

DON SHIPLEY

REAL NAVY SEAL
CLAIMS LINDA'S
NAVY SEAL SOURCES ARE

FAKE

Truth Seekers

1
00:00:02,800 --> 00:00:06,309
let me tell you about the uh

2
00:00:11,430 --> 00:00:08,629
let me tell you about the ancient alien

3
00:00:16,630 --> 00:00:14,870
the show you watch ancient aliens

4
00:00:19,269 --> 00:00:16,640
well i watch it sometimes it's uh

5
00:00:21,590 --> 00:00:19,279
interesting but he's talking about this

6
00:00:23,109 --> 00:00:21,600
[h__\h] bug waiting on there and uh i

7
00:00:25,349 --> 00:00:23,119
wrote that woman

8
00:00:27,830 --> 00:00:25,359
that has come out a long time ago i was

9
00:00:29,830 --> 00:00:27,840
working on a video and all i'm gonna do

10
00:00:31,349 --> 00:00:29,840
is open up another can of a billboard

11
00:00:35,190 --> 00:00:31,359
operator

12
00:00:37,510 --> 00:00:35,200
there are people that that linda howell

13
00:00:39,190 --> 00:00:37,520

and the mulan how i know exactly i've

14

00:00:42,470 --> 00:00:39,200

seen the videos

15

00:00:45,110 --> 00:00:42,480

and it's this seal in antarctica that is

16

00:00:47,510 --> 00:00:45,120

uh is

17

00:00:48,470 --> 00:00:47,520

let me let me

18

00:00:50,150 --> 00:00:48,480

i'm

19

00:00:52,310 --> 00:00:50,160

getting ready to come out swinging about

20

00:00:54,150 --> 00:00:52,320

a whole bunch of [h__h] we're going right

21

00:00:55,590 --> 00:00:54,160

back to where we come from i'm taking a

22

00:00:57,110 --> 00:00:55,600

nice break

23

00:00:59,110 --> 00:00:57,120

from the youtube thing

24

00:01:01,110 --> 00:00:59,120

but when somebody hides their identity

25

00:01:03,910 --> 00:01:01,120

it's for a [h__h] reason

26

00:01:05,590 --> 00:01:03,920

it is for an absolute reason

27

00:01:07,350 --> 00:01:05,600

and

28

00:01:09,750 --> 00:01:07,360

whether whatever you're going to say is

29

00:01:12,230 --> 00:01:09,760

so [h__\h] up that the guys that know you

30

00:01:14,870 --> 00:01:12,240

are going to [h__\h] turn on you but not

31

00:01:17,990 --> 00:01:14,880

in that guy's case this is the

32

00:01:20,870 --> 00:01:18,000

navy seal in antarctica

33

00:01:21,910 --> 00:01:20,880

it says he took a [h__\h] submarine he

34

00:01:24,789 --> 00:01:21,920

got on a

35

00:01:29,270 --> 00:01:24,799

an aircraft carrier

36

00:01:30,469 --> 00:01:29,280

about a submarine to the antarctic so he

37

00:01:33,030 --> 00:01:30,479

could go

38

00:01:35,510 --> 00:01:33,040

extract a scientist

39

00:01:37,990 --> 00:01:35,520

if you search that seal antarctica

40

00:01:40,469 --> 00:01:38,000

you'll see that the first words out of

41

00:01:42,710 --> 00:01:40,479

this [h__h] guy's mouth to her when

42

00:01:44,630 --> 00:01:42,720

they blacked out his face

43

00:01:46,630 --> 00:01:44,640

was uh his rank

44

00:01:52,789 --> 00:01:46,640

and he said he was a first lieutenant in

45

00:01:57,910 --> 00:01:55,350

and when confronted with that

46

00:01:59,250 --> 00:01:57,920

she claims that he was just nervous at

47

00:02:01,910 --> 00:01:59,260

the cameras

48

00:02:03,429 --> 00:02:01,920

[Music]

49

00:02:05,350 --> 00:02:03,439

[h__h]

