

they're they're mirroring his testimony

1143

00:48:34,790 --> 00:48:33,359

because they want to hijack

1144

00:48:36,470 --> 00:48:34,800

his narrative

1145

00:48:39,270 --> 00:48:36,480

okay

1146

00:48:42,069 --> 00:48:39,280

we are also working with ssp alliance

1147

00:48:44,549 --> 00:48:42,079

council to release the entire database

1148

00:48:46,790 --> 00:48:44,559

on the dark fleet and its allies leaked

1149

00:48:48,790 --> 00:48:46,800

to sigmund by defectors

1150

00:48:50,390 --> 00:48:48,800

there's a fourth anonymous source

1151  
00:48:52,790 --> 00:48:50,400  
sigmund

1152  
00:48:55,270 --> 00:48:52,800  
uh is another anonymous source i think

1153  
00:48:56,950 --> 00:48:55,280  
wasn't that one of the guys that died or

1154  
00:49:06,069 --> 00:48:56,960  
these guys finally decided that that

1155  
00:49:08,870 --> 00:49:07,910  
but here we have

1156  
00:49:11,109 --> 00:49:08,880  
another

1157  
00:49:14,309 --> 00:49:11,119  
anonymous source

1158  
00:49:16,790 --> 00:49:14,319  
another corey good imaginary friend that

1159  
00:49:19,910 --> 00:49:16,800  
nobody else is allowed to talk to nobody

1160  
00:49:21,990 --> 00:49:19,920  
else is allowed to uh you know interview

1161  
00:49:23,430 --> 00:49:22,000  
this sigmund and say

1162  
00:49:25,270 --> 00:49:23,440  
is corey good telling the truth about

1163  
00:49:26,870 --> 00:49:25,280

the stuff that that he's talking about

1164

00:49:29,030 --> 00:49:26,880

where he mentions you

1165

00:49:32,710 --> 00:49:29,040

nobody gets to see sigmund

1166

00:49:35,990 --> 00:49:32,720

nobody gets to talk to sigmund

1167

00:49:39,750 --> 00:49:36,000

most likely friends because

1168

00:49:43,190 --> 00:49:39,760

it's another imaginary friend of cory's

1169

00:49:48,390 --> 00:49:43,200

so we're up to four anonymous sources

1170

00:49:52,309 --> 00:49:50,549

it's taken corey good for anonymous

1171

00:49:54,069 --> 00:49:52,319

sources so far

1172

00:49:56,549 --> 00:49:54,079

at least i'm assuming because he said

1173

00:49:59,510 --> 00:49:56,559

officers so that's gotta be two or more

1174

00:50:02,549 --> 00:49:59,520

and we have the chief commander

1175

00:50:04,390 --> 00:50:02,559

and now we have sigmund

1176

00:50:06,150 --> 00:50:04,400

that's four

1177

00:50:07,430 --> 00:50:06,160

there's four

1178

00:50:08,950 --> 00:50:07,440

i feel like i feel like i'm on an

1179

00:50:12,549 --> 00:50:08,960

episode of sesame street here because

1180

00:50:14,470 --> 00:50:12,559

this is so childish four the number four

1181

00:50:17,190 --> 00:50:14,480

four anonymous sources

1182

00:50:20,230 --> 00:50:17,200

so far it has taken corey good for

1183

00:50:21,990 --> 00:50:20,240

anonymous sources or some would say

1184

00:50:25,030 --> 00:50:22,000

imaginary friends

1185

00:50:27,750 --> 00:50:25,040

to explain his story

1186

00:50:31,510 --> 00:50:27,760

well let's continue

1187

00:50:33,829 --> 00:50:31,520

stark program the icc used the database

1188

00:50:35,829 --> 00:50:33,839

information as an excuse to lock down

1189

00:50:38,150 --> 00:50:35,839

our solar system to cover their

1190

00:50:40,390 --> 00:50:38,160

involvement with the dark fleet the dark

1191

00:50:42,710 --> 00:50:40,400

fleet compartmentalizes its missions

1192

00:50:44,950 --> 00:50:42,720

within the five secret space programs

1193

00:50:47,190 --> 00:50:44,960

discussed in our first briefing to the

1194

00:50:49,270 --> 00:50:47,200

point that its participants cannot know

1195

00:50:53,510 --> 00:50:49,280

the purpose and implications of their

1196

00:50:53,520 --> 00:50:55,910

so

1197

00:51:00,309 --> 00:50:57,589

what is he saying here the dark fleet

1198

00:51:01,990 --> 00:51:00,319

compartmentalizes its missions

1199

00:51:03,670 --> 00:51:02,000

that's why we can't hear about any of

1200

00:51:04,790 --> 00:51:03,680

the missions right

1201  
00:51:07,190 --> 00:51:04,800  
there's

1202  
00:51:09,109 --> 00:51:07,200  
five secret space programs discussed in

1203  
00:51:11,190 --> 00:51:09,119  
the first group okay so there's fi now

1204  
00:51:13,990 --> 00:51:11,200  
there's five secret space programs there

1205  
00:51:16,150 --> 00:51:14,000  
used to be just two the good guys and

1206  
00:51:18,630 --> 00:51:16,160  
the bad guys the alliance and the dark

1207  
00:51:20,710 --> 00:51:18,640  
alliance whoa now he's retconned and

1208  
00:51:23,270 --> 00:51:20,720  
everything i don't know if i like him

1209  
00:51:24,950 --> 00:51:23,280  
adding new alien factions to the story i

1210  
00:51:26,950 --> 00:51:24,960  
liked it when it was good guys and bad

1211  
00:51:29,030 --> 00:51:26,960  
guys very simple exactly like a

1212  
00:51:30,710 --> 00:51:29,040  
five-year-old would tell a story now

1213  
00:51:33,750 --> 00:51:30,720

he's getting advanced he's added more

1214

00:51:35,750 --> 00:51:33,760

factions to the war here the secret war

1215

00:51:38,470 --> 00:51:35,760

nobody else knows about nobody else gets

1216

00:51:41,030 --> 00:51:38,480

to see any evidence of just corey good

1217

00:51:42,950 --> 00:51:41,040

and his imaginary friends

1218

00:51:45,670 --> 00:51:42,960

its infrastructure is spread throughout

1219

00:51:48,150 --> 00:51:45,680

our galaxy and entirely autonomous which

1220

00:51:51,589 --> 00:51:48,160

allows them to operate outside the other

1221

00:51:54,390 --> 00:51:51,599

ssp's purview the dark fleet is a highly

1222

00:51:56,390 --> 00:51:54,400

advanced warlike secretive space fleet

1223

00:51:58,309 --> 00:51:56,400

responsible for all offensive

1224

00:52:00,549 --> 00:51:58,319

interplanetary organized crime

1225

00:52:02,630 --> 00:52:00,559

operations crime operations there's a

1226  
00:52:04,630 --> 00:52:02,640  
space mob you heard it here first

1227  
00:52:06,950 --> 00:52:04,640  
friends the truth seekers exclusive

1228  
00:52:09,109 --> 00:52:06,960  
story brought to us by cory good and his

1229  
00:52:11,270 --> 00:52:09,119  
imaginary friends there's organized

1230  
00:52:13,349 --> 00:52:11,280  
crime operations out there in the galaxy

1231  
00:52:16,630 --> 00:52:13,359  
there's a space mob

1232  
00:52:21,430 --> 00:52:19,109  
they act almost exclusively outside our

1233  
00:52:24,150 --> 00:52:21,440  
solar system and work alongside the

1234  
00:52:26,710 --> 00:52:24,160  
draco alliance the humanoid reptilian

1235  
00:52:28,630 --> 00:52:26,720  
extraterrestrial forces

1236  
00:52:31,030 --> 00:52:28,640  
wait they're humanoid reptilians okay

1237  
00:52:32,470 --> 00:52:31,040  
the dark fleet has multiple bases within

1238  
00:52:34,549 --> 00:52:32,480

our solar system

1239

00:52:36,470 --> 00:52:34,559

and again we've been over this claims he

1240

00:52:38,230 --> 00:52:36,480

makes all kinds of stupid childish

1241

00:52:39,109 --> 00:52:38,240

ridiculous claims and he doesn't even

1242

00:52:43,829 --> 00:52:39,119

stop

1243

00:52:45,670 --> 00:52:43,839

stupid and childish this is he claims

1244

00:52:47,829 --> 00:52:45,680

there's a secret moon base he claims

1245

00:52:49,670 --> 00:52:47,839

there's bases on mars he claims there's

1246

00:52:52,950 --> 00:52:49,680

all these bases all over the solar

1247

00:52:54,950 --> 00:52:52,960

system and not one person

1248

00:52:58,069 --> 00:52:54,960

not one astronomer

1249

00:53:01,589 --> 00:52:58,079

not one nasa scientist with you know

1250

00:53:03,510 --> 00:53:01,599

space telescopes not one amateur

1251  
00:53:05,670 --> 00:53:03,520  
astronomer and by the way there are some

1252  
00:53:07,670 --> 00:53:05,680  
amazing amateur astronomers with huge

1253  
00:53:09,910 --> 00:53:07,680  
telescopes that yeah can go see the

1254  
00:53:12,230 --> 00:53:09,920  
surface of mars and yeah can go see the

1255  
00:53:14,230 --> 00:53:12,240  
surface of the moon

1256  
00:53:16,309 --> 00:53:14,240  
nobody's seen any of the stuff that he

1257  
00:53:18,069 --> 00:53:16,319  
talks about out in space how does he

1258  
00:53:20,150 --> 00:53:18,079  
explain that

1259  
00:53:23,109 --> 00:53:20,160  
everybody's wrong but him every

1260  
00:53:24,950 --> 00:53:23,119  
scientist every astronomer every

1261  
00:53:28,069 --> 00:53:24,960  
astrophysicist

1262  
00:53:29,589 --> 00:53:28,079  
every planetary scientist every nasa

1263  
00:53:32,870 --> 00:53:29,599

engineer

1264

00:53:35,430 --> 00:53:32,880

every uh astronomer and every university

1265

00:53:38,870 --> 00:53:35,440

in the world and every observatory in

1266

00:53:41,670 --> 00:53:38,880

the world is all lying to cover this up

1267

00:53:45,349 --> 00:53:41,680

corey goode nobody sees any of this [h\_\_h]

