

**MISINFORMATION AGENTS?**

1  
00:00:44,440 --> 00:00:34,520  
[Music]

2  
00:00:44,450 --> 00:00:49,040  
[Applause]

3  
00:02:28,610 --> 00:01:38,320  
[Music]

4  
00:03:02,550 --> 00:02:28,620  
so

5  
00:04:23,430 --> 00:03:16,980  
[Music]

6  
00:04:27,590 --> 00:04:25,830  
greetings and salutations friends and

7  
00:04:30,150 --> 00:04:27,600  
welcome back

8  
00:04:33,990 --> 00:04:30,160  
so today i thought we'd take a sort of a

9  
00:04:36,550 --> 00:04:34,000  
strange trip down the rabbit hole

10  
00:04:44,150 --> 00:04:39,590  
this has all happened before

11  
00:04:48,150 --> 00:04:45,990  
the united states government

12  
00:04:51,909 --> 00:04:48,160  
has

13  
00:04:55,189 --> 00:04:51,919

some say for some 70 years now

14

00:04:57,590 --> 00:04:55,199

been hiding the truth about ufos and

15

00:04:58,950 --> 00:04:57,600

aliens

16

00:05:02,310 --> 00:04:58,960

and up until

17

00:05:04,390 --> 00:05:02,320

i suppose about 2016

18

00:05:05,749 --> 00:05:04,400

most people interested in these subjects

19

00:05:07,909 --> 00:05:05,759

agreed

20

00:05:10,710 --> 00:05:07,919

that

21

00:05:11,990 --> 00:05:10,720

the government was the enemy

22

00:05:15,830 --> 00:05:12,000

but suddenly

23

00:05:19,350 --> 00:05:15,840

in 2016 along comes

24

00:05:22,950 --> 00:05:19,360

something called to the stars academy

25

00:05:24,550 --> 00:05:22,960

a public benefit corporation

26

00:05:27,029 --> 00:05:24,560

now it's been some time now and i'd

27

00:05:30,870 --> 00:05:27,039

still like for somebody to show me what

28

00:05:36,629 --> 00:05:30,880

benefit the public got for all those

29

00:05:41,270 --> 00:05:39,189

i i i don't see a public benefit

30

00:05:42,870 --> 00:05:41,280

in fact what i see is people

31

00:05:45,350 --> 00:05:42,880

profiteering

32

00:05:47,990 --> 00:05:45,360

off of

33

00:05:50,469 --> 00:05:48,000

specifically three videos

34

00:05:51,749 --> 00:05:50,479

that some say

35

00:05:53,430 --> 00:05:51,759

were leaked

36

00:05:56,150 --> 00:05:53,440

by the united states government but

37

00:05:59,110 --> 00:05:56,160

that's not actually what happened is it

38

00:06:01,590 --> 00:05:59,120

no what happened is that a

39

00:06:04,710 --> 00:06:01,600

one-time pentagon employee in the form

40

00:06:06,550 --> 00:06:04,720

of louis elizondo

41

00:06:08,710 --> 00:06:06,560

somehow authorized

42

00:06:11,909 --> 00:06:08,720

the declassification

43

00:06:13,830 --> 00:06:11,919

of those three videos

44

00:06:15,909 --> 00:06:13,840

and then somehow

45

00:06:18,710 --> 00:06:15,919

someone

46

00:06:20,950 --> 00:06:18,720

walked those videos out into

47

00:06:24,469 --> 00:06:20,960

the pentagon parking lot

48

00:06:26,950 --> 00:06:24,479

where one chris mellon who would also

49

00:06:31,670 --> 00:06:26,960

become an employee of this organization

50

00:06:34,469 --> 00:06:31,680

this public benefit company

51  
00:06:38,309 --> 00:06:34,479  
someone walked those three videos out to

52  
00:06:43,110 --> 00:06:41,029  
and for one reason or another

53  
00:06:45,590 --> 00:06:43,120  
he took those videos

54  
00:06:49,029 --> 00:06:45,600  
and took them to tsa

55  
00:06:50,629 --> 00:06:49,039  
who then profited from them for years

56  
00:06:52,950 --> 00:06:50,639  
and i would just like for someone to

57  
00:06:55,430 --> 00:06:52,960  
explain to me how any of this is legal

58  
00:06:58,390 --> 00:06:55,440  
because i'm confused

59  
00:07:03,189 --> 00:06:58,400  
were i a pentagon employee

60  
00:07:06,150 --> 00:07:03,199  
for example and i declassified let's say

61  
00:07:07,830 --> 00:07:06,160  
drone videos of attacks in iraq or

62  
00:07:09,830 --> 00:07:07,840  
afghanistan

63  
00:07:11,189 --> 00:07:09,840

and then i snuck them out to the parking

64

00:07:12,469 --> 00:07:11,199

lot

65

00:07:16,230 --> 00:07:12,479

or

66

00:07:18,550 --> 00:07:16,240

snuck those videos out to the parking

67

00:07:20,629 --> 00:07:18,560

lot where someone would was waiting to

68

00:07:22,309 --> 00:07:20,639

take them

69

00:07:24,870 --> 00:07:22,319

and then that person

70

00:07:26,710 --> 00:07:24,880

took those videos to a for-profit

71

00:07:29,029 --> 00:07:26,720

company that claims to be a public

72

00:07:31,189 --> 00:07:29,039

benefit i don't know

73

00:07:33,350 --> 00:07:31,199

and then we profited from those the

74

00:07:34,870 --> 00:07:33,360

release of those videos

75

00:07:36,950 --> 00:07:34,880

for years

76

00:07:38,469 --> 00:07:36,960

i don't believe that that would be legal

77

00:07:41,350 --> 00:07:38,479

for me to do

78

00:07:43,990 --> 00:07:41,360

now again i'm not a lawyer or an expert

79

00:07:48,230 --> 00:07:44,000

in how declassification works or who's

80

00:07:51,029 --> 00:07:48,240

allowed to profit from these videos

81

00:07:53,589 --> 00:07:51,039

should tom delong louis elizondo chris

82

00:08:00,230 --> 00:07:53,599

mellon hal put off and others be allowed

83

00:08:07,029 --> 00:08:04,230

classified then declassified and then

84

00:08:09,430 --> 00:08:07,039

taken out of the pentagon to awaiting

85

00:08:12,230 --> 00:08:09,440

chris melon in the parking lot

86

00:08:15,670 --> 00:08:12,240

and then taken to ttsa for them to slap

87

00:08:21,749 --> 00:08:19,510

and broadcast them on youtube

88

00:08:22,629 --> 00:08:21,759

should they be allowed to profit from

89

00:08:31,350 --> 00:08:22,639

that

90

00:08:34,070 --> 00:08:31,360

and i'm also confused and i need someone

91

00:08:36,630 --> 00:08:34,080

to explain to me

92

00:08:39,670 --> 00:08:36,640

did tsa get

93

00:08:41,509 --> 00:08:39,680

paid for all of the

94

00:08:43,990 --> 00:08:41,519

news channels

95

00:08:50,790 --> 00:08:46,470

transmitted or you know used those

96

00:08:56,790 --> 00:08:53,670

friends uh the three videos in question

97

00:08:59,509 --> 00:08:56,800

flir gimbal and go fast

98

00:09:01,750 --> 00:08:59,519

let's take a look here the flir video

99

00:09:03,590 --> 00:09:01,760

received 10 000

100

00:09:07,110 --> 00:09:03,600

views on youtube

101  
00:09:10,230 --> 00:09:07,120  
the gimbal 8.4 million views and the go

102  
00:09:13,590 --> 00:09:10,240  
fast 10 million views that's 30 million

103  
00:09:15,269 --> 00:09:13,600  
views on youtube

104  
00:09:17,509 --> 00:09:15,279  
now uh

105  
00:09:19,910 --> 00:09:17,519  
i'm a little bit confused

106  
00:09:22,550 --> 00:09:19,920  
can anybody post their videos those

107  
00:09:24,870 --> 00:09:22,560  
three videos since they're essentially

108  
00:09:28,310 --> 00:09:24,880  
government property or were

109  
00:09:30,389 --> 00:09:28,320  
onto their youtube channels

110  
00:09:32,630 --> 00:09:30,399  
now it's important to note that i don't

111  
00:09:34,710 --> 00:09:32,640  
believe at this time that those videos

112  
00:09:37,990 --> 00:09:34,720  
are monetized on the to the stars

113  
00:09:40,630 --> 00:09:38,000

academy uh

114

00:09:43,509 --> 00:09:40,640

to the stars academy

115

00:09:46,310 --> 00:09:43,519

youtube page however

116

00:09:47,509 --> 00:09:46,320

those videos were shown on the history

117

00:09:48,949 --> 00:09:47,519

channel

118

00:09:52,150 --> 00:09:48,959

and they made money

119

00:09:54,310 --> 00:09:52,160

on this history channel television show

120

00:09:56,230 --> 00:09:54,320

largely based on the release of these

121

00:09:58,550 --> 00:09:56,240

three videos

122

00:10:00,110 --> 00:09:58,560

now there it's interesting that

123

00:10:01,990 --> 00:10:00,120

when we talk about

124

00:10:03,509 --> 00:10:02,000

misinformation

125

00:10:05,430 --> 00:10:03,519

you know i said at the beginning of this

126  
00:10:07,670 --> 00:10:05,440  
broadcast that this has happened before

127  
00:10:09,990 --> 00:10:07,680  
and it's going to happen again

128  
00:10:12,389 --> 00:10:10,000  
because the government has used

129  
00:10:15,990 --> 00:10:12,399  
misinformation agents

130  
00:10:19,670 --> 00:10:16,000  
and the cover of alien stories to cover

131  
00:10:21,590 --> 00:10:19,680  
for their top secret black projects

132  
00:10:23,829 --> 00:10:21,600  
the most famous of these cases is

133  
00:10:25,990 --> 00:10:23,839  
perhaps the benowitz case

134  
00:10:28,230 --> 00:10:26,000  
in which paul benowitz

135  
00:10:30,230 --> 00:10:28,240  
was seeing some things

136  
00:10:31,750 --> 00:10:30,240  
off of an air force base that he lived

137  
00:10:34,150 --> 00:10:31,760  
near

138  
00:10:37,190 --> 00:10:34,160

so what did the government do they sent

139

00:10:39,670 --> 00:10:37,200

a literal paid disinformation agent in

140

00:10:40,870 --> 00:10:39,680

the form of richard doty to convince

141

00:10:43,110 --> 00:10:40,880

that person

142

00:10:45,509 --> 00:10:43,120

that what he was seeing was not top

143

00:10:48,470 --> 00:10:45,519

secret drone technology being tested and

144

00:10:51,110 --> 00:10:48,480

developed at that nearby base but rather

145

00:10:52,470 --> 00:10:51,120

aliens

146

00:10:54,230 --> 00:10:52,480

the government

147

00:10:57,190 --> 00:10:54,240

and their misinformation agents

148

00:10:59,590 --> 00:10:57,200

literally drove that man crazy

149

00:11:01,670 --> 00:10:59,600

it's a tragic story

150

00:11:04,069 --> 00:11:01,680

and yet somehow

151

00:11:06,630 --> 00:11:04,079

some people get a pass for that

152

00:11:09,110 --> 00:11:06,640

and now they can become the darlings of

153

00:11:11,190 --> 00:11:09,120

the ufo community

154

00:11:15,110 --> 00:11:11,200

but i'm not here to judge past events

155

00:11:17,030 --> 00:11:15,120

i'm here to talk about current events

156

00:11:18,710 --> 00:11:17,040

if the government and this can be

157

00:11:22,389 --> 00:11:18,720

verified have

158

00:11:25,509 --> 00:11:22,399

sent literal misinformation agents into

159

00:11:28,150 --> 00:11:25,519

the so-called ufo community

160

00:11:32,230 --> 00:11:28,160

in the past what's to say that they are

161

00:11:35,910 --> 00:11:34,069

some other issues come up that are very

162

00:11:37,030 --> 00:11:35,920

important when we talk about these

163

00:11:40,310 --> 00:11:37,040

things

164

00:11:43,990 --> 00:11:40,320

it's also been well established that a

165

00:11:47,990 --> 00:11:44,000

ufo researcher by the name of bill moore

166

00:11:49,030 --> 00:11:48,000

was fourth time a paid

167

00:11:53,030 --> 00:11:49,040

government

168

00:11:59,750 --> 00:11:55,750

and in fact

169

00:12:01,030 --> 00:11:59,760

at a 1989 mufon conference

170

00:12:02,790 --> 00:12:01,040

moore

171

00:12:04,150 --> 00:12:02,800

came clean

172

00:12:05,910 --> 00:12:04,160

and explained

173

00:12:08,629 --> 00:12:05,920

that he was providing the government

174

00:12:10,710 --> 00:12:08,639

with information about ufo researchers

175

00:12:12,790 --> 00:12:10,720

conferences and what's going on in the

176

00:12:14,790 --> 00:12:12,800  
ufo community in exchange for

177

00:12:17,030 --> 00:12:14,800  
information

178

00:12:19,670 --> 00:12:17,040  
moore also claimed that he had been

179

00:12:21,509 --> 00:12:19,680  
similarly engaged in disinformation

180

00:12:24,150 --> 00:12:21,519  
activities against

181

00:12:29,430 --> 00:12:24,160  
paul benowitz on behalf of the air force

182

00:12:34,470 --> 00:12:31,990  
this has all happened before

183

00:12:35,350 --> 00:12:34,480  
it may be happening now

184

00:12:38,629 --> 00:12:35,360  
and

185

00:12:40,710 --> 00:12:38,639  
it will happen again in the future

186

00:12:42,550 --> 00:12:40,720  
what better cover story

187

00:12:43,350 --> 00:12:42,560  
could there be

188

00:12:46,150 --> 00:12:43,360

than

189

00:12:48,310 --> 00:12:46,160

people believing in aliens and isn't it

190

00:12:50,230 --> 00:12:48,320

interesting that we get these stories

191

00:12:52,150 --> 00:12:50,240

like bob lazar

192

00:12:55,509 --> 00:12:52,160

who claimed that he worked on aliens

193

00:12:58,150 --> 00:12:55,519

flying saucers at a top secret

194

00:12:59,590 --> 00:12:58,160

sub base of area 51.