50

00:02:06,469 --> 00:02:05,360

you are sitting in a room with that

51
00:02:08,949 --> 00:02:06,479
woman

52
00:02:12,390 --> 00:02:08,959
you're not nervous you know this isn't

53
00:02:14,869 --> 00:02:12,400
the cbs spotlight inside edition

54
00:02:17,430 --> 00:02:14,879
studio thing or being live on air you're

55
00:02:18,550 --> 00:02:17,440
sitting right in front of that mature

56
00:02:20,949 --> 00:02:18,560
woman

57
00:02:22,869 --> 00:02:20,959
i don't want to say much more about that

58
00:02:24,150 --> 00:02:22,879
you're not nervous and you lied you

59
00:02:26,630 --> 00:02:24,160
[h__\h] it up

60
00:02:28,550 --> 00:02:26,640
and it's all [h__\h] from there

61
00:02:31,670 --> 00:02:28,560
and there's that you know everybody and

62
00:02:34,710 --> 00:02:31,680
they all thrive off of this seal thing

63
00:02:35,509 --> 00:02:34,720

if they can put that seal thing on why

64

00:02:39,110 --> 00:02:35,519

why

65

00:02:41,589 --> 00:02:39,120

would they send a [\h__\h] aircraft

66

00:02:44,550 --> 00:02:41,599

carrier to antarctica

67

00:02:48,070 --> 00:02:44,560

with a seal who takes a helicopter

68

00:02:51,030 --> 00:02:48,080

to go in and extract a

69

00:02:54,229 --> 00:02:51,040

scientist with all this alien stuff that

70

00:02:58,309 --> 00:02:55,830

why would they do it they didn't have

71

00:03:00,390 --> 00:02:58,319

anybody else on that carrier qualified

72

00:03:02,790 --> 00:03:00,400

to get out of a helicopter and go hey

73

00:03:03,750 --> 00:03:02,800

come here you get in and send the seal

74

00:03:05,509 --> 00:03:03,760

no

75

00:03:08,390 --> 00:03:05,519

but they use that for the ratings

76
00:03:10,470 --> 00:03:08,400
however he just sounds dumb from the

77
00:03:11,670 --> 00:03:10,480
[h__h] minute he starts opening his

78
00:03:12,790 --> 00:03:11,680
mouth

79
00:03:14,309 --> 00:03:12,800
until the

80
00:03:16,630 --> 00:03:14,319
end of the day let's just scroll down

81
00:03:17,910 --> 00:03:16,640
let's see mick said

82
00:03:19,910 --> 00:03:17,920
let's just scroll down there a little

83
00:03:20,650 --> 00:03:19,920
bit that's why i bashed it out live

84
00:03:22,390 --> 00:03:20,660
what's that

85
00:03:25,110 --> 00:03:22,400
[Music]

86
00:03:27,910 --> 00:03:25,120
claims he went miles underground and you

87
00:03:29,670 --> 00:03:27,920
know it's just so stupid that the fight

88
00:03:31,830 --> 00:03:29,680

is not worth it when you're dealing with

89

00:03:33,589 --> 00:03:31,840

these conspiracy

90

00:03:35,589 --> 00:03:33,599

and watching the videos there's enough

91

00:03:37,030 --> 00:03:35,599

guys calling [h__h] and she knows

92

00:03:39,750 --> 00:03:37,040

because i told her i was going to put

93

00:03:40,630 --> 00:03:39,760

the blast on her linda she never replied

94

00:03:41,990 --> 00:03:40,640

back

95

00:03:45,509 --> 00:03:42,000

but she

96

00:03:48,550 --> 00:03:45,519

the hard part of that as well as carrie

97

00:03:51,670 --> 00:03:48,560

cassidy with bill brockbraider is that

98

00:03:53,990 --> 00:03:51,680

linda is in on the whole thing

99

00:03:55,190 --> 00:03:54,000

and the whole thing is just this

100

00:03:57,509 --> 00:03:55,200

[h__h]

101
00:03:59,910 --> 00:03:57,519
to get people to watch she knows he's a

102
00:04:03,270 --> 00:03:59,920
fake and she set it up

103
00:04:10,190 --> 00:04:06,789
and she is the nicest sweetest looking

104
00:04:14,550 --> 00:04:10,200
lady on there hi buddy

105
00:04:16,789 --> 00:04:14,560
i know i know

106
00:04:18,310 --> 00:04:16,799
and she's a [h__h] liar

107
00:04:19,990 --> 00:04:18,320
they all are

108
00:04:21,909 --> 00:04:20,000
and it's just to sell the ratings so

109
00:04:24,550 --> 00:04:21,919
they find some [h__h] hillbilly at a

110
00:04:27,350 --> 00:04:24,560
[h__h] gas station tennessee who calls

111
00:04:29,670 --> 00:04:27,360
himself spartan one and some [h__h]

