was recorded some time ago

views and subject matter are products of

00:00:13,030 --> 00:00:10,400

[Music]

7
00:01:08,310 --> 00:01:06,479
welcome back my friends back to the

8
00:01:10,789 --> 00:01:08,320

i'm happy to say that some of you may

10
00:01:15,990 --> 00:01:12,640
actually be listening to the midnight

11
00:01:19,109 --> 00:01:16,000
hour at the midnight hour imagine that

12
00:01:22,950 --> 00:01:19,119
for our premiere of our exclusive

13
00:01:25,190 --> 00:01:22,960

interview with steven bassett of the

14

00:01:28,149 --> 00:01:25,200

paradigm research group

15

00:01:31,109 --> 00:01:28,159

this man has been on the front lines of

16

00:01:33,350 --> 00:01:31,119

the so-called disclosure movement since

17

00:01:36,149 --> 00:01:33,360

its inception

18

00:01:38,789 --> 00:01:36,159

have there really been attempts by

19

00:01:41,670 --> 00:01:38,799

people inside the deep state

20

00:01:43,910 --> 00:01:41,680

or the united states government to

21

00:01:45,109 --> 00:01:43,920

actually push

22

00:01:46,149 --> 00:01:45,119

and

23

00:01:47,350 --> 00:01:46,159

make

24

00:01:50,069 --> 00:01:47,360

official

25

00:01:53,030 --> 00:01:50,079

ufo disclosure and alien visitation

26

00:01:54,710 --> 00:01:53,040

disclosure actually happen

27

00:01:56,950 --> 00:01:54,720

you're going to be surprised

28

00:02:00,069 --> 00:01:56,960

about the amount of evidence that people

29

00:02:03,270 --> 00:02:00,079

inside the government have tried to push

30

00:02:05,590 --> 00:02:03,280

the government into disclosing what they

31

00:02:08,990 --> 00:02:05,600

know about ufos

32

00:02:11,270 --> 00:02:09,000

and aliens and about an apparent

33

00:02:13,589 --> 00:02:11,280

extraterrestrial presence that our

34

00:02:15,190 --> 00:02:13,599

government has known about for quite

35

00:02:17,589 --> 00:02:15,200

some time

36

00:02:19,830 --> 00:02:17,599

now this sounds like the start of a good

37

00:02:21,910 --> 00:02:19,840

science fiction movie

38

00:02:24,070 --> 00:02:21,920

but i gotta tell you folks there's

39

00:02:27,190 --> 00:02:24,080

plenty of meat on the bones and there

40

00:02:30,150 --> 00:02:27,200

have been people at the forefront of

41

00:02:31,670 --> 00:02:30,160

this movement for quite some time and my

42

00:02:34,470 --> 00:02:31,680

guest tonight

43

00:02:37,830 --> 00:02:34,480

steven bassett of the paradigm research

44

00:02:39,990 --> 00:02:37,840

group has been on those front lines

45

00:02:41,990 --> 00:02:40,000

since the beginning

46

00:02:44,390 --> 00:02:42,000

and i gotta tell you

47

00:02:45,910 --> 00:02:44,400

listen to a few of his lectures

48

00:02:48,070 --> 00:02:45,920

on youtube

49

00:02:50,790 --> 00:02:48,080

just google

50

00:02:53,350 --> 00:02:50,800

steven bassett paran research group or

51

00:02:55,670 --> 00:02:53,360

stephen bassett lecturer

52

00:02:56,949 --> 00:02:55,680

and i gotta tell you you better buckle

53

00:03:00,309 --> 00:02:56,959

up because

54

00:03:01,430 --> 00:03:00,319

man is it a bumpy ride he's got a lot of

55

00:03:05,589 --> 00:03:01,440

good

56

00:03:09,110 --> 00:03:05,599

things to say about disclosure and about

57

00:03:11,589 --> 00:03:09,120

what may happen and about

58

00:03:14,710 --> 00:03:11,599

government people that have pushed for

59

00:03:16,869 --> 00:03:14,720

disclosure and he's got the inside track

60

00:03:20,149 --> 00:03:16,879

and he always has the inside track on

61

00:03:22,229 --> 00:03:20,159

this subject for many years now he has

62

00:03:24,630 --> 00:03:22,239

been on the trail of this thing he's

63

00:03:26,309 --> 00:03:24,640

been on the forefront of this thing and

64

00:03:29,589 --> 00:03:26,319

first of all i want to thank him for

65

00:03:32,550 --> 00:03:29,599

that because that's a crazy mission that

66

00:03:34,309 --> 00:03:32,560

i can't imagine

67

00:03:36,390 --> 00:03:34,319

trying to undertake

68

00:03:38,949 --> 00:03:36,400

but he's done this with courage and with

69

00:03:40,710 --> 00:03:38,959

intelligence and with integrity

70

00:03:42,949 --> 00:03:40,720

over many years

71

00:03:46,710 --> 00:03:42,959

and he keeps at it and i gotta tell you

72

00:03:48,789 --> 00:03:46,720

that i admire his perseverance

73

00:03:51,509 --> 00:03:48,799

if nothing else

74

00:03:52,869 --> 00:03:51,519

so ladies and gentlemen if you want to

75

00:03:55,910 --> 00:03:52,879

know about

76

00:03:59,030 --> 00:03:55,920

ufo and alien visitation disclosure is

77

00:04:01,670 --> 00:03:59,040

it really happening is it coming

78

00:04:03,670 --> 00:04:01,680

what's going on

79

00:04:05,670 --> 00:04:03,680

because there's some great evidence

80

00:04:07,429 --> 00:04:05,680

that there's some drip drip form of

81

00:04:09,589 --> 00:04:07,439

disclosure and they're getting us ready

82

00:04:11,670 --> 00:04:09,599

for a big announcement that's what a lot

83

00:04:14,149 --> 00:04:11,680

of people are saying

84

00:04:16,310 --> 00:04:14,159

and like i said our guest tonight has

85

00:04:18,150 --> 00:04:16,320

been on the forefront of this thing

86

00:04:20,150 --> 00:04:18,160

since it began

87

00:04:21,749 --> 00:04:20,160

this whole

88

00:04:24,390 --> 00:04:21,759

movement

89

00:04:27,590 --> 00:04:24,400

to try to push our government into

90

00:04:31,030 --> 00:04:27,600

spilling all of the secrets that is held

91

00:04:35,670 --> 00:04:33,030

there's a lot of secrets in there and he

92

00:04:37,990 --> 00:04:35,680

knows a lot of them and i'm hoping that

93

00:04:40,870 --> 00:04:38,000

tonight he just may share

94

00:04:41,670 --> 00:04:40,880

some of those secrets with me and with

95

00:04:44,790 --> 00:04:41,680

you

96

00:04:48,150 --> 00:04:44,800

my friends and my listeners

97

00:04:51,189 --> 00:04:48,160

now friends without any further ado

98

00:04:52,629 --> 00:04:51,199

we have steven bassett of the paradigm

99

00:04:55,430 --> 00:04:52,639

research group

100

00:04:59,270 --> 00:04:55,440

standing by on the mystery phone

101
00:05:03,670 --> 00:04:59,280
let's get into it

102
00:05:08,150 --> 00:05:06,390
when did you start your research group

103
00:05:10,310 --> 00:05:08,160
and more importantly

104
00:05:12,070 --> 00:05:10,320
why did you feel that that was so

105
00:05:15,510 --> 00:05:12,080
important to dedicate your life to

106
00:05:20,550 --> 00:05:16,710
uh

107
00:05:25,430 --> 00:05:22,870
emerges sometimes organically and you

108
00:05:27,590 --> 00:05:25,440
don't anticipate it but

109
00:05:29,430 --> 00:05:27,600
i i set up a

110
00:05:31,350 --> 00:05:29,440
paradigm research group

111
00:05:34,469 --> 00:05:31,360
as a lobbying

112
00:05:36,629 --> 00:05:34,479
entity in late 1996

113
00:05:38,629 --> 00:05:36,639

on the fall of 96.

114

00:05:40,710 --> 00:05:38,639

but this is after i spent four months

115

00:05:42,070 --> 00:05:40,720

volunteering with john max organization

116

00:05:44,550 --> 00:05:42,080

up in

117

00:05:47,189 --> 00:05:44,560

the boston area

118

00:05:49,990 --> 00:05:47,199

that was the program for extraordinary

119

00:05:50,870 --> 00:05:50,000

experience research pier

120

00:05:53,670 --> 00:05:50,880

and

121

00:05:55,670 --> 00:05:53,680

this was a very interesting time

122

00:05:58,309 --> 00:05:55,680

but it really wasn't a fit for me and i

123

00:06:00,150 --> 00:05:58,319

was thrilled to have my first engagement

124

00:06:04,830 --> 00:06:00,160

of this formal engagement of the issue

125

00:06:07,270 --> 00:06:04,840

be with john contact research work there

126

00:06:09,590 --> 00:06:07,280

um but it wasn't a fit for me it's very

127

00:06:11,189 --> 00:06:09,600

academic setting and that's

128

00:06:12,790 --> 00:06:11,199

not really my

129

00:06:15,270 --> 00:06:12,800

background so

130

00:06:16,870 --> 00:06:15,280

i had to decide what to do next and it

131

00:06:18,150 --> 00:06:16,880

just came to me one one day in the

132

00:06:21,270 --> 00:06:18,160

office i was sitting there trying to

133

00:06:22,950 --> 00:06:21,280

decide what am i gonna do i've gotta

134

00:06:24,790 --> 00:06:22,960

pretty much move on here shortly and

135

00:06:26,309 --> 00:06:24,800

then it just there it was i lived in

136

00:06:28,469 --> 00:06:26,319

washington off and on for years my

137

00:06:30,150 --> 00:06:28,479

family had family that goes back there

138

00:06:32,309 --> 00:06:30,160

like got 80 years

139

00:06:33,430 --> 00:06:32,319

i knew washington well

140

00:06:35,990 --> 00:06:33,440

and

141

00:06:41,749 --> 00:06:38,870

the key the key point that i that i had

142

00:06:43,430 --> 00:06:41,759

come to understand was that the the the

143

00:06:46,550 --> 00:06:43,440

problem with the extraterrestrial issue

144

00:06:48,070 --> 00:06:46,560

was not science it was politics there

145

00:06:50,550 --> 00:06:48,080

had been enough signs to prove it many

146

00:06:51,830 --> 00:06:50,560

times over enough evidence it wasn't

147

00:06:53,270 --> 00:06:51,840

resolved because there was a political

148

00:06:55,270 --> 00:06:53,280

decision on the part of the government

149

00:06:56,950 --> 00:06:55,280

that it would not be resolved

150

00:06:58,870 --> 00:06:56,960

that it would be embargoed

151

00:07:00,830 --> 00:06:58,880

it would be suppressed and so the

152

00:07:02,950 --> 00:07:00,840

solution was a political solution

153

00:07:04,710 --> 00:07:02,960

therefore let's engage it politically

154

00:07:06,790 --> 00:07:04,720

how would you do that well one good

155

00:07:08,309 --> 00:07:06,800

simple way which is easy and doesn't

156

00:07:10,230 --> 00:07:08,319

cost anything is to register as a

157

00:07:11,749 --> 00:07:10,240

lobbyist

158

00:07:13,029 --> 00:07:11,759

the moment that thought came in my mind

159

00:07:14,950 --> 00:07:13,039

it occurred to me that probably nobody

160

00:07:16,790 --> 00:07:14,960

had ever done that

161

00:07:18,230 --> 00:07:16,800

and that was true

162

00:07:21,029 --> 00:07:18,240

so i needed to get myself down to

163

00:07:23,189 --> 00:07:21,039

washington and register as a lobbyist

164

00:07:25,670 --> 00:07:23,199

in case somebody else beat me to it

165

00:07:28,150 --> 00:07:25,680

and uh so i got down there i arrived on

166

00:07:31,029 --> 00:07:28,160

july the 4th believe it or not 1996.

167

00:07:32,230 --> 00:07:31,039

that seems shortly yeah it is fitting

168

00:07:33,990 --> 00:07:32,240

and shortly thereafter i've registered

169

00:07:36,150 --> 00:07:34,000

as a lobbyist as the first person to do

170

00:07:37,909 --> 00:07:36,160

so that that registration was picked up

171

00:07:40,309 --> 00:07:37,919

by the news people the washington post

172

00:07:42,390 --> 00:07:40,319

interviewed me and off i went so it was

173

00:07:45,430 --> 00:07:42,400

it was it was a really wonderful coming

174

00:07:46,710 --> 00:07:45,440

together of instinct and circumstance

175

00:07:48,710 --> 00:07:46,720

and also

176

00:07:50,869 --> 00:07:48,720

my connection to washington that led me

177

00:07:52,309 --> 00:07:50,879

to be the first lobbyist finally about a

178

00:07:54,390 --> 00:07:52,319

year and a half ago a year ago the

179

00:07:56,230 --> 00:07:54,400

second one finally registered and that's

180

00:07:58,150 --> 00:07:56,240

chase klotzky oh that was going to be my

181

00:08:00,390 --> 00:07:58,160

next question are you still the only one

182

00:08:02,390 --> 00:08:00,400

or is there another now no longer chase

183

00:08:06,150 --> 00:08:02,400

klosky was number two

184

00:08:08,390 --> 00:08:06,160

i only took 20 some years 20.

185

00:08:10,550 --> 00:08:08,400

maybe you can gang up on some of these

186

00:08:13,350 --> 00:08:10,560

senators and things i guess

187

00:08:15,189 --> 00:08:13,360

i anticipate working work with her when

188

00:08:17,430 --> 00:08:15,199

i get back to washington later this year

189

00:08:20,150 --> 00:08:17,440

yes oh well that's good to hear

190

00:08:22,469 --> 00:08:20,160

and i guess the the next question i i

191

00:08:24,309 --> 00:08:22,479

really want to talk to you in depth if

192

00:08:27,430 --> 00:08:24,319

possible about the rockefeller

193

00:08:29,589 --> 00:08:27,440

initiative because for people who aren't

194

00:08:32,230 --> 00:08:29,599

really aware of some of this history

195

00:08:34,870 --> 00:08:32,240

it's kind of mind-blowing that that that

196

00:08:35,909 --> 00:08:34,880

even happened or almost happened can you

197

00:08:37,750 --> 00:08:35,919

tell us

198

00:08:40,709 --> 00:08:37,760

because i i've heard you speak about

199

00:08:42,709 --> 00:08:40,719

this in detail about what was the

200

00:08:45,350 --> 00:08:42,719

rockefeller initiative

201
00:08:46,470 --> 00:08:45,360
and and what happened with that

202
00:08:48,630 --> 00:08:46,480
certainly

203
00:08:50,150 --> 00:08:48,640
uh by the way for your listeners almost

204
00:08:52,389 --> 00:08:50,160
everything we're talking about you can

205
00:08:54,030 --> 00:08:52,399
find a lot of material my website which

206
00:08:56,070 --> 00:08:54,040
is paradigm

207
00:08:58,630 --> 00:08:56,080
researchgroup.org or just google my name

208
00:09:00,550 --> 00:08:58,640
steven bassett comes right up yeah and

209
00:09:02,230 --> 00:09:00,560
you've also got some excellent excellent

210
00:09:03,829 --> 00:09:02,240
talks about all these subjects on

211
00:09:05,590 --> 00:09:03,839
youtube you just search paradigm

212
00:09:07,750 --> 00:09:05,600
research group or stephen bassett

213
00:09:09,509 --> 00:09:07,760

lecture on youtube and you'll find a

214

00:09:11,190 --> 00:09:09,519

wealth of information more than we could

215

00:09:12,389 --> 00:09:11,200

cover today

216

00:09:14,389 --> 00:09:12,399

yeah and i have a channel of course

217

00:09:17,190 --> 00:09:14,399

paradigm research group where a great

218

00:09:19,910 --> 00:09:17,200

deal of this and more very soon has been

219

00:09:21,990 --> 00:09:19,920

consolidated so there's like hundreds of

220

00:09:24,870 --> 00:09:22,000

uh videos up there and quite a few of

221

00:09:25,910 --> 00:09:24,880

them are about my my presentations

222

00:09:27,190 --> 00:09:25,920

uh

223

00:09:28,389 --> 00:09:27,200

look the rockefeller initiative was one

224

00:09:30,150 --> 00:09:28,399

of the most important things in the

225

00:09:31,990 --> 00:09:30,160

history of the disclosure process of

226

00:09:33,910 --> 00:09:32,000

disclosure movement

227

00:09:36,790 --> 00:09:33,920

it was a touchstone event and our

228

00:09:39,350 --> 00:09:36,800

milestone event rather

229

00:09:42,150 --> 00:09:39,360

which has influenced a great deal of

230

00:09:44,550 --> 00:09:42,160

what's happened since

231

00:09:46,389 --> 00:09:44,560

for a lot of reasons again i give two

232

00:09:47,910 --> 00:09:46,399

hour lectures on this so let me try to

233

00:09:48,790 --> 00:09:47,920

be brief

234

00:09:50,710 --> 00:09:48,800

but

235

00:09:53,910 --> 00:09:50,720

the long and the short of it

236

00:09:56,150 --> 00:09:53,920

is that when the cold war ended the

237

00:09:58,230 --> 00:09:56,160

principal barrier to a political

238

00:10:00,230 --> 00:09:58,240

solution to the e.t issue

239

00:10:02,949 --> 00:10:00,240

was lowered it wasn't the only barrier

240

00:10:05,829 --> 00:10:02,959

but it was the most important one

241

00:10:07,590 --> 00:10:05,839

for the 44 years from 47 to 91

242

00:10:10,550 --> 00:10:07,600

the military intelligence community and

243

00:10:12,069 --> 00:10:10,560

the political uh power structure was not

244

00:10:13,190 --> 00:10:12,079

going to allow

245

00:10:15,190 --> 00:10:13,200

uh acknowledgement of the

246

00:10:16,630 --> 00:10:15,200

extraterrestrial issue not while there

247

00:10:19,910 --> 00:10:16,640

were tens of thousands of nuclear

248

00:10:21,750 --> 00:10:19,920

weapons on a immediate alert that if

249

00:10:23,910 --> 00:10:21,760

launched would have destroyed basically

250

00:10:26,310 --> 00:10:23,920

human civilization

251

00:10:28,870 --> 00:10:26,320

it was just too big a variable

252

00:10:31,030 --> 00:10:28,880

to drop into that mix

253

00:10:32,949 --> 00:10:31,040

so it wasn't going to happen

254

00:10:34,870 --> 00:10:32,959

uh the et issue was always a national

255

00:10:37,910 --> 00:10:34,880

security matter and you combine that

256

00:10:40,230 --> 00:10:37,920

with mutual assured destruction and its

257

00:10:42,310 --> 00:10:40,240

national security

258

00:10:44,470 --> 00:10:42,320

uh on steroids so

259

00:10:45,509 --> 00:10:44,480

when the cold war ends that barrier

260

00:10:48,150 --> 00:10:45,519

drops

261

00:10:49,509 --> 00:10:48,160

and a lot of people i think at the time

262

00:10:51,590 --> 00:10:49,519

though

263

00:10:54,389 --> 00:10:51,600

they may not have said so

264

00:10:58,230 --> 00:10:54,399

even at the high high ends of of

265

00:11:00,470 --> 00:10:58,240

politics and economics and what have you

266

00:11:01,750 --> 00:11:00,480

thought maybe it was time for the people

267

00:11:03,910 --> 00:11:01,760

to know the truth one of those was

268

00:11:05,350 --> 00:11:03,920

lawrence rockefeller billionaire

269

00:11:07,350 --> 00:11:05,360

environmentalist

270

00:11:11,030 --> 00:11:07,360

uh philanthropist

271

00:11:12,389 --> 00:11:11,040

who uh had been involved in issues like

272

00:11:15,269 --> 00:11:12,399

this for a while

273

00:11:17,590 --> 00:11:15,279

had supported people like john mack and

274

00:11:18,630 --> 00:11:17,600

and others he he

275

00:11:22,790 --> 00:11:18,640

he was

276

00:11:24,870 --> 00:11:22,800

his brothers

277

00:11:27,110 --> 00:11:24,880

he was very different uh he was kind of

278

00:11:29,509 --> 00:11:27,120

like the not the black sheep family but

279

00:11:30,949 --> 00:11:29,519

certainly the odd sheep of the family

280

00:11:33,269 --> 00:11:30,959

he made the decision whoever won that

281

00:11:35,829 --> 00:11:33,279

election in 1992 he was going to

282

00:11:37,590 --> 00:11:35,839

approach that administration

283

00:11:39,509 --> 00:11:37,600

in a concerted effort to convince

284

00:11:41,030 --> 00:11:39,519

whoever the president was to release all

285

00:11:42,949 --> 00:11:41,040

the files

286

00:11:44,550 --> 00:11:42,959

which is essentially code words for in

287

00:11:47,110 --> 00:11:44,560

the truth embargo because if you

288

00:11:49,350 --> 00:11:47,120

actually released all the files

289

00:11:51,750 --> 00:11:49,360

uh meaning declassified all the files in

290

00:11:54,150 --> 00:11:51,760

the government archives regarding the

291

00:11:55,670 --> 00:11:54,160

phenomena going back to the 40s

292

00:11:56,870 --> 00:11:55,680

it would be the end of the embargo it'd

293

00:11:57,829 --> 00:11:56,880

be over

294

00:12:00,069 --> 00:11:57,839

that's what he wanted he wanted

295

00:12:02,230 --> 00:12:00,079

disclosure that term was not in play yet

296

00:12:05,190 --> 00:12:02,240

i helped to bring that out later

297

00:12:07,110 --> 00:12:05,200

uh and make that term stick but

298

00:12:08,470 --> 00:12:07,120

he he made that decision and so he

299

00:12:11,590 --> 00:12:08,480

approached the clinton administration

300

00:12:14,790 --> 00:12:11,600

with a faxed uh request through his

301

00:12:15,910 --> 00:12:14,800

attorney henry diamond on march 29 1993

302

00:12:18,550 --> 00:12:15,920

about

303

00:12:19,430 --> 00:12:18,560

uh two months after clinton had taken

304

00:12:21,590 --> 00:12:19,440

office

305

00:12:23,110 --> 00:12:21,600

very very quickly

306

00:12:25,829 --> 00:12:23,120

and thus began the rockefeller

307

00:12:26,949 --> 00:12:25,839

initiative which uh clinton was kind of

308

00:12:29,750 --> 00:12:26,959

forced to

309

00:12:31,590 --> 00:12:29,760

entertain uh because uh rockefeller was

310

00:12:33,430 --> 00:12:31,600

a big donor to the democratic national

311

00:12:34,790 --> 00:12:33,440

committee and other democratic

312

00:12:36,790 --> 00:12:34,800

candidates

313

00:12:39,990 --> 00:12:36,800

they knew him it wasn't like they could

314

00:12:42,069 --> 00:12:40,000

tell him to pounce in but clinton

315

00:12:44,629 --> 00:12:42,079

really came into washington as a out of

316

00:12:46,790 --> 00:12:44,639

nowhere governor of arkansas with no

317

00:12:49,110 --> 00:12:46,800

military intelligence connections

318

00:12:50,550 --> 00:12:49,120

not a lot of political clout had some

319

00:12:51,990 --> 00:12:50,560

popularity

320

00:12:53,829 --> 00:12:52,000

but the military intelligence complex

321

00:12:55,430 --> 00:12:53,839

wanted nothing to do with them so it

322

00:12:56,870 --> 00:12:55,440

wasn't going to be easy for him to

323

00:12:58,389 --> 00:12:56,880

engage the issue but he's the one that

324

00:13:00,230 --> 00:12:58,399

won if bush had won

325

00:13:02,310 --> 00:13:00,240

uh he would have he would have

326

00:13:04,310 --> 00:13:02,320

approached bush and frankly if bush had

327

00:13:06,870 --> 00:13:04,320

won i think we'd had disclosure

328

00:13:08,790 --> 00:13:06,880

uh in the 1990s uh under a bush

329

00:13:11,030 --> 00:13:08,800

administration yeah because he had and

330

00:13:13,430 --> 00:13:11,040

he he was in bed with the intelligence

331

00:13:14,470 --> 00:13:13,440

community being a former cia director

332

00:13:16,310 --> 00:13:14,480

right

333

00:13:19,670 --> 00:13:16,320

he was more than in bed he would they

334

00:13:20,470 --> 00:13:19,680

were married they're living together

335

00:13:23,030 --> 00:13:20,480

uh

336

00:13:23,910 --> 00:13:23,040

and he was highly respected and so

337

00:13:26,150 --> 00:13:23,920

it would have been a much more

338

00:13:27,990 --> 00:13:26,160

comfortable enterprise under a bush

339

00:13:30,629 --> 00:13:28,000

administration but it was clinton

340

00:13:33,030 --> 00:13:30,639

so this re this this initiative lasted

341

00:13:35,190 --> 00:13:33,040

for three years and was wrapped up in

342

00:13:37,829 --> 00:13:35,200

october of 96.

343

00:13:40,310 --> 00:13:37,839

uh clinton was stonewalled without

344

00:13:41,750 --> 00:13:40,320

question by his own administration

345

00:13:43,829 --> 00:13:41,760

he got angry

346

00:13:45,110 --> 00:13:43,839

he forced them to try to do some things

347

00:13:47,750 --> 00:13:45,120

but ultimately

348

00:13:48,720 --> 00:13:47,760

uh he he couldn't get it done but

349

00:13:49,829 --> 00:13:48,730

nevertheless

350

00:13:51,590 --> 00:13:49,839

[Music]