195

00:13:01,509 --> 00:12:59,600

wouldn't it be easy for the government

196

00:13:03,509 --> 00:13:01,519

to come out and say he never worked for

197

00:13:04,870 --> 00:13:03,519

us this story is bold this never

198

00:13:05,670 --> 00:13:04,880

happened

199

00:13:08,470 --> 00:13:05,680

but

200

00:13:10,150 --> 00:13:08,480

instead of squashing the story

201  
00:13:12,389 --> 00:13:10,160  
the united states government did nothing

202  
00:13:13,670 --> 00:13:12,399  
about it

203  
00:13:15,509 --> 00:13:13,680  
perhaps

204  
00:13:16,790 --> 00:13:15,519  
just maybe

205  
00:13:19,670 --> 00:13:16,800  
people

206  
00:13:22,550 --> 00:13:19,680  
looking for alien flying saucers off of

207  
00:13:23,590 --> 00:13:22,560  
area 51 is exactly what the government

208  
00:13:25,990 --> 00:13:23,600  
wants

209  
00:13:30,870 --> 00:13:26,000  
they don't want you to know what it is

210  
00:13:36,150 --> 00:13:32,629  
much better to let people chase the

211  
00:13:39,189 --> 00:13:36,160  
alien hypothesis the flying saucers

212  
00:13:42,949 --> 00:13:39,199  
that may or may not exist

213  
00:13:44,069 --> 00:13:42,959

so in 2016 alone comes tsa with a board

214

00:13:46,470 --> 00:13:44,079

filled

215

00:13:48,389 --> 00:13:46,480

with former cia people

216

00:13:51,829 --> 00:13:48,399

dia people

217

00:13:54,310 --> 00:13:51,839

and government workers

218

00:13:56,230 --> 00:13:54,320

but this time

219

00:13:58,949 --> 00:13:56,240

they were gonna give us the real truth

220

00:14:00,550 --> 00:13:58,959

they were gonna bring us disclosure

221

00:14:03,110 --> 00:14:00,560

and i gotta say

222

00:14:05,110 --> 00:14:03,120

uh what a disappointment because

223

00:14:06,710 --> 00:14:05,120

first of all all they brought us was a

224

00:14:08,949 --> 00:14:06,720

television show

225

00:14:10,710 --> 00:14:08,959

about those largely about those three

226

00:14:13,110 --> 00:14:10,720

videos that somebody snuck out of the

227

00:14:15,910 --> 00:14:13,120

pentagon

228

00:14:17,829 --> 00:14:15,920

rules were broken sorry ben ben they

229

00:14:19,269 --> 00:14:17,839

bent the rules they bet they had a bet

230

00:14:26,629 --> 00:14:19,279

chris mellon said they had to bend the

231

00:14:29,829 --> 00:14:27,910

they also

232

00:14:32,389 --> 00:14:29,839

sold books

233

00:14:35,269 --> 00:14:32,399

tom delong's books and a book by bob

234

00:14:39,670 --> 00:14:37,350

those were for profit

235

00:14:41,269 --> 00:14:39,680

the television show that they took part

236

00:14:43,030 --> 00:14:41,279

in with the history channel

237

00:14:45,389 --> 00:14:43,040

largely based on the three videos that

238

00:14:47,269 --> 00:14:45,399

were snuck out of the pentagon or

239

00:14:49,189 --> 00:14:47,279

declassified

240

00:14:53,269 --> 00:14:49,199

and then taken out of the pentagon and

241

00:14:57,269 --> 00:14:55,189

they profited from that

242

00:14:59,829 --> 00:14:57,279

they profited from the book sales

243

00:15:03,509 --> 00:14:59,839

they profited from investors claiming

244

00:15:05,269 --> 00:15:03,519

that they were going to build a quote

245

00:15:06,870 --> 00:15:05,279

revolutionary

246

00:15:09,030 --> 00:15:06,880

sorry quote spaceship with a

247

00:15:11,350 --> 00:15:09,040

revolutionary power source that would

248

00:15:13,829 --> 00:15:11,360

change the world unquote

249

00:15:16,790 --> 00:15:13,839

while they were soliciting public

250

00:15:21,189 --> 00:15:19,110

still haven't seen a spaceship

251  
00:15:22,870 --> 00:15:21,199  
but i've seen tom delong

252  
00:15:24,829 --> 00:15:22,880  
do all kinds of

253  
00:15:27,030 --> 00:15:24,839  
let's just call them accounting

254  
00:15:29,990 --> 00:15:27,040  
gymnastics to account where all the

255  
00:15:36,069 --> 00:15:33,030  
i i don't know how any of this is legal

256  
00:15:36,949 --> 00:15:36,079  
i don't know how the sec hasn't swooped

257  
00:15:40,790 --> 00:15:36,959  
in

258  
00:15:42,389 --> 00:15:40,800  
happened

259  
00:15:46,150 --> 00:15:42,399  
and if you

260  
00:15:49,189 --> 00:15:46,160  
were unfortunate enough to have

261  
00:15:49,990 --> 00:15:49,199  
invested in ttsa i'd like you to contact

262  
00:15:58,949 --> 00:15:50,000  
me

263  
00:16:00,949 --> 00:15:58,959

if you invested in ttsa

264

00:16:03,269 --> 00:16:00,959

have the shareholders been paid any

265

00:16:05,829 --> 00:16:03,279

dividends i i don't know but we're going

266

00:16:07,430 --> 00:16:05,839

to more fully explore that on a future

267

00:16:10,550 --> 00:16:07,440

episode here

268

00:16:12,949 --> 00:16:10,560

uh and i can't wait to help

269

00:16:16,310 --> 00:16:12,959

bring that breakdown of the ttsa

270

00:16:18,389 --> 00:16:16,320

financial situation to you all

271

00:16:19,509 --> 00:16:18,399

because that alone is an incredible

272

00:16:23,509 --> 00:16:19,519

story

273

00:16:25,590 --> 00:16:23,519

afford public benefit company

274

00:16:27,829 --> 00:16:25,600

but i don't see any benefit to the

275

00:16:29,590 --> 00:16:27,839

public i see plenty of benefit to tom

276

00:16:31,430 --> 00:16:29,600

delong and his buddies

277

00:16:33,030 --> 00:16:31,440

they're all making money

278

00:16:35,030 --> 00:16:33,040

but i don't see any benefit to the

279

00:16:38,629 --> 00:16:35,040

public and i certainly don't see any

280

00:16:40,310 --> 00:16:38,639

benefit to the shareholders the

281

00:16:42,790 --> 00:16:40,320

investors

282

00:16:44,790 --> 00:16:42,800

why can't i find anybody that invested

283

00:16:49,030 --> 00:16:44,800

that got their money

284

00:16:52,470 --> 00:16:49,040

why can't why doesn't anybody who

285

00:16:54,389 --> 00:16:52,480

invested want to talk on air about

286

00:16:57,030 --> 00:16:54,399

what happened there

287

00:16:59,110 --> 00:16:57,040

i have been asking for several years now

288

00:17:01,189 --> 00:16:59,120

for somebody who invested to contact me

289

00:17:03,910 --> 00:17:01,199

and let me know what did you get back on

290

00:17:06,230 --> 00:17:03,920

your investment how much did you invest

291

00:17:08,549 --> 00:17:06,240

how did this all work out for for you as

292

00:17:10,470 --> 00:17:08,559

an investor

293

00:17:13,510 --> 00:17:10,480

so far crickets

294

00:17:14,789 --> 00:17:13,520

and that alone is curious

295

00:17:17,110 --> 00:17:14,799

now

296

00:17:22,710 --> 00:17:17,120

the other issue that i have with ttsa

297

00:17:27,829 --> 00:17:24,710

they get everything wrong they get a lot

298

00:17:33,750 --> 00:17:30,150

tom delong famously went on joe rogan

299

00:17:34,870 --> 00:17:33,760

and he played for joe rogan a fake tr3b

300

00:17:36,870 --> 00:17:34,880

video

301  
00:17:38,870 --> 00:17:36,880  
swearing that it was real and joe

302  
00:17:40,630 --> 00:17:38,880  
rogan's like now this is this isn't real

303  
00:17:42,390 --> 00:17:40,640  
that can't be real come on this is fake

304  
00:17:45,029 --> 00:17:42,400  
video tom

305  
00:17:47,669 --> 00:17:45,039  
his performance on the joe rogan show as

306  
00:17:48,789 --> 00:17:47,679  
a representative of his to the stars

307  
00:17:49,830 --> 00:17:48,799  
academy

308  
00:17:51,110 --> 00:17:49,840  
was

309  
00:17:52,390 --> 00:17:51,120  
uh

310  
00:17:55,029 --> 00:17:52,400  
dismal

311  
00:17:56,549 --> 00:17:55,039  
a terrible terrible failure

312  
00:17:59,270 --> 00:17:56,559  
and so

313  
00:18:01,590 --> 00:17:59,280

what do we get here we get

314

00:18:03,350 --> 00:18:01,600

a guy with a bunch of government people

315

00:18:04,710 --> 00:18:03,360

former rock star tommed along with a

316

00:18:06,789 --> 00:18:04,720

bunch of

317

00:18:09,029 --> 00:18:06,799

uh

318

00:18:11,510 --> 00:18:09,039

government people

319

00:18:13,270 --> 00:18:11,520

who say

320

00:18:14,950 --> 00:18:13,280

they're gonna do stuff to benefit the

321

00:18:16,310 --> 00:18:14,960

public

322

00:18:17,909 --> 00:18:16,320

and then

323

00:18:19,430 --> 00:18:17,919

they make a lot of money for themselves

324

00:18:20,630 --> 00:18:19,440

apparently

325

00:18:22,870 --> 00:18:20,640

but

326

00:18:24,710 --> 00:18:22,880

i don't know where all the money that

327

00:18:26,150 --> 00:18:24,720

the investors are supposed to get back

328

00:18:27,750 --> 00:18:26,160

is

329

00:18:30,870 --> 00:18:27,760

and there's all kinds of shady

330

00:18:32,870 --> 00:18:30,880

accounting games with the tsa

331

00:18:35,590 --> 00:18:32,880

uh and we're gonna break it down

332

00:18:37,110 --> 00:18:35,600

on a future episode but that is beyond

333

00:18:39,270 --> 00:18:37,120

the uh

334

00:18:41,430 --> 00:18:39,280

part that is beyond the scope of

335

00:18:42,950 --> 00:18:41,440

tonight's broadcast which i'm hoping

336

00:18:43,909 --> 00:18:42,960

will be a short one honestly because

337

00:18:47,110 --> 00:18:43,919

i've got

338

00:18:49,430 --> 00:18:47,120

an awful lot of things to do

339

00:18:53,750 --> 00:18:49,440

let me check this out

340

00:18:59,430 --> 00:18:55,190

you really shouldn't do that during a

341

00:19:03,990 --> 00:19:01,909

somebody uh posted rest in peace

342

00:19:05,270 --> 00:19:04,000

somebody and and i don't believe they're

343

00:19:06,870 --> 00:19:05,280

dead so

344

00:19:09,110 --> 00:19:06,880

please don't do that

345

00:19:11,430 --> 00:19:09,120

so

346

00:19:12,630 --> 00:19:11,440

back to misinformation and getting

347

00:19:16,070 --> 00:19:12,640

things wrong

348

00:19:17,990 --> 00:19:16,080

uh i followed tsa uh and i kept asking

349

00:19:19,669 --> 00:19:18,000

where the spaceship was nobody wanted to

350

00:19:22,150 --> 00:19:19,679

answer my questions i even tried to

351

00:19:24,310 --> 00:19:22,160

contact tsa multiple times including

352

00:19:27,029 --> 00:19:24,320

their spokesperson and did you know that

353

00:19:29,669 --> 00:19:27,039

their spokesperson or media relations

354

00:19:32,470 --> 00:19:29,679

person is tom delong's sister who gets

355

00:19:35,669 --> 00:19:32,480

paid 150 000 a year

356

00:19:37,029 --> 00:19:35,679

apparently from those investor funds

357

00:19:38,789 --> 00:19:37,039

i'm not sure

358

00:19:40,310 --> 00:19:38,799

what she does that's worth a hundred and

359

00:19:42,549 --> 00:19:40,320

fifty thousand dollars and i'd like

360

00:19:45,110 --> 00:19:42,559

somebody to explain that to me how do

361

00:19:47,590 --> 00:19:45,120

you get paid 150 000

362

00:19:50,870 --> 00:19:47,600

i emailed called

363

00:19:56,470 --> 00:19:54,390

great but you know there was a thread uh

364

00:19:59,029 --> 00:19:56,480

and i don't usually want to cover a

365

00:19:59,830 --> 00:19:59,039

twitter thread but this one is so

366

00:20:01,430 --> 00:19:59,840

so

367

00:20:03,270 --> 00:20:01,440

topical here

368

00:20:04,950 --> 00:20:03,280

and important that i thought we should

369

00:20:08,230 --> 00:20:04,960

and that is a thread

370

00:20:10,630 --> 00:20:08,240

from john from the blackfall who broke

371

00:20:14,310 --> 00:20:10,640

down all of the misinformation that they

372

00:20:15,909 --> 00:20:14,320

have peddled since ttsa began and and

373

00:20:19,029 --> 00:20:15,919

lou has peddled

374

00:20:22,310 --> 00:20:19,039

recently lou uh was on

375

00:20:23,990 --> 00:20:22,320

a radio show the host of which we don't

376

00:20:25,750 --> 00:20:24,000

mention here but many of you will know

377

00:20:27,029 --> 00:20:25,760

who i'm talking about

378

00:20:29,110 --> 00:20:27,039

and

379

00:20:32,310 --> 00:20:29,120

he cites

380

00:20:35,750 --> 00:20:32,320

the sun newspaper from england

381

00:20:37,669 --> 00:20:35,760

which is a tabloid rag joke

382

00:20:39,830 --> 00:20:37,679

of a newspaper

383

00:20:42,230 --> 00:20:39,840

citing that as a source

384

00:20:44,870 --> 00:20:42,240

would be exactly like me citing the

385

00:20:46,390 --> 00:20:44,880

national enquirer or you know the globe

386

00:20:48,950 --> 00:20:46,400

newspaper in

387

00:20:50,789 --> 00:20:48,960

in the united states and saying see

388

00:20:54,630 --> 00:20:50,799

clinton met with aliens because it was

389

00:20:56,310 --> 00:20:54,640

in the globe newspaper it must be true

390

00:20:58,789 --> 00:20:56,320

no friends

391

00:21:00,710 --> 00:20:58,799

lou elizondo has made multiple multiple

392

00:21:03,510 --> 00:21:00,720

mistakes like this

393

00:21:06,070 --> 00:21:03,520

and and and it just brings into question

394

00:21:06,950 --> 00:21:06,080

every other statement that he's made

395

00:21:08,310 --> 00:21:06,960

he's

396

00:21:12,230 --> 00:21:08,320

using

397

00:21:14,710 --> 00:21:12,240

a trash rag tabloid newspaper as a

398

00:21:16,149 --> 00:21:14,720

source for a talking point

399

00:21:17,510 --> 00:21:16,159

and what about those other talking

400

00:21:20,310 --> 00:21:17,520

points like

401  
00:21:23,029 --> 00:21:20,320  
we have biological samples

402  
00:21:25,590 --> 00:21:23,039  
we have exotic

403  
00:21:28,070 --> 00:21:25,600  
metals or things that may be recovered

404  
00:21:29,029 --> 00:21:28,080  
from flying saucers

405  
00:21:31,270 --> 00:21:29,039  
you know

406  
00:21:33,750 --> 00:21:31,280  
if he can't even get

407  
00:21:37,510 --> 00:21:33,760  
things right and he's citing things like

408  
00:21:40,390 --> 00:21:37,520  
a uh tabloid rag newspaper

409  
00:21:42,549 --> 00:21:40,400  
i i think we can make some determination

410  
00:21:45,270 --> 00:21:42,559  
about his ability to vet accurate

411  
00:21:47,590 --> 00:21:45,280  
information or not

412  
00:21:50,549 --> 00:21:47,600  
and you know there is this

413  
00:21:53,909 --> 00:21:50,559

there is this concept here in ufology of

414

00:21:55,510 --> 00:21:53,919

these ufo messiahs

415

00:21:57,110 --> 00:21:55,520

they come along

416

00:21:59,110 --> 00:21:57,120

and they claim they're going to bring

417

00:22:00,950 --> 00:21:59,120

about disclosure

418

00:22:02,310 --> 00:22:00,960

the first that i can

419

00:22:05,350 --> 00:22:02,320

really uh

420

00:22:06,789 --> 00:22:05,360

say was one of the ufo messiahs was

421

00:22:09,430 --> 00:22:06,799

stephen greer

422

00:22:11,830 --> 00:22:09,440

who in 2001 started the disclosure

423

00:22:13,270 --> 00:22:11,840

project and had a big press conference

424

00:22:15,350 --> 00:22:13,280

and he's going to bring us disclosure

425

00:22:16,950 --> 00:22:15,360

he's one of the ufo messiahs and one of

426

00:22:20,870 --> 00:22:16,960

the things that you'll notice about the

427

00:22:23,430 --> 00:22:20,880

ufo messiahs is that they get this level

428

00:22:24,950 --> 00:22:23,440

of worship and respect in the ufo

429

00:22:27,590 --> 00:22:24,960

community because they're going to bring

430

00:22:31,990 --> 00:22:27,600

us the truth about these aliens

431

00:22:36,630 --> 00:22:34,070

no they make they all make a lot of

432

00:22:38,310 --> 00:22:36,640

money right that's another hallmark of a

433

00:22:40,390 --> 00:22:38,320

ufo messiah you're gonna be a ufo

434

00:22:42,470 --> 00:22:40,400

messiah you gotta have lots of stories

435

00:22:44,710 --> 00:22:42,480

about ufos and aliens you gotta do lots

436

00:22:46,710 --> 00:22:44,720

of conference appearances you gotta make

437

00:22:48,230 --> 00:22:46,720

lots of documentaries or make a lot of

438

00:22:49,510 --> 00:22:48,240

books to sell

439

00:22:51,190 --> 00:22:49,520

and uh

440

00:22:55,270 --> 00:22:51,200

you gotta make a lot of money

441

00:22:59,430 --> 00:22:55,280

okay buy my latest course buy my app buy

442

00:23:00,549 --> 00:22:59,440

my book buy my documentary

443

00:23:02,390 --> 00:23:00,559

but

444

00:23:04,149 --> 00:23:02,400

they never give you any of the smoking

445

00:23:06,710 --> 00:23:04,159

gun evidence that they claim that they

446

00:23:08,950 --> 00:23:06,720

have it's all maybe true

447

00:23:10,870 --> 00:23:08,960

could be true

448

00:23:13,510 --> 00:23:10,880

couldn't be anything other than aliens i

449

00:23:15,350 --> 00:23:13,520

love that i love that talking point they

450

00:23:17,029 --> 00:23:15,360

all use well it could have been it could

451  
00:23:19,350 --> 00:23:17,039  
have been a human-made craft for these

452  
00:23:22,870 --> 00:23:19,360  
reasons

453  
00:23:26,549 --> 00:23:24,950  
the person who runs lockheed skunk works

454  
00:23:28,390 --> 00:23:26,559  
once said we have things out in the

455  
00:23:29,510 --> 00:23:28,400  
desert that would make george lucas

456  
00:23:31,350 --> 00:23:29,520  
jealous

457  
00:23:34,710 --> 00:23:31,360  
and i believe that

458  
00:23:36,630 --> 00:23:34,720  
there's no way for any so-called ufo

459  
00:23:39,750 --> 00:23:36,640  
messiah to know

460  
00:23:42,950 --> 00:23:39,760  
what exactly is in the

461  
00:23:45,350 --> 00:23:42,960  
united states arsenal of weaponry and

462  
00:23:47,830 --> 00:23:45,360  
advanced aerial craft

463  
00:23:51,669 --> 00:23:47,840

but yet they'll tell you and i just

464

00:23:53,830 --> 00:23:51,679

heard lou elizondo today on a broadcast

465

00:23:56,070 --> 00:23:53,840

basically claiming oh these things got

466

00:23:57,909 --> 00:23:56,080

it it has to be aliens right but i'll

467

00:24:00,710 --> 00:23:57,919

leave the door open just a little bit

468

00:24:02,630 --> 00:24:00,720

that it might be foreign technology

469

00:24:05,510 --> 00:24:02,640

what about united states technology

470

00:24:07,510 --> 00:24:05,520

because i don't care lou alessandro if

471

00:24:09,909 --> 00:24:07,520

you worked at the pentagon

472

00:24:11,350 --> 00:24:09,919

you had a certain level of access you

473

00:24:13,750 --> 00:24:11,360

don't know

474

00:24:15,750 --> 00:24:13,760

even working at the pentagon you have no

475

00:24:16,830 --> 00:24:15,760

idea

476  
00:24:18,390 --> 00:24:16,840  
what is being

477  
00:24:20,870 --> 00:24:18,400  
developed

478  
00:24:23,269 --> 00:24:20,880  
by lockheed skunk works by boeing by

479  
00:24:26,470 --> 00:24:23,279  
other manufacturers and developers of

480  
00:24:29,190 --> 00:24:26,480  
advanced aerial aircraft

481  
00:24:31,590 --> 00:24:29,200  
now i'm hearing new claims from louis

482  
00:24:33,590 --> 00:24:31,600  
elizondo that he worked on special drone

483  
00:24:34,789 --> 00:24:33,600  
projects and he mentioned some so we're

484  
00:24:36,390 --> 00:24:34,799  
going to foia

485  
00:24:38,230 --> 00:24:36,400  
the government and we're going to find

486  
00:24:40,710 --> 00:24:38,240  
out if he indeed worked on those

487  
00:24:43,029 --> 00:24:40,720  
projects or had any involvement in them

488  
00:24:44,870 --> 00:24:43,039

because the

489

00:24:47,110 --> 00:24:44,880

problem the real problem with louis

490

00:24:49,350 --> 00:24:47,120

lozando is that he says a lot of stuff

491

00:24:51,110 --> 00:24:49,360

but there's never any paperwork there's

492

00:24:52,950 --> 00:24:51,120

never any proof to the things that he

493

00:24:54,549 --> 00:24:52,960

says

494

00:24:57,750 --> 00:24:54,559

and let's not forget

495

00:25:00,710 --> 00:24:57,760

that all of this started in 2016

496

00:25:04,549 --> 00:25:00,720

with the new york times article

497

00:25:05,750 --> 00:25:04,559

in which somebody lied to the new york

498

00:25:08,470 --> 00:25:05,760

times

499

00:25:10,630 --> 00:25:08,480

and since mr elizondo is cited as the

500

00:25:12,230 --> 00:25:10,640

major source of that article

501  
00:25:16,470 --> 00:25:12,240  
i can only assume that he lied or

502  
00:25:20,710 --> 00:25:19,110  
he claimed that the program that he

503  
00:25:23,430 --> 00:25:20,720  
worked for

504  
00:25:25,029 --> 00:25:23,440  
had a certain amount of budget

505  
00:25:27,269 --> 00:25:25,039  
and now we know that that program he

506  
00:25:29,269 --> 00:25:27,279  
worked for had no budget you see the

507  
00:25:33,350 --> 00:25:29,279  
problem with lou elizondo is that he

508  
00:25:35,750 --> 00:25:33,360  
could not have worked full-time on a ufo

509  
00:25:36,950 --> 00:25:35,760  
project that had zero funding

510  
00:25:38,470 --> 00:25:36,960  
no friends

511  
00:25:40,070 --> 00:25:38,480  
he did something else within the

512  
00:25:42,470 --> 00:25:40,080  
pentagon and does this story sound

513  
00:25:45,990 --> 00:25:42,480

familiar kind of like nick pope who

514

00:25:47,909 --> 00:25:46,000

claimed that he ran the british mod ufo

515

00:25:50,390 --> 00:25:47,919

program but then we find out no he was

516

00:25:52,149 --> 00:25:50,400

just an administrative assistant and

517

00:25:54,710 --> 00:25:52,159

what does that mean

518

00:25:57,590 --> 00:25:54,720

he was a desk jockey he did things like

519

00:26:00,470 --> 00:25:57,600

type letters and fax things for people

520

00:26:02,870 --> 00:26:00,480

more important than him

521

00:26:05,430 --> 00:26:02,880

how is lou elizondo running a ufo

522

00:26:07,669 --> 00:26:05,440

program that has zero funding

523

00:26:11,350 --> 00:26:07,679

and there's all of this murkiness and

524

00:26:14,230 --> 00:26:11,360

gray area right was it atip or ossap no

525

00:26:16,149 --> 00:26:14,240

osap got the funding not eight tip he

526

00:26:18,710 --> 00:26:16,159

claims he ran a tip

527

00:26:20,390 --> 00:26:18,720

and had funding of 22 million dollars

528

00:26:22,630 --> 00:26:20,400

right oh no

529

00:26:24,070 --> 00:26:22,640

that's right atip did not have the 22

530

00:26:26,630 --> 00:26:24,080

million dollars in funding it was

531

00:26:27,830 --> 00:26:26,640

awesome a separate program that he did

532

00:26:29,750 --> 00:26:27,840

not run

533

00:26:31,669 --> 00:26:29,760

that got that money

534

00:26:33,590 --> 00:26:31,679

and it would appear

535

00:26:36,870 --> 00:26:33,600

no matter what you call the program that

536

00:26:39,110 --> 00:26:36,880

there's 22 million dollars

537

00:26:41,110 --> 00:26:39,120

and we got what what do we get for the

538

00:26:43,510 --> 00:26:41,120

22 million dollars now i'll give you

539

00:26:45,430 --> 00:26:43,520

that 22 million dollars is a literal

540

00:26:48,710 --> 00:26:45,440

drop in the bucket

541

00:26:49,510 --> 00:26:48,720

to uh government government program

542

00:26:50,950 --> 00:26:49,520

but

543

00:26:53,510 --> 00:26:50,960

what do we get

544

00:26:56,149 --> 00:26:53,520

if he studied ufos

545

00:26:58,710 --> 00:26:56,159

and ran a program where are all the

546

00:27:00,710 --> 00:26:58,720

papers

547

00:27:02,350 --> 00:27:00,720

now i don't know everything

548

00:27:04,390 --> 00:27:02,360

about how the government works and

549

00:27:06,630 --> 00:27:04,400

declassification and all these different

550

00:27:08,630 --> 00:27:06,640

things but i know one thing if there's a

551  
00:27:09,750 --> 00:27:08,640  
government program there's an awful lot

552  
00:27:12,070 --> 00:27:09,760  
of papers

553  
00:27:14,470 --> 00:27:12,080  
they love paperwork

554  
00:27:15,830 --> 00:27:14,480  
and we where is louisando's paperwork we

555  
00:27:18,230 --> 00:27:15,840  
get a few things

556  
00:27:20,230 --> 00:27:18,240  
we get that request form for when he was

557  
00:27:22,710 --> 00:27:20,240  
trying to declassify those three videos

558  
00:27:25,510 --> 00:27:22,720  
so that he could go over to ttsa

559  
00:27:27,510 --> 00:27:25,520  
oh by the way we now know from the who's

560  
00:27:29,590 --> 00:27:27,520  
lou documentary that he moved his wife

561  
00:27:31,750 --> 00:27:29,600  
right next to ttsa a year before he

562  
00:27:34,310 --> 00:27:31,760  
worked for them i don't think that's a

563  
00:27:37,110 --> 00:27:34,320

coincidence i think that these people

564

00:27:40,470 --> 00:27:37,120

planned this profiteering scheme

565

00:27:45,110 --> 00:27:42,630

