

DAVID WILCOCK

CHANNELS RA

1
00:01:16,789 --> 00:00:34,400
[Music]

2
00:01:16,799 --> 00:01:21,960
so

3
00:02:06,389 --> 00:01:36,120
[Music]

4
00:02:06,399 --> 00:02:11,470
so

5
00:02:40,869 --> 00:02:27,440
[Music]

6
00:02:50,060 --> 00:02:43,250
so

7
00:04:39,830 --> 00:03:40,920
[Music]

8
00:04:44,950 --> 00:04:42,150
welcome back to another edition of the

9
00:04:46,710 --> 00:04:44,960
kevin moore show now on today's show i'm

10
00:04:49,909 --> 00:04:46,720
going to be interviewing the author

11
00:04:52,629 --> 00:04:49,919
winfrey now winfrey co-wrote the book on

12
00:04:55,110 --> 00:04:52,639
david wilcock being the reincarnation of

13
00:04:57,350 --> 00:04:55,120

edgar cayce now to give a bit of

14

00:05:00,150 --> 00:04:57,360

background on winfrey he currently

15

00:05:03,350 --> 00:05:00,160

resides in the arizona area he is a

16

00:05:05,670 --> 00:05:03,360

songwriter poet and freelance writer he

17

00:05:07,909 --> 00:05:05,680

is also the co-author of the book the

18

00:05:09,990 --> 00:05:07,919

reincarnation of edgar cayce

19

00:05:12,070 --> 00:05:10,000

interdimensional communication and

20

00:05:14,710 --> 00:05:12,080

global transformation

21

00:05:17,189 --> 00:05:14,720

now in the book winfrey explores the

22

00:05:19,990 --> 00:05:17,199

remarkable parallels between the work of

23

00:05:22,710 --> 00:05:20,000

david wilcock and the legendary edgar

24

00:05:24,629 --> 00:05:22,720

cayce now while he builds a convincing

25

00:05:26,870 --> 00:05:24,639

case that the two men share the same

26
00:05:29,189 --> 00:05:26,880
source of channeled information and that

27
00:05:30,950 --> 00:05:29,199
wilcock might indeed be cases

28
00:05:33,350 --> 00:05:30,960
reincarnation

29
00:05:35,189 --> 00:05:33,360
so before we go to the interview i'm

30
00:05:37,430 --> 00:05:35,199
going to play back almost six minutes of

31
00:05:39,510 --> 00:05:37,440
some of david's original channeling

32
00:05:41,590 --> 00:05:39,520
where david brings through the raw group

33
00:05:44,629 --> 00:05:41,600
with winfrey over the phone now this was

34
00:05:48,629 --> 00:05:44,639
taped sometime back in the late 90s

35
00:05:50,870 --> 00:05:48,639
early 2000s so enjoy my interview with

36
00:05:53,029 --> 00:05:50,880
winfrey

37
00:05:54,629 --> 00:05:53,039
i am ra we greet you in the light and

38
00:05:56,230 --> 00:05:54,639

love of the one internet creator we

39
00:05:57,749 --> 00:05:56,240
communicate now through the entity known

40
00:05:59,990 --> 00:05:57,759
as david wilcock and we are ready for

41
00:06:03,110 --> 00:06:00,000
your first question

42
00:06:04,950 --> 00:06:03,120
thank you uh could you explain

43
00:06:07,430 --> 00:06:04,960
how

44
00:06:12,469 --> 00:06:07,440
in the cosmos you

45
00:06:17,830 --> 00:06:14,950
material has been covered before but we

46
00:06:19,749 --> 00:06:17,840
shall speak briefly on this point

47
00:06:21,590 --> 00:06:19,759
the connection that we have

48
00:06:23,830 --> 00:06:21,600
is what we have previously referred to

49
00:06:25,909 --> 00:06:23,840
as a narrow band vibration

50
00:06:27,990 --> 00:06:25,919
this means that

51
00:06:29,350 --> 00:06:28,000
the degree to which

52
00:06:32,070 --> 00:06:29,360
the

53
00:06:33,350 --> 00:06:32,080
in-streaming energies penetrate through

54
00:06:34,629 --> 00:06:33,360
the

55
00:06:37,590 --> 00:06:34,639
vehicles

56
00:06:39,670 --> 00:06:37,600
or layers of the soul within the entity

57
00:06:41,029 --> 00:06:39,680
to whom we are speaking

58
00:06:42,870 --> 00:06:41,039
requires

59
00:06:44,710 --> 00:06:42,880
a very precise

60
00:06:46,710 --> 00:06:44,720
bandwidth if you will

61
00:06:48,629 --> 00:06:46,720
of frequency

62
00:06:50,550 --> 00:06:48,639
this necessitates

63
00:06:52,070 --> 00:06:50,560

an extreme purity

64

00:06:53,510 --> 00:06:52,080

in the workings

65

00:06:55,510 --> 00:06:53,520

and on behalf

66

00:06:56,390 --> 00:06:55,520

of the entity doing

67

00:06:59,029 --> 00:06:56,400

said

68

00:07:01,749 --> 00:06:59,039

channeling process

69

00:07:04,150 --> 00:07:01,759

this does then indicate the degree of

70

00:07:06,150 --> 00:07:04,160

difficulty to which such a connection

71

00:07:08,150 --> 00:07:06,160

must be secured

72

00:07:09,909 --> 00:07:08,160

by virtue of the fact

73

00:07:11,830 --> 00:07:09,919

that it is not

74

00:07:14,309 --> 00:07:11,840

a wide stream

75

00:07:16,870 --> 00:07:14,319

of available focus

76
00:07:18,870 --> 00:07:16,880
in many other cases of channeling

77
00:07:20,870 --> 00:07:18,880
there is the opportunity

78
00:07:24,070 --> 00:07:20,880
for the entity involved

79
00:07:25,589 --> 00:07:24,080
to have some degree of free will choice

80
00:07:27,189 --> 00:07:25,599
over the wordings

81
00:07:28,710 --> 00:07:27,199
and over the precision

82
00:07:30,950 --> 00:07:28,720
of thoughts

83
00:07:34,230 --> 00:07:30,960
and how they are expressed

84
00:07:36,309 --> 00:07:34,240
in their various forms through language

85
00:07:38,309 --> 00:07:36,319
as the vehicle

86
00:07:40,230 --> 00:07:38,319
in this case however

87
00:07:41,909 --> 00:07:40,240
we feed the words

88
00:07:42,830 --> 00:07:41,919

into david's

89

00:07:46,230 --> 00:07:42,840

mind

90

00:07:47,670 --> 00:07:46,240

complex through a very precise

91

00:07:50,070 --> 00:07:47,680

process

92

00:07:52,629 --> 00:07:50,080

and each of these words

93

00:07:54,790 --> 00:07:52,639

are very carefully chosen

94

00:07:56,390 --> 00:07:54,800

this is the difference

95

00:07:59,189 --> 00:07:56,400

and it requires

96

00:08:01,270 --> 00:07:59,199

a higher form of

97

00:08:02,950 --> 00:08:01,280

attenuation

98

00:08:04,150 --> 00:08:02,960

and focus

99

00:08:06,390 --> 00:08:04,160

than

100

00:08:07,510 --> 00:08:06,400

other forms of channeling

101
00:08:09,110 --> 00:08:07,520
that

102
00:08:10,830 --> 00:08:09,120
allow for a greater degree of

103
00:08:14,390 --> 00:08:10,840
flexibility

104
00:08:16,390 --> 00:08:14,400
fluidity and improvisation

105
00:08:18,070 --> 00:08:16,400
in the status and nature of the working

106
00:08:19,670 --> 00:08:18,080
as such

107
00:08:20,950 --> 00:08:19,680
does this answer your question my

108
00:08:23,029 --> 00:08:20,960
brother

109
00:08:25,110 --> 00:08:23,039
on our planet right now

110
00:08:29,589 --> 00:08:25,120
we seem to be in

111
00:08:32,149 --> 00:08:29,599
a place of uncertainty in the world

112
00:08:34,070 --> 00:08:32,159
people are afraid of things that are

113
00:08:36,630 --> 00:08:34,080

going to happen people

114

00:08:38,870 --> 00:08:36,640

don't know about the future

115

00:08:40,389 --> 00:08:38,880

and the particular topic

116

00:08:43,670 --> 00:08:40,399

for this

117

00:08:45,670 --> 00:08:43,680

article that this interview is covering

118

00:08:49,190 --> 00:08:45,680

is concerning

119

00:08:51,269 --> 00:08:49,200

the world in 2003 the changes that are

120

00:08:53,430 --> 00:08:51,279

happening in the world

121

00:08:55,990 --> 00:08:53,440

and how people

122

00:08:59,110 --> 00:08:56,000

can relate to them

123

00:09:02,230 --> 00:08:59,120

is that too general to present to have

124

00:09:06,310 --> 00:09:04,310

we do find that the question bears

125

00:09:07,509 --> 00:09:06,320

enough resemblance

126
00:09:09,430 --> 00:09:07,519
to

127
00:09:11,430 --> 00:09:09,440
an appropriate query

128
00:09:13,990 --> 00:09:11,440
as to be worthy of

129
00:09:17,829 --> 00:09:14,000
some degree of litigation at this point

130
00:09:21,750 --> 00:09:20,070
the litigation that we refer to

131
00:09:23,910 --> 00:09:21,760
is that legal work

132
00:09:25,269 --> 00:09:23,920
in one who would seek to engender the

133
00:09:28,630 --> 00:09:25,279
law of one

134
00:09:31,190 --> 00:09:28,640
in mind body and spirit focus

135
00:09:32,310 --> 00:09:31,200
this focus then redirects one's vital

136
00:09:34,630 --> 00:09:32,320
energies

137
00:09:37,110 --> 00:09:34,640
towards the seeking of the original

138
00:09:38,389 --> 00:09:37,120

creative thought that unifies the

139

00:09:40,790 --> 00:09:38,399

universe

140

00:09:42,389 --> 00:09:40,800

in a way that no other thought has or

141

00:09:44,230 --> 00:09:42,399

ever will

142

00:09:45,910 --> 00:09:44,240

this original thought

143

00:09:47,750 --> 00:09:45,920

is that of unity

144

00:09:51,430 --> 00:09:47,760

of love and wisdom

145

00:09:53,670 --> 00:09:51,440

as the paired components of the photon

146

00:09:55,910 --> 00:09:53,680

which then forms your physical reality

147

00:09:58,710 --> 00:09:55,920

system

148

00:10:00,470 --> 00:09:58,720

understand that the vibratory qualities

149

00:10:02,550 --> 00:10:00,480

of your sphere

150

00:10:06,230 --> 00:10:02,560

have been in flux

151
00:10:08,550 --> 00:10:06,240
for some measure of your years of time

152
00:10:10,150 --> 00:10:08,560
as you would think of it

153
00:10:11,990 --> 00:10:10,160
these changes

154
00:10:13,590 --> 00:10:12,000
revolve around

155
00:10:15,670 --> 00:10:13,600
the passage

156
00:10:18,230 --> 00:10:15,680
of your

157
00:10:20,069 --> 00:10:18,240
galaxy or what you would refer to as

158
00:10:21,190 --> 00:10:20,079
solar system

159
00:10:22,470 --> 00:10:21,200
into

160
00:10:25,030 --> 00:10:22,480
a higher

161
00:10:26,630 --> 00:10:25,040
level of etheric density

162
00:10:29,750 --> 00:10:26,640
in what you would refer to as your

163
00:10:30,949 --> 00:10:29,760

galaxy of the milky way

164

00:10:33,910 --> 00:10:30,959

these

165

00:10:34,710 --> 00:10:33,920

zones of energetic density

166

00:10:36,630 --> 00:10:34,720

are

167

00:10:38,389 --> 00:10:36,640

naturally layered

168

00:10:40,790 --> 00:10:38,399

in such a fashion

169

00:10:41,590 --> 00:10:40,800

as to appear to be like

170

00:10:43,509 --> 00:10:41,600

the

171

00:10:45,269 --> 00:10:43,519

pinwheel spiral

172

00:10:47,430 --> 00:10:45,279

when seen from

173

00:10:49,910 --> 00:10:47,440

the northern galactic pole

174

00:10:50,790 --> 00:10:49,920

looking downward

175

00:10:53,750 --> 00:10:50,800

these

176
00:10:56,790 --> 00:10:53,760
zones of energetic density

177
00:10:59,350 --> 00:10:56,800
are also corresponding with

178
00:11:01,509 --> 00:10:59,360
frequencies of consciousness

179
00:11:04,790 --> 00:11:01,519
and levels of development

180
00:11:06,790 --> 00:11:04,800
within such consciousness

181
00:11:08,310 --> 00:11:06,800
we have spoken before

182
00:11:10,230 --> 00:11:08,320
about the degree

183
00:11:11,990 --> 00:11:10,240
to which these changes

184
00:11:12,790 --> 00:11:12,000
have resulted in

185
00:11:20,069 --> 00:11:12,800
the

186
00:11:22,150 --> 00:11:20,079
this is a natural consequence

187
00:11:24,949 --> 00:11:22,160
of the changing structures

188
00:11:28,550 --> 00:11:24,959

that you are passing into

189

00:11:30,710 --> 00:11:28,560

many of those on your planet

190

00:11:33,190 --> 00:11:30,720

hi my name is winfrey

191

00:11:34,550 --> 00:11:33,200

and i am the principal author

192

00:11:37,590 --> 00:11:34,560

of the book

193

00:11:39,190 --> 00:11:37,600

about david wilcock that i wrote with

194

00:11:47,110 --> 00:11:39,200

him

195

00:11:52,470 --> 00:11:49,750

well there we have it friends

196

00:11:54,550 --> 00:11:52,480

somebody wrote a book so it must be true

197

00:11:56,470 --> 00:11:54,560

that david wilcock is edgar casey

198

00:11:59,750 --> 00:11:56,480

reincarnated

199

00:12:02,629 --> 00:11:59,760

um i you know i found this uh channeling

200

00:12:05,430 --> 00:12:02,639

of raw that he did early on in his

201
00:12:07,990 --> 00:12:05,440
so-called career

202
00:12:11,829 --> 00:12:08,000
and and i thought oh we have to listen

203
00:12:14,550 --> 00:12:11,839
to this and um you know i i just i did

204
00:12:16,230 --> 00:12:14,560
preview this short clip uh courtesy of

205
00:12:17,990 --> 00:12:16,240
the kevin moore show

206
00:12:19,990 --> 00:12:18,000
but we found more

207
00:12:22,790 --> 00:12:20,000
and it's interesting for those that do

208
00:12:25,910 --> 00:12:22,800
not know david wilcox started his career

209
00:12:29,750 --> 00:12:25,920
being a house boy and aaron boy of carla

210
00:12:32,949 --> 00:12:29,760
rucker from the law of one group

211
00:12:35,269 --> 00:12:32,959
and uh carla would channel apparently

212
00:12:37,670 --> 00:12:35,279
the egyptian god ra

213
00:12:39,590 --> 00:12:37,680

and all the law of one material is

214

00:12:42,550 --> 00:12:39,600

channeled material that came through

215

00:12:45,670 --> 00:12:42,560

carla rucker but while david wilcock was

216

00:12:48,790 --> 00:12:45,680

living i suppose with with the group he

217

00:12:51,269 --> 00:12:48,800

suddenly starts channeling the god ra

218

00:12:53,110 --> 00:12:51,279

and this did not go over well with the

219

00:12:55,829 --> 00:12:53,120

group from what i'm told

220

00:12:57,829 --> 00:12:55,839

uh from an insider of that group former

221

00:12:59,829 --> 00:12:57,839

member of that group

222

00:13:01,910 --> 00:12:59,839

uh carla did not

223

00:13:04,310 --> 00:13:01,920

agree that he was channeling the same

224

00:13:06,470 --> 00:13:04,320

source that she was and neither did most

225

00:13:10,150 --> 00:13:06,480

of the adherence of the law of one

226

00:13:15,509 --> 00:13:13,670

basically what happened is

227

00:13:17,670 --> 00:13:15,519

david wilcock tried to cheese on this

228

00:13:18,949 --> 00:13:17,680

carlo ladies gig channel in the egyptian

229

00:13:21,670 --> 00:13:18,959

god rah

230

00:13:24,150 --> 00:13:21,680

and then the group around that woman

231

00:13:26,150 --> 00:13:24,160

who channeled the egyptian god raw

232

00:13:28,550 --> 00:13:26,160

basically we're like

233

00:13:30,710 --> 00:13:28,560

he's not channeling raw this is fake

234

00:13:32,629 --> 00:13:30,720

ours is the real raw david wilcox

235

00:13:34,550 --> 00:13:32,639

channel in the fake raw

236

00:13:36,310 --> 00:13:34,560

uh but it is what it is and

237

00:13:37,829 --> 00:13:36,320

interestingly

238

00:13:39,509 --> 00:13:37,839

um

239

00:13:41,710 --> 00:13:39,519

you know i find it so funny that when

240

00:13:44,230 --> 00:13:41,720

you listen to this word salad

241

00:13:46,310 --> 00:13:44,240

nonsensical garbage

242

00:13:49,509 --> 00:13:46,320

uh that david wilcock is spewing that's

243

00:13:51,269 --> 00:13:49,519

supposed to be coming from a god

244

00:13:54,389 --> 00:13:51,279

and we'll get into this because there's

245

00:13:56,790 --> 00:13:54,399

so many things that this egyptian god ra

246

00:13:59,430 --> 00:13:56,800

talks about that i'm like why would a

247

00:14:00,790 --> 00:13:59,440

god be concerned with this nonsense

248

00:14:03,509 --> 00:14:00,800

right

249

00:14:04,310 --> 00:14:03,519

and it's also interesting that all of

250

00:14:09,110 --> 00:14:04,320

the

251
00:14:12,150 --> 00:14:09,120
channeling gobbly [\h__\h] word salad new

252
00:14:13,750 --> 00:14:12,160
age consciousness nonsense aligns

253
00:14:16,629 --> 00:14:13,760
perfectly with a whole bunch of the

254
00:14:18,550 --> 00:14:16,639
other gobbledygook word salad nonsense

255
00:14:21,350 --> 00:14:18,560
that david wilcox says

256
00:14:24,310 --> 00:14:21,360
so what i i would ask you friends what

257
00:14:26,710 --> 00:14:24,320
are the odds that david wilcock and the

258
00:14:27,910 --> 00:14:26,720
egyptian god ra have a lot of the same

259
00:14:31,829 --> 00:14:27,920
ideas

260
00:14:33,910 --> 00:14:31,839
imagine that and also interesting to me

261
00:14:37,509 --> 00:14:33,920
that david wilcock has sort of had these

262
00:14:39,590 --> 00:14:37,519
errors right here is the i'm edgar casey

263
00:14:42,550 --> 00:14:39,600

reincarnated and i'm channeling the

264

00:14:45,990 --> 00:14:42,560

egyptian god ra error

265

00:14:48,230 --> 00:14:46,000

and interestingly he pushes this garbage

266

00:14:50,790 --> 00:14:48,240

for a while and when it doesn't really

267

00:14:53,509 --> 00:14:50,800

catch on or make him enough money

268

00:14:56,069 --> 00:14:53,519

he's he's you know we got to sweep all

269

00:14:58,389 --> 00:14:56,079

this new age gobbledygook garbage i was

270

00:15:01,670 --> 00:14:58,399

talking about for a few years under the

271

00:15:03,590 --> 00:15:01,680

rug and come out with new gobbledygook

272

00:15:04,710 --> 00:15:03,600

garbage nonsense

273

00:15:06,710 --> 00:15:04,720

now

274

00:15:08,550 --> 00:15:06,720

one of the things i asked myself while

275

00:15:09,750 --> 00:15:08,560

previewing i haven't listened to this

276

00:15:12,230 --> 00:15:09,760

whole thing

277

00:15:15,110 --> 00:15:12,240

we got a half hour of this nonsense to

278

00:15:17,269 --> 00:15:15,120

get through and we're gonna do it but

279

00:15:21,990 --> 00:15:17,279

one of the things i previewed some of it

280

00:15:24,230 --> 00:15:22,000

and one of the things that struck me was

281

00:15:25,670 --> 00:15:24,240

how foolish

282

00:15:27,910 --> 00:15:25,680

this sounds

283

00:15:30,310 --> 00:15:27,920

how constructed

284

00:15:31,670 --> 00:15:30,320

a bunch of words sell at nonsense this

285

00:15:33,189 --> 00:15:31,680

sounds

286

00:15:36,310 --> 00:15:33,199

after all

287

00:15:38,310 --> 00:15:36,320

if one was really channeling a god and

288

00:15:40,470 --> 00:15:38,320

this is just my opinion but because i

289

00:15:42,790 --> 00:15:40,480

don't know what what is it like when you

290

00:15:44,629 --> 00:15:42,800

channel a god what kind of information

291

00:15:46,550 --> 00:15:44,639

comes through when you're channeling a

292

00:15:47,749 --> 00:15:46,560

literal god

293

00:15:50,629 --> 00:15:47,759

uh

294

00:15:53,030 --> 00:15:50,639

i don't think a god would be

295

00:15:55,430 --> 00:15:53,040

making up word sell it nonsense talking

296

00:15:58,389 --> 00:15:55,440

about vibrations and

297

00:16:01,350 --> 00:15:58,399

chakras and all this other nonsense

298

00:16:03,030 --> 00:16:01,360

but it is what it is and apparently

299

00:16:04,710 --> 00:16:03,040

you know some people

300

00:16:07,910 --> 00:16:04,720

when they say they channel they channel

301
00:16:09,749 --> 00:16:07,920
an alien from another universe or

302
00:16:11,509 --> 00:16:09,759
another galaxy

303
00:16:16,870 --> 00:16:11,519
and some people channel

304
00:16:20,069 --> 00:16:16,880
an angel but david wilcock he's so

305
00:16:20,829 --> 00:16:20,079
important he's channeling gods man

306
00:16:24,230 --> 00:16:20,839
and

307
00:16:26,710 --> 00:16:24,240
again the narcissism for somebody to

308
00:16:29,030 --> 00:16:26,720
stand up in front of literal audiences

309
00:16:32,629 --> 00:16:29,040
of hundreds of people and claim to be

310
00:16:34,710 --> 00:16:32,639
able to channel an egyptian god

311
00:16:37,829 --> 00:16:34,720
that's a little arrogant to me it's also

312
00:16:39,670 --> 00:16:37,839
a little childish and stupid but

313
00:16:42,069 --> 00:16:39,680

it is what it is and

314

00:16:44,230 --> 00:16:42,079

this is where we find ourselves

315

00:16:45,829 --> 00:16:44,240

interesting to me that david wilcock he

316

00:16:47,910 --> 00:16:45,839

doesn't want

317

00:16:50,150 --> 00:16:47,920

he wants now he wants to be the father

318

00:16:51,749 --> 00:16:50,160

of any gravity and free energy he

319

00:16:54,710 --> 00:16:51,759

doesn't want to be known

320

00:16:56,949 --> 00:16:54,720

for channeling the egyptian god ra

321

00:16:58,949 --> 00:16:56,959

and he doesn't want any of his current

322

00:17:01,990 --> 00:16:58,959

followers to know

323

00:17:05,270 --> 00:17:02,000

that besides all this new modern gobbly

324

00:17:06,870 --> 00:17:05,280

[h__\h] new age nonsense garbage peddling

325

00:17:07,990 --> 00:17:06,880

that he's been doing for the past couple

326
00:17:08,949 --> 00:17:08,000
of years

327
00:17:11,669 --> 00:17:08,959
this

328
00:17:14,069 --> 00:17:11,679
is what he was doing uh

329
00:17:15,909 --> 00:17:14,079
10 or 20 years ago

330
00:17:18,069 --> 00:17:15,919
and it's interesting that the new age

331
00:17:21,029 --> 00:17:18,079
nonsense you know it sort of changes

332
00:17:24,390 --> 00:17:21,039
form a little bit we go from being edgar

333
00:17:27,990 --> 00:17:24,400
this guy is amazing for his ability to

334
00:17:30,150 --> 00:17:28,000
bs people and then when the bs all falls

335
00:17:32,470 --> 00:17:30,160
apart he just pivots off he does the

336
00:17:34,789 --> 00:17:32,480
david wilcox shuffle you know

337
00:17:38,310 --> 00:17:34,799
goes away for a few years comes back

338
00:17:40,070 --> 00:17:38,320

with new ridiculous nonsensical stories

339

00:17:41,909 --> 00:17:40,080

of why

340

00:17:43,990 --> 00:17:41,919

he's some kind of important person

341

00:17:47,510 --> 00:17:44,000

remember he's earth's greatest prophet

342

00:17:50,150 --> 00:17:47,520

now that's what he said and the latest

343

00:17:51,990 --> 00:17:50,160

is that the archangel michael told him

344

00:17:55,350 --> 00:17:52,000

that he's going to be the father of any

345

00:17:59,029 --> 00:17:55,360

gravity and free energy and by the way

346

00:18:01,590 --> 00:17:59,039

tick-tock david wilcock tick-tock sucker

347

00:18:03,669 --> 00:18:01,600

because you got about eight months to

348

00:18:06,789 --> 00:18:03,679

show the world's a hover car or you're

349

00:18:07,909 --> 00:18:06,799

gonna look like a foolish idiot

350

00:18:10,310 --> 00:18:07,919

but

351

00:18:12,230 --> 00:18:10,320

david wilcock is no stranger to looking

352

00:18:14,310 --> 00:18:12,240

like a foolish idiot

353

00:18:16,870 --> 00:18:14,320

because after all tonight we're going to

354

00:18:20,150 --> 00:18:16,880

cover him claiming to channel an

355

00:18:23,669 --> 00:18:20,160

egyptian god friends

356

00:18:26,549 --> 00:18:23,679

he's the conduit he's so important that

357

00:18:28,549 --> 00:18:26,559

out of every human on planet earth the

358

00:18:30,470 --> 00:18:28,559

egyptian god ra

359

00:18:31,990 --> 00:18:30,480

what what the hell has the egyptian god

360

00:18:35,110 --> 00:18:32,000

rob been doing for the last couple

361

00:18:37,669 --> 00:18:35,120

thousand years nobody knows nobody knows

362

00:18:41,190 --> 00:18:37,679

but the egyptian god ra thought that

363

00:18:43,990 --> 00:18:41,200

david wilcock was so important

364

00:18:47,350 --> 00:18:44,000

and so spiritually and vibrationally

365

00:18:51,110 --> 00:18:47,360

perfect for this task we'll hear that

366

00:18:54,230 --> 00:18:51,120

he he literally complements himself as

367

00:18:56,390 --> 00:18:54,240

the egyptian god ra about how you know

368

00:18:58,390 --> 00:18:56,400

david wilcock has the perfect frequency

369

00:18:59,669 --> 00:18:58,400

we saw we heard this in this previous

370

00:19:02,710 --> 00:18:59,679

clip

371

00:19:04,789 --> 00:19:02,720

david wilcock is so goddamn important

372

00:19:06,950 --> 00:19:04,799

that an egyptian god who's kind of been

373

00:19:08,070 --> 00:19:06,960

missing in action i guess for 2 000

374

00:19:09,590 --> 00:19:08,080

years nobody's really heard from the

375

00:19:11,669 --> 00:19:09,600

egyptian god ra

376

00:19:14,549 --> 00:19:11,679

the ancient egyptian

377

00:19:16,470 --> 00:19:14,559

religion of course is kind of died off

378

00:19:18,230 --> 00:19:16,480

it's an ancient religion

379

00:19:20,630 --> 00:19:18,240

you know with all these different gods

380

00:19:23,350 --> 00:19:20,640

and for those unaware

381

00:19:25,750 --> 00:19:23,360

ra was the most important some would say

382

00:19:29,270 --> 00:19:25,760

of the egyptian gods

383

00:19:30,870 --> 00:19:29,280

the sun god the creator of all life and

384

00:19:33,029 --> 00:19:30,880

energy

385

00:19:34,470 --> 00:19:33,039

very important god and that very

386

00:19:36,870 --> 00:19:34,480

important god

387

00:19:39,430 --> 00:19:36,880

apparently has nothing better to do than

388

00:19:43,190 --> 00:19:39,440

to infect

389

00:19:45,750 --> 00:19:43,200

david wilcox body as the host and speak

390

00:19:50,230 --> 00:19:45,760

through david wilcock because david

391

00:19:53,190 --> 00:19:50,240

wilcock is just so important remember

392

00:19:56,390 --> 00:19:53,200

this is just early bs of his

393

00:20:01,630 --> 00:19:56,400

the stories get stupider and stupider as

394

00:20:07,029 --> 00:20:05,270

megalomaniac narcissistic idiot timeline

395

00:20:08,710 --> 00:20:07,039

here

396

00:20:12,070 --> 00:20:08,720

but

397

00:20:14,230 --> 00:20:12,080

i thought it important to remind his uh

398

00:20:16,630 --> 00:20:14,240

current viewers who really think that he

399

00:20:18,549 --> 00:20:16,640

might be the father of any gravity and

400

00:20:20,710 --> 00:20:18,559

he might be the father of free energy

401
00:20:23,110 --> 00:20:20,720
and he's going to bring us hover cars in

402
00:20:25,830 --> 00:20:23,120
the next year i thought it might be

403
00:20:29,430 --> 00:20:25,840
important to those people stupid enough

404
00:20:31,830 --> 00:20:29,440
to believe his latest bs let's let's get

405
00:20:34,310 --> 00:20:31,840
in until we're getting in a time

406
00:20:36,230 --> 00:20:34,320
machine tonight just like david wilcox

407
00:20:38,310 --> 00:20:36,240
says is possible right

408
00:20:42,070 --> 00:20:38,320
we're gonna go do a time portal and

409
00:20:44,149 --> 00:20:42,080
we're gonna listen to this nonsense this

410
00:20:47,350 --> 00:20:44,159
bunch of gobbly [h__h]