1268

00:53:47,190 --> 00:53:45,359

that you talk about and they would

1269

00:53:49,349 --> 00:53:47,200

somebody would see

1270

00:53:51,270 --> 00:53:49,359

a base on the surface of mars or on the

1271

00:53:54,390 --> 00:53:51,280

surface of the moon and by the way

1272

00:53:57,109 --> 00:53:54,400

there's mars and and

1273

00:53:59,910 --> 00:53:57,119

there is mars and moon orbiters which

1274

00:54:02,230 --> 00:53:59,920

show every inch right google has got

1275

00:54:04,309 --> 00:54:02,240

google mars now

1276

00:54:06,790 --> 00:54:04,319

none of those secret martian bases are

1277

00:54:08,950 --> 00:54:06,800

on google mars are they corey good do

1278

00:54:11,990 --> 00:54:08,960

you know why because they don't exist

1279

00:54:13,510 --> 00:54:12,000

except in the magic land of make-believe

1280

00:54:15,750 --> 00:54:13,520

of corey good

1281

00:54:18,710 --> 00:54:15,760

this is like the land of imagination

1282

00:54:20,870 --> 00:54:18,720

isn't it it's lovely somebody must have

1283

00:54:23,349 --> 00:54:20,880

told corey good when he was a little kid

1284

00:54:24,549 --> 00:54:23,359

if you if you just imagine hard enough

1285

00:54:26,230 --> 00:54:24,559

cory

1286

00:54:28,230 --> 00:54:26,240

it'll be real

1287

00:54:30,230 --> 00:54:28,240

it's not real corey good you're living a

1288

00:54:33,349 --> 00:54:30,240

delusional fantasy where you're some

1289

00:54:37,430 --> 00:54:33,359

kind of space hero and you're like 50

1290

00:54:40,069 --> 00:54:37,440

bro that is this is pathetic

1291

00:54:42,309 --> 00:54:40,079

and you know what's more pathetic is the

1292

00:54:46,069 --> 00:54:42,319

people that believe him or listen to

1293

00:54:48,710 --> 00:54:46,079

this [h\_\_h] and really believe this like

1294

00:54:50,870 --> 00:54:48,720

who does that people do

1295

00:54:53,349 --> 00:54:50,880

still got a small following of dummy i

1296

00:54:55,670 --> 00:54:53,359

mean uh people

1297

00:54:58,390 --> 00:54:55,680

including one on the moon away from the

1298

00:55:00,230 --> 00:54:58,400

lunar operations command shaped like a

1299

00:55:03,030 --> 00:55:00,240

pyramid with its top remains oh there's

1300

00:55:05,430 --> 00:55:03,040

a new moon base now so there's two

1301

00:55:08,069 --> 00:55:05,440

there's two moon bases on the surface of

1302

00:55:10,309 --> 00:55:08,079

the moon and nobody else seen

1303

00:55:12,309 --> 00:55:10,319

these two moon bases

1304

00:55:14,230 --> 00:55:12,319

it's not in any of the moon

1305

00:55:16,710 --> 00:55:14,240

topographical maps

1306

00:55:19,670 --> 00:55:16,720

from those orbiters from china

1307

00:55:22,549 --> 00:55:19,680

russia the united states that have

1308

00:55:25,349 --> 00:55:22,559

you know imaged every inch of the moon

1309

00:55:26,950 --> 00:55:25,359

no those two moon bases aren't anywhere

1310

00:55:29,670 --> 00:55:26,960

in any of those photographs and no

1311

00:55:31,430 --> 00:55:29,680

amateur astronomer has shown you know

1312

00:55:33,430 --> 00:55:31,440

found it with their telescopes or taking

1313

00:55:36,870 --> 00:55:33,440

pictures of it

1314

00:55:40,710 --> 00:55:36,880

wow must be really secret cory good

1315

00:55:43,910 --> 00:55:40,720

or it's [h\_\_\h] friends i'm i'm betting

1316

00:55:45,990 --> 00:55:43,920

on the bull that's what i'm betting on

1317

00:55:48,390 --> 00:55:46,000

this base was the location for the

1318

00:55:50,630 --> 00:55:48,400

intruder intercept and interrogation

1319

00:55:52,870 --> 00:55:50,640

program which operated like the men in

1320

00:55:54,950 --> 00:55:52,880

black by locating and intercepting

1321

00:55:57,510 --> 00:55:54,960

non-humans that came into our solar

1322

00:55:59,349 --> 00:55:57,520

system or planet without permission whoa

1323

00:56:01,589 --> 00:55:59,359

did you hear that

1324

00:56:03,349 --> 00:56:01,599

that means there's some men in black

1325

00:56:05,190 --> 00:56:03,359

that are like ice they're running around

1326

00:56:06,950 --> 00:56:05,200

getting those they're illegal aliens

1327

00:56:09,670 --> 00:56:06,960

according to corey good coming into our

1328

00:56:11,670 --> 00:56:09,680

solar system and we gotta have a men and

1329

00:56:14,829 --> 00:56:11,680

black-like organization to track those

1330

00:56:16,470 --> 00:56:14,839

illegal aliens down

1331

00:56:20,069 --> 00:56:16,480

um

1332

00:56:22,230 --> 00:56:20,079

yeah this sounds vaguely familiar to me

1333

00:56:25,670 --> 00:56:22,240

alienation

1334

00:56:29,990 --> 00:56:25,680

so he's picking he's picking uh you know

1335

00:56:32,549 --> 00:56:30,000

material from existing ufo mythology and

1336

00:56:34,549 --> 00:56:32,559

secret space program mythology and let's

1337

00:56:36,630 --> 00:56:34,559

mix in some stuff from

1338

00:56:39,829 --> 00:56:36,640

little known science fiction television

1339

00:56:42,309 --> 00:56:39,839

shows and movies right

1340

00:56:45,109 --> 00:56:42,319

the dark fleet operated secretly from

1341

00:56:47,670 --> 00:56:45,119

this base under a known program hiding

1342

00:56:50,069 --> 00:56:47,680

the vast cryogenic prison where hundreds

1343

00:56:52,230 --> 00:56:50,079

of species were held against the cosmic

1344

00:56:55,270 --> 00:56:52,240

oh this is problematic now the dark

1345

00:56:57,910 --> 00:56:55,280

fleet has a there's a there's a prison a

1346

00:56:59,990 --> 00:56:57,920

cryogenic prison and there's hundreds of

1347

00:57:02,390 --> 00:57:00,000

species of aliens

1348

00:57:04,549 --> 00:57:02,400

and nobody gets to see any of those

1349

00:57:07,829 --> 00:57:04,559

hundreds of species of aliens except for

1350

00:57:11,829 --> 00:57:10,150

and his other imaginary friends i guess

1351

00:57:14,230 --> 00:57:11,839

i i don't know how this corey good how

1352

00:57:16,309 --> 00:57:14,240

does this work how do we get to see the

1353

00:57:18,309 --> 00:57:16,319

aliens bro

1354

00:57:20,230 --> 00:57:18,319

you say there's hundreds of species in a

1355

00:57:22,789 --> 00:57:20,240

cryogenic prison can you take us to the

1356

00:57:23,829 --> 00:57:22,799

cryogenic prison and show us the aliens

1357

00:57:26,069 --> 00:57:23,839

bro

1358

00:57:28,069 --> 00:57:26,079

right like if you knew where that was at

1359

00:57:29,270 --> 00:57:28,079

and you could provide absolute proof of

1360

00:57:31,030 --> 00:57:29,280

aliens

1361

00:57:33,510 --> 00:57:31,040

wouldn't get you would be the most

1362

00:57:36,069 --> 00:57:33,520

famous person on planet earth and we all

1363

00:57:37,430 --> 00:57:36,079

know that corey goode likes fame and

1364

00:57:39,510 --> 00:57:37,440

money

1365

00:57:41,190 --> 00:57:39,520

so we're supposed to believe that he

1366

00:57:43,109 --> 00:57:41,200

knows we're a cryogenic prison where

1367

00:57:44,630 --> 00:57:43,119

hundreds of species of aliens are held

1368

00:57:46,630 --> 00:57:44,640

against their will

1369

00:57:50,150 --> 00:57:46,640

and he hasn't spilled the beans on on

1370

00:57:52,950 --> 00:57:50,160

that right to cash in on that knowledge

1371

00:57:55,030 --> 00:57:52,960

right instead he he wrote down this

1372

00:57:58,630 --> 00:57:55,040

story from the commander and he had a

1373

00:58:00,309 --> 00:57:58,640

robot voice read it great great

1374

00:58:03,270 --> 00:58:00,319

because that makes total sense there is

1375

00:58:06,150 --> 00:58:03,280

enough if you knew where a secret

1376

00:58:07,750 --> 00:58:06,160

prison full of aliens was at it makes

1377

00:58:09,349 --> 00:58:07,760

total sense that instead of telling

1378

00:58:12,069 --> 00:58:09,359

everybody where it was at and providing

1379

00:58:13,990 --> 00:58:12,079

absolute 100 irrefutable proof and

1380

00:58:15,109 --> 00:58:14,000

evidence to be the most famous man in

1381

00:58:16,870 --> 00:58:15,119

history

1382

00:58:18,789 --> 00:58:16,880

and probably one of the richest you

1383

00:58:21,190 --> 00:58:18,799

could cash in so much from that alien

1384

00:58:22,950 --> 00:58:21,200

prison story yeah instead of doing it

1385

00:58:25,430 --> 00:58:22,960

that way we're just going to make a

1386

00:58:28,069 --> 00:58:25,440

speechless robot voice read about this

1387

00:58:30,549 --> 00:58:28,079

and put it on youtube sure

1388

00:58:33,030 --> 00:58:30,559

another base in the earth cloud a giant

1389

00:58:35,670 --> 00:58:33,040

spherical shell surrounding the sun

1390

00:58:38,150 --> 00:58:35,680

planets and kuiper belt where different

1391

00:58:41,030 --> 00:58:38,160

groups including the alliance have bases

1392

00:58:43,430 --> 00:58:41,040

on the moon-sized spheres the dark fleet

1393

00:58:45,750 --> 00:58:43,440

infiltrates other ssp bases and

1394

00:58:48,710 --> 00:58:45,760

infrastructure within our solar system

1395

00:58:51,190 --> 00:58:48,720

that the icc controlled international

1396

00:58:53,750 --> 00:58:51,200

corporate conglomerate i think the icc

1397

00:58:55,910 --> 00:58:53,760

is which is another made-up term nobody

1398

00:58:58,870 --> 00:58:55,920

ever heard before corey good got here

1399

00:59:01,109 --> 00:58:58,880

all right so the bad guys uh i'll

1400

00:59:04,069 --> 00:59:01,119

simplify it for you like a five-year-old

1401

00:59:06,549 --> 00:59:04,079

so the bad guy aliens started taking

1402

00:59:09,190 --> 00:59:06,559

over the good guy alien bases and we

1403

00:59:12,069 --> 00:59:09,200

gotta stop them or those big guys gonna

1404

00:59:14,549 --> 00:59:12,079

take over the solar system unless

1405

00:59:18,950 --> 00:59:14,559

space hero corey good comes to the aid

1406

00:59:21,510 --> 00:59:18,960

of earth once again and saves the planet

1407

00:59:23,190 --> 00:59:21,520

the dark fleet is one of the ssps

1408

00:59:25,349 --> 00:59:23,200

equipped with the most advanced

1409

00:59:27,829 --> 00:59:25,359

technologies with approximately four

1410

00:59:29,750 --> 00:59:27,839

thousand super advanced ships yes so

1411

00:59:32,390 --> 00:59:29,760

there's four thousand spaceships flying

1412

00:59:34,549 --> 00:59:32,400

around our solar system and again

1413

00:59:37,670 --> 00:59:34,559

not a single astrophysicist nasa

1414

00:59:39,910 --> 00:59:37,680

scientist somebody on the iss

1415

00:59:42,870 --> 00:59:39,920

uh somebody on those uh

1416

00:59:45,589 --> 00:59:42,880

space tourism flights nobody has seen

1417

00:59:47,430 --> 00:59:45,599

these 4 000 spaceships except for corey

1418

00:59:50,789 --> 00:59:47,440

good and his imaginary friends but this

1419

00:59:53,349 --> 00:59:50,799

is totally legitimate information right

1420

00:59:55,430 --> 00:59:53,359

their craft is unlike other ssp crafts

1421

00:59:58,069 --> 00:59:55,440

and technology look at now he's saying

1422

01:00:00,470 --> 00:59:58,079

that the draco reptilian aliens have

1423

01:00:01,670 --> 01:00:00,480

star destroyers again

1424

01:00:03,990 --> 01:00:01,680

stealing

1425

01:00:06,710 --> 01:00:04,000

material from science fiction movies

1426

01:00:08,710 --> 01:00:06,720

that's what he does look at this so he

1427

01:00:11,190 --> 01:00:08,720

took a star destroyer changed it a

1428

01:00:13,109 --> 01:00:11,200

little bit painted it black

1429

01:00:15,750 --> 01:00:13,119

and this is his intelligence about the

1430

01:00:18,390 --> 01:00:15,760

draco reptilian ships they all

1431

01:00:20,069 --> 01:00:18,400

got star destroyers i think we should be

1432

01:00:22,309 --> 01:00:20,079

wary because star destroyers could you

1433

01:00:24,870 --> 01:00:22,319

know mess some [h\_\_\h] up

1434

01:00:27,430 --> 01:00:24,880

apology some ships resemble a

1435

01:00:29,750 --> 01:00:27,440

wedge-shaped star wars destroyer but are

1436

01:00:31,510 --> 01:00:29,760

sleeker while others have diamond or

1437

01:00:33,829 --> 01:00:31,520

pumpkin seed shapes

1438

01:00:35,829 --> 01:00:33,839

the icc helped the dark fleet build

1439

01:00:38,309 --> 01:00:35,839

these advanced vessels and weapon

1440

01:00:40,390 --> 01:00:38,319

systems with slave labor we got to throw

1441

01:00:42,150 --> 01:00:40,400

in the slaves right there

1442

01:00:43,910 --> 01:00:42,160

there are bases all around the solar

1443

01:00:46,230 --> 01:00:43,920

system and that's where all the missing

1444

01:00:48,309 --> 01:00:46,240

people go they don't really vanish they

1445

01:00:50,870 --> 01:00:48,319

don't get murdered and buried in some

1446

01:00:53,270 --> 01:00:50,880

forest somewhere and never to be found

1447

01:00:55,670 --> 01:00:53,280

seen from heard from or found again

1448

01:00:57,829 --> 01:00:55,680

no the draco reptilians and the grey

1449

01:00:59,829 --> 01:00:57,839

aliens are kidnapping people and taking

1450

01:01:01,990 --> 01:00:59,839

them to the secret slave bases some of

1451

01:01:04,870 --> 01:01:02,000

them are food and some of them are sex

1452

01:01:05,829 --> 01:01:04,880

slaves some of them are are labor slaves

1453

01:01:07,990 --> 01:01:05,839

right

1454

01:01:09,510 --> 01:01:08,000

i always wonder do they bang you first

1455

01:01:11,430 --> 01:01:09,520

and then eat you

1456

01:01:13,270 --> 01:01:11,440

or yeah i guess they would have to right

1457

01:01:16,390 --> 01:01:13,280

you can't you can't eat somebody and

1458

01:01:19,109 --> 01:01:16,400

then bang them i don't know uh yes again

1459

01:01:22,470 --> 01:01:19,119

accepted ssp lure

1460

01:01:24,950 --> 01:01:22,480

this the secret slave bases where slave

1461

01:01:25,829 --> 01:01:24,960

labor is building weapon systems

1462

01:01:28,549 --> 01:01:25,839

again

1463

01:01:30,789 --> 01:01:28,559

not too original corey good

1464

01:01:33,430 --> 01:01:30,799

in their factory on mars

1465

01:01:35,190 --> 01:01:33,440

at the same time the draco reptilian

1466

01:01:37,990 --> 01:01:35,200

group enhanced their offensive

1467

01:01:40,390 --> 01:01:38,000

capabilities with advanced torsion field

1468

01:01:43,750 --> 01:01:40,400

creating technology this is another word

1469

01:01:46,150 --> 01:01:43,760

salad torsion fields creating technology

1470

01:01:48,150 --> 01:01:46,160

what what the hell is that

1471

01:01:49,430 --> 01:01:48,160

well that's some made up term that corey

1472

01:01:52,710 --> 01:01:49,440

good made up

1473

01:01:54,309 --> 01:01:52,720

torsion field creating technology okay

1474

01:01:56,150 --> 01:01:54,319

so there's some kind of technology that

1475

01:01:57,829 --> 01:01:56,160

creates torsion fields

1476

01:02:00,710 --> 01:01:57,839

and that enhances their offensive

1477

01:02:02,950 --> 01:02:00,720

capabilities did he just is he talking

1478

01:02:05,109 --> 01:02:02,960

about star trek shields is that what

1479

01:02:07,190 --> 01:02:05,119

he's saying here come on corey good you

1480

01:02:09,829 --> 01:02:07,200

got to try harder than this this is some

1481

01:02:12,150 --> 01:02:09,839

weak ass glued together bunch of goblin

1482

01:02:13,910 --> 01:02:12,160

[h\_\_\h] science fiction nonsense and why am

1483

01:02:16,309 --> 01:02:13,920

i listening to this

1484

01:02:18,950 --> 01:02:16,319

i can't i can't stop that's why i can't

1485

01:02:21,670 --> 01:02:18,960

stop it's just too stupid

1486

01:02:24,390 --> 01:02:21,680

it's just oh god this is like a terrible

1487

01:02:26,630 --> 01:02:24,400

guilty pleasure see what kind of garbage

1488

01:02:28,789 --> 01:02:26,640

garbage he comes up with next

1489

01:02:31,109 --> 01:02:28,799

the same technology that can create a

1490

01:02:33,750 --> 01:02:31,119

torsion field for travel through time

1491

01:02:36,069 --> 01:02:33,760

and space can be used to twist and crush

1492

01:02:38,789 --> 01:02:36,079

the enemy craft by manipulating the

1493

01:02:41,109 --> 01:02:38,799

energy field around the craft it is

1494

01:02:43,510 --> 01:02:41,119

important to note that the majority of

1495

01:02:45,510 --> 01:02:43,520

draco reptilian craft is shaped like

1496

01:02:48,549 --> 01:02:45,520

triangles and deltas is this kind of

1497

01:02:50,630 --> 01:02:48,559

like in the video game star killer does

1498

01:02:52,789 --> 01:02:50,640

anybody remember that

1499

01:02:55,430 --> 01:02:52,799

the force unleashed is this kind of like

1500

01:02:57,990 --> 01:02:55,440

when the hero of that game used the

1501  
01:02:59,990 --> 01:02:58,000  
force to crush a spaceship like he was

1502  
01:03:01,589 --> 01:03:00,000  
so powerful in the force is that what

1503  
01:03:04,950 --> 01:03:01,599  
he's saying here they have forced

1504  
01:03:08,789 --> 01:03:06,470  
force weapons

1505  
01:03:10,309 --> 01:03:08,799  
they might have jedi we should be upset

1506  
01:03:11,990 --> 01:03:10,319  
we should be concerned we should be

1507  
01:03:14,390 --> 01:03:12,000  
building weapons right now how we gonna

1508  
01:03:16,789 --> 01:03:14,400  
take out a jedi with the power to crush

1509  
01:03:17,910 --> 01:03:16,799  
spaceships with the mere power of the

1510  
01:03:21,750 --> 01:03:17,920  
force

1511  
01:03:27,190 --> 01:03:24,069  
while the dark fleet ultimately answers

1512  
01:03:30,069 --> 01:03:27,200  
to the icc they also work alongside the

1513  
01:03:32,230 --> 01:03:30,079

draco the dark fleet infrastructure

1514

01:03:34,630 --> 01:03:32,240

fleet and craft are controlled and

1515

01:03:36,789 --> 01:03:34,640

commanded by offer of humans all in

1516

01:03:38,870 --> 01:03:36,799

service to the ai gun well there's a

1517

01:03:39,990 --> 01:03:38,880

there's an artificial intelligence god

1518

01:03:43,109 --> 01:03:40,000

now

1519

01:03:46,150 --> 01:03:43,119

that is the bad guy the big bad guy of

1520

01:03:48,710 --> 01:03:46,160

corey good's new garbage stories never

1521

01:03:50,230 --> 01:03:48,720

mentioned the ai god in the five six

1522

01:03:51,910 --> 01:03:50,240

other years that he was telling these

1523

01:03:53,990 --> 01:03:51,920

stories but suddenly

1524

01:03:56,230 --> 01:03:54,000

there's a new big bad guy there's like a

1525

01:03:59,349 --> 01:03:56,240

new boss level villain that we should

1526

01:04:02,069 --> 01:03:59,359

all be afraid of the ai god

1527

01:04:03,829 --> 01:04:02,079

historically the dark fleet assets come

1528

01:04:05,670 --> 01:04:03,839

from illuminati or secret earth

1529

01:04:08,789 --> 01:04:05,680

government syndicates and off planets

1530

01:04:10,710 --> 01:04:08,799

god damn it i knew it john warner iv

1531

01:04:12,630 --> 01:04:10,720

that's where those spaceships are coming

1532

01:04:15,510 --> 01:04:12,640

from john warner the fourth is an

1533

01:04:17,270 --> 01:04:15,520

illuminati okay i'm sure of it he's a

1534

01:04:20,230 --> 01:04:17,280

billionaire

1535

01:04:22,710 --> 01:04:20,240

his stepmom was uh elizabeth taylor

1536

01:04:25,589 --> 01:04:22,720