but that's my opinion and i'm entitled

566

00:27:47,269 --> 00:27:45,120

to it and uh you know

567

00:27:49,990 --> 00:27:47,279

oh another

568

00:27:53,350 --> 00:27:50,000

really point of good news i'm happy to

569

00:27:55,110 --> 00:27:53,360

say that uh manny from aerial 503 fought

570

00:27:56,310 --> 00:27:55,120

the false copyright strikes leveled

571

00:28:00,950 --> 00:27:56,320

against him

572

00:28:04,310 --> 00:28:00,960

uh by uh [h\_\_\h] show host

573

00:28:06,149 --> 00:28:04,320

and uh tsa they copyright claimed his

574

00:28:07,190 --> 00:28:06,159

documentary

575

00:28:08,710 --> 00:28:07,200

uh

576

00:28:11,029 --> 00:28:08,720

so that they could get it taken off of

577

00:28:13,909 --> 00:28:11,039

youtube but is now back just search for

578

00:28:16,310 --> 00:28:13,919

area 503 in the youtube search bar

579

00:28:18,389 --> 00:28:16,320

you'll find the who's lou documentary

580

00:28:20,470 --> 00:28:18,399

and i think you should watch it

581

00:28:23,190 --> 00:28:20,480

and uh i think that you should start

582

00:28:25,029 --> 00:28:23,200

asking questions of louis elizondo who

583

00:28:26,389 --> 00:28:25,039

apparently only goes on shows that

584

00:28:27,590 --> 00:28:26,399

aren't going to ask him the hard

585

00:28:29,990 --> 00:28:27,600

questions

586

00:28:32,230 --> 00:28:30,000

but i'm still hopeful that someday a

587

00:28:34,149 --> 00:28:32,240

show host that doesn't know me well is

588

00:28:35,510 --> 00:28:34,159

going to let me co-host if they get lou

589

00:28:36,710 --> 00:28:35,520

as a guest

590

00:28:38,070 --> 00:28:36,720

right

591

00:28:39,750 --> 00:28:38,080

that would be nice

592

00:28:42,149 --> 00:28:39,760

and we could ask him these questions

593

00:28:44,310 --> 00:28:42,159

directly like why did you move your wife

594

00:28:47,029 --> 00:28:44,320

right next to tsa where you would work

595

00:28:49,669 --> 00:28:47,039

a year later a year before you took a

596

00:28:52,070 --> 00:28:49,679

job there but then we do see a pattern

597

00:28:53,830 --> 00:28:52,080

of him moving his wife to wherever his

598

00:28:57,669 --> 00:28:53,840

next job is

599

00:28:59,909 --> 00:28:57,679

always sometime before he moves to a new

600

00:29:01,909 --> 00:28:59,919

place of employment

601  
00:29:04,710 --> 00:29:01,919  
interesting isn't that

602  
00:29:06,549 --> 00:29:04,720  
because ttsa claimed that they they

603  
00:29:08,149 --> 00:29:06,559  
didn't know each other they didn't even

604  
00:29:11,190 --> 00:29:08,159  
know each other until like a week before

605  
00:29:14,470 --> 00:29:11,200  
he took the job sure sure time to long

606  
00:29:17,029 --> 00:29:14,480  
and why is tom delong copyright striking

607  
00:29:19,510 --> 00:29:17,039  
uh a channel with you know less than 10

608  
00:29:21,350 --> 00:29:19,520  
000 subscribers who made a documentary

609  
00:29:23,350 --> 00:29:21,360  
film

610  
00:29:24,950 --> 00:29:23,360  
they don't want you to see it friends

611  
00:29:27,350 --> 00:29:24,960  
they do not want you to see that

612  
00:29:29,430 --> 00:29:27,360  
documentary they don't want people to

613  
00:29:32,310 --> 00:29:29,440

start asking these questions especially

614

00:29:34,230 --> 00:29:32,320

not before the next louis elizondo cash

615

00:29:36,630 --> 00:29:34,240

in which is his book

616

00:29:39,350 --> 00:29:36,640

which he now claims is going to be game

617

00:29:41,669 --> 00:29:39,360

changing it's going to change everything

618

00:29:44,789 --> 00:29:41,679

they will be able to put the cat back in

619

00:29:46,549 --> 00:29:44,799

the bag after his book

620

00:29:48,549 --> 00:29:46,559

so we're expected to believe that this

621

00:29:50,950 --> 00:29:48,559

whole time he had some kind of smoking

622

00:29:52,470 --> 00:29:50,960

gun proof right but he held off so that

623

00:29:54,149 --> 00:29:52,480

what he could write a book and make more

624

00:29:55,830 --> 00:29:54,159

money he didn't make enough money on the

625

00:29:58,070 --> 00:29:55,840

television show he didn't make enough

626

00:29:59,590 --> 00:29:58,080

money working for ttsa apparently he's

627

00:30:01,909 --> 00:29:59,600

not making enough money speaking at

628

00:30:04,230 --> 00:30:01,919

online ufo conferences for let's just

629

00:30:09,190 --> 00:30:04,240

say less than credible people that he

630

00:30:13,029 --> 00:30:10,230

but

631

00:30:15,430 --> 00:30:13,039

to get a real education into why

632

00:30:17,990 --> 00:30:15,440

something's wrong here we would have to

633

00:30:22,470 --> 00:30:18,000

detail all the fake information that

634

00:30:24,870 --> 00:30:22,480

ttsa and lou elizondo has pushed they

635

00:30:27,190 --> 00:30:24,880

have let's see pushed fake pictures of

636

00:30:29,830 --> 00:30:27,200

balloons as ufos

637

00:30:33,269 --> 00:30:29,840

tom delong has pushed a fake video of a

638

00:30:34,710 --> 00:30:33,279

tr-3b on the biggest podcast on planet

639

00:30:36,549 --> 00:30:34,720

earth

640

00:30:38,470 --> 00:30:36,559

that was embarrassing for him and i

641

00:30:40,310 --> 00:30:38,480

believe after that they pulled him back

642

00:30:42,310 --> 00:30:40,320

and said yo you can't be the

643

00:30:43,750 --> 00:30:42,320

spokesperson for this thing anymore do

644

00:30:45,430 --> 00:30:43,760

public appearances if you're going to

645

00:30:48,070 --> 00:30:45,440

screw up that badly

646

00:30:51,110 --> 00:30:48,080

the biggest podcast on planet earth that

647

00:30:52,789 --> 00:30:51,120

gets some i don't know 10 or 15 million

648

00:30:55,350 --> 00:30:52,799

views for episode

649

00:30:57,110 --> 00:30:55,360

and tom delong with his new

650

00:30:59,350 --> 00:30:57,120

organization that's going to bring about

651

00:31:00,950 --> 00:30:59,360

disclosure him and all his cia

652

00:31:02,549 --> 00:31:00,960

government friends

653

00:31:05,190 --> 00:31:02,559

they're going to bring his disclosure

654

00:31:07,990 --> 00:31:05,200

and the best that tom delonge could do

655

00:31:09,990 --> 00:31:08,000

is show joe rogan a fake video of a

656

00:31:11,590 --> 00:31:10,000

tr-3b

657

00:31:14,149 --> 00:31:11,600

and there's more

658

00:31:16,630 --> 00:31:14,159

they pushed uh the fact that they have

659

00:31:18,870 --> 00:31:16,640

some kind of exotic materials which may

660

00:31:21,590 --> 00:31:18,880

come may have come from alien flying

661

00:31:23,669 --> 00:31:21,600

saucers right but they forget to tell

662

00:31:26,630 --> 00:31:23,679

you that most of the material they have

663

00:31:29,269 --> 00:31:26,640

was the so-called arts parts which even

664

00:31:31,430 --> 00:31:29,279

art bell himself said this is all

665

00:31:33,750 --> 00:31:31,440

regular material there's nothing special

666

00:31:36,549 --> 00:31:33,760

about it it's nonsense

667

00:31:39,590 --> 00:31:36,559

but that doesn't stop ufo grifters not

668

00:31:41,830 --> 00:31:39,600

so fast in swoops linda moulton hale who

669

00:31:44,389 --> 00:31:41,840

says i'll get him scientifically tested

670

00:31:45,509 --> 00:31:44,399

and then she did and the scientist that

671

00:31:47,669 --> 00:31:45,519

she hired

672

00:31:49,669 --> 00:31:47,679

was able to reproduce those materials

673

00:31:52,470 --> 00:31:49,679

and told her these are regular earthly

674

00:31:55,509 --> 00:31:52,480

materials there's nothing exotic here

675

00:31:58,710 --> 00:31:55,519

she didn't like that guy so she squashed

676

00:32:00,789 --> 00:31:58,720

his report never never gave his report

677

00:32:02,950 --> 00:32:00,799

that there was nothing extraordinary

678

00:32:05,750 --> 00:32:02,960

about those metal fragments and that he

679

00:32:08,070 --> 00:32:05,760

could reproduce them she buried that and

680

00:32:10,950 --> 00:32:08,080

then she hired new guys that would say

681

00:32:13,430 --> 00:32:10,960

there was something special about them

682

00:32:15,750 --> 00:32:13,440

fast forward years later

683

00:32:17,669 --> 00:32:15,760

those arts parts been around forever

684

00:32:19,590 --> 00:32:17,679

lindamo and hal made a lot of money

685

00:32:23,190 --> 00:32:19,600

talking about how they were alien parts

686

00:32:25,110 --> 00:32:23,200

they're not nobody's ever proved [h\_\_h]

687

00:32:26,950 --> 00:32:25,120

fast forward years later tom delong

688

00:32:28,630 --> 00:32:26,960

swoops in and buys those parts and

689

00:32:32,389 --> 00:32:28,640

suddenly he's telling everybody that

690

00:32:35,029 --> 00:32:32,399

ttsa is in possession of exotic material

691

00:32:36,470 --> 00:32:35,039

from ufos

692

00:32:39,430 --> 00:32:36,480

and what did they do

693

00:32:41,110 --> 00:32:39,440

they used a stock image of a certain

694

00:32:43,990 --> 00:32:41,120

kind of a rock

695

00:32:46,789 --> 00:32:44,000

in their announcement about that

696

00:32:50,950 --> 00:32:46,799

and and it goes on and on and on and now

697

00:32:52,230 --> 00:32:50,960

we have lou elizondo pushing fake

698

00:32:53,830 --> 00:32:52,240

fake dot well there weren't fake

699

00:32:55,830 --> 00:32:53,840

documents they were real documents but

700

00:32:58,789 --> 00:32:55,840

it was about a training exercise it

701  
00:33:00,470 --> 00:32:58,799  
wasn't what he purported it to be

702  
00:33:02,950 --> 00:33:00,480  
and it certainly wasn't what the sun

703  
00:33:04,870 --> 00:33:02,960  
newspaper purported it to be

704  
00:33:06,870 --> 00:33:04,880  
and on and on we go

705  
00:33:11,909 --> 00:33:06,880  
with these fake

706  
00:33:17,509 --> 00:33:15,110  
it's all about the money friends

707  
00:33:19,909 --> 00:33:17,519  
you know if lou alexander stands up and

708  
00:33:21,590 --> 00:33:19,919  
goes all right we've got some videos uh

709  
00:33:23,509 --> 00:33:21,600  
of ufos but

710  
00:33:27,110 --> 00:33:23,519  
they may be drones

711  
00:33:29,029 --> 00:33:27,120  
it's it's quite likely that their drones

712  
00:33:31,269 --> 00:33:29,039  
or unmanned aerial vehicles whatever you

713  
00:33:33,269 --> 00:33:31,279

want to call them

714

00:33:34,950 --> 00:33:33,279

there's no money in that there's no big

715

00:33:37,110 --> 00:33:34,960

story in that

716

00:33:39,029 --> 00:33:37,120

but the fact that they may be aliens

717

00:33:42,230 --> 00:33:39,039

that's where the money is

718

00:33:44,149 --> 00:33:42,240

and i have seen this time and time again

719

00:33:46,870 --> 00:33:44,159

you know there are some very credible

720

00:33:48,870 --> 00:33:46,880

researchers that do not go straight to

721

00:33:50,149 --> 00:33:48,880

the alien explanation

722

00:33:53,110 --> 00:33:50,159

almost ever

723

00:33:55,590 --> 00:33:53,120

and they look at ufo

724

00:33:58,149 --> 00:33:55,600

so-called ufo proof and they try to get

725

00:34:01,430 --> 00:33:58,159

to the bottom of what it really is

726

00:34:04,470 --> 00:34:01,440

and most of the time there is a

727

00:34:08,069 --> 00:34:04,480

very simple explanation for what it is

728

00:34:08,950 --> 00:34:08,079

go look how much those people are making

729

00:34:10,869 --> 00:34:08,960

then

730

00:34:12,710 --> 00:34:10,879

contrast that with how much money the

731

00:34:14,470 --> 00:34:12,720

people pushing aliens constantly are

732

00:34:15,909 --> 00:34:14,480

making

733

00:34:19,109 --> 00:34:15,919

stephen greer

734

00:34:21,669 --> 00:34:19,119

lou elizondo tom delong and others

735

00:34:23,109 --> 00:34:21,679

have made literally millions of dollars

736

00:34:24,629 --> 00:34:23,119

and there's others too like linda mont

737

00:34:26,230 --> 00:34:24,639

hill i'm sure she's made millions of

738

00:34:28,389 --> 00:34:26,240

dollars over the years

739

00:34:31,030 --> 00:34:28,399

pushing this

740

00:34:33,109 --> 00:34:31,040

richard dolan and others

741

00:34:35,589 --> 00:34:33,119

everybody pushing the aliens is making

742

00:34:37,750 --> 00:34:35,599

the money

743

00:34:39,589 --> 00:34:37,760

and while i would love to believe

744

00:34:42,869 --> 00:34:39,599

i'm gonna need something a little bit

745

00:34:45,589 --> 00:34:42,879

better than maybe proof could be

746

00:34:46,470 --> 00:34:45,599

maybe could be and possibilities is not

747

00:34:52,869 --> 00:34:46,480

proof

748

00:34:55,909 --> 00:34:54,470

i guess i've been here too long and

749

00:34:58,550 --> 00:34:55,919

that's something else that we could talk

750

00:34:59,510 --> 00:34:58,560

about you know there is cycles to this

751

00:35:01,589 --> 00:34:59,520

stuff

752

00:35:03,670 --> 00:35:01,599

right disclosure's gonna come you know

753

00:35:05,589 --> 00:35:03,680

like that one that that report that we

754

00:35:07,510 --> 00:35:05,599

just got that's gonna be disclosure no

755

00:35:09,510 --> 00:35:07,520

it wasn't it was a big fat nothing

756

00:35:11,430 --> 00:35:09,520

burger and i predicted it would be a big

757

00:35:13,589 --> 00:35:11,440

fat nothing burger

758

00:35:15,910 --> 00:35:13,599

but it didn't stop people like jeremy

759

00:35:18,310 --> 00:35:15,920

corbell and lou elizondo and everybody

760

00:35:20,150 --> 00:35:18,320

else from hyping that up for months and

761

00:35:21,670 --> 00:35:20,160

months and months doing all these media

762

00:35:23,589 --> 00:35:21,680

appearances we're going to get

763

00:35:25,270 --> 00:35:23,599

disclosure disclosures coming with this

764

00:35:28,470 --> 00:35:25,280

report they're going to have to tell us

765

00:35:29,670 --> 00:35:28,480

the truth and then nothing burger

766

00:35:31,670 --> 00:35:29,680

but

767

00:35:34,470 --> 00:35:31,680

i thought it would be good to go over

768

00:35:37,829 --> 00:35:34,480

this uh thread from john from the black

769

00:35:40,630 --> 00:35:37,839

bowl and uh you know

770

00:35:42,470 --> 00:35:40,640

kind of hesitant to do this but uh

771

00:35:44,470 --> 00:35:42,480

we're going there

772

00:35:47,750 --> 00:35:44,480

because we're going to get a

773

00:35:50,470 --> 00:35:47,760

uh a ridiculous amount of haters and

774

00:35:52,550 --> 00:35:50,480

people you know harassing me on twitter

775

00:35:55,670 --> 00:35:52,560

but you know i have a new attitude

776

00:35:57,670 --> 00:35:55,680

towards that and that is

777

00:36:00,230 --> 00:35:57,680

if you want to ask me a question or

778

00:36:02,470 --> 00:36:00,240

engage with me respectfully or disagree

779

00:36:03,750 --> 00:36:02,480

with me respectfully we're all for that

780

00:36:06,069 --> 00:36:03,760

here

781

00:36:07,829 --> 00:36:06,079

we believe in free speech and not

782

00:36:09,829 --> 00:36:07,839

censoring people and all that but when

783

00:36:10,950 --> 00:36:09,839

people are going to become abusive and

784

00:36:12,790 --> 00:36:10,960

nasty

785

00:36:15,430 --> 00:36:12,800

i just don't have time for it anymore i

786

00:36:16,310 --> 00:36:15,440

apologize to those uh who

787

00:36:18,950 --> 00:36:16,320

may

788

00:36:21,750 --> 00:36:18,960

not get to me or get an answer from me

789

00:36:24,310 --> 00:36:21,760

if you you know tweet at me or message

790

00:36:27,030 --> 00:36:24,320

me because i'm getting busier and busier

791

00:36:29,270 --> 00:36:27,040

now the bigger that this show is growing

792

00:36:32,150 --> 00:36:29,280

um but

793

00:36:33,910 --> 00:36:32,160

i also uh sometimes just check out after

794

00:36:35,990 --> 00:36:33,920

a show like this because i just know

795

00:36:38,470 --> 00:36:36,000

that it's going to be a whole bunch of

796

00:36:40,470 --> 00:36:38,480

venomous nasty people

797

00:36:42,790 --> 00:36:40,480

and i and i hate that sometimes the good

798

00:36:44,630 --> 00:36:42,800

people get lost in there but you know

799

00:36:45,990 --> 00:36:44,640

the good people know where to contact me

800

00:36:49,430 --> 00:36:46,000

and they're always welcome here in the

801  
00:36:51,910 --> 00:36:49,440  
live chats and uh you know i try not to

802  
00:36:53,670 --> 00:36:51,920  
miss you people because i i do the show

803  
00:36:55,670 --> 00:36:53,680  
for the for the good people not for

804  
00:36:57,829 --> 00:36:55,680  
these nasty negative

805  
00:36:59,589 --> 00:36:57,839  
negativist [h\_\_h]

806  
00:37:01,829 --> 00:36:59,599  
you know who just want to harass me

807  
00:37:04,310 --> 00:37:01,839  
because i said something they disagreed

808  
00:37:06,470 --> 00:37:04,320  
with like dude uh

809  
00:37:08,550 --> 00:37:06,480  
there is so much more important things

810  
00:37:09,589 --> 00:37:08,560  
to worry about in this world than this

811  
00:37:12,950 --> 00:37:09,599  
stuff

812  
00:37:16,230 --> 00:37:12,960  
and for people to get this angry upset

813  
00:37:17,589 --> 00:37:16,240

and nasty about it but you know

814

00:37:20,230 --> 00:37:17,599

recently i've been thinking about this

815

00:37:22,950 --> 00:37:20,240

this is truly like a religion for some

816

00:37:25,109 --> 00:37:22,960

people and and it would and and me

817

00:37:26,790 --> 00:37:25,119

coming out and say

818

00:37:28,710 --> 00:37:26,800

all this [h\_\_h] is fake and all these

819

00:37:30,630 --> 00:37:28,720

people pushing it are fake

820

00:37:32,710 --> 00:37:30,640

it's it's really akin to somebody

821

00:37:34,230 --> 00:37:32,720

telling you know i happen to be a

822

00:37:35,270 --> 00:37:34,240

christian and if somebody were to tell

823

00:37:37,990 --> 00:37:35,280

me

824

00:37:40,550 --> 00:37:38,000

uh you know all those saints and jesus

825

00:37:42,069 --> 00:37:40,560

and and those angels and all that's all

826

00:37:44,790 --> 00:37:42,079

fake [h\_\_\h] and you're stupid for

827

00:37:45,910 --> 00:37:44,800

believing it i would be equally upset

828

00:37:48,710 --> 00:37:45,920

probably

829

00:37:51,349 --> 00:37:48,720

i wouldn't you know go on a

830

00:37:53,829 --> 00:37:51,359

12-hour twitter tirade harassing people

831

00:37:56,630 --> 00:37:53,839

who said that but you know i i can

832

00:37:58,390 --> 00:37:56,640

understand how some people may be upset

833

00:38:00,550 --> 00:37:58,400

about some of the things that we discuss

834

00:38:03,270 --> 00:38:00,560

here because some of these people so

835

00:38:05,589 --> 00:38:03,280

desperately believe all this stuff

836

00:38:07,829 --> 00:38:05,599

that attacking it is akin to attacking

837

00:38:09,990 --> 00:38:07,839

their religion

838

00:38:11,910 --> 00:38:10,000

they don't want they want to live in a

839

00:38:14,310 --> 00:38:11,920

delusion right

840

00:38:17,030 --> 00:38:14,320

and these people who i have mentioned

841

00:38:19,510 --> 00:38:17,040

here tonight are feeding their delusions

842

00:38:21,510 --> 00:38:19,520

so they love them and that's why we get

843

00:38:23,030 --> 00:38:21,520

these people up on a pedestal you're not

844

00:38:24,630 --> 00:38:23,040

allowed to ask questions you're not

845

00:38:26,310 --> 00:38:24,640

allowed to call these people when they

846

00:38:28,470 --> 00:38:26,320

get caught

847

00:38:30,390 --> 00:38:28,480

dead to write selling completely and

848

00:38:32,950 --> 00:38:30,400

totally fake [h\_\_\h] like i don't know

849

00:38:34,710 --> 00:38:32,960

video game cover artwork that they claim

850

00:38:37,910 --> 00:38:34,720

is a real picture of an alien or

851

00:38:41,349 --> 00:38:37,920

whatever or lou elizondo pushing the

852

00:38:44,069 --> 00:38:41,359

goddamn sun newspaper the biggest rag in

853

00:38:46,069 --> 00:38:44,079

england full of fake [h\_\_h]

854

00:38:49,510 --> 00:38:46,079

they don't want to hear that their hero

855

00:38:51,990 --> 00:38:49,520

did that but he did and more

856

00:38:55,190 --> 00:38:52,000

and i think that uh you know i saw this

857

00:38:57,589 --> 00:38:55,200

thread recently and

858

00:38:59,990 --> 00:38:57,599

i would say that that these people

859

00:39:02,230 --> 00:39:00,000

especially lou elizondo

860

00:39:04,230 --> 00:39:02,240

they have a lot of questions to answer

861

00:39:05,750 --> 00:39:04,240

but they keep kicking the can right they

862

00:39:07,829 --> 00:39:05,760

just keep kicking the can like let's

863

00:39:11,270 --> 00:39:07,839

just keep going on friendly shows that

864

00:39:13,349 --> 00:39:11,280

will do the ufo circle jerk and not ask

865

00:39:15,270 --> 00:39:13,359

us hard questions you know

866

00:39:17,190 --> 00:39:15,280

the shows that we know they're friendly

867

00:39:19,430 --> 00:39:17,200

and they're fans of mine let's just do

868

00:39:20,630 --> 00:39:19,440

those shows

869

00:39:22,310 --> 00:39:20,640

and you know it used to bother me

870

00:39:24,310 --> 00:39:22,320

because lou alexander said i'll go on

871

00:39:26,069 --> 00:39:24,320

anybody's show he won't come here

872

00:39:28,069 --> 00:39:26,079

he won't go on goof on or a few other

873

00:39:30,550 --> 00:39:28,079

shows or he won't go on third phase of

874

00:39:33,109 --> 00:39:30,560

moon of all things listen

875

00:39:35,670 --> 00:39:33,119

uh despite whatever i feel about third

876

00:39:38,950 --> 00:39:35,680

phase moon they do literally have the

877

00:39:40,470 --> 00:39:38,960

biggest channel about ufos on

878

00:39:43,829 --> 00:39:40,480

on youtube

879

00:39:44,710 --> 00:39:43,839

so him refusing to go on my show is one

880

00:39:46,230 --> 00:39:44,720

thing

881

00:39:48,630 --> 00:39:46,240

even though i've seen him go on shows

882

00:39:50,870 --> 00:39:48,640

that have you know

883

00:39:52,710 --> 00:39:50,880

half of my subscribers it's not about

884

00:39:54,710 --> 00:39:52,720

subscribers to him it's about who's

885

00:39:56,950 --> 00:39:54,720

going to be friendly to him who's not

886

00:39:58,870 --> 00:39:56,960

going to challenge him

887

00:40:00,790 --> 00:39:58,880

and i'm sorry but that makes him a

888

00:40:02,870 --> 00:40:00,800

coward and the fact that he won't go on

889

00:40:04,710 --> 00:40:02,880

third phase of moon makes him a coward

890

00:40:06,630 --> 00:40:04,720

because that's the biggest ufo channel

891

00:40:08,470 --> 00:40:06,640

if you've really got a message or

892

00:40:10,710 --> 00:40:08,480

important information that you think

893

00:40:11,910 --> 00:40:10,720

people need to hear why would you not go

894

00:40:13,430 --> 00:40:11,920

on a show

895

00:40:15,030 --> 00:40:13,440

that big

896

00:40:16,790 --> 00:40:15,040

unless you were scared of what they

897

00:40:19,990 --> 00:40:16,800

might ask you

898

00:40:22,390 --> 00:40:20,000

now i get it there's these factions

899

00:40:25,030 --> 00:40:22,400

you know the third phase moon aligned

900

00:40:27,270 --> 00:40:25,040

themselves with stephen greer and and uh

901  
00:40:29,990 --> 00:40:27,280  
you know goof on as well and steven

902  
00:40:31,190 --> 00:40:30,000  
grier's got a problem with lou elizondo

903  
00:40:33,030 --> 00:40:31,200  
but

904  
00:40:34,470 --> 00:40:33,040  
i don't understand why lou elizondo

905  
00:40:36,309 --> 00:40:34,480  
won't just go on a show and have a

906  
00:40:38,870 --> 00:40:36,319  
conversation with stephen greer i'd like

907  
00:40:41,349 --> 00:40:38,880  
to see that wouldn't you those two are

908  
00:40:43,829 --> 00:40:41,359  
beef and big time i think stephen greer

909  
00:40:45,589 --> 00:40:43,839  
says that uh louis elizondo is a cia

910  
00:40:47,910 --> 00:40:45,599  
disinformation agent

911  
00:40:49,430 --> 00:40:47,920  
and uh louis elizando says a lot of

912  
00:40:53,030 --> 00:40:49,440  
stuff about stephen greer like he's

913  
00:40:55,109 --> 00:40:53,040

running a cult and things like that

914

00:40:57,829 --> 00:40:55,119

which may be true by the way you know

915

00:41:00,790 --> 00:40:57,839

look i i'm neutral in this i i think

916

00:41:02,630 --> 00:41:00,800

that they're both [h\_\_h]

