K. COLE, JR.**

Time Travel
Journeys into Time

1
00:00:29,670 --> 00:00:29,060
[Music]

2
00:00:38,990 --> 00:00:29,680
[Applause]

3
00:01:04,229 --> 00:00:39,000
[Music]

4
00:01:04,239 --> 00:01:07,460
so

5
00:02:08,150 --> 00:01:32,920
[Music]

6
00:02:10,949 --> 00:02:09,190
imagine

7
00:02:12,309 --> 00:02:10,959
traveling in time

8
00:02:14,229 --> 00:02:12,319
some process that would let you go

9
00:02:16,470 --> 00:02:14,239
backward in time to witness the events

10
00:02:18,630 --> 00:02:16,480
that change history or into the future

11
00:02:20,710 --> 00:02:18,640
to see if mankind survives

12
00:02:21,910 --> 00:02:20,720
and then to return to the present with

13
00:02:23,030 --> 00:02:21,920

the knowledge of what will happen

14

00:02:25,270 --> 00:02:23,040

tomorrow

15

00:02:27,670 --> 00:02:25,280

the process is intriguing even

16

00:02:29,990 --> 00:02:27,680

mind-boggling but the science is more

17

00:02:31,670 --> 00:02:30,000

real than imagined

18

00:02:33,830 --> 00:02:31,680

the quest for the technology permitting

19

00:02:35,589 --> 00:02:33,840

time control is now underway

20

00:02:38,070 --> 00:02:35,599

private and government investment in

21

00:02:39,990 --> 00:02:38,080

this area of research is on the rise and

22

00:02:41,990 --> 00:02:40,000

fueling a race leading to discoveries

23

00:02:43,910 --> 00:02:42,000

that will change our world and our very

24

00:02:49,350 --> 00:02:43,920

sense of reality in ways difficult to

25

00:02:54,229 --> 00:02:51,990

this science is real the advances

26

00:02:56,630 --> 00:02:54,239

underway are truly exciting and the

27

00:02:58,390 --> 00:02:56,640

possibilities are endless

28

00:03:00,550 --> 00:02:58,400

join us now as we explore the

29

00:03:04,890 --> 00:03:00,560

possibilities of time travel and begin

30

00:03:10,710 --> 00:03:04,900

our exciting journeys into time

31

00:03:15,110 --> 00:03:13,270

hello i am dr david anderson and i thank

32

00:03:17,589 --> 00:03:15,120

you for joining us as we prepare to take

33

00:03:18,790 --> 00:03:17,599

some exciting first steps as we journey

34

00:03:20,869 --> 00:03:18,800

into time

35

00:03:22,790 --> 00:03:20,879

perhaps the best place to begin is at

36

00:03:23,910 --> 00:03:22,800

the beginning with the definition of

37

00:03:28,229 --> 00:03:23,920

time

38

00:03:30,309 --> 00:03:28,239

what is it that clocks are measuring

39
00:03:32,309 --> 00:03:30,319
they seem to measure some unseen medium

40
00:03:34,070 --> 00:03:32,319
that continues on with a constant and

41
00:03:36,710 --> 00:03:34,080
never stopping force

42
00:03:38,630 --> 00:03:36,720
in fact time is often thought of as a

43
00:03:40,789 --> 00:03:38,640
river that flows in one direction and

44
00:03:44,229 --> 00:03:40,799
slows for no one always sweeping

45
00:03:46,070 --> 00:03:44,239
everything and everyone along with it

46
00:03:48,710 --> 00:03:46,080
we certainly experience the passing of

47
00:03:50,390 --> 00:03:48,720
time we are born and live our lives

48
00:03:52,550 --> 00:03:50,400
feeling as though we are constantly

49
00:03:54,869 --> 00:03:52,560
being pushed and pulled by this unseen

50
00:03:57,390 --> 00:03:54,879
phenomenon

51

00:03:58,789 --> 00:03:57,400

so then what is time

52

00:04:01,350 --> 00:03:58,799

[Music]

53

00:04:03,429 --> 00:04:01,360

time also seems to vary with culture for

54

00:04:05,830 --> 00:04:03,439

instance in the language of the navajo

55

00:04:07,910 --> 00:04:05,840

there is no past present in future tense

56

00:04:09,589 --> 00:04:07,920

like those of many languages

57

00:04:11,589 --> 00:04:09,599

events are talked about with regard to

58

00:04:12,830 --> 00:04:11,599

their quality of happening rather than

59

00:04:16,069 --> 00:04:12,840

their temporal

60

00:04:17,830 --> 00:04:16,079

quality is it possible then that time

61

00:04:20,150 --> 00:04:17,840

may not really exist

62

00:04:21,830 --> 00:04:20,160

but is just an illusion of our mind

63

00:04:23,590 --> 00:04:21,840

created by our own biological and

64

00:04:25,830 --> 00:04:23,600

cultural evolution

65

00:04:28,950 --> 00:04:25,840

well whatever time is one thing is

66

00:04:30,680 --> 00:04:28,960

certain man has always had a passion for

67

00:04:37,110 --> 00:04:30,690

finding better ways to measure

68

00:04:38,550 --> 00:04:37,120

[Music]

69

00:04:40,550 --> 00:04:38,560

when it first became important for

70

00:04:42,870 --> 00:04:40,560

people to measure time they didn't have

71

00:04:44,390 --> 00:04:42,880

or need wrist watches or clocks

72

00:04:46,070 --> 00:04:44,400

all they needed to know was when the

73

00:04:48,469 --> 00:04:46,080

winter was coming or when they could

74

00:04:49,990 --> 00:04:48,479

plant or harvest their crops

75

00:04:52,469 --> 00:04:50,000

for this the ancient peoples of the

76

00:04:54,790 --> 00:04:52,479

earth used the regular cycles of nature

77

00:04:56,870 --> 00:04:54,800

for instance it was known to them that

78

00:04:59,430 --> 00:04:56,880

the sun rises and sets in a regular and

79

00:05:01,510 --> 00:04:59,440

predictable way it was also known that

80

00:05:03,590 --> 00:05:01,520

the moon stars and planets have

81

00:05:05,510 --> 00:05:03,600

consistent and predictable motion

82

00:05:06,950 --> 00:05:05,520

through the heavens and they could keep

83

00:05:09,110 --> 00:05:06,960

track of the passing of a day with

84

00:05:11,029 --> 00:05:09,120

sundials and other similar instruments

85

00:05:12,950 --> 00:05:11,039

with this knowledge they could predict

86

00:05:15,510 --> 00:05:12,960

the coming of different seasons

87

00:05:18,070 --> 00:05:15,520

well one thing i do know is that time is

88

00:05:19,830 --> 00:05:18,080

a very curious thing we have found many

89

00:05:21,909 --> 00:05:19,840

ways to measure time

90

00:05:25,830 --> 00:05:21,919

but still when we ask the simple

91

00:05:27,510 --> 00:05:25,840

question what is time we cannot answer

92

00:05:29,749 --> 00:05:27,520

this is not a new fascination with the

93

00:05:31,670 --> 00:05:29,759

nature of time as early as the 4th

94

00:05:34,230 --> 00:05:31,680

century saint augustine said it very

95

00:05:37,510 --> 00:05:34,240

well with his famous question and answer

96

00:05:39,990 --> 00:05:37,520

what then is time if no one asks me i

97

00:05:42,150 --> 00:05:40,000

know if i wish to explain it to one that

98

00:05:44,070 --> 00:05:42,160

asketh i know not

99

00:05:46,710 --> 00:05:44,080

another interesting tool used by science

100

00:05:48,310 --> 00:05:46,720

fiction writers is the time police

101
00:05:50,390 --> 00:05:48,320
these are the heroes that show up just

102
00:05:51,909 --> 00:05:50,400
in time to prevent someone from altering

103
00:05:55,029 --> 00:05:51,919
the past and destroying the future

104
00:05:56,710 --> 00:05:55,039
timeline and our existence as we know it

105
00:05:59,510 --> 00:05:56,720
but what happens if the time police

106
00:06:01,270 --> 00:05:59,520
don't show up in time watch out we might

107
00:06:03,590 --> 00:06:01,280
see the creation of new timelines and

108
00:06:06,150 --> 00:06:03,600
see a today or a future that is quite

109
00:06:07,749 --> 00:06:06,160
different than what it was before this

110
00:06:12,150 --> 00:06:07,759
type of time travel story in science

111
00:06:16,390 --> 00:06:14,150
our legends and folklore are filled with

112
00:06:18,629 --> 00:06:16,400
stories about ufo sightings and contacts

113
00:06:20,150 --> 00:06:18,639

with aliens from other worlds is it

114

00:06:22,469 --> 00:06:20,160

possible that these stories are not

115

00:06:24,550 --> 00:06:22,479

about visitors from a distant world but

116

00:06:26,550 --> 00:06:24,560

instead that they are time travelers

117

00:06:28,230 --> 00:06:26,560

from our own distant future

118

00:06:30,469 --> 00:06:28,240

in these alien sightings the creatures

119

00:06:32,070 --> 00:06:30,479

have many human characteristics

120

00:06:34,070 --> 00:06:32,080

is it possible that there are time

121

00:06:36,629 --> 00:06:34,080

travelers from our own planet visiting

122

00:06:38,629 --> 00:06:36,639

us from thousands of years in the future

123

00:06:40,950 --> 00:06:38,639

history is filled with many stories and

124

00:06:43,510 --> 00:06:40,960

legends about visitors from time and

125

00:06:46,070 --> 00:06:43,520

also about our own experiments in time

126
00:06:48,070 --> 00:06:46,080
our technology involves the creation of

127
00:06:50,550 --> 00:06:48,080
a self-contained spherical time work

128
00:06:53,189 --> 00:06:50,560
field about 30 to 40 centimeters in

129
00:06:55,510 --> 00:06:53,199
diameter within the boundaries of a time

130
00:06:57,670 --> 00:06:55,520
warp field it is possible to actually

131
00:06:59,830 --> 00:06:57,680
accelerate or decelerate to a certain

132
00:07:01,510 --> 00:06:59,840
degree the rate at which time passes

133
00:07:03,110 --> 00:07:01,520
relative to the rate of time outside of

134
00:07:05,110 --> 00:07:03,120
the field

135
00:07:06,070 --> 00:07:05,120
the applications for this technology are

136
00:07:07,670 --> 00:07:06,080
many

137
00:07:09,830 --> 00:07:07,680
we are currently researching several

138
00:07:11,189 --> 00:07:09,840

applications in the medical field

139

00:07:13,510 --> 00:07:11,199

one would be transplant organ

140

00:07:15,189 --> 00:07:13,520

preservation the time work field will be

141

00:07:16,790 --> 00:07:15,199

used to preserve organs or tissues

142

00:07:18,469 --> 00:07:16,800

awaiting transplant

143

00:07:20,710 --> 00:07:18,479

as science continues to make us doubt

144

00:07:22,870 --> 00:07:20,720

our own perception of reality it forces

145

00:07:24,870 --> 00:07:22,880

us to ask an important question

146

00:07:27,350 --> 00:07:24,880

what will the impact be on our views of

147

00:07:29,029 --> 00:07:27,360

spirituality and religion

148

00:07:30,390 --> 00:07:29,039

physicists have always been separated

149

00:07:32,309 --> 00:07:30,400

from the world of philosophy and

150

00:07:35,029 --> 00:07:32,319

religion by the strict walls of

151
00:07:37,029 --> 00:07:35,039
analytical science but something very

152
00:07:39,510 --> 00:07:37,039
exciting may be happening

153
00:07:41,350 --> 00:07:39,520
is it possible that today's physicists

154
00:07:43,510 --> 00:07:41,360
are simply rediscovering the ancient

155
00:07:45,029 --> 00:07:43,520
wisdom that shows the sense of wonder

156
00:07:47,589 --> 00:07:45,039
and oneness that connects us with the

157
00:07:49,749 --> 00:07:47,599
universe and god

158
00:07:51,510 --> 00:07:49,759
our virtual laboratory is key to

159
00:07:54,150 --> 00:07:51,520
analyzing and learning more about time

160
00:07:56,070 --> 00:07:54,160
or field technology and its application

161
00:07:57,830 --> 00:07:56,080
our simulation programs may represent

162
00:07:59,589 --> 00:07:57,840
the most advanced space-time virtual

163
00:08:02,550 --> 00:07:59,599

laboratory in the world

164

00:08:04,869 --> 00:08:02,560

the tri-star system simulation programs

165

00:08:06,710 --> 00:08:04,879

were designed with one goal in mind to

166

00:08:08,309 --> 00:08:06,720

advance our efforts to achieve time

167

00:08:10,790 --> 00:08:08,319

control technology

168

00:08:13,510 --> 00:08:10,800

it is a very unique scientific research

169

00:08:15,749 --> 00:08:13,520

platform perhaps when speaking of time

170

00:08:17,990 --> 00:08:15,759

only one thing is certain our journeys

171

00:08:19,749 --> 00:08:18,000

into time are just beginning

172

00:08:21,909 --> 00:08:19,759

thank you for joining us and exploring

173

00:08:25,110 --> 00:08:21,919

the possibilities of time travel

174

00:08:45,930 --> 00:08:25,120

and who knows perhaps we'll meet again

175

00:08:45,940 --> 00:09:00,389

[Music]