351
00:13:54,470 --> 00:13:51,600
a lot of very significant important

352
00:13:56,150 --> 00:13:54,480
people were connected to this initiative

353
00:13:58,629 --> 00:13:56,160
who would continue to be employed

354
00:14:01,910 --> 00:13:58,639
politically for the next 25 years and

355
00:14:04,310 --> 00:14:01,920
that is bill clinton as the ex-president

356
00:14:06,710 --> 00:14:04,320
hillary clinton as a senator

357
00:14:08,790 --> 00:14:06,720
uh a uh

358
00:14:10,790 --> 00:14:08,800
uh secretary of state candidate twice

359
00:14:13,350 --> 00:14:10,800
for president leon panetta who would

360
00:14:15,590 --> 00:14:13,360
become secretary of defense and and see

361
00:14:17,509 --> 00:14:15,600
and uh um

362
00:14:19,030 --> 00:14:17,519
see what was the other thing he was

363
00:14:22,790 --> 00:14:19,040

might have been cia director i think it

364

00:14:25,910 --> 00:14:22,800

was uh john podesta political operative

365

00:14:25,920 --> 00:14:29,350

al gore knew about it

366

00:14:33,030 --> 00:14:31,269

george stephanopoulos knew about it but

367

00:14:35,670 --> 00:14:33,040

he and he when he went into media but

368

00:14:36,470 --> 00:14:35,680

and and and and all the time he's been

369

00:14:38,150 --> 00:14:36,480

in

370

00:14:39,990 --> 00:14:38,160

a news big shot he's never addressed the

371

00:14:42,069 --> 00:14:40,000

issue which is something i'd like to ask

372

00:14:45,350 --> 00:14:42,079

him face to face one day

373

00:14:47,430 --> 00:14:45,360

uh webster hubble and others

374

00:14:49,110 --> 00:14:47,440

these people were not going to go away

375

00:14:50,870 --> 00:14:49,120

and they they knew about this initiative

376

00:14:53,750 --> 00:14:50,880

they knew about the stonewalling and

377

00:14:56,870 --> 00:14:53,760

they made the decision when as clinton

378

00:14:59,910 --> 00:14:56,880

is running for his second term

379

00:15:01,590 --> 00:14:59,920

uh with scandals at his door that okay

380

00:15:03,110 --> 00:15:01,600

it didn't work let us never talk about

381

00:15:04,069 --> 00:15:03,120

this again

382

00:15:06,230 --> 00:15:04,079

until

383

00:15:07,990 --> 00:15:06,240

it's appropriate for us to do so meaning

384

00:15:10,550 --> 00:15:08,000

one of us is president

385

00:15:13,110 --> 00:15:10,560

gore just missed clinton just missed

386

00:15:14,870 --> 00:15:13,120

uh twice uh

387

00:15:18,310 --> 00:15:14,880

and as a result

388

00:15:19,590 --> 00:15:18,320

this connection to the et issue which

389

00:15:22,230 --> 00:15:19,600

begins

390

00:15:23,990 --> 00:15:22,240

about by by a significant political team

391

00:15:26,790 --> 00:15:24,000

the clinton team which begins with the

392

00:15:30,870 --> 00:15:26,800

rockefeller initiative march 1993

393

00:15:34,710 --> 00:15:30,880

finally becomes a significant

394

00:15:37,030 --> 00:15:34,720

matter in the 2016 election and so

395

00:15:39,110 --> 00:15:37,040

there is a through line all the way from

396

00:15:41,430 --> 00:15:39,120

the rockefeller initiative to

397

00:15:43,350 --> 00:15:41,440

the 2016 election which i am extremely

398

00:15:45,030 --> 00:15:43,360

familiar with and in due course i'm

399

00:15:47,189 --> 00:15:45,040

going to write a book about

400

00:15:49,030 --> 00:15:47,199

uh from my perspective

401
00:15:51,509 --> 00:15:49,040
uh if i can ever

402
00:15:55,670 --> 00:15:51,519
sit down and sit still yeah you're a

403
00:16:00,389 --> 00:15:58,629
guy so it's not easy for me

404
00:16:01,430 --> 00:16:00,399
well so that's a short answer to your

405
00:16:03,829 --> 00:16:01,440
question

406
00:16:05,430 --> 00:16:03,839
in regard to the 2016 election like you

407
00:16:07,350 --> 00:16:05,440
mentioned john podesta and there's

408
00:16:10,069 --> 00:16:07,360
there's there's wikileaks emails where

409
00:16:12,870 --> 00:16:10,079
he's like talking about ufos still and

410
00:16:14,870 --> 00:16:12,880
he has that famous tweet where he said

411
00:16:16,470 --> 00:16:14,880
something like i wasn't able to force

412
00:16:18,629 --> 00:16:16,480
disclosure

413
00:16:21,749 --> 00:16:18,639

it was one of his regrets

414

00:16:24,629 --> 00:16:21,759

oh yeah that was pr that was me that was

415

00:16:26,230 --> 00:16:24,639

prg behind all that uh that story is not

416

00:16:27,749 --> 00:16:26,240

well known but it will get known because

417

00:16:30,389 --> 00:16:27,759

there's several

418

00:16:31,990 --> 00:16:30,399

profiles in significant publications i

419

00:16:34,389 --> 00:16:32,000

think coming

420

00:16:36,150 --> 00:16:34,399

about all that and prg

421

00:16:37,829 --> 00:16:36,160

though it'll be later this year august

422

00:16:39,430 --> 00:16:37,839

september

423

00:16:40,710 --> 00:16:39,440

but uh

424

00:16:51,910 --> 00:16:40,720

i

425

00:16:55,110 --> 00:16:51,920

goal

426
00:16:58,150 --> 00:16:55,120
to force the et issue to explode into

427
00:17:00,069 --> 00:16:58,160
this huge expensive campaign

428
00:17:01,910 --> 00:17:00,079
because one hillary clinton was the

429
00:17:03,749 --> 00:17:01,920
leading candidate to win the presidency

430
00:17:05,429 --> 00:17:03,759
into the rockefeller initiative

431
00:17:06,630 --> 00:17:05,439
connection the whole clinton et

432
00:17:08,710 --> 00:17:06,640
connection

433
00:17:10,470 --> 00:17:08,720
which had been covered and was kind of

434
00:17:12,870 --> 00:17:10,480
known but they had managed to stay away

435
00:17:14,870 --> 00:17:12,880
from it in any way that was significant

436
00:17:16,789 --> 00:17:14,880
but now under those conditions we

437
00:17:18,789 --> 00:17:16,799
thought we could force it we did

438
00:17:20,150 --> 00:17:18,799

we force the issue out hundreds of

439

00:17:22,150 --> 00:17:20,160

articles were written and there was so

440

00:17:24,309 --> 00:17:22,160

much pressure on the clinton team

441

00:17:26,150 --> 00:17:24,319

that members of that team including

442

00:17:28,309 --> 00:17:26,160

president clinton hillary clinton john

443

00:17:30,310 --> 00:17:28,319

podesta even barack obama

444

00:17:32,310 --> 00:17:30,320

had to give controlled

445

00:17:34,870 --> 00:17:32,320

limited hangout statements about the et

446

00:17:38,230 --> 00:17:34,880

issue which generated even more press

447

00:17:40,789 --> 00:17:38,240

uh and got a lot of people's attention

448

00:17:42,310 --> 00:17:40,799

uh i didn't hurt her in in her campaign

449

00:17:44,470 --> 00:17:42,320

i don't think it cost her a single vote

450

00:17:46,390 --> 00:17:44,480

might even got her votes

451
00:17:48,070 --> 00:17:46,400
and that was that was my work i was

452
00:17:51,270 --> 00:17:48,080
working with my publicist in washington

453
00:17:53,190 --> 00:17:51,280
for two solid years and we had we had

454
00:17:55,190 --> 00:17:53,200
hoped that the debates

455
00:17:58,470 --> 00:17:55,200
it would get into the debates

456
00:18:00,549 --> 00:17:58,480
but the the presidential bait system is

457
00:18:01,669 --> 00:18:00,559
awfully is terrible it's corrupt it's

458
00:18:03,830 --> 00:18:01,679
awful

459
00:18:05,830 --> 00:18:03,840
and uh a waste of time at the very least

460
00:18:07,029 --> 00:18:05,840
they were entertaining this time around

461
00:18:08,390 --> 00:18:07,039
that's for sure

462
00:18:10,390 --> 00:18:08,400
yeah entertaining as far as helping

463
00:18:13,029 --> 00:18:10,400

america advance its interest not really

464

00:18:14,390 --> 00:18:13,039

yeah so yeah and because the entire

465

00:18:16,870 --> 00:18:14,400

debate

466

00:18:18,710 --> 00:18:16,880

moderating teams never asked a single

467

00:18:20,549 --> 00:18:18,720

e.t question in spite of articles all

468

00:18:21,830 --> 00:18:20,559

over the world on the subject of clinton

469

00:18:23,430 --> 00:18:21,840

and et's

470

00:18:25,270 --> 00:18:23,440

she was able to pretty much get through

471

00:18:30,070 --> 00:18:25,280

it and then they never they never spoke

472

00:18:32,390 --> 00:18:30,080

again after june uh two of 2016 and then

473

00:18:34,310 --> 00:18:32,400

uh the public learned about more about

474

00:18:36,310 --> 00:18:34,320

this connection when the wikileaks

475

00:18:39,350 --> 00:18:36,320

emails were released but i got to tell

476

00:18:40,870 --> 00:18:39,360

you i was on there i was on that thing

477

00:18:43,190 --> 00:18:40,880

typing in search

478

00:18:46,150 --> 00:18:43,200

you know search queries as soon as it

479

00:18:48,310 --> 00:18:46,160

was up and uh i found some of that stuff

480

00:18:49,830 --> 00:18:48,320

earlier than most people and i was

481

00:18:52,070 --> 00:18:49,840

shocked and amazed by what they were

482

00:18:54,390 --> 00:18:52,080

talking about in some of those emails

483

00:18:56,470 --> 00:18:54,400

certainly at my website in the blog

484

00:18:57,990 --> 00:18:56,480

section disclosure wire blog

485

00:19:00,789 --> 00:18:58,000

i've actually got

486

00:19:02,070 --> 00:19:00,799

uh all all 95

487

00:19:04,230 --> 00:19:02,080

of the

488

00:19:05,510 --> 00:19:04,240

emails in the podesta file with an et

489

00:19:06,549 --> 00:19:05,520
reference

490

00:19:11,510 --> 00:19:06,559
are

491

00:19:13,430 --> 00:19:11,520
and links to the actual email

492

00:19:15,669 --> 00:19:13,440
in the wikileaks files so

493

00:19:17,350 --> 00:19:15,679
uh people can go and look at them all

494

00:19:19,750 --> 00:19:17,360
the most important thing that emerged

495

00:19:22,630 --> 00:19:19,760
out of that was the the fact that the to

496

00:19:24,789 --> 00:19:22,640
the stars uh academy people

497

00:19:25,990 --> 00:19:24,799
eventually it was announced in 2017 that

498

00:19:27,510 --> 00:19:26,000
tom delong

499

00:19:29,669 --> 00:19:27,520
representing that project had already

500

00:19:31,669 --> 00:19:29,679
approached the podesta uh the clinton

501
00:19:33,270 --> 00:19:31,679
administration through podesta

502
00:19:34,870 --> 00:19:33,280
because they they were pretty sure

503
00:19:35,909 --> 00:19:34,880
clinton was going to win and so that

504
00:19:38,950 --> 00:19:35,919
came out

505
00:19:41,270 --> 00:19:38,960
uh thus increasing the connection

506
00:19:42,310 --> 00:19:41,280
uh but again that did not cost her the

507
00:19:44,630 --> 00:19:42,320
election

508
00:19:46,390 --> 00:19:44,640
if she had embraced the e.t issue and

509
00:19:48,630 --> 00:19:46,400
and her connection to it

510
00:19:50,630 --> 00:19:48,640
and really shaking the trees yeah that

511
00:19:52,230 --> 00:19:50,640
might have put it over the top it would

512
00:19:53,909 --> 00:19:52,240
have won in the white house i can i

513
00:19:55,350 --> 00:19:53,919

would be happy to debate any member of

514

00:19:57,990 --> 00:19:55,360

the clinton team

515

00:19:59,909 --> 00:19:58,000

in any uh decent public forum

516

00:20:02,310 --> 00:19:59,919

that that simple question

517

00:20:04,310 --> 00:20:02,320

had you spoken truth to power on the e.t

518

00:20:07,830 --> 00:20:04,320

issue in that election would it hurt you

519

00:20:09,669 --> 00:20:07,840

or helped you and i i i would be very

520

00:20:10,950 --> 00:20:09,679

persuasive that it would have won her

521

00:20:12,950 --> 00:20:10,960

the white house

522

00:20:15,430 --> 00:20:12,960

yeah now you mentioned

523

00:20:17,430 --> 00:20:15,440

to the stars academy i've got a lot of

524

00:20:20,149 --> 00:20:17,440

listeners that wanted me to ask you

525

00:20:21,830 --> 00:20:20,159

specifically about them because even

526

00:20:23,750 --> 00:20:21,840

people that are intensely interested in

527

00:20:25,590 --> 00:20:23,760

these subjects

528

00:20:27,110 --> 00:20:25,600

i don't want to say they're extremely

529

00:20:29,909 --> 00:20:27,120

distrustful let's just say they're

530

00:20:31,510 --> 00:20:29,919

distrustful of this to the stars academy

531

00:20:33,029 --> 00:20:31,520

initiative

532

00:20:34,390 --> 00:20:33,039

you know i hear a lot of things mostly

533

00:20:37,830 --> 00:20:34,400

because it's like a poor

534

00:20:39,270 --> 00:20:37,840

for-profit kind of thing with them and

535

00:20:41,350 --> 00:20:39,280

he's also

536

00:20:42,950 --> 00:20:41,360

sort of uh

537

00:20:45,029 --> 00:20:42,960

i guess kind of like

538

00:20:46,870 --> 00:20:45,039

just kind of stalled you know they made

539

00:20:49,110 --> 00:20:46,880

a lot of promises and then and then it

540

00:20:51,510 --> 00:20:49,120

seems like if there is anything coming

541

00:20:52,710 --> 00:20:51,520

from them it's just a such a slow drip

542

00:20:54,789 --> 00:20:52,720

drip

543

00:20:56,789 --> 00:20:54,799

uh what do you think

544

00:20:58,390 --> 00:20:56,799

about them and then the other reason

545

00:21:00,310 --> 00:20:58,400

that people distrust them is because of

546

00:21:01,669 --> 00:21:00,320

the number of people that are in that

547

00:21:03,830 --> 00:21:01,679

organization that are former

548

00:21:06,470 --> 00:21:03,840

intelligence members and what are you

549

00:21:08,070 --> 00:21:06,480

what is your take on them

550

00:21:09,750 --> 00:21:08,080

it's understandable that

551
00:21:10,789 --> 00:21:09,760
most people simply don't know enough

552
00:21:11,380 --> 00:21:10,799
about it

553
00:21:13,430 --> 00:21:11,390
to

554
00:21:16,710 --> 00:21:13,440
[Music]

555
00:21:19,110 --> 00:21:16,720
arrive at the understanding that i have

556
00:21:20,390 --> 00:21:19,120
but i get that first of all

557
00:21:25,830 --> 00:21:20,400
the

558
00:21:28,310 --> 00:21:25,840
structure in america have earned massive

559
00:21:31,110 --> 00:21:28,320
distrust from the american people

560
00:21:33,270 --> 00:21:31,120
the lies the bad wars the whole nine

561
00:21:34,710 --> 00:21:33,280
yards uh

562
00:21:36,950 --> 00:21:34,720
trust in government

563
00:21:39,270 --> 00:21:36,960

trust in the congress

564

00:21:40,950 --> 00:21:39,280

uh is extraordinarily low and the trust

565

00:21:42,549 --> 00:21:40,960

in media has dropped off

566

00:21:44,470 --> 00:21:42,559

but let's just talk about the military

567

00:21:45,990 --> 00:21:44,480

intelligence complex and so not

568

00:21:48,630 --> 00:21:46,000

surprisingly anything that's going to

569

00:21:53,909 --> 00:21:48,640

emerge out of there is going to be

570

00:21:56,070 --> 00:21:53,919

viewed with distrust i fully expect that

571

00:21:58,470 --> 00:21:56,080

as far as the fact that part of the to

572

00:22:00,070 --> 00:21:58,480

the stars academy's launch was

573

00:22:02,710 --> 00:22:00,080

a public service corporation so they

574

00:22:04,149 --> 00:22:02,720

could raise money to do what they do

575

00:22:05,029 --> 00:22:04,159

what can i say

576
00:22:12,149 --> 00:22:05,039
you've got

577
00:22:13,510 --> 00:22:12,159
uh

578
00:22:14,470 --> 00:22:13,520
and

579
00:22:15,510 --> 00:22:14,480
they are

580
00:22:17,029 --> 00:22:15,520
um

581
00:22:19,510 --> 00:22:17,039
uh

582
00:22:22,070 --> 00:22:19,520
space

583
00:22:23,750 --> 00:22:22,080
as as as for-profit companies and people

584
00:22:24,870 --> 00:22:23,760
are loving it

585
00:22:26,710 --> 00:22:24,880
so

586
00:22:27,590 --> 00:22:26,720
that's just a it to me that's a moot

587
00:22:29,270 --> 00:22:27,600
point

588
00:22:31,990 --> 00:22:29,280

uh

589

00:22:33,590 --> 00:22:32,000

when it comes to the et issue in general

590

00:22:35,510 --> 00:22:33,600

uh the the truth embargo and the

591

00:22:37,510 --> 00:22:35,520

suppression has been has made it nearly

592

00:22:39,669 --> 00:22:37,520

impossible to raise money

593

00:22:41,830 --> 00:22:39,679

for this uh and which is what you have

594

00:22:43,350 --> 00:22:41,840

to do whether you're a non-profit or

595

00:22:45,029 --> 00:22:43,360

well if you're a nonprofit certainly to

596

00:22:46,549 --> 00:22:45,039

raise money

597

00:22:48,390 --> 00:22:46,559

the government's lied about it for 70

598

00:22:50,470 --> 00:22:48,400

years people are scared of the issue so

599

00:22:51,909 --> 00:22:50,480

you can't raise money so if if you can

600

00:22:53,270 --> 00:22:51,919

turn it into a

601
00:22:54,630 --> 00:22:53,280

a

602
00:22:56,070 --> 00:22:54,640

for-profit

603
00:22:57,430 --> 00:22:56,080

uh public service company where people

604
00:22:58,950 --> 00:22:57,440

can actually make some money from it

605
00:23:00,710 --> 00:22:58,960

that may bring some money in it did it

606
00:23:02,390 --> 00:23:00,720

brought two and a half million

607
00:23:04,149 --> 00:23:02,400

uh but one of the ways the government

608
00:23:06,710 --> 00:23:04,159

has maintained the truth embargo is to

609
00:23:09,510 --> 00:23:06,720

try to shame people if you talk about it

610
00:23:11,590 --> 00:23:09,520

shame if you try to study it shame if

611
00:23:13,029 --> 00:23:11,600

you bring it up in a university shame if

612
00:23:15,270 --> 00:23:13,039

you try to get money to do what you're

613
00:23:17,590 --> 00:23:15,280

doing shame if you do anything to make

614

00:23:19,510 --> 00:23:17,600

money or make it a profit thing shame

615

00:23:22,149 --> 00:23:19,520

this is this is crap

616

00:23:25,110 --> 00:23:22,159

this is the government which has got so

617

00:23:27,110 --> 00:23:25,120

many much shame to account for i mean it

618

00:23:29,590 --> 00:23:27,120

will take the rest of this century the

619

00:23:31,029 --> 00:23:29,600

united states government to account for

620

00:23:33,990 --> 00:23:31,039

all the things that it has done for

621

00:23:36,710 --> 00:23:34,000

which it should be shamed so i have zero

622

00:23:39,830 --> 00:23:36,720

sympathy for that um

623

00:23:41,990 --> 00:23:39,840

and i hope they raise another 25 million

624

00:23:44,470 --> 00:23:42,000

uh i kind of leave them off the hook of

625

00:23:46,549 --> 00:23:44,480

the of the money personally i do a lot

626
00:23:47,830 --> 00:23:46,559
of people don't but like you know money

627
00:23:49,029 --> 00:23:47,840
makes the world go round if you're going

628
00:23:51,510 --> 00:23:49,039
to do anything you're going to need

629
00:23:53,350 --> 00:23:51,520
money but i think money it's about what

630
00:23:54,870 --> 00:23:53,360
you do with it yeah but you know what i

631
00:23:56,710 --> 00:23:54,880
mean i mean money moves mountains and if

632
00:23:58,549 --> 00:23:56,720
you're going to go on this huge mission

633
00:23:59,590 --> 00:23:58,559
you're going to need funding even if

634
00:24:01,510 --> 00:23:59,600
just for

635
00:24:04,230 --> 00:24:01,520
apparently they have metal samples and

636
00:24:06,950 --> 00:24:04,240
some other things and and that is very

637
00:24:08,870 --> 00:24:06,960
costly to get the you know the analysis

638
00:24:11,190 --> 00:24:08,880

done on on that kind of stuff to study

639

00:24:13,669 --> 00:24:11,200

the materials so i give them a pass on

640

00:24:15,590 --> 00:24:13,679

the money personally but i am extremely

641

00:24:16,950 --> 00:24:15,600

distrustful of anybody that's a former

642

00:24:18,710 --> 00:24:16,960

intelligence

643

00:24:21,029 --> 00:24:18,720

community members saying we're going to

644

00:24:22,470 --> 00:24:21,039

bring you disclosure because they're not

645

00:24:25,430 --> 00:24:22,480

what they've said well they haven't said

646

00:24:30,950 --> 00:24:27,990

let me let me just turn that around

647

00:24:32,870 --> 00:24:30,960

and you have people that worked

648

00:24:35,430 --> 00:24:32,880

at the highest level of the department

649

00:24:37,510 --> 00:24:35,440

of defense and the cia

650

00:24:38,390 --> 00:24:37,520

and even at skunk works but working

651
00:24:40,630 --> 00:24:38,400
under

652
00:24:41,990 --> 00:24:40,640
high security clearances that have made

653
00:24:44,710 --> 00:24:42,000
very good money in their life that

654
00:24:45,590 --> 00:24:44,720
they're not wealthy

655
00:24:48,480 --> 00:24:45,600
and

656
00:24:49,669 --> 00:24:48,490
they sign up on a public project

657
00:24:51,430 --> 00:24:49,679
[Music]

658
00:24:53,430 --> 00:24:51,440
which is an interactive project with the

659
00:24:55,350 --> 00:24:53,440
military intelligence complex in which

660
00:24:57,830 --> 00:24:55,360
information is going to be released

661
00:25:01,269 --> 00:24:57,840
without breaking any laws

662
00:25:03,350 --> 00:25:01,279
through this organization to the public

663
00:25:05,430 --> 00:25:03,360

uh and people think

664

00:25:07,750 --> 00:25:05,440

well that's easy

665

00:25:09,510 --> 00:25:07,760

uh no

666

00:25:11,590 --> 00:25:09,520

they they they don't need that every one

667

00:25:14,470 --> 00:25:11,600

of those people could be making very

668

00:25:16,310 --> 00:25:14,480

large sums of money doing standard stuff

669

00:25:18,470 --> 00:25:16,320

or working in additional classified

670

00:25:19,430 --> 00:25:18,480

projects as contractors they could be

671

00:25:21,510 --> 00:25:19,440

making

672

00:25:23,990 --> 00:25:21,520

oh god i can't even imagine how many

673

00:25:24,870 --> 00:25:24,000

times much more money they have they

674

00:25:26,950 --> 00:25:24,880

have

675

00:25:29,990 --> 00:25:26,960

given up huge financial opportunities

676

00:25:31,909 --> 00:25:30,000

and put themselves at risk

677

00:25:33,590 --> 00:25:31,919

uh and put them made themselves

678

00:25:37,029 --> 00:25:33,600

vulnerable to attacks from all sides

679

00:25:41,510 --> 00:25:39,830

and so the idea that oh wow this is some

680

00:25:43,669 --> 00:25:41,520

clever agenda

681

00:25:45,590 --> 00:25:43,679

uh and they can't be trusted these are

682

00:25:48,070 --> 00:25:45,600

the people you can trust the ones you

683

00:25:49,350 --> 00:25:48,080

can't trust are the ones right down in

684

00:25:52,070 --> 00:25:49,360

south america right now trying to

685

00:25:52,789 --> 00:25:52,080

overthrow the venezuelan government

686

00:25:54,950 --> 00:25:52,799

so

687

00:25:56,630 --> 00:25:54,960

again this this stems from a fundamental

688

00:25:58,149 --> 00:25:56,640

distrust look

689

00:25:59,669 --> 00:25:58,159

the american the united states

690

00:26:02,630 --> 00:25:59,679

government led us into the war in

691

00:26:04,390 --> 00:26:02,640

vietnam which was a complete catastrophe

692

00:26:06,549 --> 00:26:04,400

the united states government's political

693

00:26:08,710 --> 00:26:06,559

class lend leidus into a war in iraq

694

00:26:11,029 --> 00:26:08,720

which will also be made through a bigger

695

00:26:13,669 --> 00:26:11,039

catastrophe than vietnam

696

00:26:15,110 --> 00:26:13,679

and so uh

697

00:26:18,950 --> 00:26:15,120

i

698

00:26:21,590 --> 00:26:18,960

uh

699

00:26:23,669 --> 00:26:21,600

there is plenty of reason to be angry

700

00:26:25,909 --> 00:26:23,679

and distrustful of the government but

701
00:26:28,070 --> 00:26:25,919
those were about lies those were about

702
00:26:29,990 --> 00:26:28,080
misrepresentations those are about the

703
00:26:31,590 --> 00:26:30,000
abuse of secrecy these people have come

704
00:26:33,190 --> 00:26:31,600
out in the open

705
00:26:35,909 --> 00:26:33,200
they're using their names they're

706
00:26:37,510 --> 00:26:35,919
telling us what they're doing and so

707
00:26:39,669 --> 00:26:37,520
i'm sorry for those who just trust them

708
00:26:42,950 --> 00:26:39,679
i get it my answer to my my statement to

709
00:26:45,830 --> 00:26:42,960
them is get over it now the second point

710
00:26:46,789 --> 00:26:45,840
involving what they've been doing

711
00:26:49,190 --> 00:26:46,799
uh

712
00:26:51,190 --> 00:26:49,200
i'm going to give you my assessment

713
00:26:52,789 --> 00:26:51,200

i don't have documents to prove this and

714

00:26:55,110 --> 00:26:52,799

i'm not having direct conversations with

715

00:26:56,070 --> 00:26:55,120

anybody in tsaas

716

00:26:58,230 --> 00:26:56,080

but

717

00:26:59,590 --> 00:26:58,240

uh the plan

718

00:27:02,390 --> 00:26:59,600

i believe

719

00:27:04,630 --> 00:27:02,400

was to put that project together

720

00:27:05,430 --> 00:27:04,640

because they saw the writing on the wall

721

00:27:09,110 --> 00:27:05,440

they

722

00:27:10,630 --> 00:27:09,120

likely going to disclose when she got to

723

00:27:12,789 --> 00:27:10,640

the white house they knew about her e.t

724

00:27:14,149 --> 00:27:12,799

connection going all the way back to 93

725

00:27:16,310 --> 00:27:14,159

they were aware of all the things that

726

00:27:17,990 --> 00:27:16,320

podesta had said over the years they're

727

00:27:20,389 --> 00:27:18,000

seeing all these articles turning out in

728

00:27:22,389 --> 00:27:20,399

major newspapers and then she's they see

729

00:27:24,310 --> 00:27:22,399

her and her husband and podesta talking

730

00:27:27,029 --> 00:27:24,320

about the e.t issue and controlled

731

00:27:29,909 --> 00:27:27,039

circumstances and it looked like pretty

732

00:27:31,750 --> 00:27:29,919

much it was the ball game the marathon

733

00:27:33,590 --> 00:27:31,760

was about to be over and they had a real

734

00:27:35,430 --> 00:27:33,600

problem in that they were going to be

735

00:27:37,510 --> 00:27:35,440

holding the ball they were going to be

736

00:27:38,310 --> 00:27:37,520

held are actually holding the bag

737

00:27:40,630 --> 00:27:38,320

uh

738

00:27:41,669 --> 00:27:40,640

the politicians might disclose the e.t

739

00:27:43,510 --> 00:27:41,679

presence

740

00:27:44,789 --> 00:27:43,520

they might get the pentagon to go along

741

00:27:45,750 --> 00:27:44,799

with it but

742

00:27:47,909 --> 00:27:45,760

they were going to then blame the

743

00:27:50,149 --> 00:27:47,919

pentagon blame the military intelligence

744

00:27:51,110 --> 00:27:50,159

complex or all the all the embargo and

745

00:27:53,350 --> 00:27:51,120

all the years and all the

746

00:27:55,830 --> 00:27:53,360

misrepresentations wasn't us they made

747

00:27:57,430 --> 00:27:55,840

us do it and these people don't

748

00:27:59,830 --> 00:27:57,440

see themselves that way they don't see

749

00:28:01,830 --> 00:27:59,840

themselves as lackeys or enemies of the

750

00:28:03,350 --> 00:28:01,840

state they see themselves as national

751
00:28:05,029 --> 00:28:03,360
security defenders of the nation which

752
00:28:07,750 --> 00:28:05,039
they've done a pretty good job

753
00:28:08,870 --> 00:28:07,760
uh with the odd exception of getting in

754
00:28:11,590 --> 00:28:08,880
but remember

755
00:28:14,389 --> 00:28:11,600
when we go to vietnam and we go to iraq

756
00:28:17,029 --> 00:28:14,399
it's not the dod taking us there it's

757
00:28:20,070 --> 00:28:17,039
the political class taking us there

758
00:28:22,070 --> 00:28:20,080
all right the dod did not force the

759
00:28:23,750 --> 00:28:22,080
american people into that war that was a

760
00:28:26,230 --> 00:28:23,760
trick played on us by george bush and

761
00:28:27,830 --> 00:28:26,240
dick cheney so again their job is to

762
00:28:30,710 --> 00:28:27,840
follow orders and defend the country

763
00:28:32,549 --> 00:28:30,720

they've done an incredible job of that

764

00:28:34,870 --> 00:28:32,559

and they've been abused by the political

765

00:28:36,070 --> 00:28:34,880

class far too many times let's hope that

766

00:28:39,510 --> 00:28:36,080

changes

767

00:28:43,190 --> 00:28:41,269

when

768

00:28:44,870 --> 00:28:43,200

they see what's coming down i think they

769

00:28:46,549 --> 00:28:44,880

made the decision they need to put a

770

00:28:47,430 --> 00:28:46,559

project together

771

00:28:49,110 --> 00:28:47,440

and

772

00:28:50,470 --> 00:28:49,120

they needed somebody to front it that

773

00:28:52,549 --> 00:28:50,480

wasn't a member of the military

774

00:28:55,590 --> 00:28:52,559

intelligence community because it would

775

00:28:57,669 --> 00:28:55,600

have been a lot more difficult if the uh

776

00:29:00,070 --> 00:28:57,679

to the stars academy had announced and

777

00:29:03,029 --> 00:29:00,080

launched itself and had say louis

778

00:29:05,909 --> 00:29:03,039

elizondo is the uh the the the

779

00:29:07,669 --> 00:29:05,919

the head of the operation the ceo

780

00:29:09,029 --> 00:29:07,679

uh because he was obviously 30-year

781

00:29:11,909 --> 00:29:09,039

career until

782

00:29:14,230 --> 00:29:11,919

and so it turned out that tom de long

783

00:29:17,510 --> 00:29:14,240

had been approaching people for some

784

00:29:19,190 --> 00:29:17,520

time for years with his ideas about

785

00:29:20,549 --> 00:29:19,200

getting this out and having them

786

00:29:23,909 --> 00:29:20,559

participate having the military

787

00:29:26,549 --> 00:29:23,919

intelligence complex be a a proactive

788

00:29:29,110 --> 00:29:26,559

participant in the disclosure process

789

00:29:30,549 --> 00:29:29,120

and he had lots of money and he's very

790

00:29:31,990 --> 00:29:30,559

knowledgeable about the subject and i

791

00:29:33,830 --> 00:29:32,000

think they decided fine let's let's

792

00:29:37,990 --> 00:29:33,840

let's have tom be the ceo

793

00:29:40,710 --> 00:29:38,000

and so i think the plan was them to uh

794

00:29:43,029 --> 00:29:40,720

build a program together hint about it

795

00:29:45,269 --> 00:29:43,039

which they did a couple of times but not

796

00:29:47,029 --> 00:29:45,279

beyond just some basics

797

00:29:48,630 --> 00:29:47,039

and then once clinton won the election

798

00:29:50,470 --> 00:29:48,640

launch of the to the stars academy in

799

00:29:53,990 --> 00:29:50,480

the late november

800

00:29:55,909 --> 00:29:54,000

of 2016 during the transition before she

801
00:29:57,430 --> 00:29:55,919
became president

802
00:29:58,789 --> 00:29:57,440
thus they would have been out in front

803
00:30:00,310 --> 00:29:58,799
of the issue

804
00:30:02,630 --> 00:30:00,320
and already making probably they would

805
00:30:04,389 --> 00:30:02,640
have already generated those two huge

806
00:30:06,230 --> 00:30:04,399
new york times articles

807
00:30:08,389 --> 00:30:06,240
and when clinton gets in

808
00:30:11,029 --> 00:30:08,399
they're ready to help her out and and if

809
00:30:12,310 --> 00:30:11,039
the dod uh uh comes along and clinton

810
00:30:14,470 --> 00:30:12,320
discloses

811
00:30:17,350 --> 00:30:14,480
everybody wins

812
00:30:19,909 --> 00:30:17,360
but when the the clinton ema when the uh

813
00:30:22,070 --> 00:30:19,919

the podesta emails sort of

814

00:30:24,149 --> 00:30:22,080

got dumped early that created a problem

815

00:30:25,110 --> 00:30:24,159

for them it was uh not supposed to

816

00:30:27,110 --> 00:30:25,120

happen

817

00:30:29,510 --> 00:30:27,120

and then when she loses the election it

818

00:30:30,549 --> 00:30:29,520

blows everything sky high

819

00:30:31,430 --> 00:30:30,559

and so

820

00:30:33,510 --> 00:30:31,440

uh

821

00:30:35,590 --> 00:30:33,520

most people though didn't know this this

822

00:30:37,990 --> 00:30:35,600

was not this was not a complaint of the

823

00:30:39,510 --> 00:30:38,000

general public this was a problem for

824

00:30:40,470 --> 00:30:39,520

people like me who knew what was going

825

00:30:43,510 --> 00:30:40,480

on

826

00:30:46,070 --> 00:30:43,520

it blew their uh project up

827

00:30:47,830 --> 00:30:46,080

uh which i knew was coming and it blew

828

00:30:51,269 --> 00:30:47,840

my work up okay

829

00:30:53,990 --> 00:30:51,279

so it took them 11 months to regroup

830

00:30:56,070 --> 00:30:54,000

and decide how

831

00:30:58,470 --> 00:30:56,080

uh to

832

00:31:00,149 --> 00:30:58,480

launch the the to the stars academy or

833

00:31:01,190 --> 00:31:00,159

not they could have maybe waited two

834

00:31:03,669 --> 00:31:01,200

years

835

00:31:05,669 --> 00:31:03,679

but they made a decision in october to

836

00:31:07,190 --> 00:31:05,679

go ahead and launch and announce and put

837

00:31:11,590 --> 00:31:07,200

the website up which they did and the

838

00:31:14,870 --> 00:31:11,600

announcement came on october 11 2017

839

00:31:18,310 --> 00:31:14,880

and then and then see what happens

840

00:31:21,269 --> 00:31:18,320

uh the problem they had

841

00:31:22,549 --> 00:31:21,279

and one of the reasons they delayed it

842

00:31:24,630 --> 00:31:22,559

was that

843

00:31:27,029 --> 00:31:24,640

if losing the election

844

00:31:28,710 --> 00:31:27,039

had upset the apple card

845

00:31:30,549 --> 00:31:28,720

the trump administration and the

846

00:31:31,830 --> 00:31:30,559

political chaos that it has been

847

00:31:34,630 --> 00:31:31,840

creating

848

00:31:35,590 --> 00:31:34,640

blew the apple cart away

849

00:31:39,110 --> 00:31:35,600

uh

850

00:31:40,870 --> 00:31:39,120

in in a a whirlwind and probably never

851
00:31:43,190 --> 00:31:40,880
to be found again

852
00:31:45,269 --> 00:31:43,200
that we have been operating in the

853
00:31:47,430 --> 00:31:45,279
middle of the worst political crisis in

854
00:31:50,630 --> 00:31:47,440
american history

855
00:31:52,549 --> 00:31:50,640
uh worse than t pod dome worse than iran

856
00:31:54,950 --> 00:31:52,559
contra

857
00:31:56,470 --> 00:31:54,960
worse than watergate

858
00:31:59,590 --> 00:31:56,480
this is a political crisis and a

859
00:32:02,789 --> 00:31:59,600
constitutional crisis on multi levels

860
00:32:04,470 --> 00:32:02,799
it is a force five hurricane

861
00:32:06,870 --> 00:32:04,480
and so

862
00:32:09,110 --> 00:32:06,880
trying to advance an issue

863
00:32:10,950 --> 00:32:09,120

as important and complicated is as the

864

00:32:11,990 --> 00:32:10,960

disclosure

865

00:32:12,830 --> 00:32:12,000

process

866

00:32:15,990 --> 00:32:12,840

in a

867

00:32:17,509 --> 00:32:16,000

hurricane is impossible i i went to

868

00:32:19,269 --> 00:32:17,519

london i went to london for eight months

869

00:32:21,029 --> 00:32:19,279

i knew i couldn't do anything

870

00:32:23,350 --> 00:32:21,039

i went to london and and tried to do

871

00:32:25,750 --> 00:32:23,360

some work and i i did get an interview

872

00:32:28,230 --> 00:32:25,760

in moscow which which may eventually end

873

00:32:30,389 --> 00:32:28,240

up prove interesting but uh even that

874

00:32:32,549 --> 00:32:30,399

when it was announced the media ignored

875

00:32:34,870 --> 00:32:32,559

it was like yeah you talked to in moscow

876

00:32:36,470 --> 00:32:34,880

about putin the disclosure for the first

877

00:32:38,549 --> 00:32:36,480

first to ever do that so what we've got

878

00:32:41,590 --> 00:32:38,559

to talk we've got to cover trump here

879

00:32:44,230 --> 00:32:41,600

and so they have had to slow down

880

00:32:48,149 --> 00:32:44,240

they they it's no point firing your

881

00:32:49,909 --> 00:32:48,159

arrows into a into a 150 mile an hour

882

00:32:50,920 --> 00:32:49,919

headwind they're just going to fall to

883

00:32:52,470 --> 00:32:50,930

the ground

884

00:32:54,070 --> 00:32:52,480

[Music]