917

00:41:04,550 --> 00:41:02,640

i think they're both full of [h\_\_h] both

918

00:41:06,309 --> 00:41:04,560

stephen greer and louisando they're both

919

00:41:08,309 --> 00:41:06,319

full of [h\_\_h] they just have different

920

00:41:09,190 --> 00:41:08,319

[h\_\_h] right

921

00:41:11,349 --> 00:41:09,200

um

922

00:41:12,790 --> 00:41:11,359

but the fact that they're beefing right

923

00:41:14,630 --> 00:41:12,800

because listen there's only so much

924

00:41:16,230 --> 00:41:14,640

money in this ufo thing and each of them

925

00:41:17,750 --> 00:41:16,240

wants to make the most of it that they

926  
00:41:19,750 --> 00:41:17,760  
can right

927  
00:41:20,790 --> 00:41:19,760  
so you gotta you gotta tear down the

928  
00:41:22,710 --> 00:41:20,800  
other guy

929  
00:41:24,390 --> 00:41:22,720  
because his stuff's [\h\_\_\h] but mine's

930  
00:41:25,990 --> 00:41:24,400  
real that's another thing louis

931  
00:41:27,990 --> 00:41:26,000  
alexander's gonna tell us that stephen

932  
00:41:30,309 --> 00:41:28,000  
grier's full of [\h\_\_\h] but i'm not

933  
00:41:33,030 --> 00:41:30,319  
i'm not full of [\h\_\_\h] steven grier is

934  
00:41:35,030 --> 00:41:33,040  
it's it's laughable

935  
00:41:38,150 --> 00:41:35,040  
because they both say absolutely

936  
00:41:40,230 --> 00:41:38,160  
fantastical things with no evidence no

937  
00:41:43,109 --> 00:41:40,240  
proof no backup

938  
00:41:45,829 --> 00:41:43,119

no no sort of you know uh even

939

00:41:47,670 --> 00:41:45,839

indication of evidence stephen greer

940

00:41:50,230 --> 00:41:47,680

showed people pictures of freaking moths

941

00:41:51,750 --> 00:41:50,240

tell them they're aliens and lou elzado

942

00:41:53,750 --> 00:41:51,760

is running around telling everybody that

943

00:41:54,870 --> 00:41:53,760

the government has biological ufo

944

00:41:55,750 --> 00:41:54,880

samples

945

00:41:58,309 --> 00:41:55,760

right

946

00:42:00,550 --> 00:41:58,319

might be or excuse me the government has

947

00:42:04,470 --> 00:42:00,560

what may be alien

948

00:42:05,990 --> 00:42:04,480

you know samples of of tissue or

949

00:42:07,190 --> 00:42:06,000

whatever

950

00:42:09,589 --> 00:42:07,200

uh okay

951  
00:42:11,349 --> 00:42:09,599  
do you got any proof of that well my nda

952  
00:42:13,030 --> 00:42:11,359  
uh you know i'm getting a little we're

953  
00:42:15,430 --> 00:42:13,040  
getting a little dangerous here uh you

954  
00:42:17,190 --> 00:42:15,440  
know i i've got an nda and i can't

955  
00:42:19,430 --> 00:42:17,200  
really well why bring it up in the first

956  
00:42:21,270 --> 00:42:19,440  
place lou elizado

957  
00:42:23,910 --> 00:42:21,280  
unless you've got proof of that

958  
00:42:24,870 --> 00:42:23,920  
fantastical claim you made

959  
00:42:27,910 --> 00:42:24,880  
right

960  
00:42:29,829 --> 00:42:27,920  
trust me dude that's how this works uh

961  
00:42:32,309 --> 00:42:29,839  
the government i believe the government

962  
00:42:34,870 --> 00:42:32,319  
may be in possession of some alien

963  
00:42:37,349 --> 00:42:34,880

biological samples wow that's that's

964

00:42:39,750 --> 00:42:37,359

amazing little elizondo um how do you

965

00:42:42,390 --> 00:42:39,760

know that well i'm getting close to my

966

00:42:44,550 --> 00:42:42,400

nda so i can't i can't really disclose

967

00:42:47,829 --> 00:42:44,560

how i know that or why i think that is

968

00:42:51,349 --> 00:42:47,839

true and accurate but just trust me dude

969

00:42:53,510 --> 00:42:51,359

just trust me that government has

970

00:42:55,750 --> 00:42:53,520

dude just trust me that's how this

971

00:42:58,390 --> 00:42:55,760

garbage works just like stephen greer

972

00:42:59,829 --> 00:42:58,400

dude just trust me uh you could buy an

973

00:43:02,630 --> 00:42:59,839

app for ten dollars and you could talk

974

00:43:04,309 --> 00:43:02,640

to the aliens too by the way i'm buying

975

00:43:06,550 --> 00:43:04,319

the app we're gonna do it and we're

976

00:43:08,870 --> 00:43:06,560

gonna report the results

977

00:43:11,990 --> 00:43:08,880

but back to the misinformation that that

978

00:43:13,589 --> 00:43:12,000

ttsa and lou elizondo has spread

979

00:43:15,109 --> 00:43:13,599

john from the blackfault and i hope he's

980

00:43:17,030 --> 00:43:15,119

not gonna be upset that i'm sharing this

981

00:43:19,829 --> 00:43:17,040

but it is public twitter post so i think

982

00:43:21,990 --> 00:43:19,839

we're okay but you know here i've said

983

00:43:24,550 --> 00:43:22,000

this before i'm gonna say it again

984

00:43:27,270 --> 00:43:24,560

john from the black vault is a gentleman

985

00:43:29,829 --> 00:43:27,280

he really is he is who i should aspire

986

00:43:31,829 --> 00:43:29,839

to be more like right he's like a real

987

00:43:33,510 --> 00:43:31,839

journalist or something because he

988

00:43:35,990 --> 00:43:33,520

doesn't say

989

00:43:38,870 --> 00:43:36,000

he's just not crude okay i'm like the

990

00:43:40,550 --> 00:43:38,880

bad crude version of him sometimes

991

00:43:41,750 --> 00:43:40,560

because i do good research but then i

992

00:43:44,150 --> 00:43:41,760

get upset

993

00:43:46,950 --> 00:43:44,160

and i say stuff like that guy's full

994

00:43:49,589 --> 00:43:46,960

[h\_\_\h] and here's why this guy is a

995

00:43:51,829 --> 00:43:49,599

bullshitter now

996

00:43:54,870 --> 00:43:51,839

john from the black folk is very much

997

00:43:56,870 --> 00:43:54,880

more professional and diplomatic and and

998

00:43:59,349 --> 00:43:56,880

what i would aspire to be more like

999

00:44:01,510 --> 00:43:59,359

right i could learn a lot from him and

1000

00:44:04,150 --> 00:44:01,520

how he handles these things but he's not

1001  
00:44:06,870 --> 00:44:04,160  
afraid to go after the truth and ask

1002  
00:44:10,550 --> 00:44:06,880  
hard questions right or to

1003  
00:44:12,630 --> 00:44:10,560  
show you why maybe just maybe somebody

1004  
00:44:15,030 --> 00:44:12,640  
should not be trusted

1005  
00:44:17,109 --> 00:44:15,040  
to tell us the truth about these ufos

1006  
00:44:19,670 --> 00:44:17,119  
and aliens because

1007  
00:44:22,710 --> 00:44:19,680  
they have displayed their ability and

1008  
00:44:25,670 --> 00:44:22,720  
willingness to push literal fake

1009  
00:44:28,470 --> 00:44:25,680  
information as something more than it is

1010  
00:44:31,109 --> 00:44:28,480  
and that's the game that i believe tom

1011  
00:44:32,550 --> 00:44:31,119  
de long and lou elizondo have been

1012  
00:44:34,630 --> 00:44:32,560  
playing here

1013  
00:44:37,030 --> 00:44:34,640

they take a little little bit of

1014

00:44:39,349 --> 00:44:37,040

something that may be true or could be

1015

00:44:41,349 --> 00:44:39,359

true and they hype it up

1016

00:44:44,710 --> 00:44:41,359

and i just heard him on a show today

1017

00:44:47,270 --> 00:44:44,720

said he said i would rather under under

1018

00:44:50,069 --> 00:44:47,280

hype and over deliver than over hype oh

1019

00:44:52,710 --> 00:44:50,079

he does oh he has his hype he hasn't

1020

00:44:54,710 --> 00:44:52,720

shown us proof of anything nothing

1021

00:44:57,270 --> 00:44:54,720

he's gotten a couple of videos

1022

00:45:00,550 --> 00:44:57,280

declassified out of the pentagon right

1023

00:45:03,190 --> 00:45:00,560

that's it and what do those videos prove

1024

00:45:05,589 --> 00:45:03,200

apparently those videos prove nothing

1025

00:45:09,190 --> 00:45:05,599

because it's not a smoking gun it could

1026

00:45:11,589 --> 00:45:09,200

be drones it could be anything

1027

00:45:14,470 --> 00:45:11,599

but this is where we find ourselves

1028

00:45:16,230 --> 00:45:14,480

let's get to the let's get to this

1029

00:45:17,670 --> 00:45:16,240

so this is from john from the black

1030

00:45:19,829 --> 00:45:17,680

vault

1031

00:45:21,829 --> 00:45:19,839

he says i think my retweet about calling

1032

00:45:23,990 --> 00:45:21,839

others out for inaccurate information

1033

00:45:25,670 --> 00:45:24,000

was misconstrued by some so let me

1034

00:45:27,829 --> 00:45:25,680

explain further the frustration that

1035

00:45:29,910 --> 00:45:27,839

sparks post like that this may be long

1036

00:45:31,030 --> 00:45:29,920

but controversial but it needs to be

1037

00:45:34,069 --> 00:45:31,040

said

1038

00:45:38,870 --> 00:45:36,150

yeah and uh listen

1039

00:45:41,670 --> 00:45:38,880

lou also was called out by stephen green

1040

00:45:44,309 --> 00:45:41,680

street because he completely and totally

1041

00:45:46,230 --> 00:45:44,319

mischaracterized documents on cnn saying

1042

00:45:50,069 --> 00:45:46,240

that they were recently declassified

1043

00:45:53,829 --> 00:45:52,790

that's just one of the lu elizondo [h\_\_h]