176

00:09:05,750 --> 00:09:02,790

sorry got caught in a time loop friends

177

00:09:06,790 --> 00:09:05,760

uh greetings and salutations and welcome

178

00:09:09,269 --> 00:09:06,800

back

179

00:09:10,470 --> 00:09:09,279

uh tonight we're going on an exciting

180

00:09:13,350 --> 00:09:10,480

adventure

181

00:09:17,750 --> 00:09:13,360

and i realized that this character may

182

00:09:21,990 --> 00:09:17,760

be uh lesser known not quite uh a david

183

00:09:23,269 --> 00:09:22,000

wilcock or a uh dr stephen greed i mean

184

00:09:24,550 --> 00:09:23,279

grier

185

00:09:27,750 --> 00:09:24,560

but uh

186

00:09:29,990 --> 00:09:27,760

what an amazing story so this gentleman

187

00:09:32,870 --> 00:09:30,000

comes out and he made

188

00:09:33,829 --> 00:09:32,880

several appearances actually on art bell

189

00:09:37,750 --> 00:09:33,839

show

190

00:09:40,310 --> 00:09:37,760

claiming to be a time travel scientist

191

00:09:42,310 --> 00:09:40,320

who is able to create

192

00:09:44,949 --> 00:09:42,320

among his other claims one of his big

193

00:09:46,790 --> 00:09:44,959

claims was that he's able to create sort

194

00:09:49,750 --> 00:09:46,800

of a time

195

00:09:51,990 --> 00:09:49,760

distortion field generator

196

00:09:54,389 --> 00:09:52,000

in which they could measure that they

197

00:09:56,310 --> 00:09:54,399

could either speed up or slow down time

198

00:09:58,870 --> 00:09:56,320

within this bubble

199

00:10:02,310 --> 00:09:58,880

in this field that they would create

200

00:10:06,389 --> 00:10:02,320

he went on to try to collect money

201
00:10:07,829 --> 00:10:06,399
investors money he formed a charity as

202
00:10:08,949 --> 00:10:07,839
well

203
00:10:12,389 --> 00:10:08,959
and

204
00:10:14,870 --> 00:10:12,399
a very interesting character

205
00:10:17,350 --> 00:10:14,880
making a lot of claims uh the least of

206
00:10:20,550 --> 00:10:17,360
which is that he is a doctor and a

207
00:10:23,030 --> 00:10:20,560
physicist and more

208
00:10:25,269 --> 00:10:23,040
but when you start to peel back the

209
00:10:26,310 --> 00:10:25,279
layers of deception

210
00:10:29,350 --> 00:10:26,320
the

211
00:10:31,990 --> 00:10:29,360
shocking truth about this man is

212
00:10:34,310 --> 00:10:32,000
really an amazing story and again i

213
00:10:36,230 --> 00:10:34,320

realize he's not a hugely known

214

00:10:38,790 --> 00:10:36,240

character in conspiracy land but he did

215

00:10:40,230 --> 00:10:38,800

make the rounds for quite some time

216

00:10:42,870 --> 00:10:40,240

and to the best of my knowledge

217

00:10:45,590 --> 00:10:42,880

continues to solicit donations from

218

00:10:47,910 --> 00:10:45,600

people for his research and various

219

00:10:48,870 --> 00:10:47,920

other charitable things he claims he

220

00:10:50,630 --> 00:10:48,880

does

221

00:10:52,230 --> 00:10:50,640

um

222

00:10:54,550 --> 00:10:52,240

i had

223

00:10:56,949 --> 00:10:54,560

looked into him briefly at one point

224

00:10:59,190 --> 00:10:56,959

some time ago but didn't really deeply

225

00:11:02,150 --> 00:10:59,200

dive into him

226

00:11:04,790 --> 00:11:02,160

but i found someone who did and that

227

00:11:08,470 --> 00:11:04,800

would be one richard cole who is a

228

00:11:12,069 --> 00:11:08,480

former military officer marine

229

00:11:13,430 --> 00:11:12,079

and and now is an investigative

230

00:11:14,630 --> 00:11:13,440

researcher

231

00:11:16,069 --> 00:11:14,640

blogger

232

00:11:17,430 --> 00:11:16,079

and um

233

00:11:20,150 --> 00:11:17,440

author really

234

00:11:21,910 --> 00:11:20,160

and he did quite an amazing deep dive

235

00:11:24,790 --> 00:11:21,920

into this gentleman and we're going to

236

00:11:26,630 --> 00:11:24,800

detail these layers of deception and

237

00:11:29,750 --> 00:11:26,640

tonight we're going to get to peel back

238

00:11:33,590 --> 00:11:29,760

those layers of deception and let you in

239

00:11:35,030 --> 00:11:33,600

on what may be a very bold series of

240

00:11:35,829 --> 00:11:35,040

scams

241

00:11:39,030 --> 00:11:35,839

um

242

00:11:41,910 --> 00:11:39,040

i think it's important to realize that

243

00:11:43,910 --> 00:11:41,920

this kind of work the the the work and

244

00:11:46,470 --> 00:11:43,920

dedication that this richard cole put

245

00:11:49,590 --> 00:11:46,480

into this is is truly amazing his

246

00:11:51,990 --> 00:11:49,600

attention to detail his leaving no stone

247

00:11:55,350 --> 00:11:52,000

untuned is something

248

00:11:56,710 --> 00:11:55,360

that i can certainly respect and uh so

249

00:12:09,590 --> 00:11:56,720

i

250

00:12:10,790 --> 00:12:09,600

a good place to start

251
00:12:14,069 --> 00:12:10,800
because

252
00:12:16,069 --> 00:12:14,079
it's it's a it's a long story but not

253
00:12:19,110 --> 00:12:16,079
not really that long but there's a lot

254
00:12:22,550 --> 00:12:19,120
of layers of deception here that mr cole

255
00:12:25,509 --> 00:12:22,560
was able to peel back one by one by one

256
00:12:27,990 --> 00:12:25,519
and um following along with that blog

257
00:12:29,750 --> 00:12:28,000
post would be a good idea uh but without

258
00:12:34,310 --> 00:12:29,760
further

259
00:12:36,069 --> 00:12:34,320
special guest tonight uh investigator

260
00:12:39,030 --> 00:12:36,079
richard cole

261
00:12:40,550 --> 00:12:39,040
good evening mr cole how are you tonight

262
00:12:41,829 --> 00:12:40,560
good evening stephen thank you for

263
00:12:43,750 --> 00:12:41,839

having me on

264

00:12:45,190 --> 00:12:43,760

yeah my pleasure so

265

00:12:46,069 --> 00:12:45,200

um

266

00:12:48,949 --> 00:12:46,079

first

267

00:12:51,190 --> 00:12:48,959

this guy's kind of lesser known so how

268

00:12:52,949 --> 00:12:51,200

why the interest that would be my first

269

00:12:54,710 --> 00:12:52,959

question because

270

00:12:56,629 --> 00:12:54,720

a few people sent me

271

00:12:58,550 --> 00:12:56,639

some of his claims and things like that

272

00:13:01,430 --> 00:12:58,560

but i kind of passed on him because it's

273

00:13:03,430 --> 00:13:01,440

like punching down it's almost like he's

274

00:13:05,509 --> 00:13:03,440

a little bit of a forgotten

275

00:13:07,350 --> 00:13:05,519

conspiracy land character right but he

276

00:13:09,910 --> 00:13:07,360

did make the rounds for a while on art

277

00:13:12,550 --> 00:13:09,920

bell and many other shows

278

00:13:14,470 --> 00:13:12,560

why the interest in him

279

00:13:16,230 --> 00:13:14,480

yeah he did make the rounds let me just

280

00:13:17,829 --> 00:13:16,240

make one one thing clear for your

281

00:13:20,710 --> 00:13:17,839

listeners i was not

282

00:13:23,750 --> 00:13:20,720

a marine officer i was enlisted

283

00:13:25,590 --> 00:13:23,760

okay i apologize uh you have to you you

284

00:13:27,350 --> 00:13:25,600

military guys are very

285

00:13:28,949 --> 00:13:27,360

book and you have to forgive me i had a

286

00:13:30,310 --> 00:13:28,959

military dad but i was never in the

287

00:13:32,310 --> 00:13:30,320

military so

288

00:13:34,150 --> 00:13:32,320

i understand there's a big distinction i

289

00:13:36,470 --> 00:13:34,160

misspoke when i said officer you were an

290

00:13:38,629 --> 00:13:36,480

enlisted man yeah right

291

00:13:41,750 --> 00:13:38,639

yeah and and you're right he's he's kind

292

00:13:44,470 --> 00:13:41,760

of obscure and uh

293

00:13:45,670 --> 00:13:44,480

he uh his name would come up uh time

294

00:13:48,389 --> 00:13:45,680

after time

295

00:13:51,750 --> 00:13:48,399

uh in my investigations and subsequent

296

00:13:54,069 --> 00:13:51,760

uh debunkings of douglas dietrich

297

00:13:55,590 --> 00:13:54,079

uh it seems that

298

00:13:57,189 --> 00:13:55,600

peter moon

299

00:13:59,829 --> 00:13:57,199

is you know

300

00:14:02,389 --> 00:13:59,839

associated with douglas dietrich and

301
00:14:03,750 --> 00:14:02,399
peter moon would repeatedly claim on on

302
00:14:05,910 --> 00:14:03,760
dietrich's

303
00:14:08,790 --> 00:14:05,920
radio shows that

304
00:14:12,710 --> 00:14:08,800
he was in contact with anderson and

305
00:14:14,790 --> 00:14:12,720
anderson was here anderson was there

306
00:14:16,790 --> 00:14:14,800
and i had i had started to investigate

307
00:14:19,110 --> 00:14:16,800
it just a little bit and i

308
00:14:21,509 --> 00:14:19,120
came across a draft

309
00:14:23,750 --> 00:14:21,519
in my blog back in november

310
00:14:25,670 --> 00:14:23,760
and i was shocked to find that

311
00:14:28,150 --> 00:14:25,680
there was nothing really that i had done

312
00:14:30,389 --> 00:14:28,160
and i decided to

313
00:14:32,629 --> 00:14:30,399

dig around a little bit more and see

314

00:14:33,750 --> 00:14:32,639

what i could find and what i found was

315

00:14:35,990 --> 00:14:33,760

just the

316

00:14:38,710 --> 00:14:36,000

a small scattering

317

00:14:41,110 --> 00:14:38,720

of things uh on the internet

318

00:14:43,670 --> 00:14:41,120

and i came across a blog by sharon k

319

00:14:46,310 --> 00:14:43,680

grossman

320

00:14:48,550 --> 00:14:46,320

who at the end of her blog that's

321

00:14:51,670 --> 00:14:48,560

talked about anderson

322

00:14:53,990 --> 00:14:51,680

said hello hello is anyone actually out

323

00:14:56,310 --> 00:14:54,000

looking for david lewis anderson

324

00:14:57,990 --> 00:14:56,320

where is a good conspiracy theorist or

325

00:14:59,350 --> 00:14:58,000

investigative reporter when they need

326

00:15:02,870 --> 00:14:59,360

one

327

00:15:04,069 --> 00:15:02,880

so i sort of took that as a challenge

328

00:15:06,710 --> 00:15:04,079

and

329

00:15:09,110 --> 00:15:06,720

so that's how it started because

330

00:15:10,870 --> 00:15:09,120

basically this person challenged people

331

00:15:12,629 --> 00:15:10,880

right

332

00:15:15,750 --> 00:15:12,639

he did

333

00:15:16,629 --> 00:15:15,760

uh yeah sort of you know i he he was he

334

00:15:18,710 --> 00:15:16,639

would

335

00:15:20,470 --> 00:15:18,720

he came close to doing that but then he

336

00:15:21,509 --> 00:15:20,480

would disappear

337

00:15:23,509 --> 00:15:21,519

you know

338

00:15:26,710 --> 00:15:23,519

he he presented himself in such a way

339

00:15:29,590 --> 00:15:26,720

that he was a scientist former u.s air

340

00:15:32,790 --> 00:15:29,600

force officer and involved in things

341

00:15:34,389 --> 00:15:32,800

as a scientist as an air force officer

342

00:15:36,710 --> 00:15:34,399

and with

343

00:15:39,430 --> 00:15:36,720

threw this stuff out there

344

00:15:42,150 --> 00:15:39,440

and and created

345

00:15:43,030 --> 00:15:42,160

his own institute okay

346

00:15:47,189 --> 00:15:43,040

making

347

00:15:48,870 --> 00:15:47,199

get to that let me get to the blog we're

348

00:15:50,790 --> 00:15:48,880

gonna put up the blog and we'll go

349

00:15:53,030 --> 00:15:50,800

through step by step your investigation

350

00:15:54,629 --> 00:15:53,040

into this man and all of these many

351

00:15:57,030 --> 00:15:54,639

layers of deception that you were able

352

00:15:59,430 --> 00:15:57,040

to peel back but first i didn't realize

353

00:16:00,870 --> 00:15:59,440

but before we even uh were on screen

354

00:16:03,509 --> 00:16:00,880

live while we were playing the intro we

355

00:16:05,749 --> 00:16:03,519

got a kind and generous 699 from canada

356

00:16:07,590 --> 00:16:05,759

from the truth is out there super chat

357

00:16:08,949 --> 00:16:07,600

so we'd like to thank everybody that

358

00:16:10,310 --> 00:16:08,959

sends a super chat thank you for your

359

00:16:11,670 --> 00:16:10,320

kindness your generosity and your

360

00:16:12,629 --> 00:16:11,680

support of the show the truth is out

361

00:16:15,269 --> 00:16:12,639

there

362

00:16:16,949 --> 00:16:15,279

uh we appreciate it now uh i want to

363

00:16:18,550 --> 00:16:16,959

make sure let me just check real fast

364

00:16:20,310 --> 00:16:18,560

richard you got to thank everybody

365

00:16:22,310 --> 00:16:20,320

that's throwing money at me so pardon

366

00:16:24,230 --> 00:16:22,320

the interruption no we're good okay so

367

00:16:27,350 --> 00:16:24,240

we're gonna go and i'm gonna share

368

00:16:29,829 --> 00:16:27,360

screen to your actual blog

369

00:16:32,389 --> 00:16:29,839

blog post on this

370

00:16:34,470 --> 00:16:32,399

the bizarre mysterious case of dr david

371

00:16:35,990 --> 00:16:34,480

lewis anderson

372

00:16:38,550 --> 00:16:36,000

yeah and here you have challenge

373

00:16:40,069 --> 00:16:38,560

accepted november 2021 so let's start

374

00:16:41,910 --> 00:16:40,079

there normally

375

00:16:43,749 --> 00:16:41,920

nearly two decades ago

376

00:16:45,990 --> 00:16:43,759

dr david lewis anderson suddenly

377

00:16:49,030 --> 00:16:46,000

appeared publicly claiming he was a

378

00:16:51,110 --> 00:16:49,040

physicist and a time travel insider who

379

00:16:53,829 --> 00:16:51,120

had established what he called a time

380

00:16:56,790 --> 00:16:53,839

warped field theory while being employed

381

00:16:58,790 --> 00:16:56,800

at a young age by the us air force now

382

00:17:01,189 --> 00:16:58,800

you looked into his military claims

383

00:17:02,710 --> 00:17:01,199

right how did that pan out i have i'm

384

00:17:04,549 --> 00:17:02,720

still awaiting response from the

385

00:17:06,069 --> 00:17:04,559

national personnel records center but

386

00:17:09,510 --> 00:17:06,079

due to covet

387

00:17:11,429 --> 00:17:09,520

they're down to 25 percent staff

388

00:17:12,470 --> 00:17:11,439

but i have other ways of finding things

389

00:17:15,669 --> 00:17:12,480

out

390

00:17:19,750 --> 00:17:17,829

but those records will arrive and i and

391

00:17:21,270 --> 00:17:19,760

i'm certain that uh

392

00:17:25,189 --> 00:17:21,280

that they will show

393

00:17:29,190 --> 00:17:27,350

yeah and so he he gained a bit of

394

00:17:30,789 --> 00:17:29,200

notoriety it says here after first

395

00:17:33,590 --> 00:17:30,799

appearing as a guest with the late art

396

00:17:36,230 --> 00:17:33,600

bell on coast to coast am in march 2002

397

00:17:38,390 --> 00:17:36,240

and then again in january 2010

398

00:17:40,150 --> 00:17:38,400

and you know i did preview those

399

00:17:42,070 --> 00:17:40,160

interviews but you're right we might

400

00:17:44,710 --> 00:17:42,080

want to avoid actually playing bits of

401
00:17:46,870 --> 00:17:44,720
them for copyright reasons they're

402
00:17:49,430 --> 00:17:46,880
pretty aggressive the uh the people

403
00:17:50,150 --> 00:17:49,440
whoever owns our bells material exactly

404
00:17:52,549 --> 00:17:50,160
but

405
00:17:53,350 --> 00:17:52,559
in his tell us a little bit about what

406
00:17:57,350 --> 00:17:53,360
he

407
00:17:59,510 --> 00:17:57,360
presentations because i previewed it and

408
00:18:01,110 --> 00:17:59,520
i thought well these are fantastical

409
00:18:03,110 --> 00:18:01,120
claims like the claim that he could

410
00:18:04,870 --> 00:18:03,120
generate some sort of time field that

411
00:18:06,630 --> 00:18:04,880
slowed down time or

412
00:18:09,430 --> 00:18:06,640
sped up time right

413
00:18:13,110 --> 00:18:09,440

not at first and in the first art bell

414

00:18:15,909 --> 00:18:13,120

interview in uh march of 2002

415

00:18:18,150 --> 00:18:15,919

he kind of outlined the basic the basic

416

00:18:20,630 --> 00:18:18,160

things and of course art bell was all

417

00:18:22,470 --> 00:18:20,640

excited about that he anderson told art

418

00:18:25,510 --> 00:18:22,480

bell that he was

419

00:18:27,270 --> 00:18:25,520

uh experiments in time control okay this

420

00:18:28,390 --> 00:18:27,280

is time control this is another term

421

00:18:30,710 --> 00:18:28,400

that he used

422

00:18:32,710 --> 00:18:30,720

at a secure research center located in

423

00:18:34,630 --> 00:18:32,720

long island new york and he was calling

424

00:18:35,990 --> 00:18:34,640

using a satellite phone satellite phone

425

00:18:37,510 --> 00:18:36,000

yeah you got it you got to tell people

426

00:18:39,590 --> 00:18:37,520

you're calling using a satellite phone

427

00:18:42,070 --> 00:18:39,600

that's important right and he also said

428

00:18:44,789 --> 00:18:42,080

that there was a small office maintained

429

00:18:47,669 --> 00:18:44,799

in valley forge pennsylvania and that he

430

00:18:49,909 --> 00:18:47,679

was funding this project himself now he

431

00:18:51,830 --> 00:18:49,919

doesn't go into the project that much he

432

00:18:54,150 --> 00:18:51,840

goes into a lot about this

433

00:18:55,750 --> 00:18:54,160

about this time control

434

00:18:56,950 --> 00:18:55,760

theory with bell

435

00:18:57,750 --> 00:18:56,960

and so

436

00:19:00,549 --> 00:18:57,760

uh

437

00:19:03,029 --> 00:19:00,559

i guess that's what god got art bell so

438

00:19:05,350 --> 00:19:03,039

interested in uh at first

439

00:19:08,549 --> 00:19:05,360

yeah and just just to be clear to our

440

00:19:10,390 --> 00:19:08,559

audience members and and uh to mr cole i

441

00:19:12,390 --> 00:19:10,400

didn't tell you this but i had a friend

442

00:19:14,950 --> 00:19:12,400

of mine with a physics degree listen to

443

00:19:16,150 --> 00:19:14,960

not the first one but the second

444

00:19:18,390 --> 00:19:16,160

claim

445

00:19:20,950 --> 00:19:18,400

the second appearance on art bell and

446

00:19:23,190 --> 00:19:20,960

what my physicist friend told me

447

00:19:25,990 --> 00:19:23,200

he has a physics degree is that if any

448

00:19:30,070 --> 00:19:26,000

of his claims were even remotely

449

00:19:32,070 --> 00:19:30,080

real or possible he would be all over

450

00:19:33,830 --> 00:19:32,080

the news he would be all over scientific

451

00:19:36,390 --> 00:19:33,840

journals he would be in every science

452

00:19:38,549 --> 00:19:36,400

magazine it would be the hugest science

453

00:19:43,029 --> 00:19:38,559

news since einstein

454

00:19:45,510 --> 00:19:43,039

so his his take on this person's claims

455

00:19:47,750 --> 00:19:45,520

is that he's telling fake stories and

456

00:19:49,270 --> 00:19:47,760

that there's no validity to any of his

457

00:19:50,870 --> 00:19:49,280

so-called science

458

00:19:54,070 --> 00:19:50,880

he also told me

459

00:19:57,029 --> 00:19:54,080

um one second here i have a note i have

460

00:20:00,150 --> 00:19:57,039

an email from him he said quote this man

461

00:20:01,750 --> 00:20:00,160

talks in pseudoscience gibberish

462

00:20:04,149 --> 00:20:01,760

i don't believe that he is a real

463

00:20:05,190 --> 00:20:04,159

scientist or has any real physics

464

00:20:08,310 --> 00:20:05,200

knowledge

465

00:20:09,669 --> 00:20:08,320

based on my own education and experience

466

00:20:11,430 --> 00:20:09,679

in physics

467

00:20:14,310 --> 00:20:11,440

he simply does not use the correct

468

00:20:16,470 --> 00:20:14,320

terminology often using made up terms

469

00:20:17,590 --> 00:20:16,480

that i've never heard of and i am a real

470

00:20:20,149 --> 00:20:17,600

physicist

471

00:20:23,430 --> 00:20:20,159

so there you go i mean there's a

472

00:20:26,070 --> 00:20:23,440

resounding no from a real physicist who

473

00:20:27,909 --> 00:20:26,080

listened to his theories

474

00:20:30,950 --> 00:20:27,919

and decided that most of what he was

475

00:20:32,950 --> 00:20:30,960

saying was pseudoscience gibberish right

476

00:20:35,590 --> 00:20:32,960

yeah exactly and

477

00:20:39,350 --> 00:20:35,600

sometime after that uh 2002 interview

478

00:20:43,750 --> 00:20:41,350

anderson claims that he's he was

479

00:20:45,110 --> 00:20:43,760

contacted by fiction writer whitley

480

00:20:47,990 --> 00:20:45,120

strieber

481

00:20:49,830 --> 00:20:48,000

who subsequently contacted art bell

482

00:20:52,870 --> 00:20:49,840

which resulted in the second interview

483

00:20:55,350 --> 00:20:52,880

in january 2010

484

00:20:57,190 --> 00:20:55,360

and by then i think that

485

00:20:58,070 --> 00:20:57,200

art bill knew

486

00:21:00,310 --> 00:20:58,080

uh

487

00:21:02,390 --> 00:21:00,320

yeah you've right here i think art knew

488

00:21:04,630 --> 00:21:02,400

he was a liar but didn't let the facts

489

00:21:06,950 --> 00:21:04,640

get in the way of a good [h__h] story

490

00:21:09,909 --> 00:21:06,960

that's right because in his introduction

491

00:21:12,870 --> 00:21:09,919

of of anderson art bell appeared to

492

00:21:15,270 --> 00:21:12,880

question the validity of anderson's bio

493

00:21:18,230 --> 00:21:15,280

and and the quote is here uh

494

00:21:20,230 --> 00:21:18,240

he's our art said uh this bio just

495

00:21:22,230 --> 00:21:20,240

brings up its own questions

496

00:21:24,630 --> 00:21:22,240

yeah and then again with the phone we're

497

00:21:26,870 --> 00:21:24,640

on a satellite phone what kind of phone

498

00:21:29,590 --> 00:21:26,880

are you on doctor and here's anderson

499

00:21:31,430 --> 00:21:29,600

says uh i'm on a landline uh

500

00:21:32,950 --> 00:21:31,440

but we actually have uh we don't have

501
00:21:36,310 --> 00:21:32,960
landlines in the research center we're

502
00:21:38,070 --> 00:21:36,320
on a satellite connection right now

503
00:21:39,430 --> 00:21:38,080
so he contradicts himself right in that

504
00:21:40,870 --> 00:21:39,440
right in the statement write in the

505
00:21:42,630 --> 00:21:40,880
answer to art belt

506
00:21:45,029 --> 00:21:42,640
yeah and these guys love saying they're

507
00:21:46,870 --> 00:21:45,039
on a secure line or you know it's like

508
00:21:49,590 --> 00:21:46,880
this james bond

509
00:21:52,230 --> 00:21:49,600
you know sort of like uh larping like

510
00:21:54,390 --> 00:21:52,240
live action role play i'm so important

511
00:21:56,149 --> 00:21:54,400
that i can't be on a landline or on a

512
00:21:58,310 --> 00:21:56,159
cell phone i have to be on a secure

513
00:21:59,990 --> 00:21:58,320

satellite for come on man that's going

514

00:22:02,070 --> 00:22:00,000

to come up that's going to come up a

515

00:22:03,830 --> 00:22:02,080

little bit here in the story as well but

516

00:22:06,470 --> 00:22:03,840

you know anderson claimed he was calling

517

00:22:09,510 --> 00:22:06,480

from a secure research facility in new

518

00:22:12,149 --> 00:22:09,520

mexico in 2010 and again

519

00:22:14,470 --> 00:22:12,159

by satellite phone and he told art bell

520

00:22:15,750 --> 00:22:14,480

that his organization had now gone

521

00:22:17,510 --> 00:22:15,760

global

522

00:22:19,750 --> 00:22:17,520

and that he now had scientists in the

523

00:22:22,710 --> 00:22:19,760

laboratories in china japan the middle

524

00:22:25,190 --> 00:22:23,750

yeah and

525

00:22:27,270 --> 00:22:25,200

you found some information about a

526

00:22:28,789 --> 00:22:27,280

separation from the from the air force

527

00:22:30,310 --> 00:22:28,799

can you explain just a little bit about

528

00:22:32,789 --> 00:22:30,320

that we do have a lot to get through

529

00:22:34,549 --> 00:22:32,799

here though okay yeah well briefly

530

00:22:36,870 --> 00:22:34,559

briefly uh

531

00:22:38,870 --> 00:22:36,880

what he talked about with with our bell

532

00:22:43,669 --> 00:22:38,880

was how he left the united states air

533

00:22:45,590 --> 00:22:43,679

force and he said that two weeks prior

534

00:22:47,750 --> 00:22:45,600

he had already packed up his belongings

535

00:22:49,510 --> 00:22:47,760

and shipped them back home

536

00:22:51,510 --> 00:22:49,520

he said he had his going away party was

537

00:22:52,549 --> 00:22:51,520

taken off active duty was waiting for

538

00:22:55,909 --> 00:22:52,559

his flight

539

00:22:58,549 --> 00:22:55,919

and the air force denied his separation

540

00:23:00,950 --> 00:22:58,559

and uh he had completed his contract but

541

00:23:03,190 --> 00:23:00,960

they denied it and he had to appeal to

542

00:23:06,390 --> 00:23:03,200

his west virginia uh state senator uh

543

00:23:08,470 --> 00:23:06,400

john rockefeller uh to intervene and had

544

00:23:10,710 --> 00:23:08,480

a congressional inquiry that lasted

545

00:23:11,510 --> 00:23:10,720

eight to nine months and but here you

546

00:23:14,070 --> 00:23:11,520

know

547

00:23:15,909 --> 00:23:14,080

the use of the term shipped

548

00:23:16,789 --> 00:23:15,919

or not moved is

549

00:23:18,789 --> 00:23:16,799

is

550

00:23:20,310 --> 00:23:18,799

normally used by personnel who serve

551
00:23:24,230 --> 00:23:20,320
duty outside

552
00:23:25,909 --> 00:23:24,240
the continental united states overseas

553
00:23:27,029 --> 00:23:25,919
and uh

554
00:23:28,950 --> 00:23:27,039
and if

555
00:23:32,310 --> 00:23:28,960
anderson graduated

556
00:23:35,510 --> 00:23:32,320
uh december 28 1983 from west virginia

557
00:23:38,789 --> 00:23:35,520
university he was in rotc

558
00:23:40,789 --> 00:23:38,799
so he immediately would have would have

559
00:23:43,029 --> 00:23:40,799
been commissioned a second lieutenant in

560
00:23:44,870 --> 00:23:43,039
the air force

561
00:23:47,029 --> 00:23:44,880
with a contract uh

562
00:23:48,950 --> 00:23:47,039
a commitment for four years so his

563
00:23:51,269 --> 00:23:48,960

contract would have been completed in

564

00:23:52,950 --> 00:23:51,279

january 1987

565

00:23:55,350 --> 00:23:52,960

and he would have been recently promoted

566

00:23:57,669 --> 00:23:55,360

to captain having met those requirements

567

00:23:59,909 --> 00:23:57,679

and that and that coincides with the one

568

00:24:02,310 --> 00:23:59,919

photograph in uniform that he has

569

00:24:04,789 --> 00:24:02,320

produced publicly but there's two things

570

00:24:08,549 --> 00:24:04,799

very wrong with that the military does

571

00:24:10,230 --> 00:24:08,559

not approve an officer's resignation

572

00:24:12,310 --> 00:24:10,240

or you know

573

00:24:14,390 --> 00:24:12,320

remove him from active duty status and

574

00:24:16,549 --> 00:24:14,400

process him to leave his command and

575

00:24:18,950 --> 00:24:16,559

suddenly deny the separation it just

576

00:24:21,350 --> 00:24:18,960

doesn't happen and if you add eight to

577

00:24:23,669 --> 00:24:21,360

nine months that he that he says he was

578

00:24:24,870 --> 00:24:23,679

kept leaving the united states air force

579

00:24:28,310 --> 00:24:24,880

that would be

580

00:24:29,990 --> 00:24:28,320

october 1987 and this is a lie because i

581

00:24:33,029 --> 00:24:30,000

know that he got married in the united

582

00:24:34,789 --> 00:24:33,039

states in february 1987.

583

00:24:36,710 --> 00:24:34,799

yeah so maybe he just embellished trying

584

00:24:39,269 --> 00:24:36,720

to make a bigger story out of his

585

00:24:42,070 --> 00:24:39,279

separation and from the air force that's

586

00:24:44,310 --> 00:24:42,080

right that that the intention there

587

00:24:46,149 --> 00:24:44,320

was that he had some kind of secret

588

00:24:48,390 --> 00:24:46,159

stuff and the air force wasn't going to

589

00:24:50,470 --> 00:24:48,400

let him leave or resign his commission

590

00:24:52,630 --> 00:24:50,480

because they weren't so just part of the

591

00:24:54,470 --> 00:24:52,640

gifts right that's it

592

00:24:56,390 --> 00:24:54,480

and then on our bell show he got

593

00:24:58,390 --> 00:24:56,400

confronted by a caller who just so

594

00:25:00,789 --> 00:24:58,400

happened to be a phd candidate in

595

00:25:03,029 --> 00:25:00,799

physics at least that's what she said

596

00:25:05,269 --> 00:25:03,039

this is great so she asked anderson

597

00:25:08,230 --> 00:25:05,279

perry astute physics questions that

598

00:25:10,310 --> 00:25:08,240

involve some differential calculus dr

599

00:25:13,430 --> 00:25:10,320

anderson stuttered sputtered and fell

600

00:25:15,669 --> 00:25:13,440

flat on his face almost but art rescued

601
00:25:18,870 --> 00:25:15,679
him by cutting in into the answer yeah

602
00:25:20,710 --> 00:25:18,880
art is prone to do that or was uh but

603
00:25:22,390 --> 00:25:20,720
god bless art bell i grew up listening

604
00:25:24,310 --> 00:25:22,400
to him he's the reason that he's one of

605
00:25:25,269 --> 00:25:24,320
the big reasons i'm here where i am

606
00:25:27,430 --> 00:25:25,279
today

607
00:25:28,789 --> 00:25:27,440
uh anderson obviously has some technical

608
00:25:31,430 --> 00:25:28,799
background otherwise he wouldn't have

609
00:25:34,549 --> 00:25:31,440
been offered a vp with bosh but he isn't

610
00:25:35,430 --> 00:25:34,559
a phd in physics that's what was said

611
00:25:37,510 --> 00:25:35,440
right

612
00:25:39,590 --> 00:25:37,520
and and he has a curious history of

613
00:25:41,590 --> 00:25:39,600

moving a lot right

614

00:25:43,590 --> 00:25:41,600

a little bit about that well after he

615

00:25:46,549 --> 00:25:43,600

resigned his commission and left the air

616

00:25:49,350 --> 00:25:46,559

force in early 1987

617

00:25:50,310 --> 00:25:49,360

um he settled in a new in the northeast

618

00:25:52,630 --> 00:25:50,320

this is

619

00:25:54,549 --> 00:25:52,640

from my background reports that that i

620

00:25:56,549 --> 00:25:54,559

could gather because they showed

621

00:25:59,350 --> 00:25:56,559

addresses in pennsylvania

622

00:26:00,630 --> 00:25:59,360

in the late 80s early mid early to mid

623

00:26:02,870 --> 00:26:00,640

90s

624

00:26:05,669 --> 00:26:02,880

and then he appears in upstate new york

625

00:26:07,430 --> 00:26:05,679

in about 1998

626

00:26:09,029 --> 00:26:07,440

and around that time he created a

627

00:26:12,230 --> 00:26:09,039

charity called the world genesis

628

00:26:15,029 --> 00:26:12,240

foundation in rochester new york

629

00:26:16,149 --> 00:26:15,039

uh and at one point he had peeled po

630

00:26:18,789 --> 00:26:16,159

boxes

631

00:26:20,149 --> 00:26:18,799

addresses in both rochester and long

632

00:26:23,269 --> 00:26:20,159

island

633

00:26:26,870 --> 00:26:23,279

but at some point he moves in

634

00:26:28,549 --> 00:26:26,880

like the mid to late 2000s all of a

635

00:26:30,630 --> 00:26:28,559

sudden he appears in the midwest in

636

00:26:32,470 --> 00:26:30,640

arizona and new mexico

637

00:26:33,830 --> 00:26:32,480

and and at that point

638

00:26:34,710 --> 00:26:33,840

he appears to

639

00:26:37,110 --> 00:26:34,720

move

640

00:26:39,750 --> 00:26:37,120

from one place to another every one to

641

00:26:41,110 --> 00:26:39,760

two years and since uh right up until

642

00:26:44,230 --> 00:26:41,120

now

643

00:26:46,630 --> 00:26:44,240

yeah that that might not be an indicator

644

00:26:49,430 --> 00:26:46,640

of anything suspicious but it is worthy

645

00:26:51,510 --> 00:26:49,440

of noting it's a pattern it's a pattern

646

00:26:53,750 --> 00:26:51,520

yeah he moves around a lot and then we

647

00:26:54,870 --> 00:26:53,760

get into the documentary scam that you

648

00:26:57,590 --> 00:26:54,880

found

649

00:26:59,590 --> 00:26:57,600

let's get into that because this is good

650

00:27:02,149 --> 00:26:59,600

right he he started selling a

651
00:27:03,750 --> 00:27:02,159
documentary on amazon but then

652
00:27:05,990 --> 00:27:03,760
he didn't actually

653
00:27:09,110 --> 00:27:06,000
deliver anything he just kept all the

654
00:27:11,269 --> 00:27:09,120
money right is that how this went

655
00:27:13,350 --> 00:27:11,279
well i'm not i'm not sure about that but

656
00:27:15,909 --> 00:27:13,360
this is the same documentary that he

657
00:27:18,070 --> 00:27:15,919
mentioned the art bell in 2010

658
00:27:20,549 --> 00:27:18,080
and of course it's no longer for sale it

659
00:27:22,870 --> 00:27:20,559
hasn't been for many years but and so i

660
00:27:25,269 --> 00:27:22,880
did a search on the wayback machine just

661
00:27:27,830 --> 00:27:25,279
to find out what he was charging for it

662
00:27:29,990 --> 00:27:27,840
and i found a screen capture from 2012

663
00:27:31,830 --> 00:27:30,000

that showed uh he was selling it for

664

00:27:33,510 --> 00:27:31,840

22.95

665

00:27:36,389 --> 00:27:33,520

and the thing about this is that there

666

00:27:39,269 --> 00:27:36,399

are there are two versions of this one

667

00:27:41,190 --> 00:27:39,279

was an audio cd and the other one was

668

00:27:42,149 --> 00:27:41,200

the actual video

669

00:27:46,630 --> 00:27:42,159

uh

670

00:27:47,750 --> 00:27:46,640

you just played from at the beginning

671

00:27:49,510 --> 00:27:47,760

right

672

00:27:52,870 --> 00:27:49,520

but

673

00:27:53,590 --> 00:27:52,880

he has one review on amazon and

674

00:27:56,149 --> 00:27:53,600

yeah

675

00:27:57,590 --> 00:27:56,159

bad rating let me read this the impetus

676

00:27:59,510 --> 00:27:57,600

of this purchase was a two-hour

677

00:28:01,990 --> 00:27:59,520

interview on coast to coast am so he

678

00:28:03,909 --> 00:28:02,000

basically stole his interview from art

679

00:28:06,549 --> 00:28:03,919

bell and put on a cd and sold it on

680

00:28:07,990 --> 00:28:06,559

amazon that's great sadly i thought i

681

00:28:11,190 --> 00:28:08,000

was getting a book on the subject when

682

00:28:12,950 --> 00:28:11,200

in fact it was a 53 minute audio cd

683

00:28:15,110 --> 00:28:12,960

so it's not a documentary it's an audio

684

00:28:16,789 --> 00:28:15,120

cd also i learned more on the subject on

685

00:28:19,029 --> 00:28:16,799

the radio show than on the cd it was

686

00:28:20,630 --> 00:28:19,039

like an intro to a college course a lot

687

00:28:22,230 --> 00:28:20,640

of generalities no

688

00:28:24,389 --> 00:28:22,240

substantial

689

00:28:25,909 --> 00:28:24,399

substantive science which is what i

690

00:28:27,830 --> 00:28:25,919

expected for the price

691

00:28:29,510 --> 00:28:27,840

i also found it curious that the author

692

00:28:31,269 --> 00:28:29,520

milked his air force experience for all

693

00:28:34,310 --> 00:28:31,279

it was worth relating several years of

694

00:28:35,909 --> 00:28:34,320

his secretive work at edwards air force

695

00:28:38,630 --> 00:28:35,919

base where you know that's where they

696

00:28:40,789 --> 00:28:38,640

keep the aliens mr cole so

697

00:28:43,510 --> 00:28:40,799

and uh whatever he used a year's old

698

00:28:45,830 --> 00:28:43,520

photo in the air force blues dress as

699

00:28:47,669 --> 00:28:45,840

his jacket cover all in all he was a

700

00:28:49,750 --> 00:28:47,679

good salesman but delivered little

701
00:28:51,350 --> 00:28:49,760
science maybe there's more to come but i

702
00:28:53,990 --> 00:28:51,360
won't hold my breath and i'll surely

703
00:28:56,630 --> 00:28:54,000
check out a library copy first before i

704
00:28:58,389 --> 00:28:56,640
pay again yeah

705
00:29:00,669 --> 00:28:58,399
yeah so the video is still out there i

706
00:29:02,789 --> 00:29:00,679
found a copy of it it has

707
00:29:04,710 --> 00:29:02,799
117 views

708
00:29:06,070 --> 00:29:04,720
and uh but the thing about that was that

709
00:29:11,350 --> 00:29:06,080
uh

710
00:29:12,870 --> 00:29:11,360
yeah he's selling addiction he's selling

711
00:29:14,950 --> 00:29:12,880
a documentary and people think they're

712
00:29:17,029 --> 00:29:14,960
getting a film and here's what people

713
00:29:18,950 --> 00:29:17,039

said right many people have complained

714

00:29:21,830 --> 00:29:18,960

that the cd was a scam many received

715

00:29:24,070 --> 00:29:21,840

only an unwrapped cd case and no cd some

716

00:29:26,470 --> 00:29:24,080

said the cd contained only audio partial

717

00:29:28,950 --> 00:29:26,480

video or no video at all so his

718

00:29:32,070 --> 00:29:28,960

documentary was a big scam or a bust

719

00:29:34,950 --> 00:29:32,080

right he didn't really deliver exactly

720

00:29:36,549 --> 00:29:34,960

yeah and and you uh noted that similar

721

00:29:39,110 --> 00:29:36,559

time travel claims have been made by

722

00:29:42,549 --> 00:29:39,120

john teeter and andrew bashago

723

00:29:44,470 --> 00:29:42,559

right right yep and in 2010 anderson

724

00:29:45,669 --> 00:29:44,480

inexplicitly disappeared once again

725

00:29:47,590 --> 00:29:45,679

leaving the world of internet and

726

00:29:50,149 --> 00:29:47,600

conspiracy theorists with only a rumor

727

00:29:52,230 --> 00:29:50,159

in speculation as time moved on

728

00:29:54,549 --> 00:29:52,240

some have even speculated that anderson

729

00:29:57,029 --> 00:29:54,559

was a fictional character in the 2002

730

00:29:58,549 --> 00:29:57,039

book aung's hat the beginning by joseph

731

00:30:00,789 --> 00:29:58,559

mahoney and peter moon which later

732

00:30:02,789 --> 00:30:00,799

became an internet reality game

733

00:30:04,549 --> 00:30:02,799

aung's hat to this day he has not

734

00:30:05,430 --> 00:30:04,559

appeared publicly and never published

735

00:30:07,190 --> 00:30:05,440

anything

736

00:30:09,430 --> 00:30:07,200

his previous company

737

00:30:11,669 --> 00:30:09,440

companies research videos and websites

738

00:30:14,149 --> 00:30:11,679

have gradually disappeared and his true

739

00:30:17,350 --> 00:30:14,159

whereabouts remain unknown maybe he

740

00:30:19,669 --> 00:30:17,360

maybe mr cole maybe he time traveled and

741

00:30:23,350 --> 00:30:19,679

that's why he's not in our timeline

742

00:30:26,070 --> 00:30:23,360

right i don't think so

743

00:30:28,070 --> 00:30:26,080

and you give a detailed report on his on

744

00:30:29,430 --> 00:30:28,080

his actual uh

745

00:30:31,590 --> 00:30:29,440

his actual

746

00:30:33,909 --> 00:30:31,600

air force service and not to take

747

00:30:35,750 --> 00:30:33,919

anything away from him mr cole but it

748

00:30:37,510 --> 00:30:35,760

seems like a lot of these scammers use

749

00:30:39,350 --> 00:30:37,520

the fact that they were in the military

750

00:30:41,350 --> 00:30:39,360

as part of their back story right they

751
00:30:43,590 --> 00:30:41,360
always claim things they never did like

752
00:30:44,389 --> 00:30:43,600
work on secret projects and

753
00:30:46,950 --> 00:30:44,399
right

754
00:30:49,510 --> 00:30:46,960
my experience with this has been

755
00:30:50,630 --> 00:30:49,520
initially is to track down military

756
00:30:51,830 --> 00:30:50,640
phonies

757
00:30:53,669 --> 00:30:51,840
and

758
00:30:56,070 --> 00:30:53,679
see what i can get about their records i

759
00:30:57,669 --> 00:30:56,080
mean that's that's what what i've been

760
00:30:59,430 --> 00:30:57,679
most experienced in

761
00:31:01,990 --> 00:30:59,440
uh for the for the past eight years and

762
00:31:04,630 --> 00:31:02,000
i've done a few randy kramer was one

763
00:31:06,630 --> 00:31:04,640

douglas dietrich was one they're yeah

764

00:31:08,710 --> 00:31:06,640

we're gonna have you back for that guy

765

00:31:11,190 --> 00:31:08,720

and then yeah and many other that guy

766

00:31:12,950 --> 00:31:11,200

would take like four shows mr cole he's

767

00:31:15,110 --> 00:31:12,960

really full of it doesn't it isn't

768

00:31:17,430 --> 00:31:15,120

douglas dietrich the latest as he claims

769

00:31:18,389 --> 00:31:17,440

he's like an illegitimate son of hitler

770

00:31:20,470 --> 00:31:18,399

or something

771

00:31:22,470 --> 00:31:20,480

that's right

772

00:31:24,950 --> 00:31:22,480

oh god i love it

773

00:31:25,990 --> 00:31:24,960

all right so we get to his bio and i

774

00:31:27,590 --> 00:31:26,000

don't want to read this whole thing like

775

00:31:29,350 --> 00:31:27,600

i said we have a lot to cover but the

776

00:31:30,870 --> 00:31:29,360

important part is in his bio he says

777

00:31:33,750 --> 00:31:30,880

he's a physicist

778

00:31:35,509 --> 00:31:33,760

right so let's get to the education and

779

00:31:37,350 --> 00:31:35,519

and i'll just ask you straight out a

780

00:31:40,070 --> 00:31:37,360

question i'm pretty sure i already know

781

00:31:42,549 --> 00:31:40,080

the answer to is he really a physicist

782

00:31:45,190 --> 00:31:42,559

or a scientist based on his educational

783

00:31:47,269 --> 00:31:45,200

backgrounds that you have looked into he

784

00:31:49,669 --> 00:31:47,279

has not i contacted the office of the

785

00:31:52,470 --> 00:31:49,679

registrar at west virginia university

786

00:31:56,950 --> 00:31:54,950

he earned a bs in electrical engineering

787

00:31:59,190 --> 00:31:56,960

in december 1983.