885

00:32:55,269 --> 00:32:54,080

i remember seeing all this political

886

00:32:56,470 --> 00:32:55,279

turmoil

887

00:32:58,389 --> 00:32:56,480

and and uh

888

00:32:59,029 --> 00:32:58,399

you know all this investigating trump

889

00:33:02,389 --> 00:32:59,039

and

890

00:33:04,389 --> 00:33:02,399

that's immediately what i think about

891

00:33:06,470 --> 00:33:04,399

all that stuff is like

892

00:33:07,909 --> 00:33:06,480

there's no way that any of this

893

00:33:09,669 --> 00:33:07,919

disclosure stuff is going to move

894

00:33:12,389 --> 00:33:09,679

forward because it's just there's too

895

00:33:14,070 --> 00:33:12,399

much chaos right now for for that to be

896

00:33:16,310 --> 00:33:14,080

to to reach the forefront when there's

897

00:33:17,909 --> 00:33:16,320

all this other stuff going on right but

898

00:33:19,750 --> 00:33:17,919

they made their move they launched and

899

00:33:21,350 --> 00:33:19,760

then they delivered two major stories to

900

00:33:23,190 --> 00:33:21,360

the new york times which checked them

901
00:33:26,950 --> 00:33:23,200
out and published them on december 16

902
00:33:30,389 --> 00:33:28,789
and waited to see what happened what

903
00:33:32,870 --> 00:33:30,399
happened is it generated a lot of press

904
00:33:34,070 --> 00:33:32,880
for a while and then

905
00:33:36,630 --> 00:33:34,080
we're back to

906
00:33:37,909 --> 00:33:36,640
back to the new norm and so they realize

907
00:33:39,269 --> 00:33:37,919
they're gonna have to step back and work

908
00:33:41,669 --> 00:33:39,279
in the behind the scenes and so

909
00:33:43,350 --> 00:33:41,679
throughout all of 2018

910
00:33:45,430 --> 00:33:43,360
they were doing what they could behind

911
00:33:48,230 --> 00:33:45,440
the scenes they they would they talked a

912
00:33:50,630 --> 00:33:48,240
little bit they gave some presentations

913
00:33:52,950 --> 00:33:50,640

and did some interviews but overall and

914

00:33:54,710 --> 00:33:52,960

and that created problems for them

915

00:33:56,310 --> 00:33:54,720

because again this is a complicated

916

00:33:57,190 --> 00:33:56,320

situation right now

917

00:33:59,029 --> 00:33:57,200

not only do we have a political

918

00:34:01,110 --> 00:33:59,039

hurricane but then you as you referred

919

00:34:03,029 --> 00:34:01,120

to earlier there's all this distrust

920

00:34:05,909 --> 00:34:03,039

of the of of the military intelligence

921

00:34:07,669 --> 00:34:05,919

complex which they they had to deal with

922

00:34:09,990 --> 00:34:07,679

so they they started

923

00:34:11,829 --> 00:34:10,000

having behind the scenes meetings with

924

00:34:13,990 --> 00:34:11,839

uh history channel and television and

925

00:34:15,669 --> 00:34:14,000

also with some people in hollywood

926

00:34:17,030 --> 00:34:15,679

mostly tom delong i think was doing that

927

00:34:17,829 --> 00:34:17,040

and then they had some meetings on the

928

00:34:18,790 --> 00:34:17,839

hill

929

00:34:20,629 --> 00:34:18,800

uh

930

00:34:22,389 --> 00:34:20,639

maybe basically lobbying though i don't

931

00:34:24,149 --> 00:34:22,399

think they've registered as a lobbyist

932

00:34:26,869 --> 00:34:24,159

uh but private

933

00:34:28,950 --> 00:34:26,879

not announced no disclosure of content

934

00:34:30,230 --> 00:34:28,960

who they talked to but it leaked it was

935

00:34:31,430 --> 00:34:30,240

kind of rumored that they were having

936

00:34:33,990 --> 00:34:31,440

these meetings

937

00:34:35,909 --> 00:34:34,000

uh and that's that's fine that in other

938

00:34:38,629 --> 00:34:35,919

words the hurricane

939

00:34:41,030 --> 00:34:38,639

is raging outside if you're in a room

940

00:34:42,710 --> 00:34:41,040

somewhere having a private meeting it's

941

00:34:43,990 --> 00:34:42,720

not going to affect you that doesn't

942

00:34:45,510 --> 00:34:44,000

mean that much is going to come from

943

00:34:47,589 --> 00:34:45,520

those meetings right away but you're

944

00:34:49,109 --> 00:34:47,599

laying some groundwork so they used that

945

00:34:51,430 --> 00:34:49,119

time to do that

946

00:34:54,149 --> 00:34:51,440

waiting to see what would happen

947

00:34:55,109 --> 00:34:54,159

well now we're in the 20 uh

948

00:34:58,310 --> 00:34:55,119

uh

949

00:35:02,069 --> 00:34:58,320

what is it at the 27th month of this

950

00:35:05,270 --> 00:35:02,079

hurricane which is now at category five

951
00:35:06,950 --> 00:35:05,280
and there's not much they can do

952
00:35:08,550 --> 00:35:06,960
but there's some there's not much they

953
00:35:10,150 --> 00:35:08,560
can do but there's some things

954
00:35:12,550 --> 00:35:10,160
one of the most significant things that

955
00:35:14,550 --> 00:35:12,560
we've learned about is that the history

956
00:35:16,870 --> 00:35:14,560
channel which had been filming them for

957
00:35:20,230 --> 00:35:16,880
many months is going to go ahead and

958
00:35:21,829 --> 00:35:20,240
launch a six hour series

959
00:35:26,069 --> 00:35:21,839
about the to the stars academy called

960
00:35:29,829 --> 00:35:26,079
unidentified that starts on may 31st

961
00:35:31,990 --> 00:35:29,839
which is just 31 days from

962
00:35:33,589 --> 00:35:32,000
and i imagine they're hoping that things

963
00:35:37,430 --> 00:35:33,599

will settle down a little bit so the

964

00:35:38,950 --> 00:35:37,440

show will have maximum impact

965

00:35:40,710 --> 00:35:38,960

but uh it's a sign that things are

966

00:35:42,630 --> 00:35:40,720

picking up and i anticipate more

967

00:35:44,790 --> 00:35:42,640

developments later this year how

968

00:35:46,870 --> 00:35:44,800

powerful those developments will depend

969

00:35:50,710 --> 00:35:46,880

directly on

970

00:35:52,310 --> 00:35:50,720

how the trump situation is resolved

971

00:35:53,670 --> 00:35:52,320

uh and there's a number of ways that can

972

00:35:54,790 --> 00:35:53,680

happen

973

00:35:57,589 --> 00:35:54,800

but uh

974

00:36:00,150 --> 00:35:57,599

so there's a lot of uncertainty there

975

00:36:02,550 --> 00:36:00,160

but history channel

976
00:36:03,910 --> 00:36:02,560
the project blue book which is a

977
00:36:05,109 --> 00:36:03,920
a

978
00:36:05,990 --> 00:36:05,119
um

979
00:36:07,829 --> 00:36:06,000
uh

980
00:36:11,589 --> 00:36:07,839
it's not a documentary i guess yeah i

981
00:36:13,670 --> 00:36:11,599
think it's a theatrical yeah in a way

982
00:36:15,109 --> 00:36:13,680
it was fictionalized that's for sure the

983
00:36:17,190 --> 00:36:15,119
fictional documentary that that was an

984
00:36:19,510 --> 00:36:17,200
easy call and and not really a

985
00:36:22,470 --> 00:36:19,520
disclosure issue per se but it got

986
00:36:24,710 --> 00:36:22,480
tremendous ratings and that's good

987
00:36:26,390 --> 00:36:24,720
right uh but that made it easier for

988
00:36:28,069 --> 00:36:26,400

them to launch the six hour series which

989

00:36:28,870 --> 00:36:28,079

will also get great ratings

990

00:36:30,550 --> 00:36:28,880

but

991

00:36:32,310 --> 00:36:30,560

i assure you the disclosure process

992

00:36:34,790 --> 00:36:32,320

means more than just a six hour series

993

00:36:37,030 --> 00:36:34,800

on history channel nevertheless they're

994

00:36:38,550 --> 00:36:37,040

in play but they slowed the pace down

995

00:36:40,390 --> 00:36:38,560

because of the political realities in

996

00:36:41,670 --> 00:36:40,400

america now

997

00:36:43,190 --> 00:36:41,680

there are a lot of people out there that

998

00:36:44,710 --> 00:36:43,200

wouldn't get that they wouldn't

999

00:36:46,710 --> 00:36:44,720

understand that and i appreciate it so

1000

00:36:47,670 --> 00:36:46,720

they're irritated that they're drip drip

1001

00:36:49,910 --> 00:36:47,680

dripping

1002

00:36:51,910 --> 00:36:49,920

but i can assure you and i talk about

1003

00:36:55,990 --> 00:36:51,920

this in my i've done 20 some lectures

1004

00:36:59,510 --> 00:36:57,670

and i talk about it all the time so i'm

1005

00:37:02,310 --> 00:36:59,520

doing what i can to educate

1006

00:37:03,270 --> 00:37:02,320

the public about the

1007

00:37:13,670 --> 00:37:03,280

the

1008

00:37:14,870 --> 00:37:13,680

support it and it's as far as i'm

1009

00:37:16,390 --> 00:37:14,880

concerned it's the most important

1010

00:37:18,310 --> 00:37:16,400

development

1011

00:37:19,910 --> 00:37:18,320

uh in the disclosure the history of the

1012

00:37:21,750 --> 00:37:19,920

disclosure movement

1013

00:37:23,990 --> 00:37:21,760

well i definitely give them i definitely

1014

00:37:25,430 --> 00:37:24,000

give them credit for at least this

1015

00:37:27,750 --> 00:37:25,440

for how many years now has the

1016

00:37:30,069 --> 00:37:27,760

government said since since blue book

1017

00:37:32,470 --> 00:37:30,079

ended they said no we don't investigate

1018

00:37:34,950 --> 00:37:32,480

ufos we don't we don't look into that

1019

00:37:37,030 --> 00:37:34,960

and at the very least

1020

00:37:39,349 --> 00:37:37,040

see the stars academy approved that

1021

00:37:41,109 --> 00:37:39,359

that was a lie they have been studying

1022

00:37:43,190 --> 00:37:41,119

ufos they just haven't been telling us

1023

00:37:44,790 --> 00:37:43,200

about it and i always believe that to be

1024

00:37:46,069 --> 00:37:44,800

the case there's no way that they're

1025

00:37:47,910 --> 00:37:46,079

just going to let these things fly

1026

00:37:49,990 --> 00:37:47,920

around in our atmosphere and not do

1027

00:37:51,829 --> 00:37:50,000

something about it even from just a

1028

00:37:53,510 --> 00:37:51,839

defense standpoint you want to know what

1029

00:37:55,670 --> 00:37:53,520

that is and what is it doing here and

1030

00:37:58,069 --> 00:37:55,680

why is it invading space yeah but that

1031

00:37:59,750 --> 00:37:58,079

was obvious 40 years ago

1032

00:38:01,349 --> 00:37:59,760

what is brilliant about the maneuver

1033

00:38:02,550 --> 00:38:01,359

that was made

1034

00:38:04,870 --> 00:38:02,560

um

1035

00:38:07,270 --> 00:38:04,880

this is before the two stars academy

1036

00:38:08,950 --> 00:38:07,280

in other words two stars academy is not

1037

00:38:11,670 --> 00:38:08,960

there's plenty else that's happened

1038

00:38:13,750 --> 00:38:11,680

prior to the ttsas

1039

00:38:16,870 --> 00:38:13,760

and one of them was a brilliant strategy

1040

00:38:20,069 --> 00:38:16,880

by who i could like who i consider

1041

00:38:21,589 --> 00:38:20,079

a pivotal figure in all of this

1042

00:38:23,510 --> 00:38:21,599

very private

1043

00:38:26,310 --> 00:38:23,520

doesn't you don't see him much

1044

00:38:28,150 --> 00:38:26,320

but he has a billion plus bucks so that

1045

00:38:29,270 --> 00:38:28,160

makes it a lot easier too

1046

00:38:31,109 --> 00:38:29,280

right

1047

00:38:33,750 --> 00:38:31,119

yeah big low they came up with a

1048

00:38:37,750 --> 00:38:33,760

brilliant idea so what he did was he

1049

00:38:40,950 --> 00:38:37,760

he pressed um harry reid who had

1050

00:38:43,109 --> 00:38:40,960

who was pilot and uh had been talking to

1051
00:38:44,950 --> 00:38:43,119
john glenn he helped to help convince

1052
00:38:47,430 --> 00:38:44,960
larry reid harry reid

1053
00:38:49,910 --> 00:38:47,440
when he was the uh senate majority

1054
00:38:51,190 --> 00:38:49,920
leader with a lot of power by the way

1055
00:38:53,190 --> 00:38:51,200
uh

1056
00:38:55,349 --> 00:38:53,200
and could not be ignored

1057
00:38:57,990 --> 00:38:55,359
to press to get a uh

1058
00:39:00,710 --> 00:38:58,000
a program i guess you could say a study

1059
00:39:03,349 --> 00:39:00,720
and at the pentagon uh in the pentagon's

1060
00:39:05,270 --> 00:39:03,359
attitude to be are you kidding

1061
00:39:09,109 --> 00:39:05,280
uh we don't want to

1062
00:39:10,550 --> 00:39:09,119
uh and reed basically said yeah you do

1063
00:39:12,390 --> 00:39:10,560

and

1064

00:39:13,910 --> 00:39:12,400

let's just say that

1065

00:39:15,510 --> 00:39:13,920

he could cause a lot of problems for the

1066

00:39:17,190 --> 00:39:15,520

pentagon if he wanted to they really

1067

00:39:18,310 --> 00:39:17,200

didn't have any choice plus he agreed to

1068

00:39:20,310 --> 00:39:18,320

get the money in other words he agreed

1069

00:39:22,390 --> 00:39:20,320

to earmark the money uh with the help of

1070

00:39:24,230 --> 00:39:22,400

two other senators so that it would all

1071

00:39:26,630 --> 00:39:24,240

be pretty much hush-hush and so they'd

1072

00:39:28,630 --> 00:39:26,640

have to go tap into their own budget and

1073

00:39:31,829 --> 00:39:28,640

so they couldn't say no so this program

1074

00:39:34,150 --> 00:39:31,839

gets launched in 2007-8

1075

00:39:36,310 --> 00:39:34,160

uh and it's it's not

1076

00:39:39,190 --> 00:39:36,320

it's not a declassified program it's

1077

00:39:41,030 --> 00:39:39,200

just on the qt

1078

00:39:42,870 --> 00:39:41,040

uh however it's just not operating as a

1079

00:39:44,710 --> 00:39:42,880

usap but

1080

00:39:46,069 --> 00:39:44,720

not almost no one knows about it outside

1081

00:39:48,069 --> 00:39:46,079

the pentagon

1082

00:39:49,750 --> 00:39:48,079

uh a lot of the work was being done by

1083

00:39:52,069 --> 00:39:49,760

bigelow and bigelow was operating very

1084

00:39:53,589 --> 00:39:52,079

privately and he's not not exposed to

1085

00:39:55,589 --> 00:39:53,599

foia requests

1086

00:39:56,390 --> 00:39:55,599

and so the thing was just clipping along

1087

00:39:58,550 --> 00:39:56,400

but

1088

00:40:00,390 --> 00:39:58,560

the the brilliance of the strategy was

1089

00:40:02,710 --> 00:40:00,400

that i know bigelow would have known

1090

00:40:03,990 --> 00:40:02,720

that eventually that program was going

1091

00:40:05,430 --> 00:40:04,000

to be

1092

00:40:07,670 --> 00:40:05,440

uh

1093

00:40:10,870 --> 00:40:07,680

no it was going to come out

1094

00:40:13,349 --> 00:40:10,880

uh maybe he didn't real he may not have

1095

00:40:14,470 --> 00:40:13,359

known it might be as a as a follow-up to

1096

00:40:15,750 --> 00:40:14,480

the announcement of this of an

1097

00:40:17,109 --> 00:40:15,760

organization like the to the stars

1098

00:40:19,510 --> 00:40:17,119

academy

1099

00:40:21,030 --> 00:40:19,520

and then what what what would that mean

1100

00:40:23,750 --> 00:40:21,040

it would mean that the public would

1101

00:40:25,589 --> 00:40:23,760

learn oh they are studying

1102

00:40:28,150 --> 00:40:25,599

the phenomena

1103

00:40:29,589 --> 00:40:28,160

but that's all show in a sense in other

1104

00:40:32,150 --> 00:40:29,599

words

1105

00:40:33,670 --> 00:40:32,160

the program that they ran whatever they

1106

00:40:35,349 --> 00:40:33,680

accomplished and i i'm sure they

1107

00:40:38,950 --> 00:40:35,359

accomplished some things

1108

00:40:41,030 --> 00:40:38,960

is a drop in the bucket compared to the

1109

00:40:41,990 --> 00:40:41,040

research that's been going on

1110

00:40:44,230 --> 00:40:42,000

in the

1111

00:40:45,990 --> 00:40:44,240

dark world the full black world the usa

1112

00:40:48,150 --> 00:40:46,000

acknowledged usap world

1113

00:40:49,030 --> 00:40:48,160

uh i mean the unknown special access

1114

00:40:50,470 --> 00:40:49,040

world

1115

00:40:52,150 --> 00:40:50,480

for 70 years

1116

00:40:54,150 --> 00:40:52,160

billions and billions of dollars have

1117

00:40:56,550 --> 00:40:54,160

been spent now that is absolutely secret

1118

00:40:58,710 --> 00:40:56,560

classified and as far as the the

1119

00:41:01,030 --> 00:40:58,720

government's concern it doesn't exist

1120

00:41:03,430 --> 00:41:01,040

now bigelow couldn't out that and reid

1121

00:41:04,790 --> 00:41:03,440

couldn't doubt that but by putting this

1122

00:41:07,109 --> 00:41:04,800

program together knowing it would

1123

00:41:09,589 --> 00:41:07,119

actually come out they

1124

00:41:11,750 --> 00:41:09,599

they they essentially in the mind the

1125

00:41:15,109 --> 00:41:11,760

pub my the public mind

1126

00:41:16,550 --> 00:41:15,119

confirmed that yeah they study uh they

1127

00:41:19,430 --> 00:41:16,560

were they've actually studied the

1128

00:41:21,349 --> 00:41:19,440

phenomena and let others

1129

00:41:23,109 --> 00:41:21,359

read between the lines

1130

00:41:25,910 --> 00:41:23,119

and go yeah of course they do they've

1131

00:41:28,230 --> 00:41:25,920

been studying for 70 years

1132

00:41:30,950 --> 00:41:28,240

so it's it was a brilliant strategy and

1133

00:41:33,750 --> 00:41:30,960

it worked very well

1134

00:41:35,750 --> 00:41:33,760

and i hope they found something but what

1135

00:41:38,309 --> 00:41:35,760

your listeners have to understand is

1136

00:41:41,190 --> 00:41:38,319

that our government has spent hundreds

1137

00:41:44,309 --> 00:41:41,200

of billions of dollars since 1947

1138

00:41:46,470 --> 00:41:44,319

studying everything they possibly could

1139

00:41:48,390 --> 00:41:46,480
about everything related to this

1140

00:41:51,670 --> 00:41:48,400
extraterrestrial presence

1141

00:41:54,069 --> 00:41:51,680
non-stop 24 hours a day seven days a

1142

00:41:55,670 --> 00:41:54,079
week 52 weeks a year

1143

00:41:57,430 --> 00:41:55,680
uh and

1144

00:41:59,190 --> 00:41:57,440
the to the stars people can't say that

1145

00:42:01,190 --> 00:41:59,200
because it would violate

1146

00:42:02,950 --> 00:42:01,200
understandings that they have and maybe

1147

00:42:04,390 --> 00:42:02,960
their non-disclosure agreements but i

1148

00:42:06,069 --> 00:42:04,400
don't have a non-disclosure agreement

1149

00:42:08,150 --> 00:42:06,079
with the pentagon i can say whatever the

1150

00:42:10,790 --> 00:42:08,160
hell i want

1151
00:42:13,510 --> 00:42:10,800
you know i i also wanted to ask you too

1152
00:42:15,030 --> 00:42:13,520
what is it exactly that you believe

1153
00:42:17,910 --> 00:42:15,040
as far as

1154
00:42:19,829 --> 00:42:17,920
does the government have materials

1155
00:42:22,230 --> 00:42:19,839
recovered materials or anything like

1156
00:42:24,630 --> 00:42:22,240
that they've been studying because i

1157
00:42:26,790 --> 00:42:24,640
trust your judgment more than uh

1158
00:42:28,470 --> 00:42:26,800
let's just say some people that are just

1159
00:42:29,190 --> 00:42:28,480
have to sell a book or you know what i

1160
00:42:31,750 --> 00:42:29,200
mean

1161
00:42:33,910 --> 00:42:31,760
we hear all these stories about area 51

1162
00:42:35,750 --> 00:42:33,920
for years and

1163
00:42:37,750 --> 00:42:35,760

i don't know what to believe one thing

1164

00:42:39,750 --> 00:42:37,760

i've always thought though is that if we

1165

00:42:41,750 --> 00:42:39,760

did have any materials you hear these

1166

00:42:43,430 --> 00:42:41,760

stories about back engineering and i've

1167

00:42:45,270 --> 00:42:43,440

always thought you know this is like

1168

00:42:47,589 --> 00:42:45,280

handing an iphone

1169

00:42:49,190 --> 00:42:47,599

to somebody in jesus time and saying go

1170

00:42:51,589 --> 00:42:49,200

ahead and figure that out i don't think

1171

00:42:53,270 --> 00:42:51,599

that we really could figure

1172

00:42:55,109 --> 00:42:53,280

figure this stuff out

1173

00:42:57,349 --> 00:42:55,119

what is it what is your belief about it

1174

00:42:58,870 --> 00:42:57,359

i'll respectfully disagree uh first of

1175

00:43:00,950 --> 00:42:58,880

all there's this misconception that the

1176

00:43:02,630 --> 00:43:00,960

et's are millions of years ahead of us

1177

00:43:03,670 --> 00:43:02,640

that's not true

1178

00:43:06,230 --> 00:43:03,680

uh

1179

00:43:07,910 --> 00:43:06,240

they're not that far ahead of us

1180

00:43:09,270 --> 00:43:07,920

it's probably that's probably the reason

1181

00:43:11,750 --> 00:43:09,280

why they're the ones that are here at

1182

00:43:12,950 --> 00:43:11,760

this particular time

1183

00:43:15,190 --> 00:43:12,960

in other words

1184

00:43:17,829 --> 00:43:15,200

we we're closer

1185

00:43:20,069 --> 00:43:17,839

uh to them in terms of our development

1186

00:43:21,349 --> 00:43:20,079

in terms of technology and therefore

1187

00:43:23,750 --> 00:43:21,359

it's a little more comfortable

1188

00:43:25,670 --> 00:43:23,760

engagement i think et's any if any

1189

00:43:27,430 --> 00:43:25,680

civilization is a million years ahead of

1190

00:43:29,030 --> 00:43:27,440

us and still out there

1191

00:43:29,750 --> 00:43:29,040

i'm thinking they could care less about

1192

00:43:31,910 --> 00:43:29,760

us

1193

00:43:34,230 --> 00:43:31,920

they wouldn't bother to be here they

1194

00:43:35,829 --> 00:43:34,240

have much more interesting fish to fry

1195

00:43:37,910 --> 00:43:35,839

yeah but if there's just a few thousand

1196

00:43:39,750 --> 00:43:37,920

right then we could we could possibly

1197

00:43:41,589 --> 00:43:39,760

grasp some of their science and things

1198

00:43:42,870 --> 00:43:41,599

like that exactly

1199

00:43:44,309 --> 00:43:42,880

exactly

1200

00:43:45,349 --> 00:43:44,319

that's the first point

1201
00:43:47,750 --> 00:43:45,359
um

1202
00:43:51,990 --> 00:43:49,750
the second point is is that

1203
00:43:53,910 --> 00:43:52,000
well no to answer your key question

1204
00:43:55,349 --> 00:43:53,920
your your audience can take this to the

1205
00:43:57,190 --> 00:43:55,359
bank

1206
00:43:58,150 --> 00:43:57,200
our government has had crash vehicles

1207
00:44:00,069 --> 00:43:58,160
and

1208
00:44:02,710 --> 00:44:00,079
everything that's in them

1209
00:44:05,589 --> 00:44:02,720
including the material sides for decades

1210
00:44:07,109 --> 00:44:05,599
going back to the 40s

1211
00:44:09,829 --> 00:44:07,119
efforts to re-engineer have probably

1212
00:44:11,109 --> 00:44:09,839
been non-stop

1213
00:44:13,430 --> 00:44:11,119

i believe that

1214

00:44:16,309 --> 00:44:13,440

i have a very strong

1215

00:44:21,109 --> 00:44:18,550

sense that not sense but a pretty strong

1216

00:44:24,150 --> 00:44:21,119

conviction that they they reversed

1217

00:44:26,550 --> 00:44:24,160

near the anti-gravity tech

1218

00:44:29,030 --> 00:44:26,560

and they we have our own versions of of

1219

00:44:30,069 --> 00:44:29,040

craft using any vidic tech out there uh

1220

00:44:32,390 --> 00:44:30,079

secretly

1221

00:44:34,069 --> 00:44:32,400

i'm not i'm not suggesting that the b2

1222

00:44:35,109 --> 00:44:34,079

bombers is anti-gravity tech i don't

1223

00:44:37,510 --> 00:44:35,119

think it is

1224

00:44:39,510 --> 00:44:37,520

if they could incorporate some et direct

1225

00:44:41,510 --> 00:44:39,520

technology without any risk of it

1226

00:44:43,270 --> 00:44:41,520

creating a problem for the truth embargo

1227

00:44:45,670 --> 00:44:43,280

uh they might have done that thus giving

1228

00:44:46,710 --> 00:44:45,680

our planes a little extra whatever don't

1229

00:44:50,470 --> 00:44:46,720

know

1230

00:44:53,030 --> 00:44:50,480

but they have they also have e.t bodies

1231

00:44:55,109 --> 00:44:53,040

very likely they've had a living e.t at

1232

00:44:57,990 --> 00:44:55,119

least one or more

1233

00:45:00,309 --> 00:44:58,000

for various periods of time

1234

00:45:02,790 --> 00:45:00,319

yeah whether or not that is mind-blowing

1235

00:45:05,349 --> 00:45:02,800

that if we have had something

1236

00:45:07,430 --> 00:45:05,359

like that because you know well there's

1237

00:45:09,270 --> 00:45:07,440

all these stories and i i don't know i

1238

00:45:11,910 --> 00:45:09,280

tend to believe a lot of these death bed

1239

00:45:13,430 --> 00:45:11,920

confessions some of these people

1240

00:45:15,109 --> 00:45:13,440

especially with roswell and things like

1241

00:45:17,750 --> 00:45:15,119

they don't have a reason to just make up

1242

00:45:19,750 --> 00:45:17,760

some crazy story and they're all telling

1243

00:45:22,230 --> 00:45:19,760

a similar story to their relatives as

1244

00:45:24,230 --> 00:45:22,240

they're passing away and you know

1245

00:45:26,390 --> 00:45:24,240

it's just crazy like

1246

00:45:29,190 --> 00:45:26,400

i believe that they that they do have

1247

00:45:31,190 --> 00:45:29,200

these things and you'll be correct

1248

00:45:33,190 --> 00:45:31,200

um so

1249

00:45:35,270 --> 00:45:33,200

that that you can take to the bank what

1250

00:45:37,430 --> 00:45:35,280

is a little less clear

1251
00:45:41,270 --> 00:45:37,440
is whether they've re-engineered

1252
00:45:43,750 --> 00:45:41,280
or reverse engineered the energy systems

1253
00:45:45,430 --> 00:45:43,760
the that is a tricky

1254
00:45:46,790 --> 00:45:45,440
because that's been a big point of

1255
00:45:49,109 --> 00:45:46,800
discussion

1256
00:45:51,589 --> 00:45:49,119
uh that they have extraordinary energy

1257
00:45:54,790 --> 00:45:51,599
it'll change everything zero point or

1258
00:45:56,950 --> 00:45:54,800
super cheap very possible

1259
00:45:59,109 --> 00:45:56,960
but a lot of that thinking stems from

1260
00:46:00,309 --> 00:45:59,119
the operation of the craft in other

1261
00:46:02,309 --> 00:46:00,319
words these craft can go to

1262
00:46:03,109 --> 00:46:02,319
extraordinary speeds

1263
00:46:06,069 --> 00:46:03,119

make

1264

00:46:10,150 --> 00:46:07,910

which would imply

1265

00:46:12,870 --> 00:46:10,160

huge energy expenditure

1266

00:46:16,390 --> 00:46:12,880

and the craft are not very big

1267

00:46:17,990 --> 00:46:16,400

so it's perfectly reasonable to assume

1268

00:46:19,349 --> 00:46:18,000

that there's that

1269

00:46:20,550 --> 00:46:19,359

they're not doing they're able to do

1270

00:46:22,550 --> 00:46:20,560

this

1271

00:46:24,390 --> 00:46:22,560

on gasoline

1272

00:46:27,990 --> 00:46:24,400

aviation fuel

1273

00:46:29,190 --> 00:46:28,000

uh maybe not even fusion reactors

1274

00:46:30,470 --> 00:46:29,200

however

1275

00:46:32,230 --> 00:46:30,480

there's a problem because they're

1276
00:46:34,870 --> 00:46:32,240
anti-gravitic

1277
00:46:37,109 --> 00:46:34,880
now the anagravitic tech

1278
00:46:39,750 --> 00:46:37,119
could be separate

1279
00:46:42,150 --> 00:46:39,760
from the propulsion

1280
00:46:43,829 --> 00:46:42,160
they could be one technology doing both

1281
00:46:45,190 --> 00:46:43,839
at the same time could be two

1282
00:46:51,589 --> 00:46:45,200
technologies

1283
00:46:53,670 --> 00:46:51,599
then the anagravitic system

1284
00:46:56,230 --> 00:46:53,680
has the ability to zero out the weight

1285
00:46:59,270 --> 00:46:56,240
of the craft

1286
00:47:01,190 --> 00:46:59,280
so that it has to wait

1287
00:47:03,829 --> 00:47:01,200
um

1288
00:47:06,069 --> 00:47:03,839

and once you do that

1289

00:47:08,550 --> 00:47:06,079

well you don't need a lot of energy to

1290

00:47:11,270 --> 00:47:08,560

fly the thing at 4 000 miles an hour

1291

00:47:13,589 --> 00:47:11,280

imagine if

1292

00:47:17,270 --> 00:47:13,599

it was possible to to

1293

00:47:19,850 --> 00:47:17,280

to completely negate the mass

1294

00:47:21,109 --> 00:47:19,860

of a f-35 or f-22 fighter

1295

00:47:23,349 --> 00:47:21,119

[Music]