1044

00:45:55,109 --> 00:45:53,839

ups

1045

00:45:57,190 --> 00:45:55,119

pardon the french

1046

00:45:59,990 --> 00:45:57,200

all right so uh

1047

00:46:02,950 --> 00:46:00,000

john says i truly mean no disrespect to

1048

00:46:05,430 --> 00:46:02,960

any party see that he's so diplomatic

1049

00:46:07,030 --> 00:46:05,440

and professional and nice

1050

00:46:09,430 --> 00:46:07,040

goes on to say but i think middle of

1051  
00:46:11,109 --> 00:46:09,440  
mayhem that's steven green street i am

1052  
00:46:13,589 --> 00:46:11,119  
not speaking for him and his recent

1053  
00:46:15,990 --> 00:46:13,599  
posts point out a trend a trend that

1054  
00:46:17,829 --> 00:46:16,000  
goes back to day one of visuals used to

1055  
00:46:20,150 --> 00:46:17,839  
fit a narrative in the current ufo

1056  
00:46:22,390 --> 00:46:20,160  
conversation but they aren't accurately

1057  
00:46:23,349 --> 00:46:22,400  
portrayed

1058  
00:46:24,710 --> 00:46:23,359  
through

1059  
00:46:27,190 --> 00:46:24,720  
the three

1060  
00:46:28,470 --> 00:46:27,200  
and i truly mean day one of this current

1061  
00:46:30,230 --> 00:46:28,480  
conversation

1062  
00:46:32,950 --> 00:46:30,240  
in the original press conference in

1063  
00:46:35,589 --> 00:46:32,960

october 2017 that introduced louis

1064

00:46:38,230 --> 00:46:35,599

elizondo to the world a party balloon

1065

00:46:39,670 --> 00:46:38,240

was shown to depict a tic tac as chris

1066

00:46:42,870 --> 00:46:39,680

mellon talked

1067

00:46:44,550 --> 00:46:42,880

this of course was entirely inaccurate

1068

00:46:46,309 --> 00:46:44,560

yes so to the stars academy when they

1069

00:46:47,670 --> 00:46:46,319

had their fake press conference by the

1070

00:46:49,430 --> 00:46:47,680

way it wasn't a press conference there

1071

00:46:50,550 --> 00:46:49,440

was nobody there they were in an empty

1072

00:46:51,670 --> 00:46:50,560

room

1073

00:46:53,829 --> 00:46:51,680

uh

1074

00:46:56,390 --> 00:46:53,839

to the stars academy live presentation

1075

00:46:59,030 --> 00:46:56,400

on nimitz ufo by chris mellon what they

1076  
00:47:01,510 --> 00:46:59,040  
showed was a picture of a party balloon

1077  
00:47:04,790 --> 00:47:01,520  
nimitz ufo photo is of a party balloon

1078  
00:47:07,030 --> 00:47:04,800  
taken in manchester uk in 2005 by steve

1079  
00:47:09,349 --> 00:47:07,040  
mara

1080  
00:47:11,829 --> 00:47:09,359  
next we get louis elizondo on october

1081  
00:47:14,950 --> 00:47:11,839  
2018 lecture in italy telling the world

1082  
00:47:18,069 --> 00:47:14,960  
stage about ufos he talked about a

1083  
00:47:19,510 --> 00:47:18,079  
series of events where in 1952 ufos were

1084  
00:47:22,710 --> 00:47:19,520  
seen buzzing the capital of the white

1085  
00:47:25,190 --> 00:47:22,720  
house he showed quote real photographs

1086  
00:47:28,150 --> 00:47:25,200  
unquote that consisted of a cgi

1087  
00:47:31,510 --> 00:47:28,160  
construct and a cartoon

1088  
00:47:33,430 --> 00:47:31,520

so lou elizado shows a cgi construct and

1089

00:47:37,190 --> 00:47:33,440

a cartoon and says these are real

1090

00:47:39,990 --> 00:47:37,200

photographs of the time ufos

1091

00:47:42,470 --> 00:47:40,000

buzzed washington dc and now that event

1092

00:47:44,549 --> 00:47:42,480

might be real but why would you use

1093

00:47:47,270 --> 00:47:44,559

completely and totally fake

1094

00:47:49,750 --> 00:47:47,280

manufactured images and suggest that

1095

00:47:52,470 --> 00:47:49,760

they were real photographs and what kind

1096

00:47:54,630 --> 00:47:52,480

of a counter intelligence officer is so

1097

00:47:57,829 --> 00:47:54,640

bad at research like this

1098

00:48:01,270 --> 00:47:57,839

he mischaracterized documents on cnn

1099

00:48:04,710 --> 00:48:01,280

he's using fake photographs he's quoting

1100

00:48:07,589 --> 00:48:04,720

the globe i'm sorry the sun newspaper in

1101  
00:48:10,069 --> 00:48:07,599  
england as a credible media source

1102  
00:48:11,190 --> 00:48:10,079  
doesn't he know that's a rag that's like

1103  
00:48:13,270 --> 00:48:11,200  
you know

1104  
00:48:14,870 --> 00:48:13,280  
biden met with aliens that's the kind of

1105  
00:48:16,790 --> 00:48:14,880  
stories that they have

1106  
00:48:19,190 --> 00:48:16,800  
trump met with a secret council of

1107  
00:48:22,630 --> 00:48:19,200  
galactic aliens they posted that story

1108  
00:48:25,670 --> 00:48:22,640  
too maybe lonzano can use that story as

1109  
00:48:28,950 --> 00:48:25,680  
proof of his alien claims

1110  
00:48:31,670 --> 00:48:28,960  
moving on august 2018 a video was

1111  
00:48:33,270 --> 00:48:31,680  
released by ttsa academy saying mr

1112  
00:48:36,390 --> 00:48:33,280  
elizondo and the team were collecting

1113  
00:48:38,230 --> 00:48:36,400

ufo material samples the conversation

1114

00:48:40,549 --> 00:48:38,240

then shifted towards meta materials and

1115

00:48:42,150 --> 00:48:40,559

how these samples could blow the entire

1116

00:48:45,349 --> 00:48:42,160

topic wide open

1117

00:48:46,790 --> 00:48:45,359

uh and this one i caught i honestly and

1118

00:48:48,950 --> 00:48:46,800

i believe i may have been the first

1119

00:48:50,710 --> 00:48:48,960

person to catch it a press release was

1120

00:48:52,630 --> 00:48:50,720

sent out

1121

00:48:55,430 --> 00:48:52,640

that press release outlined numerous

1122

00:48:57,270 --> 00:48:55,440

pieces were acquired by tsa

1123

00:48:59,430 --> 00:48:57,280

which come from

1124

00:49:02,950 --> 00:48:59,440

quote an advanced aerospace vehicle of

1125

00:49:05,190 --> 00:49:02,960

unknown origin unquote

1126  
00:49:08,230 --> 00:49:05,200  
in the announcement they use a rock

1127  
00:49:10,390 --> 00:49:08,240  
sample known as malachite

1128  
00:49:12,309 --> 00:49:10,400  
from a stock photo house

1129  
00:49:13,109 --> 00:49:12,319  
and i was one of the people that caught

1130  
00:49:15,190 --> 00:49:13,119  
that

1131  
00:49:17,030 --> 00:49:15,200  
as soon as they made the press release i

1132  
00:49:18,230 --> 00:49:17,040  
just did a google reverse image search

1133  
00:49:19,910 --> 00:49:18,240  
because i said

1134  
00:49:21,589 --> 00:49:19,920  
that's a picture of like

1135  
00:49:23,349 --> 00:49:21,599  
a mineral sample or something that

1136  
00:49:26,309 --> 00:49:23,359  
doesn't even look like metal to me and

1137  
00:49:29,270 --> 00:49:26,319  
it turns out yeah they used a picture

1138  
00:49:31,430 --> 00:49:29,280

of malachite a special kind of rock from

1139

00:49:33,589 --> 00:49:31,440

a stock photo house why would they

1140

00:49:34,790 --> 00:49:33,599

misrepresent a photo

1141

00:49:37,109 --> 00:49:34,800

of a rock

1142

00:49:41,670 --> 00:49:39,270

materials from quote an advanced

1143

00:49:43,430 --> 00:49:41,680

aerospace vehicle of unknown origin

1144

00:49:44,790 --> 00:49:43,440

unquote

1145

00:49:47,510 --> 00:49:44,800

why would they just not use a picture of

1146

00:49:49,589 --> 00:49:47,520

the actual material

1147

00:49:51,990 --> 00:49:49,599

john goes on to say i think a genuine

1148

00:49:54,069 --> 00:49:52,000

question we all need to ask is why would

1149

00:49:55,910 --> 00:49:54,079

ttsa academy show a black and white

1150

00:49:58,390 --> 00:49:55,920

photograph of a mineral known as

1151  
00:50:00,390 --> 00:49:58,400  
malachite exact photo available from a

1152  
00:50:02,630 --> 00:50:00,400  
stockhouse and he gives the link for

1153  
00:50:04,309 --> 00:50:02,640  
where that photo came from i did back

1154  
00:50:05,670 --> 00:50:04,319  
then too as well

1155  
00:50:07,510 --> 00:50:05,680  
um

1156  
00:50:09,510 --> 00:50:07,520  
many people actually caught the fact

1157  
00:50:10,390 --> 00:50:09,520  
that they were using a stock picture of

1158  
00:50:23,349 --> 00:50:10,400  
a

1159  
00:50:25,990 --> 00:50:23,359  
next in the television series i

1160  
00:50:28,710 --> 00:50:26,000  
identified mr elizondo tom delong and

1161  
00:50:30,549 --> 00:50:28,720  
three unidentified individuals are shown

1162  
00:50:32,790 --> 00:50:30,559  
with the insinuation that they were the

1163  
00:50:35,109 --> 00:50:32,800

ones running the current atip ufo

1164

00:50:37,349 --> 00:50:35,119

investigative efforts one of the three

1165

00:50:39,750 --> 00:50:37,359

individuals have come forward

1166

00:50:41,670 --> 00:50:39,760

according to him he was entirely

1167

00:50:44,950 --> 00:50:41,680

misrepresented and he was forced to file

1168

00:50:47,589 --> 00:50:44,960

a report to his superiors within the dod

1169

00:50:49,190 --> 00:50:47,599

and the story gets much weirder he came

1170

00:50:51,670 --> 00:50:49,200

forward and part of his story is here

1171

00:50:54,549 --> 00:50:51,680

and john found that individual that was

1172

00:50:57,270 --> 00:50:54,559

shown on the tv show and misrepresented

1173

00:50:59,589 --> 00:50:57,280

and there's a whole story about how lou

1174

00:51:01,670 --> 00:50:59,599

elizondo and tom delong completely and

1175

00:51:03,910 --> 00:51:01,680

totally misrepresented that guy in their

1176  
00:51:05,670 --> 00:51:03,920  
television show essentially they lied

1177  
00:51:07,190 --> 00:51:05,680  
about what the meeting was about what he

1178  
00:51:08,390 --> 00:51:07,200  
was there for what they were talking

1179  
00:51:11,270 --> 00:51:08,400  
about

1180  
00:51:14,790 --> 00:51:11,280  
again they misrepresent things in order

1181  
00:51:15,829 --> 00:51:14,800  
to hype it up and sell it

1182  
00:51:17,910 --> 00:51:15,839  
okay

1183  
00:51:19,349 --> 00:51:17,920  
number nine just this past week mr

1184  
00:51:22,790 --> 00:51:19,359  
elizando

1185  
00:51:24,470 --> 00:51:22,800  
prof profiled oh i i saw profit it yeah

1186  
00:51:26,390 --> 00:51:24,480  
because i'm always when i see here

1187  
00:51:27,430 --> 00:51:26,400  
elizondo the first thing i think of is

1188  
00:51:33,030 --> 00:51:27,440

profit

1189

00:51:35,589 --> 00:51:33,040

mr elizondo profiled pardon me you know

1190

00:51:37,990 --> 00:51:35,599

fordian slipped there elizondo profit

1191

00:51:40,630 --> 00:51:38,000

elizondo profit yeah

1192

00:51:42,390 --> 00:51:40,640

that's a way yeah anyway mr elizondo

1193

00:51:45,030 --> 00:51:42,400

profiled an article from the sun a

1194

00:51:47,750 --> 00:51:45,040

commonly lambasted uk tabloid style

1195

00:51:49,750 --> 00:51:47,760

paper which commonly runs over

1196

00:51:51,670 --> 00:51:49,760

embellished stories about aliens mr

1197

00:51:55,510 --> 00:51:51,680

elizondo conveyed one of those false

1198

00:52:01,030 --> 00:51:57,910

a certain radio show which created a

1199

00:52:02,870 --> 00:52:01,040

firestorm yeah because it was fake

1200

00:52:04,870 --> 00:52:02,880

number 10

1201  
00:52:06,950 --> 00:52:04,880  
but the firestorm of excitement was

1202  
00:52:09,910 --> 00:52:06,960  
unneeded not only was the headline

1203  
00:52:12,150 --> 00:52:09,920  
misleading the declassified nsa material

1204  
00:52:13,990 --> 00:52:12,160  
was nothing of the sort the entire real

1205  
00:52:15,910 --> 00:52:14,000  
history behind the document

1206  
00:52:18,790 --> 00:52:15,920  
that has been talked about can be found

1207  
00:52:20,549 --> 00:52:18,800  
here yeah and it was a training exercise

1208  
00:52:23,109 --> 00:52:20,559  
it had nothing to do with what lou

1209  
00:52:23,910 --> 00:52:23,119  
elizado or the sun newspaper or anybody

1210  
00:52:26,069 --> 00:52:23,920  
else

1211  
00:52:28,230 --> 00:52:26,079  
has been hyping that people have been

1212  
00:52:30,309 --> 00:52:28,240  
hying that thing for years it's not

1213  
00:52:31,270 --> 00:52:30,319

what it appears to be

1214

00:52:33,670 --> 00:52:31,280

eleven

1215

00:52:36,230 --> 00:52:33,680

as people like stephen greenstreet

1216

00:52:38,390 --> 00:52:36,240

myself and others are lambasted for

1217

00:52:40,390 --> 00:52:38,400

bringing up stuff like the above

1218

00:52:43,190 --> 00:52:40,400

where is the same criticism for the

1219

00:52:45,109 --> 00:52:43,200

trend on inaccuracies i am in no way

1220

00:52:47,349 --> 00:52:45,119

even close to perfect

1221

00:52:50,630 --> 00:52:47,359

i make mistakes all the time

1222

00:52:53,270 --> 00:52:50,640

where known i correct them

1223

00:52:55,750 --> 00:52:53,280

yes and uh and and john's very good with

1224

00:52:57,670 --> 00:52:55,760

that 12. but why is there such a double

1225

00:52:59,829 --> 00:52:57,680

standard when it comes to the heroes and

1226

00:53:02,230 --> 00:52:59,839

the villains

1227

00:53:05,109 --> 00:53:02,240

what has turned into a role-playing game

1228

00:53:07,510 --> 00:53:05,119

for so many yes this has become a larp a

1229

00:53:09,510 --> 00:53:07,520

live-action role-playing game

1230

00:53:11,829 --> 00:53:09,520

some can do no wrong while others can do

1231

00:53:13,589 --> 00:53:11,839

no right thirteen there comes a time

1232

00:53:16,150 --> 00:53:13,599

when there is enough misrepresentation

1233

00:53:17,589 --> 00:53:16,160

of a material questions should be asked

1234

00:53:20,230 --> 00:53:17,599

it doesn't mean there needs to be

1235

00:53:23,670 --> 00:53:20,240

insults or public lashings or anything

1236

00:53:25,589 --> 00:53:23,680

of the sort 14 but if i continually used

1237

00:53:27,190 --> 00:53:25,599

false imagery or misrepresented

1238

00:53:28,790 --> 00:53:27,200

documents i can assure you there's a

1239

00:53:31,430 --> 00:53:28,800

handful of people that would make mega

1240

00:53:33,349 --> 00:53:31,440

blogs about me create memes tweet

1241

00:53:35,109 --> 00:53:33,359

obsessively about it and then they would

1242

00:53:37,589 --> 00:53:35,119

party right into the triumph with their

1243

00:53:39,270 --> 00:53:37,599

secret clubs 15. i yet again i'm

1244

00:53:41,750 --> 00:53:39,280

reminded about the double standard that

1245

00:53:43,270 --> 00:53:41,760

exists within the ufo conversation i

1246

00:53:45,589 --> 00:53:43,280

won't be afraid to

1247

00:53:47,030 --> 00:53:45,599

call out that isn't a call to arms if

1248

00:53:48,870 --> 00:53:47,040

some of you want to believe i meant the

1249

00:53:50,870 --> 00:53:48,880

inconsistencies

1250

00:53:53,030 --> 00:53:50,880

if they're resolved great we move on if

1251  
00:53:55,030 --> 00:53:53,040  
they aren't then we should all continue

1252  
00:53:56,470 --> 00:53:55,040  
to ask questions and press for answers

1253  
00:53:58,950 --> 00:53:56,480  
from those who claim they are giving you

1254  
00:54:00,790 --> 00:53:58,960  
the honest truth i speak on for only

1255  
00:54:03,270 --> 00:54:00,800  
myself here but i am not wanting to be

1256  
00:54:05,270 --> 00:54:03,280  
in an echo chamber

1257  
00:54:07,349 --> 00:54:05,280  
finally he says i encourage respectful

1258  
00:54:08,790 --> 00:54:07,359  
dialogue and if i make a mistake call me

1259  
00:54:10,390 --> 00:54:08,800  
out all the above

1260  
00:54:12,710 --> 00:54:10,400  
all applies to me too

1261  
00:54:14,309 --> 00:54:12,720  
and i've always said that

1262  
00:54:15,910 --> 00:54:14,319  
we are a team and despite what some

1263  
00:54:18,230 --> 00:54:15,920

people think we don't have to walk on

1264

00:54:19,990 --> 00:54:18,240

eggshells as we pursue the truth it's

1265

00:54:20,710 --> 00:54:20,000

tougher than that

1266

00:54:23,510 --> 00:54:20,720

so

1267

00:54:25,910 --> 00:54:23,520

there we have it a very good well

1268

00:54:29,750 --> 00:54:25,920

thought out history of all of the things

1269

00:54:31,510 --> 00:54:29,760

that tsa and tom delong and

1270

00:54:34,150 --> 00:54:31,520

louisando have

1271

00:54:35,030 --> 00:54:34,160

inaccurately misrepresented in order to

1272

00:54:36,549 --> 00:54:35,040

sell

1273

00:54:38,789 --> 00:54:36,559

their narrative

1274

00:54:43,030 --> 00:54:38,799

and i for one think that

1275

00:54:45,750 --> 00:54:44,150

that

1276

00:54:48,710 --> 00:54:45,760

i think john is right

1277

00:54:51,349 --> 00:54:48,720

if i get something wrong i get hammered

1278

00:54:52,789 --> 00:54:51,359

over it i mean hammered if john gets

1279

00:54:55,270 --> 00:54:52,799

something wrong

1280

00:54:56,870 --> 00:54:55,280

he gets hammered green street and a few

1281

00:54:57,910 --> 00:54:56,880

others get something wrong we all get

1282

00:55:02,390 --> 00:54:57,920

hammered

1283

00:55:04,870 --> 00:55:02,400

apologize and explain it and move

1284

00:55:07,910 --> 00:55:04,880

forward we all get hammered

1285

00:55:09,829 --> 00:55:07,920

but these ufo messiahs they get a pass

1286

00:55:11,990 --> 00:55:09,839

so what if they used a fake picture of a

1287

00:55:13,750 --> 00:55:12,000

party balloon so what if they held a

1288

00:55:15,270 --> 00:55:13,760

press conference and claimed it was a

1289

00:55:17,030 --> 00:55:15,280

press conference but there was not one

1290

00:55:19,349 --> 00:55:17,040

member of the press there they did it

1291

00:55:20,950 --> 00:55:19,359

for an empty auditorium they rented so

1292

00:55:25,510 --> 00:55:20,960

what

1293

00:55:27,910 --> 00:55:25,520

and showed a picture of a fake

1294

00:55:29,670 --> 00:55:27,920

showed a video of a fake ufo that wasn't

1295

00:55:32,710 --> 00:55:29,680

real with cgi

1296

00:55:35,589 --> 00:55:32,720

right so what if luella zondo got the

1297

00:55:37,510 --> 00:55:35,599

fact that he is quoting from recently

1298

00:55:39,750 --> 00:55:37,520

declassified documents that weren't

1299

00:55:41,510 --> 00:55:39,760

recently declassified and had very

1300

00:55:43,829 --> 00:55:41,520

little to do with with what he was

1301

00:55:46,470 --> 00:55:43,839

trying to use them as proof of

1302

00:55:50,230 --> 00:55:48,390

so what if they use a fake picture of a

1303

00:55:52,630 --> 00:55:50,240

rock while they're claiming to have

1304

00:55:55,430 --> 00:55:52,640

exotic materials in their possession

1305

00:55:57,589 --> 00:55:55,440

which may be aliens so what and they

1306

00:56:00,789 --> 00:55:57,599

never none of them ever explained this

1307

00:56:05,910 --> 00:56:03,270

all of these ufo circle jerk show hosts

1308

00:56:08,710 --> 00:56:05,920

i watched one today terrible show

1309

00:56:10,470 --> 00:56:08,720

terrible interview all this [h\_\_\h]

1310

00:56:12,870 --> 00:56:10,480

and what do they ask them

1311

00:56:15,670 --> 00:56:12,880

softball circle jerk questions tell us

1312

00:56:20,069 --> 00:56:15,680

about your upcoming book lou when we

1313

00:56:24,710 --> 00:56:22,309

why isn't anybody asking lou elizondo

1314

00:56:27,109 --> 00:56:24,720

these questions the real questions that

1315

00:56:29,510 --> 00:56:27,119

he should be answering or all the

1316

00:56:31,510 --> 00:56:29,520

questions in that who's lou documentary

1317

00:56:33,190 --> 00:56:31,520

why is nobody asking him those questions

1318

00:56:35,430 --> 00:56:33,200

why isn't he

1319

00:56:37,109 --> 00:56:35,440

stepping forward like a man

1320

00:56:38,470 --> 00:56:37,119

right and saying

1321

00:56:40,390 --> 00:56:38,480

uh listen

1322

00:56:42,069 --> 00:56:40,400

i understand you made a documentary

1323

00:56:44,309 --> 00:56:42,079

there's a lot of questions in it and i'm

1324

00:56:46,390 --> 00:56:44,319

here i'll answer some of those questions

1325

00:56:49,030 --> 00:56:46,400

because it's not what you think or

1326  
00:56:51,349 --> 00:56:49,040  
whatever no he didn't do that you know

1327  
00:56:53,990 --> 00:56:51,359  
what he did he goes on a circle jerk

1328  
00:56:55,750 --> 00:56:54,000  
show host show and threatens to take

1329  
00:56:56,870 --> 00:56:55,760  
people behind the barn and teach them a

1330  
00:56:58,470 --> 00:56:56,880  
lesson

1331  
00:57:00,230 --> 00:56:58,480  
this man threatened

1332  
00:57:02,789 --> 00:57:00,240  
people with physical violence because

1333  
00:57:05,349 --> 00:57:02,799  
they asked questions

1334  
00:57:06,549 --> 00:57:05,359  
seems pretty weak to me lou

1335  
00:57:08,150 --> 00:57:06,559  
if you've got to threaten people with

1336  
00:57:10,950 --> 00:57:08,160  
violence because they ask you questions

1337  
00:57:15,430 --> 00:57:13,910  
and why it doesn't get a pass for that

1338  
00:57:18,069 --> 00:57:15,440

if i threaten people with physical

1339

00:57:21,349 --> 00:57:18,079

violence i would get hammered

1340

00:57:23,589 --> 00:57:21,359

i would get crucified for for making

1341

00:57:25,750 --> 00:57:23,599

violent threats against people but this

1342

00:57:27,349 --> 00:57:25,760

ufo messiah just gets to tell people

1343

00:57:29,349 --> 00:57:27,359

he's going to beat them up because they

1344

00:57:31,589 --> 00:57:29,359

ask questions he doesn't like and this

1345

00:57:34,549 --> 00:57:31,599

is another thing on this show today

1346

00:57:37,589 --> 00:57:34,559

louis elizado says i don't dox people

1347

00:57:40,470 --> 00:57:37,599

well that show that you were on

1348

00:57:41,670 --> 00:57:40,480

told people we're going after you for

1349

00:57:44,150 --> 00:57:41,680

hosting

1350

00:57:45,430 --> 00:57:44,160

a documentary filmmaker we're going

1351  
00:57:46,150 --> 00:57:45,440  
after you

1352  
00:57:47,990 --> 00:57:46,160  
for

1353  
00:57:49,589 --> 00:57:48,000  
going after lou

1354  
00:57:51,109 --> 00:57:49,599  
and what did they do

1355  
00:57:54,390 --> 00:57:51,119  
they doxed me

1356  
00:57:56,069 --> 00:57:54,400  
they doxed the filmmaker they try to get

1357  
00:57:57,270 --> 00:57:56,079  
rich's show

1358  
00:57:58,710 --> 00:57:57,280  
deleted

1359  
00:58:00,789 --> 00:57:58,720  
from youtube

1360  
00:58:03,270 --> 00:58:00,799  
that's a whole nother issue

1361  
00:58:05,030 --> 00:58:03,280  
so while maybe lou elizondo doesn't

1362  
00:58:06,789 --> 00:58:05,040  
directly dox people

1363  
00:58:08,870 --> 00:58:06,799

he's never come out and said that he

1364

00:58:11,430 --> 00:58:08,880

disagreed with that show host that licks

1365

00:58:13,910 --> 00:58:11,440

his [h\_\_h] constantly and and their

1366

00:58:16,309 --> 00:58:13,920

friends doing all that hey lou i got

1367

00:58:18,230 --> 00:58:16,319

doxxed i have a wife and children

1368

00:58:20,309 --> 00:58:18,240

would you make a statement that you

1369

00:58:21,430 --> 00:58:20,319

disavow

1370

00:58:24,069 --> 00:58:21,440

that you

1371

00:58:26,069 --> 00:58:24,079

don't condone people doing that to

1372

00:58:29,270 --> 00:58:26,079

people who disagree with you would you

1373

00:58:31,270 --> 00:58:29,280

be a man and come forward and do that

1374

00:58:33,990 --> 00:58:31,280

or what about the filmmaker do you think

1375

00:58:36,230 --> 00:58:34,000

he should get doxxed harassed

1376  
00:58:38,950 --> 00:58:36,240  
cyberstalked and threatened for making

1377  
00:58:41,430 --> 00:58:38,960  
that documentary

1378  
00:58:44,390 --> 00:58:41,440  
or what about the other show hosts that

1379  
00:58:46,390 --> 00:58:44,400  
hosted that filmmaker getting harassed

1380  
00:58:48,789 --> 00:58:46,400  
threatened intimidated

1381  
00:58:50,789 --> 00:58:48,799  
talk [h\_\_h] on why do you just answer the

1382  
00:58:54,309 --> 00:58:50,799  
questions and stop using your ass

1383  
00:58:55,910 --> 00:58:54,319  
lickers to defend yourself

1384  
00:58:57,910 --> 00:58:55,920  
but this is where we're at and this is

1385  
00:58:58,870 --> 00:58:57,920  
where we find ourselves

1386  
00:59:00,150 --> 00:58:58,880  
so

1387  
00:59:01,670 --> 00:59:00,160  
look

1388  
00:59:02,630 --> 00:59:01,680

there's not much more i could say about

1389

00:59:05,190 --> 00:59:02,640

this

1390

00:59:07,589 --> 00:59:05,200

except that i'm i'm tired of these ufo

1391

00:59:09,829 --> 00:59:07,599

messiahs getting a pass they shouldn't

1392

00:59:12,309 --> 00:59:09,839

get a pass like this why don't they have

1393

00:59:14,230 --> 00:59:12,319

to answer the hard questions especially

1394

00:59:17,109 --> 00:59:14,240

when they themselves are the ones that

1395

00:59:19,109 --> 00:59:17,119

are generating this misinformation this

1396

00:59:23,750 --> 00:59:19,119

fake information

1397

00:59:28,470 --> 00:59:25,829

and i want to thank al warrior for kind

1398

00:59:30,230 --> 00:59:28,480

and generous 3.33

1399

00:59:31,750 --> 00:59:30,240

uh super chat thank you for your

1400

00:59:34,390 --> 00:59:31,760

kindness your generosity and your

1401

00:59:35,910 --> 00:59:34,400

continued support of the show

1402

00:59:37,510 --> 00:59:35,920

it is much much appreciated we're a

1403

00:59:39,270 --> 00:59:37,520

viewer-supported show so let me just

1404

00:59:41,109 --> 00:59:39,280

tell you there's some few things if

1405

00:59:42,789 --> 00:59:41,119

you're tired of the ufo circle jerk and

1406

00:59:44,950 --> 00:59:42,799

you want people asking these ufo

1407

00:59:47,190 --> 00:59:44,960

messiahs and other personalities the

1408

00:59:49,190 --> 00:59:47,200

hard questions then please support

1409

00:59:50,789 --> 00:59:49,200

independent media like this there's a

1410

00:59:52,309 --> 00:59:50,799

few ways to support us you can join our

1411

00:59:53,990 --> 00:59:52,319

patreon for as little as a dollar a

1412

00:59:55,829 --> 00:59:54,000

month we'll be doing a patreon only

1413

00:59:58,710 --> 00:59:55,839

stream this weekend

1414

01:00:01,190 --> 00:59:58,720

and uh we do sort of the backstage pass

1415

01:00:04,150 --> 01:00:01,200

you get all my music that i make before

1416

01:00:05,510 --> 01:00:04,160

it's ever made public you get a monthly

1417

01:00:08,309 --> 01:00:05,520

show journal

1418

01:00:10,150 --> 01:00:08,319

some extra content and more uh the link

1419

01:00:12,390 --> 01:00:10,160

to join my patreon is in the description

1420

01:00:15,030 --> 01:00:12,400

of this video or you can make a paypal

1421

01:00:17,670 --> 01:00:15,040

donation and just be sure if you make a

1422

01:00:19,670 --> 01:00:17,680

paypal donation that you do

1423

01:00:22,230 --> 01:00:19,680

add a note and include your chat room

1424

01:00:25,349 --> 01:00:22,240

user id because we shout out every

1425

01:00:27,190 --> 01:00:25,359

paypal donator we shout out every super

1426

01:00:29,990 --> 01:00:27,200

chat we read all the super chats it's

1427

01:00:41,190 --> 01:00:30,000

another way that you can help us

1428

01:00:41,200 --> 01:00:48,069

all right we have a kind and generous

1429

01:00:52,309 --> 01:00:51,109

50 paypal donation from dennis thank you

1430

01:00:54,950 --> 01:00:52,319

very much and we're going to read all

1431

01:00:56,870 --> 01:00:54,960

these when we come back so the other way

1432

01:00:58,470 --> 01:00:56,880

to help me is with the paypal or excuse

1433

01:01:00,549 --> 01:00:58,480

me with the super chat there's a money

1434

01:01:02,150 --> 01:01:00,559

button down there in the live chat and

1435

01:01:03,670 --> 01:01:02,160

all you do is hit that button and put in

1436

01:01:05,270 --> 01:01:03,680

however much money if you've never done

1437

01:01:07,109 --> 01:01:05,280

it before you might need to add a credit

1438

01:01:08,950 --> 01:01:07,119

or a debit card in order to make it work

1439

01:01:10,789 --> 01:01:08,960

but then it'll just work forever and you

1440

01:01:12,789 --> 01:01:10,799

can throw money at me whenever you want

1441

01:01:15,510 --> 01:01:12,799

after the first time and we appreciate

1442

01:01:17,750 --> 01:01:15,520

that we read each and every single super

1443

01:01:19,030 --> 01:01:17,760

chat so

1444

01:01:21,190 --> 01:01:19,040

what we're going to do is i'm going to

1445

01:01:22,630 --> 01:01:21,200

take a short musical break

1446

01:01:24,549 --> 01:01:22,640

and when we come back we're going to

1447

01:01:26,630 --> 01:01:24,559

read every single super chat so if you

1448

01:01:28,230 --> 01:01:26,640

have some generosity in your heart if

1449

01:01:30,789 --> 01:01:28,240

you like the content we're producing and

1450

01:01:32,950 --> 01:01:30,799

you want to see us continue producing it

1451  
01:01:34,470 --> 01:01:32,960  
hit that money button and throw a couple

1452  
01:01:36,829 --> 01:01:34,480  
of bucks in our hat to keep us doing

1453  
01:01:40,549 --> 01:01:36,839  
this good work that

1454  
01:01:42,549 --> 01:01:40,559  
doesn't involve the circle jerk okay

1455  
01:01:45,030 --> 01:01:42,559  
there's enough there's so many ufo

1456  
01:01:46,549 --> 01:01:45,040  
circle jerk shows we need people asking

1457  
01:01:49,190 --> 01:01:46,559  
the hard questions

1458  
01:01:50,630 --> 01:01:49,200  
and i'd like to be one of them so

1459  
01:01:52,069 --> 01:01:50,640  
if you're feeling generous and you want

1460  
01:01:53,589 --> 01:01:52,079  
to support the show hit that money

1461  
01:01:56,390 --> 01:01:53,599  
button throw a couple bucks in our hat

1462  
01:01:58,710 --> 01:01:56,400  
and keep us moving forward fighting the

1463  
01:01:59,910 --> 01:01:58,720

good fight so

1464

01:02:01,109 --> 01:01:59,920

we're going to take a short musical

1465

01:02:02,789 --> 01:02:01,119

break and when i come back we're going

1466

01:02:05,190 --> 01:02:02,799

to read each and every single super chat

1467

01:02:07,349 --> 01:02:05,200

we're going to read the paypal donations

1468

01:02:09,109 --> 01:02:07,359

and then i will take comments and

1469

01:02:11,109 --> 01:02:09,119

questions from the live chat so if you

1470

01:02:13,510 --> 01:02:11,119

have comments or questions get those

1471

01:02:14,950 --> 01:02:13,520

ready put them in all caps please so

1472

01:02:16,390 --> 01:02:14,960

that i know that's a comment or question

1473

01:02:18,789 --> 01:02:16,400

for me and you want me to share it on my

1474

01:02:21,670 --> 01:02:18,799

screen and talk about it questions or

1475

01:02:24,549 --> 01:02:21,680

comments from me in all caps money for

1476

01:02:26,710 --> 01:02:24,559

me hit that money button uh paypal

1477

01:02:28,630 --> 01:02:26,720

donation you can also by the way now uh

1478

01:02:30,390 --> 01:02:28,640

send money to us through cash app it's

1479

01:02:31,829 --> 01:02:30,400

truth seeker show

1480

01:02:33,029 --> 01:02:31,839

at cash app

1481

01:02:34,789 --> 01:02:33,039

uh

1482

01:02:36,549 --> 01:02:34,799

all right so

1483

01:02:39,349 --> 01:02:36,559

we're gonna take a short musical break i

1484

01:02:42,069 --> 01:02:39,359

have a new musical guest tonight

1485

01:02:44,069 --> 01:02:42,079

the band bong that just hearing the band

1486

01:02:49,029 --> 01:02:44,079

name was enough to sell me your band's

1487

01:02:52,710 --> 01:02:51,270

and they sent me a couple of their songs

1488

01:02:54,230 --> 01:02:52,720

uh

1489

01:02:56,230 --> 01:02:54,240

they are listeners to the show and

1490

01:02:58,230 --> 01:02:56,240

supporters of the show so we want to

1491

01:03:00,470 --> 01:02:58,240

give back and support their artistic

1492

01:03:02,870 --> 01:03:00,480

endeavors this is a great song actually

1493

01:03:05,430 --> 01:03:02,880

it's by this band called bong and it's

1494

01:03:16,910 --> 01:03:05,440

called those who pray we'll be right

1495

01:04:35,910 --> 01:03:36,390

[Music]

