ALL ABOUT MAGIC, WITH THE  
MOUNTAIN MYSTIC MARILEE NIETAIN

1  
00:00:05,349 --> 00:00:02,869  
this program is a legacy program which

2  
00:00:07,909 --> 00:00:05,359  
was recorded some time ago

3  
00:00:10,390 --> 00:00:07,919  
views and subject matter are products of

4  
00:00:13,030 --> 00:00:10,400  
the time in which they were recorded and

5  
00:00:39,430 --> 00:00:13,040  
may not reflect current news or cultural

6  
00:00:39,440 --> 00:00:56,709  
[Music]

7  
00:00:56,719 --> 00:01:01,110  
history

8  
00:01:08,149 --> 00:01:03,670  
welcome back my friends back to the

9  
00:01:11,109 --> 00:01:08,159  
midnight hour you have reached us here

10  
00:01:13,670 --> 00:01:11,119  
at the hour of midnight

11  
00:01:17,510 --> 00:01:13,680  
for the midnight hour show

12  
00:01:19,910 --> 00:01:17,520  
only on the fringe fn

13  
00:01:22,390 --> 00:01:19,920

i'm so happy to be here to share this

14

00:01:24,950 --> 00:01:22,400

time with you tonight

15

00:01:28,149 --> 00:01:24,960

tonight we will be discussing something

16

00:01:29,670 --> 00:01:28,159

i have not truly thought about for some

17

00:01:30,950 --> 00:01:29,680

time

18

00:01:32,550 --> 00:01:30,960

and that is

19

00:01:34,390 --> 00:01:32,560

magic

20

00:01:36,310 --> 00:01:34,400

now many of you know

21

00:01:38,469 --> 00:01:36,320

that i

22

00:01:40,870 --> 00:01:38,479

spent a great deal of time

23

00:01:43,350 --> 00:01:40,880

performing magic shows

24

00:01:45,109 --> 00:01:43,360

as a magician a stage magician an

25

00:01:48,149 --> 00:01:45,119

illusionist

26

00:01:49,990 --> 00:01:48,159

but it would be wrong for me not

27

00:01:53,190 --> 00:01:50,000

to mention

28

00:01:56,069 --> 00:01:53,200

that my interest in that art form truly

29

00:01:59,749 --> 00:01:56,079

began with my study

30

00:02:02,310 --> 00:01:59,759

of what people call real magic

31

00:02:04,420 --> 00:02:02,320

ceremonial magic

32

00:02:05,990 --> 00:02:04,430

and things like witchcraft

33

00:02:09,190 --> 00:02:06,000

[Music]

34

00:02:12,630 --> 00:02:09,200

i thought that it would be good for me

35

00:02:15,350 --> 00:02:12,640

to reconnect with some of those roots

36

00:02:18,470 --> 00:02:15,360

that caused me to become so interested

37

00:02:20,150 --> 00:02:18,480

in the art of illusion

38

00:02:22,390 --> 00:02:20,160

so tonight

39

00:02:24,630 --> 00:02:22,400

tonight we're gonna do just that

40

00:02:27,430 --> 00:02:24,640

tonight my friends is

41

00:02:30,470 --> 00:02:27,440

all about magic

42

00:02:33,110 --> 00:02:30,480

tonight i thought we would explore

43

00:02:35,750 --> 00:02:33,120

some very important questions

44

00:02:38,390 --> 00:02:35,760

like is magic real can you really use

45

00:02:41,750 --> 00:02:38,400

spells and incantations

46

00:02:46,949 --> 00:02:43,830

what is the difference between black

47

00:02:49,509 --> 00:02:46,959

magic and weight magic

48

00:02:51,350 --> 00:02:49,519

don't you want to know

49

00:02:54,150 --> 00:02:51,360

i want to know

50

00:02:56,550 --> 00:02:54,160

i want to be reminded of that interest

51  
00:02:59,110 --> 00:02:56,560  
that i once had in this incredible

52  
00:03:03,509 --> 00:03:01,270  
i learned

53  
00:03:05,430 --> 00:03:03,519  
something very incredible and powerful

54  
00:03:07,030 --> 00:03:05,440  
from this thing called magic when i was

55  
00:03:08,229 --> 00:03:07,040  
growing up

56  
00:03:09,910 --> 00:03:08,239  
and that is

57  
00:03:13,030 --> 00:03:09,920  
this simple phrase

58  
00:03:14,949 --> 00:03:13,040  
as my will so mote it be

59  
00:03:17,830 --> 00:03:14,959  
is the working of this thing called

60  
00:03:20,470 --> 00:03:17,840  
magic that simple is it simply a way to

61  
00:03:21,589 --> 00:03:20,480  
focus your will towards your desired

62  
00:03:23,830 --> 00:03:21,599  
goals

63  
00:03:26,550 --> 00:03:23,840

well folks i gotta tell you

64

00:03:28,550 --> 00:03:26,560

i believe it is and i have come back to

65

00:03:29,750 --> 00:03:28,560

that simple phrase throughout my

66

00:03:32,550 --> 00:03:29,760

lifetime

67

00:03:36,869 --> 00:03:32,560

time and time again

68

00:03:41,990 --> 00:03:39,350

i have thought about that and learned to

69

00:03:44,309 --> 00:03:42,000

focus my energy and my will

70

00:03:46,550 --> 00:03:44,319

toward a desired outcome

71

00:03:50,710 --> 00:03:46,560

and i've got to tell you that every time

72

00:03:53,270 --> 00:03:50,720

i have truly truly concentrated on that

73

00:03:57,750 --> 00:03:53,280

as my will so mote it be i have been

74

00:03:59,429 --> 00:03:57,760

able to change things in my life

75

00:04:00,630 --> 00:03:59,439

i gotta tell you folks

76

00:04:04,309 --> 00:04:00,640

sometimes

77

00:04:07,110 --> 00:04:04,319

i believe in magic

78

00:04:10,949 --> 00:04:07,120

but what i believe magic truly is is

79

00:04:13,110 --> 00:04:10,959

simply a way to focus your will on a

80

00:04:16,550 --> 00:04:13,120

given outcome

81

00:04:17,509 --> 00:04:16,560

to get that which you want to happen to

82

00:04:19,430 --> 00:04:17,519

happen

83

00:04:20,870 --> 00:04:19,440

through sheer force of will

84

00:04:22,550 --> 00:04:20,880

determination

85

00:04:25,030 --> 00:04:22,560

and a focus

86

00:04:27,590 --> 00:04:25,040

that perhaps this thing called magic can

87

00:04:29,590 --> 00:04:27,600

help you achieve

88

00:04:32,870 --> 00:04:29,600

well my friends

89

00:04:35,030 --> 00:04:32,880

i wanted to talk to an expert on this

90

00:04:36,629 --> 00:04:35,040

to get reacquainted with this thing

91

00:04:40,150 --> 00:04:36,639

called magic

92

00:04:43,350 --> 00:04:40,160

so tonight we're gonna talk to

93

00:04:45,749 --> 00:04:43,360

marilee neodym who has been studying

94

00:04:47,590 --> 00:04:45,759

magic her entire life

95

00:04:49,670 --> 00:04:47,600

and tonight we're going to peel back a

96

00:04:51,990 --> 00:04:49,680

few of the layers of

97

00:04:53,030 --> 00:04:52,000

mystery surrounding this thing called

98

00:04:56,950 --> 00:04:53,040

magic

99

00:04:59,510 --> 00:04:56,960

and ask her about her insights into this

100

00:05:02,150 --> 00:04:59,520

incredible thing

101  
00:05:11,430 --> 00:05:02,160  
without further ado my friends

102  
00:05:14,629 --> 00:05:13,110  
i've been looking at your website and i

103  
00:05:17,909 --> 00:05:14,639  
thought we would begin

104  
00:05:20,870 --> 00:05:17,919  
by i'd like to ask you about you seem to

105  
00:05:23,990 --> 00:05:20,880  
be a lot like me in a certain sense and

106  
00:05:25,270 --> 00:05:24,000  
that you are into many different things

107  
00:05:26,710 --> 00:05:25,280  
and uh

108  
00:05:28,950 --> 00:05:26,720  
can you tell us about how you got

109  
00:05:32,310 --> 00:05:28,960  
started with this project and what do

110  
00:05:36,070 --> 00:05:34,629  
uh yeah that's the latest

111  
00:05:38,070 --> 00:05:36,080  
name of

112  
00:05:40,870 --> 00:05:38,080  
what we're about here is the mystic

113  
00:05:45,189 --> 00:05:40,880

mountain i am just

114

00:05:48,150 --> 00:05:45,199

transferring information and all of the

115

00:05:50,070 --> 00:05:48,160

all articles and materials that were on

116

00:05:52,550 --> 00:05:50,080

the previous website which was soul

117

00:05:53,350 --> 00:05:52,560

tribe sanctuary

118

00:05:56,629 --> 00:05:53,360

so

119

00:05:58,710 --> 00:05:56,639

um it's been kind of a

120

00:06:01,350 --> 00:05:58,720

evolution developmental kind of thing

121

00:06:03,830 --> 00:06:01,360

from decades ago i've just i've had

122

00:06:06,550 --> 00:06:03,840

several groups

123

00:06:09,110 --> 00:06:06,560

on varying levels that have

124

00:06:12,550 --> 00:06:09,120

integrated

125

00:06:13,749 --> 00:06:12,560

well pretty eclectic background

126

00:06:20,070 --> 00:06:13,759

my

127

00:06:22,150 --> 00:06:20,080

spiritual background

128

00:06:25,270 --> 00:06:22,160

lot of things so it goes way way deep

129

00:06:28,390 --> 00:06:25,280

i'll let you go ahead and just

130

00:06:29,510 --> 00:06:28,400

well i i heard some of the uh this uh

131

00:06:33,909 --> 00:06:29,520

this

132

00:06:35,749 --> 00:06:33,919

or prairie fire is that what it's called

133

00:06:40,230 --> 00:06:35,759

i'm sorry

134

00:06:43,430 --> 00:06:40,240

don't have my notes in front of me

135

00:06:46,070 --> 00:06:43,440

yeah yeah and we spell it with a y

136

00:06:47,909 --> 00:06:46,080

um some of those materials that came

137

00:06:49,749 --> 00:06:47,919

through the development of all of that

138

00:06:52,550 --> 00:06:49,759

are just starting to get loaded under

139

00:06:55,830 --> 00:06:52,560

the website um that goes in at the

140

00:06:57,510 --> 00:06:55,840

spiritual side yeah yeah and i i heard

141

00:06:59,029 --> 00:06:57,520

the one that i was listening to i'm not

142

00:07:01,110 --> 00:06:59,039

sure if it was you or a guest i think it

143

00:07:03,909 --> 00:07:01,120

was you and you know i don't know if you

144

00:07:05,270 --> 00:07:03,919

know but i was a stage magician or emma

145

00:07:07,189 --> 00:07:05,280

stage magician

146

00:07:09,749 --> 00:07:07,199

and i heard somebody talking about the

147

00:07:13,430 --> 00:07:09,759

difference between magic with a c magic

148

00:07:15,670 --> 00:07:13,440

with a k or magic with both

149

00:07:17,110 --> 00:07:15,680

uh-huh that's that's something that i've

150

00:07:19,749 --> 00:07:17,120

written about for

151

00:07:22,550 --> 00:07:19,759

some probably about 20 years now yeah i

152

00:07:24,309 --> 00:07:22,560

love the philosophy of this stuff uh can

153

00:07:25,990 --> 00:07:24,319

you tell us yeah what

154

00:07:28,550 --> 00:07:26,000

because i've never heard someone discuss

155

00:07:30,309 --> 00:07:28,560

this before and this is something that i

156

00:07:31,430 --> 00:07:30,319

have discussed

157

00:07:33,830 --> 00:07:31,440

before

158

00:07:37,510 --> 00:07:33,840

when speaking to audiences or other

159

00:07:41,029 --> 00:07:37,520

magicians about the differences between

160

00:07:42,790 --> 00:07:41,039

what is magic with the k magic with ck

161

00:07:45,589 --> 00:07:42,800

or magic with the c

162

00:07:47,670 --> 00:07:45,599

can you talk about that

163

00:07:50,869 --> 00:07:47,680

okay well the the

164

00:07:52,790 --> 00:07:50,879

basic premise behind that and what i'm

165

00:07:54,469 --> 00:07:52,800

going to talk about here is very basic

166

00:07:56,550 --> 00:07:54,479

of course you know we can go deeper if

167

00:07:59,990 --> 00:07:56,560

you'd like with that but that gets into

168

00:08:02,230 --> 00:08:00,000

a lot of historical stuff but

169

00:08:04,629 --> 00:08:02,240

magic with a k

170

00:08:05,990 --> 00:08:04,639

is how i

171

00:08:09,430 --> 00:08:06,000

perceive

172

00:08:11,350 --> 00:08:09,440

the elemental magic the

173

00:08:15,830 --> 00:08:11,360

primordial

174

00:08:18,550 --> 00:08:15,840

the beginnings of magic and later on we

175

00:08:20,869 --> 00:08:18,560

started seeing a differentiation of that

176

00:08:23,670 --> 00:08:20,879

with the magic with the sea

177

00:08:26,390 --> 00:08:23,680

which is more illusionary

178

00:08:28,869 --> 00:08:26,400

it's more of your

179

00:08:32,070 --> 00:08:28,879

material realm based

180

00:08:34,709 --> 00:08:32,080

illusion okay and magic with the k is

181

00:08:37,750 --> 00:08:34,719

more of the realms of non-form

182

00:08:41,190 --> 00:08:37,760

so it's kind of a blending um well a

183

00:08:43,909 --> 00:08:41,200

transition between realms of form

184

00:08:46,870 --> 00:08:43,919

non-form into realms of form

185

00:08:50,070 --> 00:08:46,880

and then the humans have this ability

186

00:08:54,470 --> 00:08:50,080

with their creative

187

00:08:58,389 --> 00:08:56,389

create illusion

188

00:08:59,829 --> 00:08:58,399

okay and i'm not trying to say one's any

189

00:09:01,590 --> 00:08:59,839

better than the other they all have

190

00:09:04,630 --> 00:09:01,600

their purpose right

191

00:09:07,190 --> 00:09:04,640

and they're amazing reasoning

192

00:09:08,630 --> 00:09:07,200

and now the ck

193

00:09:10,070 --> 00:09:08,640

came in

194

00:09:12,870 --> 00:09:10,080

um

195

00:09:15,430 --> 00:09:12,880

oh probably it became very popular

196

00:09:17,190 --> 00:09:15,440

around the time of aleister crowley

197

00:09:21,430 --> 00:09:17,200

okay

198

00:09:23,910 --> 00:09:21,440

he was really into trying to reconcile

199

00:09:26,870 --> 00:09:23,920

the paradox between the two and create

200

00:09:30,310 --> 00:09:26,880

the ck magic

201  
00:09:33,030 --> 00:09:30,320  
it became popular in some of the more

202  
00:09:39,350 --> 00:09:35,750  
druidic neo pagan

203  
00:09:42,390 --> 00:09:39,360  
kind of areas and even through the the

204  
00:09:43,910 --> 00:09:42,400  
what is more popular now is the wiccan

205  
00:09:45,670 --> 00:09:43,920  
[Music]

206  
00:09:47,590 --> 00:09:45,680  
so you hear a lot of people talking

207  
00:09:50,550 --> 00:09:47,600  
about that type of magic which

208  
00:09:54,630 --> 00:09:50,560  
incorporates both but many people have

209  
00:09:57,269 --> 00:09:54,640  
lost the flavor for the nuances between

210  
00:09:59,829 --> 00:09:57,279  
the two you know

211  
00:10:02,069 --> 00:09:59,839  
well definitely being a stage magician

212  
00:10:04,389 --> 00:10:02,079  
i i've known the difference and i pull

213  
00:10:05,509 --> 00:10:04,399

from history and things of the other

214

00:10:07,430 --> 00:10:05,519

forms

215

00:10:09,990 --> 00:10:07,440

what i do is completely and totally

216

00:10:12,550 --> 00:10:10,000

illusionary based but i like to pull

217

00:10:14,710 --> 00:10:12,560

some history and some storytelling and

218

00:10:17,509 --> 00:10:14,720

some of those things from the others and

219

00:10:19,670 --> 00:10:17,519

i remember being a young teenager was

220

00:10:22,389 --> 00:10:19,680

the first time i saw the ck and it was a

221

00:10:24,710 --> 00:10:22,399

book i think called ceremonial magic

222

00:10:27,110 --> 00:10:24,720

and uh i remember that book and i

223

00:10:29,430 --> 00:10:27,120

remember going why do they spell it this

224

00:10:32,949 --> 00:10:29,440

way and they never explained that in the

225

00:10:34,790 --> 00:10:32,959

book do you know what i mean

226

00:10:37,470 --> 00:10:34,800

and so when i heard you explaining it i

227

00:10:39,670 --> 00:10:37,480

said exactly that's exactly it there's a

228

00:10:42,389 --> 00:10:39,680

differentiation between these these

229

00:10:45,509 --> 00:10:42,399

three forms and and in some senses they

230

00:10:47,829 --> 00:10:45,519

merge in certain places

231

00:10:50,230 --> 00:10:47,839

oh yeah they're they're they're it's

232

00:10:52,069 --> 00:10:50,240

only a categorization so that we can

233

00:10:53,590 --> 00:10:52,079

speak about it easier you know and

234

00:10:55,590 --> 00:10:53,600

that's where a lot of people get messed

235

00:10:59,030 --> 00:10:55,600

up with the word magic stuff

236

00:11:00,870 --> 00:10:59,040

um you know is because of definition and

237

00:11:03,910 --> 00:11:00,880

concepts and

238

00:11:06,550 --> 00:11:03,920

not really fine-tuning what the person

239

00:11:08,949 --> 00:11:06,560

is saying or what the person is hearing

240

00:11:11,670 --> 00:11:08,959

it's that kind of thing and going back

241

00:11:14,389 --> 00:11:11,680

to the the k part i wanted to kind of

242

00:11:15,910 --> 00:11:14,399

just clarify a little bit with it

243

00:11:18,550 --> 00:11:15,920

but what i

244

00:11:21,110 --> 00:11:18,560

speak of a lot is um

245

00:11:23,030 --> 00:11:21,120

i'm focusing more on the practical

246

00:11:27,110 --> 00:11:23,040

application type

247

00:11:29,670 --> 00:11:27,120

of this but we get way into the

248

00:11:31,670 --> 00:11:29,680

realms of non-form into form and then

249

00:11:33,350 --> 00:11:31,680

back from form and back you know back

250

00:11:36,790 --> 00:11:33,360

into non-form

251  
00:11:38,470 --> 00:11:36,800  
and we do that as natural magical

252  
00:11:39,750 --> 00:11:38,480  
creatures

253  
00:11:42,710 --> 00:11:39,760  
as humans

254  
00:11:45,430 --> 00:11:42,720  
okay with our creative endeavors

255  
00:11:46,389 --> 00:11:45,440  
bringing bringing thought into manifest

256  
00:11:48,230 --> 00:11:46,399  
form

257  
00:11:49,670 --> 00:11:48,240  
well that's another question that i had

258  
00:11:52,150 --> 00:11:49,680  
for you because

259  
00:11:53,829 --> 00:11:52,160  
when i was when i was young growing up i

260  
00:11:55,509 --> 00:11:53,839  
grew up catholic so maybe it was a

261  
00:11:56,710 --> 00:11:55,519  
little bit of rebellious thing for me

262  
00:11:58,710 --> 00:11:56,720  
but when i was

263  
00:12:00,949 --> 00:11:58,720

a young teenager really young teenager i

264

00:12:02,870 --> 00:12:00,959

got into all the

265

00:12:05,190 --> 00:12:02,880

wicked stuff i remember a book called

266

00:12:07,030 --> 00:12:05,200

mastering witchcraft by paul hewson that

267

00:12:08,150 --> 00:12:07,040

really got me started

268

00:12:09,670 --> 00:12:08,160

and uh

269

00:12:11,110 --> 00:12:09,680

but you know like i said i think it was

270

00:12:12,470 --> 00:12:11,120

a little bit of a form of rebellion

271

00:12:13,990 --> 00:12:12,480

because it seemed like a lot of the

272

00:12:15,910 --> 00:12:14,000

catholic kids that i grew up with were

273

00:12:18,470 --> 00:12:15,920

getting into this stuff

274

00:12:20,550 --> 00:12:18,480

maybe as a form of rebellion but the one

275

00:12:23,269 --> 00:12:20,560

thing throughout my entire life that i

276

00:12:24,389 --> 00:12:23,279

learned from this wicked book mastering

277

00:12:27,430 --> 00:12:24,399

witchcraft

278

00:12:28,550 --> 00:12:27,440

was the simple phrase as my will so mode

279

00:12:30,310 --> 00:12:28,560

it be

280

00:12:32,550 --> 00:12:30,320

and something that i took from that that

281

00:12:34,069 --> 00:12:32,560

i use to this day i don't know if it's

282

00:12:37,670 --> 00:12:34,079

magic that i do

283

00:12:39,990 --> 00:12:37,680

but i apply my will to a problem to

284

00:12:41,590 --> 00:12:40,000

something i'm building to something i'm

285

00:12:43,829 --> 00:12:41,600

trying to accomplish

286

00:12:44,710 --> 00:12:43,839

and i focus that will

287

00:12:47,269 --> 00:12:44,720

and

288

00:12:49,590 --> 00:12:47,279

bring it into reality from imagination

289

00:12:53,110 --> 00:12:49,600

don't you think that's part of what what

290

00:12:56,470 --> 00:12:53,120

we call magic really is about

291

00:12:59,590 --> 00:12:56,480

that's precisely what it is and that is

292

00:13:01,910 --> 00:12:59,600

why i i really try to work with

293

00:13:04,470 --> 00:13:01,920

people that come here to you know to the

294

00:13:08,150 --> 00:13:04,480

website i no longer

295

00:13:10,470 --> 00:13:08,160

keep very many um one-on-one ties i used

296

00:13:12,310 --> 00:13:10,480

to i started out with this with

297

00:13:15,030 --> 00:13:12,320

like 30 students

298

00:13:17,430 --> 00:13:15,040

back in the kindred spirit days you know

299

00:13:19,829 --> 00:13:17,440

and that was face to face and at the

300

00:13:22,230 --> 00:13:19,839

tables of the theosophical society where

301

00:13:26,389 --> 00:13:22,240

i was bad and stuff but

302

00:13:29,470 --> 00:13:26,399

um you know the the whole thing with um

303

00:13:33,509 --> 00:13:29,480

with that is i try to

304

00:13:35,509 --> 00:13:33,519

destigmatize and demystify

305

00:13:37,670 --> 00:13:35,519

not taken away from the beauty of

306

00:13:40,629 --> 00:13:37,680

ceremonial magic or

307

00:13:41,750 --> 00:13:40,639

um any of that it has its purpose as

308

00:13:44,790 --> 00:13:41,760

well

309

00:13:47,750 --> 00:13:44,800

but i i kind of jokingly call myself a

310

00:13:51,110 --> 00:13:47,760

hedge witch and i spell witch with a y

311

00:13:54,949 --> 00:13:52,389

you know

312

00:13:56,069 --> 00:13:54,959

that comes from the old weirding way

313

00:13:59,430 --> 00:13:56,079

which

314

00:14:02,310 --> 00:13:59,440

that is a system that was

315

00:14:07,670 --> 00:14:02,320

protected and saved through the Norse

316

00:14:13,189 --> 00:14:10,790

so a lot of this comes from a kind of

317

00:14:15,110 --> 00:14:13,199

draw a little bit from like Old English

318

00:14:17,829 --> 00:14:15,120

and Gaelic

319

00:14:21,430 --> 00:14:17,839

kind of because I'm also way into

320

00:14:23,350 --> 00:14:21,440

linguistics and how language has evolved

321

00:14:26,069 --> 00:14:23,360

because I think there's a lot of hidden

322

00:14:29,030 --> 00:14:26,079

seeds in there that um answer a lot of

323

00:14:31,350 --> 00:14:29,040

our questions that we are seeking here

324

00:14:32,870 --> 00:14:31,360

even today so

325

00:14:35,430 --> 00:14:32,880

I think I got a little out of tangent

326

00:14:36,470 --> 00:14:35,440

there i'm sorry that's fine but you know

327

00:14:40,470 --> 00:14:36,480

i guess

328

00:14:42,710 --> 00:14:40,480

what i took from it and still use to

329

00:14:43,509 --> 00:14:42,720

this day is simply

330

00:14:45,509 --> 00:14:43,519

or

331

00:14:47,030 --> 00:14:45,519

my understanding of a lot of what i read

332

00:14:49,590 --> 00:14:47,040

and i read every book that i could find

333

00:14:50,949 --> 00:14:49,600

when i was that young and uh for quite

334

00:14:51,750 --> 00:14:50,959

some time

335

00:14:54,069 --> 00:14:51,760

uh

336

00:14:55,509 --> 00:14:54,079

was just that these

337

00:14:58,150 --> 00:14:55,519

ceremonies

338

00:15:01,189 --> 00:14:58,160

or spells if you want to call them

339

00:15:04,069 --> 00:15:01,199

that in some cases we're simply a tool

340

00:15:05,829 --> 00:15:04,079

to focus your will on a given task that

341

00:15:08,629 --> 00:15:05,839

you're trying to achieve whether it's to

342

00:15:10,629 --> 00:15:08,639

gain a loved one or you know to

343

00:15:13,189 --> 00:15:10,639

to gain a lover to

344

00:15:15,110 --> 00:15:13,199

have financial success

345

00:15:16,710 --> 00:15:15,120

you know or uh i guess if you want to

346

00:15:18,310 --> 00:15:16,720

get to the darker side of things and i

347

00:15:20,550 --> 00:15:18,320

did want to ask you about some of the

348

00:15:21,509 --> 00:15:20,560

darker sides of magic

349

00:15:25,390 --> 00:15:21,519

to

350

00:15:27,189 --> 00:15:25,400

take some sort of revenge on an enemy

351

00:15:30,150 --> 00:15:27,199

[Music]