112
00:04:31,350 --> 00:04:29,680
idiot marine and they get on there and

113
00:04:33,510 --> 00:04:31,360

they start telling this [h__\h] about

114

00:04:35,909 --> 00:04:33,520

aircraft carriers taking them just to

115

00:04:38,629 --> 00:04:35,919

get this scientist who's in this alien

116

00:04:39,990 --> 00:04:38,639

facility you find it on youtube

117

00:04:43,270 --> 00:04:40,000

somebody put it up there i think it's

118

00:04:45,830 --> 00:04:43,280

linda mulan howe linda howe

119

00:04:47,990 --> 00:04:45,840

navy seal or spartan one and as soon as

120

00:04:50,310 --> 00:04:48,000

that [h__\h] guy opens his mouth you

121

00:04:53,990 --> 00:04:50,320

know it's [h__\h] no

122

00:04:55,350 --> 00:04:54,000

officer in the navy is ever gonna

123

00:04:57,430 --> 00:04:55,360

goon up

124

00:04:58,870 --> 00:04:57,440

that they were a first lieutenant

125

00:05:00,469 --> 00:04:58,880

first lieutenants are in the marine

126

00:05:02,629 --> 00:05:00,479

corps in the army they're not in [h__h]

127

00:05:05,029 --> 00:05:02,639

navy and no one would say that first

128

00:05:06,000 --> 00:05:05,039

lieutenant is a title

129

00:05:08,070 --> 00:05:06,010

in the navy

130

00:05:09,670 --> 00:05:08,080

[Music]

131

00:05:11,590 --> 00:05:09,680

and that goes way back to the old

132

00:05:13,430 --> 00:05:11,600

british days he's the first lieutenant

133

00:05:15,189 --> 00:05:13,440

he's the most senior lieutenant on a

134

00:05:16,710 --> 00:05:15,199

ship and they only do that on ships we

135

00:05:18,310 --> 00:05:16,720

don't have that to steal things where we

136

00:05:21,430 --> 00:05:18,320

keep our engines

137

00:05:24,150 --> 00:05:21,440

long support but it could be worked up

138

00:05:26,950 --> 00:05:24,160

but just tell them nobody no officer and

139

00:05:27,990 --> 00:05:26,960

seal team unless uh twang

140

00:05:29,270 --> 00:05:28,000

you know

141

00:05:33,590 --> 00:05:29,280

yeah

142

00:05:35,189 --> 00:05:33,600

would ultimately win that but i would

143

00:05:36,950 --> 00:05:35,199

just come into another bill brock

144

00:05:39,350 --> 00:05:36,960

braider i didn't like bill brock burger

145

00:05:41,830 --> 00:05:39,360

for a lottery we don't send navy seals

146

00:05:43,270 --> 00:05:41,840

to antarctica to extract scientists when

147

00:05:46,710 --> 00:05:43,280

anybody could do that because they

148

00:05:52,390 --> 00:05:50,469

but they'd love that the secrecy of it

149

00:05:54,390 --> 00:05:52,400

and when you listen to this guy there

150

00:05:56,070 --> 00:05:54,400

was nothing he just got off a helicopter

151

00:05:58,230 --> 00:05:56,080

and went in to get the guy and the guy

152

00:06:00,070 --> 00:05:58,240

didn't come on anyhow

153

00:06:02,309 --> 00:06:00,080

but

154

00:06:05,990 --> 00:06:02,319

why would you do that

155

00:06:09,189 --> 00:06:06,000

you got an aircraft carrier full of

156

00:06:10,950 --> 00:06:09,199

chiefs officers how hard is it to get

157

00:06:13,830 --> 00:06:10,960

out of a helicopter and go hey hello

158

00:06:15,510 --> 00:06:13,840

we're here to pick you up

159

00:06:17,909 --> 00:06:15,520

it's not like you're doing it in north