she's an illuminati for sure

1537

01:04:29,270 --> 01:04:25,599

uh so according to corey goode john

1538

01:04:31,430 --> 01:04:29,280

william warner the fourth and his rich

1539

01:04:33,349 --> 01:04:31,440

illuminati family

1540

01:04:35,589 --> 01:04:33,359

or the secret earth government now he

1541

01:04:38,309 --> 01:04:35,599

didn't say that guy's name but i'm i'ma

1542

01:04:40,390 --> 01:04:38,319

put that in i think he's talking about

1543

01:04:42,710 --> 01:04:40,400

john william warner iv

1544

01:04:44,549 --> 01:04:42,720

because he's definitely illuminati and

1545

01:04:45,990 --> 01:04:44,559

cory good is saying that the illuminati

1546

01:04:48,309 --> 01:04:46,000

are giving

1547

01:04:50,470 --> 01:04:48,319

the secret earth government this

1548

01:04:51,990 --> 01:04:50,480

technology

1549

01:04:53,109 --> 01:04:52,000

okay

1550

01:04:55,190 --> 01:04:53,119

colonies

1551

01:04:57,430 --> 01:04:55,200

it is important to emphasize that the

1552

01:04:59,990 --> 01:04:57,440

dark fleet does not select people from

1553

01:05:02,870 --> 01:05:00,000

earth to work in a 20 and back program

1554

01:05:04,470 --> 01:05:02,880

for operational security reasons oh yeah

1555

01:05:05,910 --> 01:05:04,480

why would you want to kidnap somebody

1556

01:05:08,549 --> 01:05:05,920

from earth and then make them time

1557

01:05:10,789 --> 01:05:08,559

travel and then age regressed them right

1558

01:05:12,950 --> 01:05:10,799

you could just steal the sex slaves off

1559

01:05:14,870 --> 01:05:12,960

the martian moon colony or the moon

1560

01:05:17,109 --> 01:05:14,880

colony or the mars colony those sex

1561

01:05:19,990 --> 01:05:17,119

slaves just make this

1562

01:05:21,270 --> 01:05:20,000

i don't hey he missed a good opportunity

1563

01:05:23,829 --> 01:05:21,280

here he could have had this dark

1564

01:05:25,910 --> 01:05:23,839

alliance run by the sex slaves right

1565

01:05:28,630 --> 01:05:25,920

that would have been a very

1566

01:05:31,670 --> 01:05:28,640

a better way to go cory

1567

01:05:34,789 --> 01:05:31,680

while in the past a minority was drafted

1568

01:05:37,349 --> 01:05:34,799

from millab programs again corey goode

1569

01:05:41,430 --> 01:05:37,359

is so lazy he couldn't stop for a moment

1570

01:05:43,990 --> 01:05:41,440

and phonetically spell out my my space

1571

01:05:48,829 --> 01:05:44,000

lab so that the robot voice would say my

1572

01:05:54,069 --> 01:05:52,150

millab this is this level of production

1573

01:05:55,910 --> 01:05:54,079

i know kids in high school that could do

1574

01:05:57,109 --> 01:05:55,920

better than this look at this he's got

1575

01:06:02,829 --> 01:05:57,119

like

1576

01:06:07,510 --> 01:06:02,839

picture that he

1577

01:06:08,309 --> 01:06:07,520

darkened a secret space program seal

1578

01:06:10,630 --> 01:06:08,319

uh

1579

01:06:12,069 --> 01:06:10,640

and and

1580

01:06:14,230 --> 01:06:12,079

stock footage

1581

01:06:16,309 --> 01:06:14,240

and a robot that that's that's what we

1582

01:06:18,309 --> 01:06:16,319

get that's what we got we got we gotta

1583

01:06:20,630 --> 01:06:18,319

work with what you got corey good i

1584

01:06:21,349 --> 01:06:20,640

guess he's got nobody to do anything for

1585

01:06:23,829 --> 01:06:21,359

him

1586

01:06:26,150 --> 01:06:23,839

anymore because he never pays people or

1587

01:06:28,630 --> 01:06:26,160

he sues them or whatever

1588

01:06:31,029 --> 01:06:28,640

after they work for or with him so now

1589

01:06:33,750 --> 01:06:31,039

he's left on his own and this is what we

1590

01:06:36,150 --> 01:06:33,760

get this high level of artistry it's

1591

01:06:38,789 --> 01:06:36,160

impressive corey good

1592

01:06:41,430 --> 01:06:38,799

most are genetically bred their duties

1593

01:06:43,750 --> 01:06:41,440

are so dark and evil that the dark fleet

1594

01:06:46,150 --> 01:06:43,760

could not risk its earth assets recover

1595

01:06:48,069 --> 01:06:46,160

memories if back on earth those who

1596

01:06:50,710 --> 01:06:48,079

serve in the dark fleet are genetically

1597

01:06:53,349 --> 01:06:50,720

bred and born into service on bases

1598

01:06:55,670 --> 01:06:53,359

outside our solar system they are born

1599

01:06:56,950 --> 01:06:55,680

into the old religion which has orion

1600

01:06:58,630 --> 01:06:56,960

group ties

1601

01:07:00,630 --> 01:06:58,640

a recruit board now what kind of

1602

01:07:04,710 --> 01:07:00,640

nonsense is this

1603

01:07:07,190 --> 01:07:04,720

uh the old religion orion group ties

1604

01:07:09,829 --> 01:07:07,200

outside of their program is forced to

1605

01:07:12,390 --> 01:07:09,839

convert to the old religion by taking an

1606

01:07:14,950 --> 01:07:12,400

oath sacrificing a human being there's

1607

01:07:18,150 --> 01:07:14,960

human sacrifices we all better be weary

1608

01:07:19,589 --> 01:07:18,160

because this dark fleet whatever they're

1609

01:07:21,029 --> 01:07:19,599

they're

1610

01:07:23,190 --> 01:07:21,039

kidnapping people and making them

1611

01:07:25,270 --> 01:07:23,200

sacrifice human beings

1612

01:07:27,670 --> 01:07:25,280

oh and now we're getting the brain chip

1613

01:07:29,589 --> 01:07:27,680

implants why because everybody's talking

1614

01:07:31,670 --> 01:07:29,599

about brain chip implants right now

1615

01:07:33,190 --> 01:07:31,680

because of elon musk and oral link so

1616

01:07:35,270 --> 01:07:33,200

you gotta weave some of that [h\_\_h] into

1617

01:07:37,029 --> 01:07:35,280

your story you know all the stuff that

1618

01:07:38,950 --> 01:07:37,039

paranoid conspiracy theorists are

1619

01:07:42,150 --> 01:07:38,960

worried about right now let's put some

1620

01:07:44,710 --> 01:07:42,160

of that in there good job corey and

1621

01:07:45,910 --> 01:07:44,720

accepting brain chip implants and nanite

1622

01:07:48,069 --> 01:07:45,920

injections

1623

01:07:50,309 --> 01:07:48,079

only a handful of higher ranking

1624

01:07:52,789 --> 01:07:50,319

operatives have been fortunate to escape

1625

01:07:54,710 --> 01:07:52,799

from this lifetime commitment good

1626

01:07:56,950 --> 01:07:54,720

talked about a group of milabs that

1627

01:07:59,270 --> 01:07:56,960

trained with him called the personality

1628

01:08:02,069 --> 01:07:59,280

metamorph group they were a group of

1629

01:08:12,470 --> 01:08:02,079

highly talented intuitive empaths

1630

01:08:17,510 --> 01:08:12,480

who were extreme sociopaths

1631

01:08:19,829 --> 01:08:17,520

form fake personalities to manipulate

1632

01:08:22,149 --> 01:08:19,839

and control based on their intuitive

1633

01:08:24,709 --> 01:08:22,159

insight the dark fleet would groom

1634

01:08:28,709 --> 01:08:24,719

metamorphs as assets to utilize their

1635

01:08:34,070 --> 01:08:30,870

yeah i don't think that means what you

1636

01:08:36,709 --> 01:08:34,080

think it means cory good

1637

01:08:40,149 --> 01:08:36,719

a metamorph and an intuitive empath i

1638

01:08:41,910 --> 01:08:40,159

would think that's two different things

1639

01:08:43,510 --> 01:08:41,920

let's look if we can find a definition

1640

01:08:46,709 --> 01:08:43,520

of metamorph

1641

01:08:48,550 --> 01:08:46,719

not really metamorph is a made up term

1642

01:08:51,030 --> 01:08:48,560

and science fiction it normally means

1643

01:08:53,829 --> 01:08:51,040

some kind of shapeshifter but corey good

1644

01:08:55,349 --> 01:08:53,839

has got other plans uh for that word

1645

01:08:58,229 --> 01:08:55,359

that doesn't really

1646

01:09:01,269 --> 01:09:00,070

all right so wait i'm getting lost here

1647

01:09:03,749 --> 01:09:01,279

because there's

1648

01:09:05,829 --> 01:09:03,759

wait the metamorphs are at as assets to

1649

01:09:07,829 --> 01:09:05,839

utilize their talents to okay you're

1650

01:09:10,709 --> 01:09:07,839

gonna take the metamorphs

1651

01:09:13,030 --> 01:09:10,719

and train them i don't know

1652

01:09:16,309 --> 01:09:13,040

good describe dark fleet officials as

1653

01:09:18,309 --> 01:09:16,319

totalitarian stern and arrogant elitists

1654

01:09:19,349 --> 01:09:18,319

who wear all black stormtrooper-like

1655

01:09:21,430 --> 01:09:19,359

clothes

1656

01:09:24,309 --> 01:09:21,440

many of them have ancestors from the

1657

01:09:26,630 --> 01:09:24,319

german secret society nazi and fourth

1658

01:09:28,950 --> 01:09:26,640

reich programs or were born after the

1659

01:09:31,269 --> 01:09:28,960

breakaway of our civilization shortly

1660

01:09:32,070 --> 01:09:31,279

after world war ii

1661

01:09:34,070 --> 01:09:32,080

uh

1662

01:09:36,070 --> 01:09:34,080

corey good sue and everybody that uses

1663

01:09:38,149 --> 01:09:36,080

his terminology but here he is using

1664

01:09:39,990 --> 01:09:38,159

richard dolan's terminology breakaway

1665

01:09:41,590 --> 01:09:40,000

civilization i wonder if he's paying

1666

01:09:44,149 --> 01:09:41,600

richard dolan royalties for the use of

1667

01:09:46,229 --> 01:09:44,159

that term during world war ii the

1668

01:09:48,390 --> 01:09:46,239

germans who created and were part of the

1669

01:09:50,309 --> 01:09:48,400

thule society were willing to do

1670

01:09:52,870 --> 01:09:50,319

anything to win the war and have

1671

01:09:54,950 --> 01:09:52,880

complete control of the entire planet

1672

01:09:57,750 --> 01:09:54,960

this included selling their soul to the

1673

01:10:00,229 --> 01:09:57,760

proverbial devil oh man this is garbage

1674

01:10:02,550 --> 01:10:00,239

he's gonna go into the dual society he's

1675

01:10:04,229 --> 01:10:02,560

gonna go i haven't heard this i'm making

1676

01:10:07,669 --> 01:10:04,239

a prediction he's going into the full

1677

01:10:10,630 --> 01:10:07,679

society right the secret society and the

1678

01:10:11,669 --> 01:10:10,640

and the germans made a special deal with

1679

01:10:13,910 --> 01:10:11,679

these

1680

01:10:16,550 --> 01:10:13,920

evil extraterrestrials

1681

01:10:18,229 --> 01:10:16,560

this is again uh

1682

01:10:22,310 --> 01:10:18,239

stories that have been banging around

1683

01:10:24,790 --> 01:10:22,320

ufo conspiracy land for ages

1684

01:10:27,350 --> 01:10:24,800

they searched worldwide for artifacts

1685

01:10:28,470 --> 01:10:27,360

with supernatural powers and sacred

1686

01:10:30,790 --> 01:10:28,480

objects

1687

01:10:33,830 --> 01:10:30,800

they learned about energy manipulation

1688

01:10:37,350 --> 01:10:33,840

mind control black magic necromancy

1689

01:10:39,189 --> 01:10:37,360

alchemy occultism etc they also sought

1690

01:10:42,390 --> 01:10:39,199

out individuals with supernatural

1691

01:10:45,270 --> 01:10:42,400

abilities and would kidnap sages shamans

1692

01:10:47,430 --> 01:10:45,280

and psychics the germans found a group

1693

01:10:49,990 --> 01:10:47,440

of women who studied and could connect

1694

01:10:51,590 --> 01:10:50,000

to their real energy you're thrilled

1695

01:10:53,910 --> 01:10:51,600

yeah you got to throw in some of the

1696

01:10:57,030 --> 01:10:53,920

nazi uh you know

1697

01:10:59,669 --> 01:10:57,040

pro the nazis talk to the aliens they

1698

01:11:00,709 --> 01:10:59,679

channeled the aliens this girl

1699

01:11:03,590 --> 01:11:00,719

uh

1700

01:11:05,430 --> 01:11:03,600

from the vril society was said to have

1701

01:11:08,070 --> 01:11:05,440

channeled instructions for building a

1702

01:11:10,149 --> 01:11:08,080

flying saucer according to some people

1703

01:11:12,310 --> 01:11:10,159

no evidence of proof of that but you

1704

01:11:14,550 --> 01:11:12,320

know that's the mythology here that he's

1705

01:11:15,669 --> 01:11:14,560

going to weave into his

1706

01:11:19,910 --> 01:11:15,679

time

1707

01:11:22,790 --> 01:11:19,920

adventure story

1708

01:11:25,270 --> 01:11:22,800

universal energy the leader of the brill

1709

01:11:28,149 --> 01:11:25,280

society was murray orsic who could

1710

01:11:30,470 --> 01:11:28,159

facilitate extraterrestrial contact they

1711

01:11:32,709 --> 01:11:30,480

began to contact extraterrestrial and

1712

01:11:35,350 --> 01:11:32,719

supernatural beings who could help them

1713

01:11:37,270 --> 01:11:35,360

win the war and dominate the world their

1714

01:11:39,669 --> 01:11:37,280

first contact was with the nordics of

1715

01:11:41,590 --> 01:11:39,679

the draco federation who introduced the

1716

01:11:43,430 --> 01:11:41,600

germans to the intermediaries of the

1717

01:11:44,870 --> 01:11:43,440

draco federation

1718

01:11:47,110 --> 01:11:44,880

and this is

1719

01:11:49,510 --> 01:11:47,120

stupid mythology because

1720

01:11:50,790 --> 01:11:49,520

if if the nazis really were in

1721

01:11:52,550 --> 01:11:50,800

communication with an advanced

1722

01:11:54,709 --> 01:11:52,560

extraterrestrial race that was helping

1723

01:11:57,750 --> 01:11:54,719

them they shouldn't have had any trouble

1724

01:11:59,830 --> 01:11:57,760

winning the war but of course they did

1725

01:12:01,830 --> 01:11:59,840

there is a wide range of different types

1726

01:12:04,870 --> 01:12:01,840

of reptilian beings who are members of

1727

01:12:07,030 --> 01:12:04,880

the draco alliance the two that stand

1728

01:12:08,709 --> 01:12:07,040

out are the insect way type beings and

1729

01:12:11,189 --> 01:12:08,719

nordic type beings

1730

01:12:14,070 --> 01:12:11,199

both are enslaved races forced into

1731

01:12:16,310 --> 01:12:14,080

servitude to the draco alliance

1732

01:12:18,310 --> 01:12:16,320

there is also a short stature race

1733

01:12:20,870 --> 01:12:18,320

approximately four and a half to five

1734

01:12:22,390 --> 01:12:20,880

feet tall who look like small grays wow

1735

01:12:24,070 --> 01:12:22,400

that's again with the great production

1736

01:12:25,750 --> 01:12:24,080

that's a stock video piece that must

1737

01:12:27,750 --> 01:12:25,760

have cost him two dollars

1738

01:12:29,750 --> 01:12:27,760

and he sure gets a lot of use he's

1739

01:12:33,270 --> 01:12:29,760

reusing a lot of these same clips in

1740

01:12:34,229 --> 01:12:33,280

these three or four last videos of his

1741

01:12:35,910 --> 01:12:34,239

um

1742

01:12:38,390 --> 01:12:35,920

at least he's got his money's worth for

1743

01:12:40,390 --> 01:12:38,400

those stock video clips and why

1744

01:12:42,709 --> 01:12:40,400

why the hell would earth's galactic

1745

01:12:45,669 --> 01:12:42,719

ambassador have to buy stock video clips

1746

01:12:49,189 --> 01:12:45,679

of aliens could he just ask people like

1747

01:12:52,149 --> 01:12:49,199

hey uh i gotta make an ssp super secret

1748

01:12:54,470 --> 01:12:52,159

space program update and i need a

1749

01:12:56,790 --> 01:12:54,480

picture of this great alien so could you

1750

01:12:58,390 --> 01:12:56,800

get me a picture and email it to me

1751

01:13:00,950 --> 01:12:58,400  
and then i'll put the picture of the

1752

01:13:02,070 --> 01:13:00,960  
real alien in my super secret space

1753

01:13:03,750 --> 01:13:02,080  
program

1754

01:13:04,790 --> 01:13:03,760  
uh update

1755

01:13:11,030 --> 01:13:04,800  
no

1756

01:13:14,149 --> 01:13:11,040  
he just buys stock

1757

01:13:15,830 --> 01:13:14,159  
pictures and videos of aliens from stop

1758

01:13:18,229 --> 01:13:15,840  
footage.com

1759

01:13:20,229 --> 01:13:18,239  
cause why why would he get pictures of

1760

01:13:21,990 --> 01:13:20,239  
the real aliens if he's in contact with

1761

01:13:24,229 --> 01:13:22,000  
all these aliens why would you give

1762

01:13:25,709 --> 01:13:24,239  
anybody real proof when you can just go

1763

01:13:27,750 --> 01:13:25,719

on

1764

01:13:30,470 --> 01:13:27,760

royaltyfreestockfootage.com and buy

1765

01:13:33,990 --> 01:13:30,480

pictures of fake aliens and animations

1766

01:13:38,390 --> 01:13:35,669

then there are the nine to more than

1767

01:13:41,030 --> 01:13:38,400

fourteen feet tall drake reptilians with

1768

01:13:43,430 --> 01:13:41,040

a social hive like caste system their

1769

01:13:46,070 --> 01:13:43,440

royalty controls the entire draco

1770

01:13:48,950 --> 01:13:46,080

reptilian population they got some human

1771

01:13:51,030 --> 01:13:48,960

sex slaves behind him and chains right

1772

01:13:53,990 --> 01:13:51,040

he's dragging around human sex slaves

1773

01:13:56,310 --> 01:13:54,000

this big nine foot tall

1774

01:13:57,910 --> 01:13:56,320

reptilian alien i guess going to bang

1775

01:13:59,430 --> 01:13:57,920

him and eat him

1776

01:14:02,070 --> 01:13:59,440

he's got to bang him first then he's

1777

01:14:06,790 --> 01:14:02,080

going to eat them right or maybe i don't

1778

01:14:13,189 --> 01:14:09,110

and again with the royalty of the draco

1779

01:14:15,910 --> 01:14:13,199

reptilians and the oh my gosh

1780

01:14:19,910 --> 01:14:15,920

nation and castes including warriors

1781

01:14:21,830 --> 01:14:19,920

scientists engineers etc corey described

1782

01:14:23,750 --> 01:14:21,840

his unpleasant and unforgettable

1783

01:14:27,270 --> 01:14:23,760

encounter with one of the royal white

1784

01:14:29,350 --> 01:14:27,280

draco reptilians in april 2016 that left

1785

01:14:32,149 --> 01:14:29,360

him man gonzales with headaches for

1786

01:14:35,110 --> 01:14:32,159

three days due to draco's mind control

1787

01:14:42,390 --> 01:14:38,229

hey man i i i went and saw that 14 foot

1788

01:14:45,030 --> 01:14:42,400

tall white draco overlord and that draco

1789

01:14:47,350 --> 01:14:45,040

overlord gave me headaches man

1790

01:14:49,990 --> 01:14:47,360

i got headaches from the draco reptilian

1791

01:14:52,229 --> 01:14:50,000

overlord because his mind control powers

1792

01:14:54,630 --> 01:14:52,239

were just too strong everybody's got

1793

01:14:57,590 --> 01:14:54,640

superpowers in my story

1794

01:14:58,550 --> 01:14:57,600

i got super powers the reptilian aliens

1795

01:15:02,950 --> 01:14:58,560

they got

1796

01:15:05,030 --> 01:15:02,960

yeah

1797

01:15:07,669 --> 01:15:05,040

first directive to the germans was to

1798

01:15:09,510 --> 01:15:07,679

publicly lose the war as a tactic to

1799

01:15:12,229 --> 01:15:09,520

have the rest of the world feel

1800

01:15:14,790 --> 01:15:12,239

liberated and become complacent at the

1801  
01:15:17,110 --> 01:15:14,800  
same time they gain total control from

1802  
01:15:19,590 --> 01:15:17,120  
the shadows with the help of the ai's

1803  
01:15:21,830 --> 01:15:19,600  
ability to predict future events

1804  
01:15:23,669 --> 01:15:21,840  
the german elite abandoned their troops

1805  
01:15:26,470 --> 01:15:23,679  
and moved with representatives of the

1806  
01:15:29,189 --> 01:15:26,480  
draco federation to antarctica i gotta

1807  
01:15:32,229 --> 01:15:29,199  
bring in the antarctic nazi bases man

1808  
01:15:33,990 --> 01:15:32,239  
everybody believes that [\h\_\_\h] yeah yeah