788

00:32:00,789 --> 00:31:59,200

he has no other degrees

789

00:32:03,509 --> 00:32:00,799

okay so that

790

00:32:06,630 --> 00:32:03,519

and and he did claim to have a phd right

791

00:32:09,029 --> 00:32:06,640

and a doctor or a doctorate at one point

792

00:32:11,509 --> 00:32:09,039

he claims to have undergraduate graduate

793

00:32:14,230 --> 00:32:11,519

and a doctorate in engineering physics

794

00:32:16,870 --> 00:32:14,240

and philosophy from four colleges but

795

00:32:19,190 --> 00:32:16,880

his bio doesn't clearly or individually

796

00:32:21,110 --> 00:32:19,200

connect each institution with a specific

797

00:32:22,630 --> 00:32:21,120

degree and he and he also leaves the

798

00:32:24,549 --> 00:32:22,640

room okay but did you check either did

799

00:32:25,830 --> 00:32:24,559

you check for any degrees with each of

800

00:32:27,830 --> 00:32:25,840

these places

801
00:32:29,509 --> 00:32:27,840
western virginia university california

802
00:32:31,190 --> 00:32:29,519
state university is a joint military

803
00:32:33,110 --> 00:32:31,200
college in the university of minnesota

804
00:32:36,149 --> 00:32:33,120
that doesn't exist the joint military

805
00:32:39,509 --> 00:32:36,159
college doesn't exist and i contacted

806
00:32:42,070 --> 00:32:39,519
busted i contacted california state and

807
00:32:43,029 --> 00:32:42,080
uh and the university of uh what was it

808
00:32:45,029 --> 00:32:43,039
uh

809
00:32:47,029 --> 00:32:45,039
the university of minnesota yeah and

810
00:32:49,190 --> 00:32:47,039
they they both deny that he ever

811
00:32:50,950 --> 00:32:49,200
attended or received a degree

812
00:32:52,149 --> 00:32:50,960
so here we have a guy claiming to be a

813
00:32:55,029 --> 00:32:52,159

physicist

814

00:32:56,389 --> 00:32:55,039
with degrees from let's see one

815

00:32:58,789 --> 00:32:56,399
two three

816

00:33:01,269 --> 00:32:58,799
four five different educational

817

00:33:02,789 --> 00:33:01,279
institutions and he really only has

818

00:33:05,029 --> 00:33:02,799
a bachelor's degree in electrical

819

00:33:06,870 --> 00:33:05,039
engineering

820

00:33:08,870 --> 00:33:06,880
so he's not a scientist he's certainly

821

00:33:10,950 --> 00:33:08,880
not a physicist right that's right he's

822

00:33:13,350 --> 00:33:10,960
an electrical engineer i mean what just

823

00:33:15,430 --> 00:33:13,360
to be clear though what do you think the

824

00:33:17,509 --> 00:33:15,440
if you get a bachelor of science in

825

00:33:19,669 --> 00:33:17,519
physics does that make you a physicist i

826

00:33:21,909 --> 00:33:19,679

think i would think maybe right

827

00:33:23,750 --> 00:33:21,919

probably i don't know probably right but

828

00:33:26,070 --> 00:33:23,760

most people would expect a physicist to

829

00:33:28,470 --> 00:33:26,080

have at least a master's i would think i

830

00:33:30,070 --> 00:33:28,480

do i would think but you also have to

831

00:33:32,149 --> 00:33:30,080

consider the time

832

00:33:33,909 --> 00:33:32,159

if if he's claiming all this you have to

833

00:33:36,310 --> 00:33:33,919

consider the time it would take to get

834

00:33:37,990 --> 00:33:36,320

an undergraduate four-year degree and

835

00:33:40,230 --> 00:33:38,000

then you don't really need a master's

836

00:33:43,110 --> 00:33:40,240

for a phd i guess i mean that's what

837

00:33:45,909 --> 00:33:43,120

people tell me but i mean to get a phd

838

00:33:48,149 --> 00:33:45,919

is another five so add up all the time

839

00:33:49,590 --> 00:33:48,159

you know and you'll get somewhere around

840

00:33:51,029 --> 00:33:49,600

15 years

841

00:33:53,430 --> 00:33:51,039

of education

842

00:33:54,549 --> 00:33:53,440

right yeah so he skipped he skipped you

843

00:33:56,389 --> 00:33:54,559

know

844

00:33:58,710 --> 00:33:56,399

he skipped like 12 years of the

845

00:34:00,950 --> 00:33:58,720

education he claimed but i don't know

846

00:34:03,430 --> 00:34:00,960

about you mr cole but i always find that

847

00:34:06,070 --> 00:34:03,440

this is a very common trait among these

848

00:34:09,190 --> 00:34:06,080

scammers they always pump up their you

849

00:34:11,270 --> 00:34:09,200

know education like pretending so he's a

850

00:34:13,109 --> 00:34:11,280

fake doctor

851

00:34:15,030 --> 00:34:13,119

he calls himself a doctor he's only got

852

00:34:17,909 --> 00:34:15,040

a bachelor's degree you're not a doctor

853

00:34:20,470 --> 00:34:17,919

right that's right so there's so many

854

00:34:21,829 --> 00:34:20,480

fake doctors in conspiracy land

855

00:34:23,510 --> 00:34:21,839

most of them though they get their

856

00:34:25,430 --> 00:34:23,520

doctorate from one of those places you

857

00:34:27,510 --> 00:34:25,440

just order it from right so you can hang

858

00:34:29,510 --> 00:34:27,520

it on the wall and pull your stupid

859

00:34:31,750 --> 00:34:29,520

friends with it you know like look i'm a

860

00:34:34,149 --> 00:34:31,760

doctor

861

00:34:36,629 --> 00:34:34,159

well most people would never do that so

862

00:34:39,190 --> 00:34:36,639

tell us about his uh company which is

863

00:34:41,589 --> 00:34:39,200

called world genesis foundation

864

00:34:44,069 --> 00:34:41,599

oh this we got to get into

865

00:34:46,950 --> 00:34:44,079

world genesis foundation who's missing

866

00:34:49,030 --> 00:34:46,960

it is to leave no child without hope for

867

00:34:50,869 --> 00:34:49,040

the future that's right and it seems

868

00:34:52,790 --> 00:34:50,879

kind of odd that

869

00:34:53,510 --> 00:34:52,800

a person claiming to be

870

00:35:02,470 --> 00:34:53,520

an

871

00:35:04,950 --> 00:35:02,480

involving children

872

00:35:07,030 --> 00:35:04,960

yeah that is uh but isn't there

873

00:35:08,550 --> 00:35:07,040

isn't there a reason uh that we

874

00:35:12,310 --> 00:35:08,560

discussed this off here but we got to

875

00:35:14,829 --> 00:35:12,320

get into this so he he creates uh is it

876

00:35:18,950 --> 00:35:14,839

his charity this world genesis

877

00:35:22,150 --> 00:35:18,960

foundation in uh 1999 and 2000 when he

878

00:35:25,750 --> 00:35:22,160

had his po box uh address in rochester

879

00:35:27,109 --> 00:35:25,760

new york he creates this 501c3

880

00:35:29,510 --> 00:35:27,119

uh charity

881

00:35:32,069 --> 00:35:29,520

the world genesis foundation with the

882

00:35:35,109 --> 00:35:32,079

with the you know with the statement to

883

00:35:37,430 --> 00:35:35,119

leave uh no child uh without hope for

884

00:35:39,829 --> 00:35:37,440

the future okay

885

00:35:41,829 --> 00:35:39,839

yes and there's a big problem with his

886

00:35:43,990 --> 00:35:41,839

slogan isn't there

887

00:35:45,349 --> 00:35:44,000

there is and let me just hit this

888

00:35:47,109 --> 00:35:45,359

because

889

00:35:48,230 --> 00:35:47,119

as far as his education and everything

890

00:35:51,910 --> 00:35:48,240

goes

891

00:35:55,430 --> 00:35:51,920

i came across a comment by someone

892

00:35:58,790 --> 00:35:55,440

to a 2012 blog post about anderson

893

00:36:01,910 --> 00:35:58,800

and this person wrote david anderson is

894

00:36:03,589 --> 00:36:01,920

a total and complete fraud all caps i

895

00:36:05,430 --> 00:36:03,599

have known him since his undergraduate

896

00:36:07,990 --> 00:36:05,440

days at west virginia university where

897

00:36:11,030 --> 00:36:08,000

he studied electrical engineering he has

898

00:36:13,190 --> 00:36:11,040

no phd and is no physicist

899

00:36:16,470 --> 00:36:13,200

check his academic credentials outside

900

00:36:19,190 --> 00:36:16,480

wvu they don't exist if you really want

901
00:36:22,390 --> 00:36:19,200
to understand his hoax

902
00:36:25,270 --> 00:36:22,400
you must first understand sociopaths

903
00:36:27,910 --> 00:36:25,280
david is a card-carrying sociopath do

904
00:36:29,990 --> 00:36:27,920
not give him money or your trust

905
00:36:31,109 --> 00:36:30,000
if anyone doubts these assertions call

906
00:36:33,349 --> 00:36:31,119
me

907
00:36:34,550 --> 00:36:33,359
you know and i redacted his phone number

908
00:36:35,589 --> 00:36:34,560
and

909
00:36:36,870 --> 00:36:35,599
he is now

910
00:36:39,589 --> 00:36:36,880
richard cole

911
00:36:42,630 --> 00:36:39,599
contacted that person right yes i did on

912
00:36:44,069 --> 00:36:42,640
the evening of december 29th 2021

913
00:36:45,910 --> 00:36:44,079

regarding the person

914

00:36:48,230 --> 00:36:45,920

that person had some interesting things

915

00:36:50,710 --> 00:36:48,240

to tell you about his slogan for his

916

00:36:51,829 --> 00:36:50,720

charity leave no child without hope for

917

00:36:52,950 --> 00:36:51,839

the future

918

00:36:55,990 --> 00:36:52,960

what was it

919

00:36:58,550 --> 00:36:56,000

why is it so funny that his charity's

920

00:37:00,630 --> 00:36:58,560

slogan is leave no child without hope

921

00:37:01,510 --> 00:37:00,640

for the future well it's not funny

922

00:37:03,990 --> 00:37:01,520

because

923

00:37:06,310 --> 00:37:04,000

it's not funny but it's tragic but it's

924

00:37:09,109 --> 00:37:06,320

it's hypocritical and it shows what kind

925

00:37:11,670 --> 00:37:09,119

of person this guy is looking for his

926

00:37:13,190 --> 00:37:11,680

charity the slogan for his charity says

927

00:37:16,230 --> 00:37:13,200

leave no child without hope for the

928

00:37:17,829 --> 00:37:16,240

future now why is that a problem mr cole

929

00:37:20,550 --> 00:37:17,839

because my source is the former

930

00:37:23,190 --> 00:37:20,560

brother-in-law of david anderson

931

00:37:25,589 --> 00:37:23,200

and uh and

932

00:37:28,470 --> 00:37:25,599

and he revealed to me he vouched for his

933

00:37:30,390 --> 00:37:28,480

education and and you know

934

00:37:31,750 --> 00:37:30,400

being in the united states air force and

935

00:37:33,349 --> 00:37:31,760

etc

936

00:37:36,069 --> 00:37:33,359

but he disclosed to me that after

937

00:37:39,030 --> 00:37:36,079

leaving the the air force in 1987

938

00:37:41,349 --> 00:37:39,040

anderson married his sister

939

00:37:43,349 --> 00:37:41,359

and my source accuses david anderson of

940

00:37:44,310 --> 00:37:43,359

later abandoning his wife and two

941

00:37:48,069 --> 00:37:44,320

children

942

00:37:50,390 --> 00:37:48,079

girls ages four and six in 1994

943

00:37:52,069 --> 00:37:50,400

never to be seen or heard from again

944

00:37:54,310 --> 00:37:52,079

great so he's

945

00:37:56,310 --> 00:37:54,320

here we have a fake doctor with a fake

946

00:37:58,870 --> 00:37:56,320

education who's not a physicist he

947

00:38:00,069 --> 00:37:58,880

starts a charity named world genesis

948

00:38:02,310 --> 00:38:00,079

foundation

949

00:38:04,310 --> 00:38:02,320

and the slogan is leave no child without

950

00:38:06,710 --> 00:38:04,320

hope for the future and this man

951
00:38:09,910 --> 00:38:06,720
abandoned his own wife and children

952
00:38:11,829 --> 00:38:09,920
allegedly right yeah allegedly well it's

953
00:38:14,069 --> 00:38:11,839
a good source though i i would think

954
00:38:16,230 --> 00:38:14,079
that that's just a former brother-in-law

955
00:38:18,710 --> 00:38:16,240
yeah yeah he knows he knows he knows

956
00:38:21,270 --> 00:38:18,720
it's a direct relative yeah direct

957
00:38:23,190 --> 00:38:21,280
direct relative sure so he's got a

958
00:38:24,870 --> 00:38:23,200
charity leave no child without hope for

959
00:38:27,349 --> 00:38:24,880
the future and he abandoned his own

960
00:38:29,510 --> 00:38:27,359
children and wife must be a great guy

961
00:38:30,630 --> 00:38:29,520
now i don't know if that's some kind of

962
00:38:32,390 --> 00:38:30,640
sick

963
00:38:34,950 --> 00:38:32,400

attempt at redemption

964

00:38:36,950 --> 00:38:34,960

or the the act of a sociopath as my

965

00:38:39,589 --> 00:38:36,960

source described

966

00:38:42,069 --> 00:38:39,599

yeah so let's get into his company uh

967

00:38:43,910 --> 00:38:42,079

this anderson institute i'll read this

968

00:38:46,069 --> 00:38:43,920

the anderson institute claims to be a

969

00:38:47,750 --> 00:38:46,079

premier high technology research

970

00:38:49,270 --> 00:38:47,760

institution delivering scientific and

971

00:38:51,589 --> 00:38:49,280

engineering solutions for the most

972

00:38:54,150 --> 00:38:51,599

crucial and complex problems in

973

00:38:57,589 --> 00:38:54,160

space-time physics our primary mission

974

00:38:59,910 --> 00:38:57,599

is the development of time-warped field

975

00:39:02,069 --> 00:38:59,920

theory its application and ensuring the

976
00:39:06,310 --> 00:39:02,079
ongoing development of time reactor

977
00:39:09,270 --> 00:39:06,320
system design concepts and capabilities

978
00:39:11,349 --> 00:39:09,280
so he found that his in 1990 the concept

979
00:39:13,190 --> 00:39:11,359
here is that we can change warp time

980
00:39:17,190 --> 00:39:13,200
anderson also claims the government can

981
00:39:21,670 --> 00:39:19,270
and his website has not been updated

982
00:39:23,589 --> 00:39:21,680
since 2012 it's still there though

983
00:39:25,910 --> 00:39:23,599
and you mentioned i can't find any

984
00:39:27,829 --> 00:39:25,920
mention of dr anderson since then on the

985
00:39:29,510 --> 00:39:27,839
internet our guess is that his time

986
00:39:30,950 --> 00:39:29,520
machine worked and that he left us for a

987
00:39:33,670 --> 00:39:30,960
while

988
00:39:35,589 --> 00:39:33,680

uh time travel falls into pseudoscience

989

00:39:38,710 --> 00:39:35,599

category and the government cover-up is

990

00:39:45,829 --> 00:39:38,720

a conspiracy that was from dr van

991

00:39:49,270 --> 00:39:47,270

so

992

00:39:51,750 --> 00:39:49,280

his website's going to expire in july

993

00:39:53,430 --> 00:39:51,760

2022 right

994

00:39:54,790 --> 00:39:53,440

that's right

995

00:39:57,270 --> 00:39:54,800

there's the website

996

00:39:59,750 --> 00:39:57,280

that website domain has not been updated

997

00:40:01,510 --> 00:39:59,760

since 2012 and expires uh this coming

998

00:40:02,950 --> 00:40:01,520

july

999

00:40:04,790 --> 00:40:02,960

yeah so you mentioned on his uh

1000

00:40:06,390 --> 00:40:04,800

education and known prerequisite for

1001
00:40:08,150 --> 00:40:06,400
officer commission in the air force's

1002
00:40:10,550 --> 00:40:08,160
four-year college degree anderson claims

1003
00:40:13,030 --> 00:40:10,560
to have undergraduate graduate and a

1004
00:40:15,270 --> 00:40:13,040
doctorate phd in engineering physics and

1005
00:40:17,910 --> 00:40:15,280
philosophy from four colleges but

1006
00:40:20,150 --> 00:40:17,920
strangely his bio does not clearly or

1007
00:40:21,670 --> 00:40:20,160
individually connect each institution so

1008
00:40:24,790 --> 00:40:21,680
he has one degree in electrical

1009
00:40:27,190 --> 00:40:24,800
engineering the rest of it was lies

1010
00:40:29,430 --> 00:40:27,200
he also leads the reader to believe that

1011
00:40:31,510 --> 00:40:29,440
he graduated with honors from all four

1012
00:40:33,510 --> 00:40:31,520
well hey if you're gonna pretend that

1013
00:40:34,790 --> 00:40:33,520

you graduated from three extra colleges

1014

00:40:37,109 --> 00:40:34,800

you might as well pretend that you're

1015

00:40:38,870 --> 00:40:37,119

graduating with honors exactly and you

1016

00:40:41,030 --> 00:40:38,880

were never able to find a published

1017

00:40:42,950 --> 00:40:41,040

doctoral thesis and everybody knows that

1018

00:40:45,349 --> 00:40:42,960

if you're really a doctor you would have

1019

00:40:47,030 --> 00:40:45,359

a published thesis right

1020

00:40:48,790 --> 00:40:47,040

so we went

1021

00:40:52,470 --> 00:40:48,800

or you could obtain it from the college

1022

00:40:53,510 --> 00:40:52,480

that he took his phd from

1023

00:40:57,430 --> 00:40:53,520

yeah

1024

00:40:59,589 --> 00:40:57,440

stuff leave no child without hope for

1025

00:41:01,990 --> 00:40:59,599

the future yeah

1026

00:41:04,630 --> 00:41:02,000

yeah that's great so leave no child

1027

00:41:06,309 --> 00:41:04,640

behind except your own that you abandon

1028

00:41:08,069 --> 00:41:06,319

i bet you his old wife is still looking

1029

00:41:10,390 --> 00:41:08,079

for child support payments or something

1030

00:41:14,790 --> 00:41:12,790

uh i i don't i don't think so stephen

1031

00:41:17,910 --> 00:41:14,800

because uh it's been a long time the

1032

00:41:20,309 --> 00:41:17,920

family has has uh moved on from this

1033

00:41:22,309 --> 00:41:20,319

this is why i make so such an effort to

1034

00:41:23,990 --> 00:41:22,319

uh protect my source

1035

00:41:25,670 --> 00:41:24,000

uh

1036

00:41:28,230 --> 00:41:25,680

you know sure and you have here that he

1037

00:41:31,030 --> 00:41:28,240

was likely stationed in guam or

1038

00:41:33,829 --> 00:41:31,040

well that's because the source mentioned

1039

00:41:37,349 --> 00:41:33,839

and this is interesting isn't it because

1040

00:41:39,910 --> 00:41:37,359

the source mentions that uh

1041

00:41:42,069 --> 00:41:39,920

he was stationed at anderson air force

1042

00:41:43,030 --> 00:41:42,079

base california

1043

00:41:46,150 --> 00:41:43,040

okay

1044

00:41:48,710 --> 00:41:46,160

not edwards air force base california

1045

00:41:51,109 --> 00:41:48,720

now anderson air force base is located

1046

00:41:53,510 --> 00:41:51,119

on the island of guam and i know about

1047

00:41:55,270 --> 00:41:53,520

this base because it was a stop during

1048

00:41:58,870 --> 00:41:55,280

my return mac flight home from the

1049

00:42:00,470 --> 00:41:58,880

philippines on january 28 1986. you

1050

00:42:03,349 --> 00:42:00,480

might remember that was the same day as

1051
00:42:04,150 --> 00:42:03,359
the challenger explosion

1052
00:42:05,990 --> 00:42:04,160
and

1053
00:42:08,390 --> 00:42:06,000
so it's possible

1054
00:42:10,390 --> 00:42:08,400
uh given the statement by my source that

1055
00:42:12,630 --> 00:42:10,400
anderson may have been stationed on guam

1056
00:42:13,510 --> 00:42:12,640
at that time

1057
00:42:15,829 --> 00:42:13,520
now

1058
00:42:17,190 --> 00:42:15,839
the units that were on guam

1059
00:42:20,309 --> 00:42:17,200
at that time

1060
00:42:21,349 --> 00:42:20,319
i mean this wasn't a scientific uh

1061
00:42:23,829 --> 00:42:21,359
you know

1062
00:42:27,190 --> 00:42:23,839
situation working with the

1063
00:42:29,589 --> 00:42:27,200

high-speed spacecraft and uh satellite

1064

00:42:31,750 --> 00:42:29,599

stuff that these were these were weather

1065

00:42:33,910 --> 00:42:31,760

reconnaissance squadrons and rescue

1066

00:42:35,190 --> 00:42:33,920

squadrons i mean they're out there

1067

00:42:37,030 --> 00:42:35,200

they're out in the middle of the pacific

1068

00:42:38,710 --> 00:42:37,040

they flew he's not working on he's not

1069

00:42:40,790 --> 00:42:38,720

working on secret time travel

1070

00:42:42,870 --> 00:42:40,800

experiments and he wasn't he's not a

1071

00:42:44,470 --> 00:42:42,880

that's not a flight test engineer that's

1072

00:42:48,069 --> 00:42:44,480

a flight engineer

1073

00:42:48,950 --> 00:42:48,079

uh you know working on c130 aircraft

1074

00:42:51,750 --> 00:42:48,960

you know

1075

00:42:55,190 --> 00:42:51,760

um in a normal assignment uh to guam

1076
00:42:57,829 --> 00:42:55,200
would have been between 15 and 24 months

1077
00:43:00,230 --> 00:42:57,839
which coincides with the time before he

1078
00:43:01,030 --> 00:43:00,240
resigned his commission i mean this is

1079
00:43:03,349 --> 00:43:01,040
not

1080
00:43:05,270 --> 00:43:03,359
a scientist's job this is a flight

1081
00:43:07,510 --> 00:43:05,280
engineer job yeah so we have him

1082
00:43:09,270 --> 00:43:07,520
basically lying about his education now

1083
00:43:11,750 --> 00:43:09,280
he's lying about where he worked in the

1084
00:43:14,390 --> 00:43:11,760
military your source saying that he was

1085
00:43:16,470 --> 00:43:14,400
in guam this is great and now we get to

1086
00:43:18,790 --> 00:43:16,480
the patents because i did hear him make

1087
00:43:20,309 --> 00:43:18,800
a lot of claims about all these patents

1088
00:43:22,069 --> 00:43:20,319

you right here science fiction writer

1089

00:43:24,230 --> 00:43:22,079

peter moon claims in a short video to

1090

00:43:26,790 --> 00:43:24,240

have a pdf file of an application filed

1091

00:43:28,230 --> 00:43:26,800

by anderson in 2009 he also claims the

1092

00:43:30,470 --> 00:43:28,240

application was

1093

00:43:32,630 --> 00:43:30,480

subsequently sequestered by the u.s

1094

00:43:34,790 --> 00:43:32,640

government well yeah

1095

00:43:36,790 --> 00:43:34,800

so they the government wanted to make it

1096

00:43:43,670 --> 00:43:36,800

top secret that's why nobody can find

1097

00:43:48,390 --> 00:43:45,510

according to peter moon but if you

1098

00:43:50,710 --> 00:43:48,400

actually go on there and uh submit your

1099

00:43:53,589 --> 00:43:50,720

your email address to peter moon he'll

1100

00:43:57,190 --> 00:43:53,599

let you see this fake pdf of this uh

1101
00:43:58,309 --> 00:43:57,200
time reactor patent okay

1102
00:43:59,430 --> 00:43:58,319
so yeah

1103
00:44:01,430 --> 00:43:59,440
but you know

1104
00:44:03,589 --> 00:44:01,440
all i did was go to the u.s patent and

1105
00:44:05,910 --> 00:44:03,599
trademark office and and put in the

1106
00:44:08,390 --> 00:44:05,920
information for uh anderson yeah and

1107
00:44:10,630 --> 00:44:08,400
again i had and i had a real physicist

1108
00:44:12,710 --> 00:44:10,640
look at that time reactor

1109
00:44:15,990 --> 00:44:12,720
so-called patent and he said it's

1110
00:44:18,390 --> 00:44:16,000
pseudoscience gobbledygook garbage

1111
00:44:20,630 --> 00:44:18,400
that's what he said so anderson this

1112
00:44:22,230 --> 00:44:20,640
this dr anderson has claimed to hold

1113
00:44:23,990 --> 00:44:22,240

multiple patents related to time

1114

00:44:26,069 --> 00:44:24,000

technology including time reactive

1115

00:44:28,470 --> 00:44:26,079

designs but a search of the united

1116

00:44:30,550 --> 00:44:28,480

states patented trademark office for

1117

00:44:33,510 --> 00:44:30,560

applications or patents assigned to

1118

00:44:34,630 --> 00:44:33,520

anderson yielded zero results

1119

00:44:36,470 --> 00:44:34,640

that's right

1120

00:44:38,230 --> 00:44:36,480

okay so we've got him he lies about his

1121

00:44:39,670 --> 00:44:38,240

education he lies about what he did in

1122

00:44:42,309 --> 00:44:39,680

the military he lies about where he

1123

00:44:44,230 --> 00:44:42,319

worked in the military he lies about

1124

00:44:46,150 --> 00:44:44,240

what happened when he left the military

1125

00:44:48,950 --> 00:44:46,160

and now he's lying about all of these

1126

00:44:51,510 --> 00:44:48,960

patents that he claims that he has

1127

00:44:56,230 --> 00:44:51,520

and i show it and i show it right there

1128

00:44:59,829 --> 00:44:58,230

you know okay and you say here's where

1129

00:45:01,430 --> 00:44:59,839

it really gets bizarre anderson's

1130

00:45:04,230 --> 00:45:01,440

history whereabouts have become the

1131

00:45:06,470 --> 00:45:04,240

speculation of many since 2010. i was

1132

00:45:07,510 --> 00:45:06,480

able to find i think it's on above top

1133

00:45:09,349 --> 00:45:07,520

secret

1134

00:45:10,790 --> 00:45:09,359

uh i don't have it to share right now

1135

00:45:13,430 --> 00:45:10,800

but i'll try to put it in the

1136

00:45:15,349 --> 00:45:13,440

description of the video i was able to

1137

00:45:16,630 --> 00:45:15,359

find some conspiracy theorists who

1138

00:45:18,230 --> 00:45:16,640

actually claim

1139

00:45:20,870 --> 00:45:18,240

that the reason he disappeared is

1140

00:45:22,470 --> 00:45:20,880

because he's time traveling right now mr

1141

00:45:25,829 --> 00:45:22,480

cole yeah that was

1142

00:45:28,309 --> 00:45:25,839

that's the uh speculation

1143

00:45:30,790 --> 00:45:28,319

maybe he's in uh ancient rome right now

1144

00:45:32,950 --> 00:45:30,800

while we're busting his balls for having

1145

00:45:34,950 --> 00:45:32,960

no education right i don't think so i

1146

00:45:37,510 --> 00:45:34,960

mean he i guess he can be two places at

1147

00:45:40,309 --> 00:45:37,520

once with a p.o box in long island and a

1148

00:45:43,270 --> 00:45:40,319

p.o box in rochester is that time travel

1149

00:45:47,510 --> 00:45:45,510

yeah and there's a this darby who has

1150

00:45:49,030 --> 00:45:47,520

been researching anderson for some time

1151
00:45:49,990 --> 00:45:49,040
before anderson appeared on coast to

1152
00:45:51,750 --> 00:45:50,000
coast

1153
00:45:54,069 --> 00:45:51,760
according to darby who discovered his

1154
00:45:56,870 --> 00:45:54,079
company's press release anderson also

1155
00:45:59,270 --> 00:45:56,880
had at least 15 years of experience in

1156
00:46:01,670 --> 00:45:59,280
the security industry when he was hired

1157
00:46:03,349 --> 00:46:01,680
by detection systems incorporated bosch

1158
00:46:04,870 --> 00:46:03,359
group

1159
00:46:07,349 --> 00:46:04,880
what did you find about his employment

1160
00:46:10,309 --> 00:46:07,359
claims are those mostly bunk

1161
00:46:12,470 --> 00:46:10,319
yes yes and this oh here we go

1162
00:46:15,109 --> 00:46:12,480
now this this uh

1163
00:46:17,349 --> 00:46:15,119

so-called uh press release

1164

00:46:18,630 --> 00:46:17,359

smells of anderson completely it's

1165

00:46:20,390 --> 00:46:18,640

bloated

1166

00:46:21,829 --> 00:46:20,400

narcissistic

1167

00:46:23,190 --> 00:46:21,839

and

1168

00:46:25,670 --> 00:46:23,200

the thing is

1169

00:46:28,309 --> 00:46:25,680

i've i've researched all of this

1170

00:46:29,349 --> 00:46:28,319

and uh the two companies mentioned in

1171

00:46:30,230 --> 00:46:29,359

this

1172

00:46:33,109 --> 00:46:30,240

uh

1173

00:46:35,510 --> 00:46:33,119

are in are in minnesota

1174

00:46:37,670 --> 00:46:35,520

which doesn't coincide uh

1175

00:46:40,630 --> 00:46:37,680

or correspond with anderson's address

1176
00:46:42,150 --> 00:46:40,640
history that the background report shows

1177
00:46:43,910 --> 00:46:42,160
you know i've submitted requests for

1178
00:46:47,190 --> 00:46:43,920
verification employment and got no

1179
00:46:50,230 --> 00:46:47,200
response here's a demco distribution in

1180
00:46:53,270 --> 00:46:50,240
minnesota acquired by honeywell in 2000.