1296

00:47:24,950 --> 00:47:23,359

so that essentially

1297

00:47:28,390 --> 00:47:24,960

those jets

1298

00:47:30,630 --> 00:47:28,400

were driving a few ounces

1299

00:47:32,069 --> 00:47:30,640

they would go pretty fast

1300

00:47:33,750 --> 00:47:32,079

the only thing that would impede them

1301

00:47:36,230 --> 00:47:33,760

would be it would be a friction air

1302

00:47:37,990 --> 00:47:36,240

friction and and this anagravitic tech

1303

00:47:40,309 --> 00:47:38,000

may have the ability to affect

1304

00:47:41,750 --> 00:47:40,319

the space around the craft eliminating

1305

00:47:43,030 --> 00:47:41,760

even that

1306

00:47:45,829 --> 00:47:43,040

so

1307

00:47:48,870 --> 00:47:45,839

it's possible

1308

00:47:49,990 --> 00:47:48,880

that that makes a little less clear

1309

00:47:52,870 --> 00:47:50,000

as to

1310

00:47:54,790 --> 00:47:52,880

what what energy it was what's their

1311

00:47:57,190 --> 00:47:54,800

energy paradigm

1312

00:47:59,990 --> 00:47:57,200

now having said that

1313

00:48:02,390 --> 00:48:00,000

we have no idea how much energy would be

1314

00:48:03,589 --> 00:48:02,400
required to create the antigravitic

1315

00:48:04,829 --> 00:48:03,599
effect

1316

00:48:08,230 --> 00:48:04,839
it may be

1317

00:48:10,950 --> 00:48:08,240
enormous uh i would intuitively think it

1318

00:48:14,069 --> 00:48:10,960
would be huge

1319

00:48:16,870 --> 00:48:14,079
and so once again we get down to

1320

00:48:18,829 --> 00:48:16,880
how how what what what to what degree of

1321

00:48:21,589 --> 00:48:18,839
paradigm shift is their energy

1322

00:48:24,150 --> 00:48:21,599
technology i have we have we have we

1323

00:48:25,750 --> 00:48:24,160
done it have we reversed engineered it

1324

00:48:28,309 --> 00:48:25,760
i don't know

1325

00:48:29,270 --> 00:48:28,319
um i used to think we had because we

1326

00:48:32,549 --> 00:48:29,280

were

1327

00:48:34,870 --> 00:48:32,559

i used to say that years ago because of

1328

00:48:36,309 --> 00:48:34,880

the way um

1329

00:48:38,069 --> 00:48:36,319

because i know that we had developed

1330

00:48:39,589 --> 00:48:38,079

anti-gravity crap

1331

00:48:41,829 --> 00:48:39,599

we have that

1332

00:48:42,950 --> 00:48:41,839

but

1333

00:48:45,109 --> 00:48:42,960

you can't

1334

00:48:47,589 --> 00:48:45,119

it's obvious if if

1335

00:48:49,190 --> 00:48:47,599

if if the craft is anti-gravity

1336

00:48:50,790 --> 00:48:49,200

you but that but you don't know what the

1337

00:48:53,750 --> 00:48:50,800

energy system is

1338

00:48:56,549 --> 00:48:53,760

endogenics is is self-evident energy is

1339

00:48:57,510 --> 00:48:56,559

not and so what we don't know

1340

00:48:59,030 --> 00:48:57,520

uh

1341

00:49:01,349 --> 00:48:59,040

however

1342

00:49:03,910 --> 00:49:01,359

whatever energy system

1343

00:49:06,630 --> 00:49:03,920

that craft is using

1344

00:49:08,870 --> 00:49:06,640

i do not believe it is any system that

1345

00:49:11,190 --> 00:49:08,880

that humans have yeah it's definitely

1346

00:49:13,589 --> 00:49:11,200

not fossil fuels in other words

1347

00:49:15,270 --> 00:49:13,599

uh well anything else and and therefore

1348

00:49:17,109 --> 00:49:15,280

anything we have in operation and

1349

00:49:19,270 --> 00:49:17,119

therefore there's a reverse engineering

1350

00:49:20,309 --> 00:49:19,280

potential there

1351

00:49:21,750 --> 00:49:20,319

and

1352

00:49:23,990 --> 00:49:21,760

therefore

1353

00:49:25,349 --> 00:49:24,000

uh given the fact that an energy break

1354

00:49:28,309 --> 00:49:25,359

paradigm shift

1355

00:49:30,069 --> 00:49:28,319

is the one thing that could spare

1356

00:49:32,390 --> 00:49:30,079

it's probably the most critical

1357

00:49:35,589 --> 00:49:32,400

component of fixing

1358

00:49:37,349 --> 00:49:35,599

human society circa 21st century

1359

00:49:39,109 --> 00:49:37,359

uh we're headed for

1360

00:49:41,430 --> 00:49:39,119

a world of hurt

1361

00:49:44,470 --> 00:49:41,440

and pain suffering

1362

00:49:46,470 --> 00:49:44,480

and unpleasantness uh the rich will

1363

00:49:49,030 --> 00:49:46,480

avoid it to the very last i mean they'll

1364

00:49:50,710 --> 00:49:49,040

hire security uh people in droves

1365

00:49:52,790 --> 00:49:50,720

they'll armor plate their cars they'll

1366

00:49:54,470 --> 00:49:52,800

move up to a hundred floors in the air

1367

00:49:56,069 --> 00:49:54,480

they'll put in a security center do

1368

00:49:57,589 --> 00:49:56,079

everything they can

1369

00:49:59,030 --> 00:49:57,599

but the rest of the people are headed

1370

00:50:01,510 --> 00:49:59,040

for major herd and then of course it'll

1371

00:50:03,109 --> 00:50:01,520

catch up with the rich eventually which

1372

00:50:05,030 --> 00:50:03,119

which has been the case

1373

00:50:07,430 --> 00:50:05,040

for thousands of years so this is this

1374

00:50:09,589 --> 00:50:07,440

is a bad century we're heading into

1375

00:50:11,990 --> 00:50:09,599

and we have to fix it

1376
00:50:13,270 --> 00:50:12,000
and the one thing that would do more to

1377
00:50:16,309 --> 00:50:13,280
help fix

1378
00:50:17,109 --> 00:50:16,319
and solve our problems would be

1379
00:50:22,069 --> 00:50:17,119
a

1380
00:50:24,870 --> 00:50:22,079
where the cost of energy could be

1381
00:50:26,470 --> 00:50:24,880
dropped by 90 95 98

1382
00:50:29,190 --> 00:50:26,480
and the impact on the environment could

1383
00:50:32,790 --> 00:50:29,200
be reduced to a percent or two of what

1384
00:50:35,030 --> 00:50:32,800
we have now is that embedded in the et

1385
00:50:37,349 --> 00:50:35,040
presence it is very possible and

1386
00:50:39,910 --> 00:50:37,359
whatever the possibilities are the

1387
00:50:41,990 --> 00:50:39,920
sooner the entire intellectual capacity

1388
00:50:44,069 --> 00:50:42,000

of the human race is brought to bear on

1389

00:50:46,390 --> 00:50:44,079

that problem as opposed to a limited

1390

00:50:49,190 --> 00:50:46,400

number of scientists working underground

1391

00:50:52,069 --> 00:50:49,200

under deep security clearances

1392

00:50:55,990 --> 00:50:54,710

yeah you know i've often heard too a lot

1393

00:50:57,990 --> 00:50:56,000

of people seem to think in a

1394

00:51:00,950 --> 00:50:58,000

conspiratorial sort of way that part of

1395

00:51:02,790 --> 00:51:00,960

the truth embargo is directly related to

1396

00:51:04,069 --> 00:51:02,800

these energy systems because if we had

1397

00:51:05,910 --> 00:51:04,079

free energy

1398

00:51:08,549 --> 00:51:05,920

i mean you would you would have to work

1399

00:51:11,750 --> 00:51:08,559

as much you you know

1400

00:51:14,150 --> 00:51:11,760

free energy for all of humanity would be

1401
00:51:15,510 --> 00:51:14,160
just it would change everything for the

1402
00:51:16,710 --> 00:51:15,520
entire race

1403
00:51:19,109 --> 00:51:16,720
and i don't know there's a lot of

1404
00:51:20,309 --> 00:51:19,119
conspiracies it's it's the oil barons

1405
00:51:22,710 --> 00:51:20,319
and you know the people that run all

1406
00:51:24,549 --> 00:51:22,720
these they don't want that shift in

1407
00:51:26,069 --> 00:51:24,559
energy they want us paying five bucks a

1408
00:51:28,069 --> 00:51:26,079
gallon forever

1409
00:51:30,230 --> 00:51:28,079
and and i'm not sure what i think about

1410
00:51:32,549 --> 00:51:30,240
that but it makes sense that that could

1411
00:51:34,390 --> 00:51:32,559
be part of it that these energy systems

1412
00:51:35,750 --> 00:51:34,400
could be so

1413
00:51:38,069 --> 00:51:35,760

that could just

1414

00:51:39,589 --> 00:51:38,079

if if we had free energy tomorrow

1415

00:51:45,190 --> 00:51:39,599

everything would change

1416

00:51:46,790 --> 00:51:45,200

you wouldn't need gasoline or fuel or

1417

00:51:47,750 --> 00:51:46,800

let's clarify things

1418

00:51:49,270 --> 00:51:47,760

sure

1419

00:51:51,030 --> 00:51:49,280

there's no such thing steven's free

1420

00:51:52,150 --> 00:51:51,040

energy there will never be free energy

1421

00:51:54,150 --> 00:51:52,160

well you know what i mean this zero

1422

00:51:56,390 --> 00:51:54,160

point energy or very or like you said

1423

00:51:57,910 --> 00:51:56,400

like energy that costs 95 percent less

1424

00:51:59,109 --> 00:51:57,920

than it does now

1425

00:52:00,230 --> 00:51:59,119

well yeah but yeah that's that's

1426
00:52:01,510 --> 00:52:00,240
significant though because you have a

1427
00:52:02,950 --> 00:52:01,520
lot of people out there that have bought

1428
00:52:05,190 --> 00:52:02,960
into this whole free energy concept and

1429
00:52:06,470 --> 00:52:05,200
it's and it's warping their ability to

1430
00:52:08,150 --> 00:52:06,480
understand what's happening what's

1431
00:52:11,190 --> 00:52:08,160
unfolding

1432
00:52:12,470 --> 00:52:11,200
uh the human race huge huge amounts of

1433
00:52:16,950 --> 00:52:12,480
energy

1434
00:52:22,230 --> 00:52:19,510
and so and and

1435
00:52:23,109 --> 00:52:22,240
and whatever technology

1436
00:52:30,069 --> 00:52:23,119
is

1437
00:52:31,510 --> 00:52:30,079
amount of infrastructure

1438
00:52:33,270 --> 00:52:31,520

and that infrastructure is going to cost

1439

00:52:36,069 --> 00:52:33,280

money that's not going to be free and

1440

00:52:38,630 --> 00:52:36,079

then it has to be delivered to you

1441

00:52:41,510 --> 00:52:38,640

now it may be

1442

00:52:43,349 --> 00:52:41,520

that the energy concept in the alien or

1443

00:52:44,870 --> 00:52:43,359

the extraterrestrial

1444

00:52:47,430 --> 00:52:44,880

paradigm

1445

00:52:49,589 --> 00:52:47,440

can be made small

1446

00:52:51,190 --> 00:52:49,599

that there is certain ass there's a

1447

00:52:53,750 --> 00:52:51,200

there's a there's fundamental aspects of

1448

00:52:54,950 --> 00:52:53,760

physics here that are scalable

1449

00:52:56,549 --> 00:52:54,960

which means that someone could have a

1450

00:52:58,150 --> 00:52:56,559

device in their home they could provide

1451
00:53:00,630 --> 00:52:58,160
enough energy

1452
00:53:03,349 --> 00:53:00,640
to run that home forever

1453
00:53:05,670 --> 00:53:03,359
and so essentially the only

1454
00:53:07,589 --> 00:53:05,680
cost to them would be the cost of buying

1455
00:53:09,510 --> 00:53:07,599
the machine or replacing it if it breaks

1456
00:53:13,510 --> 00:53:09,520
down

1457
00:53:14,710 --> 00:53:13,520
well look we almost have that now

1458
00:53:16,470 --> 00:53:14,720
if solar

1459
00:53:18,069 --> 00:53:16,480
power

1460
00:53:20,710 --> 00:53:18,079
can achieve

1461
00:53:22,630 --> 00:53:20,720
some modest increases in

1462
00:53:24,470 --> 00:53:22,640
efficiency

1463
00:53:26,549 --> 00:53:24,480

there could come a time when you you put

1464

00:53:28,309 --> 00:53:26,559

the solar panels on your roof

1465

00:53:30,549 --> 00:53:28,319

in most parts of the world and you never

1466

00:53:31,430 --> 00:53:30,559

have to buy outside energy again

1467

00:53:33,670 --> 00:53:31,440

uh

1468

00:53:36,390 --> 00:53:33,680

but you will have to upkeep the panels

1469

00:53:38,790 --> 00:53:36,400

and so forth i'm a big fan i'm a big fan

1470

00:53:40,630 --> 00:53:38,800

of solar power in fact i have a i have

1471

00:53:43,030 --> 00:53:40,640

an off-grid cabin in the woods it's

1472

00:53:46,549 --> 00:53:43,040

completely off-grid everything

1473

00:53:48,790 --> 00:53:46,559

is we have water tanks and solar panels

1474

00:53:50,230 --> 00:53:48,800

and battery systems inverters you

1475

00:53:52,309 --> 00:53:50,240

wouldn't know it unless you saw the

1476

00:53:55,270 --> 00:53:52,319

solar panels but i can run anything i

1477

00:53:57,430 --> 00:53:55,280

can run microwaves tvs vcrs you know

1478

00:53:59,430 --> 00:53:57,440

computers whatever i want and it's all

1479

00:54:01,030 --> 00:53:59,440

self-contained it was expensive to do it

1480

00:54:03,910 --> 00:54:01,040

i did it over time

1481

00:54:05,109 --> 00:54:03,920

but it's it's totally doable

1482

00:54:07,829 --> 00:54:05,119

yes

1483

00:54:10,069 --> 00:54:07,839

now the amount of energy though that

1484

00:54:12,230 --> 00:54:10,079

that we're consuming as a society is not

1485

00:54:14,150 --> 00:54:12,240

just

1486

00:54:16,390 --> 00:54:14,160

heating your home

1487

00:54:19,030 --> 00:54:16,400

we have vast industries

1488

00:54:20,630 --> 00:54:19,040

that absorb huge amounts of energy

1489

00:54:23,510 --> 00:54:20,640

and so

1490

00:54:26,790 --> 00:54:25,589

whatever it's whatever infrastructure

1491

00:54:28,470 --> 00:54:26,800

it's going to take to supply that's

1492

00:54:29,750 --> 00:54:28,480

going to cost a lot of money and that

1493

00:54:30,630 --> 00:54:29,760

money is going to be transferred to

1494

00:54:35,430 --> 00:54:30,640

human

1495

00:54:38,870 --> 00:54:35,440

to customers but but but again a 95

1496

00:54:40,309 --> 00:54:38,880

decrease in energy costs or what i like

1497

00:54:43,190 --> 00:54:40,319

to call the cost of an electron because

1498

00:54:45,910 --> 00:54:43,200

we are going to be an electron basis

1499

00:54:47,109 --> 00:54:45,920

civilization for a long time

1500

00:54:49,109 --> 00:54:47,119

um

1501
00:54:50,549 --> 00:54:49,119
the infrastructure in place already is

1502
00:54:52,230 --> 00:54:50,559
so vast

1503
00:54:53,589 --> 00:54:52,240
that the idea we're going to try another

1504
00:54:56,390 --> 00:54:53,599
modality

1505
00:54:58,950 --> 00:54:56,400
is not likely what we can do is increase

1506
00:55:04,630 --> 00:54:58,960
the efficiency of electron based energy

1507
00:55:06,870 --> 00:55:04,640
uh by uh improving the lines that carry

1508
00:55:08,390 --> 00:55:06,880
the the power and so that you have a lot

1509
00:55:10,150 --> 00:55:08,400
less less loss

1510
00:55:11,190 --> 00:55:10,160
and other factors and that's doable but

1511
00:55:13,109 --> 00:55:11,200
we're going to be electron based so it's

1512
00:55:14,870 --> 00:55:13,119
the cost of an electron so if you if you

1513
00:55:18,390 --> 00:55:14,880

if you reduce the cost of moving

1514

00:55:21,990 --> 00:55:18,400

electron from point a to point b by 95

1515

00:55:23,190 --> 00:55:22,000

that in and of itself is a vast paradigm

1516

00:55:26,549 --> 00:55:23,200

shift

1517

00:55:28,789 --> 00:55:26,559

in terms of being able to make

1518

00:55:30,630 --> 00:55:28,799

complex societies work

1519

00:55:33,430 --> 00:55:30,640

particularly complex systems that are

1520

00:55:36,789 --> 00:55:33,440

already trillions of dollars in debt

1521

00:55:38,069 --> 00:55:36,799

but if that modality of energy

1522

00:55:39,030 --> 00:55:38,079

production

1523

00:55:41,109 --> 00:55:39,040

also

1524

00:55:42,789 --> 00:55:41,119

has a fraction of the environmental

1525

00:55:45,589 --> 00:55:42,799

impact

1526

00:55:48,549 --> 00:55:45,599

that is also a massive paradigm shift

1527

00:55:50,549 --> 00:55:48,559

and so we need to know

1528

00:55:52,309 --> 00:55:50,559

whether those paradigm shifts are

1529

00:55:54,069 --> 00:55:52,319

embedded in that tech that the

1530

00:55:56,230 --> 00:55:54,079

government has been sitting on for 70

1531

00:55:58,309 --> 00:55:56,240

years now if the government comes out

1532

00:55:59,990 --> 00:55:58,319

and says there's et's here

1533

00:56:02,630 --> 00:56:00,000

and we've studied the tech we've studied

1534

00:56:04,789 --> 00:56:02,640

the uh the anaerobics and energy and we

1535

00:56:07,109 --> 00:56:04,799

can tell you that the paradigm shift we

1536

00:56:08,309 --> 00:56:07,119

would love to have is not there

1537

00:56:10,710 --> 00:56:08,319

yet

1538

00:56:12,309 --> 00:56:10,720

and and and we're able to back up that

1539

00:56:15,510 --> 00:56:12,319

statement then we could all make

1540

00:56:16,710 --> 00:56:15,520

decisions more appropriately about

1541

00:56:18,390 --> 00:56:16,720

what are we going to do about the

1542

00:56:20,870 --> 00:56:18,400

situation we're in

1543

00:56:22,549 --> 00:56:20,880

but one of the one of the uh one of the

1544

00:56:24,150 --> 00:56:22,559

things that i like to mention from time

1545

00:56:26,470 --> 00:56:24,160

to time because this whole history of

1546

00:56:28,950 --> 00:56:26,480

the et issue the government involvement

1547

00:56:30,470 --> 00:56:28,960

is filled with dogs that didn't bark

1548

00:56:32,470 --> 00:56:30,480

they're all over the place it's a whole

1549

00:56:33,910 --> 00:56:32,480

kennel of dogs that didn't bark

1550

00:56:36,150 --> 00:56:33,920

which is a reference to a famous

1551
00:56:37,750 --> 00:56:36,160
sherlock holm story where he solves the

1552
00:56:39,750 --> 00:56:37,760
case because a dog who should have

1553
00:56:41,270 --> 00:56:39,760
barked didn't bark

1554
00:56:43,109 --> 00:56:41,280
and so

1555
00:56:44,630 --> 00:56:43,119
it's interesting

1556
00:56:47,510 --> 00:56:44,640
as you

1557
00:56:49,589 --> 00:56:47,520
as we as as we have approached

1558
00:56:51,030 --> 00:56:49,599
and learned about some very major

1559
00:56:53,750 --> 00:56:51,040
problems

1560
00:56:55,910 --> 00:56:53,760
like potential meteor impact the display

1561
00:56:58,549 --> 00:56:55,920
that could have which you've known about

1562
00:57:00,470 --> 00:56:58,559
for many decades it could destroy us

1563
00:57:01,670 --> 00:57:00,480

the government's been real slow to

1564

00:57:03,589 --> 00:57:01,680

respond

1565

00:57:06,710 --> 00:57:03,599

when we talk about

1566

00:57:08,549 --> 00:57:06,720

again some of the climate change issues

1567

00:57:10,950 --> 00:57:08,559

uh about

1568

00:57:12,630 --> 00:57:10,960

the impact of fossil fuels the

1569

00:57:15,430 --> 00:57:12,640

government has been really slow to

1570

00:57:17,030 --> 00:57:15,440

respond it's always been slow to respond

1571

00:57:18,870 --> 00:57:17,040

and the only reason we're getting action

1572

00:57:22,870 --> 00:57:18,880

now is from enormous

1573

00:57:23,990 --> 00:57:22,880

uh pressure from from the public

1574

00:57:26,390 --> 00:57:24,000

so

1575

00:57:27,750 --> 00:57:26,400

why why did they why why did not

1576

00:57:29,670 --> 00:57:27,760

particularly us government and some of

1577

00:57:32,230 --> 00:57:29,680

the other major developed countries why

1578

00:57:34,630 --> 00:57:32,240

were they slow to respond to these

1579

00:57:38,150 --> 00:57:34,640

obvious issues

1580

00:57:39,430 --> 00:57:38,160

uh and instead putting money elsewhere

1581

00:57:40,710 --> 00:57:39,440

bombs

1582

00:57:43,750 --> 00:57:40,720

jet planes

1583

00:57:45,670 --> 00:57:43,760

missiles whatever or new wars why why

1584

00:57:47,910 --> 00:57:45,680

did they not respond

1585

00:57:49,829 --> 00:57:47,920

why didn't they bark in other words is

1586

00:57:51,430 --> 00:57:49,839

it possible

1587

00:57:53,670 --> 00:57:51,440

that the major governments which

1588

00:57:55,589 --> 00:57:53,680

includes the us china russia and quite a

1589

00:57:57,670 --> 00:57:55,599

few others

1590

00:57:59,430 --> 00:57:57,680

know about this technology they know

1591

00:58:01,109 --> 00:57:59,440

about the e.t presence

1592

00:58:02,390 --> 00:58:01,119

have been working on this technology

1593

00:58:04,309 --> 00:58:02,400

they know that eventually this

1594

00:58:07,190 --> 00:58:04,319

technology will be available to the

1595

00:58:10,549 --> 00:58:07,200

human race when they're ready to divulge

1596

00:58:13,589 --> 00:58:10,559

it but they know it's there

1597

00:58:14,549 --> 00:58:13,599

and therefore they don't have that same

1598

00:58:16,390 --> 00:58:14,559

uh

1599

00:58:18,309 --> 00:58:16,400

sense of urgency

1600

00:58:20,470 --> 00:58:18,319

about addressing these problems and they

1601
00:58:21,910 --> 00:58:20,480
just sort of stand back

1602
00:58:22,789 --> 00:58:21,920
everybody else is going oh my god what

1603
00:58:24,150 --> 00:58:22,799
are we going to do and the people of

1604
00:58:25,670 --> 00:58:24,160
government going yeah you know we'd love

1605
00:58:27,109 --> 00:58:25,680
to tell you but it's not a problem but

1606
00:58:29,589 --> 00:58:27,119
they can't tell us

1607
00:58:32,549 --> 00:58:29,599
this is why in truth embargoes and

1608
00:58:35,430 --> 00:58:32,559
massive secrecy and everything is a very

1609
00:58:37,829 --> 00:58:35,440
bad way to run a country to run a nation

1610
00:58:40,710 --> 00:58:37,839
and to run a planet and if we don't get

1611
00:58:41,910 --> 00:58:40,720
over our addiction to secrecy

1612
00:58:44,230 --> 00:58:41,920
and lies

1613
00:58:45,270 --> 00:58:44,240

we will destroy ourselves

1614

00:58:47,270 --> 00:58:45,280

so

1615

00:58:49,190 --> 00:58:47,280

this is a theory i have and i'd love to

1616

00:58:51,349 --> 00:58:49,200

see it explored in greater detail later

1617

00:58:52,710 --> 00:58:51,359

on but

1618

00:58:55,589 --> 00:58:52,720

i has a feeling the government knows

1619

00:58:57,349 --> 00:58:55,599

that that things aren't as bad as uh you

1620

00:59:00,789 --> 00:58:57,359

might think but we can't tell you and a

1621

00:59:03,430 --> 00:59:00,799

perfect example is is meteors

1622

00:59:05,430 --> 00:59:03,440

if a meteor were to turn up

1623

00:59:07,349 --> 00:59:05,440

of great size

1624

00:59:08,470 --> 00:59:07,359

say the size of mount everest like the

1625

00:59:11,510 --> 00:59:08,480

one that

1626

00:59:13,910 --> 00:59:11,520

hit the yucatan peninsula

1627

00:59:15,990 --> 00:59:13,920

peninsula i assure you

1628

00:59:17,510 --> 00:59:16,000

the jig is up all right that's my

1629

00:59:19,510 --> 00:59:17,520

extension that's what's called an

1630

00:59:21,270 --> 00:59:19,520

extinction level

1631

00:59:22,789 --> 00:59:21,280

look plenty of species will be extinct

1632

00:59:25,910 --> 00:59:22,799

it won't be humans because humans are

1633

00:59:28,069 --> 00:59:25,920

very clever but the number of humans

1634

00:59:28,950 --> 00:59:28,079

around after this

1635

00:59:32,150 --> 00:59:28,960

uh

1636

00:59:34,069 --> 00:59:32,160

that are alive will wish they were dead

1637

00:59:35,510 --> 00:59:34,079

the human race will go on but i'm sure

1638

00:59:39,190 --> 00:59:35,520

it's over

1639

00:59:40,309 --> 00:59:39,200

and and so this simply cannot happen

1640

00:59:42,230 --> 00:59:40,319

and

1641

00:59:43,829 --> 00:59:42,240

it's always it i'd always marveled at

1642

00:59:45,670 --> 00:59:43,839

how little

1643

00:59:49,270 --> 00:59:45,680

almost from almost all of my lifetime

1644

00:59:50,549 --> 00:59:49,280

50s 40s 40s 50s 60s 70s 80s 90s how

1645

00:59:52,069 --> 00:59:50,559

little the government was doing about

1646

00:59:53,750 --> 00:59:52,079

this meaning well i would just roll the

1647

00:59:55,510 --> 00:59:53,760

dice

1648

00:59:58,069 --> 00:59:55,520

but you know guess what if you have

1649

01:00:00,069 --> 00:59:58,079

anti-gravity

1650

01:00:02,470 --> 01:00:00,079

if you don't have to shoot a rocket the

1651

01:00:03,510 --> 01:00:02,480

size of the saturn v

1652

01:00:05,750 --> 01:00:03,520

uh

1653

01:00:07,349 --> 01:00:05,760

and with with minimal maneuverability in

1654

01:00:09,190 --> 01:00:07,359

order to get somewhere if you had any

1655

01:00:11,109 --> 01:00:09,200

gravitics

1656

01:00:12,710 --> 01:00:11,119

and you could fly craft

1657

01:00:14,630 --> 01:00:12,720

at extraordinary speeds and

1658

01:00:15,430 --> 01:00:14,640

maneuverability

1659

01:00:16,549 --> 01:00:15,440

then

1660

01:00:17,510 --> 01:00:16,559

if a

1661

01:00:20,150 --> 01:00:17,520

any

1662

01:00:22,390 --> 01:00:20,160

substantial object turned up

1663

01:00:25,430 --> 01:00:22,400

even if you only learned about it a

1664

01:00:29,430 --> 01:00:25,440

month before impact you could you could

1665

01:00:31,990 --> 01:00:29,440

go out to that to that uh object

1666

01:00:33,910 --> 01:00:32,000

using anaerobic technology craft

1667

01:00:36,390 --> 01:00:33,920

and divert it

1668

01:00:37,670 --> 01:00:36,400

just move it yeah easily out of work you

1669

01:00:39,510 --> 01:00:37,680

won't even need to blow it up you just

1670

01:00:41,430 --> 01:00:39,520

need to modify its trajectory you don't

1671

01:00:42,710 --> 01:00:41,440

blow it up no you definitely don't blow

1672

01:00:44,390 --> 01:00:42,720

it up you just simply move it out and

1673

01:00:45,910 --> 01:00:44,400

move it out of into a different orbit

1674

01:00:49,190 --> 01:00:45,920

and and i believe they've had these

1675

01:00:50,950 --> 01:00:49,200

craft for a very long time and so there

1676

01:00:53,030 --> 01:00:50,960

are certain people inside that have

1677

01:00:55,349 --> 01:00:53,040

always known look this meteor thing is

1678

01:00:58,630 --> 01:00:55,359

not a big deal but we can't tell you

1679

01:01:01,349 --> 01:00:58,640

about it so you know make your movies

1680

01:01:02,870 --> 01:01:01,359

be insecure be worried

1681

01:01:04,870 --> 01:01:02,880

whatever wish we could tell you

1682

01:01:06,069 --> 01:01:04,880

something but you know it's all national

1683

01:01:07,990 --> 01:01:06,079

security

1684

01:01:11,190 --> 01:01:08,000

that's the best example but there's many

1685

01:01:13,670 --> 01:01:11,200

many other versions of that same thing

1686

01:01:15,349 --> 01:01:13,680

so all i can say is uh until we get

1687

01:01:16,549 --> 01:01:15,359

disclosure

1688

01:01:18,789 --> 01:01:16,559

and we start getting some real

1689

01:01:21,190 --> 01:01:18,799

information from these governments

1690

01:01:24,390 --> 01:01:21,200

uh this can this ridiculous kabuki

1691

01:01:27,750 --> 01:01:24,400

theater will continue while the world by

1692

01:01:30,549 --> 01:01:27,760

and large is decaying on multiple levels

1693

01:01:31,670 --> 01:01:30,559

and we are headed towards huge

1694

01:01:32,789 --> 01:01:31,680

huge

1695

01:01:35,829 --> 01:01:32,799

um

1696

01:01:37,510 --> 01:01:35,839

pain and suffering and by that and i and

1697

01:01:38,549 --> 01:01:37,520

i the way to calculate pain and

1698

01:01:41,030 --> 01:01:38,559

suffering

1699

01:01:43,030 --> 01:01:41,040

is how many people are dying

1700

01:01:45,349 --> 01:01:43,040

unnecessarily

1701

01:01:47,349 --> 01:01:45,359

and perhaps dying very badly

1702

01:01:51,349 --> 01:01:47,359

and those numbers

1703

01:01:52,710 --> 01:01:51,359

uh in this century are going to spike

1704

01:01:54,630 --> 01:01:52,720

to levels

1705

01:01:57,990 --> 01:01:54,640

that will make the losses we experience

1706

01:02:00,309 --> 01:01:58,000

in world war ii seem trivial

1707

01:02:02,470 --> 01:02:00,319

hundreds of millions of people and kids

1708

01:02:03,670 --> 01:02:02,480

and women and and and other animals are

1709

01:02:05,270 --> 01:02:03,680

going to die

1710

01:02:06,549 --> 01:02:05,280

badly and early

1711

01:02:07,910 --> 01:02:06,559

and they're going to be very and

1712

01:02:10,069 --> 01:02:07,920

everybody and all their relatives are

1713

01:02:12,230 --> 01:02:10,079

going to be very unhappy about that

1714

01:02:13,910 --> 01:02:12,240

and they're going to act out

1715

01:02:15,430 --> 01:02:13,920

and things are going to continue to get

1716

01:02:19,109 --> 01:02:15,440

worse

1717

01:02:20,710 --> 01:02:19,119