1809  
01:15:35,110 --> 01:15:34,000  
slap that in there corey good this is

1810  
01:15:37,430 --> 01:15:35,120  
gang good

1811  
01:15:41,110 --> 01:15:37,440  
uh this is uh glued together a bunch of

1812  
01:15:43,830 --> 01:15:41,120  
nonsense from accepted ufo stories

1813  
01:15:47,510 --> 01:15:43,840

for 10 or 20 years now

1814

01:15:52,709 --> 01:15:50,630

shows really right comic books maybe

1815

01:15:54,149 --> 01:15:52,719

because you have to super powers i don't

1816

01:15:57,030 --> 01:15:54,159

know

1817

01:16:00,070 --> 01:15:57,040

to establish a base and the fourth reich

1818

01:16:02,229 --> 01:16:00,080

with world war ii publicly lost german

1819

01:16:04,070 --> 01:16:02,239

companies and industries developed

1820

01:16:06,870 --> 01:16:04,080

infrastructure of multinational

1821

01:16:09,830 --> 01:16:06,880

companies worldwide infiltrating all

1822

01:16:12,390 --> 01:16:09,840

countries including the us project paper

1823

01:16:14,790 --> 01:16:12,400

club was specifically created to gain

1824

01:16:16,790 --> 01:16:14,800

dominance of the usa from inside the

1825

01:16:19,110 --> 01:16:16,800

country

1826

01:16:22,870 --> 01:16:19,120

subsequently the germans built their

1827

01:16:24,310 --> 01:16:22,880

first base off planet earth on armenian

1828

01:16:26,630 --> 01:16:24,320

him and everybody else who claims

1829

01:16:31,270 --> 01:16:26,640

there's a secret base on the moon prove

1830

01:16:36,470 --> 01:16:33,430

which we now call the lunar operations

1831

01:16:39,110 --> 01:16:36,480

command or loc loc that's where the

1832

01:16:41,030 --> 01:16:39,120

aliens were landing with a spaceship in

1833

01:16:43,350 --> 01:16:41,040

corey goode's backyard and they were

1834

01:16:44,790 --> 01:16:43,360

taking him to the lunar operations

1835

01:16:47,270 --> 01:16:44,800

command

1836

01:16:49,510 --> 01:16:47,280

he said that not me and by the way none

1837

01:16:51,669 --> 01:16:49,520

of his neighbors ever saw a spaceship we

1838

01:16:53,910 --> 01:16:51,679

checked

1839

01:16:56,229 --> 01:16:53,920

he had this little tiny yard that he

1840

01:16:58,790 --> 01:16:56,239

claimed a spaceship was landing in

1841

01:17:00,070 --> 01:16:58,800

routinely and taking him to the secret

1842

01:17:01,350 --> 01:17:00,080

moon base

1843

01:17:04,550 --> 01:17:01,360

where he would do

1844

01:17:06,950 --> 01:17:04,560

super secret secret space program stuff

1845

01:17:08,870 --> 01:17:06,960

and then they would fly him back

1846

01:17:11,350 --> 01:17:08,880

in the spaceship and land in his

1847

01:17:13,750 --> 01:17:11,360

backyard again because that's exactly

1848

01:17:16,709 --> 01:17:13,760

what a super secret space company

1849

01:17:19,189 --> 01:17:16,719

corporation would do right they they

1850

01:17:21,590 --> 01:17:19,199

need corey good to go to that moon base

1851  
01:17:23,189 --> 01:17:21,600  
and do secret space program stuff so

1852  
01:17:25,189 --> 01:17:23,199  
they're just going to land a spaceship

1853  
01:17:26,550 --> 01:17:25,199  
in his backyard and take him there and

1854  
01:17:28,070 --> 01:17:26,560  
then they're going to land the spaceship

1855  
01:17:29,590 --> 01:17:28,080  
and bring him home because he's

1856  
01:17:31,430 --> 01:17:29,600  
important

1857  
01:17:33,910 --> 01:17:31,440  
and spaceships land in his backyard to

1858  
01:17:35,910 --> 01:17:33,920  
take him to lunar moon bases that don't

1859  
01:17:38,310 --> 01:17:35,920  
exist

1860  
01:17:40,550 --> 01:17:38,320  
the icc was later created by

1861  
01:17:43,350 --> 01:17:40,560  
corporations influenced by the fourth

1862  
01:17:45,990 --> 01:17:43,360  
reich to develop and control colonies

1863  
01:17:48,550 --> 01:17:46,000

factories and infrastructure within and

1864

01:17:50,870 --> 01:17:48,560

outside our solar system after they

1865

01:17:53,189 --> 01:17:50,880

expanded their operation to mars where

1866

01:17:55,030 --> 01:17:53,199

they created slave colonies they built

1867

01:17:57,189 --> 01:17:55,040

several here we go there we go what did

1868

01:17:58,709 --> 01:17:57,199

i say martian slaves there's a martian

1869

01:18:00,310 --> 01:17:58,719

slave colony and that's where all the

1870

01:18:03,270 --> 01:18:00,320

missing people go

1871

01:18:05,189 --> 01:18:03,280

again weaving in existing mythology and

1872

01:18:07,910 --> 01:18:05,199

stories people been telling for 10 or 20

1873

01:18:10,070 --> 01:18:07,920

years and claiming it as his own is he

1874

01:18:11,750 --> 01:18:10,080

going to trademark this crap too

1875

01:18:13,110 --> 01:18:11,760

and try to sue people to talk about this

1876

01:18:15,750 --> 01:18:13,120

crap that people have been talking about

1877

01:18:18,070 --> 01:18:15,760

for 10 or 20 years

1878

01:18:19,430 --> 01:18:18,080

planetary and moon bases throughout the

1879

01:18:25,030 --> 01:18:19,440

solar system

1880

01:18:27,910 --> 01:18:25,040

did not openly have many bases or assets

1881

01:18:30,229 --> 01:18:27,920

the icc assisted the dark fleet to hide

1882

01:18:32,470 --> 01:18:30,239

their presence within the other programs

1883

01:18:34,630 --> 01:18:32,480

and operated within them like the hydra

1884

01:18:36,630 --> 01:18:34,640

organization from the movies to supply

1885

01:18:39,030 --> 01:18:36,640

them he brought in the comic books the

1886

01:18:40,630 --> 01:18:39,040

hydra organization from marvel comics

1887

01:18:41,510 --> 01:18:40,640

and the movies

1888

01:18:43,990 --> 01:18:41,520

yeah

1889

01:18:45,910 --> 01:18:44,000

it's it's just like that it's just like

1890

01:18:47,669 --> 01:18:45,920

that fake organization that doesn't

1891

01:18:50,229 --> 01:18:47,679

exist that somebody made up for a comic

1892

01:18:51,910 --> 01:18:50,239

book right yeah it just so happens to be

1893

01:18:55,750 --> 01:18:51,920

just like that fake organization

1894

01:18:58,149 --> 01:18:55,760

somebody made up from a comic book right

1895

01:19:00,790 --> 01:18:58,159

or i am group every year with hundreds

1896

01:19:03,270 --> 01:19:00,800

of thousands of abducted earth humans

1897

01:19:05,510 --> 01:19:03,280

the abductees are traded for technology

1898

01:19:08,709 --> 01:19:05,520

and biological samples from other star

1899

01:19:11,189 --> 01:19:08,719

systems and as a food source for the ore

1900

01:19:13,910 --> 01:19:11,199

they're they're kidnapping hundreds of

1901

01:19:16,790 --> 01:19:13,920

thousands of humans every year to eat

1902

01:19:18,709 --> 01:19:16,800

them and trade them i guess you can

1903

01:19:20,630 --> 01:19:18,719

you get the humans right then you go all

1904

01:19:23,270 --> 01:19:20,640

right this one's hot she'll be a sex

1905

01:19:25,189 --> 01:19:23,280

slave all right this dude's smart make

1906

01:19:27,430 --> 01:19:25,199

him a science slave

1907

01:19:30,870 --> 01:19:27,440

uh this one doesn't have any discernible

1908

01:19:32,709 --> 01:19:30,880

skills let's just eat that one

1909

01:19:35,350 --> 01:19:32,719

oh no

1910

01:19:37,590 --> 01:19:35,360

as the germans expanded their operations

1911

01:19:40,310 --> 01:19:37,600

off earth they began to develop their

1912

01:19:42,870 --> 01:19:40,320

secret space programs to work with draco

1913

01:19:44,790 --> 01:19:42,880

and military missions to conquer other

1914

01:19:46,870 --> 01:19:44,800

planets and other solar systems

1915

01:19:48,229 --> 01:19:46,880

branching out this is how the dark fleet

1916

01:19:51,270 --> 01:19:48,239

was again

1917

01:19:54,229 --> 01:19:51,280

i get that there is existing stories and

1918

01:19:56,149 --> 01:19:54,239

mythology in in this strange sort of

1919

01:19:57,350 --> 01:19:56,159

conspiracy land that we're in where

1920

01:19:58,790 --> 01:19:57,360

people say

1921

01:20:01,189 --> 01:19:58,800

that the germans

1922

01:20:03,750 --> 01:20:01,199

had a moon base or that they developed

1923

01:20:05,830 --> 01:20:03,760

space technology secretly and they went

1924

01:20:08,390 --> 01:20:05,840

out and created these bases on the moon

1925

01:20:10,470 --> 01:20:08,400

or mars or i get the people say that but

1926

01:20:12,870 --> 01:20:10,480

there's not a single shred

1927

01:20:15,110 --> 01:20:12,880

single solitary shred of proof that any

1928

01:20:16,870 --> 01:20:15,120

of that has ever happened but that won't

1929

01:20:18,870 --> 01:20:16,880

stop corey good from just sticking it in

1930

01:20:22,470 --> 01:20:18,880

the story because people really believe

1931

01:20:25,510 --> 01:20:22,480

that already it's established mythology

1932

01:20:28,870 --> 01:20:25,520

the dark fleet has two primary mandates

1933

01:20:31,590 --> 01:20:28,880

one to assist the icc with the galactic

1934

01:20:34,310 --> 01:20:31,600

slave trade and carry out their commerce

1935

01:20:36,950 --> 01:20:34,320

projects with e.t races banned by the

1936

01:20:39,990 --> 01:20:36,960

super federation too see i don't start

1937

01:20:42,709 --> 01:20:40,000

to get confused because we got the icc

1938

01:20:44,550 --> 01:20:42,719

we got the alliance uh we did have the

1939

01:20:47,590 --> 01:20:44,560

alliance and the dark alliance now we

1940

01:20:49,750 --> 01:20:47,600

got the dark fleet and i can't who's i'm

1941

01:20:51,510 --> 01:20:49,760

getting confused about who's the good

1942

01:20:53,510 --> 01:20:51,520

guys and who's the bad guys and now he's

1943

01:20:55,669 --> 01:20:53,520

got to bring in another organization

1944

01:20:57,830 --> 01:20:55,679

called the super federation it's not

1945

01:20:59,990 --> 01:20:57,840

just the regular federation friends it's

1946

01:21:02,229 --> 01:21:00,000

the super federation so it must be

1947

01:21:04,550 --> 01:21:02,239

important

1948

01:21:06,790 --> 01:21:04,560

to assist the draco reptilians and their

1949

01:21:09,430 --> 01:21:06,800

fleet and military conquests of other

1950

01:21:12,390 --> 01:21:09,440

solar systems within our galaxy the

1951

01:21:14,229 --> 01:21:12,400

recent ssp alliance disclosures have

1952

01:21:16,830 --> 01:21:14,239

remained consistent with goods

1953

01:21:22,790 --> 01:21:16,840

information he released anonymously from

1954

01:21:24,709 --> 01:21:22,800

2009 to 2014 and publicly since 2014.

1955

01:21:26,709 --> 01:21:24,719

i'd like to see proof that anything that

1956

01:21:28,709 --> 01:21:26,719

he said

1957

01:21:30,470 --> 01:21:28,719

he's trying to connect dots that aren't

1958

01:21:33,430 --> 01:21:30,480

there he's saying well

1959

01:21:36,390 --> 01:21:33,440

the new [h\_\_\h] that i'm putting out

1960

01:21:39,990 --> 01:21:36,400

is uh has remained consistent with the

1961

01:21:44,629 --> 01:21:40,000

old bs that i put out uh back from 29

1962

01:21:46,629 --> 01:21:44,639

2009 to 2014. my obs and my new bs have

1963

01:21:48,149 --> 01:21:46,639

remained consistent

1964

01:21:49,750 --> 01:21:48,159

and i would just say that that's not

1965

01:21:51,030 --> 01:21:49,760

proof of anything other than the fact

1966

01:21:53,110 --> 01:21:51,040

that

1967

01:21:54,870 --> 01:21:53,120

corey good is a good bullshitter who can

1968

01:21:57,510 --> 01:21:54,880

keep his story straight

1969

01:21:59,669 --> 01:21:57,520

on the long term

1970

01:22:02,149 --> 01:21:59,679

but actually he can't he just can claim

1971

01:22:04,870 --> 01:22:02,159

he can our attempts to disseminate the

1972

01:22:07,110 --> 01:22:04,880

dark fleet databases and other important

1973

01:22:09,270 --> 01:22:07,120

information for the past year have been

1974

01:22:11,030 --> 01:22:09,280

blocked by the ai network named the

1975

01:22:13,270 --> 01:22:11,040

beast

1976

01:22:16,070 --> 01:22:13,280

this information is so important that

1977

01:22:19,350 --> 01:22:16,080

there's an ai network on earth this is

1978

01:22:21,830 --> 01:22:19,360

apparently separate from the ai evil god

1979

01:22:23,270 --> 01:22:21,840

and they're blocking his transmissions

1980

01:22:25,110 --> 01:22:23,280

but here we are listening to his

1981

01:22:27,510 --> 01:22:25,120

transmission so

1982

01:22:30,229 --> 01:22:27,520

i i don't understand uh that the

1983

01:22:32,870 --> 01:22:30,239

information has been blocked by an ai

1984

01:22:35,430 --> 01:22:32,880

network named the beast but hey bring in

1985

01:22:37,590 --> 01:22:35,440

some scary biblical prophecies right

1986

01:22:39,830 --> 01:22:37,600

from the book of revelations the beast

1987

01:22:41,510 --> 01:22:39,840

the number of the beast there's an ai

1988

01:22:43,270 --> 01:22:41,520

network blocking

1989

01:22:45,590 --> 01:22:43,280

good from putting out his important

1990

01:22:48,709 --> 01:22:45,600

information but here we are listening to

1991

01:22:51,510 --> 01:22:48,719

his incredible oh wow cory good you're

1992

01:22:54,149 --> 01:22:51,520

right this information is so important

1993

01:22:56,629 --> 01:22:54,159

that a multi-billion dollar corporation

1994

01:22:58,390 --> 01:22:56,639

with an ai network would try to stop you

1995

01:23:01,270 --> 01:22:58,400

from putting out your fantasyland

1996

01:23:03,750 --> 01:23:01,280

stories sure that sounds completely

1997

01:23:06,070 --> 01:23:03,760

plausible that there's a whole ai

1998

01:23:08,149 --> 01:23:06,080

network trying to stop corey good from

1999

01:23:10,390 --> 01:23:08,159

putting out his bs stories but here we

2000

01:23:12,310 --> 01:23:10,400

are listening to a bs story

2001

01:23:15,110 --> 01:23:12,320

where's the important information corey

2002

01:23:18,830 --> 01:23:15,120

good this is garbage this is like bad

2003

01:23:21,990 --> 01:23:18,840

science fiction fan fiction this is so

2004

01:23:24,149 --> 01:23:22,000

bad the beast is an advanced quantum

2005

01:23:27,189 --> 01:23:24,159

computing network that a three-letter

2006

01:23:29,830 --> 01:23:27,199

agency began building in the 1980s and

2007

01:23:31,750 --> 01:23:29,840

continuously upgrades we have learned a

2008

01:23:34,310 --> 01:23:31,760

lot of new information about the dark

2009

01:23:36,629 --> 01:23:34,320

fleets operations and will be sharing

2010

01:23:39,990 --> 01:23:36,639

updated perspectives and information

2011

01:23:41,990 --> 01:23:40,000

gleaned from sigmund's databases

2012

01:23:43,590 --> 01:23:42,000

corey goode is going to release some new

2013

01:23:45,030 --> 01:23:43,600

information about the dark fleets

2014

01:23:46,709 --> 01:23:45,040

operation

2015

01:23:48,629 --> 01:23:46,719

and he's going to be sharing updated

2016

01:23:50,950 --> 01:23:48,639

perspectives and information gleaned

2017

01:23:52,870 --> 01:23:50,960

from sigmund's databases

2018

01:23:55,270 --> 01:23:52,880

what are segments databases well

2019

01:23:57,030 --> 01:23:55,280

apparently corey good's imaginary friend

2020

01:23:59,430 --> 01:23:57,040

named sigmund has a database of

2021

01:24:01,350 --> 01:23:59,440

information corey goode is going to call

2022

01:24:03,350 --> 01:24:01,360

on his imaginary friend's database of

2023

01:24:05,750 --> 01:24:03,360

information and he's going to be sharing

2024

01:24:07,750 --> 01:24:05,760

these updated perspectives you're right

2025

01:24:10,310 --> 01:24:07,760

cory good this information

2026

01:24:16,390 --> 01:24:10,320

is so important

2027

01:24:17,270 --> 01:24:16,400

ai network is trying to stop him from

2028

01:24:19,990 --> 01:24:17,280

oh my god

2029

01:24:22,709 --> 01:24:20,000

[Music]