1181
00:46:55,670 --> 00:46:53,280
you can rule that out a demco inc

1182
00:46:58,390 --> 00:46:55,680
also in minnesota but wasn't created and

1183
00:47:00,870 --> 00:46:58,400
incorporated until 2018

1184
00:47:01,990 --> 00:47:00,880
detection systems inc is located in

1185
00:47:04,550 --> 00:47:02,000
fairport

1186
00:47:07,670 --> 00:47:04,560
new york which is rochester area but

1187
00:47:09,190 --> 00:47:07,680
wasn't founded until 2011 had three

1188
00:47:11,109 --> 00:47:09,200

employees

1189

00:47:12,390 --> 00:47:11,119

right

1190

00:47:15,030 --> 00:47:12,400

and

1191

00:47:16,950 --> 00:47:15,040

maybe he maybe he time traveled to work

1192

00:47:19,349 --> 00:47:16,960

there before they were even found it

1193

00:47:21,030 --> 00:47:19,359

okay don't be so harsh mr clay i don't

1194

00:47:21,829 --> 00:47:21,040

think so

1195

00:47:26,309 --> 00:47:21,839

so

1196

00:47:28,069 --> 00:47:26,319

rights that his education is fake he's

1197

00:47:30,309 --> 00:47:28,079

not a doctor

1198

00:47:31,990 --> 00:47:30,319

has no child left behind or no child

1199

00:47:34,630 --> 00:47:32,000

without hope for the future is kind of

1200

00:47:36,790 --> 00:47:34,640

stupid if he abandoned his own family

1201
00:47:39,589 --> 00:47:36,800
now we've got his employment history is

1202
00:47:41,510 --> 00:47:39,599
largely manufactured and fake

1203
00:47:43,829 --> 00:47:41,520
that's right and of course i had one

1204
00:47:44,630 --> 00:47:43,839
comment that i found uh

1205
00:47:49,510 --> 00:47:44,640
on

1206
00:47:53,430 --> 00:47:49,520
facebook page of all things and it shows

1207
00:47:55,910 --> 00:47:53,440
comments made in 2018 by a greg fenlong

1208
00:47:57,829 --> 00:47:55,920
who claims he worked with anderson uh

1209
00:48:00,390 --> 00:47:57,839
for about a year right he says he used

1210
00:48:02,790 --> 00:48:00,400
to work with david at vp david was a

1211
00:48:05,910 --> 00:48:02,800
vice president of bosch right he said

1212
00:48:07,589 --> 00:48:05,920
that this that uh anderson was his boss

1213
00:48:08,950 --> 00:48:07,599

and he never talked about this time

1214

00:48:09,910 --> 00:48:08,960

travel stuff and

1215

00:48:11,670 --> 00:48:09,920

and uh

1216

00:48:12,630 --> 00:48:11,680

he says of course now he's moved to

1217

00:48:15,670 --> 00:48:12,640

india

1218

00:48:18,390 --> 00:48:15,680

well if you look at uh fenlong's web

1219

00:48:20,069 --> 00:48:18,400

website or his you know his facebook

1220

00:48:22,230 --> 00:48:20,079

page

1221

00:48:23,430 --> 00:48:22,240

i don't consider him a credible source

1222

00:48:25,750 --> 00:48:23,440

by the way

1223

00:48:27,990 --> 00:48:25,760

you know and of course a commenter to a

1224

00:48:29,430 --> 00:48:28,000

blog post that i will later show

1225

00:48:31,670 --> 00:48:29,440

in my blog

1226

00:48:34,069 --> 00:48:31,680

claims that david worked for

1227

00:48:36,710 --> 00:48:34,079

a monroe county new york company bosch

1228

00:48:37,910 --> 00:48:36,720

security and he was asked to leave the

1229

00:48:40,069 --> 00:48:37,920

company

1230

00:48:41,349 --> 00:48:40,079

right oh okay so he was fired he would

1231

00:48:42,230 --> 00:48:41,359

go

1232

00:48:46,549 --> 00:48:42,240

maybe

1233

00:48:49,510 --> 00:48:46,559

experience and they did not vet him

1234

00:48:51,829 --> 00:48:49,520

adequately and ended up firing him

1235

00:48:54,069 --> 00:48:51,839

that's my speculation

1236

00:48:55,670 --> 00:48:54,079

yeah it could be yeah i worked at one

1237

00:48:56,870 --> 00:48:55,680

company where they were real slow with

1238

00:48:58,950 --> 00:48:56,880

that and they

1239

00:49:00,630 --> 00:48:58,960

and uh i always it was funny that i

1240

00:49:03,190 --> 00:49:00,640

always like if there was a new person at

1241

00:49:05,190 --> 00:49:03,200

that company mr cole i would remind

1242

00:49:06,870 --> 00:49:05,200

myself not to get too friendly with them

1243

00:49:08,390 --> 00:49:06,880

because they might not be here in two or

1244

00:49:10,549 --> 00:49:08,400

three weeks when that when that

1245

00:49:13,030 --> 00:49:10,559

background check comes back right well

1246

00:49:14,630 --> 00:49:13,040

it's amazing how many people would lie

1247

00:49:16,630 --> 00:49:14,640

thinking that nobody's going to check

1248

00:49:18,069 --> 00:49:16,640

into their education and then the

1249

00:49:19,990 --> 00:49:18,079

company did but there was a small

1250

00:49:22,549 --> 00:49:20,000

company so they were a little slow

1251
00:49:24,309 --> 00:49:22,559
getting through the you know new hires

1252
00:49:26,309 --> 00:49:24,319
so they would let them start working and

1253
00:49:28,069 --> 00:49:26,319
then suddenly people would start

1254
00:49:29,829 --> 00:49:28,079
disappearing when those background

1255
00:49:33,030 --> 00:49:29,839
checks would come back you know exactly

1256
00:49:35,589 --> 00:49:33,040
now bosch security systems llc and

1257
00:49:37,510 --> 00:49:35,599
fairport rochester area right along the

1258
00:49:40,069 --> 00:49:37,520
uh erie canal there

1259
00:49:44,150 --> 00:49:40,079
um now the the press release is dated

1260
00:49:47,270 --> 00:49:44,160
2002 the company was started in 2003

1261
00:49:50,069 --> 00:49:47,280
it's entirely possible as you say

1262
00:49:51,750 --> 00:49:50,079
that they that they hired and and had to

1263
00:49:53,750 --> 00:49:51,760

wait for these background checks and in

1264

00:49:56,309 --> 00:49:53,760

which case they found that anderson was

1265

00:49:59,349 --> 00:49:56,319

lying and fired him

1266

00:50:01,510 --> 00:49:59,359

yeah that's my speculation

1267

00:50:03,349 --> 00:50:01,520

and now we move on to a newsletter scam

1268

00:50:06,230 --> 00:50:03,359

that he was running for a while which we

1269

00:50:09,510 --> 00:50:06,240

can assume is a scam because

1270

00:50:11,510 --> 00:50:09,520

you know uh mr cole if you say i'm a phd

1271

00:50:13,030 --> 00:50:11,520

and i'm a physicist and i'm a scientist

1272

00:50:15,349 --> 00:50:13,040

and i'm going to put out this newsletter

1273

00:50:17,829 --> 00:50:15,359

about my time travel research and then

1274

00:50:19,829 --> 00:50:17,839

you take people's money that's death by

1275

00:50:22,150 --> 00:50:19,839

deception that's a felony that's correct

1276

00:50:23,589 --> 00:50:22,160

not a physicist that's correct so and

1277

00:50:25,349 --> 00:50:23,599

you said here's a price list for the

1278

00:50:27,670 --> 00:50:25,359

newsletter

1279

00:50:29,270 --> 00:50:27,680

credit one credit one annual payment of

1280

00:50:31,349 --> 00:50:29,280

149

1281

00:50:34,790 --> 00:50:31,359

yeah four annual payment we even took

1282

00:50:36,710 --> 00:50:34,800

payments on his newsletter right

1283

00:50:38,309 --> 00:50:36,720

check your money order right check or

1284

00:50:39,670 --> 00:50:38,319

money order yeah

1285

00:50:41,910 --> 00:50:39,680

and then here is where they're supposed

1286

00:50:44,069 --> 00:50:41,920

to be his top secret research lab no

1287

00:50:46,069 --> 00:50:44,079

secure research lab here

1288

00:50:47,829 --> 00:50:46,079

yeah that's right that that's a that's

1289

00:50:48,790 --> 00:50:47,839

the address

1290

00:50:50,950 --> 00:50:48,800

um

1291

00:50:52,870 --> 00:50:50,960

when he when he was referring to being

1292

00:50:55,030 --> 00:50:52,880

on long island new york in in the uh

1293

00:50:56,710 --> 00:50:55,040

first art bell interview i looked at

1294

00:50:59,270 --> 00:50:56,720

that and my background report showed

1295

00:51:01,589 --> 00:50:59,280

this address which turns out to be a

1296

00:51:03,270 --> 00:51:01,599

packaging and mailing service in long

1297

00:51:05,430 --> 00:51:03,280

island yeah so it's it's like a

1298

00:51:07,910 --> 00:51:05,440

mailboxes etc where you go there and you

1299

00:51:10,710 --> 00:51:07,920

get a mail box that's right they offer

1300

00:51:12,950 --> 00:51:10,720

you a mailbox an answer

1301
00:51:15,109 --> 00:51:12,960
so he's saying he has a secure research

1302
00:51:17,109 --> 00:51:15,119
lab there and it's really just a place

1303
00:51:20,150 --> 00:51:17,119
where you can go get a mailbox that's

1304
00:51:22,950 --> 00:51:20,160
right maybe he's doing like uh shrinking

1305
00:51:25,030 --> 00:51:22,960
research too and his and he shrunk his

1306
00:51:25,990 --> 00:51:25,040
research lab down to the size of a p.o

1307
00:51:28,309 --> 00:51:26,000
box

1308
00:51:29,670 --> 00:51:28,319
you never know you never know

1309
00:51:31,829 --> 00:51:29,680
and this conflicts with his other

1310
00:51:33,990 --> 00:51:31,839
address

1311
00:51:36,150 --> 00:51:34,000
in rochester right oh here we go there's

1312
00:51:38,710 --> 00:51:36,160
another one here's another one of his

1313
00:51:40,630 --> 00:51:38,720

company addresses it's the ups store

1314

00:51:43,030 --> 00:51:40,640

which is again a place where you can

1315

00:51:44,710 --> 00:51:43,040

purchase a mail a mailing address yeah

1316

00:51:47,190 --> 00:51:44,720

that's the undisclosed undisclosed

1317

00:51:49,270 --> 00:51:47,200

location in new mexico is that he was

1318

00:51:50,470 --> 00:51:49,280

that he was that he was calling art bell

1319

00:51:52,549 --> 00:51:50,480

from

1320

00:51:54,390 --> 00:51:52,559

with his cell phone he's calling with a

1321

00:51:56,230 --> 00:51:54,400

satellite phone from an undisclosed

1322

00:51:59,109 --> 00:51:56,240

location in new mexico that just so

1323

00:52:02,710 --> 00:51:59,119

happens to be a ups store

1324

00:52:07,750 --> 00:52:05,910

so uh what else can we get into or we

1325

00:52:09,829 --> 00:52:07,760

are we well we can fast forward a lot of

1326

00:52:12,950 --> 00:52:09,839

this this is research that i presented

1327

00:52:15,030 --> 00:52:12,960

but yeah mr cole is incredibly

1328

00:52:17,510 --> 00:52:15,040

incredibly uh

1329

00:52:18,950 --> 00:52:17,520

you're like a no stone unturned every

1330

00:52:20,150 --> 00:52:18,960

little thing that you could look into

1331

00:52:22,069 --> 00:52:20,160

you did

1332

00:52:24,230 --> 00:52:22,079

yeah yeah and you say the ultra modern

1333

00:52:26,069 --> 00:52:24,240

high tech super secret research lab

1334

00:52:29,109 --> 00:52:26,079

working on the very cutting edge of time

1335

00:52:31,670 --> 00:52:29,119

travel technology was a p.o box in

1336

00:52:33,190 --> 00:52:31,680

smithtown new york right now this is

1337

00:52:36,150 --> 00:52:33,200

this is uh

1338

00:52:38,950 --> 00:52:36,160

what i'm attributing to uh darby right

1339

00:52:41,670 --> 00:52:38,960

and the last thing uh that darby pretty

1340

00:52:44,309 --> 00:52:41,680

much has to offer is his own opinion now

1341

00:52:45,670 --> 00:52:44,319

he says now scammer that he is i have to

1342

00:52:48,069 --> 00:52:45,680

say that he does seem to have the

1343

00:52:50,390 --> 00:52:48,079

ability to attract women because his

1344

00:52:53,349 --> 00:52:50,400

girlfriend heather cayton is smoking hot

1345

00:52:55,190 --> 00:52:53,359

and in on the gag

1346

00:52:56,870 --> 00:52:55,200

that's pretty funny

1347

00:52:58,950 --> 00:52:56,880

and you believe that he went on to marry

1348

00:53:00,549 --> 00:52:58,960

that one right maybe

1349

00:53:02,150 --> 00:53:00,559

i believe so i haven't found any

1350

00:53:05,829 --> 00:53:02,160

evidence of that but that's what's

1351
00:53:08,230 --> 00:53:06,870
interesting

1352
00:53:13,750 --> 00:53:08,240
yeah

1353
00:53:18,390 --> 00:53:13,760
everything just falls apart under

1354
00:53:20,069 --> 00:53:18,400
scrutiny now we get into this uh

1355
00:53:22,870 --> 00:53:20,079
he claimed that he became a youth

1356
00:53:24,870 --> 00:53:22,880
ambassador for romania and an ambassador

1357
00:53:26,710 --> 00:53:24,880
for unesco but what's the story with

1358
00:53:28,390 --> 00:53:26,720
this because the letters are identical

1359
00:53:29,270 --> 00:53:28,400
right that's right they're they're

1360
00:53:32,470 --> 00:53:29,280
written

1361
00:53:34,230 --> 00:53:32,480
identically identically they are

1362
00:53:36,390 --> 00:53:34,240
they are identical now these are

1363
00:53:37,750 --> 00:53:36,400

supposedly presented to him as as

1364

00:53:40,790 --> 00:53:37,760

nominations

1365

00:53:44,150 --> 00:53:40,800

from the romanian government uh uh you

1366

00:53:46,710 --> 00:53:44,160

know attached and one from unesco right

1367

00:53:48,150 --> 00:53:46,720

but they're they are worded

1368

00:53:50,950 --> 00:53:48,160

with the exception of the letterheads

1369

00:53:53,670 --> 00:53:50,960

both letters are worded identically and

1370

00:53:57,270 --> 00:53:53,680

only one of them has an official stamp

1371

00:53:59,270 --> 00:53:57,280

and signature on them

1372

00:54:01,349 --> 00:53:59,280

so i i mean and we don't know whether or

1373

00:54:02,710 --> 00:54:01,359

not anderson actually accepted these

1374

00:54:05,510 --> 00:54:02,720

nominations

1375

00:54:08,069 --> 00:54:05,520

or whether this is official or what he's

1376

00:54:10,150 --> 00:54:08,079

just trying to hype up his his

1377

00:54:13,910 --> 00:54:10,160

that's right charity and if you look at

1378

00:54:16,549 --> 00:54:13,920

the dates this is 2002 and 2003

1379

00:54:18,150 --> 00:54:16,559

sent to anderson from romania

1380

00:54:19,910 --> 00:54:18,160

nominating him

1381

00:54:21,829 --> 00:54:19,920

for these positions

1382

00:54:24,710 --> 00:54:21,839

and i produce them here just so everyone

1383

00:54:26,549 --> 00:54:24,720

can see that they are worded exactly

1384

00:54:28,230 --> 00:54:26,559

identically

1385

00:54:29,030 --> 00:54:28,240

it's it's odd

1386

00:54:34,790 --> 00:54:29,040

you know

1387

00:54:38,710 --> 00:54:34,800

something the romanian government does

1388

00:54:41,829 --> 00:54:38,720

but i'm just saying that it looks odd

1389

00:54:44,230 --> 00:54:41,839

yeah so then there's this opinion of

1390

00:54:45,750 --> 00:54:44,240

um there's this the sites that are

1391

00:54:48,549 --> 00:54:45,760

allegedly part of the anderson

1392

00:54:49,990 --> 00:54:48,559

multinational llc are clearly shams but

1393

00:54:51,349 --> 00:54:50,000

some of them actually managed to look

1394

00:54:54,309 --> 00:54:51,359

fairly credible

1395

00:54:56,150 --> 00:54:54,319

but in the case of more obviously boca

1396

00:54:58,630 --> 00:54:56,160

sites a remarkable amount of flash

1397

00:55:01,030 --> 00:54:58,640

content copy and typical corporate stock

1398

00:55:02,549 --> 00:55:01,040

photos went into building them

1399

00:55:04,630 --> 00:55:02,559

i didn't check every single one the

1400

00:55:07,670 --> 00:55:04,640

sites are registered to david anderson

1401

00:55:10,309 --> 00:55:07,680

of 620 park avenue

1402

00:55:11,829 --> 00:55:10,319

620 park avenue oh in rochester okay i

1403

00:55:12,789 --> 00:55:11,839

was thinking new york

1404

00:55:14,390 --> 00:55:12,799

wow

1405

00:55:16,470 --> 00:55:14,400

that's the po box

1406

00:55:18,309 --> 00:55:16,480

yeah look at that look at that anderson

1407

00:55:20,630 --> 00:55:18,319

multinational

1408

00:55:23,270 --> 00:55:20,640

looks important it's copied right off of

1409

00:55:25,750 --> 00:55:23,280

a stock corporate website that's right

1410

00:55:27,990 --> 00:55:25,760

you know like uh like a template that's

1411

00:55:30,630 --> 00:55:28,000

right and look at the logo

1412

00:55:31,510 --> 00:55:30,640

isn't that interesting

1413

00:55:32,549 --> 00:55:31,520

yeah

1414

00:55:33,349 --> 00:55:32,559

wow

1415

00:55:39,910 --> 00:55:33,359

yeah

1416

00:55:40,789 --> 00:55:39,920

this is good

1417

00:55:43,190 --> 00:55:40,799

so

1418

00:55:45,990 --> 00:55:43,200

we had comments to an article

1419

00:55:48,390 --> 00:55:46,000

uh that i reveal here is that uh

1420

00:55:51,910 --> 00:55:48,400

anderson and his hot girlfriend heather

1421

00:55:56,390 --> 00:55:51,920

cayton ended up in arizona in 2009 and

1422

00:55:59,270 --> 00:55:56,400

2010 at an rv park for seniors right and

1423

00:56:01,589 --> 00:55:59,280

they made these seniors really nervous

1424

00:56:04,230 --> 00:56:01,599

and uh so but this indicates to me that

1425

00:56:06,390 --> 00:56:04,240

anderson has either owned but still may

1426

00:56:08,789 --> 00:56:06,400

own or rented an rv

1427

00:56:10,390 --> 00:56:08,799

and these these people thought

1428

00:56:12,150 --> 00:56:10,400

that uh

1429

00:56:14,470 --> 00:56:12,160

heather and his girlfriend

1430

00:56:16,150 --> 00:56:14,480

were trying to scam them you know to get

1431

00:56:17,990 --> 00:56:16,160

information out of them and they were so

1432

00:56:19,910 --> 00:56:18,000

worried about it that they were talking

1433

00:56:23,349 --> 00:56:19,920

about contacting the local police

1434

00:56:27,109 --> 00:56:25,190

yeah someone wrote here he showed up

1435

00:56:28,870 --> 00:56:27,119

with heather in a senior rv park in

1436

00:56:30,230 --> 00:56:28,880

arizona this is their second season with

1437

00:56:32,549 --> 00:56:30,240

us we have some negative feelings and

1438

00:56:34,069 --> 00:56:32,559

googled his name so what to do seems

1439

00:56:36,950 --> 00:56:34,079

like some of his websites have not been

1440

00:56:39,109 --> 00:56:36,960

updated since 2008 2009 kind of dropped

1441

00:56:42,150 --> 00:56:39,119

out and we think he is gathering info

1442

00:56:44,230 --> 00:56:42,160

from seniors for what the only hot tip

1443

00:56:46,309 --> 00:56:44,240

is that we know where he is we are

1444

00:56:48,549 --> 00:56:46,319

contacting a local police department

1445

00:56:50,710 --> 00:56:48,559

yeah jeez he must have done something to

1446

00:56:52,390 --> 00:56:50,720

make them so nervous right that's pretty

1447

00:56:56,390 --> 00:56:52,400

nervous and when you describe the couple

1448

00:56:59,510 --> 00:56:56,400

as being odd or very strange you know

1449

00:57:01,109 --> 00:56:59,520

that's uh that's not good

1450

00:57:03,270 --> 00:57:01,119

and of course his hot girlfriend works

1451
00:57:04,150 --> 00:57:03,280
at world genesis foundation well yeah

1452
00:57:08,390 --> 00:57:04,160
that's

1453
00:57:10,309 --> 00:57:08,400
children's charity yeah oh and let's

1454
00:57:12,549 --> 00:57:10,319
let's get into that because

1455
00:57:15,030 --> 00:57:12,559
uh he's required by law with the charity

1456
00:57:16,710 --> 00:57:15,040
to file what's called a 990 form so that

1457
00:57:18,789 --> 00:57:16,720
he could say this is how much money i

1458
00:57:20,789 --> 00:57:18,799
collected and this is how much

1459
00:57:22,470 --> 00:57:20,799
this is what we spent the money on you

1460
00:57:25,030 --> 00:57:22,480
found something curious with that as

1461
00:57:27,430 --> 00:57:25,040
well right right i deal with that i deal

1462
00:57:29,109 --> 00:57:27,440
with that charity is not disclosing how

1463
00:57:31,510 --> 00:57:29,119

much money that they collect or what

1464

00:57:34,069 --> 00:57:31,520

they do with it correct that's right i i

1465

00:57:35,349 --> 00:57:34,079

put all that into part two because that

1466

00:57:37,030 --> 00:57:35,359

specifically

1467

00:57:38,710 --> 00:57:37,040

uh shows

1468

00:57:41,589 --> 00:57:38,720

that they have not

1469

00:57:43,829 --> 00:57:41,599

uh published uh the world genesis

1470

00:57:46,390 --> 00:57:43,839

foundation has not published

1471

00:57:48,789 --> 00:57:46,400

uh any any income whatsoever in

1472

00:57:52,950 --> 00:57:48,799

donations and what they do file

1473

00:57:55,190 --> 00:57:52,960

is a 990 n electronic postcard

1474

00:57:56,710 --> 00:57:55,200

yeah that's for organizations that's

1475

00:57:58,309 --> 00:57:56,720

where we're i'm very familiar with this

1476

00:58:01,030 --> 00:57:58,319

stuff that's for organizations that

1477

00:58:01,910 --> 00:58:01,040

collect less than 50 000 in a year

1478

00:58:03,349 --> 00:58:01,920

correct

1479

00:58:05,109 --> 00:58:03,359

that's right

1480

00:58:07,109 --> 00:58:05,119

yeah but then they don't they don't if

1481

00:58:10,150 --> 00:58:07,119

you file that form you don't have to

1482

00:58:12,549 --> 00:58:10,160

tell anybody really what publicly what

1483

00:58:14,630 --> 00:58:12,559

you collected and what you spent it on

1484

00:58:17,589 --> 00:58:14,640

apparently not apparently not because

1485

00:58:19,670 --> 00:58:17,599

but have you have you been able did you

1486

00:58:21,109 --> 00:58:19,680

have you been able to determine anything

1487

00:58:25,030 --> 00:58:21,119

charitable that he does other than

1488

00:58:26,630 --> 00:58:25,040

collect donations with that organization

1489

00:58:29,750 --> 00:58:26,640

not other than

1490

00:58:32,150 --> 00:58:29,760

uh his the contacts in uh eastern europe

1491

00:58:37,270 --> 00:58:32,160

and romania for one

1492

00:58:39,109 --> 00:58:37,280

for one uh thing specifically which is a

1493

00:58:41,589 --> 00:58:39,119

summer camp

1494

00:58:44,150 --> 00:58:41,599

held held once a year in in the late

1495

00:58:47,270 --> 00:58:44,160

summer early fall

1496

00:58:49,910 --> 00:58:47,280

in romania well david's radio handle he

1497

00:58:54,069 --> 00:58:49,920

does have a short what is that uh ham

1498

00:58:55,510 --> 00:58:54,079

radio uh ham radio fcc license yep

1499

00:58:57,190 --> 00:58:55,520

you know i always wanted to i always

1500

00:58:58,870 --> 00:58:57,200

wanted to get one of those in a ham

1501

00:59:01,349 --> 00:58:58,880

radio but i never did i used to be in a

1502

00:59:03,430 --> 00:59:01,359

cbs when i was a kid before comp well

1503

00:59:05,990 --> 00:59:03,440

not really before computers but

1504

00:59:07,910 --> 00:59:06,000

after computers got online i never

1505

00:59:09,190 --> 00:59:07,920

messed with the cb again but it's an

1506

00:59:10,549 --> 00:59:09,200

interesting hobby because you could just

1507

00:59:12,630 --> 00:59:10,559

pick up a radio and start talking to

1508

00:59:14,390 --> 00:59:12,640

people in another state or city or

1509

00:59:16,710 --> 00:59:14,400

especially and you could talk to people

1510

00:59:18,630 --> 00:59:16,720

from another country it's interesting

1511

00:59:19,589 --> 00:59:18,640

absolutely and it used to be that you

1512

00:59:22,309 --> 00:59:19,599

had to

1513

00:59:25,829 --> 00:59:22,319

uh one of the qualifications was was

1514

00:59:27,750 --> 00:59:25,839

morse code and that's no longer the case

1515

00:59:30,950 --> 00:59:27,760

yeah that's pretty ancient

1516

00:59:32,789 --> 00:59:30,960

uh i uh my dad made me drill i told you

1517

00:59:34,710 --> 00:59:32,799

my dad was a military guy and i was a

1518

00:59:37,109 --> 00:59:34,720

boy scout so for some reason i remember

1519

00:59:39,349 --> 00:59:37,119

as a child my dad like really pushing me

1520

00:59:40,549 --> 00:59:39,359

to learn morse code and i tried like

1521

00:59:43,190 --> 00:59:40,559

hell but the only thing i could ever

1522

00:59:45,990 --> 00:59:43,200

remember was sos because i figured if

1523

00:59:47,349 --> 00:59:46,000

i'm ever in trouble i know how to sos

1524

00:59:49,510 --> 00:59:47,359

right

1525

00:59:52,630 --> 00:59:49,520

this is his girlfriend who is the

1526

00:59:55,430 --> 00:59:52,640

president and ceo beginning in 2011.