411
00:20:50,310 --> 00:20:47,360
new age nonsense that he was talking

412
00:20:53,750 --> 00:20:50,320
all those years ago

413
00:20:56,390 --> 00:20:53,760

and maybe we'll get some context

414

00:20:58,390 --> 00:20:56,400

and realize that all david wilcock does

415

00:21:00,870 --> 00:20:58,400

is talk a bunch of gobbledygook words

416

00:21:04,230 --> 00:21:00,880

sale at new age nonsense

417

00:21:07,350 --> 00:21:04,240

why is he a millionaire

418

00:21:10,870 --> 00:21:07,360

why is he charging people 333 dollars

419

00:21:14,149 --> 00:21:10,880

for his so-called secret knowledge right

420

00:21:16,870 --> 00:21:14,159

the last 333 course he was supposed to

421

00:21:19,350 --> 00:21:16,880

teach everybody the secrets to free

422

00:21:21,350 --> 00:21:19,360

energy and anti-gravity it's been three

423

00:21:23,190 --> 00:21:21,360

months friends i don't see anybody

424

00:21:26,070 --> 00:21:23,200

building any free energy devices that

425

00:21:28,950 --> 00:21:26,080

took david wilcox garbage course i don't

426
00:21:32,230 --> 00:21:28,960
see anybody building uh hover cars and

427
00:21:34,710 --> 00:21:32,240
anti-gravity engines based on the secret

428
00:21:36,190 --> 00:21:34,720
knowledge that david wilcock is selling

429
00:21:39,270 --> 00:21:36,200
people for

430
00:21:41,270 --> 00:21:39,280
333 dollars he should be ashamed of

431
00:21:43,750 --> 00:21:41,280
himself

432
00:21:46,630 --> 00:21:43,760
because he said

433
00:21:49,190 --> 00:21:46,640
in the lead-up to his last course

434
00:21:50,870 --> 00:21:49,200
you will take my course and you too will

435
00:21:53,350 --> 00:21:50,880
be able to do this

436
00:21:55,750 --> 00:21:53,360
he said that

437
00:21:58,950 --> 00:21:55,760
we have it all we have it clipped he

438
00:22:01,190 --> 00:21:58,960

said buy my course and you too will be

439

00:22:04,070 --> 00:22:01,200

able to do this as in

440

00:22:07,110 --> 00:22:04,080

create an anti-gravity engine create a

441

00:22:09,590 --> 00:22:07,120

free energy device and so far

442

00:22:11,430 --> 00:22:09,600

i don't see any results

443

00:22:12,789 --> 00:22:11,440

which leads me to believe that telling

444

00:22:14,470 --> 00:22:12,799

people they're going to be able to build

445

00:22:15,590 --> 00:22:14,480

a freaking why don't you just tell them

446

00:22:18,390 --> 00:22:15,600

they're going to build a time machine

447

00:22:19,830 --> 00:22:18,400

too david wilcock right or a stargate or

448

00:22:22,549 --> 00:22:19,840

a portal too

449

00:22:25,270 --> 00:22:22,559

or that's probably his next course

450

00:22:27,510 --> 00:22:25,280

but important for us to go through some

451
00:22:30,950 --> 00:22:27,520
of this guy's history and see this

452
00:22:33,350 --> 00:22:30,960
gobbledygook nonsense bunch of garbage

453
00:22:35,669 --> 00:22:33,360
that he strings together let's all just

454
00:22:38,830 --> 00:22:35,679
let's just string all this nonsensical

455
00:22:41,350 --> 00:22:38,840
terms together and say i'm channeling a

456
00:22:43,350 --> 00:22:41,360
god i don't think so i don't think he's

457
00:22:45,029 --> 00:22:43,360
channeling anything but his own goddamn

458
00:22:46,710 --> 00:22:45,039
imagination here

459
00:22:49,669 --> 00:22:46,720
of course

460
00:22:52,310 --> 00:22:49,679
i i'm very suspect of all channeling and

461
00:22:55,110 --> 00:22:52,320
i've never seen i've never

462
00:22:57,430 --> 00:22:55,120
seen or experienced or looked at or

463
00:22:59,990 --> 00:22:57,440

listened to or researched anybody

464

00:23:03,909 --> 00:23:00,000

channeling anything that i believe was

465

00:23:05,990 --> 00:23:03,919

really channeling another entity

466

00:23:09,590 --> 00:23:06,000

but that's my personal belief and yours

467

00:23:11,830 --> 00:23:09,600

may differ and after all it is worthy of

468

00:23:15,270 --> 00:23:11,840

note that some people find tremendous

469

00:23:17,830 --> 00:23:15,280

value in channeled material after all we

470

00:23:19,669 --> 00:23:17,840

have the urantia book

471

00:23:21,830 --> 00:23:19,679

thousands tens of thousands maybe

472

00:23:25,350 --> 00:23:21,840

hundreds of thousands of adherents to

473

00:23:26,470 --> 00:23:25,360

that belief system laid out in that book

474

00:23:29,029 --> 00:23:26,480

that is

475

00:23:30,549 --> 00:23:29,039

a channeled work somebody

476

00:23:32,789 --> 00:23:30,559

channeled it

477

00:23:34,789 --> 00:23:32,799

and it was said to come from god and

478

00:23:36,950 --> 00:23:34,799

elsewhere

479

00:23:38,710 --> 00:23:36,960

and we also have the law of one material

480

00:23:41,190 --> 00:23:38,720

and i'm sure many lesser known other

481

00:23:43,110 --> 00:23:41,200

channeled works that some people find

482

00:23:46,470 --> 00:23:43,120

such tremendous value in that they

483

00:23:48,789 --> 00:23:46,480

dedicate their entire lives to it me

484

00:23:51,269 --> 00:23:48,799

i don't see it i i don't i i don't

485

00:23:53,269 --> 00:23:51,279

understand it i don't

486

00:23:55,350 --> 00:23:53,279

i don't understand somebody changing

487

00:23:57,750 --> 00:23:55,360

their entire life or

488

00:23:59,909 --> 00:23:57,760

uh you know forming a religion or a cult

489

00:24:02,470 --> 00:23:59,919

around somebody that says they're

490

00:24:05,190 --> 00:24:02,480

channeling for example the egyptian god

491

00:24:07,029 --> 00:24:05,200

ra or the archangel michael

492

00:24:08,950 --> 00:24:07,039

we've got david wilcock

493

00:24:11,430 --> 00:24:08,960

recently saying that he's channeling

494

00:24:12,230 --> 00:24:11,440

christ or christ consciousness

495

00:24:15,269 --> 00:24:12,240

so

496

00:24:17,750 --> 00:24:15,279

again we come back to this narcissistic

497

00:24:19,909 --> 00:24:17,760

personality disorder of his which he

498

00:24:22,549 --> 00:24:19,919

really should get therapy for because if

499

00:24:25,110 --> 00:24:22,559

you are so goddamn narcissistic that you

500

00:24:28,310 --> 00:24:25,120

truly believe that you're channeling

501
00:24:32,390 --> 00:24:28,320
both the egyptian god ra the archangel

502
00:24:34,390 --> 00:24:32,400
michael later and then jesus christ uh

503
00:24:36,710 --> 00:24:34,400
something's wrong with your ego bro

504
00:24:39,909 --> 00:24:36,720
because who how the hell are you so

505
00:24:42,549 --> 00:24:39,919
goddamn important that an egyptian god

506
00:24:45,269 --> 00:24:42,559
uh the christian god

507
00:24:48,950 --> 00:24:45,279
and also the greatest angel in

508
00:24:51,350 --> 00:24:48,960
in god's pantheon the one true god's

509
00:24:54,549 --> 00:24:51,360
pantheon archangel michael

510
00:24:56,710 --> 00:24:54,559
all use you as a conduit to deliver

511
00:24:58,789 --> 00:24:56,720
messages to humanity

512
00:25:00,950 --> 00:24:58,799
um i'm calling [h__h] on all three of

513
00:25:03,669 --> 00:25:00,960

those claims of david wilcock and so he

514

00:25:05,750 --> 00:25:03,679

can prove any of it and he never will

515

00:25:08,390 --> 00:25:05,760

but that won't stop him from asking you

516

00:25:10,149 --> 00:25:08,400

for more of your hard-earned money so

517

00:25:12,390 --> 00:25:10,159

that he could share with you his

518

00:25:15,710 --> 00:25:12,400

so-called secret information

519

00:25:18,470 --> 00:25:15,720

that is so valuable he wants you to pay

520

00:25:20,710 --> 00:25:18,480

333 dollars for it

521

00:25:22,630 --> 00:25:20,720

333

522

00:25:25,269 --> 00:25:22,640

i mean think about what you could do

523

00:25:28,950 --> 00:25:25,279

with 333 i would think that you could do

524

00:25:31,510 --> 00:25:28,960

an awful lot more than allow or help

525

00:25:33,190 --> 00:25:31,520

dave david wilcock live a millionaire's

526

00:25:36,870 --> 00:25:33,200

lifestyle

527

00:25:39,590 --> 00:25:36,880

off of the backs of stupid people

528

00:25:41,830 --> 00:25:39,600

selling this amount of garbage and

529

00:25:43,830 --> 00:25:41,840

that's what it is it's gobbly [h__h]

530

00:25:46,549 --> 00:25:43,840

garbage nonsense

531

00:25:48,789 --> 00:25:46,559

but we got a lot to get through uh so

532

00:25:50,710 --> 00:25:48,799

let's uh i'm gonna put my fair use

533

00:25:52,549 --> 00:25:50,720

banner this is of course a

534

00:25:55,190 --> 00:25:52,559

transformative work we're educating the

535

00:25:57,430 --> 00:25:55,200

public about david wilcock and his

536

00:26:00,710 --> 00:25:57,440

gobbledygook nonsense where he claims

537

00:26:02,950 --> 00:26:00,720

that he's channeling the egyptian god ra

538

00:26:05,669 --> 00:26:02,960

uh

539

00:26:06,870 --> 00:26:05,679

yeah let me cue this up and get it ready

540

00:26:09,190 --> 00:26:06,880

for you

541

00:26:11,190 --> 00:26:09,200

and uh you know get yourself a beverage

542

00:26:14,549 --> 00:26:11,200

sit back relax because this is going to

543

00:26:17,029 --> 00:26:14,559

be a funny ride into the mind of a man

544

00:26:18,310 --> 00:26:17,039

who just makes [h__h] up and sells it to

545

00:26:20,630 --> 00:26:18,320

stupid people

546

00:26:23,269 --> 00:26:20,640

and that's that's what i get from this

547

00:26:26,070 --> 00:26:23,279

it is it is imaginary

548

00:26:28,950 --> 00:26:26,080

nonsense made up by a guy who wants to

549

00:26:32,230 --> 00:26:28,960

be somebody important so desperately but

550

00:26:34,950 --> 00:26:32,240

he's nothing extraordinary so he's got

551
00:26:36,830 --> 00:26:34,960
to make extraordinary claims to feel

552
00:26:39,669 --> 00:26:36,840
special and important

553
00:26:41,590 --> 00:26:39,679
perhaps um

554
00:26:44,390 --> 00:26:41,600
yeah the only thing i'm channeling

555
00:26:46,549 --> 00:26:44,400
lately is uh some of my favorite albums

556
00:26:48,390 --> 00:26:46,559
right that energy

557
00:26:49,909 --> 00:26:48,400
um

558
00:26:53,830 --> 00:26:49,919
i don't know

559
00:26:56,710 --> 00:26:53,840
let's just get into it friends

560
00:26:58,310 --> 00:26:56,720
let's get into it and uh i want to thank

561
00:27:00,630 --> 00:26:58,320
everybody for being here but we got a

562
00:27:02,549 --> 00:27:00,640
great audience again tonight

563
00:27:04,149 --> 00:27:02,559

uh and it just keeps i'm looking at the

564

00:27:06,549 --> 00:27:04,159

counter it just keeps rising got almost

565

00:27:08,870 --> 00:27:06,559

100 in the live chat right now i'm sure

566

00:27:10,070 --> 00:27:08,880

we'll get a better than that

567

00:27:12,149 --> 00:27:10,080

um

568

00:27:13,590 --> 00:27:12,159

and i i am amazed that there's people

569

00:27:16,630 --> 00:27:13,600

all over the world that want to tune in

570

00:27:18,230 --> 00:27:16,640

and see what i have to say about this uh

571

00:27:19,430 --> 00:27:18,240

guy

572

00:27:22,149 --> 00:27:19,440

again

573

00:27:24,070 --> 00:27:22,159

he's oh he's channeling the god raw and

574

00:27:26,310 --> 00:27:24,080

besides channeling the god ra remember

575

00:27:29,029 --> 00:27:26,320

he has just a little under eight months

576

00:27:32,389 --> 00:27:29,039

i believe to show us all a hover car so

577

00:27:34,549 --> 00:27:32,399

he doesn't look foolish but again

578

00:27:36,149 --> 00:27:34,559

we're gonna cover this tonight isn't it

579

00:27:37,669 --> 00:27:36,159

foolish to be running around telling

580

00:27:40,470 --> 00:27:37,679

people you're channeling the egyptian

581

00:27:42,230 --> 00:27:40,480

god raw and if you could really do that

582

00:27:44,389 --> 00:27:42,240

wouldn't you keep doing it why would you

583

00:27:47,269 --> 00:27:44,399

suddenly stop doing it or is it because

584

00:27:49,190 --> 00:27:47,279

this gobbledy [h__h] new age nonsense

585

00:27:51,029 --> 00:27:49,200

didn't take hold well didn't sell much

586

00:27:52,470 --> 00:27:51,039

so we moved on to new gobbly [h__h]