2030

01:24:25,510 --> 01:24:22,719

again we must emphasize that we must

2031

01:24:28,149 --> 01:24:25,520

step up do our own inner work and save

2032

01:24:30,390 --> 01:24:28,159

ourselves by creating our own solutions

2033

01:24:32,390 --> 01:24:30,400

to these problems the sphere being

2034

01:24:33,910 --> 01:24:32,400

alliance and the new guardians are not

2035

01:24:35,990 --> 01:24:33,920

here to save us

2036

01:24:38,070 --> 01:24:36,000

their purpose is to oversee cosmic

2037

01:24:40,070 --> 01:24:38,080

cycles of every star system where

2038

01:24:42,790 --> 01:24:40,080

conscious entities are on the ascension

2039

01:24:45,189 --> 01:24:42,800

path our briefings and updates serve as

2040

01:24:47,510 --> 01:24:45,199

part of the accelerated data dumps which

2041

01:24:49,669 --> 01:24:47,520

educate people about the crimes against

2042

01:24:52,310 --> 01:24:49,679

humanity secret earth government

2043

01:24:53,350 --> 01:24:52,320

syndicates and ssp groups and their

2044

01:24:55,830 --> 01:24:53,360

allies

2045

01:24:58,310 --> 01:24:55,840

dark fleet leadership in the icc will

2046

01:25:00,550 --> 01:24:58,320

stand trial in front of representatives

2047

01:25:02,470 --> 01:25:00,560

of the worlds they helped victimize when

2048

01:25:03,270 --> 01:25:02,480

all is set up oh yeah we got to throw in

2049

01:25:06,390 --> 01:25:03,280

those

2050

01:25:08,950 --> 01:25:06,400

mass arrests right and and and the

2051

01:25:11,590 --> 01:25:08,960

tribunals right everybody's going to

2052

01:25:13,270 --> 01:25:11,600

stand trial corey good and david wilcock

2053

01:25:16,070 --> 01:25:13,280

i've been talking about that for five

2054

01:25:18,310 --> 01:25:16,080

six seven eight ten corey good or david

2055

01:25:20,709 --> 01:25:18,320

woke up probably 20 years

2056

01:25:23,110 --> 01:25:20,719

promising mass arrests right they're all

2057

01:25:26,229 --> 01:25:23,120

gonna pay for what they've done it's all

2058

01:25:27,030 --> 01:25:26,239

gonna come out but it never does and

2059

01:25:29,430 --> 01:25:27,040

done

2060

01:25:31,910 --> 01:25:29,440

in our next briefing we will describe

2061

01:25:35,030 --> 01:25:31,920

the global galactic league of nations

2062

01:25:37,030 --> 01:25:35,040

declaration of independence from the icc

2063

01:25:39,270 --> 01:25:37,040

and associated earth governments boy

2064

01:25:40,790 --> 01:25:39,280

there's going to be a new briefing soon

2065

01:25:43,430 --> 01:25:40,800

i can't wait

2066

01:25:46,550 --> 01:25:43,440

next

2067

01:25:49,590 --> 01:25:46,560

on as the ufo turns with corey good and

2068

01:25:51,669 --> 01:25:49,600

his imaginary friends

2069

01:25:56,390 --> 01:25:51,679

be patient be strong

2070

01:26:02,149 --> 01:25:58,709

this is corey good and this has been an

2071

01:26:08,550 --> 01:26:05,590

for more updates go to ascension oh man

2072

01:26:11,350 --> 01:26:08,560

use two robot voices in this man

2073

01:26:12,870 --> 01:26:11,360

way to bring the production up instead

2074

01:26:15,510 --> 01:26:12,880

of just one

2075

01:26:16,790 --> 01:26:15,520

hokey stupid sounding

2076

01:26:19,030 --> 01:26:16,800

robot voice

2077

01:26:21,830 --> 01:26:19,040

court good used two in this

2078

01:26:24,390 --> 01:26:21,840

right and he says this is an official

2079

01:26:26,390 --> 01:26:24,400

secret space program update so it must

2080

01:26:28,950 --> 01:26:26,400

be official friends

2081

01:26:32,629 --> 01:26:28,960

god thank god we made it through this

2082

01:26:34,310 --> 01:26:32,639

latest pile of garbage garbage oh my god

2083

01:26:40,950 --> 01:26:34,320

this is so bad

2084

01:26:42,870 --> 01:26:40,960

well some people do and i guess that's

2085

01:26:44,629 --> 01:26:42,880

why we're here

2086

01:26:46,629 --> 01:26:44,639

i apologize i haven't been paying

2087

01:26:48,390 --> 01:26:46,639

attention to the live chat

2088

01:26:50,709 --> 01:26:48,400

uh so here's what we're gonna do we're

2089

01:26:53,030 --> 01:26:50,719

gonna do what we usually do i am going

2090

01:26:55,430 --> 01:26:53,040

to bounce on out of here we're going to

2091

01:26:58,070 --> 01:26:55,440

have a short musical break and when we

2092

01:26:59,669 --> 01:26:58,080

return i will dedicate my full and total

2093

01:27:01,270 --> 01:26:59,679

attention to the live chat i'd also like

2094

01:27:02,229 --> 01:27:01,280

to remind you where viewer supported

2095

01:27:04,070 --> 01:27:02,239

show

2096

01:27:05,430 --> 01:27:04,080

which means uh that if you want to

2097

01:27:07,030 --> 01:27:05,440

support our show there's a few ways to

2098

01:27:09,430 --> 01:27:07,040

do that you can join our patreon for as

2099

01:27:11,669 --> 01:27:09,440

little as a dollar a month we do extra

2100

01:27:13,270 --> 01:27:11,679

content patreon only streams all my

2101  
01:27:15,910 --> 01:27:13,280  
music goes there before it becomes

2102  
01:27:17,030 --> 01:27:15,920  
public and more it's sort of a backstage

2103  
01:27:19,590 --> 01:27:17,040  
pass

2104  
01:27:20,629 --> 01:27:19,600  
you can also donate at any time uh

2105  
01:27:22,550 --> 01:27:20,639  
through

2106  
01:27:23,990 --> 01:27:22,560  
paypal and the instructions to do that

2107  
01:27:26,709 --> 01:27:24,000  
are in the uh

2108  
01:27:27,990 --> 01:27:26,719  
or in the video description if you catch

2109  
01:27:30,229 --> 01:27:28,000  
us in the live chat while we're

2110  
01:27:31,110 --> 01:27:30,239  
broadcasting live you can send a super

2111  
01:27:33,830 --> 01:27:31,120  
chat

2112  
01:27:36,550 --> 01:27:33,840  
of any denomination any kind of money

2113  
01:27:38,870 --> 01:27:36,560

youtube will will uh convert it for us

2114

01:27:39,830 --> 01:27:38,880

so throw a few bucks in the hat and

2115

01:27:43,030 --> 01:27:39,840

support

2116

01:27:45,189 --> 01:27:43,040

entertainment

2117

01:27:47,030 --> 01:27:45,199

uh

2118

01:27:49,669 --> 01:27:47,040

the other way that you can help is to

2119

01:27:51,430 --> 01:27:49,679

like comment subscribe and share

2120

01:27:52,629 --> 01:27:51,440

these videos it really really does help

2121

01:27:54,229 --> 01:27:52,639

and if you happen to be listening in

2122

01:27:55,910 --> 01:27:54,239

audio podcast land just know you're

2123

01:27:58,229 --> 01:27:55,920

missing half the fun come on over to

2124

01:27:59,590 --> 01:27:58,239

youtube put truth seekers in the search

2125

01:28:01,830 --> 01:27:59,600

bar look for me the guy with the

2126  
01:28:04,070 --> 01:28:01,840  
sunglasses stephen campbell your host

2127  
01:28:06,629 --> 01:28:04,080  
and smash the subscribe button hit that

2128  
01:28:08,390 --> 01:28:06,639  
notification bell and you too will know

2129  
01:28:10,070 --> 01:28:08,400  
the next time we're doing a live taping

2130  
01:28:11,590 --> 01:28:10,080  
and you can come on over to the live

2131  
01:28:13,910 --> 01:28:11,600  
chat you're going to hear in a moment we

2132  
01:28:17,990 --> 01:28:13,920  
take comments questions suggestions from

2133  
01:28:20,709 --> 01:28:18,000  
the live chat uh so i am going to

2134  
01:28:23,910 --> 01:28:20,719  
bounce on out of here for a moment

2135  
01:28:25,669 --> 01:28:23,920  
and uh we'll have a quick musical guest

2136  
01:28:27,110 --> 01:28:25,679  
and then

2137  
01:28:29,189 --> 01:28:27,120  
i will dedicate my full and total

2138  
01:28:31,430 --> 01:28:29,199

attention to the live chat i will read

2139

01:28:34,310 --> 01:28:31,440

every single super chat and every single

2140

01:28:36,229 --> 01:28:34,320

paypal donation we do that on every show

2141

01:28:39,110 --> 01:28:36,239

we like to thank and recognize every

2142

01:28:40,070 --> 01:28:39,120

single supporter we read every one of

2143

01:28:41,030 --> 01:28:40,080

them

2144

01:28:55,500 --> 01:28:41,040

so

2145

01:28:55,510 --> 01:29:02,790

[Music]

2146

01:29:14,149 --> 01:29:05,840

the pictures the letters

2147

01:29:14,159 --> 01:29:24,390

buried in a shoebox

2148

01:29:24,400 --> 01:29:43,540

is

2149

01:29:50,149 --> 01:29:45,740

[Applause]

2150

01:29:50,159 --> 01:30:04,070

i think

2151  
01:30:04,080 --> 01:30:23,510  
the shrine that i have been surrounded

2152  
01:30:23,520 --> 01:30:54,310  
there's nothing left

2153  
01:30:54,320 --> 01:30:59,800  
i cannot be true

2154  
01:31:32,870 --> 01:31:04,950  
[Music]

2155  
01:31:32,880 --> 01:31:53,060  
that is

2156  
01:31:53,070 --> 01:32:04,629  
[Applause]

2157  
01:32:09,270 --> 01:32:07,270  
and we are back friends and uh i'm

2158  
01:32:11,830 --> 01:32:09,280  
checking in with the uh

2159  
01:32:15,030 --> 01:32:11,840  
with the super chats i'm gonna share my

2160  
01:32:20,709 --> 01:32:19,189  
well let me update that actually

2161  
01:32:23,430 --> 01:32:20,719  
we'll check in with the paypal we'll

2162  
01:32:26,310 --> 01:32:23,440  
check in with the super chats and uh the

2163  
01:32:28,070 --> 01:32:26,320

live chat in

2164

01:32:32,229 --> 01:32:28,080

we've got a great crowd tonight thanks

2165

01:32:35,030 --> 01:32:33,590

we are glad

2166

01:32:37,430 --> 01:32:35,040

that you are here

2167

01:32:38,709 --> 01:32:37,440

you are most welcome here

2168

01:32:41,830 --> 01:32:38,719

um

2169

01:32:43,110 --> 01:32:41,840

let me see here

2170

01:32:48,870 --> 01:32:43,120

now i got it

2171

01:32:48,880 --> 01:32:52,790

let's um

2172

01:32:59,030 --> 01:32:55,590

share the latest super chats uh

2173

01:33:00,629 --> 01:32:59,040

great so thanks very much to jmod nzt

2174

01:33:02,390 --> 01:33:00,639

for kind and generous new zealand

2175

01:33:03,750 --> 01:33:02,400

dollars two dollars

2176

01:33:05,910 --> 01:33:03,760

and again

2177

01:33:08,470 --> 01:33:05,920

and he says show those imposters whose

2178

01:33:10,709 --> 01:33:08,480

boss steve and then another kind of

2179

01:33:12,870 --> 01:33:10,719

generous new zealand two dollars from j

2180

01:33:15,350 --> 01:33:12,880

mod nzt who said

2181

01:33:17,669 --> 01:33:15,360

i heard sigmund was sued to death

2182

01:33:20,830 --> 01:33:17,679

could be and lead guy with a kind and

2183

01:33:23,430 --> 01:33:20,840

generous 499 super sticker of of course

2184

01:33:26,229 --> 01:33:23,440

bacon we have al warrior with a kind of

2185

01:33:27,110 --> 01:33:26,239

generous 333 super sticker

2186

01:33:30,550 --> 01:33:27,120

uh

2187

01:33:33,350 --> 01:33:30,560

looks like this and a frog or an alien i

2188

01:33:34,390 --> 01:33:33,360

can't tell i'm sorry too small for me l

2189

01:33:36,390 --> 01:33:34,400

warrior

2190

01:33:38,470 --> 01:33:36,400

a little bit visually impaired but thank

2191

01:33:41,430 --> 01:33:38,480

you for your kindness your generosity

2192

01:33:43,669 --> 01:33:41,440

and support thanks to j mod nzt thanks

2193

01:33:46,070 --> 01:33:43,679

of course to lead guy longtime show

2194

01:33:48,870 --> 01:33:46,080

supporter and naomi with a kind and

2195

01:33:50,709 --> 01:33:48,880

generous 499 super chat thank you for

2196

01:33:53,030 --> 01:33:50,719

your kindness your generosity and your

2197

01:33:55,270 --> 01:33:53,040

support of the show and for helping us

2198

01:33:56,629 --> 01:33:55,280

to praise the cash friends

2199

01:34:00,070 --> 01:33:56,639

i'm going to check in quickly with our

2200

01:34:02,629 --> 01:34:00,080

paypal donators and then we will

2201  
01:34:04,229 --> 01:34:02,639  
uh devote and then i will devote my full

2202  
01:34:05,910 --> 01:34:04,239  
total attention to the live chat so get

2203  
01:34:06,950 --> 01:34:05,920  
those questions ready

2204  
01:34:09,430 --> 01:34:06,960  
um

2205  
01:34:11,750 --> 01:34:09,440  
questions comments uh suggestions for

2206  
01:34:17,990 --> 01:34:11,760  
new shows or things you would like me to

2207  
01:34:23,110 --> 01:34:21,110  
one second friends

2208  
01:34:25,590 --> 01:34:23,120  
get in there and check if we have any

2209  
01:34:27,510 --> 01:34:25,600  
paypal donators to shout out if you do

2210  
01:34:29,270 --> 01:34:27,520  
set a paypal donation

2211  
01:34:30,229 --> 01:34:29,280  
please be sure to

2212  
01:34:33,030 --> 01:34:30,239  
uh

2213  
01:34:34,870 --> 01:34:33,040

put add a note put your chat room user

2214

01:34:36,629 --> 01:34:34,880

id and then

2215

01:34:38,550 --> 01:34:36,639

any message you want for us to shout out

2216

01:34:41,590 --> 01:34:38,560

i see we don't have any new ones to

2217

01:34:43,189 --> 01:34:41,600

shout out yet so uh we'll go to the live

2218

01:34:45,109 --> 01:34:43,199

chat

2219

01:34:47,430 --> 01:34:45,119

that girl jessica says praise the cash

2220

01:34:52,470 --> 01:34:47,440

and so does on the rise yes

2221

01:34:56,950 --> 01:34:54,470

yeah uh we should do appraise the cash

2222

01:34:59,030 --> 01:34:56,960

for all you kind and generous

2223

01:35:00,420 --> 01:34:59,040

cash praisers right

2224

01:35:07,030 --> 01:35:00,430

praise the cash friends

2225

01:35:13,140 --> 01:35:09,270

you're watching tracy

2226

01:35:16,149 --> 01:35:13,150

praise cash to catch

2227

01:35:18,070 --> 01:35:16,159

[Music]