352

00:15:31,829 --> 00:15:30,160

uh yeah that kind of goes back i i like

353

00:15:34,550 --> 00:15:31,839

to interject

354

00:15:38,230 --> 00:15:34,560

some of the more hermetic

355

00:15:40,870 --> 00:15:38,240

uh ideas about light and dark and i've

356

00:15:41,910 --> 00:15:40,880

done a lot of re writing on

357

00:15:47,189 --> 00:15:41,920

that

358

00:15:48,790 --> 00:15:47,199

is we started equating and becoming very

359

00:15:52,230 --> 00:15:48,800

dualistic

360

00:15:54,790 --> 00:15:52,240

in our words about light and dark pretty

361

00:15:56,310 --> 00:15:54,800

soon it became equal to good and bad

362

00:15:57,430 --> 00:15:56,320

good and evil

363

00:15:58,230 --> 00:15:57,440

which

364

00:16:04,230 --> 00:15:58,240

in

365

00:16:06,069 --> 00:16:04,240

load our subconscious with

366

00:16:09,670 --> 00:16:06,079

the programming

367

00:16:10,870 --> 00:16:09,680

that dark is evil and light is

368

00:16:13,430 --> 00:16:10,880

good

369

00:16:16,230 --> 00:16:13,440

and there's nothing in between then we

370

00:16:19,030 --> 00:16:16,240

get caught up in the duality of that

371

00:16:21,350 --> 00:16:19,040

instead of looking at it as a continuum

372

00:16:23,189 --> 00:16:21,360

light and dark are the same thing

373

00:16:26,150 --> 00:16:23,199

just on varying

374

00:16:28,629 --> 00:16:26,160

levels of that continuum

375

00:16:31,670 --> 00:16:28,639

so you're describing the same thing that

376

00:16:34,069 --> 00:16:31,680

continuum line is the same thing it's

377

00:16:35,189 --> 00:16:34,079

just varying degrees just like with hot

378

00:16:38,310 --> 00:16:35,199

and cold

379

00:16:40,310 --> 00:16:38,320

where do you uh we as humans want to

380

00:16:42,310 --> 00:16:40,320

measure it and

381

00:16:44,069 --> 00:16:42,320

categorize it and everything but when

382

00:16:46,150 --> 00:16:44,079

you're talking about the absolute

383

00:16:49,269 --> 00:16:46,160

essence you're talking about something

384

00:16:51,590 --> 00:16:49,279

that can't be contained on that manner

385

00:16:52,870 --> 00:16:51,600

so with light and dark there's purposes

386

00:16:56,389 --> 00:16:52,880

for both

387

00:16:59,269 --> 00:16:56,399

and when it comes to magic okay

388

00:17:00,949 --> 00:16:59,279

it's the intention of the wielder that

389

00:17:03,189 --> 00:17:00,959

makes it

390

00:17:04,870 --> 00:17:03,199

destructive or constructive or

391

00:17:06,949 --> 00:17:04,880

beneficial or

392

00:17:09,350 --> 00:17:06,959

um any of those other kind of labels

393

00:17:11,990 --> 00:17:09,360

that we can put on that that's that will

394

00:17:14,470 --> 00:17:12,000

so so boat it be

395

00:17:17,350 --> 00:17:14,480

as i will promote it

396

00:17:20,630 --> 00:17:17,360

yeah so one of the things i remember

397

00:17:23,590 --> 00:17:20,640

especially too is the three-fold law and

398

00:17:26,069 --> 00:17:23,600

this is what scared me

399

00:17:28,069 --> 00:17:26,079

about using anything that at the time

400

00:17:30,070 --> 00:17:28,079

people were telling me that's dark magic

401  
00:17:32,470 --> 00:17:30,080  
and and that would be any magic that was

402  
00:17:34,150 --> 00:17:32,480  
designed to harm someone

403  
00:17:36,470 --> 00:17:34,160  
can you talk a little bit about this

404  
00:17:37,909 --> 00:17:36,480  
threefold law and do you believe that

405  
00:17:40,630 --> 00:17:37,919  
that is true

406  
00:17:43,110 --> 00:17:40,640  
and and uh and works itself out

407  
00:17:45,830 --> 00:17:43,120  
like karmically if you use these things

408  
00:17:47,590 --> 00:17:45,840  
in that in that way in other words like

409  
00:17:49,190 --> 00:17:47,600  
i i believe the threefold law if i

410  
00:17:50,710 --> 00:17:49,200  
remember correctly is you know anything

411  
00:17:52,710 --> 00:17:50,720  
that you put out there comes back to you

412  
00:17:54,630 --> 00:17:52,720  
three-fold so if you put out

413  
00:17:56,390 --> 00:17:54,640

you know like a healing spell to someone

414

00:17:58,310 --> 00:17:56,400

or something beneficial then it'll come

415

00:18:00,549 --> 00:17:58,320

back to you three times and by the same

416

00:18:02,070 --> 00:18:00,559

token if you put out

417

00:18:03,430 --> 00:18:02,080

you know some kind of destructive spell

418

00:18:04,950 --> 00:18:03,440

to hurt someone it's going to come back

419

00:18:06,390 --> 00:18:04,960

to you three times

420

00:18:08,230 --> 00:18:06,400

and then the gray area that i always

421

00:18:10,630 --> 00:18:08,240

thought was these love spells because if

422

00:18:13,430 --> 00:18:10,640

you kind of use some kind of magic to

423

00:18:15,110 --> 00:18:13,440

entrance some lover to become your lover

424

00:18:17,110 --> 00:18:15,120

who wasn't meant to be

425

00:18:18,870 --> 00:18:17,120

then maybe you'll lose three lovers that

426

00:18:20,870 --> 00:18:18,880

you could have had or should have had or

427

00:18:24,470 --> 00:18:20,880

you know gets into really kind of weird

428

00:18:26,470 --> 00:18:24,480

philosophical areas right

429

00:18:28,470 --> 00:18:26,480

yeah and and that i'm glad you

430

00:18:30,870 --> 00:18:28,480

interjected that as the

431

00:18:33,990 --> 00:18:30,880

philosophy of it because what we're

432

00:18:36,310 --> 00:18:34,000

talking more than just literal sense and

433

00:18:38,870 --> 00:18:36,320

that's what happens when we start

434

00:18:40,950 --> 00:18:38,880

categorizing and measuring things is we

435

00:18:42,789 --> 00:18:40,960

tend to get too literal and it gets

436

00:18:45,110 --> 00:18:42,799

locked in there we need that to

437

00:18:47,190 --> 00:18:45,120

communicate we need that to understand

438

00:18:50,390 --> 00:18:47,200

through our brain

439

00:18:51,990 --> 00:18:50,400

but in practice and application that's

440

00:18:53,750 --> 00:18:52,000

where it gets and then it can get

441

00:18:56,710 --> 00:18:53,760

dangerous it could become weaponized as

442

00:18:58,310 --> 00:18:56,720

we've seen all over the place um

443

00:19:00,710 --> 00:18:58,320

but

444

00:19:02,710 --> 00:19:00,720

uh the the thing i kind of want to

445

00:19:04,230 --> 00:19:02,720

address there you talk about the love

446

00:19:05,430 --> 00:19:04,240

spell

447

00:19:08,390 --> 00:19:05,440

and

448

00:19:11,909 --> 00:19:08,400

just the the act of marriage is a

449

00:19:14,390 --> 00:19:11,919

binding spell when you commit yourself

450

00:19:17,270 --> 00:19:14,400

to someone and not very careful about

451  
00:19:20,950 --> 00:19:17,280  
the words of the vow that you're making

452  
00:19:26,230 --> 00:19:24,549  
a situation of binding two separate

453  
00:19:28,549 --> 00:19:26,240  
people together

454  
00:19:30,870 --> 00:19:28,559  
i used to do hand fastings and in

455  
00:19:32,230 --> 00:19:30,880  
marriage ceremonies uh before i left

456  
00:19:33,110 --> 00:19:32,240  
wyoming

457  
00:19:34,950 --> 00:19:33,120  
and

458  
00:19:37,190 --> 00:19:34,960  
i would work with the couples very

459  
00:19:39,110 --> 00:19:37,200  
carefully on how they worded that so

460  
00:19:41,110 --> 00:19:39,120  
that they wouldn't end up locking

461  
00:19:43,430 --> 00:19:41,120  
themselves into something that they were

462  
00:19:46,870 --> 00:19:43,440  
going to regret lifetimes down the road

463  
00:19:48,950 --> 00:19:46,880

if that's where it went you know

464

00:19:50,549 --> 00:19:48,960

so

465

00:19:53,350 --> 00:19:50,559

with spelling

466

00:19:55,830 --> 00:19:53,360

and manipulating there's always the

467

00:19:58,070 --> 00:19:55,840

responsibility and accountability that

468

00:19:59,270 --> 00:19:58,080

has to go into this and a lot of people

469

00:20:03,190 --> 00:19:59,280

kind of

470

00:20:07,350 --> 00:20:03,200

fail to really count that up and the law

471

00:20:09,590 --> 00:20:07,360

of threefold return yes on a way on a

472

00:20:12,310 --> 00:20:09,600

metaphorical sense

473

00:20:16,230 --> 00:20:12,320

what we talk about in the bearding part

474

00:20:18,870 --> 00:20:16,240

of it is we perceive the realms of form

475

00:20:21,430 --> 00:20:18,880

here as kind of a

476

00:20:24,310 --> 00:20:21,440

multi-dimensional web

477

00:20:28,549 --> 00:20:24,320

and what a person puts on that web goes

478

00:20:31,510 --> 00:20:28,559

out and amplifies and reverberates back

479

00:20:34,630 --> 00:20:31,520

okay that makes more sense to me

480

00:20:37,510 --> 00:20:34,640

yeah um it isn't a tit-for-tat kind of

481

00:20:39,510 --> 00:20:37,520

thing you know where you do one thing

482

00:20:42,710 --> 00:20:39,520

and then you've got three to fix down

483

00:20:44,630 --> 00:20:42,720

the line it's just a concept it's a

484

00:20:47,270 --> 00:20:44,640

kind of a poetic

485

00:20:51,669 --> 00:20:47,280

way of saying that what you put out

486

00:20:53,990 --> 00:20:51,679

there is likely to intensify and then

487

00:20:56,149 --> 00:20:54,000

find its way back because in the natural

488

00:20:57,510 --> 00:20:56,159

cycles of things you've got the waxing

489

00:20:59,830 --> 00:20:57,520

and the waning

490

00:21:01,669 --> 00:20:59,840

the um

491

00:21:03,430 --> 00:21:01,679

the cycles of the waves you know you

492

00:21:05,029 --> 00:21:03,440

have your tide that goes out and the

493

00:21:08,390 --> 00:21:05,039

tide that comes in and those are the

494

00:21:09,590 --> 00:21:08,400

kind of visualizations i use in my

495

00:21:11,110 --> 00:21:09,600

guided

496

00:21:13,430 --> 00:21:11,120

imagery

497

00:21:15,590 --> 00:21:13,440

visualization exercises

498

00:21:18,070 --> 00:21:15,600

is getting in touch with the elements

499

00:21:20,149 --> 00:21:18,080

like with water being for the emotions

500

00:21:22,310 --> 00:21:20,159

so we work with you know putting the

501  
00:21:24,470 --> 00:21:22,320  
emotion out there letting go and letting

502  
00:21:26,710 --> 00:21:24,480  
it come back

503  
00:21:30,630 --> 00:21:26,720  
after it's gone through a process kind

504  
00:21:33,750 --> 00:21:30,640  
of thing so to me that's how we apply

505  
00:21:37,029 --> 00:21:33,760  
everyday things

506  
00:21:38,549 --> 00:21:37,039  
through a magical sense now we have a

507  
00:21:41,430 --> 00:21:38,559  
difference between

508  
00:21:44,630 --> 00:21:41,440  
the levels that people have categorized

509  
00:21:46,789 --> 00:21:44,640  
as magic you know on the end on this

510  
00:21:48,390 --> 00:21:46,799  
type of magic not necessarily the

511  
00:21:51,430 --> 00:21:48,400  
illusionary

512  
00:21:53,669 --> 00:21:51,440  
is high magic low magic black magic

513  
00:21:55,590 --> 00:21:53,679

white magic okay

514

00:21:57,590 --> 00:21:55,600

now when we're talking high magic and

515

00:21:59,990 --> 00:21:57,600

low magic the only difference that is

516

00:22:03,990 --> 00:22:00,000

between that is high magic tends to be

517

00:22:07,270 --> 00:22:04,000

more theatrical more ceremonial

518

00:22:09,430 --> 00:22:07,280

and there we run into the um danger zone

519

00:22:12,470 --> 00:22:09,440

of it becoming dogma

520

00:22:14,950 --> 00:22:12,480

okay when you start locking in

521

00:22:17,190 --> 00:22:14,960

energy and using the tools that you

522

00:22:20,149 --> 00:22:17,200

wield as action you know thinking that

523

00:22:22,149 --> 00:22:20,159

they're what actually holds the power or

524

00:22:24,310 --> 00:22:22,159

the frequency

525

00:22:28,070 --> 00:22:24,320

then it really gets onto that slippery

526

00:22:29,669 --> 00:22:28,080

slope into dogma okay and and

527

00:22:30,870 --> 00:22:29,679

we we all kind of

528

00:22:33,190 --> 00:22:30,880

probably know

529

00:22:36,070 --> 00:22:33,200

the dangers that happens when it gets

530

00:22:39,350 --> 00:22:36,080

locked in that way i'm a big

531

00:22:41,590 --> 00:22:39,360

proponent of flow and energy and looking

532

00:22:43,190 --> 00:22:41,600

for blockages and that's one of the

533

00:22:45,430 --> 00:22:43,200

blockages that happens with

534

00:22:47,430 --> 00:22:45,440

practitioners of magic

535

00:22:50,950 --> 00:22:47,440

they get caught up in that and there's

536

00:22:52,310 --> 00:22:50,960

always always always always the point of

537

00:22:55,190 --> 00:22:52,320

the magician

538

00:22:58,470 --> 00:22:55,200

the sorcerer any of whatever label you

539

00:23:00,789 --> 00:22:58,480

want to put on it has they come to a

540

00:23:04,470 --> 00:23:00,799

crossroads of choosing how they're going

541

00:23:08,549 --> 00:23:06,230

skills

542

00:23:09,510 --> 00:23:08,559

or remembering that was latent in there

543

00:23:11,430 --> 00:23:09,520

anyway

544

00:23:13,990 --> 00:23:11,440

yeah i remember my early study of these

545

00:23:16,789 --> 00:23:14,000

things and honestly i mostly just read

546

00:23:20,230 --> 00:23:16,799

things because i was too afraid of uh

547

00:23:22,390 --> 00:23:20,240

the consequences and and and uh i guess

548

00:23:24,310 --> 00:23:22,400

having a catholic upbringing we had

549

00:23:27,909 --> 00:23:24,320

priests you know my father

550

00:23:30,230 --> 00:23:27,919

my father was a really staunch like

551

00:23:33,110 --> 00:23:30,240

just card carrying catholic and found

552

00:23:35,510 --> 00:23:33,120

some books in my room and he lost it and

553

00:23:38,470 --> 00:23:35,520

he sent me away to a priest

554

00:23:40,789 --> 00:23:38,480

with a priest you know to uh to have

555

00:23:42,950 --> 00:23:40,799

counseling and and that priest just

556

00:23:44,630 --> 00:23:42,960

filled my head with every fear

557

00:23:45,990 --> 00:23:44,640

imaginable that all these things were

558

00:23:48,149 --> 00:23:46,000

demonic

559

00:23:49,269 --> 00:23:48,159

and what can he say about that because

560

00:23:51,830 --> 00:23:49,279

that's

561

00:23:53,990 --> 00:23:51,840

still i think a prevailing belief or a

562

00:23:56,390 --> 00:23:54,000

defense against people gaining this

563

00:24:00,230 --> 00:23:56,400

knowledge that some people use to scare

564

00:24:05,590 --> 00:24:03,029

oh certainly that is part of the factor

565

00:24:07,510 --> 00:24:05,600

in there now we can also

566

00:24:09,909 --> 00:24:07,520

compare some of the rituals of the

567

00:24:10,950 --> 00:24:09,919

catholic church of actually being the

568

00:24:12,310 --> 00:24:10,960

ancient

569

00:24:15,630 --> 00:24:12,320

practices

570

00:24:17,750 --> 00:24:15,640

of paganism we won't go too far into the

571

00:24:19,430 --> 00:24:17,760

astrotheology there's a lot of theories

572

00:24:21,350 --> 00:24:19,440

running around out there and people are

573

00:24:22,710 --> 00:24:21,360

really shredding that and coming up with

574

00:24:24,470 --> 00:24:22,720

some very

575

00:24:27,110 --> 00:24:24,480

grandiose

576  
00:24:29,990 --> 00:24:27,120  
kind of distorted ideas of what happened

577  
00:24:30,830 --> 00:24:30,000  
there and i'm not saying that it wasn't

578  
00:24:45,750 --> 00:24:30,840  
a

579  
00:24:47,669 --> 00:24:45,760  
the timeline of

580  
00:24:51,110 --> 00:24:47,679  
the the church

581  
00:24:53,830 --> 00:24:51,120  
and that is not necessarily the

582  
00:24:57,190 --> 00:24:53,840  
spiritual or the religious end of it in

583  
00:25:01,750 --> 00:24:57,200  
itself it's when

584  
00:25:04,310 --> 00:25:01,760  
the power and the politics and the those

585  
00:25:06,310 --> 00:25:04,320  
kind of things start getting interwoven

586  
00:25:09,669 --> 00:25:06,320  
and become

587  
00:25:12,710 --> 00:25:09,679  
part of the substrate

588  
00:25:15,350 --> 00:25:12,720

and and then fear upon fear upon fear

589

00:25:16,549 --> 00:25:15,360

story upon story upon story gets laid on

590

00:25:19,909 --> 00:25:16,559

top of that

591

00:25:21,110 --> 00:25:19,919

and we lose the underlying frequency

592

00:25:22,710 --> 00:25:21,120

that's under

593

00:25:24,950 --> 00:25:22,720

underlying that

594

00:25:27,430 --> 00:25:24,960

if you take away

595

00:25:28,630 --> 00:25:27,440

the us versus them

596

00:25:31,110 --> 00:25:28,640

um

597

00:25:33,350 --> 00:25:31,120

thing out of there completely

598

00:25:37,190 --> 00:25:33,360

looking at the commonalities and the

599

00:25:38,630 --> 00:25:37,200

similarities is just it's amazing stuff

600

00:25:40,870 --> 00:25:38,640

that was one of my minors was

601  
00:25:42,870 --> 00:25:40,880  
comparative religion

602  
00:25:43,750 --> 00:25:42,880  
and

603  
00:25:46,390 --> 00:25:43,760  
yeah

604  
00:25:49,029 --> 00:25:46,400  
and just watching that and and i

605  
00:25:50,710 --> 00:25:49,039  
remember battling with a lot of my um

606  
00:25:52,390 --> 00:25:50,720  
you know defending my

607  
00:25:54,470 --> 00:25:52,400  
my papers and

608  
00:25:56,470 --> 00:25:54,480  
things with some of the professors on

609  
00:26:01,269 --> 00:25:56,480  
that because i always

610  
00:26:03,190 --> 00:26:01,279  
i i try to soften the comparative

611  
00:26:05,190 --> 00:26:03,200  
differences with the comparative

612  
00:26:07,750 --> 00:26:05,200  
similarities and

613  
00:26:09,909 --> 00:26:07,760

things like that and i always

614

00:26:12,630 --> 00:26:09,919

end up falling over on the side of the

615

00:26:14,950 --> 00:26:12,640

devil's advocate i i don't even agree

616

00:26:17,269 --> 00:26:14,960

with the stuff but i will stand up and

617

00:26:18,630 --> 00:26:17,279

defend that if that makes any sense oh

618

00:26:20,710 --> 00:26:18,640

absolutely

619

00:26:22,710 --> 00:26:20,720

yeah i remember though when i was

620

00:26:26,549 --> 00:26:22,720

getting these counseling sessions that

621

00:26:28,630 --> 00:26:26,559

the the big the big fear thing that the

622

00:26:29,990 --> 00:26:28,640

that the priests and everybody was

623

00:26:32,549 --> 00:26:30,000

pushing and it wasn't just to me you

624

00:26:34,310 --> 00:26:32,559

know like i had other friends

625

00:26:36,549 --> 00:26:34,320

was that

626

00:26:38,950 --> 00:26:36,559

any use of any

627

00:26:42,310 --> 00:26:38,960

new age or spiritual thing whether it be

628

00:26:45,110 --> 00:26:42,320

uh you know a ouija board or tarot cards

629

00:26:47,350 --> 00:26:45,120

is inviting these dark forces into your

630

00:26:49,110 --> 00:26:47,360

life or opening some kind of a doorway

631

00:26:53,430 --> 00:26:49,120

do you believe that at all

632

00:26:58,310 --> 00:26:56,230

yes and no um you'll find when you talk

633

00:27:01,190 --> 00:26:58,320

with me more you'll get more of the yes

634

00:27:02,950 --> 00:27:01,200

and no instead of the either or

635

00:27:06,070 --> 00:27:02,960

that's fine we're just we're just trying

636

00:27:07,750 --> 00:27:06,080

to we're just trying to uh to gather

637

00:27:10,070 --> 00:27:07,760

your thoughts after a lifetime of

638

00:27:12,230 --> 00:27:10,080

experience because honestly

639

00:27:13,990 --> 00:27:12,240

i would trust your judgment and what

640

00:27:15,990 --> 00:27:14,000

you're saying much more than a priest

641

00:27:17,990 --> 00:27:16,000

who had four years at a seminary being

642

00:27:21,110 --> 00:27:18,000

brainwashed about these things that's

643

00:27:27,269 --> 00:27:21,120

what i truly believe a lot of that is

644

00:27:32,149 --> 00:27:28,950

i would absolutely agree with that

645

00:27:35,669 --> 00:27:32,159

stephen um that that's one example of of

646

00:27:37,029 --> 00:27:35,679

how this underlying

647

00:27:40,710 --> 00:27:37,039

momentum

648

00:27:43,590 --> 00:27:40,720

that is pushing forth this uh

649

00:27:46,230 --> 00:27:43,600

ages long warring mentality between

650

00:27:48,710 --> 00:27:46,240

light and dark you know you go back and

651  
00:27:51,510 --> 00:27:48,720  
you can see in the zoroastrian

652  
00:27:53,990 --> 00:27:51,520  
uh stuff through the church and

653  
00:27:56,789 --> 00:27:54,000  
everything about you know it's it's all

654  
00:27:57,820 --> 00:27:56,799  
a battle of the the good forces against

655  
00:27:59,350 --> 00:27:57,830  
the evil forces

656  
00:28:01,029 --> 00:27:59,360  
[Music]

657  
00:28:03,350 --> 00:28:01,039  
now there is a sense of that in the

658  
00:28:06,549 --> 00:28:03,360  
natural world

659  
00:28:08,950 --> 00:28:06,559  
that that is part of what holds this

660  
00:28:10,310 --> 00:28:08,960  
into a material realm

661  
00:28:13,350 --> 00:28:10,320  
is the

662  
00:28:14,950 --> 00:28:13,360  
opposing forces that's what makes it

663  
00:28:17,029 --> 00:28:14,960

material

664

00:28:19,510 --> 00:28:17,039

realms of form

665

00:28:22,310 --> 00:28:19,520

i'm not at all

666

00:28:25,070 --> 00:28:22,320

saying that one is any better than the

667

00:28:27,750 --> 00:28:25,080

other we have to have

668

00:28:30,070 --> 00:28:27,760

decomposition to have things be able to

669

00:28:33,269 --> 00:28:30,080

build back up we have to have death to

670

00:28:36,230 --> 00:28:33,279

be have life we have you know that's the

671

00:28:39,110 --> 00:28:36,240

um as above so below as within so

672

00:28:42,710 --> 00:28:39,120

without reconciling the paradox thing

673

00:28:45,909 --> 00:28:42,720

from the hermetic viewpoint

674

00:28:48,789 --> 00:28:45,919

but what happens is out of fear which

675

00:28:52,549 --> 00:28:48,799

was bred through

676

00:29:00,389 --> 00:28:56,789

they found that it was very easy to

677

00:29:02,230 --> 00:29:00,399

keep people in line by instilling the

678

00:29:04,470 --> 00:29:02,240

fear and

679

00:29:06,789 --> 00:29:04,480

that does have a purpose to a certain

680

00:29:09,110 --> 00:29:06,799

extent but as we can see now we're

681

00:29:12,470 --> 00:29:09,120

seeing exaggerated

682

00:29:14,630 --> 00:29:12,480

efforts on all levels with this stuff

683

00:29:17,190 --> 00:29:14,640

yeah and i think you know sometimes that

684

00:29:20,149 --> 00:29:17,200

that push that that young people are

685

00:29:22,310 --> 00:29:20,159

given to be fearful of these things just

686

00:29:24,310 --> 00:29:22,320

pushes them further you know like my

687

00:29:26,149 --> 00:29:24,320

father threw out two books and i got 10

688

00:29:27,990 --> 00:29:26,159

more because then i was like well why

689

00:29:30,470 --> 00:29:28,000

don't why don't they want me reading

690

00:29:32,710 --> 00:29:30,480

this stuff what is so harmful here

691

00:29:35,110 --> 00:29:32,720

why would they block me from some kind

692

00:29:37,990 --> 00:29:35,120

of a some kind of knowledge and in my

693

00:29:39,430 --> 00:29:38,000

young stupidity i thought an arrogance

694

00:29:41,830 --> 00:29:39,440

i thought that they were just trying to

695

00:29:43,830 --> 00:29:41,840

keep me from you know some kind of power

696

00:29:46,070 --> 00:29:43,840

that they didn't want me to have but it

697

00:29:47,830 --> 00:29:46,080

made me more curious so i guess that's

698

00:29:49,190 --> 00:29:47,840

advice to parents if you're concerned

699

00:29:50,070 --> 00:29:49,200

about your children reading about this

700

00:29:51,909 --> 00:29:50,080

stuff

701  
00:29:53,510 --> 00:29:51,919  
let them don't stop them because they'll

702  
00:29:56,230 --> 00:29:53,520  
just go you know

703  
00:29:59,669 --> 00:29:56,240  
much more full force into it

704  
00:30:05,110 --> 00:30:02,630  
i absolutely went and and and wanted to

705  
00:30:07,750 --> 00:30:05,120  
read more to find out and and talking to

706  
00:30:09,190 --> 00:30:07,760  
a priest just made me more curious like

707  
00:30:11,430 --> 00:30:09,200  
okay well now i'm going to read about

708  
00:30:13,269 --> 00:30:11,440  
demonology because you keep mentioning

709  
00:30:14,149 --> 00:30:13,279  
these demons and i want to know about

710  
00:30:18,630 --> 00:30:14,159  
them

711  
00:30:23,110 --> 00:30:20,870  
yeah and when you study the history and

712  
00:30:25,669 --> 00:30:23,120  
the lore of where even the word demon

713  
00:30:27,750 --> 00:30:25,679

came from it's daemon that is the the

714

00:30:32,070 --> 00:30:27,760

parts of ourselves

715

00:30:33,990 --> 00:30:32,080

within um that wreak havoc and

716

00:30:36,470 --> 00:30:34,000

some of the ways that i kind of try to

717

00:30:37,040 --> 00:30:36,480

express this

718

00:30:38,310 --> 00:30:37,050

into

719

00:30:41,909 --> 00:30:38,320

[Music]