and so we either get our act together

1718

01:02:22,390 --> 01:02:20,720

now

1719

01:02:24,069 --> 01:02:22,400

uh if you're my age i'm not going to

1720

01:02:25,430 --> 01:02:24,079

experience it but if you're young or if

1721

01:02:27,029 --> 01:02:25,440

you've got kids

1722

01:02:29,349 --> 01:02:27,039

you you should be banging on the

1723

01:02:30,789 --> 01:02:29,359

government stores if every if everybody

1724

01:02:33,510 --> 01:02:30,799

who had a kid

1725

01:02:35,270 --> 01:02:33,520

in this country knew the real truth

1726

01:02:37,589 --> 01:02:35,280

about what we're facing

1727

01:02:39,589 --> 01:02:37,599

they would they would be pouring money

1728

01:02:41,029 --> 01:02:39,599

into the disclosure movement

1729

01:02:42,309 --> 01:02:41,039

they'd be funding everybody in a

1730

01:02:44,870 --> 01:02:42,319

movement that's doing anything

1731

01:02:47,670 --> 01:02:44,880

worthwhile but they don't know and the

1732

01:02:50,150 --> 01:02:47,680

government is damn well and

1733

01:02:52,150 --> 01:02:50,160

dembele intends that they don't know

1734

01:02:53,670 --> 01:02:52,160

meaning be stupid be uninformed you

1735

01:02:57,990 --> 01:02:53,680

don't you know anything we got to cover

1736

01:03:00,549 --> 01:02:58,000

it's all secret but don't worry um

1737

01:03:02,470 --> 01:03:00,559

what can i say well you know stephen

1738

01:03:04,390 --> 01:03:02,480

it may not be the best plan but i can

1739

01:03:06,230 --> 01:03:04,400

tell you that there's a reason that i

1740

01:03:09,109 --> 01:03:06,240

have an off-grid cabin in the woods and

1741

01:03:12,069 --> 01:03:09,119

it's not just to take vacations there

1742

01:03:14,069 --> 01:03:12,079

just in case just in case you know all

1743

01:03:16,150 --> 01:03:14,079

right because i have children and i

1744

01:03:17,990 --> 01:03:16,160

worry about these things probably more

1745

01:03:19,190 --> 01:03:18,000

than most people you know my eyes have

1746

01:03:20,549 --> 01:03:19,200

been open to some of this stuff for

1747

01:03:22,390 --> 01:03:20,559

quite a long time

1748

01:03:24,710 --> 01:03:22,400

obviously not as long not as long as

1749

01:03:25,990 --> 01:03:24,720

yours and i appreciate your analysis of

1750

01:03:27,589 --> 01:03:26,000

this stuff well you know you know

1751

01:03:28,950 --> 01:03:27,599

stephen that a lot of very wealthy

1752

01:03:32,789 --> 01:03:28,960

people have been extra built

1753

01:03:33,829 --> 01:03:32,799

extraordinary underground bunkers

1754

01:03:35,589 --> 01:03:33,839

plush

1755

01:03:38,630 --> 01:03:35,599

deluxe

1756

01:03:40,230 --> 01:03:38,640

bunkers yeah that's strange

1757

01:03:44,069 --> 01:03:40,240

oh yeah you can you can google this you

1758

01:03:45,589 --> 01:03:44,079

can see them they got photos uh

1759

01:03:47,349 --> 01:03:45,599

this has been a lot of we're building

1760

01:03:50,950 --> 01:03:47,359

them in new zealand

1761

01:03:52,549 --> 01:03:50,960

this is this amuses the hell out of me

1762

01:03:54,230 --> 01:03:52,559

because i know what's coming if we don't

1763

01:03:57,190 --> 01:03:54,240

get our act together and i can assure

1764

01:04:00,309 --> 01:03:57,200

you those bunkers are not going to save

1765

01:04:03,029 --> 01:04:00,319

them yeah they say gonna save them

1766

01:04:04,789 --> 01:04:03,039

because while they're down there

1767

01:04:06,549 --> 01:04:04,799

uh living in a lap of luxury with

1768

01:04:07,670 --> 01:04:06,559

jacuzzis and

1769

01:04:11,109 --> 01:04:07,680

and uh

1770

01:04:12,710 --> 01:04:11,119

25 years of stored frozen lobster

1771

01:04:15,990 --> 01:04:12,720

there are going to be hundreds of

1772

01:04:18,309 --> 01:04:16,000

millions of people roaming the surface

1773

01:04:20,390 --> 01:04:18,319

in utter desperation

1774

01:04:22,390 --> 01:04:20,400

knowing full well that these bunkers

1775

01:04:25,029 --> 01:04:22,400

exist

1776

01:04:27,029 --> 01:04:25,039

and the only way you could possibly

1777

01:04:28,630 --> 01:04:27,039

avoid

1778

01:04:30,470 --> 01:04:28,640

a bad outcome

1779

01:04:32,630 --> 01:04:30,480

is if they are deep and they have an

1780

01:04:35,510 --> 01:04:32,640

absolutely completely internal air

1781

01:04:39,270 --> 01:04:35,520

supply which requires no

1782

01:04:41,990 --> 01:04:39,280

no contact with the surface at all

1783

01:04:44,630 --> 01:04:42,000

uh as well as access which is utterly

1784

01:04:45,750 --> 01:04:44,640

impenetrable meaning that unless you

1785

01:04:46,950 --> 01:04:45,760

don't even know they're there except

1786

01:04:48,069 --> 01:04:46,960

that a lot of these people above are

1787

01:04:49,990 --> 01:04:48,079

going to start

1788

01:04:52,829 --> 01:04:50,000

they will find technology they will they

1789

01:04:55,990 --> 01:04:52,839

will avail themselves of

1790

01:04:57,670 --> 01:04:56,000

of kind of you know surface penetrating

1791

01:04:59,750 --> 01:04:57,680

radar and other techs i'll try to find

1792

01:05:01,910 --> 01:04:59,760

these bunkers as always the tech is all

1793

01:05:05,510 --> 01:05:01,920

going to be gone this is going to be bad

1794

01:05:07,430 --> 01:05:05,520

times and so they'll hunt for them

1795

01:05:08,950 --> 01:05:07,440

and they'll pull those people out and

1796

01:05:10,950 --> 01:05:08,960

probably

1797

01:05:12,309 --> 01:05:10,960

set them on fire and then go down and

1798

01:05:13,510 --> 01:05:12,319

raid the bunkers

1799

01:05:15,990 --> 01:05:13,520

so

1800

01:05:17,910 --> 01:05:16,000

there there is such a misunderstanding

1801

01:05:19,510 --> 01:05:17,920

of what we face as a civilization

1802

01:05:21,589 --> 01:05:19,520

amongst people

1803

01:05:23,349 --> 01:05:21,599

that's what i do why do what i do but i

1804

01:05:24,710 --> 01:05:23,359

can't simply become a

1805

01:05:26,470 --> 01:05:24,720

a uh

1806

01:05:29,029 --> 01:05:26,480

i'm not a conspiracist

1807

01:05:31,190 --> 01:05:29,039

and i'm not an apocalyptist

1808

01:05:33,109 --> 01:05:31,200

uh yeah you're definitely not a doomsday

1809

01:05:36,470 --> 01:05:33,119

prophet from all the lectures that i've

1810

01:05:38,549 --> 01:05:36,480

seen of you but it's still revealing to

1811

01:05:40,710 --> 01:05:38,559

know that you have these concerns

1812

01:05:42,710 --> 01:05:40,720

it's not you're not being a doomsday

1813

01:05:45,190 --> 01:05:42,720

prophet to point out what is going to

1814

01:05:48,150 --> 01:05:45,200
happen if we don't fix something

1815

01:05:50,789 --> 01:05:48,160
right if somebody has got uh

1816

01:05:52,950 --> 01:05:50,799
if somebody you know

1817

01:05:55,670 --> 01:05:52,960
if somebody is driving a car that all

1818

01:05:57,190 --> 01:05:55,680
this all the lug nuts have fallen off

1819

01:05:59,750 --> 01:05:57,200
and you know this

1820

01:06:01,430 --> 01:05:59,760
and you tell them if you don't if you

1821

01:06:03,270 --> 01:06:01,440
don't stop

1822

01:06:05,589 --> 01:06:03,280
and fix that

1823

01:06:07,109 --> 01:06:05,599
you're going to kill yourself

1824

01:06:09,589 --> 01:06:07,119
uh that person looks at you oh you're

1825

01:06:10,710 --> 01:06:09,599
just a doomsday prophet

1826

01:06:12,710 --> 01:06:10,720

and then they climb in their car and

1827

01:06:16,390 --> 01:06:12,720

they go kill themselves no that's not

1828

01:06:18,789 --> 01:06:16,400

what i am i am basically an activist

1829

01:06:21,670 --> 01:06:18,799

involving an issue that by its very

1830

01:06:24,630 --> 01:06:21,680

nature encompasses a broad spectrum

1831

01:06:27,670 --> 01:06:24,640

of other issues and forces me to look at

1832

01:06:29,349 --> 01:06:27,680

a many many threads

1833

01:06:31,029 --> 01:06:29,359

and when you look at the actually look

1834

01:06:32,630 --> 01:06:31,039

at those threads

1835

01:06:35,190 --> 01:06:32,640

it's not hard to see what's going to

1836

01:06:36,870 --> 01:06:35,200

happen not only not not not only

1837

01:06:38,710 --> 01:06:36,880

and there's also the fact that quite a

1838

01:06:39,990 --> 01:06:38,720

few significant entities have

1839

01:06:43,270 --> 01:06:40,000

government entities have published

1840

01:06:45,029 --> 01:06:43,280

reports predicting all this already

1841

01:06:46,309 --> 01:06:45,039

but these reports don't get a lot of

1842

01:06:47,670 --> 01:06:46,319

attention because nobody wants to read

1843

01:06:50,150 --> 01:06:47,680

that kind of stuff and there's not a lot

1844

01:06:51,670 --> 01:06:50,160

of effort to publicize them but

1845

01:06:53,349 --> 01:06:51,680

the 21st century is pretty easy to

1846

01:06:55,109 --> 01:06:53,359

figure out if we don't fix pretty

1847

01:06:55,910 --> 01:06:55,119

quickly what we need to fix

1848

01:06:58,390 --> 01:06:55,920

and

1849

01:07:00,390 --> 01:06:58,400

right now the only chance we have of

1850

01:07:02,470 --> 01:07:00,400

making any serious progress

1851
01:07:04,870 --> 01:07:02,480
in this fixed fixing process which i

1852
01:07:06,309 --> 01:07:04,880
would call a reformist progress

1853
01:07:07,910 --> 01:07:06,319
process

1854
01:07:09,029 --> 01:07:07,920
is to end the truth embargo in the et

1855
01:07:12,789 --> 01:07:09,039
question

1856
01:07:15,349 --> 01:07:12,799
that has the best shot of changing

1857
01:07:17,910 --> 01:07:15,359
the game the rules and opening the doors

1858
01:07:19,829 --> 01:07:17,920
for reform nothing else

1859
01:07:22,309 --> 01:07:19,839
even comes close to it

1860
01:07:24,390 --> 01:07:22,319
not some conference or some peace

1861
01:07:25,589 --> 01:07:24,400
conference not not a couple of clever

1862
01:07:29,190 --> 01:07:25,599
books

1863
01:07:31,029 --> 01:07:29,200

uh we're way past that uh we need a

1864

01:07:33,670 --> 01:07:31,039

massive world of view change and a

1865

01:07:35,270 --> 01:07:33,680

refocus on a global level

1866

01:07:37,190 --> 01:07:35,280

and it's going to take an

1867

01:07:38,549 --> 01:07:37,200

announcement of the power of a

1868

01:07:40,630 --> 01:07:38,559

disclosure

1869

01:07:42,630 --> 01:07:40,640

to have any shot at that and there's no

1870

01:07:45,589 --> 01:07:42,640

guarantee it'll work but

1871

01:07:46,950 --> 01:07:45,599

it's i'm optimistic it would

1872

01:07:48,069 --> 01:07:46,960

and you know what so that's what's at

1873

01:07:50,390 --> 01:07:48,079

stake

1874

01:07:52,630 --> 01:07:50,400

one of the other important questions

1875

01:07:54,309 --> 01:07:52,640

that i wanted to see your analysis of

1876

01:07:55,190 --> 01:07:54,319

because it's just an observation of mine

1877

01:07:56,470 --> 01:07:55,200

but

1878

01:07:58,630 --> 01:07:56,480

after that

1879

01:08:00,549 --> 01:07:58,640

to the stars academy new york times

1880

01:08:03,109 --> 01:08:00,559

piece and this and that

1881

01:08:04,230 --> 01:08:03,119

it seems like to me at least that the

1882

01:08:05,829 --> 01:08:04,240

media

1883

01:08:08,630 --> 01:08:05,839

completely changed the way that they

1884

01:08:11,510 --> 01:08:08,640

cover ufos and this kind of thing it

1885

01:08:13,589 --> 01:08:11,520

used to be that you would hear a ufo

1886

01:08:15,349 --> 01:08:13,599

story it was kind of like

1887

01:08:18,229 --> 01:08:15,359

they kind of made fun of it like oh

1888

01:08:20,630 --> 01:08:18,239

aliens you know and it was funny and and

1889

01:08:22,550 --> 01:08:20,640

now it seems like at least to me that

1890

01:08:24,789 --> 01:08:22,560

their coverage of these things

1891

01:08:26,630 --> 01:08:24,799

has shifted to be more serious and

1892

01:08:29,990 --> 01:08:26,640

science based

1893

01:08:31,749 --> 01:08:30,000

that's been underway for about 20 years

1894

01:08:33,349 --> 01:08:31,759

at my website

1895

01:08:35,189 --> 01:08:33,359

i have

1896

01:08:36,789 --> 01:08:35,199

logged

1897

01:08:38,950 --> 01:08:36,799

linked to

1898

01:08:40,870 --> 01:08:38,960

nearly 11 000 articles going all the way

1899

01:08:42,950 --> 01:08:40,880

back to 1947.

1900

01:08:44,950 --> 01:08:42,960

wow in other words

1901

01:08:47,189 --> 01:08:44,960

you could go to my website and read 11

1902

01:08:49,910 --> 01:08:47,199

mainstream articles now i'm not talking

1903

01:08:52,470 --> 01:08:49,920

about ufo magazines paranormal press i'm

1904

01:08:55,189 --> 01:08:52,480

talking mainstream print

1905

01:08:56,630 --> 01:08:55,199

going all the way back to 47

1906

01:08:58,550 --> 01:08:56,640

and if you were to read all these you

1907

01:09:00,390 --> 01:08:58,560

would see that the the coverage of this

1908

01:09:02,309 --> 01:09:00,400

issue has evolved

1909

01:09:04,470 --> 01:09:02,319

and gone through phases

1910

01:09:09,349 --> 01:09:04,480

and

1911

01:09:11,030 --> 01:09:09,359

a significant course of study someday at

1912

01:09:12,149 --> 01:09:11,040

major universities

1913

01:09:12,950 --> 01:09:12,159

uh

1914

01:09:14,950 --> 01:09:12,960

but

1915

01:09:16,229 --> 01:09:14,960

uh it has been improving since 2000

1916

01:09:17,910 --> 01:09:16,239

particularly

1917

01:09:20,550 --> 01:09:17,920

2001

1918

01:09:23,669 --> 01:09:20,560

but still not adequate

1919

01:09:25,590 --> 01:09:23,679

but then it took a

1920

01:09:29,030 --> 01:09:25,600

i think i think the citizen hearing on

1921

01:09:31,829 --> 01:09:29,040

disclosure which i produced back in 2013

1922

01:09:35,430 --> 01:09:31,839

made a shift created a shift helped

1923

01:09:37,749 --> 01:09:35,440

the political campaign of 2016 really

1924

01:09:39,749 --> 01:09:37,759

changed the equations

1925

01:09:44,229 --> 01:09:39,759

and probably has had the most impact on

1926

01:09:49,910 --> 01:09:45,349

and

1927

01:09:50,870 --> 01:09:49,920

then the twos of stars academy benefited

1928

01:09:52,229 --> 01:09:50,880

from that

1929

01:09:53,590 --> 01:09:52,239

but when the to the start academy

1930

01:09:55,590 --> 01:09:53,600

announced

1931

01:10:00,790 --> 01:09:55,600

that was it was in october

1932

01:10:03,990 --> 01:10:00,800

of 2017. by then i prg i had generated

1933

01:10:05,910 --> 01:10:04,000

out of dc and 400 plus articles

1934

01:10:07,669 --> 01:10:05,920

uh seriously covering the connection

1935

01:10:09,910 --> 01:10:07,679

between clinton and e.t issue and other

1936

01:10:13,270 --> 01:10:09,920

et issues uh

1937

01:10:14,630 --> 01:10:13,280

of which that maybe one percent was were

1938

01:10:16,630 --> 01:10:14,640

maybe one or two percent was was

1939

01:10:19,350 --> 01:10:16,640

ridicule in nature

1940

01:10:21,030 --> 01:10:19,360

uh and so when they announced

1941

01:10:24,070 --> 01:10:21,040

uh the total number of articles is

1942

01:10:26,149 --> 01:10:24,080

probably more like 450 480. uh they were

1943

01:10:27,990 --> 01:10:26,159

they were you know stepping right into a

1944

01:10:29,110 --> 01:10:28,000

much more favorable media coverage

1945

01:10:30,950 --> 01:10:29,120

reality

1946

01:10:34,149 --> 01:10:30,960

now now their announcement and the work

1947

01:10:36,550 --> 01:10:34,159

they've done has is has further improved

1948

01:10:38,709 --> 01:10:36,560

the the coverage of this issue

1949

01:10:39,430 --> 01:10:38,719

and if it were again if it were not for

1950

01:10:42,470 --> 01:10:39,440

the

1951

01:10:43,910 --> 01:10:42,480

her

1952

01:10:46,229 --> 01:10:43,920

the political hurricane that we are

1953

01:10:48,149 --> 01:10:46,239

living in right now

1954

01:10:50,950 --> 01:10:48,159

where the media is at

1955

01:10:52,390 --> 01:10:50,960

is so we would have disclosure

1956

01:10:53,110 --> 01:10:52,400

they're they're they're ready to cover

1957

01:10:55,510 --> 01:10:53,120

this

1958

01:10:57,990 --> 01:10:55,520

uh it in a huge

1959

01:10:59,990 --> 01:10:58,000

it levels way above

1960

01:11:01,590 --> 01:11:00,000

but this this political situation simply

1961

01:11:03,669 --> 01:11:01,600

won't permit it

1962

01:11:05,750 --> 01:11:03,679

but the political situation will

1963

01:11:06,470 --> 01:11:05,760

eventually pass

1964

01:11:11,910 --> 01:11:06,480

the

1965

01:11:12,950 --> 01:11:11,920

to truly engage this issue will still be

1966

01:11:14,630 --> 01:11:12,960

there

1967

01:11:16,550 --> 01:11:14,640

as will the activist movement we'll

1968

01:11:17,910 --> 01:11:16,560

still be there and so we just have to

1969

01:11:19,590 --> 01:11:17,920

wait out this hurricane and i've gone

1970

01:11:20,550 --> 01:11:19,600

through hurricanes i i used to go

1971

01:11:22,390 --> 01:11:20,560

through them in florida when the

1972

01:11:25,030 --> 01:11:22,400

hurricane comes through

1973

01:11:26,950 --> 01:11:25,040

you wait it out

1974

01:11:28,709 --> 01:11:26,960

you don't run out in the in the in front

1975

01:11:30,070 --> 01:11:28,719

of the house and yell at it yeah you

1976

01:11:31,510 --> 01:11:30,080

don't just can't wait

1977

01:11:32,950 --> 01:11:31,520

exactly

1978

01:11:34,550 --> 01:11:32,960

you have nothing all you can do is read

1979

01:11:36,630 --> 01:11:34,560

it out and we're kind of in that

1980

01:11:38,790 --> 01:11:36,640

situation this is a storm that we simply

1981

01:11:41,189 --> 01:11:38,800

have to wait out though admittedly it's

1982

01:11:43,590 --> 01:11:41,199

the analogy is not perfect there are

1983

01:11:45,430 --> 01:11:43,600

quite a few efforts underway to

1984

01:11:47,590 --> 01:11:45,440

uh end this storm quicker than others i

1985

01:11:49,590 --> 01:11:47,600

guess like weather modification

1986

01:11:51,189 --> 01:11:49,600

uh they're trying and we we do have

1987

01:11:52,550 --> 01:11:51,199

technologies that

1988

01:11:53,990 --> 01:11:52,560

that are being used to try to break up

1989

01:11:54,950 --> 01:11:54,000

hurricanes believe it or not and i guess

1990

01:11:56,709 --> 01:11:54,960

you could say that's what's going on

1991

01:11:58,870 --> 01:11:56,719

with this political hurricane there are

1992

01:12:01,189 --> 01:11:58,880

some efforts to break it up so that it

1993

01:12:02,950 --> 01:12:01,199

doesn't last any longer than necessary

1994

01:12:05,910 --> 01:12:02,960

you know another question i wanted to

1995

01:12:07,189 --> 01:12:05,920

ask you is a lot of people have asked me

1996

01:12:09,270 --> 01:12:07,199

about

1997

01:12:12,630 --> 01:12:09,280

disclosure and

1998

01:12:13,990 --> 01:12:12,640

it seems to me and and many other people

1999

01:12:15,830 --> 01:12:14,000

some people have a theory that the

2000

01:12:17,669 --> 01:12:15,840

government or the powers that be are

2001

01:12:19,270 --> 01:12:17,679

sort of getting us ready

2002

01:12:21,590 --> 01:12:19,280

to to

2003

01:12:23,830 --> 01:12:21,600

get us get our get our consciousness

2004

01:12:25,910 --> 01:12:23,840

raised to say okay

2005

01:12:28,149 --> 01:12:25,920

uh yeah there's life on other planets

2006

01:12:30,390 --> 01:12:28,159

we're not the only thing in the universe

2007

01:12:32,790 --> 01:12:30,400

there's all these stories the exoplanet

2008

01:12:34,070 --> 01:12:32,800

stories there may you know there's water

2009

01:12:36,070 --> 01:12:34,080

on mars

2010

01:12:37,430 --> 01:12:36,080

and and all these other stories that

2011

01:12:38,550 --> 01:12:37,440

seem to be like

2012

01:12:41,669 --> 01:12:38,560

a lot of people believe that they're

2013

01:12:42,950 --> 01:12:41,679

getting us ready do you believe that

2014

01:12:46,470 --> 01:12:42,960

i don't

2015

01:12:48,240 --> 01:12:46,480

quite see it that way uh

2016

01:12:49,990 --> 01:12:48,250

they are

2017

01:12:52,149 --> 01:12:50,000

[Music]

2018

01:12:54,870 --> 01:12:52,159

let's just say that

2019

01:12:57,510 --> 01:12:54,880

throughout the 70-year period

2020

01:12:59,590 --> 01:12:57,520

there have always been people in all

2021

01:13:02,790 --> 01:12:59,600

levels of government

2022

01:13:05,110 --> 01:13:02,800

aware of the et presence that

2023

01:13:06,709 --> 01:13:05,120

wanted the the world's people to know

2024

01:13:08,390 --> 01:13:06,719

about it but there were people that

2025

01:13:11,189 --> 01:13:08,400

didn't

2026
01:13:14,310 --> 01:13:11,199
and so over the years from time to time

2027
01:13:17,350 --> 01:13:14,320
those that favored it would maybe

2028
01:13:19,910 --> 01:13:17,360
do so be able to do something that would

2029
01:13:21,510 --> 01:13:19,920
help advance that issue

2030
01:13:24,229 --> 01:13:21,520
generally nothing that would get them

2031
01:13:25,830 --> 01:13:24,239
into trouble though on occasion it has

2032
01:13:27,669 --> 01:13:25,840
and so there's a certain amount of that

2033
01:13:29,110 --> 01:13:27,679
going on

2034
01:13:30,950 --> 01:13:29,120
and then

2035
01:13:32,630 --> 01:13:30,960
there is the problem that the military

2036
01:13:34,950 --> 01:13:32,640
intelligence complex

2037
01:13:37,990 --> 01:13:34,960
has in the

2038
01:13:43,590 --> 01:13:38,950

they

2039

01:13:45,030 --> 01:13:43,600

show some effort

2040

01:13:46,550 --> 01:13:45,040

to

2041

01:13:48,310 --> 01:13:46,560

that supportive

2042

01:13:50,470 --> 01:13:48,320

of a truth process

2043

01:13:52,550 --> 01:13:50,480

uh they're limited to how far they can

2044

01:13:53,990 --> 01:13:52,560

go there but it's very it's very helpful

2045

01:13:55,830 --> 01:13:54,000

because they're going to have some huge

2046

01:13:57,750 --> 01:13:55,840

public relations problems

2047

01:14:00,550 --> 01:13:57,760

post disclosure and the tsa is of

2048

01:14:03,030 --> 01:14:00,560

course the extreme version of this but

2049

01:14:05,189 --> 01:14:03,040

over time getting something out

2050

01:14:07,590 --> 01:14:05,199

it also keeps pressure off the truth

2051

01:14:09,750 --> 01:14:07,600

embargo

2052

01:14:12,229 --> 01:14:09,760

to the extent that the government would

2053

01:14:15,110 --> 01:14:12,239

completely lock everything up so it was

2054

01:14:17,430 --> 01:14:15,120

an utterly impenetrable wall

2055

01:14:18,390 --> 01:14:17,440

the anger with this embargo would be

2056

01:14:20,390 --> 01:14:18,400

greater

2057

01:14:22,630 --> 01:14:20,400

and the incentive to

2058

01:14:23,830 --> 01:14:22,640

to press the issue greater by letting a

2059

01:14:24,790 --> 01:14:23,840

little something out here literally

2060

01:14:26,830 --> 01:14:24,800

something out there they're sort of

2061

01:14:29,669 --> 01:14:26,840

giving people look

2062

01:14:31,910 --> 01:14:29,679

uh you gotta live the lead this is

2063

01:14:33,750 --> 01:14:31,920

eventually gonna resolve itself

2064

01:14:35,189 --> 01:14:33,760

leave us alone so a certain amount of

2065

01:14:36,310 --> 01:14:35,199

that

2066

01:14:38,550 --> 01:14:36,320

um

2067

01:14:40,310 --> 01:14:38,560

the idea that there's this orchestrated

2068

01:14:43,030 --> 01:14:40,320

careful program

2069

01:14:44,709 --> 01:14:43,040

designed to bring the truth to some

2070

01:14:46,390 --> 01:14:44,719

predesignated time

2071

01:14:48,310 --> 01:14:46,400

i don't think so

2072

01:14:49,510 --> 01:14:48,320

uh however

2073

01:14:51,350 --> 01:14:49,520

uh

2074

01:14:53,669 --> 01:14:51,360

they they know

2075

01:14:56,310 --> 01:14:53,679

that anything they do that supports the

2076

01:14:57,830 --> 01:14:56,320
disclosure movement

2077

01:14:59,669 --> 01:14:57,840
gets us a little closer to the finish

2078

01:15:00,870 --> 01:14:59,679
line

2079

01:15:02,470 --> 01:15:00,880
and

2080

01:15:04,950 --> 01:15:02,480
um

2081

01:15:06,149 --> 01:15:04,960
that's a good thing

2082

01:15:07,350 --> 01:15:06,159
so

2083

01:15:09,110 --> 01:15:07,360
i i view it

2084

01:15:11,910 --> 01:15:09,120
with in other words i i'm not a

2085

01:15:14,870 --> 01:15:11,920
conspiracy theorist i i don't

2086

01:15:16,870 --> 01:15:14,880
i i don't jump to the conspiratorial

2087

01:15:19,510 --> 01:15:16,880
explanation of things

2088

01:15:21,510 --> 01:15:19,520

that is not never never my first

2089

01:15:23,910 --> 01:15:21,520

uh approach

2090

01:15:25,430 --> 01:15:23,920

first line of thinking uh why don't you

2091

01:15:28,070 --> 01:15:25,440

get to what anybody that gets to the

2092

01:15:29,990 --> 01:15:28,080

point where a conspiratorial explanation

2093

01:15:31,510 --> 01:15:30,000

is the first one to be dealt with they

2094

01:15:32,870 --> 01:15:31,520

really negate their ability to be

2095

01:15:34,790 --> 01:15:32,880

effective

2096

01:15:37,110 --> 01:15:34,800

uh and to get things done

2097

01:15:39,590 --> 01:15:37,120

and to and to reach understanding of

2098

01:15:41,110 --> 01:15:39,600

what's going on and what can i say it's

2099

01:15:42,790 --> 01:15:41,120

it's entertaining it's interesting it's

2100

01:15:44,630 --> 01:15:42,800

almost addictive

2101

01:15:47,350 --> 01:15:44,640

i get it absolutely but it's not a

2102

01:15:48,870 --> 01:15:47,360

luxury that i that i can afford

2103

01:15:50,790 --> 01:15:48,880

the other question i wanted to ask you

2104

01:15:53,669 --> 01:15:50,800

because i don't believe

2105

01:15:55,990 --> 01:15:53,679

you may have and i may have uh

2106

01:15:57,270 --> 01:15:56,000

i wanted to ask you specifically about

2107

01:15:59,350 --> 01:15:57,280

the vatican

2108

01:16:00,950 --> 01:15:59,360

and some of the things that they've said

2109

01:16:03,430 --> 01:16:00,960

and the fact that they run one of the

2110

01:16:05,030 --> 01:16:03,440

world's biggest observatories

2111

01:16:06,149 --> 01:16:05,040

and some of the

2112

01:16:08,229 --> 01:16:06,159

some of the things that have been coming

2113

01:16:09,830 --> 01:16:08,239

out of the vatican in the last bunch of

2114

01:16:11,669 --> 01:16:09,840

years

2115

01:16:14,630 --> 01:16:11,679

have you followed that and what do you

2116

01:16:16,229 --> 01:16:14,640

think of of what of what they're doing

2117

01:16:18,229 --> 01:16:16,239

and what they're saying

2118

01:16:20,070 --> 01:16:18,239

yeah i'm well aware of all of it uh the

2119

01:16:22,390 --> 01:16:20,080

the the catholic church is one of the

2120

01:16:24,870 --> 01:16:22,400

most organized structured

2121

01:16:27,430 --> 01:16:24,880

religions in the world

2122

01:16:29,189 --> 01:16:27,440

in terms of infrastructure

2123

01:16:31,110 --> 01:16:29,199

resources

2124

01:16:33,510 --> 01:16:31,120

protocols and everything else

2125

01:16:35,350 --> 01:16:33,520

they've known about the e.t presence

2126

01:16:37,030 --> 01:16:35,360

a long time

2127

01:16:38,390 --> 01:16:37,040

um

2128

01:16:39,830 --> 01:16:38,400

and their observatories wouldn't be a

2129

01:16:41,510 --> 01:16:39,840

factor at all

2130

01:16:43,510 --> 01:16:41,520

uh an observatory was a terrible way to

2131

01:16:44,390 --> 01:16:43,520

look for extraterrestrials

2132

01:16:45,590 --> 01:16:44,400

that are

2133

01:16:47,270 --> 01:16:45,600

picking up your

2134

01:16:49,030 --> 01:16:47,280

your brother-in-law every couple of

2135

01:16:51,669 --> 01:16:49,040

months for

2136

01:16:53,780 --> 01:16:51,679

checkups i mean

2137

01:16:54,950 --> 01:16:53,790

but the catholic church

2138

01:16:57,030 --> 01:16:54,960

[Music]