2228

01:35:21,270 --> 01:35:18,080

thanks to all of our kind and generous

2229

01:35:23,750 --> 01:35:21,280

benefactors and donators and supporters

2230

01:35:26,390 --> 01:35:23,760

for helping us to do exactly that praise

2231

01:35:28,950 --> 01:35:26,400

the cash this is a viewer supported show

2232

01:35:32,709 --> 01:35:28,960

that's a great way to support us and see

2233

01:35:35,109 --> 01:35:32,719

us continue on this journey

2234

01:35:36,709 --> 01:35:35,119

on the rise says matt r is here maybe we

2235

01:35:39,109 --> 01:35:36,719

need him to call in

2236

01:35:41,189 --> 01:35:39,119

uh my cell phone is at about one percent

2237

01:35:43,590 --> 01:35:41,199

i turned it off right before the show so

2238

01:35:45,990 --> 01:35:43,600

uh no

2239

01:35:47,590 --> 01:35:46,000

no and uh you know uh

2240

01:35:52,070 --> 01:35:47,600

i i i

2241

01:35:56,149 --> 01:35:54,470

yeah matar says uh

2242

01:35:58,550 --> 01:35:56,159

i'd suggest saying my past two

2243

01:36:05,109 --> 01:35:58,560

interviews here yes please check my

2244

01:36:08,470 --> 01:36:07,510

see what's going on now you know never

2245

01:36:12,709 --> 01:36:08,480

know

2246

01:36:15,030 --> 01:36:12,719

stuff seems to pop off during live shows

2247

01:36:22,870 --> 01:36:15,040

i uh

2248

01:36:22,880 --> 01:36:26,470

oh yeah so uh

2249

01:36:32,070 --> 01:36:28,470

spooky has uh

2250

01:36:33,910 --> 01:36:32,080

sigmund's last words and his dying wish

2251  
01:36:36,229 --> 01:36:33,920  
and uh yeah we're going to share that

2252  
01:36:38,709 --> 01:36:36,239  
later in the show because it's funny

2253  
01:36:41,510 --> 01:36:38,719  
again uh this is one of corey good's

2254  
01:36:42,550 --> 01:36:41,520  
imaginary friends right

2255  
01:36:45,350 --> 01:36:42,560  
um

2256  
01:36:47,189 --> 01:36:45,360  
and yes uh spooky uh wants me to let

2257  
01:36:49,510 --> 01:36:47,199  
everybody know that you can find the

2258  
01:36:52,629 --> 01:36:49,520  
spooky's edits on

2259  
01:36:53,510 --> 01:36:52,639  
the occ out of context cw channel

2260  
01:36:55,109 --> 01:36:53,520  
channel

2261  
01:36:57,350 --> 01:36:55,119  
look for it in youtube somebody can put

2262  
01:36:59,350 --> 01:36:57,360  
it in the live chat if they like

2263  
01:37:01,189 --> 01:36:59,360

and uh yeah we've got it

2264

01:37:03,350 --> 01:37:01,199

sigmund's dying wish we could play the

2265

01:37:05,189 --> 01:37:03,360

show out with which is equally as stupid

2266

01:37:07,510 --> 01:37:05,199

and ridiculous as

2267

01:37:11,350 --> 01:37:07,520

even entertaining corey good's uh you

2268

01:37:15,750 --> 01:37:13,109

oh wait you know what i wanted to do i

2269

01:37:20,870 --> 01:37:19,270

let's take a question from adam bonafat

2270

01:37:22,550 --> 01:37:20,880

steve what do you think of the alien hut

2271

01:37:25,030 --> 01:37:22,560

the chinese said they found on the moon

2272

01:37:27,430 --> 01:37:25,040

uh it's a nothing burger because later

2273

01:37:29,030 --> 01:37:27,440

the rover got close to it and there's

2274

01:37:31,430 --> 01:37:29,040

it's a rock

2275

01:37:33,350 --> 01:37:31,440

so congratulations to all you conspiracy

2276

01:37:35,430 --> 01:37:33,360

theorists who are convinced that was

2277

01:37:37,270 --> 01:37:35,440

some kind of alien moon base turned out

2278

01:37:40,629 --> 01:37:37,280

to be a rock

2279

01:37:42,149 --> 01:37:40,639

a big rock a boulder perhaps but still a

2280

01:37:44,470 --> 01:37:42,159

natural formation

2281

01:37:46,629 --> 01:37:44,480

nothing special nothing to see

2282

01:37:49,030 --> 01:37:46,639

uh nothing to see here

2283

01:37:50,870 --> 01:37:49,040

amy collins asks true seekers why is it

2284

01:37:52,550 --> 01:37:50,880

when these scammers lie it's always pure

2285

01:37:55,189 --> 01:37:52,560

garbage wouldn't they be more successful

2286

01:37:57,030 --> 01:37:55,199

with 90 truth and a few white lies

2287

01:37:59,189 --> 01:37:57,040

well

2288

01:38:01,510 --> 01:37:59,199

from what i've seen amy collins the more

2289

01:38:03,669 --> 01:38:01,520

fantastical the stories the better they

2290

01:38:05,990 --> 01:38:03,679

sell right

2291

01:38:07,669 --> 01:38:06,000

uh wrong status asking about his wrench

2292

01:38:09,270 --> 01:38:07,679

yeah i'll go over there and do that now

2293

01:38:10,149 --> 01:38:09,280

rogue status

2294

01:38:11,669 --> 01:38:10,159

uh

2295

01:38:13,590 --> 01:38:11,679

some of you may be aware that almost

2296

01:38:15,910 --> 01:38:13,600

everybody was a moderator here for a

2297

01:38:17,590 --> 01:38:15,920

while but that was bad because then what

2298

01:38:20,870 --> 01:38:17,600

happened is that the moderators started

2299

01:38:23,350 --> 01:38:20,880

arguing with each other and uh muting

2300

01:38:25,109 --> 01:38:23,360

each other and blocking each other so we

2301

01:38:27,109 --> 01:38:25,119

took away all the wrenches and are

2302

01:38:29,669 --> 01:38:27,119

slowly giving those people we could

2303

01:38:31,590 --> 01:38:29,679

trust not to do that

2304

01:38:33,750 --> 01:38:31,600

their wrench is back

2305

01:38:35,910 --> 01:38:33,760

so uh but we really want to keep

2306

01:38:37,990 --> 01:38:35,920

a very small number of people to be chat

2307

01:38:40,310 --> 01:38:38,000

room moderators it gets out of hand when

2308

01:38:42,629 --> 01:38:40,320

there's 10 or we don't need that many

2309

01:38:46,149 --> 01:38:42,639

it's not that big of a

2310

01:38:47,510 --> 01:38:46,159

or three people that have wrenches in

2311

01:38:49,270 --> 01:38:47,520

the live chat

2312

01:38:53,910 --> 01:38:49,280

able to do something

2313

01:38:57,510 --> 01:38:55,430

all we really need

2314

01:38:59,590 --> 01:38:57,520

steve says you should call lon strickner

2315

01:39:02,149 --> 01:38:59,600

i dm do his number his team in chicago

2316

01:39:03,990 --> 01:39:02,159

are being contacted by uh that flock of

2317

01:39:06,629 --> 01:39:04,000

mothman habemoni's very serious

2318

01:39:08,629 --> 01:39:06,639

researcher good record yeah i uh i have

2319

01:39:14,709 --> 01:39:08,639

plans to i just haven't gotten to it yet

2320

01:39:18,950 --> 01:39:16,709

new video on the rice's new video on the

2321

01:39:19,910 --> 01:39:18,960

cw channel channel music spooky and i

2322

01:39:22,470 --> 01:39:19,920

worked on

2323

01:39:24,629 --> 01:39:22,480

highly suggest you go watch yeah

2324

01:39:25,990 --> 01:39:24,639

yeah go over there and subscribe too and

2325

01:39:28,229 --> 01:39:26,000

i just want to remind everybody that

2326

01:39:29,590 --> 01:39:28,239

besides throwing money at me

2327

01:39:32,629 --> 01:39:29,600

one of the other great things that you

2328

01:39:34,790 --> 01:39:32,639

could do is of course to

2329

01:39:36,470 --> 01:39:34,800

like comment subscribe and share these

2330

01:39:39,350 --> 01:39:36,480

videos share them on your social media

2331

01:39:42,709 --> 01:39:39,360

retweet them share them on facebook

2332

01:39:44,629 --> 01:39:42,719

send a few in dm or pms to friends or

2333

01:39:46,870 --> 01:39:44,639

send our channel address and tell your

2334

01:39:50,070 --> 01:39:46,880

friends uh that they should subscribe

2335

01:39:52,229 --> 01:39:50,080

because uh if chances are if you like

2336

01:39:55,030 --> 01:39:52,239

the show a few of your friends

2337

01:39:57,430 --> 01:39:55,040

family or colleagues may also enjoy it

2338

01:40:00,470 --> 01:39:57,440

and this is how we've been growing very

2339

01:40:02,070 --> 01:40:00,480  
very organically oh i do want to

2340

01:40:05,750 --> 01:40:02,080  
i do want to share

2341

01:40:10,390 --> 01:40:07,990  
the bad news is that we're still waiting

2342

01:40:12,870 --> 01:40:10,400  
on youtube who has a backlog to get that

2343

01:40:15,350 --> 01:40:12,880  
copyright strike off of our channel

2344

01:40:17,910 --> 01:40:15,360  
but um you know

2345

01:40:19,990 --> 01:40:17,920  
we're going to give it time the deadline

2346

01:40:20,790 --> 01:40:20,000  
has expired for some people to prove

2347

01:40:22,629 --> 01:40:20,800  
their

2348

01:40:24,550 --> 01:40:22,639  
ridiculous claims

2349

01:40:26,629 --> 01:40:24,560  
and they chose not to do that so it

2350

01:40:29,669 --> 01:40:26,639  
should come right down but i'm told

2351  
01:40:31,590 --> 01:40:29,679  
there may be a backlog so uh it is what

2352  
01:40:33,430 --> 01:40:31,600  
it is

2353  
01:40:36,550 --> 01:40:33,440  
all right but on to the good news we

2354  
01:40:39,350 --> 01:40:36,560  
passed 300 000 views

2355  
01:40:40,870 --> 01:40:39,360  
uh just on youtube and i'm sure between

2356  
01:40:43,109 --> 01:40:40,880  
the downloads

2357  
01:40:45,750 --> 01:40:43,119  
uh on our audio podcast and our

2358  
01:40:47,590 --> 01:40:45,760  
alternate video distribution platforms

2359  
01:40:51,109 --> 01:40:47,600  
we should be at well over half a million

2360  
01:40:52,870 --> 01:40:51,119  
views or listens or downloads in total

2361  
01:40:55,510 --> 01:40:52,880  
for truth seekers and i can't tell you

2362  
01:40:57,270 --> 01:40:55,520  
how happy i am about that

2363  
01:41:00,550 --> 01:40:57,280

you know we start this show from nothing

2364

01:41:02,149 --> 01:41:00,560

and here we are 300 000 just youtube

2365

01:41:04,070 --> 01:41:02,159

views or listens i'm sure there's

2366

01:41:06,709 --> 01:41:04,080

another 200 between the various other

2367

01:41:09,830 --> 01:41:06,719

platforms we're on every podcast

2368

01:41:12,950 --> 01:41:09,840

network there is after all and we get a

2369

01:41:15,109 --> 01:41:12,960

100 or 200 downloads a day uh just on

2370

01:41:16,870 --> 01:41:15,119

the audio podcast so

2371

01:41:19,109 --> 01:41:16,880

some days i don't know i don't really

2372

01:41:21,030 --> 01:41:19,119

look at the stats too much

2373

01:41:23,189 --> 01:41:21,040

my point is that

2374

01:41:25,750 --> 01:41:23,199

this is good news we're at three hundred

2375

01:41:28,229 --> 01:41:25,760

three thousand something views on

2376

01:41:29,830 --> 01:41:28,239

youtube and probably another two hundred

2377

01:41:31,750 --> 01:41:29,840

easily another two hundred thousand

2378

01:41:33,590 --> 01:41:31,760

views downloads or listens on our

2379

01:41:35,830 --> 01:41:33,600

alternate platforms but youtube is the

2380

01:41:38,870 --> 01:41:35,840

biggest one for us so we're happy to see

2381

01:41:40,390 --> 01:41:38,880

that 300 000 views and i can't tell you

2382

01:41:42,950 --> 01:41:40,400

how happy i am when i think about the

2383

01:41:45,270 --> 01:41:42,960

fact that uh we've probably at least

2384

01:41:46,550 --> 01:41:45,280

gotten a half a million views or listens

2385

01:41:49,030 --> 01:41:46,560

or downloads

2386

01:41:50,870 --> 01:41:49,040

so far since starting the show half a

2387

01:41:53,350 --> 01:41:50,880

million and you know sometimes it's

2388

01:41:55,910 --> 01:41:53,360

funny when people are slagging

2389

01:41:57,750 --> 01:41:55,920

uh my efforts here i just i just think

2390

01:41:59,910 --> 01:41:57,760

to myself now i'm gonna think to myself

2391

01:42:01,189 --> 01:41:59,920

when's the last time half a million

2392

01:42:03,510 --> 01:42:01,199

views

2393

01:42:06,550 --> 01:42:03,520

uh people gave your work half a million

2394

01:42:08,470 --> 01:42:06,560

views or listens or downloads you know

2395

01:42:10,950 --> 01:42:08,480

you gotta kind of consider the source of

2396

01:42:13,350 --> 01:42:10,960

learning that

2397

01:42:15,270 --> 01:42:13,360

uh you know it's even funny it was like

2398

01:42:17,750 --> 01:42:15,280

family or you know

2399

01:42:19,590 --> 01:42:17,760

petty jealous nonsense like oh look

2400

01:42:21,750 --> 01:42:19,600

nobody watches his show

2401

01:42:24,709 --> 01:42:21,760

it's just a youtube show

2402

01:42:27,189 --> 01:42:24,719

uh well apparently 300 000

2403

01:42:28,629 --> 01:42:27,199

views later somebody's watching

2404

01:42:31,030 --> 01:42:28,639

somebody's listening and i can't tell

2405

01:42:32,870 --> 01:42:31,040

you how thankful i am for that

2406

01:42:34,390 --> 01:42:32,880

now uh one more thing we're going to

2407

01:42:35,270 --> 01:42:34,400

share we're just going to share the live

2408

01:42:46,229 --> 01:42:35,280

chat

2409

01:42:47,910 --> 01:42:46,239

there we go

2410

01:42:50,629 --> 01:42:47,920

so i'm going to take some comments and

2411

01:42:52,470 --> 01:42:50,639

questions from the live chat uh please

2412

01:42:54,629 --> 01:42:52,480

please do like comment subscribe and

2413

01:42:56,790 --> 01:42:54,639

share on this video let us know what you

2414

01:42:59,910 --> 01:42:56,800

think of corey's latest intel put it in

2415

01:43:03,109 --> 01:42:59,920

the comments am i off base here or is

2416

01:43:05,109 --> 01:43:03,119

this playground childish nonsense that

2417

01:43:06,950 --> 01:43:05,119

he's coming out with here

2418

01:43:08,550 --> 01:43:06,960

what is it that you think because i'm

2419

01:43:10,470 --> 01:43:08,560

pretty sure i know what i think at this

2420

01:43:12,390 --> 01:43:10,480

point

2421

01:43:14,470 --> 01:43:12,400

naomi is here and says thank you for

2422

01:43:16,790 --> 01:43:14,480

this channel i've been in a deep

2423

01:43:19,350 --> 01:43:16,800

rabbit hole of emery smith and

2424

01:43:21,189 --> 01:43:19,360

greer's f nuttery and really needed to

2425

01:43:23,430 --> 01:43:21,199

find someone who wasn't slapping up the

2426

01:43:25,750 --> 01:43:23,440

bs well thank you naomi i'm glad that

2427

01:43:28,310 --> 01:43:25,760

you found us that's what we're here for

2428

01:43:30,629 --> 01:43:28,320

almost like deprogramming

2429

01:43:32,550 --> 01:43:30,639

once you've been in these rabbit holes

2430

01:43:34,709 --> 01:43:32,560

these rabbit holes go deep and i've been

2431

01:43:37,270 --> 01:43:34,719

down all of them or most of them

2432

01:43:39,189 --> 01:43:37,280

and uh i think it's good to uh try to

2433

01:43:41,430 --> 01:43:39,199

pull people out right

2434

01:43:43,910 --> 01:43:41,440

especially if they're in a

2435

01:43:46,070 --> 01:43:43,920

nothing burger of a rabbit hole that has

2436

01:43:47,910 --> 01:43:46,080

no value

2437

01:43:50,070 --> 01:43:47,920

you know i think some rabbit holes in

2438

01:43:53,189 --> 01:43:50,080

conspiracy land certainly have some

2439

01:43:55,270 --> 01:43:53,199

evidence and and some value but so many

2440

01:43:57,189 --> 01:43:55,280

of them are just total garbage like

2441

01:43:59,669 --> 01:43:57,199

we've seen tonight so i'm glad that you

2442

01:44:02,470 --> 01:43:59,679

found us naomi uh and i hope that you'll

2443

01:44:07,270 --> 01:44:02,480

return um we're doing our very best to

2444

01:44:07,280 --> 01:44:12,070

um that girl jessica mentioned uh

2445

01:44:16,950 --> 01:44:14,390

bullies growing up yeah i had my fair

2446

01:44:19,350 --> 01:44:16,960

share spooky blueberry wolf bridge have

2447

01:44:21,510 --> 01:44:19,360

no idea what the hell that's about

2448

01:44:26,470 --> 01:44:21,520

something some some cw chainer thing

2449

01:44:26,480 --> 01:44:32,629

matt r is talking about aliens

2450

01:44:39,990 --> 01:44:35,830

on the once uh matt or to take him with

2451  
01:44:42,070 --> 01:44:40,000  
him to the aliens yeah me too man let's

2452  
01:44:43,750 --> 01:44:42,080  
we'll bring you know bring some mice or

2453  
01:44:45,590 --> 01:44:43,760  
something for those reptilian aliens to

2454  
01:44:47,189 --> 01:44:45,600  
eat so they don't bang us and eat us on

2455  
01:44:48,950 --> 01:44:47,199  
the rise we don't want to get banged or

2456  
01:44:50,870 --> 01:44:48,960  
eaten by reptilian aliens so we better

2457  
01:44:53,030 --> 01:44:50,880  
bring some food right they like live

2458  
01:44:54,470 --> 01:44:53,040  
food bring some rabbits or something and

2459  
01:44:56,709 --> 01:44:54,480  
if they try to bang a cerritas we just

2460  
01:45:02,070 --> 01:44:56,719  
go here eat the rabbit mr reptilian

2461  
01:45:07,430 --> 01:45:04,470  
status says the robot pretending to be a

2462  
01:45:10,550 --> 01:45:07,440  
chief military guy that's just lol got

2463  
01:45:12,310 --> 01:45:10,560

no words i know it's a robot voice right

2464

01:45:13,990 --> 01:45:12,320

if you really had a chief military guy

2465

01:45:15,910 --> 01:45:14,000

wouldn't you just have him read that

2466

01:45:18,229 --> 01:45:15,920

statement why would you have to get a

2467

01:45:20,149 --> 01:45:18,239

speech low robot voice to read it if the

2468

01:45:22,470 --> 01:45:20,159

guy actually exists why wouldn't he just

2469

01:45:24,550 --> 01:45:22,480

read it this is nonsense this stuff is

2470

01:45:30,390 --> 01:45:24,560

just nonsensical it really is

2471

01:45:36,950 --> 01:45:32,390

spooky asking what's coming up this week

2472

01:45:38,950 --> 01:45:36,960

well uh i'm gonna review david wilcock

2473

01:45:41,669 --> 01:45:38,960

channeling raw that's right you heard it

2474

01:45:44,470 --> 01:45:41,679

here first i found a tape of david

2475

01:45:47,350 --> 01:45:44,480

wilcock channeling the egyptian god raw

2476

01:45:49,590 --> 01:45:47,360

and it's a laugh riot of nonsense

2477

01:45:51,510 --> 01:45:49,600

so uh we're going to cover that

2478

01:45:53,350 --> 01:45:51,520

i've got a few guests this week and

2479

01:45:55,030 --> 01:45:53,360

we're going to do an experimenter files

2480

01:45:56,790 --> 01:45:55,040

tomorrow with a very interesting guy

2481

01:45:59,030 --> 01:45:56,800

that is having some incredible

2482

01:46:02,470 --> 01:45:59,040

experiences with

2483

01:46:04,709 --> 01:46:02,480

well aliens spirits maybe demons

2484

01:46:07,030 --> 01:46:04,719

it's uh it's a pretty crazy story

2485

01:46:08,870 --> 01:46:07,040

especially because it comes from a

2486

01:46:10,470 --> 01:46:08,880

a

2487

01:46:12,390 --> 01:46:10,480

firefighter

2488

01:46:14,070 --> 01:46:12,400

you know it's not some crackpot

2489

01:46:14,790 --> 01:46:14,080

uh

2490

01:46:17,510 --> 01:46:14,800

a

2491

01:46:19,510 --> 01:46:17,520

seemingly very credible person

2492

01:46:21,910 --> 01:46:19,520

uh but then you get to his stories which

2493

01:46:23,990 --> 01:46:21,920

are really really crazy and we're gonna

2494

01:46:26,070 --> 01:46:24,000

explore that tomorrow at 7 pm eastern

2495

01:46:27,990 --> 01:46:26,080

standard time and i've got another

2496

01:46:30,629 --> 01:46:28,000

interview coming up this week i believe

2497

01:46:32,470 --> 01:46:30,639

with a emery smith whistleblower who's

2498

01:46:34,070 --> 01:46:32,480

going to be coming here and confirming a

2499

01:46:36,470 --> 01:46:34,080

lot of what we already knew about emery

2500

01:46:37,830 --> 01:46:36,480

smith but way to hear this guy's stories

2501

01:46:39,990 --> 01:46:37,840

they're crazy

2502

01:46:41,350 --> 01:46:40,000

um there are a few other surprises i

2503

01:46:44,310 --> 01:46:41,360

have

2504

01:46:46,870 --> 01:46:44,320

i'm gonna try to get two more or three

2505

01:46:49,830 --> 01:46:46,880

more episodes of the enduring mystery

2506

01:46:52,790 --> 01:46:49,840

series finished in the next week or two

2507

01:46:55,510 --> 01:46:52,800

so that we can finally do our playlists

2508

01:46:57,669 --> 01:46:55,520

and uh we gotta get

2509

01:46:59,350 --> 01:46:57,679

we have to get the series done before we

2510

01:47:01,270 --> 01:46:59,360

can do a playlist of the series so i'm

2511

01:47:02,149 --> 01:47:01,280

working on that as well

2512

01:47:04,149 --> 01:47:02,159

uh

2513

01:47:07,990 --> 01:47:04,159

lord ludicrous plaid says this will be

2514

01:47:11,910 --> 01:47:10,149

otherwise says no reptile sex take me

2515

01:47:13,430 --> 01:47:11,920

and stephen matar we are prepared with a

2516

01:47:14,870 --> 01:47:13,440

bag of rabbits that's what we're gonna

2517

01:47:16,229 --> 01:47:14,880

do we're gonna take a bag of rabbits

2518

01:47:18,310 --> 01:47:16,239

either that or take somebody you don't

2519

01:47:20,070 --> 01:47:18,320