720

00:30:43,750 --> 00:30:41,919

an area to understand is that there is a

721

00:30:44,950 --> 00:30:43,760

certain element

722

00:30:48,710 --> 00:30:44,960

of

723

00:30:51,190 --> 00:30:48,720

we are magical creatures period we

724

00:30:52,789 --> 00:30:51,200

think something and we make it manifest

725

00:30:54,230 --> 00:30:52,799

here just like the cabin that that

726

00:30:56,149 --> 00:30:54,240

you're you're building right you're

727

00:30:58,789 --> 00:30:56,159

making that manifest that's why

728

00:31:02,710 --> 00:30:58,799

i got it i got to tell you that that

729

00:31:05,590 --> 00:31:02,720

thing has been this the biggest test of

730

00:31:07,509 --> 00:31:05,600

my force of will and determination

731

00:31:09,430 --> 00:31:07,519

for those that don't know i'm doing

732

00:31:10,710 --> 00:31:09,440

something called cordwood masonry

733

00:31:12,230 --> 00:31:10,720

construction

734

00:31:15,269 --> 00:31:12,240

and doubling the size of this little

735

00:31:18,230 --> 00:31:15,279

tiny cabin and basically it involves

736

00:31:20,070 --> 00:31:18,240

chopping up trees into 200 pound blocks

737

00:31:21,190 --> 00:31:20,080

and building walls out of them with

738

00:31:22,789 --> 00:31:21,200

cement

739

00:31:23,990 --> 00:31:22,799

and i got to tell you

740

00:31:26,310 --> 00:31:24,000

that

741

00:31:28,310 --> 00:31:26,320

it's only through sheer force of will

742

00:31:31,350 --> 00:31:28,320

and determination that i have been able

743

00:31:34,070 --> 00:31:31,360

to get this farm about i think i'm about

744

00:31:36,149 --> 00:31:34,080

more than half 60 or 70 percent done i

745

00:31:37,430 --> 00:31:36,159

have the floor the roof and the side

746

00:31:39,110 --> 00:31:37,440

fills to do

747

00:31:40,310 --> 00:31:39,120

and somebody anybody can look on my

748

00:31:43,830 --> 00:31:40,320

twitter and see pictures i've been

749

00:31:46,549 --> 00:31:43,840

posting this thing is i

750

00:31:47,590 --> 00:31:46,559

say that to myself i say a prayer in the

751  
00:31:49,830 --> 00:31:47,600  
morning

752  
00:31:52,710 --> 00:31:49,840  
i'm not very big on praying but i every

753  
00:31:55,190 --> 00:31:52,720  
morning i say god source

754  
00:31:57,509 --> 00:31:55,200  
goddess give me the strength the

755  
00:31:58,950 --> 00:31:57,519  
physical strength the mental strength

756  
00:32:00,470 --> 00:31:58,960  
because there's a lot of problems that

757  
00:32:02,870 --> 00:32:00,480  
keep popping up

758  
00:32:04,950 --> 00:32:02,880  
and and give me the the force of will

759  
00:32:07,190 --> 00:32:04,960  
and the determination to make this

760  
00:32:08,470 --> 00:32:07,200  
manifest right here in front of me and i

761  
00:32:09,590 --> 00:32:08,480  
got to tell you

762  
00:32:11,269 --> 00:32:09,600  
that every

763  
00:32:12,710 --> 00:32:11,279

every time i'm there i make a little bit

764

00:32:15,909 --> 00:32:12,720

more progress and i'm getting more

765

00:32:19,029 --> 00:32:15,919

confident and this is a huge huge

766

00:32:20,470 --> 00:32:19,039

undertaking for one guy to do this it's

767

00:32:22,389 --> 00:32:20,480

crazy

768

00:32:23,190 --> 00:32:22,399

and and i think that a lot of that is

769

00:32:25,029 --> 00:32:23,200

just

770

00:32:26,549 --> 00:32:25,039

like i said it's only through force of

771

00:32:28,870 --> 00:32:26,559

will and determination there's no money

772

00:32:31,190 --> 00:32:28,880

involved to build something that like

773

00:32:33,350 --> 00:32:31,200

out of a bunch of trees i call it trees

774

00:32:35,110 --> 00:32:33,360

and trash because the windows came from

775

00:32:37,269 --> 00:32:35,120

the trash somebody was throwing them out

776

00:32:39,509 --> 00:32:37,279

you know some of the wood came from you

777

00:32:42,789 --> 00:32:39,519

know neighbors that had fallen trees and

778

00:32:46,149 --> 00:32:42,799

i drug them back there it's absolutely

779

00:32:51,669 --> 00:32:49,110

yeah yeah and to me that is that

780

00:32:55,509 --> 00:32:51,679

represents one of the the

781

00:32:58,549 --> 00:32:55,519

most beautiful creative pursuits

782

00:33:00,470 --> 00:32:58,559

is is to build your own shelter like

783

00:33:03,190 --> 00:33:00,480

that you know and using all of the

784

00:33:04,070 --> 00:33:03,200

elements and using

785

00:33:07,750 --> 00:33:04,080

um

786

00:33:11,830 --> 00:33:07,760

in in a world of throwaway society it's

787

00:33:13,110 --> 00:33:11,840

amazing that you are re-purposing

788

00:33:15,350 --> 00:33:13,120

yeah

789

00:33:16,630 --> 00:33:15,360

that's a big part of that's a big part

790

00:33:18,789 --> 00:33:16,640

of the cabin

791

00:33:20,710 --> 00:33:18,799

i have this cabin and honestly

792

00:33:22,549 --> 00:33:20,720

after buying some land and everything it

793

00:33:24,870 --> 00:33:22,559

was like i'm broke i don't have any

794

00:33:25,750 --> 00:33:24,880

money to buy materials so i learned to

795

00:33:27,669 --> 00:33:25,760

you know

796

00:33:29,430 --> 00:33:27,679

check craigslist and check

797

00:33:32,870 --> 00:33:29,440

facebook marketplace people are always

798

00:33:35,269 --> 00:33:32,880

giving away something and uh repurposing

799

00:33:37,110 --> 00:33:35,279

i built a woodshed out of trash that

800

00:33:38,630 --> 00:33:37,120

somebody was ripping down a barn and i

801  
00:33:40,549 --> 00:33:38,640  
took a bunch of wood from them and i

802  
00:33:43,350 --> 00:33:40,559  
built a wood shed out of it i built a

803  
00:33:46,310 --> 00:33:43,360  
workshop shed next to the cabin and uh

804  
00:33:47,350 --> 00:33:46,320  
that's a big deal for me is to is to

805  
00:33:49,190 --> 00:33:47,360  
just see

806  
00:33:51,110 --> 00:33:49,200  
and and and it's teaching me too to see

807  
00:33:52,630 --> 00:33:51,120  
things like some people see a pile of

808  
00:33:54,230 --> 00:33:52,640  
wood that's trash and you're going to

809  
00:33:55,830 --> 00:33:54,240  
have to deal with that i see that as a

810  
00:33:58,950 --> 00:33:55,840  
resource now

811  
00:34:02,630 --> 00:33:59,990  
yeah

812  
00:34:04,789 --> 00:34:02,640  
and that's that's what we talk about so

813  
00:34:07,669 --> 00:34:04,799

much with um here at what's what's

814

00:34:10,869 --> 00:34:07,679

called now mystic mountain is

815

00:34:12,310 --> 00:34:10,879

the mindset that we we change and we

816

00:34:13,990 --> 00:34:12,320

look at it from a whole different

817

00:34:16,710 --> 00:34:14,000

perspective and each one of us

818

00:34:18,710 --> 00:34:16,720

individually has to do that as you were

819

00:34:20,710 --> 00:34:18,720

explaining that it reminded me of the

820

00:34:22,149 --> 00:34:20,720

last article i just posted on the

821

00:34:24,710 --> 00:34:22,159

website by

822

00:34:28,950 --> 00:34:24,720

um element she was the other gal on that

823

00:34:34,470 --> 00:34:31,990

she has been focusing she's making tea

824

00:34:36,470 --> 00:34:34,480

bags from scratch just for the heck of

825

00:34:38,629 --> 00:34:36,480

it you need to read that already that's

826

00:34:39,990 --> 00:34:38,639

crazy yeah

827

00:34:41,030 --> 00:34:40,000

but you know what it sounds like

828

00:34:45,270 --> 00:34:41,040

something

829

00:34:50,389 --> 00:34:47,589

yeah and and that's what we really try

830

00:34:51,829 --> 00:34:50,399

to um you know promote with people is to

831

00:34:52,790 --> 00:34:51,839

get back to

832

00:34:57,510 --> 00:34:52,800

the

833

00:35:00,390 --> 00:34:57,520

consumers that we keep telling

834

00:35:03,349 --> 00:35:00,400

that we keep being told that we are

835

00:35:05,430 --> 00:35:03,359

consume consume consume right

836

00:35:06,710 --> 00:35:05,440

yeah and i'm real big i'm real big on

837

00:35:09,190 --> 00:35:06,720

this like

838

00:35:11,030 --> 00:35:09,200

it's one thing and it's still skill for

839

00:35:13,670 --> 00:35:11,040

somebody to go to home depot or lowe's

840

00:35:15,670 --> 00:35:13,680

or wherever a lumber yard and buy all

841

00:35:17,109 --> 00:35:15,680

the materials right off the shelf and

842

00:35:18,550 --> 00:35:17,119

build something

843

00:35:20,950 --> 00:35:18,560

but if you can take like you were

844

00:35:23,589 --> 00:35:20,960

talking about the elements

845

00:35:26,470 --> 00:35:23,599

now i have this cabin that's being built

846

00:35:28,470 --> 00:35:26,480

out of mostly trees and cement and i

847

00:35:30,950 --> 00:35:28,480

mean huge logs and then

848

00:35:32,710 --> 00:35:30,960

i'm to put a stone floor i just built a

849

00:35:34,630 --> 00:35:32,720

stone threshold the first one i ever

850

00:35:36,950 --> 00:35:34,640

built because i'm in the mountains and

851  
00:35:38,390 --> 00:35:36,960  
there's stone all over the property nice

852  
00:35:40,069 --> 00:35:38,400  
flat stones

853  
00:35:42,230 --> 00:35:40,079  
you know so

854  
00:35:44,150 --> 00:35:42,240  
as you were talking about the elements

855  
00:35:46,470 --> 00:35:44,160  
i'm going to use the stone to make a

856  
00:35:48,550 --> 00:35:46,480  
floor because why should i buy pieces

857  
00:35:50,230 --> 00:35:48,560  
when all the pieces i started looking

858  
00:35:52,150 --> 00:35:50,240  
around and had this sudden realization

859  
00:35:54,230 --> 00:35:52,160  
when i wanted to build this thing that

860  
00:35:56,470 --> 00:35:54,240  
everything that i needed mostly was

861  
00:35:59,349 --> 00:35:56,480  
right there it was right in the forest i

862  
00:36:01,670 --> 00:35:59,359  
just had to go i call it my off-grid you

863  
00:36:03,829 --> 00:36:01,680

know uh supply store

864

00:36:06,950 --> 00:36:03,839

like my wife laughs at me because i take

865

00:36:08,790 --> 00:36:06,960

walks i go i i need a couple of of this

866

00:36:11,109 --> 00:36:08,800

size log i'm gonna go see what's in the

867

00:36:13,349 --> 00:36:11,119

forest behind us you know and i go

868

00:36:14,870 --> 00:36:13,359

walking off and i usually find and i'm

869

00:36:17,270 --> 00:36:14,880

real big on this too

870

00:36:19,430 --> 00:36:17,280

all the trees that i'm using are fallen

871

00:36:22,150 --> 00:36:19,440

trees that would just rot away in the

872

00:36:24,710 --> 00:36:22,160

forest and and you know i won't cut a

873

00:36:26,950 --> 00:36:24,720

live tree or they're standing dead

874

00:36:28,790 --> 00:36:26,960

they're already dead so you know that's

875

00:36:31,190 --> 00:36:28,800

another big thing for me but all the

876

00:36:33,270 --> 00:36:31,200

resources i started looking around going

877

00:36:35,109 --> 00:36:33,280

everything is here i just have to put it

878

00:36:38,870 --> 00:36:35,119

together and one it's just one huge

879

00:36:43,349 --> 00:36:41,349

yeah and in a way you're actually

880

00:36:45,910 --> 00:36:43,359

naturally doing the stewardship you're

881

00:36:47,670 --> 00:36:45,920

taking the deadfall which makes a fire

882

00:36:48,470 --> 00:36:47,680

hazard right

883

00:36:50,390 --> 00:36:48,480

and

884

00:36:52,829 --> 00:36:50,400

you know moving that through but then we

885

00:36:55,510 --> 00:36:52,839

do need fire as well that that's what

886

00:36:56,310 --> 00:36:55,520

rejuvenates and restarts the forest

887

00:36:58,550 --> 00:36:56,320

right

888

00:37:00,230 --> 00:36:58,560

that we don't need to purple

889

00:37:02,550 --> 00:37:00,240

purposefully if if we're going to live

890

00:37:05,750 --> 00:37:02,560

and dwell on there we we do have the

891

00:37:07,510 --> 00:37:05,760

responsibility to you know steward that

892

00:37:09,990 --> 00:37:07,520

a little bit and i love how how you're

893

00:37:12,550 --> 00:37:10,000

doing that in you know putting it in and

894

00:37:13,670 --> 00:37:12,560

building your own shelter there that's

895

00:37:15,829 --> 00:37:13,680

amazing

896

00:37:16,950 --> 00:37:15,839

yeah it will be if i ever finish it it's

897

00:37:18,870 --> 00:37:16,960

the biggest

898

00:37:20,310 --> 00:37:18,880

i never really built anything before i

899

00:37:22,150 --> 00:37:20,320

bought that land and started building

900

00:37:24,230 --> 00:37:22,160

stuff so for me it's all been a learning

901  
00:37:26,470 --> 00:37:24,240  
experience and

902  
00:37:28,870 --> 00:37:26,480  
also i've just learned a lot of personal

903  
00:37:30,230 --> 00:37:28,880  
lessons like i think it was tony robbins

904  
00:37:32,550 --> 00:37:30,240  
who said

905  
00:37:33,430 --> 00:37:32,560  
i became unstoppable because i chose to

906  
00:37:34,630 --> 00:37:33,440  
be

907  
00:37:37,190 --> 00:37:34,640  
and

908  
00:37:39,190 --> 00:37:37,200  
some kind of huge project like this i i

909  
00:37:40,630 --> 00:37:39,200  
didn't have a choice i just had to say

910  
00:37:42,390 --> 00:37:40,640  
you know i have a neighbor there who

911  
00:37:44,069 --> 00:37:42,400  
keeps coming around and checking out my

912  
00:37:46,150 --> 00:37:44,079  
progress and he goes i can't believe how

913  
00:37:48,870 --> 00:37:46,160

good this is this is amazing and i said

914

00:37:50,630 --> 00:37:48,880

i have no idea what i'm doing i read a

915

00:37:53,670 --> 00:37:50,640

couple of books i have no idea what i'm

916

00:37:56,870 --> 00:37:53,680

doing and he said just keep doing it

917

00:37:59,349 --> 00:37:56,880

so that's where i'm at with that project

918

00:38:01,270 --> 00:37:59,359

yeah and and that's what we're big about

919

00:38:04,310 --> 00:38:01,280

here as well is the practical

920

00:38:07,109 --> 00:38:04,320

application and um you know the the

921

00:38:09,430 --> 00:38:07,119

experiential part of it we can read

922

00:38:11,430 --> 00:38:09,440

these concepts all we want to we we can

923

00:38:14,150 --> 00:38:11,440

surf the internet for all of the info

924

00:38:15,349 --> 00:38:14,160

porn that we can you know even

925

00:38:20,390 --> 00:38:15,359

i love that

926

00:38:25,030 --> 00:38:22,390

one of the writing piles that i have on

927

00:38:30,550 --> 00:38:25,040

the info porn we've got voyeurs we've

928

00:38:34,390 --> 00:38:32,550

it's kind of been a fun writing i don't

929

00:38:36,069 --> 00:38:34,400

know if that's ever really going to get

930

00:38:38,150 --> 00:38:36,079

out there and get published or not i've

931

00:38:40,950 --> 00:38:38,160

got a couple that i'm working on that's

932

00:38:43,430 --> 00:38:40,960

kind of how i process things but

933

00:38:45,349 --> 00:38:43,440

but yeah the going out there you can

934

00:38:47,670 --> 00:38:45,359

read it all you want to you can

935

00:38:50,150 --> 00:38:47,680

conceptualize it you can toss it around

936

00:38:51,030 --> 00:38:50,160

and talk it but until you pull it in

937

00:38:52,710 --> 00:38:51,040

from

938

00:38:55,030 --> 00:38:52,720

that's what i'm talking about with the

939

00:38:57,430 --> 00:38:55,040

magic part you've got the realms of form

940

00:39:00,470 --> 00:38:57,440

and the realms of non-form which one

941

00:39:03,510 --> 00:39:00,480

concept is the inner and the outer the

942

00:39:05,589 --> 00:39:03,520

inner being and the outer and as you're

943

00:39:08,790 --> 00:39:05,599

bringing that in you have to bring it

944

00:39:11,589 --> 00:39:08,800

inside and incorporate it in the dark

945

00:39:14,150 --> 00:39:11,599

okay absolutely

946

00:39:16,390 --> 00:39:14,160

and that's the experiential part and

947

00:39:17,829 --> 00:39:16,400

then you throw in there that's the part

948

00:39:21,190 --> 00:39:17,839

where you have to go through all of the

949

00:39:24,150 --> 00:39:21,200

filters and the interfaces of the

950

00:39:27,750 --> 00:39:24,160

mind the psyche the soul the spirit you

951  
00:39:30,870 --> 00:39:27,760  
know and and how that all interfaces and

952  
00:39:33,349 --> 00:39:30,880  
you don't only that's where we got a

953  
00:39:36,069 --> 00:39:33,359  
little bit messed up in the trajectory

954  
00:39:37,270 --> 00:39:36,079  
of humanity with magic ancient primal

955  
00:39:40,950 --> 00:39:37,280  
magic

956  
00:39:44,310 --> 00:39:40,960  
is the focus on bringing non-form into

957  
00:39:46,950 --> 00:39:44,320  
form okay and creating because that that

958  
00:39:50,310 --> 00:39:46,960  
that is very satisfying it's very um you

959  
00:39:53,829 --> 00:39:50,320  
know hands-on but then how to take form

960  
00:39:55,589 --> 00:39:53,839  
and put it back into non-form and that's

961  
00:39:58,470 --> 00:39:55,599  
precisely what you're talking about

962  
00:40:00,310 --> 00:39:58,480  
there is you know the information

963  
00:40:04,150 --> 00:40:00,320

and knowledge and wisdom because you

964

00:40:06,390 --> 00:40:04,160

need to bring it back in to process it

965

00:40:08,550 --> 00:40:06,400

and then put it back out we're like a

966

00:40:10,710 --> 00:40:08,560

recycling

967

00:40:12,150 --> 00:40:10,720

being here in these vessels yeah

968

00:40:13,510 --> 00:40:12,160

absolutely i think that's a good way to

969

00:40:14,710 --> 00:40:13,520

put it and you know one of the other

970

00:40:15,829 --> 00:40:14,720

things that i've been thinking a lot

971

00:40:17,990 --> 00:40:15,839

lately is

972

00:40:20,870 --> 00:40:18,000

you mentioned that anybody can read some

973

00:40:22,390 --> 00:40:20,880

books or or deal with this info porn but

974

00:40:24,390 --> 00:40:22,400

you really have to get your hands dirty

975

00:40:26,069 --> 00:40:24,400

and do it and uh

976

00:40:27,990 --> 00:40:26,079

there's another magician his name is j

977

00:40:31,030 --> 00:40:28,000

scott barry i just want to shout out to

978

00:40:33,109 --> 00:40:31,040

j scott barry amazing magician and uh he

979

00:40:36,150 --> 00:40:33,119

has a saying let adversity fuel your

980

00:40:37,990 --> 00:40:36,160

fire and i start this project and

981

00:40:39,750 --> 00:40:38,000

everybody's telling me you can't do that

982

00:40:42,309 --> 00:40:39,760

it's not going to work and i just kind

983

00:40:44,470 --> 00:40:42,319

of think hold my beer watch you don't

984

00:40:46,950 --> 00:40:44,480

know me you don't know my heart you

985

00:40:49,270 --> 00:40:46,960

don't know my force of will the level of

986

00:40:50,950 --> 00:40:49,280

my determination to do this

987

00:40:52,790 --> 00:40:50,960

i'm not going to be stopped

988

00:40:55,030 --> 00:40:52,800

and it's kind of funny to me you're

989

00:40:57,030 --> 00:40:55,040

saying that people need to you know more

990

00:40:58,710 --> 00:40:57,040

than just the info porn yeah i'm fine

991

00:41:00,550 --> 00:40:58,720

with taking criticism from people that

992

00:41:02,790 --> 00:41:00,560

have done more than you know if

993

00:41:04,390 --> 00:41:02,800

somebody's built five cabins i'm sure as

994

00:41:06,230 --> 00:41:04,400

hell gonna listen to that person but if

995

00:41:07,990 --> 00:41:06,240

somebody's never built anything tell me

996

00:41:10,790 --> 00:41:08,000

it's not going to work no i i don't

997

00:41:12,230 --> 00:41:10,800

think i want to listen to you you know

998

00:41:14,309 --> 00:41:12,240

but these people with a practical

999

00:41:15,990 --> 00:41:14,319

experience and knowledge who

1000

00:41:18,309 --> 00:41:16,000

went and got the knowledge and then did

1001  
00:41:21,349 --> 00:41:18,319  
something with it that's the difference

1002  
00:41:23,109 --> 00:41:21,359  
you know i think that's important

1003  
00:41:25,270 --> 00:41:23,119  
yes

1004  
00:41:27,750 --> 00:41:25,280  
that's amazing and you know

1005  
00:41:29,910 --> 00:41:27,760  
that's becoming so far and few between

1006  
00:41:31,349 --> 00:41:29,920  
anymore you know that that's become the

1007  
00:41:33,430 --> 00:41:31,359  
louder part

1008  
00:41:35,430 --> 00:41:33,440  
of what's going on with what we're

1009  
00:41:37,270 --> 00:41:35,440  
seeing on the internet and stuff right

1010  
00:41:40,630 --> 00:41:37,280  
now is people that

1011  
00:41:42,870 --> 00:41:40,640  
have never experienced any of this all

1012  
00:41:44,950 --> 00:41:42,880  
of a sudden becoming experts for one

1013  
00:41:47,030 --> 00:41:44,960

reason or another unfortunately some of

1014

00:41:48,950 --> 00:41:47,040

it's for money making stuff right yeah

1015

00:41:50,390 --> 00:41:48,960

oh yeah absolutely and i i thought we

1016

00:41:52,390 --> 00:41:50,400

could get into some of that stuff

1017

00:41:55,030 --> 00:41:52,400

because you've been

1018

00:41:58,470 --> 00:41:55,040

commenting and seeing on some of this

1019

00:42:01,670 --> 00:41:58,480

cult-like strange nefarious

1020

00:42:03,990 --> 00:42:01,680

behaviors in the so-called new age or i

1021

00:42:05,349 --> 00:42:04,000

don't even know what conspiracy ufo

1022

00:42:08,069 --> 00:42:05,359

community

1023

00:42:10,150 --> 00:42:08,079

everything seems to intersect you know

1024

00:42:13,109 --> 00:42:10,160

and some people are just out there

1025

00:42:15,190 --> 00:42:13,119

making a good amount of money and it

1026  
00:42:17,190 --> 00:42:15,200  
seems to me to be very discouraging

1027  
00:42:19,589 --> 00:42:17,200  
because i think a lot of people are

1028  
00:42:21,990 --> 00:42:19,599  
doing excellent work they get no money

1029  
00:42:23,670 --> 00:42:22,000  
no recognition and

1030  
00:42:25,750 --> 00:42:23,680  
these other people are just out there

1031  
00:42:27,190 --> 00:42:25,760  
telling stories and i guess people are

1032  
00:42:30,630 --> 00:42:27,200  
hungry for stories because they're

1033  
00:42:31,910 --> 00:42:30,640  
making bank right now

1034  
00:42:34,390 --> 00:42:31,920  
how do you feel

1035  
00:42:36,630 --> 00:42:34,400  
and that part are so many people that

1036  
00:42:38,470 --> 00:42:36,640  
are being targeted that have the good

1037  
00:42:40,470 --> 00:42:38,480  
information as well that's kind of where

1038  
00:42:43,670 --> 00:42:40,480

my personal story

1039

00:42:45,430 --> 00:42:43,680

has really um interwoven in that quite a

1040

00:42:46,390 --> 00:42:45,440

bit

1041

00:42:48,309 --> 00:42:46,400

but

1042

00:42:50,870 --> 00:42:48,319

just for a little bit of a background

1043

00:42:55,349 --> 00:42:50,880

for the listeners here that's part of my

1044

00:42:59,190 --> 00:42:55,359

professional and academic background is

1045

00:43:00,950 --> 00:42:59,200

i worked as a most primarily an

1046

00:43:03,109 --> 00:43:00,960

addictions counselor

1047

00:43:05,750 --> 00:43:03,119

but incorporating a lot of the

1048

00:43:09,270 --> 00:43:05,760

trauma-based

1049

00:43:10,470 --> 00:43:09,280

features of that as well as i got into a

1050

00:43:12,950 --> 00:43:10,480

lot of

1051  
00:43:15,190 --> 00:43:12,960  
the cult exit counseling

1052  
00:43:19,109 --> 00:43:15,200  
and that goes back to even my personal

1053  
00:43:21,670 --> 00:43:19,119  
background of being raised and being a

1054  
00:43:24,550 --> 00:43:21,680  
subject of mk ultra

1055  
00:43:26,630 --> 00:43:24,560  
okay and i don't talk a lot about that

1056  
00:43:28,790 --> 00:43:26,640  
the details of that especially now

1057  
00:43:30,950 --> 00:43:28,800  
because that's part of what my ptsd is

1058  
00:43:33,190 --> 00:43:30,960  
coming from right now

1059  
00:43:34,069 --> 00:43:33,200  
is because when

1060  
00:43:46,309 --> 00:43:34,079  
the

1061  
00:43:50,550 --> 00:43:46,319  
of listeners i understand but

1062  
00:43:52,309 --> 00:43:50,560  
i saw that as a precursor of this social

1063  
00:43:55,030 --> 00:43:52,319

programming

1064

00:43:56,790 --> 00:43:55,040

coming in um that we're starting to see

1065

00:43:58,630 --> 00:43:56,800

on like a

1066

00:44:00,710 --> 00:43:58,640

that was the beta test and now they're

1067

00:44:02,710 --> 00:44:00,720

it's really kicking off right now with

1068

00:44:05,190 --> 00:44:02,720