2139

01:16:59,510 --> 01:16:57,040

long ago created

2140

01:17:03,510 --> 01:16:59,520

one of the most powerful

2141

01:17:07,750 --> 01:17:04,950

concepts ever

2142

01:17:10,070 --> 01:17:07,760

no other religion has this

2143

01:17:11,510 --> 01:17:10,080

and it's called the um it's called a

2144

01:17:15,430 --> 01:17:11,520

confessional

2145

01:17:17,510 --> 01:17:15,440

oh absolutely yeah i grew up catholic

2146

01:17:18,950 --> 01:17:17,520

yeah so they created the concept of the

2147

01:17:19,830 --> 01:17:18,960

confession

2148

01:17:20,630 --> 01:17:19,840

uh

2149

01:17:22,709 --> 01:17:20,640

they

2150

01:17:25,430 --> 01:17:22,719

instituted the idea that it's absolutely

2151

01:17:27,510 --> 01:17:25,440

private it can't be broken in fact

2152

01:17:29,430 --> 01:17:27,520

in a lot of countries i don't know about

2153

01:17:30,630 --> 01:17:29,440

uh some of the uh well more addicted to

2154

01:17:31,910 --> 01:17:30,640

our authoritarian countries like the

2155

01:17:33,910 --> 01:17:31,920

united states

2156

01:17:35,669 --> 01:17:33,920

you can't break the confession

2157

01:17:38,709 --> 01:17:35,679

it's very difficult

2158

01:17:41,430 --> 01:17:38,719

and so essentially the priest absolutely

2159

01:17:42,470 --> 01:17:41,440

keeps your confessions

2160

01:17:45,669 --> 01:17:42,480

uh

2161

01:17:47,590 --> 01:17:45,679

private to the to the to the comments to

2162

01:17:49,590 --> 01:17:47,600

the people that doesn't mean they're

2163

01:17:50,770 --> 01:17:49,600

keeping those confessions private to the

2164

01:17:52,390 --> 01:17:50,780

church hierarchy

2165

01:17:55,830 --> 01:17:52,400

[Music]

2166

01:17:57,590 --> 01:17:55,840

but nevertheless uh the point is this

2167

01:17:59,430 --> 01:17:57,600

et's have been engaging us for a very

2168

01:18:01,910 --> 01:17:59,440

long time

2169

01:18:03,750 --> 01:18:01,920

uh and the kind of contact that we've

2170

01:18:05,830 --> 01:18:03,760

been hearing about now for the last 40

2171

01:18:07,990 --> 01:18:05,840

years i suspect it didn't just start 40

2172

01:18:10,470 --> 01:18:08,000

years ago

2173

01:18:13,590 --> 01:18:10,480

and i i also believe that the stories of

2174

01:18:14,950 --> 01:18:13,600

demons and all kinds of

2175

01:18:17,189 --> 01:18:14,960

bizarre

2176

01:18:18,229 --> 01:18:17,199

interactions that people have talked

2177

01:18:20,790 --> 01:18:18,239

about

2178

01:18:23,430 --> 01:18:20,800

in fact have e.t origin

2179

01:18:25,510 --> 01:18:23,440

i'm i'm a big fan of ancient aliens love

2180

01:18:27,189 --> 01:18:25,520

it and believe that a great deal of what

2181

01:18:28,790 --> 01:18:27,199

they have been talking about will prove

2182

01:18:31,510 --> 01:18:28,800

true

2183

01:18:32,790 --> 01:18:31,520

a lot of it won't it's okay

2184

01:18:34,390 --> 01:18:32,800

um

2185

01:18:36,709 --> 01:18:34,400

and so

2186

01:18:39,830 --> 01:18:36,719

over the centuries you've got people

2187

01:18:41,590 --> 01:18:39,840

encountering et's

2188

01:18:43,830 --> 01:18:41,600

with not the slightest idea what the

2189

01:18:45,110 --> 01:18:43,840

hell they're dealing with scared out of

2190

01:18:47,910 --> 01:18:45,120

their wits

2191

01:18:49,430 --> 01:18:47,920

and almost certainly and well if they're

2192

01:18:50,550 --> 01:18:49,440

catholics

2193

01:18:53,590 --> 01:18:50,560

they're

2194

01:18:55,350 --> 01:18:53,600

predictable

2195

01:18:57,189 --> 01:18:55,360

approach to it

2196

01:18:59,030 --> 01:18:57,199

and they're going to go to their priest

2197

01:19:00,950 --> 01:18:59,040

and they're going to tell them about it

2198

01:19:03,270 --> 01:19:00,960

yeah and then their priest can go to the

2199

01:19:05,910 --> 01:19:03,280

bishop or the cardinal and therefore the

2200

01:19:06,950 --> 01:19:05,920

pope and and sure it all goes up the

2201

01:19:09,030 --> 01:19:06,960

chain

2202

01:19:12,070 --> 01:19:09,040

now how how long it took for the

2203

01:19:15,510 --> 01:19:12,080

catholic church to figure out

2204

01:19:17,430 --> 01:19:15,520

that some of these things being reported

2205

01:19:18,950 --> 01:19:17,440

were not

2206

01:19:20,229 --> 01:19:18,960

what

2207

01:19:22,870 --> 01:19:20,239

uh the

2208

01:19:24,709 --> 01:19:22,880

what would what they might think meaning

2209

01:19:25,990 --> 01:19:24,719

they're not demons they're not angels

2210

01:19:27,189 --> 01:19:26,000

they're not this they're not that i

2211

01:19:29,030 --> 01:19:27,199

don't know

2212

01:19:30,870 --> 01:19:29,040

uh i'd i doubt they were thinking that

2213

01:19:32,550 --> 01:19:30,880

way in the 11th or 12th or 13th century

2214

01:19:34,790 --> 01:19:32,560

but at some point the catholic church

2215

01:19:36,390 --> 01:19:34,800

probably started to figure out

2216

01:19:38,229 --> 01:19:36,400

and this probably

2217

01:19:40,149 --> 01:19:38,239

would start to become a possibility

2218

01:19:41,669 --> 01:19:40,159

after the with the copernican revolution

2219

01:19:43,669 --> 01:19:41,679

kepler and so forth as we started a

2220

01:19:45,669 --> 01:19:43,679

little bit more about the solar system

2221

01:19:47,430 --> 01:19:45,679

and what have you they might very well

2222

01:19:48,950 --> 01:19:47,440

have started to

2223

01:19:50,590 --> 01:19:48,960

some people within the church would have

2224

01:19:52,149 --> 01:19:50,600

started to go

2225

01:19:53,669 --> 01:19:52,159

[Music]

2226

01:19:56,550 --> 01:19:53,679

is it possible that what our

2227

01:19:59,030 --> 01:19:56,560

parishioners or what our our members are

2228

01:19:59,830 --> 01:19:59,040

reporting to us are in fact other

2229

01:20:02,310 --> 01:19:59,840

other

2230

01:20:04,070 --> 01:20:02,320

beings from somewhere else

2231

01:20:06,550 --> 01:20:04,080

but they've had this information flowing

2232

01:20:08,229 --> 01:20:06,560

into them forever

2233

01:20:12,149 --> 01:20:08,239

and of course as their numbers grew to

2234

01:20:14,310 --> 01:20:12,159

500 million 600 million 700 that's a lot

2235

01:20:16,550 --> 01:20:14,320

of confessions all right

2236

01:20:18,070 --> 01:20:16,560

okay do the numbers do the math

2237

01:20:20,550 --> 01:20:18,080

and so the church has known about the

2238

01:20:22,950 --> 01:20:20,560

et's for a long time

2239

01:20:25,830 --> 01:20:22,960

and but

2240

01:20:26,870 --> 01:20:25,840

for any number of reasons it chose not

2241

01:20:27,830 --> 01:20:26,880

to

2242

01:20:31,990 --> 01:20:27,840

uh

2243

01:20:33,350 --> 01:20:32,000

maybe good reasons not to make this a

2244

01:20:34,950 --> 01:20:33,360

and a matter that they were going to

2245

01:20:38,229 --> 01:20:34,960

openly address

2246

01:20:41,110 --> 01:20:38,239

however that started to change

2247

01:20:43,189 --> 01:20:41,120

within the last 25 years

2248

01:20:46,390 --> 01:20:43,199

the catholic church started making very

2249

01:20:49,189 --> 01:20:46,400

clear decisive maneuvers which

2250

01:20:51,430 --> 01:20:49,199

absolutely was positioning the church on

2251

01:20:54,070 --> 01:20:51,440

the right side of the issue and

2252

01:20:55,350 --> 01:20:54,080

and and preparing their 1 billion

2253

01:20:57,669 --> 01:20:55,360

members to

2254

01:20:58,709 --> 01:20:57,679

to uh to to

2255

01:21:03,669 --> 01:20:58,719

to

2256

01:21:06,629 --> 01:21:03,679

the e.t presence once it was disclosed

2257

01:21:08,629 --> 01:21:06,639

and also just like with the tssa and the

2258

01:21:11,030 --> 01:21:08,639

department of defense by making these

2259

01:21:12,870 --> 01:21:11,040

statements and maneuvers they were they

2260

01:21:14,149 --> 01:21:12,880

were mitigating the public relations

2261

01:21:16,470 --> 01:21:14,159

problems they were going to face when

2262

01:21:18,149 --> 01:21:16,480

the announcement came out

2263

01:21:19,430 --> 01:21:18,159

and so the catholic church is totally

2264

01:21:20,870 --> 01:21:19,440

ready for this i'm not worried about

2265

01:21:22,629 --> 01:21:20,880

that

2266

01:21:24,709 --> 01:21:22,639

when i heard some of those statements

2267

01:21:26,310 --> 01:21:24,719

coming out of them i was very hopeful

2268

01:21:28,950 --> 01:21:26,320

that maybe they were getting ahead of

2269

01:21:31,270 --> 01:21:28,960

some pending announcement or something

2270

01:21:32,629 --> 01:21:31,280

like i really thought that it was just

2271

01:21:34,790 --> 01:21:32,639

around the corner when they started

2272

01:21:36,950 --> 01:21:34,800

making these statements because

2273

01:21:38,629 --> 01:21:36,960

it just seemed like uh it just seemed

2274

01:21:40,870 --> 01:21:38,639

crazy to me that out of nowhere they're

2275

01:21:43,030 --> 01:21:40,880

just saying you know things like

2276

01:21:44,709 --> 01:21:43,040

does it wouldn't affect the religion

2277

01:21:46,310 --> 01:21:44,719

if there was other beings in the

2278

01:21:47,990 --> 01:21:46,320

universe they're all we're all children

2279

01:21:49,669 --> 01:21:48,000

of god and all these things and i was

2280

01:21:51,430 --> 01:21:49,679

like this is crazy that they're coming

2281

01:21:53,110 --> 01:21:51,440

out and saying this stuff maybe

2282

01:21:55,830 --> 01:21:53,120

something's happening that they know

2283

01:21:57,990 --> 01:21:55,840

about or will be happening shortly but

2284

01:22:00,629 --> 01:21:58,000

you're you're right then that they're on

2285

01:22:01,830 --> 01:22:00,639

the right side of history then

2286

01:22:03,990 --> 01:22:01,840

there are there are things they know

2287

01:22:05,189 --> 01:22:04,000

about but around the corner is relative

2288

01:22:08,629 --> 01:22:05,199

certainly it's

2289

01:22:11,590 --> 01:22:08,639

25 years is done a long time in

2290

01:22:13,270 --> 01:22:11,600

geological terms

2291

01:22:15,189 --> 01:22:13,280

so it's been about 25 years since the

2292

01:22:17,590 --> 01:22:15,199

catholic church started to

2293

01:22:19,110 --> 01:22:17,600

uh make some bold pronouncements there

2294

01:22:21,430 --> 01:22:19,120

had been a few things in the past going

2295

01:22:23,669 --> 01:22:21,440

back it wasn't like totally silent but

2296

01:22:24,470 --> 01:22:23,679

really you saw a sea change about 25

2297

01:22:26,629 --> 01:22:24,480

years ago

2298

01:22:28,870 --> 01:22:26,639

25 years is not a long time

2299

01:22:30,310 --> 01:22:28,880

yeah as i as i've pointed out

2300

01:22:31,189 --> 01:22:30,320

we could have had disclosure under

2301
01:22:32,950 --> 01:22:31,199
clinton

2302
01:22:34,790 --> 01:22:32,960
if if things have gone a little

2303
01:22:36,870 --> 01:22:34,800
differently we could have had disclosure

2304
01:22:37,669 --> 01:22:36,880
under george w bush if he won a second

2305
01:22:39,510 --> 01:22:37,679
term

2306
01:22:44,310 --> 01:22:39,520
we could have had disclosure

2307
01:22:49,189 --> 01:22:47,350
the polit the political situation

2308
01:22:51,430 --> 01:22:49,199
and of course also the status of china

2309
01:22:52,550 --> 01:22:51,440
and russia soviet union and russia

2310
01:22:53,910 --> 01:22:52,560
has been the

2311
01:22:55,430 --> 01:22:53,920
been a serious they've been major

2312
01:22:57,590 --> 01:22:55,440
determinants

2313
01:22:58,790 --> 01:22:57,600

about whether disclosure might happen

2314

01:23:00,709 --> 01:22:58,800

definitely can't happen could happen

2315

01:23:03,750 --> 01:23:00,719

this type of thing uh it's been a very

2316

01:23:05,189 --> 01:23:03,760

complex uh 2 eight years since the end

2317

01:23:07,669 --> 01:23:05,199

of the cold war

2318

01:23:10,070 --> 01:23:07,679

the world has gotten well population is

2319

01:23:12,550 --> 01:23:10,080

increased by several more billion uh the

2320

01:23:13,669 --> 01:23:12,560

technologies have advanced more nuclear

2321

01:23:15,189 --> 01:23:13,679

nations

2322

01:23:17,590 --> 01:23:15,199

the the

2323

01:23:20,709 --> 01:23:17,600

the degree of complexity that human

2324

01:23:21,830 --> 01:23:20,719

civilization is facing now is a

2325

01:23:23,750 --> 01:23:21,840

magnitude

2326
01:23:25,910 --> 01:23:23,760
two higher that it was facing in 1900

2327
01:23:28,070 --> 01:23:25,920
even 1945

2328
01:23:29,510 --> 01:23:28,080
and so

2329
01:23:30,870 --> 01:23:29,520
while disclosure

2330
01:23:32,390 --> 01:23:30,880
i'll tell you

2331
01:23:33,669 --> 01:23:32,400
i like to talk about this

2332
01:23:36,870 --> 01:23:33,679
then i will have to wrap here pretty

2333
01:23:39,350 --> 01:23:36,880
soon sure sure but uh

2334
01:23:41,189 --> 01:23:39,360
we almost had disclosure in 1947 we came

2335
01:23:43,590 --> 01:23:41,199
within

2336
01:23:45,669 --> 01:23:43,600
hours maybe

2337
01:23:47,990 --> 01:23:45,679
certainly 24 hours

2338
01:23:49,350 --> 01:23:48,000

of having disclosure in 1947 which would

2339

01:23:51,270 --> 01:23:49,360

have completely changed the course of

2340

01:23:54,229 --> 01:23:51,280

history

2341

01:23:56,550 --> 01:23:54,239

uh very few people know this

2342

01:23:59,750 --> 01:23:56,560

but in fact it's self-evident if you

2343

01:24:03,030 --> 01:23:59,760

know enough about the subject

2344

01:24:04,950 --> 01:24:03,040

fact is is that the roswell army air

2345

01:24:06,950 --> 01:24:04,960

base got its hands on a flying saucer

2346

01:24:09,350 --> 01:24:06,960

and put out a press release

2347

01:24:11,990 --> 01:24:09,360

they didn't know not to they hadn't been

2348

01:24:13,030 --> 01:24:12,000

told not to uh from their point of view

2349

01:24:15,669 --> 01:24:13,040

this was a

2350

01:24:17,110 --> 01:24:15,679

big deal and and we we got it and boy

2351

01:24:18,790 --> 01:24:17,120

here we go

2352

01:24:21,990 --> 01:24:18,800

um

2353

01:24:24,550 --> 01:24:22,000

but of course this was a huge problem

2354

01:24:26,629 --> 01:24:24,560

uh potentially for the government

2355

01:24:28,790 --> 01:24:26,639

and so

2356

01:24:30,950 --> 01:24:28,800

i'm sure the word of this

2357

01:24:34,709 --> 01:24:30,960

press release got to

2358

01:24:39,350 --> 01:24:37,430

and immediately they started to to to

2359

01:24:41,750 --> 01:24:39,360

figure out what are we going to do about

2360

01:24:48,870 --> 01:24:42,950

and

2361

01:24:51,590 --> 01:24:48,880

there were there were papers all over

2362

01:24:53,510 --> 01:24:51,600

the country learning about this

2363

01:24:56,830 --> 01:24:53,520

and they immediately dispatched

2364

01:24:59,110 --> 01:24:56,840

reporters to go find out what was going

2365

01:25:00,709 --> 01:24:59,120

on i mean think about it you're the new

2366

01:25:03,270 --> 01:25:00,719

york times or you're the atlanta journal

2367

01:25:06,149 --> 01:25:03,280

whatever and you get a press release

2368

01:25:07,830 --> 01:25:06,159

from the roswell army air force base

2369

01:25:09,270 --> 01:25:07,840

that they've captured one of those discs

2370

01:25:11,669 --> 01:25:09,280

that had been seen all over the world

2371

01:25:13,510 --> 01:25:11,679

since the early 1947

2372

01:25:15,669 --> 01:25:13,520

you're just going to go well we'll wait

2373

01:25:17,590 --> 01:25:15,679

for the government to no

2374

01:25:19,110 --> 01:25:17,600

you send a report

2375

01:25:22,629 --> 01:25:19,120

you put a reporter in

2376

01:25:24,470 --> 01:25:22,639

a photographer in a car on a train and

2377

01:25:25,350 --> 01:25:24,480

in a plane as fast as you can well guess

2378

01:25:28,149 --> 01:25:25,360

what

2379

01:25:30,229 --> 01:25:28,159

in 1947

2380

01:25:32,629 --> 01:25:30,239

cars planes and trains were not quite as

2381

01:25:33,990 --> 01:25:32,639

fast as they are now

2382

01:25:35,750 --> 01:25:34,000

and so

2383

01:25:39,669 --> 01:25:35,760

it was going to take time for those

2384

01:25:46,149 --> 01:25:43,189

but the uh but truman moved quickly

2385

01:25:47,990 --> 01:25:46,159

he ordered roger raimi uh we have no

2386

01:25:49,350 --> 01:25:48,000

record of that order but you can be damn

2387

01:25:51,430 --> 01:25:49,360

sure he did

2388

01:25:53,270 --> 01:25:51,440

to immediately hold a press conference

2389

01:25:55,430 --> 01:25:53,280

and refute that

2390

01:25:56,950 --> 01:25:55,440

and they put it together really fast

2391

01:25:58,550 --> 01:25:56,960

they got uh

2392

01:26:00,870 --> 01:25:58,560

uh

2393

01:26:02,390 --> 01:26:00,880

jesse marcel senior on a plane

2394

01:26:03,910 --> 01:26:02,400

they got some

2395

01:26:05,110 --> 01:26:03,920

well they got him on a plane they needed

2396

01:26:10,390 --> 01:26:05,120

him

2397

01:26:12,550 --> 01:26:10,400

dallas fort worth the base

2398

01:26:14,390 --> 01:26:12,560

got him in a room handed him some

2399

01:26:16,709 --> 01:26:14,400

reynolds wrap that was probably wrapping

2400

01:26:18,709 --> 01:26:16,719

up general raymie's fish in the

2401

01:26:20,149 --> 01:26:18,719

in the in the

2402

01:26:22,550 --> 01:26:20,159

kitchen

2403

01:26:25,110 --> 01:26:22,560

and said hold this up it's a weather

2404

01:26:27,510 --> 01:26:25,120

balloon and got reporters in there and

2405

01:26:29,750 --> 01:26:27,520

got the story out that same day

2406

01:26:30,709 --> 01:26:29,760

uh july the 8th

2407

01:26:31,830 --> 01:26:30,719

uh

2408

01:26:33,750 --> 01:26:31,840

and

2409

01:26:35,110 --> 01:26:33,760

all those reporters that were on their

2410

01:26:38,790 --> 01:26:35,120

way

2411

01:26:42,149 --> 01:26:40,550

maybe one or two

2412

01:26:43,590 --> 01:26:42,159

might have showed up

2413

01:26:45,830 --> 01:26:43,600

but it would have been pretty much easy

2414

01:26:48,149 --> 01:26:45,840

to deal with them

2415

01:26:52,310 --> 01:26:48,159

now what would have happened if like in

2416

01:26:53,110 --> 01:26:52,320

the case of the attack on pearl harbor

2417

01:26:54,950 --> 01:26:53,120

when

2418

01:26:56,550 --> 01:26:54,960

key information that could have been

2419

01:27:01,030 --> 01:26:56,560

used to defend

2420

01:27:05,669 --> 01:27:04,310

the military chief marshall but he

2421

01:27:07,990 --> 01:27:05,679

didn't get it because out riding his

2422

01:27:10,709 --> 01:27:08,000

horse

2423

01:27:12,390 --> 01:27:10,719

so what if what if truman was i don't

2424

01:27:14,229 --> 01:27:12,400

know what the dentist

2425

01:27:16,310 --> 01:27:14,239

and then maybe roger rainby was out

2426

01:27:19,350 --> 01:27:16,320

riding his horse and so this information

2427

01:27:21,910 --> 01:27:19,360

is is not getting dealt with

2428

01:27:24,629 --> 01:27:21,920

and time is going by

2429

01:27:26,550 --> 01:27:24,639

and so another 10 hours or so

2430

01:27:28,149 --> 01:27:26,560

if they hadn't made been able to come to

2431

01:27:29,350 --> 01:27:28,159

a decision and get that press crop

2432

01:27:30,870 --> 01:27:29,360

because if they hadn't done it when they

2433

01:27:32,390 --> 01:27:30,880

did you can't hold a press conference at

2434

01:27:34,790 --> 01:27:32,400

one in the morning they would have had

2435

01:27:36,310 --> 01:27:34,800

to wait till the morning of the night

2436

01:27:37,750 --> 01:27:36,320

reporters would have been arriving in

2437

01:27:39,510 --> 01:27:37,760

town and they would have been looking

2438

01:27:40,550 --> 01:27:39,520

for anybody they can find to interview

2439

01:27:41,590 --> 01:27:40,560

them

2440

01:27:44,550 --> 01:27:41,600

anybody

2441

01:27:47,110 --> 01:27:44,560

sure military guys uh private people

2442

01:27:48,470 --> 01:27:47,120

whatever

2443

01:27:50,470 --> 01:27:48,480

and

2444

01:27:52,550 --> 01:27:50,480

they would have been very aggressive

2445

01:27:53,669 --> 01:27:52,560

they would have been taking photos

2446

01:27:55,669 --> 01:27:53,679

certainly of people they were

2447

01:27:56,430 --> 01:27:55,679

interviewing and this thing would have

2448

01:27:57,590 --> 01:27:56,440

exploded

2449

01:27:59,270 --> 01:27:57,600

[Music]

2450

01:28:01,830 --> 01:27:59,280

it would have not been possible to put

2451
01:28:02,709 --> 01:28:01,840
the toothpaste back in the tube

2452
01:28:03,669 --> 01:28:02,719
and

2453
01:28:06,149 --> 01:28:03,679
we would have learned of the

2454
01:28:10,470 --> 01:28:06,159
extraterrestrial presence in

2455
01:28:14,950 --> 01:28:14,149
that's how close we came within hours

2456
01:28:16,390 --> 01:28:14,960
and

2457
01:28:17,990 --> 01:28:16,400
the truth embargo would have never got

2458
01:28:19,270 --> 01:28:18,000
started

2459
01:28:21,750 --> 01:28:19,280
and

2460
01:28:24,310 --> 01:28:21,760
i would love the opportunity to have a

2461
01:28:27,270 --> 01:28:24,320
wonderful discussion debate with some

2462
01:28:28,709 --> 01:28:27,280
history professor at harvard

2463
01:28:30,870 --> 01:28:28,719

one of their big stages with all the

2464

01:28:32,470 --> 01:28:30,880

faculty and students out there and talk

2465

01:28:36,550 --> 01:28:32,480

about

2466

01:28:37,750 --> 01:28:36,560

half the 20th century would have gone

2467

01:28:41,030 --> 01:28:37,760

if

2468

01:28:42,870 --> 01:28:41,040

disclosure had happened in 47.