587

00:27:54,789 --> 00:27:52,480

nonsense

588

00:27:57,269 --> 00:27:54,799

all right david wilcock channeling the

589

00:27:59,110 --> 00:27:57,279

egyptian god ra here we go and i

590

00:28:01,750 --> 00:27:59,120

apologize for the audio quality of

591

00:28:03,110 --> 00:28:01,760

course but uh

592

00:28:05,110 --> 00:28:03,120

let me try that one more time i

593

00:28:08,389 --> 00:28:05,120

apologize for the audio quality but this

594

00:28:10,470 --> 00:28:08,399

is a recording from a long time ago

595

00:28:12,789 --> 00:28:10,480

and uh

596

00:28:15,269 --> 00:28:12,799

spooky did something fun making it like

597

00:28:17,990 --> 00:28:15,279

we're playing a record of david wilcock

598

00:28:24,470 --> 00:28:18,000

uh channeling the egyptian god raw it's

599

00:28:32,549 --> 00:28:28,230

fair use we're educating the public i

600

00:28:37,590 --> 00:28:35,029

it is an honor

601
00:28:40,230 --> 00:28:37,600
and a privilege

602
00:28:43,350 --> 00:28:40,240
to greet you this day

603
00:28:48,549 --> 00:28:43,360
in the love and in the light

604
00:28:53,990 --> 00:28:50,789
resonant raindrops

605
00:29:00,950 --> 00:28:54,000
liquid light cascading down

606
00:29:04,470 --> 00:29:02,870
the world of energy that you dance

607
00:29:20,310 --> 00:29:04,480
through

608
00:29:23,110 --> 00:29:20,320
invisible energy and the and we can't

609
00:29:23,909 --> 00:29:23,120
see it and the invisible god ra talks

610
00:29:25,750 --> 00:29:23,919
just

611
00:29:28,549 --> 00:29:25,760
or excuse me the egyptian god ra

612
00:29:31,029 --> 00:29:28,559
apparently talks just like every other

613
00:29:33,110 --> 00:29:31,039

crystal hippie weirdo at a new age

614

00:29:35,590 --> 00:29:33,120

conference right is is that a little

615

00:29:36,950 --> 00:29:35,600

suspect that they talk a lot alike i

616

00:29:39,669 --> 00:29:36,960

don't know

617

00:29:43,029 --> 00:29:39,679

i was just slush

618

00:29:46,070 --> 00:29:43,039

but to the inner eye of soul

619

00:29:48,710 --> 00:29:46,080

there are tithes and curse

620

00:29:50,789 --> 00:29:48,720

of change and transformation that ripple

621

00:29:52,870 --> 00:29:50,799

through the collective consciousness of

622

00:29:54,870 --> 00:29:52,880

earth

623

00:29:56,789 --> 00:29:54,880

much like a hot air balloon rises

624

00:29:59,029 --> 00:29:56,799

through layers of the atmosphere some

625

00:30:00,870 --> 00:29:59,039

warmer some colder

626
00:30:02,389 --> 00:30:00,880
and one might ask themselves why the

627
00:30:04,789 --> 00:30:02,399
hell would an egyptian god be talking

628
00:30:08,630 --> 00:30:04,799
about helium balloons or uh hot air

629
00:30:13,990 --> 00:30:11,510
as you go on this sacred journey

630
00:30:18,230 --> 00:30:14,000
into yourself

631
00:30:23,029 --> 00:30:21,590
you experience more than just

632
00:30:25,269 --> 00:30:23,039
a reunion

633
00:30:27,990 --> 00:30:25,279
with aspects of yourself long ago

634
00:30:33,190 --> 00:30:30,710
you have the opportunity to experience

635
00:30:36,389 --> 00:30:33,200
directly

636
00:30:40,230 --> 00:30:36,399
other areas of the earth's grid

637
00:30:43,269 --> 00:30:40,240
wherein there are unique vortices

638
00:30:45,110 --> 00:30:43,279

of cosmic influx

639

00:30:48,950 --> 00:30:45,120

be speaking

640

00:30:58,549 --> 00:30:48,960

of a variety of cultures and heritages

641

00:31:02,950 --> 00:31:01,190

sorry i was muted there and uh please

642

00:31:05,430 --> 00:31:02,960

don't call me

643

00:31:07,509 --> 00:31:05,440

so i gotta say this is already terrible

644

00:31:09,350 --> 00:31:07,519

because if you really want people to

645

00:31:12,389 --> 00:31:09,360

believe you that you're channeling an

646

00:31:15,909 --> 00:31:12,399

ancient egyptian god

647

00:31:18,389 --> 00:31:15,919

in english

648

00:31:21,110 --> 00:31:18,399

right wouldn't it be able to speak like

649

00:31:23,110 --> 00:31:21,120

ancient sumerian or ancient egyptian and

650

00:31:25,190 --> 00:31:23,120

wouldn't that be a lot more believable

651
00:31:28,870 --> 00:31:25,200
if he channeled in that

652
00:31:30,070 --> 00:31:28,880
language right and then translated it to

653
00:31:32,549 --> 00:31:30,080
all

654
00:31:34,710 --> 00:31:32,559
modern languages of course it would but

655
00:31:36,870 --> 00:31:34,720
that would require a lot of rehearsal

656
00:31:39,430 --> 00:31:36,880
and energy and effort so david wilcock

657
00:31:42,149 --> 00:31:39,440
just thinks that everybody's stupid

658
00:31:45,110 --> 00:31:42,159
and believes that uh apparently the

659
00:31:48,389 --> 00:31:45,120
ancient egyptian god brah speaks perfect

660
00:31:51,430 --> 00:31:48,399
english and new age nonsense uh on top

661
00:31:56,950 --> 00:31:53,909
this time on the planet is one of

662
00:32:12,789 --> 00:31:56,960
spontaneous regeneration

663
00:32:17,909 --> 00:32:15,190

those who had gone for

664

00:32:20,070 --> 00:32:17,919

is again becoming renewed

665

00:32:22,789 --> 00:32:20,080

clearer and clearer to the minds of

666

00:32:25,110 --> 00:32:22,799

those who awaken on the brink

667

00:32:26,470 --> 00:32:25,120

of a new dawning for humanity

668

00:32:28,549 --> 00:32:26,480

all right we're two minutes we're a

669

00:32:29,350 --> 00:32:28,559

little over two minutes and 30 seconds

670

00:32:30,789 --> 00:32:29,360

in

671

00:32:32,470 --> 00:32:30,799

and so far

672

00:32:33,909 --> 00:32:32,480

the egyptian god raw hasn't said

673

00:32:34,950 --> 00:32:33,919

anything

674

00:32:36,950 --> 00:32:34,960

i mean

675

00:32:40,389 --> 00:32:36,960

what does he say in here

676
00:32:43,509 --> 00:32:40,399
it's new age words out nonsense i mean

677
00:32:47,669 --> 00:32:43,519
okay yeah yeah we're awakening and we're

678
00:32:50,310 --> 00:32:47,679
regenerating and what okay

679
00:32:53,430 --> 00:32:50,320
for this time this place

680
00:32:55,830 --> 00:32:53,440
is not one of failure

681
00:32:58,470 --> 00:32:55,840
it is not one in which you look at the

682
00:33:00,470 --> 00:32:58,480
weather changes the political changes

683
00:33:02,310 --> 00:33:00,480
the economic changes and the social

684
00:33:04,630 --> 00:33:02,320
changes

685
00:33:07,269 --> 00:33:04,640
with a scorning eye of disdain but

686
00:33:08,870 --> 00:33:07,279
rather one of hopeless

687
00:33:10,630 --> 00:33:08,880
optimism

688
00:33:12,149 --> 00:33:10,640

peace

689

00:33:14,950 --> 00:33:12,159

and truth

690

00:33:18,149 --> 00:33:14,960

in the knowingness of longevity of the

691

00:33:20,389 --> 00:33:18,159

human soul which cannot be defiled

692

00:33:22,870 --> 00:33:20,399

cannot be divided

693

00:33:25,669 --> 00:33:22,880

will always and ever remain a point of

694

00:33:27,909 --> 00:33:25,679

power that uniquely situates you in the

695

00:33:29,830 --> 00:33:27,919

present moment if you could allow it to

696

00:33:31,990 --> 00:33:29,840

pour forth

697

00:33:33,350 --> 00:33:32,000

from that everlasting cornucopia of

698

00:33:35,029 --> 00:33:33,360

oneness

699

00:33:37,990 --> 00:33:35,039

it seems

700

00:33:40,710 --> 00:33:38,000

that was good the everlasting cornucopia

701
00:33:46,470 --> 00:33:40,720
of oneness

702
00:33:48,149 --> 00:33:46,480
what does that mean

703
00:33:50,310 --> 00:33:48,159
i mean we could break it down word by

704
00:33:55,830 --> 00:33:50,320
word but really it's just a bunch of new

705
00:34:00,149 --> 00:33:58,070
for the short time as you remain encased

706
00:34:02,310 --> 00:34:00,159
in flesh

707
00:34:05,509 --> 00:34:02,320
there is life beyond this life in which

708
00:34:07,590 --> 00:34:05,519
the limbs of the tree of knowledge

709
00:34:09,589 --> 00:34:07,600
stretched forth into the heavens there

710
00:34:13,829 --> 00:34:09,599
we go again the limbs of the tree of

711
00:34:15,510 --> 00:34:13,839
knowledge spread forth into the heavens

712
00:34:17,510 --> 00:34:15,520
you know uh

713
00:34:18,869 --> 00:34:17,520

this is a lot like a lot of other

714

00:34:21,109 --> 00:34:18,879

channelings i've heard a bunch of

715

00:34:23,510 --> 00:34:21,119

nonsense new age sounds good makes you

716

00:34:25,589 --> 00:34:23,520

feel good right

717

00:34:28,790 --> 00:34:25,599

and once more you intermingle with the

718

00:34:30,629 --> 00:34:28,800

clouds themselves and become one

719

00:34:32,470 --> 00:34:30,639

with the resonant goodness of this

720

00:34:35,909 --> 00:34:32,480

creation in all

721

00:34:38,710 --> 00:34:35,919

of its many multiplicities of form

722

00:34:41,270 --> 00:34:38,720

and contrast

723

00:34:43,589 --> 00:34:41,280

yours is an awakening world

724

00:34:45,829 --> 00:34:43,599

and with the awakening comes

725

00:34:47,430 --> 00:34:45,839

of remembrance and again he's talking

726

00:34:49,589 --> 00:34:47,440

about the awakenings could also be

727

00:34:51,349 --> 00:34:49,599

interpreted as the ascension which is

728

00:34:54,069 --> 00:34:51,359

something that he pushed for

729

00:34:56,389 --> 00:34:54,079

quite a long time and i mentioned him uh

730

00:34:58,550 --> 00:34:56,399

you know looking and sounding foolish

731

00:35:00,470 --> 00:34:58,560

remember this is the same man

732

00:35:03,750 --> 00:35:00,480

this man right here who's channeling the

733

00:35:05,589 --> 00:35:03,760

egyptian god ra in this recording is

734

00:35:07,430 --> 00:35:05,599

also the same guy who told us all that

735

00:35:10,230 --> 00:35:07,440

we were all going to ascend and get

736

00:35:12,470 --> 00:35:10,240

super powers in the year 2012

737

00:35:15,589 --> 00:35:12,480

and none of that happened and i'm

738

00:35:18,950 --> 00:35:15,599

guessing that nothing that this egyptian

739

00:35:20,710 --> 00:35:18,960

god raw channeling says uh comes true or

740

00:35:23,270 --> 00:35:20,720

matters at all

741

00:35:25,030 --> 00:35:23,280

so far we're uh almost four minutes in

742

00:35:27,910 --> 00:35:25,040

and it's a bunch of

743

00:35:30,710 --> 00:35:27,920

feel good nonsense glued together

744

00:35:33,430 --> 00:35:30,720

terms of you know new age consciousness

745

00:35:35,910 --> 00:35:33,440

gobbledygook

746

00:35:38,630 --> 00:35:35,920

of long ages

747

00:35:42,150 --> 00:35:38,640

since forgotten

748

00:35:43,670 --> 00:35:42,160

in which there was a greater connection

749

00:35:45,430 --> 00:35:43,680

to others

750

00:35:47,829 --> 00:35:45,440

and to your own

751
00:35:50,630 --> 00:35:47,839
higher self

752
00:35:52,150 --> 00:35:50,640
much as the body of the tropical fish

753
00:35:54,550 --> 00:35:52,160
slices through

754
00:36:01,910 --> 00:35:54,560
the waters without ever thinking

755
00:36:06,230 --> 00:36:04,630
and rarely if ever notice

756
00:36:08,870 --> 00:36:06,240
that in fact this energy of

757
00:36:10,230 --> 00:36:08,880
consciousness is not a philosophical

758
00:36:12,390 --> 00:36:10,240
abstraction

759
00:36:15,270 --> 00:36:12,400
constrained within the boundaries of

760
00:36:16,790 --> 00:36:15,280
unwieldy mathematical equations

761
00:36:18,230 --> 00:36:16,800
oh god

762
00:36:19,510 --> 00:36:18,240
i don't know how much of this i could

763
00:36:21,030 --> 00:36:19,520

take

764

00:36:24,150 --> 00:36:21,040

this is terrible

765

00:36:27,109 --> 00:36:24,160

why am i doing this

766

00:36:29,510 --> 00:36:27,119

why are we all doing this but we got to

767

00:36:31,990 --> 00:36:29,520

keep going from physicists

768

00:36:35,030 --> 00:36:32,000

musings are far from a conceptual model

769

00:36:37,670 --> 00:36:35,040

that others can actually understand

770

00:36:39,670 --> 00:36:37,680

it's a living science

771

00:36:41,990 --> 00:36:39,680

it is a science that allows your

772

00:36:43,349 --> 00:36:42,000

consciousness to centralize to a point

773

00:36:45,190 --> 00:36:43,359

of stillness

774

00:36:46,790 --> 00:36:45,200

and peace and equilibrium within

775

00:36:48,790 --> 00:36:46,800

yourself

776

00:36:49,910 --> 00:36:48,800

it is a science of consciousness that

777

00:36:52,150 --> 00:36:49,920

brings out

778

00:36:54,230 --> 00:36:52,160

the noblest qualities in your character

779

00:36:57,190 --> 00:36:54,240

the science of consciousness brings out

780

00:36:59,190 --> 00:36:57,200

the noblest qualities in your character

781

00:37:01,190 --> 00:36:59,200

that's a nonsensical statement why would

782

00:37:04,390 --> 00:37:01,200

a god make a totally nonsensical

783

00:37:05,190 --> 00:37:04,400

statement like that

784

00:37:06,710 --> 00:37:05,200

you know

785

00:37:09,589 --> 00:37:06,720

this defies

786

00:37:13,190 --> 00:37:09,599

uh interpretation

787

00:37:14,950 --> 00:37:13,200

for as you learn to find your car keys

788

00:37:17,589 --> 00:37:14,960

you realize that it's not so difficult

789

00:37:19,750 --> 00:37:17,599

getting a parking spot as much as it is

790

00:37:22,470 --> 00:37:19,760

taking the initiative

791

00:37:24,069 --> 00:37:22,480

to get back into that vehicle that moves

792

00:37:25,670 --> 00:37:24,079

forward

793

00:37:27,510 --> 00:37:25,680

why would the egyptian god rob be

794

00:37:29,589 --> 00:37:27,520

concerned with people finding their keys

795

00:37:31,990 --> 00:37:29,599

or finding a parking space

796

00:37:35,030 --> 00:37:32,000

does this sound like the way an egyptian

797

00:37:37,589 --> 00:37:35,040

god would speak to humans if he did want

798

00:37:39,109 --> 00:37:37,599

to communicate a message

799

00:37:42,230 --> 00:37:39,119

and wouldn't that message be more

800

00:37:44,230 --> 00:37:42,240

important then you gotta find your keys

801
00:37:46,470 --> 00:37:44,240
you gotta find that parking spot you

802
00:37:48,150 --> 00:37:46,480
gotta get back in that car and keep

803
00:37:53,990 --> 00:37:48,160
moving forward

804
00:37:57,510 --> 00:37:54,000
nonsensical talking point that many

805
00:37:59,270 --> 00:37:57,520
people use or self-help people use why

806
00:38:02,630 --> 00:37:59,280
would the egyptian god rob be talking

807
00:38:04,950 --> 00:38:02,640
like tony robbins get your car keys

808
00:38:07,030 --> 00:38:04,960
get that parking spot get in that car

809
00:38:09,510 --> 00:38:07,040
keep moving forward

810
00:38:12,550 --> 00:38:09,520
it just it seems nonsensical to me that

811
00:38:14,550 --> 00:38:12,560
an egyptian god would be using the same

812
00:38:16,710 --> 00:38:14,560
speaking points that somebody like tony

813
00:38:18,950 --> 00:38:16,720

robbins would use but

814

00:38:22,390 --> 00:38:18,960

you know i'm i'm not an expert on

815

00:38:24,790 --> 00:38:22,400

egyptian gods or how they talk or

816

00:38:26,710 --> 00:38:24,800

whether they speak perfect english i i

817

00:38:28,630 --> 00:38:26,720

don't know i don't i don't know maybe

818

00:38:30,870 --> 00:38:28,640

he's really channeling a god here who's

819

00:38:32,790 --> 00:38:30,880

very concerned about us finding our car

820

00:38:34,150 --> 00:38:32,800

keys and get back in the car and keep it

821

00:38:37,829 --> 00:38:34,160

moving

822

00:38:41,030 --> 00:38:37,839

where no one has gone before it's fine

823

00:38:43,910 --> 00:38:41,040

he just used star trek we've gotta go

824

00:38:46,870 --> 00:38:43,920

boldly friends we've gotta go boldly

825

00:38:50,310 --> 00:38:46,880

where no one has gone before

826

00:38:52,550 --> 00:38:50,320

the egyptian god ra is using star trek

827

00:38:55,750 --> 00:38:52,560

lines here

828

00:38:58,390 --> 00:38:55,760

while he is being channeled through

829

00:39:01,349 --> 00:38:58,400

the magnificent

830

00:39:03,349 --> 00:39:01,359

david wilcock the world's worst psychic

831

00:39:05,510 --> 00:39:03,359

and and now i'm going to say he's the

832

00:39:07,750 --> 00:39:05,520

world's worst psychic and the world's

833

00:39:10,230 --> 00:39:07,760

worst channeler because he's got the

834

00:39:12,710 --> 00:39:10,240

egyptian god raw

835

00:39:14,870 --> 00:39:12,720

spewing lines from star trek we've all

836

00:39:16,710 --> 00:39:14,880

got to go boldly where no one has gone

837

00:39:20,390 --> 00:39:16,720

before friends

838

00:39:22,950 --> 00:39:20,400

it's a new frontier it's a new frontier

839

00:39:24,950 --> 00:39:22,960

to see beyond limitations

840

00:39:26,950 --> 00:39:24,960

imposed by

841

00:39:29,589 --> 00:39:26,960

your day-to-day life

842

00:39:31,349 --> 00:39:29,599

by the constraints of working in a box

843

00:39:36,470 --> 00:39:31,359

living in a box

844

00:39:38,470 --> 00:39:36,480

being entertained by a colored glass box

845

00:39:41,109 --> 00:39:38,480

it appears that the egyptian god ra is

846

00:39:43,349 --> 00:39:41,119

very concerned with boxes after all yeah

847

00:39:45,109 --> 00:39:43,359

i guess i did a cubicle job you work in

848

00:39:47,510 --> 00:39:45,119

a box you live in a box you eat from a

849

00:39:49,030 --> 00:39:47,520

box you watch a box

850

00:39:51,829 --> 00:39:49,040

that's the problem

851
00:39:53,349 --> 00:39:51,839
the egyptian god raw is so concerned

852
00:39:55,270 --> 00:39:53,359
with humanity

853
00:39:57,589 --> 00:39:55,280
living in boxes eating out of boxes

854
00:40:00,230 --> 00:39:57,599
watching boxes that he's got to channel

855
00:40:04,710 --> 00:40:00,240
himself to david wilcock and save us all

856
00:40:09,589 --> 00:40:07,190
the box breaks down

857
00:40:12,470 --> 00:40:09,599
and rolling

858
00:40:14,950 --> 00:40:12,480
green emerald forests

859
00:40:16,870 --> 00:40:14,960
rise into view with splendor of a

860
00:40:19,750 --> 00:40:16,880
million suns

861
00:40:21,829 --> 00:40:19,760
that have nourished them

862
00:40:23,190 --> 00:40:21,839
patterns of twinkling light in the night

863
00:40:26,150 --> 00:40:23,200

sky

864

00:40:27,430 --> 00:40:26,160

there you are a cosmic being

865

00:40:29,829 --> 00:40:27,440

not alone

866

00:40:31,510 --> 00:40:29,839

in this creation in this cosmos and you

867

00:40:33,910 --> 00:40:31,520

see how this stuff is specifically

868

00:40:36,309 --> 00:40:33,920

designed for vulnerable people

869

00:40:39,030 --> 00:40:36,319

people living in a box right people

870

00:40:40,710 --> 00:40:39,040

working in a box people depressed

871

00:40:42,710 --> 00:40:40,720

hopeless right and they're looking for

872

00:40:44,390 --> 00:40:42,720

something and here's david wilcock with

873

00:40:46,870 --> 00:40:44,400

the egyptian god brother give everybody

874

00:40:48,309 --> 00:40:46,880

a shout of opium those boxes are going

875

00:40:50,710 --> 00:40:48,319

to empty into

876
00:40:53,030 --> 00:40:50,720
these beautiful fields and twinkling

877
00:40:55,109 --> 00:40:53,040
stars and everything's great and you are

878
00:40:57,670 --> 00:40:55,119
more than somebody that lives in a box

879
00:41:01,349 --> 00:40:57,680
and you're so special

880
00:41:02,410 --> 00:41:01,359
it's it's cultic nonsense

881
00:41:05,030 --> 00:41:02,420
there

882
00:41:07,510 --> 00:41:05,040
[Music]

883
00:41:09,910 --> 00:41:07,520
it is certainly worth your while to

884
00:41:12,309 --> 00:41:09,920
remember that fact

885
00:41:14,550 --> 00:41:12,319
you have this galaxy which is a loose

886
00:41:16,309 --> 00:41:14,560
arrangement of all stars that you see in

887
00:41:19,670 --> 00:41:16,319
your solar system

888
00:41:23,190 --> 00:41:19,680

and in other solar systems just like it

889

00:41:29,430 --> 00:41:23,200

and that galaxy is but one pinprick in

890

00:41:32,870 --> 00:41:31,190

why would the egyptian god rob be

891

00:41:35,109 --> 00:41:32,880

concerned with teaching humanity

892

00:41:37,349 --> 00:41:35,119

cosmology when we're already aware of

893

00:41:39,349 --> 00:41:37,359

these things like multiple galaxies in

894

00:41:41,430 --> 00:41:39,359

the vastness of the universe

895

00:41:44,150 --> 00:41:41,440

right wouldn't he bring some knowledge

896

00:41:45,750 --> 00:41:44,160

some sacred or divine knowledge that we

897

00:41:47,990 --> 00:41:45,760

don't already know

898

00:41:50,550 --> 00:41:48,000

he's just going to repeat things we know

899

00:41:52,309 --> 00:41:50,560

hey by the way humans i know you built

900

00:41:53,990 --> 00:41:52,319

some telescopes right but i'm the

901
00:41:55,910 --> 00:41:54,000
egyptian god rod i just want to make

902
00:41:58,390 --> 00:41:55,920
sure that you know that you guys are

903
00:42:00,470 --> 00:41:58,400
right that there's multiple galaxies

904
00:42:03,349 --> 00:42:00,480
it's so stupid and childish and

905
00:42:06,150 --> 00:42:03,359
nonsensical galaxy is in and of itself a

906
00:42:08,950 --> 00:42:06,160
creator in its own right capable of

907
00:42:10,550 --> 00:42:08,960
setting forth a series of templates

908
00:42:14,230 --> 00:42:10,560
archetypes

909
00:42:16,069 --> 00:42:14,240
by which soul evolution will be

910
00:42:18,630 --> 00:42:16,079
determined

911
00:42:20,390 --> 00:42:18,640
each soul goes through these archetypal

912
00:42:21,990 --> 00:42:20,400
patterns of enlightenment and

913
00:42:24,150 --> 00:42:22,000

development

914

00:42:26,390 --> 00:42:24,160

by learning those archetypes

915