all of this do you mean the scare i

1069

00:44:07,349 --> 00:44:05,200

remember like maybe it was mid or or

1070

00:44:09,910 --> 00:44:07,359

maybe even early 80s where there was all

1071

00:44:11,510 --> 00:44:09,920

these scares about satanic

1072

00:44:13,349 --> 00:44:11,520

cults and

1073

00:44:15,270 --> 00:44:13,359

and there was a lot of uh

1074

00:44:17,589 --> 00:44:15,280

talk about that

1075

00:44:19,349 --> 00:44:17,599

ritual satanic abuse and there was

1076  
00:44:21,109 --> 00:44:19,359  
people that were making accusations

1077  
00:44:23,109 --> 00:44:21,119  
against people that later got found to

1078  
00:44:26,390 --> 00:44:23,119  
be completely totally false people went

1079  
00:44:29,109 --> 00:44:26,400  
to jail for some of this stuff

1080  
00:44:30,630 --> 00:44:29,119  
yeah and that was that was during the

1081  
00:44:33,910 --> 00:44:30,640  
time when

1082  
00:44:37,030 --> 00:44:33,920  
my programming started breaking down and

1083  
00:44:39,670 --> 00:44:37,040  
my diagnostic stuff now there's there's

1084  
00:44:42,550 --> 00:44:39,680  
a number of other

1085  
00:44:45,030 --> 00:44:42,560  
video interviews i've done back a couple

1086  
00:44:48,069 --> 00:44:45,040  
years ago or or such that goes into a

1087  
00:44:51,109 --> 00:44:48,079  
little bit more detail on that

1088  
00:44:53,510 --> 00:44:51,119

but i i had a period of time that i was

1089

00:44:55,349 --> 00:44:53,520

in and out of mental hospitals um i call

1090

00:44:57,349 --> 00:44:55,359

that my field research because i was

1091

00:44:58,950 --> 00:44:57,359

also in school for psychology at the

1092

00:45:00,470 --> 00:44:58,960

time

1093

00:45:02,230 --> 00:45:00,480

that's interesting intersection of

1094

00:45:05,589 --> 00:45:02,240

things

1095

00:45:08,550 --> 00:45:05,599

yeah i i had over 17 suicide attempts or

1096

00:45:11,670 --> 00:45:08,560

i had to be revived out of

1097

00:45:12,630 --> 00:45:11,680

flashbacks like crazy because of what i

1098

00:45:14,710 --> 00:45:12,640

had

1099

00:45:17,589 --> 00:45:14,720

been born into

1100

00:45:20,950 --> 00:45:17,599

so when that was happening was exactly

1101

00:45:24,870 --> 00:45:20,960

the same time that this um this

1102

00:45:27,990 --> 00:45:24,880

frenzy started up in the 80s and 90s and

1103

00:45:29,829 --> 00:45:28,000

there's some uncanny similarities with

1104

00:45:31,990 --> 00:45:29,839

this and that's kind of what i'm i'm

1105

00:45:34,150 --> 00:45:32,000

writing about this is just one side of

1106

00:45:36,390 --> 00:45:34,160

this alt cult

1107

00:45:38,309 --> 00:45:36,400

idea that i'm i'm kind of writing and

1108

00:45:39,829 --> 00:45:38,319

trying to get put out there now i don't

1109

00:45:43,510 --> 00:45:39,839

know if i'm going to be successful

1110

00:45:45,829 --> 00:45:43,520

because of my own personal

1111

00:45:48,069 --> 00:45:45,839

breakdowns that are going on physically

1112

00:45:49,349 --> 00:45:48,079

and everything due to all of this

1113

00:45:52,550 --> 00:45:49,359

but

1114

00:45:55,589 --> 00:45:52,560

anyway um the

1115

00:45:57,430 --> 00:45:55,599

um trying to see which direction i want

1116

00:45:59,190 --> 00:45:57,440

to come with on this

1117

00:46:00,790 --> 00:45:59,200

that would make more sense and try to

1118

00:46:03,190 --> 00:46:00,800

link it through

1119

00:46:05,510 --> 00:46:03,200

one thing that happened back in the 80s

1120

00:46:07,270 --> 00:46:05,520

and the 90s with this

1121

00:46:09,750 --> 00:46:07,280

satanic

1122

00:46:12,829 --> 00:46:09,760

ritual abuse

1123

00:46:16,550 --> 00:46:12,839

is it was a day care center

1124

00:46:19,589 --> 00:46:16,560

that was accused of

1125

00:46:22,390 --> 00:46:19,599

molesting and sacrificing children

1126

00:46:24,470 --> 00:46:22,400

okay so we've got this repeat narrative

1127

00:46:26,230 --> 00:46:24,480

that is coming back around again and i'm

1128

00:46:28,390 --> 00:46:26,240

not no way

1129

00:46:30,069 --> 00:46:28,400

no way saying that this doesn't happen

1130

00:46:33,589 --> 00:46:30,079

it very much does

1131

00:46:36,710 --> 00:46:33,599

i was very much tortured as a child and

1132

00:46:38,390 --> 00:46:36,720

and um put under some scrutiny kind of

1133

00:46:39,750 --> 00:46:38,400

stuff so i'm not saying it doesn't

1134

00:46:43,910 --> 00:46:39,760

happen

1135

00:46:47,430 --> 00:46:43,920

is

1136

00:46:51,270 --> 00:46:47,440

it was being fed into the media at such

1137

00:46:53,990 --> 00:46:51,280

a verocity the fear was being so pumped

1138

00:46:54,829 --> 00:46:54,000

in there from the churches and

1139

00:46:57,349 --> 00:46:54,839

other

1140

00:46:59,750 --> 00:46:57,359

establishments and

1141

00:47:02,470 --> 00:46:59,760

pretty soon what was happening even

1142

00:47:04,470 --> 00:47:02,480

well-meaning psychologists and this is

1143

00:47:06,790 --> 00:47:04,480

where my training was coming in as well

1144

00:47:07,910 --> 00:47:06,800

because i was also in involved on that

1145

00:47:10,870 --> 00:47:07,920

end of it

1146

00:47:14,309 --> 00:47:10,880

and we were seeing a lot of patients or

1147

00:47:17,430 --> 00:47:14,319

clients coming in and then formulating

1148

00:47:20,309 --> 00:47:17,440

these false memories

1149

00:47:23,990 --> 00:47:20,319

just through the encouragement

1150

00:47:25,829 --> 00:47:24,000

of trying because most people were not

1151

00:47:27,510 --> 00:47:25,839

experienced with this kind of a

1152

00:47:31,270 --> 00:47:27,520

trauma-based

1153

00:47:34,069 --> 00:47:31,280

um bringing up the the embedded memories

1154

00:47:35,270 --> 00:47:34,079

kind of thing so it was encouraging this

1155

00:47:40,309 --> 00:47:35,280

frenzy

1156

00:47:43,270 --> 00:47:40,319

and then it finally hit a point a peak

1157

00:47:46,150 --> 00:47:43,280

where people started coming out of this

1158

00:47:49,190 --> 00:47:46,160

and here we talk about the illusion okay

1159

00:47:50,710 --> 00:47:49,200

the illusionary magic that was woven

1160

00:47:52,950 --> 00:47:50,720

into this

1161

00:47:56,230 --> 00:47:52,960

it started crumbling because

1162

00:47:57,910 --> 00:47:56,240

illusion tends to not be very stable it

1163

00:47:59,829 --> 00:47:57,920

starts crumbling and that's kind of i'm

1164

00:48:01,510 --> 00:47:59,839

glad we're finally seeing it right now

1165

00:48:03,109 --> 00:48:01,520

in this point

1166

00:48:05,270 --> 00:48:03,119

on this part of it

1167

00:48:07,990 --> 00:48:05,280

but it's still a very uncomfortable

1168

00:48:09,990 --> 00:48:08,000

thing for people to experience but

1169

00:48:12,309 --> 00:48:10,000

then people started

1170

00:48:14,309 --> 00:48:12,319

realizing that they had made this up

1171

00:48:17,910 --> 00:48:14,319

they had run around accused family

1172

00:48:20,870 --> 00:48:17,920

members of raping and torturing them and

1173

00:48:23,670 --> 00:48:20,880

found out that that was not the case

1174

00:48:26,309 --> 00:48:23,680

that these memories were actually false

1175

00:48:28,069 --> 00:48:26,319

memories and there is some theories out

1176

00:48:29,270 --> 00:48:28,079

there that some of it was intentional

1177

00:48:31,589 --> 00:48:29,280

planning

1178

00:48:33,990 --> 00:48:31,599

but i won't go into the differentiation

1179

00:48:36,790 --> 00:48:34,000

of that what i like to look at more is

1180

00:48:38,790 --> 00:48:36,800

the patterns of how it sets up and what

1181

00:48:43,109 --> 00:48:38,800

the individual can do

1182

00:48:48,950 --> 00:48:45,589

the warning signs of what's going on

1183

00:48:51,510 --> 00:48:48,960

around them healing what had why it is

1184

00:48:53,349 --> 00:48:51,520

um stimulating them from the inside

1185

00:48:55,910 --> 00:48:53,359

because you have to have some kind of

1186

00:48:57,270 --> 00:48:55,920

something inside you that you can

1187

00:48:59,510 --> 00:48:57,280

um

1188

00:49:00,870 --> 00:48:59,520

connect with just like your synapses in

1189

00:49:04,630 --> 00:49:00,880

your brain

1190

00:49:09,109 --> 00:49:04,640

you know have to have the the um

1191

00:49:11,190 --> 00:49:09,119

receiver and the progenitor you know so

1192

00:49:14,390 --> 00:49:11,200

anyway they

1193

00:49:17,349 --> 00:49:14,400

it is the same pattern that is happening

1194

00:49:20,309 --> 00:49:17,359

and it goes into more of the social

1195

00:49:23,030 --> 00:49:20,319

psychology of it which another one of my

1196

00:49:25,109 --> 00:49:23,040

majors was social science i had a triple

1197

00:49:28,150 --> 00:49:25,119

major double minor

1198

00:49:31,109 --> 00:49:28,160

during this time and the social part

1199

00:49:33,829 --> 00:49:31,119

what i see is what individual people are

1200

00:49:35,430 --> 00:49:33,839

experiencing gets projected out into the

1201

00:49:39,510 --> 00:49:35,440

social network

1202

00:49:42,069 --> 00:49:39,520

and what i'm seeing is an absolute um

1203

00:49:43,829 --> 00:49:42,079

social psychosis going on and building

1204

00:49:46,470 --> 00:49:43,839

again that's exactly what happened in

1205

00:49:48,470 --> 00:49:46,480

the 80s and 90s

1206

00:49:50,549 --> 00:49:48,480

yeah i'm seeing a lot of that in the

1207

00:49:53,270 --> 00:49:50,559

so-called community where like anybody

1208

00:49:55,190 --> 00:49:53,280

that criticizes certain people suddenly

1209

00:49:57,829 --> 00:49:55,200

they're they're a satan worshiper or

1210

00:49:59,430 --> 00:49:57,839

they're luciferian or or something it

1211

00:50:02,069 --> 00:49:59,440

just seems like a

1212

00:50:03,270 --> 00:50:02,079

just like a narrative like well that's

1213

00:50:05,030 --> 00:50:03,280

my defense

1214

00:50:06,790 --> 00:50:05,040

i don't have any proof or any evidence

1215

00:50:09,349 --> 00:50:06,800

of anything i've been talking about for

1216

00:50:11,349 --> 00:50:09,359

years but this person is criticizing me

1217

00:50:14,470 --> 00:50:11,359

so they must be luciferian they're the

1218

00:50:16,630 --> 00:50:14,480

dark cabal or alliance or like

1219

00:50:19,510 --> 00:50:16,640

it just it just seems childish to me

1220

00:50:21,750 --> 00:50:19,520

it's like a bad movie you know

1221

00:50:24,470 --> 00:50:21,760

where those dark forces are out to stop

1222

00:50:26,150 --> 00:50:24,480

this person and like it's it's like

1223

00:50:29,030 --> 00:50:26,160

they're delusional and just creating

1224

00:50:31,589 --> 00:50:29,040

these fantasies but some people believe

1225

00:50:33,750 --> 00:50:31,599

them which is dangerous it's very

1226  
00:50:35,190 --> 00:50:33,760  
dangerous

1227  
00:50:37,030 --> 00:50:35,200  
i got asked

1228  
00:50:39,430 --> 00:50:37,040  
i just got asked if i

1229  
00:50:41,670 --> 00:50:39,440  
like what my position on

1230  
00:50:43,910 --> 00:50:41,680  
did i believe in satan am i a satan

1231  
00:50:47,430 --> 00:50:43,920  
worshiper and what do i think about

1232  
00:50:48,790 --> 00:50:47,440  
pedophilia like in public on twitter and

1233  
00:50:51,270 --> 00:50:48,800  
first of all

1234  
00:50:52,630 --> 00:50:51,280  
i think that's so stupid because if i

1235  
00:50:54,390 --> 00:50:52,640  
truly was a

1236  
00:50:58,069 --> 00:50:54,400  
let's let's say i was some kind of

1237  
00:51:00,309 --> 00:50:58,079  
sickening you know terribly evil person

1238  
00:51:02,870 --> 00:51:00,319

and and was into all that stuff

1239

00:51:05,430 --> 00:51:02,880

would i publicly say sure on twitter

1240

00:51:08,069 --> 00:51:05,440

it's so stupid and of course i said i'm

1241

00:51:10,309 --> 00:51:08,079

absolutely against any any harm to any

1242

00:51:11,910 --> 00:51:10,319

child and yeah i believe in satan

1243

00:51:13,589 --> 00:51:11,920

because i was raised catholic it's kind

1244

00:51:15,190 --> 00:51:13,599

of hard not to believe in

1245

00:51:15,990 --> 00:51:15,200

an opposing force

1246

00:51:17,829 --> 00:51:16,000

but

1247

00:51:18,710 --> 00:51:17,839

it just seems to me that

1248

00:51:20,150 --> 00:51:18,720

that

1249

00:51:21,750 --> 00:51:20,160

some of these people in the community

1250

00:51:24,710 --> 00:51:21,760

are running around making these

1251  
00:51:27,109 --> 00:51:24,720  
accusations at people with no basis at

1252  
00:51:31,750 --> 00:51:29,750  
yep and that that's historically that

1253  
00:51:34,549 --> 00:51:31,760  
that's what went behind the witch hunts

1254  
00:51:37,109 --> 00:51:34,559  
that's what went behind the inquisitions

1255  
00:51:39,990 --> 00:51:37,119  
um you know we we have got a tinderbed

1256  
00:51:42,630 --> 00:51:40,000  
going on on the internet and in society

1257  
00:51:45,270 --> 00:51:42,640  
right now and people are so heightened

1258  
00:51:47,750 --> 00:51:45,280  
and feared and stressed they're willing

1259  
00:51:48,950 --> 00:51:47,760  
to believe some of the most atrocious

1260  
00:51:50,870 --> 00:51:48,960  
absurd

1261  
00:51:53,109 --> 00:51:50,880  
things that are coming out there without

1262  
00:51:56,150 --> 00:51:53,119  
stepping back taking a breath

1263  
00:51:59,349 --> 00:51:56,160

really looking at where did even the

1264

00:52:03,430 --> 00:51:59,359

concept of lucifer and satan

1265

00:52:07,190 --> 00:52:03,440

in this scheme of things even originate

1266

00:52:10,150 --> 00:52:07,200

and people do not want to take the time

1267

00:52:13,270 --> 00:52:10,160

to go back and look at how that got

1268

00:52:16,150 --> 00:52:13,280

interjected into the larger narrative

1269

00:52:20,230 --> 00:52:16,160

and built upon in just a simple white

1270

00:52:22,390 --> 00:52:20,240

hat black hat us versus them evil versus

1271

00:52:27,750 --> 00:52:22,400

good duality

1272

00:52:31,750 --> 00:52:29,750

you know i'm not saying that there isn't

1273

00:52:34,549 --> 00:52:31,760

opposing forces like i said in the

1274

00:52:36,710 --> 00:52:34,559

natural world we have to have opposing

1275

00:52:40,470 --> 00:52:36,720

forces

1276

00:52:44,230 --> 00:52:40,480

but to the exaggeration of what

1277

00:52:46,549 --> 00:52:44,240

is being tossed around out there

1278

00:52:49,910 --> 00:52:46,559

so many people they they say one of

1279

00:52:53,030 --> 00:52:49,920

these words or concepts and have no

1280

00:52:54,309 --> 00:52:53,040

real clue what it really means to them

1281

00:52:56,150 --> 00:52:54,319

personally

1282

00:52:59,030 --> 00:52:56,160

they have just heard it from someone

1283

00:53:01,589 --> 00:52:59,040

else it excites the emotions we've got

1284

00:53:04,150 --> 00:53:01,599

this social construct of being

1285

00:53:05,750 --> 00:53:04,160

continually bombarded

1286

00:53:08,870 --> 00:53:05,760

with heightened

1287

00:53:12,470 --> 00:53:08,880

emotions and

1288

00:53:15,430 --> 00:53:12,480

erotic sensations and keeping everybody

1289

00:53:18,390 --> 00:53:15,440

in the fight or flight or freeze mode

1290

00:53:21,510 --> 00:53:18,400

instead of down like um

1291

00:53:23,270 --> 00:53:21,520

into the healing areas of

1292

00:53:24,630 --> 00:53:23,280

that's where i get problems with is

1293

00:53:26,630 --> 00:53:24,640

people always you got to raise your

1294

00:53:29,430 --> 00:53:26,640

vibration and stay in this higher

1295

00:53:32,150 --> 00:53:29,440

vibration lower vibrations are bad

1296

00:53:33,829 --> 00:53:32,160

no lower vibrations is where our body

1297

00:53:38,390 --> 00:53:33,839

rests and heals

1298

00:53:45,270 --> 00:53:42,069

you know battling for survival we can't

1299

00:53:47,270 --> 00:53:45,280

stay in survivor mode forever yeah that

1300

00:53:48,790 --> 00:53:47,280

fight or flight will uh will wear you

1301

00:53:52,150 --> 00:53:48,800

out real quick if you stay in that

1302

00:53:53,829 --> 00:53:52,160

flight fight or flight mode right

1303

00:53:56,309 --> 00:53:53,839

yeah and that's kind of that's what i'm

1304

00:53:59,589 --> 00:53:56,319

dealing with now is i i've acquired an

1305

00:54:01,510 --> 00:53:59,599

autoimmune illness because of the ptsd

1306

00:54:03,349 --> 00:54:01,520

and the stress and

1307

00:54:05,349 --> 00:54:03,359

that kind of thing that's going on and

1308

00:54:07,510 --> 00:54:05,359

that's where i'm at right now is i don't

1309

00:54:09,670 --> 00:54:07,520

think i'm good i have finally come out

1310

00:54:12,470 --> 00:54:09,680

of the last flare that's why i was in

1311

00:54:15,430 --> 00:54:12,480

the cave for several months after the

1312

00:54:16,390 --> 00:54:15,440

internet fiasco of targeting me and you

1313

00:54:19,030 --> 00:54:16,400

know

1314

00:54:21,030 --> 00:54:19,040

and it was precisely this kind of stuff

1315

00:54:23,190 --> 00:54:21,040

there's people out there running around

1316

00:54:25,589 --> 00:54:23,200

saying that i run an all woman's coven

1317

00:54:27,510 --> 00:54:25,599

here and um

1318

00:54:29,750 --> 00:54:27,520

it's just it's maddening i just kind of

1319

00:54:31,589 --> 00:54:29,760

go oh my gosh wait a minute here you

1320

00:54:33,670 --> 00:54:31,599

don't have a clue what i'm about here

1321

00:54:35,990 --> 00:54:33,680

and you're running around trashing this

1322

00:54:37,670 --> 00:54:36,000

and that and

1323

00:54:39,670 --> 00:54:37,680

but

1324

00:54:41,270 --> 00:54:39,680

i i guess if

1325

00:54:44,789 --> 00:54:41,280

i'm kind of getting on a tangent that's

1326

00:54:48,870 --> 00:54:46,390

i think you should i think you should

1327

00:54:50,230 --> 00:54:48,880

explain that and how did that affect you

1328

00:54:52,470 --> 00:54:50,240

these people just

1329

00:54:54,630 --> 00:54:52,480

just running around running their mouths

1330

00:54:55,990 --> 00:54:54,640

because there seems to be a lot of that

1331

00:54:57,910 --> 00:54:56,000

you know i'm perfectly fine with

1332

00:55:00,390 --> 00:54:57,920

somebody saying

1333

00:55:03,109 --> 00:55:00,400

uh this person is doing this and here's

1334

00:55:05,030 --> 00:55:03,119

the evidence for it but it doesn't seem

1335

00:55:07,349 --> 00:55:05,040

like we get that what we usually get is

1336

00:55:09,910 --> 00:55:07,359

a lot of accusations and aspersions and

1337

00:55:13,589 --> 00:55:09,920

no factual evidence or anything like

1338

00:55:15,109 --> 00:55:13,599

that we i see it all the time now

1339

00:55:17,589 --> 00:55:15,119

you know i'm everything from a state

1340

00:55:20,069 --> 00:55:17,599

worshiper to a to a cia

1341

00:55:22,230 --> 00:55:20,079

paid disinformation agent according to

1342

00:55:23,829 --> 00:55:22,240

some people and i just kind of sit back

1343

00:55:25,750 --> 00:55:23,839

and laugh at that i just think it's

1344

00:55:27,510 --> 00:55:25,760

funny like i said your story has no

1345

00:55:30,789 --> 00:55:27,520

merit because you have never presented

1346

00:55:33,349 --> 00:55:30,799

any evidence so i'm a cia disinformation

1347

00:55:36,309 --> 00:55:33,359

agent i mean it's kind of stupid

1348

00:55:38,630 --> 00:55:36,319

it's childish yeah

1349

00:55:40,870 --> 00:55:38,640

yeah that's kind of i i really don't i

1350

00:55:42,549 --> 00:55:40,880

can't even i've given up on trying to

1351

00:55:45,030 --> 00:55:42,559

explain that that's one thing i've told

1352

00:55:47,670 --> 00:55:45,040

my clients over and over again

1353

00:55:50,309 --> 00:55:47,680

is that you cannot interject reason in

1354

00:55:51,589 --> 00:55:50,319

an unreasonable equation you'll go crazy

1355

00:55:52,950 --> 00:55:51,599

doing

1356

00:55:56,390 --> 00:55:52,960

you know

1357

00:55:58,870 --> 00:55:56,400

you ju it is impossible to get in when

1358

00:56:01,990 --> 00:55:58,880

it's totally unreasonable being thrown

1359

00:56:04,150 --> 00:56:02,000

at you trying to twist it the way that

1360

00:56:07,109 --> 00:56:04,160

this these thought

1361

00:56:09,349 --> 00:56:07,119

these critical thinking errors and lack

1362

00:56:12,069 --> 00:56:09,359

of critical thinking

1363

00:56:14,710 --> 00:56:12,079

is going on and then what is ironic is

1364

00:56:16,549 --> 00:56:14,720

they banter that back saying you've got

1365

00:56:21,430 --> 00:56:16,559

to think critically but then they shut

1366

00:56:24,630 --> 00:56:22,549

yeah

1367

00:56:27,030 --> 00:56:24,640

or the other big thing that is a pet

1368

00:56:29,349 --> 00:56:27,040

peeve of mine is that these people will

1369

00:56:30,549 --> 00:56:29,359

block you on social media so you know

1370

00:56:33,030 --> 00:56:30,559

you're not a

1371

00:56:35,510 --> 00:56:33,040

you asked a question that i didn't like

1372

00:56:37,349 --> 00:56:35,520

so now i'm block like i i don't know i

1373

00:56:39,829 --> 00:56:37,359

have a policy i don't block anybody

1374

00:56:42,069 --> 00:56:39,839

unless i haven't had to yet if somebody

1375

00:56:44,549 --> 00:56:42,079

gets extremely like personally abusive

1376

00:56:46,390 --> 00:56:44,559

or just name-calling and and really

1377

00:56:47,829 --> 00:56:46,400

annoying then i would do that but i

1378

00:56:49,349 --> 00:56:47,839

haven't done it yet

1379

00:56:51,510 --> 00:56:49,359

anybody that has any problem with

1380

00:56:53,829 --> 00:56:51,520

anything on my show you can come and ask

1381

00:56:56,069 --> 00:56:53,839

me questions you can you know tell me

1382

00:56:58,390 --> 00:56:56,079

i'm wrong but please tell me why

1383

00:56:59,829 --> 00:56:58,400

about a certain case or subject i'm

1384

00:57:00,630 --> 00:56:59,839

really big on that and it just seems to

1385

00:57:01,910 --> 00:57:00,640

be

1386

00:57:03,670 --> 00:57:01,920

you know

1387

00:57:05,750 --> 00:57:03,680

i mean there's perfect examples of

1388

00:57:07,670 --> 00:57:05,760

people who say they battle you know

1389

00:57:09,910 --> 00:57:07,680

space aliens but they can't handle

1390

00:57:13,670 --> 00:57:09,920

twitter comments somehow which is kind

1391

00:57:18,710 --> 00:57:14,710

yeah

1392

00:57:21,910 --> 00:57:18,720

what i'm seeing a lot of you know the

1393

00:57:23,510 --> 00:57:21,920

um the loam in that garden there that

1394

00:57:26,630 --> 00:57:23,520

we're seeing

1395

00:57:29,030 --> 00:57:26,640

what has happened is we have

1396

00:57:31,589 --> 00:57:29,040

a whole generation

1397

00:57:34,470 --> 00:57:31,599

and maybe even two generations at this

1398

00:57:35,829 --> 00:57:34,480

point that have been so socially

1399

00:57:39,349 --> 00:57:35,839

conditioned

1400

00:57:42,789 --> 00:57:39,359

down the fantasy with the gaming

1401

00:57:44,789 --> 00:57:42,799

and the the high intensity

1402

00:57:45,990 --> 00:57:44,799

intrusion that we're having on our

1403

00:57:48,630 --> 00:57:46,000

psyches

1404

00:57:51,510 --> 00:57:48,640

through these devices

1405

00:57:54,390 --> 00:57:51,520

you know that's just one factor in in

1406

00:57:55,670 --> 00:57:54,400

what has set this up here

1407

00:57:57,750 --> 00:57:55,680

and

1408

00:57:59,190 --> 00:57:57,760

you know this whole role playing i'm

1409

00:58:03,030 --> 00:57:59,200

looking at

1410

00:58:05,670 --> 00:58:03,040

people that have never experienced life

1411

00:58:10,069 --> 00:58:05,680

actually doing a virtual

1412

00:58:14,390 --> 00:58:12,470

if that even makes any sense it you know

1413

00:58:16,950 --> 00:58:14,400

it's like they've all got these roles

1414

00:58:18,789 --> 00:58:16,960

they jump into these characters they're

1415

00:58:20,630 --> 00:58:18,799

doing the role playing and here i'm an

1416

00:58:23,829 --> 00:58:20,640

old one from way back in

1417

00:58:25,430 --> 00:58:23,839

d and d days you know

1418

00:58:28,950 --> 00:58:25,440

so i

1419

00:58:30,870 --> 00:58:28,960

that you know and renaissance fairs and

1420

00:58:33,910 --> 00:58:30,880