2469

01:28:45,830 --> 01:28:42,880

it'd be a whole different world for sure

2470

01:28:49,189 --> 01:28:45,840

absolutely way different world in fact

2471

01:28:52,390 --> 01:28:51,270

a great deal of the of the terrible

2472

01:28:54,470 --> 01:28:52,400

things that happened in the second

2473

01:28:56,550 --> 01:28:54,480

episode wouldn't happen

2474

01:28:58,790 --> 01:28:56,560

and we would be way further ahead right

2475

01:29:02,070 --> 01:28:58,800

now as a civilization

2476

01:29:03,830 --> 01:29:02,080

this is one of the most unfortunate

2477

01:29:06,149 --> 01:29:03,840

uh misses

2478

01:29:07,830 --> 01:29:06,159

in all of human history now the et's

2479

01:29:09,750 --> 01:29:07,840

obviously

2480

01:29:11,750 --> 01:29:09,760

if they wanted us to have disclosure in

2481

01:29:14,470 --> 01:29:11,760

1947 they had it i mean they could have

2482

01:29:16,470 --> 01:29:14,480

done any time they wanted to or 48 or 49

2483

01:29:18,390 --> 01:29:16,480

and so i i don't

2484

01:29:19,830 --> 01:29:18,400

i mean i can't dismiss

2485

01:29:22,790 --> 01:29:19,840

the fact that whatever benefits

2486

01:29:25,030 --> 01:29:22,800

disclosure might have provided the et's

2487

01:29:27,669 --> 01:29:25,040

did not allow that to happen

2488

01:29:28,950 --> 01:29:27,679

so but they had their reasons and that's

2489

01:29:30,070 --> 01:29:28,960

their business

2490

01:29:32,870 --> 01:29:30,080

um

2491

01:29:34,950 --> 01:29:32,880

we had the power

2492

01:29:36,470 --> 01:29:34,960

to bring about disclosure because we had

2493

01:29:38,790 --> 01:29:36,480

the craft we had the bodies and the

2494

01:29:40,709 --> 01:29:38,800

press were on their way and so it was in

2495

01:29:43,350 --> 01:29:40,719

our hands at that point

2496

01:29:45,669 --> 01:29:43,360

and we were able to avoid it and then

2497

01:29:48,550 --> 01:29:45,679

the 21st 20th century

2498

01:29:49,990 --> 01:29:48,560

played out as we all know

2499

01:29:52,709 --> 01:29:50,000

so

2500

01:29:54,149 --> 01:29:52,719

this idea of disclosure being not never

2501
01:29:55,750 --> 01:29:54,159
going to happen i hear this all the time

2502
01:29:57,590 --> 01:29:55,760
it's nonsense

2503
01:29:59,430 --> 01:29:57,600
uh the issue is not where the disclosure

2504
01:30:00,790 --> 01:29:59,440
is going to happen the issue is whether

2505
01:30:03,030 --> 01:30:00,800
disclosure is going to happen soon

2506
01:30:08,950 --> 01:30:03,040
enough

2507
01:30:12,229 --> 01:30:11,030
haven't gotten it haven't haven't seen

2508
01:30:13,669 --> 01:30:12,239
it happen

2509
01:30:15,270 --> 01:30:13,679
did what i could

2510
01:30:17,590 --> 01:30:15,280
there's new players in town they're

2511
01:30:21,830 --> 01:30:17,600
going to help i'm going to try to be

2512
01:30:23,669 --> 01:30:21,840
as helpful as i can be um

2513
01:30:25,910 --> 01:30:23,679

and that's where we're at

2514

01:30:29,189 --> 01:30:25,920

when i went back to washington in in

2515

01:30:30,629 --> 01:30:29,199

2002 november 2014 i had raised forty

2516

01:30:32,550 --> 01:30:30,639

thousand dollars

2517

01:30:34,310 --> 01:30:32,560

which allowed me to do the two-year

2518

01:30:36,390 --> 01:30:34,320

political initiative which generated the

2519

01:30:38,149 --> 01:30:36,400

400 articles and forced the clinton

2520

01:30:39,270 --> 01:30:38,159

campaign into the issue during the

2521

01:30:42,229 --> 01:30:39,280

campaign

2522

01:30:45,510 --> 01:30:42,239

and then she lost and i was broke

2523

01:30:47,990 --> 01:30:45,520

the time is coming where me to go back

2524

01:30:49,510 --> 01:30:48,000

to dc and and that could very well be

2525

01:30:51,510 --> 01:30:49,520

july

2526

01:30:53,750 --> 01:30:51,520

uh

2527

01:30:56,950 --> 01:30:53,760

and re-engage the congress and the

2528

01:30:58,229 --> 01:30:56,960

political media in in in in my lobbyist

2529

01:30:59,830 --> 01:30:58,239

a role

2530

01:31:01,189 --> 01:30:59,840

because things are happening and i think

2531

01:31:02,950 --> 01:31:01,199

i could make a difference and plus the

2532

01:31:06,149 --> 01:31:02,960

people need their own representative the

2533

01:31:08,709 --> 01:31:06,159

people need a public

2534

01:31:11,030 --> 01:31:08,719

representative who is not under any

2535

01:31:13,350 --> 01:31:11,040

non-disclosures or not never worked for

2536

01:31:14,950 --> 01:31:13,360

the cia or the dod to represent their

2537

01:31:16,790 --> 01:31:14,960

interest

2538

01:31:18,149 --> 01:31:16,800

the dod and the cia they're going to

2539

01:31:19,189 --> 01:31:18,159

have plenty of people representing their

2540

01:31:19,990 --> 01:31:19,199

interests

2541

01:31:23,270 --> 01:31:20,000

so

2542

01:31:24,310 --> 01:31:23,280

that's my job is to represent the people

2543

01:31:26,470 --> 01:31:24,320

not

2544

01:31:28,550 --> 01:31:26,480

the department of defense

2545

01:31:31,189 --> 01:31:28,560

and that's fine i mean i expect all the

2546

01:31:32,950 --> 01:31:31,199

agencies of government to to be lobbying

2547

01:31:35,110 --> 01:31:32,960

for their interest

2548

01:31:37,990 --> 01:31:35,120

in in a post-disclosure world

2549

01:31:39,750 --> 01:31:38,000

or even in a pre-disclosure world though

2550

01:31:42,470 --> 01:31:39,760

there's not that much of it

2551
01:31:43,910 --> 01:31:42,480
um so i'm heading back i needed 40 000

2552
01:31:45,669 --> 01:31:43,920
last time but that was for two years

2553
01:31:46,629 --> 01:31:45,679
this year i'm to go back one year at a

2554
01:31:48,229 --> 01:31:46,639
time

2555
01:31:50,149 --> 01:31:48,239
so i need to raise twenty thousand

2556
01:31:51,430 --> 01:31:50,159
dollars between now in july

2557
01:31:53,189 --> 01:31:51,440
uh otherwise it's gonna be very

2558
01:31:55,030 --> 01:31:53,199
difficult for me to be effective

2559
01:31:56,550 --> 01:31:55,040
i i didn't play the guitar much i i

2560
01:32:00,310 --> 01:31:56,560
played a lot but i didn't practice i was

2561
01:32:04,870 --> 01:32:02,229
he made millions of dollars and i didn't

2562
01:32:06,070 --> 01:32:04,880
and so i i only operate on support i

2563
01:32:07,830 --> 01:32:06,080

need

2564

01:32:09,750 --> 01:32:07,840

you know i have a lot of people settle a

2565

01:32:10,950 --> 01:32:09,760

bit of money in but it's it's you know

2566

01:32:12,629 --> 01:32:10,960

most of the people that follow this

2567

01:32:15,030 --> 01:32:12,639

field generally are not

2568

01:32:16,470 --> 01:32:15,040

business icons um

2569

01:32:18,310 --> 01:32:16,480

but i'm sure there's something

2570

01:32:19,590 --> 01:32:18,320

i just basically in one person to come

2571

01:32:21,510 --> 01:32:19,600

forward and say look you got to go back

2572

01:32:24,070 --> 01:32:21,520

you go back for a year to lobby in

2573

01:32:25,270 --> 01:32:24,080

washington dc on this issue here's 20

2574

01:32:27,510 --> 01:32:25,280

000.

2575

01:32:29,750 --> 01:32:27,520

and do what you can

2576

01:32:30,709 --> 01:32:29,760

and that would be that's what i need uh

2577

01:32:32,229 --> 01:32:30,719

i'll be getting a little bit of money

2578

01:32:33,669 --> 01:32:32,239

here and there but

2579

01:32:35,350 --> 01:32:33,679

i'm gonna need a it's gonna take a

2580

01:32:37,189 --> 01:32:35,360

single person to come forward

2581

01:32:39,270 --> 01:32:37,199

that believes that the people need to be

2582

01:32:41,350 --> 01:32:39,280

represented in these in these final

2583

01:32:43,189 --> 01:32:41,360

months of the truth embargo

2584

01:32:44,229 --> 01:32:43,199

and that the lobbying needs to happen

2585

01:32:45,510 --> 01:32:44,239

now

2586

01:32:47,350 --> 01:32:45,520

uh because

2587

01:32:48,390 --> 01:32:47,360

we never know what's going to happen

2588

01:32:49,590 --> 01:32:48,400

uh

2589

01:32:51,750 --> 01:32:49,600

there's all kinds of events that could

2590

01:32:53,669 --> 01:32:51,760

take place they could push us back

2591

01:32:55,270 --> 01:32:53,679

uh takes backwards

2592

01:32:57,750 --> 01:32:55,280

and so if we're not constantly pressing

2593

01:32:58,950 --> 01:32:57,760

forward we could end up losing even more

2594

01:33:00,950 --> 01:32:58,960

ground

2595

01:33:03,669 --> 01:33:00,960

so that's the game plan get 20 grand go

2596

01:33:05,030 --> 01:33:03,679

back to dc probably in july start

2597

01:33:06,950 --> 01:33:05,040

full-time lobbying to congress in the

2598

01:33:08,709 --> 01:33:06,960

political media

2599

01:33:09,830 --> 01:33:08,719

using my contacts

2600

01:33:13,910 --> 01:33:09,840

and

2601
01:33:15,669 --> 01:33:13,920
more that good media you're talking

2602
01:33:18,709 --> 01:33:15,679
about and hopefully get back on cnn

2603
01:33:20,149 --> 01:33:18,719
msnbc fox news and so forth which i used

2604
01:33:22,070 --> 01:33:20,159
to be on but i they haven't been in

2605
01:33:23,750 --> 01:33:22,080
touch with me a long time however i

2606
01:33:25,910 --> 01:33:23,760
think the timing is right for me to be

2607
01:33:27,750 --> 01:33:25,920
back on those programs

2608
01:33:31,590 --> 01:33:27,760
because when i go on one of these shows

2609
01:33:32,629 --> 01:33:31,600
i have no limitations on what i can say

2610
01:33:34,790 --> 01:33:32,639
zero

2611
01:33:38,070 --> 01:33:34,800
and i will say exactly what i believe to

2612
01:33:39,189 --> 01:33:38,080
be the truth i will not hedge it one

2613
01:33:40,229 --> 01:33:39,199

iota

2614

01:33:41,910 --> 01:33:40,239

because i don't want to offend this

2615

01:33:43,910 --> 01:33:41,920

person or that person or i i want to

2616

01:33:46,070 --> 01:33:43,920

make sure i get invited back no no no no

2617

01:33:48,070 --> 01:33:46,080

no i'm a political activist my job is to

2618

01:33:50,390 --> 01:33:48,080

speak truth to power

2619

01:33:51,990 --> 01:33:50,400

and so that's one of the reasons i think

2620

01:33:53,990 --> 01:33:52,000

that they kind of stopped inviting me

2621

01:33:57,270 --> 01:33:54,000

because they were used to having very

2622

01:33:59,270 --> 01:33:57,280

humble ufologists who were uh

2623

01:34:01,430 --> 01:33:59,280

embarrassed almost to be there because

2624

01:34:04,390 --> 01:34:01,440

then the subject is so taboo and blah

2625

01:34:05,750 --> 01:34:04,400

blah blah and easy bait for for

2626

01:34:06,950 --> 01:34:05,760

debunkers like

2627

01:34:09,110 --> 01:34:06,960

phil class

2628

01:34:10,950 --> 01:34:09,120

uh they they figured out pretty quickly

2629

01:34:13,669 --> 01:34:10,960

uh-uh that ain't me

2630

01:34:17,750 --> 01:34:13,679

and the guy comes on and he says the una

2631

01:34:19,110 --> 01:34:17,760

he says what can't be said right and so

2632

01:34:20,550 --> 01:34:19,120

honestly i've always followed you and

2633

01:34:22,629 --> 01:34:20,560

thought you were one of the most

2634

01:34:24,310 --> 01:34:22,639

courageous people that i've ever seen

2635

01:34:26,870 --> 01:34:24,320

and i want to thank you for that because

2636

01:34:28,950 --> 01:34:26,880

we need that you're right we all the

2637

01:34:31,189 --> 01:34:28,960

people need someone like you to do what

2638

01:34:33,910 --> 01:34:31,199

you do it's important work and it's

2639

01:34:35,189 --> 01:34:33,920

probably pretty thankless but let me at

2640

01:34:38,070 --> 01:34:35,199

least thank you

2641

01:34:39,590 --> 01:34:38,080

i get i get appreciation from within i i

2642

01:34:40,870 --> 01:34:39,600

have enough following that i get

2643

01:34:43,590 --> 01:34:40,880

appreciation

2644

01:34:45,189 --> 01:34:43,600

and as far as courage believe me i

2645

01:34:47,350 --> 01:34:45,199

there are so many journalists out there

2646

01:34:49,350 --> 01:34:47,360

that are unbelievably courageous they're

2647

01:34:50,310 --> 01:34:49,360

risking their life every day and of

2648

01:34:53,750 --> 01:34:50,320

course

2649

01:34:55,830 --> 01:34:53,760

being called fake news and whatever uh

2650

01:34:57,990 --> 01:34:55,840

or being just not not being properly

2651
01:34:59,510 --> 01:34:58,000
addressed not their stories not getting

2652
01:35:00,390 --> 01:34:59,520
out and they're getting killed all the

2653
01:35:02,790 --> 01:35:00,400
time

2654
01:35:04,550 --> 01:35:02,800
uh i'm not in that situation nobody's

2655
01:35:07,750 --> 01:35:04,560
gonna kill me for what i'm doing

2656
01:35:09,750 --> 01:35:07,760
uh it's the courage of saying no but but

2657
01:35:12,550 --> 01:35:09,760
the most that i could i ca i have to

2658
01:35:14,950 --> 01:35:12,560
deal with is that i'll i'll i'll lose

2659
01:35:16,390 --> 01:35:14,960
i'll get invited on cnn i'll i'll tell

2660
01:35:19,189 --> 01:35:16,400
i'll tell the truth they won't invite me

2661
01:35:22,229 --> 01:35:19,199
back i mean that that's not exactly uh

2662
01:35:24,470 --> 01:35:22,239
you know awful or i may get some some

2663
01:35:26,149 --> 01:35:24,480

trolling tweets or something

2664

01:35:27,510 --> 01:35:26,159

no it doesn't take that much courage and

2665

01:35:30,950 --> 01:35:27,520

yet

2666

01:35:33,669 --> 01:35:30,960

effective that there's an awful lot of

2667

01:35:35,270 --> 01:35:33,679

people that won't do it

2668

01:35:37,350 --> 01:35:35,280

who could

2669

01:35:40,470 --> 01:35:37,360

look here here's an example

2670

01:35:42,070 --> 01:35:40,480

robert bigelow in may of 2017 knowing

2671

01:35:43,830 --> 01:35:42,080

that in five months the to the stars

2672

01:35:44,790 --> 01:35:43,840

academy was going to be

2673

01:35:46,390 --> 01:35:44,800

launched

2674

01:35:47,990 --> 01:35:46,400

that stories were going to be delivered

2675

01:35:50,310 --> 01:35:48,000

to the new york times which is going to

2676
01:35:51,910 --> 01:35:50,320
out his program

2677
01:35:53,510 --> 01:35:51,920
and the two you know with the research

2678
01:35:55,590 --> 01:35:53,520
he was doing for atip

2679
01:35:58,310 --> 01:35:55,600
knowing all of this

2680
01:36:00,149 --> 01:35:58,320
very deliberately

2681
01:36:01,750 --> 01:36:00,159
when when it when he was interviewed by

2682
01:36:03,669 --> 01:36:01,760
by 60 minutes and this is up on my

2683
01:36:04,950 --> 01:36:03,679
website it's elsewhere

2684
01:36:06,709 --> 01:36:04,960
knowing he would be asked about his

2685
01:36:08,629 --> 01:36:06,719
interest in the subject

2686
01:36:11,430 --> 01:36:08,639
told laura logan

2687
01:36:13,590 --> 01:36:11,440
flat out there's extraterrestrials here

2688
01:36:15,030 --> 01:36:13,600

boom yeah i saw that

2689

01:36:17,350 --> 01:36:15,040

and then he doubled down when she asked

2690

01:36:19,990 --> 01:36:17,360

him again now he's a bigelow aerospace

2691

01:36:21,910 --> 01:36:20,000

engineer with a multi-hundred million

2692

01:36:23,270 --> 01:36:21,920

dollar contract with nasa

2693

01:36:25,510 --> 01:36:23,280

by the way nothing's happened to him

2694

01:36:27,030 --> 01:36:25,520

about that and he says there's et's here

2695

01:36:28,550 --> 01:36:27,040

now normally that would have created a

2696

01:36:30,709 --> 01:36:28,560

massive media storm except for the

2697

01:36:33,430 --> 01:36:30,719

political hurricane that we talked about

2698

01:36:36,229 --> 01:36:33,440

but why did he do that the reason he did

2699

01:36:39,350 --> 01:36:36,239

it is that bigelow bob biglow who was

2700

01:36:41,270 --> 01:36:39,360

one of my great heroes he knew that the

2701
01:36:43,590 --> 01:36:41,280
the men and women of the to the stars

2702
01:36:44,790 --> 01:36:43,600
academy could not say that they were

2703
01:36:46,070 --> 01:36:44,800
coming forward they were going to do

2704
01:36:47,830 --> 01:36:46,080
what they were going to do but that is

2705
01:36:50,149 --> 01:36:47,840
not something they could say but it's

2706
01:36:51,830 --> 01:36:50,159
something that he could say

2707
01:36:53,350 --> 01:36:51,840
because he isn't a member of the two of

2708
01:36:54,790 --> 01:36:53,360
the stars academy he just happens to be

2709
01:36:57,430 --> 01:36:54,800
connected to them

2710
01:36:59,590 --> 01:36:57,440
and by doing that

2711
01:37:02,470 --> 01:36:59,600
it made it easier for them to not do

2712
01:37:05,030 --> 01:37:02,480
that meaning that their

2713
01:37:05,750 --> 01:37:05,040

louis elizondo or christopher mellon is

2714

01:37:07,510 --> 01:37:05,760

not going to say there's

2715

01:37:09,590 --> 01:37:07,520

extraterrestrials here but they're going

2716

01:37:11,430 --> 01:37:09,600

to say just about everything up to that

2717

01:37:12,550 --> 01:37:11,440

and because of what robert bigelow did

2718

01:37:14,950 --> 01:37:12,560

everybody's going to figure out well

2719

01:37:16,870 --> 01:37:14,960

yeah that's what they really mean

2720

01:37:18,629 --> 01:37:16,880

you see how that dynamic works out okay

2721

01:37:20,790 --> 01:37:18,639

fine

2722

01:37:23,669 --> 01:37:20,800

but that raises a question

2723

01:37:26,709 --> 01:37:23,679

why hasn't elon musk who seems to be not

2724

01:37:27,830 --> 01:37:26,719

shy about saying what's on his mind

2725

01:37:29,750 --> 01:37:27,840

come forward and said this

2726

01:37:32,149 --> 01:37:29,760

extraterrestrial pair he knows damn well

2727

01:37:33,990 --> 01:37:32,159

there is he's got an answer to this

2728

01:37:35,830 --> 01:37:34,000

thought about this though with elon musk

2729

01:37:38,149 --> 01:37:35,840

he's got an answer to stock

2730

01:37:40,870 --> 01:37:38,159

people and investors and board members

2731

01:37:42,709 --> 01:37:40,880

and so he's got to toe the line you see

2732

01:37:44,149 --> 01:37:42,719

how much trouble he got on for taking a

2733

01:37:46,229 --> 01:37:44,159

puff of a of

2734

01:37:48,149 --> 01:37:46,239

a joint on joe rogan

2735

01:37:51,990 --> 01:37:48,159

it was in the media for days and days

2736

01:37:54,070 --> 01:37:52,000

and days and and uh but but well yeah

2737

01:37:56,950 --> 01:37:54,080

but i mean it's one thing well the pro

2738

01:37:59,030 --> 01:37:56,960

the problems he got into were

2739

01:38:01,510 --> 01:37:59,040

very much connected to improper

2740

01:38:03,430 --> 01:38:01,520

statements under sec saying there's

2741

01:38:04,629 --> 01:38:03,440

extraterrestrials here has nothing to do

2742

01:38:05,350 --> 01:38:04,639

yeah you're right you're right i agree

2743

01:38:07,669 --> 01:38:05,360

with you

2744

01:38:09,590 --> 01:38:07,679

with with with his with

2745

01:38:11,750 --> 01:38:09,600

his board of directors

2746

01:38:13,590 --> 01:38:11,760

uh on tesla it happens to be huge would

2747

01:38:17,350 --> 01:38:13,600

be hugely uh

2748

01:38:20,070 --> 01:38:17,360

uh embellishing of this spacex project

2749

01:38:21,510 --> 01:38:20,080

and what about jeff bezos oh yeah why

2750

01:38:23,109 --> 01:38:21,520

you think somebody's gonna give him a

2751
01:38:24,790 --> 01:38:23,119
hard time

2752
01:38:26,950 --> 01:38:24,800
jeff bezos

2753
01:38:29,270 --> 01:38:26,960
he's got more money than god

2754
01:38:30,950 --> 01:38:29,280
jeff bezos was able to to just

2755
01:38:33,350 --> 01:38:30,960
disembowel

2756
01:38:36,310 --> 01:38:33,360
an effort by the national enquirer which

2757
01:38:38,870 --> 01:38:36,320
is basically nothing but pure excrement

2758
01:38:41,669 --> 01:38:38,880
uh to mess up his life

2759
01:38:44,229 --> 01:38:41,679
by interfering in the personal process

2760
01:38:46,790 --> 01:38:44,239
underway with his with his wife and soon

2761
01:38:48,709 --> 01:38:46,800
to be ex-wife and a mistress

2762
01:38:50,950 --> 01:38:48,719
and he basically just shoved it right

2763
01:38:52,709 --> 01:38:50,960

down their throat

2764

01:38:53,910 --> 01:38:52,719

so you think jeff bezos couldn't

2765

01:38:55,590 --> 01:38:53,920

announce there's an extraterrestrial

2766

01:38:57,830 --> 01:38:55,600

presence by bigelow and somehow that was

2767

01:38:59,350 --> 01:38:57,840

going to cause him a lot of trouble i

2768

01:39:02,390 --> 01:38:59,360

don't think so

2769

01:39:04,550 --> 01:39:02,400

and what about the branson

2770

01:39:05,910 --> 01:39:04,560

branson's part of spacex

2771

01:39:07,669 --> 01:39:05,920

you don't think branson knows as an

2772

01:39:10,149 --> 01:39:07,679

extraterrestrial presence

2773

01:39:11,510 --> 01:39:10,159

when you are a multi-billionaire let me

2774

01:39:13,590 --> 01:39:11,520

let me give you a little i'm not a

2775

01:39:14,709 --> 01:39:13,600

billionaire but i i'm gonna i'm gonna

2776

01:39:17,030 --> 01:39:14,719

give you some

2777

01:39:18,470 --> 01:39:17,040

some i think purely reliable information

2778

01:39:20,310 --> 01:39:18,480

when you are a multi-billionaire there

2779

01:39:22,470 --> 01:39:20,320

are people lined out

2780

01:39:24,870 --> 01:39:22,480

at your office door all the way down the

2781

01:39:26,709 --> 01:39:24,880

hall and out of the building wanting to

2782

01:39:29,510 --> 01:39:26,719

tell you stuff

2783

01:39:33,350 --> 01:39:29,520

that's really cool

2784

01:39:38,189 --> 01:39:35,270

and so the idea

2785

01:39:39,990 --> 01:39:38,199

that nobody has taken one of these

2786

01:39:41,830 --> 01:39:40,000

multi-billionaires that are all involved

2787

01:39:43,350 --> 01:39:41,840

in civilian space pros themselves and

2788

01:39:46,629 --> 01:39:43,360

say by the way if you didn't already

2789

01:39:48,470 --> 01:39:46,639

know there's et's here

2790

01:39:50,790 --> 01:39:48,480

and so bob bigelow did it why aren't

2791

01:39:54,229 --> 01:39:50,800

they because there's still enough fear

2792

01:39:55,430 --> 01:39:54,239

in them still enough concern

2793

01:39:57,270 --> 01:39:55,440

that there'll be a problem nothing's

2794

01:39:58,709 --> 01:39:57,280

happened to bob bigelow

2795

01:40:01,189 --> 01:39:58,719

and the problem they have is when

2796

01:40:04,550 --> 01:40:01,199

disclosure does come they only have two

2797

01:40:06,470 --> 01:40:04,560

options mr branson mr musk and mr bezos

2798

01:40:09,189 --> 01:40:06,480

they can say you know

2799

01:40:11,189 --> 01:40:09,199

i'm so god damn dumb i didn't actually

2800

01:40:13,910 --> 01:40:11,199

get it i didn't notice i missed the

2801
01:40:16,629 --> 01:40:13,920
whole thing or they can say you know

2802
01:40:18,390 --> 01:40:16,639
i've always known but i i just couldn't

2803
01:40:21,030 --> 01:40:18,400
say anything

2804
01:40:22,790 --> 01:40:21,040
neither one of these are a good look

2805
01:40:24,790 --> 01:40:22,800
for these men

2806
01:40:26,470 --> 01:40:24,800
and so they need to really think hard

2807
01:40:28,310 --> 01:40:26,480
not only about coming forward and

2808
01:40:31,030 --> 01:40:28,320
telling the truth about this issue but

2809
01:40:33,990 --> 01:40:31,040
supporting the effort of people who have

2810
01:40:35,430 --> 01:40:34,000
one ten thousands the kind of money they

2811
01:40:37,750 --> 01:40:35,440
have

2812
01:40:40,550 --> 01:40:37,760
one ten thousandths of a percent

2813
01:40:42,470 --> 01:40:40,560

trying to push the government on issue

2814

01:40:45,350 --> 01:40:42,480

and make paying very heavy prices for

2815

01:40:47,590 --> 01:40:45,360

that in terms of in terms of sacrifice

2816

01:40:49,270 --> 01:40:47,600

not in blood and sweat but in terms of

2817

01:40:49,890 --> 01:40:49,280

sacrifice they need to think about that

2818

01:40:51,510 --> 01:40:49,900

really hard

2819

01:40:53,590 --> 01:40:51,520

[Music]

2820

01:40:55,510 --> 01:40:53,600

well and that's about all i got oh you

2821

01:40:57,109 --> 01:40:55,520

know what the the one last question and

2822

01:40:58,629 --> 01:40:57,119

you could be as brief as you want i've

2823

01:41:01,350 --> 01:40:58,639

never heard you talk about this and i've

2824

01:41:03,030 --> 01:41:01,360

always wanted your analysis of this

2825

01:41:05,430 --> 01:41:03,040

believe that extraterrestrials are

2826

01:41:07,350 --> 01:41:05,440

visiting us many people do

2827

01:41:10,470 --> 01:41:07,360

you've been studying this phenomenon for

2828

01:41:14,149 --> 01:41:10,480

so many years and i i like to ask people

2829

01:41:16,149 --> 01:41:14,159

like stan friedman and you this question

2830

01:41:18,390 --> 01:41:16,159

why are they here

2831

01:41:20,470 --> 01:41:18,400

why do you believe they're here

2832

01:41:22,229 --> 01:41:20,480

i have a two-hour lecture on that

2833

01:41:23,189 --> 01:41:22,239

um

2834

01:41:24,950 --> 01:41:23,199

so

2835

01:41:26,149 --> 01:41:24,960

how do i answer that question in in two

2836

01:41:27,510 --> 01:41:26,159

minutes

2837

01:41:29,430 --> 01:41:27,520

um

2838

01:41:30,790 --> 01:41:29,440

i believe that

2839

01:41:32,629 --> 01:41:30,800

one

2840

01:41:34,470 --> 01:41:32,639

we've been engaged by extraterrestrials

2841

01:41:35,990 --> 01:41:34,480

for as far back in history as you want

2842

01:41:38,070 --> 01:41:36,000

to go

2843

01:41:39,750 --> 01:41:38,080

possibly even before humans were here

2844

01:41:41,430 --> 01:41:39,760

but a different type of engagement to be

2845

01:41:43,030 --> 01:41:41,440

sure

2846

01:41:45,350 --> 01:41:43,040

the et's that have engaged us in the

2847

01:41:46,470 --> 01:41:45,360

past may not even be around now probably

2848

01:41:47,669 --> 01:41:46,480

aren't

2849

01:41:49,590 --> 01:41:47,679

it's possible that some of the ones

2850

01:41:51,109 --> 01:41:49,600

engaging against now have in fact been

2851
01:41:54,310 --> 01:41:51,119
visiting off and on

2852
01:41:55,510 --> 01:41:54,320
for tens of thousands a year don't know

2853
01:41:56,950 --> 01:41:55,520
but we've been engaged

2854
01:41:58,070 --> 01:41:56,960
[Music]