like with you on the rise and if they

2520

01:47:21,430 --> 01:47:20,080

try to bang us and eat us just push the

2521

01:47:23,990 --> 01:47:21,440

person you don't like right at the

2522

01:47:30,229 --> 01:47:24,000

reptilian alien i mean you will run

2523

01:47:34,070 --> 01:47:32,470

chris 77 roxy says she will be

2524

01:47:35,990 --> 01:47:34,080

channeling higher dimensional beings

2525

01:47:37,990 --> 01:47:36,000

this year as well aren't they always

2526

01:47:38,950 --> 01:47:38,000

channeling higher dimensional beings i

2527

01:47:40,470 --> 01:47:38,960

don't know

2528

01:47:43,430 --> 01:47:40,480

i don't think that's anything new chris

2529

01:47:46,229 --> 01:47:43,440

77 it's just more uh

2530

01:47:48,470 --> 01:47:46,239

you know word salad nonsense and by the

2531

01:47:50,629 --> 01:47:48,480

way i meant to mention

2532

01:47:52,390 --> 01:47:50,639

during corey good spiel

2533

01:47:54,310 --> 01:47:52,400

you know he claims there's some quantum

2534

01:47:55,750 --> 01:47:54,320

super computer and i've got a background

2535

01:47:58,229 --> 01:47:55,760

in computer science

2536

01:47:59,669 --> 01:47:58,239

quantum computers are in their infancy

2537

01:48:01,590 --> 01:47:59,679

that we have

2538

01:48:03,510 --> 01:48:01,600

some would say working models but

2539

01:48:06,790 --> 01:48:03,520

they're technology demonstrators they're

2540

01:48:09,830 --> 01:48:06,800

nowhere near production do projects on

2541

01:48:13,270 --> 01:48:09,840

them ready they are theoretical in

2542

01:48:15,430 --> 01:48:13,280

and largely unproven technology

2543

01:48:18,629 --> 01:48:15,440

so you're not building a super computer

2544

01:48:20,390 --> 01:48:18,639

out of theoretical unproven technology

2545

01:48:22,550 --> 01:48:20,400

it's just not happening

2546

01:48:25,030 --> 01:48:22,560

but it's a nice buzzword and it's in the

2547

01:48:27,109 --> 01:48:25,040

news quantum computing right because

2548

01:48:29,109 --> 01:48:27,119

google and all these other people

2549

01:48:30,550 --> 01:48:29,119

are doing a

2550

01:48:32,629 --> 01:48:30,560

quantum

2551

01:48:36,629 --> 01:48:32,639

computing experiments doesn't mean they

2552

01:48:40,870 --> 01:48:38,629

it's just so stupid

2553

01:48:42,709 --> 01:48:40,880

uh but you know it is what it is right

2554

01:48:46,070 --> 01:48:42,719

that's this is where we're at with this

2555

01:48:50,229 --> 01:48:48,070

lord ludacris plan yes bag of rabbits

2556

01:48:51,910 --> 01:48:50,239

that's my plan bag of rabbits success

2557

01:48:53,750 --> 01:48:51,920

reminding everybody feel free to express

2558

01:48:55,350 --> 01:48:53,760

your opinions here truth seekers is

2559

01:48:57,030 --> 01:48:55,360

completely open others viewpoints

2560

01:48:58,870 --> 01:48:57,040

opinions on all subjects covered all

2561

01:49:00,790 --> 01:48:58,880

opinions are welcome so long as they are

2562

01:49:02,390 --> 01:49:00,800

not offensive or rude yeah but just be

2563

01:49:06,070 --> 01:49:02,400

kind to your fellow

2564

01:49:09,189 --> 01:49:06,080

chat room uh participants right

2565

01:49:11,669 --> 01:49:09,199

chris 77 oh she's doing it live on video

2566

01:49:12,629 --> 01:49:11,679

that's new yeah send me a link

2567

01:49:15,510 --> 01:49:12,639

uh email me at truthseeker

2568

01:49:17,109 --> 01:49:15,520

truthseekershow at gmail.com chris77

2569

01:49:19,350 --> 01:49:17,119

that's something that i could probably

2570

01:49:21,510 --> 01:49:19,360

cover right

2571

01:49:23,109 --> 01:49:21,520

yeah cosmic neighbors i agree with you

2572

01:49:24,950 --> 01:49:23,119

uh people don't even know what quantum

2573

01:49:27,030 --> 01:49:24,960

computing is of course they don't

2574

01:49:29,030 --> 01:49:27,040

they're just making [h\_\_h] up so

2575

01:49:30,310 --> 01:49:29,040

you know

2576

01:49:31,589 --> 01:49:30,320

what are you going to do what are you

2577

01:49:33,990 --> 01:49:31,599

going to do

2578

01:49:36,470 --> 01:49:34,000

cosmic neighbors they just you know it's

2579

01:49:38,229 --> 01:49:36,480

a buzzword i liked for a while people

2580

01:49:40,229 --> 01:49:38,239

were putting the word quantum in front

2581

01:49:41,990 --> 01:49:40,239

of everything you know

2582

01:49:43,109 --> 01:49:42,000

and that became sort of like the word

2583

01:49:45,669 --> 01:49:43,119

salad

2584

01:49:46,550 --> 01:49:45,679

buzzword for a long time it still is you

2585

01:49:49,270 --> 01:49:46,560

know

2586

01:49:51,510 --> 01:49:49,280

we have uh quantum hypnosis now or

2587

01:49:54,870 --> 01:49:51,520

quantum life regression or quantum

2588

01:49:56,629 --> 01:49:54,880

healing what the hell is quantum healing

2589

01:49:58,870 --> 01:49:56,639

it's just nonsense it's just words

2590

01:50:02,870 --> 01:49:58,880

thrown together

2591

01:50:03,910 --> 01:50:02,880

but people believe it so uh you know

2592

01:50:05,350 --> 01:50:03,920

js

2593

01:50:07,270 --> 01:50:05,360

with a very good comment there's plenty

2594

01:50:09,430 --> 01:50:07,280

of human evil to contend with gathering

2595

01:50:10,950 --> 01:50:09,440

it into fantastical forms to make a buck

2596

01:50:12,709 --> 01:50:10,960

is so low

2597

01:50:13,750 --> 01:50:12,719

yeah and you notice it's always like

2598

01:50:15,990 --> 01:50:13,760

written

2599

01:50:18,070 --> 01:50:16,000

around a certain narrative and it's so

2600

01:50:20,149 --> 01:50:18,080

childish to the good guys and the bad

2601

01:50:23,109 --> 01:50:20,159

guys

2602

01:50:25,510 --> 01:50:23,119

but don't worry corey goods the good guy

2603

01:50:27,430 --> 01:50:25,520

right the guy's suing everybody

2604

01:50:29,350 --> 01:50:27,440

right the guy who doesn't like to pay

2605

01:50:32,550 --> 01:50:29,360

anybody that works for him he'd rather

2606

01:50:35,270 --> 01:50:32,560

keep the money and sue them

2607

01:50:37,109 --> 01:50:35,280

this guy is the good guy

2608

01:50:38,870 --> 01:50:37,119

here right and we've seen some of the

2609

01:50:40,470 --> 01:50:38,880

other things that he's been capable of

2610

01:50:41,910 --> 01:50:40,480

but he's going to tell everybody that

2611

01:50:44,070 --> 01:50:41,920

he's loving light

2612

01:50:46,790 --> 01:50:44,080

and earth's galactic savior he's the

2613

01:50:49,189 --> 01:50:46,800

good guy here

2614

01:50:51,109 --> 01:50:49,199

it's so stupid who would believe this

2615

01:50:53,109 --> 01:50:51,119

guy once they know some of the things

2616

01:50:57,109 --> 01:50:53,119

that he's been involved in and done

2617

01:51:00,950 --> 01:50:58,629

they asked have you looked at the full

2618

01:51:03,510 --> 01:51:00,960

moon tonight or is it not visible i i

2619

01:51:05,589 --> 01:51:03,520

haven't yet i haven't been outside at

2620

01:51:07,589 --> 01:51:05,599

all today i have both of my children

2621

01:51:09,830 --> 01:51:07,599

it's martin luther king day

2622

01:51:11,990 --> 01:51:09,840

and both my children decided to get up

2623

01:51:15,030 --> 01:51:12,000

at about 8 15 a.m

2624

01:51:16,070 --> 01:51:15,040

and want breakfast

2625

01:51:18,629 --> 01:51:16,080

or

2626

01:51:20,070 --> 01:51:18,639

apparently not happy with the buffet

2627

01:51:21,350 --> 01:51:20,080

that their mother left them for

2628

01:51:23,189 --> 01:51:21,360

breakfast

2629

01:51:25,030 --> 01:51:23,199

so they woke me up to get him something

2630

01:51:26,870 --> 01:51:25,040

else

2631

01:51:28,950 --> 01:51:26,880

so yeah i've been dealing with my kids

2632

01:51:31,669 --> 01:51:28,960

all day and uh

2633

01:51:34,229 --> 01:51:31,679

busy day v but i'll take them i'll take

2634

01:51:35,830 --> 01:51:34,239

a moment to uh to check it out though

2635

01:51:38,229 --> 01:51:35,840

for sure

2636

01:51:41,669 --> 01:51:38,239

spooky says mad bed run on quantum chips

2637

01:51:44,310 --> 01:51:41,679

it's all the same grip yeah i i

2638

01:51:47,109 --> 01:51:44,320

agree with that allison roberts uh is

2639

01:51:48,870 --> 01:51:47,119

here uh the model hi allison roberts

2640

01:51:51,270 --> 01:51:48,880

good to see you here

2641

01:51:53,830 --> 01:51:51,280

all right uh yeah a cosmic neighbor says

2642

01:51:55,109 --> 01:51:53,840

story good

2643

01:51:56,870 --> 01:51:55,119

absolutely

2644

01:51:58,629 --> 01:51:56,880

craig williams says same story third

2645

01:52:01,589 --> 01:51:58,639

hand fourth hand or that bobby lupu

2646

01:52:04,709 --> 01:52:01,599

bigelow saw a winged creature in a tree

2647

01:52:06,709 --> 01:52:04,719

yeah this this stuff is pretty weak

2648

01:52:09,189 --> 01:52:06,719

right

2649

01:52:11,109 --> 01:52:09,199

area 503 says quantum twinkies sound

2650

01:52:15,109 --> 01:52:11,119

bomb yeah that sounds like good word

2651  
01:52:19,270 --> 01:52:16,629  
glitch loop says you could tell corey

2652  
01:52:22,229 --> 01:52:19,280  
good read at I ron hubbard in the coming

2653  
01:52:23,990 --> 01:52:22,239  
race by edward butler leighton yeah

2654  
01:52:27,430 --> 01:52:24,000  
maybe

2655  
01:52:29,750 --> 01:52:27,440  
he tends he tends to steal sources from

2656  
01:52:32,310 --> 01:52:29,760  
information and and bits from easy

2657  
01:52:35,109 --> 01:52:32,320  
sources though like bad science fiction

2658  
01:52:37,669 --> 01:52:35,119  
movies that nobody watches i'm for sure

2659  
01:52:41,189 --> 01:52:37,679  
that he ripped off stargate v the final

2660  
01:52:43,270 --> 01:52:41,199  
battle let's see babylon 5 star trek of

2661  
01:52:45,990 --> 01:52:43,280  
course star wars of course

2662  
01:52:48,149 --> 01:52:46,000  
um but i think he likes the little known

2663  
01:52:50,790 --> 01:52:48,159

ones that people won't recognize he's

2664

01:52:51,510 --> 01:52:50,800

he's lifting stories from like babylon 5

2665

01:52:53,669 --> 01:52:51,520

or

2666

01:52:55,510 --> 01:52:53,679

you know stuff like that

2667

01:52:57,270 --> 01:52:55,520

alison roberts is here and our facebook

2668

01:52:58,870 --> 01:52:57,280

chat says thank you nice to see you

2669

01:53:02,550 --> 01:52:58,880

exposing the truth

2670

01:53:04,870 --> 01:53:02,560

nice to be here i'm uh i can't tell you

2671

01:53:07,430 --> 01:53:04,880

i'm right where i need to be sometimes

2672

01:53:09,510 --> 01:53:07,440

uh allison roberts right and that's all

2673

01:53:12,229 --> 01:53:09,520

you can ask for sometimes knowing that

2674

01:53:13,750 --> 01:53:12,239

you're right where you need to be this

2675

01:53:19,270 --> 01:53:13,760

is the right time and this is the right

2676

01:53:30,550 --> 01:53:21,270

davina says corey good sell snake oil

2677

01:53:33,830 --> 01:53:32,229

baker says wait a minute i'm wondering

2678

01:53:35,430 --> 01:53:33,840

is lon strickler channeling for the

2679

01:53:37,189 --> 01:53:35,440

mothman dimension now i heard some

2680

01:53:39,430 --> 01:53:37,199

podcasts where he said he was getting

2681

01:53:42,470 --> 01:53:39,440

information from some entity

2682

01:53:45,350 --> 01:53:42,480

oh boy that's getting thick in there b

2683

01:53:47,430 --> 01:53:45,360

baker yeah

2684

01:53:49,189 --> 01:53:47,440

b baker says i think lon strickler took

2685

01:53:51,270 --> 01:53:49,199

the train to wacky town we're gonna find

2686

01:53:52,790 --> 01:53:51,280

out i'm gonna interview him b baker

2687

01:53:55,589 --> 01:53:52,800

we're gonna see what's going on with

2688

01:53:57,510 --> 01:53:55,599

mothman in chicago and see if he's

2689

01:53:59,189 --> 01:53:57,520

talking to mothman interdimensional

2690

01:54:03,270 --> 01:53:59,199

entities i don't know

2691

01:54:10,149 --> 01:54:06,229

matar says lon is very down to earth guy

2692

01:54:12,229 --> 01:54:10,159

uh yeah and naomi says he's also lifting

2693

01:54:15,750 --> 01:54:12,239

stories from african and indigenous

2694

01:54:21,830 --> 01:54:17,510

they're so focused on exorcism they

2695

01:54:24,390 --> 01:54:21,840

forgot to not be regular racist

2696

01:54:26,950 --> 01:54:24,400

that they forgot to not be

2697

01:54:29,510 --> 01:54:26,960

regular racist yeah and i love how he

2698

01:54:33,430 --> 01:54:29,520

draws these zulu aliens and it's it

2699

01:54:37,430 --> 01:54:33,440

looks just like naomi it looks like bad

2700

01:54:39,830 --> 01:54:37,440

art from like the colonial times it's so

2701

01:54:42,550 --> 01:54:39,840

it looks insulting to me i'm insulted by

2702

01:54:43,430 --> 01:54:42,560

it and i'm not even black so uh i don't

2703

01:54:45,510 --> 01:54:43,440

know

2704

01:54:48,470 --> 01:54:45,520

it's comical the way that they depicted

2705

01:54:50,390 --> 01:54:48,480

that it looks like like the ancient

2706

01:54:53,589 --> 01:54:50,400

bottle it's so bad

2707

01:54:56,709 --> 01:54:55,350

amy collins says he can't possibly

2708

01:54:58,709 --> 01:54:56,719

believe his own stuff he is a

2709

01:55:02,070 --> 01:54:58,719

professional liar that picks more

2710

01:55:11,510 --> 01:55:02,080

obscure sci-fi to plagiarize fascinating

2711

01:55:15,830 --> 01:55:13,589

spooky wonders how many alien babies

2712

01:55:17,510 --> 01:55:15,840

cory was able to conceive that he said

2713

01:55:19,990 --> 01:55:17,520

he hey

2714

01:55:24,070 --> 01:55:20,000

hey if that line works for him we need

2715

01:55:27,430 --> 01:55:24,080

to have earth's galactic savior lay down

2716

01:55:29,830 --> 01:55:27,440

the aliens told me that you and me

2717

01:55:32,950 --> 01:55:29,840

if we have a baby he will be like the

2718

01:55:35,669 --> 01:55:32,960

jesus the new jesus and save earth lay

2719

01:55:41,510 --> 01:55:37,750

yeah that's gross

2720

01:55:47,669 --> 01:55:44,709

imagine telling imagine telling a woman

2721

01:55:49,189 --> 01:55:47,679

that the aliens told you that she was

2722

01:55:50,629 --> 01:55:49,199

supposed to ban you so you can have

2723

01:55:53,750 --> 01:55:50,639

children with her

2724

01:55:55,750 --> 01:55:53,760

and and that that child would save earth

2725

01:55:58,390 --> 01:55:55,760

and imagine being a woman that laid down

2726  
01:56:02,310 --> 01:55:58,400  
and fell for that jesus how dumb are

2727  
01:56:04,149 --> 01:56:02,320  
these crystal hippie [\h\_\_\h] right

2728  
01:56:06,470 --> 01:56:04,159  
these crystal hippie pitches that like

2729  
01:56:07,430 --> 01:56:06,480  
aliens must lay down for any story i

2730  
01:56:13,750 --> 01:56:07,440  
don't know

2731  
01:56:17,910 --> 01:56:15,669  
yes and homegrown cannabis kind of

2732  
01:56:20,149 --> 01:56:17,920  
sources please get oki on the program i

2733  
01:56:21,990 --> 01:56:20,159  
left him a message i asked him for an

2734  
01:56:24,070 --> 01:56:22,000  
interview i would very much like to do

2735  
01:56:27,109 --> 01:56:24,080  
that he has not replied to me i'll ask

2736  
01:56:29,030 --> 01:56:27,119  
one more time but at some you know my

2737  
01:56:30,629 --> 01:56:29,040  
general rule is if somebody doesn't

2738  
01:56:32,790 --> 01:56:30,639

reply to me they're probably not

2739

01:56:34,310 --> 01:56:32,800

interested and that generally means if i

2740

01:56:36,070 --> 01:56:34,320

send them three more messages they're

2741

01:56:37,750 --> 01:56:36,080

probably still not interested in

2742

01:56:39,669 --> 01:56:37,760

appearing you know the guy's got like

2743

01:56:41,350 --> 01:56:39,679

300 000 subscribers i don't think he

2744

01:56:45,109 --> 01:56:41,360

wants to come here and slum it with us

2745

01:56:48,950 --> 01:56:46,950

yeah spooky says we have reached out to

2746

01:56:50,709 --> 01:56:48,960

him

2747

01:56:54,950 --> 01:56:50,719

that girl jessica says imagine it

2748

01:56:58,229 --> 01:56:56,310

well i don't know if you know this that

2749

01:57:04,070 --> 01:56:58,239

girl jessica but i'm in the secret space

2750

01:57:08,870 --> 01:57:05,189

no no

2751  
01:57:18,790 --> 01:57:11,830  
imagine using aliens as a pickup line

2752  
01:57:22,629 --> 01:57:20,790  
divina says i wonder how corey's wife

2753  
01:57:24,470 --> 01:57:22,639  
feels about being a stepmom i wasn't

2754  
01:57:25,990 --> 01:57:24,480  
aware that he had any other children so

2755  
01:57:27,830 --> 01:57:26,000  
please clarify

2756  
01:57:29,750 --> 01:57:27,840  
i mean

2757  
01:57:31,030 --> 01:57:29,760  
you hear a lot of rumors but who knows

2758  
01:57:32,629 --> 01:57:31,040  
right i don't know that there's any

2759  
01:57:35,270 --> 01:57:32,639  
confirmation that he actually has any

2760  
01:57:36,950 --> 01:57:35,280  
other children

2761  
01:57:40,310 --> 01:57:36,960  
be saying how are the good children

2762  
01:57:43,430 --> 01:57:41,669  
it's gotta be a terrible thing they're

2763  
01:57:44,790 --> 01:57:43,440

getting older v and their their friends

2764

01:57:47,189 --> 01:57:44,800

are gonna start finding out what their

2765

01:57:51,669 --> 01:57:47,199

daddy does on the internet and that's

2766

01:57:59,750 --> 01:57:54,950

yeah i don't know about that v

2767

01:58:04,790 --> 01:58:02,149

on the rise let corey good peg you he's

2768

01:58:07,830 --> 01:58:04,800

the future leader gross

2769

01:58:07,840 --> 01:58:12,149

gross gross

2770

01:58:19,270 --> 01:58:14,229

eisenhower crystal loving hippie [h\_\_\h]

2771

01:58:22,550 --> 01:58:20,870

martin wright says steve is like a bomb

2772

01:58:24,950 --> 01:58:22,560

of truth and a madness of corrupt fake

2773

01:58:29,270 --> 01:58:24,960

deceiving add your insult here

2774

01:58:34,070 --> 01:58:31,830

on the rise do it do it we can run an

2775

01:58:36,229 --> 01:58:34,080

exclusive story that we found corey good

2776

01:58:43,589 --> 01:58:36,239

secret moon base

2777

01:58:48,310 --> 01:58:45,589

yeah i heard that

2778

01:58:50,390 --> 01:58:48,320

yeah you sent me a i i i saw that in the

2779

01:58:52,709 --> 01:58:50,400

comments paragon reason said i found

2780

01:58:55,109 --> 01:58:52,719

your channel researching a man defending

2781

01:58:56,790 --> 01:58:55,119

louis elizando on jimmy church's chat

2782

01:58:59,669 --> 01:58:56,800

room after me saying he is not a

2783

01:59:03,830 --> 01:58:59,679

whistleblower and that person was truth

2784

01:59:05,510 --> 01:59:03,840

seeker but true seeker not me uh

2785

01:59:07,430 --> 01:59:05,520

yeah and i think that there may be

2786

01:59:08,950 --> 01:59:07,440

something funky going on with somebody

2787

01:59:11,030 --> 01:59:08,960

all of a sudden named truth seeker

2788

01:59:14,149 --> 01:59:11,040

defending louisando when everybody knows

2789

01:59:15,990 --> 01:59:14,159

how i feel about lou elizondo maybe some

2790

01:59:17,750 --> 01:59:16,000

disinformation maybe some counter

2791

01:59:20,470 --> 01:59:17,760

intelligence officers trying to muddy

2792

01:59:22,709 --> 01:59:20,480

the waters and confuse people about

2793

01:59:25,350 --> 01:59:22,719

whether or not i support his

2794

01:59:30,310 --> 01:59:25,360

his uh grift i don't

2795

01:59:33,589 --> 01:59:31,990

homegrown cannabis says the kids getting

2796

01:59:35,669 --> 01:59:33,599

hell is a real problem no one talks

2797

01:59:38,229 --> 01:59:35,679

about yeah i think about that stuff it's

2798

01:59:39,669 --> 01:59:38,239

terrible you know

2799

01:59:41,109 --> 01:59:39,679

the world is still searching for the

2800

01:59:43,030 --> 01:59:41,119

origins of

2801  
01:59:44,870 --> 01:59:43,040  
the health crisis i wonder if courtney

2802  
01:59:47,189 --> 01:59:44,880  
weirdo travels

2803  
01:59:48,709 --> 01:59:47,199  
and buddies brought in they should prove

2804  
01:59:49,990 --> 01:59:48,719  
something they should prove anything

2805  
01:59:51,510 --> 01:59:50,000  
they don't have proof for any of this

2806  
01:59:53,109 --> 01:59:51,520  
stuff they talk about

2807  
01:59:54,470 --> 01:59:53,119  
it's uh

2808  
01:59:55,589 --> 01:59:54,480  
it's just a

2809  
01:59:58,149 --> 01:59:55,599  
you know

2810  
01:59:59,669 --> 01:59:58,159  
it's like a never-ending fantasy it just

2811  
02:00:01,270 --> 01:59:59,679  
keeps getting worse and worse and he

2812  
02:00:03,830 --> 02:00:01,280  
keeps making up new [h\_\_\h] when he never