and that kind of thing but now i'm

1421

00:58:35,190 --> 00:58:33,920

seeing it play out on the devices

1422

00:58:38,549 --> 00:58:35,200

and

1423

00:58:40,789 --> 00:58:38,559

um you know these younger minds that

1424

00:58:43,670 --> 00:58:40,799

have not developed and they have been

1425

00:58:46,150 --> 00:58:43,680

guided down this

1426

00:58:48,710 --> 00:58:46,160

road of

1427

00:58:50,870 --> 00:58:48,720

misuse of imagination

1428

00:58:53,190 --> 00:58:50,880

it's fine to have your fantasies it's

1429

00:58:55,109 --> 00:58:53,200

fine to have your imagination and your

1430

00:58:56,069 --> 00:58:55,119

creativity

1431

00:59:00,150 --> 00:58:56,079

but

1432

00:59:03,109 --> 00:59:00,160

you need to somehow differentiate that

1433

00:59:04,950 --> 00:59:03,119

from you know what is actually

1434

00:59:06,630 --> 00:59:04,960

fueling that i guess

1435

00:59:08,870 --> 00:59:06,640

yeah i've often thought that it's like

1436

00:59:11,190 --> 00:59:08,880

the younger generations including my own

1437

00:59:12,710 --> 00:59:11,200

it's kind of like a lot of escapism you

1438

00:59:15,109 --> 00:59:12,720

know i have a friend and

1439

00:59:17,190 --> 00:59:15,119

he doesn't really accomplish much but

1440

00:59:18,870 --> 00:59:17,200

he'll tell me about all the things he

1441

00:59:20,710 --> 00:59:18,880

accomplished in the online game he's

1442

00:59:23,349 --> 00:59:20,720

playing that day

1443

00:59:25,589 --> 00:59:23,359

and it just seems to me it seems sad

1444

00:59:27,910 --> 00:59:25,599

like that's all you that's all you do

1445

00:59:29,190 --> 00:59:27,920

every day you go into this fake online

1446

00:59:30,789 --> 00:59:29,200

world and

1447

00:59:33,109 --> 00:59:30,799

you know go through these

1448

00:59:35,270 --> 00:59:33,119

pre-scripted sort of adventures and okay

1449

00:59:36,950 --> 00:59:35,280

you saved the princess and like

1450

00:59:39,430 --> 00:59:36,960

some of our mutual friends were like is

1451  
00:59:40,390 --> 00:59:39,440  
he talking about a game again like

1452  
00:59:42,150 --> 00:59:40,400  
there's no

1453  
00:59:43,510 --> 00:59:42,160  
he doesn't do anything in the real world

1454  
00:59:45,510 --> 00:59:43,520  
so he's he's

1455  
00:59:47,750 --> 00:59:45,520  
sort of traded any real world

1456  
00:59:50,470 --> 00:59:47,760  
accomplishments that he could do

1457  
00:59:52,309 --> 00:59:50,480  
for just you know i got this many gold

1458  
00:59:53,910 --> 00:59:52,319  
pieces in this game and i i don't

1459  
00:59:56,470 --> 00:59:53,920  
understand that myself

1460  
00:59:58,710 --> 00:59:56,480  
i try to measure these things and treat

1461  
01:00:01,030 --> 00:59:58,720  
them as a form of entertainment and

1462  
01:00:03,030 --> 01:00:01,040  
sparingly i think like the

1463  
01:00:05,030 --> 01:00:03,040

you know everything in moderation can't

1464

01:00:06,309 --> 01:00:05,040

be harmful but if all you do is sit in

1465

01:00:09,109 --> 01:00:06,319

front of a computer screen and play a

1466

01:00:12,309 --> 01:00:09,119

game for 12 hours a day that's a problem

1467

01:00:17,589 --> 01:00:14,950

yeah and what i'm seeing popping out

1468

01:00:19,109 --> 01:00:17,599

there right now with these pockets of

1469

01:00:20,390 --> 01:00:19,119

the the

1470

01:00:22,150 --> 01:00:20,400

individual

1471

01:00:23,750 --> 01:00:22,160

online cult

1472

01:00:26,230 --> 01:00:23,760

um

1473

01:00:28,470 --> 01:00:26,240

uh players out there

1474

01:00:32,309 --> 01:00:28,480

i try to get people to look back and and

1475

01:00:34,789 --> 01:00:32,319

look at this overlaying umbrella type

1476

01:00:38,230 --> 01:00:34,799

alt cult is what i keep talking about on

1477

01:00:42,309 --> 01:00:38,240

this i see that as as a huge

1478

01:00:45,270 --> 01:00:42,319

virtual gaming thing that is is taking

1479

01:00:48,230 --> 01:00:45,280

off is these pockets and then the

1480

01:00:50,150 --> 01:00:48,240

charismatic um leader

1481

01:00:52,069 --> 01:00:50,160

that has all of their followers and

1482

01:00:54,150 --> 01:00:52,079

they're all pitching against one another

1483

01:00:55,990 --> 01:00:54,160

and everything else but then once again

1484

01:00:57,109 --> 01:00:56,000

there's that smoke screen that's the

1485

01:01:01,430 --> 01:00:57,119

illusion

1486

01:01:03,829 --> 01:01:01,440

because what needs to really be

1487

01:01:07,349 --> 01:01:03,839

you know threaded out of this

1488

01:01:09,910 --> 01:01:07,359

is the the drive that's behind that

1489

01:01:12,309 --> 01:01:09,920

because there is a common denominator

1490

01:01:14,950 --> 01:01:12,319

fueling all of these that appear to be

1491

01:01:17,030 --> 01:01:14,960

battling one another and the ones that

1492

01:01:18,710 --> 01:01:17,040

are in the groups even the leaders of

1493

01:01:20,789 --> 01:01:18,720

the group i don't think many of them

1494

01:01:22,829 --> 01:01:20,799

even know that they're be that they're

1495

01:01:25,829 --> 01:01:22,839

caught up in that

1496

01:01:28,710 --> 01:01:25,839

cycle they're so used to looking at the

1497

01:01:31,270 --> 01:01:28,720

numbers and and the um

1498

01:01:33,510 --> 01:01:31,280

dopamine hit that they get from

1499

01:01:35,910 --> 01:01:33,520

watching their numbers rise and getting

1500

01:01:38,150 --> 01:01:35,920

people excited and and watching the

1501  
01:01:39,190 --> 01:01:38,160  
reactions because they're wielding this

1502  
01:01:40,309 --> 01:01:39,200  
magic

1503  
01:01:43,109 --> 01:01:40,319  
of

1504  
01:01:47,349 --> 01:01:43,119  
you know being the leader and

1505  
01:01:50,150 --> 01:01:47,359  
uh yeah we've we've got a huge mishmash

1506  
01:01:51,670 --> 01:01:50,160  
going on there and that is one of the

1507  
01:01:55,190 --> 01:01:51,680  
things that

1508  
01:01:58,549 --> 01:01:55,200  
this one particular group that has been

1509  
01:02:00,710 --> 01:01:58,559  
smearing me online for some time now

1510  
01:02:03,589 --> 01:02:00,720  
threw at me at the very beginning is

1511  
01:02:07,109 --> 01:02:03,599  
that i was running a cult when in fact

1512  
01:02:10,549 --> 01:02:07,119  
this group has got such insidious

1513  
01:02:11,589 --> 01:02:10,559

cult-like behaviors in it you know

1514

01:02:13,750 --> 01:02:11,599

um

1515

01:02:15,349 --> 01:02:13,760

it's it's just it's just amazing to

1516

01:02:17,750 --> 01:02:15,359

watch this and then you get into the

1517

01:02:21,270 --> 01:02:17,760

psychology part of it and

1518

01:02:23,990 --> 01:02:21,280

i i've got a strong um

1519

01:02:30,549 --> 01:02:27,990

area that i use of the the union and the

1520

01:02:32,309 --> 01:02:30,559

maslow you know the individuation and

1521

01:02:34,630 --> 01:02:32,319

the shadow work and the

1522

01:02:35,670 --> 01:02:34,640

self-actualization

1523

01:02:40,230 --> 01:02:35,680

um

1524

01:02:45,589 --> 01:02:40,240

our

1525

01:02:48,789 --> 01:02:45,599

reactions how we perceive things how we

1526

01:02:52,549 --> 01:02:48,799

do our own stuff which this thing that

1527

01:02:54,870 --> 01:02:52,559

got woven into the new age and it really

1528

01:02:57,430 --> 01:02:54,880

started taking off again with when the

1529

01:02:59,829 --> 01:02:57,440

law of one made it circle back around

1530

01:03:02,549 --> 01:02:59,839

again yeah um i know exactly who you're

1531

01:03:04,150 --> 01:03:02,559

talking about i believe so

1532

01:03:04,870 --> 01:03:04,160

yeah yeah

1533

01:03:08,230 --> 01:03:04,880

yeah

1534

01:03:09,349 --> 01:03:08,240

and these guys exhibit every every ounce

1535

01:03:10,870 --> 01:03:09,359

of

1536

01:03:12,630 --> 01:03:10,880

everything i've ever read about a cult

1537

01:03:14,630 --> 01:03:12,640

these guys exhibit it you know

1538

01:03:16,630 --> 01:03:14,640

charismatic leader

1539

01:03:18,789 --> 01:03:16,640

omniscient he's never wrong you're not

1540

01:03:22,309 --> 01:03:18,799

allowed to question or judge the leader

1541

01:03:24,470 --> 01:03:22,319

and uh let's see what else uh is

1542

01:03:26,069 --> 01:03:24,480

financially and sexually exploiting some

1543

01:03:28,069 --> 01:03:26,079

of his some or

1544

01:03:31,270 --> 01:03:28,079

all of his followers

1545

01:03:33,349 --> 01:03:31,280

uh you know there's just you go down the

1546

01:03:35,349 --> 01:03:33,359

list and you go oh my god it's like

1547

01:03:36,549 --> 01:03:35,359

every point they hit they hit every

1548

01:03:39,349 --> 01:03:36,559

point

1549

01:03:41,670 --> 01:03:39,359

you know yeah

1550

01:03:44,870 --> 01:03:41,680

the inability the inability to accept

1551  
01:03:47,029 --> 01:03:44,880  
any criticism whatsoever and they all

1552  
01:03:49,270 --> 01:03:47,039  
have this they're out to get us thing

1553  
01:03:53,670 --> 01:03:49,280  
that's another narrative they all use so

1554  
01:03:56,789 --> 01:03:55,829  
[Music]

1555  
01:03:59,270 --> 01:03:56,799  
yeah

1556  
01:04:03,430 --> 01:03:59,280  
but you know the the one that that

1557  
01:04:04,549 --> 01:04:03,440  
targeted me directly is one that claims

1558  
01:04:07,029 --> 01:04:04,559  
to be

1559  
01:04:10,470 --> 01:04:07,039  
the ones that took down the other one

1560  
01:04:12,549 --> 01:04:10,480  
that you're talking about too

1561  
01:04:14,870 --> 01:04:12,559  
they're pit they were pitted against one

1562  
01:04:16,390 --> 01:04:14,880  
another and and that's what i'm watching

1563  
01:04:18,470 --> 01:04:16,400

is this

1564

01:04:21,190 --> 01:04:18,480

these different ones that are doing the

1565

01:04:23,670 --> 01:04:21,200

exact same thing but then lobbying at

1566

01:04:25,510 --> 01:04:23,680

one another and the people the followers

1567

01:04:27,990 --> 01:04:25,520

that are caught in the middle of all of

1568

01:04:30,549 --> 01:04:28,000

this they get disillusioned because they

1569

01:04:32,870 --> 01:04:30,559

see the crumbling of one of them and if

1570

01:04:35,589 --> 01:04:32,880

they don't deal with what's within them

1571

01:04:37,910 --> 01:04:35,599

that makes them vulnerable to to falling

1572

01:04:41,750 --> 01:04:37,920

into this they're just going to go guru

1573

01:04:43,430 --> 01:04:41,760

seeking and find another group

1574

01:04:46,150 --> 01:04:43,440

that's a dangerous place

1575

01:04:48,789 --> 01:04:46,160

dangerous place to be is needing that

1576

01:04:51,990 --> 01:04:48,799

external guru you know i i've always

1577

01:04:55,190 --> 01:04:52,000

really been big on like be your own guru

1578

01:04:57,910 --> 01:04:55,200

and you know that's what i try to do and

1579

01:04:59,750 --> 01:04:57,920

i'm also i i really am honestly trying

1580

01:05:01,270 --> 01:04:59,760

to stay out of it but i can't sometimes

1581

01:05:03,510 --> 01:05:01,280

sometimes i comment too much and

1582

01:05:05,910 --> 01:05:03,520

sometimes i'm following this and

1583

01:05:07,270 --> 01:05:05,920

this fiasco that's going on and i'm

1584

01:05:08,470 --> 01:05:07,280

going

1585

01:05:09,990 --> 01:05:08,480

you know

1586

01:05:11,430 --> 01:05:10,000

should i really have a place in this or

1587

01:05:14,309 --> 01:05:11,440

should i be concentrating on my own

1588

01:05:16,549 --> 01:05:14,319

development be concentrating on my own

1589

01:05:17,910 --> 01:05:16,559

search for whatever i'm looking for and

1590

01:05:20,630 --> 01:05:17,920

not

1591

01:05:23,589 --> 01:05:20,640

you know it's it's like my last show we

1592

01:05:26,549 --> 01:05:23,599

talked about all the ufo frauds

1593

01:05:28,630 --> 01:05:26,559

and fakes and and uh in the second half

1594

01:05:29,910 --> 01:05:28,640

and like you know i get angry i get so

1595

01:05:31,190 --> 01:05:29,920

angry because i feel like these people

1596

01:05:32,549 --> 01:05:31,200

are taking advantage of people and

1597

01:05:34,230 --> 01:05:32,559

somebody's got to stand up and say this

1598

01:05:37,109 --> 01:05:34,240

is wrong and here's why

1599

01:05:40,630 --> 01:05:37,119

so maybe i have a place in it but i i

1600

01:05:42,150 --> 01:05:40,640

try to not focus so much on that

1601

01:05:43,910 --> 01:05:42,160

or lately that's what i'm trying yeah

1602

01:05:45,190 --> 01:05:43,920

it's not working out so well for me

1603

01:05:47,109 --> 01:05:45,200

sometimes because then something else

1604

01:05:50,150 --> 01:05:47,119

will happen and i feel like i gotta

1605

01:05:52,390 --> 01:05:50,160

address it

1606

01:05:54,309 --> 01:05:52,400

yeah the the the few times here just

1607

01:05:55,750 --> 01:05:54,319

over the last few weeks that you and i

1608

01:05:59,109 --> 01:05:55,760

have kind of ended up in the same

1609

01:06:01,589 --> 01:05:59,119

conversations i think i thanks for that

1610

01:06:02,950 --> 01:06:01,599

from you we're both going okay i'm gonna

1611

01:06:05,589 --> 01:06:02,960

say my piece and i'm getting the hell

1612

01:06:07,270 --> 01:06:05,599

out i'm doing a hit and run

1613

01:06:09,349 --> 01:06:07,280

yeah that's what you got to do

1614

01:06:11,430 --> 01:06:09,359

you know what i see

1615

01:06:13,910 --> 01:06:11,440

it sucked in my goodness you know

1616

01:06:16,309 --> 01:06:13,920

they'll shred you up you absolutely do

1617

01:06:18,870 --> 01:06:16,319

and i want to i just want to say uh

1618

01:06:21,270 --> 01:06:18,880

i i see we're coming up on an hour here

1619

01:06:23,190 --> 01:06:21,280

so i want to uh i want to pause right

1620

01:06:27,240 --> 01:06:23,200

here so that we could take a break and

1621

01:06:32,789 --> 01:06:30,789

[Music]

1622

01:06:34,789 --> 01:06:32,799

okay welcome back to the midnight hour

1623

01:06:36,230 --> 01:06:34,799

show thank you for joining me

1624

01:06:38,710 --> 01:06:36,240

we're here

1625

01:06:41,670 --> 01:06:38,720

tonight with my very special guest

1626

01:06:44,630 --> 01:06:41,680

marilee neody

1627

01:06:46,950 --> 01:06:44,640

merrily i had some other questions

1628

01:06:50,390 --> 01:06:46,960

mostly related to

1629

01:06:52,230 --> 01:06:50,400

your mystic mountain project and magic

1630

01:06:54,549 --> 01:06:52,240

can you tell my listeners a little more

1631

01:06:56,390 --> 01:06:54,559

about all that you do there because i

1632

01:07:01,270 --> 01:06:56,400

looked at your website and you have some

1633

01:07:06,950 --> 01:07:03,990

oh well thank you thank you um what is

1634

01:07:09,750 --> 01:07:06,960

on the website that that is kind of a um

1635

01:07:12,630 --> 01:07:09,760

that is the template that i'm dropping

1636

01:07:14,390 --> 01:07:12,640

uh materials that i've accumulated for a

1637

01:07:16,950 --> 01:07:14,400

number of decades all the way through

1638

01:07:18,069 --> 01:07:16,960

this whole

1639

01:07:21,349 --> 01:07:18,079

journey

1640

01:07:23,670 --> 01:07:21,359

through this and the role the new role

1641

01:07:25,190 --> 01:07:23,680

that i have here and what mystic

1642

01:07:28,789 --> 01:07:25,200

mountain is

1643

01:07:31,750 --> 01:07:28,799

is not necessarily exposing we do talk a

1644

01:07:33,270 --> 01:07:31,760

lot about the exposing of the illusion

1645

01:07:35,029 --> 01:07:33,280

that's around us we call it the

1646

01:07:35,910 --> 01:07:35,039

simulation

1647

01:07:41,190 --> 01:07:35,920

and

1648

01:07:44,789 --> 01:07:41,200

my stories of

1649

01:07:46,870 --> 01:07:44,799

my magical working with the anti-virus

1650

01:07:50,150 --> 01:07:46,880

when i was living at the base of mount

1651

01:07:54,789 --> 01:07:50,160

shasta a couple of years ago

1652

01:07:59,510 --> 01:07:56,870

way that we present that

1653

01:08:02,390 --> 01:07:59,520

now the website itself uh what we're

1654

01:08:04,230 --> 01:08:02,400

doing now is we're backing away from the

1655

01:08:06,630 --> 01:08:04,240

pointing the fingers and trying to talk

1656

01:08:09,349 --> 01:08:06,640

so much about how

1657

01:08:10,789 --> 01:08:09,359

the exposing of all of this is going on

1658

01:08:13,589 --> 01:08:10,799

which is kind of hard to do with

1659

01:08:17,269 --> 01:08:13,599

everything that has happened here but

1660

01:08:20,229 --> 01:08:17,279

the main thrust of it is we've got the

1661

01:08:23,510 --> 01:08:20,239

uh the market side of it where we have

1662

01:08:26,709 --> 01:08:23,520

several markets the main online store

1663

01:08:28,470 --> 01:08:26,719

we've got over 9000 items on there

1664

01:08:30,870 --> 01:08:28,480

we really

1665

01:08:32,070 --> 01:08:30,880

promote fair trade

1666

01:08:34,470 --> 01:08:32,080

organic

1667

01:08:36,870 --> 01:08:34,480

that kind of thing we've got some

1668

01:08:38,870 --> 01:08:36,880

handcrafted things that when i get the

1669

01:08:42,550 --> 01:08:38,880

studio up and running here there will be

1670

01:08:45,829 --> 01:08:42,560

more things going through that way

1671

01:08:48,630 --> 01:08:45,839

and i have the online auction site which

1672

01:08:50,709 --> 01:08:48,640

is an ebay auction store that i will be

1673

01:08:52,709 --> 01:08:50,719

accepting people's

1674

01:08:55,910 --> 01:08:52,719

um

1675

01:08:58,550 --> 01:08:55,920

if people want to promote their

1676

01:09:01,829 --> 01:08:58,560

items through there

1677

01:09:04,550 --> 01:09:01,839

and let's see

1678

01:09:09,110 --> 01:09:04,560

in the future we'll have a buyer's club

1679

01:09:11,590 --> 01:09:09,120

where it's a cooperative and people can

1680

01:09:14,229 --> 01:09:13,110

purchase

1681

01:09:16,390 --> 01:09:14,239

at

1682

01:09:18,229 --> 01:09:16,400

just a little above wholesale and then

1683

01:09:21,269 --> 01:09:18,239

be able to turn it back around and

1684

01:09:23,110 --> 01:09:21,279

utilize the group as you know for the

1685

01:09:24,789 --> 01:09:23,120

marketing that kind of thing but that's

1686

01:09:26,470 --> 01:09:24,799

further down the road we've got to save

1687

01:09:28,950 --> 01:09:26,480

our butts here first so let me go ahead

1688

01:09:30,550 --> 01:09:28,960

and move on to the next one

1689

01:09:33,590 --> 01:09:30,560

um the next

1690

01:09:35,749 --> 01:09:33,600

yeah the next part of that is we have a

1691

01:09:37,430 --> 01:09:35,759

community kind of thing that has taken a

1692

01:09:40,149 --> 01:09:37,440

lot of different

1693

01:09:43,189 --> 01:09:40,159

um a different take now because we're

1694

01:09:45,110 --> 01:09:43,199

not so much i'm not working as much

1695

01:09:48,070 --> 01:09:45,120

one-on-one with people

1696

01:09:50,550 --> 01:09:48,080

i still do offer

1697

01:09:53,189 --> 01:09:50,560

you know consultation services that goes

1698

01:09:55,189 --> 01:09:53,199

along with the programs that i'm loading

1699

01:09:58,550 --> 01:09:55,199

out there

1700

01:10:01,350 --> 01:09:58,560

which one of those is

1701

01:10:03,669 --> 01:10:01,360

the wellness life path

1702

01:10:05,990 --> 01:10:03,679

and the reason why i separated this from

1703

01:10:08,550 --> 01:10:06,000

the primal path working that i had going

1704

01:10:11,430 --> 01:10:08,560

on before is because so many people were

1705

01:10:14,709 --> 01:10:11,440

getting into the primal path working

1706

01:10:16,950 --> 01:10:14,719

prematurely and it's like giving fire to

1707

01:10:17,910 --> 01:10:16,960

a two-year-old i i know you with your

1708

01:10:20,390 --> 01:10:17,920

last

1709

01:10:22,550 --> 01:10:20,400

um show that you had put on there i

1710

01:10:24,550 --> 01:10:22,560

really identified with that because the

1711

01:10:26,950 --> 01:10:24,560

information was going out too fast and

1712

01:10:28,390 --> 01:10:26,960

they just weren't ready for it

1713

01:10:30,470 --> 01:10:28,400

yeah i noticed that you have a lot of

1714

01:10:33,270 --> 01:10:30,480

like self-help articles

1715

01:10:35,030 --> 01:10:33,280

and that involves spirituality and and

1716

01:10:36,790 --> 01:10:35,040

sort of like how to be happy how to be

1717

01:10:40,390 --> 01:10:36,800

financially happy or playing for your

1718

01:10:42,229 --> 01:10:40,400

financial future and i i just think

1719

01:10:43,990 --> 01:10:42,239

you know i can tell that you're still

1720

01:10:45,830 --> 01:10:44,000

working on it but it looks like it's

1721

01:10:48,390 --> 01:10:45,840

going to be an incredible resource of

1722

01:10:50,790 --> 01:10:48,400

information to share and thank you for

1723

01:10:53,030 --> 01:10:50,800

doing that

1724

01:10:55,189 --> 01:10:53,040

yeah yeah and thank you for mentioning

1725

01:10:56,709 --> 01:10:55,199

that can we give people let's give

1726

01:10:59,270 --> 01:10:56,719

people the website address before i

1727

01:11:04,470 --> 01:10:59,280

forget could you do that

1728

01:11:08,630 --> 01:11:06,790

and mystic mountain is spelled

1729

01:11:09,350 --> 01:11:08,640

m y s

1730

01:11:10,149 --> 01:11:09,360

t

1731

01:11:11,430 --> 01:11:10,159

i

1732

01:11:15,510 --> 01:11:11,440

k

1733

01:11:17,590 --> 01:11:15,520

m o u n t i a n

1734

01:11:20,550 --> 01:11:17,600

okay excellent so my listeners can find

1735

01:11:26,149 --> 01:11:23,510

yeah yeah and and the the soul tribe

1736

01:11:28,550 --> 01:11:26,159

sanctuary website was getting very big

1737

01:11:30,950 --> 01:11:28,560

as well and it's still out there but

1738

01:11:33,590 --> 01:11:30,960

i've got it redirected over

1739

01:11:35,669 --> 01:11:33,600

so if anybody you know falls on some of

1740

01:11:37,590 --> 01:11:35,679

our old articles that are out there and

1741

01:11:38,830 --> 01:11:37,600

they hit that website it'll come over to

1742

01:11:40,790 --> 01:11:38,840

mystic mountain

1743

01:11:44,709 --> 01:11:40,800

so

1744

01:11:46,709 --> 01:11:44,719

just opened up the

1745

01:11:49,350 --> 01:11:46,719

uh

1746

01:11:50,790 --> 01:11:49,360

the booking page that has all of the

1747

01:11:53,669 --> 01:11:50,800

tarot

1748

01:11:55,189 --> 01:11:53,679

guided imagery a lot of these things are

1749

01:11:58,229 --> 01:11:55,199

kind of a

1750

01:12:02,630 --> 01:11:58,239

combination of my spiritual path and my

1751

01:12:05,270 --> 01:12:02,640

professional path i'm not acting as a

1752

01:12:07,830 --> 01:12:05,280

professional counselor any longer i was

1753

01:12:09,910 --> 01:12:07,840

pursuing my license up here again but at

1754

01:12:12,550 --> 01:12:09,920

the stage where i'm at right now i don't

1755

01:12:14,229 --> 01:12:12,560

think that's where i'm going to go

1756

01:12:17,750 --> 01:12:14,239

i have worked as a professional

1757

01:12:19,910 --> 01:12:17,760

counselor for 30 years so

1758

01:12:22,470 --> 01:12:19,920

it's time to put that one out to pasture

1759

01:12:25,189 --> 01:12:22,480

but i have drawn on a lot of those skill

1760

01:12:27,350 --> 01:12:25,199

sets and have incorporated that in there

1761

01:12:29,750 --> 01:12:27,360

into a more self-help

1762

01:12:31,990 --> 01:12:29,760

not your pop psych that runs people down

1763

01:12:34,229 --> 01:12:32,000

the roads of the dangerous shadow work

1764

01:12:36,630 --> 01:12:34,239

that's out there and inner work that

1765

01:12:37,510 --> 01:12:36,640

people are touting

1766

01:12:40,149 --> 01:12:37,520

that

1767

01:12:42,070 --> 01:12:40,159

tends to just keep people caught up in

1768

01:12:44,790 --> 01:12:42,080

that loop so

1769

01:12:47,750 --> 01:12:44,800

what we try to offer on that is

1770

01:12:50,550 --> 01:12:47,760

ways to be able to apply these things on

1771

01:12:52,790 --> 01:12:50,560

a practical level and the wellness hits

1772

01:12:55,750 --> 01:12:52,800

eight dimensions of wellness

1773

01:12:57,060 --> 01:12:55,760

which is actually from addictionology

1774

01:12:58,390 --> 01:12:57,070

it's from uh

1775

01:12:59,669 --> 01:12:58,400

[Music]