00:42:31,349 --> 00:42:26,400

as expressed in the 22 cards of the

916

00:42:35,030 --> 00:42:31,359

major arcana of the hero deck

917

00:42:35,990 --> 00:42:35,040

the tarot was an invention of man

918

00:42:41,270 --> 00:42:36,000

so

919

00:42:44,069 --> 00:42:41,280

concerned with

920

00:42:45,430 --> 00:42:44,079

a deck of cards created by men to tell

921

00:42:47,190 --> 00:42:45,440

the future

922

00:42:52,390 --> 00:42:47,200

wouldn't he have a better divination

923

00:42:52,400 --> 00:42:56,870

yeah i don't know

924

00:43:00,150 --> 00:42:59,109

one second

925

00:43:01,430 --> 00:43:00,160

all right

926

00:43:03,670 --> 00:43:01,440

i don't know how much more of this i

927

00:43:05,510 --> 00:43:03,680

could take let's keep going we're seven

928

00:43:09,030 --> 00:43:05,520

minutes in and so far he said a bunch of

929

00:43:10,710 --> 00:43:09,040

nonsense that's how i can summarize

930

00:43:13,030 --> 00:43:10,720

the egyptian god ra

931

00:43:15,109 --> 00:43:13,040

is so concerned with humanity's path and

932

00:43:17,190 --> 00:43:15,119

development and wants to help humanity

933

00:43:19,349 --> 00:43:17,200

that he's got a channel through david

934

00:43:21,589 --> 00:43:19,359

wilcock the world's worst psychic and

935

00:43:23,990 --> 00:43:21,599

tell us almost nothing for seven minutes

936

00:43:25,750 --> 00:43:24,000

about all of the classic experiences

937

00:43:27,589 --> 00:43:25,760

that will come your way from one moment

938

00:43:29,589 --> 00:43:27,599

to the next

939

00:43:31,589 --> 00:43:29,599

and find out that

940

00:43:33,190 --> 00:43:31,599

some kitties don't need a scratching

941

00:43:35,910 --> 00:43:33,200

post in order to make sure that their

942

00:43:38,870 --> 00:43:35,920

claws are sharp

943

00:43:41,270 --> 00:43:38,880

oh this is great so some kitties that's

944

00:43:42,870 --> 00:43:41,280

an egyptian god wisdom some kitties

945

00:43:45,510 --> 00:43:42,880

don't need a scratching post to know

946

00:43:47,990 --> 00:43:45,520

that their claws are sharp

947

00:43:50,069 --> 00:43:48,000

i don't know what a god talks like but i

948

00:43:52,150 --> 00:43:50,079

don't think they talk like this

949

00:43:54,230 --> 00:43:52,160

though jesus did use a lot of parables

950

00:43:56,309 --> 00:43:54,240

so that people could understand the

951
00:43:57,750 --> 00:43:56,319
message i mean maybe that's what he's

952
00:43:59,750 --> 00:43:57,760
trying to do here

953
00:44:01,349 --> 00:43:59,760
he's trying to have the egyptian god ra

954
00:44:04,230 --> 00:44:01,359
tell us that some

955
00:44:06,470 --> 00:44:04,240
some kiddies don't need scratching posts

956
00:44:08,550 --> 00:44:06,480
to know their claws are

957
00:44:11,510 --> 00:44:08,560
god this is garbage

958
00:44:13,109 --> 00:44:11,520
some animals have the capability to go

959
00:44:15,270 --> 00:44:13,119
into the wild

960
00:44:17,109 --> 00:44:15,280
to their natural habitat no longer

961
00:44:19,109 --> 00:44:17,119
feeling in captivity by the fact that

962
00:44:22,069 --> 00:44:19,119
you have a physical body

963
00:44:24,470 --> 00:44:22,079

no longer needing to sharpen your claws

964

00:44:26,069 --> 00:44:24,480

on television and other mundane forms of

965

00:44:28,069 --> 00:44:26,079

entertainment

966

00:44:30,470 --> 00:44:28,079

you can still bring that body of yours

967

00:44:31,910 --> 00:44:30,480

outside the box go somewhere new and

968

00:44:36,150 --> 00:44:31,920

exciting

969

00:44:38,150 --> 00:44:36,160

experience the energies of a foreign

970

00:44:39,829 --> 00:44:38,160

shake their hands smell their skin look

971

00:44:41,829 --> 00:44:39,839

into their eyes

972

00:44:44,710 --> 00:44:41,839

and feel something

973

00:44:47,990 --> 00:44:44,720

feel that connection feel that bond

974

00:44:49,829 --> 00:44:48,000

and feel the trust that arise

975

00:44:51,990 --> 00:44:49,839

you can go on this journey in your own

976
00:44:54,790 --> 00:44:52,000
mind and you can travel there

977
00:44:58,230 --> 00:44:54,800
in the physical if you sire

978
00:45:00,150 --> 00:44:58,240
travel where i'm confused already and as

979
00:45:04,230 --> 00:45:00,160
the horn blows

980
00:45:06,309 --> 00:45:04,240
signifying the trumpets of revelation

981
00:45:07,589 --> 00:45:06,319
the revelation of all that is remain

982
00:45:09,990 --> 00:45:07,599
hidden

983
00:45:11,990 --> 00:45:10,000
as the seals are opened

984
00:45:14,550 --> 00:45:12,000
and as the gateway to the entrance to

985
00:45:17,270 --> 00:45:14,560
fourth destiny is made plain yeah this

986
00:45:19,349 --> 00:45:17,280
is nonsense as well because why would an

987
00:45:21,510 --> 00:45:19,359
egyptian god be quoting christian

988
00:45:23,510 --> 00:45:21,520

scriptures here

989

00:45:25,829 --> 00:45:23,520

wouldn't an egyptian god i mean after

990

00:45:27,510 --> 00:45:25,839

all the egyptian the ancient egyptian

991

00:45:28,870 --> 00:45:27,520

religion had nothing to do with

992

00:45:32,069 --> 00:45:28,880

christianity

993

00:45:35,990 --> 00:45:32,079

so why would an egyptian god be speaking

994

00:45:40,390 --> 00:45:38,150

christian mythology wouldn't they have

995

00:45:42,069 --> 00:45:40,400

their own mythology

996

00:45:44,230 --> 00:45:42,079

i would think that they would have their

997

00:45:48,069 --> 00:45:44,240

own mythology and not

998

00:45:50,309 --> 00:45:48,079

be repeating christian mythology right

999

00:45:53,270 --> 00:45:50,319

wouldn't he repeat his own mythology

1000

00:45:54,470 --> 00:45:53,280

like you know he's the sun god and and

1001

00:45:57,190 --> 00:45:54,480

i don't know

1002

00:46:00,230 --> 00:45:57,200

why would he quote jesus you know why

1003

00:46:03,910 --> 00:46:00,240

would he quote the christian bible

1004

00:46:06,309 --> 00:46:03,920

unless david wilcock was too lazy to get

1005

00:46:08,470 --> 00:46:06,319

his channeled god ra to talk like an

1006

00:46:11,829 --> 00:46:08,480

egyptian god actually might talk or

1007

00:46:13,990 --> 00:46:11,839

quote egyptian scriptures and religious

1008

00:46:17,190 --> 00:46:14,000

beliefs so he just threw in some

1009

00:46:21,510 --> 00:46:19,430

almost archetype right yeah the trumpets

1010

00:46:26,790 --> 00:46:21,520

and the seals open that's revelations

1011

00:46:29,990 --> 00:46:29,190

be not afraid of those hungry ghosts

1012

00:46:33,030 --> 00:46:30,000

that

1013

00:46:35,990 --> 00:46:33,040

curl up by the curbside of your road to

1014

00:46:41,430 --> 00:46:38,309

those hungry ghosts that curl up by the

1015

00:46:43,750 --> 00:46:41,440

roadside to enlightenment yeah the dark

1016

00:46:45,670 --> 00:46:43,760

forces try to stop you from reaching

1017

00:46:47,829 --> 00:46:45,680

your full potential

1018

00:46:49,589 --> 00:46:47,839

it sounds like tony robbins again

1019

00:46:52,630 --> 00:46:49,599

faces

1020

00:46:54,550 --> 00:46:52,640

but forward onward and upward

1021

00:46:56,069 --> 00:46:54,560

for there are those you can focus your

1022

00:46:57,829 --> 00:46:56,079

attention on at this time there are

1023

00:46:59,990 --> 00:46:57,839

those who are learning

1024

00:47:01,510 --> 00:47:00,000

and are benefiting from the services you

1025

00:47:03,349 --> 00:47:01,520

give them

1026

00:47:05,270 --> 00:47:03,359

so when you place your service in a

1027

00:47:08,069 --> 00:47:05,280

direction that is

1028

00:47:09,349 --> 00:47:08,079

of benefit to those who are making good

1029

00:47:11,190 --> 00:47:09,359

uses

1030

00:47:13,589 --> 00:47:11,200

and good being determined by the fact

1031

00:47:15,109 --> 00:47:13,599

that they too are growing spiritually

1032

00:47:16,470 --> 00:47:15,119

and you know that you are on the right

1033

00:47:19,190 --> 00:47:16,480

track

1034

00:47:21,190 --> 00:47:19,200

bear in mind that you may also discover

1035

00:47:23,349 --> 00:47:21,200

yourself becoming attached and tethered

1036

00:47:25,270 --> 00:47:23,359

to others who only seek

1037

00:47:27,430 --> 00:47:25,280

to extract from you whatever you will

1038

00:47:30,069 --> 00:47:27,440

give yeah and again i think he's talking

1039

00:47:32,309 --> 00:47:30,079

about himself here you know all those

1040

00:47:34,069 --> 00:47:32,319

negative forces the only one why would

1041

00:47:36,710 --> 00:47:34,079

the egyptian god bro this makes

1042

00:47:39,829 --> 00:47:36,720

absolutely no sense so far we've got not

1043

00:47:41,349 --> 00:47:39,839

one tiny tiny little tidbit of egyptian

1044

00:47:44,150 --> 00:47:41,359

mythology

1045

00:47:46,470 --> 00:47:44,160

right it's it's like thor coming through

1046

00:47:48,950 --> 00:47:46,480

it's like somebody channeling the

1047

00:47:50,870 --> 00:47:48,960

thor the norse god of thunder and the

1048

00:47:52,390 --> 00:47:50,880

norse god of thunder just talking like a

1049

00:47:54,790 --> 00:47:52,400

new age idiot

1050

00:47:57,109 --> 00:47:54,800

it doesn't this does not make any sense

1051
00:48:00,150 --> 00:47:57,119
david wilcock you need to write better

1052
00:48:05,510 --> 00:48:00,160
scripts of this garbage

1053
00:48:09,349 --> 00:48:08,230
and is so doing flip the coin heads or

1054
00:48:11,270 --> 00:48:09,359
tails

1055
00:48:14,549 --> 00:48:11,280
while ringing the games that they

1056
00:48:16,309 --> 00:48:14,559
somehow always end up winning in the end

1057
00:48:19,109 --> 00:48:16,319
there is time to withdraw from a

1058
00:48:21,910 --> 00:48:19,119
situation there is time to pull back

1059
00:48:23,589 --> 00:48:21,920
there's a time to create space

1060
00:48:25,910 --> 00:48:23,599
there's a time to feed yourself

1061
00:48:27,270 --> 00:48:25,920
strawberries to allow yourself time to

1062
00:48:30,950 --> 00:48:27,280
relax

1063
00:48:33,030 --> 00:48:30,960

time to be in a peaceful moment

1064

00:48:34,390 --> 00:48:33,040

oh this is wonderful

1065

00:48:37,430 --> 00:48:34,400

so hey

1066

00:48:39,349 --> 00:48:37,440

don't don't you worry about anything

1067

00:48:42,230 --> 00:48:39,359

going on in your life right

1068

00:48:45,270 --> 00:48:42,240

don't worry about your kids or money or

1069

00:48:46,390 --> 00:48:45,280

your bills or your car that's falling

1070

00:48:47,190 --> 00:48:46,400

apart

1071

00:48:49,430 --> 00:48:47,200

or

1072

00:48:51,750 --> 00:48:49,440

you know your relationships with other

1073

00:48:53,910 --> 00:48:51,760

people that aren't good or your job

1074

00:48:56,150 --> 00:48:53,920

laying you off and firing you or your

1075

00:48:59,270 --> 00:48:56,160

health don't worry about any of that

1076
00:49:00,710 --> 00:48:59,280
just eat some strawberries and relax

1077
00:49:03,589 --> 00:49:00,720
the egyptian

1078
00:49:04,950 --> 00:49:03,599
jesus christ david wilcock this is so

1079
00:49:08,950 --> 00:49:04,960
terrible

1080
00:49:12,150 --> 00:49:08,960
the egyptian god ra is so concerned with

1081
00:49:14,870 --> 00:49:12,160
humanity not worrying and doing better

1082
00:49:17,190 --> 00:49:14,880
that the egyptian god ra

1083
00:49:19,430 --> 00:49:17,200
had to channel himself into david

1084
00:49:21,829 --> 00:49:19,440
wilcock a younger david wilcock but

1085
00:49:24,470 --> 00:49:21,839
still he had to channel himself into a

1086
00:49:27,030 --> 00:49:24,480
younger david wilcock so that he could

1087
00:49:28,470 --> 00:49:27,040
tell us to eat some strawberries and

1088
00:49:34,230 --> 00:49:28,480

relax

1089

00:49:39,510 --> 00:49:36,950

they spend their time possessing psychic

1090

00:49:40,790 --> 00:49:39,520

hosts like david wilcock who's so

1091

00:49:41,510 --> 00:49:40,800

important

1092

00:49:43,910 --> 00:49:41,520

and

1093

00:49:45,270 --> 00:49:43,920

they do it because they wanted they want

1094

00:49:47,589 --> 00:49:45,280

to tell us

1095

00:49:51,510 --> 00:49:47,599

that we have to not worry we have to

1096

00:49:54,069 --> 00:49:51,520

just eat strawberries and relax

1097

00:49:57,109 --> 00:49:54,079

that's why the egyptian god had to

1098

00:49:59,510 --> 00:49:57,119

channel himself into david wilcock to

1099

00:50:02,150 --> 00:49:59,520

bring us this so

1100

00:50:04,710 --> 00:50:02,160

this message is so goddamn important i

1101
00:50:05,990 --> 00:50:04,720
gotta channel myself into david wilcock

1102
00:50:08,230 --> 00:50:06,000
right now

1103
00:50:10,710 --> 00:50:08,240
because all these humans need to know

1104
00:50:13,910 --> 00:50:10,720
that sometimes you just need to eat some

1105
00:50:17,030 --> 00:50:13,920
goddamn strawberries and relax

1106
00:50:20,950 --> 00:50:18,710
life doesn't always offer you those

1107
00:50:22,950 --> 00:50:20,960
opportunities and therefore we suggest

1108
00:50:25,829 --> 00:50:22,960
that you learn to create them

1109
00:50:27,910 --> 00:50:25,839
even if they otherwise would not exist

1110
00:50:30,790 --> 00:50:27,920
but you are the one who chooses to feel

1111
00:50:32,710 --> 00:50:30,800
stress in your day-to-day existence

1112
00:50:34,790 --> 00:50:32,720
you are the one who does not allow the

1113
00:50:36,150 --> 00:50:34,800

natural blossoming of experience to

1114

00:50:39,190 --> 00:50:36,160

unfold

1115

00:50:41,510 --> 00:50:39,200

like a beautiful flower in your hand

1116

00:50:43,990 --> 00:50:41,520

warmed by sun

1117

00:50:46,870 --> 00:50:44,000

and the teardrops of water that sprinkle

1118

00:50:49,030 --> 00:50:46,880

down from the sky

1119

00:50:51,829 --> 00:50:49,040

this is your life

1120

00:50:54,950 --> 00:50:51,839

and you can plunge down to the depths of

1121

00:50:57,030 --> 00:50:54,960

the crystal blue ocean and find that

1122

00:50:59,030 --> 00:50:57,040

pearl of greatest price that is locked

1123

00:51:01,109 --> 00:50:59,040

within your emotional body

1124

00:51:02,870 --> 00:51:01,119

there's a pearl of something

1125

00:51:05,270 --> 00:51:02,880

and it's locked within our emotional

1126
00:51:08,230 --> 00:51:05,280
body and we need to dive down into the

1127
00:51:09,990 --> 00:51:08,240
blue ocean to get the pearl of wisdom

1128
00:51:12,470 --> 00:51:10,000
that's what he was trying to tell

1129
00:51:13,829 --> 00:51:12,480
humanity the egyptian god ra

1130
00:51:16,870 --> 00:51:13,839
that and

1131
00:51:18,790 --> 00:51:16,880
don't worry eat strawberries and relax

1132
00:51:20,309 --> 00:51:18,800
you'd choose to stress yourself you

1133
00:51:22,069 --> 00:51:20,319
could be eating strawberries and

1134
00:51:24,150 --> 00:51:22,079
relaxing

1135
00:51:26,150 --> 00:51:24,160
for my cleansing the emotions by

1136
00:51:28,390 --> 00:51:26,160
realizing how much the emotions are

1137
00:51:30,309 --> 00:51:28,400
attached to the body

1138
00:51:33,589 --> 00:51:30,319

and how much they wish to preserve the

1139

00:51:35,510 --> 00:51:33,599

sanctity and security of the body

1140

00:51:36,870 --> 00:51:35,520

you can allow some of that burden to

1141

00:51:39,990 --> 00:51:36,880

lighten

1142

00:51:42,390 --> 00:51:40,000

realize that you are far more than just

1143

00:51:43,990 --> 00:51:42,400

the ego mind with which you think and

1144

00:51:45,829 --> 00:51:44,000

react

1145

00:51:49,190 --> 00:51:45,839

there are aspects of your being that are

1146

00:51:51,190 --> 00:51:49,200

far greater in their grandiose scope

1147

00:51:52,470 --> 00:51:51,200

and focus than you could ever conceive

1148

00:51:56,230 --> 00:51:52,480

of

1149

00:51:58,630 --> 00:51:56,240

your own higher self

1150

00:52:00,950 --> 00:51:58,640

is many orders of magnitude greater than

1151
00:52:03,990 --> 00:52:00,960
could ever be contained within the

1152
00:52:06,630 --> 00:52:04,000
limited constraints of the human brain

1153
00:52:08,309 --> 00:52:06,640
and yet the fact that you are

1154
00:52:10,950 --> 00:52:08,319
with limitation

1155
00:52:13,190 --> 00:52:10,960
is part of your sacred journey

1156
00:52:15,589 --> 00:52:13,200
at this stage of your development

1157
00:52:18,150 --> 00:52:15,599
you have chosen this body chosen this

1158
00:52:20,470 --> 00:52:18,160
life chosen this incarnation

1159
00:52:22,470 --> 00:52:20,480
to learn lessons

1160
00:52:25,510 --> 00:52:22,480
one of those basic lessons is that you

1161
00:52:27,750 --> 00:52:25,520
do have a world of cause and effect

1162
00:52:30,069 --> 00:52:27,760
that cause and effect principle is not

1163
00:52:32,630 --> 00:52:30,079

some impersonal universal law that has

1164

00:52:35,030 --> 00:52:32,640

no mitigation involved

1165

00:52:37,670 --> 00:52:35,040

it is very carefully balanced out and

1166

00:52:39,990 --> 00:52:37,680

waited out by those who are

1167

00:52:41,829 --> 00:52:40,000

looking at both sides of the story and

1168

00:52:43,910 --> 00:52:41,839

trying to determine

1169

00:52:45,990 --> 00:52:43,920

what is best for you

1170

00:52:47,030 --> 00:52:46,000

there are committees that meet over your

1171

00:52:48,390 --> 00:52:47,040

life

1172

00:52:51,510 --> 00:52:48,400

and discuss

1173

00:52:53,750 --> 00:52:51,520

what paths take next

1174

00:52:55,829 --> 00:52:53,760

so according to the egyptian god ra

1175

00:52:57,430 --> 00:52:55,839

there's a whole committee of spiritual

1176

00:52:59,190 --> 00:52:57,440

entities and they have meetings to

1177

00:53:00,710 --> 00:52:59,200

decide where to take your

1178

00:53:02,230 --> 00:53:00,720

weight but that would mean we don't have

1179

00:53:04,549 --> 00:53:02,240

any free will because the committee

1180

00:53:07,349 --> 00:53:04,559

decides and again this is nonsense you

1181

00:53:09,030 --> 00:53:07,359

are on a path of spiritual awakening

1182

00:53:10,549 --> 00:53:09,040

trust us when we tell you that there are

1183

00:53:11,910 --> 00:53:10,559

board meetings

1184

00:53:19,750 --> 00:53:11,920

there are

1185

00:53:21,589 --> 00:53:19,760

that are hypothetically thought about

1186

00:53:24,470 --> 00:53:21,599

and tossed around before they are

1187

00:53:26,950 --> 00:53:24,480

actually put into practice

1188

00:53:29,190 --> 00:53:26,960

the egyptian god ra is having board

1189

00:53:30,790 --> 00:53:29,200

meetings according to david wilcock why

1190

00:53:32,069 --> 00:53:30,800

would an egyptian god have board

1191

00:53:33,670 --> 00:53:32,079

meetings

1192

00:53:35,510 --> 00:53:33,680

and he says us

1193

00:53:37,910 --> 00:53:35,520

i thought you're channeling one god how

1194

00:53:40,470 --> 00:53:37,920

many gods david wilcock channel in here

1195

00:53:42,950 --> 00:53:40,480

this [h__h] is getting confusing

1196

00:53:44,150 --> 00:53:42,960

in many cases we find the inhibitions of

1197

00:53:46,549 --> 00:53:44,160

fear

1198

00:53:48,150 --> 00:53:46,559

prevent others from going to the places

1199

00:53:49,829 --> 00:53:48,160

and meeting people

1200

00:53:51,430 --> 00:53:49,839

that would quite naturally bring them to

1201
00:53:53,430 --> 00:53:51,440
the next step

1202
00:53:54,630 --> 00:53:53,440
so we encourage you to be fluid and

1203
00:53:56,390 --> 00:53:54,640
mobile

1204
00:53:58,549 --> 00:53:56,400
we encourage you to be open to new

1205
00:53:59,910 --> 00:53:58,559
experiences we encourage you not to fall

1206
00:54:01,990 --> 00:53:59,920
into the

1207
00:54:04,069 --> 00:54:02,000
storied old habit patterns of the way

1208
00:54:05,990 --> 00:54:04,079
things always have been done

1209
00:54:08,470 --> 00:54:06,000
but you always are at a certain point in

1210
00:54:09,589 --> 00:54:08,480
time yeah and again we get to we get

1211
00:54:11,910 --> 00:54:09,599
this

1212
00:54:14,549 --> 00:54:11,920
tony robbins treatment here

1213
00:54:16,150 --> 00:54:14,559

why would the egyptian god ra talk like

1214

00:54:18,630 --> 00:54:16,160

a self-help coach

1215

00:54:20,549 --> 00:54:18,640

right the egyptian god ra

1216

00:54:22,950 --> 00:54:20,559

thought you know what

1217

00:54:25,270 --> 00:54:22,960

humanity's on the wrong path and

1218

00:54:27,589 --> 00:54:25,280

apparently tony robbins

1219

00:54:30,309 --> 00:54:27,599

is not enough to tell them not to fall

1220

00:54:32,549 --> 00:54:30,319

into old negative patterns so i gotta

1221

00:54:33,670 --> 00:54:32,559

channel myself i'm gonna possess david

1222

00:54:35,829 --> 00:54:33,680

wilcock

1223

00:54:38,150 --> 00:54:35,839

that psychic sumbitch

1224

00:54:40,309 --> 00:54:38,160

i'm a possessed the psychic zombies

1225

00:54:42,789 --> 00:54:40,319

david wilcock and i'm gonna make him

1226

00:54:44,789 --> 00:54:42,799

talk like a puppet you know

1227

00:54:47,030 --> 00:54:44,799

like sticking your hand up david wilcox

1228

00:54:49,670 --> 00:54:47,040

hey oh man that just brought up really

1229

00:54:51,430 --> 00:54:49,680

bad imagery but still

1230

00:54:53,510 --> 00:54:51,440

i'm the egyptian god ross i'm gonna put

1231

00:54:56,150 --> 00:54:53,520

my hand up david wilcox butt and make

1232

00:54:58,710 --> 00:54:56,160

him talk but it's me talking not david

1233

00:54:59,910 --> 00:54:58,720

wilcock because i i possess this psychic

1234

00:55:02,390 --> 00:54:59,920

song [h__h]