1527

00:59:58,470 --> 00:59:55,440

uh i would i would uh argue with that

1528

01:00:02,150 --> 00:59:58,480

characterization of smoking hot but okay

1529

01:00:05,190 --> 01:00:02,160

well that was that photo is is more than

1530

01:00:07,030 --> 01:00:05,200

10 or 15 years old so she's uh age

1531

01:00:09,109 --> 01:00:07,040

considerate and she and she works as an

1532

01:00:11,270 --> 01:00:09,119

adjunct professor at arizona western

1533

01:00:14,390 --> 01:00:11,280

college teaching health and wellness art

1534

01:00:15,829 --> 01:00:14,400

and psychology social

1535

01:00:17,750 --> 01:00:15,839

so she claimed yeah we haven't looked

1536

01:00:20,150 --> 01:00:17,760

into her but

1537

01:00:21,910 --> 01:00:20,160

she claims a master's degree and a whole

1538

01:00:24,069 --> 01:00:21,920

bunch of other stuff and that she works

1539

01:00:27,030 --> 01:00:24,079

at world genesis foundation

1540

01:00:28,710 --> 01:00:27,040

for an organization that is supposed to

1541

01:00:31,190 --> 01:00:28,720

benefit children

1542

01:00:32,549 --> 01:00:31,200

that was failed by a guy who abandoned

1543

01:00:35,109 --> 01:00:32,559

his own

1544

01:00:37,430 --> 01:00:35,119

wife and children great

1545

01:00:40,870 --> 01:00:37,440

yeah great she's she's now the president

1546

01:00:43,030 --> 01:00:40,880

and c ceo after he uh

1547

01:00:45,589 --> 01:00:43,040

resigned and her art company was

1548

01:00:47,270 --> 01:00:45,599

dissolved

1549

01:00:48,710 --> 01:00:47,280

the same address attributed to david

1550

01:00:50,789 --> 01:00:48,720

anderson a number of male dissolved

1551
01:00:53,910 --> 01:00:50,799
companies previously mentioned

1552
01:00:54,829 --> 01:00:53,920
so he's got a bunch of po boxes right

1553
01:00:57,750 --> 01:00:54,839
that's

1554
01:00:59,430 --> 01:00:57,760
right and let's get into so peter moon

1555
01:01:01,430 --> 01:00:59,440
who is closely associated with

1556
01:01:03,990 --> 01:01:01,440
whack-a-doo whack-job

1557
01:01:05,670 --> 01:01:04,000
douglas dietrich says that dr david

1558
01:01:07,349 --> 01:01:05,680
anderson is alive and well my latest

1559
01:01:09,349 --> 01:01:07,359
communication with him was from the

1560
01:01:11,109 --> 01:01:09,359
country of india where the largest time

1561
01:01:13,990 --> 01:01:11,119
control facilities in the world are

1562
01:01:15,910 --> 01:01:14,000
housed sure they are they are near digi

1563
01:01:17,030 --> 01:01:15,920

hills which is only an hour or two from

1564

01:01:19,030 --> 01:01:17,040

mumbai

1565

01:01:20,710 --> 01:01:19,040

david has gone off the radar for a few

1566

01:01:22,549 --> 01:01:20,720

reasons his first and foremost

1567

01:01:24,630 --> 01:01:22,559

incredible breakthroughs in research has

1568

01:01:26,309 --> 01:01:24,640

commanded his primary attention

1569

01:01:28,230 --> 01:01:26,319

it is also true that his partners were

1570

01:01:30,069 --> 01:01:28,240

not in favor of him releasing the video

1571

01:01:31,510 --> 01:01:30,079

demonstration of his time control

1572

01:01:33,589 --> 01:01:31,520

chamber

1573

01:01:37,190 --> 01:01:33,599

a fake scientist has a time control

1574

01:01:39,430 --> 01:01:37,200

chamber on long island mr cole they were

1575

01:01:42,230 --> 01:01:39,440

about 20 of us who saw an early version

1576

01:01:43,910 --> 01:01:42,240

of it on videotape in april 2010 i

1577

01:01:46,309 --> 01:01:43,920

videod much of the presentation but was

1578

01:01:48,789 --> 01:01:46,319

now allowed to video the time chamber

1579

01:01:50,309 --> 01:01:48,799

that was being shown on video the human

1580

01:01:52,150 --> 01:01:50,319

reaction to this knowledge is also

1581

01:01:54,870 --> 01:01:52,160

another reason why humanity has not been

1582

01:01:57,270 --> 01:01:54,880

given further clues yeah so let's just

1583

01:01:58,630 --> 01:01:57,280

pump up the mystery right and peter moon

1584

01:02:00,789 --> 01:01:58,640

goes on to say

1585

01:02:03,589 --> 01:02:00,799

i make an annual trip to romania where i

1586

01:02:04,950 --> 01:02:03,599

sometimes see him i was i am also hoping

1587

01:02:06,470 --> 01:02:04,960

to make a trip to india in the next

1588

01:02:10,309 --> 01:02:06,480

couple of years he's no longer the

1589

01:02:12,870 --> 01:02:10,319

president of wgf because of his workload

1590

01:02:16,150 --> 01:02:12,880

he is still involved however and in the

1591

01:02:18,470 --> 01:02:16,160

background is a major funding source for

1592

01:02:20,390 --> 01:02:18,480

wgf that's the children's charity right

1593

01:02:23,029 --> 01:02:20,400

right so he's he's a he's a major

1594

01:02:24,470 --> 01:02:23,039

funding source for his own charity

1595

01:02:25,910 --> 01:02:24,480

however

1596

01:02:27,750 --> 01:02:25,920

how could that be

1597

01:02:29,910 --> 01:02:27,760

and then we have an anonymous poster who

1598

01:02:31,270 --> 01:02:29,920

says he is a fraud just as peter moon is

1599

01:02:33,349 --> 01:02:31,280

all the random sudden comments

1600

01:02:35,510 --> 01:02:33,359

supporting david lewis anderson is

1601

01:02:36,870 --> 01:02:35,520

suspicious he is a total fraud and it's

1602

01:02:38,870 --> 01:02:36,880

all nonsense

1603

01:02:42,789 --> 01:02:38,880

he is alive and well and i know where he

1604

01:02:44,549 --> 01:02:42,799

is he's not a time traveler oh wow

1605

01:02:46,710 --> 01:02:44,559

yeah and you found the connection

1606

01:02:49,349 --> 01:02:46,720

between moon and anderson to be some

1607

01:02:50,630 --> 01:02:49,359

somewhat suspicious right yeah always

1608

01:02:52,789 --> 01:02:50,640

actually

1609

01:02:56,069 --> 01:02:52,799

the pen name of fiction writer and

1610

01:02:58,950 --> 01:02:56,079

publisher vincent edward barbaric over

1611

01:03:01,270 --> 01:02:58,960

skype barbaric i did not know that

1612

01:03:04,150 --> 01:03:01,280

i know of peter moon and his association

1613

01:03:05,990 --> 01:03:04,160

with douglas dietrich the wackadoo

1614

01:03:07,349 --> 01:03:06,000

who claims he's hitler's illegitimate

1615

01:03:10,710 --> 01:03:07,359

son

1616

01:03:12,950 --> 01:03:10,720

sky books generates 162 000 well he's

1617

01:03:14,950 --> 01:03:12,960

doing pretty good right

1618

01:03:16,870 --> 01:03:14,960

yeah i don't know how old that report is

1619

01:03:18,789 --> 01:03:16,880

but yeah and here we have uh here we

1620

01:03:20,230 --> 01:03:18,799

have moon and anderson have perpetrated

1621

01:03:22,549 --> 01:03:20,240

conspiracy stories such as the

1622

01:03:24,710 --> 01:03:22,559

philadelphia experiment and the montauk

1623

01:03:27,270 --> 01:03:24,720

project both of which i'm glad you and i

1624

01:03:29,190 --> 01:03:27,280

can agree on this mr cole both of which

1625

01:03:33,109 --> 01:03:29,200

have been exposed as complete hoaxes

1626

01:03:36,150 --> 01:03:33,910

right

1627

01:03:38,470 --> 01:03:36,160

oh jeez

1628

01:03:40,870 --> 01:03:38,480

and then and you have uh john rasmus who

1629

01:03:44,069 --> 01:03:40,880

haven't heard from him in ages explains

1630

01:03:46,630 --> 01:03:44,079

the montauk hoax right rasmus shows that

1631

01:03:49,589 --> 01:03:46,640

moon was influenced by a series of films

1632

01:03:51,510 --> 01:03:49,599

from 1956 to 1990 and proves that the

1633

01:03:54,630 --> 01:03:51,520

moon used at least three themes in

1634

01:03:58,069 --> 01:03:54,640

chapter 14 and fifth so he's a fraud too

1635

01:03:59,510 --> 01:03:58,079

calling stuff from that

1636

01:04:01,589 --> 01:03:59,520

moon claims he was approached by

1637

01:04:03,910 --> 01:04:01,599

anderson who supported the same

1638

01:04:05,670 --> 01:04:03,920

discredited stories in the early 1990s

1639

01:04:08,549 --> 01:04:05,680

after publishing the montauk project

1640

01:04:11,990 --> 01:04:08,559

experiments in time in 1992.

1641

01:04:14,150 --> 01:04:12,000

and here we you cite a video where moon

1642

01:04:16,309 --> 01:04:14,160

is telling uh the story beginning at

1643

01:04:18,470 --> 01:04:16,319

about seven minutes in and again all

1644

01:04:20,150 --> 01:04:18,480

this is on mr cole's blog there's a link

1645

01:04:22,069 --> 01:04:20,160

in the description so if you want to go

1646

01:04:23,109 --> 01:04:22,079

deeper into this whole

1647

01:04:25,510 --> 01:04:23,119

uh

1648

01:04:28,069 --> 01:04:25,520

what really is a [h__h] show of deception

1649

01:04:32,710 --> 01:04:29,829

you have a lot of information there on

1650

01:04:37,670 --> 01:04:35,190

and look at the uh the logo that

1651
01:04:40,710 --> 01:04:37,680
anderson created for his uh anderson

1652
01:04:43,349 --> 01:04:40,720
institute website in 1990 and look at

1653
01:04:45,029 --> 01:04:43,359
the similarities between that and and

1654
01:04:49,829 --> 01:04:45,039
total recall

1655
01:04:51,190 --> 01:04:49,839
great yeah and douglas dietrich said

1656
01:04:55,670 --> 01:04:51,200
that uh

1657
01:04:57,670 --> 01:04:55,680
a madman

1658
01:04:59,589 --> 01:04:57,680
but dietrich claims that anderson is a

1659
01:05:01,750 --> 01:04:59,599
recluse and has become sort of a

1660
01:05:03,510 --> 01:05:01,760
chemically infected madman living in

1661
01:05:06,630 --> 01:05:03,520
seclusion for almost a decade in the

1662
01:05:08,870 --> 01:05:06,640
ruins of the eastman kodak facility in

1663
01:05:11,910 --> 01:05:08,880

rochester new york

1664

01:05:14,630 --> 01:05:11,920

oh jeez right yeah yeah that's dietrich

1665

01:05:16,950 --> 01:05:14,640

claimed that for years of course

1666

01:05:19,910 --> 01:05:16,960

until he became involved with peter moon

1667

01:05:22,470 --> 01:05:19,920

in about 2018 and dietrich no longer

1668

01:05:24,789 --> 01:05:22,480

makes that claim you know why

1669

01:05:26,470 --> 01:05:24,799

because peter moon because peter moon is

1670

01:05:28,309 --> 01:05:26,480

actually on the board of directors for

1671

01:05:29,910 --> 01:05:28,319

anderson's charity

1672

01:05:31,829 --> 01:05:29,920

oh that's great

1673

01:05:33,589 --> 01:05:31,839

and it's not even his real name it's a

1674

01:05:35,430 --> 01:05:33,599

pseudonym for his book that's right how

1675

01:05:37,670 --> 01:05:35,440

do you how do you get on the board of

1676

01:05:41,029 --> 01:05:37,680

directors for for an international

1677

01:05:43,190 --> 01:05:41,039

charity using your pen name

1678

01:05:45,270 --> 01:05:43,200

yeah that doesn't make any sense nobody

1679

01:05:46,390 --> 01:05:45,280

should accept that right

1680

01:05:48,470 --> 01:05:46,400

right

1681

01:05:51,029 --> 01:05:48,480

oh geez so it just gets thicker and

1682

01:05:53,829 --> 01:05:51,039

thicker with this guy right it just goes

1683

01:05:56,069 --> 01:05:53,839

on and on here like so i after that i go

1684

01:05:58,950 --> 01:05:56,079

and i go to into part two which which

1685

01:06:01,029 --> 01:05:58,960

won't be nearly as long but it just

1686

01:06:04,950 --> 01:06:01,039

basically tracks the uh

1687

01:06:08,069 --> 01:06:04,960

the history of the charity and and uh

1688

01:06:10,230 --> 01:06:08,079

and the connections with uh peter moon

1689

01:06:12,230 --> 01:06:10,240

and uh a little bit a little bit of

1690

01:06:15,190 --> 01:06:12,240

history about the summer camp that they

1691

01:06:17,589 --> 01:06:15,200

go to now all three of them

1692

01:06:18,630 --> 01:06:17,599

have actually attended either physically

1693

01:06:20,230 --> 01:06:18,640

or

1694

01:06:22,230 --> 01:06:20,240

uh

1695

01:06:23,670 --> 01:06:22,240

i guess virtually

1696

01:06:25,990 --> 01:06:23,680

yeah and patrick sheehan is here with

1697

01:06:27,430 --> 01:06:26,000

the kanye generous 999 super chat thank

1698

01:06:29,270 --> 01:06:27,440

you for your kindness your generosity

1699

01:06:31,029 --> 01:06:29,280

and your continued support of the show

1700

01:06:32,390 --> 01:06:31,039

patrick sheen big supporter of the show

1701

01:06:34,470 --> 01:06:32,400

very generous of you

1702

01:06:36,630 --> 01:06:34,480

says great work mr cole let's touch base

1703

01:06:38,230 --> 01:06:36,640

i have good friends in romanian ngo

1704

01:06:40,630 --> 01:06:38,240

government agencies

1705

01:06:41,750 --> 01:06:40,640

so there you go can we can bust him

1706

01:06:43,270 --> 01:06:41,760

further

1707

01:06:45,510 --> 01:06:43,280

yeah and i mean i think we kind of

1708

01:06:48,710 --> 01:06:45,520

covered the charities we we don't

1709

01:06:52,789 --> 01:06:50,789

yeah i mean we can we can touch on it a

1710

01:06:55,029 --> 01:06:52,799

little bit but i think we've uh like

1711

01:06:57,109 --> 01:06:55,039

you'd have to like i yeah we could go we

1712

01:06:59,829 --> 01:06:57,119

could blast through that because i just

1713

01:07:00,789 --> 01:06:59,839

basically show that anyone can use these

1714

01:07:02,710 --> 01:07:00,799

uh

1715

01:07:05,029 --> 01:07:02,720

publicly available

1716

01:07:06,950 --> 01:07:05,039

uh

1717

01:07:11,510 --> 01:07:06,960

things that that will actually

1718

01:07:13,510 --> 01:07:11,520

uh describe these charities uh to people

1719

01:07:15,589 --> 01:07:13,520

you know usually they want to see them

1720

01:07:18,150 --> 01:07:15,599

before they make a donation and i show

1721

01:07:21,190 --> 01:07:18,160

that i show that they had

1722

01:07:23,750 --> 01:07:21,200

two additional filings

1723

01:07:25,510 --> 01:07:23,760

by heather cayton who's now mrs heather

1724

01:07:29,270 --> 01:07:25,520

anderson

1725

01:07:32,309 --> 01:07:29,280

in new mexico and arizona

1726

01:07:34,630 --> 01:07:32,319

one was dissolved in 2015.

1727

01:07:37,750 --> 01:07:34,640

the world genesis foundation is

1728

01:07:40,870 --> 01:07:37,760

actually what they call a unesco club

1729

01:07:42,549 --> 01:07:40,880

u.s federation unesco club

1730

01:07:43,829 --> 01:07:42,559

and uh

1731

01:07:47,029 --> 01:07:43,839

there's some

1732

01:07:49,349 --> 01:07:47,039

interview videos with heather anderson

1733

01:07:51,109 --> 01:07:49,359

uh and one of them

1734

01:07:53,029 --> 01:07:51,119

one person stated that

1735

01:07:55,510 --> 01:07:53,039

the world genesis foundation had been

1736

01:07:58,549 --> 01:07:55,520

named one of the top non-profits for the

1737

01:08:00,390 --> 01:07:58,559

last 10 years uh for six years there's

1738

01:08:02,630 --> 01:08:00,400

another stutter

1739

01:08:05,430 --> 01:08:02,640

and anybody that looks that up

1740

01:08:06,309 --> 01:08:05,440

uh the top 10 nonprofit organizations

1741

01:08:07,990 --> 01:08:06,319

shows

1742

01:08:11,029 --> 01:08:08,000

it doesn't even appear

1743

01:08:13,109 --> 01:08:11,039

alphabetical listing of star-rated

1744

01:08:15,829 --> 01:08:13,119

organizations

1745

01:08:17,829 --> 01:08:15,839

yeah so that's likely [h__h] yeah and

1746

01:08:21,829 --> 01:08:17,839

you know

1747

01:08:24,870 --> 01:08:21,839

addresses at its headquarters and with

1748

01:08:28,950 --> 01:08:24,880

the exception of one all of them

1749

01:08:30,789 --> 01:08:28,960

are peel box addresses all of them

1750

01:08:33,990 --> 01:08:30,799

and i go on to show that the following

1751

01:08:36,070 --> 01:08:34,000

addresses are listed by the irs

1752

01:08:38,309 --> 01:08:36,080

on the irs website

1753

01:08:41,910 --> 01:08:38,319

indicating that world genesis foundation

1754

01:08:45,189 --> 01:08:41,920

filed these uh irs form 990 ends

1755

01:08:48,229 --> 01:08:45,199

every year since 2011. so here we are

1756

01:08:49,430 --> 01:08:48,239

now we're zeroing in on the location of

1757

01:08:52,470 --> 01:08:49,440

anderson

1758

01:08:54,390 --> 01:08:52,480

okay based on this information and i and

1759

01:08:57,990 --> 01:08:54,400

i show that they don't they have never

1760

01:09:00,950 --> 01:08:58,000

shown any uh financial data

1761

01:09:02,870 --> 01:09:00,960

publicly at all and they're filing these

1762

01:09:04,870 --> 01:09:02,880

990 ends

1763

01:09:06,870 --> 01:09:04,880

so yeah so they don't have to disclose

1764

01:09:09,110 --> 01:09:06,880

it yeah well yeah well what are they

1765

01:09:11,189 --> 01:09:09,120

just yeah here here he's claiming they

1766

01:09:13,189 --> 01:09:11,199

claim that uh they work with the united

1767

01:09:15,910 --> 01:09:13,199

nations educational scientific and

1768

01:09:17,510 --> 01:09:15,920

cultural organization and other partners

1769

01:09:19,590 --> 01:09:17,520

i i think we could reach out to the

1770

01:09:21,189 --> 01:09:19,600

united nations and say are you working

1771

01:09:23,749 --> 01:09:21,199

with this organization and i have a

1772

01:09:24,789 --> 01:09:23,759

guess as to what they're going to say

1773

01:09:27,269 --> 01:09:24,799

yeah right

1774

01:09:28,630 --> 01:09:27,279

that would sounds good but you know that

1775

01:09:30,709 --> 01:09:28,640

could be verified whether they're

1776

01:09:32,070 --> 01:09:30,719

actually ever worked with or for the

1777

01:09:33,990 --> 01:09:32,080

united nations

1778

01:09:36,789 --> 01:09:34,000

it'll be interesting because and it's of

1779

01:09:38,950 --> 01:09:36,799

course that's connected to uh romania as

1780

01:09:40,390 --> 01:09:38,960

well the rain the romanians that are in

1781

01:09:45,349 --> 01:09:40,400

on it whatever it is

1782

01:09:49,829 --> 01:09:47,749

yeah and then their uh their address

1783

01:09:51,510 --> 01:09:49,839

just keeps changing constantly right

1784

01:09:55,669 --> 01:09:51,520

yeah until now

1785

01:09:57,350 --> 01:09:55,679

un until as of as of june 6 2019 when

1786

01:09:59,510 --> 01:09:57,360

they purchased uh

1787

01:10:01,590 --> 01:09:59,520

let me see what this was they

1788

01:10:03,110 --> 01:10:01,600

purchased uh

1789

01:10:05,110 --> 01:10:03,120

a home

1790

01:10:06,950 --> 01:10:05,120

in arizona

1791

01:10:08,470 --> 01:10:06,960

for something like three hundred and

1792

01:10:10,070 --> 01:10:08,480

eighty thousand three hundred seventy

1793

01:10:12,550 --> 01:10:10,080

three hundred seventy four thousand five

1794

01:10:14,470 --> 01:10:12,560

hundred yeah yeah in dewey arizona i

1795

01:10:17,510 --> 01:10:14,480

show the property there

1796

01:10:18,790 --> 01:10:17,520

anybody can look it up and anderson

1797

01:10:21,750 --> 01:10:18,800

actually

1798

01:10:23,189 --> 01:10:21,760

has just purchased this past may

1799

01:10:26,550 --> 01:10:23,199

2021

1800

01:10:27,590 --> 01:10:26,560

an adjoining lot for 87 000 so here you

1801
01:10:28,390 --> 01:10:27,600
have

1802
01:10:30,870 --> 01:10:28,400
uh

1803
01:10:33,750 --> 01:10:30,880
the acquisition of properties totaling

1804
01:10:35,910 --> 01:10:33,760
nearly five hundred thousand dollars

1805
01:10:38,229 --> 01:10:35,920
yeah and did he buy that from

1806
01:10:40,149 --> 01:10:38,239
from corporate money or did he buy that

1807
01:10:43,189 --> 01:10:40,159
from charity money we don't know right

1808
01:10:45,030 --> 01:10:43,199
we don't we don't know

1809
01:10:47,669 --> 01:10:45,040
oh that's going to be a problem for him

1810
01:10:49,910 --> 01:10:47,679
and maybe the arizona arizona attorney

1811
01:10:51,910 --> 01:10:49,920
general right

1812
01:10:54,310 --> 01:10:51,920
you can't purchase can he per i don't

1813
01:10:56,149 --> 01:10:54,320

know can he purchase a primary residence

1814

01:10:58,709 --> 01:10:56,159

for himself from charitable donations i

1815

01:11:00,550 --> 01:10:58,719

would think not well see i i don't i

1816

01:11:02,149 --> 01:11:00,560

have i haven't found any proof that

1817

01:11:07,030 --> 01:11:02,159

that's what he's done

1818

01:11:09,669 --> 01:11:07,040

i mean that's beyond my capability um

1819

01:11:11,669 --> 01:11:09,679

i mean i'm not i'm not right here the

1820

01:11:14,149 --> 01:11:11,679

images don't appear to show a sign of a

1821

01:11:16,229 --> 01:11:14,159

man living there anywhere when i say

1822

01:11:19,510 --> 01:11:16,239

immaculate i mean it looks like a martha

1823

01:11:21,830 --> 01:11:19,520

stewart created television set yeah that

1824

01:11:24,390 --> 01:11:21,840

might have been the previous owner

1825

01:11:26,470 --> 01:11:24,400

but what i did notice is that in those

1826

01:11:27,350 --> 01:11:26,480

images there are two

1827

01:11:30,470 --> 01:11:27,360

uh

1828

01:11:33,669 --> 01:11:30,480

sort of curio cabinets wood glass

1829

01:11:35,030 --> 01:11:33,679

uh very shown very prominently later on

1830

01:11:36,950 --> 01:11:35,040

in videos

1831

01:11:39,189 --> 01:11:36,960

by heather anderson

1832

01:11:41,510 --> 01:11:39,199

yeah so it must be it must be her stuff

1833

01:11:43,669 --> 01:11:41,520

yeah so we know that she was there in

1834

01:11:46,070 --> 01:11:43,679

the house in 2020

1835

01:11:48,709 --> 01:11:46,080

and of course and near the end of the

1836

01:11:50,870 --> 01:11:48,719

third video that i show someone wearing

1837

01:11:52,709 --> 01:11:50,880

a gray t-shirt appears to move in front

1838

01:11:57,430 --> 01:11:52,719

of the camera in a crouched position

1839

01:11:59,430 --> 01:11:57,440

from right to left so that's mr anderson

1840

01:12:01,910 --> 01:11:59,440

that's right sneaking around the house

1841

01:12:07,669 --> 01:12:04,430

oh great the world genesis foundation

1842

01:12:09,990 --> 01:12:07,679

501c3 status was pending inactive in may

1843

01:12:11,669 --> 01:12:10,000

2021

1844

01:12:14,630 --> 01:12:11,679

and peter moon was at it for only four

1845

01:12:18,310 --> 01:12:14,640

months from august first to december 4th

1846

01:12:21,189 --> 01:12:18,320

and there was a go oh there's a gofundme

1847

01:12:23,590 --> 01:12:21,199

gofundme page they love why do all these

1848

01:12:27,990 --> 01:12:23,600

scammers love gofundme pages but they're

1849

01:12:29,189 --> 01:12:28,000

go their gofundme only raised 531.