1776

01:13:02,550 --> 01:12:59,679

the national

1777

01:13:06,229 --> 01:13:02,560

association on addictions is where it it

1778

01:13:08,709 --> 01:13:06,239

came from and it goes into the eight

1779

01:13:10,470 --> 01:13:08,719

dimensions of wellness and that's kind

1780

01:13:13,910 --> 01:13:10,480

of what you were talking about we have

1781

01:13:16,790 --> 01:13:13,920

we look at finances we look at

1782

01:13:18,709 --> 01:13:16,800

spiritual well-being family all sorts of

1783

01:13:21,189 --> 01:13:18,719

areas people can go on and kind of look

1784

01:13:23,350 --> 01:13:21,199

at that but what we do is try to break

1785

01:13:25,669 --> 01:13:23,360

that down depending on where the

1786

01:13:27,990 --> 01:13:25,679

individual person is

1787

01:13:29,350 --> 01:13:28,000

and um

1788

01:13:33,750 --> 01:13:29,360

come up with

1789

01:13:36,070 --> 01:13:33,760

a path past plans on how they can

1790

01:13:38,470 --> 01:13:36,080

get their goals back in line and get

1791

01:13:40,470 --> 01:13:38,480

moving on that more practical level with

1792

01:13:42,229 --> 01:13:40,480

it

1793

01:13:45,189 --> 01:13:42,239

and then there's that whole section on

1794

01:13:47,590 --> 01:13:45,199

the front page that breaks it down into

1795

01:13:49,430 --> 01:13:47,600

the different sections that

1796

01:13:51,590 --> 01:13:49,440

oh we've got stuff that's going to be

1797

01:13:53,350 --> 01:13:51,600

coming out that's on micro farming

1798

01:13:56,310 --> 01:13:53,360

permaculture

1799

01:13:57,110 --> 01:13:56,320

gardening we're big on you know working

1800

01:13:59,510 --> 01:13:57,120

with

1801  
01:14:02,470 --> 01:13:59,520  
nature as much as you can no matter how

1802  
01:14:04,950 --> 01:14:02,480  
urban or rural you are yeah i know i saw

1803  
01:14:07,669 --> 01:14:04,960  
that and i'm i'm anxiously awaiting that

1804  
01:14:09,189 --> 01:14:07,679  
getting loaded up because i someday i'm

1805  
01:14:11,030 --> 01:14:09,199  
going to have a really huge garden at

1806  
01:14:13,110 --> 01:14:11,040  
that cabin but the problem at the cabin

1807  
01:14:16,070 --> 01:14:13,120  
is that it's in the mountains and it's

1808  
01:14:19,189 --> 01:14:16,080  
all rocks i tried and there's no dirt to

1809  
01:14:21,350 --> 01:14:19,199  
plant in and i tried even you know like

1810  
01:14:23,510 --> 01:14:21,360  
i called it crowbar

1811  
01:14:25,990 --> 01:14:23,520  
gardening last year when i tried because

1812  
01:14:27,830 --> 01:14:26,000  
you literally need a crowbar to get all

1813  
01:14:30,550 --> 01:14:27,840

the rocks out and then you get like one

1814

01:14:31,510 --> 01:14:30,560

inch of soil before you hit like a big

1815

01:14:34,550 --> 01:14:31,520

you know

1816

01:14:36,709 --> 01:14:34,560

200 foot wide granite block or something

1817

01:14:38,950 --> 01:14:36,719

underneath that you know so i don't know

1818

01:14:41,270 --> 01:14:38,960

what i'm gonna do yet about that i think

1819

01:14:42,630 --> 01:14:41,280

i'm gonna have to bring in some dirt or

1820

01:14:45,830 --> 01:14:42,640

fill or

1821

01:14:48,870 --> 01:14:45,840

compost or something to create a garden

1822

01:14:51,750 --> 01:14:48,880

it's a challenging environment yeah well

1823

01:14:54,870 --> 01:14:51,760

has been going up vertical gardening you

1824

01:14:57,590 --> 01:14:54,880

know there's a lot of ways you know your

1825

01:14:59,189 --> 01:14:57,600

larger stuff like your trees and shrubs

1826

01:15:01,189 --> 01:14:59,199

may you may need to get a little bit

1827

01:15:03,350 --> 01:15:01,199

more creative but there are ways of

1828

01:15:05,750 --> 01:15:03,360

working around that so where i'm at

1829

01:15:07,830 --> 01:15:05,760

right now if wild crafting is huge i

1830

01:15:09,270 --> 01:15:07,840

don't even have to work from the garden

1831

01:15:12,229 --> 01:15:09,280

out there which is overgrown anyway

1832

01:15:14,550 --> 01:15:12,239

because i've my health took such a turn

1833

01:15:15,910 --> 01:15:14,560

this year but i'm sorry to hear that

1834

01:15:18,070 --> 01:15:15,920

right now

1835

01:15:19,910 --> 01:15:18,080

we're under the strawberry moon right

1836

01:15:21,910 --> 01:15:19,920

now the full moon is the strawberry moon

1837

01:15:24,630 --> 01:15:21,920

which indicates you know the

1838

01:15:26,630 --> 01:15:24,640

the berries and the the fruits and

1839

01:15:29,110 --> 01:15:26,640

everything and here in this little

1840

01:15:31,830 --> 01:15:29,120

valley that i'm in we're well we're

1841

01:15:34,630 --> 01:15:31,840

expecting snow at 6 500 again this

1842

01:15:39,189 --> 01:15:37,590

yeah so in the valley where i'm at we're

1843

01:15:41,189 --> 01:15:39,199

probably not going to get the snow but

1844

01:15:43,350 --> 01:15:41,199

the the mountains i'm totally surrounded

1845

01:15:45,990 --> 01:15:43,360

by mountains and it's in what is called

1846

01:15:47,590 --> 01:15:46,000

the banana belt of montana

1847

01:15:49,750 --> 01:15:47,600

which means

1848

01:15:52,870 --> 01:15:49,760

this little valley here is about 20

1849

01:15:54,870 --> 01:15:52,880

degrees on the average warmer than the

1850

01:15:56,229 --> 01:15:54,880

rest of montana

1851

01:15:59,189 --> 01:15:56,239

so

1852

01:16:00,310 --> 01:15:59,199

there's things that grow here that don't

1853

01:16:03,590 --> 01:16:00,320

grow

1854

01:16:05,350 --> 01:16:03,600

you know in most places you can go out

1855

01:16:06,790 --> 01:16:05,360

elderberries

1856

01:16:10,149 --> 01:16:06,800

huckleberries

1857

01:16:12,470 --> 01:16:10,159

wild raspberries strawberries plums

1858

01:16:14,070 --> 01:16:12,480

you name it you know and you just go out

1859

01:16:15,510 --> 01:16:14,080

into the hills and pick them you bring

1860

01:16:16,950 --> 01:16:15,520

them back and

1861

01:16:19,350 --> 01:16:16,960

preserve them and put them down in your

1862

01:16:21,669 --> 01:16:19,360

root cellar you know yeah my cabin we

1863

01:16:23,990 --> 01:16:21,679

have uh we have wild strawberries all

1864

01:16:25,270 --> 01:16:24,000

over the place but it takes so long to

1865

01:16:26,709 --> 01:16:25,280

get any

1866

01:16:29,110 --> 01:16:26,719

any good amount of them because they're

1867

01:16:30,790 --> 01:16:29,120

so small but i still try i still try

1868

01:16:32,390 --> 01:16:30,800

every year yeah let's go out with a

1869

01:16:34,550 --> 01:16:32,400

basket and see you know if we get a

1870

01:16:35,510 --> 01:16:34,560

basket load of these things

1871

01:16:36,950 --> 01:16:35,520

you know

1872

01:16:44,550 --> 01:16:36,960

yeah

1873

01:16:46,870 --> 01:16:44,560

and the apples and oh we've got all

1874

01:16:49,430 --> 01:16:46,880

sorts of stuff around here so

1875

01:16:51,750 --> 01:16:49,440

come harvest time and it's pretty

1876

01:16:53,990 --> 01:16:51,760

amazing and we've also we're also

1877

01:16:55,189 --> 01:16:54,000

surrounded by amish and mennonite

1878

01:16:57,750 --> 01:16:55,199

communities

1879

01:16:59,990 --> 01:16:57,760

so there's days that we have more horse

1880

01:17:04,149 --> 01:17:00,000

and buggy traffic than we do automobile

1881

01:17:05,910 --> 01:17:04,159

traffic around here that's interesting

1882

01:17:08,149 --> 01:17:05,920

and then you know they they have the

1883

01:17:10,950 --> 01:17:08,159

bakery in town so we get all of the

1884

01:17:12,950 --> 01:17:10,960

local um you know grains they they make

1885

01:17:15,590 --> 01:17:12,960

all of their own bread here it's it's

1886

01:17:17,990 --> 01:17:15,600

just it's an amazing place to be so and

1887

01:17:20,870 --> 01:17:18,000

i also saw are you gonna have like a

1888

01:17:22,790 --> 01:17:20,880

recording studio and an artist studio

1889

01:17:25,590 --> 01:17:22,800

space or something like that there at

1890

01:17:27,590 --> 01:17:25,600

your place if i can save my butt yep if

1891

01:17:30,709 --> 01:17:27,600

i can save my butt we started doing the

1892

01:17:33,350 --> 01:17:30,719

back porch into my

1893

01:17:35,910 --> 01:17:33,360

creation studio which

1894

01:17:37,750 --> 01:17:35,920

is going to house my weaving looms and

1895

01:17:38,709 --> 01:17:37,760

spinning wheels

1896

01:17:40,870 --> 01:17:38,719

and

1897

01:17:42,550 --> 01:17:40,880

my leather work will go in there my

1898

01:17:44,310 --> 01:17:42,560

sewing

1899

01:17:47,669 --> 01:17:44,320

all of that kind of stuff that's kind of

1900

01:17:50,950 --> 01:17:47,679

that the the creative part out there

1901

01:17:53,669 --> 01:17:50,960

and then the writing studio slash

1902

01:17:55,350 --> 01:17:53,679

eventually recording studio i do record

1903

01:17:57,430 --> 01:17:55,360

a little bit here but it is just

1904

01:18:00,310 --> 01:17:57,440

makeshift you know as you can tell from

1905

01:18:02,630 --> 01:18:00,320

the little clips that we put out there

1906

01:18:04,470 --> 01:18:02,640

it sounded good to me

1907

01:18:05,510 --> 01:18:04,480

you're doing a good job

1908

01:18:07,350 --> 01:18:05,520

like i said

1909

01:18:09,910 --> 01:18:07,360

anybody could do good work with with

1910

01:18:11,430 --> 01:18:09,920

amazing resources but the true test of

1911

01:18:12,950 --> 01:18:11,440

an artist is how well he does when he

1912

01:18:17,590 --> 01:18:12,960

has very little

1913

01:18:19,510 --> 01:18:17,600

kudos to you sounds pretty good whatever

1914

01:18:21,910 --> 01:18:19,520

you're doing just keep doing that just

1915

01:18:24,149 --> 01:18:21,920

keep doing it

1916

01:18:26,149 --> 01:18:24,159

yeah well it depends a lot on your goals

1917

01:18:28,470 --> 01:18:26,159

too i'm not out there for the the big

1918

01:18:29,430 --> 01:18:28,480

numbers and to compete with all of the

1919

01:18:36,790 --> 01:18:29,440

the

1920

01:18:39,270 --> 01:18:36,800

i just assume have a nice little cozy

1921

01:18:43,669 --> 01:18:39,280

serious group you know people that are

1922

01:18:45,750 --> 01:18:43,679

are really um serious about getting into

1923

01:18:47,110 --> 01:18:45,760

actually moving on with their lives

1924

01:18:50,070 --> 01:18:47,120

instead of being caught up in that

1925

01:18:51,750 --> 01:18:50,080

simulation so

1926

01:18:53,830 --> 01:18:51,760

that's kind of the motivating factor

1927

01:18:55,910 --> 01:18:53,840

behind this and then of course we've got

1928

01:18:58,070 --> 01:18:55,920

our blog i'm starting to load up some of

1929

01:18:59,510 --> 01:18:58,080

my old articles there and the ones that

1930

01:19:01,270 --> 01:18:59,520

are going on now it's been kind of

1931

01:19:03,990 --> 01:19:01,280

reminiscent

1932

01:19:06,470 --> 01:19:04,000

going clear back to when i began writing

1933

01:19:08,470 --> 01:19:06,480

a number of years ago about the false

1934

01:19:10,070 --> 01:19:08,480

light the false dark

1935

01:19:13,189 --> 01:19:10,080

that stuff we were talking about with

1936

01:19:17,750 --> 01:19:15,510

you know the the background of that kind

1937

01:19:19,350 --> 01:19:17,760

of uh thing so that you know people are

1938

01:19:22,709 --> 01:19:19,360

welcome to come over and take a look at

1939

01:19:24,390 --> 01:19:22,719

that now we don't try to make it match

1940

01:19:26,709 --> 01:19:24,400

everybody and that's kind of why we've

1941

01:19:28,870 --> 01:19:26,719

taken the heat that we have as well

1942

01:19:30,550 --> 01:19:28,880

so well that brings me back to that

1943

01:19:32,630 --> 01:19:30,560

brings me back to another question that

1944

01:19:35,270 --> 01:19:32,640

i did want to ask you having so much

1945

01:19:37,350 --> 01:19:35,280

experience with all things magical and

1946

01:19:39,430 --> 01:19:37,360

that is i've heard you and many other

1947

01:19:41,430 --> 01:19:39,440

people mention black magic and i heard

1948

01:19:42,470 --> 01:19:41,440

many people in many books mention white

1949

01:19:44,470 --> 01:19:42,480

magic

1950

01:19:47,030 --> 01:19:44,480

and and you sort of touched on that but

1951

01:19:48,390 --> 01:19:47,040

i wanted to ask somebody that knows much

1952

01:19:50,470 --> 01:19:48,400

better than me

1953

01:19:53,430 --> 01:19:50,480

is there such thing as gray magic and

1954

01:19:57,750 --> 01:19:55,590

well i actually did touch a little bit

1955

01:19:59,590 --> 01:19:57,760

on that on the the beginning parts of my

1956

01:20:01,750 --> 01:19:59,600

books that i started writing a long time

1957

01:20:03,669 --> 01:20:01,760

ago that i'm trying to get back together

1958

01:20:05,910 --> 01:20:03,679

and and pick up now that i've got the

1959

01:20:09,270 --> 01:20:05,920

rights on it again

1960

01:20:11,590 --> 01:20:09,280

and expand on it i talked about that

1961

01:20:14,149 --> 01:20:11,600

from my perspective now there are

1962

01:20:16,149 --> 01:20:14,159

pockets and systems out there that are

1963

01:20:17,590 --> 01:20:16,159

still very rigid

1964

01:20:20,070 --> 01:20:17,600

but in

1965

01:20:22,550 --> 01:20:20,080

the way that i try i present it is yes

1966

01:20:25,030 --> 01:20:22,560

there there is a dark magic there is a

1967

01:20:26,229 --> 01:20:25,040

light magic and there is anything in

1968

01:20:28,070 --> 01:20:26,239

between

1969

01:20:31,830 --> 01:20:28,080

like i said

1970

01:20:34,229 --> 01:20:31,840

our um realms of form here are more

1971

01:20:36,229 --> 01:20:34,239

often and both

1972

01:20:38,870 --> 01:20:36,239

as opposed to either or

1973

01:20:42,390 --> 01:20:38,880

it's not black or white it's black and

1974

01:20:43,590 --> 01:20:42,400

white okay so you've got much more gray

1975

01:20:45,669 --> 01:20:43,600

than you do

1976

01:20:48,550 --> 01:20:45,679

that

1977

01:20:51,669 --> 01:20:48,560

what usually distinguishes historically

1978

01:20:53,830 --> 01:20:51,679

between black and white magic is the

1979

01:20:55,189 --> 01:20:53,840

intention behind it number one which is

1980

01:20:56,950 --> 01:20:55,199

a good thing

1981

01:20:59,990 --> 01:20:56,960

but there are

1982

01:21:02,629 --> 01:21:00,000

reasons for darker magic um you know

1983

01:21:04,629 --> 01:21:02,639

going into your cave for healing going

1984

01:21:05,669 --> 01:21:04,639

in inward

1985

01:21:08,310 --> 01:21:05,679

that kind

1986

01:21:10,709 --> 01:21:08,320

you know the darkness that's where a lot

1987

01:21:12,550 --> 01:21:10,719

of the fear has been set up but if you

1988

01:21:14,070 --> 01:21:12,560

get to looking at a lot of this and this

1989

01:21:16,470 --> 01:21:14,080

was something from some of my other

1990

01:21:19,030 --> 01:21:16,480

articles on false light and false darks

1991

01:21:21,350 --> 01:21:19,040

that propagates this old cult

1992

01:21:22,470 --> 01:21:21,360

that is going on out here

1993

01:21:25,030 --> 01:21:22,480

light

1994

01:21:27,990 --> 01:21:25,040

can conceal more than even dark

1995

01:21:30,550 --> 01:21:28,000

you've got your glaring light you've got

1996

01:21:33,110 --> 01:21:30,560

light can be as damaging if not more

1997

01:21:35,510 --> 01:21:33,120

damaging than dark

1998

01:21:36,709 --> 01:21:35,520

if that makes any sense on an alchemical

1999

01:21:38,470 --> 01:21:36,719

um

2000

01:21:40,870 --> 01:21:38,480

level yeah because you can blind

2001

01:21:43,270 --> 01:21:40,880

people's vision with that light i

2002

01:21:46,790 --> 01:21:43,280

suppose

2003

01:21:48,070 --> 01:21:46,800

blinded by the light yeah

2004

01:21:50,790 --> 01:21:48,080

yeah

2005

01:21:52,950 --> 01:21:50,800

and it it it can be much more deceptive

2006

01:21:54,629 --> 01:21:52,960

and and i actually i remember an old old

2007

01:21:57,030 --> 01:21:54,639

article i wrote about

2008

01:22:00,070 --> 01:21:57,040

um i'd rather

2009

01:22:03,110 --> 01:22:00,080

well i can't remember maybe it was in my

2010

01:22:05,430 --> 01:22:03,120

um dance to the universe i just posted

2011

01:22:07,110 --> 01:22:05,440

up there one of them that i just posted

2012

01:22:09,750 --> 01:22:07,120

on the website talks

2013

01:22:11,590 --> 01:22:09,760

about that is that i would much rather

2014

01:22:14,790 --> 01:22:11,600

go toe-to-toe

2015

01:22:17,350 --> 01:22:14,800

with the deepest and darkest of what is

2016

01:22:19,750 --> 01:22:17,360

considered to be demonic

2017

01:22:21,990 --> 01:22:19,760

because to me that is much more

2018

01:22:22,830 --> 01:22:22,000

trustworthy because you know what you're

2019

01:22:26,310 --> 01:22:22,840

dealing

2020

01:22:29,750 --> 01:22:26,320

with it is that false light

2021

01:22:35,270 --> 01:22:32,310

kiss of deception

2022

01:22:37,910 --> 01:22:35,280

that really gets my hackles up you know

2023

01:22:39,750 --> 01:22:37,920

the um and then that goes into my my

2024

01:22:42,310 --> 01:22:39,760

writings on the angelic and demonic

2025

01:22:44,790 --> 01:22:42,320

realms and things like that but

2026

01:22:46,950 --> 01:22:44,800

um because it is is much different when

2027

01:22:47,910 --> 01:22:46,960

you take the the

2028

01:22:49,189 --> 01:22:47,920

loaded

2029

01:22:54,229 --> 01:22:49,199

sphere

2030

01:22:56,149 --> 01:22:54,239

and um power themes behind those stories

2031

01:22:57,110 --> 01:22:56,159

and really look at them for what they

2032

01:23:00,070 --> 01:22:57,120

are

2033

01:23:02,470 --> 01:23:00,080

that demystifies and destigmatizes a lot

2034

01:23:03,590 --> 01:23:02,480

of that you know

2035

01:23:06,709 --> 01:23:03,600

so

2036

01:23:08,709 --> 01:23:06,719

i have been more damaged by the the

2037

01:23:10,470 --> 01:23:08,719

light community than i have the dark

2038

01:23:11,110 --> 01:23:10,480

community i guess is a good way to put

2039

01:23:13,510 --> 01:23:11,120

it

2040

01:23:15,910 --> 01:23:13,520

that sounds strange

2041

01:23:18,310 --> 01:23:15,920

yeah and yeah i i've been

2042

01:23:20,229 --> 01:23:18,320

harder by the the false light community

2043

01:23:23,669 --> 01:23:20,239

than i have from any of the dark

2044

01:23:25,910 --> 01:23:23,679

communities so and i had a a

2045

01:23:27,590 --> 01:23:25,920

philosophical question for you about

2046

01:23:29,669 --> 01:23:27,600

magic because you mentioned intent

2047

01:23:31,750 --> 01:23:29,679

several times and i've been thinking

2048

01:23:33,750 --> 01:23:31,760

about this white magic and dark magic

2049

01:23:36,870 --> 01:23:33,760

and what's the difference and

2050

01:23:39,830 --> 01:23:36,880

and i sort of agree with you that intent

2051

01:23:42,629 --> 01:23:39,840

is what makes it either light or dark

2052

01:23:44,950 --> 01:23:42,639

but let's say for an example that you

2053

01:23:46,550 --> 01:23:44,960

have a family member who's dying and has

2054

01:23:48,870 --> 01:23:46,560

been dying for

2055

01:23:51,830 --> 01:23:48,880

let's say several years

2056

01:23:53,590 --> 01:23:51,840

now usually for most schools or books

2057

01:23:54,709 --> 01:23:53,600

about magic that i've

2058

01:23:57,669 --> 01:23:54,719

read

2059

01:23:58,870 --> 01:23:57,679

a healing spell is white magic and

2060

01:24:01,430 --> 01:23:58,880

shouldn't be

2061

01:24:02,790 --> 01:24:01,440

harmful to you to use

2062

01:24:04,550 --> 01:24:02,800

but let's say

2063

01:24:06,950 --> 01:24:04,560

this family member is dying and they're

2064

01:24:08,709 --> 01:24:06,960

ready to die they almost want to to end

2065

01:24:09,910 --> 01:24:08,719

their long suffering

2066

01:24:12,550 --> 01:24:09,920

and you

2067

01:24:16,550 --> 01:24:12,560

as a magic practitioner not you but you

2068

01:24:19,990 --> 01:24:16,560

know let's say this example person would

2069

01:24:21,990 --> 01:24:20,000

continually cast healing spells

2070

01:24:24,550 --> 01:24:22,000

on that dying person

2071

01:24:27,830 --> 01:24:24,560

but do it out of selfishness because

2072

01:24:29,350 --> 01:24:27,840

they can't bear to lose that person

2073

01:24:32,950 --> 01:24:29,360

would that be

2074

01:24:37,830 --> 01:24:34,550

because you're prolonging someone's

2075

01:24:43,189 --> 01:24:40,629

yes because that that is stepping over

2076

01:24:47,030 --> 01:24:43,199

their free will as well

2077

01:24:49,430 --> 01:24:47,040

um as a healer the first thing that um

2078

01:24:52,550 --> 01:24:49,440

you know going back to that law of want