2855
01:42:01,270 --> 01:41:58,080
the

2856
01:42:03,030 --> 01:42:01,280
nature of that engagement

2857
01:42:04,310 --> 01:42:03,040
changed dramatically when the bombs were

2858
01:42:06,310 --> 01:42:04,320
dropped on

2859
01:42:08,950 --> 01:42:06,320
japan

2860
01:42:11,109 --> 01:42:08,960
uh we built them

2861
01:42:13,590 --> 01:42:11,119
we didn't mean we were good we might we

2862
01:42:15,030 --> 01:42:13,600
dropped them on people we tested them

2863
01:42:17,510 --> 01:42:15,040

didn't mean we would drop it on people

2864

01:42:20,149 --> 01:42:17,520

but then we dropped them on people

2865

01:42:23,350 --> 01:42:20,159

and so something that changed their

2866

01:42:24,870 --> 01:42:23,360

relationship between these ets and our

2867

01:42:28,310 --> 01:42:24,880

status

2868

01:42:30,470 --> 01:42:28,320

and that triggered the modern era of

2869

01:42:32,390 --> 01:42:30,480

extraterrestrial engagement leading and

2870

01:42:33,750 --> 01:42:32,400

inevitably to disclosure

2871

01:42:34,470 --> 01:42:33,760

so one of the

2872

01:42:37,590 --> 01:42:34,480

so

2873

01:42:39,189 --> 01:42:37,600

that that explains

2874

01:42:41,590 --> 01:42:39,199

that doesn't explain why they've been

2875

01:42:44,390 --> 01:42:41,600

here for well let me put it and that is

2876

01:42:46,870 --> 01:42:44,400

my answer to the question

2877

01:42:49,109 --> 01:42:46,880

why are they active now

2878

01:42:50,390 --> 01:42:49,119

to a significantly larger degree and so

2879

01:42:52,550 --> 01:42:50,400

forth okay

2880

01:42:54,390 --> 01:42:52,560

in addition to

2881

01:42:56,629 --> 01:42:54,400

uh well but one of the reasons they're

2882

01:42:58,790 --> 01:42:56,639

here is they're paying attention

2883

01:43:01,350 --> 01:42:58,800

they're paying attention to our planet

2884

01:43:02,950 --> 01:43:01,360

and a lot of other planets so

2885

01:43:04,870 --> 01:43:02,960

uh that intention in our case and

2886

01:43:06,149 --> 01:43:04,880

probably other cases includes being here

2887

01:43:07,590 --> 01:43:06,159

from time to time

2888

01:43:09,510 --> 01:43:07,600

uh if

2889

01:43:11,189 --> 01:43:09,520

not intermittently then on a continual

2890

01:43:12,310 --> 01:43:11,199

basis

2891

01:43:14,470 --> 01:43:12,320

but

2892

01:43:16,149 --> 01:43:14,480

their attention is about what i mean

2893

01:43:18,390 --> 01:43:16,159

they're not just it's not just an

2894

01:43:20,310 --> 01:43:18,400

intention like well there's you're there

2895

01:43:21,750 --> 01:43:20,320

we should probably no

2896

01:43:25,030 --> 01:43:21,760

they're very interested in this planet

2897

01:43:27,669 --> 01:43:25,040

why because it has a biosphere

2898

01:43:29,910 --> 01:43:27,679

i assure you they have a tiny tiny

2899

01:43:32,229 --> 01:43:29,920

fraction of interest in the moon

2900

01:43:34,149 --> 01:43:32,239

and even mars at this point but

2901

01:43:36,310 --> 01:43:34,159

we have a biosphere

2902

01:43:37,830 --> 01:43:36,320

and a biosphere is the most complicated

2903

01:43:40,229 --> 01:43:37,840

thing in the universe as far as i'm

2904

01:43:42,390 --> 01:43:40,239

concerned i and i don't expect to ever

2905

01:43:44,870 --> 01:43:42,400

hear differently frankly

2906

01:43:47,030 --> 01:43:44,880

um it takes billions of years to create

2907

01:43:48,790 --> 01:43:47,040

one and the degree of

2908

01:43:50,950 --> 01:43:48,800

complexity is off the charts if

2909

01:43:52,470 --> 01:43:50,960

somebody's got a better example i'll

2910

01:43:53,669 --> 01:43:52,480

listen to it but

2911

01:43:56,229 --> 01:43:53,679

so

2912

01:43:57,510 --> 01:43:56,239

if you're if you're living if you're if

2913

01:43:59,030 --> 01:43:57,520

your planet has a biosphere it's the

2914

01:44:01,510 --> 01:43:59,040

most complicated thing in the year that

2915

01:44:03,750 --> 01:44:01,520

is what advanced scentsy and species are

2916

01:44:04,950 --> 01:44:03,760

going to be interested in

2917

01:44:05,750 --> 01:44:04,960

so they're going to be involved they're

2918

01:44:07,750 --> 01:44:05,760

going to check it out they're going to

2919

01:44:09,030 --> 01:44:07,760

be engaging it in ways we can only

2920

01:44:10,470 --> 01:44:09,040

speculate

2921

01:44:12,390 --> 01:44:10,480

but one of the most important ways will

2922

01:44:14,870 --> 01:44:12,400

be on the basis of genetics because at

2923

01:44:17,430 --> 01:44:14,880

the heart of bio of a biosphere is

2924

01:44:19,270 --> 01:44:17,440

genetics genetics is is essentially the

2925

01:44:21,510 --> 01:44:19,280

foundation of life

2926
01:44:24,149 --> 01:44:21,520
atoms are the foundation of the physical

2927
01:44:25,669 --> 01:44:24,159
world the inanimate world certainly

2928
01:44:27,189 --> 01:44:25,679
and of course also the foundation of

2929
01:44:27,990 --> 01:44:27,199
life but

2930
01:44:30,149 --> 01:44:28,000
uh

2931
01:44:32,310 --> 01:44:30,159
dna genetics is the co-foundation of

2932
01:44:33,350 --> 01:44:32,320
life along with what we call

2933
01:44:34,390 --> 01:44:33,360
particles

2934
01:44:36,390 --> 01:44:34,400
so

2935
01:44:38,149 --> 01:44:36,400
that's where their interest is

2936
01:44:40,550 --> 01:44:38,159
and the most complex life on the planet

2937
01:44:42,310 --> 01:44:40,560
is humans the most complex entity of the

2938
01:44:43,910 --> 01:44:42,320

planet of the human brain

2939

01:44:45,590 --> 01:44:43,920

and so they're interested in that and

2940

01:44:47,109 --> 01:44:45,600

they're engaging us

2941

01:44:49,270 --> 01:44:47,119

in various ways and a lot of that

2942

01:44:51,590 --> 01:44:49,280

engagement is genetics

2943

01:44:53,910 --> 01:44:51,600

which includes contact and i believe

2944

01:44:55,109 --> 01:44:53,920

hybrid hybrid creation of hybrid uh

2945

01:44:56,870 --> 01:44:55,119

activities

2946

01:45:00,709 --> 01:44:56,880

this is a big deal

2947

01:45:02,870 --> 01:45:00,719

and that's why they're here but

2948

01:45:04,550 --> 01:45:02,880

the reason why

2949

01:45:07,030 --> 01:45:04,560

in addition to their fundamental

2950

01:45:10,310 --> 01:45:07,040

engagement of our planet going back hour

2951
01:45:11,830 --> 01:45:10,320
long there is a new reason that they're

2952
01:45:16,550 --> 01:45:11,840
here

2953
01:45:22,950 --> 01:45:19,830
and involves nuclear weapons

2954
01:45:26,149 --> 01:45:22,960
and the easiest way i can say this

2955
01:45:29,189 --> 01:45:26,159
a a very complex idea simplest way to

2956
01:45:33,910 --> 01:45:32,149
if you are an advanced species capable

2957
01:45:36,229 --> 01:45:33,920
of traveling

2958
01:45:38,550 --> 01:45:36,239
between star systems and the galaxy is

2959
01:45:41,430 --> 01:45:38,560
at your disposal

2960
01:45:43,350 --> 01:45:41,440
but you are not destructive meaning

2961
01:45:46,870 --> 01:45:43,360
you're you're not you're way past the

2962
01:45:47,910 --> 01:45:46,880
idea that we must go blow things up

2963
01:45:51,189 --> 01:45:47,920

why

2964

01:45:52,550 --> 01:45:51,199

uh understand study explore blow things

2965

01:45:54,790 --> 01:45:52,560

up no

2966

01:45:55,910 --> 01:45:54,800

and they don't

2967

01:45:57,270 --> 01:45:55,920

and they're not gonna let and they're

2968

01:45:59,030 --> 01:45:57,280

not gonna allow themselves to be blown

2969

01:46:00,390 --> 01:45:59,040

up

2970

01:46:03,030 --> 01:46:00,400

so

2971

01:46:06,870 --> 01:46:03,040

and you are you are tracking several

2972

01:46:11,430 --> 01:46:06,880

tens of thousands of biospheres

2973

01:46:13,350 --> 01:46:11,440

and on a given day or given point

2974

01:46:15,590 --> 01:46:13,360

you notice that one of these biospheres

2975

01:46:16,550 --> 01:46:15,600

and the sentient beings on it

2976

01:46:17,990 --> 01:46:16,560

are

2977

01:46:20,149 --> 01:46:18,000

have just hit the

2978

01:46:21,030 --> 01:46:20,159

the beginning of the of the

2979

01:46:23,109 --> 01:46:21,040

the

2980

01:46:25,030 --> 01:46:23,119

uh extreme technical

2981

01:46:26,550 --> 01:46:25,040

curve in other words the technological

2982

01:46:28,070 --> 01:46:26,560

advance is now going to the curve on

2983

01:46:29,270 --> 01:46:28,080

that is going to start standing up on

2984

01:46:30,870 --> 01:46:29,280

its end

2985

01:46:32,790 --> 01:46:30,880

and they're headache towards major

2986

01:46:33,910 --> 01:46:32,800

technological breakthroughs fine you

2987

01:46:35,669 --> 01:46:33,920

know that

2988

01:46:37,510 --> 01:46:35,679

and then of course they crack the atom

2989

01:46:39,669 --> 01:46:37,520

and start developing atomic science

2990

01:46:40,950 --> 01:46:39,679

that's notable they start developing a

2991

01:46:42,390 --> 01:46:40,960

lot of things which you're noting but

2992

01:46:45,270 --> 01:46:42,400

one of the things you're most interested

2993

01:46:48,229 --> 01:46:45,280

in is weaponry and that's atomic bombs

2994

01:46:51,189 --> 01:46:48,239

this would be true of any planet

2995

01:46:53,510 --> 01:46:51,199

atomic physics doesn't change

2996

01:46:55,109 --> 01:46:53,520

from galaxy to galaxy it is what it is

2997

01:46:56,310 --> 01:46:55,119

cracking the atom an atom bomb would be

2998

01:46:58,390 --> 01:46:56,320

the same here as it would be on any

2999

01:47:02,229 --> 01:46:58,400

other planet anywhere in any galaxy and

3000

01:47:04,390 --> 01:47:02,239

so we we we build atomic bombs

3001
01:47:06,310 --> 01:47:04,400
and you're pretty much aware of our our

3002
01:47:08,709 --> 01:47:06,320
our general state of physics quantum

3003
01:47:10,310 --> 01:47:08,719
physics and everything else and you you

3004
01:47:12,550 --> 01:47:10,320
are smart enough and you've been you've

3005
01:47:15,109 --> 01:47:12,560
been in a number of rodeos to know

3006
01:47:16,790 --> 01:47:15,119
that the moment we dropped those bombs

3007
01:47:19,270 --> 01:47:16,800
and given the technological curve we

3008
01:47:21,910 --> 01:47:19,280
were on we were very close to not only

3009
01:47:23,270 --> 01:47:21,920
having atomic bombs but interstellar

3010
01:47:24,709 --> 01:47:23,280
travel

3011
01:47:26,470 --> 01:47:24,719
okay fine

3012
01:47:28,229 --> 01:47:26,480
why do you care

3013
01:47:29,990 --> 01:47:28,239

because if you are an interstellar

3014

01:47:32,070 --> 01:47:30,000

species

3015

01:47:33,990 --> 01:47:32,080

and you don't blow things up

3016

01:47:36,709 --> 01:47:34,000

and you have no intention of being blown

3017

01:47:38,470 --> 01:47:36,719

up the one thing you will not permit and

3018

01:47:40,550 --> 01:47:38,480

you might permit a lot

3019

01:47:42,870 --> 01:47:40,560

is you will not permit a civilization

3020

01:47:45,510 --> 01:47:42,880

say human civilization

3021

01:47:48,070 --> 01:47:45,520

to build interstellar starships and put

3022

01:47:50,870 --> 01:47:48,080

atomic or hydrogen bombs on them and fly

3023

01:47:54,070 --> 01:47:50,880

off into the galaxy that is not

3024

01:47:56,229 --> 01:47:54,080

going to happen period

3025

01:47:57,990 --> 01:47:56,239

now there's very solutions to that you

3026

01:47:59,350 --> 01:47:58,000

could incinerate the whole planet be

3027

01:48:01,510 --> 01:47:59,360

easy to do

3028

01:48:03,430 --> 01:48:01,520

problem solved but you don't blow things

3029

01:48:05,990 --> 01:48:03,440

up

3030

01:48:08,790 --> 01:48:06,000

you could take over the planet

3031

01:48:11,350 --> 01:48:08,800

and control everything

3032

01:48:13,189 --> 01:48:11,360

uh but why

3033

01:48:14,390 --> 01:48:13,199

i mean my god i can't think of a worse

3034

01:48:16,070 --> 01:48:14,400

job

3035

01:48:16,950 --> 01:48:16,080

you can travel the galaxy we're gonna

3036

01:48:19,910 --> 01:48:16,960

have a bunch of you're gonna you're

3037

01:48:21,430 --> 01:48:19,920

gonna manage the human race oh my god

3038

01:48:23,510 --> 01:48:21,440

uh

3039

01:48:25,510 --> 01:48:23,520

what might you do

3040

01:48:26,629 --> 01:48:25,520

well i believe

3041

01:48:28,550 --> 01:48:26,639

what they're doing and one of the

3042

01:48:31,590 --> 01:48:28,560

reasons they're here now

3043

01:48:32,870 --> 01:48:31,600

maybe the most important for us

3044

01:48:35,510 --> 01:48:32,880

is that

3045

01:48:37,510 --> 01:48:35,520

you begin a process

3046

01:48:38,550 --> 01:48:37,520

that you fully intend to

3047

01:48:39,910 --> 01:48:38,560

to see

3048

01:48:42,629 --> 01:48:39,920

realized

3049

01:48:46,310 --> 01:48:42,639

before those starships and

3050

01:48:47,990 --> 01:48:46,320

atom bombs get come together

3051

01:48:49,910 --> 01:48:48,000

in which you push that civilization

3052

01:48:51,750 --> 01:48:49,920

towards a self-acknowledgement of their

3053

01:48:53,109 --> 01:48:51,760

presence of their existence a

3054

01:48:54,790 --> 01:48:53,119

civilization toward the point they

3055

01:48:56,390 --> 01:48:54,800

realize they're not the only game in

3056

01:48:58,310 --> 01:48:56,400

town

3057

01:49:00,070 --> 01:48:58,320

you don't push it too hard you try to be

3058

01:49:03,510 --> 01:49:00,080

respectful you have other work you're

3059

01:49:05,910 --> 01:49:03,520

doing but you'll continue

3060

01:49:06,790 --> 01:49:05,920

but by bumping things along in various

3061

01:49:09,270 --> 01:49:06,800

ways

3062

01:49:11,350 --> 01:49:09,280

and there's a lot of things they've done

3063

01:49:12,229 --> 01:49:11,360

ultimately you arrive at a point where

3064

01:49:18,790 --> 01:49:12,239

that

3065

01:49:22,149 --> 01:49:18,800

self acknowledges their presence

3066

01:49:23,589 --> 01:49:22,159

meaning yes the trust is disclosure day

3067

01:49:25,189 --> 01:49:23,599

all the heads of state

3068

01:49:27,750 --> 01:49:25,199

tell all their wonderful citizens we're

3069

01:49:30,149 --> 01:49:27,760

not alone there's extraterrestrials here

3070

01:49:31,990 --> 01:49:30,159

and thus begins a very intense learning

3071

01:49:34,070 --> 01:49:32,000

curve a year two years in which the

3072

01:49:36,229 --> 01:49:34,080

entire planet tries to learn everything

3073

01:49:38,070 --> 01:49:36,239

he can about excellent trust what the

3074

01:49:40,229 --> 01:49:38,080

government knows what the researchers

3075

01:49:42,390 --> 01:49:40,239

have found everything

3076

01:49:45,270 --> 01:49:42,400

they can as well as uh

3077

01:49:48,550 --> 01:49:45,280

un untold millions of hours of of

3078

01:49:49,990 --> 01:49:48,560

ex extrapolation and speculation about

3079

01:49:51,750 --> 01:49:50,000

what could happen next what would go and

3080

01:49:55,589 --> 01:49:51,760

so forth

3081

01:49:59,109 --> 01:49:57,270

open contact

3082

01:50:00,310 --> 01:49:59,119

meaning

3083

01:50:01,830 --> 01:50:00,320

it's time to

3084

01:50:03,830 --> 01:50:01,840

start talking with these governments in

3085

01:50:05,750 --> 01:50:03,840

an open fashion in which the people will

3086

01:50:08,070 --> 01:50:05,760

know it's happening

3087

01:50:10,390 --> 01:50:08,080

open contact with the civilizations that

3088

01:50:12,790 --> 01:50:10,400

have been engaging us

3089

01:50:15,030 --> 01:50:12,800

not 50 years after disclosure not five

3090

01:50:16,310 --> 01:50:15,040

years probably two years

3091

01:50:18,790 --> 01:50:16,320

and then

3092

01:50:20,229 --> 01:50:18,800

here's the deal now

3093

01:50:22,830 --> 01:50:20,239

they know you're here we know they're

3094

01:50:24,390 --> 01:50:22,840

there we know they're here

3095

01:50:26,310 --> 01:50:24,400

and

3096

01:50:28,629 --> 01:50:26,320

we've gotten past disclosure we've

3097

01:50:30,390 --> 01:50:28,639

gotten past open contact we've settled

3098

01:50:32,790 --> 01:50:30,400

down we're calm

3099

01:50:35,270 --> 01:50:32,800

we're not worried about being eaten or

3100

01:50:38,070 --> 01:50:35,280

or taken over or anything like that

3101
01:50:39,910 --> 01:50:38,080
and the et's let it be known

3102
01:50:41,510 --> 01:50:39,920
to us

3103
01:50:42,709 --> 01:50:41,520
through our governments

3104
01:50:45,750 --> 01:50:42,719
that we're not going to be allowed to

3105
01:50:47,669 --> 01:50:45,760
bring those atomic bombs into space

3106
01:50:49,990 --> 01:50:47,679
not going to happen

3107
01:50:51,830 --> 01:50:50,000
so if you build a starship

3108
01:50:53,830 --> 01:50:51,840
and you plan to put the bomb we're just

3109
01:50:55,270 --> 01:50:53,840
going to destroy that starship we're not

3110
01:50:57,750 --> 01:50:55,280
going to blow up your nuclear weapons

3111
01:50:59,270 --> 01:50:57,760
piles because we don't care i mean it's

3112
01:51:01,350 --> 01:50:59,280
it's less of a concern to us that you

3113
01:51:03,030 --> 01:51:01,360

nuke yourselves

3114

01:51:06,470 --> 01:51:03,040

it would be awkward and unfortunate but

3115

01:51:08,149 --> 01:51:06,480

there's a big galaxy it's okay but

3116

01:51:09,030 --> 01:51:08,159

you're not going to nuke us and so we're

3117

01:51:10,550 --> 01:51:09,040

not going to blow up your nuclear

3118

01:51:12,550 --> 01:51:10,560

weapons but we will blow that starship

3119

01:51:14,470 --> 01:51:12,560

up on the other hand

3120

01:51:16,709 --> 01:51:14,480

if you will

3121

01:51:19,270 --> 01:51:16,719

wake up and realize the news is we have

3122

01:51:22,550 --> 01:51:19,280

a new new world new paradigm

3123

01:51:23,910 --> 01:51:22,560

get rid of your nuclear weapons

3124

01:51:27,669 --> 01:51:23,920

probably get rid of your biological

3125

01:51:30,950 --> 01:51:29,109

and

3126

01:51:32,550 --> 01:51:30,960

get into full agreement

3127

01:51:35,030 --> 01:51:32,560

that you're not going to be a

3128

01:51:37,030 --> 01:51:35,040

destructive influence in the galaxy

3129

01:51:38,790 --> 01:51:37,040

then we'll we we're going to you'll be

3130

01:51:40,070 --> 01:51:38,800

able to be part of our world you will be

3131

01:51:42,229 --> 01:51:40,080

part of our

3132

01:51:44,390 --> 01:51:42,239

alliances or whatever you will have a

3133

01:51:46,550 --> 01:51:44,400

role

3134

01:51:48,149 --> 01:51:46,560

and you will benefit from it

3135

01:51:49,910 --> 01:51:48,159

and

3136

01:51:52,229 --> 01:51:49,920

things will get a lot better in your

3137

01:51:53,510 --> 01:51:52,239

neck of the woods

3138

01:51:54,709 --> 01:51:53,520

i believe that's what's going on and

3139

01:51:57,030 --> 01:51:54,719

that's why they're here that's one of

3140

01:51:58,470 --> 01:51:57,040

the key reasons that they're here now

3141

01:51:59,750 --> 01:51:58,480

in addition to whatever else they're

3142

01:52:01,830 --> 01:51:59,760

here for

3143

01:52:04,229 --> 01:52:01,840

so we're going through a transition

3144

01:52:05,510 --> 01:52:04,239

leading to disclosure and open contact

3145

01:52:07,990 --> 01:52:05,520

because

3146

01:52:09,830 --> 01:52:08,000

it's absolutely not going to be

3147

01:52:11,910 --> 01:52:09,840

impossible for us to

3148

01:52:13,510 --> 01:52:11,920

take our weapons into space and do to

3149

01:52:14,310 --> 01:52:13,520

them but or try to do to them what we're

3150

01:52:16,550 --> 01:52:14,320

doing

3151
01:52:18,310 --> 01:52:16,560
to ourselves

3152
01:52:20,470 --> 01:52:18,320
so this would be the most powerful

3153
01:52:21,830 --> 01:52:20,480
inflection point in the history of

3154
01:52:23,830 --> 01:52:21,840
humanity

3155
01:52:26,070 --> 01:52:23,840
or in the history of this planet going

3156
01:52:27,350 --> 01:52:26,080
back five four three and a half billion

3157
01:52:29,510 --> 01:52:27,360
years

3158
01:52:31,270 --> 01:52:29,520
that's how big a deal it is

3159
01:52:33,030 --> 01:52:31,280
and that's why it's tough

3160
01:52:34,550 --> 01:52:33,040
when i'm confronted with people that are

3161
01:52:37,189 --> 01:52:34,560
simply clueless

3162
01:52:38,950 --> 01:52:37,199
or refuse to listen or reporters that

3163
01:52:39,990 --> 01:52:38,960

don't see the importance of the story

3164

01:52:41,750 --> 01:52:40,000

things like that i get a little

3165

01:52:43,430 --> 01:52:41,760

frustrated and frustrated with with

3166

01:52:45,510 --> 01:52:43,440

people in government that know for well

3167

01:52:48,229 --> 01:52:45,520

how important this is but still can't

3168

01:52:52,629 --> 01:52:48,239

step out yet

3169

01:52:56,629 --> 01:52:54,310

as long as we don't take those nukes

3170

01:52:59,669 --> 01:52:56,639

into space

3171

01:53:01,510 --> 01:52:59,679

we're good uh it's just a matter of in

3172

01:53:03,750 --> 01:53:01,520

other words it's not about the et's

3173

01:53:05,589 --> 01:53:03,760

well-being per se they are not

3174

01:53:07,430 --> 01:53:05,599

threatened by us they will never be

3175

01:53:09,669 --> 01:53:07,440

threatened by us

3176

01:53:11,510 --> 01:53:09,679

it's about whether we're going to fix

3177

01:53:13,109 --> 01:53:11,520

our our situation and whether we're

3178

01:53:14,870 --> 01:53:13,119

going to have maybe some assistance from

3179

01:53:17,669 --> 01:53:14,880

them

3180

01:53:21,350 --> 01:53:17,679

that's what's really involved here

3181

01:53:22,870 --> 01:53:21,360

and ask yourself have you ever heard a

3182

01:53:25,510 --> 01:53:22,880

single member

3183

01:53:26,550 --> 01:53:25,520

of established the established academic

3184

01:53:28,709 --> 01:53:26,560

world

3185

01:53:31,270 --> 01:53:28,719

the established media

3186

01:53:32,310 --> 01:53:31,280

or any politician

3187

01:53:35,430 --> 01:53:32,320

either

3188

01:53:37,510 --> 01:53:35,440

campaigning or in office who has ever

3189

01:53:38,390 --> 01:53:37,520

said what i have just said in the last

3190

01:53:39,589 --> 01:53:38,400

15 minutes

3191

01:53:42,070 --> 01:53:39,599

[Music]

3192

01:53:44,070 --> 01:53:42,080

yeah absolutely not

3193

01:53:46,390 --> 01:53:44,080

there you go

3194

01:53:48,229 --> 01:53:46,400

and so i need 20 000 bucks to get back

3195

01:53:49,990 --> 01:53:48,239

to washington and start getting on cnn

3196

01:53:51,830 --> 01:53:50,000

where i would be happy to say exactly

3197

01:53:53,430 --> 01:53:51,840

what i just said to you

3198

01:53:55,510 --> 01:53:53,440

absolutely i want to encourage my

3199

01:53:59,030 --> 01:53:55,520

listeners to contact

3200

01:54:00,790 --> 01:53:59,040

uh to contact you and see maybe we could

3201

01:54:02,229 --> 01:54:00,800

get you some help with that

3202

01:54:03,669 --> 01:54:02,239

and that would be again the website to

3203

01:54:05,910 --> 01:54:03,679

do this it's all the website yeah the

3204

01:54:07,430 --> 01:54:05,920

website's got it all the contributions

3205

01:54:09,430 --> 01:54:07,440

and all that stuff's all right there

3206

01:54:10,629 --> 01:54:09,440

paradigm research group dot org

3207

01:54:13,270 --> 01:54:10,639

um

3208

01:54:17,109 --> 01:54:15,030

if i get enough together i'll be back

3209

01:54:19,189 --> 01:54:17,119

hopefully in july barring any dramatic

3210

01:54:22,149 --> 01:54:19,199

events happening god knows what

3211

01:54:24,070 --> 01:54:22,159

uh and but in a very good position to

3212

01:54:27,189 --> 01:54:24,080

make a difference but

3213

01:54:30,070 --> 01:54:27,199

i won't be alone this time in 1996 i was

3214

01:54:32,950 --> 01:54:30,080

the only ufo lobbyist in the world maybe

3215

01:54:34,790 --> 01:54:32,960

and there was nobody else

3216

01:54:37,030 --> 01:54:34,800

pushing well that's not true

3217

01:54:38,629 --> 01:54:37,040

that's not true

3218

01:54:40,070 --> 01:54:38,639

there was one other well there were a

3219

01:54:42,149 --> 01:54:40,080

couple of other

3220

01:54:43,589 --> 01:54:42,159

groups of people that were kind of put

3221

01:54:45,510 --> 01:54:43,599

pressing on the government a little bit

3222

01:54:47,669 --> 01:54:45,520

one was stephen greer the other was the

3223

01:54:49,189 --> 01:54:47,679

operation right to know i wasn't alone

3224

01:54:50,390 --> 01:54:49,199

but it wasn't much

3225

01:54:52,950 --> 01:54:50,400

all right

3226

01:54:53,990 --> 01:54:52,960

it was tiny compared to what's going on

3227

01:54:55,669 --> 01:54:54,000

now

3228

01:54:57,750 --> 01:54:55,679

and so if i get back in washington this

3229

01:54:58,950 --> 01:54:57,760

time i'm going to have a lot of

3230

01:55:00,790 --> 01:54:58,960

uh there's going to be a lot more

3231

01:55:03,270 --> 01:55:00,800

players involved and

3232

01:55:04,950 --> 01:55:03,280

i'll be part of a bigger picture

3233

01:55:06,950 --> 01:55:04,960

and uh again

3234

01:55:08,550 --> 01:55:06,960

the role a goal is to get disclosure

3235

01:55:10,950 --> 01:55:08,560

this year is doable

3236

01:55:12,310 --> 01:55:10,960

depending upon the political resolutions

3237

01:55:14,149 --> 01:55:12,320

uh

3238

01:55:15,990 --> 01:55:14,159

certainly next year

3239

01:55:17,350 --> 01:55:16,000

but not much not too far in the

3240

01:55:19,350 --> 01:55:17,360

future

3241

01:55:21,270 --> 01:55:19,360

uh and let's keep in mind

3242

01:55:23,510 --> 01:55:21,280

that apart from

3243

01:55:25,270 --> 01:55:23,520

whatever the situation here is on the on

3244

01:55:26,709 --> 01:55:25,280

in the united states

3245

01:55:28,790 --> 01:55:26,719

whatever the political dilemmas or

3246

01:55:30,229 --> 01:55:28,800

problems or bearish we have here there

3247

01:55:32,550 --> 01:55:30,239

are other heads of state that can to end

3248

01:55:34,550 --> 01:55:32,560

the truth embargo tomorrow

3249

01:55:37,589 --> 01:55:34,560

as a state that don't have

3250

01:55:39,189 --> 01:55:37,599

the problems and and uh

3251

01:55:41,189 --> 01:55:39,199

resistance that

3252

01:55:42,310 --> 01:55:41,199

heads of state here have had they can go

3253

01:55:44,310 --> 01:55:42,320

out

3254

01:55:45,669 --> 01:55:44,320

microphone tell their people

3255

01:55:47,990 --> 01:55:45,679

and provide them all the evidence they

3256

01:55:49,910 --> 01:55:48,000

would possibly want tomorrow and all

3257

01:55:51,430 --> 01:55:49,920

that glory would go to them and we would

3258

01:55:53,270 --> 01:55:51,440

be in the post-disclosure world but the

3259

01:55:54,390 --> 01:55:53,280

u.s would be holding a bag

3260

01:55:56,149 --> 01:55:54,400

um

3261

01:55:57,910 --> 01:55:56,159

that can happen any time so but given

3262

01:56:01,270 --> 01:55:57,920

that plus what's happening here

3263

01:56:03,030 --> 01:56:01,280

disclosure could easily happen very soon

3264

01:56:05,109 --> 01:56:03,040

next week next month certainly at the

3265

01:56:07,270 --> 01:56:05,119

end of the year but not necessarily by

3266

01:56:09,990 --> 01:56:07,280

the united states

3267

01:56:12,310 --> 01:56:10,000

and long term it doesn't matter stephen

3268

01:56:14,070 --> 01:56:12,320

it doesn't matter long term believe me

3269

01:56:15,669 --> 01:56:14,080

i don't care what nation does yeah i was

3270

01:56:17,109 --> 01:56:15,679

just going to say that i don't care i

3271

01:56:19,109 --> 01:56:17,119

don't care who does it either as long as

3272

01:56:21,750 --> 01:56:19,119

it gets done i i could care less if it

3273

01:56:23,350 --> 01:56:21,760

was china or russia or anybody else

3274

01:56:24,470 --> 01:56:23,360

england

3275

01:56:25,510 --> 01:56:24,480

you know

3276

01:56:27,030 --> 01:56:25,520

yes

3277

01:56:29,510 --> 01:56:27,040

short term though

3278

01:56:31,910 --> 01:56:29,520

as an american citizen it's hard for me

3279

01:56:34,070 --> 01:56:31,920

not to have some care and concern yeah

3280

01:56:35,830 --> 01:56:34,080

because the the impact on the united

3281

01:56:38,149 --> 01:56:35,840

states if we're not the first disclosure

3282

01:56:40,470 --> 01:56:38,159

nation is going to be significant

3283

01:56:42,310 --> 01:56:40,480

and uh it may not be in the best

3284

01:56:44,790 --> 01:56:42,320

interest of the world in other words the

3285

01:56:46,149 --> 01:56:44,800

us in spite of its many flaws might be

3286

01:56:47,270 --> 01:56:46,159

the better nation to launch this

3287

01:56:48,790 --> 01:56:47,280

initially

3288

01:56:50,310 --> 01:56:48,800

i can make that case

3289

01:56:52,149 --> 01:56:50,320

short term

3290

01:56:53,510 --> 01:56:52,159

i can see the wisdom of it being the

3291

01:56:54,709 --> 01:56:53,520

united states long-term it doesn't

3292

01:56:56,310 --> 01:56:54,719

matter

3293

01:56:58,470 --> 01:56:56,320

now whether anybody else in the united

3294

01:56:59,910 --> 01:56:58,480

states washington dc believes that i

3295

01:57:01,109 --> 01:56:59,920

have no one i don't know but i'm sure

3296

01:57:03,030 --> 01:57:01,119

there are i know there are plenty i'm

3297

01:57:05,990 --> 01:57:03,040

sure that they have gained this they

3298

01:57:08,229 --> 01:57:06,000

have game this this event

3299

01:57:11,030 --> 01:57:08,239

uh eight ways to sunday they got some

3300

01:57:13,430 --> 01:57:11,040

pretty powerful super computers head to

3301

01:57:16,070 --> 01:57:13,440

pentagon and elsewhere and i assure you

3302

01:57:18,629 --> 01:57:16,080

they have gamed the disclosure event and

3303

01:57:20,070 --> 01:57:18,639

the contact event every which way you

3304

01:57:22,709 --> 01:57:20,080

can look at it

3305

01:57:25,030 --> 01:57:22,719

of course fully classified

3306

01:57:27,589 --> 01:57:25,040

and secret but the idea that they

3307

01:57:29,669 --> 01:57:27,599

haven't done that is absurd

3308

01:57:31,830 --> 01:57:29,679

these are very smart people

3309

01:57:33,589 --> 01:57:31,840

sure i believe that they're not they're

3310

01:57:34,950 --> 01:57:33,599

not idiots and so the idea that they

3311

01:57:37,270 --> 01:57:34,960

just well we just won't even deal with

3312

01:57:40,709 --> 01:57:37,280

this until we have to no

3313

01:57:43,109 --> 01:57:40,719

so they know what they're going to do

3314

01:57:45,350 --> 01:57:43,119

but the american people don't know what

3315

01:57:47,109 --> 01:57:45,360

they're going to do

3316

01:57:48,470 --> 01:57:47,119

and who

3317

01:57:49,830 --> 01:57:48,480

who's going to help them with that

3318

01:57:51,990 --> 01:57:49,840

there's not a lot

3319

01:57:54,070 --> 01:57:52,000

a lot of people that are ready to help

3320

01:57:56,149 --> 01:57:54,080

them with that but there are some i

3321

01:57:58,070 --> 01:57:56,159

consider myself one of them

3322

01:57:59,589 --> 01:57:58,080

and i'll do the best i can

3323

01:58:01,830 --> 01:57:59,599

well i'm going to i want to thank you

3324

01:58:03,990 --> 01:58:01,840

for taking the time to uh to do this

3325

01:58:06,470 --> 01:58:04,000

interview it's been eye-opening and

3326

01:58:08,149 --> 01:58:06,480

revealing and you've been on my list of

3327

01:58:09,830 --> 01:58:08,159

people to talk to forever so i could

3328

01:58:11,510 --> 01:58:09,840

check that off my list thank you very

3329

01:58:13,990 --> 01:58:11,520

much i can't thank you enough for taking

3330

01:58:17,270 --> 01:58:14,000

the time to inform both me and my

3331

01:58:18,709 --> 01:58:17,280

listeners of all that you're up to

3332

01:58:20,310 --> 01:58:18,719

i appreciate it stephen keep up the good

3333

01:58:22,310 --> 01:58:20,320

work happy to come back in the future we

3334

01:58:25,750 --> 01:58:22,320

shall get disclosure as they sometimes

3335

01:58:29,050 --> 01:58:25,760

say one podcast at a time oh awesome

3336