1850

01:12:34,870 --> 01:12:29,199

out of

1851
01:12:37,350 --> 01:12:34,880
yeah i'm gonna share that on my screen

1852
01:12:39,830 --> 01:12:37,360
uh this is the gofundme fundraiser by

1853
01:12:41,430 --> 01:12:39,840
hender heather anderson

1854
01:12:42,950 --> 01:12:41,440
boy they're going to do all these things

1855
01:12:45,189 --> 01:12:42,960
while they're working with the united

1856
01:12:48,470 --> 01:12:45,199
nations educational scientific and

1857
01:12:51,430 --> 01:12:48,480
cultural organization unesco

1858
01:12:53,189 --> 01:12:51,440
and uh they need a thousand dollars what

1859
01:12:55,430 --> 01:12:53,199
do they need a thousand dollars for

1860
01:12:57,030 --> 01:12:55,440
special educational programs in this new

1861
01:13:00,310 --> 01:12:57,040
year

1862
01:13:01,590 --> 01:13:00,320
and they raised 531 of a thousand dollar

1863
01:13:04,950 --> 01:13:01,600

goal

1864

01:13:06,550 --> 01:13:04,960

so somehow p this this dr anderson

1865

01:13:08,709 --> 01:13:06,560

claims that he's funding that

1866

01:13:10,709 --> 01:13:08,719

organization he's a major funder but

1867

01:13:12,950 --> 01:13:10,719

they need to go to gofundme for a lousy

1868

01:13:15,590 --> 01:13:12,960

thousand dollars when he just purchased

1869

01:13:17,910 --> 01:13:15,600

500 000 worth of

1870

01:13:19,430 --> 01:13:17,920

uh property right that doesn't make any

1871

01:13:22,310 --> 01:13:19,440

sense i would say that's an

1872

01:13:24,550 --> 01:13:22,320

inconsistency

1873

01:13:27,110 --> 01:13:24,560

oh that's a real problem yeah

1874

01:13:28,470 --> 01:13:27,120

this is a real problem here right the

1875

01:13:30,870 --> 01:13:28,480

real problem

1876

01:13:33,669 --> 01:13:30,880

so we we kind of make it we kind of made

1877

01:13:36,149 --> 01:13:33,679

it through here right and so

1878

01:13:38,709 --> 01:13:36,159

but i was very careful in the manner

1879

01:13:39,990 --> 01:13:38,719

that i that i wrote my conclusion

1880

01:13:42,790 --> 01:13:40,000

um

1881

01:13:45,189 --> 01:13:42,800

for for obvious reasons but it's it's my

1882

01:13:46,470 --> 01:13:45,199

opinion based on my findings that

1883

01:13:48,470 --> 01:13:46,480

include

1884

01:13:50,630 --> 01:13:48,480

comprehensive background reports that

1885

01:13:51,830 --> 01:13:50,640

this could be part of an elaborate hoax

1886

01:13:54,229 --> 01:13:51,840

or scam

1887

01:13:56,390 --> 01:13:54,239

originated by anderson and enabled by

1888

01:13:58,630 --> 01:13:56,400

others as some have speculated but the

1889

01:14:01,110 --> 01:13:58,640

world genesis foundation does appear at

1890

01:14:03,350 --> 01:14:01,120

least on the surface to be legitimate

1891

01:14:06,709 --> 01:14:03,360

501 c 3

1892

01:14:08,310 --> 01:14:06,719

and properly registered with the irs but

1893

01:14:09,590 --> 01:14:08,320

you know the public has no way of

1894

01:14:11,430 --> 01:14:09,600

knowing

1895

01:14:14,149 --> 01:14:11,440

the actual amount of its gross receipts

1896

01:14:16,070 --> 01:14:14,159

and donations unless they request them

1897

01:14:18,870 --> 01:14:16,080

and they have a history of suspicious

1898

01:14:20,950 --> 01:14:18,880

activity and mysterious disappearances

1899

01:14:22,790 --> 01:14:20,960

you combine that with the unavailability

1900

01:14:24,950 --> 01:14:22,800

of any world genesis foundation

1901

01:14:26,790 --> 01:14:24,960

financial data

1902

01:14:28,310 --> 01:14:26,800

since 2000

1903

01:14:30,070 --> 01:14:28,320

i mean i'm saying that it strongly

1904

01:14:31,270 --> 01:14:30,080

suggests at least the potential for

1905

01:14:33,750 --> 01:14:31,280

fraud

1906

01:14:35,750 --> 01:14:33,760

right sure and you wonder you know how

1907

01:14:38,310 --> 01:14:35,760

anderson can afford to purchase the two

1908

01:14:41,750 --> 01:14:38,320

properties totaling nearly half a

1909

01:14:42,950 --> 01:14:41,760

million dollars in the last two years

1910

01:14:45,510 --> 01:14:42,960

you know sure

1911

01:14:46,310 --> 01:14:45,520

is with regard his military service as i

1912

01:14:47,990 --> 01:14:46,320

said

1913

01:14:50,870 --> 01:14:48,000

that's a matter of public record and

1914

01:14:53,430 --> 01:14:50,880

i've filed the four-year request

1915

01:14:55,430 --> 01:14:53,440

to the national personnel record center

1916

01:14:59,030 --> 01:14:55,440

but like i said i may have to wait a

1917

01:15:00,790 --> 01:14:59,040

little bit longer but i know basically

1918

01:15:02,630 --> 01:15:00,800

what those results are going to be that

1919

01:15:04,390 --> 01:15:02,640

they will show well based on all these

1920

01:15:05,990 --> 01:15:04,400

other lies it's a pretty safe bet to

1921

01:15:07,910 --> 01:15:06,000

assume that he lied about a lot of his

1922

01:15:10,550 --> 01:15:07,920

military that's right well you know i

1923

01:15:12,870 --> 01:15:10,560

assume that that you know that those

1924

01:15:15,830 --> 01:15:12,880

foia results will show that he was once

1925

01:15:17,590 --> 01:15:15,840

assigned to anderson air force base guam

1926

01:15:19,990 --> 01:15:17,600

you know if he was ever assigned to

1927

01:15:22,550 --> 01:15:20,000

edwards air force base that'll show that

1928

01:15:25,030 --> 01:15:22,560

but it's my belief that his last duty

1929

01:15:28,070 --> 01:15:25,040

assignment was anderson air force base

1930

01:15:30,310 --> 01:15:28,080

guam and certainly not a place to that

1931

01:15:33,430 --> 01:15:30,320

you'd be doing uh

1932

01:15:36,310 --> 01:15:33,440

scientific research uh on time travel on

1933

01:15:37,590 --> 01:15:36,320

the side at either of those places

1934

01:15:38,630 --> 01:15:37,600

you know

1935

01:15:40,790 --> 01:15:38,640

so

1936

01:15:43,430 --> 01:15:40,800

yeah it looks like looks like if it

1937

01:15:45,350 --> 01:15:43,440

looks like a scam and it appears to be a

1938

01:15:47,030 --> 01:15:45,360

scam this

1939

01:15:48,950 --> 01:15:47,040

fake doctor

1940

01:15:51,910 --> 01:15:48,960

you know and that's another thing

1941

01:15:54,070 --> 01:15:51,920

it's deceptive at best and i think

1942

01:15:55,990 --> 01:15:54,080

misleading for the person that's

1943

01:15:58,709 --> 01:15:56,000

involved with a charity to claim they're

1944

01:16:00,149 --> 01:15:58,719

a doctor and a physicist when indeed

1945

01:16:02,310 --> 01:16:00,159

they are not

1946

01:16:04,550 --> 01:16:02,320

because i don't know about you but like

1947

01:16:06,070 --> 01:16:04,560

if i was thinking about donating to a

1948

01:16:09,510 --> 01:16:06,080

charity and i knew that one of the

1949

01:16:12,070 --> 01:16:09,520

people running that charity was a doctor

1950

01:16:13,830 --> 01:16:12,080

i would i would give it more um

1951

01:16:16,550 --> 01:16:13,840

credibility do you know what i mean like

1952

01:16:19,189 --> 01:16:16,560

i would feel safer donating a few bucks

1953

01:16:21,750 --> 01:16:19,199

to a charitable organization run by a

1954

01:16:22,470 --> 01:16:21,760

very educated man like a doctor rather

1955

01:16:24,229 --> 01:16:22,480

than

1956

01:16:25,669 --> 01:16:24,239

you know somebody without that sort of

1957

01:16:28,229 --> 01:16:25,679

education so

1958

01:16:30,070 --> 01:16:28,239

even even the fake you can't i don't

1959

01:16:32,950 --> 01:16:30,080

believe that he can legally collect

1960

01:16:34,950 --> 01:16:32,960

donations claiming to be a doctor for

1961

01:16:36,709 --> 01:16:34,960

this and working with this charity when

1962

01:16:37,430 --> 01:16:36,719

he indeed is not

1963

01:16:41,750 --> 01:16:37,440

so

1964

01:16:43,590 --> 01:16:41,760

mr cole

1965

01:16:45,910 --> 01:16:43,600

we can go to the

1966

01:16:47,990 --> 01:16:45,920

to unesco and say

1967

01:16:49,510 --> 01:16:48,000

we would like more information on what

1968

01:16:50,950 --> 01:16:49,520

you've done with this charity because

1969

01:16:53,189 --> 01:16:50,960

they're claiming that they worked with

1970

01:16:56,870 --> 01:16:53,199

you since 2000

1971

01:16:59,030 --> 01:16:56,880

and also uh write to the charity and say

1972

01:17:00,470 --> 01:16:59,040

we would like your financial records for

1973

01:17:03,110 --> 01:17:00,480

how much you collected and what you

1974

01:17:05,590 --> 01:17:03,120

spent the money on since the year 2000

1975

01:17:08,390 --> 01:17:05,600

and also ask them to comment on the fact

1976

01:17:11,110 --> 01:17:08,400

that this mr anderson is not a doctor

1977

01:17:13,189 --> 01:17:11,120

and isn't that deceptive i can help you

1978

01:17:15,110 --> 01:17:13,199

we can craft those letters right we

1979

01:17:17,510 --> 01:17:15,120

should follow up just just a quick

1980

01:17:19,669 --> 01:17:17,520

follow-up little i think you've done so

1981

01:17:22,149 --> 01:17:19,679

much work here yeah i'll do i'll do the

1982

01:17:24,950 --> 01:17:22,159

little bit of tail end work well i'll

1983

01:17:26,390 --> 01:17:24,960

put a few stones unturned i the only

1984

01:17:28,790 --> 01:17:26,400

other thing that i would have done if i

1985

01:17:30,630 --> 01:17:28,800

were you is to go to unesco the united

1986

01:17:32,630 --> 01:17:30,640

nations and verify

1987

01:17:33,990 --> 01:17:32,640

because i have a feeling that they

1988

01:17:36,950 --> 01:17:34,000

they're not going to know who the hell

1989

01:17:38,870 --> 01:17:36,960

this guy is that's what i'm thinking

1990

01:17:41,669 --> 01:17:38,880

and also go to the charity and say

1991

01:17:44,070 --> 01:17:41,679

they're required by law mr cole to

1992

01:17:45,990 --> 01:17:44,080

release how much they collected and what

1993

01:17:48,950 --> 01:17:46,000

they spent the money on for the last

1994

01:17:51,110 --> 01:17:48,960

three years at least to anybody who asks

1995

01:17:52,870 --> 01:17:51,120

anybody in the public who asks me and

1996

01:17:53,910 --> 01:17:52,880

you were in the public we go ask see

1997

01:17:54,790 --> 01:17:53,920

what he says

1998

01:17:56,950 --> 01:17:54,800

right

1999

01:17:59,270 --> 01:17:56,960

and you know my my objective

2000

01:18:01,510 --> 01:17:59,280

here initially was to just sort of go as

2001

01:18:03,830 --> 01:18:01,520

far as i could meanwhile

2002

01:18:06,310 --> 01:18:03,840

consolidate what was left on the

2003

01:18:08,470 --> 01:18:06,320

internet before it disappears

2004

01:18:10,070 --> 01:18:08,480

to establish a basis for further

2005

01:18:12,070 --> 01:18:10,080

research

2006

01:18:14,229 --> 01:18:12,080

yeah yeah get them dead to rights and

2007

01:18:15,669 --> 01:18:14,239

and and i'm real big on screenshots

2008

01:18:17,430 --> 01:18:15,679

because stuff has a tendency to

2009

01:18:18,870 --> 01:18:17,440

disappear from the internet you know you

2010

01:18:20,550 --> 01:18:18,880

find it once and then when you go to

2011

01:18:22,950 --> 01:18:20,560

look for it again two years later it's

2012

01:18:25,270 --> 01:18:22,960

gone you know so i screenshot things

2013

01:18:26,470 --> 01:18:25,280

yeah yeah that's that's why i made such

2014

01:18:29,910 --> 01:18:26,480

an effort

2015

01:18:31,910 --> 01:18:29,920

to to attribute extensively

2016

01:18:34,070 --> 01:18:31,920

everything that i've found it's all

2017

01:18:36,630 --> 01:18:34,080

there i cite my

2018

01:18:38,870 --> 01:18:36,640

i attribute my sources it's all there

2019

01:18:42,149 --> 01:18:38,880

but for anyone that wants to click on

2020

01:18:45,750 --> 01:18:42,159

those links and and just learn the

2021

01:18:49,189 --> 01:18:45,760

extent of the story itself but it's easy

2022

01:18:51,189 --> 01:18:49,199

and in this case for me i got burned out

2023

01:18:52,470 --> 01:18:51,199

on this

2024

01:18:54,950 --> 01:18:52,480

yeah

2025

01:18:55,910 --> 01:18:54,960

well i'm glad that you did this and not

2026

01:18:58,070 --> 01:18:55,920

me

2027

01:18:59,910 --> 01:18:58,080

that's a lot this i just want to make

2028

01:19:01,590 --> 01:18:59,920

sure that our listeners and our viewers

2029

01:19:03,990 --> 01:19:01,600

are aware that the amount of work that

2030

01:19:06,310 --> 01:19:04,000

mr cole put into this is is really

2031

01:19:07,990 --> 01:19:06,320

extreme i've done deep dives like this

2032

01:19:10,229 --> 01:19:08,000

and it requires an incredible amount of

2033

01:19:12,070 --> 01:19:10,239

focus and attention and dogged

2034

01:19:13,910 --> 01:19:12,080

persistence because

2035

01:19:15,590 --> 01:19:13,920

sometimes you start looking and you just

2036

01:19:18,390 --> 01:19:15,600

don't get to the answers and you got to

2037

01:19:21,510 --> 01:19:18,400

keep pushing and pushing and pushing

2038

01:19:23,430 --> 01:19:21,520

and uh yeah the the military personnel

2039

01:19:25,030 --> 01:19:23,440

records are way behind because of covet

2040

01:19:25,990 --> 01:19:25,040

now so you can't get information out of

2041

01:19:27,990 --> 01:19:26,000

them

2042

01:19:30,229 --> 01:19:28,000

you know yeah

2043

01:19:31,990 --> 01:19:30,239

but i will i will goth white

2044

01:19:33,830 --> 01:19:32,000

incorporated is saying something

2045

01:19:35,750 --> 01:19:33,840

interesting i played kyber in philly in

2046

01:19:38,630 --> 01:19:35,760

93 it was sick are you talking about

2047

01:19:40,709 --> 01:19:38,640

kyber pass cub pub i'm from philadelphia

2048

01:19:42,870 --> 01:19:40,719

you know goth white incorporated

2049

01:19:44,310 --> 01:19:42,880

and i played the kyber pass club many

2050

01:19:46,229 --> 01:19:44,320

many times

2051

01:19:48,229 --> 01:19:46,239

uh so uh

2052

01:19:50,070 --> 01:19:48,239

let me know what your band was called or

2053

01:19:51,590 --> 01:19:50,080

whatever maybe i remember you from back

2054

01:19:53,750 --> 01:19:51,600

then i was banging around in rock bands

2055

01:19:54,790 --> 01:19:53,760

in philadelphia back then mr cole

2056

01:19:57,510 --> 01:19:54,800

so

2057

01:19:59,189 --> 01:19:57,520

you know uh you excellent work i would

2058

01:20:01,590 --> 01:19:59,199

like to say excellent work and we're

2059

01:20:04,790 --> 01:20:01,600

going to invite mr cole

2060

01:20:06,709 --> 01:20:04,800

to be uh sort of a

2061

01:20:08,229 --> 01:20:06,719

continuing contributor we could say it

2062

01:20:09,990 --> 01:20:08,239

like that right like we're going to work

2063

01:20:12,629 --> 01:20:10,000

on a project together

2064

01:20:15,189 --> 01:20:12,639

going forward because i think you're

2065

01:20:16,229 --> 01:20:15,199

goddamn great investigator

2066

01:20:18,229 --> 01:20:16,239

uh

2067

01:20:20,070 --> 01:20:18,239

and i'm gonna point you at some people

2068

01:20:22,070 --> 01:20:20,080

and see what you could dig up maybe we

2069

01:20:23,510 --> 01:20:22,080

could dig on the same person and share

2070

01:20:26,629 --> 01:20:23,520

back and forth and then we'll come on

2071

01:20:28,950 --> 01:20:26,639

the show and show our results but uh

2072

01:20:30,870 --> 01:20:28,960

excellent excellent work on this guy i

2073

01:20:33,750 --> 01:20:30,880

think that we have clearly established

2074

01:20:36,149 --> 01:20:33,760

that this guy is a scamming lying fraud

2075

01:20:39,830 --> 01:20:36,159

there's no time travel devices he's not

2076

01:20:41,430 --> 01:20:39,840

a doctor his charity is [h__h]