2079

01:24:54,870 --> 01:24:52,560

of not the law of one but the threefold

2080

01:24:59,910 --> 01:24:54,880

return that you were talking about

2081

01:25:04,149 --> 01:25:02,310

poetic presentation

2082

01:25:07,590 --> 01:25:04,159

of cause and effect

2083

01:25:09,910 --> 01:25:07,600

okay if somebody really picks that apart

2084

01:25:14,310 --> 01:25:09,920

a practitioner that gets into the deeper

2085

01:25:16,870 --> 01:25:14,320

levels of magic needs to really weigh

2086

01:25:18,550 --> 01:25:16,880

what their intention is and if they are

2087

01:25:21,510 --> 01:25:18,560

overstepping the bounds of another

2088

01:25:25,030 --> 01:25:21,520

person an unsolicited prayer

2089

01:25:29,189 --> 01:25:25,040

is as damaging as anybody actively

2090

01:25:32,629 --> 01:25:30,709

well i guess that answers my question

2091

01:25:33,510 --> 01:25:32,639

then

2092

01:25:37,430 --> 01:25:33,520

yeah

2093

01:25:39,510 --> 01:25:37,440

and that that is one thing

2094

01:25:40,950 --> 01:25:39,520

with my understudies in the past that

2095

01:25:43,030 --> 01:25:40,960

that's one of the hardest ones to

2096

01:25:44,229 --> 01:25:43,040

grapple with it was for me as well to

2097

01:25:47,189 --> 01:25:44,239

work through

2098

01:25:49,750 --> 01:25:47,199

because um you know it and it's very

2099

01:25:51,830 --> 01:25:49,760

awkward sometimes when somebody hears

2100

01:25:53,910 --> 01:25:51,840

about something that has happened in my

2101

01:25:56,470 --> 01:25:53,920

life and well i'll pray for you i'm

2102

01:25:57,910 --> 01:25:56,480

going no please don't you know

2103

01:25:59,830 --> 01:25:57,920

um

2104

01:26:01,990 --> 01:25:59,840

thanks but no thanks kind of thing i

2105

01:26:05,590 --> 01:26:02,000

presented different ways and stuff but

2106

01:26:08,790 --> 01:26:05,600

if i did not solicit it and you start

2107

01:26:10,709 --> 01:26:08,800

piling that into to you know directing

2108

01:26:12,629 --> 01:26:10,719

that energy towards me that is

2109

01:26:14,390 --> 01:26:12,639

interfering with what i'm dealing with

2110

01:26:15,830 --> 01:26:14,400

on my own level

2111

01:26:19,110 --> 01:26:15,840

right

2112

01:26:20,550 --> 01:26:19,120

so to me that an unsolicited prayer or

2113

01:26:23,830 --> 01:26:20,560

healing

2114

01:26:25,990 --> 01:26:23,840

is um can be just as detrimental and

2115

01:26:27,350 --> 01:26:26,000

i've seen it in the longer run even more

2116

01:26:29,270 --> 01:26:27,360

so

2117

01:26:32,070 --> 01:26:29,280

um and that goes with a lot of the

2118

01:26:34,550 --> 01:26:32,080

healers that were out there that um

2119

01:26:36,550 --> 01:26:34,560

think that they always have to cure the

2120

01:26:39,270 --> 01:26:36,560

illness that isn't necessarily

2121

01:26:42,070 --> 01:26:39,280

the thing the person may need to figure

2122

01:26:44,390 --> 01:26:42,080

out how to do it themselves within

2123

01:26:45,830 --> 01:26:44,400

and find out the root of what happened

2124

01:26:48,629 --> 01:26:45,840

there

2125

01:26:50,550 --> 01:26:48,639

we saw a big thing going on when we were

2126

01:26:53,830 --> 01:26:50,560

really identifying

2127

01:26:56,229 --> 01:26:53,840

a past trend it's still going on but it

2128

01:26:59,350 --> 01:26:56,239

was getting very prevalent a couple of

2129

01:27:00,950 --> 01:26:59,360

years ago about the interdimensional

2130

01:27:03,350 --> 01:27:00,960

interference

2131

01:27:05,990 --> 01:27:03,360

that's one one of the

2132

01:27:07,990 --> 01:27:06,000

pockets of people i was working with

2133

01:27:09,830 --> 01:27:08,000

back then i was interviewed a few times

2134

01:27:12,390 --> 01:27:09,840

by laura leone

2135

01:27:14,709 --> 01:27:12,400

on sovereign key and that's where my

2136

01:27:17,110 --> 01:27:14,719

material is talking about the antivirus

2137

01:27:19,350 --> 01:27:17,120

and the work in pluto's cave underneath

2138

01:27:21,110 --> 01:27:19,360

mount shasta if anybody's interested in

2139

01:27:21,990 --> 01:27:21,120

that i'll be posting that again pretty

2140

01:27:23,270 --> 01:27:22,000

soon

2141

01:27:26,310 --> 01:27:23,280

but

2142

01:27:28,709 --> 01:27:26,320

um anyway the the whole thing that

2143

01:27:30,950 --> 01:27:28,719

happens with that is when you're

2144

01:27:33,350 --> 01:27:30,960

teaching another practitioner or working

2145

01:27:35,270 --> 01:27:33,360

with yourself sometimes it's not the

2146

01:27:37,350 --> 01:27:35,280

wisest thing to do that especially

2147

01:27:39,750 --> 01:27:37,360

against the the

2148

01:27:41,669 --> 01:27:39,760

um person that is

2149

01:27:44,310 --> 01:27:41,679

has the infliction

2150

01:27:46,310 --> 01:27:44,320

and and would this also apply i always i

2151  
01:27:47,350 --> 01:27:46,320  
was always curious about this question

2152  
01:27:49,990 --> 01:27:47,360  
would that

2153  
01:27:52,629 --> 01:27:50,000  
sort of philosophy also apply to like

2154  
01:27:55,590 --> 01:27:52,639  
love and lust spells that people want to

2155  
01:27:59,270 --> 01:27:55,600  
cast on a person that they're interested

2156  
01:28:00,149 --> 01:27:59,280  
in wouldn't the same thing apply

2157  
01:28:02,390 --> 01:28:00,159  
yes

2158  
01:28:05,270 --> 01:28:02,400  
those also infringe on the other

2159  
01:28:07,430 --> 01:28:05,280  
person's will yes i i would agree and

2160  
01:28:09,990 --> 01:28:07,440  
they can go as far as binding some of

2161  
01:28:13,030 --> 01:28:10,000  
those spells that you see out there are

2162  
01:28:15,430 --> 01:28:13,040  
actually binding spells and it that it

2163  
01:28:17,830 --> 01:28:15,440

to me is one of the biggest violations

2164

01:28:21,270 --> 01:28:17,840

of someone's free will is to put a

2165

01:28:22,870 --> 01:28:21,280

binding on them out of

2166

01:28:25,350 --> 01:28:22,880

you know you know that saying the road

2167

01:28:27,189 --> 01:28:25,360

to hell is paid by well intentions yeah

2168

01:28:29,350 --> 01:28:27,199

you know so some of the dealers

2169

01:28:30,470 --> 01:28:29,360

especially that they are really caught

2170

01:28:32,310 --> 01:28:30,480

up in that

2171

01:28:34,550 --> 01:28:32,320

and what i was getting at before was

2172

01:28:36,149 --> 01:28:34,560

this passing the virus from one patient

2173

01:28:38,870 --> 01:28:36,159

to the other as well because they

2174

01:28:41,590 --> 01:28:38,880

weren't attending to the dark side of

2175

01:28:45,110 --> 01:28:41,600

their cleansing and passing that

2176

01:28:47,189 --> 01:28:45,120

frequency on to the next client

2177

01:28:49,830 --> 01:28:47,199

and we saw a lot of that with reiki

2178

01:28:51,510 --> 01:28:49,840

masters massage therapists that kind of

2179

01:28:53,030 --> 01:28:51,520

thing going on they would go from one

2180

01:28:55,270 --> 01:28:53,040

client to the next and just keep

2181

01:28:58,070 --> 01:28:55,280

spreading that virus

2182

01:28:59,510 --> 01:28:58,080

well that's interesting and i guess the

2183

01:29:01,910 --> 01:28:59,520

the other the other

2184

01:29:03,750 --> 01:29:01,920

big question that i i wanted to talk to

2185

01:29:04,950 --> 01:29:03,760

you about about magic and we touched on

2186

01:29:05,990 --> 01:29:04,960

a little bit is

2187

01:29:08,870 --> 01:29:06,000

these

2188

01:29:12,070 --> 01:29:08,880

so-called demonic forces and are there

2189

01:29:13,830 --> 01:29:12,080

truly is there truly a danger if you

2190

01:29:15,590 --> 01:29:13,840

start messing with some of this stuff

2191

01:29:18,950 --> 01:29:15,600

that you read in books or trying to cast

2192

01:29:21,110 --> 01:29:18,960

spells that you will open a doorway and

2193

01:29:23,669 --> 01:29:21,120

leave yourself open or susceptible to

2194

01:29:25,110 --> 01:29:23,679

some kind of dark forces demonic forces

2195

01:29:27,990 --> 01:29:25,120

or danger

2196

01:29:28,950 --> 01:29:28,000

from playing with fire i suppose that

2197

01:29:31,910 --> 01:29:28,960

you don't

2198

01:29:33,270 --> 01:29:31,920

fully understand

2199

01:29:35,910 --> 01:29:33,280

oh certainly

2200

01:29:37,510 --> 01:29:35,920

certainly i i cannot refute that one bit

2201

01:29:42,709 --> 01:29:37,520

now it may not be

2202

01:29:48,470 --> 01:29:45,750

is running rampant out there with the

2203

01:29:52,070 --> 01:29:48,480

satanic and luciferian stuff most of

2204

01:29:52,950 --> 01:29:52,080

that is based on fantasy okay

2205

01:29:55,350 --> 01:29:52,960

now

2206

01:29:57,990 --> 01:29:55,360

what happens

2207

01:30:01,270 --> 01:29:59,430

how am i going to get into this i know

2208

01:30:02,870 --> 01:30:01,280

we're running running kind of short we

2209

01:30:05,270 --> 01:30:02,880

may have to do another

2210

01:30:07,750 --> 01:30:05,280

another step

2211

01:30:10,390 --> 01:30:07,760

on getting deeper into this but there

2212

01:30:12,709 --> 01:30:10,400

are dangers everywhere and anywhere and

2213

01:30:15,110 --> 01:30:12,719

what what the whole thing about the the

2214

01:30:17,430 --> 01:30:15,120

threefold return

2215

01:30:19,430 --> 01:30:17,440

um was is is pointing that your

2216

01:30:21,590 --> 01:30:19,440

responsibility and your accountability

2217

01:30:23,669 --> 01:30:21,600

with what is there and

2218

01:30:25,270 --> 01:30:23,679

the reason why i call it giving fire to

2219

01:30:27,990 --> 01:30:25,280

a two-year-old and that's what we saw

2220

01:30:31,030 --> 01:30:28,000

blow up with soul tribe sanctuary a few

2221

01:30:32,870 --> 01:30:31,040

months back especially is because people

2222

01:30:35,030 --> 01:30:32,880

were getting too much information they

2223

01:30:37,910 --> 01:30:35,040

weren't able to incorporate it in get

2224

01:30:39,750 --> 01:30:37,920

the experiential stuff learn from it

2225

01:30:42,390 --> 01:30:39,760

because there's hard lessons that come

2226

01:30:44,310 --> 01:30:42,400

from from learning this

2227

01:30:47,030 --> 01:30:44,320

okay

2228

01:30:49,830 --> 01:30:47,040

it's that trial by fire kind of thing

2229

01:30:50,870 --> 01:30:49,840

and we all do it it's just a different

2230

01:30:52,070 --> 01:30:50,880

extent

2231

01:30:53,669 --> 01:30:52,080

okay

2232

01:30:54,950 --> 01:30:53,679

um

2233

01:30:57,510 --> 01:30:54,960

so

2234

01:31:00,629 --> 01:30:57,520

i'm not sure exactly what you're wanting

2235

01:31:03,350 --> 01:31:00,639

to to know about the take on the demonic

2236

01:31:05,189 --> 01:31:03,360

that i see the demonic the the demonic

2237

01:31:07,270 --> 01:31:05,199

parts that i've dealt with with any of

2238

01:31:08,629 --> 01:31:07,280

the exorcisms i've ever dealt with or

2239

01:31:11,270 --> 01:31:08,639

any of the

2240

01:31:16,470 --> 01:31:11,280

paranormal

2241

01:31:18,550 --> 01:31:16,480

and hyperdimensional work that happens

2242

01:31:20,870 --> 01:31:18,560

i have seen some of the ugliest but i

2243

01:31:24,709 --> 01:31:20,880

have also i also see that in the humans

2244

01:31:26,709 --> 01:31:24,719

i work with so i don't see a distinction

2245

01:31:27,830 --> 01:31:26,719

and that's hard for a lot of people to

2246

01:31:31,110 --> 01:31:27,840

grasp

2247

01:31:38,310 --> 01:31:34,950

most of the demonic quote-unquote

2248

01:31:41,189 --> 01:31:38,320

forces that i have

2249

01:31:43,590 --> 01:31:41,199

come across are damaged

2250

01:31:45,990 --> 01:31:43,600

spirits

2251

01:31:47,669 --> 01:31:46,000

that are in need of healing

2252

01:31:50,870 --> 01:31:47,679

and um

2253

01:31:52,950 --> 01:31:50,880

i i think i even went at that one clip

2254

01:31:56,629 --> 01:31:52,960

that you had listened to i had talked

2255

01:31:59,910 --> 01:31:56,639

about the false allegations of um having

2256

01:32:02,229 --> 01:31:59,920

a gin removed from me

2257

01:32:05,350 --> 01:32:02,239

um that that's kind of how i deal with

2258

01:32:09,510 --> 01:32:05,360

that and i and i'm just

2259

01:32:10,950 --> 01:32:09,520

i don't go around commanding anything

2260

01:32:13,669 --> 01:32:10,960

unless

2261

01:32:16,550 --> 01:32:13,679

i'm backed into a corner and um you know

2262

01:32:17,669 --> 01:32:16,560

even then it's it's a hard decision

2263

01:32:19,830 --> 01:32:17,679

so

2264

01:32:22,229 --> 01:32:19,840

yeah i remember when i i remember when i

2265

01:32:24,470 --> 01:32:22,239

was young some friend of mine like had

2266

01:32:26,390 --> 01:32:24,480

an alistair crowley book about summoning

2267

01:32:27,750 --> 01:32:26,400

and commanding demons and i remember

2268

01:32:29,430 --> 01:32:27,760

telling him like

2269

01:32:32,229 --> 01:32:29,440

you have no idea what you're trying to

2270

01:32:35,750 --> 01:32:32,239

deal with there like you know

2271

01:32:36,629 --> 01:32:35,760

that's not something that you play with

2272

01:32:39,590 --> 01:32:36,639

yeah

2273

01:32:41,590 --> 01:32:39,600

well i've had some understudies that um

2274

01:32:43,830 --> 01:32:41,600

have

2275

01:32:46,550 --> 01:32:43,840

just fondly one that i worked with for a

2276

01:32:48,950 --> 01:32:46,560

very long time he he actually

2277

01:32:51,510 --> 01:32:48,960

wears it as a badge of honor that he got

2278

01:32:53,270 --> 01:32:51,520

kicked out of the odo and

2279

01:32:55,830 --> 01:32:53,280

and the golden

2280

01:32:59,350 --> 01:32:55,840

couch oh i'm sorry

2281

01:33:00,950 --> 01:32:59,360

i kicked my dog darn it um didn't mean

2282

01:33:03,750 --> 01:33:00,960

that um

2283

01:33:06,830 --> 01:33:03,760

and the golden dawn he was such a rebel

2284

01:33:09,830 --> 01:33:06,840

that that they couldn't even handle him

2285

01:33:11,270 --> 01:33:09,840

but but

2286

01:33:13,510 --> 01:33:11,280

yeah

2287

01:33:16,310 --> 01:33:13,520

but that whole commanding and demanding

2288

01:33:18,550 --> 01:33:16,320

and binding and everything i'm not

2289

01:33:22,950 --> 01:33:18,560

saying it's absolutely

2290

01:33:24,629 --> 01:33:22,960

unnecessary but it is certainly

2291

01:33:27,830 --> 01:33:24,639

a dangerous spot to be because what

2292

01:33:30,709 --> 01:33:27,840

you're dealing with more foremost is

2293

01:33:33,270 --> 01:33:30,719

your own inner demons

2294

01:33:35,750 --> 01:33:33,280

and that left for

2295

01:33:38,470 --> 01:33:35,760

role uh the most of them that i have

2296

01:33:39,430 --> 01:33:38,480

seen that have gotten into actual demon

2297

01:33:41,750 --> 01:33:39,440

work

2298

01:33:45,270 --> 01:33:41,760

get into this game

2299

01:33:46,550 --> 01:33:45,280

of um troll

2300

01:33:49,189 --> 01:33:46,560

and then

2301

01:33:51,350 --> 01:33:49,199

then who's to say down the line what's

2302

01:33:54,629 --> 01:33:51,360

worse than what

2303

01:33:56,310 --> 01:33:54,639

because they are in such a um

2304

01:34:00,870 --> 01:33:56,320

a locked in

2305

01:34:03,270 --> 01:34:00,880

battle at that point that um it's in my

2306

01:34:05,350 --> 01:34:03,280

opinion unnecessary

2307

01:34:07,270 --> 01:34:05,360

yeah so you think people sometimes just

2308

01:34:08,629 --> 01:34:07,280

see reflections of themselves in these

2309

01:34:11,750 --> 01:34:08,639

things like they're seeing their own

2310

01:34:15,510 --> 01:34:11,760

dark side is that what you're saying

2311

01:34:18,629 --> 01:34:15,520

that is more more times than not yes um

2312

01:34:21,430 --> 01:34:18,639

as i was talking before um

2313

01:34:24,149 --> 01:34:21,440

just like um i'm kind of going to

2314

01:34:25,510 --> 01:34:24,159

degress a little bit into chemical

2315

01:34:28,709 --> 01:34:25,520

addiction

2316

01:34:31,590 --> 01:34:28,719

you have to have receptor in your brain

2317

01:34:33,350 --> 01:34:31,600

for that opiate and we because we make

2318

01:34:37,030 --> 01:34:33,360

our own opiates we make our own

2319

01:34:39,430 --> 01:34:37,040

endorphins our own natural painkillers

2320

01:34:41,990 --> 01:34:39,440

but what happens when you take that from

2321

01:34:45,990 --> 01:34:42,000

the external world into the internal

2322

01:34:48,709 --> 01:34:46,000

world and mess with that synapse

2323

01:34:51,430 --> 01:34:48,719

then you run in into the risk of burning

2324

01:34:52,629 --> 01:34:51,440

out that synapse or your body quits

2325

01:34:55,030 --> 01:34:52,639

producing

2326

01:34:57,109 --> 01:34:55,040

your natural chemicals

2327

01:34:59,270 --> 01:34:57,119

that's the same thing that happens on

2328

01:35:01,990 --> 01:34:59,280

the spiritual level as well you've got

2329

01:35:04,709 --> 01:35:02,000

your own inner vulnerabilities your own

2330

01:35:05,590 --> 01:35:04,719

own wounds that need to be healed

2331

01:35:07,750 --> 01:35:05,600

and

2332

01:35:08,550 --> 01:35:07,760

what happens is if those aren't dealt

2333

01:35:10,550 --> 01:35:08,560

with

2334

01:35:13,669 --> 01:35:10,560

jungian shadow work

2335

01:35:14,470 --> 01:35:13,679

it goes right into that the shadow

2336

01:35:16,790 --> 01:35:14,480

is

2337

01:35:19,669 --> 01:35:16,800

that little it's like the closet that

2338

01:35:21,750 --> 01:35:19,679

you keep putting all of the stuff that

2339

01:35:23,990 --> 01:35:21,760

you keep you hear

2340

01:35:26,310 --> 01:35:24,000

or perceive from someone else that

2341

01:35:29,430 --> 01:35:26,320

you're not good enough so you hide that

2342

01:35:31,109 --> 01:35:29,440

part of you in that closet

2343

01:35:33,590 --> 01:35:31,119

and then it never gets dealt with and

2344

01:35:35,830 --> 01:35:33,600

pretty soon that closet gets too big it

2345

01:35:40,390 --> 01:35:35,840

over spills into other behaviors and

2346

01:35:44,629 --> 01:35:40,400

actions the projection of those

2347

01:35:47,830 --> 01:35:44,639

parts of your psyche onto another person

2348

01:35:49,669 --> 01:35:47,840

the first thing that we teach uh with

2349

01:35:53,590 --> 01:35:49,679

shadow projection

2350

01:35:55,189 --> 01:35:53,600

is when you encounter someone um that

2351

01:35:59,030 --> 01:35:55,199

irritates you

2352

01:36:02,149 --> 01:35:59,040

or you perceive as being evil or or

2353

01:36:04,310 --> 01:36:02,159

having bad behaviors and heaven forbid

2354

01:36:07,990 --> 01:36:04,320

the the one that gets bantered around

2355

01:36:10,950 --> 01:36:08,000

now nonchalantly is narcissist

2356

01:36:13,990 --> 01:36:10,960

what is usually happening is that is a

2357

01:36:17,430 --> 01:36:14,000

reflection of what you're emanating out

2358

01:36:19,350 --> 01:36:17,440

so i'm not saying that victims are are

2359

01:36:21,910 --> 01:36:19,360

pulling that in or anything else but

2360

01:36:23,910 --> 01:36:21,920

that is a learning opportunity of saying

2361

01:36:25,350 --> 01:36:23,920

why is that irritating me so bad is it

2362

01:36:27,270 --> 01:36:25,360

really something they're doing or is

2363

01:36:29,270 --> 01:36:27,280

that something unresolved in me that i

2364

01:36:31,109 --> 01:36:29,280

need to deal with and i'm the one that

2365

01:36:33,030 --> 01:36:31,119

needs to deal with my ship and they need

2366

01:36:36,310 --> 01:36:33,040

to deal with theirs

2367

01:36:42,390 --> 01:36:39,430

i had a i had sort of a an older teacher

2368

01:36:45,189 --> 01:36:42,400

friend of mine in stage magic and he

2369

01:36:47,510 --> 01:36:45,199

used to say uh he was fond of saying

2370

01:36:49,830 --> 01:36:47,520

that there's a very fine line between a

2371

01:36:52,149 --> 01:36:49,840

strong powerful confident man and a

2372

01:36:54,550 --> 01:36:52,159

narcissist make sure that you toe the

2373

01:36:56,950 --> 01:36:54,560

line right you know what i mean

2374

01:36:59,350 --> 01:36:56,960

i i think yeah sometimes people are

2375

01:37:01,270 --> 01:36:59,360

quick to jump out and say narcissist

2376

01:37:03,030 --> 01:37:01,280

if somebody just i don't know sometimes

2377

01:37:04,470 --> 01:37:03,040

i i don't agree with someone's

2378

01:37:06,550 --> 01:37:04,480

assessment of that if they like

2379

01:37:07,990 --> 01:37:06,560

attention if they're doing great things

2380

01:37:09,830 --> 01:37:08,000

why shouldn't they get attention for

2381

01:37:11,900 --> 01:37:09,840

doing those great things you know i

2382

01:37:14,070 --> 01:37:11,910

guess the problem comes in with the ego

2383

01:37:15,750 --> 01:37:14,080

[Music]