1496

01:04:35,920 --> 01:05:18,630

dna

1497

01:05:18,640 --> 01:05:38,630

oh

1498

01:05:38,640 --> 01:05:51,910

is

1499

01:05:51,920 --> 01:06:05,170

please

1500

01:06:05,180 --> 01:06:22,950

[Music]

1501  
01:06:39,589 --> 01:06:24,630  
oh

1502  
01:06:42,130 --> 01:06:39,599  
[Music]

1503  
01:07:02,870 --> 01:06:42,140  
the show

1504  
01:07:02,880 --> 01:07:17,910  
is

1505  
01:07:26,829 --> 01:07:19,890  
those who

1506  
01:08:22,929 --> 01:07:26,839  
[Music]

1507  
01:08:27,349 --> 01:08:23,690  
[Applause]

1508  
01:08:30,309 --> 01:08:27,359  
[Music]

1509  
01:08:32,709 --> 01:08:30,319  
and we are back ladies and gentlemen and

1510  
01:08:35,030 --> 01:08:32,719  
we will be uh having a discussion here

1511  
01:08:37,349 --> 01:08:35,040  
with the live chat we will be reading

1512  
01:08:39,030 --> 01:08:37,359  
each and every super chat

1513  
01:08:42,070 --> 01:08:39,040

chat it at us

1514

01:08:42,950 --> 01:08:42,080

and every single paypal donation cash

1515

01:08:44,789 --> 01:08:42,960

app

1516

01:08:46,870 --> 01:08:44,799

donation

1517

01:08:48,149 --> 01:08:46,880

you guys give me an attitude of

1518

01:08:50,470 --> 01:08:48,159

gratitude

1519

01:08:52,550 --> 01:08:50,480

this is a viewer supported show and we

1520

01:08:55,030 --> 01:08:52,560

are well supported by many kind and

1521

01:08:58,149 --> 01:08:55,040

generous people who help us

1522

01:09:01,110 --> 01:08:58,159

uh continue the show moving forward i'm

1523

01:09:03,829 --> 01:09:01,120

happy to say that i have literally

1524

01:09:05,590 --> 01:09:03,839

anybody that knows me knows that uh

1525

01:09:07,749 --> 01:09:05,600

you know i fix computers but the problem

1526

01:09:09,829 --> 01:09:07,759

with that is that i'm kind of like that

1527

01:09:10,950 --> 01:09:09,839

mechanic who doesn't have time to work

1528

01:09:13,430 --> 01:09:10,960

on his own

1529

01:09:15,510 --> 01:09:13,440

so mine are always like ripped apart and

1530

01:09:16,630 --> 01:09:15,520

falling apart and

1531

01:09:19,510 --> 01:09:16,640

messed up

1532

01:09:21,749 --> 01:09:19,520

and i've got a few of these old xeon

1533

01:09:23,829 --> 01:09:21,759

processor servers that i use for video

1534

01:09:26,390 --> 01:09:23,839

editing machines they're falling apart

1535

01:09:28,550 --> 01:09:26,400

they have memory parity problems and

1536

01:09:30,229 --> 01:09:28,560

things that i probably can't even fix if

1537

01:09:31,749 --> 01:09:30,239

i had the time or wanted to so i've

1538

01:09:33,910 --> 01:09:31,759

replaced one

1539

01:09:35,990 --> 01:09:33,920

and uh we're doing some other upgrades

1540

01:09:38,550 --> 01:09:36,000

here in the studio always nice to have a

1541

01:09:40,470 --> 01:09:38,560

couple of bucks in the till to to just

1542

01:09:42,630 --> 01:09:40,480

let's just get it fixed and i want to

1543

01:09:44,229 --> 01:09:42,640

thank each and every one of you for that

1544

01:09:45,749 --> 01:09:44,239

so uh

1545

01:09:47,910 --> 01:09:45,759

we're gonna start with the super chats

1546

01:09:49,110 --> 01:09:47,920

let me go way back there was one of ways

1547

01:09:50,870 --> 01:09:49,120

back here

1548

01:09:52,789 --> 01:09:50,880

luckily now they let you go that far

1549

01:09:55,750 --> 01:09:52,799

back so we have a warrior with a kind

1550

01:09:57,189 --> 01:09:55,760

and generous three dollar 33 cents I

1551  
01:09:58,310 --> 01:09:57,199  
warrior three

1552  
01:09:59,669 --> 01:09:58,320  
uh

1553  
01:10:01,669 --> 01:09:59,679  
i don't know what happened to al warrior

1554  
01:10:02,870 --> 01:10:01,679  
maybe he's got a new account l warrior

1555  
01:10:07,510 --> 01:10:02,880  
three

1556  
01:10:09,270 --> 01:10:07,520  
dollars and 33 cents uh thank you for

1557  
01:10:11,350 --> 01:10:09,280  
your kindness your generosity and your

1558  
01:10:14,830 --> 01:10:11,360  
support of the show it is much much

1559  
01:10:18,149 --> 01:10:14,840  
appreciated very kind of you lee guy mr

1560  
01:10:20,550 --> 01:10:18,159  
bacon with that's good because we're out

1561  
01:10:22,310 --> 01:10:20,560  
you know my wife gets that box bacon

1562  
01:10:23,990 --> 01:10:22,320  
that comes pre-cooked sometimes it's

1563  
01:10:26,390 --> 01:10:24,000

great for blt sandwiches because it's

1564

01:10:29,510 --> 01:10:26,400

just enough it's more than enough bacon

1565

01:10:31,430 --> 01:10:29,520

for two really nice blt sandwiches

1566

01:10:33,350 --> 01:10:31,440

and uh we're out of that right now so

1567

01:10:35,510 --> 01:10:33,360

thank you lee guy for your kindness your

1568

01:10:38,149 --> 01:10:35,520

generosity and your support and yes the

1569

01:10:40,709 --> 01:10:38,159

last time my uh

1570

01:10:42,470 --> 01:10:40,719

wife made bacon i didn't get up in time

1571

01:10:43,750 --> 01:10:42,480

so my son ate it all

1572

01:10:45,990 --> 01:10:43,760

that's his favorite thing in the world

1573

01:10:47,750 --> 01:10:46,000

lee guy bacon

1574

01:10:49,830 --> 01:10:47,760

andrew masonette with a kind and

1575

01:10:51,430 --> 01:10:49,840

generous ten dollar super chat says

1576

01:10:54,070 --> 01:10:51,440

thank you so much stephen buy your son

1577

01:10:56,310 --> 01:10:54,080

some bacon i will and uh the next i

1578

01:10:59,669 --> 01:10:56,320

gotta learn how to make bacon though

1579

01:11:02,229 --> 01:10:59,679

i drunk a a burnt bacon sandwich last

1580

01:11:04,229 --> 01:11:02,239

week because i somehow burped the bacon

1581

01:11:06,630 --> 01:11:04,239

and it wasn't because i was drunk it was

1582

01:11:08,630 --> 01:11:06,640

because i can't cook bacon i don't know

1583

01:11:11,990 --> 01:11:08,640

how my wife does it hers always comes

1584

01:11:13,830 --> 01:11:12,000

out perfect mine i always burn it

1585

01:11:16,470 --> 01:11:13,840

but thank you andrew for your kindness

1586

01:11:19,750 --> 01:11:16,480

your generosity and your support and uh

1587

01:11:23,030 --> 01:11:19,760

yeah thank you very much there uh

1588

01:11:25,110 --> 01:11:23,040

lee guy and and al warrior and then we

1589

01:11:26,709 --> 01:11:25,120

have amy wc with a kind of generous

1590

01:11:28,950 --> 01:11:26,719

three dollar super chat thank you all

1591

01:11:30,709 --> 01:11:28,960

for kindness your generosity

1592

01:11:33,270 --> 01:11:30,719

and your support of the show is much

1593

01:11:36,390 --> 01:11:33,280

much appreciated um like i said you guys

1594

01:11:39,830 --> 01:11:36,400

give me an attitude of gratitude and

1595

01:11:41,830 --> 01:11:39,840

what can i say now we have a

1596

01:11:43,830 --> 01:11:41,840

there now that i know i'm sorry

1597

01:11:47,110 --> 01:11:43,840

accomplish there i'm making a note in a

1598

01:11:49,430 --> 01:11:47,120

fight he is a long time supporter of the

1599

01:11:51,990 --> 01:11:49,440

show who uses paypal and by the way if

1600

01:11:53,750 --> 01:11:52,000

you have a larger uh donation to send

1601

01:11:56,550 --> 01:11:53,760

like a

1602

01:11:59,350 --> 01:11:56,560

there uh gets the generosity gift or

1603

01:12:02,950 --> 01:11:59,360

generosity award tonight he sent a kind

1604

01:12:05,189 --> 01:12:02,960

and generous 50 or i'm sorry is it 48 27

1605

01:12:08,229 --> 01:12:05,199

or maybe it was 50 before they

1606

01:12:10,229 --> 01:12:08,239

oh it was 51 i apologize complies here

1607

01:12:11,750 --> 01:12:10,239

with a kind and generous 51 dollar

1608

01:12:13,910 --> 01:12:11,760

paypal donation

1609

01:12:15,669 --> 01:12:13,920

and he added a note which we read every

1610

01:12:17,750 --> 01:12:15,679

note that people send with their paypal

1611

01:12:20,229 --> 01:12:17,760

donation his note says

1612

01:12:23,510 --> 01:12:20,239

and this is very uh topical for tonight

1613

01:12:25,270 --> 01:12:23,520

so i'm happy to read this his note says

1614

01:12:28,630 --> 01:12:25,280

it's all just some bigelow claims

1615

01:12:31,590 --> 01:12:28,640

bigelow aims bigelow paid bigelow framed

1616

01:12:35,669 --> 01:12:31,600

bigelow scale bigelow said bigelow would

1617

01:12:36,630 --> 01:12:35,679

like to be real but aerospace failed big

1618

01:12:37,750 --> 01:12:36,640

a low

1619

01:12:40,149 --> 01:12:37,760

no

1620

01:12:42,470 --> 01:12:40,159

true real solid evidence ever raised

1621

01:12:44,870 --> 01:12:42,480

bunch of wannabe woo-woo tales of paid

1622

01:12:47,510 --> 01:12:44,880

bigelow crew members screwed up book

1623

01:12:48,790 --> 01:12:47,520

deal preferring fakers tales of lying

1624

01:12:50,950 --> 01:12:48,800

saucers

1625

01:12:53,430 --> 01:12:50,960

that oh i'm gonna steal that lying

1626

01:12:56,950 --> 01:12:53,440

saucers that's a good term

1627

01:12:58,950 --> 01:12:56,960

that all of these so-called experiencers

1628

01:13:02,070 --> 01:12:58,960

in love with aliens in their heads

1629

01:13:04,550 --> 01:13:02,080

abductees fantastic lou believers lulu

1630

01:13:08,310 --> 01:13:04,560

lovers just love to hear

1631

01:13:11,189 --> 01:13:08,320

in their uap et fairy tale lullabies so

1632

01:13:13,910 --> 01:13:11,199

their normal anybody lives finally makes

1633

01:13:16,310 --> 01:13:13,920

sense to someone else trash retrieval

1634

01:13:17,830 --> 01:13:16,320

for ufo dollars well thank you

1635

01:13:20,229 --> 01:13:17,840

complicare for your kindness your

1636

01:13:22,229 --> 01:13:20,239

generosity and your support of the show

1637

01:13:24,149 --> 01:13:22,239

it is much much appreciated very very

1638

01:13:25,990 --> 01:13:24,159

generous of you very generous of all of

1639

01:13:29,590 --> 01:13:26,000

you throwing a couple of bucks in the

1640

01:13:32,550 --> 01:13:29,600

hat in order to keep the uh

1641

01:13:34,390 --> 01:13:32,560

to keep the ball rolling here uh and

1642

01:13:36,870 --> 01:13:34,400

thank you all for that kindness that

1643

01:13:38,870 --> 01:13:36,880

generosity and that support it is much

1644

01:13:41,750 --> 01:13:38,880

much appreciated

1645

01:13:43,990 --> 01:13:41,760

okay let's get back to the comments

1646

01:13:45,669 --> 01:13:44,000

questions or

1647

01:13:47,270 --> 01:13:45,679

anybody have any comments or questions

1648

01:13:49,590 --> 01:13:47,280

for me please put them in all capital

1649

01:13:55,270 --> 01:13:49,600

letters so i know that you want me to

1650

01:14:01,590 --> 01:13:59,590

he's got the emoji thing down right

1651

01:14:02,550 --> 01:14:01,600

oh I warrior three says i've been

1652

01:14:04,550 --> 01:14:02,560

playing

1653

01:14:06,630 --> 01:14:04,560

too much gears of war three and decided

1654

01:14:09,110 --> 01:14:06,640

to add the three do you know how behind

1655

01:14:11,510 --> 01:14:09,120

i am on games i haven't played gears of

1656

01:14:13,350 --> 01:14:11,520

war one yet I warrior

1657

01:14:15,430 --> 01:14:13,360

um

1658

01:14:16,870 --> 01:14:15,440

in fact i just

1659

01:14:20,709 --> 01:14:16,880

started playing

1660

01:14:23,270 --> 01:14:20,719

like red dead redemption one

1661

01:14:25,990 --> 01:14:23,280

that's how behind on games i am and of

1662

01:14:28,790 --> 01:14:26,000

course i only have an old xbox 360

1663

01:14:30,630 --> 01:14:28,800

console and uh every i've been trying to

1664

01:14:31,990 --> 01:14:30,640

get a new playstation but you can't even

1665

01:14:34,709 --> 01:14:32,000

get one still

1666

01:14:36,790 --> 01:14:34,719

so uh maybe someday right but then i

1667

01:14:38,630 --> 01:14:36,800

thought i'd rather have a quest vr i

1668

01:14:40,870 --> 01:14:38,640

don't have one of those either i'd

1669

01:14:44,149 --> 01:14:40,880

really like a quest vr and then i could

1670

01:14:46,630 --> 01:14:44,159

just use a pc i have a decent pc gaming

1671

01:14:49,430 --> 01:14:46,640

rig but i have time to play games i play

1672

01:14:51,430 --> 01:14:49,440

old games on my pc

1673

01:14:53,350 --> 01:14:51,440

um you know one thing about playing 10

1674

01:14:56,550 --> 01:14:53,360

year old games is they're they're free

1675

01:15:00,310 --> 01:14:56,560

or mostly free we have uh

1676

01:15:04,470 --> 01:15:02,229

that's a great website you get a great

1677

01:15:06,070 --> 01:15:04,480

old game for like five bucks and you

1678

01:15:09,350 --> 01:15:06,080

still support the authors of those great

1679

01:15:11,430 --> 01:15:09,360

old games i love gog wild ascension the

1680

01:15:12,630 --> 01:15:11,440

mothership with kind of generous 499

1681

01:15:14,070 --> 01:15:12,640

super chat

1682

01:15:16,470 --> 01:15:14,080

have you ever seen any type of

1683

01:15:17,830 --> 01:15:16,480

compelling evidence of possible e.t life

1684

01:15:20,310 --> 01:15:17,840

visiting earth

1685

01:15:22,390 --> 01:15:20,320

if so what would it be thank you for a

1686

01:15:24,630 --> 01:15:22,400

great show well i think there is some

1687

01:15:27,590 --> 01:15:24,640

compelling evidence but again it's

1688

01:15:29,590 --> 01:15:27,600

always got that tantalizing maybe true

1689

01:15:32,229 --> 01:15:29,600

you know the zimbabwe case with those

1690

01:15:34,470 --> 01:15:32,239

children that all saw flying saucers and

1691

01:15:37,189 --> 01:15:34,480

aliens that's a great story

1692

01:15:39,430 --> 01:15:37,199

i like the cash landrum incident

1693

01:15:40,709 --> 01:15:39,440

and i've deep dived into roswell many

1694

01:15:42,229 --> 01:15:40,719

many times

1695

01:15:43,990 --> 01:15:42,239

and i refuse to believe that what

1696

01:15:46,149 --> 01:15:44,000

crashed at roswell was just a weather

1697

01:15:47,910 --> 01:15:46,159

balloon based on all the eyewitness

1698

01:15:50,790 --> 01:15:47,920

testimony of people who claim they saw

1699

01:15:53,110 --> 01:15:50,800

bodies or aliens or you know exotic

1700

01:15:55,189 --> 01:15:53,120

materials i think there's something to

1701

01:15:57,830 --> 01:15:55,199

roswell and

1702

01:16:00,550 --> 01:15:57,840

i'm hopeful that maybe roswell is the

1703

01:16:02,630 --> 01:16:00,560

key and someday the key will go in the

1704

01:16:04,310 --> 01:16:02,640

lock and unlock the mystery for all of

1705

01:16:08,310 --> 01:16:04,320

us

1706

01:16:09,510 --> 01:16:08,320

about roswell

1707

01:16:15,270 --> 01:16:09,520

is

1708

01:16:17,830 --> 01:16:15,280

dom schmidt and tom carrey called

1709

01:16:19,590 --> 01:16:17,840

children of roswell and in the book

1710

01:16:22,149 --> 01:16:19,600

these children of people who were

1711

01:16:24,310 --> 01:16:22,159

witnesses to the original roswell event

1712

01:16:26,390 --> 01:16:24,320

detail all the things their parents told

1713

01:16:28,630 --> 01:16:26,400

them and some of them didn't tell them

1714

01:16:30,709 --> 01:16:28,640

until they were on their deathbed

1715

01:16:32,630 --> 01:16:30,719

i don't think that somebody in the midst

1716

01:16:34,630 --> 01:16:32,640

of dying suddenly says you know what i'm

1717

01:16:37,590 --> 01:16:34,640

gonna make up stories about seeing e.t

1718

01:16:39,189 --> 01:16:37,600

alien bodies at roswell in 1947 and tell

1719

01:16:41,669 --> 01:16:39,199

my kids about that

1720

01:16:44,630 --> 01:16:41,679

no i think that's a very compelling

1721

01:16:47,669 --> 01:16:44,640

evidence but i i'm still in the search

1722

01:16:48,870 --> 01:16:47,679

for the smoking gun as are most people

1723

01:16:50,630 --> 01:16:48,880

but thank you for kindness your

1724

01:16:52,149 --> 01:16:50,640

generosity and your support of the show

1725

01:16:54,070 --> 01:16:52,159

i'm still waiting for some new david

1726

01:16:56,229 --> 01:16:54,080

wilcock videos from you

1727

01:16:57,590 --> 01:16:56,239

i'm too lazy to go through and make them

1728

01:16:59,270 --> 01:16:57,600

right

1729

01:17:01,110 --> 01:16:59,280

oh yeah the holloman that's another one

1730

01:17:03,110 --> 01:17:01,120

that's one of my favorites too

1731

01:17:05,030 --> 01:17:03,120

kepsa says i like the holloman air force

1732

01:17:06,550 --> 01:17:05,040

base landing with the chit chat between

1733

01:17:09,350 --> 01:17:06,560

the army men and the aliens that

1734

01:17:13,110 --> 01:17:09,360

allegedly had three different cameras

1735

01:17:14,390 --> 01:17:13,120

rolling yeah and there's some weird

1736

01:17:16,470 --> 01:17:14,400

uh

1737

01:17:17,910 --> 01:17:16,480

there's some weird stuff about that true

1738

01:17:20,870 --> 01:17:17,920

stickers hey steven do you remember

1739

01:17:23,669 --> 01:17:20,880

amigo 500 moonstone yes i do

1740

01:17:26,149 --> 01:17:23,679

and uh i still have complies there i

1741

01:17:27,830 --> 01:17:26,159

have an original my original the first

1742

01:17:28,830 --> 01:17:27,840

one i ever had

1743

01:17:31,510 --> 01:17:28,840

amiga

1744

01:17:33,270 --> 01:17:31,520

1000 and now there's something called a

1745

01:17:35,110 --> 01:17:33,280

vampire accelerator that you can put

1746

01:17:37,110 --> 01:17:35,120

into it that brings it up to not exactly

1747

01:17:39,030 --> 01:17:37,120

modern specs but good enough to browse

1748

01:17:40,149 --> 01:17:39,040

on it still and do a lot of more modern

1749

01:17:42,390 --> 01:17:40,159

things with it

1750

01:17:45,030 --> 01:17:42,400

i keep uh saying i'm going to try to get

1751

01:17:48,870 --> 01:17:45,040

one of those accelerators and set my old

1752

01:17:51,430 --> 01:17:48,880

amiga up if not that then i have um

1753

01:17:54,709 --> 01:17:51,440

i have a floppy emulator for that

1754

01:17:56,630 --> 01:17:54,719

i just have not set it up yet

1755

01:17:59,669 --> 01:17:56,640

i have two retro computers that i really

1756

01:18:01,350 --> 01:17:59,679

like the trs 80 color computer 3 which

1757

01:18:04,950 --> 01:18:01,360

was the first 8-bit computer that you

1758

01:18:08,310 --> 01:18:04,960

could get really the multi-tasks and uh

1759

01:18:11,430 --> 01:18:08,320

also it had 512k ram but now there you

1760

01:18:13,430 --> 01:18:11,440

can get up to two megs of ram in a color

1761

01:18:15,669 --> 01:18:13,440

computer three i have one of those

1762

01:18:16,950 --> 01:18:15,679

but i'm always like waiting for parts

1763

01:18:18,310 --> 01:18:16,960

and i keep saying i'm going to set them

1764

01:18:21,189 --> 01:18:18,320

up in the basement and play with them

1765

01:18:24,070 --> 01:18:21,199

with my kid but i haven't yet so that

1766

01:18:26,550 --> 01:18:24,080

color computer 3 and an original amiga

1767

01:18:29,110 --> 01:18:26,560

1000 i also have a 500

1768

01:18:31,030 --> 01:18:29,120

companies there in my garage but uh

1769

01:18:33,669 --> 01:18:31,040

i prefer the 1000 because it has a

1770

01:18:35,910 --> 01:18:33,679

separate keyboard and mouse and you know

1771

01:18:37,750 --> 01:18:35,920

it's just a

1772

01:18:39,350 --> 01:18:37,760

a little

1773

01:18:41,350 --> 01:18:39,360

more

1774

01:18:44,149 --> 01:18:41,360

what i came up with

1775

01:18:45,830 --> 01:18:44,159

i couldn't afford to make a one 500 and

1776

01:18:48,390 --> 01:18:45,840

it makes no sense but amiga came out

1777

01:18:49,750 --> 01:18:48,400

with the 1000 first then the 500 which

1778

01:18:51,350 --> 01:18:49,760

was an all-in-one keyboard like a

1779

01:18:53,830 --> 01:18:51,360

commodore 64.