1235

00:55:05,190 --> 00:55:02,400

and now i'm gonna talk just like tony

1236

00:55:07,589 --> 00:55:05,200

robbins and tell humanity

1237

00:55:10,069 --> 00:55:07,599

not to fall into old negative patterns

1238

00:55:12,309 --> 00:55:10,079

of bad behavior just like tony robbins

1239

00:55:14,549 --> 00:55:12,319

tells people not to do because this

1240

00:55:17,109 --> 00:55:14,559

makes all kinds of sense

1241

00:55:19,589 --> 00:55:17,990

i'm

1242

00:55:22,150 --> 00:55:19,599

at a certain day

1243

00:55:24,470 --> 00:55:22,160

in a certain place

1244

00:55:26,870 --> 00:55:24,480

it's okay to add random acts of

1245

00:55:28,390 --> 00:55:26,880

unexpected twists to the storyline of

1246

00:55:30,150 --> 00:55:28,400

your life

1247

00:55:32,390 --> 00:55:30,160

it's okay to do something totally

1248

00:55:35,829 --> 00:55:32,400

different

1249

00:55:37,270 --> 00:55:35,839

it's okay to take a dinner an ordinary

1250

00:55:39,910 --> 00:55:37,280

event

1251
00:55:42,230 --> 00:55:39,920
and just get up and go get into the car

1252
00:55:44,309 --> 00:55:42,240
go somewhere do something totally

1253
00:55:46,470 --> 00:55:44,319
unexpected

1254
00:55:49,190 --> 00:55:46,480
spontaneity can be a wonderful thing in

1255
00:55:50,950 --> 00:55:49,200
life it can be a wonderful experience

1256
00:55:53,670 --> 00:55:50,960
to allow that feeling of being on

1257
00:55:56,309 --> 00:55:53,680
vacation to carry with you

1258
00:55:58,950 --> 00:55:56,319
because in reality we expect nothing

1259
00:56:01,349 --> 00:55:58,960
apparently the egyptian god ra

1260
00:56:03,349 --> 00:56:01,359
also wants us to enjoy life and feel

1261
00:56:06,150 --> 00:56:03,359
like we're on vacation

1262
00:56:08,950 --> 00:56:06,160
because this makes total sense right be

1263
00:56:11,990 --> 00:56:08,960

spontaneous feel like you're on vacation

1264

00:56:14,069 --> 00:56:12,000

allow yourself to have some fun

1265

00:56:15,990 --> 00:56:14,079

the egyptian god rosetta was so concerned

1266

00:56:18,630 --> 00:56:16,000

with the human race not having enough

1267

00:56:20,710 --> 00:56:18,640

vacations or spontaneity or having

1268

00:56:23,190 --> 00:56:20,720

enough fun that he had to channel

1269

00:56:25,030 --> 00:56:23,200

himself through the the world's worst

1270

00:56:26,950 --> 00:56:25,040

psychic david wilcock to tell us all

1271

00:56:28,390 --> 00:56:26,960

about it nothing less than the best for

1272

00:56:30,710 --> 00:56:28,400

you

1273

00:56:33,190 --> 00:56:30,720

and every day every moment of every day

1274

00:56:38,710 --> 00:56:33,200

is a vacation

1275

00:56:42,630 --> 00:56:40,710

you have always been one

1276

00:56:45,109 --> 00:56:42,640

there is no boundary distinction between

1277

00:56:47,670 --> 00:56:45,119

yourself and the others around you

1278

00:56:50,309 --> 00:56:47,680

you are whole and you are pure

1279

00:56:52,230 --> 00:56:50,319

and you are complete in this moment

1280

00:56:55,109 --> 00:56:52,240

that is the greater truth

1281

00:56:57,270 --> 00:56:55,119

that eviscerates those who do not choose

1282

00:56:59,430 --> 00:56:57,280

to be honest with themselves

1283

00:57:00,549 --> 00:56:59,440

you can also become your greatest asset

1284

00:57:03,030 --> 00:57:00,559

and ally

1285

00:57:05,589 --> 00:57:03,040

under the proper circumstances

1286

00:57:07,030 --> 00:57:05,599

and that propriety is determined by your

1287

00:57:09,190 --> 00:57:07,040

own ability

1288

00:57:12,789 --> 00:57:09,200

to step beyond

1289

00:57:14,230 --> 00:57:12,799

the blockages of the emotional body

1290

00:57:16,549 --> 00:57:14,240

which come up

1291

00:57:18,789 --> 00:57:16,559

by the reactions that you choose to have

1292

00:57:20,950 --> 00:57:18,799

to the events in your life

1293

00:57:23,589 --> 00:57:20,960

you choose to feel hurt you choose to

1294

00:57:25,510 --> 00:57:23,599

feel guilty you choose to feel fear you

1295

00:57:28,630 --> 00:57:25,520

choose to feel betrayed

1296

00:57:31,589 --> 00:57:28,640

you choose to feel anger and rage

1297

00:57:33,910 --> 00:57:31,599

these emotions do not need to happen

1298

00:57:36,549 --> 00:57:33,920

they are the manifestations of your ego

1299

00:57:39,670 --> 00:57:36,559

and is a state of imbalance

1300

00:57:42,470 --> 00:57:39,680

imagine the ego of a man who's going to

1301
00:57:43,990 --> 00:57:42,480
talk about people having big egos while

1302
00:57:45,670 --> 00:57:44,000
he's channeling

1303
00:57:48,390 --> 00:57:45,680
an egyptian god

1304
00:57:51,910 --> 00:57:48,400
right it's all it's the ego that's your

1305
00:57:53,990 --> 00:57:51,920
problem your problem is your ego right

1306
00:57:56,150 --> 00:57:54,000
maybe just maybe there's a couple of

1307
00:57:58,789 --> 00:57:56,160
freudian slips in here and his own

1308
00:58:00,549 --> 00:57:58,799
subconscious is doing this

1309
00:58:03,190 --> 00:58:00,559
is saying this [h__\h] and not some

1310
00:58:04,789 --> 00:58:03,200
egyptian god

1311
00:58:06,630 --> 00:58:04,799
and that state of imbalance can be

1312
00:58:08,789 --> 00:58:06,640
created by a variety of different

1313
00:58:11,030 --> 00:58:08,799

factors that all coalesce together to

1314

00:58:13,190 --> 00:58:11,040

make you who you are

1315

00:58:15,430 --> 00:58:13,200

it's okay to be confused it's okay to

1316

00:58:17,190 --> 00:58:15,440

embrace your distortions

1317

00:58:19,270 --> 00:58:17,200

and once you become aware of what those

1318

00:58:21,349 --> 00:58:19,280

distortions are honoring the fact that

1319

00:58:23,670 --> 00:58:21,359

this is your sacred quest

1320

00:58:26,230 --> 00:58:23,680

this is your sacred path

1321

00:58:28,870 --> 00:58:26,240

you can also learn to step beyond them

1322

00:58:31,829 --> 00:58:28,880

you can learn to see a bigger picture

1323

00:58:34,230 --> 00:58:31,839

to move outside the limited definition

1324

00:58:36,950 --> 00:58:34,240

of the fisheye lens of life that once

1325

00:58:38,549 --> 00:58:36,960

seemed to be so all-encompassing

1326
00:58:41,109 --> 00:58:38,559
to realize that it is only but a

1327
00:58:43,270 --> 00:58:41,119
peephole in the doorway

1328
00:58:45,670 --> 00:58:43,280
the door is now opening

1329
00:58:47,109 --> 00:58:45,680
as it opens

1330
00:58:49,589 --> 00:58:47,119
forth upon

1331
00:58:51,750 --> 00:58:49,599
oh love and light there's bangs of light

1332
00:58:53,910 --> 00:58:51,760
shining forth upon you

1333
00:58:56,309 --> 00:58:53,920
where did we hear this stuff before oh

1334
00:58:59,430 --> 00:58:56,319
at every new age nonsense conference

1335
00:59:00,710 --> 00:58:59,440
that since new age nonsense conferences

1336
00:59:03,030 --> 00:59:00,720
started

1337
00:59:04,710 --> 00:59:03,040
filling you with radiant peace

1338
00:59:08,150 --> 00:59:04,720

and happiness

1339

00:59:10,870 --> 00:59:08,160

reminding you of all that you are

1340

00:59:13,829 --> 00:59:10,880

because you are truly loved more than

1341

00:59:16,230 --> 00:59:13,839

you could ever possibly imagine

1342

00:59:19,270 --> 00:59:16,240

your divine grace and splendor is

1343

00:59:20,150 --> 00:59:19,280

unchallenged to us and again this this

1344

00:59:22,950 --> 00:59:20,160

whole

1345

00:59:25,589 --> 00:59:22,960

goblet nonsense is specifically designed

1346

00:59:28,230 --> 00:59:25,599

for people that are in uh

1347

00:59:30,630 --> 00:59:28,240

let's just say emotional or

1348

00:59:32,950 --> 00:59:30,640

psychological distress people that feel

1349

00:59:36,710 --> 00:59:32,960

hopeless and unloved oh no

1350

00:59:39,510 --> 00:59:36,720

you are more loved than you know

1351

00:59:42,710 --> 00:59:39,520

we feel nothing but peace and warmth and

1352

00:59:44,630 --> 00:59:42,720

love and acceptance of you

1353

00:59:46,789 --> 00:59:44,640

and it is so difficult for us to truly

1354

00:59:48,069 --> 00:59:46,799

express that when there's so much chaos

1355

00:59:49,829 --> 00:59:48,079

and turmoil

1356

00:59:51,750 --> 00:59:49,839

and his ease

1357

00:59:54,069 --> 00:59:51,760

upon your planet

1358

00:59:56,549 --> 00:59:54,079

it is not easy for us

1359

00:59:59,030 --> 00:59:56,559

so because there's so much distress and

1360

01:00:01,030 --> 00:59:59,040

turmoil on our planet the gods are

1361

01:00:02,470 --> 01:00:01,040

finding it hard to express their love

1362

01:00:04,549 --> 01:00:02,480

for us

1363

01:00:06,390 --> 01:00:04,559

well this is another nonsensical

1364

01:00:08,870 --> 01:00:06,400

statement because he's channeling

1365

01:00:10,710 --> 01:00:08,880

through a human okay just

1366

01:00:11,670 --> 01:00:10,720

have david wilcock tell us that all the

1367

01:00:14,390 --> 01:00:11,680

gods

1368

01:00:16,549 --> 01:00:14,400

love you but you just did so why is it

1369

01:00:18,549 --> 01:00:16,559

so difficult because you just did it

1370

01:00:20,549 --> 01:00:18,559

this none of this makes any sense don't

1371

01:00:22,870 --> 01:00:20,559

try to make sense of this [h__h] this is

1372

01:00:25,829 --> 01:00:22,880

garbage

1373

01:00:28,549 --> 01:00:25,839

to convey to you the full scope

1374

01:00:35,430 --> 01:00:28,559

to which you are being served and guided

1375

01:00:38,710 --> 01:00:37,190

certainly you can look at your life and

1376

01:00:40,069 --> 01:00:38,720

see events that happen that are

1377

01:00:42,710 --> 01:00:40,079

unpleasant

1378

01:00:44,630 --> 01:00:42,720

and recognize this law of karma that at

1379

01:00:47,270 --> 01:00:44,640

times brings those challenging events

1380

01:00:49,349 --> 01:00:47,280

into your life only does so

1381

01:00:51,750 --> 01:00:49,359

in its attempts to bring you back into

1382

01:00:52,789 --> 01:00:51,760

balance once more

1383

01:00:54,950 --> 01:00:52,799

again

1384

01:00:57,430 --> 01:00:54,960

the law of karma would be eastern

1385

01:00:58,710 --> 01:00:57,440

philosophy not ancient egyptian

1386

01:01:00,950 --> 01:00:58,720

philosophy

1387

01:01:03,270 --> 01:01:00,960

not sure what the egyptians thought on

1388

01:01:05,109 --> 01:01:03,280

the so-called law of karma but why would

1389

01:01:07,510 --> 01:01:05,119

an egyptian god be

1390

01:01:09,910 --> 01:01:07,520

speaking about eastern beliefs and

1391

01:01:11,910 --> 01:01:09,920

philosophies or buddhist beliefs and

1392

01:01:13,510 --> 01:01:11,920

philosophies this is this is their

1393

01:01:16,309 --> 01:01:13,520

buddhist god

1394

01:01:18,230 --> 01:01:16,319

david wilcock you gotta work harder this

1395

01:01:21,430 --> 01:01:18,240

you should have looked up some egyptian

1396

01:01:24,069 --> 01:01:21,440

stuff you said so far david wilcock has

1397

01:01:26,230 --> 01:01:24,079

the egyptian god ra talking about jesus

1398

01:01:29,190 --> 01:01:26,240

and the bible and revelations and the

1399

01:01:31,910 --> 01:01:29,200

trumpets and the seals now he's got the

1400

01:01:34,789 --> 01:01:31,920

egyptian god ra talking about karma and

1401
01:01:37,510 --> 01:01:34,799
[h__\h] from eastern religions this is

1402
01:01:38,870 --> 01:01:37,520
this is terrible fanfiction david

1403
01:01:41,829 --> 01:01:38,880
wilcock

1404
01:01:43,910 --> 01:01:41,839
this is terrible

1405
01:01:47,589 --> 01:01:43,920
why would the egyptian god ra

1406
01:01:50,470 --> 01:01:47,599
be quoting christian bible or quoting

1407
01:01:53,670 --> 01:01:50,480
buddhist beliefs and philosophies

1408
01:01:56,230 --> 01:01:53,680
when he's got his own beliefs that

1409
01:01:58,950 --> 01:01:56,240
they had their own culture david wilcock

1410
01:02:01,910 --> 01:01:58,960
did you not even look anything up

1411
01:02:04,870 --> 01:02:01,920
right there are egyptian beliefs about

1412
01:02:07,750 --> 01:02:04,880
life after death and what happens to us

1413
01:02:10,549 --> 01:02:07,760

and so far the egyptian god ra hasn't

1414

01:02:12,549 --> 01:02:10,559

said any of that stuff he's too busy

1415

01:02:14,150 --> 01:02:12,559

telling us about the bible and jesus

1416

01:02:16,789 --> 01:02:14,160

prophecies

1417

01:02:25,589 --> 01:02:16,799

and the book of revelations and buddhist

1418

01:02:29,910 --> 01:02:27,910

of that remembrance of your true

1419

01:02:33,270 --> 01:02:29,920

identity

1420

01:02:36,549 --> 01:02:33,280

so in balance you remember who you are

1421

01:02:39,430 --> 01:02:36,559

and that memory is a glorious gift

1422

01:02:40,789 --> 01:02:39,440

that many souls lost in depravity upon

1423

01:02:43,910 --> 01:02:40,799

your planet

1424

01:02:46,069 --> 01:02:43,920

can only attempt to throw money out

1425

01:02:48,710 --> 01:02:46,079

sometimes lots and lots and lots of

1426

01:02:51,109 --> 01:02:48,720

money okay so we've got to be in balance

1427

01:02:53,589 --> 01:02:51,119

to find our true selves what does that

1428

01:02:55,270 --> 01:02:53,599

mean we've got to be in balance to find

1429

01:02:57,990 --> 01:02:55,280

our true selves

1430

01:03:01,510 --> 01:02:58,000

again the people who channel throw out

1431

01:03:04,150 --> 01:03:01,520

really vague nonsense so that it it will

1432

01:03:05,670 --> 01:03:04,160

resonate with some people like maybe

1433

01:03:07,190 --> 01:03:05,680

some people are feeling a little off

1434

01:03:09,829 --> 01:03:07,200

balance maybe too many negative

1435

01:03:11,589 --> 01:03:09,839

influences in their life right and they

1436

01:03:13,750 --> 01:03:11,599

got to get back into balance and then

1437

01:03:16,390 --> 01:03:13,760

they hear david wilcock claiming the

1438

01:03:18,630 --> 01:03:16,400

channel the egyptian god ra saying the

1439

01:03:20,870 --> 01:03:18,640

same thing they're thinking oh yeah this

1440

01:03:23,750 --> 01:03:20,880

makes so this resonates with me this

1441

01:03:26,309 --> 01:03:23,760

really this teaching of david wilcox it

1442

01:03:28,549 --> 01:03:26,319

really resonates with me right now

1443

01:03:31,190 --> 01:03:28,559

wait throw enough nonsense against the

1444

01:03:33,349 --> 01:03:31,200

wall right throw enough

1445

01:03:34,549 --> 01:03:33,359

throw enough stuff something's going to

1446

01:03:37,270 --> 01:03:34,559

stick

1447

01:03:39,510 --> 01:03:37,280

this is a lot like uh cold reading but

1448

01:03:41,990 --> 01:03:39,520

in a much different way inner attempts

1449

01:03:44,309 --> 01:03:42,000

to buy their way into the happiness that

1450

01:03:46,309 --> 01:03:44,319

seems to be so spontaneous and natural

1451

01:03:48,390 --> 01:03:46,319

to others

1452

01:03:50,309 --> 01:03:48,400

it is all too common for you to look

1453

01:03:52,150 --> 01:03:50,319

upon certain people who seem to have a

1454

01:03:53,750 --> 01:03:52,160

good life on earth

1455

01:03:56,069 --> 01:03:53,760

and imagine for a moment what it would

1456

01:03:59,750 --> 01:03:56,079

be like if you were in their shoes

1457

01:04:02,069 --> 01:03:59,760

think how much better your life might be

1458

01:04:05,109 --> 01:04:02,079

yet your own statisticians have shown

1459

01:04:08,950 --> 01:04:06,710

that the excess

1460

01:04:10,789 --> 01:04:08,960

of profits

1461

01:04:21,190 --> 01:04:10,799

the excess of money

1462

01:04:25,190 --> 01:04:23,829

and this is another interesting point

1463

01:04:27,109 --> 01:04:25,200

because

1464

01:04:29,430 --> 01:04:27,119

apparently david wilcock is channeling

1465

01:04:31,910 --> 01:04:29,440

the egyptian god ra and this is many

1466

01:04:34,230 --> 01:04:31,920

years ago telling everybody don't worry

1467

01:04:35,829 --> 01:04:34,240

about money and don't pursue money

1468

01:04:37,829 --> 01:04:35,839

because money is not going to bring you

1469

01:04:40,230 --> 01:04:37,839

happiness and it's going to bring you

1470

01:04:42,390 --> 01:04:40,240

down the relentless pursuit of money and

1471

01:04:44,789 --> 01:04:42,400

financial things and

1472

01:04:48,549 --> 01:04:44,799

you know

1473

01:04:50,549 --> 01:04:48,559

i suppose worldly pleasures right

1474

01:04:52,309 --> 01:04:50,559

money you don't need money money's not

1475

01:04:55,230 --> 01:04:52,319

going to bring bring you happiness then

1476

01:04:57,589 --> 01:04:55,240

why is david wilcock selling crap for

1477

01:05:00,069 --> 01:04:57,599

333 dollars

1478

01:05:02,390 --> 01:05:00,079

if he doesn't need money to be happy if

1479

01:05:04,309 --> 01:05:02,400

he doesn't want money to be happy so

1480

01:05:06,069 --> 01:05:04,319

it's very clear that david wilcock

1481

01:05:08,309 --> 01:05:06,079

doesn't even follow his own crappy

1482

01:05:10,710 --> 01:05:08,319

teachings because if he did he'd be

1483

01:05:12,069 --> 01:05:10,720

giving this crap away because money

1484

01:05:14,150 --> 01:05:12,079

isn't going to make him happy and it's

1485

01:05:16,630 --> 01:05:14,160

only going to bring him down but here we

1486

01:05:19,029 --> 01:05:16,640

get to the hypocrisy of david wilcock

1487

01:05:20,390 --> 01:05:19,039

telling people as the egyptian god ra

1488

01:05:22,390 --> 01:05:20,400

don't worry about money it's only going

1489

01:05:24,710 --> 01:05:22,400

to bring you down while he's begging

1490

01:05:26,150 --> 01:05:24,720

everybody for money constantly it's

1491

01:05:30,390 --> 01:05:26,160

awesome

1492

01:05:32,630 --> 01:05:30,400

as we just say on the what is my purpose

1493

01:05:34,870 --> 01:05:32,640

one of david's clients

1494

01:05:36,549 --> 01:05:34,880

was in a trailer park

1495

01:05:38,309 --> 01:05:36,559

and on the same day he had another

1496

01:05:39,910 --> 01:05:38,319

client who had

1497

01:05:41,670 --> 01:05:39,920

a mission

1498

01:05:43,510 --> 01:05:41,680

it was very difficult to tell the two

1499

01:05:44,789 --> 01:05:43,520

apart because their

1500

01:05:46,470 --> 01:05:44,799

mindset

1501

01:05:55,589 --> 01:05:46,480

and their issues and their struggles

1502

01:06:00,950 --> 01:05:58,390

so the egyptian god ra is very concerned

1503

01:06:03,109 --> 01:06:00,960

about two of david wilcox psychic

1504

01:06:05,430 --> 01:06:03,119

reading clients right because that makes

1505

01:06:07,270 --> 01:06:05,440

total sense an egyptian god ra he's not

1506

01:06:09,750 --> 01:06:07,280

busy at all he's got all the time in the

1507

01:06:10,870 --> 01:06:09,760

world to keep up with david wilcox

1508

01:06:15,029 --> 01:06:10,880

clients

1509

01:06:17,750 --> 01:06:15,039

that he's given fake psychic readings to

1510

01:06:19,510 --> 01:06:17,760

as each person finds themselves

1511

01:06:20,950 --> 01:06:19,520

at the state that they need to be and

1512

01:06:22,710 --> 01:06:20,960

for that level of their learning

1513

01:06:25,829 --> 01:06:22,720

curriculum

1514

01:06:27,270 --> 01:06:25,839

it is okay to have desires it is okay to

1515

01:06:29,430 --> 01:06:27,280

seek something

1516

01:06:30,870 --> 01:06:29,440

it is okay to pursue

1517

01:06:32,549 --> 01:06:30,880

ways in which you can be more

1518

01:06:34,069 --> 01:06:32,559

comfortable

1519

01:06:35,990 --> 01:06:34,079

providing of course

1520

01:06:37,029 --> 01:06:36,000

that if you desire to be on the positive

1521

01:06:38,789 --> 01:06:37,039

path

1522

01:06:41,510 --> 01:06:38,799

you bear in mind

1523

01:06:44,230 --> 01:06:41,520

that these efforts can always be

1524

01:06:46,549 --> 01:06:44,240

adjusted in such a means

1525

01:06:49,270 --> 01:06:46,559

as to figure out time and again how you

1526

01:06:52,549 --> 01:06:49,280

may better be of service to others oh

1527

01:06:54,470 --> 01:06:52,559

there we have it the law of one be more

1528

01:06:55,589 --> 01:06:54,480

of service to others than service to

1529

01:06:57,990 --> 01:06:55,599

self

1530

01:07:00,789 --> 01:06:58,000

well at least he's finally connected

1531

01:07:03,270 --> 01:07:00,799

something we're up to 18 minutes in and

1532

01:07:05,190 --> 01:07:03,280

that's the first thing he said that

1533

01:07:07,990 --> 01:07:05,200

actually agrees with the law of one

1534

01:07:13,430 --> 01:07:08,000

material i suppose

1535

01:07:18,390 --> 01:07:15,270

of the yeah principles

1536

01:07:21,270 --> 01:07:18,400

that you teach and his vows to others

1537

01:07:23,589 --> 01:07:21,280

this is not a time of failure and regret

1538

01:07:25,109 --> 01:07:23,599

but a time of opening the eyes the

1539

01:07:27,270 --> 01:07:25,119

newness

1540

01:07:30,230 --> 01:07:27,280

of the wonder

1541

01:07:32,549 --> 01:07:30,240

if this earth will become

1542

01:07:34,470 --> 01:07:32,559

for when this shift to force density

1543

01:07:37,190 --> 01:07:34,480

that is so well anticipated and

1544

01:07:39,670 --> 01:07:37,200

prophesied actually happens

1545

01:07:41,670 --> 01:07:39,680

you do not leave the earth

1546

01:07:43,349 --> 01:07:41,680

the earth does not become uninhabitable

1547

01:07:45,750 --> 01:07:43,359

by any means

1548

01:07:47,270 --> 01:07:45,760

the earth becomes activated for life in

1549

01:07:50,470 --> 01:07:47,280

fourth density

1550

01:07:54,069 --> 01:07:50,480

this is directly contradictory to his

1551

01:07:56,069 --> 01:07:54,079

later 2012 garbage gobbledygook nonsense

1552

01:07:58,549 --> 01:07:56,079

where we're all supposed to ascend to

1553

01:08:00,950 --> 01:07:58,559

the fourth density and get superpowers

1554

01:08:03,670 --> 01:08:00,960

this may be an earlier incarnation of

1555

01:08:06,950 --> 01:08:03,680

that bs garbage story that he came up

1556

01:08:09,990 --> 01:08:06,960

with later or pulled out and changed and

1557

01:08:12,630 --> 01:08:10,000

tweaked slightly right it's so funny

1558

01:08:15,190 --> 01:08:12,640

that the egyptian god ra contradicts

1559

01:08:17,189 --> 01:08:15,200

david wilcock from you know a few years

1560

01:08:20,149 --> 01:08:17,199

later when he was selling the 2012

1561

01:08:23,269 --> 01:08:20,159

prophecy garbage for years

1562

01:08:25,269 --> 01:08:23,279

a life that is easily 100 times more

1563

01:08:27,990 --> 01:08:25,279

harmonious than your life

1564

01:08:30,950 --> 01:08:28,000

on earth now could ever be

1565

01:08:33,669 --> 01:08:30,960

the planet itself is transformed

1566

01:08:35,990 --> 01:08:33,679

becomes new becomes whole in a way that

1567

01:08:45,030 --> 01:08:36,000

never before has understood

1568

01:08:49,269 --> 01:08:47,030

the whole earth is awakening it's not

1569

01:08:52,630 --> 01:08:49,279

just the rest of the human race

1570

01:08:55,269 --> 01:08:52,640

the whole earth is awakening and again

1571

01:08:57,510 --> 01:08:55,279

oh uh this new world that we're going to

1572

01:08:59,430 --> 01:08:57,520

enter into very soon it's going to be a

1573

01:09:02,070 --> 01:08:59,440

hundred times better than your current

1574

01:09:03,189 --> 01:09:02,080

life of course again opium for the

1575

01:09:05,269 --> 01:09:03,199

hopeless

1576

01:09:06,870 --> 01:09:05,279

all these people who are distraught

1577

01:09:09,430 --> 01:09:06,880

psychologically

1578

01:09:11,349 --> 01:09:09,440

you know uh damaged

1579

01:09:12,550 --> 01:09:11,359

maybe suffering from mental illness or

1580

01:09:15,430 --> 01:09:12,560

depressed

1581

01:09:17,749 --> 01:09:15,440

hating their lives this is opium

1582

01:09:20,309 --> 01:09:17,759

nonsense don't worry about your shitty

1583

01:09:21,910 --> 01:09:20,319

life because pretty soon the whole

1584

01:09:23,910 --> 01:09:21,920

world's going to change we're all going

1585

01:09:25,430 --> 01:09:23,920

to ascend in the fourth dynasty and your

1586

01:09:27,749 --> 01:09:25,440

life's going to be a hundred times

1587

01:09:29,189 --> 01:09:27,759

better buy my cd

1588

01:09:31,990 --> 01:09:29,199

buy my book

1589

01:09:38,789 --> 01:09:34,550

some ways of the earth like a person it

1590

01:09:40,709 --> 01:09:38,799

has feelings it has fears it has doubts

1591

01:09:43,189 --> 01:09:40,719

but unlike each human being it's on a

1592

01:09:44,709 --> 01:09:43,199

set linearized curriculum

1593

01:09:46,630 --> 01:09:44,719

of evolution

1594

01:09:48,510 --> 01:09:46,640

whereas graduation day is known

1595

01:09:50,709 --> 01:09:48,520

precisely in advance

1596

01:09:52,550 --> 01:09:50,719

graduation very

1597

01:09:54,709 --> 01:09:52,560

accurately

1598

01:09:56,470 --> 01:09:54,719

the earth moves through its growth pains

1599

01:09:59,910 --> 01:09:56,480

and many of you will find yourselves

1600

01:10:05,320 --> 01:09:59,920

tuning into his energies

1601
01:10:05,330 --> 01:10:15,270

[Music]