2813  
02:00:05,750 --> 02:00:03,840

proved the old [h\_\_\h] and and here we are

2814

02:00:07,830 --> 02:00:05,760

years later

2815

02:00:09,750 --> 02:00:07,840

and you know i got us i gotta think

2816

02:00:12,149 --> 02:00:09,760

about like well man what did this guy do

2817

02:00:14,390 --> 02:00:12,159

with six years of his life he told

2818

02:00:15,750 --> 02:00:14,400

[h\_\_\h] stories on the internet about

2819

02:00:17,510 --> 02:00:15,760

aliens

2820

02:00:19,350 --> 02:00:17,520

and i had good for him if you made a lot

2821

02:00:21,750 --> 02:00:19,360

of money telling those fake stories but

2822

02:00:22,709 --> 02:00:21,760

jesus christ it's six years of your life

2823

02:00:25,589 --> 02:00:22,719

bro

2824

02:00:27,990 --> 02:00:25,599

you know people have written

2825

02:00:30,709 --> 02:00:28,000

incredible orchestras in last time

2826  
02:00:32,790 --> 02:00:30,719  
people have made incredible movies in

2827  
02:00:34,950 --> 02:00:32,800  
less time people have written amazing

2828  
02:00:37,510 --> 02:00:34,960  
books that stand a test of thousands of

2829  
02:00:39,189 --> 02:00:37,520  
years in less time than six years what

2830  
02:00:40,149 --> 02:00:39,199  
is this guy doing

2831  
02:00:43,430 --> 02:00:40,159  
he's

2832  
02:00:45,910 --> 02:00:43,440  
people about the alien space lord

2833  
02:00:47,910 --> 02:00:45,920  
travels that he has

2834  
02:00:49,669 --> 02:00:47,920  
i just don't see any value of this other

2835  
02:00:52,229 --> 02:00:49,679  
than entertainment of laughing at how

2836  
02:01:01,990 --> 02:00:52,239  
ridiculous the guy has gotten

2837  
02:01:06,070 --> 02:01:04,070  
naomi says how do all these folks

2838  
02:01:07,910 --> 02:01:06,080

explain still not being

2839

02:01:09,750 --> 02:01:07,920

still being on the super secret space

2840

02:01:11,510 --> 02:01:09,760

payroll after exposing all their super

2841

02:01:13,350 --> 02:01:11,520

secret information are they just not

2842

02:01:14,990 --> 02:01:13,360

going to address that yeah exactly

2843

02:01:16,790 --> 02:01:15,000

there's always these blaring

2844

02:01:23,669 --> 02:01:16,800

inconsistencies

2845

02:01:26,950 --> 02:01:25,109

matar says

2846

02:01:29,750 --> 02:01:26,960

how is the guy who spent 60 years in the

2847

02:01:31,189 --> 02:01:29,760

future 320 inbox without ever knowing

2848

02:01:33,109 --> 02:01:31,199

what's going to happen next week yeah

2849

02:01:35,350 --> 02:01:33,119

we've seen his uh

2850

02:01:36,390 --> 02:01:35,360

we've seen his stupid

2851

02:01:38,070 --> 02:01:36,400

you know

2852

02:01:41,030 --> 02:01:38,080

predictions of what was going to happen

2853

02:01:42,709 --> 02:01:41,040

last year that he made in 2020 not a one

2854

02:01:44,950 --> 02:01:42,719

not a one so he's talking all these

2855

02:01:46,790 --> 02:01:44,960

super advanced aliens he's been

2856

02:01:48,310 --> 02:01:46,800

time traveled to the future but all his

2857

02:01:49,270 --> 02:01:48,320

predictions for what would happen last

2858

02:01:51,990 --> 02:01:49,280

year

2859

02:01:53,189 --> 02:01:52,000

crashed and burned terrible terrible

2860

02:01:54,950 --> 02:01:53,199

intel

2861

02:01:57,430 --> 02:01:54,960

you know because he gets briefings

2862

02:02:00,149 --> 02:01:57,440

there's no briefings there's no intel

2863

02:02:04,390 --> 02:02:00,159

there's only garbage when you get into

2864

02:02:06,629 --> 02:02:04,400

cory good it's garbage information

2865

02:02:08,229 --> 02:02:06,639

there i'm sure there are stories in the

2866

02:02:09,669 --> 02:02:08,239

world weekly news in the national

2867

02:02:12,790 --> 02:02:09,679

enquirer that are much much more

2868

02:02:14,470 --> 02:02:12,800

credible than this garbage right

2869

02:02:17,030 --> 02:02:14,480

oh yeah spooky wants to know how did

2870

02:02:20,310 --> 02:02:17,040

sigmund die and uh you know what we're

2871

02:02:22,870 --> 02:02:20,320

gonna we're gonna do that spooky

2872

02:02:24,870 --> 02:02:22,880

so what can i say we've gone down the

2873

02:02:27,270 --> 02:02:24,880

rabbit hole of corey good's garbage once

2874

02:02:29,189 --> 02:02:27,280

again friends and

2875

02:02:31,350 --> 02:02:29,199

surprise surprise it's not getting any

2876  
02:02:33,910 --> 02:02:31,360  
better it just keeps getting worse and

2877  
02:02:35,830 --> 02:02:33,920  
worse this bunch of garbage

2878  
02:02:37,990 --> 02:02:35,840  
uh but hey uh

2879  
02:02:39,830 --> 02:02:38,000  
we're through another corey good super

2880  
02:02:41,669 --> 02:02:39,840  
secret space program

2881  
02:02:43,990 --> 02:02:41,679  
briefing

2882  
02:02:45,030 --> 02:02:44,000  
from the commander or was the chief i

2883  
02:02:48,149 --> 02:02:45,040  
don't

2884  
02:02:49,270 --> 02:02:48,159  
friends are called

2885  
02:02:52,070 --> 02:02:49,280  
you know

2886  
02:02:54,070 --> 02:02:52,080  
the the top secret intelligence officers

2887  
02:02:56,390 --> 02:02:54,080  
feeding him briefings and information

2888  
02:02:58,629 --> 02:02:56,400

about this sure they are

2889

02:03:03,430 --> 02:02:58,639

sure they are corey good

2890

02:03:07,750 --> 02:03:06,149

all right one second friends so we're

2891

02:03:08,709 --> 02:03:07,760

gonna keep something up here that i'm

2892

02:03:11,510 --> 02:03:08,719

gonna

2893

02:03:13,510 --> 02:03:11,520

play us out with in a bit

2894

02:03:14,709 --> 02:03:13,520

so what can i say we made it through we

2895

02:03:15,830 --> 02:03:14,719

made it through

2896

02:03:18,550 --> 02:03:15,840

another

2897

02:03:21,910 --> 02:03:18,560

cavalcade of bullshittery the likes of

2898

02:03:23,990 --> 02:03:21,920

which uh you know any bsr would be proud

2899

02:03:27,189 --> 02:03:24,000

of this is some grade a

2900

02:03:28,629 --> 02:03:27,199

top level you need waiters and a shovel

2901

02:03:31,990 --> 02:03:28,639

to get through it

2902

02:03:37,109 --> 02:03:34,550

read by a robot voice because corey good

2903

02:03:40,229 --> 02:03:37,119

spares no earth's galactic ambassador

2904

02:03:42,550 --> 02:03:40,239

spares no expense on his briefings that

2905

02:03:45,109 --> 02:03:42,560

he's offering the public he bought

2906

02:03:47,189 --> 02:03:45,119

speech low for 19 and he's getting his

2907

02:03:49,430 --> 02:03:47,199

money's worth why should he be in the

2908

02:03:51,350 --> 02:03:49,440

videos reading this ridiculous nonsense

2909

02:03:53,510 --> 02:03:51,360

and looking stupid he could just have a

2910

02:03:55,669 --> 02:03:53,520

robot voice read it that makes that

2911

02:03:57,830 --> 02:03:55,679

makes total sense to me

2912

02:03:59,830 --> 02:03:57,840

why would you want to read

2913

02:04:01,510 --> 02:03:59,840

that kind of nonsense on the internet

2914

02:04:03,669 --> 02:04:01,520

and put your face out there if you could

2915

02:04:05,350 --> 02:04:03,679

just get the robot to read it i'm not

2916

02:04:07,189 --> 02:04:05,360

could you imagine like he's had some

2917

02:04:10,229 --> 02:04:07,199

kind of meeting with his alien friends

2918

02:04:11,669 --> 02:04:10,239

like listen uh this this this stuff

2919

02:04:13,510 --> 02:04:11,679

sounds great i'm not going on the

2920

02:04:16,790 --> 02:04:13,520

internet reading it give me a robot

2921

02:04:17,750 --> 02:04:16,800

voice and the aliens say well

2922

02:04:19,430 --> 02:04:17,760

uh

2923

02:04:22,229 --> 02:04:19,440

corey good we know your earth galactic

2924

02:04:24,470 --> 02:04:22,239

ambassador we know your earth's savior

2925

02:04:26,149 --> 02:04:24,480

you saved earth from the reptilian

2926

02:04:26,870 --> 02:04:26,159

overlords and all

2927

02:04:28,870 --> 02:04:26,880

but

2928

02:04:31,030 --> 02:04:28,880

well we can't loan you a really good

2929

02:04:32,790 --> 02:04:31,040

robot voice so we're going to just give

2930

02:04:35,109 --> 02:04:32,800

you 19

2931

02:04:36,550 --> 02:04:35,119

and you could go buy that speechlo

2932

02:04:38,950 --> 02:04:36,560

robot voice

2933

02:04:40,629 --> 02:04:38,960

and you could use that in your briefings

2934

02:04:42,470 --> 02:04:40,639

corey good and he said give me the

2935

02:04:44,149 --> 02:04:42,480

nineteen dollars then

2936

02:04:46,229 --> 02:04:44,159

cause i ain't reading this [h\_\_\h] on the

2937

02:04:49,589 --> 02:04:46,239

internet it's too stupid it's too

2938

02:04:51,350 --> 02:04:49,599

childish it's too nonsensical okay i'm

2939

02:04:53,669 --> 02:04:51,360

gonna look like a dummy if i go on with

2940

02:04:55,830 --> 02:04:53,679

my name and face and read this crap so

2941

02:04:57,510 --> 02:04:55,840

i'm gonna get the robots pizza low

2942

02:04:58,870 --> 02:04:57,520

that the aliens gave me the nineteen

2943

02:04:59,830 --> 02:04:58,880

dollars for

2944

02:05:01,430 --> 02:04:59,840

and hey

2945

02:05:03,669 --> 02:05:01,440

if i'm corey good i'm hitting up those

2946

02:05:05,669 --> 02:05:03,679

aliens for that twenty dollars worth of

2947

02:05:08,390 --> 02:05:05,679

stock footage nonsense that he keeps

2948

02:05:10,950 --> 02:05:08,400

looping too

2949

02:05:13,990 --> 02:05:10,960

so the aliens gave corey good forty

2950

02:05:15,589 --> 02:05:14,000

dollars forty dollars cash them aliens

2951  
02:05:17,669 --> 02:05:15,599  
are good like that they gave corey good

2952  
02:05:19,830 --> 02:05:17,679  
to forty dollars and he took the 40

2953  
02:05:22,149 --> 02:05:19,840  
bucks and he bought speech low and some

2954  
02:05:23,030 --> 02:05:22,159  
stock video footage

2955  
02:05:25,270 --> 02:05:23,040  
and then

2956  
02:05:27,430 --> 02:05:25,280  
instead of getting the commander or

2957  
02:05:30,709 --> 02:05:27,440  
the chief up or whatever that guy is to

2958  
02:05:33,990 --> 02:05:30,719  
read it he he bought speech low for 19

2959  
02:05:36,709 --> 02:05:34,000  
to read this ultra important information

2960  
02:05:40,069 --> 02:05:36,719  
this briefing it's a it's so important

2961  
02:05:44,310 --> 02:05:41,990  
it's not a briefing friends this is

2962  
02:05:46,550 --> 02:05:44,320  
garbage this is such garbage why why do

2963  
02:05:48,790 --> 02:05:46,560

i keep listening to it i can't stop i

2964

02:05:51,030 --> 02:05:48,800

can't stop listening to this garbage

2965

02:05:53,589 --> 02:05:51,040

because every time he puts one out i go

2966

02:05:56,069 --> 02:05:53,599

what kind of garbage nonsense is he sh

2967

02:05:57,830 --> 02:05:56,079

what kind of [h\_\_h] she talking now

2968

02:05:59,589 --> 02:05:57,840

just garbage

2969

02:06:01,189 --> 02:05:59,599

all right so

2970

02:06:02,709 --> 02:06:01,199

but we made it through friends we made

2971

02:06:03,510 --> 02:06:02,719

it through

2972

02:06:05,510 --> 02:06:03,520

so

2973

02:06:06,790 --> 02:06:05,520

uh what can i say friends you always

2974

02:06:07,990 --> 02:06:06,800

hear me says i'm always happy when

2975

02:06:09,830 --> 02:06:08,000

there's an audience tonight we had a

2976  
02:06:11,750 --> 02:06:09,840  
great one we made it through another

2977  
02:06:13,109 --> 02:06:11,760  
pile of corey goods garbage we made it

2978  
02:06:14,629 --> 02:06:13,119  
through

2979  
02:06:17,109 --> 02:06:14,639  
so

2980  
02:06:20,310 --> 02:06:17,119  
until next time friends

2981  
02:06:25,920 --> 02:06:20,320  
i'm stephen campion

2982  
02:07:56,090 --> 02:07:16,890  
[Music]

2983  
02:08:30,950 --> 02:07:56,100  
[Applause]

2984  
02:08:36,470 --> 02:08:33,990  
scene sigma dying request is for cg to

2985  
02:08:37,990 --> 02:08:36,480  
see cw oh my god let me tell you

2986  
02:08:41,189 --> 02:08:38,000  
something folks

2987  
02:08:43,669 --> 02:08:41,199  
these characters have absolutely no

2988  
02:08:46,470 --> 02:08:43,679

connection to any individ any real

2989

02:08:49,430 --> 02:08:46,480

individuals actually living or dead i'm

2990

02:08:51,189 --> 02:08:49,440

telling you the honest to god true

2991

02:08:53,030 --> 02:08:51,199

it may be a depiction of a fiction of

2992

02:08:54,870 --> 02:08:53,040

somebody else's depiction of the fiction

2993

02:08:55,910 --> 02:08:54,880

but that's a whole

2994

02:08:57,830 --> 02:08:55,920

other

2995

02:08:59,669 --> 02:08:57,840

post-modern philosophical nightmare

2996

02:09:01,589 --> 02:08:59,679

theological nightmare we do not need to

2997

02:09:06,149 --> 02:09:01,599

get involved in tonight

2998

02:09:08,229 --> 02:09:06,159

okay our scene opens with a desperate

2999

02:09:09,430 --> 02:09:08,239

ragtag group

3000

02:09:11,350 --> 02:09:09,440

of

3001  
02:09:12,950 --> 02:09:11,360  
secret space program whistleblower

3002  
02:09:16,149 --> 02:09:12,960  
survivors

3003  
02:09:18,709 --> 02:09:16,159  
on earth the earth alliance contingent

3004  
02:09:20,390 --> 02:09:18,719  
of the imaginary breakaway civilization

3005  
02:09:22,629 --> 02:09:20,400  
nobody's

3006  
02:09:24,470 --> 02:09:22,639  
desperately trying to hail

3007  
02:09:27,270 --> 02:09:24,480  
their superiors

3008  
02:09:29,820 --> 02:09:27,280  
on the dark side of the moon

3009  
02:09:31,270 --> 02:09:29,830  
yeah uh gonzalez

3010  
02:09:32,950 --> 02:09:31,280  
[Music]

3011  
02:09:35,750 --> 02:09:32,960  
gonzalez

3012  
02:09:41,990 --> 02:09:35,760  
can you read me is everything all right

3013  
02:09:44,870 --> 02:09:42,790

yeah

3014

02:09:46,790 --> 02:09:44,880

i'm here

3015

02:09:48,870 --> 02:09:46,800

how can i help you

3016

02:09:51,669 --> 02:09:48,880

are you okay

3017

02:09:54,470 --> 02:09:51,679

tell me you're okay because

3018

02:09:56,709 --> 02:09:54,480

this is a desperately scary situation

3019

02:09:59,109 --> 02:09:56,719

that i

3020

02:10:01,189 --> 02:09:59,119

i don't really know

3021

02:10:03,270 --> 02:10:01,199

you're okay right everything's gonna be

3022

02:10:06,550 --> 02:10:03,280

okay

3023

02:10:08,310 --> 02:10:06,560

you're gonna get through this gonzales

3024

02:10:09,890 --> 02:10:08,320

too late for me

3025

02:10:11,350 --> 02:10:09,900

and dozer

3026

02:10:13,430 --> 02:10:11,360

[Music]

3027

02:10:15,189 --> 02:10:13,440

the masters they got it

3028

02:10:17,030 --> 02:10:15,199

they blew up the brig

3029

02:10:19,430 --> 02:10:17,040

they blew up the bridge

3030

02:10:20,790 --> 02:10:19,440

they brew out blew up satellite cable

3031

02:10:23,030 --> 02:10:20,800

command

3032

02:10:25,030 --> 02:10:23,040

that's a moonlight in here

3033

02:10:26,470 --> 02:10:25,040

it's all over man

3034

02:10:30,310 --> 02:10:26,480

it's all over

3035

02:10:32,709 --> 02:10:30,320

that you're talking totally crazy that's

3036

02:10:34,950 --> 02:10:32,719

hopeful

3037

02:10:37,030 --> 02:10:34,960

it's all going to be

3038

02:10:41,990 --> 02:10:37,040

we're going to get you through this

3039

02:10:46,470 --> 02:10:43,350

kid

3040

02:10:49,430 --> 02:10:46,480

it's all over for me

3041

02:10:51,109 --> 02:10:49,440

oh they got me good

3042

02:10:53,589 --> 02:10:51,119

i'm a goner man

3043

02:10:55,350 --> 02:10:53,599

stop it you're talking crazy ah it's all

3044

02:10:57,750 --> 02:10:55,360

over for me kid

3045

02:11:00,870 --> 02:10:57,760

it's all up to you now

3046

02:11:02,629 --> 02:11:00,880

you got the [h\_\_h] wow

3047

02:11:04,390 --> 02:11:02,639

do it for me

3048

02:11:06,629 --> 02:11:04,400

uh

3049

02:11:08,629 --> 02:11:06,639

tell trump

3050

02:11:10,550 --> 02:11:08,639

i guess next time we play cards it'll be

3051  
02:11:12,149 --> 02:11:10,560  
in heaven

3052  
02:11:17,109 --> 02:11:12,159  
jesus

3053  
02:11:23,189 --> 02:11:19,669  
to be one favorite kid

3054  
02:11:27,350 --> 02:11:25,589  
cabal got me good today

3055  
02:11:29,669 --> 02:11:27,360  
i want you to hit him back

3056  
02:11:32,870 --> 02:11:29,679  
hit him back

3057  
02:11:34,390 --> 02:11:32,880  
get the guy responsible

3058  
02:11:37,589 --> 02:11:34,400  
get

3059  
02:11:41,669 --> 02:11:39,589  
shoe beard

3060  
02:11:43,030 --> 02:11:41,679  
he's just a legend

3061  
02:11:44,229 --> 02:11:43,040  
he's a roman

3062  
02:11:45,990 --> 02:11:44,239  
ah man

3063  
02:11:49,030 --> 02:11:46,000

he said that [\h\_\_\h] that keeps on talking

3064

02:11:53,770 --> 02:11:49,040

[\h\_\_\h] about you on the internet

3065

02:11:53,780 --> 02:12:02,870

[Music]

3066

02:12:02,880 --> 02:12:19,109

oh

3067

02:12:19,119 --> 02:12:23,589

no no

3068

02:12:28,069 --> 02:12:25,109

get away from the new evil and then

3069

02:12:29,189 --> 02:12:28,079

creep you son of a [\h\_\_\h]

3070

02:12:32,550 --> 02:12:29,199

oh no

3071

02:12:35,109 --> 02:12:32,560

it's the pink pink bird alliance

3072

02:12:37,910 --> 02:12:35,119

this is

3073

02:12:51,690 --> 02:12:37,920

let's find a way to be with god anyway

3074

02:12:51,700 --> 02:13:35,189

[Music]

3075

02:14:14,220 --> 02:13:36,550

so

3076

02:14:15,580 --> 02:14:14,230

[Music]

3077

02:14:29,740 --> 02:14:15,590

[Applause]

3078

02:14:29,850 --> 02:14:29,750

[Music]

3079

02:14:50,790 --> 02:14:29,860

[Applause]