2077

01:20:43,430 --> 01:20:41,440

i mean what more do you want right mr

2078

01:20:44,950 --> 01:20:43,440

cole good job

2079

01:20:46,950 --> 01:20:44,960

well thank you steve thanks for having

2080

01:20:49,189 --> 01:20:46,960

me on i appreciate it

2081

01:20:51,830 --> 01:20:49,199

yeah it's been my pleasure you know yeah

2082

01:20:53,510 --> 01:20:51,840

i'm sure we can we could continue to to

2083

01:20:55,030 --> 01:20:53,520

poke away at that or

2084

01:20:56,629 --> 01:20:55,040

come on and uh

2085

01:20:58,950 --> 01:20:56,639

and give you my investigation of

2086

01:21:01,750 --> 01:20:58,960

dietrich and others and

2087

01:21:03,430 --> 01:21:01,760

you know it's like it's it's been a lot

2088

01:21:05,189 --> 01:21:03,440

of work and it just sits there on my

2089

01:21:07,590 --> 01:21:05,199

little blog you know

2090

01:21:10,550 --> 01:21:07,600

yeah well we can use resources like that

2091

01:21:11,430 --> 01:21:10,560

here you know mr cole mentioned the pres

2092

01:21:16,790 --> 01:21:11,440

like

2093

01:21:18,950 --> 01:21:16,800

be that everybody was reading blogs but

2094

01:21:21,430 --> 01:21:18,960

as time goes on the internet became more

2095

01:21:23,590 --> 01:21:21,440

media rich and people really want videos

2096

01:21:25,830 --> 01:21:23,600

now and they don't want to read it

2097

01:21:27,750 --> 01:21:25,840

we have to well so i i'd be more than

2098

01:21:30,149 --> 01:21:27,760

happy to help spoon feed some of your

2099

01:21:32,149 --> 01:21:30,159

work through a video and get it out to

2100

01:21:34,149 --> 01:21:32,159

more people i thought this work was so

2101

01:21:36,470 --> 01:21:34,159

important that we had to bring you here

2102

01:21:37,750 --> 01:21:36,480

so that more people saw this because for

2103

01:21:39,669 --> 01:21:37,760

all we know

2104

01:21:41,270 --> 01:21:39,679

this guy's gonna pop up again they do

2105

01:21:43,430 --> 01:21:41,280

like whack-a-mole and he's to start

2106

01:21:46,149 --> 01:21:43,440

scamming people looking for investors

2107

01:21:47,510 --> 01:21:46,159

for his time travel technology or

2108

01:21:49,669 --> 01:21:47,520

you know playing on people's heart

2109

01:21:51,590 --> 01:21:49,679

strings asking for donations for his

2110

01:21:53,990 --> 01:21:51,600

children's charity

2111

01:21:56,790 --> 01:21:54,000

from a guy who abandoned his own family

2112

01:21:58,870 --> 01:21:56,800

has a children's charity i certainly i

2113

01:22:00,790 --> 01:21:58,880

certainly did not expect to find that

2114

01:22:04,790 --> 01:22:00,800

towards the end of my investigation i

2115

01:22:06,390 --> 01:22:04,800

was very um bothered upset by that

2116

01:22:07,590 --> 01:22:06,400

to find it interesting

2117

01:22:09,430 --> 01:22:07,600

yeah

2118

01:22:11,590 --> 01:22:09,440

well

2119

01:22:13,430 --> 01:22:11,600

i think you did a fantastic job and like

2120

01:22:15,270 --> 01:22:13,440

i said we want to welcome you to truth

2121

01:22:16,790 --> 01:22:15,280

seekers we're going to make you

2122

01:22:17,990 --> 01:22:16,800

one of our investigators we'll give you

2123

01:22:19,350 --> 01:22:18,000

a good title we'll come up with

2124

01:22:21,430 --> 01:22:19,360

something snazzy and make you sound

2125

01:22:23,669 --> 01:22:21,440

important like truth seekers lead

2126

01:22:25,590 --> 01:22:23,679

investigator or something like that

2127

01:22:28,310 --> 01:22:25,600

because you know you're very skilled at

2128

01:22:30,550 --> 01:22:28,320

this and i can't do all this by myself

2129

01:22:33,510 --> 01:22:30,560

so we're gonna i'm gonna point richard

2130

01:22:34,790 --> 01:22:33,520

cole at somebody like a missile and then

2131

01:22:37,590 --> 01:22:34,800

we're gonna bring him on here and see

2132

01:22:39,990 --> 01:22:37,600

what happens i think it'll be awesome

2133

01:22:43,189 --> 01:22:40,000

great and somebody just commented that i

2134

01:22:45,510 --> 01:22:43,199

am that me i'm great at digging and i

2135

01:22:48,310 --> 01:22:45,520

must have a huge shovel but i'm here to

2136

01:22:50,550 --> 01:22:48,320

tell you uh richard cole is better than

2137

01:22:52,790 --> 01:22:50,560

me at this and he's got a bigger shovel

2138

01:22:54,550 --> 01:22:52,800

than me and we'd be happy to welcome

2139

01:22:56,070 --> 01:22:54,560

that bigger shovel to help us here in

2140

01:22:59,030 --> 01:22:56,080

our efforts we need

2141

01:23:00,950 --> 01:22:59,040

more investigative work to do what we're

2142

01:23:03,110 --> 01:23:00,960

doing here so we'd be happy to welcome

2143

01:23:05,590 --> 01:23:03,120

you to be part of the part of the family

2144

01:23:07,350 --> 01:23:05,600

here and uh this hopefully would be like

2145

01:23:09,110 --> 01:23:07,360

a test run

2146

01:23:11,350 --> 01:23:09,120

uh because you've already done this one

2147

01:23:12,790 --> 01:23:11,360

but let's we'll talk off here about what

2148

01:23:15,430 --> 01:23:12,800

we're going to do next because i have

2149

01:23:18,470 --> 01:23:15,440

some great ideas right

2150

01:23:20,149 --> 01:23:18,480

you do and it it'd be great to uh to be

2151
01:23:21,990 --> 01:23:20,159
more involved and you know it'll keep me

2152
01:23:23,669 --> 01:23:22,000
busy for the rest of the winter keep me

2153
01:23:25,990 --> 01:23:23,679
out of trouble

2154
01:23:27,189 --> 01:23:26,000
well i'm all for that well mr cole i

2155
01:23:29,669 --> 01:23:27,199
want to thank you for your first

2156
01:23:31,830 --> 01:23:29,679
appearance here it has been enlightening

2157
01:23:33,430 --> 01:23:31,840
and uh gotta love these gotcha moments

2158
01:23:35,590 --> 01:23:33,440
my favorite part of this whole thing was

2159
01:23:38,149 --> 01:23:35,600
a guy running a children's charity who

2160
01:23:39,750 --> 01:23:38,159
abandoned his own children i mean that

2161
01:23:42,070 --> 01:23:39,760
that says everything you need to know

2162
01:23:43,510 --> 01:23:42,080
about this guy that's right

2163
01:23:45,669 --> 01:23:43,520

yeah all right well we're going to throw

2164

01:23:47,750 --> 01:23:45,679

you on out of here i'm going to do a

2165

01:23:49,110 --> 01:23:47,760

quick uh we're going gonna i'm gonna

2166

01:23:50,390 --> 01:23:49,120

throw you out of here and do a quick

2167

01:23:51,910 --> 01:23:50,400

wrap-up i don't want to make you stay

2168

01:23:55,590 --> 01:23:51,920

through the whole thing

2169

01:23:57,030 --> 01:23:55,600

uh so i'll be in touch off here okay

2170

01:23:59,030 --> 01:23:57,040

all right steve thanks again for having

2171

01:24:02,390 --> 01:23:59,040

me on all right you have a great night

2172

01:24:04,390 --> 01:24:02,400

thank you miss the impeccable researcher

2173

01:24:06,950 --> 01:24:04,400

investigator

2174

01:24:09,270 --> 01:24:06,960

and now hopefully new truth seekers team

2175

01:24:11,350 --> 01:24:09,280

member going forward here richard cole

2176

01:24:12,790 --> 01:24:11,360

thanks for your help

2177

01:24:14,870 --> 01:24:12,800

and good night

2178

01:24:17,430 --> 01:24:14,880

all right there we go friends well i

2179

01:24:18,229 --> 01:24:17,440

wanted to introduce him to us here

2180

01:24:20,790 --> 01:24:18,239

uh

2181

01:24:23,030 --> 01:24:20,800

before we bring him on with news stories

2182

01:24:25,110 --> 01:24:23,040

he's already had this information i

2183

01:24:26,790 --> 01:24:25,120

thought this is a great story not enough

2184

01:24:29,750 --> 01:24:26,800

people have heard about this

2185

01:24:32,310 --> 01:24:29,760

and he is excellent dogged persistent

2186

01:24:35,110 --> 01:24:32,320

researcher and digger of dirt

2187

01:24:37,270 --> 01:24:35,120

and uh getting to the truth behind some

2188

01:24:40,070 --> 01:24:37,280

of these characters right

2189

01:24:41,830 --> 01:24:40,080

um amy collins commenting richard cole

2190

01:24:44,070 --> 01:24:41,840

is a stand-up guy i'm glad to see him

2191

01:24:45,590 --> 01:24:44,080

make make it on true seekers at last

2192

01:24:48,229 --> 01:24:45,600

yeah it's been a long time coming i

2193

01:24:50,470 --> 01:24:48,239

followed his blog for quite a long time

2194

01:24:52,229 --> 01:24:50,480

but we just could never work it out and

2195

01:24:54,390 --> 01:24:52,239

uh b baker says thanks richard

2196

01:24:56,950 --> 01:24:54,400

magnificent work i agree

2197

01:24:59,110 --> 01:24:56,960

um you know i see i see this guy doing

2198

01:25:01,270 --> 01:24:59,120

some of this work that like

2199

01:25:03,750 --> 01:25:01,280

i do sometimes but i don't have time to

2200

01:25:05,669 --> 01:25:03,760

do so much and i've got a huge to-do

2201

01:25:06,870 --> 01:25:05,679

list so we're going to be really happy

2202

01:25:09,910 --> 01:25:06,880

to bring him

2203

01:25:11,350 --> 01:25:09,920

here as a as as a continuing contributor

2204

01:25:13,590 --> 01:25:11,360

let's say it that way he'll be a

2205

01:25:14,709 --> 01:25:13,600

continuing contributor hopefully going

2206

01:25:15,590 --> 01:25:14,719

forward

2207

01:25:16,790 --> 01:25:15,600

um

2208

01:25:19,669 --> 01:25:16,800

so

2209

01:25:22,229 --> 01:25:19,679

what what else can i say friends i have

2210

01:25:24,830 --> 01:25:22,239

an appearance coming up tonight

2211

01:25:27,669 --> 01:25:24,840

on uh that one time i was abducted by

2212

01:25:29,030 --> 01:25:27,679

aliens podcast

2213

01:25:30,470 --> 01:25:29,040

you know what i'm going to do right now

2214

01:25:31,990 --> 01:25:30,480

is i'm going to go on over to twitter

2215

01:25:34,790 --> 01:25:32,000

and get that link i'm going to put it in

2216

01:25:37,030 --> 01:25:34,800

the live chat and that will be at 10 pm

2217

01:25:39,590 --> 01:25:37,040

eastern time tonight

2218

01:25:41,270 --> 01:25:39,600

uh one second

2219

01:25:44,390 --> 01:25:41,280

so at 10 p.m eastern time tonight i'll

2220

01:25:45,830 --> 01:25:44,400

be on with brianna jamie and spooky

2221

01:25:46,950 --> 01:25:45,840

and uh

2222

01:25:49,510 --> 01:25:46,960

it's the

2223

01:25:50,950 --> 01:25:49,520

that's the good news the bad part is

2224

01:25:53,189 --> 01:25:50,960

that i

2225

01:25:55,189 --> 01:25:53,199

jamie came in here into the live chat

2226

01:25:57,270 --> 01:25:55,199

and said steve's going to be on butt

2227

01:26:00,390 --> 01:25:57,280

stuff later tonight

2228

01:26:01,990 --> 01:26:00,400

uh so um hopefully my wife wasn't

2229

01:26:03,590 --> 01:26:02,000

listening because i i really don't want

2230

01:26:05,430 --> 01:26:03,600

to have to go explain to my wife that

2231

01:26:07,830 --> 01:26:05,440

i'm doing butt stuff with brianna and

2232

01:26:09,110 --> 01:26:07,840

jamie and spooky later that's doesn't

2233

01:26:11,590 --> 01:26:09,120

sound good

2234

01:26:15,350 --> 01:26:13,510

so i'm going to put the link i'll just

2235

01:26:16,790 --> 01:26:15,360

put link to

2236

01:26:22,390 --> 01:26:16,800

tonight's

2237

01:26:25,750 --> 01:26:24,070

there we go and i'll put the link in the

2238

01:26:28,950 --> 01:26:25,760

live chat so anybody can come and join

2239

01:26:31,990 --> 01:26:28,960

us at 10 p.m eastern time tonight

2240

01:26:33,990 --> 01:26:32,000

so um i'm going to bounce off well you

2241

01:26:36,470 --> 01:26:34,000

know what uh i got to do two things

2242

01:26:38,709 --> 01:26:36,480

first i have to remind everybody

2243

01:26:40,870 --> 01:26:38,719

that we're a viewer-supported show

2244

01:26:43,430 --> 01:26:40,880

and uh one of the best ways that you can

2245

01:26:45,270 --> 01:26:43,440

support us is by throwing money at us

2246

01:26:46,709 --> 01:26:45,280

there's a super chat button down there

2247

01:26:49,830 --> 01:26:46,719

while we're doing live broadcasts

2248

01:26:51,590 --> 01:26:49,840

anybody can send a super chat

2249

01:26:52,950 --> 01:26:51,600

and i checked and we read all the super

2250

01:26:54,550 --> 01:26:52,960

chats tonight the other way that you can

2251

01:26:56,870 --> 01:26:54,560

support us is

2252

01:26:58,950 --> 01:26:56,880

make a paypal donation there's a paypal

2253

01:27:01,430 --> 01:26:58,960

donate button link down there in the

2254

01:27:03,350 --> 01:27:01,440

description of the video please please

2255

01:27:04,790 --> 01:27:03,360

if you send a paypal donation be sure to

2256

01:27:06,470 --> 01:27:04,800

add a note

2257

01:27:09,110 --> 01:27:06,480

and give us your

2258

01:27:11,669 --> 01:27:09,120

paypal user id or excuse me give us your

2259

01:27:14,149 --> 01:27:11,679

chat room user id the user id your name

2260

01:27:15,669 --> 01:27:14,159

you use in the live chat any message

2261

01:27:17,430 --> 01:27:15,679

that you want

2262

01:27:18,790 --> 01:27:17,440

us to shout out and we will do that i

2263

01:27:21,510 --> 01:27:18,800

just checked in with the paypal

2264

01:27:23,750 --> 01:27:21,520

donations we didn't get any today

2265

01:27:25,910 --> 01:27:23,760

to shout out but thanks to all the

2266

01:27:29,350 --> 01:27:25,920

paypal donators and super chatters we

2267

01:27:31,350 --> 01:27:29,360

read all the super chatters as well

2268

01:27:33,110 --> 01:27:31,360

and also remind everybody that you can

2269

01:27:34,790 --> 01:27:33,120

sign up for my patreon for as little as

2270

01:27:36,629 --> 01:27:34,800

a dollar a month the link to do that is

2271

01:27:39,110 --> 01:27:36,639

also in the description and on patreon

2272

01:27:41,830 --> 01:27:39,120

we give extra content we do some patreon

2273

01:27:43,910 --> 01:27:41,840

only streams uh sort of a backstage pass

2274

01:27:45,830 --> 01:27:43,920

you get music you get some content that

2275

01:27:48,310 --> 01:27:45,840

we're working on before it is made

2276

01:27:50,870 --> 01:27:48,320

public maybe some stories we're working

2277

01:27:53,350 --> 01:27:50,880

on it's a general backstage pass a buck

2278

01:27:55,830 --> 01:27:53,360

a month really helps to support the show

2279

01:27:57,350 --> 01:27:55,840

finally uh

2280

01:27:58,950 --> 01:27:57,360

oh wait a minute i think i saw another

2281

01:28:01,030 --> 01:27:58,960

one there we go

2282

01:28:03,430 --> 01:28:01,040

uh let's get to the bottom of the chat

2283

01:28:06,550 --> 01:28:03,440

here lead guy with a kind and generous

2284

01:28:08,390 --> 01:28:06,560

bacon donation of 4.99

2285

01:28:10,629 --> 01:28:08,400

i i am putting all of lee guy's

2286

01:28:12,149 --> 01:28:10,639

donations into the bacon fund i don't

2287

01:28:14,470 --> 01:28:12,159

know if you know this lead guy but my

2288

01:28:16,629 --> 01:28:14,480

son's favorite food is bacon

2289

01:28:19,030 --> 01:28:16,639

and me i get i almost get a fight with

2290

01:28:21,910 --> 01:28:19,040

my wife every time we have bacon because

2291

01:28:23,990 --> 01:28:21,920

this kid eats bacon like a horse lee guy

2292

01:28:25,350 --> 01:28:24,000

and by the time i get there there's not

2293

01:28:27,910 --> 01:28:25,360

much left

2294

01:28:30,709 --> 01:28:27,920

so we'll put that into the bacon avoid

2295

01:28:32,870 --> 01:28:30,719

uh a fist fight with my five-year-old

2296

01:28:34,790 --> 01:28:32,880

fund right

2297

01:28:37,030 --> 01:28:34,800

i like bacon too

2298

01:28:39,350 --> 01:28:37,040

he doesn't care

2299

01:28:40,870 --> 01:28:39,360

he really does like bacon only guy so

2300

01:28:42,709 --> 01:28:40,880

thanks lee guy for kindness your

2301
01:28:43,590 --> 01:28:42,719
generosity and continued support of the

2302
01:28:48,229 --> 01:28:43,600
show

2303
01:28:49,430 --> 01:28:48,239
much appreciate it

2304
01:28:52,229 --> 01:28:49,440
um

2305
01:28:53,910 --> 01:28:52,239
goof on asking where is everyone i i

2306
01:28:55,669 --> 01:28:53,920
really don't know but we did a show

2307
01:28:57,590 --> 01:28:55,679
tonight on uh

2308
01:29:00,390 --> 01:28:57,600
we had better numbers earlier sort of

2309
01:29:03,110 --> 01:29:00,400
had a drop off and we're covering a

2310
01:29:05,110 --> 01:29:03,120
little known topic tonight you know it's

2311
01:29:06,790 --> 01:29:05,120
a news story that nobody's ever heard

2312
01:29:09,110 --> 01:29:06,800
really mostly

2313
01:29:12,070 --> 01:29:09,120

rich maybe you should try that

2314

01:29:15,350 --> 01:29:13,910
and i'll give a little bit of time and

2315

01:29:16,870 --> 01:29:15,360
attention to the live chat if you have

2316

01:29:18,550 --> 01:29:16,880
comments or questions for me please put

2317

01:29:21,030 --> 01:29:18,560
them in all caps otherwise i'm going to

2318

01:29:23,669 --> 01:29:21,040
be bouncing on out of here lord ludacris

2319

01:29:24,709 --> 01:29:23,679
platt is here saying good show

2320

01:29:26,790 --> 01:29:24,719
thank you

2321

01:29:28,950 --> 01:29:26,800
very much appreciate it

2322

01:29:30,390 --> 01:29:28,960
uh np reminding everybody that linda

2323

01:29:32,070 --> 01:29:30,400
molten hail is on tonight it'd be

2324

01:29:34,470 --> 01:29:32,080
interesting to see if she actually says

2325

01:29:35,590 --> 01:29:34,480
anything about the recent

2326

01:29:37,350 --> 01:29:35,600

flap

2327

01:29:40,550 --> 01:29:37,360

of things that

2328

01:29:42,950 --> 01:29:40,560

have been going on uh archaic revival so

2329

01:29:45,590 --> 01:29:42,960

scary good investigator uh that's why

2330

01:29:47,830 --> 01:29:45,600

i'm recruiting him archaic revival and

2331

01:29:51,110 --> 01:29:47,840

don't any other shows try to do that i'm

2332

01:29:53,110 --> 01:29:51,120

gonna sign him to an exclusive contract

2333

01:29:55,110 --> 01:29:53,120

that he can only contribute to our show

2334

01:29:56,629 --> 01:29:55,120

and know others right

2335

01:29:58,149 --> 01:29:56,639

i don't know if i'll nail down like that

2336

01:29:59,030 --> 01:29:58,159

but uh

2337

01:30:01,910 --> 01:29:59,040

you know

2338

01:30:03,910 --> 01:30:01,920

one thing i will say is that we try to

2339

01:30:05,990 --> 01:30:03,920

do a lot of original things here archaic

2340

01:30:07,830 --> 01:30:06,000

revival and it seems to me that there's

2341

01:30:10,070 --> 01:30:07,840

a lot of people that just see what we're

2342

01:30:11,350 --> 01:30:10,080

doing and then they do something similar

2343

01:30:14,229 --> 01:30:11,360

or you know

2344

01:30:16,149 --> 01:30:14,239

same stories same sources

2345

01:30:17,830 --> 01:30:16,159

so i'm a little concerned that we're

2346

01:30:19,669 --> 01:30:17,840

going to bring mr cole here as our

2347

01:30:22,070 --> 01:30:19,679

investigator and suddenly he's going to

2348

01:30:25,350 --> 01:30:22,080

be very popular so

2349

01:30:26,550 --> 01:30:25,360

but you know it is what it is

2350

01:30:28,310 --> 01:30:26,560

uh

2351

01:30:32,070 --> 01:30:28,320

i noticed there's a

2352

01:30:34,470 --> 01:30:32,080

big twitter flap about michael sala uh

2353

01:30:36,550 --> 01:30:34,480

and and i just want to say that really

2354

01:30:39,270 --> 01:30:36,560

anybody arguing that michael salah's

2355

01:30:41,270 --> 01:30:39,280

research is impeccable

2356

01:30:43,750 --> 01:30:41,280

needs psychiatric

2357

01:30:45,350 --> 01:30:43,760

counseling or drugs or both

2358

01:30:46,709 --> 01:30:45,360

um and you know

2359

01:30:48,149 --> 01:30:46,719

that's another thing like you know

2360

01:30:50,470 --> 01:30:48,159

people trying to draw me into these

2361

01:30:52,070 --> 01:30:50,480

arguments i i don't really care to argue

2362

01:30:55,590 --> 01:30:52,080

with somebody who thinks that michael

2363

01:30:59,270 --> 01:30:55,600

sala's research is impeccable or

2364

01:31:01,669 --> 01:30:59,280

you know worthy of even reading

2365

01:31:03,030 --> 01:31:01,679

the argument was made that michael

2366

01:31:05,030 --> 01:31:03,040

sala's

2367

01:31:07,910 --> 01:31:05,040

books are very well sourced look he has

2368

01:31:10,709 --> 01:31:07,920

seven sources just in this chapter alone

2369

01:31:12,470 --> 01:31:10,719

but what people are mentioning is just

2370

01:31:13,750 --> 01:31:12,480

because something is sourced doesn't

2371

01:31:15,990 --> 01:31:13,760

mean it's true

2372

01:31:19,510 --> 01:31:16,000

michael sala uses anything for a source

2373

01:31:22,149 --> 01:31:19,520

he uses random websites blogs the sun

2374

01:31:23,830 --> 01:31:22,159

newspaper he i seen him

2375

01:31:25,510 --> 01:31:23,840

cite as a source

2376

01:31:26,629 --> 01:31:25,520

just because you cite your sources

2377

01:31:28,070 --> 01:31:26,639

doesn't mean you're a credible

2378

01:31:30,470 --> 01:31:28,080

researcher it means that you're just

2379

01:31:33,350 --> 01:31:30,480

copying and pasting stupid [h__\h] from

2380

01:31:35,510 --> 01:31:33,360

stupid sources i want you know if if

2381

01:31:37,830 --> 01:31:35,520

your source is the new york times or the

2382

01:31:40,390 --> 01:31:37,840

washington post or philadelphia enquirer

2383

01:31:42,709 --> 01:31:40,400

or the you know

2384

01:31:44,950 --> 01:31:42,719

a newspaper from los angeles that's

2385

01:31:47,430 --> 01:31:44,960

credible right

2386

01:31:48,870 --> 01:31:47,440

okay then you have good sources probably

2387

01:31:50,870 --> 01:31:48,880

because they check

2388

01:31:52,310 --> 01:31:50,880

their information generally i mean i

2389

01:31:53,430 --> 01:31:52,320

don't yeah

2390

01:31:55,189 --> 01:31:53,440

anyway

2391

01:31:58,149 --> 01:31:55,199

somebody that's citing things like the

2392

01:32:00,950 --> 01:31:58,159

new york times or the washington post or

2393

01:32:02,310 --> 01:32:00,960

you know even usa today or any major

2394

01:32:03,990 --> 01:32:02,320

newspaper

2395

01:32:06,470 --> 01:32:04,000

is a little more credible than somebody

2396

01:32:08,790 --> 01:32:06,480

that's citing a literal website that

2397

01:32:09,910 --> 01:32:08,800

they don't even know who writes it right

2398

01:32:12,709 --> 01:32:09,920

it's like a

2399

01:32:16,229 --> 01:32:12,719

michael sala has cited websites written

2400

01:32:18,390 --> 01:32:16,239

by like gray alien 77 that's not a

2401

01:32:21,590 --> 01:32:18,400

credible information i'm sorry that's

2402

01:32:24,870 --> 01:32:21,600

not credible information source right

2403

01:32:27,110 --> 01:32:24,880

b baker saying he got ufo disease yeah i

2404

01:32:29,430 --> 01:32:27,120

believe so right

2405

01:32:31,669 --> 01:32:29,440

spooky is from england and is qualified

2406

01:32:33,590 --> 01:32:31,679

to say this the sun is a literal [h__h]

2407

01:32:36,149 --> 01:32:33,600

rag

2408

01:32:37,750 --> 01:32:36,159

but spooky somebody said michael sala is

2409

01:32:40,629 --> 01:32:37,760

credible because he gives you his

2410

01:32:43,189 --> 01:32:40,639

sighted sources but he cites the sun

2411

01:32:44,070 --> 01:32:43,199

newspaper right they do a story about

2412

01:32:46,149 --> 01:32:44,080

like

2413

01:32:47,990 --> 01:32:46,159

aliens meeting bill clinton he's all

2414

01:32:50,790 --> 01:32:48,000

over there copy and paste that [\h__\h] to

2415

01:32:53,189 --> 01:32:50,800

my website this is good [\h__\h]

2416

01:32:55,430 --> 01:32:53,199

so uh i guess my point is i don't want

2417

01:32:57,669 --> 01:32:55,440

to get drawn into a twitter debate over

2418

01:32:59,830 --> 01:32:57,679

whether michael sala is credible or not

2419

01:33:01,590 --> 01:32:59,840

right

2420

01:33:03,270 --> 01:33:01,600

if you believe that michael style is

2421

01:33:04,310 --> 01:33:03,280

credible good for you

2422

01:33:05,430 --> 01:33:04,320

because

2423

01:33:08,070 --> 01:33:05,440

you know

2424

01:33:09,430 --> 01:33:08,080

look at this here i'm going to do this

2425

01:33:10,550 --> 01:33:09,440

i wasn't going to do this but i am going

2426

01:33:12,470 --> 01:33:10,560

to do it

2427

01:33:14,629 --> 01:33:12,480

okay we're going to do a whole show on

2428

01:33:16,950 --> 01:33:14,639

michael sala's ridiculous [h__\h]

2429

01:33:18,790 --> 01:33:16,960

website

2430

01:33:21,510 --> 01:33:18,800

look at this you're going to tell me

2431

01:33:22,870 --> 01:33:21,520

that this is incredible researcher oh my

2432

01:33:25,350 --> 01:33:22,880

god

2433

01:33:27,430 --> 01:33:25,360

look at this guys right

2434

01:33:29,350 --> 01:33:27,440

look at this guys we're facebook and

2435

01:33:32,229 --> 01:33:29,360

social media blackouts due to the

2436

01:33:35,750 --> 01:33:32,239

capture of tall gray aliens

2437

01:33:40,070 --> 01:33:38,070

there is sensational news that nine tall

2438

01:33:41,990 --> 01:33:40,080

gray even extraterrestrials have been

2439

01:33:44,070 --> 01:33:42,000

captured by the galactic federation of

2440

01:33:45,990 --> 01:33:44,080

worlds only four days earlier which has

2441

01:33:48,629 --> 01:33:46,000

sparked quite a bit of online interest

2442

01:33:53,270 --> 01:33:51,189

and then he cites himself look he cites

2443

01:33:55,750 --> 01:33:53,280

himself i discuss how the tall greys

2444

01:33:57,830 --> 01:33:55,760

were being kept in stasis chambers

2445

01:34:00,870 --> 01:33:57,840

so as to disconnect them from their hive

2446

01:34:02,790 --> 01:34:00,880

queen which was a hive queen is this the

2447

01:34:05,590 --> 01:34:02,800

board we're talking about you idiot

2448

01:34:08,950 --> 01:34:05,600

michael sala and here he is he's another

2449

01:34:10,709 --> 01:34:08,960

doctor he's a doctor this guy is a

2450

01:34:12,550 --> 01:34:10,719

freaking doctor

2451
01:34:15,590 --> 01:34:12,560
look at his galactic federation's

2452
01:34:17,590 --> 01:34:15,600
councils and secret space programs right

2453
01:34:21,750 --> 01:34:17,600
let's look at the archive because this

2454
01:34:26,390 --> 01:34:23,910
oh

2455
01:34:29,590 --> 01:34:26,400
exopolitics articles

2456
01:34:30,550 --> 01:34:29,600
yeah i can't find uh where's his other

2457
01:34:31,510 --> 01:34:30,560
posts

2458
01:34:33,510 --> 01:34:31,520
because

2459
01:34:37,110 --> 01:34:33,520
some of you look galactic federation of

2460
01:34:39,189 --> 01:34:37,120
councils look at this 13 years on series

2461
01:34:42,390 --> 01:34:39,199
with the dark fleet

2462
01:34:46,229 --> 01:34:42,400
update on the alliance joint u.s china

2463
01:34:49,750 --> 01:34:46,239

mission to giant et space station in

2464

01:34:51,590 --> 01:34:49,760

antarctica come on this guy is about as

2465

01:34:53,510 --> 01:34:51,600

credible as the national enquirer i'm

2466

01:34:55,350 --> 01:34:53,520

not going to argue with anybody stupid

2467

01:34:58,390 --> 01:34:55,360

enough to believe this [\h__\h]

2468

01:35:00,149 --> 01:34:58,400

that he spews he is a [\h__\h] peddler of

2469

01:35:02,470 --> 01:35:00,159

garbage

2470

01:35:04,470 --> 01:35:02,480

and and you know part of me like goes

2471

01:35:06,870 --> 01:35:04,480

you know i don't even think i want to

2472

01:35:08,470 --> 01:35:06,880

look into him because it's not worth the

2473

01:35:11,750 --> 01:35:08,480

time it's such

2474

01:35:13,109 --> 01:35:11,760

it's such nonsensical garbage

2475

01:35:16,229 --> 01:35:13,119

information

2476
01:35:19,830 --> 01:35:18,310
amy collins says sal makes the national

2477
01:35:22,550 --> 01:35:19,840
enquirer look like the new york times

2478
01:35:24,629 --> 01:35:22,560
when it comes to ufology yeah this guy

2479
01:35:25,990 --> 01:35:24,639
is garbage

2480
01:35:27,510 --> 01:35:26,000
garbage

2481
01:35:29,590 --> 01:35:27,520
mysterion says there are people with

2482
01:35:31,030 --> 01:35:29,600
doctorates working in 7-eleven stores

2483
01:35:32,709 --> 01:35:31,040
well that i believe

2484
01:35:35,350 --> 01:35:32,719
i happen to know a very educated man

2485
01:35:37,350 --> 01:35:35,360
that works as a 7-eleven uh but it's his

2486
01:35:39,109 --> 01:35:37,360
brothers so he and his brother always

2487
01:35:41,350 --> 01:35:39,119
has trouble with the

2488
01:35:43,430 --> 01:35:41,360

um midnight shift and he this friend of

2489

01:35:46,310 --> 01:35:43,440

mine doesn't sleep much so

2490

01:35:49,109 --> 01:35:46,320

he uh works a midnight shift any any set

2491

01:35:51,109 --> 01:35:49,119

i i i said you really do you like doing

2492

01:35:53,030 --> 01:35:51,119

that job and he goes well i really like

2493

01:35:56,310 --> 01:35:53,040

slurpees and snacks and they got plenty

2494

01:35:58,790 --> 01:35:56,320

of slurpees and snacks so i go there

2495

01:36:00,550 --> 01:35:58,800

have a good time help out my family you

2496

01:36:02,470 --> 01:36:00,560

know

2497

01:36:05,590 --> 01:36:02,480

that's funny he likes slurpees and

2498

01:36:08,629 --> 01:36:07,189

yes and the sixth sense reminding

2499

01:36:11,030 --> 01:36:08,639

everybody thanks to spooky for the most

2500

01:36:12,629 --> 01:36:11,040

wonderful opening sequence to the show

2501

01:36:17,030 --> 01:36:12,639

you can check out her channel here out

2502

01:36:19,669 --> 01:36:17,040

of contact cw channel and uh yeah

2503

01:36:21,510 --> 01:36:19,679

thanks to uh thanks always to spooky and

2504

01:36:23,270 --> 01:36:21,520

now spooky's gonna make me work harder

2505

01:36:26,310 --> 01:36:23,280

because i think we had a scheduling

2506

01:36:27,910 --> 01:36:26,320

problem but it was my fault i meant to

2507

01:36:30,790 --> 01:36:27,920

schedule i

2508

01:36:32,470 --> 01:36:30,800

look i can't generally do my own show

2509

01:36:34,870 --> 01:36:32,480

and a guest appearance

2510

01:36:37,109 --> 01:36:34,880

on the same day it's just too much but

2511

01:36:39,350 --> 01:36:37,119

uh today was pretty easy show for me

2512

01:36:42,470 --> 01:36:39,360

bringing on mr cole with all his work so

2513

01:36:44,709 --> 01:36:42,480

it wasn't my mostly his work all his

2514

01:36:45,750 --> 01:36:44,719

work really my point is you know i had

2515

01:36:48,709 --> 01:36:45,760

an easy

2516

01:36:50,390 --> 01:36:48,719

my show so we can go do this guest spot

2517

01:36:52,790 --> 01:36:50,400

it was supposed to be i meant to

2518

01:36:54,709 --> 01:36:52,800

schedule it on a day that i was off uh

2519

01:36:56,070 --> 01:36:54,719

from doing my own show

2520

01:36:57,990 --> 01:36:56,080

spooky and them are going to make me

2521

01:37:00,629 --> 01:36:58,000

work hard and i'm supposed to remain

2522

01:37:03,270 --> 01:37:00,639

calm and not yell and scream at anybody

2523

01:37:05,030 --> 01:37:03,280

um i'll try my best to be nice to those

2524

01:37:06,470 --> 01:37:05,040

crystal hippie [h__\h]

2525

01:37:08,790 --> 01:37:06,480

and spooky

2526

01:37:10,709 --> 01:37:08,800

i don't consider spooky

2527

01:37:13,910 --> 01:37:10,719

crystal hippie [h__h]