1602
01:10:20,070 --> 01:10:17,910
this sentient being that loves you

1603
01:10:21,990 --> 01:10:20,080
and it provides you with

1604
01:10:24,870 --> 01:10:22,000
fertile soil

1605
01:10:27,669 --> 01:10:24,880
with vegetables and fruits

1606
01:10:30,790 --> 01:10:27,679
with the animals of the field

1607
01:10:32,390 --> 01:10:30,800
eat the fish of the sea the birds of the

1608
01:10:35,189 --> 01:10:32,400
sky

1609
01:10:38,470 --> 01:10:35,199
and all the plentiful boundaries

1610
01:10:40,709 --> 01:10:38,480
that is the first ride of each person

1611
01:10:43,189 --> 01:10:40,719
comes here to be able to share in this

1612
01:10:46,550 --> 01:10:43,199
natural abundance

1613
01:10:49,189 --> 01:10:46,560

as you've seen in your sojourns on earth

1614

01:10:51,830 --> 01:10:49,199

it is a beautiful place

1615

01:10:53,590 --> 01:10:51,840

with emerald green forests again with

1616

01:10:55,669 --> 01:10:53,600

the emerald green forest you already

1617

01:10:56,790 --> 01:10:55,679

said that david wilcock

1618

01:10:58,390 --> 01:10:56,800

we're gonna get out of our shitty

1619

01:11:00,630 --> 01:10:58,400

cubicles we're gonna stop eating out of

1620

01:11:03,270 --> 01:11:00,640

boxes we're gonna stop watching boxes

1621

01:11:05,510 --> 01:11:03,280

living in boxes the world is a box it's

1622

01:11:09,030 --> 01:11:05,520

terrible your life sucks we're all gonna

1623

01:11:11,830 --> 01:11:09,040

go in the emerald green forests

1624

01:11:11,840 --> 01:11:16,229

oh we're gonna have mountains too

1625

01:11:16,239 --> 01:11:19,830

little crabs

1626

01:11:24,470 --> 01:11:21,669

we're gonna get wait a minute i don't

1627

01:11:26,229 --> 01:11:24,480

like this we're all gonna get crabs

1628

01:11:28,390 --> 01:11:26,239

the egyptian god ross said we're all

1629

01:11:30,070 --> 01:11:28,400

going to get little crabs

1630

01:11:32,229 --> 01:11:30,080

that's usually not a good thing david

1631

01:11:37,189 --> 01:11:32,239

wilcock getting crabs is not a good

1632

01:11:42,470 --> 01:11:41,270

tall gigantic trees

1633

01:11:45,590 --> 01:11:42,480

beautiful

1634

01:11:46,709 --> 01:11:45,600

adirondack forests

1635

01:11:49,750 --> 01:11:46,719

rolling

1636

01:11:49,760 --> 01:11:59,910

and also at times thrusting mountains

1637

01:12:02,630 --> 01:12:01,430

itself

1638

01:12:04,470 --> 01:12:02,640

there are areas where there are

1639

01:12:06,830 --> 01:12:04,480

hurricanes there are areas where there

1640

01:12:11,350 --> 01:12:06,840

are typhoons

1641

01:12:13,590 --> 01:12:11,360

mudslides volcanoes etc

1642

01:12:15,830 --> 01:12:13,600

but these areas are not simply defined

1643

01:12:17,910 --> 01:12:15,840

by what goes wrong in them

1644

01:12:22,390 --> 01:12:17,920

they are defined by the activity and the

1645

01:12:27,430 --> 01:12:25,030

oh god i guess he's describing the the

1646

01:12:28,790 --> 01:12:27,440

coming apocalypse that's coming soon

1647

01:12:30,390 --> 01:12:28,800

because everybody was thinking about

1648

01:12:34,229 --> 01:12:30,400

that at the time of this recording

1649

01:12:36,470 --> 01:12:34,239

imagine yourself now smiling with this

1650

01:12:39,270 --> 01:12:36,480

because it smiles at you

1651

01:12:41,669 --> 01:12:39,280

it feels you as you walk upon its

1652

01:12:43,590 --> 01:12:41,679

surfaces

1653

01:12:46,630 --> 01:12:43,600

it is with you

1654

01:12:48,310 --> 01:12:46,640

it thinks with you it feels with you

1655

01:12:52,790 --> 01:12:48,320

wherever you go you are intimately

1656

01:12:56,709 --> 01:12:54,550

by working through your own issues in

1657

01:12:58,790 --> 01:12:56,719

your own life

1658

01:13:00,470 --> 01:12:58,800

sometimes you may have these grandiose

1659

01:13:05,270 --> 01:13:00,480

goals for yourself and things that you

1660

01:13:06,790 --> 01:13:05,280

cannot accept yourself as you are unless

1661

01:13:09,189 --> 01:13:06,800

david wilcox talking about having

1662

01:13:11,910 --> 01:13:09,199

grandiose goals for himself as he's

1663

01:13:12,630 --> 01:13:11,920

channeling an egyptian god

1664

01:13:14,950 --> 01:13:12,640

if

1665

01:13:17,110 --> 01:13:14,960

he could he could like mark that off his

1666

01:13:19,270 --> 01:13:17,120

list of grandiose goals channel the

1667

01:13:20,870 --> 01:13:19,280

encrypt things to do

1668

01:13:24,070 --> 01:13:20,880

before i die

1669

01:13:26,870 --> 01:13:24,080

uh channel the egyptian god ra yeah i

1670

01:13:27,750 --> 01:13:26,880

would think that would be a grandiose uh

1671

01:13:29,590 --> 01:13:27,760

goal

1672

01:13:30,830 --> 01:13:29,600

so david wilcock can scratch that one

1673

01:13:33,669 --> 01:13:30,840

off this is

1674

01:13:35,030 --> 01:13:33,679

him channeling an egyptian god

1675

01:13:37,590 --> 01:13:35,040

and apparently

1676

01:13:39,430 --> 01:13:37,600

we're 22 minutes and 25 seconds in and

1677

01:13:42,470 --> 01:13:39,440

the egyptian god ra hasn't had much to

1678

01:13:45,430 --> 01:13:42,480

say except love yourself life sucks

1679

01:13:47,350 --> 01:13:45,440

relax and eat some strawberries and uh

1680

01:13:51,270 --> 01:13:47,360

ascension is coming and we're all gonna

1681

01:13:53,590 --> 01:13:51,280

go live in the emerald forests right

1682

01:13:56,229 --> 01:13:53,600

in a certain linear order

1683

01:13:58,229 --> 01:13:56,239

if this is only a partial truth

1684

01:14:02,070 --> 01:13:58,239

for outside of all your ambitions and

1685

01:14:06,229 --> 01:14:03,590

lofty goals

1686

01:14:09,189 --> 01:14:06,239

yeah like channeling an egyptian god

1687

01:14:12,870 --> 01:14:09,199

david wilcock that's that's a lofty goal

1688

01:14:15,590 --> 01:14:12,880

he's gonna sit here and and like counsel

1689

01:14:18,149 --> 01:14:15,600

and uh you know

1690

01:14:20,310 --> 01:14:18,159

talk to people who have

1691

01:14:23,189 --> 01:14:20,320

goals that are too lofty

1692

01:14:25,430 --> 01:14:23,199

while he's channeling an egyptian god

1693

01:14:27,510 --> 01:14:25,440

he's going to talk down the people that

1694

01:14:27,830 --> 01:14:27,520

have

1695

01:14:29,510 --> 01:14:27,840

there lofty

1696

01:14:31,669 --> 01:14:29,520

a moment

1697

01:14:32,950 --> 01:14:31,679

there is a peaceful moment that exists

1698

01:14:34,550 --> 01:14:32,960

right now

1699

01:14:36,709 --> 01:14:34,560

as you hear these words and in that

1700

01:14:38,950 --> 01:14:36,719

moment is completion

1701

01:14:42,310 --> 01:14:38,960

that moment is renewal

1702

01:14:43,430 --> 01:14:42,320

in that moment is glory and joy and

1703

01:14:47,189 --> 01:14:43,440

bounty

1704

01:14:52,149 --> 01:14:49,830

a peace that empties forth

1705

01:14:53,590 --> 01:14:52,159

from the collective consciousness of

1706

01:14:56,790 --> 01:14:53,600

this universe

1707

01:15:00,310 --> 01:14:56,800

if you simply allow yourself

1708

01:15:01,910 --> 01:15:00,320

to be one with this energy

1709

01:15:03,110 --> 01:15:01,920

there's nothing very difficult about

1710

01:15:04,950 --> 01:15:03,120

this

1711

01:15:06,470 --> 01:15:04,960

these shoes are soft and comfortable

1712

01:15:08,229 --> 01:15:06,480

they are not wooden and hard and

1713

01:15:10,310 --> 01:15:08,239

difficult

1714

01:15:11,910 --> 01:15:10,320

don't worry everybody these shoes are

1715

01:15:13,189 --> 01:15:11,920

soft and comfortable they're not hard

1716

01:15:14,790 --> 01:15:13,199

and wooden

1717

01:15:17,350 --> 01:15:14,800

why the hell would an egyptian guy be

1718

01:15:20,229 --> 01:15:17,360

talking about wooden shoes david woke up

1719

01:15:22,310 --> 01:15:20,239

this is nonsense what is this nonsense

1720

01:15:24,790 --> 01:15:22,320

that you put out into the universe why

1721

01:15:26,790 --> 01:15:24,800

did you put this bunch of nonsense out

1722

01:15:28,149 --> 01:15:26,800

in the universe why the hell would an

1723

01:15:30,709 --> 01:15:28,159

egyptian guy be talking about

1724

01:15:32,229 --> 01:15:30,719

comfortable shoes instead of where why

1725

01:15:34,709 --> 01:15:32,239

would he be concerned with us wearing

1726

01:15:37,830 --> 01:15:34,719

comfortable shoes david wilcock and

1727

01:15:40,229 --> 01:15:37,840

eating strawberries and relaxing this is

1728

01:15:43,270 --> 01:15:40,239

such this is so stupid why am i

1729

01:15:45,590 --> 01:15:43,280

listening to this garbage

1730

01:15:47,750 --> 01:15:45,600

i don't know i just i can't stop now

1731

01:15:50,310 --> 01:15:47,760

we're almost done we're 23 minutes into

1732

01:15:53,510 --> 01:15:50,320

this nonsensical journey of

1733

01:15:55,910 --> 01:15:53,520

gobbledygook new age word salad bunch of

1734

01:15:58,790 --> 01:15:55,920

nonsense

1735

01:16:01,110 --> 01:15:58,800

and you know this path my friend

1736

01:16:05,270 --> 01:16:01,120

you've walked it on many occasions

1737

01:16:10,709 --> 01:16:08,470

you've yeah the seas and the oceans

1738

01:16:12,630 --> 01:16:10,719

and the freshwater lakes rivers and

1739

01:16:15,110 --> 01:16:12,640

streams

1740

01:16:16,709 --> 01:16:15,120

you have been among the rocks been among

1741

01:16:20,070 --> 01:16:16,719

the soils

1742

01:16:22,149 --> 01:16:20,080

been among the growing crops

1743

01:16:23,430 --> 01:16:22,159

we've had lifetimes where you farmed

1744

01:16:26,709 --> 01:16:23,440

these crops

1745

01:16:31,030 --> 01:16:26,719

oh our past lives

1746

01:16:33,669 --> 01:16:31,040

our past lives this makes no sense again

1747

01:16:36,470 --> 01:16:33,679

because uh i'm not sure that the

1748

01:16:38,630 --> 01:16:36,480

egyptian god ra would believe that past

1749

01:16:42,790 --> 01:16:38,640

lives exist because near as i can

1750

01:16:44,790 --> 01:16:42,800

remember from egyptian mythology you die

1751

01:16:46,390 --> 01:16:44,800

and then you go

1752

01:16:49,350 --> 01:16:46,400

to another world

1753

01:16:51,110 --> 01:16:49,360

you don't come back so why would an

1754

01:16:54,390 --> 01:16:51,120

egyptian god

1755

01:16:56,149 --> 01:16:54,400

be contradicting his own mythology

1756

01:16:58,070 --> 01:16:56,159

again david wilcock doesn't do his

1757

01:17:00,310 --> 01:16:58,080

homework

1758

01:17:02,470 --> 01:17:00,320

uh reincarnation is just a new age

1759

01:17:04,229 --> 01:17:02,480

talking point so he threw it in there

1760

01:17:05,830 --> 01:17:04,239

in error

1761

01:17:07,590 --> 01:17:05,840

now i don't know for sure that an

1762

01:17:09,750 --> 01:17:07,600

egyptian god wouldn't believe in

1763

01:17:11,669 --> 01:17:09,760

reincarnation but i know that in

1764

01:17:13,030 --> 01:17:11,679

egyptian mythology

1765

01:17:15,270 --> 01:17:13,040

i don't believe that they believed in

1766

01:17:16,870 --> 01:17:15,280

reincarnation in many past lives i

1767

01:17:20,070 --> 01:17:16,880

believe that they believed you lived and

1768

01:17:22,149 --> 01:17:20,080

you died and you went to another world

1769

01:17:24,790 --> 01:17:22,159

egyptian book of the dead i guess you

1770

01:17:26,709 --> 01:17:24,800

didn't read that one yes

1771

01:17:34,149 --> 01:17:26,719

and created the bread with your own

1772

01:17:39,510 --> 01:17:36,709

so as to heal others

1773

01:17:42,070 --> 01:17:39,520

with the glory that rises forth when you

1774

01:17:45,350 --> 01:17:42,080

combine your own energies

1775

01:17:46,709 --> 01:17:45,360

in such ways

1776

01:17:49,590 --> 01:17:46,719

all right so we gotta bake some

1777

01:17:52,149 --> 01:17:49,600

spiritual bread in a clay oven in order

1778

01:17:54,310 --> 01:17:52,159

to provide sustenance to others

1779

01:17:57,350 --> 01:17:54,320

that is what the egyptian god wants to

1780

01:18:01,430 --> 01:17:57,360

do bake bread in a clay oven

1781

01:18:03,189 --> 01:18:01,440

and as it rise oh man this is terrible

1782

01:18:05,350 --> 01:18:03,199

terrible writing he needs a better

1783

01:18:08,070 --> 01:18:05,360

writer or something

1784

01:18:09,830 --> 01:18:08,080

and that divine gift that manna from the

1785

01:18:12,390 --> 01:18:09,840

heavens

1786

01:18:15,750 --> 01:18:12,400

reaches down now

1787

01:18:17,189 --> 01:18:15,760

as it is tangibly able to be experienced

1788

01:18:20,149 --> 01:18:17,199

in this moment

1789

01:18:22,390 --> 01:18:20,159

we got another reference to

1790

01:18:25,430 --> 01:18:22,400

uh jewish

1791

01:18:28,070 --> 01:18:25,440

religious tradition in the form of manna

1792

01:18:30,709 --> 01:18:28,080

and by the way if the if the hebrews

1793

01:18:33,510 --> 01:18:30,719

were the slaves that then went through

1794

01:18:35,270 --> 01:18:33,520

the exodus and got manna from heaven why

1795

01:18:38,070 --> 01:18:35,280

would the egyptian god rob be talking

1796

01:18:39,110 --> 01:18:38,080

about manna from another god

1797

01:18:41,830 --> 01:18:39,120

uh

1798

01:18:43,510 --> 01:18:41,840

that's a different book david wilcock

1799

01:18:45,189 --> 01:18:43,520

you didn't read any of the egyptian

1800

01:18:49,830 --> 01:18:45,199

books dummy

1801

01:18:53,990 --> 01:18:52,149

manna comes from the jewish

1802

01:18:56,550 --> 01:18:54,000

tradition

1803

01:18:59,669 --> 01:18:56,560

it comes from their mythology their

1804

01:19:01,830 --> 01:18:59,679

bible their holy scriptures and books

1805

01:19:03,110 --> 01:19:01,840

not any egyptian gods holy scriptures

1806

01:19:05,990 --> 01:19:03,120

and books

1807

01:19:07,750 --> 01:19:06,000

so far this egyptian god hasn't

1808

01:19:09,030 --> 01:19:07,760

mentioned anything from egyptian

1809

01:19:10,470 --> 01:19:09,040

mythology

1810

01:19:12,390 --> 01:19:10,480

or beliefs

1811

01:19:13,990 --> 01:19:12,400

or spiritual beliefs or religious

1812

01:19:16,470 --> 01:19:14,000

beliefs or

1813

01:19:17,430 --> 01:19:16,480

beliefs about what happens after you die

1814

01:19:19,750 --> 01:19:17,440

once

1815

01:19:21,030 --> 01:19:19,760

but he keeps on mentioning jewish stuff

1816

01:19:23,030 --> 01:19:21,040

buddhist stuff

1817

01:19:25,350 --> 01:19:23,040

christian stuff

1818

01:19:27,510 --> 01:19:25,360

makes no sense

1819

01:19:29,669 --> 01:19:27,520

you know an egyptian god should talk

1820

01:19:32,070 --> 01:19:29,679

about egyptian stuff that's just my take

1821

01:19:33,750 --> 01:19:32,080

on it i don't think david wilcock did

1822

01:19:36,630 --> 01:19:33,760

any homework at all

1823

01:19:38,630 --> 01:19:36,640

i think he pressed record and recorded

1824

01:19:40,229 --> 01:19:38,640

this gobbledygook nonsense that's what i

1825

01:19:41,990 --> 01:19:40,239

think happened

1826

01:19:44,550 --> 01:19:42,000

it's your own

1827

01:19:46,630 --> 01:19:44,560

reconciliation

1828

01:19:48,830 --> 01:19:46,640

of all these different pathways of

1829

01:19:51,110 --> 01:19:48,840

seeking

1830

01:19:54,149 --> 01:19:51,120

sometimes you assign yourself too many

1831

01:19:57,030 --> 01:19:54,159

goals too many ambitions

1832

01:19:58,790 --> 01:19:57,040

and it's okay to come to a grander scope

1833

01:20:01,750 --> 01:19:58,800

where you can just accept yourself for

1834

01:20:03,830 --> 01:20:01,760

who you are for how you've been

1835

01:20:06,629 --> 01:20:03,840

and move on to the next step don't take

1836

01:20:08,310 --> 01:20:06,639

yourself under such a microscope

1837

01:20:11,830 --> 01:20:08,320

some of those goals

1838

01:20:13,510 --> 01:20:11,840

yes actually uh rogue status as i recall

1839

01:20:15,910 --> 01:20:13,520

when you died according to egyptian

1840

01:20:18,470 --> 01:20:15,920

mythology they weighed your heart

1841

01:20:20,550 --> 01:20:18,480

and if the good things that you've done

1842

01:20:21,990 --> 01:20:20,560

in your life outweigh the bad things

1843

01:20:23,669 --> 01:20:22,000

you've done in your life you could pass

1844

01:20:25,270 --> 01:20:23,679

through to the afterlife otherwise you

1845

01:20:27,750 --> 01:20:25,280

went to

1846

01:20:29,990 --> 01:20:27,760

uh the egyptians version of hell i

1847

01:20:32,070 --> 01:20:30,000

suppose

1848

01:20:33,669 --> 01:20:32,080

so there's that and he hasn't mentioned

1849

01:20:35,750 --> 01:20:33,679

any of that

1850

01:20:38,070 --> 01:20:35,760

forms from a time that you hadn't fully

1851
01:20:40,550 --> 01:20:38,080
awakened

1852
01:20:43,189 --> 01:20:40,560
so that you now can understand that you

1853
01:20:45,590 --> 01:20:43,199
can simply be yourself

1854
01:20:48,470 --> 01:20:45,600
you can just be

1855
01:20:50,790 --> 01:20:48,480
and beingness is enough

1856
01:20:53,830 --> 01:20:50,800
for in your beingness in the radiant

1857
01:20:57,270 --> 01:20:53,840
peace of simply being you

1858
01:20:59,669 --> 01:20:57,280
you have fulfilled all of the conflicts

1859
01:21:02,070 --> 01:20:59,679
you have satisfied all of the

1860
01:21:04,390 --> 01:21:02,080
dangling question marks

1861
01:21:06,550 --> 01:21:04,400
and you know the future

1862
01:21:08,470 --> 01:21:06,560
because it is the first

1863
01:21:10,709 --> 01:21:08,480

it is the now this

1864

01:21:17,990 --> 01:21:10,719

process of ascension we so often speak

1865

01:21:22,229 --> 01:21:19,910

the healing energy is available in

1866

01:21:32,950 --> 01:21:22,239

plentiful abundance for all those who

1867

01:21:38,470 --> 01:21:35,990

and that process cannot be undermined

1868

01:21:41,830 --> 01:21:38,480

it cannot be shortchanged

1869

01:21:44,550 --> 01:21:41,840

it is always and ever

1870

01:21:46,870 --> 01:21:44,560

and it is available for you

1871

01:21:49,510 --> 01:21:46,880

so take a few moments to hear these

1872

01:22:02,709 --> 01:21:53,750

just let yourself have some deep breaths

1873

01:22:06,790 --> 01:22:05,189

i'm sorry isn't it funny that david

1874

01:22:10,629 --> 01:22:06,800

wilcock when he's channeling the

1875

01:22:12,390 --> 01:22:10,639

egyptian god ra sounds exactly exactly

1876
01:22:15,910 --> 01:22:12,400
like david wilcock when he's doing one

1877
01:22:18,629 --> 01:22:15,920
of his world peace meditations right

1878
01:22:20,870 --> 01:22:18,639
uh that's not suspect at all right it

1879
01:22:23,270 --> 01:22:20,880
just so happens that the egyptian god ra

1880
01:22:27,990 --> 01:22:23,280
speaks exactly like david wilcock when

1881
01:22:32,790 --> 01:22:31,189
field gratitude for the sacred places

1882
01:22:33,910 --> 01:22:32,800
where the earth's energies have been

1883
01:22:36,709 --> 01:22:33,920
honored

1884
01:22:39,590 --> 01:22:36,719
with asian structures

1885
01:22:44,550 --> 01:22:42,229
this creation

1886
01:22:46,310 --> 01:22:44,560
you are the new tribe

1887
01:22:48,709 --> 01:22:46,320
you are coming together

1888
01:22:50,870 --> 01:22:48,719

each in your own way

1889

01:23:04,310 --> 01:22:50,880

with the awakening body of humanity that

1890

01:23:09,830 --> 01:23:07,590

so many others for all is happening on

1891

01:23:12,310 --> 01:23:09,840

schedule all is happening according to a

1892

01:23:14,310 --> 01:23:12,320

perfect plan

1893

01:23:16,070 --> 01:23:14,320

as you breathe your own ascension

1894

01:23:17,590 --> 01:23:16,080

through every fiber of your being you

1895

01:23:19,189 --> 01:23:17,600

come to a greater and greater

1896

01:23:20,950 --> 01:23:19,199

consciousness

1897

01:23:23,350 --> 01:23:20,960

of the full capacity that you have to

1898

01:23:25,030 --> 01:23:23,360

accept yourself just as you are

1899

01:23:27,590 --> 01:23:25,040

in the glory of god

1900

01:23:31,189 --> 01:23:27,600

now he sounds like he's channeling uh mr

1901

01:23:32,550 --> 01:23:31,199

rogers right you're special just the way

1902

01:23:36,470 --> 01:23:32,560

you are

1903

01:23:38,709 --> 01:23:36,480

the egyptian god ra

1904

01:23:41,030 --> 01:23:38,719

wants us to understand

1905

01:23:44,390 --> 01:23:41,040

that mr rogers is right

1906

01:23:46,629 --> 01:23:44,400

you're special just the way you are

1907

01:23:49,110 --> 01:23:46,639

right you're special just the way you

1908

01:23:51,830 --> 01:23:49,120

are

1909

01:23:54,149 --> 01:23:51,840

why would god talk like mr rogers why

1910

01:23:56,790 --> 01:23:54,159

would a god talk like mr rogers david

1911

01:23:57,990 --> 01:23:56,800

wilcock this doesn't make any sense

1912

01:23:59,830 --> 01:23:58,000

wonder

1913

01:24:01,750 --> 01:23:59,840

that makes you truly

1914

01:24:03,590 --> 01:24:01,760

yourself

1915

01:24:06,070 --> 01:24:03,600

and that self is with a capital s

1916

01:24:08,310 --> 01:24:06,080

because ultimately you are not

1917

01:24:10,870 --> 01:24:08,320

anything other than one

1918

01:24:12,790 --> 01:24:10,880

with this entire cosmos

1919

01:24:13,990 --> 01:24:12,800

even the energy of the cosmos is

1920

01:24:15,510 --> 01:24:14,000

conscious

1921

01:24:17,110 --> 01:24:15,520

and it fuses with you there is no

1922

01:24:20,310 --> 01:24:17,120

separation

1923

01:24:21,910 --> 01:24:20,320

for us we cannot see it any other way

1924

01:24:23,750 --> 01:24:21,920

in your own realm you have the

1925

01:24:25,350 --> 01:24:23,760

opportunity to experience apparent

1926

01:24:28,470 --> 01:24:25,360

separation

1927

01:24:31,430 --> 01:24:28,480

to feel lonely isolated and abandoned

1928

01:24:33,270 --> 01:24:31,440

but this is a fleeting moment of time

1929

01:24:35,350 --> 01:24:33,280

it is the moment it can be transcended

1930

01:24:36,470 --> 01:24:35,360

when you just allow the peace to empty

1931

01:24:38,709 --> 01:24:36,480

forth

1932

01:24:40,709 --> 01:24:38,719

and fill you with the renewal

1933

01:24:42,790 --> 01:24:40,719

fill you with the promise of who you are

1934

01:24:44,870 --> 01:24:42,800

always meant to be

1935

01:24:47,430 --> 01:24:44,880

and that is such a glorious thing such a

1936

01:24:50,070 --> 01:24:47,440

glorious event

1937

01:24:53,189 --> 01:24:50,080

there is nothing but wonder

1938

01:24:55,189 --> 01:24:53,199

in this realization

1939

01:25:01,669 --> 01:24:55,199

we are so very grateful to have had the

1940

01:25:07,110 --> 01:25:04,229

the egyptian god ra is very grateful

1941

01:25:09,910 --> 01:25:07,120

that he could use his holy vessel

1942

01:25:12,470 --> 01:25:09,920

david wilcock to share this so very

1943

01:25:14,870 --> 01:25:12,480

important message of peace and love and

1944

01:25:16,550 --> 01:25:14,880

greater understanding and telling you

1945

01:25:19,990 --> 01:25:16,560

that you gotta eat strawberries and

1946

01:25:22,950 --> 01:25:20,000

relax bro i want you to trust

1947

01:25:25,030 --> 01:25:22,960

that this will always be remembered

1948

01:25:26,790 --> 01:25:25,040

you may always know that you are loved

1949

01:25:28,629 --> 01:25:26,800

more than you could ever possibly

1950

01:25:30,950 --> 01:25:28,639

imagine

1951

01:25:32,629 --> 01:25:30,960

if you share that with us and you have

1952

01:25:35,590 --> 01:25:32,639

assimilated a very significant

1953

01:25:37,750 --> 01:25:35,600

percentage of the entire message

1954

01:25:39,590 --> 01:25:37,760

we thank you and remind you that you are

1955

01:25:41,189 --> 01:25:39,600

loved more than you could ever possibly

1956

01:25:42,550 --> 01:25:41,199

imagine

1957

01:25:44,229 --> 01:25:42,560

peace be with you in the light of

1958

01:25:46,390 --> 01:25:44,239

everlasting love

1959

01:25:54,229 --> 01:25:46,400

we will now return conscious control of

1960

01:25:58,709 --> 01:25:55,750

oh no

1961

01:26:00,629 --> 01:25:58,719

so he thanked the bra thanks david

1962

01:26:02,149 --> 01:26:00,639

wilcock for bringing us this very

1963

01:26:07,510 --> 01:26:02,159

important message

1964

01:26:08,470 --> 01:26:07,520

is you gotta eat strawberries and relax

1965

01:26:10,070 --> 01:26:08,480

more

1966

01:26:12,550 --> 01:26:10,080

okay

1967

01:26:15,590 --> 01:26:12,560

that's the important message

1968

01:26:18,790 --> 01:26:15,600

this message was so important that an

1969

01:26:20,709 --> 01:26:18,800

egyptian god had to possess a human

1970

01:26:24,310 --> 01:26:20,719

in the form of david wilcock and make

1971

01:26:28,790 --> 01:26:24,320

him speak this very important message of

1972

01:26:30,149 --> 01:26:28,800

eat strawberries and relax more okay

1973

01:26:31,830 --> 01:26:30,159

now

1974

01:26:33,830 --> 01:26:31,840

i'm going to take the fair use batter

1975

01:26:36,790 --> 01:26:33,840

down

1976

01:26:38,149 --> 01:26:36,800

wow we made it through i'm proud i i

1977

01:26:39,430 --> 01:26:38,159

didn't think i thought i was going to

1978

01:26:40,870 --> 01:26:39,440

check out

1979

01:26:43,669 --> 01:26:40,880

we made it through

1980

01:26:46,870 --> 01:26:43,679

this word salad bunch of nonsensical

1981

01:26:48,709 --> 01:26:46,880

ramblings that david wilcox claims

1982

01:26:51,110 --> 01:26:48,719

they woke up claims this is him

1983

01:26:53,110 --> 01:26:51,120

channeling the egyptian god ra even

1984

01:26:55,430 --> 01:26:53,120

though the egyptian god ra didn't

1985

01:26:57,830 --> 01:26:55,440

mention anything egyptian didn't speak

1986

01:26:59,669 --> 01:26:57,840

egyptian didn't sound egyptian didn't

1987

01:27:01,750 --> 01:26:59,679

act egyptian i guess i i don't know what

1988

01:27:05,270 --> 01:27:01,760

is an egyptian accolade didn't walk like

1989

01:27:07,270 --> 01:27:05,280

an egyptian you know like the song

1990

01:27:08,149 --> 01:27:07,280

oh man

1991

01:27:10,149 --> 01:27:08,159

oh

1992

01:27:11,990 --> 01:27:10,159

yeah and spooky is mentioning the law of

1993

01:27:14,229 --> 01:27:12,000

chatter though and we're gonna get a

1994

01:27:16,550 --> 01:27:14,239

view of that later in the show

1995

01:27:19,189 --> 01:27:16,560

so here's what we're gonna do i've got

1996

01:27:20,709 --> 01:27:19,199

more time to spend with you so and i did

1997

01:27:21,990 --> 01:27:20,719

notice there's a bunch of super chats i

1998

01:27:24,470 --> 01:27:22,000

apologize but i was trying to get

1999

01:27:27,270 --> 01:27:24,480

through this gobbledygook's word salad

2000

01:27:29,270 --> 01:27:27,280

new age nonsensical rambling garbage of

2001
01:27:31,030 --> 01:27:29,280
david wilcock pretending to channel an

2002
01:27:33,430 --> 01:27:31,040
egyptian god

2003
01:27:35,510 --> 01:27:33,440
uh and i got to say he's a terrible

2004
01:27:36,950 --> 01:27:35,520
actor and pretender

2005
01:27:37,830 --> 01:27:36,960
there's got to be a better way to

2006
01:27:40,310 --> 01:27:37,840
channel

2007
01:27:41,910 --> 01:27:40,320
the egyptian god ra and you know what

2008
01:27:44,550 --> 01:27:41,920
i'm going to do it i'm going to channel

2009
01:27:46,629 --> 01:27:44,560
the egyptian god rob better than him

2010
01:27:48,470 --> 01:27:46,639
maybe i gotta do some research first

2011
01:27:50,149 --> 01:27:48,480
because i'm not a slouch and if i'm

2012
01:27:52,070 --> 01:27:50,159
gonna channel an egyptian god ra there's

2013
01:27:53,430 --> 01:27:52,080

gonna be some egyptian stuff in there

2014

01:27:54,950 --> 01:27:53,440

okay

2015

01:27:56,390 --> 01:27:54,960

yeah

2016

01:27:57,669 --> 01:27:56,400

so uh

2017

01:27:58,950 --> 01:27:57,679

i did see that there was a bunch of

2018

01:28:00,310 --> 01:27:58,960

super chats thank you all for your

2019

01:28:02,070 --> 01:28:00,320

kindness your generosity and your

2020

01:28:03,669 --> 01:28:02,080

support i want to remind you there's a

2021

01:28:06,149 --> 01:28:03,679

few ways that you can support the show

2022

01:28:08,470 --> 01:28:06,159

the first way is join our patreon i'm

2023

01:28:10,149 --> 01:28:08,480

going to be sharing one of the songs uh

2024

01:28:11,830 --> 01:28:10,159

that was on our patreon for quite a

2025

01:28:13,510 --> 01:28:11,840

while before it turned into a music

2026

01:28:15,669 --> 01:28:13,520

video and is now available on our

2027

01:28:18,390 --> 01:28:15,679

channel we also have patreon only

2028

01:28:20,470 --> 01:28:18,400

streams extra content and extra goodies

2029

01:28:21,990 --> 01:28:20,480

for you patreon supporters for as little

2030

01:28:23,990 --> 01:28:22,000

as a dollar a month the link to do that

2031

01:28:26,870 --> 01:28:24,000

is in the description you can also send

2032

01:28:28,550 --> 01:28:26,880

a paypal donation but and they just the

2033

01:28:30,709 --> 01:28:28,560

instructions do that are in the about

2034

01:28:32,709 --> 01:28:30,719

section here but please be sure and

2035

01:28:34,550 --> 01:28:32,719

include a note with your chat room user

2036

01:28:36,310 --> 01:28:34,560

id and any message you want me to shout

2037

01:28:39,030 --> 01:28:36,320

out and finally the other way that you

2038

01:28:42,550 --> 01:28:39,040

could support us here is to send a super

2039

01:28:44,390 --> 01:28:42,560

chat down there at in the description or

2040

01:28:46,149 --> 01:28:44,400

excuse me down there in the live chat is

2041

01:28:48,070 --> 01:28:46,159

a money button

2042

01:28:49,669 --> 01:28:48,080

so you can uh

2043

01:28:51,750 --> 01:28:49,679

throw a couple of bucks in our hat and

2044

01:28:54,470 --> 01:28:51,760

keep us moving forward producing great

2045

01:28:57,750 --> 01:28:54,480

content covering these

2046

01:29:00,550 --> 01:28:57,760

strange and esoteric things like no one

2047

01:29:01,990 --> 01:29:00,560

else does uh we appreciate the support

2048

01:29:03,430 --> 01:29:02,000

we're a viewer supported show there's

2049

01:29:05,590 --> 01:29:03,440

one more way that you could support us

2050

01:29:06,870 --> 01:29:05,600

and that is to like comment subscribe

2051

01:29:09,270 --> 01:29:06,880

and share

2052

01:29:12,070 --> 01:29:09,280

on these videos there's 80 of you here

2053

01:29:13,990 --> 01:29:12,080

and i don't see 80 likes there was over

2054

01:29:16,790 --> 01:29:14,000

100 of you here and i don't see 100

2055

01:29:18,709 --> 01:29:16,800

likes really does help go down there

2056

01:29:21,669 --> 01:29:18,719

click that like button it really does

2057

01:29:24,870 --> 01:29:21,679

help the youtube algorithm push us to

2058

01:29:27,110 --> 01:29:24,880

more venues and more people will find us

2059

01:29:29,350 --> 01:29:27,120

in the search description if you like

2060

01:29:30,950 --> 01:29:29,360

comment subscribe and share also want to

2061

01:29:32,550 --> 01:29:30,960

remind everybody listening in audio

2062

01:29:35,189 --> 01:29:32,560

podcast land that you're missing half

2063

01:29:37,510 --> 01:29:35,199

the fun go on over to youtube put truth

2064

01:29:39,030 --> 01:29:37,520

seekers one word in the search bar we're

2065

01:29:40,950 --> 01:29:39,040

the first one that comes up look for me

2066

01:29:43,189 --> 01:29:40,960

the strange guy with the sunglasses then

2067

01:29:45,189 --> 01:29:43,199

smash that subscribe button and hit the

2068

01:29:46,950 --> 01:29:45,199

notification bell and you too will know

2069

01:29:48,950 --> 01:29:46,960

when we're doing the live taping and you

2070

01:29:50,870 --> 01:29:48,960

can come here and participate in the

2071

01:29:52,390 --> 01:29:50,880

live chat we take comments and questions

2072

01:29:55,030 --> 01:29:52,400

from the live chat we have lively

2073

01:29:58,550 --> 01:29:55,040

discussions about these topics while the

2074

01:30:00,070 --> 01:29:58,560

show is being recorded and you are most

2075

01:30:02,470 --> 01:30:00,080

welcome here whether you're a believer a

2076

01:30:05,990 --> 01:30:02,480

skeptic or anywhere in between we

2077

01:30:06,950 --> 01:30:06,000

welcome all of you you are most welcome

2078

01:30:08,709 --> 01:30:06,960

so

2079

01:30:10,550 --> 01:30:08,719

we're going to take a very short musical

2080

01:30:12,390 --> 01:30:10,560

break this is a pretty short song

2081

01:30:13,270 --> 01:30:12,400

actually

2082

01:30:14,790 --> 01:30:13,280

and it's

2083

01:30:17,030 --> 01:30:14,800

since i didn't have anybody else to

2084

01:30:18,550 --> 01:30:17,040

share as a musical guest tonight

2085

01:30:22,310 --> 01:30:18,560

i'm going to share

2086

01:30:24,310 --> 01:30:22,320

a song from my own new upcoming album

2087

01:30:27,030 --> 01:30:24,320

um that those of you on patreon have

2088

01:30:29,669 --> 01:30:27,040

heard it already but uh and it's public

2089

01:30:31,430 --> 01:30:29,679

now on our page but we're gonna share it

2090

01:30:33,270 --> 01:30:31,440

just the same and when i come back we're

2091

01:30:35,669 --> 01:30:33,280

gonna be reading every single super chat

2092

01:30:38,149 --> 01:30:35,679

every paypal donation and

2093

01:30:39,830 --> 01:30:38,159

all of the questions and comments in the

2094

01:30:41,990 --> 01:30:39,840

live chat i will devote my full and

2095

01:30:43,750 --> 01:30:42,000

total attention to the live chat

2096

01:30:45,270 --> 01:30:43,760

when we return

2097

01:30:46,229 --> 01:30:45,280

uh

2098

01:30:48,470 --> 01:30:46,239

yeah

2099

01:30:59,270 --> 01:30:48,480

so thanks for being here we'll be right

2100

01:31:18,390 --> 01:31:15,880

[Music]

2101
01:31:23,669 --> 01:31:18,400
[Applause]

2102
01:31:24,930 --> 01:31:23,679
can you help me find my way

2103
01:31:29,030 --> 01:31:24,940
can you help

2104
01:31:29,040 --> 01:31:34,310
can you me me

2105
01:31:39,070 --> 01:31:36,850
can you help me

2106
01:31:42,260 --> 01:31:39,080
[Music]

2107
01:31:45,030 --> 01:31:42,270
[Applause]

2108
01:31:56,830 --> 01:31:45,040
[Music]

2109
01:31:58,470 --> 01:31:56,840
can you

2110
01:32:03,990 --> 01:31:58,480
help

2111
01:32:04,000 --> 01:32:16,390
[Music]

2112
01:32:16,400 --> 01:32:21,260
help me please

2113
01:32:21,270 --> 01:32:25,990

[Music]

2114

01:32:26,000 --> 01:32:29,720

i'm

2115

01:32:29,730 --> 01:32:43,030

[Music]

2116

01:32:43,040 --> 01:32:49,890

yes

2117

01:33:00,780 --> 01:32:59,410

[Music]

2118

01:33:17,750 --> 01:33:00,790

[Applause]