2384

01:37:18,870 --> 01:37:15,760

what the thing is

2385

01:37:21,990 --> 01:37:18,880

the difference between diagnostic

2386

01:37:25,189 --> 01:37:22,000

criteria and human characteristics

2387

01:37:28,310 --> 01:37:25,199

that's all that the dsm-5 is is human

2388

01:37:30,149 --> 01:37:28,320

characteristics the thing that happens

2389

01:37:31,590 --> 01:37:30,159

is when it becomes a problem in that

2390

01:37:34,629 --> 01:37:31,600

person's life

2391

01:37:36,870 --> 01:37:34,639

then it garners a diagnosis

2392

01:37:39,189 --> 01:37:36,880

okay and an illness and you know if you

2393

01:37:40,070 --> 01:37:39,199

want to go down the medical disease

2394

01:37:42,629 --> 01:37:40,080

model

2395

01:37:44,629 --> 01:37:42,639

um part of it i i i do that

2396

01:37:46,950 --> 01:37:44,639

categorically in my mind because of

2397

01:37:49,109 --> 01:37:46,960

assessment and diagnostic stuff to try

2398

01:37:51,189 --> 01:37:49,119

to just categorize things and push paper

2399

01:37:53,590 --> 01:37:51,199

mostly

2400

01:37:56,109 --> 01:37:53,600

but that whole book is just human

2401

01:37:59,430 --> 01:37:56,119

characteristics we all have those

2402

01:38:02,390 --> 01:37:59,440

predispositions it's how we act on them

2403

01:38:06,310 --> 01:38:02,400

how we react to the stress

2404

01:38:08,629 --> 01:38:06,320

you know um most people and i i i would

2405

01:38:10,709 --> 01:38:08,639

even venture to say all but i try not to

2406

01:38:13,109 --> 01:38:10,719

be so absolute in black and white in my

2407

01:38:15,189 --> 01:38:13,119

thinking but most people

2408

01:38:16,390 --> 01:38:15,199

um

2409

01:38:17,669 --> 01:38:16,400

have

2410

01:38:20,070 --> 01:38:17,679

some of the

2411

01:38:23,030 --> 01:38:20,080

most heinous

2412

01:38:26,390 --> 01:38:23,040

probabilities lying within them

2413

01:38:28,470 --> 01:38:26,400

that you know put under stress put under

2414

01:38:30,709 --> 01:38:28,480

threat

2415

01:38:33,030 --> 01:38:30,719

will come out

2416

01:38:35,350 --> 01:38:33,040

you know i i don't i don't think there

2417

01:38:38,149 --> 01:38:35,360

is even a person

2418

01:38:42,790 --> 01:38:41,109

could say otherwise to at some level on

2419

01:38:45,189 --> 01:38:42,800

that

2420

01:38:48,229 --> 01:38:45,199

we all have narcissistic tendencies

2421

01:38:51,189 --> 01:38:48,239

narcissism is is can be part of a

2422

01:38:56,550 --> 01:38:53,990

and there's another one with the new age

2423

01:38:58,390 --> 01:38:56,560

stuff and other uh

2424

01:39:00,550 --> 01:38:58,400

systems out there that says that you

2425

01:39:02,709 --> 01:39:00,560

have to set aside your ego dissolve your

2426

01:39:05,189 --> 01:39:02,719

ego if you

2427

01:39:07,510 --> 01:39:05,199

get rid of the ego the ego is a good

2428

01:39:11,510 --> 01:39:07,520

tool but that's all it is

2429

01:39:12,790 --> 01:39:11,520

it is part of what makes you say i am i

2430

01:39:15,910 --> 01:39:12,800

am

2431

01:39:19,669 --> 01:39:15,920

and take your own responsibility now an

2432

01:39:21,030 --> 01:39:19,679

overreaching or an overdeveloped ego

2433

01:39:24,310 --> 01:39:21,040

can become

2434

01:39:27,750 --> 01:39:25,270

so

2435

01:39:30,870 --> 01:39:27,760

being a performer i've seen that happen

2436

01:39:33,109 --> 01:39:30,880

so many times and in fact in magic it's

2437

01:39:34,950 --> 01:39:33,119

kind of funny like in stage magic and

2438

01:39:36,149 --> 01:39:34,960

magic circles

2439

01:39:37,750 --> 01:39:36,159

uh

2440

01:39:40,470 --> 01:39:37,760

just a quick example

2441

01:39:43,189 --> 01:39:40,480

there was a person that just decided to

2442

01:39:44,950 --> 01:39:43,199

label themselves a master magician

2443

01:39:46,870 --> 01:39:44,960

and put that above their name on their

2444

01:39:49,030 --> 01:39:46,880

posters and things like that and this

2445

01:39:51,430 --> 01:39:49,040

person was by no means a master at his

2446

01:39:52,790 --> 01:39:51,440

craft he's way too young too arrogant

2447

01:39:55,830 --> 01:39:52,800

too stupid

2448

01:39:58,310 --> 01:39:55,840

to claim that title for himself and i

2449

01:40:00,229 --> 01:39:58,320

asked my magic teacher well then how do

2450

01:40:01,990 --> 01:40:00,239

you know when you're a master magician

2451

01:40:03,669 --> 01:40:02,000

and he said

2452

01:40:06,149 --> 01:40:03,679

you cannot give that title to yourself

2453

01:40:07,270 --> 01:40:06,159

you're a master magician when many many

2454

01:40:09,669 --> 01:40:07,280

other people

2455

01:40:12,310 --> 01:40:09,679

start calling you that

2456

01:40:14,070 --> 01:40:12,320

so you have to separate your ego and say

2457

01:40:15,510 --> 01:40:14,080

i'm not going to claim that title until

2458

01:40:18,070 --> 01:40:15,520

it's given to me

2459

01:40:20,830 --> 01:40:18,080

and and people will all you know

2460

01:40:22,870 --> 01:40:20,840

most of the good master magicians

2461

01:40:25,430 --> 01:40:22,880

illusionists didn't just put that on

2462

01:40:27,109 --> 01:40:25,440

their name for hype you know

2463

01:40:28,790 --> 01:40:27,119

they were called that by event

2464

01:40:30,470 --> 01:40:28,800

organizers they were called that by

2465

01:40:31,430 --> 01:40:30,480

their clients

2466

01:40:32,950 --> 01:40:31,440

you know

2467

01:40:34,950 --> 01:40:32,960

and that's how you get that title you

2468

01:40:37,030 --> 01:40:34,960

don't just take it for yourself

2469

01:40:38,390 --> 01:40:37,040

so i agree with you yeah

2470

01:40:40,390 --> 01:40:38,400

but then again you did like you said

2471

01:40:42,709 --> 01:40:40,400

that is a tool you need you need a

2472

01:40:44,070 --> 01:40:42,719

little you have to have an ego to think

2473

01:40:45,669 --> 01:40:44,080

i'm going to stand up here and entertain

2474

01:40:50,070 --> 01:40:45,679

a few hundred people

2475

01:40:51,350 --> 01:40:50,080

with a bunch of uh you know tricks

2476

01:40:53,669 --> 01:40:51,360

yeah

2477

01:40:56,310 --> 01:40:53,679

well there's even some literature out

2478

01:40:57,430 --> 01:40:56,320

there that talks about uh the ego

2479

01:40:58,790 --> 01:40:57,440

actually

2480

01:41:02,149 --> 01:40:58,800

coming in

2481

01:41:06,870 --> 01:41:02,159

in as a defense mechanism to humanity

2482

01:41:10,229 --> 01:41:06,880

because of the overreaching

2483

01:41:14,390 --> 01:41:12,470

it was a defense mechanism to

2484

01:41:16,790 --> 01:41:14,400

distinguish

2485

01:41:18,470 --> 01:41:16,800

you as a separate

2486

01:41:19,510 --> 01:41:18,480

as opposed to

2487

01:41:23,590 --> 01:41:19,520

the

2488

01:41:26,629 --> 01:41:23,600

um whims

2489

01:41:28,310 --> 01:41:26,639

that caused the like the deluge or

2490

01:41:30,470 --> 01:41:28,320

something like that now that's just one

2491

01:41:33,350 --> 01:41:30,480

theory out there um it's some

2492

01:41:36,229 --> 01:41:33,360

fascinating read on that on and how

2493

01:41:38,870 --> 01:41:36,239

these people think that um the the ego

2494

01:41:42,070 --> 01:41:38,880

developed and i see it as maybe being

2495

01:41:44,629 --> 01:41:42,080

part of it but i think it is part of the

2496

01:41:47,189 --> 01:41:44,639

evolutionary developmental cycle of of

2497

01:41:49,189 --> 01:41:47,199

the human species which we're all going

2498

01:41:52,550 --> 01:41:49,199

through you know

2499

01:41:54,709 --> 01:41:52,560

that's with my autoimmune illness

2500

01:41:56,950 --> 01:41:54,719

disorder that i'm going on here i've had

2501

01:41:58,709 --> 01:41:56,960

four genetic mutations just in the last

2502

01:42:00,950 --> 01:41:58,719

five years that they they actually

2503

01:42:02,310 --> 01:42:00,960

caught who knows what else happened out

2504

01:42:05,830 --> 01:42:02,320

there you know

2505

01:42:10,149 --> 01:42:05,840

so i i think i think we are in such an

2506

01:42:14,550 --> 01:42:12,070

situation here and that kind of goes

2507

01:42:17,030 --> 01:42:14,560

into the cycles within cycles that i had

2508

01:42:19,030 --> 01:42:17,040

mentioned on an interview with laura a

2509

01:42:20,229 --> 01:42:19,040

couple years back that we were talking

2510

01:42:23,030 --> 01:42:20,239

about

2511

01:42:26,950 --> 01:42:23,040

of what's happening around us right now

2512

01:42:30,070 --> 01:42:26,960

and the tinderbox that

2513

01:42:31,189 --> 01:42:30,080

is going on on many levels with humanity

2514

01:42:32,709 --> 01:42:31,199

and nature

2515

01:42:35,030 --> 01:42:32,719

you mentioned the internet and how

2516

01:42:36,629 --> 01:42:35,040

people are overloaded i i truly believe

2517

01:42:39,430 --> 01:42:36,639

that like i truly believe that people

2518

01:42:42,709 --> 01:42:39,440

are just overloaded inundated with all

2519

01:42:46,390 --> 01:42:42,719

kinds of information coming at them i i

2520

01:42:48,310 --> 01:42:46,400

as a joke i turn my phone off sometimes

2521

01:42:50,229 --> 01:42:48,320

and then i turn it back on and i can

2522

01:42:53,030 --> 01:42:50,239

leave it sit on a table and listen to it

2523

01:42:54,709 --> 01:42:53,040

beep and ring and pop for you know 10

2524

01:42:56,950 --> 01:42:54,719

minutes with all these notifications

2525

01:42:58,550 --> 01:42:56,960

that i missed from turning my phone off

2526

01:43:00,950 --> 01:42:58,560

for half a day

2527

01:43:02,149 --> 01:43:00,960

and uh it reminds it reminds me that

2528

01:43:04,310 --> 01:43:02,159

like

2529

01:43:07,030 --> 01:43:04,320

those things must not be that important

2530

01:43:08,310 --> 01:43:07,040

because all day i didn't need to look at

2531

01:43:10,310 --> 01:43:08,320

that you know

2532

01:43:12,470 --> 01:43:10,320

and i struggle with this with my own

2533

01:43:14,390 --> 01:43:12,480

with my own children like how much

2534

01:43:16,870 --> 01:43:14,400

time am i going to let them on a tablet

2535

01:43:18,629 --> 01:43:16,880

all day you know

2536

01:43:20,310 --> 01:43:18,639

it's it's an interesting question

2537

01:43:21,669 --> 01:43:20,320

because i think we're getting overloaded

2538

01:43:24,310 --> 01:43:21,679

and i like

2539

01:43:25,910 --> 01:43:24,320

that cabin reminds me to get back to

2540

01:43:29,189 --> 01:43:25,920

earth and and

2541

01:43:31,109 --> 01:43:29,199

you know like real things because the

2542

01:43:33,350 --> 01:43:31,119

internet's kind of an illusion to me i

2543

01:43:35,750 --> 01:43:33,360

mean it's tremendous research tool it's

2544

01:43:37,430 --> 01:43:35,760

a tremendous communications tool

2545

01:43:40,310 --> 01:43:37,440

but i guess like anything it has its

2546

01:43:44,070 --> 01:43:42,390

yeah and it has become so muddled right

2547

01:43:46,629 --> 01:43:44,080

now it's going to be a while before the

2548

01:43:51,109 --> 01:43:46,639

dust settles on this one

2549

01:43:53,109 --> 01:43:51,119

we're seeing major major um

2550

01:43:54,950 --> 01:43:53,119

well we've got horses

2551  
01:43:58,310 --> 01:43:54,960  
out here now

2552  
01:44:01,510 --> 01:43:58,320  
making noises um but but yeah and then

2553  
01:44:04,149 --> 01:44:01,520  
you go into the um the stimulation that

2554  
01:44:07,189 --> 01:44:04,159  
goes on subconsciously through the

2555  
01:44:09,830 --> 01:44:07,199  
internet with the light the colors the

2556  
01:44:11,830 --> 01:44:09,840  
sound the headlines people scroll

2557  
01:44:14,950 --> 01:44:11,840  
through these walls

2558  
01:44:16,870 --> 01:44:14,960  
and i don't think they realize because i

2559  
01:44:19,030 --> 01:44:16,880  
talked to so many people that get into

2560  
01:44:20,070 --> 01:44:19,040  
this internet addiction

2561  
01:44:22,070 --> 01:44:20,080  
that

2562  
01:44:23,750 --> 01:44:22,080  
they think oh well it's not affecting me

2563  
01:44:25,910 --> 01:44:23,760

because i'm not stopping and reading it

2564

01:44:27,750 --> 01:44:25,920

your mind is picking that up

2565

01:44:29,430 --> 01:44:27,760

it's going into your subconscious it's

2566

01:44:31,750 --> 01:44:29,440

not in the frontal cortex where it's

2567

01:44:34,550 --> 01:44:31,760

being processed but it's being dumped in

2568

01:44:36,910 --> 01:44:34,560

there regardless so all of that those

2569

01:44:39,109 --> 01:44:36,920

fear headlines and everything else are

2570

01:44:41,270 --> 01:44:39,119

re-traumatizing and re-traumatizing

2571

01:44:42,470 --> 01:44:41,280

there is what is called a secondary

2572

01:44:45,430 --> 01:44:42,480

trauma

2573

01:44:50,149 --> 01:44:45,440

that uh we mostly work with with first

2574

01:44:54,629 --> 01:44:52,470

emts that kind of thing

2575

01:44:56,950 --> 01:44:54,639

that are exposed to someone else's

2576

01:44:59,109 --> 01:44:56,960

trauma and then they absorb it so that's

2577

01:45:01,669 --> 01:44:59,119

a secondary trauma

2578

01:45:04,709 --> 01:45:01,679

hearing someone's story over and over is

2579

01:45:06,550 --> 01:45:04,719

a trauma listening to all of this stuff

2580

01:45:09,270 --> 01:45:06,560

about um

2581

01:45:11,990 --> 01:45:09,280

you know these pockets of satanic

2582

01:45:13,750 --> 01:45:12,000

rituals and all of that fear stuff is

2583

01:45:16,790 --> 01:45:13,760

traumatizing people

2584

01:45:19,990 --> 01:45:16,800

and then when you get into ancestral

2585

01:45:20,950 --> 01:45:20,000

trauma species trauma

2586

01:45:23,189 --> 01:45:20,960

you know

2587

01:45:25,669 --> 01:45:23,199

it it it gets

2588

01:45:28,790 --> 01:45:25,679

it's a quagmire real quick

2589

01:45:31,910 --> 01:45:28,800  
and you this whole thing of being

2590

01:45:33,350 --> 01:45:31,920  
heightened and excitable with

2591

01:45:37,510 --> 01:45:33,360  
you know

2592

01:45:43,270 --> 01:45:39,910  
stimulations in there you get so used to

2593

01:45:45,910 --> 01:45:43,280  
all of the the chemicals of adrenaline

2594

01:45:47,750 --> 01:45:45,920  
and those kind of things and then pretty

2595

01:45:49,510 --> 01:45:47,760  
soon of course with the autoimmune then

2596

01:45:51,270 --> 01:45:49,520  
you end up with the cortisol mixed up in

2597

01:45:53,189 --> 01:45:51,280  
there and then you have adrenal fatigue

2598

01:45:57,590 --> 01:45:53,199  
and

2599

01:45:59,430 --> 01:45:57,600  
then identifying itself as a as the

2600

01:46:01,990 --> 01:45:59,440  
enemy and starts attacking its own

2601  
01:46:03,350 --> 01:46:02,000  
organs that's where i'm at right now

2602  
01:46:05,750 --> 01:46:03,360  
so um

2603  
01:46:08,310 --> 01:46:05,760  
i'm sorry and that

2604  
01:46:10,950 --> 01:46:08,320  
yeah it's it's been kind of

2605  
01:46:13,350 --> 01:46:10,960  
it's been a long haul

2606  
01:46:15,830 --> 01:46:13,360  
and that's kind of where i'm at right

2607  
01:46:17,510 --> 01:46:15,840  
now i'll kind of start wrapping it down

2608  
01:46:19,590 --> 01:46:17,520  
here you got me on a tangent that's one

2609  
01:46:22,629 --> 01:46:19,600  
of my passions out there is what is

2610  
01:46:25,590 --> 01:46:22,639  
going on because i'm a living example of

2611  
01:46:27,990 --> 01:46:25,600  
that there are many of us just even in

2612  
01:46:30,629 --> 01:46:28,000  
this small pocket

2613  
01:46:32,390 --> 01:46:30,639

right now that have been kind of talking

2614

01:46:33,990 --> 01:46:32,400

among one another

2615

01:46:35,669 --> 01:46:34,000

a lot of the elders that are getting

2616

01:46:39,109 --> 01:46:35,679

ready to exit

2617

01:46:41,590 --> 01:46:39,119

you know and that's what my thrust is

2618

01:46:42,950 --> 01:46:41,600

right now is to get this final chapter

2619

01:46:45,590 --> 01:46:42,960

into a

2620

01:46:48,390 --> 01:46:45,600

concise drop it and move on because i've

2621

01:46:50,950 --> 01:46:48,400

been on this fire and water purification

2622

01:46:53,189 --> 01:46:50,960

quest for most of my life and it's time

2623

01:46:54,790 --> 01:46:53,199

to summarize it and get it ready to go

2624

01:46:58,149 --> 01:46:54,800

out there and that's the thrust behind

2625

01:47:00,709 --> 01:46:58,159

this last website here so

2626

01:47:03,510 --> 01:47:00,719

well it's a tremendous resource and that

2627

01:47:05,910 --> 01:47:03,520

leads me to another question that i hope

2628

01:47:07,590 --> 01:47:05,920

you will answer and that is

2629

01:47:09,910 --> 01:47:07,600

you know people know that i do this

2630

01:47:11,189 --> 01:47:09,920

paranormal show and a lot of people come

2631

01:47:13,510 --> 01:47:11,199

to me and say

2632

01:47:15,750 --> 01:47:13,520

hey uh if i'm interested in learning

2633

01:47:17,350 --> 01:47:15,760

more about magic or witchcraft like what

2634

01:47:19,750 --> 01:47:17,360

are some good books or what are some

2635

01:47:21,510 --> 01:47:19,760

good resources and honestly

2636

01:47:23,990 --> 01:47:21,520

my interest

2637

01:47:25,189 --> 01:47:24,000

has is is not that intense and i don't

2638

01:47:27,109 --> 01:47:25,199

really want to give people the wrong

2639

01:47:29,430 --> 01:47:27,119

advice but for people that are

2640

01:47:30,790 --> 01:47:29,440

interested in these paths

2641

01:47:33,030 --> 01:47:30,800

you know you have a lifetime of

2642

01:47:33,910 --> 01:47:33,040

experience with this

2643

01:47:36,709 --> 01:47:33,920

i would

2644

01:47:38,709 --> 01:47:36,719

would urge you to give some advice to

2645

01:47:39,510 --> 01:47:38,719

people who are interested in pursuing

2646

01:47:41,830 --> 01:47:39,520

this

2647

01:47:44,070 --> 01:47:41,840

more what are some good books or good

2648

01:47:48,390 --> 01:47:44,080

resources that people can

2649

01:47:53,910 --> 01:47:51,430

well the biggest advice i can give um

2650

01:47:55,430 --> 01:47:53,920

people is to get to to learn how to

2651  
01:47:58,790 --> 01:47:55,440  
identify

2652  
01:48:03,270 --> 01:47:58,800  
the hyper sensationalized stuff

2653  
01:48:05,990 --> 01:48:03,280  
and dig in to the boring stuff

2654  
01:48:08,950 --> 01:48:06,000  
the encyclopedias

2655  
01:48:12,470 --> 01:48:08,960  
you know the stuff that isn't loaded

2656  
01:48:15,350 --> 01:48:12,480  
with the the emotional baggage

2657  
01:48:16,629 --> 01:48:15,360  
that leads people on and to work on

2658  
01:48:19,189 --> 01:48:16,639  
their own

2659  
01:48:21,430 --> 01:48:19,199  
ability to objectively

2660  
01:48:24,229 --> 01:48:21,440  
look at the material

2661  
01:48:26,790 --> 01:48:24,239  
and not and and then question themselves

2662  
01:48:29,750 --> 01:48:26,800  
you know if something sparks their fear

2663  
01:48:32,629 --> 01:48:29,760

start asking themselves why is that that

2664

01:48:34,790 --> 01:48:32,639

causing that fear is that a fear within

2665

01:48:36,629 --> 01:48:34,800

me innate or is that somebody else's

2666

01:48:39,030 --> 01:48:36,639

tape playing in my head that i heard

2667

01:48:43,830 --> 01:48:40,070

um

2668

01:48:46,950 --> 01:48:43,840

you know that and also to keep a

2669

01:48:51,350 --> 01:48:46,960

well-rounded look don't just dig into

2670

01:48:53,910 --> 01:48:51,360

the book stacks that say magic

2671

01:48:55,910 --> 01:48:53,920

look at philosophy

2672

01:48:59,030 --> 01:48:55,920

look at the history of where this came

2673

01:49:01,270 --> 01:48:59,040

from look at the history of where

2674

01:49:02,709 --> 01:49:01,280

your roots came from

2675

01:49:07,830 --> 01:49:02,719

and

2676  
01:49:12,709 --> 01:49:10,310  
your environment your immediate real

2677  
01:49:14,310 --> 01:49:12,719  
environment

2678  
01:49:16,629 --> 01:49:14,320  
um

2679  
01:49:18,470 --> 01:49:16,639  
i think one of the better books let me

2680  
01:49:20,870 --> 01:49:18,480  
take a look at my

2681  
01:49:25,270 --> 01:49:20,880  
stacks here

2682  
01:49:29,270 --> 01:49:25,280  
if someone is interested in

2683  
01:49:33,350 --> 01:49:30,870  
[Music]

2684  
01:49:35,589 --> 01:49:33,360  
well i'm going to go back

2685  
01:49:38,229 --> 01:49:35,599  
the only recommendation i am going to

2686  
01:49:42,149 --> 01:49:38,239  
make at this point

2687  
01:49:43,750 --> 01:49:42,159  
is two pieces here that are pretty dry

2688  
01:49:45,589 --> 01:49:43,760

reading material

2689

01:49:47,990 --> 01:49:45,599

but

2690

01:49:50,149 --> 01:49:48,000

someone that has the

2691

01:49:52,550 --> 01:49:50,159

tendency to really

2692

01:49:55,189 --> 01:49:52,560

interstand or understand

2693

01:49:57,030 --> 01:49:55,199

or remember

2694

01:49:59,910 --> 01:49:57,040

any of this material because it's all

2695

01:50:02,149 --> 01:49:59,920

written on all of us

2696

01:50:04,390 --> 01:50:02,159

none of this information out here is new

2697

01:50:05,750 --> 01:50:04,400

information it's all encoded within us

2698

01:50:06,709 --> 01:50:05,760

anyway but

2699

01:50:09,510 --> 01:50:06,719

um

2700

01:50:13,589 --> 01:50:09,520

the caballon is a study of the hermetic

2701  
01:50:15,669 --> 01:50:13,599  
philosophy of ancient greece and egypt

2702  
01:50:19,109 --> 01:50:15,679  
it's written by three initiates and it

2703  
01:50:21,669 --> 01:50:19,119  
was uh published by the masonic temple

2704  
01:50:23,270 --> 01:50:21,679  
now that in itself is going to trigger a

2705  
01:50:26,390 --> 01:50:23,280  
lot of people

2706  
01:50:28,629 --> 01:50:26,400  
but there are so many layers of truth

2707  
01:50:30,950 --> 01:50:28,639  
condensed in this little piece here and

2708  
01:50:32,870 --> 01:50:30,960  
that's actually what the article i put

2709  
01:50:36,229 --> 01:50:32,880  
on the website

2710  
01:50:40,310 --> 01:50:38,310  
michaels and duality i think is what the

2711  
01:50:42,149 --> 01:50:40,320  
name of that title was i just put it on

2712  
01:50:44,550 --> 01:50:42,159  
my website out there

2713  
01:50:46,550 --> 01:50:44,560

um that's one i wrote about four years

2714

01:50:50,870 --> 01:50:46,560

ago or something but it that's it goes

2715

01:50:51,750 --> 01:50:50,880

through the the levels of the caballon

2716

01:50:53,709 --> 01:50:51,760

um

2717

01:50:56,870 --> 01:50:53,719

and then the other one is an

2718

01:51:00,550 --> 01:50:56,880

encyclopedia of magic and alchemy by

2719

01:51:02,660 --> 01:51:00,560

rosemary ellen gooly

2720

01:51:04,310 --> 01:51:02,670

okay that's g-u-i-l-e-y

2721

01:51:05,669 --> 01:51:04,320

[Music]

2722

01:51:08,950 --> 01:51:05,679

and like i said

2723

01:51:10,550 --> 01:51:08,960

most people are going to find this stuff

2724

01:51:12,790 --> 01:51:10,560

um

2725

01:51:15,430 --> 01:51:12,800

boring because it is written in

2726  
01:51:17,589 --> 01:51:15,440  
encyclopedia format but that's where the

2727  
01:51:19,910 --> 01:51:17,599  
good stuff is it's not

2728  
01:51:24,950 --> 01:51:19,920  
unless you're looking for fiction or

2729  
01:51:32,390 --> 01:51:27,589  
opinion of it is you know

2730  
01:51:34,470 --> 01:51:33,830  
yeah i think it's important to find your

2731  
01:51:37,510 --> 01:51:34,480  
own

2732  
01:51:39,189 --> 01:51:37,520  
yeah you know follow your inner voice

2733  
01:51:42,229 --> 01:51:39,199  
read the material and then see what

2734  
01:51:43,990 --> 01:51:42,239  
resonates with you as true

2735  
01:51:45,990 --> 01:51:44,000  
you know we heard we hear this term

2736  
01:51:52,229 --> 01:51:46,000  
discernment

2737  
01:51:57,189 --> 01:51:54,870  
yeah and and also of course your website

2738  
01:51:59,189 --> 01:51:57,199

is a good resource for people who are

2739

01:52:02,629 --> 01:51:59,199

interested in learning more why don't

2740

01:52:03,790 --> 01:52:02,639

you give that website one more time

2741

01:52:05,270 --> 01:52:03,800

uh that's

2742

01:52:11,589 --> 01:52:05,280

mysticmountain.com

2743

01:52:16,790 --> 01:52:13,669

dot com

2744

01:52:19,189 --> 01:52:16,800

okay and if people are i'm on twitter

2745

01:52:21,669 --> 01:52:19,199

and facebook and we've got a patreon out

2746

01:52:22,950 --> 01:52:21,679

there and a gofundme page to try to save

2747

01:52:24,629 --> 01:52:22,960

our butts here

2748

01:52:26,149 --> 01:52:24,639

yeah i was just going to say that if

2749

01:52:28,310 --> 01:52:26,159

people wanted to contact you what's the

2750

01:52:30,790 --> 01:52:28,320

best way to contact you would that be on

2751  
01:52:34,390 --> 01:52:30,800  
twitter

2752  
01:52:37,589 --> 01:52:34,400  
uh well you could pop in for um i do not

2753  
01:52:39,589 --> 01:52:37,599  
engage very much there um

2754  
01:52:41,589 --> 01:52:39,599  
you know for various reasons

2755  
01:52:43,189 --> 01:52:41,599  
but if somebody wanted to contact me

2756  
01:52:45,589 --> 01:52:43,199  
directly the best way to get a hold of

2757  
01:52:47,189 --> 01:52:45,599  
me is on the contact uh form on the

2758  
01:52:49,189 --> 01:52:47,199  
website

2759  
01:52:52,310 --> 01:52:49,199  
and that'll go through my

2760  
01:52:54,790 --> 01:52:52,320  
encrypted email and then um you know

2761  
01:52:57,109 --> 01:52:54,800  
then we we can set up dialogue that way

2762  
01:52:59,990 --> 01:52:57,119  
oh we have an encrypted email that's

2763  
01:53:03,189 --> 01:53:00,000

interesting oh yeah

2764

01:53:07,750 --> 01:53:05,990

well i i just had to tweak it again i

2765

01:53:09,830 --> 01:53:07,760

i've been um

2766

01:53:12,470 --> 01:53:09,840

hacked and stocked for a long time and

2767

01:53:15,350 --> 01:53:12,480

that's part of what my

2768

01:53:17,910 --> 01:53:15,360

ptsd is that just got triggered here

2769

01:53:20,470 --> 01:53:17,920

this last time so

2770

01:53:23,350 --> 01:53:20,480

and and the whole overarching thing of

2771

01:53:26,149 --> 01:53:23,360

watching this play out again from when i

2772

01:53:28,390 --> 01:53:26,159

went through my dark night of the soul

2773

01:53:30,790 --> 01:53:28,400

in the 80s and 90s

2774

01:53:34,070 --> 01:53:30,800

and watching it just pop out again it's

2775

01:53:36,550 --> 01:53:34,870

it's

2776

01:53:39,109 --> 01:53:36,560

like you know people talk about

2777

01:53:41,270 --> 01:53:39,119

groundhog day but yeah that's gone going

2778

01:53:43,430 --> 01:53:41,280

i'm going here we go again darkening up

2779

01:53:45,990 --> 01:53:43,440

the soul that sounds like a that sounds

2780

01:53:48,310 --> 01:53:46,000

like a movie

2781

01:53:50,310 --> 01:53:48,320

uh well the dark knight of the soul was

2782

01:53:54,149 --> 01:53:50,320

a poem um

2783

01:53:57,510 --> 01:53:54,159

and the catholic church uh decided to it

2784

01:54:00,229 --> 01:53:57,520

was written by john okay but then

2785

01:54:02,229 --> 01:54:00,239

it wasn't had anything to do with what

2786

01:54:06,070 --> 01:54:02,239

spun off out in that so sometimes when

2787

01:54:08,310 --> 01:54:06,080

you say that you'll get a lot of flack

2788

01:54:11,990 --> 01:54:08,320

but it's kind of like the shamanic trial

2789

01:54:14,470 --> 01:54:12,000

by fire idea is having to go in and and

2790

01:54:16,870 --> 01:54:14,480

look at your deepest darkest parts

2791

01:54:18,870 --> 01:54:16,880

and see that's what dark magic is i

2792

01:54:22,310 --> 01:54:18,880

wanted to add that before we sign off

2793

01:54:25,430 --> 01:54:22,320

here um as a psych you know working as a

2794

01:54:28,790 --> 01:54:25,440

counselor that is what i do is dark

2795

01:54:31,270 --> 01:54:28,800

magic when i sit and listen to people in

2796

01:54:33,830 --> 01:54:31,280

their most discomfoting

2797

01:54:35,189 --> 01:54:33,840

painful situations

2798

01:54:36,950 --> 01:54:35,199

that is

2799

01:54:39,030 --> 01:54:36,960

uh

2800

01:54:40,950 --> 01:54:39,040

that is dark magic

2801  
01:54:42,550 --> 01:54:40,960  
getting in there and being able to sit

2802  
01:54:45,430 --> 01:54:42,560  
with those people in the darkest

2803  
01:54:46,790 --> 01:54:45,440  
recesses of their experiences

2804  
01:54:48,310 --> 01:54:46,800  
well you've given us an incredible

2805  
01:54:49,910 --> 01:54:48,320  
amount of things to think about i want

2806  
01:54:51,030 --> 01:54:49,920  
to thank you very much for taking the

2807  
01:54:52,550 --> 01:54:51,040  
time

2808  
01:54:54,149 --> 01:54:52,560  
and i want to encourage

2809  
01:54:56,870 --> 01:54:54,159  
i want to encourage all my listeners to

2810  
01:54:58,629 --> 01:54:56,880  
visit your growing website still working

2811  
01:55:00,470 --> 01:54:58,639  
on transferring all this stuff over but

2812  
01:55:01,669 --> 01:55:00,480  
it's going to be an incredible resource

2813  
01:55:03,669 --> 01:55:01,679

for all

2814

01:55:05,910 --> 01:55:03,679

and and i hope that you continue working

2815

01:55:08,070 --> 01:55:05,920

with it

2816

01:55:10,070 --> 01:55:08,080

oh yeah well thank you very much and

2817

01:55:11,669 --> 01:55:10,080

that's you know we're right on the cusp

2818

01:55:14,149 --> 01:55:11,679

of it's either going to be make or break

2819

01:55:17,589 --> 01:55:14,159

here but um we'll see where the

2820

01:55:19,350 --> 01:55:17,599

universal energies carry us if if we can

2821

01:55:21,669 --> 01:55:19,360

get it to work or not

2822

01:55:23,669 --> 01:55:21,679

so but we're trying well i will

2823

01:55:27,109 --> 01:55:23,679

encourage my listeners to try to lend a

2824

01:55:29,510 --> 01:55:27,119

hand and i want to thank you once again

2825

01:55:31,270 --> 01:55:29,520

okay well thank you so much for reaching

2826

01:55:32,629 --> 01:55:31,280

out this this has been kind of an

2827

01:55:35,270 --> 01:55:32,639

experience for me because i've been in

2828

01:55:37,589 --> 01:55:35,280

the cave for several months now healing

2829

01:55:40,310 --> 01:55:37,599

so this was

2830

01:55:42,470 --> 01:55:40,320

i'm glad we could draw you out

2831

01:55:44,229 --> 01:55:42,480

well folks it looks like we have

2832

01:55:46,709 --> 01:55:44,239

actually run out the clock here on the

2833

01:55:48,950 --> 01:55:46,719

midnight hour show i'll dispense with my

2834

01:55:50,870 --> 01:55:48,960

usual wrap up and just invite you to

2835

01:55:53,189 --> 01:55:50,880

join us again next saturday night at

2836

01:55:55,990 --> 01:55:53,199

midnight here on the fringe fm for