2528

01:37:17,109 --> 01:37:15,510

i guess the final thing i should remind

2529

01:37:18,229 --> 01:37:17,119

everybody

2530

01:37:20,070 --> 01:37:18,239

is this

2531

01:37:22,629 --> 01:37:20,080

if you happen to be listening in audio

2532

01:37:24,870 --> 01:37:22,639

podcast land please do

2533

01:37:27,030 --> 01:37:24,880

jump on over to youtube put truth

2534

01:37:28,790 --> 01:37:27,040

seekers one word in the search bar look

2535

01:37:30,550 --> 01:37:28,800

for me steve campbell the strange guy

2536

01:37:33,430 --> 01:37:30,560

with the sunglasses

2537

01:37:35,590 --> 01:37:33,440

and smash that subscribe button hit that

2538

01:37:37,669 --> 01:37:35,600

notification bell and you too can come

2539

01:37:39,350 --> 01:37:37,679

here and be a part of our live tapings

2540

01:37:41,430 --> 01:37:39,360

you are most welcome

2541

01:37:43,030 --> 01:37:41,440

you hear we take questions comments from

2542

01:37:45,750 --> 01:37:43,040

the live chat

2543

01:37:48,070 --> 01:37:45,760

it's very interactive experience here

2544

01:37:50,149 --> 01:37:48,080

and we welcome your participation so if

2545

01:37:52,790 --> 01:37:50,159

you're listening in audio podcast land

2546

01:37:55,030 --> 01:37:52,800

you're listening to a replay why not go

2547

01:37:56,629 --> 01:37:55,040

over to youtube put true seekers

2548

01:37:58,470 --> 01:37:56,639

in the search bar we're the first ones

2549

01:37:59,669 --> 01:37:58,480

to come up just look for me with the

2550

01:38:01,990 --> 01:37:59,679

sunglasses

2551

01:38:03,590 --> 01:38:02,000

subscribe hit the notification bell and

2552

01:38:06,310 --> 01:38:03,600

then you too will know when we're doing

2553

01:38:08,950 --> 01:38:06,320

a live taping you can come over here and

2554

01:38:10,950 --> 01:38:08,960

submit your questions have a lively chat

2555

01:38:14,070 --> 01:38:10,960

with other people interested in these

2556

01:38:16,390 --> 01:38:14,080

strange and esoteric topics as well

2557

01:38:17,669 --> 01:38:16,400

you are most welcome here please come

2558

01:38:19,430 --> 01:38:17,679

and join us

2559

01:38:21,510 --> 01:38:19,440

and the final thing i would like to

2560

01:38:23,750 --> 01:38:21,520

remind everybody is to please like

2561

01:38:25,109 --> 01:38:23,760

comment subscribe share

2562

01:38:26,310 --> 01:38:25,119

um

2563

01:38:28,149 --> 01:38:26,320

yeah

2564

01:38:31,990 --> 01:38:28,159

send this send these videos to your

2565

01:38:34,070 --> 01:38:32,000

grandma okay your grandma might like

2566

01:38:35,350 --> 01:38:34,080

this show

2567

01:38:37,510 --> 01:38:35,360

can you tell i'm getting desperate

2568

01:38:39,350 --> 01:38:37,520

trying to keep the sub count up i don't

2569

01:38:41,590 --> 01:38:39,360

care if it's your aunt your mom your

2570

01:38:42,870 --> 01:38:41,600

uncle your brother your sister

2571

01:38:44,709 --> 01:38:42,880

right

2572

01:38:45,669 --> 01:38:44,719

actually i think that what everybody

2573

01:38:47,750 --> 01:38:45,679

should do

2574

01:38:50,390 --> 01:38:47,760

is send truth seekers show links to all

2575

01:38:52,950 --> 01:38:50,400

their exes right

2576

01:38:55,189 --> 01:38:52,960

that's one way to make them suffer

2577

01:38:57,350 --> 01:38:55,199

now i really do need your help the

2578

01:39:00,149 --> 01:38:57,360

engagement is down a little bit so be

2579

01:39:01,830 --> 01:39:00,159

sure that you comment we're doing a pin

2580

01:39:03,750 --> 01:39:01,840

the best comment on every one of these

2581

01:39:05,030 --> 01:39:03,760

videos that i like the best i pinned to

2582

01:39:07,189 --> 01:39:05,040

the very top

2583

01:39:09,830 --> 01:39:07,199

and i'm trying my very best to reply to

2584

01:39:12,149 --> 01:39:09,840

more comments i do read you'll notice i

2585

01:39:14,070 --> 01:39:12,159

read every single comment left here on

2586

01:39:15,669 --> 01:39:14,080

every single video i may not have time

2587

01:39:18,229 --> 01:39:15,679

to reply to everybody but i like

2588

01:39:20,709 --> 01:39:18,239

everybody's post that leaves a comment

2589

01:39:22,229 --> 01:39:20,719

and um i do my best to interact with

2590

01:39:25,189 --> 01:39:22,239

people you can also email me at

2591

01:39:26,550 --> 01:39:25,199

truthseekershow gmail.com

2592

01:39:28,629 --> 01:39:26,560

finally i want to remind everybody to

2593

01:39:31,750 --> 01:39:28,639

follow me on twitter it's just my name

2594

01:39:34,550 --> 01:39:31,760

at stevencambian or you can uh follow me

2595

01:39:36,390 --> 01:39:34,560

on facebook either look up truth seekers

2596

01:39:39,189 --> 01:39:36,400

we have a page just for truth seekers on

2597

01:39:41,750 --> 01:39:39,199

facebook or

2598

01:39:43,830 --> 01:39:41,760

if i could keep my uh friend count down

2599

01:39:46,790 --> 01:39:43,840

under 5000 you may be able to friend me

2600

01:39:49,350 --> 01:39:46,800

on facebook again at stephen champion um

2601
01:39:51,510 --> 01:39:49,360
but please you crazy people that like to

2602
01:39:55,109 --> 01:39:51,520
message me at 3am

2603
01:39:57,910 --> 01:39:55,119
uh sometimes i forget to put my phone on

2604
01:39:59,990 --> 01:39:57,920
do not disturb so please be cognizant of

2605
01:40:01,990 --> 01:40:00,000
the fact that i live in uh eastern

2606
01:40:03,350 --> 01:40:02,000
standard time and don't

2607
01:40:06,070 --> 01:40:03,360
message me

2608
01:40:09,430 --> 01:40:06,080
anywhere really after 10 p.m i'm trying

2609
01:40:11,430 --> 01:40:09,440
to go to bed early lately right

2610
01:40:13,109 --> 01:40:11,440
i'm really trying to go to bed early you

2611
01:40:15,189 --> 01:40:13,119
know uh

2612
01:40:16,790 --> 01:40:15,199
doesn't usually work i have breath i

2613
01:40:18,629 --> 01:40:16,800

have terrible insomnia i have my whole

2614

01:40:21,510 --> 01:40:18,639

life but i am trying

2615

01:40:22,950 --> 01:40:21,520

to uh yeah go to bed earlier and

2616

01:40:25,910 --> 01:40:22,960

somebody

2617

01:40:28,709 --> 01:40:25,920

messaging me at 3am about the montauk

2618

01:40:30,790 --> 01:40:28,719

project is not good for me okay

2619

01:40:31,750 --> 01:40:30,800

so we got to keep the the crazy people

2620

01:40:35,189 --> 01:40:31,760

at bay

2621

01:40:36,709 --> 01:40:35,199

after 10 p.m yeah before 10 p.m

2622

01:40:39,430 --> 01:40:36,719

i don't care how crazy you are you can

2623

01:40:41,109 --> 01:40:39,440

message me you know i try to reply i try

2624

01:40:43,189 --> 01:40:41,119

and reply to most people

2625

01:40:43,990 --> 01:40:43,199

and an interesting note that i will end

2626

01:40:47,350 --> 01:40:44,000

with

2627

01:40:49,030 --> 01:40:47,360

recently show host jimmy church held and

2628

01:40:50,950 --> 01:40:49,040

asked me anything

2629

01:40:53,430 --> 01:40:50,960

and if you were supposed to be able to

2630

01:40:56,229 --> 01:40:53,440

ask him any questions and he solicited

2631

01:40:57,590 --> 01:40:56,239

his viewers to ask the questions in a

2632

01:41:00,870 --> 01:40:57,600

twitter feed

2633

01:41:04,550 --> 01:41:00,880

some five or six different people

2634

01:41:06,790 --> 01:41:04,560

i believe asked mr jimmy church why

2635

01:41:12,149 --> 01:41:06,800

he threatened youtube with legal letters

2636

01:41:16,470 --> 01:41:13,590

guess what happened

2637

01:41:18,390 --> 01:41:16,480

he deleted all the messages of people

2638

01:41:19,109 --> 01:41:18,400

asking him anything people wanted to

2639

01:41:22,390 --> 01:41:19,119

know

2640

01:41:23,910 --> 01:41:22,400

why he filed legal threat letters with

2641

01:41:25,990 --> 01:41:23,920

youtube

2642

01:41:28,950 --> 01:41:26,000

that were false copyright claims by the

2643

01:41:31,430 --> 01:41:28,960

way we've won three of four of those

2644

01:41:33,910 --> 01:41:31,440

claims claimed videos now

2645

01:41:35,990 --> 01:41:33,920

there was really just a youtube glitch

2646

01:41:38,550 --> 01:41:36,000

that caused the fourth to not be

2647

01:41:40,629 --> 01:41:38,560

also put back but we filed new

2648

01:41:43,510 --> 01:41:40,639

legal paperwork to have those videos

2649

01:41:45,350 --> 01:41:43,520

restored citing fair use

2650

01:41:48,149 --> 01:41:45,360

and interestingly

2651

01:41:51,430 --> 01:41:48,159

two of the videos were identical

2652

01:41:53,270 --> 01:41:51,440

nearly in one was a live show where we

2653

01:41:55,990 --> 01:41:53,280

had some issues with four minutes of

2654

01:41:58,790 --> 01:41:56,000

dead air so we cut the dead air and

2655

01:42:01,030 --> 01:41:58,800

uploaded a duplicate edited video

2656

01:42:02,870 --> 01:42:01,040

jimmy church filed copyright claims on

2657

01:42:04,470 --> 01:42:02,880

both those videos

2658

01:42:06,390 --> 01:42:04,480

and it's interesting to note that the

2659

01:42:08,470 --> 01:42:06,400

one that remains

2660

01:42:11,990 --> 01:42:08,480

that is still copyright claimed and not

2661

01:42:14,070 --> 01:42:12,000

resolved yet is the identical of the one

2662

01:42:15,990 --> 01:42:14,080

that they did rescind the copyright

2663

01:42:18,790 --> 01:42:16,000

claim on

2664

01:42:21,030 --> 01:42:18,800

i've consulted with attorney and we've

2665

01:42:22,470 --> 01:42:21,040

refiled the paperwork and we are

2666

01:42:24,709 --> 01:42:22,480

confident

2667

01:42:26,390 --> 01:42:24,719

that youtube is going to restore that

2668

01:42:27,350 --> 01:42:26,400

last video

2669

01:42:30,390 --> 01:42:27,360

now

2670

01:42:32,550 --> 01:42:30,400

uh mr jimmy church can run and ask me

2671

01:42:35,109 --> 01:42:32,560

anything but apparently you can ask him

2672

01:42:37,990 --> 01:42:35,119

anything other than why he steps all

2673

01:42:40,950 --> 01:42:38,000

over people's free speech

2674

01:42:42,950 --> 01:42:40,960

mr truther is all about the truth right

2675

01:42:44,870 --> 01:42:42,960

unless you're telling the truth about

2676

01:42:47,270 --> 01:42:44,880

him

2677

01:42:49,750 --> 01:42:47,280

so it is what it is but i thought it

2678

01:42:51,669 --> 01:42:49,760

worthy of mention that mr jimmy church

2679

01:42:54,229 --> 01:42:51,679

holds and asked me anything but nobody's

2680

01:42:56,149 --> 01:42:54,239

allowed to ask him why he stepped all

2681

01:42:58,870 --> 01:42:56,159

over the free speech and falsely

2682

01:43:01,109 --> 01:42:58,880

copyright claimed another content

2683

01:43:03,750 --> 01:43:01,119

creator which is

2684

01:43:06,870 --> 01:43:03,760

an unwritten rule that you don't do that

2685

01:43:09,270 --> 01:43:06,880

in this thing you don't file false

2686

01:43:11,750 --> 01:43:09,280

copyright claims against another content

2687

01:43:14,310 --> 01:43:11,760

creator jimmy church

2688

01:43:16,310 --> 01:43:14,320

and i just also want to mention that i'm

2689

01:43:19,590 --> 01:43:16,320

looking into the possibilities here

2690

01:43:22,470 --> 01:43:19,600

because after all he filed false claims

2691

01:43:24,790 --> 01:43:22,480

i lost money why should i eat that lost

2692

01:43:27,270 --> 01:43:24,800

money i didn't cause that money to be

2693

01:43:28,550 --> 01:43:27,280

lost he did

2694

01:43:29,510 --> 01:43:28,560

so

2695

01:43:32,229 --> 01:43:29,520

hey

2696

01:43:34,470 --> 01:43:32,239

mr jimmy church if you want to file

2697

01:43:37,109 --> 01:43:34,480

false copyright claims and by the way in

2698

01:43:38,950 --> 01:43:37,119

one of those claims he swore under oath

2699

01:43:41,030 --> 01:43:38,960

that the information that he provided to

2700

01:43:43,510 --> 01:43:41,040

youtube was accurate

2701
01:43:45,750 --> 01:43:43,520
and it was completely false because for

2702
01:43:48,550 --> 01:43:45,760
one of those four videos he claimed i

2703
01:43:51,910 --> 01:43:48,560
shared a video from his youtube channel

2704
01:43:55,669 --> 01:43:51,920
but we did not we shared a video from

2705
01:43:58,790 --> 01:43:55,679
billy carson's face facebook page

2706
01:44:01,750 --> 01:43:58,800
facebook live video from billy carson

2707
01:44:03,910 --> 01:44:01,760
that he later copied and uploaded to his

2708
01:44:06,310 --> 01:44:03,920
own channel he does not own the

2709
01:44:08,390 --> 01:44:06,320
copyright to that he refused to provide

2710
01:44:11,830 --> 01:44:08,400
the proof that he owns a copyright to

2711
01:44:15,030 --> 01:44:11,840
that specific video i did not

2712
01:44:17,750 --> 01:44:15,040
share a video from jimmy church's

2713
01:44:20,390 --> 01:44:17,760

youtube channel in that case i shared it

2714

01:44:23,510 --> 01:44:20,400

from billy carson so he lied

2715

01:44:25,990 --> 01:44:23,520

in legal filed paperwork with youtube

2716

01:44:28,470 --> 01:44:26,000

that's against the terms of service and

2717

01:44:31,990 --> 01:44:28,480

could get him a strike if i push that

2718

01:44:36,229 --> 01:44:32,000

issue he lied and provided youtube with

2719

01:44:38,790 --> 01:44:36,239

completely false information about that

2720

01:44:41,430 --> 01:44:38,800

saying i uploaded a video from his

2721

01:44:42,470 --> 01:44:41,440

channel we didn't do that we uploaded a

2722

01:44:44,950 --> 01:44:42,480

video

2723

01:44:48,390 --> 01:44:44,960

from billy carson's facebook page excuse

2724

01:44:50,950 --> 01:44:48,400

me not uploaded shared one minute of a

2725

01:44:53,750 --> 01:44:50,960

video from billy carson's facebook page

2726

01:44:56,669 --> 01:44:53,760

and again in the case of that video it

2727

01:45:01,270 --> 01:44:56,679

was a 50-second clip out of a

2728

01:45:03,990 --> 01:45:01,280

2.5 hour show that my friends is fair

2729

01:45:06,629 --> 01:45:04,000

use i cited fair use before we played

2730

01:45:08,470 --> 01:45:06,639

the video there's a fair use

2731

01:45:10,950 --> 01:45:08,480

disclaimer in the description of the

2732

01:45:13,830 --> 01:45:10,960

video and there i cited fair use

2733

01:45:16,390 --> 01:45:13,840

verbally i said this is fair use and why

2734

01:45:18,390 --> 01:45:16,400

it was fair use before we shared that 50

2735

01:45:20,870 --> 01:45:18,400

second clip and there was a fair use

2736

01:45:23,750 --> 01:45:20,880

banner rolling across the bottom of the

2737

01:45:25,669 --> 01:45:23,760

screen the entire 50 seconds that clip

2738

01:45:28,629 --> 01:45:25,679

played and by the way i didn't even play

2739

01:45:30,870 --> 01:45:28,639

the full 50 second clip i played it for

2740

01:45:32,229 --> 01:45:30,880

a little while stopped it commented on

2741

01:45:35,510 --> 01:45:32,239

it critiqued it

2742

01:45:37,990 --> 01:45:35,520

that's fair use he falsely copyright

2743

01:45:40,070 --> 01:45:38,000

claimed us in order to get those videos

2744

01:45:42,950 --> 01:45:40,080

taken off of youtube because he doesn't

2745

01:45:46,709 --> 01:45:42,960

want you or especially his own viewers

2746

01:45:47,510 --> 01:45:46,719

to see what the content of those videos

2747

01:45:50,709 --> 01:45:47,520

was

2748

01:45:54,790 --> 01:45:52,950

and his business practices but you know

2749

01:45:57,270 --> 01:45:54,800

what jimmy church if you want to work

2750

01:45:59,830 --> 01:45:57,280

for a company that promotes a kiddie

2751

01:46:01,910 --> 01:45:59,840

porn collector and profits from a kiddie

2752

01:46:04,229 --> 01:46:01,920

porn collector people have the right to

2753

01:46:07,510 --> 01:46:04,239

know that you're working for a company

2754

01:46:10,070 --> 01:46:07,520

and promoting your documentary with the

2755

01:46:12,229 --> 01:46:10,080

same company that produced a documentary

2756

01:46:13,910 --> 01:46:12,239

about a kiddie porn collector and i have

2757

01:46:16,629 --> 01:46:13,920

the right to let people know that and

2758

01:46:19,030 --> 01:46:16,639

you have no right to strike my videos

2759

01:46:21,270 --> 01:46:19,040

falsely

2760

01:46:22,709 --> 01:46:21,280

and there i've said what i've got to say

2761

01:46:25,830 --> 01:46:22,719

i'm going to have more to say on this

2762

01:46:28,229 --> 01:46:25,840

issue once the final issue is resolved

2763

01:46:30,790 --> 01:46:28,239

uh until then i'm not gonna say anything

2764

01:46:31,669 --> 01:46:30,800

about it it's in the hands of uh

2765

01:46:33,510 --> 01:46:31,679

you know

2766

01:46:37,590 --> 01:46:33,520

uh

2767

01:46:39,270 --> 01:46:37,600

it's in the hands of of of others right

2768

01:46:40,790 --> 01:46:39,280

but we're confident that we're gonna win

2769

01:46:42,870 --> 01:46:40,800

because

2770

01:46:44,870 --> 01:46:42,880

two of the videos were identical in one

2771

01:46:46,790 --> 01:46:44,880

youtube accepted my paperwork agreed

2772

01:46:48,790 --> 01:46:46,800

that it was fair use they put the video

2773

01:46:50,709 --> 01:46:48,800

back and dropped the claim and the other

2774

01:46:53,350 --> 01:46:50,719

one for some reason

2775

01:46:56,470 --> 01:46:53,360

i'm told by a youtube support rep it was

2776

01:46:58,470 --> 01:46:56,480

because i copied and pasted the same uh

2777

01:47:00,870 --> 01:46:58,480

legal defense letter and they

2778

01:47:02,870 --> 01:47:00,880

it got flagged by an algo

2779

01:47:06,229 --> 01:47:02,880

it was a mistake

2780

01:47:07,990 --> 01:47:06,239

that fourth video is going back up

2781

01:47:10,470 --> 01:47:08,000

and when it does we're creating a

2782

01:47:12,550 --> 01:47:10,480

playlist and we're going to call it

2783

01:47:14,470 --> 01:47:12,560

we're going to call that playlist videos

2784

01:47:17,270 --> 01:47:14,480

that jimmy church filed legal threats

2785

01:47:19,910 --> 01:47:17,280

against truth seekers over and then

2786

01:47:21,510 --> 01:47:19,920

congratulations jimmy church more people

2787

01:47:23,830 --> 01:47:21,520

are going to see those videos they're

2788

01:47:25,910 --> 01:47:23,840

gonna want to know what's so important

2789

01:47:27,510 --> 01:47:25,920

in those videos that jimmy church would

2790

01:47:30,550 --> 01:47:27,520

lie through his teeth and legal

2791

01:47:33,590 --> 01:47:30,560

paperwork and get my videos taken down

2792

01:47:35,669 --> 01:47:33,600

by youtube using false copyright claims

2793

01:47:36,709 --> 01:47:35,679

and hey here's another here's another

2794

01:47:41,669 --> 01:47:36,719

great

2795

01:47:43,830 --> 01:47:41,679

i believe i am correct in how i

2796

01:47:45,030 --> 01:47:43,840

understand how this works and that once

2797

01:47:47,669 --> 01:47:45,040

that last

2798

01:47:49,189 --> 01:47:47,679

video claim gets

2799

01:47:51,270 --> 01:47:49,199

put back

2800

01:47:53,830 --> 01:47:51,280

and the claim gets taken away

2801

01:47:56,229 --> 01:47:53,840

the strike that he gave us is going to

2802

01:47:57,910 --> 01:47:56,239

go on his channel for filing false

2803

01:48:00,390 --> 01:47:57,920

claims

2804

01:48:02,390 --> 01:48:00,400

i believe that's the way this works and

2805

01:48:04,950 --> 01:48:02,400

i hope it does because he should have

2806

01:48:07,270 --> 01:48:04,960

some consequences for filing false

2807

01:48:09,669 --> 01:48:07,280

claims and you know

2808

01:48:11,590 --> 01:48:09,679

really i think another thing is you know

2809

01:48:14,390 --> 01:48:11,600

we're struggling real hard trying to

2810

01:48:16,390 --> 01:48:14,400

grow our show here and earn income for

2811

01:48:19,750 --> 01:48:16,400

our show so we could keep it going who

2812

01:48:22,390 --> 01:48:19,760

the hell what right does he have to take

2813

01:48:24,870 --> 01:48:22,400

our videos down and affect our ad

2814

01:48:27,669 --> 01:48:24,880

earnings by having videos removed from

2815

01:48:30,149 --> 01:48:27,679

our channel with false legal claims he

2816

01:48:32,709 --> 01:48:30,159

has no right to do that and he caused

2817

01:48:36,950 --> 01:48:32,719

our show loss of earnings

2818

01:48:39,510 --> 01:48:38,629

we're looking into that situation as

2819

01:48:41,990 --> 01:48:39,520

well

2820

01:48:43,270 --> 01:48:42,000

but it is what it is

2821

01:48:44,550 --> 01:48:43,280

uh just wanted to make sure that

2822

01:48:46,470 --> 01:48:44,560

everybody understands because people

2823

01:48:48,470 --> 01:48:46,480

keep asking me what's going on with that

2824

01:48:49,350 --> 01:48:48,480

we're three or four we won and by the

2825

01:48:53,030 --> 01:48:49,360

way

2826

01:48:55,189 --> 01:48:53,040

my legal defense letters are so good

2827

01:48:56,629 --> 01:48:55,199

we have never lost a copyright claim or

2828

01:48:58,629 --> 01:48:56,639

strike this is the first time we've

2829

01:49:01,750 --> 01:48:58,639

gotten a hard strike

2830

01:49:04,390 --> 01:49:01,760

but every other claim some 27 of them i

2831

01:49:10,310 --> 01:49:07,590

we got claims on when we were using

2832

01:49:13,030 --> 01:49:10,320

stuff under fair use i filed a letter

2833

01:49:14,950 --> 01:49:13,040

in a short time youtube looks at it they

2834

01:49:17,830 --> 01:49:14,960

say you're right it was fair use we're

2835

01:49:20,550 --> 01:49:17,840

sorry and they take the claim off so

2836

01:49:23,750 --> 01:49:20,560

we're we're batting a hundred percent we

2837

01:49:26,390 --> 01:49:23,760

always win these things maybe jimmy is

2838

01:49:29,830 --> 01:49:26,400

it didn't know that we win these things

2839

01:49:31,589 --> 01:49:29,840

and that we aggressively defend our

2840

01:49:32,709 --> 01:49:31,599

rights to free speech

2841

01:49:34,629 --> 01:49:32,719

and

2842

01:49:36,470 --> 01:49:34,639

to what we do here

2843

01:49:38,950 --> 01:49:36,480

i'm not just going to lay down and take

2844

01:49:42,950 --> 01:49:38,960

a strike and wait 90 days

2845

01:49:45,589 --> 01:49:42,960

and leave my videos down my ad earning

2846

01:49:47,830 --> 01:49:45,599

revenue generating for the show videos

2847

01:49:50,709 --> 01:49:47,840

i'm not gonna leave for revenue earning

2848

01:49:53,589 --> 01:49:50,719

gen money generating videos down for

2849

01:49:55,830 --> 01:49:53,599

three months and just take the strike no

2850

01:49:57,750 --> 01:49:55,840

we stood up to this injustice and i will

2851
01:50:00,070 --> 01:49:57,760
continue to do that

2852
01:50:02,709 --> 01:50:00,080
we don't back down here jimmy we're not

2853
01:50:04,070 --> 01:50:02,719
like you you spineless

2854
01:50:07,669 --> 01:50:04,080
i don't even want to get into it i don't

2855
01:50:11,750 --> 01:50:09,990
we're not spineless here jimmy we stand

2856
01:50:12,629 --> 01:50:11,760
up and we defend our rights to free

2857
01:50:13,750 --> 01:50:12,639
speech

2858
01:50:15,830 --> 01:50:13,760
and for you

2859
01:50:18,310 --> 01:50:15,840
being mr truther right you're going to

2860
01:50:21,510 --> 01:50:18,320
stomp all over my free speech i don't

2861
01:50:23,109 --> 01:50:21,520
think so i don't think so

2862
01:50:25,990 --> 01:50:23,119
so we've done what we ought to do to

2863
01:50:28,709 --> 01:50:26,000

defend our rights here i will continue

2864

01:50:31,830 --> 01:50:28,719

to vigorously aggressively

2865

01:50:34,149 --> 01:50:31,840

at any any by any means necessary we

2866

01:50:38,390 --> 01:50:34,159

will use all means at our disposal to

2867

01:50:40,709 --> 01:50:38,400

aggressively defend our free speech

2868

01:50:42,470 --> 01:50:40,719

when it comes to this show i stand by

2869

01:50:44,870 --> 01:50:42,480

everything that was in those videos as

2870

01:50:46,470 --> 01:50:44,880

being factually correct to any

2871

01:50:48,950 --> 01:50:46,480

reasonable person

2872

01:50:49,750 --> 01:50:48,960

who did the research that i did

2873

01:50:52,070 --> 01:50:49,760

so

2874

01:50:53,270 --> 01:50:52,080

i stand by our work here and we don't

2875

01:50:55,830 --> 01:50:53,280

back down

2876

01:50:56,870 --> 01:50:55,840

and uh in a very short time i think it's

2877

01:50:59,750 --> 01:50:56,880

good

2878

01:51:00,629 --> 01:50:59,760

i don't even know uh maybe uh

2879

01:51:04,470 --> 01:51:00,639

maybe

2880

01:51:06,790 --> 01:51:04,480

outcome right

2881

01:51:08,709 --> 01:51:06,800

we'll have that outcome resolved

2882

01:51:10,390 --> 01:51:08,719

and um

2883

01:51:12,629 --> 01:51:10,400

i don't i don't think this is going to

2884

01:51:14,709 --> 01:51:12,639

work out well for mr church right it

2885

01:51:16,870 --> 01:51:14,719

makes him look

2886

01:51:19,430 --> 01:51:16,880

it's terrible optics

2887

01:51:20,470 --> 01:51:19,440

another content creator does shows

2888

01:51:22,870 --> 01:51:20,480

covering

2889

01:51:24,470 --> 01:51:22,880

what you have been up to and you file

2890

01:51:26,390 --> 01:51:24,480

copyright claims to get those shows

2891

01:51:27,589 --> 01:51:26,400

taken off of youtube

2892

01:51:30,229 --> 01:51:27,599

by the way

2893

01:51:33,510 --> 01:51:30,239

uh he's not he's not

2894

01:51:35,830 --> 01:51:33,520

universally uh doing this they're still

2895

01:51:37,270 --> 01:51:35,840

on rumble they're on [h__h] shoot why

2896

01:51:38,709 --> 01:51:37,280

didn't you file copyright claims with

2897

01:51:40,790 --> 01:51:38,719

those people if he's so concerned with

2898

01:51:42,870 --> 01:51:40,800

copyrights no this wasn't about

2899

01:51:44,390 --> 01:51:42,880

copyrights this was about him getting

2900

01:51:46,709 --> 01:51:44,400

those videos taken off of youtube

2901
01:51:49,430 --> 01:51:46,719
because he doesn't want people looking

2902
01:51:52,709 --> 01:51:49,440
at them viewing them hearing what the

2903
01:51:54,310 --> 01:51:52,719
contents of those videos are

2904
01:51:56,310 --> 01:51:54,320
it's not about copyright if it was about

2905
01:51:57,270 --> 01:51:56,320
copyright he would file the copyright

2906
01:51:58,870 --> 01:51:57,280
claim

2907
01:52:00,870 --> 01:51:58,880
with all of these companies that are

2908
01:52:02,950 --> 01:52:00,880
hosting our work he only did it with

2909
01:52:04,470 --> 01:52:02,960
youtube because he knows most people are

2910
01:52:06,390 --> 01:52:04,480
going to see it who are going to see it

2911
01:52:08,950 --> 01:52:06,400
are going to see it on youtube it's a

2912
01:52:11,109 --> 01:52:08,960
tactic to stomp all over my

2913
01:52:13,910 --> 01:52:11,119

constitutional rights

2914

01:52:15,589 --> 01:52:13,920

it's a tactic to sweep all that dirt

2915

01:52:17,430 --> 01:52:15,599

under the rug and hope nobody hears

2916

01:52:18,950 --> 01:52:17,440

about it it's not going to work it's

2917

01:52:21,270 --> 01:52:18,960

going to backfire it's already

2918

01:52:24,149 --> 01:52:21,280

backfiring badly

2919

01:52:26,070 --> 01:52:24,159

but i've talked enough about this

2920

01:52:27,589 --> 01:52:26,080

what can i say i want to thank each and

2921

01:52:28,950 --> 01:52:27,599

every one of you for joining us i want

2922

01:52:29,750 --> 01:52:28,960

to

2923

01:52:32,870 --> 01:52:29,760

uh thank our

2924

01:52:35,109 --> 01:52:32,880

the show now richard cole for his uh

2925

01:52:37,350 --> 01:52:35,119

kindness and coming here and sharing

2926

01:52:39,510 --> 01:52:37,360

some of his really really impeccable

2927

01:52:41,350 --> 01:52:39,520

work the guy does great work and we're

2928

01:52:43,189 --> 01:52:41,360

going to be real happy to have him sort

2929

01:52:45,109 --> 01:52:43,199

of as a team member here

2930

01:52:48,149 --> 01:52:45,119

boy i can't wait to point him like a

2931

01:52:50,870 --> 01:52:48,159

missile at some stories right

2932

01:52:54,070 --> 01:52:50,880

and see what happens uh

2933

01:52:55,510 --> 01:52:54,080

yeah so i've i put the uh link to

2934

01:52:56,550 --> 01:52:55,520

tonight's uh

2935

01:52:58,790 --> 01:52:56,560

show

2936

01:53:01,990 --> 01:52:58,800

uh with the girls from that one time i

2937

01:53:03,990 --> 01:53:02,000

was abducted by aliens uh and they call

2938

01:53:04,950 --> 01:53:04,000

their show now butt stuff with bj's

2939

01:53:07,750 --> 01:53:04,960

great

2940

01:53:09,589 --> 01:53:07,760

i'm on a show called butt stuff with

2941

01:53:12,070 --> 01:53:09,599

bj's and i may have to explain to my

2942

01:53:15,270 --> 01:53:12,080

wife why somebody in my live chat said

2943

01:53:16,550 --> 01:53:15,280

i'm doing butt stuff later with people

2944

01:53:18,310 --> 01:53:16,560

great

2945

01:53:20,629 --> 01:53:18,320

i'm at the pinnacle of my career you

2946

01:53:23,270 --> 01:53:20,639

know i've performed at

2947

01:53:26,149 --> 01:53:23,280

really prestigious locations in new york

2948

01:53:27,910 --> 01:53:26,159

city in las vegas right been on

2949

01:53:30,229 --> 01:53:27,920

television

2950

01:53:32,070 --> 01:53:30,239

now i'm gonna be on butt stuff with bj's

2951
01:53:33,430 --> 01:53:32,080
great great

2952
01:53:35,350 --> 01:53:33,440
great

2953
01:53:36,550 --> 01:53:35,360
well what can i say friends oh but by

2954
01:53:38,709 --> 01:53:36,560
the way they're friends of the show and

2955
01:53:40,470 --> 01:53:38,719
i'm happy to do it right

2956
01:53:43,030 --> 01:53:40,480
i think i owe spooky about a thousand

2957
01:53:45,910 --> 01:53:43,040
favors by now so gotta go do them a

2958
01:53:47,430 --> 01:53:45,920
favor if they ask absolutely so what can

2959
01:53:50,149 --> 01:53:47,440
i say friends always happy when there's

2960
01:53:53,109 --> 01:53:50,159
an audience uh thank you so much for

2961
01:53:54,950 --> 01:53:53,119
coming here and being a part of mine

2962
01:53:56,709 --> 01:53:54,960
uh we will be returning tomorrow we've

2963
01:53:58,709 --> 01:53:56,719

got another show at 7 00 p.m eastern

2964

01:54:01,030 --> 01:53:58,719

time and we're gonna have lon strickler

2965

01:54:02,550 --> 01:54:01,040

who's been investigating the most recent

2966

01:54:06,070 --> 01:54:02,560

sightings that you may have heard about

2967

01:54:07,669 --> 01:54:06,080

of the mothman in chicago can't wait to

2968

01:54:09,589 --> 01:54:07,679

do that one this is going to be a good

2969

01:54:11,589 --> 01:54:09,599

one tomorrow night 7 p.m eastern

2970

01:54:14,229 --> 01:54:11,599

standard time be right here we'll have

2971

01:54:15,430 --> 01:54:14,239

another great live show for you so i

2972

01:54:17,430 --> 01:54:15,440

want to thank each and every one of you

2973

01:54:19,750 --> 01:54:17,440

for joining us thank my guest tonight

2974

01:54:21,109 --> 01:54:19,760

richard cole welcome him to the truth

2975

01:54:23,109 --> 01:54:21,119

seekers team

2976

01:54:24,790 --> 01:54:23,119

and uh boy what can i say come back

2977

01:54:26,950 --> 01:54:24,800

tomorrow we're gonna have another great

2978

01:54:29,030 --> 01:54:26,960

show for you so until next time friends

2979

01:54:33,900 --> 01:54:29,040

my name is stephen campion good night

2980

01:55:54,240 --> 01:55:52,870

[Music]

2981

01:57:01,490 --> 01:55:54,250

[Applause]

2982

01:57:11,270 --> 01:57:06,830

[Music]

2983

01:57:42,300 --> 01:57:12,890

so