2119

01:33:23,350 --> 01:33:20,149

and we are back friends

2120

01:33:25,910 --> 01:33:23,360

uh so uh first uh let me check in with

2121

01:33:27,270 --> 01:33:25,920

the uh with the kind and generous paypal

2122

01:33:30,149 --> 01:33:27,280

donators

2123

01:33:31,189 --> 01:33:30,159

and see if we've got any there shout out

2124

01:33:33,189 --> 01:33:31,199

and then we're gonna check in with the

2125

01:33:34,629 --> 01:33:33,199

super chats and finally with the live

2126

01:33:36,790 --> 01:33:34,639

chat so if you have questions or

2127

01:33:38,229 --> 01:33:36,800

comments for me please put them in all

2128

01:33:39,910 --> 01:33:38,239

capital letters so i know you want me to

2129

01:33:42,390 --> 01:33:39,920

share your comment on the screen and

2130

01:33:43,750 --> 01:33:42,400

comment or

2131

01:33:45,510 --> 01:33:43,760

answer

2132

01:33:50,070 --> 01:33:45,520

questions

2133

01:33:50,080 --> 01:33:54,149

all right

2134

01:33:57,669 --> 01:33:55,590

checking in here we have kind and

2135

01:33:59,350 --> 01:33:57,679

generous five dollar paypal donation

2136

01:34:02,229 --> 01:33:59,360

from kristen thank you for your kindness

2137

01:34:04,790 --> 01:34:02,239

your generosity and your support

2138

01:34:07,350 --> 01:34:04,800

who says your show makes me laugh out

2139

01:34:09,189 --> 01:34:07,360

loud please keep doing it

2140

01:34:11,189 --> 01:34:09,199

well thank you very much i appreciate

2141

01:34:13,430 --> 01:34:11,199

that we appreciate your kindness your

2142

01:34:14,790 --> 01:34:13,440

generosity and your support

2143

01:34:16,229 --> 01:34:14,800

of the show uh this is a

2144

01:34:18,870 --> 01:34:16,239

viewer-supported show thank you for

2145

01:34:19,590 --> 01:34:18,880

doing your part uh

2146

01:34:21,350 --> 01:34:19,600

to

2147

01:34:23,110 --> 01:34:21,360

keep the show going we really do

2148

01:34:24,149 --> 01:34:23,120

appreciate uh

2149

01:34:26,070 --> 01:34:24,159

you

2150

01:34:29,030 --> 01:34:26,080

throwing a couple bucks in our hat and

2151
01:34:30,550 --> 01:34:29,040
keeping us moving things forward thank

2152
01:34:32,149 --> 01:34:30,560
you for your kindness your generosity

2153
01:34:33,750 --> 01:34:32,159
and your support and helping us to

2154
01:34:35,750 --> 01:34:33,760
praise the cash

2155
01:34:38,470 --> 01:34:35,760
now we're going to move on over to the

2156
01:34:40,629 --> 01:34:38,480
uh to the super chats we read every

2157
01:34:43,030 --> 01:34:40,639
single super chat just so that you know

2158
01:34:44,950 --> 01:34:43,040
so if you said a super chat we read

2159
01:34:47,189 --> 01:34:44,960
every single one

2160
01:34:49,510 --> 01:34:47,199
without fail every show now once in a

2161
01:34:51,750 --> 01:34:49,520
while we may miss one if somebody

2162
01:34:54,229 --> 01:34:51,760
said the super chat right as we're uh

2163
01:34:57,189 --> 01:34:54,239

playing the end bumper or something like

2164

01:34:58,790 --> 01:34:57,199

that but we always try to uh

2165

01:35:01,270 --> 01:34:58,800

call it out on the next show we read

2166

01:35:03,030 --> 01:35:01,280

every single super chat and recognize

2167

01:35:05,590 --> 01:35:03,040

everybody and thank them and every

2168

01:35:06,470 --> 01:35:05,600

single super sticker as well

2169

01:35:08,629 --> 01:35:06,480

um

2170

01:35:10,870 --> 01:35:08,639

so here we had a

2171

01:35:12,310 --> 01:35:10,880

couple of super chats

2172

01:35:15,510 --> 01:35:12,320

uh you know what

2173

01:35:17,189 --> 01:35:15,520

let me stop this we have to refresh that

2174

01:35:18,629 --> 01:35:17,199

because i'm sure i saw another one come

2175

01:35:20,310 --> 01:35:18,639

in so thanks everybody for their

2176

01:35:21,830 --> 01:35:20,320

kindness their generosity and their

2177

01:35:24,070 --> 01:35:21,840

support

2178

01:35:28,390 --> 01:35:24,080

i think i did anyway let's uh make sure

2179

01:35:32,870 --> 01:35:28,400

that we're up to date here with this

2180

01:35:37,910 --> 01:35:35,990

and yeah yeah we did but wow we got a

2181

01:35:39,270 --> 01:35:37,920

bunch of them here so i'm glad that i

2182

01:35:40,470 --> 01:35:39,280

did that i would have missed a bunch of

2183

01:35:42,870 --> 01:35:40,480

them

2184

01:35:44,870 --> 01:35:42,880

uh so eddie going forward that you guys

2185

01:35:46,950 --> 01:35:44,880

put in i will share on screen but we're

2186

01:35:48,310 --> 01:35:46,960

a little bit way way behind in the chat

2187

01:35:50,550 --> 01:35:48,320

so i'm going to do it this way for today

2188

01:35:52,790 --> 01:35:50,560

so please forgive me for not sharing

2189

01:35:55,350 --> 01:35:52,800

each of your comments on screen we'll

2190

01:35:57,990 --> 01:35:55,360

try to do that more going forward

2191

01:36:00,149 --> 01:35:58,000

jay roche with a kind and generous 299

2192

01:36:02,229 --> 01:36:00,159

australian says great show as always

2193

01:36:03,910 --> 01:36:02,239

stephen thank you jay roach continuing

2194

01:36:06,229 --> 01:36:03,920

supporter of the show for your kindness

2195

01:36:08,229 --> 01:36:06,239

your generosity and your support

2196

01:36:11,510 --> 01:36:08,239

aaron flores with kind of generous two

2197

01:36:13,830 --> 01:36:11,520

dollars from the uh usually

2198

01:36:15,750 --> 01:36:13,840

aaron is usually watching from facebook

2199

01:36:17,910 --> 01:36:15,760

so greetings to aaron flores thank you

2200

01:36:19,750 --> 01:36:17,920

for your kindness your generosity and

2201

01:36:21,750 --> 01:36:19,760

your support of the show much

2202

01:36:24,310 --> 01:36:21,760

appreciated and much appreciated that

2203

01:36:27,109 --> 01:36:24,320

he's always making comments uh on the

2204

01:36:29,510 --> 01:36:27,119

facebook videos which adds to engagement

2205

01:36:30,550 --> 01:36:29,520

and raises us in the search rankings

2206

01:36:33,590 --> 01:36:30,560

there

2207

01:36:35,750 --> 01:36:33,600

rogue status with a kind generous five

2208

01:36:38,390 --> 01:36:35,760

dollar super chat saying i don't even

2209

01:36:40,550 --> 01:36:38,400

know why i watch this crap yeah me

2210

01:36:43,590 --> 01:36:40,560

neither

2211

01:36:46,149 --> 01:36:43,600

and kali armstrong with two a kind and

2212

01:36:49,030 --> 01:36:46,159

generous super sticker purchase of it

2213

01:36:51,750 --> 01:36:49,040

looks like an angry red guy

2214

01:36:53,189 --> 01:36:51,760

uh for 99 cents and then we have kali

2215

01:36:54,629 --> 01:36:53,199

armstrong again with the kind of

2216

01:36:57,350 --> 01:36:54,639

generous super chat

2217

01:36:58,310 --> 01:36:57,360

but no message great britain pound one

2218

01:37:01,830 --> 01:36:58,320

dollar

2219

01:37:03,189 --> 01:37:01,840

so 99 pence i guess great britain and

2220

01:37:04,950 --> 01:37:03,199

one

2221

01:37:06,550 --> 01:37:04,960

pound great britain thank you for your

2222

01:37:07,510 --> 01:37:06,560

kindness your generosity and your

2223

01:37:09,669 --> 01:37:07,520

support

2224

01:37:11,189 --> 01:37:09,679

we have been yorkshire from the united

2225

01:37:13,189 --> 01:37:11,199

kingdom with kind of generous great

2226

01:37:16,390 --> 01:37:13,199

britain pounds two dollars hi everyone

2227

01:37:18,070 --> 01:37:16,400

hi steve hi ben from yorkshire uk thank

2228

01:37:19,510 --> 01:37:18,080

you for your kindness your generosity

2229

01:37:21,030 --> 01:37:19,520

and your support of the show it is much

2230

01:37:23,030 --> 01:37:21,040

much appreciated

2231

01:37:24,790 --> 01:37:23,040

um thank you for being here and thank

2232

01:37:27,350 --> 01:37:24,800

you for throwing a couple of bucks or

2233

01:37:28,870 --> 01:37:27,360

pounds in our hat youtube will convert

2234

01:37:30,470 --> 01:37:28,880

that for us so don't worry what kind of

2235

01:37:32,550 --> 01:37:30,480

money you have just hit that money

2236

01:37:34,629 --> 01:37:32,560

button and youtube will convert it for

2237

01:37:37,350 --> 01:37:34,639

us thank you ben for kindness

2238

01:37:39,030 --> 01:37:37,360

collee armstrong with another one mvp

2239

01:37:40,790 --> 01:37:39,040

super chatter of the night kylie

2240

01:37:42,470 --> 01:37:40,800

armstrong with another great britain

2241

01:37:44,870 --> 01:37:42,480

pound one

2242

01:37:46,310 --> 01:37:44,880

pound 99 pence thank you guys for your

2243

01:37:47,430 --> 01:37:46,320

kindness your generosity and your

2244

01:37:50,790 --> 01:37:47,440

support

2245

01:37:52,550 --> 01:37:50,800

warms my heart to see uh to see that now

2246

01:37:55,350 --> 01:37:52,560

i'm going to check in with the live chat

2247

01:38:01,910 --> 01:37:58,629

there's aaron flores uh we have jay

2248

01:38:03,990 --> 01:38:01,920

roach and a late entry i saw from

2249

01:38:06,629 --> 01:38:04,000

dorothy hawkins

2250

01:38:10,550 --> 01:38:08,950

kind and generous two dollar super chat

2251

01:38:12,790 --> 01:38:10,560

saying thanks for giving voice to my

2252

01:38:14,390 --> 01:38:12,800

anger at wilcox well you know

2253

01:38:16,229 --> 01:38:14,400

uh thank you for kindness your

2254

01:38:17,910 --> 01:38:16,239

generosity and your support of the show

2255

01:38:19,510 --> 01:38:17,920

dorothy hawkins and i was thinking about

2256

01:38:22,149 --> 01:38:19,520

while listening to this

2257

01:38:24,390 --> 01:38:22,159

that this nonsense is specifically

2258

01:38:25,669 --> 01:38:24,400

designed to prey on

2259

01:38:28,229 --> 01:38:25,679

the weak

2260

01:38:30,790 --> 01:38:28,239

right prey on people who are depressed

2261

01:38:32,870 --> 01:38:30,800

prey on people who are sort of failing

2262

01:38:34,709 --> 01:38:32,880

in their lives to get what they want out

2263

01:38:36,870 --> 01:38:34,719

of life and they're

2264

01:38:39,590 --> 01:38:36,880

not very sure of things and they're

2265

01:38:42,070 --> 01:38:39,600

maybe depressed maybe unhappy

2266

01:38:43,830 --> 01:38:42,080

and this whole message is sort of no

2267

01:38:45,990 --> 01:38:43,840

it's okay just eat strawberries and

2268

01:38:48,790 --> 01:38:46,000

relax dorothy hawkins

2269

01:38:51,350 --> 01:38:48,800

we love you just the way we you are

2270

01:38:52,790 --> 01:38:51,360

because us gods are just like mr rogers

2271

01:38:56,830 --> 01:38:52,800

who said that

2272

01:38:58,870 --> 01:38:56,840

it's such nonsense godly go hopium

2273

01:39:01,189 --> 01:38:58,880

garbage but

2274

01:39:02,950 --> 01:39:01,199

i can see how somebody's having a really

2275

01:39:04,229 --> 01:39:02,960

tough time in life could hear this and

2276

01:39:06,070 --> 01:39:04,239

something

2277

01:39:08,790 --> 01:39:06,080

in this message of everything's going to

2278

01:39:11,350 --> 01:39:08,800

be okay we're off to a newer better

2279

01:39:13,189 --> 01:39:11,360

world and this world sucks but don't

2280

01:39:15,270 --> 01:39:13,199

worry because the new world's coming

2281

01:39:17,430 --> 01:39:15,280

we're all going to ascend

2282

01:39:19,510 --> 01:39:17,440

i could see how this message

2283

01:39:21,910 --> 01:39:19,520

might

2284

01:39:26,149 --> 01:39:21,920

resonate with some people who are

2285

01:39:28,470 --> 01:39:26,159

lonely sad desperate depressed

2286

01:39:30,790 --> 01:39:28,480

and isn't it funny how david wilcox

2287

01:39:34,629 --> 01:39:30,800

messages are specifically designed for

2288

01:39:36,709 --> 01:39:34,639

people who are lonely sad depressed

2289

01:39:38,149 --> 01:39:36,719

people

2290

01:39:40,149 --> 01:39:38,159

and

2291

01:39:41,990 --> 01:39:40,159

what's the realization that these

2292

01:39:43,430 --> 01:39:42,000

messages are specifically designed for

2293

01:39:44,709 --> 01:39:43,440

people like that

2294

01:39:47,510 --> 01:39:44,719

is this

2295

01:39:48,950 --> 01:39:47,520

acceptable morally or ethically to be

2296

01:39:51,189 --> 01:39:48,960

selling people

2297

01:39:52,629 --> 01:39:51,199

these kind of messages specifically

2298

01:39:55,510 --> 01:39:52,639

designed

2299

01:39:56,470 --> 01:39:55,520

for sad lonely desperate depressed

2300

01:39:57,270 --> 01:39:56,480

people

2301

01:39:59,430 --> 01:39:57,280

or

2302

01:40:00,790 --> 01:39:59,440

is he taking advantage of those sad

2303

01:40:02,470 --> 01:40:00,800

lonely

2304

01:40:04,070 --> 01:40:02,480

depressed people

2305

01:40:06,310 --> 01:40:04,080

i know what i believe let me know what

2306

01:40:09,030 --> 01:40:06,320

you believe in the comments

2307

01:40:11,430 --> 01:40:09,040

is this opium for the hopeless is the

2308

01:40:14,950 --> 01:40:11,440

stuff specifically designed

2309

01:40:17,830 --> 01:40:14,960

to make sad poor lonely desperate people

2310

01:40:20,790 --> 01:40:17,840

buy it i think it is

2311

01:40:23,830 --> 01:40:20,800

um and and we see some congruence with

2312

01:40:25,910 --> 01:40:23,840

some of the garbage that david wilcox

2313

01:40:27,910 --> 01:40:25,920

sells lately don't worry about the

2314

01:40:29,590 --> 01:40:27,920

energy crisis don't worry about global

2315

01:40:32,629 --> 01:40:29,600

warming because i'm going to invent a

2316

01:40:35,109 --> 01:40:32,639

free energy device and save the planet

2317

01:40:37,510 --> 01:40:35,119

sure you are david wilcock just like you

2318

01:40:40,870 --> 01:40:37,520

channeled an egyptian god just like you

2319

01:40:42,950 --> 01:40:40,880

were edgar casey reincarnated just like

2320

01:40:46,229 --> 01:40:42,960

we're all going to get super powers in

2321

01:40:48,629 --> 01:40:46,239

2012 and ascend to a higher plane of

2322

01:40:50,470 --> 01:40:48,639

existence and we're going to be able to

2323

01:40:53,189 --> 01:40:50,480

read each other's thoughts and move

2324

01:40:56,790 --> 01:40:53,199

things with our minds and levitate he

2325

01:41:00,790 --> 01:40:58,550

thank you mentai with a kind and

2326

01:41:02,550 --> 01:41:00,800

generous two dollars australian super

2327

01:41:04,310 --> 01:41:02,560

sticker i believe that's australian

2328

01:41:06,390 --> 01:41:04,320

either australian maybe i think it's

2329

01:41:08,070 --> 01:41:06,400

australian thank you mental for your

2330

01:41:09,750 --> 01:41:08,080

kindness your generosity and your

2331

01:41:11,350 --> 01:41:09,760

support of the show

2332

01:41:16,229 --> 01:41:11,360

really thanks to everybody we have

2333

01:41:18,790 --> 01:41:16,239

spooky uh but why is raw spooky just

2334

01:41:21,990 --> 01:41:18,800

spooky just wasted two dollars to say

2335

01:41:23,910 --> 01:41:22,000

why is raw i don't know why israel it

2336

01:41:25,510 --> 01:41:23,920

doesn't make any sense to me but thank

2337

01:41:27,109 --> 01:41:25,520

you for your kindness your generosity

2338

01:41:29,189 --> 01:41:27,119

and your support of the show

2339

01:41:31,750 --> 01:41:29,199

i'm gonna put spooky's two dollars right

2340

01:41:32,470 --> 01:41:31,760

in the pile of paypal funds that i have

2341

01:41:36,870 --> 01:41:32,480

to

2342

01:41:41,830 --> 01:41:36,880

with this

2343

01:41:44,229 --> 01:41:41,840

incredible uh thumbnail game i gotta say

2344

01:41:47,669 --> 01:41:44,239

this is my favorite thumbnail i think

2345

01:41:50,070 --> 01:41:47,679

tonight's thumbnail was truly perhaps my

2346

01:41:53,830 --> 01:41:50,080

favorite thumbnail that i have seen from

2347

01:41:58,550 --> 01:41:55,910

going forward

2348

01:42:03,109 --> 01:41:58,560

uh or since we began right i think this

2349

01:42:04,790 --> 01:42:03,119

is the best the best uh

2350

01:42:07,030 --> 01:42:04,800

the best thumbnail tonight because it's

2351

01:42:09,669 --> 01:42:07,040

got david wilcock and a robe

2352

01:42:11,750 --> 01:42:09,679

channeling the egyptian god ra

2353

01:42:14,390 --> 01:42:11,760

you gotta love it friends

2354

01:42:15,750 --> 01:42:14,400

why is raw i don't know spooky but i

2355

01:42:21,669 --> 01:42:15,760

know

2356

01:42:24,470 --> 01:42:21,679

speaking through david wilcock all hail

2357

01:42:26,229 --> 01:42:24,480

the channel david wilcock who brings us

2358

01:42:29,910 --> 01:42:26,239

these important messages from the

2359

01:42:32,070 --> 01:42:29,920

egyptian god ra praise the brah

2360

01:42:33,590 --> 01:42:32,080

david wilcock bringing forth these

2361

01:42:36,310 --> 01:42:33,600

incredible

2362

01:42:37,990 --> 01:42:36,320

divine truths

2363

01:42:40,229 --> 01:42:38,000

that also came

2364

01:42:43,430 --> 01:42:40,239

from god damn

2365

01:42:45,510 --> 01:42:43,440

mr rogers david wilcock your divine

2366

01:42:48,629 --> 01:42:45,520

truths are the same divine truths that

2367

01:42:50,870 --> 01:42:48,639

mr rogers brought us bro

2368

01:42:52,390 --> 01:42:50,880

listen nonsense spooky i don't know why

2369

01:42:54,229 --> 01:42:52,400

israel

2370

01:42:56,390 --> 01:42:54,239

but i know that david wilcock claims to

2371

01:42:58,709 --> 01:42:56,400

channel the egyptian god ra

2372

01:43:01,750 --> 01:42:58,719

but somehow the egyptian god ra talks

2373

01:43:04,390 --> 01:43:01,760

like mr rogers okay and by the way i

2374

01:43:06,310 --> 01:43:04,400

like mr rogers i grew up with mr rogers

2375

01:43:08,229 --> 01:43:06,320

right

2376

01:43:10,629 --> 01:43:08,239

and he does have a night mr rogers has a

2377

01:43:11,910 --> 01:43:10,639

nice message of acceptance and peace and

2378

01:43:17,590 --> 01:43:11,920

love and

2379

01:43:21,590 --> 01:43:19,910

maybe david wilcock you know he passed

2380

01:43:22,830 --> 01:43:21,600

away maybe david wilker could just start

2381

01:43:24,870 --> 01:43:22,840

channeling mr

2382

01:43:26,709 --> 01:43:24,880

rogers he would probably do well

2383

01:43:29,030 --> 01:43:26,719

channeling mr rogers material and

2384

01:43:31,109 --> 01:43:29,040

claiming it as some other thing like i

2385

01:43:33,590 --> 01:43:31,119

don't know an egyptian god

2386

01:43:35,109 --> 01:43:33,600

or something right maybe

2387

01:43:37,189 --> 01:43:35,119

xmas rowe with a kind of generous

2388

01:43:39,830 --> 01:43:37,199

australian five dollars says strawberry

2389

01:43:41,189 --> 01:43:39,840

fields forever hi cambers did

2390

01:43:43,669 --> 01:43:41,199

yesterday's guests say he was in

2391

01:43:45,910 --> 01:43:43,679

melbourne australia he said he was in

2392

01:43:47,510 --> 01:43:45,920

australia i don't recall exactly what

2393

01:43:48,550 --> 01:43:47,520

city but i'll reach out to him and ask

2394

01:43:51,109 --> 01:43:48,560

him and let you know on the next

2395

01:43:52,870 --> 01:43:51,119

broadcast xmas row and by the way thank

2396

01:43:54,950 --> 01:43:52,880

you for your kindness your generosity

2397

01:43:57,990 --> 01:43:54,960

and your support of the show

2398

01:43:59,830 --> 01:43:58,000

very very kind and generous of you to

2399

01:44:02,870 --> 01:43:59,840

throw a couple books in our hat and help

2400

01:44:04,790 --> 01:44:02,880

us to praise the cash friends

2401

01:44:08,470 --> 01:44:04,800

uh we like that we like praising the

2402

01:44:10,550 --> 01:44:08,480

cash andy gambino says

2403

01:44:12,310 --> 01:44:10,560

i'm not defending wilcock

2404

01:44:14,950 --> 01:44:12,320

but it is his followers that are to

2405

01:44:16,950 --> 01:44:14,960

blame no followers and wilcock will fade

2406

01:44:18,070 --> 01:44:16,960

into obscurity until he finds another

2407

01:44:19,590 --> 01:44:18,080

grift

2408

01:44:21,590 --> 01:44:19,600

uh well thank you for your kindness your

2409

01:44:24,229 --> 01:44:21,600

generosity and your support of the show

2410

01:44:25,109 --> 01:44:24,239

andy gambino i agree with you

2411

01:44:28,149 --> 01:44:25,119

um

2412

01:44:30,790 --> 01:44:28,159

we should all vote

2413

01:44:33,350 --> 01:44:30,800

on the accuracy of david wilcox garbage

2414

01:44:35,669 --> 01:44:33,360

information with our attention and if

2415

01:44:38,070 --> 01:44:35,679

people stop clicking i can't help it i'm

2416

01:44:40,229 --> 01:44:38,080

stuck andy gambino he comes out with a

2417

01:44:42,310 --> 01:44:40,239

new video and i got it i gotta listen

2418

01:44:44,390 --> 01:44:42,320

i'm like what kind of nonsense is david

2419

01:44:47,270 --> 01:44:44,400

wilcock talking tonight that's your kind

2420

01:44:50,470 --> 01:44:47,280

of garbage nonsense [h__h] he's come

2421

01:44:52,870 --> 01:44:50,480

up with now i can't help it it's like a

2422

01:44:54,870 --> 01:44:52,880

guilty pleasure it's like a compulsion

2423

01:44:58,229 --> 01:44:54,880

i'm like obsessed i gotta i gotta hear

2424

01:45:01,189 --> 01:44:58,239

what next nonsense and i can't wait andy

2425

01:45:02,950 --> 01:45:01,199

gambino because in eight short months

2426

01:45:04,390 --> 01:45:02,960

david wilcock better have a goddamn

2427

01:45:06,470 --> 01:45:04,400

hover car

2428

01:45:09,030 --> 01:45:06,480

okay maybe we'll have a countdown to the

2429

01:45:12,470 --> 01:45:09,040

hover car and if he doesn't produce a

2430

01:45:14,629 --> 01:45:12,480

working prototype like he claimed then

2431

01:45:19,510 --> 01:45:14,639

people should file

2432

01:45:21,910 --> 01:45:19,520

against him for theft by deception

2433

01:45:24,629 --> 01:45:21,920

because he told everybody if you buy my

2434

01:45:27,750 --> 01:45:24,639

333 dollar course you'll be able to do

2435

01:45:29,830 --> 01:45:27,760

anti-gravity and free energy devices too

2436

01:45:31,990 --> 01:45:29,840

and if he can't even do it or show a

2437

01:45:33,590 --> 01:45:32,000

working model then that means that he

2438

01:45:35,590 --> 01:45:33,600

lied to everybody

2439

01:45:37,590 --> 01:45:35,600

and over promised and under delivered

2440

01:45:39,669 --> 01:45:37,600

because that's what david wilcock does

2441

01:45:41,830 --> 01:45:39,679

he promises you ascension and what does

2442

01:45:44,149 --> 01:45:41,840

he do he reads a bunch of nonsense out

2443

01:45:45,750 --> 01:45:44,159

of the channel book of ra in the form of

2444

01:45:48,149 --> 01:45:45,760

the law of one which by the way he's not

2445

01:45:50,070 --> 01:45:48,159

even authorized to sell or teach but he

2446

01:45:51,830 --> 01:45:50,080

does

2447

01:45:53,750 --> 01:45:51,840

and then no ascension happens no

2448

01:45:55,750 --> 01:45:53,760

superpowers happen but he's got your

2449

01:45:57,430 --> 01:45:55,760

money already and he's on to the next

2450

01:45:59,669 --> 01:45:57,440

victim

2451

01:46:01,430 --> 01:45:59,679

and that's how this works i believe so

2452

01:46:03,510 --> 01:46:01,440

andy gambino

2453

01:46:05,910 --> 01:46:03,520

uh but thank you for your kindness your

2454

01:46:08,229 --> 01:46:05,920

generosity and your support of the show

2455

01:46:09,109 --> 01:46:08,239

much much appreciated and we appreciate

2456

01:46:11,750 --> 01:46:09,119

your

2457

01:46:12,950 --> 01:46:11,760

uh support of the show it really does go

2458

01:46:15,189 --> 01:46:12,960

a long way

2459

01:46:17,590 --> 01:46:15,199

uh we've got a bunch of new production

2460

01:46:19,189 --> 01:46:17,600

pieces coming

2461

01:46:22,229 --> 01:46:19,199

lord ludacris plaid with a kind of

2462

01:46:24,629 --> 01:46:22,239

generous 499 super sticker who says the

2463

01:46:26,470 --> 01:46:24,639

people who offer to fix you are the ones

2464

01:46:28,870 --> 01:46:26,480

with the most demons just look at david

2465

01:46:31,590 --> 01:46:28,880

wilcox divorce jack murphy getting

2466

01:46:33,910 --> 01:46:31,600

pegged on chatterbait

2467

01:46:36,149 --> 01:46:33,920

yeah oh i followed that

2468

01:46:38,790 --> 01:46:36,159

oh i found that jack murphy stuff a

2469

01:46:40,790 --> 01:46:38,800

little bit mister masculinity

2470

01:46:42,629 --> 01:46:40,800

is loaning out his girlfriend to get

2471

01:46:45,430 --> 01:46:42,639

banged by other dudes

2472

01:46:46,390 --> 01:46:45,440

which is not masculine at all if you

2473

01:46:48,629 --> 01:46:46,400

you know

2474

01:46:50,149 --> 01:46:48,639

not masculine at all if you ask me but

2475

01:46:50,950 --> 01:46:50,159

what are you gonna say lord ludacris

2476

01:46:53,430 --> 01:46:50,960

platt

2477

01:46:56,070 --> 01:46:53,440

uh strange and interesting characters

2478

01:46:57,990 --> 01:46:56,080

all everybody is flawed i often wonder

2479

01:46:59,590 --> 01:46:58,000

about the self-help guys

2480

01:47:00,870 --> 01:46:59,600

um because i struggled with some things

2481

01:47:02,390 --> 01:47:00,880

myself you know i wanted to do this

2482

01:47:04,310 --> 01:47:02,400

thing called mind hack i thought this

2483

01:47:05,830 --> 01:47:04,320

could really help a lot of people

2484

01:47:07,189 --> 01:47:05,840

it helped me

2485

01:47:08,790 --> 01:47:07,199

but then i thought man it's awfully

2486

01:47:10,950 --> 01:47:08,800

arrogant for me to try to help other

2487

01:47:13,590 --> 01:47:10,960

people fix their lives my life is

2488

01:47:15,350 --> 01:47:13,600

largely a mess at times right trying to

2489

01:47:17,750 --> 01:47:15,360

be a good father i'm trying to make

2490

01:47:19,830 --> 01:47:17,760

decent meals for my family trying to get

2491

01:47:21,430 --> 01:47:19,840

better at the cooking and the

2492

01:47:23,189 --> 01:47:21,440

i gotta get better at the housework too

2493

01:47:25,669 --> 01:47:23,199

lord ludicrous plan because the missus

2494

01:47:27,590 --> 01:47:25,679

is not happy right

2495

01:47:29,750 --> 01:47:27,600

i gotta start doing more around here

2496

01:47:31,750 --> 01:47:29,760

right i gotta start helping my wife more

2497

01:47:33,990 --> 01:47:31,760

i mean i'm a flawed individual so for me

2498

01:47:36,550 --> 01:47:34,000

to teach somebody else but i will say

2499

01:47:38,950 --> 01:47:36,560

that i think that i'm more

2500

01:47:41,430 --> 01:47:38,960

i'm more stable and successful than many

2501
01:47:43,109 --> 01:47:41,440
people because of the of the principles

2502
01:47:44,790 --> 01:47:43,119
and things that i try to teach in my

2503
01:47:46,790 --> 01:47:44,800
course which by the way my course is

2504
01:47:48,709 --> 01:47:46,800
free it doesn't cost anything you might

2505
01:47:51,189 --> 01:47:48,719
have to skip some ads or flip through

2506
01:47:53,350 --> 01:47:51,199
some ads or sit through some ads but

2507
01:47:56,149 --> 01:47:53,360
it's free and and i hope that it helps a

2508
01:47:59,189 --> 01:47:56,950
uh

2509
01:48:03,109 --> 01:47:59,199
moody mongol says he's not a messiah

2510
01:48:04,790 --> 01:48:03,119
he's a very naughty boy yeah what do you

2511
01:48:06,870 --> 01:48:04,800
what do you think

2512
01:48:08,950 --> 01:48:06,880
archival revival giving us some

2513
01:48:11,270 --> 01:48:08,960

explanation maybe that's why david

2514

01:48:13,510 --> 01:48:11,280

wilcock has been largely absent from the

2515

01:48:16,470 --> 01:48:13,520

scene for quite some time now david

2516

01:48:18,870 --> 01:48:16,480

wilcock is very busy perfecting the flux

2517

01:48:20,950 --> 01:48:18,880

capacitor friends he hasn't got time to

2518

01:48:22,790 --> 01:48:20,960

show you the prototype working he's

2519

01:48:23,910 --> 01:48:22,800

trying to build that flux capacitor make

2520

01:48:25,109 --> 01:48:23,920

it work

2521

01:48:26,950 --> 01:48:25,119

right

2522

01:48:29,350 --> 01:48:26,960

rope status says i have a bunch of

2523

01:48:31,350 --> 01:48:29,360

mirrors around me i like to be

2524

01:48:35,189 --> 01:48:31,360

surrounded by the really baddest dudes i

2525

01:48:37,750 --> 01:48:35,199

know not very vain yeah and what kind of

2526

01:48:40,229 --> 01:48:37,760

arrogance or narcissistic

2527

01:48:41,590 --> 01:48:40,239

nonsense would in somebody's personality

2528

01:48:44,390 --> 01:48:41,600

would lead them to believe that they're

2529

01:48:46,390 --> 01:48:44,400

so important that an egyptian god would

2530

01:48:48,149 --> 01:48:46,400

speak through them right out of

2531

01:48:50,950 --> 01:48:48,159

everybody on earth

2532

01:48:54,149 --> 01:48:50,960

this egyptian god is going to speak

2533

01:48:55,910 --> 01:48:54,159

solely through me right but then the

2534

01:48:58,390 --> 01:48:55,920

same raw

2535

01:48:59,990 --> 01:48:58,400

character energy god whatever was

2536

01:49:02,870 --> 01:49:00,000

apparently channeling through carla

2537

01:49:05,030 --> 01:49:02,880

rooker from the law of one and several

2538

01:49:07,750 --> 01:49:05,040

other people since then have claimed

2539

01:49:09,510 --> 01:49:07,760

that they're channeling the god ra i

2540

01:49:12,149 --> 01:49:09,520

believe uh

2541

01:49:15,510 --> 01:49:12,159

andy bashago or some other of these

2542

01:49:17,990 --> 01:49:15,520

channelers have claimed uh that

2543

01:49:20,149 --> 01:49:18,000

he's channeling raw i'm sorry i don't

2544

01:49:21,910 --> 01:49:20,159

believe it i think

2545

01:49:24,070 --> 01:49:21,920

i'm trying to keep an open mind

2546

01:49:25,830 --> 01:49:24,080

especially because of my friend kevin

2547

01:49:27,669 --> 01:49:25,840

moore who's really into this channeling

2548

01:49:29,430 --> 01:49:27,679

stuff right and by the way i want to

2549

01:49:31,350 --> 01:49:29,440

thank kevin for the use of that clip i

2550

01:49:33,030 --> 01:49:31,360

hope he's okay i forgot we didn't have

2551
01:49:34,390 --> 01:49:33,040
time when we were going to broadcast he

2552
01:49:36,390 --> 01:49:34,400
has permission so

2553
01:49:38,550 --> 01:49:36,400
it's always better to beg forgiveness uh

2554
01:49:39,910 --> 01:49:38,560
if if he's upset about us using that i

2555
01:49:42,070 --> 01:49:39,920
don't think he will be but if he is i

2556
01:49:45,189 --> 01:49:42,080
apologize and we're going to say fair

2557
01:49:46,950 --> 01:49:45,199
use though i think that is fair use um

2558
01:49:49,030 --> 01:49:46,960
after all we're trying to cover david

2559
01:49:50,870 --> 01:49:49,040
wilcock channeling raw and there's very

2560
01:49:53,030 --> 01:49:50,880
little source material available so i

2561
01:49:55,270 --> 01:49:53,040
did use a clip from the kevin moore show

2562
01:49:56,709 --> 01:49:55,280
i put kevin moore's uh he doesn't need a

2563
01:49:58,790 --> 01:49:56,719

bump from me that guy's got like a

2564

01:50:01,109 --> 01:49:58,800

hundred thousand subscribers but his

2565

01:50:02,790 --> 01:50:01,119

channel is down in the

2566

01:50:03,830 --> 01:50:02,800

description of this video go on over

2567

01:50:05,430 --> 01:50:03,840

there and you can hear the whole

2568

01:50:07,109 --> 01:50:05,440

interview with this guy

2569

01:50:08,709 --> 01:50:07,119

who wrote a book

2570

01:50:10,390 --> 01:50:08,719

and this guy who wrote this book with

2571

01:50:12,709 --> 01:50:10,400

David really believes that he is the

2572

01:50:14,229 --> 01:50:12,719

reincarnation of David Wilcock and

2573

01:50:15,910 --> 01:50:14,239

really believes that he is channeling

2574

01:50:17,109 --> 01:50:15,920

the God Row

2575

01:50:18,149 --> 01:50:17,119

um

2576

01:50:19,830 --> 01:50:18,159

yeah

2577

01:50:21,910 --> 01:50:19,840

and moody muggle says if only stephen

2578

01:50:24,310 --> 01:50:21,920

could channel raw he might have become a

2579

01:50:27,430 --> 01:50:24,320

millionaire by now yeah maybe i would

2580

01:50:28,870 --> 01:50:27,440

have right maybe i would have

2581

01:50:30,629 --> 01:50:28,880

and i don't know if i missed it i'm

2582

01:50:32,550 --> 01:50:30,639

seeing in the

2583

01:50:34,149 --> 01:50:32,560

maybe there was another 99 cents from

2584

01:50:36,709 --> 01:50:34,159

kali armstrong i don't know if i missed

2585

01:50:38,790 --> 01:50:36,719

it but that one's up at the top there

2586

01:50:40,310 --> 01:50:38,800

and if so i apologize colleen thank you

2587

01:50:41,830 --> 01:50:40,320

for your kindness your generosity and

2588

01:50:42,950 --> 01:50:41,840

your support we have many kind and

2589

01:50:47,109 --> 01:50:42,960

generous

2590

01:50:51,189 --> 01:50:49,510

uh and and that's something that i am

2591

01:50:52,550 --> 01:50:51,199

very very thankful

2592

01:50:54,709 --> 01:50:52,560

for

2593

01:50:56,149 --> 01:50:54,719

gutter 65 says truth does not fear

2594

01:50:57,830 --> 01:50:56,159

scrutiny

2595

01:50:59,669 --> 01:50:57,840

uh

2596

01:51:01,750 --> 01:50:59,679

archaic revival saying like it up this

2597

01:51:02,550 --> 01:51:01,760

man tells the truth well we're trying to

2598

01:51:04,550 --> 01:51:02,560

go

2599

01:51:06,550 --> 01:51:04,560

we're trying to find it here but

2600

01:51:08,629 --> 01:51:06,560

honestly if you're looking for truth

2601
01:51:11,270 --> 01:51:08,639
don't come to me because mostly

2602
01:51:13,990 --> 01:51:11,280
i only have questions right

2603
01:51:15,750 --> 01:51:14,000
and the these people

2604
01:51:17,669 --> 01:51:15,760
who have something to fear from

2605
01:51:19,430 --> 01:51:17,679
questions are probably people that have

2606
01:51:20,870 --> 01:51:19,440
something to hide the only people who

2607
01:51:22,709 --> 01:51:20,880
fear questions are people with something

2608
01:51:24,470 --> 01:51:22,719
to hide all we can do here is ask a lot

2609
01:51:27,030 --> 01:51:24,480
of questions but i think these are

2610
01:51:29,109 --> 01:51:27,040
important questions like for example

2611
01:51:31,109 --> 01:51:29,119
why would an egyptian god ra talk like

2612
01:51:32,629 --> 01:51:31,119
mr rogers i mean

2613
01:51:35,189 --> 01:51:32,639

wouldn't he be

2614

01:51:37,589 --> 01:51:35,199

i don't know what does an egyptian god

2615

01:51:40,470 --> 01:51:37,599

speak like or sound like

2616

01:51:44,709 --> 01:51:40,480

from any example that i've read

2617

01:51:47,990 --> 01:51:44,719

not like mr rogers right but

2618

01:51:49,830 --> 01:51:48,000

or why would they talk like a guru right

2619

01:51:52,950 --> 01:51:49,840

it's not a guru it's not a crystal

2620

01:51:54,470 --> 01:51:52,960

hippie guru it's a god

2621

01:51:56,149 --> 01:51:54,480

i don't know

2622

01:52:01,589 --> 01:51:56,159

boy i'd like to be a god just so i can

2623

01:52:07,990 --> 01:52:04,629

wild ascension divine cosmos the vibe

2624

01:52:10,310 --> 01:52:08,000

cosmos is here and we once used a funny

2625

01:52:12,070 --> 01:52:10,320

clip that they did uh hi wild ascension

2626

01:52:14,629 --> 01:52:12,080

good to see you here in our live chat

2627

01:52:17,910 --> 01:52:14,639

make some more videos of this clown come

2628

01:52:19,669 --> 01:52:17,920

on we need some and we're me and uh

2629

01:52:22,070 --> 01:52:19,679

spooky here are a little too busy to

2630

01:52:23,510 --> 01:52:22,080

keep coming up with more right but maybe

2631

01:52:25,270 --> 01:52:23,520

you could come up with something that's

2632

01:52:26,870 --> 01:52:25,280

different than what we would do and then

2633

01:52:29,189 --> 01:52:26,880

we'll share it and try to give you a

2634

01:52:32,629 --> 01:52:29,199

bump and go on over and subscribe to

2635

01:52:34,709 --> 01:52:32,639

wild ascension the vibe cosmos channel

2636

01:52:36,550 --> 01:52:34,719

who made at least one parody that's

2637

01:52:38,470 --> 01:52:36,560

really funny if they woke up but i wish

2638

01:52:40,070 --> 01:52:38,480

would make a lot more

2639

01:52:42,790 --> 01:52:40,080

mostly so that we could steal their

2640

01:52:44,310 --> 01:52:42,800

material yes because i mean who else is

2641

01:52:46,149 --> 01:52:44,320

going to use it wild essentially nobody

2642

01:52:48,870 --> 01:52:46,159

cares about this clown except me and a

2643

01:52:51,030 --> 01:52:48,880

few other people that uh make it my

2644

01:52:53,030 --> 01:52:51,040

business to talk about how ridiculous

2645

01:52:54,709 --> 01:52:53,040

this clown is but

2646

01:52:55,750 --> 01:52:54,719

it is what it is

2647

01:52:58,870 --> 01:52:55,760

right

2648

01:53:00,310 --> 01:52:58,880

come on make some more please

2649

01:53:02,229 --> 01:53:00,320

six cents reminding everybody could buy

2650

01:53:03,750 --> 01:53:02,239

me a coffee let's not remind anybody

2651
01:53:05,350 --> 01:53:03,760
they could buy me a coffee anymore this

2652
01:53:07,350 --> 01:53:05,360
six cents because

2653
01:53:09,270 --> 01:53:07,360
um there is uh

2654
01:53:10,709 --> 01:53:09,280
they switched it from paypal and now

2655
01:53:13,270 --> 01:53:10,719
there's money in there and i got to sign

2656
01:53:15,109 --> 01:53:13,280
up for some other payment processor to

2657
01:53:17,830 --> 01:53:15,119
get my few dollars out of there so we're

2658
01:53:20,070 --> 01:53:17,840
going to not use them anymore because

2659
01:53:22,390 --> 01:53:20,080
uh they're going to hassle me fill up a

2660
01:53:25,189 --> 01:53:22,400
whole form and start a account and all

2661
01:53:28,470 --> 01:53:25,199
this other stuff and verify my bank

2662
01:53:29,750 --> 01:53:28,480
account to get my four dollars out

2663
01:53:33,350 --> 01:53:29,760

so we're not going to be using them

2664

01:53:35,350 --> 01:53:33,360

anymore uh i appreciate though my thanks

2665

01:53:37,270 --> 01:53:35,360

sincerely you know what yeah we will be

2666

01:53:38,870 --> 01:53:37,280

because i gotta sign up to get my four

2667

01:53:40,390 --> 01:53:38,880

dollars so we might as well once i'm

2668

01:53:41,270 --> 01:53:40,400

signed up i should be able to get it out

2669

01:53:42,149 --> 01:53:41,280

of there

2670

01:53:43,830 --> 01:53:42,159

right

2671

01:53:46,149 --> 01:53:43,840

i should be able to get out of there

2672

01:53:47,990 --> 01:53:46,159

spooky mentioning uh chandra channeled

2673

01:53:51,430 --> 01:53:48,000

rando the pleiadian yeah we're going to

2674

01:53:52,550 --> 01:53:51,440

play a clip from mr channer himself uh

2675

01:53:55,030 --> 01:53:52,560

tonight

2676
01:53:58,310 --> 01:53:55,040
uh on the way out here we're gonna do

2677
01:54:02,629 --> 01:54:01,030
james volpe saying daryl anchor

2678
01:54:05,510 --> 01:54:02,639
channeling bashar another one to look

2679
01:54:08,550 --> 01:54:05,520
into yeah i saw cw channel uh do a lot

2680
01:54:10,629 --> 01:54:08,560
of uh sort of critique of that guy

2681
01:54:13,350 --> 01:54:10,639
and the funniest thing with uh daryl

2682
01:54:15,109 --> 01:54:13,360
anchor is we're supposed to

2683
01:54:17,910 --> 01:54:15,119
we're all supposed to believe that the

2684
01:54:19,750 --> 01:54:17,920
entity that he is channeling is very

2685
01:54:21,589 --> 01:54:19,760
concerned with copyrights and people

2686
01:54:22,790 --> 01:54:21,599
only being able to get the material once

2687
01:54:24,629 --> 01:54:22,800
they pay

2688
01:54:26,390 --> 01:54:24,639

right

2689

01:54:28,149 --> 01:54:26,400

you used to have a lot of free stuff all

2690

01:54:30,629 --> 01:54:28,159

over youtube took it all down put it all

2691

01:54:32,470 --> 01:54:30,639

behind a paywall because that's what

2692

01:54:34,229 --> 01:54:32,480

interdimensional entities that are

2693

01:54:36,310 --> 01:54:34,239

channeling through humans care about

2694

01:54:37,589 --> 01:54:36,320

they care about the money and getting it

2695

01:54:39,669 --> 01:54:37,599

all about you got to get it all behind

2696

01:54:42,229 --> 01:54:39,679

the paywall man you got to pay for that

2697

01:54:44,709 --> 01:54:42,239

channeled information it's so important

2698

01:54:45,510 --> 01:54:44,719

yeah that guy's comical he's like funny

2699

01:54:51,990 --> 01:54:45,520

he

2700

01:54:55,350 --> 01:54:52,000

uh

2701
01:55:00,070 --> 01:54:55,360
mike gambelli mentioning and rael elena

2702
01:55:03,990 --> 01:55:02,470
area 503 says gotta run catch all later

2703
01:55:06,229 --> 01:55:04,000
yeah he's still working real hard on

2704
01:55:08,229 --> 01:55:06,239
that luis elizondo documentary which i

2705
01:55:10,870 --> 01:55:08,239
hear is almost ready and he's got the

2706
01:55:13,510 --> 01:55:10,880
website almost ready so we'll do another

2707
01:55:15,510 --> 01:55:13,520
uh we'll do a review of the film who's

2708
01:55:18,070 --> 01:55:15,520
lou once it's finished thanks to area

2709
01:55:20,149 --> 01:55:18,080
503 friend of the show going over and

2710
01:55:21,350 --> 01:55:20,159
subscribe to him as well

2711
01:55:23,030 --> 01:55:21,360
well friends we're coming up on the

2712
01:55:25,189 --> 01:55:23,040
two-hour market i'm really trying more

2713
01:55:27,189 --> 01:55:25,199

to keep these shows to two hours because

2714

01:55:28,629 --> 01:55:27,199

if we let them they'll go to three

2715

01:55:30,470 --> 01:55:28,639

and i've got a whole bunch of other

2716

01:55:32,629 --> 01:55:30,480

stuff

2717

01:55:34,390 --> 01:55:32,639

that i'm going to try to do tonight

2718

01:55:36,310 --> 01:55:34,400

i've got a few production videos which

2719

01:55:38,790 --> 01:55:36,320

we may release this week but i need time

2720

01:55:41,030 --> 01:55:38,800

to actually sit here and work on them

2721

01:55:42,870 --> 01:55:41,040

uh so i'm going to be working on that as

2722

01:55:44,629 --> 01:55:42,880

well

2723

01:55:46,070 --> 01:55:44,639

we've got

2724

01:55:48,229 --> 01:55:46,080

another great show for you this week

2725

01:55:49,109 --> 01:55:48,239

this week is going to be a fun week i

2726

01:55:52,310 --> 01:55:49,119

have

2727

01:55:55,510 --> 01:55:52,320

a former best friend of emery smith

2728

01:55:57,910 --> 01:55:55,520

uh who wised up became sick of his [h__h]