1780

01:18:55,510 --> 01:18:53,840

it was cost reduced i have the better

1781

01:18:56,550 --> 01:18:55,520

amiga 1000 i thought it was better

1782

01:18:57,910 --> 01:18:56,560

anyway

1783

01:19:00,390 --> 01:18:57,920

but they're very very similar in

1784

01:19:03,830 --> 01:19:00,400

architecture and all that stuff

1785

01:19:08,229 --> 01:19:05,830

yes amy collins the amigas make graphics

1786

01:19:11,430 --> 01:19:08,239

for television well into the 90s yeah

1787

01:19:14,870 --> 01:19:11,440

babylon 5 all of the all of the the

1788

01:19:18,070 --> 01:19:14,880

space fighting scenes and the cgi was

1789

01:19:21,189 --> 01:19:18,080

all done babylon 5 was all done on amiga

1790

01:19:23,110 --> 01:19:21,199

2000 computers or maybe 4 000 computers

1791

01:19:25,430 --> 01:19:23,120

later and render farms they would have

1792

01:19:26,950 --> 01:19:25,440

like 12 amigas going at once rendering

1793

01:19:28,790 --> 01:19:26,960

the scenes

1794

01:19:30,950 --> 01:19:28,800

with a program called lightwave which i

1795

01:19:33,189 --> 01:19:30,960

still have on my linux box and use

1796

01:19:35,350 --> 01:19:33,199

occasionally but i'm terrible at it

1797

01:19:37,830 --> 01:19:35,360

and also the omega had video toasters

1798

01:19:39,270 --> 01:19:37,840

which allowed you to uh edit video

1799

01:19:42,229 --> 01:19:39,280

before anybody even knew that you could

1800

01:19:43,910 --> 01:19:42,239

do that on a computer

1801

01:19:46,229 --> 01:19:43,920

saxonite says i remember people being

1802

01:19:47,110 --> 01:19:46,239

impressed by the graphics yes

1803

01:19:48,950 --> 01:19:47,120

uh

1804

01:19:51,270 --> 01:19:48,960

i think it was something like 16 million

1805

01:19:54,669 --> 01:19:51,280

colors in 1988

1806

01:19:57,830 --> 01:19:54,679

or something or 4096

1807

01:20:01,910 --> 01:19:57,840

4096 colors in 1988

1808

01:20:04,709 --> 01:20:01,920

when uh pcs had 16 color graphics amigas

1809

01:20:06,390 --> 01:20:04,719

had 496 color graphics

1810

01:20:11,910 --> 01:20:06,400

later pumped up to sixty million of

1811

01:20:16,310 --> 01:20:13,270

twelve feet tall says there will never

1812

01:20:19,510 --> 01:20:16,320

be a disclosure because there is

1813

01:20:22,149 --> 01:20:19,520

anything real to disclose it's all bs uh

1814

01:20:23,510 --> 01:20:22,159

i'm still holding that hope you know i

1815

01:20:25,189 --> 01:20:23,520

don't let it go completely but i'm

1816

01:20:27,430 --> 01:20:25,199

getting to the point where i'm tired i'm

1817

01:20:31,669 --> 01:20:27,440

tired of so much nonsense and hype and

1818

01:20:35,270 --> 01:20:33,910

hey folks it felt good to yell nerd at

1819

01:20:38,149 --> 01:20:35,280

somebody for once instead of being

1820

01:20:40,550 --> 01:20:38,159

yelled at me thanks for that

1821

01:20:41,669 --> 01:20:40,560

no i'm a geek uh there's a difference

1822

01:20:44,390 --> 01:20:41,679

nerds are

1823

01:20:46,390 --> 01:20:44,400

quirky prague magic geeks were cool i

1824

01:20:48,390 --> 01:20:46,400

was always a geek right

1825

01:20:50,070 --> 01:20:48,400

still am probably always still will be

1826

01:20:51,510 --> 01:20:50,080

in fact tonight i have to go and set up

1827

01:20:54,149 --> 01:20:51,520

another uh

1828

01:20:56,070 --> 01:20:54,159

i have a little audio workstation in the

1829

01:20:58,790 --> 01:20:56,080

corner over here with a mixer and

1830

01:20:59,910 --> 01:20:58,800

microphones and distortion boxes

1831

01:21:02,070 --> 01:20:59,920

and i'm going to be using that

1832

01:21:03,510 --> 01:21:02,080

specifically for recording vocals uh

1833

01:21:06,709 --> 01:21:03,520

pragmatic

1834

01:21:08,550 --> 01:21:06,719

i got all these weird

1835

01:21:10,310 --> 01:21:08,560

prank magic will appreciate this i have

1836

01:21:11,430 --> 01:21:10,320

all these weird

1837

01:21:14,870 --> 01:21:11,440

like

1838

01:21:17,910 --> 01:21:14,880

distortion pedals or delay pedals and

1839

01:21:19,669 --> 01:21:17,920

one of them is a yamaha fx 550 which is

1840

01:21:21,430 --> 01:21:19,679

really for a guitar but i always use it

1841

01:21:23,910 --> 01:21:21,440

on my voice because you could

1842

01:21:26,229 --> 01:21:23,920

it's got distortion and overdrive and

1843

01:21:28,790 --> 01:21:26,239

all these different things and flange

1844

01:21:32,070 --> 01:21:28,800

and echo and delay and

1845

01:21:35,590 --> 01:21:32,080

reverb and you can customize the patches

1846

01:21:39,030 --> 01:21:35,600

and i have uh had that box forever

1847

01:21:40,870 --> 01:21:39,040

uh pragmatic so uh i got that over there

1848

01:21:43,030 --> 01:21:40,880

and a bunch of other little boxes i've

1849

01:21:44,390 --> 01:21:43,040

got a harmonizer voice harmonizer and

1850

01:21:45,669 --> 01:21:44,400

some other stuff

1851

01:21:48,229 --> 01:21:45,679

i'm going to be

1852

01:21:50,390 --> 01:21:48,239

uh setting that up and recording some

1853

01:21:53,990 --> 01:21:50,400

new stuff soon

1854

01:21:58,790 --> 01:21:55,510

two stickers will be another episode

1855

01:22:00,470 --> 01:21:58,800

with cal course soon well i hope so but

1856

01:22:02,709 --> 01:22:00,480

part of me part of me hopes so and then

1857

01:22:05,189 --> 01:22:02,719

part of me hopes not because

1858

01:22:07,990 --> 01:22:05,199

i gotta tell you i get [h\_\_h] every day on

1859

01:22:09,910 --> 01:22:08,000

twitter from this uh one from mikey horn

1860

01:22:12,310 --> 01:22:09,920

it's mikey horn because nobody cares

1861

01:22:14,470 --> 01:22:12,320

that much about uh about kalkhorf and

1862

01:22:15,669 --> 01:22:14,480

his work to be like busting my balls

1863

01:22:17,750 --> 01:22:15,679

every day

1864

01:22:20,790 --> 01:22:17,760

so but i you know i'll take the slings

1865

01:22:22,709 --> 01:22:20,800

and arrows sure he's welcome back but uh

1866

01:22:24,870 --> 01:22:22,719

he's busy with his new show with his

1867

01:22:27,910 --> 01:22:24,880

girlfriend melissa they have a show

1868

01:22:30,390 --> 01:22:27,920

called wicked truth look it up

1869

01:22:32,310 --> 01:22:30,400

now warrior uh working at geek squad

1870

01:22:34,149 --> 01:22:32,320

actually my company is the anti-geek

1871

01:22:36,070 --> 01:22:34,159

squad warrior because instead of taking

1872

01:22:38,310 --> 01:22:36,080

your computer to geek squad you just

1873

01:22:41,030 --> 01:22:38,320

call me and i go to the house and

1874

01:22:42,629 --> 01:22:41,040

luckily now with uh coven winding down

1875

01:22:44,950 --> 01:22:42,639

let's hope it's winding down of course

1876

01:22:47,270 --> 01:22:44,960

world war three is ramping up

1877

01:22:50,470 --> 01:22:47,280

so that's the downside hopefully our

1878

01:22:52,870 --> 01:22:50,480

warrior that though the the medical

1879

01:22:54,390 --> 01:22:52,880

situations are winding down people won't

1880

01:22:56,550 --> 01:22:54,400

mind me in the

1881

01:22:59,110 --> 01:22:56,560

in their house any again and i'll be

1882

01:23:02,310 --> 01:22:59,120

able to resume my pre coven business

1883

01:23:04,950 --> 01:23:02,320

which used to be pretty lucrative but

1884

01:23:06,790 --> 01:23:04,960

you know covet killed me like everybody

1885

01:23:08,709 --> 01:23:06,800

else's small business

1886

01:23:11,110 --> 01:23:08,719

customizing patches

1887

01:23:12,470 --> 01:23:11,120

is your harmonizer tc helion

1888

01:23:14,229 --> 01:23:12,480

now i'm going to show you what it is and

1889

01:23:16,070 --> 01:23:14,239

you're going to laugh at me pragmatic

1890

01:23:18,830 --> 01:23:16,080

because it's it's actually a toy

1891

01:23:20,390 --> 01:23:18,840

harmonizer but it sounds

1892

01:23:22,550 --> 01:23:20,400

amazing

1893

01:23:24,550 --> 01:23:22,560

and i did a special mod to it to get a

1894

01:23:27,430 --> 01:23:24,560

line out on it but it's really just this

1895

01:23:28,709 --> 01:23:27,440

little box with a speaker on it and it

1896

01:23:29,830 --> 01:23:28,719

has

1897

01:23:32,950 --> 01:23:29,840

echo

1898

01:23:35,270 --> 01:23:32,960

harmonization auto tune and something

1899

01:23:38,070 --> 01:23:35,280

else um

1900

01:23:40,070 --> 01:23:38,080

but it sounds amazing and uh you're

1901

01:23:41,669 --> 01:23:40,080

gonna want one actually i have a couple

1902

01:23:43,110 --> 01:23:41,679

i have three or four of them because i

1903

01:23:44,470 --> 01:23:43,120

liked it so much and i was afraid they

1904

01:23:45,669 --> 01:23:44,480

would stop making them

1905

01:23:47,110 --> 01:23:45,679

i can't remember exactly what it's

1906

01:23:48,470 --> 01:23:47,120

called i'll get with you offline

1907

01:23:49,830 --> 01:23:48,480

pragmatic but it's basically a

1908

01:23:51,910 --> 01:23:49,840

children's toy that included a

1909

01:23:53,910 --> 01:23:51,920

harmonizer and i couldn't afford a real

1910

01:23:56,870 --> 01:23:53,920

harmonizer so i uh

1911

01:23:59,750 --> 01:23:56,880

so i you know hacked this thing together

1912

01:24:02,070 --> 01:23:59,760

the tc helion is a hell of a thing

1913

01:24:04,070 --> 01:24:02,080

uh and uh i would love one of those but

1914

01:24:06,149 --> 01:24:04,080

i could never afford one but this

1915

01:24:08,229 --> 01:24:06,159

harmonizer gives you one

1916

01:24:09,910 --> 01:24:08,239

one or two voices above and one or two

1917

01:24:11,669 --> 01:24:09,920

voices below

1918

01:24:13,030 --> 01:24:11,679

but unfortunately it doesn't separate

1919

01:24:14,950 --> 01:24:13,040

the mail

1920

01:24:17,830 --> 01:24:14,960

but it's still very very useful little

1921

01:24:20,149 --> 01:24:17,840

box because if you want like super thick

1922

01:24:21,910 --> 01:24:20,159

backing vocals that sound like a choir

1923

01:24:23,910 --> 01:24:21,920

behind something

1924

01:24:29,110 --> 01:24:23,920

left and right it do two takes and it

1925

01:24:33,350 --> 01:24:31,350

toy harmonizer is music to my circuit

1926

01:24:35,030 --> 01:24:33,360

bent ears i'm going to bend one of these

1927

01:24:37,030 --> 01:24:35,040

too that's funny that you mentioned that

1928

01:24:39,030 --> 01:24:37,040

and you know what prank magic i i came

1929

01:24:41,270 --> 01:24:39,040

up with the idea that i want to do a

1930

01:24:43,030 --> 01:24:41,280

whole album and i want to use nothing

1931

01:24:44,790 --> 01:24:43,040

but circuit bend instruments and i'm

1932

01:24:46,950 --> 01:24:44,800

just going to call it ben isn't that

1933

01:24:49,189 --> 01:24:46,960

cool idea even if it's just a four song

1934

01:24:51,350 --> 01:24:49,199

ep because i'm not sure i could do 10

1935

01:24:53,030 --> 01:24:51,360

out of toys and trash like that but i

1936

01:24:58,790 --> 01:24:53,040

i'm sure i could do

1937

01:25:01,510 --> 01:25:00,310

fraps app says don't you miss the good

1938

01:25:03,030 --> 01:25:01,520

old days when the government used to

1939

01:25:05,030 --> 01:25:03,040

dismiss

1940

01:25:06,790 --> 01:25:05,040

ufos as conventional aircraft whereas

1941

01:25:09,590 --> 01:25:06,800

now they try to convince the public that

1942

01:25:11,510 --> 01:25:09,600

conventional aircraft are uap yeah

1943

01:25:13,430 --> 01:25:11,520

yeah you're right you're right it's like

1944

01:25:16,070 --> 01:25:13,440

they did a total 180 they said oh no

1945

01:25:18,550 --> 01:25:16,080

that's just that's just a helicopter oh

1946

01:25:21,830 --> 01:25:18,560

that's just a small engine aircraft uh

1947

01:25:25,430 --> 01:25:21,840

you know no now it is uh oh those are

1948

01:25:29,830 --> 01:25:27,910

louis ellie nando

1949

01:25:31,510 --> 01:25:29,840

uh you know oh that's another thing i'm

1950

01:25:34,229 --> 01:25:31,520

gonna have a new character for lou

1951

01:25:36,149 --> 01:25:34,239

elizondo i got the mask i just have to

1952

01:25:38,229 --> 01:25:36,159

spend some time doing the hair and i

1953

01:25:39,990 --> 01:25:38,239

guess i'm gonna have to give him a beard

1954

01:25:43,110 --> 01:25:40,000

uh now he's going to do the beard thing

1955

01:25:45,270 --> 01:25:43,120

for a while but uh if anybody has any

1956

01:25:47,350 --> 01:25:45,280

suggestions for what the louis elizondo

1957

01:25:51,510 --> 01:25:47,360

character could be called the best i've

1958

01:25:53,750 --> 01:25:51,520

come up with is lou lysalatto

1959

01:25:55,669 --> 01:25:53,760

lou lizalotto

1960

01:25:58,790 --> 01:25:55,679

if anybody has any more suggestions i'm

1961

01:26:01,510 --> 01:25:58,800

all ears absolutely all ears uh and i

1962

01:26:04,390 --> 01:26:01,520

want uh somebody you know what i'm gonna

1963

01:26:05,350 --> 01:26:04,400

do it right now uh listen free speech

1964

01:26:07,270 --> 01:26:05,360

one

1965

01:26:09,990 --> 01:26:07,280

and you can now

1966

01:26:12,790 --> 01:26:10,000

finally see that who's documentary right

1967

01:26:15,350 --> 01:26:12,800

on youtube they killed his momentum

1968

01:26:16,470 --> 01:26:15,360

though so i would appreciate see here's

1969

01:26:19,510 --> 01:26:16,480

what happens

1970

01:26:20,629 --> 01:26:19,520

i heard ali on alien addict saying this

1971

01:26:22,629 --> 01:26:20,639

and uh

1972

01:26:25,030 --> 01:26:22,639

encouraging people to go

1973

01:26:27,750 --> 01:26:25,040

and and support

1974

01:26:31,350 --> 01:26:27,760

go and support manny at area 503's

1975

01:26:35,750 --> 01:26:33,430

what happens when they take a video down

1976

01:26:37,750 --> 01:26:35,760

is it screws with the algorithm you lose

1977

01:26:39,910 --> 01:26:37,760

all your momentum and then you gotta

1978

01:26:41,910 --> 01:26:39,920

almost start all over again to get the

1979

01:26:42,950 --> 01:26:41,920

video popping again

1980

01:26:45,510 --> 01:26:42,960

uh

1981

01:26:48,070 --> 01:26:45,520

kalkorf says lou lies a lotto it's a

1982

01:26:51,750 --> 01:26:48,080

perfect name because he does yeah

1983

01:26:53,669 --> 01:26:51,760

so uh let me get over here and uh

1984

01:26:55,430 --> 01:26:53,679

oh wait a minute did i

1985

01:27:00,070 --> 01:26:55,440

no i got that okay

1986

01:27:02,229 --> 01:27:00,080

so i'm gonna put the link to the the the

1987

01:27:04,310 --> 01:27:02,239

who's loot documentary

1988

01:27:06,870 --> 01:27:04,320

uh one second

1989

01:27:08,709 --> 01:27:06,880

who's lou

1990

01:27:10,870 --> 01:27:08,719

oh man i always you know what i will

1991

01:27:13,990 --> 01:27:10,880

spell lou elizondo's name wrong for the

1992

01:27:18,070 --> 01:27:15,590

and the problem is because i had a

1993

01:27:19,550 --> 01:27:18,080

friend i still have a friend named lewis

1994

01:27:22,470 --> 01:27:19,560

uh

1995

01:27:24,390 --> 01:27:22,480

l-o-u-i-s and when when i refer to him

1996

01:27:25,990 --> 01:27:24,400

as though it's l-o-u

1997

01:27:27,750 --> 01:27:26,000

i always do that i did it tonight for

1998

01:27:30,550 --> 01:27:27,760

the show i had to fix it

1999

01:27:33,430 --> 01:27:30,560

all right so there's the uh the link for

2000

01:27:35,669 --> 01:27:33,440

who's the documentary please do go over

2001

01:27:37,189 --> 01:27:35,679

there give it a thumbs up

2002

01:27:38,790 --> 01:27:37,199

give it a like

2003

01:27:40,950 --> 01:27:38,800

give it a comment if you've seen it

2004

01:27:41,910 --> 01:27:40,960

already watch it again

2005

01:27:43,990 --> 01:27:41,920

help

2006

01:27:45,270 --> 01:27:44,000

manny to get the momentum going on that

2007

01:27:47,910 --> 01:27:45,280

thing again because he should have

2008

01:27:49,990 --> 01:27:47,920

gotten 50 000 views out of that but they

2009

01:27:53,750 --> 01:27:50,000

took it down and now all the momentum is

2010

01:27:55,510 --> 01:27:53,760

lost and he has to start all over again

2011

01:27:57,270 --> 01:27:55,520

to get the video popping again and

2012

01:27:59,430 --> 01:27:57,280

that's not fair

2013

01:28:01,510 --> 01:27:59,440

after all even youtube agreed with him

2014

01:28:04,229 --> 01:28:01,520

that what he did was fair use and not a

2015

01:28:07,350 --> 01:28:04,239

violation of copyright so they had no

2016

01:28:09,430 --> 01:28:07,360

right to copyright claim and force his

2017

01:28:11,350 --> 01:28:09,440

videos down with legal threat letters

2018

01:28:13,990 --> 01:28:11,360

posted to youtube

2019

01:28:15,669 --> 01:28:14,000

um you know

2020

01:28:18,790 --> 01:28:15,679

lord ludacris platt says great show

2021

01:28:20,310 --> 01:28:18,800

tonight well thank you for your kindness

2022

01:28:22,550 --> 01:28:20,320

so

2023

01:28:23,990 --> 01:28:22,560

what can i say uh and and uh manny's

2024

01:28:25,990 --> 01:28:24,000

here says thank you for all your support

2025

01:28:27,990 --> 01:28:26,000

my pleasure and maddie

2026

01:28:29,830 --> 01:28:28,000

did an excellent also on his channel is

2027

01:28:32,390 --> 01:28:29,840

an excellent breakdown of the ttsa

2028

01:28:34,790 --> 01:28:32,400

finances but he's gotten into more

2029

01:28:36,790 --> 01:28:34,800

and i said you gotta come here and do

2030

01:28:38,870 --> 01:28:36,800

that again but with me

2031

01:28:41,110 --> 01:28:38,880

and i'm gonna uh be looking into some

2032

01:28:42,870 --> 01:28:41,120

things as well and then we're going to

2033

01:28:44,790 --> 01:28:42,880

be filing letters

2034

01:28:46,629 --> 01:28:44,800

uh with the sec and other government

2035

01:28:49,350 --> 01:28:46,639

entities asking them how any of this

2036

01:28:51,990 --> 01:28:49,360

[h\_\_\h] is legal

2037

01:28:53,669 --> 01:28:52,000

so uh manny from area 503 will be here

2038

01:28:56,950 --> 01:28:53,679

to detail for us

2039

01:28:58,550 --> 01:28:56,960

uh the accounting gymnastics that tom

2040

01:29:01,030 --> 01:28:58,560

delong has done

2041

01:29:02,709 --> 01:29:01,040

for his so-called you know uh public

2042

01:29:05,350 --> 01:29:02,719

benefit corporation

2043

01:29:07,910 --> 01:29:05,360