2729

01:55:59,109 --> 01:55:57,920

and now he's coming here and spilling

2730

01:56:00,629 --> 01:55:59,119

all the beans

2731

01:56:03,030 --> 01:56:00,639

about henry smith

2732

01:56:05,669 --> 01:56:03,040

so as if we needed more confirmation

2733

01:56:08,470 --> 01:56:05,679

that emery smith the star of cosmic

2734

01:56:10,390 --> 01:56:08,480

disclosure is uh

2735

01:56:12,950 --> 01:56:10,400

a fairy tale huckster we're going to

2736

01:56:15,030 --> 01:56:12,960

have uh one of his good friends for a

2737

01:56:18,629 --> 01:56:15,040

time uh come here

2738

01:56:19,990 --> 01:56:18,639

and dish and spill the beans on the real

2739

01:56:23,030 --> 01:56:20,000

emery smith

2740

01:56:26,149 --> 01:56:23,040

right that artificial construct that he

2741

01:56:27,270 --> 01:56:26,159

created uh i autopsied three thousand

2742

01:56:29,910 --> 01:56:27,280

aliens

2743

01:56:31,910 --> 01:56:29,920

i was a nasa astronaut i'm going on

2744

01:56:33,669 --> 01:56:31,920

secret missions to antarctica to save

2745

01:56:35,910 --> 01:56:33,679

the mold children

2746

01:56:39,189 --> 01:56:35,920

i'm working for the u.n

2747

01:56:40,470 --> 01:56:39,199

in a special group no he's not he's full

2748

01:56:43,109 --> 01:56:40,480

[h__\h]

2749

01:56:45,830 --> 01:56:43,119

and we're gonna have more and more proof

2750

01:56:46,790 --> 01:56:45,840

that emery smith is a is a fraud and a

2751
01:56:49,669 --> 01:56:46,800

joke

2752
01:56:50,870 --> 01:56:49,679

and a a construct

2753
01:56:53,270 --> 01:56:50,880

that is

2754
01:56:55,030 --> 01:56:53,280

laughable when you peel back the curtain

2755
01:56:56,870 --> 01:56:55,040

from emery smith and you talk to people

2756
01:56:58,790 --> 01:56:56,880

who actually know him from his

2757
01:57:01,030 --> 01:56:58,800

day-to-day life

2758
01:57:02,870 --> 01:57:01,040

oh boy never mind that man behind the

2759
01:57:05,270 --> 01:57:02,880

curtain because he's falling down drunk

2760
01:57:06,870 --> 01:57:05,280

all the time he can't do i i don't know

2761
01:57:09,109 --> 01:57:06,880

how how

2762
01:57:10,790 --> 01:57:09,119

he's still walking around i hope he gets

2763
01:57:13,430 --> 01:57:10,800

help but we're going to cover some of

2764

01:57:15,750 --> 01:57:13,440

that on a show this week with a

2765

01:57:17,589 --> 01:57:15,760

whistleblower

2766

01:57:19,910 --> 01:57:17,599

friend of emery smith who got to know

2767

01:57:22,149 --> 01:57:19,920

him by of all things becoming his pool

2768

01:57:24,629 --> 01:57:22,159

guy and then started hanging out with

2769

01:57:26,390 --> 01:57:24,639

him and getting to know him and

2770

01:57:28,709 --> 01:57:26,400

well i'll let him tell his story he'll

2771

01:57:30,629 --> 01:57:28,719

be here later in the week friends

2772

01:57:33,109 --> 01:57:30,639

um

2773

01:57:34,950 --> 01:57:33,119

and uh we're still working on this

2774

01:57:36,629 --> 01:57:34,960

enduring mysteries we're going to put a

2775

01:57:38,310 --> 01:57:36,639

few more of those out

2776
01:57:39,750 --> 01:57:38,320
i'm going gonna put two more enduring

2777
01:57:41,910 --> 01:57:39,760
mysteries shows

2778
01:57:44,149 --> 01:57:41,920
now maybe three if i can't fit one of

2779
01:57:45,990 --> 01:57:44,159
them might be two parts and and then

2780
01:57:48,470 --> 01:57:46,000
we've got another experiercer that we'll

2781
01:57:50,149 --> 01:57:48,480
be interviewing uh for our experiercer

2782
01:57:52,229 --> 01:57:50,159
files series then we're gonna get the

2783
01:57:54,149 --> 01:57:52,239
playlist finally up even if i have to

2784
01:57:55,270 --> 01:57:54,159
just bribe spooky with

2785
01:57:58,149 --> 01:57:55,280
you know

2786
01:57:59,669 --> 01:57:58,159
liquor and drugs no uh money

2787
01:58:00,790 --> 01:57:59,679
she can

2788
01:58:02,550 --> 01:58:00,800

get her

2789

01:58:04,950 --> 01:58:02,560

that's what spooky wants i'm gonna give

2790

01:58:06,950 --> 01:58:04,960

her some money okay i don't know but

2791

01:58:09,990 --> 01:58:06,960

we'll get the playlists up

2792

01:58:12,229 --> 01:58:10,000

um and i'm also working on a channel

2793

01:58:15,109 --> 01:58:12,239

intro video you know we've been at this

2794

01:58:17,109 --> 01:58:15,119

almost two years it's about time that's

2795

01:58:19,510 --> 01:58:17,119

supposed to be the first thing you do i

2796

01:58:21,189 --> 01:58:19,520

skipped it i skipped a step and now i

2797

01:58:23,030 --> 01:58:21,199

regret it because that channel intro

2798

01:58:24,790 --> 01:58:23,040

video if it was there from the beginning

2799

01:58:26,470 --> 01:58:24,800

inviting people to like you know

2800

01:58:29,750 --> 01:58:26,480

subscribe to the channel and this is

2801

01:58:31,589 --> 01:58:29,760

what we're about we might be at a lot

2802

01:58:33,030 --> 01:58:31,599

thousands of more subscribers so that

2803

01:58:35,350 --> 01:58:33,040

was a mistake

2804

01:58:36,950 --> 01:58:35,360

but you live you learn you know uh you

2805

01:58:39,430 --> 01:58:36,960

roll with the punches and you keep on

2806

01:58:41,750 --> 01:58:39,440

moving forward just like david wilcock

2807

01:58:43,990 --> 01:58:41,760

and mr rogers and the egyptian god ross

2808

01:58:45,589 --> 01:58:44,000

say i'm not gonna worry about it

2809

01:58:48,629 --> 01:58:45,599

you know what i'm gonna do later tonight

2810

01:58:52,470 --> 01:58:48,639

i'm gonna eat strawberries and relax

2811

01:58:56,870 --> 01:58:54,310

strawberries in the wintertime is a nice

2812

01:58:58,550 --> 01:58:56,880

treat right we live in a modern amazing

2813

01:59:01,189 --> 01:58:58,560

world they just truck them in from

2814

01:59:03,669 --> 01:59:01,199

somewhere else right

2815

01:59:06,310 --> 01:59:03,679

yeah so the important thing that we

2816

01:59:07,510 --> 01:59:06,320

should all gather from tonight

2817

01:59:09,350 --> 01:59:07,520

is that

2818

01:59:11,589 --> 01:59:09,360

uh we're all supposed to just eat

2819

01:59:13,189 --> 01:59:11,599

strawberries and relax more and we'd all

2820

01:59:15,109 --> 01:59:13,199

be much happier

2821

01:59:16,870 --> 01:59:15,119

i mean we've got to respect the fact

2822

01:59:18,709 --> 01:59:16,880

that the egyptian god ra i don't know

2823

01:59:20,950 --> 01:59:18,719

what a god's day like

2824

01:59:22,870 --> 01:59:20,960

day is like or what they have on their

2825

01:59:25,109 --> 01:59:22,880

to-do list but apparently the egyptian

2826

01:59:27,189 --> 01:59:25,119

god ra thought it was so important to

2827

01:59:28,709 --> 01:59:27,199

inform humanity to eat strawberries and

2828

01:59:31,030 --> 01:59:28,719

relax more

2829

01:59:33,990 --> 01:59:31,040

uh that he had to possess a human in the

2830

01:59:36,870 --> 01:59:34,000

form of david wilcock and you know speak

2831

01:59:38,870 --> 01:59:36,880

through him to bring us this incredibly

2832

01:59:41,430 --> 01:59:38,880

important announcement

2833

01:59:42,790 --> 01:59:41,440

for all to save all of humanity what we

2834

01:59:45,669 --> 01:59:42,800

really need to do is eat more

2835

01:59:47,589 --> 01:59:45,679

strawberries and relax more

2836

01:59:49,430 --> 01:59:47,599

sounds totally plausible

2837

01:59:52,870 --> 01:59:49,440

you know

2838

01:59:55,189 --> 01:59:52,880

uh yeah so

2839

01:59:56,550 --> 01:59:55,199

what can i say friends uh we are going

2840

01:59:58,870 --> 01:59:56,560

to bounce on out of here we're going to

2841

02:00:00,229 --> 01:59:58,880

play us out with the law of channer

2842

02:00:01,750 --> 02:00:00,239

session one

2843

02:00:03,589 --> 02:00:01,760

uh i want to thank spooky for putting

2844

02:00:05,510 --> 02:00:03,599

that together for us or allowing us to

2845

02:00:08,310 --> 02:00:05,520

use it i want to thank cw channel who

2846

02:00:10,229 --> 02:00:08,320

says grateful dead rules apply so we're

2847

02:00:12,229 --> 02:00:10,239

going to start stealing uh i mean

2848

02:00:15,430 --> 02:00:12,239

borrowing and using a lot of his

2849

02:00:17,990 --> 02:00:15,440

material once uh spooky has mixed it up

2850

02:00:20,950 --> 02:00:18,000

and made it funnier you know i like

2851

02:00:23,109 --> 02:00:20,960

cw chan or straight but i like cw

2852

02:00:24,709 --> 02:00:23,119

channel through the filter of spooky

2853

02:00:27,270 --> 02:00:24,719

mixing it up and messing it up and

2854

02:00:29,510 --> 02:00:27,280

messing with it a hell of a lot more

2855

02:00:31,990 --> 02:00:29,520

and cw chainer himself says the grateful

2856

02:00:34,470 --> 02:00:32,000

rule grateful dead rules apply he says

2857

02:00:37,030 --> 02:00:34,480

i'm allowed to take anything that i want

2858

02:00:39,109 --> 02:00:37,040

um and you know what's funny i i took

2859

02:00:42,790 --> 02:00:39,119

god damn it spooky

2860

02:00:43,669 --> 02:00:42,800

i i i was like well we're not gonna uh

2861

02:00:46,310 --> 02:00:43,679

leave

2862

02:00:47,669 --> 02:00:46,320

sub to him in every show so i took it

2863

02:00:48,709 --> 02:00:47,679

out of the show and now i gotta put it

2864

02:00:50,550 --> 02:00:48,719

back in

2865

02:00:52,229 --> 02:00:50,560

and i gotta do that right now before i

2866

02:00:53,990 --> 02:00:52,239

forget or i'll never do it and then

2867

02:00:56,070 --> 02:00:54,000

he'll be pissed off and it'll be like

2868

02:00:59,430 --> 02:00:56,080

this dumpster fire thing

2869

02:01:03,270 --> 02:01:01,189

i do not want

2870

02:01:09,270 --> 02:01:03,280

him to get pissed off and start

2871

02:01:13,589 --> 02:01:11,430

so let me do this i'm going to copy his

2872

02:01:15,750 --> 02:01:13,599

channel address i'm going to edit our

2873

02:01:17,830 --> 02:01:15,760

video here and i'm going to put

2874

02:01:19,669 --> 02:01:17,840

please subscribe to cw chatter's channel

2875

02:01:21,030 --> 02:01:19,679

with his channel address it'll be in the

2876

02:01:23,750 --> 02:01:21,040

description

2877

02:01:25,350 --> 02:01:23,760

oh that's not the right video let's try

2878

02:01:27,830 --> 02:01:25,360

this one more time

2879

02:01:29,669 --> 02:01:27,840

and i'm sorry i apologize for this but i

2880

02:01:32,709 --> 02:01:29,679

gotta do it now because if i don't do it

2881

02:01:34,870 --> 02:01:32,719

now i'll forget after the broadcast ends

2882

02:01:36,870 --> 02:01:34,880

and then it'll start this whole thing

2883

02:01:38,310 --> 02:01:36,880

like the dumpster fire and we're ripping

2884

02:01:39,189 --> 02:01:38,320

them off and we're not even thanking

2885

02:01:41,430 --> 02:01:39,199

them

2886

02:01:44,070 --> 02:01:41,440

so i thanked him and now i'm going to

2887

02:01:44,080 --> 02:01:51,189

subscribe to

2888

02:01:55,990 --> 02:01:54,390

w chaner channel here so the link to cw

2889

02:01:57,270 --> 02:01:56,000

channel's channel is in the description

2890

02:01:59,510 --> 02:01:57,280

of this video

2891

02:02:01,750 --> 02:01:59,520

he says grateful bed rules apply just to

2892

02:02:03,030 --> 02:02:01,760

credit him and link back to him so we've

2893

02:02:05,350 --> 02:02:03,040

done that

2894

02:02:06,709 --> 02:02:05,360

uh and again thanks to siri channel for

2895

02:02:08,390 --> 02:02:06,719

this clip that we're going to play us

2896

02:02:11,510 --> 02:02:08,400

out with and to

2897

02:02:13,669 --> 02:02:11,520

out of context cw channel channel from

2898

02:02:15,910 --> 02:02:13,679

spooky and the link to subscribe to that

2899

02:02:18,310 --> 02:02:15,920

or check out more of these funny clips

2900

02:02:19,350 --> 02:02:18,320

from spooky is in the description of the

2901

02:02:20,229 --> 02:02:19,360

video

2902

02:02:22,390 --> 02:02:20,239

so

2903

02:02:23,510 --> 02:02:22,400

what can i say friends uh this has been

2904

02:02:26,470 --> 02:02:23,520

a crazy

2905

02:02:29,030 --> 02:02:26,480

ride into nonsense uh it's nonsense

2906

02:02:31,109 --> 02:02:29,040

that's that's what i my take away from

2907

02:02:34,550 --> 02:02:31,119

it is that an egyptian god wouldn't

2908

02:02:36,390 --> 02:02:34,560

speak like mr rogers okay sounds like mr

2909

02:02:38,310 --> 02:02:36,400

rogers the whole way through

2910

02:02:40,310 --> 02:02:38,320

you are loved

2911

02:02:41,510 --> 02:02:40,320

you have no idea of your infinite

2912

02:02:44,149 --> 02:02:41,520

potential

2913

02:02:47,109 --> 02:02:44,159

relax and eat strawberries

2914

02:02:47,990 --> 02:02:47,119

sounds like mr rogers [h__h] to me i don't

2915

02:02:50,229 --> 02:02:48,000

know

2916

02:02:52,149 --> 02:02:50,239

all right so we're going to bounce on

2917

02:02:53,430 --> 02:02:52,159

out of here uh i want to thank each and

2918

02:02:54,709 --> 02:02:53,440

every one of you for joining us i want

2919

02:02:57,270 --> 02:02:54,719

to thank our kind and generous

2920

02:03:00,550 --> 02:02:57,280

benefactors donators supporters and

2921

02:03:03,109 --> 02:03:00,560

patreon folks you really do help keep

2922

02:03:04,950 --> 02:03:03,119

the wheel moving here and i am so

2923

02:03:06,550 --> 02:03:04,960

humbled and thankful for all of your

2924

02:03:07,510 --> 02:03:06,560

kindness your generosity and your

2925

02:03:09,430 --> 02:03:07,520

support

2926

02:03:11,750 --> 02:03:09,440

so until next time friends my name is

2927

02:03:12,790 --> 02:03:11,760

stephen campion good night and god bless

2928

02:03:15,430 --> 02:03:12,800

all of you

2929

02:03:21,589 --> 02:03:15,440

and now let's watch some more ridiculous

2930

02:03:29,430 --> 02:03:23,910

let me shake my ass twice

2931

02:03:36,960 --> 02:03:31,830

let me channel rando palladian named

2932

02:03:57,140 --> 02:03:43,109

[Laughter]

2933

02:04:06,550 --> 02:03:57,460

[Music]

2934

02:04:11,910 --> 02:04:08,550

people of

2935

02:04:17,990 --> 02:04:13,990

i come to you now

2936

02:04:20,470 --> 02:04:18,000

in this hour this day of your time

2937

02:04:22,950 --> 02:04:20,480

of your understanding

2938

02:04:24,709 --> 02:04:22,960

with the message

2939

02:04:27,430 --> 02:04:24,719

i am

2940

02:04:29,589 --> 02:04:27,440

randa the lady

2941

02:04:32,229 --> 02:04:29,599

and i speak to you

2942

02:04:36,149 --> 02:04:32,239

only the truth

2943

02:04:39,910 --> 02:04:36,159

of the knowledge that we possess

2944

02:04:42,950 --> 02:04:39,920

knowledge to you that may seem

2945

02:04:46,310 --> 02:04:42,960

infinite and total

2946

02:04:49,109 --> 02:04:46,320

but which we understand

2947

02:04:52,069 --> 02:04:49,119

seeing it from the perspective of the

2948

02:04:53,589 --> 02:04:52,079

perspective that we have been granted by

2949

02:04:55,030 --> 02:04:53,599

source

2950

02:04:58,950 --> 02:04:55,040

as merely

2951

02:05:01,589 --> 02:04:58,960

one infinite amongst infinities

2952

02:05:05,430 --> 02:05:01,599

finite in its totality

2953

02:05:11,189 --> 02:05:05,440

limited in scope as it is interconnected

2954

02:05:16,270 --> 02:05:14,709

we come to you now having observed

2955

02:05:19,830 --> 02:05:16,280

the

2956

02:05:22,830 --> 02:05:19,840

ramifications and transformations that

2957

02:05:26,390 --> 02:05:22,840

have been happening in your

2958

02:05:30,709 --> 02:05:26,400

interplanetary society

2959

02:05:34,470 --> 02:05:30,719

as you quest and continue to grow

2960

02:05:40,069 --> 02:05:34,480

into that manifestation

2961

02:05:45,030 --> 02:05:43,430

dudes cool enough to join

2962

02:05:47,990 --> 02:05:45,040

the galactic

2963

02:05:51,669 --> 02:05:48,000

alliance

2964

02:05:53,030 --> 02:05:51,679

bearing in mind that this galactic

2965

02:05:56,950 --> 02:05:53,040

alliance

2966

02:06:00,830 --> 02:05:56,960

is but only one stepping stone on the

2967

02:06:05,589 --> 02:06:00,840

infinite number of stepping tones

2968

02:06:11,669 --> 02:06:08,790

which in itself and only is an

2969

02:06:14,550 --> 02:06:11,679

inter-dimensional fragment of a

2970

02:06:17,109 --> 02:06:14,560

definitional perspective limited in

2971

02:06:19,030 --> 02:06:17,119

sources and information to that which

2972

02:06:22,950 --> 02:06:19,040

you understand to be

2973

02:06:26,709 --> 02:06:24,709

we welcome you

2974

02:06:28,629 --> 02:06:26,719

and say to you

2975

02:06:32,149 --> 02:06:28,639

in this moment

2976

02:06:36,950 --> 02:06:32,159

is now the time when you will see

2977

02:06:43,589 --> 02:06:40,629

hold on to your panties [h__\h] face

2978

02:06:46,629 --> 02:06:43,599

because you will be amazed

2979

02:06:49,510 --> 02:06:46,639

at the hopes and expectations you have

2980

02:06:52,069 --> 02:06:49,520

as they become manifest and real though

2981

02:06:55,510 --> 02:06:52,079

you may be shocked and wonder

2982

02:06:59,109 --> 02:06:55,520

holy [h__\h] what did we sign up for as you

2983

02:07:02,470 --> 02:06:59,119

become one step closer to having to pay

2984

02:07:02,480 --> 02:07:09,440

and transmission

2985

02:07:15,910 --> 02:07:13,750

[Laughter]

2986

02:07:19,430 --> 02:07:15,920

wow that was like totally crazy man wow

2987

02:07:22,470 --> 02:07:20,310

crap

2988

02:07:24,870 --> 02:07:22,480

man you know for randall palladin that

2989

02:07:33,510 --> 02:07:24,880

guy had a dirty dirty mouth

2990

02:07:36,470 --> 02:07:35,270

blah blah blah blah except life on

2991

02:07:38,550 --> 02:07:36,480

life's terms and this is only an

2992

02:07:39,990 --> 02:07:38,560

illusion and no one ever really dies so

2993

02:07:42,310 --> 02:07:40,000

don't get banged up and upset about

2994

02:07:45,430 --> 02:07:42,320

anything and crystal like persuasion

2995

02:07:47,910 --> 02:07:45,440

right that's [h__h] it be nice be

2996

02:07:49,750 --> 02:07:47,920

awesome don't worry about dying because

2997

02:07:51,990 --> 02:07:49,760

dying is some [h__h] anyway it's not

2998

02:07:53,910 --> 02:07:52,000

really real and you say that [h__h] and

2999

02:07:55,030 --> 02:07:53,920

then and then now the latest thing is if

3000

02:07:57,270 --> 02:07:55,040

you want to

3001
02:07:59,830 --> 02:07:57,280
get the extra special package in it's

3002
02:08:01,990 --> 02:07:59,840
shit's happening right now new changes

3003
02:08:04,470 --> 02:08:02,000
and transformations are occurring

3004
02:08:07,109 --> 02:08:04,480
blah blah our spaceship is right above

3005
02:08:08,629 --> 02:08:07,119
your [h__\h] lake excelsior or whatever

3006
02:08:10,950 --> 02:08:08,639
you know what i mean i got a message

3007
02:08:12,390 --> 02:08:10,960
from you for source you know don't worry

3008
02:08:15,270 --> 02:08:12,400
about it that itch behind your nose

3009
02:08:17,750 --> 02:08:15,280
isn't aids whatever the case may be you

3010
02:08:19,990 --> 02:08:17,760
just do that [h__\h] and then you [h__\h]

3011
02:08:21,750 --> 02:08:20,000
blah blah blah and then if you save the

3012
02:08:23,750 --> 02:08:21,760
night the nice things the night's way in

3013
02:08:25,990 --> 02:08:23,760

an intelligent way there are [h__h]

3014

02:08:28,470 --> 02:08:26,000

morons out here channeling isn't it

3015

02:08:30,629 --> 02:08:28,480

crazy that even though saint germain is

3016

02:08:32,870 --> 02:08:30,639

being channeled by multiple people the

3017

02:08:34,550 --> 02:08:32,880

morons that channel saint germain look

3018

02:08:36,950 --> 02:08:34,560

like jokes and the people with

3019

02:08:38,950 --> 02:08:36,960

intelligence and acting ability who who

3020

02:08:41,510 --> 02:08:38,960

channel saint germain look like [h__h]

3021

02:08:43,750 --> 02:08:41,520

awesome people ah it's almost like it's

3022

02:08:45,750 --> 02:08:43,760

not sir james germain that's the [h__h]

3023

02:08:47,350 --> 02:08:45,760

you know titular piece of the puzzle

3024

02:08:50,069 --> 02:08:47,360

it's the native intelligence of the

3025

02:08:53,350 --> 02:08:50,079

people uh doing the channeling which is

3026

02:08:56,870 --> 02:08:53,360

a legitimate spiritual practice for a

3027

02:08:59,189 --> 02:08:56,880

legitimate spiritual end to tell people

3028

02:09:01,669 --> 02:08:59,199

nice things and to make them feel good

3029

02:09:03,910 --> 02:09:01,679

about life on planet earth that's okay

3030

02:09:06,229 --> 02:09:03,920

in my book that's why i'm okay with treb

3031

02:09:08,390 --> 02:09:06,239

and rob and all that [h__h] [h__h]

3032

02:09:10,629 --> 02:09:08,400

because saying nice things to nice

3033

02:09:12,229 --> 02:09:10,639

people to make them feel okay and to

3034

02:09:13,510 --> 02:09:12,239

make them feel good about life and to

3035

02:09:15,189 --> 02:09:13,520

tell them that nothing that no one ever

3036

02:09:16,550 --> 02:09:15,199

really dies and to tell them that

3037

02:09:19,030 --> 02:09:16,560

everything's gonna be awesome even when

3038

02:09:20,709 --> 02:09:19,040

life is full of setbacks is okay in my

3039

02:09:22,790 --> 02:09:20,719

position in my book

3040

02:09:25,990 --> 02:09:22,800

that i'm okay with that

3041

02:09:28,229 --> 02:09:26,000

do i think that it's real

3042

02:09:30,629 --> 02:09:28,239

i think it is what it is

3043

02:09:33,030 --> 02:09:30,639

improvisation is improvisation and

3044

02:09:35,510 --> 02:09:33,040

artists often say musicians often say

3045

02:09:37,830 --> 02:09:35,520

and poets often say i don't know where

3046

02:09:46,470 --> 02:09:37,840

these words came from they came from

3047

02:09:49,669 --> 02:09:47,990

and that's how traditional do you want

3048

02:09:53,030 --> 02:09:49,679

to be

3049

02:09:55,030 --> 02:09:53,040

your channeling are you going to do the

3050

02:09:58,390 --> 02:09:55,040

dear ones thing are you going to be more

3051
02:10:00,470 --> 02:09:58,400
experimental if your voice going to be

3052
02:10:01,910 --> 02:10:00,480
all over the place

3053
02:10:03,350 --> 02:10:01,920
and all the channelers have their own

3054
02:10:05,189 --> 02:10:03,360
little thing like there was that [h__h]

3055
02:10:07,109 --> 02:10:05,199
guy like this like fred siegler or

3056
02:10:09,030 --> 02:10:07,119
something he was always on uh new

3057
02:10:10,870 --> 02:10:09,040
realities with alan steinfeld all the

3058
02:10:12,069 --> 02:10:10,880
time

3059
02:10:14,069 --> 02:10:12,079
and what he would do is whisper to

3060
02:10:15,830 --> 02:10:14,079
himself before he said that's just

3061
02:10:17,350 --> 02:10:15,840
coming through his house and the message

3062
02:10:18,629 --> 02:10:17,360
was coming through it comes first

3063
02:10:20,470 --> 02:10:18,639

through as the whisper and then it's

3064

02:10:21,990 --> 02:10:20,480
repeated through the channel

3065

02:10:24,069 --> 02:10:22,000
says what's going on and then the

3066

02:10:25,990 --> 02:10:24,079
channel says what's going on

3067

02:10:27,109 --> 02:10:26,000
that's what he does that's his his

3068

02:10:30,390 --> 02:10:27,119
shtick

3069

02:10:32,550 --> 02:10:30,400
right it's like sam kinnison ow ow

3070

02:10:34,229 --> 02:10:32,560
[h__\h] you think that's true

3071

02:10:35,350 --> 02:10:34,239
you're going to be happy how are we

3072

02:10:37,990 --> 02:10:35,360
going to be happy we're going to get

3073

02:10:39,910 --> 02:10:38,000
married to be happy no you're not

3074

02:10:43,350 --> 02:10:39,920
and then [h__\h] andrew dice clay

3075

02:10:44,709 --> 02:10:43,360
hickory dickory dock guido on the block

3076

02:10:45,990 --> 02:10:44,719

tatas

3077

02:10:47,910 --> 02:10:46,000

jiggling

3078

02:10:51,669 --> 02:10:47,920

you know what i mean or [\h__\h] emo

3079

02:10:57,350 --> 02:10:54,390

some people wonder about me on the

3080

02:11:00,149 --> 02:10:57,360

streets and they say that guy emo

3081

02:11:01,030 --> 02:11:00,159

phillips talks really weird

3082

02:11:06,069 --> 02:11:01,040

right

3083

02:11:13,589 --> 02:11:09,270

so i i booked a session with a

3084

02:11:17,270 --> 02:11:16,390

turns out that zebra is my dear one

3085

02:11:20,310 --> 02:11:17,280

right

3086

02:11:22,470 --> 02:11:20,320

everyone's got their schtick

3087

02:11:24,310 --> 02:11:22,480

everyone's got their shtick i haven't

3088

02:11:26,629 --> 02:11:24,320

teller schtick is [h__h] you know what

3089

02:11:28,790 --> 02:11:26,639

i mean he [h__h] he's like laudium you

3090

02:11:30,870 --> 02:11:28,800

know he's like [h__h] you know he's

3091

02:11:32,709 --> 02:11:30,880

like [h__h] you know to be the quaalude

3092

02:11:34,709 --> 02:11:32,719

walking right

3093

02:11:36,709 --> 02:11:34,719

the chain endless people who always say

3094

02:11:39,510 --> 02:11:36,719

the same things and free improvising all

3095

02:11:40,390 --> 02:11:39,520

over the place and correcting as he goes

3096

02:11:44,069 --> 02:11:40,400

so

3097

02:11:45,990 --> 02:11:44,079

the message coming through is that

3098

02:11:48,550 --> 02:11:46,000

it's really coming through that

3099

02:11:49,669 --> 02:11:48,560

well it's okay even though sometimes

3100

02:11:51,510 --> 02:11:49,679

it's not

3101

02:12:05,270 --> 02:11:51,520

you know what i mean god bless them god

3102

02:12:05,280 --> 02:12:11,510

[Music]

3103

02:12:11,520 --> 02:12:18,850

so

3104

02:13:29,590 --> 02:13:27,900

[Music]

3105

02:14:17,370 --> 02:13:29,600

[Applause]