there's no benefit to the public that

2044

01:29:10,470 --> 01:29:07,920

only benefits tom delong and apparently

2045

01:29:12,390 --> 01:29:10,480

his sister who gets paid 150 000 a year

2046

01:29:15,189 --> 01:29:12,400

to not return emails to anybody that

2047

01:29:16,550 --> 01:29:15,199

asks questions right

2048

01:29:21,510 --> 01:29:16,560

out of investor

2049

01:29:26,550 --> 01:29:24,550

yeah and calcorp says file with the sec

2050

01:29:28,550 --> 01:29:26,560

yeah well i i hear there may be an

2051

01:29:29,430 --> 01:29:28,560

investigation and some other

2052

01:29:30,470 --> 01:29:29,440

uh

2053

01:29:34,629 --> 01:29:30,480

media

2054

01:29:37,270 --> 01:29:34,639

that story and we want to get on the

2055

01:29:39,350 --> 01:29:37,280

right side of history and also detail it

2056

01:29:42,470 --> 01:29:39,360

here before you know

2057

01:29:45,590 --> 01:29:42,480

uh before anything big breaks right but

2058

01:29:47,350 --> 01:29:45,600

we'll we'll see what happens so

2059

01:29:48,709 --> 01:29:47,360

you know i think i think we've done our

2060

01:29:51,189 --> 01:29:48,719

due diligence we're trying to make the

2061

01:29:52,950 --> 01:29:51,199

shows a little shorter we're in the 90

2062

01:29:53,990 --> 01:29:52,960

minute mark so i'm going to bounce on

2063

01:29:55,990 --> 01:29:54,000

out of here

2064

01:29:56,870 --> 01:29:56,000

i want to thank each and every one of

2065

01:29:58,709 --> 01:29:56,880

you

2066

01:30:00,149 --> 01:29:58,719

uh for joining us tonight always happy

2067

01:30:01,669 --> 01:30:00,159

when there's an audience so glad you

2068

01:30:02,870 --> 01:30:01,679

could come here tonight and be a part of

2069

01:30:04,070 --> 01:30:02,880

mine

2070

01:30:06,149 --> 01:30:04,080

always

2071

01:30:07,110 --> 01:30:06,159

a pleasure to spend some time here with

2072

01:30:09,030 --> 01:30:07,120

you

2073

01:30:11,910 --> 01:30:09,040

and i want to thank each and every one

2074

01:30:15,030 --> 01:30:11,920

of you kind and generous benefactors you

2075

01:30:17,430 --> 01:30:15,040

paypal donators you super chatters you

2076

01:30:19,350 --> 01:30:17,440

patreon supporters you people sending

2077

01:30:20,870 --> 01:30:19,360

money through cash app

2078

01:30:23,110 --> 01:30:20,880

uh

2079

01:30:24,790 --> 01:30:23,120

yeah steve s says hey steve with you on

2080

01:30:26,229 --> 01:30:24,800

this one lou is in the military once in

2081

01:30:28,310 --> 01:30:26,239

the military always in the military the

2082

01:30:31,590 --> 01:30:28,320

same military that has been hiding [h\_\_\h]

2083

01:30:33,590 --> 01:30:31,600

from its citizens for 75 years yeah i

2084

01:30:35,910 --> 01:30:33,600

agree and while dissension says manny i

2085

01:30:37,510 --> 01:30:35,920

wasn't able to save that long video too

2086

01:30:38,950 --> 01:30:37,520

much space so i came up with an idea to

2087

01:30:41,110 --> 01:30:38,960

create a trailer for who's lou is that

2088

01:30:43,030 --> 01:30:41,120

okay with you trailer link to the movie

2089

01:30:45,590 --> 01:30:43,040

in my description yeah do it i think

2090

01:30:47,510 --> 01:30:45,600

he'd like you to do that right

2091

01:30:50,070 --> 01:30:47,520

so thanks to all you kind of generous

2092

01:30:52,229 --> 01:30:50,080

benefactors thanks to all of you kind

2093

01:30:54,790 --> 01:30:52,239

supporters who come here to live chat

2094

01:30:56,149 --> 01:30:54,800

and i want to remind everybody

2095

01:30:58,390 --> 01:30:56,159

i got to do this every time i got to

2096

01:31:00,229 --> 01:30:58,400

make a bumper for this

2097

01:31:02,310 --> 01:31:00,239

if you are listening in audio podcast

2098

01:31:04,550 --> 01:31:02,320

land we appreciate you we're glad you're

2099

01:31:06,790 --> 01:31:04,560

there however you're listening to a

2100

01:31:09,750 --> 01:31:06,800

replay if you want to come and support

2101

01:31:12,470 --> 01:31:09,760

us here go on over to youtube

2102

01:31:14,229 --> 01:31:12,480

youtube.com and put truth seekers one

2103

01:31:16,550 --> 01:31:14,239

word in the search bar just look for me

2104

01:31:18,629 --> 01:31:16,560

the strange guy with the sunglasses that

2105

01:31:20,950 --> 01:31:18,639

would be the truth seekers channel we're

2106

01:31:23,430 --> 01:31:20,960

the first one that pops up smash that

2107

01:31:25,430 --> 01:31:23,440

subscribe button hit that notification

2108

01:31:27,910 --> 01:31:25,440

bell and you too will know when we're

2109

01:31:29,990 --> 01:31:27,920

doing a live taping for the podcast and

2110

01:31:32,070 --> 01:31:30,000

you can come over here and be a part of

2111

01:31:34,470 --> 01:31:32,080

the live broadcast and more importantly

2112

01:31:36,470 --> 01:31:34,480

the live chat you are most welcome here

2113

01:31:38,870 --> 01:31:36,480

we take comments questions we don't have

2114

01:31:40,149 --> 01:31:38,880

an echo chamber here we let people

2115

01:31:43,750 --> 01:31:40,159

disagree

2116

01:31:46,790 --> 01:31:43,760

long you know

2117

01:31:48,950 --> 01:31:46,800

and and oftentimes people do

2118

01:31:50,709 --> 01:31:48,960

but you are most welcome please don't

2119

01:31:53,430 --> 01:31:50,719

you know we love you listening to the

2120

01:31:55,750 --> 01:31:53,440

audio podcast because and some people

2121

01:31:58,310 --> 01:31:55,760

are driving a truck or doing things and

2122

01:32:00,709 --> 01:31:58,320

they they need the audio podcast that's

2123

01:32:02,709 --> 01:32:00,719

why we provide it but you're missing

2124

01:32:04,709 --> 01:32:02,719

half the fun really come over to truth

2125

01:32:06,550 --> 01:32:04,719

secret come over to trueseeker's youtube

2126

01:32:08,149 --> 01:32:06,560

channel hit the subscribe button in the

2127

01:32:10,149 --> 01:32:08,159

notification bell and then you'll know

2128

01:32:11,910 --> 01:32:10,159

when we're doing the live taping you can

2129

01:32:14,310 --> 01:32:11,920

come over here and be a part of the live

2130

01:32:16,550 --> 01:32:14,320

taping and the live chat also we have a

2131

01:32:18,709 --> 01:32:16,560

discord that you can join the video the

2132

01:32:20,229 --> 01:32:18,719

description to do that or the link to do

2133

01:32:22,870 --> 01:32:20,239

that is in the live

2134

01:32:25,669 --> 01:32:22,880

is in the description of this video

2135

01:32:26,470 --> 01:32:25,679

and uh you are most welcome here we want

2136

01:32:31,590 --> 01:32:26,480

to

2137

01:32:32,550 --> 01:32:31,600

seekers community it's more than just me

2138

01:32:34,310 --> 01:32:32,560

here

2139

01:32:36,070 --> 01:32:34,320  
and like i said this isn't an echo

2140

01:32:37,750 --> 01:32:36,080  
chamber you could be a believer you

2141

01:32:39,669 --> 01:32:37,760  
could be a skeptic you could be on the

2142

01:32:41,910 --> 01:32:39,679  
fence you could be in the middle

2143

01:32:44,470 --> 01:32:41,920  
everybody is welcome here

2144

01:32:46,709 --> 01:32:44,480  
and uh we would like to have you

2145

01:32:49,189 --> 01:32:46,719  
so what else can i say friends uh

2146

01:32:50,390 --> 01:32:49,199  
tonight we showed up and uh did our due

2147

01:32:52,870 --> 01:32:50,400  
diligence

2148

01:32:56,070 --> 01:32:52,880  
uh try to present something good for you

2149

01:32:58,149 --> 01:32:56,080  
oh i do one little bit of show business

2150

01:32:59,750 --> 01:32:58,159  
that i have to get out of the way

2151

01:33:01,590 --> 01:32:59,760

number one

2152

01:33:02,790 --> 01:33:01,600

kari spooky will no longer be working

2153

01:33:04,070 --> 01:33:02,800

with us now there's a whole lot of

2154

01:33:06,070 --> 01:33:04,080

reasons for that and i'm not getting

2155

01:33:07,990 --> 01:33:06,080

into any of the drama reasons

2156

01:33:09,990 --> 01:33:08,000

but you know i think i'll just remain

2157

01:33:12,950 --> 01:33:10,000

positive and say this

2158

01:33:14,629 --> 01:33:12,960

about uh people that work with me

2159

01:33:16,709 --> 01:33:14,639

sometimes

2160

01:33:18,950 --> 01:33:16,719

throughout my lifetime whatever i have

2161

01:33:20,550 --> 01:33:18,960

endeavored to do i've had what i call a

2162

01:33:25,750 --> 01:33:20,560

good side man

2163

01:33:26,950 --> 01:33:25,760

the guy in the spotlight they're a good

2164

01:33:29,669 --> 01:33:26,960

side man

2165

01:33:31,430 --> 01:33:29,679

and they help me to be

2166

01:33:33,510 --> 01:33:31,440

better at what i do

2167

01:33:35,910 --> 01:33:33,520

um i've had that in music you know

2168

01:33:37,669 --> 01:33:35,920

you've got a guitar player next to you

2169

01:33:39,510 --> 01:33:37,679

i've had that in magic

2170

01:33:41,830 --> 01:33:39,520

doing magic shows i had an excellent

2171

01:33:43,830 --> 01:33:41,840

side man there that always went out of

2172

01:33:45,510 --> 01:33:43,840

his way to make my shows as

2173

01:33:47,669 --> 01:33:45,520

best that they could be

2174

01:33:49,750 --> 01:33:47,679

and and here we've had kari as a side

2175

01:33:51,990 --> 01:33:49,760

person not exactly in the spotlight but

2176

01:33:55,189 --> 01:33:52,000

behind the scenes helping me to make the

2177

01:33:56,390 --> 01:33:55,199

show look better sound better do better

2178

01:33:58,470 --> 01:33:56,400

um

2179

01:34:01,030 --> 01:33:58,480

but one of the things with a side man is

2180

01:34:03,590 --> 01:34:01,040

you don't want a side man that has other

2181

01:34:06,070 --> 01:34:03,600

aspirations really like if that's all

2182

01:34:08,310 --> 01:34:06,080

they want to do is be the side person

2183

01:34:09,110 --> 01:34:08,320

that's when it works the best not to say

2184

01:34:11,830 --> 01:34:09,120

that

2185

01:34:14,709 --> 01:34:11,840

carrie did an amazing job but carrie has

2186

01:34:17,270 --> 01:34:14,719

other aspirations so she went and uh was

2187

01:34:20,149 --> 01:34:17,280

co-hosting uh with the girls from this

2188

01:34:21,669 --> 01:34:20,159

one time i got abducted by aliens

2189

01:34:25,030 --> 01:34:21,679

then doing some

2190

01:34:26,629 --> 01:34:25,040

paper bag news like live news broadcast

2191

01:34:29,430 --> 01:34:26,639

uh then

2192

01:34:31,189 --> 01:34:29,440

maybe starting a ufo show then she's

2193

01:34:33,030 --> 01:34:31,199

doing this still doing this out of

2194

01:34:36,390 --> 01:34:33,040

context cw channel

2195

01:34:38,229 --> 01:34:36,400

thing um it's very busy

2196

01:34:39,750 --> 01:34:38,239

and uh especially having other

2197

01:34:42,470 --> 01:34:39,760

aspirations like

2198

01:34:44,149 --> 01:34:42,480

if she wants to host the show uh she's

2199

01:34:45,990 --> 01:34:44,159

not gonna have time for this

2200

01:34:47,350 --> 01:34:46,000

and also said that she's taking a break

2201

01:34:49,350 --> 01:34:47,360

from the whole subject so i think she's

2202

01:34:51,990 --> 01:34:49,360

even taking a break from the one time i

2203

01:34:54,229 --> 01:34:52,000

was absorbed by aliens i'm not

2204

01:34:56,550 --> 01:34:54,239

exactly sure of the exact details of

2205

01:34:58,629 --> 01:34:56,560

when she's coming back with her new show

2206

01:35:00,310 --> 01:34:58,639

but she's gonna do her own show and we

2207

01:35:02,550 --> 01:35:00,320

wish her the best of success with all

2208

01:35:04,470 --> 01:35:02,560

her future endeavors out i'll miss her

2209

01:35:07,109 --> 01:35:04,480

and i'll certainly miss her help here

2210

01:35:08,790 --> 01:35:07,119

but you know uh

2211

01:35:10,310 --> 01:35:08,800

like i said if somebody has other

2212

01:35:11,830 --> 01:35:10,320

aspirations i don't want to feel like

2213

01:35:13,510 --> 01:35:11,840

i'm holding them back

2214

01:35:14,950 --> 01:35:13,520

uh if they want to be a show host they

2215

01:35:17,590 --> 01:35:14,960

should go be a show host they shouldn't

2216

01:35:19,510 --> 01:35:17,600

be you know doing dumb [h\_\_\h] for me like

2217

01:35:22,390 --> 01:35:19,520

making thumbnails or whatever and you'll

2218

01:35:24,950 --> 01:35:22,400

notice the thumbnails have sucked

2219

01:35:26,470 --> 01:35:24,960

but uh i have i just haven't had time

2220

01:35:28,149 --> 01:35:26,480

i'm gonna make some templates and things

2221

01:35:29,830 --> 01:35:28,159

so they'll improve again i'm not

2222

01:35:31,590 --> 01:35:29,840

terrible graphics i just don't have time

2223

01:35:34,070 --> 01:35:31,600

so i'll throw something up for these

2224

01:35:35,910 --> 01:35:34,080

next couple of shows in the meantime so

2225

01:35:38,950 --> 01:35:35,920

yeah you know if you see her wish her

2226

01:35:40,790 --> 01:35:38,960

the best of success from all of us um

2227

01:35:44,629 --> 01:35:40,800

yeah and then

2228

01:35:47,109 --> 01:35:44,639

she's uh tremendous at video and editing

2229

01:35:49,350 --> 01:35:47,119

and all those things i'm sure she'll be

2230

01:35:51,270 --> 01:35:49,360

very successful with whatever she plans

2231

01:35:52,709 --> 01:35:51,280

to do in the future and uh i'll

2232

01:35:54,390 --> 01:35:52,719

certainly miss her and especially miss

2233

01:35:55,830 --> 01:35:54,400

the help because uh

2234

01:35:58,070 --> 01:35:55,840

it's not easy doing all this stuff

2235

01:36:00,709 --> 01:35:58,080

yourself but i'm back to being a one-man

2236

01:36:02,390 --> 01:36:00,719

got you know army here and i'm okay with

2237

01:36:03,910 --> 01:36:02,400

it i'm gonna adjust some things i'm

2238

01:36:06,070 --> 01:36:03,920

gonna figure out how to do the

2239

01:36:07,590 --> 01:36:06,080

thumbnails better i just haven't had

2240

01:36:10,550 --> 01:36:07,600

time this week

2241

01:36:12,229 --> 01:36:10,560

and um another final bit of business for

2242

01:36:13,750 --> 01:36:12,239

the show is that

2243

01:36:15,350 --> 01:36:13,760

you'll notice there was no midnight hour

2244

01:36:16,950 --> 01:36:15,360

show episode today because we used to do

2245

01:36:19,430 --> 01:36:16,960

them every thursday and there's a whole

2246

01:36:21,430 --> 01:36:19,440

nother dramaarama reason for that and

2247

01:36:23,830 --> 01:36:21,440

you know i don't feel the need to go

2248

01:36:25,510 --> 01:36:23,840

into that

2249

01:36:27,669 --> 01:36:25,520

i wanted to just dump all the midnight

2250

01:36:29,430 --> 01:36:27,679

hour show episodes at once but kari and

2251

01:36:31,669 --> 01:36:29,440

others that run shows were like no

2252

01:36:33,830 --> 01:36:31,679

that's a bad idea you know

2253

01:36:35,430 --> 01:36:33,840

it's too much at once but i want to get

2254

01:36:37,030 --> 01:36:35,440

them out of the way so we're going to do

2255

01:36:38,550 --> 01:36:37,040

going forward is we're going to host

2256

01:36:42,070 --> 01:36:38,560

those on

2257

01:36:44,709 --> 01:36:42,080

saturday and sunday evening at midnight

2258

01:36:46,229 --> 01:36:44,719

that's right midnight on saturday night

2259

01:36:48,470 --> 01:36:46,239

and on sunday so there'll be two

2260

01:36:51,270 --> 01:36:48,480

midnight hour shows a week and you are

2261

01:36:52,950 --> 01:36:51,280

almost welcome this weekend on saturday

2262

01:36:55,270 --> 01:36:52,960

night at midnight we'll have one on

2263

01:36:57,669 --> 01:36:55,280

sunday night at midnight we'll have one

2264

01:36:59,750 --> 01:36:57,679

this will mean that every day going

2265

01:37:02,070 --> 01:36:59,760

forward there should be a video from us

2266

01:37:04,229 --> 01:37:02,080

here whether it's a live truth seekers

2267

01:37:06,870 --> 01:37:04,239

taping or a production video or

2268

01:37:09,030 --> 01:37:06,880

something else we should have

2269

01:37:10,950 --> 01:37:09,040

something new on this youtube channel

2270

01:37:13,189 --> 01:37:10,960

every day going forward doing it that

2271

01:37:15,990 --> 01:37:13,199

way you'll know that we take two

2272

01:37:17,669 --> 01:37:16,000

stickers off for the weekend uh but i i

2273

01:37:19,350 --> 01:37:17,679

will always have time to render a few of

2274

01:37:20,550 --> 01:37:19,360

those and put them up and participate in

2275

01:37:22,310 --> 01:37:20,560

the live chat

2276

01:37:24,629 --> 01:37:22,320

so all the real

2277

01:37:25,750 --> 01:37:24,639

mostly good news

2278

01:37:30,470 --> 01:37:25,760

uh

2279

01:37:31,430 --> 01:37:30,480

most welcome to come and join us for

2280

01:37:32,790 --> 01:37:31,440

those

2281

01:37:34,709 --> 01:37:32,800

so

2282

01:37:36,470 --> 01:37:34,719

that's what i got for you tonight

2283

01:37:37,990 --> 01:37:36,480

and

2284

01:37:40,310 --> 01:37:38,000

what else can i say

2285

01:37:42,629 --> 01:37:40,320

um i hope you'll join us tomorrow night

2286

01:37:45,030 --> 01:37:42,639

at 7 pm eastern time we will have an

2287

01:37:47,270 --> 01:37:45,040

interview with l.a marzulli

2288

01:37:48,950 --> 01:37:47,280

uh who you may know has been looking

2289

01:37:51,430 --> 01:37:48,960

into these paraka skulls and the

2290

01:37:53,430 --> 01:37:51,440

nephilim and the fallen angels and their

2291

01:37:55,669 --> 01:37:53,440

connections or possible connections to

2292

01:37:57,910 --> 01:37:55,679

aliens and ancient aliens

2293

01:38:00,550 --> 01:37:57,920

uh very very interesting guy tomorrow

2294

01:38:03,750 --> 01:38:00,560

night 7 p.m eastern time please do come

2295

01:38:05,910 --> 01:38:03,760

and join us and support us hosting a

2296

01:38:07,510 --> 01:38:05,920

great interview here

2297

01:38:09,830 --> 01:38:07,520

so that's what i got for you tonight

2298

01:38:12,070 --> 01:38:09,840

folks until next time my name is stephen

2299

01:38:22,310 --> 01:38:12,080

cambion good night and god bless all of

2300

01:38:22,320 --> 01:38:25,870

so

2301

01:38:25,880 --> 01:38:41,350

[Music]

2302

01:39:34,940 --> 01:38:48,070

so

2303

01:39:36,300 --> 01:39:34,950

[Music]

2304

01:40:16,480 --> 01:39:36,310

[Applause]
